EVENTS & ALL THINGS WEIRD

@ufogarage

VOX

1
00:00:06,630 --> 00:00:03,830
all right okay

2
00:00:09,430 --> 00:00:06,640
uh-huh new mics sound great this is

3
00:00:11,509 --> 00:00:09,440
another episode of ufo garage

4
00:00:12,789 --> 00:00:11,519
i'm ben and i'm joe and this is where we

5
00:00:15,190 --> 00:00:12,799
talk about ufos

6
00:00:16,229 --> 00:00:15,200
aliens and you already know all things

7
00:00:18,070 --> 00:00:16,239
weird

8
00:00:21,269 --> 00:00:18,080
[Applause]

9
00:00:24,390 --> 00:00:21,279
oh yeah dude episode 62. episode

10
00:00:25,990 --> 00:00:24,400
62 man it's pretty uh it's pretty great

11
00:00:28,230 --> 00:00:26,000
i feel really good about it

12
00:00:29,029 --> 00:00:28,240
and uh and and you know what god damn it

13
00:00:31,029 --> 00:00:29,039

you should too

14

00:00:33,270 --> 00:00:31,039

yeah i feel great also it's an is it

15

00:00:35,350 --> 00:00:33,280

even number 62. but if you

16

00:00:37,590 --> 00:00:35,360

what is it where you divide some a

17

00:00:39,030 --> 00:00:37,600

number in half and it's an odd number

18

00:00:40,470 --> 00:00:39,040

there's a name for that like it's an

19

00:00:43,110 --> 00:00:40,480

even number to start but

20

00:00:44,069 --> 00:00:43,120

it's called uh subtracting one number

21

00:00:47,510 --> 00:00:44,079

dip

22

00:00:49,350 --> 00:00:47,520

i don't i don't okay oh square rooting

23

00:00:50,950 --> 00:00:49,360

yeah that's what it is is that what it

24

00:00:52,229 --> 00:00:50,960

is square square tooting

25

00:00:54,229 --> 00:00:52,239

i'm guessing i think that's called

26

00:00:55,510 --> 00:00:54,239

square tooting or is it the uh the

27

00:00:58,869 --> 00:00:55,520

pythagorean theorem

28

00:01:01,270 --> 00:00:58,879

it's the pathetic reum uh

29

00:01:02,549 --> 00:01:01,280

fear feared him oh crazy story really

30

00:01:05,429 --> 00:01:02,559

quick uh when i was

31

00:01:07,750 --> 00:01:05,439

in school i had this teacher um and she

32

00:01:10,310 --> 00:01:07,760

had like a really really heavy

33

00:01:12,310 --> 00:01:10,320

accent it was so heavy i'm not really

34

00:01:14,710 --> 00:01:12,320

even sure what country she came from

35

00:01:16,550 --> 00:01:14,720

um but for like the longest time dude

36

00:01:17,270 --> 00:01:16,560

she taught math class and she'd be like

37

00:01:21,270 --> 00:01:17,280

uh

38

00:01:24,870 --> 00:01:21,280

town

39

00:01:25,990 --> 00:01:24,880

and like it's like i would come home and

40

00:01:27,109 --> 00:01:26,000

do my homework and [h__h] my

41

00:01:29,670 --> 00:01:27,119

mom would be like all right what are we

42

00:01:31,749 --> 00:01:29,680

working on like pterodactyl

43

00:01:33,429 --> 00:01:31,759

pythagorean theorem or something

44

00:01:35,030 --> 00:01:33,439

pythagorean theorem yeah

45

00:01:37,190 --> 00:01:35,040

and she'd be like i don't have no idea

46

00:01:38,950 --> 00:01:37,200

what that is

47

00:01:41,030 --> 00:01:38,960

so then somebody explained to me no it's

48

00:01:41,510 --> 00:01:41,040

pythagorean theorem and i was like oh

49

00:01:43,350 --> 00:01:41,520

[h__h]

50

00:01:44,630 --> 00:01:43,360

i should have known that damn we don't

51

00:01:47,190 --> 00:01:44,640

know where this lady's from

52

00:01:48,789 --> 00:01:47,200

but she doesn't say it right what why

53

00:01:50,310 --> 00:01:48,799

i'm trying to figure out what what uh

54

00:01:51,749 --> 00:01:50,320

what accent that is

55

00:01:53,990 --> 00:01:51,759

dude i don't know i couldn't even do an

56

00:01:56,230 --> 00:01:54,000

accurate accent because like it was so

57

00:01:57,910 --> 00:01:56,240

like it was so random i've never heard

58

00:01:58,630 --> 00:01:57,920

anything else like that ever in my

59

00:02:00,389 --> 00:01:58,640

entire life

60

00:02:02,149 --> 00:02:00,399

i feel like everybody other than

61

00:02:04,149 --> 00:02:02,159

americans are just great at math

62

00:02:05,510 --> 00:02:04,159

like that's what we're all taught by

63

00:02:08,389 --> 00:02:05,520

somebody else yeah

64

00:02:09,270 --> 00:02:08,399

like come teach these dumb americans

65

00:02:12,390 --> 00:02:09,280

math man

66

00:02:13,750 --> 00:02:12,400

oh my god dude well so i mean yeah dude

67

00:02:15,830 --> 00:02:13,760

so

68

00:02:16,869 --> 00:02:15,840

we were gonna we were gonna have a guest

69

00:02:19,270 --> 00:02:16,879

on today

70

00:02:20,869 --> 00:02:19,280

uh but they had a little bit of a storm

71

00:02:22,550 --> 00:02:20,879

and their power got knocked out

72

00:02:23,910 --> 00:02:22,560

so they're not able to call in because

73

00:02:25,830 --> 00:02:23,920

they're trying to reserve

74

00:02:26,949 --> 00:02:25,840

you know power on their phones and stuff

75

00:02:30,070 --> 00:02:26,959

in case they need it

76

00:02:31,910 --> 00:02:30,080

um totally understandable um but we got

77

00:02:35,350 --> 00:02:31,920

a last minute hop in dude

78

00:02:37,509 --> 00:02:35,360

i'm pretty surprised pretty big deal

79

00:02:39,750 --> 00:02:37,519

say so myself i'm pretty happy about it

80

00:02:42,070 --> 00:02:39,760

because he's a long time listener man

81

00:02:43,350 --> 00:02:42,080

and uh you know you know we go way back

82

00:02:45,589 --> 00:02:43,360

to the sandbox

83

00:02:46,550 --> 00:02:45,599

when it comes to this podcasting thing

84

00:02:48,869 --> 00:02:46,560

yeah so

85

00:02:49,830 --> 00:02:48,879

and he's also got his own podcast that's

86

00:02:51,830 --> 00:02:49,840

right called uh

87

00:02:53,589 --> 00:02:51,840

what if tomorrow his name's philip

88

00:02:54,710 --> 00:02:53,599

knight everybody what's up phil how you

89

00:02:57,190 --> 00:02:54,720

doing man

90

00:02:58,630 --> 00:02:57,200

hey guys what's going on not a lot man

91

00:02:59,670 --> 00:02:58,640

not a lot glad you could make it all

92

00:03:02,710 --> 00:02:59,680

with us tonight

93

00:03:05,190 --> 00:03:02,720

glad to be here yeah yeah good

94

00:03:07,190 --> 00:03:05,200

so you know as we do occasionally we've

95

00:03:08,790 --> 00:03:07,200

done it like two or three times now uh

96

00:03:11,350 --> 00:03:08,800

listener story corner

97

00:03:12,869 --> 00:03:11,360

so it's gonna be a little bit of

98

00:03:15,589 --> 00:03:12,879

listener story corner

99

00:03:17,270 --> 00:03:15,599

plus we're also just gonna kind of chat

100

00:03:18,550 --> 00:03:17,280

with with phillip tonight man how does

101

00:03:20,229 --> 00:03:18,560

that sound phil

102

00:03:21,670 --> 00:03:20,239

that works for me man cool yeah you mind

103

00:03:23,270 --> 00:03:21,680

if i call you phil

104

00:03:24,789 --> 00:03:23,280

yeah i'm good with it you call me

105

00:03:26,550 --> 00:03:24,799

[h__\h] i don't care

106

00:03:28,070 --> 00:03:26,560

all right [h__\h] well let's go with the

107

00:03:30,309 --> 00:03:28,080

first one

108

00:03:31,270 --> 00:03:30,319

yeah man uh yeah man so you were you

109

00:03:32,470 --> 00:03:31,280

were chit chatting with us

110

00:03:35,030 --> 00:03:32,480

and uh you know i guess we're kind of

111

00:03:36,229 --> 00:03:35,040

getting into close to halloween it's two

112

00:03:38,309 --> 00:03:36,239

days away

113

00:03:39,430 --> 00:03:38,319

um you know they try to cancel it but

114

00:03:42,550 --> 00:03:39,440

you know what

115

00:03:43,670 --> 00:03:42,560

uh all the young children um i've hacked

116

00:03:45,910 --> 00:03:43,680

into their computers

117

00:03:47,750 --> 00:03:45,920

and their ipads and tablets that they

118

00:03:50,149 --> 00:03:47,760

watch on their cartoons on

119

00:03:51,910 --> 00:03:50,159

and i've i've sent a video of beastie

120

00:03:55,270 --> 00:03:51,920

boys fight for your right to party

121

00:03:55,830 --> 00:03:55,280

oh yeah and so now kids all over america

122

00:03:57,670 --> 00:03:55,840

are now

123

00:03:58,949 --> 00:03:57,680

gonna wake up to it saturday morning

124

00:04:00,470 --> 00:03:58,959

it's it's like one of those things where

125

00:04:02,789 --> 00:04:00,480

i wake up on my computer

126

00:04:04,550 --> 00:04:02,799

and i hit like control z and then like

127

00:04:06,470 --> 00:04:04,560

it sends it out to the world yeah it's

128

00:04:07,190 --> 00:04:06,480

one of those type deals so everybody be

129

00:04:09,030 --> 00:04:07,200

ready because

130

00:04:10,309 --> 00:04:09,040

we're partying on halloween night man

131

00:04:12,309 --> 00:04:10,319

but yeah

132

00:04:14,710 --> 00:04:12,319

that's bullcrap you know it's for the

133

00:04:16,710 --> 00:04:14,720

kids oh i know dude and everybody's

134

00:04:18,789 --> 00:04:16,720

wearing a mask already anyways

135

00:04:19,830 --> 00:04:18,799

absolutely well the best thing to do is

136

00:04:22,710 --> 00:04:19,840

take it off and

137

00:04:23,670 --> 00:04:22,720

dress up that way yeah yeah yeah

138

00:04:24,870 --> 00:04:23,680

definitely

139

00:04:26,150 --> 00:04:24,880

they should have just instead of trying

140

00:04:27,270 --> 00:04:26,160

to cancel halloween they should have

141

00:04:28,629 --> 00:04:27,280

been like you know let's encourage

142

00:04:30,070 --> 00:04:28,639

everybody to be doctors

143

00:04:31,430 --> 00:04:30,080

and then like you would have to ask

144

00:04:34,550 --> 00:04:31,440

anyways like then it would have been

145

00:04:36,629 --> 00:04:34,560

like a way cooler approach to uh

146

00:04:37,749 --> 00:04:36,639

trying to get people to stay safe there

147

00:04:39,990 --> 00:04:37,759

would have been like a bi

148

00:04:42,150 --> 00:04:40,000

bipartisanship statement about like

149

00:04:44,390 --> 00:04:42,160

[h__\h] doctors versus real doctors

150

00:04:46,150 --> 00:04:44,400

though like it'd be in a movement you

151
00:04:47,510 --> 00:04:46,160
know it's that would that would have

152
00:04:49,110 --> 00:04:47,520
happened like

153
00:04:51,110 --> 00:04:49,120
some famous actress would have been like

154
00:04:53,510 --> 00:04:51,120
you know what kids i know it's

155
00:04:54,390 --> 00:04:53,520
it's tempting to show up as a [h__h]

156
00:04:57,030 --> 00:04:54,400
doctor but

157
00:04:57,909 --> 00:04:57,040
in these trying times do not take that

158
00:05:00,150 --> 00:04:57,919
mask off

159
00:05:01,830 --> 00:05:00,160
and keep those clothes down tight during

160
00:05:03,270 --> 00:05:01,840
your ankles and your wrists

161
00:05:06,950 --> 00:05:03,280
and then i would chime in and i would be

162
00:05:10,230 --> 00:05:06,960
like hey doctors can be [h__h] too

163
00:05:13,590 --> 00:05:10,240

i fight for [\h__\h] doctors rights

164

00:05:15,909 --> 00:05:13,600

they need rights too yes man yes well

165

00:05:16,870 --> 00:05:15,919

phil man uh so you were you were telling

166

00:05:18,310 --> 00:05:16,880

us uh

167

00:05:19,990 --> 00:05:18,320

that you got a couple a couple

168

00:05:23,110 --> 00:05:20,000

paranormal stories

169

00:05:24,710 --> 00:05:23,120

yeah um i've had several experiences

170

00:05:28,230 --> 00:05:24,720

throughout my life

171

00:05:29,749 --> 00:05:28,240

um i don't know i guess

172

00:05:31,350 --> 00:05:29,759

i want to reserve a couple of them

173

00:05:33,350 --> 00:05:31,360

because we've got a uh

174

00:05:34,790 --> 00:05:33,360

a halloween episode dropping at midnight

175

00:05:39,909 --> 00:05:34,800

tomorrow night for halloween

176

00:05:43,110 --> 00:05:39,919

oh wow dude yeah plug it man for sure

177

00:05:45,830 --> 00:05:43,120

um but yeah i mean we're

178

00:05:48,150 --> 00:05:45,840

we're just finishing up on our uh our

179

00:05:50,469 --> 00:05:48,160

kind of halloween season

180

00:05:51,590 --> 00:05:50,479

shows and stuff like that we did uh was

181

00:05:54,870 --> 00:05:51,600

it ghost

182

00:05:58,309 --> 00:05:54,880

uh dropped uh vampires too daniel

183

00:06:00,629 --> 00:05:58,319

yeah yeah that was cool

184

00:06:02,230 --> 00:06:00,639

uh we did the zombie apocalypse kind of

185

00:06:09,110 --> 00:06:02,240

prepared in the show

186

00:06:12,550 --> 00:06:11,029

you know we finished out uh we had a

187

00:06:14,230 --> 00:06:12,560

special guest on man this this

188

00:06:16,629 --> 00:06:14,240

this lady is like an encyclopedia when

189

00:06:19,350 --> 00:06:16,639

it comes to this stuff and uh

190

00:06:20,230 --> 00:06:19,360

uh my co-host mark and her they're in a

191

00:06:21,749 --> 00:06:20,240

uh

192

00:06:23,189 --> 00:06:21,759

an actual paranormal group i don't know

193

00:06:24,469 --> 00:06:23,199

if you guys listen to the show or

194

00:06:28,070 --> 00:06:24,479

whatever oh yeah

195

00:06:30,309 --> 00:06:28,080

um but uh yeah dude she made me

196

00:06:31,909 --> 00:06:30,319

me and mark look like idiots i just i i

197

00:06:35,110 --> 00:06:31,919

was my mind was blowing this

198

00:06:36,870 --> 00:06:35,120

lady news oh man yeah

199

00:06:38,309 --> 00:06:36,880

like when people start like when there's

200

00:06:41,350 --> 00:06:38,319

like people who are like

201
00:06:41,749 --> 00:06:41,360
really like experts in the subject you

202
00:06:44,550 --> 00:06:41,759
know

203
00:06:45,350 --> 00:06:44,560
like dude the mind blowing just doesn't

204
00:06:48,469 --> 00:06:45,360
stop you know

205
00:06:50,950 --> 00:06:48,479
oh man it's crazy oh yeah

206
00:06:52,710 --> 00:06:50,960
yeah i i know man it's like you know

207
00:06:53,909 --> 00:06:52,720
like because we do the ufo thing and

208
00:06:55,270 --> 00:06:53,919
it's like you know we started out we

209
00:06:56,469 --> 00:06:55,280
were talking about this earlier on how

210
00:06:58,950 --> 00:06:56,479
like it was like

211
00:07:00,870 --> 00:06:58,960
we were like alien light like you know

212
00:07:02,790 --> 00:07:00,880
we watched some ancient aliens

213
00:07:03,909 --> 00:07:02,800

and saw some [h__h] on youtube and like it

214

00:07:05,189 --> 00:07:03,919

was just something cool that we were

215

00:07:07,990 --> 00:07:05,199

talking about now it's like

216

00:07:08,950 --> 00:07:08,000

we've heard so many like people talk and

217

00:07:13,990 --> 00:07:08,960

like

218

00:07:16,309 --> 00:07:14,000

this is a lot more mind-blowing than

219

00:07:18,070 --> 00:07:16,319

uh than you would think and even in the

220

00:07:20,309 --> 00:07:18,080

paranormal side of it it's like dude

221

00:07:23,350 --> 00:07:20,319

there's so much more to like

222

00:07:25,670 --> 00:07:23,360

the paranormal aspect than just like

223

00:07:27,749 --> 00:07:25,680

seeing some foggy [h__h] in the hallway

224

00:07:29,990 --> 00:07:27,759

you know what i'm saying or just yeah

225

00:07:31,589 --> 00:07:30,000

the friendly ghost man it's it's so

226

00:07:34,710 --> 00:07:31,599

in-depth and it's just

227

00:07:35,749 --> 00:07:34,720

so interesting man when when when i was

228

00:07:40,150 --> 00:07:35,759

talking with her

229

00:07:42,309 --> 00:07:40,160

and on the show she kind of uh

230

00:07:43,749 --> 00:07:42,319

touches on it but we kind of left left

231

00:07:44,469 --> 00:07:43,759

it alone you know because it wasn't

232

00:07:46,790 --> 00:07:44,479

really

233

00:07:48,469 --> 00:07:46,800

what we were covering and for the first

234

00:07:52,070 --> 00:07:48,479

time i think we stayed on topic the

235

00:07:56,830 --> 00:07:53,990

but yeah i mean i mean she she touches

236

00:07:59,350 --> 00:07:56,840

on aliens she touches on time slips

237

00:07:59,830 --> 00:07:59,360

um she's got a lot of knowledge and if

238

00:08:01,510 --> 00:07:59,840

you guys

239

00:08:03,189 --> 00:08:01,520

want and i will see if she'd be

240

00:08:06,309 --> 00:08:03,199

interested in coming on your show

241

00:08:07,830 --> 00:08:06,319

oh that would be cool yeah yeah she

242

00:08:09,589 --> 00:08:07,840

i'm telling you guys i mean she she's

243

00:08:11,110 --> 00:08:09,599

phenomenal she's

244

00:08:13,110 --> 00:08:11,120

she's she's got all the knowledge she

245

00:08:15,029 --> 00:08:13,120

brought she told me on the show that

246

00:08:17,589 --> 00:08:15,039

she's got like 50 books that she's kind

247

00:08:19,350 --> 00:08:17,599

of taken notes and

248

00:08:20,869 --> 00:08:19,360

just personal notes like notebooks and

249

00:08:22,550 --> 00:08:20,879

stuff yeah she's got them on the wall

250

00:08:24,550 --> 00:08:22,560

and she's constantly

251

00:08:26,309 --> 00:08:24,560

studying ley lines and all that stuff so

252

00:08:28,469 --> 00:08:26,319

maybe up here guys as well

253

00:08:29,510 --> 00:08:28,479

damn that sounds that's crazy 50 books

254

00:08:31,510 --> 00:08:29,520

that's like that's like

255

00:08:32,630 --> 00:08:31,520

that's not like a a career of book

256

00:08:34,149 --> 00:08:32,640

writing that's like you put an

257

00:08:37,829 --> 00:08:34,159

encyclopedia together

258

00:08:39,430 --> 00:08:37,839

yeah yeah yeah yeah but man

259

00:08:41,029 --> 00:08:39,440

she's going to come back on here we're

260

00:08:42,630 --> 00:08:41,039

going to go down the road on mandela

261

00:08:44,230 --> 00:08:42,640

effect and stuff like that and she's got

262

00:08:44,949 --> 00:08:44,240

a lot of knowledge about that as well so

263

00:08:47,110 --> 00:08:44,959

we're going to

264

00:08:48,230 --> 00:08:47,120

oh that's cool has that episode aired

265

00:08:50,710 --> 00:08:48,240

yet

266

00:08:51,350 --> 00:08:50,720

uh yeah it came on it downloaded there

267

00:08:54,310 --> 00:08:51,360

uh

268

00:08:55,829 --> 00:08:54,320

we had it drop late tuesday night or no

269

00:08:57,990 --> 00:08:55,839

uh it'd be well monday

270

00:08:59,269 --> 00:08:58,000

midnight on tuesday i guess okay i'm

271

00:09:01,190 --> 00:08:59,279

gonna i got to the

272

00:09:02,630 --> 00:09:01,200

vampire episode is it before or after

273

00:09:04,710 --> 00:09:02,640

that

274

00:09:06,150 --> 00:09:04,720

after it's the next episode i just

275

00:09:08,150 --> 00:09:06,160

haven't gotten to it yet all right

276

00:09:09,670 --> 00:09:08,160

all right dope cause uh that's that's

277

00:09:11,590 --> 00:09:09,680

the next one then if that's the case so

278

00:09:12,389 --> 00:09:11,600

hell yeah i'm excited to listen to that

279

00:09:14,230 --> 00:09:12,399

one

280

00:09:15,910 --> 00:09:14,240

yeah it was really good i was probably

281

00:09:18,710 --> 00:09:15,920

my favorite episode so far

282

00:09:20,310 --> 00:09:18,720

that's awesome man dude yeah i uh man i

283

00:09:21,430 --> 00:09:20,320

dig your podcast and again it's it's

284

00:09:24,630 --> 00:09:21,440

what if tomorrow

285

00:09:27,110 --> 00:09:24,640

podcast guys go check it out but i uh

286

00:09:29,430 --> 00:09:27,120

dude i mean y'all show is good man it's

287

00:09:31,110 --> 00:09:29,440

it's so cool because it's just like a

288

00:09:32,870 --> 00:09:31,120

it's just uh it's exactly what i want to

289

00:09:34,550 --> 00:09:32,880

listen to you know it's just

290

00:09:36,710 --> 00:09:34,560

a couple people sitting around just just

291

00:09:37,190 --> 00:09:36,720

bantering and and putting together ideas

292

00:09:39,269 --> 00:09:37,200

you know

293

00:09:40,710 --> 00:09:39,279

it's like yeah it's good i appreciate it

294

00:09:42,310 --> 00:09:40,720

man yeah and then like you know you have

295

00:09:43,670 --> 00:09:42,320

your son on and stuff like that's your

296

00:09:46,150 --> 00:09:43,680

son right

297

00:09:46,870 --> 00:09:46,160

uh he's one show he was on yeah yeah i

298

00:09:48,470 --> 00:09:46,880

think it was

299

00:09:51,110 --> 00:09:48,480

ancient civilizations or something like

300

00:09:52,630 --> 00:09:51,120

that yeah yeah yeah that was a that was

301

00:09:55,509 --> 00:09:52,640

that was a cool one too man but

302

00:09:55,910 --> 00:09:55,519

yeah i definitely dig it hell yeah so

303

00:09:58,150 --> 00:09:55,920

yeah

304

00:09:59,910 --> 00:09:58,160

we're we're having a good time i mean

305

00:10:01,509 --> 00:09:59,920

it's just that's all it is anyways just

306

00:10:03,590 --> 00:10:01,519

just for fun and

307

00:10:05,430 --> 00:10:03,600

like you guys said we get it's a good

308

00:10:06,310 --> 00:10:05,440

excuse to sit around and drink beer and

309

00:10:08,630 --> 00:10:06,320

bs

310

00:10:10,230 --> 00:10:08,640

definitely yeah that's like one of the

311

00:10:13,509 --> 00:10:10,240

main things

312

00:10:14,949 --> 00:10:13,519

absolutely that we realized so yeah so

313

00:10:16,790 --> 00:10:14,959

tell us a little bit about i mean maybe

314

00:10:19,590 --> 00:10:16,800

not go into

315

00:10:20,310 --> 00:10:19,600

about the guest itself but like you said

316

00:10:22,150 --> 00:10:20,320

you're you're

317

00:10:24,710 --> 00:10:22,160

talking to this chick that like knows

318

00:10:26,949 --> 00:10:24,720

her [h__\h] did you guys talk about any

319

00:10:29,269 --> 00:10:26,959

experiences that you had or can you

320

00:10:30,949 --> 00:10:29,279

maybe give a little bit of a away yeah

321

00:10:32,310 --> 00:10:30,959

oh absolutely absolutely i mean there

322

00:10:33,990 --> 00:10:32,320

were some i didn't share

323

00:10:35,269 --> 00:10:34,000

um the ones i'm not going to share the

324

00:10:35,829 --> 00:10:35,279

ones that are on the halloween episode

325

00:10:38,790 --> 00:10:35,839

obviously

326

00:10:39,509 --> 00:10:38,800

perfect but yeah guys i mean i've had a

327

00:10:42,710 --> 00:10:39,519

lifetime

328

00:10:45,590 --> 00:10:42,720

of experiences

329

00:10:47,509 --> 00:10:45,600

um not so much here i mean i'm in my 40s

330

00:10:47,829 --> 00:10:47,519

but not not so much here later in life

331

00:10:51,350 --> 00:10:47,839

but

332

00:10:54,389 --> 00:10:51,360

uh as a kid and that seems to be

333

00:10:57,750 --> 00:10:54,399

a uh oh

334

00:10:59,030 --> 00:10:57,760

just a kind of a running commonality i

335

00:11:01,750 --> 00:10:59,040

guess you could say

336

00:11:03,509 --> 00:11:01,760

for it all starts when they're kids yeah

337

00:11:06,630 --> 00:11:03,519

yeah um

338

00:11:07,670 --> 00:11:06,640

i think the earliest one i remember is i

339

00:11:11,829 --> 00:11:07,680

was probably

340

00:11:15,670 --> 00:11:14,710

we were living in a three bedroom home

341

00:11:20,230 --> 00:11:15,680

and

342

00:11:20,790 --> 00:11:20,240

my parents you know is a three-bedroom

343

00:11:24,550 --> 00:11:20,800

home

344

00:11:27,030 --> 00:11:24,560

yeah and there's a big pain window

345

00:11:29,590 --> 00:11:27,040

that i remember on the west side of the

346

00:11:31,990 --> 00:11:29,600

house on the west side of the bedroom

347

00:11:33,430 --> 00:11:32,000

and when laying i mean i could look out

348

00:11:37,350 --> 00:11:33,440

the window and all that

349

00:11:38,550 --> 00:11:37,360

and one night i remember uh

350

00:11:40,829 --> 00:11:38,560

it looked like something was trying to

351

00:11:44,389 --> 00:11:40,839

like peek down the window

352

00:11:47,030 --> 00:11:44,399

almost from the top of the window or

353

00:11:48,150 --> 00:11:47,040

yeah from the top of the window oh [\h__\h]

354

00:11:50,629 --> 00:11:48,160

um

355

00:11:51,910 --> 00:11:50,639

and my you know that my head's at the

356

00:11:54,150 --> 00:11:51,920

bed next to the door

357

00:11:55,670 --> 00:11:54,160

and then my brother's on the other side

358

00:11:56,069 --> 00:11:55,680

or my oldest brother's on the other side

359

00:11:59,829 --> 00:11:56,079

by

360

00:12:01,430 --> 00:11:59,839

of the room next to the door um

361

00:12:03,110 --> 00:12:01,440

but man this thing just kept peeking

362

00:12:04,790 --> 00:12:03,120

down it kept peeking down and kept

363

00:12:06,629 --> 00:12:04,800

peeking down

364

00:12:08,230 --> 00:12:06,639

it was like all of a sudden it came

365

00:12:12,230 --> 00:12:08,240

through the window

366

00:12:14,310 --> 00:12:12,240

what what and and hit my brother

367

00:12:15,670 --> 00:12:14,320

right and there's almost like a little

368

00:12:17,990 --> 00:12:15,680

bit of a struggle going on

369

00:12:19,110 --> 00:12:18,000

and it shot after shout out to the uh

370

00:12:21,910 --> 00:12:19,120

the door

371

00:12:23,430 --> 00:12:21,920

into the house whoa what so was it like

372

00:12:26,069 --> 00:12:23,440

a like a

373

00:12:27,430 --> 00:12:26,079

foggy apparition looking thing or kind

374

00:12:31,190 --> 00:12:27,440

of

375

00:12:33,190 --> 00:12:31,200

anything to it

376

00:12:35,269 --> 00:12:33,200

it was nice i i i honestly can't

377

00:12:37,910 --> 00:12:35,279

remember yeah yeah

378

00:12:38,550 --> 00:12:37,920

but we'd always see shadows move across

379

00:12:40,389 --> 00:12:38,560

the wall

380

00:12:42,710 --> 00:12:40,399

i mean it was like almost a parade i

381

00:12:43,990 --> 00:12:42,720

mean it was kind of a novelty almost i

382

00:12:46,550 --> 00:12:44,000

remember we'd lay on the living room

383

00:12:48,949 --> 00:12:46,560

floor you know this was in the early 80s

384

00:12:49,670 --> 00:12:48,959

and uh they didn't have electricity then

385

00:12:53,670 --> 00:12:49,680

yeah

386

00:12:56,629 --> 00:12:53,680

tv

387

00:12:57,990 --> 00:12:56,639

guys i don't think they had doors either

388

00:12:59,990 --> 00:12:58,000

right

389

00:13:01,910 --> 00:13:00,000

i was born in 87 i caught the tail end

390

00:13:02,870 --> 00:13:01,920

of it we had just discovered the popcorn

391

00:13:04,949 --> 00:13:02,880

machine

392

00:13:07,829 --> 00:13:04,959

right yeah i mean we just got wood on

393

00:13:09,269 --> 00:13:07,839

our floors you know what's dirt so

394

00:13:13,190 --> 00:13:09,279

we didn't have to walk on dirt anymore

395

00:13:16,389 --> 00:13:14,790

but yeah i mean it was like it wasn't

396

00:13:17,910 --> 00:13:16,399

uncommon we'd lay the living room floor

397

00:13:21,990 --> 00:13:17,920

and watch these shadows go across the

398

00:13:27,829 --> 00:13:25,590

it was just it wasn't anything bad but

399

00:13:28,710 --> 00:13:27,839

uh and then fast forward a few years we

400

00:13:30,550 --> 00:13:28,720

moved my

401
00:13:32,069 --> 00:13:30,560
my parents bought my great grandfather's

402
00:13:34,629 --> 00:13:32,079
home

403
00:13:36,069 --> 00:13:34,639
and i touch on this in our last show a

404
00:13:40,550 --> 00:13:36,079
little bit

405
00:13:42,470 --> 00:13:40,560
but he passed i think in 1980 so i

406
00:13:46,470 --> 00:13:42,480
barely remember

407
00:13:48,310 --> 00:13:46,480
who he was um you know my older

408
00:13:50,310 --> 00:13:48,320
siblings remembering better than i do

409
00:13:54,790 --> 00:13:50,320
obviously

410
00:13:56,790 --> 00:13:54,800
but uh he

411
00:13:58,710 --> 00:13:56,800
you know he passed along my parents

412
00:14:00,069 --> 00:13:58,720
bought the house and started remodeling

413
00:14:02,069 --> 00:14:00,079

and all that

414

00:14:03,509 --> 00:14:02,079

uh it wasn't uncommon at night you'd

415

00:14:06,470 --> 00:14:03,519

hear footsteps

416

00:14:07,189 --> 00:14:06,480

the chair would rock uh pictures would

417

00:14:08,710 --> 00:14:07,199

actually

418

00:14:11,430 --> 00:14:08,720

would float out a little bit fall off

419

00:14:14,069 --> 00:14:11,440

the walls doors and open and shut

420

00:14:16,870 --> 00:14:14,079

yeah but but it became so common that

421

00:14:18,150 --> 00:14:16,880

you got used to it you didn't

422

00:14:20,310 --> 00:14:18,160

you didn't think anything of it it was

423

00:14:22,629 --> 00:14:20,320

just you know his grandpa damn

424

00:14:25,110 --> 00:14:22,639

oh so there's something else i'm sorry

425

00:14:26,710 --> 00:14:25,120

glad uh i i'm just like connecting with

426
00:14:28,069 --> 00:14:26,720
you for a moment if you don't mind like

427
00:14:30,389 --> 00:14:28,079
the rocking chair

428
00:14:32,150 --> 00:14:30,399
is is it is a thing that that i've

429
00:14:34,790 --> 00:14:32,160
experienced as well

430
00:14:36,310 --> 00:14:34,800
so i'm just curious what kind of rocking

431
00:14:37,509 --> 00:14:36,320
chair i'm just being super weird and

432
00:14:39,509 --> 00:14:37,519
specific

433
00:14:41,829 --> 00:14:39,519
like could you describe the rocky chair

434
00:14:44,310 --> 00:14:41,839
just for a second well it was just a

435
00:14:44,870 --> 00:14:44,320
it was just an old plush brown rocking

436
00:14:48,389 --> 00:14:44,880
chair

437
00:14:50,710 --> 00:14:48,399
yeah um but yeah the doors would open

438
00:14:53,269 --> 00:14:50,720

and closed as well

439

00:14:54,629 --> 00:14:53,279

so like it wasn't was it a a wooden kind

440

00:14:56,470 --> 00:14:54,639

of rocking chair well easily

441

00:14:59,110 --> 00:14:56,480

wind would push it or was it one of

442

00:15:01,750 --> 00:14:59,120

those heavy the super rocker 3000 you

443

00:15:04,790 --> 00:15:01,760

get it out of the sears cap

444

00:15:06,389 --> 00:15:04,800

it wasn't huge by any means but um

445

00:15:07,910 --> 00:15:06,399

where it was sitting in the house there

446

00:15:10,230 --> 00:15:07,920

there was no wind to get to it

447

00:15:12,710 --> 00:15:10,240

right yeah so same same experience yeah

448

00:15:15,030 --> 00:15:12,720

sorry keep going

449

00:15:16,230 --> 00:15:15,040

you said there's no way that wind would

450

00:15:19,990 --> 00:15:16,240

get to it

451
00:15:22,310 --> 00:15:20,000
right right uh

452
00:15:24,629 --> 00:15:22,320
you know then throughout growing up like

453
00:15:29,030 --> 00:15:24,639
i said we got used to it we uh

454
00:15:30,629 --> 00:15:29,040
just didn't think anything else of it um

455
00:15:32,470 --> 00:15:30,639
another thing happened that i shared in

456
00:15:34,550 --> 00:15:32,480
my next show but i won't really i don't

457
00:15:36,310 --> 00:15:34,560
really want to go into it

458
00:15:38,150 --> 00:15:36,320
yeah save it for the or for the

459
00:15:39,110 --> 00:15:38,160
halloween episode it wasn't scary it

460
00:15:41,590 --> 00:15:39,120
kind of was an

461
00:15:44,069 --> 00:15:41,600
unnerving oh i want to back up a little

462
00:15:47,509 --> 00:15:44,079
bit before we move to that house

463
00:15:49,189 --> 00:15:47,519

um we moved out of the the first home

464

00:15:52,150 --> 00:15:49,199

and we moved out to this old farmhouse

465

00:15:57,030 --> 00:15:52,160

just outside of town i grew up in a town

466

00:16:00,470 --> 00:15:57,040

of about 100 people you know podunk usa

467

00:16:03,670 --> 00:16:00,480

um god's country yeah yeah

468

00:16:05,430 --> 00:16:03,680

i mean it's home hell yeah me and bing

469

00:16:10,150 --> 00:16:05,440

grew up in a small ass town too

470

00:16:13,189 --> 00:16:12,150

i loved it so much i actually moved back

471

00:16:15,430 --> 00:16:13,199

home like

472

00:16:16,949 --> 00:16:15,440

i moved back there like i grew up and

473

00:16:18,470 --> 00:16:16,959

then i was like yeah the city kind of

474

00:16:22,550 --> 00:16:18,480

sucks i'm gonna go back home

475

00:16:26,069 --> 00:16:22,560

yeah oh yeah amazing so peaceful yeah i

476

00:16:26,870 --> 00:16:26,079

uh you know when i left when i was in

477

00:16:29,749 --> 00:16:26,880

the military

478

00:16:31,749 --> 00:16:29,759

man now i'm never coming back well here

479

00:16:33,910 --> 00:16:31,759

20 years later i'm back home

480

00:16:35,590 --> 00:16:33,920

or not far from it yeah hell yeah you

481

00:16:37,590 --> 00:16:35,600

know except i don't have any neighbors

482

00:16:38,870 --> 00:16:37,600

now so

483

00:16:40,150 --> 00:16:38,880

i'm not in the wide open i think my

484

00:16:41,110 --> 00:16:40,160

nearest neighbor's two quarters a mile

485

00:16:43,590 --> 00:16:41,120

away so

486

00:16:45,350 --> 00:16:43,600

that's awesome i bet that's quiet yeah

487

00:16:46,150 --> 00:16:45,360

oh man i love it can you see the stars

488

00:16:47,910 --> 00:16:46,160

pretty well

489

00:16:49,509 --> 00:16:47,920

at night are you out of town oh yeah

490

00:16:50,069 --> 00:16:49,519

yeah we got a big yard light that causes

491

00:16:52,230 --> 00:16:50,079

a lot of

492

00:16:53,430 --> 00:16:52,240

uh pollution but other than that it's

493

00:16:55,350 --> 00:16:53,440

not bad at all

494

00:16:56,470 --> 00:16:55,360

you got one of those like big spotlights

495

00:16:59,670 --> 00:16:56,480

in your backyard or some [h__\h]

496

00:17:01,910 --> 00:16:59,680

that's pretty much oh my gosh

497

00:17:03,430 --> 00:17:01,920

hey real quick before i know you have a

498

00:17:05,270 --> 00:17:03,440

point i just wanted to clarify that the

499

00:17:05,909 --> 00:17:05,280

the rocking chair there was a point to

500

00:17:07,990 --> 00:17:05,919

that

501
00:17:09,750 --> 00:17:08,000
real quick okay there was a point to

502
00:17:11,350 --> 00:17:09,760
that because we had this rocking chair

503
00:17:12,150 --> 00:17:11,360
that my grandfather always sat in it was

504
00:17:13,590 --> 00:17:12,160
a wicker

505
00:17:15,429 --> 00:17:13,600
rocking chair it was just wood there

506
00:17:16,789 --> 00:17:15,439
wasn't any big cushions on it wasn't

507
00:17:17,590 --> 00:17:16,799
heavy it was like this light rocking

508
00:17:19,270 --> 00:17:17,600
chair so

509
00:17:21,510 --> 00:17:19,280
we never knew if it was the wind but

510
00:17:23,189 --> 00:17:21,520
anytime we'd be talking about

511
00:17:24,710 --> 00:17:23,199
our my grandfather it would start

512
00:17:27,189 --> 00:17:24,720
rocking and it was weird

513
00:17:28,789 --> 00:17:27,199

dude yeah and we would notice we'd be

514

00:17:29,270 --> 00:17:28,799

deep in the conversation we'd look over

515

00:17:32,390 --> 00:17:29,280

and like

516

00:17:35,190 --> 00:17:32,400

oh [\h__\h] there he goes wow

517

00:17:36,390 --> 00:17:35,200

so anyway i know i i got awkward about

518

00:17:38,310 --> 00:17:36,400

it because i didn't know if you had

519

00:17:41,590 --> 00:17:38,320

anything more to say about that or

520

00:17:43,830 --> 00:17:41,600

oh oh you're fine um

521

00:17:45,029 --> 00:17:43,840

it's just the eat well now that you

522

00:17:46,789 --> 00:17:45,039

mentioned about that

523

00:17:48,310 --> 00:17:46,799

we even changed chairs it was a rocking

524

00:17:50,310 --> 00:17:48,320

chair still it's a different one of

525

00:17:51,350 --> 00:17:50,320

those swivel glider things my dad really

526
00:17:54,630 --> 00:17:51,360
liked

527
00:17:55,510 --> 00:17:54,640
and both chairs would rock well it

528
00:18:00,150 --> 00:17:55,520
wasn't

529
00:18:01,270 --> 00:18:00,160
was kind of just anytime a rocket show

530
00:18:05,590 --> 00:18:01,280
was there would rock

531
00:18:08,310 --> 00:18:05,600
dang that's nuts man that is crazy

532
00:18:10,549 --> 00:18:08,320
but again i'm gonna back up to the old

533
00:18:16,630 --> 00:18:10,559
farmhouse just outside of town

534
00:18:20,549 --> 00:18:18,789
excuse me i've been fighting the call

535
00:18:24,470 --> 00:18:20,559
for like a month now

536
00:18:26,789 --> 00:18:24,480
but um i was in

537
00:18:28,710 --> 00:18:26,799
taking a bath you know i was around six

538
00:18:30,310 --> 00:18:28,720

i think

539

00:18:31,909 --> 00:18:30,320

and the bathtub was right next to this

540

00:18:33,029 --> 00:18:31,919

old window

541

00:18:34,310 --> 00:18:33,039

and we didn't have air conditioning

542

00:18:36,870 --> 00:18:34,320

anything like that so you know the

543

00:18:38,789 --> 00:18:36,880

summer time the window was open

544

00:18:40,950 --> 00:18:38,799

yeah and we're looking at probably four

545

00:18:44,470 --> 00:18:40,960

foot off the ground

546

00:18:45,990 --> 00:18:44,480

it was night time um i'm not saying it

547

00:18:48,710 --> 00:18:46,000

was but i'm not saying it wasn't

548

00:18:49,350 --> 00:18:48,720

a kid's imagination you know yeah but

549

00:18:52,390 --> 00:18:49,360

but

550

00:18:53,830 --> 00:18:52,400

i remember it 40 years later

551
00:18:56,070 --> 00:18:53,840
you know we're almost 40 years later

552
00:19:00,070 --> 00:18:56,080
like it was yesterday

553
00:19:01,510 --> 00:19:00,080
and uh but i remember looking out the

554
00:19:03,270 --> 00:19:01,520
window in this

555
00:19:05,750 --> 00:19:03,280
thing i don't know what the hell it was

556
00:19:07,669 --> 00:19:05,760
um but i remember the shape of the head

557
00:19:11,990 --> 00:19:07,679
was a fox

558
00:19:16,390 --> 00:19:12,000
wow and it looked at me and grinned

559
00:19:19,830 --> 00:19:17,909
i started screaming you know i mean

560
00:19:21,190 --> 00:19:19,840
being six years old i'm probably pissed

561
00:19:24,630 --> 00:19:21,200
in the tub you know

562
00:19:26,789 --> 00:19:24,640
so uh well i don't think i've ever had a

563
00:19:30,310 --> 00:19:26,799

bath where i didn't take a pee

564

00:19:31,909 --> 00:19:30,320

yeah i mean it's just you

565

00:19:33,430 --> 00:19:31,919

i mean do you do it but do you do it at

566

00:19:34,950 --> 00:19:33,440

the beginning of your bath or the end of

567

00:19:38,530 --> 00:19:34,960

your bath

568

00:19:41,820 --> 00:19:38,540

oh no

569

00:19:51,110 --> 00:19:41,830

[Laughter]

570

00:19:57,669 --> 00:19:54,080

nudes johnson and johnson piss soap

571

00:20:01,110 --> 00:19:57,679

[Laughter]

572

00:20:06,149 --> 00:20:01,120

adolescence bathwater oh my god

573

00:20:09,669 --> 00:20:06,159

no it's new pee it's good for your skin

574

00:20:11,750 --> 00:20:09,679

oh [\h__\h] dude i bathed in my own pee for

575

00:20:13,350 --> 00:20:11,760

20 years and my bottom looks like a 13

576
00:20:16,870 --> 00:20:13,360
year old child

577
00:20:22,549 --> 00:20:21,190
oh my god dude okay

578
00:20:24,470 --> 00:20:22,559
no you're all right man you guys you

579
00:20:26,070 --> 00:20:24,480
guys are good um

580
00:20:27,830 --> 00:20:26,080
but yeah you know being being as young

581
00:20:30,230 --> 00:20:27,840
as i was i started screaming and my mom

582
00:20:33,430 --> 00:20:30,240
ran out i looked back after it was gone

583
00:20:35,750 --> 00:20:33,440
um again i can't say it was but i can't

584
00:20:38,149 --> 00:20:35,760
say it wasn't my imagination

585
00:20:39,110 --> 00:20:38,159
um it was enough for you to scream

586
00:20:41,830 --> 00:20:39,120
though

587
00:20:43,270 --> 00:20:41,840
yeah yeah i scared the crap at it i see

588
00:20:45,510 --> 00:20:43,280

i just i don't i don't buy

589

00:20:46,390 --> 00:20:45,520

that it wasn't something other than your

590

00:20:48,549 --> 00:20:46,400

imagination

591

00:20:49,590 --> 00:20:48,559

and the fact that like you you have like

592

00:20:52,710 --> 00:20:49,600

a vivid

593

00:20:55,510 --> 00:20:52,720

like memory of like a fox

594

00:20:56,390 --> 00:20:55,520

like a head of a fox you know like right

595

00:20:59,669 --> 00:20:56,400

i don't know like

596

00:21:01,830 --> 00:20:59,679

child's you know uh

597

00:21:03,830 --> 00:21:01,840

you know just imagination or something i

598

00:21:06,390 --> 00:21:03,840

mean i could see it making something up

599

00:21:08,789 --> 00:21:06,400

like that but then at the same time like

600

00:21:09,669 --> 00:21:08,799

it's a child's imagination why wouldn't

601
00:21:11,909 --> 00:21:09,679
it be something

602
00:21:14,549 --> 00:21:11,919
completely different than a fox yeah

603
00:21:14,870 --> 00:21:14,559
right like a gummy bear or like some you

604
00:21:17,350 --> 00:21:14,880
know

605
00:21:18,870 --> 00:21:17,360
gak or like your favorite toy or

606
00:21:20,630 --> 00:21:18,880
whatever i don't know dude yeah

607
00:21:22,470 --> 00:21:20,640
but right yeah i do that's nice but i

608
00:21:24,470 --> 00:21:22,480
know it wasn't a fox

609
00:21:26,390 --> 00:21:24,480
because it was like four foot off the

610
00:21:29,270 --> 00:21:26,400
ground you know because you had your

611
00:21:30,470 --> 00:21:29,280
foundation then plus your the the

612
00:21:31,270 --> 00:21:30,480
distance from the lower part of the

613
00:21:33,510 --> 00:21:31,280

window to the

614

00:21:34,870 --> 00:21:33,520

to the base of the house you know so

615

00:21:36,870 --> 00:21:34,880

when you say four foot off the ground

616

00:21:39,990 --> 00:21:36,880

does that mean his fa his head was

617

00:21:41,909 --> 00:21:40,000

four feet tall no no it was like it was

618

00:21:45,270 --> 00:21:41,919

standing up looking in the window

619

00:21:48,549 --> 00:21:45,280

oh okay god i got a gun oh

620

00:21:49,750 --> 00:21:48,559

okay so through the window and it's not

621

00:21:52,549 --> 00:21:49,760

one of those like

622

00:21:53,990 --> 00:21:52,559

like frosted windows right it's like no

623

00:21:56,310 --> 00:21:54,000

no it was just an old

624

00:21:57,909 --> 00:21:56,320

old window with a screen on it you know

625

00:22:00,070 --> 00:21:57,919

do you think you had like maybe like a

626

00:22:02,630 --> 00:22:00,080

dog man sighting

627

00:22:03,750 --> 00:22:02,640

as a kid i don't like no like i don't

628

00:22:06,070 --> 00:22:03,760

know but

629

00:22:07,110 --> 00:22:06,080

but honestly i am like really drawn to

630

00:22:10,549 --> 00:22:07,120

the to the uh

631

00:22:11,110 --> 00:22:10,559

the dog man um really interested in it i

632

00:22:13,510 --> 00:22:11,120

mean

633

00:22:15,190 --> 00:22:13,520

bigfoot's okay but i'd rather look into

634

00:22:17,510 --> 00:22:15,200

the dog man and stuff

635

00:22:18,950 --> 00:22:17,520

yeah so i don't know a lot of people

636

00:22:20,149 --> 00:22:18,960

talk about the dog man we've had a

637

00:22:22,310 --> 00:22:20,159

couple of

638

00:22:23,669 --> 00:22:22,320

listeners you know comment about it as

639

00:22:26,870 --> 00:22:23,679

you probably

640

00:22:28,149 --> 00:22:26,880

the on the group like yeah there

641

00:22:30,310 --> 00:22:28,159

there's a few people that are really

642

00:22:32,310 --> 00:22:30,320

interested in dogman and i can i think

643

00:22:34,230 --> 00:22:32,320

what i've gathered is once you really

644

00:22:35,990 --> 00:22:34,240

look into it like as we did we're like

645

00:22:37,190 --> 00:22:36,000

it okay it sounds [h__h] dumb

646

00:22:39,190 --> 00:22:37,200

right off the bat but when you start

647

00:22:41,029 --> 00:22:39,200

looking into it okay there's

648

00:22:42,789 --> 00:22:41,039

there's some like legit stories going on

649

00:22:45,750 --> 00:22:42,799

yeah yeah it seems

650

00:22:46,870 --> 00:22:45,760

it seems like something to look into and

651
00:22:49,350 --> 00:22:46,880
it is

652
00:22:51,510 --> 00:22:49,360
it only happens in a certain part of the

653
00:22:53,029 --> 00:22:51,520
the united states right

654
00:22:55,110 --> 00:22:53,039
well from what i understand it's all

655
00:22:57,510 --> 00:22:55,120
over um

656
00:23:00,149 --> 00:22:57,520
i've heard stories from texas it's uh

657
00:23:03,350 --> 00:23:00,159
south texas coming across the border

658
00:23:06,710 --> 00:23:03,360
uh louisiana big time down there

659
00:23:08,549 --> 00:23:06,720
up north you know michigan then i heard

660
00:23:11,590 --> 00:23:08,559
another one is like up in alaska

661
00:23:14,870 --> 00:23:11,600
and it was a this dude saw

662
00:23:16,710 --> 00:23:14,880
a bigfoot fighting a a dog man whoa

663
00:23:17,990 --> 00:23:16,720

they're like they're like arch nemesis

664

00:23:22,070 --> 00:23:18,000

or some crap i don't know

665

00:23:24,630 --> 00:23:22,080

but [h__\h] yeah it's been

666

00:23:25,270 --> 00:23:24,640

no i'm the king encrypted no i'm not

667

00:23:28,789 --> 00:23:25,280

game

668

00:23:30,710 --> 00:23:28,799

king cryptic oh my god but we kind of we

669

00:23:33,510 --> 00:23:30,720

kind of touch on a little bit

670

00:23:34,549 --> 00:23:33,520

um on our show well no it's on our

671

00:23:37,590 --> 00:23:34,559

halloween show

672

00:23:40,070 --> 00:23:37,600

dang it uh well don't give too much

673

00:23:41,830 --> 00:23:40,080

i won't um but it's a new crypt that

674

00:23:43,110 --> 00:23:41,840

i've never heard of i mean it's not new

675

00:23:45,029 --> 00:23:43,120

it's it's an indian legend you know

676

00:23:46,230 --> 00:23:45,039

because i'm not far from oklahoma so

677

00:23:48,950 --> 00:23:46,240

there's a lot of

678

00:23:49,990 --> 00:23:48,960

yeah yeah reservation and tribal stuff

679

00:23:53,590 --> 00:23:50,000

and it's all down around

680

00:23:56,710 --> 00:23:53,600

ponca city oklahoma which is oh maybe an

681

00:23:59,909 --> 00:23:56,720

hour or so hour and a half kind of south

682

00:24:01,750 --> 00:23:59,919

west of it and is ponca the name of the

683

00:24:02,230 --> 00:24:01,760

the tribe that's primarily in that area

684

00:24:05,350 --> 00:24:02,240

yes

685

00:24:07,110 --> 00:24:05,360

okay uh well uh used to be now

686

00:24:08,710 --> 00:24:07,120

it's all kind of tied into the cherokee

687

00:24:10,070 --> 00:24:08,720

i think okay

688

00:24:11,990 --> 00:24:10,080

um they've kind of taken all the

689

00:24:15,590 --> 00:24:12,000

different smaller tribes in

690

00:24:19,029 --> 00:24:15,600

gotcha um but yeah

691

00:24:21,350 --> 00:24:19,039

um that's all i remember that one so the

692

00:24:22,710 --> 00:24:21,360

you're in the bathtub at six years old

693

00:24:25,350 --> 00:24:22,720

or did you say

694

00:24:25,830 --> 00:24:25,360

yeah and then yes and then you see

695

00:24:28,310 --> 00:24:25,840

through

696

00:24:30,390 --> 00:24:28,320

a window a clear window there's no

697

00:24:33,830 --> 00:24:30,400

drapes or like frosting on it or

698

00:24:36,950 --> 00:24:33,840

whatever and you see this fox face

699

00:24:39,110 --> 00:24:36,960

looking at you and it grins yeah

700

00:24:40,630 --> 00:24:39,120

whoo that's great maybe chris holmes

701
00:24:43,510 --> 00:24:40,640
will know something about that

702
00:24:44,950 --> 00:24:43,520
because chris is yeah he likes the foxes

703
00:24:47,430 --> 00:24:44,960
maybe he'll know like some

704
00:24:48,549 --> 00:24:47,440
some kind of what is he talking about on

705
00:24:51,350 --> 00:24:48,559
our show like

706
00:24:52,870 --> 00:24:51,360
somebody has a uh some kind of

707
00:24:55,830 --> 00:24:52,880
troublemaker in their life

708
00:24:56,390 --> 00:24:55,840
or like anything that they do yeah i

709
00:24:58,789 --> 00:24:56,400
don't know

710
00:25:00,789 --> 00:24:58,799
it was it was his uh animal kin and

711
00:25:04,070 --> 00:25:00,799
there's uh there's something where he

712
00:25:06,310 --> 00:25:04,080
he relates to the fox because it's a a

713
00:25:08,070 --> 00:25:06,320

trickster and everybody has a trickster

714

00:25:10,390 --> 00:25:08,080

in their life in some form or fashion

715

00:25:13,430 --> 00:25:10,400

yeah and a lot of times that trickster

716

00:25:14,070 --> 00:25:13,440

will manifest itself as a fox a red fox

717

00:25:17,669 --> 00:25:14,080

or a black

718

00:25:19,669 --> 00:25:17,679

fox or a brown fox or a white fox in his

719

00:25:20,950 --> 00:25:19,679

in i think in chris's case it's a white

720

00:25:24,950 --> 00:25:20,960

fox but

721

00:25:27,909 --> 00:25:24,960

uh i mean i've never seen a fox uh

722

00:25:29,350 --> 00:25:27,919

granite me i have seen a few foxes out

723

00:25:32,230 --> 00:25:29,360

at the place where i used to live

724

00:25:33,909 --> 00:25:32,240

in texas here but they're like such

725

00:25:34,950 --> 00:25:33,919

majestic creatures they don't want you

726

00:25:38,310 --> 00:25:34,960

to see them

727

00:25:39,110 --> 00:25:38,320

no right right so the the fact that

728

00:25:41,990 --> 00:25:39,120

there's this

729

00:25:43,110 --> 00:25:42,000

fox grinning at you so what did your mom

730

00:25:44,870 --> 00:25:43,120

say

731

00:25:46,470 --> 00:25:44,880

she you know i mean obviously i mean

732

00:25:48,230 --> 00:25:46,480

like she she ran into trying to figure

733

00:25:50,470 --> 00:25:48,240

out what was going on

734

00:25:51,909 --> 00:25:50,480

and it was gone so she really really

735

00:25:53,350 --> 00:25:51,919

didn't say you know she chalked it up to

736

00:25:56,950 --> 00:25:53,360

me being a little kid and

737

00:26:00,070 --> 00:25:56,960

scared to death or whatever you know man

738

00:26:01,750 --> 00:26:00,080

dude i i had one of the most i i

739

00:26:03,590 --> 00:26:01,760

looking back i i feel like i was a

740

00:26:05,269 --> 00:26:03,600

pretty imaginative kid

741

00:26:06,789 --> 00:26:05,279

and i i don't think i've ever had an

742

00:26:10,549 --> 00:26:06,799

experience like that so

743

00:26:11,430 --> 00:26:10,559

i i mean that that seems pretty profound

744

00:26:14,230 --> 00:26:11,440

to me

745

00:26:15,750 --> 00:26:14,240

i i believe you in a in the fact that i

746

00:26:17,430 --> 00:26:15,760

i love that you're like hey i don't know

747

00:26:20,470 --> 00:26:17,440

what it was but this is what i saw

748

00:26:21,990 --> 00:26:20,480

but dude i'm i'm i'm saying there's

749

00:26:24,630 --> 00:26:22,000

there's something to that man whether it

750

00:26:27,029 --> 00:26:24,640

be a screen memory or

751

00:26:27,669 --> 00:26:27,039

i don't know i'm not just just

752

00:26:29,590 --> 00:26:27,679

bullshitting

753

00:26:30,789 --> 00:26:29,600

it yeah it wasn't one of those you know

754

00:26:34,310 --> 00:26:30,799

the owl

755

00:26:36,070 --> 00:26:34,320

you know right right now yeah

756

00:26:38,310 --> 00:26:36,080

but i don't know i don't know what it

757

00:26:41,990 --> 00:26:38,320

was i i honestly can't say

758

00:26:43,990 --> 00:26:42,000

and i try to look back on

759

00:26:46,070 --> 00:26:44,000

all of the experiences i've had and

760

00:26:47,830 --> 00:26:46,080

trying to look at him with a little bit

761

00:26:48,549 --> 00:26:47,840

of healthy skepticism if that makes

762

00:26:51,669 --> 00:26:48,559

sense

763

00:26:52,070 --> 00:26:51,679

yeah i respect that a lot man you know

764

00:26:53,909 --> 00:26:52,080

and

765

00:26:55,669 --> 00:26:53,919

i i just can't explain this you know

766

00:26:57,029 --> 00:26:55,679

granted it was almost 40 years ago you

767

00:27:00,630 --> 00:26:57,039

know but

768

00:27:04,149 --> 00:27:00,640

um i can't say one way or another

769

00:27:06,149 --> 00:27:04,159

yeah well i think it just it it gives

770

00:27:07,990 --> 00:27:06,159

your story a little bit more validity

771

00:27:09,110 --> 00:27:08,000

just being like hey dude i'm not saying

772

00:27:10,950 --> 00:27:09,120

it was

773

00:27:12,789 --> 00:27:10,960

anything i just don't know what it is

774

00:27:14,870 --> 00:27:12,799

that's probably the best thing

775

00:27:16,070 --> 00:27:14,880

anybody can say i mean people listening

776

00:27:19,350 --> 00:27:16,080

to this podcast have

777

00:27:20,950 --> 00:27:19,360

have stories everybody has a story

778

00:27:22,470 --> 00:27:20,960

and if you've been listening to our show

779

00:27:25,990 --> 00:27:22,480

long enough like

780

00:27:27,190 --> 00:27:26,000

uh yeah everybody's got the story and as

781

00:27:29,830 --> 00:27:27,200

long as you come in it with

782

00:27:30,230 --> 00:27:29,840

uh you know the mindset of bro i don't

783

00:27:33,350 --> 00:27:30,240

know

784

00:27:34,710 --> 00:27:33,360

man

785

00:27:36,950 --> 00:27:34,720

then i think we're all we're gonna be

786

00:27:39,510 --> 00:27:36,960

okay yep

787

00:27:40,870 --> 00:27:39,520

you know i mean and i think we're all in

788

00:27:43,269 --> 00:27:40,880

the kind of the same boat i want to

789

00:27:45,669 --> 00:27:43,279

believe so much but

790

00:27:47,990 --> 00:27:45,679

you kind of have to temper that you know

791

00:27:49,990 --> 00:27:48,000

yeah for sure

792

00:27:51,669 --> 00:27:50,000

for for uh other people listening to the

793

00:27:56,310 --> 00:27:51,679

story also for your own

794

00:28:02,070 --> 00:27:59,830

right dude

795

00:28:03,510 --> 00:28:02,080

i feel bad because like with like my

796

00:28:06,710 --> 00:28:03,520

wife like

797

00:28:09,990 --> 00:28:06,720

my wife with my wife

798

00:28:13,110 --> 00:28:10,000

nice not yeah i mean yeah sorry man

799

00:28:13,990 --> 00:28:13,120

yes no amanda's amazing it's weird

800

00:28:16,870 --> 00:28:14,000

because like i

801
00:28:19,269 --> 00:28:16,880
i go into that like you don't want to

802
00:28:21,830 --> 00:28:19,279
hear any of this [h__h] right

803
00:28:23,190 --> 00:28:21,840
it's and it's it's weird because like

804
00:28:25,590 --> 00:28:23,200
here lately she's been like

805
00:28:27,029 --> 00:28:25,600
asking me more questions and stuff and i

806
00:28:28,630 --> 00:28:27,039
really don't you know

807
00:28:30,630 --> 00:28:28,640
i'll occasionally like say something

808
00:28:31,990 --> 00:28:30,640
like hey we got this person coming on

809
00:28:33,750 --> 00:28:32,000
the guest this is

810
00:28:35,510 --> 00:28:33,760
coming on the show you know and uh this

811
00:28:37,269 --> 00:28:35,520
is what they do and i think that's cool

812
00:28:38,870 --> 00:28:37,279
and she's like oh yeah that is cool but

813
00:28:40,470 --> 00:28:38,880

you're late she's been like asking me

814

00:28:44,230 --> 00:28:40,480

more questions like

815

00:28:46,070 --> 00:28:44,240

digging and and it's it's weird because

816

00:28:47,350 --> 00:28:46,080

you know you just assume my wife doesn't

817

00:28:49,110 --> 00:28:47,360

want to hear about that

818

00:28:50,630 --> 00:28:49,120

so now i'm like having like this weird

819

00:28:51,590 --> 00:28:50,640

like internal battle like does she

820

00:28:53,430 --> 00:28:51,600

really care

821

00:28:54,870 --> 00:28:53,440

because if she does i'm about to talk

822

00:28:56,870 --> 00:28:54,880

her ear off

823

00:28:58,630 --> 00:28:56,880

for the next hour and a half but if

824

00:28:59,990 --> 00:28:58,640

she's gonna just turn it on for five

825

00:29:01,110 --> 00:29:00,000

minutes and then turn it off for the

826

00:29:04,950 --> 00:29:01,120

rest of the hour

827

00:29:06,230 --> 00:29:04,960

i'm not gonna waste my time i don't

828

00:29:09,669 --> 00:29:06,240

i don't have to worry about my wife's

829

00:29:11,990 --> 00:29:09,679

not listening to one episode so

830

00:29:13,350 --> 00:29:12,000

she's like i got [h__h] to do today yeah

831

00:29:15,350 --> 00:29:13,360

yeah pretty much

832

00:29:16,789 --> 00:29:15,360

yes man she's taking care of kids and

833

00:29:17,510 --> 00:29:16,799

all that and she just kind of lets me

834

00:29:19,430 --> 00:29:17,520

have my space

835

00:29:21,750 --> 00:29:19,440

and i appreciate it yeah man that's

836

00:29:22,389 --> 00:29:21,760

awesome i mean yeah you guys put a on a

837

00:29:25,269 --> 00:29:22,399

a great

838

00:29:26,710 --> 00:29:25,279

production man i'm just yeah so what is

839

00:29:28,070 --> 00:29:26,720

how does your do

840

00:29:30,389 --> 00:29:28,080

not i mean not now that we're on the

841

00:29:30,710 --> 00:29:30,399

topic of wives is there any kind of like

842

00:29:33,269 --> 00:29:30,720

hey

843

00:29:35,430 --> 00:29:33,279

so just like don't talk about politics

844

00:29:38,950 --> 00:29:35,440

too much has that come across or come up

845

00:29:40,710 --> 00:29:38,960

at all because it happened not really um

846

00:29:42,070 --> 00:29:40,720

she she just kind of stays out of it i

847

00:29:42,310 --> 00:29:42,080

mean i'll talk to her a little bit about

848

00:29:44,310 --> 00:29:42,320

it

849

00:29:46,389 --> 00:29:44,320

and she'll be like that's cool and and

850

00:29:48,950 --> 00:29:46,399

that's where it stops

851

00:29:50,149 --> 00:29:48,960

that's perfect man that's like a plus if

852

00:29:52,630 --> 00:29:50,159

you ask me that's great

853

00:29:54,549 --> 00:29:52,640

hell yeah man yeah you know she's she's

854

00:29:56,149 --> 00:29:54,559

been supportive all through this you

855

00:29:59,750 --> 00:29:56,159

know and

856

00:30:00,549 --> 00:29:59,760

uh she just kind of stays out of it you

857

00:30:02,070 --> 00:30:00,559

know she's

858

00:30:03,830 --> 00:30:02,080

i told you you know you got to listen

859

00:30:05,590 --> 00:30:03,840

young listen well okay whatever

860

00:30:07,750 --> 00:30:05,600

you know so yeah that's about as far as

861

00:30:09,669 --> 00:30:07,760

it goes that's so awesome yeah my wife

862

00:30:11,750 --> 00:30:09,679

is the same way she's like look

863

00:30:13,190 --> 00:30:11,760

i know you used to play music like i've

864

00:30:16,470 --> 00:30:13,200

been playing music

865

00:30:16,950 --> 00:30:16,480

like in here in austin sixth street is

866

00:30:19,990 --> 00:30:16,960

like

867

00:30:21,269 --> 00:30:20,000

the the the party street that everybody

868

00:30:22,950 --> 00:30:21,279

goes to

869

00:30:24,549 --> 00:30:22,960

i've been playing down there since i was

870

00:30:27,110 --> 00:30:24,559

like in the sixth grade

871

00:30:29,110 --> 00:30:27,120

dude like right like i've been playing

872

00:30:30,230 --> 00:30:29,120

music for so long and then like when it

873

00:30:34,230 --> 00:30:30,240

stopped it was like

874

00:30:36,230 --> 00:30:34,240

i had no outlet for myself whatsoever

875

00:30:38,310 --> 00:30:36,240

and my wife was like dude you need an

876

00:30:38,630 --> 00:30:38,320

outlet go do that i think that's cool

877

00:30:40,549 --> 00:30:38,640

like

878

00:30:41,830 --> 00:30:40,559

it's it was just awesome that she was so

879

00:30:44,630 --> 00:30:41,840

supportive about it

880

00:30:45,830 --> 00:30:44,640

oh yeah so um even if they don't care

881

00:30:46,870 --> 00:30:45,840

you know it's just awesome to have the

882

00:30:49,190 --> 00:30:46,880

support it's nice

883

00:30:49,990 --> 00:30:49,200

yeah yeah yeah she she's never said

884

00:30:51,909 --> 00:30:50,000

anything about it

885

00:30:54,549 --> 00:30:51,919

uh mark and i we recorded about every

886

00:30:58,149 --> 00:30:54,559

two weeks we'll get a couple shows in

887

00:31:01,590 --> 00:30:58,159

um up until

888

00:31:02,630 --> 00:31:01,600

i don't know about two weeks ago

889

00:31:04,230 --> 00:31:02,640

i was you know like i said i've been

890

00:31:05,430 --> 00:31:04,240

fighting a cough so my voice wasn't

891

00:31:07,830 --> 00:31:05,440

gonna make it

892

00:31:10,070 --> 00:31:07,840

um so that's like man i gotta knock off

893

00:31:12,710 --> 00:31:10,080

i can't i can't do it unfortunately but

894

00:31:13,430 --> 00:31:12,720

yeah um well thanks for coming on

895

00:31:15,590 --> 00:31:13,440

tonight

896

00:31:18,070 --> 00:31:15,600

your voice sounds great i appreciate it

897

00:31:21,430 --> 00:31:18,080

man i i've been fighting it but i i

898

00:31:23,110 --> 00:31:21,440

think i'm on the downhill side of it

899

00:31:24,710 --> 00:31:23,120

yeah you've been ripping the four footer

900

00:31:26,149 --> 00:31:24,720

dude i'm sorry

901
00:31:28,070 --> 00:31:26,159
you've been ripping the four footer you

902
00:31:31,110 --> 00:31:28,080
know your old bongibong

903
00:31:34,870 --> 00:31:33,269
you fight the terrible cough man it's a

904
00:31:36,549 --> 00:31:34,880
it's a it's a battle we all struggle

905
00:31:38,149 --> 00:31:36,559
with

906
00:31:39,909 --> 00:31:38,159
what were those bombs called like the

907
00:31:41,909 --> 00:31:39,919
helix or something like that yeah

908
00:31:44,549 --> 00:31:41,919
he likes blondes dude my brother had a

909
00:31:46,389 --> 00:31:44,559
[h__\h] like the forefoot

910
00:31:48,149 --> 00:31:46,399
when you put ice in different chambers

911
00:31:48,780 --> 00:31:48,159
like you need a team member to light it

912
00:31:51,509 --> 00:31:48,790
at the bottom

913
00:31:56,310 --> 00:31:51,519

[Laughter]

914

00:32:03,509 --> 00:32:01,430

oh dude yes yeah no i can't do that so

915

00:32:06,149 --> 00:32:03,519

yeah i can't imagine like being stoned

916

00:32:09,110 --> 00:32:06,159

in front of kids i mean

917

00:32:11,029 --> 00:32:09,120

well i can't do it because of my job so

918

00:32:11,990 --> 00:32:11,039

i i got to deal with faa and all that

919

00:32:14,870 --> 00:32:12,000

stuff so

920

00:32:15,990 --> 00:32:14,880

yeah ffa are you listening see he's

921

00:32:19,190 --> 00:32:16,000

responsible

922

00:32:21,029 --> 00:32:19,200

f-a-a not ffa i said f-f-a-a dude

923

00:32:22,710 --> 00:32:21,039

that's what i said dude you said future

924

00:32:23,509 --> 00:32:22,720

farmers of america that's what you said

925

00:32:28,149 --> 00:32:23,519

that's what

926

00:32:31,750 --> 00:32:28,159

all right well

927

00:32:33,350 --> 00:32:31,760

dude dude so all right um yeah phil so

928

00:32:35,269 --> 00:32:33,360

you told us two stories did

929

00:32:36,470 --> 00:32:35,279

was that you i can't remember if you

930

00:32:38,789 --> 00:32:36,480

said you were saying two

931

00:32:39,750 --> 00:32:38,799

stories and then there was more on the

932

00:32:41,269 --> 00:32:39,760

next podcast

933

00:32:43,350 --> 00:32:41,279

he had to go back so he could tell us

934

00:32:47,190 --> 00:32:43,360

about the farmhouse oh

935

00:32:50,070 --> 00:32:47,200

yeah yeah oh i've got several more so oh

936

00:32:57,269 --> 00:32:53,509

um let's see i'll fast forward then

937

00:33:01,029 --> 00:32:57,279

um it's when i was in the military

938

00:33:02,149 --> 00:33:01,039

um there's a couple one of them is on

939

00:33:04,870 --> 00:33:02,159

the next so

940

00:33:06,389 --> 00:33:04,880

on the next um episode comes out and

941

00:33:10,549 --> 00:33:06,399

i'll leave that one

942

00:33:11,509 --> 00:33:10,559

but one i didn't when my oldest son was

943

00:33:14,630 --> 00:33:11,519

born

944

00:33:15,430 --> 00:33:14,640

uh my ex-wife now um we were living in a

945

00:33:17,590 --> 00:33:15,440

trailer house

946

00:33:19,750 --> 00:33:17,600

i don't know about three miles or so off

947

00:33:22,310 --> 00:33:19,760

base you know and

948

00:33:23,750 --> 00:33:22,320

uh our landlady's dad died there he was

949

00:33:24,950 --> 00:33:23,760

in the house when he died and all that

950

00:33:28,070 --> 00:33:24,960

whoa

951
00:33:31,830 --> 00:33:28,080
um like of old age and or i can't

952
00:33:35,190 --> 00:33:31,840
yeah yeah yeah

953
00:33:38,470 --> 00:33:35,200
no no no no it wasn't anything bad but

954
00:33:43,029 --> 00:33:38,480
we were we had my oldest son

955
00:33:45,029 --> 00:33:43,039
you know in the bed he was sleeping and

956
00:33:47,029 --> 00:33:45,039
my my wife and i were laying in there in

957
00:33:50,789 --> 00:33:47,039
bed kind of watching tv

958
00:33:52,230 --> 00:33:50,799
and he started getting fussing you know

959
00:33:53,909 --> 00:33:52,240
his little babies do

960
00:33:57,830 --> 00:33:53,919
and then you heard sound like somebody

961
00:34:01,750 --> 00:33:59,750
yeah he calm right down i got up like

962
00:34:03,990 --> 00:34:01,760
what the hell's going on here

963
00:34:05,190 --> 00:34:04,000

and walk in there there was nobody there

964

00:34:07,190 --> 00:34:05,200

he calmed down

965

00:34:12,230 --> 00:34:07,200

as you were hearing the the padding of

966

00:34:17,430 --> 00:34:15,510

dude dude nope

967

00:34:19,349 --> 00:34:17,440

yeah that's why we never invested in the

968

00:34:21,589 --> 00:34:19,359

damn video cameras you know for the

969

00:34:22,389 --> 00:34:21,599

when you monitor the kids and stuff hell

970

00:34:24,710 --> 00:34:22,399

no

971

00:34:28,149 --> 00:34:24,720

yeah that's why you didn't invest you're

972

00:34:31,270 --> 00:34:28,159

like scared of what you're gonna find

973

00:34:34,310 --> 00:34:31,280

it's a good idea dude because i you know

974

00:34:35,589 --> 00:34:34,320

i've got a little baby now and we got

975

00:34:38,230 --> 00:34:35,599

one of those cameras

976

00:34:39,349 --> 00:34:38,240

and it was it was like at the beginning

977

00:34:42,470 --> 00:34:39,359

it was great

978

00:34:43,109 --> 00:34:42,480

um and then the day we found out that

979

00:34:46,629 --> 00:34:43,119

she could

980

00:34:49,829 --> 00:34:46,639

officially like climb up on stuff

981

00:34:50,710 --> 00:34:49,839

right it was like a weekend man and i'm

982

00:34:53,030 --> 00:34:50,720

sitting there

983

00:34:53,990 --> 00:34:53,040

and i'm i'm playing a game on my laptop

984

00:34:56,470 --> 00:34:54,000

and i have the

985

00:34:58,550 --> 00:34:56,480

i have the monitor there so i can see

986

00:35:00,950 --> 00:34:58,560

the baby while she's sleeping

987

00:35:02,790 --> 00:35:00,960

and dude i didn't look at it for a few

988

00:35:06,150 --> 00:35:02,800

minutes and then like i looked over

989

00:35:09,829 --> 00:35:06,160

and i saw an eyeball in the camera

990

00:35:11,910 --> 00:35:09,839

and it scared the [h__\h] out of me dude i

991

00:35:14,069 --> 00:35:11,920

freaked out and then she like fell back

992

00:35:16,550 --> 00:35:14,079

on her butt and i was like

993

00:35:18,470 --> 00:35:16,560

whoa that's a thing now like she can

994

00:35:21,109 --> 00:35:18,480

stand up on stuff but

995

00:35:21,990 --> 00:35:21,119

dude like the the initial experience

996

00:35:25,510 --> 00:35:22,000

freaked

997

00:35:27,589 --> 00:35:25,520

me out so bad because she was curious

998

00:35:29,109 --> 00:35:27,599

as to what it was i guess and tried to

999

00:35:32,310 --> 00:35:29,119

grab it but dude it was like right on

1000

00:35:32,320 --> 00:35:35,589

it's happening

1001

00:35:39,109 --> 00:35:37,349

it's like like river monsters or like

1002

00:35:39,750 --> 00:35:39,119

where you just see the eye come up with

1003

00:35:42,550 --> 00:35:39,760

the camera

1004

00:35:44,630 --> 00:35:42,560

yeah oh it was it tripped me out man it

1005

00:35:47,910 --> 00:35:44,640

tripped me out holy [h__h]

1006

00:35:48,710 --> 00:35:47,920

[h__h] but dude i can't imagine like if i

1007

00:35:52,470 --> 00:35:48,720

heard something

1008

00:35:53,910 --> 00:35:52,480

patting the diaper oh my god yeah so

1009

00:35:57,829 --> 00:35:53,920

what happened after that

1010

00:35:58,710 --> 00:35:57,839

yeah like he he was back to sleep you

1011

00:36:00,069 --> 00:35:58,720

know he'd calm down

1012

00:36:03,670 --> 00:36:00,079

and we're like what the hell just

1013

00:36:06,550 --> 00:36:03,680

happened and uh

1014

00:36:07,270 --> 00:36:06,560

i it was probably i don't know probably

1015

00:36:10,550 --> 00:36:07,280

a month or two

1016

00:36:11,589 --> 00:36:10,560

later my sister-in-law my ex's younger

1017

00:36:13,030 --> 00:36:11,599

sister

1018

00:36:14,790 --> 00:36:13,040

had come up to spend the night i was

1019

00:36:17,670 --> 00:36:14,800

working night shift

1020

00:36:19,030 --> 00:36:17,680

and there i mean we worked some nights

1021

00:36:20,630 --> 00:36:19,040

we'd work eight hours some nights we

1022

00:36:21,349 --> 00:36:20,640

worked 16 17 hours you know just

1023

00:36:24,630 --> 00:36:21,359

depended

1024

00:36:29,349 --> 00:36:27,349

but she had crawled into bed with my

1025

00:36:32,069 --> 00:36:29,359

with my wife

1026
00:36:34,710 --> 00:36:32,079
and there was a mirror pointing on the

1027
00:36:37,990 --> 00:36:34,720
wall but pointed down the hallway

1028
00:36:39,430 --> 00:36:38,000
and uh she said that she heard somebody

1029
00:36:41,030 --> 00:36:39,440
walking down the hallway and saw a

1030
00:36:42,470 --> 00:36:41,040
reflection in the mirror so she didn't

1031
00:36:43,430 --> 00:36:42,480
think anything of it thought i went to

1032
00:36:46,630 --> 00:36:43,440
the bathroom

1033
00:36:49,589 --> 00:36:46,640
and she went and got in bed well

1034
00:36:51,670 --> 00:36:49,599
i didn't get home until like daylight

1035
00:36:54,870 --> 00:36:51,680
she's like what the hell you know

1036
00:36:56,230 --> 00:36:54,880
wait you said she saw it go into the

1037
00:36:58,150 --> 00:36:56,240
bathroom

1038
00:36:59,670 --> 00:36:58,160

yeah she thought it was him she thought

1039

00:37:00,870 --> 00:36:59,680

it was me getting home from work and i

1040

00:37:01,589 --> 00:37:00,880

was still at work i didn't get home

1041

00:37:04,710 --> 00:37:01,599

until like

1042

00:37:09,190 --> 00:37:04,720

two or three hours later what the [h__\h]

1043

00:37:12,550 --> 00:37:09,200

yeah oh no

1044

00:37:16,150 --> 00:37:12,560

oh no but again i mean

1045

00:37:19,190 --> 00:37:16,160

i've never well i can't say never

1046

00:37:21,349 --> 00:37:19,200

um i've never really

1047

00:37:23,109 --> 00:37:21,359

aside from a couple instances and one

1048

00:37:26,630 --> 00:37:23,119

i'll touch on

1049

00:37:28,069 --> 00:37:26,640

i can't say if it was real or not um i i

1050

00:37:31,270 --> 00:37:28,079

again that's one of those things that

1051
00:37:33,349 --> 00:37:31,280
has stuck with me over years but

1052
00:37:34,870 --> 00:37:33,359
i can't say i've had really very many

1053
00:37:38,470 --> 00:37:34,880
negative experiences

1054
00:37:40,870 --> 00:37:38,480
um like that the house i live in now

1055
00:37:42,150 --> 00:37:40,880
you know it's it was built in like 1860

1056
00:37:47,270 --> 00:37:42,160
just

1057
00:37:50,710 --> 00:37:49,510
as soon as we moved in i was like man

1058
00:37:52,390 --> 00:37:50,720
there's something here you can feel it

1059
00:37:54,390 --> 00:37:52,400
you just feel the energy

1060
00:37:56,710 --> 00:37:54,400
and uh it's hard to explain if you can't

1061
00:37:59,750 --> 00:37:56,720
do it i i i don't

1062
00:38:01,349 --> 00:37:59,760
claim that i'm at the you know an empath

1063
00:38:02,790 --> 00:38:01,359

or anything like that by any stretch of

1064

00:38:06,150 --> 00:38:02,800

imagination

1065

00:38:07,510 --> 00:38:06,160

yeah but i believe everybody has the

1066

00:38:08,550 --> 00:38:07,520

ability if you can just learn how to

1067

00:38:11,430 --> 00:38:08,560

tune into it

1068

00:38:11,990 --> 00:38:11,440

oh yeah um i am on board with that my

1069

00:38:13,910 --> 00:38:12,000

friend

1070

00:38:15,670 --> 00:38:13,920

like i mean the fact that you have a

1071

00:38:18,710 --> 00:38:15,680

podcast and you're just

1072

00:38:21,270 --> 00:38:18,720

obviously a curious mind i think anybody

1073

00:38:22,950 --> 00:38:21,280

that has a curious mind there's a reason

1074

00:38:25,349 --> 00:38:22,960

for that and you seek the truth

1075

00:38:26,950 --> 00:38:25,359

ahead i think that all of those same

1076

00:38:28,630 --> 00:38:26,960

people that i'm talking about if

1077

00:38:30,310 --> 00:38:28,640

it's almost like a horoscope right like

1078

00:38:32,710 --> 00:38:30,320

oh that that applies to me

1079

00:38:34,710 --> 00:38:32,720

well this will also apply to literally

1080

00:38:37,030 --> 00:38:34,720

everybody that has a curious mind that

1081

00:38:40,790 --> 00:38:37,040

when you walk into a room

1082

00:38:44,470 --> 00:38:40,800

you can feel vibes oh for sure like

1083

00:38:45,829 --> 00:38:44,480

and like you're saying phil like

1084

00:38:47,670 --> 00:38:45,839

you can't explain it to anybody else

1085

00:38:51,109 --> 00:38:47,680

that hasn't had that experience

1086

00:38:52,550 --> 00:38:51,119

right yeah and it's not to all the all

1087

00:38:53,990 --> 00:38:52,560

the time physical like sometimes i'll

1088

00:38:55,190 --> 00:38:54,000

get chills when i walk into certain

1089

00:38:58,230 --> 00:38:55,200

rooms or

1090

00:38:59,510 --> 00:38:58,240

something and i'll ask like hey how long

1091

00:38:59,990 --> 00:38:59,520

have you lived here i don't know i just

1092

00:39:03,349 --> 00:39:00,000

moved here

1093

00:39:05,510 --> 00:39:03,359

so sometimes you don't really know yeah

1094

00:39:06,390 --> 00:39:05,520

but sometimes like when i we walked in

1095

00:39:08,630 --> 00:39:06,400

there's this famous

1096

00:39:09,430 --> 00:39:08,640

museum and taylor where joe and i uh

1097

00:39:11,670 --> 00:39:09,440

grew up

1098

00:39:13,990 --> 00:39:11,680

i walked into the moody museum have you

1099

00:39:16,150 --> 00:39:14,000

ever walked into like museums phil

1100

00:39:18,069 --> 00:39:16,160

you felt [h__\h] weird as soon as you

1101

00:39:22,390 --> 00:39:18,079

walked into like some shit's happened

1102

00:39:26,470 --> 00:39:22,400

oh oh yeah yeah absolutely um

1103

00:39:29,589 --> 00:39:26,480

but myself um now we're kind of on this

1104

00:39:32,950 --> 00:39:29,599

but when i'm in a crowd of people i i

1105

00:39:36,390 --> 00:39:32,960

i have to close up because

1106

00:39:39,510 --> 00:39:36,400

i will get so anxious

1107

00:39:41,270 --> 00:39:39,520

yeah and i just got to back off i've got

1108

00:39:43,270 --> 00:39:41,280

to leave i mean

1109

00:39:44,790 --> 00:39:43,280

even if walmart's crowded i'm like i

1110

00:39:47,589 --> 00:39:44,800

gotta get hell out of here

1111

00:39:48,550 --> 00:39:47,599

i'm gonna overload dude yeah i think

1112

00:39:51,109 --> 00:39:48,560

we're the same

1113

00:39:52,230 --> 00:39:51,119

i think i'm definitely on that vibe dude

1114

00:39:53,910 --> 00:39:52,240

i hate [h__\h]

1115

00:39:56,069 --> 00:39:53,920

crowds it's i think it's an overload of

1116

00:39:59,190 --> 00:39:56,079

energies i think so

1117

00:40:01,030 --> 00:39:59,200

sometimes sometimes my wife she'll make

1118

00:40:03,430 --> 00:40:01,040

me go to bed bath and beyond and i get

1119

00:40:06,550 --> 00:40:03,440

the feeling of like i have diarrhea

1120

00:40:08,309 --> 00:40:06,560

and i have to leave immediately well

1121

00:40:09,910 --> 00:40:08,319

i i can't honestly say i've been in one

1122

00:40:12,309 --> 00:40:09,920

but they got toilets there no

1123

00:40:16,710 --> 00:40:12,319

they do they do but it's still not

1124

00:40:21,109 --> 00:40:18,790

they get mad at you when you use them

1125

00:40:25,430 --> 00:40:21,119

how many toasters have you pooped in

1126
00:40:28,870 --> 00:40:25,440
at that bath and beyond six and a half

1127
00:40:36,470 --> 00:40:33,030
oh dude but the energies man like

1128
00:40:38,550 --> 00:40:36,480
yes like i feel that too i

1129
00:40:39,910 --> 00:40:38,560
i'm kind of the opposite like if i'm in

1130
00:40:42,710 --> 00:40:39,920
a super crowded

1131
00:40:43,270 --> 00:40:42,720
area though i feel like my energy like

1132
00:40:45,109 --> 00:40:43,280
ramps

1133
00:40:47,430 --> 00:40:45,119
up well it depends if we're playing

1134
00:40:50,950 --> 00:40:47,440
music i agree

1135
00:40:51,270 --> 00:40:50,960
yeah yeah yeah uh if you're performing

1136
00:40:55,030 --> 00:40:51,280
or

1137
00:40:55,670 --> 00:40:55,040
yeah yeah that makes sense yeah it gives

1138
00:40:58,309 --> 00:40:55,680

you

1139

00:41:00,069 --> 00:40:58,319

one feet off of it yeah absolutely and

1140

00:41:02,150 --> 00:41:00,079

then but when i go to acl

1141

00:41:07,670 --> 00:41:02,160

or or south by southwest when you have

1142

00:41:10,870 --> 00:41:07,680

to watch another band play r.i.p yeah

1143

00:41:12,630 --> 00:41:10,880

i'm just i'm interjecting here but

1144

00:41:14,550 --> 00:41:12,640

like that vibe when you were around a

1145

00:41:16,230 --> 00:41:14,560

bunch of like a bunch of people

1146

00:41:17,990 --> 00:41:16,240

phil so you're saying like you know it's

1147

00:41:19,109 --> 00:41:18,000

almost like your energy gets depleted

1148

00:41:22,309 --> 00:41:19,119

and you feel

1149

00:41:24,950 --> 00:41:22,319

that lack of dopamine and feel goodness

1150

00:41:29,109 --> 00:41:24,960

and now all that's left is anxiety

1151

00:41:34,630 --> 00:41:32,230

yeah so so i forget where we were at

1152

00:41:36,470 --> 00:41:34,640

with that

1153

00:41:38,230 --> 00:41:36,480

but you said i was talking about that

1154

00:41:41,670 --> 00:41:38,240

the house that i live in now

1155

00:41:42,950 --> 00:41:41,680

yeah yeah the energies of it yeah you

1156

00:41:46,309 --> 00:41:42,960

could feel it

1157

00:41:47,510 --> 00:41:46,319

um then my aunt she lives up just up the

1158

00:41:49,430 --> 00:41:47,520

road from me

1159

00:41:50,870 --> 00:41:49,440

um so i i called her say hey come out

1160

00:41:52,230 --> 00:41:50,880

and check our new house out and this and

1161

00:41:55,030 --> 00:41:52,240

that you know and

1162

00:41:58,150 --> 00:41:55,040

she is very sensitive um i don't know

1163

00:42:00,950 --> 00:41:58,160

how much stock you guys put into

1164

00:42:02,230 --> 00:42:00,960

like the psychic phenomena and all that

1165

00:42:05,109 --> 00:42:02,240

um

1166

00:42:05,910 --> 00:42:05,119

i've started to put more stock into it

1167

00:42:12,870 --> 00:42:05,920

uh

1168

00:42:14,230 --> 00:42:12,880

dude i mean it's it like when we first

1169

00:42:16,630 --> 00:42:14,240

started this dude we were like

1170

00:42:18,230 --> 00:42:16,640

i don't know about this psychic [h__h] and

1171

00:42:21,430 --> 00:42:18,240

like the

1172

00:42:23,589 --> 00:42:21,440

energy

1173

00:42:24,550 --> 00:42:23,599

energies and stuff like that but dude i

1174

00:42:26,470 --> 00:42:24,560

mean

1175

00:42:28,069 --> 00:42:26,480

i i'm i'm really starting to come around

1176

00:42:30,390 --> 00:42:28,079

to it i really am i really

1177

00:42:31,349 --> 00:42:30,400

i i feel like and and to be completely

1178

00:42:34,870 --> 00:42:31,359

honest i feel like

1179

00:42:38,470 --> 00:42:34,880

there's like 90 of it is total [h__h]

1180

00:42:41,510 --> 00:42:38,480

but you occasionally run into that 10

1181

00:42:43,109 --> 00:42:41,520

that's like holy crap you know like yeah

1182

00:42:44,470 --> 00:42:43,119

i would agree with that these guys that

1183

00:42:45,670 --> 00:42:44,480

are out trying to make a killing you

1184

00:42:49,109 --> 00:42:45,680

know what was his name

1185

00:42:52,470 --> 00:42:49,119

uh edwards or whatever you know

1186

00:42:54,470 --> 00:42:52,480

i think he was a scam um oh you mean the

1187

00:42:56,710 --> 00:42:54,480

dude that was like a a medium

1188

00:42:57,589 --> 00:42:56,720

talking yeah yeah oh what was his

1189

00:43:01,430 --> 00:42:57,599

[h__\h] name

1190

00:43:02,710 --> 00:43:01,440

dude uh he was like communicating with

1191

00:43:06,390 --> 00:43:02,720

the dead

1192

00:43:07,030 --> 00:43:06,400

yeah yeah like was it john john edwards

1193

00:43:10,230 --> 00:43:07,040

that sound right

1194

00:43:12,550 --> 00:43:10,240

dude that i think that's it um

1195

00:43:13,670 --> 00:43:12,560

edwards john edwards he's a former

1196

00:43:16,309 --> 00:43:13,680

american senator

1197

00:43:17,670 --> 00:43:16,319

that's not it he was a lawyer a former

1198

00:43:21,109 --> 00:43:17,680

politician

1199

00:43:21,119 --> 00:43:29,510

presidential nomination 2004.

1200

00:43:38,150 --> 00:43:34,150

singular john edward mcgee jr

1201

00:43:39,430 --> 00:43:38,160

i don't remember um but

1202

00:43:41,510 --> 00:43:39,440

yeah i think i think you're right i

1203

00:43:43,990 --> 00:43:41,520

think there's a lot of uh

1204

00:43:45,030 --> 00:43:44,000

people out there trying to scam people

1205

00:43:46,390 --> 00:43:45,040

um

1206

00:43:48,870 --> 00:43:46,400

but i also think there's several that

1207

00:43:52,630 --> 00:43:48,880

are out there trying to be genuine

1208

00:43:53,670 --> 00:43:52,640

um yeah like i said though my aunt you

1209

00:43:55,910 --> 00:43:53,680

know she is very

1210

00:43:57,109 --> 00:43:55,920

very sensitive and she came in was kind

1211

00:43:58,150 --> 00:43:57,119

of showing through the house and she

1212

00:43:59,270 --> 00:43:58,160

said you know there's something here

1213

00:44:01,990 --> 00:43:59,280

right

1214

00:44:02,950 --> 00:44:02,000

oh i was like yeah i know it's here i

1215

00:44:04,230 --> 00:44:02,960

said it's not i don't

1216

00:44:05,990 --> 00:44:04,240

feel anything from it i don't feel

1217

00:44:07,349 --> 00:44:06,000

anything bad you know like bad vibes or

1218

00:44:11,030 --> 00:44:07,359

anything

1219

00:44:12,790 --> 00:44:11,040

um you know she's like no it's not bad

1220

00:44:14,710 --> 00:44:12,800

she said it's just it's here this is

1221

00:44:15,750 --> 00:44:14,720

like after you bought the house and

1222

00:44:18,950 --> 00:44:15,760

everything

1223

00:44:22,710 --> 00:44:18,960

yeah yeah we were moving in wow

1224

00:44:24,309 --> 00:44:22,720

and uh you know my my 16 year old he's

1225

00:44:26,069 --> 00:44:24,319

he's made comments and actually the room

1226

00:44:29,589 --> 00:44:26,079

i'm in right now he said

1227

00:44:31,910 --> 00:44:29,599

he's had a few experiences in here um

1228

00:44:33,430 --> 00:44:31,920

but it doesn't bother me i guess you

1229

00:44:35,510 --> 00:44:33,440

know growing up with it and all that it

1230

00:44:38,950 --> 00:44:35,520

just doesn't bother me

1231

00:44:42,069 --> 00:44:38,960

huh that's a that's a pretty crazy

1232

00:44:42,470 --> 00:44:42,079

i mean yeah just being able to say that

1233

00:44:44,150 --> 00:44:42,480

hey

1234

00:44:45,589 --> 00:44:44,160

it doesn't bother me because i'm used to

1235

00:44:48,069 --> 00:44:45,599

this [h__\h] i mean

1236

00:44:48,950 --> 00:44:48,079

right yeah that's that's pretty you know

1237

00:44:50,630 --> 00:44:48,960

but

1238

00:44:52,950 --> 00:44:50,640

it was kind of funny because my wife

1239

00:44:56,710 --> 00:44:52,960

never experienced anything like that

1240

00:44:58,390 --> 00:44:56,720

um i call her my midlife crisis because

1241

00:44:59,990 --> 00:44:58,400

she's 10 years younger than that

1242

00:45:02,470 --> 00:45:00,000

i think she well she was born saying

1243

00:45:06,150 --> 00:45:02,480

you're nice hell yeah

1244

00:45:07,910 --> 00:45:06,160

good job phil yeah and uh

1245

00:45:09,270 --> 00:45:07,920

so i called her my midlife crisis and

1246

00:45:11,109 --> 00:45:09,280

all and she just kind of chuckled and

1247

00:45:15,109 --> 00:45:11,119

shakes her head at me you know but

1248

00:45:16,390 --> 00:45:15,119

uh no she she's never experienced

1249

00:45:18,470 --> 00:45:16,400

anything

1250

00:45:20,230 --> 00:45:18,480

but we were it was within probably a

1251
00:45:21,750 --> 00:45:20,240
month or so and i don't know if i shared

1252
00:45:23,190 --> 00:45:21,760
this on the halloween show or not and it

1253
00:45:24,150 --> 00:45:23,200
doesn't matter it's not that big of a

1254
00:45:25,829 --> 00:45:24,160
deal

1255
00:45:27,589 --> 00:45:25,839
but anyway we're going to get people

1256
00:45:28,150 --> 00:45:27,599
that listen to this show to to listen to

1257
00:45:31,030 --> 00:45:28,160
your show

1258
00:45:31,750 --> 00:45:31,040
either like regardless but i don't i

1259
00:45:34,230 --> 00:45:31,760
don't know if

1260
00:45:35,349 --> 00:45:34,240
we're probably not going to take it away

1261
00:45:38,950 --> 00:45:35,359
no no no

1262
00:45:42,550 --> 00:45:38,960
i'm honestly not worried about it um

1263
00:45:44,390 --> 00:45:42,560

but uh she just landed where we were

1264

00:45:45,829 --> 00:45:44,400

asleep man i was out i sleep like a rock

1265

00:45:48,950 --> 00:45:45,839

i mean i don't care where i'm at

1266

00:45:50,230 --> 00:45:48,960

when i sleep i sleep and she's waking me

1267

00:45:51,829 --> 00:45:50,240

up

1268

00:45:53,589 --> 00:45:51,839

the house is on fire i'm like what you

1269

00:45:56,630 --> 00:45:53,599

know i kind of wake up

1270

00:45:59,670 --> 00:45:56,640

and at the foot of the bed was a fog

1271

00:46:00,870 --> 00:45:59,680

whoa she woke up and saw it and

1272

00:46:02,230 --> 00:46:00,880

thought the house was on fire you know

1273

00:46:03,829 --> 00:46:02,240

the smoke alarms weren't going off or

1274

00:46:05,829 --> 00:46:03,839

anything like that

1275

00:46:07,910 --> 00:46:05,839

well right in front of my eyes you know

1276

00:46:11,349 --> 00:46:07,920

i saw it and it just kind of dissipated

1277

00:46:14,470 --> 00:46:11,359

and cleared up and it was gone you know

1278

00:46:16,230 --> 00:46:14,480

so your wife saw this too

1279

00:46:21,990 --> 00:46:16,240

yeah yeah she's the one who woke me up

1280

00:46:25,589 --> 00:46:23,670

okay so there's a fog at the foot of the

1281

00:46:27,670 --> 00:46:25,599

bed what do you do

1282

00:46:30,710 --> 00:46:27,680

i just kind of shook it off i mean i'm

1283

00:46:32,870 --> 00:46:30,720

trying to look at everything

1284

00:46:34,630 --> 00:46:32,880

the house isn't on fire yeah right yeah

1285

00:46:37,109 --> 00:46:34,640

i realize the house isn't on fire

1286

00:46:38,470 --> 00:46:37,119

and it dissipated and i'm like well okay

1287

00:46:41,510 --> 00:46:38,480

you know that's whoever

1288

00:46:44,069 --> 00:46:41,520

is here so let's just just kind of shake

1289

00:46:46,470 --> 00:46:44,079

it off and go on you know

1290

00:46:48,150 --> 00:46:46,480

i love that frame of mind you're like

1291

00:46:50,470 --> 00:46:48,160

hey

1292

00:46:52,309 --> 00:46:50,480

it's almost okay this might be a bad

1293

00:46:54,790 --> 00:46:52,319

analogy but it's almost like

1294

00:46:55,349 --> 00:46:54,800

okay when you take psychedelics you were

1295

00:47:00,950 --> 00:46:55,359

in

1296

00:47:03,829 --> 00:47:00,960

whatever happens happens i'm gonna be

1297

00:47:06,069 --> 00:47:03,839

fine yeah it's not here to hurt me

1298

00:47:07,109 --> 00:47:06,079

it's almost like that same mindset has

1299

00:47:10,390 --> 00:47:07,119

to be

1300

00:47:12,710 --> 00:47:10,400

applied to the paranormal and it's also

1301
00:47:13,829 --> 00:47:12,720
kind of like what am i going to do about

1302
00:47:15,270 --> 00:47:13,839
it anyway

1303
00:47:17,910 --> 00:47:15,280
you know right yeah there's nothing you

1304
00:47:20,230 --> 00:47:17,920
can do you're like it's happening

1305
00:47:21,829 --> 00:47:20,240
you have to you can't back out now you

1306
00:47:24,790 --> 00:47:21,839
know that kind of made me think

1307
00:47:26,470 --> 00:47:24,800
uh uh this is kind of another stupid

1308
00:47:29,510 --> 00:47:26,480
rant but uh

1309
00:47:31,190 --> 00:47:29,520
what if ghosts show up on foggy days

1310
00:47:33,109 --> 00:47:31,200
like you know like what if the the

1311
00:47:35,589 --> 00:47:33,119
highest amount of ghost sightings

1312
00:47:37,109 --> 00:47:35,599
would be on like a foggy day because

1313
00:47:38,950 --> 00:47:37,119

they enjoy that kind of weather or

1314

00:47:40,630 --> 00:47:38,960

something and you just wouldn't know

1315

00:47:41,910 --> 00:47:40,640

about it like how sucky would that be

1316

00:47:43,829 --> 00:47:41,920

like when you go through like a

1317

00:47:45,270 --> 00:47:43,839

like a forest or something yeah on like

1318

00:47:48,390 --> 00:47:45,280

a foggy morning

1319

00:47:49,829 --> 00:47:48,400

like you wouldn't be able to see it also

1320

00:47:51,270 --> 00:47:49,839

there might be some science to that

1321

00:47:53,589 --> 00:47:51,280

because there's more

1322

00:47:54,710 --> 00:47:53,599

uh water molecules floating around in

1323

00:47:57,270 --> 00:47:54,720

the in the air

1324

00:47:59,670 --> 00:47:57,280

right therefore there's a lot of energy

1325

00:48:01,589 --> 00:47:59,680

in those molecules dude i wonder if the

1326
00:48:03,510 --> 00:48:01,599
temperature has anything to do with the

1327
00:48:06,230 --> 00:48:03,520
way a ghost can manifest

1328
00:48:07,030 --> 00:48:06,240
you know what i'm saying because yeah in

1329
00:48:09,270 --> 00:48:07,040
hot weather

1330
00:48:10,390 --> 00:48:09,280
molecules move faster right and you can

1331
00:48:12,790 --> 00:48:10,400
get more humidity

1332
00:48:15,349 --> 00:48:12,800
but in the cooler weather molecules move

1333
00:48:18,470 --> 00:48:15,359
slower and there's like less humidity

1334
00:48:20,790 --> 00:48:18,480
usually right now i uh

1335
00:48:22,309 --> 00:48:20,800
talking to jess over on on the on the

1336
00:48:24,230 --> 00:48:22,319
ghost show

1337
00:48:27,109 --> 00:48:24,240
we were kind of discussing christmas and

1338
00:48:30,950 --> 00:48:27,119

and how my total dislike for it

1339

00:48:35,270 --> 00:48:30,960

and um you and joe hate christmas

1340

00:48:39,030 --> 00:48:35,280

oh dude i hate it i hate christmas

1341

00:48:41,190 --> 00:48:39,040

but uh it's not

1342

00:48:42,309 --> 00:48:41,200

the holiday itself it's the bull crap

1343

00:48:43,510 --> 00:48:42,319

that comes along with it you're

1344

00:48:45,510 --> 00:48:43,520

competing with yourself

1345

00:48:46,870 --> 00:48:45,520

yeah everybody's pissed off right i

1346

00:48:49,510 --> 00:48:46,880

agree

1347

00:48:51,270 --> 00:48:49,520

um and i asked her that i asked her that

1348

00:48:54,309 --> 00:48:51,280

i said i said

1349

00:48:54,710 --> 00:48:54,319

how i might the way my logic works i

1350

00:48:57,910 --> 00:48:54,720

guess

1351

00:49:01,270 --> 00:48:57,920

i asked her i said do you have

1352

00:49:04,309 --> 00:49:01,280

more activity around christmas because

1353

00:49:05,990 --> 00:49:04,319

of all the negativity in the air

1354

00:49:07,349 --> 00:49:06,000

you know because yeah you can't really

1355

00:49:07,829 --> 00:49:07,359

say you're in the christmas spirit if

1356

00:49:09,990 --> 00:49:07,839

you're

1357

00:49:11,510 --> 00:49:10,000

you know trampling over somebody going

1358

00:49:14,790 --> 00:49:11,520

into the store on black friday

1359

00:49:17,829 --> 00:49:14,800

right [h__h] yeah you know

1360

00:49:19,109 --> 00:49:17,839

she said no believe it or not um it's

1361

00:49:20,630 --> 00:49:19,119

around halloween that's the highest

1362

00:49:23,990 --> 00:49:20,640

point of activity

1363

00:49:25,109 --> 00:49:24,000

huh yeah she said from from the end of

1364

00:49:27,270 --> 00:49:25,119

september to

1365

00:49:28,390 --> 00:49:27,280

the end of november is the highest

1366

00:49:31,510 --> 00:49:28,400

activity

1367

00:49:33,349 --> 00:49:31,520

wow that kind of yeah i i found it

1368

00:49:36,309 --> 00:49:33,359

really interesting on it

1369

00:49:38,710 --> 00:49:36,319

yeah that's super oh man they're i want

1370

00:49:40,950 --> 00:49:38,720

to dive deep in speculation here

1371

00:49:42,829 --> 00:49:40,960

dive deeper into the deep end of

1372

00:49:45,910 --> 00:49:42,839

speculation pool

1373

00:49:48,630 --> 00:49:45,920

yeah and i asked her i asked her i said

1374

00:49:50,069 --> 00:49:48,640

so so does that is that where

1375

00:49:51,670 --> 00:49:50,079

the traditions and stuff behind

1376
00:49:53,270 --> 00:49:51,680
halloween come from because this was

1377
00:49:55,910 --> 00:49:53,280
such an active time

1378
00:49:57,030 --> 00:49:55,920
and she's like without a doubt that's

1379
00:49:59,829 --> 00:49:57,040
that's originally

1380
00:50:00,710 --> 00:49:59,839
why people would wear masks and stuff

1381
00:50:03,670 --> 00:50:00,720
correct

1382
00:50:04,790 --> 00:50:03,680
and they would go door-to-door um

1383
00:50:08,150 --> 00:50:04,800
offering

1384
00:50:10,069 --> 00:50:08,160
masks on just

1385
00:50:12,710 --> 00:50:10,079
like kind of try to blend in with the

1386
00:50:14,870 --> 00:50:12,720
spirits that would come alive and so

1387
00:50:16,549 --> 00:50:14,880
people would always say uh you know you

1388
00:50:17,190 --> 00:50:16,559

go door to door and they would offer you

1389

00:50:19,349 --> 00:50:17,200

gifts

1390

00:50:21,430 --> 00:50:19,359

not knowing if you were a spirit or a

1391

00:50:23,829 --> 00:50:21,440

human obviously you probably

1392

00:50:25,990 --> 00:50:23,839

did know but you would do it just kind

1393

00:50:28,790 --> 00:50:26,000

of as a gesture of like i'm offering

1394

00:50:29,829 --> 00:50:28,800

gifts to the the appearing spirits at

1395

00:50:32,950 --> 00:50:29,839

this time

1396

00:50:35,430 --> 00:50:32,960

right yeah

1397

00:50:38,230 --> 00:50:35,440

i did not know that that is interesting

1398

00:50:41,190 --> 00:50:38,240

who had crunch bars in 196

1399

00:50:41,510 --> 00:50:41,200

wait 1865 they would offer little gifts

1400

00:50:45,510 --> 00:50:41,520

like

1401

00:50:46,549 --> 00:50:45,520

did hear that one of the gifts that was

1402

00:50:49,430 --> 00:50:46,559

a popular gift was

1403

00:50:51,109 --> 00:50:49,440

like animal fat maybe because like you

1404

00:50:53,430 --> 00:50:51,119

need animal fat to like survive

1405

00:50:55,270 --> 00:50:53,440

cold winters and like keep your your

1406

00:50:57,190 --> 00:50:55,280

vitamins and stuff

1407

00:50:59,430 --> 00:50:57,200

that i don't know it's a random little

1408

00:51:00,790 --> 00:50:59,440

little thing but like the the masks and

1409

00:51:03,109 --> 00:51:00,800

gifts and everything and

1410

00:51:05,430 --> 00:51:03,119

and the time of year like i've heard

1411

00:51:07,910 --> 00:51:05,440

there's the all howl's eve and something

1412

00:51:08,309 --> 00:51:07,920

had to do having to do with the harvest

1413

00:51:11,750 --> 00:51:08,319

right

1414

00:51:14,870 --> 00:51:11,760

so what which is it i think is it just

1415

00:51:17,270 --> 00:51:14,880

everything happens at the same time

1416

00:51:19,829 --> 00:51:17,280

is it just thousands and or maybe

1417

00:51:22,790 --> 00:51:19,839

millions of years of human evolution

1418

00:51:23,510 --> 00:51:22,800

uh harvest always comes around this time

1419

00:51:25,670 --> 00:51:23,520

of year

1420

00:51:26,950 --> 00:51:25,680

when it starts to get cold and we're

1421

00:51:28,790 --> 00:51:26,960

saving up for [h__h] and that's when

1422

00:51:31,030 --> 00:51:28,800

people die and get sick and

1423

00:51:32,549 --> 00:51:31,040

it's just like epigenetics of human

1424

00:51:35,430 --> 00:51:32,559

nature that

1425

00:51:36,710 --> 00:51:35,440

uh that subscribe to this overcoming

1426

00:51:38,950 --> 00:51:36,720

like

1427

00:51:41,910 --> 00:51:38,960

feeling of death or something right yeah

1428

00:51:41,920 --> 00:51:45,109

was that

1429

00:51:49,109 --> 00:51:47,109

yeah i don't know she left me with a lot

1430

00:51:51,829 --> 00:51:49,119

of lot a lot of unanswered questions

1431

00:51:53,430 --> 00:51:51,839

um we're just moving on with the

1432

00:51:55,589 --> 00:51:53,440

conversation

1433

00:51:57,270 --> 00:51:55,599

sorry dude i just [\h__\h] rant oh dude

1434

00:51:59,430 --> 00:51:57,280

that's all right man that

1435

00:52:00,790 --> 00:51:59,440

that that was me i mean my mind was

1436

00:52:04,150 --> 00:52:00,800

blown with her

1437

00:52:06,549 --> 00:52:04,160

and uh just the knowledge she had

1438

00:52:08,309 --> 00:52:06,559

and and it's active knowledge because

1439

00:52:10,549 --> 00:52:08,319

they do this they go up

1440

00:52:12,390 --> 00:52:10,559

and they they investigate places and

1441

00:52:14,470 --> 00:52:12,400

then they help people out and it's

1442

00:52:18,069 --> 00:52:14,480

pretty pretty cool deal

1443

00:52:19,270 --> 00:52:18,079

um like i said i mean i'll have i'll

1444

00:52:21,030 --> 00:52:19,280

talk to her and see if she might be

1445

00:52:23,750 --> 00:52:21,040

interested come on your guys's

1446

00:52:25,270 --> 00:52:23,760

uh show if you guys are interested oh

1447

00:52:27,910 --> 00:52:25,280

yeah

1448

00:52:28,470 --> 00:52:27,920

but i know she's she's big into a time

1449

00:52:31,190 --> 00:52:28,480

slips

1450

00:52:31,990 --> 00:52:31,200

she's big into uh obviously the

1451

00:52:35,030 --> 00:52:32,000

paranormal

1452

00:52:37,589 --> 00:52:35,040

i think all aspects

1453

00:52:39,190 --> 00:52:37,599

and for what mark was saying she she

1454

00:52:41,109 --> 00:52:39,200

works at home she's an artist

1455

00:52:42,870 --> 00:52:41,119

but in her off time all she does is

1456

00:52:49,670 --> 00:52:42,880

research

1457

00:52:52,230 --> 00:52:49,680

yeah but yeah

1458

00:52:53,910 --> 00:52:52,240

dude that's awesome man i want to just

1459

00:52:57,030 --> 00:52:53,920

stay home and do art

1460

00:52:59,270 --> 00:52:57,040

and then research that's so awesome like

1461

00:53:01,510 --> 00:52:59,280

you gotta be like a real badass and like

1462

00:53:04,150 --> 00:53:01,520

have major confidence just be like

1463

00:53:07,430 --> 00:53:04,160

you know what [\h__\h] the system i'm gonna

1464

00:53:10,390 --> 00:53:07,440

draw a picture today and sell that [\h__\h]

1465

00:53:13,190 --> 00:53:10,400

yep i don't know if i'd get very far

1466

00:53:15,109 --> 00:53:13,200

with stick figures or not but i thought

1467

00:53:16,390 --> 00:53:15,119

dude you can create your own stick

1468

00:53:18,950 --> 00:53:16,400

figure universe

1469

00:53:20,549 --> 00:53:18,960

i'll buy it everybody has names each

1470

00:53:23,910 --> 00:53:20,559

stick figure has like a

1471

00:53:25,030 --> 00:53:23,920

story oh dude and we can combine it with

1472

00:53:27,910 --> 00:53:25,040

our nanobot movie

1473

00:53:29,829 --> 00:53:27,920

oh my god oh yeah you could do a you

1474

00:53:32,870 --> 00:53:29,839

could totally do a children's book with

1475

00:53:36,470 --> 00:53:32,880

uh stick figures and and uh

1476
00:53:39,030 --> 00:53:36,480
inter-weave this the uh the concept of

1477
00:53:39,750 --> 00:53:39,040
preparedness yeah tie it into your

1478
00:53:41,589 --> 00:53:39,760
podcast

1479
00:53:43,109 --> 00:53:41,599
that's actually a really good idea that

1480
00:53:46,150 --> 00:53:43,119
wouldn't be a bad idea

1481
00:53:46,710 --> 00:53:46,160
i mean i i have i don't have a terrible

1482
00:53:48,230 --> 00:53:46,720
time but

1483
00:53:50,309 --> 00:53:48,240
it gets difficult sometimes just trying

1484
00:53:51,349 --> 00:53:50,319
to come up with the the preceding story

1485
00:53:53,130 --> 00:53:51,359
you know after the show and

1486
00:53:54,950 --> 00:53:53,140
whatever um

1487
00:53:58,069 --> 00:53:54,960
[Music]

1488
00:53:59,670 --> 00:53:58,079

yeah it there's it it almost feels like

1489

00:54:01,910 --> 00:53:59,680

a little overwhelming when you think

1490

00:54:05,349 --> 00:54:01,920

about the concept of what you're

1491

00:54:06,630 --> 00:54:05,359

doing a podcast about it it's it's kind

1492

00:54:09,589 --> 00:54:06,640

of an ever-changing

1493

00:54:10,870 --> 00:54:09,599

thing i mean at least it was for me just

1494

00:54:12,470 --> 00:54:10,880

kind of thinking

1495

00:54:14,870 --> 00:54:12,480

yeah you feel like you oh i'm gonna

1496

00:54:16,790 --> 00:54:14,880

start this ufo podcast but like

1497

00:54:18,230 --> 00:54:16,800

eventually you'd think you'd run out of

1498

00:54:19,589 --> 00:54:18,240

stuff but you really don't i mean i

1499

00:54:22,150 --> 00:54:19,599

think we get in ruts but

1500

00:54:23,510 --> 00:54:22,160

you know i think it always picks back up

1501

00:54:25,190 --> 00:54:23,520

i think it's the same could be said

1502

00:54:26,549 --> 00:54:25,200

about the topic that you were talking

1503

00:54:28,549 --> 00:54:26,559

about because it's so

1504

00:54:30,470 --> 00:54:28,559

diverse because you can apply that

1505

00:54:33,430 --> 00:54:30,480

concept of preparedness

1506

00:54:33,829 --> 00:54:33,440

and the idea of what if tomorrow this

1507

00:54:36,069 --> 00:54:33,839

[h__\h]

1508

00:54:37,430 --> 00:54:36,079

happened yeah you can apply it to so

1509

00:54:39,510 --> 00:54:37,440

much

1510

00:54:41,349 --> 00:54:39,520

yeah and it's ours it's more you know

1511

00:54:41,750 --> 00:54:41,359

it's more it kind of it started out

1512

00:54:43,829 --> 00:54:41,760

being

1513

00:54:46,789 --> 00:54:43,839

about preparedness and then we just kind

1514

00:54:49,910 --> 00:54:46,799

of already shifted you know we're only

1515

00:54:52,150 --> 00:54:49,920

uh well the special episode counting

1516

00:54:54,150 --> 00:54:52,160

that we're 14 episodes in

1517

00:54:56,710 --> 00:54:54,160

and it's really just kind of shifted and

1518

00:54:59,109 --> 00:54:56,720

mark and i got to talk it was like man

1519

00:55:00,710 --> 00:54:59,119

a lot of preparedness is the same stuff

1520

00:55:02,390 --> 00:55:00,720

so why don't we just do

1521

00:55:04,630 --> 00:55:02,400

a preparedness episode at the first of

1522

00:55:06,069 --> 00:55:04,640

the month like our next episode

1523

00:55:07,990 --> 00:55:06,079

when we get a chance to record is going

1524

00:55:10,230 --> 00:55:08,000

to be about meteor strikes

1525

00:55:11,109 --> 00:55:10,240

yeah because i mean there's supposed to

1526

00:55:13,190 --> 00:55:11,119

be a meteor

1527

00:55:14,870 --> 00:55:13,200

pass by like the day before the election

1528

00:55:17,270 --> 00:55:14,880

like monday yeah

1529

00:55:19,990 --> 00:55:17,280

yeah and plus there's been several like

1530

00:55:21,829 --> 00:55:20,000

20 somewhat near misses this year

1531

00:55:24,630 --> 00:55:21,839

with with asteroids and stuff didn't

1532

00:55:26,630 --> 00:55:24,640

they run the numbers and the numbers are

1533

00:55:28,309 --> 00:55:26,640

you're more likely to get hit by this

1534

00:55:29,750 --> 00:55:28,319

asteroid than than die

1535

00:55:32,309 --> 00:55:29,760

of kovit wouldn't that thing yeah

1536

00:55:34,549 --> 00:55:32,319

something like that it was kind of weird

1537

00:55:35,349 --> 00:55:34,559

it was like you had like a point it was

1538

00:55:38,309 --> 00:55:35,359

like a point

1539

00:55:38,710 --> 00:55:38,319

eight four chance or a point eight four

1540

00:55:41,829 --> 00:55:38,720

five

1541

00:55:45,510 --> 00:55:41,839

some [h__h] like that to asteroid hitting

1542

00:55:48,950 --> 00:55:45,520

and then the coven was .06 or some [h__h]

1543

00:55:50,549 --> 00:55:48,960

yeah it was that was funny

1544

00:55:52,710 --> 00:55:50,559

do you so yeah we decided that's gonna

1545

00:55:54,549 --> 00:55:52,720

be i'm glad i'm sorry glad oh i was

1546

00:55:56,470 --> 00:55:54,559

i was gonna say do you guys get that

1547

00:55:57,990 --> 00:55:56,480

like do you think about politics in that

1548

00:55:58,789 --> 00:55:58,000

way like the way that media is

1549

00:56:02,069 --> 00:55:58,799

construing

1550

00:56:05,270 --> 00:56:02,079

[h__h] like that specific uh

1551
00:56:06,309 --> 00:56:05,280
percentage like that seems political to

1552
00:56:09,270 --> 00:56:06,319
me it's very

1553
00:56:10,309 --> 00:56:09,280
very very much so is yeah i don't we we

1554
00:56:13,430 --> 00:56:10,319
try to avoid it

1555
00:56:15,190 --> 00:56:13,440
um we did our uh our civil war and our

1556
00:56:17,109 --> 00:56:15,200
riot episodes that was probably about as

1557
00:56:19,750 --> 00:56:17,119
close to politics as we want to get

1558
00:56:21,109 --> 00:56:19,760
yeah because you're just gonna do

1559
00:56:23,750 --> 00:56:21,119
nothing but piss people off

1560
00:56:24,950 --> 00:56:23,760
yeah yeah i don't know you guys are such

1561
00:56:26,309 --> 00:56:24,960
nice guys i i

1562
00:56:28,549 --> 00:56:26,319
i don't think you'll i don't know

1563
00:56:30,870 --> 00:56:28,559

whatever but dude um

1564

00:56:31,670 --> 00:56:30,880

so i i don't think i've told uh maybe i

1565

00:56:33,430 --> 00:56:31,680

have but

1566

00:56:34,870 --> 00:56:33,440

maybe i haven't but i actually when i

1567

00:56:36,150 --> 00:56:34,880

moved to austin i worked for a company

1568

00:56:39,430 --> 00:56:36,160

called survival life

1569

00:56:41,030 --> 00:56:39,440

did i already tell you the story so

1570

00:56:43,670 --> 00:56:41,040

it was this company called survival life

1571

00:56:46,710 --> 00:56:43,680

and it was a survival preparedness

1572

00:56:48,630 --> 00:56:46,720

website blog that like sold bug out bags

1573

00:56:50,950 --> 00:56:48,640

and like knives and

1574

00:56:51,829 --> 00:56:50,960

fire starters and all kinds of goodies

1575

00:56:54,069 --> 00:56:51,839

and we used to

1576

00:56:55,430 --> 00:56:54,079

uh my team and i used to do all the

1577

00:56:58,390 --> 00:56:55,440

graphics web and

1578

00:57:00,549 --> 00:56:58,400

video for for all these like like

1579

00:57:03,829 --> 00:57:00,559

special products that we would

1580

00:57:07,030 --> 00:57:03,839

sell and [h__h] so when yeah when we

1581

00:57:09,109 --> 00:57:07,040

when uh we first connected i was i've

1582

00:57:10,870 --> 00:57:09,119

been meaning to like tell you about that

1583

00:57:12,309 --> 00:57:10,880

have you ever heard of survival life at

1584

00:57:14,069 --> 00:57:12,319

all oh yeah the things

1585

00:57:16,230 --> 00:57:14,079

i don't think it's a thing anymore maybe

1586

00:57:17,750 --> 00:57:16,240

it is but i haven't seen anything from

1587

00:57:18,390 --> 00:57:17,760

him for a long time but when i first

1588

00:57:22,309 --> 00:57:18,400

started

1589

00:57:24,829 --> 00:57:22,319

more attention

1590

00:57:26,470 --> 00:57:24,839

um i wouldn't call myself a die hard

1591

00:57:29,670 --> 00:57:26,480

prepper

1592

00:57:31,349 --> 00:57:29,680

um i would consider myself more of just

1593

00:57:37,030 --> 00:57:31,359

a

1594

00:57:38,630 --> 00:57:37,040

know but

1595

00:57:40,789 --> 00:57:38,640

she wants to be prepared maybe just a

1596

00:57:43,430 --> 00:57:40,799

casual yeah just somebody just casually

1597

00:57:45,430 --> 00:57:43,440

you know i don't invest in underground

1598

00:57:47,670 --> 00:57:45,440

bunkers and oh it'd be cool but

1599

00:57:48,950 --> 00:57:47,680

that's like at the the high percentage

1600

00:57:54,069 --> 00:57:48,960

for sure

1601

00:57:56,230 --> 00:57:54,079

right um i just look at things in

1602

00:57:57,589 --> 00:57:56,240

try to make sure my family's prepared

1603

00:58:02,789 --> 00:57:57,599

and

1604

00:58:04,470 --> 00:58:02,799

just in case um i i look at that

1605

00:58:06,390 --> 00:58:04,480

my wife she's definitely on board with

1606

00:58:09,510 --> 00:58:06,400

that and luckily you know

1607

00:58:09,990 --> 00:58:09,520

the great uh [h__\h] paper shortage of 2020

1608

00:58:13,349 --> 00:58:10,000

we were

1609

00:58:14,630 --> 00:58:13,359

prepared for that paper

1610

00:58:16,950 --> 00:58:14,640

well there's there's a point to this

1611

00:58:17,270 --> 00:58:16,960

it's like so i just wanted to get your

1612

00:58:21,510 --> 00:58:17,280

your

1613

00:58:23,670 --> 00:58:21,520

covet happened in like

1614

00:58:25,270 --> 00:58:23,680

grocery stores were filled and you

1615

00:58:27,349 --> 00:58:25,280

couldn't buy groceries

1616

00:58:29,109 --> 00:58:27,359

we had this product and i'm not going to

1617

00:58:33,589 --> 00:58:29,119

say the brand but it was canned meat it

1618

00:58:37,589 --> 00:58:35,430

is there any kind of thing i mean i'm

1619

00:58:38,710 --> 00:58:37,599

like not trying to [h__h] sell products

1620

00:58:41,349 --> 00:58:38,720

or anything but have you

1621

00:58:42,549 --> 00:58:41,359

have you heard anything about like

1622

00:58:44,870 --> 00:58:42,559

actual

1623

00:58:46,950 --> 00:58:44,880

shelf lives of these things i'm just

1624

00:58:49,190 --> 00:58:46,960

really talking to the prepper

1625

00:58:50,470 --> 00:58:49,200

side of of of what i know about you but

1626

00:58:52,150 --> 00:58:50,480

like

1627

00:58:53,589 --> 00:58:52,160

does that sound weird to you is that

1628

00:58:55,030 --> 00:58:53,599

because i don't think the science works

1629

00:58:55,670 --> 00:58:55,040

like meat isn't supposed to last that

1630

00:59:00,230 --> 00:58:55,680

spam

1631

00:59:00,789 --> 00:59:00,240

this was like pulled pork and like

1632

00:59:04,470 --> 00:59:00,799

chicken

1633

00:59:07,589 --> 00:59:04,480

and beef like ground beef

1634

00:59:11,030 --> 00:59:07,599

yeah was it was it dehydrated no

1635

00:59:14,710 --> 00:59:11,040

it was just in water and salt bro huh

1636

00:59:18,470 --> 00:59:16,390

there is ways to preserve it i haven't

1637

00:59:20,870 --> 00:59:18,480

really gotten deep into it

1638

00:59:22,069 --> 00:59:20,880

um but i don't know how long they would

1639

00:59:24,390 --> 00:59:22,079

last um

1640

00:59:25,589 --> 00:59:24,400

i i know there's a thing i know the

1641

00:59:27,589 --> 00:59:25,599

native americans used to eat was

1642

00:59:30,870 --> 00:59:27,599

peemmican

1643

00:59:32,309 --> 00:59:30,880

and it was meat with fat

1644

00:59:33,990 --> 00:59:32,319

and like berries and stuff and they

1645

00:59:35,510 --> 00:59:34,000

would you know press it and fight

1646

00:59:38,710 --> 00:59:35,520

dehydrated and stuff like that

1647

00:59:40,950 --> 00:59:38,720

no [h__h] um

1648

00:59:42,710 --> 00:59:40,960

i've always wanted to try that oh yeah i

1649

00:59:44,470 --> 00:59:42,720

have to i have a recipe

1650

00:59:47,510 --> 00:59:44,480

i just haven't had the guts to to make

1651
00:59:51,910 --> 00:59:47,520
it so that's cool

1652
00:59:55,430 --> 00:59:51,920
um but i know a lot of these newer ones

1653
00:59:56,870 --> 00:59:55,440
in um

1654
00:59:58,789 --> 00:59:56,880
they're they're the dehydrated and

1655
01:00:02,069 --> 00:59:58,799
they're supposed to last like 25 years

1656
01:00:04,230 --> 01:00:02,079
oh damn that's so crazy and you know you

1657
01:00:05,750 --> 01:00:04,240
just add water and i can kind of attest

1658
01:00:06,630 --> 01:00:05,760
to it a little bit because in the

1659
01:00:09,829 --> 01:00:06,640
military

1660
01:00:11,750 --> 01:00:09,839
early on we had some older older mres

1661
01:00:13,990 --> 01:00:11,760
yeah and a lot of the fruit and stuff

1662
01:00:15,829 --> 01:00:14,000
was all dehydrated and we just ate it

1663
01:00:18,950 --> 01:00:15,839

you don't drink water with it

1664

01:00:22,230 --> 01:00:18,960

but meals ready to eat

1665

01:00:24,630 --> 01:00:22,240

yeah and the astronauts i like the

1666

01:00:28,710 --> 01:00:24,640

the uh astronaut ice cream yeah it was

1667

01:00:30,789 --> 01:00:28,720

just like that it's so good

1668

01:00:33,270 --> 01:00:30,799

yeah it was just like that i still go to

1669

01:00:34,870 --> 01:00:33,280

like nasa in houston as a 33 year old

1670

01:00:35,990 --> 01:00:34,880

man and i'm like i want to get the ice

1671

01:00:37,750 --> 01:00:36,000

cream

1672

01:00:39,990 --> 01:00:37,760

oh yeah i'm standing in line for it i

1673

01:00:41,589 --> 01:00:40,000

got like eight packages in my hand

1674

01:00:43,990 --> 01:00:41,599

you know those are 15 bucks a piece

1675

01:00:46,230 --> 01:00:44,000

right i i do actually

1676

01:00:48,230 --> 01:00:46,240

i'm at nasa right now i mean it's like

1677

01:00:50,069 --> 01:00:48,240

ten years yeah

1678

01:00:51,270 --> 01:00:50,079

i remember my grandparents went down

1679

01:00:52,710 --> 01:00:51,280

there and they brought us some up you

1680

01:00:54,870 --> 01:00:52,720

know i was a kid she brought some up

1681

01:00:59,109 --> 01:00:54,880

that dehydrated ice cream

1682

01:01:02,150 --> 01:00:59,119

and uh it's good yep

1683

01:01:04,390 --> 01:01:02,160

but yeah i know i i touched on it in

1684

01:01:06,150 --> 01:01:04,400

uh our last episode but you guys might

1685

01:01:08,390 --> 01:01:06,160

be interested to know

1686

01:01:09,430 --> 01:01:08,400

um i've taught my wife and she's

1687

01:01:12,470 --> 01:01:09,440

actually

1688

01:01:13,589 --> 01:01:12,480

supported me in it but we're looking at

1689

01:01:14,870 --> 01:01:13,599

taking

1690

01:01:17,910 --> 01:01:14,880

i guess some kind of road trip this

1691

01:01:19,190 --> 01:01:17,920

summer we're gonna shoot down to roswell

1692

01:01:22,150 --> 01:01:19,200

and do some stuff down there

1693

01:01:25,270 --> 01:01:22,160

and uh we're gonna make our way out to

1694

01:01:27,750 --> 01:01:25,280

sedona for a few days

1695

01:01:29,589 --> 01:01:27,760

yeah have you ever been no i've been

1696

01:01:31,750 --> 01:01:29,599

over it i've been around it i've been up

1697

01:01:33,510 --> 01:01:31,760

to flagstaff up there

1698

01:01:35,910 --> 01:01:33,520

in phoenix and all that been all around

1699

01:01:39,190 --> 01:01:35,920

it but i've never actually been there

1700

01:01:41,030 --> 01:01:39,200

you're gonna love it man it's so awesome

1701

01:01:43,030 --> 01:01:41,040

i love that place gotta go to bel that

1702

01:01:44,870 --> 01:01:43,040

what bell rock bell rock and i mean

1703

01:01:48,230 --> 01:01:44,880

there's all kinds but uh yeah

1704

01:01:51,109 --> 01:01:48,240

uh uh jocelyn lives uh right by

1705

01:01:51,990 --> 01:01:51,119

a cathedral rock yeah man like it's just

1706

01:01:55,109 --> 01:01:52,000

so awesome dude

1707

01:01:55,670 --> 01:01:55,119

though the like the the the town is so

1708

01:01:57,990 --> 01:01:55,680

small

1709

01:01:59,589 --> 01:01:58,000

and quaint like you drive right through

1710

01:02:03,270 --> 01:01:59,599

it i mean

1711

01:02:04,549 --> 01:02:03,280

sedona is is well past the surroundings

1712

01:02:06,950 --> 01:02:04,559

you know it's it's just

1713

01:02:08,230 --> 01:02:06,960

it's gorgeous it's it's like you're like

1714

01:02:10,150 --> 01:02:08,240

when you drive through

1715

01:02:11,589 --> 01:02:10,160

like even flagstaff i mean because

1716

01:02:13,910 --> 01:02:11,599

there's a road uh

1717

01:02:14,789 --> 01:02:13,920

that goes down the switchbacks down from

1718

01:02:18,630 --> 01:02:14,799

flagstaff

1719

01:02:20,470 --> 01:02:18,640

into uh sedona and dude i mean it's just

1720

01:02:22,950 --> 01:02:20,480

gorgeous i mean you you're like in

1721

01:02:24,549 --> 01:02:22,960

flagstaff it's like all these trees

1722

01:02:25,910 --> 01:02:24,559

and if you're coming down then you come

1723

01:02:27,029 --> 01:02:25,920

into this like little valley and you

1724

01:02:29,750 --> 01:02:27,039

drive up into it

1725

01:02:30,950 --> 01:02:29,760

and then it's like boom sedona yeah like

1726

01:02:32,870 --> 01:02:30,960

when me and ben went

1727

01:02:34,069 --> 01:02:32,880

ben had never been and it was just like

1728

01:02:36,309 --> 01:02:34,079

this shitty desert

1729

01:02:37,589 --> 01:02:36,319

the whole way and then we make a left

1730

01:02:40,230 --> 01:02:37,599

turn and boom

1731

01:02:40,630 --> 01:02:40,240

sedona like [ʌ__\h] out of nowhere dude

1732

01:02:43,190 --> 01:02:40,640

it's just

1733

01:02:44,549 --> 01:02:43,200

it's gorgeous it's awesome yeah it is it

1734

01:02:47,270 --> 01:02:44,559

is free up there i uh

1735

01:02:49,349 --> 01:02:47,280

see i was out there in phoenix i want to

1736

01:02:52,870 --> 01:02:49,359

say in 99

1737

01:02:54,230 --> 01:02:52,880

and uh i was talking to this air force

1738

01:02:55,990 --> 01:02:54,240

refueler

1739

01:02:57,029 --> 01:02:56,000

and we got to be pretty good friends for

1740

01:02:58,150 --> 01:02:57,039

the time i thought i was out there for

1741

01:03:00,069 --> 01:02:58,160

like a month

1742

01:03:01,510 --> 01:03:00,079

and he's like man i'm going fishing up

1743

01:03:01,910 --> 01:03:01,520

by flagstaff this weekend if you want to

1744

01:03:05,190 --> 01:03:01,920

go

1745

01:03:08,390 --> 01:03:05,200

and uh

1746

01:03:11,190 --> 01:03:08,400

we saw the uh or drove by the

1747

01:03:12,710 --> 01:03:11,200

airport out there that's on the mesa huh

1748

01:03:13,750 --> 01:03:12,720

saw planes and stuff taking off out

1749

01:03:15,349 --> 01:03:13,760

there

1750

01:03:16,950 --> 01:03:15,359

that's as close as i've been to but yeah

1751

01:03:19,430 --> 01:03:16,960

the scenery up there is gorgeous

1752

01:03:21,430 --> 01:03:19,440

that's awesome you should hit up melinda

1753

01:03:22,710 --> 01:03:21,440

um and take a ufo tour

1754

01:03:24,470 --> 01:03:22,720

because that's where that's where she's

1755

01:03:27,589 --> 01:03:24,480

at and she gives the tours there really

1756

01:03:28,870 --> 01:03:27,599

yeah that's what i want to do um like i

1757

01:03:30,390 --> 01:03:28,880

said we're gonna hit roswell then we're

1758

01:03:31,670 --> 01:03:30,400

gonna shoot back up and we're gonna see

1759

01:03:33,109 --> 01:03:31,680

the petrified forest

1760

01:03:34,789 --> 01:03:33,119

and the petroglyphs out there i want to

1761

01:03:38,390 --> 01:03:34,799

go check it out cool

1762

01:03:41,029 --> 01:03:38,400

um and then my my five-year-old he uh

1763

01:03:42,309 --> 01:03:41,039

he's big into space and asteroids and

1764

01:03:44,470 --> 01:03:42,319

stuff you know so we're gonna stop at

1765

01:03:44,789 --> 01:03:44,480

the meteor crater and let him check it

1766

01:03:47,510 --> 01:03:44,799

out

1767

01:03:48,549 --> 01:03:47,520

oh nice yeah dude that's awesome dude

1768

01:03:49,990 --> 01:03:48,559

that's all like right on

1769

01:03:52,789 --> 01:03:50,000

right on the way you know a lot just off

1770

01:03:54,789 --> 01:03:52,799

i-40 so uh-huh

1771

01:03:56,950 --> 01:03:54,799

dude i mean because the uh the lowell

1772

01:03:57,670 --> 01:03:56,960

observatory is right there in flagstaff

1773

01:03:59,990 --> 01:03:57,680

too

1774

01:04:01,589 --> 01:04:00,000

and it's right next to a sedona yeah and

1775

01:04:04,390 --> 01:04:01,599

the lowell observatory

1776

01:04:06,069 --> 01:04:04,400

has the uh the telescope that the

1777

01:04:08,950 --> 01:04:06,079

astronauts used

1778

01:04:10,549 --> 01:04:08,960

uh to plan the first moon landing yeah

1779

01:04:12,789 --> 01:04:10,559

and you can actually look through it

1780

01:04:14,150 --> 01:04:12,799

it's awesome oh it's cool yeah it's

1781

01:04:16,150 --> 01:04:14,160

really cool

1782

01:04:17,349 --> 01:04:16,160

but yeah we were trying to figure how

1783

01:04:19,990 --> 01:04:17,359

we're going to cram all this in

1784

01:04:21,510 --> 01:04:20,000

in about a week to 10 days because we

1785

01:04:22,870 --> 01:04:21,520

shut down around july 4th so we're going

1786

01:04:25,029 --> 01:04:22,880

to shoot out there

1787

01:04:26,470 --> 01:04:25,039

yeah and i told my wife i said well we

1788

01:04:27,910 --> 01:04:26,480

can

1789

01:04:29,510 --> 01:04:27,920

roswell's kind of out of the way so

1790

01:04:30,789 --> 01:04:29,520

maybe we can just skip roswell and just

1791

01:04:32,230 --> 01:04:30,799

go straight to sedona

1792

01:04:33,990 --> 01:04:32,240

and she's like well no she's like you

1793

01:04:35,670 --> 01:04:34,000

want to go out there and it would be

1794

01:04:36,710 --> 01:04:35,680

good for your podcast for pictures and

1795

01:04:39,349 --> 01:04:36,720

your website and stuff

1796

01:04:40,470 --> 01:04:39,359

oh definitely oh yeah she's like no

1797

01:04:43,430 --> 01:04:40,480

she's you need to go

1798

01:04:44,630 --> 01:04:43,440

so i'm not gonna argue with yourself you

1799

01:04:47,829 --> 01:04:44,640

should uh you should

1800

01:04:48,230 --> 01:04:47,839

take a pit stop at the little alien it's

1801

01:04:55,029 --> 01:04:48,240

like a

1802

01:04:56,950 --> 01:04:55,039

hotel as well and you can stay there

1803

01:04:58,390 --> 01:04:56,960

yeah yeah and they say it's it's kind of

1804

01:05:00,950 --> 01:04:58,400

a hot spot i guess

1805

01:05:02,549 --> 01:05:00,960

uh uh jim goodall said he knew one of

1806

01:05:04,230 --> 01:05:02,559

the people that used to own that place

1807

01:05:05,829 --> 01:05:04,240

yeah a little alien yeah he was talking

1808

01:05:08,309 --> 01:05:05,839

about their their old friends

1809

01:05:09,750 --> 01:05:08,319

yeah yeah so just just check that out if

1810

01:05:11,190 --> 01:05:09,760

you go to roswell and uh

1811

01:05:13,349 --> 01:05:11,200

tell us how it was because i want to

1812

01:05:15,910 --> 01:05:13,359

visit too yeah definitely

1813

01:05:17,510 --> 01:05:15,920

um i know i was actually i talked about

1814

01:05:21,109 --> 01:05:17,520

it on my on our last show

1815

01:05:21,589 --> 01:05:21,119

and uh jess has been down there a few

1816

01:05:23,430 --> 01:05:21,599

times

1817

01:05:25,029 --> 01:05:23,440

and she's like don't she's like go see

1818

01:05:27,190 --> 01:05:25,039

the museum and stuff the kids will love

1819

01:05:29,349 --> 01:05:27,200

it she said but go out around

1820

01:05:31,109 --> 01:05:29,359

away from the town and drive around

1821

01:05:32,710 --> 01:05:31,119

she's like you get a totally different

1822

01:05:34,150 --> 01:05:32,720

vibe she said you can feel the stuff

1823

01:05:37,510 --> 01:05:34,160

going on around there

1824

01:05:40,710 --> 01:05:37,520

yeah so i'll believe that

1825

01:05:41,750 --> 01:05:40,720

so yeah we'll just check it out i stayed

1826

01:05:44,150 --> 01:05:41,760

in roswell

1827

01:05:45,190 --> 01:05:44,160

uh one time when i was uh when i was a

1828

01:05:51,190 --> 01:05:45,200

kid

1829

01:05:54,789 --> 01:05:51,200

freshman college

1830

01:05:55,270 --> 01:05:54,799

you know but uh yeah some buddies came

1831

01:05:56,630 --> 01:05:55,280

into my

1832

01:05:57,829 --> 01:05:56,640

my room and they were like dude what are

1833

01:05:58,390 --> 01:05:57,839

you doing this weekend and we're like

1834

01:05:59,589 --> 01:05:58,400

nothing

1835

01:06:00,870 --> 01:05:59,599

and they were like what do you want to

1836

01:06:02,309 --> 01:06:00,880

do i was like i don't know they were

1837

01:06:04,069 --> 01:06:02,319

like let's go to california

1838

01:06:05,510 --> 01:06:04,079

i was like [h__h] yeah let's do it i got

1839

01:06:08,069 --> 01:06:05,520

like 80 bucks let's

1840

01:06:10,069 --> 01:06:08,079

do it big mistake but we ended up

1841

01:06:11,829 --> 01:06:10,079

stopping off in roswell

1842

01:06:13,589 --> 01:06:11,839

and i couldn't believe it like the coke

1843

01:06:15,270 --> 01:06:13,599

machines have aliens on them they're

1844

01:06:17,029 --> 01:06:15,280

[h__h] painted all over the windows of

1845

01:06:17,589 --> 01:06:17,039

like every like messed up that's what

1846

01:06:19,670 --> 01:06:17,599

she said

1847

01:06:20,870 --> 01:06:19,680

yeah it's crazy it's it's corky but it's

1848

01:06:22,710 --> 01:06:20,880

really fun like it's

1849

01:06:23,990 --> 01:06:22,720

it's a cool little experience especially

1850

01:06:25,670 --> 01:06:24,000

if you have little ones man i think

1851

01:06:27,349 --> 01:06:25,680

they'll love that

1852

01:06:29,270 --> 01:06:27,359

yeah that's what she said she said the

1853

01:06:30,870 --> 01:06:29,280

little ones will love the girls i've got

1854

01:06:32,950 --> 01:06:30,880

a five-year-old a three-year-old as well

1855

01:06:33,990 --> 01:06:32,960

oh yeah you know they'll be six and four

1856

01:06:37,109 --> 01:06:34,000

you know by the time we go

1857

01:06:38,789 --> 01:06:37,119

but uh she said the the little ones will

1858

01:06:39,190 --> 01:06:38,799

love like the museums and stuff like

1859

01:06:41,109 --> 01:06:39,200

that

1860

01:06:42,390 --> 01:06:41,119

so yeah we're looking forward to it

1861

01:06:44,549 --> 01:06:42,400

that's gonna be cool man

1862

01:06:45,589 --> 01:06:44,559

hell yeah deal i mean we're talking

1863

01:06:46,390 --> 01:06:45,599

about going in the spring i don't know

1864

01:06:48,230 --> 01:06:46,400

if y'all

1865

01:06:49,589 --> 01:06:48,240

maybe we could link up at the same time

1866

01:06:50,069 --> 01:06:49,599

we're out there at the same time oh i

1867

01:06:51,109 --> 01:06:50,079

know right

1868

01:06:53,829 --> 01:06:51,119

joe we're talking about going out let's

1869

01:06:55,750 --> 01:06:53,839

see i'll be sick oh

1870

01:06:57,430 --> 01:06:55,760

yeah we're looking at the week of july

1871

01:06:58,870 --> 01:06:57,440

4th i got to find out when our shutdown

1872

01:07:00,150 --> 01:06:58,880

is because like i said we normally shut

1873

01:07:03,430 --> 01:07:00,160

down for a week

1874

01:07:04,230 --> 01:07:03,440

and uh you know around the fourth of

1875

01:07:05,430 --> 01:07:04,240

july so

1876

01:07:07,270 --> 01:07:05,440

that that's what we're kind of playing

1877

01:07:10,630 --> 01:07:07,280

is it it's pretty sweet

1878

01:07:13,750 --> 01:07:10,640

oh yeah hell yeah dude

1879

01:07:16,069 --> 01:07:13,760

i feel like uh i feel like we

1880

01:07:17,670 --> 01:07:16,079

we went through some paranormal stuff we

1881

01:07:21,190 --> 01:07:17,680

went through

1882

01:07:22,470 --> 01:07:21,200

uh a couple of your stories i i have a

1883

01:07:25,430 --> 01:07:22,480

feeling

1884

01:07:26,069 --> 01:07:25,440

phil and i mean stop me if i'm incorrect

1885

01:07:27,990 --> 01:07:26,079

but like

1886

01:07:30,150 --> 01:07:28,000

we were on we were on this kind of idea

1887

01:07:32,710 --> 01:07:30,160

and i got really excited about it but

1888

01:07:33,270 --> 01:07:32,720

like the type of person that feels

1889

01:07:37,029 --> 01:07:33,280

something

1890

01:07:38,789 --> 01:07:37,039

strange in the room um have you ever

1891

01:07:40,470 --> 01:07:38,799

do you talk about that a lot or have you

1892

01:07:42,230 --> 01:07:40,480

met any any other

1893

01:07:44,309 --> 01:07:42,240

people that you've really got to talk

1894

01:07:46,069 --> 01:07:44,319

about this specific thing with

1895

01:07:48,470 --> 01:07:46,079

because i feel like there's something

1896

01:07:51,349 --> 01:07:48,480

something there have you ever

1897

01:07:53,589 --> 01:07:51,359

i don't know ask anybody else if they've

1898

01:07:56,630 --> 01:07:53,599

experienced something like that

1899

01:07:59,750 --> 01:07:56,640

no not really um i don't know

1900

01:08:01,430 --> 01:07:59,760

it just i've always been like that

1901

01:08:02,950 --> 01:08:01,440

i've always because i can read people

1902

01:08:05,829 --> 01:08:02,960

really well yeah

1903

01:08:07,029 --> 01:08:05,839

um just pick up off i've always blamed

1904

01:08:08,390 --> 01:08:07,039

it off bar rooms you know because i

1905

01:08:09,349 --> 01:08:08,400

pretty much grew up in a bar room with

1906

01:08:12,789 --> 01:08:09,359

my dad

1907

01:08:14,870 --> 01:08:12,799

and uh right yeah yeah so i i read

1908

01:08:16,309 --> 01:08:14,880

people i i'm a people watcher

1909

01:08:19,030 --> 01:08:16,319

you know if that makes sense yeah

1910

01:08:22,070 --> 01:08:19,040

observers yeah

1911

01:08:22,470 --> 01:08:22,080

um there is one it was kind of weird for

1912

01:08:26,070 --> 01:08:22,480

me

1913

01:08:27,189 --> 01:08:26,080

um

1914

01:08:29,110 --> 01:08:27,199

we were at a restaurant it's been

1915

01:08:32,630 --> 01:08:29,120

several years ago and

1916

01:08:33,269 --> 01:08:32,640

uh this family comes in it's got an

1917

01:08:35,030 --> 01:08:33,279

older lady

1918

01:08:36,829 --> 01:08:35,040

and she is just you tell she's been

1919

01:08:41,510 --> 01:08:36,839

crying

1920

01:08:44,309 --> 01:08:41,520

and uh

1921

01:08:45,990 --> 01:08:44,319

i had this urge i mean just like a gut

1922

01:08:49,829 --> 01:08:46,000

urge

1923

01:08:51,910 --> 01:08:49,839

and they it was like this

1924

01:08:52,950 --> 01:08:51,920

i was being prompted to go talk to this

1925

01:08:56,950 --> 01:08:52,960

lady yeah

1926

01:08:59,510 --> 01:08:56,960

and tell her that he's better now oh

1927

01:09:01,030 --> 01:08:59,520

and i'm like no i mean i mean it's

1928

01:09:02,070 --> 01:09:01,040

obvious she was mourning i mean it was

1929

01:09:04,630 --> 01:09:02,080

just obvious

1930

01:09:06,309 --> 01:09:04,640

yeah yeah because she wasn't eating her

1931

01:09:07,269 --> 01:09:06,319

family was kind of laughing and giggling

1932

01:09:09,590 --> 01:09:07,279

but she was

1933

01:09:10,470 --> 01:09:09,600

somber and kind of to herself teary-eyed

1934

01:09:12,149 --> 01:09:10,480

and all that

1935

01:09:13,749 --> 01:09:12,159

right and then it was just this like a

1936

01:09:15,990 --> 01:09:13,759

punch in the guts telling me go

1937

01:09:18,070 --> 01:09:16,000

tell her he's okay you know and i was

1938

01:09:21,030 --> 01:09:18,080

like no i don't want to do that you know

1939

01:09:22,789 --> 01:09:21,040

right and i didn't so i don't know where

1940

01:09:24,789 --> 01:09:22,799

it would have went from there but

1941

01:09:25,990 --> 01:09:24,799

i i it wasn't any of my business the way

1942

01:09:28,630 --> 01:09:26,000

i looked at it you know so

1943

01:09:30,950 --> 01:09:28,640

right but you you you definitely felt

1944

01:09:33,590 --> 01:09:30,960

you maybe not heard audibly but you felt

1945

01:09:34,149 --> 01:09:33,600

the that sentence come out like it

1946

01:09:35,669 --> 01:09:34,159

wasn't

1947

01:09:37,669 --> 01:09:35,679

maybe it was just your interpretation of

1948

01:09:39,669 --> 01:09:37,679

the feeling and that's how you

1949

01:09:40,709 --> 01:09:39,679

made it into a sentence in your head

1950

01:09:43,749 --> 01:09:40,719

like

1951

01:09:44,390 --> 01:09:43,759

hey he's going to be okay it could have

1952

01:09:48,390 --> 01:09:44,400

been

1953

01:09:52,070 --> 01:09:48,400

yeah so i i i think man like

1954

01:09:52,470 --> 01:09:52,080

i do uh uh i relate to that a lot

1955

01:09:55,430 --> 01:09:52,480

because

1956

01:09:56,149 --> 01:09:55,440

i get a lot of i i try to listen to my

1957

01:09:58,630 --> 01:09:56,159

intuition

1958

01:09:59,669 --> 01:09:58,640

and it's so many so many damn times i'm

1959

01:10:01,590 --> 01:09:59,679

wrong but you know when

1960

01:10:03,110 --> 01:10:01,600

i am wrong the most is when i'm trying

1961

01:10:06,550 --> 01:10:03,120

to gamble

1962

01:10:07,110 --> 01:10:06,560

when i like like i know it's [h__h] up

1963

01:10:09,350 --> 01:10:07,120

but like

1964

01:10:11,030 --> 01:10:09,360

i i always think like oh i have such a

1965

01:10:13,270 --> 01:10:11,040

good intuition because

1966

01:10:14,229 --> 01:10:13,280

i can read i feel like i can feel other

1967

01:10:16,550 --> 01:10:14,239

people emote

1968

01:10:18,390 --> 01:10:16,560

emotions and i i almost like i take

1969

01:10:20,950 --> 01:10:18,400

other people's emotions in

1970

01:10:21,910 --> 01:10:20,960

and i absorb everybody's emotions in the

1971

01:10:23,590 --> 01:10:21,920

room and i'm like

1972

01:10:27,110 --> 01:10:23,600

right that's just how my brain works

1973

01:10:30,070 --> 01:10:27,120

like i'm looking at all the little micro

1974

01:10:31,910 --> 01:10:30,080

actions in people's faces and the the

1975

01:10:33,510 --> 01:10:31,920

time it takes for them to answer things

1976

01:10:35,270 --> 01:10:33,520

or if they're paying enough attention to

1977

01:10:36,950 --> 01:10:35,280

the people they came with and all this

1978

01:10:40,550 --> 01:10:36,960

[h__\h] that's happening

1979

01:10:42,550 --> 01:10:40,560

subliminally uh subconsciously but like

1980

01:10:43,990 --> 01:10:42,560

i try to apply that when i want to and

1981

01:10:46,870 --> 01:10:44,000

it never works

1982

01:10:48,550 --> 01:10:46,880

but uh like that that that idea of like

1983

01:10:50,950 --> 01:10:48,560

hey i should have i felt this

1984

01:10:53,350 --> 01:10:50,960

like you you were saying phil like i you

1985

01:10:55,990 --> 01:10:53,360

felt the need to walk up to this lady

1986

01:10:56,630 --> 01:10:56,000

and and and and say something to her

1987

01:10:58,470 --> 01:10:56,640

because you know

1988

01:11:00,390 --> 01:10:58,480

you felt that she was hurting like

1989

01:11:01,990 --> 01:11:00,400

that's that's something that i

1990

01:11:03,750 --> 01:11:02,000

i think you said at the beginning of the

1991

01:11:07,030 --> 01:11:03,760

podcast everybody

1992

01:11:11,990 --> 01:11:07,040

has that ability but not a lot of people

1993

01:11:14,630 --> 01:11:12,000

put a lot of uh investment into it right

1994

01:11:16,709 --> 01:11:14,640

yeah and and i i've had a few things in

1995

01:11:18,550 --> 01:11:16,719

my life that i've definitely

1996

01:11:19,830 --> 01:11:18,560

heard that thing and i've said something

1997

01:11:21,590 --> 01:11:19,840

like i've you know

1998

01:11:23,830 --> 01:11:21,600

it's usually when i've had a few beers

1999

01:11:25,430 --> 01:11:23,840

and like hey i feel like i need to talk

2000

01:11:27,430 --> 01:11:25,440

to you and sometimes it works out really

2001

01:11:29,990 --> 01:11:27,440

beautifully like

2002

01:11:32,149 --> 01:11:30,000

i make a new friend from [h__h]

2003

01:11:33,590 --> 01:11:32,159

australia and i'm like dude best friends

2004

01:11:35,030 --> 01:11:33,600

for life but then the other times you're

2005

01:11:35,750 --> 01:11:35,040

like get the [h__h] away from me i don't

2006

01:11:44,950 --> 01:11:35,760

know you

2007

01:11:44,960 --> 01:11:49,910

okay he's he's referencing some

2008

01:11:54,550 --> 01:11:52,830

it's kind of a long story is it not a

2009

01:11:56,390 --> 01:11:54,560

long

2010

01:11:58,229 --> 01:11:56,400

i gotta i got really drunk one night and

2011

01:12:01,430 --> 01:11:58,239

i really made a

2012

01:12:02,470 --> 01:12:01,440

i made everybody uncomfortable including

2013

01:12:04,070 --> 01:12:02,480

my own band

2014

01:12:06,790 --> 01:12:04,080

dude so we're we're getting ready to

2015

01:12:08,630 --> 01:12:06,800

play a show it's like a benefit like a

2016

01:12:11,510 --> 01:12:08,640

cancer benefit or some [h__h] and it's

2017

01:12:15,030 --> 01:12:11,520

like 10 degrees outside it's so cold

2018

01:12:16,310 --> 01:12:15,040

ben gets hammered drunk like hammered we

2019

01:12:18,870 --> 01:12:16,320

haven't even gone on yet

2020

01:12:20,070 --> 01:12:18,880

bid's like hammered and we're sound

2021

01:12:21,110 --> 01:12:20,080

checking on stage

2022

01:12:22,790 --> 01:12:21,120

and they're just trying to get the

2023

01:12:24,470 --> 01:12:22,800

levels and they're like all right

2024

01:12:25,350 --> 01:12:24,480

everybody get the [h__h] off we're gonna

2025

01:12:28,790 --> 01:12:25,360

chill and play

2026

01:12:31,590 --> 01:12:28,800

some house music for the next 30 minutes

2027

01:12:34,229 --> 01:12:31,600

and ben stays on stage he's like hey hey

2028

01:12:37,510 --> 01:12:34,239

you mind if i just jam for a little bit

2029

01:12:40,070 --> 01:12:37,520

can we all just jam no you guys were

2030

01:12:42,149 --> 01:12:40,080

still on stage and i looked at you guys

2031

01:12:43,910 --> 01:12:42,159

like hey you guys are back you guys are

2032

01:12:47,510 --> 01:12:43,920

my friends and you guys were like

2033

01:12:48,310 --> 01:12:47,520

no that's not it's not that kind of

2034

01:12:50,709 --> 01:12:48,320

benefit dude

2035

01:12:51,350 --> 01:12:50,719

in retrospect you were my best friends

2036

01:12:53,430 --> 01:12:51,360

because you

2037

01:12:55,110 --> 01:12:53,440

said no it made me get off stage that's

2038

01:12:56,470 --> 01:12:55,120

very true so if you weren't my friends

2039

01:12:57,750 --> 01:12:56,480

you would have been like okay ben make

2040

01:13:04,390 --> 01:12:57,760

an ass of yourself

2041

01:13:07,189 --> 01:13:04,400

that's right

2042

01:13:08,709 --> 01:13:07,199

yeah so we're joe uh yeah went to the

2043

01:13:11,990 --> 01:13:08,719

bathroom but we were talking about

2044

01:13:13,430 --> 01:13:12,000

just being intuitive in a way and

2045

01:13:15,510 --> 01:13:13,440

and i don't know different different

2046

01:13:16,870 --> 01:13:15,520

scenarios phil i know we've had you for

2047

01:13:18,630 --> 01:13:16,880

like an hour dude i know you got some

2048

01:13:19,510 --> 01:13:18,640

[h__h] to do i don't know if you planned

2049

01:13:21,430 --> 01:13:19,520

on talking to us

2050

01:13:23,350 --> 01:13:21,440

this long i feel like this is cool man

2051

01:13:24,070 --> 01:13:23,360

this is like the episode i i feel like

2052

01:13:27,430 --> 01:13:24,080

this has been

2053

01:13:29,750 --> 01:13:27,440

amazing so far yeah so

2054

01:13:30,870 --> 01:13:29,760

oh no worries man that's good i mean we

2055

01:13:33,990 --> 01:13:30,880

are our

2056

01:13:36,310 --> 01:13:34,000

our people canceled so it's like

2057

01:13:37,270 --> 01:13:36,320

what else we're a little unprepared i

2058

01:13:39,830 --> 01:13:37,280

guess you could say

2059

01:13:40,870 --> 01:13:39,840

that's that's what i'm yeah yeah dude so

2060

01:13:42,950 --> 01:13:40,880

i mean

2061

01:13:45,189 --> 01:13:42,960

dude you know what i was thinking like

2062

01:13:49,750 --> 01:13:48,229

your podcast and our podcast should do

2063

01:13:52,870 --> 01:13:49,760

like a combined

2064

01:13:54,390 --> 01:13:52,880

a combined cool show yeah

2065

01:13:55,750 --> 01:13:54,400

um i don't know if williams talked to

2066

01:13:56,790 --> 01:13:55,760

you guys about it not i was i was kind

2067

01:14:00,070 --> 01:13:56,800

of chatting with him

2068

01:14:01,270 --> 01:14:00,080

oh yeah um yeah we were talking he and i

2069

01:14:03,189 --> 01:14:01,280

were talking i said you want to be cool

2070

01:14:04,310 --> 01:14:03,199

if like milestone episodes we all got

2071

01:14:07,110 --> 01:14:04,320

together on one show

2072

01:14:08,550 --> 01:14:07,120

holy [h__\h] dude yes like you know we're

2073

01:14:10,229 --> 01:14:08,560

we're closing in on

2074

01:14:13,030 --> 01:14:10,239

25 you know so that'd be like a

2075

01:14:14,550 --> 01:14:13,040

milestone for us and just have you guys

2076

01:14:16,390 --> 01:14:14,560

and the band of bearded brother guys on

2077

01:14:18,310 --> 01:14:16,400

there and just everybody on and just

2078

01:14:19,910 --> 01:14:18,320

we'd love to see them shoot the [h__h] and

2079

01:14:21,510 --> 01:14:19,920

we could call it what if tomorrow the

2080

01:14:22,630 --> 01:14:21,520

band of bearded brothers had a ufo

2081

01:14:26,229 --> 01:14:22,640

garage

2082

01:14:28,070 --> 01:14:26,239

hell yes yeah

2083

01:14:29,430 --> 01:14:28,080

that'd be awesome dude that's really

2084

01:14:31,510 --> 01:14:29,440

good yes

2085

01:14:32,790 --> 01:14:31,520

that would be but yeah i'd love to do

2086

01:14:35,910 --> 01:14:32,800

that dude for sure let's

2087

01:14:36,630 --> 01:14:35,920

set that up and let's do it yeah hell

2088

01:14:38,950 --> 01:14:36,640

yeah

2089

01:14:40,149 --> 01:14:38,960

um we're working through some issues

2090

01:14:41,990 --> 01:14:40,159

we're still trying to figure out how to

2091

01:14:44,229 --> 01:14:42,000

do the whole skype thing and

2092

01:14:45,750 --> 01:14:44,239

i i'm finally getting our equipment and

2093

01:14:49,990 --> 01:14:45,760

stuff upgraded a little bit

2094

01:14:52,550 --> 01:14:50,000

cool um our last episode we actually did

2095

01:14:54,310 --> 01:14:52,560

with uh

2096

01:14:55,590 --> 01:14:54,320

our new uh audio interface and all that

2097

01:14:57,510 --> 01:14:55,600

good stuff we didn't have one we're just

2098

01:15:00,390 --> 01:14:57,520

running usb mics into my computer

2099

01:15:01,189 --> 01:15:00,400

and uh so we're still kind of figuring

2100

01:15:04,310 --> 01:15:01,199

that out

2101

01:15:05,990 --> 01:15:04,320

and um and

2102

01:15:07,910 --> 01:15:06,000

i think i sent you like some kind of

2103

01:15:09,830 --> 01:15:07,920

podcast package at one point or

2104

01:15:13,270 --> 01:15:09,840

something

2105

01:15:16,550 --> 01:15:13,280

i i look dude i don't remember i was all

2106

01:15:18,390 --> 01:15:16,560

i've been curious yeah so well yes

2107

01:15:21,910 --> 01:15:18,400

you're setting it up man we just got new

2108

01:15:25,030 --> 01:15:23,189

checking them out we're gonna see what

2109

01:15:28,229 --> 01:15:25,040

it sounds like see what it sounds like

2110

01:15:29,830 --> 01:15:28,239

i see what it sounds like yeah but i'm

2111

01:15:30,870 --> 01:15:29,840

excited to see where you guys show i

2112

01:15:33,189 --> 01:15:30,880

mean your guys's

2113

01:15:35,189 --> 01:15:33,199

audio is awesome so whatever y'all are

2114

01:15:36,950 --> 01:15:35,199

using it's working yeah those usb mics

2115

01:15:41,110 --> 01:15:36,960

were pretty dope yeah

2116

01:15:43,270 --> 01:15:41,120

yeah well i i upgraded to the xlr mics

2117

01:15:45,990 --> 01:15:43,280

and uh i like the sound off the last

2118

01:15:49,510 --> 01:15:46,000

show with them so

2119

01:15:51,750 --> 01:15:49,520

um yeah so well it's the same

2120

01:15:52,630 --> 01:15:51,760

same brand that i was using with the

2121

01:15:55,030 --> 01:15:52,640

with the usb

2122

01:15:56,149 --> 01:15:55,040

so i was kind of familiar with it so i

2123

01:15:58,950 --> 01:15:56,159

went with it

2124

01:15:59,510 --> 01:15:58,960

oh yeah and uh you know so to see where

2125

01:16:02,229 --> 01:15:59,520

it goes

2126
01:16:03,350 --> 01:16:02,239
that's awesome man man so you guys have

2127
01:16:34,149 --> 01:16:03,360
a

2128
01:16:38,229 --> 01:16:34,159
of shows lined up

2129
01:16:41,430 --> 01:16:38,239
whoa when can we be on your show oh

2130
01:16:43,590 --> 01:16:41,440
my gosh but uh i mean it covers

2131
01:16:45,430 --> 01:16:43,600
but everything i mean we're all over the

2132
01:16:49,030 --> 01:16:45,440
place we don't have one specific

2133
01:16:50,630 --> 01:16:49,040
topic that we cover um like i said our

2134
01:16:51,910 --> 01:16:50,640
next episode we're planning we're going

2135
01:16:54,070 --> 01:16:51,920
to record sunday but

2136
01:16:55,830 --> 01:16:54,080
the way the weather's been i'm going to

2137
01:16:57,350 --> 01:16:55,840
have to work sunday so

2138
01:16:59,510 --> 01:16:57,360

i don't know that it's going to work

2139

01:17:02,310 --> 01:16:59,520

yeah so it may be next weekend

2140

01:17:03,830 --> 01:17:02,320

that we get to do it um but the next

2141

01:17:07,030 --> 01:17:03,840

next episode we're looking at

2142

01:17:09,350 --> 01:17:07,040

uh the what if you know an asteroid

2143

01:17:10,229 --> 01:17:09,360

and asteroid impacts right what to do

2144

01:17:12,709 --> 01:17:10,239

kind of

2145

01:17:14,470 --> 01:17:12,719

if there's anything you can do yeah yeah

2146

01:17:16,470 --> 01:17:14,480

and then from

2147

01:17:17,910 --> 01:17:16,480

and right now we really haven't talked a

2148

01:17:19,270 --> 01:17:17,920

lot about it honestly because

2149

01:17:22,790 --> 01:17:19,280

everything's been so hectic

2150

01:17:24,950 --> 01:17:22,800

but uh we're we're not exactly sure what

2151

01:17:27,830 --> 01:17:24,960

our next show is going to be after that

2152

01:17:29,110 --> 01:17:27,840

um we'll probably just work work

2153

01:17:32,390 --> 01:17:29,120

together out

2154

01:17:33,910 --> 01:17:32,400

where i work and uh

2155

01:17:36,229 --> 01:17:33,920

we'll just kind of chat here and there

2156

01:17:38,149 --> 01:17:36,239

and make a decision and roll with it and

2157

01:17:40,950 --> 01:17:38,159

start doing research for it so

2158

01:17:44,070 --> 01:17:40,960

yeah that'd be cool that'd be cool i was

2159

01:17:46,149 --> 01:17:44,080

thinking about a

2160

01:17:48,550 --> 01:17:46,159

like uh y'all's podcast and i was

2161

01:17:52,470 --> 01:17:48,560

thinking

2162

01:17:55,590 --> 01:17:52,480

what if uh what if uh what if

2163

01:17:56,390 --> 01:17:55,600

uh currently right what if what if a

2164

01:17:59,189 --> 01:17:56,400

government

2165

01:18:00,070 --> 01:17:59,199

didn't exist what would a society be

2166

01:18:03,030 --> 01:18:00,080

like

2167

01:18:04,390 --> 01:18:03,040

do you think how would people interact

2168

01:18:06,149 --> 01:18:04,400

with each other

2169

01:18:08,310 --> 01:18:06,159

i would like to hear an episode like

2170

01:18:11,030 --> 01:18:08,320

what if tomorrow

2171

01:18:12,870 --> 01:18:11,040

the the government just fell and we had

2172

01:18:14,950 --> 01:18:12,880

to rely on each other

2173

01:18:16,310 --> 01:18:14,960

what do you think would happen right um

2174

01:18:17,110 --> 01:18:16,320

i would love to hear an episode like

2175

01:18:19,990 --> 01:18:17,120

that

2176

01:18:21,229 --> 01:18:20,000

we've got like a another guy has

2177

01:18:24,630 --> 01:18:21,239

suggested like a

2178

01:18:26,550 --> 01:18:24,640

post-apocalyptic world um

2179

01:18:28,310 --> 01:18:26,560

yeah what do you do about bartering and

2180

01:18:29,350 --> 01:18:28,320

currency that would be i'll be

2181

01:18:32,790 --> 01:18:29,360

interested in that

2182

01:18:33,510 --> 01:18:32,800

yeah well i think i think from the

2183

01:18:37,189 --> 01:18:33,520

get-go

2184

01:18:40,310 --> 01:18:37,199

uh food paper i mean

2185

01:18:40,950 --> 01:18:40,320

tangible goods you know uh anything

2186

01:18:42,790 --> 01:18:40,960

people

2187

01:18:44,630 --> 01:18:42,800

would need or you know to even be a

2188

01:18:46,870 --> 01:18:44,640

little bit comfortable

2189

01:18:49,189 --> 01:18:46,880

um you know toilet paper i mean you

2190

01:18:52,310 --> 01:18:49,199

don't realize i mean no nobody realized

2191

01:18:53,350 --> 01:18:52,320

how how much they uh they took it for

2192

01:18:55,110 --> 01:18:53,360

granted

2193

01:18:59,030 --> 01:18:55,120

i mean i'm an air dryer so i didn't

2194

01:19:05,590 --> 01:19:01,750

but i i so i i kind of want to go into

2195

01:19:12,310 --> 01:19:08,790

you know

2196

01:19:15,830 --> 01:19:12,320

society like

2197

01:19:17,750 --> 01:19:15,840

as a whole like we're so you know

2198

01:19:19,669 --> 01:19:17,760

we're very comfortable you know what i'm

2199

01:19:21,910 --> 01:19:19,679

saying like we're very comfortable

2200

01:19:22,790 --> 01:19:21,920

obviously you would need like the food

2201

01:19:25,510 --> 01:19:22,800

and the water

2202

01:19:27,030 --> 01:19:25,520

and all this would never see okay so

2203

01:19:28,950 --> 01:19:27,040

this is kind of where i'm going with it

2204

01:19:31,270 --> 01:19:28,960

you know how they talk about uh

2205

01:19:33,990 --> 01:19:31,280

you know uh graham hancock says we're

2206

01:19:36,470 --> 01:19:34,000

just a civilization with amnesia

2207

01:19:38,630 --> 01:19:36,480

possibly uh we were super advanced at

2208

01:19:41,110 --> 01:19:38,640

some point and then something happened

2209

01:19:42,390 --> 01:19:41,120

and maybe like the smart people died and

2210

01:19:43,910 --> 01:19:42,400

like we couldn't figure it out and it

2211

01:19:45,270 --> 01:19:43,920

took us thousands of years to get back

2212

01:19:48,709 --> 01:19:45,280

to where we are

2213

01:19:51,270 --> 01:19:48,719

now do you think do you think

2214

01:19:51,910 --> 01:19:51,280

where the ancients were compared to

2215

01:19:55,590 --> 01:19:51,920

where we

2216

01:19:56,470 --> 01:19:55,600

are do you think they were in a better

2217

01:19:58,310 --> 01:19:56,480

spot

2218

01:20:00,229 --> 01:19:58,320

or if something were to happen now do

2219

01:20:04,229 --> 01:20:00,239

you think we would be in a better spot

2220

01:20:08,550 --> 01:20:04,239

oh i i think they were in a better spot

2221

01:20:10,149 --> 01:20:08,560

honestly i feel that way too because

2222

01:20:12,470 --> 01:20:10,159

if you think about it nobody knows where

2223

01:20:14,149 --> 01:20:12,480

our food comes from unless you're out

2224

01:20:15,590 --> 01:20:14,159

hunting or if you're a rancher or a

2225

01:20:17,189 --> 01:20:15,600

farmer or something like that

2226

01:20:19,110 --> 01:20:17,199

people think hey i'm going to go like

2227

01:20:20,629 --> 01:20:19,120

the meme you know what is it

2228

01:20:22,470 --> 01:20:20,639

the ladies griping about you know why do

2229

01:20:23,430 --> 01:20:22,480

you guys have to you know kill your cows

2230

01:20:24,310 --> 01:20:23,440

and stuff when you go to the store and

2231

01:20:27,350 --> 01:20:24,320

buy the meat

2232

01:20:28,950 --> 01:20:27,360

yeah yeah yeah i mean

2233

01:20:32,229 --> 01:20:28,960

people don't realize where it comes from

2234

01:20:34,629 --> 01:20:32,239

plus those people if they understand

2235

01:20:36,390 --> 01:20:34,639

if they know where it comes from they

2236

01:20:38,390 --> 01:20:36,400

don't know how to process it

2237

01:20:39,510 --> 01:20:38,400

they don't know how to get that meat off

2238

01:20:42,870 --> 01:20:39,520

the cow or

2239

01:20:44,470 --> 01:20:42,880

whatever people don't know how to grow

2240

01:20:46,229 --> 01:20:44,480

their own food they don't know how to

2241

01:20:50,550 --> 01:20:46,239

process their own food

2242

01:20:53,750 --> 01:20:50,560

and i think that's a huge huge mistake

2243

01:20:56,310 --> 01:20:53,760

oh yeah i agree you know even

2244

01:20:57,830 --> 01:20:56,320

and really is it's recent you know the

2245

01:20:59,189 --> 01:20:57,840

big scheme of things because

2246

01:21:00,709 --> 01:20:59,199

all the way up to world war ii and

2247

01:21:01,910 --> 01:21:00,719

shortly after people didn't go to the

2248

01:21:06,310 --> 01:21:01,920

grocery store

2249

01:21:10,070 --> 01:21:06,320

oh yeah yeah i feel like 1950 was like

2250

01:21:14,390 --> 01:21:10,080

man it's weird that uh less people are

2251
01:21:16,070 --> 01:21:14,400
are uh decapitating their own chickens

2252
01:21:17,350 --> 01:21:16,080
like that was like a sentence that was

2253
01:21:18,550 --> 01:21:17,360
said for the first time yeah dude like

2254
01:21:21,110 --> 01:21:18,560
we're in our 30s

2255
01:21:22,790 --> 01:21:21,120
right and our grandparents know all of

2256
01:21:25,189 --> 01:21:22,800
that yeah

2257
01:21:26,830 --> 01:21:25,199
absolutely no half of that [h__h] right

2258
01:21:29,350 --> 01:21:26,840
and then we

2259
01:21:31,350 --> 01:21:29,360
know like eggs come from chickens

2260
01:21:32,709 --> 01:21:31,360
i mean i mean right we grew up in farm

2261
01:21:34,149 --> 01:21:32,719
towns i mean we all

2262
01:21:35,750 --> 01:21:34,159
even you phil we all grew up in like

2263
01:21:38,149 --> 01:21:35,760

small towns

2264

01:21:39,030 --> 01:21:38,159

so we have that knowledge but like i

2265

01:21:42,790 --> 01:21:39,040

really do feel

2266

01:21:45,910 --> 01:21:42,800

bad for like real city people

2267

01:21:47,110 --> 01:21:45,920

absolutely have never encountered

2268

01:21:50,149 --> 01:21:47,120

anything like that

2269

01:21:53,990 --> 01:21:50,159

right yeah it it would be in just

2270

01:21:55,830 --> 01:21:54,000

in my logic in everything that i've read

2271

01:21:58,629 --> 01:21:55,840

if something bad were to happen where

2272

01:22:01,030 --> 01:21:58,639

society would collapse

2273

01:22:02,149 --> 01:22:01,040

the people in the cities would would all

2274

01:22:04,629 --> 01:22:02,159

you know i mean

2275

01:22:06,310 --> 01:22:04,639

figuratively figuratively and literally

2276

01:22:09,350 --> 01:22:06,320

would probably eat themselves

2277

01:22:11,990 --> 01:22:09,360

tear each other apart yeah i i

2278

01:22:12,629 --> 01:22:12,000

so uh topically there's a new show on

2279

01:22:14,470 --> 01:22:12,639

netflix

2280

01:22:16,070 --> 01:22:14,480

uh called bert crusher in the cabin or

2281

01:22:17,910 --> 01:22:16,080

something love that damn show so

2282

01:22:20,470 --> 01:22:17,920

funny love it so much but that first

2283

01:22:22,550 --> 01:22:20,480

episode they have this uh emu

2284

01:22:24,550 --> 01:22:22,560

uh so phil if you don't know about this

2285

01:22:26,550 --> 01:22:24,560

have you heard about the show yet

2286

01:22:27,750 --> 01:22:26,560

no i don't watch a lot of tv okay well

2287

01:22:30,310 --> 01:22:27,760

all that time so

2288

01:22:32,070 --> 01:22:30,320

yeah no worries dude that's i have a lot

2289

01:22:33,189 --> 01:22:32,080

i just i just finally finished up season

2290

01:22:34,470 --> 01:22:33,199

two of the boys and that's cause i've

2291

01:22:37,910 --> 01:22:34,480

been off for a couple days

2292

01:22:39,030 --> 01:22:37,920

such a great show oh yeah i love it yeah

2293

01:22:40,470 --> 01:22:39,040

but okay all right so

2294

01:22:42,229 --> 01:22:40,480

burt kreischer in the cabin or something

2295

01:22:43,910 --> 01:22:42,239

like that they they have this emu

2296

01:22:46,310 --> 01:22:43,920

delivered because it's like this exotic

2297

01:22:47,510 --> 01:22:46,320

meat right and they have no i like it's

2298

01:22:50,149 --> 01:22:47,520

a real

2299

01:22:52,470 --> 01:22:50,159

it's not a butchered emu it's a [h__h]

2300

01:22:56,790 --> 01:22:52,480

folded emu in a in a

2301
01:22:58,470 --> 01:22:56,800
in a ice chest and they unfold this

2302
01:22:59,830 --> 01:22:58,480
like feathers on everything and they get

2303
01:23:02,070 --> 01:22:59,840
it on this [h__h] beer

2304
01:23:04,229 --> 01:23:02,080
beer bong table and they try to quote

2305
01:23:08,470 --> 01:23:04,239
unquote butcher it and

2306
01:23:11,669 --> 01:23:08,480
they grab they used a chainsaw sheet

2307
01:23:13,830 --> 01:23:11,679
and like bert almost like cuts himself

2308
01:23:17,030 --> 01:23:13,840
like they have no clue and this is like

2309
01:23:20,390 --> 01:23:17,040
a 45 year old man that does not know

2310
01:23:22,310 --> 01:23:20,400
how a a bird okay the anatomy

2311
01:23:23,750 --> 01:23:22,320
i get that it's a big bird yeah but it's

2312
01:23:25,830 --> 01:23:23,760
the same bones

2313
01:23:27,990 --> 01:23:25,840

you cut right at the joint yeah it

2314

01:23:31,750 --> 01:23:28,000

seemed like it'd be easier almost

2315

01:23:33,350 --> 01:23:31,760

yeah yeah but it would it really okay

2316

01:23:36,070 --> 01:23:33,360

i'm just kind of tying that in

2317

01:23:37,030 --> 01:23:36,080

too yeah that idea that no one knows

2318

01:23:38,950 --> 01:23:37,040

what the [h__\h]

2319

01:23:40,229 --> 01:23:38,960

what they would do even if they caught a

2320

01:23:42,950 --> 01:23:40,239

chicken yeah

2321

01:23:45,110 --> 01:23:42,960

right well i think hank williams jr said

2322

01:23:46,390 --> 01:23:45,120

uh i can skin a buck and i can run a

2323

01:23:49,270 --> 01:23:46,400

trout line

2324

01:23:49,990 --> 01:23:49,280

country boy will survive right

2325

01:23:52,070 --> 01:23:50,000

absolutely

2326

01:23:53,590 --> 01:23:52,080

yeah dude and then there's a lot of

2327

01:23:56,790 --> 01:23:53,600

truth to that

2328

01:23:57,830 --> 01:23:56,800

yeah i mean in in the modern era that's

2329

01:23:59,590 --> 01:23:57,840

some like

2330

01:24:01,030 --> 01:23:59,600

stupid hicks [\h__\h] when you could just go

2331

01:24:04,870 --> 01:24:01,040

to the store right but

2332

01:24:07,110 --> 01:24:04,880

if the modern era were to fail tomorrow

2333

01:24:08,229 --> 01:24:07,120

that's not stupid [\h__\h] anymore right

2334

01:24:11,590 --> 01:24:08,239

that's right

2335

01:24:13,669 --> 01:24:11,600

actual life i mean that's how you live

2336

01:24:15,590 --> 01:24:13,679

that's what you're gonna have to do for

2337

01:24:18,790 --> 01:24:15,600

the next

2338

01:24:21,030 --> 01:24:18,800

five years and until until you know

2339

01:24:22,229 --> 01:24:21,040

i mean here in texas we got hgb so

2340

01:24:25,350 --> 01:24:22,239

they'll be up and running in

2341

01:24:27,750 --> 01:24:25,360

like two months after the apocalypse agb

2342

01:24:29,669 --> 01:24:27,760

will be sending [\h__\h] 18 wheelers like

2343

01:24:31,510 --> 01:24:29,679

all over the state of texas because

2344

01:24:33,510 --> 01:24:31,520

they're heroes in our state

2345

01:24:35,189 --> 01:24:33,520

um but other than that dude i mean

2346

01:24:36,870 --> 01:24:35,199

everywhere else i mean there's going to

2347

01:24:40,470 --> 01:24:36,880

be like major problems and

2348

01:24:44,229 --> 01:24:40,480

it's yeah it's that is a very scary

2349

01:24:47,510 --> 01:24:44,239

thought when did it become a faux pas

2350

01:24:49,750 --> 01:24:47,520

to to have knowledge of

2351

01:24:51,350 --> 01:24:49,760

of ancient techniques when did that

2352

01:24:53,669 --> 01:24:51,360

happen i don't know man

2353

01:24:54,390 --> 01:24:53,679

like it became derogatory to be a quote

2354

01:24:56,830 --> 01:24:54,400

unquote

2355

01:24:59,270 --> 01:24:56,840

redneck i think when the dishwasher came

2356

01:25:01,830 --> 01:24:59,280

about

2357

01:25:02,870 --> 01:25:01,840

indoor plumbing you know all these like

2358

01:25:05,830 --> 01:25:02,880

conveniences

2359

01:25:07,030 --> 01:25:05,840

that we just take for granted you know

2360

01:25:10,629 --> 01:25:07,040

like phil was saying

2361

01:25:12,629 --> 01:25:10,639

you know they got floors now and like

2362

01:25:15,030 --> 01:25:12,639

you know it's like these modern

2363

01:25:18,070 --> 01:25:15,040

conveniences it's so easy to just

2364

01:25:20,149 --> 01:25:18,080

uh forget about it right you know

2365

01:25:21,350 --> 01:25:20,159

like sometimes like you know growing up

2366

01:25:23,910 --> 01:25:21,360

in the country like i've

2367

01:25:25,430 --> 01:25:23,920

i forget that i know how to go fishing

2368

01:25:26,950 --> 01:25:25,440

you know what i'm saying right but then

2369

01:25:28,390 --> 01:25:26,960

i think about these situations it's like

2370

01:25:31,030 --> 01:25:28,400

whoa [h__\h]

2371

01:25:32,070 --> 01:25:31,040

i'm glad i know how to like where to

2372

01:25:34,229 --> 01:25:32,080

look for worms

2373

01:25:36,310 --> 01:25:34,239

other than a gas station or like what

2374

01:25:39,350 --> 01:25:36,320

other types of bait will work

2375

01:25:41,750 --> 01:25:39,360

or like where these fish are you know

2376

01:25:42,790 --> 01:25:41,760

like it's it's just it's it's it's

2377

01:25:44,390 --> 01:25:42,800

strange but

2378

01:25:46,070 --> 01:25:44,400

you know at the same time you know like

2379

01:25:47,990 --> 01:25:46,080

yeah i can see why you know

2380

01:25:49,510 --> 01:25:48,000

like more city type people would be like

2381

01:25:52,229 --> 01:25:49,520

put off by the idea

2382

01:25:52,550 --> 01:25:52,239

but at the same time dude it's like when

2383

01:25:57,030 --> 01:25:52,560

it's

2384

01:25:59,669 --> 01:25:57,040

be wild you know

2385

01:26:02,790 --> 01:25:59,679

yeah you know uh mark and i have kind of

2386

01:26:05,910 --> 01:26:02,800

touched on it a couple times on the show

2387

01:26:06,790 --> 01:26:05,920

and when it comes to like in the cities

2388

01:26:09,110 --> 01:26:06,800

you know because

2389

01:26:10,870 --> 01:26:09,120

i i truly believe if if or when it

2390

01:26:14,550 --> 01:26:10,880

happens it's going to be chaos

2391

01:26:16,550 --> 01:26:14,560

um the

2392

01:26:17,750 --> 01:26:16,560

your your convicts your criminals and

2393

01:26:18,790 --> 01:26:17,760

crap like that are they going to be the

2394

01:26:22,390 --> 01:26:18,800

ones that come out on top

2395

01:26:24,709 --> 01:26:22,400

because that's the life they live yeah

2396

01:26:25,590 --> 01:26:24,719

yeah you know they live a hard life yeah

2397

01:26:29,030 --> 01:26:25,600

absolutely

2398

01:26:30,709 --> 01:26:29,040

could even see

2399

01:26:32,229 --> 01:26:30,719

just the beginning of it like when the

2400

01:26:33,830 --> 01:26:32,239

code stuff hit and

2401

01:26:35,669 --> 01:26:33,840

you know all the toilet paper was out

2402

01:26:37,110 --> 01:26:35,679

you know people didn't know what to do

2403

01:26:38,310 --> 01:26:37,120

you know yeah like that like that dude

2404

01:26:40,070 --> 01:26:38,320

that bought like a hundred thousand

2405

01:26:42,550 --> 01:26:40,080

dollars worth of uh sanitizer

2406

01:26:44,070 --> 01:26:42,560

yeah that's crazy like i mean person i

2407

01:26:45,830 --> 01:26:44,080

didn't take a [h__\h] for two weeks so i

2408

01:26:48,390 --> 01:26:45,840

didn't have to use any toilet paper

2409

01:26:49,110 --> 01:26:48,400

and again i'm an air driver so yeah you

2410

01:26:51,189 --> 01:26:49,120

use toilet

2411

01:26:52,390 --> 01:26:51,199

but dude i mean something as simple as

2412

01:26:54,870 --> 01:26:52,400

that dude like

2413

01:26:55,510 --> 01:26:54,880

if if society were to collapse toilet

2414

01:26:59,510 --> 01:26:55,520

paper

2415

01:27:00,310 --> 01:26:59,520

know they're like they will fight over

2416

01:27:03,430 --> 01:27:00,320

they will

2417

01:27:05,430 --> 01:27:03,440

fight over that absolutely i mean even

2418

01:27:06,470 --> 01:27:05,440

simplest things like i mean i even

2419

01:27:08,629 --> 01:27:06,480

thought about it like

2420

01:27:10,790 --> 01:27:08,639

you know having a new baby it's like

2421

01:27:13,430 --> 01:27:10,800

holy [h__\h] can you imagine

2422

01:27:14,149 --> 01:27:13,440

like the the modern way of taking care

2423

01:27:16,629 --> 01:27:14,159

of a baby

2424

01:27:17,510 --> 01:27:16,639

is so different than like you know your

2425

01:27:19,510 --> 01:27:17,520

your

2426

01:27:21,750 --> 01:27:19,520

earlier years i mean we're talking like

2427

01:27:22,550 --> 01:27:21,760

within the past 20 years parenting has

2428

01:27:24,390 --> 01:27:22,560

become like

2429

01:27:26,870 --> 01:27:24,400

just completely different because i was

2430

01:27:28,629 --> 01:27:26,880

like reading some old parenting books

2431

01:27:30,629 --> 01:27:28,639

and then like my wife got some new ones

2432

01:27:33,189 --> 01:27:30,639

like on on like amazon and [h__h] and it

2433

01:27:33,830 --> 01:27:33,199

was like whoa like that old book that i

2434

01:27:35,350 --> 01:27:33,840

had

2435

01:27:37,590 --> 01:27:35,360

like there's none of that in this new

2436

01:27:40,550 --> 01:27:37,600

book like what do you you know

2437

01:27:42,070 --> 01:27:40,560

and i dude i it's it would be a very

2438

01:27:45,189 --> 01:27:42,080

scary situation

2439

01:27:48,310 --> 01:27:45,199

absolutely absolutely

2440

01:27:49,430 --> 01:27:48,320

everything everything no phone no

2441

01:27:51,350 --> 01:27:49,440

communication

2442

01:27:52,950 --> 01:27:51,360

like what do you do without diapers i

2443

01:27:54,390 --> 01:27:52,960

just i mean i'm

2444

01:27:56,310 --> 01:27:54,400

i'm worried about like what would like

2445

01:27:57,350 --> 01:27:56,320

how would we like contact guests for the

2446

01:28:00,870 --> 01:27:57,360

podcast

2447

01:28:03,430 --> 01:28:00,880

you know like it would be bad

2448

01:28:07,350 --> 01:28:03,440

yeah i mean people are so relying on

2449

01:28:10,470 --> 01:28:09,110

that that in itself i think would

2450

01:28:12,709 --> 01:28:10,480

collapse everything

2451
01:28:13,590 --> 01:28:12,719
if the internet went down worldwide or

2452
01:28:16,229 --> 01:28:13,600
whatever i think

2453
01:28:16,950 --> 01:28:16,239
people would legitimately lose their

2454
01:28:19,350 --> 01:28:16,960
minds

2455
01:28:21,189 --> 01:28:19,360
like i think people would go crazy like

2456
01:28:24,310 --> 01:28:21,199
evil crazy because

2457
01:28:25,430 --> 01:28:24,320
they couldn't check their their phone or

2458
01:28:27,350 --> 01:28:25,440
like you know just

2459
01:28:28,629 --> 01:28:27,360
stream a movie really fast people would

2460
01:28:32,149 --> 01:28:28,639
lose their minds

2461
01:28:32,550 --> 01:28:32,159
oh yeah i mean you know my my oldest son

2462
01:28:36,149 --> 01:28:32,560
you know

2463
01:28:39,669 --> 01:28:36,159

he's 20. he just turned 20. and

2464

01:28:42,870 --> 01:28:39,679

he don't remember a time without

2465

01:28:45,510 --> 01:28:42,880

dvds or uh

2466

01:28:46,950 --> 01:28:45,520

netflix or what have you you know i mean

2467

01:28:48,870 --> 01:28:46,960

yeah

2468

01:28:50,229 --> 01:28:48,880

it's crazy to think about you know when

2469

01:28:53,270 --> 01:28:50,239

i think about how old i am

2470

01:28:54,950 --> 01:28:53,280

and how old he is and what

2471

01:28:56,790 --> 01:28:54,960

he has seen in his lifetime and you know

2472

01:28:59,590 --> 01:28:56,800

the 20 years he's been alive on how

2473

01:29:01,750 --> 01:28:59,600

how fast everything is advanced you know

2474

01:29:05,750 --> 01:29:01,760

then you get guys like us that were born

2475

01:29:07,590 --> 01:29:05,760

in the late 70s to 80s

2476

01:29:09,189 --> 01:29:07,600

it's a lot different and then then i

2477

01:29:10,709 --> 01:29:09,199

think back to my mom

2478

01:29:12,870 --> 01:29:10,719

you know she was born in the 40s what

2479

01:29:17,270 --> 01:29:12,880

does she see in her lifetime oh

2480

01:29:19,830 --> 01:29:17,280

man i know like yeah i mean it's like

2481

01:29:20,550 --> 01:29:19,840

87 i was born in 87 ben you were like

2482

01:29:24,470 --> 01:29:20,560

what

2483

01:29:27,110 --> 01:29:24,480

90 89 yeah so like dude i mean

2484

01:29:28,390 --> 01:29:27,120

just going back to even our childhood of

2485

01:29:30,950 --> 01:29:28,400

like

2486

01:29:32,870 --> 01:29:30,960

i remember the first time somebody

2487

01:29:35,110 --> 01:29:32,880

showed me a cd

2488

01:29:35,990 --> 01:29:35,120

i remember the first time like somebody

2489

01:29:38,870 --> 01:29:36,000

told me hey

2490

01:29:39,590 --> 01:29:38,880

i got my own line in my room like for my

2491

01:29:41,910 --> 01:29:39,600

phone

2492

01:29:43,669 --> 01:29:41,920

i got my own line like that's nuts and

2493

01:29:44,229 --> 01:29:43,679

then i and then i think back even

2494

01:29:46,070 --> 01:29:44,239

further

2495

01:29:47,830 --> 01:29:46,080

to like you know like my grandparents

2496

01:29:50,790 --> 01:29:47,840

and it's like dude y'all didn't

2497

01:29:51,910 --> 01:29:50,800

have electricity like your team my

2498

01:29:52,629 --> 01:29:51,920

grandparents they lived in a

2499

01:29:55,030 --> 01:29:52,639

neighborhood

2500

01:29:55,669 --> 01:29:55,040

and they and four their neighbors and

2501

01:29:58,709 --> 01:29:55,679

them all

2502

01:30:00,550 --> 01:29:58,719

shared a phone line that's nuts so

2503

01:30:02,229 --> 01:30:00,560

if your neighbor was on the phone for

2504

01:30:03,510 --> 01:30:02,239

four hours you'd be really pissed off

2505

01:30:03,750 --> 01:30:03,520

that neighbor the next day yeah that was

2506

01:30:06,629 --> 01:30:03,760

that

2507

01:30:07,510 --> 01:30:06,639

whole party line thing yeah yes sir yeah

2508

01:30:11,750 --> 01:30:07,520

you know about it

2509

01:30:14,950 --> 01:30:11,760

i mean i grew up without a phone

2510

01:30:16,629 --> 01:30:14,960

my my my dad hated it he said the damn

2511

01:30:17,750 --> 01:30:16,639

thing rings all the time

2512

01:30:27,270 --> 01:30:17,760

especially when you're trying to eat

2513

01:30:30,950 --> 01:30:28,950

the nearest town was probably like seven

2514

01:30:33,270 --> 01:30:30,960

miles away you know i grew up in a town

2515

01:30:34,390 --> 01:30:33,280

called liberty and coffeerville was the

2516

01:30:36,950 --> 01:30:34,400

closest town

2517

01:30:37,830 --> 01:30:36,960

yeah well that was long distance at the

2518

01:30:41,270 --> 01:30:37,840

time

2519

01:30:42,709 --> 01:30:41,280

wow oh my god and uh you know so my

2520

01:30:44,229 --> 01:30:42,719

dad's like the hell with it you know my

2521

01:30:45,669 --> 01:30:44,239

oldest brother he was in the navy and he

2522

01:30:49,430 --> 01:30:45,679

actually had the phone put in

2523

01:30:52,229 --> 01:30:49,440

so he could call home

2524

01:30:53,990 --> 01:30:52,239

uh my dad's like no the damn thing rings

2525

01:30:55,350 --> 01:30:54,000

at the most inopportune times so

2526
01:30:57,510 --> 01:30:55,360
we're getting rid of the damn thing yeah

2527
01:31:00,629 --> 01:30:57,520
it's either like i feel like it it

2528
01:31:01,110 --> 01:31:00,639
hasn't changed that it's 6 30 to 8 so

2529
01:31:03,510 --> 01:31:01,120
like

2530
01:31:05,350 --> 01:31:03,520
i eat between six thirty and eight every

2531
01:31:07,830 --> 01:31:05,360
single day who doesn't

2532
01:31:08,470 --> 01:31:07,840
people eat at five some people eat at

2533
01:31:10,790 --> 01:31:08,480
five

2534
01:31:12,310 --> 01:31:10,800
but like those are the times that they

2535
01:31:14,629 --> 01:31:12,320
know you're not at work

2536
01:31:17,110 --> 01:31:14,639
and then you're and then like they pick

2537
01:31:20,310 --> 01:31:17,120
the one time you're gonna be

2538
01:31:21,430 --> 01:31:20,320

not wanting a phone call oh man bless

2539

01:31:23,270 --> 01:31:21,440

their souls the people that

2540

01:31:24,709 --> 01:31:23,280

have have been cold callers before

2541

01:31:26,149 --> 01:31:24,719

though like they're people

2542

01:31:28,470 --> 01:31:26,159

you know people too right they're just

2543

01:31:30,229 --> 01:31:28,480

trying to make that this was all before

2544

01:31:32,709 --> 01:31:30,239

caller id too you know so

2545

01:31:33,430 --> 01:31:32,719

yeah you had to answer it to know who it

2546

01:31:35,590 --> 01:31:33,440

was

2547

01:31:38,310 --> 01:31:35,600

yeah it opened like i've been waiting to

2548

01:31:42,470 --> 01:31:38,320

hear back from the lotto

2549

2730

01:38:33,590 --> 01:38:31,679

2733

01:38:39,109 --> 01:38:37,840

like uh the redeemer small batch page

2734

01:38:42,870 --> 01:38:39,119

like the ufo garage

2735

01:38:45,910 --> 01:38:42,880

podcast page comment and share

2736

01:38:46,629 --> 01:38:45,920

and you're entered into the uh the free

2737

01:38:49,510 --> 01:38:46,639

gift box

2738

01:38:50,550 --> 01:38:49,520

yeah and you know what's cool about it

2739

01:38:53,910 --> 01:38:50,560

is that it's

2740

01:38:54,790 --> 01:38:53,920

awesome stuff yeah we smoked that cb

2741

01:38:57,189 --> 01:38:54,800

doobie before

2742

01:38:58,149 --> 01:38:57,199

we just smoked a cbd before this one i

2743

01:38:59,830 --> 01:38:58,159

mean

2744

01:39:01,830 --> 01:38:59,840

i don't know what was in there but bro

2745

01:39:04,149 --> 01:39:01,840

redeemer goes hard bro yeah dude that

2746

01:39:09,030 --> 01:39:04,159

was legit redeemer goes hard

2747

01:39:11,990 --> 01:39:09,040

dude i'm not saying it got me high but i

2748

01:39:13,750 --> 01:39:12,000

i don't know i felt something i'm not

2749

01:39:16,310 --> 01:39:13,760

saying it got me high but

2750

01:39:17,270 --> 01:39:16,320

goofy and like just relaxed i don't know

2751

01:39:19,030 --> 01:39:17,280

you feel good man

2752

01:39:20,870 --> 01:39:19,040

that's what it's supposed to do that's

2753

01:39:22,790 --> 01:39:20,880

what it's here for it's kind of like an

2754

01:39:24,310 --> 01:39:22,800

andy's toy you know what i'm saying like

2755

01:39:26,070 --> 01:39:24,320

you're here for andy

2756

01:39:27,350 --> 01:39:26,080

when he needs you you know that's what

2757

01:39:31,510 --> 01:39:27,360

your cbd is

2758

01:39:34,229 --> 01:39:31,520

cbd is here for you when you need it

2759

01:39:35,189 --> 01:39:34,239

yeah any toy story reference i'm gonna

2760

01:39:38,629 --> 01:39:35,199

i'm a big fan

2761

01:39:42,470 --> 01:39:38,639

howdy howdy howdy i'm woody

2762

01:39:44,709 --> 01:39:42,480

that is not woody howdy howdy howdy

2763

01:39:46,310 --> 01:39:44,719

that's a shark when he pops out of the

2764

01:39:47,750 --> 01:39:46,320

out of the chest he's like howdy howdy

2765

01:39:50,550 --> 01:39:47,760

how are you

2766

01:39:52,070 --> 01:39:50,560

i'm sheriff woody that was a deep oh

2767

01:39:55,030 --> 01:39:52,080

[h__\h]

2768

01:39:56,870 --> 01:39:55,040

yeah wow uh yeah that was good stuff man

2769

01:39:58,790 --> 01:39:56,880

i really enjoyed talking to phil

2770

01:40:00,310 --> 01:39:58,800

i'm excited to do the uh what if

2771

01:40:02,070 --> 01:40:00,320

tomorrow the band of bearded brothers

2772

01:40:05,189 --> 01:40:02,080

had a ufo garage

2773

01:40:08,149 --> 01:40:05,199

um podcast that would be so much fun

2774

01:40:08,950 --> 01:40:08,159

yes we got to do like a big deal like we

2775

01:40:11,430 --> 01:40:08,960

should make like a

2776

01:40:12,229 --> 01:40:11,440

artwork for it let's do it yeah yeah

2777

01:40:13,360 --> 01:40:12,239

that'd be sick

2778

01:40:15,830 --> 01:40:13,370

only take me five months

2779

01:40:19,189 --> 01:40:15,840

[Laughter]

2780

01:40:22,629 --> 01:40:19,199

so slow oh dude so i was thinking

2781

01:40:25,910 --> 01:40:22,639

what if we have the uh the

2782

01:40:28,950 --> 01:40:25,920

ufo uh impala right

2783

01:40:32,149 --> 01:40:28,960

yes and all of us are sick

2784

01:40:32,629 --> 01:40:32,159

we're sitting inside of it right and uh

2785

01:40:35,350 --> 01:40:32,639

driving

2786

01:40:36,070 --> 01:40:35,360

and we're going from yesterday to

2787

01:40:38,149 --> 01:40:36,080

tomorrow

2788

01:40:40,709 --> 01:40:38,159

it's like half sunlight and half night

2789

01:40:41,590 --> 01:40:40,719

time and we're all flying in the ufo

2790

01:40:43,590 --> 01:40:41,600

garage

2791

01:40:45,750 --> 01:40:43,600

and then like down in the corner we have

2792

01:40:46,790 --> 01:40:45,760

like the garage itself and that's where

2793

01:40:49,669 --> 01:40:46,800

we're going oh

2794

01:40:49,990 --> 01:40:49,679

[h__h] love that dude yeah yeah love that

2795

01:40:52,950 --> 01:40:50,000

we should

2796

01:40:54,790 --> 01:40:52,960

do it that's awesome sick or like we're

2797

01:40:56,870 --> 01:40:54,800

like hovering over the earth and we see

2798

01:40:57,189 --> 01:40:56,880

little drop pins of where we are so one

2799

01:41:00,709 --> 01:40:57,199

drop

2800

01:41:03,990 --> 01:41:00,719

where

2801

01:41:07,510 --> 01:41:04,000

phil

2802

01:41:10,310 --> 01:41:07,520

and uh was it uh

2803

01:41:11,510 --> 01:41:10,320

mark mark i think yeah so like you see

2804

01:41:13,270 --> 01:41:11,520

everybody but we're like

2805

01:41:15,109 --> 01:41:13,280

the trajectory is like a dotted line

2806

01:41:17,910 --> 01:41:15,119

that goes towards the garage dude

2807

01:41:20,070 --> 01:41:17,920

sick i love it because like the the

2808

01:41:24,390 --> 01:41:20,080

vessel of the podcast

2809

01:41:27,910 --> 01:41:24,400

and metaphorically speaking is is a is a

2810

01:41:30,790 --> 01:41:27,920

a 64 impala absolutely so

2811

01:41:33,590 --> 01:41:30,800

i mean i just i just love that yeah

2812

01:41:35,990 --> 01:41:33,600

let's do it dude

2813

01:41:37,270 --> 01:41:36,000

well you got anything else no dude i i

2814

01:41:39,109 --> 01:41:37,280

think we're good what do you think about

2815

01:41:40,709 --> 01:41:39,119

the the new microphone setup

2816

01:41:42,550 --> 01:41:40,719

i like it we don't have a bunch of like

2817

01:41:43,430 --> 01:41:42,560

things in our way we can have a circle

2818

01:41:45,030 --> 01:41:43,440

thing on my face

2819

01:41:46,950 --> 01:41:45,040

yeah we can like move it's like the same

2820

01:41:49,030 --> 01:41:46,960

size of my face

2821

01:41:50,149 --> 01:41:49,040

i like it i like it it's good this chair

2822

01:41:52,550 --> 01:41:50,159

squeaks a little bit

2823

01:41:54,149 --> 01:41:52,560

that chair is very [h__\h] i almost lost

2824

01:41:55,910 --> 01:41:54,159

it phil if you're listening i apologize

2825

01:41:57,910 --> 01:41:55,920

when you see the video it's because

2826

01:41:59,750 --> 01:41:57,920

it's because we kept hearing this chair

2827

01:42:01,510 --> 01:41:59,760

squeak and it's like it's new

2828

01:42:02,950 --> 01:42:01,520

it threw me off and it made me laugh and

2829

01:42:05,990 --> 01:42:02,960

so i had to you know i had to

2830

01:42:09,270 --> 01:42:06,000

get off to the side early on yeah

2831

01:42:10,310 --> 01:42:09,280

dude so yeah anyways yeah dude thanks

2832

01:42:13,590 --> 01:42:10,320

2833
