case number 201 3 3 4 a.m. investigators

2
00:00:14,690 --> 00:00:10,219
in need of I'm speaking with witness

3
00:00:15,790 --> 00:00:14,700
Eric Mitchell and we were going to be be

4
00:00:20,910 --> 00:00:15,800
in his statement

5
00:00:26,620 --> 00:00:23,920
curiously enough the look is not to see

6
00:00:29,800 --> 00:00:26,630
is merely to observe but little we have

7
00:00:31,660 --> 00:00:29,810
to offer and oftentimes perception is

8
00:00:39,780 --> 00:00:31,670
weaponized without the knowledge -

9
00:00:42,120 --> 00:00:39,790
excuse me it's a feeling you get and

10
00:00:44,350 --> 00:00:42,130
it's almost like it picks you out

11
00:00:47,920 --> 00:00:44,360
probably the craziest thing I can say

12
00:00:50,380 --> 00:00:47,930
right now but for all energy they have

13
00:00:59,770 --> 00:00:50,390

seen orbs also through these altars of

14

00:01:02,290 --> 00:00:59,780

woods back here tingly feeling I was

15

00:01:04,720 --> 00:01:02,300

talking about earlier I wish now it's

16

00:01:05,320 --> 00:01:04,730

gotten a lot stronger and you have that

17

00:01:08,270 --> 00:01:05,330

ability
