00:00:14,089 --> 00:00:11,219

I've been and I'm Joe and this is where

4  
00:00:17,060 --> 00:00:14,099

we talk about UFOs aliens and all things

5  
00:00:19,279 --> 00:00:17,070

weird yeah dude

6  
00:00:21,200 --> 00:00:19,289

awesome so hey ladies and gentlemen

7  
00:00:23,870 --> 00:00:21,210

we've got one of our favorites back with

8  
00:00:24,529 --> 00:00:23,880

us again Oh gene yeah the the queen of

9  
00:00:26,570 --> 00:00:24,539

naps

10  
00:00:29,839 --> 00:00:26,580

you know we've got miss Laurie and

11  
00:00:34,010 --> 00:00:29,849

fidget back with us again today all

12  
00:00:35,900 --> 00:00:34,020

right Lauren how you doing today now I'm

13  
00:00:38,299 --> 00:00:35,910

starting to laugh at her Whoopi it won't

14

00:00:39,979 --> 00:00:38,309

be pretty you guys I'll just start

15

00:00:42,950 --> 00:00:39,989

laughing the whole show you guys cracked

16

00:00:45,470 --> 00:00:42,960

the episode you're so much fun it's all

17

00:00:47,600 --> 00:00:45,480

right back is this like my third time or

18

00:00:49,490 --> 00:00:47,610

something yeah this is yeah this is the

19

00:00:51,080 --> 00:00:49,500

third time for sure this is the third

20

00:00:53,150 --> 00:00:51,090

time good night third time's a charm

21

00:00:55,369 --> 00:00:53,160

let's see who we can route cages on

22

00:00:57,680 --> 00:00:55,379

today I know seriously I mean there's

23

00:01:00,260 --> 00:00:57,690

just so much stuff going on right now

24

00:01:02,779 --> 00:01:00,270

you know you guys want to start shall we

25

00:01:05,149 --> 00:01:02,789

start with the virus shall we go to UFOs

26  
00:01:06,500 --> 00:01:05,159  
Amy where do you guys want to go I mean

27  
00:01:09,200 --> 00:01:06,510  
it's mind boggling to me

28  
00:01:11,710 --> 00:01:09,210  
I definitely like want to start with the

29  
00:01:13,880 --> 00:01:11,720  
the newest DoD announcement or

30  
00:01:16,130 --> 00:01:13,890  
confirmation but I definitely want to

31  
00:01:18,890 --> 00:01:16,140  
and I want to end with with your JFK

32  
00:01:21,920 --> 00:01:18,900  
stuff yeah well you know I'm telling you

33  
00:01:23,719 --> 00:01:21,930  
the DoD stuff is this such a snore I

34  
00:01:27,230 --> 00:01:23,729  
don't know if you guys understand this

35  
00:01:29,179 --> 00:01:27,240  
but I don't care about that stuff

36  
00:01:31,219 --> 00:01:29,189  
anymore I think you know that's just me

37  
00:01:33,230 --> 00:01:31,229  
personally I'm sure it's very important

38  
00:01:36,319 --> 00:01:33,240

to a lot of people out there who have

39

00:01:38,480 --> 00:01:36,329

never had an experience because they're

40

00:01:41,060 --> 00:01:38,490

in the UFO community because they know

41

00:01:43,609 --> 00:01:41,070

they've got a gut feeling it's all real

42

00:01:45,380 --> 00:01:43,619

and I want to be part of it and they

43

00:01:47,300 --> 00:01:45,390

hang out in the chat rooms and they do

44

00:01:50,569 --> 00:01:47,310

all that stuff which I don't even have

45

00:01:52,160 --> 00:01:50,579

time for in my life and you know they

46

00:01:53,749 --> 00:01:52,170

get to banter about it and they get to

47

00:01:57,319 --> 00:01:53,759

talk about what the government's doing

48

00:01:59,600 --> 00:01:57,329

and all this and and the only way I've

49

00:02:01,520 --> 00:01:59,610

dealt with the government the whole 40

50

00:02:04,249 --> 00:02:01,530

years plus that I've been dealing with

51  
00:02:06,499 --> 00:02:04,259  
this stuff is that I knew they were

52  
00:02:10,880 --> 00:02:06,509  
there running the circus is how I always

53  
00:02:12,660 --> 00:02:10,890  
put it and and my father very succinctly

54  
00:02:14,700 --> 00:02:12,670  
set and he goes if

55  
00:02:16,530 --> 00:02:14,710  
is anything to be hidden you got to know

56  
00:02:19,050 --> 00:02:16,540  
the government's behind it or the

57  
00:02:21,059 --> 00:02:19,060  
military that's what the other you know

58  
00:02:24,090 --> 00:02:21,069  
somebody's behind keeping it quiet

59  
00:02:26,250 --> 00:02:24,100  
so you know my dad saw something when he

60  
00:02:28,500 --> 00:02:26,260  
was a kid he and my grandmother swear

61  
00:02:31,470 --> 00:02:28,510  
they saw some lights in the sky you know

62  
00:02:34,440 --> 00:02:31,480  
that kind of thing and he couldn't find

63  
00:02:36,090 --> 00:02:34,450

anybody else who saw this thing and it

64

00:02:38,460 --> 00:02:36,100

was all covered up and they were up in

65

00:02:41,130 --> 00:02:38,470

Washington State so anything out to make

66

00:02:42,780 --> 00:02:41,140

a long story short my dad had a feeling

67

00:02:46,050 --> 00:02:42,790

his entire life there was something out

68

00:02:49,710 --> 00:02:46,060

there but until the captain favor went

69

00:02:51,840 --> 00:02:49,720

on CNN and said you know I was chasing

70

00:02:56,310 --> 00:02:51,850

this thing in the sky did he acknowledge

71

00:02:59,550 --> 00:02:56,320

to me that is it was all real okay yeah

72

00:03:01,410 --> 00:02:59,560

yeah those are the people that that is

73

00:03:03,590 --> 00:03:01,420

designed for it's designed for the

74

00:03:06,509 --> 00:03:03,600

people who don't remember an experience

75

00:03:08,130 --> 00:03:06,519

don't believe in it like it's a religion

76

00:03:10,290 --> 00:03:08,140

don't live it every day and don't

77

00:03:12,240 --> 00:03:10,300

breathe it every day and I get that I

78

00:03:15,060 --> 00:03:12,250

totally get it I you know it's it's

79

00:03:17,460 --> 00:03:15,070

important that they do that but you

80

00:03:20,729 --> 00:03:17,470

gotta remember why are they doing it

81

00:03:22,590 --> 00:03:20,739

yeah what everybody doesn't even realize

82

00:03:24,240 --> 00:03:22,600

they go oh it's so cool you know this is

83

00:03:26,009 --> 00:03:24,250

that and what have you and I'm like wait

84

00:03:28,850 --> 00:03:26,019

a minute why are they telling you now

85

00:03:32,370 --> 00:03:28,860

why didn't they tell you back in 1952

86

00:03:34,680 --> 00:03:32,380

yeah I've told you so if they're telling

87

00:03:36,930 --> 00:03:34,690

me now then they're trying to get you to

88

00:03:38,940 --> 00:03:36,940

start believing that they just figured

89

00:03:42,330 --> 00:03:38,950

this all out these last you know what

90

00:03:44,220 --> 00:03:42,340

were those videotapes done in 2004 2007

91

00:03:45,630 --> 00:03:44,230

yeah you know they're trying to get you

92

00:03:47,580 --> 00:03:45,640

to come on board with the fact that

93

00:03:48,810 --> 00:03:47,590

they're just figuring this all out now

94

00:03:52,080 --> 00:03:48,820

in the 20th century

95

00:03:55,680 --> 00:03:52,090

so which is a bunch of hooey as we know

96

00:03:57,900 --> 00:03:55,690

absolutely yeah the group question is

97

00:03:59,850 --> 00:03:57,910

not that they released it or that

98

00:04:01,800 --> 00:03:59,860

they're copping to it or whatever it's

99

00:04:04,520 --> 00:04:01,810

why are they working with the guys from

100

00:04:07,860 --> 00:04:04,530

the CIA into the Stars Academy and

101  
00:04:10,830 --> 00:04:07,870  
letting them pre-release it and then

102  
00:04:12,930 --> 00:04:10,840  
helping them you know legitimize it

103  
00:04:14,880 --> 00:04:12,940  
later right that's what I'm trying

104  
00:04:17,310 --> 00:04:14,890  
you're out work what's this all about

105  
00:04:19,430 --> 00:04:17,320  
yeah nothing to do damn video tapes

106  
00:04:21,330 --> 00:04:19,440  
we've known about video tapes that the

107  
00:04:26,220 --> 00:04:21,340  
military has been getting since

108  
00:04:28,200 --> 00:04:26,230  
literally 1950 1948 49 50

109  
00:04:30,120 --> 00:04:28,210  
and there's a great movie coming out I

110  
00:04:32,880 --> 00:04:30,130  
hope it's still coming out this summer

111  
00:04:35,550 --> 00:04:32,890  
called phenomenon by James Fox yeah and

112  
00:04:38,220 --> 00:04:35,560  
has a lot of history of what these guys

113  
00:04:40,230 --> 00:04:38,230

have done so it's gonna be a great movie

114

00:04:43,650 --> 00:04:40,240

for the UFO community it's perfect for

115

00:04:45,270 --> 00:04:43,660

people who you know want to know who the

116

00:04:47,310 --> 00:04:45,280

players are and what they've been hiding

117

00:04:51,060 --> 00:04:47,320

all this time and I think it's an

118

00:04:52,920 --> 00:04:51,070

amazing flick so and and it's got

119

00:04:54,960 --> 00:04:52,930

some other interesting information in it

120

00:04:57,630 --> 00:04:54,970

that is really gonna blow people away if

121

00:04:59,280 --> 00:04:57,640

they understand what they're seeing

122

00:05:01,470 --> 00:04:59,290

and I can't talk about because I

123

00:05:03,180 --> 00:05:01,480

promised James I wouldn't but I've seen

124

00:05:07,020 --> 00:05:03,190

the movie already I got to go to a

125

00:05:08,370 --> 00:05:07,030

pre-screening of it so yeah so it's it's

126

00:05:14,190 --> 00:05:08,380

really phenomenal

127

00:05:15,870 --> 00:05:14,200

it's called phenomenon yeah I hope

128

00:05:18,420 --> 00:05:15,880

everybody watches it I think it'll help

129

00:05:20,010 --> 00:05:18,430

people put into perspective how long

130

00:05:23,010 --> 00:05:20,020

these guys have been running the show

131

00:05:25,760 --> 00:05:23,020

yeah yeah I like the way I like the way

132

00:05:27,870 --> 00:05:25,770

you put it that who or who is this DoD

133

00:05:29,550 --> 00:05:27,880

confirmation who are those videos for I

134

00:05:32,430 --> 00:05:29,560

like that it is for those people that

135

00:05:35,280 --> 00:05:32,440

have had their reservations for for

136

00:05:36,420 --> 00:05:35,290

however many years and or whoever like

137

00:05:38,430 --> 00:05:36,430

their friends are into it and they're

138

00:05:41,040 --> 00:05:38,440

just too scared or a little afraid of

139

00:05:42,660 --> 00:05:41,050

coming out and sounding crazy like it

140

00:05:44,820 --> 00:05:42,670

those videos aren't for us because we've

141

00:05:47,400 --> 00:05:44,830

already known about that for for a

142

00:05:49,860 --> 00:05:47,410

couple Oh me and Java like maybe for a

143

00:05:51,420 --> 00:05:49,870

year now but other people have known

144

00:05:53,310 --> 00:05:51,430

about it for a long time like I like the

145

00:05:55,140 --> 00:05:53,320

way that you said that but it's not for

146

00:05:58,050 --> 00:05:55,150

us it's for those people that are on the

147

00:05:59,820 --> 00:05:58,060

fence that's right absolutely and that's

148

00:06:01,440 --> 00:05:59,830

what it's all about because they

149

00:06:03,900 --> 00:06:01,450

understand that we're a very small

150

00:06:05,910 --> 00:06:03,910

minority you know you look at the guys

151  
00:06:08,580 --> 00:06:05,920  
that are and hey nothing against these

152  
00:06:12,540 --> 00:06:08,590  
guys their job is to make sure that the

153  
00:06:16,110 --> 00:06:12,550  
rollout of UFOs and aliens happens in a

154  
00:06:18,150 --> 00:06:16,120  
very slow drip and takes at least two

155  
00:06:20,310 --> 00:06:18,160  
generations to happen my guess is

156  
00:06:22,740 --> 00:06:20,320  
they're looking at 40 years yeah it's

157  
00:06:25,890 --> 00:06:22,750  
already been seven and we barely gotten

158  
00:06:27,810 --> 00:06:25,900  
anything right and I think they're

159  
00:06:30,620 --> 00:06:27,820  
waiting for the next round of kids to

160  
00:06:33,060 --> 00:06:30,630  
wake up and watch the Hollywood you know

161  
00:06:35,370 --> 00:06:33,070  
propaganda and what-have-you and and

162  
00:06:37,560 --> 00:06:35,380  
they want people who aren't old enough

163  
00:06:39,040 --> 00:06:37,570

to ask questions about why are you

164

00:06:41,379 --> 00:06:39,050

hiding this from us

165

00:06:43,029 --> 00:06:41,389

yeah I think one of the things that

166

00:06:45,189 --> 00:06:43,039

worries me is the fact that you know

167

00:06:47,350 --> 00:06:45,199

like you know we've we've known about

168

00:06:49,450 --> 00:06:47,360

this video it's come out you know three

169

00:06:51,430 --> 00:06:49,460

or four separate times like been

170

00:06:53,710 --> 00:06:51,440

released and it's like you know like

171

00:06:55,960 --> 00:06:53,720

these these CIA people and these to the

172

00:06:58,749 --> 00:06:55,970

Stars Academy guys it's almost like they

173

00:07:00,999 --> 00:06:58,759

like they're doing it and the people who

174

00:07:03,790 --> 00:07:01,009

aren't you know like kind of you know up

175

00:07:06,580 --> 00:07:03,800

to speed on everything it almost makes

176  
00:07:08,350 --> 00:07:06,590  
those guys seem like the heroes and it's

177  
00:07:10,659 --> 00:07:08,360  
like all the people who aren't into it

178  
00:07:12,999 --> 00:07:10,669  
or didn't believe in it at one point

179  
00:07:15,070 --> 00:07:13,009  
now do believe in it now they're all

180  
00:07:17,230 --> 00:07:15,080  
fans of these guys who have been

181  
00:07:19,719 --> 00:07:17,240  
deceiving us for 70 plus years you know

182  
00:07:22,450 --> 00:07:19,729  
what I'm saying absolutely that was

183  
00:07:24,399 --> 00:07:22,460  
gonna be my next point it's like we're

184  
00:07:30,070 --> 00:07:24,409  
playing into the hands of the wolf like

185  
00:07:32,620 --> 00:07:30,080  
in you know Little Red Riding Hood we've

186  
00:07:34,540 --> 00:07:32,630  
been fed a tail and we're like you know

187  
00:07:39,999 --> 00:07:34,550  
we're getting ready to be eaten like the

188  
00:07:41,469 --> 00:07:40,009

grandmother but yeah yeah it's a it's

189

00:07:44,499 --> 00:07:41,479

taken it to like a whole new level you

190

00:07:46,510 --> 00:07:44,509

know because it was like okay so yeah we

191

00:07:48,279 --> 00:07:46,520

believe in aliens and UFOs and stuff

192

00:07:50,409 --> 00:07:48,289

right oh well you're crazy

193

00:07:51,999 --> 00:07:50,419

okay well now this video comes out and

194

00:07:53,980 --> 00:07:52,009

everybody's like oh my goodness this

195

00:07:55,269 --> 00:07:53,990

stuff is real and now the same people

196

00:07:58,420 --> 00:07:55,279

have been saying it for all these years

197

00:08:00,550 --> 00:07:58,430

are now saying yes it is real but be

198

00:08:02,379 --> 00:08:00,560

careful of the information that you're

199

00:08:05,589 --> 00:08:02,389

getting and who you're getting it from

200

00:08:07,899 --> 00:08:05,599

and now you know now that your didn't we

201  
00:08:11,920 --> 00:08:07,909  
discredit some of these people now we're

202  
00:08:13,390 --> 00:08:11,930  
still crazy right thank you guys for

203  
00:08:16,029 --> 00:08:13,400  
being smart enough to realize that

204  
00:08:17,980 --> 00:08:16,039  
having only been in the in the game you

205  
00:08:22,089 --> 00:08:17,990  
know skin in the game now for about a

206  
00:08:24,640 --> 00:08:22,099  
year or so these guys I mean I I don't

207  
00:08:26,469 --> 00:08:24,650  
dislike them I've never have disliked

208  
00:08:28,899 --> 00:08:26,479  
any of the guys running the show because

209  
00:08:30,850 --> 00:08:28,909  
maybe and there's always this nagging

210  
00:08:33,310 --> 00:08:30,860  
sensation in the back of my brain that

211  
00:08:35,500 --> 00:08:33,320  
goes maybe they know something we don't

212  
00:08:37,329 --> 00:08:35,510  
right you know maybe they know that

213  
00:08:39,310 --> 00:08:37,339

there's some alien species out there

214

00:08:45,190 --> 00:08:39,320

that's trying to kill us or eat us or

215

00:08:46,660 --> 00:08:45,200

cook us like in the something we don't I

216

00:08:50,260 --> 00:08:46,670

always give them that leeway

217

00:08:52,269 --> 00:08:50,270

I never say they are totally against us

218

00:08:52,610 --> 00:08:52,279

at blob on there feeding us a line of

219

00:08:54,590 --> 00:08:52,620

crap

220

00:08:56,510 --> 00:08:54,600

you know I never say that ever yeah

221

00:08:57,560 --> 00:08:56,520

because they've got an icky job to do

222

00:08:59,240 --> 00:08:57,570

because they have to they have the

223

00:09:01,310 --> 00:08:59,250

answer to the Department of Defense or

224

00:09:04,220 --> 00:09:01,320

the military a branch of the military or

225

00:09:06,500 --> 00:09:04,230

somebody or the CIA the FBI I mean it's

226

00:09:09,500 --> 00:09:06,510

their job you know yeah and what are

227

00:09:11,240 --> 00:09:09,510

they gonna do if you know that we find

228

00:09:12,980 --> 00:09:11,250

out that there's something really

229

00:09:17,600 --> 00:09:12,990

horrible that they've kept under wraps

230

00:09:18,920 --> 00:09:17,610

all these years and you know I just kind

231

00:09:20,750 --> 00:09:18,930

of funny feeling there's something

232

00:09:23,390 --> 00:09:20,760

behind the curtain that we're we've

233

00:09:24,860 --> 00:09:23,400

still not yet figured out yeah and I

234

00:09:26,840 --> 00:09:24,870

don't know if it's good or bad maybe

235

00:09:30,050 --> 00:09:26,850

it's the fact that you know maybe we are

236

00:09:32,240 --> 00:09:30,060

all little gods as we can if we we we

237

00:09:34,670 --> 00:09:32,250

can mean with the aliens we all can you

238

00:09:37,430 --> 00:09:34,680

know completely control this planet and

239

00:09:40,340 --> 00:09:37,440

manifest things on our own you know I

240

00:09:42,890 --> 00:09:40,350

love and we don't the government I mean

241

00:09:45,110 --> 00:09:42,900

think about my experience when I was six

242

00:09:49,240 --> 00:09:45,120

or seven where I manifested a rabbit

243

00:09:52,870 --> 00:09:49,250

because of my love of a rabbit yeah

244

00:09:57,260 --> 00:09:52,880

that's powerful we can be and I think

245

00:09:59,540 --> 00:09:57,270

that they may not want us to know that

246

00:10:01,280 --> 00:09:59,550

whoever they may be there's an evil and

247

00:10:03,380 --> 00:10:01,290

evil group of people running our

248

00:10:06,080 --> 00:10:03,390

government I don't know yeah I one scene

249

00:10:07,430 --> 00:10:06,090

is I would put it past there being an

250

00:10:09,260 --> 00:10:07,440

evil group of people running our

251  
00:10:12,260 --> 00:10:09,270  
government and especially since this

252  
00:10:14,270 --> 00:10:12,270  
virus thing happened on those virus

253  
00:10:16,790 --> 00:10:14,280  
thing I'm sorry did anybody you guys

254  
00:10:20,750 --> 00:10:16,800  
know get it and die nope

255  
00:10:22,670 --> 00:10:20,760  
no I don't know find somebody who's had

256  
00:10:25,400 --> 00:10:22,680  
somebody they know that's very close to

257  
00:10:29,120 --> 00:10:25,410  
them in their family died from this

258  
00:10:31,910 --> 00:10:29,130  
virus yeah nobody won yeah do you guys

259  
00:10:34,370 --> 00:10:31,920  
know somebody so I do know there's an

260  
00:10:37,160 --> 00:10:34,380  
irrigation company that I go to and pick

261  
00:10:39,650 --> 00:10:37,170  
up equipment and they have all they had

262  
00:10:42,800 --> 00:10:39,660  
a warehouse that was next door to

263  
00:10:44,900 --> 00:10:42,810

somebody who had the corona virus and

264

00:10:47,570 --> 00:10:44,910

apparently the warehouse had like 30

265

00:10:50,750 --> 00:10:47,580

people in it and they all went got

266

00:10:52,790 --> 00:10:50,760

tested and I believe like 20 of them got

267

00:10:54,680 --> 00:10:52,800

the corona virus but none of them had

268

00:10:56,090 --> 00:10:54,690

symptoms like they were just like

269

00:10:57,920 --> 00:10:56,100

regular like nothing happened they

270

00:11:00,350 --> 00:10:57,930

didn't get sick at all yeah they asked

271

00:11:04,220 --> 00:11:00,360

those 20 people if they'd had a vaccine

272

00:11:05,060 --> 00:11:04,230

for the virus I don't believe that they

273

00:11:07,220 --> 00:11:05,070

did I don't

274

00:11:08,960 --> 00:11:07,230

I didn't ask him about it but I wasn't

275

00:11:10,970 --> 00:11:08,970

aware that you know they were just

276

00:11:14,230 --> 00:11:10,980  
handing these vaccines out yet

277

00:11:16,180 --> 00:11:14,240  
well no see the flu vaccine has

278

00:11:19,130 --> 00:11:16,190  
coronavirus in it uh-huh

279

00:11:21,290 --> 00:11:19,140  
read the label on the last five to ten

280

00:11:23,090 --> 00:11:21,300  
years of flu vaccines they all say

281

00:11:25,250 --> 00:11:23,100  
bubble I have a label somewhere out here

282

00:11:26,840 --> 00:11:25,260  
I don't I don't have an and I can't

283

00:11:30,080 --> 00:11:26,850  
remember what I did with that file but

284

00:11:31,790 --> 00:11:30,090  
every vaccine has coronavirus in it so

285

00:11:34,160 --> 00:11:31,800  
what they're not telling you which is

286

00:11:36,050 --> 00:11:34,170  
making me insane because I said this on

287

00:11:40,430 --> 00:11:36,060  
my radio show the first week this all

288

00:11:42,020 --> 00:11:40,440

started was that well I mean I'm gonna

289

00:11:46,010 --> 00:11:42,030

go into this I think it's important yes

290

00:11:49,520 --> 00:11:46,020

well please do okay back in 2010 at

291

00:11:51,710 --> 00:11:49,530

conspiracy con I met Judy Mike Ovitz she

292

00:11:54,470 --> 00:11:51,720

won't remember me from Adam but she got

293

00:11:58,370 --> 00:11:54,480

me on a path my dance partner died from

294

00:11:59,990 --> 00:11:58,380

AIDS and I was always curious what the

295

00:12:01,640 --> 00:12:00,000

hell was going on with this virus and

296

00:12:04,640 --> 00:12:01,650

then when I saw her presentation about

297

00:12:06,380 --> 00:12:04,650

HIV and AIDS and how the government

298

00:12:08,480 --> 00:12:06,390

covered it up and it really wasn't

299

00:12:10,520 --> 00:12:08,490

killing them it was killing their immune

300

00:12:12,500 --> 00:12:10,530

system and they were dying of other

301  
00:12:14,690 --> 00:12:12,510  
things that the virus actually wasn't

302  
00:12:17,750 --> 00:12:14,700  
killing them it was because they

303  
00:12:19,370 --> 00:12:17,760  
developed a virus that could suppress

304  
00:12:21,230 --> 00:12:19,380  
your immune system to the point where

305  
00:12:23,240 --> 00:12:21,240  
you you're like the boy the bubble you

306  
00:12:25,460 --> 00:12:23,250  
go anywhere without picking up something

307  
00:12:27,800 --> 00:12:25,470  
right right and most of the people who

308  
00:12:31,520 --> 00:12:27,810  
had AIDS or died of AIDS died of

309  
00:12:34,400 --> 00:12:31,530  
horrible pneumonia and blood diseases

310  
00:12:38,120 --> 00:12:34,410  
Keamy because that's the all that's what

311  
00:12:40,070 --> 00:12:38,130  
they all turned into so um and she told

312  
00:12:41,780 --> 00:12:40,080  
the story about foul Chi and what he did

313  
00:12:45,200 --> 00:12:41,790

to her and all this stuff this is back

314

00:12:47,390 --> 00:12:45,210

in 2010 so I called my sister that year

315

00:12:48,920 --> 00:12:47,400

also because I wanted to find out how

316

00:12:51,950 --> 00:12:48,930

much of what she was talking about about

317

00:12:54,560 --> 00:12:51,960

the virus itself was true my sister back

318

00:12:55,700 --> 00:12:54,570

in the early 90s was working a universe

319

00:12:57,650 --> 00:12:55,710

I'm not going to say where she was

320

00:13:01,750 --> 00:12:57,660

working she was a neurologist and a

321

00:13:05,630 --> 00:13:01,760

hepatologist fellow at a laboratory

322

00:13:08,330 --> 00:13:05,640

pre-med working towards you know paying

323

00:13:10,400 --> 00:13:08,340

her you know pain to go to med school

324

00:13:11,900 --> 00:13:10,410

and so she was there during the day

325

00:13:13,790 --> 00:13:11,910

working and going to school at night and

326

00:13:15,380 --> 00:13:13,800

do it I don't know what all she was

327

00:13:17,920 --> 00:13:15,390

doing but she worked for a guide that

328

00:13:21,190 --> 00:13:17,930

was a virus and blood guy

329

00:13:24,250 --> 00:13:21,200

and I asked her way back in the 90s when

330

00:13:26,260 --> 00:13:24,260

my dance partner died I said how to even

331

00:13:28,780 --> 00:13:26,270

tell you got it you know how do you tell

332

00:13:31,389 --> 00:13:28,790

one virus from another and she said

333

00:13:33,760 --> 00:13:31,399

point blank she said there is no way

334

00:13:35,650 --> 00:13:33,770

when I said a cold virus how do you tell

335

00:13:37,750 --> 00:13:35,660

the difference between a flu a cold this

336

00:13:40,600 --> 00:13:37,760

what you know what error and she goes

337

00:13:43,210 --> 00:13:40,610

she can't once you've got a certain type

338

00:13:45,190 --> 00:13:43,220

of like Chrissy's coronavirus for an

339

00:13:46,810 --> 00:13:45,200

example I don't remember what used at

340

00:13:50,050 --> 00:13:46,820

the time but let's use coronavirus if

341

00:13:51,880 --> 00:13:50,060

you had a flu shot for corona virus your

342

00:13:54,790 --> 00:13:51,890

body's going to build up antibodies to

343

00:13:57,250 --> 00:13:54,800

it and every time we test you you're

344

00:13:59,199 --> 00:13:57,260

gonna come up positive for corona virus

345

00:14:01,000 --> 00:13:59,209

and she goes that means you've built an

346

00:14:03,130 --> 00:14:01,010

immunity to it because you're not sick

347

00:14:06,579 --> 00:14:03,140

and dying and I'm in a bed somewhere

348

00:14:08,530 --> 00:14:06,589

yeah and you're up walking around so she

349

00:14:10,690 --> 00:14:08,540

goes there's no way to tell if it's

350

00:14:13,060 --> 00:14:10,700

active or non active there's no way to

351

00:14:15,639 --> 00:14:13,070

tell if it you got it right now or you

352

00:14:17,620 --> 00:14:15,649

had it in the past and what it will do

353

00:14:20,620 --> 00:14:17,630

is it'll just come up with a whole bunch

354

00:14:22,930 --> 00:14:20,630

of false positives because even if

355

00:14:25,030 --> 00:14:22,940

you've had it and not had a flu shot and

356

00:14:27,340 --> 00:14:25,040

you had the virus you'll still come up

357

00:14:29,380 --> 00:14:27,350

that you've had it and it's just there's

358

00:14:31,510 --> 00:14:29,390

no way to tell unless they come they

359

00:14:33,760 --> 00:14:31,520

give you and at that time she I don't

360

00:14:35,800 --> 00:14:33,770

know she said it was a PCR test or

361

00:14:37,449 --> 00:14:35,810

whatever it's a blood test where they

362

00:14:40,000 --> 00:14:37,459

actually shake and bake it for a couple

363

00:14:42,130 --> 00:14:40,010

of weeks and then they can kind of give

364

00:14:43,990 --> 00:14:42,140

you an idea of what strain of the corona

365

00:14:46,810 --> 00:14:44,000

virus it is but they can't really get

366

00:14:49,120 --> 00:14:46,820

you now trust me there's nothing now

367

00:14:51,730 --> 00:14:49,130

that can test for the corona virus that

368

00:14:53,620 --> 00:14:51,740

we've got this 19 is coming in at 19

369

00:14:55,750 --> 00:14:53,630

there's nothing now I mean they may have

370

00:14:58,720 --> 00:14:55,760

extracted and they may be coming up with

371

00:15:00,699 --> 00:14:58,730

it but there's no way to test for it so

372

00:15:02,260 --> 00:15:00,709

when I I called her when this whole

373

00:15:03,940 --> 00:15:02,270

thing started I said wait do you

374

00:15:06,670 --> 00:15:03,950

remember our conversation back in the

375

00:15:08,650 --> 00:15:06,680

late night she goes yes I do I said well

376

00:15:10,540 --> 00:15:08,660

that's good because what you told me

377

00:15:12,760 --> 00:15:10,550

then was that they can't test for this

378

00:15:13,780 --> 00:15:12,770

stuff and be accurate she was that is

379

00:15:15,550 --> 00:15:13,790

absolutely true

380

00:15:17,500 --> 00:15:15,560

unless they've come up with something I

381

00:15:19,120 --> 00:15:17,510

don't know about which I been looking

382

00:15:21,040 --> 00:15:19,130

through all the journals she goes I

383

00:15:23,139 --> 00:15:21,050

can't find anything that says that they

384

00:15:26,230 --> 00:15:23,149

can actually test for this and get it

385

00:15:27,880 --> 00:15:26,240

right and I said so what's going on she

386

00:15:30,010 --> 00:15:27,890

goes I haven't a clue she goes all this

387

00:15:31,250 --> 00:15:30,020

monitor and let you know and she called

388

00:15:32,870 --> 00:15:31,260

me again last

389

00:15:35,060 --> 00:15:32,880

I went on my radio show and I told the

390

00:15:36,890 --> 00:15:35,070

world look they can't test you for this

391

00:15:38,930 --> 00:15:36,900

it's going to come up false positive or

392

00:15:41,690 --> 00:15:38,940

with this or that or whatever yeah and

393

00:15:43,910 --> 00:15:41,700

and then I said and here's the the

394

00:15:45,650 --> 00:15:43,920

creepy part I don't know why I said it I

395

00:15:47,360 --> 00:15:45,660

said who knows when they stick that

396

00:15:52,040 --> 00:15:47,370

thing up your nose they might be giving

397

00:15:55,520 --> 00:15:52,050

it to you at that and then just about

398

00:15:57,230 --> 00:15:55,530

five days ago my sister calls it goes

399

00:16:00,230 --> 00:15:57,240

there's no way they can figure it out

400

00:16:03,200 --> 00:16:00,240

for sure whether you got a flu vaccine

401  
00:16:05,870 --> 00:16:03,210  
or whether you got it or you know

402  
00:16:08,570 --> 00:16:05,880  
whatever she said there's basically no

403  
00:16:11,210 --> 00:16:08,580  
way in hell to tell if it's Corona 19

404  
00:16:14,210 --> 00:16:11,220  
okay yeah I see yeah I figured that she

405  
00:16:16,400 --> 00:16:14,220  
goes but but she goes you know who knows

406  
00:16:18,080 --> 00:16:16,410  
what they're up to my sister's a doctor

407  
00:16:20,660 --> 00:16:18,090  
what you gonna do you know rat on her

408  
00:16:23,030 --> 00:16:20,670  
fellow guys right so I hang up with her

409  
00:16:25,070 --> 00:16:23,040  
and then I find this article and I'm

410  
00:16:26,450 --> 00:16:25,080  
it's true and I'm not gonna spread

411  
00:16:29,780 --> 00:16:26,460  
rumors but I'm gonna tell you what I

412  
00:16:32,360 --> 00:16:29,790  
read this is all I know and I can't find

413  
00:16:34,400 --> 00:16:32,370

the origin of this it was hidden deep in

414

00:16:36,770 --> 00:16:34,410

the in the Internet and I'm not I

415

00:16:41,540 --> 00:16:36,780

haven't seen it you know come out as a a

416

00:16:44,090 --> 00:16:41,550

flow blooms conspiracy okay yet but I

417

00:16:47,210 --> 00:16:44,100

read this article that said all of those

418

00:16:49,520 --> 00:16:47,220

swabs that went up people's noses were

419

00:16:52,130 --> 00:16:49,530

tainted with corona virus that they had

420

00:16:55,520 --> 00:16:52,140

done a study on the current uncle swabs

421

00:16:57,680 --> 00:16:55,530

and they were in three plants and all

422

00:17:05,720 --> 00:16:57,690

three plants were contaminated with

423

00:17:08,420 --> 00:17:05,730

corona virus from the work if it was one

424

00:17:10,370 --> 00:17:08,430

plant and the workers you know

425

00:17:13,460 --> 00:17:10,380

contaminated them with corona virus I

426

00:17:17,270 --> 00:17:13,470

get it okay that makes sense right then

427

00:17:20,720 --> 00:17:17,280

the second one is sold and this is this

428

00:17:22,970 --> 00:17:20,730

is supposedly up on the CDC website this

429

00:17:24,890 --> 00:17:22,980

article and I'm like god I gotta go find

430

00:17:26,510 --> 00:17:24,900

it so I haven't had time to go looking

431

00:17:30,980 --> 00:17:26,520

for it yet I hope someone out there owns

432

00:17:33,410 --> 00:17:30,990

but then they said the second plant got

433

00:17:35,360 --> 00:17:33,420

tainted with rotavirus and then they

434

00:17:37,910 --> 00:17:35,370

said the third one got tainted and I'm

435

00:17:40,520 --> 00:17:37,920

thinking to myself okay now one day

436

00:17:43,660 --> 00:17:40,530

one's a mistake tuesd so bizarre it's

437

00:17:47,230 --> 00:17:43,670

beyond belief three it was planned right

438

00:17:49,900 --> 00:17:47,240

yeah all three of them are giving us

439

00:17:52,900 --> 00:17:49,910

swabs that have coronavirus attached to

440

00:17:54,910 --> 00:17:52,910

them in some way shape or form so I'm

441

00:17:56,410 --> 00:17:54,920

not saying it's every swab I'm just

442

00:17:58,600 --> 00:17:56,420

saying they found that they were

443

00:18:02,680 --> 00:17:58,610

contaminated with coronavirus I'm like

444

00:18:06,970 --> 00:18:02,690

okay this is just too much that's a plan

445

00:18:10,480 --> 00:18:06,980

a was to kill us as a population and it

446

00:18:12,460 --> 00:18:10,490

didn't work and people yes a plan B was

447

00:18:15,010 --> 00:18:12,470

if we don't effect enough people that

448

00:18:16,690 --> 00:18:15,020

they come up with a positive will do

449

00:18:20,500 --> 00:18:16,700

with the swab so they do come up

450

00:18:22,300 --> 00:18:20,510

positive Jesus man so lorina have you

451

00:18:24,910 --> 00:18:22,310

heard about or Joe - have y'all heard

452

00:18:26,590 --> 00:18:24,920

about so dr. Fauci as that name popped

453

00:18:28,780 --> 00:18:26,600

up at all like there's a doctor out

454

00:18:29,440 --> 00:18:28,790

there that saying voci pouchy there you

455

00:18:32,170 --> 00:18:29,450

go yeah

456

00:18:34,690 --> 00:18:32,180

so he's saying like even though people

457

00:18:37,990 --> 00:18:34,700

are dying of other things that he's been

458

00:18:41,050 --> 00:18:38,000

he's been instructed to claim that it

459

00:18:45,700 --> 00:18:41,060

was because of coronavirus like even act

460

00:18:48,130 --> 00:18:45,710

yes do that as a pad your numbers and to

461

00:18:50,770 --> 00:18:48,140

make sure that the hospital got paid so

462

00:18:52,540 --> 00:18:50,780

what people know is that for every

463

00:18:55,780 --> 00:18:52,550

patient that goes in that door that is

464

00:18:57,640 --> 00:18:55,790

diagnosed with corona virus they get the

465

00:18:59,500 --> 00:18:57,650

hospital it gets thirteen thousand

466

00:19:01,600 --> 00:18:59,510

dollars from Medicare or the government

467

00:19:03,880 --> 00:19:01,610

or whatever right off the bat the minute

468

00:19:05,740 --> 00:19:03,890

they go in the door then they start

469

00:19:07,420 --> 00:19:05,750

charging all this stuff by the time the

470

00:19:09,040 --> 00:19:07,430

person leaves they've racked up a bill

471

00:19:10,870 --> 00:19:09,050

of a quarter of a million dollars

472

00:19:12,820 --> 00:19:10,880

they've paid by the government for that

473

00:19:16,270 --> 00:19:12,830

so again it's like follow the money

474

00:19:18,160 --> 00:19:16,280

always like follow money I have a

475

00:19:20,860 --> 00:19:18,170

question for you yeah this thoughts

476

00:19:23,350 --> 00:19:20,870

crossed my mind I kind of feel like

477

00:19:25,240 --> 00:19:23,360

maybe also they're doing like just one

478

00:19:31,120 --> 00:19:25,250

massive like SIA

479

00:19:32,920 --> 00:19:31,130

on the population of course there's the

480

00:19:35,620 --> 00:19:32,930

this is what I tell people all the time

481

00:19:37,390 --> 00:19:35,630

that I don't know how to get it through

482

00:19:40,360 --> 00:19:37,400

to everybody but here's how it goes

483

00:19:42,820 --> 00:19:40,370

folks these people are so evil they're

484

00:19:43,600 --> 00:19:42,830

so organized that they think 500 years

485

00:19:45,760 --> 00:19:43,610

in advance

486

00:19:48,370 --> 00:19:45,770

now you break that down do you think

487

00:19:52,120 --> 00:19:48,380

that if you're gonna do one psyops it

488

00:19:55,060 --> 00:19:52,130

only has plant a B C and D it's got five

489

00:19:57,049 --> 00:19:55,070

layers to it minimum if they're gonna do

490

00:19:58,909 --> 00:19:57,059

a psyops on everybody they're gonna

491

00:20:00,889 --> 00:19:58,919

they have a whole group of people

492

00:20:02,690 --> 00:20:00,899

working on just the whole thing of

493

00:20:04,789 --> 00:20:02,700

locking in their house then they have

494

00:20:06,409 --> 00:20:04,799

another group of people working on let's

495

00:20:08,180 --> 00:20:06,419

get them all tested then they have

496

00:20:10,639 --> 00:20:08,190

another whole group of people working on

497

00:20:14,299 --> 00:20:10,649

make sure they don't understand that

498

00:20:15,980 --> 00:20:14,309

that we caused this and then they got

499

00:20:17,600 --> 00:20:15,990

another whole group of people working on

500

00:20:19,639 --> 00:20:17,610

let's make sure that they all get

501  
00:20:22,399 --> 00:20:19,649  
vaccinated so they they can't function

502  
00:20:23,899 --> 00:20:22,409  
without it you know it looks got another

503  
00:20:26,029 --> 00:20:23,909  
whole group of people working on make

504  
00:20:28,999 --> 00:20:26,039  
let's make them so scared that they'll

505  
00:20:31,190 --> 00:20:29,009  
do anything they tell us to do so you

506  
00:20:33,619 --> 00:20:31,200  
know it's it's it's layers upon layers

507  
00:20:35,149 --> 00:20:33,629  
upon layers of plans and they all

508  
00:20:38,359 --> 00:20:35,159  
integrate with each other they're all

509  
00:20:41,779 --> 00:20:38,369  
connected and if one fails they go to

510  
00:20:44,029 --> 00:20:41,789  
plan B it's like yeah psych

511  
00:20:45,830 --> 00:20:44,039  
psyops just because I'm dumb well I

512  
00:20:48,049 --> 00:20:45,840  
forgot what it meant it's cycle is this

513  
00:20:53,029 --> 00:20:48,059

psychological operation I'm guessing

514

00:20:55,190 --> 00:20:53,039

okay yes yeah I mean seriously info

515

00:20:58,249 --> 00:20:55,200

blown mode right now when this whole

516

00:21:01,489 --> 00:20:58,259

thing started I thought to myself Jesus

517

00:21:04,730 --> 00:21:01,499

you know I wish it's a long story about

518

00:21:06,440 --> 00:21:04,740

my my predictions cuz I am very psychic

519

00:21:08,269 --> 00:21:06,450

and I had like I said in the last show I

520

00:21:12,070 --> 00:21:08,279

think or the one before I usually don't

521

00:21:15,109 --> 00:21:12,080

talk about it much but I was told by my

522

00:21:17,419 --> 00:21:15,119

whatever my agents my aliens or whatever

523

00:21:19,549 --> 00:21:17,429

communicates with me that I wouldn't

524

00:21:22,159 --> 00:21:19,559

have to be really you know on the farm

525

00:21:24,889 --> 00:21:22,169

and away from all this until 2022

526

00:21:26,810 --> 00:21:24,899

so I thought I had plenty of time and

527

00:21:30,100 --> 00:21:26,820

this hit me like a ton of bricks is I

528

00:21:32,840 --> 00:21:30,110

wasn't ready for it I was like what yeah

529

00:21:35,629 --> 00:21:32,850

you gotta be the wrong year so what I'm

530

00:21:37,430 --> 00:21:35,639

thinking is that these guys jump the gun

531

00:21:39,649 --> 00:21:37,440

you know a couple years earlier than

532

00:21:41,960 --> 00:21:39,659

they were planning because they could

533

00:21:46,249 --> 00:21:41,970

you know or something happened that

534

00:21:48,169 --> 00:21:46,259

depth the timeline yes wait we had we

535

00:21:50,899 --> 00:21:48,179

were talking we actually talked to Jim

536

00:21:52,850 --> 00:21:50,909

Fetzer about this and yeah thanks for

537

00:21:54,830 --> 00:21:52,860

thanks for hooking that up yeah that was

538

00:21:55,489 --> 00:21:54,840

insane and you know he was saying that

539

00:21:57,769 --> 00:21:55,499

you know

540

00:22:01,519 --> 00:21:57,779

ouchy had actually made a speech where

541

00:22:04,190 --> 00:22:01,529

he was talking about how during this

542

00:22:06,080 --> 00:22:04,200

presidency that there would he had

543

00:22:09,499 --> 00:22:06,090

predicted that there would be a possible

544

00:22:10,240 --> 00:22:09,509

pandemic and this was back in 2017 well

545

00:22:13,780 --> 00:22:10,250

he said there

546

00:22:17,380 --> 00:22:13,790

would be a surprise yes that's exactly

547

00:22:18,400 --> 00:22:17,390

what he said that and then and then and

548

00:22:20,650 --> 00:22:18,410

then I guess the Trump administration

549

00:22:25,690 --> 00:22:20,660

had sent like a hundred and seventy

550

00:22:28,000 --> 00:22:25,700

million dollars to Wuhan China for the

551  
00:22:30,040 --> 00:22:28,010  
research and then it kind of got spread

552  
00:22:31,950 --> 00:22:30,050  
out into like other universities here in

553  
00:22:35,680 --> 00:22:31,960  
the United States and all that start

554  
00:22:39,310 --> 00:22:35,690  
Canada was part of this deal for Rick

555  
00:22:41,830 --> 00:22:39,320  
and Wuhan China yeah all four

556  
00:22:44,530 --> 00:22:41,840  
yeah we're and they did fine they did

557  
00:22:47,020 --> 00:22:44,540  
catch the couple the Chinese couple in

558  
00:22:49,180 --> 00:22:47,030  
Canada who had been down at North

559  
00:22:52,210 --> 00:22:49,190  
Carolina and went up to Canada their

560  
00:22:59,830 --> 00:22:52,220  
research lab they did catch them sending

561  
00:23:01,990 --> 00:22:59,840  
vials of SARS and Corona back to China

562  
00:23:04,390 --> 00:23:02,000  
then they caught and they they

563  
00:23:06,280 --> 00:23:04,400

confiscated their briefcases but who

564

00:23:08,350 --> 00:23:06,290

knows how much stuff that they got back

565

00:23:10,300 --> 00:23:08,360

to China already before we caught them

566

00:23:12,610 --> 00:23:10,310

oh yeah you know what I'm thinking about

567

00:23:14,500 --> 00:23:12,620

just this is like total science fiction

568

00:23:16,990 --> 00:23:14,510

conspiracy thought real quick just to

569

00:23:18,730 --> 00:23:17,000

entertain folks but you remember the

570

00:23:20,950 --> 00:23:18,740

plane that went down over Malaysia the

571

00:23:22,720 --> 00:23:20,960

Malaysian plane yeah full of that full

572

00:23:24,310 --> 00:23:22,730

of doctors and scientists I wonder if

573

00:23:27,010 --> 00:23:24,320

that was a prevention of something

574

00:23:29,650 --> 00:23:27,020

exactly what we're talking about you

575

00:23:31,750 --> 00:23:29,660

know it's a probability right it's a

576

00:23:36,190 --> 00:23:31,760

definite possibility you know I don't

577

00:23:37,690 --> 00:23:36,200

put anything past the powers that be and

578

00:23:40,660 --> 00:23:37,700

I and I call them the powers that be

579

00:23:42,430 --> 00:23:40,670

because somebody not somebody but

580

00:23:44,530 --> 00:23:42,440

there's a group of people pulling the

581

00:23:47,280 --> 00:23:44,540

strings at a very high level you called

582

00:23:49,960 --> 00:23:47,290

the Bilderbergers or the you know the

583

00:23:52,570 --> 00:23:49,970

Council on Foreign Relations you know

584

00:23:54,850 --> 00:23:52,580

the whatever the Skull and Bones guys it

585

00:23:58,300 --> 00:23:54,860

all comes down to it somebody up there

586

00:24:00,820 --> 00:23:58,310

not somebody but some group of people

587

00:24:02,980 --> 00:24:00,830

are planning out all this stuff and

588

00:24:05,170 --> 00:24:02,990

they've got thousands of people under

589

00:24:07,240 --> 00:24:05,180

them making it all happen

590

00:24:09,310 --> 00:24:07,250

yeah and so if they just hit a phone one

591

00:24:12,220 --> 00:24:09,320

day and say this has to happen these

592

00:24:14,350 --> 00:24:12,230

guys have got to be taken out and they

593

00:24:16,690 --> 00:24:14,360

keep tabs see this is a thing what

594

00:24:20,190 --> 00:24:16,700

people understand is if you're a problem

595

00:24:23,140 --> 00:24:20,200

in this world you aren't monitored 24/7

596

00:24:24,220 --> 00:24:23,150

nowadays it used to be a lot harder to

597

00:24:26,410 --> 00:24:24,230

do this

598

00:24:29,140 --> 00:24:26,420

but it's become so much easier when you

599

00:24:30,820 --> 00:24:29,150

got you know the dark web you've got

600

00:24:35,200 --> 00:24:30,830

people hacking you've got these people

601  
00:24:37,750 --> 00:24:35,210  
that are just like the NSA but they are

602  
00:24:40,000 --> 00:24:37,760  
the dark NSA is what I call them yeah

603  
00:24:41,770 --> 00:24:40,010  
and they do all the same things the NSA

604  
00:24:42,910 --> 00:24:41,780  
does but they do it for the dark cabal

605  
00:24:45,130 --> 00:24:42,920  
that runs this world

606  
00:24:46,780 --> 00:24:45,140  
yeah and they keep track of where you

607  
00:24:50,230 --> 00:24:46,790  
know like let's say five scientists are

608  
00:24:53,020 --> 00:24:50,240  
getting on a plane somewhere it it it's

609  
00:24:54,460 --> 00:24:53,030  
tagged and these guys are tagged and the

610  
00:24:55,960 --> 00:24:54,470  
second they're all together they think

611  
00:24:58,510 --> 00:24:55,970  
okay it's our opportunity let's get rid

612  
00:25:00,520 --> 00:24:58,520  
of them you know yeah it's crazy because

613  
00:25:03,550 --> 00:25:00,530

it's funny because most of the time

614

00:25:05,590 --> 00:25:03,560

people would say I know a lot of times

615

00:25:09,340 --> 00:25:05,600

when I talk about this type of stuff a

616

00:25:11,950 --> 00:25:09,350

lot of people will say what do you think

617

00:25:15,070 --> 00:25:11,960

there's just some small group pulling

618

00:25:20,530 --> 00:25:15,080

the strings and it's like yes yes that's

619

00:25:22,870 --> 00:25:20,540

exactly what I think seem to understand

620

00:25:25,030 --> 00:25:22,880

I mean we also talked about like even

621

00:25:27,400 --> 00:25:25,040

you know when I talk to my friends I

622

00:25:28,420 --> 00:25:27,410

think the when this kind of stuff comes

623

00:25:29,830 --> 00:25:28,430

up they're like well what do you think

624

00:25:31,840 --> 00:25:29,840

that governments just out to get us

625

00:25:34,150 --> 00:25:31,850

well no not that government I'm just

626

00:25:36,400 --> 00:25:34,160

saying that it's wouldn't it be possible

627

00:25:38,350 --> 00:25:36,410

that there are there could be an

628

00:25:42,100 --> 00:25:38,360

organization out there that does want

629

00:25:43,300 --> 00:25:42,110

destruction that's you know we've heard

630

00:25:45,220 --> 00:25:43,310

of the term terrorism

631

00:25:47,080 --> 00:25:45,230

yeah the Georgia Guidestones I mean all

632

00:25:49,330 --> 00:25:47,090

those people will want the population

633

00:25:50,980 --> 00:25:49,340

like they're like 500 million I mean

634

00:25:52,930 --> 00:25:50,990

that's yeah well you listen to Bill

635

00:25:56,500 --> 00:25:52,940

Gates he talks about how vaccines are

636

00:26:00,280 --> 00:25:56,510

gonna curb the population nobody did to

637

00:26:02,890 --> 00:26:00,290

all those poor girls over in India there

638

00:26:05,440 --> 00:26:02,900

are thousands of girls that are crippled

639

00:26:07,330 --> 00:26:05,450

because of his what was that vaccine

640

00:26:08,740 --> 00:26:07,340

that vaccine they were gonna give all

641

00:26:12,010 --> 00:26:08,750

the girls here in the United States

642

00:26:13,480 --> 00:26:12,020

anyhow I don't it's so disgusting I just

643

00:26:15,910 --> 00:26:13,490

want to you know take the man and throw

644

00:26:18,070 --> 00:26:15,920

him in a trash bin so no but I know I

645

00:26:20,350 --> 00:26:18,080

mean he is one of probably the most evil

646

00:26:22,090 --> 00:26:20,360

people on the planet and he doesn't even

647

00:26:24,400 --> 00:26:22,100

realize it see that's the part that

648

00:26:27,850 --> 00:26:24,410

scares me even more he's a psychopath

649

00:26:29,320 --> 00:26:27,860

and he has no idea he is one because he

650

00:26:31,810 --> 00:26:29,330

doesn't even understand what it's like

651  
00:26:34,270 --> 00:26:31,820  
to be a normal person yeah absolutely I

652  
00:26:35,369 --> 00:26:34,280  
mean it freaks me out you know I'm not

653  
00:26:38,590 --> 00:26:35,379  
in I'm not

654  
00:26:41,200 --> 00:26:38,600  
anti-vaxxer by any means but i do think

655  
00:26:43,659 --> 00:26:41,210  
that you have the right to question the

656  
00:26:46,720 --> 00:26:43,669  
engineering behind these vaccines and

657  
00:26:48,820 --> 00:26:46,730  
you have a right to say what goes in and

658  
00:26:51,549 --> 00:26:48,830  
what doesn't go in your body I mean

659  
00:26:53,529 --> 00:26:51,559  
there was a story I can't remember it

660  
00:26:55,090 --> 00:26:53,539  
was somewhere in the Middle East where I

661  
00:26:57,700 --> 00:26:55,100  
think it might have been Pakistan where

662  
00:27:00,820 --> 00:26:57,710  
they had gotten a shipment of there were

663  
00:27:03,340 --> 00:27:00,830

like old vaccines and they literally

664

00:27:04,659 --> 00:27:03,350

like it was a mandatory vaccine that all

665

00:27:06,190 --> 00:27:04,669

these kids had to take and there was

666

00:27:08,820 --> 00:27:06,200

like a hundred and eighty kids who died

667

00:27:12,369 --> 00:27:08,830

and another like 500 that were just

668

00:27:14,320 --> 00:27:12,379

massively super super ill and their

669

00:27:17,560 --> 00:27:14,330

government did that to them knowing that

670

00:27:20,379 --> 00:27:17,570

they had bought old vaccines right uh

671

00:27:21,940 --> 00:27:20,389

right yeah I mean this is the kind of

672

00:27:24,220 --> 00:27:21,950

stuff that it you know it's science

673

00:27:27,190 --> 00:27:24,230

fiction on one level but it's reality

674

00:27:29,259 --> 00:27:27,200

for us absolutely if you were an alien

675

00:27:30,820 --> 00:27:29,269

come in here and you saw all this and

676  
00:27:35,220 --> 00:27:30,830  
you could even understand why it was

677  
00:27:40,749 --> 00:27:38,320  
I'd be like oh my god this is a Hell

678  
00:27:42,580 --> 00:27:40,759  
planet I've leave it you know like

679  
00:27:43,720 --> 00:27:42,590  
they're on the way with like a bunch of

680  
00:27:46,659 --> 00:27:43,730  
balloons and the like hey

681  
00:27:49,269 --> 00:27:46,669  
congratulations we're here yeah and then

682  
00:27:51,310 --> 00:27:49,279  
they get in the parking lot and yes

683  
00:27:56,200 --> 00:27:51,320  
absolutely and then they and then they

684  
00:27:57,700 --> 00:27:56,210  
see they see they see part of grocery

685  
00:28:00,249 --> 00:27:57,710  
carts in the parking lot and people

686  
00:28:03,239 --> 00:28:00,259  
haven't put them up and immediately turn

687  
00:28:09,879 --> 00:28:06,999  
exactly it's I don't even get it anymore

688  
00:28:11,950 --> 00:28:09,889

I'm you know I'm so I used to think that

689

00:28:14,200 --> 00:28:11,960

I know everything is I got older and I

690

00:28:17,529 --> 00:28:14,210

know less and less as each day goes by I

691

00:28:19,840 --> 00:28:17,539

mean I'm so I you know I hate hate I

692

00:28:23,289 --> 00:28:19,850

hate having my eyes open at such a young

693

00:28:25,930 --> 00:28:23,299

age because I'm so cynical and I'm so

694

00:28:28,899 --> 00:28:25,940

you know I mean I can't I tell you this

695

00:28:30,729 --> 00:28:28,909

this virus thing has just got me and I

696

00:28:32,590 --> 00:28:30,739

hate to use the word depressed because

697

00:28:35,289 --> 00:28:32,600

I'm not really depressed I'm just like

698

00:28:38,440 --> 00:28:35,299

miserable in thinking that this has

699

00:28:41,769 --> 00:28:38,450

finally come to pass you know what's a

700

00:28:44,609 --> 00:28:41,779

red red red pill blue pill situation

701  
00:28:48,249 --> 00:28:44,619  
right it's worse than that it's like

702  
00:28:49,180 --> 00:28:48,259  
maybe the diagnosis of cancer and having

703  
00:28:51,340 --> 00:28:49,190  
to go through all the

704  
00:28:54,370 --> 00:28:51,350  
kubler-ross stages of you know denial

705  
00:28:56,560 --> 00:28:54,380  
acceptance you know whatever and just

706  
00:28:59,110 --> 00:28:56,570  
get to that point where I realize yeah

707  
00:29:01,150 --> 00:28:59,120  
I've been telling myself all these years

708  
00:29:03,970 --> 00:29:01,160  
it was gonna you know ass was gonna hit

709  
00:29:06,040 --> 00:29:03,980  
hit the fan but I just didn't want to

710  
00:29:07,930 --> 00:29:06,050  
believe it you know I didn't I wanted to

711  
00:29:10,570 --> 00:29:07,940  
believe that it would not happen that we

712  
00:29:12,750 --> 00:29:10,580  
were good enough that people running our

713  
00:29:15,010 --> 00:29:12,760

government would see these evil people

714

00:29:17,470 --> 00:29:15,020

infiltrating and get rid of them and not

715

00:29:20,730 --> 00:29:17,480

let it happen and here we have this guy

716

00:29:23,710 --> 00:29:20,740

standing on a podium who's an actual

717

00:29:27,220 --> 00:29:23,720

traitor and terrorists to our country

718

00:29:29,320 --> 00:29:27,230

and and a trumpet standing next to

719

00:29:31,660 --> 00:29:29,330

letting him talk his spiel and then

720

00:29:34,510 --> 00:29:31,670

there's that lady who runs it and she's

721

00:29:37,360 --> 00:29:34,520

another terrorist - traitor yeah they're

722

00:29:39,460 --> 00:29:37,370

and they're not taking out a shot see

723

00:29:41,530 --> 00:29:39,470

this is the part that makes me insane if

724

00:29:43,690 --> 00:29:41,540

I had done something like that I would

725

00:29:46,480 --> 00:29:43,700

have been shot or go to prison the rest

726

00:29:48,220 --> 00:29:46,490

of my life yeah absolutely absolutely I

727

00:29:50,590 --> 00:29:48,230

mean these guys all have connections I

728

00:29:52,930 --> 00:29:50,600

mean like like foul cheese daughter

729

00:29:54,580 --> 00:29:52,940

works for the Bill Gates Foundation and

730

00:29:57,190 --> 00:29:54,590

stuff you know it's they're not gonna do

731

00:30:01,000 --> 00:29:57,200

anything to these people on that I mean

732

00:30:03,430 --> 00:30:01,010

sowee holds the patents to the viruses

733

00:30:06,190 --> 00:30:03,440

themselves you know every scene that's

734

00:30:08,080 --> 00:30:06,200

sold against his patent he's gonna make

735

00:30:10,510 --> 00:30:08,090

a dollar on do you know how much money

736

00:30:14,470 --> 00:30:10,520

that is it's like billions of dollars oh

737

00:30:16,750 --> 00:30:14,480

yeah I mean he's allowed to get up on

738

00:30:19,270 --> 00:30:16,760

that stage and tell us all to stay in

739

00:30:21,250 --> 00:30:19,280

our freaking houses because we all got

740

00:30:23,710 --> 00:30:21,260

to get vaccinated so we don't get sick

741

00:30:26,410 --> 00:30:23,720

he's full of it yeah I can't even

742

00:30:29,050 --> 00:30:26,420

believe this is happening seriously sick

743

00:30:31,600 --> 00:30:29,060

it's sick I mean and now like with all

744

00:30:33,100 --> 00:30:31,610

the talk on on you know well we're gonna

745

00:30:34,960 --> 00:30:33,110

have to make sure that you did get the

746

00:30:38,440 --> 00:30:34,970

vaccine so that way you can travel on

747

00:30:40,480 --> 00:30:38,450

airplanes and go places and you know go

748

00:30:43,000 --> 00:30:40,490

to stores and it's like a way that they

749

00:30:44,550 --> 00:30:43,010

can get this mandatory vaccination like

750

00:30:47,380 --> 00:30:44,560

it's not gonna happen

751

00:30:49,270 --> 00:30:47,390

Lucien in this country long before that

752

00:30:51,010 --> 00:30:49,280

happens they are not gonna take away our

753

00:30:53,110 --> 00:30:51,020

rights like that and if they do I've got

754

00:30:54,610 --> 00:30:53,120

to go to another country yeah because I

755

00:30:57,570 --> 00:30:54,620

am NOT going to put up with this

756

00:31:00,430 --> 00:30:57,580

insanity that virus is a rigged thing

757

00:31:03,160 --> 00:31:00,440

ouchies a terrorist traitor to this

758

00:31:04,990 --> 00:31:03,170

country and we've got a deuce

759

00:31:06,730 --> 00:31:05,000

something about standing up for our

760

00:31:09,190 --> 00:31:06,740

rights and getting rid of people like

761

00:31:11,440 --> 00:31:09,200

that and I got to find out what's wrong

762

00:31:14,050 --> 00:31:11,450

with Trump why he's even allowing all

763

00:31:15,760 --> 00:31:14,060

this to happen or occur I think it's

764

00:31:17,770 --> 00:31:15,770

because it's election season he's just

765

00:31:19,780 --> 00:31:17,780

trying to pacify the public as much as

766

00:31:21,480 --> 00:31:19,790

possible if it was an election season I

767

00:31:24,070 --> 00:31:21,490

don't think he would let this happen

768

00:31:26,290 --> 00:31:24,080

well I don't think he's aware of how

769

00:31:28,690 --> 00:31:26,300

evil these people are that anything yes

770

00:31:30,700 --> 00:31:28,700

that I see compliant with them yeah you

771

00:31:32,170 --> 00:31:30,710

know I don't know you know you said I

772

00:31:34,540 --> 00:31:32,180

heard you say something on one of your

773

00:31:36,760 --> 00:31:34,550

shows one time and I was like oh [h\_\_\h] I

774

00:31:38,380 --> 00:31:36,770

love this woman if you had said you know

775

00:31:41,500 --> 00:31:38,390

it's time for the American people to

776

00:31:43,630 --> 00:31:41,510

surround the White House and not let any

777

00:31:45,820 --> 00:31:43,640

of those people out and stand there with

778

00:31:50,680 --> 00:31:45,830

a guillotine and let him come out one by

779

00:31:54,370 --> 00:31:50,690

one and I was like yes I started saying

780

00:31:56,950 --> 00:31:54,380

that back in 2011 on my very first show

781

00:31:59,170 --> 00:31:56,960

and I said it for six months and then I

782

00:32:01,120 --> 00:31:59,180

got a phone call one day from an owner

783

00:32:03,460 --> 00:32:01,130

of the network and a few other places

784

00:32:05,020 --> 00:32:03,470

had called and said you can't be doing

785

00:32:08,590 --> 00:32:05,030

that or you're gonna go to jail because

786

00:32:11,320 --> 00:32:08,600

I'm basically inciting terrorist actions

787

00:32:12,880 --> 00:32:11,330

and you know whatever but I'm not really

788

00:32:15,760 --> 00:32:12,890

what I was trying to do is make a point

789

00:32:19,270 --> 00:32:15,770

of this folks there are so few of them

790

00:32:22,330 --> 00:32:19,280

and so many of us look at how many

791

00:32:24,700 --> 00:32:22,340

people work in a State Capitol or a you

792

00:32:27,610 --> 00:32:24,710

know some administration or whatever in

793

00:32:29,410 --> 00:32:27,620

your town you could if all of you got

794

00:32:30,910 --> 00:32:29,420

together on a Sunday instead of going to

795

00:32:32,680 --> 00:32:30,920

church you guys surrounded the building

796

00:32:35,470 --> 00:32:32,690

and said you guys aren't coming out

797

00:32:38,320 --> 00:32:35,480

again until you actually pass a law that

798

00:32:41,770 --> 00:32:38,330

is for us instead of you yep in right

799

00:32:43,870 --> 00:32:41,780

yep and here is our enforcement and

800

00:32:46,360 --> 00:32:43,880

we're going to use it because you were

801  
00:32:48,160 --> 00:32:46,370  
if you if you aren't passing laws for us

802  
00:32:51,940 --> 00:32:48,170  
you're a traitor to this country

803  
00:32:53,620 --> 00:32:51,950  
absolutely not be in office I do what I

804  
00:32:55,540 --> 00:32:53,630  
do want to like cut in and say like

805  
00:33:00,730 --> 00:32:55,550  
we're not talking about everybody you

806  
00:33:02,440 --> 00:33:00,740  
know up in arms but yeah but you said it

807  
00:33:04,990 --> 00:33:02,450  
right you you said it correctly like

808  
00:33:07,120 --> 00:33:05,000  
yeah we need to pass laws so okay what

809  
00:33:10,390 --> 00:33:07,130  
do we do to make that happen we need to

810  
00:33:13,180 --> 00:33:10,400  
get together we need to be in one place

811  
00:33:14,950 --> 00:33:13,190  
all together at once we need to science

812  
00:33:16,300 --> 00:33:14,960  
all right so what what's happening right

813  
00:33:19,870 --> 00:33:16,310

now is that we can't get to

814

00:33:21,700 --> 00:33:19,880

we can't we can't rally yeah my next

815

00:33:23,680 --> 00:33:21,710

point is this they hate it so we can't

816

00:33:26,050 --> 00:33:23,690

do this but we're doing it anyhow in

817

00:33:29,290 --> 00:33:26,060

small batches of people what we need to

818

00:33:31,330 --> 00:33:29,300

do is I love the Occupy Wall Street guys

819

00:33:36,970 --> 00:33:31,340

they were wonderful but they had no

820

00:33:47,980 --> 00:33:36,980

mission yeah it reminds me of South Park

821

00:33:52,150 --> 00:33:47,990

so much they took our jobs coming in and

822

00:33:54,760 --> 00:33:52,160

taking everybody's jobs for what their

823

00:33:57,280 --> 00:33:54,770

solution was to that oh yeah

824

00:33:59,410 --> 00:33:57,290

the guys decided they'd stop making

825

00:34:01,450 --> 00:33:59,420

babies so there'd be no people in the

826

00:34:03,910 --> 00:34:01,460

future to come back and take their jobs

827

00:34:09,520 --> 00:34:03,920

so they made a giant orgy pile of game

828

00:34:12,160 --> 00:34:09,530

or men screwin each other past the

829

00:34:19,360 --> 00:34:12,170

border of Colorado because they were

830

00:34:21,400 --> 00:34:19,370

having so much fun if they just had sex

831

00:34:23,800 --> 00:34:21,410

with men that there'd be no people in

832

00:34:28,360 --> 00:34:23,810

the future how long story short that's

833

00:34:31,780 --> 00:34:28,370

what I see cuz they all got into that

834

00:34:34,990 --> 00:34:31,790

old you mind well we got to do something

835

00:34:37,570 --> 00:34:35,000

about this in the end right right we

836

00:34:39,520 --> 00:34:37,580

gotta make a point here so what I think

837

00:34:41,230 --> 00:34:39,530

should happen is I think the Occupy Wall

838

00:34:43,360 --> 00:34:41,240

Street people should get their acts back

839

00:34:46,600 --> 00:34:43,370

together give everybody organized on the

840

00:34:49,210 --> 00:34:46,610

internet get a protest in every city

841

00:34:52,350 --> 00:34:49,220

that has a you know every city's capital

842

00:34:55,060 --> 00:34:52,360

and make sure that everybody is there

843

00:34:57,460 --> 00:34:55,070

24/7 making sure that these guys are

844

00:34:59,050 --> 00:34:57,470

doing what we want them to do and they

845

00:35:01,150 --> 00:34:59,060

are not allowed out of the building

846

00:35:02,920 --> 00:35:01,160

until they actually open up all of our

847

00:35:05,440 --> 00:35:02,930

businesses make sure we all have enough

848

00:35:05,890 --> 00:35:05,450

money to compensate what they've done to

849

00:35:11,350 --> 00:35:05,900

us

850

00:35:14,020 --> 00:35:11,360

telling them what we want them to do for

851

00:35:16,390 --> 00:35:14,030

us yes that simple yeah and they just

852

00:35:18,490 --> 00:35:16,400

don't leave until it's taken care of and

853

00:35:20,260 --> 00:35:18,500

if it takes two years then it takes two

854

00:35:22,780 --> 00:35:20,270

years we'll do it the shifts I don't

855

00:35:25,690 --> 00:35:22,790

care I'll put my weekends in there

856

00:35:27,250 --> 00:35:25,700

I have no with that you know it's just

857

00:35:29,020 --> 00:35:27,260

that these guys have got to learn that

858

00:35:30,150 --> 00:35:29,030

we're not going to put up with this and

859

00:35:31,890 --> 00:35:30,160

thank God our

860

00:35:34,319 --> 00:35:31,900

guns have not been taken away from us

861

00:35:38,640 --> 00:35:34,329

yet oh man yeah yeah that's not gonna

862

00:35:41,099 --> 00:35:38,650

happen that'll think yeah thing but if

863

00:35:41,880 --> 00:35:41,109

it needs to be then you know Amen that's

864

00:35:43,380 --> 00:35:41,890

all I'm saying

865

00:35:45,930 --> 00:35:43,390

yeah I mean you know people don't

866

00:35:48,839 --> 00:35:45,940

realize nowadays I mean the compliance

867

00:35:50,760 --> 00:35:48,849

of people kind of disgusts me to a

868

00:35:52,680 --> 00:35:50,770

certain extent they don't realize that

869

00:35:54,539 --> 00:35:52,690

the only reason you know the

870

00:35:56,370 --> 00:35:54,549

Constitution is there and it tells you

871

00:35:58,920 --> 00:35:56,380

that the only reason that the people

872

00:36:02,039 --> 00:35:58,930

that are in you know these government

873

00:36:04,140 --> 00:36:02,049

roles is is because of you know the

874

00:36:06,750 --> 00:36:04,150

consensus of the population we're the

875

00:36:08,910 --> 00:36:06,760

ones that give you these certain powers

876

00:36:10,079 --> 00:36:08,920

to be able to create laws and things but

877

00:36:12,059 --> 00:36:10,089

they're for us

878

00:36:14,339 --> 00:36:12,069

and you know it's like you should never

879

00:36:16,170 --> 00:36:14,349

be afraid of your government but your

880

00:36:19,020 --> 00:36:16,180

government should definitely be afraid

881

00:36:21,900 --> 00:36:19,030

of you at all times you know that's the

882

00:36:24,690 --> 00:36:21,910

way you get stuff done because right now

883

00:36:26,849 --> 00:36:24,700

it's not like that I'm sick and tired of

884

00:36:29,849 --> 00:36:26,859

hearing people say well the shooter just

885

00:36:32,130 --> 00:36:29,859

obey the law like no are you kidding me

886

00:36:33,890 --> 00:36:32,140

and like all these people who are you

887

00:36:36,059 --> 00:36:33,900

know the police we're forcing all these

888

00:36:38,760 --> 00:36:36,069

unconstitutional rules like you don't

889

00:36:41,250 --> 00:36:38,770

just get handed down these these rules

890

00:36:44,370 --> 00:36:41,260

from a governor or your police chief

891

00:36:46,279 --> 00:36:44,380

that's not how it works you use you

892

00:36:49,740 --> 00:36:46,289

swore an oath to defend the Constitution

893

00:36:51,529 --> 00:36:49,750

and abide by the Constitution you don't

894

00:36:53,940 --> 00:36:51,539

just go and create all these

895

00:36:56,549 --> 00:36:53,950

unconstitutional like arrests and acts

896

00:36:58,319 --> 00:36:56,559

against the population they're they're

897

00:37:01,230 --> 00:36:58,329

getting very close to piss and a lot of

898

00:37:04,319 --> 00:37:01,240

people off you know absolutely yeah

899

00:37:06,029 --> 00:37:04,329

absolutely I don't know California I you

900

00:37:09,059 --> 00:37:06,039

know we weren't hit as hard as New York

901  
00:37:11,069 --> 00:37:09,069  
and I'm still wondering why and I you

902  
00:37:14,720 --> 00:37:11,079  
know I don't know why this maybe but

903  
00:37:17,579 --> 00:37:14,730  
think about it Trump's from New York so

904  
00:37:19,319 --> 00:37:17,589  
New York gets it really hard I'm not

905  
00:37:21,690 --> 00:37:19,329  
even sure their numbers are real dogs

906  
00:37:23,490 --> 00:37:21,700  
trying to figure it all out it's very

907  
00:37:25,170 --> 00:37:23,500  
hard when you're on one side of the

908  
00:37:27,299 --> 00:37:25,180  
United States to figure out what's going

909  
00:37:29,039 --> 00:37:27,309  
on on the other very difficult yeah

910  
00:37:30,390 --> 00:37:29,049  
because the mainstream media isn't

911  
00:37:32,099 --> 00:37:30,400  
giving us the truth and you're

912  
00:37:34,710 --> 00:37:32,109  
absolutely right you know we've got to

913  
00:37:37,769 --> 00:37:34,720

start you know standing up for what we

914

00:37:38,940 --> 00:37:37,779

believe in and the police they need to

915

00:37:41,130 --> 00:37:38,950

stop you know

916

00:37:42,960 --> 00:37:41,140

toting the line even if they're

917

00:37:43,549 --> 00:37:42,970

threatened with their jobs being taken

918

00:37:46,039 --> 00:37:43,559

away there

919

00:37:48,499 --> 00:37:46,049

tension being taken away Jesus aren't

920

00:37:50,929 --> 00:37:48,509

the Americans first you know and I bet

921

00:37:52,759 --> 00:37:50,939

you your Texas guys are pretty upset if

922

00:37:54,739 --> 00:37:52,769

they're having to follow those kind of

923

00:37:58,160 --> 00:37:54,749

rules I bet they're not thrilled at all

924

00:38:00,979 --> 00:37:58,170

oh yeah I know my Texas boys man they

925

00:38:03,829 --> 00:38:00,989

thought their Patriots first yeah yeah

926  
00:38:07,870 --> 00:38:03,839  
absolutely I know we just had a lady who

927  
00:38:10,609 --> 00:38:07,880  
got arrested for doing hair in her house

928  
00:38:14,660 --> 00:38:10,619  
yeah and I know governor Greg Abbott

929  
00:38:17,239 --> 00:38:14,670  
said to let her out of jail yeah he'll

930  
00:38:19,849 --> 00:38:17,249  
sit in her place because he's not gonna

931  
00:38:22,579 --> 00:38:19,859  
you know love uphold that that rule at

932  
00:38:24,739 --> 00:38:22,589  
all and she's already acquired like over

933  
00:38:26,719 --> 00:38:24,749  
half a million dollars on you know crowd

934  
00:38:28,609 --> 00:38:26,729  
funding to help her with her bills and

935  
00:38:30,499 --> 00:38:28,619  
stuff I mean she's pretty much set but I

936  
00:38:31,999 --> 00:38:30,509  
mean you know whether you like the guy

937  
00:38:33,589 --> 00:38:32,009  
or not I mean that's kind of good

938  
00:38:36,949 --> 00:38:33,599

leadership where the governor is like

939

00:38:39,370 --> 00:38:36,959

hey I'll sit in her spot let her out of

940

00:38:43,429 --> 00:38:39,380

jail and I'll go yeah and he paid her

941

00:38:45,019 --> 00:38:43,439

\$7,000 fine yep what a nice guy you know

942

00:38:48,949 --> 00:38:45,029

I love him he should be President of the

943

00:38:53,150 --> 00:38:48,959

United States yeah can figure out that

944

00:38:56,120 --> 00:38:53,160

hey this is wrong I want him in office

945

00:38:58,880 --> 00:38:56,130

tomorrow you know I mean don't get me

946

00:39:01,099 --> 00:38:58,890

wrong I don't like anybody in in

947

00:39:03,079 --> 00:39:01,109

politics not a single soul you know I

948

00:39:04,640 --> 00:39:03,089

and I'll tell you guys point-blank I

949

00:39:07,579 --> 00:39:04,650

tell everybody on my radio show and I

950

00:39:10,660 --> 00:39:07,589

have for 10 years I don't vote and the

951  
00:39:16,069 --> 00:39:10,670  
reason I don't vote is because back in

952  
00:39:18,739 --> 00:39:16,079  
1999 or 98 I was working with one of my

953  
00:39:20,989 --> 00:39:18,749  
husband's at the times computer company

954  
00:39:22,189 --> 00:39:20,999  
and we had a couple guys come in that

955  
00:39:24,019 --> 00:39:22,199  
worked at Diebold

956  
00:39:27,289 --> 00:39:24,029  
and it was an over in Oakland California

957  
00:39:28,519 --> 00:39:27,299  
and they came or Emeryville I don't

958  
00:39:30,259 --> 00:39:28,529  
remember anyhow I was over in the East

959  
00:39:32,509 --> 00:39:30,269  
Bay they came in and we were yakking

960  
00:39:35,049 --> 00:39:32,519  
about their broken computers and we were

961  
00:39:37,549 --> 00:39:35,059  
just talking about work and shop and

962  
00:39:39,169 --> 00:39:37,559  
while my husband was working on the

963  
00:39:42,140 --> 00:39:39,179

computer the four of us cracked a beer

964

00:39:44,150 --> 00:39:42,150

and we started talking and one of them

965

00:39:45,890 --> 00:39:44,160

said something very odd he goes yeah

966

00:39:47,959 --> 00:39:45,900

we're working on a new software that's

967

00:39:51,890 --> 00:39:47,969

going to be used for the voting booths

968

00:39:53,419 --> 00:39:51,900

and I said I said what's it you know how

969

00:39:55,459 --> 00:39:53,429

does it work and he goes well it works

970

00:39:57,590 --> 00:39:55,469

pretty damn good especially the part

971

00:40:01,910 --> 00:39:57,600

that lets anybody

972

00:40:03,680 --> 00:40:01,920

get it there change all the votes it's

973

00:40:06,800 --> 00:40:03,690

like what the hell is this guy talking

974

00:40:07,940 --> 00:40:06,810

about yep and I was like oh my god this

975

00:40:11,480 --> 00:40:07,950

is so strange

976

00:40:12,530 --> 00:40:11,490

so I let it go I let it go I didn't

977

00:40:15,530 --> 00:40:12,540

think much about it

978

00:40:19,670 --> 00:40:15,540

a year later and he showed up I mean he

979

00:40:23,210 --> 00:40:19,680

realized he'd spilled the beer later i'm

980

00:40:26,750 --> 00:40:23,220

reading back remember the god the

981

00:40:30,830 --> 00:40:26,760

octopus case where it was kazakh dara

982

00:40:32,630 --> 00:40:30,840

and it had something to do with oh god I

983

00:40:35,150 --> 00:40:32,640

can't remember the whole story but it's

984

00:40:37,750 --> 00:40:35,160

basically the promise software mm-hmm

985

00:40:40,400 --> 00:40:37,760

that was being touted as the next

986

00:40:42,050 --> 00:40:40,410

backdoor into anything from the

987

00:40:44,930 --> 00:40:42,060

government that they could spy on you

988

00:40:47,090 --> 00:40:44,940

yeah well apparently these guys were

989

00:40:52,610 --> 00:40:47,100

working that into all the voting

990

00:40:55,070 --> 00:40:52,620

software so from 1999 forward in a MAME

991

00:40:57,260 --> 00:40:55,080

in 97 or 98 cuz these guys have been

992

00:40:59,060 --> 00:40:57,270

working on this for quite some time it

993

00:41:00,650 --> 00:40:59,070

may have been even sooner cuz they may

994

00:41:01,190 --> 00:41:00,660

have not been the only guys working on

995

00:41:05,030 --> 00:41:01,200

it okay

996

00:41:07,370 --> 00:41:05,040

they they they assured I I was assured

997

00:41:09,470 --> 00:41:07,380

by other programmers that yes it's very

998

00:41:11,750 --> 00:41:09,480

easy to hack you know that kind of

999

00:41:15,110 --> 00:41:11,760

software specially if it's built for you

1000

00:41:16,730 --> 00:41:15,120

to hack into and it can change all the

1001

00:41:21,320 --> 00:41:16,740

votes and they can make it look like

1002

00:41:22,640 --> 00:41:21,330

somebody's won an election okay great so

1003

00:41:25,040 --> 00:41:22,650

what is the point of voting anymore

1004

00:41:29,420 --> 00:41:25,050

there isn't and about the same time a

1005

00:41:33,350 --> 00:41:29,430

guy back in Florida realized this also

1006

00:41:35,540 --> 00:41:33,360

and he put up a website called black box

1007

00:41:39,470 --> 00:41:35,550

voting I think that's what it was called

1008

00:41:43,370 --> 00:41:39,480

art Bell had him on his show so that

1009

00:41:46,460 --> 00:41:43,380

must have been 96 or 97 so yeah it was

1010

00:41:48,650 --> 00:41:46,470

way early on yeah point to all this is

1011

00:41:50,240 --> 00:41:48,660

he dyes his daughter takes over and

1012

00:41:52,820 --> 00:41:50,250

she's still running the site that I know

1013

00:41:56,510 --> 00:41:52,830

of but she's gotten quiet and I don't

1014

00:42:00,290 --> 00:41:56,520

know why she - but it was called black

1015

00:42:02,840 --> 00:42:00,300

box voting or black box something votes

1016

00:42:04,670 --> 00:42:02,850

and if people want to look it up and try

1017

00:42:05,510 --> 00:42:04,680

to find it on the wayback machine or if

1018

00:42:08,330 --> 00:42:05,520

it's still out there

1019

00:42:10,280 --> 00:42:08,340

I've left you to do so because it's very

1020

00:42:12,260 --> 00:42:10,290

important you guys understand that

1021

00:42:14,950 --> 00:42:12,270

there they were right about the whole

1022

00:42:16,160 --> 00:42:14,960

you know Russian hacking but it wasn't

1023

00:42:18,560 --> 00:42:16,170

people

1024

00:42:20,840 --> 00:42:18,570

the Russians hacking for Trump it was

1025

00:42:25,700 --> 00:42:20,850

more than likely Clinton's hacking for

1026

00:42:27,830 --> 00:42:25,710

them yeah trust me Seth rich found out

1027

00:42:30,710 --> 00:42:27,840

about it he knew or he wouldn't be dead

1028

00:42:32,600 --> 00:42:30,720

right yeah hey so what we're talking

1029

00:42:33,110 --> 00:42:32,610

about presidents I want to just say

1030

00:42:34,460 --> 00:42:33,120

Gawai I know

1031

00:42:36,680 --> 00:42:34,470

Lorien you only have about thirty

1032

00:42:38,780 --> 00:42:36,690

minutes left I just kind of wanted a

1033

00:42:40,550 --> 00:42:38,790

segue we're talking about presidents can

1034

00:42:41,660 --> 00:42:40,560

we bring up the JFK thing cuz I want to

1035

00:42:44,270 --> 00:42:41,670

I want to talk a little bit about a

1036

00:42:46,460 --> 00:42:44,280

little bit about you're not around the

1037

00:42:49,190 --> 00:42:46,470

JFK thing cuz you know there's so many

1038

00:42:51,680 --> 00:42:49,200

late I mean that's like to fun a player

1039

00:42:54,110 --> 00:42:51,690

cake yeah well first off you're having

1040

00:42:55,820 --> 00:42:54,120

an event about it's all about JFK

1041

00:42:59,210 --> 00:42:55,830

correct is that that's coming up soon

1042

00:43:01,220 --> 00:42:59,220

yeah I I'm trying to I hate to be honest

1043

00:43:03,440 --> 00:43:01,230

with you guys I haven't even told

1044

00:43:05,930 --> 00:43:03,450

anybody yet I'm doing it but I am going

1045

00:43:08,270 --> 00:43:05,940

to do it I made that decision today it's

1046

00:43:09,800 --> 00:43:08,280

only gonna it's three weeks from now so

1047

00:43:11,720 --> 00:43:09,810

it's gonna be a very short you know

1048

00:43:15,560 --> 00:43:11,730

marketing campaign yeah

1049

00:43:18,710 --> 00:43:15,570

it'll be the 29th and 30th and possibly

1050

00:43:22,550 --> 00:43:18,720

the 31st it's JFK's birthday on the 29th

1051

00:43:24,500 --> 00:43:22,560

and I'll at least do that and I'll

1052

00:43:26,840 --> 00:43:24,510

probably have three or four online

1053

00:43:29,780 --> 00:43:26,850

speakers and we're gonna watch a movie

1054

00:43:31,190 --> 00:43:29,790

that night all together if you want you

1055

00:43:32,930 --> 00:43:31,200

can watch it any other time you can

1056

00:43:36,200 --> 00:43:32,940

watch it beforehand which might be kind

1057

00:43:38,030 --> 00:43:36,210

of good and then on Saturday we'll

1058

00:43:40,940 --> 00:43:38,040

definitely have at least five speakers

1059

00:43:43,190 --> 00:43:40,950

and if I can find five more I'll do five

1060

00:43:44,990 --> 00:43:43,200

more on Sunday and it will be an online

1061

00:43:47,270 --> 00:43:45,000

event and it's just to you know

1062

00:43:48,830 --> 00:43:47,280

basically to celebrate JFK's I think

1063

00:43:49,550 --> 00:43:48,840

it's one hundred and second 101st

1064

00:43:51,410 --> 00:43:49,560

birthday

1065

00:43:52,670 --> 00:43:51,420

no probably hundred and second one

1066

00:43:56,120 --> 00:43:52,680

hundred and third now that I think about

1067

00:43:58,310 --> 00:43:56,130

it and to just you know get people's

1068

00:44:00,320 --> 00:43:58,320

minds off of the coronavirus thing get

1069

00:44:02,450 --> 00:44:00,330

us back focusing on something that is

1070

00:44:05,300 --> 00:44:02,460

very historic that changed our world

1071

00:44:07,580 --> 00:44:05,310

just like the coronavirus did and I'm

1072

00:44:10,190 --> 00:44:07,590

probably going to have each one of the

1073

00:44:12,820 --> 00:44:10,200

speakers talk for five to ten minutes

1074

00:44:15,500 --> 00:44:12,830

after they're done with their JFK JFK

1075

00:44:18,410 --> 00:44:15,510

presentation about how the corona virus

1076  
00:44:20,990 --> 00:44:18,420  
relates to the JFK assassination ah very

1077  
00:44:22,850 --> 00:44:21,000  
cool yeah that's really very interesting

1078  
00:44:23,630 --> 00:44:22,860  
they'll do a 50-minute presentation I'll

1079  
00:44:26,030 --> 00:44:23,640  
give you know

1080  
00:44:27,590 --> 00:44:26,040  
10 or 15 minutes to talk about that how

1081  
00:44:29,780 --> 00:44:27,600  
it's affected them or how they feel

1082  
00:44:32,390 --> 00:44:29,790  
there's a connection or you know what

1083  
00:44:34,280 --> 00:44:32,400  
they think is going on with that so and

1084  
00:44:35,840 --> 00:44:34,290  
I'll be very interesting I I'm very

1085  
00:44:37,480 --> 00:44:35,850  
excited about it and I'm gonna bring in

1086  
00:44:39,710 --> 00:44:37,490  
some speakers that are not usually

1087  
00:44:42,500 --> 00:44:39,720  
speaking for me as a matter of fact I've

1088  
00:44:44,060 --> 00:44:42,510

never had David Mantic speak before so

1089

00:44:46,580 --> 00:44:44,070

that'll be fun

1090

00:44:50,150 --> 00:44:46,590

Peter Janney hasn't spoken for me online

1091

00:44:53,360 --> 00:44:50,160

yet there's a guy named Ralph sync a

1092

00:44:55,640 --> 00:44:53,370

that's talking about the fact that Ruby

1093

00:44:58,430 --> 00:44:55,650

did not shoot Oswald it was somebody

1094

00:45:03,140 --> 00:44:58,440

else it was just interesting and then I

1095

00:45:07,720 --> 00:45:03,150

have Damon is a and he's gonna talk

1096

00:45:10,310 --> 00:45:07,730

about John Jr's death in the plane and

1097

00:45:13,040 --> 00:45:10,320

that's gonna be very interesting so I'm

1098

00:45:14,690 --> 00:45:13,050

not going straight JFK but I'm working

1099

00:45:16,640 --> 00:45:14,700

my way around it and I'm adding in a

1100

00:45:20,390 --> 00:45:16,650

couple of other topics so it'll be very

1101  
00:45:22,760 --> 00:45:20,400  
interesting and then in January of 2021

1102  
00:45:24,530 --> 00:45:22,770  
I will have a very big event it's called

1103  
00:45:28,070 --> 00:45:24,540  
assassination murder Cohn

1104  
00:45:29,330 --> 00:45:28,080  
it'll be out of Las Vegas and it's gonna

1105  
00:45:33,080 --> 00:45:29,340  
be exciting

1106  
00:45:35,390 --> 00:45:33,090  
because it's gonna have everybody that

1107  
00:45:38,510 --> 00:45:35,400  
was ever assassinated or murdered I

1108  
00:45:40,670 --> 00:45:38,520  
think that's so that's first off that

1109  
00:45:44,870 --> 00:45:40,680  
sounds amazing but also I would love to

1110  
00:45:48,230 --> 00:45:44,880  
be with you and Melinda and joseline in

1111  
00:45:50,180 --> 00:45:48,240  
Las Vegas because I'm pretty sure we

1112  
00:45:52,790 --> 00:45:50,190  
really have a blast get the Rat Pack

1113  
00:45:59,420 --> 00:45:52,800

together in Las Vegas there's nothing

1114

00:46:04,760 --> 00:45:59,430

like it I can only imagine yeah we

1115

00:46:06,860 --> 00:46:04,770

embarrass ourselves at least promise us

1116

00:46:08,180 --> 00:46:06,870

will at least be will have 15 minutes

1117

00:46:10,460 --> 00:46:08,190

with y'all at the craps table or

1118

00:46:12,770 --> 00:46:10,470

something oh my god well you know what

1119

00:46:15,670 --> 00:46:12,780

we do we play back Iran or back rack oh

1120

00:46:17,990 --> 00:46:15,680

yeah so that's our thing hell yeah

1121

00:46:19,490 --> 00:46:18,000

joseline likes the crap table you might

1122

00:46:21,440 --> 00:46:19,500

be able to get her over to there pretty

1123

00:46:23,540 --> 00:46:21,450

easily and lke and I think you guys have

1124

00:46:25,790 --> 00:46:23,550

a great time but you know backer rod

1125

00:46:27,560 --> 00:46:25,800

takes concentration and there's not a

1126

00:46:31,210 --> 00:46:27,570

whole lot of yackin there's a lot of

1127

00:46:33,570 --> 00:46:31,220

treatment but not a lot of talk and

1128

00:46:36,810 --> 00:46:33,580

we'll figure something out

1129

00:46:42,330 --> 00:46:36,820

when I drink I yak so I don't never be

1130

00:46:43,890 --> 00:46:42,340

for me man we can always do dinner man I

1131

00:46:46,230 --> 00:46:43,900

tell you we've discovered every

1132

00:46:48,540 --> 00:46:46,240

restaurant in Vegas seriously I mean we

1133

00:46:50,580 --> 00:46:48,550

there's a place that serves food bigger

1134

00:46:53,160 --> 00:46:50,590

than your hand that we love that we go

1135

00:46:55,590 --> 00:46:53,170

to it's over by the Ling or it's in the

1136

00:46:57,840 --> 00:46:55,600

link complex so you guys I like that

1137

00:47:00,210 --> 00:46:57,850

place it's great the stakes are huge I

1138

00:47:01,710 --> 00:47:00,220

mean it's my body any love that I hope

1139

00:47:06,570 --> 00:47:01,720

they're still in business when we go

1140

00:47:09,060 --> 00:47:06,580

back I'm so worried about things but

1141

00:47:11,280 --> 00:47:09,070

let's get back to JFK what did you guys

1142

00:47:14,370 --> 00:47:11,290

wanted yeah so uh so as you know we've

1143

00:47:17,100 --> 00:47:14,380

talked to Jim or James Fetzer about JFK

1144

00:47:18,570 --> 00:47:17,110

and and we've got to I mean man we went

1145

00:47:20,970 --> 00:47:18,580

over the gamut but the one thing I

1146

00:47:23,160 --> 00:47:20,980

wanted to get really deep into if even

1147

00:47:25,200 --> 00:47:23,170

if there's anything there but what I

1148

00:47:27,990 --> 00:47:25,210

wanted to ask you this is my question

1149

00:47:30,090 --> 00:47:28,000

but what is the connection what I feel

1150

00:47:33,030 --> 00:47:30,100

there's something weird shrouded around

1151  
00:47:35,520 --> 00:47:33,040  
the moon landing and JFK and what he

1152  
00:47:37,020 --> 00:47:35,530  
knew what he didn't know and I feel like

1153  
00:47:38,910 --> 00:47:37,030  
there's something there like what do you

1154  
00:47:40,740 --> 00:47:38,920  
have anything to add to that that we can

1155  
00:47:42,480 --> 00:47:40,750  
you there's just a little bit to add to

1156  
00:47:45,510 --> 00:47:42,490  
that know who you need to get on your

1157  
00:47:47,250 --> 00:47:45,520  
show is Douglas Cadi you need to get a

1158  
00:47:53,070 --> 00:47:47,260  
hold of him he's the one guy that's

1159  
00:47:56,099 --> 00:47:53,080  
connected the UFO stuff to JFK okay okay

1160  
00:47:58,590 --> 00:47:56,109  
okay you gotta get on he's amazing by

1161  
00:48:01,050 --> 00:47:58,600  
the way yeah and she's near you guys but

1162  
00:48:03,120 --> 00:48:01,060  
that's another good thing oh no now

1163  
00:48:06,270 --> 00:48:03,130

having said that I do know a little bit

1164

00:48:08,910 --> 00:48:06,280

about that because the thing that Fetzer

1165

00:48:10,380 --> 00:48:08,920

keeps pointing out which I agree and

1166

00:48:12,420 --> 00:48:10,390

don't agree with I mean I just I don't

1167

00:48:15,120 --> 00:48:12,430

know the answer so I listen to

1168

00:48:18,150 --> 00:48:15,130

everything but there's more to it than I

1169

00:48:20,000 --> 00:48:18,160

think Fetzer realizes now JFK knew that

1170

00:48:24,450 --> 00:48:20,010

we had brought in all the paperclip guys

1171

00:48:27,300 --> 00:48:24,460

he knew we had Nazis running NASA yeah

1172

00:48:30,630 --> 00:48:27,310

okay yeah I don't think he was thrilled

1173

00:48:33,330 --> 00:48:30,640

about that at all because Forrestal was

1174

00:48:36,300 --> 00:48:33,340

his mentor when he first got in you know

1175

00:48:38,820 --> 00:48:36,310

God in politics and military kind of

1176  
00:48:40,380 --> 00:48:38,830  
mixed together and Forrestal was this

1177  
00:48:42,450 --> 00:48:40,390  
mentor as a matter of fact he went to

1178  
00:48:44,970 --> 00:48:42,460  
his grave several times as president and

1179  
00:48:47,040 --> 00:48:44,980  
I'm sure he was telling them god I don't

1180  
00:48:48,120 --> 00:48:47,050  
know what's going on we are screwed you

1181  
00:48:51,970 --> 00:48:48,130  
know

1182  
00:48:55,839 --> 00:48:51,980  
say that because you had all these guys

1183  
00:48:57,640 --> 00:48:55,849  
running the NASA program that are you

1184  
00:49:01,299 --> 00:48:57,650  
know they've killed millions you know

1185  
00:49:04,120 --> 00:49:01,309  
lots of people yeah people in here use

1186  
00:49:07,630 --> 00:49:04,130  
it Texas pointing up to the sky on my

1187  
00:49:09,160 --> 00:49:07,640  
website JFK birthday calm as a matter of

1188  
00:49:11,170 --> 00:49:09,170

fact if you guys want to watch a great

1189

00:49:14,109 --> 00:49:11,180

presentation I would go to that website

1190

00:49:16,900 --> 00:49:14,119

and watch my presentation from two years

1191

00:49:19,180 --> 00:49:16,910

ago Roger stone was a speaker for me

1192

00:49:21,400 --> 00:49:19,190

Judith ferry Baker I mean I've just had

1193

00:49:24,400 --> 00:49:21,410

some amazing people in that conference

1194

00:49:27,370 --> 00:49:24,410

yeah and it's so it's JFK birthday

1195

00:49:30,640 --> 00:49:27,380

dot-com that site will become a sub site

1196

00:49:33,700 --> 00:49:30,650

within the next week so I would get over

1197

00:49:37,390 --> 00:49:33,710

there now and you know grab your you

1198

00:49:38,980 --> 00:49:37,400

know on demand I you don't even know how

1199

00:49:42,039 --> 00:49:38,990

much it's going for I haven't looked at

1200

00:49:43,780 --> 00:49:42,049

it for six months but yeah and it was an

1201  
00:49:45,730 --> 00:49:43,790  
amazing conference and you guys ought to

1202  
00:49:47,380 --> 00:49:45,740  
really listen to it because it'll set

1203  
00:49:49,510 --> 00:49:47,390  
you up for the next one that's coming up

1204  
00:49:52,030 --> 00:49:49,520  
in two weeks maybe yeah point to all

1205  
00:49:54,549 --> 00:49:52,040  
this is he knew that these guys were not

1206  
00:49:57,849 --> 00:49:54,559  
on the up-and-up okay he knew that there

1207  
00:49:59,440 --> 00:49:57,859  
was something else going on besides what

1208  
00:50:02,020 --> 00:49:59,450  
they were feeding the United States

1209  
00:50:04,870 --> 00:50:02,030  
government and the military about you

1210  
00:50:08,079 --> 00:50:04,880  
know these ships going to the moon the

1211  
00:50:10,599 --> 00:50:08,089  
space race yeah and I'm not sure that we

1212  
00:50:12,849 --> 00:50:10,609  
actually went I still wonder about that

1213  
00:50:14,920 --> 00:50:12,859

you know what this fencers take on that

1214

00:50:17,950 --> 00:50:14,930

did we say we went or we didn't remember

1215

00:50:19,690 --> 00:50:17,960

we tried to go I mean we were talking a

1216

00:50:21,700 --> 00:50:19,700

million miles an hour we didn't he

1217

00:50:23,799 --> 00:50:21,710

didn't go too deep into it and I didn't

1218

00:50:27,750 --> 00:50:23,809

want to like interrupt him and like back

1219

00:50:30,280 --> 00:50:27,760

yeah I can't remember what his take is I

1220

00:50:32,559 --> 00:50:30,290

thinks it's fake the moon landing was

1221

00:50:34,930 --> 00:50:32,569

faked I mean he's got friends who had

1222

00:50:36,849 --> 00:50:34,940

pictures of like he was talking about an

1223

00:50:38,559 --> 00:50:36,859

old car that was found in one of the

1224

00:50:41,049 --> 00:50:38,569

photos because they had filmed it in

1225

00:50:43,750 --> 00:50:41,059

like a trash heap and then done some you

1226

00:50:46,329 --> 00:50:43,760

know computer stuff camera tricks to

1227

00:50:49,599 --> 00:50:46,339

make it look like the moon yeah I mean

1228

00:50:51,280 --> 00:50:49,609

I've listened to a couple online things

1229

00:50:52,359 --> 00:50:51,290

that he's done about the moon landing

1230

00:50:56,859 --> 00:50:52,369

and they're they're pretty interesting

1231

00:50:58,870 --> 00:50:56,869

but he thinks that that specific launch

1232

00:51:00,790 --> 00:50:58,880

was was faked for sure

1233

00:51:04,930 --> 00:51:00,800

okay yeah all right

1234

00:51:06,700 --> 00:51:04,940

well I you know I don't know how this is

1235

00:51:08,590 --> 00:51:06,710

just the part of me that just can't

1236

00:51:11,740 --> 00:51:08,600

fathom how they got through all that

1237

00:51:14,290 --> 00:51:11,750

radiation in such a flimsy type of

1238

00:51:17,110 --> 00:51:14,300

vehicles I just my brain can't wrap

1239

00:51:20,220 --> 00:51:17,120

itself around it and there's been too

1240

00:51:23,680 --> 00:51:20,230

many people lately in working with NASA

1241

00:51:24,850 --> 00:51:23,690

astronauts scientists whatever they get

1242

00:51:27,070 --> 00:51:24,860

up there and say well we're gonna

1243

00:51:29,500 --> 00:51:27,080

finally get to somewhere you know we get

1244

00:51:31,450 --> 00:51:29,510

to Mars and we're solving the radiation

1245

00:51:33,490 --> 00:51:31,460

problem and you know this and that and

1246

00:51:37,720 --> 00:51:33,500

I'm thinking well why did they say that

1247

00:51:40,600 --> 00:51:37,730

back in 1967 or 60s I mean you know and

1248

00:51:43,210 --> 00:51:40,610

I'm very concerned that there was a lot

1249

00:51:46,720 --> 00:51:43,220

of cover-up and a lot of the guys that

1250

00:51:48,160 --> 00:51:46,730

came back it supposedly came back if

1251

00:51:51,100 --> 00:51:48,170

they did go and come back

1252

00:51:55,060 --> 00:51:51,110

seem to be pretty brainwashed I mean

1253

00:51:58,270 --> 00:51:55,070

yeah but not Buzz Aldrin um

1254

00:52:00,640 --> 00:51:58,280

Neil Armstrong refused to go out in the

1255

00:52:02,380 --> 00:52:00,650

public after the parade he went and hid

1256

00:52:04,330 --> 00:52:02,390

and basically never talked to anybody

1257

00:52:08,040 --> 00:52:04,340

again and all of their faces and all of

1258

00:52:10,540 --> 00:52:08,050

their TV interviews were like stone-cold

1259

00:52:13,210 --> 00:52:10,550

confusion you know I could be yeah watch

1260

00:52:14,950 --> 00:52:13,220

them like they're very conservative with

1261

00:52:16,720 --> 00:52:14,960

their words and their descriptions of

1262

00:52:19,110 --> 00:52:16,730

things like their initial interviews on

1263

00:52:22,330 --> 00:52:19,120

that panel like they look scared

1264

00:52:24,670 --> 00:52:22,340

ya know yep there's a lot of problems

1265

00:52:28,330 --> 00:52:24,680

with everything let's just put it that

1266

00:52:30,790 --> 00:52:28,340

way and some someplace somewhere on this

1267

00:52:33,010 --> 00:52:30,800

planet are file folders full of the

1268

00:52:35,290 --> 00:52:33,020

truth yeah and what we're ever gonna get

1269

00:52:38,260 --> 00:52:35,300

to see him I don't know you know and

1270

00:52:40,750 --> 00:52:38,270

even if we did go there's a lot more

1271

00:52:42,520 --> 00:52:40,760

than when they landed that they saw that

1272

00:52:44,740 --> 00:52:42,530

they can't tell us about either let's

1273

00:52:47,020 --> 00:52:44,750

say they did go I mean I'm swear to god

1274

00:52:49,240 --> 00:52:47,030

everybody that says there were ships on

1275

00:52:51,610 --> 00:52:49,250

the rim of the crater watching them you

1276

00:52:53,380 --> 00:52:51,620

know that's got to be true yeah yeah I

1277

00:52:55,450 --> 00:52:53,390

believe that more than I believe we

1278

00:52:57,460 --> 00:52:55,460

didn't go to the moon Yeah right kind of

1279

00:52:59,200 --> 00:52:57,470

mean towards that that that's why they

1280

00:53:01,120 --> 00:52:59,210

were so freaked out yeah I'm leaning

1281

00:53:04,390 --> 00:53:01,130

towards they did I don't know if it was

1282

00:53:06,460 --> 00:53:04,400

that specific mission but I I think we

1283

00:53:08,260 --> 00:53:06,470

definitely did go to the moon yeah was

1284

00:53:11,590 --> 00:53:08,270

it our technology I don't know I'm

1285

00:53:12,890 --> 00:53:11,600

leaning towards like maybe it was a you

1286

00:53:14,120 --> 00:53:12,900

know someone helped us

1287

00:53:18,529 --> 00:53:14,130

to get there that's where I'm at right

1288

00:53:20,599 --> 00:53:18,539

now at least yeah yeah but if a ship you

1289

00:53:23,029 --> 00:53:20,609

know a big UFO one of those thousand

1290

00:53:25,670 --> 00:53:23,039

feet by thousand feet triangles popped

1291

00:53:28,519 --> 00:53:25,680

in picked up the the rover the lander

1292

00:53:30,589 --> 00:53:28,529

them their spacesuits and all that stuff

1293

00:53:33,470 --> 00:53:30,599

stowed it away took him up there and

1294

00:53:35,299 --> 00:53:33,480

then let them you know then plop the

1295

00:53:37,190 --> 00:53:35,309

lander down and then put them there and

1296

00:53:39,769 --> 00:53:37,200

then let them camp out in it like a

1297

00:53:45,769 --> 00:53:39,779

little camper shelf I mean it could be I

1298

00:53:47,539 --> 00:53:45,779

mean yeah one of the cooler things that

1299

00:53:51,680 --> 00:53:47,549

I heard you know we you know the with

1300

00:53:53,509 --> 00:53:51,690

the Stanley Kubrick you know he a lot of

1301

00:53:56,720 --> 00:53:53,519

people will say that you know he hid

1302

00:53:58,970 --> 00:53:56,730

stuff in the shining and you know

1303

00:54:00,470 --> 00:53:58,980

Stephen King was upset he hated the

1304

00:54:03,319 --> 00:54:00,480

shining because he didn't like the way

1305

00:54:05,089 --> 00:54:03,329

that that Stanley had done the movie but

1306

00:54:07,819 --> 00:54:05,099

you know there's a couple little Easter

1307

00:54:09,950 --> 00:54:07,829

eggs in there that you know like with

1308

00:54:12,230 --> 00:54:09,960

whether they get to the hotel and they

1309

00:54:14,299 --> 00:54:12,240

unload the car how the car is kind of

1310

00:54:16,009 --> 00:54:14,309

small but they have so much luggage that

1311

00:54:18,019 --> 00:54:16,019

there's no way that they could have fit

1312

00:54:19,670 --> 00:54:18,029

all that stuff in the car that was kind

1313

00:54:21,289 --> 00:54:19,680

of like Stanley's way of poking a joke

1314

00:54:23,960 --> 00:54:21,299

of like yeah there's no way they fit all

1315

00:54:27,170 --> 00:54:23,970

that [\h\_\_\h] on a spaceship sorry guys you

1316

00:54:30,049 --> 00:54:27,180

know the the room number that they stay

1317

00:54:31,670 --> 00:54:30,059

in if you add zeros to it is the

1318

00:54:35,120 --> 00:54:31,680

distance from Earth to the Moon

1319

00:54:37,970 --> 00:54:35,130

and the little boys wearing a NASA shirt

1320

00:54:40,069 --> 00:54:37,980

with the you know the Apollo rocket on

1321

00:54:42,170 --> 00:54:40,079

it and all kinds of these little things

1322

00:54:44,120 --> 00:54:42,180

that are sprinkled throughout the movie

1323

00:54:46,099 --> 00:54:44,130

that was kind of his tongue-in-cheek way

1324

00:54:46,819 --> 00:54:46,109

of saying like yeah I had something to

1325

00:54:50,479 --> 00:54:46,829

do with it

1326

00:54:53,120 --> 00:54:50,489

you know yes absolutely and I do believe

1327

00:54:55,519 --> 00:54:53,130

that he filmed a lot of footage for us

1328

00:54:58,039 --> 00:54:55,529

in case something went wrong yeah and

1329

00:55:00,319 --> 00:54:58,049

they couldn't make it and they wanted to

1330

00:55:02,720 --> 00:55:00,329

they wanted to beat the Russians so bad

1331

00:55:06,859 --> 00:55:02,730

that I went out that all took place

1332

00:55:09,440 --> 00:55:06,869

absolutely yeah and I went out we ended

1333

00:55:11,329 --> 00:55:09,450

up with the footage that he filmed

1334

00:55:14,509 --> 00:55:11,339

instead of the real footage that may

1335

00:55:15,739 --> 00:55:14,519

have happened there yeah yeah you know I

1336

00:55:17,569 --> 00:55:15,749

mean because how are you gonna explain

1337

00:55:20,539 --> 00:55:17,579

five spaceships that they're looking at

1338

00:55:22,400 --> 00:55:20,549

the look at these guys you know so they

1339

00:55:24,920 --> 00:55:22,410

go oh my god their spaceships in the

1340

00:55:26,180 --> 00:55:24,930

video ok guess it's time to pop out the

1341

00:55:30,980 --> 00:55:26,190

old Stanley Krupa

1342

00:55:32,840 --> 00:55:30,990

footage out there you know I would love

1343

00:55:35,180 --> 00:55:32,850

the season I would love to see the

1344

00:55:37,670 --> 00:55:35,190

original film and like see how many like

1345

00:55:39,770 --> 00:55:37,680

razor blade cuts in like glue there is

1346

00:55:44,480 --> 00:55:39,780

that's like cut you know how the way

1347

00:55:46,730 --> 00:55:44,490

they used to do film exactly see that's

1348

00:55:48,410 --> 00:55:46,740

the problem and the problem and I tell

1349

00:55:51,050 --> 00:55:48,420

everybody this all the time I say don't

1350

00:55:52,820 --> 00:55:51,060

get obsessed on the past all you can do

1351

00:55:55,040 --> 00:55:52,830

is go with what your guts telling you

1352

00:55:57,800 --> 00:55:55,050

that you know I I know something's wrong

1353

00:56:00,020 --> 00:55:57,810

with all the Apollo missions I know it

1354

00:56:02,810 --> 00:56:00,030

and I know that JFK knew something was

1355

00:56:04,850 --> 00:56:02,820

wrong too I know that my heart I'm not

1356

00:56:07,340 --> 00:56:04,860

not an idiot you know if you got any

1357

00:56:09,800 --> 00:56:07,350

empathy you understand that when people

1358

00:56:11,630 --> 00:56:09,810

are doing what they do and the way they

1359

00:56:13,430 --> 00:56:11,640

look at people I look at a lot of

1360

00:56:16,310 --> 00:56:13,440

pictures of the past I've been through

1361

00:56:18,920 --> 00:56:16,320

every JFK picture that I can find online

1362

00:56:20,780 --> 00:56:18,930

over the last thirty years and as soon

1363

00:56:22,910 --> 00:56:20,790

as the internet hit guess where I was I

1364

00:56:25,880 --> 00:56:22,920

was out trying to find any picture of

1365

00:56:29,090 --> 00:56:25,890

JFK that I could so I've spent the last

1366

00:56:31,490 --> 00:56:29,100

15 20 years every got around his

1367

00:56:33,590 --> 00:56:31,500

birthday I sit down for a day or two and

1368

00:56:36,050 --> 00:56:33,600

I do nothing but look up pictures of the

1369

00:56:37,490 --> 00:56:36,060

man and everybody seems to be throwing

1370

00:56:39,830 --> 00:56:37,500

stuff on there and ever since that JFK

1371

00:56:42,260 --> 00:56:39,840

Library went up I go through all his

1372

00:56:44,930 --> 00:56:42,270

family pictures way back I can see it

1373

00:56:48,560 --> 00:56:44,940

and you can tell there there are shots

1374

00:56:50,150 --> 00:56:48,570

that tell more stories than I even have

1375

00:56:53,860 --> 00:56:50,160

to think about I mean I swear to God

1376

00:56:57,560 --> 00:56:53,870

after his death there's a picture of the

1377

00:57:01,850 --> 00:56:57,570

Lyndon Baines Johnson signing the MA the

1378

00:57:06,800 --> 00:57:01,860

the Equal Rights Act in January or

1379

00:57:09,560 --> 00:57:06,810

February of 64 and Bobby Kennedy is

1380

00:57:11,840 --> 00:57:09,570

looking at him with this look of disdain

1381

00:57:13,610 --> 00:57:11,850

on his face that you can't even describe

1382

00:57:16,580 --> 00:57:13,620

to people they have to see the picture

1383

00:57:19,040 --> 00:57:16,590

Wow and she's had an engine and LBJ's

1384

00:57:21,290 --> 00:57:19,050

making him hand him the pen to sign it

1385

00:57:22,960 --> 00:57:21,300

and his brother is the one that worked

1386

00:57:27,380 --> 00:57:22,970

on that whole thing and made it possible

1387

00:57:30,470 --> 00:57:27,390

okay and the look on LBJ's face he's

1388

00:57:33,230 --> 00:57:30,480

laughing at Bobby and I'm thinking to

1389

00:57:35,720 --> 00:57:33,240

myself oh my god he knows he killed his

1390

00:57:38,300 --> 00:57:35,730

brother nobody can't do anything about

1391

00:57:38,779 --> 00:57:38,310

it cuz if he does it's a coup you know

1392

00:57:42,380 --> 00:57:38,789

it's

1393

00:57:45,650 --> 00:57:42,390

mad mess so what does he do right before

1394

00:57:48,829 --> 00:57:45,660

he's going to California in 68 or yes a

1395

00:57:51,109 --> 00:57:48,839

68 when he got medicine he's telling

1396

00:57:52,400 --> 00:57:51,119

people yeah if I get elected he oh he

1397

00:57:54,650 --> 00:57:52,410

actually told it in Long Beach

1398

00:57:56,559 --> 00:57:54,660

University was down there two days

1399

00:57:59,329 --> 00:57:56,569

before he was at the Ambassador Hotel

1400

00:58:01,429 --> 00:57:59,339

and he says to all the kids there they

1401  
00:58:03,559 --> 00:58:01,439  
one of them said well you look into your

1402  
00:58:05,569 --> 00:58:03,569  
brother's death if you get elected and

1403  
00:58:07,579 --> 00:58:05,579  
he didn't answer right away but he

1404  
00:58:09,469 --> 00:58:07,589  
finally said yes I'm planning on doing

1405  
00:58:11,989 --> 00:58:09,479  
that and I think that was his dis death

1406  
00:58:14,959 --> 00:58:11,999  
sentence Wow if he hadn't said that in

1407  
00:58:18,529 --> 00:58:14,969  
public I think he might have skated by I

1408  
00:58:21,890 --> 00:58:18,539  
really did yeah yeah that sounds like a

1409  
00:58:25,219 --> 00:58:21,900  
way to get get the get the quick kill

1410  
00:58:26,299 --> 00:58:25,229  
you know like that and you gotta realize

1411  
00:58:29,209 --> 00:58:26,309  
sirhan sirhan

1412  
00:58:32,839 --> 00:58:29,219  
didn't do it that's very obvious and

1413  
00:58:35,599 --> 00:58:32,849

even the guy that he did shoot was in

1414

00:58:38,809 --> 00:58:35,609

his last appeal hearing telling the

1415

00:58:40,669 --> 00:58:38,819

board the appeals board there's no way

1416

00:58:43,429 --> 00:58:40,679

he could have shot you know Robert

1417

00:58:45,259 --> 00:58:43,439

Kennedy and I know and he said to them I

1418

00:58:48,649 --> 00:58:45,269

never pressed charges

1419

00:58:50,599 --> 00:58:48,659

for him shooting me so the man didn't

1420

00:58:52,909 --> 00:58:50,609

he's not being he should have been

1421

00:58:54,859 --> 00:58:52,919

convicted of anything because you know

1422

00:58:56,299 --> 00:58:54,869

nobody did that now attempted murder

1423

00:58:59,089 --> 00:58:56,309

maybe and he should have been out in

1424

00:59:01,309 --> 00:58:59,099

five years you know he was totally mind

1425

00:59:05,359 --> 00:59:01,319

controlled and totally an elucidated

1426  
00:59:08,120 --> 00:59:05,369  
stage yeah is the Sirhan Sirhan incident

1427  
00:59:11,149 --> 00:59:08,130  
is that is that where the infamous lady

1428  
00:59:12,679 --> 00:59:11,159  
in the polkadot dress yes yes absolutely

1429  
00:59:16,729 --> 00:59:12,689  
and there's a great book out by a

1430  
00:59:20,089 --> 00:59:16,739  
gentleman that recently died god it's

1431  
00:59:22,279 --> 00:59:20,099  
called girl in the polkadot dress or

1432  
00:59:23,899 --> 00:59:22,289  
lady in the polkadot dress that's the

1433  
00:59:26,749 --> 00:59:23,909  
name of the book something along those

1434  
00:59:29,689 --> 00:59:26,759  
lines very close to that and his last

1435  
00:59:31,849 --> 00:59:29,699  
name is Spanish and I can't remember it

1436  
00:59:34,249 --> 00:59:31,859  
right now at the top my head but anyhow

1437  
00:59:36,919 --> 00:59:34,259  
point being if you guys look that up it

1438  
00:59:39,679 --> 00:59:36,929

is one of the best works on this that

1439

00:59:42,259 --> 00:59:39,689

I've ever read in my life it is just

1440

00:59:44,239 --> 00:59:42,269

wonderful so to please read that if you

1441

00:59:47,449 --> 00:59:44,249

can and if you can find anything by

1442

00:59:49,579 --> 00:59:47,459

William pepper Oh con sear Han Sirhan on

1443

00:59:51,880 --> 00:59:49,589

the internet please read it because he

1444

00:59:53,500 --> 00:59:51,890

is sirhan sirhan lawyer and he's

1445

00:59:56,920 --> 00:59:53,510

doing everything he can to get him out

1446

00:59:58,599 --> 00:59:56,930

of Prisons before he's dead I heard

1447

01:00:00,069 --> 00:59:58,609

something I heard something kind of

1448

01:00:01,509 --> 01:00:00,079

interesting I don't know you you might

1449

01:00:05,259 --> 01:00:01,519

know the answer to this it might be

1450

01:00:08,230 --> 01:00:05,269

complete [h\_\_h] I'm not sure that the

1451

01:00:11,980 --> 01:00:08,240

lady in the polkadot dress and then also

1452

01:00:16,390 --> 01:00:11,990

the doorman that was standing there

1453

01:00:19,359 --> 01:00:16,400

whenever John Lennon was shot apparently

1454

01:00:23,400 --> 01:00:19,369

those two people were Cuban nationalists

1455

01:00:28,450 --> 01:00:23,410

at some point no I heard they were CIA

1456

01:00:31,180 --> 01:00:28,460

okay some type of you know some agency

1457

01:00:33,730 --> 01:00:31,190

okay okay and I don't think the girl the

1458

01:00:35,380 --> 01:00:33,740

polkadot dress was actually agency

1459

01:00:37,839 --> 01:00:35,390

material I think she was another

1460

01:00:40,990 --> 01:00:37,849

mind-control victim in the same program

1461

01:00:43,750 --> 01:00:41,000

that Sirhan was yeah and she was

1462

01:00:45,339 --> 01:00:43,760

basically kind of his babysitter yeah I

1463

01:00:47,289 --> 01:00:45,349

want to say handler but she I don't

1464

01:00:49,269 --> 01:00:47,299

think she had that kind of status okay I

1465

01:00:50,829 --> 01:00:49,279

think she was more of a babysitter and

1466

01:00:53,650 --> 01:00:50,839

that's a little different because that's

1467

01:00:56,079 --> 01:00:53,660

another peer in the same program right

1468

01:00:57,339 --> 01:00:56,089

being assigned to you and brainwashed to

1469

01:00:58,089 --> 01:00:57,349

make sure you follow through with what

1470

01:01:01,660 --> 01:00:58,099

you're doing

1471

01:01:03,279 --> 01:01:01,670

yeah so I mean what I heard was this you

1472

01:01:05,890 --> 01:01:03,289

know the connection between these two

1473

01:01:08,440 --> 01:01:05,900

people is that they were in the vicinity

1474

01:01:11,170 --> 01:01:08,450

whenever these people snapped and maybe

1475

01:01:13,960 --> 01:01:11,180

break maybe these two people said

1476

01:01:15,940 --> 01:01:13,970

something to these mind-control assassin

1477

01:01:17,829 --> 01:01:15,950

solutely we believe that the girl that

1478

01:01:20,079 --> 01:01:17,839

polkadot dress said the right thing at

1479

01:01:23,920 --> 01:01:20,089

the right time the Saran which put him

1480

01:01:26,499 --> 01:01:23,930

into a hypnotic you know controllable

1481

01:01:29,259 --> 01:01:26,509

state and what he did what he was

1482

01:01:32,710 --> 01:01:29,269

programmed to do was he what did he have

1483

01:01:35,200 --> 01:01:32,720

a copy of Catcher in the Rye on him no

1484

01:01:37,029 --> 01:01:35,210

he did not that was he is that Hinckley

1485

01:01:39,130 --> 01:01:37,039

what was the name of the guy who shot

1486

01:01:40,660 --> 01:01:39,140

Lennox I get him mixed up with the guy

1487

01:01:42,279 --> 01:01:40,670

who shot Reagan all the time yeah I

1488

01:01:45,009 --> 01:01:42,289

can't remember his name off the top of

1489

01:01:47,140 --> 01:01:45,019

my hair cycle II and I think Lee was the

1490

01:01:48,670 --> 01:01:47,150

one that shot Reagan and I kind of can't

1491

01:01:52,359 --> 01:01:48,680

remember the other guy's name anyhow I

1492

01:01:53,950 --> 01:01:52,369

can see his face yeah yeah I was hearing

1493

01:01:56,259 --> 01:01:53,960

something about how like a lot of these

1494

01:02:00,759 --> 01:01:56,269

like assassins like when they're caught

1495

01:02:02,890 --> 01:02:00,769

they have a that book on them and for

1496

01:02:05,009 --> 01:02:02,900

some reason see it back yeah back in the

1497

01:02:08,359 --> 01:02:05,019

60s and 70s and early

1498

01:02:11,999 --> 01:02:08,369

ATS that was part of the ritual I think

1499

01:02:14,669 --> 01:02:12,009

but in the programming but it's changed

1500

01:02:18,089 --> 01:02:14,679

so much since then I mean it is it's

1501  
01:02:19,979 --> 01:02:18,099  
gotten to the point where literally you

1502  
01:02:21,749 --> 01:02:19,989  
don't have to be in a program all

1503  
01:02:24,870 --> 01:02:21,759  
they've got to do is zap you a few days

1504  
01:02:26,759 --> 01:02:24,880  
of the little bit of you know it's like

1505  
01:02:29,609 --> 01:02:26,769  
what do they call us like Tronics or

1506  
01:02:31,859 --> 01:02:29,619  
whatever it is and you can go out and

1507  
01:02:34,859 --> 01:02:31,869  
kill somebody not even remember it yeah

1508  
01:02:37,679 --> 01:02:34,869  
it's gotten that sophisticated and I you

1509  
01:02:39,659 --> 01:02:37,689  
know I don't easily say that because I

1510  
01:02:41,519 --> 01:02:39,669  
know it's true but I don't want people

1511  
01:02:44,370 --> 01:02:41,529  
to freak out about it because they're

1512  
01:02:46,919 --> 01:02:44,380  
they don't have the time to they have to

1513  
01:02:49,109 --> 01:02:46,929

get a brain map of you to do that to

1514

01:02:51,599 --> 01:02:49,119

overlay their thoughts onto your

1515

01:02:53,579 --> 01:02:51,609

thoughts so you know unless you're a

1516

01:02:56,909 --> 01:02:53,589

targeted individuals they've already got

1517

01:02:59,339 --> 01:02:56,919

mapped it's they're not gonna pick you

1518

01:03:02,819 --> 01:02:59,349

like Joe tomorrow to do it or Ben's you

1519

01:03:04,319 --> 01:03:02,829

know yeah yeah okay yeah we did somebody

1520

01:03:09,779 --> 01:03:04,329

they've already got that's vulnerable

1521

01:03:12,359 --> 01:03:09,789

and will do their bidding Wow oh man I

1522

01:03:13,949 --> 01:03:12,369

love that so much oh my gosh Chapman

1523

01:03:17,459 --> 01:03:13,959

Mark David Chapman that's the guy who

1524

01:03:20,909 --> 01:03:17,469

can't win it yeah yep that's yeah oh my

1525

01:03:23,339 --> 01:03:20,919

god I got stories about him it turns out

1526

01:03:26,579 --> 01:03:23,349

that one of an old friend of mine

1527

01:03:29,639 --> 01:03:26,589

actually talked to him an hour before he

1528

01:03:32,339 --> 01:03:29,649

killed John Lennon no way yeah he walked

1529

01:03:34,799 --> 01:03:32,349

into his shop he was running a the

1530

01:03:36,599 --> 01:03:34,809

people's where they color the people's

1531

01:03:38,939 --> 01:03:36,609

movement of something in New York City

1532

01:03:41,819 --> 01:03:38,949

and was right down the street from the

1533

01:03:45,089 --> 01:03:41,829

Dakota the building that they lived in

1534

01:03:47,339 --> 01:03:45,099

and and also Mark had been there earlier

1535

01:03:48,959 --> 01:03:47,349

that morning getting trying to get an

1536

01:03:50,609 --> 01:03:48,969

autograph from John when they left the

1537

01:03:53,939 --> 01:03:50,619

building supposedly he was gonna kill

1538

01:03:55,919 --> 01:03:53,949

him then but I guess the programming

1539

01:03:58,649 --> 01:03:55,929

didn't work or something happened and

1540

01:04:00,329 --> 01:03:58,659

Wow yeah he was roaming around the city

1541

01:04:02,849 --> 01:04:00,339

and a lot of people talked to him and

1542

01:04:04,499 --> 01:04:02,859

you know you know you know interfaced

1543

01:04:06,779 --> 01:04:04,509

with them and he didn't seem quite

1544

01:04:08,189 --> 01:04:06,789

screwed up but he was a little weird he

1545

01:04:10,349 --> 01:04:08,199

said he's a little strange he's a little

1546

01:04:12,959 --> 01:04:10,359

preoccupied he'd stare off into the

1547

01:04:18,660 --> 01:04:12,969

distance a little bit you know sounds

1548

01:04:22,319 --> 01:04:20,609

yeah and he had no idea he was totally

1549

01:04:23,910 --> 01:04:22,329

freaked out when he saw the paper the

1550

01:04:26,779 --> 01:04:23,920

next day the picture of him he's like I

1551

01:04:29,940 --> 01:04:26,789

just talked to that dude that's yes

1552

01:04:32,370 --> 01:04:29,950

Aaron straight yeah I know and he said

1553

01:04:34,470 --> 01:04:32,380

the guy was very odd but you know he

1554

01:04:36,779 --> 01:04:34,480

didn't think he'd be killing anybody you

1555

01:04:38,690 --> 01:04:36,789

know yeah I mean you know I think we

1556

01:04:41,609 --> 01:04:38,700

we've talked about this this it's

1557

01:04:43,440 --> 01:04:41,619

particular instance before like when a

1558

01:04:44,880 --> 01:04:43,450

person is is brainwashed or whatever

1559

01:04:47,039 --> 01:04:44,890

like before people have talked to him

1560

01:04:49,890 --> 01:04:47,049

they're totally normal and then BOOM

1561

01:04:51,269 --> 01:04:49,900

they do something that's just totally

1562

01:04:52,710 --> 01:04:51,279

out of their character and then they

1563

01:04:53,489 --> 01:04:52,720

snap out of it and they don't remember

1564

01:04:56,039 --> 01:04:53,499

anything

1565

01:04:58,200 --> 01:04:56,049

I mean it's anybody listening to this

1566

01:04:59,339 --> 01:04:58,210

and we say brainwashing like a lot of

1567

01:05:02,069 --> 01:04:59,349

people were gonna get turned off by that

1568

01:05:05,569 --> 01:05:02,079

term but I mean do your research right

1569

01:05:08,430 --> 01:05:05,579

um yeah yeah there's absolutely and it's

1570

01:05:11,309 --> 01:05:08,440

mind-boggling and you know I got stories

1571

01:05:14,999 --> 01:05:11,319

of that from oh you guys gonna hold get

1572

01:05:17,700 --> 01:05:15,009

over my buddy James Cameron he John camp

1573

01:05:19,799 --> 01:05:17,710

sorry the guy who knows about the Zodiac

1574

01:05:21,870 --> 01:05:19,809

killer which is very interesting he's

1575

01:05:25,220 --> 01:05:21,880

seven all his research on this guy and

1576

01:05:28,440 --> 01:05:25,230

it turns out that the Zodiac killer and

1577

01:05:31,739 --> 01:05:28,450

Charles Manson were in the same prison

1578

01:05:33,930 --> 01:05:31,749

cell and Deerfield month isn't Montana

1579

01:05:36,630 --> 01:05:33,940

yeah he's Montana Deerfield Montana

1580

01:05:39,089 --> 01:05:36,640

Deerfield Michigan I don't remember but

1581

01:05:41,430 --> 01:05:39,099

they were part from what we can figure

1582

01:05:44,039 --> 01:05:41,440

out I'm not sure John talks about this

1583

01:05:45,749 --> 01:05:44,049

much in his research but from what I've

1584

01:05:48,390 --> 01:05:45,759

been able to figure out that there was

1585

01:05:50,640 --> 01:05:48,400

some kind of mind-control program going

1586

01:05:56,210 --> 01:05:50,650

on with ten of the prisoners at that

1587

01:05:59,729 --> 01:05:56,220

jail in the early 50s and they created

1588

01:06:01,380 --> 01:05:59,739

the zodiac in Charles Manson were the

1589

01:06:03,450 --> 01:06:01,390

two success stories out of their

1590

01:06:05,759 --> 01:06:03,460

mind-control program well I'm looking at

1591

01:06:07,529 --> 01:06:05,769

it right now guys probably didn't fare

1592

01:06:09,559 --> 01:06:07,539

as well right they probably couldn't

1593

01:06:12,660 --> 01:06:09,569

handle all the apps that they were given

1594

01:06:15,120 --> 01:06:12,670

yeah yeah it'll do it Hanuman

1595

01:06:17,700 --> 01:06:15,130

oh my god yeah so they were using the

1596

01:06:20,999 --> 01:06:17,710

acid they were using violence they were

1597

01:06:22,769 --> 01:06:21,009

using all kinds of things and so the

1598

01:06:25,019 --> 01:06:22,779

Zodiac killer which is a very

1599

01:06:26,999 --> 01:06:25,029

interesting story much more interesting

1600

01:06:30,269 --> 01:06:27,009

than people think that he wasn't just a

1601  
01:06:31,740 --> 01:06:30,279  
mass killer you know this guy was very

1602  
01:06:33,810 --> 01:06:31,750  
organized

1603  
01:06:34,680 --> 01:06:33,820  
he knew what he was doing and he was

1604  
01:06:39,900 --> 01:06:34,690  
fearless

1605  
01:06:41,940 --> 01:06:39,910  
knowing that he knows the CIA created in

1606  
01:06:44,940 --> 01:06:41,950  
and is letting him do it

1607  
01:06:48,410 --> 01:06:44,950  
whoa now that's a new perspective I

1608  
01:06:50,640 --> 01:06:48,420  
haven't thought about I mean you usually

1609  
01:06:52,530 --> 01:06:50,650  
yeah you usually think of like

1610  
01:06:56,070 --> 01:06:52,540  
Psychopaths is that they have no

1611  
01:06:57,990 --> 01:06:56,080  
feelings and they're just like but but I

1612  
01:06:59,910 --> 01:06:58,000  
this is a new I thought that you're

1613  
01:07:01,800 --> 01:06:59,920

bringing up like okay well the reason

1614

01:07:04,200 --> 01:07:01,810

that they don't fear anything is cuz

1615

01:07:06,750 --> 01:07:04,210

there's no repercussions for anything

1616

01:07:08,609 --> 01:07:06,760

they do that's that's interesting Wow

1617

01:07:10,740 --> 01:07:08,619

well there is it because the CIA

1618

01:07:12,330 --> 01:07:10,750

creative use so they're gonna watch you

1619

01:07:14,730 --> 01:07:12,340

they're studying you their senior

1620

01:07:16,290 --> 01:07:14,740

psychopathy they want to know what how

1621

01:07:17,849 --> 01:07:16,300

many people you're gonna kill and how

1622

01:07:20,040 --> 01:07:17,859

many years it takes you to do it

1623

01:07:21,990 --> 01:07:20,050

they don't care that they're letting

1624

01:07:24,270 --> 01:07:22,000

people die wow this is work that makes

1625

01:07:25,890 --> 01:07:24,280

me crazy hey and I'm not sure I'm

1626

01:07:27,480 --> 01:07:25,900

telling you guys the truth I mean who

1627

01:07:29,340 --> 01:07:27,490

knows that they actually did this

1628

01:07:32,040 --> 01:07:29,350

program yeah it's just something that

1629

01:07:33,540 --> 01:07:32,050

we've unearthed a bunch of us in our

1630

01:07:37,620 --> 01:07:33,550

research is that there were a lot of

1631

01:07:39,960 --> 01:07:37,630

prison things going on at the time a lot

1632

01:07:41,810 --> 01:07:39,970

of prison subjects and they won't tell

1633

01:07:44,340 --> 01:07:41,820

you where when and how we've just gotten

1634

01:07:46,260 --> 01:07:44,350

redacted documents that say we were

1635

01:07:48,780 --> 01:07:46,270

doing this at this prison at this time

1636

01:07:50,520 --> 01:07:48,790

and I just say what they were doing or

1637

01:07:53,310 --> 01:07:50,530

how they were doing it or why they were

1638

01:07:55,890 --> 01:07:53,320

doing it but we do know that the zodiac

1639

01:07:58,560 --> 01:07:55,900

and Manson's shared a cell in that

1640

01:08:00,510 --> 01:07:58,570

prison well and you know that these

1641

01:08:03,210 --> 01:08:00,520

mind-control programs were going on at

1642

01:08:05,460 --> 01:08:03,220

the time and that the guy that is

1643

01:08:08,580 --> 01:08:05,470

considered to be the Zodiac killer wrote

1644

01:08:10,849 --> 01:08:08,590

a book and he insinuates in there that

1645

01:08:14,430 --> 01:08:10,859

he has been given permission to do this

1646

01:08:16,200 --> 01:08:14,440

so we you know we were speculating you

1647

01:08:18,680 --> 01:08:16,210

know it could be a long shot it could be

1648

01:08:21,780 --> 01:08:18,690

a very short shot we could be right on

1649

01:08:23,099 --> 01:08:21,790

you know there it it's not hard to

1650

01:08:24,900 --> 01:08:23,109

speculate that this could have been

1651  
01:08:27,360 --> 01:08:24,910  
created that these two guys could have

1652  
01:08:29,970 --> 01:08:27,370  
been created and I honestly believe in

1653  
01:08:31,559 --> 01:08:29,980  
my heart that Manson was just high as a

1654  
01:08:34,950 --> 01:08:31,569  
kite most of the time it couldn't have

1655  
01:08:37,440 --> 01:08:34,960  
pulled off any murders organized it but

1656  
01:08:42,240 --> 01:08:37,450  
I think text I think text was his

1657  
01:08:45,240 --> 01:08:42,250  
handler from some agency also that name

1658  
01:08:45,509 --> 01:08:45,250  
text comes from from once upon a time at

1659  
01:08:48,629 --> 01:08:45,519  
home

1660  
01:08:50,910 --> 01:08:48,639  
would probably I don't know what's what

1661  
01:08:53,009 --> 01:08:50,920  
his planets in Hollywood it's a story I

1662  
01:08:56,579 --> 01:08:53,019  
mean I don't mean to be a spoiler but

1663  
01:09:00,809 --> 01:08:56,589

once upon a time in Hollywood is a Brad

1664

01:09:03,890 --> 01:09:00,819

Pitt and I'm such an idiot I can't

1665

01:09:06,959 --> 01:09:03,900

remember the other Oh Leonardo DiCaprio

1666

01:09:09,089 --> 01:09:06,969

okay yeah it's a very fairly recent

1667

01:09:10,799 --> 01:09:09,099

movie but it's it's on it's about what

1668

01:09:12,329 --> 01:09:10,809

should of what people wish would have

1669

01:09:14,099 --> 01:09:12,339

happened in the Manson case it's a great

1670

01:09:17,399 --> 01:09:14,109

movie if you haven't seen it huh I know

1671

01:09:19,169 --> 01:09:17,409

you do watch it yeah okay so well but

1672

01:09:22,229 --> 01:09:19,179

Tex is one of the main characters that

1673

01:09:24,329 --> 01:09:22,239

in this movie is Charles Manson I think

1674

01:09:26,309 --> 01:09:24,339

I mean yeah I don't know maybe I'm

1675

01:09:30,059 --> 01:09:26,319

misconstruing it but Tex is a prominent

1676

01:09:32,279 --> 01:09:30,069

name in that movie oh okay yeah

1677

01:09:34,589 --> 01:09:32,289

accomplice he was the guy that took all

1678

01:09:37,169 --> 01:09:34,599

the girls to the houses to kill

1679

01:09:38,999 --> 01:09:37,179

everybody and he was the one that went

1680

01:09:40,919 --> 01:09:39,009

up the telephone poles and cut all the

1681

01:09:43,259 --> 01:09:40,929

phone wires and the electricity okay

1682

01:09:44,999 --> 01:09:43,269

that's perfectly I was confused yeah

1683

01:09:46,349 --> 01:09:45,009

that's that's perfectly on line because

1684

01:09:46,950 --> 01:09:46,359

that's that's that character and that

1685

01:09:51,029 --> 01:09:46,960

movie for sure

1686

01:09:53,939 --> 01:09:51,039

yeah he orchestrates everything so I'm

1687

01:09:55,439 --> 01:09:53,949

wondering if he wasn't the CIA asset he

1688

01:09:57,509 --> 01:09:55,449

wasn't the one you know they thought

1689

01:10:01,049 --> 01:09:57,519

well Manson's too screwed up let's send

1690

01:10:04,799 --> 01:10:01,059

somebody else to be as then we'll blame

1691

01:10:07,470 --> 01:10:04,809

it all on Manson right yeah so that's

1692

01:10:09,750 --> 01:10:07,480

why I think he's always been weird when

1693

01:10:12,149 --> 01:10:09,760

he gets interviewed he always strays and

1694

01:10:14,339 --> 01:10:12,159

goes around the table and you know never

1695

01:10:16,319 --> 01:10:14,349

gets to the point and he always said I

1696

01:10:18,540 --> 01:10:16,329

wasn't there I never killed anybody

1697

01:10:21,120 --> 01:10:18,550

yeah he's right he never killed anybody

1698

01:10:24,120 --> 01:10:21,130

he never did anything he wasn't even

1699

01:10:27,750 --> 01:10:24,130

there so for them putting him in jail

1700

01:10:31,529 --> 01:10:27,760

for all this I'm wondering if they gave

1701

01:10:33,479 --> 01:10:31,539

Texa cold star and a pass to do it for

1702

01:10:36,180 --> 01:10:33,489

them because they wanted to shake up the

1703

01:10:37,919 --> 01:10:36,190

whole world they wanted us to realize

1704

01:10:40,290 --> 01:10:37,929

that the hippies were bad and they

1705

01:10:42,959 --> 01:10:40,300

wanted us to follow suit you know yeah

1706

01:10:44,700 --> 01:10:42,969

they definitely in this movie Once Upon

1707

01:10:47,700 --> 01:10:44,710

a Time in Hollywood they make hippies

1708

01:10:49,109 --> 01:10:47,710

look terrible by the way like they make

1709

01:10:51,029 --> 01:10:49,119

them look like the dirt of the earth

1710

01:10:55,020 --> 01:10:51,039

like I hated this group of people so

1711

01:10:57,359 --> 01:10:55,030

much and that's contrary to everything

1712

01:10:58,939 --> 01:10:57,369

they were doing I was the very end of

1713

01:11:01,640 --> 01:10:58,949

the flower child

1714

01:11:03,560 --> 01:11:01,650

spearmint and they were really truly

1715

01:11:06,739 --> 01:11:03,570

trying to change the world for the best

1716

01:11:08,930 --> 01:11:06,749

you know yeah and it's just very sad

1717

01:11:10,790 --> 01:11:08,940

that it turned out the way it did you

1718

01:11:12,709 --> 01:11:10,800

know one of my favorite movies out there

1719

01:11:15,589 --> 01:11:12,719

and I can't remember the name of it but

1720

01:11:18,439 --> 01:11:15,599

maybe you guys will there's a it's it's

1721

01:11:20,629 --> 01:11:18,449

Donald Sutherland son Kiefer Sutherland

1722

01:11:25,069 --> 01:11:20,639

it's one of his first movies other ever

1723

01:11:29,359 --> 01:11:25,079

and he he plays an FBI agent going after

1724

01:11:31,250 --> 01:11:29,369

a guy that is an X kind of Kimber what

1725

01:11:36,169 --> 01:11:31,260

he is but he's basically an X kind of

1726

01:11:38,120 --> 01:11:36,179

hippie rabble rouser and it's just a

1727

01:11:40,339 --> 01:11:38,130

great movie and his name in it I'll

1728

01:11:41,120 --> 01:11:40,349

never forget it is called free that's

1729

01:11:42,620 --> 01:11:41,130

his real name

1730

01:11:45,290 --> 01:11:42,630

it's called free is it the movie called

1731

01:11:47,239 --> 01:11:45,300

freeway it might be I don't all I

1732

01:11:49,370 --> 01:11:47,249

remember is it's just a really great

1733

01:11:52,160 --> 01:11:49,380

movie and his character is called free

1734

01:11:53,509 --> 01:11:52,170

that's his name and and but he doesn't

1735

01:11:55,609 --> 01:11:53,519

tell anybody that's his name and it

1736

01:11:57,580 --> 01:11:55,619

turns out he was raised on a commune and

1737

01:12:03,410 --> 01:11:57,590

that was the name his parents gave him

1738

01:12:05,629 --> 01:12:03,420

actually freeze a dope name yeah good

1739

01:12:07,699 --> 01:12:05,639

name so anyway I'll try to remember that

1740

01:12:10,449 --> 01:12:07,709

movie and pass it on to you guys he

1741

01:12:12,680 --> 01:12:10,459

could put it in the the hardwire of this

1742

01:12:14,629 --> 01:12:12,690

conversation because it's a great movie

1743

01:12:16,069 --> 01:12:14,639

made me laugh really hard but it gave

1744

01:12:20,000 --> 01:12:16,079

you a great impression of what was

1745

01:12:22,580 --> 01:12:20,010

really going on in the you know the 60s

1746

01:12:25,219 --> 01:12:22,590

you know it was okay he should get out

1747

01:12:27,379 --> 01:12:25,229

of the steps and do the student you know

1748

01:12:28,939 --> 01:12:27,389

protest that's all the universities and

1749

01:12:30,589 --> 01:12:28,949

they would been looking for him for

1750

01:12:32,629 --> 01:12:30,599

years kind of thing and then they

1751

01:12:34,759 --> 01:12:32,639

finally catch them and then Kiefer

1752

01:12:41,600 --> 01:12:34,769

suddenly goes after him any and he

1753

01:12:48,949 --> 01:12:41,610

escapes take that one out I haven't seen

1754

01:12:50,959 --> 01:12:48,959

that one so what else do we need to talk

1755

01:12:53,330 --> 01:12:50,969

about today cuz we got about 10 minutes

1756

01:12:56,870 --> 01:12:53,340

left and I want to pack it full of good

1757

01:12:59,390 --> 01:12:56,880

information yeah dude well I guess if

1758

01:13:03,649 --> 01:12:59,400

we're on the topic of movies have you

1759

01:13:07,129 --> 01:13:03,659

seen the horse girl no what's that about

1760

01:13:10,399 --> 01:13:07,139

dude it is the craziest most interesting

1761

01:13:11,200 --> 01:13:10,409

thing Ben had said dude watch horse girl

1762

01:13:14,140 --> 01:13:11,210

and

1763

01:13:16,690 --> 01:13:14,150

a it's a it's about somebody who has an

1764

01:13:19,270 --> 01:13:16,700

abduction experience but the way that

1765

01:13:21,760 --> 01:13:19,280

they made this movie it's titled horse

1766

01:13:25,060 --> 01:13:21,770

girl you start watching it and it has

1767

01:13:27,700 --> 01:13:25,070

absolutely nothing to do with aliens at

1768

01:13:29,590 --> 01:13:27,710

all and then like 30 minutes into it

1769

01:13:31,930 --> 01:13:29,600

it's like boom like there's just all

1770

01:13:33,880 --> 01:13:31,940

this crazy stuff is happening and it's

1771

01:13:35,080 --> 01:13:33,890

it's interesting because you know we

1772

01:13:37,870 --> 01:13:35,090

haven't been able to talk to anybody

1773

01:13:40,450 --> 01:13:37,880

who's like in the field of this type of

1774

01:13:42,370 --> 01:13:40,460

stuff you know kind of about it because

1775

01:13:44,200 --> 01:13:42,380

nobody's really seen it it's not it

1776

01:13:46,360 --> 01:13:44,210

doesn't seem to be a very popular movie

1777

01:13:49,270 --> 01:13:46,370

but it is well it's on Netflix

1778

01:13:52,540 --> 01:13:49,280

oh it's on Netflix ok and who's starring

1779

01:13:54,820 --> 01:13:52,550

in and was it a B movie or a D movie or

1780

01:13:57,340 --> 01:13:54,830

an ake a Lister movie I mean who's

1781

01:13:59,320 --> 01:13:57,350

starring it's a it's a Netflix B movie

1782

01:14:01,540 --> 01:13:59,330

but I think it's phenomenal it's

1783

01:14:04,390 --> 01:14:01,550

starring Alison Brie it's called horse

1784

01:14:07,090 --> 01:14:04,400

girl like like Joe says it starts out

1785

01:14:09,729 --> 01:14:07,100

the movie it's just it's just a regular

1786

01:14:13,270 --> 01:14:09,739

movie about a girl that I mean she works

1787

01:14:16,620 --> 01:14:13,280

at a ranch and then it slowly starts to

1788

01:14:19,750 --> 01:14:16,630

unravel this this main actresses of the

1789

01:14:24,130 --> 01:14:19,760

personality and storyline and she has

1790

01:14:26,459 --> 01:14:24,140

some mental problems and she all of a

1791

01:14:28,990 --> 01:14:26,469

sudden starts having time displacement

1792

01:14:30,580 --> 01:14:29,000

she forgets where she is she wakes up in

1793

01:14:33,430 --> 01:14:30,590

the middle of the night much like a lot

1794

01:14:35,500 --> 01:14:33,440

of these abduction stories she wakes up

1795

01:14:37,209 --> 01:14:35,510

in the middle of nowhere in the middle

1796

01:14:39,700 --> 01:14:37,219

of the night and she's been sleepwalking

1797

01:14:41,590 --> 01:14:39,710

and there's bright lights she has dreams

1798

01:14:44,979 --> 01:14:41,600

and visions that she's on this white

1799

01:14:47,050 --> 01:14:44,989

table next to a strap down next to other

1800

01:14:49,660 --> 01:14:47,060

people she's naked other along with the

1801

01:14:51,850 --> 01:14:49,670

other people and it's very much I start

1802

01:14:54,670 --> 01:14:51,860

I immediately want that like 30 minutes

1803

01:14:57,370 --> 01:14:54,680

in like Josie and was like oh [\h\_\_\h] she's

1804

01:15:00,670 --> 01:14:57,380

being abducted but the movie the movies

1805

01:15:02,320 --> 01:15:00,680

like oh she's crazy she's like her they

1806

01:15:04,660 --> 01:15:02,330

they make this story like her mother is

1807

01:15:08,260 --> 01:15:04,670

also crazy and she's been through some

1808

01:15:10,270 --> 01:15:08,270

[\h\_\_\h] but it's like I don't wanna yeah

1809

01:15:13,690 --> 01:15:10,280

it's it's an abduction it's like an

1810

01:15:16,270 --> 01:15:13,700

abduction she's having the abduction but

1811

01:15:18,160 --> 01:15:16,280

the way the movie is is made it they

1812

01:15:19,720 --> 01:15:18,170

don't let you in on the fact that she's

1813

01:15:23,470 --> 01:15:19,730

being abducted it makes you think that

1814

01:15:24,609 --> 01:15:23,480

she's crazy Yeah right but then you get

1815

01:15:27,759 --> 01:15:24,619

to it you're like holy

1816

01:15:29,589 --> 01:15:27,769

crap that's what's happening ever here's

1817

01:15:31,629 --> 01:15:29,599

the main point of the movie though do

1818

01:15:34,029 --> 01:15:31,639

they ever resolve the fact that she

1819

01:15:34,869 --> 01:15:34,039

actually believes she's being taken by

1820

01:15:37,239 --> 01:15:34,879

aliens

1821

01:15:40,330 --> 01:15:37,249

yes not until like the last 10 minutes

1822

01:15:43,359 --> 01:15:40,340

of the movie though okay that's fine got

1823

01:15:44,949 --> 01:15:43,369

to it oh they got to that case and it's

1824

01:15:47,770 --> 01:15:44,959

it's right it's one where like you watch

1825

01:15:50,259 --> 01:15:47,780

it and your mind is kind of blown and if

1826

01:15:53,169 --> 01:15:50,269

you watch it a second time you will

1827

01:15:55,810 --> 01:15:53,179

catch so many things that you like

1828

01:15:58,839 --> 01:15:55,820

didn't realize was what's going on as

1829

01:16:00,850 --> 01:15:58,849

the movie was going on it's it's it was

1830

01:16:02,859 --> 01:16:00,860

it was phenomenal so if you haven't seen

1831

01:16:05,830 --> 01:16:02,869

it check it out it's super interesting I

1832

01:16:07,989 --> 01:16:05,840

think okay I'll watch it tonight while

1833

01:16:09,549 --> 01:16:07,999

I'm at work it's so good yeah you gotta

1834

01:16:11,529 --> 01:16:09,559

shoot us a message you'd be like that

1835

01:16:14,979 --> 01:16:11,539

was crap or that was yeah you gotta let

1836

01:16:17,469 --> 01:16:14,989

us know what you think tonight I'll get

1837

01:16:19,689 --> 01:16:17,479

and we'll be doing that live on the 29th

1882

01:18:19,120 --> 01:18:15,920

30th and possibly the 31st as well

1883

01:18:21,609 --> 01:18:19,130

oh then if you want to listen to me rant

1884

01:18:25,089 --> 01:18:21,619

and rave and go crazy on radio you can

1885

01:18:28,779 --> 01:18:25,099

do that too two times on Monday evenings

1886

01:18:31,629 --> 01:18:28,789

from 5 to 7 p.m. Pacific 8:00 to 10:00

1887

01:18:34,390 --> 01:18:31,639

p.m. Eastern on revolution radio at

1888

01:18:39,009 --> 01:18:34,400

freedom slips that slipped like freedom

1889

01:18:41,080 --> 01:18:39,019

slips away freedom slips calm and that

1890

01:18:43,029 --> 01:18:41,090

is called the fenton perspective and

1891

01:18:45,580 --> 01:18:43,039

then if you really are warming up to

1892

01:18:48,609 --> 01:18:45,590

01:18:51,250 --> 01:18:48,619

1894

01:18:55,509 --> 01:18:51,260

10:00 p.m. Pacific I think is 1:00 a.m.

1895

01:18:59,680 --> 01:18:55,519

Eastern on KC oh are radio.com

1896

01:19:01,330 --> 01:18:59,690

that's K cor radio.com I do the same

1897

01:19:03,100 --> 01:19:01,340

type of show again i rant and rave

1898

01:19:05,830 --> 01:19:03,110

usually I try not to rant and rave about

1899

01:19:08,290 --> 01:19:05,840

the same topic twice and two shows but

1900

01:19:11,199 --> 01:19:08,300

sometimes I do and I always have

1901

01:19:13,029 --> 01:19:11,209

separate guests for both shows so it's

1902

01:19:16,000 --> 01:19:13,039

always fun you can get me you know for

1903

01:19:18,729 --> 01:19:16,010

four hours live on Mondays so there you

1904

01:19:20,560 --> 01:19:18,739

are hell yeah that's right well it's

1905

01:19:23,020 --> 01:19:20,570

always a pleasure having you on Laurie

1906

01:19:25,930 --> 01:19:23,030

and we and we have a great time every

1907

01:19:28,359 --> 01:19:25,940

single time who's that your this is your

1908

01:19:30,180 --> 01:19:28,369

the most reoccurring guest that we've

1909

01:19:33,719 --> 01:19:30,190

had and we just love talking to you

1910

01:19:36,489 --> 01:19:33,729

likewise have a great time laughing it

1911

01:19:38,379 --> 01:19:36,499

had me back and hopefully I'll come back

1912

01:19:42,009 --> 01:19:38,389

again soon we'll see what's cooking in

1913

01:19:43,750 --> 01:19:42,019

the universe at that point and I do hope

1914

01:19:46,839 --> 01:19:43,760

that a lot of your listeners really do

1915

01:19:51,790 --> 01:19:46,849

get to the conference and get to the JFK

1916

01:19:52,370 --> 01:19:51,800

events because I get you guys new people

1917

01:19:54,530 --> 01:19:52,380

new and

1918

01:19:56,720 --> 01:19:54,540

Meishan at least as much as i can the

1919

01:19:58,700 --> 01:19:56,730

problem with the JFK conference is is

1920

01:20:00,290 --> 01:19:58,710

that it's usually the same old people

1921

01:20:02,930 --> 01:20:00,300

same old stuff all the time

1922

01:20:04,910 --> 01:20:02,940

yeah and you know we can only go so far

1923

01:20:07,640 --> 01:20:04,920

and I think everything's pretty much

1924

01:20:09,770 --> 01:20:07,650

been discovered but when I say that then

1925

01:20:12,950 --> 01:20:09,780

I find out there's something new that we

1926

01:20:14,360 --> 01:20:12,960

haven't discovered so yeah so there

1927

01:20:17,300 --> 01:20:14,370

would be a couple people at this event

1928

01:20:19,850 --> 01:20:17,310

like Ralph's inque with a story about

1929

01:20:22,010 --> 01:20:19,860

the guy that he thinks was not Jack Ruby

1930

01:20:24,080 --> 01:20:22,020

that shot Oswald yeah and I think

1931

01:20:27,050 --> 01:20:24,090

Damon's story about what happened to

1932

01:20:29,390 --> 01:20:27,060

John Jr is gonna be very important and I

1933

01:20:31,550 --> 01:20:29,400

also have a guy that talks about candy

1934

01:20:34,160 --> 01:20:31,560

bar she was a stripper that worked for

1935

01:20:36,110 --> 01:20:34,170

Jack Ruby and he tells her whole story

1936

01:20:39,200 --> 01:20:36,120

which is quite extraordinary and it does

1937

01:20:42,020 --> 01:20:39,210

dovetail into the JFK assassination so

1938

01:20:43,910 --> 01:20:42,030

I'm bringing you different views of the

1939

01:20:46,340 --> 01:20:43,920

JFK assassination through different eyes

1940

01:20:47,870 --> 01:20:46,350

and different stories so that's why I

1941

01:20:49,939 --> 01:20:47,880

think it's important that people pay

1942

01:20:51,919 --> 01:20:49,949

attention because people go oh it's the

1943

01:20:54,050 --> 01:20:51,929

same old people talking about the same

1944

01:20:56,450 --> 01:20:54,060

old thing you know everybody shot them

1945

01:20:59,209 --> 01:20:56,460

and we all know who they are you know

1946

01:21:01,040 --> 01:20:59,219

whatever and now I try to bring you guys

1947

01:21:07,430 --> 01:21:01,050

stuff that nobody else is even thought

1948

01:21:09,830 --> 01:21:07,440

of yet so you guys be down in Texas this

1949

01:21:13,129 --> 01:21:09,840

is a hot topic right right yeah yep yeah

1950

01:21:15,709 --> 01:21:13,139

yeah absolutely so that'll be fun so I

1951

01:21:17,419 --> 01:21:15,719

do hope you guys didn't can get to that

1952

01:21:19,640 --> 01:21:17,429

conference whoever's listening please

1953

01:21:21,860 --> 01:21:19,650

try to make it and also if you just buy

1954

01:21:23,660 --> 01:21:21,870

it and you're not there for it don't

1955

01:21:26,360 --> 01:21:23,670

worry about it you can replay it up to

1956

01:21:30,260 --> 01:21:26,370

six months afterwards oh okay that

1957

01:21:32,899 --> 01:21:30,270

sounds great yeah my dad is a big JFK

1958

01:21:34,340 --> 01:21:32,909

fan so he listens to the James Fetzer

1959

01:21:36,620 --> 01:21:34,350

when I'm gonna send him this one because

1960

01:21:38,270 --> 01:21:36,630

we talked about JFK on this one too he's

1961

01:21:40,340 --> 01:21:38,280

loving it so I'll definitely pass the

1962

01:21:42,260 --> 01:21:40,350

word on to him at least for here oh my

1963

01:21:45,169 --> 01:21:42,270

god well he's got it buy a ticket for

1964

01:21:49,129 --> 01:21:45,179

the conference well coming because oh my

1965

01:21:50,629 --> 01:21:49,139

god blown away there's a guy that I'm

1966

01:21:52,010 --> 01:21:50,639

thinking about bringing in I'll just

1967

01:21:55,550 --> 01:21:52,020

tell you guys real quickly

1968

01:21:58,760 --> 01:21:55,560

his name is Brian snotty and/or snow D I

1969

01:22:00,890 --> 01:21:58,770

think it's no D and he has a gentleman

1970

01:22:03,979 --> 01:22:00,900

that I think is still alive by the name

1971

01:22:05,609 --> 01:22:03,989

of Rod Mackenzie that was supposed to be

1972

01:22:10,140 --> 01:22:05,619

the Patsy if

1973

01:22:12,390 --> 01:22:10,150

Oswald didn't work out Wow wife's story

1974

01:22:15,450 --> 01:22:12,400

and the story about his two weeks in

1975

01:22:18,359 --> 01:22:15,460

Dallas up until the assassination and

1976

01:22:21,510 --> 01:22:18,369

after and that is an amazing story

1977

01:22:23,939 --> 01:22:21,520

because he realized after the president

1978

01:22:26,010 --> 01:22:23,949

got shot that he was going to be the

1979

01:22:29,399 --> 01:22:26,020

next you know he was gonna be the Patsy

1980

01:22:32,370 --> 01:22:29,409

if Oswald didn't follow through wow

1981

01:22:35,520 --> 01:22:32,380

that's really why to talk about it which

1982

01:22:38,310 --> 01:22:35,530

is crazy that is crazy so we try to get

1983

01:22:41,370 --> 01:22:38,320

his now Bryan speaks for him because

1984

01:22:44,490 --> 01:22:41,380

he's really old and you know he's he's

1985

01:22:47,100 --> 01:22:44,500

not he can't do it succinctly he has to

1986

01:22:48,870 --> 01:22:47,110

go into you know how old guys do which

1987

01:22:50,760 --> 01:22:48,880

we love him to pieces he has to go to

1988

01:22:54,200 --> 01:22:50,770

all this detail that doesn't really

1989

01:23:01,859 --> 01:22:59,640

there was 18 it was June there for 10

1990

01:23:05,040 --> 01:23:01,869

minutes and I love him for it but it you

1991

01:23:09,240 --> 01:23:05,050

know Bryan took his whole story and made

1992

01:23:11,280 --> 01:23:09,250

it into a basic script and it has is

1993

01:23:13,140 --> 01:23:11,290

either writing a book about it or you

1994

01:23:15,149 --> 01:23:13,150

know he does presentations on it and

1995

01:23:17,879 --> 01:23:15,159

he's got it down pat so oh that's great

1996

01:23:19,620 --> 01:23:17,889

he yeah so I think we'll bring Bryan on

1997

01:23:22,229 --> 01:23:19,630

and we might even bring rod on at the

1998

01:23:24,060 --> 01:23:22,239

end for like 10 or 15 minutes to ask

1999

01:23:26,790 --> 01:23:24,070

questions from the chat room that we'll

2000

01:23:29,580 --> 01:23:26,800

have going oh that's awesome yeah I love

2001

01:23:30,810 --> 01:23:29,590

that I like the the incorporation of

2002

01:23:32,070 --> 01:23:30,820

having people being able to ask

2003

01:23:32,580 --> 01:23:32,080

questions and stuff that's going to be

2004

01:23:35,160 --> 01:23:32,590

awesome

2005

01:23:38,490 --> 01:23:35,170

oh absolutely yeah do it lively always

2006

01:23:40,260 --> 01:23:38,500

do that so fair well thanks you guys

2007

01:23:43,020 --> 01:23:40,270

that really appreciate it you guys have

2008

01:23:45,729 --> 01:23:43,030

a great night they have so much fun next

2009

01:23:53,070 --> 01:23:47,500

bye-bye

2010

01:23:56,979 --> 01:23:54,399

[Music]

2011

01:23:59,590 --> 01:23:56,989

sweet dude sweet it was great me and I

2012

01:24:01,959 --> 01:23:59,600

always love having Laurie and on classic

2013

01:24:07,030 --> 01:24:01,969

yeah timeless

2014

01:24:09,610 --> 01:24:07,040

she's a Jim she's a jewel what a joy

2015

01:24:15,010 --> 01:24:09,620

yeah absolutely every time every time

2016

01:24:16,209 --> 01:24:15,020

quick Queen the Queen Annette for those

2017

01:24:18,729 --> 01:24:16,219

of you guys who don't get that reference

2018

01:24:21,760 --> 01:24:18,739

I've made it at the very beginning so

2019

01:24:25,240 --> 01:24:21,770

the first time we ever met Lorien we're

2020

01:24:27,729 --> 01:24:25,250

sitting at the at the bar and we're all

2021

01:24:30,910 --> 01:24:27,739

just hanging out we're drinking or we're

2022

01:24:32,379 --> 01:24:30,920

talking about aliens and and all kinds

2023

01:24:34,180 --> 01:24:32,389

of stuff the government we're just

2024

01:24:36,910 --> 01:24:34,190

sitting there just chit-chatting along

2025

01:24:40,360 --> 01:24:36,920

and I don't know we're lower he looks at

2026

01:24:42,430 --> 01:24:40,370

me and she goes hey um you might think

2027

01:24:45,070 --> 01:24:42,440

this is weird but I like I like to take

2028

01:24:46,810 --> 01:24:45,080

naps so if you don't mind I'm gonna I'm

2029

01:24:48,850 --> 01:24:46,820

gonna close my eyes for about 10 minutes

2030

01:24:51,280 --> 01:24:48,860

Mona and then we can get right back into

2031

01:24:53,410 --> 01:24:51,290

this I just it's something I do and she

2032

01:24:55,300 --> 01:24:53,420

literally leaned her head back it went

2033

01:24:57,010 --> 01:24:55,310

right to sleep like just immediately I'm

2034

01:25:01,229 --> 01:24:57,020

so jealous in the middle of the bar

2035

01:25:03,700 --> 01:25:01,239

that's a power that I wish I had like so

2036

01:25:07,479 --> 01:25:03,710

then the bar guy came over and he was

2037

01:25:09,640 --> 01:25:07,489

like um you're you're you're not allowed

2038

01:25:13,870 --> 01:25:09,650

to take naps and then we're really [h\_\_h]

2039

01:25:16,629 --> 01:25:13,880

you she could take an American check

2040

01:25:18,010 --> 01:25:16,639

yeah but yeah I saw in case you guys

2041

01:25:20,260 --> 01:25:18,020

didn't know that you're not allowed to

2042

01:25:21,580 --> 01:25:20,270

take naps in the bar yeah yeah which I

2043

01:25:23,470 --> 01:25:21,590

assume they think that maybe you're just

2044

01:25:24,910 --> 01:25:23,480

wasted drunk and then you passed out so

2045

01:25:26,709 --> 01:25:24,920

that was not the case but that's not the

2046

01:25:29,740 --> 01:25:26,719

case Lauren was taking a nap that's what

2047

01:25:32,860 --> 01:25:29,750

she's sleeping yeah it was a sleep peace

2048

01:25:35,680 --> 01:25:32,870

so yeah yeah so yeah it was hilarious

2049

01:25:37,720 --> 01:25:35,690

man but yeah but yeah so at this podcast

2050

01:25:41,560 --> 01:25:37,730

did week we were in the gamete bro we

2051  
01:25:43,540 --> 01:25:41,570  
talked about first off the DoD the new

2052  
01:25:47,050 --> 01:25:43,550  
the new videos that came out that or

2053  
01:25:49,450 --> 01:25:47,060  
again yeah we talked about coronavirus

2054  
01:25:53,590 --> 01:25:49,460  
we talked about JFK we talked about the

2055  
01:25:55,930 --> 01:25:53,600  
moon-landing dude yeah so that was that

2056  
01:25:57,729 --> 01:25:55,940  
was great so she was on a little bit of

2057  
01:26:00,280 --> 01:25:57,739  
a time crunch so we did go through them

2058  
01:26:02,260 --> 01:26:00,290  
a little bit quick but yeah I mean we

2059  
01:26:04,660 --> 01:26:02,270  
definitely would definitely hit it then

2060  
01:26:07,550 --> 01:26:04,670  
for sure yeah I mean the I think what we

2061  
01:26:09,230 --> 01:26:07,560  
missed with Jim Fetzer the last time

2062  
01:26:11,150 --> 01:26:09,240  
about the moon-landing we kind of made

2063  
01:26:12,620 --> 01:26:11,160

up for a little bit with lorian's talk a

2064

01:26:14,630 --> 01:26:12,630

little bit because yeah total cause I

2065

01:26:16,850 --> 01:26:14,640

feel like we definitely went into it

2066

01:26:19,340 --> 01:26:16,860

with Jim he definitely talked about a

2067

01:26:21,320 --> 01:26:19,350

little bit but I think we we kind of

2068

01:26:24,320 --> 01:26:21,330

covered the bases with lorian's and I it

2069

01:26:26,900 --> 01:26:24,330

with with some of that that aspect like

2070

01:26:28,610 --> 01:26:26,910

okay the space race we've got oh and we

2071

01:26:30,830 --> 01:26:28,620

we thought of the idea like what if they

2072

01:26:32,900 --> 01:26:30,840

hitched a ride with a black triangle and

2073

01:26:34,040 --> 01:26:32,910

they took them to the moon right but

2074

01:26:36,020 --> 01:26:34,050

that was like really great yeah great

2075

01:26:38,600 --> 01:26:36,030

idea I mean it's okay we're just

2076

01:26:42,350 --> 01:26:38,610

speculating but still I think it's a

2077

01:26:43,970 --> 01:26:42,360

great idea yeah man yeah it was great I

2078

01:26:48,020 --> 01:26:43,980

loved it I loved it I loved having her

2079

01:26:49,360 --> 01:26:48,030

own yeah so yeah awesome deep well what

2080

01:26:52,190 --> 01:26:49,370

do we got next

2081

01:26:54,800 --> 01:26:52,200

okay we're gonna be talking to next

2082

01:27:00,290 --> 01:26:54,810

thursday we're gonna be talking to Reid

2083

01:27:03,110 --> 01:27:00,300

and his last name is looking at a look

2084

01:27:07,280 --> 01:27:03,120

looking it up Reid summers Reid summers

2085

01:27:10,280 --> 01:27:07,290

from allies allies of humanity you guys

2086

01:27:14,650 --> 01:27:10,290

really like the episode with Justin from

2087

01:27:17,330 --> 01:27:14,660

allies with humanity from our UFO Khan

2088

01:27:19,490 --> 01:27:17,340

gamut will we talk to a bunch of

2089

01:27:22,250 --> 01:27:19,500

different people we got a really good

2090

01:27:25,250 --> 01:27:22,260

response on the on his perspective and

2091

01:27:27,590 --> 01:27:25,260

their their groups perspective on what

2092

01:27:29,210 --> 01:27:27,600

does alien contact mean for us is it bad

2093

01:27:30,920 --> 01:27:29,220

is it good they're on the lead they're

2094

01:27:33,710 --> 01:27:30,930

leaning on the side that no we should

2095

01:27:35,360 --> 01:27:33,720

not be inviting extraterrestrials to our

2096

01:27:37,810 --> 01:27:35,370

planet all the time which I mean I

2097

01:27:40,730 --> 01:27:37,820

aligned with as well I think I'm

2098

01:27:42,200 --> 01:27:40,740

sometimes on both sides but it's

2099

01:27:44,830 --> 01:27:42,210

definitely better to err on the side of

2100

01:27:47,540 --> 01:27:44,840

caution so we're gonna be talking to

2101  
01:27:49,400 --> 01:27:47,550  
Reid summers the founder well not the

2102  
01:27:52,400 --> 01:27:49,410  
founder right because I think it was his

2103  
01:27:55,250 --> 01:27:52,410  
father yeah yeah they founded allies of

2104  
01:27:58,070 --> 01:27:55,260  
humanity and I can't wait to ask him all

2105  
01:28:01,370 --> 01:27:58,080  
kinds of know dude I know yeah I think

2106  
01:28:04,310 --> 01:28:01,380  
he received the message so so now his

2107  
01:28:07,490 --> 01:28:04,320  
son which is is Reid I believe I hope

2108  
01:28:09,440 --> 01:28:07,500  
I'm not screwing this all up so now he's

2109  
01:28:12,200 --> 01:28:09,450  
the next guy in line so I mean he's uh

2110  
01:28:14,210 --> 01:28:12,210  
he's at the top of the totem pole dude

2111  
01:28:15,950 --> 01:28:14,220  
yeah well he at least knows a lot about

2112  
01:28:18,920 --> 01:28:15,960  
the organization so we can ask him

2113  
01:28:20,350 --> 01:28:18,930

specifics on like okay is this a cult is

2114

01:28:24,020 --> 01:28:20,360

this just like a weird

2115

01:28:26,090 --> 01:28:24,030

some sort of new religion yeah I don't

2116

01:28:29,050 --> 01:28:26,100

know cuz they do talk about God yeah a

2117

01:28:33,200 --> 01:28:29,060

little bit um yeah man but it's also

2118

01:28:36,050 --> 01:28:33,210

involving aliens and stuff and I don't

2119

01:28:38,540 --> 01:28:36,060

get like a Scientology vibe you know no

2120

01:28:43,340 --> 01:28:38,550

it's it's there's no pressure for so

2121

01:28:45,500 --> 01:28:43,350

like go into human slavery or there's

2122

01:28:48,350 --> 01:28:45,510

none like that so yeah next week's

2123

01:28:50,540 --> 01:28:48,360

episode is gonna be sick

2124

01:28:52,040 --> 01:28:50,550

yeah dude I'm excited pretty excited

2125

01:28:53,690 --> 01:28:52,050

that's gonna cool and then after that

2126

01:28:55,460 --> 01:28:53,700

we're gonna do we're gonna do just an

2127

01:28:57,140 --> 01:28:55,470

episode with you and me we'll figure out

2128

01:28:59,270 --> 01:28:57,150

something funny to talk about I don't

2129

01:29:01,670 --> 01:28:59,280

know yeah or a movie maybe we'll review

2130

01:29:05,780 --> 01:29:01,680

another movie yeah I don't know whatever

2131

01:29:07,730 --> 01:29:05,790

out wherever bunch of turtles dude bro

2132

01:29:11,480 --> 01:29:07,740

tell me Rocksteady and bebop or not

2133

01:29:15,860 --> 01:29:11,490

freakin alien hybrids do you do bebop

2134

01:29:18,950 --> 01:29:15,870

and Rocksteady are definitely do what

2135

01:29:22,460 --> 01:29:18,960

pizza I wouldn't you Turtles it's like

2136

01:29:25,250 --> 01:29:22,470

[h\_\_h] like what they mean is is like

2137

01:29:27,680 --> 01:29:25,260

knowledge of alien that's right all

2138

01:29:29,360 --> 01:29:27,690

right we'll figure something out that's

2139

01:29:32,440 --> 01:29:29,370

a good way to end the episode you know

2140

01:29:34,970 --> 01:29:32,450

so thanks guys for listening so much hey

2141

01:29:36,980 --> 01:29:34,980

we're actually kind of working on it

2150

01:29:53,750 --> 01:29:51,570

right now

2151

01:29:56,600 --> 01:29:53,760

yeah it's just kind of a slow process

2152

01:29:59,750 --> 01:29:56,610

with all this you know kovat stuff going

2153

01:30:03,050 --> 01:29:59,760

on we're not like able to travel very

2154

01:30:07,070 --> 01:30:03,060

easily right now but whenever all this

2155

01:30:08,780 --> 01:30:07,080

crap is gone we are going to be hitting

2156

01:30:10,730 --> 01:30:08,790

2157

01:30:15,050 --> 01:30:10,740
