

UFO
GARAGE
PODCAST

THIRSTY THURSDAY

WITH

BEN & JOE

MAY 13th @ 7:30pm (CST)

1
00:00:06,309 --> 00:00:04,230
ladies and gentlemen you're not live yet

2
00:00:07,990 --> 00:00:06,319
if you were just testing it dude there

3
00:00:09,830 --> 00:00:08,000
we go is it louder at the top of your

4
00:00:20,310 --> 00:00:09,840
phone

5
00:00:26,550 --> 00:00:22,390
[Music]

6
00:00:32,229 --> 00:00:29,029
oh we're hearing ourselves uh well that

7
00:00:34,630 --> 00:00:32,239
was a lot less we always do that

8
00:00:36,549 --> 00:00:34,640
i thought it was gonna be let's pretend

9
00:00:38,790 --> 00:00:36,559
that it that it didn't happen like that

10
00:00:39,590 --> 00:00:38,800
dude we don't know how to do anything we

11
00:00:41,830 --> 00:00:39,600
can't make new

12
00:00:43,750 --> 00:00:41,840
i can't make the audio play like like

13
00:00:44,790 --> 00:00:43,760

when we do something new we can never do

14

00:00:52,709 --> 00:00:44,800

it

15

00:00:54,389 --> 00:00:52,719

times a wipe

16

00:00:55,750 --> 00:00:54,399

takes me everything everything takes

17

00:00:57,430 --> 00:00:55,760

four or five times

18

00:00:59,270 --> 00:00:57,440

man we were gonna have a serious podcast

19

00:01:02,150 --> 00:00:59,280

i know it's gonna be so serious

20

00:01:03,270 --> 00:01:02,160

my life's all off you know maybe we

21

00:01:05,509 --> 00:01:03,280

should play the song again

22

00:01:06,310 --> 00:01:05,519

okay okay we'll totally do it let's just

23

00:01:09,429 --> 00:01:06,320

pretend

24

00:01:11,990 --> 00:01:09,439

just now

25

00:01:13,350 --> 00:01:12,000

going live you know what we forgot is we

26

00:01:16,390 --> 00:01:13,360

forgot to put our uniforms on

27

00:01:18,310 --> 00:01:16,400

we forgot i had a cape and everything oh

28

00:01:20,789 --> 00:01:18,320

all right [\h__\h] it let's just do it again

29

00:01:24,789 --> 00:01:20,799

let's do it again

30

00:01:28,789 --> 00:01:24,799

yeah ladies and gentlemen

31

00:01:31,030 --> 00:01:28,799

this is another episode of ufo garage

32

00:01:33,190 --> 00:01:31,040

i'm ben and i'm joe and this is where we

33

00:01:40,550 --> 00:01:33,200

talk about ufos

34

00:01:41,190 --> 00:01:40,560

aliens and all things weird it's thirsty

35

00:01:44,789 --> 00:01:41,200

thursday

36

00:01:47,350 --> 00:01:44,799

thirsty today

37

00:01:49,749 --> 00:01:47,360

already we did it that's why we messed

38

00:01:51,270 --> 00:01:49,759

up the intro yeah but we totally made up

39

00:01:53,429 --> 00:01:51,280

for it judy was perfect

40

00:01:54,950 --> 00:01:53,439

the timing was awesome and as soon as we

41

00:01:56,630 --> 00:01:54,960

finished like the intro

42

00:01:58,950 --> 00:01:56,640

the beat dropped in and the rocking

43

00:02:01,830 --> 00:01:58,960

guitars were kicking the bass was just

44

00:02:02,230 --> 00:02:01,840

thumping the drums were banging and you

45

00:02:04,310 --> 00:02:02,240

know

46

00:02:05,590 --> 00:02:04,320

if if we were going to get copy written

47

00:02:06,389 --> 00:02:05,600

we could have kept on going oh yeah

48

00:02:07,749 --> 00:02:06,399

we're going to get taken

49

00:02:09,669 --> 00:02:07,759

sorry everybody it's gonna get taken

50

00:02:11,990 --> 00:02:09,679

this episode probably won't even exist

51
00:02:13,030 --> 00:02:12,000
yeah it's already it's already being

52
00:02:14,630 --> 00:02:13,040
taken down

53
00:02:16,550 --> 00:02:14,640
i can see them doing it right now look

54
00:02:20,150 --> 00:02:16,560
at that there's stuff happening

55
00:02:21,910 --> 00:02:20,160
we can see their camera like guys uh

56
00:02:23,270 --> 00:02:21,920
you you know what you did you can't hear

57
00:02:26,470 --> 00:02:23,280
the audio but you can see all their

58
00:02:27,589 --> 00:02:26,480
heads shaking like this like no

59
00:02:30,390 --> 00:02:27,599
you know you can't you can't do that

60
00:02:32,070 --> 00:02:30,400
right hey is our heads chopped off

61
00:02:33,830 --> 00:02:32,080
oh no i'm just scrolling down on the bar

62
00:02:35,430 --> 00:02:33,840
oh that's weird there we go hey what's

63
00:02:36,309 --> 00:02:35,440

up everybody how's it going what's up

64

00:02:39,830 --> 00:02:36,319

y'all

65

00:02:40,470 --> 00:02:39,840

will what's up dude uh alien girl what's

66

00:02:42,550 --> 00:02:40,480

up girl

67

00:02:43,910 --> 00:02:42,560

what's up guys thanks for coming in yeah

68

00:02:46,869 --> 00:02:43,920

dude oh yeah

69

00:02:48,550 --> 00:02:46,879

who else is there um we got stephen

70

00:02:49,910 --> 00:02:48,560

stephen was on in here somewhere okay

71

00:02:51,509 --> 00:02:49,920

here we go oh this is the live one over

72

00:02:53,589 --> 00:02:51,519

here oh we're dumb

73

00:02:55,350 --> 00:02:53,599

stream train mark what's up dude hey

74

00:02:57,910 --> 00:02:55,360

from australia hell yeah

75

00:02:59,509 --> 00:02:57,920

cool man from the great town on that

76

00:03:01,110 --> 00:02:59,519

nice to see all of you all tonight

77

00:03:03,190 --> 00:03:01,120

so we don't have anything like really

78

00:03:04,949 --> 00:03:03,200

specific um

79

00:03:06,710 --> 00:03:04,959

in mind for tonight we were just gonna

80

00:03:08,550 --> 00:03:06,720

kind of freestyle it you know we don't

81

00:03:10,949 --> 00:03:08,560

have a guest or anything and it's been a

82

00:03:13,190 --> 00:03:10,959

while that we haven't like

83

00:03:14,710 --> 00:03:13,200

tried to like prepare something i guess

84

00:03:16,390 --> 00:03:14,720

you know it's been a long time so we're

85

00:03:18,390 --> 00:03:16,400

just gonna kind of keep it chill keep it

86

00:03:21,509 --> 00:03:18,400

laid back tonight um

87

00:03:22,149 --> 00:03:21,519

you know and uh you know just have some

88

00:03:23,509 --> 00:03:22,159

fun

89

00:03:25,110 --> 00:03:23,519

so on that note ben what do you think

90

00:03:25,670 --> 00:03:25,120

about the existential crisis that's

91

00:03:27,110 --> 00:03:25,680

going on

92

00:03:28,789 --> 00:03:27,120

along the border right now well i think

93

00:03:32,070 --> 00:03:28,799

it starts it starts joe with

94

00:03:34,309 --> 00:03:32,080

uh the the ever-growing concern for

95

00:03:37,030 --> 00:03:34,319

the gas crisis and i don't know about

96

00:03:40,229 --> 00:03:37,040

you but i have filled up my bathtub

97

00:03:41,030 --> 00:03:40,239

totally agree my underwear all pairs of

98

00:03:43,350 --> 00:03:41,040

my nikes

99

00:03:44,869 --> 00:03:43,360

and crocs didn't work out so i hope

100

00:03:47,910 --> 00:03:44,879

everybody is scared right now

101
00:03:49,750 --> 00:03:47,920
yes i am filling up everything including

102
00:03:51,589 --> 00:03:49,760
my mouthwash bottle with gasoline

103
00:03:53,670 --> 00:03:51,599
well you got to make sure not to use too

104
00:03:55,030 --> 00:03:53,680
much gasoline but everybody listening

105
00:03:57,190 --> 00:03:55,040
right now fill your tanks

106
00:04:04,309 --> 00:03:57,200
up immediately or you will not be able

107
00:04:07,429 --> 00:04:06,070
ladies and gentlemen i need you all to

108
00:04:10,550 --> 00:04:07,439
understand right now

109
00:04:11,270 --> 00:04:10,560
right you know uh yeah that's that's

110
00:04:13,670 --> 00:04:11,280
pretty dumb

111
00:04:14,630 --> 00:04:13,680
yeah people are doing that there are

112
00:04:18,870 --> 00:04:14,640
aliens

113
00:04:21,110 --> 00:04:18,880

there are there are uh things in sky

114

00:04:22,230 --> 00:04:21,120

that we cannot explain they are entering

115

00:04:24,550 --> 00:04:22,240

our airspace

116

00:04:26,390 --> 00:04:24,560

and there's nothing absolutely nothing

117

00:04:28,310 --> 00:04:26,400

that we can do about it

118

00:04:30,230 --> 00:04:28,320

but you know we can do is buy toilet

119

00:04:32,710 --> 00:04:30,240

paper gasoline

120

00:04:33,990 --> 00:04:32,720

right and beans exactly actually the

121

00:04:35,749 --> 00:04:34,000

beans is not a bad idea

122

00:04:37,270 --> 00:04:35,759

bread you're probably buying some beans

123

00:04:39,350 --> 00:04:37,280

it's just like why are you guys hoarding

124

00:04:39,909 --> 00:04:39,360

bread bread goes bad dude like you can't

125

00:04:41,030 --> 00:04:39,919

like sit

126

00:04:42,950 --> 00:04:41,040

why i guess you could stick it in the

127

00:04:46,629 --> 00:04:42,960

freezer are you one of those uh

128

00:04:49,830 --> 00:04:46,639

freezer bread people uh my wife is

129

00:04:50,870 --> 00:04:49,840

yes absolutely dude yeah yeah let me see

130

00:04:52,950 --> 00:04:50,880

if i can fix this

131

00:04:54,629 --> 00:04:52,960

from oh how is it this one that keeps it

132

00:04:55,990 --> 00:04:54,639

from spinning yeah i think you gotta

133

00:04:57,830 --> 00:04:56,000

i'm going the wrong way though i think

134

00:04:59,590 --> 00:04:57,840

there we go oh yeah

135

00:05:01,110 --> 00:04:59,600

there we go yeah it's the new studio

136

00:05:04,469 --> 00:05:01,120

that that that's why we

137

00:05:05,270 --> 00:05:04,479

this is why we're in the new studio

138

00:05:07,189 --> 00:05:05,280

ladies

139

00:05:09,510 --> 00:05:07,199

this is this is way better now i sound

140

00:05:12,629 --> 00:05:09,520

like stephen tyler

141

00:05:13,350 --> 00:05:12,639

dude you have steven tyler pjs what do

142

00:05:15,110 --> 00:05:13,360

you

143

00:05:17,670 --> 00:05:15,120

yeah of course i have a pair of steel

144

00:05:19,749 --> 00:05:17,680

and tyler pj's dude

145

00:05:21,350 --> 00:05:19,759

what does that entail steve and tyler

146

00:05:24,310 --> 00:05:21,360

pj's

147

00:05:25,430 --> 00:05:24,320

what have you ever seen the movie uh

148

00:05:27,990 --> 00:05:25,440

have you ever seen the money

149

00:05:28,950 --> 00:05:28,000

uh the movie son-in-law with paulie

150

00:05:30,950 --> 00:05:28,960

shore

151

00:05:32,310 --> 00:05:30,960

yeah dude that's one of my favorite

152

00:05:34,550 --> 00:05:32,320

movies you know when they go shopping

153

00:05:36,950 --> 00:05:34,560

for some rustic wear

154

00:05:37,990 --> 00:05:36,960

and then he puts on like the chaps and

155

00:05:39,430 --> 00:05:38,000

he doesn't have any underwear

156

00:05:41,749 --> 00:05:39,440

on his ass is just hanging out in the

157

00:05:44,870 --> 00:05:41,759

back he's like stephen tyler pj's

158

00:05:46,870 --> 00:05:44,880

yeah stephen tyler pj's no that's okay

159

00:05:49,110 --> 00:05:46,880

that's what i mean i was thinking like a

160

00:05:51,350 --> 00:05:49,120

all-over print of steven tyler on like

161

00:05:52,469 --> 00:05:51,360

fuzzy pajamas no that'd be pretty cool

162

00:05:54,790 --> 00:05:52,479

dude that wouldn't be we should make

163

00:05:56,710 --> 00:05:54,800

pajama pants

164

00:06:00,550 --> 00:05:56,720

why don't we have pajamas the world's

165

00:06:04,790 --> 00:06:00,560

comfiest pajama pants a little soft

166

00:06:07,350 --> 00:06:04,800

supple and warm just like steven tyler

167

00:06:09,510 --> 00:06:07,360

have you seen i mean i love aerosmith i

168

00:06:09,990 --> 00:06:09,520

think uh steven tyler's badass oh yeah

169

00:06:11,430 --> 00:06:10,000

me too

170

00:06:13,510 --> 00:06:11,440

have you seen the meme where it's like

171

00:06:16,150 --> 00:06:13,520

it's a photo of stephen tyler

172

00:06:16,629 --> 00:06:16,160

it's like this is the it's like him with

173

00:06:18,309 --> 00:06:16,639

his hair

174

00:06:20,150 --> 00:06:18,319

kind of pulled back you can see his

175

00:06:22,469 --> 00:06:20,160

earrings he's got like a colorful

176

00:06:24,230 --> 00:06:22,479

like scarf on and it said this is your

177

00:06:27,189 --> 00:06:24,240

cool aunt that like let you smoke weed

178

00:06:32,550 --> 00:06:30,230

dude it's spot on it's spot on

179

00:06:33,749 --> 00:06:32,560

chad smith what's up dude thanks for

180

00:06:38,870 --> 00:06:33,759

joining us man

181

00:06:40,469 --> 00:06:38,880

jst just just toe jsto183 what's up

182

00:06:42,950 --> 00:06:40,479

i can't see because the camera's in the

183

00:06:44,950 --> 00:06:42,960

way oh you remove it

184

00:06:46,150 --> 00:06:44,960

well if you need help reading dude oh i

185

00:06:48,870 --> 00:06:46,160

could just screen the

186

00:06:49,830 --> 00:06:48,880

or shorten the screen there oh look at

187

00:06:51,830 --> 00:06:49,840

that

188

00:06:52,870 --> 00:06:51,840

i always need help with reading i like

189

00:06:56,309 --> 00:06:52,880

it i like it

190

00:06:59,270 --> 00:06:56,319

so dude i guess uh

191

00:07:00,790 --> 00:06:59,280

hey let's get to the first topic so okay

192

00:07:02,469 --> 00:07:00,800

let's get into this really quick as a

193

00:07:02,870 --> 00:07:02,479

first topic right just so we can kind of

194

00:07:05,830 --> 00:07:02,880

like

195

00:07:06,950 --> 00:07:05,840

you know um as bob seger would say turn

196

00:07:09,990 --> 00:07:06,960

the page a little bit

197

00:07:13,990 --> 00:07:10,000

you know um oh my god sam

198

00:07:17,350 --> 00:07:16,870

i don't know loud i don't know if that's

199

00:07:18,629 --> 00:07:17,360

allowed

200

00:07:21,909 --> 00:07:18,639

okay well that's gonna be the first

201
00:07:23,909 --> 00:07:21,919
topic now okay um

202
00:07:25,589 --> 00:07:23,919
i mean there's okay we can save that for

203
00:07:28,390 --> 00:07:25,599
the end alien [h__h]

204
00:07:30,629 --> 00:07:28,400
um goes at the end it has to yeah we

205
00:07:34,550 --> 00:07:30,639
gotta we gotta wait for that alien [h__h]

206
00:07:37,189 --> 00:07:34,560
so dude okay i was gonna ask you

207
00:07:38,469 --> 00:07:37,199
when we first got into this right yeah

208
00:07:41,270 --> 00:07:38,479
what's uh

209
00:07:43,430 --> 00:07:41,280
what has changed like what what in your

210
00:07:44,790 --> 00:07:43,440
mind has changed the most from like when

211
00:07:46,950 --> 00:07:44,800
we first started into

212
00:07:49,510 --> 00:07:46,960
give me give me a rundown of how you

213
00:07:52,710 --> 00:07:49,520

felt and the way you thought

214

00:07:56,070 --> 00:07:52,720

um about this topic as a whole and

215

00:07:58,550 --> 00:07:56,080

just uh you know your feelings into

216

00:07:59,909 --> 00:07:58,560

now and what you learned yeah yeah so

217

00:08:01,909 --> 00:07:59,919

what do you think dude i mean

218

00:08:03,990 --> 00:08:01,919

since we started this thing almost two

219

00:08:07,350 --> 00:08:04,000

years ago dude it's almost our two-year

220

00:08:10,790 --> 00:08:07,360

anniversary in june and a verse uh

221

00:08:14,150 --> 00:08:10,800

we had my brain had always been

222

00:08:16,469 --> 00:08:14,160

so fascinated with this topic and

223

00:08:17,189 --> 00:08:16,479

the things that i paid attention to did

224

00:08:19,830 --> 00:08:17,199

research

225

00:08:21,270 --> 00:08:19,840

wanted to know more stuff youtube videos

226

00:08:24,550 --> 00:08:21,280

everything i wanted to see

227

00:08:26,469 --> 00:08:24,560

an alien craft i've always been you know

228

00:08:28,070 --> 00:08:26,479

both of i both of us have been

229

00:08:29,749 --> 00:08:28,080

interested in this stuff but we're more

230

00:08:31,430 --> 00:08:29,759

interested in the stories and the people

231

00:08:31,830 --> 00:08:31,440

that are affected by this stuff like

232

00:08:33,509 --> 00:08:31,840

yeah

233

00:08:35,110 --> 00:08:33,519

hearing abduction stories like that's

234

00:08:37,750 --> 00:08:35,120

the best part

235

00:08:39,110 --> 00:08:37,760

so yeah i mean that's that's where we

236

00:08:41,589 --> 00:08:39,120

started and then that's

237

00:08:43,190 --> 00:08:41,599

i think we kind of maybe steered away

238

00:08:44,230 --> 00:08:43,200

and just tried a couple of different

239

00:08:47,110 --> 00:08:44,240

things out

240

00:08:47,670 --> 00:08:47,120

and i think uh currently there's so much

241

00:08:50,630 --> 00:08:47,680

[h__h]

242

00:08:51,990 --> 00:08:50,640

news and just people talking about kind

243

00:08:53,910 --> 00:08:52,000

of the same thing and

244

00:08:55,190 --> 00:08:53,920

not necessarily the same exact thing

245

00:08:57,350 --> 00:08:55,200

every day but

246

00:08:58,870 --> 00:08:57,360

it almost seems a little forced like

247

00:08:59,910 --> 00:08:58,880

this is everything we ever wanted like

248

00:09:03,750 --> 00:08:59,920

this disclosure

249

00:09:06,150 --> 00:09:03,760

disclosure [h__h] right but like it

250

00:09:07,509 --> 00:09:06,160

we're i think we've kind of steered away

251
00:09:10,150 --> 00:09:07,519
some

252
00:09:11,910 --> 00:09:10,160
i guess during the day uh maybe not so

253
00:09:12,310 --> 00:09:11,920
much on the podcast and like our our

254
00:09:13,990 --> 00:09:12,320
guest

255
00:09:15,990 --> 00:09:14,000
but the things that i'm paying attention

256
00:09:18,710 --> 00:09:16,000
to reading is all like this

257
00:09:20,389 --> 00:09:18,720
this news stuff and military related

258
00:09:22,790 --> 00:09:20,399
yeah i mean we talked about that like

259
00:09:24,949 --> 00:09:22,800
it's just it's not resonating enough

260
00:09:27,670 --> 00:09:24,959
yeah it doesn't it doesn't uh

261
00:09:29,350 --> 00:09:27,680
it doesn't resonate for me and i i know

262
00:09:30,470 --> 00:09:29,360
that a lot of people out there will

263
00:09:33,030 --> 00:09:30,480

disagree

264

00:09:33,670 --> 00:09:33,040

you know with the the the news and stuff

265

00:09:37,910 --> 00:09:33,680

and and

266

00:09:41,590 --> 00:09:37,920

release of information

267

00:09:43,990 --> 00:09:41,600

the 180 days like i think it's

268

00:09:45,509 --> 00:09:44,000

i think it's cool right it's awesome

269

00:09:45,910 --> 00:09:45,519

it's awesome it's it's something we've

270

00:09:49,430 --> 00:09:45,920

all

271

00:09:49,990 --> 00:09:49,440

always um always wanted um but for some

272

00:09:51,269 --> 00:09:50,000

reason dude

273

00:09:53,269 --> 00:09:51,279

you're right it's just it's not

274

00:09:55,269 --> 00:09:53,279

resonating with me either and i think

275

00:09:57,350 --> 00:09:55,279

me and you have more of a fascination

276

00:10:00,310 --> 00:09:57,360

with the people

277

00:10:00,949 --> 00:10:00,320

and what is happening to these people

278

00:10:04,230 --> 00:10:00,959

right like

279

00:10:07,350 --> 00:10:04,240

i i feel like if if you if you

280

00:10:08,470 --> 00:10:07,360

believe in abductee right even if you

281

00:10:12,069 --> 00:10:08,480

only believe

282

00:10:13,590 --> 00:10:12,079

one abductee um if there's one story

283

00:10:14,389 --> 00:10:13,600

that you can gravitate to and you're

284

00:10:18,550 --> 00:10:14,399

like wow

285

00:10:20,310 --> 00:10:18,560

yeah i believe that right right

286

00:10:21,910 --> 00:10:20,320

disclosure has already kind of happened

287

00:10:25,030 --> 00:10:21,920

for you right on your own

288

00:10:27,350 --> 00:10:25,040

like throughout the community like with

289

00:10:28,310 --> 00:10:27,360

with uh interacting with people whether

290

00:10:30,069 --> 00:10:28,320

it be like

291

00:10:31,350 --> 00:10:30,079

government people or whether it be

292

00:10:33,670 --> 00:10:31,360

regular people

293

00:10:34,470 --> 00:10:33,680

or whether it be down home cooking

294

00:10:35,910 --> 00:10:34,480

people

295

00:10:38,069 --> 00:10:35,920

that's like my fifth poly shore

296

00:10:40,230 --> 00:10:38,079

reference for the show by the way

297

00:10:41,350 --> 00:10:40,240

you're on fire with the polly girl right

298

00:10:43,990 --> 00:10:41,360

now dude

299

00:10:45,269 --> 00:10:44,000

how do you feed a hungry man sing a

300

00:10:48,870 --> 00:10:45,279

rebecca

301

00:10:55,030 --> 00:10:52,230

i know uh but

302

00:10:56,470 --> 00:10:55,040

yeah so if that's the case then then

303

00:11:00,310 --> 00:10:56,480

then

304

00:11:02,150 --> 00:11:00,320

isn't like is is that disclosure um

305

00:11:03,910 --> 00:11:02,160

less important than government

306

00:11:06,389 --> 00:11:03,920

disclosure

307

00:11:08,230 --> 00:11:06,399

man are you asking me personally i think

308

00:11:10,389 --> 00:11:08,240

i'm asking everybody out there right

309

00:11:12,230 --> 00:11:10,399

yeah um but but also you because you got

310

00:11:14,870 --> 00:11:12,240

the mic here you're saying

311

00:11:15,670 --> 00:11:14,880

you're saying wait wait what you're on

312

00:11:17,030 --> 00:11:15,680

microphone

313

00:11:19,030 --> 00:11:17,040

right now sir so you're saying like

314

00:11:22,389 --> 00:11:19,040

which is more important i think

315

00:11:25,269 --> 00:11:22,399

the question maybe i'll ask you back

316

00:11:27,110 --> 00:11:25,279

or maybe think about this is that what's

317

00:11:29,990 --> 00:11:27,120

more important the zeitgeist

318

00:11:31,670 --> 00:11:30,000

and the collective consciousness and the

319

00:11:33,829 --> 00:11:31,680

kind of direction

320

00:11:35,509 --> 00:11:33,839

where like the word important well

321

00:11:36,630 --> 00:11:35,519

that's so subjective like who's it

322

00:11:40,069 --> 00:11:36,640

important to

323

00:11:40,630 --> 00:11:40,079

i think as a whole as a community as a a

324

00:11:46,949 --> 00:11:40,640

a

325

00:11:49,030 --> 00:11:46,959

uh focus on this

326

00:11:50,550 --> 00:11:49,040

these officials coming out and saying i

327

00:11:51,670 --> 00:11:50,560

did this i did that with the government

328

00:11:53,590 --> 00:11:51,680

yeah no we we

329

00:11:55,190 --> 00:11:53,600

see some stuff that we we don't know

330

00:11:57,110 --> 00:11:55,200

what it is

331

00:11:58,629 --> 00:11:57,120

but in the back of my mind i already

332

00:12:00,389 --> 00:11:58,639

know that dude like you're just

333

00:12:02,949 --> 00:12:00,399

okay this is vindicating this is cool

334

00:12:04,150 --> 00:12:02,959

like i love it that's the perfect word

335

00:12:06,550 --> 00:12:04,160

for it i think

336

00:12:07,910 --> 00:12:06,560

that this instead of disclosure should

337

00:12:11,750 --> 00:12:07,920

be called vindication

338

00:12:13,590 --> 00:12:11,760

hmm you know the vatican vindica

339

00:12:16,470 --> 00:12:13,600

they they're spelled the same two

340

00:12:19,269 --> 00:12:16,480

different things similar words

341

00:12:20,629 --> 00:12:19,279

it's called a symmonym anomaly that's

342

00:12:23,750 --> 00:12:20,639

right it is that's english

343

00:12:26,069 --> 00:12:23,760

bro i mean that's english 101

344

00:12:27,670 --> 00:12:26,079

things that sound the same and look the

345

00:12:29,430 --> 00:12:27,680

same but are totally different yeah it

346

00:12:32,550 --> 00:12:29,440

spelled like cinnamon like with a c

347

00:12:34,550 --> 00:12:32,560

dude yeah

348

00:12:35,670 --> 00:12:34,560

exactly but yeah what do you think man

349

00:12:39,829 --> 00:12:35,680

like

350

00:12:41,750 --> 00:12:39,839

the other night

351
00:12:43,110 --> 00:12:41,760
about being kind of just disenchanted

352
00:12:43,829 --> 00:12:43,120
with a lot of the stuff like it's it's

353
00:12:45,990 --> 00:12:43,839
almost like

354
00:12:47,670 --> 00:12:46,000
overwhelming wha what is your what did

355
00:12:50,710 --> 00:12:47,680
you where did you mind your mind go

356
00:12:53,750 --> 00:12:50,720
with with all that no william

357
00:12:56,949 --> 00:12:53,760
we use the juice we the juice

358
00:12:59,030 --> 00:12:56,959
yes we send the juice yes chris hall

359
00:13:01,430 --> 00:12:59,040
what's up brother yeah

360
00:13:02,710 --> 00:13:01,440
confirmation yes yeah it's vindication

361
00:13:04,550 --> 00:13:02,720
and confirmation for sure

362
00:13:06,389 --> 00:13:04,560
yeah but i'm like i'm kind of over it

363
00:13:08,470 --> 00:13:06,399

like dude yeah we know

364

00:13:09,670 --> 00:13:08,480

tell us the the cool [h__h] yeah right and

365

00:13:11,190 --> 00:13:09,680

show us the real videos

366

00:13:13,110 --> 00:13:11,200

and we talked about this with lou the

367

00:13:13,829 --> 00:13:13,120

other day that it's it's obviously not

368

00:13:15,590 --> 00:13:13,839

for us

369

00:13:17,350 --> 00:13:15,600

it's it's not for people who are like

370

00:13:20,470 --> 00:13:17,360

you know kind of already

371

00:13:22,150 --> 00:13:20,480

you know already believe it right it's

372

00:13:23,190 --> 00:13:22,160

not really for it it's for the the

373

00:13:27,110 --> 00:13:23,200

masses right

374

00:13:27,990 --> 00:13:27,120

but if if if it seems like something

375

00:13:31,670 --> 00:13:28,000

that you kind of

376

00:13:35,910 --> 00:13:35,269

you have to open yourself up and kind of

377

00:13:38,069 --> 00:13:35,920

accept it

378

00:13:39,030 --> 00:13:38,079

right a lot of people will and a lot of

379

00:13:42,550 --> 00:13:39,040

people won't

380

00:13:45,590 --> 00:13:42,560

but at the same time does it does it

381

00:13:47,670 --> 00:13:45,600

matter yeah also

382

00:13:49,189 --> 00:13:47,680

how did we the way that we got into this

383

00:13:51,189 --> 00:13:49,199

stuff wasn't hearing it from the

384

00:13:54,310 --> 00:13:51,199

military or the news

385

00:13:57,030 --> 00:13:54,320

it was just a simple curiosity yeah

386

00:13:58,470 --> 00:13:57,040

like a weird little obsession so like i

387

00:14:00,310 --> 00:13:58,480

i think that this

388

00:14:02,629 --> 00:14:00,320

that statement is valid where like it's

389

00:14:05,509 --> 00:14:02,639

not for us it's for the masses so

390

00:14:07,750 --> 00:14:05,519

that tells me that the masses are just

391

00:14:08,150 --> 00:14:07,760

genuinely not interested in this subject

392

00:14:11,269 --> 00:14:08,160

so it

393

00:14:15,189 --> 00:14:11,279

takes a lot of forced effort which

394

00:14:18,389 --> 00:14:15,199

leads us to kind of this

395

00:14:22,389 --> 00:14:18,399

strange idea but you know it's it's so

396

00:14:25,110 --> 00:14:22,399

uh uh oh hypocrite

397

00:14:26,790 --> 00:14:25,120

hypocritical yeah to say like oh man i

398

00:14:29,590 --> 00:14:26,800

wish the government would just finally

399

00:14:31,350 --> 00:14:29,600

uh admit and then they're now they're

400

00:14:32,230 --> 00:14:31,360

doing it but now it's like oh it's too

401
00:14:35,829 --> 00:14:32,240
much

402
00:14:37,829 --> 00:14:35,839
i i feel kind of hypocritical about it

403
00:14:38,949 --> 00:14:37,839
but at the same time it feels weird

404
00:14:40,710 --> 00:14:38,959
right it does feel

405
00:14:42,870 --> 00:14:40,720
weird it does feel weird something about

406
00:14:47,030 --> 00:14:42,880
it feels weird man

407
00:14:50,389 --> 00:14:47,040
it's almost like like why

408
00:14:52,629 --> 00:14:50,399
like why right you know like what like

409
00:14:54,069 --> 00:14:52,639
why isn't what's the ultimate like it

410
00:14:55,269 --> 00:14:54,079
feels like there's something ultimately

411
00:14:56,870 --> 00:14:55,279
behind us

412
00:14:58,790 --> 00:14:56,880
yeah exactly it feels like there's like

413
00:15:01,750 --> 00:14:58,800

a um it's got like a

414

00:15:03,750 --> 00:15:01,760

like a agenda soup taste to it you know

415

00:15:06,550 --> 00:15:03,760

what i'm saying it's like yes

416

00:15:07,430 --> 00:15:06,560

why are you saying obviously like if if

417

00:15:09,750 --> 00:15:07,440

if something was

418

00:15:11,350 --> 00:15:09,760

leaked right and they're like trying to

419

00:15:12,069 --> 00:15:11,360

jump out in front of it and just kind of

420

00:15:14,550 --> 00:15:12,079

you know control

421

00:15:15,110 --> 00:15:14,560

where it goes and this and that like

422

00:15:18,949 --> 00:15:15,120

like oh

423

00:15:20,629 --> 00:15:18,959

okay i mean i guess i guess that's fine

424

00:15:22,949 --> 00:15:20,639

but i've been in front of it for 70

425

00:15:25,750 --> 00:15:22,959

years it's hard for me to like

426

00:15:26,949 --> 00:15:25,760

talk from like that place of like

427

00:15:29,670 --> 00:15:26,959

perspective

428

00:15:31,749 --> 00:15:29,680

um because even though we've been into

429

00:15:33,509 --> 00:15:31,759

it for like ever since we were kids

430

00:15:35,590 --> 00:15:33,519

i mean we just started doing this

431

00:15:36,230 --> 00:15:35,600

literally we just said almost two years

432

00:15:38,310 --> 00:15:36,240

ago so

433

00:15:40,230 --> 00:15:38,320

yeah it's hard for me to be like well

434

00:15:43,430 --> 00:15:40,240

let's in the community feel like

435

00:15:46,710 --> 00:15:45,189

yeah it's not my place i don't exactly

436

00:15:48,949 --> 00:15:46,720

say that i know but

437

00:15:50,629 --> 00:15:48,959

you know i the vibe that i get is kind

438

00:15:52,629 --> 00:15:50,639

of like uh

439

00:15:53,670 --> 00:15:52,639

i don't know it seems like there's a lot

440

00:15:56,629 --> 00:15:53,680

of people that are like

441

00:15:57,509 --> 00:15:56,639

yeah i know we've been saying that like

442

00:16:01,590 --> 00:15:57,519

like why

443

00:16:04,470 --> 00:16:01,600

the top of our lungs for all these years

444

00:16:05,430 --> 00:16:04,480

and got nowhere and then now the people

445

00:16:07,670 --> 00:16:05,440

that like

446

00:16:10,389 --> 00:16:07,680

just made us look dumb and swore up and

447

00:16:12,870 --> 00:16:10,399

down to god that it it didn't exist

448

00:16:14,150 --> 00:16:12,880

now like this past year like oh yeah by

449

00:16:15,670 --> 00:16:14,160

the way

450

00:16:17,269 --> 00:16:15,680

there's stuff in the sky we don't know

451

00:16:19,590 --> 00:16:17,279

what it is yeah and they were like

452

00:16:20,550 --> 00:16:19,600

aliens and they're like yeah aliens

453

00:16:23,670 --> 00:16:20,560

right yeah and

454

00:16:24,550 --> 00:16:23,680

like now there's like it's like yeah no

455

00:16:32,310 --> 00:16:24,560

no

456

00:16:35,910 --> 00:16:33,910

remember when you erased my social

457

00:16:36,470 --> 00:16:35,920

security number you killed all those

458

00:16:39,670 --> 00:16:36,480

people

459

00:16:41,350 --> 00:16:39,680

like back in the 70s uh i wonder when

460

00:16:43,670 --> 00:16:41,360

that that convo is going to come up

461

00:16:45,269 --> 00:16:43,680

i i think that's a conversation that

462

00:16:47,670 --> 00:16:45,279

needs to happen like it need

463

00:16:49,350 --> 00:16:47,680

it needs to happen i don't think we need

464

00:16:51,110 --> 00:16:49,360

to be involved with it but i think the

465

00:16:52,790 --> 00:16:51,120

people who like you know have been here

466

00:16:54,949 --> 00:16:52,800

for so long but you know i could be

467

00:16:56,389 --> 00:16:54,959

completely wrong maybe the people

468

00:16:58,870 --> 00:16:56,399

um that have been here forever are

469

00:17:00,550 --> 00:16:58,880

finally like oh thank goodness they're

470

00:17:01,990 --> 00:17:00,560

finally admitting it right like

471

00:17:03,910 --> 00:17:02,000

maybe it's just been like this uphill

472

00:17:04,870 --> 00:17:03,920

battle to the point to where like

473

00:17:06,870 --> 00:17:04,880

they're like oh

474

00:17:08,949 --> 00:17:06,880

i'm so happy that this is happening but

475

00:17:10,870 --> 00:17:08,959

like as a newbie coming in

476

00:17:12,630 --> 00:17:10,880

already kind of being on that side of

477

00:17:14,390 --> 00:17:12,640

like hey

478

00:17:16,069 --> 00:17:14,400

why are you guys being [ʌ__ʌ] like

479

00:17:18,870 --> 00:17:16,079

this is happening to people right

480

00:17:20,390 --> 00:17:18,880

and then like to be so like kind of new

481

00:17:23,429 --> 00:17:20,400

into it into it and then

482

00:17:25,590 --> 00:17:23,439

having them immediately be like um

483

00:17:27,750 --> 00:17:25,600

yeah they're real like i don't know

484

00:17:29,830 --> 00:17:27,760

maybe it's just like a personal

485

00:17:31,270 --> 00:17:29,840

um maybe i'm being selfish maybe i

486

00:17:32,950 --> 00:17:31,280

wanted to fight the good fight for a

487

00:17:35,190 --> 00:17:32,960

while yeah you know and we just never

488

00:17:38,070 --> 00:17:35,200

had the chance to fight the good fight

489

00:17:39,029 --> 00:17:38,080

yeah maybe we wanted to be a part of it

490

00:17:42,150 --> 00:17:39,039

a part of the fight

491

00:17:44,230 --> 00:17:42,160

you know like this podcast

492

00:17:46,310 --> 00:17:44,240

in a way we're contributing in a way

493

00:17:48,070 --> 00:17:46,320

where like you know

494

00:17:49,669 --> 00:17:48,080

we're we're letting that information out

495

00:17:52,310 --> 00:17:49,679

telling these stories

496

00:17:54,070 --> 00:17:52,320

um telling our experiencers which there

497

00:17:55,590 --> 00:17:54,080

was a question about experiences but

498

00:17:57,029 --> 00:17:55,600

the fight the good fight meaning like

499

00:17:58,150 --> 00:17:57,039

the underdog is that what you're trying

500

00:18:00,470 --> 00:17:58,160

to say like

501
00:18:01,669 --> 00:18:00,480
yeah i'm a big fan of the underdog it's

502
00:18:03,750 --> 00:18:01,679
like it's like when

503
00:18:05,270 --> 00:18:03,760
when mighty ducks won at the end you're

504
00:18:06,710 --> 00:18:05,280
like okay well we knew they were going

505
00:18:08,630 --> 00:18:06,720
to win but wouldn't it be

506
00:18:09,909 --> 00:18:08,640
kind of crazy if they lost at the end

507
00:18:12,230 --> 00:18:09,919
right right yeah

508
00:18:13,350 --> 00:18:12,240
you almost like want them to like to

509
00:18:16,150 --> 00:18:13,360
continue the story

510
00:18:17,270 --> 00:18:16,160
yeah you know i just had an idea like

511
00:18:19,270 --> 00:18:17,280
what if

512
00:18:21,029 --> 00:18:19,280
does the story end you know after

513
00:18:22,950 --> 00:18:21,039

disclosure does it does it

514

00:18:24,630 --> 00:18:22,960

turn a lot of people off is it are a lot

515

00:18:26,549 --> 00:18:24,640

of be gonna are a lot of people going to

516

00:18:29,750 --> 00:18:26,559

be okay with the answers that they get

517

00:18:31,909 --> 00:18:29,760

yeah sally sally she's saying it lol

518

00:18:33,830 --> 00:18:31,919

all these years your children i've been

519

00:18:35,029 --> 00:18:33,840

waiting 50 years that's exactly what

520

00:18:37,110 --> 00:18:35,039

we're talking about like

521

00:18:38,070 --> 00:18:37,120

we're like we're so new to this it's

522

00:18:40,630 --> 00:18:38,080

like it's

523

00:18:41,990 --> 00:18:40,640

it's hard to like have a stance on it

524

00:18:45,110 --> 00:18:42,000

but at the same time

525

00:18:47,270 --> 00:18:45,120

it's it's like i don't know i guess if

526

00:18:48,310 --> 00:18:47,280

if you know a little bit of history

527

00:18:49,909 --> 00:18:48,320

about the subject it's

528

00:18:51,430 --> 00:18:49,919

it's not like you have enough

529

00:18:53,510 --> 00:18:51,440

information to like kind of

530

00:18:55,510 --> 00:18:53,520

i guess pick a side but then is that an

531

00:18:57,750 --> 00:18:55,520

issue making sides

532

00:18:59,510 --> 00:18:57,760

like yeah like that's a human nature

533

00:19:00,789 --> 00:18:59,520

thing man we gotta make we have to make

534

00:19:08,230 --> 00:19:00,799

it

535

00:19:09,110 --> 00:19:08,240

like do they have to like be the bigger

536

00:19:12,710 --> 00:19:09,120

man

537

00:19:15,830 --> 00:19:12,720

stand up and say okay we'll shake hands

538

00:19:17,590 --> 00:19:15,840

and i accept uh the fact that you're not

539

00:19:18,630 --> 00:19:17,600

apologizing but that you're officially

540

00:19:20,150 --> 00:19:18,640

acknowledging

541

00:19:21,750 --> 00:19:20,160

that what we've been saying for all

542

00:19:23,750 --> 00:19:21,760

these years is correct

543

00:19:25,430 --> 00:19:23,760

you you will you'll tell you will say

544

00:19:27,510 --> 00:19:25,440

yes it's just telling me that it is

545

00:19:29,270 --> 00:19:27,520

yeah it's like i'm right almost i mean

546

00:19:32,310 --> 00:19:29,280

like i almost feel like the government

547

00:19:33,190 --> 00:19:32,320

should apologize like a little bit we're

548

00:19:41,350 --> 00:19:33,200

sorry

549

00:19:43,350 --> 00:19:41,360

okay okay we'll shake hands

550

00:19:45,510 --> 00:19:43,360

there's like like condoleezza rice's in

551

00:19:49,270 --> 00:19:45,520

the background and she's like now

552

00:19:50,950 --> 00:19:49,280

now shake his hand i don't know i just

553

00:19:52,630 --> 00:19:50,960

connolly is the first person i thought

554

00:19:53,350 --> 00:19:52,640

of yeah but you know what i'm saying

555

00:19:56,870 --> 00:19:53,360

like

556

00:19:58,789 --> 00:19:56,880

apologize to all these people yeah

557

00:20:01,029 --> 00:19:58,799

i do i think there needs to be a little

558

00:20:02,950 --> 00:20:01,039

apology not some like

559

00:20:04,630 --> 00:20:02,960

some [h__h] coming out of nowhere with a

560

00:20:06,310 --> 00:20:04,640

bunch of government officials on the

561

00:20:08,070 --> 00:20:06,320

board and [h__h] and then being like yo

562

00:20:10,870 --> 00:20:08,080

we've got strange medals

563

00:20:12,630 --> 00:20:10,880

and we've got these videos the ufos and

564

00:20:15,990 --> 00:20:12,640

the government is on board

565

00:20:19,750 --> 00:20:16,000

and you're like where did you come from

566

00:20:21,909 --> 00:20:19,760

like who who are you and why are all of

567

00:20:23,190 --> 00:20:21,919

you talking about ufos right now

568

00:20:25,350 --> 00:20:23,200

and why is everybody believing

569

00:20:28,710 --> 00:20:25,360

everything that you're saying as well

570

00:20:30,149 --> 00:20:28,720

that is scary too that's so weird i

571

00:20:31,909 --> 00:20:30,159

again it's like that hypocritical thing

572

00:20:33,909 --> 00:20:31,919

we're like yeah somebody finally

573

00:20:34,950 --> 00:20:33,919

somebody in the military is able to come

574

00:20:36,470 --> 00:20:34,960

out

575

00:20:38,470 --> 00:20:36,480

and i'm not saying one person i'm

576

00:20:39,909 --> 00:20:38,480

talking about like as a whole like a lot

577

00:20:41,590 --> 00:20:39,919

of people not just the people that you

578

00:20:43,190 --> 00:20:41,600

hear about all the time there's

579

00:20:44,549 --> 00:20:43,200

so many people that are in the military

580

00:20:46,390 --> 00:20:44,559

that you've never heard of that are now

581

00:20:49,510 --> 00:20:46,400

able to speak about it because of this

582

00:20:52,789 --> 00:20:49,520

this uh taboo is is done with

583

00:20:54,789 --> 00:20:52,799

like yeah it's over uh so yeah you have

584

00:20:57,029 --> 00:20:54,799

a lot of people talking about this stuff

585

00:20:58,789 --> 00:20:57,039

and because they're officials we

586

00:21:01,110 --> 00:20:58,799

automatically like hey look i trust you

587

00:21:02,789 --> 00:21:01,120

you protect our country i trust you with

588

00:21:07,190 --> 00:21:02,799

my life and my family's life

589

00:21:11,669 --> 00:21:07,200

take all my tax money wait what

590

00:21:14,310 --> 00:21:11,679

that's where it goes yes oh no

591

00:21:16,070 --> 00:21:14,320

alien girl much loved way we're gonna be

592

00:21:17,270 --> 00:21:16,080

on alien girls show soon so

593

00:21:19,110 --> 00:21:17,280

yeah we got to figure out if you'll be

594

00:21:22,549 --> 00:21:19,120

looking out man yeah

595

00:21:26,070 --> 00:21:22,559

hell yeah uh but yeah like the uh

596

00:21:27,830 --> 00:21:26,080

uh the idea that why haven't these

597

00:21:29,190 --> 00:21:27,840

the people that have been telling us and

598

00:21:30,789 --> 00:21:29,200

like you and i have had our own

599

00:21:34,149 --> 00:21:30,799

sightings uh

600

00:21:35,510 --> 00:21:34,159

why can't we be on that same level of

601
00:21:37,590 --> 00:21:35,520
i guess it's just it's an ode to

602
00:21:38,870 --> 00:21:37,600
humanity in a way like that's just we're

603
00:21:40,950 --> 00:21:38,880
observing

604
00:21:42,549 --> 00:21:40,960
what we see as truth what we

605
00:21:44,310 --> 00:21:42,559
collectively agree on

606
00:21:45,669 --> 00:21:44,320
it's much like the scientific community

607
00:21:47,590 --> 00:21:45,679
you know like right right

608
00:21:48,789 --> 00:21:47,600
there's all kinds of doctor scientists

609
00:21:49,909 --> 00:21:48,799
out there that

610
00:21:51,830 --> 00:21:49,919
i mean it's not like they all get

611
00:21:52,390 --> 00:21:51,840
together every year for like a seminar

612
00:21:55,350 --> 00:21:52,400
and say

613
00:21:56,310 --> 00:21:55,360

are you a great yes yeah i agree with

614

00:21:58,710 --> 00:21:56,320

that i don't agree

615

00:22:00,310 --> 00:21:58,720

all right well i'd agree and like

616

00:22:03,750 --> 00:22:00,320

there's not a majority vote

617

00:22:06,870 --> 00:22:03,760

right yeah yeah yeah dude i mean i

618

00:22:09,669 --> 00:22:06,880

i uh yeah i just think it's

619

00:22:10,149 --> 00:22:09,679

i just think it's so strange yeah it's

620

00:22:14,870 --> 00:22:10,159

such a

621

00:22:17,190 --> 00:22:14,880

anybody from the government is listening

622

00:22:18,870 --> 00:22:17,200

put this in your boss's ear did you say

623

00:22:21,990 --> 00:22:18,880

possum no you're your boss

624

00:22:23,430 --> 00:22:22,000

oh thank you said possum put this in

625

00:22:26,470 --> 00:22:23,440

your possums here y'all should

626

00:22:28,789 --> 00:22:26,480

you all should say you're sorry

627

00:22:29,830 --> 00:22:28,799

just a little bit like but like like

628

00:22:31,909 --> 00:22:29,840

sweetly though like

629

00:22:32,870 --> 00:22:31,919

maybe send richard dolan some flowers

630

00:22:36,789 --> 00:22:32,880

and be like

631

00:22:39,430 --> 00:22:36,799

listen dick dolan dick hey

632

00:22:40,710 --> 00:22:39,440

hi i'm uh i'm uh i'm richard dolan and

633

00:22:42,630 --> 00:22:40,720

tonight we're going to be talking about

634

00:22:44,950 --> 00:22:42,640

uh roswell i am the roswell crash i am

635

00:22:46,950 --> 00:22:44,960

the 1947 person in the world very

636

00:22:48,470 --> 00:22:46,960

exciting story yes

637

00:22:51,190 --> 00:22:48,480

you're really good at this voice i love

638

00:22:54,630 --> 00:22:52,630

i love that they're like the sweetest

639

00:22:57,830 --> 00:22:54,640

people in the world i know

640

00:22:58,789 --> 00:22:57,840

i know i am a well we get hi everybody

641

00:22:59,990 --> 00:22:58,799

how you all doing tonight we were

642

00:23:01,990 --> 00:23:00,000

talking about having

643

00:23:03,430 --> 00:23:02,000

if like one day if we had richard dolan

644

00:23:05,110 --> 00:23:03,440

on the show like we would just

645

00:23:07,029 --> 00:23:05,120

not acknowledge it at all but we would

646

00:23:08,149 --> 00:23:07,039

we would say and on the show tonight we

647

00:23:10,310 --> 00:23:08,159

have dick dolan

648

00:23:11,430 --> 00:23:10,320

and uh it's gonna be it's gonna be a

649

00:23:14,870 --> 00:23:11,440

good show

650

00:23:16,230 --> 00:23:14,880

yeah you know i wonder like right like

651
00:23:18,630 --> 00:23:16,240
richard is

652
00:23:20,789 --> 00:23:18,640
dick okay i still think that he should

653
00:23:22,710 --> 00:23:20,799
go by richie dolan

654
00:23:24,310 --> 00:23:22,720
richie dolan sounds so cool richard

655
00:23:27,990 --> 00:23:24,320
dolan parties dude yeah

656
00:23:31,750 --> 00:23:28,000
richie dolan [h__h] bro yeah

657
00:23:35,430 --> 00:23:31,760
dude hard

658
00:23:39,430 --> 00:23:37,830
where'd you get that i stole this from

659
00:23:41,110 --> 00:23:39,440
richie's house dude

660
00:23:42,310 --> 00:23:41,120
but i could see that because you're like

661
00:23:42,630 --> 00:23:42,320
where'd you hear that story from you're

662
00:23:46,149 --> 00:23:42,640
like

663
00:23:47,830 --> 00:23:46,159

oh the richie told me hey my friend

664

00:23:49,909 --> 00:23:47,840

richie bro

665

00:23:51,190 --> 00:23:49,919

he's got hey he's got the best lamp

666

00:23:55,430 --> 00:23:51,200

shades mad

667

00:23:57,269 --> 00:23:55,440

aliens dude matt matt mad aliens

668

00:23:59,110 --> 00:23:57,279

do you think do you think richard dolan

669

00:24:02,149 --> 00:23:59,120

has seen an alien

670

00:24:05,510 --> 00:24:02,159

i think so i mean a guy that smart

671

00:24:08,710 --> 00:24:05,520

uh oh am i had a grand camera

672

00:24:11,269 --> 00:24:08,720

brian cranston no i said grant cam oh

673

00:24:12,789 --> 00:24:11,279

i think grant had the the red orb

674

00:24:14,710 --> 00:24:12,799

thingies

675

00:24:16,630 --> 00:24:14,720

he was chasing or something does anybody

676
00:24:18,470 --> 00:24:16,640
else know does has richard dolan had a

677
00:24:21,830 --> 00:24:18,480
sighting does anybody know in the chat

678
00:24:22,710 --> 00:24:21,840
heads up let let us know i don't know

679
00:24:23,930 --> 00:24:22,720
word out lou

680
00:24:26,070 --> 00:24:23,940
what's up dude

681
00:24:28,070 --> 00:24:26,080
[Music]

682
00:24:29,350 --> 00:24:28,080
can we talk about monstars from space

683
00:24:32,950 --> 00:24:29,360
jam

684
00:24:35,510 --> 00:24:32,960
yeah i mean we don't mind stars

685
00:24:35,990 --> 00:24:35,520
underrated alien contact really i mean

686
00:24:39,029 --> 00:24:36,000
dude

687
00:24:41,510 --> 00:24:39,039
if that's not like a psyop like uh

688
00:24:42,630 --> 00:24:41,520

the the powers that be telling us in a

689

00:24:45,029 --> 00:24:42,640

very fun

690

00:24:45,990 --> 00:24:45,039

way and indoctrinating us in this idea

691

00:24:48,390 --> 00:24:46,000

as children getting

692

00:24:50,310 --> 00:24:48,400

us used to alternate dimensions it's got

693

00:24:52,470 --> 00:24:50,320

everything oh yes jim's got everything

694

00:24:54,230 --> 00:24:52,480

and that and that aliens can actually

695

00:24:57,750 --> 00:24:54,240

take your essence and become you

696

00:24:59,590 --> 00:24:57,760

yes and look human among you know

697

00:25:01,110 --> 00:24:59,600

among humans but they they obviously

698

00:25:02,230 --> 00:25:01,120

just grew into big monsters so they

699

00:25:03,269 --> 00:25:02,240

didn't look human they were they were

700

00:25:05,830 --> 00:25:03,279

still cartoons but

701
00:25:06,390 --> 00:25:05,840
yeah yeah well i i like how they they

702
00:25:09,350 --> 00:25:06,400
took on

703
00:25:09,990 --> 00:25:09,360
kind of the body shape but like way out

704
00:25:12,310 --> 00:25:10,000
of

705
00:25:13,510 --> 00:25:12,320
proportion you know yeah yeah do you

706
00:25:14,870 --> 00:25:13,520
think those basketball players were a

707
00:25:16,390 --> 00:25:14,880
little offended they were like

708
00:25:17,510 --> 00:25:16,400
let us show you your character you're

709
00:25:19,350 --> 00:25:17,520
going to be playing yeah and they're

710
00:25:25,110 --> 00:25:19,360
like

711
00:25:32,470 --> 00:25:27,510
oh van gogh what's up dude ufo response

712
00:25:36,310 --> 00:25:35,110
dude hey the ufo response team instead

713
00:25:37,909 --> 00:25:36,320

of having like a horn like that you

714

00:25:39,990 --> 00:25:37,919

should have like ice cream music

715

00:25:41,110 --> 00:25:40,000

so when you pull up on site people know

716

00:25:43,190 --> 00:25:41,120

it's serious

717

00:25:44,870 --> 00:25:43,200

because when you see when you have a

718

00:25:46,149 --> 00:25:44,880

siren people get out of the way right

719

00:25:47,269 --> 00:25:46,159

right and that's not what we want for

720

00:25:49,269 --> 00:25:47,279

ufo contact

721

00:25:50,310 --> 00:25:49,279

or when we're ufo sighting right one of

722

00:25:52,470 --> 00:25:50,320

the comments we

723

00:25:54,230 --> 00:25:52,480

want people to run towards the truck at

724

00:25:54,950 --> 00:25:54,240

all times so you got to have an ice

725

00:25:58,149 --> 00:25:54,960

cream

726

00:26:00,390 --> 00:25:58,159

uh song instead of of sirens

727

00:26:03,029 --> 00:26:00,400

so people will come and and they might

728

00:26:05,830 --> 00:26:03,039

even give you like three dollars

729

00:26:06,630 --> 00:26:05,840

do ice cream trucks take a visa now no

730

00:26:08,950 --> 00:26:06,640

do you think they don't hold

731

00:26:09,990 --> 00:26:08,960

plastic dude it's an ice cream truck

732

00:26:12,149 --> 00:26:10,000

that's cause they're gangsters

733

00:26:14,070 --> 00:26:12,159

bro i doubt they have a like a bank

734

00:26:15,830 --> 00:26:14,080

account dude it's all cash bro they they

735

00:26:17,269 --> 00:26:15,840

right that's why their truck is so big

736

00:26:21,110 --> 00:26:17,279

it's not full of ice cream it's full of

737

00:26:24,549 --> 00:26:22,950

i'm trying to the only i'm trying to

738

00:26:33,269 --> 00:26:24,559

think of the ice cream man uh

739

00:26:43,490 --> 00:26:34,450

are you gonna do the whole thing

740

00:26:49,110 --> 00:26:45,830

[Music]

741

00:26:51,750 --> 00:26:49,120

uh weed ice cream truck

742

00:26:52,789 --> 00:26:51,760

cannabis infused ice cream yeah dude and

743

00:26:55,190 --> 00:26:52,799

just get the i mean

744

00:26:56,710 --> 00:26:55,200

obviously we wouldn't sell the kids how

745

00:26:57,990 --> 00:26:56,720

hilarious would that be as the ice cream

746

00:26:59,909 --> 00:26:58,000

truck driver like

747

00:27:01,510 --> 00:26:59,919

hey y'all can't get that we got the

748

00:27:04,549 --> 00:27:01,520

wrong idea

749

00:27:06,230 --> 00:27:04,559

nope can't oh

750

00:27:08,470 --> 00:27:06,240

dude that'd be hilarious that would be

751
00:27:11,990 --> 00:27:08,480
funny all cash

752
00:27:15,430 --> 00:27:12,000
all cash holy cats hundred and hundreds

753
00:27:19,669 --> 00:27:18,389
hey you got changed nope i don't have

754
00:27:20,710 --> 00:27:19,679
change for i don't have to change it for

755
00:27:23,830 --> 00:27:20,720
a hundred i only have

756
00:27:25,750 --> 00:27:23,840
20s and 50s no one dollar bills

757
00:27:27,669 --> 00:27:25,760
you knew it glenn anytime ice cream

758
00:27:29,909 --> 00:27:27,679
comes up in the situation weeds coming

759
00:27:32,230 --> 00:27:29,919
up too

760
00:27:33,269 --> 00:27:32,240
uh do you think so they uh when we were

761
00:27:35,750 --> 00:27:33,279
on the big phone home

762
00:27:36,870 --> 00:27:35,760
they they were calling us ben and jerry

763
00:27:37,990 --> 00:27:36,880

right or what are they

764

00:27:39,750 --> 00:27:38,000

talking about they were talking about

765

00:27:41,510 --> 00:27:39,760

ben and jerry okay they were talking

766

00:27:42,230 --> 00:27:41,520

about like if you want to know about ice

767

00:27:44,230 --> 00:27:42,240

cream

768

00:27:46,230 --> 00:27:44,240

then you talk to ben and jerry if you

769

00:27:47,830 --> 00:27:46,240

want to know about ufos

770

00:27:49,750 --> 00:27:47,840

you talk to the government because they

771

00:27:52,870 --> 00:27:49,760

know everything about ufos

772

00:27:54,230 --> 00:27:52,880

got it got it okay i think yeah

773

00:27:55,909 --> 00:27:54,240

i think that's what they were saying no

774

00:27:57,269 --> 00:27:55,919

i could be completely wrong i thought

775

00:27:58,149 --> 00:27:57,279

they were just clowning on us the whole

776

00:28:03,110 --> 00:27:58,159

time dude

777

00:28:04,710 --> 00:28:03,120

no no no no no we were

778

00:28:07,110 --> 00:28:04,720

this is [h__h] they're like this is

779

00:28:08,630 --> 00:28:07,120

ben and jerry garcia

780

00:28:10,870 --> 00:28:08,640

i mean that's i mean that's kind of

781

00:28:13,430 --> 00:28:10,880

funny yeah

782

00:28:16,310 --> 00:28:13,440

but all right so dude so we were talking

783

00:28:18,870 --> 00:28:16,320

we were talking about like richard dolan

784

00:28:20,310 --> 00:28:18,880

i'm uh i'm uh richard richard dolan

785

00:28:21,590 --> 00:28:20,320

richard dolan i'm here and we're having

786

00:28:23,350 --> 00:28:21,600

a great time

787

00:28:26,950 --> 00:28:23,360

and uh welcome welcome everybody to the

788

00:28:30,789 --> 00:28:29,110

that's exactly what we're to be

789

00:28:34,230 --> 00:28:30,799

discussing the pascagoula event

790

00:28:36,870 --> 00:28:34,240

this this evening i love that dude

791

00:28:37,909 --> 00:28:36,880

me too uh he's so smart he is a smart

792

00:28:40,630 --> 00:28:37,919

guy how does that guys

793

00:28:41,750 --> 00:28:40,640

how do you get so smart like dude we

794

00:28:45,909 --> 00:28:41,760

should have him on the show

795

00:28:48,950 --> 00:28:47,990

how do you get so smart dude what is the

796

00:28:50,870 --> 00:28:48,960

smart dude he's like

797

00:28:52,630 --> 00:28:50,880

well you know i just read a lot of books

798

00:28:52,950 --> 00:28:52,640

i try to do a lot of research and uh you

799

00:28:55,029 --> 00:28:52,960

know

800

00:28:56,389 --> 00:28:55,039

just try to confirm my facts uh with my

801

00:28:58,070 --> 00:28:56,399

channels and things like that

802

00:28:59,669 --> 00:28:58,080

yeah that's exactly what he said like

803

00:29:02,470 --> 00:28:59,679

dude nice

804

00:29:03,990 --> 00:29:02,480

nice you're like you're smart you're

805

00:29:05,269 --> 00:29:04,000

smart dude can you teach us how to be

806

00:29:07,750 --> 00:29:05,279

smart like you did no

807

00:29:08,789 --> 00:29:07,760

can you teach me how to read sir excuse

808

00:29:11,669 --> 00:29:08,799

me mr dolden

809

00:29:13,830 --> 00:29:11,679

mr mr richard like if we had him on the

810

00:29:16,149 --> 00:29:13,840

show we'd be like

811

00:29:17,750 --> 00:29:16,159

hey hey uh excuse me we would raise our

812

00:29:19,669 --> 00:29:17,760

hands and he would pick one of us excuse

813

00:29:23,110 --> 00:29:19,679

me he was like excuse me

814

00:29:24,710 --> 00:29:23,120

him excuse me that's how so we're

815

00:29:26,389 --> 00:29:24,720

we're if people don't know yet we have

816

00:29:28,389 --> 00:29:26,399

lou elizondo

817

00:29:29,990 --> 00:29:28,399

coming on next week is it next week i

818

00:29:30,630 --> 00:29:30,000

think it's the is it it's actually the

819

00:29:32,470 --> 00:29:30,640

week after

820

00:29:34,710 --> 00:29:32,480

not it is next week it's next week oh no

821

00:29:36,549 --> 00:29:34,720

it isn't it's two weeks

822

00:29:38,630 --> 00:29:36,559

twenty is it twenty seven it's a little

823

00:29:40,149 --> 00:29:38,640

wait uh anyway so that's what it's gonna

824

00:29:40,549 --> 00:29:40,159

be like when lou elizondo is going to be

825

00:29:43,510 --> 00:29:40,559

on

826

00:29:45,510 --> 00:29:43,520

excuse me the the former head of the

827

00:29:46,549 --> 00:29:45,520

atip program at the pentagon is going to

828

00:29:49,830 --> 00:29:46,559

be

829

00:29:52,950 --> 00:29:49,840

on our show excuse me mr liu

830

00:29:54,710 --> 00:29:52,960

what i have a question sir excuse me

831

00:29:57,269 --> 00:29:54,720

excuse me sir it's on the 27th

832

00:29:58,070 --> 00:29:57,279

yeah i wanted to point at us and be like

833

00:30:01,909 --> 00:29:58,080

yes uh

834

00:30:04,149 --> 00:30:01,919

joe oh thank you for your time this

835

00:30:06,230 --> 00:30:04,159

evening

836

00:30:08,070 --> 00:30:06,240

like interview style yeah because he's

837

00:30:10,149 --> 00:30:08,080

always like on interview style shows

838

00:30:11,430 --> 00:30:10,159

right i hope he loosens up a little bit

839

00:30:12,870 --> 00:30:11,440

hopefully he has a beer i hope he has

840

00:30:13,909 --> 00:30:12,880

some fun with us dude i think it's gonna

841

00:30:15,590 --> 00:30:13,919

be cool yeah

842

00:30:18,310 --> 00:30:15,600

dude speaking of beers hey it's thursday

843

00:30:20,149 --> 00:30:18,320

thursday thursday thursdays

844

00:30:21,750 --> 00:30:20,159

guys this is from our hometown so if you

845

00:30:23,190 --> 00:30:21,760

see it in your hometown check it out

846

00:30:24,789 --> 00:30:23,200

it's pretty tasty yeah

847

00:30:26,389 --> 00:30:24,799

also this is well this is from texas

848

00:30:27,590 --> 00:30:26,399

austin texas uh

849

00:30:30,389 --> 00:30:27,600

tell us what you guys are drinking are

850

00:30:32,549 --> 00:30:30,399

you got who has a beer tonight

851
00:30:33,669 --> 00:30:32,559
tell us what you're drinking beer austin

852
00:30:36,789 --> 00:30:33,679
beer spirit animal

853
00:30:39,110 --> 00:30:36,799
sour beer texas did i say texas beer

854
00:30:42,549 --> 00:30:39,120
you just said texas beer well who out

855
00:30:45,909 --> 00:30:44,389
all right so inter-dimensional cheech

856
00:30:47,990 --> 00:30:45,919
and chong i like

857
00:30:49,269 --> 00:30:48,000
nice dude next quest what's up dude

858
00:30:53,430 --> 00:30:49,279
thanks for hanging out

859
00:30:59,990 --> 00:30:57,190
is that 15 apple or android deal

860
00:31:01,509 --> 00:31:00,000
they definitely do it an ice cream man

861
00:31:04,070 --> 00:31:01,519
only did cold hard cash

862
00:31:05,990 --> 00:31:04,080
cold hell yeah it did ice cream man was

863
00:31:09,269 --> 00:31:06,000

a gangster dude

864

00:31:11,350 --> 00:31:09,279

oh hey yeah uh

865

00:31:12,389 --> 00:31:11,360

dallas blind that's what's up that's

866

00:31:15,669 --> 00:31:12,399

what's up there you go

867

00:31:16,149 --> 00:31:15,679

someone's drinking yeah uh indica nice

868

00:31:19,509 --> 00:31:16,159

nice

869

00:31:24,870 --> 00:31:22,789

um speaking of ufos and herbs we were

870

00:31:27,750 --> 00:31:24,880

talking about richard dolan

871

00:31:28,470 --> 00:31:27,760

and you know richard dolan smokes a lot

872

00:31:38,710 --> 00:31:28,480

of weed

873

00:31:40,710 --> 00:31:38,720

so yeah

874

00:31:41,990 --> 00:31:40,720

how cool of an idea like you know space

875

00:31:45,509 --> 00:31:42,000

weed like

876

00:31:48,149 --> 00:31:45,519

would you you know i wonder

877

00:31:49,269 --> 00:31:48,159

dude i wonder what weed smokes like

878

00:31:51,590 --> 00:31:49,279

that's grown in space

879

00:31:53,269 --> 00:31:51,600

oh wait like hydroponically or what i

880

00:31:55,509 --> 00:31:53,279

guess so it'd be the same thing as an

881

00:31:56,549 --> 00:31:55,519

on on earth do you think it would be

882

00:31:58,310 --> 00:31:56,559

though yes

883

00:31:59,990 --> 00:31:58,320

well like okay so like when you smoke in

884

00:32:03,509 --> 00:32:00,000

high altitudes [h__h] changes

885

00:32:04,470 --> 00:32:03,519

right so like what you it does there's

886

00:32:06,549 --> 00:32:04,480

less oxygen

887

00:32:07,590 --> 00:32:06,559

don't they don't they like pressurize

888

00:32:15,190 --> 00:32:07,600

the

889

00:32:18,149 --> 00:32:15,200

right guys you want colorado today

890

00:32:19,909 --> 00:32:18,159

or california i guess they could sunny

891

00:32:21,350 --> 00:32:19,919

it's sunny california it is

892

00:32:23,269 --> 00:32:21,360

they're like okay today we're doing an

893

00:32:27,430 --> 00:32:23,279

experiment on what it's like to have

894

00:32:29,590 --> 00:32:27,440

no oxygen like we have to do that

895

00:32:30,789 --> 00:32:29,600

is all right they're gonna be like yeah

896

00:32:32,710 --> 00:32:30,799

that's why you trained to hold your

897

00:32:35,669 --> 00:32:32,720

breath for five minutes

898

00:32:36,630 --> 00:32:35,679

and they're like [h__h] i passed out do

899

00:32:37,269 --> 00:32:36,640

you really have to do that as an

900

00:32:38,470 --> 00:32:37,279

astronaut

901
00:32:39,830 --> 00:32:38,480
i don't know hold your breath for five

902
00:32:40,549 --> 00:32:39,840
minutes dude there's gotta be some kind

903
00:32:41,909 --> 00:32:40,559
of like

904
00:32:45,029 --> 00:32:41,919
yeah there's gotta be some kind of

905
00:32:46,870 --> 00:32:45,039
breath holding test as an astronaut

906
00:32:48,070 --> 00:32:46,880
oh like maybe if you lose air in your

907
00:32:50,389 --> 00:32:48,080
spacesuit and

908
00:32:51,909 --> 00:32:50,399
you i was thinking like if you took your

909
00:32:52,950 --> 00:32:51,919
helmet off in space like wouldn't you

910
00:32:55,990 --> 00:32:52,960
just explode

911
00:32:57,750 --> 00:32:56,000
right from the pressure i think the

912
00:32:59,190 --> 00:32:57,760
lack of pressure actually i don't know

913
00:33:01,269 --> 00:32:59,200

maybe no no no i think

914

00:33:04,470 --> 00:33:01,279

i think you're uh what's up dude i think

915

00:33:06,630 --> 00:33:04,480

your insides implode dude

916

00:33:08,230 --> 00:33:06,640

yeah i wonder i guess you know talk

917

00:33:10,149 --> 00:33:08,240

about our sponsors i gotta pee i'm sorry

918

00:33:11,669 --> 00:33:10,159

yeah i know it it's already is this so

919

00:33:12,549 --> 00:33:11,679

early in the show yeah but we've already

920

00:33:14,230 --> 00:33:12,559

had so many beers

921

00:33:15,909 --> 00:33:14,240

because it's gonna ask dr pepper all the

922

00:33:18,870 --> 00:33:15,919

way over here dude

923

00:33:20,789 --> 00:33:18,880

and i got the swivel chair so it's like

924

00:33:24,310 --> 00:33:20,799

because it's thirsty thursday bro

925

00:33:25,750 --> 00:33:24,320

we're getting down ufo garage style um

926

00:33:27,669 --> 00:33:25,760

ben and joe we have we don't have a

927

00:33:28,950 --> 00:33:27,679

guest tonight so we're just hanging out

928

00:33:31,590 --> 00:33:28,960

and just kind of chat

929

00:33:32,950 --> 00:33:31,600

talking with people in the chat um let's

930

00:33:36,389 --> 00:33:32,960

see do we have any questions

931

00:33:39,029 --> 00:33:36,399

do we have any questions up here um

932

00:33:39,590 --> 00:33:39,039

oh oh someone asked about sightings had

933

00:33:42,149 --> 00:33:39,600

we

934

00:33:43,590 --> 00:33:42,159

uh had you guys had a sighting you

935

00:33:45,269 --> 00:33:43,600

cannot explain

936

00:33:47,029 --> 00:33:45,279

uh steam train mark if you're still on

937

00:33:48,149 --> 00:33:47,039

the chat let us let me know dude but

938

00:33:51,110 --> 00:33:48,159

yeah we've we've uh

939

00:33:53,269 --> 00:33:51,120

we've had some pretty crazy sightings uh

940

00:33:56,230 --> 00:33:53,279

individually and and together

941

00:33:56,870 --> 00:33:56,240

um i saw with uh if luke's still in the

942

00:34:00,230 --> 00:33:56,880

chat

943

00:34:02,630 --> 00:34:00,240

we saw this i he says that it's no

944

00:34:04,230 --> 00:34:02,640

he doesn't believe it was ufos anymore

945

00:34:06,470 --> 00:34:04,240

but i still believe it was

946

00:34:09,109 --> 00:34:06,480

something you can't explain but i saw

947

00:34:12,950 --> 00:34:09,119

five orbs orange orbs in the sky

948

00:34:14,629 --> 00:34:12,960

once uh and my buddy luke was with me

949

00:34:16,310 --> 00:34:14,639

and uh yeah they were just hovering for

950

00:34:18,629 --> 00:34:16,320

like 15 20 minutes

951
00:34:20,470 --> 00:34:18,639
just like in the same place there was no

952
00:34:21,349 --> 00:34:20,480
smoke no nothing it was right over the

953
00:34:24,869 --> 00:34:21,359
lake

954
00:34:26,230 --> 00:34:24,879
uh where i lived in texas and uh yeah

955
00:34:28,869 --> 00:34:26,240
there was a bunch of people that like

956
00:34:29,669 --> 00:34:28,879
crowded around and started watching so

957
00:34:32,470 --> 00:34:29,679
yeah there's a

958
00:34:34,629 --> 00:34:32,480
uh luke oh [h__h] we have been talking

959
00:34:35,669 --> 00:34:34,639
about luke calling in telling his side

960
00:34:37,589 --> 00:34:35,679
of the story

961
00:34:39,030 --> 00:34:37,599
do we want to come down are you going to

962
00:34:40,629 --> 00:34:39,040
be able to are you going to be able to

963
00:34:41,589 --> 00:34:40,639

well you can speak your phone and put it

964

00:34:45,270 --> 00:34:41,599

up on there

965

00:34:47,430 --> 00:34:45,280

oh denali princess dr pepper does rock

966

00:34:48,710 --> 00:34:47,440

i don't know some of you guys may be

967

00:34:51,669 --> 00:34:48,720

rocking some of that pib

968

00:34:52,790 --> 00:34:51,679

stuff and i gotta say i hate it right

969

00:34:55,270 --> 00:34:52,800

it's not the same

970

00:34:56,230 --> 00:34:55,280

cricket you're right [h__h] no mr pimp i'm

971

00:35:00,069 --> 00:34:56,240

a pepper too

972

00:35:02,150 --> 00:35:00,079

hey oh um uh what is it uh

973

00:35:04,950 --> 00:35:02,160

short circuit johnny five wouldn't you

974

00:35:06,950 --> 00:35:04,960

like to be a pepper too

975

00:35:08,310 --> 00:35:06,960

he's like he's cruising down the road

976
00:35:09,109 --> 00:35:08,320
and the indian dude's on the computer

977
00:35:11,510 --> 00:35:09,119
and it's like

978
00:35:12,230 --> 00:35:11,520
oh it looks like he's reading dudes like

979
00:35:14,230 --> 00:35:12,240
he's reading

980
00:35:16,710 --> 00:35:14,240
yeah he's learning information and he's

981
00:35:19,750 --> 00:35:16,720
like what's he saying he's like uh

982
00:35:22,150 --> 00:35:19,760
wouldn't you like to be a pepper too and

983
00:35:26,069 --> 00:35:22,160
it's the old dr pepper slogan

984
00:35:28,069 --> 00:35:26,079
no way oh my god johnny five dude that

985
00:35:28,550 --> 00:35:28,079
was a that was it that's a.i man yeah

986
00:35:31,990 --> 00:35:28,560
dude

987
00:35:32,870 --> 00:35:32,000
johnny five is a lie fine dance with me

988
00:35:34,470 --> 00:35:32,880

stephanie

989

00:35:36,470 --> 00:35:34,480

hell yeah someone asked if it was lake

990

00:35:39,510 --> 00:35:36,480

travis no it was lake belton

991

00:35:41,270 --> 00:35:39,520

denali lake belton uh 45 minutes north

992

00:35:44,470 --> 00:35:41,280

of austin

993

00:35:46,790 --> 00:35:44,480

uh i was in in high school at the time

994

00:35:48,310 --> 00:35:46,800

and yeah me and my buddy luke i mean we

995

00:35:50,390 --> 00:35:48,320

could call him if you wanted to get his

996

00:35:52,950 --> 00:35:50,400

side of the story

997

00:35:54,069 --> 00:35:52,960

um but yeah like i still to this day

998

00:35:57,430 --> 00:35:54,079

think that it was

999

00:36:00,710 --> 00:35:57,440

straight-up uh ufos they were orbs

1000

00:36:01,510 --> 00:36:00,720

um they didn't flicker it like a like a

1001
00:36:04,390 --> 00:36:01,520
fire or

1002
00:36:05,270 --> 00:36:04,400
or uh uh some kind i'm forgetting the

1003
00:36:10,230 --> 00:36:05,280
term

1004
00:36:13,349 --> 00:36:10,240
uh a like a military uses it by the way

1005
00:36:15,510 --> 00:36:13,359
flare thank you uh like so

1006
00:36:17,349 --> 00:36:15,520
uh fort hood is right next to belton

1007
00:36:19,190 --> 00:36:17,359
right next to the lake where we were so

1008
00:36:20,870 --> 00:36:19,200
i know that i know that fort hood's

1009
00:36:23,190 --> 00:36:20,880
there but i don't think it was a

1010
00:36:25,190 --> 00:36:23,200
military exercise dude like

1011
00:36:27,589 --> 00:36:25,200
they they would blink off and then back

1012
00:36:28,710 --> 00:36:27,599
on in the exact same spot that was my

1013
00:36:30,710 --> 00:36:28,720

memory of it

1014

00:36:32,390 --> 00:36:30,720

um and it lasted like for [h__\h] ever

1015

00:36:33,910 --> 00:36:32,400

there was no smoke i mean if something's

1016

00:36:37,030 --> 00:36:33,920

on fire you would see

1017

00:36:37,990 --> 00:36:37,040

smoke coming out off of it right yeah

1018

00:36:40,150 --> 00:36:38,000

you would see it

1019

00:36:41,829 --> 00:36:40,160

especially over the lake yeah yeah

1020

00:36:43,829 --> 00:36:41,839

there's so much reflection everywhere

1021

00:36:45,270 --> 00:36:43,839

yeah even though it's dark out there

1022

00:36:48,550 --> 00:36:45,280

you're still on the dam

1023

00:36:50,790 --> 00:36:48,560

right the damn damn that damn damn

1024

00:36:51,670 --> 00:36:50,800

let's get let's get one let's get luke's

1025

00:36:56,870 --> 00:36:51,680

opinion call

1026

00:36:56,880 --> 00:37:04,390

denali are you from the texas area

1027

00:37:09,750 --> 00:37:06,390

wouldn't you like to be a pepper too

1028

00:37:13,910 --> 00:37:09,760

yeah did you like to be as papers

1029

00:37:15,510 --> 00:37:13,920

oh what's up brother what are you doing

1030

00:37:17,510 --> 00:37:15,520

you're live on our podcast dude i want

1031

00:37:19,990 --> 00:37:17,520

to get your your side of the story

1032

00:37:21,990 --> 00:37:20,000

are you do you have some time straight

1033

00:37:26,150 --> 00:37:22,000

up players man no

1034

00:37:29,349 --> 00:37:27,670

morgan was just asking me we're watching

1035

00:37:32,470 --> 00:37:29,359

you guys nice

1036

00:37:35,990 --> 00:37:32,480

like was it just straight players

1037

00:37:36,310 --> 00:37:36,000

like i mean it was pretty crazy yeah i

1038

00:37:38,310 --> 00:37:36,320

mean

1039

00:37:40,230 --> 00:37:38,320

[h__h] did go in and out and it kind of

1040

00:37:42,230 --> 00:37:40,240

moved and

1041

00:37:43,910 --> 00:37:42,240

if you remember we ran down to the cove

1042

00:37:44,790 --> 00:37:43,920

at the water's edge and that whole thing

1043

00:37:47,589 --> 00:37:44,800

was lit up

1044

00:37:48,150 --> 00:37:47,599

yes that was before we went to the dam

1045

00:37:53,910 --> 00:37:48,160

yeah

1046

00:37:55,270 --> 00:37:53,920

just what's come out since then that

1047

00:37:57,510 --> 00:37:55,280

this you know

1048

00:37:59,430 --> 00:37:57,520

government shoots flares in the air and

1049

00:38:01,190 --> 00:37:59,440

it gets a little weird

1050

00:38:02,790 --> 00:38:01,200

so do you think maybe like uh like a

1051

00:38:05,910 --> 00:38:02,800

plane had dropped him like that

1052

00:38:08,150 --> 00:38:05,920

that video that chris sent us yeah

1053

00:38:09,750 --> 00:38:08,160

also that video was during the day and

1054

00:38:12,390 --> 00:38:09,760

you could you could obviously see

1055

00:38:13,990 --> 00:38:12,400

how much smoke those things put off but

1056

00:38:16,550 --> 00:38:14,000

you can see it at night too

1057

00:38:17,750 --> 00:38:16,560

the smoke is so prominent off of flare

1058

00:38:20,710 --> 00:38:17,760

because it's illuminated

1059

00:38:22,069 --> 00:38:20,720

right yeah you can see the smoke very

1060

00:38:25,670 --> 00:38:22,079

clearly even at night

1061

00:38:29,589 --> 00:38:25,680

yeah so i i don't

1062

00:38:30,310 --> 00:38:29,599

know well um okay so luke you're you're

1063

00:38:35,750 --> 00:38:30,320

still on

1064

00:38:40,550 --> 00:38:39,349

are you there can you hear me yeah i can

1065

00:38:44,310 --> 00:38:40,560

hear you now

1066

00:38:47,510 --> 00:38:44,320

yeah i side with flares okay well i mean

1067

00:38:49,290 --> 00:38:47,520

yeah hey potato potato potato potato but

1068

00:38:51,109 --> 00:38:49,300

you remember how many people

1069

00:38:54,390 --> 00:38:51,119

[Laughter]

1070

00:38:58,069 --> 00:38:54,400

you say potato i say potato

1071

00:39:10,470 --> 00:38:58,079

potato potato let's work the whole thing

1072

00:39:10,480 --> 00:39:15,910

so the sun's cold explain

1073

00:39:20,470 --> 00:39:18,710

the sun is the sun is cold so we all

1074

00:39:23,990 --> 00:39:20,480

know the sun is cold

1075

00:39:25,349 --> 00:39:24,000

everybody knows it everybody knows the

1076

00:39:27,589 --> 00:39:25,359

sun's cold

1077

00:39:28,870 --> 00:39:27,599

on that okay we'll sit back and listen

1078

00:39:29,349 --> 00:39:28,880

okay sounds good thanks for talking

1079

00:39:32,069 --> 00:39:29,359

about it

1080

00:39:34,390 --> 00:39:32,079

all right peace well the sun is cold

1081

00:39:35,430 --> 00:39:34,400

right because space is cold yeah and if

1082

00:39:38,390 --> 00:39:35,440

it's in space

1083

00:39:40,069 --> 00:39:38,400

it's got to be cold yeah story that's

1084

00:39:41,670 --> 00:39:40,079

the end of the story okay how can

1085

00:39:43,990 --> 00:39:41,680

how could there be how could there be

1086

00:39:47,109 --> 00:39:44,000

comets with ice trails

1087

00:39:47,589 --> 00:39:47,119

if the sun exists yeah with because

1088

00:39:50,870 --> 00:39:47,599

there's

1089

00:39:53,750 --> 00:39:50,880

uh it's cold it's cold it's cold

1090

00:39:54,069 --> 00:39:53,760

space is cold how can there be cold and

1091

00:39:57,349 --> 00:39:54,079

then

1092

00:39:59,990 --> 00:39:57,359

like well it's called

1093

00:40:00,710 --> 00:40:00,000

fission you idiots it's called an

1094

00:40:02,150 --> 00:40:00,720

atmosphere

1095

00:40:04,950 --> 00:40:02,160

or i really am an idiot and they're like

1096

00:40:07,190 --> 00:40:04,960

it's called fusion you idiots

1097

00:40:08,390 --> 00:40:07,200

i think the sun does fission i think

1098

00:40:10,710 --> 00:40:08,400

fission is like

1099

00:40:12,630 --> 00:40:10,720

that's in the dc comics dude i think

1100

00:40:15,670 --> 00:40:12,640

that's a hero

1101
00:40:16,390 --> 00:40:15,680
i think that's a marvel concept somebody

1102
00:40:20,309 --> 00:40:16,400
out there is like

1103
00:40:22,950 --> 00:40:20,319
uh they're like man these guys like to

1104
00:40:25,990 --> 00:40:22,960
go fishing

1105
00:40:27,270 --> 00:40:26,000
like i do like fishes yeah fire girl i

1106
00:40:29,430 --> 00:40:27,280
do like fishing

1107
00:40:31,750 --> 00:40:29,440
caught me an eight-foot yellow cat the

1108
00:40:33,910 --> 00:40:31,760
other day

1109
00:40:35,430 --> 00:40:33,920
are you sure it was yellow cat cause i

1110
00:40:39,109 --> 00:40:35,440
got a blue one that was

1111
00:40:40,309 --> 00:40:39,119
albino blue have you ever seen an albino

1112
00:40:43,109 --> 00:40:40,319
blue cat

1113
00:40:44,790 --> 00:40:43,119

yeah they be they bite they got damn

1114

00:40:45,910 --> 00:40:44,800

teeth everybody tells you they don't

1115

00:40:47,750 --> 00:40:45,920

have no teeth but

1116

00:40:49,349 --> 00:40:47,760

i'll tell you hey kira what's up how you

1117

00:40:51,750 --> 00:40:49,359

doing kira

1118

00:40:52,950 --> 00:40:51,760

yes thanks and ollie for inviting me

1119

00:40:57,190 --> 00:40:52,960

hell yeah i like it

1120

00:41:00,230 --> 00:40:57,200

nice i like it um i like it a lot

1121

00:41:02,230 --> 00:41:00,240

dfw yeah man dfw

1122

00:41:03,589 --> 00:41:02,240

uh so my wife is from that area and

1123

00:41:05,829 --> 00:41:03,599

every time we drive up there

1124

00:41:08,390 --> 00:41:05,839

like we go past the airport tell your

1125

00:41:11,430 --> 00:41:08,400

story tell your story like richard dolan

1126

00:41:14,550 --> 00:41:11,440

because because so when we uh

1127

00:41:16,790 --> 00:41:14,560

when we go to the dfw uh uh area

1128

00:41:18,069 --> 00:41:16,800

we often see we often we often see a lot

1129

00:41:19,430 --> 00:41:18,079

of uh lights in the sky

1130

00:41:21,349 --> 00:41:19,440

right and and we all know that the

1131

00:41:23,190 --> 00:41:21,359

lights in the sky are coming at us and

1132

00:41:24,470 --> 00:41:23,200

there are and there are absolutely

1133

00:41:27,670 --> 00:41:24,480

planes that have

1134

00:41:30,309 --> 00:41:27,680

uh frontal cortex is uh astronomy

1135

00:41:31,270 --> 00:41:30,319

uh that happened and uh and i think it

1136

00:41:39,430 --> 00:41:31,280

was 19 uh

1137

00:41:42,550 --> 00:41:41,030

oh i just started saying it was just

1138

00:41:43,910 --> 00:41:42,560

funny because she was like you missed

1139

00:41:46,069 --> 00:41:43,920

the richard dolan impression

1140

00:41:47,670 --> 00:41:46,079

yeah yeah we had to get it vision all

1141

00:41:50,790 --> 00:41:47,680

right cool spell fish

1142

00:41:52,069 --> 00:41:50,800

yeah right uh but yeah like every time i

1143

00:41:53,190 --> 00:41:52,079

get so stoked because there's like a lot

1144

00:41:55,190 --> 00:41:53,200

of lights in the sky

1145

00:41:56,710 --> 00:41:55,200

and then yeah my excitement you know

1146

00:41:59,270 --> 00:41:56,720

it's like okay well

1147

00:42:00,710 --> 00:41:59,280

they're plants yeah yeah all right fine

1148

00:42:02,069 --> 00:42:00,720

but we have seen some [h__h] like in

1149

00:42:03,750 --> 00:42:02,079

sedona man

1150

00:42:06,150 --> 00:42:03,760

we we saw those we saw the lights there

1151
00:42:08,309 --> 00:42:06,160
was no smoke there my friends no smoke

1152
00:42:09,270 --> 00:42:08,319
no smoke and it flashed at us it said

1153
00:42:13,510 --> 00:42:09,280
hello that's

1154
00:42:15,589 --> 00:42:13,520
why we all know if there ain't no smoke

1155
00:42:17,270 --> 00:42:15,599
in ain't texting barbecue barbecue i'll

1156
00:42:18,550 --> 00:42:17,280
tell you what there ain't no smoking

1157
00:42:19,910 --> 00:42:18,560
ain't texas barbecue

1158
00:42:21,990 --> 00:42:19,920
oh you said that is that derek and i

1159
00:42:25,349 --> 00:42:22,000
said that i think derek said that damn

1160
00:42:27,750 --> 00:42:25,359
[h__h] fire that was i bet that was derek

1161
00:42:28,790 --> 00:42:27,760
it was derek and his br his name is

1162
00:42:31,829 --> 00:42:28,800
actually richard

1163
00:42:33,349 --> 00:42:31,839

is richard richie i'm gonna start

1164

00:42:34,870 --> 00:42:33,359

calling that fool richie i never even

1165

00:42:37,430 --> 00:42:34,880

thought about that

1166

00:42:38,390 --> 00:42:37,440

i'm gonna be like hey richie he's gonna

1167

00:42:41,430 --> 00:42:38,400

be like

1168

00:42:49,829 --> 00:42:46,550

is your name richard he was like yeah

1169

00:42:53,349 --> 00:42:49,839

uh yeah uh no uh

1170

00:42:55,589 --> 00:42:53,359

no uh no all right so that's cool

1171

00:42:57,030 --> 00:42:55,599

that's so cool that's cool all right so

1172

00:42:58,150 --> 00:42:57,040

let's go let's go back to like

1173

00:43:00,069 --> 00:42:58,160

some [h__h] we were talking about the

1174

00:43:00,790 --> 00:43:00,079

other night man like it kind of kind of

1175

00:43:02,230 --> 00:43:00,800

like

1176

00:43:04,069 --> 00:43:02,240

the oh so we started off with the

1177

00:43:04,710 --> 00:43:04,079

overall where we started where things

1178

00:43:07,270 --> 00:43:04,720

are at

1179

00:43:08,630 --> 00:43:07,280

73 was a good year dude i'm sorry i'm

1180

00:43:12,950 --> 00:43:08,640

getting good at reading

1181

00:43:14,790 --> 00:43:12,960

i apologize i apologize

1182

00:43:15,990 --> 00:43:14,800

are you gonna no no i'm done i'm done

1183

00:43:16,710 --> 00:43:16,000

what did you i thought you had something

1184

00:43:19,910 --> 00:43:16,720

to say about it no

1185

00:43:22,550 --> 00:43:19,920

no uh kira just said 73 was a good year

1186

00:43:25,109 --> 00:43:22,560

oh you're okay he said i agree yeah

1187

00:43:26,790 --> 00:43:25,119

and uh 73 i wasn't there but i agree

1188

00:43:30,550 --> 00:43:26,800

yeah it's probably pretty cool

1189

00:43:31,349 --> 00:43:30,560

um but okay so we're we're talking about

1190

00:43:35,430 --> 00:43:31,359

uh

1191

00:43:37,349 --> 00:43:35,440

this subject i think

1192

00:43:39,030 --> 00:43:37,359

a lot of us out there are interested in

1193

00:43:42,870 --> 00:43:39,040

the story and

1194

00:43:44,550 --> 00:43:42,880

uh based off of our fascination since we

1195

00:43:45,750 --> 00:43:44,560

were kids and now it's like it's just

1196

00:43:48,150 --> 00:43:45,760

everywhere in the media

1197

00:43:48,870 --> 00:43:48,160

and like we feel a little disenchanted

1198

00:43:51,510 --> 00:43:48,880

right like

1199

00:43:53,510 --> 00:43:51,520

it's just too much information it wants

1200

00:43:55,349 --> 00:43:53,520

and it feels a little controlled

1201

00:43:57,750 --> 00:43:55,359

why does it feel controlled i don't

1202

00:44:01,349 --> 00:43:57,760

think it's too much information at once

1203

00:44:03,670 --> 00:44:01,359

i i'm i'm just skeptical about the

1204

00:44:05,190 --> 00:44:03,680

information okay i agree there isn't too

1205

00:44:06,630 --> 00:44:05,200

much information there's too many people

1206

00:44:08,550 --> 00:44:06,640

talking about the information

1207

00:44:10,550 --> 00:44:08,560

yeah too many people talking about the

1208

00:44:11,670 --> 00:44:10,560

same information but then again like

1209

00:44:15,670 --> 00:44:11,680

it's

1210

00:44:18,309 --> 00:44:15,680

the information right

1211

00:44:19,430 --> 00:44:18,319

it's not just like the mainstream uh

1212

00:44:21,430 --> 00:44:19,440

news outlets that are

1213

00:44:23,030 --> 00:44:21,440

talking about it yeah there's a lot of

1214

00:44:24,870 --> 00:44:23,040

people are talking about it right

1215

00:44:26,390 --> 00:44:24,880

there's also that's also why there's so

1216

00:44:29,510 --> 00:44:26,400

many different opinions

1217

00:44:31,510 --> 00:44:29,520

about it as well yes um and so

1218

00:44:34,230 --> 00:44:31,520

that puts everybody in kind of a tough

1219

00:44:35,670 --> 00:44:34,240

spot on like okay

1220

00:44:38,390 --> 00:44:35,680

what do we want to believe who do we

1221

00:44:38,630 --> 00:44:38,400

want to believe where do you subscribe

1222

00:44:41,990 --> 00:44:38,640

to

1223

00:44:44,150 --> 00:44:42,000

right who it's more like who i think i

1224

00:44:47,510 --> 00:44:44,160

think a lot of a lot of it is

1225

00:44:50,309 --> 00:44:47,520

is is okay lou elizondo

1226
00:44:50,630 --> 00:44:50,319
obviously top notch has been a part of

1227
00:44:54,230 --> 00:44:50,640
this

1228
00:44:57,190 --> 00:44:54,240
uh a-tip program for years and

1229
00:44:58,710 --> 00:44:57,200
yeah i trust the guy uh but i think we

1230
00:44:59,589 --> 00:44:58,720
all have to have a little bit of

1231
00:45:02,069 --> 00:44:59,599
discernment

1232
00:45:02,790 --> 00:45:02,079
because it is coming from the government

1233
00:45:06,150 --> 00:45:02,800
and that that

1234
00:45:07,750 --> 00:45:06,160
sounds so like uh conspiracy oh it's

1235
00:45:08,870 --> 00:45:07,760
conspiracy blah blah blah

1236
00:45:10,230 --> 00:45:08,880
but what's wrong with that what's wrong

1237
00:45:10,950 --> 00:45:10,240
with having a little bit of discernment

1238
00:45:12,710 --> 00:45:10,960

well no

1239

00:45:14,550 --> 00:45:12,720

nothing there's nothing wrong with

1240

00:45:17,990 --> 00:45:14,560

having a little bit of discernment and

1241

00:45:18,870 --> 00:45:18,000

and to be quite honest he is coming on

1242

00:45:22,390 --> 00:45:18,880

the show

1243

00:45:25,430 --> 00:45:22,400

and you know i i

1244

00:45:27,910 --> 00:45:25,440

i i will ex i'll explain to him that

1245

00:45:30,950 --> 00:45:27,920

like hey

1246

00:45:32,390 --> 00:45:30,960

i don't necessarily not trust you but i

1247

00:45:33,670 --> 00:45:32,400

don't know if i trust you you know what

1248

00:45:34,470 --> 00:45:33,680

i'm saying i think that's healthy

1249

00:45:36,470 --> 00:45:34,480

skepticism

1250

00:45:38,710 --> 00:45:36,480

especially for a person in his position

1251
00:45:40,390 --> 00:45:38,720
because he's got to understand that

1252
00:45:41,829 --> 00:45:40,400
there are going to be extremely

1253
00:45:44,870 --> 00:45:41,839
skeptical people and

1254
00:45:46,470 --> 00:45:44,880
if you can talk to uh

1255
00:45:51,829 --> 00:45:46,480
you know if you can talk to me just a

1256
00:45:55,510 --> 00:45:54,470
testicle who is very testicles what

1257
00:45:58,470 --> 00:45:55,520
you're saying yeah

1258
00:45:59,589 --> 00:45:58,480
then uh you know like i don't know like

1259
00:46:04,630 --> 00:45:59,599
if you can

1260
00:46:05,829 --> 00:46:04,640
it's weird but i i'm a little bit

1261
00:46:09,030 --> 00:46:05,839
skeptical right and

1262
00:46:11,589 --> 00:46:09,040
and i would like for him to you know

1263
00:46:13,670 --> 00:46:11,599

be able to explain his his piece which

1264

00:46:16,230 --> 00:46:13,680

he has and he's done a very good job

1265

00:46:17,670 --> 00:46:16,240

and it sounds awesome right it does

1266

00:46:19,030 --> 00:46:17,680

sound like he's open-minded about

1267

00:46:20,710 --> 00:46:19,040

different theories definitely he

1268

00:46:22,230 --> 00:46:20,720

definitely does he seems very

1269

00:46:24,710 --> 00:46:22,240

open-minded about it but

1270

00:46:26,710 --> 00:46:24,720

i'm i'm still skeptical right and and

1271

00:46:29,349 --> 00:46:26,720

it's not anything to do with lou

1272

00:46:30,870 --> 00:46:29,359

it's not his fault it's it's it's uh

1273

00:46:32,069 --> 00:46:30,880

it's just the years and years of what's

1274

00:46:34,710 --> 00:46:32,079

been going on right

1275

00:46:37,109 --> 00:46:34,720

all that makes you skeptical yeah and

1276

00:46:39,270 --> 00:46:37,119

it's healthy to be skeptical also chad

1277

00:46:40,550 --> 00:46:39,280

you're you're totally correct i mean

1278

00:46:43,750 --> 00:46:40,560

lou's background is

1279

00:46:45,910 --> 00:46:43,760

um in intelligence and we he

1280

00:46:48,950 --> 00:46:45,920

worked in counter intelligence so he was

1281

00:46:50,950 --> 00:46:48,960

he was a double oh 69

1282

00:46:52,550 --> 00:46:50,960

he was a double o 69 agent and we all

1283

00:47:00,790 --> 00:46:52,560

know that that

1284

00:47:04,790 --> 00:47:02,470

dave what's up dave scott from spaced

1285

00:47:05,829 --> 00:47:04,800

out radio y'all check him out space

1286

00:47:07,990 --> 00:47:05,839

already what's up dave

1287

00:47:09,589 --> 00:47:08,000

yeah most of y'all are probably from

1288

00:47:10,069 --> 00:47:09,599

space tower yeah so you all know that

1289

00:47:12,790 --> 00:47:10,079

that

1290

00:47:14,390 --> 00:47:12,800

like he parties with bumblefoot oh yeah

1291

00:47:17,349 --> 00:47:14,400

he'll yeah

1292

00:47:18,309 --> 00:47:17,359

so uh all right so sorry i'm i'm trying

1293

00:47:21,750 --> 00:47:18,319

not to lose track

1294

00:47:25,670 --> 00:47:21,760

but skepticism for uh

1295

00:47:28,470 --> 00:47:25,680

uh escape skatebees scabies scrotum

1296

00:47:30,390 --> 00:47:28,480

anyway with a healthy scrotum we can we

1297

00:47:32,230 --> 00:47:30,400

can approach this subject

1298

00:47:34,390 --> 00:47:32,240

uh with open minds and i think a lot of

1299

00:47:37,030 --> 00:47:34,400

people are having their minds made up

1300

00:47:38,390 --> 00:47:37,040

about who they align to and who they

1301
00:47:40,470 --> 00:47:38,400
believe

1302
00:47:41,670 --> 00:47:40,480
and uh i think it's in line with dick

1303
00:47:45,750 --> 00:47:41,680
dolan dude

1304
00:47:48,790 --> 00:47:45,760
with richie a party with richie

1305
00:48:00,380 --> 00:47:48,800
last night we were up till [h__\h] 5

1306
00:48:03,589 --> 00:48:01,589
[Music]

1307
00:48:05,349 --> 00:48:03,599
that's [h__\h] terrifying what is this

1308
00:48:06,790 --> 00:48:05,359
it was for metalocalypse

1309
00:48:09,430 --> 00:48:06,800
okay that's a good shot yeah that was

1310
00:48:14,950 --> 00:48:09,440
funny yeah

1311
00:48:20,790 --> 00:48:19,030
uh so okay so who you align with right

1312
00:48:26,309 --> 00:48:20,800
like

1313
00:48:27,910 --> 00:48:26,319

and kind of sitting back and not really

1314

00:48:30,950 --> 00:48:27,920

giving our

1315

00:48:32,710 --> 00:48:30,960

our uh our feedback i guess now we are

1316

00:48:34,150 --> 00:48:32,720

but we're not really saying we believe

1317

00:48:36,150 --> 00:48:34,160

or uh endorse

1318

00:48:37,430 --> 00:48:36,160

really anybody we're just kind of

1319

00:48:39,190 --> 00:48:37,440

talking about questioning yeah we're

1320

00:48:42,309 --> 00:48:39,200

saying have a help

1321

00:48:45,270 --> 00:48:42,319

open mind but also be skeptical

1322

00:48:46,630 --> 00:48:45,280

yeah right yeah which which leaves you

1323

00:48:47,910 --> 00:48:46,640

in a place where you don't really

1324

00:48:50,950 --> 00:48:47,920

believe anything

1325

00:48:54,630 --> 00:48:50,960

yes but you have your preference on

1326

00:48:56,390 --> 00:48:54,640

on what you believe you believe

1327

00:48:58,069 --> 00:48:56,400

you know it's so it's weird like that

1328

00:49:00,150 --> 00:48:58,079

headspace where like

1329

00:49:01,750 --> 00:49:00,160

i get like that sometimes where i don't

1330

00:49:04,230 --> 00:49:01,760

know what the [h__\h] to believe

1331

00:49:07,990 --> 00:49:04,240

anymore i've heard so many different and

1332

00:49:12,390 --> 00:49:09,990

yes yes you're like well i guess they

1333

00:49:16,069 --> 00:49:12,400

could live inside the earth

1334

00:49:17,430 --> 00:49:16,079

i guess ants really are our lord and

1335

00:49:18,710 --> 00:49:17,440

savior well that's how like

1336

00:49:20,549 --> 00:49:18,720

that goes all the way back to like

1337

00:49:23,829 --> 00:49:20,559

remember when we were saying like

1338

00:49:25,589 --> 00:49:23,839

if there's a alien in a if if there's an

1339

00:49:27,109 --> 00:49:25,599

interdimensional being that can just

1340

00:49:28,549 --> 00:49:27,119

shift into your dimension

1341

00:49:30,309 --> 00:49:28,559

right or if there's something that's

1342

00:49:32,870 --> 00:49:30,319

like face jam defies

1343

00:49:33,349 --> 00:49:32,880

like all laws of physics and like can

1344

00:49:36,470 --> 00:49:33,359

cross

1345

00:49:39,190 --> 00:49:36,480

the the galaxy right in like two minutes

1346

00:49:40,470 --> 00:49:39,200

i mean why would there be something

1347

00:49:41,670 --> 00:49:40,480

living in the earth you know what i'm

1348

00:49:43,829 --> 00:49:41,680

saying like why is that

1349

00:49:45,030 --> 00:49:43,839

crazy but like something that shifts

1350

00:49:47,510 --> 00:49:45,040

into your dimension not

1351
00:49:48,790 --> 00:49:47,520
crazy you know yes it's weird because

1352
00:49:51,109 --> 00:49:48,800
it's like almost like the more

1353
00:49:53,910 --> 00:49:51,119
believable [h__h] is like way more crazy

1354
00:49:55,589 --> 00:49:53,920
than like the really crazy [h__h] is like

1355
00:49:59,109 --> 00:49:55,599
really believable and it and i

1356
00:50:01,270 --> 00:49:59,119
i kind of i not blame

1357
00:50:02,390 --> 00:50:01,280
that's not the right word i contribute

1358
00:50:05,670 --> 00:50:02,400
that to uh

1359
00:50:08,150 --> 00:50:05,680
everybody's everybody's like want to

1360
00:50:09,510 --> 00:50:08,160
like believe in science nowadays you

1361
00:50:12,230 --> 00:50:09,520
know like there's a huge like

1362
00:50:13,430 --> 00:50:12,240
i believe in science like that's like

1363
00:50:15,670 --> 00:50:13,440

the thing right but

1364

00:50:16,710 --> 00:50:15,680

but science is is becoming sort of like

1365

00:50:19,910 --> 00:50:16,720

a religion

1366

00:50:23,109 --> 00:50:19,920

to to an extent to where like you

1367

00:50:24,309 --> 00:50:23,119

like don't get me wrong i understand

1368

00:50:26,150 --> 00:50:24,319

science is great like

1369

00:50:28,230 --> 00:50:26,160

psychology i believe in science too

1370

00:50:30,069 --> 00:50:28,240

right but but at the same time science

1371

00:50:32,309 --> 00:50:30,079

is changing all the time like the point

1372

00:50:33,990 --> 00:50:32,319

of science is to prove yourself wrong or

1373

00:50:35,829 --> 00:50:34,000

have somebody prove you wrong so that

1374

00:50:37,589 --> 00:50:35,839

way you can get the correct answer

1375

00:50:39,190 --> 00:50:37,599

so for you to just be like i believe in

1376

00:50:41,190 --> 00:50:39,200

science well that's

1377

00:50:42,950 --> 00:50:41,200

fine and good that's so cool for you

1378

00:50:44,950 --> 00:50:42,960

because you believe in current science

1379

00:50:46,069 --> 00:50:44,960

you can't just say i believe in science

1380

00:50:47,990 --> 00:50:46,079

you just have to say

1381

00:50:49,750 --> 00:50:48,000

i believe the data that's coming out

1382

00:50:52,790 --> 00:50:49,760

currently right now because

1383

00:50:54,630 --> 00:50:52,800

you know like that's all we got

1384

00:50:56,150 --> 00:50:54,640

you know you can't you can't say like

1385

00:50:57,589 --> 00:50:56,160

this is science because it's fact

1386

00:50:58,790 --> 00:50:57,599

because everything that was science and

1387

00:51:01,349 --> 00:50:58,800

was fact is now

1388

00:51:03,270 --> 00:51:01,359

changed like it's constantly evolving so

1389

00:51:05,910 --> 00:51:03,280

by saying you believe in science

1390

00:51:08,309 --> 00:51:05,920

you are saying that i believe in the

1391

00:51:10,549 --> 00:51:08,319

idea that the world constantly changes

1392

00:51:11,990 --> 00:51:10,559

in the way that we understand the world

1393

00:51:16,790 --> 00:51:12,000

every single day

1394

00:51:17,430 --> 00:51:16,800

really have a [h__h] clue about what's

1395

00:51:21,270 --> 00:51:17,440

happening

1396

00:51:25,270 --> 00:51:21,280

that's science well said

1397

00:51:28,390 --> 00:51:25,280

i mean dude i think we're overdue

1398

00:51:30,470 --> 00:51:28,400

for a uh hey yeah so

1399

00:51:32,150 --> 00:51:30,480

everybody knows that the sun is the

1400

00:51:35,190 --> 00:51:32,160

center of the universe kind of idea

1401
00:51:36,390 --> 00:51:35,200
like we finally figure out like oh this

1402
00:51:37,750 --> 00:51:36,400
whole time like there were so many

1403
00:51:39,910 --> 00:51:37,760
people kind of talking about it

1404
00:51:41,430 --> 00:51:39,920
and and uh there was some proof and

1405
00:51:43,510 --> 00:51:41,440
there was some proof like

1406
00:51:44,549 --> 00:51:43,520
uh you know not proof whatever the

1407
00:51:47,430 --> 00:51:44,559
opposite of that is

1408
00:51:48,630 --> 00:51:47,440
but uh i feel like we're overdue is

1409
00:51:51,670 --> 00:51:48,640
humanity for uh

1410
00:51:53,910 --> 00:51:51,680
uh oh [h__\h] we know literally nothing

1411
00:51:55,750 --> 00:51:53,920
right moment right and i think it's been

1412
00:51:57,990 --> 00:51:55,760
too long so it's like

1413
00:51:59,190 --> 00:51:58,000

it's like a pimple that has been waiting

1414

00:52:02,870 --> 00:51:59,200

and like it's

1415

00:52:05,109 --> 00:52:02,880

whoo bro it looks it looks my ass man

1416

00:52:05,990 --> 00:52:05,119

it looks fine ready to just explode it

1417

00:52:08,309 --> 00:52:06,000

right get it out

1418

00:52:09,510 --> 00:52:08,319

get it out you know and whatever it is

1419

00:52:13,109 --> 00:52:09,520

it's gonna be

1420

00:52:14,549 --> 00:52:13,119

uh pretty [h__\h] mind-blowing i don't

1421

00:52:16,630 --> 00:52:14,559

i don't think that's what we're gonna

1422

00:52:18,230 --> 00:52:16,640

get in june

1423

00:52:19,829 --> 00:52:18,240

though no i don't think we're going to

1424

00:52:20,790 --> 00:52:19,839

get a debate in june i think we're going

1425

00:52:21,910 --> 00:52:20,800

to be like this is

1426

00:52:24,390 --> 00:52:21,920

we're not going to we're not going to

1427

00:52:26,309 --> 00:52:24,400

get any new information that's going to

1428

00:52:29,349 --> 00:52:26,319

explode our brains right right

1429

00:52:33,030 --> 00:52:29,359

scientific information for the uh

1430

00:52:35,349 --> 00:52:33,040

for the the the uh the mass population

1431

00:52:37,270 --> 00:52:35,359

it will maybe be kind of a mind [h__h] or

1432

00:52:39,030 --> 00:52:37,280

like an explosion to your brain

1433

00:52:40,549 --> 00:52:39,040

right but for the rest of us it's going

1434

00:52:44,150 --> 00:52:40,559

to be like i

1435

00:52:46,309 --> 00:52:44,160

know yeah i know but

1436

00:52:47,510 --> 00:52:46,319

but people that have known about this

1437

00:52:50,470 --> 00:52:47,520

for so long

1438

00:52:51,270 --> 00:52:50,480

are almost gonna take it the best

1439

00:52:53,750 --> 00:52:51,280

because

1440

00:52:55,750 --> 00:52:53,760

we have opened our minds and accepted

1441

00:52:57,910 --> 00:52:55,760

like hey

1442

00:52:59,990 --> 00:52:57,920

let's just i'll hear you out that's

1443

00:53:04,069 --> 00:53:00,000

interesting let's let's listen to this

1444

00:53:05,190 --> 00:53:04,079

uh idea or or uh angle of looking at

1445

00:53:08,470 --> 00:53:05,200

things or

1446

00:53:09,589 --> 00:53:08,480

uh taking in information and yeah anyway

1447

00:53:11,670 --> 00:53:09,599

so like

1448

00:53:13,430 --> 00:53:11,680

the people that have have been into this

1449

00:53:14,390 --> 00:53:13,440

subject for so long are going to be the

1450

00:53:17,750 --> 00:53:14,400

easiest

1451

00:53:21,030 --> 00:53:17,760

will

1452

00:53:27,270 --> 00:53:25,109

so like uh dude going along with like

1453

00:53:28,790 --> 00:53:27,280

terrifying dude was that your account

1454

00:53:30,390 --> 00:53:28,800

dracula dude i felt like being scary

1455

00:53:36,309 --> 00:53:30,400

tonight dude yeah you're being really

1456

00:53:42,309 --> 00:53:38,790

i just [h__h] my pants did you yeah you

1457

00:53:44,710 --> 00:53:42,319

scared oh i could smell it you scared me

1458

00:53:46,150 --> 00:53:44,720

it took a second dude yeah that's what's

1459

00:53:48,710 --> 00:53:46,160

up dude

1460

00:53:50,069 --> 00:53:48,720

okay no let's go i had an idea i did too

1461

00:53:51,430 --> 00:53:50,079

well i wanna

1462

00:53:52,309 --> 00:53:51,440

go first all right dude of course you

1463

00:53:53,670 --> 00:53:52,319

can't we're talking about

1464

00:54:01,589 --> 00:53:53,680

interdimensional stuff

1465

00:54:05,990 --> 00:54:03,750

so dude we're talking about like the the

1466

00:54:08,870 --> 00:54:06,000

ideas that have been out of this world

1467

00:54:10,309 --> 00:54:08,880

are opening our consciousness up to new

1468

00:54:13,430 --> 00:54:10,319

ways of thinking

1469

00:54:15,750 --> 00:54:13,440

that are not in line with the masses one

1470

00:54:18,790 --> 00:54:15,760

idea i'm thinking about

1471

00:54:20,309 --> 00:54:18,800

is the uh okay so i'm gonna start this

1472

00:54:22,069 --> 00:54:20,319

off flat flat earth right

1473

00:54:24,309 --> 00:54:22,079

right earth there's the firmament in the

1474

00:54:25,990 --> 00:54:24,319

bible right right where you can't like

1475

00:54:27,829 --> 00:54:26,000

there's all this talking like that's how

1476

00:54:30,950 --> 00:54:27,839

you make beer right for a moment

1477

00:54:31,910 --> 00:54:30,960

yeah like really good like beer in the

1478

00:54:43,430 --> 00:54:31,920

bible dude

1479

00:54:48,870 --> 00:54:45,990

what's up lou from uh unidentified

1480

00:54:51,349 --> 00:54:48,880

celebrity review what's up dude

1481

00:54:51,990 --> 00:54:51,359

oh yeah we'll we'll ask just just ask

1482

00:54:55,510 --> 00:54:52,000

dave is

1483

00:54:57,990 --> 00:54:55,520

it fractal is fetish well yeah oh yeah

1484

00:54:58,630 --> 00:54:58,000

he's got a beard fetish dave has it dude

1485

00:55:02,309 --> 00:54:58,640

i thought

1486

00:55:05,109 --> 00:55:02,319

you've been lying to me this whole time

1487

00:55:06,710 --> 00:55:05,119

he's been lying to me dude dude i

1488

00:55:07,030 --> 00:55:06,720

thought it was hamsters too i thought we

1489

00:55:09,030 --> 00:55:07,040

were

1490

00:55:12,950 --> 00:55:09,040

friends hamsters with beards genetically

1491

00:55:15,349 --> 00:55:12,960

modified hamsters that grow beards

1492

00:55:18,069 --> 00:55:15,359

that'd be hilarious dude dude like you

1493

00:55:20,230 --> 00:55:18,079

got a little hat on them oh dude like

1494

00:55:21,829 --> 00:55:20,240

like what if what if science was growing

1495

00:55:24,309 --> 00:55:21,839

like beards on on

1496

00:55:25,829 --> 00:55:24,319

on hamsters for like hair transplants

1497

00:55:27,750 --> 00:55:25,839

like

1498

00:55:29,589 --> 00:55:27,760

what if that was the natural way to do

1499

00:55:30,549 --> 00:55:29,599

like hair transplants dude like there's

1500

00:55:34,710 --> 00:55:30,559

no chemicals

1501

00:55:38,470 --> 00:55:36,150

so like everybody in the future has a

1502

00:55:40,630 --> 00:55:38,480

closet instead of like growing weed they

1503

00:55:41,109 --> 00:55:40,640

grow hamsters that grow hairs they have

1504

00:55:44,230 --> 00:55:41,119

like

1505

00:55:44,240 --> 00:55:47,670

that'll be sick dude

1506

00:55:51,510 --> 00:55:49,829

okay so back to this idea so

1507

00:55:53,190 --> 00:55:51,520

trans-dimensional we start out with flat

1508

00:55:54,870 --> 00:55:53,200

earth and the in the firmament and all

1509

00:55:58,390 --> 00:55:54,880

that stuff very interesting

1510

00:56:01,430 --> 00:55:58,400

uh stuff i mean i don't i don't really

1511

00:56:04,630 --> 00:56:01,440

man who knows uh but

1512

00:56:06,549 --> 00:56:04,640

uh well i guess astronauts would know uh

1513

00:56:08,470 --> 00:56:06,559

but here's why i'm saying because they

1514

00:56:10,710 --> 00:56:08,480

believe in science dude

1515

00:56:11,910 --> 00:56:10,720

see there's there's that's that circle

1516

00:56:14,150 --> 00:56:11,920

that vicious cycle

1517

00:56:16,470 --> 00:56:14,160

is just like okay okay here's the idea

1518

00:56:18,309 --> 00:56:16,480

bro talking about the firmament

1519

00:56:19,670 --> 00:56:18,319

and how you can't escape it i started

1520

00:56:21,750 --> 00:56:19,680

thinking about like

1521

00:56:23,589 --> 00:56:21,760

william this is for you a fractal

1522

00:56:26,710 --> 00:56:23,599

version of that

1523

00:56:28,829 --> 00:56:26,720

and scale down to a a uh an atom

1524

00:56:31,190 --> 00:56:28,839

right you have your your protons your

1525

00:56:34,390 --> 00:56:31,200

neutrons electrons

1526

00:56:35,510 --> 00:56:34,400

and you i mean i think

1527

00:56:37,589 --> 00:56:35,520

i just started thinking about this

1528

00:56:39,910 --> 00:56:37,599

concept of they can't really leave that

1529

00:56:41,510 --> 00:56:39,920

but electrons i believe can the

1530

00:56:44,549 --> 00:56:41,520

electrons are the only thing that can

1531

00:56:46,549 --> 00:56:44,559

leave an atom and join another atom that

1532

00:56:48,630 --> 00:56:46,559

needs an extra proton

1533

00:56:49,589 --> 00:56:48,640

so there's like this special little

1534

00:56:52,630 --> 00:56:49,599

particle

1535

00:56:53,430 --> 00:56:52,640

that has the ability and do you like

1536

00:56:55,030 --> 00:56:53,440

do you think they're having

1537

00:56:56,549 --> 00:56:55,040

conversations back and forth like hey

1538

00:56:58,870 --> 00:56:56,559

like dude

1539

00:57:01,109 --> 00:56:58,880

i bought i brought dinner uh where you

1540

00:57:03,670 --> 00:57:01,119

going and then they never come back

1541

00:57:04,230 --> 00:57:03,680

yeah you know but like the atoms were

1542

00:57:06,230 --> 00:57:04,240

talking

1543

00:57:09,270 --> 00:57:06,240

about i needed a proton well i got an

1544

00:57:10,950 --> 00:57:09,280

extra one dude

1545

00:57:12,549 --> 00:57:10,960

take a couple of mine dude i don't know

1546

00:57:14,549 --> 00:57:12,559

if you knew this but atoms are super

1547

00:57:16,630 --> 00:57:14,559

nice these atoms are [h__\h]

1548

00:57:19,030 --> 00:57:16,640

each other yeah well what's your name

1549

00:57:21,750 --> 00:57:19,040

adam what's your name

1550

00:57:22,470 --> 00:57:21,760

what's your last name proton oh my god i

1551
00:57:25,990 --> 00:57:22,480
i know the

1552
00:57:27,030 --> 00:57:26,000
i i know some protons yes but okay so

1553
00:57:29,430 --> 00:57:27,040
that idea was

1554
00:57:30,470 --> 00:57:29,440
it was going through my head like we

1555
00:57:33,349 --> 00:57:30,480
physically can't

1556
00:57:36,390 --> 00:57:33,359
leave this this time space whatever it

1557
00:57:39,510 --> 00:57:36,400
is that makes up this matrix of reality

1558
00:57:41,510 --> 00:57:39,520
allow doesn't allow anything but uh

1559
00:57:43,030 --> 00:57:41,520
these these particles to leave an atom

1560
00:57:45,190 --> 00:57:43,040
right like i just think that's super

1561
00:57:48,309 --> 00:57:45,200
fascinating yeah and and how

1562
00:57:50,230 --> 00:57:48,319
maybe this idea and visualization could

1563
00:57:51,510 --> 00:57:50,240

be applied to that theory of the

1564

00:57:54,870 --> 00:57:51,520

firmament

1565

00:57:56,309 --> 00:57:54,880

where we can't physically leave you know

1566

00:57:58,069 --> 00:57:56,319

i don't know do you think there's any

1567

00:57:59,829 --> 00:57:58,079

credence to that like that

1568

00:58:03,430 --> 00:57:59,839

that it's all like we never went to the

1569

00:58:06,470 --> 00:58:05,430

like we're not going tomorrow like do

1570

00:58:10,309 --> 00:58:06,480

you think there's anything

1571

00:58:13,510 --> 00:58:12,710

it's just i mean it's hard because i can

1572

00:58:16,549 --> 00:58:13,520

see it all

1573

00:58:18,069 --> 00:58:16,559

yeah i know it's there like you know and

1574

00:58:19,109 --> 00:58:18,079

that's what makes it tough right but

1575

00:58:21,109 --> 00:58:19,119

i've never been there

1576

00:58:22,470 --> 00:58:21,119

i'll never go there i mean if somebody

1577

00:58:23,270 --> 00:58:22,480

asked me if i wanted to go there do you

1578

00:58:24,870 --> 00:58:23,280

want to feel like

1579

00:58:27,109 --> 00:58:24,880

yeah i would have your ass to go to

1580

00:58:27,829 --> 00:58:27,119

space dude i would totally go to space

1581

00:58:29,990 --> 00:58:27,839

what if you were

1582

00:58:31,829 --> 00:58:30,000

unwillingly taken from your bed to go to

1583

00:58:34,150 --> 00:58:31,839

space i wouldn't have a choice and i'd

1584

00:58:35,670 --> 00:58:34,160

go to space

1585

00:58:38,150 --> 00:58:35,680

you know no one can hear you scrambling

1586

00:58:42,470 --> 00:58:38,160

spots no one can hear you scroll

1587

00:58:47,990 --> 00:58:44,789

if you scrum in space it sounds like

1588

00:58:48,000 --> 00:58:52,470

because nobody can hear you square

1589

00:58:55,829 --> 00:58:55,109

oh dude ooh denali princess yeah atom

1590

00:58:59,270 --> 00:58:55,839

and adam

1591

00:59:04,150 --> 00:58:59,280

coincidence adam freaking love

1592

00:59:05,910 --> 00:59:04,160

that yeah dude atom adam

1593

00:59:07,430 --> 00:59:05,920

yeah so anyway that was like a

1594

00:59:09,750 --> 00:59:07,440

transcript from the first russian

1595

00:59:11,990 --> 00:59:09,760

astronauts that made it into space

1596

00:59:12,870 --> 00:59:12,000

what did they say william yeah that on

1597

00:59:14,789 --> 00:59:12,880

the show dude

1598

00:59:16,309 --> 00:59:14,799

russian man what are you gonna read

1599

00:59:19,109 --> 00:59:16,319

russian

1600

00:59:21,430 --> 00:59:19,119

what are you a commie no i'm just

1601
00:59:24,230 --> 00:59:21,440
kidding whim is like the most patriotic

1602
00:59:25,990 --> 00:59:24,240
dude ever go check out their podcast bob

1603
00:59:27,750 --> 00:59:26,000
podcast yeah they have american flags

1604
00:59:29,910 --> 00:59:27,760
behind them yeah bob podcast

1605
00:59:32,069 --> 00:59:29,920
they have sweet you guys i've seen some

1606
00:59:33,990 --> 00:59:32,079
of y'all like compliment my beard go go

1607
00:59:35,190 --> 00:59:34,000
look at at him and his brother's beards

1608
00:59:39,030 --> 00:59:35,200
this looks dreams

1609
00:59:40,470 --> 00:59:39,040
they are fiery red

1610
00:59:42,789 --> 00:59:40,480
fiery red beards i don't know what to

1611
00:59:44,630 --> 00:59:42,799
say there's not even a word for it

1612
00:59:46,150 --> 00:59:44,640
they're that amazing oh you know what i

1613
00:59:47,030 --> 00:59:46,160

might say is that their their beards are

1614

00:59:50,470 --> 00:59:47,040

amber

1615

00:59:52,630 --> 00:59:50,480

which uh brings us to

1616

00:59:55,430 --> 00:59:52,640

one of our friends texas beer company

1617

00:59:56,230 --> 00:59:55,440

hmm check out this delicious pecos amber

1618

00:59:59,349 --> 00:59:56,240

sounds tasty

1619

01:00:01,349 --> 00:59:59,359

pecos named after pecos bill

1620

01:00:03,190 --> 01:00:01,359

yeah hey did you know that we claimed

1621

01:00:04,950 --> 01:00:03,200

bill pickett in taylor

1622

01:00:06,870 --> 01:00:04,960

where this beer is from you're [h__\h]

1623

01:00:08,309 --> 01:00:06,880

me we claim bill pickett

1624

01:00:11,270 --> 01:00:08,319

as a matter of fact bill pickett's

1625

01:00:12,630 --> 01:00:11,280

statue is sitting out front of the texas

1626
01:00:12,950 --> 01:00:12,640
beer company what does it say something

1627
01:00:16,150 --> 01:00:12,960
here

1628
01:00:19,349 --> 01:00:16,160
that's the statue that's bill picking

1629
01:00:20,870 --> 01:00:19,359
[h__\h] i started talking to him i was

1630
01:00:23,109 --> 01:00:20,880
pretty drunk

1631
01:00:24,470 --> 01:00:23,119
i was like hey sorry brother well i

1632
01:00:28,069 --> 01:00:24,480
accidentally bumped into him and i

1633
01:00:29,270 --> 01:00:28,079
apologize i realized it was a statue it

1634
01:00:31,970 --> 01:00:29,280
was for a split second it's not like i

1635
01:00:33,270 --> 01:00:31,980
had a full conversation with the guy

1636
01:00:35,349 --> 01:00:33,280
[Music]

1637
01:00:37,430 --> 01:00:35,359
and then i like looked around like oh

1638
01:00:40,549 --> 01:00:37,440

i'm not dumb and i screamed it

1639

01:00:42,470 --> 01:00:40,559

i'm not dumb i'm not crazy

1640

01:00:44,549 --> 01:00:42,480

the people sitting down there they're

1641

01:00:47,270 --> 01:00:44,559

like that guy's crazy

1642

01:00:49,589 --> 01:00:47,280

it totally worked germany is curious

1643

01:00:51,990 --> 01:00:49,599

about ufos and germany the mainstream

1644

01:00:55,750 --> 01:00:52,000

media is writing about ufos even

1645

01:00:57,349 --> 01:00:55,760

science media we are very openly in

1646

01:00:58,789 --> 01:00:57,359

germany about ufos

1647

01:01:00,390 --> 01:00:58,799

yeah i totally believe that i mean the

1648

01:01:02,870 --> 01:01:00,400

whole world like was

1649

01:01:04,549 --> 01:01:02,880

it like has talked about ufos i think we

1650

01:01:07,430 --> 01:01:04,559

were talking about that on dave's show

1651
01:01:08,710 --> 01:01:07,440
actually he was like uh you know talking

1652
01:01:10,710 --> 01:01:08,720
about like why it's a big deal at the

1653
01:01:12,470 --> 01:01:10,720
united states right and i had said well

1654
01:01:13,910 --> 01:01:12,480
you know i i think the the rest of the

1655
01:01:15,190 --> 01:01:13,920
world is pretty open about it aren't

1656
01:01:16,789 --> 01:01:15,200
they i mean like people talk about it

1657
01:01:17,990 --> 01:01:16,799
all the time like there's like countries

1658
01:01:18,710 --> 01:01:18,000
that are like yeah this [h__h] was built

1659
01:01:20,710 --> 01:01:18,720
by the sky

1660
01:01:22,069 --> 01:01:20,720
people like i mean like it seems like

1661
01:01:23,349 --> 01:01:22,079
it's a big deal but i guess since we

1662
01:01:24,870 --> 01:01:23,359
like run everything

1663
01:01:26,549 --> 01:01:24,880

that sucks dude i don't have to be so

1664

01:01:28,470 --> 01:01:26,559

responsible all the time dude

1665

01:01:30,230 --> 01:01:28,480

dude do you think that that's like a

1666

01:01:31,510 --> 01:01:30,240

self-fulfilling prophecy that like

1667

01:01:33,990 --> 01:01:31,520

americans think that that

1668

01:01:35,270 --> 01:01:34,000

that we run everything or do we like we

1669

01:01:38,309 --> 01:01:35,280

just think that i don't know

1670

01:01:40,870 --> 01:01:38,319

i don't think we do i don't know

1671

01:01:42,470 --> 01:01:40,880

i don't know i don't think we do i don't

1672

01:01:45,349 --> 01:01:42,480

know

1673

01:01:46,309 --> 01:01:45,359

oh man yeah i mean dude i mean that's

1674

01:01:48,789 --> 01:01:46,319

that's super cool

1675

01:01:50,390 --> 01:01:48,799

so okay well then if we want disclosure

1676

01:01:52,549 --> 01:01:50,400

let's just ask sam

1677

01:01:54,230 --> 01:01:52,559

yeah yeah by the way great to have you

1678

01:01:56,150 --> 01:01:54,240

what's up with ufos

1679

01:01:57,750 --> 01:01:56,160

right what's up what's up with the

1680

01:01:59,190 --> 01:01:57,760

aliens dude yeah what

1681

01:02:01,029 --> 01:01:59,200

what do the aliens it's like we're

1682

01:02:04,470 --> 01:02:01,039

waiting on the government and

1683

01:02:07,349 --> 01:02:04,480

and sam knows

1684

01:02:09,029 --> 01:02:07,359

is he is he an uncle sam are you uncle

1685

01:02:11,829 --> 01:02:09,039

uncle sam no he's from germany he can't

1686

01:02:13,349 --> 01:02:11,839

be an uncle sam

1687

01:02:15,029 --> 01:02:13,359

then he could be an uncle though right i

1688

01:02:18,710 --> 01:02:15,039

guess

1689

01:02:22,069 --> 01:02:18,720

i'll allow it i get it

1690

01:02:23,430 --> 01:02:22,079

all right so uh dude i i i'm thinking

1691

01:02:25,589 --> 01:02:23,440

all right i am curious to know what they

1692

01:02:27,610 --> 01:02:25,599

say in germany though about ufos

1693

01:02:29,349 --> 01:02:27,620

because i mean they'd like

1694

01:02:32,950 --> 01:02:29,359

[Music]

1695

01:02:35,990 --> 01:02:32,960

yeah i mean some would say that they

1696

01:02:38,309 --> 01:02:36,000

were like the the pioneer of the ufo

1697

01:02:39,430 --> 01:02:38,319

itself right germany i mean like they're

1698

01:02:40,470 --> 01:02:39,440

they're the uh

1699

01:02:42,230 --> 01:02:40,480

well i don't know everybody's like what

1700

01:02:43,829 --> 01:02:42,240

the hell is this and they're like oh my

1701

01:02:47,029 --> 01:02:43,839

god

1702

01:02:48,390 --> 01:02:47,039

it's the germans yeah they're like holy

1703

01:02:51,109 --> 01:02:48,400

[h__\h] what are these these

1704

01:02:52,150 --> 01:02:51,119

these these uh these foo fighters right

1705

01:02:53,670 --> 01:02:52,160

what are they called foo fighters and

1706

01:02:56,309 --> 01:02:53,680

what are these fools doing up here the

1707

01:03:00,829 --> 01:02:56,319

wounded rapping look at all these fools

1708

01:03:06,230 --> 01:03:02,950

oh hey

1709

01:03:09,190 --> 01:03:06,240

hey hey what's up dude big uh

1710

01:03:10,950 --> 01:03:09,200

bigfoot radio what's up man yeah uh dave

1711

01:03:12,309 --> 01:03:10,960

good to have dave from space.radio in

1712

01:03:14,549 --> 01:03:12,319

the chat hell yeah i did and

1713

01:03:16,470 --> 01:03:14,559

and all of you guys that found out about

1714

01:03:17,829 --> 01:03:16,480

us from him thanks for plugging us or

1715

01:03:19,670 --> 01:03:17,839

dave thanks for plugging us and thanks

1716

01:03:21,510 --> 01:03:19,680

for checking us out everybody from space

1717

01:03:24,870 --> 01:03:21,520

radio that's badass

1718

01:03:27,910 --> 01:03:24,880

um but yeah so dude

1719

01:03:31,990 --> 01:03:27,920

what do what would you do man

1720

01:03:34,230 --> 01:03:32,000

what would you do if in june

1721

01:03:35,190 --> 01:03:34,240

there is a press conference okay there's

1722

01:03:37,990 --> 01:03:35,200

a press conference

1723

01:03:38,390 --> 01:03:38,000

and and it's it seems weird right like

1724

01:03:41,750 --> 01:03:38,400

it's

1725

01:03:43,910 --> 01:03:41,760

right

1726

01:03:45,349 --> 01:03:43,920

and it seems very serious like all the

1727

01:03:47,029 --> 01:03:45,359

news channels are playing it at the

1728

01:03:49,190 --> 01:03:47,039

exact same time

1729

01:03:50,230 --> 01:03:49,200

the young turks even the young turks

1730

01:03:52,470 --> 01:03:50,240

dude it's like

1731

01:03:53,510 --> 01:03:52,480

it's eerie like it's on every [h__\h]

1732

01:03:55,510 --> 01:03:53,520

channel dude you turn

1733

01:03:57,430 --> 01:03:55,520

you turn i don't have cable but if i did

1734

01:04:00,549 --> 01:03:57,440

it on oprah dude

1735

01:04:00,950 --> 01:04:00,559

oprah is there bro i'll get to that in a

1736

01:04:03,670 --> 01:04:00,960

second

1737

01:04:04,309 --> 01:04:03,680

ellen bro ellen is in the background

1738

01:04:07,589 --> 01:04:04,319

clapping

1739

01:04:11,349 --> 01:04:07,599

and dancing partying hard hard

1740

01:04:14,390 --> 01:04:11,359

dude [h__h] hard okay so

1741

01:04:15,109 --> 01:04:14,400

this scenario right you turn on you turn

1742

01:04:18,390 --> 01:04:15,119

on the tv

1743

01:04:21,430 --> 01:04:18,400

ellen's [h__h] partying

1744

01:04:24,230 --> 01:04:21,440

hard dude oprah partying

1745

01:04:25,510 --> 01:04:24,240

she's giving away free ufos to everybody

1746

01:04:28,549 --> 01:04:25,520

oh my god

1747

01:04:30,789 --> 01:04:28,559

that would be that would be pretty sick

1748

01:04:31,910 --> 01:04:30,799

hopefully i wonder if there's uh if uh

1749

01:04:36,549 --> 01:04:31,920

wells fargo or

1750

01:04:39,029 --> 01:04:36,559

um or allstate has ufo insurance yet

1751

01:04:40,069 --> 01:04:39,039

probably allstate right because they're

1752

01:04:41,990 --> 01:04:40,079

no no no no

1753

01:04:43,190 --> 01:04:42,000

yeah it is farmers right well i think it

1754

01:04:45,270 --> 01:04:43,200

would be geico

1755

01:04:46,789 --> 01:04:45,280

first up because i mean it's it is ran

1756

01:04:49,750 --> 01:04:46,799

by a reptilian right

1757

01:04:51,430 --> 01:04:49,760

yeah oh see what it did totally is okay

1758

01:04:55,029 --> 01:04:51,440

so back to my back to my scenario

1759

01:04:57,349 --> 01:04:55,039

okay you turn on tv june 1st right

1760

01:04:58,309 --> 01:04:57,359

and or june 2nd whatever i think it's

1761

01:05:00,470 --> 01:04:58,319

like the 25th

1762

01:05:02,230 --> 01:05:00,480

okay wow wow really it's the end of the

1763

01:05:03,430 --> 01:05:02,240

month yeah bro

1764

01:05:04,950 --> 01:05:03,440

yeah that's what everybody they know

1765

01:05:06,150 --> 01:05:04,960

what they're gonna tell us well they

1766

01:05:07,670 --> 01:05:06,160

they tell you at the end of the month

1767

01:05:09,829 --> 01:05:07,680

because everybody gets paid so they can

1768

01:05:13,029 --> 01:05:09,839

all go panic shop for [h__h]

1769

01:05:14,069 --> 01:05:13,039

oh dude for the end of the month i bet

1770

01:05:16,470 --> 01:05:14,079

you're right

1771

01:05:17,430 --> 01:05:16,480

oh my god i bet you're totally like

1772

01:05:18,950 --> 01:05:17,440

everybody got paid

1773

01:05:20,950 --> 01:05:18,960

nobody's gonna be able to wipe their ass

1774

01:05:23,750 --> 01:05:20,960

for the next two weeks guys ready

1775

01:05:25,109 --> 01:05:23,760

go ufos and haylens are real turns out

1776

01:05:27,750 --> 01:05:25,119

the only thing that could save you

1777

01:05:30,069 --> 01:05:27,760

is jenga blocks get them go get them

1778

01:05:32,069 --> 01:05:30,079

don't get the job

1779

01:05:33,910 --> 01:05:32,079

walmart there's like just people getting

1780

01:05:35,270 --> 01:05:33,920

trampled

1781

01:05:38,230 --> 01:05:35,280

you're gonna you're gonna need some

1782

01:05:42,069 --> 01:05:38,240

trash bags and two cardigans

1783

01:05:43,910 --> 01:05:42,079

two people if you get one cardigan

1784

01:05:45,589 --> 01:05:43,920

you're an [h__\h] and then there's gonna

1785

01:05:47,510 --> 01:05:45,599

be a split in the population of people

1786

01:05:48,309 --> 01:05:47,520

who have one cardigan and two cardigans

1787

01:05:50,390 --> 01:05:48,319

and they're gonna be like

1788

01:05:55,190 --> 01:05:50,400

you only have one cardigan do you not

1789

01:05:58,630 --> 01:05:56,870

it's not that i don't care about science

1790

01:05:59,270 --> 01:05:58,640

it's just that science is constantly

1791

01:06:01,109 --> 01:05:59,280

changing it

1792

01:06:02,549 --> 01:06:01,119

is not exactly something that's proven

1793

01:06:03,990 --> 01:06:02,559

all the time and you know what also

1794

01:06:06,230 --> 01:06:04,000

changes is the weather that's why

1795

01:06:07,990 --> 01:06:06,240

i have this easy to remove three button

1796

01:06:10,470 --> 01:06:08,000

cardigan from the gap

1797

01:06:11,270 --> 01:06:10,480

it comes in three colors and it is dang

1798

01:06:13,990 --> 01:06:11,280

soft

1799

01:06:15,349 --> 01:06:14,000

oh god see you later lawrence take it

1800

01:06:16,549 --> 01:06:15,359

easy man how funny it works

1801
01:06:18,069 --> 01:06:16,559
i'm not sure where you're from but if

1802
01:06:20,390 --> 01:06:18,079
you're from all around the world that's

1803
01:06:21,990 --> 01:06:20,400
like one crazy work day but i guess

1804
01:06:25,029 --> 01:06:22,000
technically i'm up at like five in the

1805
01:06:26,710 --> 01:06:25,039
morning working too so have fun dude

1806
01:06:29,270 --> 01:06:26,720
around oh that'd be cool because you can

1807
01:06:29,670 --> 01:06:29,280
listen to it tomorrow at work hell yeah

1808
01:06:32,789 --> 01:06:29,680
that's

1809
01:06:34,710 --> 01:06:32,799
nice nice

1810
01:06:35,829 --> 01:06:34,720
garage family yeah ufo garage family i

1811
01:06:37,589 --> 01:06:35,839
mean guys welcome

1812
01:06:39,109 --> 01:06:37,599
thanks for hanging out and chatting in

1813
01:06:40,789 --> 01:06:39,119

the in the thing ask some

1814

01:06:42,069 --> 01:06:40,799

some some questions we're we're taking

1815

01:06:42,630 --> 01:06:42,079

questions we're just hanging out there's

1816

01:06:45,190 --> 01:06:42,640

no

1817

01:06:46,470 --> 01:06:45,200

getting together and just chatting for a

1818

01:06:48,150 --> 01:06:46,480

little bit so yeah

1819

01:06:49,430 --> 01:06:48,160

we're not talking about a specific thing

1820

01:06:51,349 --> 01:06:49,440

but i guess we kind of do have some

1821

01:06:53,109 --> 01:06:51,359

talking points but yeah if you guys

1822

01:06:55,190 --> 01:06:53,119

have any questions about any of our past

1823

01:06:56,870 --> 01:06:55,200

guests or anything like that let us know

1824

01:06:58,870 --> 01:06:56,880

chris said ellen can finally shed her

1825

01:07:02,950 --> 01:06:58,880

human skin

1826

01:07:05,670 --> 01:07:02,960

yeah dude dude he's a reptilian bro

1827

01:07:06,230 --> 01:07:05,680

i mean i'm telling you dude do you think

1828

01:07:08,549 --> 01:07:06,240

okay

1829

01:07:09,670 --> 01:07:08,559

so oh back to my thing dude yeah sorry

1830

01:07:14,230 --> 01:07:09,680

no it wasn't me

1831

01:07:16,309 --> 01:07:14,240

dad so you turn on the tv tomorrow and

1832

01:07:19,670 --> 01:07:16,319

someone i'm not saying who comes on the

1833

01:07:26,549 --> 01:07:23,109

listen america it's me your buddy

1834

01:07:30,150 --> 01:07:26,559

your buddy's drunk it's me

1835

01:07:33,430 --> 01:07:30,160

i'm a i've got a clothesline

1836

01:07:36,549 --> 01:07:33,440

closed line a very protected line uh

1837

01:07:36,870 --> 01:07:36,559

the best line the most secure blind

1838

01:07:40,069 --> 01:07:36,880

there's

1839

01:07:42,630 --> 01:07:40,079

no secure line ever in the world ever

1840

01:07:44,069 --> 01:07:42,640

it's me i'm partying hard with ellen

1841

01:07:49,349 --> 01:07:44,079

it's me

1842

01:07:52,710 --> 01:07:51,270

so all right so i'm not saying who but

1843

01:07:53,349 --> 01:07:52,720

somebody gets on the news and says hey

1844

01:07:57,990 --> 01:07:53,359

look

1845

01:07:59,109 --> 01:07:58,000

we're just going to go ahead and beat

1846

01:08:00,789 --> 01:07:59,119

you to the punch because there's some

1847

01:08:04,390 --> 01:08:00,799

crazy [h__\h] about to happen

1848

01:08:05,430 --> 01:08:04,400

uh yeah aliens exist and we're all being

1849

01:08:08,150 --> 01:08:05,440

harvested by

1850

01:08:09,430 --> 01:08:08,160

uh by them for our energy or something

1851

01:08:09,990 --> 01:08:09,440

like i don't want to get too dark with

1852

01:08:11,829 --> 01:08:10,000

it

1853

01:08:14,150 --> 01:08:11,839

i don't want to be too specific but what

1854

01:08:16,550 --> 01:08:14,160

if there's this scenario where like

1855

01:08:17,269 --> 01:08:16,560

hey yeah there's aliens dude so deal

1856

01:08:18,709 --> 01:08:17,279

with it um

1857

01:08:19,910 --> 01:08:18,719

what what do you what do you think

1858

01:08:20,630 --> 01:08:19,920

people are gonna do do you think they're

1859

01:08:23,990 --> 01:08:20,640

gonna

1860

01:08:27,829 --> 01:08:24,000

like buy toilet paper like or

1861

01:08:30,309 --> 01:08:27,839

by gas or uh

1862

01:08:31,910 --> 01:08:30,319

like what would you i would honestly not

1863

01:08:33,510 --> 01:08:31,920

i would i would have the same exact day

1864

01:08:36,229 --> 01:08:33,520

than i normally would i might call you

1865

01:08:36,550 --> 01:08:36,239

i would too i would have the exact same

1866

01:08:38,950 --> 01:08:36,560

day

1867

01:08:39,749 --> 01:08:38,960

i would not freak out i would be like

1868

01:08:42,870 --> 01:08:39,759

yeah i know

1869

01:08:45,030 --> 01:08:42,880

i know that we all know you

1870

01:08:46,390 --> 01:08:45,040

you remember that one time when you said

1871

01:08:47,910 --> 01:08:46,400

i was dumb

1872

01:08:51,030 --> 01:08:47,920

one time you said it was dumb done

1873

01:08:54,789 --> 01:08:51,040

doesn't believe in england

1874

01:08:58,149 --> 01:08:54,799

who's dumb now oh say you're sorry

1875

01:08:58,789 --> 01:08:58,159

say it say you're sorry no say like you

1876

01:09:03,510 --> 01:08:58,799

mean it

1877

01:09:06,950 --> 01:09:03,520

no i hurt my heart

1878

01:09:07,910 --> 01:09:06,960

hurts it broke my heart it hurt my

1879

01:09:09,910 --> 01:09:07,920

feelings

1880

01:09:12,149 --> 01:09:09,920

but what if okay so instead of like hey

1881

01:09:15,590 --> 01:09:12,159

there's aliens they're going to say

1882

01:09:17,910 --> 01:09:15,600

we're sorry but there's also aliens

1883

01:09:19,349 --> 01:09:17,920

what if the apology came first oh i

1884

01:09:21,669 --> 01:09:19,359

don't know

1885

01:09:25,510 --> 01:09:21,679

that'd be dumb but when they

1886

01:09:28,950 --> 01:09:27,430

it'd be funny because it's like it'd be

1887

01:09:30,870 --> 01:09:28,960

like they were like okay

1888

01:09:34,390 --> 01:09:30,880

aliens don't exist and i be like yes

1889

01:09:36,870 --> 01:09:34,400

they do yes like they totally exist yes

1890

01:09:38,070 --> 01:09:36,880

yes i do yeah yeah and then and then the

1891

01:09:39,669 --> 01:09:38,080

government's like okay

1892

01:09:41,430 --> 01:09:39,679

there's aliens and it's like hold on a

1893

01:09:45,510 --> 01:09:41,440

second i [h__h] believe you

1894

01:09:49,030 --> 01:09:47,749

all of a sudden you have a suit on yeah

1895

01:09:52,390 --> 01:09:49,040

you're like

1896

01:09:53,030 --> 01:09:52,400

i'd like i'd like to talk to bo jiden

1897

01:09:56,550 --> 01:09:53,040

please

1898

01:10:02,630 --> 01:09:56,560

about pardon me can i can i

1899

01:10:04,870 --> 01:10:02,640

can i can i can i speak with you

1900

01:10:06,630 --> 01:10:04,880

one moment please one moment by the way

1901

01:10:07,910 --> 01:10:06,640

i have to uh i have to go pee i'd like

1902

01:10:11,189 --> 01:10:07,920

to talk to

1903

01:10:14,470 --> 01:10:11,199

dick dolan excuse me

1904

01:10:16,470 --> 01:10:14,480

excuse me richie richie may i call you

1905

01:10:18,630 --> 01:10:16,480

richie i apologize mr dolan

1906

01:10:21,590 --> 01:10:18,640

richie what's up everybody how's it

1907

01:10:23,910 --> 01:10:21,600

going hey go to uh check out uh uh

1908

01:10:26,110 --> 01:10:23,920

sorry not ufo yeah well go check that

1909

01:10:27,830 --> 01:10:26,120

out too go check out ufo

1910

01:10:30,149 --> 01:10:27,840

garagepodcast.com we've got a whole

1911

01:10:32,470 --> 01:10:30,159

bunch of cool threads on there um

1912

01:10:33,270 --> 01:10:32,480

and if you've ever missed an episode and

1913

01:10:35,189 --> 01:10:33,280

and uh

1914

01:10:36,550 --> 01:10:35,199

learned how to use youtube today and

1915

01:10:38,470 --> 01:10:36,560

can't figure out how to go back and

1916

01:10:40,630 --> 01:10:38,480

listen to like all the other episodes

1917

01:10:42,630 --> 01:10:40,640

then you can go on the website and check

1918

01:10:44,149 --> 01:10:42,640

it out we've got every single episode on

1919

01:10:47,189 --> 01:10:44,159

there you can download it

1920

01:10:48,790 --> 01:10:47,199

it's all free and uh and it's fun

1921

01:10:50,790 --> 01:10:48,800

we've got some of our buddies on there

1922

01:10:54,149 --> 01:10:50,800

uap expeditions we got

1923

01:10:58,070 --> 01:10:54,159

redeemer small batch um and that's a

1924

01:11:00,790 --> 01:10:58,080

cbd company super super super sweet

1925

01:11:01,750 --> 01:11:00,800

um actually if you go to a redeemer's

1926

01:11:05,270 --> 01:11:01,760

site and you use

1927

01:11:07,990 --> 01:11:05,280

ufo 15 that's a code and you get 15

1928

01:11:09,430 --> 01:11:08,000

off of your first purchase so go and uh

1929

01:11:13,270 --> 01:11:09,440

you know go check it out

1930

01:11:13,750 --> 01:11:13,280

yeah hey so i want to know you guys tell

1931

01:11:15,510 --> 01:11:13,760

me

1932

01:11:17,350 --> 01:11:15,520

out there what uh if y'all are drinking

1933

01:11:18,950 --> 01:11:17,360

anything man let me know

1934

01:11:20,630 --> 01:11:18,960

hey what are y'all drinking we're

1935

01:11:21,430 --> 01:11:20,640

drinking this this is from my local

1936

01:11:23,270 --> 01:11:21,440

hometown

1937

01:11:25,110 --> 01:11:23,280

it's pretty good stuff man if y'all are

1938

01:11:27,910 --> 01:11:25,120

ever ever in the area

1939

01:11:29,350 --> 01:11:27,920

hit us up and we'll go grab a few of

1940

01:11:30,950 --> 01:11:29,360

these brews

1941

01:11:32,870 --> 01:11:30,960

but i want to know what y'all's opinions

1942

01:11:35,350 --> 01:11:32,880

are man how do y'all how do y'all feel

1943

01:11:35,910 --> 01:11:35,360

about uh how do y'all feel about all

1944

01:11:38,630 --> 01:11:35,920

this stuff

1945

01:11:39,270 --> 01:11:38,640

man you do you uh do you trust it do

1946

01:11:42,550 --> 01:11:39,280

you trust it

1947

01:11:45,510 --> 01:11:42,560

or do you do are you a little skeptical

1948

01:11:46,950 --> 01:11:45,520

about kind of what's going on right now

1949

01:11:49,669 --> 01:11:46,960

we can talk about it i mean you guys

1950

01:11:53,030 --> 01:11:49,679

have heard our feelings right

1951

01:11:53,510 --> 01:11:53,040

and uh it's uh we talk about feelings

1952

01:11:56,470 --> 01:11:53,520

right now

1953

01:11:57,910 --> 01:11:56,480

it's it's 10 30 p.m on a thursday

1954

01:11:58,870 --> 01:11:57,920

evening night and we're talking about

1955

01:12:02,870 --> 01:11:58,880

feelings

1956

01:12:03,990 --> 01:12:02,880

wow oh good good alien girls eating

1957

01:12:07,110 --> 01:12:04,000

edibles

1958

01:12:09,750 --> 01:12:07,120

hey what's up hey will you email me one

1959

01:12:10,310 --> 01:12:09,760

will you email me in edible can i have

1960

01:12:12,870 --> 01:12:10,320

one

1961

01:12:13,350 --> 01:12:12,880

hey what are you doing what are you

1962

01:12:17,590 --> 01:12:13,360

doing

1963

01:12:22,310 --> 01:12:17,600

antonio bro we'll

1964

01:12:25,110 --> 01:12:22,320

give you a hug dude i love you man uh

1965

01:12:26,310 --> 01:12:25,120

509 uh will you on another hour i'm

1966

01:12:27,910 --> 01:12:26,320

gonna go grab a six-pack

1967

01:12:34,830 --> 01:12:27,920

it takes you an hour to go to the store

1968

01:12:40,470 --> 01:12:36,550

um

1969

01:12:43,189 --> 01:12:40,480

[h__\h] daniel daniel [h__\h]

1970

01:12:45,189 --> 01:12:43,199

oh dude i will immediately start

1971

01:12:47,750 --> 01:12:45,199

trusting the government 200

1972

01:12:49,270 --> 01:12:47,760

when they come clean on ufos yeah but

1973

01:12:50,950 --> 01:12:49,280

timmy i mean that's kind of the whole

1974

01:12:54,149 --> 01:12:50,960

thing right like

1975

01:12:55,669 --> 01:12:54,159

like i mean are they when they when they

1976

01:12:57,189 --> 01:12:55,679

how do you know when to trust them 200

1977

01:12:59,510 --> 01:12:57,199

percent right like when

1978

01:13:00,470 --> 01:12:59,520

like because if we don't know the skinny

1979

01:13:03,350 --> 01:13:00,480

on ufos

1980

01:13:05,510 --> 01:13:03,360

like and they just tell us but they also

1981

01:13:06,310 --> 01:13:05,520

used to lie back in the day like how do

1982

01:13:08,149 --> 01:13:06,320

you know

1983

01:13:10,229 --> 01:13:08,159

like and that was kind of my question

1984

01:13:11,830 --> 01:13:10,239

for lou too is like dude i mean i know

1985

01:13:13,350 --> 01:13:11,840

like we got all this information coming

1986

01:13:15,350 --> 01:13:13,360

out it's supposedly about trusted

1987

01:13:17,110 --> 01:13:15,360

sources but like they also used to be

1988

01:13:21,750 --> 01:13:17,120

the ones that were liars like

1989

01:13:25,189 --> 01:13:21,760

how do you know this why a lot

1990

01:13:26,470 --> 01:13:25,199

dude you don't shoot aliens with guns

1991

01:13:27,750 --> 01:13:26,480

because they are ready for that poke

1992

01:13:29,750 --> 01:13:27,760

them with a stick

1993

01:13:32,470 --> 01:13:29,760

i mean i want to know more about that

1994

01:13:39,110 --> 01:13:36,790

i imagine like you're like hey hey

1995

01:13:41,430 --> 01:13:39,120

they're like what the heck like you can

1996

01:13:44,630 --> 01:13:41,440

see me

1997

01:13:47,270 --> 01:13:44,640

dude yeah dude i mean like

1998

01:13:48,470 --> 01:13:47,280

you totally take them off guard you know

1999

01:13:50,070 --> 01:13:48,480

totally take them off

2000

01:13:51,750 --> 01:13:50,080

do you think it's possible that there's

2001
01:13:52,630 --> 01:13:51,760
[h__h] there's there's aliens standing

2002
01:13:54,070 --> 01:13:52,640
right beside it

2003
01:13:55,830 --> 01:13:54,080
behind us right now we just can't sense

2004
01:13:57,910 --> 01:13:55,840
them totally they could be and they're

2005
01:14:01,030 --> 01:13:57,920
like they're also drinking alien beer

2006
01:14:01,590 --> 01:14:01,040
you told they could be dude uh alien

2007
01:14:03,430 --> 01:14:01,600
brew

2008
01:14:05,750 --> 01:14:03,440
if you go on the youtube page you can

2009
01:14:07,750 --> 01:14:05,760
see uh joel asks and that's a video

2010
01:14:09,110 --> 01:14:07,760
where i ask aliens what their favorite

2011
01:14:10,950 --> 01:14:09,120
beer is

2012
01:14:12,229 --> 01:14:10,960
yeah yeah it's a real that's a real

2013
01:14:15,270 --> 01:14:12,239

thing for sure

2014

01:14:17,110 --> 01:14:15,280

yeah uh sam's uh sam asks what's your

2015

01:14:19,669 --> 01:14:17,120

prediction about the ufo future

2016

01:14:20,310 --> 01:14:19,679

what's what is our i could make a

2017

01:14:23,910 --> 01:14:20,320

prediction

2018

01:14:27,350 --> 01:14:23,920

for sure uh ufo future i think

2019

01:14:28,149 --> 01:14:27,360

man and this goes back to this 180 day

2020

01:14:30,390 --> 01:14:28,159

thing this is like

2021

01:14:32,390 --> 01:14:30,400

has nothing to do with that but it also

2022

01:14:33,830 --> 01:14:32,400

does because of all the stuff that has

2023

01:14:36,870 --> 01:14:33,840

been coming out

2024

01:14:39,510 --> 01:14:36,880

and this forced it feels so forced man

2025

01:14:40,229 --> 01:14:39,520

it feels like an agenda and it something

2026

01:14:41,990 --> 01:14:40,239

feels weird

2027

01:14:43,510 --> 01:14:42,000

about it i i'd love to get some

2028

01:14:45,030 --> 01:14:43,520

clarification in a couple weeks from

2029

01:14:46,630 --> 01:14:45,040

luel zondo

2030

01:14:48,070 --> 01:14:46,640

the same we talked about discernment all

2031

01:14:50,310 --> 01:14:48,080

that but anyway so

2032

01:14:52,070 --> 01:14:50,320

my prediction for the ufo future is that

2033

01:14:55,510 --> 01:14:52,080

we we may find out

2034

01:14:58,229 --> 01:14:55,520

that a lot of what

2035

01:14:59,030 --> 01:14:58,239

experiencers have seen witnessed been

2036

01:15:02,229 --> 01:14:59,040

through

2037

01:15:05,270 --> 01:15:02,239

has been not only part

2038

01:15:08,070 --> 01:15:05,280

uh human but a lot of them have

2039

01:15:08,950 --> 01:15:08,080

been specifically human uh these

2040

01:15:10,630 --> 01:15:08,960

abductions

2041

01:15:12,470 --> 01:15:10,640

uh i think we're gonna be encountering

2042

01:15:14,950 --> 01:15:12,480

like yeah i i think i mean

2043

01:15:16,870 --> 01:15:14,960

if you were given annoyed human-esque

2044

01:15:20,070 --> 01:15:16,880

human

2045

01:15:22,229 --> 01:15:20,080

it could be uh and i'm not saying

2046

01:15:23,990 --> 01:15:22,239

it's it's like oh it's the republicans

2047

01:15:25,990 --> 01:15:24,000

or the democrats i'm not saying that

2048

01:15:27,110 --> 01:15:26,000

it's like they're human doesn't

2049

01:15:28,709 --> 01:15:27,120

necessarily

2050

01:15:30,950 --> 01:15:28,719

mean that they're american or any you

2051
01:15:31,750 --> 01:15:30,960
know like if they're german or japanese

2052
01:15:35,990 --> 01:15:31,760
or whatever

2053
01:15:37,510 --> 01:15:36,000
it could be an inner an inner population

2054
01:15:38,950 --> 01:15:37,520
that not a lot of people know about like

2055
01:15:40,149 --> 01:15:38,960
the shadow organization that's been

2056
01:15:43,030 --> 01:15:40,159
around from

2057
01:15:43,910 --> 01:15:43,040
for since the 1800s like yeah with the

2058
01:15:45,910 --> 01:15:43,920
airships

2059
01:15:47,110 --> 01:15:45,920
and oh yeah yeah these uh these really

2060
01:15:48,870 --> 01:15:47,120
like uh

2061
01:15:50,950 --> 01:15:48,880
you know like it's that break off

2062
01:15:52,550 --> 01:15:50,960
civilization break off civilization that

2063
01:15:54,470 --> 01:15:52,560

like you hear about like billionaires

2064

01:15:56,310 --> 01:15:54,480

millionaires being like oh well

2065

01:15:58,310 --> 01:15:56,320

no one will ever realize that they live

2066

01:15:59,590 --> 01:15:58,320

in completely different realities than

2067

01:16:01,910 --> 01:15:59,600

us normal folk

2068

01:16:03,189 --> 01:16:01,920

right i think there's a step above that

2069

01:16:05,270 --> 01:16:03,199

that we're gonna find out

2070

01:16:07,030 --> 01:16:05,280

sooner or later and yes it does circle

2071

01:16:09,030 --> 01:16:07,040

back to ufos because

2072

01:16:10,870 --> 01:16:09,040

how do they get around like what's their

2073

01:16:13,830 --> 01:16:10,880

bentley what's their limousine

2074

01:16:15,590 --> 01:16:13,840

right but we're gonna find out like oh

2075

01:16:16,950 --> 01:16:15,600

they can travel space and time and

2076

01:16:17,910 --> 01:16:16,960

that's why there's only so few of them

2077

01:16:20,470 --> 01:16:17,920

because

2078

01:16:22,149 --> 01:16:20,480

a couple people [h__h] up some stuff and

2079

01:16:25,350 --> 01:16:22,159

now they're like all right

2080

01:16:26,070 --> 01:16:25,360

uh okay so you can't get the keys of the

2081

01:16:28,870 --> 01:16:26,080

ufo

2082

01:16:30,310 --> 01:16:28,880

when you're 16 my friend like right

2083

01:16:33,910 --> 01:16:30,320

right

2084

01:16:35,189 --> 01:16:33,920

now is like uh this break off

2085

01:16:37,110 --> 01:16:35,199

civilization that could

2086

01:16:39,030 --> 01:16:37,120

very well be living on earth it's

2087

01:16:40,709 --> 01:16:39,040

possibility i love thinking about that

2088

01:16:42,709 --> 01:16:40,719

yeah i love thinking about it or like

2089

01:16:44,070 --> 01:16:42,719

just i mean like yeah and this is total

2090

01:16:46,470 --> 01:16:44,080

speculation this isn't

2091

01:16:48,229 --> 01:16:46,480

anything that's like well maybe it's in

2092

01:16:49,990 --> 01:16:48,239

a document somewhere but like you know

2093

01:16:50,709 --> 01:16:50,000

like this is total speculation but yeah

2094

01:16:52,709 --> 01:16:50,719

like for me

2095

01:16:54,470 --> 01:16:52,719

like the idea that there's already like

2096

01:16:57,590 --> 01:16:54,480

a group of humans like a

2097

01:16:58,870 --> 01:16:57,600

large group of humans like a city the

2098

01:17:01,189 --> 01:16:58,880

size of new york

2099

01:17:02,149 --> 01:17:01,199

yes population of humans living

2100

01:17:05,510 --> 01:17:02,159

somewhere else

2101

01:17:08,470 --> 01:17:05,520

and or on a ship and they

2102

01:17:10,229 --> 01:17:08,480

already work with certain et's um and

2103

01:17:12,550 --> 01:17:10,239

they come down and abduct us

2104

01:17:13,270 --> 01:17:12,560

and and the reason that we see these

2105

01:17:15,510 --> 01:17:13,280

humans

2106

01:17:16,630 --> 01:17:15,520

in these abductions is because these

2107

01:17:18,310 --> 01:17:16,640

humans

2108

01:17:20,229 --> 01:17:18,320

that are part of this breakaway

2109

01:17:20,790 --> 01:17:20,239

civilization are also interested in

2110

01:17:22,630 --> 01:17:20,800

humans

2111

01:17:25,110 --> 01:17:22,640

because they want to know their origins

2112

01:17:28,470 --> 01:17:25,120

and there's a planet that they can go to

2113

01:17:28,950 --> 01:17:28,480

to extract dna and do science and figure

2114

01:17:31,030 --> 01:17:28,960

out

2115

01:17:33,910 --> 01:17:31,040

you know how that planet that they

2116

01:17:36,229 --> 01:17:33,920

originated from is evolving and doing

2117

01:17:38,550 --> 01:17:36,239

you know if you're like if you're like

2118

01:17:40,950 --> 01:17:38,560

five generations out

2119

01:17:42,630 --> 01:17:40,960

yeah you know you would be up there like

2120

01:17:44,950 --> 01:17:42,640

i've never even seen earth or

2121

01:17:46,709 --> 01:17:44,960

i i don't know you know i know that we

2122

01:17:48,709 --> 01:17:46,719

live together on this ship

2123

01:17:49,990 --> 01:17:48,719

right and like battle star galactica

2124

01:17:52,550 --> 01:17:50,000

style

2125

01:17:53,110 --> 01:17:52,560

but how do the humans live on earth

2126

01:17:55,270 --> 01:17:53,120

that'd be

2127

01:17:56,870 --> 01:17:55,280

interesting it sounds really heavy and

2128

01:17:59,669 --> 01:17:56,880

like really intense down there

2129

01:18:02,709 --> 01:17:59,679

yeah you know it smells like farts yeah

2130

01:18:09,110 --> 01:18:02,719

in most places

2131

01:18:16,229 --> 01:18:12,790

on earth dude party hard dude

2132

01:18:18,709 --> 01:18:16,239

so taking this idea and moving a little

2133

01:18:19,270 --> 01:18:18,719

further out towards i mean there's

2134

01:18:23,189 --> 01:18:19,280

there's been

2135

01:18:24,790 --> 01:18:23,199

saying like yeah we've had bases on the

2136

01:18:26,390 --> 01:18:24,800

moon man

2137

01:18:28,870 --> 01:18:26,400

and when you as soon as you say that you

2138

01:18:32,390 --> 01:18:28,880

sound so crazy i know

2139

01:18:36,310 --> 01:18:32,400

i sound so dumb but like did it what

2140

01:18:36,709 --> 01:18:36,320

but like okay so like nasa is the one

2141

01:18:40,709 --> 01:18:36,719

that

2142

01:18:42,390 --> 01:18:40,719

moon and ring like a bell

2143

01:18:43,830 --> 01:18:42,400

wasn't it right yes was that it was

2144

01:18:45,990 --> 01:18:43,840

either nasa or the military

2145

01:18:47,110 --> 01:18:46,000

yeah and if somebody did it and they

2146

01:18:49,430 --> 01:18:47,120

were like

2147

01:18:51,189 --> 01:18:49,440

it just rang like a bill and then like

2148

01:18:51,750 --> 01:18:51,199

they were like oh [h__\h] we shouldn't have

2149

01:18:53,430 --> 01:18:51,760

said that

2150

01:18:55,669 --> 01:18:53,440

you should have wrote that a report

2151

01:18:58,310 --> 01:18:55,679

because i mean like

2152

01:18:59,669 --> 01:18:58,320

we have stories like so what was your

2153

01:19:02,870 --> 01:18:59,679

terry lovelace

2154

01:19:04,550 --> 01:19:02,880

right and he has a friend who has also

2155

01:19:05,910 --> 01:19:04,560

said that they've seen the same thing

2156

01:19:08,149 --> 01:19:05,920

and they talk about

2157

01:19:09,110 --> 01:19:08,159

[h__\h] on the other side of the moon yes

2158

01:19:11,669 --> 01:19:09,120

like how cool

2159

01:19:12,870 --> 01:19:11,679

like i don't know dude like if the

2160

01:19:16,550 --> 01:19:12,880

universe is

2161

01:19:19,110 --> 01:19:16,560

is basically infinite then

2162

01:19:20,070 --> 01:19:19,120

when people say like oh well the fact

2163

01:19:22,950 --> 01:19:20,080

that the

2164

01:19:23,270 --> 01:19:22,960

the moon rotates at the same speed that

2165

01:19:27,350 --> 01:19:23,280

it

2166

01:19:29,750 --> 01:19:27,360

strange

2167

01:19:30,709 --> 01:19:29,760

same size as the sun is the same size as

2168

01:19:32,790 --> 01:19:30,719

the sun

2169

01:19:34,390 --> 01:19:32,800

is that really anomalous if the universe

2170

01:19:36,070 --> 01:19:34,400

is like infinite because i'm sure it

2171

01:19:37,990 --> 01:19:36,080

happens everywhere we just can't

2172

01:19:40,149 --> 01:19:38,000

see it we haven't seen it yet oh also

2173

01:19:42,550 --> 01:19:40,159

entropy is is an interesting thing

2174

01:19:43,750 --> 01:19:42,560

because that's the thing with like 120

2175

01:19:59,590 --> 01:19:43,760

legs right

2176

01:20:07,750 --> 01:20:05,430

guy that's what it is

2177

01:20:08,709 --> 01:20:07,760

morgan said maybe all uh maybe pugs are

2178

01:20:11,750 --> 01:20:08,719

aliens i

2179

01:20:13,430 --> 01:20:11,760

have a pug nibbler and uh well or morgan

2180

01:20:16,790 --> 01:20:13,440

you know nibbler very well

2181

01:20:19,189 --> 01:20:16,800

uh she is an alien honestly uh

2182

01:20:21,030 --> 01:20:19,199

me and jess always talk about like look

2183

01:20:22,229 --> 01:20:21,040

the the uh the soul that was put into

2184

01:20:24,790 --> 01:20:22,239

our pug nibbler

2185

01:20:25,910 --> 01:20:24,800

um is is thousands of years old and she

2186

01:20:29,030 --> 01:20:25,920

is so wise

2187

01:20:31,590 --> 01:20:29,040

she her her uh soul you know whatever

2188

01:20:32,470 --> 01:20:31,600

has taught uh she taught the romans uh

2189

01:20:36,070 --> 01:20:32,480

mathematics

2190

01:20:39,669 --> 01:20:36,080

yeah uh history to uh the the the

2191

01:20:46,790 --> 01:20:42,709

and um she invented a lot of things

2192

01:20:47,990 --> 01:20:46,800

she taught uh uh it's desalinating water

2193

01:20:52,870 --> 01:20:48,000

that's one of the things yeah

2194

01:20:54,709 --> 01:20:52,880

so she talked that to uh capernaum

2195

01:20:56,390 --> 01:20:54,719

back in the name when he was when he was

2196

01:20:57,990 --> 01:20:56,400

it was a real fit guy

2197

01:21:00,229 --> 01:20:58,000

he's really he's actually known for

2198

01:21:01,430 --> 01:21:00,239

desalinating water he is not a lot of

2199

01:21:03,990 --> 01:21:01,440

people in case you didn't know

2200

01:21:06,890 --> 01:21:04,000

a lot of people know about that a lot of

2201

01:21:12,870 --> 01:21:06,900

people were pretty salty about it

2202

01:21:16,070 --> 01:21:15,030

one plus one equals potatoes so it must

2203

01:21:17,590 --> 01:21:16,080

be alien

2204

01:21:19,189 --> 01:21:17,600

i agree sam that's what i've been saying

2205

01:21:20,870 --> 01:21:19,199

this whole time yeah you're a [h__\h]

2206

01:21:22,629 --> 01:21:20,880

genius yeah that's exactly what

2207

01:21:24,470 --> 01:21:22,639

everybody knows that everybody knows

2208

01:21:26,870 --> 01:21:24,480

that one plus one he kills potato

2209

01:21:27,669 --> 01:21:26,880

uh chris says if the government comes

2210

01:21:30,390 --> 01:21:27,679

clean

2211

01:21:32,070 --> 01:21:30,400

all the people harassed by mib be able

2212

01:21:33,590 --> 01:21:32,080

to seek damages from the government

2213

01:21:35,990 --> 01:21:33,600

that's why that's what i'm saying dude

2214

01:21:39,350 --> 01:21:36,000

like that conversation needs to happen

2215

01:21:40,950 --> 01:21:39,360

like okay okay yeah so you're saying

2216

01:21:42,709 --> 01:21:40,960

that aliens exist

2217

01:21:44,070 --> 01:21:42,719

you're or no okay you're not saying that

2218

01:21:44,790 --> 01:21:44,080

you're saying that there's these things

2219

01:21:48,229 --> 01:21:44,800

in the sky

2220

01:21:48,709 --> 01:21:48,239

you believe them to be ufo uaps excuse

2221

01:21:51,830 --> 01:21:48,719

me

2222

01:21:53,669 --> 01:21:51,840

um and you can't explain them um you

2223

01:21:55,430 --> 01:21:53,679

claim that it's not russia it's not

2224

01:21:56,629 --> 01:21:55,440

china it's not anybody else there's no

2225

01:21:59,030 --> 01:21:56,639

technological leap

2226

01:22:01,030 --> 01:21:59,040

if they did then that's a failure in

2227

01:22:02,790 --> 01:22:01,040

intelligence for the united states which

2228

01:22:04,870 --> 01:22:02,800

is also something you don't want to

2229

01:22:06,390 --> 01:22:04,880

say so i'm assuming it's probably not

2230

01:22:08,470 --> 01:22:06,400

that either but

2231

01:22:10,390 --> 01:22:08,480

yeah exactly like if we find out that

2232

01:22:13,189 --> 01:22:10,400

this is true

2233

01:22:15,110 --> 01:22:13,199

the masses as a whole won't understand

2234

01:22:17,030 --> 01:22:15,120

the harassment that the ufo community

2235

01:22:17,750 --> 01:22:17,040

has taken or like researchers have taken

2236

01:22:19,110 --> 01:22:17,760

but like

2237

01:22:21,350 --> 01:22:19,120

and within the community themselves

2238

01:22:23,110 --> 01:22:21,360

would be like yes like yeah

2239

01:22:24,790 --> 01:22:23,120

like i totally think that conversation

2240

01:22:28,070 --> 01:22:24,800

needs to happen and again

2241

01:22:30,709 --> 01:22:28,080

we don't need to be a part of it yeah

2242

01:22:31,669 --> 01:22:30,719

but somebody needs to have it dude i'm

2243

01:22:35,270 --> 01:22:31,679

taking that

2244

01:22:40,310 --> 01:22:38,790

yeah dude yes let's have a uh a calm

2245

01:22:42,229 --> 01:22:40,320

cool collected conversation about this

2246

01:22:44,229 --> 01:22:42,239

i'd like to talk about uh

2247

01:22:46,390 --> 01:22:44,239

hi excuse me first of all my name is

2248

01:22:47,430 --> 01:22:46,400

richie dolan reggie and i party heart

2249

01:22:50,709 --> 01:22:47,440

i'd like to talk to you

2250

01:22:53,750 --> 01:22:50,719

about uh apologies and uh

2251
01:22:54,550 --> 01:22:53,760
do also man it the whole thing it could

2252
01:22:57,750 --> 01:22:54,560
be just a

2253
01:23:01,350 --> 01:22:57,760
in a public relations spin when

2254
01:23:03,750 --> 01:23:01,360
when a a uh a really bad story comes out

2255
01:23:06,070 --> 01:23:03,760
about somebody who has a lot of monets

2256
01:23:07,510 --> 01:23:06,080
or represents a company that has a lot

2257
01:23:09,510 --> 01:23:07,520
of investors

2258
01:23:11,270 --> 01:23:09,520
in the stock market and i'm gonna keep

2259
01:23:15,030 --> 01:23:11,280
talking like that

2260
01:23:17,110 --> 01:23:15,040
uh they they there's like people that

2261
01:23:18,790 --> 01:23:17,120
their full-time job is public relations

2262
01:23:19,590 --> 01:23:18,800
and spinning stuff so like if the bad

2263
01:23:21,510 --> 01:23:19,600

story is

2264

01:23:22,709 --> 01:23:21,520

all right that we can't we can't we

2265

01:23:24,390 --> 01:23:22,719

can't tell people that

2266

01:23:26,070 --> 01:23:24,400

so we gotta come up with something else

2267

01:23:29,750 --> 01:23:26,080

that's like a little bad

2268

01:23:32,870 --> 01:23:29,760

yeah and people are gonna be like oh

2269

01:23:34,709 --> 01:23:32,880

he he didn't tip oh waitress two

2270

01:23:37,750 --> 01:23:34,719

thousand

2271

01:23:39,750 --> 01:23:37,760

he called a man a woman's

2272

01:23:41,669 --> 01:23:39,760

name you just like believe in science he

2273

01:23:43,910 --> 01:23:41,679

doesn't believe in this

2274

01:23:45,750 --> 01:23:43,920

oh unidentified celebrity review no we

2275

01:23:46,790 --> 01:23:45,760

didn't say the moon is the same size as

2276

01:23:49,910 --> 01:23:46,800

the sun

2277

01:23:51,270 --> 01:23:49,920

that's just silly we're saying like with

2278

01:23:52,790 --> 01:23:51,280

like there's like any

2279

01:23:54,629 --> 01:23:52,800

like i didn't say that like when there's

2280

01:23:56,870 --> 01:23:54,639

like an eclipse like

2281

01:23:57,990 --> 01:23:56,880

it is it's the same size as the sun like

2282

01:23:59,830 --> 01:23:58,000

when there's

2283

01:24:02,070 --> 01:23:59,840

like an eclipse you know my pinky's the

2284

01:24:06,470 --> 01:24:02,080

same size as my face

2285

01:24:09,669 --> 01:24:08,950

why is it so hard it's kind of like this

2286

01:24:11,669 --> 01:24:09,679

your thumb is

2287

01:24:13,750 --> 01:24:11,679

that your thumb must be huge bro like my

2288

01:24:15,960 --> 01:24:13,760

thumb isn't the same side we're doing

2289

01:24:19,230 --> 01:24:15,970

science experiments right now wait wait

2290

01:24:20,709 --> 01:24:19,240

[Laughter]

2291

01:24:23,030 --> 01:24:20,719

[Music]

2292

01:24:24,709 --> 01:24:23,040

oh i like that it's going to go over

2293

01:24:26,950 --> 01:24:24,719

well that's exactly what i like

2294

01:24:28,870 --> 01:24:26,960

looks just like you looks exactly like

2295

01:24:34,950 --> 01:24:28,880

me it's like god got a hat and

2296

01:24:40,229 --> 01:24:37,350

van gogh finds crystals everywhere and

2297

01:24:41,750 --> 01:24:40,239

he says i find crystals everywhere i go

2298

01:24:44,149 --> 01:24:41,760

hell yeah well i hope you're selling

2299

01:24:46,310 --> 01:24:44,159

them sir

2300

01:24:47,669 --> 01:24:46,320

like oh that's a that's a cool thing to

2301

01:24:48,390 --> 01:24:47,679

think about like when you think of like

2302

01:24:50,790 --> 01:24:48,400

crystals

2303

01:24:51,990 --> 01:24:50,800

right you think of them be very valuable

2304

01:24:53,750 --> 01:24:52,000

right but like you can

2305

01:24:55,910 --> 01:24:53,760

like buy them in a shop for like a

2306

01:24:58,470 --> 01:24:55,920

dollar how come crystal's like

2307

01:24:59,830 --> 01:24:58,480

they should be worth way more dude yeah

2308

01:25:02,229 --> 01:24:59,840

i don't see enough crystals they're like

2309

01:25:03,669 --> 01:25:02,239

super power energies

2310

01:25:05,270 --> 01:25:03,679

super power energy super power

2311

01:25:06,709 --> 01:25:05,280

superpower especially when you have a

2312

01:25:08,550 --> 01:25:06,719

lot of them

2313

01:25:10,390 --> 01:25:08,560

why aren't uh crystals more valuable

2314

01:25:11,030 --> 01:25:10,400

they should be is it because people are

2315

01:25:12,470 --> 01:25:11,040

selling them

2316

01:25:15,189 --> 01:25:12,480

no because people don't believe in the

2317

01:25:18,070 --> 01:25:15,199

woo if people believed in the woo

2318

01:25:19,750 --> 01:25:18,080

as dave scott would say then uh you know

2319

01:25:22,229 --> 01:25:19,760

they would buy crystals all the time

2320

01:25:24,310 --> 01:25:22,239

i'm jumping on their w i'm jumping on

2321

01:25:26,709 --> 01:25:24,320

the wu train with dave i loved it like

2322

01:25:28,070 --> 01:25:26,719

his stance on like i guess a lot of

2323

01:25:29,510 --> 01:25:28,080

people kind of give him [h__\h] sometimes

2324

01:25:32,070 --> 01:25:29,520

for talking too much about

2325

01:25:34,229 --> 01:25:32,080

woo and we were on a show a couple of

2326

01:25:35,350 --> 01:25:34,239

weeks ago talking about just that i mean

2327

01:25:36,950 --> 01:25:35,360

we i don't

2328

01:25:38,390 --> 01:25:36,960

oh was that i think that was the night

2329

01:25:41,110 --> 01:25:38,400

that uh

2330

01:25:43,910 --> 01:25:41,120

i turned i turned you into a gnome dude

2331

01:25:46,390 --> 01:25:43,920

that damn transformer blew at my house

2332

01:25:47,510 --> 01:25:46,400

that's that was that night i was so

2333

01:25:51,350 --> 01:25:47,520

pissed about that

2334

01:25:55,110 --> 01:25:51,360

yeah uh would we ever volunteer

2335

01:25:57,990 --> 01:25:55,120

to be abducted by aliens ooh

2336

01:25:59,590 --> 01:25:58,000

we we've kind of answered this before

2337

01:26:02,229 --> 01:25:59,600

but our answer has changed

2338

01:26:03,590 --> 01:26:02,239

well if we had the opportunity to

2339

01:26:06,870 --> 01:26:03,600

volunteer

2340

01:26:09,030 --> 01:26:06,880

knowingly to be abducted yeah yeah like

2341

01:26:11,270 --> 01:26:09,040

if we were awake dude

2342

01:26:13,110 --> 01:26:11,280

i and and they asked me nicely and if i

2343

01:26:14,149 --> 01:26:13,120

got to like walk over there and be like

2344

01:26:17,669 --> 01:26:14,159

yeah

2345

01:26:18,950 --> 01:26:17,679

do i do can i put pants on can i put a

2346

01:26:21,590 --> 01:26:18,960

actually i'm gonna go in a spaceship

2347

01:26:23,189 --> 01:26:21,600

with a [h__h] kimono on that's what i'm

2348

01:26:24,790 --> 01:26:23,199

yeah it makes you aerodynamic when you

2349

01:26:27,270 --> 01:26:24,800

fight bro

2350

01:26:29,030 --> 01:26:27,280

so fast dude so much movement leg

2351
01:26:30,790 --> 01:26:29,040
movement can you real can you imagine

2352
01:26:31,430 --> 01:26:30,800
dude and it's so soft dude aliens

2353
01:26:34,709 --> 01:26:31,440
wouldn't have a

2354
01:26:38,149 --> 01:26:34,719
chance with my moves in a kimono

2355
01:26:39,830 --> 01:26:38,159
aliens that's it over they might as well

2356
01:26:41,110 --> 01:26:39,840
not even come here dude they don't even

2357
01:26:42,390 --> 01:26:41,120
come here dude if i'm wearing a

2358
01:26:44,629 --> 01:26:42,400
[h__\h] come on i don't come to my

2359
01:26:47,750 --> 01:26:44,639
bedroom trying to check me if it were

2360
01:26:49,669 --> 01:26:47,760
kimonos oh william's calling

2361
01:26:53,189 --> 01:26:49,679
william you know we're doing the show he

2362
01:26:58,390 --> 01:26:55,270
he's like i'm gonna call these guys i'm

2363
01:27:04,550 --> 01:27:00,229

i've got something to say about kimonos

2364

01:27:06,390 --> 01:27:04,560

and i'm gonna call him right now

2365

01:27:07,750 --> 01:27:06,400

but yeah dude like i think if i had the

2366

01:27:10,950 --> 01:27:07,760

chance to fall in

2367

01:27:13,430 --> 01:27:10,960

i don't know i don't know dude if i had

2368

01:27:15,110 --> 01:27:13,440

the chance to volunteer to get abducted

2369

01:27:16,310 --> 01:27:15,120

i think i would because then i would

2370

01:27:19,510 --> 01:27:16,320

know it's coming

2371

01:27:22,950 --> 01:27:19,520

yes but if it just happened right i mean

2372

01:27:25,990 --> 01:27:22,960

i said my bad we would go i mean

2373

01:27:28,709 --> 01:27:26,000

you wouldn't have a choice right um

2374

01:27:31,350 --> 01:27:28,719

would i prefer to volunteer yes i would

2375

01:27:34,390 --> 01:27:31,360

absolutely prefer to volunteer to go

2376

01:27:38,149 --> 01:27:34,400

i would prefer for sure because

2377

01:27:39,990 --> 01:27:38,159

uh the the taking of of uh

2378

01:27:42,229 --> 01:27:40,000

that's another whole subset of things

2379

01:27:44,709 --> 01:27:42,239

there's there's there's this mindset of

2380

01:27:45,270 --> 01:27:44,719

yeah uh some people believe solely that

2381

01:27:47,669 --> 01:27:45,280

people get

2382

01:27:49,189 --> 01:27:47,679

abducted mentally in their in this

2383

01:27:50,550 --> 01:27:49,199

astral realm

2384

01:27:52,470 --> 01:27:50,560

and that's why people come back with

2385

01:27:53,590 --> 01:27:52,480

these memories or or dreams

2386

01:27:55,350 --> 01:27:53,600

which i totally think there's some

2387

01:27:56,950 --> 01:27:55,360

credence to and then there's another

2388

01:27:59,189 --> 01:27:56,960

sect of people that have had

2389

01:28:00,550 --> 01:27:59,199

such real experiences that they were

2390

01:28:02,149 --> 01:28:00,560

they know that they were awake they were

2391

01:28:04,310 --> 01:28:02,159

physically at a different location

2392

01:28:05,590 --> 01:28:04,320

yeah uh terry lovelace and again

2393

01:28:08,870 --> 01:28:05,600

bringing his name up

2394

01:28:11,750 --> 01:28:08,880

he his like uh fitbit had said that he

2395

01:28:12,390 --> 01:28:11,760

he he's he climbed like 380 stairs or

2396

01:28:15,110 --> 01:28:12,400

something like that

2397

01:28:16,070 --> 01:28:15,120

he's making that number six floors six

2398

01:28:22,790 --> 01:28:16,080

floors

2399

01:28:23,430 --> 01:28:22,800

um but there was no uh lateral no there

2400

01:28:26,550 --> 01:28:23,440

was no

2401

01:28:27,590 --> 01:28:26,560

longitudinal movement it was only

2402

01:28:30,550 --> 01:28:27,600

lateral

2403

01:28:31,910 --> 01:28:30,560

it only went up dude it went straight up

2404

01:28:34,790 --> 01:28:31,920

dude six floors so

2405

01:28:36,070 --> 01:28:34,800

where was he and he said he doesn't live

2406

01:28:39,030 --> 01:28:36,080

on like a two-story

2407

01:28:40,950 --> 01:28:39,040

no there's a one-story house yeah and

2408

01:28:43,830 --> 01:28:40,960

then woke up standing outside of his

2409

01:28:45,189 --> 01:28:43,840

front door

2410

01:28:46,629 --> 01:28:45,199

didn't he really i was reading that text

2411

01:28:47,990 --> 01:28:46,639

message i know he woke up outside of his

2412

01:28:49,189 --> 01:28:48,000

front door thinking he was having a

2413

01:28:51,430 --> 01:28:49,199

heart attack

2414

01:28:52,470 --> 01:28:51,440

and that's how he got thought the bill

2415

01:28:54,310 --> 01:28:52,480

from the hospital

2416

01:28:55,590 --> 01:28:54,320

and the ambulance ride that he sent us

2417

01:28:56,709 --> 01:28:55,600

because he was like yeah

2418

01:28:58,310 --> 01:28:56,719

i thought i was having a heart attack

2419

01:28:59,990 --> 01:28:58,320

they said i wasn't having a heart attack

2420

01:29:02,550 --> 01:29:00,000

right i was in the hospital i

2421

01:29:04,629 --> 01:29:02,560

checked because he says he said that he

2422

01:29:06,870 --> 01:29:04,639

sleeps with a phone in his pocket

2423

01:29:08,390 --> 01:29:06,880

yeah that so he can plug headphones in

2424

01:29:08,709 --> 01:29:08,400

because if he hears stuff at night it

2425

01:29:11,030 --> 01:29:08,719

just

2426

01:29:12,709 --> 01:29:11,040

he can't sleep apparently yeah so he

2427

01:29:13,430 --> 01:29:12,719

said that particular night he woke up

2428

01:29:14,870 --> 01:29:13,440

standing outside

2429

01:29:16,310 --> 01:29:14,880

his front door and it was like oh my

2430

01:29:17,030 --> 01:29:16,320

goodness i feel like i'm having a heart

2431

01:29:18,629 --> 01:29:17,040

attack

2432

01:29:20,470 --> 01:29:18,639

and while i was at the hospital he ended

2433

01:29:23,030 --> 01:29:20,480

up looking at his health stats

2434

01:29:24,550 --> 01:29:23,040

and it said that he had went six six

2435

01:29:28,229 --> 01:29:24,560

stories high

2436

01:29:32,870 --> 01:29:28,239

yeah with no side to side movement

2437

01:29:36,070 --> 01:29:32,880

right just up straight up dude dude

2438

01:29:39,430 --> 01:29:36,080

i mean like crazy yeah that epis

2439

01:29:41,910 --> 01:29:39,440

uh the last episode um i i guess i

2440

01:29:43,750 --> 01:29:41,920

asked him that or maybe i didn't get to

2441

01:29:45,350 --> 01:29:43,760

but the fact that he went through all

2442

01:29:46,950 --> 01:29:45,360

this traumatic stuff i mean being

2443

01:29:50,790 --> 01:29:46,960

abducted physically

2444

01:29:53,990 --> 01:29:50,800

has to do some really

2445

01:29:56,310 --> 01:29:54,000

it has to make your brain

2446

01:29:57,669 --> 01:29:56,320

think and react it changes your life

2447

01:29:59,510 --> 01:29:57,679

like it's so profound

2448

01:30:01,350 --> 01:29:59,520

and to be able to just kind of be a

2449

01:30:01,910 --> 01:30:01,360

normal human being and get a regular job

2450

01:30:05,110 --> 01:30:01,920

like

2451

01:30:06,629 --> 01:30:05,120

jerry loveless was a uh a a

2452

01:30:08,709 --> 01:30:06,639

assistant attorney general assistant

2453

01:30:11,510 --> 01:30:08,719

attorney general thank you

2454

01:30:13,270 --> 01:30:11,520

uh i mean smart [h__h] guy like worked

2455

01:30:15,990 --> 01:30:13,280

his ass off to get where he

2456

01:30:17,270 --> 01:30:16,000

how how he was able to to kind of

2457

01:30:19,350 --> 01:30:17,280

suppress some of that stuff

2458

01:30:20,390 --> 01:30:19,360

until i guess until now when he's

2459

01:30:22,470 --> 01:30:20,400

retired i mean

2460

01:30:23,750 --> 01:30:22,480

that that uh that's a that's a mentally

2461

01:30:26,629 --> 01:30:23,760

strong individual

2462

01:30:27,590 --> 01:30:26,639

yeah yeah dude antonio like that's

2463

01:30:29,910 --> 01:30:27,600

that's crazy

2464

01:30:31,830 --> 01:30:29,920

like he like he says i don't have a

2465

01:30:33,110 --> 01:30:31,840

choice i was wide awake when they [h__h]

2466

01:30:34,870 --> 01:30:33,120

up in abduction like

2467

01:30:36,149 --> 01:30:34,880

can you imagine that what like that

2468

01:30:38,310 --> 01:30:36,159

would suck like wait

2469

01:30:40,629 --> 01:30:38,320

hold on what like going back to the

2470

01:30:43,990 --> 01:30:40,639

question of would you volunteer

2471

01:30:45,510 --> 01:30:44,000

or or you know would you volunteer to be

2472

01:30:48,629 --> 01:30:45,520

abducted

2473

01:30:50,709 --> 01:30:48,639

like if if we say yes we we would go if

2474

01:30:52,629 --> 01:30:50,719

we volunteered to be abducted right but

2475

01:30:53,590 --> 01:30:52,639

what if somebody says look you're gonna

2476

01:30:57,030 --> 01:30:53,600

be abducted

2477

01:31:01,510 --> 01:30:57,040

yeah it is scary

2478

01:31:04,950 --> 01:31:01,520

beyond belief it's something that

2479

01:31:08,149 --> 01:31:04,960

will change your entire world

2480

01:31:09,270 --> 01:31:08,159

yeah it's it's it's not it's not a

2481

01:31:12,310 --> 01:31:09,280

pleasant thing

2482

01:31:14,790 --> 01:31:12,320

yeah would you volunteer still

2483

01:31:15,510 --> 01:31:14,800

if i guess i do how many questions do i

2484

01:31:18,149 --> 01:31:15,520

have

2485

01:31:19,669 --> 01:31:18,159

can i ask questions am i am i gonna am i

2486

01:31:20,229 --> 01:31:19,679

gonna get some fingers down my throat or

2487

01:31:26,709 --> 01:31:20,239

like

2488

01:31:28,149 --> 01:31:26,719

operated on if if that answers no then

2489

01:31:29,350 --> 01:31:28,159

if you're just taking me on a ride and

2490

01:31:31,590 --> 01:31:29,360

want to give me a little

2491

01:31:32,629 --> 01:31:31,600

a little hey watch this movie in your

2492

01:31:35,669 --> 01:31:32,639

brain that we're going to give you

2493

01:31:38,870 --> 01:31:35,679

uh telepathically oh hell yeah i'd go

2494

01:31:41,270 --> 01:31:38,880

yeah absolutely but you don't

2495

01:31:42,790 --> 01:31:41,280

know they could just tell you that and

2496

01:31:45,350 --> 01:31:42,800

then you they'd give you

2497

01:31:46,870 --> 01:31:45,360

some kind of you know uh frequency and

2498

01:31:49,510 --> 01:31:46,880

you forget all about it man

2499

01:31:50,550 --> 01:31:49,520

yeah you could agree to it and once you

2500

01:31:52,229 --> 01:31:50,560

get up there

2501
01:31:54,390 --> 01:31:52,239
you don't remember a damn thing well

2502
01:31:57,990 --> 01:31:54,400
then i wouldn't volunteer

2503
01:31:59,110 --> 01:31:58,000
if i couldn't remember [\h__\h] maybe i

2504
01:32:01,430 --> 01:31:59,120
would volunteer

2505
01:32:02,870 --> 01:32:01,440
no because it would be the point yeah

2506
01:32:05,590 --> 01:32:02,880
what if what if you were offered this

2507
01:32:07,350 --> 01:32:05,600
joe look you will take you up on a ship

2508
01:32:08,790 --> 01:32:07,360
all right i'm an alien

2509
01:32:10,709 --> 01:32:08,800
we'll take you up on a ship i don't know

2510
01:32:13,990 --> 01:32:10,719
why i did this i was thinking mantis

2511
01:32:17,590 --> 01:32:14,000
that's the mantis hey i'm an alien

2512
01:32:19,110 --> 01:32:17,600
stop it uh but

2513
01:32:20,950 --> 01:32:19,120

yeah so we're gonna take you we're gonna

2514

01:32:22,629 --> 01:32:20,960

abduct you all right and you're gonna be

2515

01:32:24,870 --> 01:32:22,639

asleep you won't feel a thing

2516

01:32:26,390 --> 01:32:24,880

we're gonna take you up uh and we're

2517

01:32:28,149 --> 01:32:26,400

it's gonna be fun

2518

01:32:31,110 --> 01:32:28,159

but you're not gonna remember anything

2519

01:32:34,310 --> 01:32:32,629

like you're not gonna remember anything

2520

01:32:37,430 --> 01:32:34,320

all you know is that what they told you

2521

01:32:41,430 --> 01:32:40,310

no not if i don't remember yeah it's

2522

01:32:42,550 --> 01:32:41,440

like if you don't remember it didn't

2523

01:32:45,270 --> 01:32:42,560

happen it didn't happen

2524

01:32:46,629 --> 01:32:45,280

yeah you can't just tell a story like i

2525

01:32:47,750 --> 01:32:46,639

had an experience one time where they

2526

01:32:50,950 --> 01:32:47,760

were they said they were

2527

01:32:52,870 --> 01:32:50,960

gonna take me up in a spaceship then you

2528

01:32:55,110 --> 01:32:52,880

would just sound like a crazy [h__\h]

2529

01:32:57,030 --> 01:32:55,120

yes when you tell people that right like

2530

01:32:59,510 --> 01:32:57,040

so did you go and you were like

2531

01:33:00,229 --> 01:32:59,520

i don't know so so do you think like

2532

01:33:03,430 --> 01:33:00,239

some

2533

01:33:04,149 --> 01:33:03,440

like maybe a reason why okay obviously

2534

01:33:07,430 --> 01:33:04,159

they have the

2535

01:33:08,790 --> 01:33:07,440

the technology to to make to force you

2536

01:33:11,030 --> 01:33:08,800

to forget

2537

01:33:11,910 --> 01:33:11,040

but they sometimes they leave it leave

2538

01:33:14,470 --> 01:33:11,920

some memories

2539

01:33:16,310 --> 01:33:14,480

untouched or maybe the serum doesn't

2540

01:33:17,910 --> 01:33:16,320

work or whatever right like that that

2541

01:33:20,870 --> 01:33:17,920

erases your memory

2542

01:33:22,470 --> 01:33:20,880

maybe that's on purpose and if that's

2543

01:33:27,750 --> 01:33:22,480

the case

2544

01:33:32,950 --> 01:33:29,830

i don't know is that just an accident do

2545

01:33:37,350 --> 01:33:35,590

like like i don't know timmy's asking do

2546

01:33:40,390 --> 01:33:37,360

aliens keep promises

2547

01:33:41,590 --> 01:33:40,400

um do they do they have to do they even

2548

01:33:44,149 --> 01:33:41,600

have a

2549

01:33:46,149 --> 01:33:44,159

do you promise do you promise a monkey

2550

01:33:46,870 --> 01:33:46,159

in the wild you give it a banana when

2551

01:33:49,430 --> 01:33:46,880

it's done

2552

01:33:50,070 --> 01:33:49,440

you know if they did promise you would

2553

01:33:52,390 --> 01:33:50,080

you even

2554

01:33:53,350 --> 01:33:52,400

know what the hell they were saying come

2555

01:33:55,910 --> 01:33:53,360

on baby

2556

01:33:58,070 --> 01:33:55,920

your leg is hurt antonio again guys i've

2557

01:33:58,470 --> 01:33:58,080

had a mole removed super surgical while

2558

01:34:01,910 --> 01:33:58,480

i

2559

01:34:03,510 --> 01:34:01,920

you're asleep

2560

01:34:05,430 --> 01:34:03,520

is a whole another level than just

2561

01:34:07,990 --> 01:34:05,440

remembering or not remembering

2562

01:34:09,510 --> 01:34:08,000

whoa that's something cause when you're

2563

01:34:10,070 --> 01:34:09,520

asleep dude you don't think you're

2564

01:34:12,709 --> 01:34:10,080

asleep

2565

01:34:13,270 --> 01:34:12,719

you don't think i mean you you're you're

2566

01:34:17,030 --> 01:34:13,280

asleep

2567

01:34:20,070 --> 01:34:17,040

and then you wake up and you're like wow

2568

01:34:21,750 --> 01:34:20,080

i was sleeping but dude thinking you're

2569

01:34:22,790 --> 01:34:21,760

asleep thinking i'm not inhaling i've

2570

01:34:24,950 --> 01:34:22,800

never thought see that's

2571

01:34:26,070 --> 01:34:24,960

that's the kind of insight that only

2572

01:34:27,910 --> 01:34:26,080

people who have been through

2573

01:34:29,430 --> 01:34:27,920

this kind of stuff can can say dude i

2574

01:34:31,030 --> 01:34:29,440

know have you ever read that sentence

2575

01:34:31,669 --> 01:34:31,040

like i've never thought about that me

2576

01:34:34,229 --> 01:34:31,679

either

2577

01:34:35,350 --> 01:34:34,239

yes they do make mistakes yeah and we've

2578

01:34:37,270 --> 01:34:35,360

heard that from

2579

01:34:39,270 --> 01:34:37,280

quite a few abductees that they

2580

01:34:42,629 --> 01:34:39,280

definitely make mistakes

2581

01:34:44,390 --> 01:34:42,639

you know uh which kind of leads me to

2582

01:34:46,629 --> 01:34:44,400

the next question

2583

01:34:47,750 --> 01:34:46,639

how advanced do you really think they

2584

01:34:51,590 --> 01:34:47,760

are

2585

01:34:54,390 --> 01:34:51,600

and or is being a royal fuck-up

2586

01:34:54,870 --> 01:34:54,400

completely universal right it's not just

2587

01:35:05,590 --> 01:34:54,880

like

2588

01:35:08,950 --> 01:35:05,600

it

2589

01:35:12,229 --> 01:35:08,960

yeah everything every alien

2590

01:35:15,189 --> 01:35:12,239

god hey ropes and then and then they go

2591

01:35:16,950 --> 01:35:15,199

hey we're only alien hey we're just

2592

01:35:19,270 --> 01:35:16,960

we're only alien

2593

01:35:22,149 --> 01:35:19,280

we make mistakes too but what if they

2594

01:35:25,350 --> 01:35:22,159

said we're only human

2595

01:35:27,030 --> 01:35:25,360

what if all everything is

2596

01:35:29,030 --> 01:35:27,040

is human in some way that's why i like

2597

01:35:31,990 --> 01:35:29,040

the anacoma uh

2598

01:35:32,950 --> 01:35:32,000

a little skeleton came back human how a

2599

01:35:35,510 --> 01:35:32,960

lot of like

2600

01:35:36,709 --> 01:35:35,520

bigfoot samples come back human or like

2601

01:35:39,750 --> 01:35:36,719

dog like what if

2602

01:35:41,189 --> 01:35:39,760

yeah well what if all bipedals in some

2603

01:35:43,910 --> 01:35:41,199

form or fashion

2604

01:35:45,750 --> 01:35:43,920

in the future in the past you know if

2605

01:35:48,470 --> 01:35:45,760

time is not linear

2606

01:35:49,830 --> 01:35:48,480

share the same dna that's why all right

2607

01:35:53,030 --> 01:35:49,840

it walks on two legs

2608

01:35:56,310 --> 01:35:53,040

okay cool it's really smart must be

2609

01:35:58,470 --> 01:35:56,320

the same thing right

2610

01:35:59,430 --> 01:35:58,480

i would agree yeah i think it's gotta

2611

01:36:01,990 --> 01:35:59,440

share some dna

2612

01:36:03,430 --> 01:36:02,000

with it i don't i don't know man i'm

2613

01:36:06,470 --> 01:36:03,440

just a doctor scientist

2614

01:36:07,750 --> 01:36:06,480

man let's see what have we got here uh

2615

01:36:11,910 --> 01:36:07,760

who are some people you think are

2616

01:36:11,920 --> 01:36:17,669

kim jong-un ellen degeneres

2617

01:36:25,590 --> 01:36:21,750

nobody can move that good nobody

2618

01:36:26,310 --> 01:36:25,600

tom hanks dude a lot of people think tom

2619

01:36:28,629 --> 01:36:26,320

hanks has

2620

01:36:29,510 --> 01:36:28,639

is being deep faked right now all of his

2621

01:36:31,270 --> 01:36:29,520

appearances are like

2622

01:36:33,430 --> 01:36:31,280

getting faked yeah have you seen that

2623

01:36:35,510 --> 01:36:33,440

dude i do this was a crazy

2624

01:36:36,870 --> 01:36:35,520

like rabbit hole [h__h] that i've been

2625

01:36:39,350 --> 01:36:36,880

going out like uh

2626
01:36:41,189 --> 01:36:39,360
where's hillary clinton have you seen

2627
01:36:41,830 --> 01:36:41,199
her with the ankle on dude the ankle

2628
01:36:43,510 --> 01:36:41,840
monitor

2629
01:36:45,030 --> 01:36:43,520
dude people would be like people

2630
01:36:46,390 --> 01:36:45,040
freaking out people like oh she's in

2631
01:36:50,790 --> 01:36:46,400
guantanamo right now

2632
01:36:52,310 --> 01:36:50,800
that's why you don't see her like

2633
01:36:54,629 --> 01:36:52,320
and then and like people were saying oh

2634
01:36:55,510 --> 01:36:54,639
oh dude i'm so glad okay so i don't know

2635
01:36:58,629 --> 01:36:55,520
about that but

2636
01:37:01,270 --> 01:36:58,639
uh i mean maybe

2637
01:37:01,910 --> 01:37:01,280
dude so there's videos of like all these

2638
01:37:04,229 --> 01:37:01,920

uh

2639

01:37:06,229 --> 01:37:04,239

political figures and celebrities like

2640

01:37:08,310 --> 01:37:06,239

having these mental breakdowns and that

2641

01:37:11,510 --> 01:37:08,320

has something to do with

2642

01:37:13,189 --> 01:37:11,520

uh like the mo uh montauk uh

2643

01:37:14,709 --> 01:37:13,199

you know the strangers think stranger

2644

01:37:16,870 --> 01:37:14,719

things help me out

2645

01:37:18,709 --> 01:37:16,880

oh the mk ultra mind controls thank you

2646

01:37:19,270 --> 01:37:18,719

yes yeah where they're starting to like

2647

01:37:21,990 --> 01:37:19,280

break

2648

01:37:23,350 --> 01:37:22,000

from the mind control [h__h] yes and and

2649

01:37:25,189 --> 01:37:23,360

there's some video of like

2650

01:37:27,910 --> 01:37:25,199

all these political figures and and

2651
01:37:30,790 --> 01:37:27,920
celebrities with like ankle bracelets on

2652
01:37:31,510 --> 01:37:30,800
and they just have like hillary collapse

2653
01:37:33,270 --> 01:37:31,520
i mean a lot

2654
01:37:35,270 --> 01:37:33,280
a lot of things can contribute to that

2655
01:37:37,990 --> 01:37:35,280
like like stress of course yeah

2656
01:37:39,510 --> 01:37:38,000
yeah just being old isn't it fun to

2657
01:37:41,830 --> 01:37:39,520
think about

2658
01:37:43,030 --> 01:37:41,840
is that so here's where it gets it goes

2659
01:37:45,910 --> 01:37:43,040
down to dark rabbit

2660
01:37:46,229 --> 01:37:45,920
dude it's not even gone crazy yet dude

2661
01:37:49,189 --> 01:37:46,239
so

2662
01:37:50,470 --> 01:37:49,199
there's the theory that these are

2663
01:37:53,109 --> 01:37:50,480

malfunctions of

2664

01:37:54,310 --> 01:37:53,119

clones and that there's like a timeline

2665

01:37:56,629 --> 01:37:54,320

for clones like

2666

01:37:57,910 --> 01:37:56,639

yeah and and it goes back to that med

2667

01:38:00,550 --> 01:37:57,920

bed kind of thing too

2668

01:38:03,270 --> 01:38:00,560

where like some of it's med bed some

2669

01:38:03,830 --> 01:38:03,280

some of uh uh appearances by these you

2670

01:38:06,629 --> 01:38:03,840

know these

2671

01:38:09,030 --> 01:38:06,639

famous people are are they're actually

2672

01:38:11,430 --> 01:38:09,040

like 200 years old but like

2673

01:38:12,790 --> 01:38:11,440

they've been in med beds and they make

2674

01:38:13,270 --> 01:38:12,800

these appearances every now and then

2675

01:38:14,950 --> 01:38:13,280

like

2676

01:38:16,709 --> 01:38:14,960

and then there's the clone idea right

2677

01:38:18,550 --> 01:38:16,719

like yeah the the joe biden

2678

01:38:20,149 --> 01:38:18,560

thing like have you seen all that dude

2679

01:38:22,790 --> 01:38:20,159

yeah the earlobe [h__h]

2680

01:38:24,149 --> 01:38:22,800

and like all that stuff yeah i mean it

2681

01:38:26,070 --> 01:38:24,159

might just be

2682

01:38:28,149 --> 01:38:26,080

a facial reconstruction surgery i mean

2683

01:38:31,990 --> 01:38:28,159

like a face like lift or whatever

2684

01:38:33,510 --> 01:38:32,000

but isn't it more fun to think that way

2685

01:38:36,870 --> 01:38:33,520

more fun to think that they're close

2686

01:38:38,149 --> 01:38:36,880

clones yeah dude oh van gogh yeah mick

2687

01:38:41,669 --> 01:38:38,159

jagger is totally an

2688

01:38:45,270 --> 01:38:41,679

alien for sure mick jagger's totally

2689

01:38:48,229 --> 01:38:45,280

dude but like a cool like a chill ass

2690

01:38:49,750 --> 01:38:48,239

cool ass if if there was a like a chill

2691

01:38:51,510 --> 01:38:49,760

race of aliens where do you think they'd

2692

01:38:52,709 --> 01:38:51,520

be from do you think it's the pleiadians

2693

01:38:59,189 --> 01:38:52,719

that are like the most chill

2694

01:39:02,470 --> 01:38:59,199

it would be from uranus dude

2695

01:39:04,470 --> 01:39:02,480

nothing wrong with a good uranus joke

2696

01:39:06,149 --> 01:39:04,480

do you does it irritate you when when

2697

01:39:09,669 --> 01:39:06,159

scientists say uh

2698

01:39:12,709 --> 01:39:09,679

uh you know mercury venus

2699

01:39:15,750 --> 01:39:12,719

earth mars jupiter saturn uranus

2700

01:39:16,149 --> 01:39:15,760

neptune pluto when i hear uranus i'm

2701

01:39:19,910 --> 01:39:16,159

like

2702

01:39:22,629 --> 01:39:19,920

know how to say it so you switch it from

2703

01:39:24,310 --> 01:39:22,639

from an [h__\h] word to a piss word yeah

2704

01:39:25,830 --> 01:39:24,320

they're being a child by not saying it

2705

01:39:26,629 --> 01:39:25,840

the way it's pronounced that you're

2706

01:39:30,709 --> 01:39:26,639

being childish

2707

01:39:32,310 --> 01:39:30,719

of the pronunciation that's my favorite

2708

01:39:33,750 --> 01:39:32,320

that's my favorite thing when smart

2709

01:39:38,310 --> 01:39:33,760

people say

2710

01:39:44,870 --> 01:39:41,750

don't deprive me of it oh denali

2711

01:39:49,750 --> 01:39:44,880

venusians dude

2712

01:39:57,109 --> 01:39:53,750

dude freaking hard

2713

01:40:01,590 --> 01:39:57,119

i want to talk to

2714

01:40:06,870 --> 01:40:01,600

pyramid head

2715

01:40:08,470 --> 01:40:06,880

dude the guy that was like you gotta

2716

01:40:08,950 --> 01:40:08,480

have me on your podcast today you have

2717

01:40:12,629 --> 01:40:08,960

to

2718

01:40:17,669 --> 01:40:12,639

right now says that yeah that thing that

2719

01:40:21,430 --> 01:40:19,669

i kind of want to talk to him now like

2720

01:40:25,030 --> 01:40:21,440

yeah i do too

2721

01:40:25,510 --> 01:40:25,040

you know man how do you do we i i feel

2722

01:40:29,030 --> 01:40:25,520

like

2723

01:40:31,590 --> 01:40:29,040

after after um after

2724

01:40:32,229 --> 01:40:31,600

june you know after lu lual zondo is on

2725

01:40:34,550 --> 01:40:32,239

the show

2726

01:40:35,350 --> 01:40:34,560

i think i think let's take a break from

2727

01:40:38,390 --> 01:40:35,360

the news

2728

01:40:40,390 --> 01:40:38,400

stuff and like breaking [\h__\h] man like

2729

01:40:42,229 --> 01:40:40,400

there's there's enough people out there

2730

01:40:43,510 --> 01:40:42,239

giving the the correct information

2731

01:40:45,750 --> 01:40:43,520

better than when we could

2732

01:40:47,189 --> 01:40:45,760

okay like that's not uh like that's not

2733

01:40:49,109 --> 01:40:47,199

a thing like we don't

2734

01:40:50,629 --> 01:40:49,119

we're not here to tell you like breaking

2735

01:40:53,030 --> 01:40:50,639

news like yeah

2736

01:40:56,149 --> 01:40:53,040

we're here to do this yeah this is david

2737

01:40:59,669 --> 01:40:56,159

bowie was totally an alien

2738

01:41:00,470 --> 01:40:59,679

yeah he went home oh [h__h] that's what's

2739

01:41:02,470 --> 01:41:00,480

up dude

2740

01:41:04,550 --> 01:41:02,480

hey so oh dude what was it there was

2741

01:41:06,550 --> 01:41:04,560

like this crazy-ass conspiracy

2742

01:41:08,310 --> 01:41:06,560

he had that last album what was it a

2743

01:41:10,870 --> 01:41:08,320

black star or some [h__h]

2744

01:41:12,550 --> 01:41:10,880

will you look up what what that last

2745

01:41:15,910 --> 01:41:12,560

david bowie album was

2746

01:41:19,109 --> 01:41:15,920

and like how after he dropped it it was

2747

01:41:20,629 --> 01:41:19,119

three days and then he died

2748

01:41:22,709 --> 01:41:20,639

and you know like there's like this you

2749

01:41:24,310 --> 01:41:22,719

know the connection yeah black star

2750

01:41:25,830 --> 01:41:24,320

yeah and so like that's a reference to

2751

01:41:28,550 --> 01:41:25,840

saturn well yes

2752

01:41:30,310 --> 01:41:28,560

that and also that there's like this

2753

01:41:30,629 --> 01:41:30,320

crazy coincidence that like you know

2754

01:41:33,030 --> 01:41:30,639

like

2755

01:41:34,070 --> 01:41:33,040

jesus you know after the third day he

2756

01:41:37,109 --> 01:41:34,080

rose again

2757

01:41:40,149 --> 01:41:37,119

but he also late uh rose

2758

01:41:43,109 --> 01:41:40,159

um uh lazarus from the dead

2759

01:41:44,070 --> 01:41:43,119

well he had this hit single come out

2760

01:41:47,350 --> 01:41:44,080

lazarus

2761

01:41:49,430 --> 01:41:47,360

on the black star album and after three

2762

01:41:51,590 --> 01:41:49,440

days of it dropping he died

2763

01:41:53,430 --> 01:41:51,600

and a lot of people say that he knew he

2764

01:41:57,510 --> 01:41:53,440

was gonna die and on the third day he

2765

01:42:00,950 --> 01:41:59,830

and so he went back home dude do we not

2766

01:42:04,070 --> 01:42:00,960

all rise

2767

01:42:05,830 --> 01:42:04,080

he was probably after we died do we do

2768

01:42:07,189 --> 01:42:05,840

do you think there there are people who

2769

01:42:10,550 --> 01:42:07,199

actually

2770

01:42:14,470 --> 01:42:10,560

are like sam said 69 hell yeah

2771

01:42:15,990 --> 01:42:14,480

that's what's up party uh

2772

01:42:17,990 --> 01:42:16,000

so rising from the dead do you think

2773

01:42:21,030 --> 01:42:18,000

that's a

2774

01:42:24,149 --> 01:42:21,040

a physical proof thing like

2775

01:42:26,070 --> 01:42:24,159

somebody saw jesus's uh

2776

01:42:27,510 --> 01:42:26,080

spirit rise or or do you think it's a

2777

01:42:29,990 --> 01:42:27,520

more of a metaphor

2778

01:42:31,030 --> 01:42:30,000

of saying like hey this was a soul

2779

01:42:34,310 --> 01:42:31,040

contract of

2780

01:42:36,470 --> 01:42:34,320

an of an alien species that was put into

2781

01:42:39,590 --> 01:42:36,480

a human body to teach people like hey

2782

01:42:40,229 --> 01:42:39,600

stop doing the dumb stuff you're nice

2783

01:42:43,189 --> 01:42:40,239

yeah guys

2784

01:42:43,750 --> 01:42:43,199

come on i don't have to tell you is it

2785

01:42:46,870 --> 01:42:43,760

my dad

2786

01:42:51,109 --> 01:42:46,880

tell you i just

2787

01:42:55,510 --> 01:42:53,750

oh yeah so but like if is do you think

2788

01:42:58,709 --> 01:42:55,520

that's a metaphor like

2789

01:43:00,629 --> 01:42:58,719

maybe everyone when they die i mean you

2790

01:43:02,790 --> 01:43:00,639

hear about these near-death experiences

2791

01:43:05,910 --> 01:43:02,800

where they float above their head

2792

01:43:06,390 --> 01:43:05,920

like if that's not you then you are not

2793

01:43:08,470 --> 01:43:06,400

your body

2794

01:43:09,990 --> 01:43:08,480

who is it right who is that yeah it's

2795

01:43:12,310 --> 01:43:10,000

almost like it's like a metaphor

2796

01:43:13,189 --> 01:43:12,320

like him raising people from the dead

2797

01:43:15,030 --> 01:43:13,199

even though it was like

2798

01:43:17,350 --> 01:43:15,040

a a couple accounts he's saying like

2799

01:43:20,629 --> 01:43:17,360

yeah anybody can be raised from the dead

2800

01:43:22,149 --> 01:43:20,639

yeah it's a metaphor yeah oh william

2801
01:43:25,350 --> 01:43:22,159
says whoever

2802
01:43:26,070 --> 01:43:25,360
whoever have a thumbs down your mama's a

2803
01:43:29,590 --> 01:43:26,080
bum

2804
01:43:30,950 --> 01:43:29,600
oh we getting like a [\h__\h] on the thumbs

2805
01:43:33,669 --> 01:43:30,960
down on this i don't know

2806
01:43:35,270 --> 01:43:33,679
probably oh we have zero thumbs down oh

2807
01:43:37,350 --> 01:43:35,280
what are you talking about

2808
01:43:38,709 --> 01:43:37,360
i'm gonna refresh i bet we have like a

2809
01:43:41,590 --> 01:43:38,719
million thumbs down

2810
01:43:43,669 --> 01:43:41,600
oh there's one one thumbs down yeah yeah

2811
01:43:45,430 --> 01:43:43,679
thumbs up the 18 people guys

2812
01:43:46,709 --> 01:43:45,440
oh my gosh if you like if you guys like

2813
01:43:48,229 --> 01:43:46,719

hanging out with us please subscribe to

2814

01:43:49,910 --> 01:43:48,239

our channel we don't normally this is

2815

01:43:50,709 --> 01:43:49,920

kind of like uh like just a fun night

2816

01:43:52,390 --> 01:43:50,719

for us like

2817

01:43:53,910 --> 01:43:52,400

we usually have guests and we have more

2818

01:43:55,270 --> 01:43:53,920

of a structured show

2819

01:43:56,950 --> 01:43:55,280

we're just having fun we're just having

2820

01:43:58,470 --> 01:43:56,960

fun so thanks for sticking around uh

2821

01:43:59,750 --> 01:43:58,480

there's quite a few people in in the

2822

01:44:01,830 --> 01:43:59,760

chat so thanks for

2823

01:44:03,350 --> 01:44:01,840

uh putting in your questions and and uh

2824

01:44:05,270 --> 01:44:03,360

having a conversation with us tonight

2825

01:44:05,990 --> 01:44:05,280

y'all this is this is badass like this

2826

01:44:08,790 --> 01:44:06,000

is kind of

2827

01:44:10,310 --> 01:44:08,800

this is what this is why we started

2828

01:44:12,470 --> 01:44:10,320

doing this right like talking to other

2829

01:44:15,669 --> 01:44:12,480

people hearing other people's stories

2830

01:44:16,709 --> 01:44:15,679

um yeah man like again we're not here to

2831

01:44:19,109 --> 01:44:16,719

tell you the news

2832

01:44:20,390 --> 01:44:19,119

and like catch you up on the [h__h]

2833

01:44:23,430 --> 01:44:20,400

events and like

2834

01:44:24,470 --> 01:44:23,440

so-and-so and the the department of

2835

01:44:27,590 --> 01:44:24,480

defense uh

2836

01:44:29,030 --> 01:44:27,600

has like no dude that's not jaco there's

2837

01:44:31,270 --> 01:44:29,040

probably another better channel

2838

01:44:33,350 --> 01:44:31,280

um that does that a lot better there is

2839

01:44:35,590 --> 01:44:33,360

yeah oh i wanted to point this out we

2840

01:44:37,430 --> 01:44:35,600

had said that sam said 69

2841

01:44:39,590 --> 01:44:37,440

and then we laughed but then above it it

2842

01:44:40,310 --> 01:44:39,600

says i'm telepathically connected now to

2843

01:44:42,470 --> 01:44:40,320

you guys

2844

01:44:43,830 --> 01:44:42,480

think of a number i'll say what you

2845

01:44:46,550 --> 01:44:43,840

think oh

2846

01:44:47,430 --> 01:44:46,560

dude it does and so he's psychic dude

2847

01:44:49,270 --> 01:44:47,440

because

2848

01:44:50,629 --> 01:44:49,280

he knew we were going to think of 69

2849

01:44:53,189 --> 01:44:50,639

before we even thought about it

2850

01:44:53,750 --> 01:44:53,199

because we part he knows we party and

2851

01:44:58,310 --> 01:44:53,760

then

2852

01:45:01,590 --> 01:44:58,320

dan said 19. van gogh said 84.5

2853

01:45:04,709 --> 01:45:01,600

hilarious key key switches

2854

01:45:05,669 --> 01:45:04,719

keith richardson went on vacation with

2855

01:45:08,390 --> 01:45:05,679

my old lady

2856

01:45:10,070 --> 01:45:08,400

he was definitely an alien yeah dude i

2857

01:45:11,830 --> 01:45:10,080

love that dude on wayne's world

2858

01:45:13,109 --> 01:45:11,840

he's like hanging he's hanging like

2859

01:45:14,950 --> 01:45:13,119

upside down

2860

01:45:17,270 --> 01:45:14,960

he's like i love this from keith

2861

01:45:19,189 --> 01:45:17,280

richards when i was on tour with the

2862

01:45:21,990 --> 01:45:19,199

rolling stones

2863

01:45:23,830 --> 01:45:22,000

and he lights a cigarette upside down

2864

01:45:27,030 --> 01:45:23,840

sleeping likely so i had 10 years to

2865

01:45:30,229 --> 01:45:29,189

that's the the whoever came up with that

2866

01:45:32,229 --> 01:45:30,239

character

2867

01:45:33,510 --> 01:45:32,239

honestly i bet it's just some dude that

2868

01:45:35,590 --> 01:45:33,520

they were friends with yeah

2869

01:45:36,550 --> 01:45:35,600

it's like okay will you be in our video

2870

01:45:39,830 --> 01:45:36,560

or movie and just be

2871

01:45:41,990 --> 01:45:39,840

you for like a little bit hey

2872

01:45:44,550 --> 01:45:42,000

that's you and led zeppelin and some old

2873

01:45:47,590 --> 01:45:44,560

lady who's that old lady he smiled lazy

2874

01:45:49,510 --> 01:45:47,600

that's my old lady

2875

01:45:50,790 --> 01:45:49,520

and he keeps telling the same story over

2876

01:45:53,590 --> 01:45:50,800

and over again oh yeah

2877

01:45:57,669 --> 01:45:53,600

we had to find 300 brown eminem's or

2878

01:46:00,790 --> 01:45:59,350

that's pretty that's pretty good that's

2879

01:46:03,030 --> 01:46:00,800

good oh

2880

01:46:04,709 --> 01:46:03,040

that's a good uk accent antonio is it

2881

01:46:09,430 --> 01:46:04,719

dude are you are you from the uk

2882

01:46:11,189 --> 01:46:09,440

oh no i'm not gonna try it

2883

01:46:12,950 --> 01:46:11,199

yeah now you're gonna ruin it you're

2884

01:46:15,590 --> 01:46:12,960

like i know kavanaugh

2885

01:46:15,990 --> 01:46:15,600

no you just said it no you how you were

2886

01:46:17,590 --> 01:46:16,000

thinking

2887

01:46:19,030 --> 01:46:17,600

you said it though sam knew you were

2888

01:46:22,229 --> 01:46:19,040

gonna say it and then from

2889

01:46:28,450 --> 01:46:22,239

sam's telepathic communication with us i

2890

01:46:35,669 --> 01:46:28,880

[Music]

2891

01:46:35,679 --> 01:46:39,669

not bad not bad not bad you know

2892

01:46:45,189 --> 01:46:43,350

uh dude so um where where where were we

2893

01:46:47,430 --> 01:46:45,199

at we're on like near death experiences

2894

01:46:48,310 --> 01:46:47,440

talking about like if when you die does

2895

01:46:50,790 --> 01:46:48,320

your soul

2896

01:46:52,709 --> 01:46:50,800

what it what if the soul honestly dude

2897

01:46:53,350 --> 01:46:52,719

like going back to the movie soul man

2898

01:46:56,709 --> 01:46:53,360

like

2899

01:46:59,750 --> 01:46:56,719

i i clicked it it reached me in

2900

01:47:00,629 --> 01:46:59,760

such a deep level bro remember after you

2901

01:47:02,310 --> 01:47:00,639

saw that like that

2902

01:47:04,629 --> 01:47:02,320

that thing where you pop in and out like

2903

01:47:07,510 --> 01:47:04,639

what if it's not just earth what if it's

2904

01:47:09,430 --> 01:47:07,520

univer uh universal yeah dude universal

2905

01:47:12,709 --> 01:47:09,440

studios

2906

01:47:14,070 --> 01:47:12,719

you get gacked that'd be awesome

2907

01:47:15,990 --> 01:47:14,080

okay before we go down this rabble i

2908

01:47:17,430 --> 01:47:16,000

have to pee again oh my god i'm sorry

2909

01:47:29,350 --> 01:47:17,440

are you talking about our sponsors or

2910

01:47:34,149 --> 01:47:32,390

um yeah so i guess uh sponsored

2911

01:47:37,270 --> 01:47:34,159

[h__h] uh well i'll talk about our friends

2912

01:47:39,830 --> 01:47:37,280

or uh william and micah at uh

2913

01:47:41,430 --> 01:47:39,840

vandaberger brothers bob podcast check

2914

01:47:43,109 --> 01:47:41,440

those guys out they're awesome they just

2915

01:47:44,870 --> 01:47:43,119

had a really great episode

2916

01:47:46,950 --> 01:47:44,880

about uh uh it was a little political

2917

01:47:49,270 --> 01:47:46,960

but it was pretty interesting

2918

01:47:50,149 --> 01:47:49,280

but they talk about ufos aliens and

2919

01:47:51,990 --> 01:47:50,159

pretty much

2920

01:47:53,910 --> 01:47:52,000

you know conspiracies and all kinds of

2921

01:47:55,430 --> 01:47:53,920

stuff another one is what if tomorrow

2922

01:47:56,950 --> 01:47:55,440

podcast it's a great it's a great

2923

01:47:58,310 --> 01:47:56,960

concept like what if tomorrow

2924

01:48:00,149 --> 01:47:58,320

this what it's more about that they talk

2925

01:48:04,790 --> 01:48:00,159

about everything from

2926

01:48:07,750 --> 01:48:04,800

like prepping for uh uh

2927

01:48:09,030 --> 01:48:07,760

natural disasters or public events which

2928

01:48:10,709 --> 01:48:09,040

i think is

2929

01:48:12,870 --> 01:48:10,719

there's a lot of information those guys

2930

01:48:16,070 --> 01:48:12,880

know about that uh

2931

01:48:17,510 --> 01:48:16,080

little little bits of gold um so yeah

2932

01:48:19,189 --> 01:48:17,520

check out our friends and also

2933

01:48:20,870 --> 01:48:19,199

dave it's spaced out radios based on

2934

01:48:22,470 --> 01:48:20,880

radio y'all check it out oh my gosh if

2935

01:48:23,590 --> 01:48:22,480

you have an artist based on radio check

2936

01:48:26,629 --> 01:48:23,600

it out

2937

01:48:30,830 --> 01:48:26,639

uh dave scott who's dave love

2938

01:48:33,430 --> 01:48:30,840

oh oh from wendy's hell yeah

2939

01:48:35,910 --> 01:48:33,440

um uh hold on what's his i just made

2940

01:48:39,430 --> 01:48:35,920

that graphic for his t-shirt

2941

01:48:42,709 --> 01:48:39,440

all elvenay hello of me

2942

01:48:43,189 --> 01:48:42,719

vlador oh yeah dude yeah dude oh i'm

2943

01:48:44,950 --> 01:48:43,199

gonna share

2944

01:48:47,910 --> 01:48:44,960

the screen real quick hold on here and

2945

01:48:49,990 --> 01:48:47,920

see um yo go check out those

2946

01:48:51,510 --> 01:48:50,000

little shirts man go get you one go get

2947

01:48:54,870 --> 01:48:51,520

you one of the the shirts

2948

01:48:58,870 --> 01:48:56,390

here we go all right sure screen i

2949

01:49:02,070 --> 01:48:58,880

figured it out i'm [h__h] okay

2950

01:49:04,470 --> 01:49:02,080

i can do computers it's a shirt damn

2951

01:49:06,550 --> 01:49:04,480

so that's about to be live in his store

2952

01:49:07,669 --> 01:49:06,560

um i'm pretty stoked i mean i mean we've

2953

01:49:09,990 --> 01:49:07,679

got the the mask

2954

01:49:11,270 --> 01:49:10,000

and the i think the nipples could be

2955

01:49:13,350 --> 01:49:11,280

maybe you know

2956

01:49:14,709 --> 01:49:13,360

um i don't know if they're the correct

2957

01:49:17,350 --> 01:49:14,719

size so i don't know

2958

01:49:18,629 --> 01:49:17,360

i think i've seen dave shirtless so i'd

2959

01:49:19,750 --> 01:49:18,639

be curious i would say that those

2960

01:49:22,229 --> 01:49:19,760

nipples are accurate

2961

01:49:24,070 --> 01:49:22,239

to dave's yeah like dave is surprisingly

2962

01:49:25,830 --> 01:49:24,080

buff he's a he's a buff guy he's

2963

01:49:29,109 --> 01:49:25,840

surprisingly buff

2964

01:49:32,310 --> 01:49:29,119

so he's he's lost a lot of weight

2965

01:49:33,990 --> 01:49:32,320

yeah yeah yeah [\h__\h] yeah

2966

01:49:36,229 --> 01:49:34,000

that dude was like i've been drinking

2967

01:49:39,350 --> 01:49:36,239

water

2968

01:49:41,430 --> 01:49:39,360

can do for you dude oh yeah

2969

01:49:42,550 --> 01:49:41,440

hell yeah hey you should show them some

2970

01:49:44,229 --> 01:49:42,560

shirts that we have

2971

01:49:45,830 --> 01:49:44,239

oh my god we got a lot of newbies in

2972

01:49:47,669 --> 01:49:45,840

here and they they haven't probably seen

2973

01:49:49,589 --> 01:49:47,679

the store they haven't seen the the

2974

01:49:51,750 --> 01:49:49,599

you know they haven't seen the the the

2975

01:49:52,310 --> 01:49:51,760

awesome threads that we got on here dude

2976

01:49:54,390 --> 01:49:52,320

you know

2977

01:49:56,870 --> 01:49:54,400

and we're also gonna start uh selling

2978

01:49:59,189 --> 01:49:56,880

some some plush dolls of our

2979

01:50:00,870 --> 01:49:59,199

uh uh cinnamon terry yeah that's right

2980

01:50:01,830 --> 01:50:00,880

dude it's like a stuffed animal of the

2981

01:50:04,870 --> 01:50:01,840

cinnamon terry

2982

01:50:07,270 --> 01:50:04,880

yeah um we've got our videos

2983

01:50:09,189 --> 01:50:07,280

oh we've got the dr scientist mug dude

2984

01:50:11,830 --> 01:50:09,199

we got mugs

2985

01:50:13,030 --> 01:50:11,840

we we even have dave scott undies on our

2986

01:50:16,470 --> 01:50:13,040

website

2987

01:50:17,830 --> 01:50:16,480

scott undies we've got uh they have the

2988

01:50:19,910 --> 01:50:17,840

impala on the back right

2989

01:50:20,870 --> 01:50:19,920

they do that's a that's a little collab

2990

01:50:23,669 --> 01:50:20,880

that we did

2991

01:50:24,149 --> 01:50:23,679

yeah uh with dave scott it's got our our

2992

01:50:28,149 --> 01:50:24,159

logo

2993

01:50:29,350 --> 01:50:28,159

on the back and his face on the front

2994

01:50:31,189 --> 01:50:29,360

a lot of people got really mad about

2995

01:50:31,510 --> 01:50:31,199

this that's hilarious we're not we're

2996

01:50:34,070 --> 01:50:31,520

not

2997

01:50:35,910 --> 01:50:34,080

sexualizing dave okay he's just a sexual

2998

01:50:37,669 --> 01:50:35,920

human being he can't help that he's a

2999

01:50:40,070 --> 01:50:37,679

he's a he's a minx

3000

01:50:41,510 --> 01:50:40,080

he's a face of fox he's a flying silver

3001

01:50:43,350 --> 01:50:41,520

fox he's fiery

3002

01:50:45,350 --> 01:50:43,360

and when i met him in california my

3003

01:50:48,390 --> 01:50:45,360

pants were tight all weekend yeah

3004

01:50:50,390 --> 01:50:48,400

and i didn't understand why

3005

01:50:51,750 --> 01:50:50,400

you know i wasn't wearing pants all

3006

01:50:53,270 --> 01:50:51,760

weekend that's right you weren't cause

3007

01:50:55,990 --> 01:50:53,280

we were drinking all that goddamn wine

3008

01:50:56,790 --> 01:50:56,000

hell yeah we drink wine probably why i

3009

01:51:00,550 --> 01:50:56,800

found

3010

01:51:05,750 --> 01:51:03,589

and what happened next uh

3011

01:51:07,030 --> 01:51:05,760

he wanted taco bell for like two hours

3012

01:51:10,470 --> 01:51:07,040

that's what happens

3013

01:51:13,350 --> 01:51:10,480

he loves taco bell dave loves taco bell

3014

01:51:15,030 --> 01:51:13,360

you think aliens will love taco bell

3015

01:51:17,109 --> 01:51:15,040

dude if aliens don't love taco bell

3016

01:51:19,589 --> 01:51:17,119

they're gonna get dude

3017

01:51:21,270 --> 01:51:19,599

[h__h] aliens bro yeah if aliens don't

3018

01:51:24,310 --> 01:51:21,280

like taco bell

3019

01:51:25,030 --> 01:51:24,320

could get [h__h] you could stink off stick

3020

01:51:28,790 --> 01:51:25,040

off

3021

01:51:32,149 --> 01:51:28,800

it

3022

01:51:32,790 --> 01:51:32,159

uh so yeah dude one thing i've been

3023

01:51:34,310 --> 01:51:32,800

thinking about

3024

01:51:36,870 --> 01:51:34,320

bringing it back to some maybe some

3025

01:51:40,390 --> 01:51:36,880

topics that we thought about earlier

3026

01:51:43,430 --> 01:51:40,400

um is the

3027

01:51:46,229 --> 01:51:43,440

after i'm trying to balance it out here

3028

01:51:47,910 --> 01:51:46,239

i'm trying to balance it out but but i

3029

01:51:50,070 --> 01:51:47,920

want underwear the same masturbation

3030

01:51:52,629 --> 01:51:50,080

propulsion

3031

01:51:53,430 --> 01:51:52,639

yes william you got it sir yes william

3032

01:51:55,030 --> 01:51:53,440

you got it

3033

01:51:56,470 --> 01:51:55,040

also we got to call william back after

3034

01:51:57,510 --> 01:51:56,480

this i want to say one thing on let's

3035

01:51:58,229 --> 01:51:57,520

chat about for a second it's called

3036

01:52:00,229 --> 01:51:58,239

william okay

3037

01:52:01,750 --> 01:52:00,239

william b be prepared are you i don't

3038

01:52:01,990 --> 01:52:01,760

are you at work let us know because

3039

01:52:03,990 --> 01:52:02,000

we're

3040

01:52:05,350 --> 01:52:04,000

going to call you you have to answer

3041

01:52:08,390 --> 01:52:05,360

because we'll look down

3042

01:52:10,390 --> 01:52:08,400

if you don't answer hey uh

3043

01:52:11,589 --> 01:52:10,400

jennifer don't feel special all right

3044

01:52:13,830 --> 01:52:11,599

girl he

3045

01:52:15,350 --> 01:52:13,840

he calls me beautiful too yeah or

3046

01:52:16,550 --> 01:52:15,360

gorgeous sorry

3047

01:52:18,390 --> 01:52:16,560

i mean he's really just talking about

3048

01:52:21,030 --> 01:52:18,400

your your facial hair that's true

3049

01:52:22,629 --> 01:52:21,040

and your uh your luxurious locks if i

3050

01:52:24,149 --> 01:52:22,639

shave my hair and beard they wouldn't

3051
01:52:26,390 --> 01:52:24,159
love me anymore

3052
01:52:28,310 --> 01:52:26,400
i wouldn't love you anymore oh dude

3053
01:52:30,229 --> 01:52:28,320
that's so hard

3054
01:52:32,709 --> 01:52:30,239
i love you but i would the podcast would

3055
01:52:35,270 --> 01:52:32,719
be over what if in 10 years you have a

3056
01:52:37,430 --> 01:52:35,280
massive beard and long ass hair and i

3057
01:52:39,350 --> 01:52:37,440
have short hair

3058
01:52:41,750 --> 01:52:39,360
and you like dyed it dyed it like

3059
01:52:45,189 --> 01:52:41,760
strawberry blonde

3060
01:52:46,790 --> 01:52:45,199
i don't know dude if you if you did that

3061
01:52:48,310 --> 01:52:46,800
like there would be something wrong i've

3062
01:52:48,950 --> 01:52:48,320
got a lot of i got a lot of red in my

3063
01:52:50,629 --> 01:52:48,960

hair

3064

01:52:52,870 --> 01:52:50,639

you do actually have a lot of yeah my

3065

01:52:54,629 --> 01:52:52,880

beard too it's like really really red

3066

01:52:58,390 --> 01:52:54,639

you do have yeah i think it's because

3067

01:53:00,870 --> 01:52:58,400

i'm probably part spaniard

3068

01:53:02,629 --> 01:53:00,880

dude that is that is span your blood man

3069

01:53:05,189 --> 01:53:02,639

we like kind of narrowed it down because

3070

01:53:08,629 --> 01:53:05,199

i won't take like an actual dna test

3071

01:53:10,629 --> 01:53:08,639

because your mom is uh mexican my dad is

3072

01:53:12,229 --> 01:53:10,639

white but my grandparents like my

3073

01:53:14,870 --> 01:53:12,239

grandmother is super

3074

01:53:16,870 --> 01:53:14,880

like light skinned like spaniardish

3075

01:53:18,709 --> 01:53:16,880

right but like my grandfather is like

3076

01:53:21,350 --> 01:53:18,719

[h__\h] aztec bro he's like

3077

01:53:22,790 --> 01:53:21,360

brown red you know like he's like real

3078

01:53:26,310 --> 01:53:22,800

aztec and [h__\h] yeah

3079

01:53:29,589 --> 01:53:26,320

and and then my dad

3080

01:53:32,629 --> 01:53:29,599

well he's white he's just a white guy

3081

01:53:33,950 --> 01:53:32,639

no one knows what are the genetic

3082

01:53:36,070 --> 01:53:33,960

differences between somebody who's

3083

01:53:39,669 --> 01:53:36,080

czechoslovakian and german and they'd be

3084

01:53:42,629 --> 01:53:41,189

there's some cool stuff there's some i'm

3085

01:53:44,229 --> 01:53:42,639

sure there's some cool stuff in there

3086

01:53:45,270 --> 01:53:44,239

allergies you guys know how to dance i'm

3087

01:53:48,629 --> 01:53:45,280

telling you that oh

3088

01:53:50,470 --> 01:53:48,639

dude yeah so yeah

3089

01:53:53,030 --> 01:53:50,480

dude well let's go to the germans

3090

01:53:55,990 --> 01:53:53,040

because they have polka

3091

01:53:57,030 --> 01:53:56,000

interesting fact um about texas and

3092

01:53:59,270 --> 01:53:57,040

tejano music

3093

01:54:01,350 --> 01:53:59,280

and the like the the the influence of

3094

01:54:03,430 --> 01:54:01,360

like the german settlers and

3095

01:54:05,350 --> 01:54:03,440

and and uh the european settlers that

3096

01:54:05,990 --> 01:54:05,360

came here and then the tejanos that

3097

01:54:07,750 --> 01:54:06,000

lived

3098

01:54:09,189 --> 01:54:07,760

in the area at the same time you start

3099

01:54:10,390 --> 01:54:09,199

listening to like polka music and you're

3100

01:54:13,589 --> 01:54:10,400

like holy [h__h]

3101
01:54:16,149 --> 01:54:13,599
um that's very pretty no one listened to

3102
01:54:24,550 --> 01:54:16,159
polka and said holy [\h__\h]

3103
01:54:28,229 --> 01:54:27,350
but then you listen to like you know

3104
01:54:33,320 --> 01:54:28,239
like

3105
01:54:36,709 --> 01:54:33,330
what do you hear

3106
01:54:39,910 --> 01:54:37,990
i was going to sing something in spanish

3107
01:54:41,910 --> 01:54:39,920
but yeah i don't know and if you live in

3108
01:54:43,510 --> 01:54:41,920
an apartment it's usually a lot louder

3109
01:54:44,790 --> 01:54:43,520
than a german person would play their

3110
01:54:47,030 --> 01:54:44,800
music yeah but it's

3111
01:54:49,990 --> 01:54:47,040
it's about the same thing yeah yeah uh

3112
01:54:53,830 --> 01:54:50,000
so i sold i sold my pa system

3113
01:54:59,350 --> 01:54:53,840

i had two 15 inch power jbls

3114

01:55:02,950 --> 01:55:01,030

so i sold them and i was like asking the

3115

01:55:04,390 --> 01:55:02,960

guys it was two bros that came over

3116

01:55:06,550 --> 01:55:04,400

and picked them up and i was like so you

3117

01:55:08,149 --> 01:55:06,560

guys in a band or like no we just party

3118

01:55:10,149 --> 01:55:08,159

dude we're gonna play some

3119

01:55:11,350 --> 01:55:10,159

some you know reggaeton and [h__h] i was

3120

01:55:14,629 --> 01:55:11,360

like yeah

3121

01:55:17,669 --> 01:55:14,639

oh yes i love that they're going to

3122

01:55:18,950 --> 01:55:17,679

like i don't know i was telling like uh

3123

01:55:21,830 --> 01:55:18,960

so you talking about like the upbeat

3124

01:55:23,830 --> 01:55:21,840

kind of stuff like or they were like oh

3125

01:55:25,189 --> 01:55:23,840

you know and they showed me some stuff

3126

01:55:27,430 --> 01:55:25,199

that they're working on

3127

01:55:28,790 --> 01:55:27,440

but i love that like the 10 years that

3128

01:55:30,550 --> 01:55:28,800

we were in a band together

3129

01:55:32,390 --> 01:55:30,560

and how much use and fun we had out of

3130

01:55:32,950 --> 01:55:32,400

those speakers are now going to live

3131

01:55:35,030 --> 01:55:32,960

forever

3132

01:55:35,990 --> 01:55:35,040

oh yeah like a house full of like people

3133

01:55:37,910 --> 01:55:36,000

having a great time

3134

01:55:39,350 --> 01:55:37,920

that's what's up dude that's hilarious i

3135

01:55:40,870 --> 01:55:39,360

was like i was like they're they're

3136

01:55:42,149 --> 01:55:40,880

pretty loud outdoors they're like no

3137

01:55:44,470 --> 01:55:42,159

they're gonna be like inside like in my

3138

01:55:46,390 --> 01:55:44,480

garage yeah it's like oh yeah

3139

01:55:48,550 --> 01:55:46,400

that's gonna blow that your neighbors

3140

01:55:51,750 --> 01:55:48,560

are gonna hate you dude

3141

01:55:53,430 --> 01:55:51,760

oh dude oh yeah van gaal yeah dude

3142

01:55:55,669 --> 01:55:53,440

i mean it could it could be kind of

3143

01:55:57,910 --> 01:55:55,679

irish too it probably could be irish

3144

01:55:59,589 --> 01:55:57,920

it's not like it's not like orange

3145

01:56:03,189 --> 01:55:59,599

though you know

3146

01:56:07,189 --> 01:56:03,199

it's like that's a real spanish red

3147

01:56:08,390 --> 01:56:07,199

hmm isn't it crazy

3148

01:56:10,629 --> 01:56:08,400

i mean we could tie this back into

3149

01:56:11,669 --> 01:56:10,639

aliens a little bit um this the basque

3150

01:56:16,229 --> 01:56:11,679

people the

3151
01:56:18,229 --> 01:56:16,239
originated around this area of spain

3152
01:56:20,629 --> 01:56:18,239
and they have their own language that

3153
01:56:21,510 --> 01:56:20,639
isn't uh connected to any other language

3154
01:56:23,430 --> 01:56:21,520
on earth

3155
01:56:24,550 --> 01:56:23,440
and they believe that they have the

3156
01:56:27,990 --> 01:56:24,560
highest amount of

3157
01:56:30,070 --> 01:56:28,000
rh negative blood types and there's a

3158
01:56:31,510 --> 01:56:30,080
type o blood type and they believe that

3159
01:56:34,310 --> 01:56:31,520
they were the first

3160
01:56:35,589 --> 01:56:34,320
people to come out of that caveman era

3161
01:56:39,189 --> 01:56:35,599
into modern human

3162
01:56:41,510 --> 01:56:39,199
and they may have been uh genetically

3163
01:56:43,030 --> 01:56:41,520

modified to have such a high

3164

01:56:44,550 --> 01:56:43,040

o blood type because it can be

3165

01:56:46,870 --> 01:56:44,560

transfused into

3166

01:56:49,430 --> 01:56:46,880

any other blood type on the planet yeah

3167

01:56:50,390 --> 01:56:49,440

so they were used as the original slaves

3168

01:56:53,589 --> 01:56:50,400

of aliens

3169

01:56:54,390 --> 01:56:53,599

of the animal oh my god med beds back to

3170

01:57:04,149 --> 01:56:54,400

med beds

3171

01:57:07,510 --> 01:57:05,910

have you have you seen this conspiracy

3172

01:57:10,950 --> 01:57:07,520

or this idea that that uh

3173

01:57:13,270 --> 01:57:10,960

a lot of oh blood types

3174

01:57:14,790 --> 01:57:13,280

did not get coveted i don't want to talk

3175

01:57:16,470 --> 01:57:14,800

about covet i'm just saying that that's

3176

01:57:18,950 --> 01:57:16,480

interesting

3177

01:57:20,390 --> 01:57:18,960

that did not get covered hell yeah had

3178

01:57:22,950 --> 01:57:20,400

oh blood types

3179

01:57:23,990 --> 01:57:22,960

i don't know it sounds scientific to me

3180

01:57:27,270 --> 01:57:24,000

i don't know what kind of blood

3181

01:57:28,870 --> 01:57:27,280

type i have me either i don't they

3182

01:57:30,870 --> 01:57:28,880

why don't they put that on your [h__h]

3183

01:57:33,589 --> 01:57:30,880

uh your driver's lice i'm a donor

3184

01:57:36,070 --> 01:57:33,599

but i don't know my blood type it's just

3185

01:57:37,510 --> 01:57:36,080

it just says take it

3186

01:57:39,510 --> 01:57:37,520

just take it just take your [h__h]

3187

01:57:41,109 --> 01:57:39,520

ticket dude have you seen that [h__h]

3188

01:57:44,070 --> 01:57:41,119

where like they talk about like

3189

01:57:45,510 --> 01:57:44,080

never be a donor and never put that on

3190

01:57:48,550 --> 01:57:45,520

your license

3191

01:57:51,109 --> 01:57:48,560

because sometimes like if you get hurt

3192

01:57:53,270 --> 01:57:51,119

and like you're not dead yet like if

3193

01:57:53,910 --> 01:57:53,280

they're short on kidneys or some [h__h]

3194

01:57:55,990 --> 01:57:53,920

this month

3195

01:57:57,750 --> 01:57:56,000

like they'll just let you die so they

3196

01:57:59,669 --> 01:57:57,760

can harvest your kidney because it's

3197

01:58:02,870 --> 01:57:59,679

like a lucrative business

3198

01:58:05,350 --> 01:58:02,880

you know like they they say like don't

3199

01:58:07,109 --> 01:58:05,360

do that because you could possibly

3200

01:58:08,790 --> 01:58:07,119

yeah like they could just like kind of

3201

01:58:11,189 --> 01:58:08,800

look nobody wants my kidneys

3202

01:58:12,390 --> 01:58:11,199

well i'm drinking too much uh boxed wine

3203

01:58:15,270 --> 01:58:12,400

they're like we could

3204

01:58:16,629 --> 01:58:15,280

maybe save him but i mean we could just

3205

01:58:20,629 --> 01:58:16,639

let him die

3206

01:58:21,669 --> 01:58:20,639

and take his i i think there's something

3207

01:58:23,830 --> 01:58:21,679

to that man

3208

01:58:26,310 --> 01:58:23,840

i always wondered dude if you ever got

3209

01:58:29,830 --> 01:58:26,320

your eyes transplanted

3210

01:58:31,589 --> 01:58:29,840

if you died and you got your eyes

3211

01:58:32,950 --> 01:58:31,599

transplanted would you could you see

3212

01:58:36,229 --> 01:58:32,960

your own butt

3213

01:58:37,830 --> 01:58:36,239

well like what would what type of

3214

01:58:41,270 --> 01:58:37,840

information do your brain

3215

01:58:41,750 --> 01:58:41,280

does your eyes contain you know what i'm

3216

01:58:44,070 --> 01:58:41,760

saying

3217

01:58:45,910 --> 01:58:44,080

being so close to your brain and all you

3218

01:58:47,589 --> 01:58:45,920

know yeah like does it have memory is

3219

01:58:48,790 --> 01:58:47,599

there like a transfer of information

3220

01:58:50,629 --> 01:58:48,800

there a little bit where

3221

01:58:52,390 --> 01:58:50,639

you know how like old computer screens

3222

01:58:53,830 --> 01:58:52,400

have like a remnant like if it's old

3223

01:58:55,830 --> 01:58:53,840

like this computer sometimes

3224

01:58:57,189 --> 01:58:55,840

like images will burn on the screen oh

3225

01:58:58,790 --> 01:58:57,199

yeah yeah like maybe

3226

01:59:01,109 --> 01:58:58,800

let's see if it happens now no it did

3227

01:59:03,189 --> 01:59:01,119

not happen but sometimes it happens

3228

01:59:04,870 --> 01:59:03,199

i wonder maybe there's something to that

3229

01:59:05,350 --> 01:59:04,880

like we're finding out every day like

3230

01:59:07,030 --> 01:59:05,360

every

3231

01:59:08,629 --> 01:59:07,040

a lot of our major organs in the human

3232

01:59:10,550 --> 01:59:08,639

body have like

3233

01:59:12,950 --> 01:59:10,560

neuroreceptors just like the brain like

3234

01:59:16,310 --> 01:59:12,960

the stomach and the gut in the heart

3235

01:59:16,950 --> 01:59:16,320

has like they're not brand new receptors

3236

01:59:20,149 --> 01:59:16,960

but they act

3237

01:59:22,390 --> 01:59:20,159

just like um

3238

01:59:24,550 --> 01:59:22,400

so who knows maybe the eyes have certain

3239

01:59:27,669 --> 01:59:24,560

things i mean i love the idea that

3240

01:59:30,390 --> 01:59:27,679

anything we see is transmuted

3241

01:59:32,070 --> 01:59:30,400

and and decoded and switched around in

3242

01:59:34,310 --> 01:59:32,080

our brain and we're never really

3243

01:59:36,629 --> 01:59:34,320

seeing the world that we're looking at

3244

01:59:38,310 --> 01:59:36,639

the the lens that we're seeing through

3245

01:59:40,310 --> 01:59:38,320

our optic nerve is that we're actually

3246

01:59:42,709 --> 01:59:40,320

seeing [h__h] upside down man

3247

01:59:43,350 --> 01:59:42,719

yeah and our brain flips it because it's

3248

01:59:46,709 --> 01:59:43,360

a it's a

3249

01:59:49,430 --> 01:59:46,719

con uh convexed shape

3250

01:59:51,030 --> 01:59:49,440

right uh so science just like we do

3251

01:59:53,270 --> 01:59:51,040

everything upside down

3252

01:59:54,470 --> 01:59:53,280

like we walk upside down you know it's

3253

01:59:57,669 --> 01:59:54,480

not upside down

3254

01:59:59,669 --> 01:59:57,679

dude what if that means that the earth

3255

02:00:00,709 --> 01:59:59,679

isn't round that it's actually like

3256

02:00:02,629 --> 02:00:00,719

donut shaped

3257

02:00:03,830 --> 02:00:02,639

but because we see everything upside

3258

02:00:14,870 --> 02:00:03,840

down it looks like a

3259

02:00:18,229 --> 02:00:16,229

i think you just i think you just broke

3260

02:00:19,589 --> 02:00:18,239

the matrix i'm gonna sleep so good

3261

02:00:21,270 --> 02:00:19,599

tonight

3262

02:00:25,750 --> 02:00:21,280

or i'm not gonna sleep for multiple

3263

02:00:29,109 --> 02:00:27,270

dude i've got to think about that for a

3264

02:00:32,870 --> 02:00:29,119

second oh the podcast is over

3265

02:00:35,669 --> 02:00:32,880

yeah literally broke my mind

3266

02:00:36,709 --> 02:00:35,679

just for a second oh man we gotta have

3267

02:00:40,390 --> 02:00:36,719

somebody who knows what they're talking

3268

02:00:41,690 --> 02:00:40,400

about who's an optometrist who knows

3269

02:00:44,840 --> 02:00:41,700

jsdf says don't

3270

02:00:46,629 --> 02:00:44,850

[Laughter]

3271

02:00:49,589 --> 02:00:46,639

[Music]

3272

02:00:51,750 --> 02:00:49,599

oh dude oh dude chris holmes says i've

3273

02:00:54,229 --> 02:00:51,760

been testing negative so far and i'm o

3274

02:00:56,390 --> 02:00:54,239

positive there you go

3275

02:00:57,589 --> 02:00:56,400

yeah and jennifer says no donor they let

3276

02:01:00,229 --> 02:00:57,599

you die

3277

02:01:01,510 --> 02:01:00,239

yeah dude yeah and i don't know what we

3278

02:01:05,109 --> 02:01:01,520

said but william said

3279

02:01:06,709 --> 02:01:05,119

i don't lie you know it's white claws

3280

02:01:08,310 --> 02:01:06,719

bro you know i love them white i used to

3281

02:01:10,149 --> 02:01:08,320

love them white claws

3282

02:01:11,510 --> 02:01:10,159

yeah my body just said no more i

3283

02:01:13,750 --> 02:01:11,520

couldn't i can't even smell

3284

02:01:16,390 --> 02:01:13,760

like claws anymore i had like two white

3285

02:01:19,750 --> 02:01:16,400

claws it was like to say for me yeah

3286

02:01:22,870 --> 02:01:19,760

yeah i switched to to bud

3287

02:01:26,470 --> 02:01:22,880

ice hmm

3288

02:01:29,750 --> 02:01:28,390

soaked in wine yeah they don't want your

3289

02:01:31,830 --> 02:01:29,760

kidneys dude

3290

02:01:33,510 --> 02:01:31,840

hell no they don't yeah they don't want

3291

02:01:36,070 --> 02:01:33,520

ben's kidneys

3292

02:01:36,709 --> 02:01:36,080

no uh there are stories where people who

3293

02:01:39,109 --> 02:01:36,719

have had

3294

02:01:41,189 --> 02:01:39,119

heart transplants crave the foods of the

3295

02:01:43,990 --> 02:01:41,199

person who donated their heart

3296

02:01:45,589 --> 02:01:44,000

dude yeah that's that's crazy i've heard

3297

02:01:49,189 --> 02:01:45,599

some crazy stories like that

3298

02:01:50,550 --> 02:01:49,199

yeah yeah totally chris holm hey thanks

3299

02:01:51,830 --> 02:01:50,560

for hanging out brother go draw them

3300

02:01:55,430 --> 02:01:51,840

boobies good

3301

02:01:56,070 --> 02:01:55,440

yeah is it christmas an amazing

3302

02:01:57,510 --> 02:01:56,080

illustrator

3303

02:01:59,270 --> 02:01:57,520

bro that's one of my favorite i want

3304

02:01:59,750 --> 02:01:59,280

that that's like the tattoo i think i

3305

02:02:02,470 --> 02:01:59,760

might want

3306

02:02:03,669 --> 02:02:02,480

that that's just impressive that he did

3307

02:02:04,310 --> 02:02:03,679

with us and cinnamon terry in the

3308

02:02:07,189 --> 02:02:04,320

backseat

3309

02:02:07,750 --> 02:02:07,199

yeah so cinnamon for those of you guys

3310

02:02:09,910 --> 02:02:07,760

don't know

3311

02:02:10,790 --> 02:02:09,920

who cinnamon terry is he's our uh he's

3312

02:02:14,550 --> 02:02:10,800

our mascot

3313

02:02:17,669 --> 02:02:14,560

that uh well it came up

3314

02:02:18,629 --> 02:02:17,679

by accident yeah yeah we were trying to

3315

02:02:21,750 --> 02:02:18,639

say

3316

02:02:26,790 --> 02:02:21,760

cemetery cemetery and

3317

02:02:33,669 --> 02:02:30,950

uh but yeah dude so anyway what

3318

02:02:35,189 --> 02:02:33,679

antonio says your eyes interpret light

3319

02:02:39,270 --> 02:02:35,199

not your brain

3320

02:02:42,390 --> 02:02:41,270

tammy you did you missed a good one i

3321

02:02:44,629 --> 02:02:42,400

mean we're still going

3322

02:02:46,149 --> 02:02:44,639

so i mean you can hang out we're we're

3323

02:02:47,830 --> 02:02:46,159

just kind of chilling for those who just

3324

02:02:49,270 --> 02:02:47,840

got in here we don't really have like a

3325

02:02:50,950 --> 02:02:49,280

an agenda for tonight man we're just

3326

02:02:52,629 --> 02:02:50,960

kind of kicking it with all y'all

3327

02:02:54,550 --> 02:02:52,639

actually reading comments tonight

3328

02:02:57,669 --> 02:02:54,560

hanging out just having a good time

3329

02:02:58,229 --> 02:02:57,679

you know drinking some brews we're

3330

02:03:00,149 --> 02:02:58,239

drinking

3331

02:03:02,149 --> 02:03:00,159

damn it this camera thing is so tricky

3332

02:03:04,550 --> 02:03:02,159

backwards we're drinking texas beer

3333

02:03:08,070 --> 02:03:04,560

company beer

3334

02:03:09,669 --> 02:03:08,080

pecos amber he's not i'm not drinking

3335

02:03:11,109 --> 02:03:09,679

but if you but if you watch the document

3336

02:03:12,709 --> 02:03:11,119

oh somebody asked us what we

3337

02:03:14,149 --> 02:03:12,719

what we had going on they wanted to know

3338

02:03:14,950 --> 02:03:14,159

interesting stuff that we have going on

3339

02:03:16,390 --> 02:03:14,960

right oh really

3340

02:03:17,990 --> 02:03:16,400

and we're shooting a documentary and if

3341

02:03:19,270 --> 02:03:18,000

you watch the documentary you will see

3342

02:03:21,109 --> 02:03:19,280

something that's fine

3343

02:03:22,870 --> 02:03:21,119

uh texas beer company beer and the

3344

02:03:24,790 --> 02:03:22,880

documentary no

3345

02:03:29,669 --> 02:03:24,800

you didn't like pay us or anything we

3346

02:03:32,229 --> 02:03:29,679

are getting zero money

3347

02:03:33,430 --> 02:03:32,239

we are actually negative money right now

3348

02:03:36,149 --> 02:03:33,440

like

3349

02:03:38,310 --> 02:03:36,159

negative we're spending all of our if it

3350

02:03:38,870 --> 02:03:38,320

doesn't do very good then we're negative

3351

02:03:42,070 --> 02:03:38,880

of

3352

02:03:43,990 --> 02:03:42,080

hope this documentary does

3353

02:03:46,229 --> 02:03:44,000

it's gonna it's gonna be fine it's gonna

3354

02:03:49,669 --> 02:03:46,239

be great dude it already looks so good

3355

02:03:52,790 --> 02:03:49,679

we're gonna need at least 180 of you

3356

02:03:55,750 --> 02:03:52,800

oh now mister

3357

02:03:56,629 --> 02:03:55,760

now mister i don't have to pee like you

3358

02:03:59,510 --> 02:03:56,639

has to pee

3359

02:04:01,990 --> 02:03:59,520

huh where you going are you coming back

3360

02:04:10,069 --> 02:04:05,350

that means it's a poop liar

3361

02:04:13,109 --> 02:04:10,079

that means it's a poop dude

3362

02:04:13,830 --> 02:04:13,119

nobody wants my parts soaked in wine i

3363

02:04:17,350 --> 02:04:13,840

mean

3364

02:04:18,790 --> 02:04:17,360

preserved and wine jennifer dude uh

3365

02:04:21,430 --> 02:04:18,800

we gotta link up some time and drink

3366

02:04:23,990 --> 02:04:21,440

some wine because uh ben and i

3367

02:04:24,790 --> 02:04:24,000

are notorious for drinking hotels out of

3368

02:04:27,189 --> 02:04:24,800

wine

3369

02:04:28,950 --> 02:04:27,199

um past couple that we've went to we've

3370

02:04:31,910 --> 02:04:28,960

pretty much demolished

3371

02:04:33,189 --> 02:04:31,920

their wine bar like in like a three day

3372

02:04:34,790 --> 02:04:33,199

period so

3373

02:04:36,149 --> 02:04:34,800

uh next time we're at a conference you

3374

02:04:37,430 --> 02:04:36,159

gotta come out to a conference i think

3375

02:04:38,069 --> 02:04:37,440

they're gonna be starting up here pretty

3376

02:04:40,310 --> 02:04:38,079

soon

3377

02:04:42,069 --> 02:04:40,320

and uh we'll we'll we'll kill some wine

3378

02:04:45,830 --> 02:04:42,079

together

3379

02:04:49,669 --> 02:04:45,840

uh let's see here what else we got

3380

02:04:51,189 --> 02:04:49,679

uh chris yeah i gotta get back to

3381

02:04:54,069 --> 02:04:51,199

drawing boobs

3382

02:04:54,709 --> 02:04:54,079

i hope we can hang some time yes dude

3383

02:04:58,390 --> 02:04:54,719

yes

3384

02:05:00,709 --> 02:04:58,400

we need to we're so close dude and we

3385

02:05:02,390 --> 02:05:00,719

never get to hang out dude i mean like

3386

02:05:04,629 --> 02:05:02,400

i say we're close but everything in

3387

02:05:05,189 --> 02:05:04,639

texas is like an hour apart from each

3388

02:05:07,510 --> 02:05:05,199

other so

3389

02:05:08,950 --> 02:05:07,520

i mean it's it's it's not that close but

3390

02:05:11,990 --> 02:05:08,960

it is close and yes

3391

02:05:17,510 --> 02:05:12,000

absolutely we do need to get together

3392

02:05:22,390 --> 02:05:19,669

oh yeah tammy you can re-watch it dude

3393

02:05:25,589 --> 02:05:22,400

let's see sam says luella zondo twitter

3394

02:05:29,189 --> 02:05:25,599

today that sorry excuse me beer

3395

02:05:32,550 --> 02:05:29,199

uh luella zondo twitter today that out

3396

02:05:34,629 --> 02:05:32,560

that uh out week will end in this oh our

3397

02:05:38,229 --> 02:05:34,639

week will end in a splash

3398

02:05:43,430 --> 02:05:38,239

what does he mean what is coming to us

3399

02:05:45,589 --> 02:05:43,440

dude i uh dude i don't know

3400

02:05:46,790 --> 02:05:45,599

lou is saying that this week will come

3401

02:05:49,830 --> 02:05:46,800

to

3402

02:05:52,390 --> 02:05:49,840

the an end in a splash i mean

3403

02:05:53,430 --> 02:05:52,400

that's tomorrow so so i guess it will

3404

02:05:54,950 --> 02:05:53,440

say do wait just

3405

02:05:56,790 --> 02:05:54,960

wait the government only works monday

3406

02:05:58,790 --> 02:05:56,800

through friday right so tomorrow's the

3407

02:06:01,350 --> 02:05:58,800

end of the week technically not sunday

3408

02:06:02,629 --> 02:06:01,360

or we gotta wait till sunday i don't

3409

02:06:04,709 --> 02:06:02,639

know what we're talking about oh we're

3410

02:06:06,550 --> 02:06:04,719

talking about lou elizondo twitter today

3411

02:06:09,990 --> 02:06:06,560

that our week win and a splash

3412

02:06:10,550 --> 02:06:10,000

what does he mean what is uh coming to

3413

02:06:12,550 --> 02:06:10,560

us

3414

02:06:14,229 --> 02:06:12,560

dude what if we found out that like

3415

02:06:16,870 --> 02:06:14,239

aliens like

3416

02:06:17,669 --> 02:06:16,880

big super weapon is like just like water

3417

02:06:19,830 --> 02:06:17,679

balloons

3418

02:06:21,430 --> 02:06:19,840

or something cool like that dude what if

3419

02:06:23,270 --> 02:06:21,440

what if it's jellyfish man

3420

02:06:24,870 --> 02:06:23,280

what if they were here to deliver my

3421

02:06:28,830 --> 02:06:24,880

wife's banana pudding

3422

02:06:31,189 --> 02:06:28,840

to the world to cause peace among

3423

02:06:32,950 --> 02:06:31,199

everyone her banana pudding is the best

3424

02:06:36,069 --> 02:06:32,960

banana pudding

3425

02:06:39,350 --> 02:06:36,079

it was pretty good i'm i'm like

3426

02:06:41,589 --> 02:06:39,360

i want to give it the the the space

3427

02:06:42,790 --> 02:06:41,599

uh of silence that it needs that's how

3428

02:06:44,870 --> 02:06:42,800

good it is

3429

02:06:48,629 --> 02:06:44,880

okay we'll start now let's give it a

3430

02:06:52,310 --> 02:06:50,870

it's so damn good it sounds good that

3431

02:06:53,030 --> 02:06:52,320

banana pudding is amazing it's so damn

3432

02:06:56,790 --> 02:06:53,040

good

3433

02:06:58,390 --> 02:06:56,800

yeah uh uh van gogh says we need a

3434

02:06:59,430 --> 02:06:58,400

schedule board on our website for

3435

02:07:02,470 --> 02:06:59,440

upcoming shows

3436

02:07:04,229 --> 02:07:02,480

i barely catch them every time yeah

3437

02:07:05,910 --> 02:07:04,239

um yeah who runs our freaking website

3438

02:07:08,069 --> 02:07:05,920

wouldn't it

3439

02:07:09,189 --> 02:07:08,079

who what idiot runs our damn what i need

3440

02:07:11,830 --> 02:07:09,199

to i need to uh

3441

02:07:12,229 --> 02:07:11,840

work on that for sure we will suggestion

3442

02:07:16,390 --> 02:07:12,239

we

3443

02:07:19,030 --> 02:07:16,400

gogh i gotta say

3444

02:07:19,510 --> 02:07:19,040

the schedule will say every thursday

3445

02:07:22,310 --> 02:07:19,520

that's

3446

02:07:24,229 --> 02:07:22,320

every thursday every thursday

3447

02:07:26,310 --> 02:07:24,239

occasionally we don't make a thursday

3448

02:07:27,669 --> 02:07:26,320

i mean we're humans you know we're only

3449

02:07:30,709 --> 02:07:27,679

aliens we're not perfect

3450

02:07:34,390 --> 02:07:30,719

yeah we're only aliens sometimes

3451

02:07:37,669 --> 02:07:34,400

sometimes we just don't

3452

02:07:39,270 --> 02:07:37,679

just don't i mean

3453

02:07:41,109 --> 02:07:39,280

because and i'll tell you why though

3454

02:07:42,229 --> 02:07:41,119

because it's not a job right it's

3455

02:07:44,310 --> 02:07:42,239

something we do for fun

3456

02:07:46,149 --> 02:07:44,320

yeah the moment that you're dedicated

3457

02:07:49,270 --> 02:07:46,159

and you have a schedule

3458

02:07:51,189 --> 02:07:49,280

is the moment it becomes a job i

3459

02:07:54,629 --> 02:07:51,199

i mean yeah i agree and disagree with

3460

02:07:57,510 --> 02:07:54,639

that it's like i knew you were like

3461

02:07:59,350 --> 02:07:57,520

i i would love for this to be our job oh

3462

02:08:00,310 --> 02:07:59,360

no we're good enough yeah dude totally

3463

02:08:01,830 --> 02:08:00,320

me too

3464

02:08:04,069 --> 02:08:01,840

i would love for this to be our job too

3465

02:08:05,709 --> 02:08:04,079

obviously absolutely absolutely i say

3466

02:08:07,669 --> 02:08:05,719

but you got to go to ufo

3467

02:08:08,149 --> 02:08:07,679

garagepodcast.com and sell it and buy a

3468

02:08:11,510 --> 02:08:08,159

t-shirt

3469

02:08:12,390 --> 02:08:11,520

and then maybe also subscribe to our

3470

02:08:14,870 --> 02:08:12,400

youtube channel

3471

02:08:15,750 --> 02:08:14,880

and we're trying to get to without look

3472

02:08:17,830 --> 02:08:15,760

we're so close

3473

02:08:18,950 --> 02:08:17,840

as soon as we do a thousand subs then we

3474

02:08:21,270 --> 02:08:18,960

could start taking like

3475

02:08:22,310 --> 02:08:21,280

uh like donations and [h__h] like on

3476

02:08:25,350 --> 02:08:22,320

youtube

3477

02:08:27,669 --> 02:08:25,360

like dude uh uh you know

3478

02:08:28,950 --> 02:08:27,679

like a dollar oh my god was the last

3479

02:08:32,069 --> 02:08:28,960

time you saw a dollar

3480

02:08:32,390 --> 02:08:32,079

dude that would be so cool bro yeah we

3481

02:08:36,149 --> 02:08:32,400

do

3482

02:08:39,910 --> 02:08:36,159

right here

3483

02:08:41,589 --> 02:08:39,920

that's what's up yeah damn

3484

02:08:42,870 --> 02:08:41,599

yeah dude that's what's up why does

3485

02:08:43,910 --> 02:08:42,880

george washington always look at you

3486

02:08:47,589 --> 02:08:43,920

like

3487

02:08:48,149 --> 02:08:47,599

mistake oh man do you think he knows

3488

02:08:50,709 --> 02:08:48,159

that like

3489

02:08:52,870 --> 02:08:50,719

money's [h__h] hey you know george

3490

02:08:55,030 --> 02:08:52,880

washington was in a cult man his call

3491

02:08:56,229 --> 02:08:55,040

was in the aliens man why do you think

3492

02:09:01,270 --> 02:08:56,239

the dollar bill is green

3493

02:09:02,950 --> 02:09:01,280

are you talking about uh oh nice dude

3494

02:09:04,790 --> 02:09:02,960

are you talking about uh like the

3495

02:09:07,189 --> 02:09:04,800

freemasons

3496

02:09:08,550 --> 02:09:07,199

yeah like the cult yeah do you think

3497

02:09:10,069 --> 02:09:08,560

there's any credence that there's like

3498

02:09:11,990 --> 02:09:10,079

like that's the break off civil

3499

02:09:13,990 --> 02:09:12,000

civilization i mean it's probably one of

3500

02:09:15,510 --> 02:09:14,000

them i think there's multiple

3501

02:09:16,950 --> 02:09:15,520

like i think there's multiple like

3502

02:09:18,870 --> 02:09:16,960

there's there's like let's see there's

3503

02:09:20,229 --> 02:09:18,880

15 dudes and they're like all right we

3504

02:09:22,790 --> 02:09:20,239

got to give them a little bit

3505

02:09:23,910 --> 02:09:22,800

let's start this little organization and

3506

02:09:26,310 --> 02:09:23,920

we'll call it something they're going to

3507

02:09:29,990 --> 02:09:26,320

change his name a bunch of times

3508

02:09:31,430 --> 02:09:30,000

but basically it's a religion um

3509

02:09:33,510 --> 02:09:31,440

if you if you look at the doctrine the

3510

02:09:36,870 --> 02:09:33,520

the books that have come out with

3511

02:09:38,229 --> 02:09:36,880

with uh masons they're they always say

3512

02:09:41,589 --> 02:09:38,239

oh we're not religion

3513

02:09:44,069 --> 02:09:41,599

but in a lot of their books they say

3514

02:09:44,629 --> 02:09:44,079

it's a real it's a religion like they

3515

02:09:47,910 --> 02:09:44,639

they have

3516

02:09:49,510 --> 02:09:47,920

practices and yeah rituals and i i think

3517

02:09:51,430 --> 02:09:49,520

i saw a documentary where they were

3518

02:09:54,709 --> 02:09:51,440

talking about you have to believe

3519

02:09:57,750 --> 02:09:54,719

in a god but

3520

02:10:00,790 --> 02:09:57,760

they were very careful to say a god not

3521

02:10:03,189 --> 02:10:00,800

the god or like maybe they have like

3522

02:10:04,790 --> 02:10:03,199

the god right but they you have to like

3523

02:10:06,470 --> 02:10:04,800

you have to believe in something but

3524

02:10:08,310 --> 02:10:06,480

that's also a documentary so you know

3525

02:10:10,709 --> 02:10:08,320

they're [\h__\h] lying like

3526

02:10:12,550 --> 02:10:10,719

hey freemasons we'd like to do a

3527

02:10:13,990 --> 02:10:12,560

documentary on you and they're like oh

3528

02:10:15,510 --> 02:10:14,000

yeah of course come on

3529

02:10:16,950 --> 02:10:15,520

but like what they didn't go in the

3530

02:10:17,589 --> 02:10:16,960

[h__h] back room and see what's

3531

02:10:19,109 --> 02:10:17,599

happening

3532

02:10:20,950 --> 02:10:19,119

you know they didn't you know the

3533

02:10:22,629 --> 02:10:20,960

sacrificial [h__h] you know

3534

02:10:24,709 --> 02:10:22,639

they were just like yeah we like to do

3535

02:10:28,470 --> 02:10:24,719

puzzles and we're very educated

3536

02:10:30,069 --> 02:10:28,480

and we like we're like fine wines

3537

02:10:32,390 --> 02:10:30,079

what if we find out that the way they

3538

02:10:36,390 --> 02:10:32,400

actually do in these rituals is like

3539

02:10:38,870 --> 02:10:36,400

they build a really big jigsaw puzzle

3540

02:10:41,030 --> 02:10:38,880

big puzzle we have been working on the

3541

02:10:41,430 --> 02:10:41,040

world's hardest jigsaw puzzle for the

3542

02:10:43,830 --> 02:10:41,440

past

3543

02:10:45,270 --> 02:10:43,840

five hundred thousand thirty three

3544

02:10:49,030 --> 02:10:45,280

degree mason

3545

02:10:50,629 --> 02:10:49,040

take your seat your rightful seat

3546

02:10:52,069 --> 02:10:50,639

what can you find can you figure out the

3547

02:10:53,830 --> 02:10:52,079

corner piece we can't there's one we

3548

02:10:55,189 --> 02:10:53,840

think it's missing

3549

02:10:57,430 --> 02:10:55,199

can you find the corner the missing

3550

02:11:01,189 --> 02:10:57,440

there's one corner piece dude dave said

3551
02:11:03,270 --> 02:11:01,199
he hasn't had a paper dollar since 1986

3552
02:11:05,270 --> 02:11:03,280
man

3553
02:11:06,310 --> 02:11:05,280
uh do you guys have beavers on y'all's

3554
02:11:09,510 --> 02:11:06,320
dollars

3555
02:11:11,830 --> 02:11:09,520
or like mooses or like

3556
02:11:12,629 --> 02:11:11,840
the queen of france or whatever the [h__\h]

3557
02:11:13,990 --> 02:11:12,639
they have

3558
02:11:16,149 --> 02:11:14,000
i don't know i don't know this is like

3559
02:11:18,149 --> 02:11:16,159
mostly french in canada

3560
02:11:19,589 --> 02:11:18,159
uh or do you guys have george washington

3561
02:11:21,270 --> 02:11:19,599
on youtube

3562
02:11:23,510 --> 02:11:21,280
george washington did the canadians burn

3563
02:11:26,470 --> 02:11:23,520

down the white house at some point

3564

02:11:27,430 --> 02:11:26,480

i think they did really how how poetic

3565

02:11:28,950 --> 02:11:27,440

of them

3566

02:11:31,990 --> 02:11:28,960

oh you know what we need to call we need

3567

02:11:35,350 --> 02:11:32,000

to call will william

3568

02:11:40,470 --> 02:11:38,470

on the nickel it's a beaver hell yeah

3569

02:11:42,229 --> 02:11:40,480

that's what's up i knew there was gonna

3570

02:11:44,870 --> 02:11:42,239

be a beaver hey

3571

02:11:47,350 --> 02:11:44,880

um shout out to primus for the song

3572

02:11:49,830 --> 02:11:47,360

wynonna's got a big brown beaver

3573

02:11:50,470 --> 02:11:49,840

big fan of primus i'm a big big uh fan

3574

02:11:54,950 --> 02:11:50,480

of prime minister

3575

02:11:59,350 --> 02:11:57,109

larry lunda is probably one of the most

3576

02:12:02,390 --> 02:11:59,360

underrated guitar players of all time

3577

02:12:05,109 --> 02:12:02,400

also wait hold on um

3578

02:12:06,310 --> 02:12:05,119

who did you say is a beaver winona she's

3579

02:12:09,750 --> 02:12:06,320

got a big brown beaver

3580

02:12:12,870 --> 02:12:09,760

she shows them off to all her friends oh

3581

02:12:14,950 --> 02:12:12,880

dude i like that

3582

02:12:16,870 --> 02:12:14,960

are we talking winona yeah why not

3583

02:12:19,990 --> 02:12:16,880

winona we're not a writer

3584

02:12:21,510 --> 02:12:20,000

i don't know dude she's hot

3585

02:12:23,350 --> 02:12:21,520

all right let's call let's call will

3586

02:12:25,270 --> 02:12:23,360

when i just got herself a big brown baby

3587

02:12:26,790 --> 02:12:25,280

room shows mom

3588

02:12:28,629 --> 02:12:26,800

she can lick about a bigger black liga

3589

02:12:32,149 --> 02:12:28,639

lingbone oh

3590

02:12:36,229 --> 02:12:32,159

william nap oh snap he's got a he's got

3591

02:12:42,390 --> 02:12:39,430

what the hell was that william don't

3592

02:12:46,470 --> 02:12:44,709

it's top secret this is the back this is

3593

02:12:48,229 --> 02:12:46,480

the back end of ufo garage you're

3594

02:12:48,709 --> 02:12:48,239

actually making the ufo yeah that's

3595

02:13:03,189 --> 02:12:48,719

right

3596

02:13:05,830 --> 02:13:03,199

in the garage

3597

02:13:07,189 --> 02:13:05,840

hell yeah dude well i didn't really

3598

02:13:09,030 --> 02:13:07,199

catch all of that but

3599

02:13:29,589 --> 02:13:09,040

he said it's exciting to see us interact

3600

02:13:33,589 --> 02:13:32,069

what if you don't know like they say the

3601
02:13:34,390 --> 02:13:33,599
universe is ever expanding right i think

3602
02:13:36,950 --> 02:13:34,400
we all agree that

3603
02:13:38,310 --> 02:13:36,960
so far the universe is ever expanding

3604
02:13:39,990 --> 02:13:38,320
yes

3605
02:13:41,589 --> 02:13:40,000
and we agree that quantum mechanics

3606
02:13:43,350 --> 02:13:41,599
exists which is the converse of that

3607
02:13:44,870 --> 02:13:43,360
saying that everything

3608
02:13:45,589 --> 02:13:44,880
you know everything's expanding so

3609
02:13:47,270 --> 02:13:45,599
there's something that has to be

3610
02:13:51,270 --> 02:13:47,280
decelerating as well right

3611
02:13:53,750 --> 02:13:51,280
yes so what if every time

3612
02:13:55,030 --> 02:13:53,760
we see these orbs or spaceship pop into

3613
02:13:57,109 --> 02:13:55,040

this reality

3614

02:13:58,870 --> 02:13:57,119

what if that's just scientists from like

3615

02:14:00,790 --> 02:13:58,880

the bigger spectrum popping in and

3616

02:14:03,669 --> 02:14:00,800

looking at us under a microscope

3617

02:14:04,149 --> 02:14:03,679

ah yeah it could be i think the theory

3618

02:14:07,990 --> 02:14:04,159

is

3619

02:14:10,629 --> 02:14:08,000

the quantum realm

3620

02:14:11,510 --> 02:14:10,639

is the realm of the very tiny and the

3621

02:14:15,270 --> 02:14:11,520

the

3622

02:14:18,390 --> 02:14:15,280

everything

3623

02:14:21,669 --> 02:14:18,400

large and the issue is they can't

3624

02:14:23,750 --> 02:14:21,679

get them to to combine because

3625

02:14:25,510 --> 02:14:23,760

they both work beautifully until they

3626

02:14:27,830 --> 02:14:25,520

get to the very middle

3627

02:14:29,189 --> 02:14:27,840

and that creates infinity are you saying

3628

02:14:32,310 --> 02:14:29,199

it's fractal

3629

02:14:33,430 --> 02:14:32,320

it goes to like the middle and then it

3630

02:14:36,229 --> 02:14:33,440

goes to infinity

3631

02:14:36,870 --> 02:14:36,239

which i guess yeah is fractal if if

3632

02:14:39,990 --> 02:14:36,880

infinity

3633

02:14:44,229 --> 02:14:40,000

is fractal so maybe

3634

02:14:48,310 --> 02:14:44,239

that is the answer you know that that uh

3635

02:14:49,350 --> 02:14:48,320

that uh uh by by an infinity right now

3636

02:14:53,109 --> 02:14:49,360

zero down zero

3637

02:14:55,030 --> 02:14:53,119

apr come on

3638

02:14:56,790 --> 02:14:55,040

i'll tell you what i used to sell fords

3639

02:14:58,629 --> 02:14:56,800

now sell infinities now come on down to

3640

02:15:00,470 --> 02:14:58,639

this affinity dealership and i will give

3641

02:15:03,350 --> 02:15:00,480

you do you a point that just come in

3642

02:15:04,790 --> 02:15:03,360

freaking take this damn car as long as

3643

02:15:06,550 --> 02:15:04,800

you're still in a complimentary uh

3644

02:15:08,149 --> 02:15:06,560

masturbation propulsion system we'll be

3645

02:15:10,229 --> 02:15:08,159

uh we'll

3646

02:15:11,910 --> 02:15:10,239

yeah dude you'd be the fastest car on

3647

02:15:13,350 --> 02:15:11,920

the road

3648

02:15:15,109 --> 02:15:13,360

you had a masturbation propulsion

3649

02:15:16,310 --> 02:15:15,119

technology system in your car dude

3650

02:15:17,589 --> 02:15:16,320

that's what you guys are working on at

3651

02:15:19,990 --> 02:15:17,599

your shop right is that

3652

02:15:22,069 --> 02:15:20,000

the uh i don't know if you guys know

3653

02:15:25,810 --> 02:15:22,079

this but william works for balskan

3654

02:15:27,270 --> 02:15:25,820

baltimore company incorporated

3655

02:15:28,629 --> 02:15:27,280

[Laughter]

3656

02:15:31,189 --> 02:15:28,639

you're putting in you're you're putting

3657

02:15:33,350 --> 02:15:31,199

in the long hours that and and and also

3658

02:15:34,550 --> 02:15:33,360

scientifically william would you like to

3659

02:15:37,750 --> 02:15:34,560

be a team member

3660

02:15:39,350 --> 02:15:37,760

uh of to the farts academy officially

3661

02:15:42,470 --> 02:15:39,360

would you like to be added onto the

3662

02:15:44,950 --> 02:15:42,480

website and officially be a member

3663

02:15:45,990 --> 02:15:44,960

uh because we can do that we are we've

3664

02:15:57,350 --> 02:15:46,000

been looking for a chief

3665

02:16:03,350 --> 02:16:00,870

[Laughter]

3666

02:16:04,550 --> 02:16:03,360

there's a taint maintenance uh but it

3667

02:16:07,109 --> 02:16:04,560

doesn't

3668

02:16:08,229 --> 02:16:07,119

it sounds a lot a lot more hard work

3669

02:16:10,390 --> 02:16:08,239

than it actually is

3670

02:16:11,510 --> 02:16:10,400

it's it's pretty we're pretty we're

3671

02:16:14,229 --> 02:16:11,520

pretty clean company

3672

02:16:15,030 --> 02:16:14,239

so uh we we just need somebody that that

3673

02:16:16,390 --> 02:16:15,040

is good at science

3674

02:16:18,870 --> 02:16:16,400

we're not gonna lie sometimes it gets a

3675

02:16:22,310 --> 02:16:18,880

little hairy in that position but

3676

02:16:25,350 --> 02:16:22,320

for the most part i mean yeah clean

3677

02:16:28,069 --> 02:16:25,360

it out she gets to choose real quick um

3678

02:16:29,669 --> 02:16:28,079

on a serious though the uh you know how

3679

02:16:29,990 --> 02:16:29,679

i mentioned the whole the astronaut

3680

02:16:32,790 --> 02:16:30,000

thing

3681

02:16:34,070 --> 02:16:32,800

was uh astronauts from the russians they

3682

02:16:34,870 --> 02:16:34,080

were the first ones actually orbit the

3683

02:16:38,389 --> 02:16:34,880

earth before us

3684

02:16:39,830 --> 02:16:38,399

yeah so i i did put the the link to that

3685

02:16:41,110 --> 02:16:39,840

story in the notes the

3686

02:16:42,389 --> 02:16:41,120

comments if anybody wants to go back

3687

02:16:44,309 --> 02:16:42,399

afterwards or before they can go back

3688

02:16:45,190 --> 02:16:44,319

and find that but it's pretty crazy bro

3689

02:16:46,629 --> 02:16:45,200

because

3690

02:16:48,070 --> 02:16:46,639

they had them retract some of it but

3691

02:16:50,150 --> 02:16:48,080

they just recently released the story i

3692

02:16:52,870 --> 02:16:50,160

think it was in 2018

3693

02:16:53,589 --> 02:16:52,880

and those guys said like it totally came

3694

02:16:54,790 --> 02:16:53,599

down i mean

3695

02:16:56,469 --> 02:16:54,800

i think there's even a voice recording

3696

02:16:58,150 --> 02:16:56,479

but i know for fact there's a transcript

3697

02:17:01,750 --> 02:16:58,160

that said like hey

3698

02:17:04,309 --> 02:17:01,760

um there's this translucent giant

3699

02:17:05,750 --> 02:17:04,319

basically creature like we're talking 60

3700

02:17:07,349 --> 02:17:05,760

to 100 feet in width

3701
02:17:08,870 --> 02:17:07,359
that they've seen coming towards their

3702
02:17:10,309 --> 02:17:08,880
their craft

3703
02:17:12,230 --> 02:17:10,319
um and there were more than one i want

3704
02:17:13,990 --> 02:17:12,240
to say there was three of them and it

3705
02:17:17,030 --> 02:17:14,000
moved they described it as a mixture

3706
02:17:17,990 --> 02:17:17,040
of a squid slash stingray so going back

3707
02:17:19,349 --> 02:17:18,000
to the whole idea what you guys were

3708
02:17:19,750 --> 02:17:19,359
hitting on earlier with the firmament

3709
02:17:23,270 --> 02:17:19,760
thing

3710
02:17:25,669 --> 02:17:23,280
that that's an interesting way to like

3711
02:17:26,950 --> 02:17:25,679
approach it is is there this whole idea

3712
02:17:29,669 --> 02:17:26,960
of

3713
02:17:30,469 --> 02:17:29,679

this existence above us like the ocean

3714

02:17:31,589 --> 02:17:30,479

because that's almost the way it's

3715

02:17:34,230 --> 02:17:31,599

worded in the bible

3716

02:17:34,629 --> 02:17:34,240

that the earth exists below the oceans

3717

02:17:37,349 --> 02:17:34,639

yes

3718

02:17:37,750 --> 02:17:37,359

yeah totally very weird but the fact

3719

02:17:39,990 --> 02:17:37,760

that there's

3720

02:17:41,429 --> 02:17:40,000

that actual transcript that i it just

3721

02:17:42,469 --> 02:17:41,439

never really gets mentioned it's like

3722

02:17:45,910 --> 02:17:42,479

dude that's

3723

02:17:49,270 --> 02:17:45,920

freaking crazy yeah yeah so i

3724

02:17:50,870 --> 02:17:49,280

know good oh i said i love that dude i'm

3725

02:17:54,070 --> 02:17:50,880

going to riff on that for

3726

02:17:56,790 --> 02:17:54,080

sure dude as above so below

3727

02:17:58,150 --> 02:17:56,800

and we're going to party hard heck yeah

3728

02:17:59,509 --> 02:17:58,160

with that i will let you gentlemen get

3729

02:18:00,309 --> 02:17:59,519

back to it i'm gonna get back to myself

3730

02:18:02,150 --> 02:18:00,319

over here so

3731

02:18:04,790 --> 02:18:02,160

oh yeah hey uh thanks for doing the

3732

02:18:07,669 --> 02:18:04,800

lord's work you know at boston uh we

3733

02:18:08,469 --> 02:18:07,679

uh we try to uh provide our our

3734

02:18:11,270 --> 02:18:08,479

hard-working

3735

02:18:11,990 --> 02:18:11,280

uh american employees uh and all across

3736

02:18:14,950 --> 02:18:12,000

the world

3737

02:18:16,629 --> 02:18:14,960

uh to pursue their dreams and uh

3738

02:18:18,070 --> 02:18:16,639

continue science

3739

02:18:19,830 --> 02:18:18,080

well far be it for me to take from the

3740

02:18:21,349 --> 02:18:19,840

lord's work that might be considered the

3741

02:18:23,349 --> 02:18:21,359

devil's region that might be

3742

02:18:25,589 --> 02:18:23,359

that might be the devil's work i know i

3743

02:18:28,389 --> 02:18:25,599

realized that as i was saying i

3744

02:18:29,270 --> 02:18:28,399

i really i uh yeah it's machu picchu

3745

02:18:30,790 --> 02:18:29,280

down there bro

3746

02:18:33,270 --> 02:18:30,800

we do have a paradise michigan and a

3747

02:18:38,389 --> 02:18:33,280

hell in michigan for a reason

3748

02:18:40,230 --> 02:18:38,399

oh yeah that's right all right

3749

02:18:42,070 --> 02:18:40,240

yeah dude i mean that kind of goes back

3750

02:18:45,030 --> 02:18:42,080

to the idea of those orbs

3751

02:18:47,110 --> 02:18:45,040

right that are attracted to like highly

3752

02:18:49,990 --> 02:18:47,120

magnetic places on the earth and they

3753

02:18:50,389 --> 02:18:50,000

fall down like they're a new animal that

3754

02:18:53,429 --> 02:18:50,399

we've

3755

02:18:54,389 --> 02:18:53,439

never thought of as an animal but

3756

02:18:56,389 --> 02:18:54,399

they're a plasma

3757

02:18:57,910 --> 02:18:56,399

animal yes and they hang out in the

3758

02:19:00,870 --> 02:18:57,920

upper atmosphere

3759

02:19:02,389 --> 02:19:00,880

and as you know they lose energy they

3760

02:19:04,870 --> 02:19:02,399

come down and they absorb

3761

02:19:05,750 --> 02:19:04,880

that freaking highly electromagnetic

3762

02:19:07,830 --> 02:19:05,760

energy and

3763

02:19:08,790 --> 02:19:07,840

they go back up into the atmosphere yeah

3764

02:19:11,030 --> 02:19:08,800

and they live

3765

02:19:13,110 --> 02:19:11,040

dude taking that a step further how do

3766

02:19:15,110 --> 02:19:13,120

we what do you think an animal is

3767

02:19:17,110 --> 02:19:15,120

how would you describe an animal to

3768

02:19:18,830 --> 02:19:17,120

something or an entity that didn't know

3769

02:19:21,270 --> 02:19:18,840

what an animal was like how do you

3770

02:19:24,629 --> 02:19:21,280

differentiate okay i'm

3771

02:19:26,790 --> 02:19:24,639

uh dude and this is an animal man

3772

02:19:28,389 --> 02:19:26,800

well i mean we're all what differences i

3773

02:19:31,509 --> 02:19:28,399

mean you and me baby

3774

02:19:34,469 --> 02:19:31,519

ain't nothing but mammals so

3775

02:19:35,030 --> 02:19:34,479

let's do it like they do this discovery

3776

02:19:38,469 --> 02:19:35,040

yeah

3777

02:19:40,469 --> 02:19:38,479

so sweat baby sweat baby sex the text is

3778

02:19:42,709 --> 02:19:40,479

dropping then you do the condom stuff

3779

02:19:44,950 --> 02:19:42,719

that only prince would sing about so put

3780

02:19:46,070 --> 02:19:44,960

your hands down my pants and i bet

3781

02:19:49,270 --> 02:19:46,080

you'll feel nuts

3782

02:19:51,270 --> 02:19:49,280

yeah someone says and you're getting two

3783

02:19:53,030 --> 02:19:51,280

thumbs up you've had enough for two and

3784

02:19:53,750 --> 02:19:53,040

touch you want it rough you're out of

3785

02:19:55,750 --> 02:19:53,760

bounds like

3786

02:19:57,750 --> 02:19:55,760

juice mother wants you covered like my

3787

02:20:00,830 --> 02:19:57,760

waffle house hash browns

3788

02:20:02,950 --> 02:20:00,840

you know what i'm saying dude absolutely

3789

02:20:03,990 --> 02:20:02,960

dude

3790

02:20:05,590 --> 02:20:04,000

i don't know how he does that it's

3791

02:20:06,950 --> 02:20:05,600

extremely impressive because i always

3792

02:20:08,150 --> 02:20:06,960

run out of breath and i always try to

3793

02:20:10,790 --> 02:20:08,160

sing along and i'm always like that

3794

02:20:12,230 --> 02:20:10,800

dummy in the middle of the songs like

3795

02:20:14,389 --> 02:20:12,240

and then i have to finish and it's just

3796

02:20:15,990 --> 02:20:14,399

like it's it's so i mean breath control

3797

02:20:19,030 --> 02:20:16,000

is so impressive it really is

3798

02:20:19,670 --> 02:20:19,040

i know i'm depressed i i don't know

3799

02:20:21,270 --> 02:20:19,680

who's not

3800

02:20:22,950 --> 02:20:21,280

i mean no see you should show hold on

3801
02:20:25,750 --> 02:20:22,960
one breath it should be you know what

3802
02:20:33,349 --> 02:20:29,429
so so dude imagine for a second man

3803
02:20:34,950 --> 02:20:33,359
if if these these entities these orbs

3804
02:20:37,030 --> 02:20:34,960
whatever all right yeah okay there's

3805
02:20:39,349 --> 02:20:37,040
been people that seem triangles and

3806
02:20:41,670 --> 02:20:39,359
and blah blah there's been like uh

3807
02:20:41,990 --> 02:20:41,680
silver craft but there's also these oars

3808
02:20:44,389 --> 02:20:42,000
man

3809
02:20:45,510 --> 02:20:44,399
a lot of people seen orbs in like

3810
02:20:47,270 --> 02:20:45,520
paranormal

3811
02:20:49,190 --> 02:20:47,280
we've seen we've seen orbs i've seen

3812
02:20:52,950 --> 02:20:49,200
orbs i've seen orbs

3813
02:20:53,590 --> 02:20:52,960

and what if it is not a conscious thing

3814

02:20:56,790 --> 02:20:53,600

it's just

3815

02:20:58,790 --> 02:20:56,800

or it's not an animal it's it's like the

3816

02:21:01,670 --> 02:20:58,800

same relation to an electron to a proton

3817

02:21:05,030 --> 02:21:01,680

inside of a a nuclei inside of a

3818

02:21:08,790 --> 02:21:05,040

an atom where it's like same same but

3819

02:21:12,309 --> 02:21:08,800

different doesn't mean that we're not

3820

02:21:13,990 --> 02:21:12,319

like is it is an atom an animal

3821

02:21:15,910 --> 02:21:14,000

is it is it i mean it moves i mean

3822

02:21:19,110 --> 02:21:15,920

there's protons electrons they move seem

3823

02:21:21,510 --> 02:21:19,120

seemly does its own thing seemingly a

3824

02:21:22,309 --> 02:21:21,520

conscious uh movement and interaction i

3825

02:21:23,830 --> 02:21:22,319

mean we could

3826

02:21:25,590 --> 02:21:23,840

i mean break it down even further with

3827

02:21:28,710 --> 02:21:25,600

entropy where it seems

3828

02:21:29,910 --> 02:21:28,720

that like-minded molecules i mean like

3829

02:21:30,870 --> 02:21:29,920

mine is like the only thing that

3830

02:21:33,349 --> 02:21:30,880

describes it

3831

02:21:35,030 --> 02:21:33,359

or it's like attracted for some reason

3832

02:21:37,270 --> 02:21:35,040

you know that that reminds me of a

3833

02:21:39,270 --> 02:21:37,280

conversation i had with my

3834

02:21:40,710 --> 02:21:39,280

fifth grade science teacher that's

3835

02:21:44,150 --> 02:21:40,720

what's up i asked her

3836

02:21:46,710 --> 02:21:44,160

okay so i'm a human right she said

3837

02:21:48,070 --> 02:21:46,720

well yes and i said then you have a dog

3838

02:21:50,070 --> 02:21:48,080

she said well okay

3839

02:21:51,429 --> 02:21:50,080

and then i said well that dog might have

3840

02:21:54,070 --> 02:21:51,439

like a a flea

3841

02:21:55,190 --> 02:21:54,080

or a tick she said okay yeah and i said

3842

02:21:57,110 --> 02:21:55,200

well then

3843

02:21:58,950 --> 02:21:57,120

there's something living on that tick or

3844

02:22:01,110 --> 02:21:58,960

that flea correct and she said well

3845

02:22:02,790 --> 02:22:01,120

absolutely there's probably mites of

3846

02:22:03,590 --> 02:22:02,800

some sort and i said okay well then you

3847

02:22:05,349 --> 02:22:03,600

have a mite

3848

02:22:07,270 --> 02:22:05,359

what's living on that mite and she said

3849

02:22:09,670 --> 02:22:07,280

oh well then you start getting into like

3850

02:22:11,190 --> 02:22:09,680

bacterias and microbials and things like

3851
02:22:11,510 --> 02:22:11,200
that and i said okay well then you have

3852
02:22:15,110 --> 02:22:11,520
the

3853
02:22:17,429 --> 02:22:15,120
comes after that she's like oh

3854
02:22:19,590 --> 02:22:17,439
well then you start getting into like

3855
02:22:21,190 --> 02:22:19,600
particles and atoms and things like that

3856
02:22:23,110 --> 02:22:21,200
and i said okay well then you get the

3857
02:22:24,710 --> 02:22:23,120
particles and atoms and then what do you

3858
02:22:25,910 --> 02:22:24,720
do there and she says well inside of

3859
02:22:27,190 --> 02:22:25,920
these things you have these things

3860
02:22:28,950 --> 02:22:27,200
called quarks

3861
02:22:30,230 --> 02:22:28,960
and corks are kind of what like makes

3862
02:22:32,309 --> 02:22:30,240
wow everything baby

3863
02:22:34,070 --> 02:22:32,319

wine and i was like okay well then you

3864

02:22:34,710 --> 02:22:34,080

get the cork what's on top of the cork

3865

02:22:38,389 --> 02:22:34,720

and she's like

3866

02:22:40,230 --> 02:22:38,399

i have no [h__h] idea no one does she

3867

02:22:41,750 --> 02:22:40,240

said that as a fifth grader to me

3868

02:22:43,110 --> 02:22:41,760

you know well good for you for asking

3869

02:22:43,750 --> 02:22:43,120

more questions most of my teachers

3870

02:22:45,190 --> 02:22:43,760

didn't give up

3871

02:22:47,030 --> 02:22:45,200

she can just answer any of them very

3872

02:22:48,950 --> 02:22:47,040

impressed yeah and

3873

02:22:50,550 --> 02:22:48,960

also i would like to talk about my third

3874

02:22:53,590 --> 02:22:50,560

grade science teacher

3875

02:22:55,110 --> 02:22:53,600

who had said that a whale is a fish and

3876

02:22:58,550 --> 02:22:55,120

i said uh excuse me

3877

02:23:01,670 --> 02:22:58,560

no ma'am it is a mammal it has teats

3878

02:23:03,270 --> 02:23:01,680

and the baby suckles from them and

3879

02:23:05,830 --> 02:23:03,280

that means that it's a mammal it has

3880

02:23:09,030 --> 02:23:05,840

hair obviously and it it lays

3881

02:23:10,870 --> 02:23:09,040

live babies and she said go to the

3882

02:23:12,870 --> 02:23:10,880

principal's office for talking back

3883

02:23:14,230 --> 02:23:12,880

it's a fish and then i got sent to the

3884

02:23:17,830 --> 02:23:14,240

principal's office

3885

02:23:20,070 --> 02:23:17,840

and then the principal's like

3886

02:23:21,349 --> 02:23:20,080

it's totally a man he said he said you

3887

02:23:24,309 --> 02:23:21,359

can go back see

3888

02:23:25,590 --> 02:23:24,319

his teeth are cool he's it was weird it

3889

02:23:27,510 --> 02:23:25,600

was so counterproductive because they

3890

02:23:29,910 --> 02:23:27,520

were like no it's definitely a mammal

3891

02:23:30,790 --> 02:23:29,920

however don't talk back to your teacher

3892

02:23:33,270 --> 02:23:30,800

and i was like well

3893

02:23:34,070 --> 02:23:33,280

she was wrong and they were like well i

3894

02:23:36,710 --> 02:23:34,080

know but

3895

02:23:37,190 --> 02:23:36,720

like for the sake of of the rest of the

3896

02:23:39,670 --> 02:23:37,200

kids

3897

02:23:41,349 --> 02:23:39,680

learning don't contradict your teacher

3898

02:23:41,910 --> 02:23:41,359

and i'm like but if she's teaching them

3899

02:23:44,950 --> 02:23:41,920

wrong

3900

02:23:46,630 --> 02:23:44,960

[h__h] then why can't i say anything and

3901

02:23:49,670 --> 02:23:46,640

they said well because

3902

02:23:52,710 --> 02:23:49,680

it's all about authority and keeping

3903

02:23:55,349 --> 02:23:52,720

the rule of law around here so you

3904

02:23:56,950 --> 02:23:55,359

primates don't act like [h__h] animals

3905

02:23:59,830 --> 02:23:56,960

in school

3906

02:24:00,870 --> 02:23:59,840

and i was like oh i mean whatever and

3907

02:24:03,750 --> 02:24:00,880

then she was like

3908

02:24:05,910 --> 02:24:03,760

copy a hundred words out of the bible

3909

02:24:08,469 --> 02:24:05,920

and find it in the dictionary

3910

02:24:10,070 --> 02:24:08,479

which 75 of them didn't even exist in

3911

02:24:15,020 --> 02:24:10,080

the dictionary

3912

02:24:20,630 --> 02:24:16,389

[Music]

3913

02:24:24,309 --> 02:24:20,640

but you know what dude i partied

3914

02:24:35,670 --> 02:24:24,319

oh hard dude and iss

3915

02:24:39,270 --> 02:24:37,710

old timers used to call orbs

3916

02:24:41,910 --> 02:24:39,280

jack-o'-lanterns

3917

02:24:43,030 --> 02:24:41,920

they were floating balls gassing far

3918

02:24:45,510 --> 02:24:43,040

away

3919

02:24:46,389 --> 02:24:45,520

pioneers used to ride them for miles and

3920

02:24:49,830 --> 02:24:46,399

here you should

3921

02:24:51,110 --> 02:24:49,840

ride floating balls of gas for many many

3922

02:24:53,349 --> 02:24:51,120

miles

3923

02:24:54,870 --> 02:24:53,359

that's funny that yeah the joke uh

3924

02:24:58,710 --> 02:24:54,880

jack-o'-lanterns i mean

3925

02:25:01,910 --> 02:24:58,720

dude these orbs have been

3926

02:25:04,550 --> 02:25:01,920

man when when i went to uh uh

3927

02:25:06,550 --> 02:25:04,560

oh my gosh dude i'm so dumb uh the

3928

02:25:10,309 --> 02:25:06,560

martha lights solomorphyates

3929

02:25:11,670 --> 02:25:10,319

yes dude that was insane it was

3930

02:25:13,990 --> 02:25:11,680

it was it was like a jack-o'-lantern or

3931

02:25:17,030 --> 02:25:14,000

somebody holding up a

3932

02:25:18,550 --> 02:25:17,040

a luminescent uh ball and then it would

3933

02:25:19,110 --> 02:25:18,560

like show up and then it would show up

3934

02:25:20,469 --> 02:25:19,120

in

3935

02:25:23,110 --> 02:25:20,479

on the on the ground and it would show

3936

02:25:24,309 --> 02:25:23,120

up in the sky randomly and like just

3937

02:25:26,550 --> 02:25:24,319

kind of drop down

3938

02:25:27,990 --> 02:25:26,560

so weird dude it's just not spring

3939

02:25:30,710 --> 02:25:28,000

you're like hey

3940

02:25:31,590 --> 02:25:30,720

hey it's not halloween yet you're

3941

02:25:34,309 --> 02:25:31,600

jacqueline

3942

02:25:36,309 --> 02:25:34,319

hey you're you've been confusing people

3943

02:25:39,429 --> 02:25:36,319

for thousands of years

3944

02:25:42,710 --> 02:25:39,439

hey you're you're really you're

3945

02:25:46,230 --> 02:25:42,720

you're not this is uh hey hey

3946

02:25:55,990 --> 02:25:49,270

they're like i'm holding jack letters up

3947

02:26:01,270 --> 02:25:58,230

and they're like because we've been

3948

02:26:19,030 --> 02:26:01,280

doing it for thousands of years

3949

02:26:19,040 --> 02:26:25,510

texas dude you're selected

3950

02:26:30,309 --> 02:26:28,630

it's only my favorite family lives of

3951

02:26:34,320 --> 02:26:30,319

the brown mountains of

3952

02:26:39,110 --> 02:26:34,330

[\h__\h] carolina or some [\h__\h] like

3953

02:26:43,190 --> 02:26:41,270

like they don't know oh dude they don't

3954

02:26:45,990 --> 02:26:43,200

know where okay so that

3955

02:26:47,670 --> 02:26:46,000

that right there that that little bit

3956

02:26:50,389 --> 02:26:47,680

right there right when people are like

3957

02:26:52,550 --> 02:26:50,399

oh it's just [\h__\h] lanterns right like

3958

02:26:53,910 --> 02:26:52,560

what we just did made that explanation

3959

02:26:56,150 --> 02:26:53,920

seems so [\h__\h]

3960

02:26:57,830 --> 02:26:56,160

so difficult it's obviously not goddamn

3961

02:27:00,150 --> 02:26:57,840

lanterns what you go out there

3962

02:27:02,150 --> 02:27:00,160

every single night for thousands of

3963

02:27:05,510 --> 02:27:02,160

years and light little lantern

3964

02:27:06,550 --> 02:27:05,520

get the [h__h] out of here dude [h__h] me

3965

02:27:10,070 --> 02:27:06,560

right now

3966

02:27:13,030 --> 02:27:10,080

no it's cars on the horizon there's no

3967

02:27:14,630 --> 02:27:13,040

roads over there sorry that's not it

3968

02:27:17,110 --> 02:27:14,640

either that's stupid

3969

02:27:18,309 --> 02:27:17,120

no i don't know what it is i don't know

3970

02:27:20,230 --> 02:27:18,319

is it aliens

3971

02:27:22,710 --> 02:27:20,240

probably not i don't know what is it

3972

02:27:25,830 --> 02:27:22,720

inner dimensional maybe

3973

02:27:26,630 --> 02:27:25,840

i don't know it's the marvel lights it's

3974

02:27:30,389 --> 02:27:26,640

crazy

3975

02:27:33,510 --> 02:27:30,399

you just gotta

3976

02:27:34,630 --> 02:27:33,520

that shit's crazy you don't have to

3977

02:27:38,469 --> 02:27:34,640

explain it right

3978

02:27:41,110 --> 02:27:38,479

like do you have to explain everything

3979

02:27:43,429 --> 02:27:41,120

what if what the government in early

3980

02:27:44,870 --> 02:27:43,439

june after the 180s days like someone

3981

02:27:47,349 --> 02:27:44,880

comes off dudes they're like

3982

02:27:48,309 --> 02:27:47,359

yo shit's just [h__h] this shit's crazy

3983

02:27:50,790 --> 02:27:48,319

it's just crazy

3984

02:27:51,830 --> 02:27:50,800

i don't know we don't know they're like

3985

02:27:54,950 --> 02:27:51,840

the government's like

3986

02:27:59,510 --> 02:27:54,960

look you have to explain everything

3987

02:28:02,870 --> 02:27:59,520

sometimes shit's just crazy you know

3988

02:28:03,990 --> 02:28:02,880

i would be more okay with that than them

3989

02:28:05,750 --> 02:28:04,000

being like well we have these

3990

02:28:07,750 --> 02:28:05,760

unidentified things entering our

3991

02:28:09,990 --> 02:28:07,760

airspace we consider them to be a

3992

02:28:11,110 --> 02:28:10,000

national threat we're gonna try our very

3993

02:28:14,070 --> 02:28:11,120

best a national

3994

02:28:15,510 --> 02:28:14,080

uh defense uh budget has increased by 10

3995

02:28:17,349 --> 02:28:15,520

billion dollars this year

3996

02:28:19,510 --> 02:28:17,359

we're gonna be working on things that

3997

02:28:21,590 --> 02:28:19,520

can possibly shoot lasers through

3998

02:28:23,670 --> 02:28:21,600

interdimensional beings and

3999

02:28:25,110 --> 02:28:23,680

i'd be like dude no just say you don't

4000

02:28:27,270 --> 02:28:25,120

[h__h] know what it is

4001

02:28:28,950 --> 02:28:27,280

and be like sometimes shit's crazy so

4002

02:28:31,750 --> 02:28:28,960

what do you expect me to do about it

4003

02:28:33,030 --> 02:28:31,760

like sometimes [h__h] really do be cray

4004

02:28:36,150 --> 02:28:33,040

sometimes i should be great

4005

02:28:39,830 --> 02:28:36,160

sometimes really does be cray

4006

02:28:41,750 --> 02:28:39,840

i would much rather that than like some

4007

02:28:44,870 --> 02:28:41,760

[h__h] explanation that's like

4008

02:28:47,110 --> 02:28:44,880

buy more dogecoin bojans like

4009

02:28:48,150 --> 02:28:47,120

sometimes just cry i don't know man

4010

02:28:50,469 --> 02:28:48,160

sometimes sometimes

4011

02:28:52,230 --> 02:28:50,479

sometimes like i don't know ah come on

4012

02:28:54,710 --> 02:28:52,240

man like sometimes things just

4013

02:28:55,910 --> 02:28:54,720

should just be do be crazy like that

4014

02:28:58,950 --> 02:28:55,920

great

4015

02:29:02,710 --> 02:28:58,960

this is me

4016

02:29:06,550 --> 02:29:02,720

blue jayden mccartney hey reader card

4017

02:29:10,950 --> 02:29:06,560

negative card oh god i got

4018

02:29:14,630 --> 02:29:12,500

if we can see a movie

4019

02:29:17,030 --> 02:29:14,640

[Laughter]

4020

02:29:18,469 --> 02:29:17,040

smack my day my kids would just play

4021

02:29:19,990 --> 02:29:18,479

with my leg hair and

4022

02:29:34,870 --> 02:29:20,000

and i would sit there in the pool

4023

02:29:40,030 --> 02:29:37,750

okay well wait what are we talking about

4024

02:29:41,990 --> 02:29:40,040

[Laughter]

4025

02:29:44,790 --> 02:29:42,000

[Music]

4026
02:29:45,590 --> 02:29:44,800
uh i don't remember we're gonna read

4027
02:29:50,070 --> 02:29:45,600
through this

4028
02:29:53,750 --> 02:29:50,080
horny now

4029
02:29:57,670 --> 02:29:53,760
yes oh [h__h] oh my god i love this guy

4030
02:29:59,990 --> 02:29:57,680
um yeah uh okay i i want to bring

4031
02:30:01,910 --> 02:30:00,000
one last topic up before we close out i

4032
02:30:04,230 --> 02:30:01,920
think we're almost there

4033
02:30:05,990 --> 02:30:04,240
um and after we're done dave scott

4034
02:30:07,990 --> 02:30:06,000
spaced out radio he's going on 11 so

4035
02:30:10,890 --> 02:30:08,000
check his [h__h] out it's on youtube

4036
02:30:13,190 --> 02:30:10,900
live um

4037
02:30:14,870 --> 02:30:13,200
[Music]

4038
02:30:17,990 --> 02:30:14,880

live and in person hey how many thumbs

4039

02:30:20,950 --> 02:30:18,000

down do we have now

4040

02:30:22,070 --> 02:30:20,960

it's like our our goal i think it is

4041

02:30:23,429 --> 02:30:22,080

thumbs down

4042

02:30:25,429 --> 02:30:23,439

what if we were on the first youtube

4043

02:30:27,429 --> 02:30:25,439

channel to become famous for the amount

4044

02:30:30,630 --> 02:30:27,439

of thumbs down that we get we are

4045

02:30:31,190 --> 02:30:30,640

hilarious would that be oh we i don't

4046

02:30:34,389 --> 02:30:31,200

want to

4047

02:30:37,429 --> 02:30:34,399

encourage it oh damn it we only have one

4048

02:30:38,309 --> 02:30:37,439

and we have 25 uploads i don't want to

4049

02:30:41,429 --> 02:30:38,319

occur

4050

02:30:44,389 --> 02:30:41,439

another primus reference uh primus sucks

4051

02:30:47,670 --> 02:30:44,399

right or like people that actually like

4052

02:30:49,590 --> 02:30:47,680

primus they chant primus sucks

4053

02:30:51,030 --> 02:30:49,600

right it's just like a thing but you

4054

02:30:52,309 --> 02:30:51,040

said the problem sucks no promise

4055

02:30:55,030 --> 02:30:52,319

doesn't it they got too many puppies

4056

02:30:57,750 --> 02:30:55,040

i said they're being shot in the dark

4057

02:31:00,870 --> 02:30:57,760

too many puppies

4058

02:31:07,429 --> 02:31:00,880

are being shot in the dark

4059

02:31:10,950 --> 02:31:09,030

uh i'm really glad we didn't start the

4060

02:31:15,910 --> 02:31:10,960

show out with seeing

4061

02:31:19,750 --> 02:31:18,309

that was pretty that was tough but dude

4062

02:31:20,710 --> 02:31:19,760

yeah so i just kind of wanted to bring

4063

02:31:24,870 --> 02:31:20,720

up

4064

02:31:28,150 --> 02:31:24,880

one one last one last topic

4065

02:31:32,230 --> 02:31:28,160

and that is uh what

4066

02:31:33,670 --> 02:31:32,240

do you think sea monkeys are here for

4067

02:31:35,830 --> 02:31:33,680

dude what do you think they are they're

4068

02:31:37,030 --> 02:31:35,840

obviously here to feed reptilians

4069

02:31:41,590 --> 02:31:37,040

do you think that they're actually

4070

02:31:45,510 --> 02:31:43,830

like you saw their faces man i know i

4071

02:31:49,110 --> 02:31:45,520

saw i saw the face of the

4072

02:31:51,750 --> 02:31:49,120

of the sea monkey and um

4073

02:31:53,030 --> 02:31:51,760

did we even go over anything no we're on

4074

02:31:55,349 --> 02:31:53,040

the wrong page that's why

4075

02:31:56,469 --> 02:31:55,359

oh i was just thinking hey did you put

4076

02:31:59,110 --> 02:31:56,479

this in front of me so

4077

02:31:59,670 --> 02:31:59,120

you did i did yeah and you put that in

4078

02:32:01,750 --> 02:31:59,680

front of it

4079

02:32:03,030 --> 02:32:01,760

did i but it was over there there's no

4080

02:32:04,070 --> 02:32:03,040

way i could have grabbed it i didn't do

4081

02:32:07,190 --> 02:32:04,080

it you lying

4082

02:32:09,910 --> 02:32:07,200

some [h__h] oh okay here's an idea okay

4083

02:32:11,270 --> 02:32:09,920

oh this is not that fun all right i got

4084

02:32:14,389 --> 02:32:11,280

one i got one okay

4085

02:32:18,070 --> 02:32:14,399

do you think that okay hear me out

4086

02:32:21,110 --> 02:32:18,080

hear me out okay right here we go

4087

02:32:24,469 --> 02:32:21,120

sorry beer um

4088

02:32:27,670 --> 02:32:24,479

what if what if the world

4089

02:32:28,230 --> 02:32:27,680

what if the government has some kind of

4090

02:32:31,590 --> 02:32:28,240

new

4091

02:32:32,950 --> 02:32:31,600

crazy ass technology that they're have

4092

02:32:36,230 --> 02:32:32,960

right and they're just they're ready to

4093

02:32:40,630 --> 02:32:36,240

use it yes but the only way to use it

4094

02:32:43,190 --> 02:32:40,640

would be to uh have something to use it

4095

02:32:43,830 --> 02:32:43,200

against right and that would be the only

4096

02:32:46,309 --> 02:32:43,840

way that

4097

02:32:47,670 --> 02:32:46,319

they would make it like known to the

4098

02:32:49,830 --> 02:32:47,680

public

4099

02:32:52,710 --> 02:32:49,840

what if this disclosure stuff isn't

4100

02:32:55,750 --> 02:32:52,720

necessarily for aliens or ufos

4101
02:32:56,790 --> 02:32:55,760
or for you or for me what is what if

4102
02:32:59,429 --> 02:32:56,800
it's for them

4103
02:33:00,389 --> 02:32:59,439
to specifically roll out a new type of

4104
02:33:03,670 --> 02:33:00,399
technology

4105
02:33:08,630 --> 02:33:03,680
disclosure

4106
02:33:13,110 --> 02:33:11,510
what if this is shifting into a new

4107
02:33:16,309 --> 02:33:13,120
technological era

4108
02:33:18,550 --> 02:33:16,319
and the only way to do that is to create

4109
02:33:20,070 --> 02:33:18,560
some sort of story to be able to roll

4110
02:33:21,990 --> 02:33:20,080
this technology out

4111
02:33:23,349 --> 02:33:22,000
so dude all right here's where my brain

4112
02:33:27,349 --> 02:33:23,359
goes is

4113
02:33:30,630 --> 02:33:27,359

uh weird weird farts dude big ones

4114

02:33:33,510 --> 02:33:30,640

heavy dangling parts anyway so

4115

02:33:34,070 --> 02:33:33,520

dude the like the direction is going

4116

02:33:37,910 --> 02:33:34,080

towards

4117

02:33:39,670 --> 02:33:37,920

ai from our currency

4118

02:33:41,349 --> 02:33:39,680

to well i guess it just starts occurring

4119

02:33:44,950 --> 02:33:41,359

but but like our

4120

02:33:48,230 --> 02:33:44,960

uh our energy is is all being

4121

02:33:48,630 --> 02:33:48,240

controlled by this technology which is

4122

02:33:50,389 --> 02:33:48,640

like

4123

02:33:51,750 --> 02:33:50,399

hey we don't have to make human mistakes

4124

02:33:53,270 --> 02:33:51,760

we don't have to we could just like

4125

02:33:55,590 --> 02:33:53,280

build something that will do it better

4126
02:33:58,389 --> 02:33:55,600
right just let robots make mistakes let

4127
02:34:01,670 --> 02:33:58,399
the robots make mistakes dude but

4128
02:34:02,230 --> 02:34:01,680
do robots can't i mean do robots make

4129
02:34:03,510 --> 02:34:02,240
mistakes

4130
02:34:05,270 --> 02:34:03,520
if you program it too it's all

4131
02:34:08,389 --> 02:34:05,280
subjective right like

4132
02:34:11,190 --> 02:34:08,399
if the betterment of humanity is to kill

4133
02:34:11,590 --> 02:34:11,200
all of us is it a mistake in the robot's

4134
02:34:13,670 --> 02:34:11,600
eyes

4135
02:34:15,030 --> 02:34:13,680
according to his programming or is it

4136
02:34:16,389 --> 02:34:15,040
it's totally a mistake to us because

4137
02:34:20,710 --> 02:34:16,399
like nobody wants to die

4138
02:34:23,190 --> 02:34:20,720

right like so i think that that it's

4139

02:34:25,590 --> 02:34:23,200

all heading towards i mean there's been

4140

02:34:27,110 --> 02:34:25,600

you know this cryptocurrency stuff man

4141

02:34:29,750 --> 02:34:27,120

which also i think it's dumb that we

4142

02:34:31,349 --> 02:34:29,760

have to buy money like

4143

02:34:33,349 --> 02:34:31,359

current that's kind of dumb dude like

4144

02:34:34,230 --> 02:34:33,359

who's buying money like am i buying

4145

02:34:36,389 --> 02:34:34,240

money right now

4146

02:34:37,510 --> 02:34:36,399

like can you wait can you buy something

4147

02:34:39,830 --> 02:34:37,520

else like

4148

02:34:42,070 --> 02:34:39,840

why don't i why am i buying money right

4149

02:34:45,830 --> 02:34:42,080

now dude

4150

02:34:47,590 --> 02:34:45,840

anyway i just i could go on but

4151

02:34:49,270 --> 02:34:47,600

uh dogecoin it's not gonna go up to a

4152

02:34:54,870 --> 02:34:49,280

dollar but it might

4153

02:34:57,510 --> 02:34:54,880

i heard dogecoin is about to splat

4154

02:34:57,990 --> 02:34:57,520

it has splat but well we'll see i don't

4155

02:34:59,670 --> 02:34:58,000

know [h__\h]

4156

02:35:02,309 --> 02:34:59,680

man oh i don't know man i bought

4157

02:35:05,750 --> 02:35:02,319

something i've i've got some very

4158

02:35:08,790 --> 02:35:05,760

uh stinky dumb crypto currency

4159

02:35:11,429 --> 02:35:08,800

savvy insiders that would say

4160

02:35:11,990 --> 02:35:11,439

that's me right or is it josh no i only

4161

02:35:14,630 --> 02:35:12,000

have like

4162

02:35:15,990 --> 02:35:14,640

three friends and you guys all it's

4163

02:35:17,830 --> 02:35:16,000

funny because you guys all

4164

02:35:21,349 --> 02:35:17,840

invest in like cryptocurrency and i

4165

02:35:23,750 --> 02:35:21,359

invested in [h__h] tractor supply like

4166

02:35:25,510 --> 02:35:23,760

i think that's a very sound i'm losing

4167

02:35:27,590 --> 02:35:25,520

right now you should have invested in

4168

02:35:29,590 --> 02:35:27,600

uh sports uh sports and outdoors i think

4169

02:35:32,230 --> 02:35:29,600

i'm up like four dollars

4170

02:35:32,710 --> 02:35:32,240

that's huge well considering i've put

4171

02:35:36,630 --> 02:35:32,720

like

4172

02:35:39,190 --> 02:35:36,640

four dollars in no i'm feeling a dollar

4173

02:35:41,030 --> 02:35:39,200

so i'm just not i'm just not good at

4174

02:35:43,349 --> 02:35:41,040

[h__h] like that i don't know what to do

4175

02:35:44,230 --> 02:35:43,359

like i have this money and like i put it

4176
02:35:45,429 --> 02:35:44,240
in this thing

4177
02:35:47,429 --> 02:35:45,439
and they were like yeah let's put on the

4178
02:35:51,110 --> 02:35:47,439
stock just [h__h] leave it there

4179
02:35:51,990 --> 02:35:51,120
and just 60 years from now [h__h] look

4180
02:35:53,590 --> 02:35:52,000
at it see what it did

4181
02:35:55,990 --> 02:35:53,600
yeah that's how you have to treat it and

4182
02:35:59,110 --> 02:35:56,000
i've done it for like

4183
02:36:02,630 --> 02:35:59,120
three years yeah

4184
02:36:05,030 --> 02:36:02,640
awesome i mean i think we all have

4185
02:36:07,429 --> 02:36:05,040
i have lots of money so maybe i should

4186
02:36:08,070 --> 02:36:07,439
[h__h] like change my tractor supply

4187
02:36:09,429 --> 02:36:08,080
investment

4188
02:36:11,110 --> 02:36:09,439

this is something that's going to like

4189

02:36:12,389 --> 02:36:11,120

better the community people just take

4190

02:36:13,270 --> 02:36:12,399

that [h__h] money out and buy a

4191

02:36:15,349 --> 02:36:13,280

cemetery

4192

02:36:17,190 --> 02:36:15,359

you know that's what i'm thinking dude i

4193

02:36:19,110 --> 02:36:17,200

think that's a genius idea investing in

4194

02:36:19,910 --> 02:36:19,120

like buying land for cemeteries yeah you

4195

02:36:21,750 --> 02:36:19,920

have to dude

4196

02:36:23,190 --> 02:36:21,760

people die all the time people some

4197

02:36:24,950 --> 02:36:23,200

people are still holding on to like i

4198

02:36:27,590 --> 02:36:24,960

want to be buried in the ground i

4199

02:36:28,630 --> 02:36:27,600

want this i own this land forever yeah

4200

02:36:30,870 --> 02:36:28,640

you can't

4201

02:36:32,630 --> 02:36:30,880

i bought it forever yep i'm even if i'm

4202

02:36:36,070 --> 02:36:32,640

dead this is my land yep

4203

02:36:37,830 --> 02:36:36,080

don't get close to me

4204

02:36:39,590 --> 02:36:37,840

uh so anyway dude like the the

4205

02:36:42,230 --> 02:36:39,600

technology man like i'm not

4206

02:36:42,870 --> 02:36:42,240

trying to talk like doom and gloom but

4207

02:36:44,790 --> 02:36:42,880

what if it

4208

02:36:45,990 --> 02:36:44,800

is this whole disclosure stuff is a big

4209

02:36:48,630 --> 02:36:46,000

distraction

4210

02:36:49,110 --> 02:36:48,640

from the new world order in a way that

4211

02:36:51,429 --> 02:36:49,120

like

4212

02:36:53,110 --> 02:36:51,439

says hey we're no longer going to govern

4213

02:36:54,870 --> 02:36:53,120

ourselves we've proven that we're going

4214

02:36:56,550 --> 02:36:54,880

to destroy ourselves here's the future

4215

02:36:58,550 --> 02:36:56,560

we have technology we've seen the future

4216

02:37:00,790 --> 02:36:58,560

here's the video don't watch it

4217

02:37:02,550 --> 02:37:00,800

it's not two girls one cup but it's

4218

02:37:06,870 --> 02:37:02,560

pretty bad

4219

02:37:07,510 --> 02:37:06,880

uh [h__h] up would that be that the end

4220

02:37:10,870 --> 02:37:07,520

of the world

4221

02:37:11,990 --> 02:37:10,880

isn't as bad as two girls it's not two

4222

02:37:14,469 --> 02:37:12,000

girls one cup but

4223

02:37:15,990 --> 02:37:14,479

i'm just gonna say we're all gonna die i

4224

02:37:18,790 --> 02:37:16,000

just want to tell you though it's not as

4225

02:37:20,150 --> 02:37:18,800

bad as two girls one cup

4226

02:37:22,550 --> 02:37:20,160

i mean honestly that would be a light at

4227

02:37:22,870 --> 02:37:22,560

the end of the tunnel oh my goodness but

4228

02:37:26,309 --> 02:37:22,880

so

4229

02:37:28,309 --> 02:37:26,319

all been a distraction to

4230

02:37:29,910 --> 02:37:28,319

to ease your minds into accepting this

4231

02:37:31,349 --> 02:37:29,920

alternate this other thing that we've

4232

02:37:32,790 --> 02:37:31,359

been working on

4233

02:37:34,710 --> 02:37:32,800

and this is new technology like you're

4234

02:37:36,230 --> 02:37:34,720

saying joe like look we

4235

02:37:38,230 --> 02:37:36,240

we've proven ourselves that we can't

4236

02:37:39,190 --> 02:37:38,240

govern i'm not saying i believe this i'm

4237

02:37:41,349 --> 02:37:39,200

just saying that

4238

02:37:42,710 --> 02:37:41,359

what if that we can't govern ourselves

4239

02:37:43,510 --> 02:37:42,720

so we're going to leave it up to this

4240

02:37:47,349 --> 02:37:43,520

dude

4241

02:37:49,990 --> 02:37:47,359

his name's george uh not soros

4242

02:37:51,750 --> 02:37:50,000

it's georgie because it's cute but it's

4243

02:37:52,870 --> 02:37:51,760

it's the name of the ai or something i

4244

02:37:56,070 --> 02:37:52,880

don't know i'm just making up a name

4245

02:38:04,230 --> 02:37:56,080

it's not philosophical spanx revision

4246

02:38:08,790 --> 02:38:06,790

but anyway like that's that's the end

4247

02:38:10,630 --> 02:38:08,800

goal like the one world order and all

4248

02:38:13,429 --> 02:38:10,640

this is where it's all heading it's all

4249

02:38:13,990 --> 02:38:13,439

all a mis misdirection kind of thing

4250

02:38:16,469 --> 02:38:14,000

like we've

4251
02:38:17,349 --> 02:38:16,479
always wanted this disclosure and stuff

4252
02:38:19,510 --> 02:38:17,359
like

4253
02:38:21,030 --> 02:38:19,520
those of us who have had experiences and

4254
02:38:21,510 --> 02:38:21,040
like people that have been abducted like

4255
02:38:24,150 --> 02:38:21,520
we want

4256
02:38:26,630 --> 02:38:24,160
answers yeah but we're never gonna

4257
02:38:29,190 --> 02:38:26,640
officially get them dude

4258
02:38:29,750 --> 02:38:29,200
not from the government man oh we're not

4259
02:38:31,270 --> 02:38:29,760
going to

4260
02:38:34,150 --> 02:38:31,280
i don't think so i don't think so i

4261
02:38:36,150 --> 02:38:34,160
really don't think so no i know i agree

4262
02:38:37,429 --> 02:38:36,160
i don't think we are either man tammy

4263
02:38:39,910 --> 02:38:37,439

said why is there no display on your

4264

02:38:42,870 --> 02:38:39,920

sponsor table

4265

02:38:44,630 --> 02:38:42,880

i love that you know that yeah hell yeah

4266

02:38:48,389 --> 02:38:44,640

shout out to the to you tammy

4267

02:38:51,110 --> 02:38:48,399

appreciate it um the studio

4268

02:38:52,870 --> 02:38:51,120

is in a little bit of a uh transition

4269

02:38:55,030 --> 02:38:52,880

period that's why we don't have it up

4270

02:38:56,710 --> 02:38:55,040

it's it's moving to a new spot yeah

4271

02:38:58,630 --> 02:38:56,720

pretty soon i'm moving to a new house

4272

02:39:00,469 --> 02:38:58,640

and we're uh we're getting a new studio

4273

02:39:02,710 --> 02:39:00,479

we're gonna make it look exactly like

4274

02:39:03,910 --> 02:39:02,720

this

4275

02:39:05,670 --> 02:39:03,920

you won't even be able to tell the

4276

02:39:06,710 --> 02:39:05,680

difference you're gonna be like i feel

4277

02:39:08,070 --> 02:39:06,720

right at home

4278

02:39:10,309 --> 02:39:08,080

you know what we should do is we should

4279

02:39:13,429 --> 02:39:10,319

switch spots for the next studio

4280

02:39:16,550 --> 02:39:13,439

really [h__\h] with people's minds oh dude

4281

02:39:17,349 --> 02:39:16,560

well let's see oh tammy said my money is

4282

02:39:21,030 --> 02:39:17,359

not lost

4283

02:39:21,910 --> 02:39:21,040

unless i sell but if but if it's already

4284

02:39:23,910 --> 02:39:21,920

gone

4285

02:39:25,990 --> 02:39:23,920

and then i sell it money didn't even

4286

02:39:27,830 --> 02:39:26,000

exist in the first place

4287

02:39:30,230 --> 02:39:27,840

it's all it's all a concept it's all a

4288

02:39:34,389 --> 02:39:30,240

construction of her mind

4289

02:39:37,830 --> 02:39:34,399

it's a patriarchy fractal inside of a

4290

02:39:39,830 --> 02:39:37,840

time space this time it's time and space

4291

02:39:41,190 --> 02:39:39,840

jennifer's husband's name is george

4292

02:39:44,070 --> 02:39:41,200

george what's up dude

4293

02:39:48,150 --> 02:39:44,080

george george georgia jungle strong as

4294

02:39:51,510 --> 02:39:51,110

watch out for that tree watch out for

4295

02:39:55,590 --> 02:39:51,520

that

4296

02:39:57,830 --> 02:39:55,600

bang ooh tree george of jungle only here

4297

02:40:01,110 --> 02:39:57,840

to help

4298

02:40:02,950 --> 02:40:01,120

tukey tukey burn i don't know when the

4299

02:40:03,750 --> 02:40:02,960

reference stops and you're just making

4300

02:40:05,990 --> 02:40:03,760

[h__\h] up

4301
02:40:06,950 --> 02:40:06,000
i'm not doing dookie bird this is really

4302
02:40:09,110 --> 02:40:06,960
tokidoki

4303
02:40:10,469 --> 02:40:09,120
that's his that's his buddy that's not

4304
02:40:13,349 --> 02:40:10,479
real no it is

4305
02:40:15,030 --> 02:40:13,359
tooky tooky bird it was totally real the

4306
02:40:15,349 --> 02:40:15,040
cartoon was pretty good i used to love

4307
02:40:16,790 --> 02:40:15,359
that

4308
02:40:18,469 --> 02:40:16,800
back in the day you talking about tarzan

4309
02:40:20,950 --> 02:40:18,479
the movie like yeah disney movie

4310
02:40:22,950 --> 02:40:20,960
yeah [h__h] great well tarzan and that

4311
02:40:26,630 --> 02:40:22,960
movie target from the soundtrack

4312
02:40:28,870 --> 02:40:26,640
to tarzan dude phil collins oh no no

4313
02:40:30,230 --> 02:40:28,880

no no no no no i'm sorry no it's not the

4314

02:40:33,670 --> 02:40:30,240

disney

4315

02:40:36,150 --> 02:40:33,680

family yeah absolutely yes

4316

02:40:37,190 --> 02:40:36,160

i'm talking about tarzan the the brendan

4317

02:40:38,950 --> 02:40:37,200

fraser

4318

02:40:40,630 --> 02:40:38,960

brendan frazier tarzan oh that that's

4319

02:40:42,309 --> 02:40:40,640

the best one and then there's that the

4320

02:40:43,349 --> 02:40:42,319

old black and white one and there's that

4321

02:40:46,150 --> 02:40:43,359

really cool uh

4322

02:40:47,269 --> 02:40:46,160

cartoon one that used to come on i don't

4323

02:40:48,150 --> 02:40:47,279

remember that one yeah it was pretty

4324

02:40:49,750 --> 02:40:48,160

badass

4325

02:40:51,510 --> 02:40:49,760

they used to have it on cartoon network

4326

02:40:55,590 --> 02:40:51,520

dude with like uh

4327

02:40:59,910 --> 02:40:55,600

uh like jabber jaw and the smurfs

4328

02:41:04,790 --> 02:40:59,920

and underdog and rocky and blue winkle

4329

02:41:06,710 --> 02:41:04,800

and uh the uh hr puffins stuff

4330

02:41:08,389 --> 02:41:06,720

that [h__h] went hard that's not real yeah

4331

02:41:09,590 --> 02:41:08,399

he turned off his stuff hr profit stuff

4332

02:41:11,990 --> 02:41:09,600

is totally real dude

4333

02:41:13,910 --> 02:41:12,000

no yes it is nope yeah they had like

4334

02:41:16,070 --> 02:41:13,920

these cool like they had like a dog and

4335

02:41:18,710 --> 02:41:16,080

then they had like this orange thing

4336

02:41:19,269 --> 02:41:18,720

and like i swear hr puffing stuff was a

4337

02:41:21,269 --> 02:41:19,279

real thing

4338

02:41:23,110 --> 02:41:21,279

dude hey you can ask some of these

4339

02:41:24,389 --> 02:41:23,120

people in the chat room right now

4340

02:41:26,389 --> 02:41:24,399

especially the ones that said that we

4341

02:41:28,070 --> 02:41:26,399

were young they know about hr puff and

4342

02:41:29,670 --> 02:41:28,080

stuff watch here in the next like two

4343

02:41:31,429 --> 02:41:29,680

minutes you're gonna start seeing hr

4344

02:41:32,630 --> 02:41:31,439

puffin stuff come up and be like i love

4345

02:41:34,070 --> 02:41:32,640

their jar puff and stuff and i was

4346

02:41:35,590 --> 02:41:34,080

growing up

4347

02:41:37,510 --> 02:41:35,600

i i guarantee you they all are all

4348

02:41:40,790 --> 02:41:37,520

making this stuff up nope

4349

02:41:42,389 --> 02:41:40,800

did i say underdog yeah friendly giant

4350

02:41:45,510 --> 02:41:42,399

oh oh friendly giant do you remember

4351

02:41:49,030 --> 02:41:45,520

grape ape grape

4352

02:41:50,550 --> 02:41:49,040

grape baby or miguel gorilla

4353

02:41:52,309 --> 02:41:50,560

i got a gorilla for sale i'm gonna get a

4354

02:41:53,750 --> 02:41:52,319

gorilla for sale that's awesome

4355

02:41:56,950 --> 02:41:53,760

i got a gorilla for sale i'ma get a

4356

02:41:59,990 --> 02:41:56,960

gorilla for sale what

4357

02:42:00,790 --> 02:42:00,000

yeah actually that sounded really good

4358

02:42:03,030 --> 02:42:00,800

through this microphone

4359

02:42:03,910 --> 02:42:03,040

it did like that was like some 808 [h__\h]

4360

02:42:06,950 --> 02:42:03,920

dude

4361

02:42:09,990 --> 02:42:06,960

that was a straight age town like

4362

02:42:13,590 --> 02:42:10,000

like like banging the panels off of a

4363

02:42:17,429 --> 02:42:13,600

off of a [h__h] uh uh

4364

02:42:20,389 --> 02:42:17,439

a chrysler or some [h__h] chrysler 300.

4365

02:42:21,990 --> 02:42:20,399

yeah dude hr puppet stuff live lids

4366

02:42:25,269 --> 02:42:22,000

lidsville

4367

02:42:27,190 --> 02:42:25,279

yeah yeah yeah see told you that

4368

02:42:28,710 --> 02:42:27,200

antonio dude thanks for hanging out with

4369

02:42:30,309 --> 02:42:28,720

us man that was

4370

02:42:31,750 --> 02:42:30,319

that was awesome to have you here dude

4371

02:42:34,950 --> 02:42:31,760

uh renee yes

4372

02:42:36,950 --> 02:42:34,960

thank you for hanging out uh jennifer

4373

02:42:38,469 --> 02:42:36,960

thanks for hanging out yeah disney is

4374

02:42:42,710 --> 02:42:38,479

[h__h] dark as [h__h]

4375

02:42:46,870 --> 02:42:42,720

dude hr puffin stuff dude yeah

4376

02:42:49,349 --> 02:42:46,880

mari yeah murray bog marry bon marry bun

4377

02:42:50,550 --> 02:42:49,359

calling marry that's what dave does on

4378

02:42:52,230 --> 02:42:50,560

the show

4379

02:42:54,070 --> 02:42:52,240

uh butch patrick who played eddie

4380

02:42:57,429 --> 02:42:54,080

monster was in lidsville

4381

02:43:01,030 --> 02:42:57,439

from the makers of hr no way

4382

02:43:02,550 --> 02:43:01,040

i did not even know that yeah electric

4383

02:43:05,190 --> 02:43:02,560

woman

4384

02:43:06,630 --> 02:43:05,200

mighty mouse hell yeah dude you remember

4385

02:43:11,260 --> 02:43:06,640

mighty man mighty mouse

4386

02:43:17,190 --> 02:43:13,990

[Laughter]

4387

02:43:19,269 --> 02:43:17,200

oh my gosh dude hell yeah yeah

4388

02:43:20,790 --> 02:43:19,279

okay so i feel like we're kind of and

4389

02:43:22,309 --> 02:43:20,800

then we got our

4390

02:43:23,990 --> 02:43:22,319

sea monkey that was the last question

4391

02:43:25,830 --> 02:43:24,000

right like the last deep

4392

02:43:27,349 --> 02:43:25,840

the deep question we're kind of going

4393

02:43:28,070 --> 02:43:27,359

through all i know dude is this sea

4394

02:43:31,110 --> 02:43:28,080

monkeys

4395

02:43:34,309 --> 02:43:32,950

and they can move their bodies in a way

4396

02:43:37,590 --> 02:43:34,319

that science

4397

02:43:40,550 --> 02:43:37,600

can't they can't explain the way

4398

02:43:40,950 --> 02:43:40,560

their bodies dance so good they're like

4399

02:43:42,630 --> 02:43:40,960

so

4400

02:43:44,150 --> 02:43:42,640

they're like they're microscopic

4401
02:43:46,389 --> 02:43:44,160
mermaids

4402
02:43:47,990 --> 02:43:46,399
they're like the kings and queens of the

4403
02:43:51,910 --> 02:43:48,000
sea dude

4404
02:43:54,710 --> 02:43:51,920
you know i mean the biggest the biggest

4405
02:43:55,429 --> 02:43:54,720
uh uh conspiracy is that the royal

4406
02:43:56,790 --> 02:43:55,439
bloodline

4407
02:43:58,150 --> 02:43:56,800
started with sea monkeys with sea

4408
02:43:59,830 --> 02:43:58,160
monkeys yeah i don't know if you know

4409
02:44:02,550 --> 02:43:59,840
this but queen elizabeth

4410
02:44:03,190 --> 02:44:02,560
was actually related to a sea monkey her

4411
02:44:06,230 --> 02:44:03,200
mother

4412
02:44:10,710 --> 02:44:06,240
was actually a monkey from the sea

4413
02:44:12,950 --> 02:44:10,720

small small tiny tiny tiny i mean

4414

02:44:14,070 --> 02:44:12,960

and the reason she's big is because

4415

02:44:16,870 --> 02:44:14,080

science yeah

4416

02:44:17,670 --> 02:44:16,880

yeah because i think i believe in

4417

02:44:21,190 --> 02:44:17,680

science

4418

02:44:24,389 --> 02:44:21,200

[h__\h]

4419

02:44:32,900 --> 02:44:24,399

yeah yeah scrum and spots no i can't

4420

02:44:36,150 --> 02:44:32,910

argue with comments

4421

02:44:39,269 --> 02:44:36,160

[Laughter]

4422

02:44:40,550 --> 02:44:39,279

that was good we're back in i was

4423

02:44:44,150 --> 02:44:40,560

screwed to space dude

4424

02:44:45,910 --> 02:44:44,160

i like shook my whole face dude

4425

02:44:47,510 --> 02:44:45,920

all right so we all know the sun is cold

4426

02:44:49,349 --> 02:44:47,520

and we'll leave it at that

4427

02:44:51,030 --> 02:44:49,359

and uh guys thanks for hanging out with

4428

02:44:53,269 --> 02:44:51,040

us tonight this was fun

4429

02:44:54,630 --> 02:44:53,279

another thirsty uh the first thirsty

4430

02:45:00,389 --> 02:44:54,640

thursday

4431

02:45:03,510 --> 02:45:00,399

we don't have a guest we don't have a

4432

02:45:04,150 --> 02:45:03,520

topic we just kind of roll with it and

4433

02:45:10,710 --> 02:45:04,160

hang out

4434

02:45:12,070 --> 02:45:10,720

and uh kick it yeah and kick it and i

4435

02:45:14,550 --> 02:45:12,080

don't know maybe we'll um

4436

02:45:16,389 --> 02:45:14,560

you know maybe we'll have nibbler on my

4437

02:45:18,309 --> 02:45:16,399

uh my alien pug

4438

02:45:19,990 --> 02:45:18,319

uh next time i have a little cameo have

4439

02:45:22,870 --> 02:45:20,000

her answer some questions that's right

4440

02:45:26,150 --> 02:45:22,880

that's right she's really into the woo

4441

02:45:33,349 --> 02:45:29,269

she's a dog do dogs make that noise

4442

02:45:34,630 --> 02:45:33,359

she does okay but uh yeah chad thanks

4443

02:45:37,349 --> 02:45:34,640

for hanging out bro

4444

02:45:38,469 --> 02:45:37,359

yeah denali gilligan's island sorry dude

4445

02:45:43,030 --> 02:45:38,479

tammy

4446

02:45:45,429 --> 02:45:43,040

okay uh

4447

02:45:47,269 --> 02:45:45,439

i mean are they still there i think

4448

02:45:48,309 --> 02:45:47,279

they're if the tv show stopped does that

4449

02:45:52,309 --> 02:45:48,319

mean they're still on the

4450

02:45:53,990 --> 02:45:52,319

island someone needs to check on them

4451

02:45:56,070 --> 02:45:54,000

does anybody know having the skipper how

4452

02:45:58,070 --> 02:45:56,080

did it end did they go back home

4453

02:46:01,750 --> 02:45:58,080

i think skipper had diabetes did he have

4454

02:46:04,870 --> 02:46:03,110

no for damn sure they did not have

4455

02:46:06,710 --> 02:46:04,880

insulin on that damn island it's 45

4456

02:46:08,309 --> 02:46:06,720

minutes until spaced out radio unless

4457

02:46:11,349 --> 02:46:08,319

you're in a different time zone

4458

02:46:13,830 --> 02:46:11,359

yes spaced out radio's up next uh

4459

02:46:15,590 --> 02:46:13,840

i mean it's like we're on the same

4460

02:46:17,670 --> 02:46:15,600

channel i know all right

4461

02:46:18,870 --> 02:46:17,680

and coming up next we've got spaced out

4462

02:46:22,469 --> 02:46:18,880

radio uh

4463

02:46:23,750 --> 02:46:22,479

um richard dolan and uh next is space

4464

02:46:25,429 --> 02:46:23,760

down radio basically

4465

02:46:27,830 --> 02:46:25,439

what dave scott and uh it's going to be

4466

02:46:29,349 --> 02:46:27,840

a really great time and and

4467

02:46:32,469 --> 02:46:29,359

a lot of not a lot of people know that

4468

02:46:35,030 --> 02:46:32,479

in 1973 um there was a uh

4469

02:46:36,309 --> 02:46:35,040

a couple named uh betty and bart that's

4470

02:46:39,750 --> 02:46:36,319

not the right uh

4471

02:46:41,670 --> 02:46:39,760

address but uh dave's dave's scott

4472

02:46:44,230 --> 02:46:41,680

spacey's already he's coming at me uh

4473

02:46:44,240 --> 02:46:48,389

oh no renee said that

4474

02:46:51,670 --> 02:46:51,269

back in 1975 i cut out an article to

4475

02:46:54,070 --> 02:46:51,680

order

4476
02:46:56,309 --> 02:46:54,080
sea monkeys and they were stupid brian

4477
02:46:57,190 --> 02:46:56,319
shrimp i ruined my marvel comic book

4478
02:47:01,880 --> 02:46:57,200
dude yeah

4479
02:47:04,630 --> 02:47:01,890
that's like you cut it out sucks dance

4480
02:47:09,110 --> 02:47:04,640
[Music]

4481
02:47:14,870 --> 02:47:12,550
instagram is past the scrubba spots

4482
02:47:16,550 --> 02:47:14,880
all right um guys this has been fun

4483
02:47:19,590 --> 02:47:16,560
thank you guys this has been great

4484
02:47:20,230 --> 02:47:19,600
uh we will be back next week in the new

4485
02:47:22,710 --> 02:47:20,240
studio

4486
02:47:24,710 --> 02:47:22,720
yeah looking fresh and don't forget to

4487
02:47:26,870 --> 02:47:24,720
drink texas beer company beer

4488
02:47:28,070 --> 02:47:26,880

yeah bear they got multiple kinds you

4489

02:47:28,309 --> 02:47:28,080

don't have to drink the amber they made

4490

02:47:30,309 --> 02:47:28,319

us

4491

02:47:31,429 --> 02:47:30,319

hey is that your brother hey man that's

4492

02:47:33,190 --> 02:47:31,439

my beer right here

4493

02:47:36,150 --> 02:47:33,200

is that your barrel i'm gonna need give

4494

02:47:38,550 --> 02:47:36,160

me number ah [\h__\h] we only had like

4495

02:47:41,510 --> 02:47:38,560

six we've been talking for the past two

4496

02:47:44,630 --> 02:47:43,990

uh good thing i didn't smoke any weed

4497

02:47:47,830 --> 02:47:44,640

yeah

4498

02:47:49,510 --> 02:47:47,840

totally did not smoke weed at all i

4499

02:47:51,510 --> 02:47:49,520

didn't inhale i don't know

4500

02:47:52,710 --> 02:47:51,520

i just smelled it i just i was just

4501
02:47:56,309 --> 02:47:52,720
looking at it i

4502
02:47:58,950 --> 02:47:56,319
literally i smelled it

4503
02:47:59,910 --> 02:47:58,960
oh man all right guys we'll uh we'll see

4504
02:48:01,910 --> 02:47:59,920
you next week

4505
02:48:03,269 --> 02:48:01,920
same time same place we will have a

4506
02:48:06,950 --> 02:48:03,279
guest um

4507
02:48:11,349 --> 02:48:08,550
hold on let me look at that oh look at

4508
02:48:14,469 --> 02:48:11,359
the calendar really quick geraldine

4509
02:48:15,990 --> 02:48:14,479
oh oh yeah no jeremy sorry you know that

4510
02:48:21,910 --> 02:48:16,000
was last week dude

4511
02:48:28,830 --> 02:48:25,269
no uh so

4512
02:48:32,150 --> 02:48:28,840
next week is cinco de mayo uh

4513
02:48:34,230 --> 02:48:32,160

children geraldine orozco next week

4514

02:48:36,309 --> 02:48:34,240

that's gonna be so tight dude she's

4515

02:48:38,070 --> 02:48:36,319

awesome excited about that uh we met her

4516

02:48:38,790 --> 02:48:38,080

in person she's freaking off it's just

4517

02:48:40,950 --> 02:48:38,800

full of

4518

02:48:42,469 --> 02:48:40,960

love man like just just the nicest

4519

02:48:45,269 --> 02:48:42,479

person and uh

4520

02:48:46,469 --> 02:48:45,279

man she took a picture with us dude i'm

4521

02:48:47,910 --> 02:48:46,479

gonna tell her and be like

4522

02:48:50,230 --> 02:48:47,920

do you remember that one time when you

4523

02:48:54,389 --> 02:48:50,240

took a picture with us yeah do you

4524

02:48:59,030 --> 02:48:54,399

remember though geraldine

4525

02:49:01,110 --> 02:48:59,040

what are you doing

4526
02:49:03,350 --> 02:49:01,120
so we should start the episode [h__h]

4527
02:49:04,710 --> 02:49:03,360
talking to aliens over here dude

4528
02:49:08,630 --> 02:49:04,720
[Music]

4529
02:49:12,070 --> 02:49:08,640
first question what are you doing

4530
02:49:14,950 --> 02:49:12,080
hey lou first question

4531
02:49:18,950 --> 02:49:14,960
what are you doing user submitted

4532
02:49:24,870 --> 02:49:22,870
oh yeah all right uh yeah so next week

4533
02:49:25,990 --> 02:49:24,880
geraldine roscoe the next week after

4534
02:49:28,469 --> 02:49:26,000
that is is

4535
02:49:29,590 --> 02:49:28,479
lou elizondo so that'll be uh that'll be

4536
02:49:31,349 --> 02:49:29,600
a hoot

4537
02:49:32,710 --> 02:49:31,359
it's gonna be a real hoot it's gonna be

4538
02:49:35,830 --> 02:49:32,720

a real gas kitten

4539

02:49:40,150 --> 02:49:35,840

i'm telling you did you make that up

4540

02:49:43,510 --> 02:49:40,160

huh did you make that up yeah

4541

02:49:46,870 --> 02:49:43,520

all right guys uh stay on top of

4542

02:49:49,510 --> 02:49:46,880

your uh taxes tax season is coming soon

4543

02:49:50,469 --> 02:49:49,520

and they will rape you yes also even

4544

02:49:53,590 --> 02:49:50,479

though it's theft

4545

02:49:55,830 --> 02:49:53,600

be nice to the sea monkeys uh

4546

02:49:57,349 --> 02:49:55,840

they love you they love you as much as

4547

02:49:57,990 --> 02:49:57,359

well they love you more than you love

4548

02:50:00,790 --> 02:49:58,000

them

4549

02:50:01,830 --> 02:50:00,800

you think that you know i'm just trying

4550

02:50:04,630 --> 02:50:01,840

to raise awareness

4551

02:50:05,510 --> 02:50:04,640

but be nice to the sea monkeys uh we'll

4552

02:50:16,070 --> 02:50:05,520

see you next week

4553

02:50:19,750 --> 02:50:18,710

this has been another episode of ufo
