

UFOs over

U.S. Soil?

1
00:00:00,100 --> 00:00:10,310

[Music]

2
00:00:13,990 --> 00:00:11,190

hey

3
00:00:15,270 --> 00:00:14,000

this is another episode of ufo garage

4
00:00:17,269 --> 00:00:15,280

i'm dan and i'm joe

5
00:00:19,429 --> 00:00:17,279

and this is where we talk about ufos

6
00:00:23,109 --> 00:00:19,439

aliens and all things weird

7
00:00:25,029 --> 00:00:23,119

all things weird dude yeah what's up man

8
00:00:26,150 --> 00:00:25,039

dude not much man it's been uh it's been

9
00:00:28,310 --> 00:00:26,160

a while dude

10
00:00:29,990 --> 00:00:28,320

yeah yeah like two weeks yeah i'd like

11
00:00:32,310 --> 00:00:30,000

to apologize to everybody because it's

12
00:00:33,750 --> 00:00:32,320

been it has been two weeks but we have

13
00:00:36,069 --> 00:00:33,760

been doing

14

00:00:37,030 --> 00:00:36,079

documentary stuff yeah we have been

15

00:00:38,869 --> 00:00:37,040

pretty tied up

16

00:00:41,270 --> 00:00:38,879

but we tried to put out a couple little

17

00:00:43,270 --> 00:00:41,280

uh just you know fun uh

18

00:00:44,869 --> 00:00:43,280

fun little videos out on youtube so if

19

00:00:45,350 --> 00:00:44,879

you haven't uh caught those go check

20

00:00:47,750 --> 00:00:45,360

them out

21

00:00:48,950 --> 00:00:47,760

uh they're pretty fun but we went to go

22

00:00:51,430 --> 00:00:48,960

play pinballz

23

00:00:52,950 --> 00:00:51,440

hell yeah one day that was sick and uh

24

00:00:54,229 --> 00:00:52,960

that's partially the reason we didn't

25

00:00:57,110 --> 00:00:54,239

get an episode

26
00:00:57,830 --> 00:00:57,120
we got we got back and we were like five

27
00:00:59,830 --> 00:00:57,840
beers d

28
00:01:01,430 --> 00:00:59,840
so there's this arcade place in town

29
00:01:02,549 --> 00:01:01,440
where it's got all these old school

30
00:01:05,429 --> 00:01:02,559
pinball machines

31
00:01:06,710 --> 00:01:05,439
and it's byob so you can see how that

32
00:01:09,750 --> 00:01:06,720
could be a little bit

33
00:01:11,030 --> 00:01:09,760
dangerous and uh yeah it totally was it

34
00:01:12,950 --> 00:01:11,040
was very dangerous

35
00:01:14,550 --> 00:01:12,960
and then we started filming the second

36
00:01:18,950 --> 00:01:14,560
half of the documentary

37
00:01:21,109 --> 00:01:18,960
last weekend and so that took up

38
00:01:22,070 --> 00:01:21,119

all of our time oh yeah all of our all

39

00:01:24,710 --> 00:01:22,080

the times

40

00:01:26,070 --> 00:01:24,720

for the weekend sometimes yeah man yeah

41

00:01:28,630 --> 00:01:26,080

dude it uh

42

00:01:30,149 --> 00:01:28,640

i i don't know like totally worth it i

43

00:01:30,710 --> 00:01:30,159

know there's a few people that reached

44

00:01:33,350 --> 00:01:30,720

out were like

45

00:01:34,469 --> 00:01:33,360

dude what happened uh did you get taken

46

00:01:35,590 --> 00:01:34,479

by the government

47

00:01:37,749 --> 00:01:35,600

because you know we've been working on

48

00:01:39,590 --> 00:01:37,759

this yeah this doc and you know i had to

49

00:01:41,429 --> 00:01:39,600

tell a couple of people like we're fine

50

00:01:42,710 --> 00:01:41,439

yeah i know we're actually just drinking

51

00:01:45,030 --> 00:01:42,720

beer and uh

52

00:01:46,149 --> 00:01:45,040

talking aliens man just hanging out it

53

00:01:49,510 --> 00:01:46,159

was a good time

54

00:01:50,230 --> 00:01:49,520

uh hey i wanted to give uh uh a shout

55

00:01:52,950 --> 00:01:50,240

out to

56

00:01:53,749 --> 00:01:52,960

terry loveless and uh say thank you very

57

00:01:56,389 --> 00:01:53,759

much man

58

00:01:58,230 --> 00:01:56,399

for putting us in uh giving us a shout

59

00:02:00,789 --> 00:01:58,240

out in your new book

60

00:02:01,350 --> 00:02:00,799

uh the word like he printed us in the

61

00:02:03,350 --> 00:02:01,360

book

62

00:02:05,429 --> 00:02:03,360

yeah it's pretty cool man and we're

63

00:02:05,830 --> 00:02:05,439

we're like our name is in there next to

64

00:02:07,830 --> 00:02:05,840

like

65

00:02:09,029 --> 00:02:07,840

giants in the field you know what i'm

66

00:02:11,830 --> 00:02:09,039

saying so that's

67

00:02:13,589 --> 00:02:11,840

that's pretty epic uh i was i was not

68

00:02:14,070 --> 00:02:13,599

expecting that at all like i bought the

69

00:02:15,750 --> 00:02:14,080

book

70

00:02:17,510 --> 00:02:15,760

and then i opened it up and i'm like oh

71

00:02:21,990 --> 00:02:17,520

i'm just reading through it and i'm like

72

00:02:25,030 --> 00:02:22,000

the guys from ufo garage that's us

73

00:02:25,750 --> 00:02:25,040

so yeah man uh check out terry loveless

74

00:02:28,309 --> 00:02:25,760

new book

75

00:02:29,430 --> 00:02:28,319

uh incident devil's dan the reckoning so

76

00:02:32,550 --> 00:02:29,440

he goes in and

77

00:02:34,150 --> 00:02:32,560

and details out a lot more of what was

78

00:02:36,150 --> 00:02:34,160

left out in the first book

79

00:02:37,990 --> 00:02:36,160

and then he's also got you know all

80

00:02:39,430 --> 00:02:38,000

these emails from thousands of people

81

00:02:41,350 --> 00:02:39,440

since he's put out the book

82

00:02:42,470 --> 00:02:41,360

and he included some of their stories in

83

00:02:44,869 --> 00:02:42,480

the book as well

84

00:02:45,589 --> 00:02:44,879

uh i just started reading it but right

85

00:02:47,910 --> 00:02:45,599

off the bat

86

00:02:48,710 --> 00:02:47,920

it's awesome yeah it's awesome dude i

87

00:02:50,070 --> 00:02:48,720

can't wait to hear

88

00:02:51,910 --> 00:02:50,080

more about it and that's how the first

89

00:02:52,790 --> 00:02:51,920

book was man as soon as you open the

90

00:02:54,790 --> 00:02:52,800

book you're like

91

00:02:56,150 --> 00:02:54,800

this is amazing i'm not going to put it

92

00:02:59,509 --> 00:02:56,160

down unfortunately

93

00:03:00,229 --> 00:02:59,519

i have to sleep so i'm going to get some

94

00:03:04,309 --> 00:03:00,239

sleep

95

00:03:05,430 --> 00:03:04,319

thank you very much man we really

96

00:03:08,390 --> 00:03:05,440

appreciate that

97

00:03:09,509 --> 00:03:08,400

that's that's it's uh that's so awesome

98

00:03:10,550 --> 00:03:09,519

yeah hell yeah dude

99

00:03:12,550 --> 00:03:10,560

i feel like we should send him some

100

00:03:13,910 --> 00:03:12,560

flowers i will send it let's send him

101
00:03:16,869 --> 00:03:13,920
some damn flowers

102
00:03:17,990 --> 00:03:16,879
terry's gonna be like these are no these

103
00:03:20,949 --> 00:03:18,000
are beautiful thank you guys

104
00:03:22,149 --> 00:03:20,959
these are gorgeous i've got how did you

105
00:03:25,750 --> 00:03:22,159
know i love

106
00:03:27,270 --> 00:03:25,760
uh uh day lilies specifically

107
00:03:31,350 --> 00:03:27,280
specifically what if we just stand up

108
00:03:35,190 --> 00:03:32,869
that's that's that's the cutest you

109
00:03:39,030 --> 00:03:35,200
ever said joe oh thank you dude

110
00:03:39,830 --> 00:03:39,040
baby oh yeah speaking of not sleeping

111
00:03:41,670 --> 00:03:39,840
man i've been on

112
00:03:43,910 --> 00:03:41,680
i've been on tick tock lately going

113
00:03:46,229 --> 00:03:43,920

through another another deep dive

114

00:03:48,229 --> 00:03:46,239

and uh i think it started like two weeks

115

00:03:49,110 --> 00:03:48,239

ago our buddy dan warren which we have

116

00:03:52,309 --> 00:03:49,120

on the show

117

00:03:53,910 --> 00:03:52,319

dan say what's up dude

118

00:03:55,750 --> 00:03:53,920

hey guys how's it going man thanks for

119

00:03:57,509 --> 00:03:55,760

having me back on it hasn't been long

120

00:03:58,149 --> 00:03:57,519

i'm kind of embarrassed to be this

121

00:04:01,350 --> 00:03:58,159

frequent

122

00:04:03,350 --> 00:04:01,360

on the show you know i'll tell you man

123

00:04:06,949 --> 00:04:03,360

like after watching your tick tock

124

00:04:07,429 --> 00:04:06,959

videos like i mean you you put out a few

125

00:04:09,350 --> 00:04:07,439

over

126

00:04:10,789 --> 00:04:09,360

i don't even know you're on on on the

127

00:04:14,070 --> 00:04:10,799

platform and you had like

128

00:04:16,870 --> 00:04:14,080

a bunch of videos and uh i it actually

129

00:04:17,590 --> 00:04:16,880

like was served to me and i was like oh

130

00:04:22,150 --> 00:04:17,600

i know

131

00:04:24,629 --> 00:04:22,160

like hey dude so i've been doing

132

00:04:25,909 --> 00:04:24,639

tick tock i gave you all a shout out and

133

00:04:28,950 --> 00:04:25,919

man like

134

00:04:30,469 --> 00:04:28,960

it's been an awesome ride watching so

135

00:04:32,230 --> 00:04:30,479

many people like subscribe to

136

00:04:34,150 --> 00:04:32,240

you know follow your tick tock what's

137

00:04:36,390 --> 00:04:34,160

that been like

138

00:04:37,670 --> 00:04:36,400

oh man like the first time that you have

139

00:04:40,310 --> 00:04:37,680

a video that

140

00:04:40,710 --> 00:04:40,320

goes whatever viral is considered for

141

00:04:42,390 --> 00:04:40,720

you

142

00:04:44,710 --> 00:04:42,400

because it's different for everybody

143

00:04:46,870 --> 00:04:44,720

yeah man you don't know what to expect

144

00:04:48,469 --> 00:04:46,880

like it's kind of overwhelming i i'll

145

00:04:49,590 --> 00:04:48,479

admit i lost sleep over it because my

146

00:04:51,189 --> 00:04:49,600

phone just kept

147

00:04:52,870 --> 00:04:51,199

beeping and beeping and beeping like

148

00:04:54,469 --> 00:04:52,880

what's going on so

149

00:04:55,909 --> 00:04:54,479

when on a new platform you don't know

150

00:04:56,790 --> 00:04:55,919

how to behave you don't know how it's

151
00:04:59,430 --> 00:04:56,800
going to treat you

152
00:05:00,710 --> 00:04:59,440
so it's it's kind of exciting and when

153
00:05:02,629 --> 00:05:00,720
stuff like that happens

154
00:05:04,070 --> 00:05:02,639
yeah that is awesome man i got to tell

155
00:05:07,510 --> 00:05:04,080
you i don't

156
00:05:10,950 --> 00:05:07,520
have tick-tock but i think i

157
00:05:13,590 --> 00:05:10,960
might get it now oh

158
00:05:14,550 --> 00:05:13,600
you don't say i don't have tick tock but

159
00:05:16,310 --> 00:05:14,560
dan

160
00:05:18,150 --> 00:05:16,320
you should feel proud because you're the

161
00:05:21,590 --> 00:05:18,160
only reason i'm going to get tick tock

162
00:05:22,629 --> 00:05:21,600
oh wow don't set your expectations very

163
00:05:24,550 --> 00:05:22,639

high then

164

00:05:26,070 --> 00:05:24,560

if i'm the reason then you you're going

165

00:05:27,670 --> 00:05:26,080

to be impressed by what other people do

166

00:05:28,870 --> 00:05:27,680

on there too hey as long as you have the

167

00:05:32,469 --> 00:05:28,880

occasional nudes

168

00:05:34,230 --> 00:05:32,479

i'll be fine i can try to push them

169

00:05:38,390 --> 00:05:34,240

together but it doesn't work man

170

00:05:41,590 --> 00:05:38,400

daddy likes daddy likes yeah yes

171

00:05:43,189 --> 00:05:41,600

i mean honestly you're so humble but

172

00:05:45,830 --> 00:05:43,199

compared to like a lot of

173

00:05:46,870 --> 00:05:45,840

other uh people that i follow on tick

174

00:05:49,990 --> 00:05:46,880

tock

175

00:05:51,430 --> 00:05:50,000

it's it's very much like uh it's harder

176

00:05:55,270 --> 00:05:51,440

to follow i think the way that

177

00:05:58,070 --> 00:05:55,280

you're able to condense stuff into

178

00:05:59,189 --> 00:05:58,080

understandable layman terms and speak at

179

00:06:00,150 --> 00:05:59,199

a pace where it's not like

180

00:06:01,749 --> 00:06:00,160

hey i'm trying to get as much

181

00:06:02,790 --> 00:06:01,759

information as possible within 30

182

00:06:04,950 --> 00:06:02,800

seconds and listen to me

183

00:06:06,150 --> 00:06:04,960

like i think the pacing is right i think

184

00:06:08,629 --> 00:06:06,160

there's a reason why

185

00:06:09,990 --> 00:06:08,639

what are you you're like 14 000

186

00:06:13,430 --> 00:06:10,000

followers now

187

00:06:15,749 --> 00:06:13,440

uh oh i posted a short video about lou

188

00:06:20,550 --> 00:06:15,759

elizabeth today and i probably got like

189

00:06:23,830 --> 00:06:23,189

dude that is amazing that's what's up

190

00:06:26,309 --> 00:06:23,840

yeah

191

00:06:28,309 --> 00:06:26,319

that's what's up like just the fact that

192

00:06:30,390 --> 00:06:28,319

okay you have 16

193

00:06:32,150 --> 00:06:30,400

000 let's take all of your followers and

194

00:06:34,070 --> 00:06:32,160

say that each person watched a whole

195

00:06:37,189 --> 00:06:34,080

your whole video once

196

00:06:37,830 --> 00:06:37,199

that is so many people dude there's a

197

00:06:40,550 --> 00:06:37,840

lot

198

00:06:41,430 --> 00:06:40,560

so many people and they took the time to

199

00:06:45,350 --> 00:06:41,440

follow you

200

00:06:48,309 --> 00:06:45,360

and like your your pho so your videos so

201
00:06:49,830 --> 00:06:48,319
it's huge engagement they're not just

202
00:06:51,029 --> 00:06:49,840
you know passively watching this

203
00:06:54,629 --> 00:06:51,039
information

204
00:06:56,230 --> 00:06:54,639
important is that is that something have

205
00:06:56,950 --> 00:06:56,240
you been looking at this information

206
00:07:00,469 --> 00:06:56,960
through

207
00:07:03,350 --> 00:07:00,479
lens as you're kind of getting

208
00:07:05,270 --> 00:07:03,360
a more noticeability on the on the

209
00:07:10,390 --> 00:07:05,280
platform

210
00:07:12,309 --> 00:07:10,400
so i i sent a tweet out to lou elizondo

211
00:07:14,070 --> 00:07:12,319
many months ago and he actually

212
00:07:17,029 --> 00:07:14,080
responded to it directly so

213
00:07:18,629 --> 00:07:17,039

that that is what i consider the origin

214

00:07:20,790 --> 00:07:18,639

of my tick tock channel

215

00:07:22,870 --> 00:07:20,800

um i asked him the question is like hey

216

00:07:25,909 --> 00:07:22,880

man how do you talk to your kids

217

00:07:26,790 --> 00:07:25,919

about this topic because i don't want to

218

00:07:29,189 --> 00:07:26,800

overwhelm them

219

00:07:30,710 --> 00:07:29,199

i don't want to to go too deep into it

220

00:07:32,469 --> 00:07:30,720

and scare them how do you do it

221

00:07:34,469 --> 00:07:32,479

and he responded and said i'd just tell

222

00:07:36,230 --> 00:07:34,479

them the truth and let them kind of make

223

00:07:37,830 --> 00:07:36,240

their decision for themselves

224

00:07:39,909 --> 00:07:37,840

and that just got me thinking like how

225

00:07:43,110 --> 00:07:39,919

do i talk to my kids well it's

226

00:07:46,469 --> 00:07:43,120

in small doses it's not in

227

00:07:49,110 --> 00:07:46,479

a podcast where we go long form and

228

00:07:49,830 --> 00:07:49,120

go deep into each of these into the

229

00:07:52,070 --> 00:07:49,840

minutia

230

00:07:54,390 --> 00:07:52,080

and the nuances of the topic because

231

00:07:56,869 --> 00:07:54,400

there is a steep learning curve

232

00:07:58,550 --> 00:07:56,879

and so that's when i started thinking

233

00:08:01,270 --> 00:07:58,560

well if i'm going to

234

00:08:03,189 --> 00:08:01,280

talk to someone else that isn't familiar

235

00:08:04,070 --> 00:08:03,199

with the subject it's got to be easy to

236

00:08:06,950 --> 00:08:04,080

consume

237

00:08:09,350 --> 00:08:06,960

and then i start i saw a guy on twitter

238

00:08:11,189 --> 00:08:09,360

say hey i've posted videos on tick tock

239

00:08:12,629 --> 00:08:11,199

and i'm getting lots of views you guys

240

00:08:13,510 --> 00:08:12,639

should look at doing it and so then i

241

00:08:16,230 --> 00:08:13,520

just started

242

00:08:17,189 --> 00:08:16,240

dabbling and it kind of has grown

243

00:08:20,710 --> 00:08:17,199

organically

244

00:08:23,589 --> 00:08:20,720

from there but but the big thing is

245

00:08:25,430 --> 00:08:23,599

i'm enjoying making the content because

246

00:08:28,869 --> 00:08:25,440

it's making me

247

00:08:29,830 --> 00:08:28,879

actually do reading first off and then

248

00:08:32,949 --> 00:08:29,840

i'll call it

249

00:08:35,029 --> 00:08:32,959

research second um i i remember

250

00:08:36,709 --> 00:08:35,039

scrolling through my twitter feed

251
00:08:39,029 --> 00:08:36,719
and just seeing all these articles these

252
00:08:40,149 --> 00:08:39,039
dudes were writing and going oh that's a

253
00:08:44,149 --> 00:08:40,159
nice picture that they

254
00:08:46,310 --> 00:08:44,159
put along with their headline next and

255
00:08:47,350 --> 00:08:46,320
and so i'm into the subject and i'm not

256
00:08:50,230 --> 00:08:47,360
even willing to click

257
00:08:51,670 --> 00:08:50,240
and read so that was kind of what i was

258
00:08:53,110 --> 00:08:51,680
thinking i do

259
00:08:54,870 --> 00:08:53,120
these articles these dudes are putting

260
00:08:55,590 --> 00:08:54,880
so much effort and work into i'll just

261
00:08:57,750 --> 00:08:55,600
try to

262
00:08:58,710 --> 00:08:57,760
hit the high points in a quick little

263
00:09:01,110 --> 00:08:58,720

one-minute

264

00:09:02,070 --> 00:09:01,120

blurb and encourage people to go read

265

00:09:05,590 --> 00:09:02,080

the full thing

266

00:09:07,670 --> 00:09:05,600

so that's where

267

00:09:09,110 --> 00:09:07,680

the channel started to head is i'm

268

00:09:11,030 --> 00:09:09,120

reviewing articles but

269

00:09:12,310 --> 00:09:11,040

as you know from the last few weeks

270

00:09:16,070 --> 00:09:12,320

things have gone

271

00:09:19,269 --> 00:09:16,080

kind of wild in the ufo community

272

00:09:21,509 --> 00:09:19,279

so it's it's gone from me being a i call

273

00:09:23,030 --> 00:09:21,519

them rapid fire reviews of articles to

274

00:09:25,030 --> 00:09:23,040

me now being like

275

00:09:27,110 --> 00:09:25,040

dude did you hear what he said i've been

276

00:09:30,389 --> 00:09:27,120

kind of going over but

277

00:09:32,470 --> 00:09:30,399

yeah in the news lately

278

00:09:33,829 --> 00:09:32,480

yeah yeah there's got to be like a good

279

00:09:35,509 --> 00:09:33,839

mix to it i mean

280

00:09:37,430 --> 00:09:35,519

i guess i can speak to a little bit more

281

00:09:38,949 --> 00:09:37,440

than joe on tick tock because there's

282

00:09:40,949 --> 00:09:38,959

there's kind of a

283

00:09:42,310 --> 00:09:40,959

a a culture on tick tock to just you

284

00:09:43,750 --> 00:09:42,320

know you want to get as much views as

285

00:09:45,110 --> 00:09:43,760

possible and there's different tactics

286

00:09:46,630 --> 00:09:45,120

where like you know you point to one

287

00:09:49,590 --> 00:09:46,640

thing and it's like

288

00:09:51,190 --> 00:09:49,600

you leave it as a question and then that

289

00:09:52,230 --> 00:09:51,200

makes the person want to follow your

290

00:09:54,870 --> 00:09:52,240

next video

291

00:09:56,310 --> 00:09:54,880

and things like that so so yeah like

292

00:09:58,310 --> 00:09:56,320

pointing out the main topics that's

293

00:10:01,269 --> 00:09:58,320

almost like the new headline

294

00:10:02,389 --> 00:10:01,279

for news or radio or whatever like pick

295

00:10:04,310 --> 00:10:02,399

a clickable

296

00:10:05,829 --> 00:10:04,320

you know click baity kind of headline

297

00:10:07,829 --> 00:10:05,839

but i feel like there's more passion

298

00:10:10,550 --> 00:10:07,839

into it with this medium

299

00:10:11,509 --> 00:10:10,560

um is is that something that that you

300

00:10:14,310 --> 00:10:11,519

align with i mean i

301

00:10:16,069 --> 00:10:14,320

i i like it a lot more it feels less

302

00:10:16,949 --> 00:10:16,079

grimy than reading some kind of headline

303

00:10:20,069 --> 00:10:16,959

that's

304

00:10:23,030 --> 00:10:20,079

misleading you know yeah there there's

305

00:10:24,710 --> 00:10:23,040

and everybody that i talk to about

306

00:10:26,069 --> 00:10:24,720

making content on tick doctor like

307

00:10:27,430 --> 00:10:26,079

it doesn't really matter what you're

308

00:10:29,829 --> 00:10:27,440

talking about the people that are

309

00:10:31,990 --> 00:10:29,839

watching it are watching it for you

310

00:10:33,269 --> 00:10:32,000

they they're watching it because they

311

00:10:34,870 --> 00:10:33,279

like your take on it

312

00:10:36,550 --> 00:10:34,880

or they like your perspective your

313

00:10:39,430 --> 00:10:36,560

outlook on life and how you look

314

00:10:40,790 --> 00:10:39,440

that thing so that's where i kind of

315

00:10:42,069 --> 00:10:40,800

started saying well i guess i need to

316

00:10:43,990 --> 00:10:42,079

just start

317

00:10:45,750 --> 00:10:44,000

somewhat voicing my opinion but stay

318

00:10:47,269 --> 00:10:45,760

accurate to the information that i'm

319

00:10:48,949 --> 00:10:47,279

presenting that's the most important

320

00:10:49,990 --> 00:10:48,959

part for me is i'm not trying to come up

321

00:10:52,630 --> 00:10:50,000

with anything

322

00:10:53,269 --> 00:10:52,640

i'm trying to say here's let me tie this

323

00:10:55,910 --> 00:10:53,279

together

324

00:10:56,550 --> 00:10:55,920

let me put this new news in contact

325

00:10:59,430 --> 00:10:56,560

because

326

00:11:01,110 --> 00:10:59,440

like i said we can have a conversation

327

00:11:03,030 --> 00:11:01,120

an in-depth conversation about

328

00:11:04,630 --> 00:11:03,040

anything in this topic because we have

329

00:11:06,550 --> 00:11:04,640

this background like oh everybody knows

330

00:11:10,069 --> 00:11:06,560

what 1947 is in this room

331

00:11:13,190 --> 00:11:10,079

yeah no one knows so

332

00:11:13,990 --> 00:11:13,200

i feel like i'm able to uh my favorite

333

00:11:15,590 --> 00:11:14,000

meme has now

334

00:11:17,430 --> 00:11:15,600

become the it's always sunny in

335

00:11:19,750 --> 00:11:17,440

philadelphia uh where he's

336

00:11:21,350 --> 00:11:19,760

at the board trying to put him together

337

00:11:22,949 --> 00:11:21,360

like i've used that in several of my

338

00:11:24,150 --> 00:11:22,959

videos because that's what i feel like i

339

00:11:27,430 --> 00:11:24,160

do most of the time

340

00:11:30,710 --> 00:11:27,440

is hey this is what's happening today

341

00:11:32,949 --> 00:11:30,720

but here's how it ties back to the

342

00:11:33,829 --> 00:11:32,959

legislation that was put in place back

343

00:11:35,829 --> 00:11:33,839

last year

344

00:11:38,069 --> 00:11:35,839

and by the way here's who was on that

345

00:11:38,870 --> 00:11:38,079

committee and all these things are tied

346

00:11:43,030 --> 00:11:38,880

together in it

347

00:11:46,150 --> 00:11:43,040

i try to make it a more um

348

00:11:46,550 --> 00:11:46,160

all-encompassing blurb about an article

349

00:11:50,310 --> 00:11:46,560

or

350

00:11:51,509 --> 00:11:50,320

that than just hey here's what lou

351
00:11:53,509 --> 00:11:51,519
elizondo said today

352
00:11:54,949 --> 00:11:53,519
like here's here's what he said and

353
00:11:57,590 --> 00:11:54,959
here's why it's important

354
00:11:58,069 --> 00:11:57,600
yes right joe and i were just talking

355
00:12:00,470 --> 00:11:58,079
about

356
00:12:01,670 --> 00:12:00,480
that kind of concept of the people that

357
00:12:04,949 --> 00:12:01,680
you talk to

358
00:12:06,389 --> 00:12:04,959
especially you know experiencers they

359
00:12:08,389 --> 00:12:06,399
what were you saying like they'll say

360
00:12:09,670 --> 00:12:08,399
something that they're still trying to

361
00:12:11,030 --> 00:12:09,680
put together and it sounds normal to

362
00:12:12,870 --> 00:12:11,040
them but as a

363
00:12:14,230 --> 00:12:12,880

as somebody hearing someone's story and

364

00:12:16,949 --> 00:12:14,240

getting this information

365

00:12:18,470 --> 00:12:16,959

we want to hear that that overall big

366

00:12:21,509 --> 00:12:18,480

picture

367

00:12:22,790 --> 00:12:21,519

yeah how how they're really giving you

368

00:12:25,430 --> 00:12:22,800

the big picture

369

00:12:26,150 --> 00:12:25,440

and long-form story because it is their

370

00:12:28,310 --> 00:12:26,160

story

371

00:12:29,269 --> 00:12:28,320

but at the same time like as a listener

372

00:12:31,350 --> 00:12:29,279

as a viewer

373

00:12:33,110 --> 00:12:31,360

as somebody who hasn't had an experience

374

00:12:36,150 --> 00:12:33,120

or seen any of these things

375

00:12:38,389 --> 00:12:36,160

we want the uh you know yeah

376

00:12:39,910 --> 00:12:38,399

i talked to this guy in the government

377

00:12:41,910 --> 00:12:39,920

who talked to the president

378

00:12:42,949 --> 00:12:41,920

who has a friend in the cia that

379

00:12:44,470 --> 00:12:42,959

confirmed that this

380

00:12:46,310 --> 00:12:44,480

is true right and that's something that

381

00:12:47,829 --> 00:12:46,320

we'll never get so

382

00:12:49,430 --> 00:12:47,839

it's really helpful to actually when

383

00:12:49,990 --> 00:12:49,440

these people are telling their stories

384

00:12:53,190 --> 00:12:50,000

or

385

00:12:54,870 --> 00:12:53,200

you to like

386

00:12:57,509 --> 00:12:54,880

really pay attention because they're

387

00:13:00,069 --> 00:12:57,519

sprinkling like

388

00:13:00,949 --> 00:13:00,079

massive bits of information that is just

389

00:13:04,389 --> 00:13:00,959

you know

390

00:13:06,069 --> 00:13:04,399

so incredibly like huge that you kind of

391

00:13:08,790 --> 00:13:06,079

overlook because you're just so

392

00:13:09,750 --> 00:13:08,800

like taken over by the story itself you

393

00:13:11,829 --> 00:13:09,760

know

394

00:13:13,190 --> 00:13:11,839

through shooting this documentary we've

395

00:13:15,030 --> 00:13:13,200

kind of uh

396

00:13:17,030 --> 00:13:15,040

kind of hit that thing too where it's

397

00:13:20,389 --> 00:13:17,040

like okay it's a story

398

00:13:21,670 --> 00:13:20,399

but like holy crap when i go back and i

399

00:13:24,870 --> 00:13:21,680

listen to this story

400

00:13:28,470 --> 00:13:24,880

the nuggets of gold in the story are

401
00:13:29,670 --> 00:13:28,480
just fascinating like if you know the

402
00:13:31,750 --> 00:13:29,680
background of it

403
00:13:33,350 --> 00:13:31,760
right right so it takes someone like at

404
00:13:33,670 --> 00:13:33,360
this one i think what you're doing dan

405
00:13:36,069 --> 00:13:33,680
is

406
00:13:37,670 --> 00:13:36,079
so important because you're able to you

407
00:13:40,629 --> 00:13:37,680
have that that background

408
00:13:41,670 --> 00:13:40,639
and you know why it's important and

409
00:13:44,069 --> 00:13:41,680
you're condensing it

410
00:13:45,910 --> 00:13:44,079
in a way where people that aren't into

411
00:13:48,949 --> 00:13:45,920
this subject can understand

412
00:13:52,389 --> 00:13:48,959
so fast in an entertaining way yeah

413
00:13:53,910 --> 00:13:52,399

yeah but i've never been in radio i've

414

00:13:55,910 --> 00:13:53,920

never been on tv

415

00:13:57,910 --> 00:13:55,920

but man i've made some kick-ass

416

00:13:59,350 --> 00:13:57,920

powerpoint presentations in my life and

417

00:14:00,470 --> 00:13:59,360

that's pretty much what i'm doing on

418

00:14:02,389 --> 00:14:00,480

tick tock now

419

00:14:03,590 --> 00:14:02,399

it's basically doing a powerpoint

420

00:14:06,310 --> 00:14:03,600

presentation

421

00:14:06,790 --> 00:14:06,320

so it's the natural format for me to

422

00:14:10,069 --> 00:14:06,800

talk

423

00:14:12,230 --> 00:14:10,079

right in yeah dude well so speaking of

424

00:14:13,910 --> 00:14:12,240

news man this is like the reason why i

425

00:14:15,430 --> 00:14:13,920

wanted to have you on because i mean

426

00:14:17,030 --> 00:14:15,440

i've been following your stuff you and i

427

00:14:18,310 --> 00:14:17,040

chat all the time on facebook

428

00:14:20,550 --> 00:14:18,320

and it seems like every day there's

429

00:14:23,990 --> 00:14:20,560

something popping up that i've missed

430

00:14:25,509 --> 00:14:24,000

and i man i don't know i would love to

431

00:14:27,590 --> 00:14:25,519

make this a regular thing but

432

00:14:28,629 --> 00:14:27,600

i mean as far as this past like two

433

00:14:31,110 --> 00:14:28,639

weeks

434

00:14:32,949 --> 00:14:31,120

could you kind of i mean give us the dan

435

00:14:33,670 --> 00:14:32,959

warren breakdown like what are the top

436

00:14:35,350 --> 00:14:33,680

things

437

00:14:36,710 --> 00:14:35,360

we don't have to limit it but i feel

438

00:14:38,069 --> 00:14:36,720

like there's a lot going on

439

00:14:39,910 --> 00:14:38,079

me and joe have been a little busy this

440

00:14:43,269 --> 00:14:39,920

past couple weeks but

441

00:14:45,590 --> 00:14:43,279

you are you you've been uh watching the

442

00:14:46,710 --> 00:14:45,600

news closely and there's been a crap ton

443

00:14:48,870 --> 00:14:46,720

of stuff happening

444

00:14:49,829 --> 00:14:48,880

with high-level people including

445

00:14:51,750 --> 00:14:49,839

senators

446

00:14:53,430 --> 00:14:51,760

uh people of other people of government

447

00:14:56,389 --> 00:14:53,440

uh news anchors

448

00:14:57,509 --> 00:14:56,399

i mean yeah what maybe fill us in what's

449

00:14:59,030 --> 00:14:57,519

been happening in the last couple weeks

450

00:15:02,949 --> 00:14:59,040

with like

451

00:15:06,710 --> 00:15:04,949

well i i don't feel like i can just say

452

00:15:08,470 --> 00:15:06,720

the last two weeks without going back a

453

00:15:08,870 --> 00:15:08,480

little bit further so if you'll indulge

454

00:15:11,750 --> 00:15:08,880

me

455

00:15:13,590 --> 00:15:11,760

um i'll i'll take it back to december

456

00:15:15,750 --> 00:15:13,600

yes um yeah

457

00:15:16,629 --> 00:15:15,760

december of last year was a game changer

458

00:15:18,870 --> 00:15:16,639

in my opinion

459

00:15:20,310 --> 00:15:18,880

because that's when luella zondo chris

460

00:15:23,670 --> 00:15:20,320

mellon and steve justice

461

00:15:25,030 --> 00:15:23,680

left to the stars academy ever since

462

00:15:27,990 --> 00:15:25,040

then

463

00:15:29,990 --> 00:15:28,000

there has been a shift in momentum as

464

00:15:30,629 --> 00:15:30,000

far as what lou has been putting out

465

00:15:32,949 --> 00:15:30,639

there

466

00:15:35,749 --> 00:15:32,959

at the beginning of this year he went on

467

00:15:37,269 --> 00:15:35,759

podcast after podcast he was

468

00:15:39,189 --> 00:15:37,279

all over the place i'd say he did a

469

00:15:41,670 --> 00:15:39,199

dozen and

470

00:15:42,230 --> 00:15:41,680

that was something that wasn't done

471

00:15:44,470 --> 00:15:42,240

before

472

00:15:45,350 --> 00:15:44,480

with two stars academy turns out it was

473

00:15:48,230 --> 00:15:45,360

because

474

00:15:49,910 --> 00:15:48,240

they were kind of running uh like a

475

00:15:51,670 --> 00:15:49,920

bouncer at a club type of thing like who

476

00:15:53,590 --> 00:15:51,680

are you you want to talk to lube

477

00:15:55,749 --> 00:15:53,600

no no not unless this is that and the

478

00:15:59,910 --> 00:15:55,759

other give me your questions first and

479

00:16:02,069 --> 00:15:59,920

now he's just going on and talking well

480

00:16:03,749 --> 00:16:02,079

that's happened uh chris has left as

481

00:16:06,069 --> 00:16:03,759

well and

482

00:16:09,269 --> 00:16:06,079

what we're seeing in the last two weeks

483

00:16:12,550 --> 00:16:09,279

has started to become a focus on

484

00:16:14,710 --> 00:16:12,560

the efforts finally paying off that lou

485

00:16:16,629 --> 00:16:14,720

and chris have been putting out there

486

00:16:18,629 --> 00:16:16,639

everybody is now starting to talk about

487

00:16:21,350 --> 00:16:18,639

this 180-day

488

00:16:24,150 --> 00:16:21,360

uap task force report that's going to be

489

00:16:26,629 --> 00:16:24,160

due in june sometime

490

00:16:27,430 --> 00:16:26,639

and that has started to circulate in

491

00:16:31,829 --> 00:16:27,440

major

492

00:16:34,870 --> 00:16:31,839

media outlets well john ratcliffe

493

00:16:37,509 --> 00:16:34,880

who was the former dni which i'm

494

00:16:39,829 --> 00:16:37,519

gonna blank on what dni stands for i

495

00:16:43,110 --> 00:16:39,839

can't remember all the acronyms

496

00:16:45,189 --> 00:16:43,120

he went on maria bartoromo's fox news

497

00:16:46,470 --> 00:16:45,199

channel and she was just talking to him

498

00:16:48,230 --> 00:16:46,480

about his time in

499

00:16:50,870 --> 00:16:48,240

the white house and then she said i

500

00:16:53,430 --> 00:16:50,880

gotta ask you you had more access

501
00:16:55,350 --> 00:16:53,440
than anybody but the president basically

502
00:16:57,430 --> 00:16:55,360
did you ever look into the ufo thing

503
00:16:58,470 --> 00:16:57,440
he just started going he just went bam

504
00:17:01,269 --> 00:16:58,480
bam bam

505
00:17:01,990 --> 00:17:01,279
started laying out everything that he

506
00:17:05,110 --> 00:17:02,000
could

507
00:17:07,270 --> 00:17:05,120
lay out that he knew and i mean you can

508
00:17:07,750 --> 00:17:07,280
see the expression on her face changed

509
00:17:09,270 --> 00:17:07,760
as she

510
00:17:10,870 --> 00:17:09,280
started talking because she she wasn't

511
00:17:12,470 --> 00:17:10,880
expecting them to go into the level of

512
00:17:15,829 --> 00:17:12,480
detail that he was going

513
00:17:19,590 --> 00:17:15,839

right yeah and then the next

514

00:17:21,909 --> 00:17:19,600

day marco rubio got

515

00:17:23,189 --> 00:17:21,919

uh i don't know if confronted got caught

516

00:17:25,350 --> 00:17:23,199

up by tmz

517

00:17:26,630 --> 00:17:25,360

at an airport somewhere or something and

518

00:17:28,390 --> 00:17:26,640

they're like hey marco

519

00:17:30,549 --> 00:17:28,400

what do you know about this uap task

520

00:17:33,830 --> 00:17:30,559

force and he started talking about it

521

00:17:37,590 --> 00:17:33,840

in a very open comfortable manner it

522

00:17:39,430 --> 00:17:37,600

seemed so candid that whole thing

523

00:17:40,950 --> 00:17:39,440

and you couldn't even hear the audio of

524

00:17:42,870 --> 00:17:40,960

the guy asking the question very right

525

00:17:44,710 --> 00:17:42,880

yeah like it felt very

526
00:17:46,150 --> 00:17:44,720
natural sorry to cut in i was just

527
00:17:48,470 --> 00:17:46,160
adding that

528
00:17:50,470 --> 00:17:48,480
no problem um and if you don't know how

529
00:17:54,710 --> 00:17:50,480
marco rubio is involved

530
00:17:56,789 --> 00:17:54,720
he is the co-chair of the senate select

531
00:17:58,230 --> 00:17:56,799
committee on intelligence and i always

532
00:17:59,270 --> 00:17:58,240
twist those words around so it might not

533
00:18:02,710 --> 00:17:59,280
be perfect

534
00:18:05,430 --> 00:18:02,720
but senate select intelligence committee

535
00:18:05,990 --> 00:18:05,440
he is the vice chair along with mark

536
00:18:08,150 --> 00:18:06,000
warner

537
00:18:10,390 --> 00:18:08,160
which you've probably seen video of mark

538
00:18:11,590 --> 00:18:10,400

warner coming out of the atif briefing

539

00:18:14,630 --> 00:18:11,600

that he received

540

00:18:17,190 --> 00:18:14,640

was like a ghostly look on his face

541

00:18:17,830 --> 00:18:17,200

yeah that's the co-chair of that

542

00:18:20,870 --> 00:18:17,840

committee

543

00:18:22,630 --> 00:18:20,880

with marco rubio so marco rubio's most

544

00:18:23,750 --> 00:18:22,640

likely i'm not going to say he has

545

00:18:26,310 --> 00:18:23,760

because i can't

546

00:18:28,230 --> 00:18:26,320

i wasn't in the room when he got it most

547

00:18:30,710 --> 00:18:28,240

likely got that briefing

548

00:18:31,430 --> 00:18:30,720

and now he knows that there's something

549

00:18:34,630 --> 00:18:31,440

going on

550

00:18:37,190 --> 00:18:34,640

and he is saying he is

551
00:18:38,789 --> 00:18:37,200
walking step with what lou's been saying

552
00:18:41,110 --> 00:18:38,799
what chris has been saying what

553
00:18:42,390 --> 00:18:41,120
everybody that is

554
00:18:45,029 --> 00:18:42,400
associated with this that we're

555
00:18:47,830 --> 00:18:45,039
following has been saying like hey

556
00:18:49,590 --> 00:18:47,840
we have things we have things flying

557
00:18:52,390 --> 00:18:49,600
over our military installations

558
00:18:53,669 --> 00:18:52,400
over our military exercises we don't

559
00:18:55,270 --> 00:18:53,679
know what they are

560
00:18:56,870 --> 00:18:55,280
all we're asking is that we start to

561
00:18:59,510 --> 00:18:56,880
look into this we need to start

562
00:19:00,390 --> 00:18:59,520
investigating we don't need to go as far

563
00:19:02,070 --> 00:19:00,400

as saying

564

00:19:04,470 --> 00:19:02,080

what they are because that's irrelevant

565

00:19:07,590 --> 00:19:04,480

we just need to start looking into this

566

00:19:08,549 --> 00:19:07,600

and and try to remove the stigma right

567

00:19:12,870 --> 00:19:08,559

so

568

00:19:16,390 --> 00:19:12,880

in removing the stigma itself is

569

00:19:19,590 --> 00:19:18,390

it's republicans and democrats that are

570

00:19:21,990 --> 00:19:19,600

chairing this committee

571

00:19:23,750 --> 00:19:22,000

are openly talking about it now that's

572

00:19:24,870 --> 00:19:23,760

the best way to address and remove the

573

00:19:27,270 --> 00:19:24,880

stigma from it

574

00:19:29,190 --> 00:19:27,280

yep who'd have thought that ufos would

575

00:19:32,310 --> 00:19:29,200

have been the thing to bring

576
00:19:35,750 --> 00:19:32,320
republicans and democrats together right

577
00:19:37,590 --> 00:19:35,760
didn't reagan call that i mean

578
00:19:39,190 --> 00:19:37,600
not specifically to bring the world

579
00:19:40,870 --> 00:19:39,200
together but like

580
00:19:42,470 --> 00:19:40,880
but like more and more nowadays it's

581
00:19:45,430 --> 00:19:42,480
like man if we could only get the

582
00:19:45,909 --> 00:19:45,440
democrats and republicans to get along

583
00:19:51,669 --> 00:19:45,919
yeah

584
00:19:52,549 --> 00:19:51,679
stressing is like we don't think it's

585
00:19:55,669 --> 00:19:52,559
just the u.s

586
00:19:57,110 --> 00:19:55,679
issue oh that was another that was

587
00:19:58,150 --> 00:19:57,120
another thing that john ratcliffe said

588
00:20:02,230 --> 00:19:58,160

that

589

00:20:03,909 --> 00:20:02,240

people picked up on is he said it's not

590

00:20:06,070 --> 00:20:03,919

it's a global we see them all over the

591

00:20:09,029 --> 00:20:06,080

globe yep and we see

592

00:20:10,950 --> 00:20:09,039

we've seen with satellite imagery right

593

00:20:12,549 --> 00:20:10,960

satellite imagery

594

00:20:14,070 --> 00:20:12,559

that's that's that hasn't been talked

595

00:20:16,070 --> 00:20:14,080

about yet yeah that's important

596

00:20:18,710 --> 00:20:16,080

yeah so we've got we've got you

597

00:20:20,950 --> 00:20:18,720

mentioned marco rubio who is a senator

598

00:20:22,230 --> 00:20:20,960

but he represents the intelligence

599

00:20:24,549 --> 00:20:22,240

committee

600

00:20:25,909 --> 00:20:24,559

yes right and he and then with the

601
00:20:29,270 --> 00:20:25,919
second person sorry

602
00:20:29,750 --> 00:20:29,280
uh cliff ratcliffe and what significance

603
00:20:32,950 --> 00:20:29,760
was he

604
00:20:35,510 --> 00:20:32,960
he was the the guy who was the former

605
00:20:37,750 --> 00:20:35,520
i the director of national intelligence

606
00:20:38,630 --> 00:20:37,760
i believe was his name and he served

607
00:20:45,270 --> 00:20:38,640
under

608
00:20:45,830 --> 00:20:45,280
administration for uh and i think from

609
00:20:48,230 --> 00:20:45,840
like

610
00:20:49,830 --> 00:20:48,240
january and almost a year or something

611
00:20:51,190 --> 00:20:49,840
like that this is like voldemort do you

612
00:20:55,990 --> 00:20:51,200
like

613
00:20:56,000 --> 00:20:59,029

harry potter

614

00:21:03,029 --> 00:21:01,350

don't say his name who gives him more

615

00:21:05,909 --> 00:21:03,039

power we're gonna have like weird scars

616

00:21:07,029 --> 00:21:05,919

on our foreheads tomorrow oh no

617

00:21:09,350 --> 00:21:07,039

i think i'm already getting this car

618

00:21:11,669 --> 00:21:09,360

right here oh no that's just a

619

00:21:16,230 --> 00:21:11,679

that's just a vein how do i know you

620

00:21:18,470 --> 00:21:16,240

aren't covering one up already

621

00:21:19,350 --> 00:21:18,480

dude my hat gives me like a purple dot

622

00:21:21,669 --> 00:21:19,360

on my forehead

623

00:21:23,669 --> 00:21:21,679

and it's terrible it's too tight bro

624

00:21:26,789 --> 00:21:23,679

well it falls off when i rollerblade so

625

00:21:33,990 --> 00:21:30,870

oh god so

626

00:21:36,149 --> 00:21:34,000

before uh before i interjected with like

627

00:21:37,990 --> 00:21:36,159

who is who you were saying something

628

00:21:39,990 --> 00:21:38,000

about uh ratcliffe

629

00:21:42,149 --> 00:21:40,000

and and something he was and something

630

00:21:45,190 --> 00:21:42,159

he was breaking to to the public

631

00:21:46,149 --> 00:21:45,200

the satellite imagery thing to me is a

632

00:21:49,029 --> 00:21:46,159

game changer

633

00:21:49,830 --> 00:21:49,039

because uh he he was stressing like it's

634

00:21:56,549 --> 00:21:49,840

not

635

00:21:58,149 --> 00:21:56,559

source we have multiple sensors that are

636

00:22:00,390 --> 00:21:58,159

picking these things up and

637

00:22:01,909 --> 00:22:00,400

including satellite imagery and i

638

00:22:04,950 --> 00:22:01,919

started looking into satellites

639

00:22:06,470 --> 00:22:04,960
and what's available to us is like

640

00:22:08,149 --> 00:22:06,480
google maps like pictures

641

00:22:10,230 --> 00:22:08,159
things that we could see but there's

642

00:22:12,870 --> 00:22:10,240
also radar satellites

643

00:22:14,310 --> 00:22:12,880
that are space-based radar i i don't

644

00:22:15,190 --> 00:22:14,320
understand it i don't pretend to

645

00:22:18,470 --> 00:22:15,200
understand it

646

00:22:21,669 --> 00:22:18,480
but if it acts anything like radar

647

00:22:23,909 --> 00:22:21,679
on earth that's tracking

648

00:22:25,990 --> 00:22:23,919
that that's different than just taking a

649

00:22:29,510 --> 00:22:26,000
snapshot of something

650

00:22:32,070 --> 00:22:29,520
that is the most useful

651
00:22:33,909 --> 00:22:32,080
form of data collection that we'll never

652
00:22:36,870 --> 00:22:33,919
see i mean they're not going to show us

653
00:22:39,110 --> 00:22:36,880
like the super secret radar collection

654
00:22:40,950 --> 00:22:39,120
systems they have

655
00:22:42,149 --> 00:22:40,960
well think about the information you can

656
00:22:44,390 --> 00:22:42,159
do with

657
00:22:45,590 --> 00:22:44,400
figuring out where they come from and

658
00:22:49,430 --> 00:22:45,600
where they go to

659
00:22:52,230 --> 00:22:49,440
and any repetition that or any patterns

660
00:22:53,190 --> 00:22:52,240
every wednesday at five o'clock and it

661
00:22:56,950 --> 00:22:53,200
makes you wonder too

662
00:22:58,470 --> 00:22:56,960
like well like when they talk about it

663
00:23:00,070 --> 00:22:58,480

everything that they talk about they

664

00:23:02,070 --> 00:23:00,080

make it seem very like recent

665

00:23:03,830 --> 00:23:02,080

but that makes you wonder how long have

666

00:23:07,190 --> 00:23:03,840

you been tracking these things with

667

00:23:08,630 --> 00:23:07,200

satellites you know yeah how long have

668

00:23:11,909 --> 00:23:08,640

you been doing this

669

00:23:13,510 --> 00:23:11,919

and yeah you know that's

670

00:23:15,830 --> 00:23:13,520

i think that's one of the biggest things

671

00:23:17,510 --> 00:23:15,840

is like what i would love like i'm

672

00:23:19,590 --> 00:23:17,520

so glad that a lot of this information

673

00:23:21,750 --> 00:23:19,600

is is coming out

674

00:23:24,789 --> 00:23:21,760

however i would love to hear them say oh

675

00:23:26,870 --> 00:23:24,799

yeah we've been doing it since the 70s

676

00:23:28,470 --> 00:23:26,880

you know because you know they have you

677

00:23:30,789 --> 00:23:28,480

know before before then

678

00:23:32,230 --> 00:23:30,799

you know you know they have but you know

679

00:23:34,070 --> 00:23:32,240

they're really smart in the way that

680

00:23:35,430 --> 00:23:34,080

they deliver it on like oh yeah breaking

681

00:23:37,110 --> 00:23:35,440

new information like

682

00:23:39,270 --> 00:23:37,120

it's it is it's probably breaking new

683

00:23:40,950 --> 00:23:39,280

information for a lot of these people

684

00:23:42,470 --> 00:23:40,960

and but when you go further back you're

685

00:23:44,310 --> 00:23:42,480

like oh so somebody

686

00:23:45,909 --> 00:23:44,320

so you're doing that now that just means

687

00:23:47,510 --> 00:23:45,919

you've gotten really good at it

688

00:23:49,510 --> 00:23:47,520

how long have you been doing it and what

689

00:23:51,110 --> 00:23:49,520

do you have like what do you have from

690

00:23:53,269 --> 00:23:51,120

these satellites man

691

00:23:54,789 --> 00:23:53,279

like that's got to be an incredible view

692

00:23:55,830 --> 00:23:54,799

you know being able to track these

693

00:23:59,510 --> 00:23:55,840

things like

694

00:24:01,590 --> 00:23:59,520

if i mean if you can track them you know

695

00:24:03,190 --> 00:24:01,600

they're just hopping around like if

696

00:24:05,909 --> 00:24:03,200

they're not flying

697

00:24:08,149 --> 00:24:05,919

right i mean like that's yeah it's it's

698

00:24:10,149 --> 00:24:08,159

crazy i bet that's an awesome view

699

00:24:11,990 --> 00:24:10,159

yeah like it's just data though right

700

00:24:13,830 --> 00:24:12,000

it's you're not seeing a photo so it's

701

00:24:16,310 --> 00:24:13,840

not sexy to people that are

702

00:24:18,230 --> 00:24:16,320

wanting that disclosure right like we

703

00:24:20,230 --> 00:24:18,240

want the we want the

704

00:24:22,630 --> 00:24:20,240

the ufo man we want to see independence

705

00:24:24,390 --> 00:24:22,640

day to really believe

706

00:24:26,310 --> 00:24:24,400

you want eye candy that's what people

707

00:24:28,230 --> 00:24:26,320

want but even if you give it

708

00:24:29,990 --> 00:24:28,240

something no one's going to believe it

709

00:24:31,750 --> 00:24:30,000

like that's the

710

00:24:33,830 --> 00:24:31,760

double-edged sword with video and

711

00:24:36,789 --> 00:24:33,840

pictures right now right yeah

712

00:24:37,430 --> 00:24:36,799

it's like hey i only videos sorry go

713

00:24:39,029 --> 00:24:37,440

ahead

714

00:24:40,789 --> 00:24:39,039

i was gonna make the only videos that

715

00:24:43,190 --> 00:24:40,799

i'll ever say are

716

00:24:45,029 --> 00:24:43,200

authentic because people will ask well

717

00:24:46,310 --> 00:24:45,039

if you have one video to try to convince

718

00:24:48,149 --> 00:24:46,320

somebody to do what would it be

719

00:24:50,710 --> 00:24:48,159

i'm always going to go to the three that

720

00:24:53,830 --> 00:24:50,720

the the pentagon officially released

721

00:24:56,390 --> 00:24:53,840

and said were you ap yeah well

722

00:24:57,430 --> 00:24:56,400

the issue is too also is that even when

723

00:24:59,110 --> 00:24:57,440

they talk about it

724

00:25:01,110 --> 00:24:59,120

they describe these things as low

725

00:25:02,630 --> 00:25:01,120

visibility so even if you already get a

726

00:25:03,269 --> 00:25:02,640

picture of it it's a shitty picture

727

00:25:05,269 --> 00:25:03,279

because it's

728

00:25:06,870 --> 00:25:05,279

low visibility that's one of their main

729

00:25:08,950 --> 00:25:06,880

problems is they say it's like

730

00:25:10,470 --> 00:25:08,960

yeah they're hard to see we can track

731

00:25:13,510 --> 00:25:10,480

them and we can

732

00:25:14,070 --> 00:25:13,520

you know get these these small pictures

733

00:25:16,310 --> 00:25:14,080

but

734

00:25:17,990 --> 00:25:16,320

the problem is the low visibility of

735

00:25:19,190 --> 00:25:18,000

these objects that they're tracking in

736

00:25:22,630 --> 00:25:19,200

the first place so

737

00:25:23,190 --> 00:25:22,640

you know good luck on getting an awesome

738

00:25:26,230 --> 00:25:23,200

photo

739

00:25:27,669 --> 00:25:26,240

right yeah i i think i think we

740

00:25:29,750 --> 00:25:27,679

there's a chance that we can get an

741

00:25:33,190 --> 00:25:29,760

awesome picture but i think that this is

742

00:25:37,269 --> 00:25:35,669

topic like there's probably some that

743

00:25:39,190 --> 00:25:37,279

will never be able to get a good picture

744

00:25:39,669 --> 00:25:39,200

of like the orbs that people always talk

745

00:25:42,149 --> 00:25:39,679

about

746

00:25:43,190 --> 00:25:42,159

there's nothing in a good clear picture

747

00:25:46,310 --> 00:25:43,200

of because it's the

748

00:25:47,990 --> 00:25:46,320

ball of light in a black sky

749

00:25:49,269 --> 00:25:48,000

like wow you're never going to see

750

00:25:50,549 --> 00:25:49,279

anything even with your naked eye it's

751
00:25:53,029 --> 00:25:50,559
going to be funny like

752
00:25:53,590 --> 00:25:53,039
yep it's very fun dude that's a really

753
00:25:55,269 --> 00:25:53,600
good point

754
00:25:57,029 --> 00:25:55,279
i haven't thought about anything like

755
00:25:59,909 --> 00:25:57,039
like taking a photo of light

756
00:26:01,029 --> 00:25:59,919
like you're not that's not what you do

757
00:26:03,190 --> 00:26:01,039
uh

758
00:26:04,070 --> 00:26:03,200
you use light to illuminate other

759
00:26:06,149 --> 00:26:04,080
objects like

760
00:26:07,990 --> 00:26:06,159
it's really like have you ever seen a

761
00:26:08,870 --> 00:26:08,000
photo of the sun i mean i've seen like

762
00:26:11,669 --> 00:26:08,880
animation

763
00:26:13,350 --> 00:26:11,679

of the sun but if we i'm sure they're

764

00:26:14,710 --> 00:26:13,360

out there like photos of the sun

765

00:26:16,470 --> 00:26:14,720

yeah dude they have them on like natural

766

00:26:18,390 --> 00:26:16,480

geographic all the time when they're in

767

00:26:20,230 --> 00:26:18,400

africa

768

00:26:23,110 --> 00:26:20,240

it's always a sunset scene but it's just

769

00:26:25,269 --> 00:26:23,120

a yellow it's a yellow circle

770

00:26:27,190 --> 00:26:25,279

anyway i thought that i wasn't i haven't

771

00:26:29,430 --> 00:26:27,200

thought about that yet i uh i had a cool

772

00:26:30,149 --> 00:26:29,440

experience i was on vacation with my

773

00:26:33,830 --> 00:26:30,159

wife

774

00:26:37,110 --> 00:26:33,840

and this particular evening uh the sun

775

00:26:40,149 --> 00:26:37,120

dude was like coming down and it

776

00:26:42,470 --> 00:26:40,159

wasn't it wasn't bright like i

777

00:26:44,070 --> 00:26:42,480

uh i was freaking out a little bit

778

00:26:45,269 --> 00:26:44,080

because i kept staring at it like

779

00:26:47,110 --> 00:26:45,279

i could look directly at you know when

780

00:26:47,830 --> 00:26:47,120

you look at the sun and you're like oh

781

00:26:49,830 --> 00:26:47,840

it's just bright

782

00:26:51,750 --> 00:26:49,840

i can't look at the sun this was like so

783

00:26:54,950 --> 00:26:51,760

beautiful and it was just

784

00:26:56,630 --> 00:26:54,960

perfectly round and like i was just

785

00:26:58,070 --> 00:26:56,640

staring at it and i was like babe look

786

00:27:00,070 --> 00:26:58,080

at the sun and she was like oh my gosh

787

00:27:01,669 --> 00:27:00,080

i've never seen the sun like that before

788

00:27:04,070 --> 00:27:01,679

but you could just stare at it it didn't

789

00:27:07,190 --> 00:27:04,080

hurt your eyes and it was so gorgeous

790

00:27:09,350 --> 00:27:07,200

it was it was insane like just

791

00:27:10,230 --> 00:27:09,360

staring at the sun i could just stare at

792

00:27:13,830 --> 00:27:10,240

the sun for

793

00:27:15,590 --> 00:27:13,840

hours yeah no i i did i i looked at it

794

00:27:15,909 --> 00:27:15,600

probably for a good 10 minutes for about

795

00:27:19,350 --> 00:27:15,919

like

796

00:27:21,430 --> 00:27:19,360

okay

797

00:27:22,389 --> 00:27:21,440

i know my eyes are gonna hurt tomorrow

798

00:27:25,510 --> 00:27:22,399

they didn't though

799

00:27:27,029 --> 00:27:25,520

so maybe that's a myth oh

800

00:27:29,110 --> 00:27:27,039

we're breaking all the facts out tonight

801
00:27:29,510 --> 00:27:29,120
guys telling you man you can look at the

802
00:27:32,710 --> 00:27:29,520
sun

803
00:27:34,789 --> 00:27:32,720
we got stories man

804
00:27:36,389 --> 00:27:34,799
all right i was talking to my

805
00:27:37,269 --> 00:27:36,399
nine-year-old about the sun just

806
00:27:39,990 --> 00:27:37,279
yesterday

807
00:27:41,830 --> 00:27:40,000
and i think my daughter debunked the

808
00:27:42,950 --> 00:27:41,840
flat earth theory so let me bounce this

809
00:27:45,750 --> 00:27:42,960
off to you guys

810
00:27:46,630 --> 00:27:45,760
and you tell me if the logic is sound he

811
00:27:49,750 --> 00:27:46,640
was asking me

812
00:27:52,389 --> 00:27:49,760
dad why is the sun bigger when it's

813
00:27:54,230 --> 00:27:52,399

coming up and going down why isn't it

814

00:27:55,669 --> 00:27:54,240

that big when it's directly overhead and

815

00:27:56,389 --> 00:27:55,679

i was like well it's because we're

816

00:27:59,269 --> 00:27:56,399

looking through

817

00:28:00,070 --> 00:27:59,279

more atmosphere and it's magnifying what

818

00:28:01,350 --> 00:28:00,080

we're seeing

819

00:28:03,590 --> 00:28:01,360

because you're having to look through

820

00:28:05,590 --> 00:28:03,600

more of it when you're looking at

821

00:28:06,389 --> 00:28:05,600

us when you're on the top of a sphere

822

00:28:08,149 --> 00:28:06,399

and you're looking through the

823

00:28:09,269 --> 00:28:08,159

atmosphere there's more of it so it's

824

00:28:12,070 --> 00:28:09,279

magnifying it

825

00:28:13,350 --> 00:28:12,080

instead of just always being directly

826

00:28:15,510 --> 00:28:13,360

above you it's just

827

00:28:16,710 --> 00:28:15,520

seems like that would debunk the whole

828

00:28:19,430 --> 00:28:16,720

flat earth theory

829

00:28:21,029 --> 00:28:19,440

right there yeah dude yeah dude like a

830

00:28:24,149 --> 00:28:21,039

contact lens or a

831

00:28:27,990 --> 00:28:24,159

yes yeah like glass oh that's genius

832

00:28:30,549 --> 00:28:28,000

yep i'm sure they got scientists

833

00:28:32,149 --> 00:28:30,559

you say what i'm sure they've got an

834

00:28:32,470 --> 00:28:32,159

explanation for that though aren't they

835

00:28:37,830 --> 00:28:32,480

they

836

00:28:40,870 --> 00:28:37,840

covered the yellow one is the sun

837

00:28:41,430 --> 00:28:40,880

that's all the information dude but yeah

838

00:28:43,110 --> 00:28:41,440

no that's

839

00:28:44,470 --> 00:28:43,120

that's totally i was also thinking about

840

00:28:45,430 --> 00:28:44,480

that the other day too and i was looking

841

00:28:47,029 --> 00:28:45,440

at the moon

842

00:28:48,470 --> 00:28:47,039

the moon is in the sky and you can see

843

00:28:49,590 --> 00:28:48,480

it like during the day and stuff and

844

00:28:52,149 --> 00:28:49,600

it's like

845

00:28:53,110 --> 00:28:52,159

it's gotta be round because like it like

846

00:28:55,269 --> 00:28:53,120

even though it's covering

847

00:28:56,950 --> 00:28:55,279

like half of the moon it's not like this

848

00:28:59,909 --> 00:28:56,960

straight line that's half it's like

849

00:29:01,350 --> 00:28:59,919

a curvature like on the moon from the

850

00:29:03,190 --> 00:29:01,360

earth it's the shadow

851

00:29:05,190 --> 00:29:03,200

of the earth it's like this weird

852

00:29:07,110 --> 00:29:05,200

curvature and it's like that no matter

853

00:29:08,950 --> 00:29:07,120

what angle the sun is at so it can't

854

00:29:11,830 --> 00:29:08,960

just be like this flat thing

855

00:29:12,230 --> 00:29:11,840

right if it were flat it would have to

856

00:29:16,789 --> 00:29:12,240

like

857

00:29:18,789 --> 00:29:16,799

it would have to be it would have to

858

00:29:20,630 --> 00:29:18,799

like tilt yeah like it would have to

859

00:29:23,430 --> 00:29:20,640

tilt like

860

00:29:24,830 --> 00:29:23,440

i feel like that that tim and eric uh

861

00:29:26,149 --> 00:29:24,840

bit where they're trying to explain the

862

00:29:28,630 --> 00:29:26,159

universe

863

00:29:29,190 --> 00:29:28,640

and they're like so you get you got your

864

00:29:32,310 --> 00:29:29,200

tutamen

865

00:29:32,870 --> 00:29:32,320

and your uh letterman's crack crest and

866

00:29:43,350 --> 00:29:32,880

then

867

00:29:47,510 --> 00:29:44,950

anyway i think you're on to something

868

00:29:49,190 --> 00:29:47,520

though dude yeah that's genius we gotta

869

00:29:51,029 --> 00:29:49,200

we gotta definitely figure out figure

870

00:29:52,789 --> 00:29:51,039

out the right answer to that but i think

871

00:29:53,350 --> 00:29:52,799

you're definitely on to something for

872

00:29:55,510 --> 00:29:53,360

sure

873

00:29:57,510 --> 00:29:55,520

i also think it's cool that like even

874

00:29:59,029 --> 00:29:57,520

though like you can see the sun like

875

00:30:01,830 --> 00:29:59,039

right as it's setting

876

00:30:02,950 --> 00:30:01,840

like you can see the sun but the sun is

877

00:30:04,870 --> 00:30:02,960

gone like it's not

878

00:30:07,029 --> 00:30:04,880

actually there anymore yeah it's just

879

00:30:09,430 --> 00:30:07,039

like the eight minutes that it takes

880

00:30:11,190 --> 00:30:09,440

for it the light to get here you know so

881

00:30:12,389 --> 00:30:11,200

like that last eight minutes that the

882

00:30:14,549 --> 00:30:12,399

sun is there

883

00:30:15,750 --> 00:30:14,559

it's actually not even there anymore

884

00:30:17,510 --> 00:30:15,760

it's gone

885

00:30:19,269 --> 00:30:17,520

whoa it's just the light that's hitting

886

00:30:21,190 --> 00:30:19,279

you now from like where it was

887

00:30:24,230 --> 00:30:21,200

you can't like that's that's always such

888

00:30:26,070 --> 00:30:24,240

a cool thing for me

889

00:30:27,750 --> 00:30:26,080

you can look in the night sky and see

890

00:30:29,269 --> 00:30:27,760

stars that aren't there anymore

891

00:30:31,350 --> 00:30:29,279

like there's some that are out there

892

00:30:33,750 --> 00:30:31,360

their light hasn't got that have

893

00:30:34,470 --> 00:30:33,760

exploded their that explosion hasn't

894

00:30:36,950 --> 00:30:34,480

made it

895

00:30:38,470 --> 00:30:36,960

to us yeah yeah dude yeah i was talking

896

00:30:38,950 --> 00:30:38,480

to our camera guy the other night i was

897

00:30:42,389 --> 00:30:38,960

like yeah

898

00:30:45,029 --> 00:30:42,399

like you look at the sky and all these

899

00:30:46,230 --> 00:30:45,039

these stars and stuff that you see most

900

00:30:48,950 --> 00:30:46,240

of them don't even exist

901
00:30:50,230 --> 00:30:48,960
anymore like it's all the sky is

902
00:30:51,909 --> 00:30:50,240
completely different

903
00:30:54,149 --> 00:30:51,919
it doesn't even exist that's just what

904
00:30:56,549 --> 00:30:54,159
we see because it's taking it so long to

905
00:30:58,950 --> 00:30:56,559
get here

906
00:31:00,549 --> 00:30:58,960
it's such a cool thought dude i have a

907
00:31:00,789 --> 00:31:00,559
trippy thought but i mean i don't want

908
00:31:03,350 --> 00:31:00,799
to

909
00:31:03,990 --> 00:31:03,360
derail it i mean i'll go ahead and

910
00:31:07,029 --> 00:31:04,000
say it

911
00:31:08,950 --> 00:31:07,039
okay it's already ready

912
00:31:10,149 --> 00:31:08,960
forgot what we were talking about

913
00:31:13,909 --> 00:31:10,159

satellite images

914

00:31:15,750 --> 00:31:13,919

back to let's circle back

915

00:31:17,029 --> 00:31:15,760

yeah we'll circle back i'll i'll save it

916

00:31:20,310 --> 00:31:17,039

i'll save it

917

00:31:20,789 --> 00:31:20,320

are you saying me say amigo i go you go

918

00:31:23,110 --> 00:31:20,799

you go

919

00:31:24,950 --> 00:31:23,120

you migo okay so i was thinking about

920

00:31:27,430 --> 00:31:24,960

this if you were able to travel

921

00:31:28,230 --> 00:31:27,440

faster than the speed of light to a star

922

00:31:31,269 --> 00:31:28,240

that is

923

00:31:34,710 --> 00:31:31,279

80 light years away

924

00:31:37,269 --> 00:31:34,720

would you be able to see back in time

925

00:31:38,310 --> 00:31:37,279

here on earth like and look back so 80

926

00:31:39,830 --> 00:31:38,320

80 light years away

927

00:31:42,149 --> 00:31:39,840

on a different you know a different

928

00:31:43,990 --> 00:31:42,159

space and time away from earth and look

929

00:31:47,190 --> 00:31:44,000

back on earth with a telescope

930

00:31:48,310 --> 00:31:47,200

would you be able to observe earth as it

931

00:31:51,430 --> 00:31:48,320

was

932

00:31:55,029 --> 00:31:51,440

80 000 or yeah 80

933

00:31:55,750 --> 00:31:55,039

years ago so if you're 80 80 light years

934

00:31:57,430 --> 00:31:55,760

away would you

935

00:32:00,070 --> 00:31:57,440

be able to look 80 years in the past if

936

00:32:03,269 --> 00:32:00,080

you're at a a distance

937

00:32:06,630 --> 00:32:03,279

because it takes 80 years 80 years to

938

00:32:08,070 --> 00:32:06,640

reach you so does that cross the barrier

939

00:32:10,389 --> 00:32:08,080

of present

940

00:32:13,669 --> 00:32:10,399

like depending on your your rel like

941

00:32:17,509 --> 00:32:15,750

you would have to instantaneously get

942

00:32:18,470 --> 00:32:17,519

there that's a little bit of a problem

943

00:32:19,909 --> 00:32:18,480

but if you once

944

00:32:21,750 --> 00:32:19,919

you got there yeah you could turn around

945

00:32:23,669 --> 00:32:21,760

and look back because that light

946

00:32:24,870 --> 00:32:23,679

from 80 years ago is just getting to

947

00:32:28,630 --> 00:32:24,880

your

948

00:32:30,149 --> 00:32:28,640

new destination right yes yeah so

949

00:32:33,509 --> 00:32:30,159

i think i think we figured out the

950

00:32:35,430 --> 00:32:33,519

universe guys time is an illusion

951
00:32:37,430 --> 00:32:35,440
you can time travel but it's only like

952
00:32:39,350 --> 00:32:37,440
from a distance you can only see it you

953
00:32:41,430 --> 00:32:39,360
have to do it now or it doesn't work

954
00:32:42,630 --> 00:32:41,440
right you okay well that's a big well

955
00:32:44,549 --> 00:32:42,640
yeah you need that

956
00:32:45,909 --> 00:32:44,559
you need a down payment on a on an

957
00:32:51,430 --> 00:32:45,919
instantaneous

958
00:32:56,389 --> 00:32:53,350
why does it have no doors i don't know

959
00:32:58,789 --> 00:32:56,399
we had no door forward that's why i

960
00:32:59,590 --> 00:32:58,799
had no door you have you you i mean ufos

961
00:33:03,750 --> 00:32:59,600
do they have

962
00:33:05,990 --> 00:33:03,760
i mean does the ufo have a door i mean

963
00:33:07,430 --> 00:33:06,000

man i don't even know anything i don't

964

00:33:09,430 --> 00:33:07,440

even know anymore would it be a four

965

00:33:09,750 --> 00:33:09,440

door would it be a one door do they have

966

00:33:12,870 --> 00:33:09,760

sun

967

00:33:17,509 --> 00:33:12,880

roofs so many questions

968

00:33:23,350 --> 00:33:21,509

yeah the the satellite imagery thing is

969

00:33:25,669 --> 00:33:23,360

what i would consider a game changer and

970

00:33:28,389 --> 00:33:25,679

that's one of the things that i'm hoping

971

00:33:29,350 --> 00:33:28,399

comes out as part of the uap task force

972

00:33:31,750 --> 00:33:29,360

report

973

00:33:33,990 --> 00:33:31,760

um there there's a somebody created a

974

00:33:36,470 --> 00:33:34,000

website that actually has a countdown

975

00:33:39,029 --> 00:33:36,480

on it so you can go check it out but i

976

00:33:40,950 --> 00:33:39,039

haven't heard

977

00:33:44,630 --> 00:33:40,960

the two people say it's due on the same

978

00:33:46,710 --> 00:33:44,640

date it could be june 1st it could be

979

00:33:48,630 --> 00:33:46,720

june 28th is another date i've heard i

980

00:33:52,470 --> 00:33:48,640

don't know what it is that's my birthday

981

00:33:53,830 --> 00:33:52,480

but oh that meant well maybe it'll be

982

00:33:55,190 --> 00:33:53,840

your birthday present let's hope for

983

00:33:58,230 --> 00:33:55,200

that something good

984

00:33:59,509 --> 00:33:58,240

uh but marco rubio has even said that he

985

00:34:00,789 --> 00:33:59,519

doesn't think it's going to come out on

986

00:34:02,630 --> 00:34:00,799

time that was one of the things he

987

00:34:04,870 --> 00:34:02,640

brought up in the interview because

988

00:34:06,789 --> 00:34:04,880

the government doesn't do anything on

989

00:34:07,830 --> 00:34:06,799

time so why would we expect this to be

990

00:34:10,869 --> 00:34:07,840

any different

991

00:34:12,389 --> 00:34:10,879

yeah so so

992

00:34:14,230 --> 00:34:12,399

that's one thing that marcus said and

993

00:34:16,869 --> 00:34:14,240

then two days later

994

00:34:18,310 --> 00:34:16,879

he got interviewed again and started

995

00:34:21,190 --> 00:34:18,320

talking about ufos

996

00:34:23,909 --> 00:34:21,200

so this is the same senator that's

997

00:34:27,829 --> 00:34:23,919

responsible for the report

998

00:34:31,909 --> 00:34:27,839

talking openly twice within three days

999

00:34:38,310 --> 00:34:35,109

that's a huge deal and he's

1000

00:34:40,550 --> 00:34:38,320

he's speaking about it so well too like

1001
00:34:42,550 --> 00:34:40,560
it's almost as if do you do you feel

1002
00:34:44,629 --> 00:34:42,560
like he's being

1003
00:34:46,470 --> 00:34:44,639
honest about it does it does anybody

1004
00:34:48,389 --> 00:34:46,480
else get get a feeling of like maybe

1005
00:34:49,270 --> 00:34:48,399
he's reading a script or like maybe he's

1006
00:34:51,430 --> 00:34:49,280
been

1007
00:34:53,109 --> 00:34:51,440
coached into saying the things that he's

1008
00:34:56,230 --> 00:34:53,119
saying

1009
00:34:58,790 --> 00:34:56,240
um coached or educated

1010
00:35:00,630 --> 00:34:58,800
i would say he's been educated like hey

1011
00:35:03,589 --> 00:35:00,640
man

1012
00:35:04,069 --> 00:35:03,599
follow harry reid's footprints and don't

1013
00:35:06,310 --> 00:35:04,079

jump

1014

00:35:07,670 --> 00:35:06,320
to the conclusion that it's the et

1015

00:35:09,349 --> 00:35:07,680
hypothesis

1016

00:35:11,349 --> 00:35:09,359
we don't need to go there that's the

1017

00:35:13,190 --> 00:35:11,359
same thing lou elizondo said

1018

00:35:14,790 --> 00:35:13,200
it's been repeated by a lot of people

1019

00:35:16,950 --> 00:35:14,800
that are

1020

00:35:19,349 --> 00:35:16,960
influential and he's saying the same

1021

00:35:21,589 --> 00:35:19,359
thing is we need to look into this

1022

00:35:23,430 --> 00:35:21,599
we don't need to go as far as trying to

1023

00:35:25,589 --> 00:35:23,440
determine if it's an alien or an et we

1024

00:35:27,510 --> 00:35:25,599
just need to figure out what's going on

1025

00:35:29,990 --> 00:35:27,520
and start asking these questions just

1026

00:35:33,750 --> 00:35:30,000

keep it simple because it is a threat

1027

00:35:36,950 --> 00:35:33,760

to our military service members that are

1028

00:35:38,950 --> 00:35:36,960

i mean you saw the uh american airlines

1029

00:35:40,950 --> 00:35:38,960

flight that reported a missile-shaped

1030

00:35:42,230 --> 00:35:40,960

object that zoomed over the top of it oh

1031

00:35:43,990 --> 00:35:42,240

yeah

1032

00:35:46,390 --> 00:35:44,000

i mean that's an issue like i don't want

1033

00:35:47,750 --> 00:35:46,400

one zipping over my passenger plane that

1034

00:35:49,990 --> 00:35:47,760

i'm flying on like if

1035

00:35:51,510 --> 00:35:50,000

if though if that kind of an encounter

1036

00:35:53,430 --> 00:35:51,520

is occurring

1037

00:35:56,069 --> 00:35:53,440

we don't need to ignore it we need to

1038

00:35:56,829 --> 00:35:56,079

try to look into it figure something out

1039

00:36:00,550 --> 00:35:56,839

and

1040

00:36:02,630 --> 00:36:00,560

avoid potential negative outcomes

1041

00:36:03,750 --> 00:36:02,640

i i'm gonna i'm gonna push back just a

1042

00:36:07,030 --> 00:36:03,760

little bit on that

1043

00:36:09,990 --> 00:36:07,040

because if it's happening now it's been

1044

00:36:13,510 --> 00:36:10,000

happening since before we've been flying

1045

00:36:15,750 --> 00:36:13,520

i mean so for me it's like okay

1046

00:36:17,589 --> 00:36:15,760

yeah i think it's important like totally

1047

00:36:19,829 --> 00:36:17,599

like yeah let's figure this out

1048

00:36:20,790 --> 00:36:19,839

but i don't think that they just kind of

1049

00:36:23,190 --> 00:36:20,800

started doing it

1050

00:36:25,109 --> 00:36:23,200

like these things have been zooming by

1051
00:36:27,270 --> 00:36:25,119
your passenger plane

1052
00:36:28,550 --> 00:36:27,280
since passenger planes came about i

1053
00:36:30,710 --> 00:36:28,560
think and we

1054
00:36:32,790 --> 00:36:30,720
we haven't really had an incident same

1055
00:36:34,550 --> 00:36:32,800
thing with with the military i mean like

1056
00:36:35,510 --> 00:36:34,560
they've been tracking these things for a

1057
00:36:37,670 --> 00:36:35,520
long time

1058
00:36:39,030 --> 00:36:37,680
it's been admitted that like yeah we've

1059
00:36:41,670 --> 00:36:39,040
been seeing this stuff

1060
00:36:43,829 --> 00:36:41,680
since since before computers came out

1061
00:36:45,430 --> 00:36:43,839
right i mean we have these old reports

1062
00:36:48,069 --> 00:36:45,440
of like old wooden ship

1063
00:36:49,829 --> 00:36:48,079

navy you know people that have written

1064

00:36:51,750 --> 00:36:49,839

in their logs and stuff saying that

1065

00:36:55,990 --> 00:36:51,760

they've seen crazy stuff

1066

00:36:58,790 --> 00:36:56,000

and like there may be some negative

1067

00:37:00,470 --> 00:36:58,800

uh interactions but for the most part i

1068

00:37:02,310 --> 00:37:00,480

feel like

1069

00:37:04,310 --> 00:37:02,320

i mean what passage i mean what

1070

00:37:08,790 --> 00:37:04,320

passenger plane do we know of that has

1071

00:37:10,150 --> 00:37:08,800

been like blown out of the sky by a ufo

1072

00:37:13,829 --> 00:37:10,160

no one knows what happened to the

1073

00:37:17,190 --> 00:37:16,230

okay i'll give you one i'm kidding i'll

1074

00:37:20,230 --> 00:37:17,200

give you one

1075

00:37:21,349 --> 00:37:20,240

right but yeah no that doesn't take away

1076

00:37:23,510 --> 00:37:21,359

from the fact that like

1077

00:37:24,950 --> 00:37:23,520

yes we need to look into this we should

1078

00:37:29,270 --> 00:37:24,960

figure out what's going on

1079

00:37:30,069 --> 00:37:29,280

probably not not until one comes here

1080

00:37:31,910 --> 00:37:30,079

and tells us

1081

00:37:33,990 --> 00:37:31,920

what the hell is going on we're all just

1082

00:37:36,790 --> 00:37:34,000

gonna be guessing the entire time

1083

00:37:37,510 --> 00:37:36,800

but i also think like we have to avoid

1084

00:37:40,710 --> 00:37:37,520

like this

1085

00:37:43,829 --> 00:37:40,720

um this fear porn aspect that

1086

00:37:46,310 --> 00:37:43,839

i feel like the government is kind of

1087

00:37:48,550 --> 00:37:46,320

like they kind of push it a little bit

1088

00:37:51,109 --> 00:37:48,560

like it's a danger it's a threat it's a

1089

00:37:51,910 --> 00:37:51,119

aerospace threat to national security

1090

00:37:55,510 --> 00:37:51,920

like all these

1091

00:37:59,190 --> 00:37:55,520

all these words that that they use

1092

00:38:02,390 --> 00:37:59,200

right is obviously important

1093

00:38:05,829 --> 00:38:02,400

but at the same time where's the

1094

00:38:07,510 --> 00:38:05,839

evidence for that i mean i mean i guess

1095

00:38:10,390 --> 00:38:07,520

we don't really have evidence for

1096

00:38:11,829 --> 00:38:10,400

positivity either but it seems like it's

1097

00:38:14,310 --> 00:38:11,839

just very empty on

1098

00:38:15,589 --> 00:38:14,320

either side so does that mean that these

1099

00:38:17,510 --> 00:38:15,599

things are possibly just

1100

00:38:18,870 --> 00:38:17,520

neutral i mean this is all just a

1101
00:38:20,390 --> 00:38:18,880
guessing game i'm just i'm playing

1102
00:38:23,030 --> 00:38:20,400
devil's advocate to

1103
00:38:24,710 --> 00:38:23,040
to the uh you know like you know should

1104
00:38:27,190 --> 00:38:24,720
we really be scared

1105
00:38:27,990 --> 00:38:27,200
of if we see one zip by our airplane

1106
00:38:30,550 --> 00:38:28,000
right

1107
00:38:32,150 --> 00:38:30,560
i'm i'm actually more scared of a flock

1108
00:38:33,990 --> 00:38:32,160
of freaking geese

1109
00:38:35,670 --> 00:38:34,000
you know in my passenger airplane than i

1110
00:38:40,310 --> 00:38:35,680
am a ufo flying by

1111
00:38:43,030 --> 00:38:40,320
you know well i'll rephrase what i said

1112
00:38:44,390 --> 00:38:43,040
to say we have things flying over our

1113
00:38:46,310 --> 00:38:44,400

military

1114

00:38:48,710 --> 00:38:46,320
are sensitive are most sensitive

1115

00:38:51,270 --> 00:38:48,720
military and nuclear sites

1116

00:38:52,870 --> 00:38:51,280
and they could pose a threat if they

1117

00:38:56,390 --> 00:38:52,880
wanted to

1118

00:38:58,069 --> 00:38:56,400
it doesn't appear i take i'll take that

1119

00:39:00,470 --> 00:38:58,079
from what i've hear what i've heard what

1120

00:39:03,829 --> 00:39:00,480
i've seen that they want to be a threat

1121

00:39:05,190 --> 00:39:03,839
but they have the capability to to be so

1122

00:39:07,190 --> 00:39:05,200
if they wanted to be

1123

00:39:08,310 --> 00:39:07,200
it's better to be prepared than not be

1124

00:39:10,790 --> 00:39:08,320
prepared right

1125

00:39:12,470 --> 00:39:10,800
yeah yeah so so is that a is that a

1126

00:39:15,750 --> 00:39:12,480

philosophical

1127

00:39:17,589 --> 00:39:15,760

conversation or is that a a survival

1128

00:39:19,670 --> 00:39:17,599

conversation

1129

00:39:21,190 --> 00:39:19,680

because you can look at a threat in a

1130

00:39:23,670 --> 00:39:21,200

bunch of different lenses

1131

00:39:24,630 --> 00:39:23,680

uh right now we're seeing this this

1132

00:39:27,510 --> 00:39:24,640

phenomenon is

1133

00:39:29,430 --> 00:39:27,520

as a neutral force and we can agree that

1134

00:39:33,589 --> 00:39:29,440

it's a force because

1135

00:39:36,069 --> 00:39:33,599

we're observing it with our senses um

1136

00:39:37,430 --> 00:39:36,079

but there is no evidence to you know

1137

00:39:39,190 --> 00:39:37,440

against or for

1138

00:39:40,550 --> 00:39:39,200

the fact that they could be a threat or

1139

00:39:42,630 --> 00:39:40,560

or not a threat

1140

00:39:43,829 --> 00:39:42,640

uh as far as the military goes and the

1141

00:39:46,710 --> 00:39:43,839

public goes i mean

1142

00:39:48,390 --> 00:39:46,720

if now if we if we look at the lens of

1143

00:39:50,230 --> 00:39:48,400

the experiencer

1144

00:39:51,430 --> 00:39:50,240

then you start getting into the details

1145

00:39:54,230 --> 00:39:51,440

of like uh

1146

00:39:55,990 --> 00:39:54,240

all right guys well some people have had

1147

00:39:57,910 --> 00:39:56,000

you know that snl skit of like

1148

00:39:59,349 --> 00:39:57,920

some people have really phenomenal

1149

00:40:01,910 --> 00:39:59,359

experiences

1150

00:40:04,470 --> 00:40:01,920

and then some people have had terrible

1151

00:40:05,990 --> 00:40:04,480

like terrifying experiences so like

1152

00:40:07,829 --> 00:40:06,000

man i feel like there's this divide

1153

00:40:09,030 --> 00:40:07,839

that's happening uh

1154

00:40:10,630 --> 00:40:09,040

definitely in the way that i like to

1155

00:40:11,349 --> 00:40:10,640

think about it because if i go down that

1156

00:40:14,470 --> 00:40:11,359

path of this

1157

00:40:16,790 --> 00:40:14,480

the the the experience here it's like oh

1158

00:40:18,390 --> 00:40:16,800

not gonna sleep great tonight uh but if

1159

00:40:20,550 --> 00:40:18,400

i just keep it on the surface

1160

00:40:21,510 --> 00:40:20,560

uh as far as like are they a threat or

1161

00:40:24,309 --> 00:40:21,520

not that's

1162

00:40:25,030 --> 00:40:24,319

easier for me to get through my day and

1163

00:40:28,390 --> 00:40:25,040

and

1164

00:40:30,230 --> 00:40:28,400

that's

1165

00:40:31,829 --> 00:40:30,240

like what you just described how there's

1166

00:40:33,030 --> 00:40:31,839

positive experiences and there's

1167

00:40:35,270 --> 00:40:33,040

negative experiences

1168

00:40:37,829 --> 00:40:35,280

it just makes me think that it's not all

1169

00:40:41,589 --> 00:40:37,839

the same thing

1170

00:40:43,990 --> 00:40:41,599

it's got to be multifaceted and

1171

00:40:45,109 --> 00:40:44,000

something that lou elizondo who's been

1172

00:40:48,309 --> 00:40:45,119

on interviews

1173

00:40:50,790 --> 00:40:48,319

on fox and newsmax lately has

1174

00:40:52,870 --> 00:40:50,800

even said things on the lines of how do

1175

00:40:57,030 --> 00:40:52,880

we know they haven't been here

1176
00:40:58,630 --> 00:40:57,040
for a long time to me that says well we

1177
00:41:02,390 --> 00:40:58,640
might have something that lives

1178
00:41:05,589 --> 00:41:02,400
amongst us that we can't perceive

1179
00:41:08,710 --> 00:41:05,599
and i always like to to use the uh

1180
00:41:09,910 --> 00:41:08,720
metaphor of before people had

1181
00:41:12,630 --> 00:41:09,920
microscopes

1182
00:41:13,750 --> 00:41:12,640
they could see evidence of chemical

1183
00:41:16,470 --> 00:41:13,760
reactions and

1184
00:41:18,309 --> 00:41:16,480
and things decaying and and they could

1185
00:41:20,069 --> 00:41:18,319
see the evidence of it occurring

1186
00:41:21,589 --> 00:41:20,079
but they couldn't look at it to see what

1187
00:41:23,430 --> 00:41:21,599
was causing it and so they

1188
00:41:24,950 --> 00:41:23,440

until technology caught up and they

1189

00:41:28,069 --> 00:41:24,960

could start to use

1190

00:41:30,309 --> 00:41:28,079

tools to investigate further

1191

00:41:31,190 --> 00:41:30,319

that's where i think we're at with

1192

00:41:33,750 --> 00:41:31,200

whatever this

1193

00:41:35,589 --> 00:41:33,760

is this phenomena is is maybe we are

1194

00:41:38,309 --> 00:41:35,599

starting to

1195

00:41:38,790 --> 00:41:38,319

have the equipment necessary to perceive

1196

00:41:41,270 --> 00:41:38,800

it

1197

00:41:43,430 --> 00:41:41,280

in a more substantial way than what we

1198

00:41:45,990 --> 00:41:43,440

have before

1199

00:41:46,710 --> 00:41:46,000

just my thoughts definitely definitely i

1200

00:41:48,470 --> 00:41:46,720

think that's it

1201

00:41:50,309 --> 00:41:48,480

you know i mean me and ben were having

1202

00:41:51,670 --> 00:41:50,319

this conversation earlier we had heard

1203

00:41:55,750 --> 00:41:51,680

somebody say

1204

00:41:58,790 --> 00:41:55,760

um you know as many cases as i've

1205

00:42:02,309 --> 00:41:58,800

as i've heard and gone through which is

1206

00:42:03,030 --> 00:42:02,319

thousands uh nobody's ever mentioned a

1207

00:42:04,630 --> 00:42:03,040

tic tac

1208

00:42:07,829 --> 00:42:04,640

the only time i've ever heard of a tic

1209

00:42:10,550 --> 00:42:07,839

tac is is by the military

1210

00:42:12,230 --> 00:42:10,560

or by the government why is it that the

1211

00:42:15,270 --> 00:42:12,240

military and the government are the

1212

00:42:17,510 --> 00:42:15,280

only ones reporting these tic tacs but

1213

00:42:20,630 --> 00:42:17,520

actual like experiencers

1214

00:42:21,430 --> 00:42:20,640

and just your average person has never

1215

00:42:24,150 --> 00:42:21,440

experienced

1216

00:42:25,030 --> 00:42:24,160

this tic tac thing what is it about this

1217

00:42:27,910 --> 00:42:25,040

tic tac

1218

00:42:29,030 --> 00:42:27,920

that is attracting them to specifically

1219

00:42:32,390 --> 00:42:29,040

military

1220

00:42:32,950 --> 00:42:32,400

and government people and that kind of

1221

00:42:36,630 --> 00:42:32,960

like

1222

00:42:39,109 --> 00:42:36,640

you're right

1223

00:42:39,990 --> 00:42:39,119

yeah i've never heard of any tic tac

1224

00:42:42,630 --> 00:42:40,000

thing either

1225

00:42:43,190 --> 00:42:42,640

until obviously the the navy came out

1226

00:42:45,190 --> 00:42:43,200

right

1227

00:42:46,309 --> 00:42:45,200

with all that with all their stuff and

1228

00:42:47,349 --> 00:42:46,319

it's like huh

1229

00:42:48,710 --> 00:42:47,359

that's kind of that's kind of

1230

00:42:49,829 --> 00:42:48,720

eye-opening and that's a really

1231

00:42:53,190 --> 00:42:49,839

interesting question

1232

00:42:55,829 --> 00:42:53,200

why why out of all these hundreds of

1233

00:42:57,750 --> 00:42:55,839

thousands millions of cases

1234

00:42:59,430 --> 00:42:57,760

why is it only like the military people

1235

00:43:00,390 --> 00:42:59,440

that are encountering these tic tac

1236

00:43:02,550 --> 00:43:00,400

things like

1237

00:43:03,910 --> 00:43:02,560

what is it about that you know what i

1238

00:43:08,150 --> 00:43:03,920

mean what are your thoughts i mean have

1239

00:43:14,230 --> 00:43:11,430

um i i don't know how to explain

1240

00:43:14,630 --> 00:43:14,240

all the different shapes jacques valet

1241

00:43:18,870 --> 00:43:14,640

has

1242

00:43:22,069 --> 00:43:18,880

put forth the theory that basically says

1243

00:43:23,750 --> 00:43:22,079

we could be being messed with basically

1244

00:43:25,670 --> 00:43:23,760

like pretend we're sitting in a movie

1245

00:43:27,990 --> 00:43:25,680

theater and we're looking at the screen

1246

00:43:29,829 --> 00:43:28,000

well there's a tic tac on the screen uh

1247

00:43:33,589 --> 00:43:29,839

look at that screen and there's a

1248

00:43:36,870 --> 00:43:33,599

saucer on the screen it's

1249

00:43:38,150 --> 00:43:36,880

catering to the audience right it knew

1250

00:43:39,990 --> 00:43:38,160

it knew that you wanted to come see a

1251
00:43:41,430 --> 00:43:40,000
horror movie so i put a horror movie in

1252
00:43:43,190 --> 00:43:41,440
on this one that no it knew you want to

1253
00:43:46,150 --> 00:43:43,200
see a comedy it put comedy on

1254
00:43:46,870 --> 00:43:46,160
right but we're seeing what it's wanting

1255
00:43:49,349 --> 00:43:46,880
us to see

1256
00:43:51,109 --> 00:43:49,359
what we need to do is turn around and

1257
00:43:53,750 --> 00:43:51,119
look in the projectors booth

1258
00:43:54,150 --> 00:43:53,760
to figure out what's actually going on

1259
00:43:58,150 --> 00:43:54,160
is

1260
00:44:01,510 --> 00:43:58,160
jack's job right like boiled down

1261
00:44:03,349 --> 00:44:01,520
as best yeah like people see ghosts

1262
00:44:04,550 --> 00:44:03,359
and it's like oh well it presented

1263
00:44:06,630 --> 00:44:04,560

itself as a ghost

1264

00:44:07,990 --> 00:44:06,640

uh some people see aliens oh well that's

1265

00:44:09,670 --> 00:44:08,000

just because the phenomenon has

1266

00:44:11,670 --> 00:44:09,680

presented itself as an alien

1267

00:44:14,790 --> 00:44:11,680

i saw bigfoot well the phenomena just

1268

00:44:18,230 --> 00:44:14,800

presented itself as bigfoot like

1269

00:44:21,430 --> 00:44:18,240

yeah like i i i like

1270

00:44:24,630 --> 00:44:21,440

that that theory a lot i guess uh

1271

00:44:25,510 --> 00:44:24,640

just the phenomena as a whole presents

1272

00:44:28,550 --> 00:44:25,520

itself to

1273

00:44:28,790 --> 00:44:28,560

you kind of how you would interpret it

1274

00:44:32,950 --> 00:44:28,800

an

1275

00:44:35,670 --> 00:44:32,960

like

1276

00:44:37,510 --> 00:44:35,680

it just presents itself to you how you

1277

00:44:40,550 --> 00:44:37,520

think you would be most receptive

1278

00:44:43,990 --> 00:44:40,560

to it now the thing

1279

00:44:44,630 --> 00:44:44,000

that is strange to me also got me

1280

00:44:47,430 --> 00:44:44,640

thinking is

1281

00:44:48,069 --> 00:44:47,440

okay i've seen this wild light in the

1282

00:44:51,589 --> 00:44:48,079

sky

1283

00:44:54,710 --> 00:44:51,599

this is crazy orange orb

1284

00:44:55,829 --> 00:44:54,720

right lots of people have seen this

1285

00:45:00,069 --> 00:44:55,839

orange orb

1286

00:45:04,230 --> 00:45:00,079

right i've seen three maybe

1287

00:45:06,470 --> 00:45:04,240

four strange things in the sky uh

1288

00:45:08,790 --> 00:45:06,480

two of them are a little more

1289

00:45:11,349 --> 00:45:08,800

outstanding than the other two

1290

00:45:12,470 --> 00:45:11,359

but then you look at somebody like chris

1291

00:45:15,910 --> 00:45:12,480

bledsoe

1292

00:45:16,470 --> 00:45:15,920

and or or like eric mitchell why is this

1293

00:45:18,950 --> 00:45:16,480

thing

1294

00:45:19,589 --> 00:45:18,960

following them specifically why are they

1295

00:45:22,309 --> 00:45:19,599

seeing it

1296

00:45:23,270 --> 00:45:22,319

every night how are they like like what

1297

00:45:25,190 --> 00:45:23,280

is it about

1298

00:45:26,790 --> 00:45:25,200

them that these things are like showing

1299

00:45:30,309 --> 00:45:26,800

up all the time

1300

00:45:33,430 --> 00:45:30,319

and i have to sit outside for days to

1301

00:45:35,990 --> 00:45:33,440

maybe see some weird thing right

1302

00:45:36,710 --> 00:45:36,000

it's it's so is it good or bad yeah it

1303

00:45:40,390 --> 00:45:36,720

is

1304

00:45:43,829 --> 00:45:42,710

yeah like what perspective like i feel

1305

00:45:46,790 --> 00:45:43,839

like it's it's

1306

00:45:47,349 --> 00:45:46,800

this is almost this phenomenon is almost

1307

00:45:51,190 --> 00:45:47,359

it's

1308

00:45:53,430 --> 00:45:51,200

wanting us to

1309

00:45:55,270 --> 00:45:53,440

to engage in it if it wasn't something

1310

00:45:59,510 --> 00:45:55,280

that like made us question

1311

00:46:01,589 --> 00:45:59,520

then it would be something as passive as

1312

00:46:02,630 --> 00:46:01,599

air like we all know that air is there

1313

00:46:04,870 --> 00:46:02,640

and it does stuff

1314

00:46:06,550 --> 00:46:04,880

okay like it can really destroy some

1315

00:46:08,390 --> 00:46:06,560

stuff but we also really need it

1316

00:46:09,750 --> 00:46:08,400

like it's just this thing it's just a

1317

00:46:11,750 --> 00:46:09,760

part of life

1318

00:46:13,349 --> 00:46:11,760

but it's it's nothing that no one has a

1319

00:46:16,950 --> 00:46:13,359

disagreement about

1320

00:46:20,470 --> 00:46:16,960

so mentally with consciousness

1321

00:46:23,109 --> 00:46:20,480

we have this disconnect and and i mean

1322

00:46:23,750 --> 00:46:23,119

society today with most people uh

1323

00:46:25,990 --> 00:46:23,760

probably not

1324

00:46:27,270 --> 00:46:26,000

everybody listen to this podcast but the

1325

00:46:30,950 --> 00:46:27,280

fact that there is a

1326
00:46:33,349 --> 00:46:30,960
a even an argument that that even exists

1327
00:46:35,030 --> 00:46:33,359
has to i think we got to look there it

1328
00:46:38,309 --> 00:46:35,040
has something to do with

1329
00:46:40,630 --> 00:46:38,319
there being a a divide

1330
00:46:41,910 --> 00:46:40,640
in consciousness and belief it has to do

1331
00:46:43,829 --> 00:46:41,920
that's why this thing is so

1332
00:46:47,030 --> 00:46:43,839
all-encompassing with like

1333
00:46:49,750 --> 00:46:47,040
politics with the future of energy the

1334
00:46:51,589 --> 00:46:49,760
resources and like good and bad and evil

1335
00:46:54,150 --> 00:46:51,599
like it wraps up everything

1336
00:46:56,150 --> 00:46:54,160
in the fact that it all of it has to do

1337
00:46:59,750 --> 00:46:56,160
when you really boil it down to

1338
00:47:01,589 --> 00:46:59,760

to belief and and your fellow

1339

00:47:02,790 --> 00:47:01,599

man like people say that yeah i've had

1340

00:47:04,790 --> 00:47:02,800

an experience

1341

00:47:06,230 --> 00:47:04,800

well if you haven't yourself had that

1342

00:47:08,950 --> 00:47:06,240

experience

1343

00:47:10,390 --> 00:47:08,960

i mean you can believe them to a certain

1344

00:47:12,150 --> 00:47:10,400

extent

1345

00:47:14,870 --> 00:47:12,160

is it ever going to be a 100 probably

1346

00:47:17,270 --> 00:47:14,880

not i think we got to look there between

1347

00:47:19,270 --> 00:47:17,280

that little space that little gray area

1348

00:47:21,430 --> 00:47:19,280

that's where this phenomenon lives it

1349

00:47:22,950 --> 00:47:21,440

loves that little gray area

1350

00:47:24,790 --> 00:47:22,960

because consciousness doesn't know what

1351
00:47:25,349 --> 00:47:24,800
to do with it and there's a question

1352
00:47:28,790 --> 00:47:25,359
mark

1353
00:47:32,630 --> 00:47:30,710
so that's one thing i have noticed in

1354
00:47:33,910 --> 00:47:32,640
the comments section of my videos is

1355
00:47:37,510 --> 00:47:33,920
there are some people

1356
00:47:39,750 --> 00:47:37,520
that are like firmly planted and

1357
00:47:41,190 --> 00:47:39,760
i'm not taking any new information in

1358
00:47:42,549 --> 00:47:41,200
and everybody's lying

1359
00:47:44,710 --> 00:47:42,559
they're they're all making this up they

1360
00:47:46,630 --> 00:47:44,720
want their 15 minutes of fame

1361
00:47:48,470 --> 00:47:46,640
and so i try to engage with them to be

1362
00:47:49,349 --> 00:47:48,480
like let me understand your perspective

1363
00:47:52,069 --> 00:47:49,359

like

1364

00:47:53,510 --> 00:47:52,079

thousands and thousands of military

1365

00:47:55,030 --> 00:47:53,520

people

1366

00:47:56,790 --> 00:47:55,040

our trained observers are seeing these

1367

00:47:58,630 --> 00:47:56,800

things and you're not gonna believe a

1368

00:47:59,670 --> 00:47:58,640

single one of them no i wouldn't believe

1369

00:48:01,670 --> 00:47:59,680

any of them

1370

00:48:03,109 --> 00:48:01,680

well what about the abductees do you

1371

00:48:05,910 --> 00:48:03,119

believe any of them no i wouldn't

1372

00:48:07,109 --> 00:48:05,920

what would it take for you to believe

1373

00:48:09,750 --> 00:48:07,119

anyone

1374

00:48:10,790 --> 00:48:09,760

basically he would have to be abducted

1375

00:48:13,109 --> 00:48:10,800

right

1376

00:48:14,150 --> 00:48:13,119

some people are not gonna it doesn't

1377

00:48:16,790 --> 00:48:14,160

matter

1378

00:48:17,910 --> 00:48:16,800

how much volume of information and data

1379

00:48:20,069 --> 00:48:17,920

you put in front of them

1380

00:48:21,430 --> 00:48:20,079

until it's real for them until it

1381

00:48:23,589 --> 00:48:21,440

happens to them

1382

00:48:25,670 --> 00:48:23,599

they're not gonna believe it and even

1383

00:48:27,670 --> 00:48:25,680

then they still may not believe it

1384

00:48:29,190 --> 00:48:27,680

because you hear about experiencers and

1385

00:48:31,349 --> 00:48:29,200

their whole thing and they're like

1386

00:48:32,230 --> 00:48:31,359

this happened to me and it took me three

1387

00:48:34,390 --> 00:48:32,240

years to even

1388

00:48:36,390 --> 00:48:34,400

wrap my head around it or even want to

1389

00:48:38,870 --> 00:48:36,400

believe it in the first place

1390

00:48:40,150 --> 00:48:38,880

you know well like you mentioned bigfoot

1391

00:48:42,710 --> 00:48:40,160

i listened to

1392

00:48:44,549 --> 00:48:42,720

was on sasquatch chronicles and he's

1393

00:48:46,630 --> 00:48:44,559

always talking about hunters will

1394

00:48:48,309 --> 00:48:46,640

explain away a bigfoot sighting is a

1395

00:48:49,109 --> 00:48:48,319

bear because they want to go back out in

1396

00:48:50,790 --> 00:48:49,119

the woods

1397

00:48:52,870 --> 00:48:50,800

if they could say oh it was just the

1398

00:48:53,510 --> 00:48:52,880

bear you can go back in the woods with a

1399

00:48:55,109 --> 00:48:53,520

bear

1400

00:48:57,670 --> 00:48:55,119

you can't go back in the woods if you're

1401

00:49:00,710 --> 00:48:57,680

terrified of a gigantic hominid

1402

00:49:03,270 --> 00:49:00,720

yes yes that's a really good point

1403

00:49:03,990 --> 00:49:03,280

absolutely man yeah it's it's uh it's

1404

00:49:08,630 --> 00:49:04,000

something

1405

00:49:11,589 --> 00:49:08,640

it happens to you

1406

00:49:12,790 --> 00:49:11,599

you almost have to explain it away the

1407

00:49:15,670 --> 00:49:12,800

first time

1408

00:49:17,670 --> 00:49:15,680

otherwise you're gonna go crazy like you

1409

00:49:20,710 --> 00:49:17,680

just can't almost believe this

1410

00:49:23,349 --> 00:49:20,720

thing you know not to mention having to

1411

00:49:26,630 --> 00:49:23,359

tell that story to a bunch of people

1412

00:49:27,829 --> 00:49:26,640

and get their opinions i mean you just

1413

00:49:29,589 --> 00:49:27,839

tell your stories on

1414

00:49:31,190 --> 00:49:29,599
on tick tock and you get all these

1415

00:49:33,109 --> 00:49:31,200
people that are just like nope

1416

00:49:35,109 --> 00:49:33,119
sorry can you imagine if like it

1417

00:49:37,670 --> 00:49:35,119
actually happened to you and then you're

1418

00:49:38,790 --> 00:49:37,680
just trying to explain this to somebody

1419

00:49:42,069 --> 00:49:38,800
like

1420

00:49:43,829 --> 00:49:42,079
you know the this orange light thing

1421

00:49:45,430 --> 00:49:43,839
i don't i don't i've only said it on the

1422

00:49:47,349 --> 00:49:45,440
podcast and i've talked to ben

1423

00:49:49,670 --> 00:49:47,359
and like maybe a couple other like

1424

00:49:52,150 --> 00:49:49,680
closer friends but

1425

00:49:53,430 --> 00:49:52,160
i don't tell that story to anybody

1426

00:49:55,910 --> 00:49:53,440

because

1427

00:49:58,390 --> 00:49:55,920

why like i don't even know how to

1428

00:50:01,510 --> 00:49:58,400

explain it really it's such like a weird

1429

00:50:03,030 --> 00:50:01,520

thing that i couldn't imagine seeing one

1430

00:50:04,390 --> 00:50:03,040

in my room or being taken and then

1431

00:50:06,630 --> 00:50:04,400

trying to tell somebody

1432

00:50:08,390 --> 00:50:06,640

what happened to me you know it's like

1433

00:50:11,190 --> 00:50:08,400

it's like trying to explain your dreams

1434

00:50:12,230 --> 00:50:11,200

it could be the most vivid life-changing

1435

00:50:15,030 --> 00:50:12,240

thing that you've

1436

00:50:17,109 --> 00:50:15,040

ever dreamt yeah and try to explain that

1437

00:50:19,270 --> 00:50:17,119

to somebody without sounding crazy

1438

00:50:20,790 --> 00:50:19,280

well also also no one wants to hear

1439

00:50:23,190 --> 00:50:20,800

about your dream like it's just it

1440

00:50:27,109 --> 00:50:23,200

doesn't affect them so it's like

1441

00:50:28,390 --> 00:50:27,119

why are you even telling me this

1442

00:50:30,309 --> 00:50:28,400

yeah i don't know maybe that's a

1443

00:50:31,270 --> 00:50:30,319

pessimistic way to look at it i mean

1444

00:50:34,069 --> 00:50:31,280

okay so back

1445

00:50:35,829 --> 00:50:34,079

to the flip side of that we are also you

1446

00:50:37,349 --> 00:50:35,839

know what i find cute about humans is

1447

00:50:40,150 --> 00:50:37,359

that we are the only species that

1448

00:50:40,630 --> 00:50:40,160

really likes to watch ourselves like we

1449

00:50:42,710 --> 00:50:40,640

spend

1450

00:50:45,510 --> 00:50:42,720

a lot of our day just watching other

1451

00:50:46,950 --> 00:50:45,520

humans say stuff and do things

1452

00:50:48,710 --> 00:50:46,960

i think that's cute something that

1453

00:50:51,670 --> 00:50:48,720

humans do

1454

00:50:52,150 --> 00:50:51,680

right have you come across some of those

1455

00:50:56,230 --> 00:50:52,160

videos

1456

00:50:57,910 --> 00:50:56,240

on tick tock yet dan know which one

1457

00:50:59,990 --> 00:50:57,920

there's like a trend going on of like

1458

00:51:01,829 --> 00:51:00,000

instead of saying like being pessimistic

1459

00:51:03,030 --> 00:51:01,839

about like the human race and some of

1460

00:51:04,710 --> 00:51:03,040

the dumb we do

1461

00:51:06,150 --> 00:51:04,720

which i could talk about all day like

1462

00:51:08,150 --> 00:51:06,160

stuff you know like

1463

00:51:09,589 --> 00:51:08,160

like a bill burbitt but like if you look

1464

00:51:11,910 --> 00:51:09,599

at it through the lens of

1465

00:51:12,790 --> 00:51:11,920

ins instead of being negative saying uh

1466

00:51:13,910 --> 00:51:12,800

uh

1467

00:51:16,069 --> 00:51:13,920

you know what's something i find that

1468

00:51:16,710 --> 00:51:16,079

humans do are cute and it's like we

1469

00:51:19,750 --> 00:51:16,720

celebrate

1470

00:51:21,829 --> 00:51:19,760

our uh

1471

00:51:23,270 --> 00:51:21,839

our relatives were born like one one day

1472

00:51:24,549 --> 00:51:23,280

a year and we all get together and we

1473

00:51:25,420 --> 00:51:24,559

have cake that's kind of

1474

00:51:29,030 --> 00:51:25,430

that's kind of cute

1475

00:51:31,109 --> 00:51:29,040

[Laughter]

1476

00:51:33,270 --> 00:51:31,119

i i hope the positivity comes out of

1477

00:51:35,670 --> 00:51:33,280

tick tock that's that's the goal like

1478

00:51:37,670 --> 00:51:35,680

use that as a positive tool when you can

1479

00:51:40,309 --> 00:51:37,680

because it gets

1480

00:51:41,910 --> 00:51:40,319

it gets turbulent at times but i had i

1481

00:51:44,230 --> 00:51:41,920

can't say i've seen any of the videos

1482

00:51:46,870 --> 00:51:44,240

you're describing yeah

1483

00:51:47,349 --> 00:51:46,880

i it takes so much effort to make little

1484

00:51:49,990 --> 00:51:47,359

videos

1485

00:51:52,150 --> 00:51:50,000

um we talked about it i can't just it's

1486

00:51:53,829 --> 00:51:52,160

a one minute video but it takes me 20

1487

00:51:56,150 --> 00:51:53,839

minutes to record it because i keep

1488

00:51:57,349 --> 00:51:56,160

loving on the word so i i it's hard for

1489

00:52:00,309 --> 00:51:57,359

me to find time to watch

1490

00:52:01,750 --> 00:52:00,319

other people's videos be terrible yeah

1491

00:52:04,549 --> 00:52:01,760

it's it's crazy i mean

1492

00:52:06,390 --> 00:52:04,559

uh when we started as we've been doing

1493

00:52:06,710 --> 00:52:06,400

this podcast for almost two years like i

1494

00:52:08,630 --> 00:52:06,720

have

1495

00:52:09,750 --> 00:52:08,640

actually because we talk so much to

1496

00:52:13,430 --> 00:52:09,760

people directly

1497

00:52:15,030 --> 00:52:13,440

i've stopped consuming as much and uh

1498

00:52:16,309 --> 00:52:15,040

and it kind of sucks and it's kind of

1499

00:52:18,630 --> 00:52:16,319

like okay well that makes sense i just

1500

00:52:22,470 --> 00:52:18,640

don't have enough time in the day

1501
00:52:22,950 --> 00:52:22,480
to to do that um but yeah like the the

1502
00:52:26,309 --> 00:52:22,960
12

1503
00:52:29,670 --> 00:52:26,319
to put in

1504
00:52:31,670 --> 00:52:29,680
to this something that's gonna be uh

1505
00:52:32,790 --> 00:52:31,680
you know maybe maybe a minute or 30

1506
00:52:34,870 --> 00:52:32,800
seconds the

1507
00:52:36,470 --> 00:52:34,880
the effectiveness and the efficiency you

1508
00:52:39,750 --> 00:52:36,480
can't argue with that

1509
00:52:42,470 --> 00:52:39,760
with with the platform

1510
00:52:43,109 --> 00:52:42,480
oh yeah i mean it's it's a good force

1511
00:52:45,510 --> 00:52:43,119
magnus

1512
00:52:47,270 --> 00:52:45,520
multiplier force multiplier basically

1513
00:52:49,910 --> 00:52:47,280

you can take this one little thing

1514

00:52:52,630 --> 00:52:49,920

and send it out to the ether and it does

1515

00:52:54,870 --> 00:52:52,640

the work for you so it's definitely a

1516

00:52:56,870 --> 00:52:54,880

good tool to use to try to communicate

1517

00:52:59,190 --> 00:52:56,880

with a mass amount of people

1518

00:53:01,829 --> 00:52:59,200

but i also have a job i also have a

1519

00:53:03,510 --> 00:53:01,839

family i also have the

1520

00:53:05,829 --> 00:53:03,520

home improvement projects i got to do

1521

00:53:07,829 --> 00:53:05,839

everything else

1522

00:53:09,510 --> 00:53:07,839

that's my free time is making these

1523

00:53:10,870 --> 00:53:09,520

videos a lot of it

1524

00:53:12,309 --> 00:53:10,880

and then trying to keep up with some of

1525

00:53:13,190 --> 00:53:12,319

the other stuff and i'll tell you right

1526

00:53:15,109 --> 00:53:13,200

now a lot of

1527

00:53:16,470 --> 00:53:15,119

like they encourage you to respond to

1528

00:53:19,270 --> 00:53:16,480

comments so

1529

00:53:20,790 --> 00:53:19,280

that's another big time suck when i'm on

1530

00:53:22,309 --> 00:53:20,800

tick tock it's just trying to

1531

00:53:24,710 --> 00:53:22,319

i want to i want to have open

1532

00:53:26,309 --> 00:53:24,720

conversation that's one thing that has

1533

00:53:29,430 --> 00:53:26,319

shocked me

1534

00:53:30,710 --> 00:53:29,440

is the amount of people that are sharing

1535

00:53:32,710 --> 00:53:30,720

their stories

1536

00:53:34,390 --> 00:53:32,720

of their encounters of their sightings

1537

00:53:37,109 --> 00:53:34,400

in the comment section

1538

00:53:37,750 --> 00:53:37,119

i put one out about uh black triangles

1539

00:53:40,950 --> 00:53:37,760

that

1540

00:53:43,750 --> 00:53:40,960

going to drop yep

1541

00:53:44,390 --> 00:53:43,760

maybe it's in the uap task force report

1542

00:53:48,150 --> 00:53:44,400

um

1543

00:53:51,430 --> 00:53:48,160

but i'd say 30 people

1544

00:53:53,030 --> 00:53:51,440

commented i saw a black triangle fly

1545

00:53:55,589 --> 00:53:53,040

over my school

1546

00:53:57,349 --> 00:53:55,599

when we had a fire drill me and my five

1547

00:54:00,150 --> 00:53:57,359

buddy saw and it zipped off

1548

00:54:00,630 --> 00:54:00,160

and they're they're giving these very

1549

00:54:03,829 --> 00:54:00,640

real

1550

00:54:06,069 --> 00:54:03,839

very specific examples of

1551
00:54:08,230 --> 00:54:06,079
of their experience there's another guy

1552
00:54:11,750 --> 00:54:08,240
that i thought was fascinating he said

1553
00:54:14,790 --> 00:54:11,760
i saw it come real fast

1554
00:54:16,790 --> 00:54:14,800
and decelerate suddenly sit there for a

1555
00:54:19,270 --> 00:54:16,800
minute and then accelerate real fast

1556
00:54:19,829 --> 00:54:19,280
i've i've rarely heard anyone talk about

1557
00:54:22,790 --> 00:54:19,839
anything

1558
00:54:24,549 --> 00:54:22,800
decelerating quickly that there's some

1559
00:54:25,589 --> 00:54:24,559
of these experiences in the comment

1560
00:54:28,470 --> 00:54:25,599
sections that are like

1561
00:54:30,069 --> 00:54:28,480
this guy's telling what he knows it's

1562
00:54:32,470 --> 00:54:30,079
the truth like he's telling us

1563
00:54:34,230 --> 00:54:32,480

his truth right he's thought something

1564

00:54:36,230 --> 00:54:34,240

and he's and he's sharing it with us so

1565

00:54:38,549 --> 00:54:36,240

i always try to make a point to

1566

00:54:39,910 --> 00:54:38,559

tell him thank you for sharing it and

1567

00:54:41,030 --> 00:54:39,920

then try to get a little bit more

1568

00:54:43,750 --> 00:54:41,040

information

1569

00:54:45,430 --> 00:54:43,760

um because i can't help myself what did

1570

00:54:47,030 --> 00:54:45,440

the skin of it look like can you see

1571

00:54:49,910 --> 00:54:47,040

anything

1572

00:54:51,190 --> 00:54:49,920

or what do you think it is just just

1573

00:54:52,789 --> 00:54:51,200

some information so

1574

00:54:55,670 --> 00:54:52,799

it's been interesting in the comments

1575

00:54:59,190 --> 00:54:55,680

section dude have you seen the uh

1576
00:55:02,710 --> 00:54:59,200
the senate intelligence budget uh report

1577
00:55:05,190 --> 00:55:02,720
for 2021 i'm not even sure oh yeah

1578
00:55:06,230 --> 00:55:05,200
right now yeah we might be able to okay

1579
00:55:08,950 --> 00:55:06,240
you can cool

1580
00:55:11,190 --> 00:55:08,960
yeah yeah i was gonna say if not we can

1581
00:55:13,510 --> 00:55:11,200
we could send you an email with it it's

1582
00:55:15,549 --> 00:55:13,520
it's just it's so crazy like the fact

1583
00:55:20,069 --> 00:55:15,559
that they're like yeah

1584
00:55:24,069 --> 00:55:20,079
61.9 billion dollars specifically for

1585
00:55:25,750 --> 00:55:24,079
uap research and like that's just

1586
00:55:27,270 --> 00:55:25,760
i don't think that's all the money going

1587
00:55:29,349 --> 00:55:27,280
towards yeah that's just what they're

1588
00:55:30,950 --> 00:55:29,359

telling us about you know and it's like

1589

00:55:32,789 --> 00:55:30,960

yeah we're just gonna we'll just put

1590

00:55:33,750 --> 00:55:32,799

this this nice little number in there

1591

00:55:37,349 --> 00:55:33,760

and uh wait

1592

00:55:44,470 --> 00:55:37,359

what was the number 61.9 billion dollars

1593

00:55:44,480 --> 00:55:49,349

the government is sexual

1594

00:55:53,910 --> 00:55:51,270

i'll politely push back on you on that

1595

00:55:55,750 --> 00:55:53,920

one yeah so here's my understanding

1596

00:55:57,230 --> 00:55:55,760

the senate select intelligence committee

1597

00:56:00,789 --> 00:55:57,240

bill which i think is

1598

00:56:02,630 --> 00:56:00,799

3905 was issued

1599

00:56:04,630 --> 00:56:02,640

and published with mark rubio's name on

1600

00:56:07,910 --> 00:56:04,640

the front page back in

1601
00:56:10,230 --> 00:56:07,920
june of last year yeah that was that

1602
00:56:12,309 --> 00:56:10,240
document was written by the entire

1603
00:56:13,430 --> 00:56:12,319
committee including mark warner

1604
00:56:16,309 --> 00:56:13,440
and you know who else was on the

1605
00:56:18,950 --> 00:56:16,319
committee at that time kamala harris

1606
00:56:20,230 --> 00:56:18,960
she was involved in the senate select

1607
00:56:22,390 --> 00:56:20,240
intelligence committee while they were

1608
00:56:25,589 --> 00:56:22,400
putting the verbiage together

1609
00:56:27,510 --> 00:56:25,599
for the bill that then got

1610
00:56:28,870 --> 00:56:27,520
slipped i'll call it slipped into but it

1611
00:56:31,589 --> 00:56:28,880
was just normal

1612
00:56:33,670 --> 00:56:31,599
politics as usual into the december

1613
00:56:36,230 --> 00:56:33,680

omnibus coveter leaf bill

1614

00:56:37,589 --> 00:56:36,240

and that's the funding that came forward

1615

00:56:40,710 --> 00:56:37,599

to actually

1616

00:56:44,789 --> 00:56:40,720

start the clock on the usa the uap

1617

00:56:45,349 --> 00:56:44,799

task force 180 report that's due in june

1618

00:56:48,390 --> 00:56:45,359

now

1619

00:56:50,710 --> 00:56:48,400

so it goes back to the last year

1620

00:56:51,510 --> 00:56:50,720

that's when that's when uh uh terry

1621

00:56:53,670 --> 00:56:51,520

loveless sen

1622

00:56:54,789 --> 00:56:53,680

sent it to us he was like hey check this

1623

00:56:56,789 --> 00:56:54,799

out and it was about

1624

00:56:58,470 --> 00:56:56,799

about a year ago i think that he sent it

1625

00:57:00,390 --> 00:56:58,480

to us so

1626
00:57:01,510 --> 00:57:00,400
there was a lot of strange verbage in

1627
00:57:04,549 --> 00:57:01,520
that document too

1628
00:57:06,630 --> 00:57:04,559
it was yeah it was weird

1629
00:57:08,230 --> 00:57:06,640
i think that was probably the draft that

1630
00:57:09,270 --> 00:57:08,240
they had written i don't think it was

1631
00:57:11,589 --> 00:57:09,280
the actual like

1632
00:57:14,710 --> 00:57:11,599
what got put in there i think it was

1633
00:57:18,069 --> 00:57:14,720
like a pre-draft of what they wanted to

1634
00:57:19,430 --> 00:57:18,079
propose and uh for for the bill

1635
00:57:21,510 --> 00:57:19,440
yeah and i was just reading through it i

1636
00:57:23,829 --> 00:57:21,520
was like this is just

1637
00:57:25,430 --> 00:57:23,839
kind of ridiculous but yeah we know

1638
00:57:26,390 --> 00:57:25,440

you're gonna spend way more money than

1639

00:57:29,190 --> 00:57:26,400

that dude

1640

00:57:30,069 --> 00:57:29,200

we know it yeah awesome so let me let me

1641

00:57:32,309 --> 00:57:30,079

tell you this

1642

00:57:33,270 --> 00:57:32,319

uh news that just i don't know if it's

1643

00:57:35,270 --> 00:57:33,280

news this

1644

00:57:36,390 --> 00:57:35,280

theory that started to been floating

1645

00:57:38,309 --> 00:57:36,400

around uh

1646

00:57:40,789 --> 00:57:38,319

john greenwald from blackfall i don't

1647

00:57:44,150 --> 00:57:40,799

know if you guys are yeah followers

1648

00:57:48,230 --> 00:57:44,160

that guy's so diligent and thorough

1649

00:57:49,910 --> 00:57:48,240

i'm scared of dude yeah he was reviewing

1650

00:57:51,750 --> 00:57:49,920

the information in that bill and he was

1651

00:57:54,390 --> 00:57:51,760

like i don't know if you guys

1652

00:57:55,829 --> 00:57:54,400

have recognized this but this is chris

1653

00:57:58,549 --> 00:57:55,839

mellon writing this

1654

00:57:59,750 --> 00:57:58,559

this isn't these senators they don't

1655

00:58:03,349 --> 00:57:59,760

know what they're talking about

1656

00:58:05,589 --> 00:58:03,359

chris mellon has guided them

1657

00:58:06,829 --> 00:58:05,599

to put this verbage together to be put

1658

00:58:09,750 --> 00:58:06,839

into this

1659

00:58:10,870 --> 00:58:09,760

um whatever the terminology is for the

1660

00:58:13,750 --> 00:58:10,880

bill

1661

00:58:15,910 --> 00:58:13,760

so it's got chris mellon's fingerprints

1662

00:58:19,030 --> 00:58:15,920

all over it oh yeah

1663

00:58:21,670 --> 00:58:19,040

johnson oh yeah yeah that makes

1664

00:58:22,150 --> 00:58:21,680

yeah that makes a lot of sense for sure

1665

00:58:25,430 --> 00:58:22,160

and him

1666

00:58:29,030 --> 00:58:25,440

and lou elizondo are the main

1667

00:58:32,549 --> 00:58:29,040

two dudes from ttsa

1668

00:58:34,150 --> 00:58:32,559

uh all right so

1669

00:58:36,549 --> 00:58:34,160

i think those are some really important

1670

00:58:38,710 --> 00:58:36,559

data points to put together too because

1671

00:58:40,789 --> 00:58:38,720

you have chris millen who i mean i

1672

00:58:43,589 --> 00:58:40,799

haven't heard a bad thing about the guy

1673

00:58:44,230 --> 00:58:43,599

i mean it seems like a like a righteous

1674

00:58:46,789 --> 00:58:44,240

guy

1675

00:58:47,990 --> 00:58:46,799

i'm sure you could find some well but

1676

00:58:51,510 --> 00:58:48,000

yeah it's just

1677

00:58:54,309 --> 00:58:51,520

man i i have learned over the past

1678

00:58:55,910 --> 00:58:54,319

two years like just be careful what you

1679

00:58:59,750 --> 00:58:55,920

put in all of your belief

1680

00:59:01,030 --> 00:58:59,760

into because it just man that one off

1681

00:59:05,030 --> 00:59:01,040

chance to where we're just

1682

00:59:08,230 --> 00:59:05,040

being led into thinking a certain way

1683

00:59:11,030 --> 00:59:08,240

oh man so the verbiage and i'm i'm doing

1684

00:59:13,109 --> 00:59:11,040

the charlie day thing right now

1685

00:59:14,870 --> 00:59:13,119

kamala harris is over here and then like

1686

00:59:18,069 --> 00:59:14,880

bananas and pajamas are like

1687

00:59:19,990 --> 00:59:18,079

it's connected

1688

00:59:22,069 --> 00:59:20,000

dude i don't know how i don't know

1689

00:59:23,910 --> 00:59:22,079

hardly anybody that knows pajamas and

1690

00:59:24,390 --> 00:59:23,920

her bananas in pajamas but that was me

1691

00:59:26,950 --> 00:59:24,400

and my

1692

00:59:28,950 --> 00:59:26,960

little brother's damn what's what's up

1693

00:59:29,589 --> 00:59:28,960

bro those fools were always coming down

1694

00:59:33,670 --> 00:59:29,599

the stairs

1695

00:59:36,950 --> 00:59:33,680

bears

1696

00:59:39,430 --> 00:59:36,960

new pajamas are going down the stairs

1697

00:59:40,789 --> 00:59:39,440

yeah was it b1 and b2 i think that was

1698

00:59:45,510 --> 00:59:40,799

their name

1699

00:59:45,910 --> 00:59:45,520

yeah bananas and pajamas went hard oh

1700

00:59:46,800 --> 00:59:45,920

yeah

1701
00:59:49,589 --> 00:59:46,810
i used to love that

1702
00:59:52,710 --> 00:59:49,599
[Laughter]

1703
00:59:55,190 --> 00:59:52,720
oh man yeah also also

1704
00:59:56,069 --> 00:59:55,200
uh have you ever opened up have you ever

1705
01:00:01,750 --> 00:59:56,079
peeled a banana

1706
01:00:04,470 --> 01:00:01,760
and said may i take you a jacket sir

1707
01:00:08,309 --> 01:00:04,480
not yet but i'm gonna now just just say

1708
01:00:08,319 --> 01:00:11,510
you're feeling a banana

1709
01:00:14,549 --> 01:00:12,950
i said that in front of jess the other

1710
01:00:16,630 --> 01:00:14,559
day and she was like what

1711
01:00:20,470 --> 01:00:16,640
are you talking to yourself no i'm

1712
01:00:23,589 --> 01:00:20,480
obviously talking to this gentleman here

1713
01:00:28,470 --> 01:00:23,599

may i take your jacket sir

1714

01:00:33,190 --> 01:00:28,480

pardon me mrs jaquitta

1715

01:00:37,109 --> 01:00:36,069

um anyways so yeah yeah get us back on

1716

01:00:38,950 --> 01:00:37,119

track dad

1717

01:00:41,109 --> 01:00:38,960

let's let's move from bananas and

1718

01:00:44,390 --> 01:00:41,119

pajamas to quantum physics

1719

01:00:47,750 --> 01:00:44,400

oh let's go smooth transition

1720

01:00:51,030 --> 01:00:47,760

um so lou elizondo

1721

01:00:53,270 --> 01:00:51,040

like i said was on a plethora of

1722

01:00:54,230 --> 01:00:53,280

podcasts in the beginning of the year

1723

01:00:57,349 --> 01:00:54,240

and

1724

01:01:00,870 --> 01:00:57,359

he was on a fox news interview

1725

01:01:03,510 --> 01:01:00,880

two days ago and then today he was on a

1726

01:01:05,750 --> 01:01:03,520

newsmax interview for there's a little

1727

01:01:08,870 --> 01:01:05,760

four-minute blur but that's major

1728

01:01:12,150 --> 01:01:08,880

mainstream media so i'm wondering if

1729

01:01:15,670 --> 01:01:12,160

he's gone all right i did the podcast

1730

01:01:16,710 --> 01:01:15,680

i'm getting the long four interviews out

1731

01:01:19,109 --> 01:01:16,720

of the way

1732

01:01:20,150 --> 01:01:19,119

that that information those interviews

1733

01:01:21,670 --> 01:01:20,160

are

1734

01:01:24,710 --> 01:01:21,680

backlogged you can go check them out

1735

01:01:27,270 --> 01:01:24,720

when you want to now i'm to say hey

1736

01:01:28,150 --> 01:01:27,280

general public here's a little blurb

1737

01:01:29,829 --> 01:01:28,160

about me

1738

01:01:32,069 --> 01:01:29,839

and if you look into me there's going to

1739

01:01:33,990 --> 01:01:32,079

be all this information on these

1740

01:01:36,470 --> 01:01:34,000

podcasts that i've recently recorded

1741

01:01:39,510 --> 01:01:36,480

that you can dive into and explore

1742

01:01:40,390 --> 01:01:39,520

and learn more about my stance and

1743

01:01:44,230 --> 01:01:40,400

what's going on

1744

01:01:47,190 --> 01:01:44,240

in my eyes around so

1745

01:01:48,069 --> 01:01:47,200

now i was going no that you sent me the

1746

01:01:50,470 --> 01:01:48,079

website

1747

01:01:51,349 --> 01:01:50,480

and uh dude what you're saying is

1748

01:01:53,750 --> 01:01:51,359

totally

1749

01:01:55,430 --> 01:01:53,760

it makes so there's we're paying

1750

01:01:56,069 --> 01:01:55,440

attention to the fact that it's recent

1751

01:01:58,309 --> 01:01:56,079

that's the what

1752

01:02:00,309 --> 01:01:58,319

what sticks out in my mind because you

1753

01:02:01,109 --> 01:02:00,319

know we have this split from tsa now

1754

01:02:04,309 --> 01:02:01,119

he's able to

1755

01:02:05,430 --> 01:02:04,319

talk about well i mean we could make up

1756

01:02:08,150 --> 01:02:05,440

whatever we want about

1757

01:02:08,870 --> 01:02:08,160

the reasons why but what we can gather

1758

01:02:11,349 --> 01:02:08,880

is

1759

01:02:12,470 --> 01:02:11,359

he's he's just talking a lot more and i

1760

01:02:13,829 --> 01:02:12,480

think maybe

1761

01:02:15,589 --> 01:02:13,839

one of the things the reasons why he

1762

01:02:18,870 --> 01:02:15,599

went on all these podcasts

1763

01:02:20,710 --> 01:02:18,880

is to to uh to answer that question that

1764

01:02:21,430 --> 01:02:20,720

the community you know the quote-unquote

1765

01:02:24,950 --> 01:02:21,440

ufo

1766

01:02:26,710 --> 01:02:24,960

lot of the leaders in

1767

01:02:28,230 --> 01:02:26,720

in the community the most vocal people

1768

01:02:30,309 --> 01:02:28,240

were like man

1769

01:02:32,789 --> 01:02:30,319

ttsa never talked to any of us we're

1770

01:02:35,349 --> 01:02:32,799

we've been we've been in this for

1771

01:02:36,630 --> 01:02:35,359

50 years and they they just skipped

1772

01:02:37,349 --> 01:02:36,640

right over us so i feel like maybe

1773

01:02:40,789 --> 01:02:37,359

they're

1774

01:02:44,150 --> 01:02:40,799

from the community

1775

01:02:46,549 --> 01:02:44,160

that's going to serve and and uh

1776

01:02:47,910 --> 01:02:46,559

replicate this message and they start it

1777

01:02:48,470 --> 01:02:47,920

so they kind of like changed gears a

1778

01:02:50,710 --> 01:02:48,480

little bit

1779

01:02:51,829 --> 01:02:50,720

so they said all right let's let's do

1780

01:02:54,230 --> 01:02:51,839

this on purpose

1781

01:02:56,230 --> 01:02:54,240

lou you're the guy let's go and then

1782

01:02:59,270 --> 01:02:56,240

boom now he has this

1783

01:03:00,390 --> 01:02:59,280

uh this repertoire this resume of of

1784

01:03:02,470 --> 01:03:00,400

long form yeah i

1785

01:03:03,829 --> 01:03:02,480

dude i totally agree yeah now it's like

1786

01:03:05,349 --> 01:03:03,839

if you're interested

1787

01:03:06,870 --> 01:03:05,359

just like full circle back to what we

1788

01:03:08,069 --> 01:03:06,880

were talking about at the beginning you

1789

01:03:09,670 --> 01:03:08,079

have this headline

1790

01:03:11,190 --> 01:03:09,680

that people are going to see on cnn if

1791

01:03:13,910 --> 01:03:11,200

they want to see the the

1792

01:03:16,710 --> 01:03:13,920

full version go check them out on so and

1793

01:03:18,630 --> 01:03:16,720

so podcast and listen to the whole thing

1794

01:03:20,470 --> 01:03:18,640

oh yeah so i think that might be part of

1795

01:03:21,990 --> 01:03:20,480

his plan i'm interested to see what the

1796

01:03:24,549 --> 01:03:22,000

next week holds because

1797

01:03:25,589 --> 01:03:24,559

if he is if he's got it all lined up

1798

01:03:27,829 --> 01:03:25,599

where he's just going to be

1799

01:03:30,230 --> 01:03:27,839

banging them out that is going to be

1800

01:03:32,710 --> 01:03:30,240

very interesting to see

1801
01:03:33,670 --> 01:03:32,720
but i remember where i lost my train of

1802
01:03:36,710 --> 01:03:33,680
thought

1803
01:03:40,390 --> 01:03:36,720
the one the first interview on fox news

1804
01:03:44,069 --> 01:03:40,400
he talked about people witnessing things

1805
01:03:45,510 --> 01:03:44,079
that are beyond our understanding of the

1806
01:03:46,630 --> 01:03:45,520
laws of physics

1807
01:03:47,990 --> 01:03:46,640
like they're breaking the laws of

1808
01:03:49,109 --> 01:03:48,000
physics basically as well how we're

1809
01:03:50,710 --> 01:03:49,119
describing

1810
01:03:52,390 --> 01:03:50,720
and he said it's not actually what's

1811
01:03:54,950 --> 01:03:52,400
happening it is

1812
01:03:55,510 --> 01:03:54,960
breaking our understanding of the laws

1813
01:03:58,150 --> 01:03:55,520

of physics

1814

01:03:59,430 --> 01:03:58,160

we're now trying to now figuring out

1815

01:04:02,549 --> 01:03:59,440

that we don't know it all

1816

01:04:04,630 --> 01:04:02,559

which i think that's a very

1817

01:04:06,230 --> 01:04:04,640

logical approach to take is hey i don't

1818

01:04:09,910 --> 01:04:06,240

know everything there's something that

1819

01:04:11,829 --> 01:04:09,920

i i need to investigate further and

1820

01:04:13,109 --> 01:04:11,839

and i don't remember i don't know if you

1821

01:04:16,470 --> 01:04:13,119

remember it but there was

1822

01:04:17,029 --> 01:04:16,480

the eighth tip briefing slide number

1823

01:04:19,589 --> 01:04:17,039

nine

1824

01:04:20,309 --> 01:04:19,599

it got leaked on chris mellon's website

1825

01:04:23,750 --> 01:04:20,319

or his

1826

01:04:27,510 --> 01:04:23,760

one of his uh social media platforms and

1827

01:04:30,549 --> 01:04:27,520

the fairy in bold says

1828

01:04:31,670 --> 01:04:30,559

what was once called the phenomena is

1829

01:04:35,750 --> 01:04:31,680

now considered

1830

01:04:36,390 --> 01:04:35,760

quantum physics he's pushing the quantum

1831

01:04:39,910 --> 01:04:36,400

physics

1832

01:04:40,950 --> 01:04:39,920

aspect to be somewhat of an explanation

1833

01:04:42,630 --> 01:04:40,960

for

1834

01:04:44,390 --> 01:04:42,640

what we're seeing and what's happening

1835

01:04:46,789 --> 01:04:44,400

around us which

1836

01:04:48,069 --> 01:04:46,799

i've i've made one little video i i'm

1837

01:04:49,990 --> 01:04:48,079

not going to sit here and say i

1838

01:04:51,190 --> 01:04:50,000

understand quantum physics because i do

1839

01:04:53,430 --> 01:04:51,200

not

1840

01:04:55,270 --> 01:04:53,440

but it's one of those things that i

1841

01:04:56,230 --> 01:04:55,280

think kind of ties a lot of things

1842

01:05:00,710 --> 01:04:56,240

together

1843

01:05:03,910 --> 01:05:00,720

and it's like tele communication

1844

01:05:05,910 --> 01:05:03,920

i always use the wrong word what is it

1845

01:05:09,349 --> 01:05:05,920

when you talk without talking

1846

01:05:11,510 --> 01:05:09,359

like teleport yeah always

1847

01:05:14,069 --> 01:05:11,520

mess that up to left telepathy maybe

1848

01:05:17,910 --> 01:05:14,079

that's quantum physics that play like

1849

01:05:22,390 --> 01:05:17,920

how how do the monarch butterflies

1850

01:05:23,910 --> 01:05:22,400

fly from mexico to canada in three

1851

01:05:26,069 --> 01:05:23,920

generations like it takes three

1852

01:05:28,390 --> 01:05:26,079

generations to make that trip

1853

01:05:29,190 --> 01:05:28,400

they so obviously none of them have ever

1854

01:05:30,549 --> 01:05:29,200

made it before

1855

01:05:32,789 --> 01:05:30,559

how do they know where they're going how

1856

01:05:34,630 --> 01:05:32,799

does that information get transferred

1857

01:05:36,390 --> 01:05:34,640

from one generation to the next could it

1858

01:05:38,710 --> 01:05:36,400

be quan

1859

01:05:39,990 --> 01:05:38,720

explained by quantum physics and that's

1860

01:05:41,510 --> 01:05:40,000

one of the things he kind of starts

1861

01:05:43,510 --> 01:05:41,520

getting at is

1862

01:05:44,870 --> 01:05:43,520

it might not be a whole bunch of

1863

01:05:47,670 --> 01:05:44,880

different technologies

1864

01:05:48,230 --> 01:05:47,680

it might be one technology that explains

1865

01:05:50,470 --> 01:05:48,240

it all

1866

01:05:51,750 --> 01:05:50,480

and that's where i think the writing is

1867

01:05:52,390 --> 01:05:51,760

on the wall so i'm going to read the

1868

01:05:55,109 --> 01:05:52,400

teal

1869

01:05:57,029 --> 01:05:55,119

healies that he thinks it's quantum

1870

01:06:00,390 --> 01:05:57,039

physics quantum mechanics

1871

01:06:01,990 --> 01:06:00,400

whatever that means um you got to get

1872

01:06:02,950 --> 01:06:02,000

somebody on the show smarter than me to

1873

01:06:06,309 --> 01:06:02,960

explain it

1874

01:06:07,430 --> 01:06:06,319

but maybe that's the the lynchpin that

1875

01:06:10,549 --> 01:06:07,440

we're missing

1876

01:06:13,990 --> 01:06:10,559

yeah dude i mean we spent the weekend

1877

01:06:14,789 --> 01:06:14,000

with eric mitchell and some of the stuff

1878

01:06:17,029 --> 01:06:14,799

i mean

1879

01:06:18,150 --> 01:06:17,039

without giving too much away is leaning

1880

01:06:21,589 --> 01:06:18,160

towards that

1881

01:06:22,390 --> 01:06:21,599

uh this this is kind of this is kind of

1882

01:06:24,630 --> 01:06:22,400

surfacing

1883

01:06:26,470 --> 01:06:24,640

with this quantum physics i mean again

1884

01:06:29,510 --> 01:06:26,480

eric mitchell isn't like a

1885

01:06:32,630 --> 01:06:29,520

physicist but he does know people that

1886

01:06:34,309 --> 01:06:32,640

have studied that and are you know make

1887

01:06:37,430 --> 01:06:34,319

working at major universities doing

1888

01:06:39,589 --> 01:06:37,440

studies looking into the connection

1889

01:06:40,950 --> 01:06:39,599

i i think you're onto something dan like

1890

01:06:44,390 --> 01:06:40,960

i i think it could be

1891

01:06:44,789 --> 01:06:44,400

a new lens to understand physics i think

1892

01:06:47,430 --> 01:06:44,799

that's

1893

01:06:48,710 --> 01:06:47,440

i mean yeah quantum physics it's all

1894

01:06:52,470 --> 01:06:48,720

been theoretical

1895

01:06:55,270 --> 01:06:52,480

up until recently uh we can't really

1896

01:06:57,190 --> 01:06:55,280

prove and see it it's going back full

1897

01:06:58,789 --> 01:06:57,200

circle to that like proving things and

1898

01:06:59,670 --> 01:06:58,799

you just have to believe the person that

1899

01:07:02,710 --> 01:06:59,680

you believe

1900

01:07:05,190 --> 01:07:02,720

that you know the best and yeah

1901

01:07:06,870 --> 01:07:05,200

maybe the quantum physics is the

1902

01:07:08,789 --> 01:07:06,880

equivalent to the microscope

1903

01:07:11,190 --> 01:07:08,799

for the phenomena maybe we have to see

1904

01:07:15,190 --> 01:07:11,200

them through quantum physics

1905

01:07:16,069 --> 01:07:15,200

yeah and even even then dude like it's

1906

01:07:19,589 --> 01:07:16,079

like okay

1907

01:07:21,990 --> 01:07:19,599

we've mastered quantum physics like

1908

01:07:23,270 --> 01:07:22,000

what's the next step past quantum

1909

01:07:24,710 --> 01:07:23,280

physics you know like

1910

01:07:26,789 --> 01:07:24,720

because there will be one because we're

1911

01:07:28,950 --> 01:07:26,799

just we're literally scratching the

1912

01:07:30,390 --> 01:07:28,960

surface of this and it's like we're just

1913

01:07:33,349 --> 01:07:30,400

getting into quantum physics

1914

01:07:33,829 --> 01:07:33,359

quantum physics may explain like the

1915

01:07:36,390 --> 01:07:33,839

next

1916

01:07:38,390 --> 01:07:36,400

chapter to this whole thing and then

1917

01:07:41,910 --> 01:07:38,400

we're gonna go another

1918

01:07:43,589 --> 01:07:41,920

thousand years you know 500 years

1919

01:07:46,150 --> 01:07:43,599

through i'll even i'll even be nice

1920

01:07:46,870 --> 01:07:46,160

about it and say like another 150 years

1921

01:07:50,309 --> 01:07:46,880

until

1922

01:07:53,109 --> 01:07:50,319

we start breaking on this new type of of

1923

01:07:53,670 --> 01:07:53,119

science that we've never even thought of

1924

01:07:55,430 --> 01:07:53,680

because

1925

01:07:56,950 --> 01:07:55,440

quantum physics is going to open the

1926

01:08:00,309 --> 01:07:56,960

doors to

1927

01:08:02,069 --> 01:08:00,319

so many new ideas and and and

1928

01:08:03,430 --> 01:08:02,079

things that we can do and then we're

1929

01:08:06,069 --> 01:08:03,440

gonna think oh

1930

01:08:06,710 --> 01:08:06,079

we have quantum physics we can now do

1931

01:08:09,109 --> 01:08:06,720

this

1932

01:08:11,589 --> 01:08:09,119

thing now that we have quantum physics

1933

01:08:13,430 --> 01:08:11,599

mastered right yeah it's like

1934

01:08:15,510 --> 01:08:13,440

like i think it's gonna keep going that

1935

01:08:15,910 --> 01:08:15,520

part fascinates me on like how far does

1936

01:08:18,309 --> 01:08:15,920

this

1937

01:08:19,510 --> 01:08:18,319

go man like just you know if you ever

1938

01:08:22,550 --> 01:08:19,520

looked at a fractal

1939

01:08:23,990 --> 01:08:22,560

it just it just keeps on going

1940

01:08:25,829 --> 01:08:24,000

there's been so many people that like

1941

01:08:29,510 --> 01:08:25,839

have had strange experiences

1942

01:08:31,669 --> 01:08:29,520

that came back saying i don't know man

1943

01:08:33,030 --> 01:08:31,679

reality's a fractal dude and everybody's

1944

01:08:36,550 --> 01:08:33,040

like that's hilarious but

1945

01:08:38,709 --> 01:08:36,560

it just keeps going and going

1946

01:08:41,349 --> 01:08:38,719

it's just when you think it's gonna stop

1947

01:08:44,390 --> 01:08:41,359

it goes

1948

01:08:48,309 --> 01:08:44,400

yeah yeah definitely dude

1949

01:08:51,030 --> 01:08:48,319

like it's so it's so mind-blowing

1950

01:08:51,510 --> 01:08:51,040

yeah it's so mind-blowing oh i mean so

1951

01:08:55,349 --> 01:08:51,520

we

1952

01:08:57,590 --> 01:08:55,359

arrival

1953

01:08:58,630 --> 01:08:57,600

yeah and there's a key moment yeah dan

1954

01:09:00,630 --> 01:08:58,640

you've seen it so

1955

01:09:02,309 --> 01:09:00,640

there's a key moment where i i think i

1956

01:09:03,990 --> 01:09:02,319

look this is my favorite part of the

1957

01:09:06,149 --> 01:09:04,000

movie the concept that this

1958

01:09:07,749 --> 01:09:06,159

as learning as you learn the language of

1959

01:09:10,789 --> 01:09:07,759

this et

1960

01:09:12,950 --> 01:09:10,799

your consciousness begins to perceive

1961

01:09:15,269 --> 01:09:12,960

reality differently

1962

01:09:15,990 --> 01:09:15,279

i think that's just i mean full stop

1963

01:09:20,149 --> 01:09:16,000

there

1964

01:09:21,189 --> 01:09:20,159

yeah yeah i mean even the experiencers

1965

01:09:24,470 --> 01:09:21,199

themselves like

1966

01:09:27,510 --> 01:09:24,480

their reality is completely different

1967

01:09:31,669 --> 01:09:27,520

after their experience it's not

1968

01:09:33,269 --> 01:09:31,679

it's not what we what we live every day

1969

01:09:34,149 --> 01:09:33,279

everybody's experiences are different

1970

01:09:36,550 --> 01:09:34,159

but these people

1971

01:09:37,430 --> 01:09:36,560

seem to have like a completely different

1972

01:09:39,430 --> 01:09:37,440

just

1973

01:09:42,070 --> 01:09:39,440

reality in the way that they think and

1974

01:09:46,470 --> 01:09:42,080

the way they process information and

1975

01:09:48,390 --> 01:09:46,480

how they live is just way different yeah

1976

01:09:50,149 --> 01:09:48,400

well the person that comes to mind right

1977

01:09:53,749 --> 01:09:50,159

away is samantha

1978

01:09:54,550 --> 01:09:53,759

moet i believe is like listening to her

1979

01:09:56,630 --> 01:09:54,560

interview i'm like

1980

01:09:58,149 --> 01:09:56,640

wow she is a completely different human

1981

01:10:01,510 --> 01:09:58,159

being than me like

1982

01:10:02,390 --> 01:10:01,520

he takes the world in 180 degrees

1983

01:10:05,350 --> 01:10:02,400

different than i do

1984

01:10:06,310 --> 01:10:05,360

and it's fascinating to listen to yeah

1985

01:10:11,189 --> 01:10:06,320

yeah

1986

01:10:13,189 --> 01:10:11,199

ah man like so so do you ever

1987

01:10:15,350 --> 01:10:13,199

this is my conspiracy mind going a

1988

01:10:19,270 --> 01:10:15,360

little crazy here but

1989

01:10:23,430 --> 01:10:19,280

do you ever worry about about the

1990

01:10:25,830 --> 01:10:23,440

information that we are receiving from

1991

01:10:27,350 --> 01:10:25,840

the government in the military as

1992

01:10:29,430 --> 01:10:27,360

compared to

1993

01:10:31,270 --> 01:10:29,440

experiencers themselves because i feel

1994

01:10:32,470 --> 01:10:31,280

like experiences get like a really bad

1995

01:10:35,030 --> 01:10:32,480

rap like oh

1996

01:10:36,390 --> 01:10:35,040

like you used to walk dogs like who the

1997

01:10:38,870 --> 01:10:36,400

are you you know like

1998

01:10:39,750 --> 01:10:38,880

what kind of validity do you have and

1999

01:10:43,430 --> 01:10:39,760

they're like

2000

01:10:46,229 --> 01:10:43,440

i was taken on a ship

2001

01:10:47,669 --> 01:10:46,239

and i've seen them and i have

2002

01:10:50,070 --> 01:10:47,679

experienced them

2003

01:10:51,430 --> 01:10:50,080

and then you look at uh you look at

2004

01:10:53,350 --> 01:10:51,440

these you know like

2005

01:10:54,790 --> 01:10:53,360

marco rubio and he's like well i've got

2006

01:10:57,750 --> 01:10:54,800

all this information

2007

01:10:58,550 --> 01:10:57,760

and like do you ever do you ever like

2008

01:11:00,149 --> 01:10:58,560

because i do

2009

01:11:01,910 --> 01:11:00,159

i always worry about it i think it's

2010

01:11:03,990 --> 01:11:01,920

fascinating i think it's really cool i

2011

01:11:05,669 --> 01:11:04,000

think it's awesome and i love that like

2012

01:11:07,830 --> 01:11:05,679

they're coming out with the information

2013

01:11:10,070 --> 01:11:07,840

but on the flip side i really do get

2014

01:11:12,390 --> 01:11:10,080

kind of worried about it

2015

01:11:13,189 --> 01:11:12,400

because yeah it seems like they don't

2016

01:11:15,669 --> 01:11:13,199

listen

2017

01:11:17,030 --> 01:11:15,679

like the most important part to the

2018

01:11:18,790 --> 01:11:17,040

entire thing or the

2019

01:11:21,270 --> 01:11:18,800

people that are being taken by these

2020

01:11:21,590 --> 01:11:21,280

things and and having this stuff done to

2021

01:11:24,390 --> 01:11:21,600

them

2022

01:11:25,990 --> 01:11:24,400

and they just get completely left out

2023

01:11:28,070 --> 01:11:26,000

you know it's all about the craft

2024

01:11:29,830 --> 01:11:28,080

it's about the ufo and it's about the

2025

01:11:30,310 --> 01:11:29,840

science and and what are these things

2026

01:11:32,310 --> 01:11:30,320

doing

2027

01:11:33,350 --> 01:11:32,320

and and the threat and stuff like that

2028

01:11:35,590 --> 01:11:33,360

but like

2029

01:11:38,390 --> 01:11:35,600

okay so what about the people that have

2030

01:11:40,149 --> 01:11:38,400

directly interacted with these things i

2031

01:11:43,350 --> 01:11:40,159

mean we even look at kevin day

2032

01:11:46,550 --> 01:11:43,360

dude kevin day is a like his

2033

01:11:49,350 --> 01:11:46,560

he's completely changed i mean like

2034

01:11:49,830 --> 01:11:49,360

the way he thinks and like you know it

2035

01:11:53,669 --> 01:11:49,840

really

2036

01:11:54,550 --> 01:11:53,679

affected him on a completely different

2037

01:11:57,350 --> 01:11:54,560

level

2038

01:11:58,070 --> 01:11:57,360

then it seems like it affected a lot of

2039

01:12:00,950 --> 01:11:58,080

other people

2040

01:12:03,189 --> 01:12:00,960

you know and i always wonder what that

2041

01:12:05,350 --> 01:12:03,199

connection is between

2042

01:12:06,709 --> 01:12:05,360

those certain people and then just the

2043

01:12:08,630 --> 01:12:06,719

people who are just like

2044

01:12:10,390 --> 01:12:08,640

you know i have this information you

2045

01:12:13,030 --> 01:12:10,400

know

2046

01:12:14,630 --> 01:12:13,040

well i'll i'll explain it simply as

2047

01:12:17,110 --> 01:12:14,640

that's because of the stigma

2048

01:12:18,709 --> 01:12:17,120

like without a doubt a politician's not

2049

01:12:19,510 --> 01:12:18,719

going to get up in front of people and

2050

01:12:22,709 --> 01:12:19,520

say

2051

01:12:24,790 --> 01:12:22,719

listen listen to these uh um

2052

01:12:26,470 --> 01:12:24,800

extravagant stories of people getting

2053

01:12:28,390 --> 01:12:26,480

abducted that that's

2054

01:12:30,950 --> 01:12:28,400

that's getting to the finish line before

2055

01:12:33,910 --> 01:12:30,960

you cross the starting line

2056

01:12:34,390 --> 01:12:33,920

they are just looking to do this as

2057

01:12:36,709 --> 01:12:34,400

small

2058

01:12:38,470 --> 01:12:36,719

baby steps at a time like what can we do

2059

01:12:39,910 --> 01:12:38,480

well don't call it aliens or little

2060

01:12:41,990 --> 01:12:39,920

green men first of all

2061

01:12:43,189 --> 01:12:42,000

get that out of your vocabulary just say

2062

01:12:45,030 --> 01:12:43,199

we have these

2063

01:12:48,229 --> 01:12:45,040

i don't know unidentified aerial

2064

01:12:50,310 --> 01:12:48,239

phenomenon that that seems less

2065

01:12:51,430 --> 01:12:50,320

worrisome to people yeah that doesn't

2066

01:12:52,950 --> 01:12:51,440

have the stigma

2067

01:12:54,709 --> 01:12:52,960

so they're just i feel like they're the

2068

01:12:57,510 --> 01:12:54,719

government is just taking these small

2069

01:12:59,189 --> 01:12:57,520

baby steps that they can because they

2070

01:13:01,270 --> 01:12:59,199

can't take the

2071

01:13:03,750 --> 01:13:01,280

they can't jump into the pool with both

2072

01:13:04,709 --> 01:13:03,760

feet they gotta dip a toe in first so

2073

01:13:07,350 --> 01:13:04,719

that's where i think

2074

01:13:08,550 --> 01:13:07,360

the government perspective is is we just

2075

01:13:11,030 --> 01:13:08,560

gotta get the ball

2076

01:13:12,870 --> 01:13:11,040

rolling we don't need to kick it just

2077

01:13:14,790 --> 01:13:12,880

give it a little nudge let's see

2078

01:13:16,229 --> 01:13:14,800

yeah see where it goes it'll it'll

2079

01:13:17,270 --> 01:13:16,239

eventually pick up momentum like

2080

01:13:20,630 --> 01:13:17,280

snowball

2081

01:13:23,030 --> 01:13:20,640

and get us to the to the

2082

01:13:23,830 --> 01:13:23,040

other end of that conversation but they

2083

01:13:26,550 --> 01:13:23,840

can't make that

2084

01:13:28,470 --> 01:13:26,560

jump because they'll get ridiculed

2085

01:13:31,510 --> 01:13:28,480

everyone's going to jump all over

2086

01:13:31,990 --> 01:13:31,520

them because i think a lot of what

2087

01:13:36,070 --> 01:13:32,000

happens

2088

01:13:38,390 --> 01:13:36,080

is people will not take the information

2089

01:13:39,110 --> 01:13:38,400

in an unbiased manner they're going to

2090

01:13:40,390 --> 01:13:39,120

say

2091

01:13:42,470 --> 01:13:40,400

all right you're telling me this

2092

01:13:44,310 --> 01:13:42,480

information but i don't like that you're

2093

01:13:45,430 --> 01:13:44,320

wearing a bandana so i'm going to look

2094

01:13:48,950 --> 01:13:45,440

for something

2095

01:13:51,830 --> 01:13:48,960

that makes me not believe you um

2096

01:13:54,550 --> 01:13:51,840

when i've posted the louis lozando video

2097

01:13:56,790 --> 01:13:54,560

and when he was interviewed on fox

2098

01:13:58,870 --> 01:13:56,800

so many people can't see the fact she

2099

01:14:00,709 --> 01:13:58,880

passed the fact that he's on fox

2100

01:14:02,149 --> 01:14:00,719

as soon as they see those three letters

2101
01:14:03,669 --> 01:14:02,159
on his interview like

2102
01:14:05,830 --> 01:14:03,679
i know i can't believe anything he says

2103
01:14:07,669 --> 01:14:05,840
because he's on fox i'm like

2104
01:14:09,030 --> 01:14:07,679
you know he's on like everything well go

2105
01:14:12,709 --> 01:14:09,040
watch him on

2106
01:14:15,110 --> 01:14:12,719
mnhc yeah yeah like

2107
01:14:16,950 --> 01:14:15,120
you should a b split that and see if

2108
01:14:17,510 --> 01:14:16,960
they they'd probably still find a reason

2109
01:14:19,590 --> 01:14:17,520
why

2110
01:14:21,110 --> 01:14:19,600
it's oh you know well that's

2111
01:14:22,550 --> 01:14:21,120
what that's what i've started doing when

2112
01:14:23,830 --> 01:14:22,560
people say stuff like that i'm like well

2113
01:14:25,750 --> 01:14:23,840

tell me a source that you

2114

01:14:27,270 --> 01:14:25,760

do find credible and reliable and i'll

2115

01:14:28,229 --> 01:14:27,280

see if i can find you something and they

2116

01:14:29,669 --> 01:14:28,239

will not

2117

01:14:31,750 --> 01:14:29,679

provide anything because they just want

2118

01:14:31,990 --> 01:14:31,760

to die yeah i love that you're doing

2119

01:14:35,110 --> 01:14:32,000

that

2120

01:14:39,030 --> 01:14:35,120

take a peek guys yeah go for it

2121

01:14:41,990 --> 01:14:39,040

i i uh i you know

2122

01:14:43,030 --> 01:14:42,000

i really try and i i do i i try and keep

2123

01:14:47,189 --> 01:14:43,040

an open mind and

2124

01:14:50,390 --> 01:14:47,199

and even though i i find it to be

2125

01:14:51,990 --> 01:14:50,400

somewhat suspicious i also completely

2126

01:14:54,070 --> 01:14:52,000

understand like how you just

2127

01:14:55,510 --> 01:14:54,080

explained it you know it's like well you

2128

01:14:56,950 --> 01:14:55,520

know they're the government they're

2129

01:14:59,270 --> 01:14:56,960

going to take baby steps they're going

2130

01:15:00,229 --> 01:14:59,280

to talk about this stuff and baby steps

2131

01:15:03,590 --> 01:15:00,239

so we can

2132

01:15:07,189 --> 01:15:03,600

slowly consume this information um and

2133

01:15:08,950 --> 01:15:07,199

and yeah dude i totally agree and

2134

01:15:11,189 --> 01:15:08,960

i feel bad for a lot of these people

2135

01:15:12,870 --> 01:15:11,199

like even lula lozando you know he talks

2136

01:15:14,709 --> 01:15:12,880

about like you know just like well

2137

01:15:17,189 --> 01:15:14,719

as soon as i said this it was just like

2138

01:15:18,310 --> 01:15:17,199

arrows fired my way like immediately and

2139

01:15:20,950 --> 01:15:18,320

like

2140

01:15:22,709 --> 01:15:20,960

yeah i totally i totally sympathize with

2141

01:15:26,630 --> 01:15:22,719

that like that's such a bummer

2142

01:15:30,070 --> 01:15:26,640

especially if if you are trying to be

2143

01:15:32,550 --> 01:15:30,080

you know uh honest and you just are just

2144

01:15:34,709 --> 01:15:32,560

trying to get information out you know

2145

01:15:36,310 --> 01:15:34,719

and then on that flip side you know

2146

01:15:37,189 --> 01:15:36,320

you've you've heard us talk about this

2147

01:15:39,830 --> 01:15:37,199

before i'm sure

2148

01:15:42,149 --> 01:15:39,840

is like on the flip side it's like we've

2149

01:15:46,229 --> 01:15:42,159

got this entire group of people

2150

01:15:48,950 --> 01:15:46,239

that have have been uh

2151
01:15:50,550 --> 01:15:48,960
you know their social security number

2152
01:15:53,270 --> 01:15:50,560
has been completely erased

2153
01:15:54,310 --> 01:15:53,280
their bank accounts have been drained uh

2154
01:15:57,189 --> 01:15:54,320
family members

2155
01:15:57,910 --> 01:15:57,199
them themselves have been murdered

2156
01:16:00,070 --> 01:15:57,920
they've

2157
01:16:01,669 --> 01:16:00,080
you know people have gone missing you

2158
01:16:05,430 --> 01:16:01,679
know in the research

2159
01:16:08,229 --> 01:16:05,440
slash uh experimenter side of things

2160
01:16:09,430 --> 01:16:08,239
and so i also like i look at that too

2161
01:16:13,350 --> 01:16:09,440
and i'm like

2162
01:16:15,350 --> 01:16:13,360
geez man like it's such a it's such a

2163
01:16:17,189 --> 01:16:15,360

you have these two things that don't go

2164

01:16:18,310 --> 01:16:17,199

together and haven't gone together for a

2165

01:16:20,550 --> 01:16:18,320

long time

2166

01:16:21,990 --> 01:16:20,560

now they're trying to like meld and find

2167

01:16:23,750 --> 01:16:22,000

that happy medium

2168

01:16:25,510 --> 01:16:23,760

and like i feel like that's just going

2169

01:16:28,550 --> 01:16:25,520

to take a really

2170

01:16:29,830 --> 01:16:28,560

really long time you know especially

2171

01:16:31,669 --> 01:16:29,840

when you look at like

2172

01:16:33,110 --> 01:16:31,679

things like tsa and you look at the

2173

01:16:36,470 --> 01:16:33,120

people that are on the board

2174

01:16:37,430 --> 01:16:36,480

and then you look at okay well now we

2175

01:16:40,310 --> 01:16:37,440

know that like

2176
01:16:42,310 --> 01:16:40,320
you know exposing like the aviary group

2177
01:16:42,630 --> 01:16:42,320
and what these people have been involved

2178
01:16:45,750 --> 01:16:42,640
in

2179
01:16:47,189 --> 01:16:45,760
and like people that we know right now

2180
01:16:49,830 --> 01:16:47,199
i'm not gonna name any names

2181
01:16:51,910 --> 01:16:49,840
but people that we know that have been

2182
01:16:54,470 --> 01:16:51,920
on shows and that like we've all

2183
01:16:55,750 --> 01:16:54,480
talked to or had some sort of

2184
01:16:57,830 --> 01:16:55,760
interaction with

2185
01:16:59,270 --> 01:16:57,840
some of these people that are giving

2186
01:17:01,910 --> 01:16:59,280
this information

2187
01:17:03,189 --> 01:17:01,920
have literally been contacted by these

2188
01:17:06,310 --> 01:17:03,199

government entities

2189

01:17:07,510 --> 01:17:06,320

saying you know sure would be a shame if

2190

01:17:09,750 --> 01:17:07,520

if uh

2191

01:17:11,990 --> 01:17:09,760

if your if your wife went missing you

2192

01:17:13,590 --> 01:17:12,000

know been threatened with their lives

2193

01:17:15,350 --> 01:17:13,600

from these people that are giving us

2194

01:17:18,550 --> 01:17:15,360

this information you know

2195

01:17:19,270 --> 01:17:18,560

and it's like oh that's a tough pill to

2196

01:17:21,830 --> 01:17:19,280

swallow

2197

01:17:22,630 --> 01:17:21,840

because it's like are you really being

2198

01:17:25,430 --> 01:17:22,640

genuine

2199

01:17:26,550 --> 01:17:25,440

or are you do you have some sort of

2200

01:17:30,070 --> 01:17:26,560

agenda

2201

01:17:32,470 --> 01:17:30,080

right and that's that's this hard line

2202

01:17:33,990 --> 01:17:32,480

that i'm i'm having a hard time

2203

01:17:37,110 --> 01:17:34,000

processing because i do

2204

01:17:37,830 --> 01:17:37,120

find like the the information that's

2205

01:17:41,030 --> 01:17:37,840

coming out

2206

01:17:43,510 --> 01:17:41,040

is is could be very useful but

2207

01:17:45,669 --> 01:17:43,520

we've got to find this happy medium and

2208

01:17:49,030 --> 01:17:45,679

i think we got to have these people

2209

01:17:49,750 --> 01:17:49,040

that have like threatened the ufo

2210

01:17:53,030 --> 01:17:49,760

community

2211

01:17:55,030 --> 01:17:53,040

and their lives and like their families

2212

01:17:56,790 --> 01:17:55,040

we got to make sure that they are not

2213

01:18:00,470 --> 01:17:56,800

the ones putting the information

2214

01:18:02,310 --> 01:18:00,480

out and right now there's quite a few of

2215

01:18:04,070 --> 01:18:02,320

them that are still around

2216

01:18:06,550 --> 01:18:04,080

now we also know that you know within

2217

01:18:08,310 --> 01:18:06,560

this aviary group and whatever we can

2218

01:18:10,310 --> 01:18:08,320

you can all go look that up

2219

01:18:11,510 --> 01:18:10,320

um that there's a split there's these

2220

01:18:14,070 --> 01:18:11,520

good guys and

2221

01:18:15,669 --> 01:18:14,080

there's these guys who just do not want

2222

01:18:17,590 --> 01:18:15,679

the information to come out

2223

01:18:19,270 --> 01:18:17,600

we know that certain people are

2224

01:18:22,070 --> 01:18:19,280

disinformation agents

2225

01:18:22,390 --> 01:18:22,080

and they are on documentaries and they

2226

01:18:25,430 --> 01:18:22,400

are

2227

01:18:26,070 --> 01:18:25,440

on the news and we know the history of

2228

01:18:29,270 --> 01:18:26,080

them

2229

01:18:32,149 --> 01:18:29,280

and there's there's plenty of of

2230

01:18:33,430 --> 01:18:32,159

witness testimony to to go through and

2231

01:18:37,430 --> 01:18:33,440

and see that

2232

01:18:40,950 --> 01:18:37,440

so i think for for like the regular

2233

01:18:43,030 --> 01:18:40,960

public eye right doesn't understand that

2234

01:18:45,030 --> 01:18:43,040

and i feel like that's why the ufo

2235

01:18:46,790 --> 01:18:45,040

community has such a hard time because

2236

01:18:48,550 --> 01:18:46,800

they understand that history

2237

01:18:50,550 --> 01:18:48,560

and understand what a lot of these

2238

01:18:53,990 --> 01:18:50,560

people were involved in

2239

01:18:58,149 --> 01:18:54,000

for many many years and it wasn't

2240

01:19:01,270 --> 01:18:58,159

very pretty so i can see why that

2241

01:19:04,550 --> 01:19:01,280

there's this fracture there you know and

2242

01:19:06,070 --> 01:19:04,560

i think for you know the people in the

2243

01:19:08,229 --> 01:19:06,080

ufo community to see

2244

01:19:09,830 --> 01:19:08,239

some of these people like just on the

2245

01:19:12,550 --> 01:19:09,840

news talking about it

2246

01:19:13,510 --> 01:19:12,560

and they're like those like

2247

01:19:15,990 --> 01:19:13,520

threaten my

2248

01:19:17,750 --> 01:19:16,000

family like with their lives you know

2249

01:19:18,310 --> 01:19:17,760

but to the general public it's like oh

2250

01:19:20,070 --> 01:19:18,320

this is

2251

01:19:21,669 --> 01:19:20,080

brilliant information finally the

2252

01:19:22,390 --> 01:19:21,679

government is coming out and saying this

2253

01:19:25,750 --> 01:19:22,400

stuff

2254

01:19:27,990 --> 01:19:25,760

it's like man what do we do

2255

01:19:30,229 --> 01:19:28,000

in that situation because you literally

2256

01:19:32,149 --> 01:19:30,239

can watch the news and be like holy

2257

01:19:33,990 --> 01:19:32,159

that guy like

2258

01:19:35,750 --> 01:19:34,000

threatened to murder people's families

2259

01:19:38,310 --> 01:19:35,760

like that's not cool

2260

01:19:38,790 --> 01:19:38,320

you know we're not naming any names here

2261

01:19:40,149 --> 01:19:38,800

and

2262

01:19:41,910 --> 01:19:40,159

not even the guy that we're looking at

2263

01:19:45,110 --> 01:19:41,920

on the screen right now you know

2264

01:19:48,149 --> 01:19:45,120

just certain people right

2265

01:19:51,189 --> 01:19:48,159

it's hard i think and

2266

01:19:54,470 --> 01:19:51,199

and so that that's why i find

2267

01:19:58,390 --> 01:19:54,480

myself i guess drawn to lu elizondo

2268

01:20:00,229 --> 01:19:58,400

and his message because he

2269

01:20:02,070 --> 01:20:00,239

ran into what you're describing like

2270

01:20:04,229 --> 01:20:02,080

those kind of guys and he was like

2271

01:20:05,270 --> 01:20:04,239

they're stopping me from being able to

2272

01:20:07,110 --> 01:20:05,280

do my job

2273

01:20:08,390 --> 01:20:07,120

exactly i'm gonna have to do something

2274

01:20:11,110 --> 01:20:08,400

else um

2275

01:20:12,709 --> 01:20:11,120

a quote that i've heard that i think is

2276

01:20:16,070 --> 01:20:12,719

applicable to the ufo

2277

01:20:17,270 --> 01:20:16,080

subject is progress is made one funeral

2278

01:20:21,110 --> 01:20:17,280

at a time

2279

01:20:24,470 --> 01:20:21,120

and it's a generational thing

2280

01:20:27,350 --> 01:20:24,480

like think about where

2281

01:20:29,350 --> 01:20:27,360

our grandkids their perspective of the

2282

01:20:32,629 --> 01:20:29,360

world around them is going to be

2283

01:20:35,189 --> 01:20:32,639

i think about your parents

2284

01:20:36,470 --> 01:20:35,199

like what did they experience and what

2285

01:20:37,830 --> 01:20:36,480

they have ever imagined

2286

01:20:39,830 --> 01:20:37,840

what you're going through right now it's

2287

01:20:42,870 --> 01:20:39,840

a total different issue

2288

01:20:46,470 --> 01:20:42,880

um the the

2289

01:20:48,550 --> 01:20:46,480

curse margins that are in our society

2290

01:20:49,510 --> 01:20:48,560

are typically older people i'll be

2291

01:20:51,510 --> 01:20:49,520

honest with you

2292

01:20:52,790 --> 01:20:51,520

right because they're not they're

2293

01:20:55,030 --> 01:20:52,800

they're set in their ways

2294

01:20:56,629 --> 01:20:55,040

they're not open to new information like

2295

01:20:59,030 --> 01:20:56,639

younger generations are

2296

01:21:00,470 --> 01:20:59,040

and that's what's unfortunately why it's

2297

01:21:00,950 --> 01:21:00,480

going to take a long time for things to

2298

01:21:04,070 --> 01:21:00,960

actually

2299

01:21:06,390 --> 01:21:04,080

move forward is because you got to

2300

01:21:09,350 --> 01:21:06,400

overcome

2301
01:21:10,550 --> 01:21:09,360
that type of a problem yeah yeah man i

2302
01:21:11,669 --> 01:21:10,560
always think about that like your

2303
01:21:14,310 --> 01:21:11,679
grandparents

2304
01:21:16,790 --> 01:21:14,320
they literally went from like probably

2305
01:21:18,870 --> 01:21:16,800
not having any electricity at all

2306
01:21:20,229 --> 01:21:18,880
to watching us land on the moon like

2307
01:21:23,350 --> 01:21:20,239
within a span of just

2308
01:21:24,550 --> 01:21:23,360
a short span of time and it's like what

2309
01:21:28,149 --> 01:21:24,560
a mind

2310
01:21:30,470 --> 01:21:28,159
you know like a total mind screw to like

2311
01:21:32,070 --> 01:21:30,480
live in that era where it's like yeah

2312
01:21:32,550 --> 01:21:32,080
like your grandfather was saying like

2313
01:21:34,229 --> 01:21:32,560

didn't

2314

01:21:35,590 --> 01:21:34,239

you never have a toilet in his house

2315

01:21:37,590 --> 01:21:35,600

like he never got used to

2316

01:21:39,270 --> 01:21:37,600

in the house right and like the

2317

01:21:41,350 --> 01:21:39,280

electricity wasn't a thing

2318

01:21:43,110 --> 01:21:41,360

like a lot of people still like lived in

2319

01:21:44,310 --> 01:21:43,120

cabins and stuff and made their grew

2320

01:21:46,629 --> 01:21:44,320

their own food and

2321

01:21:47,350 --> 01:21:46,639

canned their own stuff and you know they

2322

01:21:50,790 --> 01:21:47,360

had those

2323

01:21:52,229 --> 01:21:50,800

those those pioneer skills but then also

2324

01:21:54,070 --> 01:21:52,239

lived through this generation where they

2325

01:21:56,229 --> 01:21:54,080

got the washing machine they got

2326

01:21:58,149 --> 01:21:56,239

you know the dishwasher they got

2327

01:21:59,990 --> 01:21:58,159

electricity they got

2328

01:22:01,189 --> 01:22:00,000

they watched somebody land on the moon i

2329

01:22:03,590 --> 01:22:01,199

mean they they got

2330

01:22:05,590 --> 01:22:03,600

all these awesome cars shoes like that

2331

01:22:07,270 --> 01:22:05,600

what a crazy time to live in

2332

01:22:08,629 --> 01:22:07,280

you know and then you look at us now and

2333

01:22:09,590 --> 01:22:08,639

it's like we take all that stuff for

2334

01:22:11,830 --> 01:22:09,600

granted but like

2335

01:22:13,189 --> 01:22:11,840

now we're talking quantum physics and

2336

01:22:16,629 --> 01:22:13,199

and now we're talking about

2337

01:22:17,830 --> 01:22:16,639

ufos and and you know we're feel like

2338

01:22:20,070 --> 01:22:17,840

we're kind of like

2339

01:22:21,030 --> 01:22:20,080

you know on the cusp of like grabbing

2340

01:22:23,590 --> 01:22:21,040

you know something

2341

01:22:24,870 --> 01:22:23,600

tangible to grab on to and like that's

2342

01:22:26,149 --> 01:22:24,880

gotta be you know

2343

01:22:27,590 --> 01:22:26,159

yeah you look at those old people and

2344

01:22:29,510 --> 01:22:27,600

that's gotta blow their mind because a

2345

01:22:31,189 --> 01:22:29,520

lot of them are still alive today so not

2346

01:22:32,709 --> 01:22:31,199

only do they live in that not

2347

01:22:34,790 --> 01:22:32,719

getting used to in the house but

2348

01:22:36,229 --> 01:22:34,800

they're also like what quantum physics

2349

01:22:37,750 --> 01:22:36,239

and ufos are you

2350

01:22:39,430 --> 01:22:37,760

kidding me right now i don't know about

2351

01:22:42,229 --> 01:22:39,440

that

2352

01:22:42,709 --> 01:22:42,239

it's wild man it's such a wild thought

2353

01:22:46,229 --> 01:22:42,719

how

2354

01:22:52,790 --> 01:22:46,239

fast everything happened yeah yeah

2355

01:22:54,950 --> 01:22:52,800

ever since 1947 the roswell crashed

2356

01:22:56,629 --> 01:22:54,960

so dan like what do you what do you

2357

01:22:58,550 --> 01:22:56,639

think yeah what do you think

2358

01:22:59,830 --> 01:22:58,560

your kids are gonna think about this

2359

01:23:01,750 --> 01:22:59,840

time are they

2360

01:23:03,590 --> 01:23:01,760

do they you mentioned earlier like how

2361

01:23:04,790 --> 01:23:03,600

do you and this is how you even reached

2362

01:23:07,430 --> 01:23:04,800

out to lou

2363

01:23:07,830 --> 01:23:07,440

and and and being able to to talk about

2364

01:23:11,510 --> 01:23:07,840

it

2365

01:23:13,510 --> 01:23:11,520

your kids are going to say in in

2366

01:23:17,510 --> 01:23:13,520

maybe 10 years like and look back on

2367

01:23:22,870 --> 01:23:20,550

this is the thing that i always

2368

01:23:24,229 --> 01:23:22,880

can't get out of my mind is they're

2369

01:23:27,830 --> 01:23:24,239

either gonna think i'm an

2370

01:23:32,310 --> 01:23:27,840

absolute idiot because i got

2371

01:23:34,229 --> 01:23:32,320

by whatever this is that's fooling us

2372

01:23:35,669 --> 01:23:34,239

or they're gonna think i was ahead of my

2373

01:23:38,790 --> 01:23:35,679

time and open-minded and

2374

01:23:41,350 --> 01:23:38,800

and thinking deeply about things and uh

2375

01:23:42,950 --> 01:23:41,360

uh using all my mental faculties to

2376

01:23:44,629 --> 01:23:42,960

focus on something that's unknown

2377

01:23:46,629 --> 01:23:44,639

mysterious and intriguing

2378

01:23:48,790 --> 01:23:46,639

like it's gonna be one or the other i'm

2379

01:23:51,990 --> 01:23:48,800

an absolute idiot or i

2380

01:23:54,229 --> 01:23:52,000

am on to something and i hope for

2381

01:23:55,750 --> 01:23:54,239

i'm on to something of course yeah we

2382

01:23:58,390 --> 01:23:55,760

all do i mean

2383

01:23:59,350 --> 01:23:58,400

me and joe sitting here you know doing

2384

01:24:02,229 --> 01:23:59,360

this podcast

2385

01:24:04,390 --> 01:24:02,239

like we have said so many things that

2386

01:24:06,229 --> 01:24:04,400

we're probably wrong about

2387

01:24:08,390 --> 01:24:06,239

in two years maybe five years we're

2388

01:24:10,070 --> 01:24:08,400

going to be like oh god

2389

01:24:12,950 --> 01:24:10,080

shouldn't have said that thing that's

2390

01:24:15,030 --> 01:24:12,960

dumb but you know what

2391

01:24:16,870 --> 01:24:15,040

i think it's we got to live in the

2392

01:24:18,149 --> 01:24:16,880

moment and we gotta do what feels right

2393

01:24:19,830 --> 01:24:18,159

and this has always felt right

2394

01:24:21,590 --> 01:24:19,840

yeah and it's not like this is something

2395

01:24:22,870 --> 01:24:21,600

new again this is something that's been

2396

01:24:25,830 --> 01:24:22,880

happening since

2397

01:24:27,669 --> 01:24:25,840

there's ancient ancient recordings yeah

2398

01:24:29,510 --> 01:24:27,679

hundreds of thousands of years ago

2399

01:24:32,870 --> 01:24:29,520

people record were recording

2400

01:24:34,629 --> 01:24:32,880

something and it's taken us hundreds of

2401

01:24:36,149 --> 01:24:34,639

thousands of more years

2402

01:24:38,550 --> 01:24:36,159

just to get to the point that we are

2403

01:24:41,990 --> 01:24:38,560

today to where we can even

2404

01:24:44,790 --> 01:24:42,000

openly talk about it yeah you know

2405

01:24:45,669 --> 01:24:44,800

and i mean going even deeper is just

2406

01:24:48,229 --> 01:24:45,679

like

2407

01:24:49,750 --> 01:24:48,239

the then you know the culture accepting

2408

01:24:51,430 --> 01:24:49,760

where this is gonna be i mean i know

2409

01:24:53,110 --> 01:24:51,440

that was the initial question

2410

01:24:54,629 --> 01:24:53,120

but i mean for anybody else out there

2411

01:24:56,310 --> 01:24:54,639

listening to this right now and you know

2412

01:24:58,390 --> 01:24:56,320

being conflicted with why

2413

01:24:59,990 --> 01:24:58,400

why am i so interested in that i think

2414

01:25:01,590 --> 01:25:00,000

there's a reason that we're all here

2415

01:25:03,669 --> 01:25:01,600

having this conversation and thinking

2416

01:25:06,229 --> 01:25:03,679

about this and putting as much energy

2417

01:25:08,790 --> 01:25:06,239

into it into our day and and the fact

2418

01:25:10,470 --> 01:25:08,800

that it feels so right like if it felt

2419

01:25:12,470 --> 01:25:10,480

awkward and weird like we were forcing

2420

01:25:16,470 --> 01:25:12,480

it like it wouldn't be fun but it's fun

2421

01:25:18,550 --> 01:25:16,480

i feel like us three i have a good time

2422

01:25:19,590 --> 01:25:18,560

looking into this subject not just the

2423

01:25:22,070 --> 01:25:19,600

phenomenon but

2424

01:25:23,830 --> 01:25:22,080

the history i mean i love talking about

2425

01:25:24,550 --> 01:25:23,840

the connections the possible connections

2426

01:25:26,870 --> 01:25:24,560

with

2427

01:25:28,709 --> 01:25:26,880

ancient people you know even further

2428

01:25:31,030 --> 01:25:28,719

back than the egyptians

2429

01:25:32,870 --> 01:25:31,040

uh dan you and i had this thing going

2430

01:25:34,870 --> 01:25:32,880

back on twitter with a thor

2431

01:25:36,470 --> 01:25:34,880

which we have some information about

2432

01:25:38,310 --> 01:25:36,480

like you saw that that

2433

01:25:39,669 --> 01:25:38,320

that twitter you sent me the tweet

2434

01:25:41,590 --> 01:25:39,679

that's right so

2435

01:25:43,189 --> 01:25:41,600

i mean man there's just so much to it

2436

01:25:45,189 --> 01:25:43,199

and and you know

2437

01:25:47,030 --> 01:25:45,199

ten years from now you know what i'll be

2438

01:25:47,510 --> 01:25:47,040

okay i'm gonna give it that chance that

2439

01:25:53,270 --> 01:25:47,520

50

2440

01:25:54,390 --> 01:25:53,280

i'll get back and answer your questions

2441

01:25:57,830 --> 01:25:54,400

more directly

2442

01:25:59,590 --> 01:25:57,840

as far as my kids go i keep them in mind

2443

01:26:01,669 --> 01:25:59,600

when i make my tick tock videos

2444

01:26:02,950 --> 01:26:01,679

because i i don't want to say anything

2445

01:26:05,430 --> 01:26:02,960

that i would not say

2446

01:26:07,910 --> 01:26:05,440

in front of my children and so all of my

2447

01:26:08,790 --> 01:26:07,920

videos that's why i still like accuracy

2448

01:26:11,990 --> 01:26:08,800

is important

2449

01:26:13,830 --> 01:26:12,000

and empathy and compassion

2450

01:26:15,030 --> 01:26:13,840

is important like hey these people are

2451
01:26:15,830 --> 01:26:15,040
seeing something they're experiencing

2452
01:26:18,709 --> 01:26:15,840
something

2453
01:26:20,470 --> 01:26:18,719
we should listen we shouldn't judge and

2454
01:26:21,350 --> 01:26:20,480
it's exactly the same conversation i

2455
01:26:24,709 --> 01:26:21,360
have with them

2456
01:26:27,189 --> 01:26:24,719
in general life discussions yes yeah

2457
01:26:28,709 --> 01:26:27,199
yes we should judge people based on

2458
01:26:31,030 --> 01:26:28,719
their actions

2459
01:26:31,830 --> 01:26:31,040
how they treat each other how they treat

2460
01:26:39,189 --> 01:26:31,840
you

2461
01:26:40,310 --> 01:26:39,199
and do that through and and so that's

2462
01:26:42,310 --> 01:26:40,320
one of the things that's important about

2463
01:26:45,030 --> 01:26:42,320

my videos is making it consumable

2464

01:26:45,990 --> 01:26:45,040

to my children and making i'm trying to

2465

01:26:48,070 --> 01:26:46,000

make something that

2466

01:26:49,350 --> 01:26:48,080

i'm proud of i would be proud for my

2467

01:26:52,070 --> 01:26:49,360

kids to watch

2468

01:26:53,510 --> 01:26:52,080

right when they're old enough i don't

2469

01:26:54,550 --> 01:26:53,520

think they're old enough to sit down

2470

01:26:58,310 --> 01:26:54,560

with me

2471

01:27:00,470 --> 01:26:58,320

oh uh i showed i showed them one video

2472

01:27:01,430 --> 01:27:00,480

and it started playing and within two

2473

01:27:03,510 --> 01:27:01,440

seconds

2474

01:27:08,390 --> 01:27:03,520

my older one was like oh dad you've got

2475

01:27:12,629 --> 01:27:10,709

i feel the exact opposite i think you've

2476

01:27:16,149 --> 01:27:12,639

got an amazing voice for

2477

01:27:19,110 --> 01:27:16,159

for what you do it's so good yeah

2478

01:27:19,990 --> 01:27:19,120

yeah man there's so much one of my

2479

01:27:23,910 --> 01:27:20,000

approaches

2480

01:27:26,390 --> 01:27:23,920

is i i no i don't want to be who i'm not

2481

01:27:27,189 --> 01:27:26,400

like if i got on if i was making videos

2482

01:27:29,189 --> 01:27:27,199

and i was very

2483

01:27:31,110 --> 01:27:29,199

charismatic and smiley and bubbly that's

2484

01:27:31,430 --> 01:27:31,120

not me i couldn't keep it up i would you

2485

01:27:33,750 --> 01:27:31,440

would

2486

01:27:35,910 --> 01:27:33,760

know that i'm being a phone right but

2487

01:27:39,350 --> 01:27:35,920

i'm i'm trying to make my videos

2488

01:27:40,149 --> 01:27:39,360

almost deadpan just talking like i'm

2489

01:27:42,950 --> 01:27:40,159

just talking

2490

01:27:43,270 --> 01:27:42,960

this is just me saying these words and

2491

01:27:46,870 --> 01:27:43,280

right

2492

01:27:48,470 --> 01:27:46,880

as strongly as straightforward a manner

2493

01:27:50,709 --> 01:27:48,480

as i can muster

2494

01:27:52,310 --> 01:27:50,719

i i struggle with pronouncing words

2495

01:27:55,110 --> 01:27:52,320

sometimes unfortunately but

2496

01:27:56,870 --> 01:27:55,120

overall i'm trying to just deliver news

2497

01:27:58,550 --> 01:27:56,880

in a way that i would deliver it to you

2498

01:27:59,350 --> 01:27:58,560

guys if we were sitting down having a

2499

01:28:02,310 --> 01:27:59,360

conversation

2500

01:28:04,709 --> 01:28:02,320

yes that's so important man we did a

2501

01:28:08,950 --> 01:28:04,719

little bit of filming where like

2502

01:28:11,030 --> 01:28:08,960

me and ben were like okay here we go

2503

01:28:12,149 --> 01:28:11,040

these are the cases and like dude it was

2504

01:28:13,669 --> 01:28:12,159

so awkward

2505

01:28:15,590 --> 01:28:13,679

like it was like kind of not scripted

2506

01:28:18,149 --> 01:28:15,600

but it was like hey do this

2507

01:28:20,550 --> 01:28:18,159

yeah and like it was so awkward because

2508

01:28:22,709 --> 01:28:20,560

it wasn't like blah

2509

01:28:23,990 --> 01:28:22,719

blah what we do is like just very off

2510

01:28:25,669 --> 01:28:24,000

the cuff like we have a

2511

01:28:27,350 --> 01:28:25,679

rough idea what we're gonna talk about

2512

01:28:27,990 --> 01:28:27,360

but as soon as we know exactly what

2513

01:28:30,470 --> 01:28:28,000

we're going to talk

2514

01:28:32,870 --> 01:28:30,480

about and try to go through and like say

2515

01:28:34,950 --> 01:28:32,880

a specific thing a certain way like dude

2516

01:28:36,950 --> 01:28:34,960

i almost i almost passed out because i

2517

01:28:37,990 --> 01:28:36,960

was so nervous dude yeah we just clam up

2518

01:28:41,110 --> 01:28:38,000

we're like

2519

01:28:42,149 --> 01:28:41,120

uh we have a podcast that we've been

2520

01:28:44,709 --> 01:28:42,159

doing for two years

2521

01:28:45,430 --> 01:28:44,719

and i have absolutely nothing to say to

2522

01:28:47,750 --> 01:28:45,440

you right now

2523

01:28:49,590 --> 01:28:47,760

like it's so awkward so it's very

2524

01:28:52,629 --> 01:28:49,600

important that you just kind of

2525

01:28:55,669 --> 01:28:52,639

just be yourself and do what you

2526

01:28:57,110 --> 01:28:55,679

uh you normally do because it's so easy

2527

01:28:58,310 --> 01:28:57,120

to pick up on that you're like oh this

2528

01:29:00,870 --> 01:28:58,320

guy's uncomfortable

2529

01:29:03,590 --> 01:29:00,880

and he's he's uh he's just out of his

2530

01:29:05,669 --> 01:29:03,600

element for some reason and it's awkward

2531

01:29:08,470 --> 01:29:05,679

and then you don't want to watch it so

2532

01:29:10,229 --> 01:29:08,480

that's a great approach man yeah just

2533

01:29:10,870 --> 01:29:10,239

and i also think that people want to

2534

01:29:13,990 --> 01:29:10,880

hear it

2535

01:29:17,189 --> 01:29:14,000

from a nerd instead of some

2536

01:29:20,070 --> 01:29:17,199

bubbly actor or actress like it's

2537

01:29:20,790 --> 01:29:20,080

just data it's just information take it

2538

01:29:26,870 --> 01:29:20,800

right

2539

01:29:27,990 --> 01:29:26,880

well dan dude you're crushing it i mean

2540

01:29:29,910 --> 01:29:28,000

as far as like

2541

01:29:32,229 --> 01:29:29,920

yeah congratulations on on the the tick

2542

01:29:34,470 --> 01:29:32,239

tock stuff dude i think you're doing

2543

01:29:36,310 --> 01:29:34,480

amazing work man like just getting that

2544

01:29:39,110 --> 01:29:36,320

that word out there like

2545

01:29:39,830 --> 01:29:39,120

man it's it's it's so important that

2546

01:29:43,430 --> 01:29:39,840

that

2547

01:29:45,669 --> 01:29:43,440

kind of bringing to the surface

2548

01:29:47,910 --> 01:29:45,679

get out to as many people as possible

2549

01:29:49,990 --> 01:29:47,920

and that's it's of all ages i mean yeah

2550

01:29:51,910 --> 01:29:50,000

tick tock does skew young but i mean

2551
01:29:52,629 --> 01:29:51,920
there's a lot of people getting on there

2552
01:29:55,590 --> 01:29:52,639
that are

2553
01:29:56,550 --> 01:29:55,600
around our ages and uh yeah man it's

2554
01:30:00,149 --> 01:29:56,560
just fun to see

2555
01:30:01,669 --> 01:30:00,159
dude i i uh i don't know if we'll get uh

2556
01:30:03,510 --> 01:30:01,679
maybe we'll post some more stuff on tick

2557
01:30:04,950 --> 01:30:03,520
tock it's just yeah i don't know if we

2558
01:30:06,550 --> 01:30:04,960
do that kind of content

2559
01:30:08,390 --> 01:30:06,560
and i don't think we could top yours so

2560
01:30:11,110 --> 01:30:08,400
why don't we just leave that

2561
01:30:12,629 --> 01:30:11,120
today we need to tick talk to dan dude

2562
01:30:14,629 --> 01:30:12,639
tick tock to dad dude

2563
01:30:16,390 --> 01:30:14,639

all right so i'm not dan i'm tick doctor

2564

01:30:19,030 --> 01:30:16,400

do you do you remember what my

2565

01:30:19,990 --> 01:30:19,040

yeah the fifth pillars of uh say well

2566

01:30:23,189 --> 01:30:20,000

yeah what what's the

2567

01:30:26,950 --> 01:30:23,199

at so i'm the fifth pillar

2568

01:30:27,590 --> 01:30:26,960

of emphasis and that is an homage to lou

2569

01:30:31,030 --> 01:30:27,600

ella

2570

01:30:33,750 --> 01:30:31,040

lou elizondo because he went on the

2571

01:30:34,470 --> 01:30:33,760

that ufo podcast and was talking about

2572

01:30:37,510 --> 01:30:34,480

his

2573

01:30:40,149 --> 01:30:37,520

plan with chris mellon for engaging

2574

01:30:41,189 --> 01:30:40,159

with people are getting the topic some

2575

01:30:43,430 --> 01:30:41,199

uh

2576

01:30:44,870 --> 01:30:43,440

publicity and he basically rattled

2577

01:30:46,550 --> 01:30:44,880

through like we got to talk to

2578

01:30:47,990 --> 01:30:46,560

the legislators we got to talk to all

2579

01:30:49,990 --> 01:30:48,000

these important people

2580

01:30:53,030 --> 01:30:50,000

and then he said the fifth pillar of

2581

01:30:55,669 --> 01:30:53,040

emphasis is engaging the masses

2582

01:30:56,629 --> 01:30:55,679

and that's what i'm trying to do and i

2583

01:30:59,830 --> 01:30:56,639

don't know

2584

01:31:02,709 --> 01:30:59,840

any better way to engage with the masses

2585

01:31:03,990 --> 01:31:02,719

than on a format that like tick-tock

2586

01:31:07,430 --> 01:31:04,000

that spreads like

2587

01:31:11,669 --> 01:31:07,440

wildfire what i noticed when i was on

2588

01:31:14,470 --> 01:31:11,679

twitter and youtube watching all the

2589

01:31:15,669 --> 01:31:14,480

ufo-related videos is we're basically

2590

01:31:18,070 --> 01:31:15,679

passing information

2591

01:31:19,030 --> 01:31:18,080

amongst each other we're we're all

2592

01:31:21,750 --> 01:31:19,040

watching

2593

01:31:22,470 --> 01:31:21,760

two about two to five thousand of us are

2594

01:31:24,629 --> 01:31:22,480

watching

2595

01:31:26,550 --> 01:31:24,639

the same information but we're not

2596

01:31:29,030 --> 01:31:26,560

growing and so

2597

01:31:30,870 --> 01:31:29,040

uh lou elizondo then went on another

2598

01:31:33,350 --> 01:31:30,880

podcast

2599

01:31:34,229 --> 01:31:33,360

the unidentified celebrity review was

2600

01:31:36,790 --> 01:31:34,239

lou and i've

2601
01:31:37,270 --> 01:31:36,800
forgotten how to pronounce his last name

2602
01:31:41,350 --> 01:31:37,280
and

2603
01:31:43,830 --> 01:31:41,360
you go to my youtube channel it's on

2604
01:31:46,229 --> 01:31:43,840
there he said get off your ass

2605
01:31:47,669 --> 01:31:46,239
get out there and start doing something

2606
01:31:50,790 --> 01:31:47,679
get off the couch

2607
01:31:53,189 --> 01:31:50,800
get involved have the conversation

2608
01:31:54,629 --> 01:31:53,199
and those words did speak to me and that

2609
01:31:59,990 --> 01:31:54,639
was

2610
01:32:02,629 --> 01:32:00,000
moved me to actually start doing

2611
01:32:05,350 --> 01:32:02,639
something because i've been a passive

2612
01:32:06,390 --> 01:32:05,360
ufo i was listening to you guys for two

2613
01:32:08,550 --> 01:32:06,400

years

2614

01:32:10,950 --> 01:32:08,560

and then things have started changing

2615

01:32:13,030 --> 01:32:10,960

once i decided to take action

2616

01:32:14,310 --> 01:32:13,040

once i just started to get off my ass

2617

01:32:17,669 --> 01:32:14,320

basically so

2618

01:32:21,110 --> 01:32:17,679

i i my channel is directly

2619

01:32:22,149 --> 01:32:21,120

is a direct product of blue wanting to

2620

01:32:24,830 --> 01:32:22,159

engage

2621

01:32:27,590 --> 01:32:24,840

with everyone and and have the

2622

01:32:30,070 --> 01:32:27,600

conversation on a global level so that's

2623

01:32:31,110 --> 01:32:30,080

that's where the name came from that's

2624

01:32:34,470 --> 01:32:31,120

where

2625

01:32:36,229 --> 01:32:34,480

the the source of fuel for what i've

2626

01:32:39,350 --> 01:32:36,239

been doing came from

2627

01:32:40,870 --> 01:32:39,360

and now it's become fun dude absolutely

2628

01:32:43,030 --> 01:32:40,880

man that is amazing

2629

01:32:44,310 --> 01:32:43,040

i did not know that that's such a cool

2630

01:32:45,030 --> 01:32:44,320

backstory i thought you were gonna be

2631

01:32:47,510 --> 01:32:45,040

like yeah

2632

01:32:49,590 --> 01:32:47,520

my inspiration was the fifth element and

2633

01:32:52,870 --> 01:32:49,600

i always wanted to be like lilu

2634

01:32:55,590 --> 01:32:52,880

and uh yeah but no that's way better

2635

01:32:55,910 --> 01:32:55,600

that's way cooler and then and it's and

2636

01:32:58,870 --> 01:32:55,920

it's

2637

01:33:00,709 --> 01:32:58,880

the and then five is five th so the

2638

01:33:02,470 --> 01:33:00,719

fifth pillar of emphasis

2639

01:33:06,070 --> 01:33:02,480

for anybody listening wants to go go

2640

01:33:09,669 --> 01:33:06,080

ahead and follow that right neal

2641

01:33:11,510 --> 01:33:09,679

dude yeah dude i got i'm i'm just over a

2642

01:33:13,430 --> 01:33:11,520

month in and i've got a

2643

01:33:14,629 --> 01:33:13,440

it's amazing how much content is out

2644

01:33:17,830 --> 01:33:14,639

there that you can go

2645

01:33:20,629 --> 01:33:17,840

check out uh this weekend this last

2646

01:33:24,390 --> 01:33:20,639

weekend i did a five-part review of the

2647

01:33:26,870 --> 01:33:24,400

new york times december 16th 2017

2648

01:33:28,310 --> 01:33:26,880

uh article that changed everything that

2649

01:33:31,270 --> 01:33:28,320

was really

2650

01:33:31,750 --> 01:33:31,280

such a kickstarter for what lou and

2651

01:33:33,990 --> 01:33:31,760

chris

2652

01:33:35,990 --> 01:33:34,000

and all of them have been doing so i got

2653

01:33:39,430 --> 01:33:36,000

to go back and actually read through it

2654

01:33:43,030 --> 01:33:39,440

and then try to take what was said

2655

01:33:45,510 --> 01:33:43,040

in that article bring it up today

2656

01:33:46,870 --> 01:33:45,520

and say and because of what this says

2657

01:33:49,030 --> 01:33:46,880

these things have happened

2658

01:33:50,229 --> 01:33:49,040

oh and by the way it goes back further

2659

01:33:52,629 --> 01:33:50,239

and i kind of like

2660

01:33:53,990 --> 01:33:52,639

like i said provide some context and

2661

01:33:56,629 --> 01:33:54,000

some significance

2662

01:33:58,149 --> 01:33:56,639

to what was said in that article so

2663

01:34:00,149 --> 01:33:58,159

that's the one that i would encourage

2664

01:34:00,870 --> 01:34:00,159

people to go check out that five part

2665

01:34:04,070 --> 01:34:00,880

series

2666

01:34:05,750 --> 01:34:04,080

it will get you into the no

2667

01:34:07,910 --> 01:34:05,760

it'll basically bring you up to date

2668

01:34:09,189 --> 01:34:07,920

with why do people keep saying that

2669

01:34:12,629 --> 01:34:09,199

three years have been crazy

2670

01:34:14,070 --> 01:34:12,639

that article is why yeah yeah it was so

2671

01:34:17,030 --> 01:34:14,080

well done dude like

2672

01:34:18,149 --> 01:34:17,040

again like it's just so consumable i

2673

01:34:20,470 --> 01:34:18,159

felt like i was

2674

01:34:22,229 --> 01:34:20,480

like instantly smarter than everyone as

2675

01:34:22,709 --> 01:34:22,239

soon as i watched all of it i was like i

2676

01:34:26,790 --> 01:34:22,719

know

2677

01:34:29,590 --> 01:34:26,800

everything but dude yeah so

2678

01:34:30,149 --> 01:34:29,600

we've been talking just uh i know we're

2679

01:34:32,709 --> 01:34:30,159

kind of

2680

01:34:33,270 --> 01:34:32,719

wrapping up in in a way but like and i

2681

01:34:34,629 --> 01:34:33,280

know you

2682

01:34:36,470 --> 01:34:34,639

we didn't really have a certain time

2683

01:34:37,990 --> 01:34:36,480

picked out or whatever so um we respect

2684

01:34:41,590 --> 01:34:38,000

your your time and everything but

2685

01:34:43,590 --> 01:34:41,600

dude i've got to know do do we know if

2686

01:34:45,109 --> 01:34:43,600

the black triangle stuff

2687

01:34:46,550 --> 01:34:45,119

and what are we waiting on what what

2688

01:34:48,390 --> 01:34:46,560

news sources i guess i'll ask it that

2689

01:34:49,350 --> 01:34:48,400

way what news sources are you looking at

2690

01:34:51,430 --> 01:34:49,360

first

2691

01:34:53,350 --> 01:34:51,440

and what would what would kind of

2692

01:34:54,950 --> 01:34:53,360

trigger that that movement because

2693

01:34:56,470 --> 01:34:54,960

we were talking about looking at the

2694

01:34:58,470 --> 01:34:56,480

breadcrumbs looking in between the lines

2695

01:35:00,310 --> 01:34:58,480

not at the headlines

2696

01:35:02,149 --> 01:35:00,320

if you had any advice for anybody out

2697

01:35:05,510 --> 01:35:02,159

there listening what to pay attention to

2698

01:35:08,629 --> 01:35:05,520

what would you uh recommend

2699

01:35:09,990 --> 01:35:08,639

i would 100 recommend everybody get on

2700

01:35:12,310 --> 01:35:10,000

twitter

2701
01:35:13,750 --> 01:35:12,320
go look at who i follow and follow

2702
01:35:18,310 --> 01:35:13,760
because

2703
01:35:22,149 --> 01:35:18,320
there is a conversation going on

2704
01:35:23,910 --> 01:35:22,159
at a high level on on that format that

2705
01:35:27,030 --> 01:35:23,920
not a lot of people are aware of not a

2706
01:35:30,390 --> 01:35:27,040
lot of people are given a second thought

2707
01:35:33,350 --> 01:35:30,400
there's so much information immediately

2708
01:35:35,109 --> 01:35:33,360
passed around amongst that community

2709
01:35:38,470 --> 01:35:35,119
that that is where you're going to find

2710
01:35:39,590 --> 01:35:38,480
the most information the most up-to-date

2711
01:35:41,910 --> 01:35:39,600
information

2712
01:35:43,510 --> 01:35:41,920
that that's out there and available it's

2713
01:35:46,229 --> 01:35:43,520

coming in from all different kind of

2714

01:35:49,350 --> 01:35:46,239

sources i consider it the ufo hive mind

2715

01:35:51,910 --> 01:35:49,360

there's just so many smart dudes

2716

01:35:53,350 --> 01:35:51,920

that are on that platform wanting to

2717

01:35:55,669 --> 01:35:53,360

have a conversation like

2718

01:35:58,070 --> 01:35:55,679

tick tock is hey look at this and then

2719

01:35:59,669 --> 01:35:58,080

go look into it but on twitter it's like

2720

01:36:01,030 --> 01:35:59,679

let's go ahead let's have let's work

2721

01:36:01,990 --> 01:36:01,040

this out let's have this deep

2722

01:36:03,590 --> 01:36:02,000

conversation

2723

01:36:04,870 --> 01:36:03,600

i don't agree with you and here's why

2724

01:36:05,590 --> 01:36:04,880

and there's a lot of back and forth that

2725

01:36:08,550 --> 01:36:05,600

goes on there

2726

01:36:10,550 --> 01:36:08,560

yeah yeah i i guess there's like the

2727

01:36:13,750 --> 01:36:10,560

tick tock is elementary school

2728

01:36:15,109 --> 01:36:13,760

and twitter is more college level i

2729

01:36:16,550 --> 01:36:15,119

guess i don't want to give it that much

2730

01:36:19,590 --> 01:36:16,560

credit but it's

2731

01:36:20,310 --> 01:36:19,600

it's it's the seven it's beyond next

2732

01:36:22,149 --> 01:36:20,320

generation

2733

01:36:23,990 --> 01:36:22,159

conversations about the topic i guess

2734

01:36:26,070 --> 01:36:24,000

i'll call it nice yeah

2735

01:36:27,350 --> 01:36:26,080

and by the way you follow ufo garage on

2736

01:36:29,990 --> 01:36:27,360

twitter right

2737

01:36:31,140 --> 01:36:30,000

i mean we're talking about smart smart

2738

01:36:33,510 --> 01:36:31,150

guys right i mean

2739

01:36:35,030 --> 01:36:33,520

[Laughter]

2740

01:36:37,270 --> 01:36:35,040

i mean talk about high level

2741

01:36:38,229 --> 01:36:37,280

conversations i mean we we have the

2742

01:36:40,410 --> 01:36:38,239

highest

2743

01:36:42,870 --> 01:36:40,420

of conversation sometimes dude

2744

01:36:45,030 --> 01:36:42,880

[Laughter]

2745

01:36:46,070 --> 01:36:45,040

so yeah we're kind of hot like we're

2746

01:36:52,390 --> 01:36:46,080

super

2747

01:36:55,430 --> 01:36:52,400

conversations occasionally

2748

01:36:57,350 --> 01:36:55,440

oh man dad dude i i love you man

2749

01:36:59,910 --> 01:36:57,360

yeah dude you're just such a great

2750

01:37:00,790 --> 01:36:59,920

dude i i love having these conversations

2751

01:37:03,830 --> 01:37:00,800

with you man

2752

01:37:04,790 --> 01:37:03,840

i'm so glad that you know we're able to

2753

01:37:07,990 --> 01:37:04,800

like

2754

01:37:09,350 --> 01:37:08,000

you know

2755

01:37:11,350 --> 01:37:09,360

we haven't met personally but we're

2756

01:37:12,629 --> 01:37:11,360

going to one day we're we're coming

2757

01:37:14,470 --> 01:37:12,639

we're coming to hang out with you one

2758

01:37:16,229 --> 01:37:14,480

day dude we're going to look through

2759

01:37:17,430 --> 01:37:16,239

your night scope your your night vision

2760

01:37:18,950 --> 01:37:17,440

telescope because

2761

01:37:20,470 --> 01:37:18,960

i still haven't gotten one dude i got a

2762

01:37:23,510 --> 01:37:20,480

i got an ad for

2763

01:37:24,149 --> 01:37:23,520

for a night vision uh little camcorder

2764

01:37:26,229 --> 01:37:24,159

thing the other

2765

01:37:27,270 --> 01:37:26,239

the other day and it was like hey you

2766

01:37:29,270 --> 01:37:27,280

could get this right

2767

01:37:31,510 --> 01:37:29,280

like it was very targeted because it was

2768

01:37:33,990 --> 01:37:31,520

like we know you like stars

2769

01:37:35,830 --> 01:37:34,000

you could get this for 150 a month for

2770

01:37:39,430 --> 01:37:35,840

the next six years

2771

01:37:43,030 --> 01:37:39,440

and i was like babe yes yes yes

2772

01:37:44,390 --> 01:37:43,040

we can finance it we can i need another

2773

01:37:48,070 --> 01:37:44,400

loan

2774

01:37:49,430 --> 01:37:48,080

but i uh but i mean uh i mean if people

2775

01:37:50,550 --> 01:37:49,440

want to listen to the first conversation

2776

01:37:52,550 --> 01:37:50,560

we had when we first

2777

01:37:54,229 --> 01:37:52,560

had you on the show dan we talked about

2778

01:37:56,470 --> 01:37:54,239

the the night vision

2779

01:37:57,669 --> 01:37:56,480

camera i mean y'all go check that out uh

2780

01:37:59,590 --> 01:37:57,679

what what uh

2781

01:38:01,750 --> 01:37:59,600

say where everybody can find your your

2782

01:38:02,629 --> 01:38:01,760

stuff dan if if uh people are listening

2783

01:38:04,550 --> 01:38:02,639

and want to find

2784

01:38:07,750 --> 01:38:04,560

your youtube channel and uh just one

2785

01:38:10,550 --> 01:38:07,760

more time for the the tick tock dude

2786

01:38:12,629 --> 01:38:10,560

the tick tock and i also have a youtube

2787

01:38:15,990 --> 01:38:12,639

channel where i post my tick tock videos

2788

01:38:18,709 --> 01:38:16,000

on to youtube doesn't get a fraction

2789

01:38:20,229 --> 01:38:18,719

of the plays and views of course yet

2790

01:38:20,870 --> 01:38:20,239

we'll see if there's any hope for the

2791

01:38:22,470 --> 01:38:20,880

future

2792

01:38:24,229 --> 01:38:22,480

but they're both the fifth pillar of

2793

01:38:27,350 --> 01:38:24,239

emphasis five

2794

01:38:29,109 --> 01:38:27,360

instead of uh spelling it out um and

2795

01:38:31,109 --> 01:38:29,119

it's not if you're on twitter i have a

2796

01:38:32,870 --> 01:38:31,119

fifth pillar of emphasis twitter account

2797

01:38:34,870 --> 01:38:32,880

but you can just look me up as dan morin

2798

01:38:37,030 --> 01:38:34,880

i'm on there i'm i'm more frequently on

2799

01:38:38,709 --> 01:38:37,040

there as dan warren because i have

2800

01:38:40,550 --> 01:38:38,719

established a following and i have

2801
01:38:41,830 --> 01:38:40,560
established people that i'm following a

2802
01:38:45,430 --> 01:38:41,840
network i guess i'll call it

2803
01:38:47,910 --> 01:38:45,440
right dan warren on twitter i think my

2804
01:38:49,510 --> 01:38:47,920
uh handle is hey look over there i can't

2805
01:38:50,070 --> 01:38:49,520
i spell had to spell it funny because

2806
01:38:51,590 --> 01:38:50,080
there's

2807
01:38:53,270 --> 01:38:51,600
not enough characters so don't ask but

2808
01:38:54,870 --> 01:38:53,280
look up dan warren

2809
01:38:57,430 --> 01:38:54,880
i was always i was wondering about that

2810
01:38:59,669 --> 01:38:57,440
like hey look over there thing

2811
01:39:01,590 --> 01:38:59,679
yeah i'm confused i don't know what i

2812
01:39:04,629 --> 01:39:01,600
work with computers but i still don't

2813
01:39:06,470 --> 01:39:04,639

fully understand twitter one day

2814

01:39:08,550 --> 01:39:06,480

i don't know i know i need to get a

2815

01:39:09,910 --> 01:39:08,560

twitter too i need to get a tick tock i

2816

01:39:11,270 --> 01:39:09,920

need to get a twitter you're gonna i

2817

01:39:13,109 --> 01:39:11,280

need to get a snapchat

2818

01:39:14,550 --> 01:39:13,119

you're gonna log in and never log in

2819

01:39:16,790 --> 01:39:14,560

ever again dude like no

2820

01:39:18,149 --> 01:39:16,800

we have you on instagram i know i've got

2821

01:39:21,270 --> 01:39:18,159

like four pictures

2822

01:39:22,709 --> 01:39:21,280

and like i check it occasionally

2823

01:39:24,629 --> 01:39:22,719

they're all like taking like the all the

2824

01:39:26,229 --> 01:39:24,639

photos are like really close and like

2825

01:39:28,310 --> 01:39:26,239

i opened it the other day and there was

2826

01:39:30,790 --> 01:39:28,320

like there was like like

2827

01:39:32,709 --> 01:39:30,800

60 different this person is following

2828

01:39:34,470 --> 01:39:32,719

you and i was like oh

2829

01:39:36,310 --> 01:39:34,480

neat and i haven't followed you i think

2830

01:39:39,350 --> 01:39:36,320

i follow like eight people

2831

01:39:42,470 --> 01:39:39,360

like what like one's my cousin i just

2832

01:39:44,709 --> 01:39:42,480

have i have facebook because that's

2833

01:39:46,470 --> 01:39:44,719

i was forced into facebook like eight

2834

01:39:48,390 --> 01:39:46,480

years after facebook came out

2835

01:39:49,590 --> 01:39:48,400

and they were like dude how are we

2836

01:39:51,030 --> 01:39:49,600

supposed to get a hold of you and i'm

2837

01:39:52,229 --> 01:39:51,040

like well i have a phone

2838

01:39:53,910 --> 01:39:52,239

and they're like no but you should

2839

01:39:56,149 --> 01:39:53,920

totally get on there because you could

2840

01:39:57,189 --> 01:39:56,159

post pictures of like your food and your

2841

01:40:00,229 --> 01:39:57,199

family and stuff

2842

01:40:01,430 --> 01:40:00,239

so i did and uh man i'm just i'm so i'm

2843

01:40:02,950 --> 01:40:01,440

so terrible at that now

2844

01:40:04,870 --> 01:40:02,960

that's terrible dude because we have a

2845

01:40:08,149 --> 01:40:04,880

podcast i should be

2846

01:40:09,510 --> 01:40:08,159

more uh more open to these things so

2847

01:40:11,109 --> 01:40:09,520

so next week i'm going to have a i'm

2848

01:40:11,510 --> 01:40:11,119

going to have all of them have all of

2849

01:40:13,109 --> 01:40:11,520

them

2850

01:40:15,750 --> 01:40:13,119

i'm excited yes we're going to set you

2851

01:40:18,550 --> 01:40:15,760

up with a woof what's a wolf

2852

01:40:19,109 --> 01:40:18,560

uh it's it's it's facts it's phone it's

2853

01:40:21,030 --> 01:40:19,119

uh

2854

01:40:22,709 --> 01:40:21,040

internet it's email everything all at

2855

01:40:23,189 --> 01:40:22,719

once if you get an email it comes up all

2856

01:40:25,510 --> 01:40:23,199

at once

2857

01:40:26,790 --> 01:40:25,520

dude yes i totally would like a fax

2858

01:40:28,550 --> 01:40:26,800

machine i need one

2859

01:40:30,790 --> 01:40:28,560

it's uh right it's for the office it

2860

01:40:34,070 --> 01:40:30,800

says

2861

01:40:35,830 --> 01:40:34,080

woof uh anyway you're smart dan

2862

01:40:37,510 --> 01:40:35,840

dude freaking love you brother thank you

2863

01:40:39,830 --> 01:40:37,520

01:40:40,629 --> 01:40:39,840

always good to chat with you guys all

2865

01:40:42,470 --> 01:40:40,639

been a pleasure as always look forward

2867

01:40:46,870 --> 01:40:44,239

to doing it again sometime

2868

01:40:49,510 --> 01:40:46,880

absolutely man absolutely brother will

2869

01:40:50,950 --> 01:40:49,520

you have a great evening man

2870

01:40:52,790 --> 01:40:50,960

all right i want to say one more thing

2871

01:40:56,229 --> 01:40:52,800

real quick totally yes

2872

01:40:58,790 --> 01:40:56,239

we've got time last week i went back and

2873

01:41:01,590 --> 01:40:58,800

i listened to your first episode

2874

01:41:03,430 --> 01:41:01,600

of this podcast if you have if anyone

2875

01:41:05,270 --> 01:41:03,440

listening that's made it this far

2876

01:41:07,430 --> 01:41:05,280

is still listening go back and listen to

2877

01:41:10,390 --> 01:41:07,440

the first one it's great

2878

01:41:11,270 --> 01:41:10,400

like that is like you guys summed up

2879

01:41:17,750 --> 01:41:11,280

your

2880

01:41:18,870 --> 01:41:17,760

so well in that first 15 twenty minutes

2881

01:41:20,870 --> 01:41:18,880

so i don't i

2882

01:41:22,629 --> 01:41:20,880

encourage anybody to listen to it that's

2883

01:41:24,149 --> 01:41:22,639

the episode i'm gonna push

2884

01:41:26,390 --> 01:41:24,159

towards other people like go check them

2885

01:41:28,070 --> 01:41:26,400

out listen to episode number one

2886

01:41:30,390 --> 01:41:28,080

and then check off the rest of the story

2887

01:41:31,750 --> 01:41:30,400

dude that's great dude awesome i'm gonna

2888

01:41:32,390 --> 01:41:31,760

have to go back and listen to episode

2889

01:41:33,750 --> 01:41:32,400

number one

2890

01:41:36,310 --> 01:41:33,760

too i'm about to go listen to it right

2891

01:41:37,510 --> 01:41:36,320

now yes man that's so awesome i did i do

2892

01:41:41,030 --> 01:41:37,520

remember it was like

2893

01:41:42,950 --> 01:41:41,040

uh i was very shy but

2894

01:41:46,229 --> 01:41:42,960

yeah no you guys have such a different

2895

01:41:49,590 --> 01:41:46,239

demeanor in that first episode

2896

01:41:51,510 --> 01:41:49,600

it's so it's so much more chill yeah

2897

01:41:52,629 --> 01:41:51,520

like way less confidence we were like

2898

01:41:55,990 --> 01:41:52,639

well

2899

01:42:01,030 --> 01:41:58,870

i guess this is this is fun yeah it's so

2900

01:42:02,870 --> 01:42:01,040

funny i like listening to the intro

2901
01:42:05,350 --> 01:42:02,880
like in the earlier ones compared to

2902
01:42:05,750 --> 01:42:05,360
like now it's like we got it down i

2903
01:42:07,750 --> 01:42:05,760
think

2904
01:42:08,950 --> 01:42:07,760
you know but man yeah talk about really

2905
01:42:11,910 --> 01:42:08,960
trying to find yourself

2906
01:42:14,070 --> 01:42:11,920
and and not knowing anything right yeah

2907
01:42:15,830 --> 01:42:14,080
it's so great i love it dude i love

2908
01:42:17,030 --> 01:42:15,840
it man yeah and so it's almost like

2909
01:42:18,550 --> 01:42:17,040
looking at like a picture of you when

2910
01:42:22,950 --> 01:42:18,560
you're in high school and you're like oh

2911
01:42:28,149 --> 01:42:24,390
but that's awesome i'm gonna have to go

2912
01:42:30,470 --> 01:42:28,159
back and listen to it now man hell yeah

2913
01:42:31,510 --> 01:42:30,480

hell yeah well that's awesome man uh

2914

01:42:34,149 --> 01:42:31,520

well

2915

01:42:34,709 --> 01:42:34,159

we uh dude we've gotta we've gotta i

2916

01:42:36,310 --> 01:42:34,719

mean

2917

01:42:39,510 --> 01:42:36,320

me and joe were talking about this like

2918

01:42:42,310 --> 01:42:39,520

a lot of shows have like that 15-minute

2919

01:42:43,510 --> 01:42:42,320

pre-show thing where we have get they

2920

01:42:46,629 --> 01:42:43,520

have a specific

2921

01:42:48,070 --> 01:42:46,639

uh person come on and talk about news

2922

01:42:49,750 --> 01:42:48,080

so maybe we'll talk about this off air

2923

01:42:50,870 --> 01:42:49,760

but dude i think a lot of people would

2924

01:42:52,310 --> 01:42:50,880

love to hear from you

2925

01:42:54,149 --> 01:42:52,320

you know at least like once a week if

2926

01:42:55,669 --> 01:42:54,159

you can pull that off for like 20

2927

01:42:57,350 --> 01:42:55,679

minutes or something like that

2928

01:42:58,870 --> 01:42:57,360

and let's just go back and forth i think

2929

01:43:00,470 --> 01:42:58,880

that would be fun yeah

2930

01:43:01,990 --> 01:43:00,480

like like current events and stuff

2931

01:43:03,430 --> 01:43:02,000

because i think this is only going to

2932

01:43:09,510 --> 01:43:03,440

get more

2933

01:43:12,629 --> 01:43:11,270

well the dude thing is like the tick

2934

01:43:15,270 --> 01:43:12,639

tock thing is just

2935

01:43:16,390 --> 01:43:15,280

forcing me uh you know how it is if

2936

01:43:17,910 --> 01:43:16,400

you've learned something

2937

01:43:19,830 --> 01:43:17,920

that's one thing but if you have to

2938

01:43:23,109 --> 01:43:19,840

teach someone else something

2939

01:43:25,750 --> 01:43:23,119

you learn that thing way better yeah

2940

01:43:27,910 --> 01:43:25,760

comes doing for me i'm having to get my

2941

01:43:30,070 --> 01:43:27,920

poop in a group before i put a video

2942

01:43:32,070 --> 01:43:30,080

together

2943

01:43:33,830 --> 01:43:32,080

so i gotta know all the ins and outs so

2944

01:43:36,070 --> 01:43:33,840

it's working out for me it's it's

2945

01:43:39,990 --> 01:43:36,080

helping my knowledge on the subject

2946

01:43:42,470 --> 01:43:40,000

by doing these silly little videos that

2947

01:43:43,750 --> 01:43:42,480

are i'm making with my kids and so it's

2948

01:43:45,830 --> 01:43:43,760

it's a big plus so

2949

01:43:47,350 --> 01:43:45,840

it might be something we can do that

2950

01:43:47,910 --> 01:43:47,360

would be pretty awesome man yeah we'll

2951

01:43:49,430 --> 01:43:47,920

definitely

2952

01:43:50,950 --> 01:43:49,440

we'll uh we'll talk we'll talk about

2953

01:43:52,470 --> 01:43:50,960

that i think that'd be a cool little

2954

01:43:54,709 --> 01:43:52,480

addition for sure

2955

01:43:56,310 --> 01:43:54,719

hell yeah that'd be dope we got to come

2956

01:43:56,790 --> 01:43:56,320

up with a fun name for it though like

2957

01:44:01,510 --> 01:43:56,800

you know

2958

01:44:07,109 --> 01:44:04,830

it would be uh uh 15 minutes with boba

2959

01:44:10,310 --> 01:44:07,119

random the newsman

2960

01:44:11,990 --> 01:44:10,320

bobby randan the newsman

2961

01:44:14,310 --> 01:44:12,000

and you would have your own music too

2962

01:44:17,350 --> 01:44:15,669

it's going to be great it's going to be

2963

01:44:18,950 --> 01:44:17,360

beautiful man we're going to work this

2964

01:44:20,870 --> 01:44:18,960

out all right dan

2965

01:44:23,350 --> 01:44:20,880

all right sounds good guys all right

2966

01:44:24,709 --> 01:44:23,360

brother we'll talk to you later man

2967

01:44:26,629 --> 01:44:24,719

all right man take care guys all right

2968

01:44:29,830 --> 01:44:26,639

everyone thanks again man

2969

01:44:33,030 --> 01:44:32,709

i love it oh yeah i love it man dude i

2970

01:44:39,350 --> 01:44:33,040

love

2971

01:44:40,390 --> 01:44:39,360

good such a good guy i know like dude

2972

01:44:42,629 --> 01:44:40,400

the quality of

2973

01:44:44,149 --> 01:44:42,639

of uh i mean you and i we go off on

2974

01:44:45,189 --> 01:44:44,159

tangents and we have we have a good time

2975

01:44:47,109 --> 01:44:45,199

we talk about farts

2976

01:44:48,950 --> 01:44:47,119

and stuff and we like talk about deep

2977

01:44:52,229 --> 01:44:48,960

stuff and it's like like

2978

01:44:54,550 --> 01:44:52,239

you know but man when dan's on it's like

2979

01:44:55,990 --> 01:44:54,560

he has some really awesome ideas i know

2980

01:44:58,950 --> 01:44:56,000

man yeah so like dan

2981

01:44:59,750 --> 01:44:58,960

is like another gary it's like yeah they

2982

01:45:02,149 --> 01:44:59,760

like they

2983

01:45:03,030 --> 01:45:02,159

well all of our guests that we've had on

2984

01:45:05,350 --> 01:45:03,040

right

2985

01:45:07,350 --> 01:45:05,360

they can all they're it's open door man

2986

01:45:07,830 --> 01:45:07,360

you're welcome to come on any time but

2987

01:45:10,149 --> 01:45:07,840

like

2988

01:45:11,350 --> 01:45:10,159

if there's some some time where it's

2989

01:45:12,950 --> 01:45:11,360

like

2990

01:45:14,470 --> 01:45:12,960

we got to get somebody on the show man

2991

01:45:17,510 --> 01:45:14,480

it's like gary

2992

01:45:19,510 --> 01:45:17,520

and dan are like the main dudes you know

2993

01:45:20,709 --> 01:45:19,520

we love those guys and they could

2994

01:45:23,350 --> 01:45:20,719

totally like just

2995

01:45:23,910 --> 01:45:23,360

you know and will and micah and you know

2996

01:45:26,629 --> 01:45:23,920

i know

2997

01:45:28,550 --> 01:45:26,639

and phil mark from uh dude it's just

2998

01:45:30,709 --> 01:45:28,560

crazy because everybody we talk to like

2999

01:45:33,109 --> 01:45:30,719

we've become like such good friends with

3000

01:45:34,709 --> 01:45:33,119

it's like if we could get them all on

3001

01:45:37,750 --> 01:45:34,719

the show at one time

3002

01:45:39,750 --> 01:45:37,760

that it would be ridiculous for one but

3003

01:45:41,830 --> 01:45:39,760

it would it would just be awesome dude i

3004

01:45:43,270 --> 01:45:41,840

just i i love everybody that like we've

3005

01:45:45,030 --> 01:45:43,280

come in contact with man

3006

01:45:47,109 --> 01:45:45,040

yeah we've made some really awesome

3007

01:45:49,270 --> 01:45:47,119

friends dude it's uh

3008

01:45:51,270 --> 01:45:49,280

i mean we back to the beginning like

3009

01:45:54,070 --> 01:45:51,280

dude we were

3010

01:45:54,790 --> 01:45:54,080

uh terry loveless i mean what a awesome

3011

01:45:56,550 --> 01:45:54,800

dude

3012

01:45:58,070 --> 01:45:56,560

yeah and the fact that he like put us in

3013

01:45:59,270 --> 01:45:58,080

his book like well he didn't have to do

3014

01:46:01,590 --> 01:45:59,280

that it's so cool

3015

01:46:03,270 --> 01:46:01,600

it's so random that like we never

3016

01:46:06,070 --> 01:46:03,280

thought that we would actually make an

3017

01:46:07,990 --> 01:46:06,080

impact on somebody for anything right

3018

01:46:10,870 --> 01:46:08,000

like that that's not

3019

01:46:11,430 --> 01:46:10,880

the goal at all i was fully prepared for

3020

01:46:12,950 --> 01:46:11,440

just

3021

01:46:15,109 --> 01:46:12,960

like dude we we thought it was a

3022

01:46:18,790 --> 01:46:15,119

milestone to get to eight episodes

3023

01:46:20,870 --> 01:46:18,800

yeah yes so i love it yeah man

3024

01:46:21,910 --> 01:46:20,880

yeah i'm i'm so excited about what's

3025

01:46:24,229 --> 01:46:21,920

coming up

3026

01:46:25,189 --> 01:46:24,239

uh there's so much bubbling to the

3027

01:46:27,270 --> 01:46:25,199

surface

3028

01:46:28,470 --> 01:46:27,280

it's not like we've worked super hard

3029

01:46:30,790 --> 01:46:28,480

we've just like

3030

01:46:32,790 --> 01:46:30,800

met really awesome people and we just

3031

01:46:35,189 --> 01:46:32,800

showed up and we just did what felt

3032

01:46:36,470 --> 01:46:35,199

natural uh i mean going back to that

3033

01:46:38,229 --> 01:46:36,480

like the people

3034

01:46:40,149 --> 01:46:38,239

you guys out there listening uh if

3035

01:46:41,990 --> 01:46:40,159

you've made it this far

3036

01:46:44,790 --> 01:46:42,000

if you're interested in this stuff just

3037

01:46:46,470 --> 01:46:44,800

go keep going with it you know yeah man

3038

01:46:47,910 --> 01:46:46,480

and the thing is like when it comes to

3039

01:46:50,790 --> 01:46:47,920

the subject

3040

01:46:52,629 --> 01:46:50,800

you don't have to be right you know that

3041

01:46:54,950 --> 01:46:52,639

i feel like that's a big thing that like

3042

01:46:56,950 --> 01:46:54,960

everybody's worried about and it's like

3043

01:46:58,229 --> 01:46:56,960

oh i don't really know i mean dude we

3044

01:47:00,149 --> 01:46:58,239

don't know either right

3045

01:47:01,350 --> 01:47:00,159

yeah we're all scared to put out some

3046

01:47:04,310 --> 01:47:01,360

that's wrong

3047

01:47:05,910 --> 01:47:04,320

right absolutely but like ultimately

3048

01:47:09,109 --> 01:47:05,920

we're all just guessing

3049

01:47:11,669 --> 01:47:09,119

that's so much

3050

01:47:12,550 --> 01:47:11,679

it's it that's what makes the thing fun

3051

01:47:15,030 --> 01:47:12,560

and and

3052

01:47:17,350 --> 01:47:15,040

it's almost like uh you know like when

3053

01:47:20,390 --> 01:47:17,360

this is maybe the wrong example but

3054

01:47:22,390 --> 01:47:20,400

when uh i'm not okay like that one time

3055

01:47:23,510 --> 01:47:22,400

when ronald mcdonald and he was chasing

3056

01:47:24,870 --> 01:47:23,520

the hamburglar

3057

01:47:26,470 --> 01:47:24,880

and he was like hey give me my

3058

01:47:28,149 --> 01:47:26,480

hamburgers but then they became like

3059

01:47:30,390 --> 01:47:28,159

really good friends and like

3060

01:47:32,070 --> 01:47:30,400

and then and then like okay so you

3061

01:47:32,709 --> 01:47:32,080

remember when the hamburglar was like

3062

01:47:34,629 --> 01:47:32,719

hey

3063

01:47:35,990 --> 01:47:34,639

and then it got like a little sexual for

3064

01:47:37,910 --> 01:47:36,000

everybody in the ball

3065

01:47:39,990 --> 01:47:37,920

pit and then they had to take those

3066

01:47:40,310 --> 01:47:40,000

statues out especially when grimace came

3067

01:47:45,830 --> 01:47:40,320

out

3068

01:47:47,189 --> 01:47:45,840

oh yeah i like the chicken nuggets

3069

01:47:49,030 --> 01:47:47,199

you know what used to bother me so much

3070

01:47:50,070 --> 01:47:49,040

is the commercials remember when grimace

3071

01:47:51,430 --> 01:47:50,080

would just throw those little

3072

01:47:52,310 --> 01:47:51,440

cheeseburgers into his mouth like they

3073

01:47:55,189 --> 01:47:52,320

were like

3074

01:47:56,149 --> 01:47:55,199

quarters yeah pissed me off like the

3075

01:47:59,189 --> 01:47:56,159

scale is all

3076

01:48:00,709 --> 01:47:59,199

off on this that's not how big they're

3077

01:48:02,390 --> 01:48:00,719

they're a lot bigger than that you can't

3078

01:48:05,109 --> 01:48:02,400

just throw a hamburger in your mouth

3079

01:48:06,390 --> 01:48:05,119

advertising yeah it just hits your face

3080

01:48:08,950 --> 01:48:06,400

and falls to the ground

3081

01:48:09,830 --> 01:48:08,960

and you wasted a whole hamburger such a

3082

01:48:13,109 --> 01:48:09,840

waste

3083

01:48:16,310 --> 01:48:13,119

sorry dude what were you gonna say um

3084

01:48:19,669 --> 01:48:16,320

oh i was gonna say guys um

3085

01:48:22,310 --> 01:48:19,679

hey this is hey hey

3086

01:48:22,790 --> 01:48:22,320

hold on like a dan is a perfect example

3087

01:48:25,350 --> 01:48:22,800

of like

3088

01:48:26,550 --> 01:48:25,360

feeling the need to take an action get

3089

01:48:29,109 --> 01:48:26,560

out there put

3090

01:48:29,750 --> 01:48:29,119

content on the web on on the internet on

3091

01:48:33,350 --> 01:48:29,760

the internet

3092

01:48:34,870 --> 01:48:33,360

or wild interwild um

3093

01:48:36,870 --> 01:48:34,880

i think that's just something that we

3094

01:48:40,629 --> 01:48:36,880

all kind of have to get over i i

3095

01:48:42,390 --> 01:48:40,639

i firmly believe that with so

3096

01:48:43,990 --> 01:48:42,400

quote-unquote social media like we're

3097

01:48:45,990 --> 01:48:44,000

all afraid of looking dumb and

3098

01:48:47,750 --> 01:48:46,000

you know fat and different angles and

3099

01:48:48,470 --> 01:48:47,760

like double chins like oh i've got gray

3100

01:48:50,070 --> 01:48:48,480

hair

3101

01:48:52,629 --> 01:48:50,080

that's why you that's why you

3102

01:48:54,229 --> 01:48:52,639

grow a beard and you have a close-up to

3103

01:48:56,310 --> 01:48:54,239

where it doesn't show your stomach

3104

01:48:57,270 --> 01:48:56,320

yeah right yeah i'm actually not wearing

3105

01:49:00,910 --> 01:48:57,280

pants right now

3106

01:49:04,070 --> 01:49:00,920

ben's not wearing pants i

3107

01:49:07,109 --> 01:49:04,080

[Laughter]

3108

01:49:09,030 --> 01:49:07,119

sorry dude that was perfect

3109

01:49:10,870 --> 01:49:09,040

for those of you who aren't checking out

3110

01:49:13,460 --> 01:49:10,880

the youtube video it's a must

3111

01:49:19,750 --> 01:49:13,470

watch for that part that's how fast

3112

01:49:23,270 --> 01:49:22,310

so my point is guys if you all have an

3113

01:49:25,830 --> 01:49:23,280

opinion to say

3114

01:49:26,950 --> 01:49:25,840

post it go on tick tock post your idea

3115

01:49:30,229 --> 01:49:26,960

yeah like you know

3116

01:49:30,709 --> 01:49:30,239

at dan or at us you know or stitch us or

3117

01:49:33,109 --> 01:49:30,719

whatever

3118

01:49:34,310 --> 01:49:33,119

people are going to shoot it down that's

3119

01:49:36,390 --> 01:49:34,320

just the way it is but

3120

01:49:38,310 --> 01:49:36,400

people are also going to love it and

3121

01:49:41,510 --> 01:49:38,320

either way you get to have a

3122

01:49:43,350 --> 01:49:41,520

very uh mind-opening conversation about

3123

01:49:46,390 --> 01:49:43,360

the whole entire thing which is

3124

01:49:47,669 --> 01:49:46,400

the entire goal in the first place right

3125

01:49:49,589 --> 01:49:47,679

you don't want to just say something and

3126

01:49:50,870 --> 01:49:49,599

everybody agree with you but you

3127

01:49:52,629 --> 01:49:50,880

don't want to say something everybody

3128

01:49:54,550 --> 01:49:52,639

just on you either but

3129

01:49:57,189 --> 01:49:54,560

you know when you get a when you get a

3130

01:49:59,589 --> 01:49:57,199

happy little medium of of a

3131

01:50:01,109 --> 01:49:59,599

a little poopy and a little bit of a

3132

01:50:02,790 --> 01:50:01,119

little bit of awesome love

3133

01:50:04,470 --> 01:50:02,800

you know that's when the conversation

3134

01:50:06,470 --> 01:50:04,480

starts and that's what i love about this

3135

01:50:07,750 --> 01:50:06,480

whole topic in general is that there's

3136

01:50:10,229 --> 01:50:07,760

so many ideas

3137

01:50:12,070 --> 01:50:10,239

and every single day dude i hear

3138

01:50:12,550 --> 01:50:12,080

something i've never heard before yeah i

3139

01:50:17,189 --> 01:50:12,560

love it

3140

01:50:18,550 --> 01:50:17,199

further that concept is

3141

01:50:21,030 --> 01:50:18,560

man we've all been waiting for

3142

01:50:21,430 --> 01:50:21,040

disclosure how about we are disclosure

3143

01:50:24,790 --> 01:50:21,440

we

3144

01:50:27,350 --> 01:50:24,800

in this

3145

01:50:28,070 --> 01:50:27,360

community i mean dude we we have a

3146

01:50:31,270 --> 01:50:28,080

percent

3147

01:50:33,030 --> 01:50:31,280

are actually interested in it in this

3148

01:50:35,350 --> 01:50:33,040

subject listening to our show like yeah

3149

01:50:37,030 --> 01:50:35,360

they told somebody if they don't it's

3150

01:50:39,109 --> 01:50:37,040

just being a part of it and

3151

01:50:41,109 --> 01:50:39,119

actively talking about it publicly and

3152

01:50:41,589 --> 01:50:41,119

not being afraid to be interested in the

3153

01:50:43,109 --> 01:50:41,599

subject

3154

01:50:44,629 --> 01:50:43,119

right we are the disclosure we're

3155

01:50:45,990 --> 01:50:44,639

holding her kind of been holding

3156

01:50:48,149 --> 01:50:46,000

ourselves back for a long time

3157

01:50:49,350 --> 01:50:48,159

i know yeah it's up to us and it's it

3158

01:50:51,350 --> 01:50:49,360

kind of goes along with

3159

01:50:52,550 --> 01:50:51,360

everything don't don't wait for your

3160

01:50:55,750 --> 01:50:52,560

government

3161

01:50:57,990 --> 01:50:55,760

see what you can do yeah yeah

3162

01:50:59,109 --> 01:50:58,000

that's not what your government can do

3163

01:51:02,310 --> 01:50:59,119

for you

3164

01:51:03,750 --> 01:51:02,320

ask what hamburglar can do for grandmas

3165

01:51:05,750 --> 01:51:03,760

exactly those hamburgers are way too

3166

01:51:07,990 --> 01:51:05,760

small in those commercials

3167

01:51:11,270 --> 01:51:08,000

and everyone knows it that's right

3168

01:51:15,109 --> 01:51:13,030

all right well this was a good one dude

3169

01:51:22,149 --> 01:51:15,119

yeah

3170

01:51:26,390 --> 01:51:22,159
