1
00:00:07,430 --> 00:00:06,070

[Music]

2
00:00:10,390 --> 00:00:07,440

this is another episode

3
00:00:12,310 --> 00:00:10,400

ufo garage i'm ben and i'm joe and this

4
00:00:15,509 --> 00:00:12,320

is where we talk about ufos

5
00:00:18,870 --> 00:00:15,519

aliens and all things

6
00:00:19,429 --> 00:00:18,880

so dude uh pretty excited about this one

7
00:00:21,590 --> 00:00:19,439

man

8
00:00:23,509 --> 00:00:21,600

yeah yeah it's gonna be a good one uh

9
00:00:25,269 --> 00:00:23,519

we've got reid summers with us

10
00:00:26,870 --> 00:00:25,279

um and i know a lot of you guys out

11
00:00:28,550 --> 00:00:26,880

there y'all absolutely

12
00:00:30,150 --> 00:00:28,560

loved the episode that we did with

13
00:00:30,950 --> 00:00:30,160

justin i think that's one of the most

14

00:00:33,030 --> 00:00:30,960

views that

15

00:00:34,229 --> 00:00:33,040

we've gotten on any of them most views

16

00:00:35,910 --> 00:00:34,239

most comments most

17

00:00:37,270 --> 00:00:35,920

interactions i mean people really

18

00:00:39,670 --> 00:00:37,280

resonate with uh

19

00:00:40,869 --> 00:00:39,680

kind of the perspective that uh he kind

20

00:00:42,150 --> 00:00:40,879

of brought to the table we haven't

21

00:00:44,709 --> 00:00:42,160

really experienced that yet

22

00:00:45,190 --> 00:00:44,719

yeah yeah so so now we're gonna we're

23

00:00:48,069 --> 00:00:45,200

gonna be

24

00:00:49,910 --> 00:00:48,079

talking to reid summers um and his

25

00:00:53,029 --> 00:00:49,920

father is the one who actually

26
00:00:55,830 --> 00:00:53,039
received the messages and so you know

27
00:00:56,150 --> 00:00:55,840
reads uh with us tonight and he's gonna

28
00:00:58,229 --> 00:00:56,160
be

29
00:00:59,910 --> 00:00:58,239
you know chit chatting with us about

30
00:01:02,069 --> 00:00:59,920
what these messages are

31
00:01:03,029 --> 00:01:02,079
and and kind of what they're all about

32
00:01:05,189 --> 00:01:03,039
so read

33
00:01:06,070 --> 00:01:05,199
if you don't mind uh say hi to everybody

34
00:01:08,070 --> 00:01:06,080
and uh just

35
00:01:09,590 --> 00:01:08,080
kind of kind of introduce yourself a

36
00:01:10,950 --> 00:01:09,600
little bit and tell everybody about you

37
00:01:13,190 --> 00:01:10,960
man

38
00:01:15,590 --> 00:01:13,200

sure well thank you for having me on joe

39

00:01:18,870 --> 00:01:15,600

and ben pleasure to be here

40

00:01:19,429 --> 00:01:18,880

um i've been looking at the possibility

41

00:01:22,469 --> 00:01:19,439

of

42

00:01:25,510 --> 00:01:22,479

life for a large

43

00:01:26,630 --> 00:01:25,520

portion of my life and i think it's one

44

00:01:28,789 --> 00:01:26,640

of the most

45

00:01:31,429 --> 00:01:28,799

important issues in the world today one

46

00:01:33,749 --> 00:01:31,439

of the greatest stories not told

47

00:01:35,030 --> 00:01:33,759

and potentially the greatest event in

48

00:01:37,190 --> 00:01:35,040

human history

49

00:01:38,069 --> 00:01:37,200

and yet how few people are aware of it

50

00:01:40,630 --> 00:01:38,079

my god

51
00:01:42,710 --> 00:01:40,640
so oh yeah uh it's it's always great to

52
00:01:43,590 --> 00:01:42,720
um have an open candid conversation

53
00:01:45,990 --> 00:01:43,600
about

54
00:01:47,350 --> 00:01:46,000
what's happening what does it mean what

55
00:01:50,630 --> 00:01:47,360
do we do about it

56
00:01:52,230 --> 00:01:50,640
um and and consider this gigantic

57
00:01:55,590 --> 00:01:52,240
evolutionary event

58
00:01:59,190 --> 00:01:55,600
in human history yeah absolutely man

59
00:02:03,109 --> 00:01:59,200
absolutely so i i think maybe a good

60
00:02:03,670 --> 00:02:03,119
starting point is uh explaining to us

61
00:02:07,590 --> 00:02:03,680
kind of

62
00:02:11,190 --> 00:02:07,600
what is uh allies of humanity

63
00:02:13,670 --> 00:02:11,200

what is it that you guys uh you know

64

00:02:15,270 --> 00:02:13,680

you guys think uh i mean what it what is

65

00:02:18,390 --> 00:02:15,280

it all about

66

00:02:19,750 --> 00:02:18,400

sure well the allies of humanity are a

67

00:02:21,430 --> 00:02:19,760

group of individuals

68

00:02:23,110 --> 00:02:21,440

who gathered in the vicinity of the

69

00:02:26,070 --> 00:02:23,120

earth

70

00:02:27,270 --> 00:02:26,080

gosh over 20 years ago and delivered a

71

00:02:29,990 --> 00:02:27,280

series of briefings

72

00:02:31,190 --> 00:02:30,000

to my father marshall v on summers and

73

00:02:33,509 --> 00:02:31,200

they delivered their first set of

74

00:02:35,509 --> 00:02:33,519

briefings in 1997

75

00:02:36,790 --> 00:02:35,519

and then three other sets of briefings

76

00:02:39,110 --> 00:02:36,800

in the years following

77

00:02:40,070 --> 00:02:39,120

and their essential mission as they

78

00:02:43,910 --> 00:02:40,080

stated

79

00:02:45,670 --> 00:02:43,920

was to observe the very dangerous form

80

00:02:48,229 --> 00:02:45,680

of contact occurring in our world

81

00:02:50,470 --> 00:02:48,239

which they call the alien intervention

82

00:02:51,830 --> 00:02:50,480

to warn us of this and to educate us

83

00:02:54,229 --> 00:02:51,840

about what life is like

84

00:02:55,270 --> 00:02:54,239

in our local universe our neighborhood

85

00:02:57,270 --> 00:02:55,280

in space

86

00:02:59,030 --> 00:02:57,280

which is something we would not be able

87

00:03:02,149 --> 00:02:59,040

to know otherwise without some

88

00:03:03,990 --> 00:03:02,159

gesture of assistance from

89

00:03:05,589 --> 00:03:04,000

um from those who know what that

90

00:03:08,309 --> 00:03:05,599

environment is like

91

00:03:10,149 --> 00:03:08,319

so uh you know i and many people around

92

00:03:11,509 --> 00:03:10,159

the world are studying these briefings

93

00:03:14,790 --> 00:03:11,519

they're translated into

94

00:03:15,670 --> 00:03:14,800

dozens of languages and i believe they

95

00:03:18,630 --> 00:03:15,680

present

96

00:03:20,309 --> 00:03:18,640

one of the most candid clear and

97

00:03:23,350 --> 00:03:20,319

comprehensive

98

00:03:24,229 --> 00:03:23,360

pictures about the nature of contact who

99

00:03:26,710 --> 00:03:24,239

is in our world

100

00:03:28,070 --> 00:03:26,720

what they're doing and why they're here

101

00:03:30,710 --> 00:03:28,080

that you can find

102

00:03:33,270 --> 00:03:30,720

out there in a very uh confusing and

103

00:03:36,309 --> 00:03:33,280

polluted environment of competing

104

00:03:38,789 --> 00:03:36,319

you know theories and conspiracies and

105

00:03:39,350 --> 00:03:38,799

accounts that you'll find out there so i

106

00:03:42,710 --> 00:03:39,360

find it

107

00:03:44,390 --> 00:03:42,720

a huge breath of fresh air and many many

108

00:03:46,149 --> 00:03:44,400

people around the world respond the same

109

00:03:48,710 --> 00:03:46,159

way when they when they read these these

110

00:03:51,110 --> 00:03:48,720

briefings from the allies of humanity

111

00:03:52,710 --> 00:03:51,120

yeah i like the way you say individuals

112

00:03:56,070 --> 00:03:52,720

because i mean my my brain

113

00:03:58,550 --> 00:03:56,080

immediately thinks uh okay so there's a

114

00:03:59,670 --> 00:03:58,560

species or multiple species of alien

115

00:04:01,270 --> 00:03:59,680

that are

116

00:04:03,750 --> 00:04:01,280

kind of on our side that's what i've

117

00:04:05,830 --> 00:04:03,760

been able to to put together

118

00:04:07,110 --> 00:04:05,840

is that kind of like just a short

119

00:04:09,030 --> 00:04:07,120

version of that or

120

00:04:10,789 --> 00:04:09,040

could you maybe elaborate a little bit

121

00:04:12,630 --> 00:04:10,799

on on the al

122

00:04:14,309 --> 00:04:12,640

you call them the allies of humanity

123

00:04:16,469 --> 00:04:14,319

which is like a perfect name

124

00:04:18,229 --> 00:04:16,479

so is it am i correct in thinking that

125

00:04:20,229 --> 00:04:18,239

it's it's a multitude of

126
00:04:21,909 --> 00:04:20,239
species that are kind of looking out for

127
00:04:23,670 --> 00:04:21,919
us in a way

128
00:04:25,270 --> 00:04:23,680
well i think it would be helpful to step

129
00:04:26,150 --> 00:04:25,280
back and kind of look at the overall

130
00:04:27,909 --> 00:04:26,160
picture

131
00:04:30,230 --> 00:04:27,919
of of our local universe because that

132
00:04:31,270 --> 00:04:30,240
kind of explains who the allies are who

133
00:04:32,790 --> 00:04:31,280
they represent

134
00:04:34,550 --> 00:04:32,800
you know are they our friends are they

135
00:04:36,790 --> 00:04:34,560
neutral um

136
00:04:38,950 --> 00:04:36,800
so and and what i'm what i can give you

137
00:04:41,590 --> 00:04:38,960
here is this is this picture provided

138
00:04:44,310 --> 00:04:41,600

by them in their briefings and also by a

139

00:04:46,150 --> 00:04:44,320

set of revelations received by my father

140

00:04:48,710 --> 00:04:46,160

alongside the allies of humanity

141

00:04:49,590 --> 00:04:48,720

briefings specifically to prepare and

142

00:04:52,070 --> 00:04:49,600

educate

143

00:04:54,150 --> 00:04:52,080

humanity about this enormous

144

00:04:56,310 --> 00:04:54,160

evolutionary step forward out into the

145

00:04:58,390 --> 00:04:56,320

universe of life in which we exist

146

00:04:59,510 --> 00:04:58,400

so these two sources the allies of

147

00:05:01,670 --> 00:04:59,520

humanity briefings

148

00:05:03,510 --> 00:05:01,680

and the new message what we call the new

149

00:05:07,350 --> 00:05:03,520

message

150

00:05:09,670 --> 00:05:07,360

combined to present a picture a very

151
00:05:10,790 --> 00:05:09,680
clear and grounded picture of what

152
00:05:14,230 --> 00:05:10,800
life's like out there

153
00:05:17,590 --> 00:05:14,240
and in essence in in a in a brief

154
00:05:18,310 --> 00:05:17,600
account uh it is a lot like life is down

155
00:05:21,430 --> 00:05:18,320
here

156
00:05:23,270 --> 00:05:21,440
it's nature on a vast scale uh you have

157
00:05:24,550 --> 00:05:23,280
the primitive in the advanced you have

158
00:05:27,189 --> 00:05:24,560
the altruistic

159
00:05:29,350 --> 00:05:27,199
and the self-serving you have every

160
00:05:31,110 --> 00:05:29,360
level of development every expression of

161
00:05:32,230 --> 00:05:31,120
physical form you can imagine out there

162
00:05:35,189 --> 00:05:32,240
in our local universe

163
00:05:36,230 --> 00:05:35,199

yeah and in this universe survival is

164

00:05:38,870 --> 00:05:36,240

difficult

165

00:05:40,469 --> 00:05:38,880

resources are cherished and sought after

166

00:05:42,550 --> 00:05:40,479

for survival

167

00:05:43,830 --> 00:05:42,560

many advanced races develop

168

00:05:46,310 --> 00:05:43,840

technologically

169

00:05:47,029 --> 00:05:46,320

and end up outstripping their own worlds

170

00:05:49,670 --> 00:05:47,039

of their

171

00:05:50,310 --> 00:05:49,680

native resources uh forcing them to

172

00:05:53,670 --> 00:05:50,320

trade

173

00:05:54,230 --> 00:05:53,680

to uh you know to go around the the

174

00:05:56,230 --> 00:05:54,240

universe

175

00:05:58,710 --> 00:05:56,240

looking for resource-rich worlds that

176

00:06:00,790 --> 00:05:58,720

they can either trade with or exploit

177

00:06:02,390 --> 00:06:00,800

and here we stand on a beautiful little

178

00:06:04,950 --> 00:06:02,400

gem in the universe

179

00:06:06,070 --> 00:06:04,960

uh thinking we're alone you know like

180

00:06:07,749 --> 00:06:06,080

the natives in the jungle

181

00:06:09,670 --> 00:06:07,759

thinking there's certainly nothing but

182

00:06:10,790 --> 00:06:09,680

us in our in our gods and angels and

183

00:06:12,870 --> 00:06:10,800

demons

184

00:06:14,950 --> 00:06:12,880

uh and unbeknownst to us we're sitting

185

00:06:18,230 --> 00:06:14,960

on one of the largest oil reserves

186

00:06:21,510 --> 00:06:18,240

in our local environment yeah and

187

00:06:23,350 --> 00:06:21,520

you know and in time a variety of

188

00:06:25,189 --> 00:06:23,360

characters appear at our shores

189

00:06:26,950 --> 00:06:25,199

and at the verges of our jungle the

190

00:06:29,830 --> 00:06:26,960

missionaries the traitors the

191

00:06:31,350 --> 00:06:29,840

politicians the military leaders

192

00:06:33,189 --> 00:06:31,360

and all of them saying we're here to

193

00:06:35,830 --> 00:06:33,199

help you we're here to

194

00:06:36,550 --> 00:06:35,840

give you technology advance you cure

195

00:06:39,510 --> 00:06:36,560

your ills

196

00:06:42,150 --> 00:06:39,520

heal your wounds just give us access to

197

00:06:45,189 --> 00:06:42,160

your environment let us stay here

198

00:06:46,870 --> 00:06:45,199

and that's essentially what is happening

199

00:06:48,550 --> 00:06:46,880

that when you when you read about or

200

00:06:49,909 --> 00:06:48,560

hear about the ufo phenomenon the

201

00:06:53,670 --> 00:06:49,919

abduction phenomenon

202

00:06:55,830 --> 00:06:53,680

the mutilation phenomenon uh the

203

00:06:56,710 --> 00:06:55,840

collaboration between various groups and

204

00:06:59,909 --> 00:06:56,720

government

205

00:07:02,950 --> 00:06:59,919

with seemingly extraterrestrial powers

206

00:07:06,710 --> 00:07:02,960

what that is is a set

207

00:07:09,110 --> 00:07:06,720

of forces of divergent intentions

208

00:07:10,629 --> 00:07:09,120

and agendas arriving on the shores of

209

00:07:12,469 --> 00:07:10,639

our world

210

00:07:13,990 --> 00:07:12,479

here for their own reasons willing to

211

00:07:16,550 --> 00:07:14,000

tell us whatever we want to hear

212

00:07:17,670 --> 00:07:16,560

whether it's that our savior has come in

213

00:07:19,909 --> 00:07:17,680

the form of

214

00:07:20,870 --> 00:07:19,919

you know a religious founder whether

215

00:07:23,830 --> 00:07:20,880

it's that uh

216

00:07:25,270 --> 00:07:23,840

free technology is is right here and we

217

00:07:26,790 --> 00:07:25,280

just need to receive it from them

218

00:07:28,629 --> 00:07:26,800

whatever the promise they're willing to

219

00:07:30,550 --> 00:07:28,639

make that promise but they're here for

220

00:07:31,350 --> 00:07:30,560

their reasons and that is what we're

221

00:07:34,710 --> 00:07:31,360

facing

222

00:07:37,270 --> 00:07:34,720

in in this larger phenomenon of contact

223

00:07:37,749 --> 00:07:37,280

yeah i i think uh i think a lot about

224

00:07:39,830 --> 00:07:37,759

the

225

00:07:41,589 --> 00:07:39,840

analogy i mean i think you mentioned it

226

00:07:42,469 --> 00:07:41,599

but these tribes that are out in like

227

00:07:46,230 --> 00:07:42,479

the amazon

228

00:07:46,550 --> 00:07:46,240

or these undiscovered tribes that we're

229

00:07:49,749 --> 00:07:46,560

still

230

00:07:52,070 --> 00:07:49,759

finding today i feel like there's i

231

00:07:53,909 --> 00:07:52,080

i almost want to go to like it's a human

232

00:07:55,909 --> 00:07:53,919

thing for us to want to exploit

233

00:07:57,029 --> 00:07:55,919

and try to integrate these people like

234

00:07:59,110 --> 00:07:57,039

hey they're fine

235

00:08:01,110 --> 00:07:59,120

by themselves like leave them alone but

236

00:08:02,390 --> 00:08:01,120

there's some i feel like it's a human

237

00:08:05,589 --> 00:08:02,400

thing to want to

238

00:08:08,070 --> 00:08:05,599

push this uh i guess idea of

239

00:08:09,350 --> 00:08:08,080

progress on somebody who we think that

240

00:08:12,629 --> 00:08:09,360

has less

241

00:08:15,430 --> 00:08:12,639

do you do you feel like uh that idea of

242

00:08:17,029 --> 00:08:15,440

of pushing progress on a let's say quote

243

00:08:20,070 --> 00:08:17,039

unquote lesser

244

00:08:21,430 --> 00:08:20,080

uh tribe or civilization is a human

245

00:08:24,469 --> 00:08:21,440

thing or do you think that's just

246

00:08:26,550 --> 00:08:24,479

something that happens within the uh the

247

00:08:27,990 --> 00:08:26,560

formation of life and the progression of

248

00:08:30,790 --> 00:08:28,000

life

249

00:08:32,389 --> 00:08:30,800

yeah well i i think you know many

250

00:08:33,350 --> 00:08:32,399

colonizing forces throughout human

251
00:08:35,430 --> 00:08:33,360
history

252
00:08:36,389 --> 00:08:35,440
have used words like the white man's

253
00:08:39,509 --> 00:08:36,399
burden

254
00:08:41,509 --> 00:08:39,519
or manifest destiny yeah to justify what

255
00:08:43,110 --> 00:08:41,519
was essentially a resource grab

256
00:08:45,110 --> 00:08:43,120
yeah they were essentially there for

257
00:08:48,550 --> 00:08:45,120
gold for spices for minerals

258
00:08:49,590 --> 00:08:48,560
for you name it and that's how it is out

259
00:08:51,829 --> 00:08:49,600
there as well

260
00:08:53,590 --> 00:08:51,839
and the first beings that we will

261
00:08:55,750 --> 00:08:53,600
encounter in the universe

262
00:08:57,990 --> 00:08:55,760
are those who came the long distance to

263
00:09:00,389 --> 00:08:58,000

be here for their reasons

264

00:09:01,590 --> 00:09:00,399

uh the allies reveal space travel is is

265

00:09:03,430 --> 00:09:01,600

not a free and

266

00:09:05,750 --> 00:09:03,440

free wheeling enterprise you know it

267

00:09:08,389 --> 00:09:05,760

does you can't just go anywhere you want

268

00:09:09,430 --> 00:09:08,399

with an unlimited source of energy it is

269

00:09:11,670 --> 00:09:09,440

expensive

270

00:09:12,470 --> 00:09:11,680

and risky and time-consuming to go

271

00:09:15,670 --> 00:09:12,480

places

272

00:09:18,230 --> 00:09:15,680

in the universe so um yes

273

00:09:19,990 --> 00:09:18,240

there is a perhaps an impulse to improve

274

00:09:21,190 --> 00:09:20,000

and i i think the intervention that we

275

00:09:23,590 --> 00:09:21,200

are facing

276

00:09:25,829 --> 00:09:23,600

does have that intention that

277

00:09:27,110 --> 00:09:25,839

justification of their deeper intentions

278

00:09:28,630 --> 00:09:27,120

which is to improve us

279

00:09:30,389 --> 00:09:28,640

because they look at us like we look at

280

00:09:32,550 --> 00:09:30,399

cattle they look at us

281

00:09:34,150 --> 00:09:32,560

destroying this beautiful world that

282

00:09:36,550 --> 00:09:34,160

they would use for themselves they look

283

00:09:39,269 --> 00:09:36,560

at us divided into 170 plus

284

00:09:41,590 --> 00:09:39,279

nations you know with even our union of

285

00:09:43,750 --> 00:09:41,600

nations the united nations or

286

00:09:44,710 --> 00:09:43,760

unions of states unable to govern

287

00:09:46,389 --> 00:09:44,720

properly

288

00:09:48,070 --> 00:09:46,399

and yes they would say we could do

289

00:09:49,590 --> 00:09:48,080

better and in fact

290

00:09:51,190 --> 00:09:49,600

they have no right to be here and to

291

00:09:52,389 --> 00:09:51,200

rule this world because of the job

292

00:09:55,350 --> 00:09:52,399

they're doing

293

00:09:55,910 --> 00:09:55,360

um there are people who subscribe to

294

00:09:58,630 --> 00:09:55,920

that and

295

00:10:00,470 --> 00:09:58,640

and say yes let the let the et forces

296

00:10:02,069 --> 00:10:00,480

come let them govern

297

00:10:03,590 --> 00:10:02,079

and these are people who have lost faith

298

00:10:05,110 --> 00:10:03,600

in humanity

299

00:10:07,430 --> 00:10:05,120

and they have lost faith in human

300

00:10:08,389 --> 00:10:07,440

leadership they have had their own sense

301

00:10:12,790 --> 00:10:08,399

of reality

302

00:10:15,350 --> 00:10:12,800

uh debased and this extraterrestrial

303

00:10:15,829 --> 00:10:15,360

messaging has been put in their minds

304

00:10:18,790 --> 00:10:15,839

either

305

00:10:20,310 --> 00:10:18,800

overtly or subtly and there's a lot of

306

00:10:22,790 --> 00:10:20,320

it going on out there

307

00:10:24,069 --> 00:10:22,800

behind the scenes so to answer your

308

00:10:26,710 --> 00:10:24,079

question

309

00:10:27,829 --> 00:10:26,720

um i don't think it's an entire

310

00:10:30,630 --> 00:10:27,839

inherently human

311

00:10:32,150 --> 00:10:30,640

uh intention to improve upon the the

312

00:10:35,030 --> 00:10:32,160

unruly natives

313

00:10:36,550 --> 00:10:35,040

um all colonizing forces would would put

314

00:10:40,389 --> 00:10:36,560

forth that justification

315

00:10:42,550 --> 00:10:40,399

yeah yeah yeah wow so uh

316

00:10:43,509 --> 00:10:42,560

yeah that's that's kind of blowing my

317

00:10:45,190 --> 00:10:43,519

mind just

318

00:10:47,269 --> 00:10:45,200

kind of thinking through all of that

319

00:10:49,509 --> 00:10:47,279

stuff i mean the the

320

00:10:51,350 --> 00:10:49,519

their their own intentions is what's

321

00:10:53,990 --> 00:10:51,360

what would scare people right like

322

00:10:56,150 --> 00:10:54,000

what are their intentions i mean has

323

00:10:59,430 --> 00:10:56,160

have you guys been able to

324

00:11:01,190 --> 00:10:59,440

uh uh figure out what these

325

00:11:02,870 --> 00:11:01,200

i mean let's say i feel like right now

326

00:11:04,389 --> 00:11:02,880

maybe i need to step back but i feel

327

00:11:06,230 --> 00:11:04,399

like there's there's a good side and a

328

00:11:08,069 --> 00:11:06,240

bad side and i think the good side is

329

00:11:10,069 --> 00:11:08,079

you know the allies of humanity right

330

00:11:12,310 --> 00:11:10,079

that are trying to warn us and

331

00:11:13,750 --> 00:11:12,320

educate us about what's actually going

332

00:11:15,430 --> 00:11:13,760

on in our neighborhood

333

00:11:16,790 --> 00:11:15,440

and then you have these these forces

334

00:11:18,550 --> 00:11:16,800

that are trying to

335

00:11:20,389 --> 00:11:18,560

i guess take over the planet it was like

336

00:11:23,030 --> 00:11:20,399

the like the uh

337

00:11:24,069 --> 00:11:23,040

orson welles version of of of that

338

00:11:26,790 --> 00:11:24,079

sentiment

339

00:11:28,150 --> 00:11:26,800

but uh do we do we know like what like

340

00:11:31,829 --> 00:11:28,160

why do they need to

341

00:11:35,509 --> 00:11:31,839

take over the planet without you know uh

342

00:11:37,910 --> 00:11:35,519

uh war you know i feel like they've been

343

00:11:39,829 --> 00:11:37,920

at this for a long time politically and

344

00:11:42,150 --> 00:11:39,839

and subconsciously do you

345

00:11:43,590 --> 00:11:42,160

is there some kind of galactic rule that

346

00:11:45,829 --> 00:11:43,600

they can't just come in here and just

347

00:11:49,030 --> 00:11:45,839

take things over

348

00:11:52,310 --> 00:11:49,040

yeah good questions well um

349

00:11:55,110 --> 00:11:52,320

yes there are rules that govern what uh

350

00:11:55,990 --> 00:11:55,120

different races can do out there and as

351
00:11:58,470 --> 00:11:56,000
it turns out

352
00:11:59,269 --> 00:11:58,480
the allies of humanity say that we live

353
00:12:01,509 --> 00:11:59,279
in a highly

354
00:12:03,670 --> 00:12:01,519
inhabited part of the universe where

355
00:12:05,750 --> 00:12:03,680
there are long-standing agreements

356
00:12:07,030 --> 00:12:05,760
and requirements for how interaction and

357
00:12:10,069 --> 00:12:07,040
trade and

358
00:12:11,910 --> 00:12:10,079
conquest can take place and outright

359
00:12:15,190 --> 00:12:11,920
conquest is not allowed

360
00:12:16,949 --> 00:12:15,200
military invasion is not allowed and

361
00:12:19,030 --> 00:12:16,959
in part it's not just a rule that

362
00:12:19,590 --> 00:12:19,040
governs over everyone out there it's

363
00:12:22,150 --> 00:12:19,600

that

364

00:12:22,710 --> 00:12:22,160

there are much better more effective

365

00:12:25,509 --> 00:12:22,720

ways

366

00:12:27,269 --> 00:12:25,519

to to make conquest successful in an

367

00:12:29,269 --> 00:12:27,279

emerging world like ours

368

00:12:31,509 --> 00:12:29,279

it's important to understand that they

369

00:12:33,190 --> 00:12:31,519

want the resources of this planet

370

00:12:34,949 --> 00:12:33,200

okay they don't want to destroy those

371

00:12:37,350 --> 00:12:34,959

they need the infrastructure we have

372

00:12:39,670 --> 00:12:37,360

built over the last 200 years

373

00:12:42,550 --> 00:12:39,680

since the industrial revolution whether

374

00:12:44,790 --> 00:12:42,560

it's transportation communication

375

00:12:46,069 --> 00:12:44,800

the integration of economies worldwide

376

00:12:47,670 --> 00:12:46,079

they need that

377

00:12:49,990 --> 00:12:47,680

they need to use what we've made they

378

00:12:52,470 --> 00:12:50,000

wouldn't want to destroy that

379

00:12:53,269 --> 00:12:52,480

and they need us we are part of the

380

00:12:55,509 --> 00:12:53,279

resource

381

00:12:57,750 --> 00:12:55,519

not only the workforce to extract it but

382

00:13:00,150 --> 00:12:57,760

actually and unfortunately

383

00:13:01,990 --> 00:13:00,160

part of the biological resource itself

384

00:13:05,110 --> 00:13:02,000

and that gets into kind of the darker

385

00:13:07,829 --> 00:13:05,120

aspects of the interventions activities

386

00:13:08,870 --> 00:13:07,839

um but i think it's important to

387

00:13:10,550 --> 00:13:08,880

understand that

388

00:13:12,470 --> 00:13:10,560

our local universe is an expression of

389

00:13:14,150 --> 00:13:12,480

nature um

390

00:13:16,069 --> 00:13:14,160

it's not neither is an entirely

391

00:13:17,590 --> 00:13:16,079

spiritual or entirely loving or an

392

00:13:20,150 --> 00:13:17,600

entirely fearful universe it's

393

00:13:21,110 --> 00:13:20,160

it's it's what it is it's nature yeah so

394

00:13:24,310 --> 00:13:21,120

what we need

395

00:13:26,790 --> 00:13:24,320

is to become aware that this

396

00:13:28,949 --> 00:13:26,800

enormous event is taking place that will

397

00:13:31,829 --> 00:13:28,959

change every aspect of life on earth

398

00:13:33,590 --> 00:13:31,839

in a very potentially beneficial way we

399

00:13:35,990 --> 00:13:33,600

can talk more about that

400

00:13:37,269 --> 00:13:36,000

and also to undergo an education and a

401
00:13:39,910 --> 00:13:37,279
preparation for this

402
00:13:41,110 --> 00:13:39,920
i mean we have to become human beings

403
00:13:44,230 --> 00:13:41,120
2.0

404
00:13:44,710 --> 00:13:44,240
truly to engage on this greater arena of

405
00:13:48,389 --> 00:13:44,720
life

406
00:13:50,310 --> 00:13:48,399
and not just become you know uh a client

407
00:13:52,389 --> 00:13:50,320
state of a larger power

408
00:13:54,310 --> 00:13:52,399
uh to not just devolve into conflict and

409
00:13:56,389 --> 00:13:54,320
war over you know who has access to the

410
00:13:58,629 --> 00:13:56,399
visitors gifts of technology and who has

411
00:14:01,590 --> 00:13:58,639
access to the visitors you know

412
00:14:03,110 --> 00:14:01,600
uh to their ear to their you know to

413
00:14:05,670 --> 00:14:03,120

their capabilities

414

00:14:06,629 --> 00:14:05,680

so it's a it's a big time awareness

415

00:14:09,189 --> 00:14:06,639

education

416

00:14:10,629 --> 00:14:09,199

preparation right process up ahead for

417

00:14:12,790 --> 00:14:10,639

us that's really

418

00:14:13,990 --> 00:14:12,800

what i'm about that's what the allies

419

00:14:15,430 --> 00:14:14,000

are about and

420

00:14:17,110 --> 00:14:15,440

all those people in the world who are

421

00:14:18,389 --> 00:14:17,120

reading and studying and advocating for

422

00:14:19,269 --> 00:14:18,399

that message that's what they're about

423

00:14:22,069 --> 00:14:19,279

this is

424

00:14:23,670 --> 00:14:22,079

fundamentally about uh becoming united

425

00:14:24,230 --> 00:14:23,680

as a race so that we can engage in the

426
00:14:26,629 --> 00:14:24,240
learner

427
00:14:27,590 --> 00:14:26,639
larger panorama of life beyond our race

428
00:14:30,389 --> 00:14:27,600
right and um

429
00:14:32,230 --> 00:14:30,399
it's even you could i mean even if i'm

430
00:14:33,590 --> 00:14:32,240
wrong even if the allies are not real

431
00:14:35,670 --> 00:14:33,600
even if there's no intervention

432
00:14:37,110 --> 00:14:35,680
essentially what they advocate is the

433
00:14:39,670 --> 00:14:37,120
preservation of the earth's

434
00:14:40,949 --> 00:14:39,680
environment and resources in a

435
00:14:43,990 --> 00:14:40,959
self-sufficient

436
00:14:45,350 --> 00:14:44,000
way for us the unification of human

437
00:14:47,829 --> 00:14:45,360
societies

438
00:14:48,949 --> 00:14:47,839

in an equitable and in way that honors

439

00:14:51,670 --> 00:14:48,959

diversity

440

00:14:54,069 --> 00:14:51,680

um and our discretion in the local

441

00:14:57,269 --> 00:14:54,079

universe not broadcasting out into space

442

00:14:58,949 --> 00:14:57,279

everything we think do uh and believe

443

00:15:02,710 --> 00:14:58,959

for everyone else to listen to

444

00:15:05,269 --> 00:15:02,720

and to watch and observe so those three

445

00:15:06,310 --> 00:15:05,279

fundamental activities um that the

446

00:15:09,350 --> 00:15:06,320

allies encourage

447

00:15:12,550 --> 00:15:09,360

i mean why not yeah yeah so i

448

00:15:13,509 --> 00:15:12,560

i find it interesting so if if we were

449

00:15:18,230 --> 00:15:13,519

to achieve

450

00:15:21,910 --> 00:15:18,240

this becoming uh i guess human 2.0

451

00:15:23,990 --> 00:15:21,920

um how how would that then

452

00:15:25,350 --> 00:15:24,000

you know with the what the with the the

453

00:15:27,509 --> 00:15:25,360

invaders or

454

00:15:29,030 --> 00:15:27,519

or the the colonizers whatever we want

455

00:15:32,230 --> 00:15:29,040

to call them with what they

456

00:15:33,990 --> 00:15:32,240

i mean would they be like oh uh maybe we

457

00:15:37,189 --> 00:15:34,000

should we shouldn't go there or or

458

00:15:37,509 --> 00:15:37,199

even if we did become humans 2.0 would

459

00:15:41,269 --> 00:15:37,519

they

460

00:15:43,350 --> 00:15:41,279

still be trying to to take this planet

461

00:15:44,470 --> 00:15:43,360

and our resources from us i mean is this

462

00:15:48,069 --> 00:15:44,480

something that

463

00:15:50,230 --> 00:15:48,079

happened to the allies uh themselves

464

00:15:51,509 --> 00:15:50,240

and that's why they know about this and

465

00:15:53,910 --> 00:15:51,519

they're warning us or

466

00:15:56,069 --> 00:15:53,920

or i mean how does how does that work

467

00:15:58,310 --> 00:15:56,079

yeah it's a big picture big

468

00:16:00,150 --> 00:15:58,320

big and very interesting picture uh yes

469

00:16:01,430 --> 00:16:00,160

the allies did experience intervention

470

00:16:03,509 --> 00:16:01,440

into their worlds

471

00:16:05,749 --> 00:16:03,519

that is why they're here they're here in

472

00:16:07,110 --> 00:16:05,759

a reciprocal gesture to another emerging

473

00:16:08,150 --> 00:16:07,120

world going through what they went

474

00:16:10,389 --> 00:16:08,160

through

475

00:16:11,269 --> 00:16:10,399

they too say they were served by another

476

00:16:14,230 --> 00:16:11,279

set

477

00:16:16,790 --> 00:16:14,240

of forces allies to their to their

478

00:16:18,790 --> 00:16:16,800

societies who came and warned them

479

00:16:19,910 --> 00:16:18,800

wow and in many and in many cases the

480

00:16:22,629 --> 00:16:19,920

allies who have

481

00:16:23,030 --> 00:16:22,639

come to our world say that their races

482

00:16:25,829 --> 00:16:23,040

uh

483

00:16:27,509 --> 00:16:25,839

did not become aware of the intervention

484

00:16:28,949 --> 00:16:27,519

that was taking place they did not unite

485

00:16:31,269 --> 00:16:28,959

around it they actually

486

00:16:32,790 --> 00:16:31,279

succumbed to many of its inducements of

487

00:16:36,069 --> 00:16:32,800

free technology

488

00:16:39,430 --> 00:16:36,079

of peace salvation and

489

00:16:40,790 --> 00:16:39,440

redemption and as a result became a very

490

00:16:42,790 --> 00:16:40,800

fractured world

491

00:16:44,550 --> 00:16:42,800

and it was only through great conflict

492

00:16:45,910 --> 00:16:44,560

loss and destruction that they recovered

493

00:16:48,230 --> 00:16:45,920

their freedom

494

00:16:50,069 --> 00:16:48,240

from these collectives what the allies

495

00:16:54,389 --> 00:16:50,079

call collectives which are these

496

00:16:56,790 --> 00:16:54,399

multiracial uh resource exploiting

497

00:16:57,990 --> 00:16:56,800

organizations that weave themselves into

498

00:17:00,949 --> 00:16:58,000

the psychology

499

00:17:02,069 --> 00:17:00,959

and into the biology of the emerging

500

00:17:05,110 --> 00:17:02,079

world and and

501
00:17:06,710 --> 00:17:05,120
that race and it is only through great

502
00:17:09,350 --> 00:17:06,720
travail that they can be

503
00:17:10,309 --> 00:17:09,360
uh repelled later on and so the allies

504
00:17:12,949 --> 00:17:10,319
urge us

505
00:17:14,870 --> 00:17:12,959
to become aware contact is happening and

506
00:17:16,630 --> 00:17:14,880
that it is an intervention it is not a

507
00:17:19,429 --> 00:17:16,640
friendly visitation

508
00:17:20,630 --> 00:17:19,439
that is their essential message it's

509
00:17:23,829 --> 00:17:20,640
it's

510
00:17:27,270 --> 00:17:23,839
this whole

511
00:17:28,710 --> 00:17:27,280
topic is almost like you could almost

512
00:17:31,029 --> 00:17:28,720
use it as a metaphor

513
00:17:31,990 --> 00:17:31,039

to the way we live today you know just

514

00:17:34,470 --> 00:17:32,000

like as regular

515

00:17:35,669 --> 00:17:34,480

human on human contact i mean you've got

516

00:17:38,470 --> 00:17:35,679

the masses

517

00:17:39,750 --> 00:17:38,480

you know of of the whole world and then

518

00:17:41,830 --> 00:17:39,760

you know you seem to have like these

519

00:17:42,789 --> 00:17:41,840

giant corporations and things like that

520

00:17:44,789 --> 00:17:42,799

that are you know

521

00:17:45,990 --> 00:17:44,799

exploiting these resources around the

522

00:17:47,830 --> 00:17:46,000

world and there's there's

523

00:17:49,510 --> 00:17:47,840

a few people who are saying hey you

524

00:17:51,350 --> 00:17:49,520

gotta be careful you gotta watch out for

525

00:17:53,669 --> 00:17:51,360

these guys you know and they're warning

526

00:17:55,029 --> 00:17:53,679

you know the public uh and and the

527

00:17:57,350 --> 00:17:55,039

public for the most part is

528

00:17:59,029 --> 00:17:57,360

is so uh content with their day-to-day

529

00:18:00,470 --> 00:17:59,039

life or they're so busy that

530

00:18:02,470 --> 00:18:00,480

they don't tend to pay attention to

531

00:18:03,990 --> 00:18:02,480

stuff like that uh you know

532

00:18:06,150 --> 00:18:04,000

and now you're starting to see more

533

00:18:07,350 --> 00:18:06,160

people starting to kind of wake up and

534

00:18:09,190 --> 00:18:07,360

it's like oh yeah they

535

00:18:10,470 --> 00:18:09,200

are destroying the rain forest or they

536

00:18:12,630 --> 00:18:10,480

are exploiting these

537

00:18:14,150 --> 00:18:12,640

little islands with these tribes on it

538

00:18:15,590 --> 00:18:14,160

you know and and we're starting to see

539

00:18:16,870 --> 00:18:15,600

that now and you're starting to see kind

540

00:18:20,150 --> 00:18:16,880

of this push back

541

00:18:22,470 --> 00:18:20,160

in in our own society it kind of seems

542

00:18:25,190 --> 00:18:22,480

like this whole issue is almost like

543

00:18:26,950 --> 00:18:25,200

on that next step that next level so

544

00:18:29,830 --> 00:18:26,960

once we can conquer that like

545

00:18:31,270 --> 00:18:29,840

here on earth with our with ourselves

546

00:18:33,750 --> 00:18:31,280

then it's something that we could

547

00:18:36,390 --> 00:18:33,760

you know really start to focus on you

548

00:18:38,630 --> 00:18:36,400

know on this galactic level

549

00:18:39,510 --> 00:18:38,640

right now it's that's really interesting

550

00:18:42,310 --> 00:18:39,520

you bring that up

551

00:18:44,070 --> 00:18:42,320

it is analogous in many ways to this

552

00:18:46,150 --> 00:18:44,080

modern world and the ancient world i

553

00:18:48,549 --> 00:18:46,160

mean human history is a history

554

00:18:50,789 --> 00:18:48,559

of colonizing and invading forces

555

00:18:51,669 --> 00:18:50,799

neutralizing other peoples absorbing

556

00:18:55,669 --> 00:18:51,679

them

557

00:18:57,750 --> 00:18:55,679

being reabsorbed into another invader

558

00:18:59,190 --> 00:18:57,760

and no wonder because that happens in

559

00:19:02,630 --> 00:18:59,200

nature as well

560

00:19:05,270 --> 00:19:02,640

and so they we need to consider

561

00:19:06,150 --> 00:19:05,280

that we live in a universe like that to

562

00:19:07,669 --> 00:19:06,160

get back to your

563

00:19:09,750 --> 00:19:07,679

earlier question will there be more

564

00:19:11,270 --> 00:19:09,760

interventions even if we become human

565

00:19:14,230 --> 00:19:11,280

beings 2.0 yes

566

00:19:15,430 --> 00:19:14,240

they will not stop that's because we're

567

00:19:17,990 --> 00:19:15,440

in an environment

568

00:19:19,990 --> 00:19:18,000

where there are forces that are that are

569

00:19:20,870 --> 00:19:20,000

built around this this is what they do

570

00:19:23,110 --> 00:19:20,880

it's like

571

00:19:24,390 --> 00:19:23,120

you can't go into a mall and not be

572

00:19:26,789 --> 00:19:24,400

advertised to

573

00:19:27,430 --> 00:19:26,799

right right right it's what it is you

574

00:19:31,830 --> 00:19:27,440

can't

575

00:19:33,029 --> 00:19:31,840

people attacking one another it's what

576
00:19:35,510 --> 00:19:33,039
happens

577
00:19:36,470 --> 00:19:35,520
i mean you can be a person of a greater

578
00:19:39,909 --> 00:19:36,480
awareness

579
00:19:43,029 --> 00:19:39,919
of a more spiritual inclination

580
00:19:44,630 --> 00:19:43,039
and greater commitment to values and and

581
00:19:46,789 --> 00:19:44,640
walk through those environments

582
00:19:48,789 --> 00:19:46,799
and influence them for the good and that

583
00:19:49,990 --> 00:19:48,799
is exactly what the allies of humanity

584
00:19:52,150 --> 00:19:50,000
want for humanity

585
00:19:54,390 --> 00:19:52,160
that we not become a client state that

586
00:19:56,390 --> 00:19:54,400
we not become an intervener

587
00:19:58,630 --> 00:19:56,400
a com you know a predatory race

588
00:19:59,270 --> 00:19:58,640

ourselves in 100 or 200 or a thousand

589

00:20:02,470 --> 00:19:59,280

years

590

00:20:03,029 --> 00:20:02,480

right that we become a society uh that

591

00:20:06,149 --> 00:20:03,039

honors

592

00:20:08,149 --> 00:20:06,159

the values of our spiritual nature

593

00:20:10,310 --> 00:20:08,159

the importance of compassion and

594

00:20:13,110 --> 00:20:10,320

relationship between beings

595

00:20:14,230 --> 00:20:13,120

the preservation of environment and that

596

00:20:16,549 --> 00:20:14,240

we could contribute that

597

00:20:17,270 --> 00:20:16,559

as a race and so that we could become

598

00:20:20,230 --> 00:20:17,280

allies

599

00:20:20,630 --> 00:20:20,240

to another emerging world ourselves so

600

00:20:27,270 --> 00:20:20,640

there's

601
00:20:29,110 --> 00:20:27,280
that's forming around humanity and our

602
00:20:30,470 --> 00:20:29,120
place in the world and in the universe

603
00:20:32,149 --> 00:20:30,480
at this moment

604
00:20:34,710 --> 00:20:32,159
even with what we're facing right now

605
00:20:37,029 --> 00:20:34,720
with this covet pandemic

606
00:20:39,110 --> 00:20:37,039
the increasing fracturing of of modern

607
00:20:40,070 --> 00:20:39,120
nations the economic and stability of

608
00:20:43,350 --> 00:20:40,080
this nation

609
00:20:45,830 --> 00:20:43,360
we are undergoing a a

610
00:20:48,230 --> 00:20:45,840
process older than time well not quite

611
00:20:51,110 --> 00:20:48,240
older than time about as old as time

612
00:20:52,070 --> 00:20:51,120
uh where races become more technological

613
00:20:54,149 --> 00:20:52,080

more secular

614

00:20:55,270 --> 00:20:54,159

they strip their worlds of their world's

615

00:20:56,710 --> 00:20:55,280

own resources

616

00:20:58,789 --> 00:20:56,720

and they become dependent on these

617

00:21:02,470 --> 00:20:58,799

powerful networks beyond them

618

00:21:04,470 --> 00:21:02,480

that then dictate life as they know it

619

00:21:06,070 --> 00:21:04,480

and they lose their freedom and they

620

00:21:09,350 --> 00:21:06,080

become absorbed into this

621

00:21:11,990 --> 00:21:09,360

network of competition

622

00:21:12,870 --> 00:21:12,000

and conflict whereas they had the

623

00:21:15,270 --> 00:21:12,880

potential

624

00:21:17,029 --> 00:21:15,280

to be a part of another network a

625

00:21:19,510 --> 00:21:17,039

network of

626
00:21:21,029 --> 00:21:19,520
a greater force for good that's moving

627
00:21:23,029 --> 00:21:21,039
reverse as well so

628
00:21:26,630 --> 00:21:23,039
we're we're making contact right now

629
00:21:29,909 --> 00:21:26,640
with the other 99.99999

630
00:21:30,789 --> 00:21:29,919
percent of life and there's there's

631
00:21:32,470 --> 00:21:30,799
risks

632
00:21:34,549 --> 00:21:32,480
in that we're facing intervention that's

633
00:21:36,549 --> 00:21:34,559
our first contact just like the natives

634
00:21:39,110 --> 00:21:36,559
did in the history of human

635
00:21:41,110 --> 00:21:39,120
uh human societies but we're also

636
00:21:43,110 --> 00:21:41,120
becoming a part of a larger arena

637
00:21:45,990 --> 00:21:43,120
where we can express what is good and

638
00:21:48,390 --> 00:21:46,000

maintain and preserve what is good

639

00:21:49,430 --> 00:21:48,400

and we live on this beautiful planet you

640

00:21:52,230 --> 00:21:49,440

know and what

641

00:21:54,070 --> 00:21:52,240

what a gem what what a what a precious

642

00:21:55,510 --> 00:21:54,080

thing we have as a human race that we

643

00:21:57,909 --> 00:21:55,520

could protect

644

00:21:59,029 --> 00:21:57,919

and make real a hundred years from now

645

00:22:00,870 --> 00:21:59,039

and you're right there

646

00:22:02,310 --> 00:22:00,880

there is a almost like a battle line

647

00:22:05,350 --> 00:22:02,320

being drawn on that

648

00:22:08,470 --> 00:22:05,360

front in in the world today

649

00:22:10,070 --> 00:22:08,480

yeah i mean so do you think do you think

650

00:22:13,110 --> 00:22:10,080

at some point

651

00:22:14,310 --> 00:22:13,120

uh if we if we if we don't kill it

652

00:22:17,510 --> 00:22:14,320

ourselves first

653

00:22:19,669 --> 00:22:17,520

and we do reach this this human 2.0

654

00:22:20,630 --> 00:22:19,679

do you think at some point in our

655

00:22:22,870 --> 00:22:20,640

history

656

00:22:23,990 --> 00:22:22,880

we're gonna have to raise our come and

657

00:22:26,149 --> 00:22:24,000

take it flag

658

00:22:27,750 --> 00:22:26,159

and uh tell those guys i'll be your

659

00:22:29,990 --> 00:22:27,760

huckleberry you know like

660

00:22:32,230 --> 00:22:30,000

are we gonna eventually have to i mean

661

00:22:35,110 --> 00:22:32,240

fight these guys off or is there

662

00:22:36,070 --> 00:22:35,120

a way to like peacefully resolve this

663

00:22:39,669 --> 00:22:36,080

issue

664

00:22:42,710 --> 00:22:39,679

or you know i mean what what can we

665

00:22:43,430 --> 00:22:42,720

do about it like well it's important to

666

00:22:46,149 --> 00:22:43,440

know what's

667

00:22:47,750 --> 00:22:46,159

what's happening now what they are doing

668

00:22:51,350 --> 00:22:47,760

that we would then repel

669

00:22:53,110 --> 00:22:51,360

or or uh resist the intervention is not

670

00:22:55,029 --> 00:22:53,120

a military force

671

00:22:56,470 --> 00:22:55,039

they're not a large force they're not

672

00:22:59,669 --> 00:22:56,480

everywhere

673

00:23:03,029 --> 00:22:59,679

um they they come a long distance

674

00:23:06,630 --> 00:23:03,039

with a few crew limited supplies

675

00:23:09,750 --> 00:23:06,640

and a very specific mission which is

676
00:23:11,270 --> 00:23:09,760
to genetically alter the human race to

677
00:23:13,350 --> 00:23:11,280
produce a leadership

678
00:23:15,350 --> 00:23:13,360
that is aligned to them that will govern

679
00:23:18,549 --> 00:23:15,360
this planet according to what they want

680
00:23:19,990 --> 00:23:18,559
into the deep future to secure the

681
00:23:23,270 --> 00:23:20,000
resources of this world

682
00:23:26,230 --> 00:23:23,280
for themselves and

683
00:23:27,590 --> 00:23:26,240
to generate broad human support for

684
00:23:29,190 --> 00:23:27,600
their presence here so that

685
00:23:31,590 --> 00:23:29,200
they are allowed to be here because

686
00:23:34,549 --> 00:23:31,600
again they they are not allowed

687
00:23:36,310 --> 00:23:34,559
to militarily conquer another world they

688
00:23:39,590 --> 00:23:36,320

have to be invited

689

00:23:42,630 --> 00:23:39,600

so they are a small force operating

690

00:23:45,110 --> 00:23:42,640

in very specific ways operating

691

00:23:46,870 --> 00:23:45,120

in corridors of power and influencing

692

00:23:49,909 --> 00:23:46,880

the thinking the broad thinking

693

00:23:51,350 --> 00:23:49,919

of billions of people that can all be

694

00:23:51,990 --> 00:23:51,360

down now that we know that how do we

695

00:23:55,669 --> 00:23:52,000

resist that

696

00:23:57,909 --> 00:23:55,679

how does that end right amazingly

697

00:24:00,230 --> 00:23:57,919

we don't need to take up arms against

698

00:24:03,029 --> 00:24:00,240

them physical arms

699

00:24:04,070 --> 00:24:03,039

we need to generate awareness we need to

700

00:24:05,750 --> 00:24:04,080

reach four percent

701
00:24:07,750 --> 00:24:05,760
of the world or five percent of the

702
00:24:09,430 --> 00:24:07,760
world a couple hundred million people

703
00:24:10,950 --> 00:24:09,440
with the basic awareness

704
00:24:13,269 --> 00:24:10,960
where that we're not alone in the

705
00:24:15,430 --> 00:24:13,279
universe that our world

706
00:24:17,110 --> 00:24:15,440
is probably a rare one and might be

707
00:24:19,669 --> 00:24:17,120
desired by others

708
00:24:21,590 --> 00:24:19,679
and that we are being visited and that

709
00:24:25,269 --> 00:24:21,600
the visitors are engaging in almost

710
00:24:27,750 --> 00:24:25,279
uni almost entirely negative

711
00:24:29,510 --> 00:24:27,760
behaviors that indicate a negative

712
00:24:31,830 --> 00:24:29,520
intent for us

713
00:24:33,669 --> 00:24:31,840

if that awareness could be could be

714

00:24:36,310 --> 00:24:33,679

given to millions of people

715

00:24:37,590 --> 00:24:36,320

that would be the beginning right yes

716

00:24:39,350 --> 00:24:37,600

there are other steps

717

00:24:42,070 --> 00:24:39,360

um that need to be taken into the deeper

718

00:24:44,549 --> 00:24:42,080

history or the deeper future rather but

719

00:24:46,630 --> 00:24:44,559

it's really awareness it's education and

720

00:24:49,350 --> 00:24:46,640

it's specific forms of action

721

00:24:49,830 --> 00:24:49,360

so i'm thinking i mean i maybe this is

722

00:24:52,789 --> 00:24:49,840

just

723

00:24:54,549 --> 00:24:52,799

uh my lizard brain no pun intended but

724

00:24:56,390 --> 00:24:54,559

my lizard brain talking but

725

00:24:57,750 --> 00:24:56,400

again back to joe's point like at some

726
00:24:59,510 --> 00:24:57,760
point i feel like to

727
00:25:00,789 --> 00:24:59,520
propel something you would have to be

728
00:25:03,430 --> 00:25:00,799
physical but what

729
00:25:05,510 --> 00:25:03,440
what i'm hearing from you is maybe

730
00:25:06,470 --> 00:25:05,520
there's a consciousness aspect of this

731
00:25:09,269 --> 00:25:06,480
where

732
00:25:10,230 --> 00:25:09,279
i i think justin had mentioned that in

733
00:25:13,110 --> 00:25:10,240
order for these

734
00:25:14,630 --> 00:25:13,120
uh you know these these forces to kind

735
00:25:17,510 --> 00:25:14,640
of claim our

736
00:25:18,149 --> 00:25:17,520
reality we have to accept them we have

737
00:25:21,350 --> 00:25:18,159
to

738
00:25:23,430 --> 00:25:21,360

take that forbidden fruit uh so i'm kind

739

00:25:24,710 --> 00:25:23,440

of getting this like whole vibe of we

740

00:25:26,390 --> 00:25:24,720

have to be conscious and you're saying

741

00:25:28,549 --> 00:25:26,400

like yeah we have to be aware

742

00:25:30,070 --> 00:25:28,559

which that is just elevates your comp uh

743

00:25:32,630 --> 00:25:30,080

consciousness and being just

744

00:25:33,830 --> 00:25:32,640

you know aware uh i'm just saying the

745

00:25:35,990 --> 00:25:33,840

word aware a bunch but

746

00:25:37,190 --> 00:25:36,000

uh i get what are your thoughts on on

747

00:25:40,310 --> 00:25:37,200

the the uh

748

00:25:43,590 --> 00:25:40,320

the relationship of consciousness versus

749

00:25:46,149 --> 00:25:43,600

physical is it have have these messages

750

00:25:48,070 --> 00:25:46,159

spoke anything to that that that aspect

751
00:25:51,029 --> 00:25:48,080
of of of consciousness

752
00:25:51,510 --> 00:25:51,039
oh hugely and and the new message the

753
00:25:58,310 --> 00:25:51,520
the

754
00:26:00,390 --> 00:25:58,320
on summers is entirely about that

755
00:26:02,310 --> 00:26:00,400
it is basically teaching that there is a

756
00:26:04,789 --> 00:26:02,320
deeper spiritual mind within us

757
00:26:05,990 --> 00:26:04,799
and that the closer we are to that the

758
00:26:08,310 --> 00:26:06,000
more connected the more

759
00:26:10,149 --> 00:26:08,320
it is able to influence our thinking and

760
00:26:12,870 --> 00:26:10,159
to guide us in life

761
00:26:14,470 --> 00:26:12,880
the more protected our minds will be

762
00:26:15,190 --> 00:26:14,480
from any form of manipulation or

763
00:26:17,590 --> 00:26:15,200

influence

764

00:26:19,909 --> 00:26:17,600

whether it's human or extraterrestrial

765

00:26:21,350 --> 00:26:19,919

and our minds will literally not be the

766

00:26:23,269 --> 00:26:21,360

soil in which the seeds of the

767

00:26:25,510 --> 00:26:23,279

intervention can grow

768

00:26:27,750 --> 00:26:25,520

and and they will move on they will

769

00:26:30,390 --> 00:26:27,760

because the minds of this world are not

770

00:26:32,310 --> 00:26:30,400

at that naive they are not willing to

771

00:26:34,390 --> 00:26:32,320

associate anyone who shows up

772

00:26:35,510 --> 00:26:34,400

at their door with a savior so

773

00:26:38,149 --> 00:26:35,520

automatically

774

00:26:39,190 --> 00:26:38,159

and and with the suspension of disbelief

775

00:26:42,390 --> 00:26:39,200

right

776

00:26:44,549 --> 00:26:42,400

um these the the mind

777

00:26:46,630 --> 00:26:44,559

is the soil in which the intervention is

778

00:26:50,070 --> 00:26:46,640

working and gardening and growing

779

00:26:51,190 --> 00:26:50,080

things right now so i was just thinking

780

00:26:53,750 --> 00:26:51,200

you know before we

781

00:26:54,870 --> 00:26:53,760

started our conversation together how

782

00:26:56,950 --> 00:26:54,880

one of the activities of the

783

00:26:59,269 --> 00:26:56,960

intervention is to associate

784

00:27:00,710 --> 00:26:59,279

the symbology of an extraterrestrial to

785

00:27:04,549 --> 00:27:00,720

face the craft

786

00:27:06,310 --> 00:27:04,559

with positive things with with salvation

787

00:27:08,630 --> 00:27:06,320

with spirituality with

788

00:27:09,830 --> 00:27:08,640

indigo children our precious little

789

00:27:11,669 --> 00:27:09,840

children right

790

00:27:13,590 --> 00:27:11,679

to associate to associate because they

791

00:27:16,070 --> 00:27:13,600

know the mind is associative it's

792

00:27:17,029 --> 00:27:16,080

when then you see that face you will

793

00:27:19,269 --> 00:27:17,039

think

794

00:27:20,070 --> 00:27:19,279

positive things you will associate the

795

00:27:21,590 --> 00:27:20,080

benefit

796

00:27:24,070 --> 00:27:21,600

that you would want for your own life

797

00:27:26,549 --> 00:27:24,080

right they don't want

798

00:27:27,510 --> 00:27:26,559

that face to be associated with the

799

00:27:34,149 --> 00:27:27,520

images of

800

00:27:36,310 --> 00:27:34,159

so they are very carefully stewarding

801
00:27:38,389 --> 00:27:36,320
the messaging in our world regarding

802
00:27:39,990 --> 00:27:38,399
them and all the while they are

803
00:27:42,710 --> 00:27:40,000
associating negative things

804
00:27:43,510 --> 00:27:42,720
conflict war pestilence corruption with

805
00:27:45,750 --> 00:27:43,520
us

806
00:27:47,190 --> 00:27:45,760
so now when you see a human politician

807
00:27:49,190 --> 00:27:47,200
you think corruption when you see an

808
00:27:52,549 --> 00:27:49,200
extraterrestrial face you think savior

809
00:27:53,590 --> 00:27:52,559
right and and so this is in essence

810
00:27:57,029 --> 00:27:53,600
mental warfare

811
00:27:59,750 --> 00:27:57,039
it's a more elevated form of combat and

812
00:28:01,269 --> 00:27:59,760
we are very weak mentally as a race

813
00:28:02,470 --> 00:28:01,279

we've only ever dealt with each other

814

00:28:04,070 --> 00:28:02,480

we've never had to deal with another

815

00:28:05,669 --> 00:28:04,080

form of intelligent life which would be

816

00:28:09,190 --> 00:28:05,679

extraordinarily demanding

817

00:28:11,510 --> 00:28:09,200

the allies talk about that and so

818

00:28:14,149 --> 00:28:11,520

we tend to think alike we tend to react

819

00:28:17,430 --> 00:28:14,159

alike and in very predictable ways

820

00:28:20,389 --> 00:28:17,440

and our our minds are like

821

00:28:20,789 --> 00:28:20,399

are like open soil for anything to grow

822

00:28:23,110 --> 00:28:20,799

and

823

00:28:24,149 --> 00:28:23,120

who who would believe weeds are growing

824

00:28:27,269 --> 00:28:24,159

in this soil

825

00:28:29,350 --> 00:28:27,279

so the the consciousness factor is key

826

00:28:31,269 --> 00:28:29,360

how connected are we to this spiritual

827

00:28:34,950 --> 00:28:31,279

mind of knowledge within us

828

00:28:39,110 --> 00:28:34,960

yeah how aware are we of our planetary

829

00:28:41,909 --> 00:28:39,120

existence and our human citizenship

830

00:28:43,669 --> 00:28:41,919

how identified are we with tribes

831

00:28:46,549 --> 00:28:43,679

nations groups versus

832

00:28:48,310 --> 00:28:46,559

being a part of a human family this is

833

00:28:49,669 --> 00:28:48,320

awareness you could say or level of

834

00:28:50,389 --> 00:28:49,679

consciousness it's what are you

835

00:28:54,070 --> 00:28:50,399

conscious

836

00:28:56,549 --> 00:28:54,080

of and how connected to reality is that

837

00:28:57,269 --> 00:28:56,559

so the more reality based we become and

838

00:28:59,510 --> 00:28:57,279

and

839

00:29:01,750 --> 00:28:59,520

the more broad a reality we are living

840

00:29:03,350 --> 00:29:01,760

within larger context you could say our

841

00:29:04,950 --> 00:29:03,360

consciousness is growing

842

00:29:07,350 --> 00:29:04,960

and when that happens the intervention

843

00:29:10,870 --> 00:29:07,360

cannot function here wow wow

844

00:29:12,870 --> 00:29:10,880

so i guess so with your your father

845

00:29:16,070 --> 00:29:12,880

receiving these messages

846

00:29:19,430 --> 00:29:16,080

and we're dealing with

847

00:29:22,149 --> 00:29:19,440

uh you know alien contact

848

00:29:24,549 --> 00:29:22,159

has i don't know if you can answer this

849

00:29:27,909 --> 00:29:24,559

but has anybody in your organization

850

00:29:28,870 --> 00:29:27,919

or you or your father has anybody been

851

00:29:31,990 --> 00:29:28,880

contacted

852

00:29:35,590 --> 00:29:32,000

by maybe some alphabet agency

853

00:29:37,269 --> 00:29:35,600

of sorts wanting to know information

854

00:29:39,430 --> 00:29:37,279

that you guys might have

855

00:29:41,029 --> 00:29:39,440

or or anything like that because it

856

00:29:43,190 --> 00:29:41,039

seems like in this field

857

00:29:44,230 --> 00:29:43,200

people who acquire certain types of

858

00:29:46,310 --> 00:29:44,240

information

859

00:29:48,149 --> 00:29:46,320

usually get a little visit from somebody

860

00:29:50,389 --> 00:29:48,159

a little visit yeah

861

00:29:51,430 --> 00:29:50,399

yeah yeah it's happened a few times yes

862

00:29:53,990 --> 00:29:51,440

ah

863

00:29:54,870 --> 00:29:54,000

and so co so kind of in my head what i'm

864

00:29:58,230 --> 00:29:54,880

thinking is

865

00:30:01,430 --> 00:29:58,240

you know for 70 plus years you know

866

00:30:03,990 --> 00:30:01,440

the the the powers that be

867

00:30:05,750 --> 00:30:04,000

have have kind of you know lied and

868

00:30:07,430 --> 00:30:05,760

shrugged this whole thing off and

869

00:30:08,870 --> 00:30:07,440

basically said you know aliens aren't

870

00:30:11,990 --> 00:30:08,880

real and this and that

871

00:30:14,230 --> 00:30:12,000

it kind of makes me wonder if maybe the

872

00:30:18,470 --> 00:30:14,240

people that have been lying all along

873

00:30:20,470 --> 00:30:18,480

actually maybe knew a little bit

874

00:30:22,470 --> 00:30:20,480

about what you're talking about and

875

00:30:25,430 --> 00:30:22,480

instead of coming out and saying

876

00:30:26,310 --> 00:30:25,440

aliens are real they just thought it was

877

00:30:28,470 --> 00:30:26,320

easier to

878

00:30:29,669 --> 00:30:28,480

chalk it off as as fake and make the

879

00:30:33,029 --> 00:30:29,679

public believe it's fake

880

00:30:35,590 --> 00:30:33,039

because if we are um if we do have to

881

00:30:36,230 --> 00:30:35,600

invite them in in order for them to come

882

00:30:38,789 --> 00:30:36,240

here

883

00:30:40,789 --> 00:30:38,799

you know it's it's easier to not invite

884

00:30:43,590 --> 00:30:40,799

them if people just think it's all fake

885

00:30:44,549 --> 00:30:43,600

you know right yeah right that's a

886

00:30:46,630 --> 00:30:44,559

really good point

887

00:30:47,830 --> 00:30:46,640

yeah i love that and i i kind of have a

888

00:30:49,909 --> 00:30:47,840

follow-up uh

889

00:30:51,269 --> 00:30:49,919

question read uh so i know our our

890

00:30:52,149 --> 00:30:51,279

listeners will probably have the same

891

00:30:54,310 --> 00:30:52,159

question but

892

00:30:55,830 --> 00:30:54,320

uh is i know we've gotten really far

893

00:30:58,549 --> 00:30:55,840

down the this uh

894

00:30:59,430 --> 00:30:58,559

uh journey but i kind of wanna if you

895

00:31:02,389 --> 00:30:59,440

will like just

896

00:31:04,070 --> 00:31:02,399

visualize how this uh you your father

897

00:31:05,909 --> 00:31:04,080

had these messages could you explain

898

00:31:07,190 --> 00:31:05,919

a little bit i'm just really curious in

899

00:31:10,549 --> 00:31:07,200

the details like

900

00:31:13,110 --> 00:31:10,559

was it a uh an experience was he uh

901
00:31:13,750 --> 00:31:13,120
was he visited physically by entities or

902
00:31:18,070 --> 00:31:13,760
was this

903
00:31:18,710 --> 00:31:18,080
uh in his mind kind of thing could you

904
00:31:20,950 --> 00:31:18,720
maybe

905
00:31:22,470 --> 00:31:20,960
uh explain a little bit about that yeah

906
00:31:24,549 --> 00:31:22,480
sure big time story there

907
00:31:25,990 --> 00:31:24,559
and i don't have time to tell it all but

908
00:31:27,029 --> 00:31:26,000
maybe yeah maybe just hopefully we'll

909
00:31:29,590 --> 00:31:27,039
write a book

910
00:31:31,590 --> 00:31:29,600
well worthy of a great book okay uh

911
00:31:32,630 --> 00:31:31,600
story of my father and how this all

912
00:31:35,830 --> 00:31:32,640
happened but

913
00:31:37,590 --> 00:31:35,840

i can give it in brief um basically he

914

00:31:39,190 --> 00:31:37,600

was

915

00:31:40,950 --> 00:31:39,200

working as a special educator for the

916

00:31:42,870 --> 00:31:40,960

blind and begin

917

00:31:44,870 --> 00:31:42,880

began to tune into this this voice

918

00:31:47,110 --> 00:31:44,880

experience in how to work with these

919

00:31:48,470 --> 00:31:47,120

you know severely challenged young

920

00:31:50,950 --> 00:31:48,480

individuals

921

00:31:51,830 --> 00:31:50,960

this voice experience wasn't just his

922

00:31:54,070 --> 00:31:51,840

higher self

923

00:31:55,430 --> 00:31:54,080

it wasn't just you know a deeper aspect

924

00:31:58,230 --> 00:31:55,440

of his own brain

925

00:32:00,950 --> 00:31:58,240

it became angelic it became it became

926

00:32:03,509 --> 00:32:00,960

some sort of communication from

927

00:32:04,950 --> 00:32:03,519

what he now feels is an angelic source

928

00:32:06,710 --> 00:32:04,960

that would begin to guide him and how to

929

00:32:10,070 --> 00:32:06,720

work with people

930

00:32:12,070 --> 00:32:10,080

that angelic source then directed him to

931

00:32:13,590 --> 00:32:12,080

leave his work suddenly

932

00:32:15,110 --> 00:32:13,600

it moved him here it moved him there it

933

00:32:16,870 --> 00:32:15,120

had him wander in the desert for nine

934

00:32:17,430 --> 00:32:16,880

months and after nine months it came to

935

00:32:23,509 --> 00:32:17,440

him

936

00:32:24,630 --> 00:32:23,519

and like earth-shattering encounter that

937

00:32:26,470 --> 00:32:24,640

he would be called

938

00:32:28,470 --> 00:32:26,480

to receive a series of messages for the

939

00:32:31,190 --> 00:32:28,480

world related to

940

00:32:32,310 --> 00:32:31,200

our world's emergence into what it calls

941

00:32:33,990 --> 00:32:32,320

the greater community

942

00:32:35,669 --> 00:32:34,000

the universe in which we live that's

943

00:32:37,269 --> 00:32:35,679

what that means

944

00:32:39,590 --> 00:32:37,279

that was the beginning of the new

945

00:32:41,590 --> 00:32:39,600

message that was in 1983

946

00:32:43,110 --> 00:32:41,600

and in the years since marshall has

947

00:32:46,310 --> 00:32:43,120

received

948

00:32:48,310 --> 00:32:46,320

somewhere close to six seven thousand

949

00:32:51,990 --> 00:32:48,320

pages of this communication

950

00:32:55,110 --> 00:32:52,000

wow which yes i know it is wow

951
00:32:57,590 --> 00:32:55,120
it is we're wow guys we say wow a lot

952
00:32:58,710 --> 00:32:57,600
but that is very that's that's i do too

953
00:33:00,630 --> 00:32:58,720
and i i read

954
00:33:01,990 --> 00:33:00,640
these texts frequently and and they're

955
00:33:03,029 --> 00:33:02,000
now being published into books we

956
00:33:05,750 --> 00:33:03,039
actually have a

957
00:33:06,310 --> 00:33:05,760
one of these one of these communications

958
00:33:07,909 --> 00:33:06,320
a book

959
00:33:10,149 --> 00:33:07,919
is being published this july called

960
00:33:13,029 --> 00:33:10,159
preparing for the greater community

961
00:33:13,590 --> 00:33:13,039
it was received over 20 years ago and it

962
00:33:16,950 --> 00:33:13,600
is an ent

963
00:33:19,029 --> 00:33:16,960

it is a you know an entire expose

964

00:33:20,950 --> 00:33:19,039

of the nature of life beyond our world

965

00:33:21,750 --> 00:33:20,960

how the human race needs to prepare for

966

00:33:25,029 --> 00:33:21,760

it

967

00:33:28,549 --> 00:33:25,039

um the inner preparation at the mental

968

00:33:30,789 --> 00:33:28,559

the psychological the spiritual level

969

00:33:32,230 --> 00:33:30,799

for the individual so it's just a huge

970

00:33:34,470 --> 00:33:32,240

message and

971

00:33:36,310 --> 00:33:34,480

it was halfway into this process of

972

00:33:37,590 --> 00:33:36,320

receiving this divine or angelic

973

00:33:40,630 --> 00:33:37,600

communication

974

00:33:42,230 --> 00:33:40,640

that marshall was told he would be

975

00:33:44,389 --> 00:33:42,240

receiving another communication from

976
00:33:45,430 --> 00:33:44,399
another source entirely

977
00:33:47,830 --> 00:33:45,440
and that this would be an

978
00:33:50,630 --> 00:33:47,840
extraterrestrial communication

979
00:33:52,389 --> 00:33:50,640
a communication by a group of

980
00:33:55,190 --> 00:33:52,399
individuals who were actually

981
00:33:56,950 --> 00:33:55,200
called to come to our world by the exact

982
00:33:58,789 --> 00:33:56,960
angelic presence that was

983
00:34:00,149 --> 00:33:58,799
delivering the new message from god

984
00:34:00,950 --> 00:34:00,159
which was which is what marshall was

985
00:34:04,310 --> 00:34:00,960
receiving

986
00:34:06,870 --> 00:34:04,320
why would that be well because

987
00:34:08,310 --> 00:34:06,880
the divine the angelic they work in our

988
00:34:11,109 --> 00:34:08,320

world they work in the universe

989

00:34:11,990 --> 00:34:11,119

they see a need on earth they saw a need

990

00:34:14,310 --> 00:34:12,000

for

991

00:34:15,909 --> 00:34:14,320

others in our local region who knew what

992

00:34:17,270 --> 00:34:15,919

we had been through

993

00:34:18,470 --> 00:34:17,280

i'm sorry who knew what we would be

994

00:34:19,750 --> 00:34:18,480

going through because they had been

995

00:34:21,829 --> 00:34:19,760

through it to come out

996

00:34:24,550 --> 00:34:21,839

and extend a hand to us and tell them

997

00:34:26,710 --> 00:34:24,560

what they tell us what they knew

998

00:34:28,310 --> 00:34:26,720

and that culminated in the allies of

999

00:34:30,909 --> 00:34:28,320

humanity briefings

1000

00:34:32,710 --> 00:34:30,919

which were which began to be received in

1001
00:34:37,510 --> 00:34:32,720
1997

1002
00:34:40,389 --> 00:34:37,520
and the way this all happened marshall

1003
00:34:41,669 --> 00:34:40,399
was in a sense in in all of these

1004
00:34:43,750 --> 00:34:41,679
revelation events

1005
00:34:45,430 --> 00:34:43,760
uh and there are hundreds of them all ta

1006
00:34:47,190 --> 00:34:45,440
all audio recorded by the way you can

1007
00:34:49,190 --> 00:34:47,200
listen to the original event

1008
00:34:50,869 --> 00:34:49,200
the original voice that spoke through

1009
00:34:52,750 --> 00:34:50,879
it's all up on the uh

1010
00:34:53,909 --> 00:34:52,760
the new message website at

1011
00:34:57,190 --> 00:34:53,919
newmessage.org

1012
00:35:00,630 --> 00:34:57,200
these audio recordings he would be

1013
00:35:03,829 --> 00:35:00,640

in essence overtaken by this

1014

00:35:04,470 --> 00:35:03,839

higher power wow and it would use his

1015

00:35:07,750 --> 00:35:04,480

voice

1016

00:35:10,069 --> 00:35:07,760

to speak this message and he had no idea

1017

00:35:11,750 --> 00:35:10,079

often what would be spoken it would be

1018

00:35:13,349 --> 00:35:11,760

in a voice not his own

1019

00:35:15,589 --> 00:35:13,359

this is you will hear these audio

1020

00:35:17,349 --> 00:35:15,599

recordings this is not my father's voice

1021

00:35:20,710 --> 00:35:17,359

this is another voice

1022

00:35:23,030 --> 00:35:20,720

and when this voice was over marshall

1023

00:35:23,750 --> 00:35:23,040

often would feel like he did a day's

1024

00:35:28,230 --> 00:35:23,760

work

1025

00:35:30,550 --> 00:35:28,240

minutes exhausted

1026
00:35:31,510 --> 00:35:30,560
so yeah and he would not he would not

1027
00:35:33,750 --> 00:35:31,520
know what they said

1028
00:35:35,430 --> 00:35:33,760
exactly it was only after listening to

1029
00:35:37,349 --> 00:35:35,440
it or reading the transcript that that

1030
00:35:39,589 --> 00:35:37,359
we would see what was spoken

1031
00:35:40,710 --> 00:35:39,599
and what was spoken is just crystal

1032
00:35:43,670 --> 00:35:40,720
clear

1033
00:35:44,710 --> 00:35:43,680
communication hundreds thousands of

1034
00:35:46,550 --> 00:35:44,720
pages of

1035
00:35:47,910 --> 00:35:46,560
of a message really prepare trying to

1036
00:35:50,550 --> 00:35:47,920
prepare our world

1037
00:35:51,910 --> 00:35:50,560
for this event of contact so at this

1038
00:35:54,470 --> 00:35:51,920

point i'm thinking like

1039

00:35:55,750 --> 00:35:54,480

wow that's uh amazing number one but

1040

00:35:58,390 --> 00:35:55,760

number two like

1041

00:35:58,950 --> 00:35:58,400

i'm thinking okay my cynical part is oh

1042

00:36:01,030 --> 00:35:58,960

oh

1043

00:36:02,870 --> 00:36:01,040

so are you guys just trying to like sell

1044

00:36:04,630 --> 00:36:02,880

this idea but you guys are just giving

1045

00:36:06,550 --> 00:36:04,640

all this stuff away like

1046

00:36:07,670 --> 00:36:06,560

you're not you're not trying to profit

1047

00:36:09,270 --> 00:36:07,680

off of this thing that's the most

1048

00:36:12,150 --> 00:36:09,280

beautiful part about it

1049

00:36:12,710 --> 00:36:12,160

i mean we make all the books all the

1050

00:36:15,670 --> 00:36:12,720

books

1051
00:36:17,670 --> 00:36:15,680
free online yeah and this this message

1052
00:36:19,430 --> 00:36:17,680
is being translated into over 30

1053
00:36:20,470 --> 00:36:19,440
languages and all of that goes free

1054
00:36:23,670 --> 00:36:20,480
online

1055
00:36:25,430 --> 00:36:23,680
once the translation is done and

1056
00:36:27,270 --> 00:36:25,440
yes we do have books for sale because

1057
00:36:29,270 --> 00:36:27,280
books cost money to make but

1058
00:36:30,390 --> 00:36:29,280
the text the core communication the

1059
00:36:32,310 --> 00:36:30,400
audio

1060
00:36:34,150 --> 00:36:32,320
that we have is free online right and

1061
00:36:38,150 --> 00:36:34,160
your your newest book the fourth one is

1062
00:36:39,990 --> 00:36:38,160
is 99 cents correct like that's

1063
00:36:41,750 --> 00:36:40,000

well it's a message for earth yeah

1064

00:36:43,190 --> 00:36:41,760

that's the allies of humanity and the

1065

00:36:45,990 --> 00:36:43,200

text is free online too

1066

00:36:46,470 --> 00:36:46,000

and in over a dozen languages so you're

1067

00:36:49,430 --> 00:36:46,480

right

1068

00:36:51,270 --> 00:36:49,440

i mean we're we're not you're not trying

1069

00:36:53,190 --> 00:36:51,280

to make money off of this this is

1070

00:36:54,950 --> 00:36:53,200

this is this i'm what i'm trying to say

1071

00:36:57,589 --> 00:36:54,960

is it seems very genuine

1072

00:36:59,670 --> 00:36:57,599

yeah you know marshall marshall was not

1073

00:37:02,870 --> 00:36:59,680

setting out to do any of this

1074

00:37:05,270 --> 00:37:02,880

this happened to him and he was

1075

00:37:06,230 --> 00:37:05,280

willing to be up to play a part and to

1076

00:37:07,589 --> 00:37:06,240

have this happen

1077

00:37:09,430 --> 00:37:07,599

in the center of his life in the center

1078

00:37:11,910 --> 00:37:09,440

of our family you know

1079

00:37:13,589 --> 00:37:11,920

we're not out there to make you know to

1080

00:37:17,030 --> 00:37:13,599

make dollars or to make a name

1081

00:37:19,829 --> 00:37:17,040

or to influence people we're we're

1082

00:37:21,829 --> 00:37:19,839

we are the recipients of this amazing

1083

00:37:22,630 --> 00:37:21,839

communication for planet earth and it is

1084

00:37:26,230 --> 00:37:22,640

our

1085

00:37:27,670 --> 00:37:26,240

people yeah

1086

00:37:29,990 --> 00:37:27,680

that's why i'm spending my evening with

1087

00:37:30,870 --> 00:37:30,000

you guys exactly yeah and to contribute

1088

00:37:34,310 --> 00:37:30,880

this and

1089

00:37:34,630 --> 00:37:34,320

resonates good if it doesn't that's okay

1090

00:37:37,829 --> 00:37:34,640

too

1091

00:37:39,829 --> 00:37:37,839

and uh it's a gift one of the one of the

1092

00:37:42,790 --> 00:37:39,839

things that kind of stuck out in my mind

1093

00:37:44,630 --> 00:37:42,800

uh is you know when you're talking about

1094

00:37:47,030 --> 00:37:44,640

your father and how he was kind of

1095

00:37:48,790 --> 00:37:47,040

pulled away from his regular life and

1096

00:37:51,030 --> 00:37:48,800

you know spent these nine months in the

1097

00:37:51,510 --> 00:37:51,040

desert you know a couple things come to

1098

00:37:54,630 --> 00:37:51,520

mind

1099

00:37:56,069 --> 00:37:54,640

you know like one people like like moses

1100

00:37:56,950 --> 00:37:56,079

you know you have all these biblical

1101
00:37:59,829 --> 00:37:56,960
characters

1102
00:38:00,950 --> 00:37:59,839
you know even even uh you know like like

1103
00:38:03,430 --> 00:38:00,960
muhammad or

1104
00:38:04,470 --> 00:38:03,440
or all these like certain figures

1105
00:38:07,670 --> 00:38:04,480
throughout history

1106
00:38:08,790 --> 00:38:07,680
who who who apparently have received

1107
00:38:12,230 --> 00:38:08,800
messages

1108
00:38:13,990 --> 00:38:12,240
um and they seem to come like you know a

1109
00:38:17,190 --> 00:38:14,000
few thousand years apart

1110
00:38:19,589 --> 00:38:17,200
from each other um every now and then

1111
00:38:20,470 --> 00:38:19,599
there's somebody who receives these

1112
00:38:23,510 --> 00:38:20,480
messages

1113
00:38:26,870 --> 00:38:23,520

from from god do you think maybe

1114

00:38:27,589 --> 00:38:26,880

your father is just maybe the next in

1115

00:38:29,670 --> 00:38:27,599

line

1116

00:38:31,430 --> 00:38:29,680

and you know these these characters they

1117

00:38:33,510 --> 00:38:31,440

all seem to have been

1118

00:38:35,270 --> 00:38:33,520

uh you know unsuspecting of what was

1119

00:38:35,670 --> 00:38:35,280

happening and they were very surprised

1120

00:38:37,349 --> 00:38:35,680

that

1121

00:38:39,190 --> 00:38:37,359

well i'm just started to receive these

1122

00:38:39,589 --> 00:38:39,200

messages i don't know anything about it

1123

00:38:42,150 --> 00:38:39,599

but

1124

00:38:43,750 --> 00:38:42,160

i you know it seems to be good maybe we

1125

00:38:45,430 --> 00:38:43,760

should write this down and tell the

1126

00:38:46,870 --> 00:38:45,440

people about it you know

1127

00:38:49,270 --> 00:38:46,880

you know is that kind of maybe something

1128

00:38:49,990 --> 00:38:49,280

that yes happens that is what has

1129

00:38:53,910 --> 00:38:50,000

happened

1130

00:38:54,870 --> 00:38:53,920

here that that kind of uh angelic or

1131

00:38:57,990 --> 00:38:54,880

divine event

1132

00:39:00,310 --> 00:38:58,000

that that individual chosen uh

1133

00:39:01,829 --> 00:39:00,320

having their life blown up yeah you know

1134

00:39:04,710 --> 00:39:01,839

having having this

1135

00:39:05,349 --> 00:39:04,720

huge thing happen through them that was

1136

00:39:07,990 --> 00:39:05,359

challenging

1137

00:39:09,190 --> 00:39:08,000

and threatening and you know not what

1138

00:39:11,030 --> 00:39:09,200

they had in mind

1139

00:39:12,870 --> 00:39:11,040

and that has that is exactly what has

1140

00:39:14,870 --> 00:39:12,880

happened to marshall v on summers

1141

00:39:16,310 --> 00:39:14,880

and as his son having been at the center

1142

00:39:19,589 --> 00:39:16,320

of my family for

1143

00:39:23,030 --> 00:39:19,599

my 35 years i have seen

1144

00:39:25,910 --> 00:39:23,040

this process it is amazing it is

1145

00:39:27,510 --> 00:39:25,920

one of these great stories and one of

1146

00:39:31,109 --> 00:39:27,520

these events that brings

1147

00:39:33,030 --> 00:39:31,119

a huge infusion of truth and spiritual

1148

00:39:36,310 --> 00:39:33,040

power into the world

1149

00:39:36,950 --> 00:39:36,320

all all around a huge evolutionary

1150

00:39:39,829 --> 00:39:36,960

threshold

1151
00:39:41,670 --> 00:39:39,839
you know something really necessary and

1152
00:39:43,670 --> 00:39:41,680
most people don't know about that yet

1153
00:39:45,270 --> 00:39:43,680
but they will in the in the years and

1154
00:39:46,390 --> 00:39:45,280
decades ahead they will know that our

1155
00:39:48,390 --> 00:39:46,400
world is being visited

1156
00:39:50,390 --> 00:39:48,400
right and that will change everything

1157
00:39:53,829 --> 00:39:50,400
that is the greatest event in history

1158
00:39:56,069 --> 00:39:53,839
and that god would speak again that a

1159
00:39:58,950 --> 00:39:56,079
messenger would be chosen to receive

1160
00:40:00,310 --> 00:39:58,960
that message it makes sense right you

1161
00:40:01,910 --> 00:40:00,320
know it's like yeah

1162
00:40:03,430 --> 00:40:01,920
it's like yeah we would need something

1163
00:40:07,270 --> 00:40:03,440

like that for something

1164

00:40:09,990 --> 00:40:07,280

as big as this so usually when

1165

00:40:10,630 --> 00:40:10,000

when people talk about aliens uh you

1166

00:40:12,630 --> 00:40:10,640

know there's

1167

00:40:14,390 --> 00:40:12,640

there's you know i i would say there's a

1168

00:40:17,990 --> 00:40:14,400

lot of nuts and bolts

1169

00:40:20,309 --> 00:40:18,000

kind of science people uh you know

1170

00:40:21,430 --> 00:40:20,319

then you got you get into the realm of

1171

00:40:23,430 --> 00:40:21,440

like well there's like these

1172

00:40:26,630 --> 00:40:23,440

spirituality aspects

1173

00:40:28,870 --> 00:40:26,640

of these et interventions uh but one

1174

00:40:32,150 --> 00:40:28,880

thing i i don't hear very often

1175

00:40:35,030 --> 00:40:32,160

uh is this connection between

1176
00:40:35,510 --> 00:40:35,040
god we're using the word god right and

1177
00:40:38,630 --> 00:40:35,520
and

1178
00:40:42,470 --> 00:40:38,640
the extraterrestrials right what is this

1179
00:40:46,030 --> 00:40:42,480
this god extraterrestrial connection

1180
00:40:48,470 --> 00:40:46,040
and so is god giving these

1181
00:40:50,550 --> 00:40:48,480
extraterrestrials the same message

1182
00:40:53,430 --> 00:40:50,560
and he's also giving your father these

1183
00:40:54,390 --> 00:40:53,440
messages and the allies are just kind of

1184
00:40:57,349 --> 00:40:54,400
there to

1185
00:40:59,670 --> 00:40:57,359
back it up and help the move the process

1186
00:41:02,790 --> 00:40:59,680
along

1187
00:41:04,870 --> 00:41:02,800
yeah it's it's i know it's uh it's a big

1188
00:41:06,470 --> 00:41:04,880

thing to consider that god and

1189

00:41:07,670 --> 00:41:06,480
extraterrestrial contact would be

1190

00:41:09,990 --> 00:41:07,680
connected

1191

00:41:11,589 --> 00:41:10,000
um but they are i mean the universe in

1192

00:41:14,630 --> 00:41:11,599
which we live

1193

00:41:17,589 --> 00:41:14,640
is what god created and believe me

1194

00:41:18,230 --> 00:41:17,599
humanity is not at the center and that i

1195

00:41:21,270 --> 00:41:18,240
know that's a

1196

00:41:26,309 --> 00:41:25,349
the new message from god is a revelation

1197

00:41:29,349 --> 00:41:26,319
about god

1198

00:41:31,349 --> 00:41:29,359
in this larger universe what god created

1199

00:41:32,470 --> 00:41:31,359
where we fit in it what is the plan for

1200

00:41:35,030 --> 00:41:32,480
humanity

1201
00:41:37,109 --> 00:41:35,040
who am i who am i the individual alive

1202
00:41:40,630 --> 00:41:37,119
as a human being today all of that

1203
00:41:41,750 --> 00:41:40,640
is is very extensively addressed in the

1204
00:41:43,829 --> 00:41:41,760
new message

1205
00:41:45,270 --> 00:41:43,839
and it makes sense because as you come

1206
00:41:48,309 --> 00:41:45,280
into contact

1207
00:41:50,230 --> 00:41:48,319
with the environment that is

1208
00:41:52,069 --> 00:41:50,240
billions of times bigger than you ever

1209
00:41:53,270 --> 00:41:52,079
thought it was around you this

1210
00:41:56,630 --> 00:41:53,280
environment we live in

1211
00:42:00,829 --> 00:41:56,640
it's going to totally change our notions

1212
00:42:03,190 --> 00:42:00,839
of origin destiny

1213
00:42:04,069 --> 00:42:03,200

redemption you know spiritual

1214

00:42:07,430 --> 00:42:04,079

spirituality

1215

00:42:08,470 --> 00:42:07,440

soul everything so you know here we're

1216

00:42:11,030 --> 00:42:08,480

experiencing this

1217

00:42:12,309 --> 00:42:11,040

this prosaic event contact with other

1218

00:42:14,710 --> 00:42:12,319

physical forms of life

1219

00:42:16,150 --> 00:42:14,720

in the universe and we're receiving a

1220

00:42:18,069 --> 00:42:16,160

communication from god

1221

00:42:19,910 --> 00:42:18,079

because we are spiritual beings

1222

00:42:22,390 --> 00:42:19,920

undergoing contact

1223

00:42:23,829 --> 00:42:22,400

and in truth what is the universe well

1224

00:42:26,870 --> 00:42:23,839

the universe

1225

00:42:29,270 --> 00:42:26,880

is what god created to allow those

1226

00:42:30,309 --> 00:42:29,280

who wanted to be apart from god to

1227

00:42:33,670 --> 00:42:30,319

experience

1228

00:42:35,349 --> 00:42:33,680

you know free will yeah to create

1229

00:42:36,790 --> 00:42:35,359

that's what the universe is that's what

1230

00:42:39,910 --> 00:42:36,800

the new message says

1231

00:42:42,309 --> 00:42:39,920

uh about it and and so as we as we

1232

00:42:43,990 --> 00:42:42,319

undergo contact we're also

1233

00:42:46,470 --> 00:42:44,000

opening up the next chapter in our

1234

00:42:49,190 --> 00:42:46,480

spiritual evolution

1235

00:42:49,589 --> 00:42:49,200

it's it's it's extremely tied in yeah

1236

00:42:51,750 --> 00:42:49,599

and

1237

00:42:52,630 --> 00:42:51,760

our expression as individuals are you

1238

00:42:54,710 --> 00:42:52,640

know who we are

1239

00:42:57,270 --> 00:42:54,720

what we carry the gift we have to offer

1240

00:42:59,349 --> 00:42:57,280

the world the service we have to offer

1241

00:43:00,470 --> 00:42:59,359

for many people it's connected to this

1242

00:43:03,829 --> 00:43:00,480

event

1243

00:43:06,230 --> 00:43:03,839

they will find its expression

1244

00:43:08,470 --> 00:43:06,240

and then that will fulfill them their

1245

00:43:10,710 --> 00:43:08,480

their their presence and manifest life

1246

00:43:12,069 --> 00:43:10,720

right so we're dealing with a physical

1247

00:43:13,990 --> 00:43:12,079

event in contact but

1248

00:43:15,430 --> 00:43:14,000

but it represents the next step

1249

00:43:17,589 --> 00:43:15,440

spiritually for us as well

1250

00:43:18,630 --> 00:43:17,599

it's very important for that reason

1251

00:43:20,950 --> 00:43:18,640

that's great i

1252

00:43:23,030 --> 00:43:20,960

i can't help but but to say this i just

1253

00:43:25,270 --> 00:43:23,040

as you're speaking reid i just had this

1254

00:43:26,870 --> 00:43:25,280

idea like it's kind of a cool idea i'm

1255

00:43:28,630 --> 00:43:26,880

not a very religious person but i do

1256

00:43:30,390 --> 00:43:28,640

believe that there is a god

1257

00:43:31,750 --> 00:43:30,400

and i'm just thinking like man we we

1258

00:43:34,950 --> 00:43:31,760

have i feel like we

1259

00:43:37,990 --> 00:43:34,960

as humanity have this really microscopic

1260

00:43:39,030 --> 00:43:38,000

view of god right like we have the guy

1261

00:43:41,510 --> 00:43:39,040

in the bible right

1262

00:43:43,030 --> 00:43:41,520

uh and he's everywhere and just you know

1263

00:43:44,790 --> 00:43:43,040

he's out he's

1264

00:43:46,390 --> 00:43:44,800

he he's looking out for us or he's

1265

00:43:48,470 --> 00:43:46,400

making things happen and everything has

1266

00:43:50,950 --> 00:43:48,480

a plan but i feel like that's just

1267

00:43:51,910 --> 00:43:50,960

our human little little shell that we've

1268

00:43:54,150 --> 00:43:51,920

made around this

1269

00:43:55,990 --> 00:43:54,160

this thing that's an actual real thing

1270

00:43:58,150 --> 00:43:56,000

and i feel like maybe

1271

00:43:59,510 --> 00:43:58,160

when we go through this process of of

1272

00:44:02,550 --> 00:43:59,520

opening our minds and

1273

00:44:05,030 --> 00:44:02,560

transcending into this human 2.0 as

1274

00:44:07,109 --> 00:44:05,040

we've said a lot in this podcast

1275

00:44:09,270 --> 00:44:07,119

maybe we'll have an a greater

1276

00:44:12,069 --> 00:44:09,280

understanding of the breadth or the

1277

00:44:12,470 --> 00:44:12,079

reach of the understanding of what or

1278

00:44:14,870 --> 00:44:12,480

who

1279

00:44:15,670 --> 00:44:14,880

god is right like we personify things

1280

00:44:17,910 --> 00:44:15,680

but

1281

00:44:19,910 --> 00:44:17,920

absolutely maybe it is just a what yeah

1282

00:44:20,550 --> 00:44:19,920

because i feel like one of the biggest

1283

00:44:23,109 --> 00:44:20,560

things

1284

00:44:25,030 --> 00:44:23,119

is you know a lot of people are becoming

1285

00:44:27,990 --> 00:44:25,040

less and less religious

1286

00:44:30,630 --> 00:44:28,000

um and i i think it's because the

1287

00:44:33,910 --> 00:44:30,640

religions that we have on earth

1288

00:44:34,710 --> 00:44:33,920

have stopped have you know stopped

1289

00:44:38,069 --> 00:44:34,720

growing

1290

00:44:41,670 --> 00:44:38,079

you know they are stuck in the past and

1291

00:44:44,630 --> 00:44:41,680

as we evolve and seek understanding

1292

00:44:45,990 --> 00:44:44,640

there's just certain things that it

1293

00:44:47,990 --> 00:44:46,000

can't explain

1294

00:44:49,349 --> 00:44:48,000

um and one very interesting thing that

1295

00:44:51,510 --> 00:44:49,359

i've heard you say on

1296

00:44:54,069 --> 00:44:51,520

on other shows is you know this isn't

1297

00:44:56,230 --> 00:44:54,079

like uh

1298

00:44:58,470 --> 00:44:56,240

this is this is for uh you know this is

1299

00:44:59,670 --> 00:44:58,480

for christians this is for muslims this

1300

00:45:01,750 --> 00:44:59,680

is for atheists

1301

00:45:05,109 --> 00:45:01,760

this is for everybody it's it's not like

1302

00:45:08,870 --> 00:45:05,119

a religion of sorts it's it's a message

1303

00:45:09,190 --> 00:45:08,880

for humanity exactly this this it is it

1304

00:45:13,829 --> 00:45:09,200

is

1305

00:45:16,550 --> 00:45:13,839

have a religion those who don't

1306

00:45:16,950 --> 00:45:16,560

it's for people in every situation in

1307

00:45:21,589 --> 00:45:16,960

life

1308

00:45:24,230 --> 00:45:21,599

culture religion everything i mean

1309

00:45:25,589 --> 00:45:24,240

this is how when god wants to reach the

1310

00:45:26,870 --> 00:45:25,599

world it doesn't happen through a

1311

00:45:30,069 --> 00:45:26,880

religion only

1312

00:45:30,710 --> 00:45:30,079

right it happens through a message that

1313

00:45:33,109 --> 00:45:30,720

comes

1314

00:45:33,990 --> 00:45:33,119

through revelation through a messenger

1315

00:45:38,069 --> 00:45:34,000

and also

1316

00:45:40,150 --> 00:45:38,079

a message that arises within us

1317

00:45:41,349 --> 00:45:40,160

i mean god god touches us directly i

1318

00:45:42,470 --> 00:45:41,359

mean it doesn't come through an

1319

00:45:45,349 --> 00:45:42,480

intermediary

1320

00:45:46,069 --> 00:45:45,359

you know but occasionally god must speak

1321

00:45:48,309 --> 00:45:46,079

a specific

1322

00:45:49,670 --> 00:45:48,319

message to all people uh and not

1323

00:45:51,030 --> 00:45:49,680

everyone you know seven billion

1324

00:45:53,510 --> 00:45:51,040

different messages

1325

00:45:55,430 --> 00:45:53,520

that are more personal in nature but you

1326

00:45:57,190 --> 00:45:55,440

know this thing about

1327

00:45:58,790 --> 00:45:57,200

about religion and people becoming less

1328

00:46:01,589 --> 00:45:58,800

religious i know and and

1329

00:46:02,790 --> 00:46:01,599

and it makes sense our modern world is

1330

00:46:05,349 --> 00:46:02,800

growing

1331

00:46:07,030 --> 00:46:05,359

and eclipsing the very revelations

1332

00:46:08,390 --> 00:46:07,040

ancient revelations that were given to

1333

00:46:09,910 --> 00:46:08,400

reveal

1334

00:46:12,710 --> 00:46:09,920

you know that that world in which we

1335

00:46:15,990 --> 00:46:12,720

lived something new is needed

1336

00:46:17,829 --> 00:46:16,000

something that doesn't box god in to

1337

00:46:19,030 --> 00:46:17,839

some sort of human projection you know

1338

00:46:22,230 --> 00:46:19,040

of a father

1339

00:46:24,230 --> 00:46:22,240

of a judgmental lord and also doesn't

1340

00:46:28,069 --> 00:46:24,240

make that exclusive to one

1341

00:46:30,790 --> 00:46:28,079

culture one group of people um

1342

00:46:31,589 --> 00:46:30,800

i i i feel many people in the world are

1343

00:46:33,670 --> 00:46:31,599

ready

1344

00:46:35,589 --> 00:46:33,680

for a new message from god that that

1345

00:46:38,309 --> 00:46:35,599

presents a god

1346

00:46:39,829 --> 00:46:38,319

of the universe in which we live

1347

00:46:42,950 --> 00:46:39,839

something more universal

1348

00:46:45,030 --> 00:46:42,960

something more experiential and one of

1349

00:46:48,230 --> 00:46:45,040

the books in the new message

1350

00:46:50,309 --> 00:46:48,240

is called the one god and it presents a

1351

00:46:53,510 --> 00:46:50,319

number of revelations on this topic

1352

00:46:53,910 --> 00:46:53,520

and um and it really it really clarifies

1353

00:46:57,349 --> 00:46:53,920

that

1354

00:47:01,030 --> 00:46:57,359

god is not an individual

1355

00:47:02,870 --> 00:47:01,040

a person a personage a a judgmental

1356

00:47:05,109 --> 00:47:02,880

individual like we would maybe picture

1357

00:47:05,430 --> 00:47:05,119

that that is old that is the god we have

1358

00:47:08,390 --> 00:47:05,440

made

1359

00:47:08,710 --> 00:47:08,400

like personification of things right and

1360

00:47:12,950 --> 00:47:08,720

and

1361

00:47:15,030 --> 00:47:12,960

abused what god has given

1362

00:47:17,349 --> 00:47:15,040

and even the real the authentic stuff

1363

00:47:19,510 --> 00:47:17,359

and we have made god in our image

1364

00:47:21,349 --> 00:47:19,520

we have used god to control others

1365

00:47:23,910 --> 00:47:21,359

people are massively turned off

1366

00:47:25,270 --> 00:47:23,920

from those expressions absolutely um and

1367

00:47:27,190 --> 00:47:25,280

i understand

1368

00:47:28,390 --> 00:47:27,200

and they're also cueing into the fact

1369

00:47:31,589 --> 00:47:28,400

that they're an individual

1370

00:47:33,670 --> 00:47:31,599

they're not just a member of a group um

1371

00:47:34,790 --> 00:47:33,680

you know an automaton you know shaped

1372

00:47:37,430 --> 00:47:34,800

and conditioned

1373

00:47:37,990 --> 00:47:37,440

by by someone else and then they're

1374

00:47:41,030 --> 00:47:38,000

they're seeking

1375

00:47:43,270 --> 00:47:41,040

to understand themselves who am i

1376

00:47:44,870 --> 00:47:43,280

what do i need to do with my life it's a

1377

00:47:47,589 --> 00:47:44,880

unique journey

1378

00:47:49,829 --> 00:47:47,599

and and people don't feel that religion

1379

00:47:52,870 --> 00:47:49,839

contains that journey for them

1380

00:47:54,230 --> 00:47:52,880

i understand um that's why there's a new

1381

00:47:56,230 --> 00:47:54,240

message from god in the world

1382

00:47:58,309 --> 00:47:56,240

yeah because the message is all about

1383

00:48:00,470 --> 00:47:58,319

that journey it is about

1384

00:48:02,150 --> 00:48:00,480

coming home to yourself who you really

1385

00:48:03,750 --> 00:48:02,160

are where you came from

1386

00:48:05,349 --> 00:48:03,760

what you're here to do in the world who

1387

00:48:08,230 --> 00:48:05,359

you're here to meet

1388

00:48:10,150 --> 00:48:08,240

so it's it's it's it's it's like uh wow

1389

00:48:13,190 --> 00:48:10,160

talk about a 2.0

1390

00:48:13,670 --> 00:48:13,200

yeah yeah absolutely 2.0 religion 2.0

1391

00:48:18,790 --> 00:48:13,680

yeah

1392

00:48:20,549 --> 00:48:18,800

you know and for me i mean it's kind of

1393

00:48:20,950 --> 00:48:20,559

it it really does kind of hit home

1394

00:48:24,309 --> 00:48:20,960

because i

1395

00:48:25,109 --> 00:48:24,319

i grew up in a in a extremely catholic

1396

00:48:28,309 --> 00:48:25,119

family

1397

00:48:30,549 --> 00:48:28,319

uh you know nowadays i'm i'm not a

1398

00:48:34,309 --> 00:48:30,559

practicing catholic you know i mean

1399

00:48:36,309 --> 00:48:34,319

you know the the to me

1400

00:48:37,430 --> 00:48:36,319

you know this this church and the

1401

00:48:40,549 --> 00:48:37,440

rituals and

1402

00:48:42,390 --> 00:48:40,559

all this stuff that we do like for god

1403

00:48:44,230 --> 00:48:42,400

and this and that you know

1404

00:48:46,309 --> 00:48:44,240

uh my parents would always say you know

1405

00:48:48,390 --> 00:48:46,319

you need to go to church you know you

1406

00:48:51,750 --> 00:48:48,400

got to do this you got to do that well

1407

00:48:52,630 --> 00:48:51,760

you know to me i could walk down the

1408

00:48:56,069 --> 00:48:52,640

street or

1409

00:48:59,589 --> 00:48:56,079

er in the woods or just wherever and i'm

1410

00:49:01,670 --> 00:48:59,599

i feel like i'm closer to this god or

1411

00:49:02,710 --> 00:49:01,680

source or whatever you want to call it i

1412

00:49:04,950 --> 00:49:02,720

i feel like we

1413

00:49:05,990 --> 00:49:04,960

we use the term god for just lack of a

1414

00:49:08,309 --> 00:49:06,000

better word or

1415

00:49:09,910 --> 00:49:08,319

source on what it is you know source i

1416

00:49:11,990 --> 00:49:09,920

feel closer to that

1417

00:49:13,349 --> 00:49:12,000

you know outside of that building than

1418

00:49:15,829 --> 00:49:13,359

than i ever would

1419

00:49:17,910 --> 00:49:15,839

inside of that building uh and it just

1420

00:49:20,150 --> 00:49:17,920

it doesn't uh it just doesn't

1421

00:49:21,910 --> 00:49:20,160

resonate with me uh there was another

1422

00:49:22,710 --> 00:49:21,920

really interesting thing that you had

1423

00:49:24,790 --> 00:49:22,720

said that

1424

00:49:25,990 --> 00:49:24,800

uh you know it's strange because

1425

00:49:27,910 --> 00:49:26,000

everything that that

1426

00:49:29,589 --> 00:49:27,920

i've looked through the site you know i

1427

00:49:30,390 --> 00:49:29,599

have some of the literature from you

1428

00:49:33,109 --> 00:49:30,400

guys

1429

00:49:35,190 --> 00:49:33,119

um it and it it really does kind of like

1430

00:49:38,309 --> 00:49:35,200

it it piqued my interest

1431

00:49:38,950 --> 00:49:38,319

um for sure because you're right it

1432

00:49:42,069 --> 00:49:38,960

doesn't

1433

00:49:45,190 --> 00:49:42,079

box this this god in

1434

00:49:47,589 --> 00:49:45,200

the way that you know our current

1435

00:49:50,630 --> 00:49:47,599

religions and current models

1436

00:49:53,990 --> 00:49:50,640

do it it really kind of opens it up

1437

00:49:55,109 --> 00:49:54,000

uh to being this thing that you know you

1438

00:49:58,630 --> 00:49:55,119

you really

1439

00:49:59,589 --> 00:49:58,640

uh it's bigger than you could ever even

1440

00:50:01,430 --> 00:49:59,599

understand

1441

00:50:04,390 --> 00:50:01,440

you know and you had said in one of your

1442

00:50:07,510 --> 00:50:04,400

videos you had read on this sign

1443

00:50:08,390 --> 00:50:07,520

uh something about jesus the only way to

1444

00:50:10,790 --> 00:50:08,400

god

1445

00:50:12,150 --> 00:50:10,800

right and and you had an issue with that

1446

00:50:14,390 --> 00:50:12,160

and i've always had an

1447

00:50:16,549 --> 00:50:14,400

issue with that i've never felt that i

1448

00:50:17,589 --> 00:50:16,559

had to go through somebody else to be

1449

00:50:19,990 --> 00:50:17,599

close to god

1450

00:50:21,109 --> 00:50:20,000

like if i wanted to talk to god i could

1451

00:50:23,510 --> 00:50:21,119

do it right here

1452

00:50:25,109 --> 00:50:23,520

right now and i don't need you know

1453

00:50:29,670 --> 00:50:25,119

anybody else

1454

00:50:32,549 --> 00:50:29,680

yeah absolutely god is an experience

1455

00:50:33,430 --> 00:50:32,559

you know it's it's it's you and where

1456

00:50:36,150 --> 00:50:33,440

you came from

1457

00:50:37,829 --> 00:50:36,160

it's you and who is with you the unseen

1458

00:50:40,069 --> 00:50:37,839

who is with you

1459

00:50:40,950 --> 00:50:40,079

i i think we need to come back to that

1460

00:50:42,710 --> 00:50:40,960

experience

1461

00:50:44,870 --> 00:50:42,720

i think that's where our power is that's

1462

00:50:45,670 --> 00:50:44,880

where our compassion stems from that's

1463

00:50:48,309 --> 00:50:45,680

where our

1464

00:50:50,150 --> 00:50:48,319

our deeper resources to to live a

1465

00:50:51,750 --> 00:50:50,160

fruitful and purposeful life

1466

00:50:53,670 --> 00:50:51,760

and to serve this world that's going to

1467

00:50:54,549 --> 00:50:53,680

be going through huge challenges in the

1468

00:50:56,470 --> 00:50:54,559

years ahead

1469

00:50:59,510 --> 00:50:56,480

where does that come from is that just

1470

00:51:02,230 --> 00:50:59,520

strong will is that determination is it

1471

00:51:03,349 --> 00:51:02,240

ambition i don't think so i think it's

1472

00:51:06,150 --> 00:51:03,359

an experience

1473

00:51:06,870 --> 00:51:06,160

of a greater life that we are a part of

1474

00:51:08,710 --> 00:51:06,880

and

1475

00:51:10,069 --> 00:51:08,720

you can call that god you can call that

1476

00:51:13,430 --> 00:51:10,079

source that's fine

1477

00:51:15,990 --> 00:51:13,440

um but the new message from god

1478

00:51:16,710 --> 00:51:16,000

is a message from that source that

1479

00:51:20,710 --> 00:51:16,720

presence

1480

00:51:22,309 --> 00:51:20,720

that abiding mind that that underlies

1481

00:51:23,990 --> 00:51:22,319

all life in the universe right and

1482

00:51:27,510 --> 00:51:24,000

supports its

1483

00:51:29,829 --> 00:51:27,520

re reuniting together its return

1484

00:51:31,589 --> 00:51:29,839

back to a unified state and i mean

1485

00:51:33,589 --> 00:51:31,599

that's what the new message

1486

00:51:35,109 --> 00:51:33,599

says it is here to do and where it comes

1487

00:51:37,829 --> 00:51:35,119

from yeah so

1488

00:51:38,470 --> 00:51:37,839

uh so kind of changing gears a little

1489

00:51:41,270 --> 00:51:38,480

bit reid

1490

00:51:42,230 --> 00:51:41,280

uh maybe bringing it into the present a

1491

00:51:45,270 --> 00:51:42,240

little bit with

1492

00:51:46,630 --> 00:51:45,280

some news uh you know the pentagon has

1493

00:51:48,230 --> 00:51:46,640

i don't know if this is way out of left

1494

00:51:48,950 --> 00:51:48,240

field but i kind of just want to see

1495

00:51:51,750 --> 00:51:48,960

where

1496

00:51:54,069 --> 00:51:51,760

uh your thoughts are uh we know we we

1497

00:51:56,230 --> 00:51:54,079

talk about these forces you know like

1498

00:51:57,829 --> 00:51:56,240

let's just say for lack of a better term

1499

00:52:01,109 --> 00:51:57,839

good and evil that are

1500

00:52:03,030 --> 00:52:01,119

i guess surrounding us and you know we

1501
00:52:04,630 --> 00:52:03,040
we're talking about allies of humanity

1502
00:52:08,309 --> 00:52:04,640
but what what do you think

1503
00:52:09,270 --> 00:52:08,319
uh these forces of of this this message

1504
00:52:11,349 --> 00:52:09,280
of

1505
00:52:12,309 --> 00:52:11,359
okay these aliens are not aliens i'm

1506
00:52:13,829 --> 00:52:12,319
sorry i

1507
00:52:16,069 --> 00:52:13,839
i'll back up for a second but the

1508
00:52:18,549 --> 00:52:16,079
pentagon has said these videos

1509
00:52:19,349 --> 00:52:18,559
yeah we don't know what they are and

1510
00:52:21,589 --> 00:52:19,359
they're they're

1511
00:52:22,870 --> 00:52:21,599
they're they don't come out and say it's

1512
00:52:25,510 --> 00:52:22,880
a threat i think that was

1513
00:52:26,309 --> 00:52:25,520

um that was to the stars academy that

1514

00:52:28,630 --> 00:52:26,319

kind of

1515

00:52:30,150 --> 00:52:28,640

painted a picture of hey if we don't

1516

00:52:31,190 --> 00:52:30,160

know what they are they're a threat to

1517

00:52:33,750 --> 00:52:31,200

us right

1518

00:52:35,430 --> 00:52:33,760

um do you have anything to say on that

1519

00:52:36,549 --> 00:52:35,440

do you think that's that's some kind of

1520

00:52:39,270 --> 00:52:36,559

uh

1521

00:52:39,829 --> 00:52:39,280

leaning towards some kind of agenda or

1522

00:52:41,829 --> 00:52:39,839

is that

1523

00:52:43,589 --> 00:52:41,839

does that fit into anything that you

1524

00:52:44,470 --> 00:52:43,599

have received or your father has

1525

00:52:48,150 --> 00:52:44,480

received

1526
00:52:48,710 --> 00:52:48,160
uh or or projected yeah you know i've

1527
00:52:50,150 --> 00:52:48,720
i've

1528
00:52:52,390 --> 00:52:50,160
looked into this quite a bit over the

1529
00:52:54,710 --> 00:52:52,400
last year or two since that new york

1530
00:52:56,790 --> 00:52:54,720
times article first broke that story

1531
00:52:57,750 --> 00:52:56,800
and i can't quite put my finger on

1532
00:53:01,190 --> 00:52:57,760
whether this is

1533
00:53:03,349 --> 00:53:01,200
uh the the intentional progressive

1534
00:53:05,750 --> 00:53:03,359
revealing of what's happening in order

1535
00:53:07,910 --> 00:53:05,760
to acclimate people to it

1536
00:53:09,109 --> 00:53:07,920
uh if it's totally random hey these

1537
00:53:12,150 --> 00:53:09,119
videos just leaked and

1538
00:53:12,790 --> 00:53:12,160

you know sorry and here here's here's

1539

00:53:15,829 --> 00:53:12,800

something

1540

00:53:17,109 --> 00:53:15,839

oops or or if there are factions in the

1541

00:53:20,150 --> 00:53:17,119

government this government

1542

00:53:23,109 --> 00:53:20,160

other governments that know that we're

1543

00:53:24,549 --> 00:53:23,119

experiencing intervention hybridization

1544

00:53:26,470 --> 00:53:24,559

that these forces are integrating

1545

00:53:28,069 --> 00:53:26,480

themselves into our societies and they

1546

00:53:31,349 --> 00:53:28,079

don't know what to do and they they

1547

00:53:34,390 --> 00:53:31,359

they want to slowly inform people

1548

00:53:37,349 --> 00:53:34,400

wake them up to this um you know the

1549

00:53:39,349 --> 00:53:37,359

the the huge endless river really of

1550

00:53:42,069 --> 00:53:39,359

documentaries you see on tv

1551
00:53:43,670 --> 00:53:42,079
and on the history channel and um

1552
00:53:44,390 --> 00:53:43,680
hollywood films that keep kind of

1553
00:53:48,069 --> 00:53:44,400
churning out

1554
00:53:50,230 --> 00:53:48,079
on this arrival topic yeah contact topic

1555
00:53:52,630 --> 00:53:50,240
what is the intention here is it pure

1556
00:53:54,470 --> 00:53:52,640
fiction is it just a good story is it

1557
00:53:56,390 --> 00:53:54,480
people they think people are just always

1558
00:53:59,430 --> 00:53:56,400
curious right about the unknown

1559
00:54:00,309 --> 00:53:59,440
or is there an intention to uh to

1560
00:54:07,349 --> 00:54:00,319
quietly

1561
00:54:08,309 --> 00:54:07,359
and i think both have happened um we've

1562
00:54:10,309 --> 00:54:08,319
been told that

1563
00:54:12,790 --> 00:54:10,319

the western governments specifically in

1564

00:54:14,710 --> 00:54:12,800

the us have been more resistant to the

1565

00:54:17,030 --> 00:54:14,720

intervention

1566

00:54:18,470 --> 00:54:17,040

and actually have tried to thwart it and

1567

00:54:21,510 --> 00:54:18,480

that the intervention

1568

00:54:23,190 --> 00:54:21,520

is probably seeking safe ports of call

1569

00:54:25,109 --> 00:54:23,200

in other parts of the world

1570

00:54:26,230 --> 00:54:25,119

and is that part of the conflict we see

1571

00:54:30,390 --> 00:54:26,240

in the world today

1572

00:54:33,750 --> 00:54:30,400

possibly the intervention will seek

1573

00:54:36,309 --> 00:54:33,760

any little crack or crevice in the wall

1574

00:54:37,349 --> 00:54:36,319

of this world to penetrate and slowly

1575

00:54:39,670 --> 00:54:37,359

weaken

1576

00:54:41,910 --> 00:54:39,680

so that they can get in whether that's

1577

00:54:43,349 --> 00:54:41,920

existing conflicts between two major

1578

00:54:45,030 --> 00:54:43,359

nations in the world whether that's

1579

00:54:45,910 --> 00:54:45,040

distrust of human authority whether

1580

00:54:49,030 --> 00:54:45,920

that's

1581

00:54:51,030 --> 00:54:49,040

you know theories about um human

1582

00:54:52,950 --> 00:54:51,040

corruption and malfeasance

1583

00:54:55,349 --> 00:54:52,960

whatever it is whatever it is they'll

1584

00:54:57,109 --> 00:54:55,359

use it so i don't to answer your

1585

00:54:58,390 --> 00:54:57,119

question i do not know where that's

1586

00:55:01,349 --> 00:54:58,400

coming from

1587

00:55:02,390 --> 00:55:01,359

um but i do know through the allies that

1588

00:55:04,069 --> 00:55:02,400

there are certain

1589

00:55:06,309 --> 00:55:04,079

factions in government that have

1590

00:55:09,510 --> 00:55:06,319

resisted the intervention

1591

00:55:12,710 --> 00:55:09,520

um in the west especially

1592

00:55:16,390 --> 00:55:12,720

and beyond that i really can't say

1593

00:55:18,390 --> 00:55:16,400

wow i mean the west being america right

1594

00:55:21,430 --> 00:55:18,400

like western western culture

1595

00:55:23,510 --> 00:55:21,440

yeah yeah i feel like there's there

1596

00:55:24,950 --> 00:55:23,520

a friend of mine asked me like why don't

1597

00:55:28,069 --> 00:55:24,960

you hear about uh

1598

00:55:30,630 --> 00:55:28,079

you know aliens or or sightings or or uh

1599

00:55:33,190 --> 00:55:30,640

experiencers in let's say india like the

1600

00:55:36,309 --> 00:55:33,200

most populated country in the world

1601
00:55:38,789 --> 00:55:36,319
and hey yo

1602
00:55:40,470 --> 00:55:38,799
and i no worries uh and i say well yeah

1603
00:55:41,109 --> 00:55:40,480
there's probably that's happening you

1604
00:55:43,750 --> 00:55:41,119
just

1605
00:55:44,230 --> 00:55:43,760
i mean do you read indian news like do

1606
00:55:47,670 --> 00:55:44,240
you

1607
00:55:49,430 --> 00:55:47,680
listen to indian podcasts uh no i don't

1608
00:55:51,589 --> 00:55:49,440
i don't myself

1609
00:55:53,349 --> 00:55:51,599
oh i'm sorry i i phrased that weirdly i

1610
00:55:55,030 --> 00:55:53,359
guess i was talking in the past tense to

1611
00:55:57,589 --> 00:55:55,040
my buddy who asked me

1612
00:55:59,349 --> 00:55:57,599
oh yeah yeah like why does it happen in

1613
00:55:59,990 --> 00:55:59,359

other it seems like it only happens in

1614

00:56:01,430 --> 00:56:00,000

america

1615

00:56:03,829 --> 00:56:01,440

all this stuff but it's happening

1616

00:56:04,950 --> 00:56:03,839

worldwide and i have a point to that

1617

00:56:07,750 --> 00:56:04,960

that that point is

1618

00:56:09,670 --> 00:56:07,760

is so the purpose of this message you i

1619

00:56:11,510 --> 00:56:09,680

mean we want to get this thing worldwide

1620

00:56:14,230 --> 00:56:11,520

and you you you spoke about the

1621

00:56:15,190 --> 00:56:14,240

uh the new message and i guess is it all

1622

00:56:18,549 --> 00:56:15,200

the books that have been

1623

00:56:20,710 --> 00:56:18,559

translated into how many languages four

1624

00:56:22,230 --> 00:56:20,720

i think thirty thirty two thirty two

1625

00:56:24,230 --> 00:56:22,240

thirty two goodness

1626
00:56:27,270 --> 00:56:24,240
well and that not not all of the books

1627
00:56:29,670 --> 00:56:27,280
but it's it actually there's 70 people

1628
00:56:31,589 --> 00:56:29,680
who are translating every week into 32

1629
00:56:33,349 --> 00:56:31,599
languages

1630
00:56:35,030 --> 00:56:33,359
and so every week it rolls out further

1631
00:56:36,470 --> 00:56:35,040
and further so are they like

1632
00:56:38,230 --> 00:56:36,480
are they like a bunch of dudes like

1633
00:56:39,349 --> 00:56:38,240
sitting in one building like with uh

1634
00:56:42,230 --> 00:56:39,359
like quills just

1635
00:56:43,190 --> 00:56:42,240
like straight up these are inspired

1636
00:56:46,150 --> 00:56:43,200
readers who

1637
00:56:46,950 --> 00:56:46,160
who are volunteering hundreds of hours

1638
00:56:49,030 --> 00:56:46,960

of their time

1639

00:56:51,190 --> 00:56:49,040

to get this message out that's beautiful

1640

00:56:53,190 --> 00:56:51,200

into their countries and

1641

00:56:54,230 --> 00:56:53,200

yeah it is beautiful yeah that's so

1642

00:56:56,950 --> 00:56:54,240

awesome um

1643

00:56:57,990 --> 00:56:56,960

yeah i'm just i'm thinking of uh all

1644

00:56:59,430 --> 00:56:58,000

kinds of questions to

1645

00:57:01,910 --> 00:56:59,440

ask you here i'm like spitballing my

1646

00:57:04,950 --> 00:57:01,920

brain i've got one okay

1647

00:57:07,990 --> 00:57:04,960

let's let's kind of talk about you

1648

00:57:11,109 --> 00:57:08,000

and your story i mean how how did you

1649

00:57:14,470 --> 00:57:11,119

get to this place were you always

1650

00:57:15,190 --> 00:57:14,480

uh kind of uh like when this happened

1651
00:57:18,470 --> 00:57:15,200
were you like

1652
00:57:19,910 --> 00:57:18,480
oh my goodness i think that's crazy or

1653
00:57:21,910 --> 00:57:19,920
did it take you some time to kind of

1654
00:57:24,630 --> 00:57:21,920
warm up to it and then you

1655
00:57:25,589 --> 00:57:24,640
kind of started following along or have

1656
00:57:29,030 --> 00:57:25,599
you always just

1657
00:57:31,190 --> 00:57:29,040
been into it um

1658
00:57:33,670 --> 00:57:31,200
well i've got my own story to tell and

1659
00:57:34,150 --> 00:57:33,680
it's it's a long one too but i i came

1660
00:57:37,030 --> 00:57:34,160
home

1661
00:57:37,829 --> 00:57:37,040
to help my father uh bring this message

1662
00:57:41,990 --> 00:57:37,839
to people

1663
00:57:42,710 --> 00:57:42,000

about gosh was in 2004 so about 16 years

1664

00:57:44,630 --> 00:57:42,720

ago

1665

00:57:45,990 --> 00:57:44,640

and then that was the result of my own

1666

00:57:48,150 --> 00:57:46,000

personal revelation

1667

00:57:49,030 --> 00:57:48,160

i was living and working in the middle

1668

00:57:52,549 --> 00:57:49,040

east

1669

00:57:53,190 --> 00:57:52,559

i had my own my own you know agenda for

1670

00:57:57,589 --> 00:57:53,200

my

1671

00:57:59,510 --> 00:57:57,599

something came and pulled the rug out

1672

00:58:01,270 --> 00:57:59,520

from under me you know

1673

00:58:03,670 --> 00:58:01,280

and this happens this happens we have

1674

00:58:06,309 --> 00:58:03,680

plans and then something happens

1675

00:58:07,270 --> 00:58:06,319

and we get rerouted onto a different

1676

00:58:08,789 --> 00:58:07,280

highway of life

1677

00:58:10,870 --> 00:58:08,799

and we go somewhere we never thought we

1678

00:58:12,789 --> 00:58:10,880

would go marshall

1679

00:58:13,990 --> 00:58:12,799

my father never expected or assumed i

1680

00:58:15,589 --> 00:58:14,000

would help him he

1681

00:58:18,230 --> 00:58:15,599

you know he and my mother gave me a

1682

00:58:20,390 --> 00:58:18,240

wonderful loving family and

1683

00:58:22,230 --> 00:58:20,400

support go to college and go out there

1684

00:58:25,670 --> 00:58:22,240

and have a career and

1685

00:58:28,150 --> 00:58:25,680

and all that um and something

1686

00:58:29,190 --> 00:58:28,160

it was it was back in 2004 when the rug

1687

00:58:31,670 --> 00:58:29,200

started to move

1688

00:58:32,789 --> 00:58:31,680

and i started to look around and think

1689

00:58:34,870 --> 00:58:32,799

wow

1690

00:58:36,710 --> 00:58:34,880

something's changing there's something i

1691

00:58:39,270 --> 00:58:36,720

need to know here

1692

00:58:41,109 --> 00:58:39,280

the direction of my life is not right i

1693

00:58:44,950 --> 00:58:41,119

need to go in another direction

1694

00:58:47,109 --> 00:58:44,960

and i had a series of kind of mysterious

1695

00:58:49,589 --> 00:58:47,119

events that that

1696

00:58:51,589 --> 00:58:49,599

led me to come home to help marshall

1697

00:58:53,990 --> 00:58:51,599

bring this message out

1698

00:58:54,630 --> 00:58:54,000

and um i've been doing that ever since

1699

00:58:57,910 --> 00:58:54,640

and

1700

00:58:58,950 --> 00:58:57,920

um you know it's it's been it's been a

1701

00:59:01,190 --> 00:58:58,960

road to haul

1702

00:59:02,150 --> 00:59:01,200

you know it's been a long one and it's

1703

00:59:03,750 --> 00:59:02,160

not easy

1704

00:59:05,349 --> 00:59:03,760

you know people don't want to some

1705

00:59:07,030 --> 00:59:05,359

people don't want to hear this message

1706

00:59:10,230 --> 00:59:07,040

some people are very offended by it

1707

00:59:11,270 --> 00:59:10,240

right it's a challenging message because

1708

00:59:13,910 --> 00:59:11,280

it's real

1709

00:59:15,670 --> 00:59:13,920

you know it's not what we want it's what

1710

00:59:17,670 --> 00:59:15,680

we need

1711

00:59:18,789 --> 00:59:17,680

i hope in time it will become more of

1712

00:59:21,270 --> 00:59:18,799

what we want

1713

00:59:22,710 --> 00:59:21,280

but it's you know it's not a sales pitch

1714

00:59:24,309 --> 00:59:22,720

for our personal

1715

00:59:25,750 --> 00:59:24,319

fulfillment or an adventure in

1716

00:59:27,750 --> 00:59:25,760

consciousness yeah

1717

00:59:28,870 --> 00:59:27,760

it's it's an urgent message for the

1718

00:59:32,549 --> 00:59:28,880

people of this world

1719

00:59:33,430 --> 00:59:32,559

to wake up prepare and get ready to go

1720

00:59:36,710 --> 00:59:33,440

through something

1721

00:59:38,710 --> 00:59:36,720

really big and so that's you know that's

1722

00:59:41,190 --> 00:59:38,720

my work is is helping share that out

1723

00:59:43,750 --> 00:59:41,200

and i'm with all these wonderful people

1724

00:59:45,670 --> 00:59:43,760

uh here in boulder colorado

1725

00:59:47,670 --> 00:59:45,680

and around the globe i think we have

1726

00:59:49,589 --> 00:59:47,680

over 70 people

1727

00:59:51,109 --> 00:59:49,599

working volunteering with us in our

1728

00:59:54,710 --> 00:59:51,119

organization

1729

00:59:58,150 --> 00:59:54,720

we publish we do events we broadcast

1730

00:59:58,789 --> 00:59:58,160

we have a major multi-day event coming

1731

01:00:02,470 --> 00:59:58,799

up all

1732

01:00:04,470 --> 01:00:02,480

online on uh in the in the virtual

1733

01:00:06,309 --> 01:00:04,480

in the next couple weeks so it's it's

1734

01:00:07,990 --> 01:00:06,319

really special to gather with you know

1735

01:00:10,150 --> 01:00:08,000

hundreds of people who are

1736

01:00:12,150 --> 01:00:10,160

reading this studying it undertaking the

1737

01:00:15,589 --> 01:00:12,160

preparation

1738

01:00:18,309 --> 01:00:15,599

steps to knowledge

1739

01:00:19,510 --> 01:00:18,319

which i highly recommend folks um take a

1740

01:00:21,829 --> 01:00:19,520

look at and download

1741

01:00:23,589 --> 01:00:21,839

it's free online i remember i started

1742

01:00:24,470 --> 01:00:23,599

steps when i was 16 years old and it

1743

01:00:26,950 --> 01:00:24,480

blew me away

1744

01:00:27,990 --> 01:00:26,960

it was way way way beyond what i was

1745

01:00:30,630 --> 01:00:28,000

able to do at the time

1746

01:00:31,430 --> 01:00:30,640

yeah um but i've been i've been with it

1747

01:00:35,030 --> 01:00:31,440

ever since

1748

01:00:38,630 --> 01:00:35,040

and it's slowly moving you into greater

1749

01:00:41,510 --> 01:00:38,640

connection with yourself with this

1750

01:00:42,549 --> 01:00:41,520

this spiritual ground that you stand

1751

01:00:45,349 --> 01:00:42,559

upon which is you

1752

01:00:46,150 --> 01:00:45,359

who you really are because that part of

1753

01:00:48,470 --> 01:00:46,160

you

1754

01:00:49,430 --> 01:00:48,480

is totally connected to the world where

1755

01:00:50,870 --> 01:00:49,440

the world's going

1756

01:00:53,030 --> 01:00:50,880

to the greater community in which we

1757

01:00:55,030 --> 01:00:53,040

live it's the surface mind

1758

01:00:57,510 --> 01:00:55,040

the mind that thinks and wants and

1759

01:00:58,230 --> 01:00:57,520

schemes and beliefs and hopes and wishes

1760

01:01:00,470 --> 01:00:58,240

and

1761

01:01:02,069 --> 01:01:00,480

that's the mind of the world that the

1762

01:01:05,990 --> 01:01:02,079

world shapes

1763

01:01:08,870 --> 01:01:06,000

and that is increasingly influenced and

1764

01:01:10,870 --> 01:01:08,880

at times manipulated by these powerful

1765

01:01:11,750 --> 01:01:10,880

forces at work on planet earth at this

1766

01:01:13,990 --> 01:01:11,760

time

1767

01:01:15,109 --> 01:01:14,000

so coming in contact with this deeper

1768

01:01:17,430 --> 01:01:15,119

spiritual mind

1769

01:01:18,549 --> 01:01:17,440

is my practice every day it's what i'm

1770

01:01:21,349 --> 01:01:18,559

doing

1771

01:01:24,470 --> 01:01:21,359

and that's my gift to the world it's my

1772

01:01:26,789 --> 01:01:24,480

preparation for the greater community

1773

01:01:28,390 --> 01:01:26,799

so it's that's me in a nutshell that's

1774

01:01:31,589 --> 01:01:28,400

great man yeah that's great

1775

01:01:35,589 --> 01:01:31,599

do you or i mean so

1776

01:01:39,030 --> 01:01:35,599

does does your father or do you

1777

01:01:41,030 --> 01:01:39,040

maybe does he consider himself like a

1778

01:01:44,390 --> 01:01:41,040

prophet a prophet of sorts

1779

01:01:47,030 --> 01:01:44,400

or does he just consider himself

1780

01:01:49,589 --> 01:01:47,040

a regular dude who just so happened to

1781

01:01:52,230 --> 01:01:49,599

come across these messages

1782

01:01:53,990 --> 01:01:52,240

well i think in thinking in time again

1783

01:01:57,270 --> 01:01:54,000

this began in 1983

1784

01:02:00,710 --> 01:01:57,280

so it's it's been almost 40 years of

1785

01:02:03,349 --> 01:02:00,720

constantly receiving this communication

1786

01:02:04,549 --> 01:02:03,359

uh marshall in the beginning did not

1787

01:02:07,829 --> 01:02:04,559

know

1788

01:02:09,829 --> 01:02:07,839

who he was who was talking to him what

1789

01:02:11,349 --> 01:02:09,839

who the source of this was he was just

1790

01:02:14,150 --> 01:02:11,359

willing to go with it

1791

01:02:16,150 --> 01:02:14,160

thank god right um it's more in in

1792

01:02:18,150 --> 01:02:16,160

recent times that the new message has

1793

01:02:21,029 --> 01:02:18,160

told him who he is

1794

01:02:23,270 --> 01:02:21,039

it has said to him you are a messenger

1795

01:02:25,029 --> 01:02:23,280

for a new message from god

1796

01:02:26,390 --> 01:02:25,039

and you were sent into the world for

1797

01:02:28,390 --> 01:02:26,400

this

1798

01:02:30,230 --> 01:02:28,400

just like we were all sent into the

1799

01:02:32,069 --> 01:02:30,240

world for something

1800

01:02:34,069 --> 01:02:32,079

and that's that's what he was sentenced

1801

01:02:36,549 --> 01:02:34,079

to the world for and so that's that's

1802

01:02:38,390 --> 01:02:36,559

that's who he knows himself to be and

1803

01:02:38,710 --> 01:02:38,400

there's no worship there's no adoration

1804

01:02:43,349 --> 01:02:38,720

here

1805

01:02:44,549 --> 01:02:43,359

i and we have for him i mean my god he's

1806

01:02:46,950 --> 01:02:44,559

laid down his life

1807

01:02:48,150 --> 01:02:46,960

to receive this and he hasn't gotten a

1808

01:02:51,430 --> 01:02:48,160

lot of thanks for it

1809

01:02:54,150 --> 01:02:51,440

you know it's yeah it's not been right

1810

01:02:54,789 --> 01:02:54,160

this is this has not given him fame and

1811

01:02:56,950 --> 01:02:54,799

glory

1812

01:02:57,910 --> 01:02:56,960

and you know a lot of gratitude from the

1813

01:02:59,910 --> 01:02:57,920

world

1814

01:03:01,349 --> 01:02:59,920
and yet he has held with it for for

1815

01:03:04,150 --> 01:03:01,359
almost 40 years now

1816

01:03:05,910 --> 01:03:04,160
and um so we we have a lot of respect

1817

01:03:08,950 --> 01:03:05,920
for him and he's

1818

01:03:12,069 --> 01:03:08,960
he's a fantastic person and uh

1819

01:03:13,109 --> 01:03:12,079
a brilliant teacher yeah and i i

1820

01:03:14,789 --> 01:03:13,119
recommend folks

1821

01:03:16,230 --> 01:03:14,799
go out and and just watch some of his

1822

01:03:18,630 --> 01:03:16,240
interviews and his his

1823

01:03:20,150 --> 01:03:18,640
video teachings on youtube and just get

1824

01:03:22,710 --> 01:03:20,160
a sense for him you know who is this

1825

01:03:24,069 --> 01:03:22,720
who is this man who's received over 40

1826
01:03:26,789 --> 01:03:24,079
years

1827
01:03:27,990 --> 01:03:26,799
this multi-thousand-page communication

1828
01:03:31,029 --> 01:03:28,000
from an angelic

1829
01:03:34,150 --> 01:03:31,039
purportedly angelic source and

1830
01:03:35,990 --> 01:03:34,160
four sets of briefings from a group of

1831
01:03:37,349 --> 01:03:36,000
individuals who say they have come to

1832
01:03:39,750 --> 01:03:37,359
our world

1833
01:03:41,589 --> 01:03:39,760
as a gesture of relationship to the

1834
01:03:42,630 --> 01:03:41,599
human family to warn us of this

1835
01:03:45,109 --> 01:03:42,640
intervention

1836
01:03:46,549 --> 01:03:45,119
and to prepare us for our emergence into

1837
01:03:49,829 --> 01:03:46,559
this larger universe

1838
01:03:51,510 --> 01:03:49,839

wow who is this guy yeah um i

1839

01:03:53,510 --> 01:03:51,520

go go and go and go and have your own

1840

01:03:57,190 --> 01:03:53,520

experience you know

1841

01:04:00,150 --> 01:03:57,200

man that's great do you guys have uh

1842

01:04:01,190 --> 01:04:00,160

i mean do you all have like a a church

1843

01:04:05,190 --> 01:04:01,200

or a building

1844

01:04:08,230 --> 01:04:05,200

or a temple or anything like that

1845

01:04:11,109 --> 01:04:08,240

we have a center yes here in boulder

1846

01:04:11,990 --> 01:04:11,119

uh we have an office and is what we call

1847

01:04:13,990 --> 01:04:12,000

the greater community

1848

01:04:15,750 --> 01:04:14,000

sanctuary where we've been holding

1849

01:04:18,230 --> 01:04:15,760

gatherings for

1850

01:04:19,670 --> 01:04:18,240

wow since the early 90s in this in this

1851

01:04:22,069 --> 01:04:19,680

one space

1852

01:04:23,029 --> 01:04:22,079

and it's got a real spiritual presence

1853

01:04:26,870 --> 01:04:23,039

about it

1854

01:04:30,069 --> 01:04:26,880

um and we have these these very

1855

01:04:33,430 --> 01:04:30,079

rich gatherings twice a year

1856

01:04:34,309 --> 01:04:33,440

we have two vigils we hold one dedicated

1857

01:04:38,470 --> 01:04:34,319

to knowledge

1858

01:04:41,910 --> 01:04:38,480

spiritual preparation

1859

01:04:45,430 --> 01:04:41,920

and the other a vigil dedicated to

1860

01:04:47,670 --> 01:04:45,440

receiving marshall's teachings and

1861

01:04:49,990 --> 01:04:47,680

getting with him in his mission to reach

1862

01:04:51,430 --> 01:04:50,000

the world with this preparation

1863

01:04:53,029 --> 01:04:51,440

so we have two vigils we have an

1864

01:04:53,990 --> 01:04:53,039

encampment we hold every year in the

1865

01:04:56,309 --> 01:04:54,000

high rockies

1866

01:04:57,670 --> 01:04:56,319

although uh due to covid that's not

1867

01:04:59,190 --> 01:04:57,680

going to take place this year although

1868

01:05:01,270 --> 01:04:59,200

we are going to do

1869

01:05:02,710 --> 01:05:01,280

something a little different and very

1870

01:05:04,470 --> 01:05:02,720

exciting actually we'll have we'll have

1871

01:05:07,190 --> 01:05:04,480

some updates out on that soon

1872

01:05:09,270 --> 01:05:07,200

and we broadcast you know we broadcast

1873

01:05:12,390 --> 01:05:09,280

at least once a month

1874

01:05:14,789 --> 01:05:12,400

and we just continue to get the word out

1875

01:05:16,150 --> 01:05:14,799

but yes we do have a humble office and a

1876

01:05:19,270 --> 01:05:16,160

beautiful sanctuary

1877

01:05:21,029 --> 01:05:19,280

and a fabulous crew of people

1878

01:05:23,029 --> 01:05:21,039

here and all over the u.s and all over

1879

01:05:24,470 --> 01:05:23,039

the world who are who are helping us do

1880

01:05:26,630 --> 01:05:24,480

this

1881

01:05:27,589 --> 01:05:26,640

that's great man that's great i like it

1882

01:05:30,630 --> 01:05:27,599

yeah it's a joy

1883

01:05:31,270 --> 01:05:30,640

it's a joy and it's very special and you

1884

01:05:33,670 --> 01:05:31,280

know

1885

01:05:34,710 --> 01:05:33,680

the it's an open invitation to people

1886

01:05:37,990 --> 01:05:34,720

who feel called

1887

01:05:39,750 --> 01:05:38,000

you know by contact and by this teaching

1888

01:05:43,029 --> 01:05:39,760

on the greater community

1889

01:05:45,829 --> 01:05:43,039

to become a student you know become

1890

01:05:47,589 --> 01:05:45,839

a reader you know read these revelations

1891

01:05:48,470 --> 01:05:47,599

and teachings and see what this holds

1892

01:05:50,470 --> 01:05:48,480

for you

1893

01:05:51,750 --> 01:05:50,480

yeah i mean you know what i what i kind

1894

01:05:53,990 --> 01:05:51,760

of uh

1895

01:05:55,670 --> 01:05:54,000

what i'm kind of getting from this and

1896

01:05:57,990 --> 01:05:55,680

and i and i kind of like it is

1897

01:06:00,150 --> 01:05:58,000

is it's uh you know like you said this

1898

01:06:02,829 --> 01:06:00,160

is this is a message

1899

01:06:04,309 --> 01:06:02,839

there doesn't seem to be like this this

1900

01:06:07,670 --> 01:06:04,319

pressure behind

1901

01:06:09,910 --> 01:06:07,680

it you know i mean not uh

1902

01:06:11,829 --> 01:06:09,920

agenda there it feels like there's yeah

1903

01:06:13,430 --> 01:06:11,839

like it doesn't seem very pressured or

1904

01:06:14,230 --> 01:06:13,440

some sort of agenda behind i mean

1905

01:06:16,950 --> 01:06:14,240

obviously there's

1906

01:06:18,870 --> 01:06:16,960

there is like a certain agenda which is

1907

01:06:19,750 --> 01:06:18,880

to kind of get people to listen to this

1908

01:06:22,630 --> 01:06:19,760

message right

1909

01:06:23,910 --> 01:06:22,640

but it's not like a force fed thing that

1910

01:06:26,710 --> 01:06:23,920

you just

1911

01:06:27,190 --> 01:06:26,720

like you must repent or like yeah you're

1912

01:06:30,309 --> 01:06:27,200

not

1913

01:06:32,309 --> 01:06:30,319

born into sin yeah yeah right

1914

01:06:33,510 --> 01:06:32,319

right no this is a gift and an

1915

01:06:35,910 --> 01:06:33,520

invitation

1916

01:06:37,990 --> 01:06:35,920

um to be a part of this event in history

1917

01:06:39,990 --> 01:06:38,000

in the world and and reconnect with with

1918

01:06:43,430 --> 01:06:40,000

your own deeper nature i mean that's

1919

01:06:44,710 --> 01:06:43,440

essentially what this is and who we are

1920

01:06:48,069 --> 01:06:44,720

is we're we're some

1921

01:06:51,029 --> 01:06:48,079

good people working to help our world

1922

01:06:52,710 --> 01:06:51,039

in this specific way and uh it's i know

1923

01:06:53,670 --> 01:06:52,720

i know the people who are here i know

1924

01:06:56,230 --> 01:06:53,680

them all by name

1925

01:06:57,109 --> 01:06:56,240

and and there's there's hundreds of them

1926

01:06:59,510 --> 01:06:57,119

so and they're

1927

01:07:00,470 --> 01:06:59,520

and they're just they're people like any

1928

01:07:03,510 --> 01:07:00,480

of us you know

1929

01:07:04,309 --> 01:07:03,520

who were who were moved by this and and

1930

01:07:06,150 --> 01:07:04,319

realized

1931

01:07:07,349 --> 01:07:06,160

you know what i need to get behind this

1932

01:07:09,910 --> 01:07:07,359

and push

1933

01:07:10,870 --> 01:07:09,920

this this needs to get out there yeah

1934

01:07:12,829 --> 01:07:10,880

definitely and

1935

01:07:15,430 --> 01:07:12,839

it definitely seems like a thing that's

1936

01:07:17,430 --> 01:07:15,440

uh i don't want to say like

1937

01:07:19,349 --> 01:07:17,440

self-help you know but it but it

1938

01:07:20,549 --> 01:07:19,359

definitely does kind of seem like you're

1939

01:07:23,829 --> 01:07:20,559

you're uh

1940

01:07:26,470 --> 01:07:23,839

bettering yourself you know uh

1941

01:07:27,990 --> 01:07:26,480

for the purpose of you being a better

1942

01:07:30,470 --> 01:07:28,000

person like i i feel like with

1943

01:07:31,109 --> 01:07:30,480

most religions you know it's like so we

1944

01:07:35,750 --> 01:07:31,119

do this

1945

01:07:37,670 --> 01:07:35,760

whatever it is you know you're you're

1946

01:07:40,710 --> 01:07:37,680

basically like you're almost a

1947

01:07:43,910 --> 01:07:40,720

a slave to your own religion uh

1948

01:07:45,270 --> 01:07:43,920

in a sense and and listening to this and

1949

01:07:45,829 --> 01:07:45,280

kind of reading through some of the

1950

01:07:49,109 --> 01:07:45,839

stuff

1951

01:07:51,190 --> 01:07:49,119

it kind of seems more of a look i'm here

1952

01:07:54,309 --> 01:07:51,200

to tell you that there's these messages

1953

01:07:57,190 --> 01:07:54,319

right these messages came from god

1954

01:07:58,950 --> 01:07:57,200

if you listen to them you yourself can

1955

01:08:01,670 --> 01:07:58,960

be a better person

1956

01:08:03,589 --> 01:08:01,680

uh take it or leave it you know

1957

01:08:04,230 --> 01:08:03,599

obviously you would rather people take

1958

01:08:10,470 --> 01:08:04,240

it

1959

01:08:13,510 --> 01:08:10,480

betterment of just

1960

01:08:16,870 --> 01:08:13,520

self in general yeah oh well

1961

01:08:19,269 --> 01:08:16,880

yeah i mean who we are what we express

1962

01:08:20,309 --> 01:08:19,279

what we value how we treat each other

1963

01:08:22,309 --> 01:08:20,319

and

1964

01:08:23,669 --> 01:08:22,319

this is what we are teaching in the

1965

01:08:24,789 --> 01:08:23,679

world you know the new message says

1966

01:08:27,430 --> 01:08:24,799

we're always teaching

1967

01:08:28,709 --> 01:08:27,440

every day every hour of your life you're

1968

01:08:30,630 --> 01:08:28,719

teaching something

1969

01:08:32,550 --> 01:08:30,640

you're affirming something and you're

1970

01:08:33,510 --> 01:08:32,560

contributing that out into the physical

1971

01:08:35,030 --> 01:08:33,520

environment

1972

01:08:36,870 --> 01:08:35,040

that we interact with and the mental

1973

01:08:40,390 --> 01:08:36,880

environment of thought

1974

01:08:43,510 --> 01:08:40,400

and so this is absolutely about

1975

01:08:46,149 --> 01:08:43,520

not only betterment but restoration

1976

01:08:47,189 --> 01:08:46,159

because i think in the process of coming

1977

01:08:49,189 --> 01:08:47,199

into this world

1978

01:08:50,309 --> 01:08:49,199

maybe any world we lose touch with

1979

01:08:53,590 --> 01:08:50,319

ourselves

1980

01:08:56,070 --> 01:08:53,600

right we we become fractured we we

1981

01:08:57,189 --> 01:08:56,080

take in we um assimilate things that are

1982

01:08:59,430 --> 01:08:57,199

not us

1983

01:09:01,349 --> 01:08:59,440

and then they they kind of produce like

1984

01:09:02,950 --> 01:09:01,359

a fissure in the mind

1985

01:09:04,470 --> 01:09:02,960

and we're two different people we're

1986

01:09:05,829 --> 01:09:04,480

three different people we have alternate

1987

01:09:07,349 --> 01:09:05,839

personalities where

1988

01:09:09,430 --> 01:09:07,359

we have different agendas we're going in

1989

01:09:11,110 --> 01:09:09,440

different directions we want to be

1990

01:09:13,510 --> 01:09:11,120

helpful and serve others but we also

1991

01:09:13,829 --> 01:09:13,520

want to kind of collect for ourselves

1992

01:09:17,749 --> 01:09:13,839

and

1993

01:09:20,309 --> 01:09:17,759

whatever

1994

01:09:21,669 --> 01:09:20,319

so we become unlike ourselves the new

1995

01:09:24,390 --> 01:09:21,679

message

1996

01:09:26,709 --> 01:09:24,400

just like any original revelation from

1997

01:09:29,269 --> 01:09:26,719

from a divine source in history

1998

01:09:30,950 --> 01:09:29,279

is about restoring us to who we were

1999

01:09:32,870 --> 01:09:30,960

before this life

2000

01:09:34,149 --> 01:09:32,880

so that we can contribute that in this

2001

01:09:37,349 --> 01:09:34,159

life

2002

01:09:39,829 --> 01:09:37,359

because that original self that you

2003

01:09:41,189 --> 01:09:39,839

that is who you really are that has been

2004

01:09:43,269 --> 01:09:41,199

going

2005

01:09:45,510 --> 01:09:43,279

through the universe across lifetimes

2006

01:09:48,550 --> 01:09:45,520

manifesting here and there

2007

01:09:51,749 --> 01:09:48,560

all as a process of coming home

2008

01:09:54,870 --> 01:09:51,759

and learning that you know separation

2009

01:09:57,270 --> 01:09:54,880

isn't that fulfilling right yeah be

2010

01:09:58,550 --> 01:09:57,280

you know having my own thing in the

2011

01:10:01,270 --> 01:09:58,560

universe doesn't work

2012

01:10:02,229 --> 01:10:01,280

out right uh maybe there's something

2013

01:10:04,950 --> 01:10:02,239

there's another way

2014

01:10:06,390 --> 01:10:04,960

and over lifetimes we're learning this

2015

01:10:08,229 --> 01:10:06,400

um

2016

01:10:10,070 --> 01:10:08,239

that's that's in essence what the new

2017

01:10:13,110 --> 01:10:10,080

message from god is here to help us with

2018

01:10:15,669 --> 01:10:13,120

it's here to help us find out

2019

01:10:16,310 --> 01:10:15,679

who we are what we carry and to give

2020

01:10:21,990 --> 01:10:16,320

that

2021

01:10:24,870 --> 01:10:22,000

again and again

2022

01:10:25,669 --> 01:10:24,880

all over uh in these very challenging

2023

01:10:29,189 --> 01:10:25,679

lives

2024

01:10:31,910 --> 01:10:29,199

you know uh that we can kind of achieve

2025

01:10:33,590 --> 01:10:31,920

a level of realization and contribution

2026

01:10:34,950 --> 01:10:33,600

such that we don't need to be in

2027

01:10:38,149 --> 01:10:34,960

physical form

2028

01:10:40,630 --> 01:10:38,159

we can serve at higher levels we can be

2029

01:10:42,310 --> 01:10:40,640

at those levels uh you know ultimately

2030

01:10:44,470 --> 01:10:42,320

that the angelic presence is at that is

2031

01:10:46,070 --> 01:10:44,480

given the new message in the first place

2032

01:10:48,390 --> 01:10:46,080

so there's kind of there's a process

2033

01:10:50,709 --> 01:10:48,400

underway and it is about

2034

01:10:52,709 --> 01:10:50,719

betterment it is about restoration it's

2035

01:10:55,350 --> 01:10:52,719

about coming home to yourself

2036

01:10:56,870 --> 01:10:55,360

but the self we're coming home to is the

2037

01:11:00,310 --> 01:10:56,880

self that's connected

2038

01:11:04,070 --> 01:11:00,320

to life in the universe to life

2039

01:11:07,110 --> 01:11:04,080

and it wants us to have a successful

2040

01:11:09,270 --> 01:11:07,120

uh life purposeful life of contribution

2041

01:11:10,950 --> 01:11:09,280

to serve the world that we're facing now

2042

01:11:11,510 --> 01:11:10,960

not a hundred years ago not a thousand

2043

01:11:14,229 --> 01:11:11,520

years ago

2044

01:11:16,390 --> 01:11:14,239

this world and this world is facing

2045

01:11:18,470 --> 01:11:16,400

environmental destruction

2046

01:11:19,990 --> 01:11:18,480

uh increasing conflict and war

2047

01:11:21,430 --> 01:11:20,000

intervention from other forms of

2048

01:11:23,750 --> 01:11:21,440

intelligent life

2049

01:11:25,030 --> 01:11:23,760

depletion of our resources fresh water

2050

01:11:28,310 --> 01:11:25,040

so so on and so forth

2051

01:11:30,630 --> 01:11:28,320

huge issues right that need contribution

2052

01:11:32,870 --> 01:11:30,640

so that's what this is about it's making

2053

01:11:36,070 --> 01:11:32,880

that contribution

2054

01:11:38,149 --> 01:11:36,080

so are there any safeguards in place uh

2055

01:11:39,110 --> 01:11:38,159

for you guys and and by safeguards what

2056

01:11:42,950 --> 01:11:39,120

i mean is

2057

01:11:45,990 --> 01:11:42,960

you know i mean i i'm sure most of these

2058

01:11:49,430 --> 01:11:46,000

religions you know throughout history

2059

01:11:52,310 --> 01:11:49,440

you know started with this pure great

2060

01:11:52,709 --> 01:11:52,320

intent um but i mean let's face it i

2061

01:11:56,149 --> 01:11:52,719

mean

2062

01:11:59,030 --> 01:11:56,159

there's been a lot of of terrible

2063

01:12:01,030 --> 01:11:59,040

terrible evil things done in the name of

2064

01:12:01,910 --> 01:12:01,040

god or in the name of allah you know

2065

01:12:04,229 --> 01:12:01,920

what i'm saying

2066

01:12:05,590 --> 01:12:04,239

or for all these religions do you guys

2067

01:12:09,110 --> 01:12:05,600

feel like you have

2068

01:12:12,550 --> 01:12:09,120

a safeguard in place to keep your

2069

01:12:15,350 --> 01:12:12,560

message from being twisted um

2070

01:12:16,149 --> 01:12:15,360

in in uh in that way you know say in the

2071

01:12:19,350 --> 01:12:16,159

next

2072

01:12:24,149 --> 01:12:19,360

200 years you know or or do you think

2073

01:12:26,229 --> 01:12:24,159

the message itself is the safeguard

2074

01:12:28,149 --> 01:12:26,239

yeah great question it's on our minds

2075

01:12:31,590 --> 01:12:28,159

you know and you're right this happens

2076

01:12:33,750 --> 01:12:31,600

um it's almost inevitable so what what

2077

01:12:36,790 --> 01:12:33,760

keeps it alive what keeps it original

2078

01:12:37,510 --> 01:12:36,800

and pure well a number of things the

2079

01:12:40,070 --> 01:12:37,520

messenger

2080

01:12:41,030 --> 01:12:40,080

himself has been recorded extensively

2081

01:12:42,870 --> 01:12:41,040

teaching

2082

01:12:44,630 --> 01:12:42,880

you know explaining what this is for

2083

01:12:47,189 --> 01:12:44,640

what it's about

2084

01:12:49,030 --> 01:12:47,199

and that's all being made available you

2085

01:12:51,270 --> 01:12:49,040

know that communication we have a

2086

01:12:52,709 --> 01:12:51,280

community site where we have a huge

2087

01:12:56,149 --> 01:12:52,719

library of teachings

2088

01:12:59,510 --> 01:12:56,159

from marshall myself my mother patricia

2089

01:13:00,070 --> 01:12:59,520

um all to generate this kind of sense of

2090

01:13:02,830 --> 01:13:00,080

unity

2091

01:13:03,990 --> 01:13:02,840

and alignment that can go on you know

2092

01:13:07,350 --> 01:13:04,000

generationally

2093

01:13:10,149 --> 01:13:07,360

uh the revelation the original audio

2094

01:13:11,350 --> 01:13:10,159

uh is available it's it's secure it's

2095

01:13:14,229 --> 01:13:11,360

been transcribed

2096

01:13:15,750 --> 01:13:14,239

so the original word is intact and is is

2097

01:13:18,870 --> 01:13:15,760

going to be kept pure

2098

01:13:20,630 --> 01:13:18,880

that's huge yeah um

2099

01:13:22,630 --> 01:13:20,640

the the community that's forming around

2100

01:13:23,590 --> 01:13:22,640

the new message which which we call the

2101
01:13:26,229 --> 01:13:23,600
worldwide community

2102
01:13:27,110 --> 01:13:26,239
of the new message these people have

2103
01:13:29,270 --> 01:13:27,120
been students

2104
01:13:31,350 --> 01:13:29,280
uh many of them for many many years and

2105
01:13:34,390 --> 01:13:31,360
they're they're dedicated

2106
01:13:36,550 --> 01:13:34,400
they they've received this directly

2107
01:13:38,630 --> 01:13:36,560
you know from marshall and they're on

2108
01:13:41,910 --> 01:13:38,640
board to help keep this secure

2109
01:13:44,709 --> 01:13:41,920
and pure and intact over time

2110
01:13:45,590 --> 01:13:44,719
but you know even with all of that the

2111
01:13:48,870 --> 01:13:45,600
truth is

2112
01:13:50,310 --> 01:13:48,880
you know revelation becomes starts to

2113
01:13:52,950 --> 01:13:50,320

harden the moment it's given into the

2114

01:13:56,229 --> 01:13:52,960

world right it hardens into ideas

2115

01:13:59,510 --> 01:13:56,239

fixed kind of dogmatic belief systems

2116

01:14:00,229 --> 01:13:59,520

um people typically want to you know

2117

01:14:01,830 --> 01:14:00,239

have a group

2118

01:14:03,669 --> 01:14:01,840

and start to think well i'm in the group

2119

01:14:05,030 --> 01:14:03,679

and they're not you know i'm a student

2120

01:14:06,870 --> 01:14:05,040

of the new message and they're not

2121

01:14:08,390 --> 01:14:06,880

yeah i'm i'm going to be saved they're

2122

01:14:10,149 --> 01:14:08,400

not and that's

2123

01:14:11,750 --> 01:14:10,159

i don't know if that's separation i

2124

01:14:13,669 --> 01:14:11,760

don't know if that's just what it

2125

01:14:15,430 --> 01:14:13,679

what happens in the mind you know we see

2126

01:14:17,189 --> 01:14:15,440

other beings yeah i mean

2127

01:14:19,110 --> 01:14:17,199

it's tribal you start to differentiate

2128

01:14:21,510 --> 01:14:19,120

and become tribal yes

2129

01:14:23,669 --> 01:14:21,520

so you know that's there and so this has

2130

01:14:24,149 --> 01:14:23,679

to be kept alive it has to be birthed

2131

01:14:26,870 --> 01:14:24,159

anew

2132

01:14:28,229 --> 01:14:26,880

in the experience of the individual

2133

01:14:29,830 --> 01:14:28,239

absolutely man

2134

01:14:31,750 --> 01:14:29,840

it's it's that and that's i take that

2135

01:14:32,070 --> 01:14:31,760

seriously for myself i'm a student of

2136

01:14:35,750 --> 01:14:32,080

this

2137

01:14:37,669 --> 01:14:35,760

are as well

2138

01:14:38,950 --> 01:14:37,679

and so that's what ultimately keeps it

2139

01:14:41,990 --> 01:14:38,960

alive i feel

2140

01:14:43,830 --> 01:14:42,000

yeah uh that's good man because i mean i

2141

01:14:45,350 --> 01:14:43,840

guess you know one thing that you guys

2142

01:14:48,390 --> 01:14:45,360

have going for you

2143

01:14:50,709 --> 01:14:48,400

is uh you were actually able to

2144

01:14:51,510 --> 01:14:50,719

record these messages you know you've

2145

01:14:54,709 --> 01:14:51,520

got the

2146

01:14:57,430 --> 01:14:54,719

original you know audio and

2147

01:14:58,470 --> 01:14:57,440

you know it's it's kind of hard to to

2148

01:14:59,910 --> 01:14:58,480

change that stuff

2149

01:15:01,510 --> 01:14:59,920

up you know and we're talking about all

2150

01:15:04,149 --> 01:15:01,520

this older stuff i mean

2151
01:15:04,950 --> 01:15:04,159
we're talking you know stuff written on

2152
01:15:08,310 --> 01:15:04,960
papaya

2153
01:15:08,709 --> 01:15:08,320
and then lost you know and sandstorms

2154
01:15:11,030 --> 01:15:08,719
and

2155
01:15:13,430 --> 01:15:11,040
the bible wasn't written for hundreds of

2156
01:15:13,830 --> 01:15:13,440
years till after jesus even died so i

2157
01:15:15,510 --> 01:15:13,840
mean

2158
01:15:17,270 --> 01:15:15,520
you've got people making up their own

2159
01:15:18,950 --> 01:15:17,280
stories and this and that so

2160
01:15:21,990 --> 01:15:18,960
it's a little hard to kind of you know

2161
01:15:23,669 --> 01:15:22,000
like i guess keep that pure but i guess

2162
01:15:25,110 --> 01:15:23,679
what is going for you guys is y'all

2163
01:15:28,149 --> 01:15:25,120

actually have this

2164

01:15:30,470 --> 01:15:28,159

this audio you know save it on a

2165

01:15:31,510 --> 01:15:30,480

on a backup hard drive you know we

2166

01:15:34,870 --> 01:15:31,520

always have this

2167

01:15:37,830 --> 01:15:34,880

this hard copy of the original

2168

01:15:39,830 --> 01:15:37,840

uh message and unfortunately these other

2169

01:15:41,669 --> 01:15:39,840

religions weren't able to

2170

01:15:43,030 --> 01:15:41,679

you know keep that original message i

2171

01:15:44,630 --> 01:15:43,040

mean written

2172

01:15:46,310 --> 01:15:44,640

and rewritten into many different

2173

01:15:47,430 --> 01:15:46,320

languages you know over hundreds of

2174

01:15:50,310 --> 01:15:47,440

years

2175

01:15:52,390 --> 01:15:50,320

countless times uh and you guys don't

2176
01:15:55,110 --> 01:15:52,400
have that issue right

2177
01:15:55,750 --> 01:15:55,120
i mean i i feel this is the first time

2178
01:15:57,910 --> 01:15:55,760
that a

2179
01:15:59,669 --> 01:15:57,920
message from god has ever been recorded

2180
01:16:02,950 --> 01:15:59,679
in audio form

2181
01:16:05,669 --> 01:16:02,960
um we're we're reading the original here

2182
01:16:07,669 --> 01:16:05,679
not something someone said someone said

2183
01:16:10,070 --> 01:16:07,679
you know like like you're saying i know

2184
01:16:13,510 --> 01:16:10,080
and the alteration of revelations

2185
01:16:16,470 --> 01:16:13,520
in history has led to some pretty

2186
01:16:17,350 --> 01:16:16,480
big errors in understanding things that

2187
01:16:20,470 --> 01:16:17,360
were not written

2188
01:16:21,030 --> 01:16:20,480

not recorded or were related down

2189

01:16:23,990 --> 01:16:21,040

through time

2190

01:16:25,750 --> 01:16:24,000

incorrectly so i mean here we've got

2191

01:16:28,070 --> 01:16:25,760

this enormous revelation

2192

01:16:29,189 --> 01:16:28,080

all of it recorded being made free

2193

01:16:31,830 --> 01:16:29,199

online free

2194

01:16:34,709 --> 01:16:31,840

to people around the world and and

2195

01:16:36,310 --> 01:16:34,719

there's a lot of safety in that and uh

2196

01:16:38,070 --> 01:16:36,320

it's it's really something to step back

2197

01:16:40,149 --> 01:16:38,080

and kind of take

2198

01:16:41,590 --> 01:16:40,159

yeah to see to see this whole process

2199

01:16:42,470 --> 01:16:41,600

happening it's it's the process of a

2200

01:16:44,630 --> 01:16:42,480

revelation

2201

01:16:46,470 --> 01:16:44,640

yeah being received by a messenger from

2202

01:16:49,350 --> 01:16:46,480

the creator of all life

2203

01:16:50,870 --> 01:16:49,360

i mean that's huge and i can't expect

2204

01:16:52,310 --> 01:16:50,880

you know your listeners to just believe

2205

01:16:54,149 --> 01:16:52,320

that's happening you'd have to go

2206

01:16:56,470 --> 01:16:54,159

look at the new message and look at

2207

01:16:58,870 --> 01:16:56,480

marshall the messenger and see

2208

01:17:00,470 --> 01:16:58,880

is this authentic is this real you know

2209

01:17:02,310 --> 01:17:00,480

what am i hearing here what is the what

2210

01:17:05,510 --> 01:17:02,320

is the message is the message

2211

01:17:06,870 --> 01:17:05,520

beneficial does it keep the power in my

2212

01:17:08,149 --> 01:17:06,880

hands or does it put the power in

2213

01:17:09,910 --> 01:17:08,159

someone else's hands you know

2214

01:17:11,910 --> 01:17:09,920

everyone has to go and kind of look at

2215

01:17:15,030 --> 01:17:11,920

that for themselves but

2216

01:17:16,149 --> 01:17:15,040

i know for myself it's it's it's quite

2217

01:17:18,630 --> 01:17:16,159

something

2218

01:17:21,189 --> 01:17:18,640

yeah it's a new message from god do you

2219

01:17:23,830 --> 01:17:21,199

guys consider yourselves

2220

01:17:24,229 --> 01:17:23,840

a religion or do you consider it more of

2221

01:17:28,310 --> 01:17:24,239

an

2222

01:17:30,229 --> 01:17:28,320

ideology uh it's a tricky question

2223

01:17:31,750 --> 01:17:30,239

because what is religion is

2224

01:17:33,590 --> 01:17:31,760

is the first thing that comes to mind i

2225

01:17:36,229 --> 01:17:33,600

mean if religion is dogma

2226

01:17:37,430 --> 01:17:36,239

if it's a tribe if it's an in-group and

2227

01:17:41,590 --> 01:17:37,440

out versus an out-group

2228

01:17:43,750 --> 01:17:41,600

no if religion is a process

2229

01:17:45,270 --> 01:17:43,760

a practice set of practices that

2230

01:17:49,669 --> 01:17:45,280

continually bring us back

2231

01:17:52,310 --> 01:17:49,679

into contact with god within us

2232

01:17:53,270 --> 01:17:52,320

yes absolutely it is a religion it is a

2233

01:17:57,350 --> 01:17:53,280

it is a

2234

01:17:59,990 --> 01:17:57,360

a structure

2235

01:18:01,430 --> 01:18:00,000

that supports the engagement that we

2236

01:18:05,189 --> 01:18:01,440

would have individually with

2237

01:18:07,430 --> 01:18:05,199

with the divine presence within us so um

2238

01:18:08,630 --> 01:18:07,440

will it become a worldly religion as you

2239

01:18:10,390 --> 01:18:08,640

know as we know them

2240

01:18:11,990 --> 01:18:10,400

probably you know there there will be a

2241

01:18:16,310 --> 01:18:12,000

community of people and this is their

2242

01:18:18,870 --> 01:18:16,320

path i hope it will be

2243

01:18:21,189 --> 01:18:18,880

a a community of people that honors

2244

01:18:24,229 --> 01:18:21,199

other paths

2245

01:18:25,189 --> 01:18:24,239

that doesn't become exclusivist or you

2246

01:18:28,870 --> 01:18:25,199

know

2247

01:18:30,709 --> 01:18:28,880

identifies solely with this but but

2248

01:18:32,149 --> 01:18:30,719

acknowledges that this is a message this

2249

01:18:33,830 --> 01:18:32,159

is the message that they need

2250

01:18:35,590 --> 01:18:33,840

that they needed and that there are

2251

01:18:37,750 --> 01:18:35,600

others who need it as well so

2252

01:18:40,310 --> 01:18:37,760

yeah yeah well that's interesting man

2253

01:18:42,310 --> 01:18:40,320

we'll have to see what happens

2254

01:18:43,910 --> 01:18:42,320

over time yeah yeah and you're totally

2255

01:18:44,870 --> 01:18:43,920

right man i mean you know it's gonna be

2256

01:18:46,790 --> 01:18:44,880

hard for you know

2257

01:18:48,870 --> 01:18:46,800

you don't expect people to just believe

2258

01:18:51,430 --> 01:18:48,880

this stuff you know it's up to you

2259

01:18:53,030 --> 01:18:51,440

to go and read the literature i mean i'm

2260

01:18:54,790 --> 01:18:53,040

sure there's a lot of people out there

2261

01:18:57,430 --> 01:18:54,800

that's like man this is like a

2262

01:18:59,430 --> 01:18:57,440

like a like a like mormon scientology

2263

01:18:59,830 --> 01:18:59,440

mixed together type thing you know it's

2264

01:19:03,990 --> 01:18:59,840

like

2265

01:19:06,630 --> 01:19:04,000

gonna have you know the just the

2266

01:19:08,709 --> 01:19:06,640

you know when you're using the words

2267

01:19:10,390 --> 01:19:08,719

religion or god there's always going to

2268

01:19:11,430 --> 01:19:10,400

be those people who are just immediately

2269

01:19:14,950 --> 01:19:11,440

turned off

2270

01:19:17,030 --> 01:19:14,960

but i i guess i guess uh you know

2271

01:19:19,590 --> 01:19:17,040

one thing to clarify i mean this isn't

2272

01:19:22,229 --> 01:19:19,600

like a uh

2273

01:19:22,950 --> 01:19:22,239

a christian movement right or like this

2274

01:19:26,870 --> 01:19:22,960

is that you're not

2275

01:19:29,990 --> 01:19:26,880

taking from uh i guess

2276

01:19:32,550 --> 01:19:30,000

other religions to create this

2277

01:19:33,750 --> 01:19:32,560

one religion right i mean this is kind

2278

01:19:36,950 --> 01:19:33,760

of supposed to be its

2279

01:19:39,350 --> 01:19:36,960

own thing it's a it's a new

2280

01:19:41,189 --> 01:19:39,360

message that's correct it is a new

2281

01:19:43,189 --> 01:19:41,199

message it did not arise

2282

01:19:45,270 --> 01:19:43,199

out of a christian tradition or a muslim

2283

01:19:45,910 --> 01:19:45,280

tradition it honors the christian

2284

01:19:49,189 --> 01:19:45,920

tradition

2285

01:19:51,430 --> 01:19:49,199

original revelation

2286

01:19:53,110 --> 01:19:51,440

that occurred there and and what remains

2287

01:19:53,990 --> 01:19:53,120

today after hundreds and thousands of

2288

01:19:55,669 --> 01:19:54,000

years but

2289

01:19:58,310 --> 01:19:55,679

and it is connected to them i mean it's

2290

01:20:00,870 --> 01:19:58,320

this is part of the timeless work

2291

01:20:01,830 --> 01:20:00,880

of the creator and those who work on

2292

01:20:03,750 --> 01:20:01,840

with the creator

2293

01:20:06,470 --> 01:20:03,760

to serve humanity and to advance

2294

01:20:09,030 --> 01:20:06,480

humanity so it's it's it's connected

2295

01:20:09,910 --> 01:20:09,040

um but no it did not arise out of any

2296

01:20:13,030 --> 01:20:09,920

church

2297

01:20:14,629 --> 01:20:13,040

religion group in the world this this is

2298

01:20:16,790 --> 01:20:14,639

an original spark

2299

01:20:18,149 --> 01:20:16,800

yeah this is i like that yeah you know

2300

01:20:19,270 --> 01:20:18,159

because i've always thought to myself

2301
01:20:21,830 --> 01:20:19,280
you know

2302
01:20:22,950 --> 01:20:21,840
it's funny because all the religions in

2303
01:20:24,550 --> 01:20:22,960
the world you know they

2304
01:20:26,790 --> 01:20:24,560
they kind of have this same basic

2305
01:20:29,590 --> 01:20:26,800
principle they have different beliefs

2306
01:20:31,350 --> 01:20:29,600
obviously but i've always wondered why

2307
01:20:34,709 --> 01:20:31,360
do these people fight each other

2308
01:20:35,590 --> 01:20:34,719
maybe they each have a piece of the

2309
01:20:38,229 --> 01:20:35,600
puzzle

2310
01:20:39,669 --> 01:20:38,239
um and we've just been too busy fighting

2311
01:20:42,390 --> 01:20:39,679
each other over who's right

2312
01:20:43,990 --> 01:20:42,400
as opposed to maybe putting these pieces

2313
01:20:46,310 --> 01:20:44,000

of the puzzle together

2314

01:20:47,669 --> 01:20:46,320

for the bigger picture and i feel like

2315

01:20:50,950 --> 01:20:47,679

maybe this is just

2316

01:20:53,430 --> 01:20:50,960

another piece to this cosmic puzzle

2317

01:20:54,950 --> 01:20:53,440

that humanity is just trying to figure

2318

01:20:57,750 --> 01:20:54,960

out man

2319

01:20:59,350 --> 01:20:57,760

right right well there are many reasons

2320

01:21:01,830 --> 01:20:59,360

so much violence has occurred in the

2321

01:21:03,830 --> 01:21:01,840

name of religion part partly it's

2322

01:21:04,870 --> 01:21:03,840

when you commit when you commit acts of

2323

01:21:07,750 --> 01:21:04,880

violence and

2324

01:21:09,510 --> 01:21:07,760

for for uh prosaic reasons for resources

2325

01:21:10,790 --> 01:21:09,520

for security for revenge

2326

01:21:13,910 --> 01:21:10,800

it always helps to have the

2327

01:21:15,030 --> 01:21:13,920

justification of a spiritual or divine

2328

01:21:17,430 --> 01:21:15,040

mandate does it not

2329

01:21:18,390 --> 01:21:17,440

yeah that kind of helps so a lot of what

2330

01:21:20,229 --> 01:21:18,400

we've seen

2331

01:21:22,390 --> 01:21:20,239

that that has tarnished the image of

2332

01:21:24,870 --> 01:21:22,400

religion is just humans using

2333

01:21:26,790 --> 01:21:24,880

yeah something that looks powerful and

2334

01:21:27,270 --> 01:21:26,800

and gives them a lot of power to do

2335

01:21:29,510 --> 01:21:27,280

things

2336

01:21:32,229 --> 01:21:29,520

for themselves out of their own agenda

2337

01:21:34,629 --> 01:21:32,239

it was never religion in the first place

2338

01:21:36,709 --> 01:21:34,639

and and so humanity you know we we take

2339

01:21:38,709 --> 01:21:36,719

what is divine and we absorb it into our

2340

01:21:40,149 --> 01:21:38,719

cultures our societies our politics and

2341

01:21:42,229 --> 01:21:40,159

we use it

2342

01:21:44,149 --> 01:21:42,239

uh to do what we've always done to

2343

01:21:45,990 --> 01:21:44,159

compete to control each other

2344

01:21:48,470 --> 01:21:46,000

you know but that's not actually

2345

01:21:49,430 --> 01:21:48,480

religion so let's not throw the baby out

2346

01:21:51,750 --> 01:21:49,440

with the bathwater

2347

01:21:52,709 --> 01:21:51,760

right there's something very precious

2348

01:21:56,310 --> 01:21:52,719

here i mean

2349

01:21:58,149 --> 01:21:56,320

are you really just a brain in a skull

2350

01:21:59,669 --> 01:21:58,159

hovering above two shoulders going about

2351

01:22:01,590 --> 01:21:59,679

your day eating drinking

2352

01:22:03,430 --> 01:22:01,600

procreating you know and then eventually

2353

01:22:06,950 --> 01:22:03,440

dying is that is that what you

2354

01:22:08,070 --> 01:22:06,960

are i don't think so i think we have a

2355

01:22:10,229 --> 01:22:08,080

greater origin

2356

01:22:11,350 --> 01:22:10,239

i think we have a soul i don't think

2357

01:22:12,870 --> 01:22:11,360

this is the only lifetime we've

2358

01:22:15,910 --> 01:22:12,880

manifested in

2359

01:22:17,590 --> 01:22:15,920

um that all suggests an unseen reality

2360

01:22:19,750 --> 01:22:17,600

that we cannot perceive with the two

2361

01:22:21,590 --> 01:22:19,760

eyes we have now right the two ears we

2362

01:22:24,870 --> 01:22:21,600

have now

2363

01:22:27,110 --> 01:22:24,880

if you believe that then

2364

01:22:28,310 --> 01:22:27,120

there is an inquiry you need to make

2365

01:22:31,430 --> 01:22:28,320

into what is that

2366

01:22:34,390 --> 01:22:31,440

greater reality what am i really

2367

01:22:35,189 --> 01:22:34,400

what is this life really meant to be and

2368

01:22:37,189 --> 01:22:35,199

now

2369

01:22:38,229 --> 01:22:37,199

out of your own intention you're seeking

2370

01:22:41,110 --> 01:22:38,239

god

2371

01:22:42,070 --> 01:22:41,120

you're seeking your spiritual nature

2372

01:22:43,750 --> 01:22:42,080

there are many who

2373

01:22:45,110 --> 01:22:43,760

who say they are religious and they are

2374

01:22:48,870 --> 01:22:45,120

not seeking god

2375

01:22:50,950 --> 01:22:48,880

they are not yeah they they are using

2376

01:22:52,790 --> 01:22:50,960

the label you know they're using the

2377

01:22:53,110 --> 01:22:52,800

group they're using the sacred book to

2378

01:22:56,149 --> 01:22:53,120

do

2379

01:22:57,030 --> 01:22:56,159

other things to be ahead on two

2380

01:22:59,189 --> 01:22:57,040

shoulders

2381

01:23:00,550 --> 01:22:59,199

seeking to fulfill its own agenda that's

2382

01:23:02,550 --> 01:23:00,560

really what they're doing so

2383

01:23:04,070 --> 01:23:02,560

in the end it comes down to what are you

2384

01:23:05,110 --> 01:23:04,080

where are you coming from what are you

2385

01:23:08,149 --> 01:23:05,120

attempting to do

2386

01:23:09,830 --> 01:23:08,159

through your life and you know the new

2387

01:23:13,270 --> 01:23:09,840

message teaches

2388

01:23:15,110 --> 01:23:13,280

us to to put on that those those glasses

2389

01:23:15,990 --> 01:23:15,120

of a deeper discernment you know to look

2390

01:23:18,070 --> 01:23:16,000

at others

2391

01:23:19,669 --> 01:23:18,080

regardless of religion regard if they

2392

01:23:20,229 --> 01:23:19,679

have no religion where are they coming

2393

01:23:22,229 --> 01:23:20,239

from

2394

01:23:23,590 --> 01:23:22,239

there are phenomenal people doing great

2395

01:23:27,270 --> 01:23:23,600

good who are who

2396

01:23:28,709 --> 01:23:27,280

are total atheists and and they are not

2397

01:23:29,750 --> 01:23:28,719

interested in religion and little do

2398

01:23:31,910 --> 01:23:29,760

they know

2399

01:23:33,110 --> 01:23:31,920

they're serving the world and god

2400

01:23:35,350 --> 01:23:33,120

appreciates that

2401

01:23:37,110 --> 01:23:35,360

you know yeah absolutely it all comes

2402

01:23:40,470 --> 01:23:37,120

back to where are we coming from

2403

01:23:42,550 --> 01:23:40,480

what are we seeking in our lives and um

2404

01:23:43,510 --> 01:23:42,560

so i think the new message is is an

2405

01:23:46,550 --> 01:23:43,520

invitation

2406

01:23:49,830 --> 01:23:46,560

for those who are seeking contribution

2407

01:23:52,629 --> 01:23:49,840

and participation in a greater reality

2408

01:23:55,110 --> 01:23:52,639

uh to make contact on the inside and to

2409

01:23:58,550 --> 01:23:55,120

play their part

2410

01:23:59,990 --> 01:23:58,560

damn i love that dude

2411

01:24:02,709 --> 01:24:00,000

let's can we put all of that on a

2412

01:24:05,910 --> 01:24:02,719

t-shirt exactly

2413

01:24:08,709 --> 01:24:05,920

oh um i okay so reed i know we

2414

01:24:09,189 --> 01:24:08,719

we said 9 30 so uh we've only got uh

2415

01:24:13,030 --> 01:24:09,199

maybe

2416

01:24:17,370 --> 01:24:13,040

said he said uh

2417

01:24:23,830 --> 01:24:20,950

[Laughter]

2418

01:24:25,430 --> 01:24:23,840

so yeah i mean that is a i was gonna say

2419

01:24:28,629 --> 01:24:25,440

i have a question that like we have some

2420

01:24:30,070 --> 01:24:28,639

some time uh and and we're on such a

2421

01:24:31,350 --> 01:24:30,080

high note i don't know if i i

2422

01:24:33,910 --> 01:24:31,360

don't know if we want to go too deep on

2423

01:24:34,550 --> 01:24:33,920

it but uh well i i'm running out of time

2424

01:24:36,550 --> 01:24:34,560

myself

2425

01:24:37,990 --> 01:24:36,560

okay okay so why don't we take one more

2426

01:24:39,430 --> 01:24:38,000

question or

2427

01:24:41,430 --> 01:24:39,440

maybe we can explore one more thing

2428

01:24:43,430 --> 01:24:41,440

before we uh finish up together

2429

01:24:44,470 --> 01:24:43,440

you know i i feel like the question i

2430

01:24:46,229 --> 01:24:44,480

was going to ask is

2431

01:24:48,149 --> 01:24:46,239

might bring the mood down a little bit

2432

01:24:50,149 --> 01:24:48,159

because i mean maybe we should ask a

2433

01:24:51,590 --> 01:24:50,159

different question

2434

01:24:53,830 --> 01:24:51,600

or maybe we should have a second

2435

01:24:55,430 --> 01:24:53,840

conversation yeah we can do that

2436

01:24:57,110 --> 01:24:55,440

let's do it i love the way you ended

2437

01:24:58,470 --> 01:24:57,120

that yeah i think we should end on that

2438

01:25:00,310 --> 01:24:58,480

note because that was great and

2439

01:25:01,910 --> 01:25:00,320

and that gives us an excuse to just have

2440

01:25:04,950 --> 01:25:01,920

you back again man sure

2441

01:25:07,990 --> 01:25:04,960

uh man this has been awesome uh

2442

01:25:08,709 --> 01:25:08,000

you know i uh i don't really consider

2443

01:25:11,590 --> 01:25:08,719

myself to be

2444

01:25:13,189 --> 01:25:11,600

too much of like a you know uh a

2445

01:25:13,830 --> 01:25:13,199

religious person or whatever but i i

2446

01:25:15,590 --> 01:25:13,840

think

2447

01:25:18,070 --> 01:25:15,600

uh with the stuff that you say man

2448

01:25:18,950 --> 01:25:18,080

you're kind of hooking and reeling me in

2449

01:25:20,950 --> 01:25:18,960

a little bit

2450

01:25:22,390 --> 01:25:20,960

on this stuff and and i gotta say man

2451

01:25:25,270 --> 01:25:22,400

even though i'm not

2452

01:25:27,110 --> 01:25:25,280

i thoroughly enjoy uh it's just it's the

2453

01:25:27,590 --> 01:25:27,120

truth it's the truth hooking and reeling

2454

01:25:30,470 --> 01:25:27,600

you in

2455

01:25:31,030 --> 01:25:30,480

yeah yeah yeah i mean nothing i'm doing

2456

01:25:33,430 --> 01:25:31,040

it's just

2457

01:25:34,070 --> 01:25:33,440

you know hey the truth is the truth and

2458

01:25:36,229 --> 01:25:34,080

if and

2459

01:25:37,270 --> 01:25:36,239

we have the power to discern that from

2460

01:25:39,430 --> 01:25:37,280

what is not the truth

2461

01:25:40,550 --> 01:25:39,440

it's just such a fresh perspective man

2462

01:25:43,830 --> 01:25:40,560

something that you don't

2463

01:25:44,149 --> 01:25:43,840

normally hear yeah um and and i really

2464

01:25:46,229 --> 01:25:44,159

do

2465

01:25:47,510 --> 01:25:46,239

enjoy the you know the literature and

2466

01:25:50,550 --> 01:25:47,520

kind of reading through it

2467

01:25:52,310 --> 01:25:50,560

uh and uh it's it's been a it's been an

2468

01:25:55,270 --> 01:25:52,320

absolute pleasure man honestly

2469

01:25:57,189 --> 01:25:55,280

yeah great guys thank you this is

2470

01:25:59,110 --> 01:25:57,199

fabulous thank you for having me

2471

01:26:00,310 --> 01:25:59,120

thanks so much for being on the show man

2472

01:26:02,390 --> 01:26:00,320

yeah this was great

2473

01:26:03,510 --> 01:26:02,400

yeah yeah so we'll have you back again

2474

01:26:05,750 --> 01:26:03,520

man but uh

2475

01:26:08,310 --> 01:26:05,760

well hey man i hope you have a great

2476
01:26:09,990 --> 01:26:08,320
rest of your evening man and enjoy that

2477
01:26:11,510 --> 01:26:10,000
and uh we'll set something up for the

2478
01:26:13,189 --> 01:26:11,520
future good

2479
01:26:15,189 --> 01:26:13,199
good there's a lot more to talk about

2480
01:26:17,590 --> 01:26:15,199
it's a big big picture

2481
01:26:19,750 --> 01:26:17,600
absolutely man it definitely seems like

2482
01:26:21,669 --> 01:26:19,760
it well all right man uh well thanks for

2483
01:26:21,990 --> 01:26:21,679
coming on again and uh you have a great

2484
01:26:24,070 --> 01:26:22,000
evening

2485
01:26:25,990 --> 01:26:24,080
all right all right joe thanks and

2486
01:26:26,950 --> 01:26:26,000
thanks ben hey thank you man take it

2487
01:26:30,980 --> 01:26:26,960
easy man

2488
01:26:35,350 --> 01:26:32,470

[Music]

2489

01:26:36,310 --> 01:26:35,360

well sweet dude no i was gonna ask about

2490

01:26:39,350 --> 01:26:36,320

like he mentioned

2491

01:26:41,990 --> 01:26:39,360

the the dark side of like the oh yeah

2492

01:26:42,950 --> 01:26:42,000

yeah and i'm glad you stopped me because

2493

01:26:44,790 --> 01:26:42,960

i was about to

2494

01:26:47,910 --> 01:26:44,800

yeah so you mentioned so you mentioned

2495

01:26:49,910 --> 01:26:47,920

like the evil part of things

2496

01:26:50,950 --> 01:26:49,920

so what do they want do do they want our

2497

01:26:53,750 --> 01:26:50,960

adrena chrome

2498

01:26:54,310 --> 01:26:53,760

like yeah dude i mean i don't know uh

2499

01:27:01,669 --> 01:26:54,320

there's

2500

01:27:09,669 --> 01:27:06,550

i do like that we kind of got the

2501

01:27:13,110 --> 01:27:12,550

god yeah religion thing kind of out of

2502

01:27:15,910 --> 01:27:13,120

the way

2503

01:27:17,430 --> 01:27:15,920

in this conversation yeah um well we got

2504

01:27:18,149 --> 01:27:17,440

it out in the open and then we came back

2505

01:27:21,910 --> 01:27:18,159

to it like

2506

01:27:24,629 --> 01:27:21,920

full force yeah like part of me is like

2507

01:27:26,790 --> 01:27:24,639

dude this is dope i also don't want it

2508

01:27:28,870 --> 01:27:26,800

to sound like an infomercial you know

2509

01:27:31,030 --> 01:27:28,880

yeah absolutely which i don't think it

2510

01:27:33,750 --> 01:27:31,040

felt natural it felt great dude yeah

2511

01:27:34,229 --> 01:27:33,760

i mean i was like sincerely interested

2512

01:27:35,669 --> 01:27:34,239

in like

2513

01:27:37,990 --> 01:27:35,679

okay how are you going to bring god into

2514

01:27:39,590 --> 01:27:38,000

this like yeah that's dope

2515

01:27:41,270 --> 01:27:39,600

i love the way he did it yeah it's great

2516

01:27:43,270 --> 01:27:41,280

man i just i had so many

2517

01:27:44,550 --> 01:27:43,280

questions that it was like it was almost

2518

01:27:45,350 --> 01:27:44,560

like i don't really know where to go

2519

01:27:47,830 --> 01:27:45,360

from here

2520

01:27:48,390 --> 01:27:47,840

uh because i have so many damn questions

2521

01:27:49,910 --> 01:27:48,400

man

2522

01:27:52,390 --> 01:27:49,920

and it's and it's crazy too because you

2523

01:27:55,830 --> 01:27:52,400

don't know like where to start

2524

01:27:56,229 --> 01:27:55,840

you know uh because it just goes back so

2525

01:27:58,070 --> 01:27:56,239

far

2526

01:28:00,229 --> 01:27:58,080

i mean we're talking you know about his

2527

01:28:02,390 --> 01:28:00,239

father receiving the messages right

2528

01:28:04,550 --> 01:28:02,400

you know at a certain point in time but

2529

01:28:07,590 --> 01:28:04,560

this whole thing has been going on

2530

01:28:08,629 --> 01:28:07,600

for since before the human race was even

2531

01:28:11,910 --> 01:28:08,639

a thing

2532

01:28:14,149 --> 01:28:11,920

i mean like what happens like what

2533

01:28:15,669 --> 01:28:14,159

okay so obvious so they can't come here

2534

01:28:16,950 --> 01:28:15,679

unless you invite them yeah but

2535

01:28:19,350 --> 01:28:16,960

obviously

2536

01:28:20,950 --> 01:28:19,360

what's to stop them like what happens if

2537

01:28:22,950 --> 01:28:20,960

they did just decide

2538

01:28:24,629 --> 01:28:22,960

yeah [\h__\h] it let's go you know what i'm

2539

01:28:26,310 --> 01:28:24,639

saying they decide to down here

2540

01:28:28,870 --> 01:28:26,320

go against the rules right yeah we

2541

01:28:31,510 --> 01:28:28,880

establish does like the galactic

2542

01:28:31,990 --> 01:28:31,520

you win step in and build reverse time

2543

01:28:38,629 --> 01:28:32,000

dude

2544

01:28:42,149 --> 01:28:38,639

yeah i mean

2545

01:28:45,350 --> 01:28:42,159

uh it is an extremely uh kind of a

2546

01:28:47,430 --> 01:28:45,360

fresh idea you know yeah um yeah

2547

01:28:49,189 --> 01:28:47,440

it's it's okay so i what i keep thinking

2548

01:28:50,950 --> 01:28:49,199

about is uh

2549

01:28:53,189 --> 01:28:50,960

i feel like it was a couple of episodes

2550

01:28:55,590 --> 01:28:53,199

ago but i'm pretty sure it was like

2551
01:28:56,470 --> 01:28:55,600
months ago where we talked about yeah

2552
01:28:59,110 --> 01:28:56,480
the idea of

2553
01:28:59,910 --> 01:28:59,120
what if aliens are the new religion do

2554
01:29:02,950 --> 01:28:59,920
you remember that

2555
01:29:03,270 --> 01:29:02,960
yeah so this is this is very uh i don't

2556
01:29:05,990 --> 01:29:03,280
know

2557
01:29:06,950 --> 01:29:06,000
timely where we're i think we're at our

2558
01:29:09,189 --> 01:29:06,960
point in our journey

2559
01:29:10,229 --> 01:29:09,199
doing this podcast and talking to many

2560
01:29:12,310 --> 01:29:10,239
different people with

2561
01:29:13,669 --> 01:29:12,320
many different perspectives having our

2562
01:29:15,189 --> 01:29:13,679
own experiences

2563
01:29:17,350 --> 01:29:15,199

i feel like we're at a place where we

2564

01:29:19,750 --> 01:29:17,360

could ex we can accept this

2565

01:29:21,590 --> 01:29:19,760

message you know like maybe five five

2566

01:29:23,350 --> 01:29:21,600

months ago we would have been like

2567

01:29:24,870 --> 01:29:23,360

dude that's dope but i have nothing to

2568

01:29:26,629 --> 01:29:24,880

say about it yeah

2569

01:29:28,470 --> 01:29:26,639

but i feel like now we've kind of gone

2570

01:29:31,030 --> 01:29:28,480

through these questions

2571

01:29:33,590 --> 01:29:31,040

and he was able to answer every single

2572

01:29:36,629 --> 01:29:33,600

one of them and we were able to like ask

2573

01:29:37,510 --> 01:29:36,639

you know thoughtfully having talked to

2574

01:29:39,430 --> 01:29:37,520

each other about

2575

01:29:41,270 --> 01:29:39,440

okay well where does god fit into this

2576

01:29:43,430 --> 01:29:41,280

yeah you know well i mean it was nice

2577

01:29:45,510 --> 01:29:43,440

too because it didn't come off culty

2578

01:29:46,790 --> 01:29:45,520

you know it didn't come off like i don't

2579

01:29:47,910 --> 01:29:46,800

know like i was saying like it didn't

2580

01:29:49,270 --> 01:29:47,920

come off forceful

2581

01:29:51,270 --> 01:29:49,280

i didn't you know it was just kind of

2582

01:29:52,870 --> 01:29:51,280

like a yeah i mean here's this yeah

2583

01:29:54,550 --> 01:29:52,880

here's this message man i mean

2584

01:29:56,149 --> 01:29:54,560

take it or leave it you know i'm glad

2585

01:29:59,110 --> 01:29:56,159

you asked the question uh

2586

01:29:59,750 --> 01:29:59,120

uh like do you guys have a temple or

2587

01:30:01,350 --> 01:29:59,760

whatever

2588

01:30:02,870 --> 01:30:01,360

because dude that was on my mind i just

2589

01:30:03,510 --> 01:30:02,880

didn't know how to word it so i'm glad

2590

01:30:07,350 --> 01:30:03,520

you asked

2591

01:30:08,229 --> 01:30:07,360

asked that uh okay so yeah there is a

2592

01:30:11,350 --> 01:30:08,239

physical

2593

01:30:14,149 --> 01:30:11,360

location right yeah okay cool

2594

01:30:16,070 --> 01:30:14,159

dope but they still aren't considering

2595

01:30:17,990 --> 01:30:16,080

considering themselves as a

2596

01:30:19,669 --> 01:30:18,000

religion right like he said okay well it

2597

01:30:21,590 --> 01:30:19,679

just depends on how you look at it yeah

2598

01:30:25,110 --> 01:30:21,600

it depends on how you look at it i

2599

01:30:28,950 --> 01:30:25,120

feel like it's pretty perfect

2600

01:30:31,830 --> 01:30:28,960

to what i'm i would look for

2601
01:30:33,430 --> 01:30:31,840
if i'm looking for some sort of answers

2602
01:30:35,750 --> 01:30:33,440
i'm not saying like hey let's go

2603
01:30:36,709 --> 01:30:35,760
let's go join the let's go let's go to

2604
01:30:39,669 --> 01:30:36,719
boulder let's move

2605
01:30:41,590 --> 01:30:39,679
yeah i'm just saying like it's i had a

2606
01:30:42,310 --> 01:30:41,600
very good time i feel i feel like a lot

2607
01:30:44,390 --> 01:30:42,320
of my

2608
01:30:46,070 --> 01:30:44,400
answers or my questions were answered in

2609
01:30:48,950 --> 01:30:46,080
a very thoughtful way

2610
01:30:50,149 --> 01:30:48,960
and i don't feel like i've been lured

2611
01:30:52,229 --> 01:30:50,159
into a trap

2612
01:30:54,470 --> 01:30:52,239
yeah yeah even so going back to like the

2613
01:30:57,669 --> 01:30:54,480

physical location that's like

2614

01:30:59,750 --> 01:30:57,679

red flag oh [h__h] oh uh another uh waco

2615

01:31:01,510 --> 01:30:59,760

right yeah uh you know it's a david

2616

01:31:03,750 --> 01:31:01,520

crush situation yeah but

2617

01:31:05,350 --> 01:31:03,760

i didn't get that vibe no yeah me either

2618

01:31:06,870 --> 01:31:05,360

and like i said man i mean it was one of

2619

01:31:10,149 --> 01:31:06,880

those things where

2620

01:31:10,470 --> 01:31:10,159

uh you know i did all the issues that i

2621

01:31:14,149 --> 01:31:10,480

do

2622

01:31:17,350 --> 01:31:14,159

seem to

2623

01:31:20,550 --> 01:31:17,360

be a thing with this like yeah it was

2624

01:31:21,030 --> 01:31:20,560

nice you know uh he didn't make it about

2625

01:31:23,510 --> 01:31:21,040

him

2626

01:31:25,270 --> 01:31:23,520

right right it was it was all about the

2627

01:31:28,629 --> 01:31:25,280

message which was really cool

2628

01:31:30,390 --> 01:31:28,639

yeah um and you know i mean

2629

01:31:32,070 --> 01:31:30,400

one of the things you know like like i

2630

01:31:35,189 --> 01:31:32,080

said dude i'm not really like

2631

01:31:37,750 --> 01:31:35,199

religious or anything uh i don't know

2632

01:31:39,270 --> 01:31:37,760

if you know like we said we talked about

2633

01:31:43,189 --> 01:31:39,280

having god in this box

2634

01:31:45,510 --> 01:31:43,199

yeah you know like like does god

2635

01:31:46,310 --> 01:31:45,520

like you pray before a baseball game

2636

01:31:49,110 --> 01:31:46,320

like i don't think

2637

01:31:50,229 --> 01:31:49,120

god gives a [h__h] on whose team wins both

2638

01:31:51,910 --> 01:31:50,239

teams prayed

2639

01:31:53,590 --> 01:31:51,920

so does that mean that god hates one

2640

01:31:56,070 --> 01:31:53,600

team more than the other you know

2641

01:31:56,870 --> 01:31:56,080

this this message type thing kind of

2642

01:31:58,790 --> 01:31:56,880

takes god

2643

01:32:00,629 --> 01:31:58,800

out of that box you know what i'm saying

2644

01:32:01,430 --> 01:32:00,639

like does he care when you play the

2645

01:32:02,790 --> 01:32:01,440

lottery

2646

01:32:04,950 --> 01:32:02,800

you know what i'm saying people like oh

2647

01:32:06,790 --> 01:32:04,960

i pray to god that i that i win this

2648

01:32:08,550 --> 01:32:06,800

lotto ticket you know but like

2649

01:32:10,550 --> 01:32:08,560

i don't think god gives a [h__h] about

2650

01:32:12,790 --> 01:32:10,560

that you know yeah dude does he

2651
01:32:13,669 --> 01:32:12,800
really care yeah you know i don't think

2652
01:32:16,950 --> 01:32:13,679
he does

2653
01:32:20,629 --> 01:32:16,960
this is kind of more of like a uh

2654
01:32:23,030 --> 01:32:20,639
uh i've set everything in motion and uh

2655
01:32:23,990 --> 01:32:23,040
i'm kind of standing back kind of god

2656
01:32:25,910 --> 01:32:24,000
like here's

2657
01:32:27,750 --> 01:32:25,920
here's the message i think you guys

2658
01:32:28,229 --> 01:32:27,760
should listen to but i'm not going to

2659
01:32:32,550 --> 01:32:28,239
like

2660
01:32:35,510 --> 01:32:32,560
not i'm not messing with stuff

2661
01:32:36,550 --> 01:32:35,520
are you guys lost yeah exactly he's kind

2662
01:32:39,669 --> 01:32:36,560
of standing back

2663
01:32:41,910 --> 01:32:39,679

you know and that's the kind of uh uh

2664

01:32:43,510 --> 01:32:41,920

god that i think of you know yeah um

2665

01:32:45,189 --> 01:32:43,520

which is which is a really fresh

2666

01:32:46,550 --> 01:32:45,199

is a perspective pretty chill guy and

2667

01:32:48,629 --> 01:32:46,560

again we're saying god

2668

01:32:50,390 --> 01:32:48,639

for lack of a better term don't let that

2669

01:32:50,950 --> 01:32:50,400

term turn you off you know it's kind of

2670

01:32:53,990 --> 01:32:50,960

like

2671

01:32:56,390 --> 01:32:54,000

oh

2672

01:32:57,270 --> 01:32:56,400

do you pray well i don't pray i'm not

2673

01:33:00,149 --> 01:32:57,280

into that but i

2674

01:33:01,189 --> 01:33:00,159

meditate it's the same thing you know

2675

01:33:03,189 --> 01:33:01,199

what i'm saying it's it's

2676

01:33:04,790 --> 01:33:03,199

it's the same thing it's just your your

2677

01:33:06,950 --> 01:33:04,800

your cultural difference your

2678

01:33:09,350 --> 01:33:06,960

your preference on wording stuff yeah

2679

01:33:12,550 --> 01:33:09,360

it's just uh it's just different so

2680

01:33:13,189 --> 01:33:12,560

so don't let that term you know god or

2681

01:33:14,870 --> 01:33:13,199

whatever

2682

01:33:16,709 --> 01:33:14,880

i mean turn you off because you know

2683

01:33:17,830 --> 01:33:16,719

that's something that i've had to battle

2684

01:33:21,350 --> 01:33:17,840

myself

2685

01:33:23,830 --> 01:33:21,360

um when people talk about it um

2686

01:33:25,510 --> 01:33:23,840

just people are like oh yes god this and

2687

01:33:26,950 --> 01:33:25,520

it would kind of make me cringe a little

2688

01:33:28,790 --> 01:33:26,960

bit because it's like i don't know if i

2689

01:33:30,070 --> 01:33:28,800

really believe that yeah but yeah you

2690

01:33:32,709 --> 01:33:30,080

know um

2691

01:33:33,910 --> 01:33:32,719

this message uh is pretty dope dude

2692

01:33:35,750 --> 01:33:33,920

sounds cool to me man

2693

01:33:37,350 --> 01:33:35,760

i don't really you know i mean what is

2694

01:33:38,870 --> 01:33:37,360

it it's not saying you're doing

2695

01:33:40,790 --> 01:33:38,880

something wrong and you need to fix

2696

01:33:42,149 --> 01:33:40,800

yourself you need to go into servitude

2697

01:33:45,189 --> 01:33:42,159

it's it's literally like

2698

01:33:46,629 --> 01:33:45,199

hey there's other aliens there's other

2699

01:33:48,790 --> 01:33:46,639

people beside you dude

2700

01:33:50,950 --> 01:33:48,800

that's a message there's a bigger

2701
01:33:52,470 --> 01:33:50,960
picture here oh you're not the center of

2702
01:33:55,750 --> 01:33:52,480
the universe it's it's not

2703
01:33:57,350 --> 01:33:55,760
it doesn't seem like it's hey everybody

2704
01:34:00,310 --> 01:33:57,360
needs to wear a [h__\h] beanie

2705
01:34:01,270 --> 01:34:00,320
24 7. if you don't like you're doomed to

2706
01:34:05,350 --> 01:34:01,280
hell it's it's

2707
01:34:06,629 --> 01:34:05,360
it's literally so i don't know it's easy

2708
01:34:08,390 --> 01:34:06,639
there's no it doesn't seem like there's

2709
01:34:09,110 --> 01:34:08,400
a motive behind it yeah yeah it is a

2710
01:34:10,950 --> 01:34:09,120
little easier

2711
01:34:12,149 --> 01:34:10,960
hey you're not by yourself stop being an

2712
01:34:15,270 --> 01:34:12,159
[h__\h] like yeah

2713
01:34:16,310 --> 01:34:15,280

take your [h__h] like stop being so

2714

01:34:18,550 --> 01:34:16,320

self-centered

2715

01:34:21,030 --> 01:34:18,560

think of others that sounds pretty nice

2716

01:34:23,350 --> 01:34:21,040

to me yeah i mean it sounds nice man

2717

01:34:24,790 --> 01:34:23,360

it sounds nice okay so all right let's

2718

01:34:28,070 --> 01:34:24,800

get rid of the let's stop

2719

01:34:30,629 --> 01:34:28,080

doing the infomercial i mean i i don't

2720

01:34:34,229 --> 01:34:32,550

it seems like i don't want to sell it

2721

01:34:36,790 --> 01:34:34,239

too much right like for the show

2722

01:34:38,070 --> 01:34:36,800

right like i don't want it yeah i mean

2723

01:34:41,510 --> 01:34:38,080

we're not

2724

01:34:43,030 --> 01:34:41,520

we're here to listen to what these

2725

01:34:45,430 --> 01:34:43,040

people have to say

2726

01:34:47,109 --> 01:34:45,440

um and then we're just discussing it

2727

01:34:49,189 --> 01:34:47,119

after we've finished talking

2728

01:34:50,629 --> 01:34:49,199

yeah you know to read basically man i

2729

01:34:51,830 --> 01:34:50,639

mean you know i mean this is literally

2730

01:34:53,350 --> 01:34:51,840

we got off the phone we didn't stop

2731

01:34:54,550 --> 01:34:53,360

recording we're just going straight

2732

01:34:56,310 --> 01:34:54,560

we're going straight into it i mean

2733

01:34:58,149 --> 01:34:56,320

these are just thoughts off the tops of

2734

01:34:59,030 --> 01:34:58,159

our head you know yeah we're not selling

2735

01:35:00,950 --> 01:34:59,040

anything i mean

2736

01:35:02,149 --> 01:35:00,960

you know the listeners they can make up

2737

01:35:05,270 --> 01:35:02,159

their own minds you know

2738

01:35:07,109 --> 01:35:05,280

i'm not gonna you know i

2739

01:35:08,790 --> 01:35:07,119

do have some of the literature that like

2740

01:35:10,550 --> 01:35:08,800

i picked up from the table and i

2741

01:35:11,830 --> 01:35:10,560

plan on reading through some of that

2742

01:35:13,510 --> 01:35:11,840

stuff um

2743

01:35:15,590 --> 01:35:13,520

you know but i mean i'm not gonna like

2744

01:35:17,270 --> 01:35:15,600

go home right now and download every

2745

01:35:19,910 --> 01:35:17,280

single thing that's like available

2746

01:35:20,310 --> 01:35:19,920

just because one i don't read that fast

2747

01:35:25,830 --> 01:35:20,320

and

2748

01:35:28,229 --> 01:35:25,840

step by step you know like i'm not like

2749

01:35:29,830 --> 01:35:28,239

i'm not trying to convert anybody i'm

2750

01:35:31,590 --> 01:35:29,840

not converting you know what i'm saying

2751

01:35:33,189 --> 01:35:31,600

but i do think it's a very

2752

01:35:34,950 --> 01:35:33,199

interesting perspective super

2753

01:35:37,270 --> 01:35:34,960

interesting yeah you know man

2754

01:35:38,709 --> 01:35:37,280

and what a like just nice group of

2755

01:35:41,990 --> 01:35:38,719

people like justin

2756

01:35:44,550 --> 01:35:42,000

super nice [h__h] dude super nice like

2757

01:35:45,590 --> 01:35:44,560

well-spoken people yeah i don't know i

2758

01:35:48,229 --> 01:35:45,600

just i've had a great

2759

01:35:49,430 --> 01:35:48,239

great time talking to you is great man i

2760

01:35:50,229 --> 01:35:49,440

definitely want to have them on the show

2761

01:35:51,910 --> 01:35:50,239

again for sure

2762

01:35:53,669 --> 01:35:51,920

yeah we say that about every single

2763

01:35:54,070 --> 01:35:53,679

guest that we have on but they're all so

2764

01:35:55,669 --> 01:35:54,080

cool

2765

01:35:57,030 --> 01:35:55,679

you know what if we had a guest on that

2766

01:35:58,470 --> 01:35:57,040

we were like hey you know what we should

2767

01:36:00,750 --> 01:35:58,480

probably never talk to that person ever

2768

01:36:04,629 --> 01:36:00,760

again it sucks

2769

01:36:08,629 --> 01:36:07,510

i feel like as i listen to this podcast

2770

01:36:10,709 --> 01:36:08,639

again i'm going to come up with

2771

01:36:11,830 --> 01:36:10,719

other questions because i know i am so

2772

01:36:15,030 --> 01:36:11,840

i'd love to have

2773

01:36:18,629 --> 01:36:15,040

read back on so absolutely man yeah

2774

01:36:20,790 --> 01:36:18,639

dude all right dude hey hey

2775

01:36:22,590 --> 01:36:20,800

hey by the way by the way don't forget

2776

01:36:24,390 --> 01:36:22,600

to check out uh

2777

01:36:26,629 --> 01:36:24,400

ufogaragepc.com that's where you can

2778

01:36:29,750 --> 01:36:26,639

find your two favorite guys uh

2779

01:36:31,910 --> 01:36:29,760

and uh find all your favorite t-shirts

2780

01:36:33,669 --> 01:36:31,920

and socks and and whatnot you know what

2781

01:36:34,669 --> 01:36:33,679

i'm saying uh don't forget to check out

2782

01:36:35,990 --> 01:36:34,679

our buddies over there

2783

01:36:39,270 --> 01:36:36,000

phoenixshaving.com

2784

01:36:41,510 --> 01:36:39,280

and also our uh our british homies uh

2785

01:36:42,870 --> 01:36:41,520

at uh abduction 51 man that's what and

2786

01:36:43,590 --> 01:36:42,880

then once again because i did it

2787

01:36:45,030 --> 01:36:43,600

backwards

2788

01:36:47,030 --> 01:36:45,040

also don't forget to check out ufo

2789

01:36:48,470 --> 01:36:47,040

garage pc.com

2790

01:36:50,470 --> 01:36:48,480

if you want to support the podcast

2791

01:36:51,189 --> 01:36:50,480

please buy a shirt or some socks or a

2792

01:36:53,109 --> 01:36:51,199

backpack

2793

01:36:54,470 --> 01:36:53,119

yeah we we love doing this podcast but

2794

01:36:56,550 --> 01:36:54,480

you know a little moolah here and there

2795

01:36:58,390 --> 01:36:56,560

to to pay for our website and stuff

2796

01:36:59,590 --> 01:36:58,400

yeah that'd be cool so if you like if

2797

01:37:01,910 --> 01:36:59,600

you like the show

2798

01:37:02,790 --> 01:37:01,920

man show us some love or or go check us

2799

01:37:04,550 --> 01:37:02,800

out on youtube

2800

01:37:05,990 --> 01:37:04,560

and hit that subscribe button dude you

2801

01:37:07,990 --> 01:37:06,000

know do all that honestly

2802

01:37:09,830 --> 01:37:08,000

instead of buying a shirt subscribing to

2803

01:37:10,390 --> 01:37:09,840

us on youtube would almost be equivalent

2804

01:37:11,830 --> 01:37:10,400

to that

2805

01:37:13,750 --> 01:37:11,840

you know yeah i mean i guess it kind of

2806

01:37:17,109 --> 01:37:13,760

would yeah go to youtube and subscribe

2807

01:37:19,430 --> 01:37:17,119

totally sick yeah man uh you know we all

2808

01:37:20,950 --> 01:37:19,440

we all live in 2020 i mean that's just

2809

01:37:22,390 --> 01:37:20,960

something you do now you hit like

2810

01:37:25,030 --> 01:37:22,400

buttons and subscribe buttons

2811

01:37:25,430 --> 01:37:25,040

smash that so freaking if you if you

2812

01:37:29,030 --> 01:37:25,440

like it

2813

01:37:32,070 --> 01:37:29,040

go do it all right all right dude
