00:00:07,430 --> 00:00:06,950

[Music]

2
00:00:09,750 --> 00:00:07,440

boom

3
00:00:11,749 --> 00:00:09,760

back at it again with another episode of

4
00:00:13,910 --> 00:00:11,759

ufo garage

5
00:00:15,589 --> 00:00:13,920

i'm ben and i'm joe and this is where we

6
00:00:19,109 --> 00:00:15,599

talk about ufos

7
00:00:21,590 --> 00:00:19,119

aliens and all things weird oh yeah

8
00:00:24,070 --> 00:00:21,600

back in the studio dude oh yeah it feels

9
00:00:24,630 --> 00:00:24,080

so good doing it again man doing it

10
00:00:29,269 --> 00:00:24,640

again

11
00:00:35,990 --> 00:00:32,630

oh so what's up dude oh dude it's been

12
00:00:36,549 --> 00:00:36,000

a crazy couple of weeks man crazy couple

13
00:00:38,790 --> 00:00:36,559

of weeks

14

00:00:40,150 --> 00:00:38,800

lots happened in february too yeah

15

00:00:42,389 --> 00:00:40,160

february uh

16

00:00:43,590 --> 00:00:42,399

february was a little rough dude yeah

17

00:00:46,310 --> 00:00:43,600

definitely definitely

18

00:00:48,229 --> 00:00:46,320

the uh the the snowpocalypse we were

19

00:00:51,830 --> 00:00:48,239

left without uh

20

00:00:54,069 --> 00:00:51,840

electricity well heat really yeah like

21

00:00:55,270 --> 00:00:54,079

all the people around the united states

22

00:00:57,510 --> 00:00:55,280

that are used to cold like

23

00:00:58,709 --> 00:00:57,520

people from those cold states or you

24

00:01:01,590 --> 00:00:58,719

know areas

25

00:01:02,150 --> 00:01:01,600

are like oh texans are crying like i

26

00:01:05,990 --> 00:01:02,160

drove

27

00:01:07,190 --> 00:01:06,000

i walked 15 miles every day but no no

28

00:01:09,350 --> 00:01:07,200

you don't get it

29

00:01:10,630 --> 00:01:09,360

you did that but you had heat or a

30

00:01:12,710 --> 00:01:10,640

fireplace like

31

00:01:14,550 --> 00:01:12,720

i don't have a fireplace i don't have

32

00:01:16,230 --> 00:01:14,560

any of that we almost died

33

00:01:17,990 --> 00:01:16,240

man i know dude yeah it was pretty it

34

00:01:21,109 --> 00:01:18,000

was uh it was pretty gnarly

35

00:01:23,830 --> 00:01:21,119

the first couple days dude i was like

36

00:01:25,109 --> 00:01:23,840

i went out and like i helped pull people

37

00:01:27,830 --> 00:01:25,119

off the side of the road

38

00:01:28,310 --> 00:01:27,840

and like got him unstuck and and uh you

39

00:01:29,990 --> 00:01:28,320

know

40

00:01:31,590 --> 00:01:30,000

just just did what i could to kind of

41

00:01:33,910 --> 00:01:31,600

help out a little bit but then

42

00:01:35,990 --> 00:01:33,920

dude it just started getting so crazy

43

00:01:39,910 --> 00:01:36,000

then it was like it went from like this

44

00:01:40,789 --> 00:01:39,920

all cool fun snow to like compacted ice

45

00:01:43,749 --> 00:01:40,799

and then it just kept

46

00:01:44,469 --> 00:01:43,759

raining and like sleeting and it was

47

00:01:47,270 --> 00:01:44,479

just it was

48

00:01:48,389 --> 00:01:47,280

miserable dude [h__\h] super miserable

49

00:01:51,030 --> 00:01:48,399

yeah but uh

50

00:01:52,550 --> 00:01:51,040

all in all man i think what only a few

51

00:01:54,789 --> 00:01:52,560

people died so that's

52

00:01:56,389 --> 00:01:54,799

not terrible but the two people that

53

00:01:58,069 --> 00:01:56,399

died in the house fire

54

00:01:59,910 --> 00:01:58,079

live right down the street from me oh my

55

00:02:02,870 --> 00:01:59,920

gosh yeah and that nuts

56

00:02:03,190 --> 00:02:02,880

yeah i i i think they had tried to use

57

00:02:05,590 --> 00:02:03,200

their

58

00:02:06,310 --> 00:02:05,600

oven as a heater and it's somehow like

59

00:02:09,029 --> 00:02:06,320

that's not good

60

00:02:09,749 --> 00:02:09,039

gas and then something caught on fire i

61

00:02:11,510 --> 00:02:09,759

don't know

62

00:02:13,670 --> 00:02:11,520

all the details but yeah yeah my

63

00:02:15,110 --> 00:02:13,680

neighbor charles was like yeah

64

00:02:16,949 --> 00:02:15,120

it's super sad i've known those people

65

00:02:19,510 --> 00:02:16,959

for a really long time um

66

00:02:20,830 --> 00:02:19,520

yeah this is pretty intense well at

67

00:02:24,070 --> 00:02:20,840

least

68

00:02:28,150 --> 00:02:24,080

somebody never mind

69

00:02:28,160 --> 00:02:32,970

at least it was warm somewhere

70

00:02:37,990 --> 00:02:34,830

[Laughter]

71

00:02:41,509 --> 00:02:40,229

yeah dude i mean yeah it wasn't it

72

00:02:43,430 --> 00:02:41,519

wasn't cool

73

00:02:44,790 --> 00:02:43,440

at all it was it was a little rough but

74

00:02:47,589 --> 00:02:44,800

uh but all in all dude i think we

75

00:02:50,309 --> 00:02:47,599

survived we did a pretty good job i mean

76

00:02:51,670 --> 00:02:50,319

dude heb once again is like the savior

77

00:02:53,750 --> 00:02:51,680

like what are the three branches of

78

00:02:55,670 --> 00:02:53,760

government here in texas heb

79

00:02:57,190 --> 00:02:55,680

buckies and whataburger and they all did

80

00:02:58,470 --> 00:02:57,200

their part all three branches of

81

00:03:01,990 --> 00:02:58,480

government did their part

82

00:03:04,550 --> 00:03:02,000

now the real government uh [h__h] up bad

83

00:03:05,589 --> 00:03:04,560

right yeah when things go bad i mean of

84

00:03:08,229 --> 00:03:05,599

course i mean it was

85

00:03:09,670 --> 00:03:08,239

probably government involved so dude

86

00:03:11,509 --> 00:03:09,680

it's so funny that

87

00:03:13,430 --> 00:03:11,519

it's just crazy that the the amount of

88

00:03:15,830 --> 00:03:13,440

time it takes for them to

89

00:03:17,990 --> 00:03:15,840

them the government to to decide to

90

00:03:19,589 --> 00:03:18,000

enact something that has to do with

91

00:03:21,350 --> 00:03:19,599

impeaching a president or something they

92

00:03:24,390 --> 00:03:21,360

can make a decision like

93

00:03:26,229 --> 00:03:24,400

that immediately but when it comes to

94

00:03:28,949 --> 00:03:26,239

millions of people hundreds of thousands

95

00:03:30,550 --> 00:03:28,959

of people in texas and other states too

96

00:03:33,589 --> 00:03:30,560

we weren't the only state

97

00:03:34,710 --> 00:03:33,599

that are literally on the verge of

98

00:03:37,110 --> 00:03:34,720

starving

99

00:03:38,630 --> 00:03:37,120

and freezing to death and they can't

100

00:03:41,750 --> 00:03:38,640

decide you know what but

101
00:03:43,270 --> 00:03:41,760
but we can use that money but we could

102
00:03:43,589 --> 00:03:43,280
use that money for something else let's

103
00:03:46,630 --> 00:03:43,599
not

104
00:03:47,589 --> 00:03:46,640
be too hasty guys yeah yeah little a

105
00:03:49,670 --> 00:03:47,599
little strange

106
00:03:51,350 --> 00:03:49,680
yeah it's a good thing that most of us

107
00:03:53,110 --> 00:03:51,360
are pretty self-sufficient for the most

108
00:03:54,869 --> 00:03:53,120
part i mean yeah we did a good job man

109
00:03:56,630 --> 00:03:54,879
we all helped each other out we all gave

110
00:03:58,550 --> 00:03:56,640
each other water we all gave each other

111
00:03:58,949 --> 00:03:58,560
places to stay if we needed places to

112
00:04:00,470 --> 00:03:58,959
stay

113
00:04:02,550 --> 00:04:00,480

yeah for the most part dude we held it

114

00:04:04,149 --> 00:04:02,560

down yeah man at a time of crisis

115

00:04:05,750 --> 00:04:04,159

you were the first person to reach out

116

00:04:07,589 --> 00:04:05,760

and you were like hey are you all good

117

00:04:09,670 --> 00:04:07,599

if you need a place to stay we've you

118

00:04:12,789 --> 00:04:09,680

know i i don't know if you had

119

00:04:14,070 --> 00:04:12,799

uh water but you had power so dude i

120

00:04:14,869 --> 00:04:14,080

appreciate that man you're such a good

121

00:04:18,390 --> 00:04:14,879

guy

122

00:04:19,509 --> 00:04:18,400

there pulling people out of ditches and

123

00:04:21,430 --> 00:04:19,519

[h__\h] man

124

00:04:23,350 --> 00:04:21,440

i even let my parents stay with me for

125

00:04:27,430 --> 00:04:23,360

like three days

126

00:04:31,590 --> 00:04:29,590

i was like well i guess you uh you let

127

00:04:32,310 --> 00:04:31,600

me stay at your place for like 18 years

128

00:04:35,189 --> 00:04:32,320

so

129

00:04:36,150 --> 00:04:35,199

what's what's three days it was like

130

00:04:38,230 --> 00:04:36,160

what was hard though

131

00:04:39,189 --> 00:04:38,240

is that like at the time i still had

132

00:04:41,430 --> 00:04:39,199

power right

133

00:04:42,790 --> 00:04:41,440

i still had power and i was like yeah on

134

00:04:44,870 --> 00:04:42,800

come on whatever

135

00:04:46,390 --> 00:04:44,880

we'll just we'll just hang out layla as

136

00:04:49,110 --> 00:04:46,400

soon as they got to my house

137

00:04:49,749 --> 00:04:49,120

power shut out and i was like crisis

138

00:04:53,909 --> 00:04:49,759

mode

139

00:04:55,270 --> 00:04:53,919

no internet i have no means of just

140

00:04:57,270 --> 00:04:55,280

going and being

141

00:04:58,790 --> 00:04:57,280

by myself for a little bit like oh what

142

00:05:01,990 --> 00:04:58,800

am i gonna do

143

00:05:02,790 --> 00:05:02,000

and uh yeah like no space yeah so many

144

00:05:05,350 --> 00:05:02,800

questions

145

00:05:06,070 --> 00:05:05,360

yeah so many i mean i love my parents

146

00:05:08,550 --> 00:05:06,080

dad

147

00:05:09,189 --> 00:05:08,560

i love my mom yeah there's a lot of

148

00:05:10,950 --> 00:05:09,199

questions

149

00:05:12,550 --> 00:05:10,960

yeah i need to call her more all right

150

00:05:14,710 --> 00:05:12,560

well anyway

151

00:05:15,909 --> 00:05:14,720

but yeah like confined space yeah we

152

00:05:17,990 --> 00:05:15,919

were lucky enough to

153

00:05:19,510 --> 00:05:18,000

to have some uh you know looking them

154

00:05:21,510 --> 00:05:19,520

down the street like

155

00:05:22,870 --> 00:05:21,520

didn't have to drive too far because

156

00:05:24,790 --> 00:05:22,880

dude the ice

157

00:05:26,469 --> 00:05:24,800

the streets on the ice were crazy like

158

00:05:29,749 --> 00:05:26,479

trying to get up this uphill

159

00:05:32,950 --> 00:05:29,759

i uh tried to go uphill in that crv

160

00:05:35,189 --> 00:05:32,960

and i was sliding down the road because

161

00:05:36,550 --> 00:05:35,199

gravity and yeah no traction it was

162

00:05:40,550 --> 00:05:36,560

scary it did yeah

163

00:05:42,950 --> 00:05:40,560

uh yeah so yeah hey we got through it

164

00:05:44,390 --> 00:05:42,960

one one thing that i did was i i uh set

165

00:05:47,350 --> 00:05:44,400

up my solar panel

166

00:05:48,150 --> 00:05:47,360

with my uh my little lithium ion battery

167

00:05:49,909 --> 00:05:48,160

my 12 volt

168

00:05:52,390 --> 00:05:49,919

yeah so i was able to hook up my phone

169

00:05:54,950 --> 00:05:52,400

charger you know like a 9-volt uh or not

170

00:05:56,550 --> 00:05:54,960

a 12-volt like a car charger to it yeah

171

00:05:58,230 --> 00:05:56,560

so i was able to keep my phone charged

172

00:05:59,270 --> 00:05:58,240

that's what's up yeah i had to keep

173

00:06:02,230 --> 00:05:59,280

going out to my

174

00:06:02,950 --> 00:06:02,240

my truck and start it up and just

175

00:06:04,870 --> 00:06:02,960

charging

176

00:06:06,870 --> 00:06:04,880

everybody's phone and it's like all

177

00:06:08,629 --> 00:06:06,880

right this is like a three hour thing

178

00:06:10,469 --> 00:06:08,639

so this is like you had to space it out

179

00:06:12,870 --> 00:06:10,479

make sure you had enough gas

180

00:06:14,309 --> 00:06:12,880

to keep the vehicle running to even

181

00:06:17,590 --> 00:06:14,319

charge anything it just

182

00:06:20,629 --> 00:06:17,600

got down to like the wire yeah

183

00:06:21,510 --> 00:06:20,639

yeah it came down to like that point

184

00:06:24,550 --> 00:06:21,520

where you're like right

185

00:06:27,830 --> 00:06:24,560

oh [h__h] [h__h] man i i mean

186

00:06:31,110 --> 00:06:27,840

this is maybe an episode for uh you know

187

00:06:33,189 --> 00:06:31,120

what if tomorrow podcast but right i i

188

00:06:34,710 --> 00:06:33,199

i wanted to reach out to them but they

189

00:06:36,309 --> 00:06:34,720

were already kind of getting blown up so

190

00:06:38,790 --> 00:06:36,319

i just didn't want to like

191

00:06:40,150 --> 00:06:38,800

i don't know i have so many questions

192

00:06:40,710 --> 00:06:40,160

for those guys and i kind of just want

193

00:06:43,270 --> 00:06:40,720

to

194

00:06:45,189 --> 00:06:43,280

like get a pulse uh on on what they

195

00:06:47,029 --> 00:06:45,199

think about everything because they

196

00:06:48,870 --> 00:06:47,039

they that's what their podcast is about

197

00:06:49,909 --> 00:06:48,880

is these natural disasters that happen

198

00:06:52,870 --> 00:06:49,919

and nobody

199

00:06:53,990 --> 00:06:52,880

is prepared that's true yeah nobody knew

200

00:06:55,990 --> 00:06:54,000

what the [h__\h] to do

201
00:06:57,749 --> 00:06:56,000
man i saw something that apparently like

202
00:06:58,950 --> 00:06:57,759
over in the middle east they got a [h__h]

203
00:07:01,430 --> 00:06:58,960
load of snow too

204
00:07:02,230 --> 00:07:01,440
and like nobody was like showing it they

205
00:07:04,390 --> 00:07:02,240
were like snow

206
00:07:05,670 --> 00:07:04,400
and there's snow like all over like sand

207
00:07:08,629 --> 00:07:05,680
dunes yeah dude

208
00:07:09,670 --> 00:07:08,639
and like camels covered in snow man it's

209
00:07:14,710 --> 00:07:09,680
crazy

210
00:07:16,790 --> 00:07:14,720
manipulate the weather

211
00:07:18,070 --> 00:07:16,800
yeah you end up messing it up right

212
00:07:21,589 --> 00:07:18,080
darpa yeah

213
00:07:22,150 --> 00:07:21,599

so it it's no conspiracy-minded friends

214

00:07:25,029 --> 00:07:22,160

out there

215

00:07:26,629 --> 00:07:25,039

yeah so do you give that any credence do

216

00:07:29,749 --> 00:07:26,639

you think that was a

217

00:07:31,670 --> 00:07:29,759

could it possibly be a a foreign attack

218

00:07:33,670 --> 00:07:31,680

or maybe we attacked ourselves with this

219

00:07:34,710 --> 00:07:33,680

weather manipulation because this is

220

00:07:36,950 --> 00:07:34,720

unprecedented

221

00:07:37,909 --> 00:07:36,960

i mean yeah it's possible right we can

222

00:07:40,230 --> 00:07:37,919

immediately go to

223

00:07:41,270 --> 00:07:40,240

climate change which is fine i mean sure

224

00:07:43,270 --> 00:07:41,280

why not whatever

225

00:07:45,589 --> 00:07:43,280

but at the same time we have to also

226
00:07:46,469 --> 00:07:45,599
realize that we now have the technology

227
00:07:48,869 --> 00:07:46,479
to

228
00:07:50,710 --> 00:07:48,879
purposely manipulate weather and what

229
00:07:52,629 --> 00:07:50,720
happens when we purposely

230
00:07:55,029 --> 00:07:52,639
manipulate it whenever we want to right

231
00:07:57,270 --> 00:07:55,039
it's doing something that

232
00:07:58,869 --> 00:07:57,280
it wouldn't normally be doing so it's

233
00:08:01,189 --> 00:07:58,879
gotta reset itself

234
00:08:02,550 --> 00:08:01,199
somehow and if we continuously keep

235
00:08:05,510 --> 00:08:02,560
trying to mess with it

236
00:08:06,070 --> 00:08:05,520
um like i had heard that uh back when

237
00:08:09,350 --> 00:08:06,080
the

238
00:08:11,749 --> 00:08:09,360

this

239

00:08:13,350 --> 00:08:11,759

massive fire that was going on around

240

00:08:16,710 --> 00:08:13,360

the same time as

241

00:08:19,350 --> 00:08:16,720

like uh the the uh the amazon rainforest

242

00:08:20,950 --> 00:08:19,360

was happening okay and apparently they

243

00:08:23,270 --> 00:08:20,960

had

244

00:08:24,469 --> 00:08:23,280

manipulated the weather to where the jet

245

00:08:27,830 --> 00:08:24,479

stream would dip

246

00:08:31,270 --> 00:08:27,840

down and it would rain over

247

00:08:33,670 --> 00:08:31,280

over siberia to put out the fires

248

00:08:34,709 --> 00:08:33,680

what yeah and so that was a it's

249

00:08:37,029 --> 00:08:34,719

something that they so they

250

00:08:37,750 --> 00:08:37,039

there there's there's uh documents and

251

00:08:40,790 --> 00:08:37,760

evidence of

252

00:08:43,029 --> 00:08:40,800

of of that uh where did i hear

253

00:08:44,149 --> 00:08:43,039

it was on clyde lewis he was talking

254

00:08:46,310 --> 00:08:44,159

about it yeah

255

00:08:47,750 --> 00:08:46,320

lewis was talking about and then i know

256

00:08:50,310 --> 00:08:47,760

that like china

257

00:08:52,150 --> 00:08:50,320

i've seen actual like science articles

258

00:08:53,910 --> 00:08:52,160

that china has used weather

259

00:08:56,710 --> 00:08:53,920

weather machines to manipulate the

260

00:08:58,949 --> 00:08:56,720

weather to create rain in certain areas

261

00:09:00,630 --> 00:08:58,959

and china stops and things like that

262

00:09:02,790 --> 00:09:00,640

i've read that one too yeah so i mean

263

00:09:05,430 --> 00:09:02,800

we're specifically

264

00:09:05,829 --> 00:09:05,440

talking about weather manipulation yeah

265

00:09:09,750 --> 00:09:05,839

that

266

00:09:11,430 --> 00:09:09,760

is occurring right and also like

267

00:09:14,310 --> 00:09:11,440

the rainforest i think we talked about

268

00:09:16,790 --> 00:09:14,320

this why is the rainforest on fire

269

00:09:18,870 --> 00:09:16,800

if it rains constantly but for some

270

00:09:19,670 --> 00:09:18,880

reason the week that it was on fire it

271

00:09:21,350 --> 00:09:19,680

didn't rain

272

00:09:22,870 --> 00:09:21,360

right one time throughout the entire

273

00:09:24,710 --> 00:09:22,880

week i don't think so

274

00:09:25,910 --> 00:09:24,720

yeah that's not just something that

275

00:09:29,269 --> 00:09:25,920

happens that's

276

00:09:31,509 --> 00:09:29,279

that's like some big money call a friend

277

00:09:32,630 --> 00:09:31,519

uh make some [h__h] happen type of a

278

00:09:35,509 --> 00:09:32,640

scenario like

279

00:09:35,990 --> 00:09:35,519

right i wonder if in order to bring rain

280

00:09:37,670 --> 00:09:36,000

from one

281

00:09:39,269 --> 00:09:37,680

place to another you manipulate the

282

00:09:42,150 --> 00:09:39,279

climate in a way where

283

00:09:42,790 --> 00:09:42,160

it's it's if you take it from one place

284

00:09:45,269 --> 00:09:42,800

it it

285

00:09:47,110 --> 00:09:45,279

it then leaves that place without it's

286

00:09:48,550 --> 00:09:47,120

precipitation for that amount of time or

287

00:09:50,150 --> 00:09:48,560

whatever so it's like a give and take

288

00:09:50,470 --> 00:09:50,160

you really got to play chess with that

289

00:09:53,750 --> 00:09:50,480

yeah

290

00:09:55,829 --> 00:09:53,760

different let's

291

00:09:57,829 --> 00:09:55,839

just say that yeah [\h__\h] we're

292

00:09:58,710 --> 00:09:57,839

manipulating weather in that particular

293

00:10:01,750 --> 00:09:58,720

week we move

294

00:10:03,750 --> 00:10:01,760

some rain over over some highly invested

295

00:10:06,949 --> 00:10:03,760

crops that we're very invested in

296

00:10:07,750 --> 00:10:06,959

yeah overseas or whatever and then boom

297

00:10:10,949 --> 00:10:07,760

something

298

00:10:13,030 --> 00:10:10,959

you know a fire gets out of control and

299

00:10:15,509 --> 00:10:13,040

okay half the rainforest is gone man

300

00:10:17,990 --> 00:10:15,519

right right rain to put it out

301

00:10:19,590 --> 00:10:18,000

yeah it's a it's a little fishy it's

302

00:10:22,710 --> 00:10:19,600

definitely a little fishy

303

00:10:26,069 --> 00:10:22,720

uh but that's something that we're

304

00:10:28,150 --> 00:10:26,079

that we're capable of doing so it

305

00:10:29,990 --> 00:10:28,160

wouldn't i wouldn't put it past anybody

306

00:10:33,829 --> 00:10:30,000

but yeah do you think the new

307

00:10:35,910 --> 00:10:33,839

um denier uh strategy is gonna be

308

00:10:37,750 --> 00:10:35,920

not climate change denier because we can

309

00:10:39,910 --> 00:10:37,760

all agree by now that the climate

310

00:10:41,590 --> 00:10:39,920

is changing it's a little different

311

00:10:44,230 --> 00:10:41,600

right right

312

00:10:44,790 --> 00:10:44,240

uh is do you think the new denier is

313

00:10:48,630 --> 00:10:44,800

gonna be

314

00:10:51,350 --> 00:10:48,640

climate control denier probably

315

00:10:53,910 --> 00:10:51,360

probably yeah um do we even have to look

316

00:10:56,389 --> 00:10:53,920

at things like a pole shift i mean if

317

00:10:59,110 --> 00:10:56,399

the magnetics of the planet are shifting

318

00:11:01,590 --> 00:10:59,120

yeah at a way faster rate than they had

319

00:11:03,430 --> 00:11:01,600

originally thought that it was shifting

320

00:11:04,150 --> 00:11:03,440

that's also going to throw weather and

321

00:11:07,430 --> 00:11:04,160

stuff

322

00:11:08,069 --> 00:11:07,440

in like out of whack right in a big big

323

00:11:10,949 --> 00:11:08,079

way

324

00:11:12,310 --> 00:11:10,959

so yeah like we could talk about climate

325

00:11:14,230 --> 00:11:12,320

change all day long

326

00:11:16,389 --> 00:11:14,240

and i don't have a problem with that but

327

00:11:19,910 --> 00:11:16,399

we also have to be talking about these

328

00:11:21,829 --> 00:11:19,920

other forms of uh you know

329

00:11:23,030 --> 00:11:21,839

other things that are happening with the

330

00:11:26,150 --> 00:11:23,040

planet and how

331

00:11:29,509 --> 00:11:26,160

we're specifically not we as in like me

332

00:11:31,190 --> 00:11:29,519

you everybody listening except for those

333

00:11:32,790 --> 00:11:31,200

you know highly ranked people that are

334

00:11:34,550 --> 00:11:32,800

in the government that love listening to

335

00:11:38,069 --> 00:11:34,560

us

336

00:11:41,110 --> 00:11:38,079

anything

337

00:11:45,910 --> 00:11:41,120

again it's those people you know that

338

00:11:49,990 --> 00:11:48,230

totally twisting knobs and playing yeah

339

00:11:50,550 --> 00:11:50,000

like all right we're gonna make it rain

340

00:11:52,389 --> 00:11:50,560

today

341

00:11:53,990 --> 00:11:52,399

all right ben and joe who are we gonna

342

00:11:56,310 --> 00:11:54,000

give this this uh

343

00:11:57,269 --> 00:11:56,320

all this power and authority too all

344

00:11:59,670 --> 00:11:57,279

right guys i know

345

00:12:02,230 --> 00:11:59,680

i know just the guys to get to give this

346

00:12:04,389 --> 00:12:02,240

power to

347

00:12:06,710 --> 00:12:04,399

but it's like it's like an analog thing

348

00:12:18,790 --> 00:12:06,720

it's not a screen or anything's fancy

349

00:12:23,509 --> 00:12:20,710

yeah yeah no if i was in charge of the

350

00:12:25,430 --> 00:12:23,519

knobs it would never snow here

351
00:12:26,550 --> 00:12:25,440
i would make sure i have to travel to go

352
00:12:29,430 --> 00:12:26,560
see snow dude

353
00:12:29,990 --> 00:12:29,440
i would i would make it 75 degrees tops

354
00:12:33,190 --> 00:12:30,000
i was

355
00:12:35,670 --> 00:12:33,200
so sick of seeing the snow

356
00:12:36,870 --> 00:12:35,680
dude in my yard [h__h] it would pick

357
00:12:39,110 --> 00:12:36,880
piss me off

358
00:12:41,590 --> 00:12:39,120
yeah i was like i walked outside with my

359
00:12:44,470 --> 00:12:41,600
shotgun it was like get off my lawn

360
00:12:46,069 --> 00:12:44,480
and i shot the ground and the snow was

361
00:12:46,550 --> 00:12:46,079
still there for like two days i was

362
00:12:49,750 --> 00:12:46,560
pissed

363
00:12:51,430 --> 00:12:49,760

dude yeah the uh the icicles were insane

364

00:12:53,269 --> 00:12:51,440

i got some photos of some icicles that

365

00:12:54,550 --> 00:12:53,279

were like four feet long

366

00:12:56,470 --> 00:12:54,560

yeah you look like some [h__h] that's

367

00:12:59,990 --> 00:12:56,480

hanging out of a cave yeah yeah

368

00:13:04,069 --> 00:13:00,000

some stalactites dude stalagmite

369

00:13:08,310 --> 00:13:04,079

might uh uh break break up break one off

370

00:13:09,509 --> 00:13:08,320

that's right is so yeah that's what's up

371

00:13:11,750 --> 00:13:09,519

and how about all those videos that

372

00:13:13,509 --> 00:13:11,760

surfaced of people like trying to burn

373

00:13:15,430 --> 00:13:13,519

balls of snow saying that the snow is

374

00:13:17,110 --> 00:13:15,440

fake oh [h__h] did you see that

375

00:13:18,629 --> 00:13:17,120

well they've turned into plastic or

376

00:13:19,509 --> 00:13:18,639

whatever yeah yeah i've seen some of

377

00:13:22,389 --> 00:13:19,519

that stuff

378

00:13:24,710 --> 00:13:22,399

okay so we know that that's like just

379

00:13:25,269 --> 00:13:24,720

the soot build up from the butane right

380

00:13:27,350 --> 00:13:25,279

like that's

381

00:13:28,870 --> 00:13:27,360

yeah it's not actually i mean sure there

382

00:13:31,430 --> 00:13:28,880

might be micro plastics

383

00:13:33,590 --> 00:13:31,440

like there is in everything now yeah for

384

00:13:34,470 --> 00:13:33,600

sure because humans are dumb and we use

385

00:13:36,230 --> 00:13:34,480

a lot of plastic

386

00:13:38,150 --> 00:13:36,240

dude isn't it crazy oh well i don't know

387

00:13:38,389 --> 00:13:38,160

if you guys had to do this but i did and

388

00:13:45,910 --> 00:13:38,399

i

389

00:13:48,550 --> 00:13:45,920

large amount of snow

390

00:13:49,110 --> 00:13:48,560

to flush your toilet one time it's

391

00:13:51,030 --> 00:13:49,120

insane

392

00:13:52,710 --> 00:13:51,040

did you have to pack the back of your

393

00:13:55,269 --> 00:13:52,720

toilet with it no dude like

394

00:13:58,150 --> 00:13:55,279

i was just outside with pots all day

395

00:13:59,590 --> 00:13:58,160

long scooping snow with shovels and pots

396

00:14:01,189 --> 00:13:59,600

and then we were melting them on the

397

00:14:02,710 --> 00:14:01,199

stove because we had gas

398

00:14:04,470 --> 00:14:02,720

and then we'd take the water and we

399

00:14:07,350 --> 00:14:04,480

would just fill the toilets yeah

400

00:14:07,829 --> 00:14:07,360

and then we filled up the bathtub yup

401
00:14:10,629 --> 00:14:07,839

just

402
00:14:10,949 --> 00:14:10,639

for our [h__\h] baths and things like that

403
00:14:13,269 --> 00:14:10,959

and

404
00:14:14,790 --> 00:14:13,279

it was just dude it was just miserable

405
00:14:17,829 --> 00:14:14,800

dude

406
00:14:20,550 --> 00:14:17,839

the psychological uh

407
00:14:22,389 --> 00:14:20,560

impact that it has on you to like not be

408
00:14:26,069 --> 00:14:22,399

able to take a shower

409
00:14:28,069 --> 00:14:26,079

but having a shower right there is like

410
00:14:29,509 --> 00:14:28,079

mind-boggling like i can understand like

411
00:14:29,990 --> 00:14:29,519

i know people out there are probably yo

412
00:14:31,350 --> 00:14:30,000

those people

413
00:14:33,030 --> 00:14:31,360

all over the world don't even have

414

00:14:34,949 --> 00:14:33,040

showers right yeah but they know that

415

00:14:36,389 --> 00:14:34,959

they don't have showers

416

00:14:38,310 --> 00:14:36,399

and they're not looking at they're not

417

00:14:39,990 --> 00:14:38,320

looking at a shower thinking god i wish

418

00:14:42,710 --> 00:14:40,000

i had a shower they're like

419

00:14:44,310 --> 00:14:42,720

yeah i don't have a shower or like maybe

420

00:14:45,430 --> 00:14:44,320

i'll find a lake or a river somewhere

421

00:14:47,189 --> 00:14:45,440

right you know but like

422

00:14:49,670 --> 00:14:47,199

no when you're like staring at a shower

423

00:14:51,509 --> 00:14:49,680

and you're like i can't use it i can't

424

00:14:52,949 --> 00:14:51,519

you can just it used to be so easy you

425

00:14:53,910 --> 00:14:52,959

just do this thing with your wrist and

426

00:14:56,550 --> 00:14:53,920

you just

427

00:14:58,230 --> 00:14:56,560

you turn the knob and it works yeah how

428

00:15:00,230 --> 00:14:58,240

many times do you walk past your kitchen

429

00:15:02,310 --> 00:15:00,240

sink and try to flip the knob on it like

430

00:15:04,710 --> 00:15:02,320

not think about it way too many times

431

00:15:06,550 --> 00:15:04,720

wait dude that during that whole time i

432

00:15:09,269 --> 00:15:06,560

would wake up around like 10

433

00:15:10,230 --> 00:15:09,279

and then try to go to sleep by like 7. i

434

00:15:12,949 --> 00:15:10,240

was so over

435

00:15:13,910 --> 00:15:12,959

[h__h] like it was ridiculous yeah we just

436

00:15:16,949 --> 00:15:13,920

we just drank a

437

00:15:17,990 --> 00:15:16,959

[h__h] ton of wine yeah i was pretty much

438

00:15:21,030 --> 00:15:18,000

like

439

00:15:23,189 --> 00:15:21,040

there's nothing else to do yeah yeah uh

440

00:15:25,350 --> 00:15:23,199

anyway yeah so oh i wanted to read this

441

00:15:28,629 --> 00:15:25,360

text that my dad sent me

442

00:15:31,110 --> 00:15:28,639

uh it says around 1955 my grandparents

443

00:15:33,430 --> 00:15:31,120

lived in the country near moody texas

444

00:15:34,389 --> 00:15:33,440

no running water in the house and the

445

00:15:37,030 --> 00:15:34,399

bathroom

446

00:15:39,350 --> 00:15:37,040

in quotes was an outhouse located in the

447

00:15:40,710 --> 00:15:39,360

corner of the backyard about 30 yards

448

00:15:43,110 --> 00:15:40,720

from the back door

449

00:15:45,350 --> 00:15:43,120

water supply was a hand dug water well

450

00:15:47,910 --> 00:15:45,360

just a few steps from the house

451
00:15:48,550 --> 00:15:47,920
for baths they'd bring in a metal wash

452
00:15:50,230 --> 00:15:48,560
tub

453
00:15:52,790 --> 00:15:50,240
place it in the kitchen and then fill it

454
00:15:54,389 --> 00:15:52,800
with hot water heated from the stove

455
00:15:56,230 --> 00:15:54,399
everyone that wanted a bath shared the

456
00:15:58,710 --> 00:15:56,240
same bathwater their house got

457
00:16:00,550 --> 00:15:58,720
electricity around 1940 but did not get

458
00:16:03,509 --> 00:16:00,560
running water piped into the house until

459
00:16:03,990 --> 00:16:03,519
1957. my grandfather told my dad that

460
00:16:07,350 --> 00:16:04,000
he'd

461
00:16:08,950 --> 00:16:07,360
in quotes never did get rid never did

462
00:16:11,110 --> 00:16:08,960
get used to [h__h] in the house

463
00:16:12,629 --> 00:16:11,120

[Laughter]

464

00:16:15,269 --> 00:16:12,639

you never did get used to [h__h] in

465

00:16:16,710 --> 00:16:15,279

the house yes dude that is so funny

466

00:16:18,629 --> 00:16:16,720

and it just goes to show you i mean it's

467

00:16:22,310 --> 00:16:18,639

like the 50s

468

00:16:22,870 --> 00:16:22,320

that's when like things started becoming

469

00:16:25,110 --> 00:16:22,880

cool

470

00:16:26,389 --> 00:16:25,120

and convenient right and then we look at

471

00:16:27,670 --> 00:16:26,399

it now and it's like

472

00:16:29,430 --> 00:16:27,680

yeah it really put things into

473

00:16:31,269 --> 00:16:29,440

perspective on how how like

474

00:16:32,550 --> 00:16:31,279

it wasn't that long long ago dude 70

475

00:16:34,949 --> 00:16:32,560

years yeah not at all

476

00:16:37,350 --> 00:16:34,959

not at all like how privileged we are

477

00:16:38,790 --> 00:16:37,360

right you know i i recently read a fact

478

00:16:41,749 --> 00:16:38,800

that uh

479

00:16:42,710 --> 00:16:41,759

at the same time that pioneer i pressed

480

00:16:45,590 --> 00:16:42,720

the space bar

481

00:16:46,389 --> 00:16:45,600

uh at the same time pioneers were headed

482

00:16:50,629 --> 00:16:46,399

out west

483

00:16:53,509 --> 00:16:50,639

to like go to california and all that um

484

00:16:54,150 --> 00:16:53,519

the that same year was like 1880

485

00:16:55,829 --> 00:16:54,160

something

486

00:16:58,790 --> 00:16:55,839

that that's the same year that the fax

487

00:17:00,790 --> 00:16:58,800

machine was invented

488

00:17:01,910 --> 00:17:00,800

what this is yeah dude i mean i can look

489

00:17:05,909 --> 00:17:01,920

it up and actually give you

490

00:17:09,350 --> 00:17:05,919

hold on the fax machine the fax machine

491

00:17:13,669 --> 00:17:09,360

was invented

492

00:17:16,829 --> 00:17:13,679

in alexander bain in 1843

493

00:17:18,470 --> 00:17:16,839

uh what the hell yeah isn't that kind of

494

00:17:22,630 --> 00:17:18,480

weird did

495

00:17:25,829 --> 00:17:22,640

we uh move out west pioneers

496

00:17:29,350 --> 00:17:25,839

pioneers i can totally spell

497

00:17:32,230 --> 00:17:29,360

pineapple pineapples 1843 1843

498

00:17:34,230 --> 00:17:32,240

so crap yeah with the same year

499

00:17:37,110 --> 00:17:34,240

alexander bain created the

500

00:17:38,070 --> 00:17:37,120

electric printing telegraph basically a

501
00:17:41,750 --> 00:17:38,080
fax machine

502
00:17:43,110 --> 00:17:41,760
yes yes uh we were those little sheets

503
00:17:44,070 --> 00:17:43,120
of paper those skinny little sheets of

504
00:17:46,789 --> 00:17:44,080
paper would come out

505
00:17:49,510 --> 00:17:46,799
yeah dude i mean not not like the 80s

506
00:17:52,070 --> 00:17:49,520
fax machine but basically the technology

507
00:17:53,110 --> 00:17:52,080
for the yeah yeah okay but that's the

508
00:17:56,230 --> 00:17:53,120
same year that

509
00:18:01,029 --> 00:17:56,240
people went out with in wagons

510
00:18:02,710 --> 00:18:01,039
to go yeah some gold get some gold

511
00:18:04,230 --> 00:18:02,720
but yeah i thought that was pretty yeah

512
00:18:07,669 --> 00:18:04,240
that's very uh recent

513
00:18:10,310 --> 00:18:07,679

time time uh uh disillusion

514

00:18:10,950 --> 00:18:10,320

like your disillusion of time like those

515

00:18:12,950 --> 00:18:10,960

two don't

516

00:18:14,230 --> 00:18:12,960

make sense at this they shouldn't they

517

00:18:16,150 --> 00:18:14,240

makes sense yeah

518

00:18:17,270 --> 00:18:16,160

another one is that marilyn monroe is

519

00:18:20,310 --> 00:18:17,280

the same age as the

520

00:18:22,150 --> 00:18:20,320

as queen elizabeth oh [h__h] yeah yeah

521

00:18:24,070 --> 00:18:22,160

yeah is it the third i don't know it's

522

00:18:25,510 --> 00:18:24,080

one of those uh

523

00:18:27,350 --> 00:18:25,520

yeah that's pretty that's pretty [h__h]

524

00:18:30,390 --> 00:18:27,360

nuts but yeah dude

525

00:18:33,430 --> 00:18:30,400

so electricity is cool we all know that

526

00:18:37,110 --> 00:18:33,440

yeah electricity is [\h__\h] cool uh

527

00:18:39,909 --> 00:18:37,120

1950s and then 1957 ufos crash

528

00:18:41,990 --> 00:18:39,919

and oh uh so i guess we did have

529

00:18:43,350 --> 00:18:42,000

electricity and stuff but i don't know

530

00:18:45,909 --> 00:18:43,360

i'm trying to like bring it back into

531

00:18:51,430 --> 00:18:49,590

it's all connected it's all connected um

532

00:18:53,029 --> 00:18:51,440

well yeah dude that was that was a

533

00:18:54,950 --> 00:18:53,039

trying time

534

00:18:56,310 --> 00:18:54,960

for all of us the psychological aspect

535

00:18:58,789 --> 00:18:56,320

like you said it was

536

00:19:00,230 --> 00:18:58,799

[\h__\h] man dude i also wonder about like

537

00:19:04,390 --> 00:19:00,240

whenever people are like

538

00:19:06,549 --> 00:19:04,400

uh they're like uh

539

00:19:07,669 --> 00:19:06,559

yo like you always hear people like

540

00:19:10,070 --> 00:19:07,679

yelling and

541

00:19:11,190 --> 00:19:10,080

they'll be like uh how do you not

542

00:19:13,350 --> 00:19:11,200

believe this

543

00:19:15,270 --> 00:19:13,360

this is the coldest time in recorded

544

00:19:17,029 --> 00:19:15,280

history

545

00:19:18,710 --> 00:19:17,039

can maybe you can google this when did

546

00:19:20,390 --> 00:19:18,720

we start recording it

547

00:19:21,830 --> 00:19:20,400

like like when did we start recording i

548

00:19:23,430 --> 00:19:21,840

mean is it like start recording the

549

00:19:24,950 --> 00:19:23,440

weather yeah we start recording that

550

00:19:26,310 --> 00:19:24,960

[h__h] like a hundred years ago because if

551
00:19:26,710 --> 00:19:26,320
that's the case it's not really that

552
00:19:28,390 --> 00:19:26,720
long

553
00:19:30,310 --> 00:19:28,400
that's true and it's like i mean it

554
00:19:31,110 --> 00:19:30,320
could have been this cold like 110 years

555
00:19:34,390 --> 00:19:31,120
ago

556
00:19:36,950 --> 00:19:34,400
uh it says 1880 1880 was uh

557
00:19:39,590 --> 00:19:36,960
the modern global record keeping at

558
00:19:41,590 --> 00:19:39,600
roughly 137 years ago in 1880

559
00:19:44,230 --> 00:19:41,600
that's because earlier available climate

560
00:19:45,990 --> 00:19:44,240
data doesn't cover enough of the planet

561
00:19:46,710 --> 00:19:46,000
to get an actual reading according to

562
00:19:49,750 --> 00:19:46,720
nasa

563
00:19:50,630 --> 00:19:49,760

so dude that's not that long ago yeah so

564

00:19:53,190 --> 00:19:50,640

we talk about

565

00:19:54,710 --> 00:19:53,200

this is the hottest or coldest time in

566

00:19:57,510 --> 00:19:54,720

recorded history i mean

567

00:19:59,510 --> 00:19:57,520

we're talking like the 1880s and even

568

00:20:00,230 --> 00:19:59,520

then that information is probably you

569

00:20:01,909 --> 00:20:00,240

know like

570

00:20:04,149 --> 00:20:01,919

it's probably good information but it's

571

00:20:07,029 --> 00:20:04,159

not like worldwide

572

00:20:08,310 --> 00:20:07,039

yeah uh connected type of information

573

00:20:11,830 --> 00:20:08,320

right yeah

574

00:20:14,549 --> 00:20:11,840

so the hottest climate ever

575

00:20:15,990 --> 00:20:14,559

in recorded history like it's a late

576
00:20:19,350 --> 00:20:16,000
night commercial

577
00:20:21,669 --> 00:20:19,360
call us now i'm joe

578
00:20:23,830 --> 00:20:21,679
and i'm ben and we're here to record

579
00:20:26,630 --> 00:20:23,840
your weather

580
00:20:28,230 --> 00:20:26,640
call in for your climate update now we

581
00:20:34,549 --> 00:20:28,240
can tell you how wet

582
00:20:38,549 --> 00:20:34,559
or how hot things are gonna get so dry

583
00:20:43,430 --> 00:20:38,559
yeah show me your weather

584
00:20:46,149 --> 00:20:43,440
baby call now

585
00:20:46,789 --> 00:20:46,159
yeah all right so yeah snowpocalypse

586
00:20:48,470 --> 00:20:46,799
that happened

587
00:20:50,149 --> 00:20:48,480
glad we're out of it and we have

588
00:20:51,430 --> 00:20:50,159

electricity now yeah dude do you have a

589

00:20:56,230 --> 00:20:51,440

good wiener christmas

590

00:20:59,029 --> 00:20:56,240

uh that's that's valentine's day

591

00:21:00,070 --> 00:20:59,039

it's wiener christmas dude i did that's

592

00:21:01,909 --> 00:21:00,080

awesome

593

00:21:03,750 --> 00:21:01,919

i did have a good wiener christmas i

594

00:21:07,350 --> 00:21:03,760

bought i bought jess and i some

595

00:21:10,950 --> 00:21:07,360

uh some scratch-offs uh i bought i got

596

00:21:13,190 --> 00:21:10,960

uh i won 20 bucks and just won 10.

597

00:21:16,070 --> 00:21:13,200

nice that's pretty good we got oh i

598

00:21:18,390 --> 00:21:16,080

spent 10 bucks on each um

599

00:21:19,270 --> 00:21:18,400

so i got i got 10 bucks i made 10 bucks

600

00:21:22,149 --> 00:21:19,280

i made 10 bucks

601
00:21:26,149 --> 00:21:22,159
[h__h] so that's pretty cool it's just

602
00:21:32,070 --> 00:21:29,430
yeah the lottery all that stuff is so

603
00:21:32,630 --> 00:21:32,080
strange dude like you know the odds

604
00:21:35,750 --> 00:21:32,640
right

605
00:21:37,909 --> 00:21:35,760
uh yeah if you if you go

606
00:21:38,789 --> 00:21:37,919
like and you're looking at them on the

607
00:21:41,270 --> 00:21:38,799
the display

608
00:21:42,390 --> 00:21:41,280
ones that they have on the case it'll

609
00:21:44,549 --> 00:21:42,400
tell you the odds

610
00:21:46,230 --> 00:21:44,559
on the on the card yeah yeah it's

611
00:21:47,669 --> 00:21:46,240
usually it's insane i don't know why

612
00:21:48,070 --> 00:21:47,679
people still do it i just thought it was

613
00:21:51,350 --> 00:21:48,080

a fun

614

00:21:54,390 --> 00:21:51,360

it pays for schools does it really

615

00:21:56,789 --> 00:21:54,400

are you sure yeah it's an education fund

616

00:21:58,070 --> 00:21:56,799

for uh even scratch-offs yeah really

617

00:22:01,750 --> 00:21:58,080

yeah the texas lottery

618

00:22:03,190 --> 00:22:01,760

is is like put into the education fund

619

00:22:04,789 --> 00:22:03,200

so if anything more people need to

620

00:22:08,630 --> 00:22:04,799

probably be playing the lottery

621

00:22:11,669 --> 00:22:08,640

right now stop the podcast and go now

622

00:22:12,789 --> 00:22:11,679

oh dude well yeah man uh yeah february

623

00:22:16,070 --> 00:22:12,799

was pretty nuts

624

00:22:19,350 --> 00:22:16,080

uh uh winter christmas was awesome

625

00:22:22,470 --> 00:22:19,360

the the snowpocalypse we're at the

626

00:22:25,190 --> 00:22:22,480

tail end of february going into

627

00:22:25,590 --> 00:22:25,200

into march so yeah yeah marching into

628

00:22:27,510 --> 00:22:25,600

march

629

00:22:29,350 --> 00:22:27,520

i'm i'm ready to go on ahead and uh

630

00:22:32,390 --> 00:22:29,360

let's get past this i mean like

631

00:22:35,190 --> 00:22:32,400

it hasn't been a very good start to 2021

632

00:22:35,510 --> 00:22:35,200

you know yeah it's like holy crap yeah

633

00:22:36,950 --> 00:22:35,520

yeah

634

00:22:39,110 --> 00:22:36,960

it's just the residuals like just

635

00:22:40,710 --> 00:22:39,120

washing off you know 20 20. so

636

00:22:42,390 --> 00:22:40,720

let's hope that this next month is gonna

637

00:22:43,909 --> 00:22:42,400

be even more awesome

638

00:22:46,390 --> 00:22:43,919

but i tell you one thing that's pretty

639

00:22:50,149 --> 00:22:46,400

crazy is uh those pilots

640

00:22:52,630 --> 00:22:50,159

that had the uh the american airlines

641

00:22:54,630 --> 00:22:52,640

american airlines pilots yeah yeah man

642

00:22:57,750 --> 00:22:54,640

can you imagine uh

643

00:23:01,350 --> 00:22:57,760

what that was probably like uh i

644

00:23:02,710 --> 00:23:01,360

feel like the that scenario has been

645

00:23:05,990 --> 00:23:02,720

kind of

646

00:23:07,669 --> 00:23:06,000

either recreated digitally with

647

00:23:09,350 --> 00:23:07,679

uh like ancient aliens or something like

648

00:23:12,470 --> 00:23:09,360

that like that's that's such a

649

00:23:14,149 --> 00:23:12,480

a common thing yeah for airline uh

650

00:23:16,950 --> 00:23:14,159

pilots to see

651
00:23:17,830 --> 00:23:16,960
uh flying objects in the sky strange

652
00:23:20,070 --> 00:23:17,840
lights

653
00:23:21,190 --> 00:23:20,080
uh so this isn't anything new people

654
00:23:24,390 --> 00:23:21,200
this stuff happens

655
00:23:27,510 --> 00:23:24,400
all the time so why was this one

656
00:23:30,549 --> 00:23:27,520
in particular such a big deal right yeah

657
00:23:32,630 --> 00:23:30,559
i don't know i also so well

658
00:23:34,230 --> 00:23:32,640
let's let's back up and tell the people

659
00:23:36,789 --> 00:23:34,240
how we even knew about this

660
00:23:37,669 --> 00:23:36,799
okay yeah so sunday night we get an

661
00:23:41,110 --> 00:23:37,679
email from

662
00:23:43,750 --> 00:23:41,120
our buddy jim goodall with this mp3

663
00:23:44,630 --> 00:23:43,760

you know this uh audio file he's he's

664

00:23:47,110 --> 00:23:44,640

like hey gentlemen

665

00:23:47,990 --> 00:23:47,120

i just got this from a a buddy his

666

00:23:49,510 --> 00:23:48,000

name's uh

667

00:23:51,750 --> 00:23:49,520

actually steve douglas he said it was

668

00:23:53,590 --> 00:23:51,760

cool to say his name but uh he

669

00:23:55,669 --> 00:23:53,600

he's one of the original interceptors

670

00:23:58,230 --> 00:23:55,679

with with jim goodall they they

671

00:23:59,110 --> 00:23:58,240

uh have snuck into area 51 a bunch of

672

00:24:01,909 --> 00:23:59,120

times like

673

00:24:04,630 --> 00:24:01,919

jim goodall's a uh aircraft a military

674

00:24:07,350 --> 00:24:04,640

aircraft historian been doing it forever

675

00:24:07,830 --> 00:24:07,360

uh he's kind of in the know and he has a

676

00:24:09,990 --> 00:24:07,840

little

677

00:24:11,430 --> 00:24:10,000

some connections in this guy steve

678

00:24:13,190 --> 00:24:11,440

douglas he sits

679

00:24:14,630 --> 00:24:13,200

he has all this equipment like antennas

680

00:24:18,390 --> 00:24:14,640

and he's constantly looking

681

00:24:20,950 --> 00:24:18,400

for uh i think he jim said that he has

682

00:24:23,830 --> 00:24:20,960

some type of technology that

683

00:24:24,710 --> 00:24:23,840

looks for search terms or can uh can

684

00:24:26,789 --> 00:24:24,720

listen to

685

00:24:29,350 --> 00:24:26,799

radio frequencies or whatever the ffa

686

00:24:31,029 --> 00:24:29,360

stuff and he they can find ufo like the

687

00:24:33,590 --> 00:24:31,039

word ufo and it's

688

00:24:34,630 --> 00:24:33,600

it starts to record or maybe it backs up

689

00:24:37,669 --> 00:24:34,640

a couple of minutes and

690

00:24:39,830 --> 00:24:37,679

it starts to record so he got like a

691

00:24:41,990 --> 00:24:39,840

like a whole hour worth of this

692

00:24:43,750 --> 00:24:42,000

recording what you hear on the news

693

00:24:45,590 --> 00:24:43,760

is only a few seconds of it most of it

694

00:24:47,110 --> 00:24:45,600

is like regular radio chatter

695

00:24:49,669 --> 00:24:47,120

a lot of people are saying oh it was

696

00:24:52,149 --> 00:24:49,679

edited but if you if you listen in

697

00:24:53,190 --> 00:24:52,159

uh apparently the the full one he sent

698

00:24:56,950 --> 00:24:53,200

the full one to

699

00:24:58,870 --> 00:24:56,960

uh uh the ffa faa to get it confirmed

700

00:25:00,390 --> 00:24:58,880

uh and a few other people but yeah it's

701
00:25:04,390 --> 00:25:00,400

legit

702
00:25:07,269 --> 00:25:04,400

where we got that uh

703
00:25:07,750 --> 00:25:07,279

that audio file and then like monday

704
00:25:10,630 --> 00:25:07,760

yeah

705
00:25:11,909 --> 00:25:10,640

next day it was huge it like blew up it

706
00:25:14,789 --> 00:25:11,919

was all over the news

707
00:25:15,350 --> 00:25:14,799

and i was like wow i should have posted

708
00:25:18,390 --> 00:25:15,360

this

709
00:25:19,830 --> 00:25:18,400

we should have [\h__\h] jumped on it man

710
00:25:21,350 --> 00:25:19,840

there's a few things that we've gotten

711
00:25:22,789 --> 00:25:21,360

that like we just kind of be like oh

712
00:25:24,630 --> 00:25:22,799

look at this this is cool

713
00:25:26,310 --> 00:25:24,640

and then the next day it's like major

714

00:25:32,630 --> 00:25:26,320

news and we're like

715

00:25:37,350 --> 00:25:35,269

but yeah i mean dude it's just uh yeah

716

00:25:40,549 --> 00:25:37,360

it was pretty cool

717

00:25:42,710 --> 00:25:40,559

now coming back to why was this

718

00:25:44,870 --> 00:25:42,720

particular sighting

719

00:25:46,310 --> 00:25:44,880

so much more important than the hundreds

720

00:25:50,230 --> 00:25:46,320

of other ones that

721

00:25:53,110 --> 00:25:50,240

happen every year yeah so i i feel like

722

00:25:55,590 --> 00:25:53,120

uh one way you can look at it is that

723

00:25:58,630 --> 00:25:55,600

this topic is just kind of

724

00:26:02,390 --> 00:25:58,640

yeah the stigma's gone i think after the

725

00:26:06,789 --> 00:26:02,400

ttsa stuff uh the the tic tac stuff

726

00:26:09,909 --> 00:26:06,799

uh the cia releasing these documents in

727

00:26:11,110 --> 00:26:09,919

the 100 180 days all that it's just a

728

00:26:12,710 --> 00:26:11,120

part of culture now and it's more

729

00:26:14,470 --> 00:26:12,720

accepted and i feel like they're

730

00:26:16,230 --> 00:26:14,480

like these companies are going to be a

731

00:26:18,310 --> 00:26:16,240

lot more lenient on

732

00:26:20,390 --> 00:26:18,320

the the reporting of these ufos i think

733

00:26:20,710 --> 00:26:20,400

this is the first kind of step forward

734

00:26:22,630 --> 00:26:20,720

for

735

00:26:23,990 --> 00:26:22,640

airline pilots which is a great thing i

736

00:26:27,350 --> 00:26:24,000

think yeah yeah

737

00:26:30,630 --> 00:26:27,360

we've opened up the military uh to

738

00:26:31,510 --> 00:26:30,640

like hey see something you say something

739

00:26:34,870 --> 00:26:31,520

right now

740

00:26:37,669 --> 00:26:34,880

we're moving into this accepted uh

741

00:26:38,070 --> 00:26:37,679

just commercial airline industries yeah

742

00:26:40,630 --> 00:26:38,080

uh

743

00:26:41,190 --> 00:26:40,640

hey you guys should say something right

744

00:26:44,230 --> 00:26:41,200

and so

745

00:26:47,269 --> 00:26:44,240

maybe it's just working its way down

746

00:26:49,909 --> 00:26:47,279

the next it'll be mcdonald's employees

747

00:26:51,750 --> 00:26:49,919

right and then then from there it'll be

748

00:26:54,230 --> 00:26:51,760

like the regular people like you and me

749

00:26:58,630 --> 00:26:54,240

yeah to where like it's okay to say

750

00:27:01,110 --> 00:26:58,640

you saw something right or or

751
00:27:03,269 --> 00:27:01,120
is it gonna stop at a certain point are

752
00:27:06,310 --> 00:27:03,279
we gonna work our way down to

753
00:27:08,870 --> 00:27:06,320
like uh policemen and firemen and then

754
00:27:10,070 --> 00:27:08,880
stop there to where the general public

755
00:27:12,149 --> 00:27:10,080
is still off limits

756
00:27:14,470 --> 00:27:12,159
you're still a crazy [h__h] right but

757
00:27:15,830 --> 00:27:14,480
anybody who has like a badge or some

758
00:27:18,630 --> 00:27:15,840
sort of authority

759
00:27:20,070 --> 00:27:18,640
is not crazy right it could be because

760
00:27:23,750 --> 00:27:20,080
there's that lack of

761
00:27:25,669 --> 00:27:23,760
of um trust there that that lack of

762
00:27:26,549 --> 00:27:25,679
okay well you're not an official so you

763
00:27:28,230 --> 00:27:26,559

don't know what you're talking about

764

00:27:30,630 --> 00:27:28,240

anybody can say anything yeah but on the

765

00:27:31,029 --> 00:27:30,640

flip side you've lied to us for 70 plus

766

00:27:33,430 --> 00:27:31,039

years

767

00:27:35,830 --> 00:27:33,440

so why would i [h__h] believe you yeah

768

00:27:36,149 --> 00:27:35,840

i mean how many times have you been lied

769

00:27:38,549 --> 00:27:36,159

to

770

00:27:40,389 --> 00:27:38,559

by the government yeah it's like you're

771

00:27:42,389 --> 00:27:40,399

a regular person

772

00:27:44,789 --> 00:27:42,399

you're not trustworthy well you're the

773

00:27:45,750 --> 00:27:44,799

government and you're not trustworthy

774

00:27:49,029 --> 00:27:45,760

either

775

00:27:51,350 --> 00:27:49,039

yeah so where do we go from here

776

00:27:52,789 --> 00:27:51,360

what do you do yeah i i enjoy that it's

777

00:27:54,789 --> 00:27:52,799

happening i i kind of want to

778

00:27:57,029 --> 00:27:54,799

also add this really quick i know that

779

00:28:00,230 --> 00:27:57,039

um when we were on dave's show on

780

00:28:03,430 --> 00:28:00,240

so we were talking about uh the

781

00:28:05,110 --> 00:28:03,440

the military not being able to

782

00:28:07,350 --> 00:28:05,120

uh or like there's something there's

783

00:28:09,350 --> 00:28:07,360

something weird about the military

784

00:28:10,870 --> 00:28:09,360

and and releasing information or

785

00:28:14,389 --> 00:28:10,880

whatever but what i wanted

786

00:28:15,990 --> 00:28:14,399

to say is that uh the

787

00:28:18,310 --> 00:28:16,000

[h__\h] i forgot dude i forgot what i was

788

00:28:19,590 --> 00:28:18,320

gonna say i had it i had it dude i had

789

00:28:21,990 --> 00:28:19,600

it and it

790

00:28:23,830 --> 00:28:22,000

wasn't it just fell out of my brain [h__h]

791

00:28:25,350 --> 00:28:23,840

i gotta find it it's like

792

00:28:26,870 --> 00:28:25,360

um when an idea falls out of your head

793

00:28:28,149 --> 00:28:26,880

it's like a contact falling out of your

794

00:28:30,950 --> 00:28:28,159

eye you're like [h__h]

795

00:28:31,909 --> 00:28:30,960

i'm all blurry and i can't think uh i

796

00:28:34,470 --> 00:28:31,919

had such a good

797

00:28:35,909 --> 00:28:34,480

point too well hopefully you'll think

798

00:28:37,350 --> 00:28:35,919

about it

799

00:28:39,990 --> 00:28:37,360

you know i was kind of thinking about

800

00:28:42,950 --> 00:28:40,000

about like the ufo topic as a whole

801
00:28:43,590 --> 00:28:42,960
uh kind of like can we turn this fan on

802
00:28:45,669 --> 00:28:43,600
yeah yeah

803
00:28:47,029 --> 00:28:45,679
i'm already just hot hold on we're hot

804
00:28:51,269 --> 00:28:47,039
boys give me give me one sec

805
00:28:56,870 --> 00:28:52,389
oh that was just the noise of the

806
00:28:59,590 --> 00:28:57,990
i was kind of thinking about this the

807
00:29:01,110 --> 00:28:59,600
other day like kind of like the ufo

808
00:29:04,149 --> 00:29:01,120
community and like you know

809
00:29:05,350 --> 00:29:04,159
uh a few people have asked us this

810
00:29:08,710 --> 00:29:05,360
question on like

811
00:29:13,029 --> 00:29:08,720
you know uh uh

812
00:29:14,870 --> 00:29:13,039
the feelings between like these like

813
00:29:17,669 --> 00:29:14,880

military people are like you know

814

00:29:21,430 --> 00:29:17,679

high-end super high-end researchers

815

00:29:23,990 --> 00:29:21,440

compared to like the average uh

816

00:29:24,470 --> 00:29:24,000

person that's into like the ufology

817

00:29:26,470 --> 00:29:24,480

thing

818

00:29:27,909 --> 00:29:26,480

yeah it's kind of like this is kind of

819

00:29:29,110 --> 00:29:27,919

what made what it made me think of the

820

00:29:31,110 --> 00:29:29,120

other day it's kind of like you remember

821

00:29:33,990 --> 00:29:31,120

when napoleon dynamite came out

822

00:29:35,669 --> 00:29:34,000

and it was in theaters and nobody saw it

823

00:29:37,190 --> 00:29:35,679

because they all thought it was stupid

824

00:29:38,630 --> 00:29:37,200

yeah but like you and a few other

825

00:29:40,549 --> 00:29:38,640

friends wouldn't watch it you thought it

826

00:29:42,149 --> 00:29:40,559

was freaking hilarious

827

00:29:43,830 --> 00:29:42,159

and all you did was make napoleon

828

00:29:47,029 --> 00:29:43,840

dynamite jokes for a year

829

00:29:47,669 --> 00:29:47,039

i still do until it came out on dvd for

830

00:29:49,110 --> 00:29:47,679

christmas

831

00:29:51,110 --> 00:29:49,120

yeah and then when you came back from

832

00:29:52,149 --> 00:29:51,120

christmas break everybody had saw the

833

00:29:53,909 --> 00:29:52,159

[h__\h] movie

834

00:29:55,990 --> 00:29:53,919

and now like y'all are done with like

835

00:29:58,310 --> 00:29:56,000

the jokes and [h__\h] but like it's like

836

00:29:59,269 --> 00:29:58,320

everybody has a vote for pedro shirt on

837

00:30:02,630 --> 00:29:59,279

now uh-huh

838

00:30:05,029 --> 00:30:02,640

it's kind of like that yeah how like

839

00:30:05,909 --> 00:30:05,039

you you guys didn't understand you

840

00:30:08,549 --> 00:30:05,919

thought it was

841

00:30:09,190 --> 00:30:08,559

funny like you yeah you made fun of it

842

00:30:12,630 --> 00:30:09,200

like right

843

00:30:14,230 --> 00:30:12,640

it wasn't cool and now over christmas

844

00:30:15,990 --> 00:30:14,240

like the cool kids got a hold of it and

845

00:30:17,909 --> 00:30:16,000

now it's now it's cool again

846

00:30:19,830 --> 00:30:17,919

it's kind of like that it's like yup the

847

00:30:20,950 --> 00:30:19,840

ufo community as a whole is just kind of

848

00:30:22,549 --> 00:30:20,960

like these like

849

00:30:24,310 --> 00:30:22,559

these dudes who went and saw napoleon

850

00:30:26,310 --> 00:30:24,320

dynamite before it was popular

851
00:30:27,990 --> 00:30:26,320
right and then now the cool kids got a

852
00:30:31,190 --> 00:30:28,000
hold of it and now it's like so

853
00:30:32,870 --> 00:30:31,200
cool right it's trendy like yeah

854
00:30:34,230 --> 00:30:32,880
dude my brother and i went and saw it

855
00:30:36,710 --> 00:30:34,240
like opening weekend

856
00:30:38,070 --> 00:30:36,720
here in austin at the adobe theater and

857
00:30:39,990 --> 00:30:38,080
yeah no one knew

858
00:30:41,190 --> 00:30:40,000
any of the inside jokes and stuff but

859
00:30:43,029 --> 00:30:41,200
i'm walking probably

860
00:30:44,710 --> 00:30:43,039
theater too wasn't it nobody was in

861
00:30:46,630 --> 00:30:44,720
there yeah and

862
00:30:47,750 --> 00:30:46,640
same exact thing like come back to

863
00:30:50,789 --> 00:30:47,760

school and then

864

00:30:51,830 --> 00:30:50,799

everybody's like oh yeah oh yeah i saw

865

00:30:53,590 --> 00:30:51,840

it too yeah yeah

866

00:30:54,950 --> 00:30:53,600

but like dude i've been talking about

867

00:30:56,789 --> 00:30:54,960

the i've been making jokes

868

00:30:58,950 --> 00:30:56,799

yeah and that was one of the most

869

00:31:02,070 --> 00:30:58,960

influential like

870

00:31:04,070 --> 00:31:02,080

huge name a millennial that doesn't

871

00:31:05,350 --> 00:31:04,080

reference napoleon dynamite at least

872

00:31:08,470 --> 00:31:05,360

like once a week

873

00:31:10,149 --> 00:31:08,480

yeah yeah dude uh yeah i wish i could

874

00:31:12,789 --> 00:31:10,159

think of what i was gonna say dude

875

00:31:15,590 --> 00:31:12,799

i feel like it was gonna be really good

876

00:31:17,590 --> 00:31:15,600

i can't remember what it was

877

00:31:19,029 --> 00:31:17,600

well i'm sorry i just i tried to fill in

878

00:31:20,710 --> 00:31:19,039

for you there for a second while you

879

00:31:21,110 --> 00:31:20,720

were thinking i know i was thinking but

880

00:31:22,710 --> 00:31:21,120

yeah

881

00:31:25,430 --> 00:31:22,720

it's not it's not going to come to me it

882

00:31:27,190 --> 00:31:25,440

was something about i was trying to say

883

00:31:28,789 --> 00:31:27,200

and then it happened again i was trying

884

00:31:31,269 --> 00:31:28,799

to say something

885

00:31:32,950 --> 00:31:31,279

uh about the the community and talking

886

00:31:34,070 --> 00:31:32,960

about it and then i just totally lost it

887

00:31:35,590 --> 00:31:34,080

and then i ended up saying something

888

00:31:36,710 --> 00:31:35,600

else and the same exact thing just

889

00:31:38,389 --> 00:31:36,720

happened

890

00:31:40,549 --> 00:31:38,399

you remembered and then you forgot again

891

00:31:41,269 --> 00:31:40,559

yeah no no no no not just now i'm

892

00:31:44,310 --> 00:31:41,279

talking about

893

00:31:46,149 --> 00:31:44,320

earlier or today not okay it didn't just

894

00:31:47,830 --> 00:31:46,159

happen three times it only happened when

895

00:31:50,870 --> 00:31:47,840

we were on dave's show and then just

896

00:31:51,830 --> 00:31:50,880

like five seconds it just now no not so

897

00:31:55,269 --> 00:31:51,840

that's four

898

00:31:57,269 --> 00:31:55,279

no you've done it four times today

899

00:31:59,269 --> 00:31:57,279

like my brain doesn't want me to say

900

00:32:01,909 --> 00:31:59,279

what i'm gonna say maybe it's my future

901
00:32:04,630 --> 00:32:01,919
self stopping me from saying this thing

902
00:32:05,269 --> 00:32:04,640
or maybe it's an implant yeah dude maybe

903
00:32:07,029 --> 00:32:05,279
it is it

904
00:32:09,190 --> 00:32:07,039
gave me a little buzz the aliens are

905
00:32:09,669 --> 00:32:09,200
wiping and the smart thing that you want

906
00:32:11,590 --> 00:32:09,679
to say

907
00:32:13,029 --> 00:32:11,600
yeah dude and i think it was going to be

908
00:32:14,149 --> 00:32:13,039
kind of smart it was going to be kind of

909
00:32:16,290 --> 00:32:14,159
smart

910
00:32:18,950 --> 00:32:16,300
dude the aliens i'm telling you that

911
00:32:21,909 --> 00:32:18,960
[Laughter]

912
00:32:23,750 --> 00:32:21,919
you the aliens started the aliens always

913
00:32:25,430 --> 00:32:23,760

stop me when i'm about to say some smart

914

00:32:28,149 --> 00:32:25,440

[h__\h]

915

00:32:29,509 --> 00:32:28,159

it's their fault dude i promise they're

916

00:32:32,549 --> 00:32:29,519

like oh no he's about to say something

917

00:32:35,990 --> 00:32:32,559

smart divert a fart joke

918

00:32:38,950 --> 00:32:36,000

yeah that's how it works uh yeah

919

00:32:39,909 --> 00:32:38,960

but anyway yeah so pilot stuff i think

920

00:32:43,190 --> 00:32:39,919

the

921

00:32:46,630 --> 00:32:43,200

article today uh

922

00:32:47,110 --> 00:32:46,640

and i we read a little a little bit of

923

00:32:50,470 --> 00:32:47,120

it but

924

00:32:51,269 --> 00:32:50,480

um talking about jim goodall sitting as

925

00:32:53,110 --> 00:32:51,279

a thing and

926
00:32:54,710 --> 00:32:53,120
i went in and looked at the flight

927
00:32:55,190 --> 00:32:54,720
pattern the first thought i thought of

928
00:32:58,230 --> 00:32:55,200
is

929
00:32:59,990 --> 00:32:58,240
okay well the pilot obviously said it it

930
00:33:03,110 --> 00:33:00,000
kind of reminded me or looks like

931
00:33:05,350 --> 00:33:03,120
a a uh a cruise missile which

932
00:33:06,149 --> 00:33:05,360
uh so that made me think okay along that

933
00:33:08,149 --> 00:33:06,159
flight path

934
00:33:09,590 --> 00:33:08,159
are there any military bases that have

935
00:33:12,470 --> 00:33:09,600
capabilities of

936
00:33:13,590 --> 00:33:12,480
uh shooting drones or they have history

937
00:33:15,509 --> 00:33:13,600
they have

938
00:33:17,830 --> 00:33:15,519

uh drones at their facility because not

939

00:33:19,669 --> 00:33:17,840

every military base has drones i mean

940

00:33:21,110 --> 00:33:19,679

i would imagine those things are

941

00:33:22,389 --> 00:33:21,120

expensive

942

00:33:24,310 --> 00:33:22,399

and cruise missiles are kind of like

943

00:33:25,269 --> 00:33:24,320

drones in a way because they're they're

944

00:33:27,190 --> 00:33:25,279

unmanned

945

00:33:28,389 --> 00:33:27,200

and they can change direction yeah

946

00:33:30,470 --> 00:33:28,399

they're known for cruising

947

00:33:31,430 --> 00:33:30,480

yeah do you think freaking crews do like

948

00:33:34,549 --> 00:33:31,440

beach cruisers

949

00:33:35,830 --> 00:33:34,559

yeah uh so i looked at the the flight

950

00:33:39,029 --> 00:33:35,840

path from

951
00:33:42,149 --> 00:33:39,039
cincinnati kentucky to phoenix arizona

952
00:33:43,590 --> 00:33:42,159
arizona which that's what it said it was

953
00:33:44,070 --> 00:33:43,600
cincinnati kentucky i didn't know there

954
00:33:47,110 --> 00:33:44,080
was

955
00:33:49,830 --> 00:33:47,120
ohio

956
00:33:51,430 --> 00:33:49,840
yeah dude there's a lot of cincinnati's

957
00:33:54,870 --> 00:33:51,440
fruits that don't make no sense

958
00:33:56,230 --> 00:33:54,880
yeah dude since

959
00:33:58,870 --> 00:33:56,240
just like there's like a whole bunch of

960
00:34:01,669 --> 00:33:58,880
hollywoods yeah and like paris's

961
00:34:02,630 --> 00:34:01,679
uh-huh yeah it's weird i was just

962
00:34:03,909 --> 00:34:02,640
thinking like

963
00:34:05,590 --> 00:34:03,919

you know how like on those cruise

964

00:34:07,269 --> 00:34:05,600

missiles like on the one of the pictures

965

00:34:08,869 --> 00:34:07,279

it says raytheon on it

966

00:34:10,470 --> 00:34:08,879

what we were talking about be it like

967

00:34:11,990 --> 00:34:10,480

being a beach cruiser like what if you

968

00:34:13,890 --> 00:34:12,000

saw like a cruise missile

969

00:34:17,669 --> 00:34:13,900

and it said like huffy on the side

970

00:34:20,790 --> 00:34:17,679

[Laughter]

971

00:34:22,710 --> 00:34:20,800

said mongoose

972

00:34:23,990 --> 00:34:22,720

it's a slash hammer and instead of like

973

00:34:27,589 --> 00:34:24,000

fins it had pegs on it

974

00:34:29,190 --> 00:34:27,599

instead it's for you and your friends

975

00:34:32,470 --> 00:34:29,200

you can blow each other up

976
00:34:34,710 --> 00:34:32,480
hell yeah that would be awesome i

977
00:34:35,990 --> 00:34:34,720
had pegs but there's like a set in the

978
00:34:37,860 --> 00:34:36,000
front and the back

979
00:34:39,669 --> 00:34:37,870
so like you could take two friends

980
00:34:42,069 --> 00:34:39,679
[Laughter]

981
00:34:43,829 --> 00:34:42,079
did you ever fall like giving somebody a

982
00:34:45,109 --> 00:34:43,839
pump so many times no that's what we

983
00:34:47,190 --> 00:34:45,119
called it giving somebody a pump

984
00:34:48,629 --> 00:34:47,200
yeah dude which sounds super gay now i

985
00:34:50,149 --> 00:34:48,639
mean whenever you like

986
00:34:51,990 --> 00:34:50,159
getting started is when you fall the

987
00:34:54,069 --> 00:34:52,000
most that's when you get

988
00:34:55,430 --> 00:34:54,079

yeah having something somebody on the

989

00:34:56,550 --> 00:34:55,440

front handlebars that's the most

990

00:34:58,390 --> 00:34:56,560

dangerous yeah

991

00:34:59,990 --> 00:34:58,400

you know yeah and they're trying to like

992

00:35:01,670 --> 00:35:00,000

make a turn and then like

993

00:35:04,390 --> 00:35:01,680

moving their feet on the pegs and you're

994

00:35:06,870 --> 00:35:04,400

like stop it gotta lean with me dude

995

00:35:08,790 --> 00:35:06,880

oh i used to hate that we're going

996

00:35:12,470 --> 00:35:08,800

uphill get the [h__h] off

997

00:35:13,510 --> 00:35:12,480

yeah dude push me you're like a scooter

998

00:35:14,950 --> 00:35:13,520

on the back

999

00:35:17,510 --> 00:35:14,960

for your friend so you can get up the

1000

00:35:18,310 --> 00:35:17,520

hill right yeah it was crazy stuff man

1001

00:35:21,430 --> 00:35:18,320

that was a good

1002

00:35:23,270 --> 00:35:21,440

good old days man jeez so you were

1003

00:35:25,030 --> 00:35:23,280

looking at your overlay map over here

1004

00:35:27,270 --> 00:35:25,040

yeah so looking at there's a lot of

1005

00:35:29,270 --> 00:35:27,280

military bases along that route and i

1006

00:35:32,150 --> 00:35:29,280

overlaid the flight path with

1007

00:35:32,950 --> 00:35:32,160

um known locations of military bases

1008

00:35:36,150 --> 00:35:32,960

with

1009

00:35:38,150 --> 00:35:36,160

capabilities of drones and um

1010

00:35:40,310 --> 00:35:38,160

yeah that source is from the verge i've

1011

00:35:41,190 --> 00:35:40,320

got the source on our blog post on our

1012

00:35:43,510 --> 00:35:41,200

website

1013

00:35:46,069 --> 00:35:43,520

and yeah there's a lot of military bases

1014

00:35:48,790 --> 00:35:46,079

along that route so i'm thinking man

1015

00:35:50,550 --> 00:35:48,800

if it was a cruise missile it must have

1016

00:35:51,990 --> 00:35:50,560

gone way off track or

1017

00:35:54,550 --> 00:35:52,000

they're trying to cover it up because it

1018

00:35:56,470 --> 00:35:54,560

had that had collided with the plane

1019

00:35:57,910 --> 00:35:56,480

that would have been really bad

1020

00:35:59,670 --> 00:35:57,920

not just tragically because people would

1021

00:36:00,390 --> 00:35:59,680

have died but also expensive on both

1022

00:36:02,790 --> 00:36:00,400

parties like

1023

00:36:04,790 --> 00:36:02,800

american airlines would have had to pay

1024

00:36:06,710 --> 00:36:04,800

those families for those deaths and

1025

00:36:08,310 --> 00:36:06,720

i'm just thinking like a corporate like

1026
00:36:11,670 --> 00:36:08,320
a corporate person would think

1027
00:36:12,710 --> 00:36:11,680
and why you know like the the conspiracy

1028
00:36:14,470 --> 00:36:12,720
side of me

1029
00:36:16,310 --> 00:36:14,480
and and also the military would have to

1030
00:36:18,790 --> 00:36:16,320
pay a [h__h] ton of money

1031
00:36:20,470 --> 00:36:18,800
so they're they're just like not going

1032
00:36:22,310 --> 00:36:20,480
to comment that oh yeah no we weren't

1033
00:36:25,270 --> 00:36:22,320
running any tests that day no no

1034
00:36:26,550 --> 00:36:25,280
we're which they did say um and it's

1035
00:36:28,150 --> 00:36:26,560
being investigated by the

1036
00:36:29,910 --> 00:36:28,160
this incident is being inves

1037
00:36:31,829 --> 00:36:29,920
investigated by the fbi and they're not

1038
00:36:35,510 --> 00:36:31,839

letting any information out

1039

00:36:37,750 --> 00:36:35,520

so that just screams conspiracy to me

1040

00:36:38,710 --> 00:36:37,760

it does sound like a rogue drone or a

1041

00:36:41,510 --> 00:36:38,720

rogue missile

1042

00:36:43,430 --> 00:36:41,520

to me um until i talked to jim goodall

1043

00:36:45,109 --> 00:36:43,440

talked to him earlier today on the phone

1044

00:36:46,550 --> 00:36:45,119

he was like yeah those those those

1045

00:36:49,109 --> 00:36:46,560

cruise missiles don't fly

1046

00:36:50,950 --> 00:36:49,119

at that 36 000 feet altitude like

1047

00:36:51,270 --> 00:36:50,960

passenger commercial passenger airplanes

1048

00:36:53,430 --> 00:36:51,280

do

1049

00:36:54,390 --> 00:36:53,440

so yeah that rules that out also they're

1050

00:36:56,310 --> 00:36:54,400

usually

1051

00:36:57,510 --> 00:36:56,320

uh he said they're i don't i don't know

1052

00:36:59,910 --> 00:36:57,520

this is just you know from jim

1053

00:37:00,550 --> 00:36:59,920

he's like yeah they're usually armed

1054

00:37:02,630 --> 00:37:00,560

those those

1055

00:37:04,310 --> 00:37:02,640

yeah if you're gonna shoot a missile

1056

00:37:06,550 --> 00:37:04,320

yeah it's for a reason

1057

00:37:10,310 --> 00:37:06,560

right there's not like i mean you could

1058

00:37:12,950 --> 00:37:10,320

like have like test dummy missiles but

1059

00:37:15,430 --> 00:37:12,960

if you're just gonna let one fly that's

1060

00:37:18,550 --> 00:37:15,440

not a good idea yeah

1061

00:37:20,829 --> 00:37:18,560

that's a like five million dollar not to

1062

00:37:23,990 --> 00:37:20,839

mention like somebody had to have like

1063

00:37:25,270 --> 00:37:24,000

uh seeing the trajectory of wherever the

1064

00:37:27,109 --> 00:37:25,280

thing was going

1065

00:37:28,790 --> 00:37:27,119

and then been like okay so we know a

1066

00:37:31,990 --> 00:37:28,800

cruise missile would go this far

1067

00:37:33,990 --> 00:37:32,000

and then it would land in this area and

1068

00:37:36,310 --> 00:37:34,000

they didn't say they found anything yeah

1069

00:37:38,390 --> 00:37:36,320

no crash no nothing like that right

1070

00:37:39,589 --> 00:37:38,400

right oh yeah because the cruise missile

1071

00:37:42,150 --> 00:37:39,599

eventually gonna run out of

1072

00:37:42,950 --> 00:37:42,160

out of fuel yeah i wonder if if it would

1073

00:37:45,430 --> 00:37:42,960

have

1074

00:37:47,109 --> 00:37:45,440

if the cruise missile would be able if

1075

00:37:48,310 --> 00:37:47,119

they have the capabilities just to turn

1076

00:37:51,349 --> 00:37:48,320

around and land

1077

00:37:52,950 --> 00:37:51,359

or do those things even land

1078

00:37:54,470 --> 00:37:52,960

i don't think so dude i don't think the

1079

00:37:57,190 --> 00:37:54,480

missile lands i

1080

00:37:58,630 --> 00:37:57,200

i i i could be wrong but i i've never

1081

00:38:00,630 --> 00:37:58,640

seen like little wheels or

1082

00:38:01,670 --> 00:38:00,640

yeah there's no like landing no like

1083

00:38:04,230 --> 00:38:01,680

that thing is like

1084

00:38:05,589 --> 00:38:04,240

it's like got wings on it and it's got

1085

00:38:07,750 --> 00:38:05,599

the little tail fins

1086

00:38:09,430 --> 00:38:07,760

yeah and it's ready to hit some [h__h]

1087

00:38:11,589 --> 00:38:09,440

it's not it's not there to

1088

00:38:13,109 --> 00:38:11,599

land safely on the ground i don't think

1089

00:38:16,790 --> 00:38:13,119

right yeah i don't think so either

1090

00:38:18,230 --> 00:38:16,800

either and uh the pilot

1091

00:38:19,589 --> 00:38:18,240

again man i wish we could interview him

1092

00:38:21,589 --> 00:38:19,599

that'd be sick but he didn't say

1093

00:38:24,630 --> 00:38:21,599

anything about finns or anything

1094

00:38:28,470 --> 00:38:24,640

wings stabilizers he just said

1095

00:38:30,550 --> 00:38:28,480

white long cylindrical object uh

1096

00:38:32,390 --> 00:38:30,560

yeah so yeah and if we're even talking

1097

00:38:33,750 --> 00:38:32,400

about like a cruise missile

1098

00:38:35,670 --> 00:38:33,760

if we're talking about the size of like

1099

00:38:36,630 --> 00:38:35,680

the cruise missile to the size of like

1100

00:38:39,349 --> 00:38:36,640

what a tic tac

1101

00:38:39,750 --> 00:38:39,359

is they said it's around like 40 feet

1102

00:38:41,829 --> 00:38:39,760

yep

1103

00:38:43,109 --> 00:38:41,839

right and the cruise missile isn't 40

1104

00:38:46,550 --> 00:38:43,119

feet at all right

1105

00:38:46,870 --> 00:38:46,560

that's like half that's like way smaller

1106

00:38:48,630 --> 00:38:46,880

that's

1107

00:38:49,910 --> 00:38:48,640

very small it yeah yeah that doesn't

1108

00:38:51,910 --> 00:38:49,920

look very big

1109

00:38:52,950 --> 00:38:51,920

there's always the size of the wing you

1110

00:38:55,829 --> 00:38:52,960

see the wing

1111

00:38:57,270 --> 00:38:55,839

on that on that f-15 yeah and it's

1112

00:38:59,270 --> 00:38:57,280

barely the size of the wing

1113

00:39:00,310 --> 00:38:59,280

right yeah i'm sure there's different

1114

00:39:03,030 --> 00:39:00,320

models though

1115

00:39:04,790 --> 00:39:03,040

i don't know i've seen i saw like a a

1116

00:39:05,910 --> 00:39:04,800

graph of the different sizes i probably

1117

00:39:09,270 --> 00:39:05,920

should have added that to the

1118

00:39:12,069 --> 00:39:09,280

the article but uh yeah so dude

1119

00:39:13,430 --> 00:39:12,079

i'm totally i i just want to play

1120

00:39:16,230 --> 00:39:13,440

devil's advocate and give

1121

00:39:17,190 --> 00:39:16,240

some evidence towards that it was a

1122

00:39:18,390 --> 00:39:17,200

missile but i

1123

00:39:21,109 --> 00:39:18,400

totally believe that it was not a

1124

00:39:23,750 --> 00:39:21,119

missile and that dude had a ufo sighting

1125

00:39:24,150 --> 00:39:23,760

yeah dude like i'm okay with that come

1126
00:39:28,150 --> 00:39:24,160
on

1127
00:39:31,589 --> 00:39:28,160
i feel the same way

1128
00:39:34,790 --> 00:39:31,599
so i how often do you see

1129
00:39:37,589 --> 00:39:34,800
a missile in the sky as a a pilot

1130
00:39:39,190 --> 00:39:37,599
also he thought it was scary enough to

1131
00:39:41,430 --> 00:39:39,200
call it in

1132
00:39:42,390 --> 00:39:41,440
and ask hey do you have any targets up

1133
00:39:44,069 --> 00:39:42,400
here

1134
00:39:46,150 --> 00:39:44,079
it must have freaked him out and maybe

1135
00:39:47,829 --> 00:39:46,160
he just didn't say maybe he does say

1136
00:39:50,150 --> 00:39:47,839
further down the road uh in that

1137
00:39:51,589 --> 00:39:50,160
recording maybe he does describe it we

1138
00:39:53,190 --> 00:39:51,599

just don't have access to that they're

1139

00:39:53,910 --> 00:39:53,200

always so professional like on their

1140

00:39:55,829 --> 00:39:53,920

recordings

1141

00:39:58,790 --> 00:39:55,839

when they're talking to each other like

1142

00:40:01,030 --> 00:39:58,800

are you [h__h] firing missiles

1143

00:40:02,470 --> 00:40:01,040

i'm in an airplane right now i would i

1144

00:40:03,990 --> 00:40:02,480

would not be able to keep my cool i

1145

00:40:05,750 --> 00:40:04,000

could not be a pilot

1146

00:40:07,589 --> 00:40:05,760

i would be i would be like way too

1147

00:40:12,390 --> 00:40:07,599

hot-headed about stuff

1148

00:40:16,230 --> 00:40:15,670

hell yeah what are you all doing down

1149

00:40:19,589 --> 00:40:16,240

there

1150

00:40:20,790 --> 00:40:19,599

the hell yeah so i don't know man where

1151

00:40:21,910 --> 00:40:20,800

do you land on that

1152

00:40:26,390 --> 00:40:21,920

do you think it was a missile or do you

1153

00:40:31,990 --> 00:40:29,589

and and and and and and and and

1154

00:40:34,390 --> 00:40:32,000

and and and you people out there don't

1155

00:40:36,069 --> 00:40:34,400

you even start with the comments on

1156

00:40:38,390 --> 00:40:36,079

of course it's a ufo we don't know what

1157

00:40:40,470 --> 00:40:38,400

it is we're talking alien craft

1158

00:40:42,069 --> 00:40:40,480

talking alien crap talking alien crap

1159

00:40:44,710 --> 00:40:42,079

yeah i believe it's

1160

00:40:45,910 --> 00:40:44,720

alien craft or it's ours but i don't

1161

00:40:49,990 --> 00:40:45,920

think it was a cruise missile

1162

00:40:51,670 --> 00:40:50,000

at all right yeah i don't either uh

1163

00:40:53,349 --> 00:40:51,680

yeah dude i think we're about to see a

1164

00:40:56,390 --> 00:40:53,359

lot more of them too yeah i

1165

00:40:58,550 --> 00:40:56,400

i agree i agree the uh

1166

00:41:00,150 --> 00:40:58,560

the the the vape store that i go to the

1167

00:41:01,670 --> 00:41:00,160

guy who owns that he was like dude i was

1168

00:41:03,670 --> 00:41:01,680

driving down the road the other day

1169

00:41:04,950 --> 00:41:03,680

broad daylight and i was looking at this

1170

00:41:07,270 --> 00:41:04,960

thing my wife said

1171

00:41:08,550 --> 00:41:07,280

i was probably an airplane and then it

1172

00:41:12,230 --> 00:41:08,560

did this weird move

1173

00:41:12,710 --> 00:41:12,240

and it shot off my wife looked at me and

1174

00:41:15,910 --> 00:41:12,720

was like

1175

00:41:16,390 --> 00:41:15,920

no that wasn't an airplane and taylor

1176

00:41:21,510 --> 00:41:16,400

yeah

1177

00:41:23,990 --> 00:41:21,520

out down 95.

1178

00:41:25,750 --> 00:41:24,000

no [ʌ__h] yep did he say did he describe

1179

00:41:27,030 --> 00:41:25,760

it at all like the size or shape or was

1180

00:41:29,510 --> 00:41:27,040

it just kind of like he said it was like

1181

00:41:31,510 --> 00:41:29,520

he said it was like a like a shiny it

1182

00:41:34,710 --> 00:41:31,520

looked real shiny up in the sky

1183

00:41:36,790 --> 00:41:34,720

yeah and he was like okay

1184

00:41:38,630 --> 00:41:36,800

maybe airplane yeah but he was watching

1185

00:41:40,069 --> 00:41:38,640

it for a while

1186

00:41:41,190 --> 00:41:40,079

and then he looked his wife and he's

1187

00:41:42,230 --> 00:41:41,200

like you see that and she was like yeah

1188

00:41:43,829 --> 00:41:42,240

it's probably an airplane

1189

00:41:45,750 --> 00:41:43,839

yeah and then whenever she said that

1190

00:41:46,710 --> 00:41:45,760

like it did this weird move and then

1191

00:41:50,470 --> 00:41:46,720

disappeared

1192

00:41:53,190 --> 00:41:50,480

shot off that's awesome

1193

00:41:53,589 --> 00:41:53,200

that's that's the second uh you have uh

1194

00:41:58,150 --> 00:41:53,599

that

1195

00:42:00,630 --> 00:41:58,160

or texted you about and told you

1196

00:42:01,270 --> 00:42:00,640

her story about seeing that shiny object

1197

00:42:04,230 --> 00:42:01,280

and and

1198

00:42:04,550 --> 00:42:04,240

was it flugerville this is a wow oh yeah

1199

00:42:06,230 --> 00:42:04,560

yeah

1200

00:42:07,430 --> 00:42:06,240

round rock i wonder if that might be

1201
00:42:08,550 --> 00:42:07,440
something similar because she said it

1202
00:42:09,990 --> 00:42:08,560
was just a shiny

1203
00:42:12,230 --> 00:42:10,000
she didn't say like disc but it was like

1204
00:42:12,630 --> 00:42:12,240
a big rectangle that oh that's what it

1205
00:42:15,990 --> 00:42:12,640
was

1206
00:42:18,309 --> 00:42:16,000
saw

1207
00:42:19,190 --> 00:42:18,319
and it just stayed there in the sky and

1208
00:42:23,109 --> 00:42:19,200
that was going down

1209
00:42:27,349 --> 00:42:23,119
79. okay i wonder what's out there man

1210
00:42:29,510 --> 00:42:27,359
hey do you cuz that's

1211
00:42:31,670 --> 00:42:29,520
i think the reason sometimes that ufos

1212
00:42:35,030 --> 00:42:31,680
show up are because of that

1213
00:42:38,390 --> 00:42:35,040

piezoelectric effect with with uh

1214

00:42:40,870 --> 00:42:38,400

uh is it it's not

1215

00:42:42,230 --> 00:42:40,880

granite but it's uh quartz yeah quartz

1216

00:42:43,670 --> 00:42:42,240

crystals in the ground

1217

00:42:45,990 --> 00:42:43,680

and stuff like that i wonder if we have

1218

00:42:47,910 --> 00:42:46,000

some some kind of geological

1219

00:42:49,030 --> 00:42:47,920

aspect to this side or this part of

1220

00:42:52,470 --> 00:42:49,040

texas i know that

1221

00:42:55,589 --> 00:42:52,480

we have we got a lot of black dirt yeah

1222

00:42:58,950 --> 00:42:55,599

we grow a lot of cotton out that way

1223

00:43:01,030 --> 00:42:58,960

cotton and corn are like the major

1224

00:43:02,230 --> 00:43:01,040

crops yeah well also we have a lot of

1225

00:43:04,150 --> 00:43:02,240

caves over here

1226

00:43:05,829 --> 00:43:04,160

yeah we have a lot of caves so i don't

1227

00:43:10,069 --> 00:43:05,839

know maybe that's kind of that's like

1228

00:43:11,829 --> 00:43:10,079

more like like west of 35

1229

00:43:13,190 --> 00:43:11,839

okay get into like more of the cave

1230

00:43:14,309 --> 00:43:13,200

stuff because you get into like the

1231

00:43:16,630 --> 00:43:14,319

limestone

1232

00:43:17,750 --> 00:43:16,640

and the big water sheds that are out

1233

00:43:20,790 --> 00:43:17,760

this way yeah

1234

00:43:24,550 --> 00:43:20,800

that way towards where i live is all

1235

00:43:27,750 --> 00:43:24,560

just just black mud shifting clay

1236

00:43:29,510 --> 00:43:27,760

constantly like it's dude like the

1237

00:43:31,430 --> 00:43:29,520

the the farm field that we drove through

1238

00:43:34,309 --> 00:43:31,440

with the nikko's truck

1239

00:43:34,950 --> 00:43:34,319

yeah that was fun dude yeah that's what

1240

00:43:40,230 --> 00:43:34,960

uh

1241

00:43:41,030 --> 00:43:40,240

land out there is just it's kind of

1242

00:43:42,870 --> 00:43:41,040

terrible

1243

00:43:45,589 --> 00:43:42,880

uh for really any crop i mean you could

1244

00:43:48,230 --> 00:43:45,599

try to grow you grow okay corn but

1245

00:43:48,870 --> 00:43:48,240

mostly like hearty plants like cotton

1246

00:43:51,910 --> 00:43:48,880

right yep

1247

00:43:53,829 --> 00:43:51,920

didn't taylor used to be the biggest uh

1248

00:43:56,069 --> 00:43:53,839

farming land for for cotton yeah it was

1249

00:43:58,470 --> 00:43:56,079

like one of the largest cotton producers

1250

00:44:00,550 --> 00:43:58,480

um that's why the railroads go through

1251

00:44:02,550 --> 00:44:00,560

there and that's why the cotton gin is

1252

00:44:05,030 --> 00:44:02,560

set up by the railroads right yeah

1253

00:44:06,309 --> 00:44:05,040

my my grandparents used to pick cotton

1254

00:44:08,630 --> 00:44:06,319

for a living

1255

00:44:09,990 --> 00:44:08,640

well in the season but yeah like that's

1256

00:44:13,109 --> 00:44:10,000

what they did

1257

00:44:15,030 --> 00:44:13,119

the uh yeah the the my grand

1258

00:44:16,630 --> 00:44:15,040

grandpa's hands were apparently i never

1259

00:44:17,270 --> 00:44:16,640

met him but my dad said his hands were

1260

00:44:21,990 --> 00:44:17,280

like

1261

00:44:24,069 --> 00:44:22,000

hands

1262

00:44:25,030 --> 00:44:24,079

yeah dude straight up mittens bro

1263

00:44:26,870 --> 00:44:25,040

mittens yeah

1264

00:44:28,390 --> 00:44:26,880

my gran my grandfather's hands are the

1265

00:44:32,470 --> 00:44:28,400

same way oh yeah

1266

00:44:35,589 --> 00:44:32,480

it just like he like barely opened them

1267

00:44:36,550 --> 00:44:35,599

like barely yeah like uh coach sephora

1268

00:44:39,589 --> 00:44:36,560

type hands dude

1269

00:44:43,030 --> 00:44:39,599

just like hot dogs those farm hands dude

1270

00:44:47,030 --> 00:44:43,040

yeah they're all just padded and

1271

00:44:50,309 --> 00:44:47,040

just scars and dry [h__\h]

1272

00:44:52,150 --> 00:44:50,319

that's so dry yeah it's crazy

1273

00:44:53,589 --> 00:44:52,160

dude i don't know if this is like uh oh

1274

00:44:55,349 --> 00:44:53,599

like a a

1275

00:44:56,630 --> 00:44:55,359

texas old boy kind of thing but do you

1276

00:44:58,309 --> 00:44:56,640

ever notice like

1277

00:45:00,309 --> 00:44:58,319

when people point i started to do this

1278

00:45:02,710 --> 00:45:00,319

too is like they leave their pinky out

1279

00:45:03,990 --> 00:45:02,720

do you ever do that yeah yeah is that a

1280

00:45:05,750 --> 00:45:04,000

texas old boy kind of thing

1281

00:45:07,349 --> 00:45:05,760

or is it pointing out yeah like point

1282

00:45:10,069 --> 00:45:07,359

just keep your keep your pinky

1283

00:45:11,750 --> 00:45:10,079

straight like don't even bend your

1284

00:45:12,870 --> 00:45:11,760

fingers maybe that has something to do

1285

00:45:15,510 --> 00:45:12,880

with it it's more of a

1286

00:45:16,069 --> 00:45:15,520

general that way just kind of throwing

1287

00:45:17,990 --> 00:45:16,079

your hand

1288

00:45:20,150 --> 00:45:18,000

out there and those are the fingers that

1289

00:45:22,150 --> 00:45:20,160

pop out oh dude we're gonna get flag on

1290

00:45:25,349 --> 00:45:22,160

youtube for showing [\h__\h] satanic

1291

00:45:28,069 --> 00:45:25,359

uh uh hand signals now gosh

1292

00:45:28,790 --> 00:45:28,079

golly there's like one video that lady

1293

00:45:33,349 --> 00:45:28,800

posted

1294

00:45:36,550 --> 00:45:33,359

oh these guys are satanic

1295

00:45:39,750 --> 00:45:36,560

oh that's crazy yeah good whataburger

1296

00:45:42,710 --> 00:45:39,760

so yeah dude i mean that's pretty much

1297

00:45:44,150 --> 00:45:42,720

what's been going on other than we've

1298

00:45:45,589 --> 00:45:44,160

been seeing some lights i mean do we

1299

00:45:47,670 --> 00:45:45,599

haven't even talked about it on our

1300

00:45:50,550 --> 00:45:47,680

podcast about our sighting

1301

00:45:51,750 --> 00:45:50,560

where uh you were in taylor with amanda

1302

00:45:53,510 --> 00:45:51,760

at that restaurant

1303

00:45:54,630 --> 00:45:53,520

yeah i started off with that story

1304

00:45:55,670 --> 00:45:54,640

because we haven't talked about it well

1305

00:45:59,190 --> 00:45:55,680

i was actually

1306

00:46:01,990 --> 00:45:59,200

out here in flugerville oh uh

1307

00:46:02,870 --> 00:46:02,000

uh what is it spring hill cafe catfish

1308

00:46:06,230 --> 00:46:02,880

parlor

1309

00:46:09,109 --> 00:46:06,240

okay i don't know it's uh

1310

00:46:09,510 --> 00:46:09,119

it's like old old flugerville yeah okay

1311

00:46:12,470 --> 00:46:09,520

yeah

1312

00:46:13,349 --> 00:46:12,480

it's like it's like one of the oldest

1313

00:46:16,309 --> 00:46:13,359

restaurants there

1314

00:46:17,829 --> 00:46:16,319

yep okay yep it's a catfish parlor dude

1315

00:46:19,670 --> 00:46:17,839

we had gotten out

1316

00:46:21,589 --> 00:46:19,680

we were getting out of the car and i'm

1317

00:46:23,349 --> 00:46:21,599

i'm just getting the baby out

1318

00:46:25,190 --> 00:46:23,359

and hand her over and i'm standing there

1319

00:46:28,630 --> 00:46:25,200

and i'm looking up and i see this

1320

00:46:29,829 --> 00:46:28,640

ball same ball it's just

1321

00:46:31,109 --> 00:46:29,839

like i don't know if they're [h__h]

1322

00:46:34,630 --> 00:46:31,119

with me at this point and they're just

1323

00:46:36,950 --> 00:46:34,640

like let's give them a lot of balls

1324

00:46:38,309 --> 00:46:36,960

so now they're showing up to me like

1325

00:46:40,710 --> 00:46:38,319

balls

1326

00:46:42,870 --> 00:46:40,720

so but like not a ball ball but like a

1327

00:46:46,309 --> 00:46:42,880

testicle like a testicle

1328

00:46:48,950 --> 00:46:46,319

straight testify oh yeah yeah it's like

1329

00:46:49,510 --> 00:46:48,960

it's like really shimmery it's shiny so

1330

00:46:52,309 --> 00:46:49,520

it's not

1331

00:46:53,910 --> 00:46:52,319

hairy orange ball like the one i saw

1332

00:46:57,109 --> 00:46:53,920

over my house and this is at night

1333

00:46:59,190 --> 00:46:57,119

same thing yep yep night time

1334

00:47:01,190 --> 00:46:59,200

and it's flying overhead i'm like well

1335

00:47:05,670 --> 00:47:01,200

that's weird it does kind of like this

1336

00:47:08,870 --> 00:47:05,680

little s movement like a like a noodle

1337

00:47:11,349 --> 00:47:08,880

and just keeps going and i was like

1338

00:47:12,630 --> 00:47:11,359

[h__h] what the hell and then like as soon

1339

00:47:14,230 --> 00:47:12,640

as i get in the restaurant i'm gonna

1340

00:47:15,670 --> 00:47:14,240

text you and then you text me and you're

1341

00:47:18,470 --> 00:47:15,680

like hey i see this

1342

00:47:19,589 --> 00:47:18,480

you know look see this crazy thing yup

1343

00:47:22,710 --> 00:47:19,599

outside

1344

00:47:25,750 --> 00:47:22,720

and i was like no [h__h] i just saw it

1345

00:47:27,750 --> 00:47:25,760

yeah it was a glowing you know ball of

1346

00:47:28,630 --> 00:47:27,760

light and you were like yep yep same

1347

00:47:31,270 --> 00:47:28,640

thing

1348

00:47:31,910 --> 00:47:31,280

heading like this direction right yeah i

1349

00:47:34,150 --> 00:47:31,920

was

1350

00:47:36,150 --> 00:47:34,160

the fact that you were like yep saw that

1351
00:47:38,150 --> 00:47:36,160
that was the weirdest part about it is

1352
00:47:39,270 --> 00:47:38,160
yeah because you saw it and i saw it

1353
00:47:41,910 --> 00:47:39,280
what are the chances

1354
00:47:42,630 --> 00:47:41,920
that we're both outside and we both see

1355
00:47:44,950 --> 00:47:42,640
that [\h__\h]

1356
00:47:46,320 --> 00:47:44,960
so me me my buddy luke are for those of

1357
00:47:47,910 --> 00:47:46,330
you listening you know like

1358
00:47:49,990 --> 00:47:47,920
[Music]

1359
00:47:51,589 --> 00:47:50,000
we're outside we're we're cooking we're

1360
00:47:55,030 --> 00:47:51,599
uh frying some

1361
00:47:56,630 --> 00:47:55,040
some fish outside of his place and i'm

1362
00:47:58,309 --> 00:47:56,640
standing outside he's inside going to

1363
00:48:01,910 --> 00:47:58,319

the bathroom and i see this

1364

00:48:04,150 --> 00:48:01,920

bright ass orange light um coming

1365

00:48:06,069 --> 00:48:04,160

uh from the left and then it just kind

1366

00:48:09,270 --> 00:48:06,079

of slows down over the house so

1367

00:48:12,390 --> 00:48:09,280

i'm looking basically north east of

1368

00:48:15,109 --> 00:48:12,400

of where we uh of basically 35 so

1369

00:48:16,950 --> 00:48:15,119

in that flugerville direction and it

1370

00:48:19,510 --> 00:48:16,960

kind of slows down overhead

1371

00:48:21,510 --> 00:48:19,520

so it comes fast and then it slows down

1372

00:48:23,990 --> 00:48:21,520

as it kind of goes over his house

1373

00:48:25,190 --> 00:48:24,000

and i'm like luke come outside he peeks

1374

00:48:26,470 --> 00:48:25,200

his head out he knew what i was talking

1375

00:48:28,150 --> 00:48:26,480

about he was like dude i knew i could

1376

00:48:30,390 --> 00:48:28,160

tell in the tone of your voice

1377

00:48:32,309 --> 00:48:30,400

so he grabs his monoscope for for

1378

00:48:34,470 --> 00:48:32,319

hunting

1379

00:48:36,790 --> 00:48:34,480

and goes outside and by this time it's

1380

00:48:39,190 --> 00:48:36,800

kind of reached the tree line so

1381

00:48:42,390 --> 00:48:39,200

uh it is kind of obstructed but then

1382

00:48:44,150 --> 00:48:42,400

there's a clearing so he's

1383

00:48:45,670 --> 00:48:44,160

very clearly sees this object in his

1384

00:48:49,109 --> 00:48:45,680

monoscope and it's not like

1385

00:48:52,790 --> 00:48:49,119

a crazy telescope but it is magnified

1386

00:48:53,750 --> 00:48:52,800

and he says he sees five glowing objects

1387

00:48:56,069 --> 00:48:53,760

in a circle

1388

00:48:56,870 --> 00:48:56,079

like in a in a in a pentagon kind of

1389

00:48:59,910 --> 00:48:56,880

shape

1390

00:49:01,349 --> 00:48:59,920

uh and just that's what he sees instead

1391

00:49:03,270 --> 00:49:01,359

of one large light it's

1392

00:49:04,950 --> 00:49:03,280

five different lights five separate

1393

00:49:06,710 --> 00:49:04,960

lights going over the house

1394

00:49:08,630 --> 00:49:06,720

and he did agree like yeah it did slow

1395

00:49:10,630 --> 00:49:08,640

down for sure it slowed down

1396

00:49:11,670 --> 00:49:10,640

and then sped up as it was kind of

1397

00:49:13,510 --> 00:49:11,680

clearing that tree line

1398

00:49:15,670 --> 00:49:13,520

dude it's crazy so it didn't do any kind

1399

00:49:16,549 --> 00:49:15,680

of weird maneuvers but it did like slow

1400

00:49:18,790 --> 00:49:16,559

down and then

1401
00:49:21,030 --> 00:49:18,800
speed up and there's no flashing lights

1402
00:49:23,910 --> 00:49:21,040
on it just one ball of [h__h]

1403
00:49:26,630 --> 00:49:23,920
orange light man it's pretty nice it's

1404
00:49:32,230 --> 00:49:30,309
i don't know what it is yeah

1405
00:49:34,069 --> 00:49:32,240
i mean i'm pretty sure it's aliens i'm

1406
00:49:34,870 --> 00:49:34,079
pretty damn sure it's a pretty shirt

1407
00:49:38,549 --> 00:49:34,880
aliens

1408
00:49:41,109 --> 00:49:38,559
uh yeah bro the it's it's that until

1409
00:49:41,990 --> 00:49:41,119
until luella zondo says otherwise dude

1410
00:49:45,589 --> 00:49:42,000
it's aliens

1411
00:49:47,990 --> 00:49:45,599
dude because yeah

1412
00:49:49,750 --> 00:49:48,000
so dave's dave's show with uh dave scott

1413
00:49:50,710 --> 00:49:49,760

on spaced out radio had an awesome

1414

00:49:52,870 --> 00:49:50,720

interview with

1415

00:49:53,750 --> 00:49:52,880

lou elizondo i was so stoked about that

1416

00:49:57,030 --> 00:49:53,760

and and then

1417

00:49:57,990 --> 00:49:57,040

so i set a reminder to notify me and it

1418

00:50:00,630 --> 00:49:58,000

was only like two minutes

1419

00:50:01,109 --> 00:50:00,640

before so i was freaking out like oh

1420

00:50:03,589 --> 00:50:01,119

[h__\h]

1421

00:50:05,109 --> 00:50:03,599

yeah turn it on and man it was good it

1422

00:50:07,190 --> 00:50:05,119

was really good it was good

1423

00:50:08,549 --> 00:50:07,200

i'm really glad that uh dave was

1424

00:50:10,390 --> 00:50:08,559

interviewing because

1425

00:50:12,150 --> 00:50:10,400

like i feel like a lot of other people

1426

00:50:15,270 --> 00:50:12,160

would have just accepted

1427

00:50:18,150 --> 00:50:15,280

a lot of his through through the forest

1428

00:50:19,190 --> 00:50:18,160

kind of answers this dodging he's

1429

00:50:21,510 --> 00:50:19,200

dodging man yeah

1430

00:50:23,750 --> 00:50:21,520

he admits it too yeah but i coming out

1431

00:50:27,030 --> 00:50:23,760

of that interview i have such a

1432

00:50:30,150 --> 00:50:27,040

more of a respect for him yeah yeah

1433

00:50:32,549 --> 00:50:30,160

uh as as a person too like

1434

00:50:34,390 --> 00:50:32,559

it was a lot it was very humanizing i

1435

00:50:38,790 --> 00:50:34,400

got

1436

00:50:43,430 --> 00:50:42,230

you know he is real dodgy like with his

1437

00:50:46,390 --> 00:50:43,440

answers

1438

00:50:46,790 --> 00:50:46,400

he he's just not very direct with it

1439

00:50:50,390 --> 00:50:46,800

yeah

1440

00:50:51,829 --> 00:50:50,400

but i think i think he's trying to tell

1441

00:50:55,030 --> 00:50:51,839

people

1442

00:50:58,309 --> 00:50:55,040

hey when i do that it means yes

1443

00:51:00,870 --> 00:50:58,319

but he can't say right that means yes

1444

00:51:02,870 --> 00:51:00,880

you have to kind of like read it so i

1445

00:51:04,549 --> 00:51:02,880

think most people are like

1446

00:51:05,910 --> 00:51:04,559

just stay away from those types of

1447

00:51:07,270 --> 00:51:05,920

questions because they know he's just

1448

00:51:09,990 --> 00:51:07,280

gonna beat around the bush

1449

00:51:11,030 --> 00:51:10,000

but i feel like in his position where he

1450

00:51:13,589 --> 00:51:11,040

can't talk

1451
00:51:14,309 --> 00:51:13,599
he is under all these ndas he can't say

1452
00:51:16,470 --> 00:51:14,319
anything

1453
00:51:18,710 --> 00:51:16,480
he wants people to ask those questions

1454
00:51:22,470 --> 00:51:18,720
so he can be like

1455
00:51:25,270 --> 00:51:22,480
um well let me tell you

1456
00:51:25,910 --> 00:51:25,280
this because he and that's his his way

1457
00:51:28,069 --> 00:51:25,920
of saying

1458
00:51:29,349 --> 00:51:28,079
yes indirect confirmation yeah it's your

1459
00:51:31,190 --> 00:51:29,359
indirect con

1460
00:51:32,950 --> 00:51:31,200
because he can't say anything right

1461
00:51:34,069 --> 00:51:32,960
right he's just no matter how much you

1462
00:51:36,069 --> 00:51:34,079
poke and prod

1463
00:51:38,950 --> 00:51:36,079

he can't say anything so i almost feel

1464

00:51:40,710 --> 00:51:38,960

like he wants you to ask those questions

1465

00:51:42,309 --> 00:51:40,720

so that way whenever you're like oh good

1466

00:51:44,069 --> 00:51:42,319

way to beat around the bush

1467

00:51:45,670 --> 00:51:44,079

you can just go ahead and take that as

1468

00:51:48,829 --> 00:51:45,680

like confirmation right

1469

00:51:51,589 --> 00:51:48,839

yes that's what's happening yup dude

1470

00:51:53,030 --> 00:51:51,599

i that's a really good point i didn't

1471

00:51:54,950 --> 00:51:53,040

think about it that way for sure

1472

00:51:56,710 --> 00:51:54,960

because at first i was like really

1473

00:52:00,870 --> 00:51:56,720

irritated about it

1474

00:52:03,030 --> 00:52:00,880

i was like god damn it lou like

1475

00:52:04,950 --> 00:52:03,040

we're gonna do this again like okay i'm

1476

00:52:06,790 --> 00:52:04,960

gonna listen he's like talking about

1477

00:52:08,309 --> 00:52:06,800

okay so it depends on your definition of

1478

00:52:10,790 --> 00:52:08,319

an alien is it uh

1479

00:52:12,870 --> 00:52:10,800

are we talking about an immigrant no lou

1480

00:52:14,470 --> 00:52:12,880

we're not talking about a goddamn animal

1481

00:52:17,910 --> 00:52:14,480

oh [ʌ__h] we're talking about

1482

00:52:18,710 --> 00:52:17,920

talking about it yeah and dave even said

1483

00:52:20,790 --> 00:52:18,720

like

1484

00:52:21,990 --> 00:52:20,800

big he was very descriptive so i was

1485

00:52:26,069 --> 00:52:22,000

laughing dude yeah

1486

00:52:31,589 --> 00:52:29,270

gray sometimes brownish about three

1487

00:52:32,470 --> 00:52:31,599

four foot tall yeah have you ever seen

1488

00:52:35,670 --> 00:52:32,480

one of those

1489

00:52:36,470 --> 00:52:35,680

yeah and and then his answer lou's

1490

00:52:39,510 --> 00:52:36,480

answer

1491

00:52:41,510 --> 00:52:39,520

in the moment i was like oh he just

1492

00:52:44,950 --> 00:52:41,520

confirmed it but when i listened back

1493

00:52:47,670 --> 00:52:44,960

he still did a good job at deflecting

1494

00:52:48,069 --> 00:52:47,680

but he still kind of said yes yeah he

1495

00:52:50,470 --> 00:52:48,079

did

1496

00:52:52,150 --> 00:52:50,480

he said yes he said not much in this

1497

00:52:55,109 --> 00:52:52,160

world scares me

1498

00:52:55,589 --> 00:52:55,119

um but i have seen some pretty uh what

1499

00:52:59,109 --> 00:52:55,599

do you say

1500

00:53:00,630 --> 00:52:59,119

incredible things or yeah and then he

1501
00:53:03,030 --> 00:53:00,640
says

1502
00:53:04,950 --> 00:53:03,040
and yeah unnerving incredible things and

1503
00:53:06,069 --> 00:53:04,960
when i do see those things i just need

1504
00:53:08,549 --> 00:53:06,079
more information

1505
00:53:09,349 --> 00:53:08,559
that's what he said so well don't we all

1506
00:53:12,549 --> 00:53:09,359
lou

1507
00:53:14,230 --> 00:53:12,559
don't we all like that's a non-point

1508
00:53:15,430 --> 00:53:14,240
i i get what he's doing he's doing a

1509
00:53:15,990 --> 00:53:15,440
really good job of it like he's

1510
00:53:17,270 --> 00:53:16,000
definitely he's

1511
00:53:19,349 --> 00:53:17,280
trained to do he's trying to do that

1512
00:53:21,910 --> 00:53:19,359
yeah but i just man

1513
00:53:23,270 --> 00:53:21,920

going into that i i just had this stigma

1514

00:53:24,790 --> 00:53:23,280

and this idea of lube

1515

00:53:26,630 --> 00:53:24,800

just because the only times we ever hear

1516

00:53:28,549 --> 00:53:26,640

from him or see him

1517

00:53:30,069 --> 00:53:28,559

is in this protected little bubble

1518

00:53:31,349 --> 00:53:30,079

because he's never really reached out to

1519

00:53:34,549 --> 00:53:31,359

the community

1520

00:53:35,990 --> 00:53:34,559

um uh of of experiencers or people that

1521

00:53:39,430 --> 00:53:36,000

have been doing this for years

1522

00:53:42,470 --> 00:53:39,440

and he does address that but yeah

1523

00:53:43,990 --> 00:53:42,480

he can't blame us for for like

1524

00:53:45,589 --> 00:53:44,000

having a little i don't know if it's

1525

00:53:48,390 --> 00:53:45,599

called chip on the shoulder but

1526

00:53:49,829 --> 00:53:48,400

some some reservations towards the guy

1527

00:53:52,309 --> 00:53:49,839

like he can't blame us for that

1528

00:53:53,589 --> 00:53:52,319

oh yeah you did that yeah that was your

1529

00:53:56,470 --> 00:53:53,599

that's your job right yeah

1530

00:53:57,430 --> 00:53:56,480

i mean i uh i wrote down a note when i

1531

00:53:59,510 --> 00:53:57,440

was listening to that

1532

00:54:00,630 --> 00:53:59,520

i don't know if like you realize this

1533

00:54:03,510 --> 00:54:00,640

but people on

1534

00:54:04,950 --> 00:54:03,520

our side of the fence have been murdered

1535

00:54:06,870 --> 00:54:04,960

and taken out

1536

00:54:07,990 --> 00:54:06,880

what about people on your side of the

1537

00:54:10,790 --> 00:54:08,000

fence

1538

00:54:11,430 --> 00:54:10,800

no yeah people on arms get paid to do

1539

00:54:13,349 --> 00:54:11,440

that yeah

1540

00:54:15,510 --> 00:54:13,359

people on our side of the fence get run

1541

00:54:17,190 --> 00:54:15,520

down by suvs

1542

00:54:19,030 --> 00:54:17,200

people on our side of the fence get

1543

00:54:21,190 --> 00:54:19,040

[h__\h] poisoned

1544

00:54:23,589 --> 00:54:21,200

and die like people on our side of the

1545

00:54:26,309 --> 00:54:23,599

fence have their lives ruined their

1546

00:54:29,589 --> 00:54:26,319

finances completely wiped away their

1547

00:54:32,230 --> 00:54:29,599

names just disappear like

1548

00:54:33,510 --> 00:54:32,240

yeah you could see why we'd be a little

1549

00:54:36,829 --> 00:54:33,520

hesitant

1550

00:54:38,150 --> 00:54:36,839

uh to your side so right i don't wanna

1551
00:54:44,470 --> 00:54:38,160
like

1552
00:54:45,670 --> 00:54:44,480
don't want to come off as a dick but at

1553
00:54:47,750 --> 00:54:45,680
the same time like

1554
00:54:49,270 --> 00:54:47,760
i understand that like you've had a hard

1555
00:54:51,030 --> 00:54:49,280
time coming out

1556
00:54:52,710 --> 00:54:51,040
and you've had a lot of arrows shot at

1557
00:54:54,950 --> 00:54:52,720
you but

1558
00:54:56,630 --> 00:54:54,960
so you've got called a few names people

1559
00:54:59,670 --> 00:54:56,640
thought your hair looked funny

1560
00:55:02,230 --> 00:54:59,680
boo [h__h] who people on ours i have

1561
00:55:03,430 --> 00:55:02,240
literally been murdered yeah who cares

1562
00:55:06,150 --> 00:55:03,440
what you wear dude like

1563
00:55:07,030 --> 00:55:06,160

nobody gives a [\h__\h] right he seems very

1564

00:55:11,030 --> 00:55:07,040

genuine

1565

00:55:13,270 --> 00:55:11,040

he seems like he's you know uh

1566

00:55:14,230 --> 00:55:13,280

kind of really wants to maybe get this

1567

00:55:16,950 --> 00:55:14,240

information out

1568

00:55:18,150 --> 00:55:16,960

and i appreciate that i think that's

1569

00:55:21,430 --> 00:55:18,160

great

1570

00:55:21,829 --> 00:55:21,440

but you know it's that's a real touchy

1571

00:55:24,470 --> 00:55:21,839

thing

1572

00:55:26,069 --> 00:55:24,480

to just be like oh well you know people

1573

00:55:29,430 --> 00:55:26,079

have been mean to me

1574

00:55:32,309 --> 00:55:29,440

oh okay sorry no he didn't like harp too

1575

00:55:34,470 --> 00:55:32,319

much about that but dude i i i

1576

00:55:36,870 --> 00:55:34,480

definitely aligned with that the thought

1577

00:55:38,789 --> 00:55:36,880

is not about him complaining because he

1578

00:55:41,270 --> 00:55:38,799

wasn't really complaining it was just

1579

00:55:42,789 --> 00:55:41,280

yeah listen those people the people out

1580

00:55:46,150 --> 00:55:42,799

there that are in the government

1581

00:55:47,670 --> 00:55:46,160

have have been in these projects uh

1582

00:55:49,030 --> 00:55:47,680

don't understand where we're coming from

1583

00:55:49,589 --> 00:55:49,040

i think you're making a really good

1584

00:55:51,670 --> 00:55:49,599

point

1585

00:55:53,349 --> 00:55:51,680

yeah there's a reason why we don't trust

1586

00:55:55,670 --> 00:55:53,359

you guys yeah cause

1587

00:55:57,750 --> 00:55:55,680

and and i totally see his side too i

1588

00:55:59,349 --> 00:55:57,760

mean he comes out and he says you know i

1589

00:56:01,589 --> 00:55:59,359

thought people wanted the truth

1590

00:56:02,630 --> 00:56:01,599

and then people just shot arrows at me

1591

00:56:05,030 --> 00:56:02,640

it's like well

1592

00:56:06,309 --> 00:56:05,040

yeah yeah yeah no i guess i feel bad for

1593

00:56:08,470 --> 00:56:06,319

you dude like i do

1594

00:56:09,829 --> 00:56:08,480

that's your family has to see that you

1595

00:56:12,390 --> 00:56:09,839

know you have to read that

1596

00:56:14,230 --> 00:56:12,400

people are making fun of you like i get

1597

00:56:16,230 --> 00:56:14,240

it that's not a cool thing right that's

1598

00:56:17,990 --> 00:56:16,240

not cool on either side but

1599

00:56:19,829 --> 00:56:18,000

when we're talking about the severity of

1600

00:56:23,109 --> 00:56:19,839

like somebody made fun of your goatee

1601
00:56:25,109 --> 00:56:23,119
right as compared to like uh somebody

1602
00:56:26,630 --> 00:56:25,119
got poisoned yeah somebody was poisoned

1603
00:56:28,789 --> 00:56:26,640
and their family hasn't

1604
00:56:30,150 --> 00:56:28,799
doesn't even know where they went yeah

1605
00:56:32,069 --> 00:56:30,160
yeah and they're

1606
00:56:33,750 --> 00:56:32,079
yeah they're and then that family

1607
00:56:36,390 --> 00:56:33,760
disappears and then that yeah

1608
00:56:36,950 --> 00:56:36,400
exactly yeah okay people on your side

1609
00:56:40,549 --> 00:56:36,960
literally

1610
00:56:43,109 --> 00:56:40,559
go to people on our side and say hey

1611
00:56:45,349 --> 00:56:43,119
we'll murder your whole family right

1612
00:56:48,069 --> 00:56:45,359
make you watch it and leave you alive

1613
00:56:48,630 --> 00:56:48,079

right to live with it yeah like what the

1614

00:56:50,630 --> 00:56:48,640

[h__\h]

1615

00:56:51,670 --> 00:56:50,640

that happens yeah i should be able to

1616

00:56:54,309 --> 00:56:51,680

say your goatee

1617

00:56:55,589 --> 00:56:54,319

looks like trash right even even though

1618

00:56:56,470 --> 00:56:55,599

it doesn't i mean i think we've all

1619

00:56:59,750 --> 00:56:56,480

agreed that

1620

00:57:03,030 --> 00:57:01,829

but i mean it's like it was one of those

1621

00:57:04,069 --> 00:57:03,040

days where like when i heard that i was

1622

00:57:07,750 --> 00:57:04,079

like all right

1623

00:57:08,069 --> 00:57:07,760

okay yeah uh so coming from a place of

1624

00:57:10,309 --> 00:57:08,079

like

1625

00:57:11,990 --> 00:57:10,319

i don't trust this guy i don't get a

1626
00:57:13,270 --> 00:57:12,000
good vibe from him and then listening to

1627
00:57:15,510 --> 00:57:13,280
him on dave's show really

1628
00:57:16,309 --> 00:57:15,520
like changed my perspective it humanized

1629
00:57:17,670 --> 00:57:16,319
him for me

1630
00:57:20,630 --> 00:57:17,680
and i don't want to sit here and try to

1631
00:57:23,030 --> 00:57:20,640
like you know make him out to be

1632
00:57:24,470 --> 00:57:23,040
some angelic figure but i did i did

1633
00:57:25,990 --> 00:57:24,480
sympathize with him a little bit and one

1634
00:57:27,589 --> 00:57:26,000
thing that i wrote down is like this

1635
00:57:29,030 --> 00:57:27,599
analogy of

1636
00:57:30,630 --> 00:57:29,040
what maybe one of the reasons why he

1637
00:57:31,990 --> 00:57:30,640
didn't reach out to the community first

1638
00:57:34,870 --> 00:57:32,000

before going

1639

00:57:35,270 --> 00:57:34,880

public uh and i came up with this idea

1640

00:57:38,470 --> 00:57:35,280

so

1641

00:57:40,230 --> 00:57:38,480

he's a military guy you know never was

1642

00:57:41,750 --> 00:57:40,240

interested in ufos and then just kind of

1643

00:57:44,630 --> 00:57:41,760

kind of got thrown into this

1644

00:57:45,910 --> 00:57:44,640

dealt into this really fun game that a

1645

00:57:47,270 --> 00:57:45,920

lot of people really like

1646

00:57:49,190 --> 00:57:47,280

but you know nothing about and then

1647

00:57:50,549 --> 00:57:49,200

there's this huge community and culture

1648

00:57:53,990 --> 00:57:50,559

built around this thing

1649

00:57:56,150 --> 00:57:54,000

and you're just rushed into basically

1650

00:57:57,430 --> 00:57:56,160

giving all the chips now everybody's

1651
00:57:59,589 --> 00:57:57,440
looking at you like

1652
00:58:01,030 --> 00:57:59,599
well who the [h__h] is this guy yeah i've

1653
00:58:02,789 --> 00:58:01,040
been playing this game my whole life

1654
00:58:05,910 --> 00:58:02,799
it's like my favorite game in the world

1655
00:58:07,109 --> 00:58:05,920
and and i i would love to have those

1656
00:58:10,150 --> 00:58:07,119
chips and he's like well

1657
00:58:13,190 --> 00:58:10,160
that's not my fault i didn't know yeah

1658
00:58:15,270 --> 00:58:13,200
dude i mean my bad i guess i

1659
00:58:16,870 --> 00:58:15,280
i don't know that's the same vibe that i

1660
00:58:19,510 --> 00:58:16,880
got too that's yeah

1661
00:58:20,309 --> 00:58:19,520
so i did sympathize with him i did i did

1662
00:58:22,390 --> 00:58:20,319
you know

1663
00:58:23,349 --> 00:58:22,400

yeah feel a little bad for the guy yeah

1664

00:58:24,870 --> 00:58:23,359

but

1665

00:58:27,190 --> 00:58:24,880

not saying that any of those points use

1666

00:58:29,190 --> 00:58:27,200

that are like disregard like because

1667

00:58:31,109 --> 00:58:29,200

we're looking that's like the whole big

1668

00:58:32,069 --> 00:58:31,119

picture you know that's not something

1669

00:58:33,589 --> 00:58:32,079

specific

1670

00:58:35,430 --> 00:58:33,599

i don't know if lou's ever gotten the

1671

00:58:37,349 --> 00:58:35,440

word to like hey

1672

00:58:39,190 --> 00:58:37,359

we gotta go whack this guy and like lou

1673

00:58:40,630 --> 00:58:39,200

was the guy to do it i'm not saying that

1674

00:58:42,230 --> 00:58:40,640

you know i don't know

1675

00:58:43,910 --> 00:58:42,240

i don't know but [h__h] the one putting on

1676

00:58:45,589 --> 00:58:43,920

the gloves you know what i'm saying i

1677

00:58:45,990 --> 00:58:45,599

don't know but in the grand scheme of

1678

00:58:49,510 --> 00:58:46,000

things

1679

00:58:52,470 --> 00:58:49,520

right your team has been kind of dicks

1680

00:58:53,190 --> 00:58:52,480

the team meaning the cia the government

1681

00:58:55,470 --> 00:58:53,200

yeah [h__h]

1682

00:58:57,270 --> 00:58:55,480

entities the black projects uh the

1683

00:58:59,349 --> 00:58:57,280

unacknowledged projects

1684

00:59:01,349 --> 00:58:59,359

that's what you mean by team yeah him

1685

00:59:03,190 --> 00:59:01,359

and like two other dudes named joe

1686

00:59:05,109 --> 00:59:03,200

not like him and like tom de long or

1687

00:59:09,589 --> 00:59:05,119

like out whacking people and [h__h] well

1688

00:59:11,109 --> 00:59:09,599

tom's probably whacking off people dude

1689

00:59:13,270 --> 00:59:11,119

that'd be funny if like here with louis

1690

00:59:15,270 --> 00:59:13,280

london got sent out to whack people

1691

00:59:16,390 --> 00:59:15,280

and then like lou comes back takes his

1692

00:59:18,390 --> 00:59:16,400

gloves off and he's like

1693

00:59:19,750 --> 00:59:18,400

is the job done and like tom delong was

1694

00:59:21,190 --> 00:59:19,760

like jack somebody said what are you

1695

00:59:22,710 --> 00:59:21,200

doing we're supposed to whack these guys

1696

00:59:25,510 --> 00:59:22,720

and tom was like oh i completely

1697

00:59:27,510 --> 00:59:25,520

misunderstood what you said

1698

00:59:28,710 --> 00:59:27,520

see i think tom would love that joke i

1699

00:59:30,789 --> 00:59:28,720

think he would be doing [h__h]

1700

00:59:32,549 --> 00:59:30,799

that joke like yeah that's exactly what

1701

00:59:34,309 --> 00:59:32,559

i would do it's like if at least i wear

1702

00:59:36,350 --> 00:59:34,319

gloves man

1703

00:59:39,349 --> 00:59:36,360

but they saw your face ah [h__h]

1704

00:59:42,630 --> 00:59:39,359

[Laughter]

1705

00:59:44,549 --> 00:59:42,640

i wouldn't dude because not that like

1706

00:59:45,829 --> 00:59:44,559

i i don't care we could say whatever we

1707

00:59:46,309 --> 00:59:45,839

want on this podcast because i mean

1708

00:59:47,670 --> 00:59:46,319

they're

1709

00:59:49,589 --> 00:59:47,680

probably not ever going to hear it but

1710

00:59:50,789 --> 00:59:49,599

we're not saying lou whacked anybody

1711

00:59:56,230 --> 00:59:50,799

yeah just want to clear that up

1712

01:00:01,670 --> 00:59:56,240

yeah it's just it's fun to think about

1713

01:00:04,069 --> 01:00:01,680

whacking them take off your pants

1714

01:00:04,870 --> 01:00:04,079

uh yeah dude so i would love to get lou

1715

01:00:06,230 --> 01:00:04,880

on the show

1716

01:00:07,750 --> 01:00:06,240

check out all the cool stuff that we're

1771

01:01:53,990 --> 01:01:50,720

we're working on yeah and it's

1772

01:01:55,589 --> 01:01:54,000

it's also kind of a sister company to

1773

01:01:55,990 --> 01:01:55,599

ball skin company and co that's kind of

1774

01:01:59,270 --> 01:01:56,000

our

1775

01:02:01,190 --> 01:01:59,280

overall umbrella um got a lot of

1776

01:02:02,390 --> 01:02:01,200

really interesting project com projects

1777

01:02:04,710 --> 01:02:02,400

coming up uh

1778

01:02:07,190 --> 01:02:04,720

that i'm super excited about and it has

1779

01:02:10,470 --> 01:02:07,200

to do with uh anti-fart

1780

01:02:11,349 --> 01:02:10,480

technology yeah levitation and what does

1781

01:02:15,029 --> 01:02:11,359

that mean for

1782

01:02:18,470 --> 01:02:15,039

our boots and we've had we've had

1783

01:02:20,950 --> 01:02:18,480

i mean just thousands of photos

1784

01:02:22,069 --> 01:02:20,960

sent to us and we've we've put them

1785

01:02:25,190 --> 01:02:22,079

through rigorous

1786

01:02:27,750 --> 01:02:25,200

uh scientific analysis and studies

1787

01:02:29,670 --> 01:02:27,760

and one thing that all the top

1788

01:02:32,950 --> 01:02:29,680

scientists right now are saying is that

1789

01:02:34,230 --> 01:02:32,960

if you if you listen and engage with ufo

1790

01:02:37,349 --> 01:02:34,240

garage podcast yeah

1791

01:02:38,630 --> 01:02:37,359

your penis will get bigger yeah it and

1792

01:02:38,950 --> 01:02:38,640

so there's a lot of science out there

1793

01:02:42,230 --> 01:02:38,960

that

1794

01:02:43,670 --> 01:02:42,240

love we

1795

01:02:45,910 --> 01:02:43,680

invite that because we are a part of the

1796

01:02:47,349 --> 01:02:45,920

scientific community and what we what we

1797

01:02:48,470 --> 01:02:47,359

just want to get to the truth and tell

1798

01:02:50,789 --> 01:02:48,480

the people the public

1799

01:02:52,150 --> 01:02:50,799

that's right the the truth and uh the

1800

01:02:54,789 --> 01:02:52,160

scientific that's what the science

1801

01:02:56,069 --> 01:02:54,799

community needs is more open-mindedness

1802

01:02:57,670 --> 01:02:56,079

absolutely when it comes to uh

1803

01:02:59,829 --> 01:02:57,680

egyptology

1804

01:03:00,789 --> 01:02:59,839

there's no budge there's no budging

1805

01:03:03,109 --> 01:03:00,799

everybody's like

1806

01:03:04,150 --> 01:03:03,119

nope the world started 4 000 years ago

1807

01:03:05,670 --> 01:03:04,160

but that's when the

1808

01:03:07,750 --> 01:03:05,680

humans started making stuff and then

1809

01:03:11,029 --> 01:03:07,760

they were really good

1810

01:03:13,910 --> 01:03:11,039

and uh but but we at boston uh

1811

01:03:15,270 --> 01:03:13,920

company co and to the farts academy we

1812

01:03:17,670 --> 01:03:15,280

accepted all kinds of

1813

01:03:19,109 --> 01:03:17,680

theories and hypotheses so you know if

1814

01:03:22,230 --> 01:03:19,119

you're a scientist out there

1815

01:03:22,870 --> 01:03:22,240

hit us up yeah let us know no that was

1816

01:03:24,390 --> 01:03:22,880

probably the

1817

01:03:27,589 --> 01:03:24,400

most serious commercial we've ever done

1818

01:03:30,470 --> 01:03:27,599

that's great i loved it

1819

01:03:32,230 --> 01:03:30,480

yeah to thefartsacademy.com go check it

1820

01:03:32,710 --> 01:03:32,240

out also go check out our new website

1821

01:03:35,829 --> 01:03:32,720

1824

01:03:41,670 --> 01:03:39,920

podcast dot com it's no longer ufo

1825

screen a long time ago but i'm gonna

1829

01:03:52,150 --> 01:03:50,160

uh share it so we can ship to the farts

1830

01:03:53,750 --> 01:03:52,160

youtube

1834

01:03:59,750 --> 01:03:57,760

stuff like that we have at least 10

1835

01:04:02,150 --> 01:03:59,760

people watching each video actually

1864

01:04:59,910 --> 01:04:58,480

rather than a one-way conversation yeah

1865

01:05:01,510 --> 01:04:59,920

01:06:55,109 --> 01:06:53,280

i didn't know it was i never thought

1917

01:06:58,069 --> 01:06:55,119

about it anyway

1918

01:06:58,789 --> 01:06:58,079

uh we got new shirts and new socks a new

1919

01:07:00,789 --> 01:06:58,799

1920

01:07:02,150 --> 01:07:00,799

uh i want to give a shout out to uh

1921

01:07:05,270 --> 01:07:02,160

aurelio

1922

01:07:07,829 --> 01:07:05,280

uh and his son for

1923

01:07:09,190 --> 01:07:07,839

for sending in a design it's called

1924

01:07:12,230 --> 01:07:09,200

peace and love on our website

1925

01:07:13,589 --> 01:07:12,240

uh i really are a listener called uh

1926

01:07:15,990 --> 01:07:13,599

emailed us and was like hey do you mean

1927

01:07:19,190 --> 01:07:16,000

my son listen to your show all the time

1928

01:07:21,910 --> 01:07:19,200

uh and you know my son is a really good

1929

01:07:23,829 --> 01:07:21,920

uh a big fan of the show but we noticed

1930

01:07:25,990 --> 01:07:23,839

uh that you did not have any

1931

01:07:27,270 --> 01:07:26,000

child or kid-sized clothing so i went

1932

01:07:29,670 --> 01:07:27,280

ahead and made a

1933

01:07:31,190 --> 01:07:29,680

kid's clothing and i asked him hey get

1934

01:07:32,630 --> 01:07:31,200

get your son i don't know if i i don't

1935

01:07:34,549 --> 01:07:32,640

want to say his name just in case you

1936

01:07:35,190 --> 01:07:34,559

know to protect him whatever you know

1937

01:07:36,230 --> 01:07:35,200

how

1938

01:07:40,150 --> 01:07:36,240

there's a lot of people listen to the

1939

01:07:42,309 --> 01:07:40,160

show uh like uh so i asked him hey

1940

01:07:44,549 --> 01:07:42,319

what would your son want to put on a

1941

01:07:46,950 --> 01:07:44,559

shirt so he sent over like oh he wants a

1942

01:07:49,190 --> 01:07:46,960

a ufo with an alien coming down

1943

01:07:50,549 --> 01:07:49,200

so i was like yeah all right cool so i

1944

01:07:53,190 --> 01:07:50,559

just kind of ran with it and

1945

01:07:54,309 --> 01:07:53,200

uh yeah dude he designed his own shirt

1946

01:07:56,789 --> 01:07:54,319

for the ufo

1947

01:07:58,549 --> 01:07:56,799

garage podcast man it's pretty sick

1948

01:08:01,910 --> 01:07:58,559

check it out if you guys want to

1949

01:08:04,549 --> 01:08:01,920

support the show uh it always helps uh

1950

01:08:05,349 --> 01:08:04,559

keep this thing going um we are invested

1951

01:08:07,990 --> 01:08:05,359

in this thing

1952

01:08:08,630 --> 01:08:08,000

and we just love doing it but you know a

1953

01:08:12,230 --> 01:08:08,640

little bit

1954

01:08:14,870 --> 01:08:12,240

helps uh whatever you guys can uh uh

1955

01:08:16,309 --> 01:08:14,880

however you guys can support the show

1956

01:08:17,110 --> 01:08:16,319

buying shirts is like the best way

1957

01:08:18,870 --> 01:08:17,120

because we get

1958

01:08:21,269 --> 01:08:18,880

most of that and we got some new socks

1959

01:08:24,550 --> 01:08:21,279

on there too and some socks

1960

01:08:26,789 --> 01:08:24,560

sockswag it's got the impala icon on it

1961

01:08:28,789 --> 01:08:26,799

which is pretty dope

1962

01:08:30,229 --> 01:08:28,799

and uh i don't know there's more stuff

1963

01:08:32,149 --> 01:08:30,239

coming i think

1964

01:08:33,829 --> 01:08:32,159

we uh we're not ready to announce it yet

1965

01:08:37,110 --> 01:08:33,839

but we've got a pretty big

1966

01:08:38,789 --> 01:08:37,120

uh you know movement coming in

1967

01:08:40,390 --> 01:08:38,799

in that department in the uh the merch

1968

01:08:42,070 --> 01:08:40,400

store yeah

1969

01:08:43,430 --> 01:08:42,080

it might be a couple months but yeah

1970

01:08:45,269 --> 01:08:43,440

we'll see we got some ideas

1971

01:08:47,910 --> 01:08:45,279

we definitely got some ideas for sure

1972

01:08:49,669 --> 01:08:47,920

yeah uh and then uh it's got all of our

1973

01:08:51,349 --> 01:08:49,679

for through the text message

1989

01:09:28,229 --> 01:09:26,799

and i deleted the text message damn it

1990

01:09:28,630 --> 01:09:28,239

so i'm gonna have to go back and listen

1991

01:09:30,709 --> 01:09:28,640

to an

1992

01:09:32,070 --> 01:09:30,719

2011

01:10:30,070 --> 01:10:28,719

2012

01:10:32,149 --> 01:10:30,080

2029

01:11:09,350 --> 01:11:07,280

i thought they were all all pretty

2030

01:11:12,950 --> 01:11:09,360

awesome brought stuff to the table

2031

01:11:15,669 --> 01:11:12,960

david lee roth and sammy hagar you know

2032

01:11:17,189 --> 01:11:15,679

obviously obviously one was a little a

2033

01:11:20,310 --> 01:11:17,199

little more entertaining right

2034

01:11:22,070 --> 01:11:20,320

right um but couldn't sing

2035

01:11:23,590 --> 01:11:22,080

the other one was a little less

2036

01:11:26,390 --> 01:11:23,600

flamboyant you know

2037

01:11:27,430 --> 01:11:26,400

didn't you know rock the spandex and fly

2038

01:11:30,390 --> 01:11:27,440

over the stage but

2039

01:11:31,830 --> 01:11:30,400

hell of a voice hell of a voice uh the

2040

01:11:34,870 --> 01:11:31,840

longest piss ever sorry

2041

01:11:36,790 --> 01:11:34,880

was it the longest p in

2042

01:11:38,310 --> 01:11:36,800

history it was i was just telling

2043

01:11:40,149 --> 01:11:38,320

everybody that uh we're gonna we're

2044

01:11:42,950 --> 01:11:40,159

gonna listen to some van halen ah

2045

01:11:44,550 --> 01:11:42,960

hell yeah dude yep yep so me and ben

2046

01:11:48,229 --> 01:11:44,560

were talking about

2047

01:11:50,070 --> 01:11:48,239

about uh sammy hagar and his experience

2048

01:11:50,950 --> 01:11:50,080

that that he had and you know he claimed

2049

01:11:54,470 --> 01:11:50,960

to have like these

2050

01:11:57,110 --> 01:11:54,480

wild super vivid uh dreams and

2051

01:11:57,510 --> 01:11:57,120

you know seeing some stuff up in the sky

2052

01:12:00,709 --> 01:11:57,520

uh

2053

01:12:03,830 --> 01:12:00,719

there's a song by van halen

2054

01:12:05,189 --> 01:12:03,840

it's called love walks in i'm sure a lot

2055

01:12:06,709 --> 01:12:05,199

of you have heard it if you haven't

2056

01:12:08,390 --> 01:12:06,719

heard it before

2057

01:12:09,590 --> 01:12:08,400

we're gonna we're gonna we're gonna play

2058

01:12:10,149 --> 01:12:09,600

it and we're gonna go through it with

2059

01:12:12,630 --> 01:12:10,159

you guys

2060

01:12:13,350 --> 01:12:12,640

because uh i think he's talking about

2061

01:12:17,910 --> 01:12:13,360

aliens

2062

01:12:20,790 --> 01:12:17,920

and there's a lot of stuff

2063

01:12:22,149 --> 01:12:20,800

that that he says that was triggering

2064

01:12:24,310 --> 01:12:22,159

all these different things off

2065

01:12:25,669 --> 01:12:24,320

in my mind a second ago and we decided

2066

01:12:26,390 --> 01:12:25,679

we're gonna save it and just do a little
