

1  
00:00:07,430 --> 00:00:06,710

[Music]

2  
00:00:10,150 --> 00:00:07,440

hey

3  
00:00:11,030 --> 00:00:10,160

this is another episode of ufo garage

4  
00:00:20,450 --> 00:00:11,040

i'm ben

5  
00:00:25,349 --> 00:00:22,390

[Music]

6  
00:00:25,750 --> 00:00:25,359

hey what's up dude what's up dude ah you

7  
00:00:27,910 --> 00:00:25,760

know

8  
00:00:28,950 --> 00:00:27,920

nothing really yeah just hanging out

9  
00:00:31,750 --> 00:00:28,960

yeah uh

10  
00:00:32,790 --> 00:00:31,760

so anyway what i was telling you earlier

11  
00:00:35,030 --> 00:00:32,800

is that

12  
00:00:36,549 --> 00:00:35,040

if you take a peanut the wrap the

13  
00:00:37,350 --> 00:00:36,559

wrapping you know the wrapping that it

14

00:00:40,470 --> 00:00:37,360

comes in and

15

00:00:42,630 --> 00:00:40,480

and you and you peel that uh

16

00:00:43,590 --> 00:00:42,640

little by little kind of like a banana

17

00:00:46,549 --> 00:00:43,600

you can also ask

18

00:00:47,590 --> 00:00:46,559

nicely sir may i take your jacket and

19

00:00:51,750 --> 00:00:47,600

then

20

00:00:53,510 --> 00:00:51,760

makes a lot more sense yeah

21

00:00:55,270 --> 00:00:53,520

yeah so nibbler's been having a pretty

22

00:00:57,110 --> 00:00:55,280

good day today too i mean she's just

23

00:00:58,389 --> 00:00:57,120

back there hanging out and stuff yeah so

24

00:01:02,069 --> 00:00:58,399

what's been going on man

25

00:01:04,950 --> 00:01:02,079

dude uh busy busy busy week man

26

00:01:05,830 --> 00:01:04,960

yeah like so many damn projects like

27

00:01:07,990 --> 00:01:05,840

doing this

28

00:01:10,230 --> 00:01:08,000

we got a new logo we worked on that i

29

00:01:14,870 --> 00:01:10,240

like it it looks nice dude thanks man

30

00:01:22,390 --> 00:01:19,429

it's right there uh uh you know

31

00:01:23,830 --> 00:01:22,400

we we've had the same logo forever and i

32

00:01:25,830 --> 00:01:23,840

felt like it was time for an update

33

00:01:27,030 --> 00:01:25,840

oh it was definitely time for an update

34

00:01:30,710 --> 00:01:27,040

and you know i just

35

00:01:34,230 --> 00:01:30,720

i don't know i like it it has the impala

36

00:01:35,830 --> 00:01:34,240

it has a ufo in it

37

00:01:37,830 --> 00:01:35,840

speaking of everybody that was in the

38

00:01:40,950 --> 00:01:37,840

ufo garage group

39

00:01:42,789 --> 00:01:40,960

helping out uh with the design thank you

40

00:01:45,190 --> 00:01:42,799

because that was awesome

41

00:01:47,510 --> 00:01:45,200

uh i would not have ever thought to put

42

00:01:50,550 --> 00:01:47,520

like a ufo in the o

43

00:01:53,429 --> 00:01:50,560

so that's dope and it's like the obvious

44

00:01:57,990 --> 00:01:55,590

it's like a circle inside of a circle i

45

00:01:59,510 --> 00:01:58,000

don't you're the idea guy i don't have

46

00:02:01,350 --> 00:01:59,520

ideas i can just do it

47

00:02:04,469 --> 00:02:01,360

i can make things look cool but you were

48

00:02:07,510 --> 00:02:04,479

trying to ask me for ideas at like

49

00:02:10,630 --> 00:02:07,520

1 30 on a tuesday

50

00:02:14,470 --> 00:02:10,640

it was like 105 degrees i'm like down in

51  
00:02:17,589 --> 00:02:16,790  
yeah i stayed up way too late i also

52  
00:02:20,309 --> 00:02:17,599  
stayed up too late

53  
00:02:21,350 --> 00:02:20,319  
late last night because cause william

54  
00:02:22,869 --> 00:02:21,360  
william was like

55  
00:02:24,710 --> 00:02:22,879  
check out you know he found our band and

56  
00:02:27,270 --> 00:02:24,720  
stuff oh god i got also got all

57  
00:02:29,110 --> 00:02:27,280  
sentimental and i shaved my beard off

58  
00:02:30,630 --> 00:02:29,120  
i was like man i used to be so young and

59  
00:02:32,790 --> 00:02:30,640  
handsome that's

60  
00:02:33,750 --> 00:02:32,800  
that's that's why you're not seeing our

61  
00:02:35,670 --> 00:02:33,760  
faces and i

62  
00:02:37,350 --> 00:02:35,680  
shaved my beard off because your your

63  
00:02:39,990 --> 00:02:37,360

balls still have beards on it

64

00:02:41,509 --> 00:02:40,000

yeah so yeah so it's easier this way

65

00:02:42,470 --> 00:02:41,519

right it's easier we're just gonna do a

66

00:02:44,150 --> 00:02:42,480

podcast like this

67

00:02:46,390 --> 00:02:44,160

forever now yeah i think we're gonna

68

00:02:47,670 --> 00:02:46,400

just do a standing up from now on

69

00:02:48,790 --> 00:02:47,680

yeah what do you guys think you know i

70

00:02:49,990 --> 00:02:48,800

think we should just keep doing it

71

00:02:52,309 --> 00:02:50,000

standing up i don't know i can't even

72

00:02:55,750 --> 00:02:52,319

read what people say

73

00:02:56,150 --> 00:02:55,760

yeah hey look hey everybody how's it

74

00:03:01,750 --> 00:02:56,160

going

75

00:03:06,790 --> 00:03:05,350

all right we just uh you know

76

00:03:08,070 --> 00:03:06,800

you know we're just out here pushing the

77

00:03:09,430 --> 00:03:08,080

boundaries pushing the boundaries we're

78

00:03:12,550 --> 00:03:09,440

doing things that nobody

79

00:03:14,550 --> 00:03:12,560

nobody's ever done before no no we're

80

00:03:17,350 --> 00:03:14,560

way so close

81

00:03:18,309 --> 00:03:17,360

what's up everybody what's up y'all ah

82

00:03:21,190 --> 00:03:18,319

man

83

00:03:21,910 --> 00:03:21,200

uh alien girl yes we're stoked too

84

00:03:25,350 --> 00:03:21,920

tomorrow

85

00:03:28,149 --> 00:03:25,360

8 p.m on alien girls podcast

86

00:03:30,070 --> 00:03:28,159

that's right it's 8 p.m for us we don't

87

00:03:33,030 --> 00:03:30,080

know where all of y'all are from

88

00:03:34,789 --> 00:03:33,040

but uh yeah it's happening it's

89

00:03:37,270 --> 00:03:34,799

happening it's happening

90

00:03:38,869 --> 00:03:37,280

go to alien girl subscribe check it out

91

00:03:40,550 --> 00:03:38,879

and uh and we'll be on there tomorrow

92

00:03:42,149 --> 00:03:40,560

yeah dude she's gonna ask us all the

93

00:03:44,830 --> 00:03:42,159

hard-hitting questions

94

00:03:47,030 --> 00:03:44,840

and we're gonna have all the hard

95

00:03:52,070 --> 00:03:47,040

answers

96

00:03:58,949 --> 00:03:56,229

yeah quit being a dick nice

97

00:04:00,229 --> 00:03:58,959

oh my gosh oh my god yeah guys we're

98

00:04:01,190 --> 00:04:00,239

gonna be uh we're gonna be chilling

99

00:04:02,789 --> 00:04:01,200

today man

100

00:04:05,030 --> 00:04:02,799

no guess we're gonna be kind of taking

101  
00:04:07,350 --> 00:04:05,040  
it easy yeah we're gonna be uh

102  
00:04:08,149 --> 00:04:07,360  
i mean kind of just chatting with you

103  
00:04:10,470 --> 00:04:08,159  
all tonight

104  
00:04:12,630 --> 00:04:10,480  
gonna be asking some questions and and

105  
00:04:14,229 --> 00:04:12,640  
just kind of chilling we got some things

106  
00:04:15,990 --> 00:04:14,239  
some things that are that are on our

107  
00:04:16,870 --> 00:04:16,000  
mind a little bit a few things that are

108  
00:04:18,629 --> 00:04:16,880  
on yeah yeah

109  
00:04:22,069 --> 00:04:18,639  
dude there's a couple things out there

110  
00:04:25,990 --> 00:04:23,670  
what do you want to get into first man

111  
00:04:28,150 --> 00:04:26,000  
dude all right so you had a good idea on

112  
00:04:29,270 --> 00:04:28,160  
on our so our last guest if you guys

113  
00:04:33,030 --> 00:04:29,280

missed it we had

114

00:04:35,909 --> 00:04:33,040

uh lynn wallington on we talked about

115

00:04:37,510 --> 00:04:35,919

a lot of stuff man we talked about uh

116

00:04:39,990 --> 00:04:37,520

witchcraft and magic

117

00:04:41,590 --> 00:04:40,000

and towards the end we started talking

118

00:04:44,550 --> 00:04:41,600

about the secret space program

119

00:04:46,390 --> 00:04:44,560

right i mean your idea to kind of

120

00:04:48,790 --> 00:04:46,400

piggyback on that

121

00:04:49,749 --> 00:04:48,800

uh is genius because dude i i had so

122

00:04:51,990 --> 00:04:49,759

many thoughts on

123

00:04:54,150 --> 00:04:52,000

our road trip up to sedona for the uh

124

00:04:56,310 --> 00:04:54,160

filming of the filming the documentary

125

00:04:57,990 --> 00:04:56,320

we listened to or was it on the way back

126  
00:04:58,790 --> 00:04:58,000  
it was on the way back dude we had we

127  
00:05:00,710 --> 00:04:58,800  
had to throw

128  
00:05:02,070 --> 00:05:00,720  
we threw on some uh some clyde lewis

129  
00:05:04,710 --> 00:05:02,080  
from ground zero

130  
00:05:06,390 --> 00:05:04,720  
oh yeah uh yeah he's he's a total badass

131  
00:05:07,990 --> 00:05:06,400  
i love that guy's show

132  
00:05:09,990 --> 00:05:08,000  
we had to throw clyde on man so we could

133  
00:05:12,950 --> 00:05:10,000  
stay awake like we literally left

134  
00:05:14,070 --> 00:05:12,960  
arizona in the morning and drove all the

135  
00:05:16,950 --> 00:05:14,080  
way through

136  
00:05:18,390 --> 00:05:16,960  
and made it back to texas at like six

137  
00:05:20,629 --> 00:05:18,400  
o'clock the next morning

138  
00:05:22,790 --> 00:05:20,639

dude that was a hell of a drive it was

139

00:05:24,550 --> 00:05:22,800

uh it was intense but we freaking made

140

00:05:27,830 --> 00:05:24,560

it we made it dude proud of us

141

00:05:31,189 --> 00:05:27,840

yeah we hit all kinds of deer and

142

00:05:35,270 --> 00:05:31,199

tires and and

143

00:05:38,710 --> 00:05:35,280

ufos flying it's like multiple

144

00:05:41,990 --> 00:05:38,720

million bugs lots of fun

145

00:05:44,710 --> 00:05:42,000

so many bugs dude yeah

146

00:05:45,350 --> 00:05:44,720

i mean we like uh clean that damn

147

00:05:47,990 --> 00:05:45,360

windshield

148

00:05:49,029 --> 00:05:48,000

on that hurts van dude oh my god is it

149

00:05:52,710 --> 00:05:49,039

pretty gnarly

150

00:05:55,909 --> 00:05:52,720

also like the the uh the camera op

151

00:05:58,309 --> 00:05:55,919

uh uh oh my gosh graham

152

00:05:59,590 --> 00:05:58,319

graham was like yeah so i i understand

153

00:06:01,670 --> 00:05:59,600

why the

154

00:06:03,670 --> 00:06:01,680

the uh the hertz van was spencer this is

155

00:06:06,230 --> 00:06:03,680

the good stuff

156

00:06:07,270 --> 00:06:06,240

sorry eddie i i'm sorry guys sometimes i

157

00:06:08,950 --> 00:06:07,280

gotta yell at you

158

00:06:10,469 --> 00:06:08,960

all right i don't mean to i don't mean

159

00:06:14,070 --> 00:06:10,479

to be you know coarse but

160

00:06:17,270 --> 00:06:14,080

hey be damn it be sweet be sweet john

161

00:06:18,390 --> 00:06:17,280

sorry sorry uh

162

00:06:20,150 --> 00:06:18,400

graham was like i understand why the

163

00:06:20,469 --> 00:06:20,160

herdsman was so so cheap because it's

164

00:06:22,230 --> 00:06:20,479

like

165

00:06:23,590 --> 00:06:22,240

it's it's literally a huge ass billboard

166

00:06:26,150 --> 00:06:23,600

we dude we had

167

00:06:26,710 --> 00:06:26,160

such a missed opportunity to put like i

168

00:06:28,550 --> 00:06:26,720

don't know

169

00:06:30,070 --> 00:06:28,560

it's like somebody sprint like dropping

170

00:06:33,350 --> 00:06:30,080

trowel or

171

00:06:36,150 --> 00:06:33,360

like like a big butt like a big like

172

00:06:37,110 --> 00:06:36,160

poop pooping you know yeah like a turd

173

00:06:38,150 --> 00:06:37,120

taking a poop

174

00:06:39,830 --> 00:06:38,160

are we still talking about the

175

00:06:41,189 --> 00:06:39,840

windshield no we're talking about like

176

00:06:41,510 --> 00:06:41,199

the side of the van how it was like a

177

00:06:43,270 --> 00:06:41,520

big

178

00:06:45,590 --> 00:06:43,280

moving billboard oh we should have made

179

00:06:48,710 --> 00:06:45,600

some kind of magnet to put on it

180

00:06:51,990 --> 00:06:48,720

yeah that would have been fun

181

00:06:53,830 --> 00:06:52,000

so anyways we were going to talk about

182

00:06:55,430 --> 00:06:53,840

the secret space program and why we

183

00:06:56,230 --> 00:06:55,440

never talk about the secret space

184

00:06:58,629 --> 00:06:56,240

program

185

00:06:59,589 --> 00:06:58,639

yeah and and why don't we talk about the

186

00:07:01,749 --> 00:06:59,599

speech

187

00:07:03,350 --> 00:07:01,759

secret space program because because i

188

00:07:05,189 --> 00:07:03,360

feel like uh i feel like there's a

189

00:07:06,390 --> 00:07:05,199

there's just like a lot of stuff that's

190

00:07:07,830 --> 00:07:06,400

that's uh

191

00:07:09,749 --> 00:07:07,840

man it's kind of like full of [h\_\_h] a

192

00:07:12,390 --> 00:07:09,759

little bit right but but

193

00:07:14,230 --> 00:07:12,400

but then again is it right well it you

194

00:07:16,790 --> 00:07:14,240

know started out because

195

00:07:17,270 --> 00:07:16,800

so interesting this story it all stems

196

00:07:19,350 --> 00:07:17,280

from

197

00:07:20,469 --> 00:07:19,360

this in particular this certain

198

00:07:22,950 --> 00:07:20,479

individual that

199

00:07:24,550 --> 00:07:22,960

had i i guess if you're if you've been

200

00:07:26,230 --> 00:07:24,560

in ufology for a while

201  
00:07:28,390 --> 00:07:26,240  
this this person it came out that they

202  
00:07:29,110 --> 00:07:28,400  
were not totally truthful and and i

203  
00:07:31,589 --> 00:07:29,120  
don't know

204  
00:07:33,029 --> 00:07:31,599  
maybe it's literally maybe that's all

205  
00:07:34,870 --> 00:07:33,039  
propaganda too

206  
00:07:37,189 --> 00:07:34,880  
it might be dude but i i don't think it

207  
00:07:39,589 --> 00:07:37,199  
is it all starts at the beginning

208  
00:07:40,870 --> 00:07:39,599  
but before we got like super super deep

209  
00:07:43,670 --> 00:07:40,880  
in all this

210  
00:07:44,150 --> 00:07:43,680  
you know like like before we started

211  
00:07:46,710 --> 00:07:44,160  
learning

212  
00:07:47,510 --> 00:07:46,720  
names and like actual history and [h\_\_h] i

213  
00:07:50,070 --> 00:07:47,520

mean when it was

214

00:07:53,029 --> 00:07:50,080

really just just speculation fun

215

00:07:54,950 --> 00:07:53,039

conversation right you know it's like

216

00:07:57,830 --> 00:07:54,960

you had you had mentioned that there was

217

00:07:59,510 --> 00:07:57,840

a show on uh on the gaia channel

218

00:08:01,270 --> 00:07:59,520

and so i started watching it and we

219

00:08:03,350 --> 00:08:01,280

started watching that whole

220

00:08:05,189 --> 00:08:03,360

secret space program thing and we were

221

00:08:08,230 --> 00:08:05,199

like what the hell is this

222

00:08:11,110 --> 00:08:08,240

right yeah and and like

223

00:08:12,950 --> 00:08:11,120

that was some like those were so those

224

00:08:14,550 --> 00:08:12,960

two episodes were so fun because it was

225

00:08:16,790 --> 00:08:14,560

like

226

00:08:19,189 --> 00:08:16,800

we just made fun of it the whole time

227

00:08:21,670 --> 00:08:19,199

but like it was also like really cool

228

00:08:22,550 --> 00:08:21,680

really cool stories yeah because it's

229

00:08:24,790 --> 00:08:22,560

full of like

230

00:08:26,950 --> 00:08:24,800

it it spawned so many ideas like it

231

00:08:29,670 --> 00:08:26,960

planted so many seeds

232

00:08:31,110 --> 00:08:29,680

it just tied in so many different

233

00:08:31,430 --> 00:08:31,120

theories and made everything kind of

234

00:08:33,909 --> 00:08:31,440

just

235

00:08:35,909 --> 00:08:33,919

fit and fall into place perfectly yeah

236

00:08:36,310 --> 00:08:35,919

yeah and so it's not until later on that

237

00:08:39,430 --> 00:08:36,320

we go

238

00:08:42,709 --> 00:08:39,440

and we find out that like oh so

239

00:08:44,550 --> 00:08:42,719

like that those episodes on gaia

240

00:08:46,949 --> 00:08:44,560

and like the dudes that were on it were

241

00:08:49,509 --> 00:08:46,959

like they were all kind of full of [\h\_\_\h]

242

00:08:50,550 --> 00:08:49,519

right and so it like really leaves a bad

243

00:08:54,550 --> 00:08:50,560

taste in your mouth

244

00:08:56,790 --> 00:08:54,560

like so that's all full of [\h\_\_\h]

245

00:08:58,949 --> 00:08:56,800

but then you find out like oh well it's

246

00:09:01,430 --> 00:08:58,959

not necessarily full of [\h\_\_\h] right

247

00:09:03,750 --> 00:09:01,440

it's that they're stealing people's

248

00:09:05,910 --> 00:09:03,760

stories yeah so they they were like

249

00:09:07,509 --> 00:09:05,920

like they took little pieces and bits

250

00:09:09,509 --> 00:09:07,519

from other people's actual

251  
00:09:11,590 --> 00:09:09,519  
experiences and kind of put them

252  
00:09:13,670 --> 00:09:11,600  
together in the into this narrative

253  
00:09:15,430 --> 00:09:13,680  
yeah and it kind of like the more you

254  
00:09:15,910 --> 00:09:15,440  
watch the show it it started to feel

255  
00:09:18,949 --> 00:09:15,920  
like

256  
00:09:20,550 --> 00:09:18,959  
okay how does every single episode blow

257  
00:09:22,550 --> 00:09:20,560  
my mind even more than

258  
00:09:24,150 --> 00:09:22,560  
right previous one and it now it makes

259  
00:09:25,590 --> 00:09:24,160  
sense like

260  
00:09:27,030 --> 00:09:25,600  
and what made it bad is like i mean

261  
00:09:28,230 --> 00:09:27,040  
there's the rumors that like the

262  
00:09:30,230 --> 00:09:28,240  
producers and stuff

263  
00:09:32,310 --> 00:09:30,240

knew that they were like full [h\_\_h] or

264

00:09:34,470 --> 00:09:32,320

they were like oh we just needed content

265

00:09:35,670 --> 00:09:34,480

right yeah and like that it's like such

266

00:09:38,389 --> 00:09:35,680

a bummer

267

00:09:39,190 --> 00:09:38,399

yeah um but [h\_\_h] dude i mean sometimes

268

00:09:42,389 --> 00:09:39,200

people

269

00:09:44,710 --> 00:09:42,399

hey we're

270

00:09:46,389 --> 00:09:44,720

the entertainment very rarely are we

271

00:09:49,030 --> 00:09:46,399

correct on a lot of stuff

272

00:09:49,430 --> 00:09:49,040

right you know uh but we're we're not

273

00:09:56,949 --> 00:09:49,440

like

274

00:09:58,630 --> 00:09:56,959

that we're wrong

275

00:10:00,310 --> 00:09:58,640

we're gonna say we're wrong it doesn't

276

00:10:01,509 --> 00:10:00,320

hurt to change our minds at all like

277

00:10:03,509 --> 00:10:01,519

that doesn't bug me

278

00:10:05,350 --> 00:10:03,519

you know like it's healthy you should

279

00:10:08,150 --> 00:10:05,360

change your mind all the time

280

00:10:09,269 --> 00:10:08,160

you know if you don't change your mind

281

00:10:11,430 --> 00:10:09,279

then you should change your

282

00:10:12,870 --> 00:10:11,440

your pants at least because you're full

283

00:10:15,750 --> 00:10:12,880

of [h\_\_\h]

284

00:10:16,470 --> 00:10:15,760

you know oh yeah but yeah keep keeping

285

00:10:18,470 --> 00:10:16,480

like that

286

00:10:20,470 --> 00:10:18,480

that level of discernment is i think the

287

00:10:22,389 --> 00:10:20,480

theme that i'm kind of paying attention

288

00:10:24,790 --> 00:10:22,399

to more and more nowadays like

289

00:10:26,550 --> 00:10:24,800

as we're entering this new realm of

290

00:10:29,670 --> 00:10:26,560

quote-unquote disclosure

291

00:10:31,190 --> 00:10:29,680

and and and there's and there's so many

292

00:10:33,190 --> 00:10:31,200

different ways you can look at it what's

293

00:10:35,670 --> 00:10:33,200

happening right now currently

294

00:10:36,710 --> 00:10:35,680

but you know what's more fun instead of

295

00:10:38,790 --> 00:10:36,720

getting into that

296

00:10:39,910 --> 00:10:38,800

kind of weeds and politics and all that

297

00:10:41,350 --> 00:10:39,920

stuff because

298

00:10:43,110 --> 00:10:41,360

like let's be honest it's getting a

299

00:10:45,670 --> 00:10:43,120

little political

300

00:10:47,430 --> 00:10:45,680

this whole the whole yeah but you know

301  
00:10:48,389 --> 00:10:47,440  
what's more fun is trying to figure out

302  
00:10:50,550 --> 00:10:48,399  
like the

303  
00:10:52,230 --> 00:10:50,560  
i want to know what's behind it like

304  
00:10:55,190 --> 00:10:52,240  
what actually is going on

305  
00:10:56,470 --> 00:10:55,200  
what's the true history between our

306  
00:10:59,910 --> 00:10:56,480  
relationship

307  
00:11:02,389 --> 00:10:59,920  
uh of of any government really

308  
00:11:04,150 --> 00:11:02,399  
and e.t uh extraterrestrials maybe

309  
00:11:06,069 --> 00:11:04,160  
they've been living on this planet so

310  
00:11:07,190 --> 00:11:06,079  
are they extraterrestrials no maybe

311  
00:11:09,110 --> 00:11:07,200  
they're not

312  
00:11:10,870 --> 00:11:09,120  
so like but that's where the secret

313  
00:11:14,470 --> 00:11:10,880

space program comes in

314

00:11:17,269 --> 00:11:14,480

so i mean reeling it back a little bit

315

00:11:18,630 --> 00:11:17,279

you know without naming names and stuff

316

00:11:21,430 --> 00:11:18,640

what's your like favorite

317

00:11:22,710 --> 00:11:21,440

aspect of the secret space program for

318

00:11:28,450 --> 00:11:22,720

those that don't

319

00:11:30,470 --> 00:11:28,460

don't know about it oh do slinky hats

320

00:11:33,110 --> 00:11:30,480

[Laughter]

321

00:11:34,310 --> 00:11:33,120

so if you if you guys don't know we

322

00:11:36,870 --> 00:11:34,320

actually designed the

323

00:11:37,350 --> 00:11:36,880

the the uh uniforms for secret space

324

00:11:39,350 --> 00:11:37,360

program

325

00:11:40,470 --> 00:11:39,360

we did they're pretty sweet uh la was

326

00:11:43,990 --> 00:11:40,480

two years ago

327

00:11:47,190 --> 00:11:44,000

and the the garb is is a

328

00:11:49,190 --> 00:11:47,200

traditional uh uh military jacket

329

00:11:50,470 --> 00:11:49,200

right you know army kind of green some

330

00:11:53,990 --> 00:11:50,480

have gray

331

00:11:57,110 --> 00:11:54,000

yeah but the uh the headwear is is a

332

00:11:59,269 --> 00:11:57,120

kind of a a regular kind of i would i

333

00:11:59,829 --> 00:11:59,279

was like imagining like a police officer

334

00:12:04,230 --> 00:11:59,839

hat

335

00:12:06,069 --> 00:12:04,240

slinky it's a slinky and and they have

336

00:12:08,629 --> 00:12:06,079

cargo shorts on

337

00:12:09,670 --> 00:12:08,639

that come above the knees like bins

338

00:12:12,710 --> 00:12:09,680

right now

339

00:12:14,310 --> 00:12:12,720

and uh you're jealous dude

340

00:12:18,790 --> 00:12:14,320

our shorts are completely different

341

00:12:22,470 --> 00:12:20,310

yeah cause these are actually short you

342

00:12:24,230 --> 00:12:22,480

you're wearing [h\_\_h] uh

343

00:12:25,750 --> 00:12:24,240

high waters bro no they're not they're

344

00:12:27,190 --> 00:12:25,760

not high waters because they don't go to

345

00:12:29,990 --> 00:12:27,200

my ankles

346

00:12:31,210 --> 00:12:30,000

jinko pants over here dude these are

347

00:12:33,030 --> 00:12:31,220

dickies

348

00:12:36,230 --> 00:12:33,040

[Laughter]

349

00:12:38,230 --> 00:12:36,240

but anyway dudes slinky hats man

350

00:12:39,670 --> 00:12:38,240

yeah that's i mean when i look out into

351  
00:12:41,350 --> 00:12:39,680  
a crowd full of

352  
00:12:42,949 --> 00:12:41,360  
when i'm when we're giving our speeches

353  
00:12:45,190 --> 00:12:42,959  
on the spacecraft one day

354  
00:12:47,590 --> 00:12:45,200  
to the secret space program that's the

355  
00:12:49,829 --> 00:12:47,600  
uniform i want to see

356  
00:12:51,590 --> 00:12:49,839  
and when they nod their heads yes you

357  
00:12:53,990 --> 00:12:51,600  
could see you could see it in the crowd

358  
00:12:55,829 --> 00:12:54,000  
you know for miles

359  
00:12:57,670 --> 00:12:55,839  
reflecting on are they are they shiny

360  
00:12:59,670 --> 00:12:57,680  
slinkys or are they like

361  
00:13:01,509 --> 00:12:59,680  
are they like the rainbow like plastic

362  
00:13:01,910 --> 00:13:01,519  
ones oh no we're not gonna skimp out on

363  
00:13:04,310 --> 00:13:01,920

these

364

00:13:07,030 --> 00:13:04,320

okay they gotta be like full of [h\_\_h]

365

00:13:09,509 --> 00:13:07,040

yeah aluminum yeah very shiny

366

00:13:10,230 --> 00:13:09,519

yeah yeah and and it's so when you can

367

00:13:12,230 --> 00:13:10,240

um

368

00:13:14,870 --> 00:13:12,240

start detecting loss of pressure in the

369

00:13:21,190 --> 00:13:14,880

ship the slinky starts to extend

370

00:13:26,069 --> 00:13:23,509

rally hey yeah jones uh we're we're like

371

00:13:28,710 --> 00:13:26,079

really new to the the live chat so

372

00:13:29,750 --> 00:13:28,720

we're we're trying we'll try to like

373

00:13:32,310 --> 00:13:29,760

interact and

374

00:13:32,790 --> 00:13:32,320

if we can and [h\_\_h] but yeah we we often

375

00:13:34,790 --> 00:13:32,800

get

376

00:13:36,150 --> 00:13:34,800

down a little rabbit hole so we we

377

00:13:37,750 --> 00:13:36,160

forget to look at it but

378

00:13:39,269 --> 00:13:37,760

well there you go we addressed the chat

379

00:13:41,750 --> 00:13:39,279

yeah if anybody has anyone

380

00:13:43,350 --> 00:13:41,760

wants to post any any uh uh questions

381

00:13:45,670 --> 00:13:43,360

and stuff yeah post them in there

382

00:13:47,030 --> 00:13:45,680

we'll we'll answer them as best we can

383

00:13:50,230 --> 00:13:47,040

so all the all the

384

00:13:52,150 --> 00:13:50,240

all the the weird [h\_\_h] aside right like

385

00:13:53,829 --> 00:13:52,160

through the whole through our whole

386

00:13:55,750 --> 00:13:53,839

journey through this we've we've found

387

00:13:58,949 --> 00:13:55,760

like little bits and pieces

388

00:13:59,910 --> 00:13:58,959

of this once thought [\h\_\_\h] story

389

00:14:01,750 --> 00:13:59,920

right and

390

00:14:03,829 --> 00:14:01,760

and people are actually telling these

391

00:14:06,310 --> 00:14:03,839

stories that kind of like

392

00:14:08,069 --> 00:14:06,320

actually fit in to like stuff that we've

393

00:14:09,829 --> 00:14:08,079

heard before and it's like okay now

394

00:14:11,910 --> 00:14:09,839

we're starting to figure out like

395

00:14:14,949 --> 00:14:11,920

where these stories were actually taken

396

00:14:18,310 --> 00:14:14,959

from you know all this other stuff like

397

00:14:20,069 --> 00:14:18,320

like last week when lynne was talking

398

00:14:22,470 --> 00:14:20,079

about that damn

399

00:14:24,150 --> 00:14:22,480

cargo ship thing that she got

400

00:14:26,150 --> 00:14:24,160

transported in

401  
00:14:28,310 --> 00:14:26,160  
dude or believed to have been

402  
00:14:32,150 --> 00:14:28,320  
transported in like

403  
00:14:34,550 --> 00:14:32,160  
that's kind of like wow that's that's uh

404  
00:14:36,470 --> 00:14:34,560  
it's very specific it's a very specific

405  
00:14:37,590 --> 00:14:36,480  
thing like to hear or describe that is

406  
00:14:40,230 --> 00:14:37,600  
kind of like

407  
00:14:40,790 --> 00:14:40,240  
and who was describing that lin lin was

408  
00:14:42,629 --> 00:14:40,800  
just oh

409  
00:14:44,550 --> 00:14:42,639  
okay so then we started yes and then we

410  
00:14:45,590 --> 00:14:44,560  
started talking about like med beds

411  
00:14:47,829 --> 00:14:45,600  
which i don't know if there's like a

412  
00:14:51,030 --> 00:14:47,839  
singular person connected to that

413  
00:14:53,189 --> 00:14:51,040

but uh yeah the medped thing uh

414

00:14:54,389 --> 00:14:53,199

if we're talking like cryogenically

415

00:14:57,509 --> 00:14:54,399

transported humans

416

00:14:59,829 --> 00:14:57,519

that idea has been in movies for

417

00:15:00,550 --> 00:14:59,839

for kind of a while so so it's nothing

418

00:15:03,350 --> 00:15:00,560

new but

419

00:15:05,030 --> 00:15:03,360

the but the level of detail that uh that

420

00:15:07,110 --> 00:15:05,040

lynn was able to go into

421

00:15:08,150 --> 00:15:07,120

uh not only with that but about the

422

00:15:10,550 --> 00:15:08,160

mantis

423

00:15:11,430 --> 00:15:10,560

being and the the kind of it's pretty

424

00:15:13,509 --> 00:15:11,440

interesting

425

00:15:14,790 --> 00:15:13,519

but it makes me wonder like okay you

426  
00:15:17,590 --> 00:15:14,800  
have stories like

427  
00:15:19,189 --> 00:15:17,600  
terry loveless and he talks about being

428  
00:15:23,430 --> 00:15:19,199  
taken up in the ship

429  
00:15:25,350 --> 00:15:23,440  
right and then he like he recalls being

430  
00:15:27,189 --> 00:15:25,360  
on basically the back side of the moon

431  
00:15:28,710 --> 00:15:27,199  
like being like where the sun is hitting

432  
00:15:29,110 --> 00:15:28,720  
the moon and being able to see it and

433  
00:15:30,870 --> 00:15:29,120  
then

434  
00:15:33,509 --> 00:15:30,880  
getting over to the dark side of the

435  
00:15:37,030 --> 00:15:33,519  
moon and then seeing that big tower

436  
00:15:40,069 --> 00:15:37,040  
yes and then he had somebody else who he

437  
00:15:42,150 --> 00:15:40,079  
he didn't know told him

438  
00:15:45,430 --> 00:15:42,160

the same exact story and he was like

439

00:15:47,269 --> 00:15:45,440

holy [\h\_\_\h] like that's exactly what i saw

440

00:15:49,350 --> 00:15:47,279

right and then you have lynn being taken

441

00:15:51,670 --> 00:15:49,360

on this little transport ship

442

00:15:55,110 --> 00:15:51,680

and that's pretty crazy as well and now

443

00:15:57,110 --> 00:15:55,120

it kind of makes me wonder like okay so

444

00:15:59,269 --> 00:15:57,120

did stuff that happened to like terry

445

00:16:00,230 --> 00:15:59,279

was that like secret space program [\h\_\_\h]

446

00:16:02,389 --> 00:16:00,240

right because like if

447

00:16:04,470 --> 00:16:02,399

like where is like like if you're just

448

00:16:06,069 --> 00:16:04,480

up there hanging out like

449

00:16:07,910 --> 00:16:06,079

if you're in secret space program does

450

00:16:08,790 --> 00:16:07,920

that mean like you just have like this

451  
00:16:10,870 --> 00:16:08,800  
massive ship

452  
00:16:11,990 --> 00:16:10,880  
just floating out up there or like are

453  
00:16:14,470 --> 00:16:12,000  
they tracking

454  
00:16:16,230 --> 00:16:14,480  
these ufos that are like coming around

455  
00:16:17,829 --> 00:16:16,240  
and like taking terry loveless around

456  
00:16:19,350 --> 00:16:17,839  
the moon like do they see that

457  
00:16:21,030 --> 00:16:19,360  
you know and they just ignore it because

458  
00:16:22,629 --> 00:16:21,040  
it's like everyday life for them

459  
00:16:24,790 --> 00:16:22,639  
yeah is there stuff that like they just

460  
00:16:25,829 --> 00:16:24,800  
don't get involved with they're like oh

461  
00:16:27,910 --> 00:16:25,839  
yeah we've got

462  
00:16:29,829 --> 00:16:27,920  
we've got more et craft flying around

463  
00:16:30,550 --> 00:16:29,839

but like that's not our main objective

464

00:16:33,269 --> 00:16:30,560

here

465

00:16:33,910 --> 00:16:33,279

you know yeah it's such a weird thing to

466

00:16:36,310 --> 00:16:33,920

think about

467

00:16:37,189 --> 00:16:36,320

and then and then sorry go for it i'm

468

00:16:40,230 --> 00:16:37,199

about to like

469

00:16:41,829 --> 00:16:40,240

dude go for it i was gonna say it's it's

470

00:16:43,509 --> 00:16:41,839

the iris is opening because it's no

471

00:16:44,150 --> 00:16:43,519

longer just the secret space program

472

00:16:46,150 --> 00:16:44,160

that's so

473

00:16:47,189 --> 00:16:46,160

small i think this idea it's just

474

00:16:51,030 --> 00:16:47,199

scratching the surface

475

00:16:51,990 --> 00:16:51,040

huge like it it points to the fact that

476

00:16:54,550 --> 00:16:52,000

there is

477

00:16:55,509 --> 00:16:54,560

like i guess i'll back up and and start

478

00:16:57,990 --> 00:16:55,519

from what

479

00:16:58,629 --> 00:16:58,000

what's what could be described as as a

480

00:17:01,350 --> 00:16:58,639

presence

481

00:17:03,350 --> 00:17:01,360

in quote unquote space is it lower earth

482

00:17:06,150 --> 00:17:03,360

orbit or is it actually

483

00:17:07,189 --> 00:17:06,160

space dude like like they're they're

484

00:17:10,390 --> 00:17:07,199

chilling out by

485

00:17:11,590 --> 00:17:10,400

saturn right that's space you know yeah

486

00:17:13,350 --> 00:17:11,600

and and technically

487

00:17:15,750 --> 00:17:13,360

not until like you get out of what is

488

00:17:16,150 --> 00:17:15,760

that the what is the oort cloud or some

489

00:17:17,909 --> 00:17:16,160

[\h\_\_\h]

490

00:17:20,150 --> 00:17:17,919

like it's like pluto and then there's

491

00:17:21,590 --> 00:17:20,160

like that that massive cloud that

492

00:17:25,510 --> 00:17:21,600

surrounds it for like

493

00:17:28,710 --> 00:17:25,520

another like however damn far it is away

494

00:17:31,590 --> 00:17:28,720

like that's outer space that's right

495

00:17:33,190 --> 00:17:31,600

outer yeah just because like yeah like

496

00:17:34,950 --> 00:17:33,200

just because like you go to the moon

497

00:17:37,270 --> 00:17:34,960

doesn't mean you're in outer space

498

00:17:38,710 --> 00:17:37,280

you're just in like very close earth

499

00:17:40,710 --> 00:17:38,720

orbit

500

00:17:41,750 --> 00:17:40,720

you're you're not even close to being in

501  
00:17:43,430 --> 00:17:41,760  
outer space

502  
00:17:45,350 --> 00:17:43,440  
technically you're still in earth's

503  
00:17:47,029 --> 00:17:45,360  
orbit because if you're

504  
00:17:48,870 --> 00:17:47,039  
the moon is in earth's orbit so right

505  
00:17:50,310 --> 00:17:48,880  
right technically that's not

506  
00:17:52,630 --> 00:17:50,320  
it just depends on what your definition

507  
00:17:55,029 --> 00:17:52,640  
of space is you know

508  
00:17:55,669 --> 00:17:55,039  
so it's okay i know we can talk all day

509  
00:17:58,870 --> 00:17:55,679  
about that but

510  
00:18:01,510 --> 00:17:58,880  
like for me space is like okay once you

511  
00:18:02,310 --> 00:18:01,520  
like i don't know dude because there's

512  
00:18:04,710 --> 00:18:02,320  
that space

513  
00:18:06,150 --> 00:18:04,720

in between solar systems and stars

514

00:18:08,230 --> 00:18:06,160

within the galaxy

515

00:18:09,909 --> 00:18:08,240

right that you have to travel but then

516

00:18:12,950 --> 00:18:09,919

there's space in between those

517

00:18:16,230 --> 00:18:12,960

galaxies that you have to travel

518

00:18:18,150 --> 00:18:16,240

like what is that space like it's like

519

00:18:19,909 --> 00:18:18,160

that's outer space but like now you're

520

00:18:22,070 --> 00:18:19,919

in between galaxies

521

00:18:23,190 --> 00:18:22,080

yeah it's like intergalactic space also

522

00:18:26,150 --> 00:18:23,200

makes me think of the word

523

00:18:26,710 --> 00:18:26,160

outer space why outer why is it not just

524

00:18:30,150 --> 00:18:26,720

space

525

00:18:33,909 --> 00:18:30,160

maybe

526

00:18:41,110 --> 00:18:33,919

still space

527

00:18:42,310 --> 00:18:41,120

but like you're just you're in outer

528

00:18:43,830 --> 00:18:42,320

space now dude

529

00:18:45,830 --> 00:18:43,840

right okay all right i'm getting too

530

00:18:48,950 --> 00:18:45,840

granular with with the

531

00:18:51,510 --> 00:18:48,960

with the wording uh but dude so

532

00:18:52,070 --> 00:18:51,520

so i think we're both kind of talking

533

00:18:53,750 --> 00:18:52,080

about

534

00:18:56,230 --> 00:18:53,760

the same idea where like it's no longer

535

00:18:59,110 --> 00:18:56,240

just a secret space program it's like

536

00:19:00,950 --> 00:18:59,120

there's there has who knows for how long

537

00:19:04,549 --> 00:19:00,960

but a presence

538

00:19:07,510 --> 00:19:04,559

in or outer earth orbit like

539

00:19:08,950 --> 00:19:07,520

some kind of uh management has been

540

00:19:12,310 --> 00:19:08,960

going on whether it be human

541

00:19:13,510 --> 00:19:12,320

or or e.t i think a lot of the testimony

542

00:19:14,470 --> 00:19:13,520

and people that we've talked to on the

543

00:19:15,830 --> 00:19:14,480

podcast

544

00:19:17,750 --> 00:19:15,840

i mean you were just saying about terry

545

00:19:19,990 --> 00:19:17,760

loveless uh

546

00:19:21,270 --> 00:19:20,000

seeing the dark side of the moon there's

547

00:19:24,630 --> 00:19:21,280

so many people that

548

00:19:27,029 --> 00:19:24,640

have a similar not exactly the same

549

00:19:28,630 --> 00:19:27,039

experience but very similar like they

550

00:19:31,750 --> 00:19:28,640

see the earth very small

551  
00:19:32,310 --> 00:19:31,760  
through a window of a spaceship so the

552  
00:19:35,430 --> 00:19:32,320  
question

553  
00:19:38,070 --> 00:19:35,440  
is is it is it human or is it et

554  
00:19:39,669 --> 00:19:38,080  
because i think we're edging towards

555  
00:19:42,789 --> 00:19:39,679  
that

556  
00:19:45,110 --> 00:19:42,799  
man well because then

557  
00:19:46,870 --> 00:19:45,120  
i'm thinking that we're engineering then

558  
00:19:47,510 --> 00:19:46,880  
you hear about like all of michael

559  
00:19:50,710 --> 00:19:47,520  
schratz

560  
00:19:52,549 --> 00:19:50,720  
research which is phenomenal and he

561  
00:19:53,750 --> 00:19:52,559  
tells a story about the what is it the

562  
00:19:55,590 --> 00:19:53,760  
sonoma arrow group

563  
00:19:57,510 --> 00:19:55,600

or something like that like is it an

564

00:19:58,710 --> 00:19:57,520

extremely advanced group of scientists

565

00:19:59,909 --> 00:19:58,720

that were kind of this breakaway

566

00:20:00,950 --> 00:19:59,919

civilization

567

00:20:03,430 --> 00:20:00,960

and that's where you're getting the

568

00:20:06,710 --> 00:20:03,440

earth ships was it earth ships

569

00:20:09,029 --> 00:20:06,720

no airships airships oh yeah air ships

570

00:20:09,830 --> 00:20:09,039

in the 1800s michael schratt michael

571

00:20:12,470 --> 00:20:09,840

shreds

572

00:20:14,549 --> 00:20:12,480

yeah so we're talking about the 1800s

573

00:20:15,990 --> 00:20:14,559

having the technology to be able to fly

574

00:20:18,789 --> 00:20:16,000

something in the sky

575

00:20:20,950 --> 00:20:18,799

and then we get to like uh what was it

576

00:20:24,630 --> 00:20:20,960

project horizons where like in the

577

00:20:27,669 --> 00:20:24,640

in the 40s and early 50s they wanted to

578

00:20:29,029 --> 00:20:27,679

launch 60 rockets to the moon every

579

00:20:31,110 --> 00:20:29,039

single year

580

00:20:33,110 --> 00:20:31,120

and like we don't know if they actually

581

00:20:34,070 --> 00:20:33,120

did that or not but it became the

582

00:20:36,470 --> 00:20:34,080

grounds for

583

00:20:38,789 --> 00:20:36,480

the saturn project which eventually

584

00:20:42,310 --> 00:20:38,799

started taking astronauts to the moon

585

00:20:44,230 --> 00:20:42,320

in this in 69 but if we already had the

586

00:20:47,430 --> 00:20:44,240

technology to go to space

587

00:20:48,070 --> 00:20:47,440

in the 40s and 50s and this like our

588

00:20:49,669 --> 00:20:48,080

current like

589

00:20:51,270 --> 00:20:49,679  
rocketry and stuff was all just a

590

00:20:53,350 --> 00:20:51,280  
cover-up for nasa

591

00:20:54,390 --> 00:20:53,360  
who was also this other breakaway

592

00:20:56,149 --> 00:20:54,400  
civilization

593

00:20:58,149 --> 00:20:56,159  
and they've been up there for a long ass

594

00:20:59,430 --> 00:20:58,159  
time and then if we circle back to what

595

00:21:01,750 --> 00:20:59,440  
clyde was saying

596

00:21:03,190 --> 00:21:01,760  
okay yeah the nazis had this crazy

597

00:21:04,950 --> 00:21:03,200  
advanced technology and

598

00:21:07,590 --> 00:21:04,960  
where did that separate break off

599

00:21:09,750 --> 00:21:07,600  
civilization go they went to space

600

00:21:10,870 --> 00:21:09,760  
they're chilling in space which now

601  
00:21:13,909 --> 00:21:10,880  
makes me think

602  
00:21:16,470 --> 00:21:13,919  
of like this whole like our secret space

603  
00:21:17,270 --> 00:21:16,480  
program and why it was developed we now

604  
00:21:19,750 --> 00:21:17,280  
have to be

605  
00:21:20,470 --> 00:21:19,760  
in space and they're still fighting

606  
00:21:23,510 --> 00:21:20,480  
world war

607  
00:21:24,870 --> 00:21:23,520  
ii up in space with each other the nazis

608  
00:21:27,909 --> 00:21:24,880  
against

609  
00:21:29,590 --> 00:21:27,919  
whoever is up there and and like

610  
00:21:31,430 --> 00:21:29,600  
see that's the point where people are

611  
00:21:34,390 --> 00:21:31,440  
like okay

612  
00:21:35,029 --> 00:21:34,400  
all right guys why would you start

613  
00:21:38,870 --> 00:21:35,039

bringing it in

614

00:21:40,390 --> 00:21:38,880

nazis but but the nazis is like where

615

00:21:42,070 --> 00:21:40,400

a lot we're not coming we didn't come up

616

00:21:43,590 --> 00:21:42,080

with this right no no no

617

00:21:45,590 --> 00:21:43,600

no it's i'm just saying like that's

618

00:21:47,990 --> 00:21:45,600

where a lot of this like you know

619

00:21:50,230 --> 00:21:48,000

advanced technology folklore kind of

620

00:21:53,590 --> 00:21:50,240

like starts for a lot of people

621

00:21:57,110 --> 00:21:53,600

is is with the nazis you know

622

00:21:58,549 --> 00:21:57,120

dude that is like so

623

00:22:00,710 --> 00:21:58,559

what's before that though you were

624

00:22:01,990 --> 00:22:00,720

saying there was there's a council of a

625

00:22:04,230 --> 00:22:02,000

council of nine

626  
00:22:05,190 --> 00:22:04,240  
that's all connected that i don't know i

627  
00:22:08,630 --> 00:22:05,200  
don't know

628  
00:22:09,669 --> 00:22:08,640  
all i know is exactly what i told you in

629  
00:22:11,190 --> 00:22:09,679  
the van

630  
00:22:12,789 --> 00:22:11,200  
and that's just like yeah it's like

631  
00:22:14,870 --> 00:22:12,799  
these nine [h\_\_h]

632  
00:22:15,990 --> 00:22:14,880  
superior whatever that control

633  
00:22:19,270 --> 00:22:16,000  
everything

634  
00:22:21,990 --> 00:22:19,280  
that's that's all i know dude okay well

635  
00:22:23,110 --> 00:22:22,000  
uh so i i guess the only reason i'm

636  
00:22:26,310 --> 00:22:23,120  
bringing it and i think that's

637  
00:22:27,590 --> 00:22:26,320  
a separate oh i thought it was in the

638  
00:22:28,630 --> 00:22:27,600

same episode that we were listening to

639

00:22:30,950 --> 00:22:28,640

with on clients no

640

00:22:33,430 --> 00:22:30,960

it's a different episode but i think

641

00:22:35,830 --> 00:22:33,440

they're intertangled

642

00:22:37,510 --> 00:22:35,840

in a very separate way you know how like

643

00:22:40,310 --> 00:22:37,520

we talk about like well maybe like

644

00:22:41,430 --> 00:22:40,320

ghosts and aliens and [h\_\_h] that just

645

00:22:43,750 --> 00:22:41,440

shows up is all

646

00:22:45,190 --> 00:22:43,760

kind of maybe part of the same phenomena

647

00:22:46,789 --> 00:22:45,200

just on a different scale

648

00:22:49,190 --> 00:22:46,799

yeah i think that's kind of where that

649

00:22:50,710 --> 00:22:49,200

is you know that'd be a great question

650

00:22:52,070 --> 00:22:50,720

for olaf phillips i thought that was

651  
00:22:54,230 --> 00:22:52,080  
good

652  
00:22:55,669 --> 00:22:54,240  
all our phillips would know we got we'll

653  
00:22:57,029 --> 00:22:55,679  
reach out to him have him on the show

654  
00:22:59,190 --> 00:22:57,039  
i thought it was connected i thought it

655  
00:23:00,710 --> 00:22:59,200  
was like because the vril society

656  
00:23:02,470 --> 00:23:00,720  
was that's who they were channeling and

657  
00:23:03,909 --> 00:23:02,480  
aleister crowley channeling that's

658  
00:23:06,549 --> 00:23:03,919  
that's what i'm saying i think there's

659  
00:23:08,630 --> 00:23:06,559  
something to that yeah

660  
00:23:09,669 --> 00:23:08,640  
but i think it's like on a different

661  
00:23:11,669 --> 00:23:09,679  
part of the scale

662  
00:23:13,430 --> 00:23:11,679  
okay it could be totally wrong i it

663  
00:23:13,750 --> 00:23:13,440

could be totally related like i said i

664

00:23:16,870 --> 00:23:13,760

just

665

00:23:17,590 --> 00:23:16,880

i don't know uh i don't know i don't

666

00:23:20,230 --> 00:23:17,600

know much about

667

00:23:21,590 --> 00:23:20,240

yeah yeah i get your your where you're

668

00:23:24,710 --> 00:23:21,600

going with that like i don't want to

669

00:23:25,669 --> 00:23:24,720

say a bunch of fun yeah we know what

670

00:23:29,270 --> 00:23:25,679

we're talking about

671

00:23:32,549 --> 00:23:29,280

whoa eddie yeah i'd love to hear

672

00:23:35,270 --> 00:23:32,559

uh your your uh your encounter

673

00:23:36,149 --> 00:23:35,280

with a four foot ow and two hours

674

00:23:38,630 --> 00:23:36,159

missing time

675

00:23:39,270 --> 00:23:38,640

dude that'd be pretty nice a four foot

676

00:23:41,750 --> 00:23:39,280

ow

677

00:23:42,950 --> 00:23:41,760

that's crazy oh my god dude well tell us

678

00:23:46,230 --> 00:23:42,960

about it man

679

00:23:48,470 --> 00:23:46,240

jeez now i'm curious tell me no

680

00:23:49,350 --> 00:23:48,480

tell us that goes i mean that's that the

681

00:23:53,350 --> 00:23:49,360

owl is a

682

00:23:56,470 --> 00:23:53,360

is a uh a repetitive used screen memory

683

00:23:57,909 --> 00:23:56,480

uh that that's used for people that have

684

00:24:00,070 --> 00:23:57,919

had abductions they

685

00:24:01,669 --> 00:24:00,080

instead instead of seeing you know a

686

00:24:03,909 --> 00:24:01,679

creepy alien they see they see

687

00:24:05,029 --> 00:24:03,919

an owl sometimes a deer i think we

688

00:24:07,909 --> 00:24:05,039

talked a little bit about that

689

00:24:08,230 --> 00:24:07,919

with lynn on the last episode we're

690

00:24:12,870 --> 00:24:08,240

gonna

691

00:24:17,029 --> 00:24:15,029

well i'll just i'll send you a link hop

692

00:24:20,549 --> 00:24:17,039

on the hop on the [h\_\_h]

693

00:24:22,310 --> 00:24:20,559

stream yard uh i uh kevin

694

00:24:25,029 --> 00:24:22,320

i think you need to examine where world

695

00:24:27,110 --> 00:24:25,039

technology was before 1957.

696

00:24:29,909 --> 00:24:27,120

i agree i do need to examine where

697

00:24:33,110 --> 00:24:29,919

technology was before 1957.

698

00:24:33,830 --> 00:24:33,120

who knows what like publicly yeah i

699

00:24:35,269 --> 00:24:33,840

think we

700

00:24:37,190 --> 00:24:35,279

we have an i don't know i don't know if

701  
00:24:39,350 --> 00:24:37,200  
you're going with like it was way more

702  
00:24:41,269 --> 00:24:39,360  
advanced than you think it is or like

703  
00:24:42,549 --> 00:24:41,279  
uh they had just got out of horse and

704  
00:24:45,590 --> 00:24:42,559  
buggy i'm not sure

705  
00:24:47,350 --> 00:24:45,600  
which way you're leaning with that but

706  
00:24:48,390 --> 00:24:47,360  
it's either way yeah you're exactly

707  
00:24:49,590 --> 00:24:48,400  
right i

708  
00:24:51,430 --> 00:24:49,600  
should definitely look into where

709  
00:24:53,750 --> 00:24:51,440  
technology was uh

710  
00:24:54,789 --> 00:24:53,760  
before nine times they have a book about

711  
00:24:56,950 --> 00:24:54,799  
that there's a book

712  
00:24:59,909 --> 00:24:56,960  
it's is it called uh where the world

713  
00:25:02,230 --> 00:24:59,919

technology was before 1977

714

00:25:04,710 --> 00:25:02,240

that's the name of the book yeah written

715

00:25:07,430 --> 00:25:04,720

by kevin stew

716

00:25:07,750 --> 00:25:07,440

chris uh yeah so you're talking about a

717

00:25:09,350 --> 00:25:07,760

bug

718

00:25:11,350 --> 00:25:09,360

oh no dude it's our sticker on the wall

719

00:25:14,549 --> 00:25:11,360

it's our branding bro oh hell yeah

720

00:25:16,230 --> 00:25:14,559

it's our sick ass uh logo make sure you

721

00:25:19,590 --> 00:25:16,240

go to the website on the bottom

722

00:25:20,870 --> 00:25:19,600

yeah i spilled that one right

723

00:25:23,830 --> 00:25:20,880

it was all the banner that i didn't

724

00:25:30,549 --> 00:25:23,840

spell it right yeah

725

00:25:34,149 --> 00:25:32,870

yeah dude eddie hit us up man our emails

726

00:25:42,310 --> 00:25:34,159

ufo garage pc

727

00:25:44,710 --> 00:25:42,320

stands for podcast so that's pretty cool

728

00:25:47,269 --> 00:25:44,720

uh yeah but i would love it i thought it

729

00:25:50,630 --> 00:25:47,279

stood for pine cones

730

00:25:52,149 --> 00:25:50,640

it does official ufo garage pineapple

731

00:25:54,070 --> 00:25:52,159

dude that's gonna be for sale pretty

732

00:25:55,190 --> 00:25:54,080

soon oh dude you can make them for like

733

00:25:57,190 --> 00:25:55,200

for like christmas

734

00:25:59,430 --> 00:25:57,200

christmas ornaments dude you [h\_\_\h]

735

00:25:59,990 --> 00:25:59,440

pinecones put like peanut butter on them

736

00:26:02,390 --> 00:26:00,000

and like

737

00:26:03,350 --> 00:26:02,400

uh bird seed those will ship really well

738

00:26:06,789 --> 00:26:03,360

this will keep

739

00:26:07,590 --> 00:26:06,799

hell yeah speaking of of merch we got

740

00:26:09,590 --> 00:26:07,600

new merch

741

00:26:12,310 --> 00:26:09,600

oh yeah just check it out we got some

742

00:26:14,470 --> 00:26:12,320

new teas

743

00:26:16,149 --> 00:26:14,480

we got some uh dude let's look at let's

744

00:26:19,510 --> 00:26:16,159

look at the uh let's look at the

745

00:26:21,510 --> 00:26:19,520

perch bro stream boom

746

00:26:24,390 --> 00:26:21,520

we got new shirts we got a new logo we

747

00:26:27,110 --> 00:26:24,400

got a whole new look y'all been uh

748

00:26:27,990 --> 00:26:27,120

ben's been busy lately uh we both have

749

00:26:31,909 --> 00:26:28,000

been busy

750

00:26:34,680 --> 00:26:31,919

uh but i uh your feedback is is very

751

00:26:36,230 --> 00:26:34,690

important important it looks good

752

00:26:38,870 --> 00:26:36,240

[Music]

753

00:26:39,990 --> 00:26:38,880

honestly he likes it but he likes it but

754

00:26:41,510 --> 00:26:40,000

he doesn't love it

755

00:26:43,029 --> 00:26:41,520

and he hasn't said anything about my

756

00:26:44,870 --> 00:26:43,039

pants ben i love it

757

00:26:46,070 --> 00:26:44,880

and i've said plenty about you thank you

758

00:26:49,350 --> 00:26:46,080

for making thank you

759

00:26:51,750 --> 00:26:49,360

for saying it after i made you say it

760

00:26:53,350 --> 00:26:51,760

thank you i don't understand how you're

761

00:26:54,950 --> 00:26:53,360

busy all the time you literally made all

762

00:26:58,310 --> 00:26:54,960

those t-shirts in like eight minutes

763

00:26:58,710 --> 00:26:58,320

i'm fast you're like i'm i'm i'm busy

764

00:27:01,350 --> 00:26:58,720

all

765

00:27:01,909 --> 00:27:01,360

the time i have like 22 [h\_\_h] programs

766

00:27:05,830 --> 00:27:01,919

on

767

00:27:06,390 --> 00:27:05,840

oh ben what's up we got ben go bin team

768

00:27:09,669 --> 00:27:06,400

whoo

769

00:27:11,990 --> 00:27:09,679

yay team now we need a joe

770

00:27:13,110 --> 00:27:12,000

oh yeah where's the joe's at i don't

771

00:27:14,950 --> 00:27:13,120

know

772

00:27:16,390 --> 00:27:14,960

there was something i wanted to what do

773

00:27:17,909 --> 00:27:16,400

you all think about the the psychic

774

00:27:20,950 --> 00:27:17,919

connection with ufos

775

00:27:21,510 --> 00:27:20,960

apparently reddit r is that's what r

776

00:27:24,630 --> 00:27:21,520

says

777

00:27:26,950 --> 00:27:24,640

physics is expecting something big

778

00:27:28,310 --> 00:27:26,960

well we're actually doing a documentary

779

00:27:31,990 --> 00:27:28,320

about that

780

00:27:34,070 --> 00:27:32,000

yeah uh well not about the the

781

00:27:35,990 --> 00:27:34,080

not specifically about not specific it's

782

00:27:37,669 --> 00:27:36,000

gonna be a part of that

783

00:27:39,269 --> 00:27:37,679

we're gonna we're gonna we're gonna

784

00:27:40,950 --> 00:27:39,279

write we're gonna talk about it a little

785

00:27:41,669 --> 00:27:40,960

bit i mean he's got some stuff to say

786

00:27:44,789 --> 00:27:41,679

about it but

787

00:27:47,909 --> 00:27:44,799

yeah uh man

788

00:27:49,110 --> 00:27:47,919

there is so the story well i don't know

789

00:27:50,230 --> 00:27:49,120

i don't want to give it away dude we

790

00:27:52,549 --> 00:27:50,240

can't give it away

791

00:27:54,630 --> 00:27:52,559

dude i mean yeah let's not give it away

792

00:27:57,430 --> 00:27:54,640

i mean he said it on the show before

793

00:27:58,710 --> 00:27:57,440

yeah yeah so eric mitchell he has an

794

00:27:59,510 --> 00:27:58,720

interesting story y'all should check it

795

00:28:01,909 --> 00:27:59,520

out uh

796

00:28:03,750 --> 00:28:01,919

he he actually was just on space.radio

797

00:28:06,230 --> 00:28:03,760

he has a really awesome interview

798

00:28:07,190 --> 00:28:06,240

dave with space.radio check it out yeah

799

00:28:09,430 --> 00:28:07,200

youtube

800

00:28:10,389 --> 00:28:09,440

they talk about kind of how like

801  
00:28:12,549 --> 00:28:10,399  
mitchell

802  
00:28:13,590 --> 00:28:12,559  
the the synopsis in your brain when it

803  
00:28:16,710 --> 00:28:13,600  
fires

804  
00:28:19,750 --> 00:28:16,720  
that uh that it actually registers

805  
00:28:22,630 --> 00:28:19,760  
in the blue light wave frequency

806  
00:28:24,630 --> 00:28:22,640  
whenever it happens and so there's this

807  
00:28:27,590 --> 00:28:24,640  
idea that these craft

808  
00:28:29,510 --> 00:28:27,600  
possibly might actually this blue light

809  
00:28:30,470 --> 00:28:29,520  
that emits from the craft sometimes

810  
00:28:33,350 --> 00:28:30,480  
people see

811  
00:28:34,230 --> 00:28:33,360  
that it's possibly interacting with the

812  
00:28:36,630 --> 00:28:34,240  
same

813  
00:28:38,070 --> 00:28:36,640

[h\_\_h] that your brain is firing like in

814

00:28:41,990 --> 00:28:38,080

the same

815

00:28:44,149 --> 00:28:42,000

spectrum so like it's kind of like this

816

00:28:47,190 --> 00:28:44,159

super advanced like wi-fi system

817

00:28:49,990 --> 00:28:47,200

where like we think it's like

818

00:28:51,750 --> 00:28:50,000

i think it's like you know like what is

819

00:28:53,750 --> 00:28:51,760

it

820

00:28:55,830 --> 00:28:53,760

telepathy right but really they're just

821

00:28:56,950 --> 00:28:55,840

like it's like me sending you a message

822

00:28:58,710 --> 00:28:56,960

on your cell phone

823

00:29:01,110 --> 00:28:58,720

right it's just like that that wasn't

824

00:29:02,870 --> 00:29:01,120

it's quantum entanglement

825

00:29:04,070 --> 00:29:02,880

right what is it was it something like

826

00:29:05,830 --> 00:29:04,080

that but i don't know how do you send

827

00:29:06,710 --> 00:29:05,840

messages through the air is it quantum

828

00:29:08,950 --> 00:29:06,720

entanglement no

829

00:29:09,830 --> 00:29:08,960

no no no that's that's like cellular

830

00:29:12,230 --> 00:29:09,840

this is like

831

00:29:13,350 --> 00:29:12,240

it's like internet yeah but then we look

832

00:29:15,350 --> 00:29:13,360

at like voice

833

00:29:17,430 --> 00:29:15,360

uh voice to skull technology where they

834

00:29:19,350 --> 00:29:17,440

can shine a laser at your brain

835

00:29:20,789 --> 00:29:19,360

and like encode it with a message and

836

00:29:23,029 --> 00:29:20,799

you hear noises

837

00:29:25,110 --> 00:29:23,039

or think thoughts but there's like no

838

00:29:27,350 --> 00:29:25,120

noise it's just encoded

839

00:29:28,710 --> 00:29:27,360

messages from a light being shined at

840

00:29:30,950 --> 00:29:28,720

your head like laser

841

00:29:33,029 --> 00:29:30,960

laser communications like fiber optic

842

00:29:36,470 --> 00:29:33,039

kind of stuff i don't see it to be too

843

00:29:39,510 --> 00:29:36,480

far-fetched um but who knows

844

00:29:42,070 --> 00:29:39,520

so so eric mitchell is is uh

845

00:29:42,630 --> 00:29:42,080

i guess he's going to be doing a a study

846

00:29:45,990 --> 00:29:42,640

with

847

00:29:48,470 --> 00:29:46,000

is putting together

848

00:29:50,310 --> 00:29:48,480

this uh the study and he submitted it

849

00:29:52,070 --> 00:29:50,320

for review i guess he uh

850

00:29:54,070 --> 00:29:52,080

the the gentleman and we're gonna get

851

00:29:57,269 --> 00:29:54,080

that interview hopefully soon

852

00:29:59,350 --> 00:29:57,279

uh on on camera with with eric so uh

853

00:30:00,789 --> 00:29:59,360

with him talking to the the individual

854

00:30:01,590 --> 00:30:00,799

from harvard but they're gonna be doing

855

00:30:02,789 --> 00:30:01,600

a study on

856

00:30:05,269 --> 00:30:02,799

all the stuff that we're talking about

857

00:30:07,510 --> 00:30:05,279

like it sounds way too like okay

858

00:30:09,350 --> 00:30:07,520

harvard but like i don't know it seems

859

00:30:11,510 --> 00:30:09,360

legit man i i i

860

00:30:13,510 --> 00:30:11,520

i've seen the the the phone number in

861

00:30:15,029 --> 00:30:13,520

eric's phone you know it says the guy

862

00:30:17,430 --> 00:30:15,039

he's from harvard and

863

00:30:18,070 --> 00:30:17,440

so well i'm excited to see what what

864

00:30:20,789 --> 00:30:18,080

happens

865

00:30:22,149 --> 00:30:20,799

and and if we can get any any any video

866

00:30:23,830 --> 00:30:22,159

with that uh

867

00:30:25,110 --> 00:30:23,840

yeah so i'm stoked to see what's gonna

868

00:30:27,510 --> 00:30:25,120

happen what the but what they're

869

00:30:30,870 --> 00:30:27,520

studying is that that connection

870

00:30:32,870 --> 00:30:30,880

between the uh the individual's brain

871

00:30:34,830 --> 00:30:32,880

the experiencers brain those

872

00:30:37,669 --> 00:30:34,840

you know individuals that have been

873

00:30:39,909 --> 00:30:37,679

abducted have this sort of antenna and

874

00:30:41,909 --> 00:30:39,919

the way that your brain communicates

875

00:30:43,350 --> 00:30:41,919

and again this is like me trying to

876

00:30:44,070 --> 00:30:43,360

explain quantum physics like it's

877

00:30:46,070 --> 00:30:44,080

terrible i'm

878

00:30:47,350 --> 00:30:46,080

doing a terrible job but something to do

879

00:30:49,750 --> 00:30:47,360

with that blue light man

880

00:30:50,549 --> 00:30:49,760

and the communication and maybe i don't

881

00:30:52,950 --> 00:30:50,559

know man

882

00:30:54,630 --> 00:30:52,960

i'm excited to see what happens with uh

883

00:30:56,950 --> 00:30:54,640

welcome to the show says quantum

884

00:30:59,750 --> 00:30:56,960

entanglement ufo propulsion

885

00:31:00,470 --> 00:30:59,760

but i have to ask you my friend do you

886

00:31:03,269 --> 00:31:00,480

know about

887

00:31:04,710 --> 00:31:03,279

masturbation propulsion technology it's

888

00:31:05,350 --> 00:31:04,720

gonna change the world i don't think

889

00:31:07,509 --> 00:31:05,360

they do

890

00:31:09,110 --> 00:31:07,519

they might not dude well if you listen

891

00:31:09,909 --> 00:31:09,120

to more episodes you'll definitely hear

892

00:31:12,630 --> 00:31:09,919

about it

893

00:31:14,630 --> 00:31:12,640

it's pretty interesting stuff gamer

894

00:31:16,070 --> 00:31:14,640

chris asks if we can uh if we can do a

895

00:31:16,789 --> 00:31:16,080

documentary about the secret space

896

00:31:19,990 --> 00:31:16,799

program

897

00:31:23,269 --> 00:31:20,000

and actually i think we should make a uh

898

00:31:24,870 --> 00:31:23,279

uh a mockumentary about the secret space

899

00:31:26,149 --> 00:31:24,880

program

900

00:31:28,149 --> 00:31:26,159

i think that's already been done i think

901  
00:31:30,549 --> 00:31:28,159  
that's the spaceballs

902  
00:31:31,590 --> 00:31:30,559  
well that too but what's the uh there's

903  
00:31:33,110 --> 00:31:31,600  
like a

904  
00:31:35,110 --> 00:31:33,120  
there's a movie that's like so

905  
00:31:37,350 --> 00:31:35,120  
ridiculous there's like t-rexes

906  
00:31:38,470 --> 00:31:37,360  
on the moon and there's like nazis oh

907  
00:31:40,310 --> 00:31:38,480  
[h\_\_\h] iron sky

908  
00:31:42,389 --> 00:31:40,320  
iron sky that's already yeah the movie's

909  
00:31:43,990 --> 00:31:42,399  
already been made dude

910  
00:31:45,750 --> 00:31:44,000  
you know what's crazy is that like they

911  
00:31:47,909 --> 00:31:45,760  
went so hardcore with this

912  
00:31:50,310 --> 00:31:47,919  
and then and it sucks that they're using

913  
00:31:52,870 --> 00:31:50,320

a lot of those those ideas that

914

00:31:54,230 --> 00:31:52,880

i i believe could be could be true the

915

00:31:55,830 --> 00:31:54,240

seated in truth

916

00:31:58,149 --> 00:31:55,840

and they're making it like they made it

917

00:31:59,509 --> 00:31:58,159

so ridiculous and it is hilarious

918

00:32:01,669 --> 00:31:59,519

yeah pretty i haven't seen the full

919

00:32:02,070 --> 00:32:01,679

movie i've just seen clips yeah but it

920

00:32:03,990 --> 00:32:02,080

sucks

921

00:32:06,310 --> 00:32:04,000

it's so funny and so well known because

922

00:32:06,870 --> 00:32:06,320

like you've lost all your legs with any

923

00:32:09,750 --> 00:32:06,880

argument

924

00:32:11,830 --> 00:32:09,760

like even like people that claim to like

925

00:32:13,029 --> 00:32:11,840

have video and footage of of like

926

00:32:15,190 --> 00:32:13,039

structures on the moon

927

00:32:17,590 --> 00:32:15,200

like they they've taken that from from

928

00:32:19,830 --> 00:32:17,600

the movie from the yeah yeah yeah

929

00:32:21,350 --> 00:32:19,840

yeah y'all be careful when you when you

930

00:32:24,230 --> 00:32:21,360

uh search first

931

00:32:25,669 --> 00:32:24,240

it's like a swastika shape base on the

932

00:32:28,230 --> 00:32:25,679

moon they took that [h\_\_\h]

933

00:32:29,590 --> 00:32:28,240

yes yeah yeah it's pretty wild yeah be

934

00:32:30,389 --> 00:32:29,600

careful if y'all are searching for

935

00:32:31,750 --> 00:32:30,399

secret space

936

00:32:33,110 --> 00:32:31,760

program just make sure like don't

937

00:32:34,549 --> 00:32:33,120

believe everything you read and

938

00:32:35,909 --> 00:32:34,559

definitely don't believe everything we

939

00:32:37,909 --> 00:32:35,919

i mean we're just we're just talking

940

00:32:41,029 --> 00:32:37,919

about it hey

941

00:32:43,669 --> 00:32:41,039

we're well i guess we're kind

942

00:32:44,950 --> 00:32:43,679

we're kind of here for information we're

943

00:32:47,350 --> 00:32:44,960

mainly here for

944

00:32:48,870 --> 00:32:47,360

entertainment purposes and then we bring

945

00:32:49,909 --> 00:32:48,880

on awesome people with all the

946

00:32:51,509 --> 00:32:49,919

information

947

00:32:53,190 --> 00:32:51,519

but when there aren't awesome people on

948

00:32:55,110 --> 00:32:53,200

here for information it's it's it's

949

00:32:58,230 --> 00:32:55,120

mainly speculation and

950

00:33:01,909 --> 00:32:58,240

fun just a a good time hangout you know

951  
00:33:03,990 --> 00:33:01,919  
so welcome welcome everybody welcome

952  
00:33:05,750 --> 00:33:04,000  
welcome everybody what what are you guys

953  
00:33:09,509 --> 00:33:05,760  
uh lawrence asks what do you guys think

954  
00:33:11,269 --> 00:33:09,519  
will happen on the 25th with the uae

955  
00:33:12,630 --> 00:33:11,279  
f and now they're adding now they're

956  
00:33:16,070 --> 00:33:12,640  
adding more letters

957  
00:33:17,750 --> 00:33:16,080  
jesus christ was it the the ttf what

958  
00:33:21,509 --> 00:33:17,760  
does that stand for

959  
00:33:22,070 --> 00:33:21,519  
uh uh two toodle toodle farts toots and

960  
00:33:25,350 --> 00:33:22,080  
farts

961  
00:33:28,389 --> 00:33:25,360  
the task force oh you the

962  
00:33:29,750 --> 00:33:28,399  
unidentified aerospace phenomenon toodle

963  
00:33:33,909 --> 00:33:29,760

farts

964

00:33:39,029 --> 00:33:37,190

oh yeah dude what if like it's like the

965

00:33:40,470 --> 00:33:39,039

like a cinema senator comes up that no

966

00:33:41,430 --> 00:33:40,480

one's ever heard of to like give the

967

00:33:46,230 --> 00:33:41,440

report and like

968

00:33:51,029 --> 00:33:49,029

can you say that repairing any

969

00:33:53,909 --> 00:33:51,039

experience

970

00:33:56,149 --> 00:33:53,919

be like great that's exactly what we

971

00:33:57,909 --> 00:33:56,159

thought was gonna happen

972

00:34:00,070 --> 00:33:57,919

i mean i think oh what's gonna happen on

973

00:34:01,830 --> 00:34:00,080

the 25th is it seems like the consensus

974

00:34:02,710 --> 00:34:01,840

like among a lot of people is that like

975

00:34:05,190 --> 00:34:02,720

there's going to be some

976

00:34:06,710 --> 00:34:05,200

some kind of cool stuff that comes out i

977

00:34:08,310 --> 00:34:06,720

i think what

978

00:34:10,230 --> 00:34:08,320

everywhere everybody's heads are kind of

979

00:34:13,510 --> 00:34:10,240

kind of at right now

980

00:34:15,589 --> 00:34:13,520

is that if you're not into the subject

981

00:34:17,349 --> 00:34:15,599

and like you see it on the news and all

982

00:34:19,109 --> 00:34:17,359

these reports come out it's gonna be

983

00:34:21,829 --> 00:34:19,119

like a pretty big deal to you

984

00:34:23,510 --> 00:34:21,839

right i think like if you're involved

985

00:34:25,190 --> 00:34:23,520

with this whole thing or like

986

00:34:26,710 --> 00:34:25,200

you've been in the community for a long

987

00:34:28,550 --> 00:34:26,720

ass time like

988

00:34:30,790 --> 00:34:28,560

you're probably going to be like yeah i

989

00:34:33,430 --> 00:34:30,800

know that's what we've been saying

990

00:34:33,990 --> 00:34:33,440

right yeah like like and uh we had we

991

00:34:36,069 --> 00:34:34,000

had

992

00:34:37,190 --> 00:34:36,079

a great conversation with with uh with

993

00:34:40,790 --> 00:34:37,200

uh uh

994

00:34:43,349 --> 00:34:40,800

oh god damn it um jimenez

995

00:34:44,710 --> 00:34:43,359

oh lou lou sorry yes unidentified

996

00:34:47,270 --> 00:34:44,720

celebrity review

997

00:34:49,190 --> 00:34:47,280

and uh yeah he was like yeah it's not

998

00:34:51,109 --> 00:34:49,200

it's not for us right it's not for us

999

00:34:53,909 --> 00:34:51,119

it's for the masses it's for the

1000

00:34:55,109 --> 00:34:53,919

the the people who really never like

1001  
00:34:55,750 --> 00:34:55,119  
gave it too much thought right i

1002  
00:34:57,510 --> 00:34:55,760  
appreciate it

1003  
00:34:59,430 --> 00:34:57,520  
i appreciated him saying that because

1004  
00:34:59,990 --> 00:34:59,440  
like i kind of like it made sense like

1005  
00:35:03,190 --> 00:35:00,000  
yeah

1006  
00:35:05,190 --> 00:35:03,200  
it's just not for us man like totally

1007  
00:35:06,310 --> 00:35:05,200  
but it will be like you're saying a huge

1008  
00:35:08,710 --> 00:35:06,320  
deal for

1009  
00:35:10,069 --> 00:35:08,720  
for those that don't pay attention yes

1010  
00:35:11,510 --> 00:35:10,079  
and i mean it's going to be a huge deal

1011  
00:35:12,230 --> 00:35:11,520  
for everybody don't get me wrong like

1012  
00:35:14,069 --> 00:35:12,240  
it's not like

1013  
00:35:15,270 --> 00:35:14,079

i don't know i don't care right no

1014

00:35:17,910 --> 00:35:15,280

because i mean i do

1015

00:35:19,190 --> 00:35:17,920

i think it's uh i think uh i think

1016

00:35:21,190 --> 00:35:19,200

that's a that's a

1017

00:35:22,230 --> 00:35:21,200

a good thing it's a good thing that's

1018

00:35:24,710 --> 00:35:22,240

gonna happen

1019

00:35:26,390 --> 00:35:24,720

so i think it's gonna be huge i i hope

1020

00:35:29,349 --> 00:35:26,400

that it's not

1021

00:35:30,550 --> 00:35:29,359

a big propaganda thing i mean everybody

1022

00:35:31,030 --> 00:35:30,560

talks about so where do you stand on

1023

00:35:33,109 --> 00:35:31,040

that like

1024

00:35:34,550 --> 00:35:33,119

do you think this is it could be like a

1025

00:35:36,310 --> 00:35:34,560

huge political move for

1026  
00:35:38,310 --> 00:35:36,320  
people to give up their rights you know

1027  
00:35:39,109 --> 00:35:38,320  
like kind of like 911 and the patriot

1028  
00:35:41,190 --> 00:35:39,119  
act

1029  
00:35:42,150 --> 00:35:41,200  
things like that like what are the

1030  
00:35:44,230 --> 00:35:42,160  
chances

1031  
00:35:45,190 --> 00:35:44,240  
like the week after this drops or

1032  
00:35:46,710 --> 00:35:45,200  
whatever

1033  
00:35:48,310 --> 00:35:46,720  
there's some bill that's passed in

1034  
00:35:49,829 --> 00:35:48,320  
congress that just

1035  
00:35:52,310 --> 00:35:49,839  
so happened to be signed that says like

1036  
00:35:54,870 --> 00:35:52,320  
yeah so everyone's underwear has to be

1037  
00:35:55,589 --> 00:35:54,880  
the color either pink or yellow like

1038  
00:35:57,430 --> 00:35:55,599

something

1039

00:35:59,030 --> 00:35:57,440

you know you get what i'm saying like

1040

00:36:00,710 --> 00:35:59,040

yeah

1041

00:36:02,470 --> 00:36:00,720

i'm saying the chances may be high

1042

00:36:05,910 --> 00:36:02,480

personally i think i think that

1043

00:36:08,550 --> 00:36:05,920

a bill is coming to partic

1044

00:36:09,030 --> 00:36:08,560

protect us in a way we'll see what

1045

00:36:11,910 --> 00:36:09,040

happens

1046

00:36:14,390 --> 00:36:11,920

yeah yeah it may be a report it may be a

1047

00:36:15,990 --> 00:36:14,400

just a long ass report on why on why

1048

00:36:18,390 --> 00:36:16,000

they have to protect us more

1049

00:36:19,829 --> 00:36:18,400

right but i mean if if it's been going

1050

00:36:22,069 --> 00:36:19,839

on this long like

1051  
00:36:23,910 --> 00:36:22,079  
we don't really need your protection you

1052  
00:36:26,069 --> 00:36:23,920  
know

1053  
00:36:27,750 --> 00:36:26,079  
i guess i guess it's fine but yeah

1054  
00:36:34,470 --> 00:36:27,760  
sponsored by trojan

1055  
00:36:35,910 --> 00:36:34,480  
and dale earnhardt and junior and heart

1056  
00:36:40,150 --> 00:36:35,920  
junior

1057  
00:36:43,270 --> 00:36:40,160  
uh gamer chris asks can uh uh

1058  
00:36:45,670 --> 00:36:43,280  
can we bring on stephen greer and

1059  
00:36:46,950 --> 00:36:45,680  
and jeremy corbell i would love to bring

1060  
00:36:48,790 --> 00:36:46,960  
on stephen

1061  
00:36:50,550 --> 00:36:48,800  
i would like to have both of those guys

1062  
00:36:53,030 --> 00:36:50,560  
on as well yes um

1063  
00:36:53,990 --> 00:36:53,040

i i heard that steven greer requires

1064

00:36:55,990 --> 00:36:54,000

questions before

1065

00:36:57,910 --> 00:36:56,000

he comes on the show we don't really

1066

00:36:59,109 --> 00:36:57,920

roll like that because goddammit we

1067

00:37:01,030 --> 00:36:59,119

don't even know the questions we're

1068

00:37:03,030 --> 00:37:01,040

gonna ask him until we ask him

1069

00:37:04,950 --> 00:37:03,040

that's kind of the flow of the show

1070

00:37:08,950 --> 00:37:04,960

that's true by your boy joe

1071

00:37:11,430 --> 00:37:08,960

what you know you know uh jeremy corbell

1072

00:37:12,950 --> 00:37:11,440

jeremy that guy's super busy and he yeah

1073

00:37:15,589 --> 00:37:12,960

we've chatted with the dude

1074

00:37:16,950 --> 00:37:15,599

he's an awesome dude yeah he he like

1075

00:37:18,710 --> 00:37:16,960

he's definitely like been

1076

00:37:20,390 --> 00:37:18,720

super cool to us i would love to have

1077

00:37:21,109 --> 00:37:20,400

him on the show i think i think it'd be

1078

00:37:22,710 --> 00:37:21,119

pretty cool

1079

00:37:24,870 --> 00:37:22,720

whenever he gets some free time he's

1080

00:37:26,710 --> 00:37:24,880

he's busy right now and dropping videos

1081

00:37:29,670 --> 00:37:26,720

yeah i would love to know

1082

00:37:30,870 --> 00:37:29,680

and going on other people's shows yeah

1083

00:37:34,950 --> 00:37:30,880

uh well he's not like the

1084

00:37:36,790 --> 00:37:34,960

[h\_\_\h] dope at like not what the

1085

00:37:38,630 --> 00:37:36,800

legit news he's like on the news right

1086

00:37:40,630 --> 00:37:38,640

now like why would he come on our show

1087

00:37:42,470 --> 00:37:40,640

i don't know i guess lou elizondo came

1088

00:37:44,310 --> 00:37:42,480

on our show and he was supposed to go on

1089

00:37:45,109 --> 00:37:44,320

the news yeah he was supposed to go on i

1090

00:37:47,510 --> 00:37:45,119

was like

1091

00:37:49,270 --> 00:37:47,520

i've had enough of that serious [h\_\_h] i'm

1092

00:37:53,109 --> 00:37:49,280

gonna go hang out with these guys

1093

00:37:54,710 --> 00:37:53,119

yeah he like he is uh luel elizondo now

1094

00:37:55,430 --> 00:37:54,720

knows about masturbation propulsion

1095

00:37:56,790 --> 00:37:55,440

technology

1096

00:37:58,470 --> 00:37:56,800

you know i think i just slipped that in

1097

00:38:01,190 --> 00:37:58,480

i don't think he really heard it

1098

00:38:02,310 --> 00:38:01,200

oh yeah but he does know about to the

1099

00:38:04,550 --> 00:38:02,320

farts academy

1100

00:38:05,750 --> 00:38:04,560

he does he does and he hasn't said

1101

00:38:09,270 --> 00:38:05,760

whether or not he wants to be

1102

00:38:13,589 --> 00:38:09,280

a a member with us not gotten back to us

1103

00:38:14,870 --> 00:38:13,599

uh neither has dan uh neither has dave

1104

00:38:16,310 --> 00:38:14,880

i'm starting to get the feeling nobody

1105

00:38:17,589 --> 00:38:16,320

wants to be a member of to the farts

1106

00:38:21,030 --> 00:38:17,599

academy with us yeah this is

1107

00:38:22,550 --> 00:38:21,040

[h\_\_\h] guys [h\_\_\h] hey anybody out

1108

00:38:24,630 --> 00:38:22,560

there that wants to be a part of

1109

00:38:26,390 --> 00:38:24,640

to the farts academy pull it up so

1110

00:38:28,230 --> 00:38:26,400

everybody can see it man because i

1111

00:38:29,510 --> 00:38:28,240

a lot of these people are brand new they

1112

00:38:31,190 --> 00:38:29,520

don't know about what we're talking

1113

00:38:32,710 --> 00:38:31,200

about hey if you want to be part of to

1114

00:38:34,950 --> 00:38:32,720

the farts academy

1115

00:38:35,750 --> 00:38:34,960

um and help change the world well on

1116

00:38:39,030 --> 00:38:35,760

this year and yet

1117

00:38:41,670 --> 00:38:39,040

you let us know because because you know

1118

00:38:43,430 --> 00:38:41,680

i got we'll put you on there i mean

1119

00:38:47,270 --> 00:38:43,440

we're looking for members right now

1120

00:38:50,550 --> 00:38:47,280

we're always hiring always hiring always

1121

00:38:53,109 --> 00:38:50,560

tff a shirts that say

1122

00:38:54,390 --> 00:38:53,119

always hiring so i mean this is this is

1123

00:38:57,829 --> 00:38:54,400

really guys because

1124

00:38:58,310 --> 00:38:57,839

uh well it's not real but it it's an

1125

00:39:01,910 --> 00:38:58,320

idea

1126  
00:39:04,470 --> 00:39:01,920  
to the farts

1127  
00:39:06,069 --> 00:39:04,480  
uh we got it's we made it really simple

1128  
00:39:07,910 --> 00:39:06,079  
home and then who fart

1129  
00:39:10,470 --> 00:39:07,920  
telling stories of yesterday tomorrow

1130  
00:39:13,270 --> 00:39:10,480  
through flatulence poots poppers farts

1131  
00:39:14,790 --> 00:39:13,280  
booty gas and beyond yeah i mean it's

1132  
00:39:17,109 --> 00:39:14,800  
perfect it's pretty spot-on

1133  
00:39:18,790 --> 00:39:17,119  
i'm not gonna lie uh three key areas

1134  
00:39:20,069 --> 00:39:18,800  
waft and sniff sneaky little poots

1135  
00:39:22,550 --> 00:39:20,079  
develops database

1136  
00:39:24,150 --> 00:39:22,560  
all of the farts shared with humanity

1137  
00:39:26,150 --> 00:39:24,160  
these smelly toots

1138  
00:39:27,190 --> 00:39:26,160

we're always open to answer questions so

1139

00:39:30,390 --> 00:39:27,200

if you want to be an

1140

00:39:32,150 --> 00:39:30,400

experienced team member yeah uh

1141

00:39:34,470 --> 00:39:32,160

from across the body you let you let us

1142

00:39:36,069 --> 00:39:34,480

know and we'll put you on there

1143

00:39:37,910 --> 00:39:36,079

if you're yeah if you're interested send

1144

00:39:40,230 --> 00:39:37,920

us a send us a nice headshot

1145

00:39:41,589 --> 00:39:40,240

and i would love to see how many team

1146

00:39:44,630 --> 00:39:41,599

members we can get

1147

00:39:46,390 --> 00:39:44,640

yeah and look no resume required none

1148

00:39:48,390 --> 00:39:46,400

none how about that you want to be part

1149

00:39:52,230 --> 00:39:48,400

of it no interview either

1150

00:39:56,390 --> 00:39:52,240

so kevin drink apple

1151

00:39:57,910 --> 00:39:56,400

apple cider vinegar farts are plenty

1152

00:39:59,349 --> 00:39:57,920

i think you need to be a member with us

1153

00:40:00,550 --> 00:39:59,359

brother how did you figure that out like

1154

00:40:03,109 --> 00:40:00,560

this was was this through

1155

00:40:05,030 --> 00:40:03,119

trial and error well i do know that if

1156

00:40:07,990 --> 00:40:05,040

you drink apple cider it probably

1157

00:40:09,190 --> 00:40:08,000

it it cleanses your uh your gut it's

1158

00:40:10,790 --> 00:40:09,200

like good for your gut

1159

00:40:12,390 --> 00:40:10,800

so i'm sure if you drink a lot of it oh

1160

00:40:15,349 --> 00:40:12,400

hell yeah yeah it's probably

1161

00:40:16,069 --> 00:40:15,359

it's probably pretty wild tammy oh yeah

1162

00:40:18,470 --> 00:40:16,079

dr

1163

00:40:19,829 --> 00:40:18,480

would be a proud member yeah i love it

1164

00:40:21,910 --> 00:40:19,839

dude i love it hey

1165

00:40:23,510 --> 00:40:21,920

send us a head shot to our email and

1166

00:40:27,589 --> 00:40:23,520

we'll put you up all there i

1167

00:40:29,030 --> 00:40:27,599

swear yes yes jason hurray for doctor

1168

00:40:31,030 --> 00:40:29,040

scientists doctor scientists kind of

1169

00:40:32,309 --> 00:40:31,040

blew up man

1170

00:40:33,910 --> 00:40:32,319

it was just a silly joke that happened

1171

00:40:35,030 --> 00:40:33,920

on the first episode of this podcast

1172

00:40:36,230 --> 00:40:35,040

talking about like

1173

00:40:38,069 --> 00:40:36,240

we're making fun of ourselves like we

1174

00:40:39,910 --> 00:40:38,079

don't know [h\_\_h] dude we're not doctors

1175

00:40:41,510 --> 00:40:39,920

we're not like scientists

1176

00:40:43,670 --> 00:40:41,520

but we're doctors we are doctor

1177

00:40:45,990 --> 00:40:43,680

scientists and that's the same time

1178

00:40:47,030 --> 00:40:46,000

we i don't know if anybody else is

1179

00:40:49,109 --> 00:40:47,040

following the

1180

00:40:50,390 --> 00:40:49,119

the bledsoe family right now but we're

1181

00:40:52,950 --> 00:40:50,400

good friends with ryan

1182

00:40:54,150 --> 00:40:52,960

and we met chris i mean i i would love

1183

00:40:55,589 --> 00:40:54,160

to believe that we're

1184

00:40:58,069 --> 00:40:55,599

great friends i'd love to have them on

1185

00:40:59,750 --> 00:40:58,079

the show but this their family support

1186

00:41:01,190 --> 00:40:59,760

and the show just well i don't even know

1187

00:41:02,150 --> 00:41:01,200

if they listen to our show but they just

1188

00:41:03,750 --> 00:41:02,160

like us i guess

1189

00:41:06,470 --> 00:41:03,760

but yeah they're they're both wearing

1190

00:41:08,470 --> 00:41:06,480

the dr scientist shirt and that that uh

1191

00:41:10,790 --> 00:41:08,480

that article oh yeah the grant cameron

1192

00:41:14,710 --> 00:41:10,800

post yeah they're both wearing the ufo

1193

00:41:22,790 --> 00:41:20,309

hey terry oregon in the crowd

1194

00:41:23,829 --> 00:41:22,800

oh yeah bledsoe said so is the podcast

1195

00:41:27,349 --> 00:41:23,839

that ryan's putting together

1196

00:41:28,950 --> 00:41:27,359

yeah 13 days 15 days let's see so y'all

1197

00:41:30,230 --> 00:41:28,960

y'all gotta look that up oh it's gonna

1198

00:41:32,710 --> 00:41:30,240

be awesome dude i can't wait

1199

00:41:34,150 --> 00:41:32,720

i can't wait oh it's gonna be dope yeah

1200

00:41:35,430 --> 00:41:34,160

i wonder what shenanigans are going to

1201

00:41:36,950 --> 00:41:35,440

get into

1202

00:41:38,470 --> 00:41:36,960

i don't know what do you think it's

1203

00:41:39,030 --> 00:41:38,480

going to be dude like you think it's

1204

00:41:40,550 --> 00:41:39,040

going to be

1205

00:41:42,550 --> 00:41:40,560

uh pretty chill you think it's going to

1206

00:41:43,510 --> 00:41:42,560

be a little more like serious do you

1207

00:41:46,230 --> 00:41:43,520

think it's going to be

1208

00:41:47,430 --> 00:41:46,240

well based off of their artwork which is

1209

00:41:49,589 --> 00:41:47,440

looks pretty amazing

1210

00:41:51,990 --> 00:41:49,599

right i i hope that it's going to be

1211

00:41:54,950 --> 00:41:52,000

more chillaxed i think

1212

00:41:55,829 --> 00:41:54,960

up until recently i i think that the the

1213

00:41:58,309 --> 00:41:55,839

spectrum of

1214

00:42:00,309 --> 00:41:58,319

of talking about this issue has been so

1215

00:42:00,630 --> 00:42:00,319

loaded with like seriousness like oh

1216

00:42:02,550 --> 00:42:00,640

yeah

1217

00:42:04,710 --> 00:42:02,560

it's nice to take a break every now and

1218

00:42:06,630 --> 00:42:04,720

then and maybe we go too far with like

1219

00:42:08,470 --> 00:42:06,640

joking around so maybe he's gonna find a

1220

00:42:10,150 --> 00:42:08,480

little sweet spot in the middle where

1221

00:42:12,150 --> 00:42:10,160

i just appreciate his perspective on

1222

00:42:15,430 --> 00:42:12,160

like the phenomenon

1223

00:42:17,589 --> 00:42:15,440

and just consciousness well yeah i mean

1224

00:42:20,710 --> 00:42:17,599

he's lived through it he's living he's

1225

00:42:23,190 --> 00:42:20,720

got he's got experience yeah

1226

00:42:24,390 --> 00:42:23,200

so i can't wait to see what uh what

1227

00:42:26,470 --> 00:42:24,400

they're gonna

1228

00:42:28,230 --> 00:42:26,480

talk about or you know guests i would

1229

00:42:30,630 --> 00:42:28,240

just sit and just listen to ryan

1230

00:42:31,589 --> 00:42:30,640

talk yeah he's got he's got a lot of

1231

00:42:34,069 --> 00:42:31,599

cool [h\_\_\h] to say

1232

00:42:36,069 --> 00:42:34,079

yeah for sure thomas wolfe you can

1233

00:42:38,790 --> 00:42:36,079

totally be our mad scientist

1234

00:42:40,710 --> 00:42:38,800

hell yeah oh yeah you got to wear a cool

1235

00:42:42,710 --> 00:42:40,720

hat though

1236

00:42:44,390 --> 00:42:42,720

yeah mad scientists always wear cool

1237

00:42:47,190 --> 00:42:44,400

hats or you gotta have like

1238

00:42:49,030 --> 00:42:47,200

really crazy crazy hair one of the two

1239

00:42:52,150 --> 00:42:49,040

that's the only requirement or a big

1240

00:42:55,270 --> 00:42:52,160

necklace or a big necklace

1241

00:42:58,790 --> 00:42:55,280

and beetle like an egyptian ass beetle

1242

00:43:01,349 --> 00:42:58,800

oh dude dude uh gamer chris

1243

00:43:02,309 --> 00:43:01,359

what's the uh what's going on on the

1244

00:43:04,150 --> 00:43:02,319

inside dude

1245

00:43:05,430 --> 00:43:04,160

you're saying serious stuff is is is

1246

00:43:07,030 --> 00:43:05,440

getting revealed yes

1247

00:43:09,349 --> 00:43:07,040

i mean what's what's going to be what's

1248

00:43:10,710 --> 00:43:09,359

going to be coming dude yeah i mean

1249

00:43:12,550 --> 00:43:10,720

unless you're saying serious stuff is

1250

00:43:13,829 --> 00:43:12,560

getting revealed right now you're you're

1251

00:43:16,390 --> 00:43:13,839

absolutely correct

1252

00:43:17,910 --> 00:43:16,400

all right yeah i think like the the

1253

00:43:19,349 --> 00:43:17,920

commentary is what's going to be the

1254

00:43:21,589 --> 00:43:19,359

more it's like

1255

00:43:23,030 --> 00:43:21,599

it's like anything serious happens like

1256

00:43:23,750 --> 00:43:23,040

there's always going to be a meme about

1257

00:43:25,910 --> 00:43:23,760

it no matter

1258

00:43:27,510 --> 00:43:25,920

what like even snowpocalypse like that

1259

00:43:29,910 --> 00:43:27,520

was like people died

1260

00:43:31,270 --> 00:43:29,920

like people still made memes yeah i

1261

00:43:33,109 --> 00:43:31,280

don't know i mean even we make jokes

1262

00:43:37,109 --> 00:43:33,119

like the week after

1263

00:43:40,069 --> 00:43:37,119

yeah we did we did it look

1264

00:43:40,710 --> 00:43:40,079

good look oh dude hey you referenced it

1265

00:43:43,190 --> 00:43:40,720

crazy um

1266

00:43:44,309 --> 00:43:43,200

we had talked about the documentary do

1267

00:43:45,829 --> 00:43:44,319

you do you guys

1268

00:43:47,430 --> 00:43:45,839

you guys want to see a little oh a

1269

00:43:49,030 --> 00:43:47,440

little trailer that we put together for

1270

00:43:51,910 --> 00:43:49,040

who wants to see

1271

00:43:52,870 --> 00:43:51,920

the trailer for the documentary just uh

1272

00:43:57,270 --> 00:43:52,880

raise your hands

1273

00:44:00,150 --> 00:43:57,280

post post a a a hand or a

1274

00:44:01,510 --> 00:44:00,160

an eggplant or a teaser got a little

1275

00:44:03,190 --> 00:44:01,520

teaser coming out

1276

00:44:05,349 --> 00:44:03,200

the green beetle because i have it

1277

00:44:07,109 --> 00:44:05,359

pulled up what does that mean

1278

00:44:08,950 --> 00:44:07,119

what is the green cozy whoa what does

1279

00:44:09,829 --> 00:44:08,960

the green beetle mean the green beetle

1280

00:44:13,270 --> 00:44:09,839

oh

1281

00:44:17,670 --> 00:44:13,280

uh um that's beetlejuice's

1282

00:44:22,069 --> 00:44:17,680

nephew oh okay yeah i get it

1283

00:44:24,230 --> 00:44:22,079

there's no email on the site

1284

00:44:26,150 --> 00:44:24,240

but there's a contact form well there is

1285

00:44:28,069 --> 00:44:26,160

a contact foreign i'll update it right

1286

00:44:30,470 --> 00:44:28,079

now let's put it on the website

1287

00:44:31,750 --> 00:44:30,480

well but you can uh you can go to well

1288

00:44:33,670 --> 00:44:31,760

like i guess i'm just going to repeat

1289

00:44:35,670 --> 00:44:33,680

the website

1290

00:44:37,109 --> 00:44:35,680

again yeah if you if you go down to the

1291

00:44:39,190 --> 00:44:37,119

bottom

1292

00:44:41,349 --> 00:44:39,200

uh you can contact us right through

1293

00:44:44,630 --> 00:44:41,359

there ufo garage

1294

00:44:47,750 --> 00:44:44,640

pc gmail.com boom

1295

00:44:49,910 --> 00:44:47,760

updating the site live for you guys

1296

00:44:51,270 --> 00:44:49,920

there you go now you can check it out

1297

00:44:54,710 --> 00:44:51,280

that's where we'll be

1298

00:44:55,349 --> 00:44:54,720

that's where oh i'm expecting the inbox

1299

00:44:57,670 --> 00:44:55,359

to be

1300

00:44:58,470 --> 00:44:57,680

full of like eights and nines of of

1301

00:45:00,309 --> 00:44:58,480

people tonight

1302

00:45:01,670 --> 00:45:00,319

yes i would love that that would be

1303

00:45:03,750 --> 00:45:01,680

amazing and and again

1304

00:45:05,750 --> 00:45:03,760

guys no application just submit your

1305

00:45:07,030 --> 00:45:05,760

name and what your title what you want

1306

00:45:08,870 --> 00:45:07,040

your title to be

1307

00:45:11,270 --> 00:45:08,880

i mean again like our what's our yeah

1308

00:45:13,910 --> 00:45:11,280

what is our titles ours

1309

00:45:14,470 --> 00:45:13,920

i am the uh i'm the cps the chief poot

1310

00:45:17,910 --> 00:45:14,480

scientist

1311

00:45:19,030 --> 00:45:17,920

uh co-founder of to the farts academy uh

1312

00:45:20,950 --> 00:45:19,040

chief art technician

1313

00:45:23,349 --> 00:45:20,960

head of stinky poots and blast blast

1314

00:45:26,069 --> 00:45:23,359

control i'm the cfs the chief

1315

00:45:27,750 --> 00:45:26,079

fart strategist co-founder of to the

1316

00:45:30,150 --> 00:45:27,760

farts

1317

00:45:32,069 --> 00:45:30,160

chief of fart strategy head of smelly

1318

00:45:33,990 --> 00:45:32,079

farts and wafting methods

1319

00:45:35,589 --> 00:45:34,000

so i'm a little bit more on the the the

1320

00:45:37,190 --> 00:45:35,599

pr side right right

1321

00:45:39,030 --> 00:45:37,200

a little more science i kind of i kind

1322

00:45:41,589 --> 00:45:39,040

of get my hands dirtier a little bit

1323

00:45:42,309 --> 00:45:41,599

right um but you know that's why i get

1324

00:45:45,109 --> 00:45:42,319

like

1325

00:45:45,430 --> 00:45:45,119

that's why i get paid the the free bucks

1326

00:45:54,390 --> 00:45:45,440

the

1327

00:45:55,510 --> 00:45:54,400

send us a headshot and and your title of

1328

00:45:57,750 --> 00:45:55,520

what you'd like to be

1329

00:45:59,430 --> 00:45:57,760

and uh it'll it'll go up it looks like

1330

00:46:02,550 --> 00:45:59,440

we got some hands coming up

1331

00:46:03,829 --> 00:46:02,560

we'll show i don't think everybody wants

1332

00:46:04,069 --> 00:46:03,839

to see it though not everybody wants to

1333

00:46:05,990 --> 00:46:04,079

see

1334

00:46:07,910 --> 00:46:06,000

like 37 people watching there's a tom

1335

00:46:08,630 --> 00:46:07,920

brady comment everybody wants to watch

1336

00:46:10,630 --> 00:46:08,640

it actually

1337

00:46:12,470 --> 00:46:10,640

any craziness or any reference to the

1338

00:46:13,030 --> 00:46:12,480

craziness happening to the bledsoe

1339

00:46:14,950 --> 00:46:13,040

family

1340

00:46:16,870 --> 00:46:14,960

and the bledsoe quarterback getting hurt

1341

00:46:22,390 --> 00:46:16,880

in the nfl which then

1342

00:46:26,470 --> 00:46:25,190

football player like if you google yeah

1343

00:46:28,150 --> 00:46:26,480

yeah definitely

1344

00:46:30,230 --> 00:46:28,160

that's definitely a blood to a football

1345

00:46:33,829 --> 00:46:30,240

player that's a 100 percent

1346

00:46:35,030 --> 00:46:33,839

oh my god yes hell yeah gary the

1347

00:46:36,390 --> 00:46:35,040

whispers look everything

1348

00:46:37,910 --> 00:46:36,400

there's a lot of thumbs up in hands

1349

00:46:39,109 --> 00:46:37,920

let's let's show it all right let's do

1350

00:46:41,670 --> 00:46:39,119

it all right so this is

1351

00:46:43,270 --> 00:46:41,680

i mean preface this is the prop

1352

00:46:45,109 --> 00:46:43,280

documentary joe and i have been working

1353

00:46:47,510 --> 00:46:45,119

on for a little over a year

1354

00:46:49,190 --> 00:46:47,520

it started out an idea with with eric

1355

00:46:52,230 --> 00:46:49,200

mitchell he's an experiencer with a

1356

00:46:55,750 --> 00:46:52,240

really great story we met him at ufo con

1357

00:46:58,630 --> 00:46:55,760

put on by lorian fenton in 2020

1358

00:47:00,150 --> 00:46:58,640

and that was in february before the the

1359

00:47:02,150 --> 00:47:00,160

the [h\_\_\h] hit the fan

1360

00:47:04,309 --> 00:47:02,160

and i mean that was the last time i

1361

00:47:06,950 --> 00:47:04,319

really saw anybody

1362

00:47:08,309 --> 00:47:06,960

in a public setting and anyway we just

1363

00:47:09,589 --> 00:47:08,319

hit it off with eric and we started

1364

00:47:10,069 --> 00:47:09,599

talking like let's do a really long

1365

00:47:11,349 --> 00:47:10,079

podcast

1366

00:47:13,430 --> 00:47:11,359

to tell your story and then it kind of

1367

00:47:14,390 --> 00:47:13,440

snowballed oh let's start filming you

1368

00:47:16,630 --> 00:47:14,400

with our cam our

1369

00:47:18,309 --> 00:47:16,640

phone camera like oh okay and then it

1370

00:47:19,990 --> 00:47:18,319

just became this whole thing so now it's

1371

00:47:20,309 --> 00:47:20,000

it's kind of not all about eric it's

1372

00:47:23,990 --> 00:47:20,319

about

1373

00:47:27,030 --> 00:47:24,000

experiencer goes through

1374

00:47:30,309 --> 00:47:27,040

right so the the sentiment is is that

1375

00:47:32,549 --> 00:47:30,319

we are uh experiencers

1376

00:47:33,430 --> 00:47:32,559

are out there it's not it's no longer

1377

00:47:35,270 --> 00:47:33,440

you know uh

1378

00:47:37,030 --> 00:47:35,280

they are out there it's we we are out

1379

00:47:38,230 --> 00:47:37,040

there you know yeah the experience here

1380

00:47:40,870 --> 00:47:38,240

definitely it's like not

1381

00:47:42,150 --> 00:47:40,880

we're alone it's you're not alone you

1382

00:47:45,109 --> 00:47:42,160

know the experimenter

1383

00:47:46,470 --> 00:47:45,119

it's you are not alone because there are

1384

00:47:46,790 --> 00:47:46,480

millions of people that are going

1385

00:47:49,349 --> 00:47:46,800

through

1386

00:47:50,790 --> 00:47:49,359

if you're watching this the same same

1387

00:47:52,710 --> 00:47:50,800

exact thing you are

1388

00:47:55,109 --> 00:47:52,720

if you've seen something that you can't

1389

00:47:56,470 --> 00:47:55,119

explain you know the spectrum is is so

1390

00:47:57,430 --> 00:47:56,480

huge if you've seen a ghost if you'd

1391

00:48:00,150 --> 00:47:57,440

have paranormal

1392

00:48:01,589 --> 00:48:00,160

if you've had strange dreams uh i mean i

1393

00:48:03,349 --> 00:48:01,599

could go on but yeah

1394

00:48:04,950 --> 00:48:03,359

yeah we're really trying to capture what

1395

00:48:07,990 --> 00:48:04,960

an experimenter goes through

1396

00:48:09,510 --> 00:48:08,000

so yeah it's definitely different dude

1397

00:48:11,990 --> 00:48:09,520

because like

1398

00:48:13,829 --> 00:48:12,000

you guys know we're goofy bastards right

1399

00:48:15,750 --> 00:48:13,839

and but this documentary is gonna

1400

00:48:17,510 --> 00:48:15,760

get a little bit more on the serious

1401

00:48:19,510 --> 00:48:17,520

side like

1402

00:48:20,790 --> 00:48:19,520

y'all might be kind of proud of us i

1403

00:48:21,349 --> 00:48:20,800

think i think they might be kind of

1404

00:48:24,790 --> 00:48:21,359

proud

1405

00:48:28,230 --> 00:48:24,800

hey my smoking hot wife

1406

00:48:31,349 --> 00:48:28,240

is watching right now what are you

1407

00:48:33,750 --> 00:48:31,359

doing what's up baby

1408

00:48:35,190 --> 00:48:33,760

i noticed you have braces i have braces

1409

00:48:37,109 --> 00:48:35,200

too

1410

00:48:38,309 --> 00:48:37,119

okay let's let's pull it up let's pull

1411

00:48:40,309 --> 00:48:38,319

it up

1412

00:48:41,750 --> 00:48:40,319

this is another step you know it's a

1413

00:48:43,430 --> 00:48:41,760

cosmic step into

1414

00:48:45,109 --> 00:48:43,440

understanding people that have gone

1415

00:48:46,829 --> 00:48:45,119

through things that

1416

00:48:48,710 --> 00:48:46,839

yet again you couldn't possibly

1417

00:48:50,069 --> 00:48:48,720

understand

1418

00:48:53,109 --> 00:48:50,079

i don't think that it's happening to

1419

00:48:55,349 --> 00:48:53,119

everybody but as far as

1420

00:48:57,109 --> 00:48:55,359

people that have had an experience

1421

00:48:59,510 --> 00:48:57,119

whether they believe it's religious

1422

00:49:02,230 --> 00:48:59,520

or spiritual or anything like that and

1423

00:49:07,510 --> 00:49:02,240

they're trying to suppress it

1424

00:49:10,549 --> 00:49:09,430

which includes as i said harassment

1425

00:49:13,589 --> 00:49:10,559

surveillance

1426

00:49:14,950 --> 00:49:13,599

monitoring you can be reabducted

1427

00:49:16,309 --> 00:49:14,960

in other words first you have an alien

1428

00:49:17,030 --> 00:49:16,319

abduction then you have an abduction at

1429

00:49:21,030 --> 00:49:17,040

the hand of

1430

00:49:23,109 --> 00:49:21,040

humans i think it's more like

1431

00:49:24,630 --> 00:49:23,119

one million or two million people that

1432

00:49:28,710 --> 00:49:24,640

have gotten to the stage

1433

00:49:30,790 --> 00:49:28,720

where they have accepted consciously

1434

00:49:32,710 --> 00:49:30,800

what these et's have done to them to

1435

00:49:33,540 --> 00:49:32,720

alter them to be able to communicate

1436

00:49:34,870 --> 00:49:33,550

with them

1437

00:49:36,390 --> 00:49:34,880

[Music]

1438

00:49:37,430 --> 00:49:36,400

you can't tell your wife you can't tell

1439

00:49:39,190 --> 00:49:37,440

your husband you can't tell your

1440

00:49:47,270 --> 00:49:39,200

coworkers

1441

00:49:58,980 --> 00:49:55,230

[Music]

1442

00:50:09,270 --> 00:49:58,990

so

1443

00:50:13,830 --> 00:50:12,549

yeah i'm getting it

1444

00:50:18,309 --> 00:50:13,840

yeah it's just flashing

1445

00:50:21,510 --> 00:50:18,319

[Applause]

1446

00:50:23,430 --> 00:50:21,520

um what do you think

1447

00:50:24,549 --> 00:50:23,440

well i i think oh you've seen it i think

1448

00:50:26,150 --> 00:50:24,559

it's pretty good

1449

00:50:28,470 --> 00:50:26,160

yeah i mean i don't know how the

1450

00:50:28,790 --> 00:50:28,480

streaming works if it even looked good

1451

00:50:31,270 --> 00:50:28,800

but

1452

00:50:33,510 --> 00:50:31,280

we'll we're going to post it soon so if

1453

00:50:34,069 --> 00:50:33,520

it was a little choppy i apologize but

1454

00:50:35,829 --> 00:50:34,079

uh

1455

00:50:38,069 --> 00:50:35,839

we'll we'll post it soon we just got to

1456

00:50:39,990 --> 00:50:38,079

get through a couple of logistics

1457

00:50:42,870 --> 00:50:40,000

uh and we do we've never done this

1458

00:50:45,990 --> 00:50:42,880

before this documentary stuff like

1459

00:50:48,870 --> 00:50:46,000

we actually had uh an investor

1460

00:50:49,510 --> 00:50:48,880

uh slash project partner nico come in

1461

00:50:51,510 --> 00:50:49,520

and say

1462

00:50:52,549 --> 00:50:51,520

guys this is this is something that you

1463

00:50:54,710 --> 00:50:52,559

know he he's

1464

00:50:56,390 --> 00:50:54,720

he was interested in it and then i we

1465

00:50:57,750 --> 00:50:56,400

told him about the project and he was

1466

00:50:59,670 --> 00:50:57,760

like

1467

00:51:01,349 --> 00:50:59,680

[h\_\_\h] yeah let's do this and he does this

1468

00:51:02,950 --> 00:51:01,359

for a living so he came in with all his

1469

00:51:04,630 --> 00:51:02,960

awesome equipment and

1470

00:51:05,990 --> 00:51:04,640

i think it's going to look pro you guys

1471

00:51:07,829 --> 00:51:06,000

yeah this was literally going to be

1472

00:51:08,150 --> 00:51:07,839

something done with like an iphone and

1473

00:51:12,309 --> 00:51:08,160

just

1474

00:51:15,270 --> 00:51:12,319

something really simple

1475

00:51:15,990 --> 00:51:15,280

uh and it's turned into something pretty

1476

00:51:18,069 --> 00:51:16,000

awesome

1477

00:51:19,109 --> 00:51:18,079

so i'm pretty excited man i'm pretty

1478

00:51:21,030 --> 00:51:19,119

excited about it

1479

00:51:22,309 --> 00:51:21,040

so i'm excited to show everybody out

1480

00:51:24,950 --> 00:51:22,319

there oh

1481

00:51:26,150 --> 00:51:24,960

cozy whoa you can definitely send us a

1482

00:51:28,950 --> 00:51:26,160

ufo clip

1483

00:51:30,390 --> 00:51:28,960

absolutely that'd be super dope yes dude

1484

00:51:32,710 --> 00:51:30,400

remember the video

1485

00:51:34,549 --> 00:51:32,720

that melinda leslie showed us with that

1486

00:51:36,870 --> 00:51:34,559

horseshoe shaped craft

1487

00:51:39,750 --> 00:51:36,880

through the night vision and then the

1488

00:51:40,309 --> 00:51:39,760

f-18s come in like out of like out of

1489

00:51:43,589 --> 00:51:40,319

frame

1490

00:51:46,470 --> 00:51:43,599

on both sides and that thing just hauls

1491

00:51:47,910 --> 00:51:46,480

ass and they're like screaming through

1492

00:51:49,910 --> 00:51:47,920

the air and it's just

1493

00:51:51,510 --> 00:51:49,920

it's just like [h\_\_\h] with them it's

1494

00:51:53,750 --> 00:51:51,520

just slowly

1495

00:51:55,750 --> 00:51:53,760

like yeah they're all losing ground on

1496

00:51:58,390 --> 00:51:55,760

it that was insane

1497

00:51:59,990 --> 00:51:58,400

dude yeah i i really would love to put

1498

00:52:01,109 --> 00:52:00,000

that in the documentary i mean i don't

1499

00:52:03,190 --> 00:52:01,119

know how much

1500

00:52:04,790 --> 00:52:03,200

relevant if it's even relevant to the

1501  
00:52:06,150 --> 00:52:04,800  
story i mean we're not trying to put out

1502  
00:52:08,630 --> 00:52:06,160  
something that's like hey

1503  
00:52:09,670 --> 00:52:08,640  
we're trying to prove it we're not yeah

1504  
00:52:11,430 --> 00:52:09,680  
we're trying to

1505  
00:52:13,510 --> 00:52:11,440  
back up some of these we're just we're

1506  
00:52:15,430 --> 00:52:13,520  
just trying to share

1507  
00:52:17,670 --> 00:52:15,440  
people's experiences we're trying to

1508  
00:52:20,630 --> 00:52:17,680  
show people that uh

1509  
00:52:22,069 --> 00:52:20,640  
you know one they're not alone two that

1510  
00:52:24,150 --> 00:52:22,079  
this stuff is happening

1511  
00:52:25,349 --> 00:52:24,160  
yeah and like for me it's always been

1512  
00:52:27,430 --> 00:52:25,359  
like well how many people

1513  
00:52:29,349 --> 00:52:27,440

have to say the same thing before

1514

00:52:31,910 --> 00:52:29,359

they're not all crazy anymore

1515

00:52:33,430 --> 00:52:31,920

you know yeah yeah that's that's the

1516

00:52:34,630 --> 00:52:33,440

that's the goal we're not we're not here

1517

00:52:35,030 --> 00:52:34,640

to say like hey look at all these cool

1518

00:52:38,230 --> 00:52:35,040

vid

1519

00:52:40,230 --> 00:52:38,240

that's already

1520

00:52:42,630 --> 00:52:40,240

you can look elsewhere for that the the

1521

00:52:45,349 --> 00:52:42,640

point of this project is to

1522

00:52:46,150 --> 00:52:45,359

exactly what you said is is to reach

1523

00:52:48,790 --> 00:52:46,160

that person

1524

00:52:49,430 --> 00:52:48,800

that has had an experience right and to

1525

00:52:52,549 --> 00:52:49,440

say

1526

00:52:56,069 --> 00:52:52,559

dude like you're not crazy yeah

1527

00:52:58,390 --> 00:52:56,079

this happens all the time yeah yeah

1528

00:52:59,670 --> 00:52:58,400

and you know you hear so many things

1529

00:53:01,589 --> 00:52:59,680

about like

1530

00:53:03,589 --> 00:53:01,599

just people who can't take it people who

1531

00:53:04,950 --> 00:53:03,599

don't have anybody to talk to about it

1532

00:53:06,790 --> 00:53:04,960

or like reach out to

1533

00:53:08,150 --> 00:53:06,800

about it and we're hoping that this will

1534

00:53:09,829 --> 00:53:08,160

reach some of those people that are

1535

00:53:11,829 --> 00:53:09,839

having a really hard time

1536

00:53:13,990 --> 00:53:11,839

and they'll understand that hey there's

1537

00:53:17,030 --> 00:53:14,000

an entire community of people just like

1538

00:53:19,349 --> 00:53:17,040

you we love you and

1539

00:53:20,390 --> 00:53:19,359

and there's always somebody to talk to

1540

00:53:23,190 --> 00:53:20,400

if you need some help

1541

00:53:26,150 --> 00:53:23,200

reach out you know like we if you want

1542

00:53:28,790 --> 00:53:26,160

to tell your story on the podcast

1543

00:53:30,470 --> 00:53:28,800

we're not psychologists um or anything

1544

00:53:32,470 --> 00:53:30,480

like that and we're not even gonna

1545

00:53:34,870 --> 00:53:32,480

attempt to try and give you like some

1546

00:53:36,549 --> 00:53:34,880

mental health advice whatsoever

1547

00:53:38,470 --> 00:53:36,559

but we could definitely point you in the

1548

00:53:39,829 --> 00:53:38,480

direction of somebody who might be able

1549

00:53:42,069 --> 00:53:39,839

to help you a little bit

1550

00:53:44,630 --> 00:53:42,079

yeah um we don't we we are definitely

1551

00:53:47,829 --> 00:53:44,640

not uh uh

1552

00:53:51,190 --> 00:53:47,839

that's not our uh jurisdiction

1553

00:53:53,510 --> 00:53:51,200

there's definitely people that that uh

1554

00:53:55,990 --> 00:53:53,520

are eric mitchell i mean he he's on the

1555

00:53:59,109 --> 00:53:56,000

phone all day with experiences

1556

00:53:59,829 --> 00:53:59,119

and they just need experiences just need

1557

00:54:01,829 --> 00:53:59,839

some money to

1558

00:54:03,510 --> 00:54:01,839

to say hey this is what happened to me

1559

00:54:05,349 --> 00:54:03,520

am i crazy what do you think i should do

1560

00:54:07,270 --> 00:54:05,359

and eric i think is is really good at

1561

00:54:08,870 --> 00:54:07,280

what he does and he he doesn't get paid

1562

00:54:10,870 --> 00:54:08,880

for it i mean he just

1563

00:54:12,230 --> 00:54:10,880

he spends a lot of his time on the phone

1564

00:54:13,589 --> 00:54:12,240

i mean we witnessed it when we were

1565

00:54:16,069 --> 00:54:13,599

shooting the documentary

1566

00:54:17,430 --> 00:54:16,079

of him just i mean the guy gets gives up

1567

00:54:20,309 --> 00:54:17,440

so much of his

1568

00:54:21,750 --> 00:54:20,319

personal time to to talk and help people

1569

00:54:23,349 --> 00:54:21,760

and there's other people that do that as

1570

00:54:24,230 --> 00:54:23,359

well i know lorian finton also is on the

1571

00:54:27,270 --> 00:54:24,240

phone a lot with

1572

00:54:30,150 --> 00:54:27,280

with experiencers and kind of you know

1573

00:54:31,670 --> 00:54:30,160

talking amount of dark stuff man because

1574

00:54:33,270 --> 00:54:31,680

this thing can get pretty dark

1575

00:54:34,790 --> 00:54:33,280

especially if you feel like you can't

1576

00:54:37,589 --> 00:54:34,800

tell any or talk about it

1577

00:54:39,030 --> 00:54:37,599

absolutely man absolutely it's tough i

1578

00:54:41,030 --> 00:54:39,040

mean

1579

00:54:42,069 --> 00:54:41,040

we've seen a couple like pretty pretty

1580

00:54:44,549 --> 00:54:42,079

crazy things

1581

00:54:46,390 --> 00:54:44,559

right but nowhere near to like having

1582

00:54:48,549 --> 00:54:46,400

like an actual like abductions

1583

00:54:51,190 --> 00:54:48,559

experience or or something like that

1584

00:54:52,789 --> 00:54:51,200

right and and like it

1585

00:54:55,270 --> 00:54:52,799

it seems like it's being broken down

1586

00:54:57,349 --> 00:54:55,280

into like a like the experienter

1587

00:54:59,430 --> 00:54:57,359

i guess technically we would be

1588

00:54:59,829 --> 00:54:59,440

considered experiencers right because

1589

00:55:03,030 --> 00:54:59,839

like

1590

00:55:04,230 --> 00:55:03,040

we've experienced some pretty wild stuff

1591

00:55:06,150 --> 00:55:04,240

if you've experienced something that you

1592

00:55:08,870 --> 00:55:06,160

can't explain you're an experimenter

1593

00:55:11,030 --> 00:55:08,880

right right and if you've you know

1594

00:55:12,630 --> 00:55:11,040

the difference in an experimenter and a

1595

00:55:14,950 --> 00:55:12,640

contactee

1596

00:55:16,390 --> 00:55:14,960

being actually contacted you know like

1597

00:55:17,190 --> 00:55:16,400

seems to be there seems to be like a

1598

00:55:18,950 --> 00:55:17,200

difference there

1599

00:55:21,030 --> 00:55:18,960

yeah and uh there's a difference oh

1600

00:55:21,990 --> 00:55:21,040

looks like cozy uh sent us an email dude

1601  
00:55:24,789 --> 00:55:22,000  
check email

1602  
00:55:27,910 --> 00:55:24,799  
oh my gosh yes all right i'm not gonna

1603  
00:55:27,920 --> 00:55:32,789  
we won't we won't share your email dude

1604  
00:55:36,230 --> 00:55:34,549  
good comments tonight guys thanks for

1605  
00:55:39,510 --> 00:55:36,240  
hanging out with us i got

1606  
00:55:42,470 --> 00:55:39,520  
it cozy whoa hell yeah first

1607  
00:55:43,670 --> 00:55:42,480  
application oh snap or no i don't think

1608  
00:55:45,030 --> 00:55:43,680  
is an application for

1609  
00:55:46,710 --> 00:55:45,040  
to the parts this is a different video

1610  
00:55:47,750 --> 00:55:46,720  
okay cool dude we're gonna watch it i

1611  
00:55:51,190 --> 00:55:47,760  
mean

1612  
00:55:51,990 --> 00:55:51,200  
maybe off air and make sure it's cool to

1613  
00:55:54,150 --> 00:55:52,000

show on the show

1614

00:55:55,670 --> 00:55:54,160

and everything but it does say not my

1615

00:55:58,309 --> 00:55:55,680

clip but it's insane

1616

00:56:03,070 --> 00:55:58,319

oh okay guys so yeah we could probably

1617

00:56:06,150 --> 00:56:03,080

show how long is it

1618

00:56:11,430 --> 00:56:09,190

five minutes five minutes oh [h\_\_\h] okay

1619

00:56:13,109 --> 00:56:11,440

okay we'll get we'll circle back we'll

1620

00:56:16,390 --> 00:56:13,119

circle back yeah i have to pee

1621

00:56:19,829 --> 00:56:16,400

you gotta pee yeah go for it dude

1622

00:56:25,190 --> 00:56:19,839

go for it go for it man

1623

00:56:31,510 --> 00:56:28,710

let's see here yeah dude uh

1624

00:56:33,030 --> 00:56:31,520

yeah scott uh you remain a skeptical

1625

00:56:35,349 --> 00:56:33,040

witness

1626  
00:56:36,630 --> 00:56:35,359  
i mean there's yeah i mean that's that's

1627  
00:56:38,950 --> 00:56:36,640  
healthy i mean like

1628  
00:56:40,789 --> 00:56:38,960  
you you seeing something that like it's

1629  
00:56:42,390 --> 00:56:40,799  
like what the hell is that like you

1630  
00:56:44,309 --> 00:56:42,400  
can't even register it right like

1631  
00:56:47,589 --> 00:56:44,319  
sometimes you see [h\_\_h] and

1632  
00:56:49,990 --> 00:56:47,599  
just in your mind it's not like

1633  
00:56:51,829 --> 00:56:50,000  
able to process it so you go through

1634  
00:56:53,589 --> 00:56:51,839  
like it seems like any time

1635  
00:56:55,750 --> 00:56:53,599  
people have these encounters or these

1636  
00:56:58,789 --> 00:56:55,760  
contacts or they see something

1637  
00:57:02,150 --> 00:56:58,799  
it seems like their brain goes to

1638  
00:57:04,069 --> 00:57:02,160

okay i'm gonna think of 20 different

1639

00:57:07,190 --> 00:57:04,079

things that it definitely

1640

00:57:09,750 --> 00:57:07,200

could be but internally like

1641

00:57:10,549 --> 00:57:09,760

because even for me like when i saw dude

1642

00:57:14,069 --> 00:57:10,559

it was like this

1643

00:57:16,309 --> 00:57:14,079

massive like like if i held my my hand

1644

00:57:18,470 --> 00:57:16,319

out and put my thumb up it was like

1645

00:57:20,309 --> 00:57:18,480

kind of like it was bigger than my thumb

1646

00:57:23,349 --> 00:57:20,319

but it was like maybe

1647

00:57:24,069 --> 00:57:23,359

two telephone poles high it seemed like

1648

00:57:26,470 --> 00:57:24,079

it was like

1649

00:57:29,270 --> 00:57:26,480

way closer than it should be and it was

1650

00:57:33,190 --> 00:57:31,589

pretty quick but slow like as low as it

1651  
00:57:34,950 --> 00:57:33,200  
was to the ground like it was move it

1652  
00:57:35,990 --> 00:57:34,960  
seemed to be moving like slower than it

1653  
00:57:39,430 --> 00:57:36,000  
should be and it was so

1654  
00:57:41,829 --> 00:57:39,440  
smooth and just like fluid dude like

1655  
00:57:43,109 --> 00:57:41,839  
and in my head i'm like oh satellite

1656  
00:57:45,349 --> 00:57:43,119  
right but like

1657  
00:57:47,270 --> 00:57:45,359  
dude that's not a satellite that comes

1658  
00:57:49,109 --> 00:57:47,280  
down that low i'm thinking airplane it's

1659  
00:57:49,990 --> 00:57:49,119  
got to be some kind of quiet airplane

1660  
00:57:51,829 --> 00:57:50,000  
but like dude

1661  
00:57:53,430 --> 00:57:51,839  
even then like i didn't hear any noise

1662  
00:57:54,870 --> 00:57:53,440  
like there's a million things that went

1663  
00:57:56,789 --> 00:57:54,880

through my head on like what it could be

1664

00:57:58,710 --> 00:57:56,799

i was like maybe it was a bird

1665

00:58:00,710 --> 00:57:58,720

and the sun was reflecting on the back

1666

00:58:01,430 --> 00:58:00,720

side of the earth and it like ricocheted

1667

00:58:04,470 --> 00:58:01,440

down

1668

00:58:05,910 --> 00:58:04,480

into like whatever like you know massive

1669

00:58:07,589 --> 00:58:05,920

bug like there was a like

1670

00:58:09,829 --> 00:58:07,599

a light post there but like dude this

1671

00:58:11,430 --> 00:58:09,839

thing was just insane like

1672

00:58:13,750 --> 00:58:11,440

i don't know i don't know i don't even

1673

00:58:14,470 --> 00:58:13,760

know what to like how to explain it dude

1674

00:58:17,829 --> 00:58:14,480

it is just

1675

00:58:20,309 --> 00:58:17,839

it was wild it was wild uh

1676

00:58:22,390 --> 00:58:20,319

the first night in sedona when we saw

1677

00:58:24,549 --> 00:58:22,400

the iss that was

1678

00:58:26,470 --> 00:58:24,559

i mean i was freaking out and i brought

1679

00:58:27,589 --> 00:58:26,480

you out there and immediately you said

1680

00:58:30,789 --> 00:58:27,599

it's the iss

1681

00:58:32,630 --> 00:58:30,799

and then you looked it up on your app so

1682

00:58:34,710 --> 00:58:32,640

and you confirmed that it was the iss

1683

00:58:35,589 --> 00:58:34,720

international space station i mean this

1684

00:58:38,470 --> 00:58:35,599

thing was so

1685

00:58:40,630 --> 00:58:38,480

[h\_\_\h] bright but also i could see like

1686

00:58:41,990 --> 00:58:40,640

the halo of light it was like the corona

1687

00:58:45,349 --> 00:58:42,000

of light around it

1688

00:58:48,549 --> 00:58:45,359

you know uh i knew that it was

1689

00:58:49,589 --> 00:58:48,559

it was some type of either reflection or

1690

00:58:51,430 --> 00:58:49,599

or bright light

1691

00:58:53,510 --> 00:58:51,440

it was just kind of cool and it was like

1692

00:58:56,150 --> 00:58:53,520

our first night in sedona you know

1693

00:58:57,349 --> 00:58:56,160

but that also the reason why i'm

1694

00:59:00,789 --> 00:58:57,359

bringing that up is that it

1695

00:59:02,390 --> 00:59:00,799

it backs up my belief and trust that you

1696

00:59:04,789 --> 00:59:02,400

know the difference between

1697

00:59:06,230 --> 00:59:04,799

the iss and what you saw that night

1698

00:59:07,349 --> 00:59:06,240

because you immediately were like nope

1699

00:59:10,870 --> 00:59:07,359

that's not what i

1700

00:59:12,950 --> 00:59:10,880

even though like

1701  
00:59:14,309 --> 00:59:12,960  
we were out in the middle of nowhere

1702  
00:59:17,270 --> 00:59:14,319  
sedona

1703  
00:59:19,510 --> 00:59:17,280  
all the style stars were just bumping

1704  
00:59:20,549 --> 00:59:19,520  
that night i mean like you can see it

1705  
00:59:23,510 --> 00:59:20,559  
and it looks

1706  
00:59:25,190 --> 00:59:23,520  
it looks bigger and brighter there than

1707  
00:59:28,870 --> 00:59:25,200  
it does downtown austin

1708  
00:59:31,430 --> 00:59:28,880  
right yeah and even though we could see

1709  
00:59:34,150 --> 00:59:31,440  
it that clearly and it looked that big

1710  
00:59:35,109 --> 00:59:34,160  
what i saw was not that right right it

1711  
00:59:38,870 --> 00:59:35,119  
was like

1712  
00:59:41,030 --> 00:59:38,880  
yeah dude it's pretty wild yeah also uh

1713  
00:59:43,430 --> 00:59:41,040

lou from unidentified celebrity review

1714

00:59:45,829 --> 00:59:43,440

uh so i sent him a shirt dude

1715

00:59:48,069 --> 00:59:45,839

she's got my shirt in the mail hell yeah

1716

00:59:48,710 --> 00:59:48,079

unboxing tomorrow hell yeah dude that's

1717

00:59:52,710 --> 00:59:48,720

what's up

1718

00:59:54,309 --> 00:59:52,720

rebranding is doped it didn't totally

1719

00:59:56,390 --> 00:59:54,319

inspire me to like kick it into high

1720

00:59:58,150 --> 00:59:56,400

gear like try to like

1721

00:59:59,589 --> 00:59:58,160

up our game so so yeah thanks for the

1722

01:00:03,109 --> 00:59:59,599

inspiration bro

1723

01:00:05,270 --> 01:00:03,119

yeah the uh the the shirt man

1724

01:00:07,030 --> 01:00:05,280

we i i kind of felt fell behind like we

1725

01:00:07,829 --> 01:00:07,040

had so many guests that we needed to

1726

01:00:10,390 --> 01:00:07,839

send the show

1727

01:00:10,950 --> 01:00:10,400

so lu uh lou elizondo is actually next

1728

01:00:12,470 --> 01:00:10,960

but i

1729

01:00:14,309 --> 01:00:12,480

i don't know i feel kind of weird asking

1730

01:00:15,670 --> 01:00:14,319

for the guy like hey where should i sit

1731

01:00:17,829 --> 01:00:15,680

here what's your address what's your

1732

01:00:19,670 --> 01:00:17,839

[h\_\_\h] like the way he's gonna give you

1733

01:00:20,950 --> 01:00:19,680

an address well dude be like remember

1734

01:00:22,630 --> 01:00:20,960

that one time when you were on the show

1735

01:00:24,549 --> 01:00:22,640

and you invited us to go to your house

1736

01:00:26,150 --> 01:00:24,559

he did invite us to come over we gotta

1737

01:00:27,430 --> 01:00:26,160

know what your address is to get there

1738

01:00:29,589 --> 01:00:27,440

dude unless

1739

01:00:31,510 --> 01:00:29,599

what he does is he gives us an address

1740

01:00:34,150 --> 01:00:31,520

that's 20 miles from his house

1741

01:00:35,990 --> 01:00:34,160

we go to that address and then like

1742

01:00:38,230 --> 01:00:36,000

three guys get out of an suv

1743

01:00:39,750 --> 01:00:38,240

put bags over our heads and duct tape it

1744

01:00:41,030 --> 01:00:39,760

around our throats and drive us to

1745

01:00:43,030 --> 01:00:41,040

louisando's house

1746

01:00:45,270 --> 01:00:43,040

and they turn our phones off so it won't

1747

01:00:47,109 --> 01:00:45,280

like track the gps and map out where he

1748

01:00:48,630 --> 01:00:47,119

lives

1749

01:00:49,910 --> 01:00:48,640

and then they pull the bags off of our

1750

01:00:51,510 --> 01:00:49,920

heads and we're duct taped to some

1751

01:00:52,870 --> 01:00:51,520

chairs and he's like hey what's up guys

1752

01:00:54,549 --> 01:00:52,880

and then they untie us and we start

1753

01:00:55,030 --> 01:00:54,559

drinking beer and [\h\_\_\h] jam with tom

1754

01:00:56,870 --> 01:00:55,040

delong

1755

01:00:59,190 --> 01:00:56,880

and him on the drums and me on the bass

1756

01:01:01,270 --> 01:00:59,200

and you on the uh on the vocals dude i

1757

01:01:04,390 --> 01:01:01,280

think you subscribed

1758

01:01:05,750 --> 01:01:04,400

my dream i would

1759

01:01:10,390 --> 01:01:05,760

what if we what if we woke up and we

1760

01:01:12,630 --> 01:01:10,400

were inside of a chuck e cheese

1761

01:01:14,549 --> 01:01:12,640

but i like the other i like your version

1762

01:01:16,630 --> 01:01:14,559

what if what if one of the first thing

1763

01:01:18,309 --> 01:01:16,640

that lou says is uh

1764

01:01:21,670 --> 01:01:18,319

why'd you guys [h\_\_h] in the back of their

1765

01:01:27,430 --> 01:01:21,680

suv like we were scared

1766

01:01:29,829 --> 01:01:27,440

it was the scary i was so scared

1767

01:01:32,069 --> 01:01:29,839

but like you guys that's how you tricked

1768

01:01:33,670 --> 01:01:32,079

us bro

1769

01:01:36,150 --> 01:01:33,680

we're all yelling at this i told you it

1770

01:01:47,910 --> 01:01:36,160

was fine we're like man

1771

01:01:51,430 --> 01:01:49,349

reality we like we weren't even duct

1772

01:01:54,309 --> 01:01:51,440

taped like it was just like a very nice

1773

01:01:55,829 --> 01:01:54,319

friendly interaction but like we just

1774

01:01:59,910 --> 01:01:55,839

made it up in our heads like

1775

01:02:03,109 --> 01:01:59,920

ooh it was intense yeah oh my gosh

1776

01:02:06,230 --> 01:02:03,119

it show up with like dr pepper

1777

01:02:09,349 --> 01:02:06,240

do we we have to we that says

1778

01:02:10,789 --> 01:02:09,359

smoking tabby yeah i mean

1779

01:02:12,630 --> 01:02:10,799

we could break out the smoke if we

1780

01:02:14,710 --> 01:02:12,640

wanted to i mean we could just

1781

01:02:16,789 --> 01:02:14,720

be careful because the exacto blades in

1782

01:02:18,829 --> 01:02:16,799

the same little holder

1783

01:02:19,990 --> 01:02:18,839

i'm surprised you didn't cut yourself

1784

01:02:21,670 --> 01:02:20,000

that

1785

01:02:23,910 --> 01:02:21,680

because i have a little little vape pen

1786

01:02:26,549 --> 01:02:23,920

in the same little compartment

1787

01:02:28,789 --> 01:02:26,559

that might that my craft supplies are in

1788

01:02:32,309 --> 01:02:28,799

the calluses on my hands

1789

01:02:35,990 --> 01:02:32,319

do you remember uh you remember uh uh

1790

01:02:38,630 --> 01:02:36,000

uh it what's it called um

1791

01:02:39,190 --> 01:02:38,640

fan tate not fantasizing damn it uh

1792

01:02:44,549 --> 01:02:39,200

bears

1793

01:02:46,230 --> 01:02:44,559

wearing embarrassing nope he's all like

1794

01:02:47,829 --> 01:02:46,240

a dream

1795

01:02:49,670 --> 01:02:47,839

never ending story never ending story

1796

01:02:50,710 --> 01:02:49,680

thank you yeah when the rock guy is in

1797

01:02:53,829 --> 01:02:50,720

there he's like

1798

01:02:56,950 --> 01:02:53,839

slipped from my hands oh it's so sad

1799

01:03:02,309 --> 01:02:56,960

i hate that scene my

1800

01:03:04,069 --> 01:03:02,319

big strong hand

1801  
01:03:05,990 --> 01:03:04,079  
dude that whole movie is so depressing

1802  
01:03:08,309 --> 01:03:06,000  
bro i mean i love it but it's still

1803  
01:03:09,670 --> 01:03:08,319  
it's depressing like every they it's one

1804  
01:03:11,829 --> 01:03:09,680  
of those those feelings like oh this

1805  
01:03:12,789 --> 01:03:11,839  
once was like a really magical fun place

1806  
01:03:14,870 --> 01:03:12,799  
and

1807  
01:03:17,029 --> 01:03:14,880  
the whole movie is like yeah but it was

1808  
01:03:18,710 --> 01:03:17,039  
way cooler it's like moving to austin

1809  
01:03:22,230 --> 01:03:18,720  
everybody you meet it's like yeah but it

1810  
01:03:24,630 --> 01:03:22,240  
was way cooler like 10 years ago dude

1811  
01:03:26,230 --> 01:03:24,640  
you're a little late yeah yeah people

1812  
01:03:27,910 --> 01:03:26,240  
were like this place is awesome

1813  
01:03:29,750 --> 01:03:27,920

it was way better when you weren't here

1814

01:03:31,750 --> 01:03:29,760

i promise you

1815

01:03:34,230 --> 01:03:31,760

whenever like now everybody has a really

1816

01:03:38,150 --> 01:03:34,240

fast snail

1817

01:03:39,910 --> 01:03:38,160

damn dude yeah dude

1818

01:03:41,510 --> 01:03:39,920

that was kind of sad bro like going to

1819

01:03:43,670 --> 01:03:41,520

sedona and

1820

01:03:44,870 --> 01:03:43,680

and hearing the homies talk about it and

1821

01:03:47,190 --> 01:03:44,880

like then like

1822

01:03:49,190 --> 01:03:47,200

seeing it too like it used to just kind

1823

01:03:52,950 --> 01:03:49,200

of be like this wacky like

1824

01:03:54,789 --> 01:03:52,960

new age like native american-y

1825

01:03:56,789 --> 01:03:54,799

place where like only a few people were

1826

01:03:59,910 --> 01:03:56,799

they made like hollywood movies and [h\_\_h]

1827

01:04:00,309 --> 01:03:59,920

you know the first time we went is that

1828

01:04:02,150 --> 01:04:00,319

oh

1829

01:04:03,589 --> 01:04:02,160

no sorry i'm talking attention i can't

1830

01:04:05,190 --> 01:04:03,599

do two things i'm just talking about

1831

01:04:05,670 --> 01:04:05,200

like in general like the way like you

1832

01:04:07,589 --> 01:04:05,680

know

1833

01:04:09,670 --> 01:04:07,599

the way that they talk about how sedona

1834

01:04:11,270 --> 01:04:09,680

used to be the same way we talk about

1835

01:04:13,270 --> 01:04:11,280

how austin used to be

1836

01:04:14,950 --> 01:04:13,280

right and like now like we went to

1837

01:04:17,270 --> 01:04:14,960

sedona and like in these like

1838

01:04:19,109 --> 01:04:17,280

super remote areas like in the middle of

1839

01:04:21,190 --> 01:04:19,119

[h\_\_\h] nowhere like there's like 10

1840

01:04:23,430 --> 01:04:21,200

vans just parked on the side of the road

1841

01:04:24,230 --> 01:04:23,440

camping and it's like oh it's such a

1842

01:04:27,829 --> 01:04:24,240

bummer

1843

01:04:29,670 --> 01:04:27,839

it is uh i wish that it was so hard to

1844

01:04:31,829 --> 01:04:29,680

keep a place like that secret

1845

01:04:32,870 --> 01:04:31,839

for for too long i mean graham our

1846

01:04:35,589 --> 01:04:32,880

camera op was

1847

01:04:36,390 --> 01:04:35,599

was he and his buddy were kind of

1848

01:04:39,750 --> 01:04:36,400

complaining

1849

01:04:41,430 --> 01:04:39,760

i get the sentiment like oh i do too

1850

01:04:42,950 --> 01:04:41,440

cause i remember like you used to be

1851

01:04:46,069 --> 01:04:42,960

able to go to barton springs

1852

01:04:46,789 --> 01:04:46,079

and walk down that trail and not see one

1853

01:04:48,309 --> 01:04:46,799

person

1854

01:04:49,910 --> 01:04:48,319

you know or out on the green belt and

1855

01:04:51,589 --> 01:04:49,920

not see one person all day

1856

01:04:53,430 --> 01:04:51,599

yes you could go out there drink your

1857

01:04:55,190 --> 01:04:53,440

beers smoke your doobies

1858

01:04:57,349 --> 01:04:55,200

get naked if you wanted to take your

1859

01:04:59,109 --> 01:04:57,359

hands off now you you walk down there

1860

01:05:00,630 --> 01:04:59,119

you spark your doobie and there's 20

1861

01:05:01,589 --> 01:05:00,640

people coming out of the [h\_\_h] woods

1862

01:05:03,510 --> 01:05:01,599

be like

1863

01:05:04,630 --> 01:05:03,520

hey do you have a lighter look you got a

1864

01:05:07,589 --> 01:05:04,640

lighter lighter

1865

01:05:08,309 --> 01:05:07,599

you don't have an extra beer right now

1866

01:05:09,829 --> 01:05:08,319

dude i would

1867

01:05:11,349 --> 01:05:09,839

i normally never do this but like can i

1868

01:05:12,710 --> 01:05:11,359

borrow your lighter yeah and then you

1869

01:05:13,349 --> 01:05:12,720

give them the lighter like also gonna

1870

01:05:16,230 --> 01:05:13,359

have a cigarette

1871

01:05:16,789 --> 01:05:16,240

butt smoke off you and then there's just

1872

01:05:23,910 --> 01:05:16,799

like

1873

01:05:25,910 --> 01:05:23,920

early 20s they make that high squeal

1874

01:05:26,950 --> 01:05:25,920

[h\_\_\h] like thing that they do like

1875

01:05:28,710 --> 01:05:26,960

when they see each other

1876

01:05:30,390 --> 01:05:28,720

yes even though like they just saw each

1877

01:05:30,950 --> 01:05:30,400

other like they still do that when they

1878

01:05:33,029 --> 01:05:30,960

like meet

1879

01:05:34,390 --> 01:05:33,039

and like people all down all down the

1880

01:05:35,589 --> 01:05:34,400

green belt dude you just hear these

1881

01:05:37,910 --> 01:05:35,599

squeals and like

1882

01:05:39,750 --> 01:05:37,920

bros asking for lighters and smokes and

1883

01:05:41,589 --> 01:05:39,760

[h\_\_\h] it's so annoying

1884

01:05:43,910 --> 01:05:41,599

would you take like mopac over here yeah

1885

01:05:45,990 --> 01:05:43,920

hello know that no [h\_\_\h]

1886

01:05:48,390 --> 01:05:46,000

oh dude i was in like west campus like

1887

01:05:51,510 --> 01:05:48,400

two days ago

1888

01:05:54,710 --> 01:05:51,520

how long did you stand in line oh [ʰ\_\_ʰ]

1889

01:05:58,230 --> 01:05:54,720

dude pluckers is like do cain and abes

1890

01:05:59,510 --> 01:05:58,240

not the same dude not the song

1891

01:06:01,430 --> 01:05:59,520

they're talking about bars that were

1892

01:06:02,789 --> 01:06:01,440

there two years ago they like freshly

1893

01:06:04,549 --> 01:06:02,799

opened up and then shut down they're

1894

01:06:04,950 --> 01:06:04,559

like man remember when that bar was

1895

01:06:06,630 --> 01:06:04,960

there

1896

01:06:08,309 --> 01:06:06,640

you're like i don't even remember when

1897

01:06:10,390 --> 01:06:08,319

that bar was [ʰ\_\_ʰ]

1898

01:06:12,390 --> 01:06:10,400

built i even know that that place

1899

01:06:16,630 --> 01:06:12,400

existed because it took the place of my

1900

01:06:25,190 --> 01:06:18,710

ben asks uh would you rather be tickled

1901

01:06:28,870 --> 01:06:27,109

is it is it like is it like a like an

1902

01:06:31,510 --> 01:06:28,880

intense tickle is it like

1903

01:06:36,069 --> 01:06:31,520

i i'm gonna like i don't know why you

1904

01:06:39,670 --> 01:06:38,309

give up the secrets tell us the secret

1905

01:06:41,910 --> 01:06:39,680

space workout

1906

01:06:43,109 --> 01:06:41,920

or is it like could you go check it got

1907

01:06:47,029 --> 01:06:43,119

you

1908

01:06:49,589 --> 01:06:47,039

fun fact is it like it's one fun fact

1909

01:06:52,950 --> 01:06:49,599

it is one of the most intense uh methods

1910

01:06:55,270 --> 01:06:52,960

used at guantanamo bay

1911

01:06:56,069 --> 01:06:55,280

really yeah tickling what kind of like

1912

01:06:58,549 --> 01:06:56,079

intensity

1913

01:06:59,750 --> 01:06:58,559

we're talking intense tickling dude you

1914

01:07:00,549 --> 01:06:59,760

know like when somebody tickles you

1915

01:07:03,349 --> 01:07:00,559

you're like dude

1916

01:07:04,950 --> 01:07:03,359

stop it yeah it hurts a little bit i

1917

01:07:07,109 --> 01:07:04,960

have two older brothers yeah i know

1918

01:07:08,950 --> 01:07:07,119

yeah like it's like that i think i would

1919

01:07:10,950 --> 01:07:08,960

rather tickle an alien for sure

1920

01:07:13,029 --> 01:07:10,960

yeah i mean tickling is all fun and

1921

01:07:15,270 --> 01:07:13,039

games for like

1922

01:07:16,309 --> 01:07:15,280

not even three seconds right oh he said

1923

01:07:20,150 --> 01:07:16,319

friendly tickle

1924

01:07:22,230 --> 01:07:20,160

[Laughter]

1925

01:07:23,510 --> 01:07:22,240

can you imagine like some serious aliens

1926

01:07:24,630 --> 01:07:23,520

showing up in our rooms

1927

01:07:26,710 --> 01:07:24,640

and they're standing there with their

1928

01:07:28,309 --> 01:07:26,720

big [h\_\_h] eyes

1929

01:07:34,950 --> 01:07:28,319

and like you just sit up in your bed and

1930

01:07:38,630 --> 01:07:37,190

we're out of here he would imagine what

1931

01:07:41,430 --> 01:07:38,640

an alien laugh smell

1932

01:07:43,109 --> 01:07:41,440

smells like sounds like you know what

1933

01:07:46,630 --> 01:07:43,119

what would an alien laugh

1934

01:07:53,750 --> 01:07:46,640

can they laugh do they have the capacity

1935

01:07:57,430 --> 01:07:55,589

i'm not telling you guys any more jokes

1936

01:08:00,309 --> 01:07:57,440

that [h\_\_h] was annoying

1937

01:08:01,829 --> 01:08:00,319

yeah serious conversations with this

1938

01:08:03,670 --> 01:08:01,839

point on

1939

01:08:05,029 --> 01:08:03,680

uh let's see there's another question i

1940

01:08:07,910 --> 01:08:05,039

thought was good uh

1941

01:08:09,109 --> 01:08:07,920

joe oh uh what was it john best question

1942

01:08:11,910 --> 01:08:09,119

turn the security

1943

01:08:12,950 --> 01:08:11,920

yeah that was a good question yeah like

1944

01:08:14,870 --> 01:08:12,960

turning in this

1945

01:08:16,870 --> 01:08:14,880

yeah can you hey can you have this like

1946

01:08:19,430 --> 01:08:16,880

can you have this back you take it

1947

01:08:21,189 --> 01:08:19,440

he's like no they it sucks because he

1948

01:08:21,910 --> 01:08:21,199

was like no they won't take it i already

1949

01:08:25,110 --> 01:08:21,920

tried

1950

01:08:27,669 --> 01:08:25,120

you

1951

01:08:28,630 --> 01:08:27,679

like how do that's like the opposite of

1952

01:08:31,110 --> 01:08:28,640

an indian giver

1953

01:08:32,470 --> 01:08:31,120

right it's like you're like dude i'm

1954

01:08:34,070 --> 01:08:32,480

trying to give this back to you and

1955

01:08:36,229 --> 01:08:34,080

they're like no

1956

01:08:37,990 --> 01:08:36,239

that's yours now and you're like but i

1957

01:08:39,749 --> 01:08:38,000

don't want it this is your

1958

01:08:40,950 --> 01:08:39,759

your burden and it's not like it's

1959

01:08:41,829 --> 01:08:40,960

something that you can just leave

1960

01:08:43,349 --> 01:08:41,839

outside

1961

01:08:45,110 --> 01:08:43,359

for the trash man to pick up or

1962

01:08:46,709 --> 01:08:45,120

something it's like it's like the mask

1963

01:08:47,910 --> 01:08:46,719

you know jim carrey's the mask like yeah

1964

01:08:49,749 --> 01:08:47,920

i throw it out the window and it like

1965

01:08:51,269 --> 01:08:49,759

magically shows back up

1966

01:08:52,709 --> 01:08:51,279

yeah like those haunted dolls that

1967

01:08:54,630 --> 01:08:52,719

people throw away and [h\_\_h] and then it

1968

01:08:56,309 --> 01:08:54,640

shows up on their couches

1969

01:08:57,669 --> 01:08:56,319

they're like you put the badge back on

1970

01:08:59,510 --> 01:08:57,679

and you like you

1971

01:09:01,349 --> 01:08:59,520

you you become a reptilian that's what

1972

01:09:01,990 --> 01:09:01,359

uh that's what security clearance is

1973

01:09:03,430 --> 01:09:02,000

like dude

1974

01:09:05,430 --> 01:09:03,440

maybe he doesn't throw it away it keeps

1975

01:09:06,149 --> 01:09:05,440

coming back that's the metaphor for the

1976

01:09:08,149 --> 01:09:06,159

mask because

1977

01:09:09,349 --> 01:09:08,159

that's the security clearance right like

1978

01:09:11,749 --> 01:09:09,359

you try to get rid of it

1979

01:09:13,189 --> 01:09:11,759

can't do it you're trying to you you put

1980

01:09:16,070 --> 01:09:13,199

it back on and you're totally

1981

01:09:17,990 --> 01:09:16,080

you know under control by this this

1982

01:09:20,070 --> 01:09:18,000

magical force

1983

01:09:23,189 --> 01:09:20,080

okay i've realized that this idea isn't

1984

01:09:26,070 --> 01:09:23,199

great and i've dug myself a hole

1985

01:09:27,910 --> 01:09:26,080

finish it sounded cool in my head as i

1986

01:09:31,669 --> 01:09:27,920

started talking about it

1987

01:09:33,910 --> 01:09:31,679

somebody's stuck hey thanks eddie

1988

01:09:35,990 --> 01:09:33,920

yeah i was kind of surprised too man i i

1989

01:09:36,950 --> 01:09:36,000

was i was really curious on like how lou

1990

01:09:39,430 --> 01:09:36,960

was going to react

1991

01:09:40,149 --> 01:09:39,440

i mean you've seen them on all the other

1992

01:09:43,430 --> 01:09:40,159

shows

1993

01:09:46,229 --> 01:09:43,440

and they're all like just the

1994

01:09:48,149 --> 01:09:46,239

the hard-hitting questions and you know

1995

01:09:48,470 --> 01:09:48,159

we could have done that too man but it's

1996

01:09:50,550 --> 01:09:48,480

just

1997

01:09:52,070 --> 01:09:50,560

it's not our style and we weren't going

1998

01:09:54,149 --> 01:09:52,080

to change what we do

1999

01:09:55,830 --> 01:09:54,159

just because we had lou elizondo on the

2000

01:09:57,350 --> 01:09:55,840

show you know like that's just

2001  
01:09:58,870 --> 01:09:57,360  
that's we talked about that before the

2002  
01:10:01,990 --> 01:09:58,880  
show because you know i i

2003  
01:10:03,590 --> 01:10:02,000  
really almost for not specifically

2004  
01:10:05,669 --> 01:10:03,600  
for lou but for other other guests like

2005  
01:10:06,790 --> 01:10:05,679  
i was like these are the questions i

2006  
01:10:09,750 --> 01:10:06,800  
think we should ask and

2007  
01:10:10,630 --> 01:10:09,760  
thank god you were like not a dick about

2008  
01:10:12,550 --> 01:10:10,640  
it but you're like

2009  
01:10:13,990 --> 01:10:12,560  
that's not really what we do though and

2010  
01:10:15,990 --> 01:10:14,000  
i'm so glad that we

2011  
01:10:17,590 --> 01:10:16,000  
we've got to stick to what we're we know

2012  
01:10:18,070 --> 01:10:17,600  
and what feels comfortable because it

2013  
01:10:20,550 --> 01:10:18,080

would have been

2014

01:10:21,669 --> 01:10:20,560

so awkward if we were like yeah like

2015

01:10:24,630 --> 01:10:21,679

trying to be like

2016

01:10:25,669 --> 01:10:24,640

but tell us so lou and with your with

2017

01:10:28,470 --> 01:10:25,679

your time with

2018

01:10:30,550 --> 01:10:28,480

uh and uh like if we started trying to

2019

01:10:32,229 --> 01:10:30,560

be like professional and [h\_\_h] like

2020

01:10:33,990 --> 01:10:32,239

no man people would see straight through

2021

01:10:37,030 --> 01:10:34,000

it and we would both

2022

01:10:39,750 --> 01:10:37,040

feel this icky vibe like no we can't

2023

01:10:40,390 --> 01:10:39,760

we can't i don't know so i think it

2024

01:10:43,350 --> 01:10:40,400

would have been

2025

01:10:43,990 --> 01:10:43,360

boring yeah man like i love like you

2026

01:10:45,590 --> 01:10:44,000

wouldn't ask

2027

01:10:47,110 --> 01:10:45,600

the right questions either in any way

2028

01:10:47,590 --> 01:10:47,120

yeah there's i mean there's so many

2029

01:10:51,110 --> 01:10:47,600

great

2030

01:10:54,470 --> 01:10:51,120

everybody else who has interviewed lou

2031

01:10:56,790 --> 01:10:54,480

it was like boring right um i'll say

2032

01:10:58,470 --> 01:10:56,800

some are boring as [h\_\_h]

2033

01:11:00,390 --> 01:10:58,480

right because it's always the same thing

2034

01:11:02,470 --> 01:11:00,400

like everybody's asking like they all

2035

01:11:03,270 --> 01:11:02,480

want to know like what's the big secret

2036

01:11:05,110 --> 01:11:03,280

lou and he's like

2037

01:11:06,790 --> 01:11:05,120

dude he's not going to say it ask him

2038

01:11:09,030 --> 01:11:06,800

what his favorite [h\_\_h] car is

2039

01:11:11,510 --> 01:11:09,040

like that's it yeah well what do you

2040

01:11:13,669 --> 01:11:11,520

like to do you a fisherman or what

2041

01:11:15,030 --> 01:11:13,679

i think people have approached it in

2042

01:11:15,669 --> 01:11:15,040

certain ways that are better than others

2043

01:11:18,390 --> 01:11:15,679

like like

2044

01:11:20,310 --> 01:11:18,400

like cnn like yeah they have to yeah

2045

01:11:22,470 --> 01:11:20,320

they get paid to do this [h\_\_h] but like

2046

01:11:24,630 --> 01:11:22,480

yeah if you they're like okay we want

2047

01:11:26,390 --> 01:11:24,640

you to tell us everything you know in

2048

01:11:28,790 --> 01:11:26,400

three and a half minutes ready go

2049

01:11:30,550 --> 01:11:28,800

if he's on cnn you've got to you know

2050

01:11:32,630 --> 01:11:30,560

well that he's not gonna give you

2051

01:11:33,350 --> 01:11:32,640

anything on if you're on cnn so just

2052

01:11:36,229 --> 01:11:33,360

stop watching

2053

01:11:37,030 --> 01:11:36,239

watch podcasts people that or youtube

2054

01:11:38,790 --> 01:11:37,040

channels or whatever

2055

01:11:40,229 --> 01:11:38,800

like yeah he might he might give you

2056

01:11:42,070 --> 01:11:40,239

some information that's that's the

2057

01:11:43,110 --> 01:11:42,080

interesting thing is like everybody in

2058

01:11:45,510 --> 01:11:43,120

this field or

2059

01:11:47,030 --> 01:11:45,520

that what's not just ufology like

2060

01:11:49,590 --> 01:11:47,040

anybody that's interested in aliens

2061

01:11:51,750 --> 01:11:49,600

wants to know what that dude knows

2062

01:11:53,430 --> 01:11:51,760

yeah and he's the only one that has been

2063

01:11:54,550 --> 01:11:53,440

on the inside and is allowed to talk

2064

01:11:56,470 --> 01:11:54,560

about it

2065

01:11:57,830 --> 01:11:56,480

yeah i mean you can't i can't blame

2066

01:12:00,870 --> 01:11:57,840

anybody for being like

2067

01:12:03,030 --> 01:12:00,880

frustrated and with our interview well

2068

01:12:06,229 --> 01:12:03,040

there was a few that were like

2069

01:12:07,750 --> 01:12:06,239

well great what a waste of time

2070

01:12:09,590 --> 01:12:07,760

why did you watch the whole thing did

2071

01:12:11,669 --> 01:12:09,600

you watch the whole thing were you not

2072

01:12:13,350 --> 01:12:11,679

entertained did you not learn a little

2073

01:12:14,229 --> 01:12:13,360

bit more about lou than you didn't know

2074

01:12:16,790 --> 01:12:14,239

before

2075

01:12:18,310 --> 01:12:16,800

was it fun you got to know lou on a

2076

01:12:20,390 --> 01:12:18,320

personal level

2077

01:12:22,070 --> 01:12:20,400

and now you know that he's not just some

2078

01:12:25,189 --> 01:12:22,080

talking head he's a real dude

2079

01:12:27,830 --> 01:12:25,199

you know yeah that's kind of and and

2080

01:12:29,590 --> 01:12:27,840

like is he telling the truth is he not

2081

01:12:31,830 --> 01:12:29,600

telling the truth

2082

01:12:32,950 --> 01:12:31,840

i don't know dude i don't know man i

2083

01:12:34,709 --> 01:12:32,960

mean his job is like

2084

01:12:36,550 --> 01:12:34,719

you'll never know encounter intelligence

2085

01:12:39,750 --> 01:12:36,560

i get i get all of those

2086

01:12:41,189 --> 01:12:39,760

yeah those ideas like i know you know

2087

01:12:43,510 --> 01:12:41,199

where i'm going with that right yeah i i

2088

01:12:44,550 --> 01:12:43,520

totally agree like the suspicion is

2089

01:12:46,630 --> 01:12:44,560

there right

2090

01:12:47,669 --> 01:12:46,640

i still have the suspicion we talked to

2091

01:12:50,229 --> 01:12:47,679

him we had a very

2092

01:12:51,350 --> 01:12:50,239

friendly cordial interaction that's all

2093

01:12:53,430 --> 01:12:51,360

fine and good like

2094

01:12:55,110 --> 01:12:53,440

the suspicion is still there you know

2095

01:12:55,669 --> 01:12:55,120

like the you know you got to be kind of

2096

01:12:57,750 --> 01:12:55,679

like

2097

01:12:59,270 --> 01:12:57,760

it's a healthy level on the fence a

2098

01:13:01,830 --> 01:12:59,280

little skeptical

2099

01:13:02,870 --> 01:13:01,840

yeah that's cool but the the the

2100

01:13:05,510 --> 01:13:02,880

entirety of it

2101

01:13:06,709 --> 01:13:05,520

isn't just about that it's like i we

2102

01:13:08,550 --> 01:13:06,719

both really just

2103

01:13:11,030 --> 01:13:08,560

wanted to hang out with the dude like he

2104

01:13:13,270 --> 01:13:11,040

just seems like a cool guy

2105

01:13:15,110 --> 01:13:13,280

he's got tattoos he's got cool he's just

2106

01:13:15,830 --> 01:13:15,120

a cool guy you're in counter

2107

01:13:17,990 --> 01:13:15,840

intelligence

2108

01:13:19,510 --> 01:13:18,000

you worked at guantanamo bay and you

2109

01:13:21,590 --> 01:13:19,520

worked for [h\_\_\h] aliens

2110

01:13:22,950 --> 01:13:21,600

or the pentagon you worked with thompson

2111

01:13:24,709 --> 01:13:22,960

like you're friends with tom delonge

2112

01:13:26,790 --> 01:13:24,719

that's [h\_\_\h] awesome like why not just

2113

01:13:30,070 --> 01:13:26,800

want to have a conversation with the guy

2114

01:13:31,910 --> 01:13:30,080

like he's not lying about all that stuff

2115

01:13:33,430 --> 01:13:31,920

what he's keeping the secrets on like

2116

01:13:34,630 --> 01:13:33,440

like i said dude we'll never know he

2117

01:13:35,270 --> 01:13:34,640

might as well just talk to him about the

2118

01:13:37,430 --> 01:13:35,280

cool [h\_\_\h]

2119

01:13:38,950 --> 01:13:37,440

let me grab a beer real quick dude matt

2120

01:13:40,550 --> 01:13:38,960

matt asked why are you questioning his

2121

01:13:42,390 --> 01:13:40,560

integrity uh so we're not

2122

01:13:44,790 --> 01:13:42,400

questioning his integrity we were

2123

01:13:47,189 --> 01:13:44,800

speaking on comments that were made

2124

01:13:48,390 --> 01:13:47,199

on the the interview that we had a

2125

01:13:51,669 --> 01:13:48,400

couple of weeks ago

2126

01:13:54,310 --> 01:13:51,679

so we were addressing like uh

2127

01:13:55,510 --> 01:13:54,320

we're addressing questions we got a new

2128

01:13:59,270 --> 01:13:55,520

refrigerator dude

2129

01:14:01,110 --> 01:13:59,280

oh my god we got a new refrigerator

2130

01:14:03,270 --> 01:14:01,120

oh well your mic's in the way oh well

2131

01:14:05,430 --> 01:14:03,280

anyway so yeah we're addressing uh

2132

01:14:07,430 --> 01:14:05,440

comments that were made about about the

2133

01:14:08,550 --> 01:14:07,440

uh the interview you know some people

2134

01:14:10,070 --> 01:14:08,560

were frustrated because we weren't

2135

01:14:10,950 --> 01:14:10,080

really asking like great questions and

2136

01:14:12,870 --> 01:14:10,960

stuff so

2137

01:14:14,709 --> 01:14:12,880

it's not we are definitely not

2138

01:14:17,830 --> 01:14:14,719

questioning is his integrity

2139

01:14:18,229 --> 01:14:17,840

um me and joe so uh what we're saying is

2140

01:14:21,910 --> 01:14:18,239

that he

2141

01:14:25,590 --> 01:14:21,920

it was a great hangout he's a great dude

2142

01:14:28,709 --> 01:14:25,600

awesome he's a great fantastic

2143

01:14:30,149 --> 01:14:28,719

the best the best the best we had fun

2144

01:14:32,950 --> 01:14:30,159

man it was awesome

2145

01:14:34,709 --> 01:14:32,960

uh and i think a lot a lot of the times

2146

01:14:37,430 --> 01:14:34,719

when when people are like

2147

01:14:37,910 --> 01:14:37,440

in the news people forget that they're

2148

01:14:41,110 --> 01:14:37,920

real

2149

01:14:43,990 --> 01:14:41,120

people and i i think that the more

2150

01:14:45,910 --> 01:14:44,000

people that he talks to and i'm not a

2151  
01:14:46,310 --> 01:14:45,920  
real person the story that he gets out

2152  
01:14:48,390 --> 01:14:46,320  
that

2153  
01:14:49,750 --> 01:14:48,400  
we will all kind of realize it's it's

2154  
01:14:51,590 --> 01:14:49,760  
like that whole thing that i said about

2155  
01:14:53,110 --> 01:14:51,600  
police officers like

2156  
01:14:54,390 --> 01:14:53,120  
when you get pulled over and you know

2157  
01:14:56,310 --> 01:14:54,400  
that you're speeding the worst thing

2158  
01:14:59,430 --> 01:14:56,320  
that you could do is say

2159  
01:15:04,870 --> 01:15:02,550  
oh it's going slow sir prove it like

2160  
01:15:07,750 --> 01:15:04,880  
that's the worst thing you could do

2161  
01:15:09,189 --> 01:15:07,760  
you have to say hey bro you're working

2162  
01:15:10,310 --> 01:15:09,199  
at a job you were

2163  
01:15:12,470 --> 01:15:10,320

you probably went to high school with

2164

01:15:16,149 --> 01:15:12,480

somebody i know like hey bro

2165

01:15:17,669 --> 01:15:16,159

it's late uh hey if you're guilty

2166

01:15:19,510 --> 01:15:17,679

i don't know i don't have any legal

2167

01:15:21,110 --> 01:15:19,520

advice for you but if you're just

2168

01:15:23,030 --> 01:15:21,120

speeding and you're sober like

2169

01:15:24,550 --> 01:15:23,040

just treat the person like a human being

2170

01:15:26,070 --> 01:15:24,560

and i guarantee you

2171

01:15:27,590 --> 01:15:26,080

i say you will not get that speeding

2172

01:15:29,189 --> 01:15:27,600

ticket you'll get a warning because you

2173

01:15:33,669 --> 01:15:29,199

treated that person like a human being

2174

01:15:35,750 --> 01:15:33,679

i say hey but you ask me questions

2175

01:15:36,709 --> 01:15:35,760

i pay your paycheck is this what my tax

2176

01:15:38,470 --> 01:15:36,719

money goes to

2177

01:15:40,709 --> 01:15:38,480

how many people are gonna die this week

2178

01:15:42,310 --> 01:15:40,719

if somebody dies today in this city

2179

01:15:43,990 --> 01:15:42,320

and your ass is sitting right here with

2180

01:15:46,070 --> 01:15:44,000

me pulling me over

2181

01:15:47,590 --> 01:15:46,080

for going six miles over the speed limit

2182

01:15:49,430 --> 01:15:47,600

i'm blaming you sir dude

2183

01:15:50,870 --> 01:15:49,440

blaming you and that's where my tax

2184

01:15:52,390 --> 01:15:50,880

money's going to people are dying on the

2185

01:15:54,470 --> 01:15:52,400

street somebody just got robbed

2186

01:15:55,590 --> 01:15:54,480

i heard about it i heard on the news it

2187

01:15:57,430 --> 01:15:55,600

happened this morning

2188

01:15:59,110 --> 01:15:57,440

you were probably over pulling somebody

2189

01:16:00,790 --> 01:15:59,120

over for going six miles over the speed

2190

01:16:02,870 --> 01:16:00,800

limit like you're doing me

2191

01:16:04,390 --> 01:16:02,880

all right so that that's the equivalent

2192

01:16:07,750 --> 01:16:04,400

this is the accurate equivalent

2193

01:16:09,430 --> 01:16:07,760

it's the darren darren wears oakley's

2194

01:16:11,270 --> 01:16:09,440

uh backwards on his head when he's not

2195

01:16:13,510 --> 01:16:11,280

actually using them

2196

01:16:14,950 --> 01:16:13,520

uh darren also it's like the the

2197

01:16:17,669 --> 01:16:14,960

baseball coach oakley's

2198

01:16:18,070 --> 01:16:17,679

you know that's darren that says those

2199

01:16:20,229 --> 01:16:18,080

times

2200

01:16:22,149 --> 01:16:20,239

you know i mean like i didn't i infringe

2201

01:16:25,110 --> 01:16:22,159

on anybody's rights

2202

01:16:26,950 --> 01:16:25,120

i'm doing my own thing all right i'm i'm

2203

01:16:27,750 --> 01:16:26,960

driving on roads that i have already

2204

01:16:31,110 --> 01:16:27,760

paid for

2205

01:16:34,550 --> 01:16:31,120

gonna get pulled over

2206

01:16:35,110 --> 01:16:34,560

by somebody who i pay for in another car

2207

01:16:39,350 --> 01:16:35,120

that i

2208

01:16:40,790 --> 01:16:39,360

paid for all this [h\_\_h] in this

2209

01:16:42,149 --> 01:16:40,800

interaction right now and are you gonna

2210

01:16:44,070 --> 01:16:42,159

give me a ticket that i

2211

01:16:45,510 --> 01:16:44,080

also have to pay for i don't think so i

2212

01:16:47,270 --> 01:16:45,520

feel like you're you're you're

2213

01:16:49,110 --> 01:16:47,280

really leaning in like you actually like

2214

01:16:50,550 --> 01:16:49,120

this is how you i really feel that way

2215

01:16:53,030 --> 01:16:50,560

i really do feel like this way i really

2216

01:16:53,669 --> 01:16:53,040

do feel that way i paid i paid for all

2217

01:16:56,550 --> 01:16:53,679

that [h\_\_h]

2218

01:16:57,350 --> 01:16:56,560

oh my god i paid for the road my car his

2219

01:16:59,430 --> 01:16:57,360

car

2220

01:17:00,390 --> 01:16:59,440

his salary i paid for all that [h\_\_h] now

2221

01:17:03,110 --> 01:17:00,400

i gotta pay for this

2222

01:17:04,390 --> 01:17:03,120

tell us another brought up when he was

2223

01:17:05,270 --> 01:17:04,400

talking about running for congress he

2224

01:17:08,630 --> 01:17:05,280

was like no more

2225

01:17:09,270 --> 01:17:08,640

like limousines from the airport yeah

2226

01:17:10,950 --> 01:17:09,280

you know like

2227

01:17:12,870 --> 01:17:10,960

taxpayer like yeah we're paying for all

2228

01:17:14,550 --> 01:17:12,880

that [h\_\_h] yeah i love that you got to

2229

01:17:16,390 --> 01:17:14,560

ride your bike dude

2230

01:17:18,310 --> 01:17:16,400

you know someone what what did you say

2231

01:17:21,510 --> 01:17:18,320

like nancy pelosi's bike is like

2232

01:17:23,510 --> 01:17:21,520

it's up there way out there nancy

2233

01:17:24,870 --> 01:17:23,520

it is funny how a lot of them when

2234

01:17:28,070 --> 01:17:24,880

you're trying to go green right

2235

01:17:28,830 --> 01:17:28,080

get your ass on that [h\_\_h] bike that i

2236

01:17:32,390 --> 01:17:28,840

paid for

2237

01:17:35,750 --> 01:17:32,400

yeah it's like it is it is kind of crazy

2238

01:17:36,470 --> 01:17:35,760

i feel like the the politicians whatever

2239

01:17:40,630 --> 01:17:36,480

i'm

2240

01:17:42,470 --> 01:17:40,640

comment but

2241

01:17:44,390 --> 01:17:42,480

like it seems like the past year

2242

01:17:46,550 --> 01:17:44,400

politicians have been very like they

2243

01:17:49,030 --> 01:17:46,560

they seem like superheroes on tv like

2244

01:17:49,669 --> 01:17:49,040

we're like there was a couple of of

2245

01:17:53,669 --> 01:17:49,679

scenes

2246

01:17:56,070 --> 01:17:53,679

it's all it's all a stage

2247

01:17:56,950 --> 01:17:56,080

super zero but like they're like they

2248

01:17:59,430 --> 01:17:56,960

just look

2249

01:18:00,470 --> 01:17:59,440

so they're trying to be like the star

2250

01:18:02,310 --> 01:18:00,480

like movie stars

2251  
01:18:03,669 --> 01:18:02,320  
and i'm glad that's kind of being dialed

2252  
01:18:06,310 --> 01:18:03,679  
back a little bit

2253  
01:18:07,350 --> 01:18:06,320  
yeah me too dude they're all like i'm

2254  
01:18:10,229 --> 01:18:07,360  
here to save

2255  
01:18:12,550 --> 01:18:10,239  
everybody listen to what i have to say

2256  
01:18:14,390 --> 01:18:12,560  
i'm so correct you're so

2257  
01:18:16,149 --> 01:18:14,400  
not correct and then the other side is

2258  
01:18:19,590 --> 01:18:16,159  
like no

2259  
01:18:21,590 --> 01:18:19,600  
i'm so correct you're so incorrect

2260  
01:18:22,790 --> 01:18:21,600  
we're going to save everybody that's

2261  
01:18:25,590 --> 01:18:22,800  
politics man

2262  
01:18:27,669 --> 01:18:25,600  
dude it's congresswoman it's terrible

2263  
01:18:32,470 --> 01:18:27,679

all right

2264

01:18:38,310 --> 01:18:35,350

bought and paid for by tffa to the farts

2265

01:18:41,510 --> 01:18:40,229

i wish we got paid that'd be cool that'd

2266

01:18:44,310 --> 01:18:41,520

be dope dude

2267

01:18:44,709 --> 01:18:44,320

i would uh i mean i don't know i i don't

2268

01:18:46,790 --> 01:18:44,719

know

2269

01:18:48,550 --> 01:18:46,800

we could never sell out like that but

2270

01:18:50,229 --> 01:18:48,560

well we were just talking about like how

2271

01:18:53,030 --> 01:18:50,239

like we got to the point where we can

2272

01:18:54,470 --> 01:18:53,040

monetize uh the youtube channel

2273

01:18:57,590 --> 01:18:54,480

but then we started looking at all the

2274

01:19:00,709 --> 01:18:57,600

stuff that like you get demonetized for

2275

01:19:03,350 --> 01:19:00,719

and it's like dude yeah in order to

2276

01:19:04,790 --> 01:19:03,360

to do to make any money you completely

2277

01:19:06,550 --> 01:19:04,800

have to change the show

2278

01:19:09,030 --> 01:19:06,560

which that shit's not going to happen

2279

01:19:11,430 --> 01:19:09,040

yeah because it it would just be another

2280

01:19:12,870 --> 01:19:11,440

boring ass show in order to get

2281

01:19:15,189 --> 01:19:12,880

monetized we can't say

2282

01:19:16,870 --> 01:19:15,199

[h\_\_\h] anything dude like anything

2283

01:19:18,709 --> 01:19:16,880

curse words we can't talk about sex we

2284

01:19:21,030 --> 01:19:18,719

can't talk about dick pillows we

2285

01:19:22,870 --> 01:19:21,040

like it would not be the show so like

2286

01:19:24,070 --> 01:19:22,880

there's this like conflict where me and

2287

01:19:25,750 --> 01:19:24,080

joe were just talking about this

2288

01:19:27,510 --> 01:19:25,760

just before we started the live stream

2289

01:19:30,149 --> 01:19:27,520

talk about violence sex

2290

01:19:31,830 --> 01:19:30,159

or use curse words and we're like dude

2291

01:19:34,310 --> 01:19:31,840

somebody we would need to hire somebody

2292

01:19:36,470 --> 01:19:34,320

on site to beep us out

2293

01:19:37,910 --> 01:19:36,480

anytime we would have to have like a 10

2294

01:19:40,310 --> 01:19:37,920

second delay on the show

2295

01:19:41,990 --> 01:19:40,320

like ah so i don't know if we'll ever be

2296

01:19:42,630 --> 01:19:42,000

monetized you guys it would be awesome

2297

01:19:44,229 --> 01:19:42,640

that

2298

01:19:46,149 --> 01:19:44,239

to get a little you know on the like

2299

01:19:49,430 --> 01:19:46,159

super chats and stuff

2300

01:19:50,550 --> 01:19:49,440

um but i doubt that'll happen i don't

2301

01:19:52,070 --> 01:19:50,560

know we'll see

2302

01:19:54,070 --> 01:19:52,080

because dude could you imagine trying to

2303

01:19:56,630 --> 01:19:54,080

do this show without like cussing or

2304

01:19:58,229 --> 01:19:56,640

like saying saying balls or something

2305

01:20:01,270 --> 01:19:58,239

it'd be impossible dude

2306

01:20:03,750 --> 01:20:01,280

boobs it'd be impossible d monetize yeah

2307

01:20:04,470 --> 01:20:03,760

nipples d monetize yeah that was like

2308

01:20:07,830 --> 01:20:04,480

you can't even

2309

01:20:11,590 --> 01:20:07,840

say the word cloven yeah but like

2310

01:20:14,550 --> 01:20:11,600

what what the news says it yeah how come

2311

01:20:15,750 --> 01:20:14,560

how come how come we can't say it

2312

01:20:16,470 --> 01:20:15,760

because we don't know how you're gonna

2313

01:20:18,149 --> 01:20:16,480

talk about it

2314

01:20:20,470 --> 01:20:18,159

well it's cause it's not in your [h\_\_h]

2315

01:20:21,910 --> 01:20:20,480

business

2316

01:20:23,590 --> 01:20:21,920

i'll talk about it however i want to

2317

01:20:24,550 --> 01:20:23,600

talk about it if you don't like it then

2318

01:20:26,310 --> 01:20:24,560

just start it off

2319

01:20:27,990 --> 01:20:26,320

no biggie but we don't even like really

2320

01:20:29,750 --> 01:20:28,000

talk about it but the the

2321

01:20:32,070 --> 01:20:29,760

just the fact that you can't say the

2322

01:20:33,590 --> 01:20:32,080

word is is just

2323

01:20:35,189 --> 01:20:33,600

it's it's ridiculous seems like

2324

01:20:37,990 --> 01:20:35,199

propaganda to me

2325

01:20:39,189 --> 01:20:38,000

man you can't even mention the word dude

2326

01:20:41,669 --> 01:20:39,199

censored by the man

2327

01:20:42,709 --> 01:20:41,679

like it's so funny like we're all like

2328

01:20:44,790 --> 01:20:42,719

we're like

2329

01:20:46,390 --> 01:20:44,800

on the platform and talking [h\_\_\h] about

2330

01:20:47,669 --> 01:20:46,400

it it's so funny how like society has

2331

01:20:49,189 --> 01:20:47,679

turned into this whole thing like we're

2332

01:20:50,790 --> 01:20:49,199

talking total [h\_\_\h] about like

2333

01:20:52,790 --> 01:20:50,800

youtube and like it's monetization

2334

01:20:54,390 --> 01:20:52,800

process while you're using youtube

2335

01:20:57,110 --> 01:20:54,400

and then like how people are like oh

2336

01:20:59,350 --> 01:20:57,120

fascist book but they're on facebook

2337

01:21:00,870 --> 01:20:59,360

saying how fascist it is yeah this is

2338

01:21:02,070 --> 01:21:00,880

like how people are like well i hate

2339

01:21:04,390 --> 01:21:02,080

capitalism

2340

01:21:06,470 --> 01:21:04,400

on like surrounded in a room full of

2341

01:21:09,110 --> 01:21:06,480

capitalist [h\_\_h] that they bought

2342

01:21:09,750 --> 01:21:09,120

yeah it's like it was just like it's so

2343

01:21:13,350 --> 01:21:09,760

con

2344

01:21:15,030 --> 01:21:13,360

taking the video of like oh [h\_\_h]

2345

01:21:18,790 --> 01:21:15,040

apple

2346

01:21:21,030 --> 01:21:18,800

this video quality is great yes dude

2347

01:21:22,550 --> 01:21:21,040

yeah nobody's happy with anything

2348

01:21:24,790 --> 01:21:22,560

hypocrisy man

2349

01:21:25,910 --> 01:21:24,800

there's a lot of stuff to complain about

2350

01:21:29,590 --> 01:21:25,920

and you know i

2351

01:21:32,950 --> 01:21:29,600

i think i think man i i hope we get to

2352

01:21:35,270 --> 01:21:32,960

with it evens it out culturally like

2353

01:21:36,629 --> 01:21:35,280

like let's focus on what's what's

2354

01:21:38,229 --> 01:21:36,639

important you know i don't want to

2355

01:21:40,550 --> 01:21:38,239

i don't want to go to the stone age or

2356

01:21:43,910 --> 01:21:40,560

the dark age the stone ages

2357

01:21:44,870 --> 01:21:43,920

oh or the dark ages and like not have

2358

01:21:47,270 --> 01:21:44,880

electricity

2359

01:21:48,470 --> 01:21:47,280

you know that would suck but like i i

2360

01:21:51,590 --> 01:21:48,480

hope that

2361

01:21:52,629 --> 01:21:51,600

cultural society kind of brings reels it

2362

01:21:54,470 --> 01:21:52,639

in a little bit about

2363

01:21:55,830 --> 01:21:54,480

about just being so i don't know it just

2364

01:21:57,270 --> 01:21:55,840

feels like everybody's got something to

2365

01:21:59,110 --> 01:21:57,280

complain about well everybody wants to

2366

01:22:01,110 --> 01:21:59,120

talk about being accepting but they want

2367

01:22:03,030 --> 01:22:01,120

to [h\_\_h] about everybody else constantly

2368

01:22:04,709 --> 01:22:03,040

and it just doesn't make any sense

2369

01:22:07,030 --> 01:22:04,719

yeah it's like you should accept

2370

01:22:09,669 --> 01:22:07,040

everybody you should totally hate

2371

01:22:11,030 --> 01:22:09,679

all of these people at the same time it

2372

01:22:13,430 --> 01:22:11,040

doesn't make any sense yeah

2373

01:22:15,669 --> 01:22:13,440

and everybody does it like on all sides

2374

01:22:16,629 --> 01:22:15,679

well i i think this is just full circle

2375

01:22:19,669 --> 01:22:16,639

bringing it back to

2376

01:22:21,189 --> 01:22:19,679

this this topic of of of being being an

2377

01:22:23,110 --> 01:22:21,199

experiencer or

2378

01:22:25,189 --> 01:22:23,120

or maybe even just accepting the fact

2379

01:22:26,390 --> 01:22:25,199

that we're not alone on this planet or

2380

01:22:29,189 --> 01:22:26,400

in the universe

2381

01:22:31,030 --> 01:22:29,199

maybe i switched those in my head but i

2382

01:22:31,510 --> 01:22:31,040

think that you meant to say universe or

2383

01:22:37,270 --> 01:22:31,520

planet

2384

01:22:40,709 --> 01:22:38,790

it's your chair it didn't happen again

2385

01:22:45,030 --> 01:22:40,719

it's your chair

2386

01:22:46,950 --> 01:22:45,040

let's try to make it anyway so like it's

2387

01:22:48,550 --> 01:22:46,960

i don't know i guess i'm just like like

2388

01:22:51,189 --> 01:22:48,560

puppeting what what

2389

01:22:52,070 --> 01:22:51,199

or repeating what ronald ronald reagan

2390

01:22:53,990 --> 01:22:52,080

said like

2391

01:22:55,189 --> 01:22:54,000

it probably this is the topic if

2392

01:22:55,830 --> 01:22:55,199

anything is going to bring us all

2393

01:22:57,430 --> 01:22:55,840

together and

2394

01:22:59,750 --> 01:22:57,440

make us stop complaining about about

2395

01:23:01,510 --> 01:22:59,760

[h\_\_\h] yeah i hope that doesn't sound like

2396

01:23:04,550 --> 01:23:01,520

all like

2397

01:23:05,990 --> 01:23:04,560

i don't know uh propaganda-ish and maybe

2398

01:23:08,550 --> 01:23:06,000

we're feeding into that narrative

2399

01:23:09,990 --> 01:23:08,560

but i this if anything is is the topic

2400

01:23:12,550 --> 01:23:10,000

today well it should just be a cool

2401

01:23:15,830 --> 01:23:12,560

thing that we could all be like oh

2402

01:23:19,350 --> 01:23:15,840

aliens holy [\h\_\_\h] that's [\h\_\_\h] weird

2403

01:23:21,669 --> 01:23:19,360

what who why where like we

2404

01:23:22,790 --> 01:23:21,679

all have the same questions you know

2405

01:23:25,350 --> 01:23:22,800

yeah

2406

01:23:26,550 --> 01:23:25,360

like it would be cool if the if your

2407

01:23:29,590 --> 01:23:26,560

reaction was like

2408

01:23:30,310 --> 01:23:29,600

yeah forget like oh we've known about it

2409

01:23:33,110 --> 01:23:30,320

forever

2410

01:23:34,229 --> 01:23:33,120

oh we're right like this just leave that

2411

01:23:37,270 --> 01:23:34,239

alone and just say

2412

01:23:38,550 --> 01:23:37,280

this is cool now that everybody is on

2413

01:23:41,669 --> 01:23:38,560

the same page

2414

01:23:43,270 --> 01:23:41,679

yeah there was no uh ufo landing on the

2415

01:23:44,070 --> 01:23:43,280

white house lawn that didn't need to

2416

01:23:46,470 --> 01:23:44,080

happen

2417

01:23:47,350 --> 01:23:46,480

yeah because people want freak out and

2418

01:23:49,830 --> 01:23:47,360

not only

2419

01:23:52,550 --> 01:23:49,840

is everybody on the same page but we've

2420

01:23:55,270 --> 01:23:52,560

got 70 years worth of research

2421

01:23:56,070 --> 01:23:55,280

that all of you can immediately catch up

2422

01:24:00,149 --> 01:23:56,080

on

2423

01:24:02,229 --> 01:24:00,159

[h\_\_h] to come out like there's so much

2424

01:24:05,189 --> 01:24:02,239

stuff that like has been done

2425

01:24:06,550 --> 01:24:05,199

you know and i can just go dive into it

2426

01:24:07,990 --> 01:24:06,560

well that's that's and you don't have to

2427

01:24:10,070 --> 01:24:08,000

look at it and be like

2428

01:24:12,550 --> 01:24:10,080

am i crazy for looking at this you know

2429

01:24:15,590 --> 01:24:12,560

now you can look at it and be like oh

2430

01:24:16,229 --> 01:24:15,600

very interesting yeah like oh yeah okay

2431

01:24:18,470 --> 01:24:16,239

so

2432

01:24:19,430 --> 01:24:18,480

not everybody was was was full of [h\_\_\h]

2433

01:24:23,590 --> 01:24:19,440

on this thing right

2434

01:24:27,189 --> 01:24:23,600

right so they tried to launch 60 rockets

2435

01:24:30,390 --> 01:24:27,199

in the 50s every year very interesting

2436

01:24:31,990 --> 01:24:30,400

it's gonna be pretty crazy uh the the

2437

01:24:35,110 --> 01:24:32,000

retrospective

2438

01:24:38,950 --> 01:24:35,120

the whatever uh when when this is like

2439

01:24:41,990 --> 01:24:38,960

known oh the 2020 dude what is that

2440

01:24:44,709 --> 01:24:42,000

it's like the oh oh like

2441

01:24:46,629 --> 01:24:44,719

uh like your hindsight heinz thank you

2442

01:24:49,510 --> 01:24:46,639

captain hindsight

2443

01:24:51,430 --> 01:24:49,520

uh looking back like okay this is known

2444

01:24:54,950 --> 01:24:51,440

and then everybody looks into

2445

01:24:57,990 --> 01:24:54,960

all the 70 years of

2446

01:24:59,430 --> 01:24:58,000

[h\_\_\h] and cover-up and [h\_\_\h]

2447

01:25:01,430 --> 01:24:59,440

the people have been spout like that's

2448

01:25:02,629 --> 01:25:01,440

gonna be interesting i wonder i wonder

2449

01:25:04,229 --> 01:25:02,639

what direction

2450

01:25:06,229 --> 01:25:04,239

uh people are gonna take it of course

2451

01:25:08,790 --> 01:25:06,239

there's gonna always gonna be

2452

01:25:12,070 --> 01:25:08,800

far you think that you think that uh

2453

01:25:15,270 --> 01:25:12,080

that stuff has been like just

2454

01:25:16,950 --> 01:25:15,280

is so like ingrained in our brains like

2455

01:25:19,270 --> 01:25:16,960

in a certain way

2456

01:25:20,229 --> 01:25:19,280

that like when stuff starts switching up

2457

01:25:22,390 --> 01:25:20,239

it's gonna

2458

01:25:24,790 --> 01:25:22,400

break into like new factions of like no

2459

01:25:27,430 --> 01:25:24,800

it did happen no it didn't happen

2460

01:25:29,270 --> 01:25:27,440

dude it's kind of like what we're seeing

2461

01:25:31,830 --> 01:25:29,280

with like the moon landing

2462

01:25:32,550 --> 01:25:31,840

like people for some reason like on tick

2463

01:25:35,110 --> 01:25:32,560

tock

2464

01:25:37,430 --> 01:25:35,120

are back to investigating the moon and

2465

01:25:40,310 --> 01:25:37,440

there was a couple of points

2466

01:25:43,030 --> 01:25:40,320

that uh really kind of blew my mind and

2467

01:25:47,270 --> 01:25:43,040

i just want to make this uh shout out uh

2468

01:25:50,709 --> 01:25:47,280

much love to random music

2469

01:25:52,550 --> 01:25:50,719

uh the the the interesting point that i

2470

01:25:54,310 --> 01:25:52,560

saw on the moon landing let's go into

2471

01:25:57,030 --> 01:25:54,320

that for a second yes

2472

01:25:57,830 --> 01:25:57,040

think about this dude that shot that

2473

01:26:00,149 --> 01:25:57,840

that we all

2474

01:26:01,110 --> 01:26:00,159

see and remember of the the capsule

2475

01:26:03,430 --> 01:26:01,120

leaving

2476  
01:26:04,149 --> 01:26:03,440  
the moon and the camera pans up and

2477  
01:26:06,390 --> 01:26:04,159  
watches

2478  
01:26:08,629 --> 01:26:06,400  
this explosion you know it's not an

2479  
01:26:10,709 --> 01:26:08,639  
explosion it's more like a

2480  
01:26:11,990 --> 01:26:10,719  
and then like the capsule floats up and

2481  
01:26:15,310 --> 01:26:12,000  
the camera

2482  
01:26:18,790 --> 01:26:15,320  
pans up and follows it

2483  
01:26:21,350 --> 01:26:18,800  
1969 the computers that existed

2484  
01:26:21,990 --> 01:26:21,360  
were the size of this house yeah you're

2485  
01:26:24,950 --> 01:26:22,000  
telling me

2486  
01:26:26,149 --> 01:26:24,960  
that that we we we operated a camera

2487  
01:26:29,030 --> 01:26:26,159  
remotely

2488  
01:26:30,470 --> 01:26:29,040

to pan up and stay there is is there

2489

01:26:32,310 --> 01:26:30,480

still a camera on the moon

2490

01:26:33,510 --> 01:26:32,320

who stayed behind is there a person on

2491

01:26:36,709 --> 01:26:33,520

the moon

2492

01:26:39,110 --> 01:26:36,719

who stayed behind

2493

01:26:40,950 --> 01:26:39,120

who did it do you know what i mean no

2494

01:26:43,430 --> 01:26:40,960

dude you know what i'm talking about

2495

01:26:45,110 --> 01:26:43,440

that that was the monkey that they

2496

01:26:47,430 --> 01:26:45,120

brought and didn't tell anybody

2497

01:26:51,110 --> 01:26:47,440

[Music]

2498

01:26:52,870 --> 01:26:51,120

[h\_\_h] that sucks yeah and nobody knows

2499

01:26:53,510 --> 01:26:52,880

the monkey's name yeah nobody knows his

2500

01:27:01,510 --> 01:26:53,520

name

2501

01:27:02,790 --> 01:27:01,520

there's there's some theories that his

2502

01:27:05,030 --> 01:27:02,800

name was al

2503

01:27:06,470 --> 01:27:05,040

um but that's all i know are you making

2504

01:27:07,910 --> 01:27:06,480

the sub are you serious no i'm serious

2505

01:27:09,830 --> 01:27:07,920

there's actually there is of like who's

2506

01:27:10,950 --> 01:27:09,840

who stay behind yeah news oh so this is

2507

01:27:14,070 --> 01:27:10,960

not new this is like

2508

01:27:15,270 --> 01:27:14,080

i just don't know about this no but

2509

01:27:16,310 --> 01:27:15,280

wouldn't that be awesome if they did

2510

01:27:18,229 --> 01:27:16,320

take a monkey with them

2511

01:27:19,510 --> 01:27:18,239

right that was dude how many animals do

2512

01:27:21,430 --> 01:27:19,520

you think they launched up there

2513

01:27:23,270 --> 01:27:21,440

didn't tell nobody about right because

2514

01:27:24,790 --> 01:27:23,280

that's terrible pr they're like

2515

01:27:29,110 --> 01:27:24,800

like there's like so many goldfish

2516

01:27:32,870 --> 01:27:31,430

like the only like dude yeah this

2517

01:27:34,470 --> 01:27:32,880

terrible pr

2518

01:27:36,070 --> 01:27:34,480

just having a bunch of like dogs and

2519

01:27:38,310 --> 01:27:36,080

monkeys hanging out up there

2520

01:27:39,189 --> 01:27:38,320

lou says uh it was a remote controlled

2521

01:27:40,870 --> 01:27:39,199

camera

2522

01:27:42,870 --> 01:27:40,880

i mean yeah that would make sense i'm

2523

01:27:44,629 --> 01:27:42,880

just i don't know enough about

2524

01:27:46,390 --> 01:27:44,639

enough about like computers back then

2525

01:27:47,990 --> 01:27:46,400

we're [h\_\_\h] huge like who

2526  
01:27:50,070 --> 01:27:48,000  
where was it being controlled from the

2527  
01:27:52,790 --> 01:27:50,080  
lunar the the capsule that was

2528  
01:27:54,229 --> 01:27:52,800  
uh uh released from the moon or was it

2529  
01:27:57,030 --> 01:27:54,239  
done from earth like

2530  
01:27:57,910 --> 01:27:57,040  
i just don't know i i i get that and and

2531  
01:28:05,990 --> 01:27:57,920  
i

2532  
01:28:07,830 --> 01:28:06,000  
sand lot

2533  
01:28:10,910 --> 01:28:07,840  
whenever whenever smalls built that

2534  
01:28:10,920 --> 01:28:15,930  
oh for real

2535  
01:28:15,940 --> 01:28:23,990  
[Music]

2536  
01:28:28,070 --> 01:28:26,830  
it was the same technology go and then

2537  
01:28:29,669 --> 01:28:28,080  
like

2538  
01:28:31,350 --> 01:28:29,679

and go and then you had that little

2539

01:28:34,950 --> 01:28:31,360

remote and release

2540

01:28:38,229 --> 01:28:36,470

dude there's a sea that scene in

2541

01:28:40,310 --> 01:28:38,239

particular in san lot

2542

01:28:41,990 --> 01:28:40,320

i i uh i don't know when the last time

2543

01:28:44,709 --> 01:28:42,000

you watched that show or that

2544

01:28:45,430 --> 01:28:44,719

that movie but there's a moment where i

2545

01:28:47,350 --> 01:28:45,440

think they

2546

01:28:48,870 --> 01:28:47,360

they switched out the main character

2547

01:28:52,070 --> 01:28:48,880

with another character

2548

01:28:53,510 --> 01:28:52,080

because they don't look anything alike

2549

01:28:55,030 --> 01:28:53,520

i don't know if anybody's on that if

2550

01:28:56,629 --> 01:28:55,040

anybody knows what i'm talking about but

2551

01:28:57,270 --> 01:28:56,639

i swear to god it's not the same

2552

01:28:59,350 --> 01:28:57,280

character

2553

01:29:00,629 --> 01:28:59,360

uh in that scene they do a close-up on

2554

01:29:02,550 --> 01:29:00,639

this kid it's like where the [h\_\_h] did

2555

01:29:04,390 --> 01:29:02,560

this kid come from he's not in the movie

2556

01:29:05,750 --> 01:29:04,400

and he's not he's not yeah doesn't look

2557

01:29:07,110 --> 01:29:05,760

like any of the kids

2558

01:29:15,750 --> 01:29:07,120

in the movie i'm gonna have to look at

2559

01:29:19,110 --> 01:29:17,430

hell yeah it was probably the monkey

2560

01:29:21,430 --> 01:29:19,120

from the hangover

2561

01:29:23,030 --> 01:29:21,440

dude that monkey was [h\_\_h] smart so

2562

01:29:24,149 --> 01:29:23,040

somebody out there confirmed this for me

2563

01:29:26,070 --> 01:29:24,159

please

2564

01:29:28,070 --> 01:29:26,080

i don't know if it's true i just heard

2565

01:29:28,870 --> 01:29:28,080

about it i guess i could youtube it or

2566

01:29:30,390 --> 01:29:28,880

google it but

2567

01:29:32,470 --> 01:29:30,400

it's more fun to talk about it here and

2568

01:29:34,950 --> 01:29:32,480

have you guys answer it has anybody ever

2569

01:29:37,990 --> 01:29:34,960

actually read the book forrest gump

2570

01:29:41,350 --> 01:29:38,000

anybody somebody who who supposedly read

2571

01:29:44,149 --> 01:29:41,360

this book told me that uh

2572

01:29:44,709 --> 01:29:44,159

instead of going to vietnam um forrest

2573

01:29:47,750 --> 01:29:44,719

gump

2574

01:29:49,189 --> 01:29:47,760

is is like works at nasa and they send

2575

01:29:52,229 --> 01:29:49,199

him and this monkey

2576

01:29:53,669 --> 01:29:52,239

up into space so whenever the capsule

2577

01:29:55,510 --> 01:29:53,679

comes back down

2578

01:29:56,709 --> 01:29:55,520

it like goes off course they had like

2579

01:29:58,709 --> 01:29:56,719

problems or something

2580

01:30:00,550 --> 01:29:58,719

so they land on this island they land by

2581

01:30:02,870 --> 01:30:00,560

this island they get to this island

2582

01:30:05,510 --> 01:30:02,880

and when they get there they find out

2583

01:30:07,590 --> 01:30:05,520

that this island is full of cannibals

2584

01:30:08,709 --> 01:30:07,600

well the cannibals i guess they end up

2585

01:30:10,790 --> 01:30:08,719

meeting the leader

2586

01:30:12,870 --> 01:30:10,800

of the cannibals and it turns out to be

2587

01:30:16,070 --> 01:30:12,880

this guy that used to work for like

2588

01:30:16,870 --> 01:30:16,080

harvard university who like got tired of

2589

01:30:19,350 --> 01:30:16,880

society

2590

01:30:21,189 --> 01:30:19,360

and moved out to this island and like

2591

01:30:24,470 --> 01:30:21,199

met that cannibals but like

2592

01:30:28,629 --> 01:30:24,480

that guy was was tom hanks and castaway

2593

01:30:30,070 --> 01:30:28,639

no no because tom hanks was forced gump

2594

01:30:32,709 --> 01:30:30,080

so he couldn't beat it

2595

01:30:34,709 --> 01:30:32,719

the guy and forced up at the same time

2596

01:30:36,390 --> 01:30:34,719

hollywood bro and

2597

01:30:37,830 --> 01:30:36,400

and uh they were gonna eat the monkey

2598

01:30:41,350 --> 01:30:37,840

but the monkey knew how to play

2599

01:30:42,790 --> 01:30:41,360

chess and so he was far superior dude

2600

01:30:44,390 --> 01:30:42,800

and so they didn't eat the monkey

2601  
01:30:46,950 --> 01:30:44,400  
because the monkey knew how to play

2602  
01:30:50,070 --> 01:30:48,550  
are you saying this is this is a theory

2603  
01:30:51,750 --> 01:30:50,080  
he's the harvard professor no

2604  
01:30:53,750 --> 01:30:51,760  
he said that that's what happens like

2605  
01:30:55,750 --> 01:30:53,760  
instead of forrest gump going to vietnam

2606  
01:30:57,830 --> 01:30:55,760  
he ends up going to the moon and then

2607  
01:30:59,590 --> 01:30:57,840  
they crash land near this island

2608  
01:31:01,189 --> 01:30:59,600  
full of cannibals that's run by a

2609  
01:31:03,350 --> 01:31:01,199  
professor from harvard oh

2610  
01:31:05,669 --> 01:31:03,360  
[h\_\_\h] that left society and then the

2611  
01:31:07,030 --> 01:31:05,679  
monkey beat him in chess

2612  
01:31:08,870 --> 01:31:07,040  
and so they let him survive they didn't

2613  
01:31:11,110 --> 01:31:08,880

eat the monkey that's amazing i heard

2614

01:31:13,669 --> 01:31:11,120

that that's a real thing

2615

01:31:15,110 --> 01:31:13,679

dude i mean monkeys can't taste good

2616

01:31:16,709 --> 01:31:15,120

right

2617

01:31:18,310 --> 01:31:16,719

what if what if you know what i think

2618

01:31:20,229 --> 01:31:18,320

about this like we've had

2619

01:31:22,070 --> 01:31:20,239

uh you know like samantha moët on the

2620

01:31:24,870 --> 01:31:22,080

show who talks about

2621

01:31:26,229 --> 01:31:24,880

this might totally veering away but like

2622

01:31:28,070 --> 01:31:26,239

i'm talking about like

2623

01:31:30,070 --> 01:31:28,080

tasty you just made me think of this

2624

01:31:33,590 --> 01:31:30,080

like what does a human taste

2625

01:31:35,510 --> 01:31:33,600

like like that's so morbid you know and

2626

01:31:39,189 --> 01:31:35,520

we talk about like aliens

2627

01:31:40,229 --> 01:31:39,199

eating humans like dude that's some

2628

01:31:42,470 --> 01:31:40,239

creepy [\h\_\_\h] bro

2629

01:31:43,590 --> 01:31:42,480

would she describe the market full of

2630

01:31:46,790 --> 01:31:43,600

meat

2631

01:31:49,990 --> 01:31:46,800

human parts

2632

01:31:51,590 --> 01:31:50,000

yeah that was a trip yeah if you haven't

2633

01:31:54,629 --> 01:31:51,600

seen the samantha moet

2634

01:31:58,149 --> 01:31:54,639

episode check that out because it's

2635

01:31:59,669 --> 01:31:58,159

it's a trip man how was a trip whoo

2636

01:32:03,830 --> 01:31:59,679

that's like the ultimate fear right like

2637

01:32:07,110 --> 01:32:03,840

the like the the et's are here to eat us

2638

01:32:08,790 --> 01:32:07,120

that's scary as [h\_\_\h] man oh my god

2639

01:32:10,310 --> 01:32:08,800

and that would be delicious not a lot of

2640

01:32:11,830 --> 01:32:10,320

meat

2641

01:32:14,550 --> 01:32:11,840

you'd be more like a like a like a

2642

01:32:17,990 --> 01:32:14,560

buffalo wing yeah like a very

2643

01:32:20,229 --> 01:32:18,000

you're really crispy buffalo wig

2644

01:32:21,110 --> 01:32:20,239

yeah exactly yeah dude i don't know i

2645

01:32:24,870 --> 01:32:21,120

don't know

2646

01:32:28,229 --> 01:32:24,880

like 509 uh what does a human taste like

2647

01:32:28,709 --> 01:32:28,239

never say that seriously okay all right

2648

01:32:31,510 --> 01:32:28,719

i'm

2649

01:32:32,550 --> 01:32:31,520

i said that wrong i what i meant was the

2650

01:32:34,950 --> 01:32:32,560

thought pattern

2651  
01:32:35,590 --> 01:32:34,960  
what a human taste like the the thought

2652  
01:32:37,030 --> 01:32:35,600  
pattern

2653  
01:32:38,870 --> 01:32:37,040  
human tastes like we're talking about

2654  
01:32:40,070 --> 01:32:38,880  
monk eating monkeys

2655  
01:32:41,750 --> 01:32:40,080  
and that's where it came from like

2656  
01:32:43,350 --> 01:32:41,760  
talking about like aliens eating humans

2657  
01:32:49,270 --> 01:32:43,360  
i would never want to know

2658  
01:32:56,790 --> 01:32:53,669  
love you kangaroo is pretty good

2659  
01:32:58,709 --> 01:32:56,800  
gator's pretty good gator

2660  
01:33:00,790 --> 01:32:58,719  
gator's good on a stick hey do you

2661  
01:33:03,669 --> 01:33:00,800  
remember gator fest they had the

2662  
01:33:05,590 --> 01:33:03,679  
gator uh mac and cheese oh dude or that

2663  
01:33:08,070 --> 01:33:05,600

was crawfish mac and cheese

2664

01:33:08,950 --> 01:33:08,080

no they gator on a stick the bacon

2665

01:33:12,550 --> 01:33:08,960

wrapped gator

2666

01:33:15,990 --> 01:33:12,560

on the stick oh yeah yeah that was good

2667

01:33:19,590 --> 01:33:17,750

what's the most exotic thing you guys

2668

01:33:22,629 --> 01:33:19,600

have ever eaten out there

2669

01:33:25,830 --> 01:33:22,639

yeah don't say human

2670

01:33:29,830 --> 01:33:25,840

oh my god if uh i'm gonna have

2671

01:33:32,070 --> 01:33:29,840

no uh i'm just gonna leave that alone

2672

01:33:36,550 --> 01:33:32,080

i'm just gonna leave that alone

2673

01:33:39,990 --> 01:33:36,560

definitely what is the humidity

2674

01:33:42,550 --> 01:33:40,000

uh 509 i uh when we had

2675

01:33:43,590 --> 01:33:42,560

lynn on and dude you made me laugh so

2676

01:33:46,229 --> 01:33:43,600

hard bro

2677

01:33:47,990 --> 01:33:46,239

she said at a certain point we were

2678

01:33:50,470 --> 01:33:48,000

having a great time we were talking

2679

01:33:51,830 --> 01:33:50,480

and i mean dude we love lynn and i

2680

01:33:53,189 --> 01:33:51,840

actually didn't know this that you know

2681

01:33:56,070 --> 01:33:53,199

she she spoke about her

2682

01:33:56,629 --> 01:33:56,080

her uh witchcraft stuff and if i when i

2683

01:34:01,590 --> 01:33:56,639

was like

2684

01:34:05,510 --> 01:34:01,600

all right peace i'm out did you see that

2685

01:34:08,470 --> 01:34:05,520

that was hilarious uh brew burgers

2686

01:34:09,590 --> 01:34:08,480

kangaroo burgers dude i had a kangaroo

2687

01:34:12,229 --> 01:34:09,600

chili

2688

01:34:12,870 --> 01:34:12,239

it was good oh yeah it was pretty good i

2689

01:34:15,830 --> 01:34:12,880

thought

2690

01:34:16,629 --> 01:34:15,840

very lean it's pretty tasty sex is

2691

01:34:19,910 --> 01:34:16,639

pretty tight

2692

01:34:22,950 --> 01:34:19,920

yes and snakes oh snakes

2693

01:34:26,390 --> 01:34:22,960

hell yeah what's up both are tasty

2694

01:34:28,950 --> 01:34:26,400

super tasty uh i haven't had snake

2695

01:34:29,669 --> 01:34:28,960

um let's see dude who's doing the review

2696

01:34:33,510 --> 01:34:29,679

on it dude

2697

01:34:35,590 --> 01:34:33,520

oh [h\_\_h] oh [h\_\_h] also describes forest

2698

01:34:36,470 --> 01:34:35,600

participation and nasa mission into

2699

01:34:39,030 --> 01:34:36,480

space

2700

01:34:39,669 --> 01:34:39,040

his time as an actor his time spent

2701

01:34:43,430 --> 01:34:39,679

amongst

2702

01:34:44,950 --> 01:34:43,440

cannibals holy crap so is it

2703

01:34:46,790 --> 01:34:44,960

is this for what you're talking about

2704

01:34:49,270 --> 01:34:46,800

the book is it about

2705

01:34:53,189 --> 01:34:49,280

it's not is it fictional or non-fiction

2706

01:34:56,790 --> 01:34:54,550

before you didn't know that forrest gump

2707

01:34:59,830 --> 01:34:56,800

was a true story

2708

01:35:01,750 --> 01:34:59,840

yeah that's what i'm that's where asking

2709

01:35:03,350 --> 01:35:01,760

smiley face came from well everybody

2710

01:35:06,950 --> 01:35:03,360

knows that forrest gump is a true story

2711

01:35:11,750 --> 01:35:09,830

it happened just like that i know i was

2712

01:35:15,350 --> 01:35:11,760

there

2713

01:35:16,870 --> 01:35:15,360

i am bubba let's see uh in a scene which

2714

01:35:20,550 --> 01:35:16,880

he saves the life

2715

01:35:23,669 --> 01:35:20,560

of a chairman oh

2716

01:35:25,109 --> 01:35:23,679

mao zedong oh during a trip to china

2717

01:35:27,030 --> 01:35:25,119

these are some of the parts of the book

2718

01:35:28,390 --> 01:35:27,040

that were cut from the film to keep it

2719

01:35:32,950 --> 01:35:28,400

close to two hours

2720

01:35:36,310 --> 01:35:34,550

pretty interesting pretty interesting

2721

01:35:37,189 --> 01:35:36,320

i'm gonna have to read it now oh yeah

2722

01:35:39,990 --> 01:35:37,199

being a true story

2723

01:35:40,830 --> 01:35:40,000

well i thought you read it no i said i i

2724

01:35:43,430 --> 01:35:40,840

said the guy

2725

01:35:44,950 --> 01:35:43,440

said that he read the book and that's

2726

01:35:47,990 --> 01:35:44,960

what he told me

2727

01:35:50,470 --> 01:35:48,000

he said i said that it's true ufo garage

2728

01:35:55,830 --> 01:35:50,480

fashion we were like all right so like

2729

01:36:00,550 --> 01:35:58,550

dude tiger shark tigers what does that

2730

01:36:03,510 --> 01:36:00,560

taste like i bet that's pretty cool

2731

01:36:04,870 --> 01:36:03,520

termite larva deep fried and and dipped

2732

01:36:08,229 --> 01:36:04,880

in chili powder from

2733

01:36:09,910 --> 01:36:08,239

a street vendor and um

2734

01:36:11,590 --> 01:36:09,920

what where are you where are you oh

2735

01:36:15,189 --> 01:36:11,600

thomas mariaidis

2736

01:36:20,149 --> 01:36:18,390

i'm so uncultured

2737

01:36:21,590 --> 01:36:20,159

dude that's the craziest thing you've

2738

01:36:25,510 --> 01:36:21,600

eaten me

2739

01:36:28,629 --> 01:36:25,520

yeah i dude nothing crazy i mean

2740

01:36:30,310 --> 01:36:28,639

kangaroo i guess i don't know no i'm

2741

01:36:33,189 --> 01:36:30,320

good

2742

01:36:34,070 --> 01:36:33,199

what about you uh i think the craziest

2743

01:36:39,990 --> 01:36:34,080

thing

2744

01:36:45,669 --> 01:36:43,189

uh octopus i [h\_\_h] hated it man i felt

2745

01:36:47,350 --> 01:36:45,679

so bad it was the same week that my

2746

01:36:49,910 --> 01:36:47,360

octopus teacher that

2747

01:36:51,669 --> 01:36:49,920

special on netflix have you seen it oh

2748

01:36:52,390 --> 01:36:51,679

it was the same week that that came out

2749

01:36:54,550 --> 01:36:52,400

and i

2750

01:36:55,669 --> 01:36:54,560

well fortunately i hadn't seen it yet

2751  
01:36:58,790 --> 01:36:55,679  
but phil

2752  
01:37:01,109 --> 01:36:58,800  
the couchman who who bought the octopus

2753  
01:37:02,790 --> 01:37:01,119  
as we're like preparing it right like we

2754  
01:37:04,550 --> 01:37:02,800  
get this alien looking

2755  
01:37:06,390 --> 01:37:04,560  
thing with like you can see the suction

2756  
01:37:09,030 --> 01:37:06,400  
cups and everything like in the head

2757  
01:37:09,830 --> 01:37:09,040  
like the deflated head yeah and dude you

2758  
01:37:11,350 --> 01:37:09,840  
could just tell like

2759  
01:37:13,270 --> 01:37:11,360  
i'm looking at a [h\_\_h] alien i'm

2760  
01:37:15,669 --> 01:37:13,280  
already have these like really shitty

2761  
01:37:17,590 --> 01:37:15,679  
feelings like um i shouldn't eat this

2762  
01:37:18,950 --> 01:37:17,600  
and then as we're preparing the octopus

2763  
01:37:20,709 --> 01:37:18,960

he's like hey have you seen like my

2764

01:37:22,070 --> 01:37:20,719

octopus teacher i kind of feel bad

2765

01:37:23,910 --> 01:37:22,080

that we're eating this right now and i'm

2766

01:37:27,109 --> 01:37:23,920

like why would you tell me that

2767

01:37:30,310 --> 01:37:27,119

no so like anyway we eat it we cook it

2768

01:37:32,830 --> 01:37:30,320

it was it was fine it was fine and then

2769

01:37:35,590 --> 01:37:32,840

the next day i watched my octopus

2770

01:37:38,070 --> 01:37:35,600

teacher

2771

01:37:40,070 --> 01:37:38,080

and you were like dude i felt so bad

2772

01:37:40,629 --> 01:37:40,080

dude i'm never going to eat octopus

2773

01:37:43,590 --> 01:37:40,639

again

2774

01:37:45,189 --> 01:37:43,600

bro i felt so bad the other day when i i

2775

01:37:48,229 --> 01:37:45,199

i was on this machine

2776

01:37:51,669 --> 01:37:48,239

my gene i was on this my jeans

2777

01:37:53,350 --> 01:37:51,679

and uh i went to like scrape this pile

2778

01:37:55,669 --> 01:37:53,360

of dirt with a bucket

2779

01:37:57,350 --> 01:37:55,679

and when i did there was this this snake

2780

01:38:00,390 --> 01:37:57,360

it was like a big old chicken snake

2781

01:38:02,790 --> 01:38:00,400

oh [h\_\_h] and like i cut it in half dude

2782

01:38:03,750 --> 01:38:02,800

man god damn it i felt so bad goes like

2783

01:38:09,750 --> 01:38:03,760

he was

2784

01:38:10,390 --> 01:38:09,760

mound so when i put the bucket of the

2785

01:38:13,109 --> 01:38:10,400

machine

2786

01:38:13,990 --> 01:38:13,119

down in the dirt i didn't know he was

2787

01:38:15,990 --> 01:38:14,000

there

2788

01:38:17,590 --> 01:38:16,000

and so then when i drug it back it was

2789

01:38:18,550 --> 01:38:17,600

like it flipped over and it was half and

2790

01:38:21,189 --> 01:38:18,560

i was like oh

2791

01:38:21,910 --> 01:38:21,199

dude i feel so bad it was just hanging

2792

01:38:24,390 --> 01:38:21,920

out there

2793

01:38:26,070 --> 01:38:24,400

chilling yeah maybe eating some food he

2794

01:38:27,350 --> 01:38:26,080

was probably having a really great day

2795

01:38:27,910 --> 01:38:27,360

and then i started feeling really bad

2796

01:38:30,470 --> 01:38:27,920

because i was like

2797

01:38:34,149 --> 01:38:30,480

what if that was a mama snake and like

2798

01:38:36,470 --> 01:38:34,159

all the baby snakes were at home

2799

01:38:37,910 --> 01:38:36,480

i hate myself so bad like i had to take

2800

01:38:40,070 --> 01:38:37,920

a fiber dude

2801  
01:38:42,149 --> 01:38:40,080  
and drink some water and kind of brush

2802  
01:38:45,109 --> 01:38:42,159  
it off it's funny that we

2803  
01:38:45,590 --> 01:38:45,119  
even snakes right like most people think

2804  
01:38:48,790 --> 01:38:45,600  
like oh

2805  
01:38:51,430 --> 01:38:48,800  
evil like yeah [h\_\_h] that snake like

2806  
01:38:52,870 --> 01:38:51,440  
it's funny that you can feel empathy

2807  
01:38:55,669 --> 01:38:52,880  
towards something that

2808  
01:38:57,910 --> 01:38:55,679  
that normally it well not maybe not that

2809  
01:38:58,790 --> 01:38:57,920  
specific species of snake but like

2810  
01:39:01,750 --> 01:38:58,800  
innately like

2811  
01:39:02,229 --> 01:39:01,760  
in our it's in our dna that snakes are

2812  
01:39:04,629 --> 01:39:02,239  
bad

2813  
01:39:06,070 --> 01:39:04,639

you know the fact that i think a lot of

2814

01:39:08,149 --> 01:39:06,080

people feel empathy

2815

01:39:10,229 --> 01:39:08,159

in it to a certain extent that maybe

2816

01:39:11,750 --> 01:39:10,239

just don't act on it

2817

01:39:14,229 --> 01:39:11,760

i mean the same goes with like spiders

2818

01:39:14,950 --> 01:39:14,239

like dude i [h\_\_h] hate like wolf

2819

01:39:18,390 --> 01:39:14,960

spiders

2820

01:39:19,669 --> 01:39:18,400

i i at a certain size i'm okay with it

2821

01:39:22,070 --> 01:39:19,679

like this

2822

01:39:23,350 --> 01:39:22,080

is fine but i've seen a mama with the

2823

01:39:25,189 --> 01:39:23,360

baby have you seen that

2824

01:39:26,629 --> 01:39:25,199

the mama with the babies chilling on the

2825

01:39:29,510 --> 01:39:26,639

back bro that's

2826

01:39:31,990 --> 01:39:29,520

like hundreds of babies on the back of

2827

01:39:35,030 --> 01:39:32,000

the mama dude the wolf spider

2828

01:39:37,030 --> 01:39:35,040

it's like terrifying

2829

01:39:38,310 --> 01:39:37,040

but then dude like jumping spiders

2830

01:39:41,350 --> 01:39:38,320

they're cute as [h\_\_h]

2831

01:39:42,149 --> 01:39:41,360

you know yeah those are cute as [h\_\_h] uh

2832

01:39:43,430 --> 01:39:42,159

and

2833

01:39:45,669 --> 01:39:43,440

i always have to bring [h\_\_h] back to

2834

01:39:47,270 --> 01:39:45,679

aliens i wonder what you know in our

2835

01:39:48,950 --> 01:39:47,280

psyche like there's got to be a reason

2836

01:39:51,830 --> 01:39:48,960

why we're like

2837

01:39:55,030 --> 01:39:51,840

naturally afraid of this uncanny valley

2838

01:39:57,669 --> 01:39:55,040

of things that look

2839

01:39:58,709 --> 01:39:57,679

kind of human pretty close why are we

2840

01:39:59,830 --> 01:39:58,719

afraid of it you know

2841

01:40:02,149 --> 01:39:59,840

i was thinking about when they were

2842

01:40:03,430 --> 01:40:02,159

talking about the like you know calling

2843

01:40:05,270 --> 01:40:03,440

them bugs and [h\_\_h]

2844

01:40:06,790 --> 01:40:05,280

right yes and we're like we look at

2845

01:40:08,870 --> 01:40:06,800

stuff on earth and like

2846

01:40:11,030 --> 01:40:08,880

bugs are some of the most resilient

2847

01:40:13,030 --> 01:40:11,040

things

2848

01:40:15,189 --> 01:40:13,040

of all time right yeah you could like

2849

01:40:18,390 --> 01:40:15,199

drop a bug from like three stories up

2850

01:40:23,430 --> 01:40:18,400

fine yeah he's like i'm a bug

2851

01:40:25,350 --> 01:40:23,440

he's like i can't i can't roll over

2852

01:40:26,470 --> 01:40:25,360

that's their one downfall most bugs

2853

01:40:29,510 --> 01:40:26,480

can't roll over

2854

01:40:31,830 --> 01:40:29,520

like god damn it no

2855

01:40:33,350 --> 01:40:31,840

it's like an insurance for bugs is is

2856

01:40:48,830 --> 01:40:33,360

one thing

2857

01:40:48,840 --> 01:40:52,310

oh

2858

01:40:55,669 --> 01:40:55,030

what happened what happened god you you

2859

01:40:59,270 --> 01:40:55,679

designed this

2860

01:41:00,709 --> 01:40:59,280

happened

2861

01:41:03,510 --> 01:41:00,719

shouldn't have rolled over to roll it

2862

01:41:05,590 --> 01:41:03,520

dude you've done it

2863

01:41:07,430 --> 01:41:05,600

hey this isn't an act of god this was an

2864

01:41:11,830 --> 01:41:07,440

act of darwin

2865

01:41:15,430 --> 01:41:11,840

blame that guy he created all

2866

01:41:19,109 --> 01:41:15,440

the creator the creator darwin yes

2867

01:41:20,629 --> 01:41:19,119

the great creation this is the fault of

2868

01:41:22,390 --> 01:41:20,639

algae

2869

01:41:24,149 --> 01:41:22,400

dude i wonder if it all started you

2870

01:41:26,870 --> 01:41:24,159

think darwin like i wonder what he's

2871

01:41:28,790 --> 01:41:26,880

like his voice like like you think of

2872

01:41:31,510 --> 01:41:28,800

charles darwin as like this very

2873

01:41:33,109 --> 01:41:31,520

prolific person who's like super smart

2874

01:41:34,550 --> 01:41:33,119

figured out a lot of stuff

2875

01:41:36,950 --> 01:41:34,560

put it put a lot of puzzle pieces

2876

01:41:38,870 --> 01:41:36,960

together did so much like

2877

01:41:41,030 --> 01:41:38,880

indiana jones traveling all over the

2878

01:41:43,910 --> 01:41:41,040

world like you think he sounds like

2879

01:41:45,270 --> 01:41:43,920

ice me charles darwin i think he's

2880

01:41:48,149 --> 01:41:45,280

probably like hey

2881

01:41:49,750 --> 01:41:48,159

okay guys look what i found look there's

2882

01:41:51,350 --> 01:41:49,760

all these different kinds of finches

2883

01:41:53,109 --> 01:41:51,360

can you believe it i'm just returning

2884

01:41:54,470 --> 01:41:53,119

your mower i didn't know that you guys

2885

01:41:56,310 --> 01:41:54,480

were having a book club i

2886

01:41:58,390 --> 01:41:56,320

guess it wasn't i guess my invite got

2887

01:42:01,030 --> 01:41:58,400

lost in the mail like i brought milk

2888

01:42:01,830 --> 01:42:01,040

darwin's here again [h\_\_h] darwin damn

2889

01:42:09,350 --> 01:42:01,840

it

2890

01:42:13,669 --> 01:42:09,360

charles get the hell out here

2891

01:42:17,990 --> 01:42:13,679

charles charles darwin

2892

01:42:21,830 --> 01:42:18,000

falls don't forget to step and breathe

2893

01:42:29,510 --> 01:42:25,910

smashing marianne smashing

2894

01:42:37,590 --> 01:42:29,730

[Music]

2895

01:42:41,189 --> 01:42:39,590

that was an underrated show bro it was

2896

01:42:43,270 --> 01:42:41,199

also the wife

2897

01:42:45,030 --> 01:42:43,280

god bless her she did nothing for that

2898

01:42:46,950 --> 01:42:45,040

plot she was like

2899

01:42:49,510 --> 01:42:46,960

like not that interesting of a character

2900

01:42:50,790 --> 01:42:49,520

could have done without the wife

2901

01:42:52,629 --> 01:42:50,800

she made everybody kind of like

2902

01:42:54,070 --> 01:42:52,639

complained about it a lot of stuff she's

2903

01:42:57,270 --> 01:42:54,080

the one she's the one who had

2904

01:42:59,270 --> 01:42:57,280

who had birth of the children and you

2905

01:43:01,189 --> 01:42:59,280

have a point

2906

01:43:02,629 --> 01:43:01,199

and she also like just got pissed off at

2907

01:43:04,950 --> 01:43:02,639

everybody all the time

2908

01:43:05,910 --> 01:43:04,960

well because they had like a monkey a

2909

01:43:07,669 --> 01:43:05,920

wild child

2910

01:43:09,350 --> 01:43:07,679

and some other kid that would run off

2911

01:43:11,109 --> 01:43:09,360

into the goddamn jungle for

2912

01:43:12,790 --> 01:43:11,119

days at a time and buddy's gotta do i

2913

01:43:14,550 --> 01:43:12,800

didn't know what the hell was going on

2914

01:43:16,149 --> 01:43:14,560

and then old debbie was always just

2915

01:43:17,910 --> 01:43:16,159

complaining about stuff too because she

2916

01:43:19,750 --> 01:43:17,920

couldn't do her nails in there mom was

2917

01:43:25,270 --> 01:43:19,760

like we're in the jungle

2918

01:43:31,350 --> 01:43:25,280

and then the dad was all like smashing

2919

01:43:38,709 --> 01:43:34,870

you bugs awesome uh

2920

01:43:39,750 --> 01:43:38,719

okay so we have do we have any questions

2921

01:43:41,669 --> 01:43:39,760

in the chat

2922

01:43:42,870 --> 01:43:41,679

do you think do you think we if we found

2923

01:43:45,030 --> 01:43:42,880

out that

2924

01:43:46,950 --> 01:43:45,040

aliens were eating us there would be a

2925

01:43:48,229 --> 01:43:46,960

select group of people on the planet

2926

01:43:49,990 --> 01:43:48,239

that would then start like

2927

01:43:52,629 --> 01:43:50,000

hunting them if they could like if we

2928

01:43:54,070 --> 01:43:52,639

figured it out they were like

2929

01:43:56,790 --> 01:43:54,080

we're gonna eat you just because you're

2930

01:43:59,350 --> 01:43:56,800

eating us oh [h\_\_\h]

2931

01:44:01,189 --> 01:43:59,360

wait okay i started thinking of

2932

01:44:02,950 --> 01:44:01,199

something else as you're so

2933

01:44:05,350 --> 01:44:02,960

are you saying that there's gonna be

2934

01:44:07,270 --> 01:44:05,360

what if okay this snare scenario like

2935

01:44:09,189 --> 01:44:07,280

there's a market for humans so there's

2936

01:44:10,390 --> 01:44:09,199

like this mercenary group that goes and

2937

01:44:14,229 --> 01:44:10,400

rounds up humans to

2938

01:44:17,590 --> 01:44:14,239

to feed the aliens [h\_\_h]

2939

01:44:20,790 --> 01:44:17,600

that's intense dude like yeah

2940

01:44:25,350 --> 01:44:20,800

that's intense i'll be crazy and

2941

01:44:30,390 --> 01:44:28,550

tints you're in the market it's intense

2942

01:44:31,669 --> 01:44:30,400

oh i thought you said like yeah they're

2943

01:44:34,149 --> 01:44:31,679

gonna

2944

01:44:36,149 --> 01:44:34,159

you know round up humans and then

2945

01:44:37,830 --> 01:44:36,159

whoever's selling tints

2946

01:44:39,990 --> 01:44:37,840

well that too i was like what did the

2947

01:44:41,750 --> 01:44:40,000

tent salesman do

2948

01:44:43,189 --> 01:44:41,760

he supplies a tent there's no who do you

2949

01:44:45,430 --> 01:44:43,199

know that that sells tents

2950

01:44:47,350 --> 01:44:45,440

nobody there's like one [h\_\_h] guy

2951

01:44:50,229 --> 01:44:47,360

there's uh the tint store

2952

01:44:52,149 --> 01:44:50,239

no dude there's one guy that sells tents

2953

01:44:55,990 --> 01:44:52,159

coleman

2954

01:44:58,629 --> 01:44:56,000

tents yeah yeah i see that

2955

01:45:01,270 --> 01:44:58,639

what about for like parties of over 20.

2956

01:45:03,109 --> 01:45:01,280

you mean like barnum and baileys

2957

01:45:05,510 --> 01:45:03,119

like the circus bro talk about that full

2958

01:45:07,910 --> 01:45:05,520

barnum dude

2959

01:45:09,830 --> 01:45:07,920

the circus the circus has a tent it's

2960

01:45:13,109 --> 01:45:09,840

known for a tent and it holds way more

2961

01:45:19,590 --> 01:45:16,470

that's true two thousand years of

2962

01:45:22,709 --> 01:45:19,600

of of of circus

2963

01:45:24,470 --> 01:45:22,719

barnum what a classic dude the female

2964

01:45:29,030 --> 01:45:24,480

asian hermit spider what is

2965

01:45:32,310 --> 01:45:29,040

that yeah that sounds ridiculous

2966

01:45:33,830 --> 01:45:32,320

he says it's huge yeah asian hermit

2967

01:45:38,390 --> 01:45:33,840

spider

2968

01:45:40,590 --> 01:45:38,400

dude let's look at it sure screen

2969

01:45:43,189 --> 01:45:40,600

what's up cloudy with a chance of ufos

2970

01:45:46,310 --> 01:45:43,199

cloudy

2971

01:45:49,830 --> 01:45:46,320

what is it asia a female

2972

01:45:53,590 --> 01:45:49,840

asian hermit spider

2973

01:46:01,189 --> 01:45:58,070

nymphomaniac mulberry hills

2974

01:46:05,350 --> 01:46:01,199

a scientific name oh look at y'all

2975

01:46:08,470 --> 01:46:05,360

that's kind of cute oh

2976

01:46:10,709 --> 01:46:08,480

i don't know about that there's a that's

2977

01:46:13,030 --> 01:46:10,719

a zipper spider

2978

01:46:14,229 --> 01:46:13,040

oh dude yeah dude these ones with like

2979

01:46:15,830 --> 01:46:14,239

the translucent legs

2980

01:46:18,629 --> 01:46:15,840

[h\_\_h] those guys oh that's a brown like

2981

01:46:20,629 --> 01:46:18,639

recluse that's why yeah those things are

2982

01:46:21,910 --> 01:46:20,639

evil dude these are crazy looking have

2983

01:46:25,350 --> 01:46:21,920

you ever seen them

2984

01:46:26,629 --> 01:46:25,360

yeah in like real life those are dope

2985

01:46:27,990 --> 01:46:26,639

dude the ones around here are like

2986

01:46:29,830 --> 01:46:28,000

yellow though

2987

01:46:31,189 --> 01:46:29,840

yeah yeah i've also seen the white the

2988

01:46:34,550 --> 01:46:31,199

black and red ones

2989

01:46:36,390 --> 01:46:34,560

i've seen in my my uh part uh part my

2990

01:46:37,750 --> 01:46:36,400

part of town man i used to have these

2991

01:46:41,109 --> 01:46:37,760

pigs

2992

01:46:41,990 --> 01:46:41,119

and i went out um i went out to one of

2993

01:46:44,229 --> 01:46:42,000

the pins

2994

01:46:46,709 --> 01:46:44,239

and when i did i stepped into a web was

2995

01:46:48,149 --> 01:46:46,719

it like what are they banana spiders

2996

01:46:49,830 --> 01:46:48,159

something that we have around here

2997

01:46:52,870 --> 01:46:49,840

zipper spiders yeah zipper spider

2998

01:46:53,430 --> 01:46:52,880

yeah oh dude i walked like through like

2999

01:46:55,189 --> 01:46:53,440

a web

3000

01:46:56,709 --> 01:46:55,199

like it was on the corner and their webs

3001

01:46:59,189 --> 01:46:56,719

were so sticky

3002

01:47:01,189 --> 01:46:59,199

and it stuck on my shirt and i started

3003

01:47:02,149 --> 01:47:01,199

walking i felt it tug on my shirt and i

3004

01:47:04,310 --> 01:47:02,159

was like

3005

01:47:06,550 --> 01:47:04,320

that's strong it better not be and i

3006

01:47:08,390 --> 01:47:06,560

turned around and showed up once

3007

01:47:09,750 --> 01:47:08,400

and it was crazy because the web went

3008

01:47:12,950 --> 01:47:09,760

from like my shirt

3009

01:47:13,910 --> 01:47:12,960

to about like three feet away on this

3010

01:47:16,229 --> 01:47:13,920

post

3011

01:47:16,950 --> 01:47:16,239

and the spider started like crawling

3012

01:47:21,030 --> 01:47:16,960

down that

3013

01:47:23,590 --> 01:47:21,040

one strand no and i was like no

3014

01:47:24,709 --> 01:47:23,600

yeah it walked slowly and then it

3015

01:47:25,910 --> 01:47:24,719

stopped

3016

01:47:27,910 --> 01:47:25,920

and then it like did this thing where it

3017

01:47:29,189 --> 01:47:27,920

like hung upside down for a second

3018

01:47:31,510 --> 01:47:29,199

and then i tried to like it was like

3019

01:47:33,270 --> 01:47:31,520

showing off i tried to get it off of my

3020

01:47:35,109 --> 01:47:33,280

shirt and every time i would move dude

3021

01:47:36,950 --> 01:47:35,119

like it would come a little bit closer

3022

01:47:39,030 --> 01:47:36,960

those things are the banana spiders was

3023

01:47:41,350 --> 01:47:39,040

it like this big it was huge

3024

01:47:42,790 --> 01:47:41,360

[h\_\_h] that dude that was huge and that's

3025

01:47:44,870 --> 01:47:42,800

what i did i didn't know what to do so i

3026

01:47:46,870 --> 01:47:44,880

just ran as fast as i could hoping i

3027

01:47:50,550 --> 01:47:46,880

could like break the strand

3028

01:47:54,709 --> 01:47:50,560

he's like hanging onto your shirt like

3029

01:47:58,310 --> 01:47:54,719

dude it sucks suck dude i like spiders

3030

01:48:00,470 --> 01:47:58,320

oh my god well that that's

3031

01:48:01,830 --> 01:48:00,480

back to that that idea like man anything

3032

01:48:03,030 --> 01:48:01,840

that's that we're not

3033

01:48:05,189 --> 01:48:03,040

we're bigger than everything that's

3034

01:48:05,590 --> 01:48:05,199

scary like that's kind of crazy to think

3035

01:48:08,470 --> 01:48:05,600

about

3036

01:48:10,310 --> 01:48:08,480

every time tigers dude every well yeah

3037

01:48:14,070 --> 01:48:10,320

tigers are kind of cute

3038

01:48:16,229 --> 01:48:14,080

and like javelinas

3039

01:48:17,510 --> 01:48:16,239

uh have you seen a real javelina in

3040

01:48:19,430 --> 01:48:17,520

person

3041

01:48:20,709 --> 01:48:19,440

no they're kind of cute anyway like

3042

01:48:22,870 --> 01:48:20,719

everything that's like [\h\_\_\h]

3043

01:48:24,950 --> 01:48:22,880

terrifying is smaller than us

3044

01:48:27,030 --> 01:48:24,960

what happens if we come up come across

3045

01:48:30,070 --> 01:48:27,040

like an a like a bug dude like an

3046

01:48:32,470 --> 01:48:30,080

alien man like we would

3047

01:48:33,109 --> 01:48:32,480

boo like that would be so [\h\_\_\h] scary

3048

01:48:34,709 --> 01:48:33,119

dude

3049

01:48:37,350 --> 01:48:34,719

ostriches i wonder how we're going to

3050

01:48:39,669 --> 01:48:37,360

get those great whites yeah ostriches

3051  
01:48:44,149 --> 01:48:39,679  
turtles

3052  
01:48:49,510 --> 01:48:44,159  
just oh that had a point i had a point

3053  
01:48:51,030 --> 01:48:49,520  
i'm over it uh all right well

3054  
01:48:52,310 --> 01:48:51,040  
what if they're bugs though what if they

3055  
01:48:52,790 --> 01:48:52,320  
are bugs like what if the aliens are

3056  
01:48:54,709 --> 01:48:52,800  
bugs

3057  
01:48:56,629 --> 01:48:54,719  
i mean what i mean like what if they're

3058  
01:48:58,149 --> 01:48:56,639  
right right everybody's all offended

3059  
01:49:01,669 --> 01:48:58,159  
they're like they're not bugs

3060  
01:49:04,709 --> 01:49:01,679  
like like descendants of bugs yeah

3061  
01:49:07,350 --> 01:49:04,719  
like we're like our closest relative is

3062  
01:49:08,149 --> 01:49:07,360  
is is a primate and their closest

3063  
01:49:11,270 --> 01:49:08,159

relative is

3064

01:49:12,310 --> 01:49:11,280

is the bug the bug dude well first off

3065

01:49:13,750 --> 01:49:12,320

you could you could probably drop them

3066

01:49:14,149 --> 01:49:13,760

off a 30 story building and they'd be

3067

01:49:16,550 --> 01:49:14,159

fine

3068

01:49:17,350 --> 01:49:16,560

unless they fall on their back right so

3069

01:49:20,550 --> 01:49:17,360

now we know

3070

01:49:22,790 --> 01:49:20,560

how to defend ourselves from alien bugs

3071

01:49:25,109 --> 01:49:22,800

don't drop them off high buildings well

3072

01:49:28,310 --> 01:49:25,119

if we were trying if it was an attack we

3073

01:49:31,669 --> 01:49:28,320

would just simply turn them over

3074

01:49:33,270 --> 01:49:31,679

dude bug tipping so there would be like

3075

01:49:35,669 --> 01:49:33,280

a whole bug tipping regime

3076

01:49:36,950 --> 01:49:35,679

like wait till they're asleep tip them

3077

01:49:40,390 --> 01:49:36,960

over and then just

3078

01:49:42,709 --> 01:49:40,400

push a bit bim jim

3079

01:49:44,390 --> 01:49:42,719

i think i think you're the same dude

3080

01:49:46,870 --> 01:49:44,400

that posted a couple weeks ago

3081

01:49:48,790 --> 01:49:46,880

in our live chat about poking an alien

3082

01:49:51,109 --> 01:49:48,800

with a stick i think you have

3083

01:49:52,790 --> 01:49:51,119

is it you that had your own experience

3084

01:49:55,750 --> 01:49:52,800

that you poked an alien with a stick

3085

01:49:57,109 --> 01:49:55,760

they did not they or it was it was a

3086

01:49:59,510 --> 01:49:57,119

crazier reaction right

3087

01:50:01,350 --> 01:49:59,520

you actually poked them with a stick or

3088

01:50:02,470 --> 01:50:01,360

is it i don't know maybe it wasn't you

3089

01:50:04,470 --> 01:50:02,480

that that posted that

3090

01:50:06,550 --> 01:50:04,480

but somebody did a few weeks ago it was

3091

01:50:07,830 --> 01:50:06,560

like whatever you do don't poke him with

3092

01:50:11,910 --> 01:50:07,840

a stick

3093

01:50:15,510 --> 01:50:11,920

we're doing that thing like hey hey hey

3094

01:50:18,629 --> 01:50:15,520

it was him yes it was bib bim jim

3095

01:50:21,189 --> 01:50:18,639

yeah dude so don't book bug bugs

3096

01:50:22,229 --> 01:50:21,199

alien bugs with a stick also tom de long

3097

01:50:24,629 --> 01:50:22,239

has been said

3098

01:50:25,510 --> 01:50:24,639

been quoted saying something about bugs

3099

01:50:28,870 --> 01:50:25,520

right

3100

01:50:30,310 --> 01:50:28,880

yeah i wonder what he knows man

3101

01:50:32,870 --> 01:50:30,320

i don't know do you think they tell him

3102

01:50:35,030 --> 01:50:32,880

stuff i mean i'm sure they like show him

3103

01:50:36,550 --> 01:50:35,040

cool [h\_\_h] and they're like hey

3104

01:50:38,550 --> 01:50:36,560

tom you want to see a cool video and

3105

01:50:39,750 --> 01:50:38,560

he's like hell yeah and then like show

3106

01:50:42,390 --> 01:50:39,760

him a video

3107

01:50:44,070 --> 01:50:42,400

he was like that was cool and they're

3108

01:50:46,629 --> 01:50:44,080

like yeah it's cool

3109

01:50:48,470 --> 01:50:46,639

i mean it's it's so hey see you tammy

3110

01:50:51,589 --> 01:50:48,480

thanks for hanging out with us

3111

01:50:52,870 --> 01:50:51,599

um yeah like there's so many different

3112

01:50:56,229 --> 01:50:52,880

possibilities they could

3113

01:50:59,189 --> 01:50:56,239

show tom stuff that they

3114

01:50:59,830 --> 01:50:59,199

they show them on purpose and they're

3115

01:51:01,990 --> 01:50:59,840

that's the

3116

01:51:02,870 --> 01:51:02,000

the the response that they were hoping

3117

01:51:04,709 --> 01:51:02,880

for

3118

01:51:06,950 --> 01:51:04,719

right or or whatever i don't know it's

3119

01:51:07,430 --> 01:51:06,960

like it could be a total psyop it could

3120

01:51:10,310 --> 01:51:07,440

be

3121

01:51:12,070 --> 01:51:10,320

whatever lou in our interview did say

3122

01:51:13,030 --> 01:51:12,080

lou elizondo did say in our interview

3123

01:51:15,990 --> 01:51:13,040

with him that

3124

01:51:16,870 --> 01:51:16,000

we asked him asked him or i asked him if

3125

01:51:20,070 --> 01:51:16,880

tom

3126  
01:51:23,109 --> 01:51:20,080  
held a security clearance and he said no

3127  
01:51:25,350 --> 01:51:23,119  
so that would further kind of back

3128  
01:51:26,790 --> 01:51:25,360  
up this idea that they can really just

3129  
01:51:30,070 --> 01:51:26,800  
tell them whatever they want

3130  
01:51:31,030 --> 01:51:30,080  
to yeah so he tom's like walking around

3131  
01:51:33,510 --> 01:51:31,040  
he's like hey can i see

3132  
01:51:35,189 --> 01:51:33,520  
and they're like no they like pick their

3133  
01:51:39,189 --> 01:51:35,199  
computer up and move it they're like no

3134  
01:51:42,229 --> 01:51:39,199  
tom they take it no stop talking

3135  
01:51:46,070 --> 01:51:42,239  
he's like come on let me see it like no

3136  
01:51:49,510 --> 01:51:46,080  
he's like come on they're like no

3137  
01:51:51,270 --> 01:51:49,520  
tom stop it stop

3138  
01:51:52,950 --> 01:51:51,280

but i've been here for like six months

3139

01:51:57,030 --> 01:51:52,960

now and they're like

3140

01:51:58,870 --> 01:51:57,040

you can't see it tom like

3141

01:52:00,790 --> 01:51:58,880

there's like cia agents and tom they're

3142

01:52:05,910 --> 01:52:00,800

just running around a room with a laptop

3143

01:52:09,589 --> 01:52:08,470

it's awesome playing guitar come on let

3144

01:52:13,030 --> 01:52:09,599

me see

3145

01:52:16,709 --> 01:52:13,040

come on come on come on i

3146

01:52:19,030 --> 01:52:16,719

wrote a book all right i bought that

3147

01:52:21,830 --> 01:52:19,040

the the secret [\h\_\_\h] i want to read that

3148

01:52:24,709 --> 01:52:21,840

it was a lot of big words

3149

01:52:26,709 --> 01:52:24,719

i was like tom did you write this

3150

01:52:29,270 --> 01:52:26,719

there's a lot of big words

3151  
01:52:30,629 --> 01:52:29,280  
he's probably i mean he he's obviously a

3152  
01:52:32,310 --> 01:52:30,639  
smart dude right i mean he's made like

3153  
01:52:34,550 --> 01:52:32,320  
this freaking empire for himself like

3154  
01:52:37,109 --> 01:52:34,560  
he's not he's no dummy by any means

3155  
01:52:38,149 --> 01:52:37,119  
yeah you know yeah um he's a smart guy

3156  
01:52:40,229 --> 01:52:38,159  
but it just seemed like

3157  
01:52:42,149 --> 01:52:40,239  
it was like i don't know i don't know

3158  
01:52:44,310 --> 01:52:42,159  
like growing up with tom

3159  
01:52:46,390 --> 01:52:44,320  
as opposed to like tom now it's like it

3160  
01:52:49,430 --> 01:52:46,400  
it just seemed like way out of character

3161  
01:52:50,709 --> 01:52:49,440  
you know in a lot of ways you know it's

3162  
01:52:54,550 --> 01:52:50,719  
like we

3163  
01:52:57,990 --> 01:52:54,560

yeah we i i still look up to tommy he

3164

01:53:00,310 --> 01:52:58,000

he his band influenced so much of my

3165

01:53:02,550 --> 01:53:00,320

my personality i mean those guys are

3166

01:53:04,950 --> 01:53:02,560

[h\_\_\h] goofy as [h\_\_\h]

3167

01:53:06,470 --> 01:53:04,960

and then there was this switch right

3168

01:53:09,910 --> 01:53:06,480

like yeah

3169

01:53:11,669 --> 01:53:09,920

very serious it's like no longer goofy

3170

01:53:13,990 --> 01:53:11,679

we knew tom like when he was taking his

3171

01:53:17,270 --> 01:53:14,000

pants off and singing about like

3172

01:53:18,149 --> 01:53:17,280

having sex with dogs and stuff and now

3173

01:53:19,270 --> 01:53:18,159

it's like

3174

01:53:21,669 --> 01:53:19,280

there's like this book with these

3175

01:53:24,709 --> 01:53:21,679

massive words and you're like oh

3176

01:53:25,189 --> 01:53:24,719

what is this i can't even read this i

3177

01:53:26,950 --> 01:53:25,199

gotta

3178

01:53:28,310 --> 01:53:26,960

like i had to like read every page like

3179

01:53:31,430 --> 01:53:28,320

twice

3180

01:53:32,950 --> 01:53:31,440

i read every page i start reading a page

3181

01:53:35,990 --> 01:53:32,960

and i just

3182

01:53:37,830 --> 01:53:36,000

i gotta practice i go off into not uh

3183

01:53:40,470 --> 01:53:37,840

la la land yeah you should start

3184

01:53:42,470 --> 01:53:40,480

thinking about other [h\_\_\h] man

3185

01:53:43,910 --> 01:53:42,480

i don't know it's hard you gotta

3186

01:53:45,910 --> 01:53:43,920

practice dude i mean like

3187

01:53:47,510 --> 01:53:45,920

reading reading dude i bet it's i bet

3188

01:53:50,229 --> 01:53:47,520

it's like meditating you gotta practice

3189

01:53:52,149 --> 01:53:50,239

you gotta quiet the mind a little bit

3190

01:53:53,510 --> 01:53:52,159

i can i can officially make it through

3191

01:53:55,990 --> 01:53:53,520

like 20 pages

3192

01:53:57,350 --> 01:53:56,000

before i have to like just put it away

3193

01:53:58,870 --> 01:53:57,360

are you standing are you officially

3194

01:54:00,229 --> 01:53:58,880

making that statement i'm officially

3195

01:54:01,510 --> 01:54:00,239

making that statement dude

3196

01:54:03,910 --> 01:54:01,520

you've heard it you heard it first

3197

01:54:05,109 --> 01:54:03,920

people i can make it through 20 pages

3198

01:54:09,510 --> 01:54:05,119

and tell you what i read

3199

01:54:10,790 --> 01:54:09,520

prove it now you don't have any books

3200

01:54:12,629 --> 01:54:10,800

i have like a couple books oh there's

3201

01:54:15,750 --> 01:54:12,639

one

3202

01:54:16,470 --> 01:54:15,760

there we go there it is oh we need to

3203

01:54:18,870 --> 01:54:16,480

set up our

3204

01:54:20,629 --> 01:54:18,880

book our book club thing again our

3205

01:54:24,070 --> 01:54:20,639

little drop down

3206

01:54:26,390 --> 01:54:24,080

oh yeah we do we do

3207

01:54:27,109 --> 01:54:26,400

he did leave blink 182. yeah he did

3208

01:54:29,910 --> 01:54:27,119

leave oh

3209

01:54:30,390 --> 01:54:29,920

yeah he did leave blink 182. i don't

3210

01:54:32,629 --> 01:54:30,400

know

3211

01:54:34,470 --> 01:54:32,639

angels and airwaves i mean maybe that's

3212

01:54:37,030 --> 01:54:34,480

when the seriousness started

3213

01:54:37,510 --> 01:54:37,040

i don't know but it's been interesting

3214

01:54:40,950 --> 01:54:37,520

like

3215

01:54:43,189 --> 01:54:40,960

to tom

3216

01:54:44,550 --> 01:54:43,199

but he's into the same [h\_\_h] we are i

3217

01:54:45,350 --> 01:54:44,560

just had to say that like well you

3218

01:54:47,990 --> 01:54:45,360

listen to that

3219

01:54:49,510 --> 01:54:48,000

that uh uh travis barker interview and

3220

01:54:50,310 --> 01:54:49,520

he talks about like yeah he would always

3221

01:54:53,030 --> 01:54:50,320

talk you know

3222

01:54:54,470 --> 01:54:53,040

right be reading some crazy book or be

3223

01:54:56,229 --> 01:54:54,480

talking about aliens on

3224

01:54:57,669 --> 01:54:56,239

tour and stuff like that you know so

3225

01:54:59,189 --> 01:54:57,679

it's like obviously something he's been

3226

01:55:01,109 --> 01:54:59,199

into since he was a kid

3227

01:55:02,390 --> 01:55:01,119

yeah was that they have that song

3228

01:55:05,270 --> 01:55:02,400

creatures right

3229

01:55:06,550 --> 01:55:05,280

isn't it creatures and it's like a whole

3230

01:55:09,430 --> 01:55:06,560

experience there's something

3231

01:55:11,189 --> 01:55:09,440

in my bedroom hope it's not a creature

3232

01:55:14,390 --> 01:55:11,199

from a wave

3233

01:55:18,709 --> 01:55:17,350

yeah dude it's been happening a long

3234

01:55:21,750 --> 01:55:18,719

time he's been into it man

3235

01:55:23,030 --> 01:55:21,760

i i get it like he it just makes me

3236

01:55:24,229 --> 01:55:23,040

think about

3237

01:55:27,189 --> 01:55:24,239

this this concept that i've been

3238

01:55:28,229 --> 01:55:27,199

thinking about for for a few months now

3239

01:55:29,750 --> 01:55:28,239

like everybody

3240

01:55:31,510 --> 01:55:29,760

and this is go this goes to like this

3241

01:55:33,510 --> 01:55:31,520

consciousness stuff and like it was

3242

01:55:36,390 --> 01:55:33,520

definitely like inspired by

3243

01:55:37,669 --> 01:55:36,400

by uh ryan bledsoe and that whole just

3244

01:55:38,790 --> 01:55:37,679

just knowing him and stuff that we

3245

01:55:42,229 --> 01:55:38,800

talked about with him

3246

01:55:45,430 --> 01:55:42,239

on air and off here but like that

3247

01:55:47,189 --> 01:55:45,440

everybody you are everybody like you are

3248

01:55:49,430 --> 01:55:47,199

everybody

3249

01:55:50,950 --> 01:55:49,440

you ever watched lost that's the show uh

3250

01:55:53,750 --> 01:55:50,960

but like

3251

01:55:56,229 --> 01:55:53,760

i feel like everybody i don't know maybe

3252

01:55:59,669 --> 01:55:56,239

i'm going down a rabbit hole but like

3253

01:56:00,629 --> 01:55:59,679

if you were tom and like you would make

3254

01:56:02,629 --> 01:56:00,639

the same choices

3255

01:56:03,669 --> 01:56:02,639

if if if tom was you he would probably

3256

01:56:05,109 --> 01:56:03,679

make the same choice like

3257

01:56:07,109 --> 01:56:05,119

that's what i'm saying that's exactly

3258

01:56:09,430 --> 01:56:07,119

what i think i i think about

3259

01:56:11,189 --> 01:56:09,440

like we got around some smart people

3260

01:56:13,270 --> 01:56:11,199

what would they do to us

3261

01:56:15,030 --> 01:56:13,280

you know smart people with some

3262

01:56:15,750 --> 01:56:15,040

information and [\h\_\_\h] like what would

3263

01:56:17,750 --> 01:56:15,760

they do to us

3264

01:56:18,790 --> 01:56:17,760

imagine before the podcast right like

3265

01:56:21,350 --> 01:56:18,800

before we

3266

01:56:22,790 --> 01:56:21,360

had this whole thing if someone were to

3267

01:56:24,470 --> 01:56:22,800

approach you and me like hey

3268

01:56:27,350 --> 01:56:24,480

do you guys really want to know some

3269

01:56:29,030 --> 01:56:27,360

[h\_\_\h] and we're like oh yes

3270

01:56:30,390 --> 01:56:29,040

okay well then you can never go public

3271

01:56:32,629 --> 01:56:30,400

with it

3272

01:56:34,310 --> 01:56:32,639

and we would be like well we don't we

3273

01:56:34,629 --> 01:56:34,320

would never go public in the first place

3274

01:56:36,310 --> 01:56:34,639

because

3275

01:56:38,390 --> 01:56:36,320

this podcast would never have been a

3276

01:56:41,510 --> 01:56:38,400

thing we wouldn't have known

3277

01:56:43,510 --> 01:56:41,520

unknown so i would yeah

3278

01:56:45,350 --> 01:56:43,520

i would probably do the same exact thing

3279

01:56:48,390 --> 01:56:45,360

he did and just kind of like

3280

01:56:48,790 --> 01:56:48,400

you know what i i'll keep that it is

3281

01:56:50,550 --> 01:56:48,800

kind of

3282

01:56:51,990 --> 01:56:50,560

a security clearance in a way because he

3283

01:56:55,030 --> 01:56:52,000

can't really talk about a lot of stuff

3284

01:56:56,629 --> 01:56:55,040

you know it's like would you rather know

3285

01:56:58,390 --> 01:56:56,639

the truth and not be able to talk about

3286

01:56:59,910 --> 01:56:58,400

it or not know the truth and be able to

3287

01:57:01,430 --> 01:56:59,920

talk about it

3288

01:57:03,750 --> 01:57:01,440

well it's hard because this one's more

3289

01:57:05,830 --> 01:57:03,760

fun for sure i find that uh oh this is

3290

01:57:09,750 --> 01:57:05,840

way more fun yeah

3291

01:57:12,870 --> 01:57:09,760

like i find that like

3292

01:57:14,790 --> 01:57:12,880

applicable to like what we do right

3293

01:57:16,629 --> 01:57:14,800

so like what would happen is like they

3294

01:57:19,350 --> 01:57:16,639

give him bits and pieces

3295

01:57:20,709 --> 01:57:19,360

of like good information and he's like

3296

01:57:23,189 --> 01:57:20,719

oh that's awesome

3297

01:57:25,910 --> 01:57:23,199

and then you have to talk to somebody

3298

01:57:27,750 --> 01:57:25,920

about it and string it all together

3299

01:57:29,510 --> 01:57:27,760

but you can't because you don't really

3300

01:57:31,430 --> 01:57:29,520

know the whole story all you know is

3301

01:57:32,470 --> 01:57:31,440

like these course segments to like kind

3302

01:57:34,470 --> 01:57:32,480

of what's going on

3303

01:57:35,750 --> 01:57:34,480

it's compartmentalized information yeah

3304

01:57:39,109 --> 01:57:35,760

and then you're trying to like

3305

01:57:42,070 --> 01:57:39,119

explain it and you're like ah well okay

3306

01:57:43,510 --> 01:57:42,080

let me go back 30 years let me let me go

3307

01:57:45,910 --> 01:57:43,520

to this one story

3308

01:57:47,990 --> 01:57:45,920

before i can tell you this story but to

3309

01:57:49,750 --> 01:57:48,000

make this story relevant i have to tell

3310

01:57:51,510 --> 01:57:49,760

you this little middle piece first so

3311

01:57:52,070 --> 01:57:51,520

you'll understand the beginning part of

3312

01:57:53,430 --> 01:57:52,080

this like

3313

01:57:54,629 --> 01:57:53,440

you know what i'm saying is like so hard

3314

01:57:56,310 --> 01:57:54,639

to string it together because there's

3315

01:57:57,990 --> 01:57:56,320

not a lot of middle information

3316

01:58:01,030 --> 01:57:58,000

it's just like little core pieces that

3317

01:58:04,390 --> 01:58:01,040

like you've had to put together

3318

01:58:05,510 --> 01:58:04,400

dude okay yeah you're yeah you make a

3319

01:58:07,750 --> 01:58:05,520

good point like

3320

01:58:08,950 --> 01:58:07,760

i i almost prefer this route because

3321

01:58:12,070 --> 01:58:08,960

we're we talk

3322

01:58:14,229 --> 01:58:12,080

to people all the time

3323

01:58:15,589 --> 01:58:14,239

that have personal experiences we're not

3324

01:58:19,350 --> 01:58:15,599

hearing it third hand

3325

01:58:22,870 --> 01:58:19,360

or second hand or whatever by by

3326

01:58:25,189 --> 01:58:22,880

sanctioned people or or respected

3327

01:58:26,950 --> 01:58:25,199

you know military i mean yeah we have

3328

01:58:27,589 --> 01:58:26,960

friends that have been in the military

3329

01:58:30,790 --> 01:58:27,599

like like

3330

01:58:32,870 --> 01:58:30,800

uh gary voorhees and yeah like dude

3331

01:58:34,149 --> 01:58:32,880

also just a badass dude he's no longer

3332

01:58:35,750 --> 01:58:34,159

in the military he could say

3333

01:58:37,270 --> 01:58:35,760

i guess whatever the [h\_\_h] he wants like

3334

01:58:38,550 --> 01:58:37,280

he doesn't have a security clearance

3335

01:58:41,910 --> 01:58:38,560

like whatever

3336

01:58:45,189 --> 01:58:41,920

uh but yeah i almost prefer this path

3337

01:58:47,350 --> 01:58:45,199

100 000 percent more because

3338

01:58:48,550 --> 01:58:47,360

we're actually talking talking to people

3339

01:58:50,390 --> 01:58:48,560

that have experienced this stuff and

3340

01:58:50,790 --> 01:58:50,400

we're figuring it out it's the journey

3341

01:58:53,350 --> 01:58:50,800

not

3342

01:58:54,070 --> 01:58:53,360

the the destination you know it's way

3343

01:58:55,990 --> 01:58:54,080

more fun

3344

01:58:57,189 --> 01:58:56,000

yeah the journey's been pretty good for

3345

01:58:58,870 --> 01:58:57,199

sure

3346

01:59:00,870 --> 01:58:58,880

a lot of fun i think a lot of people out

3347

01:59:04,070 --> 01:59:00,880

there if they learn the truth

3348

01:59:05,990 --> 01:59:04,080

just in one gulp before you know

3349

01:59:07,990 --> 01:59:06,000

maybe three years ago whenever you got

3350

01:59:09,510 --> 01:59:08,000

into this like you googled it and

3351

01:59:12,070 --> 01:59:09,520

there's the answer

3352

01:59:14,070 --> 01:59:12,080

it would be like ah well what do we do

3353

01:59:16,310 --> 01:59:14,080

now what do we do now

3354

01:59:18,229 --> 01:59:16,320

but this is like opening up so many

3355

01:59:19,510 --> 01:59:18,239

doors not just for you and i but

3356

01:59:22,229 --> 01:59:19,520

everyone listening

3357

01:59:23,830 --> 01:59:22,239

to to opening up these doors with your

3358

01:59:27,669 --> 01:59:23,840

imagination and your your

3359

01:59:30,790 --> 01:59:27,679

perspective on what you understand as

3360

01:59:33,830 --> 01:59:30,800

this reality and and yeah

3361

01:59:35,270 --> 01:59:33,840

it's just fun man i i prefer this much

3362

01:59:36,390 --> 01:59:35,280

more than like hey

3363

01:59:38,550 --> 01:59:36,400

come in we'll tell you all the secrets

3364

01:59:41,430 --> 01:59:38,560

right now but you can't talk about it

3365

01:59:42,229 --> 01:59:41,440

yeah this one's more fun yeah we like we

3366

01:59:43,350 --> 01:59:42,239

don't know [\h\_\_\h]

3367

01:59:45,430 --> 01:59:43,360

like why do you want to know something

3368

01:59:47,589 --> 01:59:45,440

if you can't tell anybody yeah

3369

01:59:49,270 --> 01:59:47,599

don't suck like we don't know well we

3370

01:59:49,990 --> 01:59:49,280

know some stuff we think we know some

3371

01:59:53,430 --> 01:59:50,000

stuff

3372

01:59:57,109 --> 01:59:53,440

but we're trying to piece it together as

3373

02:00:03,430 --> 02:00:00,629

agreed jp what's uh what if the truth

3374

02:00:03,990 --> 02:00:03,440

is some scary [\h\_\_\h] i think about that

3375

02:00:08,629 --> 02:00:04,000

often

3376

02:00:10,229 --> 02:00:08,639

could be what if they're bugs

3377

02:00:11,510 --> 02:00:10,239

what do you think this is the scariest

3378

02:00:13,430 --> 02:00:11,520

[h\_\_h] i mean i guess we already talked

3379

02:00:14,870 --> 02:00:13,440

about cannibalism legit but

3380

02:00:16,470 --> 02:00:14,880

what do you think would be the scariest

3381

02:00:19,990 --> 02:00:16,480

[h\_\_h] dude

3382

02:00:23,589 --> 02:00:22,390

i don't know the idea of like something

3383

02:00:27,109 --> 02:00:23,599

taking you

3384

02:00:29,109 --> 02:00:27,119

um and maybe not bringing you back

3385

02:00:30,790 --> 02:00:29,119

and like your family being like what the

3386

02:00:34,790 --> 02:00:30,800

[h\_\_h] happened to him

3387

02:00:37,910 --> 02:00:34,800

nobody knows like you're just gone

3388

02:00:40,709 --> 02:00:37,920

and i don't know man like i mean we've

3389

02:00:42,550 --> 02:00:40,719

heard some horror stories dude

3390

02:00:43,910 --> 02:00:42,560

we've heard some real horror stories and

3391

02:00:45,510 --> 02:00:43,920

like i don't know

3392

02:00:47,189 --> 02:00:45,520

so what what's the truth behind that

3393

02:00:49,109 --> 02:00:47,199

what does that mean though like

3394

02:00:50,790 --> 02:00:49,119

so so you're saying the scariest part is

3395

02:00:53,350 --> 02:00:50,800

that there's there's

3396

02:00:54,070 --> 02:00:53,360

maybe multiple alien races doing

3397

02:00:58,470 --> 02:00:54,080

experiments

3398

02:01:02,390 --> 02:00:58,480

on us taking us and not returning us

3399

02:01:05,510 --> 02:01:02,400

i mean yeah yeah i mean just the

3400

02:01:07,589 --> 02:01:05,520

anytime anytime something like

3401

02:01:08,629 --> 02:01:07,599

any time you have your encounter with

3402

02:01:12,149 --> 02:01:08,639

something that you're like

3403

02:01:13,669 --> 02:01:12,159

powerless against is just scary yeah you

3404

02:01:16,629 --> 02:01:13,679

know

3405

02:01:18,149 --> 02:01:16,639

okay no i get what you mean like the the

3406

02:01:20,470 --> 02:01:18,159

the sense of of

3407

02:01:21,270 --> 02:01:20,480

not being in control of your of your

3408

02:01:24,550 --> 02:01:21,280

destiny

3409

02:01:26,390 --> 02:01:24,560

that

3410

02:01:27,669 --> 02:01:26,400

might be the cycle the psychology

3411

02:01:30,790 --> 02:01:27,679

psychology of it

3412

02:01:33,910 --> 02:01:30,800

yeah i mean like if you if say you some

3413

02:01:36,950 --> 02:01:33,920

guy tries to mug you right

3414

02:01:39,589 --> 02:01:36,960

walking down an alley you can at least

3415

02:01:41,350 --> 02:01:39,599

fight back right if he doesn't have like

3416

02:01:42,470 --> 02:01:41,360

a gun or a knife or something if it's

3417

02:01:45,830 --> 02:01:42,480

like equal

3418

02:01:48,070 --> 02:01:45,840

like all right your fists my fists

3419

02:01:48,870 --> 02:01:48,080

you know you gotta you got a chance

3420

02:01:52,550 --> 02:01:48,880

right you gotta

3421

02:01:54,950 --> 02:01:52,560

you can do something you know uh

3422

02:01:57,109 --> 02:01:54,960

there's a lot of equalizing factors like

3423

02:01:59,830 --> 02:01:57,119

that you can use but like

3424

02:02:00,390 --> 02:01:59,840

if if something that advanced wants to

3425

02:02:03,430 --> 02:02:00,400

take you

3426  
02:02:05,430 --> 02:02:03,440  
there's nothing that you can do about it

3427  
02:02:07,030 --> 02:02:05,440  
nothing that's like a tornado coming to

3428  
02:02:08,709 --> 02:02:07,040  
your house it's like

3429  
02:02:10,550 --> 02:02:08,719  
there's absolutely nothing i can do

3430  
02:02:12,149 --> 02:02:10,560  
about this right now or like can you

3431  
02:02:13,750 --> 02:02:12,159  
imagine living in a village

3432  
02:02:15,750 --> 02:02:13,760  
and you're just enjoying dinner and all

3433  
02:02:16,870 --> 02:02:15,760  
of a sudden you hear this like massive

3434  
02:02:21,270 --> 02:02:16,880  
like

3435  
02:02:23,750 --> 02:02:21,280  
hell is that and you look outside

3436  
02:02:24,709 --> 02:02:23,760  
and probably a minute and a half away

3437  
02:02:27,109 --> 02:02:24,719  
from you is a

3438  
02:02:27,830 --> 02:02:27,119

massive wave of water because the dam

3439

02:02:31,270 --> 02:02:27,840

broke

3440

02:02:33,109 --> 02:02:31,280

three miles down the road how terrifying

3441

02:02:35,589 --> 02:02:33,119

would that be in that moment to know

3442

02:02:37,189 --> 02:02:35,599

there's absolutely nothing i can do for

3443

02:02:39,430 --> 02:02:37,199

myself my family

3444

02:02:40,550 --> 02:02:39,440

everybody around me we might as well

3445

02:02:42,950 --> 02:02:40,560

just all

3446

02:02:44,229 --> 02:02:42,960

sit in the living room and [h\_\_h] say

3447

02:02:45,750 --> 02:02:44,239

goodbye and like

3448

02:02:47,910 --> 02:02:45,760

that's it like that's literally all you

3449

02:02:48,229 --> 02:02:47,920

can do like it's such a heavy situation

3450

02:02:51,350 --> 02:02:48,239

to

3451

02:02:55,629 --> 02:02:51,360

and

3452

02:02:58,070 --> 02:02:55,639

that whole situation is

3453

02:02:59,109 --> 02:02:58,080

uncontrollable dude like like you have

3454

02:03:02,310 --> 02:02:59,119

10 minutes

3455

02:03:04,310 --> 02:03:02,320

to say your your peace or get

3456

02:03:06,229 --> 02:03:04,320

right with god or whatever the higher

3457

02:03:08,790 --> 02:03:06,239

power right like

3458

02:03:09,830 --> 02:03:08,800

but even in this circumstance right you

3459

02:03:12,950 --> 02:03:09,840

don't

3460

02:03:16,310 --> 02:03:12,960

time you're just

3461

02:03:20,149 --> 02:03:16,320

you're gone and then maybe

3462

02:03:22,870 --> 02:03:20,159

you're s sawed into little pieces

3463

02:03:23,270 --> 02:03:22,880

and sold at market maybe you're hooked

3464

02:03:25,990 --> 02:03:23,280

up

3465

02:03:27,030 --> 02:03:26,000

to some weird machine for the rest of

3466

02:03:30,070 --> 02:03:27,040

your life

3467

02:03:32,870 --> 02:03:30,080

and they they they make you

3468

02:03:35,109 --> 02:03:32,880

live longer because you dying is

3469

02:03:36,870 --> 02:03:35,119

counterproductive to the whole thing

3470

02:03:38,310 --> 02:03:36,880

you know like and you have to suffer

3471

02:03:40,870 --> 02:03:38,320

through that like you're just

3472

02:03:42,310 --> 02:03:40,880

uh you know you could just be an

3473

02:03:43,510 --> 02:03:42,320

experiment like i don't know there's so

3474

02:03:46,709 --> 02:03:43,520

many like negative

3475

02:03:49,830 --> 02:03:46,719

things to that yeah

3476  
02:03:51,589 --> 02:03:49,840  
you know which makes me think maybe

3477  
02:03:54,229 --> 02:03:51,599  
there is a good reason

3478  
02:03:56,149 --> 02:03:54,239  
that the truth isn't out there for

3479  
02:03:58,870 --> 02:03:56,159  
everybody to find

3480  
02:03:59,750 --> 02:03:58,880  
because of the scary [h\_\_h] man we talked

3481  
02:04:03,030 --> 02:03:59,760  
about this last time

3482  
02:04:03,750 --> 02:04:03,040  
uh last week if they're telling us that

3483  
02:04:06,709 --> 02:04:03,760  
there's a

3484  
02:04:07,189 --> 02:04:06,719  
the government telling us that they're

3485  
02:04:09,189 --> 02:04:07,199  
there are

3486  
02:04:11,589 --> 02:04:09,199  
aliens and we don't know what or

3487  
02:04:13,189 --> 02:04:11,599  
whatever it's something we don't know

3488  
02:04:15,109 --> 02:04:13,199

and they're giving that information up

3489

02:04:17,750 --> 02:04:15,119

what is it they're not telling us

3490

02:04:18,870 --> 02:04:17,760

yes that [h\_\_h] is is the scary [h\_\_h] that

3491

02:04:20,709 --> 02:04:18,880

we just

3492

02:04:22,390 --> 02:04:20,719

we're not ready for yeah man like if

3493

02:04:24,229 --> 02:04:22,400

we're ready for the alien stuff what are

3494

02:04:27,669 --> 02:04:24,239

we not ready for

3495

02:04:31,430 --> 02:04:27,679

seriously and on the flip side dude like

3496

02:04:33,750 --> 02:04:31,440

also how scary is it to think

3497

02:04:37,270 --> 02:04:33,760

what if there isn't anything wrong with

3498

02:04:40,550 --> 02:04:39,830

what if what's happening is like the

3499

02:04:43,510 --> 02:04:40,560

secrecy

3500

02:04:45,270 --> 02:04:43,520

has been about like the missteps that

3501

02:04:47,270 --> 02:04:45,280

our own government has taken in the

3502

02:04:50,830 --> 02:04:47,280

whole process

3503

02:04:54,390 --> 02:04:50,840

and they just don't want to admit to

3504

02:04:57,350 --> 02:04:54,400

their missteps or failures or

3505

02:04:59,350 --> 02:04:57,360

accidents and it's actually not their

3506

02:05:00,870 --> 02:04:59,360

like their fault maybe they're not bad

3507

02:05:03,350 --> 02:05:00,880

maybe they're pretty awesome

3508

02:05:04,229 --> 02:05:03,360

i've heard some pretty cool stories

3509

02:05:06,310 --> 02:05:04,239

right it seems

3510

02:05:07,750 --> 02:05:06,320

more and more nowadays like the people

3511

02:05:10,870 --> 02:05:07,760

that are in power now have

3512

02:05:12,550 --> 02:05:10,880

well a percentage of the people that are

3513

02:05:14,870 --> 02:05:12,560

in power have inherited

3514

02:05:15,589 --> 02:05:14,880

this this thing you're talking about

3515

02:05:17,910 --> 02:05:15,599

yeah

3516

02:05:18,629 --> 02:05:17,920

this cover-up this like like imagine you

3517

02:05:22,149 --> 02:05:18,639

you get

3518

02:05:24,149 --> 02:05:22,159

like what the

3519

02:05:25,270 --> 02:05:24,159

that's how that's how you're doing this

3520

02:05:27,350 --> 02:05:25,280

[h\_\_\h]

3521

02:05:29,589 --> 02:05:27,360

wait yeah wait this is how you're you're

3522

02:05:32,229 --> 02:05:29,599

recording your books

3523

02:05:33,589 --> 02:05:32,239

this is this now it's my i have to clean

3524

02:05:34,790 --> 02:05:33,599

up your mess

3525

02:05:36,550 --> 02:05:34,800

i wonder how many people are going

3526

02:05:37,189 --> 02:05:36,560

through that right now yeah that are in

3527

02:05:39,030 --> 02:05:37,199

the know

3528

02:05:40,950 --> 02:05:39,040

you know oh yeah i'm sure i'm sure it's

3529

02:05:44,550 --> 02:05:40,960

a lot i'm sure it's a lot

3530

02:05:46,629 --> 02:05:44,560

like guys this is how people

3531

02:05:48,069 --> 02:05:46,639

they should know like this is so obvious

3532

02:05:48,629 --> 02:05:48,079

like we've been covering this [h\_\_h] up

3533

02:05:50,870 --> 02:05:48,639

for years

3534

02:05:52,709 --> 02:05:50,880

you're telling me i have to cover your

3535

02:05:53,510 --> 02:05:52,719

ass now like this is your fault you did

3536

02:05:55,109 --> 02:05:53,520

this

3537

02:05:56,870 --> 02:05:55,119

and you're just gonna retire and now

3538

02:05:57,990 --> 02:05:56,880

everybody all the taxpayers pay for your

3539

02:06:00,830 --> 02:05:58,000

million dollar mansions

3540

02:06:01,990 --> 02:06:00,840

okay well all right thanks for being a

3541

02:06:05,270 --> 02:06:02,000

senator that's

3542

02:06:06,629 --> 02:06:05,280

sweet yeah yeah

3543

02:06:08,629 --> 02:06:06,639

yeah i don't know i don't know what's uh

3544

02:06:10,310 --> 02:06:08,639

i don't know what's scarier probably

3545

02:06:12,790 --> 02:06:10,320

being chopped into little pieces for

3546

02:06:15,990 --> 02:06:12,800

sure but

3547

02:06:18,069 --> 02:06:16,000

neither scenario is is very cool that'd

3548

02:06:20,550 --> 02:06:18,079

be a good dude

3549

02:06:22,310 --> 02:06:20,560

uh you guys suggested horse girl and my

3550

02:06:24,229 --> 02:06:22,320

wife and i watched it

3551

02:06:25,990 --> 02:06:24,239

totally the scary side of things yeah

3552

02:06:28,950 --> 02:06:26,000

dude isn't that weird

3553

02:06:30,870 --> 02:06:28,960

isn't that weird and also though isn't

3554

02:06:33,189 --> 02:06:30,880

it weird to think that like yeah

3555

02:06:33,910 --> 02:06:33,199

like we think of it as a the scary side

3556

02:06:37,830 --> 02:06:33,920

of things

3557

02:06:38,310 --> 02:06:37,840

but uh you kind of look at how happy she

3558

02:06:41,510 --> 02:06:38,320

was

3559

02:06:43,910 --> 02:06:41,520

like at the end in a weird way

3560

02:06:45,189 --> 02:06:43,920

like it was scary because it's

3561

02:06:48,629 --> 02:06:45,199

completely foreign

3562

02:06:51,510 --> 02:06:48,639

right but

3563

02:06:52,870 --> 02:06:51,520

like i don't know man i don't know maybe

3564

02:06:55,270 --> 02:06:52,880

it was one of those things where she was

3565

02:06:56,310 --> 02:06:55,280

just so tripped out that she was excited

3566

02:06:58,310 --> 02:06:56,320

to like

3567

02:06:59,430 --> 02:06:58,320

figure it out finally figure it out but

3568

02:07:03,030 --> 02:06:59,440

yeah i mean that that

3569

02:07:03,589 --> 02:07:03,040

that that movie was a trip it was a real

3570

02:07:05,270 --> 02:07:03,599

trip

3571

02:07:07,270 --> 02:07:05,280

like the first 15 minutes you're like

3572

02:07:07,990 --> 02:07:07,280

what the hell is this even about and it

3573

02:07:10,870 --> 02:07:08,000

starts getting

3574

02:07:14,229 --> 02:07:10,880

pretty nuts that's a cool movie that's a

3575

02:07:14,239 --> 02:07:19,189

let's see here

3576

02:07:25,109 --> 02:07:22,550

dude bim jim prepped

3577

02:07:26,229 --> 02:07:25,119

and packed for the rapture just in case

3578

02:07:28,149 --> 02:07:26,239

dude i mean it's always

3579

02:07:29,910 --> 02:07:28,159

it's always good to be prepared so it's

3580

02:07:32,470 --> 02:07:29,920

good to be prepared

3581

02:07:33,109 --> 02:07:32,480

i got a i got a little bit of stuff as

3582

02:07:35,669 --> 02:07:33,119

well

3583

02:07:36,080 --> 02:07:35,679

i'm not like a mega prepper or anything

3584

02:07:37,270 --> 02:07:36,090

but i'm

3585

02:07:39,430 --> 02:07:37,280

[Music]

3586

02:07:40,310 --> 02:07:39,440

kind of prepared you know i'm a little

3587

02:07:42,470 --> 02:07:40,320

bit prepared

3588

02:07:44,390 --> 02:07:42,480

i might last more than two weeks for

3589

02:07:46,149 --> 02:07:44,400

sure for sure but who knows

3590

02:07:47,589 --> 02:07:46,159

i don't know there's a lot of empty

3591

02:07:51,030 --> 02:07:47,599

space out here so

3592

02:07:54,470 --> 02:07:51,040

luckily that's that's good

3593

02:07:55,990 --> 02:07:54,480

you know so what's up dude i

3594

02:07:57,589 --> 02:07:56,000

all i could hear is like mumbles i

3595

02:07:59,270 --> 02:07:57,599

didn't even know what you're saying i'm

3596

02:08:00,709 --> 02:07:59,280

kind of a mumblor sometimes

3597

02:08:03,270 --> 02:08:00,719

you never know you never know what

3598

02:08:10,229 --> 02:08:05,189

that's all i heard i sound like the

3599

02:08:13,910 --> 02:08:12,470

yes alien girl it is going to be fun

3600

02:08:16,229 --> 02:08:13,920

tomorrow oh my god

3601  
02:08:17,030 --> 02:08:16,239  
are we going on alien girls podcast

3602  
02:08:21,589 --> 02:08:17,040  
tonight

3603  
02:08:23,589 --> 02:08:21,599  
at 8pm central standard time

3604  
02:08:24,950 --> 02:08:23,599  
yeah yeah we are make sure you go to our

3605  
02:08:25,750 --> 02:08:24,960  
channel and subscribe we'll be on there

3606  
02:08:29,030 --> 02:08:25,760  
tomorrow

3607  
02:08:32,550 --> 02:08:29,040  
we're going to be chit chatting hey

3608  
02:08:34,229 --> 02:08:32,560  
we require a question list by the way

3609  
02:08:36,709 --> 02:08:34,239  
we need to know all the questions no

3610  
02:08:40,069 --> 02:08:36,719  
surprises ahead of time

3611  
02:08:43,430 --> 02:08:40,079  
so we can answer them thoughtfully and

3612  
02:08:49,669 --> 02:08:47,109  
could you imagine the

3613  
02:08:50,390 --> 02:08:49,679

not go over very well no not at all dude

3614

02:08:51,750 --> 02:08:50,400

not at all

3615

02:08:53,270 --> 02:08:51,760

i'm sure we'll get to the point where

3616

02:08:53,750 --> 02:08:53,280

like if we do go on to other people's

3617

02:08:55,350 --> 02:08:53,760

shows

3618

02:08:56,790 --> 02:08:55,360

they'll they'll like they're going to be

3619

02:08:59,990 --> 02:08:56,800

like we have to send them

3620

02:09:02,069 --> 02:09:00,000

questions beforehand or else we're not

3621

02:09:04,069 --> 02:09:02,079

going to get anything done

3622

02:09:06,069 --> 02:09:04,079

well yeah i can see that happening too

3623

02:09:07,750 --> 02:09:06,079

like these guys are

3624

02:09:10,149 --> 02:09:07,760

like most people are like we do not

3625

02:09:11,510 --> 02:09:10,159

agree with sending questions beforehand

3626

02:09:14,470 --> 02:09:11,520

but in our case they'd be like we have

3627

02:09:16,310 --> 02:09:14,480

to send you those questions or else like

3628

02:09:17,589 --> 02:09:16,320

what are we going to do stay on topic

3629

02:09:20,229 --> 02:09:17,599

they're going to talk about forest gump

3630

02:09:24,069 --> 02:09:20,239

for 30 minutes

3631

02:09:28,080 --> 02:09:25,669

which is a true story about fact that we

3632

02:09:30,830 --> 02:09:28,090

we talked about like if it was a true

3633

02:09:32,709 --> 02:09:30,840

[Laughter]

3634

02:09:36,310 --> 02:09:32,719

story

3635

02:09:39,350 --> 02:09:36,320

oh god dude we tied it back into england

3636

02:09:42,870 --> 02:09:39,360

we did we eventually got back there

3637

02:09:44,950 --> 02:09:42,880

yeah yeah yeah all right well

3638

02:09:46,310 --> 02:09:44,960

what else dude i mean let's you want to

3639

02:09:49,589 --> 02:09:46,320

do the final what's our

3640

02:09:51,109 --> 02:09:49,599

list oh yeah oh yeah all these

3641

02:09:53,990 --> 02:09:51,119

ex-presidents coming out

3642

02:09:55,350 --> 02:09:54,000

talking about like how crazy the ufo

3643

02:09:58,069 --> 02:09:55,360

news is right now

3644

02:09:58,470 --> 02:09:58,079

and like how you know how wild the truth

3645

02:10:01,669 --> 02:09:58,480

is

3646

02:10:05,750 --> 02:10:03,910

it really does feel like i mean we've

3647

02:10:09,350 --> 02:10:05,760

got like

3648

02:10:12,470 --> 02:10:09,360

uh barack obama going on

3649

02:10:13,030 --> 02:10:12,480

like jimmy kimmel and [h\_\_h] and bill

3650

02:10:19,189 --> 02:10:13,040

clifton

3651  
02:10:20,310 --> 02:10:19,199  
feels ah are they look like just looking

3652  
02:10:22,790 --> 02:10:20,320  
for spotlight like

3653  
02:10:24,550 --> 02:10:22,800  
jorge jorge bush who booked that i mean

3654  
02:10:26,790 --> 02:10:24,560  
i would love to know what they know

3655  
02:10:28,870 --> 02:10:26,800  
but it does seem a little forced the

3656  
02:10:31,830 --> 02:10:28,880  
amount of ex-presidents

3657  
02:10:33,109 --> 02:10:31,840  
coming on to say stuff and like it's

3658  
02:10:36,709 --> 02:10:33,119  
almost like

3659  
02:10:38,149 --> 02:10:36,719  
control they're like hey so it's not

3660  
02:10:39,990 --> 02:10:38,159  
enough that the military is doing this

3661  
02:10:41,669 --> 02:10:40,000  
pentagon whatever whatever

3662  
02:10:43,270 --> 02:10:41,679  
air force still hasn't commented you

3663  
02:10:44,950 --> 02:10:43,280

know what we need to bring in the

3664

02:10:45,669 --> 02:10:44,960

ex-presidents they can say whatever they

3665

02:10:48,790 --> 02:10:45,679

want they have

3666

02:10:50,550 --> 02:10:48,800

secret service which i mean was it you

3667

02:10:52,470 --> 02:10:50,560

that said maybe the secret service is

3668

02:10:55,669 --> 02:10:52,480

not meant to protect the president but

3669

02:10:57,350 --> 02:10:55,679

to protect the secrets was that you i

3670

02:10:58,950 --> 02:10:57,360

didn't say that but yeah i agree with

3671

02:11:00,229 --> 02:10:58,960

that like secret service is there like

3672

02:11:03,030 --> 02:11:00,239

to follow them around to make sure they

3673

02:11:05,350 --> 02:11:03,040

don't say [h\_\_h] they're not supposed to

3674

02:11:06,790 --> 02:11:05,360

uh we're gonna need you to stop talking

3675

02:11:08,790 --> 02:11:06,800

now yeah

3676

02:11:10,149 --> 02:11:08,800

uh but like yeah it just it seems a

3677

02:11:13,189 --> 02:11:10,159

little weird man

3678

02:11:15,030 --> 02:11:13,199

that there's so many x well we're like

3679

02:11:17,350 --> 02:11:15,040

two

3680

02:11:18,229 --> 02:11:17,360

has george bush gone on any interviews

3681

02:11:21,270 --> 02:11:18,239

that you've seen

3682

02:11:23,830 --> 02:11:21,280

i think so george w

3683

02:11:25,510 --> 02:11:23,840

i don't know and and we swapped cowboy

3684

02:11:27,270 --> 02:11:25,520

hats and

3685

02:11:30,069 --> 02:11:27,280

that was terrible that was terrible it

3686

02:11:36,069 --> 02:11:30,079

was like beavis

3687

02:11:41,750 --> 02:11:40,390

he's so funny dude oh

3688

02:11:44,550 --> 02:11:41,760

was there a new season of beavis and

3689

02:11:46,709 --> 02:11:44,560

butthead that just came out

3690

02:11:48,870 --> 02:11:46,719

i don't know but i just i just watched

3691

02:11:50,470 --> 02:11:48,880

people's bloodhead do america and holy

3692

02:11:53,510 --> 02:11:50,480

[h\_\_\h] it holds up oh man

3693

02:11:56,149 --> 02:11:53,520

it is so damn good it's still so good

3694

02:11:56,629 --> 02:11:56,159

it's so damn always funny man always

3695

02:11:58,550 --> 02:11:56,639

foamy

3696

02:12:00,470 --> 02:11:58,560

and i love that like they had like rob

3697

02:12:03,350 --> 02:12:00,480

zombie doing like some artwork and

3698

02:12:05,270 --> 02:12:03,360

stuff i love the yeah when they're all

3699

02:12:08,550 --> 02:12:05,280

interpreted in the desert yeah

3700

02:12:10,629 --> 02:12:08,560

yeah it's good sick disclosure uh

3701  
02:12:11,910 --> 02:12:10,639  
bim jim says uh disclosure has happened

3702  
02:12:14,390 --> 02:12:11,920  
before multiple times

3703  
02:12:15,830 --> 02:12:14,400  
yeah no i totally agree man i totally

3704  
02:12:18,310 --> 02:12:15,840  
agree

3705  
02:12:19,270 --> 02:12:18,320  
what do you think um so if we're if

3706  
02:12:22,709 --> 02:12:19,280  
we're talking about like

3707  
02:12:25,589 --> 02:12:22,719  
uh government and and ex-presidents and

3708  
02:12:25,990 --> 02:12:25,599  
in the navy coming out and and then we

3709  
02:12:27,830 --> 02:12:26,000  
we go

3710  
02:12:30,709 --> 02:12:27,840  
we reel it back we talk about you know

3711  
02:12:33,189 --> 02:12:30,719  
stephen greer and other

3712  
02:12:36,149 --> 02:12:33,199  
figures that are in ufology and have

3713  
02:12:38,229 --> 02:12:36,159

been in ufology have led the charge for

3714

02:12:39,910 --> 02:12:38,239

multiple years it's like it's it's

3715

02:12:41,510 --> 02:12:39,920

almost like things are

3716

02:12:43,510 --> 02:12:41,520

so confusing i don't know what to

3717

02:12:44,390 --> 02:12:43,520

believe or who to really listen to it's

3718

02:12:46,390 --> 02:12:44,400

like

3719

02:12:48,069 --> 02:12:46,400

some stuff that stephen greer is is

3720

02:12:49,990 --> 02:12:48,079

about i'm like i'm totally about

3721

02:12:51,750 --> 02:12:50,000

some of the stuff i'm like i just don't

3722

02:12:54,390 --> 02:12:51,760

know enough about that to be

3723

02:12:56,149 --> 02:12:54,400

about that like right it's so confusing

3724

02:12:58,790 --> 02:12:56,159

but i feel the same way

3725

02:13:00,950 --> 02:12:58,800

about all the stuff coming out with like

3726

02:13:03,109 --> 02:13:00,960

like military officials like

3727

02:13:04,470 --> 02:13:03,119

it does seem like the mud the waters are

3728

02:13:08,229 --> 02:13:04,480

being uh

3729

02:13:11,430 --> 02:13:08,239

uh pooped a little bit you know yeah

3730

02:13:13,750 --> 02:13:11,440

like i don't it's so hard to know like

3731

02:13:15,270 --> 02:13:13,760

where do you put your full your trust

3732

02:13:17,830 --> 02:13:15,280

right now with with

3733

02:13:19,589 --> 02:13:17,840

the i think all you can do man is just

3734

02:13:21,109 --> 02:13:19,599

sit back and listen

3735

02:13:23,430 --> 02:13:21,119

that's all you can do you got to sit

3736

02:13:24,790 --> 02:13:23,440

back listen hear everybody's peace and

3737

02:13:26,950 --> 02:13:24,800

then

3738

02:13:28,069 --> 02:13:26,960

you kind of pick a road and go down it

3739

02:13:30,709 --> 02:13:28,079

you know

3740

02:13:31,990 --> 02:13:30,719

and then that's where the debate starts

3741

02:13:33,750 --> 02:13:32,000

or continues

3742

02:13:37,350 --> 02:13:33,760

i heard that you're a master debater i

3743

02:13:42,790 --> 02:13:41,430

true story uh jp says william schreiber

3744

02:13:44,390 --> 02:13:42,800

on an interview on coast to coast

3745

02:13:45,990 --> 02:13:44,400

discuss the scientists interview they

3746

02:13:47,030 --> 02:13:46,000

claim by believing in them you're

3747

02:13:49,270 --> 02:13:47,040

bringing them

3748

02:13:50,470 --> 02:13:49,280

into this world opening a portal for

3749

02:13:52,229 --> 02:13:50,480

them

3750

02:13:54,550 --> 02:13:52,239

yeah soon i think there's definitely

3751

02:13:57,669 --> 02:13:54,560

something to that man

3752

02:13:58,550 --> 02:13:57,679

i mean that's ooh that goes back to like

3753

02:14:02,310 --> 02:13:58,560

ancient

3754

02:14:06,229 --> 02:14:02,320

mysticism and like the the creation of

3755

02:14:07,910 --> 02:14:06,239

of some some uh perspectives

3756

02:14:10,390 --> 02:14:07,920

believe when we talked about this with

3757

02:14:13,910 --> 02:14:10,400

lynn on their our last episode that like

3758

02:14:17,830 --> 02:14:13,920

some of the original gods uh maybe even

3759

02:14:20,629 --> 02:14:17,840

the egyptian gods were brought into

3760

02:14:21,109 --> 02:14:20,639

reality by enough people believing in

3761

02:14:22,950 --> 02:14:21,119

them

3762

02:14:24,870 --> 02:14:22,960

yeah i think that's super interesting

3763

02:14:27,430 --> 02:14:24,880

yeah manifesting your own reality

3764

02:14:29,030 --> 02:14:27,440

yeah man yeah definitely and what is in

3765

02:14:31,750 --> 02:14:29,040

their purse

3766

02:14:32,950 --> 02:14:31,760

what's in that what's in the damn purse

3767

02:14:36,629 --> 02:14:32,960

nobody knows man

3768

02:14:38,709 --> 02:14:36,639

nobody knows like the uh sumerian gods

3769

02:14:41,350 --> 02:14:38,719

everybody's got a dang person a pinecone

3770

02:14:44,790 --> 02:14:41,360

and i want in on whatever they're doing

3771

02:14:48,709 --> 02:14:44,800

maybe they're saying maybe inside that

3772

02:14:51,830 --> 02:14:48,719

purse is a whole nother universe

3773

02:14:52,830 --> 02:14:51,840

oh oh wow and they're and they're saying

3774

02:14:57,350 --> 02:14:52,840

like

3775

02:15:00,229 --> 02:14:57,360

but

3776

02:15:02,470 --> 02:15:00,239

in reality you can hold an entire

3777

02:15:05,830 --> 02:15:02,480

universe in your hand if you want

3778

02:15:07,589 --> 02:15:05,840

you know like yeah oh man it's like the

3779

02:15:08,069 --> 02:15:07,599

thing where like you you like you used

3780

02:15:09,750 --> 02:15:08,079

to like

3781

02:15:11,189 --> 02:15:09,760

ask your mom like hey do you have a

3782

02:15:13,030 --> 02:15:11,199

spare piece of gum and she's like yeah

3783

02:15:14,950 --> 02:15:13,040

it's in my purse and you you put your

3784

02:15:17,430 --> 02:15:14,960

hand in the purse and there's an entire

3785

02:15:18,709 --> 02:15:17,440

universe in there

3786

02:15:21,910 --> 02:15:18,719

all kinds of things will take you a

3787

02:15:23,750 --> 02:15:21,920

milli a millennia to find that damn gum

3788

02:15:26,390 --> 02:15:23,760

lots of stuff that isn't gum

3789

02:15:28,229 --> 02:15:26,400

never ending it's so many things are not

3790

02:15:30,069 --> 02:15:28,239

gone there's so many things in there

3791

02:15:31,750 --> 02:15:30,079

that are not gum

3792

02:15:33,910 --> 02:15:31,760

and i don't understand i don't

3793

02:15:34,470 --> 02:15:33,920

understand maybe it is maybe that's what

3794

02:15:37,109 --> 02:15:34,480

it is

3795

02:15:38,229 --> 02:15:37,119

you ever get the side pocket answer and

3796

02:15:40,550 --> 02:15:38,239

then you look and you're like

3797

02:15:41,430 --> 02:15:40,560

there's three side pockets in here it's

3798

02:15:43,589 --> 02:15:41,440

the front one it's

3799

02:15:44,870 --> 02:15:43,599

the front pocket and that's only on one

3800

02:15:46,470 --> 02:15:44,880

side of the purse on the other side of

3801

02:15:49,430 --> 02:15:46,480

the purse there's a whole

3802

02:15:50,310 --> 02:15:49,440

set another set of pockets on that side

3803

02:15:53,109 --> 02:15:50,320

and then you're like

3804

02:15:53,750 --> 02:15:53,119

look i've looked on both sides of

3805

02:15:55,430 --> 02:15:53,760

pockets

3806

02:15:58,950 --> 02:15:55,440

in said purse and she's like no the

3807

02:16:02,470 --> 02:16:00,709

it's like the same thing either way you

3808

02:16:04,550 --> 02:16:02,480

look at it yeah

3809

02:16:06,629 --> 02:16:04,560

todd says he wants the ufo in his garage

3810

02:16:07,270 --> 02:16:06,639

[h\_\_h] yeah yeah we're working on it we're

3811

02:16:09,109 --> 02:16:07,280

working on

3812

02:16:11,030 --> 02:16:09,119

i'm going to grab another another brief

3813

02:16:14,870 --> 02:16:11,040

skier oh yeah

3814

02:16:16,149 --> 02:16:14,880

texas jared what's up we're boros from

3815

02:16:22,790 --> 02:16:16,159

texas

3816

02:16:24,229 --> 02:16:22,800

it is the best state i'm not going to do

3817

02:16:25,589 --> 02:16:24,239

that because uh

3818

02:16:27,669 --> 02:16:25,599

well there's a lot of people here not

3819

02:16:27,990 --> 02:16:27,679

from texas but because you can shout out

3820

02:16:31,030 --> 02:16:28,000

to you

3821

02:16:35,030 --> 02:16:33,750

the the stay puft marshmallow man they

3822

02:16:37,270 --> 02:16:35,040

met

3823

02:16:39,190 --> 02:16:37,280

yeah yeah if you watch ghostbusters dude

3824

02:16:41,669 --> 02:16:39,200

ghostbusters the plot of ghostbusters is

3825

02:16:42,950 --> 02:16:41,679

trippy as [h\_\_\h] oh hell yeah

3826

02:16:44,389 --> 02:16:42,960

go watch it if you haven't seen it

3827

02:16:45,190 --> 02:16:44,399

that's a pretty another that's another

3828

02:16:47,190 --> 02:16:45,200

interesting one

3829

02:16:48,870 --> 02:16:47,200

jp i saw a video of john mack and i

3830

02:16:49,750 --> 02:16:48,880

believe he said something was happening

3831

02:16:52,150 --> 02:16:49,760

to his

3832

02:16:53,110 --> 02:16:52,160

patients abductees but wasn't sure they

3833

02:16:55,190 --> 02:16:53,120

were being taken

3834

02:16:56,549 --> 02:16:55,200

physically does that mean beings are

3835

02:17:00,629 --> 02:16:56,559

abduct or

3836

02:17:03,030 --> 02:17:00,639

uh beings abduct you conscious

3837

02:17:03,750 --> 02:17:03,040

abduct your consciousness jesus sorry

3838

02:17:05,589 --> 02:17:03,760

dude i

3839

02:17:06,629 --> 02:17:05,599

slaughtered the end of that i did a

3840

02:17:07,830 --> 02:17:06,639

really good job you know what i got to

3841

02:17:10,150 --> 02:17:07,840

do it all over again

3842

02:17:11,990 --> 02:17:10,160

i saw a video of john mack and i believe

3843

02:17:13,830 --> 02:17:12,000

he said something was happening to his

3844

02:17:15,349 --> 02:17:13,840

patients

3845

02:17:17,270 --> 02:17:15,359

but wasn't sure they were being taken

3846

02:17:19,349 --> 02:17:17,280

physically does that mean

3847

02:17:21,509 --> 02:17:19,359

the beings abduct your consciousness

3848

02:17:24,549 --> 02:17:21,519

damn you did good bro

3849

02:17:28,070 --> 02:17:24,559

yeah i knew i wasn't dumb

3850

02:17:32,309 --> 02:17:28,080

proud of you man are we good

3851

02:17:38,309 --> 02:17:36,389

i i think that is a a thing that

3852

02:17:40,629 --> 02:17:38,319

i would love to know the answer to

3853

02:17:41,349 --> 02:17:40,639

because dude if we talk about the super

3854

02:17:43,990 --> 02:17:41,359

soldiers

3855

02:17:44,629 --> 02:17:44,000

and fighting we could talk about your

3856

02:17:48,190 --> 02:17:44,639

dream too

3857

02:17:49,349 --> 02:17:48,200

and fighting extra interdimensionals

3858

02:17:52,629 --> 02:17:49,359

extraterrestrials

3859

02:17:54,549 --> 02:17:52,639

on a different consciousness plane

3860

02:17:56,790 --> 02:17:54,559

right then why wouldn't they be able to

3861

02:18:01,030 --> 02:17:56,800

abduct your consciousness

3862

02:18:04,629 --> 02:18:01,040

oh love that if if man

3863

02:18:07,110 --> 02:18:04,639

can hypnotize you or you can send your

3864

02:18:09,669 --> 02:18:07,120

consciousness

3865

02:18:11,110 --> 02:18:09,679

somewhere else dimensionally why

3866

02:18:11,990 --> 02:18:11,120

wouldn't they be able to take it

3867

02:18:14,549 --> 02:18:12,000

dimensionally

3868

02:18:16,309 --> 02:18:14,559

oh [h\_\_h] because if they're not operating

3869

02:18:17,349 --> 02:18:16,319

in the physical realm they can't kidnap

3870

02:18:19,509 --> 02:18:17,359

you physically

3871

02:18:20,629 --> 02:18:19,519

but they can take that essence that that

3872

02:18:23,110 --> 02:18:20,639

consciousness right

3873

02:18:24,230 --> 02:18:23,120

are if you're dreaming in texas or is

3874

02:18:27,030 --> 02:18:24,240

your consciousness

3875

02:18:27,349 --> 02:18:27,040

still in texas can they come and take it

3876

02:18:30,469 --> 02:18:27,359

well

3877

02:18:32,230 --> 02:18:30,479

texas is pretty big so is your

3878

02:18:34,629 --> 02:18:32,240

consciousness

3879

02:18:36,870 --> 02:18:34,639

i i think it would take at least a day

3880

02:18:38,950 --> 02:18:36,880

to get out of texas though oh

3881

02:18:42,230 --> 02:18:38,960

yeah yeah like even in dreams it takes

3882

02:18:45,190 --> 02:18:42,240

like [h\_\_h] forever to get out of texas

3883

02:18:46,790 --> 02:18:45,200

this dream is lasting so long you can't

3884

02:18:49,429 --> 02:18:46,800

even make it they don't think they see

3885

02:18:50,469 --> 02:18:49,439

you like you you reach out past them

3886

02:18:55,669 --> 02:18:50,479

they're like yeah just [h\_\_h]

3887

02:19:00,230 --> 02:18:57,830

i i truly do feel like there's a time

3888

02:19:03,830 --> 02:19:00,240

there's something that happens with time

3889

02:19:05,509 --> 02:19:03,840

in texas where where time just slows

3890

02:19:07,509 --> 02:19:05,519

down as you get further and further and

3891

02:19:08,230 --> 02:19:07,519

closer and closer to the border of not

3892

02:19:11,270 --> 02:19:08,240

texas

3893

02:19:13,830 --> 02:19:11,280

time slows the [h\_\_\h] down it does it runs

3894

02:19:17,589 --> 02:19:13,840

so fast in central texas yeah the

3895

02:19:21,030 --> 02:19:17,599

further out you go it goes slower

3896

02:19:21,429 --> 02:19:21,040

but yeah like like uh consciousness

3897

02:19:24,629 --> 02:19:21,439

being

3898

02:19:26,790 --> 02:19:24,639

abducted via consciousness is that not

3899

02:19:30,709 --> 02:19:26,800

another way of saying

3900

02:19:32,469 --> 02:19:30,719

communication on a a another dimension

3901

02:19:33,509 --> 02:19:32,479

because i think it i think it describes

3902

02:19:34,309 --> 02:19:33,519

the same we're talking about the same

3903

02:19:36,629 --> 02:19:34,319

thing we're

3904

02:19:38,469 --> 02:19:36,639

we're communicating with an entity or a

3905

02:19:40,790 --> 02:19:38,479

consciousness

3906

02:19:41,910 --> 02:19:40,800

non-local or maybe it's all in our head

3907

02:19:45,270 --> 02:19:41,920

who knows

3908

02:19:47,190 --> 02:19:45,280

dude but if we're communicating with

3909

02:19:49,670 --> 02:19:47,200

something whether it be we're tripping

3910

02:19:51,429 --> 02:19:49,680

on mushrooms or ayahuasca or we're in a

3911

02:19:51,910 --> 02:19:51,439

dream state i mean both you and i have

3912

02:19:54,950 --> 02:19:51,920

had

3913

02:19:58,790 --> 02:19:54,960

experiences in dream state or or

3914

02:20:01,750 --> 02:19:58,800

close to dream state that you know

3915

02:20:03,030 --> 02:20:01,760

experience auditory hallucinations i

3916

02:20:05,429 --> 02:20:03,040

mean

3917

02:20:06,469 --> 02:20:05,439

we've experienced some weird [h\_\_h] man

3918

02:20:08,150 --> 02:20:06,479

and

3919

02:20:09,590 --> 02:20:08,160

like the dreams that you've had you know

3920

02:20:12,230 --> 02:20:09,600

like the very vivid stuff like

3921

02:20:13,429 --> 02:20:12,240

i i think there's something to it man

3922

02:20:16,630 --> 02:20:13,439

and it

3923

02:20:18,950 --> 02:20:16,640

but we've also gotta to keep that like

3924

02:20:20,150 --> 02:20:18,960

discernment of it could just be our our

3925

02:20:22,070 --> 02:20:20,160

imagination

3926

02:20:24,070 --> 02:20:22,080

and that's what's it's not as fun to say

3927

02:20:26,309 --> 02:20:24,080

that like uh

3928

02:20:28,150 --> 02:20:26,319

i wanna i wanna like strongly believe

3929

02:20:29,030 --> 02:20:28,160

and be able to i just can't bring myself

3930

02:20:30,710 --> 02:20:29,040

to like

3931

02:20:33,110 --> 02:20:30,720

this is what it is because we just don't

3932

02:20:36,469 --> 02:20:33,120

[h\_\_\h] know man we don't know

3933

02:20:38,870 --> 02:20:36,479

yeah it could be that yeah

3934

02:20:40,150 --> 02:20:38,880

some aliens take you physically some

3935

02:20:43,750 --> 02:20:40,160

aliens take you

3936

02:20:47,670 --> 02:20:43,760

consciously dude what if

3937

02:20:51,349 --> 02:20:47,680

don john bovee rick moranis is the [h\_\_\h]

3938

02:20:53,349 --> 02:20:51,359

a frickin dude awesome name

3939

02:20:54,950 --> 02:20:53,359

yeah rick rick moran is the [h\_\_h] for

3940

02:20:57,510 --> 02:20:54,960

real

3941

02:21:00,710 --> 02:20:57,520

but this is making me think of dude if

3942

02:21:04,230 --> 02:21:00,720

they can abduct your consciousness

3943

02:21:06,469 --> 02:21:04,240

while you're alive when you die

3944

02:21:07,910 --> 02:21:06,479

wherever your soul goes or your

3945

02:21:11,190 --> 02:21:07,920

consciousness goes can they

3946

02:21:11,990 --> 02:21:11,200

take it oh after you die what if they're

3947

02:21:14,870 --> 02:21:12,000

hanging out around

3948

02:21:16,870 --> 02:21:14,880

the planet collecting consciousness from

3949

02:21:18,150 --> 02:21:16,880

dying people

3950

02:21:20,550 --> 02:21:18,160

keeping them from being able to

3951  
02:21:22,309 --> 02:21:20,560  
reincarnate on the planet or wherever

3952  
02:21:24,870 --> 02:21:22,319  
else out in the universe

3953  
02:21:25,830 --> 02:21:24,880  
and they're using that consciousness to

3954  
02:21:28,950 --> 02:21:25,840  
operate

3955  
02:21:29,910 --> 02:21:28,960  
this artificial intelligence on like a

3956  
02:21:32,309 --> 02:21:29,920  
hive scale

3957  
02:21:34,469 --> 02:21:32,319  
dude okay all throughout the entire

3958  
02:21:35,349 --> 02:21:34,479  
universe yes and what they do is they go

3959  
02:21:37,750 --> 02:21:35,359  
and they find

3960  
02:21:39,030 --> 02:21:37,760  
organic living things and take their

3961  
02:21:41,830 --> 02:21:39,040  
consciousness

3962  
02:21:42,870 --> 02:21:41,840  
as they die and maybe like they do take

3963  
02:21:44,710 --> 02:21:42,880

some live ones

3964

02:21:46,469 --> 02:21:44,720

just to like see what the live ones are

3965

02:21:48,469 --> 02:21:46,479

doing but that's not really what they're

3966

02:21:49,990 --> 02:21:48,479

here for they're here to abduct the

3967

02:21:53,110 --> 02:21:50,000

dying consciousnesses

3968

02:21:53,750 --> 02:21:53,120

out of people out of organic matter oh

3969

02:21:54,710 --> 02:21:53,760

okay

3970

02:21:56,469 --> 02:21:54,720

so what do they do with the

3971

02:21:56,870 --> 02:21:56,479

consciousnesses well they use it to run

3972

02:21:59,590 --> 02:21:56,880

the

3973

02:22:00,710 --> 02:21:59,600

artificial intelligence dude all around

3974

02:22:04,230 --> 02:22:00,720

the galaxy

3975

02:22:06,630 --> 02:22:04,240

like what if a super computer requires

3976

02:22:08,309 --> 02:22:06,640

this whatever energy force of

3977

02:22:09,510 --> 02:22:08,319

consciousness remember when science bob

3978

02:22:11,190 --> 02:22:09,520

was saying like yeah the quantum

3979

02:22:11,910 --> 02:22:11,200

computer like it has to go inside this

3980

02:22:14,309 --> 02:22:11,920

box

3981

02:22:15,110 --> 02:22:14,319

to keep it away from the universe

3982

02:22:17,670 --> 02:22:15,120

basically

3983

02:22:19,349 --> 02:22:17,680

yes or otherwise it'll it won't work

3984

02:22:19,990 --> 02:22:19,359

because it's interacting with everything

3985

02:22:23,190 --> 02:22:20,000

else

3986

02:22:24,389 --> 02:22:23,200

so like we have to you know put it in

3987

02:22:25,750 --> 02:22:24,399

like a little compartment like what if

3988

02:22:27,349 --> 02:22:25,760

it's kind of the same thing

3989

02:22:28,950 --> 02:22:27,359

but instead of that like they're they're

3990

02:22:30,389 --> 02:22:28,960

using it like

3991

02:22:32,389 --> 02:22:30,399

quantitatively like throughout the

3992

02:22:35,270 --> 02:22:32,399

entire universe

3993

02:22:36,710 --> 02:22:35,280

to cover like a massive scale dude think

3994

02:22:40,070 --> 02:22:36,720

about it think about it like

3995

02:22:41,910 --> 02:22:40,080

energy yeah what is energy like we only

3996

02:22:44,469 --> 02:22:41,920

know a fraction of it

3997

02:22:46,389 --> 02:22:44,479

there has to be so much [h\_\_\h] energy

3998

02:22:48,710 --> 02:22:46,399

and consciousness itself that

3999

02:22:50,230 --> 02:22:48,720

like we just don't really we can't

4000

02:22:54,309 --> 02:22:50,240

fathom how important

4001  
02:22:56,309 --> 02:22:54,319  
and rare it is yeah consciousness

4002  
02:22:58,070 --> 02:22:56,319  
and if that energy it could could be

4003  
02:22:59,750 --> 02:22:58,080  
harnessed in a way to run a super

4004  
02:23:02,630 --> 02:22:59,760  
computer dude i think you

4005  
02:23:03,270 --> 02:23:02,640  
did that's a [h\_\_\h] dude that'd be pretty

4006  
02:23:05,429 --> 02:23:03,280  
nuts

4007  
02:23:06,389 --> 02:23:05,439  
well like what if that's the power

4008  
02:23:09,429 --> 02:23:06,399  
source or

4009  
02:23:12,790 --> 02:23:09,439  
or or that's the uh

4010  
02:23:13,910 --> 02:23:12,800  
the processor the way that a super

4011  
02:23:16,950 --> 02:23:13,920  
computer ai

4012  
02:23:19,110 --> 02:23:16,960  
processes data and creates and

4013  
02:23:21,349 --> 02:23:19,120

self manifests is through this

4014

02:23:23,670 --> 02:23:21,359

consciousness energy

4015

02:23:24,389 --> 02:23:23,680

because like our consciousness is what

4016

02:23:30,469 --> 02:23:24,399

makes us

4017

02:23:31,910 --> 02:23:30,479

it's like a certain level but then dude

4018

02:23:33,670 --> 02:23:31,920

like then we're just kind of tooting our

4019

02:23:34,230 --> 02:23:33,680

own horns right because we're assuming

4020

02:23:36,469 --> 02:23:34,240

that

4021

02:23:38,230 --> 02:23:36,479

super advanced race is collecting dumb

4022

02:23:40,630 --> 02:23:38,240

ass human consciousness

4023

02:23:41,910 --> 02:23:40,640

to like run a super ai computer most of

4024

02:23:44,950 --> 02:23:41,920

our thoughts are like uh

4025

02:23:47,670 --> 02:23:44,960

boobs are tied to you yeah and there's

4026  
02:23:48,309 --> 02:23:47,680  
you know i don't know there's always

4027  
02:23:50,150 --> 02:23:48,319  
some junk

4028  
02:23:51,590 --> 02:23:50,160  
out there yeah or what if they're the

4029  
02:23:55,110 --> 02:23:51,600  
ones recycling the

4030  
02:23:57,910 --> 02:23:55,120  
the consciousness energy

4031  
02:24:00,150 --> 02:23:57,920  
you know i mean they harvest and spread

4032  
02:24:03,590 --> 02:24:00,160  
it throughout the universe

4033  
02:24:06,230 --> 02:24:03,600  
dude yeah taking consciousness and and

4034  
02:24:06,870 --> 02:24:06,240  
if there's a way to put it on another

4035  
02:24:09,590 --> 02:24:06,880  
planet

4036  
02:24:10,550 --> 02:24:09,600  
somewhere so another conscious being can

4037  
02:24:13,110 --> 02:24:10,560  
become a thing

4038  
02:24:14,070 --> 02:24:13,120

oh like what if so you're saying like if

4039

02:24:15,830 --> 02:24:14,080

if consciousness

4040

02:24:17,910 --> 02:24:15,840

is not a natural thing and has to be

4041

02:24:19,750 --> 02:24:17,920

transported from one

4042

02:24:21,510 --> 02:24:19,760

spot to another the energy has to be

4043

02:24:25,270 --> 02:24:21,520

transferred from one

4044

02:24:27,429 --> 02:24:25,280

place of habitation to a different place

4045

02:24:28,710 --> 02:24:27,439

so like you think about it like what is

4046

02:24:30,790 --> 02:24:28,720

what is source

4047

02:24:33,670 --> 02:24:30,800

right if we want to talk about scott or

4048

02:24:36,710 --> 02:24:33,680

the source or whatever it is

4049

02:24:38,150 --> 02:24:36,720

it's some sort of conscious energy right

4050

02:24:41,030 --> 02:24:38,160

and it had to create

4051  
02:24:42,150 --> 02:24:41,040  
another somehow create another form of

4052  
02:24:43,830 --> 02:24:42,160  
conscious energy

4053  
02:24:45,830 --> 02:24:43,840  
like what if it's just like this whole

4054  
02:24:48,710 --> 02:24:45,840  
waterfall effect where like

4055  
02:24:49,670 --> 02:24:48,720  
the whole meaning of of life and

4056  
02:24:52,389 --> 02:24:49,680  
everything is to

4057  
02:24:54,950 --> 02:24:52,399  
harvest consciousness once it's not

4058  
02:24:57,750 --> 02:24:54,960  
being used anymore

4059  
02:24:59,030 --> 02:24:57,760  
to to place it somewhere else so it can

4060  
02:25:01,830 --> 02:24:59,040  
then grow

4061  
02:25:03,349 --> 02:25:01,840  
so like you place consciousness on earth

4062  
02:25:05,910 --> 02:25:03,359  
and things began

4063  
02:25:07,910 --> 02:25:05,920

began to like grow and like evolve into

4064

02:25:09,830 --> 02:25:07,920

what they are today but as they die you

4065

02:25:10,070 --> 02:25:09,840

take that [h\_\_h] and you move it somewhere

4066

02:25:12,630 --> 02:25:10,080

else

4067

02:25:13,750 --> 02:25:12,640

just take that [h\_\_h] yeah and then you

4068

02:25:15,750 --> 02:25:13,760

start another

4069

02:25:17,030 --> 02:25:15,760

colony of consciousness somewhere else

4070

02:25:19,990 --> 02:25:17,040

and see what that

4071

02:25:21,270 --> 02:25:20,000

little colony does or i i want to

4072

02:25:22,710 --> 02:25:21,280

reference something you said when we

4073

02:25:23,510 --> 02:25:22,720

were talking to terry loveless and we

4074

02:25:26,870 --> 02:25:23,520

were talking about like

4075

02:25:27,429 --> 02:25:26,880

how how and i i honestly aligned to this

4076

02:25:30,870 --> 02:25:27,439

as well

4077

02:25:35,110 --> 02:25:30,880

you said that consciousness could

4078

02:25:36,469 --> 02:25:35,120

uh be within the most simple of

4079

02:25:38,790 --> 02:25:36,479

it couldn't even it doesn't even have to

4080

02:25:40,230 --> 02:25:38,800

be life it could be rocks or minerals

4081

02:25:42,230 --> 02:25:40,240

like consciousness could

4082

02:25:43,590 --> 02:25:42,240

reside in literally everything so it's

4083

02:25:45,349 --> 02:25:43,600

almost like you're

4084

02:25:47,750 --> 02:25:45,359

what if this this this energy is just

4085

02:25:49,590 --> 02:25:47,760

sprinkled all over a planet like

4086

02:25:52,309 --> 02:25:49,600

you start with like this base planet

4087

02:25:54,870 --> 02:25:52,319

right like starting over so before earth

4088

02:25:56,630 --> 02:25:54,880

they go all right so we've got all this

4089

02:25:59,190 --> 02:25:56,640

all this mana all this energy

4090

02:26:00,070 --> 02:25:59,200

all this consciousness energy and we

4091

02:26:02,389 --> 02:26:00,080

need more of it

4092

02:26:04,309 --> 02:26:02,399

how do we create more of it well we we

4093

02:26:05,910 --> 02:26:04,319

gotta seed it somewhere

4094

02:26:07,910 --> 02:26:05,920

and some of it might go into the rock

4095

02:26:09,830 --> 02:26:07,920

some of i might go into the plants

4096

02:26:12,790 --> 02:26:09,840

there's like these little worms but

4097

02:26:14,790 --> 02:26:12,800

give it time give it time and then

4098

02:26:16,389 --> 02:26:14,800

eventually we'll create humans or some

4099

02:26:18,710 --> 02:26:16,399

sentient being that will be able to

4100

02:26:21,190 --> 02:26:18,720

reproduce it so it's an investment

4101  
02:26:22,950 --> 02:26:21,200  
of this consciousness energy to where

4102  
02:26:25,670 --> 02:26:22,960  
we're at a point this pinnacle

4103  
02:26:26,790 --> 02:26:25,680  
of of earth where like humans are cool

4104  
02:26:29,349 --> 02:26:26,800  
now like they they're

4105  
02:26:30,150 --> 02:26:29,359  
they're like pre like producing

4106  
02:26:33,750 --> 02:26:30,160  
consciousness

4107  
02:26:35,270 --> 02:26:33,760  
energy or what if like you know like air

4108  
02:26:37,590 --> 02:26:35,280  
is just all around us

4109  
02:26:39,590 --> 02:26:37,600  
right and like you being like a physical

4110  
02:26:41,510 --> 02:26:39,600  
thing like

4111  
02:26:43,270 --> 02:26:41,520  
you breathe it and it hits you and it

4112  
02:26:45,030 --> 02:26:43,280  
like goes around you but like what if

4113  
02:26:48,710 --> 02:26:45,040

consciousness is the same way

4114

02:26:52,469 --> 02:26:48,720

but except for when it hits you

4115

02:26:54,870 --> 02:26:52,479

you you absorb it right and everything

4116

02:26:55,510 --> 02:26:54,880

like rocks we're talking animals

4117

02:26:57,590 --> 02:26:55,520

everything

4118

02:26:58,550 --> 02:26:57,600

even like your computer like

4119

02:27:01,349 --> 02:26:58,560

consciousness is

4120

02:27:01,990 --> 02:27:01,359

is running through all of that but what

4121

02:27:06,630 --> 02:27:02,000

makes it

4122

02:27:08,790 --> 02:27:06,640

different is the being able to

4123

02:27:09,990 --> 02:27:08,800

unders like be aware of it be aware of

4124

02:27:13,750 --> 02:27:10,000

it and understand

4125

02:27:15,590 --> 02:27:13,760

being conscious of consciousness exactly

4126  
02:27:17,510 --> 02:27:15,600  
you know what i'm saying we sound like

4127  
02:27:19,429 --> 02:27:17,520  
we know what the [h\_\_h] we're so smart

4128  
02:27:22,710 --> 02:27:19,439  
dude

4129  
02:27:24,630 --> 02:27:22,720  
but no i do i love that like so so do

4130  
02:27:26,790 --> 02:27:24,640  
you mean that that's a means to an end

4131  
02:27:28,469 --> 02:27:26,800  
is that no no it's it's basically like

4132  
02:27:32,309 --> 02:27:28,479  
wherever you fit on that scale

4133  
02:27:35,510 --> 02:27:32,319  
is basically your ability to comprehend

4134  
02:27:36,870 --> 02:27:35,520  
um the what's being given to you right

4135  
02:27:39,030 --> 02:27:36,880  
so a rock

4136  
02:27:39,990 --> 02:27:39,040  
gets consciousness but the ability to

4137  
02:27:43,830 --> 02:27:40,000  
comprehend

4138  
02:27:44,469 --> 02:27:43,840

what this force is to enhance it or

4139

02:27:47,830 --> 02:27:44,479

improve it

4140

02:27:50,230 --> 02:27:47,840

isn't there uh like like they're talking

4141

02:27:52,710 --> 02:27:50,240

about monkeys entering the stone age now

4142

02:27:54,389 --> 02:27:52,720

start they're absorbing it right and

4143

02:27:56,710 --> 02:27:54,399

they're evolving

4144

02:27:57,990 --> 02:27:56,720

their consciousness is probably growing

4145

02:28:01,190 --> 02:27:58,000

a little bit too like

4146

02:28:04,230 --> 02:28:01,200

all the you know animals as they evolve

4147

02:28:05,910 --> 02:28:04,240

right they they keep traits that are

4148

02:28:09,910 --> 02:28:05,920

beneficial to them

4149

02:28:12,389 --> 02:28:09,920

and maybe at some point like

4150

02:28:13,190 --> 02:28:12,399

the ability to comprehend what this

4151

02:28:16,070 --> 02:28:13,200

consciousness

4152

02:28:17,190 --> 02:28:16,080

is is is kind of like the next step we

4153

02:28:18,870 --> 02:28:17,200

can comprehend it

4154

02:28:20,790 --> 02:28:18,880

that's what i mean by like this idea of

4155

02:28:23,590 --> 02:28:20,800

like when you seed

4156

02:28:24,790 --> 02:28:23,600

consciousness energy onto a lifeless or

4157

02:28:27,830 --> 02:28:24,800

consciousness

4158

02:28:29,590 --> 02:28:27,840

planet you wait till a being

4159

02:28:31,190 --> 02:28:29,600

is aware of being conscious that's like

4160

02:28:31,830 --> 02:28:31,200

that's the whole apple of eden that's

4161

02:28:33,990 --> 02:28:31,840

that's

4162

02:28:36,230 --> 02:28:34,000

you know becoming becoming like us in

4163

02:28:39,750 --> 02:28:36,240

the bible it's it's plural it says

4164

02:28:40,309 --> 02:28:39,760

oh now they've become like us what's us

4165

02:28:43,750 --> 02:28:40,319

i thought

4166

02:28:46,790 --> 02:28:43,760

this not the word of god who's the

4167

02:28:47,510 --> 02:28:46,800

us here are we what if that's like

4168

02:28:48,870 --> 02:28:47,520

that's that's

4169

02:28:50,790 --> 02:28:48,880

that's the moment you're talking about

4170

02:28:53,110 --> 02:28:50,800

here is is when

4171

02:28:54,710 --> 02:28:53,120

when consciousness can start to reinvest

4172

02:28:57,349 --> 02:28:54,720

itself and start to produce

4173

02:28:59,190 --> 02:28:57,359

like you put this in investment right

4174

02:29:01,429 --> 02:28:59,200

and consciousness energy

4175

02:29:02,309 --> 02:29:01,439

let it grow a million [h\_\_h] billion

4176  
02:29:03,750 --> 02:29:02,319  
years

4177  
02:29:05,510 --> 02:29:03,760  
and then it gets to a point where it

4178  
02:29:07,670 --> 02:29:05,520  
starts actually producing it

4179  
02:29:09,429 --> 02:29:07,680  
and then like where are we the question

4180  
02:29:09,910 --> 02:29:09,439  
is where are we in that deficit are we

4181  
02:29:12,710 --> 02:29:09,920  
still

4182  
02:29:13,110 --> 02:29:12,720  
in the deficit or are we even like

4183  
02:29:16,870 --> 02:29:13,120  
that's

4184  
02:29:19,990 --> 02:29:16,880  
was like why we're coming

4185  
02:29:23,190 --> 02:29:20,000  
becoming more consciousness conscious as

4186  
02:29:25,030 --> 02:29:23,200  
a culture society of ourselves and what

4187  
02:29:27,030 --> 02:29:25,040  
has been and what works what doesn't

4188  
02:29:28,790 --> 02:29:27,040

work what will work

4189

02:29:30,550 --> 02:29:28,800

i feel like we're reaching this point

4190

02:29:31,510 --> 02:29:30,560

where we kind of can predict what

4191

02:29:33,270 --> 02:29:31,520

happens and

4192

02:29:35,590 --> 02:29:33,280

that's just an easy way to say yeah

4193

02:29:38,469 --> 02:29:35,600

we're just conscious of

4194

02:29:39,750 --> 02:29:38,479

you know history and stuff we that won't

4195

02:29:41,670 --> 02:29:39,760

work whatever

4196

02:29:43,110 --> 02:29:41,680

so where do where does that place us

4197

02:29:43,830 --> 02:29:43,120

right now in this moment in time i don't

4198

02:29:46,389 --> 02:29:43,840

know man

4199

02:29:47,110 --> 02:29:46,399

with that timeline but just like we we

4200

02:29:49,910 --> 02:29:47,120

talked about

4201  
02:29:51,670 --> 02:29:49,920  
monkeys a second ago and knees are tight

4202  
02:29:53,270 --> 02:29:51,680  
like if if

4203  
02:29:54,950 --> 02:29:53,280  
if you walked in the forest and you saw

4204  
02:29:55,830 --> 02:29:54,960  
like this nice little cottage with

4205  
02:29:59,190 --> 02:29:55,840  
shingles

4206  
02:30:00,950 --> 02:29:59,200  
and windows and you got close to it and

4207  
02:30:04,450 --> 02:30:00,960  
a monkey came out and was like

4208  
02:30:07,429 --> 02:30:04,460  
get off of my lawn my [h\_\_h]

4209  
02:30:10,150 --> 02:30:07,439  
[Music]

4210  
02:30:12,630 --> 02:30:10,160  
so like what is our next step you know

4211  
02:30:15,510 --> 02:30:12,640  
if if the monkey transition to us

4212  
02:30:16,550 --> 02:30:15,520  
yeah what is our next transition well

4213  
02:30:19,750 --> 02:30:16,560

then we become

4214

02:30:20,309 --> 02:30:19,760

we become the the cedars we become this

4215

02:30:23,910 --> 02:30:20,319

is so

4216

02:30:26,309 --> 02:30:23,920

so we were seated right so we have to

4217

02:30:27,910 --> 02:30:26,319

with that timeline have to become this

4218

02:30:30,790 --> 02:30:27,920

this level of

4219

02:30:31,349 --> 02:30:30,800

consciousness cedars where where the

4220

02:30:34,870 --> 02:30:31,359

really

4221

02:30:37,990 --> 02:30:34,880

basic idea of it is like

4222

02:30:40,550 --> 02:30:38,000

we have to be multi-planetary

4223

02:30:42,070 --> 02:30:40,560

human beings or whatever but that's like

4224

02:30:45,670 --> 02:30:42,080

the thing that everybody can

4225

02:30:47,349 --> 02:30:45,680

can uh digest that makes sense yeah yeah

4226

02:30:48,550 --> 02:30:47,359

what if the earth is doesn't like us

4227

02:30:49,830 --> 02:30:48,560

anymore we have to get off this [h\_\_h]

4228

02:30:51,910 --> 02:30:49,840

planet let's go somewhere else

4229

02:30:53,429 --> 02:30:51,920

but when in actuality what really needs

4230

02:30:56,389 --> 02:30:53,439

to happen is that

4231

02:30:57,349 --> 02:30:56,399

we're entering this new phase of of of

4232

02:31:00,790 --> 02:30:57,359

consciousness

4233

02:31:01,590 --> 02:31:00,800

reproduction vehicles and we that's our

4234

02:31:04,070 --> 02:31:01,600

task

4235

02:31:05,429 --> 02:31:04,080

is not to just go to mars and like set

4236

02:31:07,429 --> 02:31:05,439

up a starbucks

4237

02:31:09,190 --> 02:31:07,439

but like make sure that we know what

4238

02:31:13,110 --> 02:31:09,200

we're doing to keep this

4239

02:31:15,030 --> 02:31:13,120

engine running right so so that makes me

4240

02:31:17,429 --> 02:31:15,040

that begs the question what is it all

4241

02:31:19,110 --> 02:31:17,439

for like who is this benefiting

4242

02:31:20,950 --> 02:31:19,120

or is that just a human thought like

4243

02:31:21,429 --> 02:31:20,960

does it have to benefit anything is that

4244

02:31:24,469 --> 02:31:21,439

just

4245

02:31:26,870 --> 02:31:24,479

the nature of the code it's interesting

4246

02:31:30,630 --> 02:31:29,830

watching like like my kid for example

4247

02:31:34,070 --> 02:31:30,640

right

4248

02:31:37,750 --> 02:31:34,080

like she's born and then

4249

02:31:40,389 --> 02:31:37,760

can't see color everything's blurry

4250

02:31:42,389 --> 02:31:40,399

can't talk can't feed herself can't do

4251

02:31:45,590 --> 02:31:42,399

none of that so she's just this

4252

02:31:48,070 --> 02:31:45,600

this this this tiny tiny

4253

02:31:49,830 --> 02:31:48,080

baby that just lays there and has to be

4254

02:31:52,070 --> 02:31:49,840

taken care of right

4255

02:31:53,349 --> 02:31:52,080

and now like it as it gets older it's

4256

02:31:56,469 --> 02:31:53,359

like oh my gosh

4257

02:31:57,190 --> 02:31:56,479

look look at her yeah she's looking at

4258

02:32:00,070 --> 02:31:57,200

stuff

4259

02:32:01,670 --> 02:32:00,080

like can you imagine like those

4260

02:32:04,950 --> 02:32:01,680

milestones like if you could remember it

4261

02:32:08,070 --> 02:32:04,960

going from like blurry vision to like

4262

02:32:09,990 --> 02:32:08,080

whoa i can see shapes today you know

4263

02:32:11,990 --> 02:32:10,000

and then moving from shapes to like holy

4264

02:32:13,270 --> 02:32:12,000

crap i can see all these shapes and

4265

02:32:16,790 --> 02:32:13,280

colors

4266

02:32:18,070 --> 02:32:16,800

that's mom that's dad i recognize those

4267

02:32:19,990 --> 02:32:18,080

you know like you're hearing all this

4268

02:32:23,429 --> 02:32:20,000

stuff and then and then you

4269

02:32:25,830 --> 02:32:23,439

show them a mirror and they don't get it

4270

02:32:27,429 --> 02:32:25,840

but then eventually you do it enough and

4271

02:32:29,990 --> 02:32:27,439

they start realizing

4272

02:32:32,070 --> 02:32:30,000

oh that's me like you're watching like

4273

02:32:34,389 --> 02:32:32,080

this little consciousness grow

4274

02:32:36,710 --> 02:32:34,399

and like learning new stuff and it's

4275

02:32:38,870 --> 02:32:36,720

like as we become adults we stop

4276  
02:32:40,070 --> 02:32:38,880  
we stop doing that you like reach this

4277  
02:32:41,990 --> 02:32:40,080  
pinnacle of like

4278  
02:32:43,670 --> 02:32:42,000  
well i basically know all the [h\_\_\h] i

4279  
02:32:46,230 --> 02:32:43,680  
need to know to survive

4280  
02:32:47,030 --> 02:32:46,240  
right pay my taxes yep and that's it and

4281  
02:32:48,710 --> 02:32:47,040  
we stop

4282  
02:32:50,389 --> 02:32:48,720  
but like can you imagine like if we

4283  
02:32:52,950 --> 02:32:50,399  
didn't stop like where

4284  
02:32:54,550 --> 02:32:52,960  
we could go if we kept discovering

4285  
02:32:56,630 --> 02:32:54,560  
amazing things

4286  
02:32:57,830 --> 02:32:56,640  
i think that's what elon musk has in

4287  
02:33:01,830 --> 02:32:57,840  
plan in store

4288  
02:33:06,389 --> 02:33:04,830

planting of humans the new the the new

4289

02:33:09,429 --> 02:33:06,399

world

4290

02:33:12,309 --> 02:33:09,439

i don't know i think that that that

4291

02:33:14,630 --> 02:33:12,319

idea is [h\_\_h] beautiful man that would

4292

02:33:15,910 --> 02:33:14,640

be awesome to see what what could happen

4293

02:33:17,670 --> 02:33:15,920

yeah if there were if there was no

4294

02:33:19,990 --> 02:33:17,680

limitations put on on

4295

02:33:21,670 --> 02:33:20,000

on society in this in in this this

4296

02:33:23,349 --> 02:33:21,680

machine that we've kind of created for

4297

02:33:24,309 --> 02:33:23,359

ourselves like it'd be pretty awesome to

4298

02:33:25,670 --> 02:33:24,319

see what would happen

4299

02:33:27,830 --> 02:33:25,680

like would we start being able to like

4300

02:33:29,910 --> 02:33:27,840

levitate [h\_\_h] with our minds

4301  
02:33:31,429 --> 02:33:29,920  
i don't know we would we head down the

4302  
02:33:34,630 --> 02:33:31,439  
crevasse and and

4303  
02:33:37,429 --> 02:33:34,640  
and shoot uh mighty juice

4304  
02:33:38,790 --> 02:33:37,439  
mighty mighty juice mighty uh with mine

4305  
02:33:42,070 --> 02:33:38,800  
bullets

4306  
02:33:44,309 --> 02:33:42,080  
it's telekinesis there the hydra down in

4307  
02:33:48,150 --> 02:33:44,319  
the crevasse

4308  
02:33:48,950 --> 02:33:48,160  
fly with me kyle dave from spaced out

4309  
02:33:51,590 --> 02:33:48,960  
radio

4310  
02:33:52,630 --> 02:33:51,600  
welcome bud good to see you glad to have

4311  
02:33:56,870 --> 02:33:52,640  
you

4312  
02:33:58,870 --> 02:33:56,880  
spacedownradio.com

4313  
02:34:01,990 --> 02:33:58,880

in the youtube channel dave you're

4314

02:34:03,510 --> 02:34:02,000

awesome thanks for hanging out

4315

02:34:05,750 --> 02:34:03,520

you can also hang out with bumblefoot

4316

02:34:08,469 --> 02:34:05,760

over there yeah

4317

02:34:10,150 --> 02:34:08,479

hell yeah someone posted something

4318

02:34:14,630 --> 02:34:10,160

hilarious dude uh

4319

02:34:17,830 --> 02:34:14,640

let's see oh that was kind of cool alien

4320

02:34:21,910 --> 02:34:17,840

harvest season is upon us dude

4321

02:34:23,830 --> 02:34:21,920

um forces surrounds us that's [h\_\_h]

4322

02:34:27,349 --> 02:34:23,840

cool

4323

02:34:29,110 --> 02:34:27,359

yeah hold on oh dave said

4324

02:34:34,070 --> 02:34:29,120

ben has shingles i do have shingles on

4325

02:34:38,070 --> 02:34:36,070

roof of my balls i have a metal roof

4326

02:34:41,349 --> 02:34:38,080

roof

4327

02:34:46,710 --> 02:34:41,359

oh this is the one consciousness

4328

02:34:53,349 --> 02:34:49,910

dude that's [h\_\_\h] genius

4329

02:34:55,270 --> 02:34:53,359

oh that's funny

4330

02:34:57,990 --> 02:34:55,280

i love that little rant dude that was

4331

02:34:59,670 --> 02:34:58,000

fun that was fun

4332

02:35:02,870 --> 02:34:59,680

nothing like a good old consciousness

4333

02:35:04,389 --> 02:35:02,880

rant yeah i did

4334

02:35:06,070 --> 02:35:04,399

you said it's fractal right it is

4335

02:35:09,270 --> 02:35:06,080

fractal everything's fractal

4336

02:35:10,790 --> 02:35:09,280

dave um

4337

02:35:13,110 --> 02:35:10,800

man we've had a good time tonight it's

4338

02:35:15,830 --> 02:35:13,120

been what two and a half hours

4339

02:35:16,389 --> 02:35:15,840

or two hours two hours hey everybody gay

4340

02:35:19,590 --> 02:35:16,399

guess

4341

02:35:23,030 --> 02:35:19,600

um dave's favorite soccer team anybody

4342

02:35:25,830 --> 02:35:24,150

i don't know if you guys know this but

4343

02:35:26,630 --> 02:35:25,840

he loves soccer he's one of his

4344

02:35:28,630 --> 02:35:26,640

favorites

4345

02:35:30,150 --> 02:35:28,640

you mean the amer the american-made

4346

02:35:34,389 --> 02:35:30,160

sport where you play the ball with your

4347

02:35:34,399 --> 02:35:37,590

oh god

4348

02:35:37,600 --> 02:35:41,990

i mean is that it or what

4349

02:35:45,830 --> 02:35:43,349

i don't know i felt like there was a

4350

02:35:48,309 --> 02:35:45,840

lull there was there was a little bit of

4351

02:35:50,230 --> 02:35:48,319

we we totally ended the show like 45

4352

02:35:53,270 --> 02:35:50,240

minutes ago though we did end the show

4353

02:35:54,070 --> 02:35:53,280

and then we got into consciousness yeah

4354

02:35:57,330 --> 02:35:54,080

rodney

4355

02:36:02,070 --> 02:35:57,340

fields ladybug soccer team

4356

02:36:06,389 --> 02:36:04,550

what does that mean oh dude you've never

4357

02:36:09,270 --> 02:36:06,399

seen it

4358

02:36:10,150 --> 02:36:09,280

bro oh yeah that movie is that movie is

4359

02:36:13,910 --> 02:36:10,160

pretty funny

4360

02:36:17,190 --> 02:36:13,920

uh what's it what's it called

4361

02:36:17,200 --> 02:36:25,590

ladybug soccer team yeah

4362

02:36:25,600 --> 02:36:28,630

no way

4363

02:36:32,630 --> 02:36:31,270

man i i saw that movie a long ass time

4364

02:36:35,270 --> 02:36:32,640

ago

4365

02:36:36,070 --> 02:36:35,280

oh i remember this yeah okay visually i

4366

02:36:41,910 --> 02:36:36,080

remember

4367

02:36:41,920 --> 02:36:46,950

that's my impression

4368

02:36:50,550 --> 02:36:49,349

right you got no respect around here ah

4369

02:36:51,830 --> 02:36:50,560

there it is i was trying to think of

4370

02:36:56,469 --> 02:36:51,840

where it was he plays the uh

4371

02:37:05,270 --> 02:36:59,590

damn it all dogs go to heaven

4372

02:37:06,870 --> 02:37:05,280

no alto no oliver and company

4373

02:37:14,730 --> 02:37:06,880

oh yeah dude that's what's up that's

4374

02:37:20,389 --> 02:37:16,469

[Music]

4375

02:37:23,830 --> 02:37:20,399

yes dude manchester united

4376

02:37:30,469 --> 02:37:27,349

oh oh dave says soccer is the antichrist

4377

02:37:32,630 --> 02:37:30,479

of sport i thought he liked soccer dude

4378

02:37:34,230 --> 02:37:32,640

dude everybody likes soccer i mean come

4379

02:37:37,750 --> 02:37:34,240

on

4380

02:37:39,030 --> 02:37:37,760

dude uh yeah why uh joe rogan is just

4381

02:37:40,790 --> 02:37:39,040

down the road from us yeah yeah he's

4382

02:37:43,349 --> 02:37:40,800

just down the road and also

4383

02:37:44,630 --> 02:37:43,359

that would be cool is heck if we could

4384

02:37:46,710 --> 02:37:44,640

go on a hit show

4385

02:37:48,070 --> 02:37:46,720

uh i would hang out joe rogan seems i

4386

02:37:50,870 --> 02:37:48,080

mean we should send him an email

4387

02:37:52,469 --> 02:37:50,880

hey joe since you will come on our show

4388

02:37:55,510 --> 02:37:52,479

can we come on your show

4389

02:37:56,630 --> 02:37:55,520

come on yourself we live right down the

4390

02:37:59,510 --> 02:37:56,640

road

4391

02:37:59,990 --> 02:37:59,520

right next to you man he's gonna be like

4392

02:38:02,550 --> 02:38:00,000

i get

4393

02:38:03,910 --> 02:38:02,560

hundreds of these emails every day every

4394

02:38:06,630 --> 02:38:03,920

yeah well i've sent him a few

4395

02:38:08,150 --> 02:38:06,640

problems from people in austin he just

4396

02:38:09,830 --> 02:38:08,160

doesn't get it dude you know what i'm

4397

02:38:14,950 --> 02:38:09,840

saying he doesn't get he just doesn't

4398

02:38:18,710 --> 02:38:14,960

get it joe rogan just doesn't understand

4399

02:38:21,990 --> 02:38:18,720

like dude like how popular he would be

4400

02:38:24,309 --> 02:38:22,000

if he came on the garage dude you know

4401  
02:38:29,590 --> 02:38:24,319  
he would i mean his numbers would

4402  
02:38:31,670 --> 02:38:29,600  
skyrocket that's for sure

4403  
02:38:32,790 --> 02:38:31,680  
yeah rogan is pretty hardcore to the ufo

4404  
02:38:35,990 --> 02:38:32,800  
community jp

4405  
02:38:40,830 --> 02:38:36,000  
he is i mean like

4406  
02:38:51,190 --> 02:38:42,469  
like

4407  
02:38:52,710 --> 02:38:51,200  
lot of cool stuff out there that

4408  
02:38:54,309 --> 02:38:52,720  
probably isn't true right

4409  
02:38:57,030 --> 02:38:54,319  
it's like man we just we just want to

4410  
02:38:58,710 --> 02:38:57,040  
believe it just want to believe it

4411  
02:39:00,389 --> 02:38:58,720  
and yeah rogan can definitely be a

4412  
02:39:01,670 --> 02:39:00,399  
stickler sometimes when it comes to like

4413  
02:39:03,429 --> 02:39:01,680

ufo stuff like

4414

02:39:04,950 --> 02:39:03,439

it's it's not that he's inconsistent

4415

02:39:07,030 --> 02:39:04,960

because you believe some things but then

4416

02:39:09,110 --> 02:39:07,040

like is totally like dismissive of like

4417

02:39:12,389 --> 02:39:09,120

other [h\_\_h] that's like

4418

02:39:14,230 --> 02:39:12,399

kind of relatable or or

4419

02:39:16,710 --> 02:39:14,240

like kind of closely connected you're

4420

02:39:17,270 --> 02:39:16,720

like but it does make you think a little

4421

02:39:19,750 --> 02:39:17,280

bit

4422

02:39:23,750 --> 02:39:19,760

but he's he's he's a little rough he'd

4423

02:39:30,389 --> 02:39:27,429

2008 joe rogan would come on the garage

4424

02:39:32,230 --> 02:39:30,399

man i bet 2008 joe rogan would come on

4425

02:39:35,510 --> 02:39:32,240

the garage

4426

02:39:36,950 --> 02:39:35,520

i don't know i don't know but

4427

02:39:38,950 --> 02:39:36,960

you know it'd be one of those things

4428

02:39:40,950 --> 02:39:38,960

where it's like hey

4429

02:39:43,349 --> 02:39:40,960

us and joe rogan it'd just be like one

4430

02:39:45,270 --> 02:39:43,359

massive speculation show

4431

02:39:47,270 --> 02:39:45,280

i would like to chat with him about like

4432

02:39:48,950 --> 02:39:47,280

some of his cool conversations that he's

4433

02:39:50,230 --> 02:39:48,960

had recently

4434

02:39:52,150 --> 02:39:50,240

because i mean he said i had a lot of

4435

02:39:53,670 --> 02:39:52,160

badass people on there so

4436

02:39:55,429 --> 02:39:53,680

that would be pretty sweet because

4437

02:39:56,710 --> 02:39:55,439

that's gotta be the coolest part dude i

4438

02:39:58,630 --> 02:39:56,720

mean like

4439

02:40:00,309 --> 02:39:58,640

kicking it with jock valet like i wonder

4440

02:40:02,070 --> 02:40:00,319

if that dude just flew into town and was

4441

02:40:03,030 --> 02:40:02,080

like yeah i'm on the joe rogan show and

4442

02:40:05,110 --> 02:40:03,040

then like left

4443

02:40:06,309 --> 02:40:05,120

or if like you know he came into town

4444

02:40:08,870 --> 02:40:06,319

they all sat down

4445

02:40:10,790 --> 02:40:08,880

had dinner hung out that evening and

4446

02:40:12,630 --> 02:40:10,800

then the next day they showed up

4447

02:40:14,230 --> 02:40:12,640

and did the interview you know i bet joe

4448

02:40:15,190 --> 02:40:14,240

rogan gets to hang out with some cool

4449

02:40:17,190 --> 02:40:15,200

ass people

4450

02:40:19,110 --> 02:40:17,200

for his show it must be insane like

4451  
02:40:19,990 --> 02:40:19,120  
being able to literally have access to

4452  
02:40:21,750 --> 02:40:20,000  
anybody

4453  
02:40:24,070 --> 02:40:21,760  
that you like if you could have a

4454  
02:40:26,070 --> 02:40:24,080  
conversation with anybody

4455  
02:40:27,269 --> 02:40:26,080  
just it's just you just do it like

4456  
02:40:29,349 --> 02:40:27,279  
somebody would be like hey you want to

4457  
02:40:32,830 --> 02:40:29,359  
go on rogan and they're like yeah

4458  
02:40:36,309 --> 02:40:32,840  
yes it's tuesday yes and

4459  
02:40:39,190 --> 02:40:36,319  
like unlimited access to literally

4460  
02:40:40,790 --> 02:40:39,200  
anybody like there's no one he can't get

4461  
02:40:42,269 --> 02:40:40,800  
on the show like that's pretty that's

4462  
02:40:44,110 --> 02:40:42,279  
pretty awesome also a lot of

4463  
02:40:48,389 --> 02:40:44,120

responsibilities

4464

02:40:49,830 --> 02:40:48,399

seems like a pretty busy dude

4465

02:40:51,510 --> 02:40:49,840

he's very busy he's got a lot of stuff

4466

02:40:52,070 --> 02:40:51,520

going on yeah dude and that's why he

4467

02:40:53,910 --> 02:40:52,080

hasn't

4468

02:40:57,990 --> 02:40:53,920

uh responded to our emails hey he's just

4469

02:41:01,510 --> 02:40:59,590

alex jones is right down the road from

4470

02:41:05,590 --> 02:41:01,520

us too alex jones

4471

02:41:06,710 --> 02:41:05,600

and uh uh put off oh yeah hal put off is

4472

02:41:09,510 --> 02:41:06,720

right down the road from us

4473

02:41:10,630 --> 02:41:09,520

as well i actually know well i don't

4474

02:41:17,190 --> 02:41:10,640

know

4475

02:41:20,389 --> 02:41:17,200

is best friends with his son

4476

02:41:21,349 --> 02:41:20,399

oh you remember justin uh built the

4477

02:41:23,429 --> 02:41:21,359

guitars for

4478

02:41:25,030 --> 02:41:23,439

yeah built that guitar for britain he's

4479

02:41:26,309 --> 02:41:25,040

like really good friends with hal put

4480

02:41:27,670 --> 02:41:26,319

off son

4481

02:41:28,790 --> 02:41:27,680

when we first started this podcast he

4482

02:41:29,750 --> 02:41:28,800

was like he like reached out and he's

4483

02:41:31,830 --> 02:41:29,760

like dude

4484

02:41:33,349 --> 02:41:31,840

you should talk to my buddy's dad i was

4485

02:41:35,030 --> 02:41:33,359

like who's your buddy's dad

4486

02:41:37,990 --> 02:41:35,040

well his name's hell put off like what

4487

02:41:41,590 --> 02:41:40,550

of course he would even now he probably

4488

02:41:43,590 --> 02:41:41,600

would never do it but

4489

02:41:46,230 --> 02:41:43,600

like it would be awesome he's an austin

4490

02:41:49,349 --> 02:41:46,240

guy he lives in austin

4491

02:41:50,950 --> 02:41:49,359

help off maybe he would go oh dude how

4492

02:41:52,870 --> 02:41:50,960

cool would it be if we could get how put

4493

02:41:55,269 --> 02:41:52,880

off

4494

02:41:56,389 --> 02:41:55,279

as a member of to the farts academy oh

4495

02:41:58,070 --> 02:41:56,399

my god being a

4496

02:41:59,590 --> 02:41:58,080

part of to the stars academy i don't

4497

02:42:01,670 --> 02:41:59,600

know i don't know if it would if it

4498

02:42:04,389 --> 02:42:01,680

would you know be a conflict of interest

4499

02:42:05,910 --> 02:42:04,399

but if we could get to the farts academy

4500

02:42:07,750 --> 02:42:05,920

and help put off together

4501  
02:42:09,670 --> 02:42:07,760  
i mean i think then we might be on to

4502  
02:42:10,710 --> 02:42:09,680  
something people would really start

4503  
02:42:14,950 --> 02:42:10,720  
listening to us

4504  
02:42:16,389 --> 02:42:14,960  
yeah they really are doctor scientists

4505  
02:42:18,230 --> 02:42:16,399  
wait a minute so what they're doing is

4506  
02:42:21,590 --> 02:42:18,240  
actually okay well hold on they

4507  
02:42:22,790 --> 02:42:21,600  
they they're talking to who and farts do

4508  
02:42:24,950 --> 02:42:22,800  
what

4509  
02:42:27,269 --> 02:42:24,960  
the power they power how much kilowatts

4510  
02:42:28,870 --> 02:42:27,279  
an hour how put offset i've been wasting

4511  
02:42:30,630 --> 02:42:28,880  
these farts my whole life

4512  
02:42:33,429 --> 02:42:30,640  
you mean you mean i can i could i could

4513  
02:42:36,550 --> 02:42:33,439

convert my my poots

4514

02:42:37,110 --> 02:42:36,560

limitless energy that's what you're

4515

02:42:38,630 --> 02:42:37,120

telling me

4516

02:42:40,389 --> 02:42:38,640

that's how people would react if how

4517

02:42:43,349 --> 02:42:40,399

poop off was on our board

4518

02:42:43,990 --> 02:42:43,359

a board of directors our board of poop

4519

02:42:47,030 --> 02:42:44,000

director

4520

02:42:49,510 --> 02:42:47,040

poop uh

4521

02:42:51,750 --> 02:42:49,520

uh colin there's something there there's

4522

02:42:55,990 --> 02:42:51,760

something there there's something wrong

4523

02:43:02,630 --> 02:42:59,429

we're all thinking it um

4524

02:43:06,309 --> 02:43:02,640

yeah dude like so

4525

02:43:10,790 --> 02:43:06,319

rogan i think i so i think i know

4526  
02:43:13,990 --> 02:43:10,800  
where his his abode is just based off of

4527  
02:43:17,030 --> 02:43:14,000  
of photos that i've seen of his house so

4528  
02:43:19,190 --> 02:43:17,040  
why don't we just like show up

4529  
02:43:20,550 --> 02:43:19,200  
hello mr put off sir he would love that

4530  
02:43:23,429 --> 02:43:20,560  
well i was talking about joe rogan

4531  
02:43:24,230 --> 02:43:23,439  
oh i switched it sorry but he would love

4532  
02:43:25,990 --> 02:43:24,240  
that right we just

4533  
02:43:27,510 --> 02:43:26,000  
unannounced ourselves just show up like

4534  
02:43:30,630 --> 02:43:27,520  
hey hey

4535  
02:43:34,870 --> 02:43:30,640  
we're we're like we're like in his front

4536  
02:43:34,880 --> 02:43:42,469  
i

4537  
02:43:46,230 --> 02:43:44,389  
you want to be a part of our parks

4538  
02:43:49,030 --> 02:43:46,240

academy what

4539

02:43:49,429 --> 02:43:49,040

do you want to be a part of our we're

4540

02:43:51,510 --> 02:43:49,439

like

4541

02:43:53,510 --> 02:43:51,520

how go tell him ask him if he wants to

4542

02:43:56,070 --> 02:43:53,520

be part of and then i'll put off walks

4543

02:44:00,230 --> 02:43:59,110

why is he walking like this i don't know

4544

02:44:03,590 --> 02:44:00,240

i just

4545

02:44:04,630 --> 02:44:03,600

that's he hobbles like he walks really

4546

02:44:05,910 --> 02:44:04,640

fast

4547

02:44:07,030 --> 02:44:05,920

i don't know if you knew this small step

4548

02:44:08,469 --> 02:44:07,040

i don't know if you knew this dude but

4549

02:44:10,309 --> 02:44:08,479

how i'll put it he's a small stepper

4550

02:44:12,309 --> 02:44:10,319

well he's a small stepper but he's also

4551  
02:44:14,710 --> 02:44:12,319  
a professional speed walker he did it in

4552  
02:44:16,630 --> 02:44:14,720  
the olympics in 1973 i don't know if you

4553  
02:44:17,190 --> 02:44:16,640  
knew that sufficient it's a fun fact

4554  
02:44:20,070 --> 02:44:17,200  
about how

4555  
02:44:21,990 --> 02:44:20,080  
put off is he he's a phenomenal speed

4556  
02:44:24,070 --> 02:44:22,000  
walker

4557  
02:44:25,349 --> 02:44:24,080  
i did i did not know that until just

4558  
02:44:29,030 --> 02:44:25,359  
that's beautiful yeah

4559  
02:44:32,150 --> 02:44:29,040  
yeah he uh he sped walked at uh

4560  
02:44:35,349 --> 02:44:32,160  
harvard 1980 80 no 73

4561  
02:44:35,910 --> 02:44:35,359  
75 okay that's right yeah and that's and

4562  
02:44:39,030 --> 02:44:35,920  
then

4563  
02:44:40,630 --> 02:44:39,040

and and that's when it was really speed

4564

02:44:43,830 --> 02:44:40,640

walking was very competitive

4565

02:44:45,830 --> 02:44:43,840

and it was stop see the politics is what

4566

02:44:47,510 --> 02:44:45,840

ruined it that's what it could

4567

02:44:49,510 --> 02:44:47,520

you know if harvard would have just

4568

02:44:51,269 --> 02:44:49,520

stayed out of it i understand because

4569

02:44:53,990 --> 02:44:51,279

like as an academic myself

4570

02:44:55,110 --> 02:44:54,000

right um it's got to be really tough to

4571

02:44:58,630 --> 02:44:55,120

like

4572

02:45:00,950 --> 02:44:58,640

me to be a doctor

4573

02:45:01,750 --> 02:45:00,960

scientist right and like but like i

4574

02:45:03,830 --> 02:45:01,760

really love

4575

02:45:05,590 --> 02:45:03,840

the joy of speed walking but like he

4576

02:45:07,590 --> 02:45:05,600

knew that like being a

4577

02:45:09,910 --> 02:45:07,600

like a scientist wasn't gonna make the

4578

02:45:11,830 --> 02:45:09,920

money yeah it's hard to make a living

4579

02:45:13,429 --> 02:45:11,840

in speed walking no matter how good you

4580

02:45:15,349 --> 02:45:13,439

are and that's what's exactly what's

4581

02:45:16,710 --> 02:45:15,359

wrong with society

4582

02:45:18,309 --> 02:45:16,720

there's so many things to be said about

4583

02:45:19,990 --> 02:45:18,319

this because because speed walking as we

4584

02:45:21,750 --> 02:45:20,000

know is our american pastime we have

4585

02:45:23,349 --> 02:45:21,760

baseball and speed walking everybody

4586

02:45:25,990 --> 02:45:23,359

freaking knows that if you don't

4587

02:45:27,670 --> 02:45:26,000

wake up people they were invented in

4588

02:45:29,429 --> 02:45:27,680

america

4589

02:45:31,830 --> 02:45:29,439

if you've never sped walk raise your

4590

02:45:35,269 --> 02:45:33,429

that's what i thought nobody nobody

4591

02:45:38,070 --> 02:45:35,279

nobody yeah yeah crickets

4592

02:45:39,349 --> 02:45:38,080

nobody has never not sped wall so so so

4593

02:45:39,990 --> 02:45:39,359

the point i think we're both trying to

4594

02:45:41,429 --> 02:45:40,000

make here is

4595

02:45:43,830 --> 02:45:41,439

is that you should be able to make your

4596

02:45:46,070 --> 02:45:43,840

decisions

4597

02:45:47,830 --> 02:45:46,080

as to what your future beholds uh hold

4598

02:45:50,230 --> 02:45:47,840

uh your future holds of

4599

02:45:52,309 --> 02:45:50,240

your behold amend what your future holds

4600

02:45:54,389 --> 02:45:52,319

of your beholdment

4601  
02:45:57,269 --> 02:45:54,399  
and that you you are the master you are

4602  
02:45:58,469 --> 02:45:57,279  
the master of your own own stage

4603  
02:46:00,469 --> 02:45:58,479  
and you should be able to speed walk

4604  
02:46:03,110 --> 02:46:00,479  
wherever you want you should be able to

4605  
02:46:04,630 --> 02:46:03,120  
dude austin barrett uh i'd like to have

4606  
02:46:07,429 --> 02:46:04,640  
commander david fraber on

4607  
02:46:08,830 --> 02:46:07,439  
i hear he's kind of like selective

4608  
02:46:12,389 --> 02:46:08,840  
though i mean i don't know

4609  
02:46:13,110 --> 02:46:12,399  
i i feel like we could get help put off

4610  
02:46:15,910 --> 02:46:13,120  
on before we

4611  
02:46:16,389 --> 02:46:15,920  
get favored probably wait what did he

4612  
02:46:20,309 --> 02:46:16,399  
say

4613  
02:46:21,429 --> 02:46:20,319

fraber oh [h\_\_h] yeah yeah yeah that'd be

4614

02:46:25,510 --> 02:46:21,439

super cool

4615

02:46:27,830 --> 02:46:25,520

i think that's pretty doable i mean gary

4616

02:46:29,190 --> 02:46:27,840

i mean yeah he was he was on the same

4617

02:46:32,309 --> 02:46:29,200

ship speed booting

4618

02:46:35,590 --> 02:46:32,319

ha ha ha yeah we we uh

4619

02:46:38,150 --> 02:46:35,600

uh oh i was thinking uh kevin day

4620

02:46:39,830 --> 02:46:38,160

you said fravor yeah not saying that he

4621

02:46:42,150 --> 02:46:39,840

was in the air

4622

02:46:43,510 --> 02:46:42,160

right kevin day was on the ship right

4623

02:46:45,429 --> 02:46:43,520

okay right so maybe

4624

02:46:47,030 --> 02:46:45,439

i think he was on the nimitz gary was on

4625

02:46:52,230 --> 02:46:47,040

the princeton right

4626

02:46:53,830 --> 02:46:52,240

yeah speed walking speedway also

4627

02:46:56,790 --> 02:46:53,840

i don't know if you guys knew this but

4628

02:47:00,230 --> 02:46:56,800

but the navy primarily hires

4629

02:47:03,030 --> 02:47:00,240

uh speed walking champions to be on

4630

02:47:03,590 --> 02:47:03,040

aircraft carriers they're so large went

4631

02:47:05,110 --> 02:47:03,600

into

4632

02:47:09,190 --> 02:47:05,120

to get from one end to the ship to the

4633

02:47:13,510 --> 02:47:09,200

other you can ask kevin day he knows

4634

02:47:15,110 --> 02:47:13,520

small steps yeah gary voorhees he is

4635

02:47:15,590 --> 02:47:15,120

going to be on spacetower radio tonight

4636

02:47:18,950 --> 02:47:15,600

check

4637

02:47:21,190 --> 02:47:18,960

it out dude space.radio

4638

02:47:22,469 --> 02:47:21,200

dave's gonna have uh probably some

4639

02:47:24,389 --> 02:47:22,479

pretty

4640

02:47:25,670 --> 02:47:24,399

legit questions to ask him i mean last

4641

02:47:27,349 --> 02:47:25,680

time that's awesome you know

4642

02:47:29,190 --> 02:47:27,359

he was going on when we when we had gary

4643

02:47:32,150 --> 02:47:29,200

on our show uh

4644

02:47:32,469 --> 02:47:32,160

he was we we asked him uh what did we

4645

02:47:36,150 --> 02:47:32,479

start

4646

02:47:38,630 --> 02:47:36,160

lost in space on his treadmill

4647

02:47:39,429 --> 02:47:38,640

and he was taking small steps yeah he

4648

02:47:41,830 --> 02:47:39,439

was like well

4649

02:47:43,110 --> 02:47:41,840

i got this new treadmill and i like to i

4650

02:47:46,389 --> 02:47:43,120

like to watch

4651  
02:47:48,389 --> 02:47:46,399  
lost in space on it and we know that pj

4652  
02:47:49,670 --> 02:47:48,399  
hughes i mean that guy drives a blue

4653  
02:47:52,230 --> 02:47:49,680  
chevy he's

4654  
02:47:52,870 --> 02:47:52,240  
he's a chevy man yeah dude pj was

4655  
02:47:54,870 --> 02:47:52,880  
hilarious

4656  
02:47:56,389 --> 02:47:54,880  
also it was funny like just constant

4657  
02:48:00,150 --> 02:47:56,399  
mayhem happening in the background

4658  
02:48:00,870 --> 02:48:00,160  
he's like 12 kids he's just like with

4659  
02:48:03,510 --> 02:48:00,880  
his laptop

4660  
02:48:04,469 --> 02:48:03,520  
no facial expression change at all just

4661  
02:48:07,030 --> 02:48:04,479  
taking it with

4662  
02:48:09,269 --> 02:48:07,040  
in stride oh yeah gary voorhees dude

4663  
02:48:11,110 --> 02:48:09,279

like what a [\h\_\_\h] great guy

4664

02:48:13,110 --> 02:48:11,120

he called me on easter weekend just to

4665

02:48:15,030 --> 02:48:13,120

say like hey you know love you brother

4666

02:48:15,590 --> 02:48:15,040

happy easter hope you're doing well like

4667

02:48:18,550 --> 02:48:15,600

i

4668

02:48:19,670 --> 02:48:18,560

love that guy and he's been a supporter

4669

02:48:22,950 --> 02:48:19,680

of the podcast and

4670

02:48:26,230 --> 02:48:22,960

our friends since the get-go man and

4671

02:48:28,790 --> 02:48:26,240

that that's insane just that like

4672

02:48:30,070 --> 02:48:28,800

what he liked our show like reached out

4673

02:48:32,309 --> 02:48:30,080

like well yeah it's crazy

4674

02:48:33,910 --> 02:48:32,319

he was like uh he was he was talking

4675

02:48:35,590 --> 02:48:33,920

about um

4676  
02:48:37,349 --> 02:48:35,600  
he was talking about the incident we had

4677  
02:48:38,790 --> 02:48:37,359  
said something incorrect about the

4678  
02:48:39,830 --> 02:48:38,800  
incident and he was like i just wanted

4679  
02:48:41,590 --> 02:48:39,840  
to let you guys know

4680  
02:48:44,230 --> 02:48:41,600  
that this happened that's right or

4681  
02:48:46,469 --> 02:48:44,240  
whatever i i forgot how it went

4682  
02:48:47,269 --> 02:48:46,479  
and uh he was you know we were like oh

4683  
02:48:50,870 --> 02:48:47,279  
that's cool

4684  
02:48:53,670 --> 02:48:50,880  
like uh i had like how do you know that

4685  
02:48:54,550 --> 02:48:53,680  
and he was like well i was all i was on

4686  
02:48:56,630 --> 02:48:54,560  
i was there

4687  
02:48:57,990 --> 02:48:56,640  
when that happened yeah i was on i was

4688  
02:49:00,230 --> 02:48:58,000

on the princeton actually

4689

02:49:02,309 --> 02:49:00,240

yeah and these are all my buddies they

4690

02:49:04,630 --> 02:49:02,319

were like

4691

02:49:06,389 --> 02:49:04,640

hey you know all that big-ass news

4692

02:49:09,590 --> 02:49:06,399

that's happening right now

4693

02:49:10,309 --> 02:49:09,600

that guy listens to the show it was

4694

02:49:13,190 --> 02:49:10,319

crazy like

4695

02:49:13,750 --> 02:49:13,200

like explaining that to people like it's

4696

02:49:15,830 --> 02:49:13,760

still

4697

02:49:17,830 --> 02:49:15,840

guys i promise this is like really

4698

02:49:19,510 --> 02:49:17,840

awesome and everybody's like

4699

02:49:21,429 --> 02:49:19,520

good for you man yeah hell yeah good for

4700

02:49:23,590 --> 02:49:21,439

you it's so funny dude because like

4701  
02:49:25,510 --> 02:49:23,600  
we were talking about this we've talked

4702  
02:49:28,230 --> 02:49:25,520  
about this a few times that like

4703  
02:49:29,910 --> 02:49:28,240  
all of our listeners out of all of the

4704  
02:49:33,190 --> 02:49:29,920  
people that listen to the show

4705  
02:49:36,230 --> 02:49:34,950  
wait what well there's a couple i think

4706  
02:49:37,269 --> 02:49:36,240  
we have like two or three friends that

4707  
02:49:39,110 --> 02:49:37,279  
actually listen to the show

4708  
02:49:40,790 --> 02:49:39,120  
but everybody who actually like listens

4709  
02:49:42,550 --> 02:49:40,800  
to the show doesn't even live in the

4710  
02:49:43,830 --> 02:49:42,560  
same state of this oh you mean you mean

4711  
02:49:46,950 --> 02:49:43,840  
like people that

4712  
02:49:49,910 --> 02:49:46,960  
that like we we talk to that like

4713  
02:49:51,030 --> 02:49:49,920

that are already in the the biz that are

4714

02:49:53,990 --> 02:49:51,040

in ufology

4715

02:49:55,429 --> 02:49:54,000

that have seen experiences so i'm

4716

02:49:56,630 --> 02:49:55,439

talking about just like our regular

4717

02:49:58,630 --> 02:49:56,640

friends

4718

02:50:00,150 --> 02:49:58,640

you know how like we just jog all of our

4719

02:50:01,910 --> 02:50:00,160

regular friends like and you would tell

4720

02:50:03,830 --> 02:50:01,920

them yeah we have gary voorhees uh

4721

02:50:05,349 --> 02:50:03,840

he's like who's that like our close like

4722

02:50:05,910 --> 02:50:05,359

i yeah we hang out and go to dinner

4723

02:50:08,150 --> 02:50:05,920

together

4724

02:50:09,670 --> 02:50:08,160

yeah none of our actual like close and

4725

02:50:11,030 --> 02:50:09,680

austin

4726  
02:50:12,790 --> 02:50:11,040  
everybody listens to the show you're a

4727  
02:50:13,910 --> 02:50:12,800  
friend thank you guys i love you but

4728  
02:50:15,590 --> 02:50:13,920  
yeah no you're right like

4729  
02:50:17,429 --> 02:50:15,600  
a lot of our like close friends like

4730  
02:50:20,389 --> 02:50:17,439  
don't really listen to the show i mean

4731  
02:50:22,150 --> 02:50:20,399  
it's luke does though luke and morgan

4732  
02:50:25,110 --> 02:50:22,160  
big supporters

4733  
02:50:26,150 --> 02:50:25,120  
so yeah like that was yeah i guess where

4734  
02:50:28,150 --> 02:50:26,160  
i was going with like

4735  
02:50:29,510 --> 02:50:28,160  
people that are like in the know like

4736  
02:50:31,670 --> 02:50:29,520  
you followed you like all of our friends

4737  
02:50:32,630 --> 02:50:31,680  
like lori and fit and melinda leslie and

4738  
02:50:34,469 --> 02:50:32,640

all that like

4739

02:50:35,910 --> 02:50:34,479

they just love us because we met him one

4740

02:50:37,190 --> 02:50:35,920

time and like we just we're great

4741

02:50:38,870 --> 02:50:37,200

friends from the get-go they don't

4742

02:50:40,550 --> 02:50:38,880

necessarily listen to our show they

4743

02:50:43,269 --> 02:50:40,560

don't have time they're all so busy

4744

02:50:44,469 --> 02:50:43,279

very busy so busy but you know who does

4745

02:50:47,670 --> 02:50:44,479

listen to our show and is also our

4746

02:50:52,790 --> 02:50:51,110

check out so i'm i'm excited to see uh

4747

02:50:54,389 --> 02:50:52,800

because dave always has amazing

4748

02:50:56,630 --> 02:50:54,399

questions i'm excited to see

4749

02:50:57,990 --> 02:50:56,640

what they're gonna talk about tonight uh

4750

02:51:01,030 --> 02:50:58,000

i'm definitely gonna be listening

4751

02:51:02,630 --> 02:51:01,040

and phil from what if tomorrow

4752

02:51:04,790 --> 02:51:02,640

hey if you haven't checked out what if

4753

02:51:06,150 --> 02:51:04,800

tomorrow podcast that's a pretty badass

4754

02:51:09,110 --> 02:51:06,160

one they just talk about

4755

02:51:10,950 --> 02:51:09,120

you know scenarios that you got to be

4756

02:51:13,830 --> 02:51:10,960

prepared for

4757

02:51:16,230 --> 02:51:13,840

pretty badass pretty badass what if

4758

02:51:18,790 --> 02:51:16,240

tomorrow go check him out for sure

4759

02:51:20,469 --> 02:51:18,800

he's in the chat right now y'all say hi

4760

02:51:22,710 --> 02:51:20,479

say what's up

4761

02:51:23,830 --> 02:51:22,720

dude phil sofia thanks for like for the

4762

02:51:25,910 --> 02:51:23,840

figurine phil

4763

02:51:27,910 --> 02:51:25,920

from the what if tomorrow podcast went

4764

02:51:29,750 --> 02:51:27,920

to a uh a bigfoot con

4765

02:51:32,550 --> 02:51:29,760

or was it a conference it was like meet

4766

02:51:34,550 --> 02:51:32,560

up kind of like festival kind of thing

4767

02:51:37,110 --> 02:51:34,560

just just the sweetest guy just sent us

4768

02:51:38,389 --> 02:51:37,120

all this cool stuff look at this guy

4769

02:51:41,269 --> 02:51:38,399

i mean it's got some weight to it what

4770

02:51:45,269 --> 02:51:43,429

oh man in the foot the feet are really

4771

02:51:46,309 --> 02:51:45,279

big too so

4772

02:51:49,910 --> 02:51:46,319

check it out i don't know if y'all can

4773

02:51:53,349 --> 02:51:51,510

to focus does that have like his

4774

02:51:57,429 --> 02:51:53,359

personal cell phone number on there

4775

02:52:01,030 --> 02:51:57,439

it's his business card this is like

4776  
02:52:05,990 --> 02:52:01,040  
let's get like his waist size and

4777  
02:52:11,429 --> 02:52:09,510  
oh there we go there we go there you go

4778  
02:52:13,670 --> 02:52:11,439  
that's how you can get a hold of them

4779  
02:52:18,070 --> 02:52:13,680  
and check it out and stuff

4780  
02:52:21,349 --> 02:52:18,080  
love that show good stuff too good stuff

4781  
02:52:21,910 --> 02:52:21,359  
um let's see nevada florida keep them

4782  
02:52:24,950 --> 02:52:21,920  
coming

4783  
02:52:26,950 --> 02:52:24,960  
kansas hey yo this is

4784  
02:52:29,030 --> 02:52:26,960  
it's so crazy like people are just from

4785  
02:52:32,790 --> 02:52:29,040  
all over the

4786  
02:52:36,550 --> 02:52:34,150  
that are that are listening to our show

4787  
02:52:39,269 --> 02:52:36,560  
this is awesome man like

4788  
02:52:40,150 --> 02:52:39,279

doxxed we're not trying to do phil sorry

4789

02:52:44,070 --> 02:52:40,160

but

4790

02:52:46,870 --> 02:52:44,080

oh uh the festival is in october man

4791

02:52:47,750 --> 02:52:46,880

so i wish i could go october 2nd but i'm

4792

02:52:51,030 --> 02:52:47,760

also like

4793

02:52:53,510 --> 02:52:51,040

i'm having my my firstborn that same

4794

02:52:55,990 --> 02:52:53,520

basically like window of time

4795

02:52:57,110 --> 02:52:56,000

and that's like super i'm very excited

4796

02:53:00,550 --> 02:52:57,120

about that i would

4797

02:53:02,950 --> 02:53:00,560

rather be uh there for the birth

4798

02:53:03,830 --> 02:53:02,960

i mean that's lame big foot don't be

4799

02:53:06,309 --> 02:53:03,840

like

4800

02:53:08,150 --> 02:53:06,319

maybe don't be lame dude when when our

4801  
02:53:09,429 --> 02:53:08,160  
little girl is one years old that's

4802  
02:53:12,630 --> 02:53:09,439  
where we will be so

4803  
02:53:13,349 --> 02:53:12,640  
next year that would be sick come on can

4804  
02:53:14,550 --> 02:53:13,359  
we sell it like

4805  
02:53:16,469 --> 02:53:14,560  
what are you going to see what if i see

4806  
02:53:18,230 --> 02:53:16,479  
bigfoot and you don't

4807  
02:53:19,910 --> 02:53:18,240  
would only make sense that's exactly

4808  
02:53:20,230 --> 02:53:19,920  
what would happen the one time i don't

4809  
02:53:21,670 --> 02:53:20,240  
go

4810  
02:53:23,670 --> 02:53:21,680  
i mean i've already i've already seen a

4811  
02:53:28,070 --> 02:53:23,680  
baby be born i promise you

4812  
02:53:31,429 --> 02:53:29,990  
not a cool thing to watch like lots of

4813  
02:53:34,550 --> 02:53:31,439

liquids and it's like

4814

02:53:36,790 --> 02:53:34,560

hot and like sticky something uh

4815

02:53:38,469 --> 02:53:36,800

you know something something you could

4816

02:53:41,830 --> 02:53:38,479

maybe call it magical

4817

02:53:45,750 --> 02:53:41,840

uh uh uh what a like a a

4818

02:53:52,630 --> 02:53:48,870

very a very uh eventful a very

4819

02:53:53,910 --> 02:53:52,640

moist experience yeah yeah

4820

02:53:55,830 --> 02:53:53,920

that's right people use terms like

4821

02:53:58,550 --> 02:53:55,840

beautiful yeah

4822

02:54:00,070 --> 02:53:58,560

it's strange and circling back to what

4823

02:54:02,710 --> 02:54:00,080

we were talking about earlier we're

4824

02:54:03,910 --> 02:54:02,720

we're produ reproducing consciousness

4825

02:54:05,590 --> 02:54:03,920

reproducers

4826  
02:54:06,950 --> 02:54:05,600  
you know so in that sense it's kind of

4827  
02:54:09,990 --> 02:54:06,960  
beautiful

4828  
02:54:13,030 --> 02:54:10,000  
if you think about it heck yeah man

4829  
02:54:15,110 --> 02:54:13,040  
it is beautiful heck out man i love love

4830  
02:54:18,230 --> 02:54:15,120  
reproducing consciousness

4831  
02:54:19,190 --> 02:54:18,240  
dude my contribution was pretty pretty

4832  
02:54:22,070 --> 02:54:19,200  
minimal

4833  
02:54:23,670 --> 02:54:22,080  
that like this grand idea of like it's

4834  
02:54:25,269 --> 02:54:23,680  
like the most important thing in the

4835  
02:54:27,510 --> 02:54:25,279  
world like that's our purpose is to

4836  
02:54:32,150 --> 02:54:27,520  
reproduce consciousness and like

4837  
02:54:40,790 --> 02:54:35,190  
for like two seconds you're like hey

4838  
02:54:40,800 --> 02:54:46,230

you like that you're welcome

4839

02:54:50,710 --> 02:54:48,230

oh you oh you did you didn't oh you

4840

02:54:54,309 --> 02:54:53,030

oh you yeah like oh are you waiting on

4841

02:54:57,830 --> 02:54:54,319

me oh

4842

02:55:00,230 --> 02:54:57,840

okay got it i thought you

4843

02:55:01,110 --> 02:55:00,240

had already gone that's why that's right

4844

02:55:03,110 --> 02:55:01,120

see i thought

4845

02:55:04,870 --> 02:55:03,120

you the the facing you made the facing

4846

02:55:07,030 --> 02:55:04,880

you had made me think that you

4847

02:55:08,469 --> 02:55:07,040

were already just kind of like when i

4848

02:55:10,230 --> 02:55:08,479

was just in my head

4849

02:55:12,309 --> 02:55:10,240

in my head i thought i was going too

4850

02:55:14,389 --> 02:55:12,319

long for you honestly

4851  
02:55:15,349 --> 02:55:14,399  
i was waiting for you and then you gave

4852  
02:55:17,670 --> 02:55:15,359  
me that like

4853  
02:55:18,389 --> 02:55:17,680  
uh-huh and then i was like that's my cue

4854  
02:55:20,870 --> 02:55:18,399  
okay

4855  
02:55:22,630 --> 02:55:20,880  
and you know i'm on it now it's my turn

4856  
02:55:30,710 --> 02:55:22,640  
now it's my turn

4857  
02:55:34,070 --> 02:55:30,720  
but yeah your boy goes quick

4858  
02:55:37,269 --> 02:55:34,080  
oh man this is fun

4859  
02:55:40,469 --> 02:55:37,279  
magically magically horrific

4860  
02:55:43,190 --> 02:55:40,479  
[h\_\_h] don don john but uh john bowie

4861  
02:55:46,309 --> 02:55:43,200  
is cracking me up tonight oh my god

4862  
02:55:46,790 --> 02:55:46,319  
all y'all are yeah we've got a hilarious

4863  
02:55:48,550 --> 02:55:46,800

crowd

4864

02:55:50,389 --> 02:55:48,560

like the people that are like commenting

4865

02:55:52,469 --> 02:55:50,399

and you're in the chat like

4866

02:55:53,590 --> 02:55:52,479

got a good crowd man i'm glad we don't

4867

02:55:56,710 --> 02:55:53,600

have a lot of like

4868

02:55:58,710 --> 02:55:56,720

like trolls and [h\_\_\h] like no drama

4869

02:56:00,710 --> 02:55:58,720

just good times you know i feel like we

4870

02:56:01,510 --> 02:56:00,720

get trolled a lot more often than we

4871

02:56:04,550 --> 02:56:01,520

think we do

4872

02:56:07,110 --> 02:56:04,560

we're like oh hell yeah right

4873

02:56:08,469 --> 02:56:07,120

that's probably true yeah like trolls

4874

02:56:10,790 --> 02:56:08,479

don't even like trolling us because we

4875

02:56:12,950 --> 02:56:10,800

just agree with them all the time

4876  
02:56:14,150 --> 02:56:12,960  
good idea oh and there's not about that

4877  
02:56:17,590 --> 02:56:14,160  
we are totals

4878  
02:56:21,670 --> 02:56:17,600  
idiots i love it you guys are hilarious

4879  
02:56:25,510 --> 02:56:23,910  
they're like their whole nut is like

4880  
02:56:26,230 --> 02:56:25,520  
they're like am i being trolled right

4881  
02:56:28,230 --> 02:56:26,240  
now like

4882  
02:56:29,830 --> 02:56:28,240  
we turned it we don't like unwillingly

4883  
02:56:30,630 --> 02:56:29,840  
turned it back around on them we didn't

4884  
02:56:36,309 --> 02:56:30,640  
even know

4885  
02:56:40,309 --> 02:56:38,389  
but yeah what i'm saying is it's just a

4886  
02:56:41,910 --> 02:56:40,319  
good it's a good time

4887  
02:56:45,110 --> 02:56:41,920  
good good people you guys are great

4888  
02:56:47,429 --> 02:56:45,120

crowd is great crowd is great

4889

02:56:48,550 --> 02:56:47,439

i'm so used to saying yeah i'm like so

4890

02:56:50,790 --> 02:56:48,560

back into like

4891

02:56:52,070 --> 02:56:50,800

austin said can you imagine telling your

4892

02:56:59,070 --> 02:56:52,080

daughter you were at a bigfoot

4893

02:56:59,080 --> 02:57:04,630

[Music]

4894

02:57:10,070 --> 02:57:08,230

it was the same weekend

4895

02:57:11,750 --> 02:57:10,080

it was a dad dad did you even see

4896

02:57:15,030 --> 02:57:11,760

bigfoot well no i didn't know

4897

02:57:18,630 --> 02:57:15,040

but like i couldn't have seen it

4898

02:57:20,830 --> 02:57:18,640

we had a great time with friends i mean

4899

02:57:22,550 --> 02:57:20,840

we can we can always have another one of

4900

02:57:24,389 --> 02:57:22,560

you

4901  
02:57:26,710 --> 02:57:24,399  
might only be a once-in-a-lifetime

4902  
02:57:31,110 --> 02:57:26,720  
chance

4903  
02:57:39,190 --> 02:57:36,389  
like her first birthday is like sorry

4904  
02:57:39,750 --> 02:57:39,200  
facetime oh i mean that's [h\_\_\h]

4905  
02:57:41,750 --> 02:57:39,760  
hilarious

4906  
02:57:43,110 --> 02:57:41,760  
i mean i can't imagine telling telling

4907  
02:57:44,230 --> 02:57:43,120  
my i mean she probably doesn't want to

4908  
02:57:46,070 --> 02:57:44,240  
hear it but

4909  
02:57:48,150 --> 02:57:46,080  
i can't imagine the story that i'm gonna

4910  
02:57:50,870 --> 02:57:48,160  
have to have yeah so

4911  
02:57:52,950 --> 02:57:50,880  
me and your mom went to a santana doobie

4912  
02:57:55,830 --> 02:57:52,960  
brothers concert

4913  
02:57:58,550 --> 02:57:55,840

and afterwards james you got a little

4914

02:58:01,349 --> 02:57:58,560

out of hand

4915

02:58:01,910 --> 02:58:01,359

bigfoot was looking good and it was a

4916

02:58:03,910 --> 02:58:01,920

female

4917

02:58:05,269 --> 02:58:03,920

we really did go see santana and the

4918

02:58:08,070 --> 02:58:05,279

doobie brothers

4919

02:58:09,590 --> 02:58:08,080

that was sick and dave matthews came out

4920

02:58:13,030 --> 02:58:09,600

on stage with santana

4921

02:58:15,030 --> 02:58:13,040

what yeah and nobody like it was weird

4922

02:58:16,790 --> 02:58:15,040

dude because like nobody reacted

4923

02:58:28,790 --> 02:58:16,800

but like santana was like because he was

4924

02:58:32,790 --> 02:58:30,230

no but it was crazy dude because like

4925

02:58:35,030 --> 02:58:32,800

everybody everybody like

4926  
02:58:37,510 --> 02:58:35,040  
like nobody did anything like santana

4927  
02:58:38,630 --> 02:58:37,520  
was like i want to introduce my friend

4928  
02:58:40,550 --> 02:58:38,640  
and then and then they just didn't do

4929  
02:58:42,550 --> 02:58:40,560  
anything after that or dave matthews and

4930  
02:58:45,349 --> 02:58:42,560  
then dave matthews came on stage and

4931  
02:58:46,950 --> 02:58:45,359  
everybody was like no like a like

4932  
02:58:49,030 --> 02:58:46,960  
resounding applaud

4933  
02:58:51,349 --> 02:58:49,040  
dude like when you see santana it's like

4934  
02:58:53,349 --> 02:58:51,359  
a hour and a half drum solo

4935  
02:58:55,670 --> 02:58:53,359  
that's that's what santana is and then

4936  
02:58:58,389 --> 02:58:55,680  
occasionally you hear some horns

4937  
02:58:59,269 --> 02:58:58,399  
and like he does a cool solo i i don't

4938  
02:59:01,269 --> 02:58:59,279

know

4939

02:59:02,790 --> 02:59:01,279

how long i can listen to santana i mean

4940

02:59:05,750 --> 02:59:02,800

it's beautiful but

4941

02:59:06,950 --> 02:59:05,760

every it's a lot like come on let's be

4942

02:59:10,070 --> 02:59:06,960

honest like

4943

02:59:11,429 --> 02:59:10,080

it's a it's so many notes dude so at

4944

02:59:13,349 --> 02:59:11,439

that point in time

4945

02:59:14,469 --> 02:59:13,359

if dave matthews comes out and you're

4946

02:59:17,590 --> 02:59:14,479

already like

4947

02:59:19,030 --> 02:59:17,600

so worn down oh no

4948

02:59:20,870 --> 02:59:19,040

dave matthews songs are like nine

4949

02:59:22,630 --> 02:59:20,880

minutes a piece too

4950

02:59:24,309 --> 02:59:22,640

they're gonna collaborate and make an

4951

02:59:36,870 --> 02:59:24,319

18-minute song

4952

02:59:41,910 --> 02:59:40,070

i like santana for sure what's the one

4953

02:59:42,550 --> 02:59:41,920

band you can listen to for like 24 hours

4954

02:59:46,469 --> 02:59:42,560

straight

4955

02:59:51,730 --> 02:59:48,150

that's a tough one have a follow-up

4956

02:59:56,389 --> 02:59:54,830

[Music]

4957

02:59:57,910 --> 02:59:56,399

probably

4958

02:59:59,830 --> 02:59:57,920

well i feel like i put you on the spot

4959

03:00:02,070 --> 02:59:59,840

you did i thought this was an easy one

4960

03:00:03,590 --> 03:00:02,080

well i feel like now now you're really

4961

03:00:07,190 --> 03:00:03,600

thinking about i just love so much stuff

4962

03:00:13,670 --> 03:00:10,230

steve me your man or me or

4963

03:00:17,190 --> 03:00:13,680

um what about uh

4964

03:00:18,389 --> 03:00:17,200

uh credence that's mine

4965

03:00:20,469 --> 03:00:18,399

24 hours straight i could probably

4966

03:00:21,110 --> 03:00:20,479

listen to them yeah yeah but the thing

4967

03:00:22,550 --> 03:00:21,120

is is like

4968

03:00:24,230 --> 03:00:22,560

they have a lot of music but all their

4969

03:00:25,190 --> 03:00:24,240

songs are so short you'd have to like

4970

03:00:27,349 --> 03:00:25,200

repeat

4971

03:00:31,110 --> 03:00:27,359

[h\_\_h] constantly yeah but then i'm

4972

03:00:33,349 --> 03:00:31,120

thinking in my head i'm like yeah well

4973

03:00:34,309 --> 03:00:33,359

like everything i listen to is that way

4974

03:00:39,349 --> 03:00:34,319

louis prima

4975

03:00:45,750 --> 03:00:42,790

all day dave says g and r and pink floyd

4976  
03:00:46,150 --> 03:00:45,760  
hell yeah man yeah guns and roses for

4977  
03:00:50,870 --> 03:00:46,160  
sure

4978  
03:00:53,510 --> 03:00:50,880  
yeah oh i was like yeah totally love gnr

4979  
03:00:55,349 --> 03:00:53,520  
thanks for clearing that up joe i got

4980  
03:00:57,830 --> 03:00:55,359  
zeppelin's a good one yeah

4981  
03:00:58,950 --> 03:00:57,840  
i mean definitely dude queen is one for

4982  
03:01:01,510 --> 03:00:58,960  
me to [h\_\_h] love

4983  
03:01:02,070 --> 03:01:01,520  
you mike for sure 24 hours straight

4984  
03:01:05,190 --> 03:01:02,080  
queen

4985  
03:01:07,670 --> 03:01:05,200  
um uh man i'm a big man i really

4986  
03:01:08,630 --> 03:01:07,680  
iron age yeah i don't know who i what is

4987  
03:01:13,070 --> 03:01:08,640  
i like

4988  
03:01:16,290 --> 03:01:13,080

talking about the death tones

4989

03:01:20,710 --> 03:01:18,790

[Music]

4990

03:01:22,710 --> 03:01:20,720

oh yeah red chili peppers is a really

4991

03:01:23,030 --> 03:01:22,720

good one yeah yeah [\h\_\_\h] yeah they have

4992

03:01:26,309 --> 03:01:23,040

so

4993

03:01:27,830 --> 03:01:26,319

much music yep oh my god the funky punk

4994

03:01:29,269 --> 03:01:27,840

is where it's at for sure i love

4995

03:01:31,910 --> 03:01:29,279

parliament

4996

03:01:32,469 --> 03:01:31,920

some funkadelic for sure i could listen

4997

03:01:35,429 --> 03:01:32,479

to that

4998

03:01:35,750 --> 03:01:35,439

all day long yeah ac dc that's a good

4999

03:01:39,349 --> 03:01:35,760

one

5000

03:01:42,790 --> 03:01:39,359

classic yeah james brown dude

5001  
03:01:46,150 --> 03:01:42,800  
[h\_\_h] all day that's a really good one

5002  
03:01:49,510 --> 03:01:46,160  
james brown is oh

5003  
03:01:50,790 --> 03:01:49,520  
ellie yen was uh was best canadian band

5004  
03:01:54,389 --> 03:01:50,800  
i've never heard of ellie in

5005  
03:01:58,469 --> 03:01:54,399  
lan len dave knows about it probably

5006  
03:02:00,950 --> 03:01:58,479  
he's canadian oh yeah

5007  
03:02:02,150 --> 03:02:00,960  
uh oh yeah oh we had a modest mouse up

5008  
03:02:04,710 --> 03:02:02,160  
here they're

5009  
03:02:05,990 --> 03:02:04,720  
you know i i used to not like modest

5010  
03:02:09,349 --> 03:02:06,000  
mouse but

5011  
03:02:12,389 --> 03:02:09,359  
as time has gone on i i appreciate it

5012  
03:02:14,469 --> 03:02:12,399  
a lot more than i used to butthole

5013  
03:02:17,269 --> 03:02:14,479

surfers dude yeah

5014

03:02:19,030 --> 03:02:17,279

yeah dude that's one of yours right yeah

5015

03:02:20,070 --> 03:02:19,040

butthole surfers for sure they're

5016

03:02:23,349 --> 03:02:20,080

they're from here

5017

03:02:23,590 --> 03:02:23,359

the bottle surfers are from here dude

5018

03:02:26,070 --> 03:02:23,600

they

5019

03:02:27,349 --> 03:02:26,080

that dude like the toadies now if i'm

5020

03:02:30,309 --> 03:02:27,359

thinking about [h\_\_h] that's

5021

03:02:30,790 --> 03:02:30,319

local pantera all day long stevie ray

5022

03:02:33,510 --> 03:02:30,800

vaughan

5023

03:02:36,070 --> 03:02:33,520

all day long the toadies all day long

5024

03:02:39,030 --> 03:02:36,080

butthole surfers

5025

03:02:41,429 --> 03:02:39,040

the dirty worms all day long britney

5026

03:02:48,630 --> 03:02:41,439

spears all day long

5027

03:02:52,710 --> 03:02:51,269

sexy lady is that the same thing not

5028

03:02:54,469 --> 03:02:52,720

gonna be your chat you're making me

5029

03:03:01,300 --> 03:02:54,479

crazy

5030

03:03:01,310 --> 03:03:04,710

[Music]

5031

03:03:10,150 --> 03:03:07,830

oh man grand funk railroad

5032

03:03:11,990 --> 03:03:10,160

like there's so many great bands i could

5033

03:03:13,910 --> 03:03:12,000

listen to all day somebody asked me what

5034

03:03:14,550 --> 03:03:13,920

would be my top three albums i would

5035

03:03:16,630 --> 03:03:14,560

take on a

5036

03:03:17,910 --> 03:03:16,640

on a stranded island and i was totally

5037

03:03:20,389 --> 03:03:17,920

lost like i just

5038

03:03:21,030 --> 03:03:20,399

it's very hard i didn't know what i

5039

03:03:22,150 --> 03:03:21,040

didn't know

5040

03:03:23,590 --> 03:03:22,160

well can i tell you mine without you

5041

03:03:26,389 --> 03:03:23,600

making [h\_\_h] well you can make fun of me

5042

03:03:30,630 --> 03:03:26,399

okay i'll make fun of you john mayer

5043

03:03:33,750 --> 03:03:30,640

john mayer man dude what the continuum

5044

03:03:36,309 --> 03:03:33,760

was the best album the work he did with

5045

03:03:40,790 --> 03:03:36,319

dad and company

5046

03:03:42,630 --> 03:03:40,800

was phenomenal bro yeah john mayer is a

5047

03:03:44,870 --> 03:03:42,640

badass [h\_\_h] [h\_\_h] yeah

5048

03:03:46,550 --> 03:03:44,880

thank you i i'm not even gonna finally

5049

03:03:47,510 --> 03:03:46,560

admit it now i'm not even on a record

5050

03:03:50,550 --> 03:03:47,520

saying that

5051

03:03:54,630 --> 03:03:50,560

he is he's badass he's up

5052

03:03:57,190 --> 03:03:54,640

he's your nibbler snoring in the back

5053

03:03:58,150 --> 03:03:57,200

yeah i can listen to you 24 7. i mean

5054

03:04:01,030 --> 03:03:58,160

yeah like

5055

03:04:01,349 --> 03:04:01,040

the the the [h\_\_h] that like he makes for

5056

03:04:04,710 --> 03:04:01,359

like

5057

03:04:06,950 --> 03:04:04,720

chicks in his albums and stuff he had to

5058

03:04:09,349 --> 03:04:06,960

do it to get on the charts man

5059

03:04:11,429 --> 03:04:09,359

but not only like is he a badass like

5060

03:04:14,389 --> 03:04:11,439

just all-around guitar player but he's

5061

03:04:15,110 --> 03:04:14,399

hilarious he's so funny dude john mayer

5062

03:04:18,630 --> 03:04:15,120

is pretty funny

5063

03:04:20,870 --> 03:04:18,640

dude any any guess

5064

03:04:22,150 --> 03:04:20,880

chicks dude and he gets chicks he's a

5065

03:04:24,230 --> 03:04:22,160

badass guitar player

5066

03:04:26,150 --> 03:04:24,240

he's all interested and he's getting

5067

03:04:26,469 --> 03:04:26,160

[h\_\_\h] he's hilarious he's great guitar he

5068

03:04:28,389 --> 03:04:26,479

should

5069

03:04:30,469 --> 03:04:28,399

he can emulate any guitar player needs

5070

03:04:33,990 --> 03:04:30,479

to be a national hero

5071

03:04:37,190 --> 03:04:34,000

we need to erection a statue

5072

03:04:40,389 --> 03:04:37,200

of john mayer yes a large a

5073

03:04:43,510 --> 03:04:40,399

large but gentle erection of statue

5074

03:04:46,070 --> 03:04:43,520

of john mayer in the middle of my house

5075

03:04:47,190 --> 03:04:46,080

in the middle of my home dude then

5076

03:04:49,510 --> 03:04:47,200

you're gonna have tourists here

5077

03:04:50,230 --> 03:04:49,520

all the time i welcome it there's going

5078

03:04:52,469 --> 03:04:50,240

to be

5079

03:04:55,750 --> 03:04:52,479

millions of chicks stopping at your

5080

03:04:58,150 --> 03:04:55,760

house constantly

5081

03:05:01,349 --> 03:04:58,160

[Laughter]

5082

03:05:03,990 --> 03:05:01,359

what i'm saying chicks dude chicks dude

5083

03:05:04,389 --> 03:05:04,000

i'm going to see the john mara statue oh

5084

03:05:06,309 --> 03:05:04,399

yeah

5085

03:05:09,349 --> 03:05:06,319

it's you're going to erection joke said

5086

03:05:15,990 --> 03:05:12,469

oh god dude i bet he does

5087

03:05:17,190 --> 03:05:16,000

so he can get chicks oh votes okay good

5088

03:05:18,150 --> 03:05:17,200

question we've been talking about music

5089

03:05:20,630 --> 03:05:18,160

for a while austin

5090

03:05:22,070 --> 03:05:20,640

says uh favorite alien movies that don't

5091

03:05:24,150 --> 03:05:22,080

seem like alien movies

5092

03:05:26,389 --> 03:05:24,160

i don't know i i i initially read that

5093

03:05:26,790 --> 03:05:26,399

uh a favorite alien movie so i don't

5094

03:05:29,110 --> 03:05:26,800

know

5095

03:05:30,950 --> 03:05:29,120

i might skew that question like either

5096

03:05:32,389 --> 03:05:30,960

favorite alien

5097

03:05:34,309 --> 03:05:32,399

we've only got a couple more minutes

5098

03:05:35,110 --> 03:05:34,319

because i don't want to overlap on on

5099

03:05:37,269 --> 03:05:35,120

sor

5100

03:05:38,469 --> 03:05:37,279

dave's show starts at 11 so i don't want

5101

03:05:40,389 --> 03:05:38,479

to overlap there so

5102

03:05:41,510 --> 03:05:40,399

i've got a few minutes left but dude

5103

03:05:44,790 --> 03:05:41,520

favorite alien

5104

03:05:46,630 --> 03:05:44,800

movies uh uh i would love to

5105

03:05:47,990 --> 03:05:46,640

yeah austin just kind of piggyback on

5106

03:05:50,550 --> 03:05:48,000

that question

5107

03:05:51,030 --> 03:05:50,560

what's your favorite uh alien movie

5108

03:05:53,190 --> 03:05:51,040

because

5109

03:05:54,070 --> 03:05:53,200

i'd like to answer that question by

5110

03:05:57,190 --> 03:05:54,080

asking questions

5111

03:05:59,030 --> 03:05:57,200

to this question i'm the king of that uh

5112

03:06:01,830 --> 03:05:59,040

i think to that question though lilo and

5113

03:06:03,670 --> 03:06:01,840

stitch man this is pretty cool

5114

03:06:06,230 --> 03:06:03,680

i always forget it's an alien movie for

5115

03:06:09,510 --> 03:06:06,240

like a whole minute bro

5116

03:06:14,710 --> 03:06:09,520

solid yeah solid movie oh

5117

03:06:17,110 --> 03:06:14,720

my family oh dude

5118

03:06:19,030 --> 03:06:17,120

i always think of lee uh of stitch as is

5119

03:06:22,230 --> 03:06:19,040

nibbler i mean like

5120

03:06:25,349 --> 03:06:22,240

it's an uncanny resemblance of

5121

03:06:25,990 --> 03:06:25,359

of of of the alien i mean come on look

5122

03:06:29,110 --> 03:06:26,000

at that little

5123

03:06:31,190 --> 03:06:29,120

cute alien face look at her

5124

03:06:32,870 --> 03:06:31,200

look at how cute she is nibbler she

5125

03:06:37,190 --> 03:06:32,880

can't hear me she's deaf

5126

03:06:40,710 --> 03:06:37,200

and blind deaf and blind

5127

03:06:43,590 --> 03:06:40,720

ufo garage

5128

03:06:44,389 --> 03:06:43,600

uh yeah dude lilo instead great [h\_\_h]

5129

03:06:47,670 --> 03:06:44,399

movie

5130

03:06:51,670 --> 03:06:47,680

it's the

5131

03:06:53,030 --> 03:06:51,680

you guys missed that episode we ranked

5132

03:06:55,510 --> 03:06:53,040

alien movies

5133

03:06:57,030 --> 03:06:55,520

yeah um we did we need to do another one

5134

03:07:00,710 --> 03:06:57,040

because we missed a lot

5135

03:07:04,230 --> 03:07:00,720

we yeah it did win i think we

5136

03:07:06,950 --> 03:07:04,240

excuse me i think we we did that episode

5137

03:07:09,670 --> 03:07:06,960

justice somebody who commented why don't

5138

03:07:12,309 --> 03:07:09,680

you just like post a list

5139

03:07:13,030 --> 03:07:12,319

uh i i eventually did but i realized

5140

03:07:16,309 --> 03:07:13,040

retro

5141

03:07:17,990 --> 03:07:16,319

totally

5142

03:07:19,910 --> 03:07:18,000

defeats the purpose of of doing the

5143

03:07:21,990 --> 03:07:19,920

video

5144

03:07:23,510 --> 03:07:22,000

i could have just posted a list yeah it

5145

03:07:26,389 --> 03:07:23,520

just posted a list it would have been no

5146

03:07:27,750 --> 03:07:26,399

no nothing to talk about yeah explorers

5147

03:07:31,110 --> 03:07:27,760

yes

5148

03:07:34,790 --> 03:07:31,120

yeah explorers bro

5149

03:07:37,190 --> 03:07:34,800

i think we're seeing i think that's a

5150

03:07:39,030 --> 03:07:37,200

lot of hints there man there's a lot to

5151  
03:07:40,790 --> 03:07:39,040  
that movie

5152  
03:07:42,230 --> 03:07:40,800  
and i didn't even watch that until

5153  
03:07:43,910 --> 03:07:42,240  
somebody on in the in the

5154  
03:07:45,670 --> 03:07:43,920  
the group the facebook group posted

5155  
03:07:48,469 --> 03:07:45,680  
about it i can't remember who it was

5156  
03:07:50,630 --> 03:07:48,479  
was it me no somebody else didn't are

5157  
03:07:53,750 --> 03:07:50,640  
you sure

5158  
03:07:57,990 --> 03:07:56,469  
but anyway dude i watched it for the

5159  
03:08:00,710 --> 03:07:58,000  
first time like last year like

5160  
03:08:02,230 --> 03:08:00,720  
whatever yeah last year great [h\_\_h]

5161  
03:08:05,269 --> 03:08:02,240  
movie

5162  
03:08:08,309 --> 03:08:05,279  
uh i think that

5163  
03:08:11,590 --> 03:08:08,319

my favorite movie right now

5164

03:08:15,030 --> 03:08:11,600

awesome power is the spy that shags me

5165

03:08:19,429 --> 03:08:17,349

i love that they go to space for sure

5166

03:08:20,710 --> 03:08:19,439

dude that chick in the first movie is so

5167

03:08:23,910 --> 03:08:20,720

damn hot

5168

03:08:28,230 --> 03:08:23,920

oh my god all of them so

5169

03:08:30,550 --> 03:08:28,240

hot so hot machine gun jubbliies

5170

03:08:31,830 --> 03:08:30,560

how did i miss those and then like like

5171

03:08:34,309 --> 03:08:31,840

the next movie they're like

5172

03:08:35,590 --> 03:08:34,319

oh yeah veronica what is it was it

5173

03:08:38,309 --> 03:08:35,600

veronica vanessa

5174

03:08:39,590 --> 03:08:38,319

vanessa yes she was a she was a fembot

5175

03:08:43,670 --> 03:08:39,600

yes we knew all along

5176

03:08:48,070 --> 03:08:43,680

sadly oh what

5177

03:08:50,630 --> 03:08:48,080

you knew all along okay all right well

5178

03:08:52,630 --> 03:08:50,640

ugh [h\_\_h] hillary dude so such good

5179

03:08:56,469 --> 03:08:52,640

movies oh my god

5180

03:08:58,309 --> 03:08:56,479

navigator another good one for sure oh

5181

03:08:59,670 --> 03:08:58,319

fly to the navigator was what i was

5182

03:09:02,070 --> 03:08:59,680

talking about earlier

5183

03:09:03,750 --> 03:09:02,080

[h\_\_h] i'm sorry my brain my brain not

5184

03:09:05,670 --> 03:09:03,760

explorers my brain sucks

5185

03:09:07,750 --> 03:09:05,680

explorers i have seen that's a great

5186

03:09:08,230 --> 03:09:07,760

movie but flight of the navigator is the

5187

03:09:11,269 --> 03:09:08,240

one

5188

03:09:13,750 --> 03:09:11,279

that i just saw like last year yeah yeah

5189

03:09:15,590 --> 03:09:13,760

my brain's dumb that was such a good

5190

03:09:17,670 --> 03:09:15,600

movie that's the one where we're

5191

03:09:18,790 --> 03:09:17,680

we're getting some hints a lot of little

5192

03:09:23,429 --> 03:09:18,800

puzzles connecting

5193

03:09:26,630 --> 03:09:24,870

i don't think i've seen that starship

5194

03:09:29,990 --> 03:09:26,640

troopers because of this

5195

03:09:32,870 --> 03:09:30,000

shower scene oh space jam

5196

03:09:34,630 --> 03:09:32,880

that's that's in our uh our our our

5197

03:09:37,190 --> 03:09:34,640

alien movie

5198

03:09:37,670 --> 03:09:37,200

um i think it actually i think it

5199

03:09:41,990 --> 03:09:37,680

actually

5200

03:09:44,630 --> 03:09:42,000

beat out uh it beat out like a lot of

5201  
03:09:45,429 --> 03:09:44,640  
[h\_\_\h] kind and all that space jam is up

5202  
03:09:48,870 --> 03:09:45,439  
there pretty high

5203  
03:09:50,070 --> 03:09:48,880  
it's so so ridiculous flat liners is the

5204  
03:09:53,429 --> 03:09:50,080  
[h\_\_\h]

5205  
03:09:54,870 --> 03:09:53,439  
what is it yes flatliners is so dope

5206  
03:09:56,550 --> 03:09:54,880  
remember i was telling you about them

5207  
03:09:58,070 --> 03:09:56,560  
foils that like kill themselves on

5208  
03:09:58,870 --> 03:09:58,080  
purpose to see what happens in the

5209  
03:10:00,710 --> 03:09:58,880  
afterlife

5210  
03:10:02,389 --> 03:10:00,720  
they come back and their sins follow

5211  
03:10:06,070 --> 03:10:02,399  
them into like their realities

5212  
03:10:08,070 --> 03:10:06,080  
okay dude that movie is dope that sounds

5213  
03:10:09,190 --> 03:10:08,080

flat liners is pretty dope for sure it

5214

03:10:12,870 --> 03:10:09,200

sounds trippy as [\h\_\_\h]

5215

03:10:14,630 --> 03:10:12,880

yeah yeah

5216

03:10:16,150 --> 03:10:14,640

okay dope well i've got that written

5217

03:10:16,870 --> 03:10:16,160

down dude i'm about to have to get out

5218

03:10:19,750 --> 03:10:16,880

of here man

5219

03:10:20,070 --> 03:10:19,760

it's uh it's it's donuts with daddy and

5220

03:10:21,910 --> 03:10:20,080

uh

5221

03:10:23,830 --> 03:10:21,920

at the kid's school tomorrow morning so

5222

03:10:26,070 --> 03:10:23,840

i gotta i gotta be all

5223

03:10:27,429 --> 03:10:26,080

uh bright-eyed and bushy-tailed in the

5224

03:10:29,269 --> 03:10:27,439

morning bubba

5225

03:10:30,950 --> 03:10:29,279

you gotta you gotta put your curlers in

5226

03:10:32,550 --> 03:10:30,960

i gotta put my curlers in

5227

03:10:34,469 --> 03:10:32,560

put your curlers in put your nightgown

5228

03:10:36,710 --> 03:10:34,479

on i have to you know you're gonna apply

5229

03:10:37,269 --> 03:10:36,720

all your salves and your creams and

5230

03:10:40,229 --> 03:10:37,279

missions

5231

03:10:41,910 --> 03:10:40,239

yeah yeah yeah i'm gonna have to i'm

5232

03:10:44,550 --> 03:10:41,920

gonna have to put up a clean pair of

5233

03:10:48,070 --> 03:10:44,560

dickies on tomorrow

5234

03:10:50,469 --> 03:10:48,080

and maybe a baseball tee i haven't

5235

03:10:53,030 --> 03:10:50,479

really committed to long sleeves yet

5236

03:10:54,710 --> 03:10:53,040

well i mean i don't know if you're so

5237

03:10:57,750 --> 03:10:54,720

are you showing up at the school

5238

03:10:59,190 --> 03:10:57,760

to to have donuts with yeah so like

5239

03:11:01,510 --> 03:10:59,200

is there like a thing like hey so what

5240

03:11:03,670 --> 03:11:01,520

do you do is it is it like a career

5241

03:11:05,910 --> 03:11:03,680

kind of thing or no it's just they're

5242

03:11:07,670 --> 03:11:05,920

going to give us donuts

5243

03:11:11,670 --> 03:11:07,680

and we get to like eat no pressure eat

5244

03:11:15,510 --> 03:11:12,870

i mean i'm glad they're not going to be

5245

03:11:16,389 --> 03:11:15,520

like so joe tell us a little bit about

5246

03:11:18,150 --> 03:11:16,399

yourself

5247

03:11:19,830 --> 03:11:18,160

because i would love it if you you could

5248

03:11:21,269 --> 03:11:19,840

record yourselves

5249

03:11:23,429 --> 03:11:21,279

like i would love to be a fly on the

5250

03:11:25,510 --> 03:11:23,439

wall just like my name's joe

5251

03:11:27,670 --> 03:11:25,520

and just don't even mention your day job

5252

03:11:30,950 --> 03:11:27,680

just say like i talk about ufos

5253

03:11:31,510 --> 03:11:30,960

and aliens and all things weird so come

5254

03:11:33,910 --> 03:11:31,520

to

5255

03:11:36,229 --> 03:11:33,920

ask me questions after yep have you got

5256

03:11:37,830 --> 03:11:36,239

any questions about aliens or

5257

03:11:40,070 --> 03:11:37,840

anything like that you uh you let me

5258

03:11:44,150 --> 03:11:40,080

know you let me know

5259

03:11:49,590 --> 03:11:46,550

15 minutes and or whenever i finish this

5260

03:11:50,950 --> 03:11:49,600

donut and you'll also be shirtless

5261

03:11:52,950 --> 03:11:50,960

cause you've you've spilled you've

5262

03:11:53,910 --> 03:11:52,960

stained your shirt raspberry filled

5263

03:11:58,389 --> 03:11:53,920

doughnut i've already

5264

03:12:03,910 --> 03:12:01,750

my kid is like super clean yeah and like

5265

03:12:04,930 --> 03:12:03,920

eating with like utensils and i've got

5266

03:12:09,429 --> 03:12:04,940

[h\_\_\h] on my shirt

5267

03:12:12,309 --> 03:12:09,439

[Laughter]

5268

03:12:14,389 --> 03:12:12,319

you're like she's like a little princess

5269

03:12:16,790 --> 03:12:14,399

i've got like crust and [h\_\_\h] my beard

5270

03:12:19,110 --> 03:12:16,800

from the donuts i've been eating

5271

03:12:20,229 --> 03:12:19,120

you got like stains of chocolate milk in

5272

03:12:23,349 --> 03:12:20,239

my mustache

5273

03:12:26,309 --> 03:12:23,359

yeah well yeah i talk about aliens

5274

03:12:27,510 --> 03:12:26,319

it's super cool guys trust me trust me

5275

03:12:29,429 --> 03:12:27,520

like a lot of people

5276

03:12:31,190 --> 03:12:29,439

hanging out we got a lot of people that

5277

03:12:35,750 --> 03:12:31,200

support the

5278

03:12:38,710 --> 03:12:37,349

all righty well that was fun thank you

5279

03:12:39,349 --> 03:12:38,720

guys so much for hanging out with us

5280

03:12:41,429 --> 03:12:39,359

tonight

5281

03:12:43,110 --> 03:12:41,439

uh spaced out radio is coming up i mean

5282

03:12:43,429 --> 03:12:43,120

we're not even dude we just love that

5283

03:12:45,510 --> 03:12:43,439

show

5284

03:12:47,510 --> 03:12:45,520

dave especially radio check them out

5285

03:12:52,070 --> 03:12:47,520

youtube right after us they start at 11

5286

03:12:54,150 --> 03:12:52,080

boom our new website uh

5287

03:12:56,630 --> 03:12:54,160

and merch and all that [\h\_\_\h] you guys

5288

03:12:59,030 --> 03:12:56,640

check it out ufo garage podcast

5289

03:13:01,110 --> 03:12:59,040

dot com yeah also go check out our

5290

03:13:01,990 --> 03:13:01,120

homies over there at a redeemer small

5291

03:13:04,150 --> 03:13:02,000

batch

5292

03:13:06,150 --> 03:13:04,160

uh if you go and you buy some stuff

5293

03:13:09,429 --> 03:13:06,160

which is uh some bad ass

5294

03:13:12,110 --> 03:13:09,439

really badass uh cbd products if

5295

03:13:14,150 --> 03:13:12,120

you're into that type of stuff type in

5296

03:13:16,710 --> 03:13:14,160

ufo 15

5297

03:13:18,070 --> 03:13:16,720

you get 15 off of your uh your purchase

5298

03:13:18,309 --> 03:13:18,080

let's go check them out oh yeah that's

5299

03:13:20,710 --> 03:13:18,319

pretty

5300

03:13:21,830 --> 03:13:20,720

yeah redeemer small batch dude i had one

5301

03:13:26,229 --> 03:13:21,840

of those uh

5302

03:13:29,510 --> 03:13:26,239

those cbd mango smoothies holy [h\_\_h]

5303

03:13:32,790 --> 03:13:29,520

i was like it was good so

5304

03:13:35,510 --> 03:13:32,800

uh did it make you sleepy or like

5305

03:13:37,269 --> 03:13:35,520

how did you feel afterwards no man i was

5306

03:13:39,110 --> 03:13:37,279

just kicking it

5307

03:13:40,710 --> 03:13:39,120

yeah i love that yeah i was just kicking

5308

03:13:41,429 --> 03:13:40,720

it i was like i feel pretty good i i

5309

03:13:44,070 --> 03:13:41,439

miss it dude

5310

03:13:45,190 --> 03:13:44,080

i need to i need to re-up on my cbd

5311

03:13:47,910 --> 03:13:45,200

capsules because dude

5312

03:13:48,309 --> 03:13:47,920

like that was a good little spurt of

5313

03:13:51,750 --> 03:13:48,319

like

5314

03:13:53,910 --> 03:13:51,760

good i need to i need to

5315

03:13:54,870 --> 03:13:53,920

yeah you just mellowed out i need to get

5316

03:13:57,349 --> 03:13:54,880

more you know what

5317

03:13:59,510 --> 03:13:57,359

nothing really bothers me yeah that's

5318

03:14:00,550 --> 03:13:59,520

where stressful situations were just not

5319

03:14:03,269 --> 03:14:00,560

stressful you're like

5320

03:14:05,190 --> 03:14:03,279

yeah and i i struggle to with anxiety

5321

03:14:08,389 --> 03:14:05,200

and like i'm kind of a high strung just

5322

03:14:11,030 --> 03:14:08,399

very all over the place adv person

5323

03:14:12,070 --> 03:14:11,040

and taking medication for that but the

5324

03:14:15,349 --> 03:14:12,080

cbd

5325

03:14:17,910 --> 03:14:15,359

just man as soon as i would take it

5326

03:14:19,830 --> 03:14:17,920

i mean listen yeah we would love for you

5327

03:14:21,429 --> 03:14:19,840

guys to check these people out but

5328

03:14:23,030 --> 03:14:21,439

if you can't buy from redeemer you know

5329

03:14:23,670 --> 03:14:23,040

their local thing in texas that'd be

5330

03:14:26,389 --> 03:14:23,680

awesome but

5331

03:14:27,190 --> 03:14:26,399

cbd in general um if you're interested

5332

03:14:30,550 --> 03:14:27,200

just try it

5333

03:14:32,710 --> 03:14:30,560

like i'm not just like supporting them

5334

03:14:34,790 --> 03:14:32,720

as as a whole would be awesome we

5335

03:14:36,950 --> 03:14:34,800

actually had uh bailey on the show

5336

03:14:38,070 --> 03:14:36,960

and she talked about it and we talked

5337

03:14:40,469 --> 03:14:38,080

about aliens and

5338

03:14:41,590 --> 03:14:40,479

weed in space so if that's your thing go

5339

03:14:44,469 --> 03:14:41,600

check it out

5340

03:14:46,150 --> 03:14:44,479

we did an episode with we did yeah yeah

5341

03:14:49,269 --> 03:14:46,160

we got into the science and how all that

5342

03:14:52,710 --> 03:14:49,279

cbd and and uh related

5343

03:14:53,269 --> 03:14:52,720

uh herbitarianisms it could be the new

5344

03:14:55,830 --> 03:14:53,279

space

5345

03:14:56,710 --> 03:14:55,840

plant because it's the most it's the

5346

03:14:58,710 --> 03:14:56,720

easiest to grow

5347

03:15:00,150 --> 03:14:58,720

you could grow in his base you could

5348

03:15:01,990 --> 03:15:00,160

literally like

5349

03:15:03,990 --> 03:15:02,000

throw that [h\_\_\h] out of your window and

5350

03:15:05,910 --> 03:15:04,000

and before you know you got

5351

03:15:08,229 --> 03:15:05,920

a whole bunch of weed dude one time i i

5352

03:15:11,030 --> 03:15:08,239

got so high that i i dropped my bag of

5353

03:15:12,150 --> 03:15:11,040

of swag you know seed swag and and that

5354

03:15:14,150 --> 03:15:12,160

my ass crack and i

5355

03:15:16,229 --> 03:15:14,160

was on the couch for so long that i

5356

03:15:18,070 --> 03:15:16,239

actually i actually got a little

5357

03:15:20,309 --> 03:15:18,080

a little seedling sprouting out of my

5358

03:15:22,710 --> 03:15:20,319

ass that's how easy it is to to grow

5359

03:15:24,229 --> 03:15:22,720

you're like what's poking my balls yeah

5360

03:15:24,950 --> 03:15:24,239

you lifted your balls and there was like

5361

03:15:27,110 --> 03:15:24,960

a stem

5362

03:15:27,990 --> 03:15:27,120

[h\_\_\h] stuff that was growing yeah had

5363

03:15:30,790 --> 03:15:28,000

little nugs

5364

03:15:33,110 --> 03:15:30,800

by your nugs dude it was it was nugs all

5365

03:15:36,150 --> 03:15:33,120

night on there

5366

03:15:39,830 --> 03:15:36,160

oh yeah well that was good stuff man

5367

03:15:43,110 --> 03:15:39,840

uh oh you know check out our friends

5368

03:15:44,309 --> 03:15:43,120

bob podcast uh uh a band of bearded

5369

03:15:46,389 --> 03:15:44,319

brothers they're on facebook and all

5370

03:15:48,950 --> 03:15:46,399

that and what if tomorrow podcast

5371

03:15:49,429 --> 03:15:48,960

check them out they're awesome good

5372

03:15:52,150 --> 03:15:49,439

stuff

5373

03:15:53,030 --> 03:15:52,160

dude yeah he says that cbd is the bomb

5374

03:15:54,870 --> 03:15:53,040

he's got the

5375

03:15:57,190 --> 03:15:54,880

the reflector sticker on the back of his

5376

03:15:59,030 --> 03:15:57,200

phone oh no [\h\_\_\h] that's awesome oh yeah

5377

03:16:00,870 --> 03:15:59,040

it is good stuff dude like i mean you

5378

03:16:01,349 --> 03:16:00,880

get some [\h\_\_\h] and you're like i can't

5379

03:16:04,550 --> 03:16:01,359

really

5380

03:16:06,389 --> 03:16:04,560

like notice anything but that stuff dude

5381

03:16:08,229 --> 03:16:06,399

like you kind of notice something it's

5382

03:16:09,349 --> 03:16:08,239

pretty wild it's it's really awesome and

5383

03:16:12,870 --> 03:16:09,359

they've got all kinds of

5384

03:16:14,389 --> 03:16:12,880

new [\h\_\_\h] coming out cbg

5385

03:16:17,469 --> 03:16:14,399

and we talk all about that in the in the

5386

03:16:18,950 --> 03:16:17,479

episode yeah yeah so they've got some

5387

03:16:21,670 --> 03:16:18,960

amazing stuff

5388

03:16:23,190 --> 03:16:21,680

definitely check them out yeah ufo 15

5389

03:16:26,630 --> 03:16:23,200

redeemer small batch

5390

03:16:29,670 --> 03:16:26,640

get 15 off yeah uh

5391

03:16:32,870 --> 03:16:29,680

don't forget rogan don't

5392

03:16:35,430 --> 03:16:32,880

yeah don't forget to check out

5393

03:16:40,710 --> 03:16:35,440

the joe rogan experience it needs more

5394

03:16:43,990 --> 03:16:43,030

y'all are [h\_\_\h] hilarious oh my god

5395

03:16:46,150 --> 03:16:44,000

okay hey

5396

03:16:48,590 --> 03:16:46,160

great hanging out with you guys uh hey

5397

03:16:51,030 --> 03:16:48,600

if you want to support the podcast go to

5398

03:16:51,750 --> 03:16:51,040

ufogaragepodcast.com we accept donations

5399

03:16:54,070 --> 03:16:51,760

we're not

5400

03:16:56,150 --> 03:16:54,080

monetized yet on youtube because we like

5401

03:16:58,630 --> 03:16:56,160

cussing and talking about balls and [h\_\_h]

5402

03:17:00,309 --> 03:16:58,640

so i mean if you want to keep this thing

5403

03:17:01,910 --> 03:17:00,319

going we'll never be monetized but

5404

03:17:03,750 --> 03:17:01,920

help us out buy a shirt we have new

5405

03:17:06,070 --> 03:17:03,760

merch y'all we have new merch

5406

03:17:07,030 --> 03:17:06,080

let's do it let's do it one more time

5407

03:17:09,190 --> 03:17:07,040

i'm gonna

5408

03:17:11,110 --> 03:17:09,200

show show the the new merch we have new

5409

03:17:14,550 --> 03:17:11,120

t-shirts oh my god

5410

03:17:15,429 --> 03:17:14,560

they're cool with the new logo i love it

5411

03:17:18,790 --> 03:17:15,439

dude

5412

03:17:19,590 --> 03:17:18,800

i love it what we got uh the uh the main

5413

03:17:22,950 --> 03:17:19,600

one with the

5414

03:17:24,710 --> 03:17:22,960

the main uh logo on the front big

5415

03:17:26,870 --> 03:17:24,720

and then the smaller logo on the front

5416

03:17:30,309 --> 03:17:26,880

and then back on the back of the shirt

5417

03:17:31,750 --> 03:17:30,319

big boom you do karate i love that the

5418

03:17:34,710 --> 03:17:31,760

one with the front of the car

5419

03:17:35,349 --> 03:17:34,720

this one yes that one's sick dude i love

5420

03:17:39,429 --> 03:17:35,359

that

5421

03:17:41,670 --> 03:17:39,439

small one on the back

5422

03:17:42,790 --> 03:17:41,680

and yeah all kinds of oh we got the sea

5423

03:17:45,190 --> 03:17:42,800

monkeys chris

5424

03:17:47,429 --> 03:17:45,200

shout out to chris holmes dude yes shout

5425

03:17:49,750 --> 03:17:47,439

out to chris holmes for that uh

5426

03:17:50,469 --> 03:17:49,760

the personification of the sea monkeys

5427

03:17:53,429 --> 03:17:50,479

dude that's been

5428

03:17:55,349 --> 03:17:53,439

a little joke of uh of ours for yeah

5429

03:17:57,110 --> 03:17:55,359

since we started this podcast it's

5430

03:17:59,110 --> 03:17:57,120

hilarious that we just now made that

5431

03:18:02,150 --> 03:17:59,120

happen well we got the dave

5432

03:18:03,590 --> 03:18:02,160

the dave scott panties

5433

03:18:05,349 --> 03:18:03,600

you check them out it says we've got

5434

03:18:06,389 --> 03:18:05,359

aliens we got an alien and on the back

5435

03:18:08,630 --> 03:18:06,399

it has the impala

5436

03:18:10,550 --> 03:18:08,640

yeah we got we've got women's t-shirts

5437

03:18:11,190 --> 03:18:10,560

for the doctor scientists too so you too

5438

03:18:12,630 --> 03:18:11,200

can be

5439

03:18:15,030 --> 03:18:12,640

a doctor scientist we've even got

5440

03:18:16,630 --> 03:18:15,040

clothes for the churns turns we got the

5441

03:18:19,030 --> 03:18:16,640

church

5442

03:18:21,429 --> 03:18:19,040

it's called little tiny ufo onesies no

5443

03:18:22,309 --> 03:18:21,439

joe it's called a little tiny the little

5444

03:18:25,750 --> 03:18:22,319

tiny

5445

03:18:29,030 --> 03:18:25,760

ones for the turns the turns right

5446

03:18:31,510 --> 03:18:29,040

yeah we need to change the we've got the

5447

03:18:32,309 --> 03:18:31,520

we got the green ufo women's undies

5448

03:18:34,229 --> 03:18:32,319

chains

5449

03:18:35,910 --> 03:18:34,239

putting in paintings paintings put their

5450

03:18:37,510 --> 03:18:35,920

penis

5451

03:18:39,190 --> 03:18:37,520

what's she doing with him been he's got

5452

03:18:42,229 --> 03:18:39,200

her face on the butt that's [h\_\_h]

5453

03:18:44,710 --> 03:18:42,239

hot as [h\_\_h] dude dude you guys know

5454

03:18:45,429 --> 03:18:44,720

you want to see our faces on your

5455

03:18:48,150 --> 03:18:45,439

girlfriend your

5456

03:18:52,229 --> 03:18:48,160

girl's butt hell yeah all right nothing

5457

03:18:56,950 --> 03:18:55,429

it's just what i want to see two bearded

5458

03:18:59,590 --> 03:18:56,960

dudes

5459

03:19:00,550 --> 03:18:59,600

on my girlfriend's wife's butt

5460

03:19:08,070 --> 03:19:00,560

girlfriend

5461

03:19:12,070 --> 03:19:10,790

it's actually it's actually me you don't

5462

03:19:12,950 --> 03:19:12,080

see your face it's actually my app

5463

03:19:19,349 --> 03:19:12,960

that's ben's ass

5464

03:19:21,429 --> 03:19:19,359

i'm i'm the model what i'm got a picture

5465

03:19:23,110 --> 03:19:21,439

yes all right y'all uh this has been a

5466

03:19:25,590 --> 03:19:23,120

blast thanks for hanging out with us

5467

03:19:26,469 --> 03:19:25,600

uh the chat y'all are hilarious jesus oh

5468

03:19:29,510 --> 03:19:26,479

yeah

5469

03:19:31,030 --> 03:19:29,520

cheeses you guys are awesome and we'll

5470

03:19:33,750 --> 03:19:31,040

see you next week oh actually

5471

03:19:35,269 --> 03:19:33,760

uh check us out on uh on the alien girl

5472

03:19:37,269 --> 03:19:35,279

podcast tomorrow or

5473

03:19:39,030 --> 03:19:37,279

youtube channel just type in alien girl

5474

03:19:40,550 --> 03:19:39,040

it's the first one that pops up

5475

03:19:42,389 --> 03:19:40,560

we're gonna be on her show tomorrow at 8

5476

03:19:44,790 --> 03:19:42,399

pm so that's

5477

03:19:46,150 --> 03:19:44,800

pretty cool 8pm central time central

5478

03:19:49,670 --> 03:19:46,160

time yeah

5479

03:19:52,870 --> 03:19:49,680

yeah definitely yeah and as always

5480

03:19:56,389 --> 03:19:52,880

would you be my neighbor won't you be

5481

03:19:59,510 --> 03:19:56,399

my pug oh joe there we go

5482

03:20:02,389 --> 03:19:59,520

sleepy little pug

5483

03:20:05,269 --> 03:20:02,399

all right y'all great hanging out um

5484

03:20:20,150 --> 03:20:05,279

we'll see you next week
