

# UFO/ALIEN MOVIES

**RANKED**

1  
00:00:12,150 --> 00:00:08,470  
okay so we are doing a

2  
00:00:13,749 --> 00:00:12,160  
movie a our top movie choices

3  
00:00:16,150 --> 00:00:13,759  
up to i think there's twenty one two

4  
00:00:17,349 --> 00:00:16,160  
three okay back to numbers one

5  
00:00:20,150 --> 00:00:17,359  
all right so there were somewhere around

6  
00:00:21,590 --> 00:00:20,160  
like 20 or 25 yeah our top movie we had

7  
00:00:25,109 --> 00:00:21,600  
to stop because there's a lot

8  
00:00:28,230 --> 00:00:25,119  
yeah you guys count yeah and uh we have

9  
00:00:29,349 --> 00:00:28,240  
five well we have uh uh metrics and it's

10  
00:00:31,830 --> 00:00:29,359  
based on storyline

11  
00:00:33,110 --> 00:00:31,840  
originality and entertainment value so

12  
00:00:33,590 --> 00:00:33,120  
we're going to give each one of these a

13  
00:00:36,950 --> 00:00:33,600

metric

14

00:00:40,069 --> 00:00:36,960

and then rate them from s a b c

15

00:00:43,670 --> 00:00:40,079

d again s is

16

00:00:46,709 --> 00:00:43,680

super awesome a is awesome

17

00:00:50,069 --> 00:00:46,719

b is badass c is

18

00:00:51,670 --> 00:00:50,079

cool d is dumb

19

00:00:53,590 --> 00:00:51,680

all right cool so the first one we have

20

00:00:56,549 --> 00:00:53,600

up is alien

21

00:00:58,709 --> 00:00:56,559

alien first alien believe it or not it's

22

00:01:02,310 --> 00:00:58,719

about aliens

23

00:01:04,149 --> 00:01:02,320

wait what

24

00:01:07,030 --> 00:01:04,159

you haven't seen it no i thought it was

25

00:01:10,310 --> 00:01:08,550

it's what's on the cover right it's just

26

00:01:11,270 --> 00:01:10,320

an egg did you ever see an egg in the

27

00:01:13,750 --> 00:01:11,280

movie

28

00:01:15,270 --> 00:01:13,760

yeah do you really like the who who

29

00:01:18,310 --> 00:01:15,280

cracks out of that egg

30

00:01:19,190 --> 00:01:18,320

is the the guy no the face they jump on

31

00:01:22,870 --> 00:01:19,200

your face

32

00:01:25,910 --> 00:01:22,880

oh the the [h\_\_h] the face huggers yes

33

00:01:27,429 --> 00:01:25,920

i did not know that they jumped out of

34

00:01:27,910 --> 00:01:27,439

white eggs though i thought they came

35

00:01:29,749 --> 00:01:27,920

out of

36

00:01:31,350 --> 00:01:29,759

well because the queen lays those eggs

37

00:01:33,429 --> 00:01:31,360

that big massive

38

00:01:34,390 --> 00:01:33,439

and their white eggs and she's hanging

39

00:01:38,069 --> 00:01:34,400

hanging in that

40

00:01:39,429 --> 00:01:38,079

in that room and she's just pumping the

41

00:01:42,230 --> 00:01:39,439

eggs out

42

00:01:43,749 --> 00:01:42,240

the whole time yes yeah dude okay i

43

00:01:44,310 --> 00:01:43,759

don't remember the eggs being white

44

00:01:45,910 --> 00:01:44,320

though

45

00:01:48,149 --> 00:01:45,920

that's the only thing i remember and

46

00:01:50,230 --> 00:01:48,159

then the face hugger jumps on your face

47

00:01:51,910 --> 00:01:50,240

and then lays the alien inside of your

48

00:01:52,630 --> 00:01:51,920

body and that's when it busts out of

49

00:01:56,630 --> 00:01:52,640

your chest

50

00:01:57,510 --> 00:01:56,640

right yeah yeah dude talk about okay so

51  
00:01:59,670 --> 00:01:57,520  
alien

52  
00:02:00,950 --> 00:01:59,680  
i i know that it's in this there's

53  
00:02:01,990 --> 00:02:00,960  
there's somebody out there that knows

54  
00:02:04,230 --> 00:02:02,000  
this but

55  
00:02:06,230 --> 00:02:04,240  
i think my brother and i who who love

56  
00:02:08,949 --> 00:02:06,240  
these this the alien

57  
00:02:10,869 --> 00:02:08,959  
genre that i was like one of the first

58  
00:02:11,990 --> 00:02:10,879  
movies that me and my brother were like

59  
00:02:14,150 --> 00:02:12,000  
oh

60  
00:02:15,350 --> 00:02:14,160  
love this i think we had a conversation

61  
00:02:17,510 --> 00:02:15,360  
a couple years back which

62  
00:02:18,470 --> 00:02:17,520  
was way too long overdue we realized

63  
00:02:21,110 --> 00:02:18,480

that it was

64

00:02:23,589 --> 00:02:21,120

more of a thriller than it was a like

65

00:02:25,670 --> 00:02:23,599

sci-fi it was more like

66

00:02:27,830 --> 00:02:25,680

you don't see the which i appreciate you

67

00:02:30,550 --> 00:02:27,840

don't see the alien is

68

00:02:32,550 --> 00:02:30,560

a lot like you only see little flashes

69

00:02:34,630 --> 00:02:32,560

up towards like the end you get a lot of

70

00:02:36,470 --> 00:02:34,640

the aliens yeah exactly like

71

00:02:37,990 --> 00:02:36,480

for most of the movie you don't even see

72

00:02:39,589 --> 00:02:38,000

it all you hear and see

73

00:02:41,430 --> 00:02:39,599

are like just movements and like things

74

00:02:43,990 --> 00:02:41,440

moving and like breath

75

00:02:44,550 --> 00:02:44,000

and like you only see macro shots of of

76

00:02:49,430 --> 00:02:44,560

like

77

00:02:50,309 --> 00:02:49,440

the black skin on the on the alien and

78

00:02:52,229 --> 00:02:50,319

[h\_\_\h]

79

00:02:53,910 --> 00:02:52,239

but you don't even see the full body

80

00:02:55,350 --> 00:02:53,920

until later on in the movie

81

00:02:57,430 --> 00:02:55,360

yeah yeah but scene you were just

82

00:02:58,309 --> 00:02:57,440

talking about what the uh what the egg

83

00:03:00,869 --> 00:02:58,319

scene was

84

00:03:02,630 --> 00:03:00,879

she's like the queen is like hanging out

85

00:03:05,350 --> 00:03:02,640

and remember how bigger like

86

00:03:08,710 --> 00:03:05,360

her tumtum wise yeah she's gonna lay all

87

00:03:12,790 --> 00:03:11,830

eggs it's like like you go up to the

88

00:03:14,869 --> 00:03:12,800

farmer's market

89

00:03:16,390 --> 00:03:14,879

and there's like this big alien with a

90

00:03:18,630 --> 00:03:16,400

giant thorax

91

00:03:20,550 --> 00:03:18,640

like pumping these eggs out she's like

92

00:03:23,830 --> 00:03:20,560

holding a sign

93

00:03:24,710 --> 00:03:23,840

dude fresh eggs you crack the egg on a

94

00:03:26,630 --> 00:03:24,720

skillet and

95

00:03:28,309 --> 00:03:26,640

this this it just eats through the

96

00:03:29,830 --> 00:03:28,319

skillet

97

00:03:31,509 --> 00:03:29,840

and then it eats through yourself that's

98

00:03:34,229 --> 00:03:31,519

right yeah because the acid

99

00:03:35,830 --> 00:03:34,239

the acid like burns through [h\_\_\h] yeah it

100

00:03:38,550 --> 00:03:35,840

burns through your floor

101  
00:03:41,589 --> 00:03:38,560  
and you're like damn it i'm dang it i

102  
00:03:41,599 --> 00:03:45,110  
it looks

103  
00:03:50,550 --> 00:03:48,309  
you're all mad that shell that

104  
00:03:51,830 --> 00:03:50,560  
the the egg is made out of has to be the

105  
00:03:55,270 --> 00:03:51,840  
most

106  
00:03:57,670 --> 00:03:55,280  
biologically strong material

107  
00:03:59,830 --> 00:03:57,680  
yeah in the universe well i guess i

108  
00:04:01,509 --> 00:03:59,840  
guess the egg isn't the acidic thing

109  
00:04:02,630 --> 00:04:01,519  
right it's it's what they spit out of

110  
00:04:05,750 --> 00:04:02,640  
their mouth that's it's

111  
00:04:07,429 --> 00:04:05,760  
acidic because don't they like put their

112  
00:04:09,110 --> 00:04:07,439  
finger in it and it's all gooey and

113  
00:04:10,789 --> 00:04:09,120

they're like oh

114

00:04:12,390 --> 00:04:10,799

dude yeah see it's been so long since

115

00:04:14,149 --> 00:04:12,400

i've seen it it's been a while since

116

00:04:15,350 --> 00:04:14,159

i've seen it too yeah i think they do

117

00:04:17,509 --> 00:04:15,360

someone does touch it

118

00:04:18,789 --> 00:04:17,519

and it doesn't oh my god we need to

119

00:04:20,629 --> 00:04:18,799

check that [h\_\_h]

120

00:04:22,230 --> 00:04:20,639

but it does i remember specifically it's

121

00:04:25,749 --> 00:04:22,240

like a great

122

00:04:27,909 --> 00:04:25,759

uh like a square metal with like

123

00:04:28,950 --> 00:04:27,919

i i don't know a better word to say but

124

00:04:32,070 --> 00:04:28,960

like a great

125

00:04:33,670 --> 00:04:32,080

it's like a uh it's like an egg square

126

00:04:35,909 --> 00:04:33,680

it's like square but metal and there's

127

00:04:37,670 --> 00:04:35,919

like holes it's like square holes

128

00:04:39,189 --> 00:04:37,680

and then it like eats through that it's

129

00:04:40,950 --> 00:04:39,199

like the floor

130

00:04:42,790 --> 00:04:40,960

anyway dude it's so intense like where

131

00:04:43,189 --> 00:04:42,800

they're in that that uh they're closed

132

00:04:46,230 --> 00:04:43,199

off

133

00:04:49,510 --> 00:04:46,240

in that uh that medical room yes

134

00:04:53,110 --> 00:04:49,520

dude so okay the the

135

00:04:55,670 --> 00:04:53,120

the the uh the travel

136

00:04:56,550 --> 00:04:55,680

or is that in prometheus dude i think

137

00:04:58,550 --> 00:04:56,560

we're mixed i'm

138

00:05:00,390 --> 00:04:58,560

down i'm mixing up a couple of them i

139

00:05:01,350 --> 00:05:00,400

mean there's only like 100 alien movies

140

00:05:03,590 --> 00:05:01,360

right it is a

141

00:05:04,870 --> 00:05:03,600

lot i think prometheus is the one where

142

00:05:06,870 --> 00:05:04,880

the machine

143

00:05:08,070 --> 00:05:06,880

slices are open and it jumps out and

144

00:05:12,230 --> 00:05:08,080

gets in the room yes

145

00:05:18,790 --> 00:05:14,310

yeah do you remember the cat the cat was

146

00:05:22,790 --> 00:05:21,670

dude i can't remember who i was i think

147

00:05:25,270 --> 00:05:22,800

it was dolores

148

00:05:26,469 --> 00:05:25,280

uh what's her cannon cannon who was

149

00:05:28,790 --> 00:05:26,479

talking about

150

00:05:30,950 --> 00:05:28,800

sorry to go real quick just tangent but

151

00:05:34,469 --> 00:05:30,960

she was saying that cats can see

152

00:05:36,230 --> 00:05:34,479

uh uh different wavelengths of energy

153

00:05:37,670 --> 00:05:36,240

yeah it's why they just stare up at the

154

00:05:40,070 --> 00:05:37,680

corner of your your

155

00:05:41,189 --> 00:05:40,080

your walls exactly yeah and you're like

156

00:05:43,510 --> 00:05:41,199

what are you looking at

157

00:05:45,510 --> 00:05:43,520

you're freaking me out so that i mean

158

00:05:46,790 --> 00:05:45,520

not until recently like literally last

159

00:05:49,110 --> 00:05:46,800

week i saw this video

160

00:05:50,469 --> 00:05:49,120

and not until just now did i make that

161

00:05:52,150 --> 00:05:50,479

connection you just said there was a cat

162

00:05:52,950 --> 00:05:52,160

in that scene right yeah was that the

163

00:05:56,150 --> 00:05:52,960

original or

164

00:05:56,320 --> 00:05:56,160

or was that original i think so and it's

165

00:05:59,749 --> 00:05:56,330

like

166

00:06:04,790 --> 00:05:59,759

[Music]

167

00:06:06,080 --> 00:06:04,800

it's like not happy that fool was mad

168

00:06:08,010 --> 00:06:06,090

he's

169

00:06:14,629 --> 00:06:08,020

[Applause]

170

00:06:17,830 --> 00:06:16,950

what an awesome detail to put into that

171

00:06:20,390 --> 00:06:17,840

movie like

172

00:06:21,749 --> 00:06:20,400

i wonder if somebody on set if they had

173

00:06:36,309 --> 00:06:21,759

a

174

00:06:39,110 --> 00:06:36,319

uh

175

00:06:39,430 --> 00:06:39,120

the other day my dog started barking and

176

00:06:42,309 --> 00:06:39,440

like

177

00:06:43,110 --> 00:06:42,319

they ran to the window but then one of

178

00:06:45,110 --> 00:06:43,120

my dogs

179

00:06:46,150 --> 00:06:45,120

ran to the wall just started barking at

180

00:06:48,790 --> 00:06:46,160

it

181

00:06:49,350 --> 00:06:48,800

i don't know why like he's like all mad

182

00:06:53,990 --> 00:06:49,360

like

183

00:06:55,990 --> 00:06:54,000

window and started barking

184

00:06:57,350 --> 00:06:56,000

and then my third one like gizmo he just

185

00:06:58,710 --> 00:06:57,360

ran to the wall and started barking at

186

00:07:00,790 --> 00:06:58,720

the walls like what are you doing

187

00:07:03,909 --> 00:07:00,800

what you're not even in the right place

188

00:07:06,950 --> 00:07:06,230

follow me it wasn't like no window it's

189

00:07:08,629 --> 00:07:06,960

just a wall

190

00:07:10,390 --> 00:07:08,639

he's just barking into the wall you know

191

00:07:11,350 --> 00:07:10,400

i bet he got embarrassed and he was like

192

00:07:14,469 --> 00:07:11,360

you know what

193

00:07:15,749 --> 00:07:14,479

i'm gonna show my owner that i'm doing

194

00:07:18,790 --> 00:07:15,759

my job and i'm like i

195

00:07:21,110 --> 00:07:18,800

i trust me i needed to do this or

196

00:07:21,990 --> 00:07:21,120

or he was just like he knew he [h\_\_h] up

197

00:07:23,749 --> 00:07:22,000

but he was

198

00:07:25,110 --> 00:07:23,759

committed at that point so he wasn't

199

00:07:27,029 --> 00:07:25,120

gonna stop he was like um

200

00:07:28,790 --> 00:07:27,039

i should have went to the window but i'm

201  
00:07:29,430 --> 00:07:28,800  
here now yeah so we're gonna we're gonna

202  
00:07:32,790 --> 00:07:29,440  
do work

203  
00:07:34,790 --> 00:07:32,800  
at the wall yeah he's like okay

204  
00:07:36,150 --> 00:07:34,800  
dude that's yeah okay you have three

205  
00:07:40,550 --> 00:07:36,160  
little aliens by the way

206  
00:07:44,869 --> 00:07:43,189  
okay so alien let's do this so uh we

207  
00:07:47,270 --> 00:07:44,879  
have a lot to get through

208  
00:07:48,710 --> 00:07:47,280  
okay storyline let's talk about alien

209  
00:07:51,990 --> 00:07:48,720  
storyline

210  
00:07:53,350 --> 00:07:52,000  
epic epic dude okay but in the first

211  
00:07:56,550 --> 00:07:53,360  
movie if we're just taking

212  
00:08:00,469 --> 00:07:56,560  
into account for the first movie uh

213  
00:08:02,469 --> 00:08:00,479

it so it has to do with these

214

00:08:03,830 --> 00:08:02,479

does it really give you any context of

215

00:08:04,869 --> 00:08:03,840

they're there for like a mining

216

00:08:07,830 --> 00:08:04,879

expedition

217

00:08:09,029 --> 00:08:07,840

am i remembering that right i think so

218

00:08:09,589 --> 00:08:09,039

oh we're going to get someone cheating

219

00:08:11,029 --> 00:08:09,599

where's that

220

00:08:13,990 --> 00:08:11,039

i don't know that was that the one where

221

00:08:15,749 --> 00:08:14,000

they go to the proxima

222

00:08:17,189 --> 00:08:15,759

on the on the ship there's so many

223

00:08:19,029 --> 00:08:17,199

aliens

224

00:08:20,629 --> 00:08:19,039

okay well all right so it doesn't really

225

00:08:21,029 --> 00:08:20,639

give you any backstory that's what i

226

00:08:24,629 --> 00:08:21,039

know

227

00:08:28,230 --> 00:08:24,639

about that movie i think we should have

228

00:08:31,189 --> 00:08:29,830

and i've seen like it's not like we're

229

00:08:32,149 --> 00:08:31,199

gonna watch all these movies before

230

00:08:33,430 --> 00:08:32,159

doing this right

231

00:08:35,269 --> 00:08:33,440

all right let's skip over that let's

232

00:08:38,550 --> 00:08:35,279

give over that storyline

233

00:08:42,389 --> 00:08:38,560

storyline honestly as a series as a is a

234

00:08:43,909 --> 00:08:42,399

uh a franchise great badass right

235

00:08:45,430 --> 00:08:43,919

yeah great they did their homework they

236

00:08:47,910 --> 00:08:45,440

they watched

237

00:08:48,470 --> 00:08:47,920

uh all all the the prequels and then the

238

00:08:51,269 --> 00:08:48,480

move the

239

00:08:51,750 --> 00:08:51,279

sequential movies yeah dude it all holds

240

00:08:53,509 --> 00:08:51,760

up there's

241

00:08:55,350 --> 00:08:53,519

i don't know if there's any holes i'm

242

00:08:57,269 --> 00:08:55,360

sure there's some of the alien versus

243

00:09:00,070 --> 00:08:57,279

predators were a little wack

244

00:09:01,269 --> 00:09:00,080

oh they weren't like that cool but the

245

00:09:04,550 --> 00:09:01,279

alien movies

246

00:09:07,590 --> 00:09:04,560

and then like like into like prometheus

247

00:09:07,910 --> 00:09:07,600

yeah the one that's most fresh on my

248

00:09:11,030 --> 00:09:07,920

mind

249

00:09:14,230 --> 00:09:11,040

is prometheus and and i've freaking

250

00:09:16,310 --> 00:09:14,240

loved that movie yeah uh so

251

00:09:17,350 --> 00:09:16,320

i don't know i i give the storyline

252

00:09:18,790 --> 00:09:17,360

sorry what are you gonna say i thought

253

00:09:20,389 --> 00:09:18,800

that that was pretty cool

254

00:09:22,710 --> 00:09:20,399

uh like when they were advertising it

255

00:09:23,750 --> 00:09:22,720

because i i watched a lot of ted talks

256

00:09:26,470 --> 00:09:23,760

back in the day

257

00:09:27,110 --> 00:09:26,480

and then like when they advertised it

258

00:09:29,430 --> 00:09:27,120

they had

259

00:09:30,949 --> 00:09:29,440

homeboy like out of ted talks talking

260

00:09:33,110 --> 00:09:30,959

about the expedition

261

00:09:34,550 --> 00:09:33,120

really stuff like that and i was like

262

00:09:37,110 --> 00:09:34,560

whoa what is this

263

00:09:38,389 --> 00:09:37,120

and then i was like oh [\h\_\_\h] it's a new

264

00:09:41,430 --> 00:09:38,399

alien movie

265

00:09:43,990 --> 00:09:41,440

wait he was an atheist the the uh

266

00:09:44,470 --> 00:09:44,000

the director he was at a he was speaking

267

00:09:46,630 --> 00:09:44,480

it

268

00:09:48,470 --> 00:09:46,640

them in the movie oh in the movie in the

269

00:09:51,269 --> 00:09:48,480

movie the guy who was like

270

00:09:51,829 --> 00:09:51,279

funding the expedition was talking about

271

00:09:54,550 --> 00:09:51,839

you know

272

00:09:54,870 --> 00:09:54,560

going to this new place oh that's right

273

00:09:57,750 --> 00:09:54,880

yeah

274

00:09:59,269 --> 00:09:57,760

talking about like oh we see all these

275

00:09:59,590 --> 00:09:59,279

cave paintings in different parts of the

276

00:10:03,509 --> 00:09:59,600

world

277

00:10:05,750 --> 00:10:03,519

yeah ted talk yeah it was cool yeah dude

278

00:10:06,949 --> 00:10:05,760

i love bermuda maybe we should have put

279

00:10:09,110 --> 00:10:06,959

prometheus on here

280

00:10:11,030 --> 00:10:09,120

we were like trying to come up with like

281

00:10:12,150 --> 00:10:11,040

right like what are the ogs like people

282

00:10:13,509 --> 00:10:12,160

are going to get pissed if we don't put

283

00:10:15,750 --> 00:10:13,519

it on this list

284

00:10:17,190 --> 00:10:15,760

but all right well anyway did it 10

285

00:10:21,750 --> 00:10:17,200

minutes ago yeah

286

00:10:23,430 --> 00:10:21,760

so yeah storyline i mean

287

00:10:25,590 --> 00:10:23,440

good storyline it's a good story though

288

00:10:28,069 --> 00:10:25,600

are we doing are we doing the series

289

00:10:29,829 --> 00:10:28,079

or the franchise or just this one movie

290

00:10:30,630 --> 00:10:29,839

the one movie okay well let's just do

291

00:10:33,269 --> 00:10:30,640

the one movie so

292

00:10:34,630 --> 00:10:33,279

the movie the storyline is dope there's

293

00:10:37,750 --> 00:10:34,640

not a lot of context

294

00:10:39,910 --> 00:10:37,760

but it's better it what i like about it

295

00:10:40,550 --> 00:10:39,920

is that it is so contained they don't

296

00:10:42,470 --> 00:10:40,560

try

297

00:10:44,310 --> 00:10:42,480

you don't need that much of a storyline

298

00:10:47,190 --> 00:10:44,320

for this because it is a thriller

299

00:10:49,269 --> 00:10:47,200

all you know is these this they're in a

300

00:10:51,430 --> 00:10:49,279

ship they're on some other planet

301  
00:10:52,630 --> 00:10:51,440  
and there's a possibility of aliens oh

302  
00:10:54,949 --> 00:10:52,640  
there's [\h\_\_\h] aliens and they're gonna

303  
00:10:56,949 --> 00:10:54,959  
they're gonna kill you like it doesn't

304  
00:10:57,670 --> 00:10:56,959  
need that much the storyline so are we

305  
00:11:00,790 --> 00:10:57,680  
talking like

306  
00:11:01,190 --> 00:11:00,800  
the metric is storyline this thing it

307  
00:11:03,829 --> 00:11:01,200  
just

308  
00:11:06,069 --> 00:11:03,839  
works man they they simp they simplified

309  
00:11:07,829 --> 00:11:06,079  
it they didn't spend a lot of minutes

310  
00:11:09,750 --> 00:11:07,839  
for this feature league film trying to

311  
00:11:10,949 --> 00:11:09,760  
come up with some kind of cool story

312  
00:11:11,750 --> 00:11:10,959  
they were like you know what let's get

313  
00:11:15,110 --> 00:11:11,760

some guns

314

00:11:16,310 --> 00:11:15,120

let's get some aliens and uh let's make

315

00:11:18,630 --> 00:11:16,320

a fight

316

00:11:19,750 --> 00:11:18,640

that sounds pretty dumb that's pretty

317

00:11:24,389 --> 00:11:19,760

dude

318

00:11:26,550 --> 00:11:24,399

i okay i think the first alien movie

319

00:11:28,150 --> 00:11:26,560

should go in the awesome category i

320

00:11:31,509 --> 00:11:28,160

think so as well

321

00:11:32,949 --> 00:11:31,519

so well originality again

322

00:11:35,509 --> 00:11:32,959

that's up there for me dude

323

00:11:38,150 --> 00:11:35,519

entertainment value [h\_\_\h] up there

324

00:11:39,590 --> 00:11:38,160

but it's not my favorite so we're gonna

325

00:11:41,110 --> 00:11:39,600

put that in the awesome category yeah

326

00:11:43,110 --> 00:11:41,120

alien's awesome category

327

00:11:44,470 --> 00:11:43,120

really yeah second movie close

328

00:11:46,630 --> 00:11:44,480

encounters

329

00:11:49,590 --> 00:11:46,640

budget what are you doing close

330

00:11:54,470 --> 00:11:49,600

encounters are the third kind

331

00:12:02,069 --> 00:11:57,590

this is another steven grier film

332

00:12:05,509 --> 00:12:02,079

what i mean how bold do you have to be

333

00:12:06,790 --> 00:12:05,519

to name your duck

334

00:12:08,710 --> 00:12:06,800

i feel like we give this guy so much

335

00:12:09,750 --> 00:12:08,720

[h\_\_h] i'm sorry i really don't hate the

336

00:12:12,790 --> 00:12:09,760

guy i feel like

337

00:12:13,430 --> 00:12:12,800

well not only that but like the nerve to

338

00:12:16,870 --> 00:12:13,440

make

339

00:12:19,990 --> 00:12:16,880

it is kind of bold man the boldness

340

00:12:21,350 --> 00:12:20,000

to make five documentaries that are

341

00:12:23,269 --> 00:12:21,360

exactly the same

342

00:12:24,870 --> 00:12:23,279

yeah that's all right let's stay on

343

00:12:25,829 --> 00:12:24,880

track all right all right it's not on

344

00:12:28,230 --> 00:12:25,839

the list

345

00:12:29,110 --> 00:12:28,240

no list close encounters of the third

346

00:12:32,150 --> 00:12:29,120

kind

347

00:12:35,190 --> 00:12:32,160

it is probably

348

00:12:36,150 --> 00:12:35,200

one of the first alien movies that i had

349

00:12:39,430 --> 00:12:36,160

ever seen

350

00:12:40,470 --> 00:12:39,440

so i have a uh a really strong pull to

351  
00:12:42,389 --> 00:12:40,480  
this movie so i

352  
00:12:45,430 --> 00:12:42,399  
automatically love it i i'm biased for

353  
00:12:48,629 --> 00:12:45,440  
sure the storyline itself man

354  
00:12:52,069 --> 00:12:48,639  
is incredible you can't find any whole

355  
00:12:54,710 --> 00:12:52,079  
notch right i mean when you have

356  
00:12:55,190 --> 00:12:54,720  
when you have people like jaylen heineck

357  
00:12:57,750 --> 00:12:55,200  
you know

358  
00:12:58,310 --> 00:12:57,760  
like making a cameo in it yeah being

359  
00:13:02,629 --> 00:12:58,320  
like

360  
00:13:05,509 --> 00:13:02,639  
jacques valet

361  
00:13:07,030 --> 00:13:05,519  
also a part of it yeah you know and and

362  
00:13:07,829 --> 00:13:07,040  
you have the french guy in the movie

363  
00:13:10,069 --> 00:13:07,839

that's being

364

00:13:11,030 --> 00:13:10,079

that's representing like kind of you

365

00:13:14,310 --> 00:13:11,040

know valet

366

00:13:15,190 --> 00:13:14,320

and and uh yeah so they had some like

367

00:13:18,629 --> 00:13:15,200

real

368

00:13:21,350 --> 00:13:18,639

hard hitters while making them right

369

00:13:22,790 --> 00:13:21,360

also one of the first films that we have

370

00:13:25,190 --> 00:13:22,800

i mean

371

00:13:26,069 --> 00:13:25,200

witness testimony not like documents but

372

00:13:28,389 --> 00:13:26,079

one of

373

00:13:29,910 --> 00:13:28,399

a lot of people that were that had to do

374

00:13:31,430 --> 00:13:29,920

with that movie that worked on it that

375

00:13:34,870 --> 00:13:31,440

know people that worked on it

376

00:13:37,590 --> 00:13:34,880

said that was one of the first cia psyop

377

00:13:38,629 --> 00:13:37,600

hollywood intervention kind of deals

378

00:13:40,550 --> 00:13:38,639

where like they sent

379

00:13:42,790 --> 00:13:40,560

in people just to make sure that they

380

00:13:46,230 --> 00:13:42,800

didn't say anything that was

381

00:13:46,790 --> 00:13:46,240

too on the nose like yeah that's [h\_\_\h]

382

00:13:51,509 --> 00:13:46,800

cool

383

00:13:53,750 --> 00:13:51,519

which makes you think like

384

00:13:55,430 --> 00:13:53,760

that movie must be pretty close huh

385

00:13:58,550 --> 00:13:55,440

because when you look at like

386

00:14:01,509 --> 00:13:58,560

what's happening in the movie and like

387

00:14:02,949 --> 00:14:01,519

the dude's experience and how he just

388

00:14:05,189 --> 00:14:02,959

starts going crazy

389

00:14:06,310 --> 00:14:05,199

like not crazy like the devil's tower

390

00:14:08,790 --> 00:14:06,320

the devil's tower

391

00:14:10,389 --> 00:14:08,800

and like but other people are also

392

00:14:12,389 --> 00:14:10,399

having the same events

393

00:14:13,590 --> 00:14:12,399

that aren't connected right these

394

00:14:16,310 --> 00:14:13,600

downloads yeah

395

00:14:17,189 --> 00:14:16,320

people start building this this object

396

00:14:18,150 --> 00:14:17,199

is that where you're going with that

397

00:14:20,389 --> 00:14:18,160

like yeah like just

398

00:14:21,990 --> 00:14:20,399

just how it relates to like real life

399

00:14:24,069 --> 00:14:22,000

and people's stories

400

00:14:25,430 --> 00:14:24,079

contact stories that like i've heard

401

00:14:29,030 --> 00:14:25,440

right real life

402

00:14:31,509 --> 00:14:29,040

you know that's how it

403

00:14:33,189 --> 00:14:31,519

that's how it is so accurate the movie

404

00:14:36,230 --> 00:14:33,199

itself

405

00:14:38,629 --> 00:14:36,240

is slow it is very slow

406

00:14:39,509 --> 00:14:38,639

yep um really like the end is the

407

00:14:41,910 --> 00:14:39,519

coolest part

408

00:14:43,030 --> 00:14:41,920

right but the story you have to be able

409

00:14:47,110 --> 00:14:43,040

to appreciate

410

00:14:54,870 --> 00:14:52,150

the the the prank you know the uh

411

00:14:55,829 --> 00:14:54,880

damn i can't think the originality the

412

00:14:57,430 --> 00:14:55,839

realness

413

00:14:58,949 --> 00:14:57,440

that so yeah i have a thought i don't

414

00:14:59,430 --> 00:14:58,959

know if that's the word you're going for

415

00:15:01,829 --> 00:14:59,440

but

416

00:15:03,509 --> 00:15:01,839

the rea let's so you you said jaylen

417

00:15:04,629 --> 00:15:03,519

heineck who was definitely a consultant

418

00:15:06,710 --> 00:15:04,639

for this movie

419

00:15:08,949 --> 00:15:06,720

and other people that are like andy's in

420

00:15:11,110 --> 00:15:08,959

it like stick like uh sticks and

421

00:15:12,550 --> 00:15:11,120

sticks and stones uh brick and mortar

422

00:15:14,949 --> 00:15:12,560

like this is

423

00:15:16,629 --> 00:15:14,959

a respected public or government

424

00:15:18,470 --> 00:15:16,639

official whatever that's cool

425

00:15:19,910 --> 00:15:18,480

also the details that you were just

426

00:15:20,470 --> 00:15:19,920

referring to like the devil's tower

427

00:15:22,389 --> 00:15:20,480

everybody

428

00:15:23,990 --> 00:15:22,399

getting this download that had to have

429

00:15:25,430 --> 00:15:24,000

come from an experimenter

430

00:15:27,350 --> 00:15:25,440

yeah and we don't know who those people

431

00:15:29,990 --> 00:15:27,360

are no right so

432

00:15:30,870 --> 00:15:30,000

who who told who those those names

433

00:15:33,670 --> 00:15:30,880

weren't mentioned

434

00:15:34,870 --> 00:15:33,680

uh they never got a credit but we know

435

00:15:37,269 --> 00:15:34,880

now that

436

00:15:37,990 --> 00:15:37,279

that is what people experience a lot of

437

00:15:41,430 --> 00:15:38,000

people have

438

00:15:42,069 --> 00:15:41,440

very similar downloads of of uh hey you

439

00:15:44,470 --> 00:15:42,079

need to

440

00:15:45,829 --> 00:15:44,480

like being compelled to do something or

441

00:15:48,470 --> 00:15:45,839

being compelled to

442

00:15:49,269 --> 00:15:48,480

speak out in public about this certain

443

00:15:52,550 --> 00:15:49,279

event

444

00:15:54,230 --> 00:15:52,560

uh yeah it's just it hits home from a

445

00:15:55,590 --> 00:15:54,240

lot of the stories that we've heard

446

00:15:58,310 --> 00:15:55,600

from our guests that we've had on this

447

00:15:59,030 --> 00:15:58,320

podcast dude this is so accurate oh

448

00:16:02,550 --> 00:15:59,040

definitely

449

00:16:03,509 --> 00:16:02,560

scene in the movie and i know this is

450

00:16:04,629 --> 00:16:03,519

lame but like

451

00:16:07,590 --> 00:16:04,639

one of the i think it's like in the

452

00:16:10,389 --> 00:16:07,600

first 10 minutes where the that uh

453

00:16:11,269 --> 00:16:10,399

car chase where the police are driving

454

00:16:13,189 --> 00:16:11,279

through the valley

455

00:16:14,389 --> 00:16:13,199

and and hollywood or some i think it's

456

00:16:16,150 --> 00:16:14,399

like in california

457

00:16:18,470 --> 00:16:16,160

and then they see the little the little

458

00:16:22,230 --> 00:16:20,790

the ufos kind of following the highway

459

00:16:25,910 --> 00:16:22,240

and then you see uh

460

00:16:29,829 --> 00:16:25,920

like the cop cars chasing it as if like

461

00:16:31,430 --> 00:16:29,839

the so it's cool it's really freaking

462

00:16:33,030 --> 00:16:31,440

like in the truck and the thing like

463

00:16:36,230 --> 00:16:33,040

comes over him and his

464

00:16:38,150 --> 00:16:36,240

truck starts going crazy and the radio

465

00:16:40,069 --> 00:16:38,160

starts going all wild and stuff

466

00:16:42,069 --> 00:16:40,079

and he's like what the hell is going on

467

00:16:46,150 --> 00:16:42,079

hey hey i'm just trying to

468

00:16:51,590 --> 00:16:49,269

but that for me is is also

469

00:16:53,110 --> 00:16:51,600

uh i know this was an old older movie

470

00:16:55,749 --> 00:16:53,120

but the cgi

471

00:16:57,030 --> 00:16:55,759

in that movie is really good i don't

472

00:16:58,310 --> 00:16:57,040

know if they've retouched it the last

473

00:17:00,150 --> 00:16:58,320

time i saw it but

474

00:17:01,910 --> 00:17:00,160

they might have yeah i'm sure yeah

475

00:17:03,590 --> 00:17:01,920

there's definitely a remastered version

476

00:17:03,990 --> 00:17:03,600

yeah i think i have the remastered

477

00:17:06,870 --> 00:17:04,000

version

478

00:17:07,189 --> 00:17:06,880

actually yeah so yeah it's it's pretty

479

00:17:09,669 --> 00:17:07,199

good

480

00:17:10,949 --> 00:17:09,679

yeah and the little aliens that come out

481

00:17:12,390 --> 00:17:10,959

of the ship

482

00:17:14,309 --> 00:17:12,400

it's cool they just dressed up a bunch

483

00:17:15,590 --> 00:17:14,319

of little kids yeah and put them in

484

00:17:17,669 --> 00:17:15,600

these

485

00:17:18,789 --> 00:17:17,679

for for one of the scenes yeah they had

486

00:17:20,949 --> 00:17:18,799

a bunch of kids and then

487

00:17:22,789 --> 00:17:20,959

for the one where like it's a close-up

488

00:17:24,150 --> 00:17:22,799

of the alien and it's like

489

00:17:26,150 --> 00:17:24,160

it comes out of the door and it's like

490

00:17:27,350 --> 00:17:26,160

it reaches up and it looks up and it's

491

00:17:29,270 --> 00:17:27,360

like this

492

00:17:31,430 --> 00:17:29,280

that i don't think was a child i think

493

00:17:33,590 --> 00:17:31,440

that was either a puppet

494

00:17:35,190 --> 00:17:33,600

or or something else cause i remember

495

00:17:36,710 --> 00:17:35,200

even

496

00:17:38,470 --> 00:17:36,720

back in the day when i first saw it

497

00:17:41,510 --> 00:17:38,480

thinking like ah it looks fake

498

00:17:44,549 --> 00:17:41,520

and then recently seeing it now

499

00:17:49,029 --> 00:17:44,559

knowing like what things should

500

00:17:54,150 --> 00:17:51,270

uh it seemed a lot more fake and like

501  
00:17:56,310 --> 00:17:54,160  
low budget but i mean for the time

502  
00:17:57,510 --> 00:17:56,320  
it was it was amazing oh yeah but you

503  
00:17:57,990 --> 00:17:57,520  
know that scene right what i'm talking

504  
00:18:00,710 --> 00:17:58,000  
about yeah

505  
00:18:01,830 --> 00:18:00,720  
like reaches out it's like he like tilts

506  
00:18:04,070 --> 00:18:01,840  
his head a little

507  
00:18:05,909 --> 00:18:04,080  
a little bit it's creepy but again back

508  
00:18:08,310 --> 00:18:05,919  
to like when we first started

509  
00:18:09,669 --> 00:18:08,320  
this show like we don't know how aliens

510  
00:18:13,590 --> 00:18:09,679  
move do you think

511  
00:18:16,950 --> 00:18:13,600  
do you think the uh the sound

512  
00:18:18,390 --> 00:18:16,960  
things are are accurate or do you think

513  
00:18:21,510 --> 00:18:18,400

they were trying to like

514

00:18:24,630 --> 00:18:21,520

represent uh frequency oh

515

00:18:26,789 --> 00:18:24,640

ooh good question yeah because they had

516

00:18:27,270 --> 00:18:26,799

the lights like the simon says lights on

517

00:18:29,430 --> 00:18:27,280

there

518

00:18:30,310 --> 00:18:29,440

yeah you know well do you think that

519

00:18:32,070 --> 00:18:30,320

like they're

520

00:18:33,909 --> 00:18:32,080

really communicating with that sound or

521

00:18:36,630 --> 00:18:33,919

do you think they were trying to like

522

00:18:37,270 --> 00:18:36,640

say hey frequency is kind of a big part

523

00:18:40,470 --> 00:18:37,280

of this

524

00:18:41,590 --> 00:18:40,480

well so i'll i don't i don't really have

525

00:18:44,789 --> 00:18:41,600

an answer for that

526

00:18:46,470 --> 00:18:44,799

but i will say this the the frequency

527

00:18:48,549 --> 00:18:46,480

applies to both sound and

528

00:18:49,750 --> 00:18:48,559

uh color because color is a wave and a

529

00:18:52,390 --> 00:18:49,760

frequency

530

00:18:53,029 --> 00:18:52,400

like it's in a part it's a particle and

531

00:18:55,750 --> 00:18:53,039

a wave

532

00:18:56,070 --> 00:18:55,760

so that means everything has a frequency

533

00:19:02,230 --> 00:18:56,080

of

534

00:19:03,909 --> 00:19:02,240

okay well where do we want to focus on

535

00:19:05,990 --> 00:19:03,919

like are we talking about sound because

536

00:19:09,510 --> 00:19:06,000

sound can have a frequency

537

00:19:11,990 --> 00:19:09,520

but the decibel level depends on

538

00:19:13,510 --> 00:19:12,000

well there's a whole like equation to it

539

00:19:15,029 --> 00:19:13,520

but you can have the same frequency and

540

00:19:16,230 --> 00:19:15,039

have low db's and not be able to hear

541

00:19:19,110 --> 00:19:16,240

it's the same frequency

542

00:19:20,950 --> 00:19:19,120

but like color so my point is the color

543

00:19:21,510 --> 00:19:20,960

has its own frequency so they could have

544

00:19:24,070 --> 00:19:21,520

been

545

00:19:24,950 --> 00:19:24,080

communicating with color rather than

546

00:19:27,830 --> 00:19:24,960

sound and they

547

00:19:28,549 --> 00:19:27,840

they and then i'm just like snowballing

548

00:19:30,470 --> 00:19:28,559

but

549

00:19:32,070 --> 00:19:30,480

maybe because they did the sounds and

550

00:19:34,470 --> 00:19:32,080

the colors at the same time right

551  
00:19:36,230 --> 00:19:34,480  
the ufo yeah so maybe they thought oh

552  
00:19:38,470 --> 00:19:36,240  
well humans they're so dumb they need a

553  
00:19:40,470 --> 00:19:38,480  
color with a sound

554  
00:19:42,310 --> 00:19:40,480  
so like let's do both let's go okay fine

555  
00:19:43,830 --> 00:19:42,320  
let's do let's do numbers and alpha

556  
00:19:46,710 --> 00:19:43,840  
and letters at the same time let's see

557  
00:19:48,150 --> 00:19:46,720  
if they can figure this out

558  
00:19:50,630 --> 00:19:48,160  
yeah i feel like i just talked for a

559  
00:19:53,029 --> 00:19:50,640  
really long time it was it was a little

560  
00:19:56,150 --> 00:19:53,039  
too smart i think

561  
00:19:57,110 --> 00:19:56,160  
no it was perfect badass movie close

562  
00:20:00,630 --> 00:19:57,120  
encounters

563  
00:20:02,630 --> 00:20:00,640

so totally bad storyline epic

564

00:20:04,149 --> 00:20:02,640

it it comes full circle there's there's

565

00:20:06,630 --> 00:20:04,159

not a lot of holes for me that i

566

00:20:09,750 --> 00:20:06,640

remember that stick out in my memory

567

00:20:13,990 --> 00:20:09,760

originality most original

568

00:20:16,230 --> 00:20:14,000

original is it original because of

569

00:20:17,350 --> 00:20:16,240

original thought or is it original

570

00:20:20,870 --> 00:20:17,360

because of like

571

00:20:23,909 --> 00:20:20,880

the accuracy of it um

572

00:20:24,870 --> 00:20:23,919

love that love that because if you were

573

00:20:27,750 --> 00:20:24,880

going off of

574

00:20:29,350 --> 00:20:27,760

this you know in the like 80s the

575

00:20:32,950 --> 00:20:29,360

originality

576  
00:20:34,470 --> 00:20:32,960  
coming from the accuracy is like kind of

577  
00:20:37,909 --> 00:20:34,480  
mind-blowing

578  
00:20:41,190 --> 00:20:37,919  
now in 2021

579  
00:20:44,789 --> 00:20:41,200  
you look back and you're like holy crap

580  
00:20:48,070 --> 00:20:44,799  
like they were really saying something

581  
00:20:50,070 --> 00:20:48,080  
right dude then then dude that gives me

582  
00:20:52,149 --> 00:20:50,080  
a whole perspective on

583  
00:20:53,350 --> 00:20:52,159  
that idea because it's not something

584  
00:20:55,270 --> 00:20:53,360  
they just made up

585  
00:20:56,789 --> 00:20:55,280  
in their i mean it was an original idea

586  
00:20:57,350 --> 00:20:56,799  
like hey i want to make this cool alien

587  
00:20:59,669 --> 00:20:57,360  
movie

588  
00:21:01,110 --> 00:20:59,679

i want there to be like some like real

589

00:21:03,590 --> 00:21:01,120

stuff that goes along with it

590

00:21:05,029 --> 00:21:03,600

yeah i get to help with it you know oh

591

00:21:07,029 --> 00:21:05,039

jaylen

592

00:21:09,830 --> 00:21:07,039

you know jacques valet and they're

593

00:21:12,390 --> 00:21:09,840

giving all these actual real stories

594

00:21:14,789 --> 00:21:12,400

they're actually you know helping advise

595

00:21:17,430 --> 00:21:14,799

like with stories that they've heard

596

00:21:18,950 --> 00:21:17,440

evidence that they have you know yeah

597

00:21:21,029 --> 00:21:18,960

and their government involvement

598

00:21:23,110 --> 00:21:21,039

what the government does in these

599

00:21:23,830 --> 00:21:23,120

certain situations and implementing all

600

00:21:26,149 --> 00:21:23,840

that stuff

601  
00:21:27,830 --> 00:21:26,159  
into the movie and then you see it as

602  
00:21:29,590 --> 00:21:27,840  
like a blockbuster and you're like man

603  
00:21:33,110 --> 00:21:29,600  
what a cool alien movie

604  
00:21:37,029 --> 00:21:33,120  
but now in 2021 knowing what we know

605  
00:21:40,630 --> 00:21:37,039  
holy crap right yeah yeah

606  
00:21:43,029 --> 00:21:40,640  
[h\_\_\h] love that yep i say man

607  
00:21:44,470 --> 00:21:43,039  
so i think it goes in the d category for

608  
00:21:47,510 --> 00:21:44,480  
dunk

609  
00:21:50,630 --> 00:21:47,520  
soda no definitely not

610  
00:21:51,350 --> 00:21:50,640  
uh entertainment value i'm entertainment

611  
00:21:53,430 --> 00:21:51,360  
come on

612  
00:21:54,390 --> 00:21:53,440  
yeah yeah what i think of entertainment

613  
00:21:55,990 --> 00:21:54,400

value it's like

614

00:21:57,990 --> 00:21:56,000

who who's in entertaining is it

615

00:21:59,750 --> 00:21:58,000

entertaining people that really love

616

00:22:02,149 --> 00:21:59,760

this stuff or is it entertaining the

617

00:22:04,630 --> 00:22:02,159

masses like there's a spectrum

618

00:22:05,350 --> 00:22:04,640

and for me i think this hits both the

619

00:22:08,149 --> 00:22:05,360

masses

620

00:22:09,029 --> 00:22:08,159

and the people that are like into this

621

00:22:11,350 --> 00:22:09,039

[h\_\_\h] like you and i

622

00:22:12,870 --> 00:22:11,360

right right so i feel like it's 10

623

00:22:14,789 --> 00:22:12,880

across the board and i want to say it's

624

00:22:17,750 --> 00:22:14,799

an s for me

625

00:22:18,470 --> 00:22:17,760

for super super awesome that's what i'm

626

00:22:21,110 --> 00:22:18,480

i'm just

627

00:22:24,630 --> 00:22:21,120

i say throw it up there yeah okay what

628

00:22:30,149 --> 00:22:27,909

what what are your thoughts i i think

629

00:22:33,669 --> 00:22:30,159

it's super awesome

630

00:22:36,470 --> 00:22:33,679

but also is it propoganda

631

00:22:37,430 --> 00:22:36,480

ooh now you're making me change mine so

632

00:22:41,190 --> 00:22:37,440

now

633

00:22:44,870 --> 00:22:41,200

i'm like yeah i love the movie

634

00:22:46,710 --> 00:22:44,880

oh well do we should we apply those

635

00:22:48,310 --> 00:22:46,720

those metrics to the movie because we're

636

00:22:49,990 --> 00:22:48,320

if we're just talking about the movie

637

00:22:52,149 --> 00:22:50,000

i know this matters i know that thought

638

00:22:53,510 --> 00:22:52,159

matters yeah and i do appreciate that

639

00:22:55,270 --> 00:22:53,520

and because it makes me want to change

640

00:22:57,909 --> 00:22:55,280

it back down it's more of an

641

00:22:59,029 --> 00:22:57,919

internal like struggle like yeah it's a

642

00:23:01,909 --> 00:22:59,039

badass movie right

643

00:23:02,870 --> 00:23:01,919

was it propaganda like that makes it not

644

00:23:05,669 --> 00:23:02,880

super awesome

645

00:23:08,070 --> 00:23:05,679

i feel like it makes it an awesome movie

646

00:23:10,310 --> 00:23:08,080

but if it's if it's like

647

00:23:12,310 --> 00:23:10,320

you know i don't know i do information

648

00:23:14,070 --> 00:23:12,320

it's not super awesome

649

00:23:16,070 --> 00:23:14,080

dude i'm glad that you said something

650

00:23:20,230 --> 00:23:16,080

because i i agree

651  
00:23:22,870 --> 00:23:20,240  
i agree completely um because i know

652  
00:23:23,590 --> 00:23:22,880  
for a fact that there is one movie here

653  
00:23:25,830 --> 00:23:23,600  
that i

654  
00:23:26,710 --> 00:23:25,840  
i think i think there should be only

655  
00:23:28,470 --> 00:23:26,720  
well tell me if

656  
00:23:30,230 --> 00:23:28,480  
what do you think but there should be

657  
00:23:31,750 --> 00:23:30,240  
only one movie in the super awesome

658  
00:23:33,990 --> 00:23:31,760  
category

659  
00:23:35,590 --> 00:23:34,000  
and i'm leaning towards one we'll see

660  
00:23:36,630 --> 00:23:35,600  
when we get to it but there's one movie

661  
00:23:39,350 --> 00:23:36,640  
that i'm leaning towards

662  
00:23:39,750 --> 00:23:39,360  
but it's got to be covers all the bases

663  
00:23:43,269 --> 00:23:39,760

has

664

00:23:44,710 --> 00:23:43,279

no rhetoric or or propaganda

665

00:23:47,029 --> 00:23:44,720

yeah you know if we're if we're adding

666

00:23:48,470 --> 00:23:47,039

that metric in there we've gotta

667

00:23:50,230 --> 00:23:48,480

okay cool you know what i mean i would

668

00:23:51,990 --> 00:23:50,240

put i would put close encounters in the

669

00:23:53,830 --> 00:23:52,000

awesome category okay another one in

670

00:23:56,470 --> 00:23:53,840

awesome all right we have alien

671

00:23:57,110 --> 00:23:56,480

and close encounters of the third kind

672

00:23:59,750 --> 00:23:57,120

is it

673

00:24:00,390 --> 00:23:59,760

yeah it all in the awesome category yep

674

00:24:05,029 --> 00:24:00,400

all right

675

00:24:10,710 --> 00:24:05,039

cool next one one of my

676  
00:24:16,070 --> 00:24:13,909  
coneheads yeah dude

677  
00:24:18,870 --> 00:24:16,080  
i love the cone heads and we're talking

678  
00:24:20,390 --> 00:24:18,880  
about originality 100

679  
00:24:22,470 --> 00:24:20,400  
yeah we're talking about entertainment

680  
00:24:23,750 --> 00:24:22,480  
value 100

681  
00:24:26,310 --> 00:24:23,760  
yeah if we're talking what's the other

682  
00:24:29,510 --> 00:24:26,320  
one storyline storyline

683  
00:24:31,909 --> 00:24:29,520  
100 100 dude there is

684  
00:24:34,230 --> 00:24:31,919  
there are no holes in this i don't know

685  
00:24:36,149 --> 00:24:34,240  
what your what your super awesome movie

686  
00:24:39,830 --> 00:24:36,159  
was but mine was cone heads

687  
00:24:41,430 --> 00:24:39,840  
dude okay hey we could

688  
00:24:43,669 --> 00:24:41,440

i mean we could break it down we gotta

689

00:24:45,830 --> 00:24:43,679

put it it that is if you believe that

690

00:24:46,710 --> 00:24:45,840

that is a super awesome movie we have to

691

00:24:48,789 --> 00:24:46,720

put it in there

692

00:24:49,830 --> 00:24:48,799

yeah i i think it is a super awesome

693

00:24:53,029 --> 00:24:49,840

movie

694

00:24:55,669 --> 00:24:53,039

i mean we're talking uh you got

695

00:24:56,630 --> 00:24:55,679

humor you got you got like kind of

696

00:24:59,590 --> 00:24:56,640

accurate

697

00:24:59,990 --> 00:24:59,600

uh representation of of aliens living

698

00:25:04,230 --> 00:25:00,000

among

699

00:25:06,230 --> 00:25:04,240

us right humongous dude yes

700

00:25:07,669 --> 00:25:06,240

and it's funny because like the guy

701  
00:25:08,789 --> 00:25:07,679  
walks around with a cone head and nobody

702  
00:25:13,029 --> 00:25:08,799  
really says anything

703  
00:25:13,830 --> 00:25:13,039  
you know dude um and also his daughter's

704  
00:25:15,430 --> 00:25:13,840  
likes

705  
00:25:17,110 --> 00:25:15,440  
okay it's just it's just want to talk

706  
00:25:18,549 --> 00:25:17,120  
about anybody's daughter but that actors

707  
00:25:20,390 --> 00:25:18,559  
in that movie it doesn't matter she has

708  
00:25:22,789 --> 00:25:20,400  
a cone head she's she she's

709  
00:25:24,630 --> 00:25:22,799  
she's fine she's so fine she i know what

710  
00:25:27,990 --> 00:25:24,640  
chris farley saw in her

711  
00:25:31,269 --> 00:25:28,000  
yeah she's fine yeah oh your shoe point

712  
00:25:35,510 --> 00:25:31,279  
uh damn it what do they call it uh

713  
00:25:36,950 --> 00:25:35,520

honing you are too young to hone

714

00:25:38,950 --> 00:25:36,960

they put the whole holding they come

715

00:25:42,470 --> 00:25:38,960

back from their parents come back and

716

00:25:44,149 --> 00:25:42,480

they're like touching

717

00:25:45,909 --> 00:25:44,159

i like when she's when she's in the

718

00:25:47,430 --> 00:25:45,919

grocery store and she sees the eggplants

719

00:25:51,750 --> 00:25:47,440

and she's like

720

00:25:55,190 --> 00:25:53,350

and then he comes like he comes in for

721

00:25:59,590 --> 00:25:55,200

lunch lunch

722

00:26:02,390 --> 00:25:59,600

walking in lunch

723

00:26:04,149 --> 00:26:02,400

is he like he just like metal scraps and

724

00:26:07,110 --> 00:26:04,159

[h\_\_\h]

725

00:26:08,549 --> 00:26:07,120

it is time for midday mass consumption

726

00:26:10,710 --> 00:26:08,559

mass consumption

727

00:26:12,870 --> 00:26:10,720

he's like being folds the pizza and just

728

00:26:15,350 --> 00:26:12,880

like eats the whole pizza

729

00:26:16,630 --> 00:26:15,360

the uh that scene in the dentist uh

730

00:26:22,830 --> 00:26:16,640

really freaked me out

731

00:26:26,549 --> 00:26:24,630

wide

732

00:26:27,830 --> 00:26:26,559

he's got like 20 rows of teeth in there

733

00:26:29,990 --> 00:26:27,840

dude they're so sharp

734

00:26:31,909 --> 00:26:30,000

also it's so hilarious because every

735

00:26:33,909 --> 00:26:31,919

scene that chris farley is in

736

00:26:35,750 --> 00:26:33,919

they play the same red hot chili pepper

737

00:26:39,110 --> 00:26:35,760

song through the whole movie no

738

00:26:41,590 --> 00:26:39,120

way it's the same hot chili peppers song

739

00:26:42,390 --> 00:26:41,600

in the whole movie that's hilarious yeah

740

00:26:45,029 --> 00:26:42,400

that's awesome

741

00:26:48,350 --> 00:26:45,039

i didn't know that yeah i mean gnarfold

742

00:26:48,360 --> 00:26:57,590

sometimes i feel i've

743

00:27:02,470 --> 00:27:00,390

what is he singing oh it's a big hit on

744

00:27:05,350 --> 00:27:02,480

earth

745

00:27:05,990 --> 00:27:05,360

this one does uh the nafl the guard that

746

00:27:08,710 --> 00:27:06,000

means they have

747

00:27:09,510 --> 00:27:08,720

to fight to fight that thing that was

748

00:27:12,310 --> 00:27:09,520

honestly the

749

00:27:12,630 --> 00:27:12,320

worst animation dude that was like stop

750

00:27:15,430 --> 00:27:12,640

and

751  
00:27:16,149 --> 00:27:15,440  
like stop motion but like it almost made

752  
00:27:19,669 --> 00:27:16,159  
that movie

753  
00:27:21,750 --> 00:27:19,679  
more enjoyable because like it it gave

754  
00:27:23,590 --> 00:27:21,760  
it it gave this subliminal like all

755  
00:27:25,830 --> 00:27:23,600  
right we're not taking this

756  
00:27:27,029 --> 00:27:25,840  
i mean obvi if you didn't know by now

757  
00:27:27,909 --> 00:27:27,039  
like let's go ahead and just make it

758  
00:27:29,430 --> 00:27:27,919  
goofy as [h\_\_\h]

759  
00:27:31,909 --> 00:27:29,440  
right yeah we're not trying to make this

760  
00:27:34,389 --> 00:27:31,919  
look real yeah totally

761  
00:27:35,590 --> 00:27:34,399  
oh dude there's so many hilarious parts

762  
00:27:37,350 --> 00:27:35,600  
of that movie yeah like one of my

763  
00:27:39,669 --> 00:27:37,360

favorite parts is whenever he like

764

00:27:41,269 --> 00:27:39,679

he actually comes back home and he's

765

00:27:42,230 --> 00:27:41,279

like what have you acquired from the

766

00:27:45,430 --> 00:27:42,240

blunt skulls

767

00:27:49,430 --> 00:27:45,440

and he's like um we have a

768

00:27:51,430 --> 00:27:49,440

tire iron oh yeah he's like pulling up

769

00:27:54,710 --> 00:27:51,440

[h\_\_h] he pulled out the tire iron and

770

00:27:57,269 --> 00:27:54,720

then he's like the user manual of a 1987

771

00:28:00,310 --> 00:27:58,950

he's like is this all yeah and he's like

772

00:28:07,269 --> 00:28:00,320

oh uh

773

00:28:10,789 --> 00:28:09,909

oh it's so good dude it's so hilarious

774

00:28:13,669 --> 00:28:10,799

dude so

775

00:28:14,950 --> 00:28:13,679

coneheads for me conan's is a super

776

00:28:16,950 --> 00:28:14,960

awesome super easy

777

00:28:18,549 --> 00:28:16,960

definitely top tier okay so we're three

778

00:28:21,029 --> 00:28:18,559

movies in i have to pee

779

00:28:22,149 --> 00:28:21,039

uh sorry yeah do you want to talk about

780

00:28:26,710 --> 00:28:22,159

uh

781

00:28:29,310 --> 00:28:26,720

forget to go check out the

782

00:28:30,470 --> 00:28:29,320

the new website we have ufo garage

783

00:28:32,389 --> 00:28:30,480

podcast.com

784

00:28:34,549 --> 00:28:32,399

we got all kinds of cool stuff on there

785

00:28:36,630 --> 00:28:34,559

we still got the hats and the shirts and

786

00:28:37,510 --> 00:28:36,640

the panties and we got some socks some

787

00:28:39,110 --> 00:28:37,520

new socks

788

00:28:41,830 --> 00:28:39,120

we're gonna be working on some new cool

789

00:28:44,470 --> 00:28:41,840

stuff um so don't forget to go

790

00:28:45,110 --> 00:28:44,480

and check it out also redeemer small

791

00:28:46,710 --> 00:28:45,120

batch

792

00:28:48,789 --> 00:28:46,720

still kicking it still making the best

793

00:28:51,909 --> 00:28:48,799

cbd in town

794

00:28:55,190 --> 00:28:51,919

in-house locally for me

795

00:28:57,590 --> 00:28:55,200

maybe not for you but uh yeah it's

796

00:28:58,710 --> 00:28:57,600

made right here in austin well okay i

797

00:29:03,510 --> 00:28:58,720

take that back

798

00:29:06,230 --> 00:29:03,520

you can't make it here uh but the family

799

00:29:08,070 --> 00:29:06,240

right the family grows and and does

800

00:29:09,110 --> 00:29:08,080

everything i think it touches like 20

801  
00:29:11,909 --> 00:29:09,120  
people's hands

802  
00:29:13,590 --> 00:29:11,919  
uh out in colorado and then uh and then

803  
00:29:15,510 --> 00:29:13,600  
we distribute it here

804  
00:29:18,549 --> 00:29:15,520  
great stuff go check them out redeemer

805  
00:29:22,149 --> 00:29:18,559  
small batch telling ufo garage sent ya

806  
00:29:25,190 --> 00:29:22,159  
um and they'll appreciate it

807  
00:29:28,710 --> 00:29:25,200  
uh what else do we have um

808  
00:29:31,750 --> 00:29:28,720  
oh uh hum i'm not sure

809  
00:29:34,950 --> 00:29:31,760  
i know that this is a bad form

810  
00:29:37,909 --> 00:29:34,960  
uh to um and oh uh

811  
00:29:38,630 --> 00:29:37,919  
while you're doing a radio or podcast

812  
00:29:40,950 --> 00:29:38,640  
but

813  
00:29:42,149 --> 00:29:40,960

sorry i i've had a couple of these

814

00:29:44,470 --> 00:29:42,159

little brujas

815

00:29:46,470 --> 00:29:44,480

uh in me at this point you know i've

816

00:29:48,630 --> 00:29:46,480

been working like 13 hour days

817

00:29:50,230 --> 00:29:48,640

it's it's uh it's been a little while so

818

00:29:51,590 --> 00:29:50,240

i'm a little scatterbrained right now

819

00:29:54,710 --> 00:29:51,600

and i apologize

820

00:29:55,750 --> 00:29:54,720

but uh bin's back now so we can are you

821

00:29:58,070 --> 00:29:55,760

fumbling in here i'm

822

00:29:58,950 --> 00:29:58,080

fumbling so bad right now i'm so good at

823

00:30:01,190 --> 00:29:58,960

it i know

824

00:30:03,190 --> 00:30:01,200

i know and i'm i'm doing terrible right

825

00:30:05,590 --> 00:30:03,200

now but i did tell him about the website

826

00:30:08,630 --> 00:30:05,600

[h\_\_h] yeah and i told him about redeemer

827

00:30:10,710 --> 00:30:08,640

small [h\_\_h] did we ever get the the code

828

00:30:11,750 --> 00:30:10,720

i forgot to listen to the episode you

829

00:30:15,269 --> 00:30:11,760

should

830

00:30:17,830 --> 00:30:15,279

ufo garage 420 that's not it that's

831

00:30:21,430 --> 00:30:17,840

about it don't use the code ufo garage

832

00:30:25,990 --> 00:30:24,230

oh my god look at my hair looks like it

833

00:30:27,350 --> 00:30:26,000

was like something complicated like you

834

00:30:31,990 --> 00:30:27,360

the full garage like

835

00:30:34,310 --> 00:30:32,000

one nine seven six five yeah

836

00:30:35,590 --> 00:30:34,320

yeah i think it was yeah i think it was

837

00:30:36,950 --> 00:30:35,600

kind of complicated i don't remember

838

00:30:37,669 --> 00:30:36,960

what it was did bailey ever text you

839

00:30:39,700 --> 00:30:37,679

back about it

840

00:30:41,269 --> 00:30:39,710

uh no

841

00:30:44,630 --> 00:30:41,279

[Laughter]

842

00:30:46,310 --> 00:30:44,640

oh no no i was taking a

843

00:30:50,310 --> 00:30:46,320

beer i could hear you through the wall

844

00:30:53,029 --> 00:30:50,320

like you're saying something you go yeah

845

00:30:53,909 --> 00:30:53,039

and i was laughing to myself okay all

846

00:30:55,830 --> 00:30:53,919

right back to the

847

00:30:57,669 --> 00:30:55,840

back to the movie [h\_\_h] all right what's

848

00:30:59,750 --> 00:30:57,679

our four okay so

849

00:31:01,430 --> 00:30:59,760

real quick coneheads super awesome

850

00:31:02,789 --> 00:31:01,440

that's a first that's the first super

851  
00:31:03,669 --> 00:31:02,799  
awesome amount of the three i mean we

852  
00:31:07,110 --> 00:31:03,679  
haven't gotten that far

853  
00:31:09,269 --> 00:31:07,120  
but alien uh the original is an awesome

854  
00:31:11,190 --> 00:31:09,279  
close encounters are the third kind also

855  
00:31:15,110 --> 00:31:11,200  
awesome all right our next one is

856  
00:31:19,350 --> 00:31:15,120  
contact con that's with jody foster

857  
00:31:21,190 --> 00:31:19,360  
uh and uh matthew matthew mcconaughey

858  
00:31:23,029 --> 00:31:21,200  
jody foster matthew mcconaughey that's

859  
00:31:25,669 --> 00:31:23,039  
right all-star cast

860  
00:31:27,509 --> 00:31:25,679  
right all right all right all right hold

861  
00:31:29,669 --> 00:31:27,519  
on yep contact

862  
00:31:30,789 --> 00:31:29,679  
yeah you can see his picture okay cool

863  
00:31:36,870 --> 00:31:30,799

matthew mcconaughey

864

00:31:38,389 --> 00:31:36,880

texan dude he lives in texas i hope he

865

00:31:41,430 --> 00:31:38,399

runs for governor

866

00:31:44,950 --> 00:31:41,440

dude texas would be all right all right

867

00:31:46,470 --> 00:31:44,960

all right hell yeah you just you just

868

00:31:47,110 --> 00:31:46,480

made his whole campaign yeah that's his

869

00:31:49,110 --> 00:31:47,120

slogan

870

00:31:50,630 --> 00:31:49,120

we should we should we should do his

871

00:31:52,789 --> 00:31:50,640

campaign we should

872

00:31:54,230 --> 00:31:52,799

you know if he's looking for over an

873

00:31:56,870 --> 00:31:54,240

austinite uh

874

00:31:58,630 --> 00:31:56,880

uh duo that uh could really get the word

875

00:32:01,669 --> 00:31:58,640

out there

876

00:32:04,230 --> 00:32:01,679

i mean yeah we're pretty pretty big in

877

00:32:07,590 --> 00:32:04,240

the uk

878

00:32:08,070 --> 00:32:07,600

pretty big in texas uh math mcconaughey

879

00:32:10,230 --> 00:32:08,080

we

880

00:32:12,950 --> 00:32:10,240

he doesn't need our help he was the

881

00:32:15,430 --> 00:32:12,960

creative director for wild turkey dude

882

00:32:16,310 --> 00:32:15,440

yeah how cool is that yeah the dude's a

883

00:32:19,110 --> 00:32:16,320

genius he

884

00:32:20,549 --> 00:32:19,120

he is he's a genius yeah anybody that

885

00:32:23,990 --> 00:32:20,559

can sit there and just make

886

00:32:26,070 --> 00:32:24,000

anything interesting that he says

887

00:32:27,350 --> 00:32:26,080

yeah yeah it's gotta take us i love the

888

00:32:29,990 --> 00:32:27,360

uh i love the

889

00:32:31,909 --> 00:32:30,000

uh the jim carrey spoof that he does in

890

00:32:34,389 --> 00:32:31,919

the driving the lincoln

891

00:32:37,110 --> 00:32:34,399

and he's like yeah yeah that's a i'm

892

00:32:38,950 --> 00:32:37,120

rolling the booger in my hand

893

00:32:41,830 --> 00:32:38,960

yeah i don't even know where i'm going i

894

00:32:43,669 --> 00:32:41,840

don't even know where i'm going

895

00:32:46,310 --> 00:32:43,679

so matt begun matthew mcconaughey

896

00:32:49,029 --> 00:32:46,320

freaking dope jody foster

897

00:32:50,149 --> 00:32:49,039

uh it's a classic man it's it's one of

898

00:32:53,350 --> 00:32:50,159

those movies that

899

00:32:57,269 --> 00:32:53,360

really hit home for me at a young age

900

00:32:59,110 --> 00:32:57,279

and really expanded my creativity

901  
00:33:00,310 --> 00:32:59,120  
and like openness like it gave me so

902  
00:33:01,750 --> 00:33:00,320  
many ideas like

903  
00:33:04,950 --> 00:33:01,760  
it's one of those movies that really

904  
00:33:07,430 --> 00:33:04,960  
just spark it it was a spark for me

905  
00:33:08,630 --> 00:33:07,440  
and there's another movie again that's

906  
00:33:11,350 --> 00:33:08,640  
literally

907  
00:33:13,029 --> 00:33:11,360  
i think it's is it this the the same one

908  
00:33:14,549 --> 00:33:13,039  
did we put that on there are we not the

909  
00:33:16,630 --> 00:33:14,559  
one with the bindi backwards

910  
00:33:18,070 --> 00:33:16,640  
oh that's no okay all right we'll we

911  
00:33:19,509 --> 00:33:18,080  
won't ruin it so

912  
00:33:21,190 --> 00:33:19,519  
that was another one we'll get to it

913  
00:33:22,149 --> 00:33:21,200

later but contact was one of those

914

00:33:26,310 --> 00:33:22,159

sparks for me

915

00:33:29,190 --> 00:33:26,320

because it was like so original dude

916

00:33:29,830 --> 00:33:29,200

and not just the idea but the the way

917

00:33:32,549 --> 00:33:29,840

that they

918

00:33:33,509 --> 00:33:32,559

achieved it yeah totally there's three

919

00:33:38,230 --> 00:33:33,519

things that

920

00:33:43,269 --> 00:33:38,240

always stuck out to me in that movie uh

921

00:33:50,149 --> 00:33:47,590

contact and like

922

00:33:52,070 --> 00:33:50,159

where do you go when you die oh yeah and

923

00:33:53,430 --> 00:33:52,080

being able to contact them like

924

00:33:55,190 --> 00:33:53,440

in a way that we would assume that you

925

00:33:57,350 --> 00:33:55,200

just contact aliens right

926  
00:33:58,389 --> 00:33:57,360  
yeah but she's was able to contact her

927  
00:34:00,389 --> 00:33:58,399  
father like

928  
00:34:02,149 --> 00:34:00,399  
and that's a cool like connection of

929  
00:34:05,669 --> 00:34:02,159  
like dude

930  
00:34:08,710 --> 00:34:05,679  
alien slash afterlife slash

931  
00:34:12,470 --> 00:34:08,720  
you're just energy going out into

932  
00:34:14,710 --> 00:34:12,480  
this space and you can contact

933  
00:34:15,909 --> 00:34:14,720  
uh you can contact energy you can

934  
00:34:17,990 --> 00:34:15,919  
contact

935  
00:34:18,950 --> 00:34:18,000  
whatever you want to if you if you do it

936  
00:34:21,790 --> 00:34:18,960  
right you know

937  
00:34:23,109 --> 00:34:21,800  
like it's kind of cool it's like a a

938  
00:34:26,310 --> 00:34:23,119

multi-dimensional

939

00:34:28,470 --> 00:34:26,320

time space weird slip thing yeah that

940

00:34:32,790 --> 00:34:28,480

was just kind of a a neat

941

00:34:35,030 --> 00:34:32,800

uh a neat idea i'm so glad you just said

942

00:34:36,069 --> 00:34:35,040

that dude because i i hadn't even

943

00:34:38,790 --> 00:34:36,079

thought of that movie

944

00:34:39,829 --> 00:34:38,800

in that context until just now like

945

00:34:41,669 --> 00:34:39,839

you're so right

946

00:34:43,430 --> 00:34:41,679

i've i saw that movie as a kid i just

947

00:34:46,230 --> 00:34:43,440

told you it was a spark for me

948

00:34:47,909 --> 00:34:46,240

and where i am now with my understanding

949

00:34:48,950 --> 00:34:47,919

with this phenomenon and everything in

950

00:34:51,030 --> 00:34:48,960

spirituality

951

00:34:52,310 --> 00:34:51,040

it's totally come full circle yeah

952

00:34:55,030 --> 00:34:52,320

exactly what you just said

953

00:34:55,750 --> 00:34:55,040

because i think we're both at the point

954

00:34:58,390 --> 00:34:55,760

where we're like

955

00:34:59,670 --> 00:34:58,400

dude it's all connected yeah contact

956

00:35:02,310 --> 00:34:59,680

doesn't like you just said

957

00:35:04,870 --> 00:35:02,320

contact doesn't necessarily mean with

958

00:35:09,349 --> 00:35:04,880

aliens or ghosts like

959

00:35:11,589 --> 00:35:09,359

yo we're really simplifying it

960

00:35:13,270 --> 00:35:11,599

as humans we just can't comprehend it

961

00:35:16,069 --> 00:35:13,280

the best way we can do it is just

962

00:35:17,510 --> 00:35:16,079

just simplify it and contact might be

963

00:35:21,190 --> 00:35:17,520

the word

964

00:35:25,589 --> 00:35:21,200

yeah just contacting uh energy in

965

00:35:29,589 --> 00:35:27,910

i don't know that that the apparatus

966

00:35:31,829 --> 00:35:29,599

that they build

967

00:35:32,950 --> 00:35:31,839

they so they get these instructions

968

00:35:34,950 --> 00:35:32,960

right i mean

969

00:35:36,790 --> 00:35:34,960

everybody's seen this movie but yeah

970

00:35:38,230 --> 00:35:36,800

they get those it's really so original

971

00:35:39,990 --> 00:35:38,240

they get the instructions hey

972

00:35:41,510 --> 00:35:40,000

build this thing and we'll talk to you

973

00:35:43,829 --> 00:35:41,520

yeah

974

00:35:45,349 --> 00:35:43,839

okay so a plot hole that i've heard

975

00:35:46,870 --> 00:35:45,359

before is like well if they could just

976  
00:35:48,790 --> 00:35:46,880  
communicate that way why don't they just

977  
00:35:51,589 --> 00:35:48,800  
say like hey what's up

978  
00:35:51,990 --> 00:35:51,599  
but that's not necessarily a plot hole

979  
00:35:55,030 --> 00:35:52,000  
it's

980  
00:35:56,630 --> 00:35:55,040  
done for a reason because what can you

981  
00:35:58,550 --> 00:35:56,640  
how many emotions can you get through a

982  
00:36:02,310 --> 00:35:58,560  
text message not much

983  
00:36:04,950 --> 00:36:02,320  
no emojis emojis suck ellipses suck also

984  
00:36:06,710 --> 00:36:04,960  
people stop using ellipses please stop

985  
00:36:08,630 --> 00:36:06,720  
just stop

986  
00:36:10,950 --> 00:36:08,640  
it's it's passive aggressive and we all

987  
00:36:14,310 --> 00:36:10,960  
know it stop doing that

988  
00:36:15,990 --> 00:36:14,320

um so yeah it's that's

989

00:36:18,310 --> 00:36:16,000

there's a lot of reasoning behind it

990

00:36:19,990 --> 00:36:18,320

it's not it's it's not a plot hole

991

00:36:21,990 --> 00:36:20,000

like oh if you just want to contact why

992

00:36:22,550 --> 00:36:22,000

don't you just send that fax over send

993

00:36:26,310 --> 00:36:22,560

those

994

00:36:29,670 --> 00:36:26,320

it what do you want to tell us no no

995

00:36:31,829 --> 00:36:29,680

what we have to tell you is way more

996

00:36:33,109 --> 00:36:31,839

in depth yeah and that's what they did

997

00:36:36,470 --> 00:36:33,119

in that movie yeah

998

00:36:38,390 --> 00:36:36,480

yeah send over this uh a they send

999

00:36:38,870 --> 00:36:38,400

instructions for a fax machine basically

1000

00:36:42,550 --> 00:36:38,880

or

1001

00:36:44,710 --> 00:36:42,560

phone and then we

1002

00:36:46,870 --> 00:36:44,720

and but more importantly that was the

1003

00:36:48,390 --> 00:36:46,880

second biggest thing in that movie that

1004

00:36:51,670 --> 00:36:48,400

was super awesome

1005

00:36:54,710 --> 00:36:51,680

how even though we made the contact

1006

00:36:56,390 --> 00:36:54,720

and we built this thing we still didn't

1007

00:36:57,910 --> 00:36:56,400

listen to what they said because we

1008

00:37:01,030 --> 00:36:57,920

built it wrong

1009

00:37:03,510 --> 00:37:01,040

the craft

1010

00:37:05,270 --> 00:37:03,520

and she's like shaking around and like

1011

00:37:07,109 --> 00:37:05,280

about to die right well

1012

00:37:08,470 --> 00:37:07,119

what happens when that bolt that they

1013

00:37:09,750 --> 00:37:08,480

connected to the ceiling

1014

00:37:12,310 --> 00:37:09,760

yeah you know because it's not in the

1015

00:37:15,430 --> 00:37:12,320

diagram when the bolt comes out

1016

00:37:16,390 --> 00:37:15,440

everything calms down right so it's only

1017

00:37:18,790 --> 00:37:16,400

because of

1018

00:37:20,630 --> 00:37:18,800

what we think is a better idea

1019

00:37:22,550 --> 00:37:20,640

engineering as a human

1020

00:37:24,710 --> 00:37:22,560

doesn't mean that it necessarily works

1021

00:37:27,910 --> 00:37:24,720

because whenever that bolt came out

1022

00:37:30,390 --> 00:37:27,920

everything was fine and she was like

1023

00:37:31,990 --> 00:37:30,400

whoa i'm just floating here but the fact

1024

00:37:33,990 --> 00:37:32,000

that he was connected to the ceiling

1025

00:37:37,030 --> 00:37:34,000

because we thought it was a better idea

1026  
00:37:37,589 --> 00:37:37,040  
made that experience extremely scary it

1027  
00:37:40,069 --> 00:37:37,599  
made it

1028  
00:37:41,190 --> 00:37:40,079  
almost not work and it almost killed her

1029  
00:37:44,310 --> 00:37:41,200  
because we just didn't

1030  
00:37:45,349 --> 00:37:44,320  
listen we try to interject our own we

1031  
00:37:48,069 --> 00:37:45,359  
try to be smarter

1032  
00:37:48,550 --> 00:37:48,079  
we try yeah like oh we know it's better

1033  
00:37:50,790 --> 00:37:48,560  
it's a

1034  
00:37:51,589 --> 00:37:50,800  
it's dude that's dude i've never thought

1035  
00:37:54,790 --> 00:37:51,599  
about that it's

1036  
00:37:57,910 --> 00:37:54,800  
so good bro you're smart

1037  
00:37:58,870 --> 00:37:57,920  
smart smack like that's so true when you

1038  
00:38:07,430 --> 00:37:58,880

try to

1039

00:38:10,950 --> 00:38:07,440

force human emotions on things

1040

00:38:13,109 --> 00:38:10,960

it just doesn't work right

1041

00:38:14,790 --> 00:38:13,119

and we still just don't listen we don't

1042

00:38:17,510 --> 00:38:14,800

learn from our mistakes

1043

00:38:18,230 --> 00:38:17,520

yeah well that sounds like a line in a

1044

00:38:21,349 --> 00:38:18,240

movie but

1045

00:38:22,310 --> 00:38:21,359

you know we just don't even say but dude

1046

00:38:24,870 --> 00:38:22,320

that's so true

1047

00:38:26,470 --> 00:38:24,880

yeah i'm just i'm i'm like processing

1048

00:38:28,790 --> 00:38:26,480

that and then the third thing in that

1049

00:38:31,990 --> 00:38:28,800

movie that was really badass to me

1050

00:38:34,550 --> 00:38:32,000

was the whole uh missing time

1051  
00:38:36,550 --> 00:38:34,560  
that she had right yeah because to her

1052  
00:38:38,310 --> 00:38:36,560  
she was gone for a long time

1053  
00:38:40,069 --> 00:38:38,320  
but they said what are you talking about

1054  
00:38:40,470 --> 00:38:40,079  
it didn't even work she just fell

1055  
00:38:42,470 --> 00:38:40,480  
through

1056  
00:38:44,150 --> 00:38:42,480  
in the ocean yeah but something happened

1057  
00:38:47,190 --> 00:38:44,160  
in the middle of that core

1058  
00:38:49,270 --> 00:38:47,200  
that was my

1059  
00:38:50,230 --> 00:38:49,280  
life-changing right and that was the

1060  
00:38:52,069 --> 00:38:50,240  
second thing

1061  
00:38:54,550 --> 00:38:52,079  
because the first one failed yep the

1062  
00:38:57,270 --> 00:38:54,560  
second one she was actually

1063  
00:38:58,390 --> 00:38:57,280

was she in the first one they called it

1064

00:39:00,230 --> 00:38:58,400

off because there was somebody who was

1065

00:39:01,750 --> 00:39:00,240

gonna blow it up that's right yeah

1066

00:39:03,349 --> 00:39:01,760

that [h\_\_h] and there's always going to

1067

00:39:03,990 --> 00:39:03,359

be that [h\_\_h] yeah and he was

1068

00:39:06,150 --> 00:39:04,000

seriously

1069

00:39:08,150 --> 00:39:06,160

no no offense to that that that man who

1070

00:39:10,470 --> 00:39:08,160

played that

1071

00:39:11,430 --> 00:39:10,480

like he's a real guy no [h\_\_h] that guy

1072

00:39:13,670 --> 00:39:11,440

[h\_\_h] that guy

1073

00:39:14,550 --> 00:39:13,680

what's his name i don't know but but

1074

00:39:16,870 --> 00:39:14,560

like yeah

1075

00:39:17,670 --> 00:39:16,880

so the second one the the time yeah the

1076

00:39:20,310 --> 00:39:17,680

time loop

1077

00:39:21,670 --> 00:39:20,320

of it only happened for a split second

1078

00:39:23,670 --> 00:39:21,680

but to her

1079

00:39:26,069 --> 00:39:23,680

it lasted however long and then they

1080

00:39:28,230 --> 00:39:26,079

chose to come to her

1081

00:39:31,109 --> 00:39:28,240

that was that would be most comfortable

1082

00:39:33,910 --> 00:39:31,119

again going back to these movies that

1083

00:39:35,750 --> 00:39:33,920

yeah whoever made this movie have to

1084

00:39:37,109 --> 00:39:35,760

have talked to somebody that knows what

1085

00:39:39,430 --> 00:39:37,119

they're talking about

1086

00:39:40,470 --> 00:39:39,440

like that had had that experience

1087

00:39:43,510 --> 00:39:40,480

because

1088

00:39:46,870 --> 00:39:43,520

man i think humans are really creative

1089

00:39:47,829 --> 00:39:46,880

uh and it's and i feel bad like saying

1090

00:39:50,870 --> 00:39:47,839

this but

1091

00:39:52,950 --> 00:39:50,880

that concept i

1092

00:39:55,030 --> 00:39:52,960

i feel like has to have some kind of

1093

00:39:58,390 --> 00:39:55,040

outside influence

1094

00:40:01,589 --> 00:39:58,400

yeah yeah i mean it's it's very creative

1095

00:40:04,230 --> 00:40:01,599

right i mean when you think about like

1096

00:40:06,069 --> 00:40:04,240

uh the like the wow signal and like all

1097

00:40:07,349 --> 00:40:06,079

these other signals that people pick up

1098

00:40:08,790 --> 00:40:07,359

you know you could look at that and be

1099

00:40:09,990 --> 00:40:08,800

like oh that'd be cool like what if they

1100

00:40:11,829 --> 00:40:10,000

sent us like a diagram

1101  
00:40:13,349 --> 00:40:11,839  
right and then made a movie around this

1102  
00:40:16,950 --> 00:40:13,359  
concept of like

1103  
00:40:19,030 --> 00:40:16,960  
this this signal right yeah just this

1104  
00:40:20,630 --> 00:40:19,040  
contact whatever you want to call it

1105  
00:40:23,990 --> 00:40:20,640  
right it's a cool idea

1106  
00:40:27,190 --> 00:40:24,000  
so originality badass yeah

1107  
00:40:29,910 --> 00:40:27,200  
it's cool uh dude storyline

1108  
00:40:30,710 --> 00:40:29,920  
whole list pretty awesome very very not

1109  
00:40:33,430 --> 00:40:30,720  
holy

1110  
00:40:33,750 --> 00:40:33,440  
uh entertainment value 100 again this is

1111  
00:40:36,790 --> 00:40:33,760  
where

1112  
00:40:37,829 --> 00:40:36,800  
we're like oh i love all these movies

1113  
00:40:42,230 --> 00:40:37,839

all right we gotta speed things up

1114

00:40:44,230 --> 00:40:42,240

because we're like but contact man i

1115

00:40:46,390 --> 00:40:44,240

it's no less i almost like want to move

1116

00:40:49,190 --> 00:40:46,400

alien down to b now because contact is

1117

00:40:53,270 --> 00:40:52,230

yeah like i think that's fair like [h\_\_h]

1118

00:40:56,309 --> 00:40:53,280

i think that's fair

1119

00:40:57,990 --> 00:40:56,319

should we risk pissing people off like

1120

00:41:00,230 --> 00:40:58,000

that are like oh but

1121

00:41:01,829 --> 00:41:00,240

but it's so influential to whatever well

1122

00:41:05,670 --> 00:41:01,839

it's influential to like

1123

00:41:07,910 --> 00:41:05,680

sci-fi yeah movies right but

1124

00:41:09,510 --> 00:41:07,920

but compared to contact i think alien is

1125

00:41:12,790 --> 00:41:09,520

definitely some part of contact

1126

00:41:14,630 --> 00:41:12,800

yeah i think this is like contact leaves

1127

00:41:17,430 --> 00:41:14,640

it up for interpretation

1128

00:41:19,430 --> 00:41:17,440

alien is saying oh these are bad aliens

1129

00:41:21,990 --> 00:41:19,440

that are gonna kill you right so i think

1130

00:41:26,230 --> 00:41:22,000

alien goes in the badass category

1131

00:41:27,670 --> 00:41:26,240

dude yeah totally yeah

1132

00:41:29,349 --> 00:41:27,680

totally the leave it up to

1133

00:41:32,550 --> 00:41:29,359

interpretation

1134

00:41:34,870 --> 00:41:32,560

makes it much a much better movie yeah

1135

00:41:36,710 --> 00:41:34,880

for sure definitely all right let's next

1136

00:41:40,230 --> 00:41:36,720

one earth girls

1137

00:41:42,150 --> 00:41:40,240

are easy i loved it

1138

00:41:44,309 --> 00:41:42,160

i loved it i haven't seen it yet you

1139

00:41:46,550 --> 00:41:44,319

said uh you haven't seen it yet

1140

00:41:48,230 --> 00:41:46,560

definitely sit down and watch that it's

1141

00:41:50,390 --> 00:41:48,240

pretty hilarious um

1142

00:41:52,230 --> 00:41:50,400

i thought it was cool some cool stuff in

1143

00:41:53,829 --> 00:41:52,240

the movie um

1144

00:41:56,069 --> 00:41:53,839

they come down and they look like these

1145

00:41:59,349 --> 00:41:56,079

weird bird things

1146

00:42:00,230 --> 00:41:59,359

and uh yeah spoiler alert um talking

1147

00:42:03,829 --> 00:42:00,240

about uh

1148

00:42:05,510 --> 00:42:03,839

like corey good dude like the avians

1149

00:42:07,349 --> 00:42:05,520

yeah people are like oh it's such an

1150

00:42:09,990 --> 00:42:07,359

original like who who would make that up

1151

00:42:13,430 --> 00:42:10,000

uh or if girls are easy they thought of

1152

00:42:17,750 --> 00:42:16,150

i thought one cool part of that movie uh

1153

00:42:21,430 --> 00:42:17,760

was

1154

00:42:22,790 --> 00:42:21,440

they crash in their pool and the

1155

00:42:25,510 --> 00:42:22,800

and the ship is like small and they

1156

00:42:28,630 --> 00:42:25,520

crash in the house it's pretty small

1157

00:42:29,670 --> 00:42:28,640

and so she's she's like in the pool and

1158

00:42:32,790 --> 00:42:29,680

she ends up getting

1159

00:42:33,990 --> 00:42:32,800

into like this into the spaceship but

1160

00:42:35,829 --> 00:42:34,000

she's like really she's like a

1161

00:42:36,390 --> 00:42:35,839

regular-sized human the ship is smaller

1162

00:42:38,230 --> 00:42:36,400

than her

1163

00:42:39,670 --> 00:42:38,240

but then she goes in the ship and

1164

00:42:41,750 --> 00:42:39,680

they're all the same size

1165

00:42:42,710 --> 00:42:41,760

like inside the ship so i thought that's

1166

00:42:44,470 --> 00:42:42,720

cool

1167

00:42:46,870 --> 00:42:44,480

that's a pretty neat little idea that's

1168

00:42:50,069 --> 00:42:46,880

dope that's awesome and yeah

1169

00:42:51,270 --> 00:42:50,079

also jim carrey's in that movie did you

1170

00:42:54,790 --> 00:42:51,280

know that that's awesome

1171

00:42:57,270 --> 00:42:54,800

yep and uh god damn it so

1172

00:42:58,150 --> 00:42:57,280

i'm forgetting names well major pain the

1173

00:43:01,750 --> 00:42:58,160

actor

1174

00:43:03,670 --> 00:43:01,760

you said earlier yeah uh wayne's

1175

00:43:05,510 --> 00:43:03,680

damn damon wayne wayne which which

1176

00:43:06,550 --> 00:43:05,520

waynes brother is it i always forget

1177

00:43:09,750 --> 00:43:06,560

dude

1178

00:43:12,950 --> 00:43:09,760

um yeah

1179

00:43:14,150 --> 00:43:12,960

you got it up there oh that's not it not

1180

00:43:17,190 --> 00:43:14,160

thomas payne

1181

00:43:18,950 --> 00:43:17,200

mr pay no just just type earth girls are

1182

00:43:21,910 --> 00:43:18,960

easy and look at the cast

1183

00:43:29,510 --> 00:43:21,920

yeah yes comedy adventure i lost my

1184

00:43:33,109 --> 00:43:31,990

yeah yeah yeah yep dude what you

1185

00:43:34,550 --> 00:43:33,119

laughing at boy you gotta

1186

00:43:35,990 --> 00:43:34,560

you [h\_\_h] did you find a piece of

1187

00:43:41,030 --> 00:43:36,000

candy in your pocket what you loving

1188

00:43:43,270 --> 00:43:41,040

that big boy so funny

1189

00:43:44,950 --> 00:43:43,280

also you can't see it but we got a tv

1190

00:43:49,829 --> 00:43:44,960

mounted on the wall in the studio

1191

00:43:54,150 --> 00:43:52,550

yep all right so i'm sorry i don't have

1192

00:43:55,670 --> 00:43:54,160

anything to add to this but yeah

1193

00:43:57,190 --> 00:43:55,680

so where do you where would you place

1194

00:43:59,510 --> 00:43:57,200

this good comedy

1195

00:44:00,790 --> 00:43:59,520

um originality originality about

1196

00:44:04,710 --> 00:44:00,800

storyline

1197

00:44:07,270 --> 00:44:04,720

creative

1198

00:44:08,150 --> 00:44:07,280

okay the storyline goes along with the

1199

00:44:10,550 --> 00:44:08,160

originality

1200

00:44:11,430 --> 00:44:10,560

i put it in the b category for badass

1201

00:44:14,230 --> 00:44:11,440

all right badass

1202

00:44:15,589 --> 00:44:14,240

yeah awesome yeah definitely oh yeah

1203

00:44:20,069 --> 00:44:15,599

next is e.t

1204

00:44:23,430 --> 00:44:20,079

e.t classic classic classic

1205

00:44:25,349 --> 00:44:23,440

this was probably my first ufo

1206

00:44:27,109 --> 00:44:25,359

alien movie i know i think i said close

1207

00:44:28,470 --> 00:44:27,119

encounters of the third kind was but i'm

1208

00:44:30,550 --> 00:44:28,480

pretty sure it was

1209

00:44:33,750 --> 00:44:30,560

good i think everybody in our age group

1210

00:44:36,309 --> 00:44:33,760

was like e.t was the first one

1211

00:44:37,190 --> 00:44:36,319

dude i mean what can be said what's the

1212

00:44:50,230 --> 00:44:37,200

fir like

1213

00:44:53,270 --> 00:44:50,240

it's it makes me speechless

1214

00:44:56,069 --> 00:44:53,280

yeah dude et's bad ass and the

1215

00:44:57,990 --> 00:44:56,079

that's like one of the coolest like uh

1216

00:44:59,750 --> 00:44:58,000

alien depictions

1217

00:45:02,870 --> 00:44:59,760

like that i've seen right because you

1218

00:45:06,630 --> 00:45:02,880

know most alien movies are your typical

1219

00:45:08,710 --> 00:45:06,640

typical alien right he was really cool

1220

00:45:10,470 --> 00:45:08,720

and it was also pretty badass that he

1221

00:45:12,790 --> 00:45:10,480

was like a friendly little dude

1222

00:45:13,829 --> 00:45:12,800

yeah he was a little sweet guy yeah

1223

00:45:16,550 --> 00:45:13,839

sweetheart

1224

00:45:18,950 --> 00:45:16,560

the uh what's cool about too is the

1225

00:45:19,589 --> 00:45:18,960

connection that like him and elliot have

1226

00:45:21,510 --> 00:45:19,599

when e.t

1227

00:45:22,630 --> 00:45:21,520

starts getting sick then elliot starts

1228

00:45:25,510 --> 00:45:22,640

getting sick like

1229

00:45:26,150 --> 00:45:25,520

they had this like bond that happened

1230

00:45:29,349 --> 00:45:26,160

like

1231

00:45:31,270 --> 00:45:29,359

between each other that nobody else had

1232

00:45:33,190 --> 00:45:31,280

and it's cool that e.t was like yeah

1233

00:45:36,550 --> 00:45:33,200

we're such good friends like

1234

00:45:37,589 --> 00:45:36,560

i am you and you are me dude we are one

1235

00:45:40,630 --> 00:45:37,599

in the same almost

1236

00:45:42,630 --> 00:45:40,640

the saddest the saddest scene i think

1237

00:45:47,349 --> 00:45:42,640

that i've

1238

00:45:49,430 --> 00:45:47,359

cried as a kid

1239

00:45:51,190 --> 00:45:49,440

my brother my brother matt knight we

1240

00:45:52,550 --> 00:45:51,200

used to watch this and like we'd still

1241

00:45:55,829 --> 00:45:52,560

talk about this to the date

1242

00:45:58,150 --> 00:45:55,839

to this day that scene where the uh

1243

00:45:59,589 --> 00:45:58,160

the government shows up and the white

1244

00:46:01,750 --> 00:45:59,599

the white a plastic

1245

00:46:04,550 --> 00:46:01,760

and there's like people in the hazmat

1246

00:46:07,109 --> 00:46:04,560

suits and they and they find

1247

00:46:07,990 --> 00:46:07,119

e.t all gray like in that river bed that

1248

00:46:11,270 --> 00:46:08,000

is the

1249

00:46:15,109 --> 00:46:11,280

saddest this [h\_\_\h] is sad [h\_\_\h]

1250

00:46:17,270 --> 00:46:15,119

i have ever i felt like i was there

1251

00:46:18,150 --> 00:46:17,280

yeah dude like i felt like i witnessed

1252

00:46:20,309 --> 00:46:18,160

that i was such an

1253

00:46:21,430 --> 00:46:20,319

impressionable age i know and like okay

1254

00:46:23,750 --> 00:46:21,440

yeah we're seeing

1255

00:46:24,790 --> 00:46:23,760

a movie about an alien that's kind of

1256

00:46:27,990 --> 00:46:24,800

crazy and cool

1257

00:46:31,430 --> 00:46:28,000

also just it crushes your

1258

00:46:33,910 --> 00:46:31,440

soul it does oh and the impact of

1259

00:46:35,750 --> 00:46:33,920

elliott putting the candy on the ground

1260

00:46:37,750 --> 00:46:35,760

and the impact it had on culture

1261

00:46:38,870 --> 00:46:37,760

and as many times as you've seen that in

1262

00:46:42,150 --> 00:46:38,880

other shows

1263

00:46:44,870 --> 00:46:42,160

where they leave candy right for

1264

00:46:45,589 --> 00:46:44,880

whatever it's cultural icon yeah the the

1265

00:46:47,910 --> 00:46:45,599

even the

1266

00:46:48,790 --> 00:46:47,920

down on the bicycles like how many times

1267

00:46:50,470 --> 00:46:48,800

has that been

1268

00:46:52,630 --> 00:46:50,480

repeated where they float off to the

1269

00:46:55,190 --> 00:46:52,640

distance yeah and it used to just be

1270

00:46:57,109 --> 00:46:55,200

the beginning of movies where et would

1271

00:46:57,829 --> 00:46:57,119

fly over the moon without the production

1272

00:47:01,670 --> 00:46:57,839

studio

1273

00:47:04,230 --> 00:47:01,680

yeah the i mean culturally

1274

00:47:06,069 --> 00:47:04,240

people think like man i don't think a

1275

00:47:09,990 --> 00:47:06,079

lot about aliens i don't care

1276

00:47:12,470 --> 00:47:10,000

but do hey who are you talking

1277

00:47:14,390 --> 00:47:12,480

that is the most influential this is one

1278

00:47:16,950 --> 00:47:14,400

of the most influential movies

1279

00:47:19,349 --> 00:47:16,960

of our childhood for sure anybody that

1280

00:47:23,109 --> 00:47:19,359

grew up in the 80s early 90s

1281

00:47:25,109 --> 00:47:23,119

late 80s early 90s i mean come on it's

1282

00:47:27,030 --> 00:47:25,119

everywhere it's it's it's in all the

1283

00:47:28,230 --> 00:47:27,040

movies if so if you're saying that you

1284

00:47:30,150 --> 00:47:28,240

don't care about

1285

00:47:32,150 --> 00:47:30,160

e.t and the possibility of aliens you're

1286

00:47:35,910 --> 00:47:32,160

[h\_\_\h] and you're blocking that [h\_\_\h]

1287

00:47:38,950 --> 00:47:35,920

yeah definitely definitely yeah um

1288

00:47:41,829 --> 00:47:38,960

how for how cute and awesome e.t

1289

00:47:43,030 --> 00:47:41,839

was when he freaked out and his like

1290

00:47:45,190 --> 00:47:43,040

neck came up and

1291

00:47:46,069 --> 00:47:45,200

like it scared the [\h\_\_\h] out of me when i

1292

00:47:48,470 --> 00:47:46,079

was a little kid

1293

00:47:49,910 --> 00:47:48,480

and like even into like my early teenage

1294

00:47:52,630 --> 00:47:49,920

years

1295

00:47:54,549 --> 00:47:52,640

my homeboy dill he had this like it was

1296

00:47:56,069 --> 00:47:54,559

like a piggy bank i think and it was

1297

00:47:56,870 --> 00:47:56,079

like an e.t and i think it was in his

1298

00:47:58,390 --> 00:47:56,880

dad's room

1299

00:47:59,750 --> 00:47:58,400

and he used to scare the [\h\_\_\h] out of me

1300

00:48:00,549 --> 00:47:59,760

like what i would walk by i would always

1301

00:48:02,230 --> 00:48:00,559

like walk

1302

00:48:03,990 --> 00:48:02,240

by by there and i would never look i

1303

00:48:04,790 --> 00:48:04,000

would never look over because i never i

1304

00:48:07,990 --> 00:48:04,800

didn't

1305

00:48:12,470 --> 00:48:08,000

raise its head up and stare at me

1306

00:48:16,390 --> 00:48:14,470

just the idea of how cool and awesome

1307

00:48:18,230 --> 00:48:16,400

e.t is if e.t

1308

00:48:20,309 --> 00:48:18,240

walked in your room at night i'd give

1309

00:48:21,349 --> 00:48:20,319

him a freaking hug would you i would

1310

00:48:23,750 --> 00:48:21,359

love you

1311

00:48:24,950 --> 00:48:23,760

i would honestly i think you just said

1312

00:48:26,630 --> 00:48:24,960

it you said he was cute

1313

00:48:28,549 --> 00:48:26,640

well yeah he is cute but it's cute but

1314

00:48:29,670 --> 00:48:28,559

if you woke up and you rolled over and

1315

00:48:31,109 --> 00:48:29,680

you saw e.t

1316

00:48:33,349 --> 00:48:31,119

standing at the foot of your back he

1317

00:48:34,230 --> 00:48:33,359

didn't raise his neck and [\h\_\_\h] yell

1318

00:48:36,150 --> 00:48:34,240

at me yeah

1319

00:48:38,630 --> 00:48:36,160

as long as you don't freak out when you

1320

00:48:40,470 --> 00:48:38,640

first see him that's gonna depend on how

1321

00:48:42,150 --> 00:48:40,480

he's gonna react back to you all right

1322

00:48:44,230 --> 00:48:42,160

how dark is it

1323

00:48:45,990 --> 00:48:44,240

it's dark it's nighttime you're really

1324

00:48:47,990 --> 00:48:46,000

sleeping i don't know if you still have

1325

00:48:49,829 --> 00:48:48,000

that light that shines directly in your

1326

00:48:51,510 --> 00:48:49,839

room i've started a closer bathroom door

1327

00:48:53,190 --> 00:48:51,520

which is even creepier because then you

1328

00:48:54,390 --> 00:48:53,200

just have a silhouette of something

1329

00:48:57,430 --> 00:48:54,400

standing by you

1330

00:48:58,390 --> 00:48:57,440

ah yeah all right well you bring up a

1331

00:49:01,190 --> 00:48:58,400

good point i would

1332

00:49:02,309 --> 00:49:01,200

[h\_\_h] freak the [h\_\_h] out hopefully he has

1333

00:49:05,190 --> 00:49:02,319

a a

1334

00:49:06,549 --> 00:49:05,200

uh a bag of m ms to give me to you know

1335

00:49:10,720 --> 00:49:06,559

chill me out but

1336

00:49:10,720 --> 00:49:10,730

if that happens yeah but that noise

1337

00:49:15,430 --> 00:49:11,990

[Music]

1338

00:49:17,910 --> 00:49:15,440

yeah i could say so much like

1339

00:49:19,750 --> 00:49:17,920

just real quick the the uh set the set

1340

00:49:23,030 --> 00:49:19,760

designer for that movie

1341

00:49:23,589 --> 00:49:23,040

best set designer of my childhood of all

1342

00:49:25,190 --> 00:49:23,599

time

1343

00:49:27,109 --> 00:49:25,200

you remember how many like toys and like

1344

00:49:27,990 --> 00:49:27,119

how deep they went like the detail like

1345

00:49:29,430 --> 00:49:28,000

the rooms and

1346

00:49:31,750 --> 00:49:29,440

in the garage and how much [h\_\_h] was in

1347

00:49:33,670 --> 00:49:31,760

there like the toys it was just

1348

00:49:35,430 --> 00:49:33,680

jam-packed full of like a kid's dream

1349

00:49:35,829 --> 00:49:35,440

like you wish that your room looked like

1350

00:49:41,270 --> 00:49:35,839

that

1351

00:49:45,829 --> 00:49:41,280

up i grew up

1352

00:49:47,829 --> 00:49:45,839

wishing that i had dao's mini toys

1353

00:49:49,670 --> 00:49:47,839

i wish i had a like a bunch of brothers

1354

00:49:53,990 --> 00:49:49,680

that were like you know

1355

00:49:58,230 --> 00:49:54,000

it's so influence influential for me um

1356

00:50:01,670 --> 00:49:58,240

have you seen the uh the audition that

1357

00:50:02,309 --> 00:50:01,680

elliott does for the movie oh my god

1358

00:50:05,030 --> 00:50:02,319

like when

1359

00:50:06,870 --> 00:50:05,040

you see the audition that he does and

1360

00:50:09,109 --> 00:50:06,880

you're like

1361

00:50:10,470 --> 00:50:09,119

obviously that's why they picked you for

1362

00:50:13,190 --> 00:50:10,480

some reason i'm trying to

1363

00:50:13,990 --> 00:50:13,200

visualize the guy it's not fred uh from

1364

00:50:15,510 --> 00:50:14,000

the wonder years

1365

00:50:17,190 --> 00:50:15,520

right it's a different dude yeah yeah no

1366

00:50:19,190 --> 00:50:17,200

it's not it's not fred savage fred

1367

00:50:21,430 --> 00:50:19,200

savage thank you um

1368

00:50:23,030 --> 00:50:21,440

i forget the guy's name so you you were

1369

00:50:24,829 --> 00:50:23,040

talking about the audition yeah he did

1370

00:50:27,750 --> 00:50:24,839

there's an audition tape of him

1371

00:50:28,790 --> 00:50:27,760

auditioning and he's like having to cry

1372

00:50:32,309 --> 00:50:28,800

and like

1373

00:50:32,710 --> 00:50:32,319

be sad about e.t and dude it's so good

1374

00:50:35,190 --> 00:50:32,720

you're like

1375

00:50:36,630 --> 00:50:35,200

holy [h\_\_\h] that kid that kid just walked

1376

00:50:39,430 --> 00:50:36,640

in and like busted out

1377

00:50:40,309 --> 00:50:39,440

like a plus acting moves yeah that's

1378

00:50:43,030 --> 00:50:40,319

pretty good

1379

00:50:44,069 --> 00:50:43,040

yeah it's really good but et where does

1380

00:50:46,069 --> 00:50:44,079

et fall

1381

00:50:48,230 --> 00:50:46,079

in the movie category for you all right

1382

00:50:49,430 --> 00:50:48,240

so our metrics are storyline originality

1383

00:50:51,030 --> 00:50:49,440

and entertainment value

1384

00:50:52,710 --> 00:50:51,040

and for me again dude this is why it

1385

00:50:55,190 --> 00:50:52,720

feels so unfair and it's so

1386

00:50:55,990 --> 00:50:55,200

tough because and maybe we'll change it

1387

00:50:57,430 --> 00:50:56,000

later because

1388

00:50:59,750 --> 00:50:57,440

right now we have in the super awesome

1389

00:51:03,270 --> 00:50:59,760

category coneheads and for me

1390

00:51:05,829 --> 00:51:03,280

et is above coneheads for me okay

1391

00:51:06,790 --> 00:51:05,839

just because like yeah i like to laugh

1392

00:51:09,910 --> 00:51:06,800

and goof off but

1393

00:51:10,470 --> 00:51:09,920

dude this hits me on like a emotional

1394

00:51:13,109 --> 00:51:10,480

level

1395

00:51:14,630 --> 00:51:13,119

also a steven spielberg movie and we

1396

00:51:18,549 --> 00:51:14,640

know

1397

00:51:19,750 --> 00:51:18,559

connections right because he did close

1398

00:51:22,790 --> 00:51:19,760

encounters the third kind

1399

00:51:26,230 --> 00:51:22,800

so he he's he's got this trend

1400

00:51:29,190 --> 00:51:26,240

of these types of movies so

1401  
00:51:30,670 --> 00:51:29,200  
we're looking at what hollywood uh

1402  
00:51:34,069 --> 00:51:30,680  
manipulation slash

1403  
00:51:36,870 --> 00:51:34,079  
disinformation slash information real

1404  
00:51:38,069 --> 00:51:36,880  
uh disclosure trickling through

1405  
00:51:40,150 --> 00:51:38,079  
hollywood like

1406  
00:51:41,270 --> 00:51:40,160  
i mean you got a little bit of both in

1407  
00:51:45,829 --> 00:51:41,280  
going on in there

1408  
00:51:48,710 --> 00:51:45,839  
yeah so that immediately puts it either

1409  
00:51:54,230 --> 00:51:48,720  
in the a or the s category super awesome

1410  
00:51:58,710 --> 00:51:55,990  
i'm going super awesome i'll go super

1411  
00:52:00,549 --> 00:51:58,720  
awesome i'm going dude et's gotta be

1412  
00:52:02,069 --> 00:52:00,559  
we'll we'll put it behind cone heads for

1413  
00:52:04,230 --> 00:52:02,079

now

1414

00:52:06,230 --> 00:52:04,240

but let's revise as we go because i'm

1415

00:52:07,750 --> 00:52:06,240

feeling like i'm pushing for e.t is

1416

00:52:11,030 --> 00:52:07,760

number one super awesome

1417

00:52:13,430 --> 00:52:11,040

alien video okay movie okay but

1418

00:52:14,150 --> 00:52:13,440

look hey i don't know what i'm talking

1419

00:52:17,589 --> 00:52:14,160

about it's not

1420

00:52:19,910 --> 00:52:17,599

it's not as funny it is not as funny

1421

00:52:21,510 --> 00:52:19,920

so that's another metric again dude like

1422

00:52:22,710 --> 00:52:21,520

we there's a lot of metrics going in

1423

00:52:25,430 --> 00:52:22,720

it's not just the three

1424

00:52:26,870 --> 00:52:25,440

right chris farley isn't in e.t [h\_\_h]

1425

00:52:30,390 --> 00:52:26,880

love chris farley

1426

00:52:33,670 --> 00:52:30,400

so much dude that the cast

1427

00:52:36,710 --> 00:52:33,680

of coneheads is insane it is really good

1428

00:52:37,910 --> 00:52:36,720

everybody's in that movie everybody's in

1429

00:52:39,990 --> 00:52:37,920

that movie dude

1430

00:52:41,030 --> 00:52:40,000

it's ridiculous yeah all right let's

1431

00:52:41,829 --> 00:52:41,040

come back to it let's get through it

1432

00:52:43,829 --> 00:52:41,839

because

1433

00:52:45,349 --> 00:52:43,839

based off of where we are now and how

1434

00:52:46,630 --> 00:52:45,359

many movies we've actually gone through

1435

00:52:49,270 --> 00:52:46,640

which is six

1436

00:52:50,470 --> 00:52:49,280

this is gonna be a six hour podcast so

1437

00:52:52,230 --> 00:52:50,480

we gotta speed it up

1438

00:52:53,910 --> 00:52:52,240

all right the next one evolution

1439

00:52:57,030 --> 00:52:53,920

evolution

1440

00:52:59,990 --> 00:52:57,040

super badass movie honestly yeah

1441

00:53:02,069 --> 00:53:00,000

sorry yeah super funny i don't remember

1442

00:53:03,990 --> 00:53:02,079

that much about it humorous

1443

00:53:05,750 --> 00:53:04,000

we're talking about shampoo we're

1444

00:53:08,309 --> 00:53:05,760

talking about a meteor that crashes

1445

00:53:09,510 --> 00:53:08,319

right yeah these guys they go and they

1446

00:53:11,990 --> 00:53:09,520

investigate they

1447

00:53:13,109 --> 00:53:12,000

they they find this meteor right and

1448

00:53:16,390 --> 00:53:13,119

then all of a sudden

1449

00:53:17,829 --> 00:53:16,400

who shows up the government shows up the

1450

00:53:18,870 --> 00:53:17,839

military shows up

1451  
00:53:20,790 --> 00:53:18,880  
and they're like what are you doing we

1452  
00:53:22,390 --> 00:53:20,800  
found this and they're like nope it's

1453  
00:53:23,750 --> 00:53:22,400  
under our jurisdiction now

1454  
00:53:25,670 --> 00:53:23,760  
which means that it doesn't matter what

1455  
00:53:27,109 --> 00:53:25,680  
kind of cool stuff you find the military

1456  
00:53:28,950 --> 00:53:27,119  
and the government will always come and

1457  
00:53:29,670 --> 00:53:28,960  
kick your ass out and claim that it's

1458  
00:53:32,950 --> 00:53:29,680  
theirs

1459  
00:53:36,230 --> 00:53:32,960  
yeah right yes which is uh you know 100

1460  
00:53:38,790 --> 00:53:36,240  
yeah 100 percent but yeah the shampoo

1461  
00:53:39,510 --> 00:53:38,800  
kills the the alien that comes off of

1462  
00:53:41,829 --> 00:53:39,520  
the meteorites

1463  
00:53:43,510 --> 00:53:41,839

you like fly into the [\h\_\_\h] yeah do

1464

00:53:45,270 --> 00:53:43,520

something yeah at the end yeah that's

1465

00:53:47,030 --> 00:53:45,280

like a huge alien and like

1466

00:53:48,950 --> 00:53:47,040

somehow i don't know if it's a ship how

1467

00:53:50,309 --> 00:53:48,960

did how would they get into the [\h\_\_\h]

1468

00:53:51,109 --> 00:53:50,319

but they somehow they get into the

1469

00:53:52,790 --> 00:53:51,119

[\h\_\_\h]

1470

00:53:54,630 --> 00:53:52,800

that's what i remember because i

1471

00:53:56,790 --> 00:53:54,640

remember like that's the biggest [\h\_\_\h]

1472

00:53:58,309 --> 00:53:56,800

i've ever seen

1473

00:54:00,470 --> 00:53:58,319

i just think it's i just think it's a

1474

00:54:03,670 --> 00:54:00,480

hilarious man it's just funny

1475

00:54:05,589 --> 00:54:03,680

what's our uh uh david duchovny dude

1476  
00:54:07,030 --> 00:54:05,599  
biggest here's the joke biggest [h\_\_h]

1477  
00:54:11,270 --> 00:54:07,040  
i've ever seen bigger

1478  
00:54:13,910 --> 00:54:11,280  
than ted cruz

1479  
00:54:15,270 --> 00:54:13,920  
remember how he left us to go to cancun

1480  
00:54:16,560 --> 00:54:15,280  
to get his hair braided

1481  
00:54:19,510 --> 00:54:16,570  
yeah i remember all right sorry

1482  
00:54:22,790 --> 00:54:19,520  
[Laughter]

1483  
00:54:24,069 --> 00:54:22,800  
but i mean yeah funny you have a guy

1484  
00:54:26,069 --> 00:54:24,079  
from the x-files

1485  
00:54:27,510 --> 00:54:26,079  
right it's one of the biggest coolest

1486  
00:54:30,549 --> 00:54:27,520  
sci-fi like

1487  
00:54:33,270 --> 00:54:30,559  
uh shows of all time and then like

1488  
00:54:33,990 --> 00:54:33,280

also he's hilarious dude isn't uh

1489

00:54:37,349 --> 00:54:34,000

stifler

1490

00:54:39,030 --> 00:54:37,359

in it yes okay okay i'm glad you i

1491

00:54:39,430 --> 00:54:39,040

thought i was about to look it up but

1492

00:54:41,829 --> 00:54:39,440

yep

1493

00:54:43,190 --> 00:54:41,839

i remember stifler that dude being in it

1494

00:54:45,030 --> 00:54:43,200

and i always forget the sexy chick's

1495

00:54:47,190 --> 00:54:45,040

name

1496

00:54:53,270 --> 00:54:47,200

well who is the sexy chick hold on let's

1497

00:54:57,670 --> 00:54:53,280

look it up

1498

00:55:01,109 --> 00:54:57,680

movie cast hello hot chick

1499

00:55:03,349 --> 00:55:01,119

julian julian moore oh dude she's been

1500

00:55:10,789 --> 00:55:03,359

she's super she's still really hot she

1501  
00:55:13,829 --> 00:55:13,109  
stifler sorry i know he probably hates

1502  
00:55:17,349 --> 00:55:13,839  
that [\h\_\_\h]

1503  
00:55:19,750 --> 00:55:17,359  
although uh ethan soupley dude

1504  
00:55:20,710 --> 00:55:19,760  
sarah silverman dude this is an all-star

1505  
00:55:22,870 --> 00:55:20,720  
cast yeah

1506  
00:55:25,270 --> 00:55:22,880  
yeah this is another another movie with

1507  
00:55:27,109 --> 00:55:25,280  
just like another badass all-star cast

1508  
00:55:31,670 --> 00:55:27,119  
holy schneikies

1509  
00:55:34,150 --> 00:55:31,680  
dude kyle gaston yep from tenacious d

1510  
00:55:37,190 --> 00:55:34,160  
yeah everybody's in that movie too oh

1511  
00:55:41,030 --> 00:55:40,470  
dude okay yeah john cho i forgot about

1512  
00:55:44,870 --> 00:55:41,040  
him too

1513  
00:55:46,470 --> 00:55:44,880

much so many this is an all-star cast

1514

00:55:48,870 --> 00:55:46,480

just based off of that makes me want to

1515

00:55:50,630 --> 00:55:48,880

put it higher in the list

1516

00:55:53,349 --> 00:55:50,640

oh i was i was definitely going to put

1517

00:55:58,870 --> 00:55:53,359

it in uh mark zuckerberg's in this

1518

00:56:02,069 --> 00:56:00,710

dude this morning i put on an old period

1519

00:56:02,870 --> 00:56:02,079

jeans that haven't worn a while and i

1520

00:56:05,030 --> 00:56:02,880

realize why

1521

00:56:07,510 --> 00:56:05,040

i don't wear those is because they're

1522

00:56:10,230 --> 00:56:07,520

[h\_\_h] mark zuckerberg jeans

1523

00:56:12,390 --> 00:56:10,240

what i have a pair of jeans that look

1524

00:56:13,990 --> 00:56:12,400

like mark zuckerberg jeans

1525

00:56:16,390 --> 00:56:14,000

do they just say false information all

1526  
00:56:17,030 --> 00:56:16,400  
over them they say this content is not

1527  
00:56:20,630 --> 00:56:17,040  
available

1528  
00:56:22,950 --> 00:56:20,640  
your shadow band right on the ball area

1529  
00:56:25,349 --> 00:56:22,960  
but dude they're like there's no contour

1530  
00:56:27,510 --> 00:56:25,359  
to the legs at all like i'm not wearing

1531  
00:56:28,390 --> 00:56:27,520  
look i'm not these jeans are not like

1532  
00:56:30,470 --> 00:56:28,400  
skinny jeans

1533  
00:56:32,630 --> 00:56:30,480  
all right but these jeans literally are

1534  
00:56:35,910 --> 00:56:32,640  
made out of cardboard they are

1535  
00:56:39,030 --> 00:56:35,920  
wide and like and like the the

1536  
00:56:42,390 --> 00:56:39,040  
uh from the cr the gooch to the pooch

1537  
00:56:44,549 --> 00:56:42,400  
is way too long and it just looks

1538  
00:56:45,750 --> 00:56:44,559

it's just i just i looked at myself in

1539

00:56:47,030 --> 00:56:45,760

the mirror and i was like i can't

1540

00:56:49,109 --> 00:56:47,040

[h\_\_\h] wear these i can't

1541

00:56:50,309 --> 00:56:49,119

i can't wear these so i remember why i

1542

00:56:52,950 --> 00:56:50,319

don't wear those

1543

00:56:54,710 --> 00:56:52,960

and i have these like so you pulled from

1544

00:56:57,430 --> 00:56:54,720

your your huck finn collection

1545

00:56:59,030 --> 00:56:57,440

absolutely yeah dude finn is way better

1546

00:57:02,549 --> 00:56:59,040

than mark zuck dude

1547

00:57:04,150 --> 00:57:02,559

100 percent [h\_\_\h] that the listeners need

1548

00:57:04,549 --> 00:57:04,160

to know that they're actually rolled up

1549

00:57:07,109 --> 00:57:04,559

today

1550

00:57:07,750 --> 00:57:07,119

they are rolled up it's like a theme

1551  
00:57:09,910 --> 00:57:07,760  
rocking

1552  
00:57:11,750 --> 00:57:09,920  
a running theme with our show catch up

1553  
00:57:20,789 --> 00:57:11,760  
dude

1554  
00:57:23,829 --> 00:57:23,270  
these are you literally you could fit a

1555  
00:57:26,150 --> 00:57:23,839  
whole

1556  
00:57:27,109 --> 00:57:26,160  
a head of cabbage in that one pocket on

1557  
00:57:30,309 --> 00:57:27,119  
your

1558  
00:57:32,069 --> 00:57:30,319  
cargo cargo pant cargo pants i gotta

1559  
00:57:34,390 --> 00:57:32,079  
put all kinds of stuff in there dude

1560  
00:57:37,910 --> 00:57:34,400  
irrigation pieces and screws

1561  
00:57:39,829 --> 00:57:37,920  
and bits and trash

1562  
00:57:41,750 --> 00:57:39,839  
but why do those pants look cooler on

1563  
00:57:43,990 --> 00:57:41,760

you than they would look on me

1564

00:57:45,349 --> 00:57:44,000

like you could pull that off i can't

1565

00:57:49,349 --> 00:57:45,359

pull that [h\_\_h] off

1566

00:57:50,309 --> 00:57:49,359

usually like um long-haired earthy

1567

00:57:53,109 --> 00:57:50,319

hippie dudes

1568

00:57:54,470 --> 00:57:53,119

usually have some sort of cargo

1569

00:57:56,470 --> 00:57:54,480

accessory on

1570

00:57:58,309 --> 00:57:56,480

pieces of their clothing mode oh no

1571

00:57:59,589 --> 00:57:58,319

these are oh these are made from him

1572

00:58:01,589 --> 00:57:59,599

because you see that guy

1573

00:58:02,630 --> 00:58:01,599

and you're like he's probably got all

1574

00:58:04,950 --> 00:58:02,640

kinds of [h\_\_h] on him

1575

00:58:05,750 --> 00:58:04,960

he's like yeah i have like these papers

1576

00:58:09,030 --> 00:58:05,760

and i have

1577

00:58:10,789 --> 00:58:09,040

this this rock that i found and i've got

1578

00:58:11,589 --> 00:58:10,799

this crystal that my mom gave me when i

1579

00:58:13,270 --> 00:58:11,599

was toilet

1580

00:58:15,430 --> 00:58:13,280

he's like i found these seashells while

1581

00:58:18,230 --> 00:58:15,440

i was walking down like on

1582

00:58:20,150 --> 00:58:18,240

i was in this cave and like they always

1583

00:58:22,150 --> 00:58:20,160

have like random [h\_\_h] on them

1584

00:58:23,990 --> 00:58:22,160

it's so funny yeah this is like this is

1585

00:58:27,030 --> 00:58:24,000

where i keep my car keys

1586

00:58:27,589 --> 00:58:27,040

and then this is uh when i clean my

1587

00:58:29,990 --> 00:58:27,599

discs

1588

00:58:31,670 --> 00:58:30,000

for disc golf yeah yeah i put it in

1589

00:58:34,230 --> 00:58:31,680

there and this is my this is my

1590

00:58:36,710 --> 00:58:34,240

the pouch down near my ankles is uh uh

1591

00:58:38,470 --> 00:58:36,720

where i keep my assortment of of beans

1592

00:58:40,950 --> 00:58:38,480

i have lima beans this is where i put my

1593

00:58:44,309 --> 00:58:40,960

my weed in there

1594

00:58:46,870 --> 00:58:44,319

and you can put your weed in there

1595

00:58:48,549 --> 00:58:46,880

for this little waterproof pouch and

1596

00:58:51,430 --> 00:58:48,559

then you can put your weed in there

1597

00:58:53,190 --> 00:58:51,440

it's supposed to be for your phone for

1598

00:58:55,589 --> 00:58:53,200

like when you walk through the river

1599

00:58:56,789 --> 00:58:55,599

but i'll put my wheat in there instead

1600

00:58:59,670 --> 00:58:56,799

what do you

1601  
00:59:00,470 --> 00:58:59,680  
when you walk through the river dude so

1602  
00:59:03,030 --> 00:59:00,480  
dude

1603  
00:59:04,470 --> 00:59:03,040  
we used to have this buddy okay we can't

1604  
00:59:04,870 --> 00:59:04,480  
keep going yeah we gotta we gotta screw

1605  
00:59:07,109 --> 00:59:04,880  
this thing

1606  
00:59:08,630 --> 00:59:07,119  
sorry all right evolution evolution for

1607  
00:59:10,230 --> 00:59:08,640  
me

1608  
00:59:12,069 --> 00:59:10,240  
you go first you go first where is

1609  
00:59:12,950 --> 00:59:12,079  
evolution for you i think it's a badass

1610  
00:59:15,030 --> 00:59:12,960  
movie

1611  
00:59:16,390 --> 00:59:15,040  
okay number okay we're going with b i i

1612  
00:59:19,109 --> 00:59:16,400  
will agree i will

1613  
00:59:20,230 --> 00:59:19,119

read based off of the cast kyle gass

1614

00:59:23,030 --> 00:59:20,240

really just

1615

00:59:23,430 --> 00:59:23,040

bumped it up from a c to a b personally

1616

00:59:24,789 --> 00:59:23,440

all right

1617

00:59:26,390 --> 00:59:24,799

next movie we have to think about the

1618

00:59:28,069 --> 00:59:26,400

fact that we just put evolution in the

1619

00:59:30,870 --> 00:59:28,079

same category as alien

1620

00:59:33,030 --> 00:59:30,880

so it's not i'm like hello i'm okay you

1621

00:59:33,670 --> 00:59:33,040

know it's it's mid-grade it's definitely

1622

00:59:36,390 --> 00:59:33,680

badass

1623

00:59:37,510 --> 00:59:36,400

absolutely hell yeah next one next movie

1624

00:59:39,910 --> 00:59:37,520

fire in the sky come on

1625

00:59:41,030 --> 00:59:39,920

classic right get out of here yep get

1626  
00:59:44,549 --> 00:59:41,040  
the [h\_\_\h] out of here

1627  
00:59:47,349 --> 00:59:44,559  
um we're talking about uh content

1628  
00:59:49,990 --> 00:59:47,359  
entertainment and what damn i i only got

1629  
00:59:52,150 --> 00:59:50,000  
one of those right entertainment value

1630  
00:59:54,549 --> 00:59:52,160  
well we're we're loosely following this

1631  
00:59:55,270 --> 00:59:54,559  
but storyline storyline originality and

1632  
00:59:58,789 --> 00:59:55,280  
entertainment

1633  
01:00:01,270 --> 00:59:58,799  
originality okay yes true story

1634  
01:00:02,789 --> 01:00:01,280  
right it's pretty goddamn original most

1635  
01:00:03,670 --> 01:00:02,799  
original if you're talking about

1636  
01:00:05,510 --> 01:00:03,680  
storyline

1637  
01:00:07,030 --> 01:00:05,520  
well we're oh we're also talking about

1638  
01:00:10,150 --> 01:00:07,040

the movie not

1639

01:00:13,589 --> 01:00:10,160

travis walton's story right so storyline

1640

01:00:16,470 --> 01:00:13,599

totally made up am i wrong

1641

01:00:17,990 --> 01:00:16,480

a lot of it very loosely based on the

1642

01:00:20,470 --> 01:00:18,000

true story yeah right

1643

01:00:21,030 --> 01:00:20,480

very loosely based and if you're curious

1644

01:00:23,910 --> 01:00:21,040

guys

1645

01:00:25,109 --> 01:00:23,920

go buy travis walton's books yeah he has

1646

01:00:27,510 --> 01:00:25,119

a lot of them

1647

01:00:28,150 --> 01:00:27,520

yeah or a couple of them and and the

1648

01:00:31,430 --> 01:00:28,160

actual

1649

01:00:34,069 --> 01:00:31,440

uh documentary travis is really good

1650

01:00:34,870 --> 01:00:34,079

yeah that tells you more of the yeah buy

1651

01:00:37,349 --> 01:00:34,880

it dude buy it

1652

01:00:42,309 --> 01:00:37,359

show the guy some love i mean this guy

1653

01:00:46,390 --> 01:00:45,030

he's been through some [h\_\_h] yeah all

1654

01:00:46,789 --> 01:00:46,400

right so we're just talking about the

1655

01:00:54,150 --> 01:00:46,799

movie

1656

01:00:54,789 --> 01:00:54,160

it just sucks because like this like

1657

01:00:56,549 --> 01:00:54,799

just

1658

01:00:59,270 --> 01:00:56,559

knowing that like they kind of [h\_\_h]

1659

01:00:59,910 --> 01:00:59,280

him like makes me want to put the movie

1660

01:01:02,549 --> 01:00:59,920

in like

1661

01:01:03,910 --> 01:01:02,559

the cool category right you know what

1662

01:01:07,030 --> 01:01:03,920

that is a

1663

01:01:10,069 --> 01:01:07,040

that

1664

01:01:13,109 --> 01:01:10,079

hollywood [h\_\_\h] him they

1665

01:01:15,030 --> 01:01:13,119

okay they screwed they took it the

1666

01:01:15,990 --> 01:01:15,040

rights to his story and then they took

1667

01:01:19,190 --> 01:01:16,000

liberties

1668

01:01:21,430 --> 01:01:19,200

yep and he's not happy about it no we we

1669

01:01:23,670 --> 01:01:21,440

didn't we didn't he didn't tell us that

1670

01:01:24,789 --> 01:01:23,680

but just through the grapevine through

1671

01:01:26,470 --> 01:01:24,799

the grapevine you know

1672

01:01:27,990 --> 01:01:26,480

so i'm gonna i'm i agree let's put it in

1673

01:01:30,950 --> 01:01:28,000

the seat category yep

1674

01:01:31,349 --> 01:01:30,960

i mean classic great movie right oh my

1675

01:01:33,430 --> 01:01:31,359

god

1676

01:01:34,549 --> 01:01:33,440

great movie still holds up to this date

1677

01:01:36,069 --> 01:01:34,559

[h\_\_\h] love i just

1678

01:01:38,630 --> 01:01:36,079

watched telling joe i watched it last

1679

01:01:42,710 --> 01:01:38,640

week the series of events correct

1680

01:01:45,109 --> 01:01:42,720

yeah how the events happened

1681

01:01:45,910 --> 01:01:45,119

very loosely based on what actually and

1682

01:01:51,829 --> 01:01:45,920

the people that

1683

01:01:52,470 --> 01:01:51,839

trout should have been set for life for

1684

01:01:55,510 --> 01:01:52,480

how

1685

01:01:59,349 --> 01:01:55,520

movie

1686

01:02:01,349 --> 01:01:59,359

is was and still is to this day

1687

01:02:03,510 --> 01:02:01,359

because it's so classic it holds up it's

1688

01:02:06,230 --> 01:02:03,520

so good like the acting is so

1689

01:02:06,870 --> 01:02:06,240

good storytelling so good the animation

1690

01:02:09,349 --> 01:02:06,880

so good

1691

01:02:11,670 --> 01:02:09,359

the visual is so freaking good like the

1692

01:02:12,630 --> 01:02:11,680

the anti-gravity scene where he comes

1693

01:02:16,069 --> 01:02:12,640

out of that cocoon

1694

01:02:19,430 --> 01:02:16,079

yeah how did they film that how did they

1695

01:02:22,870 --> 01:02:21,829

i don't know how that is such whoever

1696

01:02:24,789 --> 01:02:22,880

filmed that the

1697

01:02:26,789 --> 01:02:24,799

uh and this is i hope this didn't take

1698

01:02:28,150 --> 01:02:26,799

away from the the effects artists that

1699

01:02:29,910 --> 01:02:28,160

were a part of that because

1700

01:02:32,150 --> 01:02:29,920

dude that scene blew my mind i was

1701

01:02:34,309 --> 01:02:32,160

watching it last week like how the hell

1702

01:02:36,150 --> 01:02:34,319

it's it's the executive board members

1703

01:02:37,029 --> 01:02:36,160

that were like oh [\h\_\_\h] this guy we'll do

1704

01:02:38,950 --> 01:02:37,039

whatever we want

1705

01:02:40,789 --> 01:02:38,960

right exactly the effects people the

1706

01:02:41,990 --> 01:02:40,799

people who like made the movie and stuff

1707

01:02:44,470 --> 01:02:42,000

i mean

1708

01:02:45,750 --> 01:02:44,480

how much pool do they really have so so

1709

01:02:47,270 --> 01:02:45,760

that

1710

01:02:49,029 --> 01:02:47,280

they're like i'm just making the movie

1711

01:02:49,910 --> 01:02:49,039

how they told me to make the movie so

1712

01:02:51,589 --> 01:02:49,920

wouldn't it suck if

1713

01:02:53,270 --> 01:02:51,599

you were like hey i really worked hard

1714

01:02:55,589 --> 01:02:53,280

on this movie to make that scene

1715

01:02:56,789 --> 01:02:55,599

the anti-gravity scene who knows was he

1716

01:02:58,309 --> 01:02:56,799

on wires

1717

01:02:59,990 --> 01:02:58,319

has to have been right like you're not

1718

01:03:01,029 --> 01:03:00,000

going to spend millions of dollars

1719

01:03:03,829 --> 01:03:01,039

trying to like

1720

01:03:05,109 --> 01:03:03,839

catch a 10 second what's the deep dive

1721

01:03:07,190 --> 01:03:05,119

thing that you can do it's like it's

1722

01:03:07,750 --> 01:03:07,200

like 20 seconds that it lasts where it

1723

01:03:10,150 --> 01:03:07,760

it

1724

01:03:11,829 --> 01:03:10,160

equates there's like a plane you can go

1725

01:03:14,069 --> 01:03:11,839

on and film movies and

1726

01:03:15,510 --> 01:03:14,079

zero gravity like the vomit comet that's

1727

01:03:17,430 --> 01:03:15,520

what they call it vomit comments the

1728

01:03:18,630 --> 01:03:17,440

vomit comments yeah it goes up and then

1729

01:03:21,029 --> 01:03:18,640

it drops you down

1730

01:03:21,910 --> 01:03:21,039

yeah so yeah unless they filmed it in

1731

01:03:24,950 --> 01:03:21,920

that

1732

01:03:26,870 --> 01:03:24,960

like whoever i

1733

01:03:28,150 --> 01:03:26,880

i'm i'm willing what do you think i

1734

01:03:32,309 --> 01:03:28,160

think they put him in a pool

1735

01:03:34,150 --> 01:03:32,319

and then they cgi'd it really

1736

01:03:36,069 --> 01:03:34,160

okay i think he was i could see that i

1737

01:03:37,109 --> 01:03:36,079

think he was on wires i think he was on

1738

01:03:40,309 --> 01:03:37,119

wires

1739

01:03:42,150 --> 01:03:40,319

possible he was in a pool but dude it

1740

01:03:44,230 --> 01:03:42,160

it's just so good so

1741

01:03:46,390 --> 01:03:44,240

i feel bad like putting this in the c

1742

01:03:48,470 --> 01:03:46,400

category

1743

01:03:50,630 --> 01:03:48,480

but something's got to go in the c

1744

01:03:53,829 --> 01:03:50,640

category and the reasons why

1745

01:03:54,549 --> 01:03:53,839

is travis you deserve more clout and

1746

01:03:56,950 --> 01:03:54,559

more

1747

01:03:58,230 --> 01:03:56,960

money for this movie that is like

1748

01:04:00,630 --> 01:03:58,240

literally one of my favorite

1749

01:04:02,470 --> 01:04:00,640

alien movies in the world yeah me too

1750

01:04:05,829 --> 01:04:02,480

also a reminder

1751

01:04:08,870 --> 01:04:05,839

that this is our top yeah

1752

01:04:10,470 --> 01:04:08,880

our top movies like to be in the c

1753

01:04:11,349 --> 01:04:10,480

category is still pretty awesome yeah

1754

01:04:13,750 --> 01:04:11,359

it's cool

1755

01:04:14,630 --> 01:04:13,760

yeah it is cool dude the c category

1756

01:04:17,029 --> 01:04:14,640

stands for cool

1757

01:04:18,309 --> 01:04:17,039

fire this guy cool all right i feel like

1758

01:04:19,589 --> 01:04:18,319

i cut you off a lot there

1759

01:04:21,990 --> 01:04:19,599

sorry no not at all you had more to say

1760

01:04:30,250 --> 01:04:22,000

not at all all right next one

1761

01:04:30,260 --> 01:04:35,910

[Laughter]

1762

01:04:41,750 --> 01:04:37,990

dude uh wait i want to see who else is

1763

01:04:45,349 --> 01:04:41,760

in that

1764

01:04:47,750 --> 01:04:45,359

all-star cast again again dude

1765

01:04:48,950 --> 01:04:47,760

weaver alan rickman recommended i know

1766

01:04:53,029 --> 01:04:48,960

that you've reached

1767

01:04:56,230 --> 01:04:53,039

alan rockwell dude sarah oh come on

1768

01:04:58,309 --> 01:04:56,240

yep dude um oh i thought that was

1769

01:04:59,270 --> 01:04:58,319

woody harrelson for a second missy

1770

01:05:02,710 --> 01:04:59,280

powell what up

1771

01:05:04,870 --> 01:05:02,720

tony shalom he's been

1772

01:05:07,270 --> 01:05:04,880

in so many freaking movies man yeah he

1773

01:05:10,230 --> 01:05:07,280

gets his head blown off in mid and black

1774

01:05:11,750 --> 01:05:10,240

yeah that's right yep sam rockwell

1775

01:05:13,510 --> 01:05:11,760

justin long

1776

01:05:15,510 --> 01:05:13,520

yep daryl mitchell's also been in a

1777

01:05:18,549 --> 01:05:15,520

bunch of [h\_\_\h] too yeah he has been

1778

01:05:21,670 --> 01:05:18,559

he has been uh rayne wilson

1779

01:05:25,190 --> 01:05:21,680

isn't it dude dwight from the office

1780

01:05:27,349 --> 01:05:25,200

my god what an all-star cast dude

1781

01:05:29,589 --> 01:05:27,359

again it makes this movie even better

1782

01:05:31,430 --> 01:05:29,599

just like the evolution

1783

01:05:32,870 --> 01:05:31,440

kind of vibe like just the fact that it

1784

01:05:35,670 --> 01:05:32,880

was so many

1785

01:05:36,710 --> 01:05:35,680

people mckinnon so many yeah so many

1786

01:05:39,670 --> 01:05:36,720

people that are now

1787

01:05:41,270 --> 01:05:39,680

just not just famous but we know that

1788

01:05:42,789 --> 01:05:41,280

they're just good uh-huh okay

1789

01:05:44,710 --> 01:05:42,799

there's a reason why they're famous

1790

01:05:46,069 --> 01:05:44,720

they're just good yeah and they started

1791

01:05:51,109 --> 01:05:46,079

out in something like this

1792

01:05:54,230 --> 01:05:51,119

yeah galaxy quest tim allen badass

1793

01:05:54,710 --> 01:05:54,240

i mean come on sigourney weaver you know

1794

01:05:57,750 --> 01:05:54,720

she's

1795

01:05:59,750 --> 01:05:57,760

got to have some kind of

1796

01:06:00,950 --> 01:05:59,760

experience so there's so many aliens

1797

01:06:03,109 --> 01:06:00,960

this movie is

1798

01:06:03,990 --> 01:06:03,119

is badass for me and the reason it's

1799

01:06:06,710 --> 01:06:04,000

badass for me

1800

01:06:08,230 --> 01:06:06,720

is because it's a television show and

1801  
01:06:10,470 --> 01:06:08,240  
it's been trans

1802  
01:06:11,349 --> 01:06:10,480  
uh you know transmitted out into outer

1803  
01:06:14,069 --> 01:06:11,359  
space

1804  
01:06:16,230 --> 01:06:14,079  
and this what we would consider to be

1805  
01:06:19,670 --> 01:06:16,240  
highly advanced

1806  
01:06:21,990 --> 01:06:19,680  
race of aliens gets this transmission

1807  
01:06:22,710 --> 01:06:22,000  
and thinks that oh my gosh these are

1808  
01:06:25,109 --> 01:06:22,720  
warriors

1809  
01:06:26,390 --> 01:06:25,119  
yeah from another planet yeah and they

1810  
01:06:29,750 --> 01:06:26,400  
seek help

1811  
01:06:33,109 --> 01:06:29,760  
from people who are actors right like

1812  
01:06:34,630 --> 01:06:33,119  
that's such a cool concept originality

1813  
01:06:37,029 --> 01:06:34,640

that's on point i'm going to bring that

1814

01:06:38,309 --> 01:06:37,039

above evolution and i want to

1815

01:06:40,870 --> 01:06:38,319

what do you think about bringing that

1816

01:06:43,109 --> 01:06:40,880

above earth girl oh yeah

1817

01:06:45,109 --> 01:06:43,119

earth girls are easy totally alien i'm

1818

01:06:45,829 --> 01:06:45,119

still saying it it's behind alien yeah

1819

01:06:49,190 --> 01:06:45,839

it's all on the

1820

01:06:52,150 --> 01:06:49,200

category for sure so galaxy quest i

1821

01:06:53,190 --> 01:06:52,160

did i would i would even no we'll leave

1822

01:06:54,950 --> 01:06:53,200

it we'll leave it

1823

01:06:56,950 --> 01:06:54,960

i was gonna say earth girls are easy

1824

01:06:57,349 --> 01:06:56,960

could probably go behind evolution for

1825

01:06:59,510 --> 01:06:57,359

me

1826

01:07:00,789 --> 01:06:59,520

yeah okay well i haven't seen it so i i

1827

01:07:01,270 --> 01:07:00,799

really don't have a room it's a good

1828

01:07:04,630 --> 01:07:01,280

movie

1829

01:07:06,950 --> 01:07:04,640

and you know it's all-star cast again

1830

01:07:09,589 --> 01:07:06,960

is it is it a softcore porn or not no

1831

01:07:12,829 --> 01:07:09,599

because it looks like it's

1832

01:07:14,150 --> 01:07:12,839

not what would just like start

1833

01:07:17,910 --> 01:07:14,160

interjecting

1834

01:07:18,470 --> 01:07:17,920

like alien themed software porn videos

1835

01:07:20,870 --> 01:07:18,480

yeah

1836

01:07:22,390 --> 01:07:20,880

but galaxy quest dope super dope right

1837

01:07:23,430 --> 01:07:22,400

so such a good and the fact that they

1838

01:07:26,789 --> 01:07:23,440

modeled like

1839

01:07:27,349 --> 01:07:26,799

their ship and the way it works off of

1840

01:07:33,670 --> 01:07:27,359

the

1841

01:07:36,069 --> 01:07:33,680

oh we've done all of this before

1842

01:07:36,950 --> 01:07:36,079

yeah it was really cool love that yeah

1843

01:07:39,109 --> 01:07:36,960

dude

1844

01:07:40,309 --> 01:07:39,119

everything from from landing on that

1845

01:07:42,630 --> 01:07:40,319

that yeah

1846

01:07:43,349 --> 01:07:42,640

i'm just gonna like it's been a while so

1847

01:07:45,109 --> 01:07:43,359

i'm just like

1848

01:07:47,349 --> 01:07:45,119

thinking of things that i can remember

1849

01:07:50,630 --> 01:07:47,359

but not a lot of substance to it

1850

01:07:53,670 --> 01:07:50,640

let's leave it at that great movie above

1851

01:07:55,029 --> 01:07:53,680

i think above evolution and i haven't

1852

01:07:57,029 --> 01:07:55,039

seen earth girls

1853

01:07:58,870 --> 01:07:57,039

uh our girls are easy but yeah [\h\_\_\h]

1854

01:08:01,589 --> 01:07:58,880

love that all right

1855

01:08:03,029 --> 01:08:01,599

next movie dude this one is dope this is

1856

01:08:04,710 --> 01:08:03,039

i'm glad you brought this up because i

1857

01:08:07,990 --> 01:08:04,720

would not have thought about this

1858

01:08:11,109 --> 01:08:08,000

her horse oh horse girl

1859

01:08:11,670 --> 01:08:11,119

horse girl or squirrel horse girl horse

1860

01:08:15,190 --> 01:08:11,680

goyal

1861

01:08:18,470 --> 01:08:15,200

was so cool holy crap

1862

01:08:21,510 --> 01:08:18,480

you okay if you haven't seen horse girl

1863

01:08:24,950 --> 01:08:21,520

you find it on netflix and watch it

1864

01:08:26,390 --> 01:08:24,960

immediately horse girl was so badass

1865

01:08:28,229 --> 01:08:26,400

and if you're listening to this in the

1866

01:08:30,070 --> 01:08:28,239

morning you're on your way to work

1867

01:08:32,070 --> 01:08:30,080

write it down put a reminder in your

1868

01:08:35,030 --> 01:08:32,080

phone it's a must

1869

01:08:36,229 --> 01:08:35,040

see you're gonna start watching it and

1870

01:08:37,829 --> 01:08:36,239

you're not gonna know what the hell is

1871

01:08:38,630 --> 01:08:37,839

going on you're gonna be like why the

1872

01:08:40,470 --> 01:08:38,640

[h\_\_\h] am i watching

1873

01:08:41,910 --> 01:08:40,480

i almost don't even want to talk about

1874

01:08:44,229 --> 01:08:41,920

it that much because it's

1875

01:08:46,550 --> 01:08:44,239

that badass and i don't want to like

1876

01:08:49,669 --> 01:08:46,560

[h\_\_\h] up like the the viewing

1877

01:08:53,189 --> 01:08:49,679

aspect of the movie because you

1878

01:08:55,990 --> 01:08:53,199

have to just watch it to like

1879

01:08:57,030 --> 01:08:56,000

also watch it more than once you're

1880

01:08:59,430 --> 01:08:57,040

gonna catch stuff

1881

01:09:01,430 --> 01:08:59,440

that you didn't catch the first time

1882

01:09:03,829 --> 01:09:01,440

around it's one of those movies

1883

01:09:04,470 --> 01:09:03,839

definitely watch it twice maybe three

1884

01:09:05,990 --> 01:09:04,480

times

1885

01:09:07,910 --> 01:09:06,000

yeah when you when you said that like

1886

01:09:11,269 --> 01:09:07,920

watch it a second time i did

1887

01:09:14,309 --> 01:09:11,279

like the next day and you were 100

1888

01:09:15,030 --> 01:09:14,319

right yeah i caught way more stuff than

1889

01:09:17,669 --> 01:09:15,040

i had just

1890

01:09:19,110 --> 01:09:17,679

glazed over it's funny when you're

1891

01:09:22,149 --> 01:09:19,120

watching a movie

1892

01:09:24,709 --> 01:09:22,159

how entranced and like

1893

01:09:25,910 --> 01:09:24,719

into it that you're initially when

1894

01:09:27,910 --> 01:09:25,920

you're watching the first movie like

1895

01:09:29,669 --> 01:09:27,920

that's gotta be like the most pure

1896

01:09:31,189 --> 01:09:29,679

first off when you're watching a movie

1897

01:09:33,110 --> 01:09:31,199

for the first time

1898

01:09:34,709 --> 01:09:33,120

i love movies so much but like that

1899

01:09:37,110 --> 01:09:34,719

first time you watch a movie

1900

01:09:38,070 --> 01:09:37,120

it's got to be the most pure like

1901

01:09:40,390 --> 01:09:38,080

emotion

1902

01:09:41,990 --> 01:09:40,400

i love watching movies for the first

1903

01:09:43,590 --> 01:09:42,000

time hell yeah

1904

01:09:45,510 --> 01:09:43,600

but watching it the second time you're

1905

01:09:48,870 --> 01:09:45,520

paying attention and now you have an

1906

01:09:49,349 --> 01:09:48,880

angle yeah it's that that uh again it's

1907

01:09:52,550 --> 01:09:49,359

like

1908

01:09:54,310 --> 01:09:52,560

almost a biased angle right because

1909

01:09:56,229 --> 01:09:54,320

you and i think i like when we're

1910

01:09:57,590 --> 01:09:56,239

looking for certain things and we now we

1911

01:09:58,950 --> 01:09:57,600

know after watching it i don't want to

1912

01:10:00,790 --> 01:09:58,960

give too much away but

1913

01:10:02,310 --> 01:10:00,800

all right anyway yeah i'm gonna give too

1914

01:10:03,270 --> 01:10:02,320

much away if i keep talking and the

1915

01:10:05,830 --> 01:10:03,280

title you're like

1916

01:10:08,070 --> 01:10:05,840

what does that have to do with aliens

1917

01:10:11,270 --> 01:10:08,080

when you watch it the second time

1918

01:10:13,669 --> 01:10:11,280

yeah you'll understand yeah holy crap

1919

01:10:14,310 --> 01:10:13,679

what a good title for the movie yeah

1920

01:10:16,390 --> 01:10:14,320

yeah so

1921

01:10:17,350 --> 01:10:16,400

dude i will put i'm going to go ahead

1922

01:10:18,950 --> 01:10:17,360

and say awesome

1923

01:10:20,470 --> 01:10:18,960

awesome category i'm going to have to go

1924

01:10:21,990 --> 01:10:20,480

with awesome as well

1925

01:10:24,070 --> 01:10:22,000

i wish there was like a category in

1926

01:10:24,790 --> 01:10:24,080

between super awesome and awesome

1927

01:10:27,270 --> 01:10:24,800

because it's

1928

01:10:28,550 --> 01:10:27,280

it's like yeah it's like one point away

1929

01:10:31,750 --> 01:10:28,560

from super awesome

1930

01:10:33,590 --> 01:10:31,760

yes i 100

1931

01:10:35,430 --> 01:10:33,600

agree dude i think we should put it in

1932

01:10:38,390 --> 01:10:35,440

the super awesome dude i think so

1933

01:10:38,630 --> 01:10:38,400

i think superman yeah i think so it made

1934

01:10:41,910 --> 01:10:38,640

it

1935

01:10:45,270 --> 01:10:41,920

hot dude

1936

01:10:46,630 --> 01:10:45,280

nice hell yeah we're so good at getting

1937

01:10:48,950 --> 01:10:46,640

high vibes

1938

01:10:50,630 --> 01:10:48,960

anyway yeah i i like it's so good that i

1939

01:10:52,470 --> 01:10:50,640

don't want to talk about it even more

1940

01:10:53,830 --> 01:10:52,480

anymore yeah that's how good it is next

1941

01:10:55,669 --> 01:10:53,840

movie you all

1942

01:10:59,030 --> 01:10:55,679

everybody's been thinking it nobody's

1943

01:11:02,390 --> 01:10:59,040

seen it nobody's seen it it's a very

1944

01:11:04,630 --> 01:11:02,400

off-the-cuff very uh kind of campy vibe

1945

01:11:06,470 --> 01:11:04,640

like not like it's very low budget

1946

01:11:07,030 --> 01:11:06,480

definitely uh indie movie yeah it's like

1947

01:11:08,950 --> 01:11:07,040

with a

1948

01:11:10,709 --> 01:11:08,960

a cast of like kind of nobodies that

1949

01:11:12,709 --> 01:11:10,719

nobody's ever heard of that's right

1950

01:11:14,630 --> 01:11:12,719

uh we're talking about independence day

1951

01:11:19,030 --> 01:11:14,640

independence day independence day

1952

01:11:20,950 --> 01:11:19,040

yep yeah all right so

1953

01:11:21,910 --> 01:11:20,960

go for it no you go for it i'm just

1954

01:11:23,510 --> 01:11:21,920

gonna say you're gonna have to pull up

1955

01:11:24,390 --> 01:11:23,520

the cast on this one too because this is

1956

01:11:27,189 --> 01:11:24,400

another

1957

01:11:28,550 --> 01:11:27,199

pretty badass cast independence day i

1958

01:11:31,910 --> 01:11:28,560

mean come on

1959

01:11:35,830 --> 01:11:31,920

we all saw that it was sick dude

1960

01:11:39,350 --> 01:11:35,840

it it it is it is the the pinnacle of

1961

01:11:42,229 --> 01:11:39,360

of movie of ufo invasion

1962

01:11:42,870 --> 01:11:42,239

movies it's pretty good not just ufo

1963

01:11:47,830 --> 01:11:42,880

encounter

1964

01:11:50,630 --> 01:11:47,840

movies it's ufo invasion movies so

1965

01:11:52,149 --> 01:11:50,640

originality i wouldn't say it's very

1966

01:11:54,470 --> 01:11:52,159

original

1967

01:11:55,910 --> 01:11:54,480

right yeah i mean it's alien invasion

1968

01:11:57,669 --> 01:11:55,920

it's an it's a fear that

1969

01:11:59,430 --> 01:11:57,679

people have had instilled in their minds

1970

01:12:02,709 --> 01:11:59,440

ever since the original

1971

01:12:06,149 --> 01:12:02,719

airing of the radio show or of the world

1972

01:12:09,110 --> 01:12:06,159

right yeah planted that seed also huh

1973

01:12:09,669 --> 01:12:09,120

uh entertainment value very entertaining

1974

01:12:12,870 --> 01:12:09,679

right

1975

01:12:15,189 --> 01:12:12,880

uh-huh let's look at this the the cast

1976

01:12:16,229 --> 01:12:15,199

will smith will smith phil pullman jeff

1977

01:12:19,350 --> 01:12:16,239

goldblum gold

1978

01:12:22,550 --> 01:12:19,360

gold bloomies vivi oh so hot

1979

01:12:23,189 --> 01:12:22,560

oh my god so hot guys jesus i was so in

1980

01:12:27,510 --> 01:12:23,199

love with her

1981

01:12:28,950 --> 01:12:27,520

yep i was so i'm still getting over it

1982

01:12:30,790 --> 01:12:28,960

i felt like there was a lot more than

1983

01:12:32,790 --> 01:12:30,800

that who was the who was the

1984

01:12:33,910 --> 01:12:32,800

uh the scientist guy with the long hair

1985

01:12:37,590 --> 01:12:33,920

do we know

1986

01:12:38,790 --> 01:12:37,600

that was dave scott dave scott playing

1987

01:12:40,709 --> 01:12:38,800

the scientist

1988

01:12:42,870 --> 01:12:40,719

and i don't know if you guys know that

1989

01:12:46,070 --> 01:12:42,880

but dave scott played the scientist

1990

01:12:48,470 --> 01:12:46,080

in independence day his hair used to be

1991

01:12:50,790 --> 01:12:48,480

that long he dave scott is way more

1992

01:12:54,229 --> 01:12:50,800

handsome than the guy who played the the

1993

01:12:55,030 --> 01:12:54,239

the scientist but that is spot on oh my

1994

01:12:58,149 --> 01:12:55,040

god

1995

01:12:59,189 --> 01:12:58,159

oh dude uh judd hirsch this guy has been

1996

01:13:02,870 --> 01:12:59,199

a little lost he's like one of my

1997

01:13:06,709 --> 01:13:05,430

because very jewish why i think he said

1998

01:13:10,310 --> 01:13:06,719

like schmuck

1999

01:13:12,550 --> 01:13:10,320

like through like 90 of the movie yeah

2000

01:13:14,149 --> 01:13:12,560

mary mcdonald's been like mary

2001

01:13:15,030 --> 01:13:14,159

mcdonald's one of those actresses that

2002

01:13:24,390 --> 01:13:15,040

you

2003

01:13:26,070 --> 01:13:24,400

yeah she's in like all of my favorite

2004

01:13:28,709 --> 01:13:26,080

movies

2005

01:13:29,270 --> 01:13:28,719

uh yeah there's a couple more i feel

2006

01:13:32,790 --> 01:13:29,280

like there were

2007

01:13:34,790 --> 01:13:32,800

missing james james reborn yeah yep yep

2008

01:13:36,310 --> 01:13:34,800

this chick mae whitman i feel like she

2009

01:13:37,830 --> 01:13:36,320

was one of the kids maybe

2010

01:13:39,510 --> 01:13:37,840

and that was like the older brother that

2011

01:13:41,990 --> 01:13:39,520

james duvall was the older brother

2012

01:13:42,630 --> 01:13:42,000

that that mae whitman she's in uh uh bad

2013

01:13:46,070 --> 01:13:42,640

girls

2014

01:13:49,350 --> 01:13:46,080

it's on netflix

2015

01:13:49,830 --> 01:13:49,360

it's pretty good is it yeah i haven't

2016

01:13:51,510 --> 01:13:49,840

seen it

2017

01:13:52,950 --> 01:13:51,520

yeah is it about it's really good it's

2018

01:13:58,070 --> 01:13:52,960

got that uh

2019

01:14:01,590 --> 01:14:00,950

emma stone i think i think it's your

2020

01:14:04,870 --> 01:14:01,600

name

2021

01:14:07,990 --> 01:14:04,880

she's she's got like what like

2022

01:14:15,910 --> 01:14:08,000

just what like what joe tell me

2023

01:14:18,870 --> 01:14:17,270

dude they're massive i can't even pay

2024

01:14:19,350 --> 01:14:18,880

attention to the goddamn show because

2025

01:14:22,310 --> 01:14:19,360

like

2026

01:14:23,590 --> 01:14:22,320

they're just huge i wouldn't be awesome

2027

01:14:26,390 --> 01:14:23,600

i wouldn't be able to be

2028

01:14:28,149 --> 01:14:26,400

moves are boobs are so awesome what's

2029

01:14:28,470 --> 01:14:28,159

that lady's name uh you gotta type it in

2030

01:14:32,070 --> 01:14:28,480

now

2031

01:14:34,630 --> 01:14:32,080

uh good girls i think on netflix

2032

01:14:35,510 --> 01:14:34,640

good good girls it's badass cause it's

2033

01:14:36,709 --> 01:14:35,520

like these three

2034

01:14:38,870 --> 01:14:36,719

these three ladies they're like

2035

01:14:41,990 --> 01:14:38,880

housewives but then they end up like

2036

01:14:42,630 --> 01:14:42,000

like audrey from uh uh mad men yeah

2037

01:14:45,110 --> 01:14:42,640

christine

2038

01:14:49,270 --> 01:14:45,120

hendricks yeah christina yeah hendricks

2039

01:14:55,590 --> 01:14:52,310

yeah it made whitman well

2040

01:14:59,270 --> 01:14:55,600

bumps and uh yeah

2041

01:15:02,229 --> 01:14:59,280

so those three chicks are the

2042

01:15:03,910 --> 01:15:02,239

nice main people nice well check it out

2043

01:15:07,110 --> 01:15:03,920

wait is it it's really good is it about

2044

01:15:08,709 --> 01:15:07,120

aliens or no it's not about aliens

2045

01:15:10,390 --> 01:15:08,719

they're just like housewives and they're

2046

01:15:11,110 --> 01:15:10,400

like tight for money and then they meet

2047

01:15:13,270 --> 01:15:11,120

that

2048

01:15:15,189 --> 01:15:13,280

uh didn't oh he's not up there then they

2049

01:15:17,910 --> 01:15:15,199

meet like this gangster dude

2050

01:15:18,950 --> 01:15:17,920

yeah that that oh my god dude i just

2051

01:15:21,510 --> 01:15:18,960

just started watching this

2052

01:15:23,110 --> 01:15:21,520

because i recognize that guy i was like

2053

01:15:24,390 --> 01:15:23,120

because he was kind of intimidating it

2054

01:15:25,350 --> 01:15:24,400

was kind of a scary scene i was like

2055

01:15:27,830 --> 01:15:25,360

babe

2056

01:15:28,630 --> 01:15:27,840

and i saw her like facial expressions

2057

01:15:30,630 --> 01:15:28,640

she was like

2058

01:15:32,390 --> 01:15:30,640

honestly scared that's how good of an

2059

01:15:35,990 --> 01:15:32,400

actor this guy is i'm like hey dude

2060

01:15:39,430 --> 01:15:36,000

remember he's an actor okay

2061

01:15:41,590 --> 01:15:39,440

it's just a movie or it's a show

2062

01:15:43,110 --> 01:15:41,600

right yeah it's a show yeah it's a

2063

01:15:45,110 --> 01:15:43,120

pretty it's a pretty badass show

2064

01:15:46,229 --> 01:15:45,120

oh yeah all right cool all right back to

2065

01:15:48,709 --> 01:15:46,239

independence aliens

2066

01:15:49,669 --> 01:15:48,719

independence day classic come on what

2067

01:15:52,790 --> 01:15:49,679

more do we have to say

2068

01:15:55,669 --> 01:15:52,800

so so independence day was very uh

2069

01:15:56,229 --> 01:15:55,679

good it was cool movie very entertaining

2070

01:15:58,790 --> 01:15:56,239

um

2071

01:15:59,669 --> 01:15:58,800

the things i didn't like was like the uh

2072

01:16:03,030 --> 01:15:59,679

just the

2073

01:16:05,110 --> 01:16:03,040

the hold that like the military

2074

01:16:07,910 --> 01:16:05,120

and the government had on this movie as

2075

01:16:11,270 --> 01:16:07,920

well yeah like this was back in the time

2076

01:16:12,790 --> 01:16:11,280

where they didn't admit area 51 was a

2077

01:16:14,390 --> 01:16:12,800

thing right and you know he's dragging

2078

01:16:14,950 --> 01:16:14,400

the alien through the desert and he's

2079

01:16:17,510 --> 01:16:14,960

like

2080

01:16:18,149 --> 01:16:17,520

yeah i saw this military base out in the

2081

01:16:19,910 --> 01:16:18,159

desert

2082

01:16:22,149 --> 01:16:19,920

that's where i'm headed he's talking

2083

01:16:25,510 --> 01:16:22,159

about area 51 but they don't say

2084

01:16:28,229 --> 01:16:25,520

he's on green 51. salt lake

2085

01:16:29,030 --> 01:16:28,239

salt bed lake yep and they don't still

2086

01:16:31,830 --> 01:16:29,040

the government's

2087

01:16:33,590 --> 01:16:31,840

denying that completely denying that it

2088

01:16:34,070 --> 01:16:33,600

exists they don't say the name they

2089

01:16:36,149 --> 01:16:34,080

don't say

2090

01:16:37,430 --> 01:16:36,159

any of that stuff and so the reason why

2091

01:16:39,510 --> 01:16:37,440

it might be a psyop

2092

01:16:40,870 --> 01:16:39,520

is the fact that that takes place

2093

01:16:43,910 --> 01:16:40,880

exactly where

2094

01:16:45,830 --> 01:16:43,920

it actually took place and now they're

2095

01:16:46,310 --> 01:16:45,840

like oh well that was in a movie so

2096

01:16:48,390 --> 01:16:46,320

you're

2097

01:16:49,750 --> 01:16:48,400

talking nonsense right like yeah now

2098

01:16:51,669 --> 01:16:49,760

that it's in a movie yeah

2099

01:16:53,270 --> 01:16:51,679

you can discredit anyone that's ever

2100

01:16:55,030 --> 01:16:53,280

said yeah well

2101

01:16:57,189 --> 01:16:55,040

i've been to groom lake it was a salt

2102

01:16:58,310 --> 01:16:57,199

bed lake i think the air force had a lot

2103

01:17:01,189 --> 01:16:58,320

to say

2104

01:17:02,310 --> 01:17:01,199

about the making of of that whole movie

2105

01:17:04,709 --> 01:17:02,320

like they had their

2106

01:17:05,750 --> 01:17:04,719

absolute brains in it the the hero i

2107

01:17:08,950 --> 01:17:05,760

mean the un

2108

01:17:09,590 --> 01:17:08,960

the unsung hero the dad remember that

2109

01:17:12,630 --> 01:17:09,600

like

2110

01:17:15,350 --> 01:17:12,640

guy

2111

01:17:15,990 --> 01:17:15,360

like there's so much valor involved like

2112

01:17:18,950 --> 01:17:16,000

they make the

2113

01:17:19,750 --> 01:17:18,960

military look like the the best people

2114

01:17:22,229 --> 01:17:19,760

in the world

2115

01:17:23,510 --> 01:17:22,239

which is great i honestly like dude i've

2116

01:17:26,550 --> 01:17:23,520

some of my best

2117

01:17:27,830 --> 01:17:26,560

one of my best friends dude brandon is

2118

01:17:29,830 --> 01:17:27,840

in the air force

2119

01:17:31,590 --> 01:17:29,840

[h\_\_\h] greatest dude in the world all

2120

01:17:34,229 --> 01:17:31,600

right i'm not talking about

2121

01:17:35,510 --> 01:17:34,239

him i'm talking about this propaganda in

2122

01:17:37,750 --> 01:17:35,520

the air force right right

2123

01:17:40,070 --> 01:17:37,760

this movie is propaganda for the air

2124

01:17:42,229 --> 01:17:40,080

force yeah it totally is

2125

01:17:44,229 --> 01:17:42,239

it it is it definitely is it makes them

2126

01:17:47,189 --> 01:17:44,239

look like the coolest kids in school

2127

01:17:48,310 --> 01:17:47,199

i'm the only one in my family that's not

2128

01:17:50,470 --> 01:17:48,320

in the military

2129

01:17:51,830 --> 01:17:50,480

and so i mean but yeah no i totally

2130

01:17:53,669 --> 01:17:51,840

understand that was in there

2131

01:17:55,350 --> 01:17:53,679

i'm telling you know my dad was in the

2132

01:17:57,910 --> 01:17:55,360

army my brother was

2133

01:17:58,709 --> 01:17:57,920

in the army as well my grandpa was in

2134

01:18:01,350 --> 01:17:58,719

the navy

2135

01:18:01,910 --> 01:18:01,360

my other brother is in the air force

2136

01:18:04,070 --> 01:18:01,920

yeah um

2137

01:18:04,950 --> 01:18:04,080

so yeah they're all military people so

2138

01:18:06,709 --> 01:18:04,960

like yeah

2139

01:18:08,550 --> 01:18:06,719

i get what you're saying there's no like

2140

01:18:11,910 --> 01:18:08,560

[h\_\_h] on the military here

2141

01:18:13,830 --> 01:18:11,920

but yeah and honestly somebody's gotta

2142

01:18:14,950 --> 01:18:13,840

go fight it and it's not gonna be me so

2143

01:18:17,189 --> 01:18:14,960

yeah

2144

01:18:18,790 --> 01:18:17,199

but i honestly think that independence

2145

01:18:22,630 --> 01:18:18,800

day dude

2146

01:18:24,709 --> 01:18:22,640

one probably the best cgi

2147

01:18:26,310 --> 01:18:24,719

you actually believed well at the time

2148

01:18:29,270 --> 01:18:26,320

yeah at the time yeah

2149

01:18:29,669 --> 01:18:29,280

and also just the uh will smith that

2150

01:18:33,110 --> 01:18:29,679

would

2151

01:18:33,669 --> 01:18:33,120

without will smith right they had cast

2152

01:18:35,430 --> 01:18:33,679

anybody

2153

01:18:37,350 --> 01:18:35,440

else that movie would have fallen

2154

01:18:39,669 --> 01:18:37,360

through the cracks i think so too

2155

01:18:41,189 --> 01:18:39,679

i think sometimes he made that movie

2156

01:18:41,990 --> 01:18:41,199

because he was just getting huge at that

2157

01:18:43,910 --> 01:18:42,000

time there's

2158

01:18:45,910 --> 01:18:43,920

well there's just so many it doesn't

2159

01:18:49,669 --> 01:18:45,920

even matter if he was famous or not

2160

01:18:51,669 --> 01:18:49,679

he just performed above and beyond

2161

01:18:53,350 --> 01:18:51,679

like there's so many quotable moments

2162

01:18:56,390 --> 01:18:53,360

but some people would say that will

2163

01:18:58,709 --> 01:18:56,400

smith is what made the movie corny

2164

01:19:00,149 --> 01:18:58,719

really yeah really i've heard a lot of

2165

01:19:01,910 --> 01:19:00,159

people say that like yeah it would have

2166

01:19:02,550 --> 01:19:01,920

been a cool movie if will smith didn't

2167

01:19:04,630 --> 01:19:02,560

make it so

2168

01:19:05,590 --> 01:19:04,640

goofy i must be like i must be corny

2169

01:19:07,830 --> 01:19:05,600

because i may have been

2170

01:19:09,910 --> 01:19:07,840

serious and like but that's not our

2171

01:19:11,910 --> 01:19:09,920

personality so we obviously liked it

2172

01:19:13,910 --> 01:19:11,920

because will smith was in it

2173

01:19:15,110 --> 01:19:13,920

dude it's hilarious that scene where

2174

01:19:15,830 --> 01:19:15,120

they get in that dog fight and they

2175

01:19:18,790 --> 01:19:15,840

crash

2176  
01:19:19,270 --> 01:19:18,800  
and he [h\_\_h] opens up that hatch it's

2177  
01:19:22,470 --> 01:19:19,280  
just

2178  
01:19:24,790 --> 01:19:22,480  
like the aliens like

2179  
01:19:26,149 --> 01:19:24,800  
punch the [h\_\_h] out of it like he's got a

2180  
01:19:29,990 --> 01:19:26,159  
cigar in his mouth he's like

2181  
01:19:34,870 --> 01:19:32,870  
like that's the most classic line oh

2182  
01:19:37,270 --> 01:19:34,880  
it's so good

2183  
01:19:41,430 --> 01:19:37,280  
it's like where's your clearance this is

2184  
01:19:47,510 --> 01:19:44,470  
yeah that movie would not be

2185  
01:19:50,550 --> 01:19:47,520  
the same without will smith like

2186  
01:19:52,950 --> 01:19:50,560  
yeah anyway it's good enough sucking

2187  
01:19:54,149 --> 01:19:52,960  
will smith's balls yeah but yeah so

2188  
01:19:56,070 --> 01:19:54,159

independence day

2189

01:19:57,270 --> 01:19:56,080

i'm gonna say i'm gonna say awesome what

2190

01:19:58,790 --> 01:19:57,280

do you think

2191

01:20:02,310 --> 01:19:58,800

it's not a super awesome for me it's an

2192

01:20:05,510 --> 01:20:04,630

i think it's a badass really i think

2193

01:20:08,470 --> 01:20:05,520

it's badass

2194

01:20:09,990 --> 01:20:08,480

okay so now we have this i wish there

2195

01:20:11,750 --> 01:20:10,000

was an in-between but

2196

01:20:14,470 --> 01:20:11,760

i feel like let's go with the lowest

2197

01:20:16,310 --> 01:20:14,480

common denominator let's go with badass

2198

01:20:18,229 --> 01:20:16,320

but i would is it i would put

2199

01:20:21,350 --> 01:20:18,239

independence day

2200

01:20:23,510 --> 01:20:21,360

uh or right behind aliens alien i would

2201

01:20:24,870 --> 01:20:23,520

definitely agree i absolutely agree with

2202

01:20:27,030 --> 01:20:24,880

that yep

2203

01:20:28,229 --> 01:20:27,040

yeah i feel really good about that

2204

01:20:31,270 --> 01:20:28,239

totally

2205

01:20:35,110 --> 01:20:31,280

right

2206

01:20:37,270 --> 01:20:35,120

so this one isn't one of your favorites

2207

01:20:39,430 --> 01:20:37,280

this is one of my favorite movies it's

2208

01:20:42,550 --> 01:20:39,440

one of uh as a kid

2209

01:20:45,590 --> 01:20:44,310

and until like i really had a full

2210

01:20:48,950 --> 01:20:45,600

understanding

2211

01:20:50,950 --> 01:20:48,960

it was i liked it better than e.t oh my

2212

01:20:56,310 --> 01:20:50,960

god are you serious yeah

2213

01:20:58,229 --> 01:20:56,320

and that is mac and me

2214

01:20:59,910 --> 01:20:58,239

what's what's his name and she's like

2215

01:21:01,430 --> 01:20:59,920

that's one of my favorite actors that

2216

01:21:03,430 --> 01:21:01,440

i'm just blanking on his name for some

2217

01:21:07,350 --> 01:21:03,440

reason

2218

01:21:08,950 --> 01:21:07,360

he's famous paul thank you everybody

2219

01:21:10,470 --> 01:21:08,960

what show does he go on that he like

2220

01:21:10,790 --> 01:21:10,480

trolls him every time dude i think it's

2221

01:21:12,950 --> 01:21:10,800

uh

2222

01:21:13,990 --> 01:21:12,960

conan o'brien every time he goes on

2223

01:21:16,709 --> 01:21:14,000

there to promote a new

2224

01:21:18,629 --> 01:21:16,719

movie there's the scene where he's

2225

01:21:21,830 --> 01:21:18,639

rolling down the hill

2226

01:21:27,189 --> 01:21:25,189

bro it's so bad and dude i

2227

01:21:28,950 --> 01:21:27,199

remember us joking about it and then i

2228

01:21:30,790 --> 01:21:28,960

actually watched i could not

2229

01:21:32,709 --> 01:21:30,800

just i couldn't even this is before i

2230

01:21:34,870 --> 01:21:32,719

even knew about the paul rudd thing

2231

01:21:36,790 --> 01:21:34,880

which now like now that i know paul i'm

2232

01:21:38,709 --> 01:21:36,800

so influential like

2233

01:21:41,990 --> 01:21:38,719

or influenced i don't know i'm not

2234

01:21:44,149 --> 01:21:42,000

influential the word is like

2235

01:21:45,669 --> 01:21:44,159

if i know that someone i like really

2236

01:21:48,149 --> 01:21:45,679

likes it i will

2237

01:21:50,149 --> 01:21:48,159

i will invest my time in yeah because i

2238

01:21:53,910 --> 01:21:50,159

i respect their opinion

2239

01:21:57,030 --> 01:21:53,920

so it's just been that long since

2240

01:21:59,270 --> 01:21:57,040

from you sh showing me this movie

2241

01:22:00,070 --> 01:21:59,280

i watched it and then i watched like

2242

01:22:03,030 --> 01:22:00,080

half of it

2243

01:22:04,070 --> 01:22:03,040

right like i just alright it was making

2244

01:22:05,750 --> 01:22:04,080

me uncomfortable it made me

2245

01:22:08,149 --> 01:22:05,760

uncomfortable i hated it

2246

01:22:09,510 --> 01:22:08,159

and then i found out paul rudd did this

2247

01:22:13,110 --> 01:22:09,520

[h\_\_\h] and like

2248

01:22:14,629 --> 01:22:13,120

oh that's hilarious i i just haven't

2249

01:22:17,430 --> 01:22:14,639

gone back and watched

2250

01:22:18,310 --> 01:22:17,440

i mean it's cool right because in this

2251

01:22:20,950 --> 01:22:18,320

movie

2252

01:22:23,189 --> 01:22:20,960

we go to mars you go to mars the little

2253

01:22:25,110 --> 01:22:23,199

machine is sucking up dust particles and

2254

01:22:26,070 --> 01:22:25,120

stuff and then the aliens walk over and

2255

01:22:28,149 --> 01:22:26,080

they have like those

2256

01:22:29,220 --> 01:22:28,159

bloated like bellies and they're all

2257

01:22:32,870 --> 01:22:29,230

like yeah

2258

01:22:37,030 --> 01:22:35,910

what why are their mouths so like

2259

01:22:38,070 --> 01:22:37,040

because they have to whistle that's how

2260

01:22:39,830 --> 01:22:38,080

they talk to each other

2261

01:22:41,189 --> 01:22:39,840

that scene where they're like the family

2262

01:22:43,750 --> 01:22:41,199

is like walking around

2263

01:22:44,390 --> 01:22:43,760

it's so depressing yeah it's so

2264

01:22:46,550 --> 01:22:44,400

depressing

2265

01:22:48,790 --> 01:22:46,560

like on earth or like when like when

2266

01:22:51,430 --> 01:22:48,800

they're where they're on mars

2267

01:22:51,910 --> 01:22:51,440

well why is it depressing it just looks

2268

01:22:55,270 --> 01:22:51,920

so

2269

01:22:56,709 --> 01:22:55,280

there's no trees or birds or like

2270

01:22:58,790 --> 01:22:56,719

i don't know man you don't know their

2271

01:23:00,950 --> 01:22:58,800

life bro i don't know they're like

2272

01:23:03,430 --> 01:23:00,960

they're on a straw i'm a human

2273

01:23:05,110 --> 01:23:03,440

because if if if they live underground

2274

01:23:06,790 --> 01:23:05,120

who's to say that like they weren't just

2275

01:23:10,790 --> 01:23:06,800

hanging out up on top

2276

01:23:12,629 --> 01:23:10,800

just to get some some some fresh air

2277

01:23:14,149 --> 01:23:12,639

that is very true you know so did you

2278

01:23:17,430 --> 01:23:14,159

did you know this fact about mars

2279

01:23:19,270 --> 01:23:17,440

if you if us as humans go to mars right

2280

01:23:21,590 --> 01:23:19,280

you know the boiling point of water is

2281

01:23:25,110 --> 01:23:21,600

like 215

2282

01:23:27,669 --> 01:23:25,120

something degrees if we go and step

2283

01:23:28,550 --> 01:23:27,679

outside of mars our blood would boil did

2284

01:23:31,910 --> 01:23:28,560

you know that

2285

01:23:33,750 --> 01:23:31,920

yeah what the hell that's crazy the hell

2286

01:23:37,110 --> 01:23:33,760

man imagine if they came to earth what

2287

01:23:39,189 --> 01:23:37,120

would happen would their blood freeze

2288

01:23:40,629 --> 01:23:39,199

i don't know if aliens came to and they

2289

01:23:41,110 --> 01:23:40,639

were like used to a different atmosphere

2290

01:23:43,830 --> 01:23:41,120

or whatever

2291

01:23:45,189 --> 01:23:43,840

or temperature probably maybe gives

2292

01:23:48,709 --> 01:23:45,199

credence to why they

2293

01:23:52,149 --> 01:23:48,719

send biological entities or

2294

01:23:53,910 --> 01:23:52,159

uh mechanical slash biological entities

2295

01:23:55,830 --> 01:23:53,920

that can withstand different temperature

2296

01:23:58,390 --> 01:23:55,840

changes like bio

2297

01:23:59,030 --> 01:23:58,400

biomic [h\_\_\h] smart that's what you

2298

01:24:02,709 --> 01:23:59,040

just said

2299

01:24:03,350 --> 01:24:02,719

is some smart [h\_\_\h] biotech aliens are

2300

01:24:06,870 --> 01:24:03,360

smart

2301

01:24:07,990 --> 01:24:06,880

dude anyway mac and me i would put it in

2302

01:24:09,830 --> 01:24:08,000

the cool category

2303

01:24:11,430 --> 01:24:09,840

cool all right so it's not a d are you

2304

01:24:14,870 --> 01:24:11,440

sure it's not a d

2305

01:24:16,149 --> 01:24:14,880

it's not it's not a dumb for me it's not

2306

01:24:17,750 --> 01:24:16,159

a dumb all right well we could change

2307

01:24:20,790 --> 01:24:17,760

your mind later

2308

01:24:22,629 --> 01:24:20,800

this sucks that smacking me and

2309

01:24:24,470 --> 01:24:22,639

fire this guy this guy they're not in

2310

01:24:25,910 --> 01:24:24,480

the same caliber dude i'm gonna put it

2311

01:24:28,870 --> 01:24:25,920

all right put it in the dumb all right

2312

01:24:32,070 --> 01:24:28,880

makame is in dumb fire in the sky is not

2313

01:24:35,430 --> 01:24:32,080

the same as mac and me okay yeah

2314

01:24:37,510 --> 01:24:35,440

we have to agree on that right it's not

2315

01:24:39,510 --> 01:24:37,520

it's not yeah they're not in the same

2316

01:24:40,870 --> 01:24:39,520

category the entertainment value is

2317

01:24:42,870 --> 01:24:40,880

completely different though

2318

01:24:44,070 --> 01:24:42,880

right and that's why it's so subjective

2319

01:24:47,990 --> 01:24:44,080

yeah just like

2320

01:24:49,590 --> 01:24:48,000

alien and and the galaxy quests are

2321

01:24:51,669 --> 01:24:49,600

two completely but they're in the same

2322

01:24:54,950 --> 01:24:51,679

category okay yeah that's a good point

2323

01:24:56,870 --> 01:24:54,960

yeah yeah but firing this cone heads and

2324

01:24:59,750 --> 01:24:56,880

horse girl

2325

01:25:00,709 --> 01:24:59,760

it's completely different dude when we

2326

01:25:02,950 --> 01:25:00,719

look

2327

01:25:04,470 --> 01:25:02,960

would we finish this in like four hours

2328

01:25:06,629 --> 01:25:04,480

we're gonna

2329

01:25:08,550 --> 01:25:06,639

we'll be like wait how was wait remind

2330

01:25:11,030 --> 01:25:08,560

me again why coneence is better than

2331

01:25:12,950 --> 01:25:11,040

independence day

2332

01:25:14,629 --> 01:25:12,960

hey this is ufo garage podcast all right

2333

01:25:15,350 --> 01:25:14,639

this is not you never know what you're

2334

01:25:16,950 --> 01:25:15,360

going to get yeah

2335

01:25:19,810 --> 01:25:16,960

all right next movie all right mars

2336

01:25:28,470 --> 01:25:24,870

[Music]

2337

01:25:32,229 --> 01:25:30,709

all right so um i remember watching i

2338

01:25:35,669 --> 01:25:32,239

remember renting this

2339

01:25:38,149 --> 01:25:35,679

from the video store and taylor

2340

01:25:39,430 --> 01:25:38,159

rode the bike rode a bike with my pegs i

2341

01:25:42,629 --> 01:25:39,440

had a dino

2342

01:25:43,510 --> 01:25:42,639

yeah you know freaking classic just

2343

01:25:48,629 --> 01:25:43,520

pumping foods

2344

01:25:49,510 --> 01:25:48,639

bought a necklace one of those dope ass

2345

01:25:52,310 --> 01:25:49,520

[h\_\_\h] ball

2346

01:25:53,110 --> 01:25:52,320

chain necklaces yeah yeah i did and i

2347

01:25:55,990 --> 01:25:53,120

rented

2348

01:25:56,790 --> 01:25:56,000

mars attacks dude and we went back we

2349

01:26:00,629 --> 01:25:56,800

played a little bit of

2350

01:26:02,709 --> 01:26:00,639

n64 what was that game it was like hydro

2351  
01:26:03,669 --> 01:26:02,719  
hydro something it was like it was like

2352  
01:26:06,870 --> 01:26:03,679  
a uh

2353  
01:26:09,189 --> 01:26:06,880  
like a speed boat racing game

2354  
01:26:09,990 --> 01:26:09,199  
oh i know what you're talking about i

2355  
01:26:11,910 --> 01:26:10,000  
was like

2356  
01:26:13,590 --> 01:26:11,920  
they also had like an arcade game that

2357  
01:26:14,390 --> 01:26:13,600  
was at mr daddy's for a little bit but

2358  
01:26:16,629 --> 01:26:14,400  
they had a

2359  
01:26:17,910 --> 01:26:16,639  
n64 version uh-huh you know what i'm

2360  
01:26:19,430 --> 01:26:17,920  
talking about i know exactly what you're

2361  
01:26:21,270 --> 01:26:19,440  
talking about remember specifically we

2362  
01:26:22,070 --> 01:26:21,280  
played that game me and my buddy travis

2363  
01:26:25,590 --> 01:26:22,080

dude

2364

01:26:29,270 --> 01:26:25,600

played that and heath my uh my two like

2365

01:26:31,270 --> 01:26:29,280

home boys dude played hydro something

2366

01:26:32,709 --> 01:26:31,280

and then we watched mars attacks

2367

01:26:35,350 --> 01:26:32,719

and but all three of us were sitting

2368

01:26:38,470 --> 01:26:35,360

there an hour later with a boner

2369

01:26:38,870 --> 01:26:38,480

because this chick with the pointy with

2370

01:26:41,990 --> 01:26:38,880

the

2371

01:26:42,629 --> 01:26:42,000

babies i thought she was so hot yeah you

2372

01:26:48,709 --> 01:26:42,639

remember

2373

01:26:51,750 --> 01:26:48,719

i love that [h\_\_\h] like the the releasing

2374

01:26:53,270 --> 01:26:51,760

of the doves was like a sign of war

2375

01:26:54,950 --> 01:26:53,280

that's why they started like killing

2376

01:26:57,990 --> 01:26:54,960

everybody everything just zapped it

2377

01:26:59,669 --> 01:26:58,000

yeah it's so good

2378

01:27:01,189 --> 01:26:59,679

i want to clarify about the boners i

2379

01:27:02,550 --> 01:27:01,199

don't know if we had a boner i just i

2380

01:27:04,149 --> 01:27:02,560

just remember thinking of these you

2381

01:27:06,070 --> 01:27:04,159

remember

2382

01:27:07,830 --> 01:27:06,080

i just knew that this girl for some

2383

01:27:08,229 --> 01:27:07,840

reason like even though she looked weird

2384

01:27:13,830 --> 01:27:08,239

i was

2385

01:27:15,669 --> 01:27:13,840

yeah mars attacks it's [h\_\_h] goofy

2386

01:27:17,990 --> 01:27:15,679

also the head remember the disc on the

2387

01:27:20,390 --> 01:27:18,000

dog yeah the dog is like a chihuahua

2388

01:27:21,030 --> 01:27:20,400

and they put a little [h\_\_\h] dog yeah

2389

01:27:22,629 --> 01:27:21,040

all right

2390

01:27:24,310 --> 01:27:22,639

i'm gonna put that in the dumb category

2391

01:27:25,350 --> 01:27:24,320

dude but i'm gonna put that above mac

2392

01:27:27,350 --> 01:27:25,360

and me what do you think

2393

01:27:29,510 --> 01:27:27,360

dude i was gonna put it right behind

2394

01:27:32,550 --> 01:27:29,520

contact

2395

01:27:34,470 --> 01:27:32,560

what i really wanna it's awesome it's

2396

01:27:36,629 --> 01:27:34,480

awesome

2397

01:27:37,510 --> 01:27:36,639

okay hold on let's let's put it back in

2398

01:27:40,470 --> 01:27:37,520

the mix

2399

01:27:41,750 --> 01:27:40,480

okay because the originality the thought

2400

01:27:45,110 --> 01:27:41,760

of the movie

2401

01:27:47,910 --> 01:27:45,120

of like martians you know like we're

2402

01:27:48,790 --> 01:27:47,920

like by the time that mars attack was

2403

01:27:51,590 --> 01:27:48,800

made

2404

01:27:53,510 --> 01:27:51,600

we were past the whole there's martians

2405

01:27:54,390 --> 01:27:53,520

right we were way past that so this is

2406

01:27:56,950 --> 01:27:54,400

kind of like a

2407

01:27:58,390 --> 01:27:56,960

a throwback to like the 40s and 50s that

2408

01:27:59,510 --> 01:27:58,400

they were bringing back to like the

2409

01:28:02,709 --> 01:27:59,520

modern era

2410

01:28:04,629 --> 01:28:02,719

and the idea that like these uh these

2411

01:28:05,830 --> 01:28:04,639

tiny martians would show up with space

2412

01:28:08,149 --> 01:28:05,840

helmets like it was just

2413

01:28:08,950 --> 01:28:08,159

it was a period piece no it wasn't a

2414

01:28:11,910 --> 01:28:08,960

period piece

2415

01:28:12,390 --> 01:28:11,920

it was like modern yeah but the the idea

2416

01:28:14,790 --> 01:28:12,400

of

2417

01:28:15,910 --> 01:28:14,800

martians and like their helmets and

2418

01:28:18,149 --> 01:28:15,920

stuff was very

2419

01:28:19,110 --> 01:28:18,159

uh was very old school was very

2420

01:28:21,830 --> 01:28:19,120

throwback

2421

01:28:22,629 --> 01:28:21,840

the the song that killed them was like

2422

01:28:26,070 --> 01:28:22,639

this old

2423

01:28:29,430 --> 01:28:26,080

20s jam i don't remember the end what

2424

01:28:32,310 --> 01:28:29,440

like you know the

2425

01:28:32,709 --> 01:28:32,320

the the kid goes and visits his grandma

2426

01:28:36,149 --> 01:28:32,719

in the

2427

01:28:38,229 --> 01:28:36,159

she's playing that terrible record

2428

01:28:40,709 --> 01:28:38,239

and like they can't get in because

2429

01:28:42,470 --> 01:28:40,719

remember that record is what kills them

2430

01:28:44,709 --> 01:28:42,480

what so they played over the

2431

01:28:46,070 --> 01:28:44,719

loudspeakers in their head they're like

2432

01:28:48,070 --> 01:28:46,080

i remember their heads blowing up but i

2433

01:28:51,430 --> 01:28:48,080

can't remember it's because of that song

2434

01:28:53,189 --> 01:28:51,440

that old that old timey song but

2435

01:28:56,550 --> 01:28:53,199

i just thought it was it was a cool like

2436

01:29:00,709 --> 01:28:56,560

uh was it an homage oh

2437

01:29:02,149 --> 01:29:00,719

my god dude she's so fancy

2438

01:29:04,149 --> 01:29:02,159

it's kind of like yeah it isn't an

2439

01:29:06,790 --> 01:29:04,159

homage even like when you look at

2440

01:29:07,510 --> 01:29:06,800

like like the the girl with the pointy

2441

01:29:11,110 --> 01:29:07,520

boobs

2442

01:29:13,189 --> 01:29:11,120

like that's a very old school 50s style

2443

01:29:14,229 --> 01:29:13,199

yeah that she's got to yeah and the

2444

01:29:16,229 --> 01:29:14,239

aliens

2445

01:29:17,669 --> 01:29:16,239

they're they they have this old school

2446

01:29:21,270 --> 01:29:17,679

style to them okay

2447

01:29:23,430 --> 01:29:21,280

it's very uh no it's very uh

2448

01:29:25,510 --> 01:29:23,440

it's almost like comic book what is a

2449

01:29:26,550 --> 01:29:25,520

phoenix shavings vibe like that what are

2450

01:29:28,870 --> 01:29:26,560

they called exactly what i was talking

2451

01:29:31,270 --> 01:29:28,880

about the atomic era atomic arrow

2452

01:29:32,390 --> 01:29:31,280

yeah yeah because i was thinking fallout

2453

01:29:34,470 --> 01:29:32,400

all right all right

2454

01:29:36,229 --> 01:29:34,480

so i'm glad you brought that context in

2455

01:29:39,669 --> 01:29:36,239

because i went from a dumb

2456

01:29:40,790 --> 01:29:39,679

and you went from an awesome now i'm i'm

2457

01:29:43,430 --> 01:29:40,800

thinking somewhere in the middle

2458

01:29:44,790 --> 01:29:43,440

i'm thinking badass i'm thinking above

2459

01:29:47,910 --> 01:29:44,800

alien

2460

01:29:50,950 --> 01:29:47,920

oh my god let's go

2461

01:29:51,990 --> 01:29:50,960

let's go yeah so just because of its

2462

01:29:54,149 --> 01:29:52,000

creativity

2463

01:29:55,189 --> 01:29:54,159

yeah so if we're going off of our metric

2464

01:29:58,550 --> 01:29:55,199

right

2465

01:30:01,830 --> 01:29:58,560

um storyline

2466

01:30:05,270 --> 01:30:03,590

oh it's got all three it's got tens in

2467

01:30:07,350 --> 01:30:05,280

all of those yeah

2468

01:30:08,470 --> 01:30:07,360

i i think i agree my friend yeah

2469

01:30:11,110 --> 01:30:08,480

definitely

2470

01:30:12,310 --> 01:30:11,120

in the b category we have mars attacks

2471

01:30:14,550 --> 01:30:12,320

and then alien

2472

01:30:15,830 --> 01:30:14,560

and then independent day the galaxy

2473

01:30:18,709 --> 01:30:15,840

quest that

2474

01:30:19,430 --> 01:30:18,719

evolution and then earth girls are easy

2475

01:30:22,550 --> 01:30:19,440

all right so the b

2476

01:30:24,229 --> 01:30:22,560

category is is is stacked which that's

2477

01:30:25,830 --> 01:30:24,239

that's understandable yeah most things

2478

01:30:27,750 --> 01:30:25,840

are like in the middle right most

2479

01:30:29,350 --> 01:30:27,760

choices are like

2480

01:30:30,950 --> 01:30:29,360

one way you know you're kind of in the

2481

01:30:32,629 --> 01:30:30,960

middle it's like it's not terrible but

2482

01:30:35,110 --> 01:30:32,639

it's not amazing

2483

01:30:36,470 --> 01:30:35,120

right which we have which is interesting

2484

01:30:38,870 --> 01:30:36,480

because we have in the super

2485

01:30:41,590 --> 01:30:38,880

awesome category three and and the

2486

01:30:43,270 --> 01:30:41,600

awesome category we only have two

2487

01:30:45,189 --> 01:30:43,280

so we'll we'll see what happens at the

2488

01:30:46,310 --> 01:30:45,199

end but cool let's go let's move ahead

2489

01:30:49,510 --> 01:30:46,320

to the the next

2490

01:30:52,790 --> 01:30:49,520

uh movie the next movie is a

2491

01:30:53,750 --> 01:30:52,800

classic uh from two actors that no one's

2492

01:30:57,830 --> 01:30:53,760

ever heard about

2493

01:31:00,709 --> 01:30:57,840

uh uh will smith and tommy lee jones

2494

01:31:01,990 --> 01:31:00,719

uh it's uh it's simple yeah your

2495

01:31:04,390 --> 01:31:02,000

grandma's heard of them

2496

01:31:05,510 --> 01:31:04,400

uh it might be it might be men in black

2497

01:31:08,950 --> 01:31:05,520

yep men in black

2498

01:31:11,110 --> 01:31:08,960

uh rip riptorns from taylor riptorn

2499

01:31:12,709 --> 01:31:11,120

is from taylor he's from my hometown

2500

01:31:31,270 --> 01:31:12,719

r.i.p yeah so

2501  
01:31:34,709 --> 01:31:33,910  
i like how you just kind of mumbled over

2502  
01:31:37,910 --> 01:31:34,719  
it

2503  
01:31:41,430 --> 01:31:37,920  
that's such a taylor thing to do dude

2504  
01:31:44,070 --> 01:31:41,440  
uh yeah riptorn hell yeah he's badass um

2505  
01:31:45,750 --> 01:31:44,080  
that movie is super cool especially

2506  
01:31:48,950 --> 01:31:45,760  
whenever you start to think about

2507  
01:31:51,270 --> 01:31:48,960  
that hey men in black

2508  
01:31:53,590 --> 01:31:51,280  
that little room that they're in are we

2509  
01:31:55,430 --> 01:31:53,600  
talking about the phenomenology desk are

2510  
01:31:57,669 --> 01:31:55,440  
we talking about the green room at the

2511  
01:31:59,830 --> 01:31:57,679  
third floor the pentagon right now

2512  
01:32:01,030 --> 01:31:59,840  
is that what we're talking about bro men

2513  
01:32:04,070 --> 01:32:01,040

in black

2514

01:32:07,350 --> 01:32:04,080

michael jackson knows he might know yeah

2515

01:32:09,110 --> 01:32:07,360

not anymore well we weren't

2516

01:32:10,950 --> 01:32:09,120

alien we don't know that yeah or it

2517

01:32:13,590 --> 01:32:10,960

could have been just a mate suit man

2518

01:32:15,350 --> 01:32:13,600

um you know what my favorite so talking

2519

01:32:17,350 --> 01:32:15,360

about men in black i

2520

01:32:19,590 --> 01:32:17,360

yes i agreed everything you just said

2521

01:32:21,510 --> 01:32:19,600

also building off of that off of that my

2522

01:32:23,430 --> 01:32:21,520

favorite scene in that movie

2523

01:32:25,350 --> 01:32:23,440

okay let's go favorite scenes in in the

2524

01:32:27,750 --> 01:32:25,360

movie my favorite scene is when

2525

01:32:28,709 --> 01:32:27,760

they figure out how to open that dead

2526

01:32:31,669 --> 01:32:28,719

guy's ear

2527

01:32:32,870 --> 01:32:31,679

right oh yeah and the little tiny guy

2528

01:32:38,870 --> 01:32:32,880

the arcelian

2529

01:32:44,629 --> 01:32:42,149

whoa oh ryan

2530

01:32:45,750 --> 01:32:44,639

i remember seeing that little the galaxy

2531

01:32:48,070 --> 01:32:45,760

he's so cute he's

2532

01:32:50,709 --> 01:32:48,080

got such a cute little dooby little boo

2533

01:32:55,110 --> 01:32:50,719

boo beaker what the hell chew

2534

01:32:57,990 --> 01:32:55,120

i want two snacks yeah he's

2535

01:32:58,790 --> 01:32:58,000

that's what i i was like but it was so

2536

01:33:00,629 --> 01:32:58,800

real but

2537

01:33:01,910 --> 01:33:00,639

like remember his eyes like the way they

2538

01:33:03,830 --> 01:33:01,920

moved and

2539

01:33:05,350 --> 01:33:03,840

uh just like the blinking and the

2540

01:33:08,470 --> 01:33:05,360

reflection like it just looks

2541

01:33:11,270 --> 01:33:08,480

so real man yeah

2542

01:33:12,229 --> 01:33:11,280

he was like controlling this guy and uh

2543

01:33:15,030 --> 01:33:12,239

dude yeah

2544

01:33:15,830 --> 01:33:15,040

that was that was bad that's very bad oh

2545

01:33:17,590 --> 01:33:15,840

my gosh

2546

01:33:18,870 --> 01:33:17,600

i that's my favorite scene what's your

2547

01:33:21,830 --> 01:33:18,880

favorite scene in the movie

2548

01:33:22,550 --> 01:33:21,840

my favorite scene is whenever will smith

2549

01:33:25,350 --> 01:33:22,560

is doing the

2550

01:33:27,430 --> 01:33:25,360

the shooting training and they're like

2551

01:33:29,830 --> 01:33:27,440

they're like

2552

01:33:31,910 --> 01:33:29,840

why did you shoot the girl you know and

2553

01:33:34,070 --> 01:33:31,920

he was like well

2554

01:33:34,950 --> 01:33:34,080

honestly g she seemed to be like the

2555

01:33:37,669 --> 01:33:34,960

biggest threat

2556

01:33:38,870 --> 01:33:37,679

right this dude over here you know he

2557

01:33:40,550 --> 01:33:38,880

ain't snarling

2558

01:33:42,550 --> 01:33:40,560

he's sneezing he's sneaking he's holding

2559

01:33:43,270 --> 01:33:42,560

up he's got a tissue he's got a tissue

2560

01:33:45,830 --> 01:33:43,280

in his hand

2561

01:33:46,390 --> 01:33:45,840

and this guy over here i mean he's just

2562

01:33:48,149 --> 01:33:46,400

working

2563

01:33:49,910 --> 01:33:48,159

out how'd you like it for somebody

2564

01:33:51,590 --> 01:33:49,920

busted up in here bust a cap in your ass

2565

01:33:53,830 --> 01:33:51,600

while you're trying to work out right

2566

01:33:55,350 --> 01:33:53,840

now this little white girl right here yo

2567

01:33:56,950 --> 01:33:55,360

she's walking in the dark

2568

01:33:58,790 --> 01:33:56,960

by herself she's got some advanced

2569

01:33:59,830 --> 01:33:58,800

physics books there's something going on

2570

01:34:01,270 --> 01:33:59,840

there

2571

01:34:03,270 --> 01:34:01,280

and he shoots her right in the middle of

2572

01:34:05,110 --> 01:34:03,280

the head that's awes

2573

01:34:06,310 --> 01:34:05,120

i love that and then when he's filling

2574

01:34:09,430 --> 01:34:06,320

out the paper you just

2575

01:34:11,189 --> 01:34:09,440

nailed that by the way dude oh my god it

2576

01:34:12,390 --> 01:34:11,199

was filling out the paper in this little

2577

01:34:14,310 --> 01:34:12,400

desk

2578

01:34:15,910 --> 01:34:14,320

like in that little bubble chair and

2579

01:34:19,510 --> 01:34:15,920

then he pulls that desk over

2580

01:34:20,070 --> 01:34:19,520

yeah that's awesome and yeah i mean and

2581

01:34:22,950 --> 01:34:20,080

they're like

2582

01:34:23,990 --> 01:34:22,960

he's the best we got dude dude and he

2583

01:34:26,550 --> 01:34:24,000

beats out like

2584

01:34:27,990 --> 01:34:26,560

all like these top guys the best shirt

2585

01:34:29,669 --> 01:34:28,000

yeah

2586

01:34:32,229 --> 01:34:29,679

what was that you were saying some best

2587

01:34:34,310 --> 01:34:32,239

of the best of the song uh

2588

01:34:35,270 --> 01:34:34,320

another another this is a really quick

2589

01:34:37,430 --> 01:34:35,280

scene but the

2590

01:34:39,590 --> 01:34:37,440

when he he's walking down the hall and

2591

01:34:40,870 --> 01:34:39,600

he passes all those dudes that we he was

2592

01:34:42,790 --> 01:34:40,880

in that room with we were just talking

2593

01:34:44,870 --> 01:34:42,800

about the egg with the egg chairs yeah

2594

01:34:46,950 --> 01:34:44,880

and they're all getting flashed and he's

2595

01:34:48,870 --> 01:34:46,960

talking to uh tommy lee jones

2596

01:34:51,030 --> 01:34:48,880

and he's like oh you brought that paul

2597

01:34:53,669 --> 01:34:51,040

that tall man some flowers

2598

01:34:54,070 --> 01:34:53,679

that just it's so quick yeah it just

2599

01:34:59,189 --> 01:34:54,080

says

2600

01:35:00,490 --> 01:34:59,199

a lot of like the backstory he's like in

2601  
01:35:02,470 --> 01:35:00,500  
19 blah blah blah

2602  
01:35:05,830 --> 01:35:02,480  
[Music]

2603  
01:35:06,310 --> 01:35:05,840  
but that quick little quote like oh you

2604  
01:35:08,709 --> 01:35:06,320  
got that

2605  
01:35:09,669 --> 01:35:08,719  
comments with flowers it just says a lot

2606  
01:35:13,109 --> 01:35:09,679  
of like the

2607  
01:35:16,070 --> 01:35:13,119  
the we have a lot of empathy another

2608  
01:35:16,870 --> 01:35:16,080  
like super badass part about what you

2609  
01:35:19,030 --> 01:35:16,880  
just said

2610  
01:35:20,470 --> 01:35:19,040  
is through that whole movie we have like

2611  
01:35:23,189 --> 01:35:20,480  
this spectrum of like

2612  
01:35:24,629 --> 01:35:23,199  
just creative aliens that somebody made

2613  
01:35:27,030 --> 01:35:24,639

up right

2614

01:35:29,109 --> 01:35:27,040

that one scene i always wondered if that

2615

01:35:31,750 --> 01:35:29,119

was a real picture

2616

01:35:33,590 --> 01:35:31,760

oh [h\_\_h] i always wondered if that was a

2617

01:35:34,790 --> 01:35:33,600

real picture not a tommy lee joke it

2618

01:35:39,430 --> 01:35:34,800

does look like just an

2619

01:35:41,350 --> 01:35:39,440

actual picture that was given to them

2620

01:35:43,830 --> 01:35:41,360

to say hey look let's put this in a

2621

01:35:45,350 --> 01:35:43,840

movie and see if somebody would catch it

2622

01:35:48,310 --> 01:35:45,360

i never thought

2623

01:35:49,990 --> 01:35:48,320

who knows man the the amount of

2624

01:35:52,550 --> 01:35:50,000

influence that the cia

2625

01:35:54,870 --> 01:35:52,560

has in hollywood as we spoke of at the

2626

01:35:56,870 --> 01:35:54,880

beginning of this podcast

2627

01:35:58,790 --> 01:35:56,880

who's to say it's not who knows right

2628

01:36:01,510 --> 01:35:58,800

yeah dude and they just put us

2629

01:36:01,990 --> 01:36:01,520

in the movie so i've always thought that

2630

01:36:03,669 --> 01:36:02,000

like

2631

01:36:05,430 --> 01:36:03,679

what if that's a real picture and they

2632

01:36:05,830 --> 01:36:05,440

just put that in the movie and we all

2633

01:36:08,870 --> 01:36:05,840

look

2634

01:36:11,350 --> 01:36:08,880

something

2635

01:36:13,189 --> 01:36:11,360

than didn't play inside inside exactly

2636

01:36:15,350 --> 01:36:13,199

oh my god what if it wasn't

2637

01:36:17,270 --> 01:36:15,360

like what if that's a real cia picture

2638

01:36:17,750 --> 01:36:17,280

where they made contact and somebody

2639

01:36:21,350 --> 01:36:17,760

took a

2640

01:36:23,830 --> 01:36:21,360

photo of a tall white coming out of this

2641

01:36:25,430 --> 01:36:23,840

craft and they were handing them flowers

2642

01:36:27,750 --> 01:36:25,440

also in the movie they don't

2643

01:36:29,109 --> 01:36:27,760

we don't see a tall white no that's the

2644

01:36:31,830 --> 01:36:29,119

only time we see like a

2645

01:36:32,709 --> 01:36:31,840

real like image of what we like

2646

01:36:34,470 --> 01:36:32,719

perceived to be

2647

01:36:36,149 --> 01:36:34,480

like an alien or a tall white that's

2648

01:36:36,790 --> 01:36:36,159

what i was saying the rest of the aliens

2649

01:36:38,790 --> 01:36:36,800

are all

2650

01:36:40,709 --> 01:36:38,800

just these cgi characters that somebody

2651

01:36:43,750 --> 01:36:40,719

came up with very creative

2652

01:36:46,870 --> 01:36:43,760

one photo is something that's

2653

01:36:48,550 --> 01:36:46,880

pretty interesting dude i think i think

2654

01:36:49,990 --> 01:36:48,560

you're onto something the only photo

2655

01:36:52,870 --> 01:36:50,000

that's like it's the only

2656

01:36:55,430 --> 01:36:52,880

image of an alien that's like that oh i

2657

01:36:59,980 --> 01:36:55,440

think you're out of something dude

2658

01:36:59,990 --> 01:37:03,830

[Laughter]

2659

01:37:07,350 --> 01:37:05,669

okay all right let's move on i think i

2660

01:37:09,830 --> 01:37:07,360

think mib

2661

01:37:10,629 --> 01:37:09,840

for me dude [h\_\_\h] this is hard this is

2662

01:37:12,310 --> 01:37:10,639

really tough

2663

01:37:14,629 --> 01:37:12,320

awesome i knew that we were gonna get to

2664

01:37:17,030 --> 01:37:14,639

this point but i i think i agree i think

2665

01:37:20,149 --> 01:37:17,040

i think awesome but i think

2666

01:37:23,510 --> 01:37:20,159

am i be if we're bringing

2667

01:37:24,790 --> 01:37:23,520

in other other uh uh metrics here if

2668

01:37:26,390 --> 01:37:24,800

we're talking about humor you

2669

01:37:29,430 --> 01:37:26,400

you brought in humor as another metric

2670

01:37:31,189 --> 01:37:29,440

to other movies it goes above contact

2671

01:37:33,910 --> 01:37:31,199

exactly what i was thinking yeah it's

2672

01:37:35,750 --> 01:37:33,920

below close encounters of the third kind

2673

01:37:38,950 --> 01:37:35,760

but above contact

2674

01:37:41,990 --> 01:37:38,960

yeah because i honestly feel like men in

2675

01:37:43,830 --> 01:37:42,000

black has a lot of truth to it yep

2676

01:37:45,430 --> 01:37:43,840

it doesn't really leave much up for

2677

01:37:47,270 --> 01:37:45,440

interpretation like contact

2678

01:37:49,669 --> 01:37:47,280

yeah but i feel like they're kind of

2679

01:37:52,310 --> 01:37:49,679

like blatantly putting [h\_\_h] in your face

2680

01:37:53,430 --> 01:37:52,320

now men in black two and three totally

2681

01:37:55,510 --> 01:37:53,440

different stories

2682

01:37:57,590 --> 01:37:55,520

very interesting but i think the first

2683

01:38:00,790 --> 01:37:57,600

one had some gems in it

2684

01:38:04,229 --> 01:38:00,800

that were overlooked like a photo

2685

01:38:07,750 --> 01:38:04,239

yep dude dude that's genius i've

2686

01:38:10,790 --> 01:38:07,760

n love that yeah also

2687

01:38:13,270 --> 01:38:10,800

uh just going back to to some

2688

01:38:14,070 --> 01:38:13,280

one other scene that really hit home for

2689

01:38:16,390 --> 01:38:14,080

me was

2690

01:38:17,590 --> 01:38:16,400

it's in the very beginning before uh

2691

01:38:19,910 --> 01:38:17,600

tommy lee jones's

2692

01:38:21,030 --> 01:38:19,920

boss flashes himself it's that scene

2693

01:38:23,189 --> 01:38:21,040

where they pull it's

2694

01:38:24,070 --> 01:38:23,199

it's the first scene they pull over the

2695

01:38:25,990 --> 01:38:24,080

the uh

2696

01:38:27,669 --> 01:38:26,000

hispanic gentleman and they're like you

2697

01:38:29,510 --> 01:38:27,679

don't speak spanish dude you don't

2698

01:38:32,550 --> 01:38:29,520

understand what the [h\_\_h] i'm saying yeah

2699

01:38:35,590 --> 01:38:32,560

and he's like yeah

2700

01:38:38,790 --> 01:38:35,600

like it's so illegal alien it's so

2701

01:38:40,870 --> 01:38:38,800

good it's so good yeah so good

2702

01:38:42,310 --> 01:38:40,880

all right all right moving on let's do

2703

01:38:45,350 --> 01:38:42,320

this moving on

2704

01:38:47,030 --> 01:38:45,360

um the next movie go ahead joe another

2705

01:38:50,310 --> 01:38:47,040

pretty sick ass movie midnight

2706

01:38:50,950 --> 01:38:50,320

special midnight special not the 80s

2707

01:38:56,870 --> 01:38:50,960

version

2708

01:38:58,550 --> 01:38:56,880

it's just a new it's a newer movie it's

2709

01:39:02,070 --> 01:38:58,560

called midnight special

2710

01:39:05,669 --> 01:39:02,080

and it's the midnight special

2711

01:39:08,870 --> 01:39:05,679

yeah let's see oh

2712

01:39:13,750 --> 01:39:11,990

this is the movie that lorian had said

2713

01:39:15,350 --> 01:39:13,760

seems to be like one of the most

2714

01:39:18,149 --> 01:39:15,360

accurate real

2715

01:39:18,550 --> 01:39:18,159

types of movies you know in her opinion

2716

01:39:21,350 --> 01:39:18,560

right

2717

01:39:22,550 --> 01:39:21,360

um and that's why i watched it and my

2718

01:39:25,910 --> 01:39:22,560

goodness

2719

01:39:28,070 --> 01:39:25,920

is that an awesome movie yeah i had

2720

01:39:29,430 --> 01:39:28,080

watched it prior to her

2721

01:39:31,109 --> 01:39:29,440

saying that and being on our show and

2722

01:39:34,229 --> 01:39:31,119

saying that and then i watched it

2723

01:39:36,950 --> 01:39:34,239

after uh her

2724

01:39:38,070 --> 01:39:36,960

listening to her the fenton's

2725

01:39:39,750 --> 01:39:38,080

perspective

2726

01:39:41,430 --> 01:39:39,760

uh that's not the name of the show the

2727

01:39:42,870 --> 01:39:41,440

vinton file that's right but she also

2728

01:39:45,189 --> 01:39:42,880

has one called the front and

2729

01:39:46,709 --> 01:39:45,199

the something perspective right yeah i

2730

01:39:49,189 --> 01:39:46,719

mean am i making things

2731

01:39:50,870 --> 01:39:49,199

no you're not anyway i just after that

2732

01:39:53,990 --> 01:39:50,880

episode she has like three shows

2733

01:39:56,950 --> 01:39:54,000

yeah laurie and finton look her up

2734

01:39:57,430 --> 01:39:56,960

she's awesome also she has ufo con going

2735

01:40:05,510 --> 01:39:57,440

on

2736

01:40:06,149 --> 01:40:05,520

year we did a bunch of really cool

2737

01:40:08,709 --> 01:40:06,159

interviews

2738

01:40:09,910 --> 01:40:08,719

at ufo con it's not something that you

2739

01:40:12,149 --> 01:40:09,920

can uh go to

2740

01:40:13,750 --> 01:40:12,159

this year unfortunately it's gonna be an

2741

01:40:15,669 --> 01:40:13,760

online conference

2742

01:40:17,430 --> 01:40:15,679

definitely go check it out they've got

2743

01:40:19,430 --> 01:40:17,440

some amazing speakers

2744

01:40:20,950 --> 01:40:19,440

some of our our good friends are there

2745

01:40:24,070 --> 01:40:20,960

terry lovelace is gonna be

2746

01:40:24,709 --> 01:40:24,080

there again uh who else is gonna be

2747

01:40:26,790 --> 01:40:24,719

there oh

2748

01:40:28,149 --> 01:40:26,800

uh yeah uh paul heineck is gonna be

2749

01:40:30,629 --> 01:40:28,159

there again talking

2750

01:40:31,189 --> 01:40:30,639

to love paul yeah talking about uh his

2751

01:40:34,870 --> 01:40:31,199

uh

2752

01:40:37,669 --> 01:40:34,880

hallucinogenic

2753

01:40:38,470 --> 01:40:37,679

uh yeah things to try and make contact

2754

01:40:41,830 --> 01:40:38,480

or

2755

01:40:43,030 --> 01:40:41,840

explain right a certain type of contact

2756

01:40:44,950 --> 01:40:43,040

or something like that

2757

01:40:47,270 --> 01:40:44,960

so yeah that's gonna be really awesome

2758

01:40:48,709 --> 01:40:47,280

erin montgomery she's been on our show

2759

01:40:50,629 --> 01:40:48,719

she's gonna be speaking at the

2760

01:40:54,149 --> 01:40:50,639

conference as well i love aaron

2761

01:40:57,030 --> 01:40:54,159

i love aaron uh oh and then dave

2762

01:40:58,390 --> 01:40:57,040

yep dave scott's gonna be there uh again

2763

01:41:00,149 --> 01:40:58,400

gonna be talking

2764

01:41:01,910 --> 01:41:00,159

um some of these other people are new

2765

01:41:03,990 --> 01:41:01,920

and that's what's awesome about lauren's

2766

01:41:05,830 --> 01:41:04,000

conference is it's always somebody new

2767

01:41:07,270 --> 01:41:05,840

that you've never heard about and they

2768

01:41:11,510 --> 01:41:07,280

all have

2769

01:41:13,510 --> 01:41:11,520

phenomenal stories phenomenal with a ph

2770

01:41:14,629 --> 01:41:13,520

dude and it's phenomenal is spelled with

2771

01:41:18,550 --> 01:41:14,639

a ph isn't it

2772

01:41:21,430 --> 01:41:18,560

and it is with a ph phenomenal with an f

2773

01:41:25,030 --> 01:41:21,440

hell yeah i did yep i'm telling you man

2774

01:41:28,070 --> 01:41:25,040

go to [ufocon2021.com](http://ufocon2021.com)

2775

01:41:31,189 --> 01:41:28,080

and you can get your tickets hell yeah

2776

01:41:33,910 --> 01:41:31,199

boom she's got the countdown going boom

2777

01:41:35,350 --> 01:41:33,920

also dude i'm sorry i have to pee again

2778

01:41:36,870 --> 01:41:35,360

go for it do you have to be

2779

01:41:38,709 --> 01:41:36,880

not at all all right well you have

2780

01:41:40,390 --> 01:41:38,719

command over the whatever you need to do

2781

01:41:41,830 --> 01:41:40,400

because i didn't drink that shot of

2782

01:41:43,910 --> 01:41:41,840

tequila well

2783

01:41:45,350 --> 01:41:43,920

there you go like i said i didn't drink

2784

01:41:48,070 --> 01:41:45,360

it here i don't know if this happens to

2785

01:41:50,390 --> 01:41:48,080

any of you other people out there but

2786

01:41:51,750 --> 01:41:50,400

i can drink beer for like a while and

2787

01:41:54,390 --> 01:41:51,760

like i'm totally cool

2788

01:41:54,870 --> 01:41:54,400

but the minute i take a shot of some

2789

01:41:58,390 --> 01:41:54,880

sort of

2790

01:42:00,149 --> 01:41:58,400

hot hard liquor my body is like

2791

01:42:01,510 --> 01:42:00,159

all right you now have the bladder of a

2792

01:42:04,149 --> 01:42:01,520

13 year old girl

2793

01:42:04,709 --> 01:42:04,159

go yep you're gonna have to pee every 10

2794

01:42:06,550 --> 01:42:04,719

minutes

2795

01:42:08,629 --> 01:42:06,560

i don't understand it i don't know what

2796

01:42:09,669 --> 01:42:08,639

that's all about maybe it just super

2797

01:42:13,030 --> 01:42:09,679

relaxes me

2798

01:42:14,310 --> 01:42:13,040

and my bladder is like hey let's pee out

2799

01:42:17,590 --> 01:42:14,320

everything you've drank

2800

01:42:21,430 --> 01:42:17,600

in the past week uh and i just

2801

01:42:24,229 --> 01:42:21,440

i i don't get it i i'm uh i'm kind of uh

2802

01:42:25,910 --> 01:42:24,239

you know i think i'm like a i used to be

2803

01:42:28,870 --> 01:42:25,920

a really big rum guy

2804

01:42:30,550 --> 01:42:28,880

and then i messed myself up on rum so

2805

01:42:33,830 --> 01:42:30,560

bad that like i i really

2806

01:42:37,270 --> 01:42:33,840

can't anymore um tequila

2807

01:42:40,950 --> 01:42:37,280

has always made me uh

2808

01:42:45,189 --> 01:42:40,960

yeah get naked um whiskey

2809

01:42:48,229 --> 01:42:45,199

depending on what kind of whiskey it is

2810

01:42:51,430 --> 01:42:48,239

i'm a pretty fun drunk i'm not gonna lie

2811

01:42:52,709 --> 01:42:51,440

i'm i'm pretty good on whiskey uh and it

2812

01:42:58,149 --> 01:42:52,719

mixes so well with

2813

01:43:02,390 --> 01:43:00,950

what is it uh scotch scotch and whiskey

2814

01:43:04,390 --> 01:43:02,400

i learned this the other day i didn't

2815

01:43:07,430 --> 01:43:04,400

realize that if it's called

2816

01:43:11,430 --> 01:43:07,440

scotch it's like it's

2817

01:43:13,750 --> 01:43:11,440

like i guess uh um

2818

01:43:15,270 --> 01:43:13,760

not copyright that's the wrong word it's

2819

01:43:16,870 --> 01:43:15,280

like from scotland

2820

01:43:18,070 --> 01:43:16,880

i guess and that's why it's called

2821

01:43:19,270 --> 01:43:18,080

scotch because we were always like

2822

01:43:20,149 --> 01:43:19,280

what's the difference in scotch and

2823

01:43:23,189 --> 01:43:20,159

whiskey

2824

01:43:25,109 --> 01:43:23,199

well scotch comes from scotland

2825

01:43:26,950 --> 01:43:25,119

i didn't i didn't know that a lot of you

2826

01:43:28,950 --> 01:43:26,960

are probably like what a dummy

2827

01:43:30,070 --> 01:43:28,960

it's kind of in the name isn't it and

2828

01:43:32,870 --> 01:43:30,080

yes it is

2829

01:43:33,350 --> 01:43:32,880

it is in the name but uh yeah i don't

2830

01:43:36,390 --> 01:43:33,360

know

2831

01:43:37,030 --> 01:43:36,400

uh vodka dude i can't even do vodka

2832

01:43:39,590 --> 01:43:37,040

anymore

2833

01:43:40,070 --> 01:43:39,600

it's just it's just not my thing you

2834

01:43:42,950 --> 01:43:40,080

know

2835

01:43:43,350 --> 01:43:42,960

honestly i'm a good old brass monkey

2836

01:43:45,350 --> 01:43:43,360

kind of

2837

01:43:47,350 --> 01:43:45,360

a guy you know get me a 40 or some

2838

01:43:49,430 --> 01:43:47,360

mickey's and mix some orange juice in it

2839

01:43:49,910 --> 01:43:49,440

and we're brass monkeying all night you

2840

01:43:51,910 --> 01:43:49,920

know

2841

01:43:57,590 --> 01:43:51,920

time to get funky with me and you and

2842

01:44:01,109 --> 01:44:00,390

yeah so tell me what your favorite

2843

01:44:04,229 --> 01:44:01,119

drinks are

2844

01:44:06,390 --> 01:44:04,239

ben what's your favorite drink

2845

01:44:08,070 --> 01:44:06,400

my favorite drink i'm slaughtering this

2846

01:44:10,709 --> 01:44:08,080

other

2847

01:44:12,629 --> 01:44:10,719

space again that you left me in you did

2848

01:44:14,709 --> 01:44:12,639

it again i'm just not doing a good job

2849

01:44:16,790 --> 01:44:14,719

all i heard was something about wait

2850

01:44:18,390 --> 01:44:16,800

scotch is from scotland

2851

01:44:20,149 --> 01:44:18,400

yeah i didn't realize that i didn't know

2852

01:44:21,590 --> 01:44:20,159

that i learned that the other day scotch

2853

01:44:23,750 --> 01:44:21,600

is from scotland and

2854

01:44:25,669 --> 01:44:23,760

and it's the same thing as whiskey but

2855

01:44:27,109 --> 01:44:25,679

yeah scotch is just from scotland

2856

01:44:28,950 --> 01:44:27,119

and then people that love scotch are

2857

01:44:32,390 --> 01:44:28,960

like

2858

01:44:34,550 --> 01:44:32,400

so different it's charlotte everyone

2859

01:44:35,990 --> 01:44:34,560

dude you know those like really like

2860

01:44:38,390 --> 01:44:36,000

intense whiskey people

2861

01:44:40,070 --> 01:44:38,400

that will like put the wall a little bit

2862

01:44:41,109 --> 01:44:40,080

of water in it and they'll shake it and

2863

01:44:43,350 --> 01:44:41,119

they'll let it you know

2864

01:44:44,390 --> 01:44:43,360

kind of oh yeah do the swirl and they

2865

01:44:45,910 --> 01:44:44,400

smell it

2866

01:44:47,830 --> 01:44:45,920

and it's like those dudes aren't

2867

01:44:48,229 --> 01:44:47,840

partying a little pee in there sometimes

2868

01:44:49,990 --> 01:44:48,239

you guys

2869

01:44:51,750 --> 01:44:50,000

aren't drinking yeah they aren't

2870

01:44:53,270 --> 01:44:51,760

partying you gotta just drink it yeah

2871

01:44:53,669 --> 01:44:53,280

sometimes you just freaking take a swig

2872

01:44:56,629 --> 01:44:53,679

i mean

2873

01:44:57,750 --> 01:44:56,639

liquor is terrible it it all sucks it'll

2874

01:45:02,229 --> 01:44:57,760

taste bad yeah

2875

01:45:04,229 --> 01:45:02,239

right well a nice whiskey

2876  
01:45:06,149 --> 01:45:04,239  
good with a little bit of water and you

2877  
01:45:08,709 --> 01:45:06,159  
like froth it around

2878  
01:45:09,669 --> 01:45:08,719  
pretty good but it's not as good as a dr

2879  
01:45:11,590 --> 01:45:09,679  
pepper

2880  
01:45:13,350 --> 01:45:11,600  
not as good hey have you ever had die

2881  
01:45:15,510 --> 01:45:13,360  
talk pepper though

2882  
01:45:17,189 --> 01:45:15,520  
i love it yeah it's not as good as dr

2883  
01:45:19,590 --> 01:45:17,199  
pepper though

2884  
01:45:20,950 --> 01:45:19,600  
all right let's do this let's move on

2885  
01:45:23,270 --> 01:45:20,960  
kind of special

2886  
01:45:25,109 --> 01:45:23,280  
housewife [h\_\_h] you're on man with a diet

2887  
01:45:27,669 --> 01:45:25,119  
dr pepper

2888  
01:45:28,830 --> 01:45:27,679

dude i drive a sedan you do you drive a

2889

01:45:31,669 --> 01:45:28,840

buick

2890

01:45:32,870 --> 01:45:31,679

yeah is that a bug that's what most

2891

01:45:33,270 --> 01:45:32,880

people say when i drive by they're like

2892

01:45:36,310 --> 01:45:33,280

is that

2893

01:45:40,070 --> 01:45:38,709

where did we land on midnight special oh

2894

01:45:41,510 --> 01:45:40,080

midnight special

2895

01:45:43,109 --> 01:45:41,520

we started talking about lauren fitton's

2896

01:45:43,990 --> 01:45:43,119

conference oh yeah that's right she's

2897

01:45:46,390 --> 01:45:44,000

the one that recommended

2898

01:45:48,070 --> 01:45:46,400

it to us yeah uh midnight special is

2899

01:45:51,270 --> 01:45:48,080

pretty kick ass it's about like

2900

01:45:53,189 --> 01:45:51,280

uh this this this kid who is

2901

01:45:54,470 --> 01:45:53,199

different from the rest of his family

2902

01:45:56,070 --> 01:45:54,480

and he's like a part of this cult

2903

01:45:58,149 --> 01:45:56,080

yeah he's part of like this little cult

2904

01:46:00,629 --> 01:45:58,159

thing and uh

2905

01:46:01,910 --> 01:46:00,639

dude they are trying to like rescue him

2906

01:46:05,030 --> 01:46:01,920

from this cult

2907

01:46:08,229 --> 01:46:05,040

and they're not even sure that

2908

01:46:09,669 --> 01:46:08,239

he's like telling the truth but

2909

01:46:11,270 --> 01:46:09,679

they know that something's different

2910

01:46:11,990 --> 01:46:11,280

they know that something is going on

2911

01:46:15,350 --> 01:46:12,000

with him they just

2912

01:46:16,950 --> 01:46:15,360

don't understand what it is it's a it's

2913

01:46:17,990 --> 01:46:16,960

a pretty interesting movie yeah i don't

2914

01:46:19,189 --> 01:46:18,000

want to give away the ending because

2915

01:46:20,870 --> 01:46:19,199

that's kind of one of those newer ones

2916

01:46:22,470 --> 01:46:20,880

that people probably haven't seen right

2917

01:46:24,390 --> 01:46:22,480

so i don't want to give too much away

2918

01:46:26,229 --> 01:46:24,400

but yeah it's about this kid and this

2919

01:46:28,950 --> 01:46:26,239

cult ends up taking him

2920

01:46:30,950 --> 01:46:28,960

and like making them part of like the

2921

01:46:33,910 --> 01:46:30,960

cult he's like a main piece of this

2922

01:46:34,550 --> 01:46:33,920

this cult and his uh i guess like his

2923

01:46:36,950 --> 01:46:34,560

uncles

2924

01:46:37,590 --> 01:46:36,960

i guess maybe an uncle and a friend yeah

2925

01:46:40,470 --> 01:46:37,600

take him

2926

01:46:42,149 --> 01:46:40,480

his dad is it actual biological dad but

2927

01:46:43,750 --> 01:46:42,159

he was raised by the cult leader

2928

01:46:45,830 --> 01:46:43,760

yeah that's right that's what's [h\_\_\h]

2929

01:46:49,030 --> 01:46:45,840

up about it yeah dude

2930

01:46:50,790 --> 01:46:49,040

yeah so they rescue him uh i'm

2931

01:46:52,390 --> 01:46:50,800

dude i'm gonna go ahead and say it's an

2932

01:46:54,709 --> 01:46:52,400

awesome for me yeah totally

2933

01:46:56,550 --> 01:46:54,719

awesome okay yeah cool behind the

2934

01:47:00,149 --> 01:46:56,560

concept it's behind contact for sure

2935

01:47:02,149 --> 01:47:00,159

yeah okay next movie my

2936

01:47:03,189 --> 01:47:02,159

my favorite martian see that's another

2937

01:47:05,430 --> 01:47:03,199

one i haven't seen

2938

01:47:06,709 --> 01:47:05,440

yeah dude my favorite martian is pretty

2939

01:47:09,189 --> 01:47:06,719

funny

2940

01:47:10,390 --> 01:47:09,199

we're talking about the 1999 version of

2941

01:47:12,149 --> 01:47:10,400

my favorite martian

2942

01:47:13,830 --> 01:47:12,159

if you want to watch the original series

2943

01:47:16,629 --> 01:47:13,840

you can go on disney plus

2944

01:47:17,590 --> 01:47:16,639

um and uh i don't know they might have

2945

01:47:19,189 --> 01:47:17,600

some kind of

2946

01:47:21,270 --> 01:47:19,199

thing that pops up and tells you how

2947

01:47:24,470 --> 01:47:21,280

racist and like bad it is now

2948

01:47:26,709 --> 01:47:24,480

um but other than that it's a good movie

2949

01:47:27,590 --> 01:47:26,719

like most movies filmed in the 80s and

2950

01:47:29,990 --> 01:47:27,600

90s

2951

01:47:30,950 --> 01:47:30,000

yeah it's a pretty good movie um and the

2952

01:47:33,270 --> 01:47:30,960

old school

2953

01:47:35,270 --> 01:47:33,280

my favorite martian is also really

2954

01:47:36,950 --> 01:47:35,280

really badass oh but also it's a disney

2955

01:47:37,669 --> 01:47:36,960

movie it's a disney movie it can't be

2956

01:47:39,669 --> 01:47:37,679

racist

2957

01:47:41,510 --> 01:47:39,679

well yeah because like the the muppet

2958

01:47:43,590 --> 01:47:41,520

stuff that they have up now and like

2959

01:47:44,870 --> 01:47:43,600

like a lot of the old school yeah

2960

01:47:47,430 --> 01:47:44,880

actually a lot of us

2961

01:47:49,270 --> 01:47:47,440

disney [h\_\_\h] is racist as [\h\_\_\h] the old

2962

01:47:51,350 --> 01:47:49,280

disney stuff they have that disclaimer

2963

01:47:51,990 --> 01:47:51,360

in front of it if you're on disney plus

2964

01:47:55,590 --> 01:47:52,000

now

2965

01:47:57,990 --> 01:47:55,600

that not a good look

2966

01:47:58,950 --> 01:47:58,000

and uh if you're dumb then you need that

2967

01:48:02,390 --> 01:47:58,960

message

2968

01:48:04,070 --> 01:48:02,400

um so you can tell everybody

2969

01:48:05,270 --> 01:48:04,080

anyways my favorite martial would you

2970

01:48:06,709 --> 01:48:05,280

put it because i don't have any

2971

01:48:07,510 --> 01:48:06,719

reference i'm putting it in the dumb

2972

01:48:09,590 --> 01:48:07,520

category

2973

01:48:12,390 --> 01:48:09,600

because it's not like super awesome but

2974

01:48:15,430 --> 01:48:12,400

like behind mac and me do you think

2975

01:48:18,149 --> 01:48:15,440

uh i would say behind mac and me

2976

01:48:18,870 --> 01:48:18,159

it's a funny movie it's cool i love it

2977

01:48:21,830 --> 01:48:18,880

the suit

2978

01:48:24,390 --> 01:48:21,840

is like an alien itself like it moves

2979

01:48:26,790 --> 01:48:24,400

and has a life of its own

2980

01:48:27,669 --> 01:48:26,800

do you know what i wrote down is starkid

2981

01:48:29,590 --> 01:48:27,679

dude

2982

01:48:31,830 --> 01:48:29,600

we didn't put that in the list but

2983

01:48:34,709 --> 01:48:31,840

that's another one that i [ʰ\_\_ʰ] love

2984

01:48:35,669 --> 01:48:34,719

so what so first in line is the most

2985

01:48:37,510 --> 01:48:35,679

dumb right

2986

01:48:42,790 --> 01:48:37,520

do you think my favorite martian is more

2987

01:48:46,790 --> 01:48:44,790

they're pretty tied okay all right we'll

2988

01:48:50,709 --> 01:48:46,800

leave it yeah we'll leave it

2989

01:48:53,109 --> 01:48:50,719

we've got like 15 movies to go through

2990

01:48:55,430 --> 01:48:53,119

no we don't one two three four five six

2991

01:48:57,189 --> 01:48:55,440

seven eight nine we got nine

2992

01:48:58,950 --> 01:48:57,199

we're almost done we're almost done come

2993

01:49:00,310 --> 01:48:58,960

on cool and some of these you haven't

2994

01:49:01,510 --> 01:49:00,320

even seen so it's gonna be really quick

2995

01:49:04,390 --> 01:49:01,520

oh sweet all right so

2996

01:49:04,950 --> 01:49:04,400

my favorite martian in the dumb category

2997

01:49:07,189 --> 01:49:04,960

yeah

2998

01:49:08,709 --> 01:49:07,199

with doug brown i've never seen it dude

2999

01:49:09,590 --> 01:49:08,719

but i'm gonna watch that afternoon you

3000

01:49:11,189 --> 01:49:09,600

have to watch it

3001  
01:49:12,950 --> 01:49:11,199  
it you're gonna laugh and be like maybe

3002  
01:49:14,950 --> 01:49:12,960  
i should have put that in the c category

3003  
01:49:16,070 --> 01:49:14,960  
okay um well well the suit thing is

3004  
01:49:18,790 --> 01:49:16,080  
interesting because that's why

3005  
01:49:19,589 --> 01:49:18,800  
i wrote down starkid yeah it's starkid

3006  
01:49:22,470 --> 01:49:19,599  
right

3007  
01:49:24,310 --> 01:49:22,480  
yeah okay yeah kind of yeah um see in

3008  
01:49:25,030 --> 01:49:24,320  
the dumb category i don't think you can

3009  
01:49:31,510 --> 01:49:25,040  
like

3010  
01:49:34,550 --> 01:49:31,520  
yeah right they can't really be ranked

3011  
01:49:38,149 --> 01:49:34,560  
right just they're just dumb fun movies

3012  
01:49:38,470 --> 01:49:38,159  
next one on the list is my stepmother is

3013  
01:49:41,910 --> 01:49:38,480

an

3014

01:49:43,430 --> 01:49:41,920

alien also one i have not seen oh my god

3015

01:49:44,629 --> 01:49:43,440

dude you know what we forgot to put his

3016

01:49:47,830 --> 01:49:44,639

um

3017

01:49:50,070 --> 01:49:47,840

hitchhikers oh yeah but you know

3018

01:49:51,430 --> 01:49:50,080

we talked about that movie so much on

3019

01:49:52,870 --> 01:49:51,440

this podcast like

3020

01:49:54,470 --> 01:49:52,880

it's fine that we left people already

3021

01:49:57,830 --> 01:49:54,480

know that it's in this c

3022

01:49:58,550 --> 01:49:57,840

or b category right so all right so my

3023

01:50:01,270 --> 01:49:58,560

step

3024

01:50:01,990 --> 01:50:01,280

explain just and and and really quick

3025

01:50:05,750 --> 01:50:02,000

what is

3026

01:50:06,629 --> 01:50:05,760

stepmother is an alien what does that

3027

01:50:10,709 --> 01:50:06,639

mean

3028

01:50:13,830 --> 01:50:10,719

like what happens so she comes down

3029

01:50:16,870 --> 01:50:13,840

she comes down and she is like

3030

01:50:18,229 --> 01:50:16,880

takes the form of like this well so

3031

01:50:20,950 --> 01:50:18,239

she's already an alien

3032

01:50:21,910 --> 01:50:20,960

she looks like that and they're like she

3033

01:50:24,070 --> 01:50:21,920

looks like a human

3034

01:50:26,149 --> 01:50:24,080

yeah but they're saying they're saying

3035

01:50:28,790 --> 01:50:26,159

like uh she's like

3036

01:50:29,430 --> 01:50:28,800

learning like human culture and so she

3037

01:50:32,550 --> 01:50:29,440

like

3038

01:50:35,990 --> 01:50:32,560

pretty

3039

01:50:37,750 --> 01:50:36,000

right she's got big boys and uh dude

3040

01:50:41,109 --> 01:50:37,760

she's smoking hot

3041

01:50:43,589 --> 01:50:41,119

in that movie nice um dan aykroyd

3042

01:50:45,669 --> 01:50:43,599

boom obviously you know it's gonna be a

3043

01:50:47,510 --> 01:50:45,679

badass funny alien movie

3044

01:50:48,950 --> 01:50:47,520

dan aykroyd's in there they end up

3045

01:50:52,390 --> 01:50:48,960

falling in love you know

3046

01:50:53,830 --> 01:50:52,400

your typical love story sex um watch my

3047

01:50:54,709 --> 01:50:53,840

stepmother as an alien i don't want to

3048

01:50:56,390 --> 01:50:54,719

give it away

3049

01:50:58,629 --> 01:50:56,400

okay because i want you to watch it but

3050

01:51:04,950 --> 01:50:58,639

i really put my stepmother is an

3051

01:51:07,990 --> 01:51:04,960

alien ah i have to put it above

3052

01:51:12,229 --> 01:51:08,000

galaxy quest

3053

01:51:14,950 --> 01:51:12,239

whoa right behind independence day wow

3054

01:51:16,870 --> 01:51:14,960

that's yeah all right okay well i gotta

3055

01:51:20,310 --> 01:51:16,880

see this movie now i would put earth

3056

01:51:23,669 --> 01:51:20,320

girls are easy in the cool category

3057

01:51:25,750 --> 01:51:23,679

okay honestly okay

3058

01:51:27,430 --> 01:51:25,760

so behind fire in the sky yeah behind

3059

01:51:30,709 --> 01:51:27,440

fire in the sky i feel like fire

3060

01:51:35,669 --> 01:51:30,719

and fire in the sky needs to be in the

3061

01:51:38,629 --> 01:51:35,679

in the in the what did we say b was

3062

01:51:40,870 --> 01:51:38,639

badass i feel like but the reason it's

3063

01:51:41,990 --> 01:51:40,880

in the cool category is because they

3064

01:51:43,750 --> 01:51:42,000

screw travis

3065

01:51:45,430 --> 01:51:43,760

that's right that's right yeah thanks

3066

01:51:47,910 --> 01:51:45,440

for the reminder yeah okay

3067

01:51:49,910 --> 01:51:47,920

cool all right so this is an adaptive i

3068

01:51:50,310 --> 01:51:49,920

think this is a good little trend we

3069

01:51:53,030 --> 01:51:50,320

have

3070

01:51:53,589 --> 01:51:53,040

definitely right definitely next movie

3071

01:51:58,790 --> 01:51:53,599

signs

3072

01:52:00,709 --> 01:51:58,800

on everybody knows it you've seen it you

3073

01:52:02,229 --> 01:52:00,719

put the tin foil on your hat right your

3074

01:52:04,070 --> 01:52:02,239

tinfoil hat on because uh

3075

01:52:07,910 --> 01:52:04,080

signs yeah even though it's aluminum

3076

01:52:11,109 --> 01:52:10,470

that is true yeah that is true what are

3077

01:52:13,910 --> 01:52:11,119

you doing

3078

01:52:15,669 --> 01:52:13,920

we wear tin foil hat no you dummy that's

3079

01:52:18,149 --> 01:52:15,679

a loom that'd be way too expensive i'll

3080

01:52:21,189 --> 01:52:18,159

wear an aluminum foil a hat aluminum

3081

01:52:21,830 --> 01:52:21,199

this guy's it has been distributed since

3082

01:52:24,229 --> 01:52:21,840

the seven

3083

01:52:25,270 --> 01:52:24,239

the six early sixty wouldn't it has ever

3084

01:52:28,870 --> 01:52:25,280

been uh

3085

01:52:29,990 --> 01:52:28,880

a tin foil ten is way too strong and too

3086

01:52:32,870 --> 01:52:30,000

sharp if you shred it

3087

01:52:34,149 --> 01:52:32,880

yeah dude tin is [h\_\_h] dangerous don't

3088

01:52:36,149 --> 01:52:34,159

don't shred 10.

3089

01:52:38,550 --> 01:52:36,159

they decided that we needed to change to

3090

01:52:42,149 --> 01:52:38,560

aluminium aluminium

3091

01:52:44,310 --> 01:52:42,159

also that's not how you say aluminum

3092

01:52:46,950 --> 01:52:44,320

there's no extra letters in there why do

3093

01:52:51,790 --> 01:52:46,960

they add extra letters

3094

01:52:54,550 --> 01:52:51,800

well aluminum if you pronounce it

3095

01:53:04,070 --> 01:52:54,560

aluminium

3096

01:53:04,709 --> 01:53:04,080

a loom there's no i before e the i

3097

01:53:07,910 --> 01:53:04,719

before n

3098

01:53:19,030 --> 01:53:07,920

though i before e except after c and

3099

01:53:22,149 --> 01:53:21,270

do you know how to spell aluminum i

3100

01:53:24,310 --> 01:53:22,159

think so

3101

01:53:25,430 --> 01:53:24,320

did you get can you can you prove it can

3102

01:53:27,350 --> 01:53:25,440

you prove that

3103

01:53:28,950 --> 01:53:27,360

i'm about to make myself look really

3104

01:53:34,950 --> 01:53:28,960

dumb

3105

01:53:45,750 --> 01:53:41,430

there is god dude aluminium aluminum

3106

01:53:49,669 --> 01:53:45,760

so if you're british oh my god dude

3107

01:53:52,149 --> 01:53:49,679

okay yeah wow it's a real thing

3108

01:53:53,350 --> 01:53:52,159

dude i wasn't making it up i'm so glad

3109

01:53:55,270 --> 01:53:53,360

that you just

3110

01:53:57,430 --> 01:53:55,280

called me out on that because i've been

3111

01:54:00,070 --> 01:53:57,440

going through this life

3112

01:54:00,950 --> 01:54:00,080

thinking [h\_\_h] on people who say all

3113

01:54:04,070 --> 01:54:00,960

the way [h\_\_h]

3114

01:54:06,149 --> 01:54:04,080

like hardships wow okay

3115

01:54:09,350 --> 01:54:06,159

you can't get mad when people say call

3116

01:54:11,189 --> 01:54:09,360

jay-z jay-z

3117

01:54:13,189 --> 01:54:11,199

it's like people in uk like australia

3118

01:54:17,189 --> 01:54:13,199

they say his name brian cox

3119

01:54:17,510 --> 01:54:17,199

i think or that that no brian cox the uh

3120

01:54:20,790 --> 01:54:17,520

that

3121

01:54:21,189 --> 01:54:20,800

physicist dude he's like a super smart

3122

01:54:23,910 --> 01:54:21,199

like

3123

01:54:24,229 --> 01:54:23,920

theoretical physicist guy and he was he

3124

01:54:27,669 --> 01:54:24,239

was

3125

01:54:30,950 --> 01:54:27,679

like

3126

01:54:33,270 --> 01:54:30,960

jay zed joe rogan was looking at it

3127

01:54:35,109 --> 01:54:33,280

what he was like uh he said i believe

3128

01:54:37,830 --> 01:54:35,119

you pronounce it maybe jay-z

3129

01:54:39,510 --> 01:54:37,840

in america and he was like yeah yeah

3130

01:54:40,149 --> 01:54:39,520

jay-z the rapper and he's like yeah

3131

01:54:44,229 --> 01:54:40,159

jason

3132

01:54:46,870 --> 01:54:44,239

than jay-z

3133

01:54:49,589 --> 01:54:46,880

it's way more hip dude yeah dude we're

3134

01:54:52,870 --> 01:54:49,599

[h\_\_\h] hip okay we are hip-hop

3135

01:54:55,990 --> 01:54:52,880

oh yeah signs signs yes

3136

01:54:58,550 --> 01:54:56,000

back to signs circles uh we

3137

01:54:59,990 --> 01:54:58,560

we watched that that video earlier that

3138

01:55:01,510 --> 01:55:00,000

one scene where the ali

3139

01:55:03,109 --> 01:55:01,520

it's like a candid video of like a

3140

01:55:04,709 --> 01:55:03,119

children's birthday party

3141

01:55:06,310 --> 01:55:04,719

and like this alien walks through the

3142

01:55:09,510 --> 01:55:06,320

frame

3143

01:55:12,550 --> 01:55:09,520

looking back on it like it's not so

3144

01:55:15,830 --> 01:55:12,560

compelling but at the time it was like

3145

01:55:18,149 --> 01:55:15,840

the scariest [h\_\_h] in the freaking world

3146

01:55:19,030 --> 01:55:18,159

also the scary movies they ruined it for

3147

01:55:24,470 --> 01:55:19,040

me because they

3148

01:55:29,270 --> 01:55:27,669

and then like they kick you in the balls

3149

01:55:30,310 --> 01:55:29,280

and then like they piss in your mouth

3150

01:55:33,830 --> 01:55:30,320

through their finger

3151

01:55:36,870 --> 01:55:33,840

i would say i don't so

3152

01:55:40,310 --> 01:55:36,880

the idea of signs is

3153

01:55:43,109 --> 01:55:40,320

kind of not that original the way they

3154

01:55:43,430 --> 01:55:43,119

made it original it's definitely things

3155

01:55:45,910 --> 01:55:43,440

that

3156

01:55:46,550 --> 01:55:45,920

happen in the movie are very original

3157

01:55:49,669 --> 01:55:46,560

like

3158

01:55:51,910 --> 01:55:49,679

oh water kills aliens right that's

3159

01:55:52,950 --> 01:55:51,920

kind of an original thought it's campy

3160

01:55:54,390 --> 01:55:52,960

that's what it is

3161

01:55:56,470 --> 01:55:54,400

yeah like they came up with all these

3162

01:55:58,390 --> 01:55:56,480

like here's what people think they know

3163

01:55:59,669 --> 01:55:58,400

in culture and let's just make a movie

3164

01:56:00,790 --> 01:55:59,679

it felt very forced

3165

01:56:02,629 --> 01:56:00,800

that's what it felt like to me it was a

3166

01:56:03,990 --> 01:56:02,639

little force watching it like years

3167

01:56:05,109 --> 01:56:04,000

later like the first time i watched it

3168

01:56:09,109 --> 01:56:05,119

was [h\_\_\h]

3169

01:56:10,790 --> 01:56:09,119

like and then watching it

3170

01:56:13,109 --> 01:56:10,800

knowing a lot more than i did at the

3171

01:56:15,669 --> 01:56:13,119

moment yeah at that time in my life

3172

01:56:17,109 --> 01:56:15,679

i'm like all right so a studio just put

3173

01:56:20,470 --> 01:56:17,119

this together somebody just

3174

01:56:21,910 --> 01:56:20,480

made this little uh equation

3175

01:56:24,149 --> 01:56:21,920

that they know is gonna work it's gonna

3176

01:56:27,030 --> 01:56:24,159

be a box office hit at that time

3177

01:56:27,350 --> 01:56:27,040

it just felt very forced yeah so i'm

3178

01:56:32,390 --> 01:56:27,360

gonna

3179

01:56:34,950 --> 01:56:32,400

yeah go for it tell me where yours is

3180

01:56:37,910 --> 01:56:34,960

it's not dumb but it is cool

3181

01:56:39,189 --> 01:56:37,920

i think it goes above fire in the sky

3182

01:56:44,629 --> 01:56:39,199

wow

3183

01:56:47,510 --> 01:56:44,639

yeah okay above fire in the sky

3184

01:56:48,070 --> 01:56:47,520

maybe after fire in the sky well no no i

3185

01:56:51,430 --> 01:56:48,080

no

3186

01:56:53,669 --> 01:56:51,440

tell me why though well i just

3187

01:56:54,870 --> 01:56:53,679

well one of the reasons is is it because

3188

01:56:57,030 --> 01:56:54,880

firing the sky we like

3189

01:56:58,229 --> 01:56:57,040

we we've met travis wall and we know his

3190

01:57:00,550 --> 01:56:58,239

actual story i think the

3191

01:57:02,229 --> 01:57:00,560

cultural influence of signs was way

3192

01:57:04,629 --> 01:57:02,239

stronger than fire in the sky

3193

01:57:05,830 --> 01:57:04,639

it yes i i will definitely agree with

3194

01:57:09,430 --> 01:57:05,840

that the

3195

01:57:10,629 --> 01:57:09,440

uh relevance of the story not even close

3196

01:57:14,470 --> 01:57:10,639

to fire in the sky

3197

01:57:18,070 --> 01:57:14,480

yeah but if we're gonna ask culturally

3198

01:57:18,709 --> 01:57:18,080

what brought the idea of aliens to the

3199

01:57:21,109 --> 01:57:18,719

masses

3200

01:57:22,310 --> 01:57:21,119

was it fire in the sky or was it sign

3201

01:57:25,990 --> 01:57:22,320

and and for that

3202

01:57:27,189 --> 01:57:26,000

i agree so that's that's my reasoning

3203

01:57:30,870 --> 01:57:27,199

behind i love that

3204

01:57:34,870 --> 01:57:30,880

see i was i got it like

3205

01:57:36,870 --> 01:57:34,880

yeah that that is i at 100 agree

3206

01:57:38,950 --> 01:57:36,880

that that point just alone yeah what

3207

01:57:41,189 --> 01:57:38,960

brought aliens the idea of aliens to the

3208

01:57:44,310 --> 01:57:41,199

masses

3209

01:57:45,990 --> 01:57:44,320

and had people accept that even just to

3210

01:57:46,950 --> 01:57:46,000

think about the possibility that there's

3211

01:57:49,750 --> 01:57:46,960

aliens yeah

3212

01:57:50,390 --> 01:57:49,760

who did it better fire in the sky or

3213

01:57:52,950 --> 01:57:50,400

science

3214

01:57:53,510 --> 01:57:52,960

for our generation yeah signs you could

3215

01:57:56,870 --> 01:57:53,520

literally

3216

01:57:59,750 --> 01:57:56,880

ask somebody uh at the age of

3217

01:58:01,350 --> 01:57:59,760

like right now like the age of like 16

3218

01:58:03,750 --> 01:58:01,360

to

3219

01:58:05,270 --> 01:58:03,760

60 and say have you seen signs and

3220

01:58:07,030 --> 01:58:05,280

they're like yeah i've seen signs

3221

01:58:08,550 --> 01:58:07,040

but you could do take that same pole

3222

01:58:09,910 --> 01:58:08,560

with the same age range and say have you

3223

01:58:11,669 --> 01:58:09,920

seen fire in the sky and they're like

3224

01:58:13,270 --> 01:58:11,679

what nobody's you say have you ever

3225

01:58:14,950 --> 01:58:13,280

heard of travis walton and they're like

3226

01:58:16,950 --> 01:58:14,960

what you know but if you're like have

3227

01:58:17,589 --> 01:58:16,960

you ever seen joaquin phoenix and signs

3228

01:58:21,030 --> 01:58:17,599

and they're like

3229

01:58:24,470 --> 01:58:21,040

oh hell yeah love that movie

3230

01:58:26,390 --> 01:58:24,480

and tinfoil hat water yeah

3231

01:58:28,790 --> 01:58:26,400

it's just it's just one of those things

3232

01:58:30,550 --> 01:58:28,800

it's that's where that comes from

3233

01:58:33,350 --> 01:58:30,560

i don't agree that they have to be in

3234

01:58:35,109 --> 01:58:33,360

that order but if we're talking about

3235

01:58:36,390 --> 01:58:35,119

what it did right there's a lot there's

3236

01:58:39,669 --> 01:58:36,400

a lot more to it yeah

3237

01:58:41,270 --> 01:58:39,679

than what we're projecting yeah so does

3238

01:58:44,310 --> 01:58:41,280

the tinfoil hat

3239

01:58:45,270 --> 01:58:44,320

did that originate from that movie no no

3240

01:58:48,310 --> 01:58:45,280

that's just like an

3241

01:58:49,669 --> 01:58:48,320

old that came that came from like the

3242

01:58:51,350 --> 01:58:49,679

50s right like the

3243

01:58:52,950 --> 01:58:51,360

the rabbit here is putting putting tin

3244

01:58:55,189 --> 01:58:52,960

foil on your rabbit ears

3245

01:58:56,310 --> 01:58:55,199

i'm not a hundred percent sure where it

3246

01:58:58,550 --> 01:58:56,320

comes from

3247

01:59:00,229 --> 01:58:58,560

but it didn't come from signs because

3248

01:59:03,350 --> 01:59:00,239

signs got it from somewhere else

3249

01:59:10,709 --> 01:59:03,360

yeah okay yeah all right moving on

3250

01:59:28,830 --> 01:59:14,310

slam thank you ma'am big [h\_\_h] on the

3251  
01:59:28,840 --> 01:59:37,810  
there's

3252  
01:59:37,820 --> 01:59:42,310  
[Applause]

3253  
01:59:42,320 --> 02:00:09,030  
welcome to

3254  
02:00:12,149 --> 02:00:10,790  
i feel like most people know like the

3255  
02:00:14,470 --> 02:00:12,159  
cadence of the song but they don't know

3256  
02:00:15,669 --> 02:00:14,480  
the lyrics do so they can mumble along

3257  
02:00:17,830 --> 02:00:15,679  
is like

3258  
02:00:19,910 --> 02:00:17,840  
that is one of the coolest like one of

3259  
02:00:21,990 --> 02:00:19,920  
the most cool one of the coolest songs

3260  
02:00:24,950 --> 02:00:22,000  
with one of the coolest montages

3261  
02:00:26,709 --> 02:00:24,960  
of like michael jordan's whole career to

3262  
02:00:27,510 --> 02:00:26,719  
the space jam it's honestly like a

3263  
02:00:31,990 --> 02:00:27,520

biopic

3264

02:00:35,109 --> 02:00:32,000

really badass

3265

02:00:35,910 --> 02:00:35,119

space jam um we all know that the looney

3266

02:00:41,860 --> 02:00:35,920

tunes

3267

02:00:41,870 --> 02:00:45,589

[Music]

3268

02:00:52,070 --> 02:00:48,790

and obviously marvin the martian

3269

02:00:56,070 --> 02:00:52,080

marvin martial uh what's his name

3270

02:00:58,950 --> 02:00:56,080

uh from always sunny uh [\h\_\_\h]

3271

02:00:59,350 --> 02:00:58,960

uh he was also in hercules the voice of

3272

02:01:03,589 --> 02:00:59,360

the

3273

02:01:07,109 --> 02:01:03,599

oh danny devito thank you veto yeah

3274

02:01:09,109 --> 02:01:07,119

dude that's an all also bill

3275

02:01:10,870 --> 02:01:09,119

bill murray yeah one of my favorite

3276

02:01:11,750 --> 02:01:10,880

lines in that movie is larry bird he

3277

02:01:15,990 --> 02:01:11,760

goes he says

3278

02:01:18,629 --> 02:01:16,000

larry isn't white larry's clear

3279

02:01:19,510 --> 02:01:18,639

i think that's my favorite line in that

3280

02:01:21,589 --> 02:01:19,520

and uh

3281

02:01:23,189 --> 02:01:21,599

uh what's his name newman from seinfeld

3282

02:01:24,310 --> 02:01:23,199

what's up his name i always forget his

3283

02:01:27,270 --> 02:01:24,320

name

3284

02:01:29,270 --> 02:01:27,280

what is he doing i'm fixing a divot oh

3285

02:01:31,830 --> 02:01:29,280

he's picking a divot

3286

02:01:32,629 --> 02:01:31,840

and then he gets sucked in yeah oh it's

3287

02:01:37,510 --> 02:01:32,639

so good

3288

02:01:40,629 --> 02:01:37,520

like did you ever play basketball with

3289

02:01:42,790 --> 02:01:40,639

your friends like hey i'm so and so like

3290

02:01:44,149 --> 02:01:42,800

this character oh yeah you know like

3291

02:01:44,709 --> 02:01:44,159

everybody like be their character or

3292

02:01:46,870 --> 02:01:44,719

whatever

3293

02:01:48,229 --> 02:01:46,880

i always like that the big blue guy

3294

02:01:51,109 --> 02:01:48,239

always forgot his name but

3295

02:01:51,910 --> 02:01:51,119

yeah he's like i smell something he's

3296

02:02:01,189 --> 02:01:51,920

all

3297

02:02:04,870 --> 02:02:01,199

supposed to be

3298

02:02:07,589 --> 02:02:04,880

some kind of basketball

3299

02:02:08,790 --> 02:02:07,599

it was like mugsy bowls and uh charles

3300

02:02:10,310 --> 02:02:08,800

barkley

3301  
02:02:12,550 --> 02:02:10,320  
wasn't even like the small like he was

3302  
02:02:14,310 --> 02:02:12,560  
like yeah he was the small guy yeah

3303  
02:02:17,030 --> 02:02:14,320  
but yeah dude that's that's awesome but

3304  
02:02:19,990 --> 02:02:17,040  
they they took their

3305  
02:02:21,750 --> 02:02:20,000  
yeah essence good that was great like

3306  
02:02:23,669 --> 02:02:21,760  
originality or if we're going on

3307  
02:02:27,950 --> 02:02:23,679  
storyline originality and

3308  
02:02:29,270 --> 02:02:27,960  
entertainment value storyline i mean

3309  
02:02:31,109 --> 02:02:29,280  
[Music]

3310  
02:02:33,350 --> 02:02:31,119  
it holds up but it's also a little bit

3311  
02:02:34,149 --> 02:02:33,360  
of a stretch also the originality is

3312  
02:02:36,470 --> 02:02:34,159  
like

3313  
02:02:38,229 --> 02:02:36,480

oh what metric are we doing storyline

3314

02:02:40,310 --> 02:02:38,239

off of is it like

3315

02:02:41,510 --> 02:02:40,320

a realistic storyline or just doesn't

3316

02:02:44,550 --> 02:02:41,520

make sense just

3317

02:02:47,430 --> 02:02:44,560

story line in general storyline's great

3318

02:02:49,430 --> 02:02:47,440

i think i would have to put space jam

3319

02:02:52,950 --> 02:02:49,440

probably

3320

02:02:57,750 --> 02:02:52,960

in between alien and independence day

3321

02:03:01,350 --> 02:02:59,510

the storyline right let's let's break

3322

02:03:03,990 --> 02:03:01,360

this down real quick yeah

3323

02:03:04,709 --> 02:03:04,000

an alien race is looking they're they

3324

02:03:07,750 --> 02:03:04,719

have like

3325

02:03:08,149 --> 02:03:07,760

an entertainment uh i get an amusement

3326

02:03:09,750 --> 02:03:08,159

park

3327

02:03:11,910 --> 02:03:09,760

and they're looking for the best players

3328

02:03:12,310 --> 02:03:11,920

in the in the universe yeah best players

3329

02:03:14,870 --> 02:03:12,320

of

3330

02:03:15,510 --> 02:03:14,880

this particular game called basketball

3331

02:03:18,470 --> 02:03:15,520

end up

3332

02:03:20,310 --> 02:03:18,480

being on earth who's to say that that's

3333

02:03:22,390 --> 02:03:20,320

not a possibility dude

3334

02:03:23,510 --> 02:03:22,400

yeah like earth has like you're just

3335

02:03:27,430 --> 02:03:23,520

basketball good

3336

02:03:29,350 --> 02:03:27,440

basketball yeah so why is that so

3337

02:03:31,189 --> 02:03:29,360

out of the ordinary i think that's

3338

02:03:34,470 --> 02:03:31,199

that's pretty possible dude yeah

3339

02:03:37,189 --> 02:03:34,480

which is why i agree also

3340

02:03:39,189 --> 02:03:37,199

taking it to a whole other level of like

3341

02:03:42,310 --> 02:03:39,199

going to looney tune land

3342

02:03:43,030 --> 02:03:42,320

and like dimensional dimensionalities

3343

02:03:45,830 --> 02:03:43,040

yes

3344

02:03:48,229 --> 02:03:45,840

like being able to actually go to where

3345

02:03:50,470 --> 02:03:48,239

the looney tunes live and live in their

3346

02:03:52,709 --> 02:03:50,480

world their reality we're talking like

3347

02:03:55,270 --> 02:03:52,719

completely different like realities here

3348

02:03:56,310 --> 02:03:55,280

like you could go there you know not

3349

02:03:58,069 --> 02:03:56,320

only

3350

02:04:00,470 --> 02:03:58,079

can you go to this different reality but

3351

02:04:03,030 --> 02:04:00,480

you can also as a human

3352

02:04:04,470 --> 02:04:03,040

do like things in the reality that you

3353

02:04:06,229 --> 02:04:04,480

wouldn't normally be able to do

3354

02:04:08,629 --> 02:04:06,239

right in your reality like when he

3355

02:04:10,069 --> 02:04:08,639

stretches his arm out all the way to

3356

02:04:13,109 --> 02:04:10,079

make that slam dunk

3357

02:04:14,550 --> 02:04:13,119

yeah yeah dude also real quick i have i

3358

02:04:17,510 --> 02:04:14,560

do have a point but i just want to say

3359

02:04:20,550 --> 02:04:17,520

real quick babs could get it

3360

02:04:23,030 --> 02:04:20,560

babs yeah uh sorry

3361

02:04:24,069 --> 02:04:23,040

i heard bad uh i heard babs isn't that

3362

02:04:26,950 --> 02:04:24,079

talking about a cartoon

3363

02:04:29,030 --> 02:04:26,960

character i heard oh dude i was

3364

02:04:30,790 --> 02:04:29,040

extremely sexually attracted to babs

3365

02:04:33,030 --> 02:04:30,800

bunny i think babs bunny

3366

02:04:34,870 --> 02:04:33,040

well i would have to say well hmm the

3367

02:04:37,990 --> 02:04:34,880

girl what about roger roger

3368

02:04:40,629 --> 02:04:38,000

frank roger yeah she was smoking hot

3369

02:04:41,669 --> 02:04:40,639

but bab's bunny like i think confirmed

3370

02:04:44,709 --> 02:04:41,679

like

3371

02:04:46,069 --> 02:04:44,719

um it was yeah that's not bestiality

3372

02:04:49,270 --> 02:04:46,079

right

3373

02:04:51,189 --> 02:04:49,280

no because i didn't like anime yeah yeah

3374

02:04:53,750 --> 02:04:51,199

i don't know okay we didn't commit any

3375

02:04:56,629 --> 02:04:53,760

like sexual actions

3376

02:04:58,709 --> 02:04:56,639

as like a 10 year old very influential

3377

02:05:00,709 --> 02:04:58,719

point in our lives and a very hormonal

3378

02:05:03,750 --> 02:05:00,719

point in our lives as men

3379

02:05:06,069 --> 02:05:03,760

as young men yeah like that was

3380

02:05:07,350 --> 02:05:06,079

a very sexualized character she was

3381

02:05:10,229 --> 02:05:07,360

super hot dude she was

3382

02:05:10,950 --> 02:05:10,239

she had the big beautiful eyes and and

3383

02:05:13,430 --> 02:05:10,960

and very

3384

02:05:14,390 --> 02:05:13,440

busty and like she was just had that

3385

02:05:16,149 --> 02:05:14,400

tight waist

3386

02:05:17,669 --> 02:05:16,159

and they played the music they they made

3387

02:05:19,350 --> 02:05:17,679

you feel that way yeah yeah

3388

02:05:22,069 --> 02:05:19,360

they could do like the the and then the

3389

02:05:24,149 --> 02:05:22,079

way bugs eyes would like

3390

02:05:25,589 --> 02:05:24,159

turn into hearts yeah and he'd be like

3391

02:05:29,189 --> 02:05:25,599

hi

3392

02:05:33,510 --> 02:05:29,199

hey you're so good at that bugs

3393

02:05:39,750 --> 02:05:35,990

like bro your voice is your bug's voice

3394

02:05:42,629 --> 02:05:41,189

i don't want to put you on the spot but

3395

02:05:45,270 --> 02:05:42,639

you got you have to do a little more

3396

02:05:50,950 --> 02:05:49,030

say something about the nfl

3397

02:05:52,470 --> 02:05:50,960

um oh now you're thinking about it i'm

3398

02:05:52,870 --> 02:05:52,480

thinking about it all right let's move

3399

02:05:57,589 --> 02:05:52,880

on

3400

02:06:08,950 --> 02:06:01,189

michael jordan

3401

02:06:12,390 --> 02:06:08,960

good hey what's up doc

3402

02:06:14,629 --> 02:06:12,400

it's [h\_\_h] hell it's really good

3403

02:06:16,310 --> 02:06:14,639

it's really good yeah so

3404

02:06:19,109 --> 02:06:16,320

interdimensionally talking about

3405

02:06:21,910 --> 02:06:19,119

uh and so check this out here's an idea

3406

02:06:24,709 --> 02:06:21,920

we created that dimension

3407

02:06:25,669 --> 02:06:24,719

we were also able to go into this

3408

02:06:27,589 --> 02:06:25,679

dimension

3409

02:06:29,030 --> 02:06:27,599

like and manipulate it and be a part of

3410

02:06:31,430 --> 02:06:29,040

it that's almost like

3411

02:06:33,109 --> 02:06:31,440

lucid dreaming right yeah i hate to go

3412

02:06:35,350 --> 02:06:33,119

off on a tangent but real quick dude i

3413

02:06:38,310 --> 02:06:35,360

had a dream last night

3414

02:06:39,990 --> 02:06:38,320

and i lucid dreamed i didn't mean to but

3415

02:06:41,750 --> 02:06:40,000

i thought of an idea

3416

02:06:44,149 --> 02:06:41,760

and in my dream i wrote it down in my

3417

02:06:45,030 --> 02:06:44,159

notes on my on my dream phone in the

3418

02:06:46,870 --> 02:06:45,040

morning i

3419

02:06:48,629 --> 02:06:46,880

i woke up and i checked my notes because

3420

02:06:50,149 --> 02:06:48,639

i remembered it and nothing i didn't

3421

02:06:52,550 --> 02:06:50,159

write anything down in my notes and my

3422

02:06:53,430 --> 02:06:52,560

real phone but i remembered it in my

3423

02:06:57,109 --> 02:06:53,440

dream phone

3424

02:06:59,990 --> 02:06:57,119

dude yeah that's crazy yeah

3425

02:07:01,030 --> 02:07:00,000

hell yeah so anyway so like inception

3426

02:07:05,430 --> 02:07:01,040

style like

3427

02:07:08,470 --> 02:07:05,440

if you can create or do if i is

3428

02:07:10,149 --> 02:07:08,480

is consciousness creating this reality

3429

02:07:11,990 --> 02:07:10,159

i mean i don't want to go down right

3430

02:07:14,310 --> 02:07:12,000

right yeah but i i think that

3431

02:07:15,510 --> 02:07:14,320

is just like a you could go we could do

3432

02:07:17,669 --> 02:07:15,520

a whole episode of this

3433

02:07:18,550 --> 02:07:17,679

yeah like the cartoon version the world

3434

02:07:20,229 --> 02:07:18,560

or whatever but

3435

02:07:21,910 --> 02:07:20,239

yeah yeah definitely i'm just building

3436

02:07:25,350 --> 02:07:21,920

off what you said earlier like

3437

02:07:27,589 --> 02:07:25,360

you sparked the idea yeah yeah i think

3438

02:07:28,629 --> 02:07:27,599

i think it deserves a high spot right i

3439

02:07:31,270 --> 02:07:28,639

think it does too

3440

02:07:32,550 --> 02:07:31,280

uh dude actually i would put it in

3441

02:07:35,830 --> 02:07:32,560

between

3442

02:07:37,830 --> 02:07:35,840

uh i think it's above

3443

02:07:40,709 --> 02:07:37,840

contact and mid and black dude i think

3444

02:07:43,669 --> 02:07:40,719

it's above mib before

3445

02:07:44,149 --> 02:07:43,679

so after closing encounters before men

3446

02:07:47,350 --> 02:07:44,159

in black

3447

02:07:50,629 --> 02:07:47,360

[h\_\_h] yeah i agree as well yeah yes

3448

02:07:53,030 --> 02:07:50,639

hell yeah yes space jam is up there yeah

3449

02:07:53,990 --> 02:07:53,040

i heard i i also heard that babs isn't

3450

02:07:57,109 --> 02:07:54,000

as hot in

3451  
02:07:58,390 --> 02:07:57,119  
the new one oh what do you mean with

3452  
02:07:59,990 --> 02:07:58,400  
lebron james

3453  
02:08:01,510 --> 02:08:00,000  
i i didn't even know that they i thought

3454  
02:08:02,950 --> 02:08:01,520  
they were working on it did they finish

3455  
02:08:04,629 --> 02:08:02,960  
they're supposed to like be making

3456  
02:08:06,709 --> 02:08:04,639  
another one but i i

3457  
02:08:09,189 --> 02:08:06,719  
it wasn't like a big deal i just saw a

3458  
02:08:10,629 --> 02:08:09,199  
couple things

3459  
02:08:12,550 --> 02:08:10,639  
i haven't even seen i haven't even seen

3460  
02:08:12,950 --> 02:08:12,560  
a photo of it i know that we're working

3461  
02:08:14,709 --> 02:08:12,960  
on it

3462  
02:08:16,149 --> 02:08:14,719  
but see if you can pull up a photo what

3463  
02:08:16,790 --> 02:08:16,159

does bab's bunny look like in the new

3464

02:08:20,470 --> 02:08:16,800

space jam

3465

02:08:21,669 --> 02:08:20,480

oh [\h\_\_\h] about to go down i think people

3466

02:08:22,390 --> 02:08:21,679

were all sensitive and [\h\_\_\h] and they

3467

02:08:24,069 --> 02:08:22,400

were like

3468

02:08:25,430 --> 02:08:24,079

just like i said that like i got my

3469

02:08:27,350 --> 02:08:25,440

first boner looking at

3470

02:08:30,870 --> 02:08:27,360

babs bunny i think they didn't want to

3471

02:08:35,990 --> 02:08:32,950

i mean they really did sexualize that

3472

02:08:39,270 --> 02:08:36,000

and and like they knew that their

3473

02:08:41,189 --> 02:08:39,280

the i mean look at her the uh oh my god

3474

02:08:43,109 --> 02:08:41,199

the clientele that would be watching

3475

02:08:44,069 --> 02:08:43,119

this movie was gonna be kids so i

3476

02:08:46,709 --> 02:08:44,079

understand like

3477

02:08:48,629 --> 02:08:46,719

dude i would not want my my daughter to

3478

02:08:52,310 --> 02:08:48,639

or my son to watch

3479

02:08:55,830 --> 02:08:52,320

this is [h\_\_h] sexual man she's so hot

3480

02:08:58,229 --> 02:08:55,840

we can't breathe we're saying babs

3481

02:08:59,750 --> 02:08:58,239

it's lola bunny oh why did i say bad i

3482

02:09:01,589 --> 02:08:59,760

don't know

3483

02:09:03,750 --> 02:09:01,599

lola bunny oh my god she looks like this

3484

02:09:10,310 --> 02:09:03,760

chick

3485

02:09:11,990 --> 02:09:10,320

she thick dog yeah oh my okay all right

3486

02:09:15,109 --> 02:09:12,000

we're not gonna go down that rabbit hole

3487

02:09:17,030 --> 02:09:15,119

rabbit hole get it i'm sure there's some

3488

02:09:20,470 --> 02:09:17,040

kind of

3489

02:09:22,550 --> 02:09:20,480

if you want to that was bab's bunny and

3490

02:09:24,310 --> 02:09:22,560

buster and bob's bunny why where do you

3491

02:09:26,790 --> 02:09:24,320

out where did i get babs from

3492

02:09:29,109 --> 02:09:26,800

right there it was from the uh the the

3493

02:09:31,990 --> 02:09:29,119

remember uh tiny toon adventures nah

3494

02:09:32,870 --> 02:09:32,000

i know babs from the [h\_\_h] og dude

3495

02:09:34,790 --> 02:09:32,880

like the

3496

02:09:37,030 --> 02:09:34,800

the looney tunes i don't i don't

3497

02:09:39,270 --> 02:09:37,040

recognize that tiny tunes adventures

3498

02:09:41,669 --> 02:09:39,280

i don't think i ever watched this yeah i

3499

02:09:44,069 --> 02:09:41,679

look familiar buster and bab's bunny

3500

02:09:46,229 --> 02:09:44,079

i know buster and baz bunny maybe i did

3501

02:09:49,750 --> 02:09:46,239

yeah that's the og that's [h\_\_h]

3502

02:09:50,310 --> 02:09:49,760

yeah look at this like obviously

3503

02:09:54,229 --> 02:09:50,320

somebody

3504

02:09:56,229 --> 02:09:54,239

like watched like drew oh my gosh

3505

02:09:58,550 --> 02:09:56,239

not an actual like somebody drew this

3506

02:10:00,550 --> 02:09:58,560

right yeah

3507

02:10:01,910 --> 02:10:00,560

but she's like i'm with jesus dude yeah

3508

02:10:04,310 --> 02:10:01,920

i mean come on

3509

02:10:05,750 --> 02:10:04,320

she's hot she's hot she's alright this

3510

02:10:06,470 --> 02:10:05,760

isn't all right we're not weird for

3511

02:10:08,950 --> 02:10:06,480

thinking that right

3512

02:10:10,790 --> 02:10:08,960

no she was not the only one every every

3513

02:10:14,709 --> 02:10:10,800

kid that watched space jam

3514

02:10:16,790 --> 02:10:14,719

thought lola bunny was hot dude

3515

02:10:18,790 --> 02:10:16,800

all right well i don't feel as weird

3516

02:10:19,109 --> 02:10:18,800

anymore so you shouldn't i mean look

3517

02:10:21,669 --> 02:10:19,119

she's

3518

02:10:22,149 --> 02:10:21,679

hot look at that sultry gaze all right i

3519

02:10:28,069 --> 02:10:22,159

gotta

3520

02:10:30,390 --> 02:10:28,079

can't stand up

3521

02:10:33,030 --> 02:10:30,400

oh this is the new pornhub category on

3522

02:10:35,109 --> 02:10:33,040

your computer tonight

3523

02:10:36,950 --> 02:10:35,119

that's why i exited all my previous

3524

02:10:37,510 --> 02:10:36,960

incognito windows before you got here oh

3525

02:10:40,550 --> 02:10:37,520

my god

3526

02:10:45,669 --> 02:10:40,560

it's all lola bunny

3527

02:10:50,470 --> 02:10:49,589

spear sphere dude okay so this is one i

3528

02:10:53,669 --> 02:10:50,480

added i don't

3529

02:10:55,589 --> 02:10:53,679

joke you had seen you uh you

3530

02:10:57,030 --> 02:10:55,599

did actually remember some [h\_\_h] i didn't

3531

02:11:00,629 --> 02:10:57,040

remember about this movie

3532

02:11:03,669 --> 02:11:00,639

but bro one of my all-time favorites

3533

02:11:05,430 --> 02:11:03,679

but also i the only reason that it was

3534

02:11:06,030 --> 02:11:05,440

my favorite is because it was one of the

3535

02:11:09,109 --> 02:11:06,040

only

3536

02:11:11,990 --> 02:11:09,119

pg-13 alien related movies that i could

3537

02:11:12,870 --> 02:11:12,000

rent so i rented it like a couple of

3538

02:11:14,709 --> 02:11:12,880

times

3539

02:11:16,390 --> 02:11:14,719

just because it was like scary and

3540

02:11:19,270 --> 02:11:16,400

whatever and i felt cool like

3541

02:11:20,229 --> 02:11:19,280

renting a pg-13 movie yeah oh right

3542

02:11:21,990 --> 02:11:20,239

there on my bike

3543

02:11:23,990 --> 02:11:22,000

you know and taylor texas like one of

3544

02:11:26,790 --> 02:11:24,000

the only movies i can oh yeah i'm cool

3545

02:11:27,589 --> 02:11:26,800

[h\_\_h] like dude pg-13 i just rented this

3546

02:11:29,990 --> 02:11:27,599

and i'm 12.

3547

02:11:31,030 --> 02:11:30,000

yeah i was like 10 and they let me rent

3548

02:11:34,470 --> 02:11:31,040

that [h\_\_h]

3549

02:11:37,589 --> 02:11:34,480

i was 10 years old anyway samuel sam

3550

02:11:40,470 --> 02:11:37,599

oh is it is it samuel l

3551

02:11:40,790 --> 02:11:40,480

jackson or samuel I jackson yeah samuel

3552

02:11:44,470 --> 02:11:40,800

I

3553

02:11:48,470 --> 02:11:46,709

you didn't answer my question is this

3554

02:11:50,470 --> 02:11:48,480

spider-man or is it spider-man

3555

02:11:52,470 --> 02:11:50,480

it doesn't matter it's the same it's not

3556

02:11:55,430 --> 02:11:52,480

spider-man it's it's spider-man or

3557

02:11:58,470 --> 02:11:55,440

spider-man spider-man spider-man

3558

02:11:59,910 --> 02:11:58,480

all right so samuel jackson this

3559

02:12:05,589 --> 02:11:59,920

[h\_\_\h] alien

3560

02:12:06,950 --> 02:12:05,599

you don't see an alien you don't all you

3561

02:12:10,069 --> 02:12:06,960

see is a a

3562

02:12:12,069 --> 02:12:10,079

like globulous sphere of like

3563

02:12:14,310 --> 02:12:12,079

reflective material there it's under

3564

02:12:17,030 --> 02:12:14,320

it's all takes place underwater yeah

3565

02:12:17,750 --> 02:12:17,040

not to be confused with that shark one

3566

02:12:19,510 --> 02:12:17,760

that shark

3567

02:12:20,870 --> 02:12:19,520

the one with the yellow cool j in it the

3568

02:12:22,709 --> 02:12:20,880

real smart

3569

02:12:24,149 --> 02:12:22,719

shark movie yeah you know what i'm

3570

02:12:24,470 --> 02:12:24,159

talking about hello cool jake a lot of

3571

02:12:25,830 --> 02:12:24,480

people

3572

02:12:27,830 --> 02:12:25,840

confuse the two because they're both

3573

02:12:29,030 --> 02:12:27,840

they take place under water and yeah it

3574

02:12:30,390 --> 02:12:29,040

has to do with like fish

3575

02:12:32,069 --> 02:12:30,400

but this is the one where they fill the

3576

02:12:34,310 --> 02:12:32,079

helmets full of water

3577

02:12:35,990 --> 02:12:34,320

and you have to like breathe it yeah oh

3578

02:12:37,189 --> 02:12:36,000

dude i couldn't imagine that dude that

3579

02:12:40,069 --> 02:12:37,199

would freak me out

3580

02:12:41,030 --> 02:12:40,079

dude so they go they're this under water

3581

02:12:43,109 --> 02:12:41,040

base and they're

3582

02:12:44,229 --> 02:12:43,119

like they find the structure on the

3583

02:12:47,030 --> 02:12:44,239

surface or the

3584

02:12:48,149 --> 02:12:47,040

yeah the surface of the ocean floor and

3585

02:12:50,069 --> 02:12:48,159

it's like this alien

3586

02:12:51,990 --> 02:12:50,079

structure and they go in and all these

3587

02:12:53,990 --> 02:12:52,000

like they go the doors

3588

02:12:55,850 --> 02:12:54,000

and then it looks honestly you've seen

3589

02:12:58,550 --> 02:12:55,860

it in this door

3590

02:13:01,589 --> 02:12:58,560

[Music]

3591

02:13:05,030 --> 02:13:01,599

you go in and there's

3592

02:13:06,550 --> 02:13:05,040

so it looks like the inside of a

3593

02:13:08,950 --> 02:13:06,560

an ancient pyramid there's like

3594

02:13:11,270 --> 02:13:08,960

hieroglyphs and [\h\_\_\h] dude

3595

02:13:14,830 --> 02:13:11,280

it's so good and then they see this like

3596

02:13:21,189 --> 02:13:18,149

hey he doesn't actually look like that

3597

02:13:23,669 --> 02:13:21,199

but uh anyway so this dude

3598

02:13:25,189 --> 02:13:23,679

touches it and he gets infected right

3599

02:13:26,069 --> 02:13:25,199

and i'm not gonna explain the rest of

3600

02:13:30,069 --> 02:13:26,079

the movie but

3601

02:13:33,189 --> 02:13:30,079

it's intense samuel jackson

3602

02:13:35,430 --> 02:13:33,199

sammy he has he's a

3603

02:13:37,390 --> 02:13:35,440

real he was the perfect cast for this

3604

02:13:40,790 --> 02:13:37,400

because it made like an

3605

02:13:42,830 --> 02:13:40,800

uneventful movie so much more intense

3606

02:13:46,229 --> 02:13:42,840

and so much more entertaining yeah i

3607

02:13:52,629 --> 02:13:49,669

yeah that's a good one yeah yes fears

3608

02:13:53,510 --> 02:13:52,639

sphere's pretty badass also i'm gonna go

3609

02:13:55,270 --> 02:13:53,520

ahead and put in the c

3610

02:13:56,550 --> 02:13:55,280

category because it's just cool yeah

3611

02:14:02,229 --> 02:13:56,560

it's cool yeah

3612

02:14:06,069 --> 02:14:04,229

you gotta announce this video i just

3613

02:14:09,669 --> 02:14:06,079

went all right

3614

02:14:15,940 --> 02:14:09,679

this one star wars

3615

02:14:20,310 --> 02:14:18,229

[Applause]

3616

02:14:22,390 --> 02:14:20,320

and we purposely picked the movie poster

3617

02:14:23,589 --> 02:14:22,400

where every character is jar jar binks i

3618

02:14:26,790 --> 02:14:23,599

wish i could like

3619

02:14:29,430 --> 02:14:26,800

zoom in on it i'm gonna do this

3620

02:14:30,390 --> 02:14:29,440

i'm gonna have to do a lot of like all

3621

02:14:35,669 --> 02:14:30,400

right hold on

3622

02:14:46,709 --> 02:14:41,500

star horse jar jar jars

3623

02:14:49,510 --> 02:14:48,229

i might have to edit this it's like now

3624

02:14:50,629 --> 02:14:49,520

you're not even going to be able to find

3625

02:14:52,629 --> 02:14:50,639

it yeah because you're looking

3626

02:14:53,990 --> 02:14:52,639

for i'll do it later we'll do it live

3627

02:14:57,109 --> 02:14:54,000

it's funny all right

3628

02:14:57,589 --> 02:14:57,119

so start like we're thinking at the end

3629

02:14:59,270 --> 02:14:57,599

we're like

3630

02:15:01,270 --> 02:14:59,280

what movie have we missed i know we've

3631

02:15:04,310 --> 02:15:01,280

missed one really epic one

3632

02:15:05,189 --> 02:15:04,320

stargate well that too i [h\_\_\h] love

3633

02:15:07,589 --> 02:15:05,199

that movie though

3634

02:15:09,270 --> 02:15:07,599

i know [h\_\_\h] love that movie i will

3635

02:15:11,109 --> 02:15:09,280

put that in super awesome you have two

3636

02:15:13,109 --> 02:15:11,119

star wars on there

3637

02:15:17,109 --> 02:15:13,119

oh that's a mistake there's two is star

3638

02:15:17,119 --> 02:15:24,310

star horses

3639

02:15:28,629 --> 02:15:26,790

for those of you who don't know joe is

3640

02:15:34,830 --> 02:15:28,639

half mexican he can make

3641

02:15:48,149 --> 02:15:36,590

needa

3642

02:15:52,470 --> 02:15:50,370

you hit my funny bone

3643

02:15:57,430 --> 02:15:52,480

[Music]

3644

02:16:02,390 --> 02:16:00,470

okay so jar jar binks

3645

02:16:04,229 --> 02:16:02,400

i wish people could see it more clearly

3646

02:16:07,270 --> 02:16:04,239

but like there's a

3647

02:16:08,950 --> 02:16:07,280

someone photoshopped jar jar binks on

3648

02:16:10,390 --> 02:16:08,960

all the character all the character

3649

02:16:12,950 --> 02:16:10,400

spaces

3650

02:16:15,109 --> 02:16:12,960

it's like and in the star wars category

3651  
02:16:16,790 --> 02:16:15,119  
we didn't pick like one single movie we

3652  
02:16:18,149 --> 02:16:16,800  
thought we would pick one single movie

3653  
02:16:20,229 --> 02:16:18,159  
but we're just talking about the

3654  
02:16:22,629 --> 02:16:20,239  
saga right we're just talking about the

3655  
02:16:27,030 --> 02:16:22,639  
whole collection of star wars in general

3656  
02:16:30,709 --> 02:16:27,040  
yeah i mean

3657  
02:16:33,750 --> 02:16:30,719  
dude kick ass star wars

3658  
02:16:36,070 --> 02:16:33,760  
is badass we have we

3659  
02:16:37,750 --> 02:16:36,080  
this is unprepared we haven't not talked

3660  
02:16:39,190 --> 02:16:37,760  
about this we were just like yeah add it

3661  
02:16:40,629 --> 02:16:39,200  
to the list so i don't know what you

3662  
02:16:42,469 --> 02:16:40,639  
think about star wars and where you want

3663  
02:16:43,509 --> 02:16:42,479

it to be on the list i know where i want

3664

02:16:45,750 --> 02:16:43,519

it to be on the list

3665

02:16:47,349 --> 02:16:45,760

creativity and it's the one that i i

3666

02:16:50,070 --> 02:16:47,359

said it was the only one that i would

3667

02:16:52,790 --> 02:16:50,080

choose to be on super awesome

3668

02:16:53,429 --> 02:16:52,800

creativity off the charts entertainment

3669

02:16:56,509 --> 02:16:53,439

value

3670

02:16:58,309 --> 02:16:56,519

off the charts uh was the other one a

3671

02:16:59,990 --> 02:16:58,319

storyline

3672

02:17:01,349 --> 02:17:00,000

off the charts yeah origin yeah

3673

02:17:03,750 --> 02:17:01,359

storyline originality

3674

02:17:05,990 --> 02:17:03,760

entertainment value there's got to be

3675

02:17:07,030 --> 02:17:06,000

something said about a universe that's

3676

02:17:11,190 --> 02:17:07,040

created

3677

02:17:14,230 --> 02:17:11,200

that can last what 40 years now

3678

02:17:14,790 --> 02:17:14,240

yeah 40 years of entertainment value not

3679

02:17:18,230 --> 02:17:14,800

to mention

3680

02:17:21,190 --> 02:17:18,240

was created

3681

02:17:21,990 --> 02:17:21,200

in the middle you know starting in the

3682

02:17:24,629 --> 02:17:22,000

middle

3683

02:17:26,070 --> 02:17:24,639

and then and then 20 years later they

3684

02:17:26,950 --> 02:17:26,080

were like all right now let's do the

3685

02:17:28,870 --> 02:17:26,960

beginning

3686

02:17:30,070 --> 02:17:28,880

and then another 15 years later then

3687

02:17:32,950 --> 02:17:30,080

they were like okay now

3688

02:17:34,070 --> 02:17:32,960

let's do the end but like who who knows

3689

02:17:37,990 --> 02:17:34,080

like

3690

02:17:39,270 --> 02:17:38,000

um he could have he could have had this

3691

02:17:42,389 --> 02:17:39,280

all figured out before

3692

02:17:44,950 --> 02:17:42,399

we don't know i think that the story

3693

02:17:45,669 --> 02:17:44,960

just lent itself because even now like

3694

02:17:50,070 --> 02:17:45,679

with the

3695

02:17:53,270 --> 02:17:50,080

the the the core movies you know

3696

02:17:56,790 --> 02:17:53,280

all these nine core movies there are so

3697

02:17:58,709 --> 02:17:56,800

many uh like

3698

02:18:00,549 --> 02:17:58,719

you know spin off the spin-offs not

3699

02:18:02,230 --> 02:18:00,559

spin-off it's still star wars but

3700

02:18:05,509 --> 02:18:02,240

there's so many stories

3701  
02:18:07,589 --> 02:18:05,519  
that can go in between all these movies

3702  
02:18:09,509 --> 02:18:07,599  
and that wouldn't branch out and now

3703  
02:18:12,230 --> 02:18:09,519  
we're looking at the mandalorian

3704  
02:18:12,870 --> 02:18:12,240  
and where the jedi was like this ancient

3705  
02:18:14,870 --> 02:18:12,880  
thing

3706  
02:18:16,950 --> 02:18:14,880  
that used to exist that nobody believes

3707  
02:18:20,629 --> 02:18:16,960  
in anymore but kind of believes in

3708  
02:18:21,669 --> 02:18:20,639  
right yes and so like you're looking at

3709  
02:18:23,910 --> 02:18:21,679  
this thing that's like

3710  
02:18:25,270 --> 02:18:23,920  
hundreds of years down the road right

3711  
02:18:27,030 --> 02:18:25,280  
with mandalorian

3712  
02:18:29,190 --> 02:18:27,040  
right and it's just there's just so many

3713  
02:18:31,270 --> 02:18:29,200

like the clone wars like you look you

3714

02:18:33,270 --> 02:18:31,280

watch the star wars movies and you see

3715

02:18:35,349 --> 02:18:33,280

the clones and you see the wars

3716

02:18:37,110 --> 02:18:35,359

but like how did that lead up you know

3717

02:18:37,990 --> 02:18:37,120

what happened after that like there's

3718

02:18:40,150 --> 02:18:38,000

all these different

3719

02:18:41,669 --> 02:18:40,160

movies you said we see the clones and

3720

02:18:45,750 --> 02:18:41,679

then we see the wars

3721

02:18:47,990 --> 02:18:45,760

yeah like you see them making the clones

3722

02:18:49,270 --> 02:18:48,000

right but so in between that you know

3723

02:18:51,669 --> 02:18:49,280

there's an animated series

3724

02:18:52,870 --> 02:18:51,679

yeah this one's that's what obvious

3725

02:18:54,469 --> 02:18:52,880

referencing all right yeah right all

3726

02:18:56,230 --> 02:18:54,479

right and that tells the story

3727

02:18:59,030 --> 02:18:56,240

and i haven't seen all of them but i did

3728

02:19:01,190 --> 02:18:59,040

start and the dude there's so much

3729

02:19:03,349 --> 02:19:01,200

yeah so much and it's just cool that you

3730

02:19:06,309 --> 02:19:03,359

can make all these different stories

3731

02:19:07,509 --> 02:19:06,319

yeah in this massive timeline that lasts

3732

02:19:10,549 --> 02:19:07,519

for thousands of years

3733

02:19:12,389 --> 02:19:10,559

right it honestly dude that's a great

3734

02:19:15,429 --> 02:19:12,399

point so we're talking about like

3735

02:19:16,070 --> 02:19:15,439

longevity right now we're not talking

3736

02:19:18,309 --> 02:19:16,080

about

3737

02:19:20,230 --> 02:19:18,319

in our lifetime right we're talking like

3738

02:19:24,709 --> 02:19:20,240

it's so in-depth and so

3739

02:19:26,709 --> 02:19:24,719

instilled and so well thought out like

3740

02:19:28,070 --> 02:19:26,719

we have to agree first off that humans

3741

02:19:30,709 --> 02:19:28,080

came up with this idea right

3742

02:19:31,349 --> 02:19:30,719

right right we created this as a human

3743

02:19:34,309 --> 02:19:31,359

species

3744

02:19:35,349 --> 02:19:34,319

a bunch of people not just the uh george

3745

02:19:38,549 --> 02:19:35,359

lucas but

3746

02:19:41,750 --> 02:19:38,559

like so many people

3747

02:19:42,870 --> 02:19:41,760

have have started fandoms and like fan

3748

02:19:46,230 --> 02:19:42,880

theories and all that [h\_\_\h]

3749

02:19:49,110 --> 02:19:46,240

like this is a unmatched

3750

02:19:51,270 --> 02:19:49,120

rivalry when it comes to storyline like

3751  
02:19:52,710 --> 02:19:51,280  
yeah like originality and story line and

3752  
02:19:55,110 --> 02:19:52,720  
entertainment value

3753  
02:19:56,550 --> 02:19:55,120  
it blows the [h\_\_h] top off of every

3754  
02:19:58,309 --> 02:19:56,560  
single one of those criteria

3755  
02:20:00,389 --> 02:19:58,319  
absolutely so that's why it has to be

3756  
02:20:03,910 --> 02:20:00,399  
the number one super absolutely does

3757  
02:20:05,990 --> 02:20:03,920  
yeah name one

3758  
02:20:07,349 --> 02:20:06,000  
other movie that can last that long and

3759  
02:20:09,670 --> 02:20:07,359  
also like when you're talking about the

3760  
02:20:11,990 --> 02:20:09,680  
time period where it came out

3761  
02:20:12,950 --> 02:20:12,000  
that's awesome yes the time period that

3762  
02:20:15,190 --> 02:20:12,960  
it came out

3763  
02:20:17,910 --> 02:20:15,200

and then for them to start the movie

3764

02:20:25,190 --> 02:20:21,190

a galaxy far far away you know a long

3765

02:20:27,429 --> 02:20:25,200

time ago a long time ago in a galaxy far

3766

02:20:29,349 --> 02:20:27,439

far away you're thinking to yourself

3767

02:20:31,990 --> 02:20:29,359

probably in that time period

3768

02:20:33,270 --> 02:20:32,000

you know you're thinking we're not even

3769

02:20:34,950 --> 02:20:33,280

that advanced how could that have

3770

02:20:37,190 --> 02:20:34,960

happened a long time ago right but

3771

02:20:38,070 --> 02:20:37,200

now you think about it you're like oh

3772

02:20:40,790 --> 02:20:38,080

dude that's

3773

02:20:41,670 --> 02:20:40,800

civilizations in the in the universe

3774

02:20:46,950 --> 02:20:41,680

that

3775

02:20:48,309 --> 02:20:46,960

don't we just can't even comprehend it

3776

02:20:50,309 --> 02:20:48,319

yet well

3777

02:20:52,630 --> 02:20:50,319

yeah i agree to that as well but there's

3778

02:20:55,030 --> 02:20:52,640

also a subjective point of view for that

3779

02:20:56,870 --> 02:20:55,040

too because long time ago

3780

02:21:00,070 --> 02:20:56,880

where do you put yourself in that

3781

02:21:02,630 --> 02:21:00,080

timeline yeah a long time ago could be

3782

02:21:04,150 --> 02:21:02,640

okay so when they said the word a long

3783

02:21:05,349 --> 02:21:04,160

time ago that could have been millions

3784

02:21:08,389 --> 02:21:05,359

of years ago or

3785

02:21:12,469 --> 02:21:08,399

millions of years in the future yeah so

3786

02:21:14,710 --> 02:21:12,479

it just gives there's so much room for

3787

02:21:17,110 --> 02:21:14,720

the imagination yeah because it leaves

3788

02:21:17,830 --> 02:21:17,120

you as a human here on earth thinking

3789

02:21:20,070 --> 02:21:17,840

that like

3790

02:21:21,110 --> 02:21:20,080

damn somewhere far far away there's like

3791

02:21:23,590 --> 02:21:21,120

this massive

3792

02:21:24,389 --> 02:21:23,600

battle that's taking place right now

3793

02:21:27,429 --> 02:21:24,399

yeah and there's an

3794

02:21:28,230 --> 02:21:27,439

empire that rules a sector of like the

3795

02:21:30,150 --> 02:21:28,240

universe

3796

02:21:31,270 --> 02:21:30,160

right you know you know what that that

3797

02:21:34,309 --> 02:21:31,280

idea also gives

3798

02:21:37,990 --> 02:21:34,319

gives room for is that you know how like

3799

02:21:38,309 --> 02:21:38,000

among astrologists they say the earth is

3800

02:21:40,870 --> 02:21:38,319

on the

3801  
02:21:42,790 --> 02:21:40,880  
in the boonies in our milky way galaxy

3802  
02:21:45,510 --> 02:21:42,800  
yeah okay so we're in the country

3803  
02:21:47,349 --> 02:21:45,520  
right barely have electricity and water

3804  
02:21:50,469 --> 02:21:47,359  
just started [h\_\_\h] in the house

3805  
02:21:52,870 --> 02:21:50,479  
for the first time yeah and we are also

3806  
02:21:54,389 --> 02:21:52,880  
the milky way galaxy is a tiny little

3807  
02:21:56,309 --> 02:21:54,399  
big boop little

3808  
02:21:57,750 --> 02:21:56,319  
ah they got narbies i guess we'll go

3809  
02:22:00,870 --> 02:21:57,760  
there yeah

3810  
02:22:02,389 --> 02:22:00,880  
we're like what we're seeing going back

3811  
02:22:04,150 --> 02:22:02,399  
to what you just said

3812  
02:22:05,830 --> 02:22:04,160  
all these millions of years happening as

3813  
02:22:06,950 --> 02:22:05,840

we're looking at the light coming from

3814

02:22:08,550 --> 02:22:06,960

the stars

3815

02:22:10,469 --> 02:22:08,560

the light that we're seeing coming from

3816

02:22:13,670 --> 02:22:10,479

the stars that are 10

3817

02:22:16,150 --> 02:22:13,680

light years 1 000 light years 10 000

3818

02:22:17,830 --> 02:22:16,160

light years 100 billion light years away

3819

02:22:19,349 --> 02:22:17,840

we're seeing the light that happened 10

3820

02:22:23,190 --> 02:22:19,359

billion years ago

3821

02:22:25,110 --> 02:22:23,200

yeah dude yeah dude yeah it all plays

3822

02:22:27,990 --> 02:22:25,120

into itself it's just the smartest

3823

02:22:29,830 --> 02:22:28,000

it's and just the best and the idea that

3824

02:22:30,550 --> 02:22:29,840

they thought of everything that somebody

3825

02:22:33,910 --> 02:22:30,560

could

3826  
02:22:34,830 --> 02:22:33,920  
have that type of technology to be able

3827  
02:22:37,830 --> 02:22:34,840  
to

3828  
02:22:39,910 --> 02:22:37,840  
uh faster than the speed of light travel

3829  
02:22:41,429 --> 02:22:39,920  
we're talking like we're not just

3830  
02:22:43,990 --> 02:22:41,439  
galactic anymore

3831  
02:22:45,429 --> 02:22:44,000  
we're like you're out in the universe

3832  
02:22:47,750 --> 02:22:45,439  
dude like you're conquering

3833  
02:22:49,030 --> 02:22:47,760  
[h\_\_h] in the universe somebody have that

3834  
02:22:50,389 --> 02:22:49,040  
type of technology

3835  
02:22:52,230 --> 02:22:50,399  
and then you think about the fact that

3836  
02:22:55,670 --> 02:22:52,240  
space is so big

3837  
02:22:58,790 --> 02:22:55,680  
that like they'll never even reach us

3838  
02:23:01,270 --> 02:22:58,800

that imperial war we will never

3839

02:23:02,389 --> 02:23:01,280

even see yeah and they could go for

3840

02:23:05,190 --> 02:23:02,399

millions of years

3841

02:23:06,230 --> 02:23:05,200

and space is so big we wouldn't even

3842

02:23:10,710 --> 02:23:06,240

know about it

3843

02:23:14,389 --> 02:23:12,790

within the lifetime of the earth like

3844

02:23:16,550 --> 02:23:14,399

the earth is evolved

3845

02:23:17,750 --> 02:23:16,560

with intelligent life forms let's say

3846

02:23:17,990 --> 02:23:17,760

all right we're smart enough all right

3847

02:23:22,309 --> 02:23:18,000

we

3848

02:23:23,030 --> 02:23:22,319

yeah okay that's when the war starts and

3849

02:23:25,270 --> 02:23:23,040

then

3850

02:23:26,150 --> 02:23:25,280

okay a couple million years later war is

3851

02:23:29,190 --> 02:23:26,160

over or whatever

3852

02:23:32,630 --> 02:23:29,200

yeah like we're so far away

3853

02:23:33,910 --> 02:23:32,640

so far yeah dude star wars it's just so

3854

02:23:36,230 --> 02:23:33,920

good all right we got we've got

3855

02:23:37,750 --> 02:23:36,240

a few more guys we're like at three

3856

02:23:40,070 --> 02:23:37,760

hours right now

3857

02:23:41,349 --> 02:23:40,080

uh obviously star wars it has to be for

3858

02:23:44,950 --> 02:23:41,359

me above

3859

02:23:45,429 --> 02:23:44,960

coneheads i was gonna put it in between

3860

02:23:48,710 --> 02:23:45,439

e.t

3861

02:23:51,510 --> 02:23:48,720

and coneheads no [h\_\_\h] yeah can we rock

3862

02:23:55,750 --> 02:23:53,510

okay no no let's talk this let's talk

3863

02:23:57,270 --> 02:23:55,760

this out this can't be like

3864

02:23:59,510 --> 02:23:57,280

it's not a democracy all right it's

3865

02:24:01,349 --> 02:23:59,520

gonna be a game of chance

3866

02:24:03,429 --> 02:24:01,359

yeah okay what let's talk it out let's

3867

02:24:04,550 --> 02:24:03,439

talk it through why cone heads over star

3868

02:24:07,590 --> 02:24:04,560

wars

3869

02:24:10,150 --> 02:24:07,600

that's dude that sounds ridiculous

3870

02:24:11,670 --> 02:24:10,160

that sounds ridiculous honestly i just

3871

02:24:12,309 --> 02:24:11,680

want to do that just to like piss people

3872

02:24:18,230 --> 02:24:12,319

off so

3873

02:24:22,230 --> 02:24:21,670

why why is conants more super awesome

3874

02:24:25,910 --> 02:24:22,240

than

3875

02:24:28,950 --> 02:24:25,920

star wars because

3876

02:24:32,389 --> 02:24:28,960

if i sit through a star wars movie

3877

02:24:35,510 --> 02:24:32,399

there's 10 to 15 minute periods that

3878

02:24:37,270 --> 02:24:35,520

i kind of lose focus and get bored when

3879

02:24:40,950 --> 02:24:37,280

i watch coneheads

3880

02:24:44,710 --> 02:24:40,960

every single scene is hilarious

3881

02:24:45,990 --> 02:24:44,720

and funny and i'm captivated the entire

3882

02:24:52,309 --> 02:24:46,000

movie

3883

02:24:55,670 --> 02:24:52,319

everything from the very beginning of

3884

02:24:59,270 --> 02:24:55,680

the movie to the very end of the movie

3885

02:25:03,030 --> 02:24:59,280

everything is gold dude all right

3886

02:25:05,110 --> 02:25:03,040

look i i feel like i'm gonna come off as

3887

02:25:09,349 --> 02:25:05,120

like

3888

02:25:10,790 --> 02:25:09,359

say you also haven't pulled up the cast

3889

02:25:13,349 --> 02:25:10,800

of coneheads yet

3890

02:25:13,830 --> 02:25:13,359

and i haven't but i will say this look

3891

02:25:15,429 --> 02:25:13,840

i'm not

3892

02:25:18,230 --> 02:25:15,439

just agreeing with everything you say

3893

02:25:19,270 --> 02:25:18,240

okay i'm taking into account

3894

02:25:21,830 --> 02:25:19,280

what you're saying and what you're

3895

02:25:22,710 --> 02:25:21,840

saying does make sense to this to this

3896

02:25:28,070 --> 02:25:22,720

idea

3897

02:25:30,469 --> 02:25:28,080

that the fact that

3898

02:25:31,190 --> 02:25:30,479

first off yeah dude when i watch a star

3899

02:25:33,990 --> 02:25:31,200

wars movie

3900

02:25:34,790 --> 02:25:34,000

even it's the new ones that came out i

3901

02:25:37,990 --> 02:25:34,800

zone out

3902

02:25:39,830 --> 02:25:38,000

dude i forget like i'm just i love it

3903

02:25:42,150 --> 02:25:39,840

it's so beautiful but like i just zone

3904

02:25:44,469 --> 02:25:42,160

out and i start thinking about

3905

02:25:46,070 --> 02:25:44,479

yeah how it could be and like i started

3906

02:25:48,630 --> 02:25:46,080

like piece the puzzles

3907

02:25:50,389 --> 02:25:48,640

uh you know put the puzzle pieces

3908

02:25:52,309 --> 02:25:50,399

together

3909

02:25:54,309 --> 02:25:52,319

i think you have a point there with the

3910

02:25:57,830 --> 02:25:54,319

coned's thing where

3911

02:26:00,230 --> 02:25:57,840

it's just every second the editing

3912

02:26:03,190 --> 02:26:00,240

is every second is either hilarious or

3913

02:26:06,550 --> 02:26:03,200

like there's a new

3914

02:26:07,910 --> 02:26:06,560

moment yeah happening yeah it's like we

3915

02:26:11,429 --> 02:26:07,920

start with

3916

02:26:13,030 --> 02:26:11,439

this ship crashes oh [h\_\_h] it's aliens

3917

02:26:15,349 --> 02:26:13,040

what's the first thing they do they go

3918

02:26:17,510 --> 02:26:15,359

to a hotel and they

3919

02:26:19,110 --> 02:26:17,520

and they like zap that uh that soda

3920

02:26:20,550 --> 02:26:19,120

machine and all the coins come out and

3921

02:26:22,469 --> 02:26:20,560

they're like we need to a room

3922

02:26:23,590 --> 02:26:22,479

and they like throw them a lot of ideas

3923

02:26:25,190 --> 02:26:23,600

they throw coins

3924

02:26:26,790 --> 02:26:25,200

like just coins on the table and he's

3925

02:26:28,630 --> 02:26:26,800

like oh okay and then

3926

02:26:30,230 --> 02:26:28,640

the next scene from there they're laying

3927

02:26:33,030 --> 02:26:30,240

in bed and she's reading the bible and

3928

02:26:36,150 --> 02:26:34,469

and then you go from there and you're

3929

02:26:36,710 --> 02:26:36,160

like what the [h\_\_h] and then it's like oh

3930

02:26:38,950 --> 02:26:36,720

[h\_\_h]

3931

02:26:40,309 --> 02:26:38,960

now she's pregnant now he's driving a

3932

02:26:42,230 --> 02:26:40,319

cab right you know

3933

02:26:43,750 --> 02:26:42,240

yeah and he's like he's like sharing it

3934

02:26:45,910 --> 02:26:43,760

with a couple other people

3935

02:26:47,510 --> 02:26:45,920

like yeah and then and then he like

3936

02:26:48,710 --> 02:26:47,520

starts working with simbad and the

3937

02:26:50,710 --> 02:26:48,720

simbad is like

3938

02:26:52,710 --> 02:26:50,720

hey you know i need your social security

3939

02:26:55,750 --> 02:26:52,720

card what's your number and he's like uh

3940

02:26:57,429 --> 02:26:55,760

a five seven

3941

02:27:01,190 --> 02:26:57,439

and then he's like this happens every

3942

02:27:03,910 --> 02:27:01,200

time you find some good work around here

3943

02:27:04,790 --> 02:27:03,920

they don't belong here and the the very

3944

02:27:06,309 --> 02:27:04,800

fact that like

3945

02:27:08,230 --> 02:27:06,319

the government is tracking them because

3946

02:27:10,309 --> 02:27:08,240

they're illegal aliens is

3947

02:27:11,429 --> 02:27:10,319

like the basis of the whole movie

3948

02:27:15,030 --> 02:27:11,439

basically yeah

3949

02:27:16,950 --> 02:27:15,040

and they are real aliens yeah so

3950

02:27:18,230 --> 02:27:16,960

a story line they're looking for this rd

3951

02:27:21,270 --> 02:27:18,240

chico guy i think

3952

02:27:25,990 --> 02:27:21,280

cohn has lose's storyline for me

3953

02:27:28,550 --> 02:27:26,000

loses to to to star wars on storyline

3954

02:27:30,469 --> 02:27:28,560

i think the only if you watched one star

3955

02:27:31,590 --> 02:27:30,479

wars if there was only one star wars

3956

02:27:34,230 --> 02:27:31,600

movie

3957

02:27:36,630 --> 02:27:34,240

a star wars coneheads would be better

3958

02:27:37,670 --> 02:27:36,640

the what makes star wars a good movie is

3959

02:27:39,750 --> 02:27:37,680

the fact that there's

3960

02:27:42,830 --> 02:27:39,760

so many of them and you have to play

3961

02:27:45,830 --> 02:27:42,840

this badass story out

3962

02:27:49,830 --> 02:27:45,840

also the cast of coneheads

3963

02:27:52,710 --> 02:27:49,840

is the best era of snl that ever existed

3964

02:27:53,750 --> 02:27:52,720

that is also true which is the funny

3965

02:27:57,670 --> 02:27:53,760

sparley dude

3966

02:28:04,230 --> 02:28:00,950

all of them every one of them dude uh uh

3967

02:28:06,790 --> 02:28:04,240

mcdonald is he in it nor mcdonald's

3968

02:28:08,070 --> 02:28:06,800

mcdonald's not in it no he was like he

3969

02:28:10,070 --> 02:28:08,080

was a little

3970

02:28:11,349 --> 02:28:10,080

he was in that like in between he could

3971

02:28:13,190 --> 02:28:11,359

say literally any

3972

02:28:14,950 --> 02:28:13,200

sentence and it's hilarious i love

3973

02:28:16,550 --> 02:28:14,960

norman he could say literally anything

3974

02:28:19,110 --> 02:28:16,560

it's hilarious yeah

3975

02:28:20,550 --> 02:28:19,120

but yeah no so back to your point so

3976

02:28:22,950 --> 02:28:20,560

we're talking about

3977

02:28:24,870 --> 02:28:22,960

cast right all star cast and every

3978

02:28:27,429 --> 02:28:24,880

second being

3979

02:28:29,910 --> 02:28:27,439

funny or entertaining entertaining so

3980

02:28:33,030 --> 02:28:29,920

where it loses storyline points for me

3981

02:28:36,389 --> 02:28:33,040

at coneheads loses storyline points uh

3982

02:28:37,590 --> 02:28:36,399

coneheads gain gaining entertainment

3983

02:28:41,030 --> 02:28:37,600

value

3984

02:28:45,910 --> 02:28:41,040

so where does that leave you like

3985

02:28:48,469 --> 02:28:45,920

is is is conants better than star wars

3986

02:28:50,150 --> 02:28:48,479

also also it's not we're not saying that

3987

02:28:52,230 --> 02:28:50,160

one movie is better than the other

3988

02:28:53,750 --> 02:28:52,240

it's just that where does it fall yeah

3989

02:28:55,910 --> 02:28:53,760

where does it fall

3990

02:28:56,790 --> 02:28:55,920

personally between you and me joe we're

3991

02:29:00,070 --> 02:28:56,800

not saying

3992

02:29:03,110 --> 02:29:00,080

like oh yeah this is the [h\_\_h]

3993

02:29:06,469 --> 02:29:03,120

this is what you should believe i okay

3994

02:29:08,630 --> 02:29:06,479

i i absolutely love star wars

3995

02:29:09,910 --> 02:29:08,640

but if i had to choose what movie i

3996

02:29:11,910 --> 02:29:09,920

wanted to watch right now when we

3997

02:29:13,910 --> 02:29:11,920

finished the podcast it would be

3998

02:29:15,670 --> 02:29:13,920

it would be conan i'm picking conan same

3999

02:29:16,230 --> 02:29:15,680

because i love star wars but i don't

4000

02:29:19,030 --> 02:29:16,240

want to have to

4001  
02:29:20,469 --> 02:29:19,040  
invest my brain into something that

4002  
02:29:23,270 --> 02:29:20,479  
serious that sells all the time

4003  
02:29:24,230 --> 02:29:23,280  
that settles it for me it was gonna be

4004  
02:29:27,429 --> 02:29:24,240  
like

4005  
02:29:30,790 --> 02:29:27,439  
you changed my opinion and look

4006  
02:29:33,349 --> 02:29:30,800  
i'm okay with this look

4007  
02:29:34,469 --> 02:29:33,359  
that that's honestly that's the best way

4008  
02:29:36,070 --> 02:29:34,479  
to go about it

4009  
02:29:38,309 --> 02:29:36,080  
what movie would you rather watch after

4010  
02:29:40,870 --> 02:29:38,319  
this podcast yeah conan

4011  
02:29:43,110 --> 02:29:40,880  
or star wars [h\_\_\h] coneheads yeah

4012  
02:29:46,230 --> 02:29:43,120  
because star wars you have to

4013  
02:29:49,429 --> 02:29:46,240

watch all of them to really be

4014

02:29:52,230 --> 02:29:49,439

uh satisfied you have to invest

4015

02:29:53,990 --> 02:29:52,240

a lot yes lots of investment it's like

4016

02:29:55,670 --> 02:29:54,000

something that if you started now

4017

02:29:57,990 --> 02:29:55,680

it's gonna take you a long time the

4018

02:30:01,110 --> 02:29:58,000

reason i love star wars is because i

4019

02:30:04,230 --> 02:30:01,120

watched it as a child and

4020

02:30:05,190 --> 02:30:04,240

i've invested basically i'm 33 i've

4021

02:30:07,750 --> 02:30:05,200

invested my

4022

02:30:08,790 --> 02:30:07,760

life into star wars that's why i know

4023

02:30:10,870 --> 02:30:08,800

the characters

4024

02:30:12,790 --> 02:30:10,880

i know the plot line i know it's

4025

02:30:13,349 --> 02:30:12,800

happening but it's not something that

4026

02:30:15,670 --> 02:30:13,359

you could just

4027

02:30:17,670 --> 02:30:15,680

watch as a one-off and understand what's

4028

02:30:20,150 --> 02:30:17,680

happening coneheads you can watch it

4029

02:30:20,710 --> 02:30:20,160

love it enjoy it every second of it and

4030

02:30:23,190 --> 02:30:20,720

it could be an

4031

02:30:24,710 --> 02:30:23,200

immediate favorite for you yeah love it

4032

02:30:30,710 --> 02:30:24,720

that's why coneheads is number one

4033

02:30:34,950 --> 02:30:32,389

we've got four more dude this is gonna

4034

02:30:36,389 --> 02:30:34,960

be the longest episode

4035

02:30:37,510 --> 02:30:36,399

i think people are gonna enjoy it though

4036

02:30:39,110 --> 02:30:37,520

dude cause they're gonna want to know

4037

02:30:40,070 --> 02:30:39,120

your opinion we're gonna have to split

4038

02:30:42,950 --> 02:30:40,080

this into two

4039

02:30:43,670 --> 02:30:42,960

no yes no i'm saying it dude we're gonna

4040

02:30:47,429 --> 02:30:43,680

do it

4041

02:30:50,630 --> 02:30:47,439

if you can sit through a uh uh

4042

02:30:52,710 --> 02:30:50,640

star wars melinda leslie

4043

02:30:54,469 --> 02:30:52,720

you could sit through this all right

4044

02:30:55,590 --> 02:30:54,479

let's let's do it all right because

4045

02:30:57,990 --> 02:30:55,600

they're gonna want to know what the next

4046

02:31:00,309 --> 02:30:58,000

movie is well that's how we create

4047

02:31:01,750 --> 02:31:00,319

you know people that will come back and

4048

02:31:03,190 --> 02:31:01,760

listen to our show i guess

4049

02:31:04,870 --> 02:31:03,200

but you know what we're gonna create

4050

02:31:05,750 --> 02:31:04,880

something new the next time so it

4051  
02:31:08,150 --> 02:31:05,760  
doesn't even matter

4052  
02:31:09,030 --> 02:31:08,160  
yeah honestly we don't know what we're

4053  
02:31:11,190 --> 02:31:09,040  
gonna do

4054  
02:31:13,110 --> 02:31:11,200  
but every time it's like i feel like

4055  
02:31:14,550 --> 02:31:13,120  
every time i was like joe dude every new

4056  
02:31:16,070 --> 02:31:14,560  
episode i'm like that's my new favorite

4057  
02:31:19,429 --> 02:31:16,080  
episode

4058  
02:31:20,309 --> 02:31:19,439  
which this is already all right next

4059  
02:31:24,870 --> 02:31:20,319  
movie

4060  
02:31:30,550 --> 02:31:29,030  
we had star wars dr that was supposed to

4061  
02:31:33,590 --> 02:31:30,560  
be stargate but we'll

4062  
02:31:34,950 --> 02:31:33,600  
we'll x now i don't know we can't yeah

4063  
02:31:36,950 --> 02:31:34,960

just leave it down there it does it

4064

02:31:38,070 --> 02:31:36,960

doesn't exist next one is a rival the

4065

02:31:40,469 --> 02:31:38,080

arrival

4066

02:31:41,670 --> 02:31:40,479

and it's not the new one with hot chick

4067

02:31:44,630 --> 02:31:41,680

hot hot sea pants

4068

02:31:45,110 --> 02:31:44,640

red a hot girl yeah it's the arrival

4069

02:31:50,950 --> 02:31:45,120

with

4070

02:31:57,429 --> 02:31:55,110

charlie sheen charlie sheen church sheen

4071

02:31:58,230 --> 02:31:57,439

uh yeah so the arrival with charlie

4072

02:32:01,429 --> 02:31:58,240

sheen it

4073

02:32:04,870 --> 02:32:01,439

is uh one of the first

4074

02:32:06,550 --> 02:32:04,880

movie uh alien movies that i saw growing

4075

02:32:08,469 --> 02:32:06,560

up it was like

4076  
02:32:12,550 --> 02:32:08,479  
again i feel like it said the same exact

4077  
02:32:16,469 --> 02:32:14,630  
uh a lot of these movies have been your

4078  
02:32:20,070 --> 02:32:16,479  
first alien movie ever dude

4079  
02:32:22,790 --> 02:32:20,080  
dude so one of my first scenes

4080  
02:32:23,349 --> 02:32:22,800  
this movie's badass i like this movie

4081  
02:32:27,110 --> 02:32:23,359  
dude

4082  
02:32:29,830 --> 02:32:27,120  
like for me like the alien part is cool

4083  
02:32:30,630 --> 02:32:29,840  
but for me the whole beginning half of

4084  
02:32:33,429 --> 02:32:30,640  
the movie

4085  
02:32:33,990 --> 02:32:33,439  
is is honestly my favorite what's your

4086  
02:32:36,469 --> 02:32:34,000  
favorite part

4087  
02:32:37,030 --> 02:32:36,479  
just receiving the signal and being like

4088  
02:32:38,870 --> 02:32:37,040

whoa

4089

02:32:40,150 --> 02:32:38,880

we gotta we gotta get this right and

4090

02:32:42,630 --> 02:32:40,160

then

4091

02:32:44,070 --> 02:32:42,640

they're the wow signal the basically

4092

02:32:46,070 --> 02:32:44,080

it's playing off of the wow

4093

02:32:48,230 --> 02:32:46,080

basically the wow signal and just him

4094

02:32:50,469 --> 02:32:48,240

like trying to figure out

4095

02:32:51,990 --> 02:32:50,479

like how can i do this again he links

4096

02:32:53,590 --> 02:32:52,000

all the houses together

4097

02:32:55,510 --> 02:32:53,600

with that cable and pretends to be the

4098

02:32:57,190 --> 02:32:55,520

cable guy and then and then he meets

4099

02:32:58,309 --> 02:32:57,200

that little kid and then that little kid

4100

02:33:02,389 --> 02:32:58,319

starts helping him out

4101

02:33:05,190 --> 02:33:02,399

like that the the receiving the signal

4102

02:33:06,790 --> 02:33:05,200

and the build up to the end yeah it's so

4103

02:33:09,110 --> 02:33:06,800

low-key it's it's like

4104

02:33:10,389 --> 02:33:09,120

non-epic it's like something that could

4105

02:33:12,710 --> 02:33:10,399

happen to you or your

4106

02:33:14,230 --> 02:33:12,720

neighbor yeah right and the way that

4107

02:33:14,790 --> 02:33:14,240

like that's your neighborhood kid that's

4108

02:33:19,349 --> 02:33:14,800

like

4109

02:33:21,990 --> 02:33:19,359

you're into electronics me too

4110

02:33:23,270 --> 02:33:22,000

like yeah you know i i used to have a

4111

02:33:27,110 --> 02:33:23,280

neighbor that was into uh

4112

02:33:28,870 --> 02:33:27,120

uh like uh wood uh wood carving and [\h\_\_\h]

4113

02:33:30,070 --> 02:33:28,880

he used to like make me swords and stuff

4114

02:33:32,230 --> 02:33:30,080

like i would hang out

4115

02:33:34,469 --> 02:33:32,240

at night was my dad's one of my dad's

4116

02:33:37,910 --> 02:33:34,479

best friend uncle milton man

4117

02:33:38,389 --> 02:33:37,920

uncle news milton uh milton you maker

4118

02:33:41,349 --> 02:33:38,399

man

4119

02:33:43,030 --> 02:33:41,359

he uh yeah i would like come over like

4120

02:33:44,950 --> 02:33:43,040

yeah like hey

4121

02:33:46,469 --> 02:33:44,960

you would hang out like when i was a

4122

02:33:48,389 --> 02:33:46,479

little kid and that's i

4123

02:33:50,309 --> 02:33:48,399

i relate so much to this little kid in

4124

02:33:53,670 --> 02:33:50,319

this movie in her in a rival

4125

02:33:55,270 --> 02:33:53,680

uh and the fact that

4126  
02:33:57,990 --> 02:33:55,280  
what at the end i don't want to like

4127  
02:33:59,510 --> 02:33:58,000  
should we give away these

4128  
02:34:01,030 --> 02:33:59,520  
it's an older it's an older movie if you

4129  
02:34:01,990 --> 02:34:01,040  
haven't seen it by now you need to get

4130  
02:34:03,830 --> 02:34:02,000  
on it yeah

4131  
02:34:05,110 --> 02:34:03,840  
if anything that telling the ending will

4132  
02:34:06,950 --> 02:34:05,120  
entice people

4133  
02:34:08,230 --> 02:34:06,960  
my one of my first memories is telling

4134  
02:34:09,349 --> 02:34:08,240  
people like i remember one of my

4135  
02:34:11,910 --> 02:34:09,359  
favorite movies is

4136  
02:34:12,870 --> 02:34:11,920  
uh it was like this i was like telling

4137  
02:34:14,710 --> 02:34:12,880  
people it was

4138  
02:34:16,150 --> 02:34:14,720

this alien like their legs been

4139

02:34:18,389 --> 02:34:16,160

backwards and like instead of

4140

02:34:19,349 --> 02:34:18,399

the knees bending back they like bend

4141

02:34:21,349 --> 02:34:19,359

forward and like

4142

02:34:23,750 --> 02:34:21,359

no one knew what the [h\_\_h] i was talking

4143

02:34:25,190 --> 02:34:23,760

about that's the movie dude that's it

4144

02:34:28,230 --> 02:34:25,200

yeah

4145

02:34:31,190 --> 02:34:28,240

sheen also the way that like

4146

02:34:33,030 --> 02:34:31,200

they discover the signal right as a

4147

02:34:35,830 --> 02:34:33,040

scientist and you're like

4148

02:34:37,670 --> 02:34:35,840

well we found this this amazing signal

4149

02:34:39,990 --> 02:34:37,680

and then for the rest of like

4150

02:34:41,910 --> 02:34:40,000

you know that the company that they work

4151  
02:34:42,790 --> 02:34:41,920  
for or whatever just to kind of dismiss

4152  
02:34:44,389 --> 02:34:42,800  
it like

4153  
02:34:45,990 --> 02:34:44,399  
oh just because you found a signal

4154  
02:34:48,630 --> 02:34:46,000  
doesn't mean anything right

4155  
02:34:49,750 --> 02:34:48,640  
yeah that's not real science yeah that

4156  
02:34:52,070 --> 02:34:49,760  
that's lame as [h\_\_\h]

4157  
02:34:53,429 --> 02:34:52,080  
and the way that he's like what are you

4158  
02:34:56,309 --> 02:34:53,439  
talking about that's not like

4159  
02:34:57,030 --> 02:34:56,319  
real science like we're on the verge of

4160  
02:34:59,510 --> 02:34:57,040  
like one of the

4161  
02:35:00,070 --> 02:34:59,520  
biggest discoveries so for me the idea

4162  
02:35:01,750 --> 02:35:00,080  
that like

4163  
02:35:04,070 --> 02:35:01,760

sometimes you can come across something

4164

02:35:05,190 --> 02:35:04,080

that may seem very insignificant

4165

02:35:07,110 --> 02:35:05,200

is actually one of the biggest

4166

02:35:09,110 --> 02:35:07,120

discoveries in mankind

4167

02:35:11,349 --> 02:35:09,120

is a very important point and that's why

4168

02:35:13,110 --> 02:35:11,359

i like this movie because they

4169

02:35:14,630 --> 02:35:13,120

tried to treat it like it wasn't a big

4170

02:35:16,870 --> 02:35:14,640

deal right but

4171

02:35:18,389 --> 02:35:16,880

they kind of knew what was going on at

4172

02:35:20,870 --> 02:35:18,399

the same time

4173

02:35:22,230 --> 02:35:20,880

and he's like i'm a regular dude trying

4174

02:35:24,950 --> 02:35:22,240

to figure this out like

4175

02:35:25,990 --> 02:35:24,960

i don't know it gave me that real uh uh

4176

02:35:29,270 --> 02:35:26,000

just your average

4177

02:35:32,630 --> 02:35:29,280

guy yeah trying to it did feel

4178

02:35:34,950 --> 02:35:32,640

very uh very grounded you know yeah

4179

02:35:36,630 --> 02:35:34,960

like it wasn't like independence day it

4180

02:35:38,950 --> 02:35:36,640

had characters like

4181

02:35:40,710 --> 02:35:38,960

uh jeff goldblum's dad was like a part

4182

02:35:44,230 --> 02:35:40,720

of something and

4183

02:35:45,429 --> 02:35:44,240

jeff globally was like in on the science

4184

02:35:47,830 --> 02:35:45,439

and he was like already

4185

02:35:48,630 --> 02:35:47,840

like a scientist like this is just some

4186

02:35:50,790 --> 02:35:48,640

dude

4187

02:35:52,710 --> 02:35:50,800

that was working i guess he was working

4188

02:35:54,790 --> 02:35:52,720

in a satellite company

4189

02:35:56,230 --> 02:35:54,800

anyway but it was supposed to be like

4190

02:35:58,710 --> 02:35:56,240

seti yeah yeah

4191

02:35:59,670 --> 02:35:58,720

exciting well it was it was filmed yeah

4192

02:36:03,590 --> 02:35:59,680

it's yeah

4193

02:36:05,990 --> 02:36:03,600

but the uh uh do the ending man

4194

02:36:07,670 --> 02:36:06,000

you're not giving away the ending the

4195

02:36:10,309 --> 02:36:07,680

the well let's just talk about

4196

02:36:12,469 --> 02:36:10,319

like the realism of the aliens real

4197

02:36:14,309 --> 02:36:12,479

quick i know that's not on our criteria

4198

02:36:15,270 --> 02:36:14,319

but i just thought that was so creative

4199

02:36:17,910 --> 02:36:15,280

like

4200

02:36:19,910 --> 02:36:17,920

the way the little flap yeah and they're

4201  
02:36:20,870 --> 02:36:19,920  
they're crazy they look really cool they

4202  
02:36:23,429 --> 02:36:20,880  
look really good they looked

4203  
02:36:26,070 --> 02:36:23,439  
really and like the idea that that

4204  
02:36:28,389 --> 02:36:26,080  
instead of like like a horse's back legs

4205  
02:36:30,150 --> 02:36:28,399  
that's how their their legs worked yeah

4206  
02:36:30,550 --> 02:36:30,160  
like why can't we walk like that why did

4207  
02:36:33,590 --> 02:36:30,560  
we

4208  
02:36:34,389 --> 02:36:33,600  
evolve to walk with our knees bending

4209  
02:36:37,590 --> 02:36:34,399  
backwards

4210  
02:36:39,910 --> 02:36:37,600  
yeah is it more efficient to do that or

4211  
02:36:42,309 --> 02:36:39,920  
is it the opposite for us it is if we go

4212  
02:36:45,030 --> 02:36:42,319  
back to the the bigfoot episode

4213  
02:36:46,790 --> 02:36:45,040

when the bones fuse it's more efficient

4214

02:36:49,990 --> 02:36:46,800

for us to move that way

4215

02:36:52,070 --> 02:36:50,000

heel to toe as opposed to like a primate

4216

02:36:53,429 --> 02:36:52,080

that would grip something where they

4217

02:36:55,910 --> 02:36:53,439

have that the

4218

02:36:56,870 --> 02:36:55,920

the back heel of the boat the middle of

4219

02:36:59,590 --> 02:36:56,880

the foot

4220

02:37:00,469 --> 02:36:59,600

actually like can bend forward right and

4221

02:37:02,469 --> 02:37:00,479

as a baby

4222

02:37:04,550 --> 02:37:02,479

you can still you can bend your foot

4223

02:37:05,429 --> 02:37:04,560

like a primate and grab stuff that's why

4224

02:37:07,510 --> 02:37:05,439

baby's

4225

02:37:09,270 --> 02:37:07,520

feet are always curled up and stuff and

4226

02:37:12,550 --> 02:37:09,280

they have to learn

4227

02:37:13,110 --> 02:37:12,560

how to step flat and then as we wear

4228

02:37:15,429 --> 02:37:13,120

shoes

4229

02:37:16,870 --> 02:37:15,439

it fuses that bone together so it's an

4230

02:37:19,429 --> 02:37:16,880

efficiency thing for

4231

02:37:20,870 --> 02:37:19,439

us the most efficient animal supposedly

4232

02:37:23,190 --> 02:37:20,880

is the kangaroo

4233

02:37:24,630 --> 02:37:23,200

in the way that they move around but for

4234

02:37:26,630 --> 02:37:24,640

this alien

4235

02:37:29,110 --> 02:37:26,640

that's probably the most efficient way

4236

02:37:31,429 --> 02:37:29,120

for his body style to move

4237

02:37:32,630 --> 02:37:31,439

a horse the way the horse moves i mean

4238

02:37:35,110 --> 02:37:32,640

it's on all fours

4239

02:37:36,790 --> 02:37:35,120

so obviously that's a pretty efficient

4240

02:37:39,110 --> 02:37:36,800

way for it to move because the way it

4241

02:37:42,309 --> 02:37:39,120

runs and gallops and stuff

4242

02:37:44,389 --> 02:37:42,319

so yeah it's an interesting point to

4243

02:37:46,550 --> 02:37:44,399

you know thing to point out in the movie

4244

02:37:53,270 --> 02:37:46,560

i wanna know

4245

02:37:55,910 --> 02:37:53,280

strangers like me

4246

02:37:58,309 --> 02:37:55,920

yeah tarzan yeah you didn't grow up with

4247

02:38:02,710 --> 02:38:00,230

dude phil collins walked into that

4248

02:38:04,630 --> 02:38:02,720

studio he walked into the disney said

4249

02:38:06,550 --> 02:38:04,640

phil hey do you want to rock do you want

4250

02:38:08,870 --> 02:38:06,560

to write the uh the score for

4251  
02:38:10,710 --> 02:38:08,880  
tarzan the movie he goes shut the [h\_\_h]

4252  
02:38:16,550 --> 02:38:10,720  
up

4253  
02:38:20,469 --> 02:38:20,070  
oh i all of this this is about to be my

4254  
02:38:24,230 --> 02:38:20,479  
most

4255  
02:38:27,429 --> 02:38:24,240  
epic you mean saga of music

4256  
02:38:31,030 --> 02:38:27,439  
i have to top elton john obviously so

4257  
02:38:33,110 --> 02:38:31,040  
and he did he did dude

4258  
02:38:34,630 --> 02:38:33,120  
i'm okay with saying this elton john

4259  
02:38:38,150 --> 02:38:34,640  
love elton john

4260  
02:38:40,070 --> 02:38:38,160  
but phil collins [h\_\_h] just made

4261  
02:38:41,910 --> 02:38:40,080  
sweet sweet love to tarzan that

4262  
02:38:43,910 --> 02:38:41,920  
soundtrack oh my gosh did you know that

4263  
02:38:47,190 --> 02:38:43,920

phil collins has the largest

4264

02:38:48,790 --> 02:38:47,200

the largest collection well no well

4265

02:38:50,630 --> 02:38:48,800

yeah phil collins has the biggest dick

4266

02:38:52,790 --> 02:38:50,640

in the world but also

4267

02:38:55,190 --> 02:38:52,800

phil collins has the largest collection

4268

02:38:57,030 --> 02:38:55,200

of texas history memorabilia

4269

02:38:58,790 --> 02:38:57,040

he's actually donated a lot of his

4270

02:39:01,190 --> 02:38:58,800

collection to the alamo

4271

02:39:02,469 --> 02:39:01,200

because he had more [h\_\_h] than than the

4272

02:39:06,150 --> 02:39:02,479

people at the alamo

4273

02:39:07,830 --> 02:39:06,160

what yeah he's a huge texas history buff

4274

02:39:09,910 --> 02:39:07,840

he's not even from the united states

4275

02:39:10,790 --> 02:39:09,920

that's [h\_\_h] cool yeah that's [h\_\_h]

4276

02:39:13,349 --> 02:39:10,800

cool

4277

02:39:15,110 --> 02:39:13,359

hell yeah all right sorry i'm just

4278

02:39:17,429 --> 02:39:15,120

looking at the time we gotta get through

4279

02:39:19,270 --> 02:39:17,439

three more movies the arrival where do

4280

02:39:25,870 --> 02:39:19,280

you where are you at with the arrival

4281

02:39:31,750 --> 02:39:29,270

smith and black and contact

4282

02:39:33,349 --> 02:39:31,760

i was gonna put it behind midnight

4283

02:39:37,110 --> 02:39:33,359

special

4284

02:39:40,710 --> 02:39:37,120

only because of the

4285

02:39:42,630 --> 02:39:40,720

storyline because i'll give you that

4286

02:39:44,230 --> 02:39:42,640

because the rival doesn't have much of a

4287

02:39:47,670 --> 02:39:44,240

storyline

4288

02:39:50,790 --> 02:39:47,680

would a rival go before mars attacks

4289

02:39:52,630 --> 02:39:50,800

absolutely just because i think marcia

4290

02:39:54,710 --> 02:39:52,640

dies is just some goop

4291

02:39:56,550 --> 02:39:54,720

it's just a goo it's a big goof okay i

4292

02:39:59,750 --> 02:39:56,560

don't take it seriously it's goofy

4293

02:40:02,469 --> 02:39:59,760

i love it but what i got

4294

02:40:03,990 --> 02:40:02,479

out of it was okay what i got out of

4295

02:40:05,830 --> 02:40:04,000

mars attacks is like

4296

02:40:07,670 --> 02:40:05,840

all right well this is some [h\_\_\h] that's

4297

02:40:10,389 --> 02:40:07,680

going to make the masses

4298

02:40:12,389 --> 02:40:10,399

afraid of alien technology and [h\_\_\h] how

4299

02:40:15,750 --> 02:40:12,399

aliens but the arrival makes you

4300

02:40:19,750 --> 02:40:15,760

like sympathize with how about this

4301

02:40:23,990 --> 02:40:19,760

mars attacks goes after independence day

4302

02:40:31,590 --> 02:40:27,429

yep i'm down i think so yep i'm down

4303

02:40:33,910 --> 02:40:31,600

so it's badass but it's not awesome

4304

02:40:35,750 --> 02:40:33,920

right i'd agree with that i think i

4305

02:40:38,469 --> 02:40:35,760

think the arrival is on it i

4306

02:40:39,910 --> 02:40:38,479

enjoyed the arrival more than alien yeah

4307

02:40:40,389 --> 02:40:39,920

i did for a lot of different reasons i

4308

02:40:41,670 --> 02:40:40,399

did too

4309

02:40:43,830 --> 02:40:41,680

i think that's a great question i enjoy

4310

02:40:51,110 --> 02:40:43,840

the series of alien as a whole

4311

02:40:55,429 --> 02:40:53,349

it was just a it was a it was a super

4312

02:40:56,070 --> 02:40:55,439

badass movie yeah i liked it i love that

4313

02:40:59,110 --> 02:40:56,080

all right good

4314

02:41:00,070 --> 02:40:59,120

good call all right the next one the

4315

02:41:08,389 --> 02:41:00,080

arrival

4316

02:41:11,670 --> 02:41:08,399

redhead hot hot girl yes uh

4317

02:41:13,670 --> 02:41:11,680

dude pam from the office i've

4318

02:41:14,790 --> 02:41:13,680

i'm kidding that's not that's that's not

4319

02:41:18,550 --> 02:41:14,800

the actress

4320

02:41:19,110 --> 02:41:18,560

that's gonna have to that's such a cool

4321

02:41:20,950 --> 02:41:19,120

movie

4322

02:41:23,190 --> 02:41:20,960

it's so [h\_\_h] cool it's such a cool

4323

02:41:25,269 --> 02:41:23,200

movie the way that it deals with

4324

02:41:27,030 --> 02:41:25,279

with tangible things that we can all

4325

02:41:30,070 --> 02:41:27,040

accept and then it kind of

4326  
02:41:32,790 --> 02:41:30,080  
goes into not only language but time

4327  
02:41:33,910 --> 02:41:32,800  
it's like how do you how do you talk

4328  
02:41:36,309 --> 02:41:33,920  
about time

4329  
02:41:37,349 --> 02:41:36,319  
right it tackled that which i i think

4330  
02:41:40,550 --> 02:41:37,359  
that lends

4331  
02:41:42,150 --> 02:41:40,560  
this movie it's gotta it's gotta be up

4332  
02:41:43,190 --> 02:41:42,160  
there because of that fact because no

4333  
02:41:45,110 --> 02:41:43,200  
one else has

4334  
02:41:47,429 --> 02:41:45,120  
tackled that before right right a lot of

4335  
02:41:50,389 --> 02:41:47,439  
the contactees that we have talked to

4336  
02:41:51,349 --> 02:41:50,399  
talk about this is what this message

4337  
02:41:54,950 --> 02:41:51,359  
that i got

4338  
02:41:59,030 --> 02:41:54,960

but also like i i didn't read it

4339

02:42:02,309 --> 02:41:59,040

i didn't they almost felt the message

4340

02:42:04,710 --> 02:42:02,319

more than they understood the message

4341

02:42:05,349 --> 02:42:04,720

right and it's kind of the same thing

4342

02:42:12,309 --> 02:42:05,359

she

4343

02:42:15,190 --> 02:42:12,319

that her own mind starts to think

4344

02:42:15,750 --> 02:42:15,200

like the messages that they're giving

4345

02:42:19,670 --> 02:42:15,760

her

4346

02:42:23,349 --> 02:42:19,680

and that one symbol is an entire

4347

02:42:26,630 --> 02:42:23,359

lifetime of what's happening

4348

02:42:29,750 --> 02:42:26,640

right yeah it's like time doesn't really

4349

02:42:33,030 --> 02:42:29,760

exist as a linear fashion

4350

02:42:35,910 --> 02:42:33,040

as most humans as we think like

4351

02:42:38,389 --> 02:42:35,920

our our understanding of time and how we

4352

02:42:40,630 --> 02:42:38,399

experience it is so limited because we

4353

02:42:41,990 --> 02:42:40,640

we are born and we die yeah pretty

4354

02:42:44,309 --> 02:42:42,000

simple we're kind of like

4355

02:42:45,510 --> 02:42:44,319

we're kind of like a germ yeah a virus

4356

02:42:47,990 --> 02:42:45,520

it's like

4357

02:42:49,510 --> 02:42:48,000

we go we were born and then we affect

4358

02:42:51,750 --> 02:42:49,520

things and then we change

4359

02:42:52,630 --> 02:42:51,760

things and then we die and they really

4360

02:42:56,070 --> 02:42:52,640

pulled from

4361

02:42:59,349 --> 02:42:56,080

arthur c clarke's uh childhoods in

4362

02:43:00,790 --> 02:42:59,359

with the fact that these craft just land

4363

02:43:04,070 --> 02:43:00,800

yeah and they sit there they don't do

4364

02:43:07,349 --> 02:43:04,080

anything right i i think what that

4365

02:43:09,110 --> 02:43:07,359

yes yeah no they don't do anything wait

4366

02:43:11,190 --> 02:43:09,120

everybody's telling me more about the

4367

02:43:13,510 --> 02:43:11,200

arthur c clarke thing so art

4368

02:43:14,630 --> 02:43:13,520

he wrote this book called childhoods in

4369

02:43:17,750 --> 02:43:14,640

and it's basically

4370

02:43:21,269 --> 02:43:17,760

like these crafts show up and they sit

4371

02:43:23,110 --> 02:43:21,279

over major cities all over the world

4372

02:43:24,550 --> 02:43:23,120

yeah and nobody knows what the hell is

4373

02:43:26,710 --> 02:43:24,560

going on

4374

02:43:29,190 --> 02:43:26,720

there's like one person who's allowed to

4375

02:43:33,030 --> 02:43:29,200

contact and like talk to

4376

02:43:35,190 --> 02:43:33,040

the main being that's on this craft

4377

02:43:36,309 --> 02:43:35,200

and basically they're trying to shift

4378

02:43:39,190 --> 02:43:36,319

the world

4379

02:43:40,309 --> 02:43:39,200

consciousness to what they uh think it

4380

02:43:44,550 --> 02:43:40,319

should be

4381

02:43:51,429 --> 02:43:47,670

but humans don't really want to

4382

02:43:54,230 --> 02:43:51,439

comply with it and so you have the human

4383

02:43:55,349 --> 02:43:54,240

population like starts to split into

4384

02:43:57,590 --> 02:43:55,359

these different

4385

02:43:59,030 --> 02:43:57,600

you know categories of like oh we're pro

4386

02:44:01,750 --> 02:43:59,040

this and we're anti

4387

02:44:03,110 --> 02:44:01,760

that right so you have that split fact

4388

02:44:04,950 --> 02:44:03,120

kind of like we're seeing today

4389

02:44:06,870 --> 02:44:04,960

yeah you know and it's it's kind of the

4390

02:44:10,070 --> 02:44:06,880

same i haven't finished the book yet

4391

02:44:12,950 --> 02:44:10,080

so i can't speak on the whole book

4392

02:44:14,710 --> 02:44:12,960

um but it's really really badass and

4393

02:44:17,110 --> 02:44:14,720

from what i've read so far

4394

02:44:18,550 --> 02:44:17,120

this movie is pulling from that in the

4395

02:44:20,950 --> 02:44:18,560

fact that these craft

4396

02:44:21,750 --> 02:44:20,960

show up and and the craft in the book

4397

02:44:23,910 --> 02:44:21,760

they sit there

4398

02:44:25,190 --> 02:44:23,920

for like they serve 100 years they're

4399

02:44:26,630 --> 02:44:25,200

not like like

4400

02:44:29,030 --> 02:44:26,640

yeah they're not doing anything they're

4401  
02:44:29,510 --> 02:44:29,040  
not like like shooting missiles they're

4402  
02:44:32,790 --> 02:44:29,520  
just

4403  
02:44:36,230 --> 02:44:32,800  
there right right which dude for me

4404  
02:44:40,550 --> 02:44:36,240  
goes back to but i do know

4405  
02:44:42,630 --> 02:44:40,560  
that the end doesn't end up well for us

4406  
02:44:43,910 --> 02:44:42,640  
i know that oh i was hoping you weren't

4407  
02:44:46,150 --> 02:44:43,920  
going to say that well

4408  
02:44:47,910 --> 02:44:46,160  
that's because wait hold on you have to

4409  
02:44:51,349 --> 02:44:47,920  
tell me now well

4410  
02:44:53,830 --> 02:44:51,359  
i i haven't mean i know i kind of

4411  
02:44:54,710 --> 02:44:53,840  
know i know what the ending is but i'm

4412  
02:44:57,990 --> 02:44:54,720  
like in this like

4413  
02:45:00,710 --> 02:44:58,000

50 range where like i don't know the

4414

02:45:02,630 --> 02:45:00,720

rest of the story so i can't tell you

4415

02:45:05,349 --> 02:45:02,640

because i don't want to like i don't

4416

02:45:06,630 --> 02:45:05,359

know i i wanted to like google it and

4417

02:45:08,309 --> 02:45:06,640

find out

4418

02:45:09,910 --> 02:45:08,319

but i want to finish reading it all

4419

02:45:11,910 --> 02:45:09,920

right so i don't know

4420

02:45:13,429 --> 02:45:11,920

the whole story yet okay i'm in the

4421

02:45:15,349 --> 02:45:13,439

middle of it okay so

4422

02:45:17,429 --> 02:45:15,359

so they're taking they're taking aspects

4423

02:45:20,830 --> 02:45:17,439

of a an archetype

4424

02:45:22,950 --> 02:45:20,840

and if you will like this

4425

02:45:24,469 --> 02:45:22,960

non-intrusive thing but it's almost like

4426

02:45:26,469 --> 02:45:24,479

district nine right like

4427

02:45:27,990 --> 02:45:26,479

there's this huge crap that's just in

4428

02:45:30,870 --> 02:45:28,000

the sky and it's just there

4429

02:45:31,349 --> 02:45:30,880

it's not hurting anybody but it's just

4430

02:45:34,070 --> 02:45:31,359

there

4431

02:45:34,469 --> 02:45:34,080

like we can all see it right right um i

4432

02:45:38,230 --> 02:45:34,479

think

4433

02:45:40,830 --> 02:45:38,240

why those movies are so

4434

02:45:41,990 --> 02:45:40,840

popular and that archetype is so popular

4435

02:45:45,670 --> 02:45:42,000

because

4436

02:45:49,190 --> 02:45:45,680

the thing that people fear the most is

4437

02:45:51,030 --> 02:45:49,200

the unknown not not knowing the intent

4438

02:45:52,950 --> 02:45:51,040

it's almost like more comforting knowing

4439

02:45:54,389 --> 02:45:52,960

that we could like try to fight because

4440

02:45:57,510 --> 02:45:54,399

like humans like who wanna

4441

02:45:59,349 --> 02:45:57,520

we wanna be in battle and fight against

4442

02:46:01,190 --> 02:45:59,359

the opposing force

4443

02:46:03,830 --> 02:46:01,200

yeah when when when there's nothing to

4444

02:46:06,230 --> 02:46:03,840

do and there's really no

4445

02:46:06,950 --> 02:46:06,240

course of action when something foreign

4446

02:46:09,910 --> 02:46:06,960

shows up

4447

02:46:11,190 --> 02:46:09,920

yeah but doesn't pose an immediate

4448

02:46:14,150 --> 02:46:11,200

threat what do you do

4449

02:46:15,190 --> 02:46:14,160

what do you do i think that might be the

4450

02:46:18,150 --> 02:46:15,200

root cause of

4451

02:46:20,150 --> 02:46:18,160

of why we don't hear a lot of stuff why

4452

02:46:22,389 --> 02:46:20,160

the government doesn't release a lot of

4453

02:46:24,950 --> 02:46:22,399

information because it's like we just

4454

02:46:29,030 --> 02:46:24,960

don't know what to do

4455

02:46:31,110 --> 02:46:29,040

well the government wants to be

4456

02:46:33,110 --> 02:46:31,120

this parent right like they want to they

4457

02:46:35,269 --> 02:46:33,120

want to assure their children that

4458

02:46:36,710 --> 02:46:35,279

hey everything you're safe everything's

4459

02:46:39,030 --> 02:46:36,720

under control

4460

02:46:40,469 --> 02:46:39,040

we're good we'll do everything you want

4461

02:46:42,710 --> 02:46:40,479

us to do

4462

02:46:43,510 --> 02:46:42,720

except we're not gonna do anything you

4463

02:46:45,269 --> 02:46:43,520

want us to do

4464

02:46:46,630 --> 02:46:45,279

we're gonna pat your bottom we're gonna

4465

02:46:47,510 --> 02:46:46,640

also we're gonna take all your money is

4466

02:46:50,630 --> 02:46:47,520

that okay

4467

02:46:52,469 --> 02:46:50,640

yeah also like half of your money

4468

02:46:54,230 --> 02:46:52,479

we're gonna just go ahead and give we're

4469

02:46:56,150 --> 02:46:54,240

gonna go ahead and just get that

4470

02:46:58,550 --> 02:46:56,160

we'll probably misappropriate most of

4471

02:47:01,670 --> 02:46:58,560

the funds and then give you the crumbs

4472

02:47:05,269 --> 02:47:01,680

yeah also also like we're gonna like

4473

02:47:07,830 --> 02:47:05,279

um okay i was gonna go down anyway

4474

02:47:08,389 --> 02:47:07,840

so where does the arrival of the

4475

02:47:10,389 --> 02:47:08,399

neighborhood

4476

02:47:12,550 --> 02:47:10,399

where does the new arrival go where does

4477

02:47:14,389 --> 02:47:12,560

it go dude there's so many

4478

02:47:15,590 --> 02:47:14,399

i want to keep speaking to it but dude

4479

02:47:18,790 --> 02:47:15,600

we're like

4480

02:47:20,630 --> 02:47:18,800

almost four hours in dude uh i i

4481

02:47:22,790 --> 02:47:20,640

think that the arrival if we're going

4482

02:47:25,190 --> 02:47:22,800

off of storyline originality

4483

02:47:26,070 --> 02:47:25,200

entertainment value i think it's an

4484

02:47:28,710 --> 02:47:26,080

awesome so

4485

02:47:31,510 --> 02:47:28,720

that just means where does it go among

4486

02:47:34,790 --> 02:47:31,520

the awesome for me what do you think

4487

02:47:38,150 --> 02:47:34,800

man i was gonna put it in between e.t

4488

02:47:40,710 --> 02:47:38,160

and horse girl so super awesome

4489

02:47:41,190 --> 02:47:40,720

i think super awesome for the simple

4490

02:47:44,950 --> 02:47:41,200

fact

4491

02:47:48,550 --> 02:47:44,960

that the originality

4492

02:47:51,990 --> 02:47:48,560

and the uh well was the

4493

02:47:54,389 --> 02:47:52,000

the storyline is so cool it is

4494

02:47:55,510 --> 02:47:54,399

the idea that like it's like hey we're

4495

02:47:57,990 --> 02:47:55,520

gonna need your help

4496

02:47:59,750 --> 02:47:58,000

in a couple million years we need you to

4497

02:48:00,710 --> 02:47:59,760

understand our language you're taking

4498

02:48:04,389 --> 02:48:00,720

the idea

4499

02:48:06,630 --> 02:48:04,399

of like uh linguistics

4500

02:48:07,990 --> 02:48:06,640

of you know and those people study

4501  
02:48:13,190 --> 02:48:08,000  
ancient

4502  
02:48:14,230 --> 02:48:13,200  
apply it to something that doesn't even

4503  
02:48:16,790 --> 02:48:14,240  
exist yet

4504  
02:48:17,510 --> 02:48:16,800  
yes for the future that was such a cool

4505  
02:48:21,510 --> 02:48:17,520  
idea

4506  
02:48:24,469 --> 02:48:21,520  
something that doesn't exist

4507  
02:48:25,030 --> 02:48:24,479  
how do i apply what i know to figure it

4508  
02:48:26,870 --> 02:48:25,040  
out

4509  
02:48:28,950 --> 02:48:26,880  
also the fact that the beginning of the

4510  
02:48:31,269 --> 02:48:28,960  
movie starts with

4511  
02:48:32,150 --> 02:48:31,279  
the ending of the movie yeah she know

4512  
02:48:33,590 --> 02:48:32,160  
like as she

4513  
02:48:35,349 --> 02:48:33,600

you you mentioned this earlier but i

4514

02:48:35,830 --> 02:48:35,359

don't think we really expanded on it but

4515

02:48:38,150 --> 02:48:35,840

like

4516

02:48:39,429 --> 02:48:38,160

as she learns this language her brain

4517

02:48:42,230 --> 02:48:39,439

starts to

4518

02:48:42,950 --> 02:48:42,240

perceive reality in a totally different

4519

02:48:44,950 --> 02:48:42,960

way

4520

02:48:46,389 --> 02:48:44,960

right that even as a move like someone

4521

02:48:48,469 --> 02:48:46,399

watching the movie how could we

4522

02:48:49,830 --> 02:48:48,479

comprehend that like they dumbed it down

4523

02:48:51,590 --> 02:48:49,840

for us yeah

4524

02:48:53,269 --> 02:48:51,600

yeah the idea the original idea was

4525

02:48:56,710 --> 02:48:53,279

probably

4526  
02:48:58,710 --> 02:48:56,720  
way way more complicated it's just like

4527  
02:49:00,710 --> 02:48:58,720  
all right let's tell these dumb people

4528  
02:49:01,830 --> 02:49:00,720  
like what's the best way we could get

4529  
02:49:05,110 --> 02:49:01,840  
this idea across

4530  
02:49:07,830 --> 02:49:05,120  
yeah you know yeah so i agree [h\_\_\h]

4531  
02:49:09,670 --> 02:49:07,840  
man i was gonna put it in awesome

4532  
02:49:13,349 --> 02:49:09,680  
because

4533  
02:49:15,910 --> 02:49:13,359  
i just think the uh

4534  
02:49:18,150 --> 02:49:15,920  
what we just talked about puts it over

4535  
02:49:19,510 --> 02:49:18,160  
the top in the super awesome category

4536  
02:49:21,670 --> 02:49:19,520  
i think it is in the super awesome

4537  
02:49:24,469 --> 02:49:21,680  
category that means it's either

4538  
02:49:26,150 --> 02:49:24,479

more awesome than horse girl more

4539

02:49:28,150 --> 02:49:26,160

awesome than e.t

4540

02:49:29,190 --> 02:49:28,160

more awesome than jar jar being star

4541

02:49:33,030 --> 02:49:29,200

wars

4542

02:49:36,070 --> 02:49:33,040

or more awesome than cone heads i almost

4543

02:49:37,990 --> 02:49:36,080

dude bro i'm like totally

4544

02:49:42,469 --> 02:49:38,000

rethinking everything right now i'm

4545

02:49:42,479 --> 02:49:46,290

way way above horse girl

4546

02:49:50,309 --> 02:49:48,070

[Music]

4547

02:49:51,750 --> 02:49:50,319

i'm thinking it's right behind i think

4548

02:49:55,269 --> 02:49:51,760

it's in between

4549

02:49:56,790 --> 02:49:55,279

star wars and e.t i i'm okay with that

4550

02:49:58,309 --> 02:49:56,800

let's do that in between star wars and

4551

02:50:01,910 --> 02:49:58,319

et yeah let's do it

4552

02:50:04,469 --> 02:50:01,920

boom i am yep i agree with that

4553

02:50:06,070 --> 02:50:04,479

also with it being one of those movies

4554

02:50:08,550 --> 02:50:06,080

that could be one of those like drip

4555

02:50:11,910 --> 02:50:08,560

disclosure type movies

4556

02:50:14,630 --> 02:50:11,920

puts it in the super awesome category

4557

02:50:15,670 --> 02:50:14,640

i i think it i think it deserves it i

4558

02:50:19,670 --> 02:50:15,680

think it deserves it

4559

02:50:21,830 --> 02:50:19,680

because for how uneventful the movie was

4560

02:50:23,429 --> 02:50:21,840

it really was it's an extremely

4561

02:50:26,230 --> 02:50:23,439

uneventful movie

4562

02:50:28,630 --> 02:50:26,240

but so captivating and it keeps you

4563

02:50:31,670 --> 02:50:28,640

sucked in the whole time you're like

4564

02:50:33,590 --> 02:50:31,680

nothing has happened yeah

4565

02:50:34,870 --> 02:50:33,600

when i think of a movie that has changed

4566

02:50:37,750 --> 02:50:34,880

my life

4567

02:50:38,150 --> 02:50:37,760

i think of two movies well three really

4568

02:50:43,590 --> 02:50:38,160

it's

4569

02:50:43,600 --> 02:50:48,830

five bro and then uh uh

4570

02:50:52,469 --> 02:50:51,030

uh blue diamond phillips hold on what's

4571

02:50:55,269 --> 02:50:52,479

the family in the 70s

4572

02:50:56,070 --> 02:50:55,279

the the the brady bunch brady bunch the

4573

02:50:58,870 --> 02:50:56,080

brady bunch

4574

02:50:59,750 --> 02:50:58,880

the hawaiian adventure those are the top

4575

02:51:02,870 --> 02:50:59,760

three

4576

02:51:08,790 --> 02:51:07,190

but like like more seriously like

4577

02:51:11,910 --> 02:51:08,800

the the i would put the beverly

4578

02:51:13,590 --> 02:51:11,920

hillbillies in front of the brady bunch

4579

02:51:15,429 --> 02:51:13,600

the point i'm trying to make is it's not

4580

02:51:16,710 --> 02:51:15,439

just while you're entertained while

4581

02:51:18,790 --> 02:51:16,720

you're watching the movie it's

4582

02:51:19,910 --> 02:51:18,800

how what's the after last like the

4583

02:51:22,150 --> 02:51:19,920

everlasting effect

4584

02:51:23,269 --> 02:51:22,160

what happens after you watch that movie

4585

02:51:26,790 --> 02:51:23,279

when i watched

4586

02:51:29,190 --> 02:51:26,800

uh inception it still affects me to this

4587

02:51:33,590 --> 02:51:29,200

day i think about it the matrix

4588

02:51:38,469 --> 02:51:37,110

uh the arrival it might be in that

4589

02:51:40,309 --> 02:51:38,479

category

4590

02:51:42,230 --> 02:51:40,319

because it's one of those movies when

4591

02:51:45,349 --> 02:51:42,240

you finish it nobody says anything

4592

02:51:49,750 --> 02:51:45,359

yeah yeah like like nobody stands up

4593

02:51:51,990 --> 02:51:49,760

like no karen stay up stand up yeah

4594

02:51:52,790 --> 02:51:52,000

it's it's not just about the movie it's

4595

02:51:56,710 --> 02:51:52,800

like

4596

02:51:57,990 --> 02:51:56,720

in the super awesome category it's gotta

4597

02:52:00,550 --> 02:51:58,000

make you think

4598

02:52:02,389 --> 02:52:00,560

for years to come hell yeah i'm still

4599

02:52:04,150 --> 02:52:02,399

trying to figure out inception i go back

4600

02:52:09,429 --> 02:52:04,160

and forth every year i think

4601  
02:52:12,550 --> 02:52:11,269  
yeah i think i think he's up there for

4602  
02:52:15,830 --> 02:52:12,560  
sure e.t

4603  
02:52:18,070 --> 02:52:15,840  
almost like drops a below horse girl

4604  
02:52:19,030 --> 02:52:18,080  
in that in that aspect it almost does

4605  
02:52:20,710 --> 02:52:19,040  
dude

4606  
02:52:23,190 --> 02:52:20,720  
are are you okay with this i'm okay with

4607  
02:52:26,309 --> 02:52:23,200  
that so okay so we go

4608  
02:52:28,710 --> 02:52:26,319  
conades which i strongly believe that

4609  
02:52:33,190 --> 02:52:28,720  
that's the best one

4610  
02:52:36,469 --> 02:52:33,200  
yeah a star wars star wars

4611  
02:52:37,750 --> 02:52:36,479  
el chry vale dude all right i feel good

4612  
02:52:39,670 --> 02:52:37,760  
all right we got two more

4613  
02:52:42,070 --> 02:52:39,680

we got two more let's get through it yep

4614

02:52:46,790 --> 02:52:42,080

all right war of the worlds with tom

4615

02:52:50,309 --> 02:52:48,150

we don't even really want to talk about

4616

02:52:52,070 --> 02:52:50,319

it he's the [h\_\_h] it's the he

4617

02:52:54,389 --> 02:52:52,080

sorry it's the i was just seeing his

4618

02:52:55,190 --> 02:52:54,399

face and like look i like tom cruise as

4619

02:52:57,990 --> 02:52:55,200

an actor

4620

02:53:00,230 --> 02:52:58,000

but he overdoes it the this the

4621

02:53:03,429 --> 02:53:00,240

storytelling of this movie

4622

02:53:07,990 --> 02:53:03,439

is literally like the story's great

4623

02:53:11,030 --> 02:53:10,469

they really thought that it's almost

4624

02:53:14,389 --> 02:53:11,040

like

4625

02:53:16,630 --> 02:53:14,399

these people are gonna love

4626  
02:53:18,230 --> 02:53:16,640  
it yeah it was like this expectation

4627  
02:53:21,110 --> 02:53:18,240  
that we were gonna [h\_\_h] eat it up

4628  
02:53:21,830 --> 02:53:21,120  
yeah it felt really cringy man yeah

4629  
02:53:24,950 --> 02:53:21,840  
definitely

4630  
02:53:26,710 --> 02:53:24,960  
dumb probably it's the dumbest one yeah

4631  
02:53:28,630 --> 02:53:26,720  
my favorite martian is definitely better

4632  
02:53:32,790 --> 02:53:28,640  
than what war in the world

4633  
02:53:34,950 --> 02:53:32,800  
my mac and me and my favorite martian is

4634  
02:53:37,030 --> 02:53:34,960  
way better than war of the worlds yeah

4635  
02:53:37,349 --> 02:53:37,040  
yeah way more entertaining those movies

4636  
02:53:39,590 --> 02:53:37,359  
are

4637  
02:53:40,790 --> 02:53:39,600  
way more entertaining yep simple as that

4638  
02:53:42,309 --> 02:53:40,800

yeah so we're not going to waste a lot

4639

02:53:44,790 --> 02:53:42,319  
of time on world of worlds yep

4640

02:53:46,469 --> 02:53:44,800  
thank you one of my favorite uh

4641

02:53:49,670 --> 02:53:46,479  
childhood movies

4642

02:53:53,030 --> 02:53:49,680  
dude explorers i love it

4643

02:53:54,150 --> 02:53:53,040  
i love explorers the explorers is it the

4644

02:54:01,190 --> 02:53:54,160  
explorers

4645

02:54:04,469 --> 02:54:01,200  
explorer the ford explorer

4646

02:54:11,670 --> 02:54:04,479  
explorer explorers esprit

4647

02:54:16,630 --> 02:54:15,030  
talk about nostalgia like before

4648

02:54:19,429 --> 02:54:16,640  
stranger thing okay

4649

02:54:19,990 --> 02:54:19,439  
like what are the most nostalgic movies

4650

02:54:23,670 --> 02:54:20,000  
for you

4651  
02:54:26,790 --> 02:54:23,680  
like one of them is um the bomba

4652  
02:54:29,750 --> 02:54:26,800  
la bamba i love la bamba uh one of those

4653  
02:54:31,510 --> 02:54:29,760  
like top five is uh what's the movie

4654  
02:54:32,710 --> 02:54:31,520  
[h\_\_h] man it's like it's like a famous

4655  
02:54:35,750 --> 02:54:32,720  
song

4656  
02:54:37,590 --> 02:54:35,760  
uh name and they like it's like a couple

4657  
02:54:39,110 --> 02:54:37,600  
of kids and like

4658  
02:54:40,950 --> 02:54:39,120  
there's like a tree house and they grow

4659  
02:54:42,950 --> 02:54:40,960  
up and they're like older

4660  
02:54:44,630 --> 02:54:42,960  
oh like stay with you or something like

4661  
02:54:47,830 --> 02:54:44,640  
that stand by me stand by me

4662  
02:54:49,110 --> 02:54:47,840  
yeah it's like that stand by me plus

4663  
02:54:52,389 --> 02:54:49,120

aliens and plus

4664

02:54:53,030 --> 02:54:52,399

just like it's so [h\_\_\h] real remember

4665

02:54:54,870 --> 02:54:53,040

the kid

4666

02:54:56,469 --> 02:54:54,880

like his dad's like abusive and [h\_\_\h]

4667

02:54:58,870 --> 02:54:56,479

like why did they need to add that

4668

02:55:00,630 --> 02:54:58,880

yeah like he just made it so real like i

4669

02:55:02,790 --> 02:55:00,640

knew kids like that growing up yep

4670

02:55:04,710 --> 02:55:02,800

like i knew [h\_\_\h] kids i'd show up at

4671

02:55:07,190 --> 02:55:04,720

their house and their dad be like

4672

02:55:08,469 --> 02:55:07,200

drunk and like yelling and [h\_\_\h] yelling

4673

02:55:12,309 --> 02:55:08,479

[h\_\_\h] um

4674

02:55:14,150 --> 02:55:12,319

like whoa you want to play at my house

4675

02:55:17,429 --> 02:55:14,160

i could play legos at my house for like

4676  
02:55:19,750 --> 02:55:17,439  
four weeks like yeah

4677  
02:55:20,950 --> 02:55:19,760  
like i got plenty of underwear my

4678  
02:55:22,870 --> 02:55:20,960  
parents are cool

4679  
02:55:24,389 --> 02:55:22,880  
we could drink chocolate milk and the

4680  
02:55:27,349 --> 02:55:24,399  
idea that these kids

4681  
02:55:28,710 --> 02:55:27,359  
come across these aliens that are also

4682  
02:55:32,150 --> 02:55:28,720  
kids

4683  
02:55:35,269 --> 02:55:32,160  
yes it's a cool super cool idea

4684  
02:55:36,950 --> 02:55:35,279  
the fact that he receives the message in

4685  
02:55:40,150 --> 02:55:36,960  
a dream like a download

4686  
02:55:40,710 --> 02:55:40,160  
yes is so badass and the download looks

4687  
02:55:45,110 --> 02:55:40,720  
like a

4688  
02:55:48,630 --> 02:55:45,120

his homeboy wolfgang

4689

02:55:50,230 --> 02:55:48,640

and they put it together and they figure

4690

02:55:52,790 --> 02:55:50,240

out the secret to like this

4691

02:55:54,710 --> 02:55:52,800

anti-gravity bubble and they get one of

4692

02:55:56,550 --> 02:55:54,720

those tilt-a-whirl things

4693

02:55:58,150 --> 02:55:56,560

yeah that you see at the carnival and

4694

02:55:58,710 --> 02:55:58,160

then they put a washing machine on the

4695

02:56:01,269 --> 02:55:58,720

front of it

4696

02:56:02,950 --> 02:56:01,279

and make it look like a cool bad ass dog

4697

02:56:05,269 --> 02:56:02,960

dude

4698

02:56:06,070 --> 02:56:05,279

like that's like years ago yeah like i

4699

02:56:07,670 --> 02:56:06,080

feel like

4700

02:56:09,349 --> 02:56:07,680

i went through the space as a kid where

4701  
02:56:10,230 --> 02:56:09,359  
i literally thought anything was

4702  
02:56:12,950 --> 02:56:10,240  
possible and

4703  
02:56:13,510 --> 02:56:12,960  
like my imagination was running wild oh

4704  
02:56:16,710 --> 02:56:13,520  
yeah

4705  
02:56:17,349 --> 02:56:16,720  
i was playing legos with ron our buddy

4706  
02:56:19,269 --> 02:56:17,359  
ryan

4707  
02:56:21,670 --> 02:56:19,279  
and like i literally thought like my

4708  
02:56:22,309 --> 02:56:21,680  
imagination literally constituted my

4709  
02:56:23,750 --> 02:56:22,319  
reality

4710  
02:56:25,510 --> 02:56:23,760  
yeah and there was a certain point in

4711  
02:56:25,990 --> 02:56:25,520  
between like me and ryan not becoming

4712  
02:56:30,790 --> 02:56:26,000  
friends

4713  
02:56:31,910 --> 02:56:30,800

with another kid that was younger than

4714

02:56:34,469 --> 02:56:31,920

me down the road

4715

02:56:34,950 --> 02:56:34,479

and like we just would hang out in this

4716

02:56:36,950 --> 02:56:34,960

lot

4717

02:56:38,550 --> 02:56:36,960

that my dad owned down the street a

4718

02:56:40,469 --> 02:56:38,560

bunch of bamboo and [h\_\_h]

4719

02:56:41,670 --> 02:56:40,479

and we would just like play make-believe

4720

02:56:45,429 --> 02:56:41,680

like dude like the

4721

02:56:47,349 --> 02:56:45,439

ultimate idea was let's make a spaceship

4722

02:56:50,230 --> 02:56:47,359

yeah to make a spaceship oh yeah just

4723

02:56:51,910 --> 02:56:50,240

imagine like piecing some [h\_\_h] together

4724

02:56:53,590 --> 02:56:51,920

and like adding it like just plugging in

4725

02:56:56,710 --> 02:56:53,600

a [h\_\_h] computer and like oh

4726  
02:56:58,630 --> 02:56:56,720  
now we have a ufo that was as a kid the

4727  
02:57:05,190 --> 02:56:58,640  
most

4728  
02:57:05,910 --> 02:57:05,200  
ideal thing but you weren't on planet

4729  
02:57:08,469 --> 02:57:05,920  
earth

4730  
02:57:09,429 --> 02:57:08,479  
yeah you know you created your own

4731  
02:57:12,630 --> 02:57:09,439  
reality

4732  
02:57:15,750 --> 02:57:14,150  
because kids are smarter than we are

4733  
02:57:17,750 --> 02:57:15,760  
you're getting deep they haven't been

4734  
02:57:19,670 --> 02:57:17,760  
brainwashed now you're getting deep

4735  
02:57:24,070 --> 02:57:19,680  
they haven't had to get a job and have

4736  
02:57:29,110 --> 02:57:27,030  
exploring yeah sucked out so where does

4737  
02:57:31,670 --> 02:57:29,120  
explorers go for you

4738  
02:57:33,110 --> 02:57:31,680

man in this list i'm just like so

4739

02:57:35,190 --> 02:57:33,120

connected to this movie

4740

02:57:36,950 --> 02:57:35,200

and yeah talking i felt like i shared

4741

02:57:39,510 --> 02:57:36,960

too much but

4742

02:57:40,389 --> 02:57:39,520

i mean i was more like speaking to like

4743

02:57:45,349 --> 02:57:40,399

the

4744

02:57:46,630 --> 02:57:45,359

anything's [h\_\_h] possible this is like

4745

02:57:48,790 --> 02:57:46,640

the ultimate

4746

02:57:50,150 --> 02:57:48,800

like if you had a friend that knew about

4747

02:57:52,550 --> 02:57:50,160

computers that yeah

4748

02:57:53,269 --> 02:57:52,560

it was able to make it happen anyway i

4749

02:57:54,950 --> 02:57:53,279

don't know man

4750

02:57:56,389 --> 02:57:54,960

i think it's i think it's definitely

4751  
02:57:59,830 --> 02:57:56,399  
badass for sure

4752  
02:58:02,469 --> 02:57:59,840  
definitely badass almost

4753  
02:58:03,590 --> 02:58:02,479  
awesome i would put it in between

4754  
02:58:06,630 --> 02:58:03,600  
midnight special

4755  
02:58:08,870 --> 02:58:06,640  
and the arrival so it's either gonna go

4756  
02:58:09,670 --> 02:58:08,880  
before arrival in the badass category or

4757  
02:58:11,750 --> 02:58:09,680  
it's gotta go

4758  
02:58:12,950 --> 02:58:11,760  
after midnight special in the awesome

4759  
02:58:15,670 --> 02:58:12,960  
category

4760  
02:58:16,550 --> 02:58:15,680  
wait what do you think so wait i'm

4761  
02:58:18,630 --> 02:58:16,560  
looking at oh

4762  
02:58:19,830 --> 02:58:18,640  
this arrival that arrival yeah the

4763  
02:58:23,269 --> 02:58:19,840

charlie sheen arrival

4764

02:58:23,590 --> 02:58:23,279

okay so we agreed this both it's badass

4765

02:58:27,269 --> 02:58:23,600

right

4766

02:58:29,590 --> 02:58:27,279

yeah dude

4767

02:58:30,550 --> 02:58:29,600

i say before the arrival in the badass

4768

02:58:32,950 --> 02:58:30,560

category

4769

02:58:33,990 --> 02:58:32,960

okay i don't know if it's quite awesome

4770

02:58:40,870 --> 02:58:34,000

before

4771

02:58:43,429 --> 02:58:40,880

dude yeah

4772

02:58:45,190 --> 02:58:43,439

all right well let's talk about it we're

4773

02:58:48,550 --> 02:58:45,200

talking about

4774

02:58:50,429 --> 02:58:48,560

kids going building an apparatus getting

4775

02:58:54,230 --> 02:58:50,439

messages sent to them from an

4776  
02:58:57,830 --> 02:58:56,469  
also we didn't even touch on the the

4777  
02:59:00,870 --> 02:58:57,840  
science of it like they

4778  
02:59:03,510 --> 02:59:00,880  
first created like this orb of of

4779  
02:59:04,150 --> 02:59:03,520  
of energy yeah they could create how big

4780  
02:59:07,349 --> 02:59:04,160  
it was

4781  
02:59:10,469 --> 02:59:07,359  
the

4782  
02:59:12,710 --> 02:59:10,479  
could just sit in a

4783  
02:59:14,950 --> 02:59:12,720  
like a like a high chair if they wanted

4784  
02:59:16,389 --> 02:59:14,960  
to yeah and still make it work what they

4785  
02:59:19,590 --> 02:59:16,399  
did was

4786  
02:59:22,309 --> 02:59:19,600  
create this they got this download

4787  
02:59:24,630 --> 02:59:22,319  
and to create this this ball of matter

4788  
02:59:27,269 --> 02:59:24,640

this energy this anti-gravity

4789

02:59:28,150 --> 02:59:27,279

and what they also introduced is like oh

4790

02:59:29,910 --> 02:59:28,160

they couldn't breathe

4791

02:59:31,590 --> 02:59:29,920

remember that like you couldn't breathe

4792

02:59:34,230 --> 02:59:31,600

yeah at first

4793

02:59:34,790 --> 02:59:34,240

and then they all had the air tanks yeah

4794

02:59:36,710 --> 02:59:34,800

dude

4795

02:59:38,710 --> 02:59:36,720

and then the helicopter drives by and

4796

02:59:40,469 --> 02:59:38,720

they're like oh they look like aliens

4797

02:59:42,950 --> 02:59:40,479

because they had those like masks on and

4798

02:59:43,429 --> 02:59:42,960

yeah man [\h\_\_\h] dude i think i agree with

4799

02:59:46,550 --> 02:59:43,439

you man

4800

02:59:50,550 --> 02:59:46,560

i think i think explorers is the bad

4801  
02:59:53,830 --> 02:59:50,560  
most badass it's so creative

4802  
02:59:56,950 --> 02:59:53,840  
and also it's like storyline

4803  
02:59:59,429 --> 02:59:56,960  
originality and entertainment value [h\_\_h]

4804  
03:00:01,190 --> 02:59:59,439  
badass i think you're right yeah i think

4805  
03:00:04,630 --> 03:00:01,200  
it is the most badass mm-hmm

4806  
03:00:05,910 --> 03:00:04,640  
it's not the most awesome yeah but it is

4807  
03:00:09,429 --> 03:00:05,920  
the most

4808  
03:00:11,269 --> 03:00:09,439  
right yeah dude yep

4809  
03:00:13,110 --> 03:00:11,279  
all right hell yeah [h\_\_h] yeah all right

4810  
03:00:13,750 --> 03:00:13,120  
we made it through yep we did it all we

4811  
03:00:19,429 --> 03:00:13,760  
have is the

4812  
03:00:23,269 --> 03:00:22,150  
yeah dude of course i think that's a

4813  
03:00:25,349 --> 03:00:23,279

pretty good list

4814

03:00:27,510 --> 03:00:25,359

man yeah bro i mean hey and all you guys

4815

03:00:29,030 --> 03:00:27,520

i mean i'm sure you're gonna you should

4816

03:00:30,950 --> 03:00:29,040

there's gonna be a lot of disagreements

4817

03:00:33,269 --> 03:00:30,960

here right you know but

4818

03:00:35,429 --> 03:00:33,279

definitely take a look at this list and

4819

03:00:37,269 --> 03:00:35,439

uh maybe create your own list

4820

03:00:38,790 --> 03:00:37,279

and shoot it over to us i'd love to see

4821

03:00:40,070 --> 03:00:38,800

what other people's thoughts are

4822

03:00:42,150 --> 03:00:40,080

because i'm sure if we saw other

4823

03:00:42,630 --> 03:00:42,160

people's list we'd be like that's a good

4824

03:00:44,550 --> 03:00:42,640

point

4825

03:00:46,950 --> 03:00:44,560

you know yeah like tell us why yeah tell

4826

03:00:49,670 --> 03:00:46,960

us why joe changed my opinion

4827

03:00:51,670 --> 03:00:49,680

4 000 point times in this episode and

4828

03:00:55,590 --> 03:00:51,680

that's why coneheads

4829

03:00:59,190 --> 03:00:55,600

supreme also yeah conants

4830

03:01:01,830 --> 03:00:59,200

of the most super awesome

4831

03:01:03,110 --> 03:01:01,840

alien movie the most super awesome alien

4832

03:01:05,990 --> 03:01:03,120

movie of all time

4833

03:01:10,070 --> 03:01:06,000

is coneheads absolutely closely followed

4834

03:01:14,790 --> 03:01:12,710

we all know who's the best and i know we

4835

03:01:16,070 --> 03:01:14,800

left out a million movies there's so

4836

03:01:17,990 --> 03:01:16,080

many sci-fi

4837

03:01:20,469 --> 03:01:18,000

movies these like starkids these are

4838

03:01:22,790 --> 03:01:20,479

just a few that we decided to

4839

03:01:24,309 --> 03:01:22,800

put in a list some of our favorites and

4840

03:01:27,670 --> 03:01:24,319

this is how they panned out

4841

03:01:28,790 --> 03:01:27,680

so it is what it is yeah it is what it

4842

03:01:30,870 --> 03:01:28,800

is

4843

03:01:32,469 --> 03:01:30,880

hey if you're watching on youtube leave

4844

03:01:35,349 --> 03:01:32,479

your comment down below

4845

03:01:35,750 --> 03:01:35,359

what you think is the most super badass

4846

03:01:37,429 --> 03:01:35,760

yeah

4847

03:01:39,429 --> 03:01:37,439

and then we'll revise what i mean we'll

4848

03:01:41,190 --> 03:01:39,439

revisit this based on

4849

03:01:43,269 --> 03:01:41,200

the comments that we get yeah no one

4850

03:01:43,830 --> 03:01:43,279

leaves a comment this is just you know a

4851  
03:01:46,230 --> 03:01:43,840  
one-off

4852  
03:01:47,429 --> 03:01:46,240  
episode right yeah and i mean either

4853  
03:01:49,190 --> 03:01:47,439  
you're gonna be wrong

4854  
03:01:50,950 --> 03:01:49,200  
because cohen heads is the most super

4855  
03:01:52,950 --> 03:01:50,960  
badass but

4856  
03:01:54,309 --> 03:01:52,960  
i mean i'd love to hear your uh your

4857  
03:01:56,950 --> 03:01:54,319  
your opinion for sure

4858  
03:01:57,670 --> 03:01:56,960  
and if anybody like dude i want to hear

4859  
03:02:00,950 --> 03:01:57,680  
what people's

4860  
03:02:02,870 --> 03:02:00,960  
like all right horse girl i want to hear

4861  
03:02:03,349 --> 03:02:02,880  
what people hear what people say about

4862  
03:02:04,790 --> 03:02:03,359  
horses

4863  
03:02:06,389 --> 03:02:04,800

i want to hear what people say about

4864

03:02:09,590 --> 03:02:06,399

that too yeah that's

4865

03:02:11,830 --> 03:02:09,600

an amazing movie the most mysterious

4866

03:02:14,710 --> 03:02:11,840

movie on this entire list

4867

03:02:16,309 --> 03:02:14,720

is horse girl yeah i promise you you

4868

03:02:17,110 --> 03:02:16,319

won't regret it yeah i promise you

4869

03:02:20,150 --> 03:02:17,120

you're gonna love it

4870

03:02:21,590 --> 03:02:20,160

watch it out of all these movies if you

4871

03:02:24,070 --> 03:02:21,600

haven't watched one of them

4872

03:02:25,349 --> 03:02:24,080

watch horoscopes girl watch it yeah

4873

03:02:28,150 --> 03:02:25,359

watch it now

4874

03:02:32,620 --> 03:02:28,160

it's awesome all right dude that was fun

4875

03:02:32,630 --> 03:02:36,550

[Laughter]

4876  
03:02:40,630 --> 03:02:39,670  
coneheads reigns supreme and and tom

4877  
03:02:44,150 --> 03:02:40,640  
cruise lost

4878  
03:02:46,230 --> 03:02:44,160  
and tom cruise

4879  
03:02:47,750 --> 03:02:46,240  
tommy boy yeah but not tommy boy like

4880  
03:02:49,830 --> 03:02:47,760  
chris farley because that was an awesome

4881  
03:02:51,910 --> 03:02:49,840  
movie yeah but he's in the he's in the

4882  
03:02:55,429 --> 03:02:51,920  
super awesome category with coneheads

4883  
03:02:56,389 --> 03:02:55,439  
yeah world worlds i i did not like i

4884  
03:02:59,990 --> 03:02:56,399  
hated it i just

4885  
03:03:01,269 --> 03:03:00,000  
hated it so much but conads [\h\_\_\h]

4886  
03:03:03,830 --> 03:03:01,279  
loved it

4887  
03:03:04,950 --> 03:03:03,840  
to to compare the two is like kind of

4888  
03:03:07,429 --> 03:03:04,960

ridiculous but

4889

03:03:09,030 --> 03:03:07,439

i feel like we did a good job i i think

4890

03:03:11,590 --> 03:03:09,040

it panned out perfectly like

4891

03:03:12,309 --> 03:03:11,600

b badass right the middle category has

4892

03:03:14,790 --> 03:03:12,319

the most

4893

03:03:16,710 --> 03:03:14,800

uh-huh it's a good it's a good little

4894

03:03:19,750 --> 03:03:16,720

sign curve right

4895

03:03:20,230 --> 03:03:19,760

yeah yeah yep all right cool sweet dude

4896

03:03:22,950 --> 03:03:20,240

dope

4897

03:03:28,550 --> 03:03:22,960

well hey that was fun we'll see you guys
