00:00:33,000 --> 00:00:31,480

telling the old lady that we're gonna do

12
00:00:34,050 --> 00:00:33,010

a one-year episode and she was like it's

13
00:00:36,450 --> 00:00:34,060

been a year already

14

00:00:38,130 --> 00:00:36,460

yeah I was like dude I know yeah most

15

00:00:39,780 --> 00:00:38,140

people that I've told her like are you

16

00:00:41,820 --> 00:00:39,790

are you serious like I feel like you

17

00:00:44,220 --> 00:00:41,830

guys just started this thing yeah and

18

00:00:47,670 --> 00:00:44,230

it's like well if you cared about us

19

00:00:50,070 --> 00:00:47,680

you would know or if you listened we got

20

00:00:53,040 --> 00:00:50,080

we got friends from all over this this

21

00:00:56,010 --> 00:00:53,050

beautiful country and they know I know

22

00:01:01,230 --> 00:00:56,020

let me know but our local friends right

23

00:01:04,170 --> 00:01:01,240

at home had no idea but they don't they

24

00:01:07,739 --> 00:01:04,180

don't want you they don't listen don't

25

00:01:10,770 --> 00:01:07,749

know what I am so thankful for everybody

26

00:01:13,169 --> 00:01:10,780

that's tuned in watched listen to her

27

00:01:14,999 --> 00:01:13,179

podcast is day one we still get people

28

00:01:17,190 --> 00:01:15,009

that show up on our Facebook group that

29

00:01:19,469 --> 00:01:17,200

say like dude I started listening to our

30

00:01:21,989 --> 00:01:19,479

podcast like a month ago yeah binge

31

00:01:24,929 --> 00:01:21,999

binge listen and now I'm ready for a new

32

00:01:27,179 --> 00:01:24,939

episode like let's do this that really

33

00:01:29,969 --> 00:01:27,189

makes it work I know man it does it does

34

00:01:34,469 --> 00:01:29,979

yeah it makes you feel good yeah oh yeah

35

00:01:36,629 --> 00:01:34,479

that people are people need it yeah I

36

00:01:38,730 --> 00:01:36,639

just can't get can't believe people want

37

00:01:40,709 --> 00:01:38,740

to listen to us dumbasses talk about I

38

00:01:43,050 --> 00:01:40,719

know I know Frank was blowing us up dude

39

00:01:44,219 --> 00:01:43,060

he was like words a new one yeah dude

40

00:01:46,770 --> 00:01:44,229

that was awesome trying to figure out

41

00:01:49,289 --> 00:01:46,780

this whole Mike situation just like yeah

42

00:01:51,870 --> 00:01:49,299

it's new set up kind of new a little bit

43

00:01:55,020 --> 00:01:51,880

it's the the new studio we've got the

44

00:01:58,190 --> 00:01:55,030

new I'm on the left side and I'm on the

45

00:02:00,690 --> 00:01:58,200

right side now I do say the this fan

46

00:02:03,269 --> 00:02:00,700

superior to the other fan and it's yeah

47

00:02:04,499 --> 00:02:03,279

it's it's right above us and it's well I

48

00:02:06,059 --> 00:02:04,509

guess the other one was right above us

49

00:02:06,959 --> 00:02:06,069

but yeah this fan is alive oh this one

50

00:02:10,229 --> 00:02:06,969

is nice world

51
00:02:12,570 --> 00:02:10,239
that's a nice farm huh but uh yeah dude

52
00:02:14,130 --> 00:02:12,580
it's been a whole freaking year we we

53
00:02:15,750 --> 00:02:14,140
did a Facebook live

54
00:02:17,460 --> 00:02:15,760
a little bit ago that was cool yeah

55
00:02:20,309 --> 00:02:17,470
thanks for joining us everybody who was

56
00:02:22,980 --> 00:02:20,319
there yeah you know Bailey talked about

57
00:02:27,030 --> 00:02:22,990
some shenanigans some new stuff joseline

58
00:02:29,070 --> 00:02:27,040
hopped on which was cool yeah it was

59
00:02:31,199 --> 00:02:29,080
awesome just hearing people talk about

60
00:02:33,600 --> 00:02:31,209
oh you know talk about this or that or

61
00:02:37,140 --> 00:02:33,610
remember this remember that man yeah

62
00:02:41,610 --> 00:02:37,150
it's it's cool it's good stuff yeah do

63
00:02:45,390 --> 00:02:41,620

remember there one time we started a

64

00:02:48,000 --> 00:02:45,400

podcast one time you and me we yeah we

65

00:02:54,990 --> 00:02:48,010

got a couple of microphones and then we

66

00:02:57,470 --> 00:02:55,000

put it up on an Internet boom and oh so

67

00:02:59,759 --> 00:02:57,480

I think for today what we're gonna do is

68

00:03:02,690 --> 00:02:59,769

for the one-year birthday I think we're

69

00:03:05,250 --> 00:03:02,700

gonna go through me and bin picked out

70

00:03:08,009 --> 00:03:05,260

some of our favorite moments I mean

71

00:03:10,500 --> 00:03:08,019

there's honestly there's endless amounts

72

00:03:12,570 --> 00:03:10,510

of favorite moments these were just some

73

00:03:16,590 --> 00:03:12,580

that we kind of remember that stuck out

74

00:03:19,890 --> 00:03:16,600

yeah and honestly having to listen to 50

75

00:03:22,860 --> 00:03:19,900

plus episodes to try and sift out this

76

00:03:27,060 --> 00:03:22,870

material was a little difficult but you

77

00:03:29,670 --> 00:03:27,070

know we did it so one cool thing if you

78

00:03:32,490 --> 00:03:29,680

remember what episode or anything like

79

00:03:34,319 --> 00:03:32,500

that or you have a favorite moment send

80

00:03:36,870 --> 00:03:34,329

it to us I'd like to see what other

81

00:03:38,910 --> 00:03:36,880

people's favorite moments in the podcast

82

00:03:39,509 --> 00:03:38,920

were as well that'd be cool yeah that'd

83

00:03:41,610 --> 00:03:39,519

be awesome

84

00:03:43,500 --> 00:03:41,620

let me really cool do you want to have

85

00:03:45,600 --> 00:03:43,510

people guests or what are we gonna say

86

00:03:48,810 --> 00:03:45,610

what episode these these moments are

87

00:03:51,000 --> 00:03:48,820

forever gonna slip yeah we can say what

88

00:03:52,710 --> 00:03:51,010

episodes these are from but I like the

89

00:03:54,270 --> 00:03:52,720

idea of people like sitting in what

90

00:03:55,319 --> 00:03:54,280

their favorite favorite moments are cuz

91

00:03:58,199 --> 00:03:55,329

that would that would be really cool

92

00:04:00,120 --> 00:03:58,209

yeah yeah definitely man so you want to

93

00:04:04,380 --> 00:04:00,130

get started in this this will do is do

94

00:04:08,340 --> 00:04:04,390

it man so dude I mean episode one right

95

00:04:09,930 --> 00:04:08,350

off the bat yeah I mean you know this is

96

00:04:12,060 --> 00:04:09,940

the beginning of doctor scientists this

97

00:04:14,099 --> 00:04:12,070

is the beginning okay so well before we

98

00:04:15,780 --> 00:04:14,109

begin notice how I mean we've talked

99

00:04:20,969 --> 00:04:15,790

about this but how calm we are like

100

00:04:22,860 --> 00:04:20,979

we're now but this yeah this is this is

101
00:04:25,200 --> 00:04:22,870
one of my my favorite ones because it's

102
00:04:27,180 --> 00:04:25,210
we coined the term doctor scientist on

103
00:04:27,379 --> 00:04:27,190
the very first episode I thought it was

104
00:04:30,230 --> 00:04:27,389
like

105
00:04:32,029 --> 00:04:30,240
couple episodes ends brilliant yeah and

106
00:04:34,129 --> 00:04:32,039
now we have t-shirts and it became like

107
00:04:35,689 --> 00:04:34,139
a whole like inside joke with our

108
00:04:36,950 --> 00:04:35,699
listeners and if you're new to it that's

109
00:04:37,219 --> 00:04:36,960
I mean that's is this is where it came

110
00:04:39,170 --> 00:04:37,229
from

111
00:04:41,779 --> 00:04:39,180
yeah hey you know what I just realized

112
00:04:43,070 --> 00:04:41,789
though is that these earlier episodes

113
00:04:45,110 --> 00:04:43,080

are way quieter

114

00:04:46,489 --> 00:04:45,120

yeah later episode volumes so we may

115

00:04:48,439 --> 00:04:46,499

have to fix the volume a little bit

116

00:04:48,739 --> 00:04:48,449

later but yeah we'll hop into this right

117

00:04:51,469 --> 00:04:48,749

now

118

00:04:55,610 --> 00:04:51,479

here we go episode 1 one of our first

119

00:04:57,890 --> 00:04:55,620

favorite moments actually very important

120

00:05:00,290 --> 00:04:57,900

it's a very important subject yeah and

121

00:05:02,300 --> 00:05:00,300

you know even though you know we're not

122

00:05:03,709 --> 00:05:02,310

scientists or anything I think the more

123

00:05:05,869 --> 00:05:03,719

people that are talking about it the

124

00:05:06,740 --> 00:05:05,879

better off you know will be it will be a

125

00:05:08,420 --> 00:05:06,750

little more prepared

126

00:05:14,749 --> 00:05:08,430

yeah we're doctors not scientists

127

00:05:16,429 --> 00:05:14,759

exactly doctors scientists and also like

128

00:05:19,309 --> 00:05:16,439

the the first thing that people usually

129

00:05:22,969 --> 00:05:19,319

say are like what show me the proof and

130

00:05:25,969 --> 00:05:22,979

I was pretty much yeah but yeah I still

131

00:05:27,110 --> 00:05:25,979

I still believe that yeah I do still

132

00:05:28,700 --> 00:05:27,120

feel like the more people that are

133

00:05:29,089 --> 00:05:28,710

talking about it maybe the better off

134

00:05:30,800 --> 00:05:29,099

we'll be

135

00:05:33,050 --> 00:05:30,810

yeah it would probably be a lot more

136

00:05:35,779 --> 00:05:33,060

[h__h] we'll have to sift through but

137

00:05:39,829 --> 00:05:35,789

I mean the topic is out right yeah you

138

00:05:41,689 --> 00:05:39,839

know yeah it's it's the idea that the

139

00:05:43,369 --> 00:05:41,699

more people know about this there's

140

00:05:46,790 --> 00:05:43,379

gonna be more scammers who's gonna be

141

00:05:49,159 --> 00:05:46,800

more hoaxers there's gonna be more

142

00:05:52,550 --> 00:05:49,169

people that's gonna put in a lot of

143

00:05:54,170 --> 00:05:52,560

wrong information out there so yeah it's

144

00:05:55,490 --> 00:05:54,180

it's like a double-edged sword the more

145

00:05:57,499 --> 00:05:55,500

people know about this I think the

146

00:05:59,779 --> 00:05:57,509

better that humanity's gonna be

147

00:06:02,149 --> 00:05:59,789

consciously but yeah man at the same

148

00:06:03,860 --> 00:06:02,159

time there's a manner so much to sift

149

00:06:05,719 --> 00:06:03,870

through a lot of [h__h] out there

150

00:06:08,869 --> 00:06:05,729

definitely double-edged sword for sure

151
00:06:15,110 --> 00:06:08,879
yeah yeah I recently started watching

152
00:06:17,629 --> 00:06:15,120
this this YouTube guy it's captain um

153
00:06:21,529 --> 00:06:17,639
and I just posted the silver face got

154
00:06:23,119 --> 00:06:21,539
silver face guy yeah but yeah laughs man

155
00:06:25,610 --> 00:06:23,129
I need that neural link dude I'm telling

156
00:06:29,869 --> 00:06:25,620
you I'm just got anything today well

157
00:06:36,529 --> 00:06:29,879
they're gonna burn your toast and the

158
00:06:40,360 --> 00:06:36,539
toast is senior brain but yeah like he's

159
00:06:42,970 --> 00:06:40,370
a professional videographer slash

160
00:06:45,550 --> 00:06:42,980
video effects guy and he's breaking down

161
00:06:47,260 --> 00:06:45,560
like UFO videos and stuff and like that

162
00:06:49,840 --> 00:06:47,270
one that we saw where there's crafts

163
00:06:51,340 --> 00:06:49,850

going over the moon yes shadow oh man I

164

00:06:54,160 --> 00:06:51,350

was so excited about that one cuz it

165

00:06:56,500 --> 00:06:54,170

looks so real but he just recreated the

166

00:06:58,360 --> 00:06:56,510

whole thing based off of like CGI and

167

00:07:01,030 --> 00:06:58,370

stuff and I don't know you know like

168

00:07:03,220 --> 00:07:01,040

that you gotta have the skeptics you

169

00:07:05,760 --> 00:07:03,230

know don't be an [h__h] about it but we

170

00:07:08,530 --> 00:07:05,770

need the skeptics too so yeah yeah yeah

171

00:07:11,440 --> 00:07:08,540

you know the when he was talking about

172

00:07:13,450 --> 00:07:11,450

the the atmosphere how the atmosphere

173

00:07:16,540 --> 00:07:13,460

pauses yeah whatever

174

00:07:19,990 --> 00:07:16,550

that's the one thing that I was like wow

175

00:07:22,540 --> 00:07:20,000

that makes sense right but still the

176

00:07:26,260 --> 00:07:22,550

description and like talking about how

177

00:07:28,630 --> 00:07:26,270

the ship is moving again if this is an

178

00:07:31,090 --> 00:07:28,640

extraterrestrial vehicle the speed how

179

00:07:33,010 --> 00:07:31,100

the [h__\h] would you know you know no you

180

00:07:36,010 --> 00:07:33,020

don't know how it flies you don't know

181

00:07:38,380 --> 00:07:36,020

you know round biggy I mean you can

182

00:07:40,750 --> 00:07:38,390

guess right I mean I'm sure I guess from

183

00:07:41,740 --> 00:07:40,760

the moon too you know where you're being

184

00:07:43,960 --> 00:07:41,750

able to see it you could probably

185

00:07:46,270 --> 00:07:43,970

measure how big it is right but still

186

00:07:48,070 --> 00:07:46,280

the way it flies how fast it goes you

187

00:07:50,730 --> 00:07:48,080

know you can't just assume like that

188

00:07:54,130 --> 00:07:50,740

thing is going 9000 miles an hour yeah

189

00:07:56,230 --> 00:07:54,140

impossible false debunk right cuz I

190

00:07:58,390 --> 00:07:56,240

don't know that wasn't the part that

191

00:08:00,430 --> 00:07:58,400

that disproved it for me cuz I'm on the

192

00:08:03,640 --> 00:08:00,440

same train as you like yeah atmosphere

193

00:08:05,950 --> 00:08:03,650

was the one that yeah in the clouds the

194

00:08:08,190 --> 00:08:05,960

cloud effect that he basically found

195

00:08:10,540 --> 00:08:08,200

like a plugin you could do cloud oh yeah

196

00:08:12,670 --> 00:08:10,550

mimic that his name is Captain

197

00:08:16,900 --> 00:08:12,680

disillusion I thought of it captained is

198

00:08:18,820 --> 00:08:16,910

a dissolution nice but yeah like there's

199

00:08:23,710 --> 00:08:18,830

so many videos that he's debunked based

200

00:08:25,360 --> 00:08:23,720

off of like little via effects overlays

201

00:08:27,850 --> 00:08:25,370

and things like that and that was the

202

00:08:29,500 --> 00:08:27,860

one and also the the shimmering of the

203

00:08:33,010 --> 00:08:29,510

heat you know you're talking about like

204

00:08:36,790 --> 00:08:33,020

that yeah the wave huh yeah so um has he

205

00:08:38,589 --> 00:08:36,800

has a debunked skinny Bob we need to hit

206

00:08:40,900 --> 00:08:38,599

him up about that because I would love

207

00:08:43,659 --> 00:08:40,910

for him to be debunk or even talk about

208

00:08:45,550 --> 00:08:43,669

how he would go about doing that because

209

00:08:48,070 --> 00:08:45,560

I have a feeling he's gonna say okay

210

00:08:52,090 --> 00:08:48,080

yeah maybe this is CGI but it wouldn't

211

00:08:53,650 --> 00:08:52,100

need a can 10-person team and it would

212

00:08:56,020 --> 00:08:53,660

be so expensive to do

213

00:08:57,550 --> 00:08:56,030

yeah I don't know I I would love it's

214

00:08:59,590 --> 00:08:57,560

just weird because every time I enter a

215

00:09:01,990 --> 00:08:59,600

chatroom about skinny Bob there's always

216

00:09:03,940 --> 00:09:02,000

people who do graphic design who do

217

00:09:07,060 --> 00:09:03,950

special effects and they're like this is

218

00:09:10,000 --> 00:09:07,070

really really good yeah we could

219

00:09:11,650 --> 00:09:10,010

probably recreate it and there's always

220

00:09:13,450 --> 00:09:11,660

like four or five loom in there that are

221

00:09:15,340 --> 00:09:13,460

like discussing back and forth and then

222

00:09:18,070 --> 00:09:15,350

there's that one [h__\h] who's like this

223

00:09:20,860 --> 00:09:18,080

is complete [h__\h] I could redo this

224

00:09:22,570 --> 00:09:20,870

you know heartbeat it's like how come

225

00:09:24,880 --> 00:09:22,580

everybody says that but nobody's

226

00:09:26,770 --> 00:09:24,890

recreate nobody nobody's even tried yeah

227

00:09:29,050 --> 00:09:26,780

that's that's what's frustrating like

228

00:09:30,130 --> 00:09:29,060

yeah it's so easy for you to say I could

229

00:09:33,040 --> 00:09:30,140

do that tomorrow

230

00:09:37,860 --> 00:09:33,050

okay well then prove it do it do it

231

00:09:41,530 --> 00:09:37,870

ladies please yeah do it

232

00:09:43,450 --> 00:09:41,540

yeah maybe we let's send it in he's

233

00:09:46,060 --> 00:09:43,460

probably had a lot of requests to do

234

00:09:48,760 --> 00:09:46,070

that too I wonder if he has but but are

235

00:09:51,160 --> 00:09:48,770

there requests from from UFO garage

236

00:09:53,170 --> 00:09:51,170

podcasts not yet not yet I'm freaking

237

00:09:57,100 --> 00:09:53,180

maybe we could even invite him onto the

238

00:09:59,560 --> 00:09:57,110

show to tell us about his you know you

239

00:10:01,660 --> 00:09:59,570

know conspiracy minded hello we'll give

240

00:10:04,620 --> 00:10:01,670

him a 20-minute slot yeah yeah let's do

241

00:10:11,830 --> 00:10:07,890

that's good all right so let's go into

242

00:10:14,770 --> 00:10:11,840

Hey episode 2 alien species I don't

243

00:10:16,150 --> 00:10:14,780

really remember I don't remember what

244

00:10:18,130 --> 00:10:16,160

this one was what this there's gonna be

245

00:10:20,380 --> 00:10:18,140

a few on here that you haven't heard yet

246

00:10:23,620 --> 00:10:20,390

okay so uh it's gonna be funny just to

247

00:10:24,010 --> 00:10:23,630

let you hear back yeah again let's see

248

00:10:28,360 --> 00:10:24,020

what it is

249

00:10:31,240 --> 00:10:28,370

alien species episode 2 did maybe he was

250

00:10:35,770 --> 00:10:31,250

an alien no I think about like people in

251
00:10:40,240 --> 00:10:35,780
history that made huge waves and either

252
00:10:42,700 --> 00:10:40,250
like culture politics science physics I

253
00:10:44,380 --> 00:10:42,710
mean we could probably sit here and

254
00:10:46,840 --> 00:10:44,390
think of a bunch of people a Tesla comes

255
00:10:48,970 --> 00:10:46,850
to mind first a Walt Disney very

256
00:10:50,470 --> 00:10:48,980
creative guy right but on the other hand

257
00:10:51,430 --> 00:10:50,480
it could it could have just been he was

258
00:10:52,990 --> 00:10:51,440
in the right place at the right time

259
00:10:54,970 --> 00:10:53,000
like the inventor of the coca-cola

260
00:10:57,230 --> 00:10:54,980
machine that has all the different code

261
00:11:00,739 --> 00:10:57,240
flavors with one button

262
00:11:02,449 --> 00:11:00,749
what get all the flavor way beef all the

263
00:11:04,129 --> 00:11:02,459

flavors woman but alike we got a jack in

264

00:11:06,850 --> 00:11:04,139

the box and this is the big red Coke

265

00:11:09,499 --> 00:11:06,860

machine it's got the screen on it oh

266

00:11:10,970 --> 00:11:09,509

yeah yeah yeah dude that's a great

267

00:11:13,730 --> 00:11:10,980

invention you know that guy also made

268

00:11:16,069 --> 00:11:13,740

the Segway no yeah he made this little

269

00:11:20,119 --> 00:11:16,079

scooter he died didn't he right

270

00:11:23,900 --> 00:11:20,129

I thought he drove his Segway off it's

271

00:11:26,269 --> 00:11:23,910

just a troll oh did he not know if

272

00:11:28,280 --> 00:11:26,279

that's a troll that's brilliant but if

273

00:11:31,340 --> 00:11:28,290

it's if it's not a troll that's true

274

00:11:33,410 --> 00:11:31,350

ma'am that's poetic it really is I mean

275

00:11:35,780 --> 00:11:33,420

how much more perfect could you possibly

276

00:11:37,579 --> 00:11:35,790

get okay so I already now that I'm

277

00:11:39,079 --> 00:11:37,589

thinking about it I'm logically thinking

278

00:11:41,269 --> 00:11:39,089

about it how would that would take a

279

00:11:44,869 --> 00:11:41,279

really long time to get up a mountain on

280

00:11:47,869 --> 00:11:44,879

a Segway it already sounds kind of false

281

00:11:50,239 --> 00:11:47,879

it's true yeah I mean you know obviously

282

00:11:52,009 --> 00:11:50,249

there's a road momentum to get it going

283

00:11:53,329 --> 00:11:52,019

to begin with right yeah that just you

284

00:11:56,389 --> 00:11:53,339

know you just need to look leaning

285

00:11:58,879 --> 00:11:56,399

forward looking forward no I've never

286

00:12:02,499 --> 00:11:58,889

been on a Segway yeah I see people all

287

00:12:07,100 --> 00:12:02,509

time around Austin look like idiots yeah

288

00:12:08,900 --> 00:12:07,110

oh I'm not wearing that goofy ass helmet

289

00:12:10,340 --> 00:12:08,910

dude that's the only reason I won't do

290

00:12:13,129 --> 00:12:10,350

it cuz I don't wear wear that dumb ass

291

00:12:15,859 --> 00:12:13,139

helmet yeah dude I like danger yeah I'm

292

00:12:18,139 --> 00:12:15,869

danger but danger man

293

00:12:24,139 --> 00:12:18,149

what a shitty way to go you down a segue

294

00:12:25,939 --> 00:12:24,149

how embarrassing man dumbass helmet dude

295

00:12:27,889 --> 00:12:25,949

we have very strong feelings about that

296

00:12:30,379 --> 00:12:27,899

Segway seriously I had no idea that I

297

00:12:37,309 --> 00:12:30,389

felt that strongly about the Segway tour

298

00:12:39,259 --> 00:12:37,319

people segways dude oh man you know I

299

00:12:40,759 --> 00:12:39,269

guess I guess I would have to say I have

300

00:12:43,009 --> 00:12:40,769

I still have the same feelings about

301
00:12:46,609 --> 00:12:43,019
yeah but it's not that getting on a damn

302
00:12:48,889 --> 00:12:46,619
thing it was like an idiot not doing it

303
00:12:50,780 --> 00:12:48,899
yeah could you imagine the people

304
00:12:54,769 --> 00:12:50,790
driving past you were gonna yell out of

305
00:12:57,230 --> 00:12:54,779
the window oh you look so stupid you

306
00:13:01,939 --> 00:12:57,240
know that's what people will do oh my

307
00:13:05,929 --> 00:13:01,949
god dude yeah so I mean nothing nothing

308
00:13:08,449 --> 00:13:05,939
too scientific or you know I see alien

309
00:13:10,489 --> 00:13:08,459
about that but falls under the category

310
00:13:12,139 --> 00:13:10,499
of all things weird yeah

311
00:13:13,669 --> 00:13:12,149
like what a random thing to know like

312
00:13:16,339 --> 00:13:13,679
hey the guy who made that one button

313
00:13:22,159 --> 00:13:16,349

Coke machine also did the Segway yeah

314

00:13:24,739 --> 00:13:22,169

you're like the Segway suck but that

315

00:13:26,869 --> 00:13:24,749

soda machine though well yeah that's one

316

00:13:28,339 --> 00:13:26,879

of my favorite things about talking

317

00:13:30,109 --> 00:13:28,349

about this or doing this show is that

318

00:13:34,039 --> 00:13:30,119

there's so many things that I learn from

319

00:13:36,469 --> 00:13:34,049

you that are like so random but you

320

00:13:39,529 --> 00:13:36,479

would never hurt hear about I don't know

321

00:13:41,269 --> 00:13:39,539

I just can only imagine somebody coming

322

00:13:44,119 --> 00:13:41,279

here for just strictly UFO like

323

00:13:47,359 --> 00:13:44,129

straight-up science and and like stories

324

00:13:49,009 --> 00:13:47,369

and things like that and like walk out

325

00:13:51,559 --> 00:13:49,019

of it knowing that the guy who made the

326

00:13:58,009 --> 00:13:51,569

Segway also made ya the multi coke

327

00:14:02,149 --> 00:13:58,019

machines like well I came for pores are

328

00:14:04,189 --> 00:14:02,159

like really bummed out yeah but they're

329

00:14:05,809 --> 00:14:04,199

gonna talk about aliens uh and it's

330

00:14:09,049 --> 00:14:05,819

funny cuz we've known this all along

331

00:14:12,949 --> 00:14:09,059

right like yeah if you are like a like

332

00:14:15,829 --> 00:14:12,959

hard-nosed like UFO investigators slash

333

00:14:17,149 --> 00:14:15,839

like just this is like are you are you

334

00:14:20,569 --> 00:14:17,159

very much so you're saying in the world

335

00:14:22,309 --> 00:14:20,579

like you're probably gonna hate us if

336

00:14:24,379 --> 00:14:22,319

you're the person commenting on all of

337

00:14:26,769 --> 00:14:24,389

our YouTube channels that really

338

00:14:31,399 --> 00:14:26,779

negatively it's this show is not for you

339

00:14:34,519 --> 00:14:31,409

just stop listening to it oh my god it's

340

00:14:37,089 --> 00:14:34,529

so good dude yeah [\h__h] all right dude

341

00:14:39,589 --> 00:14:37,099

let's move on to clip number three

342

00:14:43,789 --> 00:14:39,599

structures on the moon Pleiadians and

343

00:14:45,919 --> 00:14:43,799

pizza moustache episode two into what I

344

00:14:48,229 --> 00:14:45,929

had a request from a family member that

345

00:14:50,359 --> 00:14:48,239

wants us to go more on Pleiadians by the

346

00:14:52,879 --> 00:14:50,369

way more on so yeah well we need to go a

347

00:14:54,079 --> 00:14:52,889

deep dive on Pleiadian okay so just

348

00:14:55,929 --> 00:14:54,089

before I just wanted to get that out

349

00:14:58,789 --> 00:14:55,939

there before I forgot about it you think

350

00:15:02,269 --> 00:14:58,799

you think maybe maybe joseline would

351
00:15:03,679 --> 00:15:02,279
know possibly more about the play unless

352
00:15:05,179 --> 00:15:03,689
happen she would she knows a lot of

353
00:15:08,179 --> 00:15:05,189
stuff she knows I don't have to ask

354
00:15:10,029 --> 00:15:08,189
almost she's like a library of info I

355
00:15:13,069 --> 00:15:10,039
bet she knows something yeah totally

356
00:15:16,070 --> 00:15:13,079
Pleiadians alright here we go

357
00:15:19,220 --> 00:15:16,080
so Tim yep episode 10 are

358
00:15:20,540 --> 00:15:19,230
are one of our favorite episodes this is

359
00:15:25,640 --> 00:15:20,550
the number three I don't think I've

360
00:15:27,290 --> 00:15:25,650
heard this only made sense I mean but no

361
00:15:31,310 --> 00:15:27,300
no does your oohs not my favorite pizza

362
00:15:33,410 --> 00:15:31,320
did buff Elena's my have you had tough

363
00:15:35,930 --> 00:15:33,420

Elina is it like a real restaurant it's

364

00:15:38,240 --> 00:15:35,940

a real restaurant down on I think it's

365

00:15:40,850 --> 00:15:38,250

six or seven Street it's Cesar Chavez he

366

00:15:43,220 --> 00:15:40,860

ate it damn good good they flew in an

367

00:15:46,580 --> 00:15:43,230

oven from Italy it's like a brick oven

368

00:15:54,680 --> 00:15:46,590

oh it's so good they're lame if I say

369

00:15:56,990 --> 00:15:54,690

mr. Gettys I love mr. Gatti's to the

370

00:15:58,850 --> 00:15:57,000

ranch is so good can't help it they have

371

00:16:01,250 --> 00:15:58,860

great ranch like they make their own

372

00:16:03,590 --> 00:16:01,260

ranch yes they're ranch dressing what I

373

00:16:05,990 --> 00:16:03,600

mean I used to work at a mr. Gettys no

374

00:16:09,410 --> 00:16:06,000

one is hangar no the one at Rockdale oh

375

00:16:12,860 --> 00:16:09,420

snap yeah do you miss it

376

00:16:14,210 --> 00:16:12,870

no no no but like do you like you know

377

00:16:15,950 --> 00:16:14,220

you know usually like if you work in a

378

00:16:26,120 --> 00:16:15,960

food place you're like not eating that

379

00:16:28,880 --> 00:16:26,130

anymore I still eat gaddy's i I don't

380

00:16:30,410 --> 00:16:28,890

live anywhere near Gatti's but I miss it

381

00:16:32,570 --> 00:16:30,420

so much I can't I can't order it anymore

382

00:16:34,850 --> 00:16:32,580

like I always have to order some

383

00:16:40,180 --> 00:16:34,860

[h__\h] unless it's like Spartan pizza

384

00:16:40,190 --> 00:16:44,900

take her along it's part of

385

00:16:51,770 --> 00:16:49,190

FG of it okay one more

386

00:16:52,940 --> 00:16:51,780

we're still pretty chilled it has the

387

00:16:56,450 --> 00:16:52,950

mustache on it

388

00:16:58,460 --> 00:16:56,460

no the Pringles no no it's a pizza it's

389

00:17:00,110 --> 00:16:58,470

like a pizza put a throne I don't know

390

00:17:03,170 --> 00:17:00,120

what it is but anyway it has a mustache

391

00:17:13,040 --> 00:17:03,180

on it it sits in a brown box I think my

392

00:17:15,079 --> 00:17:13,050

might be a h-e-b mighty it's so good all

393

00:17:21,949 --> 00:17:15,089

the pizza is on the brach it's on the

394

00:17:37,910 --> 00:17:21,959

box no but you can you cure it the

395

00:17:52,850 --> 00:17:37,920

mustache finish that way you could not

396

00:18:05,050 --> 00:17:55,160

this is gonna be like Inception that's

397

00:18:12,580 --> 00:18:05,060

pizza when who's laughing is it Austin

398

00:18:24,370 --> 00:18:16,970

no I think it's like a like a frozen

399

00:18:24,380 --> 00:18:31,630

screaming Sicilian always doing

400

00:18:43,909 --> 00:18:34,930

give it a try that's very good oh my god

401
00:18:44,960 --> 00:18:43,919
crying like oh there's a picture of a

402
00:18:49,940 --> 00:18:44,970
girl doing it

403
00:18:58,779 --> 00:18:49,950
oh do that you're right okay okay okay

404
00:19:05,090 --> 00:18:58,789
oh yeah okay I'm gonna recompose okay

405
00:19:18,950 --> 00:19:13,669
the Nimitz are coming this is a great

406
00:19:24,230 --> 00:19:18,960
10th episode ten minutes of laughing

407
00:19:27,440 --> 00:19:24,240
about oh dude yeah it's still funny like

408
00:19:29,830 --> 00:19:27,450
it's still funny to me it's amazing how

409
00:19:32,269 --> 00:19:29,840
long we talk about that

410
00:19:38,060 --> 00:19:32,279
we're just laughing about a little

411
00:19:43,700 --> 00:19:38,070
inside information that episode is the

412
00:19:51,940 --> 00:19:43,710
only episode we actually got stoned did

413
00:20:02,630 --> 00:19:56,360

about pieces for you made this for you

414

00:20:06,649 --> 00:20:02,640

this is for you I did it for you why

415

00:20:13,010 --> 00:20:06,659

didn't you take the trash out I did it

416

00:20:14,680 --> 00:20:13,020

for you if there's also another YouTube

417

00:20:18,470 --> 00:20:14,690

video called hot kool-aid

418

00:20:20,750 --> 00:20:18,480

cool it had kool-aid okay he's like he

419

00:20:23,649 --> 00:20:20,760

gives us money he's like hey I brought

420

00:20:27,760 --> 00:20:23,659

you some all cool a cool eh yeah try

421

00:20:32,269 --> 00:20:27,770

this is terrible but I made this for you

422

00:20:35,240 --> 00:20:32,279

it's pretty good dude so that was only

423

00:20:38,330 --> 00:20:35,250

episode 10 yeah yeah that was our tenth

424

00:20:41,270 --> 00:20:38,340

episode and we were like hey I should

425

00:20:42,290 --> 00:20:41,280

get Stouffer 10th episode I remember

426

00:20:44,900 --> 00:20:42,300

that being like a mile

427

00:20:46,910 --> 00:20:44,910

stone for us because like the statistics

428

00:20:49,850 --> 00:20:46,920

out there you were telling me unlike UFO

429

00:20:52,010 --> 00:20:49,860

podcast really any podcast is like most

430

00:20:53,960 --> 00:20:52,020

people don't make it past episode 8 yeah

431

00:20:56,630 --> 00:20:53,970

you know this is when we made it to

432

00:20:58,820 --> 00:20:56,640

episode 10 I was like damn this is all

433

00:21:02,270 --> 00:20:58,830

rights legit we're doing something good

434

00:21:04,040 --> 00:21:02,280

hell yeah fuller listening we haven't

435

00:21:06,710 --> 00:21:04,050

run out of anything to talk about think

436

00:21:09,110 --> 00:21:06,720

about it's ten episodes but some of

437

00:21:12,290 --> 00:21:09,120

those were like two hours long so that's

438

00:21:14,720 --> 00:21:12,300

already over three so so let's say 24

439

00:21:19,400 --> 00:21:14,730

hours worth of content at 10 episodes

440

00:21:21,950 --> 00:21:19,410

that's a lot of content is a lot a lot

441

00:21:23,300 --> 00:21:21,960

dude that blows my mind yeah well we

442

00:21:25,040 --> 00:21:23,310

could sit here and talk for two hours

443

00:21:27,080 --> 00:21:25,050

and we don't ever feel like it's two

444

00:21:31,100 --> 00:21:27,090

hours oh I know man oh I know

445

00:21:34,250 --> 00:21:31,110

yeah we've officially talked like four

446

00:21:38,180 --> 00:21:34,260

or five days and days yeah straight just

447

00:21:39,710 --> 00:21:38,190

about this yeah it's nuts yeah when we

448

00:21:41,720 --> 00:21:39,720

started it like my friends were asking

449

00:21:43,610 --> 00:21:41,730

me like oh that's cool yeah you're into

450

00:21:47,780 --> 00:21:43,620

UFOs I get that but like well how are

451
00:21:49,790 --> 00:21:47,790
you gonna do this for ever or how long

452
00:21:51,470 --> 00:21:49,800
can you do this there aren't you gonna

453
00:21:55,010 --> 00:21:51,480
run out of things to talk about and I

454
00:21:57,740 --> 00:21:55,020
always thought like I don't think so but

455
00:22:01,040 --> 00:21:57,750
I mean ya know we were still a year from

456
00:22:03,110 --> 00:22:01,050
that day and still have not run out of

457
00:22:05,450 --> 00:22:03,120
[h__h] to talk about there's so much more

458
00:22:07,970 --> 00:22:05,460
we have recovered and sometimes it is

459
00:22:10,400 --> 00:22:07,980
difficult to come up with a topic or a

460
00:22:12,380 --> 00:22:10,410
conversation not because it doesn't

461
00:22:14,750 --> 00:22:12,390
exist just because we didn't have the

462
00:22:17,510 --> 00:22:14,760
time to like research it or go through

463
00:22:19,700 --> 00:22:17,520

it and find any cool facts about it yeah

464

00:22:21,770 --> 00:22:19,710

yeah I mean it's been dipped definitely

465

00:22:24,830 --> 00:22:21,780

difficult I know for you because the

466

00:22:26,210 --> 00:22:24,840

baby but me with like losing my job and

467

00:22:28,130 --> 00:22:26,220

like having to figure out this business

468

00:22:30,110 --> 00:22:28,140

stuff and getting more serious into it

469

00:22:31,820 --> 00:22:30,120

it's like man the day goes by like that

470

00:22:34,040 --> 00:22:31,830

yeah and when I was working for that

471

00:22:36,500 --> 00:22:34,050

company I had I like you know I was

472

00:22:38,630 --> 00:22:36,510

really doing all that much because they

473

00:22:40,640 --> 00:22:38,640

weren't utilizing me but yeah right I

474

00:22:43,460 --> 00:22:40,650

had the time during the data to research

475

00:22:45,950 --> 00:22:43,470

stuff yeah but I mean I gotta say we've

476

00:22:49,070 --> 00:22:45,960

done we've done pretty good through

477

00:22:50,990 --> 00:22:49,080

having a kid losing your job and still

478

00:22:53,039 --> 00:22:51,000

being able to find time to you know

479

00:22:55,350 --> 00:22:53,049

squeeze this in and

480

00:22:58,499 --> 00:22:55,360

as much as we can sorry we don't get to

481

00:23:00,960 --> 00:22:58,509

them every really all the time but we

482

00:23:03,779 --> 00:23:00,970

definitely try and if we don't then we

483

00:23:05,759 --> 00:23:03,789

try and make it up yeah you know so like

484

00:23:10,019 --> 00:23:05,769

we're gonna do we should definitely do I

485

00:23:12,600 --> 00:23:10,029

want to do two more we want it I would

486

00:23:15,269 --> 00:23:12,610

like it to be like oh look they did one

487

00:23:19,710 --> 00:23:15,279

episode every year there's 50 56 there's

488

00:23:22,799 --> 00:23:19,720

a pea wait there's 56 52 52 weeks God so

489

00:23:24,840 --> 00:23:22,809

I mean what are we are like episode well

490

00:23:28,649 --> 00:23:24,850

not counting the UFO con I think we're

491

00:23:31,080 --> 00:23:28,659

at like 46 that's not bad yeah so not be

492

00:23:33,599 --> 00:23:31,090

close yeah we're close Christmas break

493

00:23:37,379 --> 00:23:33,609

Thanksgiving break you know holidays

494

00:23:39,359 --> 00:23:37,389

yeah yeah unless you're European then

495

00:23:43,200 --> 00:23:39,369

any time you go on a vacation you're on

496

00:23:46,049 --> 00:23:43,210

holiday so that's a lot you see that

497

00:23:47,909 --> 00:23:46,059

yeah that in maths going on holiday no

498

00:23:52,259 --> 00:23:47,919

no holiday because I hate after my maths

499

00:23:56,340 --> 00:23:52,269

class yeah it's it's June 13th what

500

00:23:58,680 --> 00:23:56,350

holiday is right now holiday yeah that's

501
00:24:00,330 --> 00:23:58,690
more Australian we got we have a huge

502
00:24:03,840 --> 00:24:00,340
following it in the UK and in Australia

503
00:24:04,799 --> 00:24:03,850
yeah which yam Z that is quite our fifth

504
00:24:08,279 --> 00:24:04,809
most listened-to

505
00:24:11,789 --> 00:24:08,289
is Australia so hey shout out y'all yeah

506
00:24:15,090 --> 00:24:11,799
for listening how do you uh how you say

507
00:24:19,229 --> 00:24:15,100
how do you say hello in Australia

508
00:24:23,909 --> 00:24:19,239
good eye good eye good job I did it good

509
00:24:27,090 --> 00:24:23,919
job all right dude uh yeah we're doing

510
00:24:30,320 --> 00:24:27,100
good job good job dude they're killing

511
00:24:42,479 --> 00:24:39,659
all right moving along sowed 14 this is

512
00:24:45,659 --> 00:24:42,489
another one of our favorite moments this

513
00:24:48,840 --> 00:24:45,669

is yeah episode 14 Corey good the faker

514

00:24:51,570 --> 00:24:48,850

part two and slinky hats and nano

515

00:24:53,099 --> 00:24:51,580

cinematics this episode dude I could

516

00:24:57,060 --> 00:24:53,109

have picked like five different things

517

00:25:00,779 --> 00:24:57,070

out of this episode but we went with

518

00:25:02,430 --> 00:25:00,789

this one right here are we getting them

519

00:25:04,980 --> 00:25:02,440

like in front of your face in you I feel

520

00:25:05,130 --> 00:25:04,990

like Swisher like it's your hair out of

521

00:25:07,380 --> 00:25:05,140

you

522

00:25:10,400 --> 00:25:07,390

hi actually just imagine people have

523

00:25:13,380 --> 00:25:10,410

like super serious conversation yeah

524

00:25:22,440 --> 00:25:13,390

like sorry Mike you've only got about

525

00:25:30,390 --> 00:25:22,450

two weeks to live this is now we have to

526
00:25:32,940 --> 00:25:30,400
make people like walk by each other and

527
00:25:35,310 --> 00:25:32,950
get stuck in there like yeah you should

528
00:25:37,770 --> 00:25:35,320
hours of your day trying to like

529
00:25:53,880 --> 00:25:37,780
untangle a slinky hats you can get back

530
00:26:03,560 --> 00:25:53,890
to work stuck in bushes like loads get

531
00:26:08,880 --> 00:26:03,570
stuck in very terrible the international

532
00:26:13,920 --> 00:26:08,890
space program you know for [h__h] hat

533
00:26:15,240 --> 00:26:13,930
with a sleepy that's it okay I guess

534
00:26:22,080 --> 00:26:15,250
you'd be funnier like if they were like

535
00:26:33,330 --> 00:26:22,090
actually a military uniform I go as well

536
00:26:43,200 --> 00:26:33,340
like like big burly military man they

537
00:26:49,230 --> 00:26:47,040
Oh God we're out we're losing it man I

538
00:26:51,540 --> 00:26:49,240

think they're getting to us they're the

539

00:26:54,780 --> 00:26:51,550

nanites the turn of the nanites Oh

540

00:26:57,300 --> 00:26:54,790

Jeremy that's another good part about it

541

00:26:59,430 --> 00:26:57,310

I know dude that's what we came up with

542

00:27:02,220 --> 00:26:59,440

the movie idea yeah the movie idea about

543

00:27:05,540 --> 00:27:02,230

the about the the nanobots do it you

544

00:27:09,450 --> 00:27:05,550

know what made that funny for me was

545

00:27:18,930 --> 00:27:09,460

when I was watching a space force how

546

00:27:20,700 --> 00:27:18,940

the the president yes wife makes knew it

547

00:27:24,420 --> 00:27:20,710

everybody like oh this is embarrassing

548

00:27:26,670 --> 00:27:24,430

yeah I put slinkys on their home that

549

00:27:30,720 --> 00:27:26,680

have been amazing I completely forgot

550

00:27:35,010 --> 00:27:30,730

about the slinky hat man oh my god yes

551
00:27:39,360 --> 00:27:35,020
so genius we're smart

552
00:27:41,820 --> 00:27:39,370
oh we're we've got these ideas I get

553
00:27:43,560 --> 00:27:41,830
smart we got a lot of ideas like Bob

554
00:27:46,050 --> 00:27:43,570
Dylan one said I got a head full of

555
00:27:49,110 --> 00:27:46,060
ideas that are driving me insane

556
00:28:00,240 --> 00:27:49,120
dan do you sound exactly like Robert

557
00:28:04,650 --> 00:28:00,250
Dylan bobert ladies and gentlemen Bob

558
00:28:09,150 --> 00:28:04,660
Dylan has entered the building lay hands

559
00:28:11,610 --> 00:28:09,160
you a nickel any hands you down yeah

560
00:28:15,600 --> 00:28:11,620
yeah ask you with a grin if you're

561
00:28:22,610 --> 00:28:15,610
having a good time I mean all buy

562
00:28:25,530 --> 00:28:22,620
tickets all right it's a good snack no I

563
00:28:27,630 --> 00:28:25,540

mean Jesus I mean I've got my Australian

564

00:28:39,090 --> 00:28:27,640

accent you've got Bob Dylan's yeah and

565

00:28:41,610 --> 00:28:39,100

Bugs Bunny yeah all soldiers

566

00:28:44,010 --> 00:28:41,620

yeah great movie you know a lot of

567

00:28:46,320 --> 00:28:44,020

people are probably gonna unfollow us

568

00:28:48,540 --> 00:28:46,330

after I say this but I was never like a

569

00:28:49,830 --> 00:28:48,550

big Tom Petty fan okay and I just always

570

00:28:52,260 --> 00:28:49,840

kind of felt like it was kind of like a

571

00:28:56,010 --> 00:28:52,270

ripoff of Bob Dylan okay just like maybe

572

00:29:02,140 --> 00:28:59,830

yeah just never got it Tom Petty I don't

573

00:29:04,630 --> 00:29:02,150

have an opinion either way it's just it

574

00:29:07,120 --> 00:29:04,640

annoys the [h__h] out of me is it does he

575

00:29:09,730 --> 00:29:07,130

sing similar what sing yeah the singing

576

00:29:12,430 --> 00:29:09,740

is similar like the writing style of the

577

00:29:15,010 --> 00:29:12,440

words yeah I just hate the uh I think I

578

00:29:17,409 --> 00:29:15,020

hate the like maybe the progression of

579

00:29:20,560 --> 00:29:17,419

the song I hate the I don't know yeah I

580

00:29:23,680 --> 00:29:20,570

don't know I'm not judging I mean I just

581

00:29:23,690 --> 00:29:28,799

well that's Tom Petty the [h__h] you man

582

00:29:31,980 --> 00:29:31,389

never been a big Tom Petty fan yeah I'm

583

00:29:34,539 --> 00:29:31,990

sorry

584

00:29:38,830 --> 00:29:34,549

it's weird I had no judgment for me I

585

00:29:45,460 --> 00:29:38,840

also I also when the greatest albums

586

00:29:47,889 --> 00:29:45,470

ever made was a half hour of power Guns

587

00:29:50,139 --> 00:29:47,899

N'Roses 1987 cuz that was it

588

00:29:51,610 --> 00:29:50,149

you're asking I think I think getting

589

00:29:53,320 --> 00:29:51,620

the album days mixed it might be half

590

00:29:56,940 --> 00:29:53,330

hour of power and a half hour power bi

591

00:29:59,639 --> 00:29:56,950

or is that some forty one gun sooner I

592

00:30:02,019 --> 00:29:59,649

don't know let's look at think it is Oh

593

00:30:06,310 --> 00:30:02,029

internet internet pull up Internet

594

00:30:08,919 --> 00:30:06,320

alright half hour of power is it good as

595

00:30:10,960 --> 00:30:08,929

a roses no it is some 41

596

00:30:15,210 --> 00:30:10,970

what's the guns and Broca's type of Guns

597

00:30:25,149 --> 00:30:22,450

wait 1887 Appetite for Destruction I've

598

00:30:26,669 --> 00:30:25,159

her destruction yes so what was what was

599

00:30:31,840 --> 00:30:26,679

the connection just mix those up um

600

00:30:34,360 --> 00:30:31,850

great album love that album yeah most of

601
00:30:41,279 --> 00:30:34,370
like the hits people love or Bob Dylan

602
00:30:44,049 --> 00:30:41,289
covers what and maybe it's just actually

603
00:30:46,180 --> 00:30:44,059
just took those songs and redid them

604
00:30:49,210 --> 00:30:46,190
yeah there's a lot of covers dude one of

605
00:30:50,889 --> 00:30:49,220
those are covers but yeah dude I don't

606
00:30:51,789 --> 00:30:50,899
know I just never been like a big fan of

607
00:30:55,539 --> 00:30:51,799
Guns N'Roses

608
00:30:58,750 --> 00:30:55,549
okay I I mean I like I like the pieces

609
00:31:04,090 --> 00:30:58,760
of the band maybe it's just Axl yeah I

610
00:31:08,110 --> 00:31:04,100
don't know I don't know is he the same

611
00:31:10,660 --> 00:31:08,120
guy no I'm thinking of Brett Michaels

612
00:31:15,130 --> 00:31:10,670
Rock of Love yeah I think it what would

613
00:31:19,480 --> 00:31:15,140

her ban was hands poison poison yeah do

614

00:31:24,160 --> 00:31:19,490

that Bret Michaels man yeah dude you're

615

00:31:29,460 --> 00:31:24,170

he's a cartoon character yeah brilliant

616

00:31:35,950 --> 00:31:34,450

to it yeah Bret Michaels Nikki Sixx yeah

617

00:31:36,340 --> 00:31:35,960

all these [h__h] people like they're

618

00:31:38,920 --> 00:31:36,350

just

619

00:31:41,440 --> 00:31:38,930

and there's Mick Jagger and then there's

620

00:31:42,970 --> 00:31:41,450

somebody else that [h__h] he drinks

621

00:31:45,430 --> 00:31:42,980

like he used to drink like a bottle of

622

00:31:48,430 --> 00:31:45,440

Jack Daniels a day Who am I thinking of

623

00:31:49,930 --> 00:31:48,440

Oh Rolling Stones this Oh Keith Richard

624

00:31:52,030 --> 00:31:49,940

he's Richard yes

625

00:31:55,060 --> 00:31:52,040

yeah know what that dude is like they're

626
00:31:58,270 --> 00:31:55,070
never gonna die yeah dude there looks so

627
00:32:01,300 --> 00:31:58,280
old dude funny story I used to work with

628
00:32:04,480 --> 00:32:01,310
a lady who ran hotels and one hotel that

629
00:32:07,540 --> 00:32:04,490
she ran the Rolling Stones actually

630
00:32:09,610 --> 00:32:07,550
rented out the the hotel oh-ho-ho yeah

631
00:32:11,560 --> 00:32:09,620
it was a non-smoking hotel but they had

632
00:32:13,480 --> 00:32:11,570
to put ashtrays in all the rooms and

633
00:32:14,740 --> 00:32:13,490
common areas because Keith Richards

634
00:32:16,120 --> 00:32:14,750
would walk around smoking a cigarette

635
00:32:18,730 --> 00:32:16,130
and he would just put it out on the

636
00:32:20,890 --> 00:32:18,740
floor oh my god yeah there wasn't an

637
00:32:23,110 --> 00:32:20,900
ashtray he would just put it out being

638
00:32:26,050 --> 00:32:23,120

that status like I can do whatever the

639

00:32:29,830 --> 00:32:26,060

[\h__\h] I want yeah I don't care I'm Keith

640

00:32:32,830 --> 00:32:29,840

Richards oh okay one key fridge I don't

641

00:32:39,690 --> 00:32:32,840

give a [\h__\h] I'm Caillou free cheats sir

642

00:32:41,770 --> 00:32:39,700

there's no smoking in here yeah [\h__\h] off

643

00:32:43,660 --> 00:32:41,780

[\h__\h] off Mike

644

00:32:45,550 --> 00:32:43,670

you think you are you smell bad I'm

645

00:32:48,370 --> 00:32:45,560

Keith Richards O'Keefe Richie's you

646

00:32:50,050 --> 00:32:48,380

suspect have you seen have you seen the

647

00:32:52,090 --> 00:32:50,060

video with Keith Richards and Chuck

648

00:32:54,130 --> 00:32:52,100

Berry and they're jamming together and

649

00:32:56,200 --> 00:32:54,140

Keith Richards is playing the lick like

650

00:32:57,940 --> 00:32:56,210

exactly like Chuck Berry the Chuck Berry

651
00:32:59,800 --> 00:32:57,950
keeps pausing the rehearsal he's like

652
00:33:01,460 --> 00:32:59,810
none on them and you got a do it like

653
00:33:03,200 --> 00:33:01,470
this

654
00:33:08,230 --> 00:33:03,210
he shows him like four or five different

655
00:33:11,540 --> 00:33:08,240
times he starts on the bend up yeah I

656
00:33:20,720 --> 00:33:11,550
have seen that yeah it's like it sounds

657
00:33:23,290 --> 00:33:20,730
exactly the same like all right let's

658
00:33:27,020 --> 00:33:23,300
see moving on to one of our other

659
00:33:30,170 --> 00:33:27,030
favorites episodes 15 this is what we

660
00:33:34,090 --> 00:33:30,180
were at UFO Congress our first our first

661
00:33:36,080 --> 00:33:34,100
event and man we how many how many

662
00:33:39,670 --> 00:33:36,090
beverages do you think we had gone

663
00:33:43,970 --> 00:33:39,680

through we were this we probably house

664

00:33:47,120 --> 00:33:43,980

over a 6-pack of peace yeah yeah yeah

665

00:33:49,520 --> 00:33:47,130

we're pretty I mean honestly I get you

666

00:33:51,260 --> 00:33:49,530

know this but I get it loud one drop we

667

00:33:53,000 --> 00:33:51,270

all get excited but I'm just like

668

00:33:55,250 --> 00:33:53,010

screaming through this whole thing we're

669

00:33:57,260 --> 00:33:55,260

probably about eight beers in at this

670

00:34:00,770 --> 00:33:57,270

point it's big up being a little tipsy

671

00:34:04,610 --> 00:34:00,780

and excited yeah yeah because right

672

00:34:09,130 --> 00:34:04,620

before we we recorded this episode

673

00:34:12,169 --> 00:34:09,140

Johnson introduced us to Melinda and and

674

00:34:14,000 --> 00:34:12,179

Laurie oh those and we were all sitting

675

00:34:16,760 --> 00:34:14,010

down there in that little area they were

676

00:34:19,400 --> 00:34:16,770

told the stories that's right yeah yes

677

00:34:22,100 --> 00:34:19,410

that little circle right by the outside

678

00:34:24,310 --> 00:34:22,110

plate where you walk outside yeah yeah

679

00:34:27,320 --> 00:34:24,320

that was sick man yeah we had had such a

680

00:34:29,690 --> 00:34:27,330

crazy night the Mafia that was awesome

681

00:34:31,700 --> 00:34:29,700

man oh yeah in like we had like Johnson

682

00:34:33,200 --> 00:34:31,710

was like hey is this your bag and I'm

683

00:34:35,210 --> 00:34:33,210

going to go get my bag and she was like

684

00:34:36,680 --> 00:34:35,220

yeah have you met Travis and all these

685

00:34:39,320 --> 00:34:36,690

people like they were just chilling at

686

00:34:41,510 --> 00:34:39,330

the tea is we're like god damn yeah you

687

00:34:43,790 --> 00:34:41,520

guys know everybody yeah it was nuts

688

00:34:44,860 --> 00:34:43,800

that was a great time though man that

689

00:34:48,290 --> 00:34:44,870

was so much fun

690

00:34:51,440 --> 00:34:48,300

geez wait yeah and then we got that stat

691

00:34:53,659 --> 00:34:51,450

dope the hotel room dude a little

692

00:34:57,860 --> 00:34:53,669

leaving right to the suite that was sick

693

00:35:04,490 --> 00:34:57,870

yeah all right here we go

694

00:35:06,800 --> 00:35:04,500

episode 15 to e Snider yeah she lives in

695

00:35:13,480 --> 00:35:06,810

00:35:46,070 --> 00:35:41,460
yeah like yeah yeah she's into all that

704
00:35:48,650 --> 00:35:46,080

00:36:50,390 --> 00:36:49,080

man absolutely

717

00:36:52,460 --> 00:36:50,400

she's been our like tour guide this

718

00:36:54,680 --> 00:36:52,470

whole time she has she's awesome so if

719

00:36:56,540 --> 00:36:54,690

she's checking this out yeah thank you

720

00:36:59,390 --> 00:36:56,550

John says so much you've been awesome

721

00:37:01,970 --> 00:36:59,400

now now this entire time she's

722

00:37:05,510 --> 00:37:01,980

introduced us to so many yeah we met her

723

00:37:08,000 --> 00:37:05,520

at lunch today and and like everybody

724

00:37:10,490 --> 00:37:08,010

everybody's [h__h] just like waiting to

725

00:37:12,320 --> 00:37:10,500

talk to Joe for some reason she's like

726

00:37:15,570 --> 00:37:12,330

it's true just spouting out these

727

00:37:17,580 --> 00:37:15,580

awesome stories we've had the great

728

00:37:20,280 --> 00:37:17,590

the greatest time with her today she is

729

00:37:23,700 --> 00:37:20,290

the greatest to everybody like Richard

730

00:37:29,310 --> 00:37:23,710

Dolan and yeah yeah that was a great

731

00:37:31,200 --> 00:37:29,320

time cinnamon tears down that's all

732

00:37:37,800 --> 00:37:31,210

that'll be one of my all-time favorite

733

00:37:41,340 --> 00:37:37,810

moments do [h__h] hilarious mean is it

734

00:37:51,660 --> 00:37:41,350

is it I just think the ESP bro yeah yeah

735

00:37:53,520 --> 00:37:51,670

new yeah yes dude that was great man but

736

00:37:55,590 --> 00:37:53,530

yeah that's where we that's where we met

737

00:37:57,720 --> 00:37:55,600

everybody it's so funny seeing my hair

738

00:37:59,550 --> 00:37:57,730

back I'm like my hair is back to the

739

00:38:03,330 --> 00:37:59,560

that length now cuz I haven't had a

740

00:38:08,790 --> 00:38:03,340

haircut said cuz it's Rona I don't know

741

00:38:10,830 --> 00:38:08,800

me I kind of side with Britain it does

742

00:38:12,840 --> 00:38:10,840

look like you cut it though it does I

743

00:38:14,640 --> 00:38:12,850

think it's just cuz I haven't taken them

744

00:38:16,050 --> 00:38:14,650

out in like three days it's cuz they

745

00:38:18,060 --> 00:38:16,060

shrunk a little bit from the like the

746

00:38:19,380 --> 00:38:18,070

pool water or something just brings them

747

00:38:26,760 --> 00:38:19,390

up a little bit but no it's definitely

748

00:38:33,300 --> 00:38:26,770

cuz I got fat you did not a six-pack B

749

00:38:35,580 --> 00:38:33,310

that's what it is definitely now that's

750

00:38:37,340 --> 00:38:35,590

what I say I have a cake and I have a

751

00:38:42,000 --> 00:38:37,350

six-pack you got a keg in there dude

752

00:38:44,340 --> 00:38:42,010

[h__h] hey I got a whole beer truck dude

753

00:38:46,200 --> 00:38:44,350

but how [h__h] fun was that man that

754

00:38:48,780 --> 00:38:46,210

that trip was so awesome dude I was one

755

00:38:50,790 --> 00:38:48,790

of my favorite trips like the being in

756

00:38:53,310 --> 00:38:50,800

Sedona I'm again we need to go with with

757

00:38:55,020 --> 00:38:53,320

the wives to back to Sedona dude yeah so

758

00:38:57,120 --> 00:38:55,030

awesome I've been like every now and

759

00:39:00,110 --> 00:38:57,130

then I'll come across up and on YouTube

760

00:39:02,790 --> 00:39:00,120

about the like the vortex at Sedona and

761

00:39:04,740 --> 00:39:02,800

I've seen people like in the comments

762

00:39:07,380 --> 00:39:04,750

like this is all [h__h] well have you

763

00:39:11,580 --> 00:39:07,390

been there yeah have you experienced it

764

00:39:13,320 --> 00:39:11,590

or are you are you open to the idea or I

765

00:39:15,960 --> 00:39:13,330

mean people get checked on it a lot like

766

00:39:19,020 --> 00:39:15,970

okay yeah maybe there's no vortex but

767

00:39:21,180 --> 00:39:19,030

dude go there and and see if you don't

768

00:39:22,920 --> 00:39:21,190

feel weird when you're in just enjoy it

769

00:39:26,690 --> 00:39:22,930

dude yeah absolutely

770

00:39:30,109 --> 00:39:26,700

what about uh should plan something in

771

00:39:32,210 --> 00:39:30,119

in March yeah okay yeah that's uh that's

772

00:39:33,770 --> 00:39:32,220

the old lady's birthday nice oh we can

773

00:39:36,560 --> 00:39:33,780

set something baby the baby will be at

774

00:39:38,720 --> 00:39:36,570

least a year old then yep so so well

775

00:39:41,599 --> 00:39:38,730

she'll be older than a year but well in

776

00:39:43,700 --> 00:39:41,609

March the end of March she'll be a year

777

00:39:46,130 --> 00:39:43,710

okay nice nice old lady's birthday is at

778

00:39:47,780 --> 00:39:46,140

the beginning of March uh-huh so maybe

779

00:39:51,470 --> 00:39:47,790

we could go like you know in the first

780

00:39:53,599 --> 00:39:51,480

weeks in March well I had so so you can

781

00:39:56,540 --> 00:39:53,609

bring Hendricks on the plane and when

782

00:39:57,950 --> 00:39:56,550

she can we could be those people like

783

00:40:00,440 --> 00:39:57,960

the people that bring a baby on a plane

784

00:40:04,010 --> 00:40:00,450

no not at all

785

00:40:07,010 --> 00:40:04,020

so did we drive no the baby's gonna stay

786

00:40:10,460 --> 00:40:07,020

here Oh baby

787

00:40:12,620 --> 00:40:10,470

okay to go hike a cliff okay I pictured

788

00:40:15,589 --> 00:40:12,630

you with like a moose on the front you

789

00:40:17,569 --> 00:40:15,599

know yeah yeah most people would frown

790

00:40:19,819 --> 00:40:17,579

upon just leaving your baby huh behind

791

00:40:21,680 --> 00:40:19,829

but I I found a pond climbing cliffs at

792

00:40:23,120 --> 00:40:21,690

your child hanging off of you all you

793

00:40:24,950 --> 00:40:23,130

got to do is leave a water bowl and some

794

00:40:30,079 --> 00:40:24,960

milk right yeah it's put some newspaper

795

00:40:32,300 --> 00:40:30,089

down on the floor I'll leave the dogs

796

00:40:33,290 --> 00:40:32,310

out naked you know right did they'll

797

00:40:36,380 --> 00:40:33,300

watch her yeah

798

00:40:38,720 --> 00:40:36,390

gizmo will definitely you know eat the

799

00:40:42,470 --> 00:40:38,730

poop at least yeah I mean my pups are a

800

00:40:45,140 --> 00:40:42,480

highly sophisticated yeah for sure

801
00:40:48,230 --> 00:40:45,150
yeah dude all right what's next on the

802
00:40:49,940 --> 00:40:48,240
list dude neck's got uh we got one of

803
00:40:52,339 --> 00:40:49,950
our other good friends Miss Melinda

804
00:40:56,270 --> 00:40:52,349
Leslie she's always fun Mirinda

805
00:40:59,089 --> 00:40:56,280
to to chat with me this one so this is

806
00:41:01,250 --> 00:40:59,099
like a very like ver okay it's a rare

807
00:41:03,950 --> 00:41:01,260
thing that that we're not able to like

808
00:41:06,290 --> 00:41:03,960
control or laughter but I mean it's just

809
00:41:09,109 --> 00:41:06,300
it was just such a funny scenario like

810
00:41:11,870 --> 00:41:09,119
we're not making fun of Melinda at all

811
00:41:13,910 --> 00:41:11,880
it's just the scenario like Denny's

812
00:41:16,790 --> 00:41:13,920
itself is just a hilarious restaurant

813
00:41:18,740 --> 00:41:16,800

that existed before Melinda ever meant

814

00:41:20,510 --> 00:41:18,750

mentioned it yeah okay I won't ruin it I

815

00:41:23,450 --> 00:41:20,520

just wanted to preface that have you

816

00:41:27,790 --> 00:41:23,460

heard the Obon skit on Danny's he's like

817

00:41:31,280 --> 00:41:27,800

man [h__h] Danny's brah he's like cuz cuz

818

00:41:33,920 --> 00:41:31,290

everything tastes like onions bro even

819

00:41:37,160 --> 00:41:33,930

the silverware why is everything always

820

00:41:39,440 --> 00:41:37,170

covered up in syrup he's like man [h__h]

821

00:41:40,859 --> 00:41:39,450

Danny's bro I don't know why I keep

822

00:41:44,920 --> 00:41:40,869

going back

823

00:41:46,630 --> 00:41:44,930

it tastes like every time I go to every

824

00:41:54,580 --> 00:41:46,640

time I go to Denny's I always leave

825

00:41:57,130 --> 00:41:54,590

being like man [h__h] the Ezra alright

826

00:42:00,310 --> 00:41:57,140

let's get into this right again I don't

827

00:42:02,170 --> 00:42:00,320

know why I find any so funny why is it

828

00:42:04,200 --> 00:42:02,180

ok maybe it's just cuz like did a

829

00:42:07,030 --> 00:42:04,210

Chili's has become this like

830

00:42:08,770 --> 00:42:07,040

middle-class fancy joke but like Denny's

831

00:42:12,609 --> 00:42:08,780

for some reason I just think it's I

832

00:42:14,380 --> 00:42:12,619

don't know it's like the Waffle House

833

00:42:16,870 --> 00:42:14,390

for places that don't have a Waffle

834

00:42:20,980 --> 00:42:16,880

House yeah you know yeah it's crazy

835

00:42:22,480 --> 00:42:20,990

yeah all right here we go anything and

836

00:42:25,359 --> 00:42:22,490

then people are putting stuff away and

837

00:42:27,910 --> 00:42:25,369

and and a bunch of people left to go to

838

00:42:29,320 --> 00:42:27,920

Denny's restaurant and they said we

839

00:42:31,290 --> 00:42:29,330

always did after everyone they started

840

00:42:33,550 --> 00:42:31,300

going to Denny's as soon as you you know

841

00:42:35,830 --> 00:42:33,560

we're gonna be over there come when you

842

00:42:40,900 --> 00:42:35,840

can you know I Grand Slam I'm laughing

843

00:42:44,680 --> 00:42:40,910

yeah yeah yeah

844

00:42:53,160 --> 00:42:44,690

the French slam at that okay believe it

845

00:43:00,070 --> 00:42:57,910

okay oh I love how she tells a story and

846

00:43:02,320 --> 00:43:00,080

then like starts on something new and

847

00:43:04,120 --> 00:43:02,330

then pauses and it goes back to what she

848

00:43:06,820 --> 00:43:04,130

was talking about it like adds all these

849

00:43:08,500 --> 00:43:06,830

little like fillers in yeah yeah like

850

00:43:10,839 --> 00:43:08,510

all the details it's it's french toast

851
00:43:13,240 --> 00:43:10,849
and yeah that's why it's called the

852
00:43:15,070 --> 00:43:13,250
fridge slip dammit I love her so far

853
00:43:26,780 --> 00:43:15,080
let's get to part two of this really

854
00:43:32,060 --> 00:43:27,680
fill that dinner

855
00:43:37,589 --> 00:43:36,510
that's why I mean yeah okay we'll just

856
00:43:39,900 --> 00:43:37,599
start it yeah

857
00:43:43,530 --> 00:43:39,910
it's coming out though yeah from under

858
00:43:45,870 --> 00:43:43,540
me I get into my car I'm like you know

859
00:43:51,320 --> 00:43:45,880
and I Drive to Denny's and I walk in and

860
00:43:57,300 --> 00:43:54,210
conference running men zooming of it and

861
00:44:00,210 --> 00:43:57,310
everything and so he does also Diddy's

862
00:44:01,859 --> 00:44:00,220
and then Dennis like Dennis whiffle

863
00:44:04,320 --> 00:44:01,869

sounds like a fun game it's all just

864

00:44:06,210 --> 00:44:04,330

Danny's waffle yeah I was like like a

865

00:44:11,839 --> 00:44:06,220

mindset just everything was funny to

866

00:44:17,310 --> 00:44:11,849

meet Dennis Whipple yeah at the Denny's

867

00:44:21,240 --> 00:44:17,320

lot of that and and I've known Dennis

868

00:44:23,520 --> 00:44:21,250

for years yours back then before and and

869

00:44:25,109 --> 00:44:23,530

then I'm going to move on LA and move on

870

00:44:26,849 --> 00:44:25,119

Orange County and then he would he would

871

00:44:29,540 --> 00:44:26,859

always do the a/v you know the the

872

00:44:35,790 --> 00:44:29,550

filming of it and the recording of it

873

00:44:38,160 --> 00:44:35,800

for both and yeah yeah yeah and dumb

874

00:44:40,200 --> 00:44:38,170

dumb [h__h] say it before that has a

875

00:44:43,470 --> 00:44:40,210

long background and find conspiracy

876

00:44:45,420 --> 00:44:43,480

stuff and and used to listen to KPFK all

877

00:44:48,180 --> 00:44:45,430

the time and all you know so he's really

878

00:44:50,880 --> 00:44:48,190

knowledgeable about all alternative

879

00:44:53,070 --> 00:44:50,890

stuff you know big-time yeah and always

880

00:44:58,109 --> 00:44:53,080

been very active than the alternative

881

00:45:01,170 --> 00:44:58,119

feels and socially active and that kind

882

00:45:03,599 --> 00:45:01,180

of thing I'm gonna skip so uh so you

883

00:45:06,089 --> 00:45:03,609

know I go in and I didn't write down the

884

00:45:07,920 --> 00:45:06,099

next part that's where you go talking

885

00:45:09,390 --> 00:45:07,930

daddy cuz you're talking daddy goes like

886

00:45:10,740 --> 00:45:09,400

after a very left to go yeah he goes oh

887

00:45:12,930 --> 00:45:10,750

the hell happened and I'm just like he

888

00:45:14,640 --> 00:45:12,940

goes something's wrong he says I can

889

00:45:20,660 --> 00:45:14,650

tell you look like you're completely in

890

00:45:28,000 --> 00:45:20,670

shock telling someone that he's like oh

891

00:45:33,040 --> 00:45:30,370

so she said something's wrong you look

892

00:45:37,080 --> 00:45:33,050

like you're Chuck you said you haven't

893

00:45:42,010 --> 00:45:37,090

even touched your French laughs oh and

894

00:45:45,520 --> 00:45:42,020

backstory to this as well know that this

895

00:45:47,890 --> 00:45:45,530

is you know this was literally from the

896

00:45:51,580 --> 00:45:47,900

first clip that we showed you which was

897

00:45:55,840 --> 00:45:51,590

at about 225 so two hours and 25 minutes

898

00:45:58,450 --> 00:45:55,850

and then this goes on for like so we

899

00:46:00,070 --> 00:45:58,460

literally we literally laughed for about

900

00:46:02,410 --> 00:46:00,080

15 minutes

901
00:46:05,680 --> 00:46:02,420
yeah and this is before we went on live

902
00:46:08,200 --> 00:46:05,690
like recording yes the camera and stuff

903
00:46:10,960 --> 00:46:08,210
like that but if you listen to that

904
00:46:13,480 --> 00:46:10,970
little segment if you listen past where

905
00:46:15,820 --> 00:46:13,490
we're gonna stop you can literally hear

906
00:46:18,400 --> 00:46:15,830
us like gasping for air or like trying

907
00:46:20,349 --> 00:46:18,410
not to to laugh out loud because she's

908
00:46:22,150 --> 00:46:20,359
telling this extremely serious story

909
00:46:24,310 --> 00:46:22,160
she's talking about how she just met

910
00:46:25,840 --> 00:46:24,320
this guy and he was like shut your mouth

911
00:46:28,690 --> 00:46:25,850
or I'll take care of you personally

912
00:46:30,970 --> 00:46:28,700
right it's like whoa dude somebody's

913
00:46:33,310 --> 00:46:30,980

about to like assassinate you know she's

914

00:46:37,270 --> 00:46:33,320

like French slam Danny's and we're like

915

00:46:39,310 --> 00:46:37,280

what and I don't know why it was so

916

00:46:42,280 --> 00:46:39,320

funny I was the juxtaposition and also

917

00:46:44,560 --> 00:46:42,290

like it was so the story was so serious

918

00:46:47,320 --> 00:46:44,570

that it was it was wrong to be laughing

919

00:46:49,120 --> 00:46:47,330

so it made it even funnier so like every

920

00:46:55,090 --> 00:46:49,130

time I would I had to stop looking at

921

00:46:57,070 --> 00:46:55,100

you cuz look at me going oh and that's

922

00:46:59,410 --> 00:46:57,080

why you had to just pop it and be like

923

00:47:01,480 --> 00:46:59,420

yeah oh the AV guy you guys she was like

924

00:47:03,070 --> 00:47:01,490

yeah I just said that just suck just so

925

00:47:05,260 --> 00:47:03,080

it would sound like we're still with you

926

00:47:07,359 --> 00:47:05,270

yes try to cover up like just in case

927

00:47:09,700 --> 00:47:07,369

she hurt us like snickering god damn it

928

00:47:12,190 --> 00:47:09,710

again we're not laughing at her it was

929

00:47:14,520 --> 00:47:12,200

just the situation elation was hilarious

930

00:47:17,500 --> 00:47:14,530

the Denny's and it got me like

931

00:47:19,810 --> 00:47:17,510

snowballing like I could not get that

932

00:47:22,480 --> 00:47:19,820

image out of my head oh man but yeah I

933

00:47:24,250 --> 00:47:22,490

mean you can literally if you listen

934

00:47:25,750 --> 00:47:24,260

close or like have it all your speakers

935

00:47:27,099 --> 00:47:25,760

in your car so they don't have good

936

00:47:29,680 --> 00:47:27,109

speakers you know if you turn that

937

00:47:33,340 --> 00:47:29,690

section up and listen to it you can hear

938

00:47:35,530 --> 00:47:33,350

us like gasping for air 2 hours 25 I was

939

00:47:37,150 --> 00:47:35,540

so good but that was definitely one of

940

00:47:38,260 --> 00:47:37,160

my favorite episodes for sure man

941

00:47:39,130 --> 00:47:38,270

Melinda yeah

942

00:47:41,920 --> 00:47:39,140

Melinda held

943

00:47:43,990 --> 00:47:41,930

down dude yeah Melinda's awesome she's

944

00:47:46,210 --> 00:47:44,000

got some great stories and also man when

945

00:47:49,780 --> 00:47:46,220

we go to Sedona we need to do a tour

946

00:47:53,010 --> 00:47:49,790

a UFO tour absolutely absolutely 100%

947

00:47:55,960 --> 00:47:53,020

every time she goes out they have a

948

00:47:57,820 --> 00:47:55,970

sighting right like a there's some some

949

00:47:59,800 --> 00:47:57,830

percentage or yeah something like that

950

00:48:02,260 --> 00:47:59,810

she sees them every time guaranteed yeah

951

00:48:05,320 --> 00:48:02,270

which is funny because there's a comment

952

00:48:10,540 --> 00:48:05,330

it says that there's never any evidence

953

00:48:12,310 --> 00:48:10,550

and it's like go go on the UFO what do

954

00:48:13,780 --> 00:48:12,320

you mean you know eight hours ago

955

00:48:16,030 --> 00:48:13,790

somebody commented on that YouTube video

956

00:48:18,340 --> 00:48:16,040

they they they show up every night yeah

957

00:48:19,990 --> 00:48:18,350

he he's got a personal vendetta hey

958

00:48:21,400 --> 00:48:20,000

Michael brother I don't know what

959

00:48:24,100 --> 00:48:21,410

happened between you two but we love

960

00:48:26,470 --> 00:48:24,110

Melinda so we can't speak on that that

961

00:48:29,500 --> 00:48:26,480

yeah all I know is love not hate man

962

00:48:33,160 --> 00:48:29,510

just you know she's shown us some

963

00:48:36,760 --> 00:48:33,170

evidence so yeah I mean yeah if you ever

964

00:48:39,580 --> 00:48:36,770

so what Moline Melinda needs to do is

965

00:48:42,550 --> 00:48:39,590

publish a book or some kind of website

966

00:48:44,320 --> 00:48:42,560

with all of her photos yeah because the

967

00:48:46,870 --> 00:48:44,330

photos of the markings from her

968

00:48:49,150 --> 00:48:46,880

abductions and and being able to just

969

00:48:51,280 --> 00:48:49,160

like hear witness testimony like her her

970

00:48:53,820 --> 00:48:51,290

roommates and and yeah like things like

971

00:48:57,700 --> 00:48:53,830

that I mean it would be great her

972

00:49:01,090 --> 00:48:57,710

documentation on the the aviary group is

973

00:49:03,670 --> 00:49:01,100

is proof enough I mean like that's

974

00:49:05,530 --> 00:49:03,680

that's some documentation yeah like

975

00:49:08,260 --> 00:49:05,540

there's some stuff out there there's

976

00:49:09,910 --> 00:49:08,270

connections between people and their

977

00:49:11,500 --> 00:49:09,920

organization and and you know she's got

978

00:49:12,970 --> 00:49:11,510

documents to prove that this person

979

00:49:15,040 --> 00:49:12,980

worked for that company and all that I

980

00:49:16,750 --> 00:49:15,050

don't know maybe yeah maybe there's some

981

00:49:18,550 --> 00:49:16,760

stuff out there that and you know if

982

00:49:21,700 --> 00:49:18,560

you're ever in a situation where you are

983

00:49:25,300 --> 00:49:21,710

talking to some random high-ranking you

984

00:49:27,910 --> 00:49:25,310

know official who is doing you know

985

00:49:29,560 --> 00:49:27,920

who's doing this stuff right yeah and

986

00:49:31,960 --> 00:49:29,570

you're just chit-chatting with them yeah

987

00:49:32,950 --> 00:49:31,970

it's hard to get evidence at that point

988

00:49:34,960 --> 00:49:32,960

you know what I'm saying I mean you're

989

00:49:37,060 --> 00:49:34,970

not like oh hold on let me take my phone

990

00:49:39,400 --> 00:49:37,070

out and record this right oh yeah and

991

00:49:41,920 --> 00:49:39,410

all this stuff you know happened way

992

00:49:45,130 --> 00:49:41,930

before you know cell phones could like

993

00:49:47,920 --> 00:49:45,140

record [h__h] oh that's our story so yeah

994

00:49:49,510 --> 00:49:47,930

you know it's it that that is difficult

995

00:49:50,660 --> 00:49:49,520

yeah the stuff that you've researched

996

00:49:54,440 --> 00:49:50,670

and found

997

00:49:56,960 --> 00:49:54,450

you know I mean I you know she'll show

998

00:49:59,210 --> 00:49:56,970

it to you yeah if you're there yeah well

999

00:50:05,270 --> 00:49:59,220

also like there's there's the fact about

1000

00:50:07,850 --> 00:50:05,280

this specific genre of research that you

1001
00:50:11,300 --> 00:50:07,860
have already you apology field there's

1002
00:50:13,730 --> 00:50:11,310
so much of it that is sensitive like to

1003
00:50:15,140 --> 00:50:13,740
national security right like so you

1004
00:50:17,330 --> 00:50:15,150
could get in trouble if you said the

1005
00:50:20,380 --> 00:50:17,340
wrong thing or yeah or whatever or you

1006
00:50:22,700 --> 00:50:20,390
could be philip snyder or you know like

1007
00:50:24,830 --> 00:50:22,710
murdered for saying something publicly

1008
00:50:27,830 --> 00:50:24,840
so people do have to be careful about

1009
00:50:33,170 --> 00:50:27,840
their sources and showing specific

1010
00:50:36,590 --> 00:50:33,180
documents of proof yeah I mean Dave

1011
00:50:38,960 --> 00:50:36,600
Greer dr. Greer he's only one of the

1012
00:50:40,790 --> 00:50:38,970
only ones now that is able to show like

1013
00:50:42,590 --> 00:50:40,800

documents and stuff because he's he's

1014

00:50:44,420 --> 00:50:42,600

protected I mean let's be honest right I

1015

00:50:46,720 --> 00:50:44,430

mean I don't know that for a fact but I

1016

00:50:49,460 --> 00:50:46,730

feel like he's kind of protected now

1017

00:50:51,020 --> 00:50:49,470

he's able to show certain documents and

1018

00:50:53,480 --> 00:50:51,030

talk about certain people and give the

1019

00:50:54,980 --> 00:50:53,490

names away to certain you know inside

1020

00:50:58,850 --> 00:50:54,990

people I'm not saying everything he says

1021

00:51:01,160 --> 00:50:58,860

it's true I was gonna say you know like

1022

00:51:03,860 --> 00:51:01,170

you think maybe the reason he has this

1023

00:51:05,930 --> 00:51:03,870

protection now is because maybe he's a

1024

00:51:08,210 --> 00:51:05,940

disinformation agent it could be

1025

00:51:09,890 --> 00:51:08,220

disinformation a little bit you know or

1026

00:51:11,540 --> 00:51:09,900

misinformation I can't remember the

1027

00:51:14,660 --> 00:51:11,550

distinction between the two but yeah

1028

00:51:18,380 --> 00:51:14,670

yeah yeah dude that's a good idea or

1029

00:51:20,870 --> 00:51:18,390

yeah it would make sense like the fact

1030

00:51:22,190 --> 00:51:20,880

that he's able to say names and present

1031

00:51:24,920 --> 00:51:22,200

documents yeah it could be because

1032

00:51:27,050 --> 00:51:24,930

people like the government wants him to

1033

00:51:28,790 --> 00:51:27,060

do that you can say names you can talk

1034

00:51:31,070 --> 00:51:28,800

about documents you can talk about

1035

00:51:33,650 --> 00:51:31,080

certain technologies and stuff but you

1036

00:51:34,850 --> 00:51:33,660

have to add this piece in AHA right so

1037

00:51:36,290 --> 00:51:34,860

you're like oh [h__\h] look at all this

1038

00:51:38,420 --> 00:51:36,300

stuff but then it's like there's just

1039

00:51:40,850 --> 00:51:38,430

one like a little kernel of [h__h] and

1040

00:51:42,740 --> 00:51:40,860

you're like oh that's cool yeah but you

1041

00:51:49,070 --> 00:51:42,750

don't realize it mm-hmm you know and

1042

00:51:51,160 --> 00:51:49,080

then it decreases if a skeptic were to

1043

00:51:54,260 --> 00:51:51,170

go through and find that one kernel of

1044

00:51:56,210 --> 00:51:54,270

disinformation now they have the ammo to

1045

00:51:59,120 --> 00:51:56,220

discredit everything you said about that

1046

00:52:01,340 --> 00:51:59,130

yeah so man it's it's I think it's all

1047

00:52:01,890 --> 00:52:01,350

by design I mean going back to what

1048

00:52:03,930 --> 00:52:01,900

Melinda

1049

00:52:06,510 --> 00:52:03,940

Melina's told us about the aviary group

1050

00:52:08,970 --> 00:52:06,520

you know in general like yeah dude

1051

00:52:10,769 --> 00:52:08,980

that's that's part of their plan like

1052

00:52:12,990 --> 00:52:10,779

there are people being paid by the

1053

00:52:18,650 --> 00:52:13,000

government to put disobey manipulate the

1054

00:52:25,109 --> 00:52:23,099

I met Steven gray oh my god I took

1055

00:52:27,480 --> 00:52:25,119

pictures which is really important

1056

00:52:28,799 --> 00:52:27,490

because like nobody ever gets pictures

1057

00:52:33,329 --> 00:52:28,809

of the same and grab Lee he took a

1058

00:52:35,579 --> 00:52:33,339

picture with me nah I'm pretty famous

1059

00:52:39,180 --> 00:52:35,589

remember that conversation that was so

1060

00:52:40,950 --> 00:52:39,190

strange is strange yeah I think out of

1061

00:52:43,289 --> 00:52:40,960

all of our encounters that was my least

1062

00:52:45,450 --> 00:52:43,299

favorite conversation we've ever had

1063

00:52:48,500 --> 00:52:45,460

yeah Porter I mean maybe she got nervous

1064

00:52:51,539 --> 00:52:48,510

and didn't know what to talk about but

1065

00:52:54,450 --> 00:52:51,549

nervous but she was confident she was

1066

00:52:56,730 --> 00:52:54,460

peacocking all night bro she was uh she

1067

00:53:00,029 --> 00:52:56,740

was pretty confident and and and how she

1068

00:53:01,799 --> 00:53:00,039

went about because she was like hey so

1069

00:53:04,859 --> 00:53:01,809

who are you guys like she wanted to know

1070

00:53:06,329 --> 00:53:04,869

what our status was basically the the

1071

00:53:08,700 --> 00:53:06,339

questions that she said I don't know

1072

00:53:10,470 --> 00:53:08,710

word for word but yeah I think you're

1073

00:53:11,910 --> 00:53:10,480

right in that aspect but well I'm just

1074

00:53:13,109 --> 00:53:11,920

trying to give a benefit of the doubt I

1075

00:53:15,349 --> 00:53:13,119

don't know

1076

00:53:18,750 --> 00:53:15,359

we'll even know who that person was I

1077

00:53:20,039 --> 00:53:18,760

mean I can't remember she's gonna be mad

1078

00:53:23,700 --> 00:53:20,049

as years you say that and you'll be

1079

00:53:30,839 --> 00:53:23,710

pissed what does she's like a big time

1080

00:53:33,890 --> 00:53:30,849

listener you don't know who you are and

1081

00:53:35,910 --> 00:53:33,900

if and if she does know who she is then

1082

00:53:39,450 --> 00:53:35,920

find a better way to approach people

1083

00:53:39,779 --> 00:53:39,460

because that is not to let it do all

1084

00:53:42,779 --> 00:53:39,789

right

1085

00:53:45,240 --> 00:53:42,789

oh dude this is uh this is a longtime

1086

00:53:48,569 --> 00:53:45,250

favorite literally one of the most loved

1087

00:53:54,150 --> 00:53:48,579

and most hated episode episodes of all

1088

00:53:56,220 --> 00:53:54,160

time any time I tell people like their

1089

00:53:57,900 --> 00:53:56,230

they find out that I have a podcast I'm

1090

00:53:59,250 --> 00:53:57,910

like okay well what are you into your

1091

00:54:00,839 --> 00:53:59,260

you into something serious you want to

1092

00:54:02,940 --> 00:54:00,849

know something about UFOs or like a

1093

00:54:05,339 --> 00:54:02,950

listen to a story what's your vibe you

1094

00:54:07,410 --> 00:54:05,349

want to have we make funny stuff wit

1095

00:54:10,140 --> 00:54:07,420

word you know we try to make it like

1096

00:54:13,620 --> 00:54:10,150

hilarious I always regardless I say

1097

00:54:14,789 --> 00:54:13,630

episode 29 regardless of their answer

1098

00:54:15,390 --> 00:54:14,799

I'm like yeah you should probably listen

1099

00:54:16,980 --> 00:54:15,400

to episode

1100

00:54:19,230 --> 00:54:16,990

because it's got everything it's got the

1101
00:54:24,109 --> 00:54:19,240
actual story but it's also got a lot of

1102
00:54:26,819 --> 00:54:24,119
[h__\h] lot of goofy stuff all right

1103
00:54:30,539 --> 00:54:26,829
ladies and gentlemen your folklores

1104
00:54:35,880 --> 00:54:30,549
podcast % episode 29 the Chris Bledsoe

1105
00:54:39,059 --> 00:54:35,890
story and the truck hi here we go you

1106
00:54:40,319 --> 00:54:39,069
know started building houses pretty damn

1107
00:54:44,069 --> 00:54:40,329
successful at it

1108
00:54:46,349 --> 00:54:44,079
it sounds like like won awards and [h__\h]

1109
00:54:48,269 --> 00:54:46,359
yeah they were they were doing brutal

1110
00:54:51,420 --> 00:54:48,279
house award you know they were they were

1111
00:54:55,460 --> 00:54:51,430
doing really well and Chris ended up

1112
00:54:58,380 --> 00:54:55,470
getting give you a peoples in health

1113
00:55:02,160 --> 00:54:58,390

what is this a house for ads look at

1114

00:55:04,200 --> 00:55:02,170

living this golden era yeah ended up

1115

00:55:06,720 --> 00:55:04,210

getting like Crohn's disease Wow I

1116

00:55:09,150 --> 00:55:06,730

believe and you know you said that you

1117

00:55:11,339 --> 00:55:09,160

know it were just days where he couldn't

1118

00:55:13,740 --> 00:55:11,349

even get out of bed so it was really

1119

00:55:15,180 --> 00:55:13,750

messing with the business a lot you know

1120

00:55:16,890 --> 00:55:15,190

and it was a lot for his you know his

1121

00:55:21,450 --> 00:55:16,900

wife to be able to handle on stuff like

1122

00:55:23,910 --> 00:55:21,460

that so they ended up you know losing

1123

00:55:26,700 --> 00:55:23,920

the business you know losing everything

1124

00:55:27,829 --> 00:55:26,710

like didn't he sell it or yeah but he

1125

00:55:29,670 --> 00:55:27,839

would that but they weren't able to

1126

00:55:32,519 --> 00:55:29,680

continue all right because he couldn't

1127

00:55:36,240 --> 00:55:32,529

right yeah so I guess where the story

1128

00:55:39,750 --> 00:55:36,250

kind of starts is is after I guess one

1129

00:55:41,490 --> 00:55:39,760

of these like final builds three of the

1130

00:55:44,370 --> 00:55:41,500

guys wanted to celebrate because they

1131

00:55:48,180 --> 00:55:44,380

had just finished up with this build and

1132

00:55:51,329 --> 00:55:48,190

this is the the the river story yeah

1133

00:56:03,289 --> 00:55:51,339

part one and so you know these three

1134

00:56:06,809 --> 00:56:06,029

another moment here we go you know we

1135

00:56:09,359 --> 00:56:06,819

want to go fishing

1136

00:56:11,130 --> 00:56:09,369

down by the river or whatever he had a

1137

00:56:13,380 --> 00:56:11,140

truck that was able to make it down

1138

00:56:16,799 --> 00:56:13,390

there and he says that that's maybe why

1139

00:56:20,130 --> 00:56:16,809

they did why they asked him to go now

1140

00:56:28,870 --> 00:56:20,140

this was a really nice truck

1141

00:56:30,160 --> 00:56:28,880

before y'all come on down yeah I'll tell

1142

00:56:33,520 --> 00:56:30,170

you what I'll just give you the damn

1143

00:56:35,260 --> 00:56:33,530

truck [h__h] it so they end up taking this

1144

00:56:39,280 --> 00:56:35,270

this truck

1145

00:56:41,980 --> 00:56:39,290

I don't down to the river you know and

1146

00:56:45,070 --> 00:56:41,990

Chris Chris is kind of like set zero

1147

00:56:47,320 --> 00:56:45,080

tire zero windows zero or zero money

1148

00:56:50,530 --> 00:56:47,330

down you get this [h__h] just come get

1149

00:56:54,040 --> 00:56:50,540

it dammit oh you piece of [h__h] coming

1150

00:56:56,680 --> 00:56:54,050

this trip I'm in a pickle you can drive

1151
00:56:59,590 --> 00:56:56,690
for a piece of [h__h] I do Scott elder

1152
00:57:01,210 --> 00:56:59,600
shut up bro he's just yelling it he's

1153
00:57:05,140 --> 00:57:01,220
just yelling at everybody on the radio

1154
00:57:09,700 --> 00:57:05,150
oh is your credit spooky yelling the

1155
00:57:11,859 --> 00:57:09,710
whole time I'm doing this but it's so

1156
00:57:12,760 --> 00:57:11,869
this is a local car dealer guys if you

1157
00:57:14,590 --> 00:57:12,770
get a chance

1158
00:57:16,300 --> 00:57:14,600
Scott elder look up Scott Albert he's

1159
00:57:18,040 --> 00:57:16,310
probably in a really nice guy hello dude

1160
00:57:19,030 --> 00:57:18,050
I'm sure he's like a super nice dude

1161
00:57:21,130 --> 00:57:19,040
yeah probably

1162
00:57:23,800 --> 00:57:21,140
dude he's since this episode I'm not

1163
00:57:25,870 --> 00:57:23,810

saying it was us but he has done he's

1164

00:57:27,849 --> 00:57:25,880

done every commercial he's not yelling

1165

00:57:29,170 --> 00:57:27,859

anyone I know yeah I think you had

1166

00:57:30,400 --> 00:57:29,180

brought it brought this up and we've

1167

00:57:32,530 --> 00:57:30,410

talked about it on a previous episode

1168

00:57:35,980 --> 00:57:32,540

but yeah he doesn't yell anymore net

1169

00:57:40,030 --> 00:57:35,990

crazy dude I think he's I think he's

1170

00:57:41,830 --> 00:57:40,040

listening it might be maybe he can sell

1171

00:57:45,099 --> 00:57:41,840

us a badass 64 Impala

1172

00:57:46,150 --> 00:57:45,109

bro I'm happy also

1173

00:57:49,750 --> 00:57:46,160

I don't know if I've mentioned this

1174

00:57:52,330 --> 00:57:49,760

before but the show Supernatural yeah

1175

00:57:54,310 --> 00:57:52,340

they drive an Impala do they they drive

1176

00:57:57,270 --> 00:57:54,320

I don't know if it's a 64 but it's an

1177

00:58:02,290 --> 00:57:57,280

Impala dude best and it looks at home

1178

00:58:04,180 --> 00:58:02,300

looks dope like extremely thinkin of us

1179

00:58:06,400 --> 00:58:04,190

a good deal cuz we're mean we're

1180

00:58:07,510 --> 00:58:06,410

advertising him right yeah yeah he's big

1181

00:58:09,250 --> 00:58:07,520

in advertising well I mean if he's

1182

00:58:10,840 --> 00:58:09,260

giving cars away for a nickel dude why

1183

00:58:13,300 --> 00:58:10,850

if you sell the truck I will [h__h] bag

1184

00:58:14,630 --> 00:58:13,310

a damn truck from him but first you

1185

00:58:19,520 --> 00:58:14,640

gotta figure out what the API

1186

00:59:03,350 --> 00:58:19,530

[Laughter]

1187

00:59:06,330 --> 00:59:05,220

Junior junior

1188

00:59:08,490 --> 00:59:06,340

I mean is that kind of like a

1189

00:59:11,220 --> 00:59:08,500

narcissistic thing to name somebody else

1190

00:59:13,140 --> 00:59:11,230

like your own name like your kid whoa

1191

00:59:14,670 --> 00:59:13,150

dude that's like all right it's like

1192

00:59:19,230 --> 00:59:14,680

she'd have the best [h__h] name

1193

00:59:21,090 --> 00:59:19,240

possible maybe my name me it's like

1194

00:59:22,710 --> 00:59:21,100

we're not gonna call you your name I

1195

00:59:25,440 --> 00:59:22,720

mean I'm gonna call you Junior yeah

1196

00:59:31,770 --> 00:59:25,450

that's like some royalty King [h__h] mmm

1197

00:59:33,050 --> 00:59:31,780

yeah I guess so so so anyways dude you

1198

00:59:37,620 --> 00:59:33,060

down to the river

1199

00:59:38,850 --> 00:59:37,630

for the fourth time and they set up you

1200

00:59:41,490 --> 00:59:38,860

know they get everything set up they got

1201

01:00:04,700 --> 00:59:41,500

the fishing poles and increase at the

1202

01:00:11,460 --> 01:00:08,730

this is this is kind of unbearable but

1203

01:00:31,289 --> 01:00:11,470

hilarious oh the same time fridge slams

1204

01:00:40,390 --> 01:00:35,589

we're also not high for that I know what

1205

01:01:03,579 --> 01:00:40,400

here you say next things like that have

1206

01:01:09,180 --> 01:01:03,589

to do with trucks the country okay Chris

1207

01:01:11,549 --> 01:01:09,190

is sad right his business is gone right

1208

01:01:23,410 --> 01:01:11,559

sold the business he's still kind of

1209

01:01:25,930 --> 01:01:23,420

okay funny story okay okay

1210

01:01:34,800 --> 01:01:25,940

yeah Christmas truce is sad he's a

1211

01:01:34,810 --> 01:01:47,140

[Laughter]

1212

01:01:55,940 --> 01:01:51,710

dude what I'm gonna go to the woods

1213

01:01:57,500 --> 01:01:55,950

alright he's like he's like I'm not

1214

01:02:00,770 --> 01:01:57,510

feeling too good you guys keep fishing

1215

01:02:07,280 --> 01:02:00,780

and it's like near sundown right right

1216

01:02:09,109 --> 01:02:07,290

we composure so uh doing a rant it was

1217

01:02:11,480 --> 01:02:09,119

just that was just another one of those

1218

01:02:14,330 --> 01:02:11,490

times where I just couldn't I just get

1219

01:02:17,150 --> 01:02:14,340

like I get the giggles like we can't

1220

01:02:18,950 --> 01:02:17,160

help it man I really do man ah which is

1221

01:02:22,640 --> 01:02:18,960

good because it very rarely do I have

1222

01:02:25,910 --> 01:02:22,650

those genuine Oh laughs I know man but

1223

01:02:29,120 --> 01:02:25,920

you just cannot stop yeah it's so it's

1224

01:02:33,020 --> 01:02:29,130

so rare I know it guys so satisfying

1225

01:02:35,300 --> 01:02:33,030

I laugh every day like maybe 60% of them

1226
01:02:39,650 --> 01:02:35,310
are total [\h__\h] laughs yeah you know

1227
01:02:42,290 --> 01:02:39,660
I mean those genuine like gut I can't

1228
01:02:44,480 --> 01:02:42,300
breathe laughs yes I mean that's yeah

1229
01:02:46,790 --> 01:02:44,490
it's the best and what's fun is like

1230
01:02:49,609 --> 01:02:46,800
it's not just us laughing like when like

1231
01:02:51,500 --> 01:02:49,619
people comment or like tell us like do

1232
01:02:53,180 --> 01:02:51,510
when you all are laughing like that they

1233
01:02:56,450 --> 01:02:53,190
people have to stop it sometimes

1234
01:02:59,120 --> 01:02:56,460
somebody [\h__\h] positive about to piss

1235
01:03:01,310 --> 01:02:59,130
my pants yes dude I had that's that's

1236
01:03:02,900 --> 01:03:01,320
that's definitely like at least there's

1237
01:03:06,520 --> 01:03:02,910
one person out there that thinks that

1238
01:03:11,720 --> 01:03:09,800

yeah that was a good one yeah I don't

1239

01:03:15,170 --> 01:03:11,730

laugh like that to all actually I

1240

01:03:18,080 --> 01:03:15,180

laughed like that yesterday um Amanda

1241

01:03:20,480 --> 01:03:18,090

was like oh my god you're gonna love

1242

01:03:24,140 --> 01:03:20,490

your Father's Day gift I can't wait to

1243

01:03:27,410 --> 01:03:24,150

show you I was like what is it she was

1244

01:03:29,270 --> 01:03:27,420

like I'm not telling you I'll give you a

1245

01:03:32,210 --> 01:03:29,280

hundred guesses and you'll never guess

1246

01:03:36,020 --> 01:03:32,220

it I was like are you gonna take me

1247

01:03:44,690 --> 01:03:36,030

along her cavern looked at me and then

1248

01:03:46,730 --> 01:03:44,700

she was like no yeah so yeah

1249

01:03:48,230 --> 01:03:46,740

so wait did you did you go is it

1250

01:03:50,359 --> 01:03:48,240

Father's Day yet no it's like this

1251

01:03:52,250 --> 01:03:50,369

Sunday oh so you haven't been to haven't

1252

01:03:54,349 --> 01:03:52,260

been yeah I've heard of that is they in

1253

01:03:56,059 --> 01:03:54,359

like burn it okay okay

1254

01:03:58,489 --> 01:03:56,069

where's birth

1255

01:04:01,430 --> 01:03:58,499

burn it or Bartlett one of the so it's

1256

01:04:03,079 --> 01:04:01,440

East yeah yeah do you long have you been

1257

01:04:05,120 --> 01:04:03,089

to inner space Catherine yeah I have

1258

01:04:07,370 --> 01:04:05,130

that is dope so if it's if anything like

1259

01:04:10,309 --> 01:04:07,380

that it's like three times bigger

1260

01:04:12,410 --> 01:04:10,319

oh yeah it's pretty bad assets and they

1261

01:04:14,089 --> 01:04:12,420

have like a so you can buy like a

1262

01:04:16,099 --> 01:04:14,099

regular ticket to just go walk through

1263

01:04:18,130 --> 01:04:16,109

the cavern yeah but they also have an

1264

01:04:20,660 --> 01:04:18,140

advance ticket that you can buy yeah and

1265

01:04:24,229 --> 01:04:20,670

they'll take you like climbing through

1266

01:04:26,539 --> 01:04:24,239

the cave like a guided yeah dude that's

1267

01:04:28,400 --> 01:04:26,549

dumb yeah so we're gonna do the regular

1268

01:04:30,680 --> 01:04:28,410

one first yeah and then we're gonna do

1269

01:04:34,309 --> 01:04:30,690

the advanced one later it's gonna be

1270

01:04:35,870 --> 01:04:34,319

cool that's so cool my favorite part of

1271

01:04:38,539 --> 01:04:35,880

interspace caverns is when they turn the

1272

01:04:41,989 --> 01:04:38,549

lights out hell yeah it's like darker

1273

01:04:43,579 --> 01:04:41,999

than dark dark deep dark black dark dude

1274

01:04:47,719 --> 01:04:43,589

I got it story

1275

01:04:51,859 --> 01:04:47,729

no light so we go to interspace caverns

1276

01:04:53,749 --> 01:04:51,869

yeah right yeah we're getting to the

1277

01:04:57,920 --> 01:04:53,759

part of the tour where they turn the

1278

01:05:01,009 --> 01:04:57,930

light and then you go oh that you better

1279

01:05:03,589 --> 01:05:01,019

almost so you really alright cut the

1280

01:05:05,509 --> 01:05:03,599

lights the lights turn off everybody's

1281

01:05:08,089 --> 01:05:05,519

like oh it's dark in here

1282

01:05:10,099 --> 01:05:08,099

yeah like maybe four seconds go by and

1283

01:05:12,829 --> 01:05:10,109

also you see this bright ass flash I

1284

01:05:19,160 --> 01:05:12,839

don't know where my mom [h__h] takes a

1285

01:05:20,359 --> 01:05:19,170

picture everybody was blinded [h__h] they

1286

01:05:23,109 --> 01:05:20,369

were like what were you doing she was

1287

01:05:25,910 --> 01:05:23,119

like I wanted to see what it looked like

1288

01:05:28,309 --> 01:05:25,920

it looks how it looks when you turn the

1289

01:05:30,259 --> 01:05:28,319

lights on I wanted to take a picture of

1290

01:05:35,359 --> 01:05:30,269

the dark but I didn't realize it the

1291

01:05:37,359 --> 01:05:35,369

flash that sounds like it did alright

1292

01:05:42,049 --> 01:05:37,369

that's something my mom would do to you

1293

01:05:44,779 --> 01:05:42,059

the dark it's [h__h] dark close your

1294

01:05:45,559 --> 01:05:44,789

eyes that's what it looked like that is

1295

01:05:49,370 --> 01:05:45,569

hilarious

1296

01:05:52,880 --> 01:05:49,380

yeah dude so I wanted to see what it

1297

01:05:54,559 --> 01:05:52,890

would look like in the top so I'm trying

1298

01:05:59,269 --> 01:05:54,569

to take a picture of the dark I'm sorry

1299

01:06:04,189 --> 01:05:59,279

I didn't realize my flashes on a picture

1300

01:06:08,180 --> 01:06:04,199

of the dark yeah all right moving on

1301

01:06:08,700 --> 01:06:08,190

dude I have to pee so bad go for it you

1302

01:06:12,420 --> 01:06:08,710

okay

1303

01:06:14,250 --> 01:06:12,430

cool sounds good yeah well I hope you

1304

01:06:15,660 --> 01:06:14,260

guys are enjoying this so far man I mean

1305

01:06:17,250 --> 01:06:15,670

we're having a pretty good time here we

1306

01:06:19,950 --> 01:06:17,260

got a couple more left that we're gonna

1307

01:06:23,180 --> 01:06:19,960

1321

01:07:00,480 --> 01:06:57,760

we're gonna do like a little segment I

1322

01:07:02,460 --> 01:07:00,490

think soon where we kind of compile all

1323

01:07:03,990 --> 01:07:02,470

these little stories that we've received

1324

01:07:05,730 --> 01:07:04,000

and we're gonna we're gonna talk about

1325

01:07:08,609 --> 01:07:05,740

them on the show so I think that would

1326

01:07:13,410 --> 01:07:08,619

be pretty cool but you know definitely

1327

01:07:15,180 --> 01:07:13,420

pretty cool shirts we got socks with our

1330

01:07:24,000 --> 01:07:20,740

faces on that are pretty sweet I got a

1331

01:07:27,240 --> 01:07:24,010

pair when I put them on my face gets

1332

01:07:29,160 --> 01:07:27,250

really wide and I look funny and so it's

1333

01:07:31,950 --> 01:07:29,170

funny to wear them so yeah they're

1334

01:07:33,870 --> 01:07:31,960

pretty cool but yeah guys I mean it's

1335

01:07:35,910 --> 01:07:33,880

1341

01:07:55,859 --> 01:07:49,210

1349

01:08:25,020 --> 01:08:22,060

1352

01:08:36,090 --> 01:08:30,550

let me I got it out of it okay another

1353

01:08:40,050 --> 01:08:36,100

beer dope dude what did you did you say

1354

01:08:44,360 --> 01:08:40,060

anything about the documentary no well

1355

01:08:48,030 --> 01:08:44,370

now that we have you a pure attention

1356

01:08:49,980 --> 01:08:48,040

the the Eric Mitchell story it's it's

1357

01:08:51,630 --> 01:08:49,990

time the Eric Eric Mitchell story is a

1358

01:08:53,640 --> 01:08:51,640

documentary that me and Joe are putting

1359

01:08:55,200 --> 01:08:53,650

together we've got a trailer on our

1360

01:08:57,360 --> 01:08:55,210

YouTube channel it's a teaser trailer

1361

01:09:00,840 --> 01:08:57,370

check it out we've got a website as well

1362

01:09:02,910 --> 01:09:00,850

it's called it's time doc calm if you

1363

01:09:04,190 --> 01:09:02,920

want to check out the website donate to

1364

01:09:07,280 --> 01:09:04,200

the cause it's gonna help us with

1365

01:09:09,540 --> 01:09:07,290

cameras and equipment and travel stuff

1366

01:09:11,400 --> 01:09:09,550

it's really gonna help us like actually

1367

01:09:14,280 --> 01:09:11,410

make this documentary Eric Mitchell

1368

01:09:15,360 --> 01:09:14,290

story is frickin it's one of our

1369

01:09:17,340 --> 01:09:15,370

favorite stories that we've come across

1370

01:09:19,260 --> 01:09:17,350

I think there's a reason why we haven't

1371

01:09:21,599 --> 01:09:19,270

haven't like on a full-time episode

1372

01:09:23,099 --> 01:09:21,609

because it's like man why not just do it

1373

01:09:26,040 --> 01:09:23,109

on the documentary why not wait yeah

1374

01:09:27,450 --> 01:09:26,050

yeah but I guess maybe when we have some

1375

01:09:28,890 --> 01:09:27,460

footage under our belt we'll get them on

1376

01:09:31,710 --> 01:09:28,900

the podcast oh yeah definitely

1377

01:09:34,099 --> 01:09:31,720

mode it all that good stuff but yeah if

1378

01:09:36,260 --> 01:09:34,109

you guys can definitely help us out

1379

01:09:39,840 --> 01:09:36,270

we're gonna make the documentary

1380

01:09:42,180 --> 01:09:39,850

regardless yeah um but you know every

1381

01:09:44,910 --> 01:09:42,190

extra a little bit definitely helps man

1382

01:09:47,309 --> 01:09:44,920

and then whenever you see the

1383

01:09:50,550 --> 01:09:47,319

documentary I mean you can say hey I

1384

01:09:52,349 --> 01:09:50,560

helped put that together oh and also I

1385

01:09:54,960 --> 01:09:52,359

think we should put whoever donates

1386

01:09:56,580 --> 01:09:54,970

their name in the credits yeah that

1387

01:09:58,650 --> 01:09:56,590

would be at the end of the documentary

1388

01:10:01,620 --> 01:09:58,660

definitely definitely get your name in

1389

01:10:03,200 --> 01:10:01,630

the credits yeah and also if we have

1390

01:10:07,110 --> 01:10:03,210

different tiers that you can donate to

1391

01:10:09,210 --> 01:10:07,120

one of the tiers if you donate you know

1392

01:10:10,620 --> 01:10:09,220

you're gonna get you're gonna get a

1393

01:10:14,640 --> 01:10:10,630

monthly update you're gonna get a

1394

01:10:16,980 --> 01:10:14,650

t-shirt you're gonna get a link to view

1395

01:10:19,050 --> 01:10:16,990

the documentary before it comes out yeah

1396

01:10:21,390 --> 01:10:19,060

and you'll get a twenty minute Skype

1397

01:10:24,120 --> 01:10:21,400

session with Eric Mitchell a little Q&A

1398

01:10:26,730 --> 01:10:24,130

you can talk to them ask him whatever

1399

01:10:29,010 --> 01:10:26,740

you want to and I think it's gonna be

1400

01:10:30,660 --> 01:10:29,020

really cool I think it'll blow your mind

1401

01:10:33,000 --> 01:10:30,670

if you ask them a few questions

1402

01:10:34,540 --> 01:10:33,010

blows mine every single time I talk to

1403

01:10:37,870 --> 01:10:34,550

him yeah so yeah yeah

1404

01:10:39,610 --> 01:10:37,880

definitely meant blows my mind every

1405

01:10:41,920 --> 01:10:39,620

single time he's got something new to

1406

01:10:45,030 --> 01:10:41,930

tell every time yeah I'm interested in

1407

01:10:47,650 --> 01:10:45,040

like the the insider information and

1408

01:10:49,900 --> 01:10:47,660

some of the stuff that he's said already

1409

01:10:53,140 --> 01:10:49,910

like bhakti can we put that in the talk

1410

01:10:55,240 --> 01:10:53,150

of interview yeah it's kind of the whole

1411

01:10:57,700 --> 01:10:55,250

point that's the whole point it's time

1412

01:11:00,850 --> 01:10:57,710

yeah this is the story

1413

01:11:02,650 --> 01:11:00,860

yeah lots of insider information and no

1414

01:11:06,580 --> 01:11:02,660

more [h__h] time to just put it out

1415

01:11:08,440 --> 01:11:06,590

yeah so that's his goal and we want to

1416

01:11:11,080 --> 01:11:08,450

help him with his goal I'm an absolutely

1417

01:11:13,090 --> 01:11:11,090

it's time dot-com if you guys want to

1418

01:11:14,590 --> 01:11:13,100

help out that'd be awesome

1419

01:11:17,320 --> 01:11:14,600

awesome that'd be jumping all right back

1420

01:11:18,910 --> 01:11:17,330

to the our favorite moments of the

1421

1450

01:12:50,770 --> 01:12:47,750

whoa dude

1451

01:12:53,770 --> 01:12:50,780

Gary I got it I gotta know you know just

1452

01:12:58,090 --> 01:12:53,780

out of my own curiosity how did you hear

1453

01:13:01,000 --> 01:12:58,100

about the show man to be dead honest

1454

01:13:03,010 --> 01:13:01,010

with you by accident because I was uh I

1455

01:13:05,620 --> 01:13:03,020

was looking I was looking at cuz I'll be

1456

01:13:09,250 --> 01:13:05,630

honest with you have my my knowledge on

1457

01:13:11,500 --> 01:13:09,260

the UFO ology is well lacking because

1458

01:13:14,050 --> 01:13:11,510

you know I just had this thing that

1459

01:13:15,940 --> 01:13:14,060

happened to me but all it's been is as a

1460

01:13:17,860 --> 01:13:15,950

as a hey let's have some beers and then

1461

01:13:26,980 --> 01:13:17,870

you know four beers in let me tell you a

1462

01:13:31,390 --> 01:13:26,990

story starts man well so I was looking

1463

01:13:33,100 --> 01:13:31,400

for UFO podcasts on and you guys came up

1464

01:13:35,440 --> 01:13:33,110

so I was like alright listen these guys

1465

01:13:40,930 --> 01:13:35,450

look like and then I was like oh my god

1466

01:13:44,950 --> 01:13:40,940

these guys are yeah well that's awesome

1467

01:13:48,160 --> 01:13:44,960

I'm glad that dead you know you enjoy

1468

01:13:50,050 --> 01:13:48,170

the podcast man I mean you know we we

1469

01:13:51,490 --> 01:13:50,060

started this all out you know we were

1470

01:13:52,630 --> 01:13:51,500

talking about this right before we

1471

01:13:55,000 --> 01:13:52,640

started the show you know you're like

1472

01:13:56,950 --> 01:13:55,010

man hey maybe we could maybe we can get

1473

01:13:58,510 --> 01:13:56,960

our neighbor on or something crazy like

1474

01:14:01,330 --> 01:13:58,520

that like when we first started the show

1475

01:14:02,710 --> 01:14:01,340

now it's like oh okay cool now it kind

1476

01:14:06,670 --> 01:14:02,720

of look at where we are now we're you

1477

01:14:09,550 --> 01:14:06,680

know talking to legit people that we're

1478

01:14:12,220 --> 01:14:09,560

in the u.s. maybe like what yeah exactly

1479

01:14:14,860 --> 01:14:12,230

man exactly so I mean you know we're

1480

01:14:16,750 --> 01:14:14,870

pretty stoked about it make sure are you

1481

01:14:17,920 --> 01:14:16,760

guys listening make sure if you if you

1482

01:14:19,980 --> 01:14:17,930

check it out our I Heart Radio or

1483

01:14:22,270 --> 01:14:19,990

YouTube or anything like that man

1484

01:14:25,240 --> 01:14:22,280

you know click the subscribe button and

1485

01:14:27,100 --> 01:14:25,250

give us a thumbs up you know it makes it

1486

01:14:32,470 --> 01:14:27,110

easier for people like Gary to find the

1487

01:14:38,980 --> 01:14:32,480

show well I blasted it across my Twitter

1488

01:14:40,750 --> 01:14:38,990

and my facebook today so yeah yeah that

1489

01:14:44,380 --> 01:14:40,760

was a great one dude I loved having Gary

1490

01:14:47,590 --> 01:14:44,390

and PJ on yeah they were great man I

1491

01:14:49,270 --> 01:14:47,600

mean their story is is phenomenal yeah I

1492

01:14:51,460 --> 01:14:49,280

mean we learned a lot of cool stuff like

1493

01:14:53,740 --> 01:14:51,470

one of my favorite parts was he's like

1494

01:14:56,620 --> 01:14:53,750

yeah those Air Force guys came and

1495

01:14:58,420 --> 01:14:56,630

ownership took all of our stuff and left

1496

01:15:01,130 --> 01:14:58,430

yeah and he said like they were they

1497

01:15:05,060 --> 01:15:01,140

were dressed and just like normal normal

1498

01:15:08,660 --> 01:15:05,070

you know to bastards and khakis do you

1499

01:15:11,270 --> 01:15:08,670

get a windbreaker on and khakis man and

1500

01:15:13,580 --> 01:15:11,280

it's it's such a famous event now

1501
01:15:15,890 --> 01:15:13,590
because of you know to the stars and all

1502
01:15:17,420 --> 01:15:15,900
that and man it's just it's really

1503
01:15:19,250 --> 01:15:17,430
freaking cool that we actually got to

1504
01:15:22,670 --> 01:15:19,260
talk to somebody that was there that day

1505
01:15:26,240 --> 01:15:22,680
he was a fire fire safety control man I

1506
01:15:27,320 --> 01:15:26,250
mean yeah the the radar stuff he's

1507
01:15:31,550 --> 01:15:27,330
talked to people that were eyewitnesses

1508
01:15:33,770 --> 01:15:31,560
that actually saw the craft man like his

1509
01:15:35,930 --> 01:15:33,780
whole story is and what's what's cool is

1510
01:15:37,430 --> 01:15:35,940
that he's got like that perspective

1511
01:15:39,470 --> 01:15:37,440
right like everybody's like for like

1512
01:15:42,740 --> 01:15:39,480
Priya give me somebody that has a

1513
01:15:44,960 --> 01:15:42,750

credible background like you know a lot

1514

01:15:46,970 --> 01:15:44,970

of our guests don't aren't military I

1515

01:15:48,830 --> 01:15:46,980

think he's like our only military person

1516

01:15:50,750 --> 01:15:48,840

so it was awesome to get that

1517

01:15:52,910 --> 01:15:50,760

perspective and yeah and I think for

1518

01:15:55,790 --> 01:15:52,920

people that are listening that that

1519

01:15:57,380 --> 01:15:55,800

don't really you know think that people

1520

01:15:59,630 --> 01:15:57,390

in the military are interested in this

1521

01:16:02,150 --> 01:15:59,640

topic I think it was a refreshing kind

1522

01:16:04,040 --> 01:16:02,160

of wake-up call like yeah they're just

1523

01:16:05,180 --> 01:16:04,050

people like you and I like yeah just

1524

01:16:06,590 --> 01:16:05,190

because you know the military doesn't

1525

01:16:09,110 --> 01:16:06,600

mean that everybody in the military is

1526

01:16:10,820 --> 01:16:09,120

trying to cover it up you know yeah

1527

01:16:12,500 --> 01:16:10,830

they're they're just as curious as you

1528

01:16:15,710 --> 01:16:12,510

and I are and that's that's why they

1529

01:16:19,910 --> 01:16:15,720

started the UI px and then the the URL

1530

01:16:21,410 --> 01:16:19,920

is you ap expedition org and you see on

1531

01:16:24,110 --> 01:16:21,420

the home page searching for

1532

01:16:26,870 --> 01:16:24,120

extraterrestrial life through techno

1533

01:16:30,080 --> 01:16:26,880

signatures and our skies so I mean like

1534

01:16:33,080 --> 01:16:30,090

Gary's like a you know like a technology

1535

01:16:34,520 --> 01:16:33,090

guy yeah so and he was telling me the

1536

01:16:36,500 --> 01:16:34,530

other day on the phone like they're his

1537

01:16:40,220 --> 01:16:36,510

team you know they they have a team of

1538

01:16:41,870 --> 01:16:40,230

people that are I mean they're they're

1539

01:16:43,520 --> 01:16:41,880

wanting to figure out the physics and

1540

01:16:46,040 --> 01:16:43,530

the science Gary's like going back to

1541

01:16:48,710 --> 01:16:46,050

school to like learn the physics and

1542

01:16:50,390 --> 01:16:48,720

learn like okay well he's seen it he was

1543

01:16:52,370 --> 01:16:50,400

inspired by seeing this thing you know

1544

01:16:53,780 --> 01:16:52,380

and now he's you know he's put this team

1545

01:16:55,190 --> 01:16:53,790

together that's that's really looking

1546

01:16:58,130 --> 01:16:55,200

into this stuff I mean it's it's pretty

1547

01:16:59,900 --> 01:16:58,140

new yeah some pretty heavy hitters in

1548

01:17:01,820 --> 01:16:59,910

there dude I'm yeah deep force odd yeah

1549

01:17:05,300 --> 01:17:01,830

deeper saw it's a part of it was awesome

1550

01:17:08,600 --> 01:17:05,310

it happens in there Gary Jason PJ I mean

1551
01:17:11,500 --> 01:17:08,610
all these people are pretty awesome do

1552
01:17:13,959 --> 01:17:11,510
their heavy hitters yeah I did

1553
01:17:17,770 --> 01:17:13,969
yeah he's telling me the guy that did

1554
01:17:21,399 --> 01:17:17,780
their logo aha he's the guy that that

1555
01:17:23,350 --> 01:17:21,409
designed or that does the Yoda statues

1556
01:17:25,689 --> 01:17:23,360
all over like you need time you see a

1557
01:17:26,950 --> 01:17:25,699
Yoda statue usually it's to him that

1558
01:17:28,689 --> 01:17:26,960
does the Yoda statue

1559
01:17:31,959 --> 01:17:28,699
no [h__h] yeah and that kind of cool it is

1560
01:17:33,220 --> 01:17:31,969
cool oh yeah that's pretty sweet yeah

1561
01:17:35,890 --> 01:17:33,230
he's got like a bunch of a bunch of

1562
01:17:37,689 --> 01:17:35,900
people on here so Preston he was at the

1563
01:17:39,609 --> 01:17:37,699

the UFO con

1564

01:17:43,060 --> 01:17:39,619

or alien con okay nice yeah it was a

1565

01:17:45,490 --> 01:17:43,070

guest speaker there sweet yeah

1566

01:17:47,950 --> 01:17:45,500

so yeah you guys want to check out more

1567

01:17:49,990 --> 01:17:47,960

on you AP expedition check it out it's

1568

01:17:51,970 --> 01:17:50,000

it's exciting stuff I mean they're

1569

01:17:54,520 --> 01:17:51,980

they're looking for funding but

1570

01:17:56,379 --> 01:17:54,530

everybody is you know everybody's doing

1571

01:17:59,620 --> 01:17:56,389

their own research and they're it's it's

1572

01:18:01,500 --> 01:17:59,630

fairly new so I'm not sure exactly what

1573

01:18:03,970 --> 01:18:01,510

exactly they're working on another there

1574

01:18:05,890 --> 01:18:03,980

they want to get some stuff up soon and

1575

01:18:06,399 --> 01:18:05,900

yeah I'm excited to see what happens

1576

01:18:08,979 --> 01:18:06,409

yeah me too

1577

01:18:09,700 --> 01:18:08,989

definitely excited to see that man it's

1578

01:18:11,799 --> 01:18:09,710

gonna be awesome

1579

01:18:14,649 --> 01:18:11,809

hey yeah if you haven't checked out

1580

01:18:16,450 --> 01:18:14,659

episode 30 with Gary Varghese definitely

1581

01:18:19,330 --> 01:18:16,460

check that out man I mean it's one of my

1582

01:18:20,620 --> 01:18:19,340

favorites for sure still yeah alright

1583

01:18:23,950 --> 01:18:20,630

next up on the list

1584

01:18:26,140 --> 01:18:23,960

Oh episode 31 so next one 31 hell yeah

1585

01:18:28,450 --> 01:18:26,150

dude hell you're too and new propulsion

1586

01:18:31,180 --> 01:18:28,460

technology oh you already know already

1587

01:18:33,700 --> 01:18:31,190

know you already know we need to talk to

1588

01:18:35,649 --> 01:18:33,710

you apx about this proposed technology

1589

01:18:37,509 --> 01:18:35,659

that's who we've thought about and see

1590

01:18:47,229 --> 01:18:37,519

if maybe we can get it you know on their

1591

01:18:50,609 --> 01:18:47,239

home screen new theory update yeah let's

1592

01:18:52,959 --> 01:18:50,619

play it enough to see some windows and

1593

01:18:55,209 --> 01:18:52,969

whatever's inside of these jacking off

1594

01:18:55,839 --> 01:18:55,219

inside dude that's what powers and yeah

1595

01:18:57,879 --> 01:18:55,849

yeah

1596

01:18:59,979 --> 01:18:57,889

the faster you check it out so wait

1597

01:19:02,020 --> 01:18:59,989

we're talking about orbs like light

1598

01:19:04,149 --> 01:19:02,030

words you're thinking and being able to

1599

01:19:13,990 --> 01:19:04,159

see like inside of the orb right that's

1600

01:19:16,560 --> 01:19:14,000

the context that's the context faster

1601

01:19:20,400 --> 01:19:16,570

you go see crack the case

1602

01:19:22,200 --> 01:19:20,410

we got it done podcast this is a lat up

1603

01:19:33,300 --> 01:19:22,210

last episode we figured it out figured

1604

01:19:35,370 --> 01:19:33,310

it out here Oh God good that's just like

1605

01:19:44,030 --> 01:19:35,380

it was like a chair in there there's a

1606

01:19:49,950 --> 01:19:46,770

theirs there's some propulsion going on

1607

01:19:51,600 --> 01:19:49,960

oh dude yeah maybe that's why they stay

1608

01:20:02,700 --> 01:19:51,610

stationary for so long and then finally

1609

01:20:03,780 --> 01:20:02,710

they just zip off stationary they're

1610

01:20:09,680 --> 01:20:03,790

trying to concentrate

1611

01:20:15,360 --> 01:20:09,690

yeah dude uh kind of concentrate shh shh

1612

01:20:20,040 --> 01:20:15,370

okay it starts blinking like powering up

1613

01:20:23,700 --> 01:20:20,050

the closer you get what if every every

1614

01:20:26,130 --> 01:20:23,710

time somebody is masturbating and go

1615

01:20:27,650 --> 01:20:26,140

that's what is actually the UFO

1616

01:20:30,450 --> 01:20:27,660

phenomenon it creates this like

1617

01:20:34,500 --> 01:20:30,460

multi-dimensional energy do it this

1618

01:20:35,940 --> 01:20:34,510

little this little thing pops up yep and

1619

01:20:37,650 --> 01:20:35,950

then that's what happens when you orgasm

1620

01:20:39,300 --> 01:20:37,660

and that's why there's so many sightings

1621

01:20:43,880 --> 01:20:39,310

happening now because with the birth of

1622

01:20:47,310 --> 01:20:43,890

the internet so use it a masturbate yes

1623

01:20:49,800 --> 01:20:47,320

just figured it freakin out man well we

1624

01:20:52,710 --> 01:20:49,810

go to UFO Con we go we're gonna tell

1625

01:20:54,570 --> 01:20:52,720

everybody this is great the case yeah I

1626
01:20:57,300 --> 01:20:54,580
mean this is about about telling people

1627
01:20:58,590 --> 01:20:57,310
our theories right and this is this is

1628
01:20:59,970 --> 01:20:58,600
about you know we're all speculating

1629
01:21:02,250 --> 01:20:59,980
here exactly

1630
01:21:04,860 --> 01:21:02,260
but dude I think sometimes our theories

1631
01:21:05,670 --> 01:21:04,870
are like spot on spot on do you know

1632
01:21:09,180 --> 01:21:05,680
this one

1633
01:21:12,390 --> 01:21:09,190
I'm spot on did absolutely I think we're

1634
01:21:15,120 --> 01:21:12,400
we hit the nail on the head yeah and

1635
01:21:17,569 --> 01:21:15,130
like when it's Q&A time yeah I'm gonna

1636
01:21:21,209 --> 01:21:17,579
get up on the microphone

1637
01:21:24,180 --> 01:21:21,219
so we all know UFOs are orgasms right

1638
01:21:32,490 --> 01:21:24,190

like like everybody everybody agrees

1639

01:21:35,399 --> 01:21:32,500

that they already know so I think the

1640

01:21:37,350 --> 01:21:35,409

current understand this right is we all

1641

01:21:42,750 --> 01:21:37,360

know that they're powered by

1642

01:21:48,720 --> 01:21:42,760

masturbation me and my bro pin here we

1643

01:21:55,130 --> 01:21:48,730

think we've cracked the case wait what

1644

01:22:03,569 --> 01:21:59,540

[Laughter]

1645

01:22:05,280 --> 01:22:03,579

that's good yeah yeah Wow masturbation

1646

01:22:07,799 --> 01:22:05,290

propulsion technologies that are brought

1647

01:22:10,200 --> 01:22:07,809

to you by ball skin company company & Co

1648

01:22:12,720 --> 01:22:10,210

company & Co yeah Boston company and

1649

01:22:14,310 --> 01:22:12,730

code we have that domain we do about the

1650

01:22:16,200 --> 01:22:14,320

website yeah the domain for the website

1651

01:22:18,510 --> 01:22:16,210

I was also thinking of a sister company

1652

01:22:22,709 --> 01:22:18,520

that that we could start with Boston

1653

01:22:28,290 --> 01:22:22,719

company & Co yeah it would be called to

1654

01:22:39,470 --> 01:22:28,300

the farts Academy wait to the farts

1655

01:22:44,069 --> 01:22:39,480

Academy of farts inside Arts Academy

1656

01:22:50,790 --> 01:22:44,079

make the logo like exactly the same it's

1657

01:22:55,530 --> 01:22:50,800

just everything's in brown farts Academy

1658

01:22:57,450 --> 01:22:55,540

of farts in science oh man oh and we got

1659

01:22:59,370 --> 01:22:57,460

to follow all [\h__\h] that they do so every

1660

01:23:01,260 --> 01:22:59,380

like book and movie that they put out we

1661

01:23:06,510 --> 01:23:01,270

put all out like a replica just do it

1662

01:23:08,760 --> 01:23:06,520

with farts yes how fast do you think

1663

01:23:14,069 --> 01:23:08,770

we'll get a cease-and-desist pretty fast

1664

01:23:16,979 --> 01:23:14,079

pretty fast but based on it why can't we

1665

01:23:21,540 --> 01:23:16,989

have they stole it from a friend right

1666

01:23:24,660 --> 01:23:21,550

yeah don't like god yeah I did do the

1667

01:23:36,850 --> 01:23:24,670

farts Academy it's the farts Academy of

1668

01:23:41,959 --> 01:23:39,799

- Sports Academy of Arts and Science

1669

01:23:48,140 --> 01:23:41,969

sister company - ball skin company and

1670

01:23:49,790 --> 01:23:48,150

Co researching motor technologies we get

1671

01:23:56,870 --> 01:23:49,800

most of our funding from from - the

1672

01:24:06,350 --> 01:23:56,880

farts Academy well this is gonna go on

1673

01:24:08,089 --> 01:24:06,360

next year's top ten yeah yes floating

1674

01:24:08,689 --> 01:24:08,099

around the old noggin I'm gonna write

1675

01:24:23,870 --> 01:24:08,699

that down

1676

01:24:28,549 --> 01:24:23,880

blinky look it is going on they don't

1677

01:24:40,699 --> 01:24:31,939

what I opened up a safari window and I

1678

01:24:44,259 --> 01:24:40,709

do that okay of farts I love seeing that

1679

01:24:47,689 --> 01:24:44,269

written out it's so good oh man okay

1680

01:24:50,029 --> 01:24:47,699

good class is starting this summer this

1681

01:24:54,140 --> 01:24:50,039

fall classes starting in fall - ition is

1682

01:24:56,180 --> 01:24:54,150

due to ition is due in September classes

1683

01:24:59,330 --> 01:24:56,190

at the to the farts Academy of farts

1684

01:25:04,009 --> 01:24:59,340

inside make your deposit

1685

01:25:08,140 --> 01:25:04,019

here we create farts in science oh yeah

1686

01:25:11,810 --> 01:25:10,279

somebody tells me they have a Bachelor

1687

01:25:19,419 --> 01:25:11,820

of Arts I'm immediately gonna laugh

1688

01:25:23,810 --> 01:25:21,859

you think is like this science is like

1689

01:25:26,239 --> 01:25:23,820

unmatched we have the best science

1690

01:25:28,939 --> 01:25:26,249

professors of all world but we also have

1691

01:25:31,489 --> 01:25:28,949

classes on farts and we have some of the

1692

01:25:34,669 --> 01:25:31,499

best farts in the world some of the top

1693

01:25:37,790 --> 01:25:34,679

farts in the entire industry we we only

1694

01:25:41,530 --> 01:25:37,800

employ the most famous well-known

1695

01:25:55,640 --> 01:25:51,950

scientific research welcome to the

1696

01:25:57,740 --> 01:25:55,650

Academy if you'll be joining us later on

1697

01:26:00,530 --> 01:25:57,750

this evening we will be having a fart

1698

01:26:07,360 --> 01:26:00,540

Symphony it's one of the most

1699

01:26:11,690 --> 01:26:07,370

prestigious times of the Academy [h__\h]

1700

01:26:14,000 --> 01:26:11,700

yeah the band is a popular program it's

1701
01:26:18,190 --> 01:26:14,010
all it's only brass brass and woodwinds

1702
01:26:28,490 --> 01:26:25,450
all right let's see 37 37 Terri Lovelace

1703
01:26:30,320 --> 01:26:28,500
incident that Devils did yeah what I

1704
01:26:33,140 --> 01:26:30,330
guess technically Terri is another

1705
01:26:36,020 --> 01:26:33,150
military man right yeah he was in the

1706
01:26:38,840 --> 01:26:36,030
military and he was also an assistant

1707
01:26:40,400 --> 01:26:38,850
attorney general mm-hmm so yeah I mean

1708
01:26:41,750 --> 01:26:40,410
talk about credibility I mean there's a

1709
01:26:44,330 --> 01:26:41,760
there's another one for you

1710
01:26:47,690 --> 01:26:44,340
that's huge this one's a little less

1711
01:26:49,940 --> 01:26:47,700
laughable obviously man this was this

1712
01:26:52,010 --> 01:26:49,950
was a great episode

1713
01:26:54,500 --> 01:26:52,020

you were saying you usually turn people

1714

01:26:57,920 --> 01:26:54,510

on to episode 29 yeah I usually pick

1715

01:26:59,840 --> 01:26:57,930

either Terry okay or maybe like I don't

1716

01:27:01,760 --> 01:26:59,850

know I usually pick one of the guests

1717

01:27:04,490 --> 01:27:01,770

yeah with some crazy [h__h] to say nice

1718

01:27:06,560 --> 01:27:04,500

but yeah Terry Terry was a great episode

1719

01:27:10,850 --> 01:27:06,570

I loved having him on oh yeah

1720

01:27:12,860 --> 01:27:10,860

and I asked my friend you know what is

1721

01:27:16,670 --> 01:27:12,870

it Toby's at Park Rangers what's out

1722

01:27:18,410 --> 01:27:16,680

there and he said something to the

1723

01:27:20,210 --> 01:27:18,420

effect of keep your voice down they're

1724

01:27:24,050 --> 01:27:20,220

still out there like who's still out

1725

01:27:26,060 --> 01:27:24,060

there Rose yeah I get to my knees and I

1726

01:27:28,790 --> 01:27:26,070

pull back my flap of the tent just about

1727

01:27:30,980 --> 01:27:28,800

an inch so I can peek out into this

1728

01:27:32,690 --> 01:27:30,990

metal because these lights are still

1729

01:27:36,320 --> 01:27:32,700

flashing I don't know what the what to

1730

01:27:39,080 --> 01:27:36,330

expect and this I notice two things that

1731

01:27:43,430 --> 01:27:39,090

is that this thing that had been 3,000

1732

01:27:48,160 --> 01:27:43,440

feet over our heads just you know for

1733

01:27:50,860 --> 01:27:48,170

four hours ago or so had now descended

1734

01:27:53,200 --> 01:27:50,870

and instead of being 3000 feet over our

1735

01:28:00,160 --> 01:27:53,210

heads it's now 30 feet over the meadow

1736

01:28:03,730 --> 01:28:00,170

oh right on top of us and that was the

1737

01:28:05,470 --> 01:28:03,740

first thing I noticed and and the

1738

01:28:07,720 --> 01:28:05,480

enormity of the thing really sucked in

1739

01:28:10,810 --> 01:28:07,730

when it got that low I could see that

1740

01:28:16,360 --> 01:28:10,820

this thing was just monster right huge

1741

01:28:18,970 --> 01:28:16,370

and I saw these kids I saw what I

1742

01:28:21,490 --> 01:28:18,980

thought were kids like a dozen maybe 15

1743

01:28:23,350 --> 01:28:21,500

of them five walking around the meadow

1744

01:28:25,600 --> 01:28:23,360

and they're all paired up in twos and

1745

01:28:27,460 --> 01:28:25,610

threes I remember I asked my friend I

1746

01:28:29,020 --> 01:28:27,470

said hey Toby man what the hell are

1747

01:28:29,560 --> 01:28:29,030

these kids doing out here in the middle

1748

01:28:32,530 --> 01:28:29,570

of nowhere

1749

01:28:34,600 --> 01:28:32,540

well in the middle of the night and

1750

01:28:36,640 --> 01:28:34,610

that's when he said Terry man cause

1751

01:28:38,830 --> 01:28:36,650

ain't no little kids oh look at him

1752

01:28:44,140 --> 01:28:38,840

they're not human they're not human

1753

01:28:47,980 --> 01:28:44,150

beings and I looked and he was right

1754

01:28:50,110 --> 01:28:47,990

here it would not even gaze their heads

1755

01:28:55,200 --> 01:28:50,120

were disproportionately large I mean

1756

01:28:59,530 --> 01:28:55,210

like the typical guys you see on TV yeah

1757

01:29:01,180 --> 01:28:59,540

you know spindly bodies thin limbs and

1758

01:29:03,310 --> 01:29:01,190

they walked with the distinctive gait

1759

01:29:05,550 --> 01:29:03,320

they walk like their feet were sore or

1760

01:29:10,350 --> 01:29:05,560

something they were almost limping hmm

1761

01:29:13,870 --> 01:29:10,360

but they had a real distinctive walk and

1762

01:29:16,720 --> 01:29:13,880

there was a column of white light like

1763

01:29:18,670 --> 01:29:16,730

the one that hit our campfire only this

1764

01:29:21,160 --> 01:29:18,680

one it was about maybe 25 feet in

1765

01:29:23,980 --> 01:29:21,170

diameter and it was a column perfectly

1766

01:29:25,750 --> 01:29:23,990

circular and it just like somebody

1767

01:29:29,620 --> 01:29:25,760

flipped the switch this light came on

1768

01:29:31,360 --> 01:29:29,630

and as soon as this light came on all of

1769

01:29:34,800 --> 01:29:31,370

these little guys turned in that

1770

01:29:39,580 --> 01:29:34,810

direction and headed for the light and

1771

01:29:41,290 --> 01:29:39,590

they were all peered up but they were in

1772

01:29:43,990 --> 01:29:41,300

different places they all over around

1773

01:29:47,950 --> 01:29:44,000

the meadow and as they get to this light

1774

01:29:51,820 --> 01:29:47,960

they would walk in into this beam of

1775

01:29:55,480 --> 01:29:51,830

light and glow from the light for just a

1776

01:29:58,270 --> 01:29:55,490

second and then just dissolved yeah dude

1777

01:29:59,729 --> 01:29:58,280

yes it's still one of my favorite

1778

01:30:02,160 --> 01:29:59,739

stories man I mean

1779

01:30:04,370 --> 01:30:02,170

great he really goes into like detail

1780

01:30:06,089 --> 01:30:04,380

you know yeah he really explains

1781

01:30:09,660 --> 01:30:06,099

everything

1782

01:30:11,399 --> 01:30:09,670

yeah he's such a good storyteller and

1783

01:30:14,209 --> 01:30:11,409

guys I got to tell you if you haven't

1784

01:30:17,129 --> 01:30:14,219

gotten his book Internet Devil's Den

1785

01:30:18,989 --> 01:30:17,139

must-buy yeah I've gotta get it I don't

1786

01:30:21,000 --> 01:30:18,999

know if you can get it on like audible

1787

01:30:24,149 --> 01:30:21,010

or something like that I don't know if

1788

01:30:26,580 --> 01:30:24,159

you're into audiobooks um you know I uh

1789

01:30:28,350 --> 01:30:26,590

I've done the audiobook thing and I

1790

01:30:31,290 --> 01:30:28,360

enjoy cuz I can just kind of listen to

1791

01:30:34,739 --> 01:30:31,300

it but man like actually physically

1792

01:30:36,299 --> 01:30:34,749

reading his book like it it's it's such

1793

01:30:38,129 --> 01:30:36,309

a good read I couldn't put it down

1794

01:30:40,319 --> 01:30:38,139

hell yeah except for like when I went to

1795

01:30:44,009 --> 01:30:40,329

sleep when you would die sleep it was

1796

01:30:45,029 --> 01:30:44,019

this sleepy taking a pace so uh I need

1797

01:30:47,129 --> 01:30:45,039

to borrow that book

1798

01:30:50,640 --> 01:30:47,139

yeah dude I'll bring it next time oh and

1799

01:30:55,950 --> 01:30:50,650

we got our our sorry I'm mixing things

1800

01:30:57,689 --> 01:30:55,960

up we both got our books from yeah yeah

1801

01:31:02,220 --> 01:30:57,699

yeah abducted in fury but then I also

1802

01:31:05,879 --> 01:31:02,230

gasa I also got the new book from the

1803

01:31:07,680 --> 01:31:05,889

new message I bought it on Amazon okay I

1804

01:31:09,569 --> 01:31:07,690

read all the Ibarra

1805

01:31:19,580 --> 01:31:09,579

I'm a jerk because I took all the books

1806

01:31:22,350 --> 01:31:19,590

off of off of Jason's Justin's shirt

1807

01:31:26,459 --> 01:31:22,360

shirt so we're gonna take all this

1808

01:31:29,759 --> 01:31:26,469

reading material yes so yeah thanks guys

1809

01:31:31,049 --> 01:31:29,769

got hard copies yeah okay so you already

1810

01:31:32,790 --> 01:31:31,059

have the one that have you gotten into

1811

01:31:34,739 --> 01:31:32,800

the new message haven't even yeah and I

1812

01:31:36,239 --> 01:31:34,749

haven't opened it yet it's it's pretty

1813

01:31:38,609 --> 01:31:36,249

it's pretty interesting it's a cool

1814

01:31:40,680 --> 01:31:38,619

little read to sit down and you know do

1815

01:31:43,259 --> 01:31:40,690

yeah anytime you ever catch yourself

1816

01:31:45,629 --> 01:31:43,269

like I'm gonna play some [h__h] waste

1817

01:31:47,819 --> 01:31:45,639

of time game on my phone yeah I've been

1818

01:31:50,009 --> 01:31:47,829

doing that while I'm at home yeah is I

1819

01:31:52,739 --> 01:31:50,019

will hop on be like I'm gonna read that

1820

01:31:54,209 --> 01:31:52,749

book instead then I do and I read the

1821

01:31:56,629 --> 01:31:54,219

book as long as I would play that game

1822

01:31:59,910 --> 01:31:56,639

maybe like twenty thirty minutes but it

1823

01:32:01,979 --> 01:31:59,920

feels so good oh yeah it feels so good

1824

01:32:04,020 --> 01:32:01,989

and like reading probably helps your

1825

01:32:05,939 --> 01:32:04,030

cognitive ability rather than yeah

1826

01:32:09,299 --> 01:32:05,949

watching a video it's like it's like

1827

01:32:10,040 --> 01:32:09,309

it's like my brain is lifting weights as

1828

01:32:12,290 --> 01:32:10,050

opposed to play

1829

01:32:16,339 --> 01:32:12,300

a game where my brain feels like soggy

1830

01:32:20,359 --> 01:32:16,349

cereal neural plasticity Missa tee yes

1831

01:32:22,160 --> 01:32:20,369

I'm all about neuroplastic yeah blasters

1832

01:32:23,870 --> 01:32:22,170

for them brandy it's spreading our like

1833

01:32:26,660 --> 01:32:23,880

a little bit here a little bit there

1834

01:32:30,290 --> 01:32:26,670

yeah but yeah man Terry Lovelace was

1835

01:32:31,939 --> 01:32:30,300

awesome dude so awesome oh yeah he was

1836

01:32:35,990 --> 01:32:31,949

cool to meet at the conference - yeah

1837

01:32:37,729 --> 01:32:36,000

yeah we helped him out with that tape we

1838

01:32:41,240 --> 01:32:37,739

gave him some Gorilla Tape yeah that's

1839

01:32:44,060 --> 01:32:41,250

ridiculous um tape oh yeah you never

1840

01:32:45,589 --> 01:32:44,070

know hey carry a little bit of tape with

1841

01:32:48,350 --> 01:32:45,599

your towel there's Terry Lovelace my

1842

01:32:51,290 --> 01:32:48,360

show mm-hmm yeah you believe you guys

1843

01:32:53,689 --> 01:32:51,300

got some tape absolutely sir yes we do

1844

01:32:56,060 --> 01:32:53,699

yep yeah thanks oh yeah I mean it was

1845

01:32:57,740 --> 01:32:56,070

it's a really good book yeah and he

1846

01:33:00,919 --> 01:32:57,750

signed it for me there's even more

1847

01:33:04,100 --> 01:33:00,929

badass and man just that his the other

1848

01:33:08,319 --> 01:33:04,110

story is freakin sick dude I love it and

1849

01:33:11,180 --> 01:33:08,329

it's it's it has something to do with

1850

01:33:14,899 --> 01:33:11,190

the huge triangle craft it's seeing it

1851

01:33:17,089 --> 01:33:14,909

beings and him being interrogated by

1852

01:33:21,770 --> 01:33:17,099

some other government entity that he

1853

01:33:23,839 --> 01:33:21,780

doesn't know again with you know similar

1854

01:33:26,689 --> 01:33:23,849

to gary story was just two dudes and

1855

01:33:28,459 --> 01:33:26,699

like regularly clothed like they were

1856

01:33:29,839 --> 01:33:28,469

wearing like something that you would go

1857

01:33:34,129 --> 01:33:29,849

golfing in or something I think that's

1858

01:33:36,919 --> 01:33:34,139

what is that but it's nuts

1859

01:33:40,640 --> 01:33:36,929

but that just that clip those creepy you

1860

01:33:43,370 --> 01:33:40,650

know he's like you know what are those

1861

01:33:45,819 --> 01:33:43,380

kids doing out there yeah you know and

1862

01:33:51,799 --> 01:33:45,829

you know his buddy turned some he's like

1863

01:33:54,140 --> 01:33:51,809

it wasn't kids no it's no episode 37

1864

01:33:58,430 --> 01:33:54,150

check it out y'all Terry Lovelace good

1865

01:34:00,200 --> 01:33:58,440

stuff so technically that was a top ten

1866

01:34:03,200 --> 01:34:00,210

I guess you had a good one

1867

01:34:06,859 --> 01:34:03,210

we're gonna do one more it's kind of

1868

01:34:09,680 --> 01:34:06,869

just like a special and it's Eric

1869

01:34:11,930 --> 01:34:09,690

Mitchell yeah well I guess we are talked

1870

01:34:14,209 --> 01:34:11,940

about the documentary did break but but

1871

01:34:18,620 --> 01:34:14,219

we can talk about a little bit more but

1872

01:34:20,569 --> 01:34:18,630

yeah so here we go mr. Eric Mitchell you

1873

01:34:22,430 --> 01:34:20,579

know so several times that morning I

1874

01:34:24,800 --> 01:34:22,440

would get that vibration

1875

01:34:26,900 --> 01:34:24,810

you know and seemingly on the top of my

1876

01:34:29,689 --> 01:34:26,910

skull and almost like I can feel a

1877

01:34:33,010 --> 01:34:29,699

muscle in the middle of my mind and once

1878

01:34:36,080 --> 01:34:33,020

I noticed and located that consciously I

1879

01:34:38,630 --> 01:34:36,090

relaxed it and the moment that happened

1880

01:34:41,000 --> 01:34:38,640

it all went away so I jumped up and I'm

1881

01:34:42,380 --> 01:34:41,010

I'm just I'm seeing this as I'm telling

1882

01:34:44,750 --> 01:34:42,390

you this you know I haven't talked about

1883

01:34:46,250 --> 01:34:44,760

this for a while I I started walking

1884

01:34:47,959 --> 01:34:46,260

back and forth in front of my coffee

1885

01:34:51,020 --> 01:34:47,969

table and I'm looking at my hands and

1886

01:34:53,990 --> 01:34:51,030

I'm going no no no no you know no this

1887

01:34:56,600 --> 01:34:54,000

this cannot be real and I would stop and

1888

01:34:59,270 --> 01:34:56,610

I just closed my eyes and I slightly did

1889

01:35:00,560 --> 01:34:59,280

it again and I went oh god hell no you

1890

01:35:03,350 --> 01:35:00,570

know because it's real you know I

1891

01:35:05,360 --> 01:35:03,360

actually did that so okay obviously now

1892

01:35:07,130 --> 01:35:05,370

I have a brain tumor or you know it's

1893

01:35:09,530 --> 01:35:07,140

something you know like incredibly

1894

01:35:12,290 --> 01:35:09,540

seriously wrong with me and you know you

1895

01:35:15,890 --> 01:35:12,300

can break a finger or a rib maybe even

1896

01:35:17,360 --> 01:35:15,900

have a leg amputated from your body the

1897

01:35:18,860 --> 01:35:17,370

scariest [h__h] in the world is something

1898

01:35:22,010 --> 01:35:18,870

wrong with your brain you know that's

1899

01:35:25,700 --> 01:35:22,020

just morbid as hell you know not a lot

1900

01:35:27,590 --> 01:35:25,710

you can do about most brain yeah yeah I

1901
01:35:31,100 --> 01:35:27,600
mean it's just one of those organs they

1902
01:35:35,150 --> 01:35:31,110
don't fix you know so that was really

1903
01:35:37,340 --> 01:35:35,160
scary really scary for me and yeah yeah

1904
01:35:39,650 --> 01:35:37,350
nice so there he's talking about he's

1905
01:35:43,850 --> 01:35:39,660
got this amazing of an amazing ability

1906
01:35:48,620 --> 01:35:43,860
and he can feel it and it runs through

1907
01:35:51,740 --> 01:35:48,630
his body but man Eric here can make an

1908
01:35:55,280 --> 01:35:51,750
audible noise with his freaking head he

1909
01:35:57,650 --> 01:35:55,290
make frequencies like that the human ear

1910
01:35:59,630 --> 01:35:57,660
can hear and they he went to Nashville

1911
01:36:01,160 --> 01:35:59,640
like to some studio and they recorded it

1912
01:36:03,979 --> 01:36:01,170
and it's pretty wild

1913
01:36:06,320 --> 01:36:03,989

it is crazy yeah yeah yeah and

1914

01:36:08,720 --> 01:36:06,330

apparently the idea is that most

1915

01:36:11,630 --> 01:36:08,730

abductees can produce his frequency at

1916

01:36:13,580 --> 01:36:11,640

about thirty Hertz which is unnoticeable

1917

01:36:19,370 --> 01:36:13,590

the most people you know can't even tell

1918

01:36:22,459 --> 01:36:19,380

that it's happening however Eric they've

1919

01:36:24,520 --> 01:36:22,469

been doing it at like he said like 1,500

1920

01:36:28,189 --> 01:36:24,530

Hertz and he could get it up to like

1921

01:36:30,560 --> 01:36:28,199

3,000 yeah you can get it to 3,000 yeah

1922

01:36:33,400 --> 01:36:30,570

guys if you record this on recording

1923

01:36:36,010 --> 01:36:33,410

equipment you can pick it up it's in

1924

01:36:38,050 --> 01:36:36,020

saying yeah and so

1925

01:36:41,050 --> 01:36:38,060

Harvard University study is gonna be

1926

01:36:43,180 --> 01:36:41,060

done about this anomaly in his brain and

1927

01:36:45,340 --> 01:36:43,190

they're gonna do like tests and we're

1928

01:36:47,440 --> 01:36:45,350

gonna go and film it it's gonna be so

1929

01:36:50,830 --> 01:36:47,450

cool it'll be in the documentary yeah

1930

01:36:53,170 --> 01:36:50,840

but there's a lot to that we're not

1931

01:36:54,910 --> 01:36:53,180

gonna get into that and just yeah cuz

1932

01:36:56,620 --> 01:36:54,920

there's a lot of cool science and stuff

1933

01:36:59,920 --> 01:36:56,630

that he hasn't even gotten into it with

1934

01:37:01,480 --> 01:36:59,930

us yet yeah but yeah he's he's gonna you

1935

01:37:02,170 --> 01:37:01,490

know hopefully be able to come visit us

1936

01:37:05,110 --> 01:37:02,180

here pretty soon

1937

01:37:10,240 --> 01:37:05,120

and dude yeah we're gonna get the skinny

1938

01:37:12,040 --> 01:37:10,250

bro stopped so so excited oh yeah so

1939

01:37:14,730 --> 01:37:12,050

yeah man I mean that was our top ten

1940

01:37:18,880 --> 01:37:14,740

plus a little bonus with Eric Mitchell

1941

01:37:23,230 --> 01:37:18,890

it was one year birthday man one year

1942

01:37:27,610 --> 01:37:23,240

birthday and one years old all right man

1943

01:37:30,040 --> 01:37:27,620

can't we made it like you know I often

1944

01:37:31,840 --> 01:37:30,050

start projects and like you know it

1945

01:37:33,730 --> 01:37:31,850

always kind of gets away from me so I'm

1946

01:37:36,610 --> 01:37:33,740

I'm just glad that we were able to stick

1947

01:37:38,710 --> 01:37:36,620

with it and do it every week it's been a

1948

01:37:40,960 --> 01:37:38,720

lot to me it's just like broaden my

1949

01:37:43,630 --> 01:37:40,970

spectrum it's it's given me an outlet

1950

01:37:45,340 --> 01:37:43,640

it's yeah dude it's like gotten me to be

1951

01:37:47,740 --> 01:37:45,350

more confident in speaking like

1952

01:37:51,760 --> 01:37:47,750

personally yeah and it's it's even like

1953

01:37:53,980 --> 01:37:51,770

really kind of changed my perspective on

1954

01:37:56,380 --> 01:37:53,990

life a little bit dad you know like in a

1955

01:37:57,790 --> 01:37:56,390

pot a very positive way for sure it

1956

01:37:59,350 --> 01:37:57,800

really has I mean there's stuff that

1957

01:38:02,440 --> 01:37:59,360

we've talked about that I never even

1958

01:38:05,260 --> 01:38:02,450

would have thought existed yeah or or

1959

01:38:07,920 --> 01:38:05,270

was a thing yeah and this has been so

1960

01:38:11,620 --> 01:38:07,930

cool yeah so like just mind

1961

01:38:13,240 --> 01:38:11,630

mind-altering I mean yeah going from the

1962

01:38:14,530 --> 01:38:13,250

beginning of the podcast again we've

1963

01:38:17,530 --> 01:38:14,540

said this multiple times in the podcast

1964

01:38:21,190 --> 01:38:17,540

since then but like we were very just

1965

01:38:23,740 --> 01:38:21,200

wary of the the energy aspect of contact

1966

01:38:25,450 --> 01:38:23,750

and things like that but now we're are

1967

01:38:27,790 --> 01:38:25,460

perspectives a little different on that

1968

01:38:29,650 --> 01:38:27,800

yeah there's that has a lot to do with

1969

01:38:32,470 --> 01:38:29,660

it it's caused us to definitely take a

1970

01:38:34,900 --> 01:38:32,480

step back yeah and like re-evaluate the

1971

01:38:37,090 --> 01:38:34,910

whole situation yeah you know we've

1972

01:38:40,920 --> 01:38:37,100

we've we've grown I think in a lot of

1973

01:38:43,540 --> 01:38:40,930

ways we've we've had a lot of really

1974

01:38:46,290 --> 01:38:43,550

entertaining moments we've got to talk

1975

01:38:48,780 --> 01:38:46,300

to awesome people getting to reach

1976

01:38:50,910 --> 01:38:48,790

thousands of people online

1977

01:38:54,360 --> 01:38:50,920

for the podcast and Spreaker iHeartRadio

1978

01:38:56,490 --> 01:38:54,370

Spotify YouTube we get emails all the

1979

01:38:58,470 --> 01:38:56,500

time from people that enjoy the podcast

1980

01:39:01,050 --> 01:38:58,480

or want to be on the podcast or have a

1981

01:39:04,110 --> 01:39:01,060

cool story man it's just it's been such

1982

01:39:06,390 --> 01:39:04,120

a great listeners yeah and for sure so

1983

01:39:08,040 --> 01:39:06,400

thank you listener for listening if

1984

01:39:09,900 --> 01:39:08,050

you've made it this far thank you so

1985

01:39:12,690 --> 01:39:09,910

much for sticking with us for this whole

1986

01:39:14,430 --> 01:39:12,700

year man we we could not be we wouldn't

1987

01:39:16,050 --> 01:39:14,440

be doing this if nobody was listening

1988

01:39:17,700 --> 01:39:16,060

like that's right and you know that's

1989

01:39:18,720 --> 01:39:17,710

right if it had flopped maybe it would

1990

01:39:22,800 --> 01:39:18,730

have been a different story

1991

01:39:24,870 --> 01:39:22,810

yeah but yeah absolutely I mean around

1992

01:39:28,620 --> 01:39:24,880

the world too if you think about it in

1993

01:39:32,460 --> 01:39:28,630

December we had made the post on we hit

1994

01:39:36,870 --> 01:39:32,470

our six sixtieth subscriber on YouTube

1995

01:39:39,300 --> 01:39:36,880

yeah and now we're up to basically 250

1996

01:39:42,300 --> 01:39:39,310

which is pretty that it's pretty awesome

1997

01:39:43,950 --> 01:39:42,310

you know it's really cool so any you

1998

01:39:45,350 --> 01:39:43,960

guys out there listening who haven't

1999

01:39:47,250 --> 01:39:45,360

subscribed to us yet on YouTube

2000

01:39:49,320 --> 01:39:47,260

definitely go do that it definitely

2001

01:39:52,440 --> 01:39:49,330

helps us out a lot if you listen to it

2002

01:39:54,420 --> 01:39:52,450

on whatever platform write it like it

2003

01:39:57,710 --> 01:39:54,430

thumbs up it yeah oh we need some more

2004

01:40:00,480 --> 01:39:57,720

we need some positive iTunes ratings

2005

01:40:02,310 --> 01:40:00,490

iTunes podcast please give us a positive

2006

01:40:04,710 --> 01:40:02,320

rating guys if you really like to show

2007

01:40:06,330 --> 01:40:04,720

cuz there's some there's there's some

2008

01:40:07,950 --> 01:40:06,340

negative stuff in there and I feel like

2009

01:40:10,710 --> 01:40:07,960

you know the negative people are always

2010

01:40:12,420 --> 01:40:10,720

the most loud right but yeah exactly if

2011

01:40:15,450 --> 01:40:12,430

you like our show if you like me and Jo

2012

01:40:17,640 --> 01:40:15,460

go on iTunes podcast and leave us a good

2013

01:40:20,040 --> 01:40:17,650

review because we need some positivity

2014

01:40:22,200 --> 01:40:20,050

in there yeah definitely we need some we

2015

01:40:23,340 --> 01:40:22,210

need some loud love yeah out there you

2016

01:40:24,660 --> 01:40:23,350

know what I'm saying you're exactly

2017

01:40:27,600 --> 01:40:24,670

right the negative stuff is always

2018

01:40:29,490 --> 01:40:27,610

allowed us yeah I I say we uh we

2019

01:40:29,970 --> 01:40:29,500

overcome that dude yeah we can do it

2020

01:40:32,340 --> 01:40:29,980

together

2021

01:40:36,480 --> 01:40:32,350

get the positivity up man let's get loud

2022

01:40:38,670 --> 01:40:36,490

out there um so yeah we do this show cuz

2023

01:40:40,680 --> 01:40:38,680

we love the subject we love talking to

2024

01:40:43,050 --> 01:40:40,690

each other and we love talking about

2025

01:40:44,130 --> 01:40:43,060

things with our fans and coming up with

2026

01:40:46,050 --> 01:40:44,140

new things we're doing we do this

2027

01:40:48,540 --> 01:40:46,060

because we love to do it not because

2028

01:40:51,300 --> 01:40:48,550

we're trying to spout out of wrong

2029

01:40:53,760 --> 01:40:51,310

things or the misinformation like this

2030

01:40:55,680 --> 01:40:53,770

is just fun yeah it's a good time it's

2031

01:40:57,720 --> 01:40:55,690

what it's all about so man it's

2032

01:40:59,940 --> 01:40:57,730

definitely a good time so yeah guys I

2043

01:41:29,580 --> 01:41:27,489

helps like I said this documentary is

2044

01:41:31,410 --> 01:41:29,590

gonna get done one way or the other

2045

01:41:33,629 --> 01:41:31,420

yeah we'll figure something out but you

2046

01:41:35,520 --> 01:41:33,639

know if all of our awesome listeners you

2047

01:41:38,819 --> 01:41:35,530

know helped and pitched in a little bit

2048

01:41:40,470 --> 01:41:38,829

it could be good you know be make the

2049

01:41:42,720 --> 01:41:40,480

quality a lot better yeah I could

2050

01:41:44,609 --> 01:41:42,730

probably be renting good cameras good

2051

01:41:46,169 --> 01:41:44,619

routine renting good cameras lighting

2052

01:41:48,390 --> 01:41:46,179

things like that being able to go to

2053

01:41:50,430 --> 01:41:48,400

different places yeah I mean we're going

2054

01:41:51,689 --> 01:41:50,440

into this blind it's our first one and

2055

01:41:53,399 --> 01:41:51,699

we're super stoked about it

2056

01:41:55,890 --> 01:41:53,409

we know it's gonna be a lot of work but

2057

01:41:58,319 --> 01:41:55,900

dude I think when the Indian end results

2058

01:42:01,229 --> 01:41:58,329

is here it's probably gonna be one of my

2059

01:42:03,510 --> 01:42:01,239

most proud moments yeah or projects yeah

2060

01:42:04,740 --> 01:42:03,520

we've ever worked on my life sighted

2061

01:42:06,660 --> 01:42:04,750

about it yeah and the teaser trailer

2062

01:42:09,390 --> 01:42:06,670

came out great I mean it's it's I mean

2063

01:42:10,919 --> 01:42:09,400

it we're we're doing it right we're

2064

01:42:12,870 --> 01:42:10,929

going through each clip and like

2065

01:42:14,850 --> 01:42:12,880

figuring out okay this is a really cool

2066

01:42:18,209 --> 01:42:14,860

moment let's do that I mean our our

2067

01:42:20,370 --> 01:42:18,219

intentions are good our our timeline

2068

01:42:22,200 --> 01:42:20,380

that we've worked out so far with Erik

2069

01:42:23,850 --> 01:42:22,210

like knowing how okay how are we gonna

2070

01:42:25,740 --> 01:42:23,860

tell this story what's the yeah the

2071

01:42:28,260 --> 01:42:25,750

beginning who working artists tell you

2072

01:42:29,790 --> 01:42:28,270

who Eric is right or the very beginning

2073

01:42:32,520 --> 01:42:29,800

is trying to like get people interested

2074

01:42:34,830 --> 01:42:32,530

in it and then let's tell everybody what

2075

01:42:37,589 --> 01:42:34,840

like who is Eric and then you know the

2076

01:42:39,810 --> 01:42:37,599

the climax and in the fall you know I I

2077

01:42:41,370 --> 01:42:39,820

think we've got a good grasp on how we

2078

01:42:43,910 --> 01:42:41,380

want to tell the story it's just telling

2079

01:42:46,740 --> 01:42:43,920

the story that we need a little help

2080

01:42:49,140 --> 01:42:46,750

renting good equipment and getting the

2081

01:42:51,060 --> 01:42:49,150

getting the right stuff to make this and

2082

01:42:53,609 --> 01:42:51,070

make it look good yeah you know and if

2083

01:42:55,020 --> 01:42:53,619

it turns out super friggin awesome yeah

2084

01:42:58,049 --> 01:42:55,030

maybe next time we'll be able to afford

2085

01:42:58,950 --> 01:42:58,059

to just do it yeah just do it we did it

2086

01:43:00,970 --> 01:42:58,960

for you

2087

01:43:02,779 --> 01:43:00,980

[Applause]

2088

01:43:04,760 --> 01:43:02,789

yeah man

2089

01:43:06,589 --> 01:43:04,770

well alright dude that's good stuff for

2090

01:43:08,930 --> 01:43:06,599

me man happy happy birthday happy

2091

01:43:11,299 --> 01:43:08,940

birthday dude we did buddy yeah boom

2092

01:43:13,520 --> 01:43:11,309

alright thank you again everybody

2093

01:43:19,310 --> 01:43:13,530

listening thank you so much appreciate

2094

01:43:19,560 --> 01:43:19,320

it yeah all right man this was another
