

1  
00:00:03,120 --> 00:00:09,750  
all right first up on the list is lost

2  
00:00:09,760 --> 00:00:14,910  
what element you can get is it's no

3  
00:00:14,920 --> 00:00:19,590  
biscuit

4  
00:00:23,990 --> 00:00:21,910  
okay game over it took forever it

5  
00:00:42,950 --> 00:00:24,000  
wouldn't leave me around

6  
00:00:47,510 --> 00:00:45,430  
uh karen mcdougall uh he wanted to be a

7  
00:00:49,990 --> 00:00:47,520  
veterinarian

8  
00:00:51,189 --> 00:00:50,000  
why is terminator considered an alien i

9  
00:00:53,110 --> 00:00:51,199  
don't know if he is

10  
00:00:55,110 --> 00:00:53,120  
technically but uh that's what happens

11  
00:00:56,229 --> 00:00:55,120  
when we master quantum mechanics and

12  
00:00:58,150 --> 00:00:56,239  
like robots

13  
00:00:59,590 --> 00:00:58,160

start learning a whole bunch of stuff

14

00:01:01,110 --> 00:00:59,600

and they come from the future

15

00:01:22,149 --> 00:01:01,120

hopefully that never happens but let's

16

00:01:22,159 --> 00:01:38,390

bro this is star wars enter the sandman

17

00:01:42,469 --> 00:01:40,550

19

00:01:45,190 --> 00:01:43,280

o'donnell

20

00:01:46,630 --> 00:01:45,200

the bee gees are in the corner dude it's

21

00:01:47,590 --> 00:01:46,640

perfect this game's got everything all

22

00:01:51,590 --> 00:01:47,600

right dude

23

00:01:55,190 --> 00:01:53,190

it's a good thing i don't have one at my

24

00:01:59,510 --> 00:01:55,200

house i don't know what is that mouth

25

00:02:13,580 --> 00:02:01,749

i forgot to press record my wrists

26

00:02:17,910 --> 00:02:15,350

[Applause]

27

00:02:18,630 --> 00:02:17,920

all right dude we got star wars episode

28

00:02:23,270 --> 00:02:18,640

one

29

00:02:34,470 --> 00:02:23,280

uh misa is uh about to play some uh

30

00:02:37,990 --> 00:02:37,030

all right dude so that was crazy once

31

00:02:40,390 --> 00:02:38,000

again

32

00:02:41,110 --> 00:02:40,400

i got multiple balls to the face but i

33

00:02:44,150 --> 00:02:41,120

handled it

34

00:02:45,990 --> 00:02:44,160

like a like a true pro would when

35

00:02:53,910 --> 00:02:46,000

they're throwing multiple balls
