

U F O G A R A G E P O D C A S T . C O M

SOR Media

1
00:00:15,430 --> 00:00:11,190
so mark reaches into his pocket

2
00:00:17,910 --> 00:00:15,440
and grabs a canadian nickel from 1960s

3
00:00:19,750 --> 00:00:17,920
it's all worn out and she puts it on

4
00:00:22,310 --> 00:00:19,760
this rotted out log

5
00:00:23,670 --> 00:00:22,320
we go back to the site a week later the

6
00:00:25,830 --> 00:00:23,680
nickel is gone

7
00:00:26,870 --> 00:00:25,840
some of the toys have moved but it's

8
00:00:29,990 --> 00:00:26,880
nothing that

9
00:00:33,270 --> 00:00:30,000
we could that

10
00:00:36,870 --> 00:00:33,280
couldn't be explained by pack rats or or

11
00:00:37,750 --> 00:00:36,880
deer getting curious or or bears curious

12
00:00:40,869 --> 00:00:37,760
or whatever

13
00:00:41,670 --> 00:00:40,879

nothing out of the right but the nickel

14

00:00:44,310 --> 00:00:41,680

is gone

15

00:00:45,510 --> 00:00:44,320

okay so let's be realistic here pack

16

00:00:49,110 --> 00:00:45,520

rats

17

00:00:49,670 --> 00:00:49,120

any type of rodent that likes shiny

18

00:00:54,310 --> 00:00:49,680

things

19

00:00:58,389 --> 00:00:57,750

crows love shiny objects okay could be

20

00:01:02,389 --> 00:00:58,399

anything

21

00:01:05,670 --> 00:01:02,399

a person walking by sees a nickel

22

00:01:07,429 --> 00:01:05,680

picks it up okay but here's the

23

00:01:10,710 --> 00:01:07,439

interesting part

24

00:01:13,750 --> 00:01:10,720

we go back a week later

25

00:01:14,950 --> 00:01:13,760

all right we go for a ride because now

26

00:01:17,830 --> 00:01:14,960

we're getting curious

27

00:01:19,270 --> 00:01:17,840

and we check out the site the site's

28

00:01:20,070 --> 00:01:19,280

looking pretty normal like nothing's

29

00:01:22,550 --> 00:01:20,080

happened and

30

00:01:23,190 --> 00:01:22,560

you know i'm my son is standing by the

31

00:01:25,109 --> 00:01:23,200

tree because

32

00:01:26,789 --> 00:01:25,119

it's literally i stole two of his toys

33

00:01:28,789 --> 00:01:26,799

to put out there

34

00:01:30,469 --> 00:01:28,799

right but he thinks it's cool because

35

00:01:33,590 --> 00:01:30,479

we're looking for sasquatch

36

00:01:35,350 --> 00:01:33,600

yeah dad looks for monsters so i kind of

37

00:01:36,550 --> 00:01:35,360

walk away from the tree i'm disappointed

38

00:01:39,429 --> 00:01:36,560

that there's nothing really

39

00:01:40,550 --> 00:01:39,439

moved looking for footprints okay let's

40

00:01:42,389 --> 00:01:40,560

check all the trails and

41

00:01:44,710 --> 00:01:42,399

i get about 12 feet away from the trail

42

00:01:47,990 --> 00:01:44,720

my son says daddy

43

00:01:50,069 --> 00:01:48,000

hey daddy what's this coin doing on the

44

00:01:54,389 --> 00:01:50,079

purple ball

45

00:01:58,630 --> 00:01:54,399

no way and i'm like what

46

00:02:02,850 --> 00:02:01,960

and there is a whoa

47

00:02:04,069 --> 00:02:02,860

[Applause]
