About

The UFO Garage Podcast group is a community of people that are interested in aliens, UFOs and all things weird.

- Public**
Anyone can see who's in the group and what they post.
- Visible**
Anyone can find this group.
- Austin, Texas**
- General Group**

1
00:00:11,669 --> 00:00:09,110
this is another episode of ufo garage

2
00:00:13,190 --> 00:00:11,679
i'm ben and i'm joe and this is where we

3
00:00:16,390 --> 00:00:13,200
talk about ufos

4
00:00:19,429 --> 00:00:16,400
aliens and all things weird oh

5
00:00:22,230 --> 00:00:19,439
damn yeah yeah

6
00:00:22,950 --> 00:00:22,240
sorry what's up man virtual virtual

7
00:00:26,070 --> 00:00:22,960
podcast

8
00:00:30,150 --> 00:00:26,080
uh thrace [h__h] three times because

9
00:00:32,150 --> 00:00:30,160
we were on the uh on the what if

10
00:00:33,270 --> 00:00:32,160
tomorrow podcast i i'm counting this is

11
00:00:35,910 --> 00:00:33,280
actually this is the fourth one that

12
00:00:37,270 --> 00:00:35,920
we've done no you keep forgetting about

13
00:00:41,430 --> 00:00:37,280

the ones that we've done

14

00:00:49,430 --> 00:00:45,990

five yeah well i mean what we got like

15

00:00:51,110 --> 00:00:49,440

what two more weeks yeah yeah after the

16

00:00:53,590 --> 00:00:51,120

christmas holiday

17

00:00:54,869 --> 00:00:53,600

yeah yeah yeah sure like two more weeks

18

00:00:57,830 --> 00:00:54,879

before we

19

00:00:58,470 --> 00:00:57,840

get get back at it in the studio studios

20

00:01:03,430 --> 00:00:58,480

yeah

21

00:01:07,910 --> 00:01:03,440

some fun today we got uh

22

00:01:10,950 --> 00:01:09,750

pretty pretty crazy little story we'll

23

00:01:13,750 --> 00:01:10,960

get into it i wanna

24

00:01:15,030 --> 00:01:13,760

hear your thoughts on it i think uh i

25

00:01:16,469 --> 00:01:15,040

think dude we haven't gone through the

26
00:01:18,390 --> 00:01:16,479
facebook stuff in a while you want to go

27
00:01:20,310 --> 00:01:18,400
through some of those and just uh

28
00:01:21,429 --> 00:01:20,320
see what people been up to on the page

29
00:01:24,320 --> 00:01:21,439
man let's do

30
00:01:28,789 --> 00:01:25,510
[Music]

31
00:01:31,030 --> 00:01:28,799
cool all right let's see all right we're

32
00:01:34,250 --> 00:01:31,040
going to start with uh

33
00:01:36,789 --> 00:01:34,260
lewis oh [\h__\h] i haven't heard from you

34
00:01:39,910 --> 00:01:36,799
[Laughter]

35
00:01:42,310 --> 00:01:39,920
oh man okay new gravitational super

36
00:01:43,190 --> 00:01:42,320
highway system discovered in the solar

37
00:01:46,389 --> 00:01:43,200
system

38
00:01:49,590 --> 00:01:46,399

dude have you heard of this no no

39

00:01:51,350 --> 00:01:49,600

it sounds pretty crazy so it looks like

40

00:01:54,069 --> 00:01:51,360

let's see i pulled it up

41

00:01:55,510 --> 00:01:54,079

uh man there's a lot of ads on this site

42

00:01:56,149 --> 00:01:55,520

yeah usually when there's a lot of ads

43

00:01:59,190 --> 00:01:56,159

on the site

44

00:02:01,190 --> 00:01:59,200

oh my god i'm always like i don't know i

45

00:02:03,510 --> 00:02:01,200

don't know if i can trust it

46

00:02:04,469 --> 00:02:03,520

there's so i can't even scroll there's

47

00:02:07,590 --> 00:02:04,479

so much they

48

00:02:09,510 --> 00:02:07,600

keep coming there's like a football one

49

00:02:13,270 --> 00:02:09,520

there's like a christmas one

50

00:02:14,710 --> 00:02:13,280

there's like this this clothing one

51
00:02:16,949 --> 00:02:14,720
i'm gonna click on the wrong thing here

52
00:02:19,430 --> 00:02:16,959
in a second dude this is scary god

53
00:02:21,030 --> 00:02:19,440
yeah don't i'm not gonna click at all

54
00:02:22,949 --> 00:02:21,040
all right so

55
00:02:24,790 --> 00:02:22,959
it talks about a new super highway

56
00:02:27,270 --> 00:02:24,800
network and like

57
00:02:29,670 --> 00:02:27,280
these [h__h] ass i don't i don't like

58
00:02:32,790 --> 00:02:29,680
that we're advertising for them

59
00:02:36,150 --> 00:02:32,800
right now are you clicking out of them

60
00:02:37,910 --> 00:02:36,160
i don't i'm scared to click anything i'm

61
00:02:38,470 --> 00:02:37,920
like watching you on my screen it's so

62
00:02:40,790 --> 00:02:38,480
funny

63
00:02:43,670 --> 00:02:40,800

it's terrifying look at all this we got

64

00:02:47,750 --> 00:02:43,680

boner pills we've got

65

00:02:50,390 --> 00:02:47,760

[h__\h] pit carn i don't know

66

00:02:51,830 --> 00:02:50,400

so anyways dude they're they're tracking

67

00:02:53,670 --> 00:02:51,840

like these

68

00:02:55,589 --> 00:02:53,680

i guess they're like looking at like oh

69

00:02:57,350 --> 00:02:55,599

let's see they call them manifolds

70

00:02:59,350 --> 00:02:57,360

invisible structures consisting of a

71

00:03:00,869 --> 00:02:59,360

series of connected arches

72

00:03:02,949 --> 00:03:00,879

so i don't know if that's like gravity

73

00:03:04,390 --> 00:03:02,959

like if they're like measuring this

74

00:03:07,509 --> 00:03:04,400

gravity or something

75

00:03:08,149 --> 00:03:07,519

but like it moves in like these arch

76

00:03:10,790 --> 00:03:08,159

patterns

77

00:03:11,589 --> 00:03:10,800

they're saying it's like let's see from

78

00:03:16,550 --> 00:03:11,599

this

79

00:03:17,670 --> 00:03:16,560

highways allow space rocks to travel

80

00:03:20,070 --> 00:03:17,680

through space

81

00:03:20,949 --> 00:03:20,080

faster than previously thought for

82

00:03:23,670 --> 00:03:20,959

example

83

00:03:25,430 --> 00:03:23,680

traveling between jupiter and neptune in

84

00:03:28,229 --> 00:03:25,440

under a decade

85

00:03:29,030 --> 00:03:28,239

so that's that's pretty good that's

86

00:03:30,470 --> 00:03:29,040

pretty crazy

87

00:03:32,229 --> 00:03:30,480

i can't i don't know if that like the

88

00:03:35,350 --> 00:03:32,239

relevance of of fastness

89

00:03:37,350 --> 00:03:35,360

of speed i don't either but i would

90

00:03:43,430 --> 00:03:37,360

assume like

91

00:03:46,470 --> 00:03:45,509

yeah yeah so it's like i don't know if

92

00:03:48,710 --> 00:03:46,480

it's like the way that

93

00:03:50,550 --> 00:03:48,720

the gravity is affected by like each

94

00:03:51,190 --> 00:03:50,560

planet and there just so happens to be

95

00:03:53,429 --> 00:03:51,200

like this

96

00:03:54,470 --> 00:03:53,439

you know how like on finding nemo where

97

00:03:56,869 --> 00:03:54,480

like the turtles

98

00:03:58,470 --> 00:03:56,879

catch the current yes you know yeah but

99

00:03:59,190 --> 00:03:58,480

the whole ocean isn't like that there's

100

00:04:01,910 --> 00:03:59,200

just like this

101
00:04:03,350 --> 00:04:01,920
current that's like flowing yeah it's

102
00:04:06,789 --> 00:04:03,360
probably like that dude

103
00:04:07,270 --> 00:04:06,799
dude like you know like it probably arcs

104
00:04:09,270 --> 00:04:07,280
like it's

105
00:04:10,949 --> 00:04:09,280
it starts going faster and then it peaks

106
00:04:13,670 --> 00:04:10,959
and then it slows down again

107
00:04:13,990 --> 00:04:13,680
yeah you know i don't know but they were

108
00:04:17,749 --> 00:04:14,000
saying

109
00:04:19,590 --> 00:04:17,759
that uh yeah uh jupiter to neptune i

110
00:04:21,030 --> 00:04:19,600
mean what is that

111
00:04:22,790 --> 00:04:21,040
dude neptune's one of those those

112
00:04:23,670 --> 00:04:22,800
planets that i always forget exists it's

113
00:04:25,670 --> 00:04:23,680

such a cool it's like

114

00:04:27,350 --> 00:04:25,680

cool that's like three planets away so

115

00:04:30,550 --> 00:04:27,360

it's going from like jupiter

116

00:04:33,670 --> 00:04:30,560

to like the planet before pluto dude

117

00:04:34,550 --> 00:04:33,680

in like under 10 years that sounds

118

00:04:37,430 --> 00:04:34,560

pretty good

119

00:04:38,469 --> 00:04:37,440

i mean yeah how fast do you think it i

120

00:04:40,629 --> 00:04:38,479

guess it depends on

121

00:04:41,990 --> 00:04:40,639

how large the object that's traveling is

122

00:04:43,990 --> 00:04:42,000

right i don't think they can

123

00:04:45,909 --> 00:04:44,000

tell yet i think they were just they've

124

00:04:48,710 --> 00:04:45,919

tracked like hundreds of thousands of

125

00:04:49,110 --> 00:04:48,720

objects like in the solar system and

126
00:04:51,110 --> 00:04:49,120
they're

127
00:04:52,150 --> 00:04:51,120
just been watching how they travel and

128
00:04:55,270 --> 00:04:52,160
then they were like

129
00:04:57,189 --> 00:04:55,280
able to let's see dynamical map

130
00:04:59,350 --> 00:04:57,199
of a zoomed in portion of the first

131
00:05:00,150 --> 00:04:59,360
image and another made using the same

132
00:05:02,310 --> 00:05:00,160
orbit

133
00:05:04,710 --> 00:05:02,320
showing some of the paths and structures

134
00:05:06,790 --> 00:05:04,720
hidden within space

135
00:05:07,909 --> 00:05:06,800
flinging objects so i guess they like

136
00:05:09,430 --> 00:05:07,919
made this map of

137
00:05:11,189 --> 00:05:09,440
like [h__h] that was flying around and

138
00:05:12,070 --> 00:05:11,199

they noticed a pattern and they were

139

00:05:13,990 --> 00:05:12,080

like whoa

140

00:05:15,110 --> 00:05:14,000

the things that are flying in this this

141

00:05:18,469 --> 00:05:15,120

pattern are moving

142

00:05:19,909 --> 00:05:18,479

faster than space around it dude

143

00:05:23,430 --> 00:05:19,919

if there's one of these sensors in my

144

00:05:27,350 --> 00:05:23,440

bathroom it would be amazing to see

145

00:05:29,909 --> 00:05:27,360

there's track and [h__h] flying around yes

146

00:05:31,110 --> 00:05:29,919

i love that visual it's crazy i love

147

00:05:34,390 --> 00:05:31,120

this idea of that

148

00:05:36,710 --> 00:05:34,400

there's like slip streams or um yeah

149

00:05:38,310 --> 00:05:36,720

slipstream's in the air like there's

150

00:05:39,830 --> 00:05:38,320

there's the there's something in the air

151

00:05:42,070 --> 00:05:39,840

in our atmosphere that that

152

00:05:44,550 --> 00:05:42,080

air particles move a lot faster and

153

00:05:46,950 --> 00:05:44,560

there's like little tubules basically

154

00:05:48,550 --> 00:05:46,960

and then then a step further like well i

155

00:05:50,310 --> 00:05:48,560

guess in the ocean like you were saying

156

00:05:52,950 --> 00:05:50,320

and then in space it only makes sense

157

00:05:56,710 --> 00:05:52,960

that that would be like a fractal idea

158

00:05:57,749 --> 00:05:56,720

uh i so gravity itself so this must be

159

00:06:00,309 --> 00:05:57,759

like a huge leap

160

00:06:01,590 --> 00:06:00,319

forward and understanding what gravity

161

00:06:04,710 --> 00:06:01,600

really is

162

00:06:07,830 --> 00:06:04,720

if there's if there's i'm sure it helps

163

00:06:11,189 --> 00:06:07,840

yeah for sure

164

00:06:14,070 --> 00:06:11,199

i could speculate all day yeah me too

165

00:06:15,350 --> 00:06:14,080

but that's super cool this reminds me of

166

00:06:17,590 --> 00:06:15,360

another story

167

00:06:18,870 --> 00:06:17,600

i didn't i didn't look into it or read

168

00:06:20,469 --> 00:06:18,880

it i was just

169

00:06:22,309 --> 00:06:20,479

i scrolled past it was like oh that

170

00:06:23,830 --> 00:06:22,319

looks interesting and i just forgot to

171

00:06:25,670 --> 00:06:23,840

go back to it but they were talking

172

00:06:28,950 --> 00:06:25,680

about how like space

173

00:06:31,430 --> 00:06:28,960

like empty space is is just uh

174

00:06:32,790 --> 00:06:31,440

it's information like it's actual

175

00:06:36,390 --> 00:06:32,800

information

176

00:06:36,950 --> 00:06:36,400

yeah like like dark matter and energy or

177

00:06:39,270 --> 00:06:36,960

whatever

178

00:06:41,189 --> 00:06:39,280

like all the missing space that's gone

179

00:06:43,110 --> 00:06:41,199

it's actually like information

180

00:06:45,270 --> 00:06:43,120

wow and you can like decode it or some

181

00:06:46,550 --> 00:06:45,280

[h__h] i don't know i have to look it up

182

00:06:49,029 --> 00:06:46,560

that makes me think that this whole

183

00:06:51,510 --> 00:06:49,039

thing is a matrix dude

184

00:06:52,629 --> 00:06:51,520

i think we're in a matrix man it's

185

00:06:54,469 --> 00:06:52,639

something man

186

00:06:56,790 --> 00:06:54,479

it'd be cool if it was like a pinball

187

00:07:00,390 --> 00:06:56,800

machine

188

00:07:01,909 --> 00:07:00,400

you know like empty space

189

00:07:03,510 --> 00:07:01,919

you're like yeah you just get to like

190

00:07:05,909 --> 00:07:03,520

chill most of the day

191

00:07:07,510 --> 00:07:05,919

but then like for a couple hours like

192

00:07:08,870 --> 00:07:07,520

you just get ping-ponged around for a

193

00:07:09,270 --> 00:07:08,880

little while like that's kind of like

194

00:07:13,510 --> 00:07:09,280

life

195

00:07:15,029 --> 00:07:13,520

is just a big-ass pinball machine

196

00:07:16,790 --> 00:07:15,039

if we're talking about like i am not the

197

00:07:20,469 --> 00:07:16,800

pinball wizard

198

00:07:24,070 --> 00:07:20,479

oh i'm so bad at pinball yeah dude

199

00:07:26,870 --> 00:07:24,080

uh the the universe may as well

200

00:07:29,029 --> 00:07:26,880

might as well be a freaking pinball

201

00:07:32,950 --> 00:07:29,039

machine an archaic

202

00:07:35,990 --> 00:07:32,960

uh arcade oh there you go uh

203

00:07:39,029 --> 00:07:36,000

game that uh requires a lot of skill

204

00:07:42,830 --> 00:07:39,039

and just a lot of luck and gravity oh

205

00:07:47,589 --> 00:07:42,840

[h__\h] dude we're breaking it down gravity

206

00:07:50,710 --> 00:07:47,599

uh and balls

207

00:07:52,950 --> 00:07:50,720

that's it it's a secret life so

208

00:07:54,550 --> 00:07:52,960

everything if we're the pinball what's

209

00:07:57,189 --> 00:07:54,560

the flipper is it like

210

00:07:58,869 --> 00:07:57,199

who's controlling the flipper is it is

211

00:07:59,189 --> 00:07:58,879

it some other consciousness is it the

212

00:08:02,230 --> 00:07:59,199

hot

213

00:08:05,270 --> 00:08:02,240

is it the the higher power

214

00:08:07,430 --> 00:08:05,280

i don't know and i guess i guess i guess

215

00:08:10,830 --> 00:08:07,440

that goes to show how much pinball

216

00:08:13,670 --> 00:08:10,840

and life are like dude you know

217

00:08:14,309 --> 00:08:13,680

dude it's like who's who's pulling the

218

00:08:15,830 --> 00:08:14,319

strings

219

00:08:17,430 --> 00:08:15,840

who's slapping the buttons on these

220

00:08:18,469 --> 00:08:17,440

slippers slapping the buttons on them

221

00:08:20,550 --> 00:08:18,479

damn flippers

222

00:08:22,230 --> 00:08:20,560

you know we just don't know and like and

223

00:08:24,550 --> 00:08:22,240

that's that's the missing link

224

00:08:25,990 --> 00:08:24,560

and and uh this this gravitational

225

00:08:27,510 --> 00:08:26,000

highway is kind of like almost

226

00:08:29,670 --> 00:08:27,520

like every pinball machine has that

227

00:08:31,350 --> 00:08:29,680

little metal track

228

00:08:33,110 --> 00:08:31,360

that yeah that goes up and around and

229

00:08:34,630 --> 00:08:33,120

then and then you go you don't see the

230

00:08:35,350 --> 00:08:34,640

pinball for like a few seconds you're

231

00:08:38,389 --> 00:08:35,360

like oh

232

00:08:39,350 --> 00:08:38,399

[h__h] yeah and it's back there doing its

233

00:08:40,949 --> 00:08:39,360

thing and

234

00:08:42,230 --> 00:08:40,959

and then like it goes back there and

235

00:08:44,790 --> 00:08:42,240

there's like a little tiny men back

236

00:08:47,430 --> 00:08:44,800

there that that uh like whacks the ball

237

00:08:47,829 --> 00:08:47,440

and like nobody knows about those guys

238

00:08:50,230 --> 00:08:47,839

oh

239

00:08:51,590 --> 00:08:50,240

dude yeah uh so like when people were

240

00:08:54,310 --> 00:08:51,600

like yeah

241

00:08:55,990 --> 00:08:54,320

i think the universe is a simulation

242

00:09:01,190 --> 00:08:56,000

it's like

243

00:09:03,370 --> 00:09:01,200

and all right what do we got next i

244

00:09:05,990 --> 00:09:03,380

wonder sorry i have one more thing

245

00:09:08,230 --> 00:09:06,000

[Laughter]

246

00:09:09,670 --> 00:09:08,240

how long can we stretch this out how

247

00:09:11,750 --> 00:09:09,680

okay i'm like

248

00:09:13,269 --> 00:09:11,760

okay so before you start i was thinking

249

00:09:14,949 --> 00:09:13,279

in my mind like hmm

250

00:09:17,030 --> 00:09:14,959

i'm gonna keep pushing this a little bit

251
00:09:18,630 --> 00:09:17,040
longer and see how far we could go and i

252
00:09:20,070 --> 00:09:18,640
was like all right

253
00:09:21,910 --> 00:09:20,080
but now you have another one and it's

254
00:09:23,430 --> 00:09:21,920
just hilarious like

255
00:09:27,190 --> 00:09:23,440
but you know how like in pinball you

256
00:09:28,630 --> 00:09:27,200
usually get like three is it three balls

257
00:09:30,389 --> 00:09:28,640
i think it depends on which game you're

258
00:09:32,790 --> 00:09:30,399
playing yeah okay well

259
00:09:34,150 --> 00:09:32,800
i wonder if if that's how actual like

260
00:09:35,829 --> 00:09:34,160
our life

261
00:09:38,150 --> 00:09:35,839
like reincarnation you only get like

262
00:09:39,590 --> 00:09:38,160
three tries

263
00:09:41,430 --> 00:09:39,600

you know like if you [h__h] up three times

264

00:09:43,190 --> 00:09:41,440

like you're hey buddy you better put

265

00:09:46,790 --> 00:09:43,200

another quarter in this machine

266

00:09:49,190 --> 00:09:46,800

then what happens yeah like

267

00:09:49,990 --> 00:09:49,200

like the gut like the gods gotta decide

268

00:09:51,829 --> 00:09:50,000

i'm gonna play this

269

00:09:53,430 --> 00:09:51,839

game again or he just moves on to the

270

00:09:54,790 --> 00:09:53,440

next one cause

271

00:09:56,790 --> 00:09:54,800

so that's kind of an interesting

272

00:10:00,230 --> 00:09:56,800

question actually like

273

00:10:01,990 --> 00:10:00,240

do you run out of reincarnations

274

00:10:04,470 --> 00:10:02,000

does it only happen once or does it like

275

00:10:09,509 --> 00:10:04,480

happen like forever it depends on how

276

00:10:16,069 --> 00:10:13,190

oh dude uh also like

277

00:10:17,350 --> 00:10:16,079

um oh [h__h] i lost my my train of thought

278

00:10:18,949 --> 00:10:17,360

sorry

279

00:10:20,790 --> 00:10:18,959

that idea was really funny yeah let's

280

00:10:23,990 --> 00:10:20,800

grow up

281

00:10:27,030 --> 00:10:24,000

dude satanic oreos dude satanic uh

282

00:10:29,190 --> 00:10:27,040

uh symbology in the oreo that

283

00:10:30,310 --> 00:10:29,200

is weird i've always wondered what that

284

00:10:32,389 --> 00:10:30,320

little antenna meant

285

00:10:35,670 --> 00:10:32,399

on the top of the oreo bro it's the

286

00:10:37,990 --> 00:10:35,680

devil's cookie bro

287

00:10:40,230 --> 00:10:38,000

the oreo symbol looks kind of like

288

00:10:43,829 --> 00:10:40,240

cinnamon terry though oh

289

00:10:47,350 --> 00:10:43,839

[\h__\h] it does it does kind of look like

290

00:10:50,389 --> 00:10:47,360

all smiley cinnamon cinematography

291

00:10:53,430 --> 00:10:50,399

dude the satanic cross

292

00:10:56,310 --> 00:10:53,440

with the little infinity symbol

293

00:10:56,710 --> 00:10:56,320

and the two crosses yeah i've definitely

294

00:10:59,350 --> 00:10:56,720

seen

295

00:10:59,990 --> 00:10:59,360

i mean yeah and the so where does the

296

00:11:01,670 --> 00:11:00,000

freemason

297

00:11:03,670 --> 00:11:01,680

symbol come into play cause i don't oh

298

00:11:05,269 --> 00:11:03,680

it's upside down got it yeah upside down

299

00:11:09,190 --> 00:11:05,279

on the bottom

300

00:11:12,389 --> 00:11:09,200

yeah dude wait 12 times

301

00:11:16,310 --> 00:11:12,399

five does it say five twelve three

302

00:11:17,990 --> 00:11:16,320

times seasons is 12 c total times s

303

00:11:19,430 --> 00:11:18,000

i don't know why i don't know where the

304

00:11:22,630 --> 00:11:19,440

s came from

305

00:11:23,750 --> 00:11:22,640

that's kind of strange dude it's just

306

00:11:26,829 --> 00:11:23,760

for seasons

307

00:11:29,910 --> 00:11:26,839

it's it's 12 seasons uh not 12

308

00:11:33,509 --> 00:11:31,430

have you seen that have you seen that

309

00:11:34,870 --> 00:11:33,519

meme where the uh the lady i guess it's

310

00:11:36,949 --> 00:11:34,880

like a teacher

311

00:11:38,710 --> 00:11:36,959

like a kindergarten teacher and she's

312

00:11:40,230 --> 00:11:38,720

like what what's everybody's favorite

313

00:11:42,710 --> 00:11:40,240

season and one of the little boys

314

00:11:43,050 --> 00:11:42,720

or a little girl says uh uh garlic

315

00:11:46,630 --> 00:11:43,060

powder

316

00:11:50,069 --> 00:11:46,640

[Laughter]

317

00:11:53,190 --> 00:11:50,079

oh that's funny oh [\h__\h]

318

00:11:56,550 --> 00:11:53,200

all right what else do we got here

319

00:11:59,750 --> 00:11:56,560

let's see uh

320

00:12:05,190 --> 00:11:59,760

panoramic and mars that's cool yeah oh

321

00:12:10,310 --> 00:12:07,990

uh i don't know oh yeah dude you see me

322

00:12:12,710 --> 00:12:10,320

jumping to conclusions the other day bro

323

00:12:13,509 --> 00:12:12,720

where are we talking about where where i

324

00:12:16,470 --> 00:12:13,519

was like

325

00:12:17,590 --> 00:12:16,480

oh my god they pulled that uh episode oh

326

00:12:20,150 --> 00:12:17,600

of joe rogan

327

00:12:20,870 --> 00:12:20,160

yeah so did we we know what happened

328

00:12:24,470 --> 00:12:20,880

right

329

00:12:26,790 --> 00:12:24,480

bro i'm a terrible conspiracy theorist

330

00:12:27,670 --> 00:12:26,800

i thought you were onto something i

331

00:12:28,870 --> 00:12:27,680

thought it was too

332

00:12:30,389 --> 00:12:28,880

but that's what happens like when you're

333

00:12:31,829 --> 00:12:30,399

at work and you're just kind of

334

00:12:33,430 --> 00:12:31,839

scrolling through some [h__\h] really quick

335

00:12:35,030 --> 00:12:33,440

and you're like

336

00:12:36,949 --> 00:12:35,040

oh my god i gotta get back to work you

337

00:12:38,949 --> 00:12:36,959

don't have time to like look into it

338

00:12:40,790 --> 00:12:38,959

but you have time to like start start

339

00:12:44,150 --> 00:12:40,800

some [h__h] on

340

00:12:46,150 --> 00:12:44,160

exactly exactly i'm a terrible

341

00:12:47,990 --> 00:12:46,160

conspiracy

342

00:12:49,829 --> 00:12:48,000

if anybody wants to give a [h__h] just go

343

00:12:53,670 --> 00:12:49,839

to our facebook page and

344

00:12:55,670 --> 00:12:53,680

find out that hey we make mistakes

345

00:12:56,870 --> 00:12:55,680

but we know why because all of his

346

00:13:00,069 --> 00:12:56,880

videos got taken down

347

00:13:00,949 --> 00:13:00,079

because because of spotify yep yeah yep

348

00:13:03,509 --> 00:13:00,959

so

349

00:13:04,069 --> 00:13:03,519

but uh yeah i hadn't i hadn't seen that

350

00:13:06,470 --> 00:13:04,079

before

351
00:13:07,590 --> 00:13:06,480
like i feel like i have a few downloaded

352
00:13:09,990 --> 00:13:07,600
of his and

353
00:13:11,509 --> 00:13:10,000
i don't know it's weird i uh i think i

354
00:13:13,110 --> 00:13:11,519
brought that up a couple weeks ago like

355
00:13:16,069 --> 00:13:13,120
yeah i thought that

356
00:13:16,870 --> 00:13:16,079
rogan's videos were not even available

357
00:13:20,150 --> 00:13:16,880
on youtube

358
00:13:22,470 --> 00:13:20,160
after december something but that's just

359
00:13:25,590 --> 00:13:22,480
like so did it just had so happen to

360
00:13:28,470 --> 00:13:25,600
happen on that day or something because

361
00:13:29,990 --> 00:13:28,480
i downloaded a full episode and then

362
00:13:32,629 --> 00:13:30,000
like

363
00:13:34,310 --> 00:13:32,639

then it was gone the next day could have

364

00:13:35,990 --> 00:13:34,320

i don't know it's weird they probably

365

00:13:36,629 --> 00:13:36,000

were monitoring your computer and we're

366

00:13:39,990 --> 00:13:36,639

like

367

00:13:43,269 --> 00:13:40,000

wait waiting for you to do it

368

00:13:47,269 --> 00:13:43,279

i don't think so yeah dude i do

369

00:13:50,069 --> 00:13:47,279

i think so man okay

370

00:13:52,870 --> 00:13:50,079

okay okay well you totally redeemed

371

00:13:56,870 --> 00:13:52,880

yourself with this next post bud

372

00:13:59,350 --> 00:13:56,880

oh bro okay so you texted me to me

373

00:14:00,069 --> 00:13:59,360

as well and i started listening to it

374

00:14:03,430 --> 00:14:00,079

and

375

00:14:05,750 --> 00:14:03,440

holy [h__\h] spaced out radio

376

00:14:07,110 --> 00:14:05,760

is amazing guys y'all need to check out

377

00:14:10,949 --> 00:14:07,120

space.radio

378

00:14:12,069 --> 00:14:10,959

um it is it's amazing not only we do do

379

00:14:15,430 --> 00:14:12,079

we know the host but

380

00:14:17,110 --> 00:14:15,440

it's just anyway this episode

381

00:14:19,110 --> 00:14:17,120

is freaking awesome michael martin's

382

00:14:19,750 --> 00:14:19,120

pretty cool man michael martinez pretty

383

00:14:22,949 --> 00:14:19,760

crazy

384

00:14:25,590 --> 00:14:22,959

the berkeley alien psi experiment so

385

00:14:27,030 --> 00:14:25,600

tell me what you think about about this

386

00:14:27,509 --> 00:14:27,040

whole thing without giving too much away

387

00:14:28,870 --> 00:14:27,519

because

388

00:14:30,629 --> 00:14:28,880

i want people to like watch this and

389

00:14:32,230 --> 00:14:30,639

listen to it dave scott on date

390

00:14:34,710 --> 00:14:32,240

space.radio

391

00:14:37,269 --> 00:14:34,720

interviewing michael martinez this isn't

392

00:14:40,310 --> 00:14:37,279

a story i've never heard of this story

393

00:14:43,189 --> 00:14:40,320

uh dude it's uh yeah man it was a it's a

394

00:14:47,910 --> 00:14:43,199

pretty crazy story i mean

395

00:14:47,920 --> 00:14:51,269

it was almost like

396

00:14:57,269 --> 00:14:54,550

him like so him finding that other file

397

00:14:58,150 --> 00:14:57,279

or like that other account of the almost

398

00:15:00,550 --> 00:14:58,160

one of the same

399

00:15:02,310 --> 00:15:00,560

things that happened to him as a kid and

400

00:15:04,230 --> 00:15:02,320

like him remembering it

401

00:15:06,230 --> 00:15:04,240

like that's kind of crazy and then for

402

00:15:08,790 --> 00:15:06,240

him like i always like just kind of come

403

00:15:10,790 --> 00:15:08,800

out of nowhere and he's like hey

404

00:15:12,230 --> 00:15:10,800

so this pretty intense stuff happened to

405

00:15:15,350 --> 00:15:12,240

me yeah and

406

00:15:16,310 --> 00:15:15,360

uh like i'm i'm cool and everything like

407

00:15:18,710 --> 00:15:16,320

i'm all right

408

00:15:20,790 --> 00:15:18,720

but yeah i just want those people to

409

00:15:24,470 --> 00:15:20,800

like apologize

410

00:15:27,590 --> 00:15:24,480

ruining my life i love that yes

411

00:15:28,710 --> 00:15:27,600

i love the way he he uh the way he was

412

00:15:31,670 --> 00:15:28,720

about it you know

413

00:15:33,829 --> 00:15:31,680

yeah the story's nuts though dave did a

414

00:15:35,910 --> 00:15:33,839

good job of like

415

00:15:37,110 --> 00:15:35,920

he really had to kind of pry a lot of

416

00:15:38,710 --> 00:15:37,120

that stuff out of him

417

00:15:40,389 --> 00:15:38,720

about yeah from michael because he

418

00:15:42,790 --> 00:15:40,399

wasn't he's not he's

419

00:15:43,829 --> 00:15:42,800

very much unlike a lot of the people

420

00:15:46,550 --> 00:15:43,839

that you hear from

421

00:15:47,269 --> 00:15:46,560

stories like this these really fantastic

422

00:15:48,870 --> 00:15:47,279

stories

423

00:15:50,230 --> 00:15:48,880

most people just want to keep talking

424

00:15:51,749 --> 00:15:50,240

and tell you as much information as

425

00:15:54,389 --> 00:15:51,759

possible but michael

426

00:15:55,430 --> 00:15:54,399

was very reserved and like pretty pretty

427

00:15:57,910 --> 00:15:55,440

chill about it the

428

00:15:58,550 --> 00:15:57,920

whole time and you can tell dave's like

429

00:16:02,870 --> 00:15:58,560

okay

430

00:16:04,230 --> 00:16:02,880

so but like tell me

431

00:16:05,910 --> 00:16:04,240

that's some really good questions and

432

00:16:07,189 --> 00:16:05,920

i'm so glad because that was something

433

00:16:09,509 --> 00:16:07,199

stuff that i would not have thought to

434

00:16:11,269 --> 00:16:09,519

ask but yeah

435

00:16:13,269 --> 00:16:11,279

you could tell like he wasn't trying to

436

00:16:15,430 --> 00:16:13,279

get famous or

437

00:16:16,949 --> 00:16:15,440

you know he's not in it to sell a book

438

00:16:18,230 --> 00:16:16,959

or some something

439

00:16:19,829 --> 00:16:18,240

uh well yeah he was just like i'm just

440

00:16:20,949 --> 00:16:19,839

trying to figure out like does this

441

00:16:23,189 --> 00:16:20,959

happen to anybody else

442

00:16:25,030 --> 00:16:23,199

yeah like he's like i wanted like an

443

00:16:28,150 --> 00:16:25,040

apology like this

444

00:16:30,150 --> 00:16:28,160

kind of [h__h] me up a little bit yep uh

445

00:16:32,790 --> 00:16:30,160

but yeah it was it was crazy like i

446

00:16:34,150 --> 00:16:32,800

and it's nuts too because like you just

447

00:16:34,790 --> 00:16:34,160

it's just one of those things where it's

448

00:16:37,990 --> 00:16:34,800

like

449

00:16:41,030 --> 00:16:38,000

man he was just a kid yeah first grade

450

00:16:42,150 --> 00:16:41,040

first great kid dude and they pulled him

451

00:16:45,670 --> 00:16:42,160

like that first

452

00:16:47,749 --> 00:16:45,680

for psychic experiments so okay

453

00:16:48,710 --> 00:16:47,759

so i don't want to give too much away

454

00:16:49,509 --> 00:16:48,720

because i want people to listen to the

455

00:16:51,670 --> 00:16:49,519

episode but

456

00:16:53,030 --> 00:16:51,680

yeah me either but it's it's about these

457

00:16:54,790 --> 00:16:53,040

psychic experiments

458

00:16:56,470 --> 00:16:54,800

like you name drops of people in there

459

00:16:59,670 --> 00:16:56,480

you're like what yeah

460

00:17:02,710 --> 00:16:59,680

he was i mean doing telepathic

461

00:17:05,029 --> 00:17:02,720

or not telepathic but uh what's it when

462

00:17:07,669 --> 00:17:05,039

you can move stuff with your mind

463

00:17:08,309 --> 00:17:07,679

telekinesis telekinesis yeah and like

464

00:17:10,630 --> 00:17:08,319

make it

465

00:17:12,309 --> 00:17:10,640

weird should happen when he was a kid

466

00:17:14,710 --> 00:17:12,319

and then

467

00:17:15,909 --> 00:17:14,720

it seems like these people that are that

468

00:17:19,110 --> 00:17:15,919

are in power

469

00:17:21,270 --> 00:17:19,120

seem to somehow know when there's

470

00:17:22,710 --> 00:17:21,280

gifted children i was starting to think

471

00:17:24,230 --> 00:17:22,720

back like

472

00:17:26,549 --> 00:17:24,240

did were you ever part of like some

473

00:17:27,909 --> 00:17:26,559

gifted program in like elementary school

474

00:17:29,669 --> 00:17:27,919

or like middle school or anything like

475

00:17:33,190 --> 00:17:29,679

that

476

00:17:35,750 --> 00:17:33,200

um well

477

00:17:36,870 --> 00:17:35,760

no i don't think so i mean i was i

478

00:17:39,669 --> 00:17:36,880

wasn't either

479

00:17:40,710 --> 00:17:39,679

i did like om but that was it so that

480

00:17:41,590 --> 00:17:40,720

was the one thing i thought about

481

00:17:43,590 --> 00:17:41,600

because om

482

00:17:45,430 --> 00:17:43,600

changed to it was an acronym called

483

00:17:47,909 --> 00:17:45,440

denny when i was in fourth grade

484

00:17:49,430 --> 00:17:47,919

i did and yeah because i remember

485

00:17:51,750 --> 00:17:49,440

helping my brother

486

00:17:54,310 --> 00:17:51,760

matt out with om when i i would come you

487

00:17:56,070 --> 00:17:54,320

know as a kid just help him whatever

488

00:17:57,510 --> 00:17:56,080

uh and just hang out because i needed

489

00:17:58,070 --> 00:17:57,520

something to do my parents you know

490

00:18:03,110 --> 00:17:58,080

we're like

491

00:18:05,510 --> 00:18:03,120

all right fine uh but yeah i remember

492

00:18:07,270 --> 00:18:05,520

uh that was the only like gifted program

493

00:18:09,669 --> 00:18:07,280

that i ever did

494

00:18:11,590 --> 00:18:09,679

uh and it started making me think like

495

00:18:13,830 --> 00:18:11,600

my my uh

496

00:18:15,750 --> 00:18:13,840

my teacher in fourth grade that was our

497

00:18:18,310 --> 00:18:15,760

coach or denny coach

498

00:18:19,750 --> 00:18:18,320

uh invite after after i think i was like

499

00:18:21,590 --> 00:18:19,760

in fifth grade i got a letter in the

500

00:18:23,669 --> 00:18:21,600

mail from him and it was an invitation

501
00:18:26,390 --> 00:18:23,679
to this like gifted school program in

502
00:18:29,510 --> 00:18:26,400
the summers like a summer program

503
00:18:30,230 --> 00:18:29,520
i didn't go but it was weird like i just

504
00:18:31,990 --> 00:18:30,240
remember even

505
00:18:33,830 --> 00:18:32,000
in the fifth grade thinking like i don't

506
00:18:34,870 --> 00:18:33,840
want to go to school in the summer this

507
00:18:36,950 --> 00:18:34,880
thing

508
00:18:39,270 --> 00:18:36,960
but it was like this get like program

509
00:18:41,029 --> 00:18:39,280
for creative kids

510
00:18:42,870 --> 00:18:41,039
and i was thinking like that's probably

511
00:18:44,870 --> 00:18:42,880
the closest thing i can relate to

512
00:18:46,549 --> 00:18:44,880
as far as like a gifted program but like

513
00:18:47,669 --> 00:18:46,559

most of my my friends like gifted

514

00:18:49,590 --> 00:18:47,679

programs were like

515

00:18:51,669 --> 00:18:49,600

oh yeah your parents do your homework

516

00:18:54,710 --> 00:18:51,679

for you and

517

00:18:56,470 --> 00:18:54,720

right yeah no the most gifted thing i

518

00:18:57,430 --> 00:18:56,480

think i ever did was like have an art

519

00:19:00,390 --> 00:18:57,440

lesson with like an

520

00:19:02,230 --> 00:19:00,400

actual italian lady and like she made

521

00:19:04,390 --> 00:19:02,240

pasta it was cool oh

522

00:19:07,510 --> 00:19:04,400

[h__h] dude that sounds delicious i was

523

00:19:10,070 --> 00:19:07,520

like this is so artsy

524

00:19:11,590 --> 00:19:10,080

i drew i drew a blue bonnet on a rock

525

00:19:13,830 --> 00:19:11,600

where i painted it

526

00:19:15,590 --> 00:19:13,840

what that sounds it's actually kind of

527

00:19:17,029 --> 00:19:15,600

badass like it looked pretty cool

528

00:19:18,710 --> 00:19:17,039

actually i was like

529

00:19:21,510 --> 00:19:18,720

that's that's pretty good and i got to

530

00:19:27,350 --> 00:19:23,510

that's pretty dope dude yeah and then

531

00:19:27,360 --> 00:19:31,110

what a [h__h]

532

00:19:35,669 --> 00:19:33,990

they just make pasta for you and leave

533

00:19:38,789 --> 00:19:35,679

man

534

00:19:40,710 --> 00:19:38,799

catching feelings they just squeezed the

535

00:19:43,430 --> 00:19:40,720

ravioli right out of your heart man

536

00:19:45,270 --> 00:19:43,440

yeah dude [h__h] all over the floor bro

537

00:19:46,789 --> 00:19:45,280

didn't even put any sauce on it

538

00:19:48,950 --> 00:19:46,799

so yeah you guys check out this michael

539

00:19:51,750 --> 00:19:48,960

martinez uh the berkeley

540

00:19:52,070 --> 00:19:51,760

alien psy experiment check that out it's

541

00:20:00,310 --> 00:19:52,080

on

542

00:20:02,149 --> 00:20:00,320

little video but

543

00:20:03,909 --> 00:20:02,159

i'm gonna i'm gonna kind of look around

544

00:20:04,710 --> 00:20:03,919

and see what else i can find because now

545

00:20:06,230 --> 00:20:04,720

i'm like

546

00:20:08,390 --> 00:20:06,240

i want the intrigue i want those people

547

00:20:11,190 --> 00:20:08,400

to apologize to michael

548

00:20:12,149 --> 00:20:11,200

yeah i do too what do you i we need to

549

00:20:13,110 --> 00:20:12,159

facilitate

550

00:20:15,270 --> 00:20:13,120

we should try to reach out and

551

00:20:17,590 --> 00:20:15,280

facilitate an apology video

552

00:20:18,630 --> 00:20:17,600

yeah we should we should we should find

553

00:20:33,750 --> 00:20:18,640

those foods

554

00:20:38,549 --> 00:20:36,390

why is that so funny i don't know we did

555

00:20:48,870 --> 00:20:38,559

that the whole weekend

556

00:20:52,149 --> 00:20:48,880

in arkansas i think you're irritated

557

00:20:55,590 --> 00:20:52,159

oh god all right what do we got next

558

00:20:59,110 --> 00:20:55,600

up here oh hill earth gazer

559

00:21:00,470 --> 00:20:59,120

oh [h__h] the heaviest matter in the

560

00:21:04,620 --> 00:21:00,480

universe

561

00:21:07,350 --> 00:21:04,630

earth let's play a little bit

562

00:21:23,110 --> 00:21:07,360

[Music]

563

00:21:23,120 --> 00:21:27,110

so it's like a metal

564

00:21:31,510 --> 00:21:29,669

i wonder if it's really a three piece i

565

00:21:35,510 --> 00:21:31,520

wonder if somebody's missing

566

00:21:37,909 --> 00:21:35,520

i don't see a bass player so maybe like

567

00:21:39,909 --> 00:21:37,919

it's probably the bass player like

568

00:21:44,310 --> 00:21:39,919

there's two found it found a job

569

00:21:45,990 --> 00:21:44,320

in california and left like

570

00:21:47,590 --> 00:21:46,000

he was the drummer the bass player is

571

00:21:49,110 --> 00:21:47,600

still here right yeah that's actually

572

00:21:50,870 --> 00:21:49,120

the the bass player playing the drums

573

00:21:52,549 --> 00:21:50,880

right now

574

00:21:54,950 --> 00:21:52,559

yeah dude he was like i'll just play

575

00:21:57,510 --> 00:21:54,960

drums in this video

576

00:21:58,470 --> 00:21:57,520

or you know he he could be he could be

577

00:22:01,750 --> 00:21:58,480

he could have a

578

00:22:02,310 --> 00:22:01,760

an octave pedal maybe you can't like

579

00:22:06,149 --> 00:22:02,320

make a

580

00:22:07,750 --> 00:22:06,159

drummer and like have drums and stuff

581

00:22:09,270 --> 00:22:07,760

and just like not have a drummer in it

582

00:22:10,470 --> 00:22:09,280

so the bass player was like well i guess

583

00:22:11,750 --> 00:22:10,480

i'll just play the drums

584

00:22:13,750 --> 00:22:11,760

you won't notice it most people don't

585

00:22:14,950 --> 00:22:13,760

notice us anyway yeah most people don't

586

00:22:15,750 --> 00:22:14,960

even know what we look like and it

587

00:22:17,669 --> 00:22:15,760

doesn't matter

588

00:22:19,029 --> 00:22:17,679

oh man the struggles of a bass player

589

00:22:21,510 --> 00:22:19,039

dude

590

00:22:25,350 --> 00:22:21,520

i think i think even the drummer unless

591

00:22:28,470 --> 00:22:25,360

you're travis barker no one knows who

592

00:22:30,870 --> 00:22:28,480

who you are what i don't know i'm just

593

00:22:33,669 --> 00:22:30,880

making [h__\h] up but

594

00:22:35,029 --> 00:22:33,679

it's mainly the singer what else we got

595

00:22:38,830 --> 00:22:35,039

what's next

596

00:22:42,070 --> 00:22:38,840

but yeah that was cool uh the tiny cats

597

00:22:45,110 --> 00:22:42,080

what anomaly archives

598

00:22:45,510 --> 00:22:45,120

oh yeah dude voted best library of the

599

00:22:47,430 --> 00:22:45,520

month

600

00:22:48,950 --> 00:22:47,440

oh congratulations that's awesome hell

601
00:22:51,669 --> 00:22:48,960
yeah i love that dude

602
00:22:52,950 --> 00:22:51,679
doing work dude and they're still trying

603
00:22:55,029 --> 00:22:52,960
to raise money

604
00:22:57,510 --> 00:22:55,039
um they lost their lease where they're

605
00:22:58,470 --> 00:22:57,520
at so they're looking for a new place to

606
00:23:01,830 --> 00:22:58,480
lease

607
00:23:04,310 --> 00:23:01,840
so if you guys you know go check out

608
00:23:06,149 --> 00:23:04,320
anomaly archives in austin and

609
00:23:07,430 --> 00:23:06,159
you know throw them a couple bucks help

610
00:23:09,669 --> 00:23:07,440
them out and try

611
00:23:11,590 --> 00:23:09,679
and find a new home a couple bones you

612
00:23:15,029 --> 00:23:11,600
know such good guys

613
00:23:16,070 --> 00:23:15,039

smiles man what a good guy hell yeah

614

00:23:18,070 --> 00:23:16,080

that place is so

615

00:23:19,350 --> 00:23:18,080

awesome it is freaking out i'm ready for

616

00:23:21,110 --> 00:23:19,360

it to like

617

00:23:22,789 --> 00:23:21,120

move and like open up again because i

618

00:23:25,590 --> 00:23:22,799

wanna i'm gonna go back cause

619

00:23:25,990 --> 00:23:25,600

we gotta go and just sit in there all

620

00:23:28,870 --> 00:23:26,000

day

621

00:23:30,630 --> 00:23:28,880

yeah dude we just read [h__h] i'm gonna go

622

00:23:33,029 --> 00:23:30,640

it's freaking coveted

623

00:23:34,230 --> 00:23:33,039

uh i would yeah i would love to just go

624

00:23:37,270 --> 00:23:34,240

in there and just

625

00:23:40,230 --> 00:23:37,280

sit and watch video i mean

626
00:23:42,149 --> 00:23:40,240
read books and not touch those ancient

627
00:23:44,390 --> 00:23:42,159
books that are in there

628
00:23:47,510 --> 00:23:44,400
no definitely not remember we went in

629
00:23:51,750 --> 00:23:48,830
i don't think we should be touching this

630
00:23:54,549 --> 00:23:51,760
[h__\h] we shouldn't touch anything in here

631
00:23:55,029 --> 00:23:54,559
yeah it was like one of those rooms that

632
00:23:57,190 --> 00:23:55,039
was so

633
00:24:00,870 --> 00:23:57,200
fragile that like we were like

634
00:24:09,430 --> 00:24:05,830
we were like whispering around the books

635
00:24:13,750 --> 00:24:12,070
and like i didn't know the whole time

636
00:24:14,710 --> 00:24:13,760
because smiles had texted me and i just

637
00:24:16,710 --> 00:24:14,720
didn't see it

638
00:24:17,990 --> 00:24:16,720

he was like hey so can we reschedule

639

00:24:20,310 --> 00:24:18,000

because we've got an intern coming

640

00:24:22,149 --> 00:24:20,320

in and they're like we must have just

641

00:24:24,470 --> 00:24:22,159

looked like total [h__\h]

642

00:24:25,190 --> 00:24:24,480

dude i thought the same thing because

643

00:24:27,669 --> 00:24:25,200

then we got

644

00:24:28,230 --> 00:24:27,679

we did it we went we interviewed and

645

00:24:32,630 --> 00:24:28,240

then

646

00:24:34,950 --> 00:24:32,640

computer we had noticed that he

647

00:24:36,230 --> 00:24:34,960

had messaged us and told us that like it

648

00:24:38,470 --> 00:24:36,240

wasn't a good time

649

00:24:40,710 --> 00:24:38,480

but he was so cool about it like what's

650

00:24:43,750 --> 00:24:40,720

so cool he was so cool about it

651

00:24:46,630 --> 00:24:43,760

uh uh we definitely like

652

00:24:47,750 --> 00:24:46,640

we have to uh we got to fix our first

653

00:24:49,750 --> 00:24:47,760

type of impression

654

00:24:51,590 --> 00:24:49,760

yeah because we had probably just came

655

00:24:54,230 --> 00:24:51,600

off so pushy

656

00:24:56,310 --> 00:24:54,240

i know i know i mean he's still he's

657

00:24:59,430 --> 00:24:56,320

still really nice to us so that's good

658

00:25:01,350 --> 00:24:59,440

yeah yeah because then we went back we

659

00:25:05,269 --> 00:25:01,360

told her we're like dude sorry we didn't

660

00:25:08,789 --> 00:25:05,279

see this message like yeah my bad

661

00:25:11,990 --> 00:25:08,799

our ads sure

662

00:25:13,269 --> 00:25:12,000

yeah so this is kind of cool i think i

663

00:25:15,750 --> 00:25:13,279

may check this out

664

00:25:18,500 --> 00:25:15,760

i have not seen this rachel's alien

665

00:25:21,029 --> 00:25:18,510

abduction documentary screening party

666

00:25:23,750 --> 00:25:21,039

[Music]

667

00:25:24,710 --> 00:25:23,760

yeah the chick gets abducted it's crazy

668

00:25:27,750 --> 00:25:24,720

damn

669

00:25:30,230 --> 00:25:27,760

i saw the trailer on musicians awakening

670

00:25:33,909 --> 00:25:30,240

i think they have like an actual trailer

671

00:25:36,149 --> 00:25:33,919

uh is it so is it virtual

672

00:25:37,510 --> 00:25:36,159

uh yeah i think so dude i'm gonna

673

00:25:39,830 --> 00:25:37,520

definitely go

674

00:25:42,310 --> 00:25:39,840

you're going hell yeah dude no i'm gonna

675

00:25:45,110 --> 00:25:42,320

show up to her house

676

00:25:45,430 --> 00:25:45,120

hey i came to watch the movie okay i

677

00:25:48,549 --> 00:25:45,440

brought

678

00:25:51,029 --> 00:25:48,559

my own pasta you can have me i came to

679

00:25:53,750 --> 00:25:51,039

watch your movie with you

680

00:25:54,630 --> 00:25:53,760

at your house don't talk to me i'm gonna

681

00:25:58,070 --> 00:25:54,640

i didn't know how to

682

00:25:59,590 --> 00:25:58,080

computer so i figured i would just come

683

00:26:01,990 --> 00:25:59,600

to your house because i knew you

684

00:26:04,149 --> 00:26:02,000

have to be watching it yeah that's your

685

00:26:05,029 --> 00:26:04,159

movie i know it's i know it's 6 30 in

686

00:26:06,950 --> 00:26:05,039

the morning but i'm

687

00:26:08,789 --> 00:26:06,960

still drunk and i haven't fallen i

688

00:26:12,230 --> 00:26:08,799

haven't gone to sleep yet

689

00:26:15,750 --> 00:26:12,240

i hope you have food yeah

690

00:26:19,430 --> 00:26:15,760

okay cool well that's going to be dope

691

00:26:21,990 --> 00:26:19,440

all right what's next next joseph

692

00:26:23,190 --> 00:26:22,000

joseph do we want to reach brother

693

00:26:24,870 --> 00:26:23,200

preach

694

00:26:26,230 --> 00:26:24,880

i gotta i gotta watch that video i

695

00:26:30,149 --> 00:26:26,240

haven't seen it wake up

696

00:26:32,230 --> 00:26:30,159

are you paying attention oh [\h__\h] jen

697

00:26:34,310 --> 00:26:32,240

look at what's happening all around are

698

00:26:36,149 --> 00:26:34,320

you lost in the illusion yeah hey guys

699

00:26:37,590 --> 00:26:36,159

we're on what if tomorrow podcast if you

700

00:26:38,149 --> 00:26:37,600

haven't checked that one out yet go over

701

00:26:41,430 --> 00:26:38,159

there

702

00:26:43,190 --> 00:26:41,440

to what a tomorrow podcast and uh

703

00:26:45,269 --> 00:26:43,200

check those guys out yeah they're pretty

704

00:26:49,350 --> 00:26:45,279

awesome we had a great time over there

705

00:26:53,029 --> 00:26:49,360

um talked about some alien stuff

706

00:26:55,430 --> 00:26:53,039

dude talked about uh santa

707

00:26:57,110 --> 00:26:55,440

some santa we talked santa stuff with

708

00:27:00,070 --> 00:26:57,120

them oh that was on the next one

709

00:27:01,029 --> 00:27:00,080

that's on the yeah sorry yeah solar

710

00:27:04,950 --> 00:27:01,039

award

711

00:27:06,950 --> 00:27:04,960

talked about a bunch of [h__\h]

712

00:27:08,630 --> 00:27:06,960

we did william was like it sounded like

713

00:27:11,029 --> 00:27:08,640

i was listening to my two favorite

714

00:27:15,430 --> 00:27:11,039

podcasts at the same time

715

00:27:18,470 --> 00:27:15,440

we talked about armadillos oh yeah

716

00:27:20,310 --> 00:27:18,480

and squirrels we did we talked about

717

00:27:22,549 --> 00:27:20,320

everything we really did

718

00:27:24,230 --> 00:27:22,559

i feel like we talked a lot about yeah

719

00:27:28,470 --> 00:27:24,240

woodland creatures

720

00:27:30,230 --> 00:27:28,480

oh man those guys are so cool man

721

00:27:32,470 --> 00:27:30,240

and then phillip posted this uh this

722

00:27:35,510 --> 00:27:32,480

merry christmas 2020

723

00:27:37,430 --> 00:27:35,520

the uap studies podcast image

724

00:27:38,950 --> 00:27:37,440

of the ufo that crashed into santa

725

00:27:41,190 --> 00:27:38,960

sleigh yeah that's awesome

726

00:27:42,870 --> 00:27:41,200

i think it's i think it's kind of [h__h]

727

00:27:43,110 --> 00:27:42,880

up that they're taking the alien away

728

00:27:45,190 --> 00:27:43,120

and

729

00:27:46,310 --> 00:27:45,200

santa is just being treated very

730

00:27:49,990 --> 00:27:46,320

respectfully

731

00:27:52,549 --> 00:27:50,000

and he's like pissed off the gray way

732

00:27:53,669 --> 00:27:52,559

oh whoa hey well what just happened

733

00:27:55,590 --> 00:27:53,679

there you go nae

734

00:27:57,909 --> 00:27:55,600

you're back i don't know what'd you do i

735

00:28:00,870 --> 00:27:57,919

just i didn't do anything dude

736

00:28:02,310 --> 00:28:00,880

what did you do i didn't do anything bro

737

00:28:03,750 --> 00:28:02,320

i was just saying it was [h__h] up that

738

00:28:05,830 --> 00:28:03,760

they were taking the alien away like

739

00:28:07,830 --> 00:28:05,840

this kind of racist

740

00:28:09,029 --> 00:28:07,840

it is a little racist and santa's like

741

00:28:14,950 --> 00:28:09,039

an angry white man

742

00:28:17,990 --> 00:28:17,510

i've only had a couple bears who doesn't

743

00:28:21,430 --> 00:28:18,000

even have

744

00:28:23,669 --> 00:28:21,440

insurance yeah well

745

00:28:24,950 --> 00:28:23,679

i mean in that case he would be right

746

00:28:28,070 --> 00:28:24,960

yeah

747

00:28:29,430 --> 00:28:28,080

insurance he's probably got no he

748

00:28:30,870 --> 00:28:29,440

probably does what kind of insurance do

749

00:28:33,909 --> 00:28:30,880

you think he has

750

00:28:36,630 --> 00:28:33,919

um i don't know uh

751

00:28:39,029 --> 00:28:36,640

maybe santa's got uh geico and the

752

00:28:43,830 --> 00:28:39,039

alien's got graco

753

00:28:44,630 --> 00:28:43,840

graco oh let's see what you did there

754

00:28:48,310 --> 00:28:44,640

did you like that

755

00:28:52,149 --> 00:28:48,320

dude i i thoroughly enjoyed it actually

756

00:28:56,830 --> 00:28:52,159

oh [h__h] all right nice oh let's see

757

00:29:00,470 --> 00:28:57,990

carlson

758

00:29:02,149 --> 00:29:00,480

talks underwater ufo do we want to watch

759

00:29:04,549 --> 00:29:02,159

it or would we do you know

760

00:29:05,830 --> 00:29:04,559

enough about it i mean we don't i mean

761

00:29:08,070 --> 00:29:05,840

we don't have to

762

00:29:09,110 --> 00:29:08,080

to watch it it's they're just basically

763

00:29:13,190 --> 00:29:09,120

talking

764

00:29:14,389 --> 00:29:13,200

uh about this underwater ufo that they

765

00:29:17,990 --> 00:29:14,399

had seen

766

00:29:21,110 --> 00:29:18,000

um tucker carlson talks underwater ufos

767

00:29:23,830 --> 00:29:21,120

we've never imagined something like that

768

00:29:24,470 --> 00:29:23,840

um i mean he's been in the news a lot

769

00:29:27,669 --> 00:29:24,480

talking about

770

00:29:30,310 --> 00:29:27,679

ufos lately yeah he's like the

771

00:29:32,470 --> 00:29:30,320

alien news guy i [h__h] love it he's

772

00:29:34,870 --> 00:29:32,480

been covering it a lot

773

00:29:35,750 --> 00:29:34,880

a lot so what did he say about what did

774

00:29:39,190 --> 00:29:35,760

he say about the

775

00:29:41,830 --> 00:29:39,200

underwater the usos um i'm not

776

00:29:43,430 --> 00:29:41,840

sure i don't think i well no i did i

777

00:29:45,029 --> 00:29:43,440

watched a little bit of this one

778

00:29:46,789 --> 00:29:45,039

there's been a few stories floating

779

00:29:49,909 --> 00:29:46,799

around lately about like this

780

00:29:50,950 --> 00:29:49,919

the this triangle that they saw come out

781

00:29:53,909 --> 00:29:50,960

of the water

782

00:29:55,510 --> 00:29:53,919

yeah i'm not sure if it was like there's

783

00:29:59,669 --> 00:29:55,520

no video of it right

784

00:30:01,110 --> 00:29:59,679

no no and i at first like i wasn't sure

785

00:30:02,630 --> 00:30:01,120

what was happening because you've seen

786

00:30:04,870 --> 00:30:02,640

the video of like the

787

00:30:07,510 --> 00:30:04,880

the the triangle up in the sky that

788

00:30:12,789 --> 00:30:07,520

looks like the batman balloon

789

00:30:16,789 --> 00:30:14,789

it's like this so there's like a f-18

790

00:30:17,909 --> 00:30:16,799

pilot and he's flying and he takes out

791

00:30:21,909 --> 00:30:17,919

his oh yeah yeah

792

00:30:22,549 --> 00:30:21,919

yeah yeah it looks like a stink bug yeah

793

00:30:23,750 --> 00:30:22,559

but

794

00:30:25,990 --> 00:30:23,760

i don't know like what do you think

795

00:30:29,110 --> 00:30:26,000

about that it looks like a stink bug on

796

00:30:32,950 --> 00:30:31,909

but i mean that's dude i'm so

797

00:30:34,710 --> 00:30:32,960

disappointed that that's

798

00:30:36,950 --> 00:30:34,720

what i actually i actually feel that way

799

00:30:39,190 --> 00:30:36,960

like i don't know

800

00:30:40,630 --> 00:30:39,200

it's it's almost like like it's kind of

801
00:30:41,909 --> 00:30:40,640
a i'm letting myself down and i'm

802
00:30:43,350 --> 00:30:41,919
probably letting down a lot of people

803
00:30:46,070 --> 00:30:43,360
listening this like right now because

804
00:30:49,350 --> 00:30:46,080
we're not like freaking out about it

805
00:30:51,590 --> 00:30:49,360
but it's so uh it's hard

806
00:30:52,789 --> 00:30:51,600
it's hard to i want i want to be

807
00:30:56,149 --> 00:30:52,799
skeptical

808
00:30:56,789 --> 00:30:56,159
but at the same time it's it's also fun

809
00:30:59,990 --> 00:30:56,799
to think

810
00:31:02,789 --> 00:31:00,000
if that's if that was if that

811
00:31:03,990 --> 00:31:02,799
if it looked more real i'd be super

812
00:31:06,549 --> 00:31:04,000
super excited or if it was

813
00:31:07,750 --> 00:31:06,559

bigger in the photo i'm so picky i just

814

00:31:12,310 --> 00:31:07,760

i just want to know

815

00:31:15,269 --> 00:31:12,320

like who first saw that and was like

816

00:31:16,230 --> 00:31:15,279

that looks like that batman balloon like

817

00:31:17,350 --> 00:31:16,240

like what like

818

00:31:19,909 --> 00:31:17,360

i didn't even know that there was a

819

00:31:21,990 --> 00:31:19,919

batman balloon that liked that like like

820

00:31:23,430 --> 00:31:22,000

who like who knew that who knew that

821

00:31:24,310 --> 00:31:23,440

there was a batman balloon that looked

822

00:31:27,029 --> 00:31:24,320

just like that

823

00:31:29,110 --> 00:31:27,039

i want to know who that guy was so what

824

00:31:31,190 --> 00:31:29,120

is i'm looking at what a batman balloon

825

00:31:33,909 --> 00:31:31,200

is

826

00:31:35,269 --> 00:31:33,919

look up batman balloon ufo oh my god

827

00:31:37,509 --> 00:31:35,279

dude that's it

828

00:31:39,590 --> 00:31:37,519

that's it right there that's what it

829

00:31:41,990 --> 00:31:39,600

looks like oh my god that is what it

830

00:31:45,430 --> 00:31:42,000

looks like

831

00:31:48,149 --> 00:31:45,440

but it like is this is it like

832

00:31:49,350 --> 00:31:48,159

misinformation or like disinformation

833

00:31:51,750 --> 00:31:49,360

through like the media

834

00:31:52,789 --> 00:31:51,760

like it could be i think we're we're

835

00:31:56,149 --> 00:31:52,799

pretty

836

00:31:58,549 --> 00:31:56,159

sensitive to like

837

00:31:59,430 --> 00:31:58,559

our our gut feelings and my gut feeling

838

00:32:02,710 --> 00:31:59,440

is like i

839

00:32:06,149 --> 00:32:04,710

that's yeah that's where i'm going with

840

00:32:09,750 --> 00:32:06,159

it it's not

841

00:32:11,350 --> 00:32:09,760

it's not as exciting as a is as i

842

00:32:12,789 --> 00:32:11,360

probably would be way more excited two

843

00:32:15,190 --> 00:32:12,799

years ago about that

844

00:32:16,470 --> 00:32:15,200

well i don't know man like i i think

845

00:32:18,789 --> 00:32:16,480

like

846

00:32:19,909 --> 00:32:18,799

i guess we sorry to cut you off but

847

00:32:22,630 --> 00:32:19,919

looking at at

848

00:32:24,549 --> 00:32:22,640

the the pilot himself came out and did

849

00:32:27,269 --> 00:32:24,559

he did is he talking about it is he

850

00:32:28,149 --> 00:32:27,279

staking his career on this photo because

851

00:32:29,990 --> 00:32:28,159

if he is then

852

00:32:31,669 --> 00:32:30,000

that means something well they were

853

00:32:32,549 --> 00:32:31,679

making a big deal about it because they

854

00:32:35,350 --> 00:32:32,559

were like

855

00:32:37,830 --> 00:32:35,360

uh you know it was supposed to be like a

856

00:32:39,750 --> 00:32:37,840

classified photo or something but then

857

00:32:41,509 --> 00:32:39,760

i guess the guy who took the image was

858

00:32:42,789 --> 00:32:41,519

like well there's no photos of the

859

00:32:44,630 --> 00:32:42,799

inside of the cockpit

860

00:32:47,430 --> 00:32:44,640

it's just out the window so there's no

861

00:32:48,789 --> 00:32:47,440

like instruments or anything like that

862

00:32:50,470 --> 00:32:48,799

that could give away sensitive

863

00:32:52,149 --> 00:32:50,480

information about the aircraft so

864

00:32:55,350 --> 00:32:52,159

there's no reason that it should be

865

00:32:58,710 --> 00:32:55,360

like covered up so like so i guess he

866

00:33:00,470 --> 00:32:58,720

like leaked it out or something yeah but

867

00:33:01,990 --> 00:33:00,480

i know that like they try to give him

868

00:33:05,350 --> 00:33:02,000

[h__h] for it i guess but

869

00:33:08,310 --> 00:33:05,360

i don't know like people will

870

00:33:09,110 --> 00:33:08,320

say why would the government spend all

871

00:33:11,110 --> 00:33:09,120

this time

872

00:33:12,710 --> 00:33:11,120

and effort trying to like keep that a

873

00:33:15,509 --> 00:33:12,720

secret and

874

00:33:17,750 --> 00:33:15,519

money with all of this stuff and it's

875

00:33:20,789 --> 00:33:17,760

like well i don't know like

876

00:33:23,350 --> 00:33:20,799

i think maybe they like would

877

00:33:24,070 --> 00:33:23,360

you know i think they would waste they

878

00:33:26,070 --> 00:33:24,080

like

879

00:33:27,190 --> 00:33:26,080

probably would they waste a lot more

880

00:33:29,509 --> 00:33:27,200

money on a lot

881

00:33:30,710 --> 00:33:29,519

less important [h__h] and like there's

882

00:33:33,029 --> 00:33:30,720

been so much like

883

00:33:34,470 --> 00:33:33,039

i guess legit stuff that's been coming

884

00:33:36,830 --> 00:33:34,480

out lately they were like let's start

885

00:33:38,230 --> 00:33:36,840

money in the waters they don't know the

886

00:33:41,669 --> 00:33:38,240

difference

887

00:33:42,389 --> 00:33:41,679

i mean apparently there's been more

888

00:33:44,230 --> 00:33:42,399

sightings

889

00:33:45,669 --> 00:33:44,240

in the water than there has been in the

890

00:33:47,190 --> 00:33:45,679

skies so

891

00:33:48,710 --> 00:33:47,200

it's just that less people live on the

892

00:33:49,269 --> 00:33:48,720

water especially in the middle of the

893

00:33:52,549 --> 00:33:49,279

ocean

894

00:33:56,549 --> 00:33:52,559

where there's like military

895

00:33:57,750 --> 00:33:56,559

um exercises going on so who knows man

896

00:34:00,470 --> 00:33:57,760

they probably don't have to spend

897

00:34:02,310 --> 00:34:00,480

as much money out there as they do in

898

00:34:06,230 --> 00:34:02,320

the satis you know

899

00:34:08,470 --> 00:34:06,240

yeah yeah definitely definitely but

900

00:34:09,990 --> 00:34:08,480

uh all right i'm flipping i'm thinking

901
00:34:12,389 --> 00:34:10,000
it's i think it is real

902
00:34:14,550 --> 00:34:12,399
i'm flipping right now i think it's

903
00:34:16,550 --> 00:34:14,560
flipping i think it's real

904
00:34:18,310 --> 00:34:16,560
what makes you think it's real just

905
00:34:21,510 --> 00:34:18,320
because i started thinking about like

906
00:34:24,550 --> 00:34:21,520
why why would that pilot

907
00:34:26,310 --> 00:34:24,560
leak that out with and also what

908
00:34:28,149 --> 00:34:26,320
if it's not a bug on the windshield

909
00:34:30,629 --> 00:34:28,159
which

910
00:34:32,629 --> 00:34:30,639
might be i'd have to look i have to look

911
00:34:35,270 --> 00:34:32,639
at the clarity of the pixels

912
00:34:37,190 --> 00:34:35,280
uh in photoshop i need like a high

913
00:34:39,430 --> 00:34:37,200

resolution photo of it if it was

914

00:34:40,470 --> 00:34:39,440

so taking it on an iphone i could i

915

00:34:41,750 --> 00:34:40,480

could look at the

916

00:34:43,909 --> 00:34:41,760

the artifacts to see if it was

917

00:34:44,710 --> 00:34:43,919

photoshopped or or at what distance

918

00:34:46,710 --> 00:34:44,720

because

919

00:34:48,389 --> 00:34:46,720

big objects at a certain distance it

920

00:34:52,069 --> 00:34:48,399

does weird things to pixels when you

921

00:34:55,190 --> 00:34:52,079

when you are closer up to them

922

00:34:56,629 --> 00:34:55,200

yeah well yeah you should definitely

923

00:34:59,190 --> 00:34:56,639

take a look at that because

924

00:35:00,790 --> 00:34:59,200

so the thing that makes me think that it

925

00:35:04,230 --> 00:35:00,800

could be real

926
00:35:07,750 --> 00:35:06,150
one i don't know what distance what

927
00:35:09,910 --> 00:35:07,760
distance it is

928
00:35:11,430 --> 00:35:09,920
you know well that's one thing you can

929
00:35:13,270 --> 00:35:11,440
estimate because

930
00:35:14,790 --> 00:35:13,280
if it's a small object at a really far

931
00:35:15,270 --> 00:35:14,800
distance you could tell the pixels are

932
00:35:21,109 --> 00:35:15,280
going to be

933
00:35:23,030 --> 00:35:21,119
of haze it's called haze artifacts

934
00:35:24,630 --> 00:35:23,040
and then if it's a big object at a

935
00:35:26,790 --> 00:35:24,640
shorter distance it's a lot clearer

936
00:35:29,270 --> 00:35:26,800
there's less pixel haze there's a lot

937
00:35:30,950 --> 00:35:29,280
less artifact hey so i'm just thinking

938
00:35:33,430 --> 00:35:30,960

to myself if it's a balloon

939

00:35:35,030 --> 00:35:33,440

i think they said it was like 18 inches

940

00:35:38,390 --> 00:35:35,040

yeah big or something

941

00:35:39,109 --> 00:35:38,400

and which that isn't very big no so like

942

00:35:41,910 --> 00:35:39,119

if a

943

00:35:43,349 --> 00:35:41,920

f-18 pilot is like hauling ass through

944

00:35:46,150 --> 00:35:43,359

the air

945

00:35:47,589 --> 00:35:46,160

like would you even be able to see that

946

00:35:48,950 --> 00:35:47,599

you'd have to get [h__h] clothes for it

947

00:35:51,349 --> 00:35:48,960

you said 18 inches

948

00:35:53,109 --> 00:35:51,359

i think that's what they said uh let me

949

00:35:56,550 --> 00:35:53,119

see measurements

950

00:35:57,990 --> 00:35:56,560

of batman balloon let me google that

951
00:35:59,829 --> 00:35:58,000
hold on you know how long it takes me to

952
00:36:02,390 --> 00:35:59,839
google oh yeah dude you got to type with

953
00:36:06,150 --> 00:36:02,400
those two fingertips

954
00:36:09,589 --> 00:36:06,160
measurements you could hear it

955
00:36:12,069 --> 00:36:09,599
oh no hold on uh

956
00:36:12,950 --> 00:36:12,079
there's a lot more by the way for those

957
00:36:16,069 --> 00:36:12,960
photo

958
00:36:17,829 --> 00:36:16,079
uh people out there listening and

959
00:36:19,190 --> 00:36:17,839
calling me an idiot right now i'm no i

960
00:36:22,069 --> 00:36:19,200
know that there's a lot more to

961
00:36:23,990 --> 00:36:22,079
that pixel thing and like measuring

962
00:36:26,069 --> 00:36:24,000
distances or estimating

963
00:36:27,910 --> 00:36:26,079

distances i'm just telling you like

964

00:36:31,750 --> 00:36:27,920

that's what i know and it's probably

965

00:36:31,760 --> 00:36:35,190

it's 28 inches

966

00:36:35,200 --> 00:36:38,710

that's what she's in there

967

00:36:43,430 --> 00:36:41,670

yeah 28 inches that's what he estimated

968

00:36:45,190 --> 00:36:43,440

it as

969

00:36:47,510 --> 00:36:45,200

no that's what it says i'm looking it up

970

00:36:49,990 --> 00:36:47,520

it's on etsy batman 28

971

00:36:53,109 --> 00:36:50,000

inch jumbo foil mylar balloon i thought

972

00:36:56,310 --> 00:36:53,119

you were talking about the spacecraft

973

00:36:57,270 --> 00:36:56,320

well yeah well okay so if it if it is a

974

00:37:00,310 --> 00:36:57,280

balloon

975

00:37:02,870 --> 00:37:00,320

it's 28 inches got it

976

00:37:04,230 --> 00:37:02,880

okay so can't be that balloon dude we

977

00:37:09,030 --> 00:37:04,240

gotta pull up that photo dude

978

00:37:12,550 --> 00:37:09,040

what should i search um type

979

00:37:15,750 --> 00:37:12,560

aircraft um takes

980

00:37:19,030 --> 00:37:15,760

photo of ufo

981

00:37:22,470 --> 00:37:19,040

2020 f18

982

00:37:25,030 --> 00:37:22,480

bat me

983

00:37:26,150 --> 00:37:25,040

dang it everything is the tic tac or the

984

00:37:29,270 --> 00:37:26,160

gimbal dude

985

00:37:31,349 --> 00:37:29,280

god i know dude it's hard found it

986

00:37:32,630 --> 00:37:31,359

leaf government photo shows motionless

987

00:37:36,069 --> 00:37:32,640

cube shape

988

00:37:39,270 --> 00:37:36,079

ufo it didn't look like a cube to me so

989

00:37:40,950 --> 00:37:39,280

oh dude that's cool i'm gonna i'm gonna

990

00:37:41,829 --> 00:37:40,960

pull it up in photoshop and see what it

991

00:37:43,349 --> 00:37:41,839

looks like see

992

00:37:45,750 --> 00:37:43,359

i can already tell there's some there's

993

00:37:48,870 --> 00:37:45,760

some weird artifacts

994

00:37:51,109 --> 00:37:48,880

in the haze can you see my screen uh let

995

00:37:53,910 --> 00:37:51,119

me see hold on i was looking it up too

996

00:37:56,230 --> 00:37:53,920

um i see like this mermaid chick with a

997

00:38:00,230 --> 00:37:56,240

bear

998

00:38:03,190 --> 00:38:00,240

what oh my god

999

00:38:03,990 --> 00:38:03,200

yeah i can see your screen so what do

1000

00:38:05,750 --> 00:38:04,000

you think you think

1001
00:38:07,109 --> 00:38:05,760
see that's what i'm saying so this is

1002
00:38:08,950 --> 00:38:07,119
what i'm talking about with artifacts

1003
00:38:10,069 --> 00:38:08,960
there's some weird haze around it which

1004
00:38:13,589 --> 00:38:10,079
tells me

1005
00:38:17,109 --> 00:38:13,599
that the pixels and the you would

1006
00:38:19,430 --> 00:38:17,119
you would see this this weirdness uh all

1007
00:38:21,589 --> 00:38:19,440
everywhere in the sky because look at

1008
00:38:23,829 --> 00:38:21,599
the pixels in the sky are

1009
00:38:25,430 --> 00:38:23,839
pretty uniform there's there's a little

1010
00:38:27,430 --> 00:38:25,440
artifact here that could be a smudge on

1011
00:38:30,950 --> 00:38:27,440
the the windshield

1012
00:38:32,950 --> 00:38:30,960
uh but it's it is specifically around

1013
00:38:35,190 --> 00:38:32,960

this object there's some haze there's

1014

00:38:36,470 --> 00:38:35,200

some weirdness going on

1015

00:38:38,950 --> 00:38:36,480

so that either tells me it was

1016

00:38:42,310 --> 00:38:38,960

photoshopped in or

1017

00:38:45,430 --> 00:38:42,320

it was moving around a little bit or

1018

00:38:46,390 --> 00:38:45,440

maybe it it could be so many different

1019

00:38:48,550 --> 00:38:46,400

things

1020

00:38:49,430 --> 00:38:48,560

you you what you want to do is like look

1021

00:38:54,790 --> 00:38:49,440

at

1022

00:38:57,750 --> 00:38:54,800

a reflection and you can see a little

1023

00:39:00,230 --> 00:38:57,760

bit of artifacts going on it's like

1024

00:39:01,270 --> 00:39:00,240

yeah little squares and then there's

1025

00:39:02,710 --> 00:39:01,280

this little thing it could be a

1026

00:39:04,310 --> 00:39:02,720

reflection too but

1027

00:39:06,790 --> 00:39:04,320

that that to me i don't know what it

1028

00:39:09,030 --> 00:39:06,800

could be so many different things

1029

00:39:10,550 --> 00:39:09,040

like i don't know like is it is it is a

1030

00:39:13,670 --> 00:39:10,560

28 inch balloon

1031

00:39:15,510 --> 00:39:13,680

like that big that high up i mean

1032

00:39:17,190 --> 00:39:15,520

he's got to be pretty close to it if it

1033

00:39:20,390 --> 00:39:17,200

is a balloon that looks

1034

00:39:24,550 --> 00:39:20,400

pretty [h__h] big

1035

00:39:30,710 --> 00:39:28,630

like 50 yards away

1036

00:39:32,150 --> 00:39:30,720

it doesn't look that far so like 50

1037

00:39:35,270 --> 00:39:32,160

yards away

1038

00:39:38,390 --> 00:39:35,280

and at like 10 feet across that's what

1039

00:39:41,990 --> 00:39:40,150

i'm just guessing i'm just [h__h] i'm

1040

00:39:44,470 --> 00:39:42,000

just guessing yeah i don't know

1041

00:39:45,750 --> 00:39:44,480

yeah i don't know everybody's been uh

1042

00:39:47,430 --> 00:39:45,760

been thinking about it

1043

00:39:48,870 --> 00:39:47,440

yeah so i don't know i figured i'd bring

1044

00:39:50,870 --> 00:39:48,880

it up a little bit hell yeah all right

1045

00:39:53,190 --> 00:39:50,880

well we spent way too much time on that

1046

00:39:54,230 --> 00:39:53,200

yeah okay uh let's go to the vatican

1047

00:39:58,550 --> 00:39:54,240

stuff oh

1048

00:40:02,069 --> 00:39:58,560

yeah dude holy [h__h]

1049

00:40:05,670 --> 00:40:02,079

look at that bro isn't that crazy

1050

00:40:08,390 --> 00:40:05,680

this okay so did you get my comment like

1051
00:40:10,069 --> 00:40:08,400
did they pull this is that was this made

1052
00:40:12,470 --> 00:40:10,079
specifically by an artist for

1053
00:40:13,510 --> 00:40:12,480
this uh nativity scene or was this taken

1054
00:40:16,710 --> 00:40:13,520
out of the vatican

1055
00:40:20,630 --> 00:40:16,720
vaults i think it was made by a specific

1056
00:40:22,710 --> 00:40:20,640
artist but when i first saw it

1057
00:40:24,550 --> 00:40:22,720
that was my immediate thought was like

1058
00:40:25,910 --> 00:40:24,560
dude i wonder if they're pulling the

1059
00:40:27,670 --> 00:40:25,920
[h__\h] from like

1060
00:40:29,990 --> 00:40:27,680
underneath the vatican like if that's

1061
00:40:31,829 --> 00:40:30,000
something that existed

1062
00:40:33,750 --> 00:40:31,839
thousands of years ago that the vatican

1063
00:40:35,670 --> 00:40:33,760

just so happened to get its hands on

1064

00:40:37,109 --> 00:40:35,680

yeah and like what if the vatican like

1065

00:40:39,430 --> 00:40:37,119

pulls some like

1066

00:40:41,270 --> 00:40:39,440

secret [h__h] out every year and puts it

1067

00:40:42,630 --> 00:40:41,280

you know like on display and we just

1068

00:40:46,150 --> 00:40:42,640

think it's by an artist

1069

00:40:47,910 --> 00:40:46,160

yes you know dude let me i'm gonna

1070

00:40:51,270 --> 00:40:47,920

google that really quick actually

1071

00:40:51,990 --> 00:40:51,280

um uh like who who built the vatican's

1072

00:40:54,069 --> 00:40:52,000

nativity

1073

00:40:55,349 --> 00:40:54,079

scene i'm gonna google that yeah let's

1074

00:40:57,750 --> 00:40:55,359

see

1075

00:40:59,030 --> 00:40:57,760

oh i don't know but what do you i mean

1076
00:41:00,829 --> 00:40:59,040
what do you think about that dude

1077
00:41:02,870 --> 00:41:00,839
it looks pretty crazy huh it's a

1078
00:41:07,349 --> 00:41:02,880
spaceman

1079
00:41:09,430 --> 00:41:07,359
behind it man the blue one with the

1080
00:41:11,910 --> 00:41:09,440
goblin helmet and the shield yeah it's

1081
00:41:14,710 --> 00:41:11,920
his little uh little guard guy

1082
00:41:16,470 --> 00:41:14,720
he's protecting him from all of harm and

1083
00:41:20,150 --> 00:41:16,480
also this little alien

1084
00:41:21,829 --> 00:41:20,160
um uh astronaut is giving birth

1085
00:41:23,750 --> 00:41:21,839
or what do you think of it what do you

1086
00:41:26,150 --> 00:41:23,760
think that is i think those are the

1087
00:41:28,790 --> 00:41:26,160
three wise men

1088
00:41:29,670 --> 00:41:28,800

coming out of his stomach no no no i

1089

00:41:32,390 --> 00:41:29,680

think like those

1090

00:41:32,790 --> 00:41:32,400

those guys i think there's like another

1091

00:41:35,349 --> 00:41:32,800

one

1092

00:41:36,790 --> 00:41:35,359

somewhere there's a few pictures i just

1093

00:41:38,470 --> 00:41:36,800

picked a couple of them

1094

00:41:39,910 --> 00:41:38,480

but there's like some there's all kinds

1095

00:41:42,470 --> 00:41:39,920

of stuff on the stage i'm wondering if

1096

00:41:45,750 --> 00:41:42,480

those are like the three wise men

1097

00:41:46,309 --> 00:41:45,760

and they're carrying gifts oh yeah

1098

00:41:48,950 --> 00:41:46,319

you're right

1099

00:41:50,390 --> 00:41:48,960

it is yeah i think so so there's

1100

00:41:52,710 --> 00:41:50,400

something in the middle that looks

1101

00:41:54,390 --> 00:41:52,720

it looks like a tesla coil and then

1102

00:41:58,150 --> 00:41:54,400

there's like lightning going on

1103

00:42:00,630 --> 00:41:58,160

behind them and then one two three

1104

00:42:01,750 --> 00:42:00,640

there's the uh astronaut on the left and

1105

00:42:05,430 --> 00:42:01,760

there's some little

1106

00:42:08,790 --> 00:42:05,440

little uh chingadera in the middle

1107

00:42:15,270 --> 00:42:08,800

and then there's uh j joseph

1108

00:42:18,790 --> 00:42:15,280

and uh okay so i i just looked it up

1109

00:42:22,309 --> 00:42:18,800

uh no wait okay no hold on

1110

00:42:24,630 --> 00:42:22,319

art teacher defense oh maybe it is

1111

00:42:27,349 --> 00:42:24,640

this scene was made by students and

1112

00:42:30,470 --> 00:42:27,359

teachers from an italian region known as

1113

00:42:33,910 --> 00:42:30,480

known for ceramics it's

1114

00:42:36,470 --> 00:42:33,920

it's morning edition

1115

00:42:39,829 --> 00:42:36,480

a t art teacher defense 2020 nativity

1116

00:42:48,710 --> 00:42:42,870

huh like with a like with a sword

1117

00:42:51,910 --> 00:42:50,710

well whatever that uh doesn't look like

1118

00:42:55,030 --> 00:42:51,920

didn't look like he's carrying

1119

00:43:00,309 --> 00:42:55,040

frankincense or myrrh it looks like uh

1120

00:43:04,230 --> 00:43:01,829

is that what it says or the moon looks

1121

00:43:05,589 --> 00:43:04,240

like the moon dude it does it it looks

1122

00:43:07,349 --> 00:43:05,599

it looks like the moon yeah

1123

00:43:12,150 --> 00:43:07,359

the moon does look like the moon i like

1124

00:43:14,630 --> 00:43:12,160

the way you say moon

1125

00:43:15,829 --> 00:43:14,640

i don't know so what if um what if this

1126

00:43:19,670 --> 00:43:15,839

is depicting it like

1127

00:43:23,430 --> 00:43:19,680

subtly depicting uh years ago

1128

00:43:26,710 --> 00:43:23,440

the the earth was in chaos uh i

1129

00:43:29,589 --> 00:43:26,720

life was barely able to survive uh

1130

00:43:30,790 --> 00:43:29,599

the oceans were all over the place

1131

00:43:33,910 --> 00:43:30,800

pangaea

1132

00:43:35,829 --> 00:43:33,920

was not even a thing like next day the

1133

00:43:37,349 --> 00:43:35,839

ocean would be all over pangaea

1134

00:43:39,030 --> 00:43:37,359

it would be like a whitewash but we

1135

00:43:42,630 --> 00:43:39,040

needed the min

1136

00:43:45,829 --> 00:43:42,640

to calm the seas and put the earth

1137

00:43:46,230 --> 00:43:45,839

in a balance and that's when the aliens

1138

00:43:49,510 --> 00:43:46,240

that's

1139

00:43:52,710 --> 00:43:49,520

the aliens an alien race brought the

1140

00:43:56,309 --> 00:43:52,720

immune to to balance the mood

1141

00:43:59,990 --> 00:43:56,319

to balance out the earth dude

1142

00:44:01,670 --> 00:44:00,000

men maybe

1143

00:44:03,109 --> 00:44:01,680

maybe maybe that i don't know that's

1144

00:44:04,790 --> 00:44:03,119

what the three wise men are the three

1145

00:44:05,670 --> 00:44:04,800

wise men are three different species of

1146

00:44:07,430 --> 00:44:05,680

alien

1147

00:44:09,349 --> 00:44:07,440

that came and brought different things

1148

00:44:10,790 --> 00:44:09,359

to balance out the earth so that it

1149

00:44:13,990 --> 00:44:10,800

could be a

1150

00:44:15,030 --> 00:44:14,000

uh a habitable place to to do an

1151

00:44:18,069 --> 00:44:15,040

experiment

1152

00:44:20,230 --> 00:44:18,079

on consciousness i thought they were

1153

00:44:24,150 --> 00:44:20,240

like african and arab dudes

1154

00:44:26,550 --> 00:44:24,160

well they they could well be

1155

00:44:27,829 --> 00:44:26,560

who knows who knows i don't know i i i

1156

00:44:31,109 --> 00:44:27,839

thought it was pretty

1157

00:44:33,270 --> 00:44:31,119

pretty uh pretty interesting man like

1158

00:44:34,630 --> 00:44:33,280

what if what if like now that the united

1159

00:44:37,109 --> 00:44:34,640

states has started

1160

00:44:38,870 --> 00:44:37,119

releasing some of its like information

1161

00:44:41,190 --> 00:44:38,880

and this and that now the vatican is

1162

00:44:43,270 --> 00:44:41,200

like oh yeah we could do that too

1163

00:44:44,710 --> 00:44:43,280

like what if it's like this like

1164

00:44:47,349 --> 00:44:44,720

disclosure

1165

00:44:49,190 --> 00:44:47,359

you know i don't know like i i've so

1166

00:44:50,390 --> 00:44:49,200

i've kind of given up like on just the

1167

00:44:53,109 --> 00:44:50,400

word disclosure

1168

00:44:54,710 --> 00:44:53,119

in general it's already happened yeah i

1169

00:44:58,550 --> 00:44:54,720

think it's i think it's already like

1170

00:45:00,630 --> 00:44:58,560

yeah they're slipping it in so subtly

1171

00:45:02,550 --> 00:45:00,640

and uh i don't think there's really an

1172

00:45:04,790 --> 00:45:02,560

agenda

1173

00:45:06,550 --> 00:45:04,800

really anymore i used to you know

1174

00:45:07,990 --> 00:45:06,560

conspiracy mind

1175

00:45:09,910 --> 00:45:08,000

there could be a group of people that's

1176
00:45:12,470 --> 00:45:09,920
like you know working on other [\h__\h]

1177
00:45:14,230 --> 00:45:12,480
like maintaining the narrative or

1178
00:45:15,910 --> 00:45:14,240
directing the narrative in a certain way

1179
00:45:20,230 --> 00:45:15,920
but disclosure

1180
00:45:21,750 --> 00:45:20,240
has already happened to like come on

1181
00:45:23,750 --> 00:45:21,760
there's a little that way too but i

1182
00:45:25,109 --> 00:45:23,760
think so they don't nobody wants to

1183
00:45:26,150 --> 00:45:25,119
think about that right now like they got

1184
00:45:27,990 --> 00:45:26,160
bills to pay

1185
00:45:31,190 --> 00:45:28,000
i mean it's still like i mean it's a

1186
00:45:32,790 --> 00:45:31,200
it's a it's still a very uh

1187
00:45:34,309 --> 00:45:32,800
it's still an important it's a very

1188
00:45:37,670 --> 00:45:34,319

important topic still like

1189

00:45:40,670 --> 00:45:37,680

you know but i'm saying like for like

1190

00:45:42,069 --> 00:45:40,680

i don't know there's so much like

1191

00:45:45,109 --> 00:45:42,079

disclosure talk

1192

00:45:46,150 --> 00:45:45,119

but i i i don't know in my opinion i

1193

00:45:48,790 --> 00:45:46,160

feel like

1194

00:45:49,270 --> 00:45:48,800

it's more like okay disclosure happened

1195

00:45:53,109 --> 00:45:49,280

like

1196

00:45:55,589 --> 00:45:53,119

hell it is

1197

00:45:58,630 --> 00:45:55,599

talk you know like who do we expect to

1198

00:46:00,630 --> 00:45:58,640

disclose this stuff to us like

1199

00:46:01,910 --> 00:46:00,640

who you were expecting the government to

1200

00:46:03,910 --> 00:46:01,920

disclose it to

1201
00:46:05,349 --> 00:46:03,920
also we're not going to if you want

1202
00:46:07,829 --> 00:46:05,359
anybody to disclose

1203
00:46:09,589 --> 00:46:07,839
anything to you it should be the e.t

1204
00:46:13,030 --> 00:46:09,599
race who's disclosing

1205
00:46:15,190 --> 00:46:13,040
themselves to you dude you know that is

1206
00:46:16,790 --> 00:46:15,200
i'll i align with that as well because i

1207
00:46:17,430 --> 00:46:16,800
don't know you don't know the government

1208
00:46:19,349 --> 00:46:17,440
doesn't know

1209
00:46:20,950 --> 00:46:19,359
the inductees don't know they just kind

1210
00:46:21,270 --> 00:46:20,960
of like have an idea and they're like

1211
00:46:23,750 --> 00:46:21,280
well

1212
00:46:24,390 --> 00:46:23,760
i mean ultimately i guess i don't know i

1213
00:46:27,270 --> 00:46:24,400

can you know

1214

00:46:28,950 --> 00:46:27,280

point out some some stuff but like you

1215

00:46:30,309 --> 00:46:28,960

know the only person who could disclose

1216

00:46:32,230 --> 00:46:30,319

anything to us is them

1217

00:46:33,349 --> 00:46:32,240

it's them yeah yeah like what are we

1218

00:46:36,630 --> 00:46:33,359

waiting for well

1219

00:46:38,470 --> 00:46:36,640

i yeah there's what el what more

1220

00:46:41,990 --> 00:46:38,480

evidence do you need

1221

00:46:45,030 --> 00:46:42,000

uh other than not even evidence but

1222

00:46:47,510 --> 00:46:45,040

if we're taking like a national crisis a

1223

00:46:50,710 --> 00:46:47,520

worldwide crisis like kovid

1224

00:46:52,550 --> 00:46:50,720

and uh paying attention to how much it's

1225

00:46:54,069 --> 00:46:52,560

been talked about in the media

1226

00:46:56,470 --> 00:46:54,079

and it's just never going away and it's

1227

00:46:57,349 --> 00:46:56,480

just this perpetuated thing if that same

1228

00:47:01,030 --> 00:46:57,359

subject were

1229

00:47:02,630 --> 00:47:01,040

focused on uh on aliens it's like

1230

00:47:04,710 --> 00:47:02,640

the the public didn't really doesn't

1231

00:47:05,750 --> 00:47:04,720

really want to know about covet every

1232

00:47:07,270 --> 00:47:05,760

single second

1233

00:47:09,910 --> 00:47:07,280

of the day it's just kind of been shoved

1234

00:47:11,430 --> 00:47:09,920

in our faces if there was a focus

1235

00:47:15,910 --> 00:47:11,440

instead of coping on on this

1236

00:47:18,390 --> 00:47:15,920

this alien thing um yeah what would be

1237

00:47:19,270 --> 00:47:18,400

that it would be different that would be

1238

00:47:24,069 --> 00:47:19,280

that would be

1239

00:47:26,309 --> 00:47:24,079

what everybody's waiting for

1240

00:47:27,670 --> 00:47:26,319

yeah if other stuff wasn't going on

1241

00:47:31,109 --> 00:47:27,680

right now

1242

00:47:33,430 --> 00:47:31,119

you know like all the people who are

1243

00:47:35,349 --> 00:47:33,440

into politics and all the people who are

1244

00:47:38,470 --> 00:47:35,359

into all this stuff and

1245

00:47:40,710 --> 00:47:38,480

it like consumes them it's like

1246

00:47:42,630 --> 00:47:40,720

do you just turn the tv off when tucker

1247

00:47:45,270 --> 00:47:42,640

tucker carlson talks about aliens

1248

00:47:46,230 --> 00:47:45,280

or like have you not heard this like you

1249

00:47:48,390 --> 00:47:46,240

watch the news

1250

00:47:49,510 --> 00:47:48,400

all the time you're so informed but like

1251
00:47:51,510 --> 00:47:49,520
you missed that

1252
00:47:52,549 --> 00:47:51,520
for some some reason like how do you

1253
00:47:54,950 --> 00:47:52,559
miss

1254
00:47:56,950 --> 00:47:54,960
like that piece yeah they change the

1255
00:47:59,270 --> 00:47:56,960
channel or they stop listening they yeah

1256
00:48:02,710 --> 00:47:59,280
they they turn on survivor

1257
00:48:04,630 --> 00:48:02,720
it's it's uh it's it's puzzling traits

1258
00:48:05,190 --> 00:48:04,640
puzzling the public is chirping cherry

1259
00:48:08,230 --> 00:48:05,200
picking

1260
00:48:10,230 --> 00:48:08,240
what they're paying attention to um

1261
00:48:11,910 --> 00:48:10,240
again going back to that like what's

1262
00:48:13,190 --> 00:48:11,920
being shoved in our faces i think that's

1263
00:48:15,109 --> 00:48:13,200

what everybody's

1264

00:48:16,630 --> 00:48:15,119

waiting for you can you can you can deny

1265

00:48:18,069 --> 00:48:16,640

it when the media isn't talking about it

1266

00:48:20,470 --> 00:48:18,079

you're like ah that's not real

1267

00:48:21,670 --> 00:48:20,480

like the media is not talking about the

1268

00:48:24,549 --> 00:48:21,680

911

1269

00:48:26,309 --> 00:48:24,559

uh event the false flag everything

1270

00:48:29,190 --> 00:48:26,319

surrounding that whole

1271

00:48:30,549 --> 00:48:29,200

conspiracy like the the media's not

1272

00:48:31,030 --> 00:48:30,559

talking about it therefore people can

1273

00:48:33,190 --> 00:48:31,040

say

1274

00:48:34,549 --> 00:48:33,200

that's not real but if he was talking

1275

00:48:35,670 --> 00:48:34,559

about every [h__\h] day and shoving it

1276

00:48:37,430 --> 00:48:35,680

down our throats then

1277

00:48:39,030 --> 00:48:37,440

you there's no denying it people would

1278

00:48:40,549 --> 00:48:39,040

think it'd be real and then people will

1279

00:48:42,069 --> 00:48:40,559

be getting pissed off at you for not

1280

00:48:45,190 --> 00:48:42,079

believing the media that it's

1281

00:48:47,430 --> 00:48:45,200

that it's real yeah

1282

00:48:48,549 --> 00:48:47,440

those those uh those truthers out there

1283

00:48:50,710 --> 00:48:48,559

like hey

1284

00:48:51,990 --> 00:48:50,720

uh-uh hey you're offending me by not

1285

00:48:55,270 --> 00:48:52,000

believing

1286

00:48:57,670 --> 00:48:55,280

what's being told to us every day yeah

1287

00:48:59,349 --> 00:48:57,680

yeah you either don't believe anything

1288

00:49:00,870 --> 00:48:59,359

or you only believe it whenever they say

1289

00:49:04,710 --> 00:49:00,880

what you wanted then they

1290

00:49:08,069 --> 00:49:04,720

wanted them to say exactly listen like

1291

00:49:09,670 --> 00:49:08,079

jess is like singing and

1292

00:49:11,510 --> 00:49:09,680

after the week she's had she's in there

1293

00:49:14,230 --> 00:49:11,520

just laughing it up

1294

00:49:14,950 --> 00:49:14,240

having a good time we won't talk about

1295

00:49:17,430 --> 00:49:14,960

that but

1296

00:49:18,870 --> 00:49:17,440

uh yeah so what do you think about this

1297

00:49:21,030 --> 00:49:18,880

big ass museum

1298

00:49:22,950 --> 00:49:21,040

so uh yeah tell me more about this so

1299

00:49:24,790 --> 00:49:22,960

i've seen all the photos the photos are

1300

00:49:27,750 --> 00:49:24,800

pretty cool they look pretty awesome

1301
00:49:29,270 --> 00:49:27,760
dude it looks amazing i i i thought they

1302
00:49:30,309 --> 00:49:29,280
were all renders though right they're

1303
00:49:32,630 --> 00:49:30,319
they're renderings they're not

1304
00:49:34,150 --> 00:49:32,640
it's not right yes so yeah yeah dude

1305
00:49:37,270 --> 00:49:34,160
they're all rendered

1306
00:49:40,950 --> 00:49:37,280
look at that [h__h] bro what if

1307
00:49:42,549 --> 00:49:40,960
uh what if what if egypt

1308
00:49:44,230 --> 00:49:42,559
like you know the the pyramids and all

1309
00:49:46,150 --> 00:49:44,240
that and the tombs and all that or

1310
00:49:47,430 --> 00:49:46,160
what if they're actually museums too

1311
00:49:49,109 --> 00:49:47,440
like what if this is the second

1312
00:49:51,349 --> 00:49:49,119
iteration

1313
00:49:52,150 --> 00:49:51,359

of preserving all these artifacts what

1314

00:49:53,510 --> 00:49:52,160

if like

1315

00:49:55,990 --> 00:49:53,520

we can't figure out the full story it's

1316

00:49:58,790 --> 00:49:56,000

because it was a museum to begin with

1317

00:50:00,230 --> 00:49:58,800

and this is just the second version like

1318

00:50:03,510 --> 00:50:00,240

if you were able to like

1319

00:50:07,030 --> 00:50:03,520

talk to like uh like a ancient king from

1320

00:50:09,109 --> 00:50:07,040

egypt whoa what were the tombs for

1321

00:50:12,230 --> 00:50:09,119

what were the pyramids for and he was

1322

00:50:14,150 --> 00:50:12,240

like oh those were just museums

1323

00:50:15,910 --> 00:50:14,160

we don't know either like i went once

1324

00:50:18,470 --> 00:50:15,920

when i was a kid it was pretty cool

1325

00:50:20,470 --> 00:50:18,480

pretty cool stuff and they're like so

1326

00:50:21,670 --> 00:50:20,480

what does this sign mean it says uh

1327

00:50:25,510 --> 00:50:21,680

bathrooms this way

1328

00:50:27,670 --> 00:50:25,520

bathroom bathroom that way

1329

00:50:29,589 --> 00:50:27,680

like if you're you're able to animate a

1330

00:50:31,510 --> 00:50:29,599

mummy and ask him like

1331

00:50:35,190 --> 00:50:31,520

hey so the whole world's waiting like

1332

00:50:42,069 --> 00:50:38,230

uh it means don't poop

1333

00:50:45,510 --> 00:50:42,079

right now the toilets are under service

1334

00:50:47,030 --> 00:50:45,520

oh only number one yeah that looks

1335

00:50:49,109 --> 00:50:47,040

it looks like it's gonna be a pretty

1336

00:50:50,390 --> 00:50:49,119

cool um pretty cool museum

1337

00:50:51,990 --> 00:50:50,400

actually i don't know if those are

1338

00:50:52,710 --> 00:50:52,000

renderings dude i think those are like

1339

00:50:54,549 --> 00:50:52,720

real pictures

1340

00:50:55,990 --> 00:50:54,559

that looks real because they're putting

1341

00:50:57,109 --> 00:50:56,000

it together they got to be i mean

1342

00:50:59,109 --> 00:50:57,119

they're building it right now

1343

00:51:00,790 --> 00:50:59,119

so slap my ass and call me charlie that

1344

00:51:03,430 --> 00:51:00,800

looks real bro

1345

00:51:04,549 --> 00:51:03,440

yeah that's real yeah that's i think a

1346

00:51:07,750 --> 00:51:04,559

couple of those were

1347

00:51:09,670 --> 00:51:07,760

probably renderings but that's real

1348

00:51:10,870 --> 00:51:09,680

that looks pretty cool that that's gotta

1349

00:51:14,230 --> 00:51:10,880

be real

1350

00:51:16,230 --> 00:51:14,240

you know yeah like that that's gonna be

1351
00:51:19,990 --> 00:51:16,240
like a super cool museum

1352
00:51:23,990 --> 00:51:22,549
you know there's a lot of debate now

1353
00:51:26,950 --> 00:51:24,000
surrounding egypt

1354
00:51:27,510 --> 00:51:26,960
and everything that people know what's

1355
00:51:30,549 --> 00:51:27,520
his name

1356
00:51:33,430 --> 00:51:30,559
zawani hawas or something yeah yep

1357
00:51:34,390 --> 00:51:33,440
uh the the sheriff of antiquities who

1358
00:51:35,910 --> 00:51:34,400
like does it

1359
00:51:38,309 --> 00:51:35,920
he doesn't take no [h__h] didn't let

1360
00:51:40,549 --> 00:51:38,319
anybody touch egypt

1361
00:51:41,349 --> 00:51:40,559
no without a without a million dollar

1362
00:51:44,950 --> 00:51:41,359
check

1363
00:51:47,910 --> 00:51:44,960

so is this a museum of lies

1364

00:51:48,549 --> 00:51:47,920

this museum is full of lies what okay

1365

00:51:51,430 --> 00:51:48,559

sorry keep

1366

00:51:52,790 --> 00:51:51,440

keep going like graham hancock will

1367

00:51:55,430 --> 00:51:52,800

never go there

1368

00:51:56,870 --> 00:51:55,440

what so what happened to the sphinx dude

1369

00:51:58,069 --> 00:51:56,880

they were digging under the sphinx and

1370

00:52:00,950 --> 00:51:58,079

they found a chamber

1371

00:52:01,829 --> 00:52:00,960

like graham had been saying for years

1372

00:52:05,349 --> 00:52:01,839

and they [h__\h]

1373

00:52:08,390 --> 00:52:05,359

found one and no one's talking about it

1374

00:52:09,349 --> 00:52:08,400

well we can uh uh we can get into old

1375

00:52:11,510 --> 00:52:09,359

barista

1376

00:52:12,950 --> 00:52:11,520

and and we can bring that up all right

1377

00:52:15,190 --> 00:52:12,960

that's kind of part of the story

1378

00:52:16,950 --> 00:52:15,200

well [h__h] i must not have gotten that

1379

00:52:19,190 --> 00:52:16,960

far

1380

00:52:20,630 --> 00:52:19,200

yeah all right cool well let's do it i

1381

00:52:22,390 --> 00:52:20,640

mean yeah that was pretty much it yeah

1382

00:52:25,430 --> 00:52:22,400

let's do it yeah dude

1383

00:52:25,829 --> 00:52:25,440

stop sharing all right dude so i was

1384

00:52:29,190 --> 00:52:25,839

like

1385

00:52:29,200 --> 00:52:34,790

let's talk about boriska

1386

00:52:42,069 --> 00:52:37,910

so it's this russian kid right

1387

00:52:45,270 --> 00:52:42,079

uh i was watching this video

1388

00:52:47,829 --> 00:52:45,280

of him and he was like 11 years old

1389

00:52:50,230 --> 00:52:47,839

but so the claim is is that this little

1390

00:52:53,829 --> 00:52:52,549

after like two weeks after he was born

1391

00:52:55,750 --> 00:52:53,839

like he was able to like

1392

00:52:57,270 --> 00:52:55,760

raise his head and like look around and

1393

00:52:59,510 --> 00:52:57,280

stuff creepy

1394

00:53:02,150 --> 00:52:59,520

yeah like he advanced really fast and

1395

00:53:04,150 --> 00:53:02,160

like apparently by this time he was like

1396

00:53:04,630 --> 00:53:04,160

three he was already like reading and

1397

00:53:06,950 --> 00:53:04,640

stuff

1398

00:53:08,390 --> 00:53:06,960

and like reading like math and doing

1399

00:53:10,710 --> 00:53:08,400

like math problems and

1400

00:53:12,470 --> 00:53:10,720

and all kinds of crazy [h__h] and then

1401
00:53:15,510 --> 00:53:12,480
like i guess his mom was saying that

1402
00:53:16,630 --> 00:53:15,520
like when he was younger

1403
00:53:19,109 --> 00:53:16,640
he was like really into like

1404
00:53:19,670 --> 00:53:19,119
astrophysics and like all these you know

1405
00:53:22,549 --> 00:53:19,680
just

1406
00:53:22,790 --> 00:53:22,559
crazy science books yeah he would you

1407
00:53:24,630 --> 00:53:22,800
know

1408
00:53:26,230 --> 00:53:24,640
he was talking about like distances

1409
00:53:28,150 --> 00:53:26,240
between galaxies and

1410
00:53:30,630 --> 00:53:28,160
stuff like that so like one night i

1411
00:53:32,069 --> 00:53:30,640
guess there was like

1412
00:53:33,990 --> 00:53:32,079
all these adults and they were sitting

1413
00:53:35,750 --> 00:53:34,000

around this campfire and he was like hey

1414

00:53:37,349 --> 00:53:35,760

i want to tell you a story and he starts

1415

00:53:40,309 --> 00:53:37,359

to like tell the story

1416

00:53:42,390 --> 00:53:40,319

about how like he used to live on mars

1417

00:53:45,510 --> 00:53:42,400

and like he had all these details

1418

00:53:46,069 --> 00:53:45,520

and he was like he flew this he flew a

1419

00:53:48,630 --> 00:53:46,079

craft

1420

00:53:49,589 --> 00:53:48,640

he was a pilot yeah he was a pilot and

1421

00:53:52,470 --> 00:53:49,599

there was like this

1422

00:53:53,270 --> 00:53:52,480

this war on mars there's you know just i

1423

00:53:56,549 --> 00:53:53,280

guess

1424

00:53:57,670 --> 00:53:56,559

like they just kept fighting all the

1425

00:53:59,109 --> 00:53:57,680

time

1426

00:54:00,790 --> 00:53:59,119

but they were like how the hell does

1427

00:54:03,750 --> 00:54:00,800

this kid like know all this stuff like

1428

00:54:06,470 --> 00:54:03,760

he knew like places like on mars

1429

00:54:09,270 --> 00:54:06,480

like all kinds of stuff so when they

1430

00:54:11,190 --> 00:54:09,280

start talking to him like now he's 11

1431

00:54:12,470 --> 00:54:11,200

and uh i don't know it's like one of

1432

00:54:14,710 --> 00:54:12,480

those things where like you know how

1433

00:54:16,150 --> 00:54:14,720

like these kids have these memories

1434

00:54:18,150 --> 00:54:16,160

but then like as they get older they

1435

00:54:19,910 --> 00:54:18,160

just lose them yeah for some reason yeah

1436

00:54:23,190 --> 00:54:19,920

we were talking about that recently

1437

00:54:24,150 --> 00:54:23,200

yeah we were talking about that uh yeah

1438

00:54:27,589 --> 00:54:24,160

yeah

1439

00:54:28,790 --> 00:54:27,599

and [\h__\h]

1440

00:54:30,790 --> 00:54:28,800

and that's kind of what got me thinking

1441

00:54:32,390 --> 00:54:30,800

about this story is because i ran across

1442

00:54:33,750 --> 00:54:32,400

it a while ago and i just

1443

00:54:37,510 --> 00:54:33,760

you know i was like yeah that's

1444

00:54:40,710 --> 00:54:40,309

i mean i mean to go into detail here he

1445

00:54:44,390 --> 00:54:40,720

does

1446

00:54:46,150 --> 00:54:44,400

go into some some specifics about

1447

00:54:48,789 --> 00:54:46,160

the ships that he was able to see on

1448

00:54:50,549 --> 00:54:48,799

mars and he was a pilot

1449

00:54:52,710 --> 00:54:50,559

but uh correct me if i'm wrong but he

1450

00:54:54,630 --> 00:54:52,720

there's two there's two types of ships

1451
00:54:56,069 --> 00:54:54,640
there was one that was like a triangle

1452
00:54:57,990 --> 00:54:56,079
shape and there were smaller kind of

1453
00:55:00,150 --> 00:54:58,000
fleet craft and then there was a bigger

1454
00:55:02,789 --> 00:55:00,160
one that was kind of like a drop

1455
00:55:04,150 --> 00:55:02,799
yeah and that that held ships uh in the

1456
00:55:05,910 --> 00:55:04,160
hull or whatever

1457
00:55:07,510 --> 00:55:05,920
and that's the one that he would fly the

1458
00:55:10,630 --> 00:55:07,520
big one you're right

1459
00:55:11,030 --> 00:55:10,640
and then he turned it up he he only flew

1460
00:55:14,230 --> 00:55:11,040
the

1461
00:55:15,910 --> 00:55:14,240
okay got it

1462
00:55:17,589 --> 00:55:15,920
so he was talking about propulsion they

1463
00:55:19,430 --> 00:55:17,599

started getting into propulsion

1464

00:55:21,109 --> 00:55:19,440

uh and i've got i've got a question for

1465

00:55:21,510 --> 00:55:21,119

you but let me i'll say i'll say this

1466

00:55:22,870 --> 00:55:21,520

for the

1467

00:55:25,109 --> 00:55:22,880

the listeners that don't know about it

1468

00:55:25,990 --> 00:55:25,119

but the when he gets into propulsion he

1469

00:55:28,870 --> 00:55:26,000

starts talking about

1470

00:55:29,910 --> 00:55:28,880

yeah so we had like iron ion propulsion

1471

00:55:34,630 --> 00:55:29,920

and this is dude

1472

00:55:35,829 --> 00:55:34,640

19 okay 19 or 2000 2007

1473

00:55:38,549 --> 00:55:35,839

or something like this he's talking

1474

00:55:43,510 --> 00:55:38,559

about this and uh because if he's 11.

1475

00:55:46,309 --> 00:55:43,520

he was born in 1996 so 2000

1476

00:55:48,230 --> 00:55:46,319

2000 now he's like in his 20s he's 24

1477

00:55:50,230 --> 00:55:48,240

now i did the math

1478

00:55:52,150 --> 00:55:50,240

so so this is 2007 he's talking about

1479

00:55:55,270 --> 00:55:52,160

this he says i mean

1480

00:55:57,270 --> 00:55:55,280

i didn't know about ion drives until

1481

00:55:59,030 --> 00:55:57,280

like couple years ago but i mean

1482

00:56:00,549 --> 00:55:59,040

it's probably existed for a while it's

1483

00:56:03,030 --> 00:56:00,559

like at its rudimentary

1484

00:56:03,990 --> 00:56:03,040

form in space ion drives are pretty

1485

00:56:06,150 --> 00:56:04,000

effective but

1486

00:56:08,870 --> 00:56:06,160

in an atmosphere it's pretty shitty like

1487

00:56:11,430 --> 00:56:08,880

you don't want an ion drive

1488

00:56:12,390 --> 00:56:11,440

it's it's way more efficient in space uh

1489

00:56:13,910 --> 00:56:12,400
with

1490

00:56:15,670 --> 00:56:13,920
combustible engines it's still a

1491

00:56:17,589 --> 00:56:15,680
combustible kind of like

1492

00:56:18,549 --> 00:56:17,599
right in a way but he said like yeah

1493

00:56:20,950 --> 00:56:18,559
there's a difference between our

1494

00:56:23,349 --> 00:56:20,960
technology and alien technology

1495

00:56:24,950 --> 00:56:23,359
we don't like the warring factions don't

1496

00:56:26,870 --> 00:56:24,960
want to share technology

1497

00:56:29,750 --> 00:56:26,880
like why would you like we're all at war

1498

00:56:32,789 --> 00:56:29,760
why would you just give away

1499

00:56:34,470 --> 00:56:32,799
our [h__h] like technology so he

1500

00:56:36,069 --> 00:56:34,480
goes on to describe like yeah we either

1501
00:56:38,870 --> 00:56:36,079
had some kind of like thrusters or

1502
00:56:40,789 --> 00:56:38,880
our ion drive just to get in between our

1503
00:56:41,510 --> 00:56:40,799
our solar system and go from planet to

1504
00:56:43,670 --> 00:56:41,520
planet

1505
00:56:45,030 --> 00:56:43,680
but if you wanted to go to a different

1506
00:56:47,349 --> 00:56:45,040
galaxy we would go

1507
00:56:48,549 --> 00:56:47,359
into a wormhole and it would just yeah

1508
00:56:49,750 --> 00:56:48,559
yeah no it's just somebody just make a

1509
00:56:51,109 --> 00:56:49,760
wormhole and you

1510
00:56:52,870 --> 00:56:51,119
just show up you know a couple seconds

1511
00:56:53,510 --> 00:56:52,880
later i thought that was super

1512
00:56:55,030 --> 00:56:53,520
interesting

1513
00:56:56,950 --> 00:56:55,040

yeah because he would say like even in

1514

00:56:59,190 --> 00:56:56,960

his craft

1515

00:57:00,230 --> 00:56:59,200

they would like as soon as they would

1516

00:57:02,230 --> 00:57:00,240

lift off

1517

00:57:04,069 --> 00:57:02,240

mars they would all they would be

1518

00:57:07,349 --> 00:57:04,079

arriving to earth already

1519

00:57:09,349 --> 00:57:07,359

yeah that was pretty crazy yeah i did

1520

00:57:10,710 --> 00:57:09,359

yeah that must have been so tell me more

1521

00:57:11,990 --> 00:57:10,720

about that like did what is was he

1522

00:57:14,390 --> 00:57:12,000

describing the ion drive

1523

00:57:16,069 --> 00:57:14,400

or the the the wormhole kind of thing he

1524

00:57:19,349 --> 00:57:16,079

was just he was just talking about

1525

00:57:21,109 --> 00:57:19,359

the the the craft that he flew

1526
00:57:23,109 --> 00:57:21,119
and that's what would happen like it was

1527
00:57:23,670 --> 00:57:23,119
just you know it was pretty quick that's

1528
00:57:25,589 --> 00:57:23,680
why they

1529
00:57:26,710 --> 00:57:25,599
so if you wanted to travel within your

1530
00:57:29,510 --> 00:57:26,720
solar system

1531
00:57:31,589 --> 00:57:29,520
yeah you would fly that triangular craft

1532
00:57:32,630 --> 00:57:31,599
but if you wanted to go to another solar

1533
00:57:35,829 --> 00:57:32,640
system

1534
00:57:38,150 --> 00:57:35,839
you would hop in that that drop yeah

1535
00:57:39,430 --> 00:57:38,160
i think did you and they carried like

1536
00:57:42,309 --> 00:57:39,440
two or three ships

1537
00:57:42,789 --> 00:57:42,319
he said yeah you know what that made me

1538
00:57:44,710 --> 00:57:42,799

think of

1539

00:57:46,870 --> 00:57:44,720

uh just now is is you ever watched

1540

00:57:48,630 --> 00:57:46,880

futurama

1541

00:57:50,230 --> 00:57:48,640

yeah i'm not like a religious watcher

1542

00:57:53,589 --> 00:57:50,240

but i've seen at least

1543

00:57:55,190 --> 00:57:53,599

30 episodes same i mean yeah i named my

1544

00:57:57,190 --> 00:57:55,200

dog after nibbler but

1545

00:57:58,950 --> 00:57:57,200

i mean yeah i'm not like a huge huge fan

1546

00:58:01,990 --> 00:57:58,960

but what i do remember about

1547

00:58:04,150 --> 00:58:02,000

the the way that their ship flies is

1548

00:58:05,589 --> 00:58:04,160

it actually takes anti-matter and makes

1549

00:58:08,150 --> 00:58:05,599

the universe move around

1550

00:58:09,670 --> 00:58:08,160

it and it actually just stays still yeah

1551
00:58:11,750 --> 00:58:09,680
that that's what makes me think of like

1552
00:58:13,910 --> 00:58:11,760
that that visual that you just gave of

1553
00:58:15,109 --> 00:58:13,920
leaving mars and then yeah then you're

1554
00:58:16,390 --> 00:58:15,119
here at earth

1555
00:58:18,870 --> 00:58:16,400
that's what it just makes me think of

1556
00:58:21,589 --> 00:58:18,880
like you're just bringing space

1557
00:58:22,950 --> 00:58:21,599
past you yeah and you're just like

1558
00:58:25,589 --> 00:58:22,960
hanging out

1559
00:58:27,670 --> 00:58:25,599
yeah that's what it made me think of i

1560
00:58:29,670 --> 00:58:27,680
guess that's that whole theory of

1561
00:58:31,510 --> 00:58:29,680
the two dots on the piece of paper and

1562
00:58:34,309 --> 00:58:31,520
you fold it and they touch

1563
00:58:34,950 --> 00:58:34,319

you're just bringing space closer to you

1564

00:58:42,950 --> 00:58:34,960

oh

1565

00:58:46,470 --> 00:58:42,960

it's fine i will

1566

00:58:47,349 --> 00:58:46,480

um but so uh did you watch that video

1567

00:58:48,549 --> 00:58:47,359

that i sent you

1568

00:58:50,549 --> 00:58:48,559

like i know you didn't watch the whole

1569

00:58:51,109 --> 00:58:50,559

thing but you got you got into it the

1570

00:58:56,309 --> 00:58:51,119

interview

1571

00:58:59,430 --> 00:58:58,230

yeah i got i got pretty far i got like

1572

00:59:02,630 --> 00:58:59,440

30 35

1573

00:59:05,750 --> 00:59:02,640

45 minutes and it's like an hour long so

1574

00:59:07,430 --> 00:59:05,760

what i got to is uh is basically that

1575

00:59:10,069 --> 00:59:07,440

like he's talking about the warp drive

1576

00:59:11,430 --> 00:59:10,079

stuff uh and then the warring factions

1577

00:59:13,670 --> 00:59:11,440

and then

1578

00:59:15,910 --> 00:59:13,680

uh does he i i thought it was so sad

1579

00:59:17,910 --> 00:59:15,920

because he was like they're asking

1580

00:59:19,430 --> 00:59:17,920

did he have any friends in his past life

1581

00:59:20,710 --> 00:59:19,440

did he so anyway

1582

00:59:22,230 --> 00:59:20,720

we didn't we didn't even talk about this

1583

00:59:24,309 --> 00:59:22,240

that he's he's remembering things from

1584

00:59:26,710 --> 00:59:24,319

his past life it's not like he

1585

00:59:28,069 --> 00:59:26,720

himself was there but he was like i

1586

00:59:29,910 --> 00:59:28,079

thought it was so sad the lady was

1587

00:59:31,349 --> 00:59:29,920

asking him do you remember anybody else

1588

00:59:33,430 --> 00:59:31,359

from your time there

1589

00:59:34,870 --> 00:59:33,440

and she's he said yeah they're not here

1590

00:59:37,190 --> 00:59:34,880

i don't have any friends right here in

1591

00:59:38,710 --> 00:59:37,200

on earth and yeah it's like oh man poor

1592

00:59:41,510 --> 00:59:38,720

guy like

1593

00:59:42,710 --> 00:59:41,520

11 years old [h__h] they're like what

1594

00:59:45,349 --> 00:59:42,720

don't you like about

1595

00:59:46,549 --> 00:59:45,359

earth people and he was nice about it he

1596

00:59:48,710 --> 00:59:46,559

was like i don't like to talk

1597

00:59:50,230 --> 00:59:48,720

talk bad about people yeah i can say

1598

00:59:52,309 --> 00:59:50,240

some nice things

1599

00:59:54,230 --> 00:59:52,319

about earth people but he still called

1600

00:59:57,510 --> 00:59:54,240

himself a martian

1601
00:59:58,630 --> 00:59:57,520
oh is that what i got i didn't pick up

1602
01:00:01,430 --> 00:59:58,640
on that

1603
01:00:03,510 --> 01:00:01,440
damn yeah and that's what he called him

1604
01:00:05,430 --> 01:00:03,520
he said yeah we're martians

1605
01:00:06,789 --> 01:00:05,440
that's was like the the race of his

1606
01:00:09,030 --> 01:00:06,799
people were martians

1607
01:00:10,870 --> 01:00:09,040
and they weren't like small gray things

1608
01:00:13,349 --> 01:00:10,880
they were apparently pretty tall

1609
01:00:14,069 --> 01:00:13,359
and pretty big yeah yeah i do remember

1610
01:00:17,349 --> 01:00:14,079
that

1611
01:00:18,870 --> 01:00:17,359
yeah yeah and uh because he had seen a

1612
01:00:20,710 --> 01:00:18,880
video of like some like

1613
01:00:22,309 --> 01:00:20,720

typical small gray aliens and he was

1614

01:00:25,430 --> 01:00:22,319

like that's not what we look like

1615

01:00:27,190 --> 01:00:25,440

he kind of got upset about it no [h__h] he

1616

01:00:29,270 --> 01:00:27,200

was like that's not what we look like

1617

01:00:30,309 --> 01:00:29,280

oh my god then they asked me he was like

1618

01:00:33,190 --> 01:00:30,319

yeah we're

1619

01:00:34,549 --> 01:00:33,200

a little we're taller and we're bigger

1620

01:00:36,309 --> 01:00:34,559

more powerful

1621

01:00:38,230 --> 01:00:36,319

mm-hmm yeah i remember him saying

1622

01:00:41,109 --> 01:00:38,240

something about yeah being more powerful

1623

01:00:41,430 --> 01:00:41,119

like being and then stuff and then he

1624

01:00:43,589 --> 01:00:41,440

was

1625

01:00:46,710 --> 01:00:43,599

they were saying like his his doctor or

1626

01:00:49,270 --> 01:00:46,720

whatever was talking about

1627

01:00:50,870 --> 01:00:49,280

how they think he has psychic abilities

1628

01:00:53,910 --> 01:00:50,880

like because of his intuition

1629

01:00:56,230 --> 01:00:53,920

and uh like he's just real sensitive

1630

01:00:58,230 --> 01:00:56,240

and stuff yeah it was kind of like i

1631

01:01:02,150 --> 01:00:58,240

don't know for a little bit there i was

1632

01:01:05,510 --> 01:01:03,910

because during the interview they would

1633

01:01:08,710 --> 01:01:05,520

keep saying like

1634

01:01:09,670 --> 01:01:08,720

you know uh tell the truth tell them

1635

01:01:11,589 --> 01:01:09,680

about this

1636

01:01:13,190 --> 01:01:11,599

tell them about that yeah they keep kept

1637

01:01:16,309 --> 01:01:13,200

having to egg them on

1638

01:01:19,190 --> 01:01:16,319

yeah to talk about it right and

1639

01:01:19,910 --> 01:01:19,200

like to me that was a little suspicious

1640

01:01:22,950 --> 01:01:19,920

right

1641

01:01:25,829 --> 01:01:22,960

but at the same time we're friends

1642

01:01:27,430 --> 01:01:25,839

yeah yeah i didn't really like i i don't

1643

01:01:31,990 --> 01:01:27,440

much care for the interviewer

1644

01:01:34,950 --> 01:01:32,000

yeah the you know but uh

1645

01:01:35,910 --> 01:01:34,960

uh i don't know i don't know it was kind

1646

01:01:37,589 --> 01:01:35,920

of weird but

1647

01:01:39,190 --> 01:01:37,599

at the same time like he's starting to

1648

01:01:42,390 --> 01:01:39,200

forget

1649

01:01:44,630 --> 01:01:42,400

these pieces of the story

1650

01:01:46,470 --> 01:01:44,640

yeah and it's like the mom was like yeah

1651
01:01:48,630 --> 01:01:46,480
he said he was from mars and then he

1652
01:01:49,670 --> 01:01:48,640
told this crazy ass story

1653
01:01:51,030 --> 01:01:49,680
and people were like well what's this

1654
01:01:52,390 --> 01:01:51,040
crazy story and she's like well blah

1655
01:01:54,950 --> 01:01:52,400
blah blah blah blah

1656
01:01:55,829 --> 01:01:54,960
right and then people come and see him

1657
01:01:57,829 --> 01:01:55,839
and then he's like

1658
01:01:59,349 --> 01:01:57,839
oh i'm starting to forget yeah i

1659
01:02:01,750 --> 01:01:59,359
remember talk about it

1660
01:02:03,430 --> 01:02:01,760
and his mom's like yo i just told all

1661
01:02:04,230 --> 01:02:03,440
these people you're from mars that's

1662
01:02:06,789 --> 01:02:04,240
what it better

1663
01:02:07,270 --> 01:02:06,799

[h__h] you better remember the story

1664

01:02:09,109 --> 01:02:07,280

bro

1665

01:02:10,309 --> 01:02:09,119

that's what it felt like dude the whole

1666

01:02:13,829 --> 01:02:10,319

time like

1667

01:02:16,150 --> 01:02:13,839

it's yeah it was a little bit cringy

1668

01:02:18,150 --> 01:02:16,160

it was cringy because he was like the

1669

01:02:20,390 --> 01:02:18,160

kid was looking down and he was like

1670

01:02:22,230 --> 01:02:20,400

shy and there was like little spurts

1671

01:02:23,430 --> 01:02:22,240

where he would talk a little bit

1672

01:02:25,029 --> 01:02:23,440

and he started getting a little bit more

1673

01:02:25,589 --> 01:02:25,039

comfortable toward comfortable towards

1674

01:02:29,589 --> 01:02:25,599

the middle

1675

01:02:31,510 --> 01:02:29,599

and the third quarter but

1676

01:02:33,029 --> 01:02:31,520

but then again like can you sit on an 11

1677

01:02:35,349 --> 01:02:33,039

year old down

1678

01:02:36,710 --> 01:02:35,359

for and three hours and expect them to

1679

01:02:39,990 --> 01:02:36,720

keep eye contact with you

1680

01:02:41,910 --> 01:02:40,000

and like yeah not fidget and look around

1681

01:02:43,670 --> 01:02:41,920

and yeah that's a good point yeah you

1682

01:02:44,230 --> 01:02:43,680

know he was yeah he was just looking

1683

01:02:45,829 --> 01:02:44,240

down and

1684

01:02:48,470 --> 01:02:45,839

like yeah he's just like all over the

1685

01:02:49,270 --> 01:02:48,480

place also his [\h__\h] mullet is sick

1686

01:02:51,510 --> 01:02:49,280

dude

1687

01:02:52,470 --> 01:02:51,520

sick i loved his hair i want that hair a

1688

01:02:55,750 --> 01:02:52,480

haircut dude

1689

01:03:02,069 --> 01:02:55,760

partying in the back [\h__\h] hell yeah

1690

01:03:04,309 --> 01:03:02,079

um wait yeah i mean i don't know like

1691

01:03:06,150 --> 01:03:04,319

he even talked about he's like i i just

1692

01:03:07,829 --> 01:03:06,160

i don't remember much

1693

01:03:09,910 --> 01:03:07,839

from mars i don't know what's important

1694

01:03:11,510 --> 01:03:09,920

on mars anymore he's like i can barely

1695

01:03:13,750 --> 01:03:11,520

even remember how to put together

1696

01:03:16,950 --> 01:03:13,760

together a simple phaser

1697

01:03:18,470 --> 01:03:16,960

he was like what what like a gun like a

1698

01:03:20,230 --> 01:03:18,480

laser gun

1699

01:03:23,510 --> 01:03:20,240

he was like i barely remember how to put

1700

01:03:28,069 --> 01:03:23,520

together a simple phaser gun

1701

01:03:30,069 --> 01:03:28,079

like he like he knew about it and like

1702

01:03:31,190 --> 01:03:30,079

he knew about the ship that like you

1703

01:03:33,029 --> 01:03:31,200

know he flew on

1704

01:03:34,549 --> 01:03:33,039

and all this other stuff but it was kind

1705

01:03:37,349 --> 01:03:34,559

of crazy because you know

1706

01:03:38,230 --> 01:03:37,359

he's like yeah it's it's assumed that i

1707

01:03:41,270 --> 01:03:38,240

i died

1708

01:03:43,589 --> 01:03:41,280

on mars and he said that the martians

1709

01:03:46,309 --> 01:03:43,599

created this crystal

1710

01:03:47,990 --> 01:03:46,319

and this crystal would attract souls

1711

01:03:48,870 --> 01:03:48,000

because there's not a lot of souls on

1712

01:03:51,349 --> 01:03:48,880

mars

1713

01:03:53,270 --> 01:03:51,359

but since they were warring all the time

1714

01:03:55,029 --> 01:03:53,280

they would trap these souls

1715

01:03:57,270 --> 01:03:55,039

and they would reincarnate into more

1716

01:04:00,950 --> 01:03:57,280

bodies so they wouldn't run out

1717

01:04:01,990 --> 01:04:00,960

of of like soldiers they were low on

1718

01:04:03,910 --> 01:04:02,000

soldiers

1719

01:04:05,589 --> 01:04:03,920

too so they would harvest these souls

1720

01:04:09,589 --> 01:04:05,599

and put them back into

1721

01:04:10,829 --> 01:04:09,599

bodies oh my god dude that is such a

1722

01:04:13,190 --> 01:04:10,839

cool

1723

01:04:16,230 --> 01:04:13,200

concept oh dude

1724

01:04:19,109 --> 01:04:16,240

whoa yeah what dude hold on

1725

01:04:20,950 --> 01:04:19,119

maybe that's why they're here is because

1726

01:04:22,950 --> 01:04:20,960

the earth has some kind of

1727

01:04:24,390 --> 01:04:22,960

[h__\h] on it that's attracting souls and

1728

01:04:28,309 --> 01:04:24,400

you need souls

1729

01:04:29,990 --> 01:04:28,319

to to to make well that's

1730

01:04:31,910 --> 01:04:30,000

that's what he says he says that the

1731

01:04:35,270 --> 01:04:31,920

reason that he's here now

1732

01:04:37,029 --> 01:04:35,280

is because when their planet was

1733

01:04:38,870 --> 01:04:37,039

destroyed completely he was like

1734

01:04:41,430 --> 01:04:38,880

somebody broke the crystals

1735

01:04:44,710 --> 01:04:41,440

and the souls got out so a lot of them

1736

01:04:48,630 --> 01:04:47,109

they incarnated on earth but it doesn't

1737

01:04:52,069 --> 01:04:48,640

have anything to do with like

1738

01:04:55,349 --> 01:04:52,079

you know you gilgamesh having like

1739

01:04:55,990 --> 01:04:55,359

a million uh things attached to you and

1740

01:04:58,549 --> 01:04:56,000

dropping

1741

01:04:59,750 --> 01:04:58,559

[h__h] into a volcano and all that stuff

1742

01:05:01,990 --> 01:04:59,760

but yeah

1743

01:05:02,950 --> 01:05:02,000

that's what he says is that the souls

1744

01:05:05,270 --> 01:05:02,960

from there

1745

01:05:06,710 --> 01:05:05,280

had nowhere to go so they ended up

1746

01:05:07,990 --> 01:05:06,720

coming to earth and that's why they're

1747

01:05:10,230 --> 01:05:08,000

incarnating here on earth

1748

01:05:13,430 --> 01:05:10,240

now i wonder i wonder how many of us

1749

01:05:15,430 --> 01:05:13,440

have been gilgamesh in the past

1750

01:05:16,950 --> 01:05:15,440

all of us from the google master you

1751

01:05:17,190 --> 01:05:16,960

remember that episode of south park with

1752

01:05:29,829 --> 01:05:17,200

the

1753

01:05:31,990 --> 01:05:29,839

and stuff and uh

1754

01:05:33,430 --> 01:05:32,000

there's like an alien in the in the

1755

01:05:36,870 --> 01:05:33,440

stands

1756

01:05:42,230 --> 01:05:36,880

it's like this big blob type person

1757

01:05:46,710 --> 01:05:45,029

that's when all that that came from all

1758

01:05:48,470 --> 01:05:46,720

that kid diddling that was happening

1759

01:05:51,910 --> 01:05:48,480

with the catholic

1760

01:05:55,109 --> 01:05:51,920

religion a while back yes dude not that

1761

01:05:59,270 --> 01:05:55,119

it's still happening but but

1762

01:06:02,950 --> 01:06:00,630

interesting story i think you should

1763

01:06:03,750 --> 01:06:02,960

check it out it's it's pretty uh it's

1764

01:06:06,390 --> 01:06:03,760

pretty cool

1765

01:06:07,430 --> 01:06:06,400

yeah and he's he disappeared nobody

1766

01:06:11,270 --> 01:06:07,440

knows where he's at now

1767

01:06:14,789 --> 01:06:11,280

uh uh for real yeah nobody knows boriska

1768

01:06:17,829 --> 01:06:14,799

keep praying keep

1769

01:06:18,950 --> 01:06:17,839

keep firi keep you enough you can just

1770

01:06:22,069 --> 01:06:18,960

you could just google

1771

01:06:24,069 --> 01:06:22,079

yeah boy claims to be from mars

1772

01:06:25,589 --> 01:06:24,079

yeah and you'll find it it's hard to

1773

01:06:29,109 --> 01:06:25,599

find like

1774

01:06:31,270 --> 01:06:29,119

a whole lot on it yeah youtube

1775

01:06:33,270 --> 01:06:31,280

it's a lot of like you know like videos

1776

01:06:35,750 --> 01:06:33,280

that aren't in english it's pretty crazy

1777

01:06:36,309 --> 01:06:35,760

damn dude that's that's nuts so there we

1778

01:06:38,630 --> 01:06:36,319

go

1779

01:06:40,309 --> 01:06:38,640

it happens in other places this kind of

1780

01:06:43,990 --> 01:06:40,319

stuff happens in other places other than

1781

01:06:46,390 --> 01:06:44,000

the us that's always like a catch

1782

01:06:48,150 --> 01:06:46,400

that people try to like i gotcha uh

1783

01:06:49,190 --> 01:06:48,160

seems like only the american thing like

1784

01:06:51,349 --> 01:06:49,200

this alien thing

1785

01:06:53,990 --> 01:06:51,359

i'm like no dude have you heard of

1786

01:06:56,150 --> 01:06:54,000

barisca dude

1787

01:06:57,430 --> 01:06:56,160

good at me dude yeah we're pretty late

1788

01:07:00,870 --> 01:06:57,440

to the party

1789

01:07:03,510 --> 01:07:00,880

yeah everybody else already knows

1790

01:07:05,109 --> 01:07:03,520

yeah man i uh i thoroughly enjoyed it i

1791

01:07:06,870 --> 01:07:05,119

still want to finish it it's hard to

1792

01:07:10,390 --> 01:07:06,880

listen to

1793

01:07:12,150 --> 01:07:10,400

and watch or and and not watch like

1794

01:07:14,150 --> 01:07:12,160

yeah yeah you have to watch it because

1795

01:07:16,789 --> 01:07:14,160

he he explains stuff and he

1796

01:07:17,270 --> 01:07:16,799

and you can read what he's saying yeah

1797

01:07:19,270 --> 01:07:17,280

you know

1798

01:07:21,190 --> 01:07:19,280

they have the translation there for it

1799

01:07:23,190 --> 01:07:21,200

yeah i felt like i was understanding

1800

01:07:24,549 --> 01:07:23,200

russian after after watching that whole

1801

01:07:26,150 --> 01:07:24,559

thing i was like oh [h__h]

1802

01:07:28,069 --> 01:07:26,160

i know wrestling but i was just reading

1803

01:07:31,589 --> 01:07:28,079

so i tricked myself yeah

1804

01:07:34,470 --> 01:07:31,599

he does make a claim though that uh

1805

01:07:35,430 --> 01:07:34,480

there's like a a massive disaster that's

1806

01:07:39,190 --> 01:07:35,440

supposed to have

1807

01:07:40,230 --> 01:07:39,200

that there was supposed to be like a

1808

01:07:42,870 --> 01:07:40,240

major flood

1809

01:07:45,750 --> 01:07:42,880

it was gonna flood everywhere when was i

1810

01:07:49,190 --> 01:07:45,760

supposed to 2009 or 2012

1811

01:07:51,029 --> 01:07:49,200

i think is what he said man predicting

1812

01:07:54,950 --> 01:07:51,039

stuff is such a slippery slope

1813

01:07:57,190 --> 01:07:54,960

it is it is it's uh yeah

1814

01:07:59,109 --> 01:07:57,200

david wilcock has has had a tough road

1815

01:08:02,069 --> 01:07:59,119

bud

1816

01:08:03,750 --> 01:08:02,079

i still watch his videos man he has

1817

01:08:05,510 --> 01:08:03,760

started this

1818

01:08:08,789 --> 01:08:05,520

he just came out with one yesterday that

1819

01:08:11,750 --> 01:08:08,799

i i worked late a couple nights ago

1820

01:08:13,190 --> 01:08:11,760

uh yeah two nights ago worked to like 1

1821

01:08:14,789 --> 01:08:13,200

30 in the morning trying to finish up a

1822

01:08:16,070 --> 01:08:14,799

bunch of projects and i listened to this

1823

01:08:18,550 --> 01:08:16,080

like three hour show

1824

01:08:20,309 --> 01:08:18,560

and he has started to have this co-host

1825

01:08:22,390 --> 01:08:20,319

his name is danny and something

1826

01:08:24,550 --> 01:08:22,400

and he kind of talks like this with a

1827

01:08:27,669 --> 01:08:24,560

really thick accent and he's like

1828

01:08:28,149 --> 01:08:27,679

a really kind of a funny guy and he's

1829

01:08:32,070 --> 01:08:28,159

got a

1830

01:08:33,910 --> 01:08:32,080

story but yeah they

1831

01:08:35,990 --> 01:08:33,920

they make a lot of predictions and a lot

1832

01:08:36,829 --> 01:08:36,000

of they really seem to know what's going

1833

01:08:39,910 --> 01:08:36,839

on

1834

01:08:42,390 --> 01:08:39,920

and uh that's slippery but

1835

01:08:43,269 --> 01:08:42,400

i don't know they don't uh they really

1836

01:08:44,709 --> 01:08:43,279

don't indulge

1837

01:08:46,709 --> 01:08:44,719

they really claim to know what the

1838

01:08:49,030 --> 01:08:46,719

[h__\h] going on it's kind of like

1839

01:08:49,829 --> 01:08:49,040

oh dude you probably shouldn't be doing

1840

01:08:51,910 --> 01:08:49,839

that

1841

01:08:53,590 --> 01:08:51,920

no i feel like i don't take any part in

1842

01:08:55,110 --> 01:08:53,600

that i feel like it's coming from a good

1843

01:08:56,149 --> 01:08:55,120

place but at the same time it seems kind

1844

01:08:58,229 --> 01:08:56,159

of cringy

1845

01:09:01,990 --> 01:08:58,239

but i can't stop well i can't look away

1846

01:09:03,829 --> 01:09:02,000

dude i can't stop watching it

1847

01:09:06,070 --> 01:09:03,839

i'm i'm sure there's like a million

1848

01:09:08,630 --> 01:09:06,080

other better things you could

1849

01:09:10,550 --> 01:09:08,640

you could you could watch yes yeah

1850

01:09:13,110 --> 01:09:10,560

pertaining to the same subject

1851
01:09:14,950 --> 01:09:13,120
yeah well if anybody knows of anything

1852
01:09:17,669 --> 01:09:14,960
better

1853
01:09:19,030 --> 01:09:17,679
hit me up they're gonna be like uh

1854
01:09:22,390 --> 01:09:19,040
that's your job buddy

1855
01:09:26,630 --> 01:09:25,590
oh man yeah well uh i'm about out of

1856
01:09:29,189 --> 01:09:26,640
stuff man just

1857
01:09:30,070 --> 01:09:29,199
wanted to get a a nice uh short and

1858
01:09:32,789 --> 01:09:30,080
sweet one

1859
01:09:33,189 --> 01:09:32,799
out tonight yeah dude um yeah that was

1860
01:09:36,309 --> 01:09:33,199
fun

1861
01:09:38,630 --> 01:09:36,319
days are coming up so holidays

1862
01:09:40,149 --> 01:09:38,640
get together sometime next week and just

1863
01:09:41,749 --> 01:09:40,159

bang one out real quick dude

1864

01:09:44,870 --> 01:09:41,759

so are we gonna do are we gonna do like

1865

01:09:46,950 --> 01:09:44,880

a christmas themed episode or what

1866

01:09:48,390 --> 01:09:46,960

like because we kind of already did one

1867

01:09:50,630 --> 01:09:48,400

with i really

1868

01:09:52,149 --> 01:09:50,640

wanted that for our podcast dude like

1869

01:09:53,510 --> 01:09:52,159

that was such a good episode with the

1870

01:09:58,070 --> 01:09:53,520

santa claus

1871

01:10:01,830 --> 01:10:00,830

we could uh we could do a mr hanky

1872

01:10:05,270 --> 01:10:01,840

episode oh

1873

01:10:08,550 --> 01:10:05,280

the legend of mr hanky yes

1874

01:10:14,950 --> 01:10:08,560

mr hanky the christmas poo

1875

01:10:21,510 --> 01:10:17,140

yeah there's more to the song

1876

01:10:23,750 --> 01:10:21,520

[Laughter]

1877

01:10:25,270 --> 01:10:23,760

dope yeah hell yeah man all right man

1878

01:10:28,470 --> 01:10:25,280

well that's that's it for me dude

1879

01:10:29,189 --> 01:10:28,480

yeah all right brother i'll uh i'll talk
