GARAGE

PODCAST

1
00:00:08,059 --> 00:00:04,690

[Music]

2
00:00:11,000 --> 00:00:08,069

this another episode you love over rock

3
00:00:14,629 --> 00:00:11,010

Bipin I'm Joe this is where we talk

4
00:00:19,450 --> 00:00:14,639

about you weird

5
00:00:23,240 --> 00:00:19,460

oh yeah dude virtual virtual podcast bro

6
00:00:25,939 --> 00:00:23,250

dude we're doing the the coronavirus

7
00:00:27,170 --> 00:00:25,949

version yeah man how you holding up

8
00:00:28,970 --> 00:00:27,180

there yeah I didn't I didn't realise

9
00:00:33,020 --> 00:00:28,980

that painting or that photo behind you

10
00:00:36,229 --> 00:00:33,030

is that new no that uh it's a picture of

11
00:00:38,090 --> 00:00:36,239

me i yeah I know I I know the I

12
00:00:39,590 --> 00:00:38,100

recognized the photo I didn't know if

13
00:00:43,850 --> 00:00:39,600

that was new or not I haven't seen that

14

00:00:46,549 --> 00:00:43,860

before on your on your wall that's Sam

15

00:00:49,729 --> 00:00:46,559

that's sick was that the mutton-chop

16

00:00:54,740 --> 00:00:49,739

days those are the mutton-chop days dude

17

00:00:57,020 --> 00:00:54,750

yeah let's see you know and there's the

18

00:00:59,750 --> 00:00:57,030

the handsome version of me in the

19

00:01:04,640 --> 00:00:59,760

background of that photo to you oh yeah

20

00:01:06,260 --> 00:01:04,650

oh yeah right right hilarious

21

00:01:08,810 --> 00:01:06,270

that's what I couldn't I couldn't grow a

22

00:01:14,210 --> 00:01:08,820

mustache that's I must have been about

23

00:01:17,060 --> 00:01:14,220

20 21 I think so man I think that video

24

00:01:19,100 --> 00:01:17,070

was taken or that picture was taken at

25

00:01:20,960 --> 00:01:19,110

the apartment complex yeah they gave me

26
00:01:25,480 --> 00:01:20,970
their Spring Break of primary complex

27
00:01:28,399 --> 00:01:25,490
yeah we didn't Taylor Greer take that I

28
00:01:29,660 --> 00:01:28,409
think so I think they out of the photos

29
00:01:34,010 --> 00:01:29,670
that she took when she came to one of

30
00:01:36,050 --> 00:01:34,020
our shows yeah yeah yeah dude oh yeah oh

31
00:01:40,609 --> 00:01:36,060
yeah man so we're gonna kind of keep it

32
00:01:43,010 --> 00:01:40,619
a short intro today till we can get back

33
00:01:46,510 --> 00:01:43,020
to doing the real thing you know but

34
00:01:48,740 --> 00:01:46,520
today we have Lisa O'Hara with us and

35
00:01:53,410 --> 00:01:48,750
she's gonna be talking about her

36
00:01:57,109 --> 00:01:53,420
experiences and she wrote a book called

37
00:01:59,300 --> 00:01:57,119
abducted and furious so she sent us a

38
00:01:59,630 --> 00:01:59,310

couple coffees and I'm pretty excited to

39

00:02:01,550 --> 00:01:59,640

read it

40

00:02:04,100 --> 00:02:01,560

well yeah dude I mean if you want let's

41

00:02:05,870 --> 00:02:04,110

go ahead and get into this yeah all

42

00:02:09,249 --> 00:02:05,880

right all right ladies and gentlemen

43

00:02:11,869 --> 00:02:09,259

we're joined here today with Lisa O'Hara

44

00:02:14,780 --> 00:02:11,879

and she's the author of the book

45

00:02:17,030 --> 00:02:14,790

abducted in its fury

46

00:02:20,240 --> 00:02:17,040

and so she's just somebody who reached

47

00:02:22,010 --> 00:02:20,250

out to us who emailed us and she was

48

00:02:23,750 --> 00:02:22,020

telling us a little bit about her book

49

00:02:26,390 --> 00:02:23,760

and whatnot and she sent us a couple

50

00:02:30,170 --> 00:02:26,400

copies unfortunately though with this

51
00:02:32,450 --> 00:02:30,180
virus thing being so crazy you know

52
00:02:34,100 --> 00:02:32,460
priority mailing is a thing so so they

53
00:02:35,990 --> 00:02:34,110
probably won't be here too a little bit

54
00:02:38,600 --> 00:02:36,000
later so unfortunately haven't had a

55
00:02:40,940 --> 00:02:38,610
chance to read the book but on the flip

56
00:02:43,040 --> 00:02:40,950
side of that bin dude I mean we're gonna

57
00:02:46,310 --> 00:02:43,050
get in like a fresh take on this entire

58
00:02:49,100 --> 00:02:46,320
story so we're excited to hear about it

59
00:02:51,020 --> 00:02:49,110
Ben I know you're pretty excited too

60
00:02:53,330 --> 00:02:51,030
so Lisa if you don't mind going ahead

61
00:02:56,900 --> 00:02:53,340
and introduce yourself to everybody and

62
00:03:00,500 --> 00:02:56,910
let me know what you're about okay well

63
00:03:03,620 --> 00:03:00,510

I'm just an average person who have ety

64

00:03:06,740 --> 00:03:03,630

experiences I lived in California for

65

00:03:08,330 --> 00:03:06,750

approximately 30 years and I have two

66

00:03:15,170 --> 00:03:08,340

Maine [h__h] cats and I moved to Arizona

67

00:03:16,250 --> 00:03:15,180

in 2011 and that's about it all right

68

00:03:19,160 --> 00:03:16,260

awesome

69

00:03:21,470 --> 00:03:19,170

well sweet yeah so what's uh how about

70

00:03:24,050 --> 00:03:21,480

maybe start from the beginning with your

71

00:03:26,090 --> 00:03:24,060

story did this is this something that

72

00:03:29,060 --> 00:03:26,100

recently happened to you or have you had

73

00:03:31,940 --> 00:03:29,070

contact the kind of your whole life or

74

00:03:34,010 --> 00:03:31,950

is this like a recent it's hard to know

75

00:03:35,990 --> 00:03:34,020

but I do think I've had contact my whole

76
00:03:37,460 --> 00:03:36,000
life it's just that there were little

77
00:03:41,930 --> 00:03:37,470
things happening to me when I was

78
00:03:44,000 --> 00:03:41,940
younger and also around 2012 I started

79
00:03:46,100 --> 00:03:44,010
you know more and more things started

80
00:03:48,380 --> 00:03:46,110
happening to me like a spirit started

81
00:03:51,650 --> 00:03:48,390
talking to me and I was told that I was

82
00:03:54,680 --> 00:03:51,660
a psychic medium and so I didn't really

83
00:03:56,630 --> 00:03:54,690
know what that meant and I had to you

84
00:03:59,300 --> 00:03:56,640
know try to figure it out and find

85
00:04:00,890 --> 00:03:59,310
somebody to mentor me because you know

86
00:04:02,750 --> 00:04:00,900
when you're dealing with spirits they're

87
00:04:05,180 --> 00:04:02,760
extremely I mean there are some nice

88
00:04:07,790 --> 00:04:05,190

ones but there are some bad ones and

89

00:04:10,430 --> 00:04:07,800

when you connect with them

90

00:04:12,080 --> 00:04:10,440

you're supposed to connect to their

91

00:04:14,840 --> 00:04:12,090

vibration you have to be at the same

92

00:04:16,820 --> 00:04:14,850

level so it's sort of like an elevator

93

00:04:19,310 --> 00:04:16,830

if my elevator is a little bit higher

94

00:04:21,650 --> 00:04:19,320

than yours then you can't connect to me

95

00:04:24,350 --> 00:04:21,660

so if the two elevators are at the same

96

00:04:26,120 --> 00:04:24,360

floor then they can connect but you

97

00:04:27,590 --> 00:04:26,130

don't know what else is coming through

98

00:04:29,120 --> 00:04:27,600

at the same time

99

00:04:32,090 --> 00:04:29,130

there's a lot of protections in place

100

00:04:34,100 --> 00:04:32,100

when you actually become a medium so I

101
00:04:36,500 --> 00:04:34,110
pursued that for a little while but

102
00:04:38,660 --> 00:04:36,510
decided that wasn't really what I wanted

103
00:04:40,250 --> 00:04:38,670
to do it's pretty laborious and it's

104
00:04:42,650 --> 00:04:40,260
really it's really a lot harder than it

105
00:04:46,310 --> 00:04:42,660
seems yeah

106
00:04:48,440 --> 00:04:46,320
so at that point the medium was trying

107
00:04:53,240 --> 00:04:48,450
to help me figure out what to do I was

108
00:04:55,340 --> 00:04:53,250
doing meditation and the woman started

109
00:04:57,530 --> 00:04:55,350
trying to help me figure out what was

110
00:04:59,510 --> 00:04:57,540
going on at night because I would have

111
00:05:02,870 --> 00:04:59,520
these really wild dreams and I wouldn't

112
00:05:05,530 --> 00:05:02,880
know what to do just scary things would

113
00:05:08,600 --> 00:05:05,540

happen I'd wake up I'd be sleepwalking

114

00:05:10,060 --> 00:05:08,610

just stuff like that don't even seem

115

00:05:14,300 --> 00:05:10,070

strange at all

116

00:05:15,710 --> 00:05:14,310

but strange enough and then I since I

117

00:05:18,110 --> 00:05:15,720

was meditating I was talking to my

118

00:05:20,660 --> 00:05:18,120

spirit guides a lot and I was also I

119

00:05:22,130 --> 00:05:20,670

gots raising my vibration and when you

120

00:05:24,200 --> 00:05:22,140

raise your vibration you start feeling

121

00:05:26,930 --> 00:05:24,210

more things you start seeing more things

122

00:05:31,280 --> 00:05:26,940

the more you see the more you feel the

123

00:05:33,890 --> 00:05:31,290

more you see the more you feel so at

124

00:05:36,050 --> 00:05:33,900

that point I felt something in my room

125

00:05:38,330 --> 00:05:36,060

one night and I asked my spirit guides

126

00:05:40,610 --> 00:05:38,340

what is that what is that negative

127

00:05:47,150 --> 00:05:40,620

feeling and they said oh that's et's

128

00:05:50,090 --> 00:05:47,160

they've come to take you oh no oh no so

129

00:05:53,330 --> 00:05:50,100

that was about 2017 so that's when I

130

00:05:56,030 --> 00:05:53,340

started my journey as like you know I do

131

00:05:57,590 --> 00:05:56,040

not want to be in this position first I

132

00:06:00,230 --> 00:05:57,600

was scared and then I was really mad

133

00:06:05,480 --> 00:06:00,240

because what yeah who do you think you

134

00:06:08,000 --> 00:06:05,490

are taking me right right oh that's what

135

00:06:12,440 --> 00:06:08,010

started it all yeah you know I always

136

00:06:15,590 --> 00:06:12,450

think like how violating that must feel

137

00:06:17,000 --> 00:06:15,600

and terrifying Joe and I always talk

138

00:06:19,160 --> 00:06:17,010

about like the possibility or

139

00:06:21,290 --> 00:06:19,170

hypothetically what we would do and I

140

00:06:24,560 --> 00:06:21,300

mean we would definitely be terrified

141

00:06:27,440 --> 00:06:24,570

but definitely pissed if it went yeah

142

00:06:29,960 --> 00:06:27,450

in a bad way you know sometimes you hear

143

00:06:31,190 --> 00:06:29,970

of contact experiences that went really

144

00:06:32,720 --> 00:06:31,200

well

145

00:06:35,630 --> 00:06:32,730

and then sometimes it's a really

146

00:06:37,730 --> 00:06:35,640

pleasant experience and sometimes it's

147

00:06:39,860 --> 00:06:37,740

it's a really negative one that the the

148

00:06:41,230 --> 00:06:39,870

I guess the truth is that there's not

149

00:06:43,420 --> 00:06:41,240

just one type of

150

00:06:46,930 --> 00:06:43,430

see out there taking people and that's

151
00:06:48,760 --> 00:06:46,940
what we kind of put together and yeah it

152
00:06:52,540 --> 00:06:48,770
sounds like maybe you had a rent a

153
00:06:54,909 --> 00:06:52,550
run-in with a negative experience I've

154
00:06:58,689 --> 00:06:54,919
had many negative experiences and that's

155
00:07:00,550 --> 00:06:58,699
what I've determined is that for me it's

156
00:07:03,460 --> 00:07:00,560
a very negative experience and

157
00:07:06,309 --> 00:07:03,470
horrifying and terrifying actually right

158
00:07:08,170 --> 00:07:06,319
and so it's the thought of you know not

159
00:07:10,360 --> 00:07:08,180
and then not knowing what went on

160
00:07:13,240 --> 00:07:10,370
because your memories erased what are

161
00:07:15,490 --> 00:07:13,250
they really doing yeah why can't they

162
00:07:20,279 --> 00:07:15,500
tell you what it is they're doing right

163
00:07:24,159 --> 00:07:20,289

so do you do you have vivid vivid

164

00:07:27,159 --> 00:07:24,169

memories of of the this particular night

165

00:07:29,230 --> 00:07:27,169

that or did you did were you taken that

166

00:07:31,540 --> 00:07:29,240

night or is it kind of like erased from

167

00:07:34,600 --> 00:07:31,550

your room yeah okay so I was taking that

168

00:07:36,279 --> 00:07:34,610

night in my book I talk about certain

169

00:07:39,159 --> 00:07:36,289

tools that you can use to actually go

170

00:07:43,120 --> 00:07:39,169

back inside your memory of what they've

171

00:07:44,920 --> 00:07:43,130

erased and so you know some people talk

172

00:07:46,450 --> 00:07:44,930

about hypnotic regression or whatever

173

00:07:48,010 --> 00:07:46,460

it's sort of like that except that

174

00:07:51,270 --> 00:07:48,020

you're exploring your own mind you're

175

00:07:53,469 --> 00:07:51,280

going backwards into your own mind and

176
00:07:56,080 --> 00:07:53,479
because of that then you could see the

177
00:07:58,600 --> 00:07:56,090
truth as opposed to what your dreams

178
00:08:01,270 --> 00:07:58,610
telling it like for instance if you have

179
00:08:02,709 --> 00:08:01,280
a dream for instance like you lost your

180
00:08:04,719 --> 00:08:02,719
wallet this is a common thing people

181
00:08:06,520 --> 00:08:04,729
lost their wallet or they're walking

182
00:08:08,350 --> 00:08:06,530
around naked you know and they're

183
00:08:10,719 --> 00:08:08,360
wondering if anyone else notices that

184
00:08:13,899 --> 00:08:10,729
they're naked but you can also feel that

185
00:08:16,659 --> 00:08:13,909
kind of stressful feeling so that means

186
00:08:19,059 --> 00:08:16,669
that your but your mind was trying to

187
00:08:23,290 --> 00:08:19,069
come up with something that was common

188
00:08:25,870 --> 00:08:23,300

to you to give you but the feeling is of

189

00:08:29,620 --> 00:08:25,880

stress so behind that what's behind that

190

00:08:31,450 --> 00:08:29,630

oh wow okay like the the dreams that you

191

00:08:33,819 --> 00:08:31,460

have when your teeth are falling out

192

00:08:36,250 --> 00:08:33,829

maybe that's often something that's

193

00:08:39,760 --> 00:08:36,260

that's tied to stress or the feeling of

194

00:08:41,760 --> 00:08:39,770

out of control yeah what do your dreams

195

00:08:44,740 --> 00:08:41,770

feel like instead of trying to determine

196

00:08:47,380 --> 00:08:44,750

are this is this dream everything is my

197

00:08:49,810 --> 00:08:47,390

self or bicycle means this or whatever

198

00:08:52,780 --> 00:08:49,820

maybe you should look at how it feels

199

00:08:55,150 --> 00:08:52,790

and then look behind the dream Wow

200

00:08:57,009 --> 00:08:55,160

because that might be something

201
00:08:58,660 --> 00:08:57,019
that you want to look at because if you

202
00:09:00,189 --> 00:08:58,670
do you might find something you don't

203
00:09:02,019 --> 00:09:00,199
like now some people are going to be too

204
00:09:04,780 --> 00:09:02,029
scared to do that and I understand it's

205
00:09:08,530 --> 00:09:04,790
a scary thing but if you get angry

206
00:09:11,800 --> 00:09:08,540
instead you can you know start

207
00:09:15,220 --> 00:09:11,810
eliminating these entities and that's

208
00:09:17,710 --> 00:09:15,230
why I started doing huh Wow yeah like uh

209
00:09:20,410 --> 00:09:17,720
like Lauren Lauren she says you know

210
00:09:22,179 --> 00:09:20,420
what I know some stuff has probably

211
00:09:24,670 --> 00:09:22,189
happened and people asked me to get

212
00:09:28,139 --> 00:09:24,680
regressed all the time but I just don't

213
00:09:31,780 --> 00:09:28,149

even want to know right

214

00:09:33,550 --> 00:09:31,790

yeah that's true i l've definitely kind

215

00:09:36,249 --> 00:09:33,560

of sidon that thing I definitely have

216

00:09:38,050 --> 00:09:36,259

some weird dreams but I don't know I

217

00:09:44,079 --> 00:09:38,060

don't think I want to know if stuff's

218

00:09:46,480 --> 00:09:44,089

going on but yeah so maybe talk a little

219

00:09:48,879 --> 00:09:46,490

bit about Lisa

220

00:09:52,540 --> 00:09:48,889

maybe so your first experience that you

221

00:09:54,309 --> 00:09:52,550

you definitely you know that remember

222

00:09:56,980 --> 00:09:54,319

exactly what happened to you maybe if

223

00:09:59,259 --> 00:09:56,990

you would like to share that sure sure

224

00:10:00,759 --> 00:09:59,269

yeah actually after this happened I

225

00:10:03,579 --> 00:10:00,769

can't after this particular thing

226
00:10:05,889 --> 00:10:03,589
happened I contacted MUFON because

227
00:10:08,530 --> 00:10:05,899
that's you know I didn't know where else

228
00:10:10,870 --> 00:10:08,540
to go and who else do you contact about

229
00:10:14,439 --> 00:10:10,880
this kind of thing you know and I told

230
00:10:18,040 --> 00:10:14,449
this to her but so and it's in my book

231
00:10:20,439 --> 00:10:18,050
also so there was a point where I was

232
00:10:23,470 --> 00:10:20,449
moving around my recycle bin in Arizona

233
00:10:25,150 --> 00:10:23,480
there's huge blue bins and they're sharp

234
00:10:27,519 --> 00:10:25,160
you know on the edges because it's

235
00:10:30,550 --> 00:10:27,529
plastic and I was moving around a bend

236
00:10:37,269 --> 00:10:30,560
and I was walking backwards and I fell

237
00:10:39,970 --> 00:10:37,279
and I cut my meat and so I that day that

238
00:10:41,799 --> 00:10:39,980

night it starts throbbing like crazy so

239

00:10:44,139 --> 00:10:41,809

I couldn't figure out why but all of a

240

00:10:47,379 --> 00:10:44,149

sudden next to my bed was a big

241

00:10:50,400 --> 00:10:47,389

grasshopper a big greenish brown

242

00:10:53,230 --> 00:10:50,410

grasshopper saying to me telepathically

243

00:10:58,119 --> 00:10:53,240

come up to worship please let me fix

244

00:11:01,299 --> 00:10:58,129

your needs Wow oh my my knee was calling

245

00:11:06,030 --> 00:11:01,309

to her my knee was beaconing to her what

246

00:11:08,970 --> 00:11:06,040

saying this is a damaged implant and

247

00:11:11,879 --> 00:11:08,980

please you know let us please

248

00:11:14,490 --> 00:11:11,889

let us come take you to the ship I don't

249

00:11:16,560 --> 00:11:14,500

know if they thought I thought that they

250

00:11:19,470 --> 00:11:16,570

needed to get my permission or what but

251

00:11:23,069 --> 00:11:19,480

I was like no if not giving you

252

00:11:25,019 --> 00:11:23,079

permission I'm gonna take ship because

253

00:11:26,730 --> 00:11:25,029

but the funny thing was and this is

254

00:11:29,460 --> 00:11:26,740

common in to a lot of people who are

255

00:11:31,980 --> 00:11:29,470

visited by ETS is that you're just so

256

00:11:34,829 --> 00:11:31,990

you cannot look stop looking at them

257

00:11:37,730 --> 00:11:34,839

because it is just so fascinating

258

00:11:40,439 --> 00:11:37,740

horrifying surreal I mean you are just

259

00:11:42,750 --> 00:11:40,449

transfixed you cannot even move I mean

260

00:11:44,370 --> 00:11:42,760

it's not because you're paralyzed

261

00:11:46,699 --> 00:11:44,380

you just cannot believe what you're

262

00:11:49,470 --> 00:11:46,709

actually seeing next to your bed right

263

00:11:51,780 --> 00:11:49,480

so what you do is you just aren't

264

00:11:53,490 --> 00:11:51,790

staring at them you know trying to

265

00:11:55,199 --> 00:11:53,500

remember everything but you're not

266

00:11:58,500 --> 00:11:55,209

moving you're not running away you know

267

00:12:01,740 --> 00:11:58,510

kick them you know what I mean yes I are

268

00:12:03,930 --> 00:12:01,750

stuck net I definitely I I sympathize

269

00:12:06,840 --> 00:12:03,940

with that because I don't think I could

270

00:12:07,680 --> 00:12:06,850

look away if I saw a creature that's not

271

00:12:10,470 --> 00:12:07,690

human

272

00:12:12,000 --> 00:12:10,480

talking intelligently I don't think I

273

00:12:13,470 --> 00:12:12,010

could look away that the fact that you

274

00:12:14,990 --> 00:12:13,480

described it as a grasshopper I'm

275

00:12:17,879 --> 00:12:15,000

wondering we've heard stories of

276

00:12:20,400 --> 00:12:17,889

sometimes they can project or leave

277

00:12:23,490 --> 00:12:20,410

stuff in your memory that oh okay it was

278

00:12:24,629 --> 00:12:23,500

actually an owl or or something else is

279

00:12:26,220 --> 00:12:24,639

that kind of similar to what you're

280

00:12:27,809 --> 00:12:26,230

saying or are you saying that this

281

00:12:30,389 --> 00:12:27,819

creature didn't have like a bug like

282

00:12:32,579 --> 00:12:30,399

appearance I'm going to say that at that

283

00:12:34,559 --> 00:12:32,589

time I believed it to be a grasshopper

284

00:12:38,850 --> 00:12:34,569

eight looked exactly like a grasshopper

285

00:12:42,059 --> 00:12:38,860

and right now and later I'd seen preying

286

00:12:44,519 --> 00:12:42,069

mantises and they looked exactly like

287

00:12:47,550 --> 00:12:44,529

preying mantises to me it was just one

288

00:12:49,139 --> 00:12:47,560

of those things this the second time it

289

00:12:51,870 --> 00:12:49,149

happened I can't remember exactly all

290

00:12:54,150 --> 00:12:51,880

the details right now as they came by

291

00:12:58,410 --> 00:12:54,160

and they pointed at me and I fell asleep

292

00:13:00,059 --> 00:12:58,420

and that was scary you know but prior to

293

00:13:02,009 --> 00:13:00,069

that kind they kind of used some sort of

294

00:13:04,620 --> 00:13:02,019

spoon or tuning fork and then whack me

295

00:13:06,480 --> 00:13:04,630

on my genitals oh and it was just weird

296

00:13:10,319 --> 00:13:06,490

because but you know what it means so

297

00:13:12,480 --> 00:13:10,329

like I'm laying there just cannot even

298

00:13:16,290 --> 00:13:12,490

believe it and then you know that I

299

00:13:19,679 --> 00:13:16,300

point at me and I fall asleep so Wow so

300

00:13:22,500 --> 00:13:19,689

they have some kind of telepathic way of

301

00:13:24,270 --> 00:13:22,510

just pointing at you and you can fall

302

00:13:28,290 --> 00:13:24,280

sleep or some kind of frequency that

303

00:13:30,720 --> 00:13:28,300

just put your mind yes out that's

304

00:13:33,150 --> 00:13:30,730

interesting so you've seen like these

305

00:13:35,850 --> 00:13:33,160

these little grasshoppers and the mantis

306

00:13:38,640 --> 00:13:35,860

and stuff like that I mean could you

307

00:13:40,320 --> 00:13:38,650

recall how many different varieties of

308

00:13:44,190 --> 00:13:40,330

these things that you've seen or does

309

00:13:46,710 --> 00:13:44,200

this seem to be by the same group there

310

00:13:49,110 --> 00:13:46,720

seems to be well initially there seemed

311

00:13:50,820 --> 00:13:49,120

to be a lot more groups and you know for

312

00:13:52,080 --> 00:13:50,830

instance I would have this one I had

313

00:13:55,620 --> 00:13:52,090

this one dream and it's in the book too

314

00:13:57,510 --> 00:13:55,630

that my foot my right foot had I saw

315

00:13:59,520 --> 00:13:57,520

this very long fingernail a lot of times

316

00:14:02,100 --> 00:13:59,530

you just see like snippets you don't see

317

00:14:04,410 --> 00:14:02,110

whole scenes or anything so you'll see a

318

00:14:08,340 --> 00:14:04,420

snippet of like a very long fingernail

319

00:14:11,160 --> 00:14:08,350

cutting a hole into your foot and the

320

00:14:12,660 --> 00:14:11,170

next day I actually had a you know you

321

00:14:14,340 --> 00:14:12,670

know how you'll get like a blister on

322

00:14:16,860 --> 00:14:14,350

your foot and the skin will puff up

323

00:14:18,630 --> 00:14:16,870

that's exactly what I had on my foot it

324

00:14:19,230 --> 00:14:18,640

was the weirdest thing but the skin was

325

00:14:23,640 --> 00:14:19,240

gone

326

00:14:26,040 --> 00:14:23,650

and I didn't take it off and so you're

327

00:14:28,050 --> 00:14:26,050

wondering what the heck you know I mean

328

00:14:29,730 --> 00:14:28,060

are these things that are actually

329

00:14:31,770 --> 00:14:29,740

happening I mean there's evidence but

330

00:14:34,320 --> 00:14:31,780

it's not really evidence because if you

331

00:14:35,730 --> 00:14:34,330

tell someone about it oh you probably

332

00:14:37,680 --> 00:14:35,740

got a blister there and you didn't

333

00:14:40,260 --> 00:14:37,690

remember it or you know what I mean

334

00:14:42,750 --> 00:14:40,270

there's a logical explanation but to

335

00:14:44,340 --> 00:14:42,760

have a dream about a whole you know a

336

00:14:46,890 --> 00:14:44,350

piece of skin being taken off your foot

337

00:14:49,470 --> 00:14:46,900

and the next day finding that area and

338

00:14:51,990 --> 00:14:49,480

the way you dreamed it right it's just

339

00:14:54,930 --> 00:14:52,000

like what the you know what the heck is

340

00:14:58,230 --> 00:14:54,940

really going on you know I guess I'm

341

00:15:00,060 --> 00:14:58,240

kind of extra curious besides being so

342

00:15:02,730 --> 00:15:00,070

angry I was just like what is this

343

00:15:05,430 --> 00:15:02,740

really about I mean what are the FBI

344

00:15:11,880 --> 00:15:05,440

after I'm an older woman I'm not that

345

00:15:14,340 --> 00:15:11,890

interesting seriously duh

346

00:15:19,590 --> 00:15:14,350

does anybody else in your family have

347

00:15:22,800 --> 00:15:19,600

any history of strange encounters or you

348

00:15:27,390 --> 00:15:22,810

know being a psychic maybe um actually

349

00:15:31,020 --> 00:15:27,400

apparently my grandmother my mother's

350

00:15:34,110 --> 00:15:31,030

mother had a dream but where she was

351

00:15:35,310 --> 00:15:34,120

trying to cross a river and still

352

00:15:36,510 --> 00:15:35,320

whenever she was worried about something

353

00:15:37,710 --> 00:15:36,520

if she had the dream

354

00:15:39,240 --> 00:15:37,720

she crossed the river that meant

355

00:15:41,310 --> 00:15:39,250

everything was going to be okay and she

356

00:15:43,020 --> 00:15:41,320

had the dream that she didn't couldn't

357

00:15:47,040 --> 00:15:43,030

cross the river that meant that nothing

358

00:15:48,840 --> 00:15:47,050

was going to be okay huh but I asked my

359

00:15:50,850 --> 00:15:48,850

mother before she passed away and she

360

00:15:54,180 --> 00:15:50,860

said no she'd never had anything like

361

00:15:58,110 --> 00:15:54,190

that but interestingly one of my sisters

362

00:15:59,820 --> 00:15:58,120

that I hang out with she and I were

363

00:16:02,550 --> 00:15:59,830

together it's pretty strange we have

364

00:16:05,100 --> 00:16:02,560

very unusual experiences where I'll

365

00:16:06,390 --> 00:16:05,110

sleepwalk she'll touch me in the middle

366

00:16:08,970 --> 00:16:06,400

of the night saying you don't have to go

367

00:16:12,090 --> 00:16:08,980

you don't have to go just stuff like

368

00:16:14,220 --> 00:16:12,100

that where when she stays at my house

369

00:16:16,980 --> 00:16:14,230

and I'm not I'm a night owl she's an

370

00:16:18,390 --> 00:16:16,990

early bird she'll wake up when she wakes

371

00:16:19,680 --> 00:16:18,400

up it's really bizarre

372

00:16:21,180 --> 00:16:19,690

I mean they're just there's some

373

00:16:26,640 --> 00:16:21,190

connection there but I don't know what

374

00:16:29,490 --> 00:16:26,650

it is so yeah Wow Wow okay so maybe some

375

00:16:31,830 --> 00:16:29,500

connection there with you said your

376

00:16:36,660 --> 00:16:31,840

sister was in the dream with you and and

377

00:16:38,940 --> 00:16:36,670

is that I hear that right that she no we

378

00:16:40,620 --> 00:16:38,950

were I was staying over at her house and

379

00:16:44,160 --> 00:16:40,630

she has a lumpy couch so I was sleeping

380

00:16:47,730 --> 00:16:44,170

next to her in a queen-size bed and when

381

00:16:49,770 --> 00:16:47,740

I I was I don't remember exactly what

382

00:16:51,120 --> 00:16:49,780

was happening but she she had her hand

383

00:16:52,380 --> 00:16:51,130

on my knee and it was patting it and

384

00:16:57,240 --> 00:16:52,390

saying you don't have to go you don't

385

00:16:59,700 --> 00:16:57,250

have to go Wow Wow so I know when I did

386

00:17:00,930 --> 00:16:59,710

a remote view of that which is in my

387

00:17:04,410 --> 00:17:00,940

book wow you're kind of looking

388

00:17:08,790 --> 00:17:04,420

backwards it had some sort of unusual

389

00:17:11,400 --> 00:17:08,800

peanut shaped head CT Wow

390

00:17:13,350 --> 00:17:11,410

a peanut shaped head et okay yeah I'm

391

00:17:15,120 --> 00:17:13,360

really interested in the description of

392

00:17:19,910 --> 00:17:15,130

the it sounds like you've seen multiple

393

00:17:22,410 --> 00:17:19,920

different species oh yeah yeah I have so

394

00:17:25,500 --> 00:17:22,420

yeah I'm like really interesting that

395

00:17:29,460 --> 00:17:25,510

that what know what to you what was the

396

00:17:31,380 --> 00:17:29,470

most I guess different looking you know

397

00:17:34,800 --> 00:17:31,390

I'm interested in and there's definitely

398

00:17:37,080 --> 00:17:34,810

the humanoid archetype with the head and

399

00:17:40,350 --> 00:17:37,090

two arms and two legs is that kind of

400

00:17:44,370 --> 00:17:40,360

the extent of these of these creatures

401
00:17:47,160 --> 00:17:44,380
or do you know what the human creature

402
00:17:49,980 --> 00:17:47,170
is pretty you know it seems to be pretty

403
00:17:50,430 --> 00:17:49,990
involved in this too so it's not just

404
00:17:55,290 --> 00:17:50,440
each

405
00:17:59,160 --> 00:17:55,300
it seems like there is some collusion

406
00:18:02,610 --> 00:17:59,170
with humans but there seems to be a lot

407
00:18:05,550 --> 00:18:02,620
of experimentation and one thing I saw

408
00:18:09,060 --> 00:18:05,560
like a cat with with it looked like a

409
00:18:12,690 --> 00:18:09,070
half-breed cat spider and I've seen

410
00:18:15,270 --> 00:18:12,700
people with spiders with human heads and

411
00:18:18,060 --> 00:18:15,280
just stuff like that I mean yeah you

412
00:18:20,400 --> 00:18:18,070
know or I'll see somebody wearing like a

413
00:18:23,010 --> 00:18:20,410

suit that's supposed to be a beetle and

414

00:18:24,540 --> 00:18:23,020

then it's not it's a human wearing a

415

00:18:26,670 --> 00:18:24,550

beetle suit and I've seen beetles

416

00:18:27,480 --> 00:18:26,680

wearing human suits and oh my god I just

417

00:18:33,090 --> 00:18:27,490

seen it

418

00:18:35,730 --> 00:18:33,100

Wow really interesting so do you

419

00:18:38,880 --> 00:18:35,740

remember the the setting of which that

420

00:18:41,220 --> 00:18:38,890

you saw this was this in a like a like a

421

00:18:44,970 --> 00:18:41,230

regular room or do you remember being on

422

00:18:47,640 --> 00:18:44,980

the on a ship of some kind some kind it

423

00:18:49,380 --> 00:18:47,650

doesn't seem like I'm on a ship but but

424

00:18:52,140 --> 00:18:49,390

sometimes I'll see myself in the

425

00:18:56,460 --> 00:18:52,150

standard you know laying on some large

426

00:18:59,370 --> 00:18:56,470

bright aluminum table and then they'll

427

00:19:05,880 --> 00:18:59,380

have some sort of it'll kind of look

428

00:19:08,610 --> 00:19:05,890

like a big flat thing with like a like a

429

00:19:10,890 --> 00:19:08,620

coffee can like three coffee cans so

430

00:19:12,780 --> 00:19:10,900

that it kind of looks like you know kind

431

00:19:14,580 --> 00:19:12,790

of like some sort of nut probe but I

432

00:19:16,020 --> 00:19:14,590

don't know what it is I mean I'm not

433

00:19:18,300 --> 00:19:16,030

sure these some of these things you see

434

00:19:20,430 --> 00:19:18,310

you're like what how do I even describe

435

00:19:22,680 --> 00:19:20,440

this and you end up you know drawing

436

00:19:25,740 --> 00:19:22,690

them and as best you can remember which

437

00:19:27,720 --> 00:19:25,750

I'm not much of a drawer and so I'm

438

00:19:30,510 --> 00:19:27,730

trying to figure out what did I actually

439

00:19:32,310 --> 00:19:30,520

see I don't know and a lot of times when

440

00:19:35,220 --> 00:19:32,320

you're looking backwards into your

441

00:19:37,710 --> 00:19:35,230

dreams into your mind you see the gist

442

00:19:40,200 --> 00:19:37,720

you don't see every aspect of the

443

00:19:42,600 --> 00:19:40,210

situation you just see you know the

444

00:19:45,120 --> 00:19:42,610

important parts and so that way you can

445

00:19:46,970 --> 00:19:45,130

figure out where where where did I go

446

00:19:49,710 --> 00:19:46,980

what did I do

447

00:19:53,040 --> 00:19:49,720

so a lot of times I am I'm in an

448

00:19:57,060 --> 00:19:53,050

operating room and there are people

449

00:19:58,590 --> 00:19:57,070

humans or others with their masks on

450

00:20:02,820 --> 00:19:58,600

because they don't want me to see who

451
00:20:04,260 --> 00:20:02,830
they are and and so they actually have

452
00:20:08,040 --> 00:20:04,270
you know like surgery

453
00:20:09,930 --> 00:20:08,050
masks on Wow and other times they're

454
00:20:12,690 --> 00:20:09,940
just trying to get information out of me

455
00:20:14,549 --> 00:20:12,700
I had this one where I was in a water

456
00:20:16,140 --> 00:20:14,559
tank and they kept putting me in and

457
00:20:18,630 --> 00:20:16,150
then taking me out and then trying to

458
00:20:20,280 --> 00:20:18,640
get me to tell them what I knew and what

459
00:20:21,390 --> 00:20:20,290
I didn't know and you know I don't even

460
00:20:23,730 --> 00:20:21,400
know what that was about

461
00:20:26,400 --> 00:20:23,740
but there they were dunking me in this

462
00:20:28,140 --> 00:20:26,410
water change do you think you're a part

463
00:20:32,640 --> 00:20:28,150

of maybe like some like the labs

464

00:20:34,860 --> 00:20:32,650

experiment you know I do I do actually

465

00:20:39,030 --> 00:20:34,870

because there were quite a few times

466

00:20:42,600 --> 00:20:39,040

when I was I I would have quote-unquote

467

00:20:45,390 --> 00:20:42,610

dreams about people men with big hairy

468

00:20:48,510 --> 00:20:45,400

arms grabbing me and you know holding my

469

00:20:50,370 --> 00:20:48,520

arms down or you know giving me big

470

00:20:52,440 --> 00:20:50,380

bruises on my legs where it was

471

00:20:54,299 --> 00:20:52,450

obviously you know a human hand other

472

00:20:59,010 --> 00:20:54,309

times it was four fingers and a thumb

473

00:21:02,220 --> 00:20:59,020

you know what I mean there were times

474

00:21:04,169 --> 00:21:02,230

and I tried to but in the beginning I

475

00:21:06,240 --> 00:21:04,179

didn't take a lot of pictures because I

476

00:21:09,450 --> 00:21:06,250

would just sort of like being a

477

00:21:11,610 --> 00:21:09,460

detective in my own mind but then as I

478

00:21:13,680 --> 00:21:11,620

realized I better start taking some of

479

00:21:15,690 --> 00:21:13,690

these pictures I did take some there are

480

00:21:19,590 --> 00:21:15,700

some of the book and some of them are

481

00:21:21,060 --> 00:21:19,600

really strange I mean they're just you

482

00:21:23,669 --> 00:21:21,070

know I have one that looks like a lie

483

00:21:26,970 --> 00:21:23,679

it's like what the hell I had one of my

484

00:21:28,919 --> 00:21:26,980

leg that looks like SP or JP and it

485

00:21:31,310 --> 00:21:28,929

actually looks like syringe marks or

486

00:21:35,130 --> 00:21:31,320

somebody physically went in and actually

487

00:21:39,030 --> 00:21:35,140

you know put those on my leg as like a

488

00:21:41,040 --> 00:21:39,040

signature or a stamp or recently I had

489

00:21:42,930 --> 00:21:41,050

one and I know I could probably spend

490

00:21:49,260 --> 00:21:42,940

you a picture of it it's gone now but it

491

00:21:52,680 --> 00:21:49,270

looked like it in it's so strange

492

00:21:55,140 --> 00:21:52,690

because it's it's it always makes me

493

00:21:57,240 --> 00:21:55,150

think of like what's really going on you

494

00:21:59,370 --> 00:21:57,250

know because you have these experiences

495

00:22:01,140 --> 00:21:59,380

where you've got people who have like

496

00:22:03,390 --> 00:22:01,150

implants and things like that all over

497

00:22:06,090 --> 00:22:03,400

their body but there is not a mark on

498

00:22:08,669 --> 00:22:06,100

them right right you have on the other

499

00:22:10,620 --> 00:22:08,679

side where people are you know I mean

500

00:22:12,960 --> 00:22:10,630

you could even say getting like tricked

501
00:22:16,350 --> 00:22:12,970
to like almost close to mutilation at

502
00:22:17,970 --> 00:22:16,360
some point and it's like which which one

503
00:22:21,299 --> 00:22:17,980
of these is doing

504
00:22:23,480 --> 00:22:21,309
it's like more dirty work it seems like

505
00:22:26,280 --> 00:22:23,490
and which ones are doing this clean work

506
00:22:29,220 --> 00:22:26,290
it's a it's a it's a real fine line that

507
00:22:32,100 --> 00:22:29,230
I seem to have and I'm I'm wondering

508
00:22:37,409 --> 00:22:32,110
because I don't even know if you know

509
00:22:39,120 --> 00:22:37,419
the purely like et connection if maybe

510
00:22:40,950 --> 00:22:39,130
they're doing the clean work and maybe

511
00:22:44,909 --> 00:22:40,960
the ones that are working what humans

512
00:22:47,789 --> 00:22:44,919
are doing I agree with you because I've

513
00:22:50,549 --> 00:22:47,799

seen I've had a lot of weird bumps like

514

00:22:52,830 --> 00:22:50,559

fur in the beginning I realized that I

515

00:22:53,970 --> 00:22:52,840

had these weird syringe marks that's

516

00:22:56,100 --> 00:22:53,980

what I thought of them because they're a

517

00:22:58,830 --> 00:22:56,110

raised bump they would be under my eye

518

00:23:00,659 --> 00:22:58,840

or you know there would just be a raised

519

00:23:02,250 --> 00:23:00,669

bump and it looked like it had a hole in

520

00:23:05,280 --> 00:23:02,260

the middle and it looked like a syringe

521

00:23:09,000 --> 00:23:05,290

part and I was thinking to myself why

522

00:23:11,159 --> 00:23:09,010

would et's use a syringe and that's when

523

00:23:12,810 --> 00:23:11,169

I suddenly started realizing that a lot

524

00:23:14,730 --> 00:23:12,820

of times these marks to do look like

525

00:23:17,100 --> 00:23:14,740

syringe marks and it's probably people

526

00:23:19,799 --> 00:23:17,110

it's humans doing this to me and I don't

527

00:23:21,480 --> 00:23:19,809

know why but yeah that's why I started

528

00:23:24,210 --> 00:23:21,490

thinking you know what I read about the

529

00:23:26,180 --> 00:23:24,220

MyLab thing and I was very interested in

530

00:23:28,440 --> 00:23:26,190

it because there was quite a bit of time

531

00:23:31,350 --> 00:23:28,450

that I started realizing that when I

532

00:23:33,590 --> 00:23:31,360

woke up my mouth even though I brushed

533

00:23:42,990 --> 00:23:33,600

my teeth the night before I had plaque

534

00:23:46,320 --> 00:23:43,000

so how would I have I must be eating or

535

00:23:48,240 --> 00:23:46,330

drinking something and you know and then

536

00:23:50,909 --> 00:23:48,250

I would have clock when I woke up have

537

00:23:53,340 --> 00:23:50,919

you been able to contact anybody about

538

00:23:55,799 --> 00:23:53,350

your Malad experience or talk to anybody

539

00:23:58,440 --> 00:23:55,809

who has experience or knowledge in that

540

00:24:00,000 --> 00:23:58,450

area no and you know what that's part of

541

00:24:01,200 --> 00:24:00,010

the problem I mean one of the reasons

542

00:24:03,030 --> 00:24:01,210

when I found these tools that were

543

00:24:05,400 --> 00:24:03,040

really working for me and eliminating

544

00:24:08,310 --> 00:24:05,410

the ETS I was looking for people like me

545

00:24:10,380 --> 00:24:08,320

who had these experiences were unhappy

546

00:24:12,330 --> 00:24:10,390

about it and wanted to do something but

547

00:24:14,159 --> 00:24:12,340

I'll be darned it was so hard

548

00:24:16,409 --> 00:24:14,169

first of all you can't find anyone to

549

00:24:19,409 --> 00:24:16,419

admit that they were actually abductees

550

00:24:22,020 --> 00:24:19,419

but secondly to find a second group that

551
00:24:25,860 --> 00:24:22,030
says that they hate it and they wanted

552
00:24:27,990 --> 00:24:25,870
to stop is damn near impossible no

553
00:24:30,330 --> 00:24:28,000
that's why I had to write the book

554
00:24:31,769 --> 00:24:30,340
because I figured the only way to get to

555
00:24:34,409 --> 00:24:31,779
these people is to write a

556
00:24:36,869 --> 00:24:34,419
book and then talk to other people and

557
00:24:39,479 --> 00:24:36,879
see if I can get some momentum to help

558
00:24:42,719 --> 00:24:39,489
these other people like me yeah

559
00:24:45,749 --> 00:24:42,729
definitely yeah because I mean you know

560
00:24:49,049 --> 00:24:45,759
we got people like you know Melinda

561
00:24:50,729 --> 00:24:49,059
Leslie right who did like you know 30

562
00:24:53,669 --> 00:24:50,739
years of research in the middle app

563
00:24:56,729 --> 00:24:53,679

stuff and you know she's a friend of

564

00:24:59,430 --> 00:24:56,739

ours you know but it seems like to her

565

00:25:01,560 --> 00:24:59,440

it's like a goal of finding out like

566

00:25:04,680 --> 00:25:01,570

kind of who's behind this nor all the

567

00:25:07,619 --> 00:25:04,690

players you know yeah these abduction

568

00:25:09,930 --> 00:25:07,629

experiences which still have come to

569

00:25:14,190 --> 00:25:09,940

terms with um and it does seem like

570

00:25:16,499 --> 00:25:14,200

maybe the ones that she his most

571

00:25:20,729 --> 00:25:16,509

bothered by seem to be these maybe like

572

00:25:23,039 --> 00:25:20,739

more military abductions to her you know

573

00:25:24,629 --> 00:25:23,049

and and you know she says that you know

574

00:25:27,749 --> 00:25:24,639

the reason that they're doing that is

575

00:25:29,489 --> 00:25:27,759

because you have this ability to contact

576

00:25:31,409 --> 00:25:29,499

the et in the first place

577

00:25:33,539 --> 00:25:31,419

you know they will about with you flown

578

00:25:35,820 --> 00:25:33,549

the ship or you've seen language or

579

00:25:38,129 --> 00:25:35,830

you've you know done this or that that's

580

00:25:40,379 --> 00:25:38,139

what they want to you know know and then

581

00:25:42,930 --> 00:25:40,389

you have people like our buddy Justin

582

00:25:44,190 --> 00:25:42,940

who is like stop calling them here

583

00:25:47,129 --> 00:25:44,200

they're not your friends

584

00:25:50,700 --> 00:25:47,139

trust me they're gonna kill us all

585

00:25:55,379 --> 00:25:53,369

I'm actually cherry Lovelace is another

586

00:25:57,299 --> 00:25:55,389

guy I actually wrote to him I read his

587

00:25:59,009 --> 00:25:57,309

book I wrote to him and said oh my gosh

588

00:26:01,889 --> 00:25:59,019

you're not alone I just want to tell you

589

00:26:08,399 --> 00:26:01,899

I found some tools and I said you write

590

00:26:10,739 --> 00:26:08,409

your baggage yeah exactly but I agree

591

00:26:13,049 --> 00:26:10,749

with your friend you know who is behind

592

00:26:15,269 --> 00:26:13,059

it and you know I mean I think it's just

593

00:26:17,789 --> 00:26:15,279

so asinine but it does sound like our

594

00:26:20,999 --> 00:26:17,799

government doesn't it to say okay you're

595

00:26:23,399 --> 00:26:21,009

being contacted by ETS your memory has

596

00:26:25,499 --> 00:26:23,409

been erased by you know technology this

597

00:26:28,320 --> 00:26:25,509

is so far superior to ours but we'll

598

00:26:31,799 --> 00:26:28,330

beat you up and well you know I mean

599

00:26:33,719 --> 00:26:31,809

we'll try to extract information out of

600

00:26:36,450 --> 00:26:33,729

your brain and we'll be rough with you

601
00:26:41,940 --> 00:26:36,460
because you can't remember it anyway I

602
00:26:44,339 --> 00:26:41,950
mean yeah I don't think that's happening

603
00:26:45,520 --> 00:26:44,349
to me anymore now because I'm just so

604
00:26:47,800 --> 00:26:45,530
pissed off I've been try

605
00:26:49,930 --> 00:26:47,810
you'll eliminate them and I think also

606
00:26:52,930 --> 00:26:49,940
when I was writing my book it seemed

607
00:26:55,210 --> 00:26:52,940
like there was you know it just seems

608
00:26:57,580 --> 00:26:55,220
like their inner computers either AI or

609
00:26:59,940 --> 00:26:57,590
some other thing and so as soon as I

610
00:27:02,610 --> 00:26:59,950
wrote my book down and wrote down my

611
00:27:05,260 --> 00:27:02,620
inside my book is actually in my journal

612
00:27:06,190 --> 00:27:05,270
because my spirit cards made me put that

613
00:27:08,110 --> 00:27:06,200

in there

614

00:27:09,520 --> 00:27:08,120

which I didn't want to do because I just

615

00:27:12,250 --> 00:27:09,530

thought it was kind of boring but then

616

00:27:14,620 --> 00:27:12,260

they convinced me that you know the

617

00:27:20,340 --> 00:27:14,630

abductees will want to know every stuff

618

00:27:22,720 --> 00:27:20,350

you took you know yeah absolutely

619

00:27:25,420 --> 00:27:22,730

abductees have told me oh I really like

620

00:27:31,330 --> 00:27:25,430

that other people my husband got what is

621

00:27:33,640 --> 00:27:31,340

this here it's so boring does your

622

00:27:37,540 --> 00:27:33,650

husband have any experiences like this

623

00:27:40,540 --> 00:27:37,550

at all or is it kind of your thing I

624

00:27:43,660 --> 00:27:40,550

think he does have experiences but you

625

00:27:45,820 --> 00:27:43,670

know he falls asleep immediately you

626
00:27:47,410 --> 00:27:45,830
know he has scientific explanations for

627
00:27:49,090 --> 00:27:47,420
every single thing and actually

628
00:27:52,930 --> 00:27:49,100
truthfully I've stopped talking to him

629
00:27:54,460 --> 00:27:52,940
about it you know it's like why should I

630
00:27:56,740 --> 00:27:54,470
beat my head up against the wall I mean

631
00:27:58,870 --> 00:27:56,750
I appreciate your fact that you have

632
00:28:01,810 --> 00:27:58,880
science-y explanations but that's not my

633
00:28:03,610 --> 00:28:01,820
experience and it's just frustrating but

634
00:28:05,980 --> 00:28:03,620
at the same time you know it's sort of

635
00:28:10,060 --> 00:28:05,990
like a break from it because when you

636
00:28:11,830 --> 00:28:10,070
are living in this situation you're in

637
00:28:13,450 --> 00:28:11,840
it all the time you're always thinking

638
00:28:14,650 --> 00:28:13,460

about it you know what I mean it's sort

639

00:28:17,980 --> 00:28:14,660

of like you're in your own little head

640

00:28:19,780 --> 00:28:17,990

and so the good thing is about you're my

641

00:28:21,220 --> 00:28:19,790

husband and people like them is that

642

00:28:25,420 --> 00:28:21,230

they kind of ground you and you're like

643

00:28:27,670 --> 00:28:25,430

okay with my husband and you know I

644

00:28:29,130 --> 00:28:27,680

didn't mean not be in this anymore

645

00:28:31,960 --> 00:28:29,140

because I really need a break from that

646

00:28:35,320 --> 00:28:31,970

yeah yeah well you definitely you know

647

00:28:38,320 --> 00:28:35,330

science does seem to explain whatever

648

00:28:41,200 --> 00:28:38,330

the action is that's happening but it

649

00:28:43,480 --> 00:28:41,210

doesn't ever explain the experience you

650

00:28:45,670 --> 00:28:43,490

know right from the experience or

651
00:28:47,620 --> 00:28:45,680
themselves or like look I know we can

652
00:28:50,500 --> 00:28:47,630
come up with a million different reasons

653
00:28:52,570 --> 00:28:50,510
as to why something was in the sky or

654
00:28:54,910 --> 00:28:52,580
why I thought something but the

655
00:28:56,740 --> 00:28:54,920
experience that I had is completely

656
00:28:58,830 --> 00:28:56,750
different than me just seeing something

657
00:29:03,409 --> 00:28:58,840
in the sky or you know

658
00:29:10,049 --> 00:29:08,249
absolutely right yeah Wow so actually

659
00:29:11,940 --> 00:29:10,059
what reasons I thought that it was

660
00:29:14,730 --> 00:29:11,950
important to write this book even might

661
00:29:16,350 --> 00:29:14,740
you know even other people said well you

662
00:29:20,070 --> 00:29:16,360
don't have any proof you don't have any

663
00:29:21,899 --> 00:29:20,080

proof and I I don't and that's true and

664

00:29:24,419 --> 00:29:21,909

I and I said that in my book because the

665

00:29:27,600 --> 00:29:24,429

thing is is that most people don't have

666

00:29:30,389 --> 00:29:27,610

proof and is that a reason to stop them

667

00:29:32,279 --> 00:29:30,399

from telling their experiences no just

668

00:29:33,749 --> 00:29:32,289

because we don't have you know black

669

00:29:36,330 --> 00:29:33,759

helicopters pictures of black

670

00:29:37,919 --> 00:29:36,340

helicopters or you know what I mean we

671

00:29:39,509 --> 00:29:37,929

don't have that maybe we just have some

672

00:29:41,299 --> 00:29:39,519

bruises on in our body but that's not a

673

00:29:44,299 --> 00:29:41,309

reason for us not to write our book

674

00:29:46,799 --> 00:29:44,309

right and talk about our experiences

675

00:29:49,950 --> 00:29:46,809

yeah because a lot with a lot of this

676

00:29:52,100 --> 00:29:49,960

stuff you're not gonna find a lot of the

677

00:29:54,480 --> 00:29:52,110

times you know this stuff is very uh

678

00:29:57,899 --> 00:29:54,490

they're they're pretty good at what they

679

00:30:01,830 --> 00:29:57,909

do right leave marks and messy things

680

00:30:03,299 --> 00:30:01,840

behind but you know a lot of times

681

00:30:05,279 --> 00:30:03,309

you're not gonna find the proof and

682

00:30:09,720 --> 00:30:05,289

that's just that just seems to be the

683

00:30:14,100 --> 00:30:09,730

ballgame right now you know few people

684

00:30:15,989 --> 00:30:14,110

out there who do have you know like this

685

00:30:18,509 --> 00:30:15,999

proof you know that are starting to get

686

00:30:20,249 --> 00:30:18,519

experiment experiments done on them and

687

00:30:22,440 --> 00:30:20,259

there's people who are finally cutting

688

00:30:24,539 --> 00:30:22,450

metals out of their bodies and actually

689

00:30:27,629 --> 00:30:24,549

getting picture and video of this stuff

690

00:30:29,909 --> 00:30:27,639

and you know those people seem to be you

691

00:30:31,649 --> 00:30:29,919

know the far and few between but I think

692

00:30:33,960 --> 00:30:31,659

enough of them are starting to become

693

00:30:36,180 --> 00:30:33,970

comfortable with what's happening and

694

00:30:38,129 --> 00:30:36,190

enough of them are starting to come out

695

00:30:41,249 --> 00:30:38,139

that you know it's really gonna help

696

00:30:43,049 --> 00:30:41,259

people in your situation who or maybe

697

00:30:45,799 --> 00:30:43,059

having a hard time getting this proof

698

00:30:48,299 --> 00:30:45,809

because it's not easy no right

699

00:30:50,519 --> 00:30:48,309

definitely not easy yeah and you know

700

00:30:53,369 --> 00:30:50,529

and I need to say it but I mean even

701

00:30:55,499 --> 00:30:53,379

though I don't think Terry is lucky he

702

00:30:58,259 --> 00:30:55,509

has you know that medal in his leg or a

703

00:31:01,320 --> 00:30:58,269

foot or whatever but in some ways he is

704

00:31:03,810 --> 00:31:01,330

because he has proved right know people

705

00:31:07,379 --> 00:31:03,820

like me do not have anything all we have

706

00:31:11,070 --> 00:31:07,389

are pictures of bruises and you know but

707

00:31:12,419 --> 00:31:11,080

nothing else so you know but that's not

708

00:31:14,940 --> 00:31:12,429

our fault and

709

00:31:16,529 --> 00:31:14,950

so that doesn't mean it didn't happen so

710

00:31:19,889 --> 00:31:16,539

I just wanted to encourage other people

711

00:31:21,930 --> 00:31:19,899

like me for having unusual experiences

712

00:31:25,799 --> 00:31:21,940

to report them to talk about them and

713

00:31:27,989 --> 00:31:25,809

not to be ridiculed or you know have it

714

00:31:29,700 --> 00:31:27,999

lacked like it's um taboo subject that

715

00:31:33,810 --> 00:31:29,710

we can't talk about you can't you know

716

00:31:35,249 --> 00:31:33,820

discuss oh man yeah you know that's

717

00:31:37,350 --> 00:31:35,259

that's really interesting how you're

718

00:31:40,320 --> 00:31:37,360

talking about this in like kind of like

719

00:31:41,820 --> 00:31:40,330

dream form the other day I was talking

720

00:31:44,820 --> 00:31:41,830

to Eric Mitchell and he was talking

721

00:31:49,470 --> 00:31:44,830

about how he had a dream that he woke up

722

00:31:53,460 --> 00:31:49,480

and went outside and and saw this craft

723

00:31:55,680 --> 00:31:53,470

and videotaping and then he woke up the

724

00:32:00,629 --> 00:31:55,690

next morning and he was gone his friend

725

00:32:02,820 --> 00:32:00,639

this was like check your camera and he

726

00:32:05,249 --> 00:32:02,830

checked his camera and turns out in the

727

00:32:07,470 --> 00:32:05,259

middle of the night he did wake up did

728

00:32:11,310 --> 00:32:07,480

film something and all you can see it's

729

00:32:13,830 --> 00:32:11,320

like this blue haze from what but for

730

00:32:16,560 --> 00:32:13,840

some reason he had a dream that it

731

00:32:19,200 --> 00:32:16,570

happened but he actually did it he kind

732

00:32:21,869 --> 00:32:19,210

of you know bangs sleepwalks and you

733

00:32:25,739 --> 00:32:21,879

know just just random things like that

734

00:32:27,930 --> 00:32:25,749

happened you know yeah it's crazy I mean

735

00:32:30,570 --> 00:32:27,940

so it it sounds like you have a lot of

736

00:32:32,460 --> 00:32:30,580

these kind of like dream encounters have

737

00:32:35,129 --> 00:32:32,470

you ever had like them or if you

738

00:32:38,039 --> 00:32:35,139

hands-on physical you feel like you've

739

00:32:39,960 --> 00:32:38,049

had a more physical contact like it may

740

00:32:41,789 --> 00:32:39,970

be like Terry Lovelace poking his head

741

00:32:44,879 --> 00:32:41,799

out of a tent and seeing these grades

742

00:32:48,060 --> 00:32:44,889

you know or a ship or anything I

743

00:32:50,700 --> 00:32:48,070

actually do I mean the grasshopper and

744

00:32:54,389 --> 00:32:50,710

the praying mantis were not dreams they

745

00:32:56,310 --> 00:32:54,399

were actual and I've also well when I

746

00:33:01,529 --> 00:32:56,320

lay in my bed a lot of times I see

747

00:33:05,009 --> 00:33:01,539

things that are moving and so yeah I

748

00:33:07,950 --> 00:33:05,019

have found that I'm getting bolder now I

749

00:33:09,869 --> 00:33:07,960

actually start pointing at them now and

750

00:33:14,879 --> 00:33:09,879

I walk up and touch try to touch them

751

00:33:17,639 --> 00:33:14,889

now because you know I am sick of it I'm

752

00:33:20,009 --> 00:33:17,649

just done you know you want to come into

753

00:33:24,450 --> 00:33:20,019

my room come into my room but you know

754

00:33:26,190 --> 00:33:24,460

get out no yeah so uh without giving too

755

00:33:27,510 --> 00:33:26,200

much away in your book

756

00:33:29,610 --> 00:33:27,520

do you want to share with us kind of

757

00:33:32,100 --> 00:33:29,620

some of the things that you can do to

758

00:33:34,560 --> 00:33:32,110

kind of ward off this from happening or

759

00:33:36,120 --> 00:33:34,570

things that people can can look forward

760

00:33:38,580 --> 00:33:36,130

to reading in your book just kind of

761

00:33:40,799 --> 00:33:38,590

maybe some tips or pointers for our

762

00:33:45,660 --> 00:33:40,809

listeners if if if this kind of things

763

00:33:47,669 --> 00:33:45,670

is happening to them first of all read

764

00:33:49,799 --> 00:33:47,679

everything you can I mean read what

765

00:33:51,720 --> 00:33:49,809

least Reavers book because a lot of

766

00:33:54,390 --> 00:33:51,730

things that they were encountered you

767

00:33:56,910 --> 00:33:54,400

might be encountering you know so things

768

00:33:58,200 --> 00:33:56,920

that you know he wrote communion and I

769

00:34:00,240 --> 00:33:58,210

read it I thought it was a really good

770

00:34:02,460 --> 00:34:00,250

book but there are just sometimes things

771

00:34:04,680 --> 00:34:02,470

in there that you go oh my gosh oh I've

772

00:34:05,370 --> 00:34:04,690

seen that I've been through that you

773

00:34:08,669 --> 00:34:05,380

know what I mean

774

00:34:10,290 --> 00:34:08,679

it just rings a bell the mylabs book is

775

00:34:12,990 --> 00:34:10,300

really good you know that's why I

776

00:34:14,909 --> 00:34:13,000

suddenly realized oh my gosh I wake up

777

00:34:16,500 --> 00:34:14,919

with plaque and that explains it

778

00:34:19,710 --> 00:34:16,510

you know what I mean there's something

779

00:34:21,359 --> 00:34:19,720

going on and then there is truly

780

00:34:24,780 --> 00:34:21,369

something going on in the middle of the

781

00:34:26,070 --> 00:34:24,790

night that is really happening and just

782

00:34:27,540 --> 00:34:26,080

because I don't remember it doesn't mean

783

00:34:31,950 --> 00:34:27,550

it didn't happen but look I have plaque

784

00:34:33,540 --> 00:34:31,960

on my teeth I mean my school the tools I

785

00:34:35,520 --> 00:34:33,550

found are really specific they are

786

00:34:37,710 --> 00:34:35,530

actually from Stuart Swerdlow

787

00:34:40,560 --> 00:34:37,720

he wrote a couple of books he's from the

788

00:34:43,080 --> 00:34:40,570

Montauk Project okay and I would

789

00:34:44,550 --> 00:34:43,090

probably read you know some of his stuff

790

00:34:46,470 --> 00:34:44,560

is a little bit out there for me but

791

00:34:48,570 --> 00:34:46,480

that's what happened was I actually got

792

00:34:51,090 --> 00:34:48,580

guided to some of his books by my spirit

793

00:34:53,550 --> 00:34:51,100

guides and that's how I found these I

794

00:34:56,340 --> 00:34:53,560

would never in a million years I found

795

00:34:58,710 --> 00:34:56,350

them otherwise so and I would do a lot

796

00:35:02,190 --> 00:34:58,720

of meditation because your spirit guides

797

00:35:06,210 --> 00:35:02,200

are there to help you and they will

798

00:35:08,490 --> 00:35:06,220

guide you to the right thing but you

799

00:35:11,670 --> 00:35:08,500

know one of the things that I had to

800

00:35:15,420 --> 00:35:11,680

learn myself was something called

801
00:35:17,099 --> 00:35:15,430
discernment when you know the medium

802
00:35:19,170 --> 00:35:17,109
that I went she was constantly talking

803
00:35:21,060 --> 00:35:19,180
about Cernan and feeling them and

804
00:35:22,500 --> 00:35:21,070
whether you could feel their intention

805
00:35:24,870 --> 00:35:22,510
and that kind of things since I couldn't

806
00:35:28,950 --> 00:35:24,880
see them well the problem is they can

807
00:35:31,080 --> 00:35:28,960
you know mimic your emotions so you

808
00:35:33,930 --> 00:35:31,090
might feel nothing and that might be all

809
00:35:36,359 --> 00:35:33,940
they're allowing you to feel so don't

810
00:35:39,300 --> 00:35:36,369
beat yourself up if you don't feel their

811
00:35:40,050 --> 00:35:39,310
negativity sometimes you do but majority

812
00:35:52,950 --> 00:35:40,060
you

813
00:35:54,660 --> 00:35:52,960

I mean mm-hmm so I would just yeah I

814

00:35:56,610 --> 00:35:54,670

would do that but once you get the tools

815

00:35:57,990 --> 00:35:56,620

and I'm not trying to make a lot of

816

00:36:02,220 --> 00:35:58,000

money I'm just trying to disseminate

817

00:36:04,440 --> 00:36:02,230

information use them all the time I mean

818

00:36:07,140 --> 00:36:04,450

all the time not just when you think

819

00:36:08,490 --> 00:36:07,150

you're being abducted but just all the

820

00:36:12,090 --> 00:36:08,500

time one of them is called the

821

00:36:14,430 --> 00:36:12,100

cancellation tool and it's to take out

822

00:36:17,760 --> 00:36:14,440

all unnecessary negativity in your life

823

00:36:19,560 --> 00:36:17,770

and when you start using that you're not

824

00:36:23,160 --> 00:36:19,570

just getting rid of ETS you're getting

825

00:36:25,290 --> 00:36:23,170

rid of narcissus and you know people you

826

00:36:28,140 --> 00:36:25,300

don't need in your life people things

827

00:36:29,970 --> 00:36:28,150

and you know like you were saying

828

00:36:31,560 --> 00:36:29,980

earlier frequencies sometimes their

829

00:36:34,470 --> 00:36:31,570

frequency is they're affecting your life

830

00:36:46,740 --> 00:36:34,480

in a negative way use the cancellation

831

00:37:05,580 --> 00:37:03,750

Oh something happened hey Jess it's mean

832

00:37:10,410 --> 00:37:05,590

a lot of different things

833

00:37:12,810 --> 00:37:10,420

I mean you sorry y'all sorry

834

00:37:16,980 --> 00:37:12,820

microphone and speaker went away I think

835

00:37:18,540 --> 00:37:16,990

Jess turn on the Bluetooth speaker so or

836

00:37:21,630 --> 00:37:18,550

her headphones or something I think

837

00:37:25,280 --> 00:37:21,640

interfere sorry so I think I think if

838

00:37:30,300 --> 00:37:28,650

velocity again then the ETS themselves

839

00:37:32,790 --> 00:37:30,310

or do you think that maybe there's like

840

00:37:35,990 --> 00:37:32,800

some consolation on an interesting that

841

00:37:38,490 --> 00:37:36,000

you had like a connection with your

842

00:37:40,830 --> 00:37:38,500

because a lot of people will say that

843

00:37:45,030 --> 00:37:40,840

the Mantis is kind of a spirit guide to

844

00:37:48,839 --> 00:37:45,040

Dinn you do have any idea on what a

845

00:37:50,760 --> 00:37:48,849

dispute gaiden could be well one of my

846

00:37:55,170 --> 00:37:50,770

spirit guides is also a mantis so

847

00:37:57,089 --> 00:37:55,180

interestingly but for me it's just

848

00:37:59,370 --> 00:37:57,099

somebody who it's sort of like that

849

00:38:02,460 --> 00:37:59,380

intuition when you know it's not like

850

00:38:04,800 --> 00:38:02,470

your conscience but when you're driving

851
00:38:07,410 --> 00:38:04,810
and you suddenly feel like you have to

852
00:38:08,849 --> 00:38:07,420
go to the left on your way home it's

853
00:38:11,550 --> 00:38:08,859
there to the right which is your normal

854
00:38:14,670 --> 00:38:11,560
way back to me is like a spirit guide

855
00:38:17,940 --> 00:38:14,680
directing you right and so as you do

856
00:38:19,829 --> 00:38:17,950
more meditation and get more familiar

857
00:38:21,540 --> 00:38:19,839
you might ask your [\h__\h] you're

858
00:38:23,880 --> 00:38:21,550
meditating you might ask your spirit

859
00:38:27,030 --> 00:38:23,890
guide well who are you can you tell me

860
00:38:29,010 --> 00:38:27,040
your name and then you can ask for you

861
00:38:30,960 --> 00:38:29,020
know can you help me today you know

862
00:38:33,570 --> 00:38:30,970
they're not allowed to interfere in your

863
00:38:39,359 --> 00:38:33,580

lives until you ask them or give

864

00:38:41,339 --> 00:38:39,369

permission so they just want you to you

865

00:38:44,670 --> 00:38:41,349

know say please help me with this and

866

00:38:46,650 --> 00:38:44,680

they will they will help you so you know

867

00:38:48,510 --> 00:38:46,660

they're there I believe that they're

868

00:38:50,900 --> 00:38:48,520

there all the time a lot of times what I

869

00:38:56,160 --> 00:38:50,910

see and you know we're all different is

870

00:38:58,109 --> 00:38:56,170

I'll be driving and I'll see a street

871

00:39:00,320 --> 00:38:58,119

sign of the street they want me to turn

872

00:39:04,200 --> 00:39:00,330

on and then I'll turn there

873

00:39:06,060 --> 00:39:04,210

so in the past I have thought why do you

874

00:39:08,940 --> 00:39:06,070

want me to go this way I'm just gonna go

875

00:39:10,980 --> 00:39:08,950

the way I want to go and then I'll drive

876

00:39:12,840 --> 00:39:10,990

down the road that I normally go and

877

00:39:15,210 --> 00:39:12,850

then there'll be some crazy driver that

878

00:39:17,250 --> 00:39:15,220

almost runs me out the road after that

879

00:39:19,109 --> 00:39:17,260

happened a couple of times I'm like see

880

00:39:23,910 --> 00:39:19,119

they're here to help me I'm just gonna

881

00:39:26,340 --> 00:39:23,920

do what they say you know so that's what

882

00:39:29,130 --> 00:39:26,350

I found every anytime I go against what

883

00:39:31,830 --> 00:39:29,140

they are trying to get me to do it's

884

00:39:33,690 --> 00:39:31,840

usually a bad thing so I just when I

885

00:39:35,609 --> 00:39:33,700

need help I ask for it this for this

886

00:39:38,310 --> 00:39:35,619

book they really wanted me to write this

887

00:39:40,770 --> 00:39:38,320

book and I would thought it was crazy

888

00:39:42,900 --> 00:39:40,780

and you know at first and what am I

889

00:39:44,640 --> 00:39:42,910

gonna write about you know I I mean you

890

00:39:46,890 --> 00:39:44,650

know okay I found these tools but how am

891

00:39:48,599 --> 00:39:46,900

I going to do this and then they say

892

00:39:52,380 --> 00:39:48,609

well you could say this this and this

893

00:39:54,330 --> 00:39:52,390

oh okay so then I'd write that and say

894

00:39:57,359 --> 00:39:54,340

okay well I need some help with this do

895

00:40:00,630 --> 00:39:57,369

and then they would so a lot of times I

896

00:40:02,490 --> 00:40:00,640

just you know utilize them for helping

897

00:40:04,200 --> 00:40:02,500

me do the things I wanted me to do what

898

00:40:06,720 --> 00:40:04,210

they wanted that book then I need some

899

00:40:08,490 --> 00:40:06,730

help you know I need some ideas I what

900

00:40:10,440 --> 00:40:08,500

else could I tell them what else would

901
00:40:11,940 --> 00:40:10,450
help them and so that's how it got

902
00:40:13,380 --> 00:40:11,950
started where they're like you need to

903
00:40:15,060 --> 00:40:13,390
put your journal in the book right type

904
00:40:18,180 --> 00:40:15,070
you all your journal right this minute

905
00:40:21,300 --> 00:40:18,190
and so I spent a couple of days typing

906
00:40:22,650 --> 00:40:21,310
up my journal and then I don't know this

907
00:40:24,420 --> 00:40:22,660
doesn't seem right I don't think this

908
00:40:29,310 --> 00:40:24,430
should be in here oh yeah it does to be

909
00:40:31,050 --> 00:40:29,320
in there oh okay so and I said wait a

910
00:40:33,990 --> 00:40:31,060
couple of rounds and said I don't want

911
00:40:36,420 --> 00:40:34,000
to seem stupid or J it seemed good but

912
00:40:39,120 --> 00:40:36,430
now it's horrible and you know they

913
00:40:40,880 --> 00:40:39,130

insisted and so it's still there it's in

914

00:40:47,190 --> 00:40:40,890

there

915

00:40:50,310 --> 00:40:47,200

do you oh sorry go ahead yeah I was

916

00:40:53,750 --> 00:40:50,320

gonna ask so I talked to a few people

917

00:40:56,150 --> 00:40:53,760

that seem to think that they have I

918

00:40:58,910 --> 00:40:56,160

guess we can call them spirit guides but

919

00:41:01,740 --> 00:40:58,920

they see them as an also an

920

00:41:03,090 --> 00:41:01,750

extraterrestrial that is kind of the

921

00:41:06,090 --> 00:41:03,100

that is kind of guiding them in a

922

00:41:09,150 --> 00:41:06,100

positive way some calm like light beings

923

00:41:11,130 --> 00:41:09,160

some people call them like angels yeah

924

00:41:13,590 --> 00:41:11,140

we spoke to somebody at this conference

925

00:41:13,980 --> 00:41:13,600

that kind of did a reading on Joe and I

926

00:41:16,859 --> 00:41:13,990

and

927

00:41:18,720 --> 00:41:16,869

she said there's a protector mantis

928

00:41:21,620 --> 00:41:18,730

creature that was like standing behind

929

00:41:23,579 --> 00:41:21,630

me which I thought was kind of cool I

930

00:41:25,410 --> 00:41:23,589

think that was kind of a positive

931

00:41:26,579 --> 00:41:25,420

experience for me and I mean I don't

932

00:41:28,770 --> 00:41:26,589

know I don't know how much I want to

933

00:41:31,380 --> 00:41:28,780

give you know I don't know enough about

934

00:41:33,150 --> 00:41:31,390

this to to believe which way or the

935

00:41:34,890 --> 00:41:33,160

other but the thought that something's

936

00:41:37,710 --> 00:41:34,900

out there kind of protecting me is kind

937

00:41:40,050 --> 00:41:37,720

of a cool idea do you think that that

938

00:41:42,200 --> 00:41:40,060

they could be in a Nietzsche origin or

939

00:41:44,670 --> 00:41:42,210

do you think it's more of a human

940

00:41:48,210 --> 00:41:44,680

protector I think I think there are a

941

00:41:51,150 --> 00:41:48,220

lot of cheese and you know I think

942

00:41:53,339 --> 00:41:51,160

sometimes the Angels I think they can be

943

00:41:55,920 --> 00:41:53,349

you know whatever you think of them mess

944

00:41:57,599 --> 00:41:55,930

I mean if you'll hear people oh yeah

945

00:41:59,730 --> 00:41:57,609

Archangel Michael this is what he looks

946

00:42:01,710 --> 00:41:59,740

like he has blond hair and he wears blue

947

00:42:03,870 --> 00:42:01,720

shield and Lola and then you'll have

948

00:42:05,730 --> 00:42:03,880

somebody else say no no Archangel

949

00:42:08,370 --> 00:42:05,740

Michael doesn't have that is black hair

950

00:42:11,280 --> 00:42:08,380

and blue eyes and you know so I think

951

00:42:13,710 --> 00:42:11,290

it's you know whatever you feel like

952

00:42:15,810 --> 00:42:13,720

your spirit guide looks like is who you

953

00:42:17,460 --> 00:42:15,820

know what I mean so if you if you think

954

00:42:20,430 --> 00:42:17,470

of them as an angel then they're an

955

00:42:22,440 --> 00:42:20,440

angel I mean it doesn't matter it

956

00:42:25,620 --> 00:42:22,450

doesn't have if that's what you need for

957

00:42:26,420 --> 00:42:25,630

your spirit guide right lunch if you're

958

00:42:30,270 --> 00:42:26,430

good

959

00:42:32,609 --> 00:42:30,280

so I don't think my mind were all human

960

00:42:34,320 --> 00:42:32,619

but I think they all acted human to me

961

00:42:37,950 --> 00:42:34,330

at first because they know I was scared

962

00:42:40,470 --> 00:42:37,960

and I didn't and they had already you

963

00:42:42,690 --> 00:42:40,480

know scared me with the oh yeah here you

964

00:42:43,980 --> 00:42:42,700

know here here's a bunch of ETS in the

965

00:42:46,500 --> 00:42:43,990

room and that's why you feel the

966

00:42:53,370 --> 00:42:46,510

negativity so didn't they didn't want to

967

00:43:00,290 --> 00:42:53,380

say oh by the way I'm also an ET yeah by

968

00:43:06,960 --> 00:43:04,349

really really yeah there's just a lot of

969

00:43:08,460 --> 00:43:06,970

I think you know they're here to help

970

00:43:11,130 --> 00:43:08,470

you they don't want to scare you they

971

00:43:13,530 --> 00:43:11,140

want you to know the truth or if you

972

00:43:16,109 --> 00:43:13,540

want it so if you don't want the truth

973

00:43:18,510 --> 00:43:16,119

and you know you could use just use them

974

00:43:20,370 --> 00:43:18,520

to help you in your daily life if you

975

00:43:22,980 --> 00:43:20,380

want to know the truth if you're seeking

976

00:43:26,220 --> 00:43:22,990

the truth like I am and hopefully other

977

00:43:27,650 --> 00:43:26,230

people like are like me then they'll

978

00:43:29,599 --> 00:43:27,660

help you with that so they'll help you

979

00:43:33,799 --> 00:43:29,609

whatever it is you want them to help you

980

00:43:36,770 --> 00:43:33,809

with yeah right very cool so I was gonna

981

00:43:39,940 --> 00:43:36,780

say you know how many you know you

982

00:43:43,010 --> 00:43:39,950

you've had these negative experiences

983

00:43:46,579 --> 00:43:43,020

when I guess because your spirit guides

984

00:43:48,349 --> 00:43:46,589

as like a positive experience of this

985

00:43:49,819 --> 00:43:48,359

whole thing right because oh man was

986

00:43:53,660 --> 00:43:49,829

gonna ask have you had any positive

987

00:43:56,089 --> 00:43:53,670

encounters or have they mostly been

988

00:44:02,180 --> 00:43:56,099

negative other than your spirit guides I

989

00:44:04,460 --> 00:44:02,190

guess I'm not sure actually because I

990

00:44:06,529 --> 00:44:04,470

you know because maybe it's because I'm

991

00:44:10,549 --> 00:44:06,539

so focused on the negative ones and

992

00:44:12,829 --> 00:44:10,559

determining booze you know running the

993

00:44:16,010 --> 00:44:12,839

show and all that I haven't really been

994

00:44:20,539 --> 00:44:16,020

focused too much on the on the positive

995

00:44:22,789 --> 00:44:20,549

but I feel like my spirit guides do give

996

00:44:25,789 --> 00:44:22,799

me that positive input it's just that

997

00:44:29,329 --> 00:44:25,799

I'm not seeking them out as much as I am

998

00:44:30,890 --> 00:44:29,339

trying to discover who's you know who's

999

00:44:38,539 --> 00:44:30,900

behind my abductions

1000

00:44:40,880 --> 00:44:38,549

so I question about have you ever kind

1001
00:44:43,220 --> 00:44:40,890
of came back from or looked back on an

1002
00:44:46,279 --> 00:44:43,230
experience and came out with like a

1003
00:44:49,160 --> 00:44:46,289
moral or some kind of message from these

1004
00:44:51,500 --> 00:44:49,170
et have they you know given you some

1005
00:44:55,010 --> 00:44:51,510
kind of thing to take back with you like

1006
00:44:57,559 --> 00:44:55,020
hey do this or you guys should really

1007
00:45:00,170 --> 00:44:57,569
start meditating more and elevate your

1008
00:45:02,029 --> 00:45:00,180
your frequency so you guys can join us

1009
00:45:05,779 --> 00:45:02,039
in the Galactic force you know anything

1010
00:45:08,960 --> 00:45:05,789
like that actually yes but not from

1011
00:45:12,589 --> 00:45:08,970
looking backwards at the et experiences

1012
00:45:14,690 --> 00:45:12,599
what I do get is in my book I say this

1013
00:45:16,819 --> 00:45:14,700

to and on my page I have pictures of my

1014

00:45:19,789 --> 00:45:16,829

pyramid I actually meditate in the

1015

00:45:21,589 --> 00:45:19,799

pyramid and the pyramid is sort of like

1016

00:45:24,620 --> 00:45:21,599

a funnel for meditation it's really

1017

00:45:27,349 --> 00:45:24,630

really cool and when you're in it you

1018

00:45:29,809 --> 00:45:27,359

know that's when you get a lot of

1019

00:45:34,039 --> 00:45:29,819

information from your spirit guides so

1020

00:45:36,680 --> 00:45:34,049

if you want to like have you know an

1021

00:45:38,720 --> 00:45:36,690

experience is try meditating in a

1022

00:45:41,059 --> 00:45:38,730

pyramid you can either make your own I

1023

00:45:41,630 --> 00:45:41,069

have instructions in my book or you can

1024

00:45:43,870 --> 00:45:41,640

buy

1025

00:45:46,059 --> 00:45:43,880

online and you're just sitting them

1026

00:45:48,529 --> 00:45:46,069

pyramids if you look them up have

1027

00:45:51,140 --> 00:45:48,539

fascinating quality as they will do

1028

00:45:53,930 --> 00:45:51,150

healings they'll heal foot wat change

1029

00:45:56,180 --> 00:45:53,940

water in some way so it's healing

1030

00:46:00,140 --> 00:45:56,190

you can sit under them and heal you can

1031

00:46:01,940 --> 00:46:00,150

grow things under them so yes I a lot of

1032

00:46:04,430 --> 00:46:01,950

times they get tons of information that

1033

00:46:06,500 --> 00:46:04,440

I need in my daily life by sitting in

1034

00:46:08,750 --> 00:46:06,510

meditation so I highly recommend

1035

00:46:10,880 --> 00:46:08,760

everyone meditate as much as possible

1036

00:46:12,500 --> 00:46:10,890

you know but you know life gets in the

1037

00:46:14,000 --> 00:46:12,510

way and that kind of thing but yes so

1038

00:46:15,490 --> 00:46:14,010

that's where I have my most positive

1039

00:46:18,500 --> 00:46:15,500

experience it is when I'm meditating

1040

00:46:21,769 --> 00:46:18,510

right yeah our buddy

1041

00:46:26,059 --> 00:46:21,779

Peter Peter Benton you know the pizza

1042

00:46:28,390 --> 00:46:26,069

rings and and does like the pyramids you

1043

00:46:34,519 --> 00:46:28,400

know tensor coops and things like that

1044

00:46:41,089 --> 00:46:34,529

yeah yeah him and his fiancée her name

1045

00:46:49,789 --> 00:46:41,099

is Vivian Chabot oh she's a really nice

1046

00:46:52,579 --> 00:46:49,799

lady man she's super nice and I haven't

1047

00:46:55,190 --> 00:46:52,589

been to their house but yeah I have one

1048

00:46:57,650 --> 00:46:55,200

of the paintings that they make you know

1049

00:46:59,630 --> 00:46:57,660

her and Peter made so but yeah they're

1050

00:47:01,999 --> 00:46:59,640

super nice people so that's cool that

1051

00:47:05,180 --> 00:47:02,009

you've been to them for help yeah yeah

1052

00:47:07,609 --> 00:47:05,190

I've been to her times and got healings

1053

00:47:10,640 --> 00:47:07,619

and she you know she has like some sort

1054

00:47:12,769 --> 00:47:10,650

of like bad or not bad but kind of like

1055

00:47:15,559 --> 00:47:12,779

a lounge bed that's underneath this

1056

00:47:17,420 --> 00:47:15,569

pyramid and it's really cool so do you

1057

00:47:18,140 --> 00:47:17,430

step into it you can feel it and it's

1058

00:47:20,120 --> 00:47:18,150

pretty cool

1059

00:47:23,210 --> 00:47:20,130

and I she's the only person I've ever

1060

00:47:26,029 --> 00:47:23,220

met or heard of that also has a pyramid

1061

00:47:29,900 --> 00:47:26,039

mine's portable so I move it around but

1062

00:47:36,109 --> 00:47:29,910

hers is you know underneath her healing

1063

00:47:38,630 --> 00:47:36,119

bed so yeah we were telling them that

1064

00:47:40,579 --> 00:47:38,640

that they need to make a a tensor ring

1065

00:47:42,710 --> 00:47:40,589

but the size of like a house and just

1066

00:47:43,940 --> 00:47:42,720

put it around around the house or what

1067

00:47:45,470 --> 00:47:43,950

was it a doorway that we were talking

1068

00:47:49,700 --> 00:47:45,480

about they'll be kind of cool to have I

1069

00:47:52,700 --> 00:47:49,710

guess a doorway yeah yeah it would have

1070

00:47:55,700 --> 00:47:52,710

to be long yeah yeah otherwise it would

1071

00:47:57,930 --> 00:47:55,710

be like a portal and everywhere it

1072

00:48:03,750 --> 00:47:57,940

or then you have to just have like a

1073

00:48:07,290 --> 00:48:03,760

hobbit door you know yeah or what if

1074

00:48:09,770 --> 00:48:07,300

you're tall I mean I'm tall so it's hard

1075

00:48:12,270 --> 00:48:09,780

for me that they imagine you know

1076

00:48:16,050 --> 00:48:12,280

bending over to get into doorways and

1077

00:48:20,250 --> 00:48:18,630

well Lisa do you plan on taking your

1078

00:48:23,460 --> 00:48:20,260

book on the road do you have any plans

1079

00:48:25,200 --> 00:48:23,470

on going to any get-togethers after all

1080

00:48:28,770 --> 00:48:25,210

this virus stuff is over is there is

1081

00:48:30,660 --> 00:48:28,780

there any plans to attend things yeah I

1082

00:48:32,640 --> 00:48:30,670

would I would like to attend some last

1083

00:48:33,960 --> 00:48:32,650

year I went to UFO Congress and it kind

1084

00:48:36,500 --> 00:48:33,970

of got my feet wet and that's where I

1085

00:48:40,500 --> 00:48:36,510

got to physically meet Jerry Lovelace

1086

00:48:41,910 --> 00:48:40,510

prior to that I just emailed him and you

1087

00:48:43,950 --> 00:48:41,920

know just kind of get a feel for the

1088

00:48:46,980 --> 00:48:43,960

place and since that's what near where I

1089

00:48:49,260 --> 00:48:46,990

live in Arizona but yeah I would like to

1090

00:48:52,310 --> 00:48:49,270

start getting on the circuit and you

1091

00:48:54,660 --> 00:48:52,320

know visiting and trying to you know

1092

00:48:56,580 --> 00:48:54,670

meet more people because I really do

1093

00:48:59,790 --> 00:48:56,590

want to meet my people and that's what

1094

00:49:01,109 --> 00:48:59,800

they're so hard to find you know it

1095

00:49:02,910 --> 00:49:01,119

seems like everyone has the good

1096

00:49:04,349 --> 00:49:02,920

experience well what about the bad

1097

00:49:06,660 --> 00:49:04,359

experience because there's always good

1098

00:49:08,970 --> 00:49:06,670

and bad but you can't seem to find those

1099

00:49:10,830 --> 00:49:08,980

people I mean even when I was at UFO

1100

00:49:13,500 --> 00:49:10,840

Congress people were coming up to the

1101
00:49:15,180 --> 00:49:13,510
meeting I was at Jerry's table and just

1102
00:49:16,980 --> 00:49:15,190
sitting there with them and they're like

1103
00:49:19,830 --> 00:49:16,990
oh I understand everything I feel so

1104
00:49:26,070 --> 00:49:19,840
good this is so awesome and that's like

1105
00:49:28,470 --> 00:49:26,080
well okay the people who were really mad

1106
00:49:30,359 --> 00:49:28,480
like me so yeah you didn't really enjoy

1107
00:49:34,170 --> 00:49:30,369
talking to our buddy Justin he was on

1108
00:49:36,150 --> 00:49:34,180
our podcast if there's a video also on

1109
00:49:37,859 --> 00:49:36,160
our YouTube channel it gets it gets a

1110
00:49:40,050 --> 00:49:37,869
lot of love from people there's a lot of

1111
00:49:43,130 --> 00:49:40,060
people that are definitely in that and

1112
00:49:45,690 --> 00:49:43,140
that's the frame of mind that like hey

1113
00:49:53,940 --> 00:49:45,700

no no more abductions just leave us

1114

00:49:55,410 --> 00:49:53,950

alone like this is not a good idea why I

1115

00:49:59,040 --> 00:49:55,420

don't think you I don't think he wanted

1116

00:50:01,650 --> 00:49:59,050

to share his last name yeah yeah but let

1117

00:50:05,630 --> 00:50:01,660

me uh it's on our is on our YouTube here

1118

00:50:08,790 --> 00:50:05,640

and let's see yeah if you go to UFO Khan

1119

00:50:11,880 --> 00:50:08,800

and Titan depth UFO Khan and then

1120

00:50:14,310 --> 00:50:11,890

Justin UFO garage we were UFO yeah a

1121

00:50:16,740 --> 00:50:14,320

couple months ago we're actually UFO

1122

00:50:20,690 --> 00:50:16,750

Congress 2 in September we're either in

1123

00:50:23,640 --> 00:50:20,700

September yeah must was our first

1124

00:50:29,330 --> 00:50:23,650

conference so we might we probably saw

1125

00:50:33,030 --> 00:50:29,340

you or even met yet I don't know yeah

1126
00:50:38,130 --> 00:50:33,040
probably yeah I saw your interview with

1127
00:50:41,730 --> 00:50:38,140
less than LS one of them I know he was

1128
00:50:43,440 --> 00:50:41,740
your fungus maybe it was but that's how

1129
00:50:45,480 --> 00:50:43,450
I stopped find you guys because I was

1130
00:50:48,110 --> 00:50:45,490
like how can I get on odd cast because I

1131
00:50:52,250 --> 00:50:48,120
really need to spread my message and

1132
00:50:56,610 --> 00:50:52,260
then I sought out and I'm on the Opus

1133
00:50:58,800 --> 00:50:56,620
Opus network forum on the forum where

1134
00:51:01,770 --> 00:50:58,810
they're Google Groups and I actually

1135
00:51:04,230 --> 00:51:01,780
asked les if I could put my book on his

1136
00:51:07,950 --> 00:51:04,240
you know in his discussion group because

1137
00:51:10,560 --> 00:51:07,960
I'm trying to find people yeah he agreed

1138
00:51:12,000 --> 00:51:10,570

so it was cool but I saw your interview

1139

00:51:13,920 --> 00:51:12,010

with them I think you were sitting

1140

00:51:17,070 --> 00:51:13,930

around and came walking by and they just

1141

00:51:20,220 --> 00:51:17,080

sat behind you unlike the stage yeah

1142

00:51:23,400 --> 00:51:20,230

yeah yeah that was that UFO con we had a

1143

00:51:25,290 --> 00:51:23,410

little a little booth there and we were

1144

00:51:27,720 --> 00:51:25,300

just kind of catching people people our

1145

00:51:29,550 --> 00:51:27,730

speakers and yeah lots of people there

1146

00:51:31,710 --> 00:51:29,560

that had great stories too we didn't get

1147

00:51:34,470 --> 00:51:31,720

on camera or a record but you had a lot

1148

00:51:36,690 --> 00:51:34,480

of really awesome conversations yeah

1149

00:51:38,910 --> 00:51:36,700

yeah we're really glad you reached out

1150

00:51:41,370 --> 00:51:38,920

to us cuz I mean yeah it's it we we love

1151
00:51:43,260 --> 00:51:41,380
talking about the the oh man wouldn't

1152
00:51:45,060 --> 00:51:43,270
mean it'd be cool to meet an alien and I

1153
00:51:46,500 --> 00:51:45,070
still think it'd be cool but we always I

1154
00:51:49,170 --> 00:51:46,510
think it's good to get that other

1155
00:51:51,810 --> 00:51:49,180
perspective and yeah it's not all

1156
00:51:58,080 --> 00:51:51,820
sunshine and rainbows is Joe likes to

1157
00:51:59,880 --> 00:51:58,090
say well make sure you if you see one

1158
00:52:02,580 --> 00:51:59,890
make sure you get up and touch on the

1159
00:52:05,040 --> 00:52:02,590
don't bees sitting there frozen and

1160
00:52:08,760 --> 00:52:05,050
fascination like the rest of us trying

1161
00:52:10,980 --> 00:52:08,770
yeah consumers do one for the team and

1162
00:52:13,410 --> 00:52:10,990
you know find out what you know what do

1163
00:52:15,900 --> 00:52:13,420

they feel like or do they seem like cuz

1164

00:52:18,270 --> 00:52:15,910

you know we all want to know yeah that's

1165

00:52:20,010 --> 00:52:18,280

seems like the hard part right right

1166

00:52:22,770 --> 00:52:20,020

used to be the hard part

1167

00:52:25,290 --> 00:52:22,780

I mean so I mean

1168

00:52:28,349 --> 00:52:25,300

do you know like you feel like you might

1169

00:52:32,700 --> 00:52:28,359

have an answer as so what it is they

1170

00:52:34,410 --> 00:52:32,710

want with you you know like what are

1171

00:52:36,570 --> 00:52:34,420

they what do they want from you you know

1172

00:52:39,000 --> 00:52:36,580

what I'm saying some people a lot of

1173

00:52:41,609 --> 00:52:39,010

people don't know you know it's just as

1174

00:52:43,200 --> 00:52:41,619

big of a mystery as the whole story but

1175

00:52:45,960 --> 00:52:43,210

some people feel like if they haven't

1176
00:52:50,220 --> 00:52:45,970
understanding us why is it they messed

1177
00:52:52,410 --> 00:52:50,230
with in so I was kind of curious I

1178
00:52:54,900 --> 00:52:52,420
truthfully think and this is gonna sound

1179
00:52:58,080 --> 00:52:54,910
really negative but I truthfully think

1180
00:53:00,780 --> 00:52:58,090
that they enjoy hurting us and they get

1181
00:53:09,930 --> 00:53:00,790
off on it that's my my feeling there

1182
00:53:12,630 --> 00:53:09,940
enough you know I wrote the book and you

1183
00:53:15,300 --> 00:53:12,640
know a 58 year old woman what pack could

1184
00:53:16,680 --> 00:53:15,310
you possibly get out of you know taking

1185
00:53:18,510 --> 00:53:16,690
me every single night I mean I don't

1186
00:53:24,720 --> 00:53:18,520
have bags anymore you know what I mean

1187
00:53:26,760 --> 00:53:24,730
yeah that's what it does you hear a lot

1188
00:53:31,079 --> 00:53:26,770

of like the love and light side of it

1189

00:53:33,240 --> 00:53:31,089

you know but yeah that you run into

1190

00:53:36,780 --> 00:53:33,250

somebody that's like I just think they

1191

00:53:39,270 --> 00:53:36,790

like it you know yeah even though if

1192

00:53:40,849 --> 00:53:39,280

that's like the short explanation it's

1193

00:53:43,650 --> 00:53:40,859

almost like one of the better

1194

00:53:47,609 --> 00:53:43,660

explanations to the whole thing yeah

1195

00:53:51,690 --> 00:53:47,619

many theories but very rarely is it they

1196

00:53:53,609 --> 00:53:51,700

just like to do it or you know yeah yeah

1197

00:53:56,520 --> 00:53:53,619

yeah I just think they enjoy it they

1198

00:53:58,470 --> 00:53:56,530

enjoy scaring us um you know I mean I

1199

00:54:01,650 --> 00:53:58,480

think like Annette's you like Monsters

1200

00:54:04,440 --> 00:54:01,660

Inc with fuel alright so you know what's

1201
00:54:05,910 --> 00:54:04,450
better scared or laughter I mean you

1202
00:54:08,820 --> 00:54:05,920
know in the end the moral of that is

1203
00:54:11,460 --> 00:54:08,830
laughter right but really that's what

1204
00:54:14,310 --> 00:54:11,470
you know that they enjoy it they enjoy

1205
00:54:16,230 --> 00:54:14,320
the fear the terror you know everything

1206
00:54:17,730 --> 00:54:16,240
so that's what I think they get out of

1207
00:54:20,760 --> 00:54:17,740
it and that's why I think they continue

1208
00:54:22,560 --> 00:54:20,770
to do it to us over and over and over

1209
00:54:24,210 --> 00:54:22,570
because you know we can't row number it

1210
00:54:27,089 --> 00:54:24,220
and the next night we go to sleep and

1211
00:54:30,599 --> 00:54:27,099
then there we are again it's never

1212
00:54:36,150 --> 00:54:30,609
ending so you know I've heard I've heard

1213
00:54:39,920 --> 00:54:36,160

theories on how every every race in

1214

00:54:43,200 --> 00:54:39,930

universe has a time line right yeah

1215

00:54:46,410 --> 00:54:43,210

racist time line you know they're not

1216

00:54:51,230 --> 00:54:46,420

always good there grab and then they're

1217

00:54:54,599 --> 00:54:51,240

bad and a different part of and how we

1218

00:54:56,819 --> 00:54:54,609

perceive things or like maybe we called

1219

00:55:00,900 --> 00:54:56,829

to these things but we're calling to the

1220

00:55:04,200 --> 00:55:00,910

wrong time line and we write maybe some

1221

00:55:08,990 --> 00:55:04,210

of us just do it wrong on accident and

1222

00:55:18,599 --> 00:55:12,930

yeah all right no you disappeared for a

1223

00:55:21,720 --> 00:55:18,609

second realize I might since they had my

1224

00:55:23,670 --> 00:55:21,730

camera sideways I was always off looking

1225

00:55:24,750 --> 00:55:23,680

off into the distance instead of looking

1226

00:55:27,000 --> 00:55:24,760

at you so sorry

1227

00:55:29,789 --> 00:55:27,010

oh I think it's gonna work out because I

1228

00:55:31,020 --> 00:55:29,799

think I'm gonna put the two videos next

1229

00:55:37,370 --> 00:55:31,030

to each other so it's almost like we're

1230

00:55:39,359 --> 00:55:37,380

gonna be looking at each other yeah

1231

00:55:42,089 --> 00:55:39,369

we'll put Joe in the middle cuz he's

1232

00:55:51,050 --> 00:55:42,099

looking straight at the camera we're

1233

00:55:51,060 --> 00:55:57,920

[Laughter]

1234

00:56:04,260 --> 00:56:02,760

well I I I'm super fascinated in your

1235

00:56:07,890 --> 00:56:04,270

stories there is there anything that

1236

00:56:09,930 --> 00:56:07,900

you'd like to kind of I guess put out

1237

00:56:11,450 --> 00:56:09,940

there for for people that are that are

1238

00:56:19,640 --> 00:56:11,460

maybe going through these experiences

1239

00:56:23,670 --> 00:56:21,960

let's see is there anything else I want

1240

00:56:27,359 --> 00:56:23,680

to put out there I don't know I'm trying

1241

00:56:29,160 --> 00:56:27,369

to think what did I leave out attack to

1242

00:56:30,150 --> 00:56:29,170

you anywhere I know you have a Facebook

1243

00:56:32,490 --> 00:56:30,160

yeah

1244

00:56:35,640 --> 00:56:32,500

I have a Facebook page abducted and

1245

00:56:37,500 --> 00:56:35,650

furious and they can get on that I'm

1246

00:56:39,059 --> 00:56:37,510

still working and struggling with

1247

00:56:41,460 --> 00:56:39,069

Facebook Ads

1248

00:56:45,630 --> 00:56:41,470

maybe I shouldn't say that but oh my god

1249

00:56:49,670 --> 00:56:45,640

I'm so frustrated and I also have a

1250

00:56:52,950 --> 00:56:49,680

website lease O'Hara online

1251

00:56:57,240 --> 00:56:52,960

I'm still working on that also so I'm

1252

00:56:59,910 --> 00:56:57,250

still a little bit new to this and so I

1253

00:57:02,850 --> 00:56:59,920

hope to eventually get on different

1254

00:57:05,220 --> 00:57:02,860

podcasts and then you can reach me at my

1255

00:57:09,210 --> 00:57:05,230

email address which is in my book

1256

00:57:10,859 --> 00:57:09,220

Elle O'Hara at protonmail comm if you

1257

00:57:13,080 --> 00:57:10,869

have experienced this or just want to

1258

00:57:14,609 --> 00:57:13,090

reach out just someone else or if you

1259

00:57:20,100 --> 00:57:14,619

have questions about my book once you've

1260

00:57:22,410 --> 00:57:20,110

read it so awesome ok what was the other

1261

00:57:24,900 --> 00:57:22,420

question I mean yeah it's just anything

1262

00:57:27,000 --> 00:57:24,910

you wanted to add Joe do you have any

1263

00:57:29,460 --> 00:57:27,010

other questions are you curious about

1264

00:57:31,859 --> 00:57:29,470

anything or either how are all the ways

1265

00:57:34,410 --> 00:57:31,869

that people can get the book oh yeah oh

1266

00:57:37,590 --> 00:57:34,420

it's on amazon exclusively being a new

1267

00:57:41,760 --> 00:57:37,600

author you know I just decided to put on

1268

00:57:44,790 --> 00:57:41,770

Amazon only it's an e-book it's 399 for

1269

00:57:48,810 --> 00:57:44,800

the Amazon Kindle book it's free it's

1270

00:57:50,760 --> 00:57:48,820

free on Kindle unlimited and then I have

1271

00:57:52,200 --> 00:57:50,770

a paperback book also and I don't know

1272

00:57:54,599 --> 00:57:52,210

if you guys know this but I didn't

1273

00:57:59,460 --> 00:57:54,609

Amazon is print-on-demand

1274

00:58:01,910 --> 00:57:59,470

oh wow that's really cool yeah yeah I

1275

00:58:04,170 --> 00:58:01,920

didn't know that that's pretty awesome

1276

00:58:05,970 --> 00:58:04,180

yeah so they don't have a warehouse full

1277

00:58:08,190 --> 00:58:05,980

of books like they used to right they

1278

00:58:09,359 --> 00:58:08,200

just print on demand so they publish and

1279

00:58:12,210 --> 00:58:09,369

then they print on demand

1280

00:58:14,550 --> 00:58:12,220

oh so that's one of the frustrations

1281

00:58:16,109 --> 00:58:14,560

though right now so it looks like your

1282

00:58:23,640 --> 00:58:16,119

book is coming on the 19th

1283

00:58:25,830 --> 00:58:23,650

not on the 27th but because that means

1284

00:58:27,480 --> 00:58:25,840

that's because I sent a couple of other

1285

00:58:28,230 --> 00:58:27,490

ones out and they're all getting there

1286

00:58:32,580 --> 00:58:28,240

on the 19th

1287

00:58:34,410 --> 00:58:32,590

Wow 8 p.m. so well I tell you it's not

1288

00:58:37,290 --> 00:58:34,420

going to be long before this type of

1289

00:58:39,180 --> 00:58:37,300

information is essential because I feel

1290

00:58:42,000 --> 00:58:39,190

like more and more people are starting

1291

00:58:45,359 --> 00:58:42,010

to come around and they definitely want

1292

00:58:47,340 --> 00:58:45,369

the information I mean we've had people

1293

00:58:49,290 --> 00:58:47,350

tell us well you hopped into the game at

1294

00:58:52,140 --> 00:58:49,300

the right point there's so many things

1295

00:58:55,290 --> 00:58:52,150

happening right now in the community and

1296

00:58:56,460 --> 00:58:55,300

it's really kind of you know I don't

1297

00:58:58,590 --> 00:58:56,470

know people who are just starting to

1298

00:59:00,930 --> 00:58:58,600

kind of wake up I feel like I don't know

1299

00:59:02,490 --> 00:59:00,940

if that sounds cliché but well I agree

1300

00:59:06,420 --> 00:59:02,500

that's what it seems

1301

00:59:08,250 --> 00:59:06,430

like you know to us so I think this is

1302

00:59:10,140 --> 00:59:08,260

the perfect time for you to put out your

1303

00:59:11,970 --> 00:59:10,150

book and try and get your information

1304

00:59:13,920 --> 00:59:11,980

out there you know the more people that

1305

00:59:17,160 --> 00:59:13,930

read it the more people can you know

1306

00:59:18,570 --> 00:59:17,170

cross-check it and you know really help

1307

00:59:20,820 --> 00:59:18,580

you know help each other get some

1308

00:59:22,710 --> 00:59:20,830

answers because this happens to a lot of

1309

00:59:25,170 --> 00:59:22,720

people and you're right a lot of people

1310

00:59:27,120 --> 00:59:25,180

don't want to talk about it or don't

1311

00:59:30,240 --> 00:59:27,130

even know how to talk about it so it's

1312

00:59:33,690 --> 00:59:30,250

good to be able to relate and find

1313

00:59:36,050 --> 00:59:33,700

material to help them so yeah and I

1314

00:59:38,610 --> 00:59:36,060

think that's really important because I

1315

00:59:41,100 --> 00:59:38,620

wish more people would talk about it I

1316

00:59:43,080 --> 00:59:41,110

mean but it is hard because here I wrote

1317

00:59:44,670 --> 00:59:43,090

this book and then I realized I told

1318

00:59:47,940 --> 00:59:44,680

everybody everything about me that I

1319

00:59:51,690 --> 00:59:47,950

never told talk about and now everybody

1320

00:59:53,820 --> 00:59:51,700

knows that a you know I I'm a psychic

1321

00:59:57,150 --> 00:59:53,830

medium but I'm I'm not a practicing

1322

00:59:58,440 --> 00:59:57,160

psychic medium and to you know that I'm

1323

01:00:00,690 --> 00:59:58,450

an abductee you know it's interesting

1324

01:00:03,300 --> 01:00:00,700

when people hear that they want to talk

1325

01:00:07,740 --> 01:00:03,310

about the medium part but nobody wants

1326
01:00:11,340 --> 01:00:07,750
to talk about the abductee from it and I

1327
01:00:13,830 --> 01:00:11,350
find myself to saying to myself do I

1328
01:00:16,470 --> 01:00:13,840
want to mention that I wrote this book

1329
01:00:18,210 --> 01:00:16,480
because if I do then I have to talk

1330
01:00:20,400 --> 01:00:18,220
about it and it is really hard because

1331
01:00:23,100 --> 01:00:20,410
now you're talking about things that

1332
01:00:25,350 --> 01:00:23,110
you've hid from people and because I

1333
01:00:28,140 --> 01:00:25,360
wrote a book I have to talk about it and

1334
01:00:30,300 --> 01:00:28,150
so you know it's but it is hard it is is

1335
01:00:32,040 --> 01:00:30,310
this difficult I mean I can done not

1336
01:00:34,380 --> 01:00:32,050
completely I mean I feel like I can

1337
01:00:37,260 --> 01:00:34,390
understand anyone who has to say to some

1338
01:00:39,090 --> 01:00:37,270

someone I'm not who you thought I was or

1339

01:00:41,880 --> 01:00:39,100

I'm not you know what I mean I've had

1340

01:00:43,770 --> 01:00:41,890

things happen it's just so hard to admit

1341

01:00:47,220 --> 01:00:43,780

it and then have to talk about it so

1342

01:00:49,650 --> 01:00:47,230

yeah I mean you're you're extremely

1343

01:00:52,560 --> 01:00:49,660

brave for for doing this I mean people

1344

01:00:54,810 --> 01:00:52,570

that I feel like it's kind of like a

1345

01:00:56,460 --> 01:00:54,820

mission you know you have to get this

1346

01:00:58,230 --> 01:00:56,470

information out there whether or not it

1347

01:00:59,490 --> 01:00:58,240

hurts your relationships with friends or

1348

01:01:00,120 --> 01:00:59,500

maybe they'll change their mind about

1349

01:01:02,700 --> 01:01:00,130

you

1350

01:01:03,870 --> 01:01:02,710

I mean yeah it's a very extremely brave

1351

01:01:07,200 --> 01:01:03,880

thing that you're doing I really

1352

01:01:09,450 --> 01:01:07,210

appreciate your work and yeah your

1353

01:01:14,610 --> 01:01:09,460

message so I applaud you for that

1354

01:01:16,410 --> 01:01:14,620

absolutely and thank you so much for

1355

01:01:18,950 --> 01:01:16,420

reaching out to us this

1356

01:01:22,170 --> 01:01:18,960

absolutely enjoyed chatting with you

1357

01:01:26,370 --> 01:01:22,180

yeah and yeah is there any anything else

1358

01:01:28,680 --> 01:01:26,380

Joe or Yomi no I think I'm good but you

1359

01:01:31,739 --> 01:01:28,690

know I'm sure you know a few people will

1360

01:01:34,349 --> 01:01:31,749

probably hear this podcast and uh you

1361

01:01:36,630 --> 01:01:34,359

know we have some other podcast people

1362

01:01:39,390 --> 01:01:36,640

that are you know listen listen listen

1363

01:01:41,400 --> 01:01:39,400

in on the show so you know you might be

1364

01:01:42,900 --> 01:01:41,410

getting uh some feelers out I mean this

1365

01:01:45,690 --> 01:01:42,910

isn't how it goes you know you reach out

1366

01:01:49,349 --> 01:01:45,700

to one podcast in three more hit you

1367

01:01:53,099 --> 01:01:49,359

right so yeah I think you'll be on a

1368

01:01:54,900 --> 01:01:53,109

roll before you know it well - and I

1369

01:01:57,269 --> 01:01:54,910

thought you sounded so cool I wanted to

1370

01:01:59,999 --> 01:01:57,279

be on your podcast and I'm so what's so

1371

01:02:04,109 --> 01:02:00,009

excited when I when you told me that you

1372

01:02:06,539 --> 01:02:04,119

wanted me so I'm I'm still excited to be

1373

01:02:10,799 --> 01:02:06,549

here and I appreciate it so much

1374

01:02:13,319 --> 01:02:10,809

thank you we we do it because of people

1375

01:02:16,650 --> 01:02:13,329

like you you know I feel like it's

1376

01:02:18,720 --> 01:02:16,660

important to get your story out and let

1377

01:02:22,440 --> 01:02:18,730

the people figure out whether or not

1378

01:02:24,569 --> 01:02:22,450

they believe it right yeah our job is

1379

01:02:26,930 --> 01:02:24,579

just to help people who have stuff to

1380

01:02:29,220 --> 01:02:26,940

say and we think that's important so

1381

01:02:31,220 --> 01:02:29,230

yeah thank you thank you very much for

1382

01:02:35,190 --> 01:02:31,230

coming on the show thank you so much

1383

01:02:37,019 --> 01:02:35,200

thank you all right well hey we'll be in

1384

01:02:38,819 --> 01:02:37,029

touch and yeah we'd love to have you

1385

01:02:41,249 --> 01:02:38,829

back on and in a you know in a couple

1386

01:02:43,380 --> 01:02:41,259

months just we might reach it if you

1387

01:02:45,660 --> 01:02:43,390

want to come back and kind of catch up

1388

01:02:48,359 --> 01:02:45,670

with us in a couple months we'll hit you

1389

01:02:50,789 --> 01:02:48,369

up or email you know us if you're

1390

01:02:52,440 --> 01:02:50,799

itching if you remember anything else or

1391

01:02:54,420 --> 01:02:52,450

have a new experience that you want to

1392

01:02:56,849 --> 01:02:54,430

share with us please feel free to email

1393

01:02:58,859 --> 01:02:56,859

at us at any time all right make sure

1394

01:03:01,640 --> 01:02:58,869

when you read my book then you have me

1395

01:03:04,259 --> 01:03:01,650

back and then you act and ask me yes

1396

01:03:06,210 --> 01:03:04,269

yeah that was kind of a thing up man I

1397

01:03:08,549 --> 01:03:06,220

wish we had some more material to go off

1398

01:03:10,319 --> 01:03:08,559

to ask you specific questions so we'll

1399

01:03:14,239 --> 01:03:10,329

have to have you back on to ask you

1400

01:03:20,999 --> 01:03:18,150

awesome so thank you so much oh thank

1401

01:03:21,900 --> 01:03:21,009

you thank you you have a good night okay

1402

01:03:31,380 --> 01:03:21,910

you too all right

1403

01:03:37,539 --> 01:03:31,390

[Music]

1404

01:03:38,380 --> 01:03:37,549

whoa that was pretty cool huh that was

1405

01:03:41,319 --> 01:03:38,390

dope

1406

01:03:44,979 --> 01:03:41,329

I was that was pretty interesting yeah

1407

01:03:47,229 --> 01:03:44,989

yeah I hope I hope she's able to find

1408

01:03:50,079 --> 01:03:47,239

some more people to kind of be around

1409

01:03:52,660 --> 01:03:50,089

that are into the same stuff and maybe

1410

01:03:53,859 --> 01:03:52,670

kind of share the same feelings yeah

1411

01:03:58,120 --> 01:03:53,869

maybe she'll go check out our episode

1412

01:03:58,989 --> 01:03:58,130

with Justin yeah yeah yeah man I have so

1413

01:04:00,880 --> 01:03:58,999

many more

1414

01:04:02,769 --> 01:04:00,890

I don't know as I'm like thinking of it

1415

01:04:04,420 --> 01:04:02,779

I wish I would have I don't know

1416

01:04:06,849 --> 01:04:04,430

not maybe wish I would have but I want

1417

01:04:09,549 --> 01:04:06,859

to dig more into like the physical what

1418

01:04:11,679 --> 01:04:09,559

do they look like I want to know I would

1419

01:04:14,019 --> 01:04:11,689

I want somebody that's been abducted to

1420

01:04:16,839 --> 01:04:14,029

be a really good illustrator so we could

1421

01:04:19,299 --> 01:04:16,849

see it for ourselves you know yeah cuz

1422

01:04:23,079 --> 01:04:19,309

that cuz that grasshopper lookin being I

1423

01:04:25,059 --> 01:04:23,089

mean and the mantis one man I want it I

1424

01:04:28,709 --> 01:04:25,069

want to see it I see it in my mind but

1425

01:04:33,069 --> 01:04:28,719

just sounds really creepy

1426

01:04:35,099 --> 01:04:33,079

yeah and it definitely does but yeah

1427

01:04:38,709 --> 01:04:35,109

guys so y'all go check out her book

1428

01:04:40,179 --> 01:04:38,719

check our website she's got Facebook so

1429

01:04:44,769 --> 01:04:40,189

make sure you go check her out on

1430

01:04:46,959 --> 01:04:44,779

Facebook show some love and yeah that's

1431

01:04:50,799 --> 01:04:46,969

about it for me do you got anything else

1432

01:04:53,559 --> 01:04:50,809

to say nah man go to UFO garage PC comm

1433

01:04:55,150 --> 01:04:53,569

and pick up a shirt that'd be cool if

1434

01:04:57,189 --> 01:04:55,160

you guys did that if you guys are like

1435

01:04:59,769 --> 01:04:57,199

in the show want to support us go check

1436

01:05:02,380 --> 01:04:59,779

out a shirt we have all kinds stuff with

1437

01:05:04,209 --> 01:05:02,390

our logo on it stuff with we have a

1438

01:05:07,029 --> 01:05:04,219

shirt with cinnamon Terry on it if you

1439

01:05:09,039 --> 01:05:07,039

don't know who that is yeah bongo player

1440

01:05:12,400 --> 01:05:09,049

he's that bongo player down on six tree

1441

01:05:27,160 --> 01:05:12,410

so uh you could you could you shouldn't

1442

01:05:36,280 --> 01:05:27,170

you should go check out the shirt this

1443

01:05:37,780 --> 01:05:36,290

is really couldn't syncopating that this

1444

01:05:40,480 --> 01:05:37,790

this has been another episode of UFO

1445

01:05:42,850 --> 01:05:40,490

garage this has been another episode

1446

01:05:45,610 --> 01:05:42,860

this has been right this was yeah yeah

1447

01:05:49,120 --> 01:05:45,620

this has been nice okay all right

1448

01:05:50,260 --> 01:05:49,130

all right I'm ready for this thing to be

1449

01:05:55,330 --> 01:05:50,270

over to you I want you back in the

1450

01:05:57,010 --> 01:05:55,340

studio man I know me too me too well so

1451

01:06:00,040 --> 01:05:57,020

this wasn't another episode of UFO

1452

01:06:03,070 --> 01:06:00,050

garage we're continuing just a little

1453

01:06:07,840 --> 01:06:03,080

bit we're gonna be on revolution radio

1454

01:06:10,780 --> 01:06:07,850

Oh effective on Monday so you guys you

1455

01:06:12,610 --> 01:06:10,790

know go uh go check that out we talked

1456

01:06:14,560 --> 01:06:12,620

into our friend Laurie say the show

1457

01:06:17,050 --> 01:06:14,570

showed the show name again I talked over

1458

01:06:19,900 --> 01:06:17,060

you distinctive perspectives

1459

01:06:21,310 --> 01:06:19,910

nice yeah so we're gonna be out a radio

1460

01:06:24,790 --> 01:06:21,320

show for two hours doing what are we

1461

01:06:28,000 --> 01:06:24,800

gonna say I don't no idea I have no idea

1462

01:06:30,630 --> 01:06:28,010

yeah and but like we're the ones being

1463

01:06:33,490 --> 01:06:30,640

interviewed yeah yeah I don't I mean I

1464

01:06:37,720 --> 01:06:33,500

don't know what we're gonna say I mean I

1465

01:06:41,050 --> 01:06:37,730

could talk about our UFO stuff that

1466

01:06:49,030 --> 01:06:41,060

we've seen there I don't know oh yeah we

1467

01:06:50,760 --> 01:06:49,040

get to be those people this yeah yeah we

1468

01:06:53,950 --> 01:06:50,770

could talk about our UFO experiences

1469

01:06:55,750 --> 01:06:53,960

nice and you know Sedona and all that

1470

01:06:57,580 --> 01:06:55,760

our listeners have probably already

1471

01:07:01,390 --> 01:06:57,590

heard all that stuff so it's probably

1472

01:07:08,860 --> 01:07:01,400

good oh nice dude hell yeah yeah yeah
