

1  
00:00:13,190 --> 00:00:10,629

[Music]

2  
00:00:15,749 --> 00:00:13,200

this is another episode of ufo garage

3  
00:00:17,269 --> 00:00:15,759

i'm ben and i'm joe and this is where we

4  
00:00:20,310 --> 00:00:17,279

talk about ufos

5  
00:00:23,830 --> 00:00:20,320

aliens and all things weird little

6  
00:00:26,550 --> 00:00:23,840

lackluster yeah i'm [h\_\_h]

7  
00:00:28,550 --> 00:00:26,560

all right it's always it's always a

8  
00:00:31,109 --> 00:00:28,560

little bit weird when it's like

9  
00:00:31,669 --> 00:00:31,119

through zoom call yeah i mean i like it

10  
00:00:34,389 --> 00:00:31,679

dude

11  
00:00:34,870 --> 00:00:34,399

i actually i think i i don't know i like

12  
00:00:42,310 --> 00:00:34,880

it

13  
00:00:44,630 --> 00:00:42,320

this way

14

00:00:45,590 --> 00:00:44,640

i mean i guess so but you know it's like

15

00:00:48,869 --> 00:00:45,600

i'm not seriously

16

00:00:51,430 --> 00:00:48,879

better there's energy involved that

17

00:00:53,029 --> 00:00:51,440

isn't created through the through the

18

00:00:53,670 --> 00:00:53,039

the computer you know what i'm saying

19

00:00:55,830 --> 00:00:53,680

yeah

20

00:00:56,709 --> 00:00:55,840

the pooter it's a little it's a little

21

00:00:59,750 --> 00:00:56,719

different yeah

22

00:01:01,830 --> 00:00:59,760

it's yeah there's we definitely feed off

23

00:01:03,189 --> 00:01:01,840

off of the energy in person it's that

24

00:01:07,350 --> 00:01:03,199

that isn't it

25

00:01:10,469 --> 00:01:07,360

i don't know i mean we'll see

26

00:01:12,149 --> 00:01:10,479

so what do we do no

27

00:01:14,149 --> 00:01:12,159

because judging from all of the last

28

00:01:16,310 --> 00:01:14,159

ones that we've done this way

29

00:01:17,749 --> 00:01:16,320

they were awful so all the only ones

30

00:01:20,070 --> 00:01:17,759

that we've done

31

00:01:23,030 --> 00:01:20,080

was when we were when we were on uh on

32

00:01:27,350 --> 00:01:23,040

the bob podcast

33

00:01:31,429 --> 00:01:29,429

yeah as soon as as soon as like covet

34

00:01:34,550 --> 00:01:31,439

hit we did like two or three

35

00:01:35,830 --> 00:01:34,560

that were like like this and they were

36

00:01:38,230 --> 00:01:35,840

just remember that

37

00:01:39,670 --> 00:01:38,240

they were weird exactly exactly that's

38

00:01:41,270 --> 00:01:39,680

what i'm talking about right there

39

00:01:42,789 --> 00:01:41,280

okay they were they weren't i mean they

40

00:01:44,469 --> 00:01:42,799

were bad they were just

41

00:01:46,469 --> 00:01:44,479

you could tell like the energy was just

42

00:01:48,630 --> 00:01:46,479

different yeah it was like

43

00:01:50,310 --> 00:01:48,640

like because i don't know about you dude

44

00:01:51,270 --> 00:01:50,320

but like i read off like your body

45

00:01:53,190 --> 00:01:51,280

language and stuff

46

00:01:55,030 --> 00:01:53,200

and so it's weird like seeing your

47

00:01:57,350 --> 00:01:55,040

computer just looking at your face

48

00:01:58,630 --> 00:01:57,360

because we never look at each other i'm

49

00:02:01,830 --> 00:01:58,640

used to the peripheral

50

00:02:02,870 --> 00:02:01,840

like body language yes okay yeah no that

51  
00:02:05,990 --> 00:02:02,880  
that makes sense

52  
00:02:07,109 --> 00:02:06,000  
i yeah i uh i agree i think it's it's

53  
00:02:10,309 --> 00:02:07,119  
it's different

54  
00:02:11,910 --> 00:02:10,319  
um yeah not optimal but yeah i don't

55  
00:02:14,070 --> 00:02:11,920  
ever talk to you

56  
00:02:16,630 --> 00:02:14,080  
ever like even when we're just hanging

57  
00:02:19,910 --> 00:02:16,640  
out like you're always like

58  
00:02:21,510 --> 00:02:19,920  
i mean sometimes we're always like next

59  
00:02:22,790 --> 00:02:21,520  
what if we ever sat across from each

60  
00:02:24,070 --> 00:02:22,800  
other and stared at each other and had a

61  
00:02:25,920 --> 00:02:24,080  
conversation i don't think we've ever

62  
00:02:29,430 --> 00:02:25,930  
done that i don't think ever

63  
00:02:31,430 --> 00:02:29,440

[Laughter]

64

00:02:33,750 --> 00:02:31,440

that one time we went to hooters that

65

00:02:36,550 --> 00:02:33,760

four times

66

00:02:37,990 --> 00:02:36,560

for five days straight dude yeah that

67

00:02:40,790 --> 00:02:38,000

one time five times

68

00:02:42,390 --> 00:02:40,800

i feel like what is that like i just i

69

00:02:42,790 --> 00:02:42,400

think we can't be the only ones like we

70

00:02:47,030 --> 00:02:42,800

just

71

00:02:48,710 --> 00:02:47,040

across from each other and talk

72

00:02:50,710 --> 00:02:48,720

you know because usually if we're in

73

00:02:53,830 --> 00:02:50,720

like a social setting it's like

74

00:02:54,150 --> 00:02:53,840

like a a bar top of some kind yeah you

75

00:02:56,869 --> 00:02:54,160

know

76

00:02:58,470 --> 00:02:56,879

yeah or or even if you're at like one of

77

00:03:01,990 --> 00:02:58,480

those bars with like a picnic table

78

00:03:02,710 --> 00:03:02,000

if i'm there with another dude or

79

00:03:05,350 --> 00:03:02,720

dudes

80

00:03:06,070 --> 00:03:05,360

like i you don't sit across like you

81

00:03:07,589 --> 00:03:06,080

kind of like

82

00:03:09,270 --> 00:03:07,599

leave some it's almost like leaving the

83

00:03:11,910 --> 00:03:09,280

open stall you know

84

00:03:12,869 --> 00:03:11,920

or you sit sideways if it's a bench yeah

85

00:03:16,390 --> 00:03:12,879

yeah yeah

86

00:03:18,149 --> 00:03:16,400

like on our on a road trip in arkansas

87

00:03:21,030 --> 00:03:18,159

we went to that bathroom in the the

88

00:03:23,509 --> 00:03:21,040

wendy's yeah

89

00:03:25,190 --> 00:03:23,519

i went in and i went to the middle stall

90

00:03:25,990 --> 00:03:25,200

at first and i noticed you behind me so

91

00:03:29,190 --> 00:03:26,000

i was like

92

00:03:31,509 --> 00:03:29,200

uh i need to move so i moved i

93

00:03:32,789 --> 00:03:31,519

i realized that going that was a bad

94

00:03:35,350 --> 00:03:32,799

first choice i guess that's

95

00:03:37,589 --> 00:03:35,360

i've never been in that situation i

96

00:03:39,110 --> 00:03:37,599

guess in my adult life like where

97

00:03:40,789 --> 00:03:39,120

i chose the middle one and there was

98

00:03:44,309 --> 00:03:40,799

only three so

99

00:03:47,750 --> 00:03:44,319

like i know i'm just glad i realized

100

00:03:49,990 --> 00:03:47,760

in the moment like as you were walking

101  
00:03:51,110 --> 00:03:50,000  
you commented you're like well thanks

102  
00:03:53,110 --> 00:03:51,120  
for like moving over that would have

103  
00:03:55,509 --> 00:03:53,120  
been weird

104  
00:03:56,789 --> 00:03:55,519  
peeing right next to each other and it

105  
00:03:57,509 --> 00:03:56,799  
would have been your fault because you

106  
00:04:01,350 --> 00:03:57,519  
picked the middle

107  
00:04:04,789 --> 00:04:01,360  
yeah yeah oh [\h\_\_\h] man

108  
00:04:10,550 --> 00:04:04,799  
well so uh so anyway

109  
00:04:10,560 --> 00:04:21,909  
i was staring around i'm kidding were

110  
00:04:25,510 --> 00:04:24,790  
i'm glad you moved over yeah me too

111  
00:04:27,270 --> 00:04:25,520  
anyway

112  
00:04:28,790 --> 00:04:27,280  
so [\h\_\_\h] all right might as well talk

113  
00:04:31,510 --> 00:04:28,800

about the road trip

114

00:04:32,390 --> 00:04:31,520

arkansas dude arkansas yeah dude that

115

00:04:35,749 --> 00:04:32,400

was fun

116

00:04:38,310 --> 00:04:35,759

so i guess i guess uh i mean

117

00:04:40,310 --> 00:04:38,320

most of you guys know that we're uh

118

00:04:42,230 --> 00:04:40,320

helping eric mitchell out with this

119

00:04:43,510 --> 00:04:42,240

uh this little documentary thing and so

120

00:04:45,430 --> 00:04:43,520

we went up and uh

121

00:04:47,110 --> 00:04:45,440

got to hang out with him and it was a

122

00:04:50,469 --> 00:04:47,120

really cool experience man

123

00:04:52,550 --> 00:04:50,479

uh him and christy were awesome uh

124

00:04:54,469 --> 00:04:52,560

they were just a lot of fun man it was a

125

00:04:56,310 --> 00:04:54,479

lot of work it was a lot of work we put

126

00:04:59,350 --> 00:04:56,320

a lot of work into that man

127

00:05:02,070 --> 00:04:59,360

i am going on record and saying that

128

00:05:04,790 --> 00:05:02,080

the reason i got covet is because i did

129

00:05:06,950 --> 00:05:04,800

not sleep and i just drank wine for

130

00:05:09,029 --> 00:05:06,960

three days straight and my immune system

131

00:05:11,029 --> 00:05:09,039

was just shot

132

00:05:13,029 --> 00:05:11,039

i have a feeling that's what it was dude

133

00:05:13,990 --> 00:05:13,039

because we didn't do we worked so hard

134

00:05:16,870 --> 00:05:14,000

like we were

135

00:05:19,590 --> 00:05:16,880

going about three sometimes four a.m and

136

00:05:21,270 --> 00:05:19,600

then waking up at like eight or nine

137

00:05:22,790 --> 00:05:21,280

and then doing it all over again and

138

00:05:26,150 --> 00:05:22,800

then working all day and like

139

00:05:27,189 --> 00:05:26,160

mentally being in that state all day was

140

00:05:29,749 --> 00:05:27,199

exhausting dude

141

00:05:31,510 --> 00:05:29,759

like you know you think yes i didn't

142

00:05:33,670 --> 00:05:31,520

really have any expectations

143

00:05:35,990 --> 00:05:33,680

for this project and i just thought like

144

00:05:37,990 --> 00:05:36,000

hey we'll [h\_\_h] go up there and

145

00:05:40,710 --> 00:05:38,000

fill you know try to catch some stuff on

146

00:05:42,870 --> 00:05:40,720

film but but nico brought an aspect

147

00:05:45,189 --> 00:05:42,880

that i think we were all pleasantly

148

00:05:46,550 --> 00:05:45,199

surprised that it was like

149

00:05:48,310 --> 00:05:46,560

it was a big deal at that moment like

150

00:05:50,150 --> 00:05:48,320

holy [h\_\_h] there's a lot of equipment

151

00:05:52,390 --> 00:05:50,160

and then like i kind of turned on i

152

00:05:55,270 --> 00:05:52,400

think we both turned on this like

153

00:05:56,950 --> 00:05:55,280

hey we are creative guys we kind of

154

00:05:57,909 --> 00:05:56,960

would know what would be good here and i

155

00:06:00,550 --> 00:05:57,919

think we were right

156

00:06:01,510 --> 00:06:00,560

well i think we all three fell into our

157

00:06:03,909 --> 00:06:01,520

our little

158

00:06:05,270 --> 00:06:03,919

roles and i think it like it meshed

159

00:06:07,029 --> 00:06:05,280

really well which made like

160

00:06:08,629 --> 00:06:07,039

i think it made eric a lot more

161

00:06:10,390 --> 00:06:08,639

comfortable in a lot of different

162

00:06:12,390 --> 00:06:10,400

aspects like it wasn't like nico just

163

00:06:15,670 --> 00:06:12,400

shouting out like hey do this do that

164

00:06:18,469 --> 00:06:15,680

right right it was very much like it was

165

00:06:20,390 --> 00:06:18,479

uh collaborative yeah a nice little

166

00:06:21,029 --> 00:06:20,400

balance for sure man yeah that was a lot

167

00:06:24,790 --> 00:06:21,039

of fun

168

00:06:27,909 --> 00:06:24,800

was it was a

169

00:06:29,909 --> 00:06:27,919

long long and you know like

170

00:06:31,189 --> 00:06:29,919

not like and it's not like strenuous

171

00:06:34,950 --> 00:06:31,199

work

172

00:06:37,749 --> 00:06:34,960

it's more like mental yes yeah mentally

173

00:06:38,309 --> 00:06:37,759

being being present and like because i

174

00:06:41,749 --> 00:06:38,319

mean

175

00:06:44,950 --> 00:06:41,759

we love eric we kind of know

176  
00:06:46,469 --> 00:06:44,960  
knew his story before um and it was just

177  
00:06:49,670 --> 00:06:46,479  
great to see the guy

178  
00:06:52,230 --> 00:06:49,680  
i mean like walking up whenever we

179  
00:06:53,909 --> 00:06:52,240  
we did that scene we were like joan bid

180  
00:06:54,150 --> 00:06:53,919  
all right so y'all like drive up into

181  
00:06:57,670 --> 00:06:54,160  
the

182  
00:06:58,870 --> 00:06:57,680  
seeing him seeing eric meeting eric for

183  
00:07:02,469 --> 00:06:58,880  
the first time after

184  
00:07:03,270 --> 00:07:02,479  
not seeing him like how many tanks did

185  
00:07:08,150 --> 00:07:03,280  
we do

186  
00:07:10,790 --> 00:07:08,160  
like something happened every time

187  
00:07:13,749 --> 00:07:10,800  
it was like seven and it put it out that

188  
00:07:15,830 --> 00:07:13,759

was the only thing that like

189

00:07:17,830 --> 00:07:15,840

the only thing that tripped us up yeah

190

00:07:18,309 --> 00:07:17,840

that was it other than that though it

191

00:07:22,070 --> 00:07:18,319

was like

192

00:07:22,790 --> 00:07:22,080

it was flawless yeah like i'm so excited

193

00:07:26,230 --> 00:07:22,800

to

194

00:07:26,950 --> 00:07:26,240

the footage and picking out all the cool

195

00:07:30,629 --> 00:07:26,960

stuff in it

196

00:07:33,830 --> 00:07:30,639

dude so i gave nico a i bought a uh

197

00:07:35,189 --> 00:07:33,840

i think like a five terabyte external

198

00:07:36,230 --> 00:07:35,199

hard drive so he's putting all the

199

00:07:39,110 --> 00:07:36,240

footage on

200

00:07:40,629 --> 00:07:39,120

that uh i think either he's gonna mail

201

00:07:42,230 --> 00:07:40,639

it to me or i'm gonna go pick it up

202

00:07:44,469 --> 00:07:42,240

it's just it happened like literally the

203

00:07:47,749 --> 00:07:44,479

night that i dropped it off at his house

204

00:07:48,230 --> 00:07:47,759

i got sick like that night so like i

205

00:07:50,869 --> 00:07:48,240

haven't

206

00:07:51,270 --> 00:07:50,879

he has it on there but anyway i'm gonna

207

00:07:53,749 --> 00:07:51,280

yeah

208

00:07:55,029 --> 00:07:53,759

so next week when we do the podcast here

209

00:07:57,430 --> 00:07:55,039

we're gonna we're gonna

210

00:07:58,550 --> 00:07:57,440

uh go through the the footage dude and

211

00:08:00,950 --> 00:07:58,560

dude i'm so excited

212

00:08:02,550 --> 00:08:00,960

yeah did you see the drone you saw the

213

00:08:04,150 --> 00:08:02,560

drone footage yeah i saw the drone

214

00:08:07,589 --> 00:08:04,160

footage it's awesome

215

00:08:09,670 --> 00:08:07,599

it's awesome man it looks so good

216

00:08:11,029 --> 00:08:09,680

yeah um he's been texting me about it

217

00:08:13,830 --> 00:08:11,039

too he's like dude uh

218

00:08:14,790 --> 00:08:13,840

this is i mean i don't know he's like

219

00:08:18,070 --> 00:08:14,800

dude this is

220

00:08:20,790 --> 00:08:18,080

huge he nico like

221

00:08:21,909 --> 00:08:20,800

is interested in aliens and stuff as you

222

00:08:24,710 --> 00:08:21,919

found out

223

00:08:27,110 --> 00:08:24,720

through the week but like he's like so

224

00:08:30,309 --> 00:08:27,120

committed he's like holy [h\_\_h]

225

00:08:32,149 --> 00:08:30,319

uh we may have stumbled on one of the

226

00:08:35,909 --> 00:08:32,159

most important

227

00:08:38,550 --> 00:08:35,919

things in like documentary history

228

00:08:39,029 --> 00:08:38,560

you know it's just he's super excited

229

00:08:42,790 --> 00:08:39,039

about it

230

00:08:45,269 --> 00:08:42,800

it's definitely it's definitely

231

00:08:46,310 --> 00:08:45,279

gonna be a cool story like i'm excited

232

00:08:48,070 --> 00:08:46,320

for people to hear it

233

00:08:49,910 --> 00:08:48,080

and i know eric's excited for people to

234

00:08:52,230 --> 00:08:49,920

hear it too

235

00:08:53,590 --> 00:08:52,240

and so it's just gonna be cool man it's

236

00:08:56,070 --> 00:08:53,600

gonna be cool just

237

00:08:57,430 --> 00:08:56,080

getting to help him out and have the guy

238

00:08:59,350 --> 00:08:57,440

tell a story you know

239

00:09:02,630 --> 00:08:59,360

yeah that's what it is that's all it is

240

00:09:05,110 --> 00:09:02,640

i don't know if we'll win any awards but

241

00:09:06,310 --> 00:09:05,120

i'm just excited to like tell the story

242

00:09:08,070 --> 00:09:06,320

dude like

243

00:09:10,070 --> 00:09:08,080

me too man there was a moment when we

244

00:09:13,269 --> 00:09:10,080

were we were talking to

245

00:09:14,550 --> 00:09:13,279

uh i mean it was

246

00:09:16,710 --> 00:09:14,560

it was like the second night or

247

00:09:19,350 --> 00:09:16,720

something like that we were talking eric

248

00:09:20,389 --> 00:09:19,360

had uh that zoom up with like a few

249

00:09:22,070 --> 00:09:20,399

people

250

00:09:23,590 --> 00:09:22,080

and i like looked over at you guys and i

251

00:09:25,910 --> 00:09:23,600

just started getting giddy like a kid

252

00:09:29,110 --> 00:09:25,920

like laughing i was like dude

253

00:09:30,790 --> 00:09:29,120

this is [h\_\_h] cool dude yeah this is

254

00:09:34,070 --> 00:09:30,800

gonna be huge

255

00:09:34,630 --> 00:09:34,080

uh yeah yeah i i just remember that like

256

00:09:37,509 --> 00:09:34,640

moment

257

00:09:39,990 --> 00:09:37,519

uh feeling like oh [h\_\_h] this is actually

258

00:09:42,710 --> 00:09:40,000

really good

259

00:09:43,670 --> 00:09:42,720

it was it was yeah from our original

260

00:09:47,110 --> 00:09:43,680

idea

261

00:09:49,269 --> 00:09:47,120

you know just like no expectations let's

262

00:09:52,710 --> 00:09:49,279

just go in and do what we can do and

263

00:09:55,910 --> 00:09:52,720

man it's like

264

00:09:56,470 --> 00:09:55,920

it's way better like what i even

265

00:09:57,910 --> 00:09:56,480

envisioned

266

00:09:59,750 --> 00:09:57,920

it was way better than us having just

267

00:10:01,990 --> 00:09:59,760

our cell phones

268

00:10:04,069 --> 00:10:02,000

yep so that's that's pretty awesome man

269

00:10:05,829 --> 00:10:04,079

but yeah that was a it was a great trip

270

00:10:07,910 --> 00:10:05,839

it was a great trip i'm ready to get him

271

00:10:09,670 --> 00:10:07,920

up here and uh

272

00:10:11,190 --> 00:10:09,680

and finish it off because i think we can

273

00:10:13,509 --> 00:10:11,200

finish it off in this next

274

00:10:14,949 --> 00:10:13,519

this next trip dude yeah i i think it

275

00:10:17,750 --> 00:10:14,959

yeah it's one more trip

276  
00:10:19,750 --> 00:10:17,760  
and we've got ourselves a documentary

277  
00:10:27,190 --> 00:10:19,760  
dude

278  
00:10:30,710 --> 00:10:27,200  
uh i haven't had a chance to read the uh

279  
00:10:32,470 --> 00:10:30,720  
the uh uh the article

280  
00:10:34,389 --> 00:10:32,480  
you were telling me about the israeli

281  
00:10:37,509 --> 00:10:34,399  
dude who said

282  
00:10:40,069 --> 00:10:37,519  
gorilla the israelites and they know

283  
00:10:40,949 --> 00:10:40,079  
uh they know who the galactic federation

284  
00:10:44,230 --> 00:10:40,959  
is bro

285  
00:10:45,030 --> 00:10:44,240  
so you know that term the galactic

286  
00:10:47,190 --> 00:10:45,040  
federation

287  
00:10:48,310 --> 00:10:47,200  
like we've been kind of playing with

288  
00:10:50,470 --> 00:10:48,320

that idea

289

00:10:52,150 --> 00:10:50,480

almost like tongue-in-cheek because it

290

00:10:54,470 --> 00:10:52,160

it kind of came from corey good

291

00:10:56,550 --> 00:10:54,480

that's where i heard it first the

292

00:10:58,949 --> 00:10:56,560

galactic federation

293

00:10:59,990 --> 00:10:58,959

so i mean i've heard it but i've also

294

00:11:02,550 --> 00:11:00,000

heard that dude say

295

00:11:04,150 --> 00:11:02,560

it too you know like it's just it's

296

00:11:07,269 --> 00:11:04,160

really a guy or what

297

00:11:11,190 --> 00:11:07,279

no no corey good oh yeah but no i mean i

298

00:11:13,750 --> 00:11:11,200

i heard it before like i i knew him

299

00:11:14,470 --> 00:11:13,760

star wars has a galactic federation i

300

00:11:18,069 --> 00:11:14,480

mean like

301

00:11:21,110 --> 00:11:18,079

it's i don't know you know

302

00:11:21,990 --> 00:11:21,120

it's okay i tell you what how about you

303

00:11:23,750 --> 00:11:22,000

tell me about the

304

00:11:26,870 --> 00:11:23,760

the article and the story and then we'll

305

00:11:29,430 --> 00:11:26,880

get into just like ideas and stuff yeah

306

00:11:29,990 --> 00:11:29,440

all right before i could pass judgment

307

00:11:32,069 --> 00:11:30,000

for sure

308

00:11:33,509 --> 00:11:32,079

yeah i mean just for the listeners and

309

00:11:34,790 --> 00:11:33,519

you know you said you hadn't read the

310

00:11:37,829 --> 00:11:34,800

article but

311

00:11:40,069 --> 00:11:37,839

in surmise uh there's an article i mean

312

00:11:41,910 --> 00:11:40,079

everybody's picking it up dude nbc

313

00:11:43,269 --> 00:11:41,920

wall street journal wall street journal

314

00:11:45,590 --> 00:11:43,279

did kind of like a

315

00:11:47,269 --> 00:11:45,600

a perspective piece from the perspective

316

00:11:50,470 --> 00:11:47,279

of of an alien

317

00:11:52,470 --> 00:11:50,480

like that's a part of the uh galactic

318

00:11:53,750 --> 00:11:52,480

federation so it's kind of funny like a

319

00:11:56,069 --> 00:11:53,760

little bit but

320

00:11:57,750 --> 00:11:56,079

uh the most like serious one that i

321

00:12:00,790 --> 00:11:57,760

found was the nbc one

322

00:12:02,710 --> 00:12:00,800

and i mean it's it's a it's an article

323

00:12:04,790 --> 00:12:02,720

like it's not like hey this is what this

324

00:12:05,750 --> 00:12:04,800

person said like right up so you kind of

325

00:12:08,389 --> 00:12:05,760

have to dig

326

00:12:09,829 --> 00:12:08,399

everything's in quotes but this is the

327

00:12:12,790 --> 00:12:09,839

first quote uh and this is

328

00:12:15,030 --> 00:12:12,800

from the uh the former israeli space

329

00:12:17,430 --> 00:12:15,040

security chief

330

00:12:19,030 --> 00:12:17,440

so israeli i mean they're like one of

331

00:12:20,629 --> 00:12:19,040

the one of the superpowers

332

00:12:22,629 --> 00:12:20,639

in the world i mean they're not they're

333

00:12:24,870 --> 00:12:22,639

not like a third world

334

00:12:26,069 --> 00:12:24,880

where they are they're definitely a

335

00:12:29,590 --> 00:12:26,079

superpower yeah

336

00:12:32,230 --> 00:12:29,600

i mean they're not they're not like

337

00:12:32,870 --> 00:12:32,240

living in the amazon in a rain forest

338

00:12:36,069 --> 00:12:32,880

like they've

339

00:12:36,710 --> 00:12:36,079

right like look it's like there's like

340

00:12:39,670 --> 00:12:36,720

those guys

341

00:12:41,350 --> 00:12:39,680

they've got some [h\_\_h] dude yeah they're

342

00:12:44,069 --> 00:12:41,360

they're a superpower because

343

00:12:45,190 --> 00:12:44,079

they got you know they're like they're

344

00:12:48,790 --> 00:12:45,200

friends with us

345

00:12:50,710 --> 00:12:48,800

you're like kind of a super power you

346

00:12:53,269 --> 00:12:50,720

like talk [h\_\_h] to people a little bit

347

00:12:54,470 --> 00:12:53,279

you're like hey get off my lawn they're

348

00:12:56,150 --> 00:12:54,480

like who are you

349

00:12:59,590 --> 00:12:56,160

they're like don't make me call my

350

00:13:02,470 --> 00:13:00,550

they're kind of like they're kind of

351  
00:13:03,430 --> 00:13:02,480  
like that uh that kid in school that had

352  
00:13:05,030 --> 00:13:03,440  
like a really

353  
00:13:07,350 --> 00:13:05,040  
like a cool house that his parents will

354  
00:13:10,470 --> 00:13:07,360  
eat party at and they're like

355  
00:13:11,910 --> 00:13:10,480  
hey so you gotta hey i know like

356  
00:13:13,829 --> 00:13:11,920  
ben's a little bit annoying but like

357  
00:13:15,430 --> 00:13:13,839  
he's really good friends with with joe

358  
00:13:16,710 --> 00:13:15,440  
and his parents have a badass house and

359  
00:13:18,069 --> 00:13:16,720  
they let us drink and smoke over there

360  
00:13:21,190 --> 00:13:18,079  
so like you kind of have to be

361  
00:13:23,030 --> 00:13:21,200  
like nice to ben yeah it's kind of like

362  
00:13:28,550 --> 00:13:23,040  
that

363  
00:13:29,509 --> 00:13:28,560

but yeah like so what are they saying so

364

00:13:32,550 --> 00:13:29,519

well one of the

365

00:13:34,949 --> 00:13:32,560

quotes is is uh the so this is the

366

00:13:35,750 --> 00:13:34,959

direct quote the unidentified flying

367

00:13:38,230 --> 00:13:35,760

objects

368

00:13:39,110 --> 00:13:38,240

have asked not to publish that they are

369

00:13:42,310 --> 00:13:39,120

here

370

00:13:45,990 --> 00:13:42,320

humanity is not ready yet

371

00:13:48,949 --> 00:13:46,000

so it goes on to say like yeah there's a

372

00:13:52,350 --> 00:13:48,959

thing called the galactic federation

373

00:13:54,710 --> 00:13:52,360

and it's basically a bunch of

374

00:13:55,670 --> 00:13:54,720

extraterrestrials that are here on the

375

00:13:58,069 --> 00:13:55,680

planet that it's

376

00:14:00,230 --> 00:13:58,079

he and there's a quote that he says

377

00:14:03,269 --> 00:14:00,240

they've there's a contract between

378

00:14:04,470 --> 00:14:03,279

the extraterrestrials and the us and

379

00:14:06,310 --> 00:14:04,480

you know we're a part of it you know

380

00:14:07,990 --> 00:14:06,320

they'll they didn't he doesn't really

381

00:14:09,829 --> 00:14:08,000

specify that it's a global thing he

382

00:14:10,389 --> 00:14:09,839

really just talks about the us but he's

383

00:14:13,670 --> 00:14:10,399

saying

384

00:14:16,470 --> 00:14:13,680

that there's a contract that they are

385

00:14:16,790 --> 00:14:16,480

here to conduct experiments he doesn't

386

00:14:19,670 --> 00:14:16,800

say

387

00:14:21,189 --> 00:14:19,680

what experiments but there's like an

388

00:14:23,110 --> 00:14:21,199

agreement that there's

389

00:14:25,430 --> 00:14:23,120

extraterrestrials here and we know about

390

00:14:29,110 --> 00:14:25,440

it the u.s government knows about it

391

00:14:33,990 --> 00:14:29,120

and the signing contractor

392

00:14:40,310 --> 00:14:37,030

that's that's pretty much it interesting

393

00:14:42,389 --> 00:14:40,320

yeah interesting so is the like he only

394

00:14:43,750 --> 00:14:42,399

mentions the us like nobody else

395

00:14:46,550 --> 00:14:43,760

is a part of it or they just don't

396

00:14:47,350 --> 00:14:46,560

mention it no yeah no it's just does he

397

00:14:50,710 --> 00:14:47,360

say how many

398

00:14:52,069 --> 00:14:50,720

how many uh like civilizations are part

399

00:14:55,269 --> 00:14:52,079

of this federation

400

00:14:57,269 --> 00:14:55,279

no he doesn't um no no uh so

401

00:14:59,590 --> 00:14:57,279

our good buddy nick pope uh has a

402

00:15:01,509 --> 00:14:59,600

comment his quote is either this is some

403

00:15:03,509 --> 00:15:01,519

sort of practical joke or publicity

404

00:15:05,990 --> 00:15:03,519

stunt to help sell his book

405

00:15:06,870 --> 00:15:06,000

perhaps with something having been lost

406

00:15:10,470 --> 00:15:06,880

in translation

407

00:15:13,750 --> 00:15:10,480

or someone in the know is breaking ranks

408

00:15:16,150 --> 00:15:13,760

so we have a pretty

409

00:15:17,509 --> 00:15:16,160

uh i mean nick pope as we all know is

410

00:15:20,710 --> 00:15:17,519

super smart guy

411

00:15:22,710 --> 00:15:20,720

uh his comment on that is like

412

00:15:24,310 --> 00:15:22,720

yeah so this could be [h\_\_h] fake or

413

00:15:26,389 --> 00:15:24,320

he's just trying to sell books

414

00:15:28,470 --> 00:15:26,399

or he's breaking the law basically

415

00:15:31,990 --> 00:15:28,480

breaking range breaking the law

416

00:15:34,550 --> 00:15:32,000

right so who's no it does say x

417

00:15:35,910 --> 00:15:34,560

you use the guy used to be yeah yeah

418

00:15:40,870 --> 00:15:35,920

yeah it's kind of like but

419

00:15:45,430 --> 00:15:44,069

yeah yeah i mean so yeah

420

00:15:47,030 --> 00:15:45,440

that's that's an interesting way to

421

00:15:48,550 --> 00:15:47,040

think about it like yeah he's either

422

00:15:50,069 --> 00:15:48,560

he's either making this [h\_\_h] up or

423

00:15:51,910 --> 00:15:50,079

he's breaking the law right because why

424

00:15:54,230 --> 00:15:51,920

would that be something that

425

00:15:55,749 --> 00:15:54,240

you're allowed to say to anybody if you

426

00:15:59,189 --> 00:15:55,759

knew about it right

427

00:16:03,590 --> 00:16:01,590

that's that's what i hate about this

428

00:16:07,110 --> 00:16:03,600

dude is that you're left with okay

429

00:16:09,670 --> 00:16:07,120

yes or no pick one yeah

430

00:16:10,949 --> 00:16:09,680

it's it's it's like hard to find like

431

00:16:14,230 --> 00:16:10,959

okay what's the middle

432

00:16:17,350 --> 00:16:14,240

information there like why is this like

433

00:16:19,670 --> 00:16:17,360

yes and no like

434

00:16:20,550 --> 00:16:19,680

yes it's real and no i'm not breaking

435

00:16:23,829 --> 00:16:20,560

the law

436

00:16:25,269 --> 00:16:23,839

yeah or no this isn't real and yes i'm

437

00:16:27,269 --> 00:16:25,279

breaking the law

438

00:16:29,910 --> 00:16:27,279

right or i don't know i don't know i

439

00:16:31,910 --> 00:16:29,920

don't know how you marry those two

440

00:16:33,030 --> 00:16:31,920

it's so it's i mean it's that that's the

441

00:16:36,949 --> 00:16:33,040

description of

442

00:16:39,350 --> 00:16:36,959

this whole thing right like this so

443

00:16:40,710 --> 00:16:39,360

when you told me about it i hadn't even

444

00:16:43,430 --> 00:16:40,720

read the article yet but

445

00:16:45,189 --> 00:16:43,440

i internally felt the same way nick pope

446

00:16:47,030 --> 00:16:45,199

did i guess

447

00:16:49,350 --> 00:16:47,040

you know yeah it was just kind of like

448

00:16:51,590 --> 00:16:49,360

i've just heard so many like

449

00:16:52,870 --> 00:16:51,600

galactic federation stories that it's

450

00:16:55,590 --> 00:16:52,880

like

451  
00:16:56,870 --> 00:16:55,600  
okay you know it's it's it's hard to i

452  
00:16:58,710 --> 00:16:56,880  
don't know it's kind of hard to take

453  
00:16:59,410 --> 00:16:58,720  
serious but at the same time

454  
00:17:02,829 --> 00:16:59,420  
thrusters

455  
00:17:08,870 --> 00:17:02,839  
[Laughter]

456  
00:17:08,880 --> 00:17:13,829  
yeah dude i mean it just sounds silly

457  
00:17:19,669 --> 00:17:16,230  
you know they like they ambiguously just

458  
00:17:21,590 --> 00:17:19,679  
like roll through the screen

459  
00:17:23,590 --> 00:17:21,600  
the frog guy with the big like wide set

460  
00:17:30,710 --> 00:17:23,600  
eyes yes

461  
00:17:35,350 --> 00:17:33,669  
yeah dude i don't know obvious it's

462  
00:17:41,350 --> 00:17:35,360  
obvious why it sounds silly

463  
00:17:45,590 --> 00:17:43,830

it's it's almost like okay so if like if

464

00:17:48,549 --> 00:17:45,600

like aliens are real

465

00:17:50,630 --> 00:17:48,559

and like these badass time traveling

466

00:17:53,669 --> 00:17:50,640

spaceships are real

467

00:17:54,549 --> 00:17:53,679

why isn't a [h\_\_h] galactic federation

468

00:17:56,870 --> 00:17:54,559

real you know like

469

00:17:58,230 --> 00:17:56,880

why why couldn't that be real yeah where

470

00:18:00,710 --> 00:17:58,240

does this other stuff

471

00:18:01,990 --> 00:18:00,720

is real right yeah where exactly where

472

00:18:05,909 --> 00:18:02,000

does it stop

473

00:18:07,510 --> 00:18:05,919

just because uh you know like

474

00:18:09,909 --> 00:18:07,520

it i think it's more about like where

475

00:18:13,430 --> 00:18:09,919

the information is coming from you know

476  
00:18:16,470 --> 00:18:13,440  
like it's yeah this guy is an israeli

477  
00:18:19,510 --> 00:18:16,480  
like whatever he was

478  
00:18:21,750 --> 00:18:19,520  
like what was he uh the

479  
00:18:24,150 --> 00:18:21,760  
intelligence or some former israeli

480  
00:18:27,590 --> 00:18:24,160  
space security chief

481  
00:18:29,909 --> 00:18:27,600  
okay okay it's it's strange like

482  
00:18:30,950 --> 00:18:29,919  
to to build onto your point like i just

483  
00:18:34,310 --> 00:18:30,960  
made me think of

484  
00:18:37,590 --> 00:18:34,320  
uh the quality of references

485  
00:18:40,710 --> 00:18:37,600  
that are coming out in the rece

486  
00:18:43,990 --> 00:18:40,720  
in the recent time in the recent times

487  
00:18:47,350 --> 00:18:44,000  
that are like so uh incredible

488  
00:18:48,950 --> 00:18:47,360

like it seems like 40 years ago

489

00:18:51,029 --> 00:18:48,960

anybody that would have come out to say

490

00:18:52,549 --> 00:18:51,039

this would have been like yeah no i work

491

00:18:55,270 --> 00:18:52,559

at uh staples

492

00:18:56,950 --> 00:18:55,280

but like yeah but like now it's almost

493

00:18:58,310 --> 00:18:56,960

it's almost like this generational thing

494

00:18:59,430 --> 00:18:58,320

where like people that were interested

495

00:19:02,630 --> 00:18:59,440

in it as kids

496

00:19:06,230 --> 00:19:02,640

in the 70s and 80s or whatever are now

497

00:19:08,630 --> 00:19:06,240

like real like people with really

498

00:19:10,150 --> 00:19:08,640

important jobs but they've always like

499

00:19:12,070 --> 00:19:10,160

been interested in this [h\_\_\h] so you

500

00:19:14,230 --> 00:19:12,080

really don't know

501  
00:19:16,549 --> 00:19:14,240  
if you're making this [\h\_\_\h] up cause they

502  
00:19:18,070 --> 00:19:16,559  
grew up with this [\h\_\_\h] on tv and movies

503  
00:19:18,630 --> 00:19:18,080  
and like it's been indoctrinated like if

504  
00:19:20,950 --> 00:19:18,640  
you're

505  
00:19:22,390 --> 00:19:20,960  
into this stuff like you and i are like

506  
00:19:25,750 --> 00:19:22,400  
right right

507  
00:19:26,150 --> 00:19:25,760  
yeah it's almost like it's such a weird

508  
00:19:27,750 --> 00:19:26,160  
like

509  
00:19:29,669 --> 00:19:27,760  
it's such a weird thing to have happen

510  
00:19:31,909 --> 00:19:29,679  
because you know

511  
00:19:33,830 --> 00:19:31,919  
it used to be like unacceptable to talk

512  
00:19:37,270 --> 00:19:33,840  
about it so like if somebody

513  
00:19:37,990 --> 00:19:37,280

like felt the need to really talk about

514

00:19:39,669 --> 00:19:38,000

it like you

515

00:19:41,510 --> 00:19:39,679

really perked your ears up because you

516

00:19:43,510 --> 00:19:41,520

were like okay

517

00:19:45,110 --> 00:19:43,520

nobody talks about this [h\_\_h] i want to

518

00:19:45,909 --> 00:19:45,120

hear what this guy has to say or

519

00:19:48,950 --> 00:19:45,919

whatever

520

00:19:51,990 --> 00:19:48,960

but now it's like it is accepted

521

00:19:56,470 --> 00:19:52,000

so like it does does that make it

522

00:20:00,789 --> 00:19:56,480

easier for people to be like oh yeah uh

523

00:20:04,230 --> 00:20:02,950

you know of course there's houses on

524

00:20:07,430 --> 00:20:04,240

venus you know

525

00:20:08,950 --> 00:20:07,440

like i know about it hey man you got hey

526

00:20:10,870 --> 00:20:08,960

you have to read this 30

527

00:20:12,789 --> 00:20:10,880

30 000 page document man there's

528

00:20:14,710 --> 00:20:12,799

venusians man

529

00:20:16,070 --> 00:20:14,720

you have to interview me i'm [h\_\_\h]

530

00:20:18,549 --> 00:20:16,080

important dude

531

00:20:19,750 --> 00:20:18,559

but so yeah we see how ridiculous that

532

00:20:23,110 --> 00:20:19,760

is but then

533

00:20:26,390 --> 00:20:23,120

again you flip it around like okay

534

00:20:28,870 --> 00:20:26,400

i i believe you know like

535

00:20:31,430 --> 00:20:28,880

if there's aliens and if there's like

536

00:20:33,029 --> 00:20:31,440

these badass spaceships or if there's

537

00:20:36,310 --> 00:20:33,039

not that and it's like some

538

00:20:38,230 --> 00:20:36,320

energy bubble dimensional [h\_\_h]

539

00:20:40,070 --> 00:20:38,240

why isn't there a house on venus right

540

00:20:43,830 --> 00:20:40,080

you know like why couldn't there be

541

00:20:44,230 --> 00:20:43,840

yeah yeah dude and i know people are

542

00:20:45,990 --> 00:20:44,240

gonna

543

00:20:48,070 --> 00:20:46,000

think about that yeah i know people are

544

00:20:49,990 --> 00:20:48,080

like well because science right science

545

00:20:51,830 --> 00:20:50,000

you can't put a house on on venus but

546

00:20:53,590 --> 00:20:51,840

like i don't know like i couldn't debate

547

00:20:54,470 --> 00:20:53,600

you if i wanted to like i'm not a

548

00:20:56,390 --> 00:20:54,480

physicist

549

00:20:57,510 --> 00:20:56,400

and most the people i talk to aren't

550

00:20:59,190 --> 00:20:57,520

either

551  
00:21:00,950 --> 00:20:59,200  
and they're so like helping i'll be like

552  
00:21:04,149 --> 00:21:00,960  
well dude science but it's like

553  
00:21:05,430 --> 00:21:04,159  
do you really know like what what is the

554  
00:21:07,669 --> 00:21:05,440  
air pressure on

555  
00:21:10,789 --> 00:21:07,679  
venus without googling what is the air

556  
00:21:12,470 --> 00:21:10,799  
pressure on venus if you said that to 98

557  
00:21:13,909 --> 00:21:12,480  
people they would be like i don't

558  
00:21:16,789 --> 00:21:13,919  
[h\_\_\h] know well like

559  
00:21:18,230 --> 00:21:16,799  
did don't tell me science if i'm like

560  
00:21:20,549 --> 00:21:18,240  
there's a house on venus

561  
00:21:22,310 --> 00:21:20,559  
right so now i just made it acceptable

562  
00:21:24,149 --> 00:21:22,320  
so it's like it's either crazy

563  
00:21:26,149 --> 00:21:24,159

or it's like totally acceptable that's

564

00:21:26,870 --> 00:21:26,159

such a weird thing to like have to deal

565

00:21:28,630 --> 00:21:26,880

with

566

00:21:30,070 --> 00:21:28,640

constantly that's such a good point like

567

00:21:32,950 --> 00:21:30,080

conversationally when people

568

00:21:34,149 --> 00:21:32,960

just spit out like no it can't it can't

569

00:21:35,430 --> 00:21:34,159

happen because science

570

00:21:36,950 --> 00:21:35,440

and then you're like you check them on

571

00:21:38,470 --> 00:21:36,960

their actual science knowledge and

572

00:21:41,510 --> 00:21:38,480

they're like

573

00:21:42,070 --> 00:21:41,520

[\h\_\_\h] don't know [\h\_\_\h] like no it's

574

00:21:44,070 --> 00:21:42,080

like

575

00:21:46,870 --> 00:21:44,080

i guarantee you 80 of the people on this

576

00:21:49,909 --> 00:21:46,880

planet don't know how the moon works

577

00:21:51,029 --> 00:21:49,919

right right yeah oh the like oh yeah you

578

00:21:53,830 --> 00:21:51,039

know like there's there's

579

00:21:55,350 --> 00:21:53,840

like there's a reason why you see uh the

580

00:21:56,230 --> 00:21:55,360

moon during the day and people are like

581

00:21:58,310 --> 00:21:56,240

wait hold on

582

00:21:59,750 --> 00:21:58,320

what and they just they don't ever look

583

00:22:00,149 --> 00:21:59,760

up and they're like oh [h\_\_h] you're right

584

00:22:01,669 --> 00:22:00,159

there

585

00:22:03,190 --> 00:22:01,679

you can see the moon during the day

586

00:22:05,430 --> 00:22:03,200

during certain types of

587

00:22:07,190 --> 00:22:05,440

times of year is that new i think

588

00:22:10,549 --> 00:22:07,200

there's a conspiracy there

589

00:22:12,549 --> 00:22:10,559

i think this is man-made like

590

00:22:13,750 --> 00:22:12,559

so anyway like fact-checking people on

591

00:22:16,870 --> 00:22:13,760

like oh yeah

592

00:22:20,070 --> 00:22:16,880

blake and blake get statement oh science

593

00:22:23,190 --> 00:22:20,080

yeah to your point like if if

594

00:22:25,669 --> 00:22:23,200

bubbles like these spacecraft are able

595

00:22:26,230 --> 00:22:25,679

to defy gravity by creating this bubble

596

00:22:28,310 --> 00:22:26,240

of

597

00:22:30,710 --> 00:22:28,320

their own inertia around themselves why

598

00:22:32,710 --> 00:22:30,720

can't they do that in a stationary

599

00:22:34,310 --> 00:22:32,720

place on on it literally anywhere just

600

00:22:35,590 --> 00:22:34,320

floating around why do they even have to

601  
00:22:37,590 --> 00:22:35,600  
be on a planet watch

602  
00:22:39,909 --> 00:22:37,600  
this right they hang out in space man

603  
00:22:40,710 --> 00:22:39,919  
the view is great that's what they do

604  
00:22:44,950 --> 00:22:40,720  
yeah

605  
00:22:48,230 --> 00:22:44,960  
weird head space to be

606  
00:22:50,950 --> 00:22:48,240  
in because because now

607  
00:22:52,789 --> 00:22:50,960  
it allows you to just like say the most

608  
00:22:55,830 --> 00:22:52,799  
ridiculous [h\_\_\h]

609  
00:22:59,190 --> 00:22:55,840  
and then like you're like well

610  
00:23:03,350 --> 00:22:59,200  
that sounds stupid

611  
00:23:06,710 --> 00:23:03,360  
but is it possible yeah like

612  
00:23:08,870 --> 00:23:06,720  
it's it it's almost like uh

613  
00:23:09,830 --> 00:23:08,880

with with culture right now i like to

614

00:23:12,870 --> 00:23:09,840

think of culture

615

00:23:16,549 --> 00:23:12,880

right now as in uh this

616

00:23:19,110 --> 00:23:16,559

so before uh before there was like

617

00:23:20,710 --> 00:23:19,120

uh you know tv and all that like sketch

618

00:23:22,230 --> 00:23:20,720

comedy shows there was like stand-up

619

00:23:25,510 --> 00:23:22,240

comedy right and like

620

00:23:27,990 --> 00:23:25,520

it was so provocative like uh mrs

621

00:23:30,149 --> 00:23:28,000

marvelous mrs maisel or whatever it was

622

00:23:33,350 --> 00:23:30,159

right you know a woman on stage

623

00:23:35,669 --> 00:23:33,360

my god you know yeah it was a great show

624

00:23:37,909 --> 00:23:35,679

so it's a great show uh so out of the

625

00:23:40,230 --> 00:23:37,919

ordinary and now

626  
00:23:42,070 --> 00:23:40,240  
to today's time it's so outrageous where

627  
00:23:43,269 --> 00:23:42,080  
like everything is a joke everything is

628  
00:23:45,830 --> 00:23:43,279  
a meme and like

629  
00:23:47,510 --> 00:23:45,840  
if any kind of serious truth comes out

630  
00:23:48,470 --> 00:23:47,520  
somebody's gonna make a meme about it i

631  
00:23:53,110 --> 00:23:48,480  
mean

632  
00:23:56,950 --> 00:23:53,120  
like there's some there's

633  
00:23:58,789 --> 00:23:56,960  
billions of means billions of means

634  
00:24:00,470 --> 00:23:58,799  
about like the most serious stuff so

635  
00:24:03,590 --> 00:24:00,480  
like it's almost like a

636  
00:24:04,710 --> 00:24:03,600  
perfect time to come out about

637  
00:24:07,430 --> 00:24:04,720  
disclosure

638  
00:24:09,190 --> 00:24:07,440

for any government to be like yeah yeah

639

00:24:12,070 --> 00:24:09,200

yeah no there's a galactic federation

640

00:24:12,789 --> 00:24:12,080

anyway so burger king thoughts about

641

00:24:16,070 --> 00:24:12,799

their fries

642

00:24:16,549 --> 00:24:16,080

like it doesn't it's not no no one knows

643

00:24:18,630 --> 00:24:16,559

what

644

00:24:20,390 --> 00:24:18,640

like everything's a joke everything is a

645

00:24:22,390 --> 00:24:20,400

joke yeah and i don't know if that's

646

00:24:25,350 --> 00:24:22,400

just western culture but

647

00:24:25,909 --> 00:24:25,360

that's how i i perceive it man i think

648

00:24:29,510 --> 00:24:25,919

it is

649

00:24:31,269 --> 00:24:29,520

you know like it's it's kind of a it's

650

00:24:34,149 --> 00:24:31,279

that's kind of a cool like

651  
00:24:36,310 --> 00:24:34,159  
way to think about it like if you like

652  
00:24:38,310 --> 00:24:36,320  
as a westerner like you have so much

653  
00:24:40,470 --> 00:24:38,320  
free time and luxury in your life that

654  
00:24:43,350 --> 00:24:40,480  
like everything is [h\_\_h] funny

655  
00:24:44,310 --> 00:24:43,360  
you know even even tragic things are

656  
00:24:46,870 --> 00:24:44,320  
like funny

657  
00:24:48,390 --> 00:24:46,880  
and become jokes because like your house

658  
00:24:49,830 --> 00:24:48,400  
is air-conditioned you're not getting

659  
00:24:51,350 --> 00:24:49,840  
eaten up by mosquitoes you don't have to

660  
00:24:53,909 --> 00:24:51,360  
worry about aids and

661  
00:24:54,789 --> 00:24:53,919  
[h\_\_h] like that like your water is clean

662  
00:24:57,110 --> 00:24:54,799  
and you flush

663  
00:24:58,710 --> 00:24:57,120

gallons of the [h\_\_h] a day you know like

664

00:24:59,269 --> 00:24:58,720

everything's funny like of course your

665

00:25:02,310 --> 00:24:59,279

life is

666

00:25:04,789 --> 00:25:02,320

awesome but can you imagine like

667

00:25:06,710 --> 00:25:04,799

living in some [h\_\_h] hut that you had

668

00:25:08,710 --> 00:25:06,720

to like construct yesterday with your

669

00:25:11,750 --> 00:25:08,720

bare [h\_\_h] hands and it's like

670

00:25:13,029 --> 00:25:11,760

no this [h\_\_h] is not funny you're like

671

00:25:15,750 --> 00:25:13,039

the mosquitoes are terrible

672

00:25:16,070 --> 00:25:15,760

so true there's a lion right over there

673

00:25:19,510 --> 00:25:16,080

no

674

00:25:21,110 --> 00:25:19,520

[h\_\_h] lion and hyenas i'm waiting to

675

00:25:23,430 --> 00:25:21,120

pick his scraps

676

00:25:25,190 --> 00:25:23,440

yeah they now that hyena will eat my

677

00:25:28,630 --> 00:25:25,200

[h\_\_\h]

678

00:25:31,510 --> 00:25:28,640

yeah like fruit loops

679

00:25:32,310 --> 00:25:31,520

[h\_\_\h] ready to go how come libyans

680

00:25:35,430 --> 00:25:32,320

aren't funny

681

00:25:37,750 --> 00:25:35,440

oh well because their entire like state

682

00:25:39,269 --> 00:25:37,760

has been leveled by bombs that's why

683

00:25:40,710 --> 00:25:39,279

they're not funny they don't feel like

684

00:25:43,430 --> 00:25:40,720

[h\_\_\h] joking right now

685

00:25:44,070 --> 00:25:43,440

yeah how come like like the majority of

686

00:25:46,310 --> 00:25:44,080

like

687

00:25:48,070 --> 00:25:46,320

the uh continent of africa doesn't have

688

00:25:49,430 --> 00:25:48,080

more stand-up comedy oh cause like a lot

689

00:25:51,750 --> 00:25:49,440

of it's desert and no one

690

00:25:52,789 --> 00:25:51,760

[h\_\_\h] lives there it's really tough to

691

00:25:54,230 --> 00:25:52,799

live there

692

00:25:56,549 --> 00:25:54,240

like you ever tried to do stand-up

693

00:25:58,870 --> 00:25:56,559

comedy do you ever try to do stand-up

694

00:26:01,990 --> 00:25:58,880

comedy with a gorilla behind you

695

00:26:04,630 --> 00:26:02,000

yeah yeah

696

00:26:05,430 --> 00:26:04,640

so i mean dude that's a great like i

697

00:26:08,070 --> 00:26:05,440

guess

698

00:26:10,390 --> 00:26:08,080

yeah the the stand-up comedy i think it

699

00:26:12,870 --> 00:26:10,400

roots instead i think it roots and com

700

00:26:14,149 --> 00:26:12,880

the root is in comedy right like it's so

701  
00:26:15,750 --> 00:26:14,159  
absurd

702  
00:26:17,590 --> 00:26:15,760  
all those points you just said like yeah

703  
00:26:18,070 --> 00:26:17,600  
our [h\_\_\h] lives are awesome dude we

704  
00:26:21,430 --> 00:26:18,080  
flush

705  
00:26:24,789 --> 00:26:21,440  
more clean water down our pooper shooter

706  
00:26:27,269 --> 00:26:24,799  
than than most villages have

707  
00:26:29,190 --> 00:26:27,279  
around the world like that's pretty

708  
00:26:30,230 --> 00:26:29,200  
insane if you're living in such a cush

709  
00:26:32,870 --> 00:26:30,240  
life like

710  
00:26:34,310 --> 00:26:32,880  
yeah you have a luxury to to find things

711  
00:26:36,549 --> 00:26:34,320  
hilarious

712  
00:26:38,230 --> 00:26:36,559  
yeah and so when it comes to like

713  
00:26:39,669 --> 00:26:38,240

serious topics like

714

00:26:41,430 --> 00:26:39,679

hey yeah there might be some alien

715

00:26:43,909 --> 00:26:41,440

overlords that are part of this

716

00:26:44,870 --> 00:26:43,919

galactic federation that are doing

717

00:26:47,669 --> 00:26:44,880

experiments

718

00:26:48,230 --> 00:26:47,679

on the planet and uh whatever that if

719

00:26:50,149 --> 00:26:48,240

you would just

720

00:26:51,510 --> 00:26:50,159

were to say that to somebody that has

721

00:26:54,549 --> 00:26:51,520

some real [h\_\_\h] to deal with

722

00:26:56,149 --> 00:26:54,559

on a daily basis like doesn't know like

723

00:26:59,110 --> 00:26:56,159

what breakfast is

724

00:27:00,870 --> 00:26:59,120

right like that that doesn't have really

725

00:27:02,710 --> 00:27:00,880

affect them unless they're

726

00:27:04,070 --> 00:27:02,720

hoping that they would bring food or

727

00:27:08,310 --> 00:27:04,080

something i don't know

728

00:27:09,909 --> 00:27:08,320

or they would be like oh my god

729

00:27:11,510 --> 00:27:09,919

just another thing i have to deal with

730

00:27:14,149 --> 00:27:11,520

now like

731

00:27:15,750 --> 00:27:14,159

you mean to tell me that all this stuff

732

00:27:17,909 --> 00:27:15,760

is happening around me and now i have to

733

00:27:18,950 --> 00:27:17,919

worry about a galactic federation that

734

00:27:21,990 --> 00:27:18,960

exists in my

735

00:27:24,230 --> 00:27:22,000

in my world now yeah like

736

00:27:27,029 --> 00:27:24,240

like like their their subconscious has

737

00:27:28,549 --> 00:27:27,039

to like dial that out

738

00:27:30,310 --> 00:27:28,559

you know in a way we're like i don't

739

00:27:32,310 --> 00:27:30,320

even want to hear that like okay

740

00:27:34,789 --> 00:27:32,320

that's i want to know about that jaguar

741

00:27:35,510 --> 00:27:34,799

that just moved in that's also like a

742

00:27:38,710 --> 00:27:35,520

cool

743

00:27:42,230 --> 00:27:41,350

we as like this western culture like we

744

00:27:44,230 --> 00:27:42,240

have so much

745

00:27:46,789 --> 00:27:44,240

technology and this and that but like

746

00:27:49,990 --> 00:27:46,799

what if you really did like go to like a

747

00:27:51,750 --> 00:27:50,000

you know like a very isolated like tribe

748

00:27:53,909 --> 00:27:51,760

or something and then you were like hey

749

00:27:55,750 --> 00:27:53,919

there's a galactic federation

750

00:27:57,430 --> 00:27:55,760

they'd be like i've never even seen a

751

00:27:59,430 --> 00:27:57,440

toaster like i don't know

752

00:28:01,029 --> 00:27:59,440

what the [h\_\_h] you're talking about at

753

00:28:01,830 --> 00:28:01,039

all yeah

754

00:28:04,870 --> 00:28:01,840

they would you know what they would

755

00:28:07,110 --> 00:28:04,880

probably do is say like oh yeah we know

756

00:28:08,549 --> 00:28:07,120

you would have to break it down yeah

757

00:28:09,350 --> 00:28:08,559

they would probably say yeah we know

758

00:28:11,430 --> 00:28:09,360

yeah like okay

759

00:28:13,029 --> 00:28:11,440

that makes sense okay is that what

760

00:28:14,789 --> 00:28:13,039

you're is that what you're

761

00:28:16,230 --> 00:28:14,799

that's you're just choosing to call it

762

00:28:17,510 --> 00:28:16,240

that we yeah no that [h\_\_h] has been

763

00:28:19,909 --> 00:28:17,520

around for [h\_\_h] every

764

00:28:22,549 --> 00:28:19,919

have you ever accidentally ate in a

765

00:28:25,830 --> 00:28:22,559

mushroom that was growing out of a

766

00:28:26,470 --> 00:28:25,840

cow turds yeah i've had plenty meetings

767

00:28:29,990 --> 00:28:26,480

with the

768

00:28:34,070 --> 00:28:30,000

the the gf so yeah we're like buddies

769

00:28:35,990 --> 00:28:34,080

yeah i'm pretty important in the gf

770

00:28:37,110 --> 00:28:36,000

and then they're like by the way if they

771

00:28:40,230 --> 00:28:37,120

ever ask you

772

00:28:41,909 --> 00:28:40,240

don't sign a contract and we think we're

773

00:28:44,789 --> 00:28:41,919

all smart because we signed a contract

774

00:28:46,149 --> 00:28:44,799

yeah so i was telling jess she was like

775

00:28:48,870 --> 00:28:46,159

what are you joe going to talk about

776

00:28:50,070 --> 00:28:48,880

and i was like very nonchalantly like oh

777

00:28:51,190 --> 00:28:50,080

well i guess there's this one thing

778

00:28:53,830 --> 00:28:51,200

there's like

779

00:28:54,950 --> 00:28:53,840

this guy's like a galactic federation

780

00:28:57,750 --> 00:28:54,960

and she's like

781

00:28:59,110 --> 00:28:57,760

what yeah supposedly like we signed a

782

00:28:59,909 --> 00:28:59,120

contract with them and she was like

783

00:29:02,950 --> 00:28:59,919

signed a

784

00:29:03,750 --> 00:29:02,960

contract do they even have hands like

785

00:29:07,029 --> 00:29:03,760

what does that even

786

00:29:09,990 --> 00:29:07,039

mean would that even mean anything

787

00:29:10,310 --> 00:29:10,000

to an extraterrestrial what does that

788

00:29:14,710 --> 00:29:10,320

mean

789

00:29:18,230 --> 00:29:16,870

the contract itself is such a human

790

00:29:21,110 --> 00:29:18,240

construct

791

00:29:22,470 --> 00:29:21,120

i was like holy [h\_\_h] you're so smart the

792

00:29:24,870 --> 00:29:22,480

cat is smart

793

00:29:27,190 --> 00:29:24,880

like we think that we think aliens gave

794

00:29:31,350 --> 00:29:27,200

us a piece of paper

795

00:29:34,950 --> 00:29:31,360

[h\_\_h] no dude in a pin [h\_\_h] no

796

00:29:36,950 --> 00:29:34,960

their their idea of a contract is like

797

00:29:38,789 --> 00:29:36,960

i mean their equivalency of a contract

798

00:29:40,389 --> 00:29:38,799

would be like oh let's rewrite a portion

799

00:29:43,590 --> 00:29:40,399

of your dna

800

00:29:46,310 --> 00:29:43,600

like that's how much right way above

801  
00:29:48,230 --> 00:29:46,320  
what we're like it's also contract

802  
00:29:50,149 --> 00:29:48,240  
you're so dumb dude

803  
00:29:51,430 --> 00:29:50,159  
there's a piece of paper saying that

804  
00:29:55,909 --> 00:29:51,440  
thing is in

805  
00:29:59,190 --> 00:29:55,919  
hey did you signed it to you you said it

806  
00:30:01,990 --> 00:29:59,200  
that's so dumb that's so [h\_\_h] dumb

807  
00:30:03,830 --> 00:30:02,000  
yeah sorry people are people have to be

808  
00:30:06,310 --> 00:30:03,840  
people are liars sometimes

809  
00:30:06,950 --> 00:30:06,320  
yeah so it's like okay this is what

810  
00:30:11,029 --> 00:30:06,960  
happened

811  
00:30:17,190 --> 00:30:11,039  
this thing

812  
00:30:19,350 --> 00:30:17,200  
put it on a piece of pulp wood and now

813  
00:30:22,870 --> 00:30:19,360

it's now it's a visual now we have to

814

00:30:25,909 --> 00:30:22,880

you know it's the same idea of like uh

815

00:30:28,870 --> 00:30:25,919

how we give value to to paper money

816

00:30:30,389 --> 00:30:28,880

why also why is it paper why can't it be

817

00:30:33,350 --> 00:30:30,399

like something cool you know

818

00:30:35,990 --> 00:30:33,360

like gold well it used to be yeah but

819

00:30:37,909 --> 00:30:36,000

what if it was though

820

00:30:39,430 --> 00:30:37,919

you know you know what i'm saying i

821

00:30:42,470 --> 00:30:39,440

don't know i don't know

822

00:30:45,669 --> 00:30:42,480

i guess you'd have to get a

823

00:30:47,190 --> 00:30:45,679

get a pick and go mine some i'm not

824

00:30:48,470 --> 00:30:47,200

trying to play skyrim right now dude i

825

00:30:49,990 --> 00:30:48,480

already played too much of that dude i

826

00:30:53,269 --> 00:30:50,000

already mine a lot of gold

827

00:30:55,430 --> 00:30:53,279

skyrim man but i don't know man the

828

00:30:56,870 --> 00:30:55,440

galactic federation what i mean what are

829

00:30:59,909 --> 00:30:56,880

you what are your thoughts

830

00:31:03,909 --> 00:30:59,919

dude yes no yes [h\_\_\h] yes yes

831

00:31:06,630 --> 00:31:03,919

a possibility 100 100 percent

832

00:31:07,669 --> 00:31:06,640

it's a possibility uh why not it would

833

00:31:10,310 --> 00:31:07,679

make sense

834

00:31:11,990 --> 00:31:10,320

um and i think he's it could it could it

835

00:31:14,950 --> 00:31:12,000

could just mean that like

836

00:31:16,230 --> 00:31:14,960

i'm making sense of what would make

837

00:31:18,630 --> 00:31:16,240

sense for me and i think

838

00:31:19,350 --> 00:31:18,640

we've talked about this before but like

839

00:31:23,269 --> 00:31:19,360

if there

840

00:31:26,630 --> 00:31:23,279

are billions of billions and billions

841

00:31:28,630 --> 00:31:26,640

of uh of of intellectual

842

00:31:30,870 --> 00:31:28,640

beings out there that are kind of you

843

00:31:33,830 --> 00:31:30,880

know traveling back and forth

844

00:31:34,870 --> 00:31:33,840

there should be some kind of centered or

845

00:31:37,029 --> 00:31:34,880

unified

846

00:31:38,230 --> 00:31:37,039

structure to the place but that could

847

00:31:41,669 --> 00:31:38,240

just be

848

00:31:43,590 --> 00:31:41,679

my puzzle solving human brain

849

00:31:44,830 --> 00:31:43,600

i mean it just makes sense but what

850

00:31:48,070 --> 00:31:44,840

makes sense to

851

00:31:51,110 --> 00:31:48,080

another brain chemistry

852

00:31:53,590 --> 00:31:51,120

could not make sense to us in a way so

853

00:31:54,470 --> 00:31:53,600

like i don't know maybe i'm getting too

854

00:31:56,470 --> 00:31:54,480

deep on that but

855

00:31:57,509 --> 00:31:56,480

but for me it makes sense that there

856

00:32:00,470 --> 00:31:57,519

should be

857

00:32:01,990 --> 00:32:00,480

a you in for the for the galaxy so [h\_\_\h]

858

00:32:03,029 --> 00:32:02,000

yeah dude i think it's a possibility man

859

00:32:04,149 --> 00:32:03,039

i don't think he's i don't think he's

860

00:32:06,070 --> 00:32:04,159

full of [h\_\_\h]

861

00:32:07,509 --> 00:32:06,080

i think i think if if he i think he

862

00:32:08,950 --> 00:32:07,519

might be half true

863

00:32:12,470 --> 00:32:08,960

i don't think it's called the galactic

864

00:32:18,789 --> 00:32:16,310

you know yeah maybe maybe

865

00:32:20,870 --> 00:32:18,799

also dude i mean there's just i don't

866

00:32:23,269 --> 00:32:20,880

know there's so much like crazy

867

00:32:24,630 --> 00:32:23,279

other crazy stuff that makes that not

868

00:32:29,029 --> 00:32:24,640

seem that crazy

869

00:32:30,789 --> 00:32:29,039

you know like what okay

870

00:32:32,070 --> 00:32:30,799

well no i was listening to this thing

871

00:32:32,710 --> 00:32:32,080

the other day and they were talking

872

00:32:35,190 --> 00:32:32,720

about

873

00:32:37,269 --> 00:32:35,200

star gates and how water is like a

874

00:32:38,389 --> 00:32:37,279

primary source of like a star gate so

875

00:32:42,230 --> 00:32:38,399

you could technically like

876

00:32:43,990 --> 00:32:42,240

open a stargate like near some water

877

00:32:45,350 --> 00:32:44,000

or like a pool and then they were

878

00:32:46,549 --> 00:32:45,360

talking about how like certain

879

00:32:48,789 --> 00:32:46,559

bloodlines

880

00:32:50,070 --> 00:32:48,799

throughout history have been tracked so

881

00:32:53,190 --> 00:32:50,080

whoever like

882

00:32:53,909 --> 00:32:53,200

these shadowy people are they know

883

00:32:57,029 --> 00:32:53,919

exactly

884

00:32:58,789 --> 00:32:57,039

where you are where you live and they

885

00:33:00,870 --> 00:32:58,799

have tracked your bloodline throughout

886

00:33:01,590 --> 00:33:00,880

history well then they got to talking

887

00:33:04,630 --> 00:33:01,600

about how

888

00:33:05,029 --> 00:33:04,640

vaginas can be stargates and so that's

889

00:33:07,590 --> 00:33:05,039

why

890

00:33:09,830 --> 00:33:07,600

certain bloodlines are like really

891

00:33:11,909 --> 00:33:09,840

important because every like so often

892

00:33:13,669 --> 00:33:11,919

like there will be like this female

893

00:33:14,950 --> 00:33:13,679

who can like create a stargate with her

894

00:33:17,350 --> 00:33:14,960

vagina and so like

895

00:33:18,870 --> 00:33:17,360

they have like an incarnated soul that

896

00:33:21,669 --> 00:33:18,880

comes into life

897

00:33:23,669 --> 00:33:21,679

into this being and then like it goes

898

00:33:24,389 --> 00:33:23,679

through her vagina which is a stargate

899

00:33:27,190 --> 00:33:24,399

dude

900

00:33:27,669 --> 00:33:27,200

so yeah the galactic federation totally

901  
00:33:31,029 --> 00:33:27,679  
like

902  
00:33:33,590 --> 00:33:31,039  
i totally believe that

903  
00:33:35,509 --> 00:33:33,600  
dude i think i was born out of that

904  
00:33:38,389 --> 00:33:35,519  
stargate dude

905  
00:33:39,590 --> 00:33:38,399  
i don't know it's okay so the way i said

906  
00:33:42,070 --> 00:33:39,600  
it was kind of like

907  
00:33:42,870 --> 00:33:42,080  
not a dumb but like no no that didn't

908  
00:33:45,669 --> 00:33:42,880  
sound done to me

909  
00:33:47,750 --> 00:33:45,679  
i mean i'll send you i'll send you i'll

910  
00:33:52,070 --> 00:33:47,760  
send you the link yeah dude what

911  
00:33:55,110 --> 00:33:52,080  
[h\_\_h] i mean there's wow dude you know

912  
00:33:55,909 --> 00:33:55,120  
that [h\_\_h] was out of this world bro we

913  
00:33:58,870 --> 00:33:55,919

should uh

914

00:33:59,590 --> 00:33:58,880

message uh who is it cardi b did that

915

00:34:03,430 --> 00:33:59,600

song

916

00:34:05,509 --> 00:34:03,440

yeah i guess so

917

00:34:07,269 --> 00:34:05,519

i don't know yeah i think you have to

918

00:34:09,030 --> 00:34:07,279

we'll have to send her a message

919

00:34:11,909 --> 00:34:09,040

and ask her to do a remix where she

920

00:34:15,190 --> 00:34:11,919

talks about her vagina being a stargate

921

00:34:18,069 --> 00:34:15,200

because it's super whack you know bro

922

00:34:19,430 --> 00:34:18,079

like okay so you had you had me very

923

00:34:20,230 --> 00:34:19,440

interested when you were talking about

924

00:34:22,869 --> 00:34:20,240

like the

925

00:34:24,790 --> 00:34:22,879

con the connection between like water

926  
00:34:27,349 --> 00:34:24,800  
and stargates

927  
00:34:28,950 --> 00:34:27,359  
like that was cool and then you said the

928  
00:34:32,950 --> 00:34:28,960  
the vagina part

929  
00:34:35,750 --> 00:34:32,960  
totally broke it all all down like

930  
00:34:36,230 --> 00:34:35,760  
like it was it was a joke right like but

931  
00:34:38,470 --> 00:34:36,240  
no

932  
00:34:40,149 --> 00:34:38,480  
that wasn't a joke that's like real like

933  
00:34:44,310 --> 00:34:40,159  
there's there's

934  
00:34:46,230 --> 00:34:44,320  
some people like believe this um

935  
00:34:47,829 --> 00:34:46,240  
yeah see that's that's the dangerous

936  
00:34:50,069 --> 00:34:47,839  
part about it is like we're sitting here

937  
00:34:51,349 --> 00:34:50,079  
like judging because that sounds so out

938  
00:34:55,109 --> 00:34:51,359

of

939

00:34:58,790 --> 00:34:55,119

out like un implausible but

940

00:35:02,069 --> 00:34:58,800

bro we're going down this road yeah

941

00:35:03,670 --> 00:35:02,079

at this point it's like we have to not

942

00:35:07,190 --> 00:35:03,680

accept everything but

943

00:35:09,910 --> 00:35:07,200

at least entertain like the what if

944

00:35:11,430 --> 00:35:09,920

like the idea like okay the possible at

945

00:35:12,470 --> 00:35:11,440

the end of the day you can totally be

946

00:35:14,230 --> 00:35:12,480

like no that's

947

00:35:16,150 --> 00:35:14,240

total [h\_\_\h] but you have to like

948

00:35:18,630 --> 00:35:16,160

entertain the the possibility

949

00:35:20,069 --> 00:35:18,640

of it to even you know start to

950

00:35:22,630 --> 00:35:20,079

deconstruct it

951  
00:35:23,670 --> 00:35:22,640  
yeah well i think that's that's why even

952  
00:35:26,470 --> 00:35:23,680  
like saying this

953  
00:35:28,310 --> 00:35:26,480  
on on a podcast is like that's that's

954  
00:35:30,069 --> 00:35:28,320  
why we bring this [h\_\_h] up is to break it

955  
00:35:33,510 --> 00:35:30,079  
down right so like

956  
00:35:36,470 --> 00:35:33,520  
what would be the line of of

957  
00:35:37,910 --> 00:35:36,480  
validity there like okay so i could see

958  
00:35:40,470 --> 00:35:37,920  
i can see all right

959  
00:35:41,030 --> 00:35:40,480  
i could see that that uh you know you

960  
00:35:44,310 --> 00:35:41,040  
were talking

961  
00:35:46,950 --> 00:35:44,320  
thing right like the uh

962  
00:35:48,470 --> 00:35:46,960  
yeah this energy the chakra energy

963  
00:35:51,270 --> 00:35:48,480

that's created when

964

00:35:53,030 --> 00:35:51,280

when uh when a human life is is born and

965

00:35:54,470 --> 00:35:53,040

then like there's levels and you don't

966

00:35:55,829 --> 00:35:54,480

reach a certain level until you're like

967

00:35:57,589 --> 00:35:55,839

a specific age

968

00:35:58,630 --> 00:35:57,599

and there's some dark [h\_\_\h] involved and

969

00:35:59,670 --> 00:35:58,640

i don't really don't want to talk about

970

00:36:00,790 --> 00:35:59,680

that part but

971

00:36:03,030 --> 00:36:00,800

you're right you know what i'm talking

972

00:36:05,589 --> 00:36:03,040

about but uh well this whole vagina

973

00:36:08,710 --> 00:36:05,599

stargate thing is related to that

974

00:36:10,710 --> 00:36:08,720

did you say this old vagina [h\_\_\h] no

975

00:36:12,069 --> 00:36:10,720

i said this hole which is kind of

976

00:36:15,270 --> 00:36:12,079

funnier if you think about

977

00:36:19,750 --> 00:36:18,069

it's deep dude yeah it's it's pretty

978

00:36:24,230 --> 00:36:19,760

crazy

979

00:36:27,670 --> 00:36:24,240

think about all right let's i mean

980

00:36:31,109 --> 00:36:27,680

entertain this idea uh the the woo-woo

981

00:36:34,150 --> 00:36:31,119

aspect of of of birth itself it's like

982

00:36:36,870 --> 00:36:34,160

oh we think of being born

983

00:36:37,829 --> 00:36:36,880

is okay you're now in the matrix like

984

00:36:43,109 --> 00:36:37,839

you're

985

00:36:44,790 --> 00:36:43,119

game

986

00:36:48,310 --> 00:36:44,800

so that's kind of cool to think about

987

00:36:51,589 --> 00:36:48,320

and the vagina is almost like this

988

00:36:53,910 --> 00:36:51,599

stargate a portal it kind of is yeah

989

00:36:55,510 --> 00:36:53,920

so like it's funny to say but like if

990

00:36:55,910 --> 00:36:55,520

you really kind of think about it you're

991

00:36:59,190 --> 00:36:55,920

like

992

00:37:01,670 --> 00:36:59,200

huh interesting yeah

993

00:37:03,270 --> 00:37:01,680

interesting um i think we're like you

994

00:37:06,870 --> 00:37:03,280

know convincing ourselves of

995

00:37:07,670 --> 00:37:06,880

uh but but that it does make sense like

996

00:37:09,829 --> 00:37:07,680

anybody else

997

00:37:11,109 --> 00:37:09,839

out of context listening to this is

998

00:37:12,390 --> 00:37:11,119

going to be like right all right well

999

00:37:14,710 --> 00:37:12,400

these guys just [h\_\_h] believe

1000

00:37:15,750 --> 00:37:14,720

everything but right i mean come on it's

1001  
00:37:19,589 --> 00:37:15,760  
it's fun

1002  
00:37:23,589 --> 00:37:19,599  
to entertain the idea yeah dude

1003  
00:37:26,630 --> 00:37:23,599  
um so i think who was it let me see

1004  
00:37:27,270 --> 00:37:26,640  
there was a cool post um that was on our

1005  
00:37:30,630 --> 00:37:27,280  
facebook

1006  
00:37:32,550 --> 00:37:30,640  
the other day and this is actually why

1007  
00:37:34,230 --> 00:37:32,560  
i kind of got down that rabbit hole

1008  
00:37:35,510 --> 00:37:34,240  
because i i started looking at this

1009  
00:37:38,630 --> 00:37:35,520  
stuff yeah

1010  
00:37:39,109 --> 00:37:38,640  
it was it was a crazy story i'll give it

1011  
00:37:42,150 --> 00:37:39,119  
that

1012  
00:37:44,230 --> 00:37:42,160  
but like i said um

1013  
00:37:45,670 --> 00:37:44,240

i started just entertaining the idea and

1014

00:37:46,710 --> 00:37:45,680

then i went down this rabbit hole let me

1015

00:37:47,670 --> 00:37:46,720

see if i can find it it's on our

1016

00:37:50,630 --> 00:37:47,680

facebook real quick

1017

00:37:50,870 --> 00:37:50,640

yeah in the meantime i'll say this this

1018

00:37:55,430 --> 00:37:50,880

really

1019

00:37:56,069 --> 00:37:55,440

up uh there's a meme that somebody uh

1020

00:37:58,950 --> 00:37:56,079

that

1021

00:38:00,310 --> 00:37:58,960

louis posted and it's about the galactic

1022

00:38:01,510 --> 00:38:00,320

federation thing and it's uh

1023

00:38:03,589 --> 00:38:01,520

i don't know if you know who john

1024

00:38:05,589 --> 00:38:03,599

mullaney is he's a stand-up comedian

1025

00:38:08,390 --> 00:38:05,599

yeah uh it's that meme it's like uh it

1026

00:38:10,710 --> 00:38:08,400

starts out humans colon

1027

00:38:12,790 --> 00:38:10,720

can we meet the aliens yet and the

1028

00:38:13,430 --> 00:38:12,800

galactic federation colon it's a photo

1029

00:38:15,829 --> 00:38:13,440

of uh

1030

00:38:18,550 --> 00:38:15,839

uh john mulaney not unless everybody

1031

00:38:21,270 --> 00:38:18,560

gets real cool bunch of stuff

1032

00:38:22,630 --> 00:38:21,280

really quickly yeah yeah that's gonna

1033

00:38:24,950 --> 00:38:22,640

have to happen for sure

1034

00:38:26,950 --> 00:38:24,960

basically what happens because a lot of

1035

00:38:29,190 --> 00:38:26,960

people aren't uh

1036

00:38:31,030 --> 00:38:29,200

well you know i i don't know i feel like

1037

00:38:32,150 --> 00:38:31,040

times are changing i think maybe people

1038

00:38:33,829 --> 00:38:32,160

would be okay with it

1039

00:38:35,750 --> 00:38:33,839

at this point you know they'd be like

1040

00:38:37,349 --> 00:38:35,760

all right post coven man i think people

1041

00:38:41,430 --> 00:38:37,359

are

1042

00:38:44,710 --> 00:38:41,440

not only looking for more purpose

1043

00:38:47,190 --> 00:38:44,720

uh but also more open-minded and

1044

00:38:47,910 --> 00:38:47,200

kind of just shell-shocked over this

1045

00:38:51,109 --> 00:38:47,920

past year

1046

00:38:52,870 --> 00:38:51,119

i mean so much has happened i mean it's

1047

00:38:54,630 --> 00:38:52,880

it's so easy to make a joke about like

1048

00:38:57,829 --> 00:38:54,640

oh yeah [h\_\_h] aliens could come down

1049

00:39:01,510 --> 00:38:57,839

like everybody be cool with it but

1050

00:39:04,470 --> 00:39:01,520

okay i found it um

1051  
00:39:05,750 --> 00:39:04,480  
so it was this guy uh it was posted by

1052  
00:39:09,190 --> 00:39:05,760  
by joey peters

1053  
00:39:11,430 --> 00:39:09,200  
and uh he said this one's out there

1054  
00:39:13,990 --> 00:39:11,440  
and he was right it was uh uh do you

1055  
00:39:16,230 --> 00:39:14,000  
trust donald marshall's testimony

1056  
00:39:17,750 --> 00:39:16,240  
and dude this guy started like talking

1057  
00:39:23,829 --> 00:39:17,760  
about

1058  
00:39:26,630 --> 00:39:23,839  
uh celebrities like they'll sell their

1059  
00:39:29,270 --> 00:39:26,640  
their their souls to the devil basically

1060  
00:39:29,990 --> 00:39:29,280  
um and then they get this fame well

1061  
00:39:35,109 --> 00:39:30,000  
that's

1062  
00:39:36,870 --> 00:39:35,119  
it's like what they what they do is like

1063  
00:39:38,310 --> 00:39:36,880

really powerful people will approach

1064

00:39:40,470 --> 00:39:38,320

them and they'll say

1065

00:39:41,910 --> 00:39:40,480

you know like you know like hey we can

1066

00:39:42,470 --> 00:39:41,920

help you with this we can help you with

1067

00:39:44,310 --> 00:39:42,480

that

1068

00:39:46,550 --> 00:39:44,320

but what they end up doing is like they

1069

00:39:48,310 --> 00:39:46,560

are actually taking dna

1070

00:39:49,910 --> 00:39:48,320

so what they'll do is they'll take dna

1071

00:39:52,870 --> 00:39:49,920

from these people

1072

00:39:53,510 --> 00:39:52,880

and then they'll clone them and so these

1073

00:39:56,230 --> 00:39:53,520

people

1074

00:39:56,950 --> 00:39:56,240

are selling a piece of them to the

1075

00:39:59,510 --> 00:39:56,960

powerful

1076  
00:40:00,710 --> 00:39:59,520  
so that way they can be cloned and so he

1077  
00:40:02,390 --> 00:40:00,720  
was like what they do

1078  
00:40:03,910 --> 00:40:02,400  
is they'll take people like britney

1079  
00:40:07,030 --> 00:40:03,920  
spears and

1080  
00:40:10,150 --> 00:40:07,040  
like uh tequila and they'll clone them

1081  
00:40:10,710 --> 00:40:10,160  
and then and so they'll basically just

1082  
00:40:12,470 --> 00:40:10,720  
like do

1083  
00:40:13,829 --> 00:40:12,480  
like [h\_\_\h] up [h\_\_\h] and like they'll

1084  
00:40:17,109 --> 00:40:13,839  
have sex with like

1085  
00:40:19,750 --> 00:40:17,119  
britney spears and tia tequila because

1086  
00:40:21,030 --> 00:40:19,760  
why not right so like or like if they'll

1087  
00:40:22,950 --> 00:40:21,040  
do like

1088  
00:40:24,069 --> 00:40:22,960

these things where like people want to

1089

00:40:27,030 --> 00:40:24,079

know he was like

1090

00:40:29,030 --> 00:40:27,040

the clones are used um basically for

1091

00:40:31,349 --> 00:40:29,040

like dark [h\_\_h] he was like

1092

00:40:32,230 --> 00:40:31,359

um if somebody wanted to know what it's

1093

00:40:34,470 --> 00:40:32,240

like to stab

1094

00:40:35,589 --> 00:40:34,480

somebody they'll take a clone and

1095

00:40:37,430 --> 00:40:35,599

they'll just like

1096

00:40:39,349 --> 00:40:37,440

give that person a knife and they'll go

1097

00:40:40,550 --> 00:40:39,359

to a room and he'll just stab somebody

1098

00:40:42,710 --> 00:40:40,560

or murder somebody

1099

00:40:45,030 --> 00:40:42,720

but it doesn't matter because it's clone

1100

00:40:46,150 --> 00:40:45,040

but he did say that whenever you go to

1101  
00:40:48,470 --> 00:40:46,160  
sleep at night

1102  
00:40:49,910 --> 00:40:48,480  
if you are cloned they're able to

1103  
00:40:53,109 --> 00:40:49,920  
somehow transfer

1104  
00:40:53,829 --> 00:40:53,119  
your consciousness to the clone so you

1105  
00:40:56,550 --> 00:40:53,839  
are

1106  
00:40:58,309 --> 00:40:56,560  
experiencing everything the clone is and

1107  
00:41:00,790 --> 00:40:58,319  
so that's why these celebrities go

1108  
00:41:02,150 --> 00:41:00,800  
[h\_\_\h] crazy because say you're cloned

1109  
00:41:05,270 --> 00:41:02,160  
a few times right

1110  
00:41:07,109 --> 00:41:05,280  
say you're britney spears well

1111  
00:41:09,190 --> 00:41:07,119  
you go to sleep and they're able to take

1112  
00:41:11,430 --> 00:41:09,200  
your consciousness and put it in a clone

1113  
00:41:13,349 --> 00:41:11,440

well it just so happened guess what that

1114

00:41:13,670 --> 00:41:13,359

night somebody wanted to know what it's

1115

00:41:16,950 --> 00:41:13,680

like

1116

00:41:19,190 --> 00:41:16,960

to burn a person alive so they're

1117

00:41:20,950 --> 00:41:19,200

experiencing being burned alive until

1118

00:41:23,750 --> 00:41:20,960

they die and then they get

1119

00:41:24,790 --> 00:41:23,760

transferred back to their real body and

1120

00:41:26,870 --> 00:41:24,800

so they wake up

1121

00:41:28,790 --> 00:41:26,880

or it's an accidental consequence of

1122

00:41:31,750 --> 00:41:28,800

that like their consciousnesses don't

1123

00:41:33,030 --> 00:41:31,760

really know where to localize maybe but

1124

00:41:36,150 --> 00:41:33,040

he said that they knew

1125

00:41:37,990 --> 00:41:36,160

how to move your consciousness over

1126

00:41:40,150 --> 00:41:38,000

so that's a part of it they're able to

1127

00:41:42,950 --> 00:41:40,160

take your consciousness and move it over

1128

00:41:43,670 --> 00:41:42,960

so they would just so that's a [h\_\_h] up

1129

00:41:46,309 --> 00:41:43,680

thought like

1130

00:41:48,470 --> 00:41:46,319

doing it on purpose thinking about that

1131

00:41:49,829 --> 00:41:48,480

example the the burning alive until you

1132

00:41:52,790 --> 00:41:49,839

die

1133

00:41:53,670 --> 00:41:52,800

yeah like like being so absurd like some

1134

00:41:55,750 --> 00:41:53,680

like shadow

1135

00:41:57,589 --> 00:41:55,760

billionaire that no one will ever know

1136

00:41:59,670 --> 00:41:57,599

his or her name

1137

00:42:01,270 --> 00:41:59,680

is like you know what i've got a lot of

1138

00:42:02,470 --> 00:42:01,280

money i want to know what it's like to

1139

00:42:05,910 --> 00:42:02,480

stab

1140

00:42:08,950 --> 00:42:05,920

britney spears exactly and then they pay

1141

00:42:10,950 --> 00:42:08,960

they pay a couple million bucks

1142

00:42:13,190 --> 00:42:10,960

and then there's this clone and then

1143

00:42:16,710 --> 00:42:13,200

they walk into a room and they're like

1144

00:42:19,750 --> 00:42:16,720

hi i'm i'm brittany and then they

1145

00:42:22,790 --> 00:42:19,760

they just they just uh they uh

1146

00:42:32,150 --> 00:42:27,190

that is so

1147

00:42:34,950 --> 00:42:32,160

disturbing one but also

1148

00:42:36,550 --> 00:42:34,960

i mean we're on this we're on this train

1149

00:42:39,910 --> 00:42:36,560

of thought of like

1150

00:42:42,870 --> 00:42:39,920

entertaining ideas yeah but this one in

1151  
00:42:45,430 --> 00:42:42,880  
particular is more believable than

1152  
00:42:46,630 --> 00:42:45,440  
there's a a race of beings living on the

1153  
00:42:50,870 --> 00:42:46,640  
surface of venus

1154  
00:42:53,829 --> 00:42:50,880  
for me okay okay

1155  
00:42:55,030 --> 00:42:53,839  
i'll take that as an acceptable answer

1156  
00:42:58,150 --> 00:42:55,040  
that's just how i feel

1157  
00:42:59,270 --> 00:42:58,160  
down him yeah yeah i mean i think it's i

1158  
00:43:01,030 --> 00:42:59,280  
think it's very tough to live on the

1159  
00:43:04,069 --> 00:43:01,040  
surface of venus

1160  
00:43:05,589 --> 00:43:04,079  
so in this video what do you why do you

1161  
00:43:06,470 --> 00:43:05,599  
believe hold on why do you believe that

1162  
00:43:10,150 --> 00:43:06,480  
dude

1163  
00:43:13,510 --> 00:43:11,589

what's the air intensity pressure of

1164

00:43:16,950 --> 00:43:13,520

venus science

1165

00:43:19,510 --> 00:43:16,960

oh okay i believe you

1166

00:43:21,109 --> 00:43:19,520

so yeah dude and so he was saying like

1167

00:43:26,390 --> 00:43:21,119

um

1168

00:43:28,230 --> 00:43:26,400

and that that's happened to him before

1169

00:43:31,030 --> 00:43:28,240

like he's been burned he's been

1170

00:43:32,710 --> 00:43:31,040

cut he's been stabbed he's been molested

1171

00:43:38,309 --> 00:43:32,720

he's been all this stuff

1172

00:43:45,349 --> 00:43:41,829

so he apparently um

1173

00:43:48,630 --> 00:43:45,359

wrote a bunch of famous songs

1174

00:43:51,430 --> 00:43:48,640

and so for like the music industry

1175

00:43:52,710 --> 00:43:51,440

and he even claims that he's on the uh

1176

00:43:55,430 --> 00:43:52,720

on the uh

1177

00:43:56,950 --> 00:43:55,440

there's a mega death album cover where

1178

00:43:58,069 --> 00:43:56,960

there's a skull coming out of this

1179

00:44:00,230 --> 00:43:58,079

dude's chest

1180

00:44:01,990 --> 00:44:00,240

and he claims to be the guy on the album

1181

00:44:05,430 --> 00:44:02,000

cover

1182

00:44:10,230 --> 00:44:05,440

yeah it's crazy dude who's this guy

1183

00:44:17,349 --> 00:44:15,109

um donald marshall

1184

00:44:19,190 --> 00:44:17,359

marshall all right i'll have to look him

1185

00:44:22,470 --> 00:44:19,200

up later i won't read it now but

1186

00:44:25,030 --> 00:44:22,480

so it's it's like 59 minutes in

1187

00:44:26,630 --> 00:44:25,040

28 seconds on the facebook page joey

1188

00:44:28,710 --> 00:44:26,640

peters posted it

1189

00:44:30,230 --> 00:44:28,720

um and it's just this dude telling this

1190

00:44:32,550 --> 00:44:30,240

story and it's it's like

1191

00:44:33,990 --> 00:44:32,560

it's crazy yeah it's a video and it

1192

00:44:37,349 --> 00:44:34,000

talks about like how they

1193

00:44:40,069 --> 00:44:37,359

they you know grow these clones in

1194

00:44:45,589 --> 00:44:40,079

uh so he was like yeah when you say

1195

00:44:49,589 --> 00:44:48,150

so he says that you can do like the

1196

00:44:52,309 --> 00:44:49,599

original clone

1197

00:44:54,470 --> 00:44:52,319

where like you could just take the sperm

1198

00:44:56,150 --> 00:44:54,480

and like make a clone of yourself

1199

00:44:57,910 --> 00:44:56,160

he was like but then there's like a fast

1200

00:44:59,829 --> 00:44:57,920

way and it takes like five weeks but you

1201  
00:45:02,630 --> 00:44:59,839  
can grow like a whole person

1202  
00:45:03,670 --> 00:45:02,640  
like a whole different clone dude like

1203  
00:45:06,470 --> 00:45:03,680  
that

1204  
00:45:07,109 --> 00:45:06,480  
yeah like these these big vats of like

1205  
00:45:08,710 --> 00:45:07,119  
stuff

1206  
00:45:10,150 --> 00:45:08,720  
he said they just hook them up and

1207  
00:45:13,430 --> 00:45:10,160  
that's you know dude

1208  
00:45:16,390 --> 00:45:13,440  
okay all right so

1209  
00:45:16,710 --> 00:45:16,400  
the stories the story that i've heard

1210  
00:45:19,510 --> 00:45:16,720  
well

1211  
00:45:20,470 --> 00:45:19,520  
i guess it's stories now now i'm on tick

1212  
00:45:23,750 --> 00:45:20,480  
tock

1213  
00:45:26,790 --> 00:45:23,760

season the stories of

1214

00:45:28,390 --> 00:45:26,800

of of witnesses witnessing like

1215

00:45:31,270 --> 00:45:28,400

basically slaughterhouses where they

1216

00:45:34,390 --> 00:45:31,280

have like decapitated

1217

00:45:35,589 --> 00:45:34,400

cattle that are hanging on hooks but but

1218

00:45:38,950 --> 00:45:35,599

these witnesses say that

1219

00:45:40,069 --> 00:45:38,960

it was like that like rows of of skinned

1220

00:45:43,190 --> 00:45:40,079

meat but they were

1221

00:45:45,750 --> 00:45:43,200

human bodies uh yeah

1222

00:45:47,030 --> 00:45:45,760

so yeah i need to look up that link i

1223

00:45:48,710 --> 00:45:47,040

don't know if we've ever

1224

00:45:50,150 --> 00:45:48,720

have you ever said you any of that okay

1225

00:45:53,349 --> 00:45:50,160

it's [h\_\_\h] no

1226  
00:45:57,349 --> 00:45:55,910  
it's [\h\_\_\h] up anyway it it circles back

1227  
00:45:59,670 --> 00:45:57,359  
to the reptilian

1228  
00:46:01,430 --> 00:45:59,680  
kind of thing it's like yeah yeah uh

1229  
00:46:02,550 --> 00:46:01,440  
there's like meat farming that's why

1230  
00:46:03,349 --> 00:46:02,560  
they're [\h\_\_\h] here because they're

1231  
00:46:06,230 --> 00:46:03,359  
hungry

1232  
00:46:07,270 --> 00:46:06,240  
uh that's the only reason why humans are

1233  
00:46:12,829 --> 00:46:07,280  
so

1234  
00:46:14,230 --> 00:46:12,839  
it's uh yeah it's a pretty pretty

1235  
00:46:16,870 --> 00:46:14,240  
gruesome

1236  
00:46:18,790 --> 00:46:16,880  
idea but yeah like i can imagine like

1237  
00:46:21,510 --> 00:46:18,800  
clones being

1238  
00:46:22,069 --> 00:46:21,520

that food that food source oh is that i

1239

00:46:25,270 --> 00:46:22,079

heard a

1240

00:46:26,150 --> 00:46:25,280

is that hendrix yeah she's practicing

1241

00:46:29,430 --> 00:46:26,160

her vocals dude

1242

00:46:30,790 --> 00:46:29,440

she's getting ready for bed

1243

00:46:31,910 --> 00:46:30,800

well let me know i mean we could we

1244

00:46:32,630 --> 00:46:31,920

could pause if you need to take her to

1245

00:46:34,390 --> 00:46:32,640

bed no

1246

00:46:36,230 --> 00:46:34,400

you're good you're good we just went to

1247

00:46:39,829 --> 00:46:36,240

check out a daycare today

1248

00:46:43,670 --> 00:46:39,839

bro they like teach baby yoga

1249

00:46:48,069 --> 00:46:43,680

they teach babies

1250

00:46:50,230 --> 00:46:48,079

that can't be true that's what they said

1251  
00:46:51,670 --> 00:46:50,240  
you said better you said baby yoda or

1252  
00:46:55,910 --> 00:46:51,680  
baby yoga

1253  
00:46:57,990 --> 00:46:55,920  
yoga yeah they better for as much money

1254  
00:47:01,190 --> 00:46:58,000  
as it is

1255  
00:47:02,230 --> 00:47:01,200  
baby yoga dude that's dude that's crazy

1256  
00:47:05,270 --> 00:47:02,240  
have you been watching the new

1257  
00:47:08,309 --> 00:47:05,280  
mandalorian [h\_\_h] yeah dude

1258  
00:47:11,990 --> 00:47:08,319  
holy [h\_\_h] it's so good grosqu

1259  
00:47:12,470 --> 00:47:12,000  
so good that's so cool that he has a

1260  
00:47:15,109 --> 00:47:12,480  
name

1261  
00:47:16,950 --> 00:47:15,119  
i know it is it's well finally i mean

1262  
00:47:20,309 --> 00:47:16,960  
i'm i kind of hated the

1263  
00:47:22,390 --> 00:47:20,319

name baby yoda yeah i'm glad he has a

1264

00:47:24,630 --> 00:47:22,400

name finally yeah me too

1265

00:47:26,150 --> 00:47:24,640

but uh the last episode was kind of sad

1266

00:47:29,109 --> 00:47:26,160

man

1267

00:47:29,910 --> 00:47:29,119

um the one that came out today oh

1268

00:47:31,349 --> 00:47:29,920

[h\_\_\h]

1269

00:47:33,750 --> 00:47:31,359

i have not seen the one that came out

1270

00:47:36,309 --> 00:47:33,760

today yeah i mean either say anything

1271

00:47:38,549 --> 00:47:36,319

i'm not i haven't seen it all right yeah

1272

00:47:41,670 --> 00:47:38,559

no the one last week

1273

00:47:41,990 --> 00:47:41,680

the robot the robot dudes uh fly off

1274

00:47:45,750 --> 00:47:42,000

with

1275

00:47:49,750 --> 00:47:45,760

grogoo yep grumpy

1276

00:47:52,390 --> 00:47:49,760

dude bro i'm telling you like

1277

00:47:53,910 --> 00:47:52,400

he's about to like whoop some ass he's

1278

00:47:57,109 --> 00:47:53,920

about to kill a lot of people

1279

00:48:00,309 --> 00:47:57,119

grogu is well grogu might but

1280

00:48:03,109 --> 00:48:00,319

are you talking about bobo and and uh

1281

00:48:03,990 --> 00:48:03,119

mando [h\_\_h] yeah dude they're about to

1282

00:48:06,390 --> 00:48:04,000

and what's her name

1283

00:48:07,270 --> 00:48:06,400

is dude they're about to [h\_\_h] some [h\_\_h]

1284

00:48:09,190 --> 00:48:07,280

dude i

1285

00:48:11,109 --> 00:48:09,200

stood up and i cheered when bubbles

1286

00:48:12,710 --> 00:48:11,119

showed up when i saw a ship

1287

00:48:14,870 --> 00:48:12,720

jess was like what are you like so

1288

00:48:15,990 --> 00:48:14,880

excited about i was like that's boba

1289

00:48:19,349 --> 00:48:16,000

fett

1290

00:48:21,750 --> 00:48:19,359

yes i got so stoked it's funny how

1291

00:48:23,270 --> 00:48:21,760

people were talking about his dad bod

1292

00:48:27,030 --> 00:48:23,280

because he's got like a belly

1293

00:48:27,349 --> 00:48:27,040

in his yes yeah like a gun like at first

1294

00:48:29,030 --> 00:48:27,359

you

1295

00:48:30,390 --> 00:48:29,040

like they like strategically didn't show

1296

00:48:33,430 --> 00:48:30,400

you that but there's like a couple of

1297

00:48:37,190 --> 00:48:35,910

see it which i i respect man because

1298

00:48:38,549 --> 00:48:37,200

that's like hey

1299

00:48:40,470 --> 00:48:38,559

yeah he's been traveling the united

1300

00:48:42,870 --> 00:48:40,480

states it's so great yeah i mean yeah

1301

00:48:45,430 --> 00:48:42,880

yeah just got a couple of bowls of

1302

00:48:46,870 --> 00:48:45,440

chowder every now and then you know

1303

00:48:48,630 --> 00:48:46,880

yeah they're about to [h\_\_\h] some people

1304

00:48:52,069 --> 00:48:48,640

up for sure bro

1305

00:48:54,630 --> 00:48:52,079

like it's about to get bad when bobo

1306

00:48:55,910 --> 00:48:54,640

whipped out that uh that weapon i've

1307

00:48:56,630 --> 00:48:55,920

seen similar weapons i don't know what

1308

00:48:57,990 --> 00:48:56,640

you call that

1309

00:48:59,750 --> 00:48:58,000

but i've seen it when i was in new

1310

00:49:02,710 --> 00:48:59,760

zealand i saw they had like the

1311

00:49:03,750 --> 00:49:02,720

the uh the natives in new zealand the

1312

00:49:05,270 --> 00:49:03,760

maori

1313

00:49:07,670 --> 00:49:05,280

have similar weapons where it's like

1314

00:49:08,470 --> 00:49:07,680

this big-ass [h\_\_h] club with a spike

1315

00:49:11,589 --> 00:49:08,480

on it

1316

00:49:12,230 --> 00:49:11,599

yeah i got super stoked oh [h\_\_h] i wonder

1317

00:49:14,390 --> 00:49:12,240

if he's like

1318

00:49:18,390 --> 00:49:14,400

a maori dude or maybe polynesian i don't

1319

00:49:22,790 --> 00:49:21,750

or whatever but uh yeah dude great

1320

00:49:25,910 --> 00:49:22,800

episode

1321

00:49:28,309 --> 00:49:25,920

uh it was good his little his little uh

1322

00:49:30,230 --> 00:49:28,319

grogu's little mouth is so cute like

1323

00:49:32,309 --> 00:49:30,240

he's like starting to talk

1324

00:49:33,670 --> 00:49:32,319

yeah if you notice that like this season

1325

00:49:36,390 --> 00:49:33,680

he's like started to like

1326  
00:49:37,030 --> 00:49:36,400  
gurgle he's making a lot of like noises

1327  
00:49:39,670 --> 00:49:37,040  
and like

1328  
00:49:40,950 --> 00:49:39,680  
squeaking more and stuff yeah but when

1329  
00:49:43,510 --> 00:49:40,960  
he's on that little

1330  
00:49:44,710 --> 00:49:43,520  
little sphere and he's like in the zone

1331  
00:49:47,990 --> 00:49:44,720  
he's like

1332  
00:49:51,270 --> 00:49:48,000  
he's so cute man it's so cute

1333  
00:49:54,870 --> 00:49:51,280  
i lost it oh dude hell yeah

1334  
00:49:56,870 --> 00:49:54,880  
but yeah man that was good um

1335  
00:49:58,630 --> 00:49:56,880  
so i know you've only seen like clips

1336  
00:50:01,990 --> 00:49:58,640  
dude of

1337  
00:50:02,710 --> 00:50:02,000  
the uh james fox and jack valet on joe

1338  
00:50:05,990 --> 00:50:02,720

rogan

1339

00:50:09,750 --> 00:50:06,000

yes let's talk about that dude

1340

00:50:13,430 --> 00:50:09,760

i i think that's pretty awesome honestly

1341

00:50:15,990 --> 00:50:13,440

like i think the fact that he was

1342

00:50:16,790 --> 00:50:16,000

on the show yeah the fact that he was on

1343

00:50:19,829 --> 00:50:16,800

the show is

1344

00:50:22,710 --> 00:50:19,839

pretty awesome yeah and it's like uh

1345

00:50:23,109 --> 00:50:22,720

you know i'm still i'm still learning

1346

00:50:26,230 --> 00:50:23,119

about

1347

00:50:29,349 --> 00:50:26,240

jacques valet um

1348

00:50:29,990 --> 00:50:29,359

he seems like a really cool dude um and

1349

00:50:31,349 --> 00:50:30,000

it's it's

1350

00:50:33,349 --> 00:50:31,359

one of those things where like he's you

1351  
00:50:35,750 --> 00:50:33,359  
know he's written so many books

1352  
00:50:36,390 --> 00:50:35,760  
and it's it's one thing to say yeah

1353  
00:50:38,230 --> 00:50:36,400  
there's

1354  
00:50:40,230 --> 00:50:38,240  
you know thousands and thousands of

1355  
00:50:42,150 --> 00:50:40,240  
people that have read his books but it's

1356  
00:50:45,030 --> 00:50:42,160  
another thing

1357  
00:50:45,430 --> 00:50:45,040  
to say dude millions of people just

1358  
00:50:48,790 --> 00:50:45,440  
watched

1359  
00:50:51,190 --> 00:50:48,800  
jacques valet talk and say that

1360  
00:50:51,910 --> 00:50:51,200  
yeah like jean-philly like he whatever

1361  
00:50:53,750 --> 00:50:51,920  
he his

1362  
00:50:55,190 --> 00:50:53,760  
point was that he wanted to get across

1363  
00:50:57,030 --> 00:50:55,200

right which i i feel like it was more

1364

00:50:58,950 --> 00:50:57,040

focused on james fox

1365

00:50:59,829 --> 00:50:58,960

um than it was jacques but i i kind of

1366

00:51:00,790 --> 00:50:59,839

feel like that was a little

1367

00:51:03,990 --> 00:51:00,800

disappointing but

1368

00:51:05,910 --> 00:51:04,000

i kind of feel like jock was like that's

1369

00:51:07,670 --> 00:51:05,920

the important piece that like maybe

1370

00:51:09,430 --> 00:51:07,680

people didn't get like if you're not

1371

00:51:11,430 --> 00:51:09,440

into like the subject

1372

00:51:13,030 --> 00:51:11,440

you probably didn't understand the

1373

00:51:16,230 --> 00:51:13,040

importance of jacques valet

1374

00:51:17,829 --> 00:51:16,240

right right and so it was really cool

1375

00:51:19,589 --> 00:51:17,839

that like

1376  
00:51:21,190 --> 00:51:19,599  
like i said yeah thousands and thousands

1377  
00:51:23,510 --> 00:51:21,200  
of people have read his books but

1378  
00:51:25,030 --> 00:51:23,520  
at this one moment millions and millions

1379  
00:51:27,349 --> 00:51:25,040  
of people saw

1380  
00:51:29,270 --> 00:51:27,359  
this dude and like what he had to say

1381  
00:51:32,630 --> 00:51:29,280  
yeah and then when you start

1382  
00:51:34,069 --> 00:51:32,640  
knowing like you know the the savior

1383  
00:51:36,630 --> 00:51:34,079  
connections and just

1384  
00:51:37,109 --> 00:51:36,640  
and how long he's been doing this and

1385  
00:51:39,990 --> 00:51:37,119  
like

1386  
00:51:41,109 --> 00:51:40,000  
you know working with you know uh uh

1387  
00:51:43,349 --> 00:51:41,119  
heinek and just

1388  
00:51:45,030 --> 00:51:43,359

just all kinds of badass people like

1389

00:51:48,069 --> 00:51:45,040

just throughout his life

1390

00:51:49,030 --> 00:51:48,079

and like actually like doing interviews

1391

00:51:51,589 --> 00:51:49,040

of like these

1392

00:51:52,230 --> 00:51:51,599

most famous cases that we know about

1393

00:51:54,870 --> 00:51:52,240

yeah and

1394

00:51:56,309 --> 00:51:54,880

knowing you know the details of all this

1395

00:51:59,349 --> 00:51:56,319

stuff i mean i

1396

00:52:02,309 --> 00:51:59,359

i thought it was is pretty cool um

1397

00:52:03,030 --> 00:52:02,319

dude so the i don't mean to cut you off

1398

00:52:06,230 --> 00:52:03,040

for anything but

1399

00:52:06,790 --> 00:52:06,240

no go for it uh i i had this this

1400

00:52:09,829 --> 00:52:06,800

thought

1401  
00:52:13,349 --> 00:52:09,839  
when i saw it pop up on my feet like

1402  
00:52:15,589 --> 00:52:13,359  
jacques valet on [\h\_\_\h] rogan i thought

1403  
00:52:16,470 --> 00:52:15,599  
honestly exactly i thought he was dead

1404  
00:52:19,109 --> 00:52:16,480  
dude oh

1405  
00:52:19,910 --> 00:52:19,119  
no no no i'm sorry i don't mean to be

1406  
00:52:22,790 --> 00:52:19,920  
offensive

1407  
00:52:25,349 --> 00:52:22,800  
but like he's such an iconic person in

1408  
00:52:27,030 --> 00:52:25,359  
this field he's been around forever he's

1409  
00:52:30,549 --> 00:52:27,040  
a jaylen heineck

1410  
00:52:32,950 --> 00:52:30,559  
guy like he's been there forever

1411  
00:52:34,309 --> 00:52:32,960  
dude a long ass time and i know he's

1412  
00:52:38,549 --> 00:52:34,319  
probably only like

1413  
00:52:40,790 --> 00:52:38,559

in his late 60s or early 70s but like

1414

00:52:41,589 --> 00:52:40,800

do you get what i mean by i thought he

1415

00:52:44,829 --> 00:52:41,599

was dead

1416

00:52:48,630 --> 00:52:44,839

it it i mean i mean that he's so such an

1417

00:52:55,430 --> 00:52:52,230

he's such an integral key and an uh

1418

00:52:57,670 --> 00:52:55,440

important figure in this whole topic

1419

00:52:59,430 --> 00:52:57,680

that like it's like it's like thinking

1420

00:53:02,230 --> 00:52:59,440

like oh yeah einstein oh yeah he

1421

00:53:03,510 --> 00:53:02,240

i like i i always forget that he was

1422

00:53:05,750 --> 00:53:03,520

like alive

1423

00:53:08,549 --> 00:53:05,760

when there was like photography like oh

1424

00:53:11,190 --> 00:53:08,559

there's a photo of

1425

00:53:11,589 --> 00:53:11,200

what i thought i thought he would like

1426

00:53:14,950 --> 00:53:11,599

live

1427

00:53:16,870 --> 00:53:14,960

days yes

1428

00:53:18,150 --> 00:53:16,880

so that was the that was the vibe when i

1429

00:53:20,710 --> 00:53:18,160

saw it i was like what the

1430

00:53:21,430 --> 00:53:20,720

[h\_\_h] this guy what this must be his son

1431

00:53:25,109 --> 00:53:21,440

or or

1432

00:53:27,990 --> 00:53:25,119

uh i mean another analogy would be um uh

1433

00:53:29,109 --> 00:53:28,000

uh oh what's the the the shrooms guy the

1434

00:53:31,990 --> 00:53:29,119

the trippy

1435

00:53:33,990 --> 00:53:32,000

uh oh his brother is on rogan he's been

1436

00:53:37,750 --> 00:53:34,000

his brother's been on rogan a bunch

1437

00:53:41,109 --> 00:53:37,760

he's uh uh the only the only

1438

00:53:44,230 --> 00:53:41,119

shroom guy i know is piniston oh no no

1439

00:53:47,510 --> 00:53:44,240

you're you're talking about um the um

1440

00:53:49,510 --> 00:53:47,520

damn it the [h\_\_h] is his name now i can't

1441

00:53:52,790 --> 00:53:49,520

think of his name and i feel stupid

1442

00:53:56,230 --> 00:53:52,800

um he's a he's a famous

1443

00:53:59,589 --> 00:53:56,240

uh uh leery is it yes

1444

00:54:02,950 --> 00:53:59,599

timothy leary timothy leary yes yes his

1445

00:54:04,150 --> 00:54:02,960

yeah his brother so yeah like i i was

1446

00:54:06,390 --> 00:54:04,160

thinking it was that

1447

00:54:07,750 --> 00:54:06,400

that's that was where my mind headed so

1448

00:54:10,309 --> 00:54:07,760

anyway that's the beginning

1449

00:54:11,349 --> 00:54:10,319

when i saw the clips i'm thinking this

1450

00:54:14,309 --> 00:54:11,359

whole time like

1451  
00:54:15,030 --> 00:54:14,319  
why isn't this guy tooting his own horn

1452  
00:54:17,910 --> 00:54:15,040  
because

1453  
00:54:19,829 --> 00:54:17,920  
most people that we interact with or see

1454  
00:54:22,790 --> 00:54:19,839  
podcasts or interviews with

1455  
00:54:24,309 --> 00:54:22,800  
are just talking about their new book

1456  
00:54:25,030 --> 00:54:24,319  
and their new project they're working on

1457  
00:54:27,829 --> 00:54:25,040  
and they're like

1458  
00:54:29,750 --> 00:54:27,839  
right hey this is who i know like i mean

1459  
00:54:30,950 --> 00:54:29,760  
not to call him out dude but like steve

1460  
00:54:33,109 --> 00:54:30,960  
greer is like

1461  
00:54:34,630 --> 00:54:33,119  
yeah well i'm [h\_\_\h] like i i know

1462  
00:54:37,349 --> 00:54:34,640  
[h\_\_\h] everybody like

1463  
00:54:38,390 --> 00:54:37,359

obama i looked as nuts a couple times

1464

00:54:40,470 --> 00:54:38,400

like

1465

00:54:41,430 --> 00:54:40,480

yeah everybody's just so self-involved

1466

00:54:44,150 --> 00:54:41,440

but this like

1467

00:54:45,430 --> 00:54:44,160

dude jacques valet didn't talk about

1468

00:54:48,470 --> 00:54:45,440

himself he didn't

1469

00:54:49,109 --> 00:54:48,480

like he was so chill you would not even

1470

00:54:51,510 --> 00:54:49,119

know

1471

00:54:52,230 --> 00:54:51,520

that how important of a figure he is

1472

00:54:54,710 --> 00:54:52,240

like he was

1473

00:54:55,349 --> 00:54:54,720

and that was really interesting is i was

1474

00:54:58,390 --> 00:54:55,359

wondering

1475

00:55:01,109 --> 00:54:58,400

if because joe was like joe was

1476  
00:55:01,670 --> 00:55:01,119  
was probing hard and i think he knows

1477  
00:55:03,750 --> 00:55:01,680  
but like

1478  
00:55:04,950 --> 00:55:03,760  
i wonder if he like understood the

1479  
00:55:08,390 --> 00:55:04,960  
significance

1480  
00:55:10,630 --> 00:55:08,400  
of like of jog valley i'm sure he did

1481  
00:55:11,750 --> 00:55:10,640  
joe does his research he knows who he's

1482  
00:55:14,630 --> 00:55:11,760  
talking to

1483  
00:55:15,589 --> 00:55:14,640  
cavalier with literally everybody and i

1484  
00:55:18,470 --> 00:55:15,599  
know i know dan

1485  
00:55:19,589 --> 00:55:18,480  
had pointed out uh in our group dan had

1486  
00:55:21,109 --> 00:55:19,599  
pointed out you know like

1487  
00:55:23,030 --> 00:55:21,119  
he was disappointed that you know

1488  
00:55:25,270 --> 00:55:23,040

jacques was kind of like kind of beating

1489

00:55:28,230 --> 00:55:25,280

around the bush on a bunch of stuff

1490

00:55:29,829 --> 00:55:28,240

and and like when you i guess i don't

1491

00:55:30,950 --> 00:55:29,839

know i guess when you understand his

1492

00:55:33,990 --> 00:55:30,960

involvement

1493

00:55:36,230 --> 00:55:34,000

it's like i'm i'm

1494

00:55:37,109 --> 00:55:36,240

kind of surprised he's even talking at

1495

00:55:39,829 --> 00:55:37,119

all

1496

00:55:41,750 --> 00:55:39,839

you know yeah so like for the fact that

1497

00:55:42,789 --> 00:55:41,760

he had to like kind of go around some

1498

00:55:44,470 --> 00:55:42,799

answers like

1499

00:55:46,870 --> 00:55:44,480

i don't know for me like i i guess i

1500

00:55:48,230 --> 00:55:46,880

under like i understood

1501  
00:55:50,549 --> 00:55:48,240  
because he wasn't going to tell you

1502  
00:55:53,589 --> 00:55:50,559  
there was so much banter between

1503  
00:55:54,309 --> 00:55:53,599  
joe rogan and james fox yeah that i feel

1504  
00:56:00,150 --> 00:55:54,319  
like

1505  
00:56:03,349 --> 00:56:00,160  
answer to that i just can't say it

1506  
00:56:06,710 --> 00:56:03,359  
you know bingo yeah

1507  
00:56:08,230 --> 00:56:06,720  
absolutely it almost felt like i almost

1508  
00:56:09,589 --> 00:56:08,240  
kind of started to feel bad for the guy

1509  
00:56:12,150 --> 00:56:09,599  
like he

1510  
00:56:13,190 --> 00:56:12,160  
thought he was even there so often

1511  
00:56:16,390 --> 00:56:13,200  
because

1512  
00:56:18,390 --> 00:56:16,400  
james fox i mean awesome dude

1513  
00:56:19,750 --> 00:56:18,400

great oh yeah he's great great job at

1514

00:56:21,349 --> 00:56:19,760

that documentary

1515

00:56:23,589 --> 00:56:21,359

yep the new one super knowledgeable

1516

00:56:24,470 --> 00:56:23,599

introduces some great stuff man but i i

1517

00:56:28,390 --> 00:56:24,480

it's

1518

00:56:30,230 --> 00:56:28,400

choice to have both of them on because

1519

00:56:33,270 --> 00:56:30,240

they're so

1520

00:56:34,390 --> 00:56:33,280

like holy [h\_\_h] great interviews by

1521

00:56:36,710 --> 00:56:34,400

themselves like why

1522

00:56:37,990 --> 00:56:36,720

right what was the choice there well

1523

00:56:40,870 --> 00:56:38,000

because they were they worked on the

1524

00:56:42,549 --> 00:56:40,880

documentary together

1525

00:56:44,390 --> 00:56:42,559

jacques was a big part in like helping

1526

00:56:46,789 --> 00:56:44,400

put all that together yeah

1527

00:56:47,829 --> 00:56:46,799

okay yeah so that's what it was yeah

1528

00:56:50,630 --> 00:56:47,839

yeah i uh

1529

00:56:51,510 --> 00:56:50,640

so yeah uh somewhere in the sky dude

1530

00:56:53,430 --> 00:56:51,520

sorry go ahead

1531

00:56:55,109 --> 00:56:53,440

no go for it go for it i was just real

1532

00:56:55,670 --> 00:56:55,119

quick uh somewhere in the sky is ryan

1533

00:56:59,349 --> 00:56:55,680

sprague

1534

00:57:02,950 --> 00:56:59,359

uh he interviewed james fox awesome dude

1535

00:57:06,230 --> 00:57:02,960

great interview uh such a humble guy

1536

00:57:09,990 --> 00:57:06,240

i i was i was glad that rogan his

1537

00:57:13,190 --> 00:57:10,000

approach was lucky yeah he's great

1538

00:57:14,950 --> 00:57:13,200

at digging and like just being a bro and

1539

00:57:16,470 --> 00:57:14,960

figuring out not sucking up too much i'm

1540

00:57:17,589 --> 00:57:16,480

not saying that ryan's break sucking up

1541

00:57:19,910 --> 00:57:17,599

too much but like

1542

00:57:20,870 --> 00:57:19,920

i feel like there was a lot more depth

1543

00:57:23,750 --> 00:57:20,880

that was that

1544

00:57:24,789 --> 00:57:23,760

rogan was able to achieve uh in certain

1545

00:57:28,069 --> 00:57:24,799

aspects

1546

00:57:31,109 --> 00:57:28,079

uh and it didn't really anyway

1547

00:57:33,109 --> 00:57:31,119

i'm digging myself a hole here but what

1548

00:57:34,789 --> 00:57:33,119

what i i guess my whole thing is like

1549

00:57:36,069 --> 00:57:34,799

that should have been a totally separate

1550

00:57:38,470 --> 00:57:36,079

two separate interviews

1551  
00:57:39,990 --> 00:57:38,480  
that's that's my point they have a lot

1552  
00:57:43,430 --> 00:57:40,000  
to say yeah

1553  
00:57:47,030 --> 00:57:43,440  
but can you also see like why jacques

1554  
00:57:49,510 --> 00:57:47,040  
uh maybe is like they're like hey you

1555  
00:57:52,710 --> 00:57:49,520  
guys do that together like

1556  
00:57:53,510 --> 00:57:52,720  
like i don't know like because three

1557  
00:57:55,990 --> 00:57:53,520  
hours of just

1558  
00:57:57,589 --> 00:57:56,000  
asking jacques questions is probably a

1559  
00:58:00,150 --> 00:57:57,599  
lot of beating around the bush

1560  
00:58:00,870 --> 00:58:00,160  
so but if you have james fox with him

1561  
00:58:02,789 --> 00:58:00,880  
then it's like

1562  
00:58:04,789 --> 00:58:02,799  
he could tell all the stories and jock

1563  
00:58:06,789 --> 00:58:04,799

can just kind of fill in the little

1564

00:58:08,309 --> 00:58:06,799

bits and pieces that are missing because

1565

00:58:11,030 --> 00:58:08,319

technically they probably

1566

00:58:11,349 --> 00:58:11,040

don't want jock talking for three hours

1567

00:58:14,549 --> 00:58:11,359

you know

1568

00:58:17,190 --> 00:58:14,559

oh dude that's a great point so

1569

00:58:19,270 --> 00:58:17,200

damn and i know that he's done plenty of

1570

00:58:21,510 --> 00:58:19,280

interviews he's smart smart

1571

00:58:24,069 --> 00:58:21,520

yeah he's done plenty of interviews and

1572

00:58:26,150 --> 00:58:24,079

i mean he's talked right but you know

1573

00:58:28,549 --> 00:58:26,160

to an audience like that well i'll say

1574

00:58:31,829 --> 00:58:28,559

this rogan's size is like

1575

00:58:34,549 --> 00:58:31,839

yeah build building off of that

1576

00:58:35,430 --> 00:58:34,559

train of thinking it's like it's like

1577

00:58:37,430 --> 00:58:35,440

our

1578

00:58:39,349 --> 00:58:37,440

when lorian when we first met her she

1579

00:58:42,630 --> 00:58:39,359

was she told us a little

1580

00:58:44,390 --> 00:58:42,640

nugget of advice like hey ask the right

1581

00:58:48,390 --> 00:58:44,400

questions

1582

00:58:51,030 --> 00:58:48,400

i think that very well played into

1583

00:58:51,910 --> 00:58:51,040

okay so let's say that jacques valet and

1584

00:58:53,910 --> 00:58:51,920

rogan did

1585

00:58:56,309 --> 00:58:53,920

hang out for three hours like would he

1586

00:58:58,150 --> 00:58:56,319

know the right questions to ask

1587

00:58:59,430 --> 00:58:58,160

and again that's reinforcing what you

1588

00:59:04,069 --> 00:58:59,440

said like that was that's

1589

00:59:06,150 --> 00:59:04,079

why james fox was in that interview so

1590

00:59:07,910 --> 00:59:06,160

going full circle now it makes sense in

1591

00:59:09,030 --> 00:59:07,920

my head and now i feel like it was a

1592

00:59:12,150 --> 00:59:09,040

good decision

1593

00:59:14,150 --> 00:59:12,160

yeah before i just i was like ah i just

1594

00:59:15,589 --> 00:59:14,160

i wouldn't listen to jacques talk for

1595

00:59:18,230 --> 00:59:15,599

[h\_\_\h]

1596

00:59:18,710 --> 00:59:18,240

yeah i know i love his voice dude yeah

1597

00:59:22,069 --> 00:59:18,720

he's got

1598

00:59:24,390 --> 00:59:22,079

uh one particularly

1599

00:59:25,670 --> 00:59:24,400

cool part of that interview was uh when

1600

00:59:28,549 --> 00:59:25,680

they talked about you know

1601  
00:59:30,309 --> 00:59:28,559  
my home screen how i have the the the

1602  
00:59:32,309 --> 00:59:30,319  
capital with the ufos over it

1603  
00:59:33,430 --> 00:59:32,319  
yeah how they talked about one of them

1604  
00:59:35,510 --> 00:59:33,440  
actually got shot

1605  
00:59:36,950 --> 00:59:35,520  
and like a piece of it got blown out yes

1606  
00:59:40,230 --> 00:59:36,960  
they had the piece

1607  
00:59:42,230 --> 00:59:40,240  
yep right and uh

1608  
00:59:43,990 --> 00:59:42,240  
it was interesting like hearing joe ask

1609  
00:59:46,710 --> 00:59:44,000  
him certain questions like

1610  
00:59:47,589 --> 00:59:46,720  
so what about this piece you could tell

1611  
00:59:51,109 --> 00:59:47,599  
his mind was like

1612  
00:59:53,109 --> 00:59:51,119  
hold on hold on and and jock was just

1613  
00:59:55,270 --> 00:59:53,119

like well

1614

00:59:57,750 --> 00:59:55,280

i don't think i'm the right scientist to

1615

01:00:01,430 --> 00:59:57,760

ask that question to

1616

01:00:04,710 --> 01:00:01,440

and joe's like why he's like well

1617

01:00:06,309 --> 01:00:04,720

bro just a lot of other crashes and

1618

01:00:07,670 --> 01:00:06,319

he just starts talking about all this

1619

01:00:09,030 --> 01:00:07,680

other stuff and it's like one of those

1620

01:00:12,069 --> 01:00:09,040

things where like

1621

01:00:13,510 --> 01:00:12,079

to me like i'm getting all awkward

1622

01:00:16,309 --> 01:00:13,520

inside because i know

1623

01:00:17,109 --> 01:00:16,319

like it feels like john can't answer

1624

01:00:19,670 --> 01:00:17,119

that question

1625

01:00:20,390 --> 01:00:19,680

and joe is like probing super hard so

1626

01:00:22,470 --> 01:00:20,400

i'm like getting

1627

01:00:23,670 --> 01:00:22,480

awkward because i'm like joe he probably

1628

01:00:26,950 --> 01:00:23,680

can't answer that

1629

01:00:28,630 --> 01:00:26,960

yes you know dude see my mind didn't

1630

01:00:31,030 --> 01:00:28,640

even think to go there

1631

01:00:32,549 --> 01:00:31,040

i was just frustrated that that jock was

1632

01:00:32,870 --> 01:00:32,559

just beating around the bush and being

1633

01:00:34,870 --> 01:00:32,880

so

1634

01:00:37,030 --> 01:00:34,880

[h\_\_\h] vague and i i thought it was

1635

01:00:39,910 --> 01:00:37,040

because he was

1636

01:00:40,390 --> 01:00:39,920

like being empathetic towards the guest

1637

01:00:42,950 --> 01:00:40,400

that

1638

01:00:45,190 --> 01:00:42,960

was there and didn't i don't know my

1639

01:00:48,630 --> 01:00:45,200

brain did not go there but that's

1640

01:00:49,910 --> 01:00:48,640

i think the correct path that probably

1641

01:00:51,910 --> 01:00:49,920

happened is like

1642

01:00:52,950 --> 01:00:51,920

he probably couldn't [h\_\_h] answer your

1643

01:00:55,829 --> 01:00:52,960

question like

1644

01:00:57,109 --> 01:00:55,839

yeah the fact that he was there he was

1645

01:00:58,870 --> 01:00:57,119

probably following he was probably

1646

01:01:02,870 --> 01:00:58,880

detailed

1647

01:01:05,030 --> 01:01:02,880

by some by some mylabs uh suvs

1648

01:01:06,630 --> 01:01:05,040

and he's probably thinking like man i

1649

01:01:07,510 --> 01:01:06,640

just stopped at like mcdonald's on my

1650

01:01:10,069 --> 01:01:07,520

way over here

1651  
01:01:11,829 --> 01:01:10,079  
and like even the cashier had a name tag

1652  
01:01:15,190 --> 01:01:11,839  
that said my labs on it like

1653  
01:01:17,030 --> 01:01:15,200  
you can't say [h\_\_h] today bro i'm here to

1654  
01:01:18,470 --> 01:01:17,040  
drink whiskey and maybe get a little bit

1655  
01:01:21,990 --> 01:01:18,480  
of room high

1656  
01:01:23,990 --> 01:01:22,000  
yeah yeah but yeah i mean i i thought

1657  
01:01:25,829 --> 01:01:24,000  
i thought it was a really cool interview

1658  
01:01:28,710 --> 01:01:25,839  
a really really cool interview

1659  
01:01:29,510 --> 01:01:28,720  
for sure yeah i mean the i i watched so

1660  
01:01:36,710 --> 01:01:29,520  
they

1661  
01:01:38,069 --> 01:01:36,720  
jre clips um i was looking at through my

1662  
01:01:39,829 --> 01:01:38,079  
phone while i was telling you about this

1663  
01:01:40,390 --> 01:01:39,839

earlier but like yeah yeah i just i

1664

01:01:43,030 --> 01:01:40,400

never

1665

01:01:44,230 --> 01:01:43,040

i just i'm dumb anyway so i just watched

1666

01:01:47,030 --> 01:01:44,240

a bunch of clips instead of the whole

1667

01:01:49,030 --> 01:01:47,040

whole [h\_\_h] thing uh but i got the i

1668

01:01:52,069 --> 01:01:49,040

think i got the most important

1669

01:01:53,670 --> 01:01:52,079

i got the gist of it but uh it wasn't

1670

01:01:55,109 --> 01:01:53,680

it wasn't something that i would be like

1671

01:01:58,710 --> 01:01:55,119

holy [h\_\_h] i'm gonna show my kids

1672

01:02:00,390 --> 01:01:58,720

one day you know like i didn't think to

1673

01:02:01,750 --> 01:02:00,400

like oh i need to download this before

1674

01:02:04,710 --> 01:02:01,760

the fbi takes it down

1675

01:02:06,230 --> 01:02:04,720

or some something yeah i downloaded it

1676

01:02:07,829 --> 01:02:06,240

man like as soon as i saw it i was like

1677

01:02:11,029 --> 01:02:07,839

i'm downloading this

1678

01:02:12,470 --> 01:02:11,039

immediatly you know it's it's

1679

01:02:14,230 --> 01:02:12,480

in the grand scheme of things it's

1680

01:02:15,029 --> 01:02:14,240

probably not like super significant but

1681

01:02:17,109 --> 01:02:15,039

it is like a

1682

01:02:18,950 --> 01:02:17,119

it is a really cool interesting

1683

01:02:21,510 --> 01:02:18,960

interview um

1684

01:02:23,589 --> 01:02:21,520

for rogan to have but [h\_\_\h] yeah it was

1685

01:02:27,510 --> 01:02:23,599

also cool too because

1686

01:02:29,589 --> 01:02:27,520

he had that aspect of like

1687

01:02:30,630 --> 01:02:29,599

you know the military controls all of

1688

01:02:32,150 --> 01:02:30,640

this

1689

01:02:34,549 --> 01:02:32,160

he was like that's pretty much what the

1690

01:02:38,069 --> 01:02:34,559

deal is they control all of it and

1691

01:02:39,670 --> 01:02:38,079

rogan said that no uh jacques did yeah

1692

01:02:41,910 --> 01:02:39,680

jacques had said that you know it's

1693

01:02:45,190 --> 01:02:41,920

really military controlled

1694

01:02:48,630 --> 01:02:45,200

and how he would like to see

1695

01:02:50,710 --> 01:02:48,640

more academia get involved because

1696

01:02:52,230 --> 01:02:50,720

to just strictly look at this thing like

1697

01:02:55,670 --> 01:02:52,240

a threat

1698

01:02:57,349 --> 01:02:55,680

is wrong i i guess i did not

1699

01:02:59,430 --> 01:02:57,359

i missed that part that's awesome that

1700

01:03:03,190 --> 01:02:59,440

he said that yeah he says that

1701

01:03:04,710 --> 01:03:03,200

uh it's it's it's it's pretty dangerous

1702

01:03:06,789 --> 01:03:04,720

to just think of it like that you have

1703

01:03:08,549 --> 01:03:06,799

to like take all aspects of this

1704

01:03:10,230 --> 01:03:08,559

and he also said you know rogan was

1705

01:03:13,670 --> 01:03:10,240

probing him about you know

1706

01:03:15,349 --> 01:03:13,680

uh how after all these years

1707

01:03:17,750 --> 01:03:15,359

what's your conclusion and jacques was

1708

01:03:19,109 --> 01:03:17,760

like look i don't really

1709

01:03:21,109 --> 01:03:19,119

i'm not going to answer that i don't

1710

01:03:21,910 --> 01:03:21,119

really have a conclusion but he did say

1711

01:03:24,390 --> 01:03:21,920

that

1712

01:03:26,549 --> 01:03:24,400

whatever it is whatever this phenomena

1713

01:03:28,309 --> 01:03:26,559

is whether it be interdimensional or

1714

01:03:28,870 --> 01:03:28,319

alien whatever you want to call it he

1715

01:03:30,870 --> 01:03:28,880

says

1716

01:03:32,470 --> 01:03:30,880

whatever it is it seems to be teaching

1717

01:03:34,470 --> 01:03:32,480

us something

1718

01:03:35,990 --> 01:03:34,480

and so they were he was like what do you

1719

01:03:37,589 --> 01:03:36,000

mean and he was like well you know you

1720

01:03:39,750 --> 01:03:37,599

look at all these cases

1721

01:03:41,270 --> 01:03:39,760

and you have people you know talking

1722

01:03:42,789 --> 01:03:41,280

about uh

1723

01:03:44,549 --> 01:03:42,799

war being warned about certain

1724

01:03:46,390 --> 01:03:44,559

technologies you have people that are

1725

01:03:48,150 --> 01:03:46,400

being warned about the planet you have

1726

01:03:49,829 --> 01:03:48,160

people that are being warned about

1727

01:03:53,029 --> 01:03:49,839

you know just these certain parts of our

1728

01:03:55,109 --> 01:03:53,039

everyday life and he's like

1729

01:03:57,750 --> 01:03:55,119

there has been like out of all these

1730

01:03:59,029 --> 01:03:57,760

cases he's like i think there's like 15

1731

01:04:00,069 --> 01:03:59,039

where there was like a violent

1732

01:04:01,990 --> 01:04:00,079

interaction

1733

01:04:03,670 --> 01:04:02,000

but other than that all the other cases

1734

01:04:06,230 --> 01:04:03,680

seem to have some sort of like

1735

01:04:07,910 --> 01:04:06,240

lesson behind whatever it is that they

1736

01:04:11,670 --> 01:04:07,920

said

1737

01:04:15,190 --> 01:04:11,680

you know so yeah i

1738

01:04:15,910 --> 01:04:15,200

i remember that uh in pieces uh but the

1739

01:04:19,109 --> 01:04:15,920

sentiment

1740

01:04:19,910 --> 01:04:19,119

is is is stuck in my head because the

1741

01:04:22,950 --> 01:04:19,920

question that i

1742

01:04:26,789 --> 01:04:22,960

asked myself is okay

1743

01:04:29,430 --> 01:04:26,799

so you're saying that the overall

1744

01:04:30,230 --> 01:04:29,440

the overall uh perspective that he has

1745

01:04:33,270 --> 01:04:30,240

is that

1746

01:04:36,829 --> 01:04:33,280

these entities are visiting us uh

1747

01:04:42,789 --> 01:04:41,109

benevolently like benevolent lady

1748

01:04:44,630 --> 01:04:42,799

so they're not like harming us right

1749

01:04:45,910 --> 01:04:44,640

like they're not there's no alter your

1750

01:04:47,829 --> 01:04:45,920

motive there's like

1751

01:04:49,349 --> 01:04:47,839

hey it's all good and happy in sunshine

1752

01:04:52,549 --> 01:04:49,359

and crystals and love and

1753

01:04:54,309 --> 01:04:52,559

frequencies but from

1754

01:04:56,950 --> 01:04:54,319

two weeks ago when we were in arkansas

1755

01:05:01,990 --> 01:04:56,960

and doing this documentary talking

1756

01:05:05,750 --> 01:05:02,000

with right with uh contactees

1757

01:05:09,349 --> 01:05:05,760

their experiences are not so pleasant so

1758

01:05:13,109 --> 01:05:09,359

it's interesting that that a man of

1759

01:05:16,230 --> 01:05:13,119

jacques stature has that

1760

01:05:19,510 --> 01:05:16,240

steadfast perspective and

1761

01:05:23,029 --> 01:05:19,520

he didn't really talk about

1762

01:05:26,630 --> 01:05:23,039

the horrific nature that

1763

01:05:29,510 --> 01:05:26,640

is contact or can be contact

1764

01:05:29,910 --> 01:05:29,520

well he doesn't he doesn't dismiss it he

1765

01:05:36,390 --> 01:05:29,920

he

1766

01:05:37,990 --> 01:05:36,400

whole interview

1767

01:05:41,190 --> 01:05:38,000

i'm talking specifically on this

1768

01:05:44,630 --> 01:05:41,200

interview yeah

1769

01:05:48,069 --> 01:05:45,910

yeah i don't think they got into the

1770

01:05:53,109 --> 01:05:48,079

negative aspect

1771

01:05:56,150 --> 01:05:55,589

it it's almost like [ʰ\_\_ʰ] is it is it is

1772

01:05:59,990 --> 01:05:56,160

it

1773

01:06:03,029 --> 01:06:00,000

bring that

1774

01:06:04,789 --> 01:06:03,039

up because it's a [ʰ\_\_ʰ] bumper or is

1775

01:06:08,309 --> 01:06:04,799

it just like

1776

01:06:10,069 --> 01:06:08,319

is i don't know man i think if you're

1777

01:06:11,910 --> 01:06:10,079

if you're somebody who's involved with

1778

01:06:14,150 --> 01:06:11,920

like

1779

01:06:15,270 --> 01:06:14,160

thousands and thousands and thousands of

1780

01:06:17,750 --> 01:06:15,280

cases

1781

01:06:18,309 --> 01:06:17,760

and you kind of have this big picture

1782

01:06:20,549 --> 01:06:18,319

like

1783

01:06:21,910 --> 01:06:20,559

yeah it yeah it scares the [h\_\_h] out of

1784

01:06:24,710 --> 01:06:21,920

people and it freaks them out

1785

01:06:26,789 --> 01:06:24,720

yeah but that end message of whatever it

1786

01:06:30,150 --> 01:06:26,799

was that they came away with

1787

01:06:32,230 --> 01:06:30,160

uh was maybe somewhat positive

1788

01:06:33,430 --> 01:06:32,240

in the long run right so then like

1789

01:06:37,829 --> 01:06:33,440

because you have a

1790

01:06:40,789 --> 01:06:37,839

right now what is that long run

1791

01:06:42,390 --> 01:06:40,799

like outcome right you know things that

1792

01:06:45,510 --> 01:06:42,400

are good or sometimes scary

1793

01:06:47,190 --> 01:06:45,520

right so so i'm

1794

01:06:48,789 --> 01:06:47,200

what i'm and that's an assumption i

1795

01:06:52,309 --> 01:06:48,799

don't know yeah no i mean let's

1796

01:06:54,710 --> 01:06:52,319

let's let's break that down so uh

1797

01:06:56,710 --> 01:06:54,720

you can see my peeling hands uh my hands

1798

01:06:57,670 --> 01:06:56,720

are still peeling from [\h\_\_\h] arkansas

1799

01:07:01,349 --> 01:06:57,680

dude

1800

01:07:03,670 --> 01:07:01,359

uh i dried out like a turtle man uh

1801

01:07:04,390 --> 01:07:03,680

so what let's let's break that down

1802

01:07:05,990 --> 01:07:04,400

though like that

1803

01:07:07,990 --> 01:07:06,000

train of thought right like you're not

1804

01:07:11,349 --> 01:07:08,000

saying that

1805

01:07:13,829 --> 01:07:11,359

anyway so the the idea that

1806

01:07:14,789 --> 01:07:13,839

he is so what we're saying is that he he

1807

01:07:17,990 --> 01:07:14,799

made a choice

1808

01:07:21,829 --> 01:07:18,000

basically to not bring that up to say

1809

01:07:23,910 --> 01:07:21,839

he he only said like yeah there's uh

1810

01:07:25,510 --> 01:07:23,920

there's some [h\_\_h] going on and uh we

1811

01:07:29,109 --> 01:07:25,520

probably need to pay attention to it

1812

01:07:31,029 --> 01:07:29,119

and they seem to be non-violent um

1813

01:07:32,549 --> 01:07:31,039

and that's my stance on it basically

1814

01:07:36,069 --> 01:07:32,559

right it's kind of what he

1815

01:07:38,870 --> 01:07:36,079

yeah yeah so but we know

1816

01:07:40,870 --> 01:07:38,880

so a lot of people that have had very

1817

01:07:42,630 --> 01:07:40,880

negative experiences so choosing not to

1818

01:07:45,910 --> 01:07:42,640

bring that up and not to even

1819

01:07:47,990 --> 01:07:45,920

mention that either and i might be

1820

01:07:50,230 --> 01:07:48,000

simplifying this but either

1821

01:07:51,589 --> 01:07:50,240

either he's saying like the the

1822

01:07:52,390 --> 01:07:51,599

percentage of people that have bad

1823

01:07:55,589 --> 01:07:52,400

experiences

1824

01:07:58,870 --> 01:07:55,599

are nil like they don't matter

1825

01:08:01,910 --> 01:07:58,880

compared to the overall outcome

1826

01:08:04,710 --> 01:08:01,920

of what's gonna happen like overall like

1827

01:08:05,589 --> 01:08:04,720

look hey we're gonna go to the new world

1828

01:08:08,549 --> 01:08:05,599

on a big

1829

01:08:09,270 --> 01:08:08,559

wooden boat okay and we're gonna go to

1830

01:08:11,589 --> 01:08:09,280

america

1831

01:08:13,109 --> 01:08:11,599

and people are going to die you just

1832

01:08:15,750 --> 01:08:13,119

need some oranges

1833

01:08:17,030 --> 01:08:15,760

most of you will be fine but in the end

1834

01:08:19,510 --> 01:08:17,040

we're going to have facebook

1835

01:08:20,390 --> 01:08:19,520

so let's get on the [h\_\_\h] wooden ship

1836

01:08:23,349 --> 01:08:20,400

for three months

1837

01:08:24,789 --> 01:08:23,359

right right yeah let's go so absolutely

1838

01:08:27,910 --> 01:08:24,799

that type of thinking

1839

01:08:31,189 --> 01:08:27,920

that that in itself inherent

1840

01:08:33,829 --> 01:08:31,199

inherently is it's propaganda because

1841

01:08:35,590 --> 01:08:33,839

propaganda means it's steering it's it's

1842

01:08:36,789 --> 01:08:35,600

choosing to leave out specific

1843

01:08:40,550 --> 01:08:36,799

information and

1844

01:08:41,110 --> 01:08:40,560

and guiding uh in cherry picking right

1845

01:08:43,349 --> 01:08:41,120

it's like

1846

01:08:45,510 --> 01:08:43,359

you're you're really trying to go for an

1847

01:08:47,749 --> 01:08:45,520

agenda there

1848

01:08:48,550 --> 01:08:47,759

is that make any sense yeah i mean i can

1849

01:08:51,590 --> 01:08:48,560

see that

1850

01:08:51,990 --> 01:08:51,600

but i can also see how this subject is

1851

01:08:54,309 --> 01:08:52,000

so

1852

01:08:55,990 --> 01:08:54,319

huge that they just didn't get to that

1853

01:08:59,030 --> 01:08:56,000

part

1854

01:08:59,669 --> 01:08:59,040

you know absolutely yeah yeah because i

1855

01:09:02,070 --> 01:08:59,679

mean because

1856

01:09:03,030 --> 01:09:02,080

also shaw because joe could have asked

1857

01:09:05,349 --> 01:09:03,040

that question

1858

01:09:07,269 --> 01:09:05,359

right but you know like a lot of these

1859

01:09:09,749 --> 01:09:07,279

people that remember all this stuff

1860

01:09:11,110 --> 01:09:09,759

they're uh it's done through like

1861

01:09:13,990 --> 01:09:11,120

hypnosis right

1862

01:09:15,749 --> 01:09:14,000

but jock thinks that it's dangerous so

1863

01:09:17,510 --> 01:09:15,759

he doesn't mess with it

1864

01:09:18,789 --> 01:09:17,520

dude i mean if we're gonna talk about

1865

01:09:20,630 --> 01:09:18,799

that for a second

1866

01:09:22,229 --> 01:09:20,640

he's literally showing up and dealing

1867

01:09:23,110 --> 01:09:22,239

with like people who have seen this

1868

01:09:25,349 --> 01:09:23,120

thing like the

1869

01:09:26,309 --> 01:09:25,359

uh you know we're talking you know like

1870

01:09:37,749 --> 01:09:26,319

uh

1871

01:09:40,229 --> 01:09:37,759

no what was that one case that

1872

01:09:41,910 --> 01:09:40,239

we were talking about with the the uh

1873

01:09:46,149 --> 01:09:41,920

that village

1874

01:09:48,149 --> 01:09:46,159

the zimbabwe oh okay so the zimbabwe one

1875

01:09:50,070 --> 01:09:48,159

i mean that's a good example right like

1876

01:09:51,910 --> 01:09:50,080

those kids just saw that [h\_\_\h] right and

1877

01:09:55,350 --> 01:09:51,920

then like

1878

01:09:57,430 --> 01:09:55,360

he goes interviews talks to people

1879

01:09:58,950 --> 01:09:57,440

and that's that there's no like

1880

01:10:00,390 --> 01:09:58,960

regression or like

1881

01:10:02,229 --> 01:10:00,400

you know they're not going back into

1882

01:10:03,110 --> 01:10:02,239

like this negative state because he

1883

01:10:04,790 --> 01:10:03,120

doesn't do that

1884

01:10:06,310 --> 01:10:04,800

right so he's just taking these like

1885

01:10:08,950 --> 01:10:06,320

eyewitness accounts

1886

01:10:10,630 --> 01:10:08,960

he's taking like police reports and

1887

01:10:13,910 --> 01:10:10,640

studying

1888

01:10:15,830 --> 01:10:13,920

as in jacques yeah yeah exactly

1889

01:10:17,990 --> 01:10:15,840

so there's other people that do the

1890

01:10:19,910 --> 01:10:18,000

hypnosis side of things

1891

01:10:21,189 --> 01:10:19,920

right that probably know about the more

1892

01:10:23,030 --> 01:10:21,199

negative cases

1893

01:10:25,030 --> 01:10:23,040

i'm sure jacques knows all about the

1894

01:10:27,110 --> 01:10:25,040

negative cases but if he's not like a

1895

01:10:28,790 --> 01:10:27,120

proponent of like hypnotism

1896

01:10:30,390 --> 01:10:28,800

right because he says that like once it

1897

01:10:32,790 --> 01:10:30,400

got into the ufo community

1898

01:10:33,750 --> 01:10:32,800

there was so much leading so maybe he

1899

01:10:37,590 --> 01:10:33,760

just doesn't

1900

01:10:40,630 --> 01:10:37,600

um subscribe to that so i can see why

1901

01:10:41,430 --> 01:10:40,640

ace to him it might just be like well

1902

01:10:48,870 --> 01:10:41,440

you

1903

01:10:49,430 --> 01:10:48,880

been planted this negative experience

1904

01:10:52,390 --> 01:10:49,440

that

1905

01:10:54,149 --> 01:10:52,400

maybe didn't happen at all bro right i

1906

01:10:58,390 --> 01:10:54,159

think this is a very important

1907

01:11:01,189 --> 01:10:58,400

thing to bring up because uh i

1908

01:11:02,870 --> 01:11:01,199

personally think it is dangerous the

1909

01:11:04,950 --> 01:11:02,880

regression stuff

1910

01:11:05,910 --> 01:11:04,960

i never want to get regressed our

1911

01:11:11,110 --> 01:11:05,920

friends

1912

01:11:14,390 --> 01:11:11,120

in this field that have offered like hey

1913

01:11:15,750 --> 01:11:14,400

you guys obviously so i'm speaking from

1914

01:11:17,590 --> 01:11:15,760

one of our friends telling us

1915

01:11:19,270 --> 01:11:17,600

like hey yeah you guys are being

1916

01:11:20,310 --> 01:11:19,280

contacted so you guys need to get

1917

01:11:23,510 --> 01:11:20,320

regressed

1918

01:11:26,870 --> 01:11:23,520

i have always and steadfast [h\_\_\h] that

1919

01:11:29,750 --> 01:11:26,880

no because dude no

1920

01:11:31,189 --> 01:11:29,760

first off we don't know who who's who's

1921

01:11:34,709 --> 01:11:31,199

uh who's doing this like

1922

01:11:35,590 --> 01:11:34,719

hypnosis like yeah how do you just be

1923

01:11:37,669 --> 01:11:35,600

like oh well

1924

01:11:39,030 --> 01:11:37,679

this guy's a doctor scientist he'll be

1925

01:11:41,189 --> 01:11:39,040

fine he won't lead me in

1926

01:11:42,229 --> 01:11:41,199

any direction i mean what are your what

1927

01:11:43,430 --> 01:11:42,239

are your thoughts on that because i

1928

01:11:44,790 --> 01:11:43,440

don't trust it

1929

01:11:48,070 --> 01:11:44,800

personally right i mean right now i

1930

01:11:50,550 --> 01:11:48,080

don't trust it i uh

1931

01:11:52,790 --> 01:11:50,560

the regression stuff i'm a little on the

1932

01:11:54,790 --> 01:11:52,800

fence about it

1933

01:11:56,790 --> 01:11:54,800

i would do it just to see if they could

1934

01:11:58,390 --> 01:11:56,800

do it because remember i told you that

1935

01:11:59,189 --> 01:11:58,400

story about the hypnotist coming to my

1936

01:12:01,750 --> 01:11:59,199

high school

1937

01:12:03,750 --> 01:12:01,760

and he couldn't hypnotize me and so i

1938

01:12:04,390 --> 01:12:03,760

was like the one dork who had to like go

1939

01:12:06,070 --> 01:12:04,400

sit down

1940

01:12:07,830 --> 01:12:06,080

in front of the whole [h\_\_h] senior

1941

01:12:09,189 --> 01:12:07,840

class because i was the only one that

1942

01:12:11,510 --> 01:12:09,199

wasn't hypnotized

1943

01:12:13,830 --> 01:12:11,520

i don't know if it's because i have a a

1944

01:12:14,870 --> 01:12:13,840

strong mind or whatever it is dude but

1945

01:12:18,310 --> 01:12:14,880

like it's your daughter

1946

01:12:19,750 --> 01:12:18,320

if your dwarf it must be but

1947

01:12:22,229 --> 01:12:19,760

i think i would let them do it just to

1948

01:12:24,070 --> 01:12:22,239

see if they could

1949

01:12:25,590 --> 01:12:24,080

and then if i found out some [h\_\_h] i mean

1950

01:12:27,669 --> 01:12:25,600

like i mean so be it

1951

01:12:29,510 --> 01:12:27,679

or you can't stop it once you're in it i

1952

01:12:33,110 --> 01:12:29,520

mean or if they did the

1953

01:12:33,669 --> 01:12:33,120

the hypnosis right and then afterwards i

1954

01:12:35,590 --> 01:12:33,679

woke up

1955

01:12:36,709 --> 01:12:35,600

i would be like was there some [h\_\_h] and

1956

01:12:38,149 --> 01:12:36,719

they were like yeah

1957

01:12:39,669 --> 01:12:38,159

i would be like okay don't tell don't

1958

01:12:40,709 --> 01:12:39,679

tell me yeah i just wanted to know that

1959

01:12:42,950 --> 01:12:40,719

there was some [h\_\_h]

1960

01:12:43,990 --> 01:12:42,960

so that's also another interesting part

1961

01:12:46,950 --> 01:12:44,000

about this because there's

1962

01:12:48,310 --> 01:12:46,960

i mean come on the human brain we don't

1963

01:12:51,189 --> 01:12:48,320

know [\h\_\_\h] about

1964

01:12:52,470 --> 01:12:51,199

yeah we we could see some effects and

1965

01:12:54,149 --> 01:12:52,480

some like

1966

01:12:55,510 --> 01:12:54,159

you know cause and effect things

1967

01:12:57,510 --> 01:12:55,520

happening okay well we

1968

01:12:59,590 --> 01:12:57,520

we regressed this person but do we

1969

01:13:02,229 --> 01:12:59,600

really know what we're actually doing

1970

01:13:03,030 --> 01:13:02,239

or do those people know what i don't

1971

01:13:05,030 --> 01:13:03,040

know

1972

01:13:06,390 --> 01:13:05,040

they couldn't like i'm i'm not like

1973

01:13:07,990 --> 01:13:06,400

trying to talk [\h\_\_\h] on that

1974

01:13:10,070 --> 01:13:08,000

if anybody's listening that knows

1975

01:13:11,990 --> 01:13:10,080

somebody or is a regressionist like i'm

1976

01:13:12,950 --> 01:13:12,000

not talking [\h\_\_\h] dude i'm just saying

1977

01:13:16,070 --> 01:13:12,960

like

1978

01:13:18,229 --> 01:13:16,080

do you really know what you're doing

1979

01:13:19,510 --> 01:13:18,239

to the mind because it's a very

1980

01:13:22,229 --> 01:13:19,520

complicated thing

1981

01:13:23,669 --> 01:13:22,239

and yeah i agree you could be i agree

1982

01:13:25,590 --> 01:13:23,679

you could be putting so

1983

01:13:27,110 --> 01:13:25,600

joe you're making these really valid

1984

01:13:28,070 --> 01:13:27,120

points that i think a lot of people need

1985

01:13:31,110 --> 01:13:28,080

to hear

1986

01:13:33,350 --> 01:13:31,120

on this podcast do like come on

1987

01:13:34,470 --> 01:13:33,360

like if you're if you're hypnotized and

1988

01:13:36,070 --> 01:13:34,480

could be told that

1989

01:13:38,229 --> 01:13:36,080

you can never if you hear the word

1990

01:13:41,510 --> 01:13:38,239

chicken

1991

01:13:44,870 --> 01:13:41,520

you you will forget your abcs if that's

1992

01:13:46,550 --> 01:13:44,880

a possibility dude then what are

1993

01:13:48,070 --> 01:13:46,560

people planting in your head you know

1994

01:13:49,830 --> 01:13:48,080

what else is a possibility

1995

01:13:51,270 --> 01:13:49,840

that's an unintentional let's say it's

1996

01:13:55,030 --> 01:13:51,280

an unattended

1997

01:13:57,030 --> 01:13:55,040

effect right yeah yeah

1998

01:13:58,070 --> 01:13:57,040

yeah and i mean it's also like it could

1999

01:14:00,709 --> 01:13:58,080

be totally

2000

01:14:01,430 --> 01:14:00,719

unintentional right you know it could

2001

01:14:03,350 --> 01:14:01,440

that the

2002

01:14:05,350 --> 01:14:03,360

the lead could be completely

2003

01:14:08,470 --> 01:14:05,360

unintentional yeah so you could just

2004

01:14:12,709 --> 01:14:08,480

what was there it could be like your

2005

01:14:16,149 --> 01:14:12,719

like your own bias as a hypnotherapist

2006

01:14:17,430 --> 01:14:16,159

uh you could say so what did this being

2007

01:14:19,590 --> 01:14:17,440

look like

2008

01:14:20,630 --> 01:14:19,600

but you know to you you haven't even

2009

01:14:21,990 --> 01:14:20,640

mentioned a being

2010

01:14:24,550 --> 01:14:22,000

they're just assuming that they're

2011

01:14:26,149 --> 01:14:24,560

regressing you for an alien abduction so

2012

01:14:28,630 --> 01:14:26,159

they're automatically gonna say

2013

01:14:30,709 --> 01:14:28,640

so what did this being look like or or

2014

01:14:32,390 --> 01:14:30,719

what is the being saying but like really

2015

01:14:34,310 --> 01:14:32,400

you're not even seeing a being until

2016

01:14:35,669 --> 01:14:34,320

somebody said the word being so now in

2017

01:14:37,910 --> 01:14:35,679

your subconscious

2018

01:14:39,189 --> 01:14:37,920

you put this being there that wasn't

2019

01:14:41,830 --> 01:14:39,199

there in the first place

2020

01:14:43,590 --> 01:14:41,840

yeah but you know and i'm sure like

2021

01:14:45,110 --> 01:14:43,600

we're just talking about it like people

2022

01:14:46,550 --> 01:14:45,120

have thought about this i'm sure they're

2023

01:14:47,910 --> 01:14:46,560

very careful about it

2024

01:14:49,910 --> 01:14:47,920

because you don't want to be leading

2025

01:14:52,630 --> 01:14:49,920

people in these uh

2026

01:14:53,669 --> 01:14:52,640

sessions right um but it's it's a

2027

01:14:56,149 --> 01:14:53,679

possibility

2028

01:14:56,950 --> 01:14:56,159

and that's why people some people don't

2029

01:14:58,630 --> 01:14:56,960

approve of it

2030

01:14:59,910 --> 01:14:58,640

because not everybody is like that

2031

01:15:00,630 --> 01:14:59,920

there's going to be some people that are

2032

01:15:03,830 --> 01:15:00,640

[h\_\_\h]

2033

01:15:05,430 --> 01:15:03,840

and will do that so yeah well if you

2034

01:15:08,870 --> 01:15:05,440

have a career

2035

01:15:10,950 --> 01:15:08,880

that is made up of uh abduction

2036

01:15:13,110 --> 01:15:10,960

regression

2037

01:15:14,709 --> 01:15:13,120

and you that's how you make your living

2038

01:15:17,750 --> 01:15:14,719

you would think that

2039

01:15:19,350 --> 01:15:17,760

you would uh protect your investment and

2040

01:15:20,790 --> 01:15:19,360

make damn sure you know it's like any

2041

01:15:23,430 --> 01:15:20,800

like a ghost hunter or

2042

01:15:24,550 --> 01:15:23,440

a medium like you're gonna find

2043

01:15:25,590 --> 01:15:24,560

something

2044

01:15:27,030 --> 01:15:25,600

yeah because that's what you're getting

2045

01:15:27,910 --> 01:15:27,040

paid for if you didn't find anything

2046

01:15:30,149 --> 01:15:27,920

you're like

2047

01:15:31,030 --> 01:15:30,159

well i got to get my i got to give the

2048

01:15:34,950 --> 01:15:31,040

money back right

2049

01:15:35,910 --> 01:15:34,960

like yeah i went to this like fortune

2050

01:15:37,189 --> 01:15:35,920

teller and

2051

01:15:38,950 --> 01:15:37,199

she was like yeah you're gonna have a

2052

01:15:42,550 --> 01:15:38,960

good day tomorrow and i was like

2053

01:15:45,110 --> 01:15:42,560

yeah hell yeah okay well i guess

2054

01:15:46,709 --> 01:15:45,120

all right well can i like have half of

2055

01:15:48,950 --> 01:15:46,719

my money back

2056

01:15:50,550 --> 01:15:48,960

seriously and then yeah it's like that

2057

01:15:51,189 --> 01:15:50,560

that vibe like if you're getting paid

2058

01:15:52,550 --> 01:15:51,199

for it

2059

01:15:54,310 --> 01:15:52,560

i mean this might be going down a whole

2060

01:15:57,030 --> 01:15:54,320

different rabbit hole but

2061

01:15:57,430 --> 01:15:57,040

yeah it's like there you almost have to

2062

01:15:59,990 --> 01:15:57,440

have

2063

01:16:01,750 --> 01:16:00,000

some sort of terrifying experience come

2064

01:16:03,830 --> 01:16:01,760

out of your regression

2065

01:16:04,790 --> 01:16:03,840

because you're getting it done by a

2066

01:16:08,630 --> 01:16:04,800

regression

2067

01:16:14,550 --> 01:16:11,910

in abductions like yeah but that's also

2068

01:16:15,030 --> 01:16:14,560

again our friends that have offered you

2069

01:16:19,110 --> 01:16:15,040

know

2070

01:16:21,590 --> 01:16:19,120

suggested us doing that did say

2071

01:16:23,910 --> 01:16:21,600

they would recommend us talking to

2072

01:16:26,470 --> 01:16:23,920

somebody that wasn't a specialty or a

2073

01:16:27,270 --> 01:16:26,480

specialist right yeah yeah so they i

2074

01:16:28,950 --> 01:16:27,280

mean

2075

01:16:29,910 --> 01:16:28,960

that's responsible yeah our friends we

2076

01:16:31,110 --> 01:16:29,920

were talking about like they're

2077

01:16:33,590 --> 01:16:31,120

responsible about it

2078

01:16:35,030 --> 01:16:33,600

but they did yeah definitely yeah i

2079

01:16:35,350 --> 01:16:35,040

thought i thought i'd mention that in

2080

01:16:37,830 --> 01:16:35,360

case

2081

01:16:39,270 --> 01:16:37,840

hey uh i'm gonna go take a piss real

2082

01:16:43,750 --> 01:16:39,280

quick talk about our buddies

2083

01:16:45,910 --> 01:16:43,760

yeah well oh man

2084

01:16:54,030 --> 01:16:45,920

we'll just pause it intermission or

2085

01:16:54,040 --> 01:17:12,470

[Music]

2086

01:17:12,480 --> 01:17:23,189

uh 232

2087

01:17:27,590 --> 01:17:26,149

how's your poop dude it's pretty good

2088

01:17:35,430 --> 01:17:27,600

solid

2089

01:17:38,709 --> 01:17:35,440

yeah smiles like uh like silk

2090

01:17:42,630 --> 01:17:38,719

like very strong fibrous

2091

01:17:47,669 --> 01:17:42,640

stream yes uh

2092

01:17:53,189 --> 01:17:50,390

covered poops were gnarly dude it's a

2093

01:17:57,990 --> 01:17:53,199

different kind of poop oh my god

2094

01:18:00,950 --> 01:17:58,000

deep deep like dark

2095

01:18:01,990 --> 01:18:00,960

it was like it was like wiping a sharpie

2096

01:18:06,630 --> 01:18:02,000

like it just never

2097

01:18:11,030 --> 01:18:06,640

never ended that's crazy god damn

2098

01:18:16,229 --> 01:18:14,709

[h\_\_\h] yeah uh well [h\_\_\h] man uh

2099

01:18:18,310 --> 01:18:16,239

all right so we're on we're talking

2100

01:18:20,950 --> 01:18:18,320

about we were talking about uh

2101

01:18:24,630 --> 01:18:20,960

regression i just i'm so i just spilled

2102

01:18:27,750 --> 01:18:26,790

we're talking about regression and i

2103

01:18:29,990 --> 01:18:27,760

think it's a perfect

2104

01:18:31,350 --> 01:18:30,000

segway into what our next topic is i

2105

01:18:34,630 --> 01:18:31,360

mean we're

2106

01:18:36,990 --> 01:18:34,640

this is a solid episode already it is

2107

01:18:38,630 --> 01:18:37,000

it is but uh yeah so we're talking about

2108

01:18:41,669 --> 01:18:38,640

regression

2109

01:18:44,870 --> 01:18:41,679

and leading like

2110

01:18:47,350 --> 01:18:44,880

okay we're all human man like it's it

2111

01:18:48,070 --> 01:18:47,360

no one's no one's perfect and it's not a

2112

01:18:50,709 --> 01:18:48,080

science

2113

01:18:52,149 --> 01:18:50,719

that anyone could i'm sure there's books

2114

01:18:55,030 --> 01:18:52,159

written about it but

2115

01:18:57,350 --> 01:18:55,040

do you really know the effects of of of

2116

01:19:00,550 --> 01:18:57,360

putting someone in a uh

2117

01:19:04,070 --> 01:19:00,560

a vulnerable hypnotic state and and

2118

01:19:07,510 --> 01:19:04,080

being totally 100 sure that you never

2119

01:19:11,669 --> 01:19:07,520

suggested anything that could lead to

2120

01:19:12,070 --> 01:19:11,679

a negative or or existential experience

2121

01:19:15,110 --> 01:19:12,080

that

2122

01:19:18,790 --> 01:19:15,120

involved something else i mean dude

2123

01:19:21,430 --> 01:19:18,800

i always think about the the idea that

2124

01:19:23,270 --> 01:19:21,440

that there's a possibility and i'm not

2125

01:19:26,390 --> 01:19:23,280

the first to say this but

2126  
01:19:27,350 --> 01:19:26,400  
everyone like anyone that's had a a

2127  
01:19:30,229 --> 01:19:27,360  
vivid dream

2128  
01:19:31,750 --> 01:19:30,239  
or experience that they've been abducted

2129  
01:19:34,950 --> 01:19:31,760  
has something to do with

2130  
01:19:37,510 --> 01:19:34,960  
uh like memories of birth

2131  
01:19:39,030 --> 01:19:37,520  
so like being being born like bright

2132  
01:19:41,350 --> 01:19:39,040  
lights you're on a cold yeah

2133  
01:19:42,310 --> 01:19:41,360  
yeah and there's like weird creatures

2134  
01:19:44,390 --> 01:19:42,320  
with like

2135  
01:19:45,510 --> 01:19:44,400  
hands and gloves and like there's tools

2136  
01:19:47,910 --> 01:19:45,520  
and like there's snipping

2137  
01:19:50,070 --> 01:19:47,920  
and then there's like like i i think

2138  
01:19:51,990 --> 01:19:50,080

there's something to that for sure

2139

01:19:53,270 --> 01:19:52,000

yeah i'm not saying that it describes

2140

01:19:54,790 --> 01:19:53,280

every

2141

01:19:56,870 --> 01:19:54,800

abduction experience i'm just saying

2142

01:19:57,830 --> 01:19:56,880

like maybe there's a couple people out

2143

01:20:00,870 --> 01:19:57,840

there that

2144

01:20:03,030 --> 01:20:00,880

maybe have mistaken that childhood

2145

01:20:04,470 --> 01:20:03,040

birth memory that's like deep seeded in

2146

01:20:06,709 --> 01:20:04,480

their dna

2147

01:20:07,510 --> 01:20:06,719

right that pops up when you've eaten too

2148

01:20:15,110 --> 01:20:07,520

many

2149

01:20:18,709 --> 01:20:15,120

yeah but yeah i i mean yeah yeah

2150

01:20:20,950 --> 01:20:18,719

the brain i agree i agree it is weird

2151  
01:20:22,870 --> 01:20:20,960  
and again that's not we're not dogging

2152  
01:20:24,070 --> 01:20:22,880  
regression hypnotherapists or anything

2153  
01:20:26,390 --> 01:20:24,080  
we're just saying that

2154  
01:20:29,669 --> 01:20:26,400  
you know it's it's it might be one of

2155  
01:20:33,510 --> 01:20:29,679  
those things dude where you have like

2156  
01:20:35,189 --> 01:20:33,520  
there's like 30 badass regression hip

2157  
01:20:37,110 --> 01:20:35,199  
you know hypnotherapists and then

2158  
01:20:40,390 --> 01:20:37,120  
there's like 70 percent

2159  
01:20:42,070 --> 01:20:40,400  
not that good so i'm saying it's like

2160  
01:20:44,070 --> 01:20:42,080  
if you're gonna go to if you're gonna go

2161  
01:20:46,149 --> 01:20:44,080  
to a regressionist right if you're gonna

2162  
01:20:47,910 --> 01:20:46,159  
go to a regressionist you gotta take the

2163  
01:20:49,189 --> 01:20:47,920

same approach as like if you're gonna go

2164

01:20:51,030 --> 01:20:49,199

get a tattoo

2165

01:20:52,310 --> 01:20:51,040

like you gotta [h\_\_h] make sure these

2166

01:20:53,669 --> 01:20:52,320

people know what they're doing because

2167

01:20:54,229 --> 01:20:53,679

that's some [h\_\_h] you're gonna be stuck

2168

01:20:57,750 --> 01:20:54,239

with for

2169

01:21:00,070 --> 01:20:57,760

life so [h\_\_h] hell

2170

01:21:01,430 --> 01:21:00,080

do your research first i'm not saying

2171

01:21:02,950 --> 01:21:01,440

that they're all bad i'm saying like

2172

01:21:05,030 --> 01:21:02,960

there's probably some great ones

2173

01:21:06,470 --> 01:21:05,040

and just do your research because yeah

2174

01:21:09,510 --> 01:21:06,480

you you don't want to get

2175

01:21:11,430 --> 01:21:09,520

stuck with a shitty regressionist dude i

2176

01:21:25,750 --> 01:21:11,440

mean can you imagine

2177

01:21:30,229 --> 01:21:28,470

too many man that's such a good analogy

2178

01:21:32,790 --> 01:21:30,239

though like because

2179

01:21:33,910 --> 01:21:32,800

once you i never i've never been through

2180

01:21:36,070 --> 01:21:33,920

this but like

2181

01:21:38,229 --> 01:21:36,080

yeah they're regressions [h\_\_h] can you

2182

01:21:40,229 --> 01:21:38,239

imagine how traumatizing that would be

2183

01:21:42,390 --> 01:21:40,239

to have a memory memories are the most

2184

01:21:45,590 --> 01:21:42,400

this is what we don't live in the

2185

01:21:46,550 --> 01:21:45,600

the present our human brains live in the

2186

01:21:49,030 --> 01:21:46,560

past or the future

2187

01:21:50,149 --> 01:21:49,040

that's there is no i mean there's like

2188

01:21:53,270 --> 01:21:50,159

the idea of like

2189

01:21:54,870 --> 01:21:53,280

oh just be present just be present just

2190

01:21:57,350 --> 01:21:54,880

sit there and like let your thoughts

2191

01:21:58,790 --> 01:21:57,360

pass we're like dude we live in the

2192

01:22:01,030 --> 01:21:58,800

[h\_\_\h] past

2193

01:22:02,870 --> 01:22:01,040

in the future so if you all the time if

2194

01:22:06,550 --> 01:22:02,880

you incept

2195

01:22:08,070 --> 01:22:06,560

an idea a construct that

2196

01:22:10,390 --> 01:22:08,080

that you were made to believe that

2197

01:22:13,110 --> 01:22:10,400

[h\_\_\h] happened dude

2198

01:22:14,229 --> 01:22:13,120

that is powerful that is yeah because it

2199

01:22:17,750 --> 01:22:14,239

affects your present

2200

01:22:20,790 --> 01:22:17,760

and your future dramatically

2201

01:22:21,669 --> 01:22:20,800

yeah yeah yeah yeah dude you're not for

2202

01:22:23,590 --> 01:22:21,679

the rest of your life

2203

01:22:25,430 --> 01:22:23,600

you're not [h\_\_\h] with a this ain't no

2204

01:22:26,070 --> 01:22:25,440

hannah tattoo it's not gonna go away

2205

01:22:29,110 --> 01:22:26,080

dude

2206

01:22:32,709 --> 01:22:29,120

right right i mean say

2207

01:22:34,950 --> 01:22:32,719

say one one morning you wake up

2208

01:22:36,310 --> 01:22:34,960

and you look over and you're kind of in

2209

01:22:39,510 --> 01:22:36,320

that still asleep

2210

01:22:41,669 --> 01:22:39,520

stage and you saw your cat in the window

2211

01:22:43,830 --> 01:22:41,679

and then you got regressed and then they

2212

01:22:45,430 --> 01:22:43,840

were like dude that was a [h\_\_\h] alien

2213

01:22:47,030 --> 01:22:45,440

and so like for the rest of your life

2214

01:22:49,830 --> 01:22:47,040

dude you've been touched by an

2215

01:22:51,430 --> 01:22:49,840

alien but instead like it was actually

2216

01:22:53,110 --> 01:22:51,440

your cat squiggles

2217

01:22:55,189 --> 01:22:53,120

and like instead of being squiggles it's

2218

01:22:56,070 --> 01:22:55,199

a [h\_\_h] alien now for the rest of your

2219

01:22:59,590 --> 01:22:56,080

life

2220

01:23:03,430 --> 01:22:59,600

dude yes yes

2221

01:23:05,189 --> 01:23:03,440

bro squiggles

2222

01:23:07,830 --> 01:23:05,199

you're really you remember mr griggles

2223

01:23:08,709 --> 01:23:07,840

dude oh yeah i remember mr griego he was

2224

01:23:11,669 --> 01:23:08,719

the best cat

2225

01:23:12,470 --> 01:23:11,679

ever yeah he was cool he was like a dog

2226

01:23:14,390 --> 01:23:12,480

yeah dude

2227

01:23:16,390 --> 01:23:14,400

it was actually she was it was a she and

2228

01:23:19,990 --> 01:23:16,400

i i had the name before the cat

2229

01:23:23,189 --> 01:23:20,000

i knew that i wanted a cat yeah named mr

2230

01:23:26,470 --> 01:23:23,199

griggles i i i don't know what the [h\_\_h]

2231

01:23:28,390 --> 01:23:26,480

i was thinking i don't know i'm weird

2232

01:23:29,910 --> 01:23:28,400

yeah oh man she was such a good cat

2233

01:23:33,590 --> 01:23:29,920

anyway dude i really care

2234

01:23:36,229 --> 01:23:33,600

so think about like yeah like

2235

01:23:37,510 --> 01:23:36,239

inserting where we are talking about

2236

01:23:40,229 --> 01:23:37,520

inception really

2237

01:23:42,709 --> 01:23:40,239

it's yeah you're planting so inception

2238

01:23:46,070 --> 01:23:42,719

is [\h\_\_\h] real

2239

01:23:49,030 --> 01:23:46,080

it's real totally it is like and

2240

01:23:50,550 --> 01:23:49,040

the people that go to let's let's even

2241

01:23:51,750 --> 01:23:50,560

break that down even further i mean i

2242

01:23:53,590 --> 01:23:51,760

don't want to spend a whole bunch more

2243

01:23:54,950 --> 01:23:53,600

time on this but

2244

01:23:56,629 --> 01:23:54,960

break it down even further just for a

2245

01:23:57,830 --> 01:23:56,639

second and feel free to chime in

2246

01:24:00,229 --> 01:23:57,840

whenever but like

2247

01:24:02,070 --> 01:24:00,239

the person the type of person that is

2248

01:24:04,070 --> 01:24:02,080

even willing to contact

2249

01:24:05,189 --> 01:24:04,080

and meet with and spend a couple of

2250

01:24:09,590 --> 01:24:05,199

hours with

2251

01:24:11,990 --> 01:24:09,600

somebody to regress

2252

01:24:13,430 --> 01:24:12,000

their experience has got to be a

2253

01:24:16,550 --> 01:24:13,440

specific type of person

2254

01:24:18,790 --> 01:24:16,560

i mean am i right right yeah i mean

2255

01:24:19,910 --> 01:24:18,800

either either they're a normal person

2256

01:24:23,110 --> 01:24:19,920

that has

2257

01:24:23,910 --> 01:24:23,120

had a really [h\_\_h] crazy thing happen

2258

01:24:26,470 --> 01:24:23,920

to them

2259

01:24:28,070 --> 01:24:26,480

or they had like a series of insane

2260

01:24:29,510 --> 01:24:28,080

dreams or they have some type of

2261

01:24:31,830 --> 01:24:29,520

traumatic i'm not going to try to

2262

01:24:32,310 --> 01:24:31,840

pretend i mean i am a doctor scientist

2263

01:24:34,709 --> 01:24:32,320

but

2264

01:24:37,910 --> 01:24:34,719

i'm like not going to try to pretend

2265

01:24:40,950 --> 01:24:37,920

what would compel somebody to even

2266

01:24:43,669 --> 01:24:40,960

do a regression therapy session but

2267

01:24:45,030 --> 01:24:43,679

right when that's all automatically

2268

01:24:48,070 --> 01:24:45,040

you're starting out in

2269

01:24:49,430 --> 01:24:48,080

a vulnerable state because that person

2270

01:24:51,030 --> 01:24:49,440

knows that you're coming to them for

2271

01:24:52,229 --> 01:24:51,040

help like hey i want to figure this [h\_\_h]

2272

01:24:53,750 --> 01:24:52,239

out like i know some

2273

01:24:56,390 --> 01:24:53,760

[h\_\_h] happened to me but i don't know

2274

01:24:59,270 --> 01:24:56,400

what so automatically that person that's

2275

01:24:59,910 --> 01:24:59,280

giving that regression therapy has this

2276

01:25:04,870 --> 01:24:59,920

like

2277

01:25:06,550 --> 01:25:04,880

i'm gonna try to help this person figure

2278

01:25:08,790 --> 01:25:06,560

out what the [h\_\_h] happened to them

2279

01:25:11,110 --> 01:25:08,800

and like there's got there you can't

2280

01:25:15,910 --> 01:25:11,120

just end that session with like

2281

01:25:19,430 --> 01:25:17,910

be like and then like it'll be two

2282

01:25:21,189 --> 01:25:19,440

hundred dollars please

2283

01:25:22,709 --> 01:25:21,199

yeah exactly that's true i don't know

2284

01:25:23,750 --> 01:25:22,719

that's johnny cross

2285

01:25:26,390 --> 01:25:23,760

i don't know what happened to you but

2286

01:25:28,709 --> 01:25:26,400

that shit's crazy

2287

01:25:30,149 --> 01:25:28,719

hey remember that you said that thing i

2288

01:25:32,550 --> 01:25:30,159

was [h\_\_h] it was crazy dude

2289

01:25:36,470 --> 01:25:32,560

that was crazy damn so what's wrong i

2290

01:25:44,070 --> 01:25:41,030

yeah i got a guy you can talk to

2291

01:25:45,990 --> 01:25:44,080

yeah and then and then meanwhile you've

2292

01:25:47,189 --> 01:25:46,000

been implanted with this idea that like

2293

01:25:48,390 --> 01:25:47,199

you know what

2294

01:25:50,070 --> 01:25:48,400

the guy couldn't figure out what

2295

01:25:50,870 --> 01:25:50,080

happened to you so he was like yeah i

2296

01:25:54,629 --> 01:25:50,880

don't know [h\_\_h]

2297

01:25:55,990 --> 01:25:54,639

aliens probably though so now you have

2298

01:26:00,149 --> 01:25:56,000

aliens in your life

2299

01:26:02,390 --> 01:26:00,159

that you didn't have before yeah

2300

01:26:03,510 --> 01:26:02,400

turns out turns out it was just

2301  
01:26:06,390 --> 01:26:03,520  
hemorrhoids

2302  
01:26:07,990 --> 01:26:06,400  
you weren't anally probed and now you're

2303  
01:26:09,590 --> 01:26:08,000  
stuck with just thinking that

2304  
01:26:11,030 --> 01:26:09,600  
and then you never get your hemorrhoid

2305  
01:26:11,990 --> 01:26:11,040  
problem fixed because you just think

2306  
01:26:16,550 --> 01:26:12,000  
you're being probed

2307  
01:26:17,990 --> 01:26:16,560  
yeah that's the issue dude i

2308  
01:26:19,990 --> 01:26:18,000  
all right i was gonna share a really

2309  
01:26:23,189 --> 01:26:20,000  
intimate story but i won't

2310  
01:26:24,149 --> 01:26:23,199  
i'm not gonna say that on air it's

2311  
01:26:32,229 --> 01:26:24,159  
[h\_\_\h]

2312  
01:26:32,870 --> 01:26:32,239  
gonna say you can't tell it say that and

2313  
01:26:36,390 --> 01:26:32,880

then not

2314

01:26:37,990 --> 01:26:36,400

say it all right so the only reason it

2315

01:26:39,350 --> 01:26:38,000

came up is because i'm making an analogy

2316

01:26:43,030 --> 01:26:39,360

in my head

2317

01:26:46,070 --> 01:26:43,040

about anal probes okay all right

2318

01:26:50,149 --> 01:26:46,080

get ready oh my god oh my god

2319

01:26:52,470 --> 01:26:50,159

so do uh i had this biology teacher uh

2320

01:26:54,950 --> 01:26:52,480

freshman year of high school and

2321

01:26:56,070 --> 01:26:54,960

like the intro story she's like hi i'm

2322

01:26:58,390 --> 01:26:56,080

so and so

2323

01:26:59,350 --> 01:26:58,400

uh this is biology anyway so when i was

2324

01:27:02,310 --> 01:26:59,360

a kid like

2325

01:27:02,870 --> 01:27:02,320

completely started telling this wacko

2326

01:27:04,709 --> 01:27:02,880

story

2327

01:27:06,629 --> 01:27:04,719

when i was a kid this is why i got it

2328

01:27:07,830 --> 01:27:06,639

she'll the reason was this is why she

2329

01:27:09,350 --> 01:27:07,840

got into biology

2330

01:27:11,030 --> 01:27:09,360

is this thing happened to her when she

2331

01:27:13,110 --> 01:27:11,040

was a child

2332

01:27:14,550 --> 01:27:13,120

my biology teacher in high school she

2333

01:27:15,669 --> 01:27:14,560

was like yeah when i was a kid i got

2334

01:27:18,470 --> 01:27:15,679

hook worms

2335

01:27:19,910 --> 01:27:18,480

uh and they live in your your rectum and

2336

01:27:21,030 --> 01:27:19,920

we got them from the dogs and our whole

2337

01:27:22,390 --> 01:27:21,040

family got them

2338

01:27:24,229 --> 01:27:22,400

and i would wake up in the middle of the

2339

01:27:24,790 --> 01:27:24,239

night and i'd feel like this tingly like

2340

01:27:27,110 --> 01:27:24,800

tickly

2341

01:27:27,830 --> 01:27:27,120

station around my butthole and i'd wake

2342

01:27:30,790 --> 01:27:27,840

up and like be

2343

01:27:32,790 --> 01:27:30,800

really itchy and uh yeah there was

2344

01:27:33,350 --> 01:27:32,800

[h\_\_h] worms that live in your rectum

2345

01:27:36,310 --> 01:27:33,360

that like

2346

01:27:37,750 --> 01:27:36,320

pop out and like say hello and they live

2347

01:27:39,350 --> 01:27:37,760

there because it's like warm and like

2348

01:27:39,990 --> 01:27:39,360

they eat off of your fecal matter and

2349

01:27:43,270 --> 01:27:40,000

all that stuff

2350

01:27:43,750 --> 01:27:43,280

so like [h\_\_h] first day of biology i'm

2351

01:27:47,350 --> 01:27:43,760

like

2352

01:27:51,189 --> 01:27:47,360

holy [h\_\_h] did not know that existed

2353

01:27:53,669 --> 01:27:51,199

so they so therefore after any time like

2354

01:27:54,470 --> 01:27:53,679

i've got like a wild hair up my ass then

2355

01:27:56,310 --> 01:27:54,480

i i i

2356

01:27:57,750 --> 01:27:56,320

some i've had some dreams every now and

2357

01:28:00,629 --> 01:27:57,760

then i'll wake up because like

2358

01:28:03,270 --> 01:28:00,639

i have like this [h\_\_h] hair on my

2359

01:28:04,950 --> 01:28:03,280

[h\_\_h] man come on everybody's got hair

2360

01:28:07,030 --> 01:28:04,960

i'm not the only one it's like every

2361

01:28:09,189 --> 01:28:07,040

time i have an itchy [h\_\_h] i assume

2362

01:28:11,590 --> 01:28:09,199

it's hookworms

2363

01:28:14,070 --> 01:28:11,600

do you get it so you not now you realize

2364

01:28:16,070 --> 01:28:14,080

why i brought this up

2365

01:28:17,510 --> 01:28:16,080

so like you know i was i was i was

2366

01:28:20,149 --> 01:28:17,520

implanted this

2367

01:28:21,910 --> 01:28:20,159

this idea long time ago that there was

2368

01:28:24,709 --> 01:28:21,920

there was a thing that i

2369

01:28:26,550 --> 01:28:24,719

didn't need to know and probably no one

2370

01:28:28,790 --> 01:28:26,560

needed to know

2371

01:28:30,390 --> 01:28:28,800

and now anytime i [h\_\_h] itches i'm

2372

01:28:33,430 --> 01:28:30,400

thinking oh i've [h\_\_h] got hook worms

2373

01:28:38,229 --> 01:28:36,629

so i've got no corms yeah

2374

01:28:40,390 --> 01:28:38,239

that's funny as [h\_\_h] so that's my

2375

01:28:41,510 --> 01:28:40,400

analogy that's a really i did not plan

2376

01:28:43,830 --> 01:28:41,520

on sharing that tonight

2377

01:28:45,189 --> 01:28:43,840

and uh now all thousands maybe millions

2378

01:28:47,270 --> 01:28:45,199

of people know about this

2379

01:28:48,709 --> 01:28:47,280

well i'm glad you said it i'm glad you

2380

01:28:49,750 --> 01:28:48,719

got it off your chest i'm sure you feel

2381

01:28:52,070 --> 01:28:49,760

like a better person

2382

01:28:54,830 --> 01:28:52,080

i got it out of my ass for sure yeah

2383

01:28:56,950 --> 01:28:54,840

absolutely dude hell yeah that's what's

2384

01:28:59,430 --> 01:28:56,960

up but yeah so like

2385

01:29:01,510 --> 01:28:59,440

the point is like you can pl and plant

2386

01:29:03,669 --> 01:29:01,520

something in someone's brain and then it

2387

01:29:06,950 --> 01:29:03,679

affects them for the rest

2388

01:29:10,310 --> 01:29:06,960

of their lives dude yeah totally

2389

01:29:12,550 --> 01:29:10,320

yeah totally [h\_\_h] hey man

2390

01:29:13,910 --> 01:29:12,560

yep yeah so anyway while we're talking

2391

01:29:14,470 --> 01:29:13,920

about dreams do we want to get into the

2392

01:29:16,870 --> 01:29:14,480

next

2393

01:29:18,550 --> 01:29:16,880

little yeah i'm down i mean are we good

2394

01:29:19,830 --> 01:29:18,560

on time or are you good i mean this is

2395

01:29:21,590 --> 01:29:19,840

yeah i'm good i've already been a solid

2396

01:29:23,510 --> 01:29:21,600

podcast we don't have to spend a

2397

01:29:24,790 --> 01:29:23,520

whole bunch of time about it i was just

2398

01:29:27,270 --> 01:29:24,800

i was just listening back

2399

01:29:27,910 --> 01:29:27,280

to an episode a couple episodes ago and

2400

01:29:31,110 --> 01:29:27,920

i was like

2401

01:29:34,070 --> 01:29:31,120

[h\_\_\h] and joe damn dude like i

2402

01:29:36,390 --> 01:29:34,080

we need to talk about that more yeah i

2403

01:29:41,430 --> 01:29:38,470

i don't dude i mean it's one of those

2404

01:29:43,590 --> 01:29:41,440

things where like i don't really

2405

01:29:44,790 --> 01:29:43,600

i don't really know how much more there

2406

01:29:47,910 --> 01:29:44,800

is to the story

2407

01:29:51,030 --> 01:29:47,920

other than the fact that it it's

2408

01:29:51,750 --> 01:29:51,040

so vivid that i remember it perfectly

2409

01:29:56,070 --> 01:29:51,760

today

2410

01:29:57,990 --> 01:29:56,080

yeah you know it's it's uh

2411

01:30:00,709 --> 01:29:58,000

it was it was kind of strange i don't

2412

01:30:04,149 --> 01:30:00,719

know i just remember

2413

01:30:07,830 --> 01:30:04,159

i'm i'm i'm standing in like this

2414

01:30:09,910 --> 01:30:07,840

it's like a black room this is a journey

2415

01:30:11,350 --> 01:30:09,920

right it's a dream i'm standing in like

2416

01:30:13,270 --> 01:30:11,360

this this it's

2417

01:30:14,470 --> 01:30:13,280

but it's like a big ass room it's like a

2418

01:30:17,669 --> 01:30:14,480

cafeteria

2419

01:30:21,510 --> 01:30:17,679

like it's a big ass room and like just i

2420

01:30:23,270 --> 01:30:21,520

see the windows and i can just see stars

2421

01:30:24,709 --> 01:30:23,280

everywhere and i know that there's

2422

01:30:27,750 --> 01:30:24,719

people like sitting

2423

01:30:31,110 --> 01:30:30,229

but i don't think they're i don't think

2424

01:30:33,110 --> 01:30:31,120

they're people

2425

01:30:34,470 --> 01:30:33,120

like i think there's a few people but i

2426

01:30:38,149 --> 01:30:34,480

don't think all the

2427

01:30:41,590 --> 01:30:38,159

people sitting at the tables are people

2428

01:30:43,350 --> 01:30:41,600

and i can feel like i don't know like

2429

01:30:45,030 --> 01:30:43,360

maybe i'm standing in a line or

2430

01:30:46,149 --> 01:30:45,040

something or maybe i'm just standing in

2431

01:30:48,470 --> 01:30:46,159

the middle of this

2432

01:30:49,270 --> 01:30:48,480

cafeteria setting with all these badass

2433

01:30:51,030 --> 01:30:49,280

stars

2434

01:30:52,870 --> 01:30:51,040

but like i can feel other people like

2435

01:30:56,470 --> 01:30:52,880

standing around me

2436

01:30:57,750 --> 01:30:56,480

but i i don't feel like there's nothing

2437

01:30:59,750 --> 01:30:57,760

to my right

2438

01:31:00,790 --> 01:30:59,760

i know that but to my left there's

2439

01:31:02,310 --> 01:31:00,800

something

2440

01:31:04,870 --> 01:31:02,320

i don't think there are people either

2441

01:31:07,030 --> 01:31:04,880

but it didn't bother me

2442

01:31:08,790 --> 01:31:07,040

but i know that there was like people

2443

01:31:10,629 --> 01:31:08,800

there

2444

01:31:12,070 --> 01:31:10,639

but the ones that were to my left and a

2445

01:31:13,430 --> 01:31:12,080

few others sitting in this like

2446

01:31:15,830 --> 01:31:13,440

cafeteria space

2447

01:31:17,189 --> 01:31:15,840

they weren't all people whatever it was

2448

01:31:22,070 --> 01:31:17,199

were they

2449

01:31:24,310 --> 01:31:22,080

like multiple tables or like long

2450

01:31:26,149 --> 01:31:24,320

long rows of tables no they were more

2451  
01:31:27,510 --> 01:31:26,159  
like circular tables they probably held

2452  
01:31:29,430 --> 01:31:27,520  
like five or six people

2453  
01:31:31,590 --> 01:31:29,440  
at each table so was there like the cool

2454  
01:31:34,709 --> 01:31:31,600  
kids table

2455  
01:31:37,270 --> 01:31:34,719  
might have been that was i

2456  
01:31:37,750 --> 01:31:37,280  
i realized that was not funny but like

2457  
01:31:39,590 --> 01:31:37,760  
you

2458  
01:31:41,189 --> 01:31:39,600  
like there's like groups right like were

2459  
01:31:43,350 --> 01:31:41,199  
there groups or was

2460  
01:31:44,790 --> 01:31:43,360  
everybody had their own table or it

2461  
01:31:47,590 --> 01:31:44,800  
seemed like in in this

2462  
01:31:48,790 --> 01:31:47,600  
area there was probably like three to

2463  
01:31:53,430 --> 01:31:48,800

four people

2464

01:31:54,790 --> 01:31:53,440

like at we'll say that the cafeteria was

2465

01:31:57,270 --> 01:31:54,800

like 25

2466

01:31:57,830 --> 01:31:57,280

full like there wasn't a lot of people

2467

01:31:59,830 --> 01:31:57,840

in there

2468

01:32:01,189 --> 01:31:59,840

but there was like you said that exact

2469

01:32:04,709 --> 01:32:01,199

same thing last time

2470

01:32:07,270 --> 01:32:04,719

i'm glad you that's a very specific

2471

01:32:08,790 --> 01:32:07,280

uh a detail sorry to cut you off but

2472

01:32:10,550 --> 01:32:08,800

just so everybody else knows like

2473

01:32:12,709 --> 01:32:10,560

that's exactly what you said last time

2474

01:32:15,669 --> 01:32:12,719

like story has not changed

2475

01:32:15,990 --> 01:32:15,679

yeah it uh it was yeah it was strange

2476

01:32:19,830 --> 01:32:16,000

like

2477

01:32:23,270 --> 01:32:19,840

and and uh

2478

01:32:25,110 --> 01:32:23,280

so so sorry so 25 full

2479

01:32:26,550 --> 01:32:25,120

and yeah and then what else do you

2480

01:32:30,070 --> 01:32:26,560

remember like was there like

2481

01:32:33,189 --> 01:32:30,080

say there was like say there was like

2482

01:32:36,790 --> 01:32:33,199

50 tables or something maybe like

2483

01:32:39,830 --> 01:32:36,800

15 20 not even 20.

2484

01:32:40,390 --> 01:32:39,840

like maybe like 15 tables were like full

2485

01:32:43,590 --> 01:32:40,400

with like

2486

01:32:45,990 --> 01:32:43,600

three and they were all mixed it was

2487

01:32:49,510 --> 01:32:47,750

some weren't human but some were human

2488

01:32:50,870 --> 01:32:49,520

but they were all like sitting at just

2489

01:32:52,390 --> 01:32:50,880

random tables yeah

2490

01:32:54,070 --> 01:32:52,400

it was crazy if you could just stand

2491

01:32:57,590 --> 01:32:54,080

there if you could pick a color

2492

01:33:00,790 --> 01:32:57,600

scheme what would you say oh dude

2493

01:33:02,950 --> 01:33:00,800

easily uh black like

2494

01:33:04,229 --> 01:33:02,960

the ground black the walls black

2495

01:33:06,550 --> 01:33:04,239

everything black

2496

01:33:07,350 --> 01:33:06,560

i see the natural light from the outside

2497

01:33:10,229 --> 01:33:07,360

like maybe

2498

01:33:12,070 --> 01:33:10,239

like i'm seeing the stars but maybe off

2499

01:33:14,070 --> 01:33:12,080

to like where i can't see through

2500

01:33:15,830 --> 01:33:14,080

like a window like where it's a wall

2501

01:33:18,629 --> 01:33:15,840

like maybe there's a sun

2502

01:33:20,390 --> 01:33:18,639

like a like a star right there right so

2503

01:33:23,030 --> 01:33:20,400

there's like this natural light

2504

01:33:23,430 --> 01:33:23,040

but everything is black and whatever

2505

01:33:27,430 --> 01:33:23,440

these

2506

01:33:31,669 --> 01:33:29,669

whoa okay so that was not what i was

2507

01:33:33,270 --> 01:33:31,679

picturing i was picturing like

2508

01:33:35,590 --> 01:33:33,280

everything's like this color scheme i

2509

01:33:37,990 --> 01:33:35,600

had my mind was mainly white and

2510

01:33:40,310 --> 01:33:38,000

like some blue like there was some

2511

01:33:41,830 --> 01:33:40,320

accents of like blue on the chairs or

2512

01:33:43,590 --> 01:33:41,840

something like that but

2513

01:33:45,910 --> 01:33:43,600

no that was like the chairs and the

2514

01:33:49,270 --> 01:33:45,920

chairs and tables were like uh

2515

01:33:51,910 --> 01:33:49,280

uh or like a gray they were

2516

01:33:52,629 --> 01:33:51,920

they were like they were gray they were

2517

01:33:55,430 --> 01:33:52,639

almost

2518

01:33:57,189 --> 01:33:55,440

white but they were definitely gray okay

2519

01:33:59,030 --> 01:33:57,199

they could have almost been white

2520

01:34:00,870 --> 01:33:59,040

yeah but they were like that shade of

2521

01:34:03,430 --> 01:34:00,880

gray it was like a really light gray

2522

01:34:04,790 --> 01:34:03,440

in like this all black room and then

2523

01:34:07,350 --> 01:34:04,800

these big ass windows

2524

01:34:08,310 --> 01:34:07,360

with a bunch of stars yeah and then like

2525

01:34:12,550 --> 01:34:08,320

this side

2526

01:34:14,470 --> 01:34:12,560

light type thing on my right that's why

2527

01:34:16,950 --> 01:34:14,480

that's why i said like there was things

2528

01:34:18,709 --> 01:34:16,960

on my right i mean on my left

2529

01:34:19,990 --> 01:34:18,719

there was like these people on my left

2530

01:34:21,990 --> 01:34:20,000

but there was nothing to my right

2531

01:34:23,750 --> 01:34:22,000

because i remember it was dark over here

2532

01:34:25,830 --> 01:34:23,760

right so maybe there was like a door

2533

01:34:27,990 --> 01:34:25,840

or something but whatever was over there

2534

01:34:29,750 --> 01:34:28,000

was like it was like bright

2535

01:34:31,510 --> 01:34:29,760

yeah so that's why i would assume it'd

2536

01:34:33,830 --> 01:34:31,520

be like next to like you know

2537

01:34:35,110 --> 01:34:33,840

your home son or something i don't know

2538

01:34:38,310 --> 01:34:35,120

yeah i don't know but

2539

01:34:39,990 --> 01:34:38,320

i'm so i'm visualizing it and

2540

01:34:41,510 --> 01:34:40,000

you're being very descriptive i'm just

2541

01:34:44,870 --> 01:34:41,520

like

2542

01:34:46,790 --> 01:34:44,880

i'm i'm visualizing it in my head so

2543

01:34:49,189 --> 01:34:46,800

when you say 50 tables that

2544

01:34:52,149 --> 01:34:49,199

automatically makes that room

2545

01:34:53,189 --> 01:34:52,159

very big like maybe twice the size of a

2546

01:34:55,030 --> 01:34:53,199

gymnasium

2547

01:34:56,229 --> 01:34:55,040

so everybody kind of knows what a

2548

01:34:58,870 --> 01:34:56,239

gymnasium

2549

01:35:00,070 --> 01:34:58,880

looks like yeah i don't know in feet

2550

01:35:03,669 --> 01:35:00,080

what that would be

2551  
01:35:04,709 --> 01:35:03,679  
but maybe twice the size uh and to my

2552  
01:35:06,950 --> 01:35:04,719  
left i mean

2553  
01:35:08,950 --> 01:35:06,960  
the only like close visualization i can

2554  
01:35:11,430 --> 01:35:08,960  
think of is is a scene out of star wars

2555  
01:35:12,310 --> 01:35:11,440  
right like when you're in the hangar and

2556  
01:35:15,910 --> 01:35:12,320  
there's like

2557  
01:35:16,629 --> 01:35:15,920  
or or uh uh like pandora uh pandora on

2558  
01:35:20,709 --> 01:35:16,639  
uh

2559  
01:35:22,390 --> 01:35:20,719  
a hanger environment where

2560  
01:35:25,109 --> 01:35:22,400  
where there's four walls was it four

2561  
01:35:26,950 --> 01:35:25,119  
walls no it wasn't four walls it was

2562  
01:35:28,950 --> 01:35:26,960  
definitely like i said like a donut

2563  
01:35:32,229 --> 01:35:28,960

like if it was a big ass donut you said

2564

01:35:34,950 --> 01:35:32,239

that so it had like this curvature to it

2565

01:35:36,629 --> 01:35:34,960

and the windows followed the curvature

2566

01:35:40,229 --> 01:35:36,639

so

2567

01:35:43,990 --> 01:35:40,239

you

2568

01:35:44,470 --> 01:35:44,000

everywhere so was that mean does that

2569

01:35:47,750 --> 01:35:44,480

mean

2570

01:35:49,750 --> 01:35:47,760

there were stars oh no you're good sorry

2571

01:35:51,109 --> 01:35:49,760

what was that that was your phone you

2572

01:35:54,390 --> 01:35:51,119

sounded like a uh

2573

01:35:56,629 --> 01:35:54,400

like a distorted guitar it's on

2574

01:35:58,229 --> 01:35:56,639

like uh yeah it vibrates when it rings

2575

01:35:59,990 --> 01:35:58,239

too so i thought you're about to [h\_\_\h]

2576

01:36:02,629 --> 01:36:00,000

jam dude

2577

01:36:04,950 --> 01:36:02,639

yeah uh so what do you say uh stars

2578

01:36:08,550 --> 01:36:04,960

everywhere like describe the ceiling

2579

01:36:11,030 --> 01:36:08,560

the walls i mean you said donut so

2580

01:36:12,870 --> 01:36:11,040

if you can imagine like this donut shape

2581

01:36:14,870 --> 01:36:12,880

all the way around

2582

01:36:16,550 --> 01:36:14,880

if like and where are you standing

2583

01:36:19,750 --> 01:36:16,560

within this donut because there's like a

2584

01:36:21,750 --> 01:36:19,760

uh the center is missing out of a donut

2585

01:36:24,390 --> 01:36:21,760

we're not talking about sphere right

2586

01:36:25,430 --> 01:36:24,400

right right so yeah uh it could have

2587

01:36:27,750 --> 01:36:25,440

been like a full

2588

01:36:29,270 --> 01:36:27,760

like circle like filled in all the way

2589

01:36:30,550 --> 01:36:29,280

yeah but for where i was in the

2590

01:36:32,390 --> 01:36:30,560

cafeteria

2591

01:36:34,790 --> 01:36:32,400

i know that there was something like a

2592

01:36:37,350 --> 01:36:34,800

wall like a divider of some sort so like

2593

01:36:37,990 --> 01:36:37,360

but it i know it had this circular

2594

01:36:41,590 --> 01:36:38,000

curvature

2595

01:36:42,470 --> 01:36:41,600

to it yeah and there was a absolutely

2596

01:36:44,629 --> 01:36:42,480

like a floor

2597

01:36:46,950 --> 01:36:44,639

and the ceiling but i know that they

2598

01:36:50,149 --> 01:36:46,960

like came together like a donut

2599

01:36:52,310 --> 01:36:50,159

you know so if you imagine if you can

2600

01:36:55,669 --> 01:36:52,320

imagine like

2601  
01:36:59,189 --> 01:36:55,679  
four big windows that are probably like

2602  
01:37:02,550 --> 01:36:59,199  
20 foot long maybe 30 foot long

2603  
01:37:06,229 --> 01:37:02,560  
but also like maybe 8 foot 12 foot

2604  
01:37:09,109 --> 01:37:06,239  
high they were that big along the sides

2605  
01:37:11,189 --> 01:37:09,119  
of the wall and they were like one two

2606  
01:37:13,030 --> 01:37:11,199  
three and like maybe a fourth one

2607  
01:37:15,030 --> 01:37:13,040  
but you could see nothing but stars out

2608  
01:37:17,109 --> 01:37:15,040  
of it and that one to my far

2609  
01:37:18,149 --> 01:37:17,119  
right before it got real black there was

2610  
01:37:20,870 --> 01:37:18,159  
just like this

2611  
01:37:22,310 --> 01:37:20,880  
light that was coming through like off

2612  
01:37:24,390 --> 01:37:22,320  
to the side like i knew that there was

2613  
01:37:27,510 --> 01:37:24,400

something bright over in that area but

2614

01:37:29,189 --> 01:37:27,520

i couldn't see what it was

2615

01:37:30,870 --> 01:37:29,199

so what makes you think it was a

2616

01:37:32,950 --> 01:37:30,880

cafeteria was it like

2617

01:37:33,990 --> 01:37:32,960

could you smell food or like what made

2618

01:37:36,470 --> 01:37:34,000

you think

2619

01:37:38,790 --> 01:37:36,480

the environment of just like hanging out

2620

01:37:40,229 --> 01:37:38,800

yeah like nobody was doing anything

2621

01:37:41,590 --> 01:37:40,239

like everybody was literally just

2622

01:37:43,270 --> 01:37:41,600

sitting at tables just chit-chatting

2623

01:37:45,030 --> 01:37:43,280

playing like pokemon and [h\_\_\h]

2624

01:37:51,910 --> 01:37:45,040

like yeah like whatever they wanted it

2625

01:37:58,790 --> 01:37:55,910

he gave me this uh like uh

2626

01:37:59,830 --> 01:37:58,800

definitely a cafeteria auditorium vibe

2627

01:38:01,669 --> 01:37:59,840

yeah you know

2628

01:38:03,510 --> 01:38:01,679

but you didn't feel like a sense of like

2629

01:38:05,510 --> 01:38:03,520

there's a reason why we're here

2630

01:38:06,790 --> 01:38:05,520

it's just like this is like a mundane

2631

01:38:09,350 --> 01:38:06,800

part of

2632

01:38:10,550 --> 01:38:09,360

whatever scenario i'm in dude so were

2633

01:38:11,910 --> 01:38:10,560

you holding anything like do you

2634

01:38:14,550 --> 01:38:11,920

remember holding a tray or

2635

01:38:16,149 --> 01:38:14,560

no like in line for something you you

2636

01:38:19,189 --> 01:38:16,159

express this sense of

2637

01:38:21,750 --> 01:38:19,199

that you were uh yeah

2638

01:38:22,709 --> 01:38:21,760

yeah i feel like i was just so it to me

2639

01:38:25,750 --> 01:38:22,719

i think there was a

2640

01:38:27,510 --> 01:38:25,760

uh it was like multi-layered

2641

01:38:29,189 --> 01:38:27,520

it's probably like a higher layer and

2642

01:38:31,910 --> 01:38:29,199

then the lower layer is where everybody

2643

01:38:32,390 --> 01:38:31,920

sat i'm standing up on this like higher

2644

01:38:34,790 --> 01:38:32,400

layer

2645

01:38:36,149 --> 01:38:34,800

looking out kind of but it's not like

2646

01:38:38,550 --> 01:38:36,159

something super high

2647

01:38:39,430 --> 01:38:38,560

like i am the king it's like maybe like

2648

01:38:43,189 --> 01:38:39,440

a like a

2649

01:38:45,270 --> 01:38:43,199

a four foot difference maybe you know

2650

01:38:46,310 --> 01:38:45,280

multi-level but i'm just up on the

2651

01:38:48,790 --> 01:38:46,320

higher level

2652

01:38:50,390 --> 01:38:48,800

looking out over this cafeteria and i

2653

01:38:50,950 --> 01:38:50,400

know that there's like some people to my

2654

01:38:53,830 --> 01:38:50,960

left

2655

01:38:56,550 --> 01:38:53,840

yeah and everything is dark there's

2656

01:39:01,270 --> 01:38:56,560

these big badass windows

2657

01:39:03,350 --> 01:39:01,280

and they all have on white white clothes

2658

01:39:04,709 --> 01:39:03,360

dude i'm just like i'm trying to put

2659

01:39:07,030 --> 01:39:04,719

myself

2660

01:39:08,390 --> 01:39:07,040

in in that position so i'm like i'm

2661

01:39:10,149 --> 01:39:08,400

sorry if i'm like asking the same

2662

01:39:11,669 --> 01:39:10,159

questions over and over but like

2663

01:39:13,830 --> 01:39:11,679

i'm just trying to get it right because

2664

01:39:15,510 --> 01:39:13,840

i know you have such a good detail of it

2665

01:39:18,629 --> 01:39:15,520

like i just i want yeah it's weird

2666

01:39:19,350 --> 01:39:18,639

there like and it's it's insane that you

2667

01:39:22,709 --> 01:39:19,360

have such

2668

01:39:26,310 --> 01:39:22,719

vivid recollection that has been

2669

01:39:29,270 --> 01:39:26,320

very uh it's the same

2670

01:39:29,590 --> 01:39:29,280

i mean when i as you're saying stuff i'm

2671

01:39:32,950 --> 01:39:29,600

like

2672

01:39:33,910 --> 01:39:32,960

oh yeah joe said that exact same thing

2673

01:39:35,669 --> 01:39:33,920

last time you

2674

01:39:37,270 --> 01:39:35,679

told the story there are some details

2675

01:39:38,790 --> 01:39:37,280

that we're getting into now that we i

2676

01:39:39,669 --> 01:39:38,800

didn't ask and that's why i wanted to

2677

01:39:43,189 --> 01:39:39,679

bring it up

2678

01:39:46,790 --> 01:39:43,199

because i have i had so many questions

2679

01:39:47,590 --> 01:39:46,800

uh and i mean again okay so i'll ask

2680

01:39:51,109 --> 01:39:47,600

another one

2681

01:39:52,870 --> 01:39:51,119

so you're it's already asked like were

2682

01:39:54,629 --> 01:39:52,880

you waiting in line for anything

2683

01:39:56,229 --> 01:39:54,639

and i already asked the question of like

2684

01:39:58,229 --> 01:39:56,239

was there any kind of like

2685

01:39:59,430 --> 01:39:58,239

purpose for you being there it was just

2686

01:40:00,870 --> 01:39:59,440

like a moment of time so

2687

01:40:02,550 --> 01:40:00,880

it leads me into my next question like

2688

01:40:06,070 --> 01:40:02,560

how long of

2689

01:40:07,510 --> 01:40:06,080

a like what time span is this memory is

2690

01:40:11,669 --> 01:40:07,520

it like couple seconds or

2691

01:40:13,830 --> 01:40:11,679

was it a long time i'm probably standing

2692

01:40:18,550 --> 01:40:13,840

there

2693

01:40:20,790 --> 01:40:18,560

like maybe a minute

2694

01:40:21,990 --> 01:40:20,800

at the shortest which is a long [h\_\_h]

2695

01:40:23,990 --> 01:40:22,000

time probably like

2696

01:40:25,669 --> 01:40:24,000

30 seconds but i'm just standing there

2697

01:40:28,950 --> 01:40:25,679

and like for me

2698

01:40:30,950 --> 01:40:28,960

like i'm seeing like

2699

01:40:32,310 --> 01:40:30,960

everybody sitting at these tables and

2700

01:40:36,310 --> 01:40:32,320

like i feel

2701

01:40:40,310 --> 01:40:36,320

people to my left and i am

2702

01:40:42,950 --> 01:40:40,320

uh i'm aware

2703

01:40:44,229 --> 01:40:42,960

that not all of them are humans yeah but

2704

01:40:46,390 --> 01:40:44,239

the the sight

2705

01:40:48,550 --> 01:40:46,400

of everything out of the windows yeah

2706

01:40:51,189 --> 01:40:48,560

like just captivated me like i

2707

01:40:52,149 --> 01:40:51,199

like i almost didn't care that there was

2708

01:40:54,709 --> 01:40:52,159

humans and

2709

01:40:55,270 --> 01:40:54,719

something else at these tables because i

2710

01:40:58,310 --> 01:40:55,280

was so

2711

01:41:00,550 --> 01:40:58,320

like in awe of like what i was seeing

2712

01:41:02,709 --> 01:41:00,560

out of the windows right you know so i

2713

01:41:04,550 --> 01:41:02,719

was more fixated on the windows

2714

01:41:06,390 --> 01:41:04,560

and just aware that all this other [\h\_\_\h]

2715

01:41:09,430 --> 01:41:06,400

was around right but really

2716

01:41:11,590 --> 01:41:09,440

i was interested in the space out there

2717

01:41:13,830 --> 01:41:11,600

yeah it was it was it was and that's

2718

01:41:17,750 --> 01:41:13,840

what i really remember was like

2719

01:41:20,310 --> 01:41:17,760

how like just [\h\_\_\h] in awe yeah i was

2720

01:41:22,790 --> 01:41:20,320

looking out the windows in space yeah

2721

01:41:24,709 --> 01:41:22,800

and it was it was crazy

2722

01:41:26,070 --> 01:41:24,719

so it was cool it makes me think of

2723

01:41:29,430 --> 01:41:26,080

another

2724

01:41:33,270 --> 01:41:29,440

question it like it even digs deeper man

2725

01:41:35,830 --> 01:41:33,280

into the into the i guess the the

2726

01:41:36,870 --> 01:41:35,840

frame of mind one would have in that

2727

01:41:39,189 --> 01:41:36,880

scenario

2728

01:41:41,990 --> 01:41:39,199

if if okay let's just like [h\_\_\h]

2729

01:41:45,270 --> 01:41:44,310

going off the walls ideas here throwing

2730

01:41:47,590 --> 01:41:45,280

out [h\_\_\h]

2731

01:41:49,750 --> 01:41:47,600

let's say that you were a part of some

2732

01:41:52,310 --> 01:41:49,760

kind of let's say 20 and back program

2733

01:41:55,750 --> 01:41:52,320

and this is a memory that you're having

2734

01:41:58,229 --> 01:41:55,760

or you're you're you're connecting to

2735

01:42:00,550 --> 01:41:58,239

some other some other consciousness to a

2736

01:42:02,950 --> 01:42:00,560

different timeline

2737

01:42:04,149 --> 01:42:02,960

in the multiverse and your consciousness

2738

01:42:07,109 --> 01:42:04,159

just happened to be like

2739

01:42:08,709 --> 01:42:07,119

you know what like let's drag that into

2740

01:42:11,590 --> 01:42:08,719

this folder here

2741

01:42:12,629 --> 01:42:11,600

and then joe you you remember this

2742

01:42:14,310 --> 01:42:12,639

amount

2743

01:42:15,750 --> 01:42:14,320

but that's like that's not you you

2744

01:42:17,750 --> 01:42:15,760

weren't there like that's right

2745

01:42:19,030 --> 01:42:17,760

that's your consciousness in a totally

2746

01:42:21,270 --> 01:42:19,040

different uh

2747

01:42:22,950 --> 01:42:21,280

so timeline universe and that happened

2748

01:42:25,189 --> 01:42:22,960

four million years ago

2749

01:42:27,430 --> 01:42:25,199

yeah you know i'll tell you i'll tell

2750

01:42:30,229 --> 01:42:27,440

you the feeling that i have

2751  
01:42:31,109 --> 01:42:30,239  
about the dream is not like it wasn't

2752  
01:42:33,669 --> 01:42:31,119  
scary

2753  
01:42:34,390 --> 01:42:33,679  
it wasn't happy yeah but like it was

2754  
01:42:36,310 --> 01:42:34,400  
almost like

2755  
01:42:38,950 --> 01:42:36,320  
through the whole dream i was just

2756  
01:42:41,109 --> 01:42:38,960  
saying thank you for letting me see this

2757  
01:42:42,390 --> 01:42:41,119  
like the view oh [h\_\_\h] like i was just

2758  
01:42:43,669 --> 01:42:42,400  
really appreciative

2759  
01:42:45,990 --> 01:42:43,679  
like the dream like i'm really

2760  
01:42:46,790 --> 01:42:46,000  
appreciative of the dream like nostalgic

2761  
01:42:49,350 --> 01:42:46,800  
in a way

2762  
01:42:49,830 --> 01:42:49,360  
yeah so like if i was there i wasn't

2763  
01:42:53,510 --> 01:42:49,840

like

2764

01:42:56,470 --> 01:42:53,520

feeling of it was

2765

01:42:57,910 --> 01:42:56,480

appreciative it was like i i would

2766

01:42:59,990 --> 01:42:57,920

normally

2767

01:43:01,430 --> 01:43:00,000

dude me and you are never gonna see what

2768

01:43:04,070 --> 01:43:01,440

space looks like

2769

01:43:05,590 --> 01:43:04,080

i will never see it so like for me it's

2770

01:43:07,350 --> 01:43:05,600

always been like i would love to see

2771

01:43:08,629 --> 01:43:07,360

space i would just love to see what it

2772

01:43:10,310 --> 01:43:08,639

looks like up there right

2773

01:43:13,030 --> 01:43:10,320

so it was almost like whatever like the

2774

01:43:15,270 --> 01:43:13,040

dream was the dream was like

2775

01:43:17,510 --> 01:43:15,280

here you go yeah here here's what it

2776

01:43:19,750 --> 01:43:17,520

looks like and so the dream to me

2777

01:43:21,750 --> 01:43:19,760

like is like an appreciative feeling

2778

01:43:23,270 --> 01:43:21,760

yeah it wasn't scary it wasn't like

2779

01:43:25,109 --> 01:43:23,280

i thought about it too much it was just

2780

01:43:25,990 --> 01:43:25,119

like very like yeah i was super

2781

01:43:29,590 --> 01:43:26,000

appreciative

2782

01:43:30,310 --> 01:43:29,600

right i love you i love that sentiment

2783

01:43:33,669 --> 01:43:30,320

like

2784

01:43:35,990 --> 01:43:33,679

i guess the other

2785

01:43:37,669 --> 01:43:36,000

question to the end of that last

2786

01:43:41,189 --> 01:43:37,679

question is

2787

01:43:41,590 --> 01:43:41,199

if you were to somehow tap into a memory

2788

01:43:44,229 --> 01:43:41,600

of

2789

01:43:45,590 --> 01:43:44,239

a different timeline joe four million

2790

01:43:47,910 --> 01:43:45,600

years ago

2791

01:43:49,270 --> 01:43:47,920

uh and this happened four million years

2792

01:43:52,070 --> 01:43:49,280

ago this is a different job but your

2793

01:43:52,550 --> 01:43:52,080

your consciousness tapped into it it was

2794

01:43:54,629 --> 01:43:52,560

it would

2795

01:43:56,310 --> 01:43:54,639

almost be like in that moment like

2796

01:43:58,390 --> 01:43:56,320

whatever you're seeing is totally normal

2797

01:44:00,470 --> 01:43:58,400

like you see this [h\_\_h] every day

2798

01:44:02,229 --> 01:44:00,480

right like that's your job oh you work

2799

01:44:03,510 --> 01:44:02,239

on this [h\_\_h] spacecraft and this is

2800

01:44:06,070 --> 01:44:03,520

what people [h\_\_h] do

2801  
01:44:07,030 --> 01:44:06,080  
dude like no one's got coveted and i

2802  
01:44:09,430 --> 01:44:07,040  
live on a donut

2803  
01:44:10,790 --> 01:44:09,440  
like this is just this is normal but the

2804  
01:44:13,590 --> 01:44:10,800  
fact that

2805  
01:44:14,950 --> 01:44:13,600  
the i the uh the feeling of like

2806  
01:44:18,870 --> 01:44:14,960  
wonderment and just

2807  
01:44:22,310 --> 01:44:18,880  
like pure joy and appreciation tells me

2808  
01:44:23,189 --> 01:44:22,320  
that either okay all right number one it

2809  
01:44:26,070 --> 01:44:23,199  
was just a dream

2810  
01:44:27,030 --> 01:44:26,080  
cool [h\_\_\h] dream right great that's

2811  
01:44:30,550 --> 01:44:27,040  
[h\_\_\h] fun

2812  
01:44:33,510 --> 01:44:30,560  
i've never had a dream like that but uh

2813  
01:44:34,070 --> 01:44:33,520

and then number two or or possibly

2814

01:44:37,270 --> 01:44:34,080

number two

2815

01:44:38,790 --> 01:44:37,280

is is that uh you know let's let's throw

2816

01:44:40,790 --> 01:44:38,800

all the cards out there and say that

2817

01:44:41,830 --> 01:44:40,800

yeah your consciousness was able to or

2818

01:44:44,709 --> 01:44:41,840

someone

2819

01:44:46,790 --> 01:44:44,719

was able to connect you to some other

2820

01:44:47,189 --> 01:44:46,800

you know reality that this this happened

2821

01:44:51,030 --> 01:44:47,199

and

2822

01:44:52,950 --> 01:44:51,040

like when you are doing something that

2823

01:44:55,750 --> 01:44:52,960

you really don't think is right like

2824

01:44:57,030 --> 01:44:55,760

if you're like you know taking a uh uh

2825

01:44:59,270 --> 01:44:57,040

right on red and it's

2826

01:45:00,310 --> 01:44:59,280

there's a sign that says right no no

2827

01:45:02,629 --> 01:45:00,320

right on red between

2828

01:45:03,430 --> 01:45:02,639

five and seven pm or whatever five uh

2829

01:45:04,790 --> 01:45:03,440

whatever

2830

01:45:05,910 --> 01:45:04,800

and then you're like i know this is bad

2831

01:45:06,470 --> 01:45:05,920

but i'm gonna [h\_\_h] do it cause i'm in

2832

01:45:08,550 --> 01:45:06,480

a hurry

2833

01:45:10,070 --> 01:45:08,560

and you like feel bad about it and like

2834

01:45:13,430 --> 01:45:10,080

that example is

2835

01:45:14,310 --> 01:45:13,440

your future self reflecting off on that

2836

01:45:17,109 --> 01:45:14,320

mistake

2837

01:45:17,590 --> 01:45:17,119

and like that's why you feel weird like

2838

01:45:20,629 --> 01:45:17,600

maybe

2839

01:45:22,709 --> 01:45:20,639

taking that type of uh reflection kind

2840

01:45:25,430 --> 01:45:22,719

of understanding

2841

01:45:25,830 --> 01:45:25,440

into like like copy and paste that into

2842

01:45:29,189 --> 01:45:25,840

this

2843

01:45:33,350 --> 01:45:29,199

scenario where like you're experiencing

2844

01:45:35,350 --> 01:45:33,360

this scenario in your dream like state

2845

01:45:36,629 --> 01:45:35,360

right right are you i'm kind of losing

2846

01:45:39,189 --> 01:45:36,639

myself as i'm saying this

2847

01:45:40,070 --> 01:45:39,199

but well i'm kind of following yeah yeah

2848

01:45:41,910 --> 01:45:40,080

but like

2849

01:45:43,590 --> 01:45:41,920

you're tapping into something that could

2850

01:45:46,470 --> 01:45:43,600

possibly be

2851  
01:45:46,870 --> 01:45:46,480  
totally [h\_\_h] real and like yeah and

2852  
01:45:48,629 --> 01:45:46,880  
now

2853  
01:45:49,990 --> 01:45:48,639  
like you're back in this reality and

2854  
01:45:51,030 --> 01:45:50,000  
it's just a [h\_\_h] dream dude that's

2855  
01:45:54,070 --> 01:45:51,040  
cool all right

2856  
01:45:57,109 --> 01:45:54,080  
nice yeah yeah yeah i mean

2857  
01:45:59,990 --> 01:45:57,119  
you could go i mean

2858  
01:46:01,590 --> 01:46:00,000  
i'll tell you what i got to pee again

2859  
01:46:04,229 --> 01:46:01,600  
give me one second hold that thought

2860  
01:46:05,189 --> 01:46:04,239  
all right i'll talk about sponsors yeah

2861  
01:46:06,629 --> 01:46:05,199  
and and we'll

2862  
01:46:09,510 --> 01:46:06,639  
we'll go down a little rabbit hole with

2863  
01:46:13,189 --> 01:46:09,520

that okay [ʌ\_\_ʌ] yeah dude

2864

01:46:14,149 --> 01:46:13,199

all right uh i'm gonna try to talk about

2865

01:46:16,070 --> 01:46:14,159

our uh

2866

01:46:17,189 --> 01:46:16,080

sponsors and [ʌ\_\_ʌ] i guess that's what

2867

01:46:20,229 --> 01:46:17,199

podcasts do

2868

01:46:21,750 --> 01:46:20,239

okay um hey guys thanks for listening if

2869

01:46:23,270 --> 01:46:21,760

you made it this far

2870

01:46:25,430 --> 01:46:23,280

thanks for hanging out with us tonight

2871

01:46:28,310 --> 01:46:25,440

or this evening or this morning

2872

01:46:28,629 --> 01:46:28,320

really appreciate it i am uh i apologize

2873

01:46:31,910 --> 01:46:28,639

for

2874

01:46:33,430 --> 01:46:31,920

weeks i've had

2875

01:46:35,990 --> 01:46:33,440

i've had the rona all right i got the

2876

01:46:36,470 --> 01:46:36,000

rona i've been talking [h\_\_h] about rona

2877

01:46:43,350 --> 01:46:36,480

for

2878

01:46:44,790 --> 01:46:43,360

i uh fully expect everyone to give me

2879

01:46:46,870 --> 01:46:44,800

[h\_\_h] about that

2880

01:46:48,790 --> 01:46:46,880

i never said that it wasn't real i just

2881

01:46:52,070 --> 01:46:48,800

said like i'm not gonna get it

2882

01:46:56,470 --> 01:46:52,080

i'm healthy as a horse but i got it

2883

01:47:00,070 --> 01:46:56,480

uh anyway so ufo garage pc guys

2884

01:47:02,310 --> 01:47:00,080

that's our website ufo garagepc.com

2885

01:47:03,189 --> 01:47:02,320

ufos aliens all things weird that's our

2886

01:47:05,590 --> 01:47:03,199

podcast me

2887

01:47:07,030 --> 01:47:05,600

joe we're just talking about [h\_\_h] we

2888

01:47:07,990 --> 01:47:07,040

really we don't we just make this [h\_\_\h]

2889

01:47:09,830 --> 01:47:08,000

for free this is fun

2890

01:47:11,350 --> 01:47:09,840

this is this is what we do for fun like

2891

01:47:15,109 --> 01:47:11,360

every thursday

2892

01:47:17,510 --> 01:47:15,119

uh evening for the past almost two years

2893

01:47:19,430 --> 01:47:17,520

um we we've been getting together to

2894

01:47:20,629 --> 01:47:19,440

talk about ufos aliens and all things

2895

01:47:22,790 --> 01:47:20,639

weird and

2896

01:47:23,830 --> 01:47:22,800

we've been able to talk to a lot of

2897

01:47:27,430 --> 01:47:23,840

really amazing people

2898

01:47:30,870 --> 01:47:27,440

and that it's been amazing so far and uh

2899

01:47:33,430 --> 01:47:30,880

anyway so it's it's free to listen

2900

01:47:34,070 --> 01:47:33,440

uh but it uh you know it costs a little

2901

01:47:36,550 --> 01:47:34,080

bit

2902

01:47:38,470 --> 01:47:36,560

to maintain so one of the ways you guys

2903

01:47:40,470 --> 01:47:38,480

can support us is going to our website

2904

01:47:42,950 --> 01:47:40,480

and buying some merch dude

2905

01:47:44,149 --> 01:47:42,960

we've got some cool shirts ufo garage

2906

01:47:46,390 --> 01:47:44,159

pc.com

2907

01:47:47,750 --> 01:47:46,400

check out our shirts um if you're a long

2908

01:47:49,990 --> 01:47:47,760

time listener you'll understand the

2909

01:47:51,990 --> 01:47:50,000

reference of the doctor scientists

2910

01:47:53,030 --> 01:47:52,000

that's a shirt says dr scientist on it's

2911

01:47:55,510 --> 01:47:53,040

got a little beaker

2912

01:47:57,030 --> 01:47:55,520

with a cinnamon teary cinnamon terry's a

2913

01:47:57,990 --> 01:47:57,040

shirt on there as well i'll fix those by

2914

01:48:01,109 --> 01:47:58,000

the way

2915

01:48:03,350 --> 01:48:01,119

awesome i fixed it uh we got the the the

2916

01:48:07,030 --> 01:48:03,360

v-necks i'm wearing the v-neck with the

2917

01:48:07,590 --> 01:48:07,040

64 impala uh it doesn't say ufo garage

2918

01:48:10,470 --> 01:48:07,600

or anything

2919

01:48:11,510 --> 01:48:10,480

it's not like super brandy it's very

2920

01:48:13,350 --> 01:48:11,520

very subtle

2921

01:48:14,550 --> 01:48:13,360

so if you're not into the if you're one

2922

01:48:17,189 --> 01:48:14,560

of those people that's like

2923

01:48:17,669 --> 01:48:17,199

i don't wear abercrombie you [\h\_\_\h] i

2924

01:48:21,669 --> 01:48:17,679

like

2925

01:48:23,510 --> 01:48:21,679

girls that hang out in a ditch anyway

2926

01:48:24,790 --> 01:48:23,520

this is a shirt for you it's very subtle

2927

01:48:27,350 --> 01:48:24,800

it's just got a little uh

2928

01:48:28,229 --> 01:48:27,360

little ufo on it and that's the the ufo

2929

01:48:30,470 --> 01:48:28,239

that joe and i

2930

01:48:31,510 --> 01:48:30,480

plan on building once the technology is

2931

01:48:33,270 --> 01:48:31,520

released

2932

01:48:34,550 --> 01:48:33,280

but yeah yeah you came back in the

2933

01:48:37,830 --> 01:48:34,560

perfect timing dude

2934

01:48:39,750 --> 01:48:37,840

i know i know okay so okay

2935

01:48:41,669 --> 01:48:39,760

so check this out i had this thought

2936

01:48:43,350 --> 01:48:41,679

like you know how they say that like

2937

01:48:46,709 --> 01:48:43,360

your thoughts and like what you do

2938

01:48:49,510 --> 01:48:46,719

like it you know if you exist

2939

01:48:51,669 --> 01:48:49,520

here but you also exist on like an

2940

01:48:53,990 --> 01:48:51,679

infinite amount of timelines right

2941

01:48:55,270 --> 01:48:54,000

but like things that you do like with

2942

01:48:58,149 --> 01:48:55,280

this this uh

2943

01:48:59,510 --> 01:48:58,159

uh you know quantum entanglement like

2944

01:48:59,990 --> 01:48:59,520

everything like your thoughts and

2945

01:49:02,470 --> 01:49:00,000

everything

2946

01:49:03,270 --> 01:49:02,480

it gets projected out into time space

2947

01:49:06,550 --> 01:49:03,280

the universe

2948

01:49:09,750 --> 01:49:06,560

everything right so what if

2949

01:49:11,430 --> 01:49:09,760

me just existing on all these infinite

2950

01:49:13,750 --> 01:49:11,440

different timelines like there's a

2951  
01:49:16,390 --> 01:49:13,760  
timeline where it's me

2952  
01:49:17,669 --> 01:49:16,400  
standing in this cafeteria space looking

2953  
01:49:19,589 --> 01:49:17,679  
out into space

2954  
01:49:21,430 --> 01:49:19,599  
and you know how like when you doze off

2955  
01:49:22,629 --> 01:49:21,440  
how you're kind of meditating and you

2956  
01:49:25,750 --> 01:49:22,639  
don't even realize it

2957  
01:49:28,550 --> 01:49:25,760  
but then you kind of come to so i'm

2958  
01:49:29,270 --> 01:49:28,560  
so picture me standing in this cafeteria

2959  
01:49:31,189 --> 01:49:29,280  
area

2960  
01:49:32,550 --> 01:49:31,199  
i'm in space and i'm just looking out

2961  
01:49:35,430 --> 01:49:32,560  
into space

2962  
01:49:36,470 --> 01:49:35,440  
right and i zone off and i put out this

2963  
01:49:42,550 --> 01:49:36,480

this

2964

01:49:45,669 --> 01:49:42,560  
time and space in the universe

2965

01:49:50,070 --> 01:49:45,679  
and it just so happens that

2966

01:49:53,270 --> 01:49:50,080  
me right here in this time

2967

01:49:55,510 --> 01:49:53,280  
i want to see space so bad that through

2968

01:49:58,950 --> 01:49:55,520  
the infinite timelines

2969

01:50:00,709 --> 01:49:58,960  
that thought resonates with me in this

2970

01:50:01,510 --> 01:50:00,719  
timeline so that's why i was able to

2971

01:50:04,629 --> 01:50:01,520  
pick it up

2972

01:50:05,910 --> 01:50:04,639  
or or see it because it was me just from

2973

01:50:07,750 --> 01:50:05,920  
a different timeline

2974

01:50:09,430 --> 01:50:07,760  
but it didn't affect any of the other

2975

01:50:10,070 --> 01:50:09,440  
timelines because it doesn't resonate

2976

01:50:12,950 --> 01:50:10,080

with them

2977

01:50:15,109 --> 01:50:12,960

the way it resonates with me personally

2978

01:50:16,870 --> 01:50:15,119

or maybe it did maybe it did resonate

2979

01:50:17,669 --> 01:50:16,880

through like a few hundred thousand

2980

01:50:19,350 --> 01:50:17,679

million

2981

01:50:20,950 --> 01:50:19,360

whatever different timelines i just so

2982

01:50:23,589 --> 01:50:20,960

happen to be one of them

2983

01:50:24,310 --> 01:50:23,599

you know yeah you're not the only one

2984

01:50:26,390 --> 01:50:24,320

it's cool

2985

01:50:29,109 --> 01:50:26,400

i i would i would go even fart yeah i

2986

01:50:32,149 --> 01:50:29,119

love this it's called sympathetic

2987

01:50:34,950 --> 01:50:32,159

uh sympathetic res resonance

2988

01:50:36,390 --> 01:50:34,960

it's like when i make a loud noise hey

2989

01:50:39,430 --> 01:50:36,400

my guitar is like ring

2990

01:50:40,790 --> 01:50:39,440

you know it's like they underst not

2991

01:50:42,550 --> 01:50:40,800

understand it we're just like putting a

2992

01:50:46,550 --> 01:50:42,560

human construct on it but

2993

01:50:49,189 --> 01:50:46,560

but leaking linking minds together

2994

01:50:51,510 --> 01:50:49,199

and and the the amount the vastness that

2995

01:50:53,270 --> 01:50:51,520

we don't understand about the mind

2996

01:50:55,030 --> 01:50:53,280

yeah dude it's totally possible that

2997

01:50:55,830 --> 01:50:55,040

we're the consciousness that we're able

2998

01:50:58,709 --> 01:50:55,840

to

2999

01:50:59,430 --> 01:50:58,719

let's say that we can we fairly say that

3000

01:51:02,709 --> 01:50:59,440

we admit

3001  
01:51:05,750 --> 01:51:02,719  
consciousness like thought is emitting

3002  
01:51:06,070 --> 01:51:05,760  
yeah it's like a physical yeah you know

3003  
01:51:08,470 --> 01:51:06,080  
like

3004  
01:51:09,109 --> 01:51:08,480  
emitting consciousness throughout the

3005  
01:51:11,510 --> 01:51:09,119  
universe

3006  
01:51:12,790 --> 01:51:11,520  
like dude i love that idea that you just

3007  
01:51:15,430 --> 01:51:12,800  
said you're

3008  
01:51:16,149 --> 01:51:15,440  
literally resonating which means like

3009  
01:51:19,189 --> 01:51:16,159  
two

3010  
01:51:20,149 --> 01:51:19,199  
frequencies are matching up perfectly in

3011  
01:51:22,390 --> 01:51:20,159  
sync

3012  
01:51:24,070 --> 01:51:22,400  
yeah across the cosmos i mean if you're

3013  
01:51:24,629 --> 01:51:24,080

thinking about the multiverse theory

3014

01:51:28,390 --> 01:51:24,639

where there's

3015

01:51:30,070 --> 01:51:28,400

infinite universes there is there

3016

01:51:31,669 --> 01:51:30,080

there's a universe there's a joe out

3017

01:51:33,990 --> 01:51:31,679

there that's constantly

3018

01:51:34,709 --> 01:51:34,000

just being tripped out because he's

3019

01:51:37,910 --> 01:51:34,719

constantly

3020

01:51:40,390 --> 01:51:37,920

like in sync with another joe in another

3021

01:51:41,830 --> 01:51:40,400

universe right yeah so the fact that

3022

01:51:45,030 --> 01:51:41,840

there's an idea that you for

3023

01:51:45,750 --> 01:51:45,040

just a second were in a state of mind to

3024

01:51:48,790 --> 01:51:45,760

resonate

3025

01:51:51,189 --> 01:51:48,800

for like a minute and

3026

01:51:51,830 --> 01:51:51,199

and uh you know be in sync with a

3027

01:51:55,750 --> 01:51:51,840

different

3028

01:51:58,950 --> 01:51:55,760

reality joe yeah is totally possible

3029

01:52:02,070 --> 01:51:58,960

a [h\_\_h] love yeah because i know like

3030

01:52:05,669 --> 01:52:02,080

i feel like in the dream

3031

01:52:07,990 --> 01:52:05,679

i tried to like look but like

3032

01:52:09,990 --> 01:52:08,000

it would get blurry off to the side i

3033

01:52:12,470 --> 01:52:10,000

could only see in front of me

3034

01:52:13,990 --> 01:52:12,480

so if this other me was constantly

3035

01:52:16,550 --> 01:52:14,000

staring forward

3036

01:52:18,470 --> 01:52:16,560

that would be my only frame of vision in

3037

01:52:19,830 --> 01:52:18,480

in his consciousness because he's not

3038

01:52:21,990 --> 01:52:19,840

looking side to side

3039

01:52:23,990 --> 01:52:22,000

that's why i can only feel what's off to

3040

01:52:25,750 --> 01:52:24,000

my sides i can't see him

3041

01:52:27,189 --> 01:52:25,760

i can't see the light and i can't see

3042

01:52:29,270 --> 01:52:27,199

the people off to the left

3043

01:52:30,229 --> 01:52:29,280

but i can see the people sitting in

3044

01:52:33,030 --> 01:52:30,239

front of me

3045

01:52:35,030 --> 01:52:33,040

down in the cafeteria area in these big

3046

01:52:38,550 --> 01:52:35,040

awesome windows with space

3047

01:52:41,910 --> 01:52:38,560

so i can only see his front vision

3048

01:52:45,030 --> 01:52:41,920

you know that's so cool

3049

01:52:47,350 --> 01:52:45,040

so because me in the dream

3050

01:52:48,709 --> 01:52:47,360

i try to look side to side and i can't

3051  
01:52:52,149 --> 01:52:48,719  
it gets blurry

3052  
01:52:55,589 --> 01:52:52,159  
right so dude yeah

3053  
01:52:58,629 --> 01:52:55,599  
like all right

3054  
01:53:01,910 --> 01:52:58,639  
tapping into the

3055  
01:53:04,070 --> 01:53:01,920  
what what we know about uh

3056  
01:53:05,589 --> 01:53:04,080  
uh conscious dream like conscious

3057  
01:53:09,350 --> 01:53:05,599  
dreaming

3058  
01:53:12,550 --> 01:53:09,360  
um oh there's a word for it um

3059  
01:53:14,709 --> 01:53:12,560  
uh dang it uh when you're like you're

3060  
01:53:16,229 --> 01:53:14,719  
like cautious and you're like able to

3061  
01:53:18,950 --> 01:53:16,239  
to affect your dreams and everything

3062  
01:53:20,390 --> 01:53:18,960  
like lucid dreaming lucid dreaming dude

3063  
01:53:23,430 --> 01:53:20,400

yes

3064

01:53:24,629 --> 01:53:23,440

that idea i'm not saying it's what you

3065

01:53:27,910 --> 01:53:24,639

experienced but

3066

01:53:30,310 --> 01:53:27,920

but the same same it probably is same

3067

01:53:31,910 --> 01:53:30,320

concept though like when you try to

3068

01:53:36,229 --> 01:53:31,920

affect your

3069

01:53:38,709 --> 01:53:36,239

your surrounding you wake up or you

3070

01:53:40,470 --> 01:53:38,719

go on to the next dream and like i mean

3071

01:53:42,709 --> 01:53:40,480

one of my favorite movies is inception

3072

01:53:44,390 --> 01:53:42,719

again i'll say the word again like

3073

01:53:47,750 --> 01:53:44,400

as soon as you realize that you're

3074

01:53:52,310 --> 01:53:50,950

and then you wake up uh so the fact that

3075

01:53:54,149 --> 01:53:52,320

you that if

3076

01:53:56,709 --> 01:53:54,159

the fact that you remember that and can

3077

01:53:59,270 --> 01:53:56,719

visualize and contextualize that

3078

01:54:01,669 --> 01:53:59,280

is super powerful to me because dude

3079

01:54:03,990 --> 01:54:01,679

that's [h\_\_\h]

3080

01:54:04,709 --> 01:54:04,000

like you just can't come up with that

3081

01:54:07,910 --> 01:54:04,719

for fun

3082

01:54:09,270 --> 01:54:07,920

right yeah like that's that's pretty

3083

01:54:13,350 --> 01:54:09,280

amazing

3084

01:54:14,790 --> 01:54:13,360

that in layman's terms the people

3085

01:54:16,709 --> 01:54:14,800

you're saying in a way that i can

3086

01:54:19,270 --> 01:54:16,719

understand it which is

3087

01:54:20,790 --> 01:54:19,280

you know awesome yeah it's the only way

3088

01:54:23,189 --> 01:54:20,800

i understand it

3089

01:54:24,149 --> 01:54:23,199

so so like i know like you and i are

3090

01:54:26,790 --> 01:54:24,159

like [h\_\_h] like

3091

01:54:27,189 --> 01:54:26,800

super [h\_\_h] smart so like we have to

3092

01:54:30,470 --> 01:54:27,199

dump

3093

01:54:33,510 --> 01:54:30,480

down yeah for the absolutely

3094

01:54:34,550 --> 01:54:33,520

cinnamon chips cemetery is listening so

3095

01:54:37,830 --> 01:54:34,560

we have to dump it down

3096

01:54:40,149 --> 01:54:37,840

we have to but he's an idiot

3097

01:54:43,270 --> 01:54:40,159

he's only good at playing bongos that's

3098

01:54:49,510 --> 01:54:47,109

yeah man i loved like telling nico about

3099

01:54:50,790 --> 01:54:49,520

sentimentary on our on a road trip up to

3100

01:54:52,790 --> 01:54:50,800

arkansas

3101  
01:54:53,990 --> 01:54:52,800  
yeah that was great we're like you ever

3102  
01:54:56,149 --> 01:54:54,000  
heard of cinnamon

3103  
01:54:59,109 --> 01:54:56,159  
you haven't heard of it we went on we

3104  
01:55:02,550 --> 01:54:59,119  
like broke that on for like five minutes

3105  
01:55:05,030 --> 01:55:02,560  
and he was like so nice about it

3106  
01:55:06,470 --> 01:55:05,040  
he was like cinnamon terry i've never

3107  
01:55:10,470 --> 01:55:06,480  
even heard of that guy

3108  
01:55:15,750 --> 01:55:10,480  
yeah dude hangs out in austin yeah

3109  
01:55:21,189 --> 01:55:19,350  
that's good hell yeah oh my god

3110  
01:55:22,629 --> 01:55:21,199  
[h\_\_h] but yeah dude i mean that's that's

3111  
01:55:25,270 --> 01:55:22,639  
the dream man i mean that's

3112  
01:55:26,629 --> 01:55:25,280  
that's what i remember so i mean i'm i

3113  
01:55:28,950 --> 01:55:26,639

know as soon as we get off i'm gonna be

3114

01:55:31,430 --> 01:55:28,960

like [\h\_\_\h] i should have asked

3115

01:55:32,550 --> 01:55:31,440

whatever question but i feel like i got

3116

01:55:34,870 --> 01:55:32,560

most of my

3117

01:55:35,750 --> 01:55:34,880

questions out there like i just remember

3118

01:55:37,910 --> 01:55:35,760

again like

3119

01:55:38,950 --> 01:55:37,920

listening to that episode and i texted

3120

01:55:41,350 --> 01:55:38,960

you immediately

3121

01:55:43,189 --> 01:55:41,360

because i was like editing a video and i

3122

01:55:46,310 --> 01:55:43,199

ended up watching it because somebody

3123

01:55:47,830 --> 01:55:46,320

made an [\h\_\_\h] comment and i was like

3124

01:55:49,510 --> 01:55:47,840

what were they talking about so i

3125

01:55:51,589 --> 01:55:49,520

started watching it and and you were

3126

01:55:53,030 --> 01:55:51,599

telling that story later on like much

3127

01:55:55,350 --> 01:55:53,040

later

3128

01:55:57,510 --> 01:55:55,360

uh i was like why the [h\_\_h] didn't i pry

3129

01:55:59,589 --> 01:55:57,520

into that

3130

01:56:01,589 --> 01:55:59,599

that it's almost it's like the same

3131

01:56:04,629 --> 01:56:01,599

feeling we got when we were talking to

3132

01:56:07,109 --> 01:56:04,639

uh chalta chad and alta like chad yeah

3133

01:56:08,229 --> 01:56:07,119

was starting to tell us about this

3134

01:56:11,430 --> 01:56:08,239

amazing

3135

01:56:14,709 --> 01:56:11,440

et experience and then we just like

3136

01:56:17,910 --> 01:56:14,719

yeah and back to you know yeah

3137

01:56:19,189 --> 01:56:17,920

yeah i need to yeah we need to call

3138

01:56:21,350 --> 01:56:19,199

it's weird because you almost like have

3139

01:56:24,870 --> 01:56:21,360

to process it first for you to have

3140

01:56:26,790 --> 01:56:24,880

questions that's kind of yeah

3141

01:56:28,870 --> 01:56:26,800

i would yeah i would agree that's kind

3142

01:56:31,510 --> 01:56:28,880

of how i felt with with chad's story

3143

01:56:33,109 --> 01:56:31,520

like it was so

3144

01:56:34,790 --> 01:56:33,119

so out there like i didn't really think

3145

01:56:35,669 --> 01:56:34,800

of anything to ask him until a couple

3146

01:56:39,750 --> 01:56:35,679

days later

3147

01:56:43,030 --> 01:56:41,910

which we'll get to we'll get to yeah for

3148

01:56:46,310 --> 01:56:43,040

sure like

3149

01:56:47,189 --> 01:56:46,320

where does cinnamon terry come from also

3150

01:56:49,510 --> 01:56:47,199

dude hold on

3151

01:56:52,070 --> 01:56:49,520

sorry this just popped into my head what

3152

01:56:54,470 --> 01:56:52,080

do we know about arcturians

3153

01:56:55,990 --> 01:56:54,480

what why is that so important in my mind

3154

01:56:59,270 --> 01:56:56,000

arcturians why is that so

3155

01:57:01,830 --> 01:56:59,280

important um arcturian

3156

01:57:02,629 --> 01:57:01,840

so the the the little guy in the big

3157

01:57:06,149 --> 01:57:02,639

guy's head

3158

01:57:09,270 --> 01:57:06,159

men in black he was an arcturian

3159

01:57:12,870 --> 01:57:09,280

also dude um yes also

3160

01:57:15,109 --> 01:57:12,880

[h\_\_\h] yes that is what it is all right

3161

01:57:15,910 --> 01:57:15,119

because i just watched my baby and i

3162

01:57:17,750 --> 01:57:15,920

just

3163

01:57:19,430 --> 01:57:17,760

watched this other video that referenced

3164

01:57:20,790 --> 01:57:19,440

arcturians i'm like why the [h\_\_h] is that

3165

01:57:24,629 --> 01:57:20,800

so familiar

3166

01:57:28,149 --> 01:57:24,639

also i'll give you a hint

3167

01:57:31,350 --> 01:57:28,159

she's an arcturian hybrid

3168

01:57:34,550 --> 01:57:31,360

right uh uh

3169

01:57:44,390 --> 01:57:34,560

uh v uh

3170

01:57:49,589 --> 01:57:47,830

[h\_\_h] what's your name i'm sorry

3171

01:57:51,990 --> 01:57:49,599

don't make me look it up joe give me the

3172

01:57:54,070 --> 01:57:52,000

answer what's your name

3173

01:57:55,109 --> 01:57:54,080

i can't even breathe you can't think of

3174

01:57:58,310 --> 01:57:55,119

it either that's why dude you're

3175

01:58:06,070 --> 01:58:02,310

hold on vivian

3176

01:58:08,950 --> 01:58:06,080

i know maybe you [\h\_\_\h] sorry

3177

01:58:09,350 --> 01:58:08,960

i'm sorry i just i when you did that

3178

01:58:12,070 --> 01:58:09,360

like i

3179

01:58:12,870 --> 01:58:12,080

immediatly was like oh [\h\_\_\h] you forgot

3180

01:58:16,149 --> 01:58:12,880

to

3181

01:58:21,750 --> 01:58:16,159

he doesn't remember i couldn't occur

3182

01:58:24,790 --> 01:58:21,760

no i remembered i just couldn't say it

3183

01:58:27,270 --> 01:58:24,800

hold on i'm about to find it all right

3184

01:58:28,550 --> 01:58:27,280

ufo garage podcast on youtube perfect

3185

01:58:31,830 --> 01:58:28,560

segue

3186

01:58:32,790 --> 01:58:31,840

ufo garage podcast look dude we have 351

3187

01:58:35,990 --> 01:58:32,800

subscribers

3188

01:58:39,430 --> 01:58:36,000

holy [h\_\_\h] yeah dude that's pretty cool

3189

01:58:41,589 --> 01:58:39,440

that's [h\_\_\h] sick dude vivian chavez

3190

01:58:43,189 --> 01:58:41,599

if you go if you go to our uh youtube

3191

01:58:45,589 --> 01:58:43,199

channel

3192

01:58:46,470 --> 01:58:45,599

we talk to an art are you sure it's

3193

01:58:52,550 --> 01:58:46,480

arctur

3194

01:58:54,950 --> 01:58:52,560

and she was literally like a person a

3195

01:58:58,550 --> 01:58:57,990

uh light bulb like i felt so good around

3196

01:59:00,390 --> 01:58:58,560

her

3197

01:59:01,669 --> 01:59:00,400

i remember that day i was like feeling

3198

01:59:04,229 --> 01:59:01,679

all anxious and like

3199

01:59:05,830 --> 01:59:04,239

yeah the the didgeridoo the the butt

3200

01:59:07,910 --> 01:59:05,840

plug guy was like [h\_\_\h]

3201  
01:59:09,030 --> 01:59:07,920  
up with all these frequencies and i was

3202  
01:59:12,390 --> 01:59:09,040  
like oh like

3203  
01:59:14,070 --> 01:59:12,400  
like agitated and then like vivian comes

3204  
01:59:16,550 --> 01:59:14,080  
up and she's like

3205  
01:59:18,070 --> 01:59:16,560  
i'm like the coolest person ever you're

3206  
01:59:19,270 --> 01:59:18,080  
you're a beautiful human being i'm like

3207  
01:59:22,390 --> 01:59:19,280  
oh my god

3208  
01:59:24,229 --> 01:59:22,400  
thank you oh yeah dude thank you bro

3209  
01:59:26,390 --> 01:59:24,239  
she was like one of my favorite people

3210  
01:59:27,350 --> 01:59:26,400  
to be around it's it's one of the most

3211  
01:59:30,629 --> 01:59:27,360  
like highly

3212  
01:59:32,470 --> 01:59:30,639  
viewed videos because i mean if i got

3213  
01:59:35,589 --> 01:59:32,480

that feeling

3214

01:59:36,470 --> 01:59:35,599

like uh from her in person as i know you

3215

01:59:39,109 --> 01:59:36,480

did

3216

01:59:39,750 --> 01:59:39,119

oh yeah i'm i'm sure people watching it

3217

01:59:42,470 --> 01:59:39,760

were

3218

01:59:43,030 --> 01:59:42,480

are like holy [h\_\_\h] it sounds crazy when

3219

01:59:44,470 --> 01:59:43,040

i'm talking

3220

01:59:46,310 --> 01:59:44,480

like i'm like we're talking about it but

3221

01:59:48,070 --> 01:59:46,320

like what do you actually dude

3222

01:59:49,669 --> 01:59:48,080

it's like but it was like when you like

3223

01:59:51,830 --> 01:59:49,679

when you stand next to her like your

3224

01:59:53,830 --> 01:59:51,840

whole body just releases

3225

01:59:55,910 --> 01:59:53,840

like everything you're like everything

3226

01:59:57,189 --> 01:59:55,920

is good everything is great like i don't

3227

01:59:59,669 --> 01:59:57,199

know what she's doing

3228

02:00:00,310 --> 01:59:59,679

and i don't know if like we got incepted

3229

02:00:03,350 --> 02:00:00,320

dude

3230

02:00:03,830 --> 02:00:03,360

to like just believing that but like i

3231

02:00:06,709 --> 02:00:03,840

don't know

3232

02:00:07,990 --> 02:00:06,719

yeah something about it she she she was

3233

02:00:10,629 --> 02:00:08,000

an awesome person

3234

02:00:12,870 --> 02:00:10,639

like just her like if if you don't

3235

02:00:15,990 --> 02:00:12,880

believe in like energies and stuff

3236

02:00:17,910 --> 02:00:16,000

like if you're around her like her

3237

02:00:21,030 --> 02:00:17,920

energy is different yeah

3238

02:00:22,550 --> 02:00:21,040

remember awesome like when we first

3239

02:00:24,229 --> 02:00:22,560

started this podcast we were like

3240

02:00:27,189 --> 02:00:24,239

totally against

3241

02:00:28,629 --> 02:00:27,199

energies and like i know and then like

3242

02:00:31,109 --> 02:00:28,639

time went by

3243

02:00:31,990 --> 02:00:31,119

and like we talked to a bunch of people

3244

02:00:33,910 --> 02:00:32,000

and then

3245

02:00:36,310 --> 02:00:33,920

it really changed when we went to ufo

3246

02:00:40,149 --> 02:00:38,070

when we met when we met vivian and we

3247

02:00:41,109 --> 02:00:40,159

had we we had that reading by that other

3248

02:00:43,350 --> 02:00:41,119

chick

3249

02:00:44,229 --> 02:00:43,360

that said i had like a white mantis

3250

02:00:47,030 --> 02:00:44,239

hanging out

3251  
02:00:48,550 --> 02:00:47,040  
giving me uh shoulder massages all day

3252  
02:00:51,510 --> 02:00:48,560  
and it was a troll

3253  
02:00:52,629 --> 02:00:51,520  
and she said you were [h\_\_h] like she

3254  
02:00:54,790 --> 02:00:52,639  
was like yeah

3255  
02:00:56,470 --> 02:00:54,800  
like i was already talking to her do you

3256  
02:00:59,669 --> 02:00:56,480  
walk up and she was like

3257  
02:01:01,189 --> 02:00:59,679  
oh oh i can't get a read on ben but joe

3258  
02:01:09,430 --> 02:01:01,199  
you're a

3259  
02:01:12,790 --> 02:01:09,440  
lion

3260  
02:01:15,669 --> 02:01:12,800  
and then uh and my earth spirit is

3261  
02:01:16,709 --> 02:01:15,679  
is the dwarf the dwarf yes i'm gonna say

3262  
02:01:21,030 --> 02:01:16,719  
gnome and i was like

3263  
02:01:23,350 --> 02:01:21,040

meh no no dwarf and she was like do you

3264

02:01:25,270 --> 02:01:23,360

do you play in the dirt like what do you

3265

02:01:27,910 --> 02:01:25,280

like do you work with dirt or like the

3266

02:01:31,030 --> 02:01:27,920

earth and you're like

3267

02:01:32,709 --> 02:01:31,040

yeah that's literally my job [h\_\_h] but

3268

02:01:37,030 --> 02:01:32,719

anyway yeah so back to vivian

3269

02:01:40,870 --> 02:01:37,040

yeah dude i know we talk about like the

3270

02:01:43,990 --> 02:01:40,880

the copper stuff which is like dude

3271

02:01:44,950 --> 02:01:44,000

if i were to take myself back when we

3272

02:01:46,870 --> 02:01:44,960

first started this [h\_\_h]

3273

02:01:49,350 --> 02:01:46,880

and i listened to our conversation that

3274

02:01:51,750 --> 02:01:49,360

we're having right now i'm like oh god

3275

02:01:53,830 --> 02:01:51,760

don't start this podcast like you sound

3276

02:01:57,430 --> 02:01:53,840

like a [h\_\_h] idiot

3277

02:02:00,310 --> 02:01:57,440

uh now dude my mind is

3278

02:02:01,430 --> 02:02:00,320

different my wife my mind is wide open

3279

02:02:03,990 --> 02:02:01,440

because

3280

02:02:04,709 --> 02:02:04,000

yeah it uh it's it's hard to just

3281

02:02:07,750 --> 02:02:04,719

describe

3282

02:02:09,589 --> 02:02:07,760

for sure like yeah she's she's a special

3283

02:02:11,910 --> 02:02:09,599

person for sure vivian chavette

3284

02:02:14,310 --> 02:02:11,920

ufo garage podcast on youtube check it

3285

02:02:18,709 --> 02:02:17,270

hell yeah man well dude i'm i'm uh i'm

3286

02:02:21,750 --> 02:02:18,719

about out

3287

02:02:22,470 --> 02:02:21,760

yep that was good hey that was good bro

3288

02:02:25,189 --> 02:02:22,480

i mean for

3289

02:02:25,750 --> 02:02:25,199

good stuff for being uh totally virtual

3290

02:02:29,510 --> 02:02:25,760

you know

3291

02:02:30,950 --> 02:02:29,520

yeah yeah i think i i i

3292

02:02:35,510 --> 02:02:30,960

i made it weird at the beginning and i

3293

02:02:39,270 --> 02:02:37,990

and like before that we made it through

3294

02:02:41,990 --> 02:02:39,280

we made it through finally

3295

02:02:42,310 --> 02:02:42,000

so we're good yeah we're we're totally

3296

02:02:46,310 --> 02:02:42,320

good

3297

02:02:48,870 --> 02:02:46,320

together next week

3298

02:02:50,470 --> 02:02:48,880

next thursday beautiful garage podcast

3299

02:02:53,589 --> 02:02:50,480

is coming back together

3300

02:02:56,709 --> 02:02:53,599

next thursday live and in person and

3301

02:02:57,750 --> 02:02:56,719

fully nude so be sure to subscribe on

3302

02:03:00,149 --> 02:02:57,760

youtube

3303

02:03:01,109 --> 02:03:00,159

yeah get ready for that yeah we're also

3304

02:03:04,790 --> 02:03:01,119

going to be creating an

3305

02:03:07,750 --> 02:03:04,800

only fans yeah um yeah yeah lots of hair

3306

02:03:08,390 --> 02:03:07,760

i think i think for our first only fans

3307

02:03:11,910 --> 02:03:08,400

let's do

3308

02:03:14,709 --> 02:03:11,920

like the full nude thing

3309

02:03:15,189 --> 02:03:14,719

um yeah and and we were also talking

3310

02:03:18,229 --> 02:03:15,199

about

3311

02:03:20,950 --> 02:03:18,239

uh hd like full scrotum pics

3312

02:03:21,270 --> 02:03:20,960

yeah yeah so like like really close up

3313

02:03:22,709 --> 02:03:21,280

though

3314

02:03:24,470 --> 02:03:22,719

like i'm talking super close up that's

3315

02:03:26,070 --> 02:03:24,480

batwing that [\h\_\_\h] you know like i want

3316

02:03:27,189 --> 02:03:26,080

people to know who i am

3317

02:03:28,790 --> 02:03:27,199

you know you're not even going to be

3318

02:03:29,830 --> 02:03:28,800

able to tell it's a scrote that's why

3319

02:03:32,310 --> 02:03:29,840

we're telling you now

3320

02:03:34,470 --> 02:03:32,320

that they're they're super hd super

3321

02:03:35,990 --> 02:03:34,480

close up scrotum pictures and i just i

3322

02:03:38,709 --> 02:03:36,000

just ordered us a bunch of nair

3323

02:03:39,189 --> 02:03:38,719

so joe your chest is going to be pretty

3324

02:03:42,390 --> 02:03:39,199

slick

3325

02:03:45,510 --> 02:03:42,400

when you uh oh no i don't know man

3326

02:03:48,069 --> 02:03:45,520

i think i think maybe maybe some people

3327

02:03:49,990 --> 02:03:48,079

like like the the chest hair oh i know

3328

02:03:50,310 --> 02:03:50,000

that i mean i think ladies love that i

3329

02:03:54,069 --> 02:03:50,320

mean

3330

02:03:57,510 --> 02:03:54,079

total

3331

02:04:00,790 --> 02:03:57,520

ladies man a hell of a guy so

3332

02:04:03,109 --> 02:04:00,800

and he's and he's my idol so

3333

02:04:03,990 --> 02:04:03,119

fur reynolds is the man yeah dude don't

3334

02:04:06,709 --> 02:04:04,000

forget

3335

02:04:07,830 --> 02:04:06,719

burt reynolds i i feel like he can never

3336

02:04:10,709 --> 02:04:07,840

he can only play bert

3337

02:04:11,430 --> 02:04:10,719

reynolds like yeah burt reynolds is only

3338

02:04:15,589 --> 02:04:11,440

burt reynolds

3339

02:04:19,270 --> 02:04:17,350

like most movies are like you know be

3340

02:04:22,069 --> 02:04:19,280

hilarious if like burt reynolds played

3341

02:04:23,910 --> 02:04:22,079

plays this role he's like he's exactly

3342

02:04:25,270 --> 02:04:23,920

like how like nicholas cage can only

3343

02:04:28,310 --> 02:04:25,280

play nicholas cage

3344

02:04:30,629 --> 02:04:28,320

yeah yeah exactly yeah

3345

02:04:32,069 --> 02:04:30,639

no like the expectations for for nick

3346

02:04:33,830 --> 02:04:32,079

cage roles are like

3347

02:04:35,430 --> 02:04:33,840

you're like oh [h\_\_\h] he's gonna play nick

3348

02:04:37,189 --> 02:04:35,440

cage oh [h\_\_\h]

3349

02:04:39,669 --> 02:04:37,199

he's gonna be just like nick cage in

3350

02:04:42,870 --> 02:04:39,679

this movie

3351

02:04:44,709 --> 02:04:42,880

hell yeah dude [h\_\_h] yeah but yeah man

3352

02:04:46,310 --> 02:04:44,719

that's it for me man that was a good one

3353

02:04:47,589 --> 02:04:46,320

that was good oh yeah it's good to talk

3354

02:04:48,709 --> 02:04:47,599

to you again man it's been like [h\_\_h]

3355

02:04:51,589 --> 02:04:48,719

two weeks since i've seen your

3356

02:04:52,550 --> 02:04:51,599

your face yes sir yes sir so the next

3357

02:04:56,629 --> 02:04:52,560

one let's do uh

3358

02:04:58,950 --> 02:04:56,639

uh let's get into that uh uh john teeter

3359

02:04:59,669 --> 02:04:58,960

dude let's talk about that stuff don

3360

02:05:02,950 --> 02:04:59,679

cheadle the

3361

02:05:06,310 --> 02:05:02,960

account cheeto captain cheeto oh yeah

3362

02:05:09,109 --> 02:05:06,320

yeah that's him dope we'll be in person

3363

02:05:10,790 --> 02:05:09,119

we'll uh we'll we'll be nude so just

3364

02:05:13,270 --> 02:05:10,800

y'all be uh

3365

02:05:15,589 --> 02:05:13,280

y'all listening just uh prepare for that

3366

02:05:17,830 --> 02:05:15,599

you you might not know it from

3367

02:05:19,270 --> 02:05:17,840

audio but you know be tuned in to

3368

02:05:21,430 --> 02:05:19,280

youtube to

3369

02:05:22,790 --> 02:05:21,440

you know see see the see the wildness

3370

02:05:26,069 --> 02:05:22,800

that is uh

3371

02:05:26,790 --> 02:05:26,079

joe's chest hair because i mean i'm

3372

02:05:29,669 --> 02:05:26,800

telling you guys

3373

02:05:31,350 --> 02:05:29,679

you can't see skin you can't sunlight

3374

02:05:34,550 --> 02:05:31,360

hasn't seen your nipples

3375

02:05:38,790 --> 02:05:34,560

since 2002. it's a myth

3376

02:05:40,550 --> 02:05:38,800

so people are talking about it

3377

02:05:50,230 --> 02:05:40,560

all right man i'll talk to you later
