1
00:00:10,950 --> 00:00:10,549
interesting things coming out when they

2
00:00:13,190 --> 00:00:10,960
start

3
00:00:14,470 --> 00:00:13,200
talking to like actual actual

4
00:00:16,790 --> 00:00:14,480
experiencers

5
00:00:17,670 --> 00:00:16,800
you know yeah well john mack was a

6
00:00:21,269 --> 00:00:17,680
psychologist

7
00:00:23,670 --> 00:00:21,279
dr john mack that you know did multiple

8
00:00:27,189 --> 00:00:23,680
research on experiencers

9
00:00:28,550 --> 00:00:27,199
and he talked about one was like

10
00:00:31,429 --> 00:00:28,560
evidence one of them said that the

11
00:00:33,110 --> 00:00:31,439
experiencers uh they gave them a want

12
00:00:34,790 --> 00:00:33,120
and then one never appeared because they

13
00:00:36,630 --> 00:00:34,800

wanted to see it but john mack never saw

14

00:00:37,590 --> 00:00:36,640

the wand and now i want to see the wand

15

00:00:39,030 --> 00:00:37,600

when i heard that

16

00:00:40,630 --> 00:00:39,040

because that was like the evidence this

17

00:00:42,229 --> 00:00:40,640

experimenter had but

18

00:00:44,470 --> 00:00:42,239

the interesting thing at the end of you

19

00:00:46,549 --> 00:00:44,480

know working with all these people

20

00:00:47,510 --> 00:00:46,559

his patients john mack you know really

21

00:00:49,830 --> 00:00:47,520

did believe

22

00:00:52,069 --> 00:00:49,840

in what happened you know he really was

23

00:00:54,150 --> 00:00:52,079

a believer in the experimenter

24

00:00:56,229 --> 00:00:54,160

and he was a psychologist he was

25

00:00:56,549 --> 00:00:56,239

ridiculed for a very long time about it

26

00:00:58,389 --> 00:00:56,559

too

27

00:01:00,470 --> 00:00:58,399

and to this day people you know they

28

00:01:02,229 --> 00:01:00,480

would they laughed at him in psychology

29

00:01:03,750 --> 00:01:02,239

and didn't take him seriously and now

30

00:01:05,590 --> 00:01:03,760

it's changing a little bit

31

00:01:07,510 --> 00:01:05,600

so i think we are going to learn more in

32

00:01:08,870 --> 00:01:07,520

science you know john mack was probably

33

00:01:10,469 --> 00:01:08,880

pointing to certain things that

34

00:01:12,230 --> 00:01:10,479

were shedding light on way before the

35

00:01:14,070 --> 00:01:12,240

time and

36

00:01:15,590 --> 00:01:14,080

i think i think we'll be around to know

37

00:01:17,510 --> 00:01:15,600

and i think experiencers will have a

38

00:01:18,070 --> 00:01:17,520

different say and their time will come

39

00:01:20,550 --> 00:01:18,080

and

40

00:01:22,070 --> 00:01:20,560

you know you do have to give space even

41

00:01:23,670 --> 00:01:22,080

though for them it's real

42

00:01:26,390 --> 00:01:23,680

and i think that's the most important

43

00:01:28,390 --> 00:01:26,400

thing is this is massive trauma

44

00:01:30,469 --> 00:01:28,400

and so it's not always mental health

45

00:01:32,230 --> 00:01:30,479

going into it sometimes it is because

46

00:01:34,630 --> 00:01:32,240

you know mental health does play a part

47

00:01:35,510 --> 00:01:34,640

in that um but even if one experience

48

00:01:38,469 --> 00:01:35,520

has happened it's

49

00:01:40,230 --> 00:01:38,479

it makes it real right so you know john

50

00:01:43,350 --> 00:01:40,240

mack said that the experience

51
00:01:45,429 --> 00:01:43,360
for these people were not so much um

52
00:01:46,710 --> 00:01:45,439
the mental health was not before the

53
00:01:49,270 --> 00:01:46,720
mental health came after the

54
00:01:50,789 --> 00:01:49,280
trauma of the experience and then the

55
00:01:52,710 --> 00:01:50,799
health showed up because of the trauma

56
00:01:54,469 --> 00:01:52,720
and i felt that was really interesting

57
00:01:56,389 --> 00:01:54,479
and so you have to give space to these

58
00:01:57,749 --> 00:01:56,399
people if it's mental health or not

59
00:01:59,429 --> 00:01:57,759
i think you have to give space to

60
00:02:01,429 --> 00:01:59,439
experiencers you need to listen to their

61
00:02:03,270 --> 00:02:01,439
stories we need to document them

62
00:02:04,789 --> 00:02:03,280
you know have a place for them to talk

63
00:02:06,069 --> 00:02:04,799

about it because we don't really know

64

00:02:08,389 --> 00:02:06,079

what's going on

65

00:02:09,350 --> 00:02:08,399

and give them a space that's safe and

66

00:02:11,110 --> 00:02:09,360

then also

67

00:02:13,430 --> 00:02:11,120

look at it with scientists and different

68

00:02:15,589 --> 00:02:13,440

people in in different perspectives

69

00:02:17,430 --> 00:02:15,599

so i think we're going towards that and

70

00:02:19,270 --> 00:02:17,440

i think the best part right now like

71

00:02:20,710 --> 00:02:19,280

with robert bigelow's doing and

72

00:02:22,949 --> 00:02:20,720

a lot of different people that are

73

00:02:25,350 --> 00:02:22,959

working in the ufo community

74

00:02:27,510 --> 00:02:25,360

and with mainstream media now is giving

75

00:02:28,470 --> 00:02:27,520

the ability that scientists are actually

76

00:02:31,270 --> 00:02:28,480

going to be able to come

77

00:02:33,190 --> 00:02:31,280

in and look at ufology and experiences

78

00:02:35,270 --> 00:02:33,200

and all these different phenomenons
