

Ben

That Foo Joe

Luis Jimenez @LuAngeles

1
00:00:13,190 --> 00:00:10,549
reacting to a certain way

2
00:00:13,990 --> 00:00:13,200
about information coming out like this

3
00:00:16,070 --> 00:00:14,000
you know

4
00:00:17,510 --> 00:00:16,080
the the black lives matter and and the

5
00:00:19,429 --> 00:00:17,520
coveted stuff it's like

6
00:00:21,670 --> 00:00:19,439
we're almost and i hate to go down that

7
00:00:24,950 --> 00:00:21,680
path but like we're conditioned to

8
00:00:27,349 --> 00:00:24,960
to to kind of be okay with

9
00:00:28,710 --> 00:00:27,359
uh submission in a way we're like stay

10
00:00:30,310 --> 00:00:28,720
in your house or

11
00:00:32,470 --> 00:00:30,320
you know don't go outside don't don't

12
00:00:33,750 --> 00:00:32,480
rebel because if you fight for what you

13
00:00:35,350 --> 00:00:33,760

believe in

14
00:00:37,190 --> 00:00:35,360
you you're going to get knocked [h__h] out

15
00:00:39,030 --> 00:00:37,200
you know don't don't storm the capital

16
00:00:40,790 --> 00:00:39,040
cause we're going to sue you and

17
00:00:42,310 --> 00:00:40,800
somebody might die like

18
00:00:44,069 --> 00:00:42,320
does that make sense like i i don't want

19
00:00:46,950 --> 00:00:44,079
to get like too in front of

20
00:00:48,790 --> 00:00:46,960
that political stuff but yeah does that

21
00:00:50,470 --> 00:00:48,800
make sense like that that's

22
00:00:52,950 --> 00:00:50,480
it's not the end result but it's an end

23
00:00:53,750 --> 00:00:52,960
result that whoever's in power is afraid

24
00:00:57,510 --> 00:00:53,760
of

25
00:00:59,189 --> 00:00:57,520
really don't because here's the thing

26

00:01:00,549 --> 00:00:59,199

right if they gave that information

27

00:01:01,670 --> 00:01:00,559

let's say it was common knowledge that

28

00:01:04,149 --> 00:01:01,680

we are definitely

29

00:01:05,270 --> 00:01:04,159

not alone now what that not alone here's

30

00:01:06,630 --> 00:01:05,280

the thing is they're not going to tell

31

00:01:09,750 --> 00:01:06,640

you

32

00:01:11,109 --> 00:01:09,760

in this scenario it's

33

00:01:13,429 --> 00:01:11,119

we're not alone and that's all we're

34

00:01:14,550 --> 00:01:13,439

gonna give you okay that's a fact just

35

00:01:16,070 --> 00:01:14,560

know that and these things that are

36

00:01:17,749 --> 00:01:16,080

flying around in their skies

37

00:01:19,510 --> 00:01:17,759

we don't know exactly what they are yet

38

00:01:22,390 --> 00:01:19,520

but just know that they're valid

39

00:01:23,749 --> 00:01:22,400

they're they're they actually exist and

40

00:01:25,270 --> 00:01:23,759

that's all they gave you

41

00:01:26,710 --> 00:01:25,280

right we're not gonna give you any data

42

00:01:27,510 --> 00:01:26,720

we're not going to give you any of that

43

00:01:29,429 --> 00:01:27,520

stuff

44

00:01:31,109 --> 00:01:29,439

but maybe they open up to some public

45

00:01:33,109 --> 00:01:31,119

funding and now universities start

46

00:01:36,390 --> 00:01:33,119

talking about it now you've got the ball

47

00:01:39,190 --> 00:01:36,400

seriously rolling on some things

48

00:01:40,469 --> 00:01:39,200

will the public care how the chicken was

49

00:01:42,469 --> 00:01:40,479

made

50

00:01:44,069 --> 00:01:42,479

or will they continue to enjoy the

51
00:01:45,670 --> 00:01:44,079
chicken and eat it till there's nothing

52
00:01:46,389 --> 00:01:45,680
left on the bone and i think that i

53
00:01:47,830 --> 00:01:46,399
think

54
00:01:49,510 --> 00:01:47,840
just like in any transaction you're

55
00:01:51,510 --> 00:01:49,520
gonna take the bug and a chicken and

56
00:01:53,590 --> 00:01:51,520
you're just gonna eat it dude you know

57
00:01:55,429 --> 00:01:53,600
you have an idea of what happens behind

58
00:01:57,030 --> 00:01:55,439
the kitchen you know that maybe there's

59
00:01:57,910 --> 00:01:57,040
a chef behind there that didn't clean

60
00:01:59,910 --> 00:01:57,920
his hands

61
00:02:00,950 --> 00:01:59,920
you know what's going on but you're

62
00:02:02,709 --> 00:02:00,960
never gonna go

63
00:02:05,109 --> 00:02:02,719

back there and actually inspect the

64

00:02:06,950 --> 00:02:05,119

kitchen and see exactly how they're

65

00:02:08,309 --> 00:02:06,960

making your chicken you'll never do that

66

00:02:09,190 --> 00:02:08,319

first of all the manager will kick you

67

00:02:10,710 --> 00:02:09,200

out

68

00:02:12,070 --> 00:02:10,720

uh and the only way you can get in there

69

00:02:12,869 --> 00:02:12,080

and to see how the chicken's made is if

70

00:02:15,990 --> 00:02:12,879

you

71

00:02:19,510 --> 00:02:16,000

become employed right yeah dude i mean

72

00:02:22,790 --> 00:02:19,520

like so so for

73

00:02:23,110 --> 00:02:22,800

like for like the the average person

74

00:02:25,910 --> 00:02:23,120

right

75

00:02:26,309 --> 00:02:25,920

yeah something happens to them okay yeah

76

00:02:29,430 --> 00:02:26,319

yeah

77

00:02:31,190 --> 00:02:29,440

i can confirm it they do exist

78

00:02:33,190 --> 00:02:31,200

i don't know how the chicken's made

79

00:02:37,350 --> 00:02:33,200

right yeah the government

80

00:02:39,030 --> 00:02:37,360

yes i can confirm it uh they do exist

81

00:02:40,869 --> 00:02:39,040

i can't tell you how the chicken's made

82

00:02:44,070 --> 00:02:40,879

yeah the regular joe

83

00:02:45,350 --> 00:02:44,080

is a quack the government is somebody to

84

00:02:48,229 --> 00:02:45,360

be taken seriously

85

00:02:49,910 --> 00:02:48,239

right well well here's what i'll say is

86

00:02:50,550 --> 00:02:49,920

the quack now becomes serious if the

87

00:02:53,110 --> 00:02:50,560

government

88

00:02:55,030 --> 00:02:53,120

confirms what the quack is saying right

89

00:02:57,990 --> 00:02:55,040

so now what the quack is saying

90

00:02:58,470 --> 00:02:58,000

is truth okay it's common knowledge so

91

00:03:01,110 --> 00:02:58,480

right but

92

00:03:03,110 --> 00:03:01,120

what i think what i think it does is i

93

00:03:06,710 --> 00:03:03,120

think it gets the discussion

94

00:03:09,270 --> 00:03:06,720

going on are these aliens

95

00:03:11,430 --> 00:03:09,280

are these trans dimensional beings are

96

00:03:12,869 --> 00:03:11,440

these are these are these are these and

97

00:03:15,990 --> 00:03:12,879

now all of these cover

98

00:03:19,990 --> 00:03:16,000

really fun conversations that

99

00:03:23,110 --> 00:03:20,000

you want to have can be had because now

100

00:03:24,869 --> 00:03:23,120

terra firma the base of this foundation

101

00:03:28,630 --> 00:03:24,879

or this house we're building

102

00:03:29,589 --> 00:03:28,640

is firm we all know we're all on the

103

00:03:31,589 --> 00:03:29,599

common ground

104

00:03:32,789 --> 00:03:31,599

the government our government said so

105

00:03:34,630 --> 00:03:32,799

they've confirmed it

106

00:03:36,949 --> 00:03:34,640

they're allowing science to study it and

107

00:03:39,509 --> 00:03:36,959

they're not stigmatizing it anymore

108

00:03:40,470 --> 00:03:39,519

and they're saying hey that guy that saw

109

00:03:45,750 --> 00:03:40,480

that thing

110

00:03:47,990 --> 00:03:45,760

they saw it but we're not going to tell

111

00:03:49,509 --> 00:03:48,000

you how the information is collected

112

00:03:50,949 --> 00:03:49,519

we're going to let you guys kind of

113

00:03:51,910 --> 00:03:50,959

figure that out on your own with some

114

00:03:53,910 --> 00:03:51,920

public grants

115

00:03:55,509 --> 00:03:53,920

and let's slowly get there but that's

116

00:03:56,789 --> 00:03:55,519

where i think the conversation starts

117

00:03:57,750 --> 00:03:56,799

going i don't think people are going to

118

00:03:59,670 --> 00:03:57,760

turn around and go

119

00:04:01,110 --> 00:03:59,680

damn you for giving me this really

120

00:04:04,949 --> 00:04:01,120

awesome video

121

00:04:08,229 --> 00:04:04,959

like like ah like there should be no

122

00:04:11,110 --> 00:04:08,239

clear think about it this way

123

00:04:12,949 --> 00:04:11,120

we're winning we are winning on this

124

00:04:15,830 --> 00:04:12,959

topic we're not losing dude

125

00:04:17,909 --> 00:04:15,840

this is something that can't be put back

126
00:04:19,030 --> 00:04:17,919
into the toothpaste as lou says and it's

127
00:04:21,590 --> 00:04:19,040
also

128
00:04:23,909 --> 00:04:21,600
we have to start and i know this

129
00:04:26,629 --> 00:04:23,919
shouldn't come from this side

130
00:04:28,070 --> 00:04:26,639
because this side has every reason to be

131
00:04:29,830 --> 00:04:28,080
weary of its government

132
00:04:31,670 --> 00:04:29,840
we should always be weary of it that's

133
00:04:33,430 --> 00:04:31,680
why we have a constitution that's why we

134
00:04:35,189 --> 00:04:33,440
have these three branches of government

135
00:04:36,710 --> 00:04:35,199
to make sure that weariness stays in

136
00:04:40,469 --> 00:04:36,720
check but we

137
00:04:42,469 --> 00:04:40,479
have to put the 60 years of stigma

138
00:04:44,629 --> 00:04:42,479

building and all of the [h__h] and the

139

00:04:45,749 --> 00:04:44,639

lies and we have to come to the table

140

00:04:49,110 --> 00:04:45,759

and say

141

00:04:50,070 --> 00:04:49,120

okay you've admitted there's more to

142

00:04:51,990 --> 00:04:50,080

this

143

00:04:53,189 --> 00:04:52,000

we want to know the information give us

144

00:04:56,070 --> 00:04:53,199

as much as you can

145

00:04:56,790 --> 00:04:56,080

keep the classified stuff classified and

146

00:05:01,420 --> 00:04:56,800

please
