

1  
00:00:07,200 --> 00:00:05,250  
[Music]

2  
00:00:14,910 --> 00:00:07,210  
[Applause]

3  
00:00:22,470 --> 00:00:18,390  
ufos aliens and all things weird

4  
00:00:25,029 --> 00:00:22,480  
all things weird dude

5  
00:00:26,310 --> 00:00:25,039  
dude it's been a couple weeks we did it

6  
00:00:29,029 --> 00:00:26,320  
you've been on vacation

7  
00:00:29,509 --> 00:00:29,039  
i have ben's been on vacation it's his

8  
00:00:32,549 --> 00:00:29,519  
fault

9  
00:00:35,310 --> 00:00:32,559  
yeah blame it on this guy yeah

10  
00:00:36,910 --> 00:00:35,320  
i was in uh calif uh california

11  
00:00:42,229 --> 00:00:36,920  
california

12  
00:00:45,510 --> 00:00:44,630  
who sings that dude that's the intro to

13  
00:00:48,869 --> 00:00:45,520

the oc

14

00:00:49,590 --> 00:00:48,879

is it yeah you're gay i've never seen

15

00:00:52,549 --> 00:00:49,600

the oc

16

00:00:53,510 --> 00:00:52,559

ever what is how do you know the song

17

00:00:56,630 --> 00:00:53,520

then

18

00:00:59,670 --> 00:00:56,640

because it's not just the intro to

19

00:01:03,430 --> 00:00:59,680

[h\_\_h] oc yeah it was on the radio

20

00:01:05,429 --> 00:01:03,440

no we were like in high school

21

00:01:07,830 --> 00:01:05,439

i did i didn't know that i dated a girl

22

00:01:08,149 --> 00:01:07,840

who loved that song and i despised it

23

00:01:10,710 --> 00:01:08,159

like

24

00:01:12,390 --> 00:01:10,720

1 million bajillion percent she probably

25

00:01:13,149 --> 00:01:12,400

liked it because it was she liked the

26

00:01:17,990 --> 00:01:13,159

ufc

27

00:01:21,350 --> 00:01:18,000

california california

28

00:01:23,510 --> 00:01:21,360

here we come nah

29

00:01:24,630 --> 00:01:23,520

i'm gonna stay right here you can go

30

00:01:26,950 --> 00:01:24,640

though

31

00:01:27,910 --> 00:01:26,960

i'm good you already went dude yeah

32

00:01:31,270 --> 00:01:27,920

california was

33

00:01:33,510 --> 00:01:31,280

uh is interesting like they're very very

34

00:01:35,350 --> 00:01:33,520

aware if you don't if you walk into your

35

00:01:36,710 --> 00:01:35,360

business at their business and you don't

36

00:01:38,950 --> 00:01:36,720

have a mask on they'll [\h\_\_\h]

37

00:01:40,710 --> 00:01:38,960

kick you out oh no [\h\_\_\h] oh yeah dude i

38

00:01:43,910 --> 00:01:40,720

haven't like actually

39

00:01:47,190 --> 00:01:43,920

worn a mask in like two weeks

40

00:01:49,990 --> 00:01:47,200

i mean yeah i pulled my bandana down

41

00:01:50,710 --> 00:01:50,000

yeah and whatever that covers is what it

42

00:01:53,030 --> 00:01:50,720

covers

43

00:01:54,310 --> 00:01:53,040

yeah and usually since it's on my head

44

00:01:58,149 --> 00:01:54,320

it falls down

45

00:02:01,270 --> 00:01:58,159

like to my neck and

46

00:02:02,149 --> 00:02:01,280

i mean what are you going to do i mean

47

00:02:04,069 --> 00:02:02,159

i'll walk around

48

00:02:06,630 --> 00:02:04,079

like there were there were signs out uh

49

00:02:08,790 --> 00:02:06,640

in front of establishments saying like

50

00:02:10,550 --> 00:02:08,800

oh it was in the airport uh because we

51

00:02:13,190 --> 00:02:10,560

flew that uh it says

52

00:02:14,869 --> 00:02:13,200

if you're wearing a bandana or anything

53

00:02:16,790 --> 00:02:14,879

with like perforated holes

54

00:02:18,710 --> 00:02:16,800

like that you can't wear that you have

55

00:02:20,309 --> 00:02:18,720

to have like a mask

56

00:02:23,780 --> 00:02:20,319

and if you need one come up to us and

57

00:02:25,670 --> 00:02:23,790

you can buy one no you can give me one

58

00:02:27,350 --> 00:02:25,680

[Laughter]

59

00:02:29,510 --> 00:02:27,360

i already paid for a plane ticket go

60

00:02:29,990 --> 00:02:29,520

[h\_\_h] yourself yeah what that mask cost

61

00:02:32,309 --> 00:02:30,000

you

62

00:02:34,229 --> 00:02:32,319

but uh flying flying was pretty [h\_\_h]

63

00:02:35,750 --> 00:02:34,239

dope was it was there no like nobody

64

00:02:36,710 --> 00:02:35,760

there was nobody there that's almost

65

00:02:39,509 --> 00:02:36,720

awesome dude

66

00:02:40,949 --> 00:02:39,519

hell yeah it's like my least favorite

67

00:02:43,270 --> 00:02:40,959

thing about airports is that there's so

68

00:02:46,070 --> 00:02:43,280

many [h\_\_h] fartars there

69

00:02:47,110 --> 00:02:46,080

so many fartars there's so many fartars

70

00:02:49,509 --> 00:02:47,120

oh my god

71

00:02:51,110 --> 00:02:49,519

and uh like you weren't allowed to sit

72

00:02:52,949 --> 00:02:51,120

in the middle seat so me and jess had

73

00:02:55,430 --> 00:02:52,959

our own [h\_\_h]

74

00:02:57,589 --> 00:02:55,440

apartment in that air airplane it felt

75

00:03:00,309 --> 00:02:57,599

like you know

76

00:03:01,350 --> 00:03:00,319

i mean did you did you kick your feet up

77

00:03:04,470 --> 00:03:01,360

on the middle seat

78

00:03:06,309 --> 00:03:04,480

yep yeah oh yeah dude i set my jess was

79

00:03:07,589 --> 00:03:06,319

we switched spots at one point she was

80

00:03:10,149 --> 00:03:07,599

in the aisle seat uh

81

00:03:11,350 --> 00:03:10,159

and i put my feet across her lap and was

82

00:03:14,229 --> 00:03:11,360

just like

83

00:03:15,190 --> 00:03:14,239

chilling on the on the window it was

84

00:03:16,869 --> 00:03:15,200

awesome man

85

00:03:18,390 --> 00:03:16,879

nice that's so cool best flying

86

00:03:19,830 --> 00:03:18,400

experience i've ever experienced

87

00:03:22,070 --> 00:03:19,840

wait did you have to wear your mask the

88

00:03:24,869 --> 00:03:22,080

whole time flight yeah but that was fine

89

00:03:25,910 --> 00:03:24,879

i would take that over fartars and

90

00:03:29,030 --> 00:03:25,920

people standing

91

00:03:30,869 --> 00:03:29,040

in line before they call you to come and

92

00:03:32,309 --> 00:03:30,879

get onto the plane you know how people

93

00:03:34,949 --> 00:03:32,319

like [h\_\_h] cluster

94

00:03:35,509 --> 00:03:34,959

like oh i don't want to be the last one

95

00:03:41,190 --> 00:03:35,519

on

96

00:03:46,149 --> 00:03:41,200

the line like how do you know

97

00:03:49,190 --> 00:03:46,159

you have a section who's waiting in line

98

00:03:51,430 --> 00:03:49,200

even uh uh southwest they no one has a

99

00:03:52,949 --> 00:03:51,440

assigned seat so why the [h\_\_h] are you

100

00:03:56,309 --> 00:03:52,959

standing up

101

00:03:59,190 --> 00:03:56,319

blocking the entryway

102

00:04:00,470 --> 00:03:59,200

you're like two groups back like sit

103

00:04:03,110 --> 00:04:00,480

your ass down

104

00:04:05,190 --> 00:04:03,120

and like yeah it's you have to like uh

105

00:04:07,429 --> 00:04:05,200

navigate your way through the crowd

106

00:04:09,350 --> 00:04:07,439

to to get to you know they just called

107

00:04:11,030 --> 00:04:09,360

your air your group so you're like are

108

00:04:13,270 --> 00:04:11,040

you standing are you standing on are you

109

00:04:16,069 --> 00:04:13,280

in there everybody's like no i know i'm

110

00:04:19,189 --> 00:04:16,079

just standing here in your way

111

00:04:21,349 --> 00:04:19,199

well move stop and they're all farting

112

00:04:22,870 --> 00:04:21,359

everyone's [h\_\_\h] farting dude

113

00:04:25,909 --> 00:04:22,880

everyone's farting

114

00:04:29,110 --> 00:04:25,919

oh damn man well uh yeah so

115

00:04:30,950 --> 00:04:29,120

we're officially back yeah we're back um

116

00:04:36,710 --> 00:04:30,960

and uh we're gonna we're gonna talk

117

00:04:41,350 --> 00:04:40,070

things things yeah i think today man

118

00:04:42,950 --> 00:04:41,360

we're just gonna hang out with you all a

119

00:04:44,870 --> 00:04:42,960

little bit yeah we haven't gone through

120

00:04:46,710 --> 00:04:44,880

the facebook stuff in a while

121

00:04:48,070 --> 00:04:46,720

long so uh well i think we're gonna go

122

00:04:49,350 --> 00:04:48,080

through the facebook stuff

123

00:04:51,350 --> 00:04:49,360

and just see what you all been doing

124

00:04:52,870 --> 00:04:51,360

what you all been posting hanging out

125

00:04:54,790 --> 00:04:52,880

with y'all for a little while

126  
00:04:56,070 --> 00:04:54,800  
uh and then we're gonna we're gonna talk

127  
00:04:59,110 --> 00:04:56,080  
about a movie

128  
00:05:01,110 --> 00:04:59,120  
that we watched right ooh it was uh

129  
00:05:03,270 --> 00:05:01,120  
it was recommended to us on one of our

130  
00:05:06,710 --> 00:05:03,280  
youtube uh

131  
00:05:09,270 --> 00:05:06,720  
videos walking with tall whites

132  
00:05:10,950 --> 00:05:09,280  
yeah it was pretty awesome so we'll get

133  
00:05:12,070 --> 00:05:10,960  
into that a little bit later but

134  
00:05:15,270 --> 00:05:12,080  
we're gonna start with the facebook

135  
00:05:18,629 --> 00:05:15,280  
stuff man uh let's see joseph posted

136  
00:05:19,510 --> 00:05:18,639  
pentagon establishes new task force to

137  
00:05:22,870 --> 00:05:19,520  
investigate

138  
00:05:25,110 --> 00:05:22,880

ufos oh what do you think about that man

139

00:05:26,629 --> 00:05:25,120

well i mean this is news okay so this is

140

00:05:29,270 --> 00:05:26,639

from august 17th

141

00:05:29,670 --> 00:05:29,280

um i did didn't this news come out a

142

00:05:31,110 --> 00:05:29,680

little

143

00:05:33,110 --> 00:05:31,120

like a couple weeks earlier than that

144

00:05:35,350 --> 00:05:33,120

and people i feel like

145

00:05:36,870 --> 00:05:35,360

news articles news stations i mean i'm

146

00:05:38,469 --> 00:05:36,880

not talking [h\_\_h] on you joe so

147

00:05:40,070 --> 00:05:38,479

for for posting this i'm just saying

148

00:05:41,510 --> 00:05:40,080

like a lot of people

149

00:05:43,110 --> 00:05:41,520

have been talking about this this was

150

00:05:44,710 --> 00:05:43,120

kind of released

151

00:05:47,430 --> 00:05:44,720

a few weeks back i think it was even

152

00:05:50,150 --> 00:05:47,440

before august that the pentagon

153

00:05:50,469 --> 00:05:50,160

said hey yeah uh also remember that time

154

00:05:54,310 --> 00:05:50,479

that

155

00:05:57,590 --> 00:05:54,320

had

156

00:06:00,070 --> 00:05:57,600

these uh uh these sectors that were

157

00:06:02,469 --> 00:06:00,080

looking into ufos well we actually do

158

00:06:03,270 --> 00:06:02,479

and that was like big news that was huge

159

00:06:06,469 --> 00:06:03,280

it doesn't mean

160

00:06:10,550 --> 00:06:06,479

zondo yeah yeah lu luis lewis

161

00:06:14,309 --> 00:06:10,560

lewis is it lou i think it's luis luis

162

00:06:17,830 --> 00:06:14,319

[h\_\_\h] louise man uh or

163

00:06:20,469 --> 00:06:17,840

our lounge all right anyway

164

00:06:20,950 --> 00:06:20,479

it's so loud that was my family yet yeah

165

00:06:23,830 --> 00:06:20,960

uh

166

00:06:24,469 --> 00:06:23,840

but yeah pentagon what i think it's

167

00:06:26,790 --> 00:06:24,479

amazing

168

00:06:27,590 --> 00:06:26,800

that's what i think about it yeah i mean

169

00:06:29,670 --> 00:06:27,600

[h\_\_\h] yeah

170

00:06:32,070 --> 00:06:29,680

so yeah i mean when i first read the

171

00:06:34,710 --> 00:06:32,080

headlines right pentagon establishes new

172

00:06:38,309 --> 00:06:34,720

task force to investigate ufos

173

00:06:41,029 --> 00:06:38,319

i think what about

174

00:06:42,469 --> 00:06:41,039

what about project signs what about

175

00:06:44,150 --> 00:06:42,479

project grudge

176

00:06:46,070 --> 00:06:44,160

what about the robertson panel what

177

00:06:47,990 --> 00:06:46,080

about project blue book yeah what about

178

00:06:51,029 --> 00:06:48,000

rsap yeah what about nids

179

00:06:51,990 --> 00:06:51,039

what about bass oh what about atif what

180

00:06:54,469 --> 00:06:52,000

the [h\_\_\h] were those

181

00:06:55,670 --> 00:06:54,479

yeah it was not uh task forces to

182

00:06:57,029 --> 00:06:55,680

investigate ufos

183

00:06:59,350 --> 00:06:57,039

is this just something that they're

184

00:07:00,070 --> 00:06:59,360

saying they're like hey guess what the

185

00:07:02,870 --> 00:07:00,080

pentagon

186

00:07:04,550 --> 00:07:02,880

created a task force to investigate ufos

187

00:07:06,070 --> 00:07:04,560

yeah you've been investigating for 70

188

00:07:07,589 --> 00:07:06,080

years come on don't you just tell us

189

00:07:08,230 --> 00:07:07,599

about all the task force that you've

190

00:07:10,150 --> 00:07:08,240

already had

191

00:07:11,830 --> 00:07:10,160

right like this one is just like oh yeah

192

00:07:12,150 --> 00:07:11,840

we're doing this and now we're telling

193

00:07:15,029 --> 00:07:12,160

you

194

00:07:16,710 --> 00:07:15,039

ah that's kind of what i got from the

195

00:07:18,710 --> 00:07:16,720

whole thing like yeah like no

196

00:07:21,110 --> 00:07:18,720

totally though i mean yeah that's cool

197

00:07:23,270 --> 00:07:21,120

like uh

198

00:07:24,390 --> 00:07:23,280

thank thanks for thanks for telling us

199

00:07:26,070 --> 00:07:24,400

it's the dog

200

00:07:28,309 --> 00:07:26,080

no but i don't know like it's kind of

201

00:07:31,110 --> 00:07:28,319

like what were all those other things

202

00:07:33,110 --> 00:07:31,120

yeah yeah you're right like uh real

203

00:07:34,550 --> 00:07:33,120

quick can you can you angle your your

204

00:07:36,550 --> 00:07:34,560

bend your microphone a little bit

205

00:07:39,909 --> 00:07:36,560

upwards that first t

206

00:07:42,070 --> 00:07:39,919

just up boom

207

00:07:43,670 --> 00:07:42,080

uh now you can't see my face on camera

208

00:07:44,070 --> 00:07:43,680

oh you don't have to do that oh well you

209

00:07:45,830 --> 00:07:44,080

could

210

00:07:47,270 --> 00:07:45,840

i just i was trying to get the the best

211

00:07:49,510 --> 00:07:47,280

sound possible

212

00:07:53,029 --> 00:07:49,520

you know you're just gonna do that the

213

00:08:00,150 --> 00:07:57,189

i look like who's it from uh

214

00:08:00,790 --> 00:08:00,160

uh damn it home improvement wilson oh

215

00:08:03,670 --> 00:08:00,800

yeah

216

00:08:06,629 --> 00:08:03,680

heidi who neighbor we should build a

217

00:08:12,070 --> 00:08:10,469

oh that would be so funny uh but yeah

218

00:08:14,070 --> 00:08:12,080

you have a point you have a point like

219

00:08:17,749 --> 00:08:14,080

most of these articles don't

220

00:08:21,589 --> 00:08:17,759

reference all of the other

221

00:08:23,350 --> 00:08:21,599

government black ops funded programs

222

00:08:24,550 --> 00:08:23,360

i think for i think i'm just now that

223

00:08:26,070 --> 00:08:24,560

i'm thinking about you saying that i

224

00:08:27,510 --> 00:08:26,080

feel like it has to be a reason like

225

00:08:29,350 --> 00:08:27,520

they don't want to answer where the

226

00:08:31,189 --> 00:08:29,360

where the money goes right yeah i feel

227

00:08:32,389 --> 00:08:31,199

like yeah it all i always say this but

228

00:08:33,670 --> 00:08:32,399

like follow the money it always goes

229

00:08:35,509 --> 00:08:33,680

back to

230

00:08:36,870 --> 00:08:35,519

well okay well if we divulge that we

231

00:08:40,310 --> 00:08:36,880

actually dude we've been

232

00:08:41,509 --> 00:08:40,320

[h\_\_\h] searching this [h\_\_\h] yeah and

233

00:08:42,870 --> 00:08:41,519

then people are gonna ask

234

00:08:44,949 --> 00:08:42,880

you know people that are aren't even in

235

00:08:47,509 --> 00:08:44,959

the uf ufology stuff

236

00:08:48,310 --> 00:08:47,519

like where's my [h\_\_\h] tax money going

237

00:08:50,230 --> 00:08:48,320

to bro

238

00:08:52,230 --> 00:08:50,240

right right right so maybe that's why

239

00:08:53,190 --> 00:08:52,240

and they're like oh yeah we have a new

240

00:08:56,310 --> 00:08:53,200

task force

241

00:08:58,150 --> 00:08:56,320

and it investigates ufos

242

00:09:00,070 --> 00:08:58,160

oh like but then like you know like

243

00:09:02,150 --> 00:09:00,080

people who knew know about all the other

244

00:09:05,110 --> 00:09:02,160

past stuff they're like yeah

245

00:09:05,430 --> 00:09:05,120

well yeah right yeah we know like oh

246

00:09:07,509 --> 00:09:05,440

yeah

247

00:09:08,870 --> 00:09:07,519

isn't that like the whole reason that

248

00:09:12,710 --> 00:09:08,880

this is a thing

249

00:09:14,150 --> 00:09:12,720

right is because atip was a task force

250

00:09:16,070 --> 00:09:14,160

and that's the whole reason luis

251

00:09:17,110 --> 00:09:16,080

elizondo came out and talked about it

252

00:09:18,870 --> 00:09:17,120

like because he didn't

253

00:09:20,870 --> 00:09:18,880

he wasn't working with him anymore he

254

00:09:22,470 --> 00:09:20,880

was like yeah i used to be on the task

255

00:09:23,750 --> 00:09:22,480

force that investigated ufos

256

00:09:26,310 --> 00:09:23,760

yeah and people were like whoa that's

257

00:09:29,750 --> 00:09:26,320

crazy and then the article was like

258

00:09:32,949 --> 00:09:29,760

they established a new task force oh

259

00:09:34,230 --> 00:09:32,959

dude okay yeah so that's they don't even

260

00:09:36,230 --> 00:09:34,240

i don't think they okay they do

261

00:09:37,750 --> 00:09:36,240

reference a tip yeah so they're

262

00:09:39,750 --> 00:09:37,760

they're kind of like backtracking in a

263

00:09:43,509 --> 00:09:39,760

way where they're like

264

00:09:44,550 --> 00:09:43,519

okay well so uh yeah so we did have this

265

00:09:47,829 --> 00:09:44,560

one thing

266

00:09:49,910 --> 00:09:47,839

but like also we have a new thing

267

00:09:52,070 --> 00:09:49,920

like it's totally new we've never spent

268

00:09:53,430 --> 00:09:52,080

any any money on it before but

269

00:09:54,550 --> 00:09:53,440

but that last one that you kind of

270

00:09:55,269 --> 00:09:54,560

already knew about we didn't mean to

271

00:09:58,389 --> 00:09:55,279

tell you about

272

00:10:01,430 --> 00:09:58,399

yeah it does kind of seem a little weird

273

00:10:03,350 --> 00:10:01,440

it is a little weird now granted most of

274

00:10:05,350 --> 00:10:03,360

those were

275

00:10:06,710 --> 00:10:05,360

uh oh and here's another thought i guess

276

00:10:07,829 --> 00:10:06,720

so a lot of those other ones were

277

00:10:10,710 --> 00:10:07,839

supposed to be like

278

00:10:12,630 --> 00:10:10,720

uh disinformation campaigns they were

279

00:10:13,430 --> 00:10:12,640

supposed to be able to like squash this

280

00:10:16,069 --> 00:10:13,440

whole

281

00:10:17,269 --> 00:10:16,079

you know idea that ufos are a real thing

282

00:10:19,350 --> 00:10:17,279

yeah

283

00:10:20,550 --> 00:10:19,360

maybe have you thought about what if

284

00:10:22,550 --> 00:10:20,560

they're telling you

285

00:10:24,710 --> 00:10:22,560

yeah pentagon establishes new task force

286

00:10:26,870 --> 00:10:24,720

to investigate ufos

287

00:10:28,310 --> 00:10:26,880

and now that they're telling you now

288

00:10:32,310 --> 00:10:28,320

when they tell you

289

00:10:36,310 --> 00:10:32,320

that it's [\h\_\_\h] is it more credible

290

00:10:38,230 --> 00:10:36,320

to the public oh okay

291

00:10:39,910 --> 00:10:38,240

wow all right yeah it used to be like

292

00:10:41,670 --> 00:10:39,920

that the government would be like

293

00:10:42,949 --> 00:10:41,680

now they're [\h\_\_\h] and then people

294

00:10:43,990 --> 00:10:42,959

would be like oh the government said

295

00:10:45,030 --> 00:10:44,000

they're [\h\_\_\h] they're probably

296

00:10:46,310 --> 00:10:45,040

[\h\_\_\h] but then

297

00:10:49,350 --> 00:10:46,320

there's all these other people they're

298

00:10:50,949 --> 00:10:49,360

like but wait a second how do they know

299

00:10:52,710 --> 00:10:50,959

it's [\h\_\_\h] right are they

300

00:10:53,670 --> 00:10:52,720

investigating it well no we don't do

301

00:10:55,590 --> 00:10:53,680

that it's [\h\_\_\h]

302

00:10:57,430 --> 00:10:55,600

right so and you're like wait a second

303

00:10:59,829 --> 00:10:57,440

and now they're like we have a

304

00:11:01,190 --> 00:10:59,839

task force to investigate them right so

305

00:11:03,430 --> 00:11:01,200

we can tell you it's all [\h\_\_\h]

306

00:11:04,230 --> 00:11:03,440

in a couple years [\h\_\_\h] dude i think

307

00:11:06,949 --> 00:11:04,240

you've just done it

308

00:11:08,230 --> 00:11:06,959

i don't know man i mean that would make

309

00:11:12,550 --> 00:11:08,240

so much sense like

310

00:11:16,870 --> 00:11:12,560

uh i feel like yeah now that they've

311

00:11:17,509 --> 00:11:16,880

given validity to a controlled aspect of

312

00:11:21,990 --> 00:11:17,519

it

313

00:11:23,430 --> 00:11:22,000

what you just said so i can make sense

314

00:11:25,910 --> 00:11:23,440

to myself but like

315

00:11:27,509 --> 00:11:25,920

now that they've given validity yeah

316

00:11:29,829 --> 00:11:27,519

okay so this part's true

317

00:11:31,030 --> 00:11:29,839

now they own the narrative now i mean i

318

00:11:31,910 --> 00:11:31,040

guess we've been talking about this for

319

00:11:34,150 --> 00:11:31,920

a while but yeah

320

00:11:35,269 --> 00:11:34,160

now they have what you're saying is the

321

00:11:36,710 --> 00:11:35,279

ability to say

322

00:11:38,470 --> 00:11:36,720

all right well this part's true and this

323

00:11:40,470 --> 00:11:38,480

part is not right not

324

00:11:41,910 --> 00:11:40,480

a complete blanket like none of it's

325

00:11:43,190 --> 00:11:41,920

fake like they have been doing for the

326

00:11:46,069 --> 00:11:43,200

past 70 years

327

00:11:46,710 --> 00:11:46,079

they can kind of cherry pick they want i

328

00:11:48,389 --> 00:11:46,720

think he'd just

329

00:11:50,230 --> 00:11:48,399

gone and done it and they would know

330

00:11:51,670 --> 00:11:50,240

right because they have a new task force

331

00:11:54,870 --> 00:11:51,680

that investigates

332

00:11:56,069 --> 00:11:54,880

like it's [\h\_\_\h] new dude so when

333

00:11:58,790 --> 00:11:56,079

people

334

00:11:59,590 --> 00:11:58,800

they're like well we have a new task

335

00:12:03,030 --> 00:11:59,600

force because it's

336

00:12:05,670 --> 00:12:03,040

it's new it's new like

337

00:12:06,870 --> 00:12:05,680

i i feel like it's like the whole

338

00:12:08,949 --> 00:12:06,880

government the

339

00:12:10,310 --> 00:12:08,959

the government task force is just like

340

00:12:12,230 --> 00:12:10,320

they're all smoking weed

341

00:12:13,509 --> 00:12:12,240

and they just don't remember that

342

00:12:17,110 --> 00:12:13,519

they've had like

343

00:12:17,590 --> 00:12:17,120

multiple other task forces and they're

344

00:12:21,190 --> 00:12:17,600

like

345

00:12:23,750 --> 00:12:21,200

oh oh yeah they just they

346

00:12:25,110 --> 00:12:23,760

they send them to a room like i need you

347

00:12:26,550 --> 00:12:25,120

guys to come up with something that has

348

00:12:29,030 --> 00:12:26,560

to do with ufos

349

00:12:30,550 --> 00:12:29,040

what's going on over there dude oh oh

350

00:12:32,790 --> 00:12:30,560

dude my phone's listening to you that's

351

00:12:35,269 --> 00:12:32,800

what it's doing is dictating

352

00:12:37,509 --> 00:12:35,279

so dictating you start talking about the

353

00:12:41,350 --> 00:12:37,519

government dude close and then

354

00:12:45,110 --> 00:12:41,360

and then your phone what'd you say

355

00:12:47,750 --> 00:12:45,120

siri she just shut off she gave up

356

00:12:48,389 --> 00:12:47,760

you old devil [h\_\_h] stop listening god

357

00:12:50,710 --> 00:12:48,399

damn it

358

00:12:51,910 --> 00:12:50,720

tell me my business devil woman devil

359

00:12:55,030 --> 00:12:51,920

woman i know you're

360

00:12:56,870 --> 00:12:55,040

a [h\_\_h] fire uh

361

00:12:58,150 --> 00:12:56,880

damn i don't even remember oh yeah yeah

362

00:12:59,990 --> 00:12:58,160

so like that was [h\_\_h]

363

00:13:01,670 --> 00:13:00,000

it's like a group of guys and they keep

364

00:13:02,629 --> 00:13:01,680

going into this room to come up with

365

00:13:04,150 --> 00:13:02,639

ideas

366

00:13:06,069 --> 00:13:04,160

but they keep forgetting that they've

367

00:13:08,790 --> 00:13:06,079

already came up with the same idea

368

00:13:10,790 --> 00:13:08,800

it's just like the same idea no no but

369

00:13:12,470 --> 00:13:10,800

this one is called blue book yeah

370

00:13:14,870 --> 00:13:12,480

and this one's new too so what are you

371

00:13:15,990 --> 00:13:14,880

gonna do we're gonna investigate ufos

372

00:13:17,910 --> 00:13:16,000

we didn't know what y'all did with the

373

00:13:20,790 --> 00:13:17,920

last one yeah but we're gonna really

374

00:13:22,870 --> 00:13:20,800

investigate it

375

00:13:24,629 --> 00:13:22,880

we're gonna okay so the budget is hear

376

00:13:27,910 --> 00:13:24,639

me out tear me out

377

00:13:31,990 --> 00:13:27,920

it's 24 billion hot pockets

378

00:13:38,870 --> 00:13:36,310

and obviously lots of weed man

379

00:13:40,389 --> 00:13:38,880

that's where we're gonna need dominoes

380

00:13:43,750 --> 00:13:40,399

on tap

381

00:13:44,230 --> 00:13:43,760

and fana lots of fans an orange fana

382

00:13:47,430 --> 00:13:44,240

dude

383

00:13:50,790 --> 00:13:47,440

oh man it's a pineapple fana hey

384

00:13:54,069 --> 00:13:50,800

we got uh you know you know uh

385

00:13:55,829 --> 00:13:54,079

you know how like texas rap they always

386

00:13:57,829 --> 00:13:55,839

talk about you know lean

387

00:13:59,590 --> 00:13:57,839

yeah and how like you put it in sprite

388

00:14:02,710 --> 00:13:59,600

oh yeah

389

00:14:06,949 --> 00:14:02,720

oh bro that purple yeah

390

00:14:09,269 --> 00:14:06,959

the purple stuff man bro so

391

00:14:10,629 --> 00:14:09,279

i mean they don't make it purple anymore

392

00:14:13,189 --> 00:14:10,639

right

393

00:14:15,590 --> 00:14:13,199

but back in the day instead of using

394

00:14:18,629 --> 00:14:15,600

sprite we used to use pineapple fanta

395

00:14:19,670 --> 00:14:18,639

we yeah dude that sounds dope it was

396

00:14:23,030 --> 00:14:19,680

delicious

397

00:14:24,790 --> 00:14:23,040

wait hold on pineapple fanna and then

398

00:14:25,750 --> 00:14:24,800

you also feel if i can dope after it

399

00:14:28,389 --> 00:14:25,760

yeah i feel

400

00:14:29,189 --> 00:14:28,399

i've never taken it uh but like does it

401  
00:14:30,629 --> 00:14:29,199  
it's

402  
00:14:32,230 --> 00:14:30,639  
isn't it supposed to like make you feel

403  
00:14:34,949 --> 00:14:32,240  
really sleepy but if you get past

404  
00:14:36,470 --> 00:14:34,959  
that yeah it's like like a super chill

405  
00:14:38,629 --> 00:14:36,480  
yeah you're really mellow

406  
00:14:39,590 --> 00:14:38,639  
yeah so like they would like you would

407  
00:14:41,910 --> 00:14:39,600  
get a blunt

408  
00:14:43,509 --> 00:14:41,920  
you open it up take guts out did that

409  
00:14:46,150 --> 00:14:43,519  
blunt let it sit

410  
00:14:46,550 --> 00:14:46,160  
let it dry out and then pineapple finna

411  
00:14:49,750 --> 00:14:46,560  
and then

412  
00:14:52,389 --> 00:14:49,760  
pour some your pineapple fanta bro fine

413  
00:14:53,189 --> 00:14:52,399

pineapple fantastic oh so you dip the

414

00:14:56,389 --> 00:14:53,199

cigarillo

415

00:14:58,230 --> 00:14:56,399

in in the the purp too uh-huh oh so it's

416

00:14:59,990 --> 00:14:58,240

like double so then you're smoking it

417

00:15:01,269 --> 00:15:00,000

and you're drinking it i don't feel like

418

00:15:02,790 --> 00:15:01,279

it wouldn't even do anything if you

419

00:15:03,189 --> 00:15:02,800

smoked it it's kind of like wasting it i

420

00:15:05,670 --> 00:15:03,199

don't know

421

00:15:06,389 --> 00:15:05,680

uh i guess i've heard of people like

422

00:15:09,030 --> 00:15:06,399

dipping [h\_\_\h]

423

00:15:10,310 --> 00:15:09,040

in like formaldehyde recently yeah yeah

424

00:15:12,470 --> 00:15:10,320

that's [h\_\_\h] weird

425

00:15:13,829 --> 00:15:12,480

i i didn't know that was a thing until

426

00:15:16,230 --> 00:15:13,839

this vid this

427

00:15:18,069 --> 00:15:16,240

uh tv series i was watching but yeah but

428

00:15:20,710 --> 00:15:18,079

no it was uh it's pretty good

429

00:15:22,310 --> 00:15:20,720

damn pretty good damn well why don't you

430

00:15:22,550 --> 00:15:22,320

bring some of that overnight bro hey let

431

00:15:25,990 --> 00:15:22,560

me

432

00:15:27,990 --> 00:15:26,000

we are already but

433

00:15:29,990 --> 00:15:28,000

i want to talk about this one time i

434

00:15:33,030 --> 00:15:30,000

rolled a blunt out of

435

00:15:35,430 --> 00:15:33,040

a out of a sausage wrap like

436

00:15:37,670 --> 00:15:35,440

it's like a skin yeah so like the skin

437

00:15:41,269 --> 00:15:37,680

that comes on like summer sausage

438

00:15:41,990 --> 00:15:41,279

so uh you know josh was it like the

439

00:15:44,069 --> 00:15:42,000

intestine

440

00:15:45,829 --> 00:15:44,079

or like sometimes they do the you know

441

00:15:47,350 --> 00:15:45,839

the wrap part that you cut off yeah was

442

00:15:47,829 --> 00:15:47,360

that out don't they use intestines

443

00:15:52,069 --> 00:15:47,839

sometimes

444

00:15:55,269 --> 00:15:52,079

yeah okay so um josh

445

00:15:55,829 --> 00:15:55,279

my buddy josh uh he used to work at the

446

00:15:57,430 --> 00:15:55,839

mall

447

00:15:59,350 --> 00:15:57,440

and during the holidays they sell like

448

00:16:00,870 --> 00:15:59,360

that popcorn and the summer sausage for

449

00:16:04,230 --> 00:16:00,880

like christmas time [h\_\_\h]

450

00:16:07,430 --> 00:16:04,240

so they had this badass like honey

451  
00:16:09,110 --> 00:16:07,440  
smoked honey ham sausage thing so

452  
00:16:10,949 --> 00:16:09,120  
we were like damn this that looks like a

453  
00:16:13,110 --> 00:16:10,959  
giant blunt we were like man what if

454  
00:16:14,870 --> 00:16:13,120  
what if we rolled a blunt out of that

455  
00:16:16,949 --> 00:16:14,880  
and we were like

456  
00:16:18,069 --> 00:16:16,959  
let's do it let's try why not and so

457  
00:16:19,990 --> 00:16:18,079  
we're adults we

458  
00:16:23,110 --> 00:16:20,000  
we cut we cut this open we took that

459  
00:16:26,150 --> 00:16:23,120  
little wrap off the outside

460  
00:16:27,829 --> 00:16:26,160  
and we put weed in it and then we rolled

461  
00:16:28,629 --> 00:16:27,839  
it up you could put your weed in it too

462  
00:16:30,470 --> 00:16:28,639  
man

463  
00:16:32,230 --> 00:16:30,480

we rolled it up and then like we

464

00:16:32,870 --> 00:16:32,240

couldn't get it to stick so we took some

465

00:16:36,069 --> 00:16:32,880

honey

466

00:16:38,230 --> 00:16:36,079

stuck it

467

00:16:40,629 --> 00:16:38,240

dude oh that sounds really delicious

468

00:16:42,710 --> 00:16:40,639

that blunt smoked for like 45 minutes

469

00:16:45,350 --> 00:16:42,720

oh my gosh it was like the slowest

470

00:16:48,310 --> 00:16:45,360

burning most tasty meaty

471

00:16:49,990 --> 00:16:48,320

sausage is like an inch how big was this

472

00:16:50,310 --> 00:16:50,000

how much weed did you it was like it was

473

00:16:54,150 --> 00:16:50,320

like a

474

00:16:55,990 --> 00:16:54,160

big summer sausage

475

00:16:57,590 --> 00:16:56,000

but like we cut it and then we cut that

476

00:16:59,269 --> 00:16:57,600

in half so we had like a

477

00:17:00,629 --> 00:16:59,279

like a blunt size okay you know because

478

00:17:01,910 --> 00:17:00,639

they got like cigarillos

479

00:17:03,670 --> 00:17:01,920

but then they also have blunts and

480

00:17:05,669 --> 00:17:03,680

blunts are bigger so

481

00:17:07,429 --> 00:17:05,679

and this was back in the day when like

482

00:17:10,069 --> 00:17:07,439

like schwag was like real prominent

483

00:17:10,630 --> 00:17:10,079

right i missed that i missed that man

484

00:17:13,110 --> 00:17:10,640

just

485

00:17:15,429 --> 00:17:13,120

swag you could you could smoke yeah back

486

00:17:18,309 --> 00:17:15,439

in my day when a dime bag costs a dime

487

00:17:19,669 --> 00:17:18,319

yeah you know how much condoms cost i

488

00:17:22,150 --> 00:17:19,679

don't know we never used it i've never

489

00:17:25,510 --> 00:17:24,949

willie nelson ladies and gentlemen the

490

00:17:27,189 --> 00:17:25,520

uh

491

00:17:29,270 --> 00:17:27,199

but the the wrap so what did it taste

492

00:17:29,590 --> 00:17:29,280

like pork rinds like dude no it tasted

493

00:17:35,350 --> 00:17:29,600

like

494

00:17:35,830 --> 00:17:35,360

oh my god it was so delightful i don't

495

00:17:38,230 --> 00:17:35,840

know if

496

00:17:38,950 --> 00:17:38,240

it was the healthiest thing to like

497

00:17:41,830 --> 00:17:38,960

smoke

498

00:17:42,710 --> 00:17:41,840

but [h\_\_\h] yeah and that that's very

499

00:17:45,270 --> 00:17:42,720

innovative

500

00:17:45,990 --> 00:17:45,280

of you guys also you were the two people

501  
00:17:48,470 --> 00:17:46,000  
that i would

502  
00:17:50,150 --> 00:17:48,480  
bet most on actually doing that if you

503  
00:17:53,750 --> 00:17:50,160  
had that on like a

504  
00:17:56,549 --> 00:17:53,760  
like a abc answer questionnaire

505  
00:17:57,669 --> 00:17:56,559  
yeah [h\_\_h] hilarious yeah honey baked

506  
00:18:00,150 --> 00:17:57,679  
hand blunt

507  
00:18:00,870 --> 00:18:00,160  
it was awesome i love that oh anyways

508  
00:18:04,630 --> 00:18:00,880  
man back to

509  
00:18:06,870 --> 00:18:04,640  
back to the pentagon these guys are just

510  
00:18:08,310 --> 00:18:06,880  
over here waiting right now

511  
00:18:10,150 --> 00:18:08,320  
but yeah man i mean that's kind of my

512  
00:18:12,950 --> 00:18:10,160  
thoughts on on the whole pentagon thing

513  
00:18:13,990 --> 00:18:12,960

it's like like yeah no i mean like it's

514

00:18:16,230 --> 00:18:14,000

totally cool right

515

00:18:18,549 --> 00:18:16,240

but how about all the other other it

516

00:18:21,110 --> 00:18:18,559

would be cool to hear them acknowledge

517

00:18:22,310 --> 00:18:21,120

all the other programs as well yeah and

518

00:18:24,549 --> 00:18:22,320

they'd be like

519

00:18:26,710 --> 00:18:24,559

pentagon establishes new task force

520

00:18:28,070 --> 00:18:26,720

after previous eight task forces that

521

00:18:30,789 --> 00:18:28,080

were established to investigate

522

00:18:31,430 --> 00:18:30,799

ufos oh i'll also add the reason that

523

00:18:33,909 --> 00:18:31,440

nids

524

00:18:34,470 --> 00:18:33,919

and all that is not not acknowledged is

525

00:18:38,390 --> 00:18:34,480

because

526

00:18:40,310 --> 00:18:38,400

privately right bigelow

527

00:18:41,750 --> 00:18:40,320

and all that stuff corporation which

528

00:18:41,990 --> 00:18:41,760

everything's moving to if you want to

529

00:18:45,510 --> 00:18:42,000

keep

530

00:18:46,950 --> 00:18:45,520

a secret yeah which okay okay this is

531

00:18:48,310 --> 00:18:46,960

kind of giving me off let me ask you

532

00:18:51,190 --> 00:18:48,320

this i've got a question

533

00:18:53,270 --> 00:18:51,200

so everybody talks about if the ufo was

534

00:18:55,510 --> 00:18:53,280

if the ufo phenomenon was real and

535

00:18:57,590 --> 00:18:55,520

and the government knew about it you

536

00:18:59,270 --> 00:18:57,600

would think that

537

00:19:01,110 --> 00:18:59,280

the secret would be out because it's so

538

00:19:03,029 --> 00:19:01,120

hard to keep people to keep secrets

539

00:19:05,750 --> 00:19:03,039

right and that's a good argument but

540

00:19:07,909 --> 00:19:05,760

at the same time how many people work at

541

00:19:10,230 --> 00:19:07,919

tesla how many people work at microsoft

542

00:19:11,669 --> 00:19:10,240

how many people work at panasonic yeah

543

00:19:13,830 --> 00:19:11,679

companies from around the world that

544

00:19:16,470 --> 00:19:13,840

have thousands of employees

545

00:19:17,190 --> 00:19:16,480

that keep apple for instance that keep a

546

00:19:19,110 --> 00:19:17,200

secret for

547

00:19:21,270 --> 00:19:19,120

launch launches of their new product

548

00:19:21,590 --> 00:19:21,280

yeah definitely that's a great example

549

00:19:23,750 --> 00:19:21,600

of

550

00:19:25,590 --> 00:19:23,760

yeah [h\_\_h] people can keep a secret

551  
00:19:28,630 --> 00:19:25,600  
and all and those people aren't getting

552  
00:19:30,230 --> 00:19:28,640  
a death threat right yes then also

553  
00:19:32,630 --> 00:19:30,240  
their families are being threatened with

554  
00:19:34,470 --> 00:19:32,640  
their lives so you got me on that

555  
00:19:36,230 --> 00:19:34,480  
like you imagine working for the

556  
00:19:38,390 --> 00:19:36,240  
government and they'll be like

557  
00:19:39,590 --> 00:19:38,400  
keep this a secret and you just turn

558  
00:19:41,270 --> 00:19:39,600  
around to walk out the door and they're

559  
00:19:43,990 --> 00:19:41,280  
like oh and by the way

560  
00:19:44,549 --> 00:19:44,000  
if you don't we'll murder you and your

561  
00:19:47,990 --> 00:19:44,559  
family

562  
00:19:49,590 --> 00:19:48,000  
and you won't have even your yeah yeah

563  
00:19:51,350 --> 00:19:49,600

yeah your cousins and [h\_\_h] like they

564

00:19:51,590 --> 00:19:51,360

will [h\_\_h] wipe you out i'll wipe you

565

00:19:53,750 --> 00:19:51,600

out

566

00:19:55,029 --> 00:19:53,760

imagine hearing that and okay well [h\_\_h]

567

00:19:58,230 --> 00:19:55,039

yeah i'll keep the secret

568

00:20:01,510 --> 00:19:58,240

yeah but i feel like the analogy to

569

00:20:03,350 --> 00:20:01,520

tech companies is a good one because

570

00:20:05,510 --> 00:20:03,360

yes people could keep a secret the

571

00:20:08,390 --> 00:20:05,520

people didn't know that the iphone

572

00:20:09,430 --> 00:20:08,400

10 or the x was gonna have three cameras

573

00:20:10,950 --> 00:20:09,440

on it until

574

00:20:13,270 --> 00:20:10,960

some like i don't even think it was

575

00:20:13,590 --> 00:20:13,280

leaked out until like a week before or

576  
00:20:18,149 --> 00:20:13,600  
the

577  
00:20:20,630 --> 00:20:18,159  
was a significant change

578  
00:20:22,230 --> 00:20:20,640  
um i was listening to uh i was listening

579  
00:20:25,029 --> 00:20:22,240  
to michael schratt

580  
00:20:26,070 --> 00:20:25,039  
um the other day and and the the host of

581  
00:20:27,830 --> 00:20:26,080  
the show was like

582  
00:20:29,750 --> 00:20:27,840  
yeah i mean you know they're they're

583  
00:20:31,190 --> 00:20:29,760  
keeping these secrets which is is crazy

584  
00:20:32,149 --> 00:20:31,200  
that they're able to keep these secrets

585  
00:20:34,230 --> 00:20:32,159  
you you i mean

586  
00:20:35,990 --> 00:20:34,240  
how do you feel about them actually

587  
00:20:37,669 --> 00:20:36,000  
being able to keep secrets do you think

588  
00:20:40,549 --> 00:20:37,679

that's i mean that's possible

589

00:20:41,110 --> 00:20:40,559

and just straight up he was like yeah

590

00:20:42,549 --> 00:20:41,120

yeah

591

00:20:44,789 --> 00:20:42,559

he was like really you think so he was

592

00:20:46,549 --> 00:20:44,799

like oh oh yeah

593

00:20:48,710 --> 00:20:46,559

not a doubt in my mind if they want to

594

00:20:49,669 --> 00:20:48,720

keep this a secret they can absolutely

595

00:20:52,390 --> 00:20:49,679

keep it a secret

596

00:20:53,909 --> 00:20:52,400

yeah no doubt secret well there you go i

597

00:20:57,029 --> 00:20:53,919

mean and michael stratt says it

598

00:21:00,070 --> 00:20:57,039

i believe it yeah i mean

599

00:21:01,029 --> 00:21:00,080

what uh dude such a dope dope dude he

600

00:21:04,470 --> 00:21:01,039

was so awesome

601  
00:21:06,310 --> 00:21:04,480  
um his presentation uh

602  
00:21:07,830 --> 00:21:06,320  
it was so good and i'm gonna try and get

603  
00:21:10,149 --> 00:21:07,840  
him on the show pretty soon by the way

604  
00:21:10,950 --> 00:21:10,159  
i love the next like two shows one or

605  
00:21:12,230 --> 00:21:10,960  
two shows

606  
00:21:14,549 --> 00:21:12,240  
hell yeah so that would be awesome it

607  
00:21:14,870 --> 00:21:14,559  
would be a very visual episode for sure

608  
00:21:17,590 --> 00:21:14,880  
because

609  
00:21:19,029 --> 00:21:17,600  
like he's he's uh we probably talked

610  
00:21:21,909 --> 00:21:19,039  
about this before but he

611  
00:21:23,110 --> 00:21:21,919  
does he's contracted a lot of uh

612  
00:21:25,669 --> 00:21:23,120  
visualization like

613  
00:21:27,110 --> 00:21:25,679

designers uh and artists to do

614

00:21:29,990 --> 00:21:27,120

renderings of

615

00:21:31,190 --> 00:21:30,000

of uh descriptions of craft and and

616

00:21:33,110 --> 00:21:31,200

stuff and manchester united

617

00:21:35,430 --> 00:21:33,120

has been over yeah some of that stuff

618

00:21:37,510 --> 00:21:35,440

was phenomenal the one the big one

619

00:21:39,990 --> 00:21:37,520

remember with all the windows at the top

620

00:21:43,270 --> 00:21:40,000

and there's like a hanger at the bottom

621

00:21:44,470 --> 00:21:43,280

man the detail that they can get out of

622

00:21:47,110 --> 00:21:44,480

people like

623

00:21:48,630 --> 00:21:47,120

i mean man i would love to for him to uh

624

00:21:51,430 --> 00:21:48,640

to talk to sonny

625

00:21:53,190 --> 00:21:51,440

about uh oh yeah about that because we

626

00:21:54,549 --> 00:21:53,200

tried to draw it after that episode and

627

00:21:56,070 --> 00:21:54,559

i'm a terrible

628

00:21:57,990 --> 00:21:56,080

you probably do a way better job of it

629

00:21:59,590 --> 00:21:58,000

but he had such intimate knowledge

630

00:22:01,190 --> 00:21:59,600

of the little details like the vents at

631

00:22:01,990 --> 00:22:01,200

the back and [h\_\_h] like that i i would

632

00:22:03,669 --> 00:22:02,000

love

633

00:22:05,110 --> 00:22:03,679

for michael schratt to maybe we should

634

00:22:08,070 --> 00:22:05,120

connect him but yeah let's

635

00:22:10,230 --> 00:22:08,080

that would be pretty cool yeah uh they

636

00:22:13,430 --> 00:22:10,240

were saying that he

637

00:22:15,750 --> 00:22:13,440

was i was in in chicago i think it's in

638

00:22:17,909 --> 00:22:15,760

chicago there was this area

639

00:22:18,870 --> 00:22:17,919

um that he was able to get into when he

640

00:22:22,870 --> 00:22:18,880

was younger

641

00:22:24,870 --> 00:22:22,880

and it just had case files it was koufos

642

00:22:26,070 --> 00:22:24,880

michael was yeah and he was able to have

643

00:22:27,990 --> 00:22:26,080

access to all these files

644

00:22:29,669 --> 00:22:28,000

i think he went he went through like 50

645

00:22:31,750 --> 00:22:29,679

000 files whoa

646

00:22:33,909 --> 00:22:31,760

damn yeah it was a lot and then he said

647

00:22:35,590 --> 00:22:33,919

like he just sectioned them out

648

00:22:36,950 --> 00:22:35,600

to stuff that had like eyewitness

649

00:22:39,590 --> 00:22:36,960

reports and pictures

650

00:22:40,230 --> 00:22:39,600

hand drawing pictures cool just pulled

651  
00:22:41,590 --> 00:22:40,240  
those

652  
00:22:43,350 --> 00:22:41,600  
as like the most important that he

653  
00:22:44,710 --> 00:22:43,360  
wanted to go through and then he got

654  
00:22:47,190 --> 00:22:44,720  
some people to help him like

655  
00:22:47,830 --> 00:22:47,200  
rescale and get all this stuff drawn up

656  
00:22:49,669 --> 00:22:47,840  
and yeah

657  
00:22:51,110 --> 00:22:49,679  
so he could make presentations out of it

658  
00:22:52,390 --> 00:22:51,120  
that was pretty impressive so

659  
00:22:54,789 --> 00:22:52,400  
that's super impressive definitely want

660  
00:22:56,230 --> 00:22:54,799  
to get that dude uh on the show pretty

661  
00:22:59,590 --> 00:22:56,240  
soon i wonder

662  
00:23:00,230 --> 00:22:59,600  
what uh anomaly archives here in austin

663  
00:23:02,230 --> 00:23:00,240

texas

664

00:23:03,990 --> 00:23:02,240

where you and i went i bet they have a

665

00:23:04,549 --> 00:23:04,000

lot of stuff on file like that oh yeah

666

00:23:06,710 --> 00:23:04,559

they got

667

00:23:07,990 --> 00:23:06,720

all those mufon reports yeah all those

668

00:23:11,110 --> 00:23:08,000

books and stuff of texas

669

00:23:13,350 --> 00:23:11,120

specific things i get uh we get emails

670

00:23:14,950 --> 00:23:13,360

about uh anomaly archives if you guys

671

00:23:15,830 --> 00:23:14,960

are in the austin area or the central

672

00:23:17,830 --> 00:23:15,840

texas area

673

00:23:19,750 --> 00:23:17,840

area and y'all want to take a trip and

674

00:23:21,350 --> 00:23:19,760

y'all love ufos and aliens and stuff

675

00:23:23,510 --> 00:23:21,360

man if you all haven't seen it we did do

676

00:23:25,909 --> 00:23:23,520

a video on our youtube channel yeah but

677

00:23:28,310 --> 00:23:25,919

man that uh the video doesn't do the

678

00:23:29,029 --> 00:23:28,320

library justice like the archives are

679

00:23:31,110 --> 00:23:29,039

sick like

680

00:23:32,390 --> 00:23:31,120

any any book you can think of the people

681

00:23:36,070 --> 00:23:32,400

there are so [h\_\_\h] cool

682

00:23:39,190 --> 00:23:36,080

they even have vhs's dude

683

00:23:42,390 --> 00:23:39,200

oh my gosh okay the book from the 1600s

684

00:23:46,390 --> 00:23:42,400

dude it was nuts we did not break it

685

00:23:49,909 --> 00:23:46,400

we did we did it like we were like

686

00:23:51,269 --> 00:23:49,919

we're not supposed to be in here right

687

00:23:53,990 --> 00:23:51,279

like you breathe on that thing and it

688

00:23:55,909 --> 00:23:54,000

just dissolves

689

00:23:57,350 --> 00:23:55,919

we we didn't pick anything up and touch

690

00:24:01,669 --> 00:23:57,360

it and break it so i

691

00:24:05,029 --> 00:24:04,630

all the books turned brown you're like

692

00:24:09,830 --> 00:24:05,039

it was

693

00:24:11,669 --> 00:24:09,840

someone did someone fart in here

694

00:24:16,830 --> 00:24:11,679

seriously did someone fire this shell is

695

00:24:19,909 --> 00:24:18,390

no man

696

00:24:22,950 --> 00:24:19,919

all right what's next yeah let's go

697

00:24:27,350 --> 00:24:26,390

chile oh yeah that was i got some [h\_\_\h]

698

00:24:30,789 --> 00:24:27,360

for this post

699

00:24:31,590 --> 00:24:30,799

um a new member was like come on are you

700

00:24:35,029 --> 00:24:31,600

serious

701  
00:24:35,590 --> 00:24:35,039  
dope this this uh this video we'll watch

702  
00:24:37,750 --> 00:24:35,600  
it let's see

703  
00:24:39,590 --> 00:24:37,760  
let's check it out i'm not sure if i've

704  
00:24:42,070 --> 00:24:39,600  
seen this i mean i

705  
00:24:44,070 --> 00:24:42,080  
i'm serious as as i could be i mean i'm

706  
00:24:45,830 --> 00:24:44,080  
not saying like this is [h\_\_h] uh

707  
00:24:47,190 --> 00:24:45,840  
alien spacecraft i just thought it was

708  
00:24:49,990 --> 00:24:47,200  
interesting

709  
00:24:51,029 --> 00:24:50,000  
that's i mean that's the reason i share

710  
00:24:52,470 --> 00:24:51,039  
stuff is because i think it's

711  
00:24:55,750 --> 00:24:52,480  
interesting i think most people

712  
00:24:57,590 --> 00:24:55,760  
well it's not something out of the

713  
00:24:58,710 --> 00:24:57,600

ordinary that you wouldn't see

714

00:25:00,789 --> 00:24:58,720

you know what i'm saying like when it

715

00:25:02,630 --> 00:25:00,799

comes to like the the you know ufo

716

00:25:05,990 --> 00:25:02,640

videos and stuff like that

717

00:25:08,630 --> 00:25:06,000

you can like really kind of pick out the

718

00:25:10,070 --> 00:25:08,640

the fakeness and the realness but i mean

719

00:25:10,789 --> 00:25:10,080

there's a lot of aspects where i thought

720

00:25:12,470 --> 00:25:10,799

this was

721

00:25:13,830 --> 00:25:12,480

was legit because interesting enough to

722

00:25:16,630 --> 00:25:13,840

look at and to ask

723

00:25:18,310 --> 00:25:16,640

questions about for sure absolutely and

724

00:25:19,510 --> 00:25:18,320

and uh there's a few things that the

725

00:25:22,390 --> 00:25:19,520

camera does like the

726

00:25:22,950 --> 00:25:22,400

out of focus and in focus is is spot on

727

00:25:26,230 --> 00:25:22,960

like

728

00:25:30,070 --> 00:25:26,240

yeah

729

00:25:32,789 --> 00:25:30,080

fake or is this real

730

00:25:33,590 --> 00:25:32,799

well i mean i would i still i i kind of

731

00:25:35,590 --> 00:25:33,600

stand by my

732

00:25:36,789 --> 00:25:35,600

my post i still feel like this is real

733

00:25:37,669 --> 00:25:36,799

yeah it's pretty interesting but i don't

734

00:25:39,269 --> 00:25:37,679

know what do you think

735

00:25:40,789 --> 00:25:39,279

it could be static electricity in the

736

00:25:42,870 --> 00:25:40,799

clouds it looked like a cloudy day

737

00:25:43,909 --> 00:25:42,880

well i would like to hear what uh what

738

00:25:46,230 --> 00:25:43,919

dylan has to say

739

00:25:48,230 --> 00:25:46,240

yeah maybe he has an example of or you

740

00:25:51,750 --> 00:25:48,240

know could could explain it if

741

00:25:54,789 --> 00:25:51,760

you know he seemed pretty uh hell-bent

742

00:25:55,990 --> 00:25:54,799

on the uh wonder oh lou louis said i

743

00:25:56,549 --> 00:25:56,000

wonder why the dog is whining in the

744

00:26:00,310 --> 00:25:56,559

background

745

00:26:04,310 --> 00:26:00,320

oh everybody's laughing like

746

00:26:05,990 --> 00:26:04,320

anyway all right it's it's the uh

747

00:26:07,590 --> 00:26:06,000

hey i'm about to be a dick but uh i'm

748

00:26:08,630 --> 00:26:07,600

gonna put a little smiley face there no

749

00:26:10,470 --> 00:26:08,640

i appreciate that

750

00:26:12,149 --> 00:26:10,480

yeah i know neither of these guys were

751

00:26:15,269 --> 00:26:12,159

trying to be a dick

752

00:26:16,789 --> 00:26:15,279

like dr uh yeah dylan i'm sure you

753

00:26:18,390 --> 00:26:16,799

weren't trying to be a dick i appreciate

754

00:26:20,390 --> 00:26:18,400

the laughing faces that's like

755

00:26:22,470 --> 00:26:20,400

yeah you're right it does kind of like

756

00:26:24,710 --> 00:26:22,480

smooth out it softens it

757

00:26:25,510 --> 00:26:24,720

so you don't come off as like yeah like

758

00:26:27,430 --> 00:26:25,520

he's on my side

759

00:26:29,029 --> 00:26:27,440

this guy being a dick but he's like no

760

00:26:30,070 --> 00:26:29,039

i'm not i put the smiley faces that's

761

00:26:32,310 --> 00:26:30,080

what that means because

762

00:26:33,110 --> 00:26:32,320

you can't like tell what i'm saying how

763

00:26:36,070 --> 00:26:33,120

i'm saying it

764

00:26:36,870 --> 00:26:36,080

right yeah writing [h\_\_h] writing yeah

765

00:26:38,390 --> 00:26:36,880

exactly

766

00:26:40,149 --> 00:26:38,400

but i don't know i still stand by it i'm

767

00:26:43,510 --> 00:26:40,159

not yeah i'm not taking it

768

00:26:45,269 --> 00:26:43,520

personally but anyway um oh and then

769

00:26:47,669 --> 00:26:45,279

went uh okay so moving on

770

00:26:48,630 --> 00:26:47,679

the uh the next post is uh i i made the

771

00:26:51,510 --> 00:26:48,640

next post the

772

00:26:51,990 --> 00:26:51,520

feed spot the number 12 dude the number

773

00:26:55,590 --> 00:26:52,000

12

774

00:26:58,789 --> 00:26:55,600

uh uh podcast alien pot

775

00:27:01,269 --> 00:26:58,799

ufo podcast to listen to in 2020

776

00:27:02,789 --> 00:27:01,279

ufo garage is number 12. that's pretty

777

00:27:03,430 --> 00:27:02,799

sweet right it's [\h\_\_\h] sick that's

778

00:27:06,310 --> 00:27:03,440

pretty cool

779

00:27:08,149 --> 00:27:06,320

i don't know uh who made this list why

780

00:27:09,110 --> 00:27:08,159

they made this list or how significant

781

00:27:11,830 --> 00:27:09,120

this list is

782

00:27:13,269 --> 00:27:11,840

but it lets me know that somebody thinks

783

00:27:15,909 --> 00:27:13,279

we're worth it that's [\h\_\_\h] cool

784

00:27:16,630 --> 00:27:15,919

i'm just glad we made a list yeah that's

785

00:27:19,190 --> 00:27:16,640

pretty cool

786

00:27:21,350 --> 00:27:19,200

well ryan sprague our boy number six

787

00:27:23,990 --> 00:27:21,360

hell yeah congratulations

788

00:27:25,590 --> 00:27:24,000

that's awesome hell yeah man yeah dude

789

00:27:27,110 --> 00:27:25,600

number 12. it's super dope i'm pretty

790

00:27:29,350 --> 00:27:27,120

excited about that

791

00:27:30,149 --> 00:27:29,360

um that's cool yeah like like you said

792

00:27:33,750 --> 00:27:30,159

i'm just

793

00:27:34,789 --> 00:27:33,760

even thought of to on a [h\_\_\h] list i

794

00:27:37,190 --> 00:27:34,799

like that man

795

00:27:38,710 --> 00:27:37,200

that was cool that was cool what uh hell

796

00:27:40,070 --> 00:27:38,720

yeah dude let's see what's next

797

00:27:41,669 --> 00:27:40,080

i didn't get to see that one i don't

798

00:27:44,389 --> 00:27:41,679

know what it is oh honestly yeah sorry

799

00:27:47,510 --> 00:27:44,399

louise i did i didn't either

800

00:27:50,950 --> 00:27:47,520

and this one just let's see

801  
00:27:53,510 --> 00:27:50,960  
bishop larry did you

802  
00:27:55,190 --> 00:27:53,520  
what is this one about human embryonic

803  
00:27:59,029 --> 00:27:55,200  
kidney 20 uh

804  
00:28:01,669 --> 00:27:59,039  
293 cells often often reference

805  
00:28:03,029 --> 00:28:01,679  
it's how they're putting this i'm good i

806  
00:28:05,430 --> 00:28:03,039  
just spilled my [h\_\_\h] beer

807  
00:28:07,510 --> 00:28:05,440  
damn it it's it's how they're putting

808  
00:28:11,510 --> 00:28:07,520  
like human

809  
00:28:14,549 --> 00:28:11,520  
like cells and like maybe body parts

810  
00:28:16,310 --> 00:28:14,559  
also oh god like chimera [h\_\_\h] embryonic

811  
00:28:20,389 --> 00:28:16,320  
cells into food

812  
00:28:21,909 --> 00:28:20,399  
yeah it's it's it's pretty rough

813  
00:28:24,070 --> 00:28:21,919

we grab the t-shirt so i can stick up

814

00:28:27,350 --> 00:28:24,080

that beer yeah no worries man

815

00:28:27,909 --> 00:28:27,360

uh hey man i you know i i uh i miss you

816

00:28:31,909 --> 00:28:27,919

guys

817

00:28:34,789 --> 00:28:31,919

say uh thank you to everybody who

818

00:28:35,350 --> 00:28:34,799

uh got on to the redeemer small batch

819

00:28:37,909 --> 00:28:35,360

post

820

00:28:38,389 --> 00:28:37,919

a couple days ago that's pretty awesome

821

00:28:41,430 --> 00:28:38,399

man

822

00:28:43,669 --> 00:28:41,440

um they're really cool uh she does a

823

00:28:46,230 --> 00:28:43,679

great job bailey's awesome

824

00:28:47,750 --> 00:28:46,240

and she knows her stuff man if you guys

825

00:28:50,230 --> 00:28:47,760

are interested in that

826

00:28:51,750 --> 00:28:50,240

uh go check out redeemer small patch and

827

00:28:56,070 --> 00:28:51,760

use the code ufo garage

828

00:28:58,710 --> 00:28:56,080

15 for 15 off of your total purchase

829

00:29:01,269 --> 00:28:58,720

uh i know dan was like they got me with

830

00:29:03,830 --> 00:29:01,279

that mango smoothie

831

00:29:05,350 --> 00:29:03,840

yeah which is uh yeah dude yeah i know

832

00:29:07,269 --> 00:29:05,360

anything with mango is gonna be

833

00:29:08,389 --> 00:29:07,279

[h\_\_h] delicious right oh yeah so what

834

00:29:10,470 --> 00:29:08,399

is the smoothie is it

835

00:29:12,549 --> 00:29:10,480

they send the powder and then you add

836

00:29:14,310 --> 00:29:12,559

milk to it i didn't see

837

00:29:15,669 --> 00:29:14,320

uh no i mean you make a smoothie and

838

00:29:19,269 --> 00:29:15,679

then you can you know

839

00:29:23,190 --> 00:29:19,279

put the uh put your cbd in there

840

00:29:25,110 --> 00:29:23,200

or you can use the oil the tinctures

841

00:29:27,350 --> 00:29:25,120

so yeah is it like an eyedropper kind of

842

00:29:29,909 --> 00:29:27,360

deal or oh [\h\_\_\h] that's awesome

843

00:29:31,510 --> 00:29:29,919

yeah yeah um the cool thing about the

844

00:29:32,789 --> 00:29:31,520

little pills though is that it's already

845

00:29:33,909 --> 00:29:32,799

measured out you already know what

846

00:29:37,510 --> 00:29:33,919

you're taking you're taking

847

00:29:39,190 --> 00:29:37,520

you know 50 milligrams 25 milligrams uh

848

00:29:40,870 --> 00:29:39,200

and the tinctures you kind of you know

849

00:29:42,710 --> 00:29:40,880

you squeeze them and you just get

850

00:29:44,870 --> 00:29:42,720

you know however many drops you want out

851  
00:29:46,149 --> 00:29:44,880  
of it um they also got the pre-rolls

852  
00:29:48,310 --> 00:29:46,159  
which are pretty dope

853  
00:29:50,710 --> 00:29:48,320  
um if you're interested in pre-rolled

854  
00:29:53,430 --> 00:29:50,720  
cbd

855  
00:29:54,549 --> 00:29:53,440  
i guess maybe and you're in texas or i

856  
00:29:55,830 --> 00:29:54,559  
don't know is it all the way through the

857  
00:29:58,149 --> 00:29:55,840  
united states

858  
00:29:59,750 --> 00:29:58,159  
they're trying to make it illegal again

859  
00:30:01,350 --> 00:29:59,760  
so they're fighting a court battle right

860  
00:30:04,549 --> 00:30:01,360  
now so get them while you can

861  
00:30:06,310 --> 00:30:04,559  
hell yeah um ufo garage i just realized

862  
00:30:07,590 --> 00:30:06,320  
i've been taking the the 10 milligram

863  
00:30:09,110 --> 00:30:07,600

ones because i haven't even opened the

864

00:30:11,269 --> 00:30:09,120

50 i've been taking two of these i've

865

00:30:13,750 --> 00:30:11,279

been sleeping like a baby

866

00:30:14,310 --> 00:30:13,760

so take that and you're gonna be a brand

867

00:30:17,190 --> 00:30:14,320

new man

868

00:30:20,789 --> 00:30:17,200

[h\_\_\h] yeah take so with these i would say

869

00:30:24,149 --> 00:30:23,269

like during the day you know or oh like

870

00:30:26,230 --> 00:30:24,159

periodically

871

00:30:27,830 --> 00:30:26,240

to sleep but like maybe at the beginning

872

00:30:28,230 --> 00:30:27,840

of the day start your day with one of

873

00:30:30,549 --> 00:30:28,240

those

874

00:30:31,909 --> 00:30:30,559

yeah and then at the end of the day end

875

00:30:33,350 --> 00:30:31,919

it with one of those

876

00:30:35,190 --> 00:30:33,360

i feel like that would be really

877

00:30:35,990 --> 00:30:35,200

beneficial i'm not saying it makes me go

878

00:30:38,470 --> 00:30:36,000

to sleep it just

879

00:30:39,029 --> 00:30:38,480

turns all of my anxiety off that's what

880

00:30:41,269 --> 00:30:39,039

it does

881

00:30:42,549 --> 00:30:41,279

yeah dude like for real i've got i mean

882

00:30:45,269 --> 00:30:42,559

i just overthink [h\_\_h]

883

00:30:46,230 --> 00:30:45,279

like constantly and when i take this i

884

00:30:48,549 --> 00:30:46,240

just like

885

00:30:50,630 --> 00:30:48,559

i'm just normal like it's amazing i'm

886

00:30:51,830 --> 00:30:50,640

not saying like this is just my

887

00:30:54,549 --> 00:30:51,840

my [h\_\_h] i'm not saying this is going to

888

00:30:57,190 --> 00:30:54,559

work for everybody but [\h\_\_\h] man

889

00:30:58,310 --> 00:30:57,200

i'm a believer now yeah so and that's

890

00:31:02,230 --> 00:30:58,320

that's pretty legit

891

00:31:05,990 --> 00:31:02,240

guys because ben's not like a a

892

00:31:07,509 --> 00:31:06,000

seasoned smoker or cbd guy at all

893

00:31:09,110 --> 00:31:07,519

right you know like i mean he'll do it

894

00:31:10,549 --> 00:31:09,120

occasionally but it's not like something

895

00:31:13,269 --> 00:31:10,559

that's like yeah we don't we'll get

896

00:31:16,310 --> 00:31:15,909

contrary to popular belief we don't get

897

00:31:18,389 --> 00:31:16,320

baked

898

00:31:19,750 --> 00:31:18,399

on every show we have gotten high on a

899

00:31:22,230 --> 00:31:19,760

couple of shows yeah

900

00:31:24,549 --> 00:31:22,240

yeah but uh so i mean yeah he's having

901  
00:31:26,549 --> 00:31:24,559  
you know legit uh

902  
00:31:27,830 --> 00:31:26,559  
a legit experience man yeah he's really

903  
00:31:30,230 --> 00:31:27,840  
feeling feeling the difference

904  
00:31:30,870 --> 00:31:30,240  
coming fresh yeah like not as a pot

905  
00:31:32,870 --> 00:31:30,880  
smoker

906  
00:31:34,549 --> 00:31:32,880  
yeah it's like someone who doesn't i

907  
00:31:35,430 --> 00:31:34,559  
don't really smoke all that much and

908  
00:31:38,230 --> 00:31:35,440  
then like

909  
00:31:39,909 --> 00:31:38,240  
this dude it works that's great man it's

910  
00:31:40,549 --> 00:31:39,919  
crazy it's awesome i'm glad that you're

911  
00:31:42,389 --> 00:31:40,559  
enjoying it

912  
00:31:43,830 --> 00:31:42,399  
yeah uh we'll also try and get bailey on

913  
00:31:45,269 --> 00:31:43,840

the show here pretty soon so you can

914

00:31:47,029 --> 00:31:45,279

come and tell us the science

915

00:31:48,630 --> 00:31:47,039

hell yeah i would love you were telling

916

00:31:50,149 --> 00:31:48,640

me a little bit about the the science

917

00:31:51,669 --> 00:31:50,159

before the show and it was super

918

00:31:54,149 --> 00:31:51,679

interesting like all the

919

00:31:55,029 --> 00:31:54,159

the cannabinoids you were saying like

920

00:31:56,630 --> 00:31:55,039

right now

921

00:31:58,630 --> 00:31:56,640

the way that they're propagated the

922

00:32:00,630 --> 00:31:58,640

plants is they're kind of eliminating

923

00:32:02,470 --> 00:32:00,640

some of the and cannabinoids is just

924

00:32:03,750 --> 00:32:02,480

like a protein receptor or whatever

925

00:32:05,509 --> 00:32:03,760

that's in the chemicals

926  
00:32:06,789 --> 00:32:05,519  
yeah it's like they're taking out little

927  
00:32:09,830 --> 00:32:06,799  
little things

928  
00:32:11,990 --> 00:32:09,840  
but but with this new you

929  
00:32:14,789 --> 00:32:12,000  
yeah it's a it's a it's kind of a new

930  
00:32:16,389 --> 00:32:14,799  
thing that they're doing it's called cbg

931  
00:32:17,909 --> 00:32:16,399  
i'll have her explain it to you because

932  
00:32:19,269 --> 00:32:17,919  
it makes way more sense but if you look

933  
00:32:22,389 --> 00:32:19,279  
at this right here

934  
00:32:25,269 --> 00:32:22,399  
um it's a

935  
00:32:27,990 --> 00:32:25,279  
full spectrum full spectrum cbd which is

936  
00:32:31,029 --> 00:32:28,000  
your fingers in there

937  
00:32:34,789 --> 00:32:31,039  
got like fat ninja turtle fingers dude

938  
00:32:38,549 --> 00:32:34,799

full spectrum uh cbd so full spectrum

939

00:32:40,389 --> 00:32:38,559

she was saying basically means that

940

00:32:43,110 --> 00:32:40,399

that all the cannabinoids are still

941

00:32:46,230 --> 00:32:43,120

intact so it's it's hitting

942

00:32:50,070 --> 00:32:46,240

all the receptors let's see yeah

943

00:32:50,789 --> 00:32:50,080

there you go dude now your fingers are

944

00:32:54,230 --> 00:32:50,799

covering

945

00:32:56,470 --> 00:32:54,240

the whole package um

946

00:32:58,789 --> 00:32:56,480

yeah so that's pretty interesting man so

947

00:33:00,870 --> 00:32:58,799

uh go check them out ufo garage 15.

948

00:33:01,990 --> 00:33:00,880

use the code at checkout and you get 15

949

00:33:04,070 --> 00:33:02,000

off yeah

950

00:33:05,110 --> 00:33:04,080

what's next uh yeah let's see what's

951  
00:33:10,310 --> 00:33:05,120  
what's next

952  
00:33:12,630 --> 00:33:10,320  
uh ufo europe i did watch that

953  
00:33:14,710 --> 00:33:12,640  
it's on disney plus oh oh no [\h\_\_\h] they

954  
00:33:18,149 --> 00:33:14,720  
have ufo stuff on disney plus now

955  
00:33:18,870 --> 00:33:18,159  
yeah [\h\_\_\h] yeah yeah cool it's a 2012

956  
00:33:20,710 --> 00:33:18,880  
season

957  
00:33:23,909 --> 00:33:20,720  
but that's i mean it's still cool to

958  
00:33:25,990 --> 00:33:23,919  
watch 2012 i feel like that's when uh

959  
00:33:29,110 --> 00:33:26,000  
ancient aliens was like hitting its

960  
00:33:29,990 --> 00:33:29,120  
peak like it started around 2008 or

961  
00:33:33,029 --> 00:33:30,000  
something like that

962  
00:33:34,149 --> 00:33:33,039  
and was like i watched it uh a lot and

963  
00:33:38,149 --> 00:33:34,159

then

964

00:33:39,269 --> 00:33:38,159

the ancient mayan stuff and everybody

965

00:33:41,190 --> 00:33:39,279

was worried about the

966

00:33:42,950 --> 00:33:41,200

end of the world everybody got started

967

00:33:44,870 --> 00:33:42,960

to get interested in ancient

968

00:33:46,789 --> 00:33:44,880

i feel like that's when it blew up and

969

00:33:47,669 --> 00:33:46,799

then discovery started doing the

970

00:33:49,909 --> 00:33:47,679

universe

971

00:33:51,990 --> 00:33:49,919

right oh and then the science channel

972

00:33:55,830 --> 00:33:52,000

had that through the wormhole with

973

00:34:01,029 --> 00:33:55,840

the uh damn it what's his name uh

974

00:34:04,870 --> 00:34:03,430

who's the black guy that plays god uh

975

00:34:07,350 --> 00:34:04,880

morgan freeman morgan freeman

976

00:34:08,230 --> 00:34:07,360

yes oh dude that show was a man it was a

977

00:34:11,750 --> 00:34:08,240

cool show

978

00:34:12,629 --> 00:34:11,760

yeah so check it out but morgan freeman

979

00:34:16,149 --> 00:34:12,639

is god though right

980

00:34:17,589 --> 00:34:16,159

yeah i think so oh so

981

00:34:19,589 --> 00:34:17,599

let's see what the next one oh the next

982

00:34:21,030 --> 00:34:19,599

one's the det loft pass uh

983

00:34:22,629 --> 00:34:21,040

incident yeah incident and we did do

984

00:34:24,869 --> 00:34:22,639

that that episode with

985

00:34:26,629 --> 00:34:24,879

will and micah from bob if you guys

986

00:34:31,349 --> 00:34:26,639

haven't checked that episode out it's

987

00:34:34,869 --> 00:34:31,359

sick i think it's episode 5

988

00:34:36,389 --> 00:34:34,879

episode 51 51 oh my bad yeah 51. wow

989

00:34:38,310 --> 00:34:36,399

i feel like we just did that one we're

990

00:34:41,510 --> 00:34:38,320

already on episode 56.

991

00:34:43,270 --> 00:34:41,520

wow it's cool well yeah if you guys

992

00:34:45,430 --> 00:34:43,280

haven't heard that whole episode

993

00:34:46,470 --> 00:34:45,440

uh check it out but this video on art

994

00:34:48,389 --> 00:34:46,480

anyway so we need

995

00:34:50,710 --> 00:34:48,399

if people that are new to this uh

996

00:34:53,829 --> 00:34:50,720

podcast we've been talking about our

997

00:34:55,909 --> 00:34:53,839

our facebook group by the way

998

00:34:57,589 --> 00:34:55,919

we just have we i meant to mention it

999

00:34:58,950 --> 00:34:57,599

but yeah if you're new to the podcast

1000

00:35:00,790 --> 00:34:58,960

what you're listening to right now we're

1001  
00:35:03,109 --> 00:35:00,800  
kind of going through our facebook group

1002  
00:35:05,670 --> 00:35:03,119  
and just looking at everybody's posts

1003  
00:35:07,510 --> 00:35:05,680  
um yeah like yeah we we've got some

1004  
00:35:09,270 --> 00:35:07,520  
awesome like core people that just

1005  
00:35:10,870 --> 00:35:09,280  
post awesome stuff on it and we like to

1006  
00:35:11,430 --> 00:35:10,880  
go through it and what has it been like

1007  
00:35:14,550 --> 00:35:11,440  
three weeks

1008  
00:35:16,550 --> 00:35:14,560  
yeah was it phillip

1009  
00:35:17,589 --> 00:35:16,560  
he posted one with two aliens and he's

1010  
00:35:19,670 --> 00:35:17,599  
got a guy on a

1011  
00:35:21,510 --> 00:35:19,680  
on a table and they have his head open

1012  
00:35:21,990 --> 00:35:21,520  
and his brain fell on the floor and it

1013  
00:35:25,430 --> 00:35:22,000

says

1014

00:35:28,950 --> 00:35:25,440

relax he'll be fine he's a politician

1015

00:35:31,910 --> 00:35:28,960

yep oh my god god dude hey

1016

00:35:32,950 --> 00:35:31,920

what's so i don't mean to i feel like

1017

00:35:36,230 --> 00:35:32,960

the last few

1018

00:35:36,550 --> 00:35:36,240

episodes like i maybe i'm wrong on this

1019

00:35:38,150 --> 00:35:36,560

but

1020

00:35:40,630 --> 00:35:38,160

i don't want to talk about politics all

1021

00:35:43,430 --> 00:35:40,640

that much so i won't i don't want to get

1022

00:35:45,190 --> 00:35:43,440

into a huge heated debate about it but

1023

00:35:47,349 --> 00:35:45,200

i've i've gotten i've started to

1024

00:35:49,030 --> 00:35:47,359

meditate on this idea not like

1025

00:35:50,710 --> 00:35:49,040

the word meditate so loaded but i've

1026

00:35:52,230 --> 00:35:50,720

just started to think about this idea of

1027

00:35:55,109 --> 00:35:52,240

being a politician

1028

00:35:57,349 --> 00:35:55,119

uh and and and what i've kind of come

1029

00:35:59,589 --> 00:35:57,359

concluded is is they're they're they're

1030

00:36:01,349 --> 00:35:59,599

they're actors first and foremost oh

1031

00:36:03,109 --> 00:36:01,359

yeah well-spoken

1032

00:36:04,630 --> 00:36:03,119

uh keep cool under pressure they're

1033

00:36:06,550 --> 00:36:04,640

they're just you know

1034

00:36:08,150 --> 00:36:06,560

that you want you want your politician

1035

00:36:09,990 --> 00:36:08,160

to be an actor basically

1036

00:36:11,910 --> 00:36:10,000

yeah right like they're more of an actor

1037

00:36:13,510 --> 00:36:11,920

than uh well no you don't want that but

1038

00:36:15,270 --> 00:36:13,520

that's what but that's what they are

1039

00:36:16,550 --> 00:36:15,280

yeah right more than anything i don't

1040

00:36:18,790 --> 00:36:16,560

know that's just yeah

1041

00:36:19,750 --> 00:36:18,800

yeah i mean if acting is is lying then

1042

00:36:24,470 --> 00:36:19,760

yes absolutely

1043

00:36:27,670 --> 00:36:26,550

all right yeah all right more to say but

1044

00:36:30,069 --> 00:36:27,680

yeah this is not a

1045

00:36:31,589 --> 00:36:30,079

political uh podcast anyway all right

1046

00:36:33,349 --> 00:36:31,599

next one let's see

1047

00:36:35,430 --> 00:36:33,359

amateur photographer claims he captured

1048

00:36:38,310 --> 00:36:35,440

hughes okay we gotta let's show this

1049

00:36:40,310 --> 00:36:38,320

because you know for the youtubes

1050

00:36:41,670 --> 00:36:40,320

amateur photographer claims he captured

1051  
00:36:44,470 --> 00:36:41,680  
huge planet above

1052  
00:36:45,190 --> 00:36:44,480  
earth matrix glitch all right so the

1053  
00:36:48,630 --> 00:36:45,200  
photos

1054  
00:36:51,270 --> 00:36:48,640  
and the title are clickbaity as [h\_\_\h]

1055  
00:36:52,230 --> 00:36:51,280  
um and but i mean that's what this whole

1056  
00:36:53,750 --> 00:36:52,240  
thing is about like

1057  
00:36:55,510 --> 00:36:53,760  
yeah we're curious minds we want to

1058  
00:36:56,230 --> 00:36:55,520  
click on and see what what's going on

1059  
00:36:57,829 --> 00:36:56,240  
right yeah so

1060  
00:36:59,349 --> 00:36:57,839  
yeah [h\_\_\h] it i'll click on that let's

1061  
00:37:02,470 --> 00:36:59,359  
see what's going on

1062  
00:37:04,069 --> 00:37:02,480  
it looks like the moon it looks

1063  
00:37:05,910 --> 00:37:04,079

zoomed in it looks like the moon zoomed

1064

00:37:07,589 --> 00:37:05,920

in and

1065

00:37:09,190 --> 00:37:07,599

if you keep scrolling down you can see

1066

00:37:12,150 --> 00:37:09,200

the crescent of

1067

00:37:13,190 --> 00:37:12,160

i guess what's quote-unquote the moon

1068

00:37:15,990 --> 00:37:13,200

but that's it

1069

00:37:18,069 --> 00:37:16,000

that's all the article is it's like what

1070

00:37:19,430 --> 00:37:18,079

do you think about these photos

1071

00:37:21,109 --> 00:37:19,440

why don't you tell me what the goddamn

1072

00:37:22,710 --> 00:37:21,119

photo is why are you making me

1073

00:37:26,150 --> 00:37:22,720

guess oh right you're the guy who took

1074

00:37:28,390 --> 00:37:26,160

it with your big ass telescope

1075

00:37:29,349 --> 00:37:28,400

what would you tell me dude it's like i

1076

00:37:31,589 --> 00:37:29,359

don't i don't know

1077

00:37:33,270 --> 00:37:31,599

i don't know you're the one with if you

1078

00:37:34,710 --> 00:37:33,280

have a telescope that big you better

1079

00:37:36,870 --> 00:37:34,720

know what the hell you're looking at

1080

00:37:39,349 --> 00:37:36,880

all right that's all i gotta say yeah or

1081

00:37:41,589 --> 00:37:39,359

you're a jerk

1082

00:37:43,030 --> 00:37:41,599

man yeah i don't know oh man i don't

1083

00:37:43,430 --> 00:37:43,040

know what that is pretty interesting

1084

00:37:44,950 --> 00:37:43,440

though

1085

00:37:46,630 --> 00:37:44,960

i mean yeah it's a cool photo it's a

1086

00:37:48,230 --> 00:37:46,640

cool photo but it could be

1087

00:37:50,230 --> 00:37:48,240

[h\_\_\h] anything it's something that

1088

00:37:53,510 --> 00:37:50,240

like would be a cool poster for sure

1089

00:37:56,790 --> 00:37:53,520

yeah yeah i don't know it could be a

1090

00:38:00,069 --> 00:37:56,800

lens uh shenanigans it could be

1091

00:38:02,870 --> 00:38:00,079

just [h\_\_h] photoshopped who knows man

1092

00:38:03,270 --> 00:38:02,880

it's a cool photo though anyway uh next

1093

00:38:06,390 --> 00:38:03,280

post

1094

00:38:08,310 --> 00:38:06,400

other people uh this by joseph uh what

1095

00:38:11,430 --> 00:38:08,320

did you learn from quarantine 2020

1096

00:38:13,109 --> 00:38:11,440

me bigfoot's name is daryl

1097

00:38:15,349 --> 00:38:13,119

it's the entrance commercial right

1098

00:38:18,950 --> 00:38:15,359

progressive is it yup oh my gosh

1099

00:38:21,670 --> 00:38:18,960

that's amazing hell yeah

1100

00:38:23,349 --> 00:38:21,680

oh what's this what's this next one here

1101

00:38:25,109 --> 00:38:23,359

the other joseph

1102

00:38:27,670 --> 00:38:25,119

something to keep in mind roswell is

1103

00:38:30,950 --> 00:38:27,680

right by all these

1104

00:38:33,589 --> 00:38:30,960

satanist bases epstein bezos

1105

00:38:34,790 --> 00:38:33,599

virgin galactic sex cults and dark art

1106

00:38:38,630 --> 00:38:34,800

leaders

1107

00:38:41,190 --> 00:38:38,640

oh my god that's pretty cool

1108

00:38:42,310 --> 00:38:41,200

nice okay so he marked him all out on

1109

00:38:46,069 --> 00:38:42,320

the road map for us

1110

00:38:49,190 --> 00:38:46,079

dope badass so it'll only take you uh

1111

00:38:53,270 --> 00:38:49,200

almost eight hours to get from

1112

00:38:55,349 --> 00:38:53,280

zorro ranch road to virgin galactic

1113

00:38:56,790 --> 00:38:55,359

this is very new to me i didn't know

1114

00:38:57,589 --> 00:38:56,800

what this i've never heard of pretty

1115

00:39:01,190 --> 00:38:57,599

interesting yeah

1116

00:39:04,310 --> 00:39:01,200

west texas blue origin landing site what

1117

00:39:05,270 --> 00:39:04,320

[h\_\_h] we gotta do more uh research on

1118

00:39:07,589 --> 00:39:05,280

that that's kind of cool

1119

00:39:08,790 --> 00:39:07,599

that is cool oh save that one bet you

1120

00:39:11,190 --> 00:39:08,800

there's some [h\_\_h]

1121

00:39:11,990 --> 00:39:11,200

dumbs under there or something a lot of

1122

00:39:13,589 --> 00:39:12,000

dumb

1123

00:39:15,670 --> 00:39:13,599

tunnels under there dude all the way

1124

00:39:16,069 --> 00:39:15,680

from west texas through new mexico it's

1125

00:39:18,230 --> 00:39:16,079

probably

1126

00:39:22,950 --> 00:39:18,240

full of dumbs deep underground

1127

00:39:29,190 --> 00:39:26,790

is masturbation one word i think it is

1128

00:39:31,030 --> 00:39:29,200

it's that master of patience master

1129

00:39:34,230 --> 00:39:31,040

ovation

1130

00:39:35,829 --> 00:39:34,240

i'm the master of bay shine

1131

00:39:38,390 --> 00:39:35,839

have you ever have you seen that video

1132

00:39:43,589 --> 00:39:38,400

it's like all these news channels saying

1133

00:39:49,670 --> 00:39:47,510

masturbate yeah what's this one

1134

00:39:51,990 --> 00:39:49,680

okay it's pretty interesting joey peters

1135

00:39:53,670 --> 00:39:52,000

uh uh ancient temples are machines with

1136

00:39:55,190 --> 00:39:53,680

moving parts this is kind of cool

1137

00:39:56,230 --> 00:39:55,200

yeah that was pretty interesting he goes

1138

00:39:57,670 --> 00:39:56,240

through and he talks about all the

1139

00:40:00,390 --> 00:39:57,680

moving parts on these

1140

00:40:01,910 --> 00:40:00,400

temples what and then also how like they

1141

00:40:05,109 --> 00:40:01,920

would carve things

1142

00:40:08,870 --> 00:40:05,119

but there would be objects inside like a

1143

00:40:11,910 --> 00:40:08,880

like a uh like a ball carved from stone

1144

00:40:14,390 --> 00:40:11,920

that's carved from the exact same pillar

1145

00:40:15,030 --> 00:40:14,400

of stone but how'd they get the ball in

1146

00:40:18,309 --> 00:40:15,040

there

1147

00:40:19,190 --> 00:40:18,319

if the if the the the slots that they

1148

00:40:21,670 --> 00:40:19,200

carved out

1149

00:40:23,510 --> 00:40:21,680

are too small to fit the ball in and out

1150

00:40:24,069 --> 00:40:23,520

but it's one solid piece so how'd they

1151

00:40:27,349 --> 00:40:24,079

get the ball

1152

00:40:30,630 --> 00:40:27,359

in there well oh this yeah

1153

00:40:33,670 --> 00:40:30,640

yeah oh well i mean okay i'm not saying

1154

00:40:38,550 --> 00:40:37,750

an expert on rock carving but you can do

1155

00:40:40,870 --> 00:40:38,560

this with wood

1156

00:40:42,390 --> 00:40:40,880

uh you could do you can make a you can

1157

00:40:43,510 --> 00:40:42,400

make a functioning chain out of wood

1158

00:40:46,390 --> 00:40:43,520

i've seen people like

1159

00:40:48,069 --> 00:40:46,400

shave a pencil into like you know

1160

00:40:48,550 --> 00:40:48,079

interlocked chains there's a way to do

1161

00:40:53,190 --> 00:40:48,560

it

1162

00:40:55,670 --> 00:40:53,200

an illusion

1163

00:40:57,030 --> 00:40:55,680

i think i don't know i don't know man an

1164

00:40:59,990 --> 00:40:57,040

illusion

1165

00:41:01,270 --> 00:41:00,000

well that it can't that you put it in

1166

00:41:02,950 --> 00:41:01,280

there and it can't get out

1167

00:41:04,870 --> 00:41:02,960

it's it's like you got to be really

1168

00:41:06,710 --> 00:41:04,880

[h\_\_\h] good at it well yeah i'm sure

1169

00:41:11,030 --> 00:41:06,720

that they had like a

1170

00:41:12,710 --> 00:41:11,040

a chisel and they probably like you know

1171

00:41:15,589 --> 00:41:12,720

but okay so you have a point how did you

1172

00:41:17,270 --> 00:41:15,599

get the ball perfect right so how do you

1173

00:41:18,790 --> 00:41:17,280

keep it they didn't have duct tape how'd

1174

00:41:22,230 --> 00:41:18,800

you make the slots

1175

00:41:22,790 --> 00:41:22,240

and then like get inside to chisel this

1176

00:41:24,950 --> 00:41:22,800

ball

1177

00:41:26,790 --> 00:41:24,960

you would in a perfect circle so you

1178

00:41:29,270 --> 00:41:26,800

would have to make the slots first

1179

00:41:30,309 --> 00:41:29,280

and then you'd have to go at an angle

1180

00:41:31,990 --> 00:41:30,319

and then chip away

1181

00:41:34,230 --> 00:41:32,000

all the excess and initially you would

1182

00:41:35,190 --> 00:41:34,240

break that inner rock free because you

1183

00:41:37,349 --> 00:41:35,200

had those slots

1184

00:41:38,950 --> 00:41:37,359

right had there have been no slots then

1185

00:41:40,710 --> 00:41:38,960

that would be [h\_\_h] weird

1186

00:41:42,390 --> 00:41:40,720

but there were slots so you could big

1187

00:41:43,670 --> 00:41:42,400

enough to put a tool in right

1188

00:41:45,910 --> 00:41:43,680

and does that make sense and then they

1189

00:41:47,510 --> 00:41:45,920

also have carvings of dinosaurs

1190

00:41:53,750 --> 00:41:47,520

which is [h\_\_h] cool yeah the

1191

00:41:58,470 --> 00:41:56,550

i meant i mean like how they do that how

1192

00:42:00,790 --> 00:41:58,480

they make a spinning object that

1193

00:42:01,510 --> 00:42:00,800

is one that's [h\_\_h] cool one piece of

1194

00:42:05,349 --> 00:42:01,520

stone

1195

00:42:07,190 --> 00:42:05,359

but there's no there's no bearings

1196

00:42:08,870 --> 00:42:07,200

there's no grease there's no

1197

00:42:10,950 --> 00:42:08,880

there's none of that like modern stuff

1198

00:42:12,390 --> 00:42:10,960

that you would be able to use to like

1199

00:42:14,550 --> 00:42:12,400

keep it i mean i think it's been around

1200

00:42:16,150 --> 00:42:14,560

for thousands of years how did it not

1201

00:42:19,510 --> 00:42:16,160

rust and get crusty

1202

00:42:23,110 --> 00:42:19,520

and like swamp gas swamp gas

1203

00:42:26,309 --> 00:42:23,120

might as well be it's an illusion

1204

00:42:29,430 --> 00:42:26,319

[Laughter]

1205

00:42:30,230 --> 00:42:29,440

like totally shut down i'm just trying

1206

00:42:32,870 --> 00:42:30,240

to you know

1207

00:42:34,790 --> 00:42:32,880

be devil's advocate here that's fake

1208

00:42:37,270 --> 00:42:34,800

[h\_\_\h] fake dude

1209

00:42:38,870 --> 00:42:37,280

you idiot like what like see okay this

1210

00:42:40,790 --> 00:42:38,880

is kind of cool yeah

1211

00:42:43,829 --> 00:42:40,800

yeah i did i guess i did watch this i

1212

00:42:47,270 --> 00:42:43,839

was i think i was drunk when i

1213

00:42:49,270 --> 00:42:47,280

mastered the art of safe making it is so

1214

00:42:51,750 --> 00:42:49,280

complex

1215

00:42:57,270 --> 00:42:51,760

it's like a big puzzle unless you know

1216

00:43:01,910 --> 00:42:59,670

yeah knobs fact when a normal person

1217

00:43:04,790 --> 00:43:01,920

looks at us for the first time

1218

00:43:06,790 --> 00:43:04,800

he will not even realize that this is a

1219

00:43:07,430 --> 00:43:06,800

safe that can be opened he will just

1220

00:43:10,630 --> 00:43:07,440

think

1221

00:43:11,990 --> 00:43:10,640

this is it so that that's that's not

1222

00:43:13,030 --> 00:43:12,000

like made a rock or anything though it's

1223

00:43:14,790 --> 00:43:13,040

not like ancient

1224

00:43:16,950 --> 00:43:14,800

yeah bro it was built three thousand

1225

00:43:19,430 --> 00:43:16,960

years ago how'd they do that

1226

00:43:20,069 --> 00:43:19,440

was it are they claiming that fine not

1227

00:43:22,950 --> 00:43:20,079

[h\_\_\h]

1228

00:43:26,870 --> 00:43:22,960

oh but i think they're saying they

1229

00:43:30,230 --> 00:43:26,880

modeled it after

1230

00:43:32,950 --> 00:43:30,240

after nine influences

1231

00:43:33,589 --> 00:43:32,960

i don't know uh yeah but yeah that's

1232

00:43:36,710 --> 00:43:33,599

cool

1233

00:43:40,630 --> 00:43:36,720

puzzles

1234

00:43:43,670 --> 00:43:40,640

i've uh that i subscribe to youtuber um

1235

00:43:47,910 --> 00:43:43,680

his name is uh

1236

00:43:52,710 --> 00:43:47,920

the illusionist ramses chris ramses

1237

00:43:57,250 --> 00:43:55,090

ramses

1238

00:44:00,680 --> 00:43:57,260

[Music]

1239

00:44:06,230 --> 00:44:00,690

[Laughter]

1240

00:44:12,630 --> 00:44:09,430

[h\_\_\h] yeah um

1241

00:44:15,030 --> 00:44:12,640

he's the best he's the best uh

1242

00:44:16,390 --> 00:44:15,040

yeah so anyway this dude chris ramsey's

1243

00:44:16,790 --> 00:44:16,400

he's got an awesome youtube channel he

1244

00:44:19,030 --> 00:44:16,800

does

1245

00:44:20,390 --> 00:44:19,040

puzzles and it looks oddly familiar too

1246

00:44:23,030 --> 00:44:20,400

some puzzles i've seen

1247

00:44:24,150 --> 00:44:23,040

so i've seen the puzzle thing before i'm

1248

00:44:25,510 --> 00:44:24,160

i'm not saying this

1249

00:44:28,390 --> 00:44:25,520

that's what i was asking you like if it

1250

00:44:29,670 --> 00:44:28,400

was ancient but uh yeah there's there's

1251

00:44:31,510 --> 00:44:29,680

yeah there's all kinds of intricate

1252

00:44:33,349 --> 00:44:31,520

puzzles and they all come out of uh

1253

00:44:35,750 --> 00:44:33,359

most of the most of the most intricate

1254

00:44:37,349 --> 00:44:35,760

ones come out of like japan where like

1255

00:44:40,470 --> 00:44:37,359

the culture is like

1256

00:44:46,470 --> 00:44:40,480

super intricate detail master master

1257

00:44:50,230 --> 00:44:49,510

this next one this next post uh joseph

1258

00:44:53,190 --> 00:44:50,240

hilarious

1259

00:44:55,030 --> 00:44:53,200

uh it says uh it's nice outside i think

1260

00:44:57,260 --> 00:44:55,040

i'll sit out on the patio

1261

00:44:59,349 --> 00:44:57,270

207 mosquitos liked your post

1262

00:45:02,829 --> 00:44:59,359

[Laughter]

1263

00:45:06,230 --> 00:45:02,839

so [h\_\_h] true oh my gosh

1264

00:45:08,550 --> 00:45:06,240

electricians let's see the other okay

1265

00:45:09,510 --> 00:45:08,560

there's a cast on the dick all right

1266

00:45:12,630 --> 00:45:09,520

nice

1267

00:45:16,309 --> 00:45:12,640

[h\_\_h] yeah oh man

1268

00:45:17,990 --> 00:45:16,319

yeah dude uh weather weapons

1269

00:45:19,349 --> 00:45:18,000

when two hurricanes collide the

1270

00:45:22,790 --> 00:45:19,359

phenomenon

1271

00:45:25,829 --> 00:45:22,800

is called fujiwara a d

1272

00:45:29,030 --> 00:45:25,839

it's called a dildy

1273

00:45:33,109 --> 00:45:29,040

what like it's like the plural for dildo

1274

00:45:34,630 --> 00:45:33,119

i got that yeah bro we got hit by two

1275

00:45:36,790 --> 00:45:34,640

hurricanes and we didn't get

1276

00:45:38,150 --> 00:45:36,800

[h\_\_h] one drop of rain yeah nothing

1277

00:45:41,349 --> 00:45:38,160

dude even uh

1278

00:45:44,069 --> 00:45:41,359

talk about a conspiracy yeah [h\_\_h] well

1279

00:45:46,230 --> 00:45:44,079

maybe uh maybe austin is just too

1280

00:45:48,150 --> 00:45:46,240

important that we have our darpa

1281

00:45:49,430 --> 00:45:48,160

set up darp set up to where it just

1282

00:45:51,750 --> 00:45:49,440

deflects all that [h\_\_h]

1283

00:45:53,190 --> 00:45:51,760

oh man uh even my brother who lives on

1284

00:45:55,510 --> 00:45:53,200

the coast of texas

1285

00:45:58,069 --> 00:45:55,520

said they didn't even get a drop of rain

1286

00:46:00,150 --> 00:45:58,079

bro did that whole thing

1287

00:46:01,510 --> 00:46:00,160

he said it like it was it rained a

1288

00:46:03,349 --> 00:46:01,520

little bit but they didn't which

1289

00:46:04,630 --> 00:46:03,359

i mean that's great yeah but also

1290

00:46:05,510 --> 00:46:04,640

whatever happened

1291

00:46:07,030 --> 00:46:05,520

do you know anybody that lives in

1292

00:46:08,790 --> 00:46:07,040

louisiana did they hit louisiana why

1293

00:46:10,630 --> 00:46:08,800

didn't you see any news yeah i did uh

1294

00:46:13,270 --> 00:46:10,640

my sister was out of power for a couple

1295

00:46:15,109 --> 00:46:13,280

days my dad went down there to go

1296

00:46:16,309 --> 00:46:15,119

fix a hospital ended up flipping his

1297

00:46:19,190 --> 00:46:16,319

truck oh

1298

00:46:20,309 --> 00:46:19,200

yeah so it was uh that was definitely

1299

00:46:21,829 --> 00:46:20,319

some [h\_\_h] going down

1300

00:46:23,510 --> 00:46:21,839

i just i guess i haven't heard about it

1301

00:46:26,230 --> 00:46:23,520

but yeah i mean it was all in louisiana

1302

00:46:27,510 --> 00:46:26,240

well i'm in corona virus dude

1303

00:46:30,150 --> 00:46:27,520

why would you [h\_\_h] hear about

1304

00:46:32,950 --> 00:46:30,160

anything important anything else yeah

1305

00:46:33,750 --> 00:46:32,960

and and joe biden trying to discredit

1306

00:46:37,270 --> 00:46:33,760

but joe

1307

00:46:39,829 --> 00:46:37,280

beaujoid and oh my god i have so much

1308

00:46:41,670 --> 00:46:39,839

more political stuff to say with

1309

00:46:42,870 --> 00:46:41,680

anyway we'll make that for right now oh

1310

00:46:46,390 --> 00:46:42,880

we'll do it on this

1311

00:46:50,950 --> 00:46:46,400

another one yeah all right next

1312

00:46:55,510 --> 00:46:53,190

nasa's one million dollar grant to

1313

00:46:57,589 --> 00:46:55,520

prepare religions for extraterrestrial

1314

00:46:59,829 --> 00:46:57,599

life discovery

1315

00:47:00,870 --> 00:46:59,839

and the black vault is like the legit

1316

00:47:03,670 --> 00:47:00,880

yeah it's legit

1317

00:47:05,910 --> 00:47:03,680

yeah it's definitely legit it's uh yeah

1318

00:47:07,910 --> 00:47:05,920

that was a pretty cool little article

1319

00:47:10,069 --> 00:47:07,920

i i didn't read it looks like jim

1320

00:47:13,030 --> 00:47:10,079

goodall posted on it though

1321

00:47:14,390 --> 00:47:13,040

so some uh say that a movie et was done

1322

00:47:17,829 --> 00:47:14,400

only after a uh

1323

00:47:19,750 --> 00:47:17,839

a cia front company decided to fund it

1324

00:47:20,950 --> 00:47:19,760

up to that point spielberg had battled

1325

00:47:23,109 --> 00:47:20,960

zero or

1326  
00:47:24,230 --> 00:47:23,119  
uh had batted zero in finding funding

1327  
00:47:25,750 --> 00:47:24,240  
for e.t

1328  
00:47:28,710 --> 00:47:25,760  
it is thought that the best way to

1329  
00:47:31,030 --> 00:47:28,720  
remove the fear of aliens was to make

1330  
00:47:33,190 --> 00:47:31,040  
them seem adorable versus scary

1331  
00:47:37,190 --> 00:47:33,200  
horrifying and movies like e.t

1332  
00:47:40,150 --> 00:47:37,200  
through through my favorite paul yeah

1333  
00:47:41,109 --> 00:47:40,160  
uh makes them palatable even lovable

1334  
00:47:45,990 --> 00:47:41,119  
absolutely

1335  
00:47:48,470 --> 00:47:46,000  
everything i feel i feel like there is

1336  
00:47:50,069 --> 00:47:48,480  
uh there's there's been a constant

1337  
00:47:52,309 --> 00:47:50,079  
i think we all know this by now like

1338  
00:47:54,390 --> 00:47:52,319

there's been a constant indoctrination

1339

00:47:55,750 --> 00:47:54,400

and it hit even you'll ask the random

1340

00:47:58,230 --> 00:47:55,760

person on the street

1341

00:48:00,309 --> 00:47:58,240

even today in 2020 no one's ready for it

1342

00:48:01,190 --> 00:48:00,319

yet like i feel like maybe now more than

1343

00:48:04,390 --> 00:48:01,200

ever but

1344

00:48:07,349 --> 00:48:04,400

it still took 70 years for people to

1345

00:48:08,710 --> 00:48:07,359

just like okay well e.t was [\h\_\_\h] cute

1346

00:48:10,870 --> 00:48:08,720

nice all right

1347

00:48:12,950 --> 00:48:10,880

okay got it i'm still [\h\_\_\h] terrified

1348

00:48:15,430 --> 00:48:12,960

yeah and then paul came out which was

1349

00:48:16,150 --> 00:48:15,440

the most realistic well i guess i guess

1350

00:48:18,470 --> 00:48:16,160

e.t was

1351

00:48:20,309 --> 00:48:18,480

really realistic too he was also kind of

1352

00:48:23,109 --> 00:48:20,319

cute like it kind of looked like a pug

1353

00:48:24,150 --> 00:48:23,119

yeah yeah definitely paul just had like

1354

00:48:26,309 --> 00:48:24,160

a personality

1355

00:48:28,390 --> 00:48:26,319

like a human that's what made it like

1356

00:48:30,150 --> 00:48:28,400

likeable yeah but yeah man i mean what

1357

00:48:32,790 --> 00:48:30,160

do you think like

1358

00:48:35,109 --> 00:48:32,800

do you think a million do you think one

1359

00:48:38,549 --> 00:48:35,119

million dollars is enough to prepare

1360

00:48:41,190 --> 00:48:38,559

religions across the entire planet

1361

00:48:41,910 --> 00:48:41,200

for extraterrestrials discovery that's

1362

00:48:45,349 --> 00:48:41,920

what is that

1363

00:48:48,230 --> 00:48:45,359

what even is that uh that

1364

00:48:50,230 --> 00:48:48,240

playing field what's the metric why is a

1365

00:48:52,150 --> 00:48:50,240

million dollars always like why is money

1366

00:48:53,430 --> 00:48:52,160

always the metric on trying

1367

00:48:55,990 --> 00:48:53,440

i'm not giving you i'm talking about

1368

00:48:57,430 --> 00:48:56,000

this yeah particular article like why is

1369

00:48:59,349 --> 00:48:57,440

money always the metric to

1370

00:49:01,270 --> 00:48:59,359

to get anything done yeah i don't i

1371

00:49:02,309 --> 00:49:01,280

don't understand and also i also thought

1372

00:49:06,470 --> 00:49:02,319

maybe uh

1373

00:49:09,990 --> 00:49:06,480

maybe nasa paid a million dollars

1374

00:49:11,910 --> 00:49:10,000

to receive information uh from religions

1375

00:49:13,910 --> 00:49:11,920

okay so now i'm kind of backtracking

1376

00:49:14,790 --> 00:49:13,920

here so million dollars in that metric

1377

00:49:17,750 --> 00:49:14,800

would mean

1378

00:49:18,870 --> 00:49:17,760

uh like a marketing campaign either

1379

00:49:22,870 --> 00:49:18,880

social media

1380

00:49:25,430 --> 00:49:22,880

or

1381

00:49:27,270 --> 00:49:25,440

a movie paying a million dollars to a

1382

00:49:29,589 --> 00:49:27,280

movie to

1383

00:49:31,270 --> 00:49:29,599

infiltrate it or steer it in a certain

1384

00:49:33,030 --> 00:49:31,280

way as we've heard from our

1385

00:49:34,390 --> 00:49:33,040

our friends that we've talked to on the

1386

00:49:37,430 --> 00:49:34,400

podcast like

1387

00:49:39,829 --> 00:49:37,440

certain cia operatives being a part of

1388

00:49:41,349 --> 00:49:39,839

hollywood industry movies like maybe

1389

00:49:42,950 --> 00:49:41,359

that million dollars went to that

1390

00:49:45,589 --> 00:49:42,960

person's salary

1391

00:49:46,150 --> 00:49:45,599

right yeah or multiple people's salary

1392

00:49:50,150 --> 00:49:46,160

to

1393

00:49:51,750 --> 00:49:50,160

set or something i don't know

1394

00:49:53,190 --> 00:49:51,760

yeah maybe that's where the money goes

1395

00:49:55,430 --> 00:49:53,200

to so maybe maybe the metric

1396

00:49:56,710 --> 00:49:55,440

does make more sense than i thought in

1397

00:49:57,190 --> 00:49:56,720

the beginning all right but what do you

1398

00:49:59,510 --> 00:49:57,200

think

1399

00:50:01,510 --> 00:49:59,520

i mean i don't know man people always

1400

00:50:05,030 --> 00:50:01,520

say like the religions would fall

1401

00:50:05,990 --> 00:50:05,040

right but i i don't i don't necessarily

1402

00:50:07,670 --> 00:50:06,000

think that's true

1403

00:50:09,109 --> 00:50:07,680

i if anything man i think it would give

1404

00:50:13,270 --> 00:50:09,119

it uh a more

1405

00:50:15,430 --> 00:50:13,280

it would give it more because because

1406

00:50:17,349 --> 00:50:15,440

okay just take christianity for example

1407

00:50:19,589 --> 00:50:17,359

right it's like

1408

00:50:20,710 --> 00:50:19,599

hey there's aliens right what's their

1409

00:50:23,030 --> 00:50:20,720

first response

1410

00:50:23,829 --> 00:50:23,040

well yeah god god made him god made him

1411

00:50:25,910 --> 00:50:23,839

too

1412

00:50:27,190 --> 00:50:25,920

it's like oh yeah okay i think it would

1413

00:50:30,790 --> 00:50:27,200

give us some

1414

00:50:33,190 --> 00:50:30,800

a 4k view of of the story

1415

00:50:35,190 --> 00:50:33,200

i feel like now we're we're you think

1416

00:50:36,950 --> 00:50:35,200

maybe this could be the progression that

1417

00:50:40,150 --> 00:50:36,960

religion needs

1418

00:50:42,390 --> 00:50:40,160

to stay relevant i think i think that

1419

00:50:43,510 --> 00:50:42,400

uh the vatican's been way ahead of this

1420

00:50:46,549 --> 00:50:43,520

whole idea

1421

00:50:48,710 --> 00:50:46,559

yeah me too um with with lucifer

1422

00:50:49,990 --> 00:50:48,720

the uh the telescope that was them

1423

00:50:52,390 --> 00:50:50,000

investing in

1424

00:50:54,069 --> 00:50:52,400

hey wait if if there is actually [h\_\_h]

1425

00:50:54,950 --> 00:50:54,079

aliens we need to know first so we can

1426

00:50:57,430 --> 00:50:54,960

[h\_\_\h] edit

1427

00:50:59,349 --> 00:50:57,440

our pages bro yeah we need to edit some

1428

00:51:02,069 --> 00:50:59,359

pages we need to take some of that new

1429

00:51:03,349 --> 00:51:02,079

james [h\_\_\h] out we might have to make a

1430

00:51:07,190 --> 00:51:03,359

new book

1431

00:51:09,589 --> 00:51:07,200

yeah dude or they

1432

00:51:11,430 --> 00:51:09,599

so yes they do make a new book but it's

1433

00:51:13,510 --> 00:51:11,440

like over time where like

1434

00:51:15,750 --> 00:51:13,520

they had the these telescopes back in

1435

00:51:18,790 --> 00:51:15,760

the 80s and then now

1436

00:51:19,349 --> 00:51:18,800

you know you go to any any bible shop

1437

00:51:21,589 --> 00:51:19,359

any

1438

00:51:23,829 --> 00:51:21,599

book shop and you ask for the bible and

1439

00:51:25,750 --> 00:51:23,839

then they're like well which one

1440

00:51:27,190 --> 00:51:25,760

and then they're like oh well so the new

1441

00:51:28,790 --> 00:51:27,200

this one came out this year so like

1442

00:51:30,390 --> 00:51:28,800

there's a new page or a new chapter

1443

00:51:31,750 --> 00:51:30,400

somewhere [h\_\_\h] hidden

1444

00:51:34,069 --> 00:51:31,760

and they changed some wording around

1445

00:51:35,670 --> 00:51:34,079

where where it's it's actually like yeah

1446

00:51:36,069 --> 00:51:35,680

yeah no the catholic religion or

1447

00:51:37,910 --> 00:51:36,079

whatever

1448

00:51:39,109 --> 00:51:37,920

religion we knew about this so we we

1449

00:51:42,710 --> 00:51:39,119

adapted

1450

00:51:43,750 --> 00:51:42,720

so if if so now when you're asking like

1451  
00:51:45,750 --> 00:51:43,760  
oh well how do you know that they're

1452  
00:51:49,109 --> 00:51:45,760  
like oh it says right here in

1453  
00:51:51,650 --> 00:51:49,119  
section 4 chapter 7 of of

1454  
00:51:52,710 --> 00:51:51,660  
fallopians

1455  
00:51:55,750 --> 00:51:52,720  
[Music]

1456  
00:51:57,670 --> 00:51:55,760  
that like aliens are totally real

1457  
00:51:59,750 --> 00:51:57,680  
i like that subtle chuckle like look at

1458  
00:52:02,710 --> 00:51:59,760  
me second and you're like yeah

1459  
00:52:04,069 --> 00:52:02,720  
like they they're wait a second so if i

1460  
00:52:07,349 --> 00:52:04,079  
read the original

1461  
00:52:09,750 --> 00:52:07,359  
full full full bible that like

1462  
00:52:10,470 --> 00:52:09,760  
still exists in ethiopia it'll say that

1463  
00:52:12,309 --> 00:52:10,480

oh no

1464

00:52:13,750 --> 00:52:12,319

i mean this is the this is the new

1465

00:52:15,750 --> 00:52:13,760

version where were you like you go to

1466

00:52:16,470 --> 00:52:15,760

that you go to that uh that chapter in

1467

00:52:21,750 --> 00:52:16,480

fallopia

1468

00:52:23,430 --> 00:52:21,760

the only edit they did was they took out

1469

00:52:26,470 --> 00:52:23,440

the word donkey and they said

1470

00:52:30,630 --> 00:52:26,480

[h\_\_\h] alien [h\_\_\h] alias

1471

00:52:35,270 --> 00:52:30,640

or or some alien [h\_\_\h] you find it in

1472

00:52:35,280 --> 00:52:39,349

fallopian tubes 313.

1473

00:52:46,150 --> 00:52:42,390

oh [h\_\_\h] it's hilarious yeah but yeah

1474

00:52:48,309 --> 00:52:46,160

so i mean one million to grant um to

1475

00:52:49,589 --> 00:52:48,319

prepare religions

1476  
00:52:51,990 --> 00:52:49,599  
let's be honest where do you think that

1477  
00:52:53,349 --> 00:52:52,000  
money is what religion what uh sect

1478  
00:52:55,030 --> 00:52:53,359  
would you think that money is going to

1479  
00:52:56,390 --> 00:52:55,040  
she went to the vatican i think it would

1480  
00:52:57,190 --> 00:52:56,400  
too it went to the vatican it's not

1481  
00:52:58,790 --> 00:52:57,200  
going to

1482  
00:53:00,710 --> 00:52:58,800  
in scientology didn't get any you think

1483  
00:53:03,270 --> 00:53:00,720  
mormons got some of that

1484  
00:53:05,510 --> 00:53:03,280  
i mean no what i mean scientology's

1485  
00:53:07,270 --> 00:53:05,520  
already got aliens and mormonism is too

1486  
00:53:08,870 --> 00:53:07,280  
worried about

1487  
00:53:10,390 --> 00:53:08,880  
all right hold on i'm not gonna i've

1488  
00:53:11,270 --> 00:53:10,400

stopped myself i'm not gonna like like

1489

00:53:13,190 --> 00:53:11,280

buddhists

1490

00:53:14,790 --> 00:53:13,200

like they're like those guys just sit on

1491

00:53:16,390 --> 00:53:14,800

top of a mountain all [\h\_\_\h] day they

1492

00:53:18,470 --> 00:53:16,400

don't even use money

1493

00:53:20,790 --> 00:53:18,480

yeah they don't want to walk down to the

1494

00:53:23,109 --> 00:53:20,800

town every week and people gift them

1495

00:53:24,470 --> 00:53:23,119

rice and [\h\_\_\h] and they take it back up

1496

00:53:26,790 --> 00:53:24,480

to the mountains

1497

00:53:28,230 --> 00:53:26,800

yeah so it's like who'd they give this

1498

00:53:31,270 --> 00:53:28,240

million dollars to

1499

00:53:32,309 --> 00:53:31,280

and why is religions plural because we

1500

00:53:35,109 --> 00:53:32,319

know there's only one

1501

00:53:36,790 --> 00:53:35,119

right dude [h\_\_\h] yeah we're breaking this

1502

00:53:38,950 --> 00:53:36,800

[h\_\_\h] down right now

1503

00:53:40,390 --> 00:53:38,960

you heard it first you guys the doctor

1504

00:53:41,190 --> 00:53:40,400

should stay different but i mean we're

1505

00:53:43,349 --> 00:53:41,200

not stupid

1506

00:53:44,549 --> 00:53:43,359

they should just say the catholic yeah

1507

00:53:46,630 --> 00:53:44,559

the or the vatican

1508

00:53:49,270 --> 00:53:46,640

the pope got a million dollars to

1509

00:53:49,990 --> 00:53:49,280

prepare his own people he needed a new

1510

00:53:52,870 --> 00:53:50,000

hat

1511

00:53:53,270 --> 00:53:52,880

yeah seriously as if as if the vatican

1512

00:53:56,230 --> 00:53:53,280

needs

1513

00:53:58,069 --> 00:53:56,240

any money you know they're like it's

1514

00:53:59,510 --> 00:53:58,079

gonna cost you one million dollars

1515

00:54:01,430 --> 00:53:59,520

yeah they were like but you have like

1516

00:54:02,150 --> 00:54:01,440

trillions and trillions and trillions of

1517

00:54:04,470 --> 00:54:02,160

dollars

1518

00:54:05,510 --> 00:54:04,480

underneath that thing yeah but but you

1519

00:54:07,990 --> 00:54:05,520

guys are older

1520

00:54:09,190 --> 00:54:08,000

is a million dollars dude so much gold

1521

00:54:12,069 --> 00:54:09,200

everything's made of

1522

00:54:13,190 --> 00:54:12,079

man of gold also you know that now that

1523

00:54:14,710 --> 00:54:13,200

i'm thinking about it like it's so

1524

00:54:16,870 --> 00:54:14,720

timely because the covid like

1525

00:54:18,630 --> 00:54:16,880

you know people aren't allowed to go to

1526

00:54:20,630 --> 00:54:18,640

most churches i know there's churches

1527

00:54:22,630 --> 00:54:20,640

that are allowing people to come

1528

00:54:24,309 --> 00:54:22,640

if you're wearing a diaper on your face

1529

00:54:25,829 --> 00:54:24,319

but like if uh

1530

00:54:27,589 --> 00:54:25,839

you know they're probably hurting a

1531

00:54:30,309 --> 00:54:27,599

little bit and they're seeing hey

1532

00:54:31,109 --> 00:54:30,319

yo our budget this year for bowling kind

1533

00:54:34,309 --> 00:54:31,119

of low

1534

00:54:36,069 --> 00:54:34,319

we need some we need to we need some cap

1535

00:54:37,829 --> 00:54:36,079

capitals look guys in order to talk

1536

00:54:38,870 --> 00:54:37,839

about god we're going to need a million

1537

00:54:42,789 --> 00:54:38,880

dollars

1538

00:54:45,109 --> 00:54:42,799

flat out yeah imagine like

1539

00:54:47,270 --> 00:54:45,119

a like a single church like somewhere in

1540

00:54:49,030 --> 00:54:47,280

texas and a pastor saying like

1541

00:54:50,870 --> 00:54:49,040

hey guys i know there's only five people

1542

00:54:52,870 --> 00:54:50,880

here but like i'm gonna need a million

1543

00:54:56,069 --> 00:54:52,880

dollars keep this thing running

1544

00:54:56,710 --> 00:54:56,079

so uh you if if if you want to be

1545

00:54:58,230 --> 00:54:56,720

religious

1546

00:55:00,150 --> 00:54:58,240

give us the million dollars if you're

1547

00:55:01,510 --> 00:55:00,160

ready to get rid of the

1548

00:55:04,230 --> 00:55:01,520

like that's like kind of what they're

1549

00:55:06,470 --> 00:55:04,240

saying right yeah it's kind of weird

1550

00:55:07,510 --> 00:55:06,480

i don't know man maybe i jumped the gun

1551  
00:55:09,589 --> 00:55:07,520  
on that just

1552  
00:55:10,950 --> 00:55:09,599  
but yeah that's super interesting let's

1553  
00:55:13,430 --> 00:55:10,960  
see what's the next one

1554  
00:55:14,789 --> 00:55:13,440  
this is the stegosaur oh yeah was this

1555  
00:55:18,710 --> 00:55:14,799  
puma uh

1556  
00:55:22,069 --> 00:55:18,720  
uh not puma puku um oh it's in

1557  
00:55:23,430 --> 00:55:22,079  
it said go because tempe no no no it's

1558  
00:55:26,150 --> 00:55:23,440  
in india

1559  
00:55:28,069 --> 00:55:26,160  
india's and they have a [h\_\_\h] so this

1560  
00:55:29,750 --> 00:55:28,079  
next post for you guys listening uh

1561  
00:55:32,390 --> 00:55:29,760  
joey thank you for the pose time

1562  
00:55:34,950 --> 00:55:32,400  
traveling time travel temple shows past

1563  
00:55:38,150 --> 00:55:34,960

and future dinosaur

1564

00:55:40,789 --> 00:55:38,160

up to prom cambodia from cambodia

1565

00:55:42,549 --> 00:55:40,799

dude red on black text man that's tough

1566

00:55:44,470 --> 00:55:42,559

to read at a distance for sure

1567

00:55:45,750 --> 00:55:44,480

hey uh it's this video is funny though

1568

00:55:48,069 --> 00:55:45,760

because like

1569

00:55:50,309 --> 00:55:48,079

he shot the video and then like he

1570

00:55:50,789 --> 00:55:50,319

edited it to where he got on mike at his

1571

00:55:52,230 --> 00:55:50,799

house

1572

00:55:54,230 --> 00:55:52,240

and repeated everything he said it's

1573

00:55:57,430 --> 00:55:54,240

going to be very exciting let's go

1574

00:56:01,109 --> 00:55:57,440

oh oh sweet yes there it is

1575

00:56:04,630 --> 00:56:01,119

oh he over dubbed it now here

1576

00:56:07,670 --> 00:56:04,640

you can see this amazing carving

1577

00:56:11,349 --> 00:56:07,680

okay that's pretty funny that's pretty

1578

00:56:15,990 --> 00:56:14,390

and not even some type of dinosaur he's

1579

00:56:19,030 --> 00:56:16,000

doing a pretty good job similar

1580

00:56:21,430 --> 00:56:19,040

to a stegosaurus

1581

00:56:22,549 --> 00:56:21,440

there's a type of dinosaur okay well

1582

00:56:25,349 --> 00:56:22,559

obviously dude that's

1583

00:56:26,870 --> 00:56:25,359

what is that other than a [h\_\_\h]

1584

00:56:30,710 --> 00:56:26,880

stegosaurus stegosaurus

1585

00:56:36,390 --> 00:56:30,720

dinosaur dude this is a [h\_\_\h] dinosaur

1586

00:56:39,750 --> 00:56:38,789

yeah there he goes yeah that's a

1587

00:56:41,430 --> 00:56:39,760

stegosaurus or

1588

00:56:42,789 --> 00:56:41,440

like maybe it was a pig with a cool

1589

00:56:44,789 --> 00:56:42,799

hairdo

1590

00:56:46,549 --> 00:56:44,799

but now i'm thinking dinosaur dude i'm

1591

00:56:49,670 --> 00:56:46,559

thinking stegosaurus all the way

1592

00:56:52,789 --> 00:56:49,680

stegosaurus man so there's dinosaurs

1593

00:56:56,870 --> 00:56:52,799

um you know look at

1594

00:56:58,630 --> 00:56:56,880

did you see uh cambodia and cambodia

1595

00:57:00,150 --> 00:56:58,640

hey i know they got some good breast

1596

00:57:01,589 --> 00:57:00,160

milk in cambodia

1597

00:57:04,470 --> 00:57:01,599

cambodia's got good breasts they got

1598

00:57:07,190 --> 00:57:04,480

good breast milk yeah dave chappelle

1599

00:57:07,750 --> 00:57:07,200

did you remember that i forgot he plays

1600

00:57:18,230 --> 00:57:07,760

a

1601  
00:57:20,309 --> 00:57:18,240  
right it's on the

1602  
00:57:22,309 --> 00:57:20,319  
the show the show that they do the the

1603  
00:57:24,470 --> 00:57:22,319  
contest show he's like uh

1604  
00:57:25,910 --> 00:57:24,480  
all right guys in order for y'all to go

1605  
00:57:26,549 --> 00:57:25,920  
are y'all [h\_\_h] up so y'all are out of

1606  
00:57:30,710 --> 00:57:26,559  
the studio

1607  
00:57:33,030 --> 00:57:30,720  
unless y'all go to the bronx

1608  
00:57:34,309 --> 00:57:33,040  
and give me some some uh cambodian

1609  
00:57:35,910 --> 00:57:34,319  
breast milk

1610  
00:57:39,109 --> 00:57:35,920  
and not until y'all come back you can't

1611  
00:57:43,829 --> 00:57:41,990  
i missed that show that was a good one

1612  
00:57:46,630 --> 00:57:43,839  
for sure what a great show

1613  
00:57:48,270 --> 00:57:46,640

seriously like uh yeah i could go all

1614

00:57:50,870 --> 00:57:48,280

day on the chapel show but

1615

00:57:52,950 --> 00:57:50,880

750 million genetically modified

1616

00:57:56,270 --> 00:57:52,960

mosquitoes are set to be released into

1617

00:58:01,589 --> 00:57:58,630

2021-2022

1618

00:58:03,430 --> 00:58:01,599

uh so that means that uh they're setting

1619

00:58:06,230 --> 00:58:03,440

them off in the future and then back in

1620

00:58:07,670 --> 00:58:06,240

oh okay sorry i read 2020 instead of

1621

00:58:11,510 --> 00:58:07,680

2022 for some reason

1622

00:58:13,589 --> 00:58:11,520

so as as soon as coronavirus is over

1623

00:58:15,270 --> 00:58:13,599

we'll we'll replace it with mosquitoes

1624

00:58:18,470 --> 00:58:15,280

yeah and then the mosquitoes are gonna

1625

00:58:19,109 --> 00:58:18,480

gonna have a a blood-borne illness like

1626

00:58:21,430 --> 00:58:19,119

zika

1627

00:58:22,230 --> 00:58:21,440

or something yeah okay cool so we got a

1628

00:58:24,789 --> 00:58:22,240

a good

1629

00:58:26,069 --> 00:58:24,799

steady plan yeah serious couple years to

1630

00:58:28,710 --> 00:58:26,079

keep everybody inside

1631

00:58:30,150 --> 00:58:28,720

oh my god masturbations are on at an

1632

00:58:32,950 --> 00:58:30,160

all-time high we got to keep them

1633

00:58:33,349 --> 00:58:32,960

high we got to keep the masturbation

1634

00:58:35,030 --> 00:58:33,359

high

1635

00:58:37,109 --> 00:58:35,040

that's why we've been seeing so much ufo

1636

00:58:38,390 --> 00:58:37,119

[h\_\_h] that's why it's so much power right

1637

00:58:40,950 --> 00:58:38,400

now they have so much power

1638

00:58:41,910 --> 00:58:40,960

going on power across every the whole

1639

00:58:43,670 --> 00:58:41,920

world there's

1640

00:58:45,430 --> 00:58:43,680

it's the the atmosphere is full of

1641

00:58:47,349 --> 00:58:45,440

electricity from orgasms

1642

00:58:49,190 --> 00:58:47,359

yeah and we've been telling people this

1643

00:58:51,349 --> 00:58:49,200

for quite some time now you know

1644

00:58:53,990 --> 00:58:51,359

so you guys that are avid listeners uh

1645

00:58:56,470 --> 00:58:54,000

y'all know what we're talking about

1646

00:58:59,829 --> 00:58:56,480

uh let's see here yeah that was pretty

1647

00:59:02,789 --> 00:58:59,839

investigation propulsion technology

1648

00:59:04,549 --> 00:59:02,799

um this was photos of just all the

1649

00:59:06,470 --> 00:59:04,559

people who were involved in that

1650

00:59:07,589 --> 00:59:06,480

movie that they were making yeah about

1651  
00:59:09,030 --> 00:59:07,599  
the child sex trafficking

1652  
00:59:10,710 --> 00:59:09,040  
right right it just so happened that

1653  
00:59:14,230 --> 00:59:10,720  
they all died they all died

1654  
00:59:15,510 --> 00:59:14,240  
by suicide so our so my question is oh

1655  
00:59:17,750 --> 00:59:15,520  
that guy crashed

1656  
00:59:19,270 --> 00:59:17,760  
he was in yeah never mind yeah he was in

1657  
00:59:22,230 --> 00:59:19,280  
a car crash it was a while back

1658  
00:59:23,190 --> 00:59:22,240  
but i don't know if he was was it walker

1659  
00:59:26,309 --> 00:59:23,200  
um

1660  
00:59:30,150 --> 00:59:28,069  
paul paul walker yeah that's right

1661  
00:59:31,750 --> 00:59:30,160  
that's right uh

1662  
00:59:34,390 --> 00:59:31,760  
yeah so are we ever going to see that

1663  
00:59:37,589 --> 00:59:34,400

documentary or i don't think so

1664

00:59:40,069 --> 00:59:37,599

yeah i don't think so man okay when you

1665

00:59:41,750 --> 00:59:40,079

plant those seeds from china

1666

00:59:43,990 --> 00:59:41,760

you've been seeing those videos yeah

1667

00:59:44,390 --> 00:59:44,000

people getting [h\_\_h] scenes from china

1668

00:59:47,190 --> 00:59:44,400

yeah

1669

00:59:47,990 --> 00:59:47,200

what is that that's weird man uh tick

1670

00:59:49,510 --> 00:59:48,000

tock dude

1671

00:59:51,750 --> 00:59:49,520

yeah i've seen it yeah that's the only

1672

00:59:54,150 --> 00:59:51,760

reason i know about it no no i'm saying

1673

00:59:55,990 --> 00:59:54,160

it's it's and they're using tick tock

1674

00:59:57,349 --> 00:59:56,000

and they can triangulate where you live

1675

00:59:59,190 --> 00:59:57,359

they have your address they got your

1676

01:00:00,630 --> 00:59:59,200

name they got your information

1677

01:00:02,470 --> 01:00:00,640

yeah they definitely know where i am

1678

01:00:03,910 --> 01:00:02,480

because uh they cater you know the

1679

01:00:06,950 --> 01:00:03,920

algorithm is like knowing

1680

01:00:09,910 --> 01:00:06,960

where your geo is and uh i get

1681

01:00:11,750 --> 01:00:09,920

uh people will post like hey just

1682

01:00:14,870 --> 01:00:11,760

testing the algorithm y'all in austin

1683

01:00:16,950 --> 01:00:14,880

and i'm like [h\_\_h] that yeah

1684

01:00:18,789 --> 01:00:16,960

yeah yeah so so i mean if you think

1685

01:00:20,950 --> 01:00:18,799

about it though like when we talk about

1686

01:00:22,549 --> 01:00:20,960

war we always think about bombs and we

1687

01:00:26,309 --> 01:00:22,559

always think about you know

1688

01:00:26,950 --> 01:00:26,319

uh expensive military operations and

1689

01:00:30,230 --> 01:00:26,960

covert

1690

01:00:31,270 --> 01:00:30,240

things but you can also have this dirty

1691

01:00:33,990 --> 01:00:31,280

war right where

1692

01:00:35,109 --> 01:00:34,000

you could literally send seeds to people

1693

01:00:37,829 --> 01:00:35,119

when they plant them

1694

01:00:39,990 --> 01:00:37,839

and they could wipe out entire crops

1695

01:00:42,950 --> 01:00:40,000

that could completely decimate our

1696

01:00:44,789 --> 01:00:42,960

food right um for the united states you

1697

01:00:47,349 --> 01:00:44,799

could put something in the soil

1698

01:00:49,510 --> 01:00:47,359

that won't allow things to grow i mean

1699

01:00:52,630 --> 01:00:49,520

we're talking like this is like

1700

01:00:54,069 --> 01:00:52,640

the kind of like it's it's almost an act

1701

01:00:57,349 --> 01:00:54,079

of war

1702

01:00:59,109 --> 01:00:57,359

um if it were to do something like that

1703

01:01:00,390 --> 01:00:59,119

and that's that's a perspective that we

1704

01:01:03,510 --> 01:01:00,400

don't really ever think about

1705

01:01:05,589 --> 01:01:03,520

right you know uh you know the

1706

01:01:06,870 --> 01:01:05,599

sending you stuff in the mail that has

1707

01:01:09,190 --> 01:01:06,880

something

1708

01:01:10,789 --> 01:01:09,200

like a biological disease on it and you

1709

01:01:12,069 --> 01:01:10,799

open it yeah you know i mean that's

1710

01:01:13,829 --> 01:01:12,079

that's very easy

1711

01:01:15,109 --> 01:01:13,839

maybe this is a test run where they're

1712

01:01:17,349 --> 01:01:15,119

sending [h\_\_h] to people

1713

01:01:18,470 --> 01:01:17,359

in the mail you know they'll just do it

1714

01:01:19,589 --> 01:01:18,480

for us they'll just

1715

01:01:21,670 --> 01:01:19,599

they'll just plant the seeds out of

1716

01:01:22,390 --> 01:01:21,680

curiosity because the thing is how do

1717

01:01:24,710 --> 01:01:22,400

they know

1718

01:01:25,430 --> 01:01:24,720

they're not just they have to know a

1719

01:01:27,990 --> 01:01:25,440

specific

1720

01:01:29,030 --> 01:01:28,000

address who lives there the name who

1721

01:01:31,750 --> 01:01:29,040

it's to

1722

01:01:32,870 --> 01:01:31,760

right in order to send it i don't know

1723

01:01:34,789 --> 01:01:32,880

if they know

1724

01:01:36,950 --> 01:01:34,799

i haven't seen any examples to where

1725

01:01:40,150 --> 01:01:36,960

they know the person's name

1726

01:01:41,910 --> 01:01:40,160

uh it is like a like it's usually

1727

01:01:43,990 --> 01:01:41,920

i don't know people usually black it out

1728

01:01:45,510 --> 01:01:44,000

but i have seen you said tick tock and i

1729

01:01:47,270 --> 01:01:45,520

said that's the only reason i know about

1730

01:01:48,870 --> 01:01:47,280

it is because i've seen so many videos

1731

01:01:49,829 --> 01:01:48,880

on tick tock that's the only reason i

1732

01:01:51,829 --> 01:01:49,839

knew about it

1733

01:01:53,829 --> 01:01:51,839

and most people that say yeah i got this

1734

01:01:56,150 --> 01:01:53,839

[h\_\_\h] bag of seeds

1735

01:01:57,510 --> 01:01:56,160

they usually black out their address but

1736

01:01:59,910 --> 01:01:57,520

they say yeah my

1737

01:02:01,589 --> 01:01:59,920

you know it was it just said to current

1738

01:02:04,069 --> 01:02:01,599

owner that's that's the most

1739

01:02:05,589 --> 01:02:04,079

the most so they don't know your name

1740

01:02:09,029 --> 01:02:05,599

but they know your address

1741

01:02:10,789 --> 01:02:09,039

so here's what i'm saying like i

1742

01:02:12,789 --> 01:02:10,799

i'm not i'm just being devil's advocate

1743

01:02:14,789 --> 01:02:12,799

i'm not trying to like you know be

1744

01:02:16,230 --> 01:02:14,799

whatever but it's an illusion you can

1745

01:02:22,549 --> 01:02:16,240

you can

1746

01:02:23,589 --> 01:02:22,559

[h\_\_h] easy on google maps that's all

1747

01:02:25,670 --> 01:02:23,599

i'm saying is that

1748

01:02:27,109 --> 01:02:25,680

they could just be [h\_\_h] picking uh a

1749

01:02:29,430 --> 01:02:27,119

certain neighborhood

1750

01:02:30,390 --> 01:02:29,440

and you could find [h\_\_h] so easily dude

1751

01:02:33,349 --> 01:02:30,400

yeah that's all

1752

01:02:34,710 --> 01:02:33,359

yeah but they're still sending invasive

1753

01:02:36,549 --> 01:02:34,720

[h\_\_\h] to you yeah

1754

01:02:38,150 --> 01:02:36,559

i'm not yeah which isn't good what i'm

1755

01:02:39,670 --> 01:02:38,160

trying to defend and i don't know why

1756

01:02:40,069 --> 01:02:39,680

i'm just trying to be devil's advocate

1757

01:02:42,150 --> 01:02:40,079

is because

1758

01:02:44,470 --> 01:02:42,160

i like tickets i like it it's because

1759

01:02:47,190 --> 01:02:44,480

you're you're on the china tick tock i

1760

01:02:48,549 --> 01:02:47,200

like it the china-based tick-tock dude

1761

01:02:49,829 --> 01:02:48,559

i'm totally defending tick-tock

1762

01:02:51,670 --> 01:02:49,839

you already know that trump warned you

1763

01:02:52,870 --> 01:02:51,680

against that hell yeah i did i don't

1764

01:02:53,990 --> 01:02:52,880

know if you've been following cue but

1765

01:02:56,870 --> 01:02:54,000

they said don't do that

1766

01:02:58,710 --> 01:02:56,880

verily you said that well [\h\_\_\h] let me

1767

01:02:59,260 --> 01:02:58,720

delete her right now delete that [\h\_\_\h]

1768

01:03:01,190 --> 01:02:59,270

dude

1769

01:03:03,750 --> 01:03:01,200

[Laughter]

1770

01:03:05,510 --> 01:03:03,760

uh so funny story about that exact uh

1771

01:03:09,910 --> 01:03:05,520

scroll down the little plant

1772

01:03:11,589 --> 01:03:09,920

you remember sweet 709 gerard yeah he uh

1773

01:03:12,950 --> 01:03:11,599

as you know amazing singer he moved up

1774

01:03:16,150 --> 01:03:12,960

to dallas he's doing a

1775

01:03:18,309 --> 01:03:16,160

a live uh play and he's that character

1776

01:03:19,910 --> 01:03:18,319

he like plays the plant isn't that dope

1777

01:03:22,309 --> 01:03:19,920

he's the plant yeah

1778

01:03:23,109 --> 01:03:22,319

it's it's from a famous uh yeah a little

1779

01:03:25,589 --> 01:03:23,119

shop of horrors

1780

01:03:26,710 --> 01:03:25,599

that okay yeah that's yeah that's what

1781

01:03:29,750 --> 01:03:26,720

it is

1782

01:03:32,309 --> 01:03:29,760

seymour yeah so he's anyway

1783

01:03:33,270 --> 01:03:32,319

so if gerard is listening to it shout

1784

01:03:36,390 --> 01:03:33,280

out to you man

1785

01:03:41,349 --> 01:03:38,950

[Music]

1786

01:03:44,549 --> 01:03:41,359

pretty chilling oh you can hear it if

1787

01:03:46,870 --> 01:03:44,559

you press that

1788

01:03:48,390 --> 01:03:46,880

and in that sentence he told two friends

1789

01:03:50,549 --> 01:03:48,400

of mine ronald reagan

1790

01:03:51,670 --> 01:03:50,559

1964. this man who would escape from

1791

01:03:53,190 --> 01:03:51,680

castro

1792

01:03:54,470 --> 01:03:53,200

and in the midst of his story one of my

1793

01:03:55,510 --> 01:03:54,480

friends turned to the other and said we

1794

01:03:57,829 --> 01:03:55,520

don't know how lucky we

1795

01:03:59,510 --> 01:03:57,839

are and the cuban stopped and said how

1796

01:04:02,789 --> 01:03:59,520

lucky you are

1797

01:04:04,549 --> 01:04:02,799

i had some place to escape to and in

1798

01:04:05,349 --> 01:04:04,559

that sentence he told us the entire

1799

01:04:07,270 --> 01:04:05,359

story

1800

01:04:09,190 --> 01:04:07,280

if we lose freedom here there's no place

1801  
01:04:10,069 --> 01:04:09,200  
to escape to this is the last stand on

1802  
01:04:11,910 --> 01:04:10,079  
earth

1803  
01:04:13,670 --> 01:04:11,920  
and this idea that government is

1804  
01:04:15,190 --> 01:04:13,680  
beholden to the people that it has no

1805  
01:04:16,549 --> 01:04:15,200  
other source of power except the

1806  
01:04:18,390 --> 01:04:16,559  
sovereign people

1807  
01:04:20,390 --> 01:04:18,400  
is still the newest and the most unique

1808  
01:04:21,990 --> 01:04:20,400  
idea in all the long history of man's

1809  
01:04:24,390 --> 01:04:22,000  
relation to man

1810  
01:04:26,069 --> 01:04:24,400  
this is the issue of this election

1811  
01:04:27,510 --> 01:04:26,079  
whether we believe in our capacity

1812  
01:04:29,349 --> 01:04:27,520  
for self-government or whether we

1813  
01:04:31,910 --> 01:04:29,359

abandon the american revolution and

1814

01:04:33,990 --> 01:04:31,920

confess that a little intellectual elite

1815

01:04:35,750 --> 01:04:34,000

in a far distant capital can plan our

1816

01:04:36,549 --> 01:04:35,760

lives for us better than we can plan

1817

01:04:38,789 --> 01:04:36,559

them ourselves

1818

01:04:40,390 --> 01:04:38,799

[h\_\_\h] me man and i are told increasingly

1819

01:04:41,029 --> 01:04:40,400

we have to choose between a left or

1820

01:04:42,710 --> 01:04:41,039

right

1821

01:04:44,789 --> 01:04:42,720

well i'd like to suggest there is no

1822

01:04:48,069 --> 01:04:44,799

such thing as a left or right

1823

01:04:51,190 --> 01:04:48,079

there's only an up or down

1824

01:04:53,270 --> 01:04:51,200

man's own old age dream

1825

01:04:55,109 --> 01:04:53,280

the ultimate in individual freedom

1826

01:04:56,750 --> 01:04:55,119

consistent with law and order

1827

01:04:58,470 --> 01:04:56,760

or down to the ant heap of

1828

01:05:01,029 --> 01:04:58,480

totalitarianism

1829

01:05:03,270 --> 01:05:01,039

sorry this is a really long clip so it's

1830

01:05:03,910 --> 01:05:03,280

fine maybe we save it for a a more

1831

01:05:07,190 --> 01:05:03,920

political

1832

01:05:08,950 --> 01:05:07,200

centered uh episode but man what i i

1833

01:05:11,109 --> 01:05:08,960

have i've never heard that that's

1834

01:05:13,109 --> 01:05:11,119

[h\_\_\h] awesome it's a great speech

1835

01:05:15,029 --> 01:05:13,119

uh it's back when republicans weren't

1836

01:05:20,470 --> 01:05:15,039

democrats

1837

01:05:21,430 --> 01:05:20,480

yeah like left or right it's up or down

1838

01:05:24,950 --> 01:05:21,440

bro yeah and

1839

01:05:27,029 --> 01:05:24,960

and i feel like yeah yep right now it's

1840

01:05:28,150 --> 01:05:27,039

uh there's your actor who's the first

1841

01:05:30,630 --> 01:05:28,160

actor paul

1842

01:05:32,390 --> 01:05:30,640

do you think yeah no he was an actor so

1843

01:05:34,309 --> 01:05:32,400

he used to he would act

1844

01:05:35,670 --> 01:05:34,319

he was an actor and then he joined

1845

01:05:38,710 --> 01:05:35,680

politics and became

1846

01:05:40,549 --> 01:05:38,720

president no [h\_\_\h] yeah yeah so how

1847

01:05:42,789 --> 01:05:40,559

different is he from uh donald trump's

1848

01:05:44,230 --> 01:05:42,799

career i mean uh donald trump he

1849

01:05:45,910 --> 01:05:44,240

do you think he's an actor do you think

1850

01:05:47,910 --> 01:05:45,920

he's real i mean people always say

1851  
01:05:49,750 --> 01:05:47,920  
this is the best president since ronald

1852  
01:05:50,230 --> 01:05:49,760  
reagan and it's funny that they have the

1853  
01:05:52,309 --> 01:05:50,240  
same

1854  
01:05:54,069 --> 01:05:52,319  
like you know kind of background and

1855  
01:05:55,430 --> 01:05:54,079  
then getting into politics right like

1856  
01:05:57,910 --> 01:05:55,440  
entertainment that's

1857  
01:05:59,109 --> 01:05:57,920  
no it's not totally different totally

1858  
01:06:00,789 --> 01:05:59,119  
different and by the way

1859  
01:06:02,630 --> 01:06:00,799  
ronald reagan and donald trump are the

1860  
01:06:05,910 --> 01:06:02,640  
only two people that actually

1861  
01:06:07,029 --> 01:06:05,920  
uh uh put restrictions on your second

1862  
01:06:10,390 --> 01:06:07,039  
amendment right

1863  
01:06:12,630 --> 01:06:10,400

just to let you all know so

1864

01:06:13,430 --> 01:06:12,640

that's a man that's always a big talking

1865

01:06:15,430 --> 01:06:13,440

point and

1866

01:06:17,430 --> 01:06:15,440

they hate it when i'm like oh yeah he

1867

01:06:18,549 --> 01:06:17,440

also infringed on your second amendment

1868

01:06:20,710 --> 01:06:18,559

right interesting

1869

01:06:22,150 --> 01:06:20,720

well yeah but you know we needed uh so

1870

01:06:24,309 --> 01:06:22,160

many excuses dude

1871

01:06:25,430 --> 01:06:24,319

but you know there's a taxes and there's

1872

01:06:28,549 --> 01:06:25,440

there's you know

1873

01:06:31,829 --> 01:06:28,559

there's isis and the democrats and

1874

01:06:32,390 --> 01:06:31,839

you know it's like all right all right

1875

01:06:35,990 --> 01:06:32,400

thanks

1876

01:06:37,670 --> 01:06:36,000

well i i want to talk about the austin

1877

01:06:38,150 --> 01:06:37,680

okay let's just say let's do this and

1878

01:06:40,309 --> 01:06:38,160

like

1879

01:06:41,190 --> 01:06:40,319

move on but the austin per the boat

1880

01:06:46,950 --> 01:06:41,200

parade

1881

01:06:47,910 --> 01:06:46,960

it was funny dude all the memes were

1882

01:06:50,549 --> 01:06:47,920

[h\_\_\h] hilarious

1883

01:06:51,910 --> 01:06:50,559

i i will say out of thousands and

1884

01:06:54,950 --> 01:06:51,920

thousands of votes

1885

01:06:57,670 --> 01:06:54,960

five isn't bad dude i thought

1886

01:06:59,029 --> 01:06:57,680

i mean okay i know most people think

1887

01:07:00,710 --> 01:06:59,039

because of one of our episodes they

1888

01:07:01,430 --> 01:07:00,720

think i'm a [\h\_\_\h] trump supporter i'm

1889

01:07:06,549 --> 01:07:01,440

not

1890

01:07:09,430 --> 01:07:06,559

okay i'm just trying to ask questions uh

1891

01:07:10,710 --> 01:07:09,440

but dude i think it's hilarious and also

1892

01:07:12,710 --> 01:07:10,720

kind of awesome that a bunch of people

1893

01:07:14,630 --> 01:07:12,720

got together and said let's [\h\_\_\h] [\h\_\_\h] it

1894

01:07:16,309 --> 01:07:14,640

get on a boat yeah everybody got their

1895

01:07:18,950 --> 01:07:16,319

boats together and had [\h\_\_\h] flags i

1896

01:07:20,789 --> 01:07:18,960

mean that's kind of cool yeah it is cool

1897

01:07:23,430 --> 01:07:20,799

i think what i find cool about that is

1898

01:07:25,670 --> 01:07:23,440

just the people gathering for one cause

1899

01:07:27,029 --> 01:07:25,680

i think that's why at the root of it i

1900

01:07:28,150 --> 01:07:27,039

think it's [\h\_\_\h] cool and the only

1901

01:07:30,950 --> 01:07:28,160

[h\_\_\h] that got destroyed

1902

01:07:31,589 --> 01:07:30,960

was their own [h\_\_\h] yeah dude nothing got

1903

01:07:34,390 --> 01:07:31,599

burnt down

1904

01:07:35,349 --> 01:07:34,400

broken into nobody died nobody got shot

1905

01:07:37,990 --> 01:07:35,359

none of that [h\_\_\h]

1906

01:07:40,069 --> 01:07:38,000

boom love that they were like party and

1907

01:07:42,150 --> 01:07:40,079

what happens when you party too hard

1908

01:07:44,309 --> 01:07:42,160

sometimes you [h\_\_\h] things up right yeah

1909

01:07:45,750 --> 01:07:44,319

and five people just partied way too

1910

01:07:47,510 --> 01:07:45,760

[h\_\_\h] hard they got

1911

01:07:48,710 --> 01:07:47,520

like i feel like what happened is like

1912

01:07:50,150 --> 01:07:48,720

people got so stoked there's so many

1913

01:07:51,510 --> 01:07:50,160

people at the boat ramp that they forgot

1914

01:07:53,349 --> 01:07:51,520

to put the plug in on their bed

1915

01:07:54,870 --> 01:07:53,359

that's what happened man they were just

1916

01:07:56,390 --> 01:07:54,880

i think there were smaller boats there's

1917

01:07:58,150 --> 01:07:56,400

so many boats right next to each other

1918

01:07:59,750 --> 01:07:58,160

can you imagine all those wakes going at

1919

01:08:02,230 --> 01:07:59,760

the same time that's a good point

1920

01:08:03,670 --> 01:08:02,240

unstable your tiny ass boat would be and

1921

01:08:05,910 --> 01:08:03,680

you're already full of people

1922

01:08:07,910 --> 01:08:05,920

yeah and you can't get out you know yeah

1923

01:08:10,150 --> 01:08:07,920

so yeah it's

1924

01:08:11,750 --> 01:08:10,160

obviously that would happen yeah that's

1925

01:08:12,549 --> 01:08:11,760

a great point like and i have some

1926

01:08:14,549 --> 01:08:12,559

experience with

1927

01:08:15,750 --> 01:08:14,559

boats i mean like dude high school was

1928

01:08:17,829 --> 01:08:15,760

just us on

1929

01:08:19,749 --> 01:08:17,839

my family's boat with [h\_\_h] ton of people

1930

01:08:22,709 --> 01:08:19,759

like way too many people if there was

1931

01:08:24,070 --> 01:08:22,719

one two foot wave or wake like

1932

01:08:27,430 --> 01:08:24,080

everybody's phone is dead

1933

01:08:31,110 --> 01:08:27,440

like [h\_\_h] everything's wet yeah so

1934

01:08:33,189 --> 01:08:31,120

yeah that's a good point but yeah

1935

01:08:34,870 --> 01:08:33,199

all right well we got a lot maybe we'll

1936

01:08:37,430 --> 01:08:34,880

do it the next episode is a

1937

01:08:38,950 --> 01:08:37,440

political body i don't know it's ufos

1938

01:08:39,269 --> 01:08:38,960

aliens and all things weird and right

1939

01:08:41,990 --> 01:08:39,279

now

1940

01:08:43,269 --> 01:08:42,000

politics is weird so it is weird but i

1941

01:08:46,870 --> 01:08:43,279

definitely want to dedicate

1942

01:08:51,189 --> 01:08:46,880

uh one episode towards politics anyway

1943

01:08:53,189 --> 01:08:51,199

uh okay next one yeah jim goodall man it

1944

01:08:55,189 --> 01:08:53,199

was so awesome to have him dude

1945

01:08:57,110 --> 01:08:55,199

like yeah episode 55 if you haven't

1946

01:08:59,910 --> 01:08:57,120

listened to it it's [h\_\_\h] awesome

1947

01:09:00,390 --> 01:08:59,920

yeah dude uh joe you got to spend quite

1948

01:09:11,510 --> 01:09:00,400

a

1949

01:09:13,349 --> 01:09:11,520

into my house

1950

01:09:14,870 --> 01:09:13,359

yeah and staying saved the night hung

1951

01:09:16,550 --> 01:09:14,880

out that was pretty awesome man

1952

01:09:17,990 --> 01:09:16,560

we had a really good time and it's

1953

01:09:18,870 --> 01:09:18,000

really it was really like hanging out

1954

01:09:21,030 --> 01:09:18,880

with an old friend

1955

01:09:22,870 --> 01:09:21,040

yeah yeah like like we've known him for

1956

01:09:24,309 --> 01:09:22,880

years like yeah dude it wasn't like

1957

01:09:26,229 --> 01:09:24,319

uncomfortable or awkward

1958

01:09:27,669 --> 01:09:26,239

like you have a new person in your house

1959

01:09:29,829 --> 01:09:27,679

yeah he's like it was like

1960

01:09:31,430 --> 01:09:29,839

i've known this guy forever and i

1961

01:09:32,229 --> 01:09:31,440

haven't but he's just such an awesome

1962

01:09:34,870 --> 01:09:32,239

dude yeah

1963

01:09:35,590 --> 01:09:34,880

and we like at the conference we met him

1964

01:09:38,870 --> 01:09:35,600

at we just

1965

01:09:40,470 --> 01:09:38,880

initially and or not initially but

1966

01:09:42,229 --> 01:09:40,480

immediately clicked with him and he

1967

01:09:44,149 --> 01:09:42,239

clicked with us and he said so much

1968

01:09:45,910 --> 01:09:44,159

awesome things about us so uh that man

1969

01:09:48,550 --> 01:09:45,920

loves to dance bro

1970

01:09:50,550 --> 01:09:48,560

yeah he loves to dance well i didn't he

1971

01:09:52,390 --> 01:09:50,560

didn't dance on the podcast

1972

01:09:55,110 --> 01:09:52,400

well he talked about dancing in the

1973

01:09:56,790 --> 01:09:55,120

podcast like before you got there like

1974

01:09:58,550 --> 01:09:56,800

all of his stories were like almost

1975

01:10:01,270 --> 01:09:58,560

dancing right

1976

01:10:03,510 --> 01:10:01,280

it was great yeah he's awesome he's a

1977

01:10:05,189 --> 01:10:03,520

cool dude yeah he's [h\_\_h] snakes man

1978

01:10:07,350 --> 01:10:05,199

yeah let's see what's next oh we got a

1979

01:10:09,910 --> 01:10:07,360

cool oh this is a new uh

1980

01:10:11,590 --> 01:10:09,920

oh i did okay bro did click on that did

1981

01:10:15,510 --> 01:10:11,600

corey good grow his hair out dude

1982

01:10:18,470 --> 01:10:15,520

he did okay so the next post joseph uh

1983

01:10:19,590 --> 01:10:18,480

he posted a video of corey goode and the

1984

01:10:22,390 --> 01:10:19,600

title is possible

1985

01:10:23,669 --> 01:10:22,400

is that him that's corey good is it yeah

1986

01:10:24,550 --> 01:10:23,679

he lost a bunch of weight and he grew

1987

01:10:25,830 --> 01:10:24,560

his hair out

1988

01:10:28,950 --> 01:10:25,840

were you being are you trying to be

1989

01:10:31,669 --> 01:10:28,960

funny and funny no that's him bro

1990

01:10:32,550 --> 01:10:31,679

he's all skinny and like fake news yeah

1991

01:10:34,390 --> 01:10:32,560

just kidding

1992

01:10:36,149 --> 01:10:34,400

i mean we could scroll past it what i

1993

01:10:37,750 --> 01:10:36,159

mean what was it i mean what's he what's

1994

01:10:40,790 --> 01:10:37,760

he talking it's the same

1995

01:10:42,709 --> 01:10:40,800

stuff man it's it's literally

1996

01:10:43,990 --> 01:10:42,719

it's so tough because we're in a

1997

01:10:47,030 --> 01:10:44,000

position where yeah

1998

01:10:48,390 --> 01:10:47,040

we do have a platform and we have quite

1999

01:10:50,149 --> 01:10:48,400

a bit of listener i'm not saying we're a

2000

01:10:51,830 --> 01:10:50,159

[h\_\_h] joe rogan level but

2001  
01:10:54,390 --> 01:10:51,840  
we have a lot of new listeners but y'all

2002  
01:10:56,149 --> 01:10:54,400  
better watch out

2003  
01:10:58,149 --> 01:10:56,159  
he's in austin now he's competing with

2004  
01:10:59,830 --> 01:10:58,159  
us directly but what i mean

2005  
01:11:01,669 --> 01:10:59,840  
is like we do have a lot of new

2006  
01:11:03,350 --> 01:11:01,679  
listeners every day and what i don't

2007  
01:11:04,870 --> 01:11:03,360  
want to do and i i think you as well

2008  
01:11:05,350 --> 01:11:04,880  
like we don't want to [h\_\_h] put some

2009  
01:11:06,630 --> 01:11:05,360  
false

2010  
01:11:08,790 --> 01:11:06,640  
[h\_\_h] out there we've gotten in trouble

2011  
01:11:10,950 --> 01:11:08,800  
for it last time because

2012  
01:11:12,709 --> 01:11:10,960  
yeah poor corey good is kind of a

2013  
01:11:15,669 --> 01:11:12,719

sensitive subject like it got

2014

01:11:18,390 --> 01:11:15,679

us more interested in talking about this

2015

01:11:19,990 --> 01:11:18,400

subject but we've later found out that

2016

01:11:21,669 --> 01:11:20,000

man there's a good chance that

2017

01:11:23,510 --> 01:11:21,679

everything he said was [h\_\_\h] fake

2018

01:11:25,270 --> 01:11:23,520

he was just one of those people one of

2019

01:11:26,950 --> 01:11:25,280

the many that

2020

01:11:28,790 --> 01:11:26,960

you run across right trying to

2021

01:11:31,270 --> 01:11:28,800

capitalize yeah on the stuff

2022

01:11:32,550 --> 01:11:31,280

and the community is is up in arms no it

2023

01:11:34,790 --> 01:11:32,560

was up in arms

2024

01:11:36,550 --> 01:11:34,800

and i think the best possible solution

2025

01:11:39,030 --> 01:11:36,560

is just not give them any

2026

01:11:40,550 --> 01:11:39,040

no so we'll i i would feel okay with

2027

01:11:43,750 --> 01:11:40,560

just scrolling by it

2028

01:11:44,950 --> 01:11:43,760

cool yeah i mean no no offense joseph

2029

01:11:48,630 --> 01:11:44,960

for posting it i mean

2030

01:11:51,430 --> 01:11:48,640

i did watch some of it and

2031

01:11:51,910 --> 01:11:51,440

it's it's fine it's it's just it's stuff

2032

01:11:54,950 --> 01:11:51,920

that

2033

01:11:58,470 --> 01:11:54,960

i already kind of heard he's stealing

2034

01:11:59,990 --> 01:11:58,480

[h\_\_\h] hands it's [h\_\_\h] that like is

2035

01:12:03,430 --> 01:12:00,000

uh people that have actually gone

2036

01:12:07,510 --> 01:12:03,440

through it yeah oh my god yeah

2037

01:12:08,390 --> 01:12:07,520

he the twilight zone imagine a world

2038

01:12:10,709 --> 01:12:08,400

where youtube

2039

01:12:14,550 --> 01:12:10,719

twitter facebook merged to become known

2040

01:12:17,590 --> 01:12:16,470

i will spit up my [\h\_\_\h] beard just

2041

01:12:21,350 --> 01:12:17,600

then

2042

01:12:23,830 --> 01:12:21,360

that's awesome love that nice jonah

2043

01:12:25,030 --> 01:12:23,840

um yeah oh did you watch this new one

2044

01:12:27,990 --> 01:12:25,040

from create

2045

01:12:28,790 --> 01:12:28,000

uh oh no i didn't see this dude let's

2046

01:12:31,700 --> 01:12:28,800

watch it live

2047

01:12:33,510 --> 01:12:31,710

bro video is unavailable no

2048

01:12:35,590 --> 01:12:33,520

[Music]

2049

01:12:37,350 --> 01:12:35,600

the government all right create well hey

2050

01:12:39,030 --> 01:12:37,360

man we've talked to you and

2051

01:12:40,310 --> 01:12:39,040

uh thanks for thanks so much for

2052

01:12:41,669 --> 01:12:40,320

listening to the podcast and reaching

2053

01:12:44,390 --> 01:12:41,679

out to us and man we

2054

01:12:45,030 --> 01:12:44,400

we want to have you on the podcast too

2055

01:12:47,350 --> 01:12:45,040

so

2056

01:12:49,030 --> 01:12:47,360

dude reach out to us if you're available

2057

01:12:51,350 --> 01:12:49,040

maybe we'll just send you an email after

2058

01:12:52,870 --> 01:12:51,360

this now that we've gotten a reminder

2059

01:12:55,110 --> 01:12:52,880

um and for you guys that don't know

2060

01:12:55,990 --> 01:12:55,120

about create he's an ex-military guy who

2061

01:13:00,550 --> 01:12:56,000

uh

2062

01:13:02,470 --> 01:13:00,560

experiencer and he sees a lot of [h\_\_\h]

2063

01:13:04,310 --> 01:13:02,480

on a daily basis so he's got a really

2064

01:13:06,149 --> 01:13:04,320

interesting story was he the ex-military

2065

01:13:10,149 --> 01:13:06,159

guy yeah he was actually military yeah

2066

01:13:12,229 --> 01:13:10,159

okay this video was a trip

2067

01:13:14,470 --> 01:13:12,239

this one this oh i kind of feel like

2068

01:13:17,189 --> 01:13:14,480

that fool's lying

2069

01:13:18,070 --> 01:13:17,199

okay all right tell me more the guy

2070

01:13:20,070 --> 01:13:18,080

that's in the video

2071

01:13:21,510 --> 01:13:20,080

comes clean and he says it's a glitch

2072

01:13:23,590 --> 01:13:21,520

and it just like it's

2073

01:13:24,870 --> 01:13:23,600

it's a glitch on the camera yeah i feel

2074

01:13:26,790 --> 01:13:24,880

like that fool's lying

2075

01:13:28,149 --> 01:13:26,800

okay so for you listeners guy if y'all

2076

01:13:31,510 --> 01:13:28,159

aren't watching uh

2077

01:13:35,030 --> 01:13:31,520

so the video is uh the title is

2078

01:13:37,830 --> 01:13:35,040

texas man comes clean after odd glitch

2079

01:13:38,149 --> 01:13:37,840

in his doorbell cam makes it looks like

2080

01:13:39,910 --> 01:13:38,159

look

2081

01:13:41,189 --> 01:13:39,920

like he was abducted by aliens long

2082

01:13:44,950 --> 01:13:41,199

[h\_\_\h] title

2083

01:13:46,310 --> 01:13:44,960

but so you think okay i've never seen a

2084

01:13:48,310 --> 01:13:46,320

glitch like that let's play it

2085

01:13:49,990 --> 01:13:48,320

let's play it for you for the youtubes

2086

01:13:52,070 --> 01:13:50,000

and we'll get a little reaction

2087

01:13:53,189 --> 01:13:52,080

it's it's the doorbell camera video

2088

01:13:55,750 --> 01:13:53,199

that's raising a lot

2089

01:13:57,110 --> 01:13:55,760

calm down ladies jesus christ [h\_\_h]

2090

01:13:58,950 --> 01:13:57,120

yelling

2091

01:14:01,189 --> 01:13:58,960

it looks like he's beamed up to outer

2092

01:14:02,310 --> 01:14:01,199

space now the guy in the video is coming

2093

01:14:04,870 --> 01:14:02,320

to inside edition

2094

01:14:05,910 --> 01:14:04,880

to tell us what's really going on are

2095

01:14:08,630 --> 01:14:05,920

you witnessing an

2096

01:14:10,229 --> 01:14:08,640

alien abduction a homeowner in houston

2097

01:14:24,310 --> 01:14:10,239

walks out his front door

2098

01:14:30,149 --> 01:14:27,990

where'd he abduction go

2099

01:14:33,510 --> 01:14:30,159

homeowner in houston walks out his front

2100

01:14:35,270 --> 01:14:33,520

door then with a flash of light

2101  
01:14:36,709 --> 01:14:35,280  
i [h\_\_h] blinked when that changed i

2102  
01:14:37,189 --> 01:14:36,719  
knew i was like telling myself if you

2103  
01:14:39,030 --> 01:14:37,199  
blink

2104  
01:14:41,270 --> 01:14:39,040  
you're going to miss it and i did so i

2105  
01:14:44,550 --> 01:14:41,280  
want to watch it again front door

2106  
01:14:47,830 --> 01:14:44,560  
my eyes vanishes it appears

2107  
01:14:48,470 --> 01:14:47,840  
no need to talk to outer space is that a

2108  
01:14:51,750 --> 01:14:48,480  
glitch

2109  
01:14:54,310 --> 01:14:51,760  
dude i've never seen it

2110  
01:15:02,390 --> 01:14:54,320  
i want to see another one like that

2111  
01:15:07,910 --> 01:15:05,110  
all joking aside larry lewis explains

2112  
01:15:09,669 --> 01:15:07,920  
what's really behind this eerie video

2113  
01:15:10,950 --> 01:15:09,679

i think it got caught up in the

2114

01:15:13,030 --> 01:15:10,960  
recording and

2115

01:15:14,310 --> 01:15:13,040  
wherever the loop got stuck so it

2116

01:15:15,750 --> 01:15:14,320  
stopped recording

2117

01:15:17,990 --> 01:15:15,760  
and you would walk out of frame and look

2118

01:15:21,990 --> 01:15:18,000  
like you disappeared right right

2119

01:15:25,830 --> 01:15:22,000  
mystery solved mystery solved

2120

01:15:29,750 --> 01:15:25,840  
mystery solved i don't know man

2121

01:15:33,110 --> 01:15:31,910  
i don't know i the the fact that joe

2122

01:15:35,350 --> 01:15:33,120  
asked the question like

2123

01:15:37,350 --> 01:15:35,360  
i even was texting him when i saw it

2124

01:15:39,189 --> 01:15:37,360  
when i was in san diego i was like

2125

01:15:41,669 --> 01:15:39,199  
dude i didn't even think about that what

2126

01:15:44,709 --> 01:15:41,679

if the the guy that's in the video

2127

01:15:45,270 --> 01:15:44,719

is kind of lying to get out of the being

2128

01:15:49,350 --> 01:15:45,280

on

2129

01:15:50,709 --> 01:15:49,360

it's become like this big thing and a

2130

01:15:52,870 --> 01:15:50,719

bunch of people are making a big deal

2131

01:15:55,270 --> 01:15:52,880

out of it i mean

2132

01:15:57,030 --> 01:15:55,280

that would make sense if i okay even

2133

01:15:58,310 --> 01:15:57,040

though i love alien stuff and i do a

2134

01:16:01,030 --> 01:15:58,320

podcast

2135

01:16:01,669 --> 01:16:01,040

uh i if something happened to me like

2136

01:16:03,910 --> 01:16:01,679

that

2137

01:16:06,310 --> 01:16:03,920

and i posted it i would just want it for

2138

01:16:08,070 --> 01:16:06,320

the ufo garage community just for you

2139

01:16:10,070 --> 01:16:08,080

guys just to show you guys

2140

01:16:12,470 --> 01:16:10,080

what this awesome video is i wouldn't be

2141

01:16:14,870 --> 01:16:12,480

sending it to [h\_\_\h] news channels

2142

01:16:16,709 --> 01:16:14,880

but the way that the you know the media

2143

01:16:19,270 --> 01:16:16,719

is now even though the intent

2144

01:16:21,030 --> 01:16:19,280

even if his intent was to show it with

2145

01:16:23,030 --> 01:16:21,040

just some of his friends or post it on

2146

01:16:25,750 --> 01:16:23,040

facebook like y'all check this [h\_\_\h] out

2147

01:16:27,750 --> 01:16:25,760

how hilarious is this but you know it

2148

01:16:28,470 --> 01:16:27,760

gets so famous that it does get sent out

2149

01:16:30,709 --> 01:16:28,480

to news

2150

01:16:32,070 --> 01:16:30,719

you know and it does blow up i wouldn't

2151

01:16:33,430 --> 01:16:32,080

want anything to do with it because i

2152

01:16:35,910 --> 01:16:33,440

don't want my face on

2153

01:16:36,550 --> 01:16:35,920

cnn saying like oh yeah no i was

2154

01:16:38,470 --> 01:16:36,560

abducted

2155

01:16:39,750 --> 01:16:38,480

i don't i wouldn't i don't wha i would

2156

01:16:43,350 --> 01:16:39,760

not want that

2157

01:16:46,149 --> 01:16:43,360

so that gives me that idea

2158

01:16:47,669 --> 01:16:46,159

of validity that yeah he could be just

2159

01:16:49,430 --> 01:16:47,679

saying that

2160

01:16:51,030 --> 01:16:49,440

right he could just be saying he could

2161

01:16:52,630 --> 01:16:51,040

be lying he's just saying

2162

01:16:55,030 --> 01:16:52,640

no it was a glitch in the camera because

2163

01:16:56,709 --> 01:16:55,040

he doesn't want people to know yeah

2164

01:16:57,910 --> 01:16:56,719

i mean well the contradiction i was just

2165

01:16:59,669 --> 01:16:57,920

saying before you got in here was like

2166

01:17:00,790 --> 01:16:59,679

yeah i love aliens all my friends know i

2167

01:17:03,030 --> 01:17:00,800

love aliens and

2168

01:17:04,630 --> 01:17:03,040

and i do a [h\_\_\h] podcast about it but

2169

01:17:07,270 --> 01:17:04,640

we're not all in the news

2170

01:17:09,030 --> 01:17:07,280

and like famous yeah you know so like

2171

01:17:11,750 --> 01:17:09,040

it's kind of low-key and it's fun

2172

01:17:14,470 --> 01:17:11,760

but if i was [h\_\_\h] put on the spot and

2173

01:17:16,550 --> 01:17:14,480

this [h\_\_\h] blew up on cnn like no way

2174

01:17:17,830 --> 01:17:16,560

i don't know i mean it's just that

2175

01:17:19,750 --> 01:17:17,840

people search for my name

2176  
01:17:20,870 --> 01:17:19,760  
like i don't want that to be the first

2177  
01:17:23,030 --> 01:17:20,880  
thing like if it

2178  
01:17:25,110 --> 01:17:23,040  
is a glitch and like the camera like

2179  
01:17:27,430 --> 01:17:25,120  
stopped or looped or something

2180  
01:17:28,630 --> 01:17:27,440  
yeah why is he why is he still on the

2181  
01:17:31,590 --> 01:17:28,640  
ground

2182  
01:17:32,229 --> 01:17:31,600  
yeah like you would glitch out why did

2183  
01:17:36,070 --> 01:17:32,239  
you like

2184  
01:17:39,590 --> 01:17:36,080  
light up and shoot in the air right so

2185  
01:17:40,390 --> 01:17:39,600  
i have uh these uh specifically they're

2186  
01:17:42,470 --> 01:17:40,400  
called arlo

2187  
01:17:44,149 --> 01:17:42,480  
cameras and they're they have night

2188  
01:17:47,590 --> 01:17:44,159

vision just like that i don't know what

2189

01:17:49,510 --> 01:17:47,600

brand he uses um i've got an encrypted

2190

01:17:50,390 --> 01:17:49,520

password so guys if you guys are trying

2191

01:17:53,830 --> 01:17:50,400

to [h\_\_\h]

2192

01:17:56,870 --> 01:17:53,840

stick to my [h\_\_\h] good luck um

2193

01:17:59,350 --> 01:17:56,880

uh so i know for a fact that the

2194

01:18:00,229 --> 01:17:59,360

camera will not stop recording until the

2195

01:18:03,270 --> 01:18:00,239

motion is done

2196

01:18:04,950 --> 01:18:03,280

so if that guy was walking he had like a

2197

01:18:08,070 --> 01:18:04,960

good little clearance in between

2198

01:18:08,790 --> 01:18:08,080

the edge of his garage and where he got

2199

01:18:12,229 --> 01:18:08,800

beamed up

2200

01:18:13,270 --> 01:18:12,239

yeah that why would the camera it would

2201

01:18:15,590 --> 01:18:13,280

have had to have been

2202

01:18:17,430 --> 01:18:15,600

a malfunction it had to have been a

2203

01:18:17,990 --> 01:18:17,440

malfunction but how often does that

2204

01:18:20,390 --> 01:18:18,000

happen

2205

01:18:21,030 --> 01:18:20,400

i'm not ruling it out but dude i'm

2206

01:18:23,510 --> 01:18:21,040

leaning towards

2207

01:18:25,189 --> 01:18:23,520

he's lying i think he's lying dude yeah

2208

01:18:28,110 --> 01:18:25,199

i got a p2 dude

2209

01:18:32,630 --> 01:18:28,120

go for it man we'll see what's next

2210

01:18:36,149 --> 01:18:35,510

let's see what's next on here oh of

2211

01:18:39,430 --> 01:18:36,159

course

2212

01:18:40,630 --> 01:18:39,440

it would be more of a bin topic we'll go

2213

01:18:44,630 --> 01:18:40,640

to the next one then we'll come back to

2214

01:18:44,640 --> 01:18:49,910

come back to that sorry guys

2215

01:18:54,149 --> 01:18:52,149

that's a lot of reading okay here's what

2216

01:18:57,350 --> 01:18:54,159

i could talk about

2217

01:18:57,910 --> 01:18:57,360

billet at face the music what a great

2218

01:19:00,790 --> 01:18:57,920

movie

2219

01:19:01,590 --> 01:19:00,800

i loved it i thought it was really cool

2220

01:19:04,550 --> 01:19:01,600

i mean uh

2221

01:19:05,990 --> 01:19:04,560

you know the first two are awesome right

2222

01:19:07,590 --> 01:19:06,000

it obviously wasn't supposed to be like

2223

01:19:10,149 --> 01:19:07,600

this huge like

2224

01:19:11,750 --> 01:19:10,159

trilogy thing but i love the way that

2225

01:19:14,709 --> 01:19:11,760

they kind of summed it up

2226

01:19:15,510 --> 01:19:14,719

i like the way that they they ended

2227

01:19:19,030 --> 01:19:15,520

ended uh

2228

01:19:21,030 --> 01:19:19,040

you know everything um it was great i

2229

01:19:24,709 --> 01:19:21,040

mean i'm a huge billions head fan

2230

01:19:27,669 --> 01:19:24,719

i love that um death was hilarious

2231

01:19:29,270 --> 01:19:27,679

and faced the music i i mean i laughed

2232

01:19:32,149 --> 01:19:29,280

so hard

2233

01:19:33,830 --> 01:19:32,159

when when death came out i mean it in

2234

01:19:34,790 --> 01:19:33,840

that whole debacle if you haven't seen

2235

01:19:37,830 --> 01:19:34,800

it yet

2236

01:19:39,990 --> 01:19:37,840

i bought it i bought it to own it so uh

2237

01:19:41,110 --> 01:19:40,000

it was definitely worth worth the movie

2238

01:19:43,189 --> 01:19:41,120

i mean worth the money

2239

01:19:45,510 --> 01:19:43,199

i i absolutely loved that movie it was

2240

01:19:47,110 --> 01:19:45,520

great

2241

01:19:49,510 --> 01:19:47,120

ben wants to talk about bill and teddy

2242

01:19:53,590 --> 01:19:49,520

says here's another one

2243

01:19:55,189 --> 01:19:53,600

uh man so many of these we gotta we

2244

01:19:58,790 --> 01:19:55,199

gotta wait till ben gets back

2245

01:20:03,189 --> 01:20:01,910

oh man i don't know hey you know what i

2246

01:20:07,270 --> 01:20:03,199

tell you what

2247

01:20:10,229 --> 01:20:07,280

right now right now everybody right now

2248

01:20:10,950 --> 01:20:10,239

go to phoenixshaving.com check them out

2249

01:20:13,110 --> 01:20:10,960

get you some

2250

01:20:14,470 --> 01:20:13,120

sweet soaps i just got a whole new batch

2251

01:20:16,790 --> 01:20:14,480

man it was like three

2252

01:20:19,110 --> 01:20:16,800

uh three three uh three brand new bars

2253

01:20:21,110 --> 01:20:19,120

of soap and they're they're delicious

2254

01:20:22,870 --> 01:20:21,120

they have so many different flavors dude

2255

01:20:25,350 --> 01:20:22,880

and since it's ridiculous

2256

01:20:26,310 --> 01:20:25,360

are you doing another doctor squash yeah

2257

01:20:28,870 --> 01:20:26,320

dude

2258

01:20:30,790 --> 01:20:28,880

i'm doing phoenix shaving oh oh my gosh

2259

01:20:31,990 --> 01:20:30,800

i don't know why i said dr squash

2260

01:20:33,590 --> 01:20:32,000

okay all right so we're gonna build a

2261

01:20:34,790 --> 01:20:33,600

ted yeah hold on we're gonna we're gonna

2262

01:20:35,350 --> 01:20:34,800

go through it we'll get back to bill and

2263

01:20:37,189 --> 01:20:35,360

ted but

2264

01:20:38,470 --> 01:20:37,199

okay you finished this all the way to

2265

01:20:40,870 --> 01:20:38,480

the end

2266

01:20:41,669 --> 01:20:40,880

right uh first contact first contact

2267

01:20:43,910 --> 01:20:41,679

okay so

2268

01:20:45,510 --> 01:20:43,920

this is about it doesn't say his name

2269

01:20:49,990 --> 01:20:45,520

does it i can't remember his name

2270

01:20:54,709 --> 01:20:50,000

[h\_\_\h] yeah james woods

2271

01:20:56,790 --> 01:20:54,719

no tiger woods

2272

01:20:58,709 --> 01:20:56,800

uh starring james woods that's his name

2273

01:21:01,830 --> 01:20:58,719

oh that must be his real name

2274

01:21:03,189 --> 01:21:01,840

what's his oh vatar or something like

2275

01:21:10,149 --> 01:21:03,199

that

2276

01:21:16,950 --> 01:21:10,159

james shatar jatar wood

2277

01:21:20,550 --> 01:21:19,830

what wait yeah he's been a family guy

2278

01:21:23,110 --> 01:21:20,560

he's like a big

2279

01:21:24,390 --> 01:21:23,120

yeah i don't know who he is he's the guy

2280

01:21:36,229 --> 01:21:24,400

who played batman

2281

01:21:40,310 --> 01:21:38,870

he's the channeler so he channels why is

2282

01:21:45,189 --> 01:21:40,320

he i think jocelyn knows him

2283

01:21:48,470 --> 01:21:45,199

bashar it yes okay awesome james woods

2284

01:21:51,030 --> 01:21:48,480

who's hold on real quick james woods

2285

01:21:54,070 --> 01:21:51,040

batman no wonder he doesn't go by uh

2286

01:21:57,430 --> 01:21:56,709

that's uh not like the whole thing on

2287

01:22:03,990 --> 01:21:57,440

his

2288

01:22:04,310 --> 01:22:04,000

no james woods yes that's who the mayor

2289

01:22:07,910 --> 01:22:04,320

is

2290

01:22:11,910 --> 01:22:07,920

no dude yeah family guy

2291

01:22:13,830 --> 01:22:11,920

mayor are you sure is james what isn't

2292

01:22:16,629 --> 01:22:13,840

it

2293

01:22:17,270 --> 01:22:16,639

adam west is the name adam west was

2294

01:22:20,870 --> 01:22:17,280

batman

2295

01:22:21,510 --> 01:22:20,880

who was james woods he's on family guy i

2296

01:22:26,790 --> 01:22:21,520

know that

2297

01:22:34,709 --> 01:22:30,550

hercules oh oh he was the satan in

2298

01:22:39,189 --> 01:22:37,510

that's that's who he is all right let's

2299

01:22:41,350 --> 01:22:39,199

go back to facebook

2300

01:22:42,870 --> 01:22:41,360

okay so all right so do we want to talk

2301

01:22:45,830 --> 01:22:42,880

about this what so you

2302

01:22:47,510 --> 01:22:45,840

you showed me this guy yeah a while back

2303

01:22:48,550 --> 01:22:47,520

like last year like when we first

2304

01:22:51,669 --> 01:22:48,560

started this podcast

2305

01:22:53,430 --> 01:22:51,679

before we went to the uh phoenix i think

2306

01:22:56,390 --> 01:22:53,440

the conference yeah

2307

01:22:57,030 --> 01:22:56,400

and uh yeah we watched a few videos and

2308

01:22:59,430 --> 01:22:57,040

you kept

2309

01:23:00,870 --> 01:22:59,440

like referencing him as the hawaiian

2310

01:23:03,270 --> 01:23:00,880

shirt guy and sure enough

2311

01:23:04,470 --> 01:23:03,280

dude it was the same dude because i saw

2312

01:23:07,270 --> 01:23:04,480

it on prime

2313

01:23:07,990 --> 01:23:07,280

and i i rented it and not knowing it was

2314

01:23:10,149 --> 01:23:08,000

the same guy

2315

01:23:11,990 --> 01:23:10,159

that i already knew about i just was

2316

01:23:14,390 --> 01:23:12,000

like [h\_\_h] it let's

2317

01:23:16,229 --> 01:23:14,400

let's do it so start watching it and

2318

01:23:18,470 --> 01:23:16,239

sure enough it's the same guy

2319

01:23:19,510 --> 01:23:18,480

uh so i watched the whole thing and all

2320

01:23:22,229 --> 01:23:19,520

i'm saying is

2321

01:23:22,790 --> 01:23:22,239

if you're bored and want to watch it

2322

01:23:25,590 --> 01:23:22,800

watch it

2323

01:23:26,709 --> 01:23:25,600

it's pretty interesting this guy

2324

01:23:29,430 --> 01:23:26,719

channels this

2325

01:23:31,110 --> 01:23:29,440

alien this extraterrestrial entity this

2326

01:23:34,550 --> 01:23:31,120

interdimensional entity

2327

01:23:38,950 --> 01:23:34,560

named bashar he calls himself bajar and

2328

01:23:42,709 --> 01:23:38,960

uh it's it's

2329

01:23:45,270 --> 01:23:42,719

how do i say this like lightly uh

2330

01:23:46,870 --> 01:23:45,280

it's it's informative and it's like

2331

01:23:48,629 --> 01:23:46,880

therapeutic because you listen to it

2332

01:23:51,030 --> 01:23:48,639

it's almost like listening to

2333

01:23:52,470 --> 01:23:51,040

like a really charismatic preacher like

2334

01:23:54,550 --> 01:23:52,480

yeah he's like a self-help guy

2335

01:23:56,470 --> 01:23:54,560

it is kind of like a self-help thing

2336

01:23:58,790 --> 01:23:56,480

which like

2337

01:24:00,629 --> 01:23:58,800

for me to say that that doesn't mean

2338

01:24:01,430 --> 01:24:00,639

anything would be wrong because it did

2339

01:24:04,550 --> 01:24:01,440

kind of like

2340

01:24:06,229 --> 01:24:04,560

oh [\h\_\_\h]

2341

01:24:08,310 --> 01:24:06,239

i feel good about myself it's

2342

01:24:09,350 --> 01:24:08,320

enlightening [\h\_\_\h] love that yeah like

2343

01:24:11,910 --> 01:24:09,360

the stuff that he said

2344

01:24:12,390 --> 01:24:11,920

so whether or not he's telling the truth

2345

01:24:14,870 --> 01:24:12,400

or not

2346

01:24:15,990 --> 01:24:14,880

is that's what people are mostly right

2347

01:24:17,430 --> 01:24:16,000

like listening to this probably

2348

01:24:18,629 --> 01:24:17,440

listening to like who the [\h\_\_\h] are these

2349

01:24:19,430 --> 01:24:18,639

guys talking about bashar and the

2350

01:24:22,070 --> 01:24:19,440

[\h\_\_\h]

2351  
01:24:23,350 --> 01:24:22,080  
the the channeler even the thought of

2352  
01:24:26,149 --> 01:24:23,360  
channeling something

2353  
01:24:27,189 --> 01:24:26,159  
is is so out there and it could be so

2354  
01:24:32,790 --> 01:24:27,199  
faked

2355  
01:24:35,830 --> 01:24:32,800  
interesting when they hooked him up

2356  
01:24:38,390 --> 01:24:35,840  
to the you know to the machine and they

2357  
01:24:39,830 --> 01:24:38,400  
watched his brain and like how your

2358  
01:24:43,350 --> 01:24:39,840  
brain would normally act

2359  
01:24:46,550 --> 01:24:43,360  
how his was like 50

2360  
01:24:48,550 --> 01:24:46,560  
higher than the normal brain would be

2361  
01:24:50,470 --> 01:24:48,560  
yeah every time he goes into this like

2362  
01:24:53,270 --> 01:24:50,480  
channel state right which is pretty

2363  
01:24:53,830 --> 01:24:53,280

interesting which is either okay this

2364

01:24:58,709 --> 01:24:53,840

guy

2365

01:25:03,030 --> 01:24:58,719

figured out how to do this and

2366

01:25:04,470 --> 01:25:03,040

is like really good at it and just learn

2367

01:25:06,310 --> 01:25:04,480

how to control it right yeah

2368

01:25:07,510 --> 01:25:06,320

like meditating like people yeah when

2369

01:25:10,310 --> 01:25:07,520

you meditate i feel like you

2370

01:25:11,030 --> 01:25:10,320

your brain does go in a different uh

2371

01:25:13,990 --> 01:25:11,040

pattern or

2372

01:25:14,470 --> 01:25:14,000

wavelength or or vibration it's i feel

2373

01:25:17,350 --> 01:25:14,480

like it

2374

01:25:19,189 --> 01:25:17,360

it maybe it's just if maybe if you did

2375

01:25:21,110 --> 01:25:19,199

the same test on a person that's really

2376

01:25:21,669 --> 01:25:21,120

good at meditating you might get similar

2377

01:25:24,310 --> 01:25:21,679

results

2378

01:25:27,350 --> 01:25:24,320

i'd like to see that test yeah because

2379

01:25:30,470 --> 01:25:27,360

yeah i mean

2380

01:25:31,830 --> 01:25:30,480

it's kind of goofy yeah you know well

2381

01:25:33,750 --> 01:25:31,840

he's also

2382

01:25:35,350 --> 01:25:33,760

he's a funny guy like he's a charismatic

2383

01:25:36,950 --> 01:25:35,360

guy and the whole situation is just

2384

01:25:37,669 --> 01:25:36,960

funny it's this guy sitting on a stool

2385

01:25:39,590 --> 01:25:37,679

basically he's

2386

01:25:40,950 --> 01:25:39,600

he does like seminars all over the world

2387

01:25:42,149 --> 01:25:40,960

and it shows this in this documentary

2388

01:25:43,990 --> 01:25:42,159

where he's sitting on a stool and he's

2389

01:25:46,070 --> 01:25:44,000

got this [h\_\_h] background and

2390

01:25:47,510 --> 01:25:46,080

a flowered hawaiian shirt and it's just

2391

01:25:50,629 --> 01:25:47,520

him with his eyes closed

2392

01:25:52,390 --> 01:25:50,639

and he's just i don't know and like

2393

01:25:55,669 --> 01:25:52,400

talking you know like two people

2394

01:25:57,669 --> 01:25:55,679

and like giving these you know culty

2395

01:25:59,430 --> 01:25:57,679

kind of definitely [h\_\_h] huge

2396

01:26:01,430 --> 01:25:59,440

cultivars

2397

01:26:03,590 --> 01:26:01,440

but at the same time i was thinking like

2398

01:26:05,270 --> 01:26:03,600

man i'm not gonna get sucked into this

2399

01:26:07,270 --> 01:26:05,280

and like go shave my head but

2400

01:26:08,870 --> 01:26:07,280

this is some of the stuff was kind of

2401  
01:26:10,629 --> 01:26:08,880  
some gold nuggets in there it was kind

2402  
01:26:14,470 --> 01:26:10,639  
of cool yeah it was interesting yeah

2403  
01:26:17,350 --> 01:26:14,480  
it was interesting so that's awesome

2404  
01:26:19,590 --> 01:26:17,360  
so yeah he channels an alien called

2405  
01:26:23,030 --> 01:26:19,600  
bashar and he like

2406  
01:26:26,070 --> 01:26:23,040  
yeah talks about uh yeah he gives like

2407  
01:26:27,990 --> 01:26:26,080  
advice to people yeah it's cool

2408  
01:26:29,830 --> 01:26:28,000  
it's called uh first contact and you can

2409  
01:26:32,070 --> 01:26:29,840  
see it on amazon prime

2410  
01:26:33,270 --> 01:26:32,080  
yeah oh i guess i didn't pay for it so

2411  
01:26:37,270 --> 01:26:33,280  
yeah via amazon

2412  
01:26:40,070 --> 01:26:37,280  
and amazon prime tint is not available

2413  
01:26:42,149 --> 01:26:40,080

this this looks pretty cool i don't like

2414

01:26:44,390 --> 01:26:42,159

that they

2415

01:26:46,709 --> 01:26:44,400

the alien report well i don't like that

2416

01:26:49,430 --> 01:26:46,719

they claim that it's like

2417

01:26:49,990 --> 01:26:49,440

i've been recording this this is real

2418

01:26:54,790 --> 01:26:50,000

yeah

2419

01:27:02,830 --> 01:26:54,800

looks cool

2420

01:27:07,669 --> 01:27:04,550

sorry

2421

01:27:10,470 --> 01:27:07,679

uh the alien report alien report

2422

01:27:11,669 --> 01:27:10,480

yeah i mean they did that it looks it

2423

01:27:18,070 --> 01:27:11,679

looks good it looks cool

2424

01:27:19,750 --> 01:27:18,080

[h\_\_h] yeah it does yeah

2425

01:27:21,990 --> 01:27:19,760

that car yeah well who set up that

2426  
01:27:24,470 --> 01:27:22,000  
camera why is he running specifically

2427  
01:27:26,310 --> 01:27:24,480  
uh it just seems kind of a little set up

2428  
01:27:33,710 --> 01:27:26,320  
yeah it's a little true it is

2429  
01:27:37,750 --> 01:27:33,720  
it is strange things have been happening

2430  
01:27:41,669 --> 01:27:37,760  
[Music]

2431  
01:27:43,030 --> 01:27:41,679  
i was like look like bill and ted yeah

2432  
01:27:45,590 --> 01:27:43,040  
that's kind of creepy with the alien

2433  
01:27:47,590 --> 01:27:45,600  
kind of peeking around the corner

2434  
01:27:50,229 --> 01:27:47,600  
had micro cameras everywhere filming a

2435  
01:27:53,590 --> 01:27:50,239  
documentary

2436  
01:28:00,550 --> 01:27:53,600  
gopros iphones

2437  
01:28:05,270 --> 01:28:00,560  
tiny medical cameras

2438  
01:28:09,590 --> 01:28:05,280

hybrids okay so all these titles like

2439

01:28:13,669 --> 01:28:11,910

dude that looks [h\_\_h] good it looks

2440

01:28:16,229 --> 01:28:13,679

pretty decent yeah

2441

01:28:17,189 --> 01:28:16,239

alien report that looks really good yeah

2442

01:28:19,430 --> 01:28:17,199

the uh

2443

01:28:21,350 --> 01:28:19,440

the facial but see it says i've been

2444

01:28:23,350 --> 01:28:21,360

filming my own alien abductions

2445

01:28:25,110 --> 01:28:23,360

that's the part i don't like about uh

2446

01:28:27,669 --> 01:28:25,120

yeah you know i don't like that they're

2447

01:28:27,990 --> 01:28:27,679

really pushing it like oh this is real

2448

01:28:29,830 --> 01:28:28,000

right

2449

01:28:32,390 --> 01:28:29,840

but it's not i mean it's obviously it's

2450

01:28:34,790 --> 01:28:32,400

not i just don't like the way that they

2451

01:28:35,990 --> 01:28:34,800

push it brand marketing like that you

2452

01:28:38,790 --> 01:28:36,000

know yeah

2453

01:28:39,189 --> 01:28:38,800

it seems a little yeah i'm gonna watch

2454

01:28:45,750 --> 01:28:39,199

it

2455

01:28:47,669 --> 01:28:45,760

pov look uh at what alien abductions

2456

01:28:49,669 --> 01:28:47,679

have been reporting for decades believe

2457

01:28:52,790 --> 01:28:49,679

it or not this strange tip

2458

01:28:55,270 --> 01:28:52,800

trip presented

2459

01:28:57,030 --> 01:28:55,280

in a vivid hyper realistic unboxing of

2460

01:28:58,550 --> 01:28:57,040

alien counters experiencing

2461

01:29:00,310 --> 01:28:58,560

yeah it seems like they're really trying

2462

01:29:02,470 --> 01:29:00,320

to make it look like this [h\_\_\h] is like

2463

01:29:03,910 --> 01:29:02,480

it's a real deal this is what it is i

2464

01:29:06,070 --> 01:29:03,920

don't know man i don't know

2465

01:29:08,950 --> 01:29:06,080

talk to eric mitchell bro you'll know

2466

01:29:13,350 --> 01:29:08,960

talk to eric michelle

2467

01:29:19,510 --> 01:29:16,950

you know been in joe what is it might be

2468

01:29:22,550 --> 01:29:19,520

cool for you guys

2469

01:29:23,990 --> 01:29:22,560

cons paranormal we'll have to we'll have

2470

01:29:25,910 --> 01:29:24,000

to read that a little bit of reading

2471

01:29:29,030 --> 01:29:25,920

we'll have to read that next time

2472

01:29:32,709 --> 01:29:30,550

did you read this kind of also i want to

2473

01:29:37,990 --> 01:29:32,719

read it yeah that was scary

2474

01:29:40,470 --> 01:29:38,000

earlier i heard you go

2475

01:29:41,830 --> 01:29:40,480

okay so bill and ted yeah how awesome

2476

01:29:44,629 --> 01:29:41,840

was that bro

2477

01:29:46,629 --> 01:29:44,639

okay so i i texted you as i rented the

2478

01:29:48,629 --> 01:29:46,639

new one and i was like

2479

01:29:50,070 --> 01:29:48,639

10 minutes not even dude like the first

2480

01:29:51,189 --> 01:29:50,080

scene the first sequence when they're at

2481

01:29:53,750 --> 01:29:51,199

the wedding

2482

01:29:54,390 --> 01:29:53,760

i was like i need to watch the first two

2483

01:29:56,629 --> 01:29:54,400

again

2484

01:29:58,149 --> 01:29:56,639

yeah and i i realized i hadn't even seen

2485

01:30:00,070 --> 01:29:58,159

the second one i just saw the first one

2486

01:30:02,470 --> 01:30:00,080

a long ass time ago oh yeah

2487

01:30:03,350 --> 01:30:02,480

so uh they travel through time and get

2488

01:30:06,390 --> 01:30:03,360

all the historical

2489

01:30:09,189 --> 01:30:06,400

yes yeah yeah right yeah and i i will

2490

01:30:10,550 --> 01:30:09,199

honestly i i would just even say that i

2491

01:30:11,350 --> 01:30:10,560

haven't seen either of them because i

2492

01:30:14,709 --> 01:30:11,360

didn't really

2493

01:30:16,870 --> 01:30:14,719

remember any any of the first

2494

01:30:17,910 --> 01:30:16,880

movie or the second movie so it was so

2495

01:30:20,790 --> 01:30:17,920

much fun dude

2496

01:30:22,390 --> 01:30:20,800

like i stayed up pretty [h\_\_h] late

2497

01:30:23,270 --> 01:30:22,400

watching both of those the first two and

2498

01:30:25,910 --> 01:30:23,280

then the next day

2499

01:30:27,189 --> 01:30:25,920

watched the third one the the final one

2500

01:30:30,790 --> 01:30:27,199

and man

2501  
01:30:33,189 --> 01:30:30,800  
dude i laughed so hard at uh you were

2502  
01:30:35,189 --> 01:30:33,199  
say i overheard you saying about the

2503  
01:30:36,550 --> 01:30:35,199  
about death that was a really funny

2504  
01:30:37,189 --> 01:30:36,560  
scene where they like apologize or

2505  
01:30:39,830 --> 01:30:37,199  
whatever

2506  
01:30:40,629 --> 01:30:39,840  
but like my favorite dude was the the

2507  
01:30:44,390 --> 01:30:40,639  
robot

2508  
01:30:46,390 --> 01:30:44,400  
like so like

2509  
01:30:48,390 --> 01:30:46,400  
really passive aggressive yeah he was

2510  
01:30:51,510 --> 01:30:48,400  
like hi my name is

2511  
01:30:54,149 --> 01:30:51,520  
whatever i'm a robot we gotta [h\_\_\h]

2512  
01:30:57,510 --> 01:30:54,159  
find his name hold on

2513  
01:31:00,550 --> 01:30:57,520

oh come on it's something so

2514

01:31:03,030 --> 01:31:00,560

uh nerdy like his name

2515

01:31:04,950 --> 01:31:03,040

uh well you're you're gonna get the evil

2516

01:31:09,430 --> 01:31:04,960

uses bill and ted face the music

2517

01:31:13,110 --> 01:31:09,440

robot okay bill and ted

2518

01:31:16,310 --> 01:31:13,120

face the music robot

2519

01:31:16,320 --> 01:31:21,110

caleb mccooy

2520

01:31:24,950 --> 01:31:23,510

so like first off guys uh my name is

2521

01:31:29,669 --> 01:31:24,960

dennis caleb mccooy

2522

01:31:32,390 --> 01:31:29,679

and i he cranked

2523

01:31:33,270 --> 01:31:32,400

oh my god he's like so sorry dude sorry

2524

01:31:34,660 --> 01:31:33,280

i accidentally

2525

01:31:37,189 --> 01:31:34,670

you guys vaporize your family

2526

01:31:39,990 --> 01:31:37,199

[Laughter]

2527

01:31:40,550 --> 01:31:40,000

oh it's this guy a [\h\_\_\h] lo dude i

2528

01:31:42,830 --> 01:31:40,560

love this

2529

01:31:43,990 --> 01:31:42,840

actor i didn't know that was him is that

2530

01:31:47,510 --> 01:31:44,000

bashar

2531

01:31:49,669 --> 01:31:47,520

it looks like oh that's [\h\_\_\h] funny

2532

01:31:51,030 --> 01:31:49,679

yeah it was good yeah that was great

2533

01:31:51,910 --> 01:31:51,040

yeah did you already talk a little bit

2534

01:31:53,189 --> 01:31:51,920

about it or

2535

01:31:55,910 --> 01:31:53,199

a little bit i just talked about how i

2536

01:31:58,870 --> 01:31:55,920

liked it a lot and how

2537

01:31:59,510 --> 01:31:58,880

meeting death again was was really funny

2538

01:32:01,990 --> 01:31:59,520

it was uh

2539

01:32:03,350 --> 01:32:02,000

it was weird seeing uh the third one

2540

01:32:06,350 --> 01:32:03,360

first and seeing

2541

01:32:08,550 --> 01:32:06,360

you know the joke about like how the

2542

01:32:11,990 --> 01:32:08,560

ex-wife is now

2543

01:32:14,390 --> 01:32:12,000

uh yes uh bill's uh or yeah

2544

01:32:16,629 --> 01:32:14,400

bills yeah because it was it was

2545

01:32:19,430 --> 01:32:16,639

originally ted's

2546

01:32:20,550 --> 01:32:19,440

ted's dad's mom mom yeah ted's dad's

2547

01:32:24,229 --> 01:32:20,560

wife

2548

01:32:26,470 --> 01:32:24,239

divorced him and went to bill's dad's

2549

01:32:27,669 --> 01:32:26,480

wife and then now you can divorce him is

2550

01:32:31,270 --> 01:32:27,679

this his brother

2551

01:32:33,270 --> 01:32:31,280

his brother's wife missy

2552

01:32:34,310 --> 01:32:33,280

like like that's like a conversation

2553

01:32:36,070 --> 01:32:34,320

you've uh you and i

2554

01:32:37,350 --> 01:32:36,080

probably would have had in the writer's

2555

01:32:39,189 --> 01:32:37,360

room like dude

2556

01:32:40,390 --> 01:32:39,199

like what if like the younger brother

2557

01:32:44,550 --> 01:32:40,400

was now like married

2558

01:32:46,629 --> 01:32:44,560

yeah exactly oh my god and then like

2559

01:32:47,830 --> 01:32:46,639

having just seen the first two movies

2560

01:32:49,189 --> 01:32:47,840

was or

2561

01:32:52,390 --> 01:32:49,199

then seeing the first two movies and

2562

01:32:53,750 --> 01:32:52,400

seeing how hot she used to be man

2563

01:32:55,590 --> 01:32:53,760

i mean she's still a beautiful lady but

2564

01:32:56,149 --> 01:32:55,600

like seeing how hot she was when she was

2565

01:33:19,910 --> 01:32:56,159

a

2566

01:33:23,110 --> 01:33:19,920

they're like

2567

01:33:24,709 --> 01:33:23,120

ted's daughter says be sweet

2568

01:33:26,870 --> 01:33:24,719

and that's something like me and jess

2569

01:33:27,910 --> 01:33:26,880

say to each other and also like our dogs

2570

01:33:29,990 --> 01:33:27,920

like be sweet

2571

01:33:31,189 --> 01:33:30,000

and like the fact that she was like be

2572

01:33:34,070 --> 01:33:31,199

sweet

2573

01:33:35,189 --> 01:33:34,080

like i [h\_\_h] lost it that was really

2574

01:33:39,030 --> 01:33:35,199

really funny

2575

01:33:41,350 --> 01:33:39,040

this was hilarious okay the next post is

2576

01:33:44,149 --> 01:33:41,360

this is ashley new member ashley thank

2577

01:33:47,910 --> 01:33:44,159

you so much for this post holy [\h\_\_\h] yes

2578

01:33:52,310 --> 01:33:47,920

it says yo dawg that's

2579

01:33:55,590 --> 01:33:55,030

it's like see she searched for cinnamon

2580

01:33:58,149 --> 01:33:55,600

terry

2581

01:34:00,149 --> 01:33:58,159

got up like there's three people

2582

01:34:05,350 --> 01:34:00,159

literally named cinnamon terry

2583

01:34:07,750 --> 01:34:05,360

oh man and then terry cinnamon

2584

01:34:10,149 --> 01:34:07,760

oh cinnamon terry obedience so that

2585

01:34:13,990 --> 01:34:10,159

dog's name must be cinnamon terry

2586

01:34:18,229 --> 01:34:14,000

yeah that little a little weenie dog

2587

01:34:22,870 --> 01:34:18,239

because he's brown his name is terry

2588

01:34:25,910 --> 01:34:22,880

oh man cinnamon terry cinnamon terry dog

2589

01:34:27,350 --> 01:34:25,920

and then terry cinnamon yo doll that's

2590

01:34:29,590 --> 01:34:27,360

cinnamon sandwich

2591

01:34:31,669 --> 01:34:29,600

he plays the bangles ashley that was

2592

01:34:34,070 --> 01:34:31,679

[h\_\_h] awesome thank you

2593

01:34:35,510 --> 01:34:34,080

okay so next post is joe your your

2594

01:34:38,709 --> 01:34:35,520

halloween uh

2595

01:34:40,390 --> 01:34:38,719

uh what would you call them props yep

2596

01:34:41,910 --> 01:34:40,400

and then you turn them on and they they

2597

01:34:43,109 --> 01:34:41,920

move around no

2598

01:34:46,550 --> 01:34:43,119

yeah their eyes light up and they're

2599

01:34:48,709 --> 01:34:46,560

like me there's like a song that plays

2600

01:34:50,629 --> 01:34:48,719

that's [h\_\_h] awesome so how tall would

2601

01:34:52,709 --> 01:34:50,639

you say those they look huge

2602

01:34:53,990 --> 01:34:52,719

no they're probably like uh they're

2603

01:34:56,149 --> 01:34:54,000

probably like three feet

2604

01:34:58,550 --> 01:34:56,159

uh yeah that's like life size well they

2605

01:35:00,870 --> 01:34:58,560

have they have like a 12 foot one

2606

01:35:02,550 --> 01:35:00,880

it's like a tall one it's huge i would

2607

01:35:04,229 --> 01:35:02,560

prefer these guys because they're like

2608

01:35:07,830 --> 01:35:04,239

you know the worker greys right

2609

01:35:08,149 --> 01:35:07,840

yeah so uh i don't know how it started

2610

01:35:12,070 --> 01:35:08,159

or

2611

01:35:14,070 --> 01:35:12,080

this and i

2612

01:35:16,550 --> 01:35:14,080

either texted you or something yeah and

2613

01:35:19,270 --> 01:35:16,560

as soon as i got back from san diego i

2614

01:35:21,990 --> 01:35:19,280

was like i've got to build a [h\_\_\h] ufo

2615

01:35:22,790 --> 01:35:22,000

yeah so i started on my pvc ufo joe you

2616

01:35:25,030 --> 01:35:22,800

saw it earlier

2617

01:35:27,189 --> 01:35:25,040

yep so you guys i'll be posting uh

2618

01:35:28,709 --> 01:35:27,199

videos of the making of of my ufo and

2619

01:35:29,910 --> 01:35:28,719

joe you're gonna build a big one right

2620

01:35:31,669 --> 01:35:29,920

yeah i'm gonna build a big one it's

2621

01:35:33,669 --> 01:35:31,679

gonna go in the front yard

2622

01:35:35,669 --> 01:35:33,679

and i'm gonna put a little smoke machine

2623

01:35:38,149 --> 01:35:35,679

in there so smoke comes out of it

2624

01:35:39,030 --> 01:35:38,159

and then uh yeah it's just gonna light

2625

01:35:40,709 --> 01:35:39,040

up dude

2626  
01:35:42,629 --> 01:35:40,719  
and i've got a smoke machine if you need

2627  
01:35:43,350 --> 01:35:42,639  
it oh really you just need more liquid

2628  
01:35:45,910 --> 01:35:43,360  
hell yeah

2629  
01:35:46,470 --> 01:35:45,920  
that's badass yeah i'll borrow that we

2630  
01:35:48,790 --> 01:35:46,480  
used to

2631  
01:35:50,709 --> 01:35:48,800  
use on uh or we used like once for one

2632  
01:35:53,189 --> 01:35:50,719  
of our shows

2633  
01:35:54,830 --> 01:35:53,199  
i remember that but yeah so i'm gonna

2634  
01:35:55,990 --> 01:35:54,840  
set that up in my front yard for

2635  
01:35:57,910 --> 01:35:56,000  
halloween

2636  
01:35:59,270 --> 01:35:57,920  
with these three little alien dudes and

2637  
01:36:00,629 --> 01:35:59,280  
i think me and my family we're gonna

2638  
01:36:03,990 --> 01:36:00,639

dress up as cavemen

2639

01:36:06,870 --> 01:36:04,000

and hand out candy to people you can

2640

01:36:09,270 --> 01:36:06,880

just throw like chunking at the kids do

2641

01:36:11,990 --> 01:36:09,280

you remember uh prometheus and bob

2642

01:36:13,590 --> 01:36:12,000

oh yeah oh there's like claymation kind

2643

01:36:15,830 --> 01:36:13,600

of dudes

2644

01:36:17,350 --> 01:36:15,840

right or was it animated i can't no it

2645

01:36:19,910 --> 01:36:17,360

was claymation okay yeah

2646

01:36:20,629 --> 01:36:19,920

yeah uh it was like an alien and then a

2647

01:36:22,950 --> 01:36:20,639

caveman

2648

01:36:23,830 --> 01:36:22,960

yeah what was this show was it was on

2649

01:36:27,270 --> 01:36:23,840

nickelodeon right

2650

01:36:28,750 --> 01:36:27,280

justice league or league of justice or

2651  
01:36:32,070 --> 01:36:28,760  
something like that

2652  
01:36:50,830 --> 01:36:32,080  
prometheus and bob

2653  
01:36:50,840 --> 01:36:54,310  
yes

2654  
01:36:54,320 --> 01:37:02,570  
oh it's a monkey oh no it's a that's it

2655  
01:37:12,870 --> 01:37:04,830  
[Music]

2656  
01:37:12,880 --> 01:37:18,390  
trying to show bob how to use the toilet

2657  
01:37:25,350 --> 01:37:21,910  
he leaves him alone wow

2658  
01:37:30,629 --> 01:37:25,360  
he's a soap first off

2659  
01:37:39,510 --> 01:37:34,950  
dude that's that's me talking

2660  
01:37:43,109 --> 01:37:42,470  
oh my god that's amazing i love it yeah

2661  
01:37:45,510 --> 01:37:43,119  
so

2662  
01:37:48,149 --> 01:37:45,520  
you guys are going to be the caveman and

2663  
01:37:49,669 --> 01:37:48,159

then have these dudes out there bro you

2664

01:37:50,390 --> 01:37:49,679

gotta change you gotta chain those guys

2665

01:37:51,510 --> 01:37:50,400

up for sure

2666

01:37:53,270 --> 01:37:51,520

somebody's gonna steal that [h\_\_h]

2667

01:37:54,390 --> 01:37:53,280

especially in taylor texas i'm going to

2668

01:37:56,550 --> 01:37:54,400

well i'm gonna

2669

01:37:58,070 --> 01:37:56,560

i'm gonna chain up the ufo but i'm just

2670

01:37:59,430 --> 01:37:58,080

gonna bring those guys in the garage

2671

01:38:02,149 --> 01:37:59,440

every night oh nice

2672

01:38:04,070 --> 01:38:02,159

so they're not heavy at all yeah i could

2673

01:38:07,510 --> 01:38:04,080

lift all three with one hand

2674

01:38:12,550 --> 01:38:07,520

oh [h\_\_h] dude [h\_\_h] buff bro i'm so

2675

01:38:17,990 --> 01:38:15,669

all right next post uh native elders of

2676

01:38:23,350 --> 01:38:18,000

arctic give nasa a warning the moon

2677

01:38:27,510 --> 01:38:25,990

yes yeah they are changing it's it

2678

01:38:31,030 --> 01:38:27,520

definitely yeah

2679

01:38:34,070 --> 01:38:31,040

every day every day yeah sometimes

2680

01:38:35,189 --> 01:38:34,080

it's light sometimes it's dark yeah i

2681

01:38:38,870 --> 01:38:35,199

didn't read it so

2682

01:38:42,390 --> 01:38:38,880

yeah sorry that's girlfriend

2683

01:38:43,590 --> 01:38:42,400

um oh joseph yeah dude uh i definitely

2684

01:38:44,229 --> 01:38:43,600

want to talk to you more about your

2685

01:38:45,590 --> 01:38:44,239

story so

2686

01:38:47,109 --> 01:38:45,600

i'll just read a little bit of it for

2687

01:38:47,750 --> 01:38:47,119

those of you listening i'm pretty sure

2688

01:38:49,270 --> 01:38:47,760

it says

2689

01:38:51,109 --> 01:38:49,280

i'm pretty sure my room is haunted or

2690

01:38:52,070 --> 01:38:51,119

something uh some sort of being is

2691

01:38:55,109 --> 01:38:52,080

trying to mess with me

2692

01:38:57,430 --> 01:38:55,119

i actually emailed with joseph and uh i

2693

01:38:59,350 --> 01:38:57,440

he was yeah well i don't want to old

2694

01:39:01,350 --> 01:38:59,360

[h\_\_\h] but yeah well

2695

01:39:02,629 --> 01:39:01,360

um it'll it'll be interesting to see

2696

01:39:05,830 --> 01:39:02,639

what happens

2697

01:39:06,709 --> 01:39:05,840

yeah we saw this one next post yeah so i

2698

01:39:08,629 --> 01:39:06,719

actually did i

2699

01:39:09,830 --> 01:39:08,639

comment on this one this is the one that

2700

01:39:12,709 --> 01:39:09,840

captain disillusion

2701

01:39:14,070 --> 01:39:12,719

uh kind of quote-unquote debunked so i'm

2702

01:39:16,070 --> 01:39:14,080

still on the fence on this one

2703

01:39:17,189 --> 01:39:16,080

um the video you know the one that i'm

2704

01:39:19,910 --> 01:39:17,199

referring to

2705

01:39:20,390 --> 01:39:19,920

captain disillusion on this one it seems

2706

01:39:22,229 --> 01:39:20,400

like

2707

01:39:24,070 --> 01:39:22,239

so if for those of you that don't know

2708

01:39:24,470 --> 01:39:24,080

captain disillusion is if you look him

2709

01:39:26,149 --> 01:39:24,480

up on

2710

01:39:27,990 --> 01:39:26,159

youtube he's an awesome like

2711

01:39:29,350 --> 01:39:28,000

professional videographer me and joe at

2712

01:39:30,229 --> 01:39:29,360

the beginning of doing this podcast

2713

01:39:32,550 --> 01:39:30,239

we're always like

2714

01:39:33,430 --> 01:39:32,560

man i wish i knew somebody that that

2715

01:39:36,629 --> 01:39:33,440

knew about

2716

01:39:40,229 --> 01:39:36,639

yeah uh visual

2717

01:39:42,709 --> 01:39:40,239

effects and stuff and was able to uh

2718

01:39:44,229 --> 01:39:42,719

identify whether it's a fake or a real

2719

01:39:47,430 --> 01:39:44,239

thing well that's what this guy does

2720

01:39:49,669 --> 01:39:47,440

he identifies fake viral videos

2721

01:39:51,109 --> 01:39:49,679

and and shows you why they're fake and

2722

01:39:54,550 --> 01:39:51,119

how they were faked

2723

01:39:56,470 --> 01:39:54,560

uh this one he did a whole video on it's

2724

01:39:57,750 --> 01:39:56,480

super interesting i'm still on the fence

2725

01:39:59,430 --> 01:39:57,760

on it though man um

2726  
01:40:01,669 --> 01:39:59,440  
one of the biggest things that caught me

2727  
01:40:03,270 --> 01:40:01,679  
was like i think we already talked about

2728  
01:40:05,189 --> 01:40:03,280  
this on a previous episode what

2729  
01:40:06,790 --> 01:40:05,199  
but the uh the pattern of the clouds

2730  
01:40:09,109 --> 01:40:06,800  
moving and how it

2731  
01:40:10,070 --> 01:40:09,119  
goes still for a second right the yeah

2732  
01:40:12,070 --> 01:40:10,080  
the atmosphere

2733  
01:40:13,350 --> 01:40:12,080  
yeah it stops moving uh for a whole

2734  
01:40:14,870 --> 01:40:13,360  
second yeah

2735  
01:40:16,390 --> 01:40:14,880  
like the ship again yeah of the

2736  
01:40:18,310 --> 01:40:16,400  
atmosphere yeah

2737  
01:40:19,910 --> 01:40:18,320  
so i don't know i'm still on the fence

2738  
01:40:23,830 --> 01:40:19,920

on it i'd like to believe it's

2739

01:40:26,550 --> 01:40:23,840

real i don't know jonathan earthgate

2740

01:40:28,790 --> 01:40:26,560

i didn't get to see oh yeah yeah yeah

2741

01:40:31,270 --> 01:40:28,800

yeah yeah his content isn't available

2742

01:40:32,310 --> 01:40:31,280

he's in a heavy metal band oh [h\_\_h] yeah

2743

01:40:39,270 --> 01:40:32,320

yeah

2744

01:40:40,900 --> 01:40:39,280

another one content isn't available

2745

01:40:45,189 --> 01:40:40,910

right now you're all right over there

2746

01:40:52,870 --> 01:40:48,709

dude be careful bro that's tricky

2747

01:40:56,229 --> 01:40:52,880

oh my god oh that's so funny

2748

01:40:59,669 --> 01:40:56,239

okay i'm good

2749

01:41:02,550 --> 01:40:59,679

all right next post joey headings

2750

01:41:02,950 --> 01:41:02,560

flying saucers 20 20. this is a long one

2751

01:41:04,790 --> 01:41:02,960

okay

2752

01:41:06,310 --> 01:41:04,800

yeah there was a couple in here that

2753

01:41:08,550 --> 01:41:06,320

were pretty cool yeah

2754

01:41:09,350 --> 01:41:08,560

i think some i think a couple of these

2755

01:41:12,870 --> 01:41:09,360

are [h\_\_h]

2756

01:41:13,910 --> 01:41:12,880

i do think that there's like one or two

2757

01:41:16,229 --> 01:41:13,920

that could

2758

01:41:17,830 --> 01:41:16,239

definitely take some uh you know a

2759

01:41:19,590 --> 01:41:17,840

second look at

2760

01:41:21,590 --> 01:41:19,600

they're pretty interesting it's pretty

2761

01:41:23,270 --> 01:41:21,600

interesting for sure

2762

01:41:25,189 --> 01:41:23,280

let's do that one just like the like

2763

01:41:26,070 --> 01:41:25,199

yeah it's so hard to know because it's

2764

01:41:29,350 --> 01:41:26,080

going so fast

2765

01:41:31,270 --> 01:41:29,360

like this one this one's pretty cool

2766

01:41:33,430 --> 01:41:31,280

this one's pretty interesting yeah just

2767

01:41:36,870 --> 01:41:33,440

the way the lights are

2768

01:41:38,390 --> 01:41:36,880

doing that so close yeah

2769

01:41:39,590 --> 01:41:38,400

yeah i mean that doesn't look i mean it

2770

01:41:40,550 --> 01:41:39,600

doesn't look fake to me it's one of

2771

01:41:43,030 --> 01:41:40,560

those things where it's like

2772

01:41:43,830 --> 01:41:43,040

how would you know right but at the same

2773

01:41:45,109 --> 01:41:43,840

time

2774

01:41:46,950 --> 01:41:45,119

that's some weird [h\_\_\h] and it doesn't

2775

01:41:50,709 --> 01:41:46,960

look could be a plane it doesn't

2776

01:41:52,070 --> 01:41:50,719

look cgi-ish it's not obvious for sure

2777

01:41:54,310 --> 01:41:52,080

it's very like

2778

01:41:56,070 --> 01:41:54,320

it's fuzzy with the video you know what

2779

01:41:58,310 --> 01:41:56,080

i'm saying right it's consistent

2780

01:41:59,590 --> 01:41:58,320

this one i don't think of this one this

2781

01:42:02,390 --> 01:41:59,600

uh

2782

01:42:03,109 --> 01:42:02,400

it's it's very so perfect but that's

2783

01:42:05,030 --> 01:42:03,119

like

2784

01:42:06,790 --> 01:42:05,040

what we've always said oh even if you

2785

01:42:09,669 --> 01:42:06,800

did get a clear video everybody would be

2786

01:42:13,109 --> 01:42:11,430

this one looks i don't know what that is

2787

01:42:14,070 --> 01:42:13,119

that looks [h\_\_\h] it's like a fidget

2788

01:42:15,510 --> 01:42:14,080

spinner

2789

01:42:16,629 --> 01:42:15,520

that looks like the plug that you put in

2790

01:42:19,109 --> 01:42:16,639

the bottom of your sink when you're

2791

01:42:22,149 --> 01:42:19,119

doing dishes yeah

2792

01:42:26,149 --> 01:42:22,159

yeah so it looks like joe's butt plug

2793

01:42:29,910 --> 01:42:26,159

no dude mine has a little

2794

01:42:31,590 --> 01:42:29,920

uh diamond on the diamond yeah

2795

01:42:32,870 --> 01:42:31,600

mine's got a i like my butthole looking

2796

01:42:36,790 --> 01:42:32,880

pretty dude mine's got a bunch of

2797

01:42:41,750 --> 01:42:39,830

feathers coming out of your shorts yeah

2798

01:42:43,350 --> 01:42:41,760

it's perforated so the air moves through

2799

01:42:45,510 --> 01:42:43,360

it and like ruffles the it's like a big

2800

01:42:47,030 --> 01:42:45,520

peacock bushel

2801

01:42:49,750 --> 01:42:47,040

this one i've seen i've seen this one

2802

01:42:51,510 --> 01:42:49,760

before this uh like military-esque one

2803

01:42:53,430 --> 01:42:51,520

i think i don't know man it looks fake

2804

01:42:56,149 --> 01:42:53,440

to me but who [h\_\_h] knows

2805

01:42:57,270 --> 01:42:56,159

who knows dude i'm not a professional

2806

01:42:58,629 --> 01:42:57,280

this one

2807

01:43:00,629 --> 01:42:58,639

what i don't what do you think i don't

2808

01:43:02,950 --> 01:43:00,639

know what that is it's hard to know

2809

01:43:04,390 --> 01:43:02,960

that could be a little more droneish

2810

01:43:08,950 --> 01:43:04,400

yeah you know

2811

01:43:14,149 --> 01:43:10,870

it's kind of i don't know that one kind

2812

01:43:17,590 --> 01:43:14,159

of has a drone look to me yeah

2813

01:43:19,030 --> 01:43:17,600

yeah i don't know bro is there a strong

2814

01:43:21,430 --> 01:43:19,040

virus in the air right oh

2815

01:43:22,629 --> 01:43:21,440

it's a carotid virus dog it's the corona

2816

01:43:25,510 --> 01:43:22,639

virus spreading

2817

01:43:27,910 --> 01:43:25,520

that's how coronavirus spreads that's it

2818

01:43:29,430 --> 01:43:27,920

nobody even cough

2819

01:43:31,830 --> 01:43:29,440

alright so that's all thanks for

2820

01:43:35,350 --> 01:43:31,840

watching you're welcome

2821

01:43:37,270 --> 01:43:35,360

anyway yeah interesting this one uh

2822

01:43:38,390 --> 01:43:37,280

yeah i didn't read just because i've

2823

01:43:40,470 --> 01:43:38,400

seen this post a lot

2824

01:43:41,590 --> 01:43:40,480

sorry louis i just i just didn't click

2825

01:43:44,709 --> 01:43:41,600

on that one

2826

01:43:46,629 --> 01:43:44,719

did you no did you know okay no this

2827

01:43:49,189 --> 01:43:46,639

one's [h\_\_h] cool joseph this uh

2828

01:43:50,310 --> 01:43:49,199

that's cool yeah the hornet's nest is

2829

01:43:53,830 --> 01:43:50,320

around

2830

01:43:56,149 --> 01:43:53,840

lights or whatever

2831

01:43:57,430 --> 01:43:56,159

that is like perfect yeah it's even got

2832

01:43:58,149 --> 01:43:57,440

the little mouth it's kind of like

2833

01:43:59,350 --> 01:43:58,159

frowning

2834

01:44:01,669 --> 01:43:59,360

it looks like something that you would

2835

01:44:03,830 --> 01:44:01,679

walk into like a like a

2836

01:44:05,350 --> 01:44:03,840

old building or some [h\_\_h] and you would

2837

01:44:07,030 --> 01:44:05,360

see this thing in the corner

2838

01:44:08,390 --> 01:44:07,040

yeah you're like oh what is that looks

2839

01:44:09,750 --> 01:44:08,400

like a face and they would start

2840

01:44:11,910 --> 01:44:09,760

talking to you or yeah i think it would

2841

01:44:14,070 --> 01:44:11,920

light up it's like disappointed

2842

01:44:16,070 --> 01:44:14,080

it almost looks kind of like olmec from

2843

01:44:19,669 --> 01:44:16,080

legends of the hidden temple

2844

01:44:23,189 --> 01:44:19,679

oh [h\_\_h] yeah i forgot what he did

2845

01:44:27,669 --> 01:44:23,199

how he's olmec uh-huh legends

2846

01:44:30,950 --> 01:44:27,679

of the hidden temple oh my god

2847

01:44:33,830 --> 01:44:30,960

yeah dude hell yeah yeah classic

2848

01:44:34,870 --> 01:44:33,840

we got the purple parrots classic the

2849

01:44:38,310 --> 01:44:34,880

golden monkeys

2850

01:44:40,790 --> 01:44:38,320

the silver snakes and the fupas

2851

01:44:42,950 --> 01:44:40,800

no it was uh it was the silver snakes

2852

01:44:46,470 --> 01:44:42,960

the green monkeys the purple parrots

2853

01:44:52,709 --> 01:44:49,590

how do you remember [\h\_\_\h] dude

2854

01:44:53,830 --> 01:44:52,719

god i used to love that goddamn show

2855

01:44:58,229 --> 01:44:53,840

what about uh

2856

01:44:59,910 --> 01:44:58,239

uh who was uh carmen san diego

2857

01:45:01,669 --> 01:44:59,920

was that a nickelodeon thing or no i

2858

01:45:01,990 --> 01:45:01,679

mean we knew who she was we just never

2859

01:45:06,310 --> 01:45:02,000

knew

2860

01:45:07,270 --> 01:45:06,320

was where is carmen sandy where in the

2861

01:45:09,990 --> 01:45:07,280

world

2862

01:45:11,750 --> 01:45:10,000

is carmen san diego what if we did like

2863

01:45:12,470 --> 01:45:11,760

a revamp on that show but it's like

2864

01:45:16,310 --> 01:45:12,480

where the

2865

01:45:18,229 --> 01:45:16,320

[h\_\_\h] is carmen san diego oh

2866

01:45:19,669 --> 01:45:18,239

i kept saying that when we were in san

2867

01:45:22,790 --> 01:45:19,679

diego like

2868

01:45:24,310 --> 01:45:22,800

where the [h\_\_\h] are this

2869

01:45:26,070 --> 01:45:24,320

yeah we have a client that we're working

2870

01:45:27,430 --> 01:45:26,080

at and she was like oh yeah my hometown

2871

01:45:30,550 --> 01:45:27,440

is albuquerque

2872

01:45:32,550 --> 01:45:30,560

and i was like is there a left turn

2873

01:45:34,310 --> 01:45:32,560

that goes to albuquerque and she was

2874

01:45:35,590 --> 01:45:34,320

like what i was like you know

2875

01:45:37,669 --> 01:45:35,600

what's the reference could tell me i

2876

01:45:38,870 --> 01:45:37,679

don't know you know like bugs bunnies

2877

01:45:41,109 --> 01:45:38,880

always like i knew we should have taken

2878

01:45:44,310 --> 01:45:41,119

that left turn at albuquerque

2879

01:45:45,910 --> 01:45:44,320

no i don't remember that what i feel

2880

01:45:46,870 --> 01:45:45,920

like you just remembered this one like

2881

01:45:49,669 --> 01:45:46,880

five second

2882

01:45:49,990 --> 01:45:49,679

clip of [\h\_\_\h] bugs bunny no he's

2883

01:45:53,510 --> 01:45:50,000

saying

2884

01:45:55,590 --> 01:45:53,520

yeah

2885

01:45:57,430 --> 01:45:55,600

diddy p diddy cause every time like he's

2886

01:45:59,750 --> 01:45:57,440

traveling and then like

2887

01:46:01,350 --> 01:45:59,760

donald duck i mean donald duck daffy

2888

01:46:03,510 --> 01:46:01,360

duck is behind him

2889

01:46:05,189 --> 01:46:03,520

and then like he pops up and he's like

2890

01:46:08,310 --> 01:46:05,199

ah we made it

2891

01:46:13,030 --> 01:46:08,320

and then bucks is like i knew we should

2892

01:46:15,030 --> 01:46:13,040

have taken the left turn at albuquerque

2893

01:46:16,149 --> 01:46:15,040

snowy and [h\_\_h] they were trying to go to

2894

01:46:17,709 --> 01:46:16,159

florida

2895

01:46:19,750 --> 01:46:17,719

yeah and that's when they meet the

2896

01:46:24,790 --> 01:46:19,760

abominable snowman

2897

01:46:27,590 --> 01:46:24,800

dope as [h\_\_h]

2898

01:46:31,030 --> 01:46:27,600

damn i know we should have taken a left

2899

01:46:35,189 --> 01:46:34,229

yes how about foghorn leghorn can you do

2900

01:46:38,149 --> 01:46:35,199

him

2901

01:46:39,510 --> 01:46:38,159

uh i don't know i'll say i'll see y'all

2902

01:46:45,590 --> 01:46:39,520

i said

2903

01:46:49,109 --> 01:46:45,600

woodpecker or a metal pole

2904

01:46:53,189 --> 01:46:49,119

oh [h\_\_h] y'all boy that was really good

2905

01:46:57,109 --> 01:46:55,430

well i say i say boy i say boy it's it's

2906

01:46:57,669 --> 01:46:57,119

colder than that which is tip face down

2907

01:47:00,550 --> 01:46:57,679

on a tin

2908

01:47:02,320 --> 01:47:00,560

roof i say that boy is more mixed up

2909

01:47:06,790 --> 01:47:02,330

than a termite in a yo-yo

2910

01:47:10,470 --> 01:47:08,229

next post redeemer we already talked

2911

01:47:13,510 --> 01:47:10,480

about redeemer love them uh

2912

01:47:15,270 --> 01:47:13,520

see best bag of chips ever oh sasquatch

2913

01:47:18,470 --> 01:47:15,280

surprise

2914

01:47:21,750 --> 01:47:18,480

team it's just poop in there

2915

01:47:24,070 --> 01:47:21,760

like what a it's full of [\h\_\_\h] hair oh

2916

01:47:27,669 --> 01:47:24,080

terry [\h\_\_\h]

2917

01:47:29,780 --> 01:47:27,679

he was like surprised

2918

01:47:31,060 --> 01:47:29,790

he's like peeking around the corner

2919

01:47:34,070 --> 01:47:31,070

[Music]

2920

01:47:37,189 --> 01:47:34,080

[Laughter]

2921

01:47:41,030 --> 01:47:37,199

oh that's great that was funny oh yeah

2922

01:47:43,350 --> 01:47:41,040

the the praying mantis yeah with no head

2923

01:47:45,830 --> 01:47:43,360

and it says looks like somebody got laid

2924

01:47:49,669 --> 01:47:48,070

dude i have been seeing so much praying

2925

01:47:53,109 --> 01:47:49,679

mantis material

2926

01:47:54,550 --> 01:47:53,119

on tick tock yeah so much and i feel

2927

01:47:56,629 --> 01:47:54,560

like you know because of the algorithm

2928

01:47:58,790 --> 01:47:56,639

the more i watch the more i'll see

2929

01:47:59,910 --> 01:47:58,800

so maybe it's that but there's so many

2930

01:48:02,229 --> 01:47:59,920

people like

2931

01:48:05,030 --> 01:48:02,239

that people order you can order uh

2932

01:48:06,790 --> 01:48:05,040

praying mantis eggs or live

2933

01:48:08,229 --> 01:48:06,800

uh praying mantises offline and like

2934

01:48:09,109 --> 01:48:08,239

just put them in your garden and [h\_\_h]

2935

01:48:11,189 --> 01:48:09,119

it's pretty dope

2936

01:48:12,629 --> 01:48:11,199

they're such cool little guys chyna

2937

01:48:14,709 --> 01:48:12,639

knows you like uh

2938

01:48:15,990 --> 01:48:14,719

praying mantises well send them to me i

2939

01:48:18,550 --> 01:48:16,000

want hollow

2940

01:48:20,310 --> 01:48:18,560

the chinese ones no they're the invasive

2941

01:48:23,350 --> 01:48:20,320

species

2942

01:48:26,070 --> 01:48:23,360

but uh one of them uh the one i actually

2943

01:48:27,270 --> 01:48:26,080

subscribed to is a as a weed farm i

2944

01:48:29,350 --> 01:48:27,280

don't know where it is but they

2945

01:48:31,109 --> 01:48:29,360

bought a bunch of ladybugs and uh

2946

01:48:33,189 --> 01:48:31,119

praying mantises for their their crop

2947

01:48:34,950 --> 01:48:33,199

dude yeah the wheat crop

2948

01:48:36,709 --> 01:48:34,960

this is a good idea yeah definitely a

2949

01:48:37,830 --> 01:48:36,719

good idea have them uh have them work

2950

01:48:40,550 --> 01:48:37,840

for you dude

2951  
01:48:41,270 --> 01:48:40,560  
they're such cool little guys what's

2952  
01:48:44,390 --> 01:48:41,280  
this oof

2953  
01:48:47,510 --> 01:48:44,400  
what oh ooh oh oh the chemtrail

2954  
01:48:50,790 --> 01:48:47,520  
yeah it was like

2955  
01:48:51,350 --> 01:48:50,800  
it's like yeah steven says satire yeah i

2956  
01:48:54,310 --> 01:48:51,360  
mean it's

2957  
01:48:55,590 --> 01:48:54,320  
you know it is satire though right i

2958  
01:48:57,430 --> 01:48:55,600  
don't really know

2959  
01:48:59,350 --> 01:48:57,440  
i feel i feel like it is because i don't

2960  
01:49:01,910 --> 01:48:59,360  
think donald trump

2961  
01:49:03,830 --> 01:49:01,920  
went and toured a chemtrail plane and

2962  
01:49:04,149 --> 01:49:03,840  
promised to terminate the program that

2963  
01:49:06,229 --> 01:49:04,159

would be

2964

01:49:08,709 --> 01:49:06,239

much bigger i really highly doubt that

2965

01:49:11,030 --> 01:49:08,719

the fact that the nbc

2966

01:49:12,950 --> 01:49:11,040

news exclusive logo is on top of it

2967

01:49:14,709 --> 01:49:12,960

makes it look super real but

2968

01:49:16,229 --> 01:49:14,719

i mean let's just check like let's just

2969

01:49:18,950 --> 01:49:16,239

check it is this by

2970

01:49:19,510 --> 01:49:18,960

no it's not on nbc so yes [h\_\_h] fake

2971

01:49:21,669 --> 01:49:19,520

all right

2972

01:49:22,870 --> 01:49:21,679

sorry i posted it because it was funny

2973

01:49:26,149 --> 01:49:22,880

yeah i know that's

2974

01:49:29,270 --> 01:49:27,750

yeah well that's the thing like people

2975

01:49:31,430 --> 01:49:29,280

that are new to the the group

2976

01:49:32,870 --> 01:49:31,440

like not everything we post is going to

2977

01:49:35,270 --> 01:49:32,880

be like

2978

01:49:35,990 --> 01:49:35,280

oh my god it's proof yeah it's mostly we

2979

01:49:39,750 --> 01:49:36,000

just [h\_\_h]

2980

01:49:40,149 --> 01:49:39,760

post funny [h\_\_h] yeah this on the other

2981

01:49:42,950 --> 01:49:40,159

hand

2982

01:49:44,390 --> 01:49:42,960

what is oh this is real oh okay i didn't

2983

01:49:45,109 --> 01:49:44,400

click on this one yet let's let's watch

2984

01:49:46,950 --> 01:49:45,119

it you know he's

2985

01:49:48,950 --> 01:49:46,960

this tree just spontaneously combusted

2986

01:49:50,790 --> 01:49:48,960

in our backyard that's the burning tree

2987

01:49:53,990 --> 01:49:50,800

that chris talks about

2988

01:49:57,750 --> 01:49:54,000

that is the one that's the one

2989

01:50:01,430 --> 01:49:57,760

there's emily coming home

2990

01:50:06,470 --> 01:50:01,440

oh ryan must be his son yeah

2991

01:50:10,950 --> 01:50:08,950

it had rain the previous three days in a

2992

01:50:11,350 --> 01:50:10,960

row we've all been standing out here

2993

01:50:13,430 --> 01:50:11,360

looking

2994

01:50:15,350 --> 01:50:13,440

everything was wet ran as fast and just

2995

01:50:17,189 --> 01:50:15,360

caught on fire so this is like

2996

01:50:19,669 --> 01:50:17,199

this is the one that they put out three

2997

01:50:21,030 --> 01:50:19,679

times yeah and it just lit back on fire

2998

01:50:23,510 --> 01:50:21,040

right

2999

01:50:25,030 --> 01:50:23,520

and not just consecutively it was like

3000

01:50:27,830 --> 01:50:25,040

over a period of time

3001  
01:50:28,390 --> 01:50:27,840  
yeah and it was an old dead tree yeah

3002  
01:50:30,229 --> 01:50:28,400  
and now

3003  
01:50:32,790 --> 01:50:30,239  
it's got leaves all over it and it's a

3004  
01:50:35,669 --> 01:50:32,800  
big gorgeous beautiful tree

3005  
01:50:37,270 --> 01:50:35,679  
so man the chances of lightning striking

3006  
01:50:39,030 --> 01:50:37,280  
in the same place

3007  
01:50:40,950 --> 01:50:39,040  
this would be what the fourth time that

3008  
01:50:43,750 --> 01:50:40,960  
we know about

3009  
01:50:44,550 --> 01:50:43,760  
something going on bro if this is the

3010  
01:50:47,830 --> 01:50:44,560  
same tree

3011  
01:50:48,709 --> 01:50:47,840  
well i mean we'll find out soon right

3012  
01:50:50,790 --> 01:50:48,719  
because there's something

3013  
01:50:52,790 --> 01:50:50,800

we we can't really discuss because we

3014

01:50:55,910 --> 01:50:52,800

had a a private con

3015

01:50:57,510 --> 01:50:55,920

a secret conversation secrets i hate to

3016

01:50:59,990 --> 01:50:57,520

be that dude but like

3017

01:51:00,790 --> 01:51:00,000

we just can't you can't you can't say

3018

01:51:02,709 --> 01:51:00,800

anything yeah

3019

01:51:04,390 --> 01:51:02,719

chris bledsoe y'all be on the lookout

3020

01:51:07,589 --> 01:51:04,400

for some of his [h\_\_h] coming out

3021

01:51:08,629 --> 01:51:07,599

very soon uh we had the pleasure of

3022

01:51:11,109 --> 01:51:08,639

meeting him and man

3023

01:51:12,629 --> 01:51:11,119

such a great such an awesome dude and

3024

01:51:15,589 --> 01:51:12,639

his crew was cool too man

3025

01:51:16,790 --> 01:51:15,599

very cool wife was very cool uh just all

3026

01:51:19,990 --> 01:51:16,800

the people around him were

3027

01:51:22,470 --> 01:51:20,000

awesome so it was they were so nice that

3028

01:51:23,750 --> 01:51:22,480

we contemplated deleting that episode

3029

01:51:25,589 --> 01:51:23,760

because we didn't want to think we were

3030

01:51:26,310 --> 01:51:25,599

making fun of them yes yeah but that's

3031

01:51:28,629 --> 01:51:26,320

our best

3032

01:51:29,750 --> 01:51:28,639

it's our funniest episode but we did

3033

01:51:32,870 --> 01:51:29,760

tell him like hey

3034

01:51:36,149 --> 01:51:32,880

uh we goofed on you a lot

3035

01:51:38,149 --> 01:51:36,159

like nothing personal it was just

3036

01:51:40,629 --> 01:51:38,159

we just couldn't help it talk about your

3037

01:51:42,870 --> 01:51:40,639

truck dude yeah and we asked him

3038

01:51:45,589 --> 01:51:42,880

and he had that damn so we people want

3039

01:51:48,870 --> 01:51:45,599

to know what kind of truck do you drive

3040

01:51:52,310 --> 01:51:48,880

oh yeah no no it's a it's a it's a ford

3041

01:51:52,709 --> 01:51:52,320

it's ford yeah we just lost it a red

3042

01:51:56,470 --> 01:51:52,719

floor

3043

01:51:59,830 --> 01:51:56,480

jeez

3044

01:52:01,830 --> 01:51:59,840

ah pyramids all right next one uh

3045

01:52:04,149 --> 01:52:01,840

pyramids true purpose finally discovered

3046

01:52:06,229 --> 01:52:04,159

advanced ancient technology

3047

01:52:07,189 --> 01:52:06,239

i haven't seen this one yet man i'll be

3048

01:52:09,109 --> 01:52:07,199

honest i mean i know

3049

01:52:10,709 --> 01:52:09,119

this is like a lot of the posts but i'll

3050

01:52:12,790 --> 01:52:10,719

just say i did

3051

01:52:14,629 --> 01:52:12,800

i can judge by the video that it's

3052

01:52:16,470 --> 01:52:14,639

talking about electricity it's talking

3053

01:52:18,149 --> 01:52:16,480

about being a battery yeah it's probably

3054

01:52:20,229 --> 01:52:18,159

talking about the awkward

3055

01:52:22,550 --> 01:52:20,239

aquifer that's underneath the pyramid

3056

01:52:25,030 --> 01:52:22,560

which we've known about for a while

3057

01:52:25,589 --> 01:52:25,040

and the link between him and nikola

3058

01:52:28,709 --> 01:52:25,599

tesla

3059

01:52:31,910 --> 01:52:28,719

and his uh wireless electricity

3060

01:52:33,910 --> 01:52:31,920

project that was back in the 20s yep

3061

01:52:36,070 --> 01:52:33,920

man i i guess the reason the pyramid had

3062

01:52:39,350 --> 01:52:36,080

a gold cap because it was a conductor

3063

01:52:42,470 --> 01:52:39,360

yeah yeah right uh yeah i also

3064

01:52:45,750 --> 01:52:42,480  
in my my little break in california

3065

01:52:47,669 --> 01:52:45,760  
i watched the the tesla movie and it's

3066

01:52:49,189 --> 01:52:47,679  
uh it's really interesting i rented it i

3067

01:52:50,709 --> 01:52:49,199  
didn't buy it but uh

3068

01:52:52,310 --> 01:52:50,719  
man it's it's good it's it's not what

3069

01:52:54,070 --> 01:52:52,320  
you expect it's not a documentary it's

3070

01:52:54,950 --> 01:52:54,080  
not a dramatization it's like a in

3071

01:52:56,629 --> 01:52:54,960  
between uh

3072

01:52:58,709 --> 01:52:56,639  
they they like break the fourth wall

3073

01:53:02,149 --> 01:52:58,719  
it's done really creatively

3074

01:53:02,790 --> 01:53:02,159  
it's pretty cool uh i did i think i did

3075

01:53:06,229 --> 01:53:02,800  
fall asleep

3076

01:53:08,070 --> 01:53:06,239

like at one point but uh there's uh

3077

01:53:10,229 --> 01:53:08,080

there's some good [h\_\_h] in there there's

3078

01:53:10,870 --> 01:53:10,239

like like for instance like an example

3079

01:53:13,350 --> 01:53:10,880

would be

3080

01:53:13,990 --> 01:53:13,360

this they they do a dramatization with

3081

01:53:17,750 --> 01:53:14,000

actors

3082

01:53:20,149 --> 01:53:17,760

have gone down

3083

01:53:20,790 --> 01:53:20,159

like where edison is like hey dude i owe

3084

01:53:23,750 --> 01:53:20,800

you

3085

01:53:24,870 --> 01:53:23,760

so much props like all of my [h\_\_h] uses

3086

01:53:27,270 --> 01:53:24,880

most of your

3087

01:53:28,709 --> 01:53:27,280

patents yeah i'm making [h\_\_h] bank and

3088

01:53:30,629 --> 01:53:28,719

you're i'm not paying you anything so

3089

01:53:32,149 --> 01:53:30,639

i'd like to give you more money

3090

01:53:33,750 --> 01:53:32,159

and that's how it should have gone down

3091

01:53:36,790 --> 01:53:33,760

but in reality nope

3092

01:53:37,750 --> 01:53:36,800

it didn't nope so yeah if anybody is

3093

01:53:40,229 --> 01:53:37,760

interested

3094

01:53:41,990 --> 01:53:40,239

and uh the reason that people think

3095

01:53:45,189 --> 01:53:42,000

there's a connection between the

3096

01:53:47,990 --> 01:53:45,199

pyramids and the technology that

3097

01:53:49,430 --> 01:53:48,000

nikola tesla was able to uncover and

3098

01:53:51,990 --> 01:53:49,440

master

3099

01:53:54,310 --> 01:53:52,000

uh maybe watch maybe watch the the

3100

01:53:55,910 --> 01:53:54,320

nikola tesla one first and then go down

3101

01:53:57,669 --> 01:53:55,920

the [h\_\_\h] rabbit hole of the

3102

01:53:59,430 --> 01:53:57,679

pyramids because then you'll kind of

3103

01:54:00,229 --> 01:53:59,440

understand like the the technology

3104

01:54:01,830 --> 01:54:00,239

behind it and then

3105

01:54:03,350 --> 01:54:01,840

kind of understand the connections

3106

01:54:06,470 --> 01:54:03,360

wasn't uh

3107

01:54:08,070 --> 01:54:06,480

trump's dad are you talking about sorry

3108

01:54:09,270 --> 01:54:08,080

i was trying to read your mind well no

3109

01:54:12,790 --> 01:54:09,280

that was his grandfather

3110

01:54:16,629 --> 01:54:12,800

oh was it um but didn't

3111

01:54:18,229 --> 01:54:16,639

tesla wasn't wasn't uh his lover a

3112

01:54:20,629 --> 01:54:18,239

pigeon

3113

01:54:22,070 --> 01:54:20,639

oh [h\_\_h] dude i don't know probably i

3114

01:54:25,030 --> 01:54:22,080

think so dude i think he

3115

01:54:26,390 --> 01:54:25,040

he um this pigeon him and this pigeon

3116

01:54:33,990 --> 01:54:26,400

they were

3117

01:54:37,669 --> 01:54:36,229

every dumb season you you catch it you

3118

01:54:39,189 --> 01:54:37,679

catch a pigeon and you

3119

01:54:43,030 --> 01:54:39,199

just [h\_\_h] it you just put it on your

3120

01:54:46,709 --> 01:54:44,470

that's all right dude that's what i

3121

01:54:47,990 --> 01:54:46,719

heard um

3122

01:54:50,149 --> 01:54:48,000

let's google it really fast because i

3123

01:54:53,189 --> 01:54:50,159

mean i gotta know now for sure all right

3124

01:54:53,199 --> 01:55:02,629

uh do the doing doing with a pigeon

3125

01:55:07,270 --> 01:55:04,870

tesla's acquaintances nicholas weird

3126

01:55:11,430 --> 01:55:07,280

obsession with pigeons

3127

01:55:11,440 --> 01:55:16,070

oh my gosh nose for groundbreaking okay

3128

01:55:19,430 --> 01:55:17,910

fondness for pigeons when living in new

3129

01:55:21,669 --> 01:55:19,440

york you spending on it

3130

01:55:23,080 --> 01:55:21,679

feeding the pigeons in the park i have a

3131

01:55:25,189 --> 01:55:23,090

little bit of sex

3132

01:55:27,990 --> 01:55:25,199

[Laughter]

3133

01:55:28,790 --> 01:55:28,000

resulting in a horrible mess no he said

3134

01:55:31,669 --> 01:55:28,800

uh there it is

3135

01:55:31,990 --> 01:55:31,679

kept the window open so the the pigeons

3136

01:55:34,870 --> 01:55:32,000

could come

3137

01:55:36,950 --> 01:55:34,880

inside tesla never married but he

3138

01:55:39,350 --> 01:55:36,960

admitted to falling in love with a very

3139

01:55:41,270 --> 01:55:39,360

special white pigeon oh that visited him

3140

01:55:43,270 --> 01:55:41,280

regularly he reportedly said

3141

01:55:46,149 --> 01:55:43,280

i love that pigeon as a man loves a

3142

01:55:49,510 --> 01:55:46,159

woman and she loved me

3143

01:55:51,669 --> 01:55:49,520

ah the camera stopped god

3144

01:55:53,350 --> 01:55:51,679

damn camera didn't you have to unplug it

3145

01:55:55,750 --> 01:55:53,360

last time because it just got hot or

3146

01:55:57,589 --> 01:55:55,760

something

3147

01:55:59,430 --> 01:55:57,599

i mean how are you supposed to use a

3148

01:56:01,189 --> 01:55:59,440

gopro if it doesn't work man

3149

01:56:02,470 --> 01:56:01,199

yeah like if you're gonna jump out of an

3150

01:56:04,709 --> 01:56:02,480

airplane

3151  
01:56:06,310 --> 01:56:04,719  
then how are you gonna be able to film

3152  
01:56:07,350 --> 01:56:06,320  
the whole thing if it dies halfway

3153  
01:56:09,910 --> 01:56:07,360  
through your airplane it's

3154  
01:56:11,350 --> 01:56:09,920  
so hot i think we should uh we should

3155  
01:56:13,589 --> 01:56:11,360  
probably get a hold of

3156  
01:56:15,750 --> 01:56:13,599  
of gopro and be like hey yeah we have a

3157  
01:56:17,430 --> 01:56:15,760  
[h\_\_\h]

3158  
01:56:18,870 --> 01:56:17,440  
and and when we turn it off it doesn't

3159  
01:56:21,430 --> 01:56:18,880  
turn off yeah

3160  
01:56:22,709 --> 01:56:21,440  
and then we when we want to turn it on

3161  
01:56:25,109 --> 01:56:22,719  
it doesn't turn off

3162  
01:56:26,310 --> 01:56:25,119  
can you tell us how to fix this can you

3163  
01:56:28,629 --> 01:56:26,320

send us another one

3164

01:56:29,430 --> 01:56:28,639

i think maybe you should upgrade us to a

3165

01:56:35,189 --> 01:56:29,440

gopro

3166

01:56:37,030 --> 01:56:35,199

yeah it's [h\_\_h] it's just too too hot

3167

01:56:37,750 --> 01:56:37,040

so yeah i don't know that's weird email

3168

01:56:40,790 --> 01:56:37,760

them man

3169

01:56:42,870 --> 01:56:40,800

so it's it's off i'm unplug it i haven't

3170

01:56:44,470 --> 01:56:42,880

plugged it last time so let's cool it

3171

01:56:46,470 --> 01:56:44,480

down a little bit

3172

01:56:47,589 --> 01:56:46,480

oh it's still on okay turn back on well

3173

01:56:50,070 --> 01:56:47,599

we don't what it's

3174

01:56:50,709 --> 01:56:50,080

so the screen is on but the thing isn't

3175

01:56:53,750 --> 01:56:50,719

isn't on

3176

01:56:57,669 --> 01:56:53,760

oh so that's such a weird

3177

01:57:01,350 --> 01:56:57,679

ass thing ice so yeah tesla

3178

01:57:02,310 --> 01:57:01,360

[h\_\_h] a pigeon i think it just says he

3179

01:57:04,709 --> 01:57:02,320

fell in love with it

3180

01:57:06,310 --> 01:57:04,719

i don't know well in 1922 tesla reported

3181

01:57:08,709 --> 01:57:06,320

that the white pigeon had flown into his

3182

01:57:11,830 --> 01:57:08,719

room to tell him she was dying

3183

01:57:12,229 --> 01:57:11,840

before the bird passed he said a white

3184

01:57:14,149 --> 01:57:12,239

light

3185

01:57:15,669 --> 01:57:14,159

shown from her eyes brighter than

3186

01:57:16,720 --> 01:57:15,679

anything he had ever

3187

01:57:19,189 --> 01:57:16,730

generated yes

3188

01:57:22,830 --> 01:57:19,199

[Laughter]

3189

01:57:27,350 --> 01:57:24,149

before

3190

01:57:30,470 --> 01:57:27,360

with his electrical machinery oh

3191

01:57:32,149 --> 01:57:30,480

that's a high-tech juice yeah tesla was

3192

01:57:33,430 --> 01:57:32,159

heartbroken after her death and told his

3193

01:57:36,470 --> 01:57:33,440

friends at that moment

3194

01:57:39,510 --> 01:57:36,480

he felt his life's work was finished

3195

01:57:41,750 --> 01:57:39,520

man that's uh it's pretty strange

3196

01:57:43,109 --> 01:57:41,760

yeah well i guess he didn't have sex

3197

01:57:45,830 --> 01:57:43,119

with the pigeon

3198

01:57:46,390 --> 01:57:45,840

but he definitely fell in love with it

3199

01:57:50,229 --> 01:57:46,400

okay

3200

01:57:55,270 --> 01:57:50,239

uh i'm gonna try to turn the gopro off

3201

01:57:58,870 --> 01:57:57,589

well i mean we got to record because

3202

01:58:02,149 --> 01:57:58,880

ashley and her husband they

3203

01:58:03,830 --> 01:58:02,159

they watch it on tv

3204

01:58:05,589 --> 01:58:03,840

that's so cool i did see that that was

3205

01:58:06,870 --> 01:58:05,599

an awesome yeah hell yeah it's up here

3206

01:58:07,430 --> 01:58:06,880

somewhere we'll get into that in a

3207

01:58:11,030 --> 01:58:07,440

second

3208

01:58:14,870 --> 01:58:11,040

yeah well so youtube video youtube guys

3209

01:58:17,990 --> 01:58:14,880

sorry y'all gals guys and gals

3210

01:58:20,870 --> 01:58:18,000

um we'll keep going with the podcast uh

3211

01:58:21,510 --> 01:58:20,880

oh is this the mask dude but it's not

3212

01:58:23,189 --> 01:58:21,520

your

3213

01:58:25,430 --> 01:58:23,199

the one that you posted it's the other

3214

01:58:25,750 --> 01:58:25,440

one i didn't even see that he posted

3215

01:58:28,790 --> 01:58:25,760

this

3216

01:58:29,510 --> 01:58:28,800

yeah he posted it like a couple days i

3217

01:58:32,550 --> 01:58:29,520

guess before

3218

01:58:34,310 --> 01:58:32,560

six days ago yeah i did oh sorry lewis

3219

01:58:36,790 --> 01:58:34,320

man i feel like i uh totally

3220

01:58:37,750 --> 01:58:36,800

capitalized on the thing you already

3221

01:58:40,550 --> 01:58:37,760

posted

3222

01:58:40,790 --> 01:58:40,560

i'm like guilty of the [h\_\_h] we uh laugh

3223

01:58:43,350 --> 01:58:40,800

at

3224

01:58:44,629 --> 01:58:43,360

our our members about like posting

3225

01:58:47,830 --> 01:58:44,639

multiple [h\_\_h]

3226

01:58:48,310 --> 01:58:47,840

guilty of it too man so it can happen

3227

01:58:50,950 --> 01:58:48,320

but

3228

01:58:52,790 --> 01:58:50,960

so when you click on my link it goes to

3229

01:58:53,910 --> 01:58:52,800

uh the website but it doesn't look like

3230

01:58:55,750 --> 01:58:53,920

the advertised

3231

01:58:57,030 --> 01:58:55,760

mask oh it doesn't no it looks way

3232

01:58:59,270 --> 01:58:57,040

scarier huh

3233

01:59:03,030 --> 01:58:59,280

yeah it looks [h\_\_h] creepy we'll get

3234

01:59:05,750 --> 01:59:03,040

to it but yeah okay

3235

01:59:09,030 --> 01:59:05,760

so we've had this before so next post

3236

01:59:10,790 --> 01:59:09,040

unexplained spiral vortex we've had yeah

3237

01:59:12,149 --> 01:59:10,800

coming up on the weather radar something

3238

01:59:14,390 --> 01:59:12,159

happened last summer

3239

01:59:16,390 --> 01:59:14,400

about like this big like ring or

3240

01:59:18,629 --> 01:59:16,400

something right yeah kept showing up

3241

01:59:21,270 --> 01:59:18,639

yep it was like during like a rainstorm

3242

01:59:26,310 --> 01:59:21,280

or something so

3243

01:59:29,350 --> 01:59:26,320

yes okay so my question is

3244

01:59:31,189 --> 01:59:29,360

i don't think this is real

3245

01:59:32,870 --> 01:59:31,199

i don't know if the other one was real

3246

01:59:36,149 --> 01:59:32,880

either but

3247

01:59:38,709 --> 01:59:36,159

what would happen if a massive ufo

3248

01:59:39,589 --> 01:59:38,719

came close enough do you what would our

3249

01:59:42,470 --> 01:59:39,599

what would the

3250

01:59:43,830 --> 01:59:42,480

weather radar look like dude so someone

3251

01:59:46,950 --> 01:59:43,840

i don't know if because i don't see any

3252

01:59:49,510 --> 01:59:46,960

comments on here but someone commented

3253

01:59:51,350 --> 01:59:49,520

[h\_\_h] man i'm like maybe uh blurring two

3254

01:59:54,229 --> 01:59:51,360

things together but someone

3255

01:59:55,109 --> 01:59:54,239

i believe i r i read a comment where

3256

01:59:57,510 --> 01:59:55,119

somebody said

3257

01:59:59,430 --> 01:59:57,520

if a craft that large were to enter our

3258

02:00:02,709 --> 01:59:59,440

atmosphere it would mess

3259

02:00:05,830 --> 02:00:02,719

with the the gravitational

3260

02:00:07,350 --> 02:00:05,840

[h\_\_h] with our planet and the uh which

3261

02:00:08,790 --> 02:00:07,360

was like oh yeah you're right like

3262

02:00:09,270 --> 02:00:08,800

something that big [h\_\_h] yeah but then

3263

02:00:13,030 --> 02:00:09,280

the

3264

02:00:15,830 --> 02:00:13,040

that

3265

02:00:17,350 --> 02:00:15,840

was all right we got video back we got

3266

02:00:19,910 --> 02:00:17,360

video back on

3267

02:00:20,629 --> 02:00:19,920

uh the the reply to that comment was

3268

02:00:22,229 --> 02:00:20,639

well yeah

3269

02:00:23,669 --> 02:00:22,239

but if you think about the science of

3270

02:00:23,990 --> 02:00:23,679

how they're getting here they have their

3271

02:00:26,390 --> 02:00:24,000

own

3272

02:00:28,070 --> 02:00:26,400

gravitational force field around their

3273

02:00:31,189 --> 02:00:28,080

their ship so it wouldn't

3274

02:00:33,030 --> 02:00:31,199

in effect yeah that's true our

3275

02:00:34,870 --> 02:00:33,040

gravitational force

3276

02:00:36,709 --> 02:00:34,880

wouldn't affect the moon or you know

3277

02:00:39,910 --> 02:00:36,719

waves and [h\_\_\h] like that

3278

02:00:40,709 --> 02:00:39,920

but i thought of this so let's say

3279

02:00:45,270 --> 02:00:40,719

there's a little

3280

02:00:48,550 --> 02:00:45,280

illusion you did it

3281

02:00:50,229 --> 02:00:48,560

you're you're not gonna let me it was

3282

02:00:50,629 --> 02:00:50,239

like four episodes before i let you live

3283

02:00:54,550 --> 02:00:50,639

down the

3284

02:00:57,510 --> 02:00:54,560

the swamp gas thing so yeah

3285

02:00:58,470 --> 02:00:57,520

i don't i don't expect anything anything

3286

02:01:02,310 --> 02:00:58,480

less

3287

02:01:04,870 --> 02:01:02,320

but uh okay so if you have a bubble

3288

02:01:05,830 --> 02:01:04,880

in like space time even in our

3289

02:01:08,950 --> 02:01:05,840

atmosphere that

3290

02:01:09,990 --> 02:01:08,960

our gravity gravity is avoiding that's

3291

02:01:14,070 --> 02:01:10,000

still

3292

02:01:17,589 --> 02:01:14,080

in a void of space which would push out

3293

02:01:19,669 --> 02:01:17,599

the uh the negative space that that

3294

02:01:20,709 --> 02:01:19,679

ship is occupying so it's it would even

3295

02:01:22,550 --> 02:01:20,719

if it had

3296

02:01:24,470 --> 02:01:22,560

a gravitational bubble it would still

3297

02:01:26,310 --> 02:01:24,480

affect the gravity

3298

02:01:28,149 --> 02:01:26,320

unless it's just not what i'm thinking

3299

02:01:31,510 --> 02:01:28,159

but what if it wasn't

3300

02:01:36,070 --> 02:01:31,520

what if it was uh if it was

3301

02:01:40,310 --> 02:01:36,080

in a different dimension would it exist

3302

02:01:42,709 --> 02:01:40,320

on that plane at that time um

3303

02:01:43,510 --> 02:01:42,719

so what if it existed in the light

3304

02:01:51,030 --> 02:01:43,520

spectrum

3305

02:01:55,750 --> 02:01:51,040

maybe do i just remember

3306

02:01:58,870 --> 02:01:58,149

is it a wave or a particle yeah well

3307

02:02:02,390 --> 02:01:58,880

it's both

3308

02:02:07,109 --> 02:02:03,990

i'm not smart enough dude i'm just a

3309

02:02:11,189 --> 02:02:09,669

oh yeah but i know i mean i think that's

3310

02:02:14,310 --> 02:02:11,199

a that's a cool topic

3311

02:02:14,950 --> 02:02:14,320

is just like if something that massive

3312

02:02:17,030 --> 02:02:14,960

did

3313

02:02:18,550 --> 02:02:17,040

come down i mean what would it do like

3314

02:02:20,149 --> 02:02:18,560

what what would we see

3315

02:02:22,470 --> 02:02:20,159

what would the weather radar look like

3316

02:02:24,550 --> 02:02:22,480

like yeah you know

3317

02:02:25,589 --> 02:02:24,560

i don't know we we we should have a

3318

02:02:28,709 --> 02:02:25,599

meteorologist

3319

02:02:31,189 --> 02:02:28,719

on dude jim spencer bro he's the [h\_\_h]

3320

02:02:33,270 --> 02:02:31,199

man bro he's so accurate all the time

3321

02:02:36,790 --> 02:02:33,280

people just give weather people [h\_\_h] but

3322

02:02:39,589 --> 02:02:36,800

are you talking about the kkk

3323

02:02:41,030 --> 02:02:39,599

oh yeah jim spencer's the man hell yeah

3324

02:02:42,550 --> 02:02:41,040

well let's get a wand dude

3325

02:02:44,470 --> 02:02:42,560

i know you know we're going to ask phil

3326

02:02:47,030 --> 02:02:44,480

praise praising newsmen he's been

3327

02:02:48,870 --> 02:02:47,040

he's in florida now but yeah we could

3328

02:02:51,990 --> 02:02:48,880

probably get a connection over there

3329

02:02:53,830 --> 02:02:52,000

be like hey yo phil hey hey

3330

02:02:55,910 --> 02:02:53,840

we should email jim spencer just was

3331

02:02:58,790 --> 02:02:55,920

just the man bro let's do it

3332

02:02:59,589 --> 02:02:58,800

dear jim spencer i think you're the man

3333

02:03:04,629 --> 02:02:59,599

i do

3334

02:03:11,990 --> 02:03:08,310

okay okay wait no oh i have an idea okay

3335

02:03:16,070 --> 02:03:12,000

okay okay so uh oh [h\_\_h]

3336

02:03:19,589 --> 02:03:16,080

no no i lost it no

3337

02:03:19,910 --> 02:03:19,599

oh my god i wrote it down where's it at

3338

02:03:23,030 --> 02:03:19,920

then

3339

02:03:24,790 --> 02:03:23,040

[h\_\_h] i can't even remember where i wrote

3340

02:03:26,870 --> 02:03:24,800

it

3341

02:03:28,550 --> 02:03:26,880

hold on i don't remember where i wrote

3342

02:03:30,229 --> 02:03:28,560

it oh damn it

3343

02:03:31,750 --> 02:03:30,239

is that just my conversation that your

3344

02:03:34,149 --> 02:03:31,760

phone recorded

3345

02:03:34,870 --> 02:03:34,159

no okay good no that's in the cloud now

3346

02:03:37,669 --> 02:03:34,880

dude

3347

02:03:38,070 --> 02:03:37,679

you're on your own contract all right oh

3348

02:03:42,070 --> 02:03:38,080

okay

3349

02:03:45,189 --> 02:03:42,080

so we're talking about dimensions and oh

3350

02:03:48,470 --> 02:03:47,030

dude it was so good all right i'll think

3351

02:03:49,830 --> 02:03:48,480

about it later i'll think of it later

3352

02:03:51,030 --> 02:03:49,840

was it about light

3353

02:03:53,030 --> 02:03:51,040

i think we're saying something about

3354

02:03:53,430 --> 02:03:53,040

light talking about lie talking about

3355

02:03:56,310 --> 02:03:53,440

different

3356

02:03:57,750 --> 02:03:56,320

dimensions the space the voice that was

3357

02:03:59,109 --> 02:03:57,760

there

3358

02:04:01,350 --> 02:03:59,119

what it would look like on the weather

3359

02:04:03,270 --> 02:04:01,360

radar we're going to talk about how

3360

02:04:07,830 --> 02:04:03,280

fresh jim spencer looks

3361

02:04:11,589 --> 02:04:09,669

bro nothing's coming to me simmer on it

3362

02:04:15,510 --> 02:04:11,599

for a bit damn it it was so good

3363

02:04:17,669 --> 02:04:16,470

what do you mean you're having trouble

3364

02:04:19,030 --> 02:04:17,679

playing this video you're just playing

3365

02:04:20,069 --> 02:04:19,040

the video don't you [h\_\_h] with me like

3366

02:04:25,030 --> 02:04:20,079

that

3367

02:04:26,390 --> 02:04:25,040

like in a cool way uh well i don't want

3368

02:04:27,030 --> 02:04:26,400

to refresh because it will have to start

3369

02:04:30,310 --> 02:04:27,040

all over again

3370

02:04:33,510 --> 02:04:30,320

yeah okay so this this next post um

3371

02:04:36,950 --> 02:04:33,520

oh this was the the the one

3372

02:04:40,310 --> 02:04:36,960

that william posted right after

3373

02:04:47,669 --> 02:04:40,320

uh joey posted his okay right

3374

02:04:53,910 --> 02:04:52,069

yes this one this one is sick

3375

02:04:55,669 --> 02:04:53,920

that's [h\_\_h] cool not a glitch it's

3376

02:04:56,629 --> 02:04:55,679

popping up on multiple different weather

3377

02:04:59,990 --> 02:04:56,639

radars

3378

02:05:01,910 --> 02:05:00,000

size of a small hurricane okay right so

3379

02:05:02,870 --> 02:05:01,920

that was from twitter and the windows

3380

02:05:05,669 --> 02:05:02,880

seemed to be

3381

02:05:06,870 --> 02:05:05,679

rotating in that video yeah it it looked

3382

02:05:10,229 --> 02:05:06,880

strange

3383

02:05:11,350 --> 02:05:10,239

it was 10 comments god damn

3384

02:05:15,589 --> 02:05:11,360

oh i don't want to comment i just want

3385

02:05:19,109 --> 02:05:18,229

oh you posted one too yeah seeing oddly

3386

02:05:23,669 --> 02:05:19,119

yeah

3387

02:05:27,750 --> 02:05:26,310

like any time you do an exclamation mark

3388

02:05:32,830 --> 02:05:27,760

it's like

3389

02:05:35,510 --> 02:05:32,840

dude that's crazy it's [\h\_\_\h] some

3390

02:05:37,750 --> 02:05:35,520

crazy

3391

02:05:39,669 --> 02:05:37,760

i just posted a different weather radar

3392

02:05:42,470 --> 02:05:39,679

pic

3393

02:05:45,910 --> 02:05:42,480

oh william's saying that this his this

3394

02:05:51,030 --> 02:05:48,709

oh the the weather thing was fake yeah i

3395

02:05:54,229 --> 02:05:51,040

guess he found a link oh it said no

3396

02:05:57,030 --> 02:05:54,239

it's fake yeah well well

3397

02:05:57,830 --> 02:05:57,040

[\h\_\_\h] hey are you fools fighting on here

3398

02:06:00,629 --> 02:05:57,840

no fighting

3399

02:06:02,310 --> 02:06:00,639

oh somebody giving somebody [\h\_\_\h] no no

3400

02:06:04,870 --> 02:06:02,320

no because they're smiley faces

3401

02:06:06,229 --> 02:06:04,880

okay well as long as they're smiling

3402

02:06:08,310 --> 02:06:06,239

faces we won't delete you

3403

02:06:10,629 --> 02:06:08,320

we won't remove you and i'll remove a

3404

02:06:13,189 --> 02:06:10,639

[h\_\_\h] i will turn this car around

3405

02:06:14,950 --> 02:06:13,199

right now we'll spank and we will go all

3406

02:06:18,310 --> 02:06:14,960

the way back to episode one

3407

02:06:20,149 --> 02:06:18,320

yeah we'll we will yeah we'll just

3408

02:06:22,149 --> 02:06:20,159

re-release one through 56

3409

02:06:24,310 --> 02:06:22,159

yeah all over punishing all of our

3410

02:06:27,910 --> 02:06:24,320

dedicated listeners

3411

02:06:30,470 --> 02:06:27,920

for one person's mistake

3412

02:06:31,109 --> 02:06:30,480

oh yeah no but that's good though i mean

3413

02:06:34,550 --> 02:06:31,119

it it

3414

02:06:36,870 --> 02:06:34,560

uh you know like when you see

3415

02:06:38,550 --> 02:06:36,880

disagreements or whatever it's not

3416

02:06:39,189 --> 02:06:38,560

always a bad thing right because it

3417

02:06:41,109 --> 02:06:39,199

definitely

3418

02:06:43,830 --> 02:06:41,119

brings up conversation yeah you should

3419

02:06:46,069 --> 02:06:43,840

be able to second guess someone's

3420

02:06:47,669 --> 02:06:46,079

yeah yeah it cause it's a cause for

3421

02:06:49,830 --> 02:06:47,679

conversation for more people to

3422

02:06:51,109 --> 02:06:49,840

yeah to look into it to discuss more

3423

02:06:53,109 --> 02:06:51,119

stuff maybe

3424

02:06:54,229 --> 02:06:53,119

hell you can maybe get to the bottom of

3425

02:06:56,709 --> 02:06:54,239

it right right so

3426  
02:06:58,069 --> 02:06:56,719  
and there's a way to do it while being

3427  
02:06:59,510 --> 02:06:58,079  
nice and respectful too

3428  
02:07:00,870 --> 02:06:59,520  
right you know i'm not saying i mean

3429  
02:07:03,109 --> 02:07:00,880  
let's scroll back down i mean i don't

3430  
02:07:05,669 --> 02:07:03,119  
think this person was being rude

3431  
02:07:07,430 --> 02:07:05,679  
no but people are i mean i'm sensitive

3432  
02:07:09,270 --> 02:07:07,440  
to [h\_\_\h] like that man if somebody

3433  
02:07:10,069 --> 02:07:09,280  
doesn't leave a smiley face at the end

3434  
02:07:11,430 --> 02:07:10,079  
of it

3435  
02:07:13,669 --> 02:07:11,440  
and they're like contradict they're like

3436  
02:07:14,950 --> 02:07:13,679  
hey this [h\_\_\h] video's fake and they

3437  
02:07:17,510 --> 02:07:14,960  
also put a smile on the face

3438  
02:07:18,229 --> 02:07:17,520

i'm not offended i'm like oh [\h\_\_\h] well

3439

02:07:22,069 --> 02:07:18,239

maybe it's

3440

02:07:26,950 --> 02:07:22,079

you know

3441

02:07:29,109 --> 02:07:26,960

also we don't have guidelines on our

3442

02:07:30,629 --> 02:07:29,119

page we should put do we have guidelines

3443

02:07:31,830 --> 02:07:30,639

no what are the guidelines

3444

02:07:33,910 --> 02:07:31,840

we don't have them yet we don't have any

3445

02:07:35,430 --> 02:07:33,920

guidelines we so i recently the only

3446

02:07:38,470 --> 02:07:35,440

reason i'm bringing this up is because i

3447

02:07:41,669 --> 02:07:38,480

i uh recently joined a uh

3448

02:07:44,069 --> 02:07:41,679

austin startup facebook group and

3449

02:07:45,750 --> 02:07:44,079

before you join you have to read through

3450

02:07:48,390 --> 02:07:45,760

all the guidelines

3451  
02:07:50,390 --> 02:07:48,400  
like and like say okay and like before

3452  
02:07:50,950 --> 02:07:50,400  
you can [h\_\_h] post anything you have

3453  
02:07:53,189 --> 02:07:50,960  
to like

3454  
02:07:54,229 --> 02:07:53,199  
make sure you follow these [h\_\_h]

3455  
02:07:57,270 --> 02:07:54,239  
guidelines or you're gonna be

3456  
02:07:59,270 --> 02:07:57,280  
get booted so after reading all that

3457  
02:08:00,310 --> 02:07:59,280  
it was like a 10 minute process it was

3458  
02:08:02,229 --> 02:08:00,320  
very

3459  
02:08:03,910 --> 02:08:02,239  
it was [h\_\_h] annoying but i don't get

3460  
02:08:05,030 --> 02:08:03,920  
it i don't think we should do that but

3461  
02:08:08,470 --> 02:08:05,040  
they have like

3462  
02:08:09,750 --> 02:08:08,480  
30 000 people we have like not even 300

3463  
02:08:11,510 --> 02:08:09,760

so i think we're fine

3464

02:08:13,430 --> 02:08:11,520

we don't have 300 how many i don't think

3465

02:08:15,430 --> 02:08:13,440

we have 300 yet

3466

02:08:17,350 --> 02:08:15,440

but i kind of like that it's small you

3467

02:08:19,270 --> 02:08:17,360

know let's keep it small

3468

02:08:20,390 --> 02:08:19,280

it's gonna get big it's gonna get bigger

3469

02:08:22,390 --> 02:08:20,400

nothing you can do about it

3470

02:08:23,830 --> 02:08:22,400

we're grow or not sure we're a grower

3471

02:08:27,030 --> 02:08:23,840

not a shower dude

3472

02:08:30,470 --> 02:08:27,040

hell yeah all right so next post uh

3473

02:08:33,510 --> 02:08:30,480

this video or this photo from uh um

3474

02:08:36,709 --> 02:08:33,520

jocelyn it's from me

3475

02:08:40,550 --> 02:08:36,719

but it's by jocelyn oh yeah it's

3476

02:08:42,709 --> 02:08:40,560

me i i did this me

3477

02:08:44,229 --> 02:08:42,719

we were there we saw that exact that's

3478

02:08:45,270 --> 02:08:44,239

where we were standing pretty much right

3479

02:08:48,390 --> 02:08:45,280

that was our view

3480

02:08:49,510 --> 02:08:48,400

yeah pretty much but but what we saw was

3481

02:08:51,430 --> 02:08:49,520

back

3482

02:08:53,510 --> 02:08:51,440

the opposite way right yeah it was on

3483

02:08:55,270 --> 02:08:53,520

the other side yeah i think

3484

02:08:57,270 --> 02:08:55,280

the wonderful jocelyn shared a photo a

3485

02:08:59,109 --> 02:08:57,280

lot of photos with us uh and this has

3486

02:09:01,910 --> 02:08:59,119

always been one of my favorites

3487

02:09:03,189 --> 02:09:01,920

and it's a picture of cathedral rock out

3488

02:09:05,589 --> 02:09:03,199

in sedona

3489

02:09:06,550 --> 02:09:05,599

and there's these two spires for those

3490

02:09:09,270 --> 02:09:06,560

of you who are just

3491

02:09:10,870 --> 02:09:09,280

uh just listening it's these two spires

3492

02:09:13,510 --> 02:09:10,880

and you can see the moon

3493

02:09:14,069 --> 02:09:13,520

off to the left-hand side and then in

3494

02:09:18,149 --> 02:09:14,079

the

3495

02:09:19,750 --> 02:09:18,159

huge light and i remember her telling

3496

02:09:22,069 --> 02:09:19,760

the story and she was like

3497

02:09:23,510 --> 02:09:22,079

yeah it just kind of stayed there yeah

3498

02:09:25,350 --> 02:09:23,520

and didn't do anything

3499

02:09:27,270 --> 02:09:25,360

you couldn't hear anything it's just as

3500

02:09:30,629 --> 02:09:27,280

light it showed up

3501

02:09:33,510 --> 02:09:30,639

not a not like helicopter or

3502

02:09:35,910 --> 02:09:33,520

a jet coming through also that's really

3503

02:09:37,910 --> 02:09:35,920

low i mean it's kind of hard to tell

3504

02:09:39,189 --> 02:09:37,920

but it seems pretty [h\_\_\h] low pretty

3505

02:09:40,870 --> 02:09:39,199

interesting man

3506

02:09:42,310 --> 02:09:40,880

pretty interesting that one's always

3507

02:09:45,669 --> 02:09:42,320

stumped me yeah

3508

02:09:48,950 --> 02:09:45,679

so sedona sedona arizona awesome

3509

02:09:52,950 --> 02:09:48,960

photo man that's that's really cool

3510

02:09:55,589 --> 02:09:52,960

i like it i like it

3511

02:09:57,189 --> 02:09:55,599

i like it a lot are you adding a little

3512

02:10:01,589 --> 02:09:57,199

laffy face to it

3513

02:10:03,350 --> 02:10:01,599

phillip what's so funny philip

3514

02:10:04,709 --> 02:10:03,360

why are you laughing at my totally legit

3515

02:10:06,149 --> 02:10:04,719

post hey phil

3516

02:10:08,950 --> 02:10:06,159

thanks for buying those t-shirts by the

3517

02:10:09,270 --> 02:10:08,960

way dude oh and your podcast is dope

3518

02:10:11,750 --> 02:10:09,280

dude

3519

02:10:12,790 --> 02:10:11,760

yes yeah great uh oh we should do a

3520

02:10:15,270 --> 02:10:12,800

little plug

3521

02:10:16,950 --> 02:10:15,280

yeah uh what if tomorrow yeah what if

3522

02:10:18,550 --> 02:10:16,960

tomorrow what if tomorrow podcast you

3523

02:10:20,950 --> 02:10:18,560

guys if you guys are listening to us

3524

02:10:21,830 --> 02:10:20,960

and you like uh our vibe you guys will

3525

02:10:24,069 --> 02:10:21,840

like phillips

3526

02:10:25,750 --> 02:10:24,079

and his co-host i can't think of his

3527

02:10:28,470 --> 02:10:25,760

co-host name i'm so sorry

3528

02:10:29,350 --> 02:10:28,480

but uh man they talk about well his name

3529

02:10:33,510 --> 02:10:29,360

is anthony

3530

02:10:34,709 --> 02:10:33,520

anthony anthony i don't know i forgot to

3531

02:10:37,430 --> 02:10:34,719

i'm sorry

3532

02:10:38,069 --> 02:10:37,440

you saw it but it's only because making

3533

02:10:40,069 --> 02:10:38,079

me look like

3534

02:10:41,750 --> 02:10:40,079

a beauty but it's only because because

3535

02:10:42,470 --> 02:10:41,760

phillip's on the page and he comments a

3536

02:10:44,229 --> 02:10:42,480

lot

3537

02:10:46,470 --> 02:10:44,239

he didn't i wouldn't remember his name

3538

02:10:47,830 --> 02:10:46,480

either it took me months to remember

3539

02:10:50,629 --> 02:10:47,840

ryan's name yeah

3540

02:10:53,109 --> 02:10:50,639

sprawl but dude yeah their podcast is

3541

02:10:54,470 --> 02:10:53,119

awesome you guys check it out on uh

3542

02:10:55,669 --> 02:10:54,480

whatever you listen to your podcast on

3543

02:10:56,229 --> 02:10:55,679

it's on everything they're everywhere

3544

02:10:59,350 --> 02:10:56,239

now

3545

02:11:02,950 --> 02:10:59,360

um yeah they talk about uh

3546

02:11:06,069 --> 02:11:02,960

what would happen in a uh a

3547

02:11:09,589 --> 02:11:06,079

world scale or you know even

3548

02:11:13,030 --> 02:11:09,599

city scale uh destruction event like

3549

02:11:14,470 --> 02:11:13,040

or even in your bathroom i having a

3550

02:11:19,589 --> 02:11:14,480

destructive event

3551

02:11:23,109 --> 02:11:19,599

every day deadly dude

3552

02:11:26,550 --> 02:11:25,750

you like [h\_\_h] silent like waiting for

3553

02:11:28,390 --> 02:11:26,560

me to say

3554

02:11:29,910 --> 02:11:28,400

something i just want to see where

3555

02:11:30,229 --> 02:11:29,920

you're going with it well but they had

3556

02:11:33,510 --> 02:11:30,239

one

3557

02:11:36,870 --> 02:11:33,520

uh recently that was that was on thorium

3558

02:11:37,350 --> 02:11:36,880

and that was really cool i like how it's

3559

02:11:39,030 --> 02:11:37,360

just

3560

02:11:40,790 --> 02:11:39,040

like the more we get comfortable with

3561

02:11:42,229 --> 02:11:40,800

doing this podcast like you know when to

3562

02:11:44,149 --> 02:11:42,239

like not say anything

3563

02:11:45,910 --> 02:11:44,159

because like you know i don't i'm not

3564

02:11:47,510 --> 02:11:45,920

going anywhere with what i'm about to

3565

02:11:50,550 --> 02:11:47,520

say

3566

02:11:52,790 --> 02:11:50,560

oh dude i love it

3567

02:11:54,310 --> 02:11:52,800

yeah so check it out this is good stuff

3568

02:11:56,709 --> 02:11:54,320

what if tomorrow

3569

02:11:58,790 --> 02:11:56,719

all right what's the next post uh okay

3570

02:12:00,709 --> 02:11:58,800

dude so i did see

3571

02:12:01,830 --> 02:12:00,719

watch a video if there's this famous

3572

02:12:05,350 --> 02:12:01,840

youtube video

3573

02:12:07,189 --> 02:12:05,360

video video i was thinking of his name i

3574

02:12:08,870 --> 02:12:07,199

thought it was peter so i added the er

3575

02:12:12,390 --> 02:12:08,880

at the end

3576

02:12:15,270 --> 02:12:12,400

hey you seen that old video hey man

3577

02:12:17,030 --> 02:12:15,280

you watching me youtube videos hey hey

3578

02:12:19,750 --> 02:12:17,040

monday i saw that video

3579

02:12:20,950 --> 02:12:19,760

and i tell you what i had i seen i seen

3580

02:12:24,870 --> 02:12:20,960

that video

3581

02:12:26,149 --> 02:12:24,880

and uh i'll tell you what man um

3582

02:12:27,750 --> 02:12:26,159

i don't know the guy's name and i don't

3583

02:12:31,109 --> 02:12:27,760

want to search for it but he called him

3584

02:12:32,550 --> 02:12:31,119

a big old fish in that old video

3585

02:12:34,390 --> 02:12:32,560

i feel like dude i bet this is the

3586

02:12:35,030 --> 02:12:34,400

[h\_\_h] if i clicked on it it's the guy

3587

02:12:37,030 --> 02:12:35,040

i'm thinking of

3588

02:12:38,470 --> 02:12:37,040

yep that's him bright inside this

3589

02:12:41,430 --> 02:12:38,480

actually exists

3590

02:12:42,629 --> 02:12:41,440

all right so this dude his hair is too

3591

02:12:46,069 --> 02:12:42,639

nice i don't believe him

3592

02:12:48,470 --> 02:12:46,079

he's a sharp looking guy uh anthem

3593

02:12:49,750 --> 02:12:48,480

i love this [h\_\_\h] dude this video is

3594

02:12:53,589 --> 02:12:49,760

awesome because it

3595

02:12:57,350 --> 02:12:53,599

goes into uh atlantis talking about

3596

02:12:59,910 --> 02:12:57,360

the the the levels of the ocean

3597

02:13:00,629 --> 02:12:59,920

that were much lower before a couple

3598

02:13:02,950 --> 02:13:00,639

years ago

3599

02:13:04,069 --> 02:13:02,960

a couple meaning a few thousand years

3600

02:13:07,430 --> 02:13:04,079

ago and there's

3601

02:13:09,990 --> 02:13:07,440

this [h\_\_h] land mass in africa

3602

02:13:11,510 --> 02:13:10,000

that that's this there that has this

3603

02:13:15,109 --> 02:13:11,520

quote-unquote uh

3604

02:13:17,189 --> 02:13:15,119

uh natural uh anomaly

3605

02:13:18,310 --> 02:13:17,199

that uh has these rings all around it

3606

02:13:20,229 --> 02:13:18,320

that's like a few

3607

02:13:21,350 --> 02:13:20,239

well probably a few thousand miles

3608

02:13:23,270 --> 02:13:21,360

honestly i don't know how

3609

02:13:25,270 --> 02:13:23,280

how long there's so much cool [h\_\_h] in

3610

02:13:28,390 --> 02:13:25,280

africa yeah there's a lot of

3611

02:13:30,550 --> 02:13:28,400

think how big africa is i mean it's got

3612

02:13:31,750 --> 02:13:30,560

like the largest desert in the world in

3613

02:13:34,310 --> 02:13:31,760

africa yeah

3614

02:13:35,589 --> 02:13:34,320

it has like there's a lot of jungle in

3615

02:13:40,390 --> 02:13:35,599

africa

3616

02:13:43,270 --> 02:13:40,400

i mean it has more animals probably

3617

02:13:43,990 --> 02:13:43,280

per square foot than any other country

3618

02:13:47,669 --> 02:13:44,000

if you think about

3619

02:13:50,310 --> 02:13:47,679

it or wait there's i mean

3620

02:13:51,750 --> 02:13:50,320

africa is pretty huge i'm i'm guessing

3621

02:13:53,430 --> 02:13:51,760

because i'm now i'm thinking of like

3622

02:13:55,510 --> 02:13:53,440

south america

3623

02:13:56,790 --> 02:13:55,520

about there's probably a lot of a lot of

3624

02:13:59,270 --> 02:13:56,800

insects and animals

3625

02:14:00,709 --> 02:13:59,280

yeah probably more than you know yeah i

3626

02:14:01,189 --> 02:14:00,719

don't know how many rainforests are in

3627

02:14:07,430 --> 02:14:01,199

africa

3628

02:14:07,440 --> 02:14:10,709

i didn't mean to say it like that

3629

02:14:15,030 --> 02:14:14,229

i mean a freaky follower freaky he knows

3630

02:14:16,870 --> 02:14:15,040

the way

3631

02:14:18,790 --> 02:14:16,880

isn't uh i mean isn't that whole middle

3632

02:14:22,069 --> 02:14:18,800

part like a rainforest

3633

02:14:22,470 --> 02:14:22,079

technically i don't know i've never been

3634

02:14:25,430 --> 02:14:22,480

there

3635

02:14:27,350 --> 02:14:25,440

like those just like some trees no i

3636

02:14:28,870 --> 02:14:27,360

think on maps they just color it green

3637

02:14:30,390 --> 02:14:28,880

just make us feel better about global

3638

02:14:33,189 --> 02:14:30,400

warming like the dark band

3639

02:14:34,310 --> 02:14:33,199

is like the the actual rainforest and

3640

02:14:36,950 --> 02:14:34,320

then like

3641

02:14:38,149 --> 02:14:36,960

the light green is like like a regular

3642

02:14:40,790 --> 02:14:38,159

forest

3643

02:14:41,350 --> 02:14:40,800

oh trees trust us these are just trees

3644

02:14:44,149 --> 02:14:41,360

trust me

3645

02:14:45,030 --> 02:14:44,159

this one has gorillas in it though like

3646

02:14:47,990 --> 02:14:45,040

there's

3647

02:14:48,709 --> 02:14:48,000

that's where the congo is yeah the congo

3648

02:14:52,310 --> 02:14:48,719

yeah

3649

02:14:55,350 --> 02:14:52,320

and uh and and that were uh

3650

02:14:56,870 --> 02:14:55,360

uh uh joe mighty is mighty joe young

3651  
02:14:58,069 --> 02:14:56,880  
mighty joe young is that where he lives

3652  
02:14:58,709 --> 02:14:58,079  
that's where he stays that's where his

3653  
02:15:01,430 --> 02:14:58,719  
people are

3654  
02:15:02,870 --> 02:15:01,440  
maybe dude mighty joke young [\h\_\_\h]

3655  
02:15:05,189 --> 02:15:02,880  
crushes bro dude

3656  
02:15:07,030 --> 02:15:05,199  
yeah oh dude i'd love to hang out with

3657  
02:15:08,870 --> 02:15:07,040  
mighty joe young he's awesome

3658  
02:15:11,830 --> 02:15:08,880  
he's such a sweet guy he's sweet he's a

3659  
02:15:13,350 --> 02:15:11,840  
sweet guy he's a sweetheart

3660  
02:15:15,270 --> 02:15:13,360  
haven't seen this one yet right next

3661  
02:15:17,030 --> 02:15:15,280  
post yes found a new show on netflix

3662  
02:15:19,030 --> 02:15:17,040  
haven't seen it

3663  
02:15:20,149 --> 02:15:19,040

but i did look up i think it's further

3664

02:15:23,189 --> 02:15:20,159

up but it's uh

3665

02:15:25,030 --> 02:15:23,199

it's a disney plus ned

3666

02:15:26,790 --> 02:15:25,040

earth i finished the whole season oh

3667

02:15:29,910 --> 02:15:26,800

it's so good it's hilarious

3668

02:15:31,189 --> 02:15:29,920

dude oh my god it's hilarious have you

3669

02:15:33,910 --> 02:15:31,199

watched the whole the whole thing

3670

02:15:35,830 --> 02:15:33,920

no i watched like three two episodes so

3671

02:15:36,790 --> 02:15:35,840

the one with gillian jacobs is the last

3672

02:15:38,709 --> 02:15:36,800

one that i watched i think that was

3673

02:15:40,310 --> 02:15:38,719

episode oh dude he gets funny yeah like

3674

02:15:42,149 --> 02:15:40,320

they got the uh what's that fool's name

3675

02:15:45,270 --> 02:15:42,159

from reno911

3676

02:15:47,189 --> 02:15:45,280

the short shorts guy oh the uh uh

3677

02:15:48,470 --> 02:15:47,199

yeah uh he has like the cowboy boots

3678

02:15:49,990 --> 02:15:48,480

yeah uh

3679

02:15:51,910 --> 02:15:50,000

[h\_\_h] i can't remember his name yeah i

3680

02:15:53,270 --> 02:15:51,920

can't remember his name yeah but he's

3681

02:15:54,950 --> 02:15:53,280

he's hilarious there's some good ones

3682

02:15:55,750 --> 02:15:54,960

man there's some good ones i couldn't

3683

02:15:58,790 --> 02:15:55,760

believe like the

3684

02:16:01,910 --> 02:15:58,800

quality of guests i know

3685

02:16:03,990 --> 02:16:01,920

raven simone bro dude no way

3686

02:16:06,149 --> 02:16:04,000

yeah that's so raven dude that's so cool

3687

02:16:10,550 --> 02:16:06,159

that's so rare to be on that show

3688

02:16:10,560 --> 02:16:14,390

damn it who's the

3689

02:16:21,589 --> 02:16:18,550

uh the famous crossdress guy

3690

02:16:23,750 --> 02:16:21,599

rupaul oh yeah i love rupaul

3691

02:16:25,910 --> 02:16:23,760

he's [h\_\_\h] hilarious dude it's funny

3692

02:16:27,030 --> 02:16:25,920

because like in one of the episodes he

3693

02:16:29,830 --> 02:16:27,040

tells him

3694

02:16:31,750 --> 02:16:29,840

ned is like so how do you prepare to to

3695

02:16:33,429 --> 02:16:31,760

dress in drag

3696

02:16:35,429 --> 02:16:33,439

and then he was like oh honey i don't

3697

02:16:37,110 --> 02:16:35,439

tell my secrets to everybody

3698

02:16:39,750 --> 02:16:37,120

and then he was like well are you gonna

3699

02:16:42,070 --> 02:16:39,760

tell me and so he like leans in

3700

02:16:43,030 --> 02:16:42,080

and like whispers to him and the ned's

3701

02:16:46,230 --> 02:16:43,040

like

3702

02:16:50,790 --> 02:16:46,240

oh oh oh okay

3703

02:16:53,589 --> 02:16:50,800

oh that's uh that's that's pretty risqué

3704

02:16:53,990 --> 02:16:53,599

now you know why i don't tell everybody

3705

02:16:56,230 --> 02:16:54,000

it's

3706

02:16:57,830 --> 02:16:56,240

funny dude i love that i was laughing

3707

02:17:00,709 --> 02:16:57,840

that's awesome [h\_\_h] this is

3708

02:17:01,589 --> 02:17:00,719

a kid's show it's hilarious yeah no

3709

02:17:03,589 --> 02:17:01,599

there's a lot of

3710

02:17:05,190 --> 02:17:03,599

adult content in there definitely but

3711

02:17:06,549 --> 02:17:05,200

it's super funny that's pretty [h\_\_h]

3712

02:17:08,790 --> 02:17:06,559

funny

3713

02:17:10,230 --> 02:17:08,800

uh all right next post uh oh my god why

3714

02:17:12,230 --> 02:17:10,240

is kept doing that

3715

02:17:13,509 --> 02:17:12,240

sorry we're not able to view this

3716

02:17:16,070 --> 02:17:13,519

content

3717

02:17:18,469 --> 02:17:16,080

uh okay next post jim with our photo jim

3718

02:17:22,150 --> 02:17:18,479

goodall hell yeah dude

3719

02:17:24,629 --> 02:17:22,160

next one uh what's this i posted that

3720

02:17:26,389 --> 02:17:24,639

you wanna let's watch it yeah that's

3721

02:17:26,790 --> 02:17:26,399

that's eric mitchell doing the the head

3722

02:17:29,509 --> 02:17:26,800

thing

3723

02:17:31,190 --> 02:17:29,519

just right here this is a regular sharp

3724

02:17:34,870 --> 02:17:31,200

mic nothing special about it

3725

02:17:37,589 --> 02:17:34,880

and we are going to show um

3726

02:17:40,790 --> 02:17:37,599

full control making sounds with my brain

3727

02:17:44,070 --> 02:17:43,190

does that bear no okay all right you

3728

02:17:49,910 --> 02:17:44,080

ready i'm gonna do

3729

02:18:01,110 --> 02:17:57,030

and he does it

3730

02:18:06,950 --> 02:18:03,110

the human ear like it right it's like

3731

02:18:13,190 --> 02:18:10,150

yeah dude damn just nuts

3732

02:18:15,270 --> 02:18:13,200

and you can see it that's [h\_\_\h] cool

3733

02:18:16,469 --> 02:18:15,280

that's really cool yeah yeah i'm i'm

3734

02:18:19,589 --> 02:18:16,479

really excited to

3735

02:18:21,750 --> 02:18:19,599

to do our own little uh investigation on

3736

02:18:24,309 --> 02:18:21,760

that we we did help him out on that

3737

02:18:25,990 --> 02:18:24,319

at the conference but uh i'd like man i

3738

02:18:26,790 --> 02:18:26,000

think the science behind it is going to

3739

02:18:29,990 --> 02:18:26,800

be

3740

02:18:32,230 --> 02:18:30,000

amazing dude yeah oh yeah

3741

02:18:33,990 --> 02:18:32,240

i'm excited because like you know a lot

3742

02:18:36,230 --> 02:18:34,000

of people could be like oh he's just you

3743

02:18:38,709 --> 02:18:36,240

know grinding his teeth or something but

3744

02:18:40,709 --> 02:18:38,719

i was standing right next to the guy he

3745

02:18:43,270 --> 02:18:40,719

wasn't making any sounds

3746

02:18:44,870 --> 02:18:43,280

and uh i mean we did catch some stuff my

3747

02:18:46,870 --> 02:18:44,880

equipment was i mean

3748

02:18:49,110 --> 02:18:46,880

not the best we were just set up on a

3749

02:18:50,629 --> 02:18:49,120

laptop and just kind of had to unscrew

3750

02:18:51,750 --> 02:18:50,639

some microphones and it was like a

3751

02:18:54,469 --> 02:18:51,760

really shitty mic

3752

02:18:54,870 --> 02:18:54,479

like a drum microphone sm57 for those of

3753

02:18:57,910 --> 02:18:54,880

you

3754

02:18:59,429 --> 02:18:57,920

yeah that know uh but we'd still

3755

02:19:01,429 --> 02:18:59,439

even with that shitty microphone we

3756

02:19:03,110 --> 02:19:01,439

caught some some frequencies that were

3757

02:19:05,349 --> 02:19:03,120

really interesting blips on there yeah

3758

02:19:06,950 --> 02:19:05,359

yeah it was cool yeah so like yeah what

3759

02:19:09,110 --> 02:19:06,960

he's able to do i mean we'll we'll

3760

02:19:09,910 --> 02:19:09,120

divulge that in the the documentary but

3761

02:19:13,030 --> 02:19:09,920

yeah

3762

02:19:16,709 --> 02:19:13,040

anyway uh let's see next uh

3763

02:19:17,509 --> 02:19:16,719

next post way in the great basin with a

3764

02:19:20,230 --> 02:19:17,519

4k

3765

02:19:21,509 --> 02:19:20,240

camera enjoying this what is this

3766

02:19:23,589 --> 02:19:21,519

memorial weekend

3767

02:19:25,270 --> 02:19:23,599

did you click on this yeah i don't see

3768

02:19:25,669 --> 02:19:25,280

anything well you got to finish reading

3769

02:19:32,230 --> 02:19:25,679

it

3770

02:19:35,990 --> 02:19:32,240

oh oh oh like the last intimate

3771

02:19:39,429 --> 02:19:36,000

you know i don't read i don't read

3772

02:19:41,429 --> 02:19:39,439

man that's the one this was yeah but it

3773

02:19:43,990 --> 02:19:41,439

was uh that was the earth to ned

3774

02:19:46,709 --> 02:19:44,000

okay yes why is it saying this content

3775

02:19:50,070 --> 02:19:46,719

isn't available right no idea man weird

3776

02:19:50,550 --> 02:19:50,080

i have no idea weird oh my god dude i

3777

02:19:53,670 --> 02:19:50,560

started

3778

02:19:54,309 --> 02:19:53,680

watching this show raised by wolves is

3779

02:19:56,710 --> 02:19:54,319

it good

3780

02:19:58,469 --> 02:19:56,720

bro so good i need to give you my h do

3781

02:19:59,990 --> 02:19:58,479

you have hbo max no i need to give you

3782

02:20:03,190 --> 02:20:00,000

my login bro

3783

02:20:06,710 --> 02:20:03,200

it is so [h\_\_\h] good whoa is that

3784

02:20:08,630 --> 02:20:06,720

uh uh from vikings yes it is

3785

02:20:09,910 --> 02:20:08,640

yep that's the same dude from vikings

3786

02:20:13,670 --> 02:20:09,920

yep ragna

3787

02:20:16,630 --> 02:20:13,680

ragnarok yes dude this is

3788

02:20:17,510 --> 02:20:16,640

y'all [h\_\_h] love him bro he's so

3789

02:20:20,710 --> 02:20:17,520

awesome

3790

02:20:23,110 --> 02:20:20,720

uh yeah like it's just like he is like

3791

02:20:23,750 --> 02:20:23,120

all that is man right like yeah i feel

3792

02:20:26,950 --> 02:20:23,760

like i

3793

02:20:30,309 --> 02:20:26,960

i aspire to look and like be that

3794

02:20:31,990 --> 02:20:30,319

[h\_\_h] badass one day you know yep yep

3795

02:20:33,349 --> 02:20:32,000

uh but yeah he does a great job and it's

3796

02:20:34,790 --> 02:20:33,359

so far i'm not finished with it i'm only

3797

02:20:37,110 --> 02:20:34,800

in like a couple of episodes in

3798

02:20:38,630 --> 02:20:37,120

or as much as that they've put out i had

3799

02:20:39,270 --> 02:20:38,640

to i guess it's like four or three or

3800

02:20:41,110 --> 02:20:39,280

four

3801

02:20:43,030 --> 02:20:41,120

but they come out every sunday or

3802

02:20:44,790 --> 02:20:43,040

something like that but it's [h\_\_h]

3803

02:20:46,950 --> 02:20:44,800

good man

3804

02:20:49,030 --> 02:20:46,960

all right next post uh joe out here with

3805

02:20:50,469 --> 02:20:49,040

the redeemer crew dude where was that

3806

02:20:52,469 --> 02:20:50,479

dude where what uh

3807

02:20:54,469 --> 02:20:52,479

whose backyard is that that uh that was

3808

02:20:56,830 --> 02:20:54,479

at a little rental house out in

3809

02:20:59,590 --> 02:20:56,840

terrytown

3810

02:21:02,630 --> 02:20:59,600

anyways that's where all the

3811

02:21:04,469 --> 02:21:02,640

the super rich people live in austin

3812

02:21:06,150 --> 02:21:04,479

don't want to be in the city okay they

3813

02:21:08,469 --> 02:21:06,160

like you so it's like literally

3814

02:21:10,630 --> 02:21:08,479

in the middle of austin and they have

3815

02:21:14,230 --> 02:21:10,640

their own rules

3816

02:21:14,870 --> 02:21:14,240

yeah like an hoa uh or it's like an ho

3817

02:21:20,469 --> 02:21:14,880

hey

3818

02:21:26,630 --> 02:21:24,070

it's it's like no dudes with beards

3819

02:21:27,990 --> 02:21:26,640

yeah it's it's really like it's like you

3820

02:21:29,990 --> 02:21:28,000

can't drive anything less than

3821

02:21:31,349 --> 02:21:30,000

lexus there yeah they just have

3822

02:21:33,750 --> 02:21:31,359

different rules

3823

02:21:34,550 --> 02:21:33,760

like they like some things that are like

3824

02:21:36,469 --> 02:21:34,560

city-wide

3825

02:21:37,910 --> 02:21:36,479

ordinances and things like they don't

3826

02:21:39,349 --> 02:21:37,920

have to follow them oh

3827

02:21:40,469 --> 02:21:39,359

interesting oh so i was going the

3828

02:21:41,510 --> 02:21:40,479

opposite way that was like more

3829

02:21:45,110 --> 02:21:41,520

restrictive

3830

02:21:46,389 --> 02:21:45,120

you're uh by zilker park

3831

02:21:48,070 --> 02:21:46,399

you know you know where britain got

3832

02:21:48,630 --> 02:21:48,080

married yeah if you keep going up that

3833

02:21:49,590 --> 02:21:48,640

hill

3834

02:21:51,830 --> 02:21:49,600

okay and then go out in that

3835

02:21:54,070 --> 02:21:51,840

neighborhood that's terrytown oh [h\_\_h]

3836

02:21:55,110 --> 02:21:54,080

well okay well we used to live in zilker

3837

02:21:57,510 --> 02:21:55,120

neighborhood so

3838

02:21:58,790 --> 02:21:57,520

it's terrytown's in that ish yeah yeah

3839

02:21:59,990 --> 02:21:58,800

okay dope

3840

02:22:01,670 --> 02:22:00,000

when you when you drive through it

3841

02:22:02,870 --> 02:22:01,680

you're like oh [h\_\_\h] this is terrytown

3842

02:22:04,950 --> 02:22:02,880

okay all right well i know

3843

02:22:06,389 --> 02:22:04,960

yeah so if it's up that hill back and

3844

02:22:07,590 --> 02:22:06,399

where it gets really confusing

3845

02:22:10,790 --> 02:22:07,600

i know exactly what you're talking about

3846

02:22:12,230 --> 02:22:10,800

nice yeah that's a cool part of town man

3847

02:22:14,389 --> 02:22:12,240

that's a really cool part of town well

3848

02:22:16,710 --> 02:22:14,399

cool man what do you think

3849

02:22:17,990 --> 02:22:16,720

would you all play uh like uh bags or

3850

02:22:21,349 --> 02:22:18,000

what y'all do

3851  
02:22:22,389 --> 02:22:21,359  
uh i mean we smoke cbd joints we drinks

3852  
02:22:26,070 --> 02:22:22,399  
a beer

3853  
02:22:30,790 --> 02:22:26,080  
um swam

3854  
02:22:31,990 --> 02:22:30,800  
hell yeah i sat in a chair i don't swim

3855  
02:22:34,230 --> 02:22:32,000  
trying to get that six-pack before you

3856  
02:22:35,590 --> 02:22:34,240  
swim i don't do that [ʌ\_\_ʌ] yeah i went

3857  
02:22:38,630 --> 02:22:35,600  
swimming in a

3858  
02:22:39,830 --> 02:22:38,640  
i just didn't look down the whole last

3859  
02:22:43,110 --> 02:22:39,840  
two weeks i just

3860  
02:22:44,309 --> 02:22:43,120  
don't look down don't look down but uh

3861  
02:22:46,550 --> 02:22:44,319  
yeah they were great

3862  
02:22:48,710 --> 02:22:46,560  
uh we need to get bailey on the show

3863  
02:22:51,750 --> 02:22:48,720

yeah definitely here pretty soon

3864

02:22:52,389 --> 02:22:51,760

hell yeah she's the mastermind cb doobie

3865

02:22:55,349 --> 02:22:52,399

cbd

3866

02:22:57,670 --> 02:22:55,359

doobie all right next puss let's see

3867

02:23:04,640 --> 02:22:57,680

this is so funny

3868

02:23:14,870 --> 02:23:04,650

steve posted this

3869

02:23:18,150 --> 02:23:16,550

all right we're gonna take off youtube

3870

02:23:21,640 --> 02:23:18,160

we gotta skip towards the chorus

3871

02:23:32,230 --> 02:23:30,830

[Music]

3872

02:23:35,429 --> 02:23:32,240

dude

3873

02:23:38,550 --> 02:23:35,439

[h\_\_h] yeah man i jammed that

3874

02:23:39,590 --> 02:23:38,560

that party goes hard bro so uh dude that

3875

02:23:41,590 --> 02:23:39,600

guy it was ham

3876

02:23:42,870 --> 02:23:41,600

in there that guy imagined so russia

3877

02:23:54,309 --> 02:23:42,880

right this guy's a russian

3878

02:23:58,630 --> 02:23:57,190

uh you know so russia i don't know

3879

02:23:59,190 --> 02:23:58,640

anybody that's from russia i don't have

3880

02:24:00,630 --> 02:23:59,200

any friends

3881

02:24:02,389 --> 02:24:00,640

so i don't know what the vibe is over

3882

02:24:03,910 --> 02:24:02,399

there but from the outside looking in

3883

02:24:05,670 --> 02:24:03,920

it's pretty serious like the

3884

02:24:07,510 --> 02:24:05,680

culture is pretty serious like you don't

3885

02:24:08,070 --> 02:24:07,520

smile unless you have something to smile

3886

02:24:10,790 --> 02:24:08,080

about

3887

02:24:12,230 --> 02:24:10,800

yeah so so this guy man he's just

3888

02:24:14,070 --> 02:24:12,240

[h\_\_h] cheery as hell

3889

02:24:15,750 --> 02:24:14,080

like the goofiest song i've ever heard

3890

02:24:17,670 --> 02:24:15,760

also there's a [h\_\_h] ton of people there

3891

02:24:19,910 --> 02:24:17,680

some people have to like this music and

3892

02:24:22,150 --> 02:24:19,920

this this is the best that they got

3893

02:24:23,030 --> 02:24:22,160

that's the best that they can and like

3894

02:24:25,030 --> 02:24:23,040

this

3895

02:24:27,270 --> 02:24:25,040

oh no it just like transported me into

3896

02:24:27,990 --> 02:24:27,280

this i started thinking about like i put

3897

02:24:30,230 --> 02:24:28,000

myself into

3898

02:24:31,030 --> 02:24:30,240

this family like i went through like a

3899

02:24:33,429 --> 02:24:31,040

whole

3900

02:24:34,870 --> 02:24:33,439

series of like man you get home from

3901  
02:24:37,349 --> 02:24:34,880  
that that concert and

3902  
02:24:38,950 --> 02:24:37,359  
you're thinking like man you know this

3903  
02:24:42,550 --> 02:24:38,960  
is my [h\_\_h] idol

3904  
02:24:43,990 --> 02:24:42,560  
i love this dude yes this weird [h\_\_h]

3905  
02:24:46,950 --> 02:24:44,000  
russian singer

3906  
02:24:47,349 --> 02:24:46,960  
and like he is getting so much [h\_\_h]

3907  
02:24:50,630 --> 02:24:47,359  
dude

3908  
02:24:54,950 --> 02:24:50,640  
right he has to maybe

3909  
02:24:58,150 --> 02:24:56,790  
we could we could play it safe and say

3910  
02:25:01,510 --> 02:24:58,160  
he's definitely getting a lot of

3911  
02:25:04,389 --> 02:25:01,520  
ass somewhere oh god

3912  
02:25:04,950 --> 02:25:04,399  
uh yeah so anyway what i mean it's the

3913  
02:25:07,110 --> 02:25:04,960

sentiment

3914

02:25:08,710 --> 02:25:07,120

i i don't mean to be binary with that

3915

02:25:09,349 --> 02:25:08,720

[h\_\_\h] statement i mean like he's

3916

02:25:12,630 --> 02:25:09,359

probably

3917

02:25:14,230 --> 02:25:12,640

getting whatever he's getting oh i mean

3918

02:25:16,710 --> 02:25:14,240

he's [h\_\_\h] yeah anyway so that's

3919

02:25:19,510 --> 02:25:16,720

that's like the miley cyrus of russia

3920

02:25:21,270 --> 02:25:19,520

damn that's awesome yeah then we're

3921

02:25:22,830 --> 02:25:21,280

gonna see that guy swinging on a on a

3922

02:25:25,910 --> 02:25:22,840

ball

3923

02:25:29,590 --> 02:25:25,920

naked oh no

3924

02:25:32,309 --> 02:25:29,600

oh [h\_\_\h] sonny say hey say hey

3925

02:25:32,790 --> 02:25:32,319

hey hey that's a nice truck you guys

3926

02:25:35,190 --> 02:25:32,800

that's our

3927

02:25:36,790 --> 02:25:35,200

goddamn truck look at that damn truck

3928

02:25:39,110 --> 02:25:36,800

it's red as [h\_\_h]

3929

02:25:40,790 --> 02:25:39,120

first of all i'd just like to say i'm

3930

02:25:42,550 --> 02:25:40,800

really happy you made it out of there

3931

02:25:43,910 --> 02:25:42,560

i'm really happy yeah i'm really i'm

3932

02:25:46,870 --> 02:25:43,920

glad you're still alive

3933

02:25:49,030 --> 02:25:46,880

but everybody wants to know yep what's

3934

02:25:54,389 --> 02:25:49,040

the apr on that sumbitch yeah

3935

02:25:58,070 --> 02:25:55,830

hey is that the one that you had to like

3936

02:25:59,030 --> 02:25:58,080

drive backwards for like 400 miles to

3937

02:26:01,510 --> 02:25:59,040

get it inspected

3938

02:26:03,190 --> 02:26:01,520

oh yeah i gotta know is that i think

3939

02:26:03,910 --> 02:26:03,200

that's a chevy bro oh that's a chevy

3940

02:26:05,270 --> 02:26:03,920

yeah all right

3941

02:26:07,990 --> 02:26:05,280

we can't even see the logo but we could

3942

02:26:11,270 --> 02:26:08,000

tell right you can tell it's a chevy bro

3943

02:26:13,110 --> 02:26:11,280

jk's even me i could still say we can't

3944

02:26:16,230 --> 02:26:13,120

even click on more of the the video

3945

02:26:18,309 --> 02:26:16,240

goddammit lame so yeah sunny dude

3946

02:26:19,830 --> 02:26:18,319

you went on this little hunting trip bro

3947

02:26:23,110 --> 02:26:19,840

and man

3948

02:26:24,710 --> 02:26:23,120

uh no sasquatch hey and it's and it

3949

02:26:27,670 --> 02:26:24,720

could be because

3950

02:26:28,070 --> 02:26:27,680

like you you posted about it it could be

3951  
02:26:29,190 --> 02:26:28,080  
that

3952  
02:26:30,870 --> 02:26:29,200  
you know it could have been the fire

3953  
02:26:31,590 --> 02:26:30,880  
that started it could be the fire that

3954  
02:26:34,070 --> 02:26:31,600  
started

3955  
02:26:34,710 --> 02:26:34,080  
it could be anything so it's not your

3956  
02:26:37,190 --> 02:26:34,720  
fault

3957  
02:26:38,790 --> 02:26:37,200  
maybe maybe next time me and joe will go

3958  
02:26:40,950 --> 02:26:38,800  
with you

3959  
02:26:42,630 --> 02:26:40,960  
and we just won't say [h\_\_h] and don't

3960  
02:26:44,550 --> 02:26:42,640  
bring any cameras except i'll bring a

3961  
02:26:46,469 --> 02:26:44,560  
camera and no one will know about it

3962  
02:26:48,070 --> 02:26:46,479  
except for everybody now that you said

3963  
02:26:49,990 --> 02:26:48,080

it oh [h\_\_\h]

3964

02:26:52,389 --> 02:26:50,000

it's everywhere it's forever now it's on

3965

02:26:55,110 --> 02:26:52,399

the internet

3966

02:26:56,150 --> 02:26:55,120

yeah but yeah that's cool but hey well

3967

02:26:57,510 --> 02:26:56,160

you got to go out

3968

02:26:58,870 --> 02:26:57,520

it looks like it was an awesome hunting

3969

02:27:00,630 --> 02:26:58,880

trip dude i'm glad you had a good yeah

3970

02:27:02,389 --> 02:27:00,640

that's a nice little setup too man

3971

02:27:04,309 --> 02:27:02,399

that's cool a little tint in the truck

3972

02:27:06,870 --> 02:27:04,319

that's a badass

3973

02:27:08,230 --> 02:27:06,880

yeah i like that lots of breathing a

3974

02:27:09,830 --> 02:27:08,240

little perforated

3975

02:27:11,590 --> 02:27:09,840

see-through thing so you can get your

3976

02:27:17,750 --> 02:27:11,600

farts out

3977

02:27:19,190 --> 02:27:17,760

little poots throw out those boots man

3978

02:27:20,630 --> 02:27:19,200

yeah everybody was worried about

3979

02:27:21,670 --> 02:27:20,640

something yeah that's right that's kind

3980

02:27:23,030 --> 02:27:21,680

of cool

3981

02:27:25,349 --> 02:27:23,040

everybody was like is this where you're

3982

02:27:26,070 --> 02:27:25,359

at dude yeah those fires that are going

3983

02:27:28,950 --> 02:27:26,080

on in cali

3984

02:27:29,990 --> 02:27:28,960

california okay so we're almost at the

3985

02:27:31,910 --> 02:27:30,000

top i posted this

3986

02:27:33,030 --> 02:27:31,920

uh little halloween mask which i ended

3987

02:27:37,270 --> 02:27:33,040

up buying so

3988

02:27:39,670 --> 02:27:37,280

i'll show you real quick this is uh

3989

02:27:41,349 --> 02:27:39,680

this is what it actually looks like whoa

3990

02:27:42,830 --> 02:27:41,359

so way different than the advertisement

3991

02:27:45,670 --> 02:27:42,840

it looks scary dude

3992

02:27:48,550 --> 02:27:45,680

right that's pretty good

3993

02:27:49,270 --> 02:27:48,560

it looks [\h\_\_\h] real it's like that was

3994

02:27:59,750 --> 02:27:49,280

the

3995

02:28:02,790 --> 02:27:59,760

bought oh damn i bought those on

3996

02:28:04,790 --> 02:28:02,800

separately off of amazon oh [\h\_\_\h]

3997

02:28:05,910 --> 02:28:04,800

that's awesome oh you're gonna have blue

3998

02:28:09,270 --> 02:28:05,920

hands and a tan

3999

02:28:11,590 --> 02:28:09,280

head yeah well i got a tan

4000

02:28:13,270 --> 02:28:11,600

so dude what i so this is confusing me

4001  
02:28:13,910 --> 02:28:13,280  
so are we getting this one am i getting

4002  
02:28:19,110 --> 02:28:13,920  
this one

4003  
02:28:20,389 --> 02:28:19,120  
[h\_\_h] internet that's pretty crazy all

4004  
02:28:24,550 --> 02:28:20,399  
right well we'll see

4005  
02:28:27,590 --> 02:28:24,560  
we'll keep you guys updated um okay

4006  
02:28:29,429 --> 02:28:27,600  
okay dude these videos aren't playing

4007  
02:28:30,630 --> 02:28:29,439  
i'm sorry guys it just says sorry we're

4008  
02:28:31,030 --> 02:28:30,640  
having trouble playing this video i

4009  
02:28:32,230 --> 02:28:31,040  
don't know

4010  
02:28:34,389 --> 02:28:32,240  
maybe it's just because we've been idle

4011  
02:28:36,950 --> 02:28:34,399  
on this one page for so long maybe

4012  
02:28:38,150 --> 02:28:36,960  
yeah that's the uh the youtube video

4013  
02:28:39,110 --> 02:28:38,160

that i was telling you about that's

4014

02:28:41,510 --> 02:28:39,120

pretty good i

4015

02:28:42,950 --> 02:28:41,520

i actually thought it was kind of cool

4016

02:28:44,710 --> 02:28:42,960

do you want to watch it

4017

02:28:47,190 --> 02:28:44,720

yeah all right well i gotta pee my feet

4018

02:28:49,670 --> 02:28:47,200

are all tangled up i did too

4019

02:28:50,230 --> 02:28:49,680

i got them it was those shots right now

4020

02:28:51,750 --> 02:28:50,240

oh [h\_\_h]

4021

02:28:53,510 --> 02:28:51,760

you gotta you gotta see it though so we

4022

02:28:54,870 --> 02:28:53,520

might as well pause it okay

4023

02:28:57,349 --> 02:28:54,880

all right all right do you want to go

4024

02:28:57,910 --> 02:28:57,359

first i'll just because last time i went

4025

02:29:01,429 --> 02:28:57,920

first

4026  
02:29:03,590 --> 02:29:01,439  
about sponsors

4027  
02:29:07,590 --> 02:29:03,600  
yeah since we both know i'm so good at

4028  
02:29:07,600 --> 02:29:11,990  
so brought to you by on it

4029  
02:29:19,429 --> 02:29:15,990  
brought the alpha alpha brain

4030  
02:29:21,030 --> 02:29:19,439  
joe rogan is in austin you guys oh dude

4031  
02:29:24,230 --> 02:29:21,040  
have you tried our kettlebells

4032  
02:29:27,670 --> 02:29:24,240  
they're uh they're uh they're formed

4033  
02:29:31,349 --> 02:29:27,680  
uh from our from photorealistic

4034  
02:29:33,830 --> 02:29:31,359  
molds of me and joe's balls so like

4035  
02:29:35,190 --> 02:29:33,840  
you we did molds and they're and they're

4036  
02:29:36,630 --> 02:29:35,200  
kettlebells now so

4037  
02:29:38,389 --> 02:29:36,640  
like just picture like there's a handle

4038  
02:29:39,910 --> 02:29:38,399

and there's our nut sack that's that's

4039

02:29:41,990 --> 02:29:39,920

what our new kettlebells we're

4040

02:29:43,670 --> 02:29:42,000

still in like the production phase if

4041

02:29:46,630 --> 02:29:43,680

you guys want to pre-order

4042

02:29:47,110 --> 02:29:46,640

uh you know just let us know you know it

4043

02:29:49,990 --> 02:29:47,120

they'll be

4044

02:29:51,270 --> 02:29:50,000

we're giving them out free free

4045

02:29:53,190 --> 02:29:51,280

kettlebells

4046

02:29:55,110 --> 02:29:53,200

uh they're going to be a actual weight

4047

02:29:55,750 --> 02:29:55,120

though so they're going to be a little

4048

02:29:57,590 --> 02:29:55,760

less than

4049

02:29:58,870 --> 02:29:57,600

uh two ounces so if you guys are cool

4050

02:30:01,190 --> 02:29:58,880

with that very light

4051  
02:30:03,349 --> 02:30:01,200  
very airy so let us know if you want to

4052  
02:30:06,870 --> 02:30:03,359  
want to uh get on that

4053  
02:30:09,990 --> 02:30:06,880  
uh also uh phoenix shaving uh they

4054  
02:30:11,190 --> 02:30:10,000  
uh they have uh cool soaps and uh cool

4055  
02:30:13,750 --> 02:30:11,200  
things to shave with they have

4056  
02:30:14,389 --> 02:30:13,760  
safety razors which uh i bought a safety

4057  
02:30:16,950 --> 02:30:14,399  
razor

4058  
02:30:19,270 --> 02:30:16,960  
and it is not safe uh you gotta know

4059  
02:30:21,349 --> 02:30:19,280  
what you're doing i'm not trying to like

4060  
02:30:23,270 --> 02:30:21,359  
tell you not to buy one it looks [h\_\_h]

4061  
02:30:24,230 --> 02:30:23,280  
cool and if you have the patience and

4062  
02:30:27,349 --> 02:30:24,240  
time to

4063  
02:30:27,830 --> 02:30:27,359

practice uh definitely go check that out

4064

02:30:31,349 --> 02:30:27,840

and

4065

02:30:31,990 --> 02:30:31,359

it very well i know dude i [h\_\_h] told

4066

02:30:35,190 --> 02:30:32,000

you i'm terrible

4067

02:30:36,630 --> 02:30:35,200

at this man god that tell you

4068

02:30:39,190 --> 02:30:36,640

did i show you my safety razor that i

4069

02:30:42,469 --> 02:30:39,200

got he did well i'm terrified of it

4070

02:30:46,469 --> 02:30:42,479

so so so now what do i do

4071

02:30:50,150 --> 02:30:46,479

do i talk about sponsors

4072

02:30:53,590 --> 02:30:50,160

oh man well you know that's just uh

4073

02:30:57,670 --> 02:30:56,150

oh man yeah man it's been cool just

4074

02:30:58,150 --> 02:30:57,680

getting to go through all the facebook

4075

02:30:59,750 --> 02:30:58,160

stuff

4076

02:31:01,190 --> 02:30:59,760

man and see what all you guys have been

4077

02:31:03,349 --> 02:31:01,200

posting lately

4078

02:31:06,389 --> 02:31:03,359

uh like i said ben's been on vacation

4079

02:31:09,190 --> 02:31:06,399

for a couple weeks and uh

4080

02:31:09,590 --> 02:31:09,200

man you know i just uh i've been hanging

4081

02:31:11,830 --> 02:31:09,600

out

4082

02:31:13,750 --> 02:31:11,840

uh we have a local cigar shop in my

4083

02:31:16,070 --> 02:31:13,760

hometown so i've been going up there

4084

02:31:18,309 --> 02:31:16,080

just doing some ufo research

4085

02:31:19,830 --> 02:31:18,319

hanging out drinking some beers is byob

4086

02:31:21,670 --> 02:31:19,840

man you can bring your own bottles in

4087

02:31:23,750 --> 02:31:21,680

there too it's pretty cool

4088

02:31:25,190 --> 02:31:23,760

so i'll go and grab me a little six pack

4089

02:31:28,309 --> 02:31:25,200

go in there and uh pick

4090

02:31:29,990 --> 02:31:28,319

pick me out of seaguar and uh sit down

4091

02:31:31,750 --> 02:31:30,000

and just do some research and look at

4092

02:31:34,389 --> 02:31:31,760

all the stuff that you guys post

4093

02:31:36,150 --> 02:31:34,399

i love it it's nice and it's relaxing

4094

02:31:37,429 --> 02:31:36,160

and uh you know i have a pretty good

4095

02:31:41,030 --> 02:31:37,439

time with it so

4096

02:31:43,590 --> 02:31:41,040

but uh yeah man uh you know me and ben

4097

02:31:45,429 --> 02:31:43,600

were also talking about doing the uh

4098

02:31:47,429 --> 02:31:45,439

the retreat again we were kind of

4099

02:31:48,950 --> 02:31:47,439

bouncing some ideas around

4100

02:31:50,469 --> 02:31:48,960

i think the first one's gonna be in

4101  
02:31:52,790 --> 02:31:50,479  
texas right but the

4102  
02:31:53,990 --> 02:31:52,800  
probably you know it might have to be an

4103  
02:31:56,230 --> 02:31:54,000  
annual thing where we

4104  
02:31:57,990 --> 02:31:56,240  
move it or maybe every six months and we

4105  
02:32:00,469 --> 02:31:58,000  
like move it somewhere else

4106  
02:32:02,550 --> 02:32:00,479  
cool i like to move it to move it move

4107  
02:32:06,309 --> 02:32:02,560  
it

4108  
02:32:08,469 --> 02:32:06,319  
gonna be pretty cool so

4109  
02:32:09,830 --> 02:32:08,479  
uh guys give us some ideas i mean we've

4110  
02:32:12,790 --> 02:32:09,840  
had a few ideas

4111  
02:32:14,230 --> 02:32:12,800  
already some arizona ideas and yeah

4112  
02:32:14,790 --> 02:32:14,240  
people sent us some stuff but if you

4113  
02:32:17,990 --> 02:32:14,800

guys had

4114

02:32:19,910 --> 02:32:18,000

like wherever you live uh

4115

02:32:21,830 --> 02:32:19,920

if there's some cool stuff around you

4116

02:32:22,870 --> 02:32:21,840

that would you think would make a cool

4117

02:32:24,630 --> 02:32:22,880

meet-up place

4118

02:32:26,469 --> 02:32:24,640

yeah that would make it easy for us to

4119

02:32:29,190 --> 02:32:26,479

kind of start going through and

4120

02:32:30,150 --> 02:32:29,200

picking spots to maybe go hang out and

4121

02:32:32,630 --> 02:32:30,160

uh

4122

02:32:33,270 --> 02:32:32,640

come come near your city yeah so that'd

4123

02:32:36,150 --> 02:32:33,280

be sick

4124

02:32:37,910 --> 02:32:36,160

yeah uh dude so real quick i know we're

4125

02:32:39,270 --> 02:32:37,920

gonna watch this video but i wanted i

4126  
02:32:41,110 --> 02:32:39,280  
remembered my thing that i was going to

4127  
02:32:43,990 --> 02:32:41,120  
say earlier that i couldn't remember

4128  
02:32:45,030 --> 02:32:44,000  
remember so i had an idea as as i was

4129  
02:32:47,510 --> 02:32:45,040  
walking or

4130  
02:32:48,550 --> 02:32:47,520  
watching this video walking with the

4131  
02:32:49,910 --> 02:32:48,560  
tall whites oh [h\_\_\h]

4132  
02:32:51,590 --> 02:32:49,920  
should we just keep it because we're

4133  
02:32:52,950 --> 02:32:51,600  
going to talk about walking with you

4134  
02:32:56,150 --> 02:32:52,960  
just keep it [h\_\_\h] how am i going to

4135  
02:32:58,230 --> 02:32:56,160  
remember it write it down

4136  
02:32:59,670 --> 02:32:58,240  
all right hold on let me write it down

4137  
02:33:02,309 --> 02:32:59,680  
you have a pin

4138  
02:33:03,750 --> 02:33:02,319

no i don't i don't own pens oh my god

4139

02:33:07,590 --> 02:33:03,760

you're in the drawer they're over there

4140

02:33:10,150 --> 02:33:07,600

you you you millennials

4141

02:33:12,389 --> 02:33:10,160

uh are you millionaires i think we're

4142

02:33:15,030 --> 02:33:12,399

both millennials nah dude

4143

02:33:15,750 --> 02:33:15,040

jin i'm whatever the cool one is don't

4144

02:33:22,469 --> 02:33:15,760

worry gen

4145

02:33:26,150 --> 02:33:24,870

oh my god so we're gonna watch this

4146

02:33:28,150 --> 02:33:26,160

video here in a second it's

4147

02:33:29,270 --> 02:33:28,160

it's by a guy his name is eddie garcia

4148

02:33:32,630 --> 02:33:29,280

um i think

4149

02:33:35,830 --> 02:33:32,640

joey posted uh posted this video

4150

02:33:38,870 --> 02:33:35,840

and i mean jory

4151

02:33:41,270 --> 02:33:38,880

uh let's see yeah

4152

02:33:41,910 --> 02:33:41,280

yeah dylan he says obviously it's a bug

4153

02:33:43,670 --> 02:33:41,920

or a bat

4154

02:33:45,510 --> 02:33:43,680

he didn't like your post either oh he

4155

02:33:47,830 --> 02:33:45,520

didn't

4156

02:33:48,870 --> 02:33:47,840

oh [h\_\_h] we gotta jordan why are you

4157

02:33:51,910 --> 02:33:48,880

trolling us dude

4158

02:33:53,670 --> 02:33:51,920

oh i mean dylan deland

4159

02:33:56,150 --> 02:33:53,680

what's up bro what you didn't even put a

4160

02:33:58,870 --> 02:33:56,160

smiley face you didn't put a smiley face

4161

02:33:59,750 --> 02:33:58,880

yeah uh i i'm gonna have to go with

4162

02:34:02,630 --> 02:33:59,760

obviously

4163

02:34:03,349 --> 02:34:02,640

it's not a bug or a bat i mean if you go

4164

02:34:05,670 --> 02:34:03,359

through and you

4165

02:34:06,550 --> 02:34:05,680

you look at the guy's other videos he's

4166

02:34:09,110 --> 02:34:06,560

got some

4167

02:34:10,630 --> 02:34:09,120

some pretty pretty cool stuff i'll be

4168

02:34:13,670 --> 02:34:10,640

honest with you when i go through

4169

02:34:16,710 --> 02:34:13,680

them um i didn't see

4170

02:34:18,630 --> 02:34:16,720

[h\_\_\h] in some of them what in some of uh

4171

02:34:19,429 --> 02:34:18,640

these eddie garcia videos okay but

4172

02:34:22,710 --> 02:34:19,439

they're

4173

02:34:24,070 --> 02:34:22,720

there are you know i took a mile and

4174

02:34:28,830 --> 02:34:24,080

spit too what the hell

4175

02:34:32,389 --> 02:34:28,840

ah yeah god you're so dumb

4176  
02:34:35,670 --> 02:34:34,389  
some of them i don't see anything but uh

4177  
02:34:38,230 --> 02:34:35,680  
i got him all right

4178  
02:34:38,870 --> 02:34:38,240  
well his other videos yeah okay but this

4179  
02:34:41,030 --> 02:34:38,880  
one

4180  
02:34:42,389 --> 02:34:41,040  
this does not look like a bug or a bat

4181  
02:34:46,790 --> 02:34:42,399  
to me yeah

4182  
02:34:51,429 --> 02:34:49,110  
oh he's got to be joking that can't be a

4183  
02:34:54,070 --> 02:34:51,439  
bug or a bat right

4184  
02:34:54,870 --> 02:34:54,080  
have you seen a bat fly bro that's a bug

4185  
02:34:58,070 --> 02:34:54,880  
all right

4186  
02:35:01,429 --> 02:34:58,080  
that's a bug oh what hold on

4187  
02:35:02,870 --> 02:35:01,439  
started here oh hold on and curve down

4188  
02:35:04,550 --> 02:35:02,880

this way

4189

02:35:07,830 --> 02:35:04,560

you can hold on all you want until you

4190

02:35:24,630 --> 02:35:07,840

see this coming up

4191

02:35:33,990 --> 02:35:28,230

flashes it that's the part right there

4192

02:35:37,910 --> 02:35:35,910

the laser spotted him it got like the

4193

02:35:40,230 --> 02:35:37,920

laser was on it and it flashed it looked

4194

02:35:43,510 --> 02:35:40,240

like it's flash but it was like a

4195

02:35:48,950 --> 02:35:43,520

see that he circles around it but

4196

02:36:06,830 --> 02:35:50,870

so when it flashes was that the laser

4197

02:36:13,030 --> 02:36:09,750

okay flash again

4198

02:36:14,150 --> 02:36:13,040

okay dude that are pretty interesting

4199

02:36:16,230 --> 02:36:14,160

that's all i'm gonna say

4200

02:36:18,550 --> 02:36:16,240

bro but i'm gonna have to go with that's

4201

02:36:21,590 --> 02:36:18,560

not that's not a bug or a bat

4202

02:36:23,030 --> 02:36:21,600

have you okay so you man

4203

02:36:24,950 --> 02:36:23,040

how many bats have you seen in your life

4204

02:36:26,230 --> 02:36:24,960

i've seen a [\h\_\_\h] ton we live in austin

4205

02:36:28,070 --> 02:36:26,240

like having one of the largest bat

4206

02:36:29,510 --> 02:36:28,080

colonies in the world yeah so we know

4207

02:36:30,870 --> 02:36:29,520

what bats look like when they're [\h\_\_\h]

4208

02:36:31,590 --> 02:36:30,880

flying and none of them fly in a

4209

02:36:34,710 --> 02:36:31,600

straight path

4210

02:36:38,389 --> 02:36:34,720

yeah all of them are just flat yeah

4211

02:36:40,150 --> 02:36:38,399

chasing bugs um yeah that was

4212

02:36:42,070 --> 02:36:40,160

not a bat that's pretty and that was a

4213

02:36:44,790 --> 02:36:42,080

pretty interesting video yeah i think

4214

02:36:45,349 --> 02:36:44,800

yeah that was super cool now so one of

4215

02:36:49,429 --> 02:36:45,359

the

4216

02:36:51,590 --> 02:36:49,439

it again because like

4217

02:36:52,630 --> 02:36:51,600

at first it kind of like goes in front

4218

02:36:54,630 --> 02:36:52,640

of the

4219

02:36:56,469 --> 02:36:54,640

the brush or whatever they're looking at

4220

02:36:57,349 --> 02:36:56,479

let's see if i can have my laser on the

4221

02:36:59,190 --> 02:36:57,359

other way

4222

02:37:00,469 --> 02:36:59,200

so is that a lens that's not it that's

4223

02:37:03,030 --> 02:37:00,479

not the laser that's not it

4224

02:37:03,990 --> 02:37:03,040

wait is that the laser or the the object

4225

02:37:06,070 --> 02:37:04,000

no because you see the

4226

02:37:08,550 --> 02:37:06,080

beam of the laser in the video and it's

4227

02:37:12,230 --> 02:37:08,560

a different color yeah

4228

02:37:17,190 --> 02:37:15,349

started here bugs bumps and curve

4229

02:37:24,550 --> 02:37:17,200

down this way there's the laser you can

4230

02:37:28,070 --> 02:37:26,389

that was a bug yeah why is it not

4231

02:37:34,630 --> 02:37:28,080

turning purple like everything else

4232

02:37:38,790 --> 02:37:37,030

pointing it right at him and now he's

4233

02:37:42,070 --> 02:37:38,800

turning

4234

02:37:47,030 --> 02:37:42,080

oh yeah yeah yeah i just

4235

02:37:49,750 --> 02:37:47,040

i just flashed

4236

02:37:50,469 --> 02:37:49,760

it's pretty cool that's [h\_\_\h] cool man

4237

02:37:53,750 --> 02:37:50,479

i don't know

4238

02:37:55,990 --> 02:37:53,760

pretty cool stuff i like it i like it

4239

02:37:57,910 --> 02:37:56,000

i won't be judging jury but that's very

4240

02:37:58,309 --> 02:37:57,920

interesting that's absolutely this funny

4241

02:37:59,990 --> 02:37:58,319

too

4242

02:38:01,429 --> 02:38:00,000

this one i didn't watch this one the

4243

02:38:03,349 --> 02:38:01,439

it's pretty much uh

4244

02:38:05,510 --> 02:38:03,359

migrants talking about people from

4245

02:38:07,910 --> 02:38:05,520

california moving to texas yeah

4246

02:38:09,590 --> 02:38:07,920

i feel like we've they get so much [h\_\_h]

4247

02:38:10,550 --> 02:38:09,600

like i'd just rather not comment but

4248

02:38:15,429 --> 02:38:10,560

that's that was a

4249

02:38:17,030 --> 02:38:15,439

i'm sure it's a funny video go home

4250

02:38:18,870 --> 02:38:17,040

well i'm not going to tell joe rogan to

4251

02:38:20,870 --> 02:38:18,880

go home man he moved here from

4252

02:38:24,389 --> 02:38:20,880

california he's actually from boston but

4253

02:38:27,910 --> 02:38:24,399

go home joe no we gotta get him on our

4254

02:38:29,670 --> 02:38:27,920

show dude get the [h\_\_h] out of here

4255

02:38:31,190 --> 02:38:29,680

bringing all your california commie

4256

02:38:34,469 --> 02:38:31,200

[h\_\_h] with you

4257

02:38:41,349 --> 02:38:37,670

you know it's like uh

4258

02:38:41,990 --> 02:38:41,359

the the the liberal side of california

4259

02:38:43,830 --> 02:38:42,000

that everybody

4260

02:38:45,349 --> 02:38:43,840

says is bringing to texas like it was

4261

02:38:48,309 --> 02:38:45,359

already here

4262

02:38:49,590 --> 02:38:48,319

the liberal [h\_\_h] like austin's always

4263

02:38:51,990 --> 02:38:49,600

been the little

4264

02:38:53,510 --> 02:38:52,000

island of liberalism you know it's been

4265

02:38:55,510 --> 02:38:53,520

the island of hippies

4266

02:38:57,030 --> 02:38:55,520

we're getting into this new era of

4267

02:38:58,870 --> 02:38:57,040

liberalism though that is very

4268

02:38:59,830 --> 02:38:58,880

destructive and you can clearly see

4269

02:39:03,110 --> 02:38:59,840

within the past

4270

02:39:05,990 --> 02:39:03,120

five years of austin it's kind of

4271

02:39:07,429 --> 02:39:06,000

went downhill yeah i'm yeah i just don't

4272

02:39:08,950 --> 02:39:07,439

know i'm not smart enough to know i

4273

02:39:10,710 --> 02:39:08,960

can't comment on it but i'm sure you're

4274

02:39:12,550 --> 02:39:10,720

right i mean i just

4275

02:39:13,910 --> 02:39:12,560

yeah you know way more about politics

4276

02:39:16,950 --> 02:39:13,920

and stuff i guess i'm just

4277

02:39:19,590 --> 02:39:16,960

i just say what i [\h\_\_\h] regurgitate on

4278

02:39:21,030 --> 02:39:19,600

i mean yeah i mean it's yeah i mean you

4279

02:39:23,349 --> 02:39:21,040

could you could go either way

4280

02:39:24,550 --> 02:39:23,359

on it but all i know is that your taxes

4281

02:39:25,910 --> 02:39:24,560

are extremely high

4282

02:39:27,270 --> 02:39:25,920

there's a lot of homeless people

4283

02:39:27,830 --> 02:39:27,280

[\h\_\_\h] and pissing all over the

4284

02:39:31,030 --> 02:39:27,840

streets

4285

02:39:34,150 --> 02:39:31,040

yeah uh the city council

4286

02:39:34,790 --> 02:39:34,160

none of them are austin uh natives right

4287

02:39:37,190 --> 02:39:34,800

you know

4288

02:39:38,389 --> 02:39:37,200

uh yeah it's it's pretty terrible i mean

4289

02:39:41,349 --> 02:39:38,399

in that aspect man

4290

02:39:42,870 --> 02:39:41,359

absolutely so but you know but this

4291

02:39:44,230 --> 02:39:42,880

picture right here that joseph posted

4292

02:39:47,830 --> 02:39:44,240

yeah the ups driver

4293

02:39:49,270 --> 02:39:47,840

jesus dude [h\_\_\h] twice i've never spilled

4294

02:39:52,630 --> 02:39:49,280

beer in a podcast

4295

02:39:54,389 --> 02:39:52,640

party foul twice wasn't that bad it

4296

02:39:56,710 --> 02:39:54,399

wasn't that bad you're good dude

4297

02:39:57,510 --> 02:39:56,720

this uh yeah this ups driver dude that's

4298

02:40:00,790 --> 02:39:57,520

legit

4299

02:40:02,630 --> 02:40:00,800

it's so red so yeah dude it looks crazy

4300

02:40:04,790 --> 02:40:02,640

it's in oregon

4301

02:40:06,469 --> 02:40:04,800

it looks it looks like a horror movie is

4302

02:40:08,150 --> 02:40:06,479

that because of the fires too

4303

02:40:09,750 --> 02:40:08,160

in oregon apparently yeah that's because

4304

02:40:10,389 --> 02:40:09,760

they're doing all that goddamn sinning

4305

02:40:13,910 --> 02:40:10,399

up there

4306

02:40:16,790 --> 02:40:13,920

oh [h\_\_h] that's why that is why

4307

02:40:22,870 --> 02:40:16,800

god is mad at you right now damn trump's

4308

02:40:29,110 --> 02:40:26,070

that's nancy pelosi's period aura

4309

02:40:32,309 --> 02:40:29,120

coming after y'all dude it's like

4310

02:40:33,269 --> 02:40:32,319

the blue wave they got the red skies

4311

02:40:40,070 --> 02:40:33,279

yeah

4312

02:40:43,269 --> 02:40:40,080

a chance to look into this one

4313

02:40:46,630 --> 02:40:43,279

but a base in antarctica

4314

02:40:50,469 --> 02:40:49,110

so there's all these little dots from an

4315

02:40:53,590 --> 02:40:50,479

aerial photo

4316

02:40:56,230 --> 02:40:53,600

of what looks like freighter ships

4317

02:40:58,870 --> 02:40:56,240

a bunch of them what i mean would you

4318

02:41:01,349 --> 02:40:58,880

say a thousand

4319

02:41:03,110 --> 02:41:01,359

i was gonna go with like 25 yeah maybe

4320

02:41:05,670 --> 02:41:03,120

30. yeah

4321

02:41:06,710 --> 02:41:05,680

uh yeah maybe they're like maybe they're

4322

02:41:08,790 --> 02:41:06,720

vince

4323

02:41:10,630 --> 02:41:08,800

again man exhausted another one of these

4324

02:41:12,469 --> 02:41:10,640

short ass

4325

02:41:14,550 --> 02:41:12,479

articles that don't give much

4326

02:41:16,790 --> 02:41:14,560

explanation it's just

4327

02:41:18,230 --> 02:41:16,800

hey look at this click on this and and

4328

02:41:19,590 --> 02:41:18,240

uh it's so hard to like

4329

02:41:21,349 --> 02:41:19,600

i wonder if you could plug those

4330

02:41:23,590 --> 02:41:21,359

coordinates in though

4331

02:41:25,269 --> 02:41:23,600

to google earth yeah longitude and

4332

02:41:26,630 --> 02:41:25,279

latitude coordinates

4333

02:41:29,269 --> 02:41:26,640

we'll have to do it and then post our

4334

02:41:31,830 --> 02:41:29,279

findings yeah let's do it

4335

02:41:32,790 --> 02:41:31,840

okay uh next one next one oh did you see

4336

02:41:34,950 --> 02:41:32,800

this dude

4337

02:41:35,990 --> 02:41:34,960

i did see this one but this is like

4338

02:41:38,230 --> 02:41:36,000

palesia

4339

02:41:39,830 --> 02:41:38,240

[h\_\_h] uh capturing someone right

4340

02:41:42,870 --> 02:41:39,840

that's not aliens right

4341

02:41:44,230 --> 02:41:42,880

no but did you do damn it ah do you

4342

02:41:46,790 --> 02:41:44,240

watch it till like the end

4343

02:41:47,429 --> 02:41:46,800

like they ripped that dude's body apart

4344

02:41:49,670 --> 02:41:47,439

uh

4345

02:41:50,950 --> 02:41:49,680

no i guess i did not you didn't see that

4346

02:41:54,469 --> 02:41:50,960

part

4347

02:41:54,950 --> 02:41:54,479

dude what you might have to refresh our

4348

02:41:58,150 --> 02:41:54,960

page

4349

02:42:00,150 --> 02:41:58,160

now that we're at the top right yeah

4350

02:42:01,910 --> 02:42:00,160

they chase him down and they rip his

4351

02:42:05,269 --> 02:42:01,920

body apart it's almost like

4352

02:42:08,469 --> 02:42:05,279

it's like zombies okay so he's shooting

4353

02:42:12,710 --> 02:42:10,230

okay so we don't take get this tanking

4354

02:42:15,750 --> 02:42:12,720

down off of youtube on it i want to skip

4355

02:42:17,030 --> 02:42:15,760

just cause right there okay they catch

4356

02:42:20,070 --> 02:42:17,040

him they fall on him

4357

02:42:22,469 --> 02:42:20,080

boom there's arm there's legs there's

4358

02:42:24,389 --> 02:42:22,479

more body parts there's blood

4359

02:42:29,190 --> 02:42:24,399

and there's the rest of his body just

4360

02:42:32,630 --> 02:42:30,550

i don't know if it's like a maybe a

4361

02:42:34,070 --> 02:42:32,640

movie promo maybe it's like a promotion

4362

02:42:37,349 --> 02:42:34,080

for a game

4363

02:42:42,790 --> 02:42:37,359

is that real i mean that's

4364

02:42:49,830 --> 02:42:47,190

ah we would just witness uh

4365

02:42:50,630 --> 02:42:49,840

damn okay well oh man it's hard to tell

4366

02:42:52,630 --> 02:42:50,640

cause

4367

02:42:54,389 --> 02:42:52,640

again it's in this like flear camera

4368

02:42:57,670 --> 02:42:54,399

right yeah

4369

02:42:59,110 --> 02:42:57,680

so it's so easy to edit [h\_\_\h] nowadays

4370

02:43:00,950 --> 02:42:59,120

when when you don't have like a full

4371

02:43:03,990 --> 02:43:00,960

color spectrum to work with

4372

02:43:05,269 --> 02:43:04,000

uh again that also like that that

4373

02:43:06,790 --> 02:43:05,279

specific topic like

4374

02:43:08,550 --> 02:43:06,800

if you're not working with a full

4375

02:43:09,910 --> 02:43:08,560

spectrum then what validity does the

4376

02:43:12,630 --> 02:43:09,920

gimbal video give you

4377

02:43:14,389 --> 02:43:12,640

yeah i don't know i mean the you know

4378

02:43:24,630 --> 02:43:14,399

the

4379

02:43:30,070 --> 02:43:27,590

and he was torn apart

4380

02:43:32,070 --> 02:43:30,080

[Laughter]

4381

02:43:34,309 --> 02:43:32,080

like a matter of fact and he was torn

4382

02:43:36,790 --> 02:43:34,319

apart so

4383

02:43:38,550 --> 02:43:36,800

mexican cartels do this a lot it's

4384

02:43:40,630 --> 02:43:38,560

obvious those chasing the shooter were

4385

02:43:43,750 --> 02:43:40,640

fully protected with body armor

4386

02:43:45,670 --> 02:43:43,760

but how the [h\_\_h] does have you ever how

4387

02:43:48,070 --> 02:43:45,680

hard is it to pull someone's arm and

4388

02:43:49,830 --> 02:43:48,080

legs off dude like i feel like you gotta

4389

02:43:52,870 --> 02:43:49,840

be super human

4390

02:43:54,870 --> 02:43:52,880

chris holm posted i i saw this years ago

4391

02:43:56,710 --> 02:43:54,880

with a zombie trend was high

4392

02:43:58,150 --> 02:43:56,720

i think it's just a promo it's kind of

4393

02:44:00,950 --> 02:43:58,160

what i thought too yeah

4394

02:44:02,309 --> 02:44:00,960

that's a that's an insane like it does

4395

02:44:05,750 --> 02:44:02,319

say 14

4396

02:44:10,630 --> 02:44:05,760

year 2014.

4397

02:44:14,790 --> 02:44:12,950

it's like ah it's like holding it above

4398

02:44:18,630 --> 02:44:14,800

his head

4399

02:44:19,670 --> 02:44:18,640

huh yeah it seems like a scene out of 28

4400

02:44:24,870 --> 02:44:19,680

days later

4401  
02:44:26,630 --> 02:44:24,880  
yeah especially the shooting and like

4402  
02:44:28,710 --> 02:44:26,640  
it looks like he's in the building now

4403  
02:44:33,670 --> 02:44:28,720  
okay

4404  
02:44:35,990 --> 02:44:33,680  
building he runs oh oh [h\_\_h]

4405  
02:44:37,590 --> 02:44:36,000  
just [h\_\_h] ripped his arms and legs

4406  
02:44:39,830 --> 02:44:37,600  
off that's fake i'm sorry

4407  
02:44:41,429 --> 02:44:39,840  
i think it's fake there's no way there's

4408  
02:44:43,349 --> 02:44:41,439  
no [h\_\_h] way dude what if they're

4409  
02:44:45,349 --> 02:44:43,359  
zombies unless you're hulk hogan i'm not

4410  
02:44:47,190 --> 02:44:45,359  
expecting anybody to be able to rip

4411  
02:44:48,710 --> 02:44:47,200  
someone's arms off like that like a

4412  
02:44:52,389 --> 02:44:48,720  
[h\_\_h]

4413  
02:44:55,750 --> 02:44:52,399

doll hey louis

4414

02:44:57,429 --> 02:44:55,760

he just commented uh so i thought about

4415

02:44:59,269 --> 02:44:57,439

an idea for the podcast

4416

02:45:01,590 --> 02:44:59,279

what if you had a zoom meeting with all

4417

02:45:02,630 --> 02:45:01,600

your followers then use the audio as a

4418

02:45:04,630 --> 02:45:02,640

podcast

4419

02:45:05,990 --> 02:45:04,640

just us having fun talking about weird

4420

02:45:10,309 --> 02:45:06,000

[h\_\_\h] be dope i think

4421

02:45:14,469 --> 02:45:12,389

yes that would be kind of cool we could

4422

02:45:15,830 --> 02:45:14,479

set up a date yeah so everybody knows

4423

02:45:19,190 --> 02:45:15,840

like it's really evening

4424

02:45:19,990 --> 02:45:19,200

yeah and just yeah just have like a like

4425

02:45:23,830 --> 02:45:20,000

a

4426  
02:45:26,070 --> 02:45:23,840  
like no one's microphone is muted so

4427  
02:45:29,110 --> 02:45:26,080  
everybody's like

4428  
02:45:31,269 --> 02:45:29,120  
like making noises and [h\_\_h] that would

4429  
02:45:33,830 --> 02:45:31,279  
be [h\_\_h] mayhem and also hilarious

4430  
02:45:34,950 --> 02:45:33,840  
yes let's do that i think i think that's

4431  
02:45:37,269 --> 02:45:34,960  
a good idea

4432  
02:45:38,550 --> 02:45:37,279  
yeah definitely i'm totally down dude

4433  
02:45:40,630 --> 02:45:38,560  
that's sick

4434  
02:45:42,469 --> 02:45:40,640  
dude well that's it for the facebook

4435  
02:45:44,070 --> 02:45:42,479  
stuff man

4436  
02:45:45,990 --> 02:45:44,080  
we're we've got 15 minutes to work three

4437  
02:45:49,670 --> 02:45:46,000  
hours in dude let's talk about

4438  
02:45:53,429 --> 02:45:49,680

i i do we want to squeeze in the uh

4439

02:45:57,750 --> 02:45:56,309

i think we we can or or let's let's save

4440

02:45:59,349 --> 02:45:57,760

it i think we should save it and save it

4441

02:46:01,910 --> 02:45:59,359

let's see all right let's save it yeah

4442

02:46:04,070 --> 02:46:01,920

dope well i feel like man that was a

4443

02:46:05,429 --> 02:46:04,080

great like kind of coming back after a

4444

02:46:07,429 --> 02:46:05,439

little hiatus

4445

02:46:09,990 --> 02:46:07,439

um guys again i mean i'm not going to

4446

02:46:12,790 --> 02:46:10,000

apologize because i had a great vacation

4447

02:46:13,429 --> 02:46:12,800

uh but it what i did miss this i missed

4448

02:46:15,670 --> 02:46:13,439

you guys

4449

02:46:16,790 --> 02:46:15,680

listening i missed talking about this

4450

02:46:19,910 --> 02:46:16,800

[h\_\_\h] with you joe

4451

02:46:21,510 --> 02:46:19,920

i i i definitely was eager to get back

4452

02:46:24,630 --> 02:46:21,520

on the microphone

4453

02:46:26,950 --> 02:46:24,640

and talk [\h\_\_\h] man i just yeah it's

4454

02:46:29,030 --> 02:46:26,960

it's funny because like i i have all

4455

02:46:32,389 --> 02:46:29,040

these ideas that i

4456

02:46:35,990 --> 02:46:32,399

if i remember to write them down and

4457

02:46:37,429 --> 02:46:36,000

we're still not gonna get to it today

4458

02:46:39,670 --> 02:46:37,439

we're gonna wait till the next one but

4459

02:46:42,230 --> 02:46:39,680

i've got a [\h\_\_\h] great idea

4460

02:46:42,870 --> 02:46:42,240

and it's like it's kind of piggybacking

4461

02:46:45,269 --> 02:46:42,880

off of the

4462

02:46:46,150 --> 02:46:45,279

walking with the the tall whites it's

4463

02:46:47,910 --> 02:46:46,160

like

4464

02:46:50,230 --> 02:46:47,920

definitely inspired i didn't have this

4465

02:46:53,269 --> 02:46:50,240

idea before i watched it today

4466

02:46:53,910 --> 02:46:53,279

uh the other idea was something that had

4467

02:46:55,910 --> 02:46:53,920

a couple

4468

02:46:57,990 --> 02:46:55,920

you know last week but i didn't write it

4469

02:46:59,190 --> 02:46:58,000

down so unless i think of it again and i

4470

02:47:00,150 --> 02:46:59,200

write it down again i'll let you know

4471

02:47:03,670 --> 02:47:00,160

but i i remember

4472

02:47:04,710 --> 02:47:03,680

thinking it was like so epi epiphany

4473

02:47:08,389 --> 02:47:04,720

epiphany

4474

02:47:10,870 --> 02:47:08,399

epicopynis

4475

02:47:11,790 --> 02:47:10,880

but yeah i thought yeah i had solved the

4476

02:47:15,190 --> 02:47:11,800

universe

4477

02:47:16,070 --> 02:47:15,200

pivocatorialism menisms oh yeah dude

4478

02:47:18,070 --> 02:47:16,080

that's awesome

4479

02:47:20,230 --> 02:47:18,080

yeah man yeah it definitely felt good to

4480

02:47:23,269 --> 02:47:20,240

get back on the mic yeah again yeah dude

4481

02:47:25,269 --> 02:47:23,279

for sure y'all hey uh again thank you

4482

02:47:27,110 --> 02:47:25,279

guys so much for posting on the ufo

4483

02:47:29,110 --> 02:47:27,120

garage podcast group if you guys

4484

02:47:30,550 --> 02:47:29,120

aren't on the group please look us up on

4485

02:47:33,190 --> 02:47:30,560

facebook man join the

4486

02:47:34,469 --> 02:47:33,200

join the group join the the shenanigans

4487

02:47:36,710 --> 02:47:34,479

shenanigans

4488

02:47:39,030 --> 02:47:36,720

um if you're just you know wanting to

4489

02:47:43,110 --> 02:47:39,040

post a meme that's funny but not like

4490

02:47:44,870 --> 02:47:43,120

trolling us like please join you know

4491

02:47:47,510 --> 02:47:44,880

like the people that actually post are

4492

02:47:48,469 --> 02:47:47,520

like i mean maybe two percent maybe

4493

02:47:50,070 --> 02:47:48,479

three percent

4494

02:47:51,590 --> 02:47:50,080

you know so a lot of people are just

4495

02:47:53,510 --> 02:47:51,600

kind of you know getting

4496

02:47:56,150 --> 02:47:53,520

getting the getting the vibes and

4497

02:47:58,630 --> 02:47:56,160

enjoying enjoying being a part of the

4498

02:47:59,910 --> 02:47:58,640

the conversation on a a tertiary

4499

02:48:01,269 --> 02:47:59,920

standpoint but like

4500

02:48:03,030 --> 02:48:01,279

yeah the people that post thank you guys

4501  
02:48:05,030 --> 02:48:03,040  
for posting because we couldn't do these

4502  
02:48:06,950 --> 02:48:05,040  
these episodes without this content so

4503  
02:48:07,830 --> 02:48:06,960  
like you guys are as much of a part of

4504  
02:48:09,830 --> 02:48:07,840  
this podcast

4505  
02:48:11,190 --> 02:48:09,840  
as we are just you know talking [h\_\_h]

4506  
02:48:15,590 --> 02:48:11,200  
about it that's right man

4507  
02:48:18,870 --> 02:48:15,600  
and we finally hit 300 subscribers on

4508  
02:48:21,110 --> 02:48:18,880  
yeah so if you guys uh are on the group

4509  
02:48:24,469 --> 02:48:21,120  
or you haven't subscribed yet to

4510  
02:48:24,710 --> 02:48:24,479  
ufo garage uh on youtube definitely do

4511  
02:48:27,750 --> 02:48:24,720  
it

4512  
02:48:30,389 --> 02:48:27,760  
there yeah

4513  
02:48:32,150 --> 02:48:30,399

we yeah we film every episode and so

4514

02:48:33,190 --> 02:48:32,160

it's on youtube and you get to see all

4515

02:48:35,269 --> 02:48:33,200

the [h\_\_\h] we're looking at

4516

02:48:36,630 --> 02:48:35,279

and you don't have to follow along i

4517

02:48:38,469 --> 02:48:36,640

know a lot of you

4518

02:48:39,910 --> 02:48:38,479

a lot of listeners drive around so you

4519

02:48:40,870 --> 02:48:39,920

don't get the chance to watch it but

4520

02:48:43,670 --> 02:48:40,880

those that

4521

02:48:45,910 --> 02:48:43,680

that uh are listening at home yeah check

4522

02:48:47,590 --> 02:48:45,920

us out on youtube and subscribe because

4523

02:48:49,349 --> 02:48:47,600

yeah we don't have ads really on our

4524

02:48:50,710 --> 02:48:49,359

podcast videos just because we really

4525

02:48:52,150 --> 02:48:50,720

don't have that many followers so

4526

02:48:52,469 --> 02:48:52,160

there's like no really no point in doing

4527

02:48:54,710 --> 02:48:52,479

that

4528

02:48:55,910 --> 02:48:54,720

right right what's the point in like

4529

02:48:58,630 --> 02:48:55,920

like the the

4530

02:48:59,590 --> 02:48:58,640

the efficacy of do we make 80 cents a

4531

02:49:01,830 --> 02:48:59,600

month or just

4532

02:49:03,269 --> 02:49:01,840

not [h\_\_\h] waste people's time with ads

4533

02:49:06,389 --> 02:49:03,279

exactly like exactly

4534

02:49:08,790 --> 02:49:06,399

it's it's not to that point yet um uh so

4535

02:49:11,110 --> 02:49:08,800

yeah but if i can make 5 000 a month you

4536

02:49:14,309 --> 02:49:11,120

[h\_\_\h] are getting ads yep

4537

02:49:17,670 --> 02:49:14,319

straight up so oh man so everybody

4538

02:49:19,429 --> 02:49:17,680

subscribe in episode 100

4539

02:49:21,030 --> 02:49:19,439

ben and i get tattooed tattoos in a

4540

02:49:22,389 --> 02:49:21,040

tattoo shop yup and we're gonna do a

4541

02:49:25,590 --> 02:49:22,399

live episode

4542

02:49:29,670 --> 02:49:25,600

episode 100 uh yeah

4543

02:49:33,429 --> 02:49:29,680

maybe we should uh hey hey

4544

02:49:36,150 --> 02:49:33,439

if we can get [h\_\_h]

4545

02:49:37,510 --> 02:49:36,160

sorry if we can get 1.5 million

4546

02:49:41,990 --> 02:49:37,520

subscribers on youtube

4547

02:49:44,950 --> 02:49:42,000

oh yeah i'll get any tattoo you want

4548

02:49:45,269 --> 02:49:44,960

oh [h\_\_h] as long as it's wherever you

4549

02:49:48,550 --> 02:49:45,279

want

4550

02:49:50,150 --> 02:49:48,560

my neck oh man

4551  
02:49:52,230 --> 02:49:50,160  
three inches by three inches if we get

4552  
02:49:55,349 --> 02:49:52,240  
one million subscribers

4553  
02:49:56,630 --> 02:49:55,359  
i'll [h\_\_\h] do that any day as long as

4554  
02:50:00,230 --> 02:49:56,640  
it's not on my face neck

4555  
02:50:02,950 --> 02:50:00,240  
or her neck on my face neck on my face

4556  
02:50:03,349 --> 02:50:02,960  
what is it it's a face neck on my neck's

4557  
02:50:09,269 --> 02:50:03,359  
face

4558  
02:50:11,750 --> 02:50:09,279  
or i'm not tattooing on my wiener i told

4559  
02:50:13,990 --> 02:50:11,760  
people about our our uh

4560  
02:50:15,990 --> 02:50:14,000  
i told people about our kettlebells oh

4561  
02:50:18,309 --> 02:50:16,000  
yeah that are molded after our ball

4562  
02:50:20,710 --> 02:50:18,319  
sacks

4563  
02:50:22,309 --> 02:50:20,720

oh i said they're less than some like

4564

02:50:25,269 --> 02:50:22,319

like five grams or something like

4565

02:50:25,830 --> 02:50:25,279

five ounces hey we should pitch that to

4566

02:50:28,870 --> 02:50:25,840

joe

4567

02:50:31,429 --> 02:50:28,880

yeah for the light weights they're like

4568

02:50:38,060 --> 02:50:34,469

but they have like bbs in them yes

4569

02:50:38,070 --> 02:50:46,870

[Applause]
