

1  
00:00:01,390 --> 00:00:04,950

[Music]

2  
00:00:09,110 --> 00:00:07,829

hey this is another episode of ufo

3  
00:00:10,790 --> 00:00:09,120

garage i'm ben

4  
00:00:12,150 --> 00:00:10,800

and i'm joe and this is where we talk

5  
00:00:17,430 --> 00:00:12,160

about ufos

6  
00:00:19,189 --> 00:00:17,440

aliens and all things weird of course

7  
00:00:21,510 --> 00:00:19,199

what's up man how are you doing today

8  
00:00:23,830 --> 00:00:21,520

i'm doing swell i'm doing well and swell

9  
00:00:25,189 --> 00:00:23,840

well and swell at the same time dude i

10  
00:00:26,070 --> 00:00:25,199

mean that's a that's a that's a pretty

11  
00:00:29,109 --> 00:00:26,080

good way to feel

12  
00:00:30,870 --> 00:00:29,119

well and swell i like it man get my tank

13  
00:00:32,870 --> 00:00:30,880

top on dude

14

00:00:34,150 --> 00:00:32,880

that is a pretty breezy looking tank top

15

00:00:37,190 --> 00:00:34,160

what is that mitch's

16

00:00:38,790 --> 00:00:37,200

mitch's surf shop from lahala la jolla

17

00:00:41,910 --> 00:00:38,800

la jolla beach in san

18

00:00:44,389 --> 00:00:41,920

santiago saint diago yeah

19

00:00:45,110 --> 00:00:44,399

that's awesome yeah what does it mean

20

00:00:47,590 --> 00:00:45,120

what la

21

00:00:49,430 --> 00:00:47,600

la jolla no santiago santiago it's

22

00:00:52,069 --> 00:00:49,440

either a whale's vagina or

23

00:00:54,069 --> 00:00:52,079

a wooden ship that uh scholars lost the

24

00:00:56,150 --> 00:00:54,079

translation years

25

00:00:58,470 --> 00:00:56,160

oh man that's great that's great well

26  
00:00:59,830 --> 00:00:58,480  
dude uh so it's gonna be pretty awesome

27  
00:01:02,950 --> 00:00:59,840  
today we've got a pretty

28  
00:01:03,590 --> 00:01:02,960  
uh cool guest with us uh she sent us our

29  
00:01:06,870 --> 00:01:03,600  
book

30  
00:01:09,670 --> 00:01:06,880  
um erin montgomery she is the uh writer

31  
00:01:13,830 --> 00:01:09,680  
of dirty little secrets this is her book

32  
00:01:14,630 --> 00:01:13,840  
uh man i uh i read this and all i can

33  
00:01:16,310 --> 00:01:14,640  
really say is

34  
00:01:18,469 --> 00:01:16,320  
is wow i thought it was absolutely

35  
00:01:20,390 --> 00:01:18,479  
fascinating yeah it was really good so

36  
00:01:22,149 --> 00:01:20,400  
she's on the show with us today

37  
00:01:25,270 --> 00:01:22,159  
and i'm super excited to have her with

38  
00:01:27,190 --> 00:01:25,280

us erin how are you doing today

39

00:01:28,630 --> 00:01:27,200

i am doing all right i am doing all

40

00:01:31,109 --> 00:01:28,640

right end of the day

41

00:01:31,910 --> 00:01:31,119

oh yeah nothing better than the end of

42

00:01:34,469 --> 00:01:31,920

the day

43

00:01:36,550 --> 00:01:34,479

yeah i like that well aaron i gotta say

44

00:01:39,510 --> 00:01:36,560

i'm a i'm a huge fan of your book

45

00:01:40,550 --> 00:01:39,520

i loved it i absolutely loved it um i

46

00:01:42,310 --> 00:01:40,560

mean

47

00:01:44,310 --> 00:01:42,320

usually when you hear about you know

48

00:01:47,270 --> 00:01:44,320

experiences and people's stories

49

00:01:49,030 --> 00:01:47,280

you know there's it's it's it's it seems

50

00:01:51,590 --> 00:01:49,040

to have like a focal point and

51  
00:01:52,630 --> 00:01:51,600  
and while your book did obviously have a

52  
00:01:54,630 --> 00:01:52,640  
focal point

53  
00:01:56,469 --> 00:01:54,640  
there's just so much to it i mean we're

54  
00:01:58,709 --> 00:01:56,479  
talking you know

55  
00:01:59,670 --> 00:01:58,719  
the abduction the just the simple

56  
00:02:03,030 --> 00:01:59,680  
encounters

57  
00:02:05,510 --> 00:02:03,040  
to you know uh missing time uh

58  
00:02:06,230 --> 00:02:05,520  
you know talking about dimensions

59  
00:02:08,550 --> 00:02:06,240  
shifting

60  
00:02:10,309 --> 00:02:08,560  
and i mean it's got everything it's it's

61  
00:02:12,150 --> 00:02:10,319  
it was just absolutely fascinating

62  
00:02:14,070 --> 00:02:12,160  
i couldn't put it down so thank you so

63  
00:02:15,589 --> 00:02:14,080

much for sending that to us

64

00:02:17,030 --> 00:02:15,599

well i'm glad you enjoyed it yeah i

65

00:02:18,949 --> 00:02:17,040

guess with that book the focal point

66

00:02:19,830 --> 00:02:18,959

really is my mental process and coming

67

00:02:22,790 --> 00:02:19,840

to terms

68

00:02:24,790 --> 00:02:22,800

right with with what uh i experienced on

69

00:02:28,229 --> 00:02:24,800

a daily basis

70

00:02:31,750 --> 00:02:28,239

yeah yeah it definitely was uh and

71

00:02:34,229 --> 00:02:31,760

while i was reading it like it almost uh

72

00:02:36,150 --> 00:02:34,239

i wouldn't say it gave me anxiety but it

73

00:02:38,710 --> 00:02:36,160

really like kind of put me in

74

00:02:39,430 --> 00:02:38,720

your shoes uh while i was reading it

75

00:02:40,790 --> 00:02:39,440

like you know

76

00:02:43,190 --> 00:02:40,800

i mean there's just stories in there

77

00:02:47,990 --> 00:02:43,200

that i i couldn't even i couldn't even

78

00:02:51,030 --> 00:02:49,750

i um yeah there's some you know

79

00:02:51,990 --> 00:02:51,040

especially at the beginning of the book

80

00:02:54,070 --> 00:02:52,000

as i'm dealing

81

00:02:55,110 --> 00:02:54,080

more with the traumatic experiences and

82

00:02:57,750 --> 00:02:55,120

you know working

83

00:02:58,550 --> 00:02:57,760

through those things on paper even

84

00:03:00,710 --> 00:02:58,560

writing it i

85

00:03:02,149 --> 00:03:00,720

i had to stop like okay i'm gonna write

86

00:03:03,589 --> 00:03:02,159

about something else for a little bit

87

00:03:05,750 --> 00:03:03,599

and then i'm gonna come back to the

88

00:03:08,790 --> 00:03:05,760

story and i figured that

89

00:03:10,790 --> 00:03:08,800

putting that actual process into the

90

00:03:13,030 --> 00:03:10,800

book itself

91

00:03:14,550 --> 00:03:13,040

would help demonstrate how difficult it

92

00:03:16,149 --> 00:03:14,560

was for me to

93

00:03:18,070 --> 00:03:16,159

actually go through the process of

94

00:03:21,750 --> 00:03:18,080

writing this stuff out

95

00:03:23,910 --> 00:03:21,760

yeah absolutely uh and i i

96

00:03:25,750 --> 00:03:23,920

i love that i love that you put that in

97

00:03:26,550 --> 00:03:25,760

the book because as you're reading along

98

00:03:28,949 --> 00:03:26,560

she does she's

99

00:03:30,710 --> 00:03:28,959

you know it's it's like i'm having

100

00:03:32,630 --> 00:03:30,720

anxiety just trying to

101  
00:03:34,390 --> 00:03:32,640  
continue on to the next page you know

102  
00:03:35,910 --> 00:03:34,400  
it's like it's it's very like

103  
00:03:37,430 --> 00:03:35,920  
it's almost like she's talking to you

104  
00:03:39,750 --> 00:03:37,440  
directly it's so good

105  
00:03:41,509 --> 00:03:39,760  
so i mean aaron without i mean you know

106  
00:03:42,390 --> 00:03:41,519  
we don't want to give away the book or

107  
00:03:45,030 --> 00:03:42,400  
anything but

108  
00:03:46,949 --> 00:03:45,040  
i i mean i would love to just get into

109  
00:03:49,750 --> 00:03:46,959  
uh your story

110  
00:03:50,550 --> 00:03:49,760  
and let the people know uh a little bit

111  
00:03:53,270 --> 00:03:50,560  
about you

112  
00:03:54,710 --> 00:03:53,280  
uh and uh give them give them some some

113  
00:03:56,949 --> 00:03:54,720

some background and then

114

00:03:58,630 --> 00:03:56,959

and then after that then you know i

115

00:03:59,350 --> 00:03:58,640

would like to kind of maybe start at

116

00:04:03,350 --> 00:03:59,360

like your

117

00:04:07,030 --> 00:04:03,360

first recollection and or memory of

118

00:04:10,789 --> 00:04:08,869

why this started taking place is a

119

00:04:12,710 --> 00:04:10,799

really good question and i

120

00:04:14,309 --> 00:04:12,720

you know it goes back multiple

121

00:04:16,469 --> 00:04:14,319

generations i can't say

122

00:04:18,949 --> 00:04:16,479

when that necessarily it started but i

123

00:04:21,509 --> 00:04:18,959

know that my grandfather had experiences

124

00:04:23,350 --> 00:04:21,519

my father and my aunt have both had

125

00:04:25,350 --> 00:04:23,360

experiences

126

00:04:27,030 --> 00:04:25,360

my father talks less about it and only

127

00:04:27,990 --> 00:04:27,040

you know ships in the sky type of thing

128

00:04:31,510 --> 00:04:28,000

but my aunt would talk

129

00:04:32,469 --> 00:04:31,520

about a a particular ufo that she would

130

00:04:34,469 --> 00:04:32,479

see between

131

00:04:35,990 --> 00:04:34,479

um where we were living because i was

132

00:04:37,749 --> 00:04:36,000

living with her at a time at the time

133

00:04:39,590 --> 00:04:37,759

and uh where she was working

134

00:04:41,350 --> 00:04:39,600

and this ship that was parked there for

135

00:04:42,230 --> 00:04:41,360

a long time and she would see the beings

136

00:04:45,270 --> 00:04:42,240

on the ground

137

00:04:46,790 --> 00:04:45,280

moving around and it was just crazy talk

138

00:04:48,629 --> 00:04:46,800

to me at the time because i didn't have

139

00:04:51,830 --> 00:04:48,639

any memories i was

140

00:04:55,270 --> 00:04:51,840

20 when that was happening um

141

00:04:57,909 --> 00:04:55,280

but um then me my brother

142

00:04:58,710 --> 00:04:57,919

my cousins her children have had

143

00:05:00,870 --> 00:04:58,720

experiences

144

00:05:02,469 --> 00:05:00,880

and abilities you know psychic type

145

00:05:05,350 --> 00:05:02,479

abilities and um

146

00:05:07,430 --> 00:05:05,360

and now our children have those

147

00:05:08,390 --> 00:05:07,440

encounters and abilities as well so this

148

00:05:09,990 --> 00:05:08,400

is

149

00:05:12,070 --> 00:05:10,000

you know it's not as simple where does

150

00:05:14,550 --> 00:05:12,080

it start it did i don't know

151  
00:05:15,830 --> 00:05:14,560  
when it wasn't there you know those back

152  
00:05:18,950 --> 00:05:15,840  
generations

153  
00:05:21,189 --> 00:05:18,960  
um my earliest memory of

154  
00:05:23,110 --> 00:05:21,199  
contact is about four years old and that

155  
00:05:25,510 --> 00:05:23,120  
just came to me the other day

156  
00:05:27,350 --> 00:05:25,520  
wow you know just a few months ago i i

157  
00:05:28,390 --> 00:05:27,360  
had this and it's just a little flash

158  
00:05:30,469 --> 00:05:28,400  
it's not

159  
00:05:31,510 --> 00:05:30,479  
more than maybe like three seconds of

160  
00:05:33,510 --> 00:05:31,520  
memory and

161  
00:05:35,670 --> 00:05:33,520  
i was sitting on the floor with other

162  
00:05:38,230 --> 00:05:35,680  
children in the ship the room was very

163  
00:05:39,510 --> 00:05:38,240

white and sterile and we were playing

164

00:05:42,310 --> 00:05:39,520

with blocks

165

00:05:43,990 --> 00:05:42,320

in some strange fashion they were like

166

00:05:45,830 --> 00:05:44,000

it was almost like catch but it was in

167

00:05:48,469 --> 00:05:45,840

slow motion so we were

168

00:05:51,350 --> 00:05:48,479

you know like slowly lobbing them with

169

00:05:54,629 --> 00:05:51,360

our minds i think i'm not exactly sure

170

00:05:56,150 --> 00:05:54,639

and i turned towards the doorway and a

171

00:05:58,469 --> 00:05:56,160

boy had walked by

172

00:05:59,430 --> 00:05:58,479

he was a little bit older and he pointed

173

00:06:01,830 --> 00:05:59,440

me and said like

174

00:06:03,590 --> 00:06:01,840

uh we're going to know each other later

175

00:06:06,629 --> 00:06:03,600

or something like that

176

00:06:08,710 --> 00:06:06,639

so and that was it and and

177

00:06:09,670 --> 00:06:08,720

boop all that was all the memory i had i

178

00:06:13,590 --> 00:06:09,680

don't remember seeing

179

00:06:16,309 --> 00:06:13,600

any beings but i know i was on a ship um

180

00:06:17,430 --> 00:06:16,319

so yeah that's the earliest wow i mean

181

00:06:19,430 --> 00:06:17,440

so

182

00:06:21,029 --> 00:06:19,440

just in just in that little bit i mean

183

00:06:23,670 --> 00:06:21,039

there's so much to unpack

184

00:06:25,029 --> 00:06:23,680

already and that's that's what i loved

185

00:06:27,909 --> 00:06:25,039

about this book was like

186

00:06:29,270 --> 00:06:27,919

every sentence it was like you're just

187

00:06:31,830 --> 00:06:29,280

opening a new box

188

00:06:34,150 --> 00:06:31,840

of like information or like you know

189

00:06:37,110 --> 00:06:34,160

just another part of the story it never

190

00:06:37,830 --> 00:06:37,120

like it never had a dull moment because

191

00:06:41,430 --> 00:06:37,840

it was just

192

00:06:43,029 --> 00:06:41,440

just it was it was

193

00:06:44,629 --> 00:06:43,039

for lack of a better term i'm not saying

194

00:06:45,189 --> 00:06:44,639

crazy in like a negative term it was

195

00:06:47,590 --> 00:06:45,199

just like

196

00:06:48,710 --> 00:06:47,600

in my mind i was like wow this is just

197

00:06:51,189 --> 00:06:48,720

fascinating

198

00:06:52,230 --> 00:06:51,199

i mean so we're talking about you know

199

00:06:54,870 --> 00:06:52,240

this this

200

00:06:55,749 --> 00:06:54,880

family lineage i mean your family has

201  
00:06:58,150 --> 00:06:55,759  
you know

202  
00:06:58,870 --> 00:06:58,160  
reports of this happening to them do you

203  
00:07:02,070 --> 00:06:58,880  
know how

204  
00:07:03,909 --> 00:07:02,080  
far back in in your family this goes is

205  
00:07:07,430 --> 00:07:03,919  
it just your like grandfather

206  
00:07:09,510 --> 00:07:07,440  
and grandmother that is as far as i can

207  
00:07:10,230 --> 00:07:09,520  
go because that is all the stories that

208  
00:07:13,350 --> 00:07:10,240  
i have

209  
00:07:16,230 --> 00:07:13,360  
right i wish i really wish i had

210  
00:07:17,510 --> 00:07:16,240  
more but there there isn't anything else

211  
00:07:19,670 --> 00:07:17,520  
you know historically

212  
00:07:20,710 --> 00:07:19,680  
yeah yeah yeah and that's i mean and

213  
00:07:23,430 --> 00:07:20,720

that's one of the

214

00:07:25,110 --> 00:07:23,440

you know it's like a uh in this field i

215

00:07:28,150 --> 00:07:25,120

mean that's kind of one of the

216

00:07:30,309 --> 00:07:28,160

the theories is that you know this is uh

217

00:07:31,350 --> 00:07:30,319

something that takes place within the

218

00:07:35,189 --> 00:07:31,360

family you know it

219

00:07:37,909 --> 00:07:35,199

follows uh yeah family bloodline um

220

00:07:39,189 --> 00:07:37,919

i mean does that do you think that has

221

00:07:43,189 --> 00:07:39,199

something to do with

222

00:07:44,550 --> 00:07:43,199

uh your genetics or your blood type or

223

00:07:46,629 --> 00:07:44,560

something like that that

224

00:07:47,589 --> 00:07:46,639

you know they just were naturally drawn

225

00:07:50,710 --> 00:07:47,599

to

226

00:07:51,830 --> 00:07:50,720

do you have any idea well i have some

227

00:07:54,950 --> 00:07:51,840

speculations

228

00:07:56,550 --> 00:07:54,960

right for sure i mean i my blood type is

229

00:07:58,390 --> 00:07:56,560

o but i don't know if it's negative or

230

00:08:01,749 --> 00:07:58,400

positive i need to get that figured out

231

00:08:03,029 --> 00:08:01,759

yeah um and i know that that's probably

232

00:08:05,029 --> 00:08:03,039

an important thing to do

233

00:08:08,790 --> 00:08:05,039

i have heard rumors about the

234

00:08:11,990 --> 00:08:08,800

combination of irish and native american

235

00:08:14,790 --> 00:08:12,000

dna being important and i've got that so

236

00:08:15,830 --> 00:08:14,800

i don't know if that has anything to do

237

00:08:19,510 --> 00:08:15,840

with that i don't know

238

00:08:20,869 --> 00:08:19,520

but i i yeah i just i know that the dna

239

00:08:23,029 --> 00:08:20,879

is important and i know that they

240

00:08:24,869 --> 00:08:23,039

manipulate it and i know that they

241

00:08:26,070 --> 00:08:24,879

continue the manipulation through the

242

00:08:28,150 --> 00:08:26,080

generations right

243

00:08:31,110 --> 00:08:28,160

right right and that's that's kind of

244

00:08:33,110 --> 00:08:31,120

important later on in the story but

245

00:08:34,310 --> 00:08:33,120

you know then you get to the the point

246

00:08:36,389 --> 00:08:34,320

to where you're

247

00:08:38,829 --> 00:08:36,399

you're in a ship and you're in a room

248

00:08:41,750 --> 00:08:38,839

with these other children

249

00:08:43,269 --> 00:08:41,760

um and it kind of it kind of makes me

250

00:08:44,790 --> 00:08:43,279

think of you know like uh

251  
00:08:46,550 --> 00:08:44,800  
you know like in stranger things how

252  
00:08:49,110 --> 00:08:46,560  
they just have like a room of kids

253  
00:08:50,389 --> 00:08:49,120  
yeah you know right and it's almost like

254  
00:08:52,790 --> 00:08:50,399  
you know

255  
00:08:54,470 --> 00:08:52,800  
they're not doing anything to them at

256  
00:08:56,230 --> 00:08:54,480  
that point it's just kind of a room of

257  
00:08:58,230 --> 00:08:56,240  
kids playing with toys and that's

258  
00:08:59,350 --> 00:08:58,240  
that's kind of what popped up in my head

259  
00:09:01,350 --> 00:08:59,360  
maybe it's a

260  
00:09:02,389 --> 00:09:01,360  
you know or in the matrix that room

261  
00:09:05,509 --> 00:09:02,399  
where the

262  
00:09:07,910 --> 00:09:05,519  
neo walks in and there's all these

263  
00:09:08,949 --> 00:09:07,920

gifted children that are kind of right

264

00:09:11,509 --> 00:09:08,959

manipulating

265

00:09:11,990 --> 00:09:11,519

like a spoon or or things like that uh

266

00:09:13,509 --> 00:09:12,000

yeah do you

267

00:09:15,670 --> 00:09:13,519

do you think like maybe there's even the

268

00:09:17,829 --> 00:09:15,680

blocks in that in that scene there's a

269

00:09:19,030 --> 00:09:17,839

kid's playing with blocks that is like

270

00:09:21,990 --> 00:09:19,040

exactly like

271

00:09:22,389 --> 00:09:22,000

what i remember that's right yes yeah

272

00:09:26,070 --> 00:09:22,399

yes

273

00:09:27,750 --> 00:09:26,080

do you have uh

274

00:09:29,190 --> 00:09:27,760

did you maybe have you know i guess we

275

00:09:31,430 --> 00:09:29,200

could speculate all day but do you

276

00:09:33,350 --> 00:09:31,440

have an inkling on maybe like why all

277

00:09:35,030 --> 00:09:33,360

these kids were there like does it kind

278

00:09:35,430 --> 00:09:35,040

of it kind of almost reminds me too of

279

00:09:37,110 --> 00:09:35,440

like

280

00:09:38,470 --> 00:09:37,120

the part in star wars where all the

281

00:09:40,310 --> 00:09:38,480

little kids are training

282

00:09:41,990 --> 00:09:40,320

you know the younglings yeah where all

283

00:09:45,350 --> 00:09:42,000

the jedi are training and it's like

284

00:09:47,829 --> 00:09:45,360

the children you know and it's it's

285

00:09:49,910 --> 00:09:47,839

like i don't i don't know it's it's a

286

00:09:52,070 --> 00:09:49,920

there's a lot to this but i was just

287

00:09:56,389 --> 00:09:52,080

curious about your idea on like maybe

288

00:09:58,790 --> 00:09:56,399

you know why you were there i think that

289

00:10:00,230 --> 00:09:58,800

there are like groups of kids that are

290

00:10:03,430 --> 00:10:00,240

all taken together

291

00:10:05,750 --> 00:10:03,440

and i have contact with some of them

292

00:10:07,509 --> 00:10:05,760

wow you know and i and i know like that

293

00:10:08,470 --> 00:10:07,519

little boy that i saw that walked by i

294

00:10:11,430 --> 00:10:08,480

know him

295

00:10:12,310 --> 00:10:11,440

wow what and i know several other people

296

00:10:15,430 --> 00:10:12,320

that he knew

297

00:10:17,670 --> 00:10:15,440

on ship i know that now too and so that

298

00:10:20,790 --> 00:10:17,680

tells me that i knew them then as well

299

00:10:22,310 --> 00:10:20,800

so yes and then i think that we're just

300

00:10:24,630 --> 00:10:22,320

taking in bunches

301

00:10:26,630 --> 00:10:24,640

like that and and kept kind of in a

302

00:10:29,030 --> 00:10:26,640

almost a classroom

303

00:10:31,190 --> 00:10:29,040

so as we you know grade levels or

304

00:10:34,630 --> 00:10:31,200

whatever as we go through the stages

305

00:10:37,190 --> 00:10:34,640

of contact and and whatever it is

306

00:10:37,990 --> 00:10:37,200

program that we've been subscribed to

307

00:10:41,190 --> 00:10:38,000

right

308

00:10:44,870 --> 00:10:41,200

so um do you did you later in life

309

00:10:47,910 --> 00:10:44,880

uh uh meet these people or how

310

00:10:48,710 --> 00:10:47,920

how did you come to know the these these

311

00:10:50,470 --> 00:10:48,720

children that you

312

00:10:52,470 --> 00:10:50,480

saw when you were a kid and and know

313

00:10:53,509 --> 00:10:52,480

them as an adult was it like in the same

314

00:11:00,230 --> 00:10:53,519

geographic

315

00:11:00,790 --> 00:11:00,240

no it's all been through like or support

316

00:11:04,150 --> 00:11:00,800

groups

317

00:11:06,630 --> 00:11:04,160

that's how i meet these people um the

318

00:11:08,470 --> 00:11:06,640

the first one that i met that i knew i

319

00:11:11,750 --> 00:11:08,480

had seen on ship and that was as an

320

00:11:14,550 --> 00:11:11,760

adult was uh through the cero

321

00:11:15,750 --> 00:11:14,560

that uh what is um i don't even remember

322

00:11:17,430 --> 00:11:15,760

what it's

323

00:11:19,110 --> 00:11:17,440

the what the letters stand for but it's

324

00:11:21,509 --> 00:11:19,120

um uh yvonne smith

325

00:11:23,670 --> 00:11:21,519

group that she hosts in california i'm

326

00:11:26,230 --> 00:11:23,680

not in california but i work with her

327

00:11:27,190 --> 00:11:26,240

so therefore i kind of got adopted into

328

00:11:30,630 --> 00:11:27,200

the group

329

00:11:33,590 --> 00:11:30,640

um and through that i met a man and

330

00:11:35,430 --> 00:11:33,600

um i saw him on ship one night and and i

331

00:11:36,949 --> 00:11:35,440

only knew him from his facebook picture

332

00:11:38,870 --> 00:11:36,959

like hey

333

00:11:40,790 --> 00:11:38,880

i saw you on ship and i sent him a

334

00:11:42,389 --> 00:11:40,800

message and we talked about it and

335

00:11:44,550 --> 00:11:42,399

and he said okay that's interesting my

336

00:11:46,069 --> 00:11:44,560

feet are dirty and that is always an

337

00:11:49,030 --> 00:11:46,079

indication that i've been taken

338

00:11:49,990 --> 00:11:49,040

so you know out walking wow without your

339

00:11:52,470 --> 00:11:50,000

shoes on so

340

00:11:53,430 --> 00:11:52,480

so it was corroborated i really did see

341

00:11:56,949 --> 00:11:53,440

him on ship

342

00:11:59,030 --> 00:11:56,959

that night and um and

343

00:12:00,710 --> 00:11:59,040

years later he decided he wanted to

344

00:12:03,269 --> 00:12:00,720

start his own support group and

345

00:12:05,190 --> 00:12:03,279

brought me in immediately and through

346

00:12:06,710 --> 00:12:05,200

that group i have met several other

347

00:12:07,350 --> 00:12:06,720

people that i know that i have been on

348

00:12:10,550 --> 00:12:07,360

ship with

349

00:12:13,670 --> 00:12:10,560

so and and they know he was you know it

350

00:12:18,230 --> 00:12:13,680

it's almost like this guy has gathered

351

00:12:21,550 --> 00:12:18,240

up that class you know what i mean

352

00:12:23,670 --> 00:12:21,560

yeah it's almost like like a high school

353

00:12:26,710 --> 00:12:23,680

reunion

354

00:12:28,629 --> 00:12:26,720

so wow what i mean what an awesome thing

355

00:12:31,509 --> 00:12:28,639

to have i would guess i mean i

356

00:12:33,110 --> 00:12:31,519

i don't know from experience um no pun

357

00:12:35,509 --> 00:12:33,120

intended but like

358

00:12:36,550 --> 00:12:35,519

uh you know to have other people

359

00:12:39,750 --> 00:12:36,560

corroborate your

360

00:12:42,949 --> 00:12:39,760

your story and be able to talk to them

361

00:12:43,750 --> 00:12:42,959

about hey yeah i saw you literally last

362

00:12:46,150 --> 00:12:43,760

night

363

00:12:47,590 --> 00:12:46,160

has it been kind of i i'd imagine it'd

364

00:12:51,350 --> 00:12:47,600

be pretty healing for all of you

365

00:12:53,269 --> 00:12:51,360

um absolutely yeah yeah so i mean

366

00:12:54,870 --> 00:12:53,279

i know that there's probably plenty of

367

00:12:57,269 --> 00:12:54,880

listeners that are

368

00:12:58,710 --> 00:12:57,279

um you know interested and have have

369

00:13:00,069 --> 00:12:58,720

been through this type of stuff just

370

00:13:03,910 --> 00:13:00,079

really quick while we're on the topic

371

00:13:06,710 --> 00:13:03,920

uh it you you mentioned a uh um

372

00:13:07,590 --> 00:13:06,720

a a group is there is there all kinds of

373

00:13:09,509 --> 00:13:07,600

groups and different

374

00:13:11,509 --> 00:13:09,519

is there like one main thing somebody

375

00:13:14,949 --> 00:13:11,519

could could google and try to find

376

00:13:15,829 --> 00:13:14,959

something in their area um absolutely

377

00:13:18,069 --> 00:13:15,839

they can try i

378

00:13:20,069 --> 00:13:18,079

i find a lot of the groups on facebook

379

00:13:23,190 --> 00:13:20,079

there's there's several of them that i

380

00:13:25,430 --> 00:13:23,200

participate in uh chosen um

381

00:13:27,030 --> 00:13:25,440

et contact i can't even remember the

382

00:13:27,430 --> 00:13:27,040

full name but that is the group that i

383

00:13:29,829 --> 00:13:27,440

just

384

00:13:31,269 --> 00:13:29,839

mentioned um and then there's

385

00:13:33,190 --> 00:13:31,279

experiencers meet

386

00:13:34,389 --> 00:13:33,200

which is another one so if you're going

387

00:13:36,629 --> 00:13:34,399

to be doing a search

388

00:13:38,550 --> 00:13:36,639

look up the words experienter look up

389

00:13:41,590 --> 00:13:38,560

the words contact d

390

00:13:43,189 --> 00:13:41,600

abductee and support group and i am sure

391

00:13:45,430 --> 00:13:43,199

that a whole bunch of stuff is going to

392

00:13:46,629 --> 00:13:45,440

come out wow you're going to find

393

00:13:49,509 --> 00:13:46,639

you're going to find the support that

394

00:13:50,870 --> 00:13:49,519

you and that's absolutely key

395

00:13:52,870 --> 00:13:50,880

for people that are going through these

396

00:13:56,710 --> 00:13:52,880

things absolutely

397

00:13:58,389 --> 00:13:56,720

so i want to know you know to unpack a

398

00:14:00,230 --> 00:13:58,399

lot of this stuff i think this is kind

399

00:14:05,110 --> 00:14:00,240

of like the core of it right here is

400

00:14:07,189 --> 00:14:05,120

is when for you was it

401  
00:14:09,030 --> 00:14:07,199  
obvious that something was going on

402  
00:14:09,910 --> 00:14:09,040  
because a lot of times we hear stories

403  
00:14:11,110 --> 00:14:09,920  
about like yeah

404  
00:14:13,350 --> 00:14:11,120  
this stuff has happened to me while i

405  
00:14:16,069 --> 00:14:13,360  
was a child i didn't even realize it

406  
00:14:18,550 --> 00:14:16,079  
until i was 33 years old or something

407  
00:14:19,110 --> 00:14:18,560  
like that you know was there a moment

408  
00:14:21,750 --> 00:14:19,120  
for you

409  
00:14:22,310 --> 00:14:21,760  
like an aha moment like oh my goodness

410  
00:14:26,310 --> 00:14:22,320  
this is

411  
00:14:29,990 --> 00:14:26,320  
actually happening to me now

412  
00:14:32,150 --> 00:14:30,000  
yes i was 19 and so that's a little

413  
00:14:33,269 --> 00:14:32,160

earlier than a lot of experiences it is

414

00:14:34,710 --> 00:14:33,279

around 30s

415

00:14:36,470 --> 00:14:34,720

that it starts coming out so i was

416

00:14:39,670 --> 00:14:36,480

around 19 years old

417

00:14:40,710 --> 00:14:39,680

i was in college i happened to see that

418

00:14:43,509 --> 00:14:40,720

there was going to be an

419

00:14:44,470 --> 00:14:43,519

interview or not an interview but a a

420

00:14:46,150 --> 00:14:44,480

lecture

421

00:14:47,750 --> 00:14:46,160

by a guy talking about ufos and i

422

00:14:49,110 --> 00:14:47,760

thought that'd be kind of cool to go

423

00:14:51,590 --> 00:14:49,120

watch so i did

424

00:14:53,430 --> 00:14:51,600

it was stanton freeman i had no idea at

425

00:14:56,550 --> 00:14:53,440

the time who he was

426

00:14:58,550 --> 00:14:56,560

um and and i left

427

00:15:00,310 --> 00:14:58,560

that lecture that night absolutely

428

00:15:01,269 --> 00:15:00,320

terrified and i had no reason to be

429

00:15:04,629 --> 00:15:01,279

terrified

430

00:15:06,949 --> 00:15:04,639

and uh my boyfriend and i at the time

431

00:15:08,550 --> 00:15:06,959

had walked from our apartment to this

432

00:15:09,990 --> 00:15:08,560

thing and we get out and it's dark and

433

00:15:13,910 --> 00:15:10,000

now i'm walking home

434

00:15:15,030 --> 00:15:13,920

in the dark and completely afraid to

435

00:15:17,189 --> 00:15:15,040

look at the sky

436

00:15:18,069 --> 00:15:17,199

oh wow i could not i could not look at

437

00:15:20,389 --> 00:15:18,079

the sky i was

438

00:15:22,069 --> 00:15:20,399

i didn't know just kept my eyes focused

439

00:15:25,110 --> 00:15:22,079

on the ground i couldn't do it

440

00:15:26,710 --> 00:15:25,120

um that night there was a bright light

441

00:15:28,310 --> 00:15:26,720

through the window and a big like i

442

00:15:30,389 --> 00:15:28,320

don't know if it blew up a

443

00:15:31,749 --> 00:15:30,399

thing on the electrical lines or

444

00:15:32,949 --> 00:15:31,759

whatever one of those things the

445

00:15:34,710 --> 00:15:32,959

transformer

446

00:15:36,790 --> 00:15:34,720

blew up as well but the light was

447

00:15:38,310 --> 00:15:36,800

shining in the room first so i knew that

448

00:15:41,350 --> 00:15:38,320

something was going on and it was at

449

00:15:44,629 --> 00:15:41,360

that point that it just it kind of all

450

00:15:45,110 --> 00:15:44,639

came together like i really think that i

451  
00:15:46,949 --> 00:15:45,120  
have

452  
00:15:48,310 --> 00:15:46,959  
been suffering from this and i didn't

453  
00:15:50,230 --> 00:15:48,320  
really have

454  
00:15:51,829 --> 00:15:50,240  
too many indications before that except

455  
00:15:53,030 --> 00:15:51,839  
for some very strange things that

456  
00:15:55,509 --> 00:15:53,040  
happened to me

457  
00:15:56,310 --> 00:15:55,519  
from childhood up through my teenage

458  
00:15:58,230 --> 00:15:56,320  
years

459  
00:15:59,590 --> 00:15:58,240  
you know culminating in that hey pay

460  
00:16:03,030 --> 00:15:59,600  
attention we're trying to get

461  
00:16:04,790 --> 00:16:03,040  
you wake up you know and it was at that

462  
00:16:06,710 --> 00:16:04,800  
time that

463  
00:16:08,310 --> 00:16:06,720

memories started coming back and i would

464

00:16:11,509 --> 00:16:08,320

i would have experiences

465

00:16:13,590 --> 00:16:11,519

and as the years went on more and more

466

00:16:16,870 --> 00:16:13,600

contact that i was aware of

467

00:16:18,870 --> 00:16:16,880

uh sometimes while awake uh and

468

00:16:20,389 --> 00:16:18,880

and yeah it kind of blossomed from there

469

00:16:22,949 --> 00:16:20,399

but it really was early

470

00:16:24,230 --> 00:16:22,959

in comparison to other experiences yeah

471

00:16:26,550 --> 00:16:24,240

it definitely seems like it

472

00:16:27,749 --> 00:16:26,560

did you know about like your your

473

00:16:30,550 --> 00:16:27,759

family's uh

474

00:16:31,910 --> 00:16:30,560

experience before or after you had this

475

00:16:33,749 --> 00:16:31,920

kind of aha moment

476

00:16:35,670 --> 00:16:33,759

was it after you started digging and

477

00:16:39,910 --> 00:16:35,680

then found out about it

478

00:16:42,150 --> 00:16:39,920

it was after it was after i actually

479

00:16:44,710 --> 00:16:42,160

it was i was pregnant with my first

480

00:16:48,230 --> 00:16:44,720

child so i was 20

481

00:16:50,710 --> 00:16:48,240

years old so this was right after um

482

00:16:52,389 --> 00:16:50,720

that lecture i'm living with my

483

00:16:53,749 --> 00:16:52,399

grandmother and my aunt because i didn't

484

00:16:56,790 --> 00:16:53,759

know what else to do and

485

00:16:58,230 --> 00:16:56,800

uh we my grandmother and i would watch

486

00:17:00,150 --> 00:16:58,240

what is it ufo files

487

00:17:02,310 --> 00:17:00,160

what that show that was on all the time

488

00:17:04,789 --> 00:17:02,320

in the in the mid 90s and

489

00:17:05,909 --> 00:17:04,799

um and we loved it and then she would

490

00:17:08,949 --> 00:17:05,919

tell me stories

491

00:17:09,510 --> 00:17:08,959

about my grandfather one main one and

492

00:17:12,069 --> 00:17:09,520

that was

493

00:17:13,429 --> 00:17:12,079

you know he was courting her they were

494

00:17:16,230 --> 00:17:13,439

in their teens

495

00:17:18,470 --> 00:17:16,240

and it would have been 1930s something

496

00:17:20,230 --> 00:17:18,480

like that in a very small town in texas

497

00:17:23,270 --> 00:17:20,240

where there's no street lights

498

00:17:24,309 --> 00:17:23,280

and he was walking home in the dark uh

499

00:17:26,390 --> 00:17:24,319

very sick

500

00:17:27,429 --> 00:17:26,400

by the way he had tonsillitis bronchitis

501  
00:17:29,830 --> 00:17:27,439  
something like that just

502  
00:17:30,789 --> 00:17:29,840  
you know nasty respiratory infection

503  
00:17:32,870 --> 00:17:30,799  
going on

504  
00:17:34,390 --> 00:17:32,880  
and a light came down from the sky

505  
00:17:38,150 --> 00:17:34,400  
shined upon him

506  
00:17:40,549 --> 00:17:38,160  
and he ran because what is that

507  
00:17:41,430 --> 00:17:40,559  
yeah and he runs all the way home runs

508  
00:17:43,029 --> 00:17:41,440  
in the bedroom

509  
00:17:44,390 --> 00:17:43,039  
dives under the covers but the light is

510  
00:17:45,110 --> 00:17:44,400  
still coming through the windows he

511  
00:17:46,310 --> 00:17:45,120  
falls asleep

512  
00:17:49,350 --> 00:17:46,320  
wakes up in the morning and he's

513  
00:17:52,789 --> 00:17:49,360

completely cured oh wow

514

00:17:55,350 --> 00:17:52,799

yeah and so i knew that story at 20.

515

00:17:55,990 --> 00:17:55,360

wow that's great that's great so i mean

516

00:17:59,029 --> 00:17:56,000

this

517

00:18:00,390 --> 00:17:59,039

i guess that still happened when you

518

00:18:02,390 --> 00:18:00,400

were young uh

519

00:18:03,830 --> 00:18:02,400

you had talked about we always hear

520

00:18:06,230 --> 00:18:03,840

about missing time

521

00:18:07,350 --> 00:18:06,240

right but you have an interesting story

522

00:18:11,350 --> 00:18:07,360

about

523

00:18:14,390 --> 00:18:11,360

additional time oh yes that was

524

00:18:16,710 --> 00:18:14,400

that was in the middle of what what is

525

00:18:18,310 --> 00:18:16,720

known as high strangeness so many things

526

00:18:20,070 --> 00:18:18,320

were happening to me at this time i

527

00:18:23,350 --> 00:18:20,080

think i was 16

528

00:18:25,029 --> 00:18:23,360

and i was dating a guy who was

529

00:18:26,950 --> 00:18:25,039

kind of far out of town i was at his

530

00:18:28,789 --> 00:18:26,960

house my father said be home at this

531

00:18:31,350 --> 00:18:28,799

particular time

532

00:18:33,110 --> 00:18:31,360

time got away from me like oh crap i'm

533

00:18:34,789 --> 00:18:33,120

late so i get in the car and i drive

534

00:18:39,270 --> 00:18:34,799

home

535

00:18:42,789 --> 00:18:39,280

earlier

536

00:18:43,350 --> 00:18:42,799

than when i left what my boyfriend's

537

00:18:46,390 --> 00:18:43,360

house

538

00:18:48,390 --> 00:18:46,400

so i don't have any memories

539

00:18:50,070 --> 00:18:48,400

wow of the drive i just know that i got

540

00:18:51,350 --> 00:18:50,080

home and i got home early and i was like

541

00:18:54,789 --> 00:18:51,360

that's crazy but

542

00:18:57,110 --> 00:18:54,799

yes i'm not in trouble i was so excited

543

00:18:58,070 --> 00:18:57,120

somebody was looking out for you yeah

544

00:19:00,630 --> 00:18:58,080

absolutely

545

00:19:01,510 --> 00:19:00,640

i do have very strange dreams about the

546

00:19:05,190 --> 00:19:01,520

car

547

00:19:07,990 --> 00:19:05,200

sky and so i suspect

548

00:19:09,029 --> 00:19:08,000

that i just wonder what happened and i

549

00:19:12,549 --> 00:19:09,039

haven't

550

00:19:15,430 --> 00:19:12,559

regressions i don't remember

551  
00:19:17,190 --> 00:19:15,440  
anything from that time but um i really

552  
00:19:20,390 --> 00:19:17,200  
suspect something happened

553  
00:19:22,230 --> 00:19:20,400  
wow something had to happen yeah

554  
00:19:24,070 --> 00:19:22,240  
yeah definitely definitely because i

555  
00:19:26,310 --> 00:19:24,080  
mean you always hear stories about

556  
00:19:27,430 --> 00:19:26,320  
you know the missing time or or you know

557  
00:19:29,590 --> 00:19:27,440  
people being taken

558  
00:19:32,230 --> 00:19:29,600  
and then put them put back but they're

559  
00:19:34,470 --> 00:19:32,240  
not like put back in the same spot

560  
00:19:36,150 --> 00:19:34,480  
that's really interesting for like you

561  
00:19:37,830 --> 00:19:36,160  
know it's like oh yeah you

562  
00:19:39,990 --> 00:19:37,840  
we can not only put you back in the

563  
00:19:40,870 --> 00:19:40,000

wrong spot but we can also put you back

564

00:19:43,909 --> 00:19:40,880

at the wrong time

565

00:19:46,710 --> 00:19:43,919

time you know right exactly

566

00:19:49,270 --> 00:19:46,720

exactly they they're not as precise as

567

00:19:51,430 --> 00:19:49,280

as they would like to be i don't think

568

00:19:52,870 --> 00:19:51,440

it's kind of like it's some i mean for a

569

00:19:54,950 --> 00:19:52,880

lack of a better word a little

570

00:19:58,070 --> 00:19:54,960

humanizing to know that

571

00:20:02,149 --> 00:19:58,080

that these entities are capable of

572

00:20:02,549 --> 00:20:02,159

of mistakes yeah absolutely absolutely

573

00:20:06,470 --> 00:20:02,559

they

574

00:20:09,110 --> 00:20:06,480

uh

575

00:20:11,510 --> 00:20:09,120

it just it really does bring that

576  
00:20:13,909 --> 00:20:11,520  
characteristic of their not robots these

577  
00:20:15,350 --> 00:20:13,919  
these are creatures with flaws and

578  
00:20:16,710 --> 00:20:15,360  
they're just trying to get along just

579  
00:20:18,149 --> 00:20:16,720  
like we are

580  
00:20:20,149 --> 00:20:18,159  
interested however their agendas are

581  
00:20:22,470 --> 00:20:20,159  
different than ours

582  
00:20:24,390 --> 00:20:22,480  
yeah that's a really cool thought um i

583  
00:20:27,029 --> 00:20:24,400  
mean i love that idea that that

584  
00:20:27,669 --> 00:20:27,039  
some of these creatures or entities are

585  
00:20:30,710 --> 00:20:27,679  
are

586  
00:20:34,310 --> 00:20:30,720  
bio electric kind of robot

587  
00:20:37,350 --> 00:20:34,320  
half a hybrid alive and

588  
00:20:37,750 --> 00:20:37,360

robotic but yeah it kind of just opens

589

00:20:41,590 --> 00:20:37,760

your

590

00:20:44,710 --> 00:20:41,600

how many different

591

00:20:46,070 --> 00:20:44,720

types or species or or different types

592

00:20:47,669 --> 00:20:46,080

of things that are out there and like

593

00:20:50,870 --> 00:20:47,679

yeah maybe there have been

594

00:20:54,149 --> 00:20:50,880

robotic type biological beings

595

00:20:56,310 --> 00:20:54,159

but uh yeah this is definitely

596

00:20:57,669 --> 00:20:56,320

some some witness proof and testimony i

597

00:20:58,710 --> 00:20:57,679

mean you're not the only one that's kind

598

00:21:00,789 --> 00:20:58,720

of

599

00:21:02,710 --> 00:21:00,799

that has has witnessed little mistakes

600

00:21:05,590 --> 00:21:02,720

and stuff like this

601  
00:21:06,230 --> 00:21:05,600  
right yeah so that's super interesting

602  
00:21:08,310 --> 00:21:06,240  
um

603  
00:21:09,590 --> 00:21:08,320  
yeah so speaking of of species i know i

604  
00:21:12,470 --> 00:21:09,600  
i brought it up but

605  
00:21:14,149 --> 00:21:12,480  
uh on your cover uh it it uh if we could

606  
00:21:17,669 --> 00:21:14,159  
talk about your cover really quick

607  
00:21:19,029 --> 00:21:17,679  
um it uh uh what i'm seeing is a ship in

608  
00:21:21,990 --> 00:21:19,039  
the sky and then

609  
00:21:22,950 --> 00:21:22,000  
um a beam of light coming down to a gray

610  
00:21:24,710 --> 00:21:22,960  
type alien

611  
00:21:26,070 --> 00:21:24,720  
um is that is that something that's

612  
00:21:28,630 --> 00:21:26,080  
special to you is that a specif

613  
00:21:30,870 --> 00:21:28,640

specific entity that you've met or can

614

00:21:33,350 --> 00:21:30,880

you maybe talk about that a little bit

615

00:21:34,950 --> 00:21:33,360

that i did that painting back in i think

616

00:21:38,230 --> 00:21:34,960

it was around 2002

617

00:21:40,950 --> 00:21:38,240

and i was really starting to

618

00:21:42,789 --> 00:21:40,960

uncover things and have memories you

619

00:21:45,430 --> 00:21:42,799

know upon waking

620

00:21:47,190 --> 00:21:45,440

you know not losing contact if that

621

00:21:49,830 --> 00:21:47,200

makes any sense it wasn't being

622

00:21:50,470 --> 00:21:49,840

completely drowned out in my memories i

623

00:21:53,110 --> 00:21:50,480

i had

624

00:21:54,870 --> 00:21:53,120

conscious content i guess you could say

625

00:21:57,830 --> 00:21:54,880

anyways the the painting there

626  
00:21:58,950 --> 00:21:57,840  
is a representation of my understanding

627  
00:22:02,149 --> 00:21:58,960  
and saying okay yes this

628  
00:22:05,830 --> 00:22:02,159  
is happening okay uh the being itself

629  
00:22:07,270 --> 00:22:05,840  
uh was the i mean it looks like she's

630  
00:22:09,510 --> 00:22:07,280  
wearing a dress and i know that i've

631  
00:22:11,909 --> 00:22:09,520  
never seen a being like that

632  
00:22:13,669 --> 00:22:11,919  
but i think um you know thinking back on

633  
00:22:16,950 --> 00:22:13,679  
it the the

634  
00:22:19,669 --> 00:22:16,960  
entity that comes to me most often is

635  
00:22:20,549 --> 00:22:19,679  
of feels like a female she has been very

636  
00:22:21,990 --> 00:22:20,559  
comforting

637  
00:22:23,750 --> 00:22:22,000  
and i think that was my way of

638  
00:22:26,149 --> 00:22:23,760

expressing it at the time

639

00:22:27,350 --> 00:22:26,159

and i may not have understood that while

640

00:22:29,990 --> 00:22:27,360

i was doing it but

641

00:22:31,029 --> 00:22:30,000

awesome yeah one thing one thing that

642

00:22:33,990 --> 00:22:31,039

you had said that was

643

00:22:35,510 --> 00:22:34,000

super interesting was you know talking

644

00:22:37,750 --> 00:22:35,520

about the experience

645

00:22:38,950 --> 00:22:37,760

and you were trying to wrap your own

646

00:22:40,630 --> 00:22:38,960

head around the thought

647

00:22:42,230 --> 00:22:40,640

but you know you had you had made the

648

00:22:45,190 --> 00:22:42,240

connection between like

649

00:22:47,029 --> 00:22:45,200

you know a small child and a dog if it

650

00:22:48,789 --> 00:22:47,039

pulls the dog's tail

651  
00:22:50,230 --> 00:22:48,799  
you know this dog might react in a way

652  
00:22:53,510 --> 00:22:50,240  
you don't want it to

653  
00:22:55,590 --> 00:22:53,520  
and you you know you related it to us

654  
00:22:57,990 --> 00:22:55,600  
and how maybe we just don't understand

655  
00:22:59,029 --> 00:22:58,000  
how to interact with these things and it

656  
00:23:01,190 --> 00:22:59,039  
leads to

657  
00:23:04,070 --> 00:23:01,200  
you know maybe a not so positive

658  
00:23:07,430 --> 00:23:04,080  
experience all the time

659  
00:23:10,230 --> 00:23:07,440  
you know yeah um lately i've

660  
00:23:11,510 --> 00:23:10,240  
as i've been trying to one of the

661  
00:23:13,510 --> 00:23:11,520  
difficult things about this is not

662  
00:23:15,510 --> 00:23:13,520  
having a language in which we can

663  
00:23:16,549 --> 00:23:15,520

really express what what we're going

664

00:23:19,830 --> 00:23:16,559

through but

665

00:23:21,029 --> 00:23:19,840

as um time goes by and i'm doing more

666

00:23:23,110 --> 00:23:21,039

shows and talking

667

00:23:24,470 --> 00:23:23,120

out loud about these things more and

668

00:23:26,310 --> 00:23:24,480

more i've got

669

00:23:28,870 --> 00:23:26,320

really negative scary experiences that

670

00:23:31,510 --> 00:23:28,880

i've had they're horrible

671

00:23:32,470 --> 00:23:31,520

horrible awful things that have happened

672

00:23:37,750 --> 00:23:32,480

and then i've had

673

00:23:39,350 --> 00:23:37,760

amazing loving just life fulfilling

674

00:23:41,510 --> 00:23:39,360

just i don't know i can't even describe

675

00:23:43,830 --> 00:23:41,520

it experiences

676  
00:23:45,430 --> 00:23:43,840  
and then i've had the ones that were i

677  
00:23:49,269 --> 00:23:45,440  
was afraid

678  
00:23:50,549 --> 00:23:49,279  
necessarily mean they were awful and bad

679  
00:23:52,470 --> 00:23:50,559  
and evil

680  
00:23:54,070 --> 00:23:52,480  
so to speak right they could have been

681  
00:23:57,430 --> 00:23:54,080  
very loving i was just

682  
00:23:58,950 --> 00:23:57,440  
afraid and and and those are the times

683  
00:24:00,950 --> 00:23:58,960  
that it can be

684  
00:24:02,070 --> 00:24:00,960  
you know take a second calm yourself

685  
00:24:03,750 --> 00:24:02,080  
down

686  
00:24:05,510 --> 00:24:03,760  
you really need to be afraid right now

687  
00:24:07,110 --> 00:24:05,520  
and um

688  
00:24:08,950 --> 00:24:07,120

through the processing of the traumas

689

00:24:09,669 --> 00:24:08,960

and the fears and everything i think

690

00:24:12,149 --> 00:24:09,679

that

691

00:24:14,070 --> 00:24:12,159

because i have done those things i'm

692

00:24:16,870 --> 00:24:14,080

just able to remember more

693

00:24:18,630 --> 00:24:16,880

comprehend more and communicate more

694

00:24:20,390 --> 00:24:18,640

than i could when i was little

695

00:24:21,669 --> 00:24:20,400

right definitely do you think that these

696

00:24:25,750 --> 00:24:21,679

experiences

697

00:24:27,669 --> 00:24:25,760

uh are by all the same type of

698

00:24:29,190 --> 00:24:27,679

entity or being or do you think that

699

00:24:31,350 --> 00:24:29,200

they're completely different and that's

700

00:24:33,190 --> 00:24:31,360

why the experiences themselves are maybe

701  
00:24:36,230 --> 00:24:33,200  
different

702  
00:24:37,830 --> 00:24:36,240  
uh yes actually i think that is very

703  
00:24:39,110 --> 00:24:37,840  
much the case and there are some

704  
00:24:41,110 --> 00:24:39,120  
experiences i have where there's

705  
00:24:45,029 --> 00:24:41,120  
multiple types of beings

706  
00:24:48,710 --> 00:24:45,039  
um yeah the the most

707  
00:24:50,950 --> 00:24:48,720  
amazing feeling experience i had i was

708  
00:24:52,390 --> 00:24:50,960  
oh i had been about 27 because my

709  
00:24:54,630 --> 00:24:52,400  
youngest was two

710  
00:24:55,669 --> 00:24:54,640  
i was visiting my mother in colorado we

711  
00:25:00,310 --> 00:24:55,679  
were outside

712  
00:25:02,789 --> 00:25:00,320  
watching i think it was the landed um

713  
00:25:03,430 --> 00:25:02,799

meteor shower and i got that feeling

714

00:25:05,510 --> 00:25:03,440

like oh

715

00:25:07,029 --> 00:25:05,520

they're coming it's kind of like a

716

00:25:09,750 --> 00:25:07,039

sinking uncomfortable

717

00:25:12,390 --> 00:25:09,760

feeling in the body which feels very

718

00:25:13,350 --> 00:25:12,400

much like anxiety and it's like oh crap

719

00:25:16,070 --> 00:25:13,360

now i've got to go

720

00:25:17,909 --> 00:25:16,080

and protect myself but that day i was

721

00:25:19,830 --> 00:25:17,919

determined to stay awake like no

722

00:25:21,190 --> 00:25:19,840

all right i know you're coming i know

723

00:25:22,710 --> 00:25:21,200

you're going to come for me and i am

724

00:25:24,149 --> 00:25:22,720

going to stay up and i'm going to see

725

00:25:27,669 --> 00:25:24,159

you come through that door

726

00:25:30,710 --> 00:25:27,679

wow and i did and i stayed awake

727

00:25:32,310 --> 00:25:30,720

and um it was funny my brother's cat was

728

00:25:33,590 --> 00:25:32,320

pacing back and forth in front of the

729

00:25:35,029 --> 00:25:33,600

doorway

730

00:25:36,390 --> 00:25:35,039

like he was like protecting me or

731

00:25:36,950 --> 00:25:36,400

something he just paced back forth back

732

00:25:40,549 --> 00:25:36,960

and forth

733

00:25:41,430 --> 00:25:40,559

oh my gosh yeah it was like 3 30 or

734

00:25:43,510 --> 00:25:41,440

something

735

00:25:45,990 --> 00:25:43,520

around then when these creatures came in

736

00:25:49,510 --> 00:25:46,000

and they were a gray type

737

00:25:50,310 --> 00:25:49,520

you know the very thin body and arms and

738

00:25:52,310 --> 00:25:50,320

legs and the

739

00:25:53,350 --> 00:25:52,320

large head and the large eyes but they

740

00:25:56,230 --> 00:25:53,360

were

741

00:25:57,990 --> 00:25:56,240

really small maybe three feet wow well

742

00:25:59,830 --> 00:25:58,000

they were very small and they moved in a

743

00:26:02,630 --> 00:25:59,840

very childlike fashion

744

00:26:03,029 --> 00:26:02,640

and as soon as they entered the room i

745

00:26:05,990 --> 00:26:03,039

was

746

00:26:08,230 --> 00:26:06,000

filled with this amazing feeling of

747

00:26:10,070 --> 00:26:08,240

unconditional love

748

00:26:11,590 --> 00:26:10,080

like i don't know if i've ever been able

749

00:26:15,029 --> 00:26:11,600

to feel that again

750

00:26:17,669 --> 00:26:15,039

and and they just came in and i was

751

00:26:19,190 --> 00:26:17,679

just overjoyed and uh one of those

752

00:26:21,029 --> 00:26:19,200

beings actually crawled up on the bed

753

00:26:23,350 --> 00:26:21,039

with me put his hand

754

00:26:24,230 --> 00:26:23,360

up on my chest and told me that i would

755

00:26:27,830 --> 00:26:24,240

have a

756

00:26:31,029 --> 00:26:27,840

lump at in 37 and i can never

757

00:26:35,029 --> 00:26:31,039

figure out what is 37 37 years 37 days

758

00:26:37,350 --> 00:26:35,039

37 moons what is he talking about

759

00:26:38,310 --> 00:26:37,360

however at the age of 37 i did have a

760

00:26:40,310 --> 00:26:38,320

lump that

761

00:26:42,230 --> 00:26:40,320

uh in my breast that needed to be looked

762

00:26:44,070 --> 00:26:42,240

at that ended up being benign and not a

763

00:26:45,830 --> 00:26:44,080

big deal but

764

00:26:47,350 --> 00:26:45,840

it's almost like he gave me proof like

765

00:26:48,549 --> 00:26:47,360

no we're serious and we're real and this

766

00:26:52,470 --> 00:26:48,559

is gonna happen

767

00:26:53,190 --> 00:26:52,480

wow so man i kind of want to unpack

768

00:26:56,310 --> 00:26:53,200

unpack that

769

00:27:00,230 --> 00:26:56,320

for a second so you're you're 20

770

00:27:02,870 --> 00:27:00,240

and you're 27 27 years old and

771

00:27:04,549 --> 00:27:02,880

you decide oh i'm gonna stay awake uh

772

00:27:07,190 --> 00:27:04,559

even though you felt this

773

00:27:08,710 --> 00:27:07,200

moment of dread or that sinking feeling

774

00:27:11,750 --> 00:27:08,720

you're talking about

775

00:27:13,750 --> 00:27:11,760

um and and so are you the only one in

776

00:27:16,310 --> 00:27:13,760

the in in the bedroom at this moment or

777

00:27:17,590 --> 00:27:16,320

are you with another person that could

778

00:27:20,630 --> 00:27:17,600

could have possibly

779

00:27:20,870 --> 00:27:20,640

uh witnessed this as well like what was

780

00:27:30,710 --> 00:27:20,880

the

781

00:27:33,110 --> 00:27:30,720

all by myself

782

00:27:34,389 --> 00:27:33,120

yeah right so that that it's almost like

783

00:27:36,630 --> 00:27:34,399

uh they

784

00:27:38,389 --> 00:27:36,640

knew you were going to be alone and they

785

00:27:40,470 --> 00:27:38,399

were kind of giving you a heads up like

786

00:27:42,389 --> 00:27:40,480

hey we're coming to visit tonight

787

00:27:43,669 --> 00:27:42,399

that's what it kind of sounds like to me

788

00:27:46,950 --> 00:27:43,679

like maybe

789

00:27:48,310 --> 00:27:46,960

yes i mean they didn't have to signal me

790

00:27:50,070 --> 00:27:48,320

right and make me feel like they were

791

00:27:53,510 --> 00:27:50,080

coming yeah

792

00:27:56,710 --> 00:27:53,520

yeah so um have you

793

00:27:59,190 --> 00:27:56,720

experienced like a a a side effect of

794

00:28:00,149 --> 00:27:59,200

almost clairvoyance uh since this

795

00:28:04,230 --> 00:28:00,159

started happening

796

00:28:06,149 --> 00:28:04,240

it's literally them sending you

797

00:28:07,590 --> 00:28:06,159

messages or have you experienced

798

00:28:08,870 --> 00:28:07,600

anything like that being able to tell

799

00:28:12,310 --> 00:28:08,880

like hey something bad's

800

00:28:16,149 --> 00:28:12,320

gonna happen or or is it always just uh

801  
00:28:19,909 --> 00:28:16,159  
you know when you are visited

802  
00:28:22,470 --> 00:28:19,919  
i tend to have access to that kind of

803  
00:28:24,630 --> 00:28:22,480  
information at all times

804  
00:28:26,389 --> 00:28:24,640  
not saying that i'm constantly living in

805  
00:28:28,630 --> 00:28:26,399  
visions or anything but if i

806  
00:28:30,310 --> 00:28:28,640  
want some information and i want to

807  
00:28:32,470 --> 00:28:30,320  
reach out and

808  
00:28:33,590 --> 00:28:32,480  
feel something knows something i can do

809  
00:28:36,389 --> 00:28:33,600  
that

810  
00:28:36,870 --> 00:28:36,399  
i do a lot of tarot readings i've done

811  
00:28:38,630 --> 00:28:36,880  
you know

812  
00:28:40,630 --> 00:28:38,640  
a lot of shamanic work with energy

813  
00:28:42,310 --> 00:28:40,640

manipulation and a lot of that has to do

814

00:28:45,350 --> 00:28:42,320

with

815

00:28:48,549 --> 00:28:45,360

visions and seeing things uh

816

00:28:49,909 --> 00:28:48,559

and i think that i don't know if it has

817

00:28:51,590 --> 00:28:49,919

to do with the genetic

818

00:28:53,990 --> 00:28:51,600

manipulation i don't know if it has to

819

00:28:54,870 --> 00:28:54,000

do with the actual physical act of

820

00:28:58,070 --> 00:28:54,880

contact and

821

00:29:01,430 --> 00:28:58,080

and communication with an uh alien

822

00:29:04,710 --> 00:29:01,440

race i don't know what turns it on

823

00:29:06,470 --> 00:29:04,720

but i think that most experiencers

824

00:29:08,310 --> 00:29:06,480

are going to be in the very least

825

00:29:09,510 --> 00:29:08,320

empathic unless they're going to be

826

00:29:11,190 --> 00:29:09,520

telepathic

827

00:29:13,269 --> 00:29:11,200

many are going to have the visions and

828

00:29:15,750 --> 00:29:13,279

like clear audience

829

00:29:16,389 --> 00:29:15,760

and um you know all of those things and

830

00:29:18,710 --> 00:29:16,399

um

831

00:29:19,510 --> 00:29:18,720

yeah yeah and it's so strange too

832

00:29:22,470 --> 00:29:19,520

because it's like

833

00:29:22,870 --> 00:29:22,480

most of the people you know they're just

834

00:29:26,470 --> 00:29:22,880

so

835

00:29:28,389 --> 00:29:26,480

like it's just very unexpected

836

00:29:29,510 --> 00:29:28,399

like it's such an unexpected thing to

837

00:29:31,350 --> 00:29:29,520

happen and

838

00:29:33,269 --> 00:29:31,360

and even though like it may have been

839

00:29:35,269 --> 00:29:33,279

happening for a very long time

840

00:29:37,190 --> 00:29:35,279

i mean you look at you know uh eric

841

00:29:38,310 --> 00:29:37,200

mittell or terry lovelace you know

842

00:29:40,789 --> 00:29:38,320

who's uh you know

843

00:29:41,430 --> 00:29:40,799

as i understand was a a a part in this

844

00:29:44,230 --> 00:29:41,440

book

845

00:29:45,669 --> 00:29:44,240

as well uh i mean you know it's just one

846

00:29:47,110 --> 00:29:45,679

of those things where you know this

847

00:29:49,190 --> 00:29:47,120

this stuff seems to be happening to

848

00:29:51,430 --> 00:29:49,200

people and and and

849

00:29:52,230 --> 00:29:51,440

it kind of fascinates me that it's like

850

00:29:54,470 --> 00:29:52,240

i didn't know

851

00:29:56,630 --> 00:29:54,480

anything about this i didn't ask for it

852

00:29:58,230 --> 00:29:56,640

i didn't want it

853

00:30:01,990 --> 00:29:58,240

and then come to find out this has been

854

00:30:05,350 --> 00:30:02,000

happening to me for a very long time

855

00:30:07,430 --> 00:30:05,360

right yes it can be very shocking when

856

00:30:09,750 --> 00:30:07,440

you only have one instance in your mind

857

00:30:12,389 --> 00:30:09,760

okay this happened this once

858

00:30:13,909 --> 00:30:12,399

and you know me being myself if you were

859

00:30:15,350 --> 00:30:13,919

to tell me man i was abducted this one

860

00:30:18,710 --> 00:30:15,360

time i'm like uh-huh

861

00:30:20,549 --> 00:30:18,720

right yeah just that one yeah

862

00:30:22,149 --> 00:30:20,559

do you i've actually gotten to the point

863

00:30:23,909 --> 00:30:22,159

where if if somebody

864

00:30:25,430 --> 00:30:23,919

sees a ship and tells me about it i'm

865

00:30:28,549 --> 00:30:25,440

like um uh-huh

866

00:30:28,950 --> 00:30:28,559

oh can you can you elaborate on that

867

00:30:31,510 --> 00:30:28,960

because

868

00:30:32,310 --> 00:30:31,520

me and joe have both seen some pretty

869

00:30:35,029 --> 00:30:32,320

weird stuff

870

00:30:35,990 --> 00:30:35,039

uh not only like by ourselves before we

871

00:30:38,470 --> 00:30:36,000

started this podcast

872

00:30:39,190 --> 00:30:38,480

but we actually think we saw some

873

00:30:41,510 --> 00:30:39,200

something on

874

00:30:42,389 --> 00:30:41,520

very unusual in the sky in sedona last

875

00:30:44,789 --> 00:30:42,399

year

876

00:30:46,310 --> 00:30:44,799

so what you mean is like if you've seen

877

00:30:48,870 --> 00:30:46,320

a craft there's

878

00:30:50,549 --> 00:30:48,880

there's probably more to the story or or

879

00:30:53,029 --> 00:30:50,559

what do you mean by that

880

00:30:54,789 --> 00:30:53,039

that is exactly what i mean i they do

881

00:30:57,830 --> 00:30:54,799

not have to show themselves

882

00:30:58,870 --> 00:30:57,840

yeah they do not have to allow anybody

883

00:31:01,509 --> 00:30:58,880

to know anything

884

00:31:03,990 --> 00:31:01,519

that's going on whether that's in a ship

885

00:31:06,789 --> 00:31:04,000

whether that's in your bedroom

886

00:31:08,310 --> 00:31:06,799

whatever they don't they can allow you

887

00:31:10,710 --> 00:31:08,320

to know or they can keep it

888

00:31:12,310 --> 00:31:10,720

quiet right and so i think every time

889

00:31:13,590 --> 00:31:12,320

that they show something like that is

890

00:31:16,389 --> 00:31:13,600

for a purpose

891

00:31:18,070 --> 00:31:16,399

right and i often think that it's us who

892

00:31:19,350 --> 00:31:18,080

have had experiences before that

893

00:31:21,190 --> 00:31:19,360

we are picking up those messages

894

00:31:24,870 --> 00:31:21,200

whatever they may be

895

00:31:27,830 --> 00:31:24,880

man so do you think that there's like

896

00:31:29,430 --> 00:31:27,840

way more people out there that have had

897

00:31:32,470 --> 00:31:29,440

experiences that just

898

00:31:32,789 --> 00:31:32,480

don't even know it absolutely you know i

899

00:31:36,070 --> 00:31:32,799

think

900

00:31:37,830 --> 00:31:36,080

have had these experiences

901  
00:31:39,909 --> 00:31:37,840  
i you know i kind of feel the same way

902  
00:31:43,990 --> 00:31:39,919  
like the more i talk to people

903  
00:31:46,070 --> 00:31:44,000  
like you it almost seems like

904  
00:31:47,909 --> 00:31:46,080  
like you would think that 80 of the

905  
00:31:49,750 --> 00:31:47,919  
population has probably had some sort of

906  
00:31:51,909 --> 00:31:49,760  
experience and just doesn't even know

907  
00:31:54,870 --> 00:31:51,919  
about it it's like these very like

908  
00:31:56,789 --> 00:31:54,880  
like random occasions or like you go see

909  
00:31:57,590 --> 00:31:56,799  
stan friedman talk in college and all of

910  
00:31:59,669 --> 00:31:57,600  
a sudden it

911  
00:32:01,590 --> 00:31:59,679  
it turns a key and just opens your mind

912  
00:32:04,710 --> 00:32:01,600  
to this this whole

913  
00:32:05,430 --> 00:32:04,720

epic novel of information you had no

914

00:32:09,190 --> 00:32:05,440

clue

915

00:32:11,669 --> 00:32:09,200

existed you know yeah right right

916

00:32:12,549 --> 00:32:11,679

i think there has to be that kind of key

917

00:32:14,789 --> 00:32:12,559

but i also

918

00:32:16,310 --> 00:32:14,799

happen to think that there's a lot of

919

00:32:18,710 --> 00:32:16,320

things that are happening now that are

920

00:32:22,149 --> 00:32:18,720

turning the keys for a lot of people

921

00:32:25,029 --> 00:32:22,159

and um you know there's banter about the

922

00:32:26,310 --> 00:32:25,039

idea of awakening and ascension and it's

923

00:32:29,350 --> 00:32:26,320

bleeding out

924

00:32:31,350 --> 00:32:29,360

past just the you know the woo talk it's

925

00:32:32,389 --> 00:32:31,360

a lot of people are experiencing this

926  
00:32:34,789 --> 00:32:32,399  
and um

927  
00:32:36,870 --> 00:32:34,799  
and i'm finding it really interesting

928  
00:32:39,590 --> 00:32:36,880  
watching these people

929  
00:32:40,789 --> 00:32:39,600  
understand like oh my gosh i've had

930  
00:32:43,909 --> 00:32:40,799  
contact

931  
00:32:45,750 --> 00:32:43,919  
and and i almost wonder if i had to go

932  
00:32:47,430 --> 00:32:45,760  
through this early and understand this

933  
00:32:49,110 --> 00:32:47,440  
early so that i could be here to help

934  
00:32:51,909 --> 00:32:49,120  
support those that are

935  
00:32:52,470 --> 00:32:51,919  
just now figuring it out right yeah i

936  
00:32:56,389 --> 00:32:52,480  
mean

937  
00:32:58,870 --> 00:32:56,399  
to have some money guide

938  
00:33:00,710 --> 00:32:58,880

have somebody to ask or answer questions

939

00:33:01,430 --> 00:33:00,720

is probably just as important as the

940

00:33:05,029 --> 00:33:01,440

awakening

941

00:33:07,830 --> 00:33:05,039

itself it's like you don't want to uh

942

00:33:09,830 --> 00:33:07,840

have somebody wake up uh in a human body

943

00:33:11,029 --> 00:33:09,840

and and not have somebody teach you

944

00:33:13,990 --> 00:33:11,039

teach you how to

945

00:33:15,269 --> 00:33:14,000

you know live or eat or walk and stuff

946

00:33:18,310 --> 00:33:15,279

to be

947

00:33:19,830 --> 00:33:18,320

you die right so yeah i agree with you

948

00:33:23,669 --> 00:33:19,840

like it does seem to be like

949

00:33:25,590 --> 00:33:23,679

that ascension talk that that uh idea

950

00:33:27,430 --> 00:33:25,600

has been really bleeding into mainstream

951

00:33:29,590 --> 00:33:27,440

i've been seeing it a lot on tick tock

952

00:33:31,509 --> 00:33:29,600

i'm on tick tock and i see

953

00:33:33,750 --> 00:33:31,519

like more you know just everyday people

954

00:33:35,350 --> 00:33:33,760

talking about hey yeah so i keep seeing

955

00:33:37,029 --> 00:33:35,360

all this awakening stuff and since i

956

00:33:38,149 --> 00:33:37,039

started seeing this awakening stuff i've

957

00:33:40,950 --> 00:33:38,159

started to like

958

00:33:42,950 --> 00:33:40,960

have really strange dreams and started

959

00:33:44,710 --> 00:33:42,960

seeing synchronicities in my life like

960

00:33:45,190 --> 00:33:44,720

every day and i started seeing the clock

961

00:33:50,950 --> 00:33:45,200

at

962

00:33:52,789 --> 00:33:50,960

i think i've been interested in this

963

00:33:54,950 --> 00:33:52,799

stuff for so long it's just like

964

00:33:56,789 --> 00:33:54,960

duh you've never heard of that but yeah

965

00:33:59,029 --> 00:33:56,799

like a lot of people are like

966

00:34:00,310 --> 00:33:59,039

what this shit's real what what's going

967

00:34:03,990 --> 00:34:00,320

on right now

968

00:34:05,350 --> 00:34:04,000

so do you think we're kind of in 2020 is

969

00:34:07,750 --> 00:34:05,360

is

970

00:34:09,430 --> 00:34:07,760

we're kind of entering some kind of

971

00:34:13,190 --> 00:34:09,440

dimension that

972

00:34:15,430 --> 00:34:13,200

we're not we're kind of bleeding into a

973

00:34:16,790 --> 00:34:15,440

new reality or something just a shifting

974

00:34:19,909 --> 00:34:16,800

of a mindset

975

00:34:21,909 --> 00:34:19,919

as a collective you know

976

00:34:24,069 --> 00:34:21,919

absolutely i think that's exactly what's

977

00:34:26,389 --> 00:34:24,079

going on as a collective

978

00:34:27,669 --> 00:34:26,399

and and obviously there's quite a bit of

979

00:34:30,069 --> 00:34:27,679

tension and

980

00:34:30,869 --> 00:34:30,079

dissension among the ranks you know the

981

00:34:33,750 --> 00:34:30,879

the country

982

00:34:35,669 --> 00:34:33,760

feels like it's splitting apart however

983

00:34:38,389 --> 00:34:35,679

there is this

984

00:34:39,589 --> 00:34:38,399

other side of things which is this love

985

00:34:41,589 --> 00:34:39,599

based ascension

986

00:34:43,750 --> 00:34:41,599

let's work together we've got other

987

00:34:46,230 --> 00:34:43,760

stuff to worry about guys

988

00:34:47,829 --> 00:34:46,240

idea that is floating over and i think

989

00:34:50,310 --> 00:34:47,839

that

990

00:34:51,990 --> 00:34:50,320

really it's passing from person to

991

00:34:53,430 --> 00:34:52,000

person to person this is really a

992

00:34:56,869 --> 00:34:53,440

grassroots

993

00:34:59,510 --> 00:34:56,879

like energetic movement as people

994

00:35:01,109 --> 00:34:59,520

awaken and understand and come to terms

995

00:35:02,069 --> 00:35:01,119

and then they start to spread it and

996

00:35:05,670 --> 00:35:02,079

talk and and i

997

00:35:06,470 --> 00:35:05,680

and i see it just spreading out in this

998

00:35:10,550 --> 00:35:06,480

beautiful

999

00:35:13,270 --> 00:35:10,560

love wave sounds goofy but i'm seeing it

1000

00:35:14,150 --> 00:35:13,280

and i know that tides are about to turn

1001

00:35:16,310 --> 00:35:14,160

right

1002

00:35:18,150 --> 00:35:16,320

yeah i feel like it started a a couple

1003

00:35:19,910 --> 00:35:18,160

of years ago with like a veganism

1004

00:35:21,670 --> 00:35:19,920

movement where you're like hey let's

1005

00:35:23,430 --> 00:35:21,680

like hey we all live on this planet

1006

00:35:25,190 --> 00:35:23,440

let's be nice and not like stop eating

1007

00:35:27,589 --> 00:35:25,200

so many damn animals like okay

1008

00:35:28,630 --> 00:35:27,599

yeah i can't go fully into that i love

1009

00:35:30,230 --> 00:35:28,640

steak but

1010

00:35:32,470 --> 00:35:30,240

it's almost like it was a little too

1011

00:35:35,030 --> 00:35:32,480

much information at first and now it's

1012

00:35:36,710 --> 00:35:35,040

it's more it's it's kind of on brand and

1013

00:35:39,190 --> 00:35:36,720

the marketing is right i guess

1014

00:35:41,270 --> 00:35:39,200

yeah from that perspective like the love

1015

00:35:42,069 --> 00:35:41,280

thing it sounds so corny at first you

1016

00:35:45,190 --> 00:35:42,079

know if it's too

1017

00:35:47,829 --> 00:35:45,200

far down that path but

1018

00:35:49,349 --> 00:35:47,839

as as we kind of shift into this this

1019

00:35:50,630 --> 00:35:49,359

new reality that i think we're all

1020

00:35:53,190 --> 00:35:50,640

experiencing we're kind of

1021

00:35:54,310 --> 00:35:53,200

a little bit a little bit more open to

1022

00:35:57,430 --> 00:35:54,320

those those concepts

1023

00:35:58,310 --> 00:35:57,440

right it's kind of cool absolutely and i

1024

00:36:00,630 --> 00:35:58,320

think that

1025

00:36:03,270 --> 00:36:00,640

you know a lot of people have struggled

1026

00:36:05,190 --> 00:36:03,280

with the the pandemic and

1027

00:36:07,030 --> 00:36:05,200

um you know oh my god there's nothing i

1028

00:36:10,470 --> 00:36:07,040

can do i'm afraid to go out

1029

00:36:13,030 --> 00:36:10,480

i i know so many people are not

1030

00:36:14,069 --> 00:36:13,040

working and there's financial troubles

1031

00:36:17,990 --> 00:36:14,079

and um

1032

00:36:19,750 --> 00:36:18,000

there's so much struggle and yet

1033

00:36:21,430 --> 00:36:19,760

you know i don't have answers for those

1034

00:36:24,069 --> 00:36:21,440

people that are struggling so

1035

00:36:26,550 --> 00:36:24,079

hard right now but it is also an

1036

00:36:29,349 --> 00:36:26,560

excellent opportunity to turn within

1037

00:36:30,950 --> 00:36:29,359

and work on these things and like what

1038

00:36:32,870 --> 00:36:30,960

else am i going to do let's get

1039

00:36:33,990 --> 00:36:32,880

bottom to the bottom of my childhood

1040

00:36:36,069 --> 00:36:34,000

trauma let's

1041

00:36:38,150 --> 00:36:36,079

let's turn to the counselors let's do

1042

00:36:40,710 --> 00:36:38,160

something that will help

1043

00:36:41,990 --> 00:36:40,720

us move forward at this time and um a

1044

00:36:45,430 --> 00:36:42,000

lot of people are

1045

00:36:46,710 --> 00:36:45,440

yeah uh have you yeah man that's yeah

1046

00:36:49,990 --> 00:36:46,720

that's really powerful stuff

1047

00:36:51,349 --> 00:36:50,000

um yeah so have you ever received any

1048

00:36:54,790 --> 00:36:51,359

kind of messages

1049

00:36:57,190 --> 00:36:54,800

like this or any kind of uh

1050

00:36:58,470 --> 00:36:57,200

communication from entities that you've

1051  
00:37:01,109 --> 00:36:58,480  
encountered

1052  
00:37:02,470 --> 00:37:01,119  
that could possibly relate to what's

1053  
00:37:05,109 --> 00:37:02,480  
going on right now

1054  
00:37:07,270 --> 00:37:05,119  
um yeah a lot of experiencers often come

1055  
00:37:11,109 --> 00:37:07,280  
out of their experiences with

1056  
00:37:12,630 --> 00:37:11,119  
a a pers a new perspective and

1057  
00:37:13,750 --> 00:37:12,640  
kind of need to talk about it or spread

1058  
00:37:17,030 --> 00:37:13,760  
the message have you have you

1059  
00:37:21,109 --> 00:37:19,750  
not while i was on ship the only thing i

1060  
00:37:22,790 --> 00:37:21,119  
could think of was when i was seven

1061  
00:37:23,589 --> 00:37:22,800  
years old and i was allowed to look down

1062  
00:37:26,470 --> 00:37:23,599  
at the planet

1063  
00:37:27,670 --> 00:37:26,480

through the window in a way and just you

1064

00:37:30,310 --> 00:37:27,680

know wow that's pretty

1065

00:37:31,349 --> 00:37:30,320

wow kind of thing but that's that's the

1066

00:37:33,510 --> 00:37:31,359

only

1067

00:37:35,030 --> 00:37:33,520

thing i have and and this is something i

1068

00:37:36,950 --> 00:37:35,040

actually go through in the book is like

1069

00:37:38,390 --> 00:37:36,960

what is that what is the agenda why are

1070

00:37:41,670 --> 00:37:38,400

they here what's going on

1071

00:37:43,910 --> 00:37:41,680

right and so from all of

1072

00:37:44,870 --> 00:37:43,920

my friends that i have and myself there

1073

00:37:46,870 --> 00:37:44,880

are several

1074

00:37:48,069 --> 00:37:46,880

very common themes number one take care

1075

00:37:51,829 --> 00:37:48,079

of the

1076

00:37:53,829 --> 00:37:51,839

come that comes through

1077

00:37:55,750 --> 00:37:53,839

strongly for many of us and that's where

1078

00:37:57,670 --> 00:37:55,760

people turn to veganism or they you know

1079

00:37:59,670 --> 00:37:57,680

become animal rights activists they

1080

00:38:01,829 --> 00:37:59,680

they do these things because they feel

1081

00:38:03,990 --> 00:38:01,839

the need to protect the planet um

1082

00:38:04,870 --> 00:38:04,000

you know the environmentalists i have a

1083

00:38:06,150 --> 00:38:04,880

very good friend who's an

1084

00:38:06,950 --> 00:38:06,160

environmentalist that's what she does

1085

00:38:10,230 --> 00:38:06,960

for a living

1086

00:38:11,109 --> 00:38:10,240

and she's also a contactee so i kind of

1087

00:38:13,510 --> 00:38:11,119

wonder if she was

1088

00:38:15,109 --> 00:38:13,520

led in that direction on purpose right

1089

00:38:18,550 --> 00:38:15,119

um and then there's

1090

00:38:19,030 --> 00:38:18,560

that a lot of us receive information

1091

00:38:21,829 --> 00:38:19,040

about

1092

00:38:23,670 --> 00:38:21,839

either natural disasters catastrophes

1093

00:38:26,069 --> 00:38:23,680

nuclear war very scary stuff

1094

00:38:26,790 --> 00:38:26,079

but i think that those are ways of

1095

00:38:29,349 --> 00:38:26,800

saying

1096

00:38:31,190 --> 00:38:29,359

watch out pay attention let's not go

1097

00:38:35,190 --> 00:38:31,200

this route because it could go that way

1098

00:38:38,069 --> 00:38:35,200

yeah um it could also is it possible

1099

00:38:39,910 --> 00:38:38,079

could it also be specific to the person

1100

00:38:41,190 --> 00:38:39,920

receiving the message

1101

00:38:44,470 --> 00:38:41,200

you know i never thought about that it

1102

00:38:46,950 --> 00:38:44,480

very well could be it very well could be

1103

00:38:48,150 --> 00:38:46,960

yeah yeah you get a message of like a

1104

00:38:50,390 --> 00:38:48,160

massive like

1105

00:38:51,750 --> 00:38:50,400

tsunami or something or tidal wave and

1106

00:38:52,630 --> 00:38:51,760

it's like oh well i just happened to

1107

00:38:54,390 --> 00:38:52,640

live on the coast

1108

00:38:55,670 --> 00:38:54,400

yeah that's probably good information to

1109

00:38:58,630 --> 00:38:55,680

know right or

1110

00:38:59,109 --> 00:38:58,640

you know like uh this fiery message and

1111

00:39:01,510 --> 00:38:59,119

it's like oh

1112

00:39:02,150 --> 00:39:01,520

i live in california that's probably

1113

00:39:03,750 --> 00:39:02,160

obvious

1114

00:39:06,069 --> 00:39:03,760

right you know but yeah maybe it is

1115

00:39:08,470 --> 00:39:06,079

specific to certain people yeah

1116

00:39:09,109 --> 00:39:08,480

definitely any any way to get their

1117

00:39:11,030 --> 00:39:09,119

message

1118

00:39:14,069 --> 00:39:11,040

across and and you know whatever those

1119

00:39:15,990 --> 00:39:14,079

messages are and whatever the agenda

1120

00:39:17,190 --> 00:39:16,000

my conclusion was if they're telling us

1121

00:39:19,270 --> 00:39:17,200

to love each other

1122

00:39:20,470 --> 00:39:19,280

take care of the planet and you know

1123

00:39:22,870 --> 00:39:20,480

don't cause war

1124

00:39:23,750 --> 00:39:22,880

all of those things are really really

1125

00:39:25,750 --> 00:39:23,760

smart

1126

00:39:27,270 --> 00:39:25,760

and things that we really need to take

1127

00:39:29,750 --> 00:39:27,280

to heart as a planet anyway

1128

00:39:31,670 --> 00:39:29,760

so if that's the messages that they're

1129

00:39:35,030 --> 00:39:31,680

they're giving us then

1130

00:39:38,390 --> 00:39:35,040

by all means yeah right i i just i

1131

00:39:39,670 --> 00:39:38,400

i totally agree i i man i i wish the

1132

00:39:42,790 --> 00:39:39,680

experience though

1133

00:39:45,589 --> 00:39:42,800

wasn't so dang scary and intrusive right

1134

00:39:47,349 --> 00:39:45,599

like forceful you know like i mean

1135

00:39:49,510 --> 00:39:47,359

obviously nobody would

1136

00:39:51,030 --> 00:39:49,520

i mean maybe i i think i would elect to

1137

00:39:53,270 --> 00:39:51,040

go on a ship for sure but

1138

00:39:54,630 --> 00:39:53,280

i mean it's like the way that they do it

1139

00:39:57,349 --> 00:39:54,640

sometimes like they just

1140

00:39:58,630 --> 00:39:57,359

take you yeah to give you a cool message

1141

00:40:00,390 --> 00:39:58,640

i don't know it doesn't but

1142

00:40:02,550 --> 00:40:00,400

you know you also say in the book that

1143

00:40:03,910 --> 00:40:02,560

you know like we were saying earlier

1144

00:40:06,790 --> 00:40:03,920

these guys aren't perfect

1145

00:40:08,069 --> 00:40:06,800

and is it possible that they're just

1146

00:40:09,990 --> 00:40:08,079

learning new ways

1147

00:40:12,710 --> 00:40:10,000

i mean you have a hilarious bit in there

1148

00:40:13,910 --> 00:40:12,720

where um they turn into the golden girls

1149

00:40:15,829 --> 00:40:13,920

and it's almost like they have a sense

1150

00:40:18,069 --> 00:40:15,839

of humor and they're they're

1151

00:40:20,470 --> 00:40:18,079

working with you trying to like make

1152

00:40:23,109 --> 00:40:20,480

this an easier experience for you

1153

00:40:23,750 --> 00:40:23,119

every time you know you're taken they're

1154

00:40:26,630 --> 00:40:23,760

learning

1155

00:40:28,470 --> 00:40:26,640

how to interact with humans just as much

1156

00:40:30,710 --> 00:40:28,480

as you're learning how to

1157

00:40:33,270 --> 00:40:30,720

absorb this information that's happening

1158

00:40:35,349 --> 00:40:33,280

or the situation you know

1159

00:40:36,470 --> 00:40:35,359

absolutely absolutely if you if you

1160

00:40:38,069 --> 00:40:36,480

think back to

1161

00:40:39,990 --> 00:40:38,079

what happened with like betty and barney

1162

00:40:41,910 --> 00:40:40,000

hill and the

1163

00:40:43,030 --> 00:40:41,920

the just abject terror that they went

1164

00:40:45,109 --> 00:40:43,040

through and you know

1165

00:40:46,950 --> 00:40:45,119

knowing that barney's shoes were just

1166

00:40:48,630 --> 00:40:46,960

scraped all the heck because he was

1167

00:40:50,390 --> 00:40:48,640

dragged across the gravel as they

1168

00:40:52,790 --> 00:40:50,400

carried him to the ship

1169

00:40:54,150 --> 00:40:52,800

um the ripping of her clothes and all of

1170

00:40:58,710 --> 00:40:54,160

these things it is very

1171

00:41:02,390 --> 00:40:58,720

violent and scary for them i don't think

1172

00:41:04,630 --> 00:41:02,400

that the encounters are as brutal as

1173

00:41:06,630 --> 00:41:04,640

that they've learned how to control our

1174

00:41:10,470 --> 00:41:06,640

minds they've learned how to

1175

00:41:13,109 --> 00:41:10,480

keep us calm to either hide things or

1176

00:41:13,750 --> 00:41:13,119

plant information you know in our minds

1177

00:41:17,349 --> 00:41:13,760

in a more

1178

00:41:19,750 --> 00:41:17,359

subtle and gentle way yeah

1179

00:41:21,430 --> 00:41:19,760

and i think that and i this is like a

1180

00:41:22,230 --> 00:41:21,440

study i want to do i don't know how to

1181

00:41:24,790 --> 00:41:22,240

do it but

1182

00:41:26,390 --> 00:41:24,800

to track those changes from early

1183

00:41:29,510 --> 00:41:26,400

abduction experiences

1184

00:41:31,430 --> 00:41:29,520

to present oh that that that's awesome

1185

00:41:33,589 --> 00:41:31,440

yeah you know it kind of makes me think

1186

00:41:35,430 --> 00:41:33,599

of like if you think of whales

1187

00:41:36,790 --> 00:41:35,440

right like back in the day i mean we

1188

00:41:39,270 --> 00:41:36,800

would just go and just like

1189

00:41:40,550 --> 00:41:39,280

murder a whale so we can get some some

1190

00:41:42,950 --> 00:41:40,560

you know some lamp fluid

1191

00:41:44,630 --> 00:41:42,960

yeah or whatever make some makeup or do

1192

00:41:45,910 --> 00:41:44,640

whatever you needed to do but like as

1193

00:41:48,550 --> 00:41:45,920

time progressed

1194

00:41:51,349 --> 00:41:48,560

humans were like holy crap whales are

1195

00:41:54,550 --> 00:41:51,359

extremely smart they're almost like

1196

00:41:55,430 --> 00:41:54,560

as smart as humans yeah exactly exactly

1197

00:41:58,550 --> 00:41:55,440

and so

1198

00:41:59,829 --> 00:41:58,560

now we have this tendency to treat them

1199

00:42:02,150 --> 00:41:59,839

differently when we

1200

00:42:03,270 --> 00:42:02,160

encounter them in the wild because of

1201

00:42:05,190 --> 00:42:03,280

what we've learned

1202

00:42:07,030 --> 00:42:05,200

and so it would kind of make sense that

1203

00:42:08,230 --> 00:42:07,040

you know another species would come

1204

00:42:10,870 --> 00:42:08,240

across us and

1205

00:42:11,349 --> 00:42:10,880

you know maybe just drag us you know at

1206

00:42:13,510 --> 00:42:11,359

first

1207

00:42:15,030 --> 00:42:13,520

you know and then start realizing over

1208

00:42:18,390 --> 00:42:15,040

years and

1209

00:42:19,670 --> 00:42:18,400

decades and centuries of you know

1210

00:42:21,270 --> 00:42:19,680

you know doing this research they're

1211

00:42:22,790 --> 00:42:21,280

like man these guys are maybe kind of

1212

00:42:23,910 --> 00:42:22,800

smart they're a little sentient you know

1213

00:42:25,670 --> 00:42:23,920

like they have

1214

00:42:27,190 --> 00:42:25,680

a purpose maybe we should start trying

1215

00:42:28,550 --> 00:42:27,200

to treat them a little better or

1216

00:42:30,150 --> 00:42:28,560

something you know

1217

00:42:31,910 --> 00:42:30,160

it's kind of yeah let's work within the

1218

00:42:33,430 --> 00:42:31,920

confines of their minds instead of

1219

00:42:36,710 --> 00:42:33,440

destroying it let's

1220

00:42:38,790 --> 00:42:36,720

enhance it right right yeah

1221

00:42:40,470 --> 00:42:38,800

cool so i have an idea so that this

1222

00:42:42,309 --> 00:42:40,480

might uh

1223

00:42:44,309 --> 00:42:42,319

kind of come full circle with that

1224

00:42:47,910 --> 00:42:44,319

question i think joe asked uh

1225

00:42:49,750 --> 00:42:47,920

you aaron is it that how many different

1226

00:42:50,470 --> 00:42:49,760

species that you've come in contact with

1227

00:42:53,270 --> 00:42:50,480

i think this

1228

00:42:53,750 --> 00:42:53,280

this statement i'll say is like what if

1229

00:42:55,829 --> 00:42:53,760

uh

1230

00:42:57,349 --> 00:42:55,839

you know some some species are really

1231

00:42:59,030 --> 00:42:57,359

good at interacting with

1232

00:43:01,430 --> 00:42:59,040

humans and they have figured that out

1233

00:43:03,030 --> 00:43:01,440

and there are some aliens that

1234

00:43:04,470 --> 00:43:03,040

that come down and they don't know what

1235

00:43:06,630 --> 00:43:04,480

they're doing yet and it's almost like

1236

00:43:10,150 --> 00:43:06,640

earth earth is kind of like a

1237

00:43:11,990 --> 00:43:10,160

a stage website you know or a sandbox

1238

00:43:13,430 --> 00:43:12,000

place where you can go and just practice

1239

00:43:15,990 --> 00:43:13,440

or for new

1240

00:43:17,270 --> 00:43:16,000

uh species to come down and like hey so

1241

00:43:18,870 --> 00:43:17,280

uh i would suggest

1242

00:43:20,390 --> 00:43:18,880

okay these guys are they're kind of

1243

00:43:22,390 --> 00:43:20,400

ape-like but they won't

1244

00:43:24,230 --> 00:43:22,400

they can't kill you like you're fine you

1245

00:43:25,670 --> 00:43:24,240

go practice on on humans first

1246

00:43:27,589 --> 00:43:25,680

and then you could go to the more

1247

00:43:30,309 --> 00:43:27,599

advanced civilizations and study them

1248

00:43:33,190 --> 00:43:30,319

yeah you know that would be interesting

1249

00:43:34,630 --> 00:43:33,200

and i wouldn't be surprised

1250

00:43:37,030 --> 00:43:34,640

yeah so i guess the question would be

1251  
00:43:41,670 --> 00:43:37,040  
like is it your experience that

1252  
00:43:44,950 --> 00:43:41,680  
that you've witnessed multiple species

1253  
00:43:47,589 --> 00:43:44,960  
i have um there there was

1254  
00:43:47,990 --> 00:43:47,599  
one of the most recent i guess then

1255  
00:43:50,069 --> 00:43:48,000  
that's

1256  
00:43:52,069 --> 00:43:50,079  
the clearest in my mind i i have

1257  
00:43:53,829 --> 00:43:52,079  
experiences all the time but not very

1258  
00:43:57,670 --> 00:43:53,839  
many stick

1259  
00:43:59,589 --> 00:43:57,680  
and so there was one in october of 2018

1260  
00:44:02,870 --> 00:43:59,599  
i think it was october 27th

1261  
00:44:05,430 --> 00:44:02,880  
and it was so clear um

1262  
00:44:07,270 --> 00:44:05,440  
i was asleep the blankets were pulled

1263  
00:44:09,030 --> 00:44:07,280

off of me which woke me up

1264

00:44:10,790 --> 00:44:09,040

i that's like a common thing they just

1265

00:44:13,589 --> 00:44:10,800

like pull the blankets off like oh

1266

00:44:15,589 --> 00:44:13,599

rude and i my eye yes exactly my eyes

1267

00:44:16,630 --> 00:44:15,599

pop open and there's three beings in the

1268

00:44:19,030 --> 00:44:16,640

room

1269

00:44:20,470 --> 00:44:19,040

three is very common often they're all

1270

00:44:23,829 --> 00:44:20,480

three grays but this time

1271

00:44:26,390 --> 00:44:23,839

there was a gray type there was this

1272

00:44:28,470 --> 00:44:26,400

drippy brown guy i don't know he looked

1273

00:44:30,390 --> 00:44:28,480

like a crayon that got hot

1274

00:44:32,470 --> 00:44:30,400

melting i don't know i have never seen

1275

00:44:34,069 --> 00:44:32,480

anything or heard anything

1276

00:44:36,069 --> 00:44:34,079

about a creature that looks like this

1277

00:44:37,750 --> 00:44:36,079

ever anywhere so

1278

00:44:39,990 --> 00:44:37,760

if anybody knows anything about this

1279

00:44:43,750 --> 00:44:40,000

kind of being let me know

1280

00:44:44,710 --> 00:44:43,760

um and then you said like a cl like a

1281

00:44:47,349 --> 00:44:44,720

clam

1282

00:44:48,150 --> 00:44:47,359

is it a crayon it's like a melted crayon

1283

00:44:50,710 --> 00:44:48,160

oh oh

1284

00:44:51,589 --> 00:44:50,720

got it sorry or out candle yeah he was

1285

00:44:54,550 --> 00:44:51,599

just like

1286

00:44:56,950 --> 00:44:54,560

melted sorry um he reminded me of

1287

00:44:59,109 --> 00:44:56,960

zoidberg i guess

1288

00:45:00,230 --> 00:44:59,119

he loved that [\h\_\_\h] but thin yeah but

1289

00:45:02,470 --> 00:45:00,240

thin and skinny

1290

00:45:04,230 --> 00:45:02,480

but it looked like his mouth was melting

1291

00:45:06,470 --> 00:45:04,240

off i don't i don't know he was bizarre

1292

00:45:09,270 --> 00:45:06,480

but then there was also this very tall

1293

00:45:10,550 --> 00:45:09,280

being with uh chalky white skin very

1294

00:45:15,270 --> 00:45:10,560

large eyes

1295

00:45:17,109 --> 00:45:15,280

very round head um and i knew him

1296

00:45:18,630 --> 00:45:17,119

i knew this thing and oh it's you and i

1297

00:45:19,750 --> 00:45:18,640

reached out my hand and he took my hand

1298

00:45:23,910 --> 00:45:19,760

and he took me outside

1299

00:45:26,470 --> 00:45:23,920

um so there were three different beings

1300

00:45:27,349 --> 00:45:26,480

all in that one experience and um i

1301

00:45:29,349 --> 00:45:27,359

don't know why

1302

00:45:32,390 --> 00:45:29,359

i don't know where they're from i don't

1303

00:45:35,030 --> 00:45:32,400

have any of that information

1304

00:45:36,309 --> 00:45:35,040

dang yeah sorry i realized that we've

1305

00:45:38,550 --> 00:45:36,319

already asked that question i

1306

00:45:40,069 --> 00:45:38,560

realized like uh that's maybe the second

1307

00:45:44,309 --> 00:45:40,079

time we passed it

1308

00:45:47,990 --> 00:45:44,319

but i apologize for that

1309

00:45:50,150 --> 00:45:48,000

i just i mean yeah that is the first

1310

00:45:54,150 --> 00:45:50,160

time that i've heard of some

1311

00:45:57,190 --> 00:45:54,160

you know uh wax dripping

1312

00:45:57,910 --> 00:45:57,200

type of of being as well i've never

1313

00:45:59,430 --> 00:45:57,920

heard of that

1314

00:46:01,270 --> 00:45:59,440

and when i read that i was like oh

1315

00:46:03,990 --> 00:46:01,280

that's pretty interesting

1316

00:46:05,190 --> 00:46:04,000

uh i don't know how i would react to

1317

00:46:08,550 --> 00:46:05,200

that either

1318

00:46:11,589 --> 00:46:08,560

and so you know you said to the the the

1319

00:46:14,630 --> 00:46:11,599

pale chalky one like it's you

1320

00:46:15,510 --> 00:46:14,640

and like you recognized him and you know

1321

00:46:19,030 --> 00:46:15,520

you

1322

00:46:22,470 --> 00:46:19,040

outside

1323

00:46:25,349 --> 00:46:22,480

during this during this happening

1324

00:46:25,829 --> 00:46:25,359

do you wake up with an initial fear or

1325

00:46:28,230 --> 00:46:25,839

do you

1326  
00:46:28,950 --> 00:46:28,240  
wake up and everything's fine because

1327  
00:46:33,190 --> 00:46:28,960  
they've done

1328  
00:46:36,069 --> 00:46:33,200  
something to you to make it fine

1329  
00:46:37,349 --> 00:46:36,079  
it depends on the experience um and i

1330  
00:46:40,390 --> 00:46:37,359  
think it also it

1331  
00:46:43,589 --> 00:46:40,400  
depends on where i'm at you know

1332  
00:46:45,510 --> 00:46:43,599  
in the early experiences when i was just

1333  
00:46:47,430 --> 00:46:45,520  
trying to come to terms with this

1334  
00:46:48,550 --> 00:46:47,440  
if i was woken up i went immediately

1335  
00:46:51,750 --> 00:46:48,560  
into fear

1336  
00:46:54,150 --> 00:46:51,760  
that time however i did not okay

1337  
00:46:55,430 --> 00:46:54,160  
and this was you know i was already

1338  
00:46:58,870 --> 00:46:55,440

starting to write the book

1339

00:47:00,230 --> 00:46:58,880

um i was already processing a lot of

1340

00:47:03,430 --> 00:47:00,240

this stuff

1341

00:47:05,510 --> 00:47:03,440

and um and so i was fine like and

1342

00:47:07,349 --> 00:47:05,520

and and actually in the chapter where i

1343

00:47:08,150 --> 00:47:07,359

described what this happens i was really

1344

00:47:10,710 --> 00:47:08,160

surprised

1345

00:47:12,470 --> 00:47:10,720

and wondered about myself like wait when

1346

00:47:15,109 --> 00:47:12,480

did i switch sides here when did this

1347

00:47:16,790 --> 00:47:15,119

all of a sudden become okay

1348

00:47:18,390 --> 00:47:16,800

because now i'm okay with it and i don't

1349

00:47:20,790 --> 00:47:18,400

know why

1350

00:47:21,910 --> 00:47:20,800

whoo man that's that's that's that's a

1351  
00:47:24,950 --> 00:47:21,920  
lot yeah that's a lot

1352  
00:47:26,309 --> 00:47:24,960  
and so i you know if it's something that

1353  
00:47:28,470 --> 00:47:26,319  
you're willing to go into

1354  
00:47:30,230 --> 00:47:28,480  
you know this uh you know you have a

1355  
00:47:30,710 --> 00:47:30,240  
portion where we talk about you know

1356  
00:47:38,470 --> 00:47:30,720  
this

1357  
00:47:42,790 --> 00:47:38,480  
is

1358  
00:47:45,750 --> 00:47:42,800  
your abductions

1359  
00:47:46,230 --> 00:47:45,760  
that you know of or is it just another

1360  
00:47:49,589 --> 00:47:46,240  
small

1361  
00:47:52,630 --> 00:47:49,599  
part to the whole story

1362  
00:47:53,510 --> 00:47:52,640  
i think it is a fraction of the story it

1363  
00:47:56,150 --> 00:47:53,520

is

1364

00:47:57,190 --> 00:47:56,160

maybe a large fraction how it's not

1365

00:48:00,390 --> 00:47:57,200

everything

1366

00:48:00,950 --> 00:48:00,400

um i know that the dna is precious i

1367

00:48:03,109 --> 00:48:00,960

know

1368

00:48:04,230 --> 00:48:03,119

that they are doing their best to create

1369

00:48:06,950 --> 00:48:04,240

these children for

1370

00:48:07,750 --> 00:48:06,960

i have no idea what it means i don't

1371

00:48:09,349 --> 00:48:07,760

know what they're doing

1372

00:48:10,950 --> 00:48:09,359

with these children i know that the

1373

00:48:11,589 --> 00:48:10,960

connection with their mothers is very

1374

00:48:13,750 --> 00:48:11,599

important

1375

00:48:15,109 --> 00:48:13,760

well and the fathers i know several men

1376

00:48:17,829 --> 00:48:15,119

that have

1377

00:48:19,510 --> 00:48:17,839

had encounters with their children um

1378

00:48:21,510 --> 00:48:19,520

their hybrid children um

1379

00:48:23,349 --> 00:48:21,520

i you know and i wish i understood what

1380

00:48:25,109 --> 00:48:23,359

was going on

1381

00:48:26,630 --> 00:48:25,119

i do still have contact with the

1382

00:48:29,829 --> 00:48:26,640

children

1383

00:48:31,829 --> 00:48:29,839

but the that's only part of it um and i

1384

00:48:33,670 --> 00:48:31,839

and it goes back to the you know the

1385

00:48:34,150 --> 00:48:33,680

four-year-old me playing with the blocks

1386

00:48:36,549 --> 00:48:34,160

and

1387

00:48:38,390 --> 00:48:36,559

then like a ten-year-old me who's being

1388

00:48:39,829 --> 00:48:38,400

trained on how to manipulate gravity why

1389

00:48:42,710 --> 00:48:39,839

did i need to learn that

1390

00:48:43,910 --> 00:48:42,720

right right and boy i wish i could still

1391

00:48:47,349 --> 00:48:43,920

do it

1392

00:48:50,870 --> 00:48:47,359

yeah yeah and then i mean and then even

1393

00:48:52,790 --> 00:48:50,880

going to you know i i think it was 11

1394

00:48:54,309 --> 00:48:52,800

where you know they took you and they

1395

00:48:56,309 --> 00:48:54,319

checked you out to

1396

00:48:57,910 --> 00:48:56,319

make sure maybe you were ready to go you

1397

00:49:01,430 --> 00:48:57,920

know for this this hybrid

1398

00:49:02,230 --> 00:49:01,440

you know issue and that was right before

1399

00:49:05,349 --> 00:49:02,240

my

1400

00:49:09,349 --> 00:49:05,359

started so yeah

1401

00:49:12,870 --> 00:49:09,359

what wow so they like they knew it

1402

00:49:15,829 --> 00:49:12,880

and that's just like i

1403

00:49:18,150 --> 00:49:15,839

i'm at a loss for words almost on like

1404

00:49:19,589 --> 00:49:18,160

just how

1405

00:49:21,190 --> 00:49:19,599

you know you think about this whole

1406

00:49:23,430 --> 00:49:21,200

thing and it's like oh yeah they're

1407

00:49:25,349 --> 00:49:23,440

they're alien maybe they're they're uh

1408

00:49:27,589 --> 00:49:25,359

you know they make mistakes too

1409

00:49:29,430 --> 00:49:27,599

you know but then also at the same time

1410

00:49:31,910 --> 00:49:29,440

to know

1411

00:49:33,190 --> 00:49:31,920

um be so advanced to the point to where

1412

00:49:35,430 --> 00:49:33,200

they would know

1413

00:49:36,470 --> 00:49:35,440

you know right before a female hits

1414

00:49:38,470 --> 00:49:36,480

puberty to

1415

00:49:40,710 --> 00:49:38,480

to just know and and be able to check

1416

00:49:43,349 --> 00:49:40,720

that like

1417

00:49:44,470 --> 00:49:43,359

without having any sort of i don't know

1418

00:49:46,150 --> 00:49:44,480

like

1419

00:49:47,349 --> 00:49:46,160

i guess i guess if they're abducting you

1420

00:49:48,710 --> 00:49:47,359

and you didn't know about it you

1421

00:49:50,309 --> 00:49:48,720

probably visited them more than you

1422

00:49:53,589 --> 00:49:50,319

visited an actual doctor

1423

00:49:56,390 --> 00:49:53,599

whoa i probably did i

1424

00:49:58,549 --> 00:49:56,400

probably did yeah this right here could

1425

00:50:01,589 --> 00:49:58,559

be why there's implants

1426

00:50:02,790 --> 00:50:01,599

oh track this could be gathering that

1427

00:50:04,950 --> 00:50:02,800

biological

1428

00:50:06,549 --> 00:50:04,960

information and transmitting it back to

1429

00:50:10,069 --> 00:50:06,559

you know who knows where

1430

00:50:10,870 --> 00:50:10,079

um if i was chipped so to speak when i

1431

00:50:13,270 --> 00:50:10,880

was seven

1432

00:50:15,109 --> 00:50:13,280

then maybe that information was related

1433

00:50:17,270 --> 00:50:15,119

to them but it was time

1434

00:50:18,710 --> 00:50:17,280

whoa of course i don't know if i had any

1435

00:50:19,190 --> 00:50:18,720

experiences between the two i would

1436

00:50:22,230 --> 00:50:19,200

assume

1437

00:50:24,630 --> 00:50:22,240

i did right right so our

1438

00:50:25,430 --> 00:50:24,640

our our friend lorian calls them space

1439

00:50:28,630 --> 00:50:25,440

babies

1440

00:50:30,390 --> 00:50:28,640

um do you have an idea of like maybe how

1441

00:50:34,470 --> 00:50:30,400

many

1442

00:50:38,710 --> 00:50:34,480

space babies are out there a whole bunch

1443

00:50:41,349 --> 00:50:38,720

a whole bunch um yeah i i remember

1444

00:50:44,230 --> 00:50:41,359

several of them in specific i would

1445

00:50:45,990 --> 00:50:44,240

assume that there's more i mean

1446

00:50:48,309 --> 00:50:46,000

it's almost doesn't sound awful but it's

1447

00:50:50,549 --> 00:50:48,319

almost like a roach if you see

1448

00:50:51,750 --> 00:50:50,559

a roach you know that there's a thousand

1449

00:50:53,430 --> 00:50:51,760

more in the walls or

1450

00:50:55,589 --> 00:50:53,440

or whatever you know so i think that

1451

00:50:57,109 --> 00:50:55,599

once you have a memory

1452

00:51:01,030 --> 00:50:57,119

there's going to be several other that

1453

00:51:05,750 --> 00:51:03,829

and i have i have specific memories of

1454

00:51:08,790 --> 00:51:05,760

the birth of several of them

1455

00:51:11,589 --> 00:51:08,800

um and i have

1456

00:51:13,510 --> 00:51:11,599

i don't know just information in my head

1457

00:51:13,990 --> 00:51:13,520

it's hard to explain these things but

1458

00:51:17,270 --> 00:51:14,000

there's

1459

00:51:18,950 --> 00:51:17,280

like i see them i i've drawn

1460

00:51:22,230 --> 00:51:18,960

several of them i've done a couple of

1461

00:51:24,630 --> 00:51:22,240

paintings um and

1462

00:51:26,230 --> 00:51:24,640

and it's interesting i and i get kind of

1463

00:51:27,030 --> 00:51:26,240

confused because you know i have my own

1464

00:51:30,390 --> 00:51:27,040

children and

1465

00:51:32,150 --> 00:51:30,400

um i could like how am i okay with not

1466

00:51:32,790 --> 00:51:32,160

being with these other children how am i

1467

00:51:35,829 --> 00:51:32,800

okay

1468

00:51:37,510 --> 00:51:35,839

is it not raising them and i know that

1469

00:51:40,150 --> 00:51:37,520

some

1470

00:51:42,069 --> 00:51:40,160

contactees the females are not okay with

1471

00:51:43,829 --> 00:51:42,079

that but i'm okay with it i don't

1472

00:51:46,630 --> 00:51:43,839

i don't understand my psychology when it

1473

00:51:48,790 --> 00:51:46,640

comes to that right all right

1474

00:51:52,390 --> 00:51:48,800

i do get to bond with them i do get to

1475

00:51:55,430 --> 00:51:54,150

but i don't know i'm just that little

1476

00:51:58,390 --> 00:51:55,440

part of their lives

1477

00:52:00,549 --> 00:51:58,400

yeah maybe it's like do you sometimes

1478

00:52:01,109 --> 00:52:00,559

get a sense that it's for a greater

1479

00:52:05,750 --> 00:52:01,119

cause

1480

00:52:11,030 --> 00:52:05,760

maybe that is is a a reason enough to

1481

00:52:12,549 --> 00:52:11,040

to not feel as attached or or concerned

1482

00:52:15,030 --> 00:52:12,559

you know that very well could be it

1483

00:52:15,990 --> 00:52:15,040

could be that on some level i understand

1484

00:52:17,910 --> 00:52:16,000

this is

1485

00:52:20,470 --> 00:52:17,920

not going to say like a contract but

1486

00:52:22,150 --> 00:52:20,480

maybe on some level i understand what's

1487

00:52:24,790 --> 00:52:22,160

going on and what the purpose is

1488

00:52:27,030 --> 00:52:24,800

right and i'm okay with it and also that

1489

00:52:30,549 --> 00:52:27,040

it's just completely out of your hands

1490

00:52:32,630 --> 00:52:30,559

anyways that is true yeah you know

1491

00:52:34,790 --> 00:52:32,640

that's true

1492

00:52:36,470 --> 00:52:34,800

and also sorry no you're good you're

1493

00:52:37,510 --> 00:52:36,480

good i mean i just i was just thinking

1494

00:52:39,589 --> 00:52:37,520

about you know like

1495

00:52:40,790 --> 00:52:39,599

you know melinda leslie and like her

1496

00:52:43,349 --> 00:52:40,800

stories and like

1497

00:52:45,270 --> 00:52:43,359

you know there's always like that one

1498

00:52:46,950 --> 00:52:45,280

that one point in her story where it

1499

00:52:47,510 --> 00:52:46,960

kind of chokes her up a little bit and

1500

00:52:48,950 --> 00:52:47,520

it's just

1501  
00:52:51,270 --> 00:52:48,960  
you know you can you can definitely

1502  
00:52:51,829 --> 00:52:51,280  
sense that she has that feeling that you

1503  
00:52:53,670 --> 00:52:51,839  
know

1504  
00:52:55,589 --> 00:52:53,680  
aaron that you're talking about like

1505  
00:52:58,870 --> 00:52:55,599  
this this you know

1506  
00:53:00,069 --> 00:52:58,880  
such a strong connection but not being

1507  
00:53:03,670 --> 00:53:00,079  
able to

1508  
00:53:06,710 --> 00:53:03,680  
interact with it on your own

1509  
00:53:08,870 --> 00:53:06,720  
you know at will basically you know

1510  
00:53:10,069 --> 00:53:08,880  
and right man i mean that's that's just

1511  
00:53:14,950 --> 00:53:10,079  
you know

1512  
00:53:16,150 --> 00:53:14,960  
extraordinary the seating and stuff like

1513  
00:53:18,309 --> 00:53:16,160

that so you know

1514

00:53:20,230 --> 00:53:18,319

we're not like super well versed in it

1515

00:53:22,870 --> 00:53:20,240

but we know about it and man like i

1516

00:53:24,309 --> 00:53:22,880

i just couldn't even i couldn't even

1517

00:53:27,190 --> 00:53:24,319

like imagine that man

1518

00:53:27,670 --> 00:53:27,200

you know like even even as a guy it's

1519

00:53:29,829 --> 00:53:27,680

like

1520

00:53:31,270 --> 00:53:29,839

that's that's your seed man you know

1521

00:53:33,109 --> 00:53:31,280

they just took your seed and

1522

00:53:34,309 --> 00:53:33,119

and did whatever you know whatever they

1523

00:53:37,750 --> 00:53:34,319

needed to do to it

1524

00:53:40,950 --> 00:53:37,760

right i i you know

1525

00:53:43,589 --> 00:53:40,960

yeah i mean if that ever happened to me

1526

00:53:45,750 --> 00:53:43,599

i would i would think that in my head i

1527

00:53:47,190 --> 00:53:45,760

would have that same kind of mentality

1528

00:53:48,950 --> 00:53:47,200

of like

1529

00:53:50,390 --> 00:53:48,960

yeah there's absolutely one nothing i

1530

00:53:53,349 --> 00:53:50,400

can do about it and two

1531

00:53:54,150 --> 00:53:53,359

maybe it is for a greater purpose you

1532

00:54:07,349 --> 00:53:54,160

know

1533

00:54:10,470 --> 00:54:07,359

humans and the people that are doing the

1534

00:54:12,390 --> 00:54:10,480

you know the hybridization um

1535

00:54:13,510 --> 00:54:12,400

maybe it's to make it easier on humans i

1536

00:54:15,109 --> 00:54:13,520

don't know i don't know we're all just

1537

00:54:18,630 --> 00:54:15,119

guessing here right i mean

1538

00:54:20,390 --> 00:54:18,640

we don't know we don't know anything

1539

00:54:22,150 --> 00:54:20,400

we don't have a clue and i think that

1540

00:54:24,470 --> 00:54:22,160

it's uh

1541

00:54:26,470 --> 00:54:24,480

healthier in our minds to say there's

1542

00:54:29,270 --> 00:54:26,480

nothing we can do about it

1543

00:54:29,510 --> 00:54:29,280

because there really isn't we can't stop

1544

00:54:34,950 --> 00:54:29,520

it

1545

00:54:36,630 --> 00:54:34,960

in any way that i can think of and so if

1546

00:54:38,309 --> 00:54:36,640

i was to fret about it i would make

1547

00:54:42,789 --> 00:54:38,319

myself sick right

1548

00:54:47,109 --> 00:54:45,030

that's that's some heavy heavy stuff you

1549

00:54:51,109 --> 00:54:47,119

know like yeah

1550

00:54:54,150 --> 00:54:51,119

yeah it's man that's a lot

1551

00:54:56,069 --> 00:54:54,160

uh it is a lot yeah it is a lot and

1552

00:54:57,430 --> 00:54:56,079

the human reads amazing like that's a

1553

00:54:59,430 --> 00:54:57,440

lot so we're not

1554

00:55:01,589 --> 00:54:59,440

going to worry about it right now right

1555

00:55:03,829 --> 00:55:01,599

just like that

1556

00:55:05,190 --> 00:55:03,839

over there and maybe later we'll address

1557

00:55:07,990 --> 00:55:05,200

it right it's almost like

1558

00:55:09,910 --> 00:55:08,000

the the mystery the reason that like

1559

00:55:11,750 --> 00:55:09,920

like we don't know what the purpose is

1560

00:55:13,430 --> 00:55:11,760

almost makes everything a little bit

1561

00:55:16,309 --> 00:55:13,440

more okay because if we knew

1562

00:55:17,270 --> 00:55:16,319

the full plan the whole agenda it would

1563

00:55:20,230 --> 00:55:17,280

be

1564

00:55:20,789 --> 00:55:20,240

kind of i don't know as humans we try to

1565

00:55:22,630 --> 00:55:20,799

solve

1566

00:55:23,910 --> 00:55:22,640

puzzles all the time if we always knew

1567

00:55:25,030 --> 00:55:23,920

the answer like what's the point of

1568

00:55:27,829 --> 00:55:25,040

doing the puzzle

1569

00:55:29,349 --> 00:55:27,839

you know it's like if we if we knew the

1570

00:55:29,829 --> 00:55:29,359

purpose of this whole thing would we

1571

00:55:32,870 --> 00:55:29,839

just

1572

00:55:35,270 --> 00:55:32,880

be like well this is dumb i don't

1573

00:55:36,230 --> 00:55:35,280

i don't want to do this anymore uh but

1574

00:55:39,430 --> 00:55:36,240

you know i don't know

1575

00:55:40,789 --> 00:55:39,440

so so i also had a thought um have you

1576

00:55:43,349 --> 00:55:40,799

guys heard of like

1577

00:55:45,270 --> 00:55:43,359

the idea that our souls are

1578

00:55:46,870 --> 00:55:45,280

intergalactic it does it's not human or

1579

00:55:48,150 --> 00:55:46,880

whatever but our souls

1580

00:55:50,069 --> 00:55:48,160

are kind of you know it's just

1581

00:55:52,069 --> 00:55:50,079

consciousness and it can jump from

1582

00:55:53,589 --> 00:55:52,079

one reality one universe to the other

1583

00:55:56,230 --> 00:55:53,599

and our

1584

00:55:56,950 --> 00:55:56,240

previous consciousness has signed a

1585

00:55:58,710 --> 00:55:56,960

contract

1586

00:56:00,309 --> 00:55:58,720

for to be a human on earth for a

1587

00:56:03,910 --> 00:56:00,319

specific amount of time

1588

00:56:04,549 --> 00:56:03,920

and we've already agreed to to go into

1589

00:56:07,670 --> 00:56:04,559

this

1590

00:56:09,510 --> 00:56:07,680

human life uh with amnesia to not

1591

00:56:10,710 --> 00:56:09,520

remember the past but some people kind

1592

00:56:12,150 --> 00:56:10,720

of bleed through like that's why

1593

00:56:14,950 --> 00:56:12,160

children sometimes

1594

00:56:16,309 --> 00:56:14,960

remember past lives and things like that

1595

00:56:18,150 --> 00:56:16,319

and uh it

1596

00:56:20,069 --> 00:56:18,160

like kind of intertwines with

1597

00:56:21,829 --> 00:56:20,079

reincarnation where you're like

1598

00:56:23,670 --> 00:56:21,839

at the end of one life you're like hey

1599

00:56:26,470 --> 00:56:23,680

so do you want to ride again or do

1600

00:56:28,470 --> 00:56:26,480

are you going to go home like and there

1601  
00:56:30,470 --> 00:56:28,480  
that's the idea like yes okay i'll do

1602  
00:56:33,270 --> 00:56:30,480  
i'll be another human again let's do it

1603  
00:56:34,710 --> 00:56:33,280  
and then you and you go back in i just

1604  
00:56:37,430 --> 00:56:34,720  
thought of that about that because it's

1605  
00:56:38,549 --> 00:56:37,440  
it's it is kind of an alien thought

1606  
00:56:40,789 --> 00:56:38,559  
because that would mean

1607  
00:56:41,910 --> 00:56:40,799  
it is an alien thought it actually is

1608  
00:56:43,589 --> 00:56:41,920  
and i

1609  
00:56:45,510 --> 00:56:43,599  
you know you hear about different

1610  
00:56:47,349 --> 00:56:45,520  
experiences getting downloads of

1611  
00:56:49,990 --> 00:56:47,359  
information you know maybe it's quantum

1612  
00:56:51,990 --> 00:56:50,000  
physics maybe it's mechanics maybe it's

1613  
00:56:53,670 --> 00:56:52,000

mathematics maybe it's about ancient

1614

00:56:54,789 --> 00:56:53,680

civilizations well the information that

1615

00:56:57,670 --> 00:56:54,799

i receive

1616

00:56:58,069 --> 00:56:57,680

is about the soul and how it splits into

1617

00:57:01,349 --> 00:56:58,079

separate

1618

00:57:04,470 --> 00:57:01,359

lives and that and that is

1619

00:57:07,270 --> 00:57:04,480

been driven into my head how to

1620

00:57:07,910 --> 00:57:07,280

how to access other selves how to work

1621

00:57:09,990 --> 00:57:07,920

with

1622

00:57:11,670 --> 00:57:10,000

you know the idea of past life to me is

1623

00:57:15,030 --> 00:57:11,680

it's a misnomer

1624

00:57:18,470 --> 00:57:15,040

because there is no time wow yeah so

1625

00:57:21,589 --> 00:57:18,480

and so every life we have

1626  
00:57:22,630 --> 00:57:21,599  
lived past present future other

1627  
00:57:24,789 --> 00:57:22,640  
dimensions whatever

1628  
00:57:26,309 --> 00:57:24,799  
is all simultaneously happening

1629  
00:57:29,990 --> 00:57:26,319  
happening just in a different

1630  
00:57:31,109 --> 00:57:30,000  
space-time location interesting i got

1631  
00:57:34,390 --> 00:57:31,119  
chills

1632  
00:57:36,470 --> 00:57:34,400  
yes that's cool and so if they are just

1633  
00:57:38,230 --> 00:57:36,480  
in a different space-time location we

1634  
00:57:39,990 --> 00:57:38,240  
actually have the ability to communicate

1635  
00:57:43,270 --> 00:57:40,000  
with our other selves

1636  
00:57:46,710 --> 00:57:43,280  
we can help other our other selves

1637  
00:57:50,390 --> 00:57:46,720  
we can heal and teach

1638  
00:57:51,190 --> 00:57:50,400

our other selves once we learn how to do

1639

00:57:54,230 --> 00:57:51,200

that

1640

00:57:57,670 --> 00:57:54,240

and of course this is at this

1641

00:57:59,990 --> 00:57:57,680

level of density of of reality i want to

1642

00:58:02,230 --> 00:58:00,000

raise up you know that ascension idea of

1643

00:58:02,950 --> 00:58:02,240

going up into a 5d reality that's where

1644

00:58:06,309 --> 00:58:02,960

the soul

1645

00:58:08,309 --> 00:58:06,319

comes together as one hmm cool

1646

00:58:10,470 --> 00:58:08,319

i have a question and it's more of kind

1647

00:58:11,910 --> 00:58:10,480

of a thought um but when we're talking

1648

00:58:14,230 --> 00:58:11,920

about the soul

1649

00:58:16,789 --> 00:58:14,240

and this this uh this whole

1650

00:58:19,109 --> 00:58:16,799

hybridization thing

1651

00:58:20,150 --> 00:58:19,119

maybe even dimensions i mean we're kind

1652

00:58:23,030 --> 00:58:20,160

of packing a lot

1653

00:58:25,030 --> 00:58:23,040

into this into this one right here but

1654

00:58:28,390 --> 00:58:25,040

to me i'm kind of thinking like

1655

00:58:31,190 --> 00:58:28,400

what if what if these beings have

1656

00:58:31,990 --> 00:58:31,200

advanced so far that maybe they have

1657

00:58:36,069 --> 00:58:32,000

like

1658

00:58:38,069 --> 00:58:36,079

become in a way uh become soulless

1659

00:58:39,190 --> 00:58:38,079

so instead of us thinking that maybe

1660

00:58:42,630 --> 00:58:39,200

they come here

1661

00:58:43,270 --> 00:58:42,640

and harvest dna for biological reasons

1662

00:58:45,750 --> 00:58:43,280

or whatever

1663

00:58:47,670 --> 00:58:45,760

what if maybe you know like they're

1664

00:58:50,789 --> 00:58:47,680

harvesting souls instead

1665

00:58:54,390 --> 00:58:50,799

it's a soul harvest for their

1666

00:58:57,430 --> 00:58:54,400

their next step of evolutionary process

1667

00:59:00,710 --> 00:58:57,440

to them uh what about instead of soul

1668

00:59:02,309 --> 00:59:00,720

harvest and soul infusion

1669

00:59:04,230 --> 00:59:02,319

i'll take that as well that sounds a lot

1670

00:59:06,789 --> 00:59:04,240

less scary yeah it sounds like a nice

1671

00:59:09,030 --> 00:59:06,799

fruity drink like a sparkling water

1672

00:59:10,069 --> 00:59:09,040

something palatable i enjoy that a lot

1673

00:59:12,390 --> 00:59:10,079

better yes

1674

00:59:15,510 --> 00:59:12,400

soul infusion that's gonna be the name

1675

00:59:18,950 --> 00:59:15,520

of my next jazz band oh my gosh

1676

00:59:20,870 --> 00:59:18,960

i love that yes soul infusion yeah

1677

00:59:23,270 --> 00:59:20,880

let's go with that let's go with that i

1678

00:59:25,990 --> 00:59:23,280

mean that

1679

00:59:27,670 --> 00:59:26,000

if if your theory you know you know this

1680

00:59:30,150 --> 00:59:27,680

postulation of

1681

00:59:32,230 --> 00:59:30,160

maybe they have evolved so far they no

1682

00:59:34,789 --> 00:59:32,240

longer are connected to soul

1683

00:59:37,349 --> 00:59:34,799

if they create a hybrid child that is

1684

00:59:39,270 --> 00:59:37,359

part human part them

1685

00:59:41,349 --> 00:59:39,280

the human part is going to have that

1686

00:59:44,549 --> 00:59:41,359

little bit of soul come in and so

1687

00:59:47,270 --> 00:59:44,559

that would be a soul infusion

1688

00:59:48,950 --> 00:59:47,280

in a way yeah it's interesting that

1689

00:59:52,470 --> 00:59:48,960

almost makes me feel like

1690

00:59:54,150 --> 00:59:52,480

as humans this is why

1691

00:59:55,829 --> 00:59:54,160

these extraterrestrials are so

1692

00:59:58,309 --> 00:59:55,839

interested in us and we have

1693

00:59:59,270 --> 00:59:58,319

so much potential that we just don't

1694

01:00:02,069 --> 00:59:59,280

realize

1695

01:00:03,190 --> 01:00:02,079

it's like this i think that's like every

1696

01:00:06,390 --> 01:00:03,200

kind of genesis

1697

01:00:08,309 --> 01:00:06,400

story right for every super hero or

1698

01:00:12,150 --> 01:00:08,319

comic book it's like

1699

01:00:14,710 --> 01:00:12,160

one day this kid or woman or man

1700

01:00:16,630 --> 01:00:14,720

realizes they have this power i think

1701

01:00:19,589 --> 01:00:16,640

there's a reason why we find that so

1702

01:00:20,309 --> 01:00:19,599

fascinating for for fiction right is

1703

01:00:23,030 --> 01:00:20,319

because i think

1704

01:00:23,910 --> 01:00:23,040

deep down we all wish that one day we

1705

01:00:26,950 --> 01:00:23,920

wake up and

1706

01:00:29,990 --> 01:00:26,960

oh i could climb walls man yeah like we

1707

01:00:31,430 --> 01:00:30,000

all individually feel this power that we

1708

01:00:33,349 --> 01:00:31,440

can't access

1709

01:00:35,109 --> 01:00:33,359

but for some reason we feel like it's

1710

01:00:36,710 --> 01:00:35,119

there yeah and we don't know how to get

1711

01:00:38,870 --> 01:00:36,720

to it yeah yeah

1712

01:00:39,750 --> 01:00:38,880

definitely i think yes absolutely i

1713

01:00:42,789 --> 01:00:39,760

think that

1714

01:00:44,789 --> 01:00:42,799

most of us feel that way

1715

01:00:46,150 --> 01:00:44,799

yeah definitely unless you can do more

1716

01:00:49,270 --> 01:00:46,160

stuff like i know

1717

01:00:50,549 --> 01:00:49,280

that i have telekinesis yes but i can't

1718

01:00:52,390 --> 01:00:50,559

make anything move

1719

01:00:55,589 --> 01:00:52,400

and i don't get it yeah like you've seen

1720

01:00:58,549 --> 01:00:55,599

yourself do it like you have memories

1721

01:00:59,589 --> 01:00:58,559

of that and it like oh man i mean i

1722

01:01:01,589 --> 01:00:59,599

think

1723

01:01:02,950 --> 01:01:01,599

i used to have flying dreams a lot when

1724

01:01:03,270 --> 01:01:02,960

i was a kid and i would wake up it's

1725

01:01:12,150 --> 01:01:03,280

like

1726

01:01:15,349 --> 01:01:12,160

memories are

1727

01:01:15,829 --> 01:01:15,359

or these experiences like you could move

1728

01:01:18,950 --> 01:01:15,839

stuff

1729

01:01:19,589 --> 01:01:18,960

like that's super cool um yeah i think

1730

01:01:22,789 --> 01:01:19,599

that's awesome

1731

01:01:25,270 --> 01:01:22,799

figure out how to do it so let's go

1732

01:01:27,109 --> 01:01:25,280

go no go for it i was gonna i was gonna

1733

01:01:29,030 --> 01:01:27,119

go i was gonna segue somewhere else but

1734

01:01:30,789 --> 01:01:29,040

i want to hear what you have to say

1735

01:01:32,309 --> 01:01:30,799

i was gonna say when i was taught about

1736

01:01:35,349 --> 01:01:32,319

the gravity manipulation

1737

01:01:36,630 --> 01:01:35,359

and i was able to it felt like flying

1738

01:01:38,309 --> 01:01:36,640

you never know that could be where your

1739

01:01:39,829 --> 01:01:38,319

flying dreams come from right we've

1740

01:01:41,990 --> 01:01:39,839

already established that you probably

1741

01:01:45,030 --> 01:01:42,000

have experiences yourselves

1742

01:01:48,390 --> 01:01:45,040

so here we go but

1743

01:01:51,430 --> 01:01:48,400

uh yeah so after that i

1744

01:01:52,230 --> 01:01:51,440

i remember and i don't even know why i

1745

01:01:53,910 --> 01:01:52,240

did this

1746

01:01:56,150 --> 01:01:53,920

when i was in elementary school i would

1747

01:01:58,069 --> 01:01:56,160

tell my friend pick me up

1748

01:02:00,230 --> 01:01:58,079

and she would pick me up and put me down

1749

01:02:02,470 --> 01:02:00,240

and i then i would shift my weight

1750

01:02:03,510 --> 01:02:02,480

just a fraction and so do it again and

1751

01:02:05,990 --> 01:02:03,520

she couldn't

1752

01:02:07,589 --> 01:02:06,000

she could not lift me up huh and then

1753

01:02:08,710 --> 01:02:07,599

i'd relax and say okay pick me up and

1754

01:02:10,309 --> 01:02:08,720

she's like what

1755

01:02:11,750 --> 01:02:10,319

and she picked me up and it was fine and

1756

01:02:12,789 --> 01:02:11,760

i would shift again and say do it again

1757

01:02:15,910 --> 01:02:12,799

and she couldn't

1758

01:02:17,029 --> 01:02:15,920

so there was something i was retaining

1759

01:02:19,270 --> 01:02:17,039

at that point in time

1760

01:02:20,710 --> 01:02:19,280

about the gravity manipulation but i

1761

01:02:23,190 --> 01:02:20,720

don't know whoa

1762

01:02:24,309 --> 01:02:23,200

wow very interesting that's super cool

1763

01:02:28,390 --> 01:02:24,319

yeah

1764

01:02:29,510 --> 01:02:28,400

this is i'm just making this random

1765

01:02:30,230 --> 01:02:29,520

connection but you know those little

1766

01:02:31,910 --> 01:02:30,240

bracelets

1767

01:02:33,829 --> 01:02:31,920

that that say that like the power

1768

01:02:35,270 --> 01:02:33,839

bracelet and they start they say like

1769

01:02:37,190 --> 01:02:35,280

push your arm up and then

1770

01:02:38,390 --> 01:02:37,200

you put on the bracelet and now you like

1771

01:02:40,710 --> 01:02:38,400

obviously it's the person

1772

01:02:42,870 --> 01:02:40,720

like letting go but yeah it just

1773

01:02:46,230 --> 01:02:42,880

reminded me of that

1774

01:02:46,950 --> 01:02:46,240

but yeah man yes cool so i was gonna i

1775

01:02:50,150 --> 01:02:46,960

was gonna

1776

01:02:51,109 --> 01:02:50,160

go on to the uh you had mentioned

1777

01:02:52,309 --> 01:02:51,119

something about like

1778

01:02:55,029 --> 01:02:52,319

we're talking about dimensions and

1779

01:02:58,309 --> 01:02:57,829

you so you say that you you have the uh

1780

01:03:02,309 --> 01:02:58,319

i guess

1781

01:03:02,870 --> 01:03:02,319

the ability or the um the know-how to i

1782

01:03:05,910 --> 01:03:02,880

guess

1783

01:03:09,109 --> 01:03:05,920

uh maybe shift dimensions a little bit

1784

01:03:10,789 --> 01:03:09,119

like you you i don't know how to word it

1785

01:03:12,710 --> 01:03:10,799

correctly but do you know what kind of

1786

01:03:16,069 --> 01:03:12,720

what i'm getting at if i can

1787

01:03:18,069 --> 01:03:16,079

either but yes i yeah um that is one of

1788

01:03:20,710 --> 01:03:18,079

the things that i have been taught

1789

01:03:22,230 --> 01:03:20,720

right yes it was horrible that night was

1790

01:03:23,109 --> 01:03:22,240

horrible i had to call in sick the next

1791

01:03:25,990 --> 01:03:23,119

day

1792

01:03:28,230 --> 01:03:26,000

um but it is all you know when i say

1793

01:03:30,950 --> 01:03:28,240

that i work as a shaman that that's what

1794

01:03:32,230 --> 01:03:30,960

it is i'm able to i may be sitting here

1795

01:03:32,870 --> 01:03:32,240

and looking at you and talking to you

1796

01:03:35,990 --> 01:03:32,880

but i can

1797

01:03:38,470 --> 01:03:36,000

shift and go into different places

1798

01:03:40,309 --> 01:03:38,480

see different things and and do healings

1799

01:03:41,349 --> 01:03:40,319

and things like that bring little bits

1800

01:03:44,549 --> 01:03:41,359

of soul

1801

01:03:47,029 --> 01:03:44,559

back from somebody who like in in those

1802

01:03:47,670 --> 01:03:47,039

um different space-time locations have

1803

01:03:49,990 --> 01:03:47,680

lost

1804

01:03:51,190 --> 01:03:50,000

something that can be returned yeah and

1805

01:03:53,910 --> 01:03:51,200

um that's

1806

01:03:54,789 --> 01:03:53,920

i do that a lot wow that's incredible

1807

01:03:57,510 --> 01:03:54,799

because that's taught

1808

01:03:58,789 --> 01:03:57,520

yeah that's super cool i love that so so

1809

01:04:02,390 --> 01:03:58,799

when you're doing this

1810

01:04:06,309 --> 01:04:02,400

this person if if if something's

1811

01:04:09,510 --> 01:04:06,319

missing so you you say that you can

1812

01:04:12,710 --> 01:04:09,520

you can go to this different time of

1813

01:04:14,789 --> 01:04:12,720

of when they were when they were

1814

01:04:15,990 --> 01:04:14,799

alive i guess or whatever and bring

1815

01:04:19,029 --> 01:04:16,000

something back from a

1816

01:04:21,510 --> 01:04:19,039

different them in a different

1817

01:04:22,309 --> 01:04:21,520

time in a different dimension right it's

1818

01:04:26,390 --> 01:04:22,319

kind of

1819

01:04:28,230 --> 01:04:26,400

what i'm understanding yes

1820

01:04:30,470 --> 01:04:28,240

or it could be it could be them in the

1821

01:04:31,029 --> 01:04:30,480

past could be them in the past okay

1822

01:04:34,630 --> 01:04:31,039

right

1823

01:04:37,589 --> 01:04:34,640

anywhere and so

1824

01:04:38,630 --> 01:04:37,599

and so the way i determine if somebody

1825

01:04:40,230 --> 01:04:38,640

is struggling with this

1826

01:04:42,549 --> 01:04:40,240

is like i have done everything i

1827

01:04:44,150 --> 01:04:42,559

possibly can aaron and i just can't seem

1828

01:04:46,470 --> 01:04:44,160

to move forward with my life

1829

01:04:47,990 --> 01:04:46,480

i can never find the love of my life or

1830

01:04:50,069 --> 01:04:48,000

i just cannot

1831

01:04:51,589 --> 01:04:50,079

bring the money in that i need and you

1832

01:04:53,190 --> 01:04:51,599

know there's something that has them

1833

01:04:54,950 --> 01:04:53,200

stuck and they can't move forward and

1834

01:04:56,150 --> 01:04:54,960

then i'd say okay it's time for you to

1835

01:04:57,990 --> 01:04:56,160

be reintegrated

1836

01:04:59,510 --> 01:04:58,000

basically these little bits of self that

1837

01:05:01,029 --> 01:04:59,520

have disappeared

1838

01:05:03,029 --> 01:05:01,039

we need to bring them back so that you

1839

01:05:05,990 --> 01:05:03,039

can move forward because you're

1840

01:05:08,069 --> 01:05:06,000

done done healing those bits so

1841

01:05:09,109 --> 01:05:08,079

oftentimes when there is trauma or there

1842

01:05:11,829 --> 01:05:09,119

is pain and there

1843

01:05:13,109 --> 01:05:11,839

or scary things happen maybe you're

1844

01:05:14,630 --> 01:05:13,119

abused

1845

01:05:16,230 --> 01:05:14,640

you know whatever it is a piece of your

1846

01:05:17,270 --> 01:05:16,240

soul will detach you know the piece that

1847

01:05:21,109 --> 01:05:17,280

was damaged

1848

01:05:22,789 --> 01:05:21,119

will detach from the body and either

1849

01:05:24,230 --> 01:05:22,799

somebody will pick it up and keep it or

1850

01:05:26,390 --> 01:05:24,240

it will just stay in that space-time

1851

01:05:29,990 --> 01:05:26,400

location and those little bits

1852

01:05:32,230 --> 01:05:30,000

can be picked up and returned

1853

01:05:33,349 --> 01:05:32,240

to the to the being because it's time

1854

01:05:36,950 --> 01:05:33,359

for them to heal

1855

01:05:38,309 --> 01:05:36,960

and move forward whoa that like i'm just

1856

01:05:39,029 --> 01:05:38,319

making all these connections as you're

1857

01:05:42,390 --> 01:05:39,039

saying this

1858

01:05:45,510 --> 01:05:42,400

um i almost think that with that

1859

01:05:47,109 --> 01:05:45,520

line of thinking uh i guess i've never

1860

01:05:49,829 --> 01:05:47,119

really thought about it this way like

1861

01:05:51,750 --> 01:05:49,839

trauma you say maybe yeah like trauma

1862

01:05:53,349 --> 01:05:51,760

can detach a part of a soul and

1863

01:05:55,510 --> 01:05:53,359

we just say soul because we don't know

1864

01:05:57,589 --> 01:05:55,520

what better word to use right i mean

1865

01:05:59,190 --> 01:05:57,599

i don't really know what it is but but

1866

01:06:01,750 --> 01:05:59,200

that could that could explain

1867

01:06:03,029 --> 01:06:01,760

ghosts and other paranormal activity i

1868

01:06:06,309 --> 01:06:03,039

don't know

1869

01:06:09,029 --> 01:06:06,319

it absolutely does it absolutely does um

1870

01:06:10,870 --> 01:06:09,039

at least in my in my perspective and my

1871

01:06:13,910 --> 01:06:10,880

understanding of things

1872

01:06:14,309 --> 01:06:13,920

absolutely um oftentimes hauntings are

1873

01:06:17,430 --> 01:06:14,319

just

1874

01:06:20,470 --> 01:06:17,440

like the the when somebody passes

1875

01:06:22,549 --> 01:06:20,480

and they ascend to a different dimension

1876

01:06:23,910 --> 01:06:22,559

there's a lot of bits of themselves that

1877

01:06:28,309 --> 01:06:23,920

are too heavy

1878

01:06:32,309 --> 01:06:28,319

to go sad the anger the rage the pain

1879

01:06:34,630 --> 01:06:32,319

the addictions those things stay

1880

01:06:35,750 --> 01:06:34,640

and they can attach to people they can

1881

01:06:37,670 --> 01:06:35,760

stay in the

1882

01:06:39,270 --> 01:06:37,680

you know where they are at and then and

1883

01:06:41,190 --> 01:06:39,280

then you can interact with these little

1884

01:06:42,230 --> 01:06:41,200

bits that are actually you know sentient

1885

01:06:46,150 --> 01:06:42,240

sometimes

1886

01:06:48,950 --> 01:06:46,160

um and and you can as a person who

1887

01:06:50,150 --> 01:06:48,960

is the medium or whatnot you can return

1888

01:06:52,950 --> 01:06:50,160

that bit to

1889

01:06:53,829 --> 01:06:52,960

its owner you can help remove it from

1890

01:06:57,190 --> 01:06:53,839

the home or

1891

01:06:59,750 --> 01:06:57,200

from a person if it's attached um

1892

01:07:01,670 --> 01:06:59,760

yeah absolutely that's exactly how i

1893

01:07:02,150 --> 01:07:01,680

conceptualize it or see it and i work

1894

01:07:05,349 --> 01:07:02,160

with it

1895

01:07:08,390 --> 01:07:05,359

right so uh okay question for you

1896

01:07:09,029 --> 01:07:08,400

have you ever have you ever entered a

1897

01:07:12,390 --> 01:07:09,039

room

1898

01:07:14,470 --> 01:07:12,400

not knowing anything about it and like

1899

01:07:15,510 --> 01:07:14,480

i think i think we've talked about this

1900

01:07:17,670 --> 01:07:15,520

joe but like

1901

01:07:19,349 --> 01:07:17,680

got chills and like something's off

1902

01:07:21,510 --> 01:07:19,359

about this room

1903

01:07:22,470 --> 01:07:21,520

oh yeah is that something that that you

1904

01:07:25,190 --> 01:07:22,480

you work with

1905

01:07:27,029 --> 01:07:25,200

uh currently and it i just kind of i'm

1906

01:07:28,549 --> 01:07:27,039

seeing you as like a like in a movie i'm

1907

01:07:30,309 --> 01:07:28,559

just like picturing you

1908

01:07:31,910 --> 01:07:30,319

going in between dimensions and like

1909

01:07:33,430 --> 01:07:31,920

walking into a specific room and like

1910

01:07:34,950 --> 01:07:33,440

picking up a piece of soul and then like

1911

01:07:37,029 --> 01:07:34,960

all right going back and then

1912

01:07:38,390 --> 01:07:37,039

boom putting it back into the you know

1913

01:07:38,710 --> 01:07:38,400

the person that you're working with i'm

1914

01:07:40,870 --> 01:07:38,720

just

1915

01:07:42,630 --> 01:07:40,880

like visualizing it is that kind of how

1916

01:07:44,710 --> 01:07:42,640

it works that

1917

01:07:45,990 --> 01:07:44,720

that is how it works however it may not

1918

01:07:48,309 --> 01:07:46,000

be my physical body that's

1919

01:07:49,349 --> 01:07:48,319

walking into the room right it may just

1920

01:07:52,789 --> 01:07:49,359

be you know

1921

01:07:55,349 --> 01:07:52,799

the natural body because i

1922

01:07:56,710 --> 01:07:55,359

i very rarely actually go to a person's

1923

01:07:59,990 --> 01:07:56,720

house to do that i mean i do

1924

01:08:02,630 --> 01:08:00,000

but i live in a small town you know so

1925

01:08:05,990 --> 01:08:02,640

there's not a lot of people yes i don't

1926

01:08:09,029 --> 01:08:06,000

advertise this very much

1927

01:08:11,109 --> 01:08:09,039

well now i guess i really can't get away

1928

01:08:14,390 --> 01:08:11,119

with it anymore people

1929

01:08:16,550 --> 01:08:14,400

oh the cat's out of the bag now

1930

01:08:18,709 --> 01:08:16,560

right exactly and that's and that's why

1931

01:08:20,149 --> 01:08:18,719

i titled the book dirty little secret

1932

01:08:23,829 --> 01:08:20,159

because

1933

01:08:26,229 --> 01:08:23,839

she said this is hard to expose this man

1934

01:08:28,149 --> 01:08:26,239

it's very hard to express this uh yeah

1935

01:08:29,269 --> 01:08:28,159

yeah i do i i was gonna ask you about

1936

01:08:30,709 --> 01:08:29,279

the the title what

1937

01:08:32,070 --> 01:08:30,719

can you maybe speak a little bit about

1938

01:08:33,910 --> 01:08:32,080

the significance i know you just

1939

01:08:34,950 --> 01:08:33,920

referenced it but uh maybe talk about

1940

01:08:36,470 --> 01:08:34,960

the title a little bit

1941

01:08:38,870 --> 01:08:36,480

because the full title is confessions of

1942

01:08:40,950 --> 01:08:38,880

an a of an alien contactee

1943

01:08:42,149 --> 01:08:40,960

dirty little secret could you maybe talk

1944

01:08:43,829 --> 01:08:42,159

a little bit about the significance of

1945

01:08:46,870 --> 01:08:43,839

that

1946

01:08:47,910 --> 01:08:46,880

yes absolutely um as as a contactee as

1947

01:08:49,669 --> 01:08:47,920

an experiencer

1948

01:08:51,430 --> 01:08:49,679

this is something that has been shut

1949

01:08:55,269 --> 01:08:51,440

people have been laughed at

1950

01:08:57,910 --> 01:08:55,279

called crazy i'm a clinical therapist

1951

01:08:59,510 --> 01:08:57,920

who wants to go see a crazy clinical

1952

01:09:01,990 --> 01:08:59,520

therapist

1953

01:09:02,789 --> 01:09:02,000

yeah it doesn't work that way and so and

1954

01:09:05,030 --> 01:09:02,799

so

1955

01:09:06,390 --> 01:09:05,040

knowing that i have these experiences

1956

01:09:09,910 --> 01:09:06,400

and and this is who

1957

01:09:12,149 --> 01:09:09,920

i am but having to present myself

1958

01:09:13,110 --> 01:09:12,159

in a completely different light on the

1959

01:09:17,749 --> 01:09:13,120

daily

1960

01:09:22,070 --> 01:09:20,470

i can't justify that you know i can't

1961

01:09:23,590 --> 01:09:22,080

and i got to a point

1962

01:09:25,430 --> 01:09:23,600

i think when i started writing the book

1963

01:09:25,990 --> 01:09:25,440

that i can no longer do this i cannot

1964

01:09:29,590 --> 01:09:26,000

have

1965

01:09:31,269 --> 01:09:29,600

this split life this mask that there's a

1966

01:09:31,669 --> 01:09:31,279

whole chapter about the masks that you

1967

01:09:34,550 --> 01:09:31,679

wear

1968

01:09:36,390 --> 01:09:34,560

yeah and i can't do it anymore and and

1969

01:09:37,590 --> 01:09:36,400

so i'm like right i'm gonna have to just

1970

01:09:38,709 --> 01:09:37,600

i'm gonna have to spill the beans i'm

1971

01:09:41,590 --> 01:09:38,719

gonna have to tell this

1972

01:09:41,990 --> 01:09:41,600

dirty little secret and see what happens

1973

01:09:44,550 --> 01:09:42,000

and

1974

01:09:46,390 --> 01:09:44,560

was i afraid i was gonna lose my job yes

1975

01:09:48,950 --> 01:09:46,400

i was

1976

01:09:49,829 --> 01:09:48,960

but i couldn't i just had to do it i'm

1977

01:09:52,870 --> 01:09:49,839

so glad you did

1978

01:09:55,830 --> 01:09:52,880

because i mean man it's

1979

01:09:57,189 --> 01:09:55,840

uh yeah there's so much to unpack i mean

1980

01:09:59,510 --> 01:09:57,199

joe uh you

1981

01:10:00,830 --> 01:09:59,520

you're like you get onto one subject

1982

01:10:04,390 --> 01:10:00,840

there's so much

1983

01:10:05,270 --> 01:10:04,400

uh yeah it's and it definitely helps

1984

01:10:08,550 --> 01:10:05,280

people too

1985

01:10:11,430 --> 01:10:08,560

you know uh you know we've

1986

01:10:11,750 --> 01:10:11,440

we've been we've been kind of you know

1987

01:10:13,830 --> 01:10:11,760

just

1988

01:10:14,950 --> 01:10:13,840

listening to these stories and listening

1989

01:10:16,870 --> 01:10:14,960

to people talk

1990

01:10:18,310 --> 01:10:16,880

it seems like you know you even mention

1991

01:10:19,990 --> 01:10:18,320

it in your book you know

1992

01:10:22,229 --> 01:10:20,000

a lot of these people even if they don't

1993

01:10:22,709 --> 01:10:22,239

want to be recorded or they don't you

1994

01:10:24,709 --> 01:10:22,719

know

1995

01:10:25,990 --> 01:10:24,719

they're like i don't want to use my name

1996

01:10:28,870 --> 01:10:26,000

it just it helps

1997

01:10:30,630 --> 01:10:28,880

so much to just get it off their chest

1998

01:10:32,550 --> 01:10:30,640

you know like they just

1999

01:10:34,470 --> 01:10:32,560

they don't want to talk about it but you

2000

01:10:36,310 --> 01:10:34,480

know there's an occasion where maybe

2001  
01:10:37,669 --> 01:10:36,320  
they do talk about it and it just makes

2002  
01:10:40,950 --> 01:10:37,679  
them feel good

2003  
01:10:42,070 --> 01:10:40,960  
um just to have that opportunity and and

2004  
01:10:45,350 --> 01:10:42,080  
just to have somebody

2005  
01:10:48,630 --> 01:10:45,360  
listen who doesn't think you're a wacko

2006  
01:10:49,350 --> 01:10:48,640  
yeah right and absolutely and the tide

2007  
01:10:51,430 --> 01:10:49,360  
is definitely

2008  
01:10:52,870 --> 01:10:51,440  
starting to change i can definitely see

2009  
01:10:55,110 --> 01:10:52,880  
it i mean

2010  
01:10:57,030 --> 01:10:55,120  
i've i've got you know i've got friends

2011  
01:10:59,270 --> 01:10:57,040  
who never even thought about an alien

2012  
01:11:01,510 --> 01:10:59,280  
before that have you know

2013  
01:11:02,870 --> 01:11:01,520

posted stuff on their page recently or

2014

01:11:04,550 --> 01:11:02,880

you know reached out to me

2015

01:11:06,070 --> 01:11:04,560

and been like hey have you seen this and

2016

01:11:07,830 --> 01:11:06,080

it's like oh yeah

2017

01:11:09,189 --> 01:11:07,840

yeah i've seen that that's really cool

2018

01:11:11,350 --> 01:11:09,199

you know it's just i

2019

01:11:13,189 --> 01:11:11,360

i definitely feel like you know the the

2020

01:11:14,950 --> 01:11:13,199

page is definitely turning a little bit

2021

01:11:17,030 --> 01:11:14,960

for that and it's really good that more

2022

01:11:18,950 --> 01:11:17,040

and more people are starting to

2023

01:11:20,790 --> 01:11:18,960

kind of come out and tell their their

2024

01:11:23,430 --> 01:11:20,800

their stories because

2025

01:11:24,149 --> 01:11:23,440

you know it's like how can we expect you

2026

01:11:26,470 --> 01:11:24,159

know

2027

01:11:28,390 --> 01:11:26,480

a disclosure from like a major

2028

01:11:30,070 --> 01:11:28,400

government or something you know like

2029

01:11:32,310 --> 01:11:30,080

high-end like that when

2030

01:11:33,110 --> 01:11:32,320

you know it's really it has nothing to

2031

01:11:36,229 --> 01:11:33,120

do with them

2032

01:11:38,950 --> 01:11:36,239

it's it's all the experiences themselves

2033

01:11:40,630 --> 01:11:38,960

you know that have the stories that's

2034

01:11:41,830 --> 01:11:40,640

where you're going to get the disclosure

2035

01:11:43,189 --> 01:11:41,840

that's where you're going to get the

2036

01:11:44,470 --> 01:11:43,199

help that's where you're going to get

2037

01:11:45,990 --> 01:11:44,480

the information

2038

01:11:48,470 --> 01:11:46,000

it's from the people who are

2039

01:11:51,830 --> 01:11:48,480

experiencing it not from your government

2040

01:11:53,590 --> 01:11:51,840

not from people like me and ben who have

2041

01:11:54,390 --> 01:11:53,600

never you know well not that we know of

2042

01:11:56,870 --> 01:11:54,400

we don't know

2043

01:11:58,390 --> 01:11:56,880

not that we know of but you know we're

2044

01:12:01,430 --> 01:11:58,400

getting it from people like you

2045

01:12:03,990 --> 01:12:01,440

and that's what's so important

2046

01:12:04,630 --> 01:12:04,000

absolutely and it is at this point in my

2047

01:12:06,310 --> 01:12:04,640

life

2048

01:12:08,310 --> 01:12:06,320

and i think the book was part of it it

2049

01:12:10,790 --> 01:12:08,320

is a drive um

2050

01:12:13,510 --> 01:12:10,800

and i'm going to say that i'm probably

2051

01:12:16,390 --> 01:12:13,520

not behind the drive i'm sure it is them

2052

01:12:17,750 --> 01:12:16,400

um you have you have to get out you have

2053

01:12:21,110 --> 01:12:17,760

to talk you have to keep

2054

01:12:22,790 --> 01:12:21,120

pushing this i mean i'm exhausted i work

2055

01:12:24,870 --> 01:12:22,800

all day and then i do radio shows at

2056

01:12:25,350 --> 01:12:24,880

night and then it's like okay so when do

2057

01:12:28,310 --> 01:12:25,360

i

2058

01:12:29,990 --> 01:12:28,320

actually get but um that's okay whatever

2059

01:12:32,149 --> 01:12:30,000

i need to do this

2060

01:12:34,630 --> 01:12:32,159

because it's so incredibly important

2061

01:12:36,550 --> 01:12:34,640

right people who have these experiences

2062

01:12:37,910 --> 01:12:36,560

need to know that they have support they

2063

01:12:39,510 --> 01:12:37,920

need to know that they're not crazy and

2064

01:12:40,790 --> 01:12:39,520

they need to know especially that they

2065

01:12:42,950 --> 01:12:40,800

are not alone

2066

01:12:44,950 --> 01:12:42,960

right and if i could be one of those

2067

01:12:47,669 --> 01:12:44,960

voices that get out there and say hey

2068

01:12:49,110 --> 01:12:47,679

you're not alone and if you need to get

2069

01:12:53,110 --> 01:12:49,120

a hold of me because it's okay

2070

01:12:56,229 --> 01:12:53,120

you know and and i absolutely

2071

01:12:57,910 --> 01:12:56,239

feel the drive to do that i love it it's

2072

01:12:58,709 --> 01:12:57,920

and you're such an easy person to talk

2073

01:13:01,189 --> 01:12:58,719

to you as well

2074

01:13:02,950 --> 01:13:01,199

um i'm just glad for that because you

2075

01:13:04,790 --> 01:13:02,960

know you never know

2076

01:13:07,270 --> 01:13:04,800

with as much stuff as that has happened

2077

01:13:07,750 --> 01:13:07,280

to you and the way that you've been able

2078

01:13:10,630 --> 01:13:07,760

to

2079

01:13:11,750 --> 01:13:10,640

kind of overcome it and and digest it in

2080

01:13:14,790 --> 01:13:11,760

the way that you have is

2081

01:13:18,310 --> 01:13:14,800

is uh very respectable you know

2082

01:13:20,229 --> 01:13:18,320

i just uh i i as someone that

2083

01:13:21,750 --> 01:13:20,239

i myself i don't know if i've had any

2084

01:13:23,910 --> 01:13:21,760

any experiences like that maybe i'll

2085

01:13:26,950 --> 01:13:23,920

find out in a couple years but

2086

01:13:27,350 --> 01:13:26,960

uh i mean to come to know that it you

2087

01:13:28,790 --> 01:13:27,360

can

2088

01:13:31,030 --> 01:13:28,800

go through this stuff and come out on

2089

01:13:32,470 --> 01:13:31,040

the other end totally fine and

2090

01:13:34,709 --> 01:13:32,480

like hey you know just we're all just

2091

01:13:37,110 --> 01:13:34,719

trying to figure it out and um

2092

01:13:38,709 --> 01:13:37,120

yeah it's it's it's refreshing and it's

2093

01:13:41,270 --> 01:13:38,719

it's it's awesome so it's

2094

01:13:41,910 --> 01:13:41,280

yeah it's great to i just thank you so

2095

01:13:43,430 --> 01:13:41,920

much for

2096

01:13:44,950 --> 01:13:43,440

you know coming on the show i know it

2097

01:13:47,030 --> 01:13:44,960

took a while

2098

01:13:48,950 --> 01:13:47,040

to to to set all this stuff up we're a

2099

01:13:49,669 --> 01:13:48,960

little disorganized it's just me and joe

2100

01:13:52,950 --> 01:13:49,679

you know

2101

01:13:55,350 --> 01:13:52,960

this show right

2102

01:13:58,229 --> 01:13:55,360

but okay in the off time trying to get

2103

01:14:02,390 --> 01:14:00,790

yeah i know i mean yeah i'm super stoked

2104

01:14:04,550 --> 01:14:02,400

that you you reached out to us too

2105

01:14:06,390 --> 01:14:04,560

i i had i had another little question

2106

01:14:09,590 --> 01:14:06,400

for you um

2107

01:14:10,950 --> 01:14:09,600

did i i've read through so many books

2108

01:14:13,430 --> 01:14:10,960

this past month

2109

01:14:15,350 --> 01:14:13,440

that i kind of mix stuff up you did you

2110

01:14:18,950 --> 01:14:15,360

mention on my labs experience

2111

01:14:20,950 --> 01:14:18,960

in here i did but you know what honestly

2112

01:14:21,669 --> 01:14:20,960

i didn't know what my lab was until the

2113

01:14:25,270 --> 01:14:21,679

other day

2114

01:14:27,510 --> 01:14:25,280

okay okay so did you know the term

2115

01:14:29,750 --> 01:14:27,520

no i did not know the term i did not

2116

01:14:32,310 --> 01:14:29,760

know the term until i did a leak project

2117

01:14:33,590 --> 01:14:32,320

um interview and then he posted it and

2118

01:14:34,149 --> 01:14:33,600

sent me the link and i was like what's

2119

01:14:36,870 --> 01:14:34,159

my lab

2120

01:14:38,550 --> 01:14:36,880

awesome awesome so i had to look it up i

2121

01:14:39,990 --> 01:14:38,560

was like son of a gun so this really is

2122

01:14:42,310 --> 01:14:40,000

a thing

2123

01:14:46,070 --> 01:14:42,320

yeah do you think you've had any any

2124

01:14:49,910 --> 01:14:48,550

from what i understand that my lab is

2125

01:14:53,270 --> 01:14:49,920

military involvement correct

2126

01:14:54,950 --> 01:14:53,280

right yes right yes i have yes i have

2127

01:14:56,870 --> 01:14:54,960

and when i said you know there's the

2128

01:14:58,870 --> 01:14:56,880

the really scary horrible awful things

2129

01:15:01,669 --> 01:14:58,880

that have happened to me

2130

01:15:03,350 --> 01:15:01,679

those are the ones i mean that's that's

2131

01:15:05,189 --> 01:15:03,360

what i wanted to get to right there

2132

01:15:06,870 --> 01:15:05,199

that's exactly what i wanted to get to i

2133

01:15:08,390 --> 01:15:06,880

was going to ask you was

2134

01:15:09,990 --> 01:15:08,400

do you feel like there was a difference

2135

01:15:13,110 --> 01:15:10,000

in your my lab experience your

2136

01:15:15,430 --> 01:15:13,120

actual et experience and most people

2137

01:15:16,070 --> 01:15:15,440

with these these my lab experiences man

2138

01:15:20,229 --> 01:15:16,080

i mean they

2139

01:15:23,750 --> 01:15:20,239

they seem horrible they seem terrible

2140

01:15:26,630 --> 01:15:23,760

they are awful they and i you know

2141

01:15:29,030 --> 01:15:26,640

as i sat and thought about like why why

2142

01:15:30,550 --> 01:15:29,040

were these things so different

2143

01:15:32,390 --> 01:15:30,560

number one there were humans involved i

2144

01:15:34,229 --> 01:15:32,400

saw humans or at least

2145

01:15:35,830 --> 01:15:34,239

human-looking hybrids i don't know but

2146

01:15:39,110 --> 01:15:35,840

they look like us

2147

01:15:40,870 --> 01:15:39,120

and i was very upset but why

2148

01:15:42,229 --> 01:15:40,880

why is there a difference in what what

2149

01:15:45,830 --> 01:15:42,239

was the agenda there

2150

01:15:46,950 --> 01:15:45,840

in the the military type experience that

2151

01:15:49,510 --> 01:15:46,960

i had

2152

01:15:51,590 --> 01:15:49,520

i was being induced labor with one of

2153

01:15:52,070 --> 01:15:51,600

those hybrid babies and now i'm sitting

2154

01:15:55,350 --> 01:15:52,080

back and

2155

01:15:56,390 --> 01:15:55,360

speculating that they knew that i was

2156

01:15:58,470 --> 01:15:56,400

carrying

2157

01:16:00,390 --> 01:15:58,480

one of these hybrid hybrid babies and

2158

01:16:03,830 --> 01:16:00,400

they took it

2159

01:16:05,830 --> 01:16:03,840

whoa yeah took it we don't know why

2160

01:16:07,270 --> 01:16:05,840

and we don't know what those hybrid

2161

01:16:10,070 --> 01:16:07,280

babies are being used for

2162

01:16:11,750 --> 01:16:10,080

right what guarantee they are not being

2163

01:16:12,630 --> 01:16:11,760

taken care of the way they are on the

2164

01:16:15,910 --> 01:16:12,640

ships

2165

01:16:18,229 --> 01:16:15,920

oh yes yes that was another important

2166

01:16:22,790 --> 01:16:18,239

part i wanted to kind of get to is

2167

01:16:24,870 --> 01:16:22,800

it seems like a lot of the you know

2168

01:16:27,189 --> 01:16:24,880

the cleaner work seems to be with the

2169

01:16:30,390 --> 01:16:27,199

ets the the dirtier work

2170

01:16:34,790 --> 01:16:30,400

seems to be with this like human and

2171

01:16:37,990 --> 01:16:34,800

et mixed military agenda

2172

01:16:40,950 --> 01:16:38,000

that doesn't soprano like the scars the

2173

01:16:41,510 --> 01:16:40,960

the you know and the the holes in your

2174

01:16:43,430 --> 01:16:41,520

body

2175

01:16:45,430 --> 01:16:43,440

and stuff like that it seems to be like

2176  
01:16:47,270 --> 01:16:45,440  
really messy kind of work like something

2177  
01:16:49,830 --> 01:16:47,280  
a human would do

2178  
01:16:50,950 --> 01:16:49,840  
and the the et stuff i mean you can't

2179  
01:16:52,630 --> 01:16:50,960  
find scars

2180  
01:16:54,470 --> 01:16:52,640  
you know a lot of times you'll just have

2181  
01:16:57,669 --> 01:16:54,480  
like maybe a bruise or like

2182  
01:17:00,550 --> 01:16:57,679  
a rash or something but you know

2183  
01:17:01,270 --> 01:17:00,560  
and it fades yeah yeah yeah and it's

2184  
01:17:03,910 --> 01:17:01,280  
just

2185  
01:17:04,630 --> 01:17:03,920  
it's it seems to be completely different

2186  
01:17:07,990 --> 01:17:04,640  
and

2187  
01:17:10,790 --> 01:17:08,000  
this this my labs thing is just

2188  
01:17:11,750 --> 01:17:10,800

it's on a whole nother level on like

2189

01:17:14,470 --> 01:17:11,760

it's almost like

2190

01:17:16,390 --> 01:17:14,480

its own you know we're trying to figure

2191

01:17:17,910 --> 01:17:16,400

out what's going on with the ets and now

2192

01:17:19,270 --> 01:17:17,920

we have to worry about like our

2193

01:17:21,270 --> 01:17:19,280

own people yeah because they're trying

2194

01:17:22,709 --> 01:17:21,280

to figure it out too doing it to us

2195

01:17:24,390 --> 01:17:22,719

exactly and that's exactly what i was

2196

01:17:26,070 --> 01:17:24,400

about to say they are really interested

2197

01:17:26,870 --> 01:17:26,080

in what the et's are doing too and they

2198

01:17:35,270 --> 01:17:26,880

know

2199

01:17:37,669 --> 01:17:35,280

they knew that they could induce

2200

01:17:39,750 --> 01:17:37,679

and and you know that was extremely

2201

01:17:43,430 --> 01:17:39,760

painful of course labor hurts

2202

01:17:46,630 --> 01:17:43,440

yeah but i've never remembered any pain

2203

01:17:49,030 --> 01:17:46,640

of labor on a ship environment

2204

01:17:49,990 --> 01:17:49,040

oh wow but you do you did experience

2205

01:17:54,149 --> 01:17:50,000

pain

2206

01:17:58,070 --> 01:17:54,159

sorry yes oh my god with the with the

2207

01:17:59,270 --> 01:17:58,080

milk mill labs yeah so oh man that

2208

01:18:01,189 --> 01:17:59,280

doesn't surprise me

2209

01:18:03,030 --> 01:18:01,199

i don't know why but it's just maybe

2210

01:18:06,310 --> 01:18:03,040

it's the nihilism in me but like

2211

01:18:08,870 --> 01:18:06,320

man leave it up to humans to

2212

01:18:09,430 --> 01:18:08,880

kind of ruin a good thing a good thing

2213

01:18:12,709 --> 01:18:09,440

and like

2214

01:18:13,510 --> 01:18:12,719

take advantage of of uh maybe possibly

2215

01:18:15,030 --> 01:18:13,520

something that we

2216

01:18:17,189 --> 01:18:15,040

we don't fully understand yet and

2217

01:18:18,950 --> 01:18:17,199

they're just like wow we want to know

2218

01:18:21,430 --> 01:18:18,960

too

2219

01:18:23,030 --> 01:18:21,440

and they end up just hurting people um i

2220

01:18:25,189 --> 01:18:23,040

mean we had a great discussion

2221

01:18:26,870 --> 01:18:25,199

with uh with melinda about that on how

2222

01:18:29,110 --> 01:18:26,880

you know like

2223

01:18:31,510 --> 01:18:29,120

yeah they may be working together but

2224

01:18:34,149 --> 01:18:31,520

you know these military people

2225

01:18:35,030 --> 01:18:34,159

they don't have what the et's are

2226

01:18:37,830 --> 01:18:35,040

interested in

2227

01:18:39,750 --> 01:18:37,840

in the first place so the reason that

2228

01:18:40,950 --> 01:18:39,760

they can't just ask these et's hey

2229

01:18:43,430 --> 01:18:40,960

what's going on what

2230

01:18:45,270 --> 01:18:43,440

what are you doing is because they need

2231

01:18:47,430 --> 01:18:45,280

the contact d

2232

01:18:48,709 --> 01:18:47,440

the contact e is the key to this whole

2233

01:18:50,870 --> 01:18:48,719

thing

2234

01:18:53,189 --> 01:18:50,880

and so not only does the military want

2235

01:18:55,110 --> 01:18:53,199

to know what the ets are doing

2236

01:18:56,630 --> 01:18:55,120

but the military wants to know why

2237

01:18:59,510 --> 01:18:56,640

certain people

2238

01:19:00,550 --> 01:18:59,520

the contactees are so important to the

2239

01:19:01,990 --> 01:19:00,560

et's

2240

01:19:05,510 --> 01:19:02,000

yeah because they just don't have the

2241

01:19:09,270 --> 01:19:05,520

stuff and the contact he does

2242

01:19:11,110 --> 01:19:09,280

and it pisses them off

2243

01:19:12,870 --> 01:19:11,120

this is a mess so much they don't care

2244

01:19:13,350 --> 01:19:12,880

they don't care if you're hurting they

2245

01:19:17,030 --> 01:19:13,360

don't

2246

01:19:19,270 --> 01:19:17,040

and that was

2247

01:19:20,470 --> 01:19:19,280

that's what i came out of with the

2248

01:19:22,630 --> 01:19:20,480

experience that

2249

01:19:24,709 --> 01:19:22,640

i put into the book which was um you

2250

01:19:26,149 --> 01:19:24,719

know giving birth and it just being

2251

01:19:28,790 --> 01:19:26,159

excruciating and

2252

01:19:29,830 --> 01:19:28,800

there was a man in a military uniform

2253

01:19:33,750 --> 01:19:29,840

with uh

2254

01:19:34,950 --> 01:19:33,760

like like uh fatigues and he had on like

2255

01:19:38,070 --> 01:19:34,960

a lab coat and

2256

01:19:39,590 --> 01:19:38,080

carrying a carrying a clipboard and he

2257

01:19:40,870 --> 01:19:39,600

was scanning the room and there were

2258

01:19:43,430 --> 01:19:40,880

hundreds of us women

2259

01:19:44,630 --> 01:19:43,440

in these cots they weren't even they

2260

01:19:48,229 --> 01:19:44,640

didn't even look sterile

2261

01:19:50,870 --> 01:19:48,239

um wow you said cots

2262

01:19:51,910 --> 01:19:50,880

yeah they were like military cots it was

2263

01:19:53,669 --> 01:19:51,920

not

2264

01:19:55,110 --> 01:19:53,679

hospital beds and this certainly wasn't

2265

01:19:58,390 --> 01:19:55,120

a surgical table

2266

01:20:00,950 --> 01:19:58,400

um and that's different from the ship

2267

01:20:02,870 --> 01:20:00,960

which seems to be a little more sterile

2268

01:20:06,229 --> 01:20:02,880

and

2269

01:20:08,229 --> 01:20:06,239

better i guess well

2270

01:20:09,350 --> 01:20:08,239

i don't i don't remember pain i don't

2271

01:20:11,910 --> 01:20:09,360

remember hurting

2272

01:20:13,510 --> 01:20:11,920

i remember like passing out coming to

2273

01:20:13,910 --> 01:20:13,520

and having a baby in my hands that's

2274

01:20:17,830 --> 01:20:13,920

what

2275

01:20:20,070 --> 01:20:17,840

i remember on on the ship uh

2276

01:20:21,830 --> 01:20:20,080

man but that that military guy was

2277

01:20:23,750 --> 01:20:21,840

surveying the room and i

2278

01:20:25,750 --> 01:20:23,760

was trying to yell at him like hey can

2279

01:20:27,270 --> 01:20:25,760

you help or whatever you know kind of

2280

01:20:29,110 --> 01:20:27,280

like sideways glance and just looked

2281

01:20:32,709 --> 01:20:29,120

away really quick like

2282

01:20:35,189 --> 01:20:32,719

oh god you know it and and that

2283

01:20:35,990 --> 01:20:35,199

that that feeling that i had when he

2284

01:20:37,750 --> 01:20:36,000

just

2285

01:20:40,470 --> 01:20:37,760

glanced over me and glassed away like i

2286

01:20:48,550 --> 01:20:44,550

that has never left me i can't even

2287

01:20:50,709 --> 01:20:48,560

imagine and the thought of like

2288

01:20:52,070 --> 01:20:50,719

if you think about it if this happens on

2289

01:20:55,110 --> 01:20:52,080

any given night

2290

01:20:58,229 --> 01:20:55,120

women that have been taken

2291

01:20:58,550 --> 01:20:58,239

yeah you know just randomly yeah and if

2292

01:21:02,390 --> 01:20:58,560

you

2293

01:21:05,030 --> 01:21:02,400

days in a year

2294

01:21:06,629 --> 01:21:05,040

that's hundreds of thousands of women

2295

01:21:10,229 --> 01:21:06,639

every single year

2296

01:21:12,790 --> 01:21:10,239

and we hear you know

2297

01:21:13,350 --> 01:21:12,800

50 stories that we could probably like

2298

01:21:16,629 --> 01:21:13,360

point to

2299

01:21:17,990 --> 01:21:16,639

right now but that's thousands hundreds

2300

01:21:20,229 --> 01:21:18,000

and thousands of women

2301

01:21:21,110 --> 01:21:20,239

and and men that this is happening to

2302

01:21:24,229 --> 01:21:21,120

yeah

2303

01:21:26,070 --> 01:21:24,239

right wow the uh

2304

01:21:27,350 --> 01:21:26,080

i just want to speak to the the the

2305

01:21:30,149 --> 01:21:27,360

intricacy of your

2306

01:21:31,189 --> 01:21:30,159

your recounting of that uh the the

2307

01:21:35,110 --> 01:21:31,199

subtleties

2308

01:21:38,229 --> 01:21:35,120

um it doesn't it doesn't sound

2309

01:21:39,270 --> 01:21:38,239

what i'm trying to say is like i i

2310

01:21:43,510 --> 01:21:39,280

believe you

2311

01:21:45,350 --> 01:21:43,520

100 like just the way that you describe

2312

01:21:47,350 --> 01:21:45,360

that it's like

2313

01:21:49,110 --> 01:21:47,360

i mean how do you how do you make

2314

01:21:49,990 --> 01:21:49,120

something like that up like that's very

2315

01:21:51,990 --> 01:21:50,000

specific

2316

01:21:53,750 --> 01:21:52,000

right you know and and i'm only saying

2317

01:21:56,310 --> 01:21:53,760

this being like devil's advocate right

2318

01:21:59,430 --> 01:21:56,320

like sometimes on the show i try to

2319

01:22:01,030 --> 01:21:59,440

try to try to put myself in a uh

2320

01:22:02,550 --> 01:22:01,040

another person's kind of critical

2321

01:22:05,750 --> 01:22:02,560

thinking mind but

2322

01:22:08,229 --> 01:22:05,760

also another uh uh detail

2323

01:22:10,149 --> 01:22:08,239

that you mentioned shortly and please

2324

01:22:13,189 --> 01:22:10,159

speak to it if you can um

2325

01:22:15,189 --> 01:22:13,199

but the you said you you woke up

2326

01:22:16,390 --> 01:22:15,199

woke up with a baby in your arms that

2327

01:22:18,390 --> 01:22:16,400

sounds to me like

2328

01:22:21,350 --> 01:22:18,400

like the sweetest thing ever like the

2329

01:22:23,750 --> 01:22:21,360

the aliens let you hold your baby

2330

01:22:25,830 --> 01:22:23,760

absolutely and that's crucial we have to

2331

01:22:27,110 --> 01:22:25,840

hold the babies we have to bond with the

2332

01:22:29,590 --> 01:22:27,120

babies we have to

2333

01:22:30,229 --> 01:22:29,600

love on them and you know feed them and

2334

01:22:32,229 --> 01:22:30,239

change them

2335

01:22:33,590 --> 01:22:32,239

and just do the bonding that we can when

2336

01:22:36,390 --> 01:22:33,600

we're with them because

2337

01:22:37,669 --> 01:22:36,400

apparently that's extremely important

2338

01:22:40,629 --> 01:22:37,679

and yeah

2339

01:22:41,750 --> 01:22:40,639

i've had several of these babies and

2340

01:22:45,189 --> 01:22:41,760

many of them are

2341

01:22:47,830 --> 01:22:45,199

absolutely tiny like thumb size

2342

01:22:48,629 --> 01:22:47,840

and of course if they're taking it i

2343

01:22:52,390 --> 01:22:48,639

we're

2344

01:22:54,229 --> 01:22:52,400

places in my body has told me it's about

2345

01:22:55,830 --> 01:22:54,239

three months gestation

2346

01:22:57,669 --> 01:22:55,840

um you know before you even look

2347

01:22:59,110 --> 01:22:57,679

pregnant before you know anything

2348

01:23:00,870 --> 01:22:59,120

can happen they're taking these babies

2349

01:23:03,750 --> 01:23:00,880

so they're absolutely tiny

2350

01:23:05,430 --> 01:23:03,760

um and i've had some very bizarre dreams

2351  
01:23:07,270 --> 01:23:05,440  
with these itty-bitty little babies in

2352  
01:23:07,830 --> 01:23:07,280  
like how do i put on a diaper on that

2353  
01:23:10,550 --> 01:23:07,840  
thing

2354  
01:23:11,990 --> 01:23:10,560  
but um yeah you just coo and you play

2355  
01:23:16,310 --> 01:23:12,000  
and and you love them and

2356  
01:23:18,229 --> 01:23:16,320  
uh the last one of these

2357  
01:23:20,070 --> 01:23:18,239  
experiences that i had was just a couple

2358  
01:23:22,390 --> 01:23:20,080  
months ago and i i

2359  
01:23:23,750 --> 01:23:22,400  
named the i often named these babies and

2360  
01:23:26,149 --> 01:23:23,760  
this one was chandra

2361  
01:23:27,910 --> 01:23:26,159  
her name is chandra and i remember

2362  
01:23:30,950 --> 01:23:27,920  
distinctly introducing her to

2363  
01:23:33,750 --> 01:23:30,960

five other children wow

2364

01:23:33,990 --> 01:23:33,760

wow yeah and everybody's smiling and

2365

01:23:35,510 --> 01:23:34,000

being

2366

01:23:37,189 --> 01:23:35,520

happy and we're just like a little happy

2367

01:23:40,870 --> 01:23:37,199

family and then i woke up so

2368

01:23:43,990 --> 01:23:40,880

oh man damn what sounds like

2369

01:23:44,790 --> 01:23:44,000

even though you know that it sounds like

2370

01:23:46,950 --> 01:23:44,800

they're trying

2371

01:23:48,950 --> 01:23:46,960

they as in who whoever is in charge of

2372

01:23:49,510 --> 01:23:48,960

this program they're they obviously know

2373

01:23:56,229 --> 01:23:49,520

that

2374

01:23:59,669 --> 01:23:56,239

we need the mother we we need touch

2375

01:24:01,990 --> 01:23:59,679

and uh you know care and stuff

2376

01:24:03,270 --> 01:24:02,000

you know that makes sense to me it seems

2377

01:24:05,350 --> 01:24:03,280

like they're trying even though they

2378

01:24:08,229 --> 01:24:05,360

might be doing something that

2379

01:24:09,430 --> 01:24:08,239

we might see as evil uh i don't know

2380

01:24:10,629 --> 01:24:09,440

maybe

2381

01:24:12,149 --> 01:24:10,639

you could look at it so many different

2382

01:24:13,750 --> 01:24:12,159

ways i mean if you talk to somebody that

2383

01:24:16,870 --> 01:24:13,760

was hardcore christian they might see

2384

01:24:17,990 --> 01:24:16,880

these entities as like like demons and

2385

01:24:20,229 --> 01:24:18,000

they're like harvesting

2386

01:24:22,070 --> 01:24:20,239

whatever like yeah i don't know to me

2387

01:24:24,790 --> 01:24:22,080

right now it sounds to me

2388

01:24:25,750 --> 01:24:24,800

that your experience wasn't the worst it

2389

01:24:27,990 --> 01:24:25,760

could have been

2390

01:24:30,470 --> 01:24:28,000

right it's definitely not uh it

2391

01:24:32,310 --> 01:24:30,480

definitely didn't have

2392

01:24:34,550 --> 01:24:32,320

well it's it seems to me at least that

2393

01:24:36,229 --> 01:24:34,560

there was no consent involved

2394

01:24:37,669 --> 01:24:36,239

right i'm not trying to take away yeah

2395

01:24:39,510 --> 01:24:37,679

exactly it wasn't like something that

2396

01:24:40,070 --> 01:24:39,520

you were like oh yeah hell yeah let's go

2397

01:24:52,870 --> 01:24:40,080

do this

2398

01:24:56,390 --> 01:24:54,790

but no i mean like yeah it definitely

2399

01:24:58,390 --> 01:24:56,400

seems like in the

2400

01:24:59,510 --> 01:24:58,400

given the two options between the my

2401

01:25:02,870 --> 01:24:59,520

labs option yeah

2402

01:25:05,030 --> 01:25:02,880

and the et option you would definitely

2403

01:25:05,750 --> 01:25:05,040

prefer the et option because it doesn't

2404

01:25:08,790 --> 01:25:05,760

sound like the

2405

01:25:09,590 --> 01:25:08,800

the mylab option even lets you hold or

2406

01:25:12,149 --> 01:25:09,600

bond with

2407

01:25:13,910 --> 01:25:12,159

the the child right no there was there

2408

01:25:15,910 --> 01:25:13,920

is no contact with the child after

2409

01:25:17,030 --> 01:25:15,920

no and those are the ones that end up in

2410

01:25:19,990 --> 01:25:17,040

stranger things

2411

01:25:20,870 --> 01:25:20,000

right that's it's kind of a distinction

2412

01:25:22,870 --> 01:25:20,880

you know

2413

01:25:24,390 --> 01:25:22,880

there you go and that and there's your

2414

01:25:27,030 --> 01:25:24,400

full circle yeah

2415

01:25:29,189 --> 01:25:27,040

yeah no i mean that's just that's that's

2416

01:25:31,590 --> 01:25:29,199

it that's just mind-blowing it blows it

2417

01:25:32,870 --> 01:25:31,600

absolutely blows my mind absolutely

2418

01:25:35,430 --> 01:25:32,880

blows my mind

2419

01:25:38,149 --> 01:25:35,440

um have you ever seen have you ever seen

2420

01:25:41,189 --> 01:25:38,159

the documentary love and saucers

2421

01:25:42,310 --> 01:25:41,199

no i wish i could remember that man's

2422

01:25:45,430 --> 01:25:42,320

name right now

2423

01:25:48,709 --> 01:25:45,440

um he tells a story

2424

01:25:51,750 --> 01:25:48,719

about he lost his virginity

2425

01:25:55,189 --> 01:25:51,760

um to uh to an alien

2426

01:25:57,350 --> 01:25:55,199

and he uh david huggins that's it

2427

01:25:58,390 --> 01:25:57,360

and he actually like fell in love with

2428

01:26:01,590 --> 01:25:58,400

this this

2429

01:26:04,390 --> 01:26:01,600

uh this alien and had

2430

01:26:06,550 --> 01:26:04,400

a lot of babies and he didn't you know

2431

01:26:07,510 --> 01:26:06,560

come to this realization until later in

2432

01:26:09,510 --> 01:26:07,520

his life

2433

01:26:10,790 --> 01:26:09,520

um but they started appearing to him

2434

01:26:13,030 --> 01:26:10,800

again and again

2435

01:26:14,629 --> 01:26:13,040

and and one evening he decided that he

2436

01:26:17,750 --> 01:26:14,639

was going to set up a vase

2437

01:26:18,550 --> 01:26:17,760

with some flowers and if she came to him

2438

01:26:20,310 --> 01:26:18,560

again

2439

01:26:22,229 --> 01:26:20,320

that night that he would give them to

2440

01:26:24,470 --> 01:26:22,239

her and if they were gone the next day

2441

01:26:25,669 --> 01:26:24,480

then he knew that it was real well the

2442

01:26:28,550 --> 01:26:25,679

next day

2443

01:26:29,590 --> 01:26:28,560

they were completely gone and uh

2444

01:26:32,229 --> 01:26:29,600

apparently they had

2445

01:26:32,950 --> 01:26:32,239

they had taken him um kind of like you

2446

01:26:35,830 --> 01:26:32,960

he said

2447

01:26:36,470 --> 01:26:35,840

uh i would go to sleep and i would be

2448

01:26:39,510 --> 01:26:36,480

able to

2449

01:26:43,270 --> 01:26:39,520

go to this place and

2450

01:26:45,030 --> 01:26:43,280

you know it's he wasn't technically

2451  
01:26:47,110 --> 01:26:45,040  
supposed to be there

2452  
01:26:49,350 --> 01:26:47,120  
but it was almost like they were trying

2453  
01:26:52,070 --> 01:26:49,360  
to figure out how to help the babies

2454  
01:26:52,950 --> 01:26:52,080  
and by him being there he was able to

2455  
01:26:57,510 --> 01:26:52,960  
help

2456  
01:26:59,189 --> 01:26:57,520  
which you know relates to your story and

2457  
01:27:01,030 --> 01:26:59,199  
so many other stories on how these

2458  
01:27:03,110 --> 01:27:01,040  
babies need

2459  
01:27:04,470 --> 01:27:03,120  
need that connection they need that

2460  
01:27:06,550 --> 01:27:04,480  
touch

2461  
01:27:08,550 --> 01:27:06,560  
and you know on the surface when you

2462  
01:27:11,350 --> 01:27:08,560  
just see this if you know nothing about

2463  
01:27:13,350 --> 01:27:11,360

you know you know the the hybridization

2464

01:27:14,950 --> 01:27:13,360

program or abductees or anything if you

2465

01:27:17,189 --> 01:27:14,960

were to just watch this you would think

2466

01:27:19,750 --> 01:27:17,199

it was complete lunacy

2467

01:27:20,310 --> 01:27:19,760

but you know the more that we dive into

2468

01:27:21,990 --> 01:27:20,320

this

2469

01:27:23,910 --> 01:27:22,000

and we start to find out that you know

2470

01:27:25,270 --> 01:27:23,920

just like you said you know these babies

2471

01:27:28,629 --> 01:27:25,280

they need that touch

2472

01:27:32,390 --> 01:27:28,639

and this man's story this man's story

2473

01:27:35,110 --> 01:27:32,400

it becomes a complete and total reality

2474

01:27:36,390 --> 01:27:35,120

you know because he's almost telling the

2475

01:27:38,550 --> 01:27:36,400

same story that

2476

01:27:40,149 --> 01:27:38,560

that the women are just on the opposite

2477

01:27:43,189 --> 01:27:40,159

side

2478

01:27:44,790 --> 01:27:43,199

right that's amazing

2479

01:27:46,950 --> 01:27:44,800

i'm gonna have to watch this it's called

2480

01:27:49,910 --> 01:27:46,960

love and saucers and he actually

2481

01:27:51,030 --> 01:27:49,920

um when he started recalling his

2482

01:27:53,110 --> 01:27:51,040

memories

2483

01:27:54,550 --> 01:27:53,120

he started painting pictures he's got

2484

01:27:56,709 --> 01:27:54,560

some some

2485

01:27:59,510 --> 01:27:56,719

pictures you know that he's painted of

2486

01:28:01,669 --> 01:27:59,520

the actual being that you know he's seen

2487

01:28:04,149 --> 01:28:01,679

he said that there was always you know a

2488

01:28:06,629 --> 01:28:04,159

man being in the room with them

2489

01:28:07,910 --> 01:28:06,639

at all times he would always show up but

2490

01:28:10,790 --> 01:28:07,920

ever since he was a

2491

01:28:12,709 --> 01:28:10,800

a child he had these experiences and

2492

01:28:13,750 --> 01:28:12,719

didn't start to realize it until later

2493

01:28:15,669 --> 01:28:13,760

in his life

2494

01:28:17,350 --> 01:28:15,679

so yeah it's a it's a really interesting

2495

01:28:18,310 --> 01:28:17,360

documentary i would say i would say

2496

01:28:21,189 --> 01:28:18,320

definitely check it out

2497

01:28:21,590 --> 01:28:21,199

it's it's definitely interesting but uh

2498

01:28:24,310 --> 01:28:21,600

yeah

2499

01:28:26,310 --> 01:28:24,320

have you have you ever seen a mantid uh

2500

01:28:29,830 --> 01:28:26,320

alien before

2501

01:28:30,709 --> 01:28:29,840

aaron i suspect that i have i think that

2502

01:28:34,550 --> 01:28:30,719

may be

2503

01:28:36,310 --> 01:28:34,560

the being that inserted the um

2504

01:28:38,709 --> 01:28:36,320

the implant into the roof of my mouth

2505

01:28:40,709 --> 01:28:38,719

when i was seven however i was so afraid

2506

01:28:42,950 --> 01:28:40,719

of him

2507

01:28:44,790 --> 01:28:42,960

i don't recall what his face looked like

2508

01:28:45,750 --> 01:28:44,800

i know that he was very very tall and

2509

01:28:48,390 --> 01:28:45,760

then

2510

01:28:49,590 --> 01:28:48,400

very long arms and legs is he the one

2511

01:28:51,990 --> 01:28:49,600

that had the mandibles

2512

01:28:52,870 --> 01:28:52,000

like on his mouth yes yes there were

2513

01:28:55,030 --> 01:28:52,880

like moving

2514

01:28:55,990 --> 01:28:55,040

mouth parts and i suspect that was

2515

01:28:59,110 --> 01:28:56,000

imagined but i don't

2516

01:28:59,910 --> 01:28:59,120

know for sure because i just cannot pull

2517

01:29:02,310 --> 01:28:59,920

that up in my

2518

01:29:02,950 --> 01:29:02,320

in my mind right yeah yeah that's not

2519

01:29:05,350 --> 01:29:02,960

still too

2520

01:29:07,270 --> 01:29:05,360

terrified of it or like i say it's too

2521

01:29:10,229 --> 01:29:07,280

alien

2522

01:29:12,229 --> 01:29:10,239

yeah definitely cannot fathom what what

2523

01:29:13,590 --> 01:29:12,239

it was that i was seeing and i believe

2524

01:29:16,870 --> 01:29:13,600

that that was the moment

2525

01:29:20,470 --> 01:29:16,880

um where the ptsd started for me

2526

01:29:23,430 --> 01:29:20,480

um however i did a show

2527

01:29:24,870 --> 01:29:23,440

a few when i was at sunday and it was a

2528

01:29:25,830 --> 01:29:24,880

couple of therapists that were talking

2529

01:29:27,350 --> 01:29:25,840

to me

2530

01:29:28,709 --> 01:29:27,360

and they said you know if you were that

2531

01:29:30,310 --> 01:29:28,719

afraid of that being at that point in

2532

01:29:31,830 --> 01:29:30,320

time then you probably encountered him

2533

01:29:34,550 --> 01:29:31,840

before

2534

01:29:36,390 --> 01:29:34,560

let's explore that let's let's pretend

2535

01:29:37,510 --> 01:29:36,400

that you met him before and my mind is

2536

01:29:40,390 --> 01:29:37,520

shut down

2537

01:29:42,149 --> 01:29:40,400

no we're not going there oh man no not

2538

01:29:43,830 --> 01:29:42,159

going there and so i thought oh crap

2539

01:29:45,910 --> 01:29:43,840

they could be on to something here

2540

01:29:47,189 --> 01:29:45,920

yeah definitely it's almost like yeah

2541

01:29:49,750 --> 01:29:47,199

that innate

2542

01:29:50,310 --> 01:29:49,760

fear of snakes for a lot of people it's

2543

01:29:52,629 --> 01:29:50,320

like

2544

01:29:53,750 --> 01:29:52,639

when they're kids they were uh very

2545

01:29:56,149 --> 01:29:53,760

afraid of snakes and

2546

01:29:56,950 --> 01:29:56,159

it's just like epigenetics i wonder if

2547

01:29:58,470 --> 01:29:56,960

that's something yeah

2548

01:30:00,470 --> 01:29:58,480

let's just do it pass down through

2549

01:30:01,510 --> 01:30:00,480

generation be scared of snakes because

2550

01:30:01,830 --> 01:30:01,520

you don't know what they're gonna do to

2551

01:30:04,870 --> 01:30:01,840

you

2552

01:30:08,149 --> 01:30:04,880

yeah yeah oh that's very interesting

2553

01:30:08,550 --> 01:30:08,159

and that uh is that the implant that was

2554

01:30:12,470 --> 01:30:08,560

the

2555

01:30:15,189 --> 01:30:12,480

your mouth

2556

01:30:15,910 --> 01:30:15,199

yes yeah that was super interesting to

2557

01:30:18,950 --> 01:30:15,920

me because

2558

01:30:21,750 --> 01:30:18,960

uh i've heard things

2559

01:30:22,629 --> 01:30:21,760

about how the ets have started to switch

2560

01:30:25,910 --> 01:30:22,639

from these like

2561

01:30:28,310 --> 01:30:25,920

metal kind of rockish implants into a

2562

01:30:31,110 --> 01:30:28,320

more biological implant because we

2563

01:30:32,310 --> 01:30:31,120

figured out how to detect and spot their

2564

01:30:33,830 --> 01:30:32,320

implants

2565

01:30:35,430 --> 01:30:33,840

and i found that to be pretty

2566

01:30:37,270 --> 01:30:35,440

interesting that you know

2567

01:30:39,669 --> 01:30:37,280

that's that's the first case that i've

2568

01:30:40,550 --> 01:30:39,679

heard of of like a more biological type

2569

01:30:43,669 --> 01:30:40,560

of thing

2570

01:30:45,430 --> 01:30:43,679

being implanted into a person

2571

01:30:46,790 --> 01:30:45,440

right and i didn't you know is it just

2572

01:30:50,470 --> 01:30:46,800

like an encasing

2573

01:30:52,310 --> 01:30:50,480

is that it is it nanotechnology what

2574

01:30:54,470 --> 01:30:52,320

what was it was it so that my body

2575

01:30:57,030 --> 01:30:54,480

wouldn't reject it i don't know

2576

01:30:57,669 --> 01:30:57,040

wasn't my own dna made in a petri dish

2577

01:30:59,830 --> 01:30:57,679

that was

2578

01:31:02,070 --> 01:30:59,840

coated in a certain way i don't know i i

2579

01:31:04,390 --> 01:31:02,080

want to know more so how did you

2580

01:31:06,229 --> 01:31:04,400

come to realize that you had this this

2581

01:31:08,390 --> 01:31:06,239

implant

2582

01:31:09,830 --> 01:31:08,400

that was through regression i had

2583

01:31:11,750 --> 01:31:09,840

hypnotic regression that was the first

2584

01:31:12,310 --> 01:31:11,760

hypnotic regression i had i've only done

2585

01:31:15,189 --> 01:31:12,320

two

2586

01:31:16,310 --> 01:31:15,199

with yvonne smith right smith yeah and i

2587

01:31:18,550 --> 01:31:16,320

was here in

2588

01:31:19,510 --> 01:31:18,560

roswell when she came for the ufo

2589

01:31:21,350 --> 01:31:19,520

festival

2590

01:31:22,550 --> 01:31:21,360

um i've gotten to know her because of

2591

01:31:24,390 --> 01:31:22,560

that and

2592

01:31:25,669 --> 01:31:24,400

it took me a few years but i finally

2593

01:31:28,229 --> 01:31:25,679

said all right let's do it and

2594

01:31:28,950 --> 01:31:28,239

uh and i did a session with her and that

2595

01:31:30,390 --> 01:31:28,960

experience

2596

01:31:33,430 --> 01:31:30,400

there when i was seven is what came

2597

01:31:34,709 --> 01:31:33,440

forward and you said you've never really

2598

01:31:36,709 --> 01:31:34,719

looked into it further

2599

01:31:38,950 --> 01:31:36,719

like going to the dentist and stuff like

2600

01:31:40,550 --> 01:31:38,960

that you've never had it checked out or

2601  
01:31:42,550 --> 01:31:40,560  
thought about removing it or anything

2602  
01:31:45,030 --> 01:31:42,560  
right oh you think i don't want to go to

2603  
01:31:47,510 --> 01:31:45,040  
the dentist

2604  
01:31:49,270 --> 01:31:47,520  
because it reminds me of that moment

2605  
01:31:52,709 --> 01:31:49,280  
because i was in a dentist like chair

2606  
01:31:53,350 --> 01:31:52,719  
and i hate the dentist and i need to go

2607  
01:31:56,390 --> 01:31:53,360  
but i

2608  
01:31:59,110 --> 01:31:56,400  
i'm not gonna i'm not a man

2609  
01:32:00,149 --> 01:31:59,120  
oh my i understand that that was kind of

2610  
01:32:02,709 --> 01:32:00,159  
the same way with me

2611  
01:32:04,950 --> 01:32:02,719  
uh when i was when i was little i didn't

2612  
01:32:05,830 --> 01:32:04,960  
like going to the the eye doctor i wear

2613  
01:32:07,430 --> 01:32:05,840

glasses

2614

01:32:09,110 --> 01:32:07,440

when they would shine that light in my

2615

01:32:09,590 --> 01:32:09,120

eye all i could think about was that

2616

01:32:11,189 --> 01:32:09,600

part

2617

01:32:12,950 --> 01:32:11,199

and uh fire in the sky with travis

2618

01:32:15,590 --> 01:32:12,960

walton where

2619

01:32:17,430 --> 01:32:15,600

they put the the thing in his eye and

2620

01:32:18,950 --> 01:32:17,440

then come to find out later on that that

2621

01:32:21,510 --> 01:32:18,960

was you know embellished and

2622

01:32:22,629 --> 01:32:21,520

like wasn't really true um you know

2623

01:32:25,669 --> 01:32:22,639

coming from travis

2624

01:32:27,990 --> 01:32:25,679

um but yeah it was always a thing like

2625

01:32:30,070 --> 01:32:28,000

you can make that association with the

2626

01:32:32,629 --> 01:32:30,080

dentist or the eye doctor or like your

2627

01:32:34,790 --> 01:32:32,639

regular doctor or your gynecologist or

2628

01:32:36,390 --> 01:32:34,800

or whoever it is that you know you have

2629

01:32:38,830 --> 01:32:36,400

to come across

2630

01:32:40,550 --> 01:32:38,840

you know somebody with with these

2631

01:32:43,030 --> 01:32:40,560

experiences with your body yeah it's

2632

01:32:45,750 --> 01:32:43,040

it's easy to see how that ptsd

2633

01:32:46,229 --> 01:32:45,760

could really start to come up uh in

2634

01:32:50,550 --> 01:32:46,239

these

2635

01:32:53,750 --> 01:32:50,560

be otherwise normal

2636

01:32:55,990 --> 01:32:53,760

you know interactions right oh yeah i

2637

01:32:57,110 --> 01:32:56,000

have i have a very hard time going to

2638

01:32:59,110 --> 01:32:57,120

the doctor i

2639

01:33:00,629 --> 01:32:59,120

i feel sorry for all of my doctors

2640

01:33:01,750 --> 01:33:00,639

because i have to explain to them listen

2641

01:33:03,350 --> 01:33:01,760

i don't trust you

2642

01:33:05,590 --> 01:33:03,360

and i'm not going to trust you and i'm

2643

01:33:09,189 --> 01:33:05,600

really sorry

2644

01:33:12,149 --> 01:33:10,629

you know as soon as they take my blood

2645

01:33:13,350 --> 01:33:12,159

pressure like are you okay i'm like no

2646

01:33:17,189 --> 01:33:13,360

i'm freaking out

2647

01:33:22,550 --> 01:33:20,790

like i gotta go yeah damn seriously

2648

01:33:24,629 --> 01:33:22,560

yeah um i've never i've never thought

2649

01:33:27,910 --> 01:33:24,639

about that yeah so like

2650

01:33:29,110 --> 01:33:27,920

abductees experiencers visiting the

2651  
01:33:32,390 --> 01:33:29,120  
doctor

2652  
01:33:33,590 --> 01:33:32,400  
the most you know some i guess to most

2653  
01:33:34,629 --> 01:33:33,600  
people that haven't experienced

2654  
01:33:38,149 --> 01:33:34,639  
something like that

2655  
01:33:40,470 --> 01:33:38,159  
wouldn't seem you know too stressful but

2656  
01:33:42,070 --> 01:33:40,480  
yeah that makes sense why it would cause

2657  
01:33:45,830 --> 01:33:42,080  
a lot of

2658  
01:33:49,350 --> 01:33:45,840  
these

2659  
01:33:53,350 --> 01:33:49,360  
buried down in your

2660  
01:33:56,629 --> 01:33:53,360  
your mind i wonder absolutely i mean

2661  
01:33:58,070 --> 01:33:56,639  
that and that's there is ptsd for you

2662  
01:34:00,709 --> 01:33:58,080  
your mind may have covered it up but

2663  
01:34:04,149 --> 01:34:00,719

your body remembers

2664

01:34:07,270 --> 01:34:04,159

wow yeah it's like

2665

01:34:10,550 --> 01:34:07,280

oh man yeah it's it's such a uh a

2666

01:34:12,870 --> 01:34:10,560

a mind melting thing it almost

2667

01:34:14,709 --> 01:34:12,880

it it kind of makes me think of the

2668

01:34:15,750 --> 01:34:14,719

reason uh what you told the story

2669

01:34:19,270 --> 01:34:15,760

earlier aaron

2670

01:34:21,910 --> 01:34:19,280

about the grays entering your room

2671

01:34:22,629 --> 01:34:21,920

and you had this moment of you euphoria

2672

01:34:26,149 --> 01:34:22,639

that you've

2673

01:34:29,510 --> 01:34:26,159

never since been able to achieve uh

2674

01:34:32,149 --> 01:34:29,520

it almost makes me think like the reason

2675

01:34:32,790 --> 01:34:32,159

that you have or or most experiencers

2676

01:34:35,350 --> 01:34:32,800

have these

2677

01:34:37,189 --> 01:34:35,360

these moments of freaking out because

2678

01:34:37,669 --> 01:34:37,199

hey yeah last time somebody messed with

2679

01:34:40,310 --> 01:34:37,679

my body

2680

01:34:41,189 --> 01:34:40,320

you know it was an alien it's like they

2681

01:34:43,030 --> 01:34:41,199

know

2682

01:34:44,550 --> 01:34:43,040

that you've been through this traumatic

2683

01:34:47,270 --> 01:34:44,560

experience so they

2684

01:34:47,669 --> 01:34:47,280

give off some kind of frequency or or

2685

01:34:51,189 --> 01:34:47,679

some

2686

01:34:53,030 --> 01:34:51,199

know how they would do it but

2687

01:34:56,310 --> 01:34:53,040

you know they try to calm you down as

2688

01:34:57,910 --> 01:34:56,320

much as possible it's like laughing guys

2689

01:35:00,709 --> 01:34:57,920

i never thought about that i thought

2690

01:35:03,030 --> 01:35:00,719

they were just really nice people

2691

01:35:05,590 --> 01:35:03,040

yeah oh my gosh did i just ruin like

2692

01:35:10,070 --> 01:35:07,990

they do it with mind bullets they're

2693

01:35:12,709 --> 01:35:10,080

mine bullets

2694

01:35:13,669 --> 01:35:12,719

but so the only reason i say maybe

2695

01:35:15,750 --> 01:35:13,679

that's i

2696

01:35:17,669 --> 01:35:15,760

i could totally be so wrong because who

2697

01:35:18,390 --> 01:35:17,679

knows right but the only reason i'm very

2698

01:35:20,470 --> 01:35:18,400

well

2699

01:35:21,510 --> 01:35:20,480

yeah it could be but i could be wrong

2700

01:35:23,109 --> 01:35:21,520

the only only

2701

01:35:25,830 --> 01:35:23,119

connection i'm thinking about is of

2702

01:35:28,390 --> 01:35:25,840

stories that i've heard of reptilian

2703

01:35:30,070 --> 01:35:28,400

uh extraterrestrials giving off a vibe

2704

01:35:31,910 --> 01:35:30,080

like a very negative vibe

2705

01:35:33,910 --> 01:35:31,920

and they do it on purpose to make to to

2706

01:35:35,430 --> 01:35:33,920

intimidate you

2707

01:35:37,350 --> 01:35:35,440

um i don't know if you've ever ever

2708

01:35:40,709 --> 01:35:37,360

heard of of that

2709

01:35:41,750 --> 01:35:40,719

but uh yeah i haven't you know a lot of

2710

01:35:43,350 --> 01:35:41,760

attention to

2711

01:35:45,430 --> 01:35:43,360

reptilian information just because i

2712

01:35:46,550 --> 01:35:45,440

haven't had any experiences that i can

2713

01:35:49,189 --> 01:35:46,560

recall

2714

01:35:49,750 --> 01:35:49,199

uh with them so i don't i don't know

2715

01:35:56,950 --> 01:35:49,760

yeah

2716

01:35:59,189 --> 01:35:56,960

you know i know it's very like scattered

2717

01:36:01,510 --> 01:35:59,199

uh recollection and just trying to piece

2718

01:36:05,189 --> 01:36:01,520

all this together but do you have any

2719

01:36:07,910 --> 01:36:05,199

uh like sensory

2720

01:36:08,870 --> 01:36:07,920

recollection like do you remember smells

2721

01:36:12,070 --> 01:36:08,880

or like

2722

01:36:15,750 --> 01:36:12,080

the way things felt you know or

2723

01:36:18,870 --> 01:36:15,760

or you know this sense of the

2724

01:36:20,070 --> 01:36:18,880

the the occasion you know you know what

2725

01:36:23,109 --> 01:36:20,080

i'm saying like you remember

2726

01:36:26,870 --> 01:36:23,119

oh yeah yeah oh yeah i i have several

2727

01:36:29,590 --> 01:36:26,880

memories of um different things like the

2728

01:36:30,790 --> 01:36:29,600

the smell itself is a bit um i have a

2729

01:36:33,510 --> 01:36:30,800

memory of very

2730

01:36:33,910 --> 01:36:33,520

earthy like if you were just to dig your

2731

01:36:36,310 --> 01:36:33,920

hand

2732

01:36:37,350 --> 01:36:36,320

in the dirt and pick it up and smell it

2733

01:36:40,709 --> 01:36:37,360

nice sort of

2734

01:36:42,310 --> 01:36:40,719

smell i not necessarily pleasant but not

2735

01:36:43,510 --> 01:36:42,320

unpleasant at the same time

2736

01:36:46,470 --> 01:36:43,520

kind of like when you turn your air

2737

01:36:49,590 --> 01:36:46,480

condition on for the first time

2738

01:36:52,550 --> 01:36:49,600

it's got that earthy smell to it

2739

01:36:54,310 --> 01:36:52,560

yeah exactly that kind of smell um i

2740

01:36:57,510 --> 01:36:54,320

associate with the bangs

2741

01:36:59,669 --> 01:36:57,520

um a tactile memory i have is walking

2742

01:37:00,870 --> 01:36:59,679

across one of the floors and it felt

2743

01:37:05,109 --> 01:37:00,880

like going over

2744

01:37:08,390 --> 01:37:05,119

uh astroturf a little prickly

2745

01:37:11,030 --> 01:37:08,400

um yeah that's interesting

2746

01:37:12,550 --> 01:37:11,040

that's cool yeah maybe they go off on

2747

01:37:14,149 --> 01:37:12,560

their off time

2748

01:37:16,149 --> 01:37:14,159

like yeah dude they're walking across

2749

01:37:17,669 --> 01:37:16,159

the green typical doctors

2750

01:37:20,310 --> 01:37:17,679

experimenting all day and then when

2751

01:37:23,910 --> 01:37:20,320

they're off they golf

2752

01:37:26,149 --> 01:37:23,920

yes so awesome wow that's interesting

2753

01:37:27,510 --> 01:37:26,159

like a type of turf grass that's that's

2754

01:37:29,350 --> 01:37:27,520

super interesting that's the first time

2755

01:37:32,310 --> 01:37:29,360

i've heard of anything like that that's

2756

01:37:32,870 --> 01:37:32,320

cool i just happen to be barefoot that's

2757

01:37:34,870 --> 01:37:32,880

that's

2758

01:37:36,229 --> 01:37:34,880

you know and of course that was that was

2759

01:37:39,510 --> 01:37:36,239

pulled out through regression

2760

01:37:42,149 --> 01:37:39,520

that that sensation um

2761

01:37:44,709 --> 01:37:42,159

do you have any you know like you have

2762

01:37:47,990 --> 01:37:44,719

like certain memories of being on a ship

2763

01:37:50,950 --> 01:37:48,000

um do you do you do you know if there's

2764

01:37:51,830 --> 01:37:50,960

any like specifications like was this

2765

01:37:55,109 --> 01:37:51,840

ship

2766

01:37:57,910 --> 01:37:55,119

the water

2767

01:37:59,590 --> 01:37:57,920

in the ocean on earth was it underground

2768

01:38:02,149 --> 01:37:59,600

maybe in a bunker somewhere

2769

01:38:04,070 --> 01:38:02,159

i mean do you have any like location

2770

01:38:05,510 --> 01:38:04,080

specificities or do you

2771

01:38:08,229 --> 01:38:05,520

the best your knowledge you just

2772

01:38:10,070 --> 01:38:08,239

remember a ship

2773

01:38:12,070 --> 01:38:10,080

the only two times i could tell you

2774

01:38:14,070 --> 01:38:12,080

where i knew where the ship was were the

2775

01:38:15,430 --> 01:38:14,080

two times that i had the regressions the

2776

01:38:17,510 --> 01:38:15,440

first time

2777

01:38:18,950 --> 01:38:17,520

the ship was in the sky above my house i

2778

01:38:21,350 --> 01:38:18,960

don't know how far up

2779

01:38:23,030 --> 01:38:21,360

but i went into a beam up into the into

2780

01:38:24,950 --> 01:38:23,040

the ship above the home

2781

01:38:26,149 --> 01:38:24,960

and the second time the ship had

2782

01:38:29,669 --> 01:38:26,159

descended

2783

01:38:32,550 --> 01:38:29,679

and landed and we were boarded

2784

01:38:34,470 --> 01:38:32,560

oh wow wow and so one of the one of

2785

01:38:35,830 --> 01:38:34,480

these experiences was that the one where

2786

01:38:39,189 --> 01:38:35,840

you went through the ceiling

2787

01:38:40,070 --> 01:38:39,199

as a as a young kid yes the the one

2788

01:38:41,830 --> 01:38:40,080

where the ship was

2789

01:38:43,430 --> 01:38:41,840

up in the sky that's where i went

2790

01:38:44,229 --> 01:38:43,440

through the ceiling man that that

2791

01:38:47,430 --> 01:38:44,239

description

2792

01:38:50,629 --> 01:38:47,440

of like your atoms like

2793

01:38:50,950 --> 01:38:50,639

going through the atoms of the house was

2794

01:38:52,950 --> 01:38:50,960

like

2795

01:38:54,790 --> 01:38:52,960

it gave me chills almost because it's

2796

01:38:56,790 --> 01:38:54,800

like you always hear the stories of like

2797

01:38:58,070 --> 01:38:56,800

them walking through the walls

2798

01:38:59,750 --> 01:38:58,080

you know there's no point in locking

2799

01:39:00,629 --> 01:38:59,760

your doors they're just gonna walk

2800

01:39:02,790 --> 01:39:00,639

through it

2801  
01:39:05,109 --> 01:39:02,800  
and then for them to be able to give you

2802  
01:39:08,950 --> 01:39:05,119  
that same ability

2803  
01:39:10,790 --> 01:39:08,960  
um you know still as a human you're not

2804  
01:39:12,709 --> 01:39:10,800  
an et you're not like a

2805  
01:39:14,950 --> 01:39:12,719  
superhero or anything but the the

2806  
01:39:15,430 --> 01:39:14,960  
ability that they have to be able to

2807  
01:39:19,189 --> 01:39:15,440  
give

2808  
01:39:22,470 --> 01:39:19,199  
you the ability for your atoms to just

2809  
01:39:24,550 --> 01:39:22,480  
travel through a solid object is is

2810  
01:39:26,229 --> 01:39:24,560  
incredible to me

2811  
01:39:28,870 --> 01:39:26,239  
yeah and that's and that's not the first

2812  
01:39:32,390 --> 01:39:28,880  
time you know uh

2813  
01:39:34,950 --> 01:39:32,400

and it's it's it's always fascinating um

2814

01:39:37,109 --> 01:39:34,960

of course as that was through regression

2815

01:39:40,870 --> 01:39:37,119

i was able to spend the time

2816

01:39:41,669 --> 01:39:40,880

just just feeling it and describing it

2817

01:39:43,990 --> 01:39:41,679

to myself

2818

01:39:46,229 --> 01:39:44,000

and you know through recordings and all

2819

01:39:49,750 --> 01:39:46,239

this i've been able to retain it and

2820

01:39:52,629 --> 01:39:49,760

wow it was just a

2821

01:39:54,709 --> 01:39:52,639

very interesting experience have you

2822

01:39:55,590 --> 01:39:54,719

ever had the opportunity to maybe talk

2823

01:39:58,550 --> 01:39:55,600

to somebody

2824

01:40:00,229 --> 01:39:58,560

like you know just like about the

2825

01:40:01,590 --> 01:40:00,239

experience we just talked about like

2826  
01:40:03,910 --> 01:40:01,600  
have you ever had the opportunity to sit

2827  
01:40:06,149 --> 01:40:03,920  
down with a scientist and be like hey

2828  
01:40:08,070 --> 01:40:06,159  
is there like is there a scientific

2829  
01:40:10,470 --> 01:40:08,080  
explanation between

2830  
01:40:11,669 --> 01:40:10,480  
sliding atoms through a solid object is

2831  
01:40:15,189 --> 01:40:11,679  
there any

2832  
01:40:17,510 --> 01:40:15,199  
type of physics that you know

2833  
01:40:19,189 --> 01:40:17,520  
that that we know of because we always

2834  
01:40:20,709 --> 01:40:19,199  
talk about how like atoms are just full

2835  
01:40:22,709 --> 01:40:20,719  
of empty space and

2836  
01:40:24,790 --> 01:40:22,719  
and theoretically you could move this

2837  
01:40:27,990 --> 01:40:24,800  
empty space through empty space

2838  
01:40:30,070 --> 01:40:28,000

that is a wall right you know

2839

01:40:31,030 --> 01:40:30,080

no i have never i've never sat down with

2840

01:40:32,709 --> 01:40:31,040

anybody no

2841

01:40:34,229 --> 01:40:32,719

because it would be fascinating to do

2842

01:40:37,430 --> 01:40:34,239

that yeah it's a very

2843

01:40:39,109 --> 01:40:37,440

interesting like just you know

2844

01:40:40,790 --> 01:40:39,119

you know i've said it a million times on

2845

01:40:42,390 --> 01:40:40,800

this show you know like

2846

01:40:44,310 --> 01:40:42,400

magic is just science we don't

2847

01:40:46,310 --> 01:40:44,320

understand right and it's like one of

2848

01:40:49,430 --> 01:40:46,320

those things where like

2849

01:40:52,550 --> 01:40:49,440

the experiencers have so much going on

2850

01:40:55,990 --> 01:40:52,560

that you would think that

2851  
01:40:57,270 --> 01:40:56,000  
legit scientists would hop all over

2852  
01:40:59,430 --> 01:40:57,280  
because i mean we're trying to do this

2853  
01:41:01,830 --> 01:40:59,440  
in theoretical physics right now

2854  
01:41:03,109 --> 01:41:01,840  
why aren't we talking to people like you

2855  
01:41:05,270 --> 01:41:03,119  
who've actually

2856  
01:41:06,149 --> 01:41:05,280  
went through a wall you know what i'm

2857  
01:41:08,310 --> 01:41:06,159  
saying like

2858  
01:41:09,510 --> 01:41:08,320  
it would seem like if you wanted to to

2859  
01:41:11,590 --> 01:41:09,520  
explain or

2860  
01:41:13,350 --> 01:41:11,600  
you know you know not saying like

2861  
01:41:14,229 --> 01:41:13,360  
hooking up to wires and experiment on

2862  
01:41:16,550 --> 01:41:14,239  
you but like if you

2863  
01:41:17,590 --> 01:41:16,560

if you wanted a subject that's been

2864

01:41:19,750 --> 01:41:17,600

through this

2865

01:41:21,669 --> 01:41:19,760

maybe your contact is the person you

2866

01:41:23,830 --> 01:41:21,679

want to talk to but there's so much

2867

01:41:25,030 --> 01:41:23,840

like you said taboo around the subject

2868

01:41:27,109 --> 01:41:25,040

still um

2869

01:41:29,109 --> 01:41:27,119

for right now that you know it does put

2870

01:41:30,790 --> 01:41:29,119

people's careers in jeopardy so i

2871

01:41:33,430 --> 01:41:30,800

understand why but

2872

01:41:34,470 --> 01:41:33,440

at the same time i don't understand why

2873

01:41:38,629 --> 01:41:34,480

you know

2874

01:41:43,750 --> 01:41:41,590

yeah yeah but no if you ever get the

2875

01:41:45,189 --> 01:41:43,760

chance you should you should definitely

2876

01:41:47,189 --> 01:41:45,199

see if you see if you can chitchat with

2877

01:41:49,510 --> 01:41:47,199

somebody about that and then uh yeah

2878

01:41:51,350 --> 01:41:49,520

let us know because i definitely i am

2879

01:41:53,350 --> 01:41:51,360

interested in it i would be like

2880

01:41:55,189 --> 01:41:53,360

i would be asking questions if i were

2881

01:41:57,910 --> 01:41:55,199

okay so there's a joke i don't know

2882

01:41:59,430 --> 01:41:57,920

uh aaron if you how long you've been

2883

01:42:01,270 --> 01:41:59,440

listening the podcast but we're

2884

01:42:02,709 --> 01:42:01,280

we call ourselves doctor scientists

2885

01:42:06,470 --> 01:42:02,719

because we're like we don't know

2886

01:42:08,149 --> 01:42:06,480

anything so we're just like

2887

01:42:10,790 --> 01:42:08,159

it's ironic i don't know if you got that

2888

01:42:11,830 --> 01:42:10,800

yeah but but as a doctor scientist i

2889

01:42:14,629 --> 01:42:11,840

would be curious

2890

01:42:16,390 --> 01:42:14,639

as joe's speculating like asking you

2891

01:42:18,709 --> 01:42:16,400

specific questions like when you

2892

01:42:20,550 --> 01:42:18,719

experienced walking through a wall were

2893

01:42:22,550 --> 01:42:20,560

there smells where did you hear a

2894

01:42:25,189 --> 01:42:22,560

humming noise was it that were there

2895

01:42:26,149 --> 01:42:25,199

was there heat involved like i don't

2896

01:42:28,470 --> 01:42:26,159

know i did

2897

01:42:29,270 --> 01:42:28,480

i bet a physicist would have way better

2898

01:42:32,310 --> 01:42:29,280

questions

2899

01:42:34,709 --> 01:42:32,320

yeah well yeah

2900

01:42:35,590 --> 01:42:34,719

and and i don't even know i would have

2901

01:42:37,750 --> 01:42:35,600

to probably if

2902

01:42:38,950 --> 01:42:37,760

if i was put back into regression to

2903

01:42:42,229 --> 01:42:38,960

that time

2904

01:42:44,149 --> 01:42:42,239

boy the information he could get out so

2905

01:42:45,590 --> 01:42:44,159

how was your how was your experience

2906

01:42:46,229 --> 01:42:45,600

with with regression you mentioned that

2907

01:42:48,629 --> 01:42:46,239

you did

2908

01:42:49,990 --> 01:42:48,639

did it twice is it uh was were you

2909

01:42:52,550 --> 01:42:50,000

nervous about it at first

2910

01:42:54,390 --> 01:42:52,560

uh i was very nervous i didn't know what

2911

01:42:57,669 --> 01:42:54,400

to expect i didn't really understand

2912

01:42:59,109 --> 01:42:57,679

what hypnosis was i didn't know

2913

01:43:00,709 --> 01:42:59,119

like i brought somebody with me because

2914

01:43:01,270 --> 01:43:00,719

i didn't know if i'd be able to drive

2915

01:43:02,550 --> 01:43:01,280

after

2916

01:43:05,430 --> 01:43:02,560

i didn't want to be a zombie or

2917

01:43:08,950 --> 01:43:05,440

something and uh

2918

01:43:12,470 --> 01:43:08,960

what i can tell you is that before

2919

01:43:15,510 --> 01:43:12,480

having hypnosis

2920

01:43:18,070 --> 01:43:15,520

i was not sleeping i was terrified i

2921

01:43:19,910 --> 01:43:18,080

slept with well tried to sleep with the

2922

01:43:23,350 --> 01:43:19,920

lights on for months i was in a

2923

01:43:24,070 --> 01:43:23,360

very very disturbed place as far as my

2924

01:43:27,109 --> 01:43:24,080

ptsd

2925

01:43:30,790 --> 01:43:27,119

was you know just

2926

01:43:31,830 --> 01:43:30,800

in a state of just utter terror all the

2927

01:43:32,870 --> 01:43:31,840

time they're going to get me they're

2928

01:43:37,030 --> 01:43:32,880

going to get me and

2929

01:43:40,310 --> 01:43:37,040

um after that i slept fine

2930

01:43:42,390 --> 01:43:40,320

and i continued to sleep fine she

2931

01:43:43,350 --> 01:43:42,400

was able to help me come to terms with

2932

01:43:46,550 --> 01:43:43,360

things enough

2933

01:43:48,149 --> 01:43:46,560

that it was no longer

2934

01:43:49,590 --> 01:43:48,159

prominent in my mind it's like you're

2935

01:43:52,950 --> 01:43:49,600

gonna be okay

2936

01:43:55,990 --> 01:43:52,960

and now you can sleep and and it really

2937

01:43:59,189 --> 01:43:56,000

helped and then and that's how

2938

01:44:01,189 --> 01:43:59,199

hypnosis can help with ptsd you really

2939

01:44:02,709 --> 01:44:01,199

reliving the experience in a state of

2940

01:44:06,229 --> 01:44:02,719

relaxation

2941

01:44:10,229 --> 01:44:06,239

is what you have to do wow

2942

01:44:12,149 --> 01:44:10,239

yeah and it and it really really helps

2943

01:44:14,229 --> 01:44:12,159

and you yourself i mean you made a

2944

01:44:16,390 --> 01:44:14,239

career change to become

2945

01:44:17,910 --> 01:44:16,400

uh you have what you have you went to

2946

01:44:18,790 --> 01:44:17,920

college and you ended up becoming a

2947

01:44:21,830 --> 01:44:18,800

psychologist

2948

01:44:23,990 --> 01:44:21,840

and helping people now you you deal with

2949

01:44:25,750 --> 01:44:24,000

marriage counseling and stuff like that

2950

01:44:27,270 --> 01:44:25,760

yeah and family counseling

2951

01:44:29,430 --> 01:44:27,280

right just trying to help people out

2952

01:44:33,270 --> 01:44:29,440

librarian yeah i was a librarian

2953

01:44:36,070 --> 01:44:33,280

and then the idea and and you know

2954

01:44:36,550 --> 01:44:36,080

i'm sure i was again led to it um and

2955

01:44:38,070 --> 01:44:36,560

and this

2956

01:44:40,790 --> 01:44:38,080

has happened time and time again in my

2957

01:44:43,350 --> 01:44:40,800

life i was happy as a librarian

2958

01:44:45,030 --> 01:44:43,360

just happy as a clown but all of a

2959

01:44:46,390 --> 01:44:45,040

sudden i had to go back to school

2960

01:44:48,070 --> 01:44:46,400

and i didn't know why and i had to go

2961

01:44:50,229 --> 01:44:48,080

back to school and oh i have to go into

2962

01:44:52,790 --> 01:44:50,239

counseling i have to be a counselor

2963

01:44:54,470 --> 01:44:52,800

and um it was one of those drives just

2964

01:44:56,790 --> 01:44:54,480

like my drive now to talk about these

2965

01:44:58,950 --> 01:44:56,800

things and so i became a counselor

2966

01:45:00,310 --> 01:44:58,960

took forever i'm still working on

2967

01:45:03,669 --> 01:45:00,320

licensure i'm not

2968

01:45:06,790 --> 01:45:03,679

completely finished with the process but

2969

01:45:08,709 --> 01:45:06,800

i've also gone and

2970

01:45:11,350 --> 01:45:08,719

and studied at the milton erickson

2971

01:45:13,030 --> 01:45:11,360

foundation and have become

2972

01:45:14,550 --> 01:45:13,040

um pretty i'm not going to say

2973

01:45:17,510 --> 01:45:14,560

proficient but i have

2974

01:45:18,629 --> 01:45:17,520

become pretty well versed in hypnosis

2975

01:45:21,430 --> 01:45:18,639

myself so i

2976

01:45:21,830 --> 01:45:21,440

can use clinical hypnosis in therapy i

2977

01:45:25,109 --> 01:45:21,840

can

2978

01:45:27,510 --> 01:45:25,119

work with others i am waiting

2979

01:45:28,390 --> 01:45:27,520

somewhat patiently as yvonne figures out

2980

01:45:31,189 --> 01:45:28,400

a way to do

2981

01:45:32,629 --> 01:45:31,199

trainings for hypnotherapists who want

2982

01:45:35,990 --> 01:45:32,639

to work specifically with

2983

01:45:37,750 --> 01:45:36,000

um with contactees i don't i don't want

2984

01:45:39,350 --> 01:45:37,760

to delve into that stuff with anybody

2985

01:45:41,750 --> 01:45:39,360

until i have that kind of training

2986

01:45:43,510 --> 01:45:41,760

oh absolutely absolutely i mean i could

2987

01:45:47,109 --> 01:45:43,520

i could definitely see why

2988

01:45:49,510 --> 01:45:47,119

it it could potentially be very harmful

2989

01:45:51,030 --> 01:45:49,520

if you don't do it correctly and so

2990

01:45:53,109 --> 01:45:51,040

that's definitely good that you want to

2991

01:45:53,669 --> 01:45:53,119

make sure that you get all the training

2992

01:45:56,070 --> 01:45:53,679

and

2993

01:45:57,590 --> 01:45:56,080

you don't want to incept somebody yeah

2994

01:46:00,709 --> 01:45:57,600

you want to put them like

2995

01:46:02,390 --> 01:46:00,719

five levels deep and and yeah

2996

01:46:03,910 --> 01:46:02,400

god that wouldn't be very good that

2997

01:46:05,830 --> 01:46:03,920

would be very good

2998

01:46:07,109 --> 01:46:05,840

but man i think that's i think that's

2999

01:46:09,510 --> 01:46:07,119

such a uh

3000

01:46:11,189 --> 01:46:09,520

a beautiful thing you know with with

3001

01:46:14,390 --> 01:46:11,199

everything that's happened to you

3002

01:46:16,390 --> 01:46:14,400

and your story and and the the way that

3003

01:46:18,310 --> 01:46:16,400

your life is kind of played out and

3004

01:46:19,430 --> 01:46:18,320

and guys definitely check out dirty

3005

01:46:20,950 --> 01:46:19,440

little secrets

3006

01:46:22,390 --> 01:46:20,960

there's so much more to the story

3007

01:46:24,390 --> 01:46:22,400

there's so much more in the book but

3008

01:46:27,270 --> 01:46:24,400

that's just such a beautiful like

3009

01:46:28,709 --> 01:46:27,280

kind of way to end it i think is is is

3010

01:46:32,149 --> 01:46:28,719

we come to the end of

3011

01:46:36,550 --> 01:46:32,159

of now you yourself want

3012

01:46:38,870 --> 01:46:36,560

to help people you know

3013

01:46:40,070 --> 01:46:38,880

not only not in your position but also

3014

01:46:43,430 --> 01:46:40,080

in your position

3015

01:46:50,709 --> 01:46:47,030

here there you go that was so weird

3016

01:46:52,390 --> 01:46:50,719

oh my god okay we figured it out

3017

01:46:53,750 --> 01:46:52,400

okay what happened we have some

3018

01:46:53,990 --> 01:46:53,760

neighborhood aliens that are messing

3019

01:46:57,189 --> 01:46:54,000

with

3020

01:46:59,189 --> 01:46:57,199

us okay yeah that's that's

3021

01:47:01,590 --> 01:46:59,199

very welcome was it you don't you mess

3022

01:47:06,390 --> 01:47:01,600

up electronics from time to time

3023

01:47:08,350 --> 01:47:06,400

uh yeah we're gonna blame it on you then

3024

01:47:12,950 --> 01:47:08,360

oh

3025

01:47:16,229 --> 01:47:14,709

i'm totally off my game now i don't even

3026

01:47:17,830 --> 01:47:16,239

remember where i was going with this

3027

01:47:19,510 --> 01:47:17,840

i know we were wrapping it up telling

3028

01:47:21,350 --> 01:47:19,520

you how wonderful i was yes

3029

01:47:22,870 --> 01:47:21,360

that's exactly right we are we're

3030

01:47:25,109 --> 01:47:22,880

definitely telling you how wonderful

3031

01:47:27,189 --> 01:47:25,119

you are um and i know we were wrapping

3032

01:47:29,910 --> 01:47:27,199

that up so it was just such a strange

3033

01:47:30,709 --> 01:47:29,920

time for that to happen but yes i know

3034

01:47:32,470 --> 01:47:30,719

that there's uh

3035

01:47:34,229 --> 01:47:32,480

so much more to your story and like i

3036

01:47:35,669 --> 01:47:34,239

said i just think it's a it's a great

3037

01:47:38,950 --> 01:47:35,679

thing that you decided to

3038

01:47:40,790 --> 01:47:38,960

set out and and help people um

3039

01:47:43,109 --> 01:47:40,800

that are dealing with these same kind of

3040

01:47:43,910 --> 01:47:43,119

issues as well with other issues so that

3041

01:47:47,590 --> 01:47:43,920

makes you like

3042

01:47:51,030 --> 01:47:47,600

110 percent cooler um and uh

3043

01:47:54,229 --> 01:47:51,040

it's yeah it's just been awesome uh guys

3044

01:47:55,430 --> 01:47:54,239

like like i said check it out dirty

3045

01:47:58,229 --> 01:47:55,440

little secrets

3046

01:48:00,149 --> 01:47:58,239

um aaron's amazing this book is amazing

3047

01:48:02,229 --> 01:48:00,159

you guys all need to check it out aaron

3048

01:48:04,070 --> 01:48:02,239

is there any specific places that you

3049

01:48:05,910 --> 01:48:04,080

want people to check out your book

3050

01:48:07,189 --> 01:48:05,920

uh do you have any way that people can

3051

01:48:10,310 --> 01:48:07,199

maybe you know

3052

01:48:11,910 --> 01:48:10,320

contact you or like how do you how do

3053

01:48:14,229 --> 01:48:11,920

you operate

3054

01:48:15,270 --> 01:48:14,239

um yeah the book is available on amazon

3055

01:48:18,070 --> 01:48:15,280

there's both a

3056

01:48:20,310 --> 01:48:18,080

paperback version and an ebook right now

3057

01:48:21,590 --> 01:48:20,320

about to start recording for the

3058

01:48:24,709 --> 01:48:21,600

audiobook

3059

01:48:26,390 --> 01:48:24,719

um that's going to be interesting um and

3060

01:48:28,470 --> 01:48:26,400

then

3061

01:48:30,629 --> 01:48:28,480

of course on facebook if you just you

3062

01:48:32,950 --> 01:48:30,639

can look up my name and contact me that

3063

01:48:34,709 --> 01:48:32,960

way you can dirty little secret itself

3064

01:48:35,350 --> 01:48:34,719

has a page you can contact me through

3065

01:48:41,189 --> 01:48:35,360

that

3066

01:48:45,030 --> 01:48:41,199

the room

3067

01:48:48,310 --> 01:48:45,040

and i actually share a website

3068

01:48:50,790 --> 01:48:48,320

wow yeah so we've got

3069

01:48:52,470 --> 01:48:50,800

um really crazy videos that we pick up

3070

01:48:54,550 --> 01:48:52,480

on cameras he has one outside i have one

3071

01:48:56,709 --> 01:48:54,560

in my bedroom which is kind of weird but

3072

01:48:59,109 --> 01:48:56,719

um you know things that happen in the

3073

01:49:01,350 --> 01:48:59,119

night those videos are up there

3074

01:49:03,189 --> 01:49:01,360

you know if you are interested in any of

3075

01:49:03,830 --> 01:49:03,199

the healings that i do or the readings

3076

01:49:05,990 --> 01:49:03,840

that i do

3077

01:49:07,590 --> 01:49:06,000

or just want to send us a message all

3078

01:49:10,430 --> 01:49:07,600

that can be done at the website and that

3079

01:49:15,189 --> 01:49:12,790

[www.peoplesouterdimension.net](http://www.peoplesouterdimension.net)

3080

01:49:16,149 --> 01:49:15,199

awesome yeah awesome we'll add that uh

3081

01:49:19,589 --> 01:49:16,159

info to the

3082

01:49:21,189 --> 01:49:19,599

youtube uh uh uh

3083

01:49:22,149 --> 01:49:21,199

when we post this on youtube yeah i

3084

01:49:22,709 --> 01:49:22,159

don't know if you know that but yeah

3085

01:49:25,750 --> 01:49:22,719

we're

3086

01:49:27,109 --> 01:49:25,760

spreaker and all that so

3087

01:49:28,310 --> 01:49:27,119

we'll add that information too for

3088

01:49:30,390 --> 01:49:28,320

anybody that's listening and wants to

3089

01:49:32,470 --> 01:49:30,400

check out the website

3090

01:49:34,070 --> 01:49:32,480

awesome that's great yeah and we'll uh

3091

01:49:36,470 --> 01:49:34,080

we'll send you a a

3092

01:49:38,629 --> 01:49:36,480

a link to this episode and if you want

3093

01:49:41,430 --> 01:49:38,639

to share it to any of your groups or

3094

01:49:43,109 --> 01:49:41,440

anything like that feel free um our

3095

01:49:44,870 --> 01:49:43,119

stuff is your stuff

3096

01:49:46,550 --> 01:49:44,880

only because it's it's your story in the

3097

01:49:48,550 --> 01:49:46,560

first place so we want you guys

3098

01:49:50,070 --> 01:49:48,560

we want you guys to have everything that

3099

01:49:53,109 --> 01:49:50,080

that we do so

3100

01:49:53,589 --> 01:49:53,119

it's it's it's all you but uh aaron once

3101

01:49:55,750 --> 01:49:53,599

again

3102

01:49:57,510 --> 01:49:55,760

i mean this was just absolutely amazing

3103

01:49:59,350 --> 01:49:57,520

thank you so much for reaching out to us

3104

01:50:00,070 --> 01:49:59,360

again i apologize it took us so long to

3105

01:50:02,390 --> 01:50:00,080

get to you

3106

01:50:03,510 --> 01:50:02,400

we just we've had so much stuff you know

3107

01:50:05,510 --> 01:50:03,520

lately it's just been

3108

01:50:07,830 --> 01:50:05,520

a little crazy around here but i'm so

3109

01:50:09,510 --> 01:50:07,840

glad we got to this yes

3110

01:50:11,109 --> 01:50:09,520

absolutely well i had fun and if you

3111

01:50:14,229 --> 01:50:11,119

ever want me back just let me know

3112

01:50:15,830 --> 01:50:14,239

oh yeah i had a blast absolutely

3113

01:50:18,229 --> 01:50:15,840

absolutely your story is uh

3114

01:50:19,109 --> 01:50:18,239

is still continuing to this day so we're

3115

01:50:21,189 --> 01:50:19,119

definitely gonna have

3116

01:50:23,030 --> 01:50:21,199

have you back and uh get a little more

3117

01:50:24,550 --> 01:50:23,040

into this and and see where you're at in

3118

01:50:26,470 --> 01:50:24,560

the future

3119

01:50:27,910 --> 01:50:26,480

awesome awesome well hey we'll talk to

3120

01:50:32,390 --> 01:50:27,920

you later all right

3121

01:50:34,950 --> 01:50:32,400

all right sounds good bye guys bye

3122

01:50:36,229 --> 01:50:34,960

nice cool man that was uh that was that

3123

01:50:39,030 --> 01:50:36,239

was freaking awesome dude

3124

01:50:41,109 --> 01:50:39,040

bro yeah awesome man i told you man her

3125

01:50:41,990 --> 01:50:41,119

story there's just so much to it i mean

3126  
01:50:44,470 --> 01:50:42,000  
there's so much

3127  
01:50:46,229 --> 01:50:44,480  
like well she could speak for 30 seconds

3128  
01:50:48,390 --> 01:50:46,239  
and there's just so much to unpack in

3129  
01:50:51,189 --> 01:50:48,400  
that 30 seconds and it's like

3130  
01:50:52,070 --> 01:50:51,199  
yeah we could do this for hours i know

3131  
01:50:55,350 --> 01:50:52,080  
it's just not enough

3132  
01:50:57,589 --> 01:50:55,360  
time right and and like we're kind of

3133  
01:50:58,550 --> 01:50:57,599  
we're pushing that you know two hour

3134  
01:51:01,510 --> 01:50:58,560  
mark right now

3135  
01:51:02,229 --> 01:51:01,520  
but it's it's almost it's almost like i

3136  
01:51:04,390 --> 01:51:02,239  
need to

3137  
01:51:06,070 --> 01:51:04,400  
and i think maybe our listeners maybe

3138  
01:51:08,629 --> 01:51:06,080

need a little break too because there's

3139

01:51:09,589 --> 01:51:08,639

so much that we talked about in this

3140

01:51:12,070 --> 01:51:09,599

episode like

3141

01:51:13,830 --> 01:51:12,080

we just have to have her back on to to

3142

01:51:16,310 --> 01:51:13,840

to really dive into

3143

01:51:17,750 --> 01:51:16,320

maybe even start any of the other

3144

01:51:19,990 --> 01:51:17,760

stories that she has to tell

3145

01:51:20,790 --> 01:51:20,000

oh definitely but um yeah i feel like at

3146

01:51:23,189 --> 01:51:20,800

the beginning like

3147

01:51:25,510 --> 01:51:23,199

i just you know not knowing as much as

3148

01:51:27,669 --> 01:51:25,520

you do about her story

3149

01:51:28,950 --> 01:51:27,679

i just i don't know i wanted to know

3150

01:51:31,830 --> 01:51:28,960

everything once

3151

01:51:33,669 --> 01:51:31,840

but you know i i i'm sorry i asked that

3152

01:51:37,109 --> 01:51:33,679

question

3153

01:51:39,350 --> 01:51:37,119

how many aliens have you seen but but uh

3154

01:51:40,709 --> 01:51:39,360

wait you didn't hear me how many aliens

3155

01:51:44,149 --> 01:51:40,719

have you seen

3156

01:51:46,830 --> 01:51:44,159

by the way hey before you go hey

3157

01:51:48,709 --> 01:51:46,840

i want to know how many aliens have you

3158

01:51:51,109 --> 01:51:48,719

seen

3159

01:51:52,870 --> 01:51:51,119

but uh yeah do you like a new shirt how

3160

01:51:56,229 --> 01:51:52,880

many aliens have you seen

3161

01:51:58,790 --> 01:51:56,239

that's a great shirt yeah it is like

3162

01:52:00,149 --> 01:51:58,800

it's like a art cartoon of my face like

3163

01:52:04,550 --> 01:52:00,159

like looking

3164

01:52:07,750 --> 01:52:05,750

looking at looking at you with a

3165

01:52:11,589 --> 01:52:07,760

straight face yeah yeah it's totally

3166

01:52:13,830 --> 01:52:11,599

yeah god damn it ben

3167

01:52:15,350 --> 01:52:13,840

oh it's so hard i only had like three

3168

01:52:17,750 --> 01:52:15,360

beers too yeah me too

3169

01:52:18,709 --> 01:52:17,760

me too that was that was so great though

3170

01:52:21,109 --> 01:52:18,719

yeah

3171

01:52:22,790 --> 01:52:21,119

i absolutely loved her story uh you know

3172

01:52:24,149 --> 01:52:22,800

and

3173

01:52:26,870 --> 01:52:24,159

we haven't even scratched the surface i

3174

01:52:28,070 --> 01:52:26,880

feel like no not really i mean we kind

3175

01:52:29,750 --> 01:52:28,080

of went through the book

3176

01:52:32,470 --> 01:52:29,760

a little bit yeah it wasn't

3177

01:52:34,950 --> 01:52:32,480

chronologically but there is definitely

3178

01:52:36,149 --> 01:52:34,960

at least seven more stories in here that

3179

01:52:38,310 --> 01:52:36,159

we didn't even get to

3180

01:52:39,990 --> 01:52:38,320

yeah and uh we talked about the

3181

01:52:41,990 --> 01:52:40,000

additional time that she had but she's

3182

01:52:42,310 --> 01:52:42,000

also had missing time i mean it's just

3183

01:52:44,470 --> 01:52:42,320

yeah

3184

01:52:46,950 --> 01:52:44,480

you know traveling with friends it's

3185

01:52:50,470 --> 01:52:46,960

happened to not only her but her

3186

01:52:52,709 --> 01:52:50,480

uh uh her former husband and a couple of

3187

01:52:53,270 --> 01:52:52,719

her friends i mean she's had issues in a

3188

01:52:55,990 --> 01:52:53,280

car

3189

01:52:56,950 --> 01:52:56,000

i mean the the beings like you know in

3190

01:52:58,950 --> 01:52:56,960

the road

3191

01:53:00,070 --> 01:52:58,960

and the face like the stuff that i'm

3192

01:53:02,550 --> 01:53:00,080

holding on

3193

01:53:03,109 --> 01:53:02,560

yeah it's just dude it's just there's so

3194

01:53:05,270 --> 01:53:03,119

much

3195

01:53:06,390 --> 01:53:05,280

uh in this book but i knew she had to

3196

01:53:08,470 --> 01:53:06,400

get on to

3197

01:53:10,950 --> 01:53:08,480

her her uh she has another show tonight

3198

01:53:14,229 --> 01:53:10,960

so i wanted to give her time to kind of

3199

01:53:16,629 --> 01:53:14,239

cool down and yeah that was smart

3200

01:53:17,430 --> 01:53:16,639

not have to tell the story and then go

3201  
01:53:19,830 --> 01:53:17,440  
to the next

3202  
01:53:20,870 --> 01:53:19,840  
one and tell the story again and be like

3203  
01:53:22,629 --> 01:53:20,880  
look dude

3204  
01:53:24,550 --> 01:53:22,639  
look i was abducted by aliens like she

3205  
01:53:25,189 --> 01:53:24,560  
said i'm tired i stole the story three

3206  
01:53:28,790 --> 01:53:25,199  
times already

3207  
01:53:31,189 --> 01:53:28,800  
i told you already but uh yeah she was

3208  
01:53:32,709 --> 01:53:31,199  
she was so awesome i'm so glad we uh we

3209  
01:53:35,750 --> 01:53:32,719  
finally got to have her on

3210  
01:53:37,910 --> 01:53:35,760  
yeah yeah seriously i mean that's

3211  
01:53:39,270 --> 01:53:37,920  
that's pretty i mean yeah we gotta have

3212  
01:53:41,750 --> 01:53:39,280  
her back on yeah but uh

3213  
01:53:44,070 --> 01:53:41,760

okay so next week who do we have next

3214

01:53:49,750 --> 01:53:44,080

week before we sign off completely

3215

01:54:01,189 --> 01:53:53,669

gilmette jason gilmette jason

3216

01:54:04,550 --> 01:54:02,790

oh my god i bet you that's how you say

3217

01:54:09,030 --> 01:54:04,560

it well i just never say oh i

3218

01:54:12,229 --> 01:54:09,040

haven't said it all out yet jason

3219

01:54:14,550 --> 01:54:12,239

um yeah so i can't remember

3220

01:54:15,510 --> 01:54:14,560

uh well i should have done this before

3221

01:54:17,189 --> 01:54:15,520

but like yeah

3222

01:54:18,550 --> 01:54:17,199

he has his own pocket yeah he runs his

3223

01:54:20,470 --> 01:54:18,560

own podcast and uh

3224

01:54:23,589 --> 01:54:20,480

he's me he's kind of uh listening to

3225

01:54:25,910 --> 01:54:23,599

some of our shows and um

3226

01:54:27,910 --> 01:54:25,920

he's kind of he's he's gonna kind of you

3227

01:54:30,310 --> 01:54:27,920

know we wanted to promote his show

3228

01:54:32,229 --> 01:54:30,320

um uap studies podcast yeah and it's

3229

01:54:33,030 --> 01:54:32,239

it's pretty good it's more on the more

3230

01:54:36,790 --> 01:54:33,040

scientific

3231

01:54:40,149 --> 01:54:36,800

side of things um trying to

3232

01:54:42,709 --> 01:54:40,159

weed out the uh um the [h\_\_h]

3233

01:54:43,430 --> 01:54:42,719

with the uh with the with the real stuff

3234

01:54:46,229 --> 01:54:43,440

you know

3235

01:54:48,229 --> 01:54:46,239

um so that's kind of his mission yeah um

3236

01:54:49,430 --> 01:54:48,239

and also it might not be the next

3237

01:54:49,990 --> 01:54:49,440

episode right because we might do

3238

01:54:53,109 --> 01:54:50,000

something else

3239

01:54:53,750 --> 01:54:53,119

for our 60th 60th episode it's well it's

3240

01:54:55,270 --> 01:54:53,760

possible

3241

01:54:57,430 --> 01:54:55,280

we already have them scheduled so i

3242

01:54:59,990 --> 01:54:57,440

think we should just do it okay

3243

01:55:01,430 --> 01:55:00,000

um yeah i mean i'm excited i was

3244

01:55:03,589 --> 01:55:01,440

thinking we could do like an hour

3245

01:55:05,270 --> 01:55:03,599

of us just making fart noises for our

3246

01:55:06,870 --> 01:55:05,280

60th episode

3247

01:55:08,310 --> 01:55:06,880

we could record it right after this

3248

01:55:11,350 --> 01:55:08,320

somebody's gonna listen to it

3249

01:55:11,990 --> 01:55:11,360

dude i guarantee you somebody's gonna

3250

01:55:15,030 --> 01:55:12,000

listen to it

3251  
01:55:16,629 --> 01:55:15,040  
and i mean some of you might hate it and

3252  
01:55:17,990 --> 01:55:16,639  
some of you might like it but i can make

3253  
01:55:19,830 --> 01:55:18,000  
a lot of really

3254  
01:55:21,189 --> 01:55:19,840  
great fart noises it's hilarious because

3255  
01:55:23,510 --> 01:55:21,199  
if we did do an hour

3256  
01:55:24,310 --> 01:55:23,520  
of just fart noises and we put it up on

3257  
01:55:26,870 --> 01:55:24,320  
youtube

3258  
01:55:27,910 --> 01:55:26,880  
you know somebody's gonna comment and be

3259  
01:55:35,589 --> 01:55:27,920  
like

3260  
01:55:38,310 --> 01:55:35,599  
dude exactly

3261  
01:55:39,030 --> 01:55:38,320  
like their jokes aren't funny laughing

3262  
01:55:40,550 --> 01:55:39,040  
too much and

3263  
01:55:42,229 --> 01:55:40,560

they think they're [\h\_\_\h] funny and

3264

01:55:44,229 --> 01:55:42,239

they're not

3265

01:55:46,550 --> 01:55:44,239

it's like yeah i know we just made a

3266

01:55:49,910 --> 01:55:46,560

full hour episode of farting noises

3267

01:55:53,589 --> 01:55:49,920

yeah on purpose yeah because it was

3268

01:55:55,189 --> 01:55:53,599

it was funny yeah and then and then the

3269

01:55:55,910 --> 01:55:55,199

rest of the comments will be like that

3270

01:55:58,149 --> 01:55:55,920

was so

3271

01:55:59,750 --> 01:55:58,159

funny there's always that one person

3272

01:56:02,709 --> 01:55:59,760

that was the one

3273

01:56:03,669 --> 01:56:02,719

wet napkin way too serious oh man that's

3274

01:56:05,589 --> 01:56:03,679

so funny dude

3275

01:56:06,709 --> 01:56:05,599

yeah well all right man uh that was a

3276

01:56:07,830 --> 01:56:06,719

good episode yeah

3277

01:56:10,310 --> 01:56:07,840

definitely a good episode definitely

3278

01:56:11,510 --> 01:56:10,320

gonna have her on again um and guys once

3279

01:56:12,830 --> 01:56:11,520

again don't forget to go check out the

3280

01:56:15,270 --> 01:56:12,840

book

3281

01:56:18,470 --> 01:56:15,280

uh dirty little secret

3282

01:56:20,950 --> 01:56:18,480

i'll keep you my dirty little secret

3283

01:56:22,470 --> 01:56:20,960

but but don't let that throw you off

3284

01:56:25,669 --> 01:56:22,480

this is a way

3285

01:56:27,910 --> 01:56:25,679

way way cooler

3286

01:56:29,990 --> 01:56:27,920

dirty little secret intense i promise

3287

01:56:32,709 --> 01:56:30,000

it's this was such a good book

3288

01:56:33,350 --> 01:56:32,719

it was such a good book i love it dude i

3289

01:56:39,750 --> 01:56:33,360

love it

3290

01:56:44,070 --> 01:56:42,790

well this was another episode ufo for
