

VEGARAGE
LIVE

1
00:00:06,470 --> 00:00:03,590
here we go yo here we go yo

2
00:00:07,030 --> 00:00:06,480
so what so what's up scenario here we go

3
00:00:10,310 --> 00:00:07,040
yo

4
00:00:13,990 --> 00:00:10,320
that scenario

5
00:00:16,230 --> 00:00:14,000
here we go this is another episode of

6
00:00:18,310 --> 00:00:16,240
ufo garage i'm ben

7
00:00:19,590 --> 00:00:18,320
i'm joe and this is where we talk about

8
00:00:22,870 --> 00:00:19,600
ufos

9
00:00:24,790 --> 00:00:22,880
aliens and all things weird

10
00:00:26,470 --> 00:00:24,800
camera setup is so weird because i count

11
00:00:27,509 --> 00:00:26,480
i was counting on this hand and you

12
00:00:28,710 --> 00:00:27,519
can't see that hand

13
00:00:31,109 --> 00:00:28,720

everything's backwards because it's

14

00:00:33,110 --> 00:00:31,119

switched it's switched yeah

15

00:00:34,470 --> 00:00:33,120

well nibbler's still in the fuss we need

16

00:00:37,510 --> 00:00:34,480

time for her to calm down

17

00:00:39,990 --> 00:00:37,520

nibbler nibbler oh we forgot to put our

18

00:00:43,590 --> 00:00:41,750

hey guys thanks for uh hanging out with

19

00:00:45,990 --> 00:00:43,600

uh being patient with us we're

20

00:00:47,670 --> 00:00:46,000

a little state uh late start today i've

21

00:00:48,790 --> 00:00:47,680

got to put up our branding materials be

22

00:00:52,150 --> 00:00:48,800

right back

23

00:00:53,830 --> 00:00:52,160

oh yeah branding material what's up

24

00:00:56,830 --> 00:00:53,840

everybody how are y'all doing this

25

00:01:03,110 --> 00:01:01,189

dude nibbles gotta chill

26

00:01:04,229 --> 00:01:03,120

nibbler does gotta chill chill nibbler

27

00:01:06,390 --> 00:01:04,239

chill be cool

28

00:01:08,310 --> 00:01:06,400

i need you to be like fonzie and be cool

29

00:01:10,789 --> 00:01:08,320

it's funny because she's like she's deaf

30

00:01:12,710 --> 00:01:10,799

and she's blind so like she can't

31

00:01:14,230 --> 00:01:12,720

really hear you she gets kind of like a

32

00:01:16,149 --> 00:01:14,240

little bit of depth perception so she

33

00:01:18,950 --> 00:01:16,159

doesn't have to like walk off the

34

00:01:20,630 --> 00:01:18,960

the chair i like how everybody fully

35

00:01:22,789 --> 00:01:20,640

everybody's talking about their their

36

00:01:26,630 --> 00:01:22,799

method of wiping their ass

37

00:01:28,789 --> 00:01:26,640

this is oh my awesome

38

00:01:30,469 --> 00:01:28,799

it's been awesome dude so what's going

39

00:01:33,510 --> 00:01:30,479

on man dude

40

00:01:34,390 --> 00:01:33,520

uh man i'm so excited about tonight i

41

00:01:37,030 --> 00:01:34,400

mean

42

00:01:39,510 --> 00:01:37,040

can you feel can you feel the energy the

43

00:01:40,030 --> 00:01:39,520

energy doesn't it feel like christmas

44

00:01:43,749 --> 00:01:40,040

eve

45

00:01:47,350 --> 00:01:43,759

energico this energy says

46

00:01:49,990 --> 00:01:47,360

whoa not not enter jesus but like

47

00:01:50,950 --> 00:01:50,000

but like your inner jesus you're in

48

00:01:54,710 --> 00:01:50,960

jesus like your

49

00:01:56,469 --> 00:01:54,720

energies right

50

00:01:58,630 --> 00:01:56,479

i went to this uh i would say like this

51
00:02:01,109 --> 00:01:58,640
little place where you buy some material

52
00:02:02,789 --> 00:02:01,119
and then a guy went from the same from

53
00:02:05,030 --> 00:02:02,799
my same company to go buy

54
00:02:06,789 --> 00:02:05,040
some stuff and he was like uh he's like

55
00:02:08,550 --> 00:02:06,799
i don't have a i don't have the the card

56
00:02:10,869 --> 00:02:08,560
with me put it on the account

57
00:02:11,670 --> 00:02:10,879
he was like all right uh he was like my

58
00:02:14,309 --> 00:02:11,680
other guy

59
00:02:15,670 --> 00:02:14,319
came in here a little earlier and i

60
00:02:16,630 --> 00:02:15,680
didn't know any of the people in there

61
00:02:18,790 --> 00:02:16,640
and they were like

62
00:02:20,070 --> 00:02:18,800
oh the jesus guy and he was like talking

63
00:02:22,630 --> 00:02:20,080

about you yeah they were like he was

64

00:02:25,110 --> 00:02:22,640

like yeah that's the guy

65

00:02:26,710 --> 00:02:25,120

uh it's funny how many comments we we

66

00:02:28,710 --> 00:02:26,720

get on youtube where i'm like

67

00:02:32,309 --> 00:02:28,720

oh [h__h] hell yeah and then all of them

68

00:02:37,110 --> 00:02:33,670

why are they about i wish i could grow a

69

00:02:38,869 --> 00:02:37,120

grow up of them are about your beard

70

00:02:40,550 --> 00:02:38,879

i love it though man you know i think

71

00:02:42,949 --> 00:02:40,560

it's like one of those universal

72

00:02:43,830 --> 00:02:42,959

messages of like hey what what is a

73

00:02:46,309 --> 00:02:43,840

beard like a

74

00:02:48,150 --> 00:02:46,319

well a well-grown manicured it's not

75

00:02:50,229 --> 00:02:48,160

like i'm not saying you you manicure

76
00:02:51,990 --> 00:02:50,239
your beard but you keep it up you know

77
00:02:53,350 --> 00:02:52,000
it's not like you straight iron it i'd

78
00:02:55,110 --> 00:02:53,360
make fun of you if you straight iron no

79
00:02:56,630 --> 00:02:55,120
i don't straight iron it dude

80
00:02:58,710 --> 00:02:56,640
but it would be a little longer though

81
00:03:01,190 --> 00:02:58,720
it'd be like you know wow

82
00:03:02,470 --> 00:03:01,200
what the heck you just doubled your size

83
00:03:04,710 --> 00:03:02,480
about the length of your

84
00:03:08,309 --> 00:03:04,720
it's pretty long actually but that's

85
00:03:11,990 --> 00:03:10,390
unless i comb it out dude you know like

86
00:03:13,910 --> 00:03:12,000
when you shower or you sweat

87
00:03:16,070 --> 00:03:13,920
it gets wet it starts to scrunch up a

88
00:03:16,550 --> 00:03:16,080

little bit right you gotta comb it out

89

00:03:18,869 --> 00:03:16,560

and stuff

90

00:03:20,229 --> 00:03:18,879

so you do have a comb i do have a comb i

91

00:03:21,430 --> 00:03:20,239

do i do

92

00:03:23,990 --> 00:03:21,440

i actually have a comb from

93

00:03:26,309 --> 00:03:24,000

phoenixshaving phoenixshaving.com go

94

00:03:28,869 --> 00:03:26,319

check out doug he's got all the goods

95

00:03:29,750 --> 00:03:28,879

i love that stuff dude what's wrong did

96

00:03:32,550 --> 00:03:29,760

you hear that boom

97

00:03:33,350 --> 00:03:32,560

no i don't hear anything you always hear

98

00:03:34,949 --> 00:03:33,360

something all right we're going

99

00:03:37,270 --> 00:03:34,959

to hear anything uh it might have been

100

00:03:39,350 --> 00:03:37,280

my hand that's what it was all right

101
00:03:40,949 --> 00:03:39,360
dude uh doug from phoenix shaving we

102
00:03:42,149 --> 00:03:40,959
haven't talked about him in a long time

103
00:03:44,630 --> 00:03:42,159
i haven't heard from him we need to

104
00:03:46,630 --> 00:03:44,640
catch up with that dude

105
00:03:48,070 --> 00:03:46,640
what is he i never know what he's doing

106
00:03:49,910 --> 00:03:48,080
back there shaving

107
00:03:51,750 --> 00:03:49,920
he's definitely shaving he's either

108
00:03:53,750 --> 00:03:51,760
shaving time or shaving money

109
00:03:55,500 --> 00:03:53,760
it's funny because we first met doug he

110
00:03:57,350 --> 00:03:55,510
owns a shaving company has a beard

111
00:03:59,190 --> 00:03:57,360
[Laughter]

112
00:04:01,350 --> 00:03:59,200
he doesn't have a beard he doesn't he

113
00:04:04,630 --> 00:04:01,360

doesn't now but when we met him he did

114

00:04:06,869 --> 00:04:04,640

he does okay dude yeah yeah we're like

115

00:04:08,550 --> 00:04:06,879

can we can we really trust you would you

116

00:04:10,630 --> 00:04:08,560

run up can we can we trust you

117

00:04:11,750 --> 00:04:10,640

if you shut if you're you're [h__h] that

118

00:04:14,390 --> 00:04:11,760

dude has like an

119

00:04:14,949 --> 00:04:14,400

original civil war scuttle that like you

120

00:04:17,349 --> 00:04:14,959

know

121

00:04:19,349 --> 00:04:17,359

they would use to like heat coffee up

122

00:04:20,390 --> 00:04:19,359

and heat water up and then also use for

123

00:04:22,310 --> 00:04:20,400

like shaving

124

00:04:24,070 --> 00:04:22,320

like the cup had like these little slots

125

00:04:25,990 --> 00:04:24,080

so you can put razors and

126

00:04:28,070 --> 00:04:26,000

all kinds of cool stuff in dude the all

127

00:04:31,350 --> 00:04:28,080

the all the knickknacks and doodads was

128

00:04:33,670 --> 00:04:31,360

like it's

129

00:04:34,390 --> 00:04:33,680

a perfect example of like you can really

130

00:04:37,030 --> 00:04:34,400

get into

131

00:04:39,110 --> 00:04:37,040

any niche or any kind of interest and

132

00:04:42,310 --> 00:04:39,120

you could go down the rabbit hole

133

00:04:42,790 --> 00:04:42,320

yeah like perfection like i mean dude

134

00:04:45,670 --> 00:04:42,800

like

135

00:04:47,350 --> 00:04:45,680

during civil war time dude i mean

136

00:04:49,990 --> 00:04:47,360

doodads were important

137

00:04:51,189 --> 00:04:50,000

for almost everything in life a lot of

138

00:04:55,350 --> 00:04:51,199

doodads were happening

139

00:04:57,749 --> 00:04:55,360

and i mean from 1947 to

140

00:04:58,390 --> 00:04:57,759

2021 a lot of doodads happen if you

141

00:05:02,070 --> 00:04:58,400

think about it

142

00:05:04,230 --> 00:05:02,080

yeah if not just like chats

143

00:05:05,350 --> 00:05:04,240

keys but like doodads i mean think about

144

00:05:08,150 --> 00:05:05,360

it like two dads like

145

00:05:09,670 --> 00:05:08,160

things that you like people before 1950

146

00:05:12,950 --> 00:05:09,680

all you had was like

147

00:05:16,550 --> 00:05:12,960

a house uh a wife a

148

00:05:19,749 --> 00:05:16,560

couple hundred kids a plow

149

00:05:21,110 --> 00:05:19,759

a mule and like a few shovels and that's

150

00:05:22,629 --> 00:05:21,120

it those are the only things

151

00:05:24,870 --> 00:05:22,639

you had and the rest of your life was

152

00:05:28,550 --> 00:05:24,880

filled with due dates well

153

00:05:30,710 --> 00:05:28,560

not even like after 1950 that's when

154

00:05:33,510 --> 00:05:30,720

doodads started to happen

155

00:05:35,270 --> 00:05:33,520

like little things like like you like

156

00:05:38,550 --> 00:05:35,280

collect things now or like

157

00:05:39,270 --> 00:05:38,560

jacks jacks another thing like toys oh

158

00:05:41,590 --> 00:05:39,280

my god

159

00:05:42,710 --> 00:05:41,600

or like the things that come in uh uh uh

160

00:05:44,790 --> 00:05:42,720

cracker jacks like

161

00:05:46,469 --> 00:05:44,800

little homies little little homies dude

162

00:05:46,790 --> 00:05:46,479

yeah little homies you used to get them

163

00:05:49,110 --> 00:05:46,800

for

164

00:05:50,310 --> 00:05:49,120

a quarters yeah yeah right pizza mr

165

00:05:52,310 --> 00:05:50,320

gaddy's doing well yeah

166

00:05:54,629 --> 00:05:52,320

yeah did you collect them all dude i

167

00:05:56,230 --> 00:05:54,639

never got the chance

168

00:05:59,270 --> 00:05:56,240

i've spent about a hundred dollars in

169

00:06:02,070 --> 00:05:59,280

quarters and i got in a lot of trouble

170

00:06:03,110 --> 00:06:02,080

i tried to uh i could just see your

171

00:06:05,510 --> 00:06:03,120

parents like

172

00:06:06,390 --> 00:06:05,520

did you literally spend fifty dollars in

173

00:06:09,909 --> 00:06:06,400

quarters on

174

00:06:11,270 --> 00:06:09,919

little homies and you're like hey

175

00:06:13,110 --> 00:06:11,280

i was trying to collect them all these

176
00:06:15,029 --> 00:06:13,120
are toys all right those pokemon before

177
00:06:17,510 --> 00:06:15,039
pokemon was little homies little homies

178
00:06:18,950 --> 00:06:17,520
are lifestyle yeah it is you don't get

179
00:06:21,990 --> 00:06:18,960
it mom and dad

180
00:06:24,550 --> 00:06:22,000
mom okay so

181
00:06:25,110 --> 00:06:24,560
dude uh back to the energy back to the

182
00:06:28,309 --> 00:06:25,120
energy

183
00:06:29,909 --> 00:06:28,319
energica it is like if can you feel this

184
00:06:32,309 --> 00:06:29,919
like vibration man it's like

185
00:06:33,430 --> 00:06:32,319
it's so it's like a precipice of a yawn

186
00:06:35,189 --> 00:06:33,440
it's like

187
00:06:38,390 --> 00:06:35,199
oh i can feel it tingling in my

188
00:06:39,830 --> 00:06:38,400

shoulders tomorrow the 25th

189

00:06:41,909 --> 00:06:39,840

it's like you're going to be at mid yawn

190

00:06:43,830 --> 00:06:41,919

and then somebody slaps the [h__h] out of

191

00:06:45,029 --> 00:06:43,840

you across your face and you're like

192

00:06:46,790 --> 00:06:45,039

what was that and they're going to be

193

00:06:48,629 --> 00:06:46,800

like oh yeah by the way we're going to

194

00:06:49,749 --> 00:06:48,639

push it back

195

00:06:51,990 --> 00:06:49,759

like this this is what the government's

196

00:06:53,430 --> 00:06:52,000

going to do you're in mid-yawn right so

197

00:07:00,070 --> 00:06:53,440

they're you're going to be like and then

198

00:07:04,150 --> 00:07:01,189

i'm just going to kind of [h__h] with you

199

00:07:06,870 --> 00:07:04,160

a little bit yeah this is unnecessary

200

00:07:08,710 --> 00:07:06,880

like uh i don't know it's like the

201
00:07:10,870 --> 00:07:08,720
pessimist in me but you know what the

202
00:07:11,990 --> 00:07:10,880
positive aspect of that man and

203
00:07:14,469 --> 00:07:12,000
we've been talking about this for a

204
00:07:16,230 --> 00:07:14,479
while but like the positive aspect is

205
00:07:18,550 --> 00:07:16,240
that more and more people are gonna

206
00:07:19,830 --> 00:07:18,560
know that this [h__h] is happening man

207
00:07:22,710 --> 00:07:19,840
yeah for sure dude

208
00:07:23,510 --> 00:07:22,720
like this this marks the the date in

209
00:07:27,990 --> 00:07:23,520
history

210
00:07:30,150 --> 00:07:28,000
this this date june 25th

211
00:07:31,589 --> 00:07:30,160
don't i mean that's gonna happen like we

212
00:07:33,350 --> 00:07:31,599
think we think because we're living

213
00:07:35,270 --> 00:07:33,360

through it now that it's like

214

00:07:36,870 --> 00:07:35,280

oh well that's just another thing oh

215

00:07:38,790 --> 00:07:36,880

cause covet's crazy like

216

00:07:40,790 --> 00:07:38,800

ah i can't even i don't even know what i

217

00:07:43,510 --> 00:07:40,800

ate for breakfast this morning

218

00:07:45,029 --> 00:07:43,520

i don't even know hey let's put the

219

00:07:47,350 --> 00:07:45,039

let's put the comments on i want to see

220

00:07:51,350 --> 00:07:47,360

what the people have to say about

221

00:07:54,710 --> 00:07:51,360

feel about it doodads used to be a snack

222

00:07:58,330 --> 00:07:54,720

back in the 70s yes nice

223

00:08:00,790 --> 00:07:58,340

i like that dude close to the report

224

00:08:03,990 --> 00:08:00,800

[Laughter]

225

00:08:06,710 --> 00:08:04,000

love that yeah hey jason thanks for the

226

00:08:10,070 --> 00:08:06,720

shout out hello to all the tffa

227

00:08:12,629 --> 00:08:10,080

oh dude hello yeah

228

00:08:13,350 --> 00:08:12,639

what's up montana and also chad smith uh

229

00:08:15,749 --> 00:08:13,360

commented

230

00:08:17,830 --> 00:08:15,759

uh we had a great little banter back and

231

00:08:20,150 --> 00:08:17,840

forth last night uh before

232

00:08:20,950 --> 00:08:20,160

red hot chili peppers drummer yes chad

233

00:08:24,950 --> 00:08:20,960

smith yep

234

00:08:26,550 --> 00:08:24,960

that's him nice no one uh but yeah we're

235

00:08:27,749 --> 00:08:26,560

he was he had this great idea let me

236

00:08:28,629 --> 00:08:27,759

know what you think dude because i don't

237

00:08:30,950 --> 00:08:28,639

know if you've seen it but

238

00:08:32,469 --> 00:08:30,960

he was like dude we should do membership

239

00:08:35,509 --> 00:08:32,479

cards

240

00:08:37,190 --> 00:08:35,519

with like a lanyard dude that would be

241

00:08:39,110 --> 00:08:37,200

[h__h] cool like kiss used to have the

242

00:08:41,269 --> 00:08:39,120

kiss army license who should make an

243

00:08:44,710 --> 00:08:41,279

official ufo garage

244

00:08:47,829 --> 00:08:44,720

dude yes that'd be sick and and like

245

00:08:49,829 --> 00:08:47,839

but uh but like there for some reason we

246

00:08:52,070 --> 00:08:49,839

have like a discount code for target on

247

00:08:53,590 --> 00:08:52,080

the back

248

00:08:55,269 --> 00:08:53,600

like we gotta find somebody that's like

249

00:08:56,150 --> 00:08:55,279

a hacker that can like hack into like

250

00:08:58,150 --> 00:08:56,160

codes and [h__h]

251
00:08:59,509 --> 00:08:58,160
yeah dude that would be awesome like

252
00:09:02,470 --> 00:08:59,519
forever just 15

253
00:09:03,350 --> 00:09:02,480
off of all your purchases from target or

254
00:09:06,230 --> 00:09:03,360
walmart

255
00:09:07,190 --> 00:09:06,240
so dude tomorrow man what do you think

256
00:09:10,870 --> 00:09:07,200
uh

257
00:09:14,110 --> 00:09:10,880
what do you think's going down dude

258
00:09:15,269 --> 00:09:14,120
tomorrow is the is june 25th it's the

259
00:09:18,389 --> 00:09:15,279
180

260
00:09:21,430 --> 00:09:18,399
day mark everybody's talking about it ah

261
00:09:23,910 --> 00:09:21,440
man i kind of said a little bit

262
00:09:25,110 --> 00:09:23,920
last week of how i feel and it's changed

263
00:09:27,269 --> 00:09:25,120

a little bit

264

00:09:28,470 --> 00:09:27,279

but not too much i feel the kind of the

265

00:09:31,750 --> 00:09:28,480

same way

266

00:09:33,829 --> 00:09:31,760

and i'm a little bit in a less

267

00:09:35,750 --> 00:09:33,839

pessimistic vibe than i was last week

268

00:09:36,550 --> 00:09:35,760

i'm gonna be i'm in a better mood about

269

00:09:40,230 --> 00:09:36,560

it

270

00:09:42,310 --> 00:09:40,240

flies

271

00:09:44,389 --> 00:09:42,320

a lot of people can when you're into

272

00:09:47,829 --> 00:09:44,399

this subject and it's surrounded by

273

00:09:50,470 --> 00:09:47,839

so much conspiracy and he said

274

00:09:53,670 --> 00:09:50,480

she said this happened that happened

275

00:09:55,829 --> 00:09:53,680

like who do you trust there's so much

276

00:09:58,949 --> 00:09:55,839

there's not a lot of roots and it's

277

00:10:01,030 --> 00:09:58,959

really hard to grasp onto

278

00:10:03,430 --> 00:10:01,040

i guess it's a little different nowadays

279

00:10:06,870 --> 00:10:03,440

because it's becoming more mainstream

280

00:10:09,430 --> 00:10:06,880

right but it seems like this

281

00:10:10,949 --> 00:10:09,440

is headed in a direction where we can

282

00:10:13,829 --> 00:10:10,959

all get on

283

00:10:16,030 --> 00:10:13,839

an even balance like it's been one

284

00:10:18,550 --> 00:10:16,040

really kind of negative

285

00:10:20,550 --> 00:10:18,560

conspiratorial weird and you talk about

286

00:10:23,269 --> 00:10:20,560

it in public people think you're weird

287

00:10:25,670 --> 00:10:23,279

for so long and now it's kind of swayed

288

00:10:27,829 --> 00:10:25,680

the opposite direction in like a tenth

289

00:10:29,990 --> 00:10:27,839

of the the amount of time

290

00:10:31,750 --> 00:10:30,000

to where like 70 years go by and

291

00:10:34,069 --> 00:10:31,760

nothing's changed and then within the

292

00:10:37,670 --> 00:10:34,079

span of a year and a half

293

00:10:41,190 --> 00:10:37,680

it's completely a 180

294

00:10:43,910 --> 00:10:41,200

yeah yeah so i feel like

295

00:10:44,310 --> 00:10:43,920

the laws of attraction and physics have

296

00:10:47,350 --> 00:10:44,320

to

297

00:10:50,230 --> 00:10:47,360

offset that balance in some way so

298

00:10:50,710 --> 00:10:50,240

either the the output and i'm not

299

00:10:52,150 --> 00:10:50,720

meaning

300

00:10:53,750 --> 00:10:52,160

the answer and what we're going to be

301
00:10:55,750 --> 00:10:53,760
given but the output meaning the

302
00:10:57,990 --> 00:10:55,760
reaction that people are going to have

303
00:10:59,990 --> 00:10:58,000
to it we might not know it in the moment

304
00:11:01,910 --> 00:11:00,000
but we might feel it a couple years

305
00:11:05,670 --> 00:11:01,920
later the significance

306
00:11:07,269 --> 00:11:05,680
of that opposite equal

307
00:11:09,509 --> 00:11:07,279
reaction to what's going to happen

308
00:11:10,069 --> 00:11:09,519
tomorrow what i'm saying is it it's

309
00:11:13,990 --> 00:11:10,079
going to be

310
00:11:15,509 --> 00:11:14,000
know about it

311
00:11:17,590 --> 00:11:15,519
we might not realize it in the moment we

312
00:11:19,110 --> 00:11:17,600
might think oh this is [h__h] we've

313
00:11:20,710 --> 00:11:19,120

only been given you know a couple of

314

00:11:23,269 --> 00:11:20,720

sentences

315

00:11:24,870 --> 00:11:23,279

and a couple of years later we look back

316

00:11:26,069 --> 00:11:24,880

and say holy [h__h] that was the most

317

00:11:30,069 --> 00:11:26,079

significant moment

318

00:11:31,910 --> 00:11:30,079

in in human history that kind of changed

319

00:11:34,949 --> 00:11:31,920

the trajectory of

320

00:11:35,990 --> 00:11:34,959

of our future yeah it's going to be

321

00:11:38,389 --> 00:11:36,000

interesting man

322

00:11:40,829 --> 00:11:38,399

uh media fox i can't wait to see how

323

00:11:42,150 --> 00:11:40,839

many people kill themselves after no

324

00:11:47,030 --> 00:11:42,160

disclosure

325

00:11:50,069 --> 00:11:48,870

yeah what if they what if they just said

326

00:11:52,629 --> 00:11:50,079

nah

327

00:11:53,990 --> 00:11:52,639

yeah we changed our minds we're the

328

00:11:54,550 --> 00:11:54,000

government we can do whatever the [h__h]

329

00:11:56,949 --> 00:11:54,560

we want

330

00:11:58,069 --> 00:11:56,959

yeah i know it's like by you and for you

331

00:12:00,949 --> 00:11:58,079

but uh

332

00:12:02,470 --> 00:12:00,959

you know did you oh sorry we tried to

333

00:12:04,389 --> 00:12:02,480

process your payment but

334

00:12:06,150 --> 00:12:04,399

the credit card that you have on file is

335

00:12:08,389 --> 00:12:06,160

not in our system dude what if this

336

00:12:09,110 --> 00:12:08,399

whole 180 day thing they release the

337

00:12:12,710 --> 00:12:09,120

file

338

00:12:16,150 --> 00:12:12,720

we've been trying to reach you for your

339

00:12:16,160 --> 00:12:22,870

it's like a really hey

340

00:12:29,110 --> 00:12:26,550

oh my gosh what's up dog yeah

341

00:12:29,750 --> 00:12:29,120

celebrity what's up brother yeah dude

342

00:12:31,509 --> 00:12:29,760

well that's

343

00:12:33,350 --> 00:12:31,519

that's good man that's your that you're

344

00:12:36,150 --> 00:12:33,360

a little less pessimistic

345

00:12:36,870 --> 00:12:36,160

i'm feeling better this week i am yeah

346

00:12:39,990 --> 00:12:36,880

yeah

347

00:12:43,910 --> 00:12:40,000

um you know it's

348

00:12:49,430 --> 00:12:43,920

what's a muffin it's a muffin report

349

00:12:52,550 --> 00:12:49,440

i love that i'm i'm i'm uh

350

00:12:54,470 --> 00:12:52,560

i'm i'm i'm still a little a little a

351
00:12:54,790 --> 00:12:54,480
little skeptical on what's going to come

352
00:12:56,870 --> 00:12:54,800
out

353
00:12:58,310 --> 00:12:56,880
either way it's going to be cool right

354
00:13:00,310 --> 00:12:58,320
either way it's going to be cool

355
00:13:02,790 --> 00:13:00,320
yeah and so in what perspective though

356
00:13:06,069 --> 00:13:02,800
why is it going to be cool

357
00:13:07,670 --> 00:13:06,079
just because okay all right for

358
00:13:10,150 --> 00:13:07,680
instance right like cool from your

359
00:13:12,629 --> 00:13:10,160
perspective like joe or like

360
00:13:15,269 --> 00:13:12,639
hey that's cool that you guys are now

361
00:13:17,509 --> 00:13:15,279
it's now it so it's cool because i like

362
00:13:19,110 --> 00:13:17,519
talking about the subject and now it's

363
00:13:22,389 --> 00:13:19,120

cool because like when you go

364

00:13:23,110 --> 00:13:22,399

into public or to like a a party or

365

00:13:25,509 --> 00:13:23,120

something

366

00:13:27,750 --> 00:13:25,519

you know it will be like a topic of

367

00:13:28,710 --> 00:13:27,760

conversation at some point right and you

368

00:13:31,030 --> 00:13:28,720

actually know something

369

00:13:32,550 --> 00:13:31,040

about it yeah exactly that's kind of

370

00:13:34,870 --> 00:13:32,560

cool you know so that's going to be kind

371

00:13:36,550 --> 00:13:34,880

of cool and it's not going to be all

372

00:13:37,750 --> 00:13:36,560

weird and [h__\h] you know when you start

373

00:13:40,230 --> 00:13:37,760

talking about it yeah

374

00:13:41,910 --> 00:13:40,240

and and so i to me like i think that

375

00:13:43,350 --> 00:13:41,920

part will be cool yeah it'll definitely

376

00:13:44,310 --> 00:13:43,360

get people thinking about it a little

377

00:13:46,470 --> 00:13:44,320

bit more like

378

00:13:47,509 --> 00:13:46,480

in a more like serious manner and by

379

00:13:49,829 --> 00:13:47,519

serious

380

00:13:51,750 --> 00:13:49,839

i mean like oh i'm actually thinking

381

00:13:53,189 --> 00:13:51,760

about it i don't mean serious in like

382

00:13:54,069 --> 00:13:53,199

the discussions that you hear people

383

00:13:56,150 --> 00:13:54,079

have because

384

00:13:57,189 --> 00:13:56,160

ben and i are serious about it so damn

385

00:13:59,590 --> 00:13:57,199

serious but we're not

386

00:14:01,030 --> 00:13:59,600

serious right you know so like i'm

387

00:14:02,550 --> 00:14:01,040

saying like just people in general are

388

00:14:04,870 --> 00:14:02,560

going to be

389

00:14:05,990 --> 00:14:04,880

talking about the subject with a with a

390

00:14:07,189 --> 00:14:06,000

more of an open mind

391

00:14:09,509 --> 00:14:07,199

yeah they're not going to be as like

392

00:14:11,269 --> 00:14:09,519

skeptical yeah and you'll really be able

393

00:14:13,189 --> 00:14:11,279

to throw ideas around with people

394

00:14:15,030 --> 00:14:13,199

and that's the funnest part right

395

00:14:17,110 --> 00:14:15,040

exactly throwing out ideas

396

00:14:18,230 --> 00:14:17,120

yeah what i hope doesn't happen is that

397

00:14:20,470 --> 00:14:18,240

like everybody that's

398

00:14:22,069 --> 00:14:20,480

has been into this whether if you've

399

00:14:25,430 --> 00:14:22,079

been into this subject for

400

00:14:27,910 --> 00:14:25,440

a month six months 12 years i hope that

401

00:14:30,629 --> 00:14:27,920

we all approach this as a community

402

00:14:31,509 --> 00:14:30,639

from a place of of of humbleness you

403

00:14:34,470 --> 00:14:31,519

know like

404

00:14:35,350 --> 00:14:34,480

uncle that used to make fun of you for

405

00:14:38,629 --> 00:14:35,360

like an aliens

406

00:14:40,550 --> 00:14:38,639

you know yeah be like hey asking

407

00:14:41,990 --> 00:14:40,560

asking you questions you know texting

408

00:14:44,710 --> 00:14:42,000

your calling whatever

409

00:14:46,710 --> 00:14:44,720

i hope that we all that's just like the

410

00:14:47,509 --> 00:14:46,720

my idea of my higher self right like i

411

00:14:50,710 --> 00:14:47,519

would love to

412

00:14:53,670 --> 00:14:50,720

like on the inside i'm like

413

00:14:54,470 --> 00:14:53,680

i told you dude yeah yeah but i hope

414

00:14:56,629 --> 00:14:54,480

that we can

415

00:14:58,389 --> 00:14:56,639

we could come together and like you want

416

00:14:58,870 --> 00:14:58,399

it to be like a nice smooth transition

417

00:15:00,470 --> 00:14:58,880

yeah we

418

00:15:02,470 --> 00:15:00,480

you want to be like when in reality

419

00:15:04,790 --> 00:15:02,480

we're all going to be like hey

420

00:15:05,509 --> 00:15:04,800

pick one and suck it yeah yeah right

421

00:15:06,790 --> 00:15:05,519

yeah like j

422

00:15:10,150 --> 00:15:06,800

collins says it's going to be a whole

423

00:15:12,230 --> 00:15:10,160

lot of ufo snobs out there though

424

00:15:13,269 --> 00:15:12,240

there are going to be a lot of snobs out

425

00:15:15,189 --> 00:15:13,279

there and and i

426

00:15:16,870 --> 00:15:15,199

i really hope that that we keep it at a

427

00:15:18,230 --> 00:15:16,880

minimum and then like everybody listen

428

00:15:19,829 --> 00:15:18,240

to the show that's on the show

429

00:15:21,269 --> 00:15:19,839

you're a part of this this this

430

00:15:23,750 --> 00:15:21,279

conversation and

431

00:15:25,269 --> 00:15:23,760

yeah your reaction to this is the most

432

00:15:26,710 --> 00:15:25,279

important one because

433

00:15:28,790 --> 00:15:26,720

you're here you're talking about it

434

00:15:30,629 --> 00:15:28,800

you're a part of this conversation yeah

435

00:15:31,910 --> 00:15:30,639

exactly like not that our podcast is

436

00:15:33,189 --> 00:15:31,920

anything like we're [h__h] small

437

00:15:34,629 --> 00:15:33,199

potatoes but like

438

00:15:36,550 --> 00:15:34,639

the fact that y'all are here and

439

00:15:37,749 --> 00:15:36,560

interested in spending you're investing

440

00:15:39,430 --> 00:15:37,759

your time

441

00:15:40,790 --> 00:15:39,440

and learning and you know in the chat

442

00:15:43,110 --> 00:15:40,800

talking to each other and

443

00:15:44,550 --> 00:15:43,120

and is talking about ideas yeah coming

444

00:15:45,990 --> 00:15:44,560

from that perspective of like

445

00:15:47,509 --> 00:15:46,000

when that person does reach out to you

446

00:15:48,389 --> 00:15:47,519

that used to be kind of like making fun

447

00:15:49,910 --> 00:15:48,399

of you

448

00:15:52,470 --> 00:15:49,920

come at it like wouldn't that feel so

449

00:15:53,990 --> 00:15:52,480

good to be like oh oh my gosh yeah

450

00:15:55,749 --> 00:15:54,000

totally let's talk about it and just

451
00:15:57,269 --> 00:15:55,759
totally forget everything that happened

452
00:16:05,100 --> 00:15:57,279
pat like i want to be like cartman to be

453
00:16:10,069 --> 00:16:08,150
[Laughter]

454
00:16:13,110 --> 00:16:10,079
going to be some cartmans no you lost a

455
00:16:16,150 --> 00:16:13,120
bet yeah suck my bear

456
00:16:19,670 --> 00:16:16,160
oh stan they're extra saudi

457
00:16:21,110 --> 00:16:19,680
battery you mess up

458
00:16:22,550 --> 00:16:21,120
he's like he's like in a government

459
00:16:23,670 --> 00:16:22,560
facility right in that episode he's like

460
00:16:27,030 --> 00:16:23,680
in a government

461
00:16:31,670 --> 00:16:30,069
is it is it imagination land

462
00:16:34,310 --> 00:16:31,680
because it started with the leprechaun

463
00:16:36,550 --> 00:16:34,320

right yeah yeah i bet kyle

464

00:16:38,150 --> 00:16:36,560

that he saw a leprechaun and then kyle

465

00:16:41,110 --> 00:16:38,160

all of them see

466

00:16:42,790 --> 00:16:41,120

the leprechaun and then oh dude south

467

00:16:45,350 --> 00:16:42,800

park is such a gem

468

00:16:46,150 --> 00:16:45,360

but yeah yeah it's definitely going to

469

00:16:48,150 --> 00:16:46,160

be it's definitely going to be

470

00:16:51,350 --> 00:16:48,160

interesting to see what happens you know

471

00:16:54,710 --> 00:16:51,360

we uh tim

472

00:16:57,749 --> 00:16:54,720

all hail tim f oh

473

00:17:00,710 --> 00:16:57,759

hell team uh

474

00:17:02,150 --> 00:17:00,720

yeah so i mean with with with this uh

475

00:17:04,069 --> 00:17:02,160

with this comment i had like a really

476

00:17:07,510 --> 00:17:04,079

good point it was like five minutes ago

477

00:17:11,750 --> 00:17:07,520

and i and i'm trying to remember what it

478

00:17:16,470 --> 00:17:15,350

just some bro dude so did we discuss

479

00:17:18,390 --> 00:17:16,480

do you think it's gonna come out you

480

00:17:20,230 --> 00:17:18,400

think it's gonna be postponed like what

481

00:17:21,590 --> 00:17:20,240

like so it's going to be it's going to

482

00:17:24,309 --> 00:17:21,600

come out and be post malone

483

00:17:25,590 --> 00:17:24,319

and post malone dude so this is this has

484

00:17:27,350 --> 00:17:25,600

always been my big question

485

00:17:29,029 --> 00:17:27,360

and and maybe somebody out there can

486

00:17:33,510 --> 00:17:29,039

answer it for me right

487

00:17:36,230 --> 00:17:33,520

is when they put this together

488

00:17:37,430 --> 00:17:36,240

right and they were all like okay we're

489

00:17:41,110 --> 00:17:37,440

gonna need you

490

00:17:44,390 --> 00:17:41,120

to compile all the stuff that

491

00:17:47,669 --> 00:17:44,400

that y'all been doing over the years and

492

00:17:51,110 --> 00:17:47,679

give it to us right right

493

00:17:53,350 --> 00:17:51,120

whoever has has a hold of that stuff

494

00:17:55,430 --> 00:17:53,360

is saying well you don't know what the

495

00:17:57,190 --> 00:17:55,440

hell we have

496

00:17:58,789 --> 00:17:57,200

let's just scrape the top of this [h__\h]

497

00:18:00,150 --> 00:17:58,799

off right that like we're not really

498

00:18:03,669 --> 00:18:00,160

worried about right now

499

00:18:05,270 --> 00:18:03,679

which is yes there's stuff flying around

500

00:18:07,110 --> 00:18:05,280

you know and kind of beat around the

501
00:18:09,190 --> 00:18:07,120
bush a little bit and we'll just give

502
00:18:10,710 --> 00:18:09,200
them that right but

503
00:18:12,950 --> 00:18:10,720
how much stuff do you think they like

504
00:18:15,430 --> 00:18:12,960
really have dude how much to do

505
00:18:16,789 --> 00:18:15,440
okay so who are we talking about that's

506
00:18:19,190 --> 00:18:16,799
my point as well like

507
00:18:20,549 --> 00:18:19,200
who are we talking about who has this

508
00:18:22,470 --> 00:18:20,559
[h__\h] the people

509
00:18:24,150 --> 00:18:22,480
that are putting together okay so i get

510
00:18:26,070 --> 00:18:24,160
it sorry the people that are putting

511
00:18:27,270 --> 00:18:26,080
together this report

512
00:18:28,789 --> 00:18:27,280
who are they talking to where are they

513
00:18:30,390 --> 00:18:28,799

getting their information from because

514

00:18:33,510 --> 00:18:30,400

it could totally be

515

00:18:35,669 --> 00:18:33,520

jerry from the water cooler who was just

516

00:18:38,789 --> 00:18:35,679

so happy to be standing by

517

00:18:41,430 --> 00:18:38,799

melissa who happened to be getting some

518

00:18:43,510 --> 00:18:41,440

uh some refill for the keurig yeah

519

00:18:44,950 --> 00:18:43,520

that's maybe the scenario we might be

520

00:18:46,870 --> 00:18:44,960

dealing with you know how like when we

521

00:18:48,150 --> 00:18:46,880

had gary voorhees and pj hughes on

522

00:18:49,750 --> 00:18:48,160

they were talking about the incident

523

00:18:51,350 --> 00:18:49,760

that went down and how there was like a

524

00:18:53,110 --> 00:18:51,360

few people that were like directly

525

00:18:55,990 --> 00:18:53,120

related to the incident

526
00:18:56,950 --> 00:18:56,000
but then whenever they came to interview

527
00:19:01,430 --> 00:18:56,960
people

528
00:19:03,669 --> 00:19:01,440
[h__h] clue about what was going on

529
00:19:05,909 --> 00:19:03,679
they almost just did it for paperwork so

530
00:19:07,990 --> 00:19:05,919
it's like are we going to be getting

531
00:19:09,510 --> 00:19:08,000
the testimony of those people who had no

532
00:19:11,190 --> 00:19:09,520
idea what was going on and

533
00:19:14,070 --> 00:19:11,200
that's what they're throwing out to us

534
00:19:15,909 --> 00:19:14,080
right or are we gonna get

535
00:19:17,909 --> 00:19:15,919
the people who are directly involved

536
00:19:19,830 --> 00:19:17,919
with its testimony and evidence and

537
00:19:21,669 --> 00:19:19,840
stuff that is such a good point you know

538
00:19:23,270 --> 00:19:21,679

so that's kind of where i'm like i don't

539

00:19:25,590 --> 00:19:23,280

know because they could be like

540

00:19:26,630 --> 00:19:25,600

okay guys so we're gonna give it to you

541

00:19:28,950 --> 00:19:26,640

straight we have

542

00:19:30,630 --> 00:19:28,960

the guy we have the perfect guy to tell

543

00:19:33,830 --> 00:19:30,640

you what's going on and they're like

544

00:19:36,549 --> 00:19:33,840

here's chuck schumer he knows

545

00:19:38,230 --> 00:19:36,559

nothing about anything he's like i don't

546

00:19:39,909 --> 00:19:38,240

honestly i don't know

547

00:19:41,830 --> 00:19:39,919

and it's gonna be whack as [h__h] too

548

00:19:42,470 --> 00:19:41,840

cause like if something big does come

549

00:19:45,110 --> 00:19:42,480

out

550

00:19:45,669 --> 00:19:45,120

it's gonna be on [h__h] oprah it'll be

551
00:19:49,190 --> 00:19:45,679
on

552
00:19:52,549 --> 00:19:49,200
shows are still around right

553
00:19:55,190 --> 00:19:52,559
cancelled those are the type of shows

554
00:19:56,950 --> 00:19:55,200
you know the views some [h__h] whoopi

555
00:19:57,909 --> 00:19:56,960
goldberg is going to be like oh my god i

556
00:20:00,390 --> 00:19:57,919
have thought about

557
00:20:01,990 --> 00:20:00,400
ufos for years like you're going to have

558
00:20:04,230 --> 00:20:02,000
all these people be like oh

559
00:20:06,230 --> 00:20:04,240
ufos are like my favorite thing i've

560
00:20:08,070 --> 00:20:06,240
always thought about ufos

561
00:20:10,149 --> 00:20:08,080
what if during the live broadcast what

562
00:20:12,789 --> 00:20:10,159
if the during the live press conference

563
00:20:15,190 --> 00:20:12,799

of of the 180 day review they're

564

00:20:17,430 --> 00:20:15,200

they're going to be like okay so biden

565

00:20:19,990 --> 00:20:17,440

you're on goat he goes hey guys so

566

00:20:20,630 --> 00:20:20,000

anyway we i'm not gr i don't have i

567

00:20:22,950 --> 00:20:20,640

don't read

568

00:20:24,390 --> 00:20:22,960

uh cards they're they're somewhere i'd

569

00:20:26,390 --> 00:20:24,400

like they're somewhere

570

00:20:27,750 --> 00:20:26,400

we're gonna now to the view and then it

571

00:20:31,430 --> 00:20:27,760

actually goes to the view

572

00:20:34,470 --> 00:20:31,440

and they're the ones to break the report

573

00:20:36,230 --> 00:20:34,480

it'll be the most annoying [h__h] ever

574

00:20:38,149 --> 00:20:36,240

yeah but it might also be genius because

575

00:20:40,710 --> 00:20:38,159

they might be able to get some [h__h] out

576

00:20:44,789 --> 00:20:40,720

and people are so annoyed by the the

577

00:20:47,909 --> 00:20:47,190

that like they might say some dope [h__h]

578

00:20:50,710 --> 00:20:47,919

it's just

579

00:20:51,430 --> 00:20:50,720

so fast and just on top of they all talk

580

00:20:53,510 --> 00:20:51,440

over each other

581

00:20:55,110 --> 00:20:53,520

yeah yeah yeah oh there's so many

582

00:20:57,029 --> 00:20:55,120

possibilities so

583

00:20:58,470 --> 00:20:57,039

i'm gonna this begs the question so

584

00:20:59,909 --> 00:20:58,480

what's the opposite of that like that's

585

00:21:00,549 --> 00:20:59,919

the pessimistic view that's the

586

00:21:03,830 --> 00:21:00,559

realistic

587

00:21:06,870 --> 00:21:03,840

not even pessimistic that's pest pest

588

00:21:09,270 --> 00:21:06,880

pesticides what's the optimism

589

00:21:11,430 --> 00:21:09,280

optimistic view what's the best case

590

00:21:14,830 --> 00:21:11,440

scenario

591

00:21:18,310 --> 00:21:14,840

beavers and butt head do the do the

592

00:21:23,669 --> 00:21:18,320

announcement yeah that's cool

593

00:21:27,669 --> 00:21:26,149

best like what's the best who ask me

594

00:21:28,470 --> 00:21:27,679

best case scenario best case scenario

595

00:21:29,909 --> 00:21:28,480

doesn't matter who

596

00:21:32,950 --> 00:21:29,919

you don't have to say a name but like

597

00:21:38,230 --> 00:21:32,960

what's the best case scenario

598

00:21:42,390 --> 00:21:40,310

hey you guys know that we we've actually

599

00:21:45,110 --> 00:21:42,400

met extraterrestrials

600

00:21:45,909 --> 00:21:45,120

you know but what about like is that how

601
00:21:47,669 --> 00:21:45,919
they're saying like

602
00:21:49,190 --> 00:21:47,679
yeah yeah yeah like like there'll be a

603
00:21:54,149 --> 00:21:49,200
press conference like

604
00:22:00,310 --> 00:21:57,350
right and then they'll be like

605
00:22:01,830 --> 00:22:00,320
okay look we know there's like this

606
00:22:02,789 --> 00:22:01,840
whole report that's supposed to come out

607
00:22:04,549 --> 00:22:02,799
but really

608
00:22:06,070 --> 00:22:04,559
i'm gonna whisper we just wanted to tell

609
00:22:08,390 --> 00:22:06,080
you that

610
00:22:09,270 --> 00:22:08,400
i mean we've seen some cool [h__h] right

611
00:22:22,149 --> 00:22:09,280
like

612
00:22:26,149 --> 00:22:23,909
anyway uh i'm sure we're gonna we're

613
00:22:27,029 --> 00:22:26,159

gonna we're gonna get a deep dive into

614

00:22:30,230 --> 00:22:27,039

that i mean

615

00:22:32,630 --> 00:22:30,240

uh later on this evening but um man

616

00:22:34,549 --> 00:22:32,640

it's gonna be interesting so back to the

617

00:22:36,630 --> 00:22:34,559

back to the energy man i just wanna

618

00:22:39,990 --> 00:22:36,640

sarah me too i can't wait for neil

619

00:22:42,789 --> 00:22:40,000

degrasse tyson to eat his hat as well

620

00:22:44,549 --> 00:22:42,799

yeah that's weird that he's he's very

621

00:22:46,390 --> 00:22:44,559

you know it's maybe it's not weird i i

622

00:22:48,149 --> 00:22:46,400

commend him for for staying strong but

623

00:22:51,350 --> 00:22:48,159

it is kind of strange that

624

00:22:53,270 --> 00:22:51,360

uh uh uh the guy's smart i mean we know

625

00:22:56,470 --> 00:22:53,280

that he's a charismatic

626

00:22:58,390 --> 00:22:56,480

[h__h] smart dude and the

627

00:22:59,830 --> 00:22:58,400

the the unwillingness to change his

628

00:23:01,830 --> 00:22:59,840

perspective or

629

00:23:03,350 --> 00:23:01,840

are honestly kind of like listened he's

630

00:23:04,630 --> 00:23:03,360

pretty bad at listening sometimes

631

00:23:06,470 --> 00:23:04,640

like he's really good at listening in

632

00:23:08,230 --> 00:23:06,480

some interviews oh yeah some interviews

633

00:23:10,310 --> 00:23:08,240

he's really bad at it yeah

634

00:23:12,070 --> 00:23:10,320

um so i'm not like putting a blanket

635

00:23:14,390 --> 00:23:12,080

statement on neil degrasse tyson

636

00:23:16,710 --> 00:23:14,400

because i [h__h] respect the guy a lot

637

00:23:19,830 --> 00:23:16,720

but i really i would be awesome if he

638

00:23:21,990 --> 00:23:19,840

maybe said hey

639

00:23:23,350 --> 00:23:22,000

there's a there's there's a possibility

640

00:23:25,430 --> 00:23:23,360

that this this could be

641

00:23:27,830 --> 00:23:25,440

and and he's never said like aliens

642

00:23:30,390 --> 00:23:27,840

don't exist right he's like yeah the pop

643

00:23:32,390 --> 00:23:30,400

of course yeah the possibilities there i

644

00:23:35,830 --> 00:23:32,400

think it's just his like dismissal

645

00:23:36,470 --> 00:23:35,840

of like you know well i've never seen it

646

00:23:38,390 --> 00:23:36,480

well

647

00:23:39,830 --> 00:23:38,400

yeah you and millions of other people

648

00:23:43,029 --> 00:23:39,840

have never seen it

649

00:23:44,310 --> 00:23:43,039

um but on the flip side millions of

650

00:23:45,350 --> 00:23:44,320

people have seen it

651

00:23:46,470 --> 00:23:45,360

yeah and the only reason they don't

652

00:23:47,510 --> 00:23:46,480

listen to them is because they don't

653

00:23:49,830 --> 00:23:47,520

have your degree

654

00:23:51,669 --> 00:23:49,840

hildegrass tyson you know so when people

655

00:23:52,549 --> 00:23:51,679

hear neil degrasse tyson you know be

656

00:23:54,070 --> 00:23:52,559

like

657

00:23:55,830 --> 00:23:54,080

well yeah there's a possibility that

658

00:23:57,269 --> 00:23:55,840

they're out there i've never seen it

659

00:23:59,269 --> 00:23:57,279

do i think they're close to us

660

00:24:00,870 --> 00:23:59,279

absolutely not blah blah blah

661

00:24:02,390 --> 00:24:00,880

you know your your regular folk would be

662

00:24:05,909 --> 00:24:02,400

like yeah

663

00:24:07,269 --> 00:24:05,919

he's a scientist he knows right he is

664

00:24:09,110 --> 00:24:07,279

he's a scientist he's not a doctor

665

00:24:09,590 --> 00:24:09,120

scientist he's not he's not he's not a

666

00:24:12,950 --> 00:24:09,600

doctor

667

00:24:14,870 --> 00:24:12,960

you know what i realized sidebar i i uh

668

00:24:17,750 --> 00:24:14,880

i realized that we don't have our logo

669

00:24:18,390 --> 00:24:17,760

on the back of our dr scientist t-shirt

670

00:24:20,070 --> 00:24:18,400

oh yeah

671

00:24:22,070 --> 00:24:20,080

i need to know i need to update that it

672

00:24:25,269 --> 00:24:22,080

just says doctor because i said

673

00:24:27,990 --> 00:24:25,279

i sent one to lou and i unboxed it live

674

00:24:29,750 --> 00:24:28,000

i texted you about it and uh yeah i

675

00:24:33,190 --> 00:24:29,760

realized that on the back

676
00:24:34,470 --> 00:24:33,200
there's no [h__\h] logo he was like yup

677
00:24:38,710 --> 00:24:34,480
dammit

678
00:24:41,669 --> 00:24:38,720
amazon i just got this from some random

679
00:24:45,350 --> 00:24:44,230
but uh oh that would be cool if like the

680
00:24:48,549 --> 00:24:45,360
press conference

681
00:24:51,269 --> 00:24:48,559
meeting that's held like if the aliens

682
00:24:53,269 --> 00:24:51,279
came out where is that uh it was just

683
00:24:56,390 --> 00:24:53,279
saying up here uh

684
00:24:57,029 --> 00:24:56,400
ooh best case that one no it was up a

685
00:25:02,950 --> 00:24:57,039
little bit

686
00:25:08,230 --> 00:25:05,669
yeah i hope some aliens walk through

687
00:25:12,390 --> 00:25:08,240
some walls as they are blinded

688
00:25:13,110 --> 00:25:12,400

on russia like really slowly walking

689

00:25:20,470 --> 00:25:13,120

like

690

00:25:23,510 --> 00:25:20,480

wow it's totally rusted in china

691

00:25:25,430 --> 00:25:23,520

i gotta get like getting beer

692

00:25:26,870 --> 00:25:25,440

but you guys never give us any credit

693

00:25:31,029 --> 00:25:26,880

yeah

694

00:25:34,549 --> 00:25:31,039

interesting man

695

00:25:35,190 --> 00:25:34,559

i i think the the so i asked you kind of

696

00:25:38,070 --> 00:25:35,200

where your

697

00:25:38,950 --> 00:25:38,080

perspective was so i think my optimistic

698

00:25:42,870 --> 00:25:38,960

view

699

00:25:43,909 --> 00:25:42,880

is is is biden dude like our president

700

00:25:46,870 --> 00:25:43,919

right now

701

00:25:48,950 --> 00:25:46,880

um whether you know whether you like his

702

00:25:51,430 --> 00:25:48,960

policies or align with his whatever

703

00:25:51,990 --> 00:25:51,440

he is our president right now officially

704

00:25:55,350 --> 00:25:52,000

of the

705

00:25:58,149 --> 00:25:55,360

united states and it would mean a lot

706

00:25:59,510 --> 00:25:58,159

coming from him if he said something

707

00:26:02,789 --> 00:25:59,520

along the lines of

708

00:26:05,110 --> 00:26:02,799

well you know i all right i won't do his

709

00:26:06,950 --> 00:26:05,120

i'm not going to do an uh impression but

710

00:26:08,710 --> 00:26:06,960

like if he said something along the

711

00:26:10,470 --> 00:26:08,720

lines to not like freak people out but

712

00:26:10,950 --> 00:26:10,480

just to acknowledge that this [h__h] is

713

00:26:13,110 --> 00:26:10,960

happening

714

00:26:14,870 --> 00:26:13,120

everything he says freaks people out

715

00:26:15,750 --> 00:26:14,880

that's why he's called creepy [h__h]

716

00:26:18,630 --> 00:26:15,760

joe

717

00:26:19,909 --> 00:26:18,640

because he's [h__h] yeah i know that of

718

00:26:21,909 --> 00:26:19,919

all people

719

00:26:23,350 --> 00:26:21,919

that's the last person you want talking

720

00:26:26,950 --> 00:26:23,360

but to people that

721

00:26:29,750 --> 00:26:26,960

aren't as smart as you joe that's right

722

00:26:31,190 --> 00:26:29,760

that's right you were waiting you were

723

00:26:34,149 --> 00:26:31,200

waiting for that one dude

724

00:26:35,430 --> 00:26:34,159

i'm gonna give you a neck massage too

725

00:26:38,789 --> 00:26:35,440

lou alizando's about to

726

00:26:41,269 --> 00:26:38,799

come out and give you a neck decide

727

00:26:42,789 --> 00:26:41,279

for the people that are have too much

728

00:26:44,630 --> 00:26:42,799

going on in their lives

729

00:26:46,549 --> 00:26:44,640

and are so busy working for their to

730

00:26:49,750 --> 00:26:46,559

feed their family that

731

00:26:50,070 --> 00:26:49,760

they you know they they have to listen

732

00:26:54,870 --> 00:26:50,080

to

733

00:26:57,190 --> 00:26:54,880

would mean a lot if

734

00:26:58,789 --> 00:26:57,200

that if it came from the source to say

735

00:27:00,630 --> 00:26:58,799

look

736

00:27:02,310 --> 00:27:00,640

my people move from here all right so my

737

00:27:04,710 --> 00:27:02,320

like have you said something about hey

738

00:27:06,390 --> 00:27:04,720

some shit's going on we're dealing we've

739

00:27:07,669 --> 00:27:06,400

tried to deal with it for the past 100

740

00:27:08,149 --> 00:27:07,679

years and try to protect you from it a

741

00:27:10,950 --> 00:27:08,159

little bit

742

00:27:12,149 --> 00:27:10,960

but yeah we haven't really succeeded so

743

00:27:13,510 --> 00:27:12,159

we're just going to be honest with you

744

00:27:15,830 --> 00:27:13,520

that's all i want i just want some

745

00:27:18,710 --> 00:27:15,840

honesty i would just rather it come from

746

00:27:22,070 --> 00:27:20,389

i don't know i don't know tom green

747

00:27:23,750 --> 00:27:22,080

tommy i get a lot of [h__h] for that

748

00:27:25,190 --> 00:27:23,760

oh no i was i was thinking i was

749

00:27:27,669 --> 00:27:25,200

thinking in my head

750

00:27:29,430 --> 00:27:27,679

i'd rather have hear it from like

751
00:27:31,029 --> 00:27:29,440
somebody in the intelligence agency

752
00:27:32,789 --> 00:27:31,039
that's actually working on it but then

753
00:27:34,950 --> 00:27:32,799
that doesn't work either because it's

754
00:27:35,990 --> 00:27:34,960
like oh he's just [h__h] lying to us

755
00:27:37,430 --> 00:27:36,000
right because he's part of the

756
00:27:39,990 --> 00:27:37,440
intelligence agency

757
00:27:41,510 --> 00:27:40,000
but then if the president tells you

758
00:27:43,110 --> 00:27:41,520
where did they get that information from

759
00:27:45,990 --> 00:27:43,120
it came from the intelligence agency

760
00:27:47,510 --> 00:27:46,000
so they just lied two steps down they

761
00:27:47,990 --> 00:27:47,520
just lied to the president that the

762
00:27:51,430 --> 00:27:48,000
president

763
00:27:53,669 --> 00:27:51,440

technically lied to us

764

00:27:54,710 --> 00:27:53,679

unknowingly because it all started at

765

00:27:57,510 --> 00:27:54,720

the very beginning

766

00:27:58,070 --> 00:27:57,520

yeah i mean so what you're saying right

767

00:28:00,310 --> 00:27:58,080

now for

768

00:28:02,549 --> 00:28:00,320

for people that are maybe new to this

769

00:28:05,110 --> 00:28:02,559

this i want somebody who worked on the

770

00:28:07,750 --> 00:28:05,120

[h__\h] ufos to come out and be like

771

00:28:08,310 --> 00:28:07,760

all right here's the deal right i want

772

00:28:11,350 --> 00:28:08,320

that guy

773

00:28:12,230 --> 00:28:11,360

scott from independence day the

774

00:28:14,149 --> 00:28:12,240

scientist guy

775

00:28:15,830 --> 00:28:14,159

when he had long hair you know what i'm

776

00:28:17,269 --> 00:28:15,840

saying that's like all tracked out

777

00:28:18,789 --> 00:28:17,279

because he's been underground for 15

778

00:28:21,110 --> 00:28:18,799

years working on ufos

779

00:28:22,149 --> 00:28:21,120

i want that guy to tell me what the hell

780

00:28:24,149 --> 00:28:22,159

is going on

781

00:28:25,430 --> 00:28:24,159

i don't want the president to tell me i

782

00:28:28,870 --> 00:28:25,440

don't i don't want

783

00:28:29,990 --> 00:28:28,880

some special selected guy nobody's ever

784

00:28:31,990 --> 00:28:30,000

heard of to just come

785

00:28:33,510 --> 00:28:32,000

out i want the crazy guy from

786

00:28:35,990 --> 00:28:33,520

independence day that's been working on

787

00:28:37,190 --> 00:28:36,000

the ufos for 15 years

788

00:28:39,350 --> 00:28:37,200

wait did you come out and tell us you

789

00:28:41,110 --> 00:28:39,360

haven't seen her yet do i i love that i

790

00:28:42,389 --> 00:28:41,120

love that and that's not the line but

791

00:28:44,149 --> 00:28:42,399

he's he's something along the lines

792

00:28:45,830 --> 00:28:44,159

where he's kind of like so stoked about

793

00:28:46,149 --> 00:28:45,840

it i love that vibe like that energy

794

00:28:47,750 --> 00:28:46,159

that's

795

00:28:49,350 --> 00:28:47,760

like the energy i think we all have is

796

00:28:50,870 --> 00:28:49,360

like we're so excited about it oh you're

797

00:28:53,190 --> 00:28:50,880

gonna love this oh you're gonna love

798

00:28:57,510 --> 00:28:56,070

oh how exciting would that be and then

799

00:28:57,990 --> 00:28:57,520

and then you go down the elevator like

800

00:28:59,909 --> 00:28:58,000

mib

801
00:29:01,510 --> 00:28:59,919
and there's like these little like green

802
00:29:06,230 --> 00:29:01,520
little things like

803
00:29:09,990 --> 00:29:09,430
yeah jake said said uh so you were

804
00:29:11,430 --> 00:29:10,000
saying

805
00:29:14,389 --> 00:29:11,440
we i want somebody who's worked on the

806
00:29:17,750 --> 00:29:14,399
aliens so bob lazar i mean we

807
00:29:19,190 --> 00:29:17,760
well yeah yeah i mean kind kind of so we

808
00:29:21,110 --> 00:29:19,200
want a new bottle of time maybe

809
00:29:22,950 --> 00:29:21,120
yeah maybe a new babazon let's get a new

810
00:29:26,730 --> 00:29:22,960
bob lazar dude babazar

811
00:29:27,990 --> 00:29:26,740
yeah bob czar bob lazar

812
00:29:29,350 --> 00:29:28,000
[Music]

813
00:29:31,510 --> 00:29:29,360

is going to say [\h__\h] he's a career

814

00:29:35,269 --> 00:29:31,520

politician i absolutely agree

815

00:29:39,350 --> 00:29:35,279

dude there's a bin yes ben

816

00:29:40,070 --> 00:29:39,360

all hail is there any joe's out there

817

00:29:51,510 --> 00:29:40,080

yeah

818

00:29:54,630 --> 00:29:51,520

she's having an alien baby oh aoc sorry

819

00:29:58,230 --> 00:29:54,640

oh god i i'm sorry that i thought i

820

00:30:01,190 --> 00:29:58,240

i don't read good i don't really good

821

00:30:01,990 --> 00:30:01,200

bob 2.0 hell yeah mark what's up dude

822

00:30:04,470 --> 00:30:02,000

what's up

823

00:30:05,029 --> 00:30:04,480

from france he's from fresh [\h__\h] i am

824

00:30:06,710 --> 00:30:05,039

there dude

825

00:30:08,470 --> 00:30:06,720

mark thanks for hanging out with us this

826

00:30:10,070 --> 00:30:08,480

is like thanks for uh

827

00:30:11,669 --> 00:30:10,080

staying up late with us bud this is

828

00:30:15,110 --> 00:30:11,679

awesome

829

00:30:17,269 --> 00:30:15,120

uh so so a new what would

830

00:30:18,630 --> 00:30:17,279

a new bob lazar look like in your

831

00:30:21,830 --> 00:30:18,640

opinion like

832

00:30:24,950 --> 00:30:21,840

we had seven foot

833

00:30:26,710 --> 00:30:24,960

golden skin it would be long flowing

834

00:30:30,389 --> 00:30:26,720

hair

835

00:30:32,310 --> 00:30:30,399

but like but like in in today in 2021 a

836

00:30:33,990 --> 00:30:32,320

new bob lazar what would he

837

00:30:35,669 --> 00:30:34,000

yeah let's we could go into appearance

838

00:30:38,149 --> 00:30:35,679

if we wanted to but like what would his

839

00:30:41,110 --> 00:30:38,159

message be

840

00:30:42,149 --> 00:30:41,120

because i think a lot of people are are

841

00:30:45,269 --> 00:30:42,159

if you if you're

842

00:30:46,470 --> 00:30:45,279

subscribed to a a certain tv show that

843

00:30:48,950 --> 00:30:46,480

starts with the letter g

844

00:30:50,789 --> 00:30:48,960

there's a lot of stuff going on and i

845

00:30:54,230 --> 00:30:50,799

mean some interesting content

846

00:30:55,510 --> 00:30:54,240

talking [h__h] i'm just saying like if

847

00:30:57,350 --> 00:30:55,520

we kind of fell into that at the

848

00:31:00,230 --> 00:30:57,360

beginning of our quest of our

849

00:31:01,509 --> 00:31:00,240

our our journey right yeah and we we

850

00:31:03,430 --> 00:31:01,519

know now that

851
00:31:04,549 --> 00:31:03,440
some of it may be entertainment some of

852
00:31:05,990 --> 00:31:04,559
it may be true

853
00:31:07,990 --> 00:31:06,000
maybe there's a mixture maybe there's

854
00:31:09,830 --> 00:31:08,000
some like hey taking taking bits and

855
00:31:12,149 --> 00:31:09,840
pieces from other people's actual

856
00:31:14,710 --> 00:31:12,159
[h__\h] stories and like

857
00:31:16,389 --> 00:31:14,720
making a mosaic right so like yeah what

858
00:31:18,950 --> 00:31:16,399
does today's

859
00:31:21,050 --> 00:31:18,960
bob lazar look like he probably looks

860
00:31:25,509 --> 00:31:21,060
like bob lazar

861
00:31:28,070 --> 00:31:25,519
[Laughter]

862
00:31:29,110 --> 00:31:28,080
like a new like a different person okay

863
00:31:31,110 --> 00:31:29,120

he doesn't wear glasses

864

00:31:34,149 --> 00:31:31,120

it's robert lazar who has a mustache but

865

00:31:35,430 --> 00:31:34,159

it's it's actually him

866

00:31:36,549 --> 00:31:35,440

different he has different classes he

867

00:31:38,389 --> 00:31:36,559

comes out and he's like hey you know

868

00:31:41,269 --> 00:31:38,399

that guy bob lazar

869

00:31:42,230 --> 00:31:41,279

he was right yeah and also he's also got

870

00:31:45,269 --> 00:31:42,240

a huge

871

00:31:48,470 --> 00:31:45,279

we're still working on the same thing

872

00:31:49,990 --> 00:31:48,480

we don't know i don't know man i don't

873

00:31:51,430 --> 00:31:50,000

know what is the new what does the new

874

00:31:53,669 --> 00:31:51,440

bob lazar look like

875

00:31:56,389 --> 00:31:53,679

well that's kind of like asking what is

876

00:31:59,350 --> 00:31:56,399

what is the uh

877

00:32:01,750 --> 00:31:59,360

you know what is the root who's the new

878

00:32:04,149 --> 00:32:01,760

ronald mcdonald

879

00:32:05,590 --> 00:32:04,159

you can't you can't just do a new ronald

880

00:32:09,110 --> 00:32:05,600

mcdonald yeah

881

00:32:12,789 --> 00:32:09,120

you know clowns are over with man

882

00:32:14,870 --> 00:32:12,799

yeah for sure we're done we're done

883

00:32:16,230 --> 00:32:14,880

you can't make an appetizing clown make

884

00:32:18,789 --> 00:32:16,240

you can't have a clown

885

00:32:20,710 --> 00:32:18,799

uh make burgers look good anymore that

886

00:32:22,470 --> 00:32:20,720

was like a 60s kind of vibe

887

00:32:24,630 --> 00:32:22,480

you know so i wonder if that same

888

00:32:28,070 --> 00:32:24,640

concept translates into

889

00:32:29,830 --> 00:32:28,080

this actually serious subject like

890

00:32:31,350 --> 00:32:29,840

maybe so the new bob lazar is going to

891

00:32:34,470 --> 00:32:31,360

have a man bun

892

00:32:34,710 --> 00:32:34,480

and like some some like uh i think we're

893

00:32:38,310 --> 00:32:34,720

we

894

00:32:40,230 --> 00:32:38,320

that was like four years ago

895

00:32:41,830 --> 00:32:40,240

oh was it yeah i think that was four

896

00:32:42,470 --> 00:32:41,840

years ago that the man bun would have

897

00:32:45,190 --> 00:32:42,480

passed

898

00:32:46,710 --> 00:32:45,200

what's what's the new like it's the new

899

00:32:49,990 --> 00:32:46,720

fashion the the man bun

900

00:32:50,710 --> 00:32:50,000

bun has lived long enough bang i said

901
00:32:58,950 --> 00:32:50,720

bang

902
00:33:00,630 --> 00:32:58,960

but the man bun has lived long enough to

903
00:33:02,070 --> 00:33:00,640

where it's been memed out right like

904
00:33:04,870 --> 00:33:02,080

it's been made fun of

905
00:33:05,990 --> 00:33:04,880

and all that [h__\h] so like you can't look

906
00:33:07,590 --> 00:33:06,000

like that it's gotta

907
00:33:10,149 --> 00:33:07,600

like i'm just painting a picture we're

908
00:33:12,630 --> 00:33:10,159

like we're like sculpting

909
00:33:14,710 --> 00:33:12,640

but i mean put looks aside what does

910
00:33:17,190 --> 00:33:14,720

that person have to say

911
00:33:18,389 --> 00:33:17,200

you know it could be the same exact

912
00:33:21,269 --> 00:33:18,399

message like look dude

913
00:33:22,870 --> 00:33:21,279

yeah this is what i [h__\h] did bible

914

00:33:24,149 --> 00:33:22,880

studies like tell them if i could try i

915

00:33:27,509 --> 00:33:24,159

was

916

00:33:31,350 --> 00:33:27,519

yeah i wonder if barry's gonna come out

917

00:33:34,389 --> 00:33:31,360

dude he's like by the way i'm barry

918

00:33:35,190 --> 00:33:34,399

by the way my name is barry nice to meet

919

00:33:36,870 --> 00:33:35,200

you it's not

920

00:33:38,789 --> 00:33:36,880

but for this conversation my name is

921

00:33:42,149 --> 00:33:38,799

barry it could be it could be

922

00:33:45,430 --> 00:33:42,159

yeah yeah dude i don't know i don't know

923

00:33:47,160 --> 00:33:45,440

i have i have no clue i have no clue

924

00:33:48,710 --> 00:33:47,170

i just covet here

925

00:33:51,990 --> 00:33:48,720

[Music]

926
00:33:53,509 --> 00:33:52,000
yes yeah he's gonna look he's gotta look

927
00:33:58,789 --> 00:33:53,519
disheveled like he's been through some

928
00:34:05,430 --> 00:34:03,029
don't get me wet oh my god i love this

929
00:34:06,389 --> 00:34:05,440
i love this chat dude this is awesome i

930
00:34:09,829 --> 00:34:06,399
don't know man

931
00:34:11,190 --> 00:34:09,839
what what does it look like he is a she

932
00:34:12,470 --> 00:34:11,200
it could be a she i would like it to be

933
00:34:14,869 --> 00:34:12,480
a female actually

934
00:34:15,589 --> 00:34:14,879
with coveted hair like she started a

935
00:34:18,950 --> 00:34:15,599
braid

936
00:34:21,030 --> 00:34:18,960
and she's like you know

937
00:34:22,149 --> 00:34:21,040
[h__\h] it like i've got too much [h__\h] on

938
00:34:24,470 --> 00:34:22,159

my mind

939

00:34:25,750 --> 00:34:24,480

and she just like has some some years

940

00:34:27,349 --> 00:34:25,760

behind her you could tell

941

00:34:29,510 --> 00:34:27,359

and she doesn't take no [h__h] from

942

00:34:31,669 --> 00:34:29,520

anybody you know what

943

00:34:32,790 --> 00:34:31,679

she does not when there's open spaces

944

00:34:34,550 --> 00:34:32,800

there's no open spaces

945

00:34:36,230 --> 00:34:34,560

in walmart she does not park in the

946

00:34:38,230 --> 00:34:36,240

handicapped parking spot

947

00:34:39,750 --> 00:34:38,240

just because she needs to go in to the

948

00:34:40,950 --> 00:34:39,760

pharmacy and come right she's coming

949

00:34:42,869 --> 00:34:40,960

right back out

950

00:34:44,470 --> 00:34:42,879

she doesn't park in the handicapped

951
00:34:45,030 --> 00:34:44,480
parking space you remember you remember

952
00:34:49,109 --> 00:34:45,040
dj

953
00:34:52,149 --> 00:34:49,119
from from the owl owl restaurant

954
00:34:53,270 --> 00:34:52,159
[h__h] dude that's her bro that's who i

955
00:34:56,389 --> 00:34:53,280
want

956
00:34:56,950 --> 00:34:56,399
dj she rocked our world yeah dude she

957
00:34:59,750 --> 00:34:56,960
was awesome

958
00:35:00,470 --> 00:34:59,760
she brought us beers you and her vibe

959
00:35:03,109 --> 00:35:00,480
for sure

960
00:35:03,829 --> 00:35:03,119
right i just stayed out of it you guys

961
00:35:05,750 --> 00:35:03,839
were like

962
00:35:07,349 --> 00:35:05,760
hardcore vibing i told you before she

963
00:35:09,270 --> 00:35:07,359

even came to the table i was like

964

00:35:11,109 --> 00:35:09,280

me and this lady are gonna get along

965

00:35:13,510 --> 00:35:11,119

it's funny it's it's funny how

966

00:35:14,870 --> 00:35:13,520

recently dude i've never this i feel

967

00:35:15,990 --> 00:35:14,880

like this is a new i've known you for a

968

00:35:18,870 --> 00:35:16,000

long time and like

969

00:35:20,150 --> 00:35:18,880

you've been surprisingly like been able

970

00:35:23,589 --> 00:35:20,160

to what is it called like

971

00:35:26,069 --> 00:35:23,599

clairvoyant with with some [\h__\h] oh yeah

972

00:35:27,750 --> 00:35:26,079

like it's been real like very random

973

00:35:28,310 --> 00:35:27,760

moments where like you'll say some [\h__\h]

974

00:35:30,710 --> 00:35:28,320

and it's like

975

00:35:32,390 --> 00:35:30,720

just you know subtle and then you're so

976

00:35:35,190 --> 00:35:32,400

[h__\h] right

977

00:35:36,390 --> 00:35:35,200

it's crazy bro oh like like when i

978

00:35:40,550 --> 00:35:36,400

called out uh

979

00:35:42,390 --> 00:35:40,560

on alien girl girl on amy's podcast

980

00:35:43,910 --> 00:35:42,400

yeah listen to the music right the

981

00:35:45,910 --> 00:35:43,920

studio guy and i was like this sounds

982

00:35:47,750 --> 00:35:45,920

like it was made by a keyboard player

983

00:35:48,870 --> 00:35:47,760

who's really skinny and wears sunglasses

984

00:35:51,270 --> 00:35:48,880

and has long hair

985

00:35:52,870 --> 00:35:51,280

and elise shows up and he's like long

986

00:35:55,270 --> 00:35:52,880

hair super skinny

987

00:35:56,950 --> 00:35:55,280

wearing sunglasses he just wasn't

988

00:36:00,470 --> 00:35:56,960

wearing a tank top it was like

989

00:36:01,829 --> 00:36:00,480

exit you you called it out perfectly we

990

00:36:04,150 --> 00:36:01,839

never met the guy

991

00:36:05,349 --> 00:36:04,160

also he was badass by the way he was so

992

00:36:07,270 --> 00:36:05,359

much fun yeah

993

00:36:08,710 --> 00:36:07,280

also thank you amy from alien girl for

994

00:36:09,030 --> 00:36:08,720

having us on your show that was so much

995

00:36:10,630 --> 00:36:09,040

fun

996

00:36:12,230 --> 00:36:10,640

yeah dude yeah that was that was that

997

00:36:13,910 --> 00:36:12,240

was a long night i i think

998

00:36:15,589 --> 00:36:13,920

when before we got on your show i was

999

00:36:16,790 --> 00:36:15,599

like oh my god i'm so exhausted i'm so

1000

00:36:18,550 --> 00:36:16,800

excited we've been talking about this

1001
00:36:19,349 --> 00:36:18,560
getting on alien girls show for a long

1002
00:36:23,589 --> 00:36:19,359
time

1003
00:36:26,710 --> 00:36:23,599
she puts on a great show man

1004
00:36:29,990 --> 00:36:26,720
it's awesome who's that hot female from

1005
00:36:31,829 --> 00:36:30,000
canada who does the ufo abduction thing

1006
00:36:33,109 --> 00:36:31,839
i would lie just to hang with her for

1007
00:36:36,470 --> 00:36:33,119
one night are you reading

1008
00:36:40,710 --> 00:36:36,480
oh i don't know who that is

1009
00:36:41,750 --> 00:36:40,720
uh does the ufo abduction thing i don't

1010
00:36:43,190 --> 00:36:41,760
know about the ufo

1011
00:36:46,069 --> 00:36:43,200
i don't think i don't think anybody's

1012
00:36:46,550 --> 00:36:46,079
like uh like selling ufo abductions but

1013
00:36:50,470 --> 00:36:46,560

maybe

1014

00:36:54,069 --> 00:36:50,480

about

1015

00:36:56,710 --> 00:36:54,079

uh the only person from canada

1016

00:36:57,910 --> 00:36:56,720

that we know other than dave scott from

1017

00:36:59,990 --> 00:36:57,920

space radio

1018

00:37:01,349 --> 00:37:00,000

is samantha moet who has a very

1019

00:37:04,870 --> 00:37:01,359

interesting story she

1020

00:37:07,349 --> 00:37:04,880

is uh a lifelong abductee and so is her

1021

00:37:08,870 --> 00:37:07,359

uh her experiercer and so is her family

1022

00:37:09,990 --> 00:37:08,880

she's got like an awesome story if y'all

1023

00:37:13,990 --> 00:37:10,000

haven't seen that episode you have to

1024

00:37:17,589 --> 00:37:16,710

i didn't say it i'll give you the nine i

1025

00:37:20,790 --> 00:37:17,599

can't get trouble

1026
00:37:23,060 --> 00:37:20,800
i'll give you the nine yeah joe

1027
00:37:28,550 --> 00:37:26,069
[Music]

1028
00:37:29,190 --> 00:37:28,560
hey there you go yeah cloudy thanks for

1029
00:37:32,150 --> 00:37:29,200
coming in

1030
00:37:32,710 --> 00:37:32,160
also great to see you cloudy um yeah the

1031
00:37:35,030 --> 00:37:32,720
eyes

1032
00:37:36,870 --> 00:37:35,040
let's get back on track let's get back

1033
00:37:40,230 --> 00:37:36,880
on track of this on this idea

1034
00:37:42,550 --> 00:37:40,240
of of tomorrow like 20 uh the 25th

1035
00:37:44,870 --> 00:37:42,560
right this culmination of everybody

1036
00:37:46,550 --> 00:37:44,880
who's been seeing [h__\h] dude forever

1037
00:37:47,990 --> 00:37:46,560
dude like you and me have been seeing

1038
00:37:51,910 --> 00:37:48,000

[h__\h] and

1039

00:37:52,870 --> 00:37:51,920

this confirmation is the confirmation is

1040

00:37:54,870 --> 00:37:52,880

our eyes

1041

00:37:56,790 --> 00:37:54,880

don't lie we we know what we saw right

1042

00:37:58,950 --> 00:37:56,800

like that's that's the anthem

1043

00:37:59,990 --> 00:37:58,960

of this whole thing i feel like i feel

1044

00:38:02,069 --> 00:38:00,000

like we're gonna all

1045

00:38:03,670 --> 00:38:02,079

come together at the end of it there's

1046

00:38:05,430 --> 00:38:03,680

gonna be some [h__\h] but i hope it can

1047

00:38:08,550 --> 00:38:05,440

rise above it as a community

1048

00:38:10,150 --> 00:38:08,560

to realize like yeah dude it's they

1049

00:38:10,550 --> 00:38:10,160

didn't say exactly what we wanted them

1050

00:38:12,230 --> 00:38:10,560

to say

1051
00:38:13,990 --> 00:38:12,240
well i i think we're gonna run into the

1052
00:38:15,270 --> 00:38:14,000
same issue that we have right now it's

1053
00:38:16,950 --> 00:38:15,280
gonna come out and we're gonna be like

1054
00:38:19,349 --> 00:38:16,960
yeah i think that's [h__h]

1055
00:38:20,790 --> 00:38:19,359
and like that's true but like we just

1056
00:38:24,150 --> 00:38:20,800
basically reset

1057
00:38:26,069 --> 00:38:24,160
to like now we're having to sift through

1058
00:38:27,589 --> 00:38:26,079
these government documents and like try

1059
00:38:30,710 --> 00:38:27,599
and figure out

1060
00:38:33,030 --> 00:38:30,720
what's [h__h] and what isn't you know

1061
00:38:35,190 --> 00:38:33,040
because the whole thing is that like

1062
00:38:36,790 --> 00:38:35,200
most people don't trust the information

1063
00:38:37,270 --> 00:38:36,800

coming from the government in the first

1064

00:38:39,109 --> 00:38:37,280

place

1065

00:38:40,870 --> 00:38:39,119

yeah so why are we all sitting around

1066

00:38:41,829 --> 00:38:40,880

waiting for the government to give you

1067

00:38:44,950 --> 00:38:41,839

this information

1068

00:38:47,990 --> 00:38:44,960

right yeah it's just a weird thing

1069

00:38:50,630 --> 00:38:48,000

it's just a weird thing like i like i

1070

00:38:52,550 --> 00:38:50,640

don't know it is a weird thing

1071

00:38:55,190 --> 00:38:52,560

i almost prefer all of us just sitting

1072

00:38:57,589 --> 00:38:55,200

around like trying to figure it out

1073

00:38:58,550 --> 00:38:57,599

dude a big campfire could you imagine

1074

00:39:01,430 --> 00:38:58,560

all 50 of us

1075

00:39:03,109 --> 00:39:01,440

right now 52 of us hanging around a

1076

00:39:05,750 --> 00:39:03,119

campfire

1077

00:39:06,390 --> 00:39:05,760

it would be a lot of side conversations

1078

00:39:08,630 --> 00:39:06,400

but

1079

00:39:10,150 --> 00:39:08,640

i feel like we might get some [h__h] done

1080

00:39:10,710 --> 00:39:10,160

yeah like you could only do so much

1081

00:39:14,069 --> 00:39:10,720

online

1082

00:39:16,150 --> 00:39:14,079

and and uh micro

1083

00:39:17,430 --> 00:39:16,160

transactions like how you say things can

1084

00:39:20,150 --> 00:39:17,440

get lost in text

1085

00:39:20,710 --> 00:39:20,160

like or and post and comments and stuff

1086

00:39:23,349 --> 00:39:20,720

it's like

1087

00:39:24,950 --> 00:39:23,359

you meant one thing and it the other

1088

00:39:25,910 --> 00:39:24,960

person or everybody else probably took

1089

00:39:29,270 --> 00:39:25,920

it

1090

00:39:30,550 --> 00:39:29,280

different but like in person you get the

1091

00:39:33,109 --> 00:39:30,560

eyes you get the

1092

00:39:34,630 --> 00:39:33,119

the excitement the body movements

1093

00:39:35,829 --> 00:39:34,640

getting together

1094

00:39:37,750 --> 00:39:35,839

is i mean that's that's what a

1095

00:39:39,670 --> 00:39:37,760

conference is right like yeah

1096

00:39:42,310 --> 00:39:39,680

and tammy's gonna bring the marshmallows

1097

00:39:45,750 --> 00:39:42,320

tammy's got the marshmallows

1098

00:39:49,300 --> 00:39:45,760

sammy's got the marshmallows baby

1099

00:39:53,829 --> 00:39:49,310

yeah timmy's got the sweet mark

1100

00:39:55,109 --> 00:39:53,839

[Music]

1101

00:39:57,430 --> 00:39:55,119

i don't know why i just did the same

1102

00:39:59,190 --> 00:39:57,440

thing you did i'm just i'm a bass player

1103

00:40:01,030 --> 00:39:59,200

you're you're a singer i figured i'd hit

1104

00:40:01,750 --> 00:40:01,040

the bass while you hit the vocals and

1105

00:40:05,270 --> 00:40:01,760

then

1106

00:40:07,270 --> 00:40:05,280

don't have to

1107

00:40:09,670 --> 00:40:07,280

tap it on my toes with your bass line i

1108

00:40:11,190 --> 00:40:09,680

don't have a voice for i don't even know

1109

00:40:14,230 --> 00:40:11,200

i don't even know i dried

1110

00:40:16,710 --> 00:40:14,240

oh yeah yeah so

1111

00:40:18,230 --> 00:40:16,720

so we got we we have i actually did you

1112

00:40:20,150 --> 00:40:18,240

look up um

1113

00:40:22,069 --> 00:40:20,160

did you look up contact in the desert

1114

00:40:23,430 --> 00:40:22,079

recently have you have you looked up the

1115

00:40:25,750 --> 00:40:23,440

the ticket prices and all that

1116

00:40:26,470 --> 00:40:25,760

no i haven't looked at uh ticket prices

1117

00:40:29,589 --> 00:40:26,480

so i

1118

00:40:30,790 --> 00:40:29,599

i did today because they um i i we

1119

00:40:34,230 --> 00:40:30,800

received a message on

1120

00:40:34,550 --> 00:40:34,240

on on instagram messenger i'm terrible

1121

00:40:38,950 --> 00:40:34,560

at

1122

00:40:41,829 --> 00:40:38,960

instant burr

1123

00:40:43,190 --> 00:40:41,839

and uh they facegram whoever's in charge

1124

00:40:45,190 --> 00:40:43,200

of their social media

1125

00:40:46,550 --> 00:40:45,200

was like hey great you know love the

1126
00:40:47,910 --> 00:40:46,560
show

1127
00:40:50,150 --> 00:40:47,920
would you mind sharing this and i was

1128
00:40:51,589 --> 00:40:50,160
like [h__h] yeah can we

1129
00:40:54,069 --> 00:40:51,599
is it too late to be a part of this

1130
00:40:57,510 --> 00:40:55,910
obviously like i know the answer is

1131
00:40:57,910 --> 00:40:57,520
gonna be no but i thought i'd give it a

1132
00:41:00,390 --> 00:40:57,920
try

1133
00:41:02,390 --> 00:41:00,400
no we don't really like you much that

1134
00:41:03,829 --> 00:41:02,400
much we just we just wanted to use this

1135
00:41:06,710 --> 00:41:03,839
clip

1136
00:41:08,550 --> 00:41:06,720
well what they said was like honestly we

1137
00:41:12,550 --> 00:41:08,560
don't

1138
00:41:15,589 --> 00:41:12,560

just want to use you

1139

00:41:17,190 --> 00:41:15,599

your your platform your

1140

00:41:18,950 --> 00:41:17,200

the people that listen to your show are

1141

00:41:20,630 --> 00:41:18,960

[h__h] cool [h__h] and as of the people

1142

00:41:22,470 --> 00:41:20,640

that we want to reach

1143

00:41:23,990 --> 00:41:22,480

no i'm kidding i'm making that [h__h] up

1144

00:41:24,790 --> 00:41:24,000

but we haven't got we haven't heard back

1145

00:41:27,030 --> 00:41:24,800

i would love

1146

00:41:30,870 --> 00:41:27,040

to get here back and say hey that'd be

1147

00:41:34,150 --> 00:41:32,790

to go on stage and say something oh well

1148

00:41:37,750 --> 00:41:34,160

it's a lot everything's

1149

00:41:41,349 --> 00:41:37,760

everything's live right so

1150

00:41:43,109 --> 00:41:41,359

dude our 32nd thing would be hilarious

1151

00:41:45,510 --> 00:41:43,119

so i mean i made that up like the 30

1152

00:41:50,230 --> 00:41:45,520

second but how hilarious would that be

1153

00:41:53,670 --> 00:41:52,150

would it be a song would would it be

1154

00:41:54,230 --> 00:41:53,680

like it would have to be funny right

1155

00:41:58,230 --> 00:41:54,240

like

1156

00:42:00,470 --> 00:41:58,240

remember on the big phone home

1157

00:42:02,630 --> 00:42:00,480

where we came in and then everybody just

1158

00:42:04,950 --> 00:42:02,640

made fun of us for like 15 seconds

1159

00:42:06,309 --> 00:42:04,960

they posted that clip and it was like

1160

00:42:09,030 --> 00:42:06,319

like a 20 second clip

1161

00:42:09,510 --> 00:42:09,040

but like that was that was literally our

1162

00:42:12,790 --> 00:42:09,520

time

1163

00:42:14,309 --> 00:42:12,800

we talked about ice cream yep um getting

1164

00:42:16,950 --> 00:42:14,319

arrested

1165

00:42:18,950 --> 00:42:16,960

hey honestly it was perfect i would not

1166

00:42:20,870 --> 00:42:18,960

have it any other way

1167

00:42:22,790 --> 00:42:20,880

it was honestly could not have gone

1168

00:42:24,470 --> 00:42:22,800

better like i'm sorry i didn't mean

1169

00:42:25,670 --> 00:42:24,480

like no one was making fun of us like

1170

00:42:26,630 --> 00:42:25,680

everybody was having a good time but it

1171

00:42:28,870 --> 00:42:26,640

was like

1172

00:42:30,470 --> 00:42:28,880

as soon as we got in like you and me

1173

00:42:32,390 --> 00:42:30,480

showed up with shitty lighting on a

1174

00:42:33,910 --> 00:42:32,400

shitty camera

1175

00:42:37,670 --> 00:42:33,920

everybody started laughing at me you

1176

00:42:41,589 --> 00:42:39,589

and lou's like trying to back us up

1177

00:42:42,470 --> 00:42:41,599

being being our bro you know he's he's a

1178

00:42:46,309 --> 00:42:42,480

good guy man

1179

00:42:49,670 --> 00:42:46,319

he he was good intentions like

1180

00:42:50,950 --> 00:42:49,680

i think the vibe was like this is

1181

00:42:51,990 --> 00:42:50,960

everybody was in on the joke they

1182

00:42:52,710 --> 00:42:52,000

weren't laughing at us they were

1183

00:42:54,470 --> 00:42:52,720

laughing

1184

00:42:55,750 --> 00:42:54,480

with us a little bit more than they were

1185

00:42:57,829 --> 00:42:55,760

the other like we want to buy some ice

1186

00:42:59,829 --> 00:42:57,839

cream for you guys but imagine like

1187

00:43:01,270 --> 00:42:59,839

your perspective of like you're you're

1188

00:43:04,390 --> 00:43:01,280

having this like

1189

00:43:07,270 --> 00:43:04,400

you know conversation and these [h__\h]

1190

00:43:08,870 --> 00:43:07,280

[h__\h] like us show up and we're like

1191

00:43:10,710 --> 00:43:08,880

hey

1192

00:43:11,990 --> 00:43:10,720

i would do this i would laugh too man

1193

00:43:14,390 --> 00:43:12,000

that would make fun of us too

1194

00:43:15,430 --> 00:43:14,400

or i mean not i would i would have fun

1195

00:43:16,950 --> 00:43:15,440

with us too

1196

00:43:18,390 --> 00:43:16,960

this is what i'm saying dude that was

1197

00:43:20,309 --> 00:43:18,400

that was freaking awesome it could not

1198

00:43:23,270 --> 00:43:20,319

have gone better man it was great

1199

00:43:25,349 --> 00:43:23,280

it was great yeah so contact contact

1200

00:43:28,710 --> 00:43:25,359

contact in the desert is

1201

00:43:30,550 --> 00:43:28,720

okay so first annual virtual oh

1202

00:43:31,990 --> 00:43:30,560

so i think it is virtual i don't know

1203

00:43:34,550 --> 00:43:32,000

anybody out there on the chat

1204

00:43:35,990 --> 00:43:34,560

let me know does anybody know that if

1205

00:43:37,670 --> 00:43:36,000

contact in the desert is

1206

00:43:39,190 --> 00:43:37,680

is physical in person or is it just

1207

00:43:41,589 --> 00:43:39,200

virtual let me know

1208

00:43:42,470 --> 00:43:41,599

let us know so don't tell john let me

1209

00:43:45,829 --> 00:43:42,480

know so

1210

00:43:47,190 --> 00:43:45,839

so this year uh

1211

00:43:49,030 --> 00:43:47,200

they're going to talk about science

1212

00:43:50,790 --> 00:43:49,040

consciousness in the future

1213

00:43:52,630 --> 00:43:50,800

um yeah that's that's to the farts

1214

00:43:55,430 --> 00:43:52,640

academy that's exactly our tagline the

1215

00:43:58,950 --> 00:43:57,349

but no that's really close to contacting

1216

00:44:02,630 --> 00:43:58,960

the desert it was like

1217

00:44:05,510 --> 00:44:02,640

it was like okay farts in the desert

1218

00:44:06,829 --> 00:44:05,520

oh oh oh oh there's not enough time

1219

00:44:08,470 --> 00:44:06,839

there's not enough time to make a

1220

00:44:10,470 --> 00:44:08,480

website

1221

00:44:12,390 --> 00:44:10,480

well i don't know dude if i if i help

1222

00:44:14,870 --> 00:44:12,400

you

1223

00:44:16,390 --> 00:44:14,880

ooh speaking up people joe i mean can we

1224

00:44:18,150 --> 00:44:16,400

announce this that joe's gonna be our

1225

00:44:18,710 --> 00:44:18,160

new graphic designer like yeah you can

1226

00:44:20,550 --> 00:44:18,720

announce it

1227

00:44:23,109 --> 00:44:20,560

joe's gonna be in there we're trying to

1228

00:44:24,069 --> 00:44:23,119

get joe into a [\h__\h] desk job i'm

1229

00:44:26,309 --> 00:44:24,079

tired of you

1230

00:44:27,750 --> 00:44:26,319

showing up sweaty and exhausted dude i'm

1231

00:44:29,589 --> 00:44:27,760

i'm excited for you

1232

00:44:30,790 --> 00:44:29,599

to use your actual skills which is

1233

00:44:33,349 --> 00:44:30,800

creativity and

1234

00:44:34,950 --> 00:44:33,359

and awesomeness oh me too man me too

1235

00:44:37,109 --> 00:44:34,960

who's all gonna be there dude

1236

00:44:38,790 --> 00:44:37,119

dude there's a huge awesome lineup i

1237

00:44:41,829 --> 00:44:38,800

mean this is not who's gonna be there

1238

00:44:44,870 --> 00:44:41,839

this is not meant to be like a promo for

1239

00:44:46,550 --> 00:44:44,880

they're not paying us uh also like we're

1240

00:44:48,950 --> 00:44:46,560

not even a part of this at all

1241

00:44:49,589 --> 00:44:48,960

but i mean this is cool like this is

1242

00:44:51,190 --> 00:44:49,599

yeah this is

1243

00:44:53,829 --> 00:44:51,200

[h__h] fun that's pretty dope dude

1244

00:44:56,870 --> 00:44:53,839

george nori bro oh clyde's gonna be on

1245

00:44:58,150 --> 00:44:56,880

no [h__h] yeah yeah we should just

1246

00:45:01,109 --> 00:44:58,160

screenshot this

1247

00:45:02,309 --> 00:45:01,119

and like her face into it that'd be

1248

00:45:05,750 --> 00:45:02,319

funny as hell dude

1249

00:45:07,349 --> 00:45:05,760

yeah that'd be great but but it's like

1250

00:45:10,630 --> 00:45:07,359

ours is way bigger than everyone

1251

00:45:11,750 --> 00:45:10,640

else no no but just go down the list

1252

00:45:15,589 --> 00:45:11,760

and then for the next year just

1253

00:45:22,550 --> 00:45:19,430

screen grab

1254

00:45:24,470 --> 00:45:22,560

dude richie

1255

00:45:25,750 --> 00:45:24,480

our boy ryan sprague is going to be on

1256

00:45:27,990 --> 00:45:25,760

there hell yeah

1257

00:45:30,390 --> 00:45:28,000

dude congrats on that that's awesome

1258

00:45:45,829 --> 00:45:30,400

terry

1259

00:45:47,670 --> 00:45:45,839

oh my god gary boyce gary worries

1260

00:45:50,309 --> 00:45:47,680

is gonna be cool chris bledsoe is gonna

1261

00:45:52,950 --> 00:45:50,319

be there holy [h__h] paul heineck

1262

00:45:54,069 --> 00:45:52,960

dude yeah [h__h] love paul dude he's so

1263

00:45:56,150 --> 00:45:54,079

hilarious

1264

00:45:58,390 --> 00:45:56,160
so we had this we had this fun

1265

00:46:01,430 --> 00:45:58,400
interaction with uh with paul heineck

1266

00:46:02,069 --> 00:46:01,440
we had met him at this conference and we

1267

00:46:06,470 --> 00:46:02,079
gave him

1268

00:46:07,750 --> 00:46:06,480
just shooting the [h__\h] we're laughing

1269

00:46:08,870 --> 00:46:07,760
that was like at the end of the weekend

1270

00:46:11,109 --> 00:46:08,880
after we had like

1271

00:46:12,470 --> 00:46:11,119
yeah like [h__\h] with each other all

1272

00:46:14,870 --> 00:46:12,480
weekend like

1273

00:46:16,150 --> 00:46:14,880
giving each other [h__\h] like yeah dude

1274

00:46:18,069 --> 00:46:16,160
and uh

1275

00:46:19,430 --> 00:46:18,079
he he put our sticker on the back of his

1276

00:46:21,030 --> 00:46:19,440

phone or whatever

1277

00:46:23,270 --> 00:46:21,040

and then we pulled out these other

1278

00:46:24,950 --> 00:46:23,280

stickers with the impala logo on it

1279

00:46:26,829 --> 00:46:24,960

and he was like how come you didn't give

1280

00:46:31,190 --> 00:46:26,839

me the cool sticker and we were like

1281

00:46:33,109 --> 00:46:31,200

oh i didn't i didn't have any so

1282

00:46:36,150 --> 00:46:33,119

i got some and we gave we gave him a

1283

00:46:40,829 --> 00:46:38,150

i guess this story isn't as funny as i

1284

00:46:47,190 --> 00:46:40,839

thought it was going to be anyways he

1285

00:46:50,390 --> 00:46:49,510

how come how come uh i haven't been on

1286

00:46:53,349 --> 00:46:50,400

your show yet

1287

00:46:53,750 --> 00:46:53,359

and we were like oh we didn't even know

1288

00:46:56,790 --> 00:46:53,760

that

1289

00:46:58,630 --> 00:46:56,800

you would like us

1290

00:47:00,550 --> 00:46:58,640

that's literally what we said we're like

1291

00:47:02,069 --> 00:47:00,560

well you told them that you were like

1292

00:47:03,910 --> 00:47:02,079

this is like talking to the hot girl in

1293

00:47:05,750 --> 00:47:03,920

high school it's like oh yeah

1294

00:47:07,589 --> 00:47:05,760

we're gonna smile at you from a distance

1295

00:47:08,069 --> 00:47:07,599

but i'm way too nervous to approach you

1296

00:47:11,349 --> 00:47:08,079

yeah

1297

00:47:13,829 --> 00:47:11,359

and ask you out on a date like i think

1298

00:47:14,630 --> 00:47:13,839

i i think our very unserious approach

1299

00:47:17,190 --> 00:47:14,640

sometimes

1300

00:47:17,910 --> 00:47:17,200

uh it's not not a good thing all the

1301
00:47:21,109 --> 00:47:17,920

ways

1302
00:47:22,069 --> 00:47:21,119

it sometimes uh stops us from engaging

1303
00:47:23,510 --> 00:47:22,079

with like

1304
00:47:25,670 --> 00:47:23,520

people you would assume are a little

1305
00:47:27,829 --> 00:47:25,680

more serious in the subject

1306
00:47:29,990 --> 00:47:27,839

and and really like through this whole

1307
00:47:33,510 --> 00:47:30,000

time one thing that we've learned is

1308
00:47:34,950 --> 00:47:33,520

that is incorrect we need like

1309
00:47:36,710 --> 00:47:34,960

we should be very comfortable with just

1310
00:47:37,910 --> 00:47:36,720

approaching people by now you know

1311
00:47:40,150 --> 00:47:37,920

you know what i'm saying we need some

1312
00:47:42,230 --> 00:47:40,160

brian energy yeah exactly we need some

1313
00:47:43,430 --> 00:47:42,240

brian energy in our lives dude because i

1314

00:47:44,950 --> 00:47:43,440

mean that was our whole thing like when

1315

00:47:45,670 --> 00:47:44,960

we first started we're like nobody knows

1316

00:47:46,549 --> 00:47:45,680

who we are

1317

00:47:48,630 --> 00:47:46,559

we don't know what the hell we're

1318

00:47:50,230 --> 00:47:48,640

talking about we're not very serious

1319

00:47:50,870 --> 00:47:50,240

like we go to these conferences and like

1320

00:47:53,910 --> 00:47:50,880

there's people

1321

00:47:55,030 --> 00:47:53,920

like ties richie's there partying all

1322

00:47:57,109 --> 00:47:55,040

hard and [h__h]

1323

00:47:58,309 --> 00:47:57,119

and like i love that we just made that

1324

00:48:01,910 --> 00:47:58,319

up like

1325

00:48:05,910 --> 00:48:03,829

i wonder if anybody's called richard

1326

00:48:08,150 --> 00:48:05,920

dolan yet and be like

1327

00:48:09,589 --> 00:48:08,160

have you heard of this ufo garage guy i

1328

00:48:12,309 --> 00:48:09,599

hope it doesn't come out like we're like

1329

00:48:15,190 --> 00:48:12,319

[h__h] starting a rumor or some [h__h]

1330

00:48:15,990 --> 00:48:15,200

it's all it's funny it's hilarious

1331

00:48:17,910 --> 00:48:16,000

richie

1332

00:48:19,030 --> 00:48:17,920

cause he's so smart and like anyway yes

1333

00:48:22,150 --> 00:48:19,040

they call you richie

1334

00:48:24,390 --> 00:48:22,160

they say you lay pipe really good

1335

00:48:25,990 --> 00:48:24,400

is this true richie he's like well yeah

1336

00:48:28,630 --> 00:48:26,000

well i mean i'm not gonna say no

1337

00:48:29,589 --> 00:48:28,640

[h__h] love partying and i lay pipe

1338

00:48:32,870 --> 00:48:29,599

super hard

1339

00:48:34,069 --> 00:48:32,880

hard dude okay all right let's get back

1340

00:48:37,510 --> 00:48:34,079

on track dude i think we

1341

00:48:38,630 --> 00:48:37,520

i i well there's no there's no track

1342

00:48:41,349 --> 00:48:38,640

with this epis

1343

00:48:42,470 --> 00:48:41,359

with this podcast but i want to talk

1344

00:48:49,670 --> 00:48:42,480

about

1345

00:48:50,870 --> 00:48:49,680

that movie on amazon prime for free you

1346

00:48:52,870 --> 00:48:50,880

can go watch it

1347

00:48:54,150 --> 00:48:52,880

and how it's kind of relatable to what's

1348

00:48:57,750 --> 00:48:54,160

happening tomorrow

1349

00:49:01,190 --> 00:48:57,760

yes right do tell joe a little bit

1350

00:49:07,190 --> 00:49:01,200

you know it was it was a super

1351

00:49:10,470 --> 00:49:08,630

it was it was it was like one of the

1352

00:49:11,430 --> 00:49:10,480

most interesting boring documentaries

1353

00:49:13,190 --> 00:49:11,440

i've ever watched

1354

00:49:15,670 --> 00:49:13,200

like i don't know if it was just like

1355

00:49:17,430 --> 00:49:15,680

the the lack of like

1356

00:49:19,190 --> 00:49:17,440

mood music in the background or

1357

00:49:20,950 --> 00:49:19,200

something it was just like it was a very

1358

00:49:22,710 --> 00:49:20,960

it was like very soothing like yeah i

1359

00:49:24,309 --> 00:49:22,720

kept like kind of joking and then like

1360

00:49:25,589 --> 00:49:24,319

having to go back and like re-watch

1361

00:49:28,790 --> 00:49:25,599

stuff but dude

1362

00:49:30,710 --> 00:49:28,800

like that dude that movie was just

1363

00:49:32,230 --> 00:49:30,720

that that documentary was was pretty

1364

00:49:33,750 --> 00:49:32,240

insane like

1365

00:49:35,349 --> 00:49:33,760

when you like hear about what happened

1366

00:49:37,750 --> 00:49:35,359

to benowitz and like all these other

1367

00:49:40,069 --> 00:49:37,760

people like in the ufo community

1368

00:49:41,589 --> 00:49:40,079

and like you know you have richard dodie

1369

00:49:44,470 --> 00:49:41,599

on there and he's like yeah

1370

00:49:45,430 --> 00:49:44,480

[h__\h] lied to this dude so hard and

1371

00:49:46,950 --> 00:49:45,440

then like

1372

00:49:48,470 --> 00:49:46,960

and then you see him like in other

1373

00:49:50,630 --> 00:49:48,480

people's documentaries like

1374

00:49:52,630 --> 00:49:50,640

telling you like what's up and it's like

1375

00:49:54,230 --> 00:49:52,640

how do you know like if we believe you

1376

00:49:56,870 --> 00:49:54,240

or not you know what i'm saying

1377

00:49:57,990 --> 00:49:56,880

yeah and so like it's a mind [\h__\h] it's

1378

00:49:59,670 --> 00:49:58,000

it's really interesting

1379

00:50:01,190 --> 00:49:59,680

you know because you know they were all

1380

00:50:02,790 --> 00:50:01,200

saying like oh yeah well

1381

00:50:05,430 --> 00:50:02,800

dodie he's got this personality where

1382

00:50:08,309 --> 00:50:05,440

you just in you know instantly like him

1383

00:50:08,950 --> 00:50:08,319

he makes you comfortable and like just a

1384

00:50:13,109 --> 00:50:08,960

chatty

1385

00:50:14,870 --> 00:50:13,119

you know like and it really got me like

1386

00:50:16,309 --> 00:50:14,880

you know it gets me thinking and it's

1387

00:50:18,630 --> 00:50:16,319

like well yeah like

1388

00:50:19,589 --> 00:50:18,640

we all know that like you should you

1389

00:50:21,750 --> 00:50:19,599

should definitely like

1390

00:50:23,349 --> 00:50:21,760

reserve like your final judgment because

1391

00:50:23,670 --> 00:50:23,359

you just never know with these guys

1392

00:50:26,950 --> 00:50:23,680

right

1393

00:50:29,990 --> 00:50:26,960

yeah even even with lou

1394

00:50:31,510 --> 00:50:30,000

we've got you know elizondo not a lot of

1395

00:50:33,349 --> 00:50:31,520

[h__h] but we did get some [h__h] from

1396

00:50:33,750 --> 00:50:33,359

people being like oh these dudes they

1397

00:50:37,750 --> 00:50:33,760

just

1398

00:50:38,630 --> 00:50:37,760

whole time and this and that and it's

1399

00:50:40,390 --> 00:50:38,640

like

1400

00:50:42,309 --> 00:50:40,400

no we weren't as nuts i mean we're

1401

00:50:44,390 --> 00:50:42,319

polite and like cordial and had a good

1402

00:50:45,349 --> 00:50:44,400

time with him and he was a cool ass dude

1403

00:50:48,069 --> 00:50:45,359

right but

1404

00:50:48,630 --> 00:50:48,079

still in the back of our minds being

1405

00:50:53,670 --> 00:50:48,640

like

1406

00:50:55,109 --> 00:50:53,680

you know yeah it's a level of

1407

00:50:57,030 --> 00:50:55,119

discernment and and

1408

00:50:58,309 --> 00:50:57,040

you gotta always keep that in the back

1409

00:51:01,109 --> 00:50:58,319

of your head right

1410

00:51:02,950 --> 00:51:01,119

i i don't i don't believe anything

1411

00:51:05,030 --> 00:51:02,960

richard dodie says but if you wanted to

1412

00:51:08,470 --> 00:51:05,040

come on the show

1413

00:51:08,950 --> 00:51:08,480

gladly yes i'd have richard dodie on the

1414

00:51:10,309 --> 00:51:08,960

show

1415

00:51:12,230 --> 00:51:10,319

just to hear what the hell kind of

1416

00:51:14,309 --> 00:51:12,240

stories he had yeah you know

1417

00:51:15,589 --> 00:51:14,319

you know richard dodie his vibe like

1418

00:51:18,630 --> 00:51:15,599

everything that i've seen him in

1419

00:51:21,670 --> 00:51:18,640

it he seems like

1420

00:51:23,270 --> 00:51:21,680

either either he's just a mastermind of

1421

00:51:23,829 --> 00:51:23,280

manipulation or he's just a really

1422

00:51:27,510 --> 00:51:23,839

[h__\h]

1423

00:51:28,549 --> 00:51:27,520

cool man you remember when you were in

1424

00:51:29,430 --> 00:51:28,559

school and there would be like that

1425

00:51:31,270 --> 00:51:29,440

little picture

1426
00:51:34,829 --> 00:51:31,280
of like an apple with a worm coming out

1427
00:51:36,950 --> 00:51:34,839
with glasses yes that's what he reminds

1428
00:51:39,430 --> 00:51:36,960
me so spot on

1429
00:51:40,950 --> 00:51:39,440
like the alphabet worm so unassuming

1430
00:51:41,510 --> 00:51:40,960
it's like hey i just i'm here to help

1431
00:51:42,950 --> 00:51:41,520
hey

1432
00:51:44,390 --> 00:51:42,960
what's up guys what are you are you

1433
00:51:45,190 --> 00:51:44,400
trying to make what kind of documentary

1434
00:51:47,589 --> 00:51:45,200
are you trying to make

1435
00:51:48,950 --> 00:51:47,599
yeah and it was such like a it was also

1436
00:51:50,390 --> 00:51:48,960
kind of like a mind [h__h] a little bit

1437
00:51:53,109 --> 00:51:50,400
too like the whole like the whole

1438
00:51:54,950 --> 00:51:53,119

documentary because they were like

1439

00:51:57,829 --> 00:51:54,960

you know he'd be like yeah i told

1440

00:52:00,150 --> 00:51:57,839

benowitz all this stuff

1441

00:52:01,190 --> 00:52:00,160

and then i told him i was just messing

1442

00:52:02,870 --> 00:52:01,200

around

1443

00:52:04,470 --> 00:52:02,880

it wasn't real it was an intelligence

1444

00:52:07,349 --> 00:52:04,480

operation against you

1445

00:52:09,190 --> 00:52:07,359

and benowitz is like yeah but like i've

1446

00:52:11,750 --> 00:52:09,200

got all these marks on my body

1447

00:52:12,630 --> 00:52:11,760

i'm experiencing [h__h] and then well hold

1448

00:52:14,150 --> 00:52:12,640

on back up because

1449

00:52:15,910 --> 00:52:14,160

for people that don't don't know about

1450

00:52:18,549 --> 00:52:15,920

this like

1451

00:52:19,190 --> 00:52:18,559

so richard dodie's talking to this

1452

00:52:21,910 --> 00:52:19,200

person

1453

00:52:23,190 --> 00:52:21,920

yeah who apparently hadn't had exactly

1454

00:52:23,670 --> 00:52:23,200

we gotta we gotta back up a little bit

1455

00:52:26,230 --> 00:52:23,680

yeah you did

1456

00:52:27,030 --> 00:52:26,240

okay so so binos was this guy like and

1457

00:52:31,349 --> 00:52:27,040

he he

1458

00:52:31,990 --> 00:52:31,359

like an aircraft guy and he like made

1459

00:52:35,109 --> 00:52:32,000

stuff

1460

00:52:37,670 --> 00:52:35,119

uh he owned his own company um and

1461

00:52:38,549 --> 00:52:37,680

uh he he moved across from this military

1462

00:52:41,589 --> 00:52:38,559

base

1463

00:52:42,230 --> 00:52:41,599

and he had been seeing these weird

1464

00:52:43,990 --> 00:52:42,240

lights

1465

00:52:45,270 --> 00:52:44,000

over over the military base and he was

1466

00:52:47,190 --> 00:52:45,280

like well what the hell

1467

00:52:49,109 --> 00:52:47,200

so he starts like you know writing these

1468

00:52:50,230 --> 00:52:49,119

emails like hey i'm witnessing this and

1469

00:52:52,470 --> 00:52:50,240

that blah blah blah

1470

00:52:53,910 --> 00:52:52,480

like uh i guess at first like nobody was

1471

00:52:56,390 --> 00:52:53,920

getting back to him

1472

00:52:58,230 --> 00:52:56,400

i think that's how it went and and so he

1473

00:52:59,910 --> 00:52:58,240

ends up like building this little radio

1474

00:53:01,190 --> 00:52:59,920

and like intercepting messages that were

1475

00:53:03,750 --> 00:53:01,200

coming from the base

1476

00:53:04,710 --> 00:53:03,760

well they find out about it and so they

1477

00:53:06,230 --> 00:53:04,720

had to deal with them

1478

00:53:08,470 --> 00:53:06,240

right so that's when they send richard

1479

00:53:10,230 --> 00:53:08,480

dodie out and they start talking

1480

00:53:12,790 --> 00:53:10,240

and and dodie's asking him all these

1481

00:53:14,790 --> 00:53:12,800

questions sent him out to

1482

00:53:15,990 --> 00:53:14,800

to go and make contact with with

1483

00:53:19,030 --> 00:53:16,000

binowitz

1484

00:53:21,510 --> 00:53:19,040

right so the cia to find out well okay

1485

00:53:22,309 --> 00:53:21,520

not necessarily the cia but some

1486

00:53:24,549 --> 00:53:22,319

alphabet

1487

00:53:25,990 --> 00:53:24,559

yeah organization we don't know it could

1488

00:53:29,750 --> 00:53:26,000

be a subcontractor i think it's i think

1489

00:53:33,349 --> 00:53:29,760

it's just like air force intelligence

1490

00:53:35,750 --> 00:53:33,359

ai i guess

1491

00:53:37,829 --> 00:53:35,760

yeah he might be a robot [h__h] smart

1492

00:53:40,150 --> 00:53:37,839

dude think about it

1493

00:53:41,030 --> 00:53:40,160

you know they sent him out to find out

1494

00:53:42,549 --> 00:53:41,040

what he knows

1495

00:53:44,470 --> 00:53:42,559

and what kind of information he's

1496

00:53:46,230 --> 00:53:44,480

getting this and that so the guy ends up

1497

00:53:47,750 --> 00:53:46,240

building this radio and intercepting all

1498

00:53:49,670 --> 00:53:47,760

these messages

1499

00:53:51,190 --> 00:53:49,680

so dodie gets out there and starts

1500

00:53:52,309 --> 00:53:51,200

talking to him and then benwitz is like

1501

00:53:54,309 --> 00:53:52,319

well yeah dude i mean

1502

00:53:56,549 --> 00:53:54,319

i got vans outside my house i got all

1503

00:53:59,190 --> 00:53:56,559

this weird [h__h] happening like i'm

1504

00:53:59,829 --> 00:53:59,200

receiving these like encoded messages

1505

00:54:03,670 --> 00:53:59,839

like

1506

00:54:06,790 --> 00:54:03,680

oh [h__h]

1507

00:54:07,990 --> 00:54:06,800

that wasn't me that was actually nsa nsa

1508

00:54:09,829 --> 00:54:08,000

was doing that

1509

00:54:11,990 --> 00:54:09,839

and then i just fed in my line of

1510

00:54:13,109 --> 00:54:12,000

[h__h] and things started getting a

1511

00:54:15,829 --> 00:54:13,119

little bit out of hand

1512

00:54:16,630 --> 00:54:15,839

and you know then i finally had to tell

1513

00:54:19,190 --> 00:54:16,640

them years later

1514

00:54:20,069 --> 00:54:19,200

and later like hey man like this is all

1515

00:54:22,390 --> 00:54:20,079

just like a

1516

00:54:23,109 --> 00:54:22,400

a counterintelligence operation against

1517

00:54:24,790 --> 00:54:23,119

you like

1518

00:54:26,390 --> 00:54:24,800

he comes clean and tells you none of

1519

00:54:28,630 --> 00:54:26,400

this is real he

1520

00:54:29,750 --> 00:54:28,640

like he's like look there's no aliens

1521

00:54:33,109 --> 00:54:29,760

this is

1522

00:54:35,349 --> 00:54:33,119

from

1523

00:54:36,150 --> 00:54:35,359

spilling the beans on an actual black

1524

00:54:39,510 --> 00:54:36,160

budget

1525

00:54:41,750 --> 00:54:39,520

real live us craft that we made

1526

00:54:42,710 --> 00:54:41,760

yeah and he tells in that point blank

1527

00:54:44,710 --> 00:54:42,720

and he

1528

00:54:46,630 --> 00:54:44,720

doesn't accept it yeah he's like no

1529

00:54:48,069 --> 00:54:46,640

there's no way there's no way

1530

00:54:49,670 --> 00:54:48,079

and the weird thing is that benowitz

1531

00:54:50,309 --> 00:54:49,680

started having like all these marks on

1532

00:54:52,710 --> 00:54:50,319

his body

1533

00:54:53,670 --> 00:54:52,720

right having these crazy ass experiences

1534

00:54:55,750 --> 00:54:53,680

like yeah i think

1535

00:54:56,950 --> 00:54:55,760

i think he was like he had said that he

1536

00:54:59,670 --> 00:54:56,960

was uh

1537

00:55:01,510 --> 00:54:59,680

just kind of woke up and he was driving

1538

00:55:03,030 --> 00:55:01,520

down the road one day like

1539

00:55:05,270 --> 00:55:03,040

he was just having like these missing

1540

00:55:05,829 --> 00:55:05,280

time experiences and stuff like that and

1541

00:55:10,549 --> 00:55:05,839

it's

1542

00:55:14,470 --> 00:55:10,559

unpack with that

1543

00:55:17,190 --> 00:55:14,480

yeah did he actually see ufo craft

1544

00:55:19,990 --> 00:55:17,200

and dodie comes in and says oh dude

1545

00:55:23,589 --> 00:55:20,000

you're totally seeing aliens right to to

1546

00:55:25,270 --> 00:55:23,599

maybe make it seem like you're crazy

1547

00:55:27,589 --> 00:55:25,280

like we're just [\h__\h] with you

1548

00:55:29,750 --> 00:55:27,599

but instead he gets really really deep

1549

00:55:31,670 --> 00:55:29,760

into it and then they're like oh [\h__\h]

1550

00:55:33,270 --> 00:55:31,680

i shouldn't have told those aliens well

1551

00:55:34,950 --> 00:55:33,280

now i'm gonna tell them look

1552

00:55:36,549 --> 00:55:34,960

this was just a total like

1553

00:55:37,750 --> 00:55:36,559

counterintelligence operation that we

1554

00:55:39,670 --> 00:55:37,760

did against you

1555

00:55:41,430 --> 00:55:39,680

so he'll leave the alien stuff alone

1556

00:55:42,390 --> 00:55:41,440

maybe he's getting too close to what's

1557

00:55:44,470 --> 00:55:42,400

actually going on

1558

00:55:46,150 --> 00:55:44,480

well so so what is the what is the

1559

00:55:48,150 --> 00:55:46,160

actual like

1560

00:55:49,829 --> 00:55:48,160

counterintelligence operation is it that

1561

00:55:52,549 --> 00:55:49,839

they told them that there was aliens

1562

00:55:55,030 --> 00:55:52,559

or is it that they said no it's not

1563

00:55:56,710 --> 00:55:55,040

aliens like which one is the truth

1564

00:55:59,270 --> 00:55:56,720

and then you can't imagine like even

1565

00:56:01,670 --> 00:55:59,280

being benowits and being like

1566

00:56:03,270 --> 00:56:01,680

i don't know but i'm having missing time

1567

00:56:04,470 --> 00:56:03,280

and all this weird [h__h] the nsa is

1568

00:56:06,069 --> 00:56:04,480

outside of my house you're an

1569

00:56:07,030 --> 00:56:06,079

intelligence guy like you're talking to

1570

00:56:08,710 --> 00:56:07,040

me i'm trying to

1571

00:56:11,030 --> 00:56:08,720

ask for this he's like i'm trying to

1572

00:56:12,870 --> 00:56:11,040

help you out right it was like recording

1573

00:56:14,789 --> 00:56:12,880

all this data and sending it to the air

1574

00:56:15,990 --> 00:56:14,799

force base and was like hey this is what

1575

00:56:17,750 --> 00:56:16,000

i'm picking up i think

1576
00:56:19,430 --> 00:56:17,760
you should know that he starts writing

1577
00:56:20,950 --> 00:56:19,440
messages to like the president

1578
00:56:23,430 --> 00:56:20,960
like all these higher-ups and all the

1579
00:56:26,710 --> 00:56:23,440
higher-ups are like it's [\h__\h] nut job

1580
00:56:30,630 --> 00:56:26,720
right but these guys you know

1581
00:56:32,150 --> 00:56:30,640
rajmen yeah exactly the mirage man

1582
00:56:33,829 --> 00:56:32,160
they know we got to be careful we can't

1583
00:56:36,870 --> 00:56:33,839
say which is

1584
00:56:39,030 --> 00:56:36,880
not one thing exactly

1585
00:56:41,030 --> 00:56:39,040
which is even scarier right because

1586
00:56:43,109 --> 00:56:41,040
these guys i don't know if black vans

1587
00:56:44,069 --> 00:56:43,119
white vans showing up at my house these

1588
00:56:45,990 --> 00:56:44,079

guys know what's going

1589

00:56:47,109 --> 00:56:46,000

on and the higher ups think everybody

1590

00:56:49,670 --> 00:56:47,119

else is crazy

1591

00:56:51,109 --> 00:56:49,680

so that kind of shows you where like the

1592

00:56:52,870 --> 00:56:51,119

power structure of it all

1593

00:56:54,789 --> 00:56:52,880

you know it's like your higher-ups

1594

00:56:57,030 --> 00:56:54,799

that's what i was saying earlier like

1595

00:56:58,470 --> 00:56:57,040

yeah you may want biden to say it but

1596

00:56:59,510 --> 00:56:58,480

what the [h__\h] did biden know he didn't

1597

00:57:02,470 --> 00:56:59,520

know [h__\h]

1598

00:57:03,270 --> 00:57:02,480

i i i again i know you know that i know

1599

00:57:11,270 --> 00:57:03,280

that you know

1600

00:57:14,309 --> 00:57:11,280

he's just a quacking mouthpiece

1601
00:57:18,520 --> 00:57:14,319
that's it what is happening right now

1602
00:57:22,950 --> 00:57:20,870
[Laughter]

1603
00:57:24,470 --> 00:57:22,960
i have cornholio he does the sure thing

1604
00:57:25,589 --> 00:57:24,480
you don't remember her dude oh i

1605
00:57:27,030 --> 00:57:25,599
remember dude

1606
00:57:28,789 --> 00:57:27,040
bieber's the body is one of my favorite

1607
00:57:32,789 --> 00:57:28,799
things of all time

1608
00:57:37,190 --> 00:57:35,270
i love that sorry i just needed to you

1609
00:57:38,789 --> 00:57:37,200
need to get that out of your system

1610
00:57:40,390 --> 00:57:38,799
i wanted to do that for the past 30

1611
00:57:41,430 --> 00:57:40,400
minutes i'm still sweating

1612
00:57:43,670 --> 00:57:41,440
i've been sweating i know i've been

1613
00:57:48,470 --> 00:57:43,680

noticing a little bit on your brow 14

1614

00:57:51,510 --> 00:57:48,480

hours straight now uh reach behind well

1615

00:57:54,789 --> 00:57:51,520

reach behind the i'll go do it uh

1616

00:58:01,349 --> 00:57:54,799

i was gonna say the the nest is

1617

00:58:08,630 --> 00:58:05,670

bro my house stays a constant 68 degrees

1618

00:58:11,510 --> 00:58:08,640

well not right now even though it's

1619

00:58:14,950 --> 00:58:11,520

turned down that low it still gets hot

1620

00:58:22,069 --> 00:58:18,470

super hot valro yeah

1621

00:58:26,630 --> 00:58:22,079

manipulation overload

1622

00:58:31,109 --> 00:58:30,230

i like this this is a soft little piece

1623

00:58:34,150 --> 00:58:31,119

of fabric

1624

00:58:34,789 --> 00:58:34,160

is this nibblers or birdies yeah it's

1625

00:58:36,549 --> 00:58:34,799

birdies it's

1626

00:58:37,829 --> 00:58:36,559

jess's actually oh is it she's gonna be

1627

00:58:39,510 --> 00:58:37,839

so mad nah

1628

00:58:41,270 --> 00:58:39,520

dawg she's gonna be like why is my

1629

00:58:43,030 --> 00:58:41,280

bandana all wet

1630

00:58:45,190 --> 00:58:43,040

i bet i could rock the [\h__\h] out of this

1631

00:58:47,829 --> 00:58:45,200

by the way i guarantee you she's

1632

00:58:49,589 --> 00:58:47,839

uh sweated more than well i don't know

1633

00:58:51,829 --> 00:58:49,599

not today but

1634

00:58:53,430 --> 00:58:51,839

over a lifetime yeah really she's

1635

00:58:54,950 --> 00:58:53,440

sweating at his about about as much as

1636

00:58:57,670 --> 00:58:54,960

i've sweated today

1637

00:58:58,789 --> 00:58:57,680

today it's been freaking hot guys yeah

1638

00:59:06,710 --> 00:58:58,799

dude

1639

00:59:10,150 --> 00:59:06,720

ha i have the bbs and bloodhead

1640

00:59:11,910 --> 00:59:10,160

uh movie on vhs too i like that

1641

00:59:13,750 --> 00:59:11,920

how do you do you actually have a vhs

1642

00:59:17,030 --> 00:59:13,760

player

1643

00:59:20,309 --> 00:59:17,040

no i got rid of it like three years ago

1644

00:59:23,589 --> 00:59:20,319

i know did you forget to rewind

1645

00:59:25,349 --> 00:59:23,599

no you forgot to read oh dude

1646

00:59:27,270 --> 00:59:25,359

did i tell you my story about the movie

1647

00:59:30,549 --> 00:59:27,280

station

1648

00:59:31,990 --> 00:59:30,559

the video store yeah no the video

1649

00:59:34,870 --> 00:59:32,000

station and and and

1650

00:59:37,190 --> 00:59:34,880

taylor yeah video decision yeah so okay

1651
00:59:40,069 --> 00:59:37,200
guys check this out right

1652
00:59:41,270 --> 00:59:40,079
when i was a wee lad we used to ride our

1653
00:59:43,750 --> 00:59:41,280
bikes down there

1654
00:59:45,109 --> 00:59:43,760
and dude i mean you know bro i mean we

1655
00:59:45,990 --> 00:59:45,119
would just ride our bikes down there we

1656
00:59:49,030 --> 00:59:46,000
would get candy

1657
00:59:50,230 --> 00:59:49,040
we get popcorn or curfew nothing dude

1658
00:59:50,630 --> 00:59:50,240
you know what i'm saying we would just

1659
00:59:52,630 --> 00:59:50,640
rent

1660
00:59:55,829 --> 00:59:52,640
movies until we couldn't run movies

1661
00:59:58,630 --> 00:59:55,839
anymore nintendo 64 games

1662
00:59:59,109 --> 00:59:58,640
smash bros like we would get down right

1663
01:00:02,870 --> 00:59:59,119

so

1664

01:00:06,309 --> 01:00:02,880

this video station probably from like

1665

01:00:08,789 --> 01:00:06,319

the time that i was like

1666

01:00:11,109 --> 01:00:08,799

15 is probably the last time i rented

1667

01:00:13,910 --> 01:00:11,119

anything from that video station

1668

01:00:15,190 --> 01:00:13,920

now mind you we moved we left my

1669

01:00:17,349 --> 01:00:15,200

hometown

1670

01:00:18,230 --> 01:00:17,359

and then we moved to austin and we were

1671

01:00:21,670 --> 01:00:18,240

here for

1672

01:00:23,670 --> 01:00:21,680

quite some time um probably another 15

1673

01:00:24,950 --> 01:00:23,680

years actually yeah yeah it was 15 years

1674

01:00:28,069 --> 01:00:24,960

because then i was 30

1675

01:00:30,069 --> 01:00:28,079

whenever i moved back to my hometown uh

1676

01:00:31,430 --> 01:00:30,079

so you're talking about your late fee

1677

01:00:35,190 --> 01:00:31,440

right now dude yeah

1678

01:00:37,270 --> 01:00:35,200

so 17 years had gone by

1679

01:00:38,950 --> 01:00:37,280

and i was so excited i wanted to show my

1680

01:00:39,990 --> 01:00:38,960

wife because this damn video station is

1681

01:00:43,030 --> 01:00:40,000

still there and there are

1682

01:00:45,910 --> 01:00:43,040

thousands and thousands of of dvds

1683

01:00:46,710 --> 01:00:45,920

in vhs the holographic jack frost it's

1684

01:00:48,710 --> 01:00:46,720

insane

1685

01:00:50,470 --> 01:00:48,720

yeah remember that yeah i do remember

1686

01:00:52,789 --> 01:00:50,480

that uh holographic jack frost

1687

01:00:54,309 --> 01:00:52,799

we were trying to cover we were trying

1688

01:00:58,390 --> 01:00:54,319

to find osmosis

1689

01:01:01,910 --> 01:00:59,829

so me and the old lady we're going over

1690

01:01:05,349 --> 01:01:01,920

trying to find osmosis jones

1691

01:01:09,190 --> 01:01:05,359

um we don't find it but i do find

1692

01:01:12,549 --> 01:01:09,200

um uh

1693

01:01:13,910 --> 01:01:12,559

it oh communion i i found willie

1694

01:01:16,230 --> 01:01:13,920

streeters communion

1695

01:01:17,750 --> 01:01:16,240

oh [h__h] because it wasn't on amazon it

1696

01:01:19,589 --> 01:01:17,760

was christopher walken

1697

01:01:21,990 --> 01:01:19,599

yeah yeah it wasn't on amazon at the

1698

01:01:24,470 --> 01:01:22,000

time it's on amazon now it's on amazon

1699

01:01:25,990 --> 01:01:24,480

it gave me nightmares dude so we go

1700

01:01:27,990 --> 01:01:26,000

there i'm getting ready to rent this

1701

01:01:29,750 --> 01:01:28,000

movie and uh i

1702

01:01:32,230 --> 01:01:29,760

i give them up they're like yeah we need

1703

01:01:33,109 --> 01:01:32,240

to take your it's old school man it's

1704

01:01:34,870 --> 01:01:33,119

still old-school

1705

01:01:36,390 --> 01:01:34,880

[h__h] they take your license they write

1706

01:01:37,109 --> 01:01:36,400

down your information they plug it into

1707

01:01:38,950 --> 01:01:37,119

the computer

1708

01:01:41,190 --> 01:01:38,960

yeah and then the old guy in there he

1709

01:01:43,270 --> 01:01:41,200

goes ah

1710

01:01:45,430 --> 01:01:43,280

we've actually got you in the system and

1711

01:01:47,349 --> 01:01:45,440

i was like

1712

01:01:49,270 --> 01:01:47,359

okay cool cool can we use that and he

1713

01:01:56,390 --> 01:01:49,280

was like yeah

1714

01:02:04,230 --> 01:01:59,510

15 years ago and you returned it late

1715

01:02:07,750 --> 01:02:07,430

that's it 64. i'm gonna say like six

1716

01:02:11,430 --> 01:02:07,760

like

1717

01:02:14,950 --> 01:02:11,440

late fee

1718

01:02:17,190 --> 01:02:14,960

that they had for 17 years on me

1719

01:02:20,150 --> 01:02:17,200

i think statue limitation is only like

1720

01:02:24,870 --> 01:02:20,160

seven you own that [h__h] dvd now dude

1721

01:02:26,789 --> 01:02:24,880

yeah i own that dvd i own osmosis jones

1722

01:02:28,069 --> 01:02:26,799

and what about where's good burger at

1723

01:02:30,789 --> 01:02:28,079

and good burger

1724

01:02:32,150 --> 01:02:30,799

i don't know remember the vhs was orange

1725

01:02:34,549 --> 01:02:32,160

though dude i can't believe that they

1726

01:02:35,510 --> 01:02:34,559

charged me full price for the vhs of

1727

01:02:40,470 --> 01:02:35,520

good burger

1728

01:02:43,029 --> 01:02:40,480

in in in 2019

1729

01:02:45,190 --> 01:02:43,039

was it the price in 2019 or is it no

1730

01:02:48,630 --> 01:02:45,200

they charged me for the price it was in

1731

01:02:49,510 --> 01:02:48,640

in uh when i was like 14 15 years old oh

1732

01:02:51,109 --> 01:02:49,520

that's not bad it was

1733

01:02:53,109 --> 01:02:51,119

like what like 20 cents what were things

1734

01:02:56,390 --> 01:02:53,119

back in those days no the

1735

01:02:58,150 --> 01:02:56,400

the vhs was like 20

1736

01:02:59,910 --> 01:02:58,160

and then on top of that the late fees

1737

01:03:03,270 --> 01:02:59,920

back in the olden days

1738

01:03:05,510 --> 01:03:03,280

it was crazy so yes

1739

01:03:06,390 --> 01:03:05,520

uh well anyway did you pay it off and

1740

01:03:10,470 --> 01:03:06,400

all

1741

01:03:12,549 --> 01:03:10,480

watch the way the uh

1742

01:03:13,750 --> 01:03:12,559

communion i think it's fitting that it

1743

01:03:16,630 --> 01:03:13,760

was 64

1744

01:03:18,069 --> 01:03:16,640

because nintendo 64. and and my wife was

1745

01:03:20,150 --> 01:03:18,079

so mad

1746

01:03:22,390 --> 01:03:20,160

so i totally ruined her first experience

1747

01:03:24,549 --> 01:03:22,400

to the video station

1748

01:03:25,750 --> 01:03:24,559

like made it made a scene and then she

1749

01:03:27,910 --> 01:03:25,760

got even more made because i was trying

1750

01:03:31,349 --> 01:03:27,920

to buy candy and she was like you spent

1751

01:03:33,029 --> 01:03:31,359

almost 70 [h__\h] dollars on a good

1752

01:03:35,829 --> 01:03:33,039

burger vhs

1753

01:03:37,430 --> 01:03:35,839

that you don't even own and you're

1754

01:03:38,549 --> 01:03:37,440

trying to buy candy right [h__\h] worth

1755

01:03:41,750 --> 01:03:38,559

it dude come on

1756

01:03:42,470 --> 01:03:41,760

it was worth it dude you can't get you

1757

01:03:45,510 --> 01:03:42,480

can't get

1758

01:03:47,670 --> 01:03:45,520

good burger on a vhs

1759

01:03:49,430 --> 01:03:47,680

anywhere dude and that's how you really

1760

01:03:49,990 --> 01:03:49,440

watch would you have rather eaten a good

1761

01:03:52,230 --> 01:03:50,000

burger

1762

01:03:54,549 --> 01:03:52,240

or would you have had one of the mondo

1763

01:03:57,829 --> 01:03:54,559

burgers

1764

01:03:59,190 --> 01:03:57,839

my new burger man your sellout dude

1765

01:04:01,109 --> 01:03:59,200

that's good

1766

01:04:03,510 --> 01:04:01,119

it's like it's like in and out i'm tr

1767

01:04:06,630 --> 01:04:03,520

i'm a whataburger is good burger

1768

01:04:08,470 --> 01:04:06,640

and then in and out is mondo burger

1769

01:04:14,150 --> 01:04:08,480

it should be called mini burger then

1770

01:04:18,470 --> 01:04:17,029

hey my super smoking hot wife is on here

1771

01:04:20,870 --> 01:04:18,480

and she's laughing right now

1772

01:04:21,670 --> 01:04:20,880

because she she knows that story i think

1773

01:04:23,109 --> 01:04:21,680

it's funny like

1774

01:04:24,789 --> 01:04:23,119

she popped in the moment you're just

1775

01:04:26,069 --> 01:04:24,799

talking about cheeseburgers which is

1776

01:04:28,470 --> 01:04:26,079

probably a common

1777

01:04:29,829 --> 01:04:28,480

topic of conversation in your household

1778

01:04:34,230 --> 01:04:29,839

it is

1779

01:04:36,950 --> 01:04:34,240

dude so what does amanda think about

1780

01:04:38,470 --> 01:04:36,960

this 180 day thing coming up

1781

01:04:40,150 --> 01:04:38,480

i don't think she realizes what's going

1782

01:04:41,990 --> 01:04:40,160

on um does she

1783

01:04:43,349 --> 01:04:42,000

is she i know she's curious about a lot

1784

01:04:44,950 --> 01:04:43,359

of the stuff as

1785

01:04:46,950 --> 01:04:44,960

amanda i mean like what do you think

1786

01:04:49,190 --> 01:04:46,960

like i mean i'm trying to like

1787

01:04:51,270 --> 01:04:49,200

include everybody but like have you all

1788

01:04:54,069 --> 01:04:51,280

had any conversations like have you said

1789

01:04:54,630 --> 01:04:54,079

babe expect this expect that no not

1790

01:04:57,670 --> 01:04:54,640

really

1791

01:05:04,309 --> 01:04:57,680

a little

1792

01:05:05,670 --> 01:05:04,319

like we we talk about ufo stuff but it's

1793

01:05:07,829 --> 01:05:05,680

like a 15 minute clip

1794

01:05:08,710 --> 01:05:07,839

like she asked me a question and we talk

1795

01:05:12,789 --> 01:05:08,720

about it

1796

01:05:14,150 --> 01:05:12,799

you know yeah she is interested but like

1797

01:05:15,270 --> 01:05:14,160

it's it's one of those things that like

1798

01:05:16,950 --> 01:05:15,280

if you're going to talk to somebody who

1799

01:05:19,029 --> 01:05:16,960

knows absolutely nothing about it it's

1800

01:05:20,710 --> 01:05:19,039

almost easier for them to just ask you a

1801

01:05:23,349 --> 01:05:20,720

question and then you expand

1802

01:05:24,549 --> 01:05:23,359

on on that as opposed to like hey can

1803

01:05:27,750 --> 01:05:24,559

you tell me about

1804

01:05:28,549 --> 01:05:27,760

ufos and aliens because like one where

1805

01:05:31,750 --> 01:05:28,559

do you start

1806

01:05:34,150 --> 01:05:31,760

right and two like there's so many like

1807

01:05:35,029 --> 01:05:34,160

pieces that are all over the place that

1808

01:05:36,950 --> 01:05:35,039

connect that

1809

01:05:38,470 --> 01:05:36,960

in order to tell this story i have to

1810

01:05:40,230 --> 01:05:38,480

tell you this story

1811

01:05:41,670 --> 01:05:40,240

but for this story to make sense there's

1812

01:05:42,870 --> 01:05:41,680

this little piece in the middle i gotta

1813

01:05:44,150 --> 01:05:42,880

inform you about

1814

01:05:45,670 --> 01:05:44,160

and then we're gonna go over here so i

1815

01:05:47,589 --> 01:05:45,680

can get to that story to tell you what

1816

01:05:50,789 --> 01:05:47,599

you originally wanted to talk about

1817

01:05:53,190 --> 01:05:50,799

right so it's so

1818

01:05:54,150 --> 01:05:53,200

there are so many spider webs what i

1819

01:05:56,950 --> 01:05:54,160

think is important

1820

01:05:57,829 --> 01:05:56,960

is is asking people that are not into

1821

01:06:00,950 --> 01:05:57,839

this subject

1822

01:06:03,670 --> 01:06:00,960

that have that spark of curiosity

1823

01:06:04,390 --> 01:06:03,680

whether or not they're being polite in a

1824

01:06:08,309 --> 01:06:04,400

so

1825

01:06:10,390 --> 01:06:08,319

curious

1826

01:06:12,309 --> 01:06:10,400

and the the one little thing that they

1827

01:06:14,390 --> 01:06:12,319

can latch on to

1828

01:06:16,150 --> 01:06:14,400

like we gotta respect that and not be

1829

01:06:19,349 --> 01:06:16,160

like oh

1830

01:06:21,190 --> 01:06:19,359

you don't know like that's

1831

01:06:22,710 --> 01:06:21,200

the wrong way to go about it yeah you

1832

01:06:23,190 --> 01:06:22,720

got to think about the end goal the end

1833

01:06:26,470 --> 01:06:23,200

goal

1834

01:06:29,270 --> 01:06:26,480

is to everybody it would be [h__\h]

1835

01:06:30,230 --> 01:06:29,280

fun if everybody was on the same level

1836

01:06:33,670 --> 01:06:30,240

of like

1837

01:06:35,190 --> 01:06:33,680

respect and knowledge of the history of

1838

01:06:41,750 --> 01:06:35,200

you

1839

01:06:44,230 --> 01:06:41,760

as far as like i wish that everybody

1840

01:06:45,750 --> 01:06:44,240

it was it was common knowledge uh from

1841

01:06:48,950 --> 01:06:45,760

the 1950s up

1842

01:06:51,910 --> 01:06:48,960

but my favorite thing is like let's go

1843

01:06:54,190 --> 01:06:51,920

before that like yeah let's go ancient

1844

01:06:56,950 --> 01:06:54,200

aliens type [h__\h] like back to the

1845

01:06:59,270 --> 01:06:56,960

sumerians and like the egyptians that's

1846

01:07:00,309 --> 01:06:59,280

the fun combo the cave paintings and

1847

01:07:03,270 --> 01:07:00,319

stuff yeah

1848

01:07:04,390 --> 01:07:03,280

dude yeah that's that's where it's so

1849

01:07:06,789 --> 01:07:04,400

much fun because

1850

01:07:08,309 --> 01:07:06,799

once you once you enter like the 1950s

1851

01:07:10,630 --> 01:07:08,319

era there's so many

1852

01:07:11,670 --> 01:07:10,640

oh well you have to have documents right

1853

01:07:13,109 --> 01:07:11,680

yeah

1854

01:07:14,710 --> 01:07:13,119

and then before that it's like oh you

1855

01:07:16,950 --> 01:07:14,720

have to have clay tablets or

1856

01:07:18,309 --> 01:07:16,960

or like it's in the bible or if it's if

1857

01:07:20,870 --> 01:07:18,319

it's not in the bible then

1858

01:07:22,150 --> 01:07:20,880

before that history didn't exist

1859

01:07:23,750 --> 01:07:22,160

gutenberg did it

1860

01:07:25,750 --> 01:07:23,760

he's the only one that could write with

1861

01:07:26,150 --> 01:07:25,760

his hand he's the only person that could

1862

01:07:28,150 --> 01:07:26,160

write

1863

01:07:29,190 --> 01:07:28,160

sorry guys didn't exist if it didn't

1864

01:07:31,990 --> 01:07:29,200

happen

1865

01:07:33,349 --> 01:07:32,000

it's such [h__h] like we know this

1866

01:07:36,549 --> 01:07:33,359

[h__h] has been happening

1867

01:07:38,870 --> 01:07:36,559

for [h__h] ever dude something happened

1868

01:07:41,510 --> 01:07:38,880

something else in every culture around

1869

01:07:43,270 --> 01:07:41,520

the world there has been

1870

01:07:45,990 --> 01:07:43,280

is that more important to know that

1871

01:07:48,870 --> 01:07:46,000

something happened than to know

1872

01:07:49,349 --> 01:07:48,880

what is happening like oh yeah i love

1873

01:07:55,670 --> 01:07:49,359

that

1874

01:07:56,789 --> 01:07:55,680

something's going on as opposed to

1875

01:08:00,470 --> 01:07:56,799

everybody trying to

1876

01:08:01,190 --> 01:08:00,480

learn like what is what is what is going

1877

01:08:05,190 --> 01:08:01,200

on

1878

01:08:05,990 --> 01:08:05,200

uh i think there's a few schools of

1879

01:08:09,270 --> 01:08:06,000

thought

1880

01:08:12,630 --> 01:08:09,280

in this paradigm of of our

1881

01:08:15,510 --> 01:08:12,640

current social cultural

1882

01:08:16,470 --> 01:08:15,520

economics right like a lot of people

1883

01:08:18,630 --> 01:08:16,480

live in the now

1884

01:08:19,829 --> 01:08:18,640

the things that affect us today are the

1885

01:08:21,990 --> 01:08:19,839

most important things

1886

01:08:23,990 --> 01:08:22,000

today and the next day is a new

1887

01:08:25,749 --> 01:08:24,000

adventure probably going to be a bunch

1888

01:08:27,910 --> 01:08:25,759

of the same [h__h] that we did

1889

01:08:29,110 --> 01:08:27,920

yesterday and a lot of people are stuck

1890

01:08:32,950 --> 01:08:29,120

in that

1891

01:08:34,550 --> 01:08:32,960

frame of mind and once you kind of

1892

01:08:36,709 --> 01:08:34,560

look outside of that box where you're

1893

01:08:38,630 --> 01:08:36,719

starting starting to look at

1894

01:08:40,070 --> 01:08:38,640

you know zoom out as i like to say like

1895

01:08:43,110 --> 01:08:40,080

zoom the [h__h]

1896

01:08:46,390 --> 01:08:43,120

out yeah it becomes uh

1897

01:08:49,030 --> 01:08:46,400

such a gratifying fun

1898

01:08:50,709 --> 01:08:49,040

topic because no one knows like there's

1899

01:08:52,229 --> 01:08:50,719

there's so much information but there's

1900

01:08:52,950 --> 01:08:52,239

no one out there saying there's no

1901

01:08:55,669 --> 01:08:52,960

history book

1902

01:08:56,229 --> 01:08:55,679

saying yeah yeah this is it that we

1903

01:08:57,749 --> 01:08:56,239

haven't been

1904

01:08:59,510 --> 01:08:57,759

like people like kids aren't being

1905

01:09:01,749 --> 01:08:59,520

taught in school yeah yeah

1906

01:09:02,630 --> 01:09:01,759

aliens yeah [\h__\h] out you know it's fine

1907

01:09:04,870 --> 01:09:02,640

like there's

1908

01:09:06,789 --> 01:09:04,880

nothing that we've been indoctrinated

1909

01:09:10,229 --> 01:09:06,799

it's all been propaganda

1910

01:09:11,430 --> 01:09:10,239

and [\h__\h] and i think man i don't

1911

01:09:12,950 --> 01:09:11,440

know where i was going with that but i

1912

01:09:15,349 --> 01:09:12,960

think it's about to change

1913

01:09:16,789 --> 01:09:15,359

man this day in history tomorrow is

1914

01:09:20,470 --> 01:09:16,799

going to be

1915

01:09:23,669 --> 01:09:20,480

history i think it's been a little soft

1916

01:09:25,110 --> 01:09:23,679

uh opening man uh hopefully

1917

01:09:27,189 --> 01:09:25,120

you know that's that's gonna open up the

1918

01:09:31,510 --> 01:09:27,199

conversation

1919

01:09:35,189 --> 01:09:34,070

i'm i'm gonna i'm gonna stay on this

1920

01:09:38,390 --> 01:09:35,199

side of the fence

1921

01:09:40,709 --> 01:09:38,400

and be pleasantly surprised

1922

01:09:42,149 --> 01:09:40,719

then be on that green grass side and

1923

01:09:50,550 --> 01:09:42,159

then be like

1924

01:09:57,350 --> 01:09:53,910

but when you saw them

1925

01:09:58,950 --> 01:09:57,360

imagine if you saw [h__\h] aliens dude

1926

01:10:01,910 --> 01:09:58,960

yeah you saw them i know we've seen

1927

01:10:04,149 --> 01:10:01,920

lights but if you saw aliens and and

1928

01:10:07,189 --> 01:10:04,159

people are telling you every day

1929

01:10:08,470 --> 01:10:07,199

you're wrong how [h__h] that would make

1930

01:10:10,709 --> 01:10:08,480

your head

1931

01:10:12,550 --> 01:10:10,719

like could you do it yeah it'd be bad

1932

01:10:14,790 --> 01:10:12,560

it'd be bad

1933

01:10:16,790 --> 01:10:14,800

and then to like tell people like hey

1934

01:10:18,709 --> 01:10:16,800

yeah like

1935

01:10:19,830 --> 01:10:18,719

i've i've seen them like this is what

1936

01:10:21,669 --> 01:10:19,840

happens right

1937

01:10:23,830 --> 01:10:21,679

and then a government entity comes out

1938

01:10:25,350 --> 01:10:23,840

and it's like yeah there's something

1939

01:10:28,870 --> 01:10:25,360

there we don't know what it is and

1940

01:10:33,830 --> 01:10:31,270

what do you think that is why like why

1941

01:10:34,310 --> 01:10:33,840

that's why the contact ian experencer

1942

01:10:36,870 --> 01:10:34,320

is so

1943

01:10:40,229 --> 01:10:36,880

important they're the most important

1944

01:10:41,669 --> 01:10:40,239

part to this entire thing

1945

01:10:44,310 --> 01:10:41,679

you've been saying that since the get-go

1946

01:10:48,310 --> 01:10:44,320

right yeah so of the entire

1947

01:10:49,669 --> 01:10:48,320

thing right and i think the question is

1948

01:10:52,870 --> 01:10:49,679

well why don't they ever talk to

1949

01:10:56,470 --> 01:10:52,880

experiencers and i think

1950

01:10:57,110 --> 01:10:56,480

they do and you probably just don't hear

1951

01:10:59,590 --> 01:10:57,120

about it

1952

01:11:00,950 --> 01:10:59,600

um you know so are you talking like

1953

01:11:03,590 --> 01:11:00,960

montauk program

1954

01:11:05,430 --> 01:11:03,600

are we talking about like is it is it is

1955

01:11:08,310 --> 01:11:05,440

it just talking about in general

1956

01:11:09,030 --> 01:11:08,320

right i mean so a lot of government

1957

01:11:12,870 --> 01:11:09,040

black op

1958

01:11:15,110 --> 01:11:12,880

government programs uh are follow-up

1959

01:11:17,030 --> 01:11:15,120

right yeah and a lot of black op

1960

01:11:20,310 --> 01:11:17,040

programs

1961

01:11:21,750 --> 01:11:20,320

make it happen like i mean you just look

1962

01:11:25,590 --> 01:11:21,760

at eric mitchell right

1963

01:11:27,910 --> 01:11:25,600

and his story he sees this thing boom

1964

01:11:29,350 --> 01:11:27,920

knocks him down with some light yeah

1965

01:11:32,950 --> 01:11:29,360

nobody's talking

1966

01:11:36,070 --> 01:11:34,950

but there's there's there's wires in

1967

01:11:38,310 --> 01:11:36,080

this house

1968

01:11:40,790 --> 01:11:38,320

some people dressed in military uniforms

1969

01:11:42,310 --> 01:11:40,800

show up when he's not home

1970

01:11:43,830 --> 01:11:42,320

there's a guy tracking him and his

1971

01:11:45,669 --> 01:11:43,840

family he didn't know about

1972

01:11:46,950 --> 01:11:45,679

there's a helicopter that flies over his

1973

01:11:48,870 --> 01:11:46,960

damn house

1974

01:11:51,430 --> 01:11:48,880

they're collecting data and information

1975

01:11:54,470 --> 01:11:51,440

without specifically engaging

1976

01:11:56,149 --> 01:11:54,480

with you yeah which is weird it's uh

1977

01:11:56,790 --> 01:11:56,159

it's almost like the engagement would

1978

01:12:00,070 --> 01:11:56,800

just be

1979

01:12:01,669 --> 01:12:00,080

easier but instead they go through all

1980

01:12:04,550 --> 01:12:01,679

these back channels and like

1981

01:12:05,590 --> 01:12:04,560

it's freaky it's weird stop stop that

1982

01:12:07,030 --> 01:12:05,600

[h__\h] like why are they

1983

01:12:09,350 --> 01:12:07,040

why do they do that like why do they

1984

01:12:13,030 --> 01:12:09,360

insist on like being sneaky

1985

01:12:14,790 --> 01:12:13,040

like naked okay i'm snack guy

1986

01:12:16,630 --> 01:12:14,800

yeah i want you to be sneaky about this

1987

01:12:19,110 --> 01:12:16,640

why isn't that so lame dude

1988

01:12:21,030 --> 01:12:19,120

like just [h__\h] talk to the person and

1989

01:12:22,070 --> 01:12:21,040

not to mention dude flying a helicopter

1990

01:12:25,510 --> 01:12:22,080

over somebody's house is not

1991

01:12:27,830 --> 01:12:25,520

[h__\h] sneaky like

1992

01:12:30,149 --> 01:12:27,840

what if what if like the engineer was

1993

01:12:32,870 --> 01:12:30,159

like guys this is totally gonna be quiet

1994

01:12:34,070 --> 01:12:32,880

but we painted over the numbers yeah

1995

01:12:37,030 --> 01:12:34,080

it's like it's like

1996

01:12:38,229 --> 01:12:37,040

nobody can see you uh boy when did you

1997

01:12:41,510 --> 01:12:38,239

fly i was during the daytime

1998

01:12:45,910 --> 01:12:41,520

it's all black trust me no one's gonna

1999

01:12:50,630 --> 01:12:48,310

[h__\h] lights going and then they

2000

01:12:53,990 --> 01:12:50,640

spotlight you

2001

01:12:56,870 --> 01:12:54,000

they can't see this right dude just

2002

01:12:59,669 --> 01:12:56,880

just just hover and just be still yeah

2003

01:13:02,709 --> 01:12:59,679

don't ever see you

2004

01:13:04,870 --> 01:13:02,719

it seems so dumb dude

2005

01:13:05,750 --> 01:13:04,880

it's not like it's like there's probably

2006

01:13:08,790 --> 01:13:05,760

there's probably

2007

01:13:11,669 --> 01:13:08,800

pilots out there that that listen to the

2008

01:13:12,550 --> 01:13:11,679

like us goofballs talk about this thing

2009

01:13:14,709 --> 01:13:12,560

and they're like

2010

01:13:16,630 --> 01:13:14,719

oh bro there's way more to that there's

2011

01:13:18,709 --> 01:13:16,640

way more to that story

2012

01:13:20,470 --> 01:13:18,719

there's a reason okay it might seem dumb

2013

01:13:23,750 --> 01:13:20,480

to you but there was a reason why we did

2014

01:13:25,270 --> 01:13:23,760

that and we had orders or whatever

2015

01:13:27,990 --> 01:13:25,280

it could be it could be a lot of things

2016

01:13:29,990 --> 01:13:28,000

it could be a scare tactic it could be

2017

01:13:31,189 --> 01:13:30,000

a mental this is what i love to think

2018

01:13:34,070 --> 01:13:31,199

about dude

2019

01:13:35,990 --> 01:13:34,080

that scare tactic where like an

2020

01:13:39,590 --> 01:13:36,000

experiencer starts to see orbs or

2021

01:13:44,070 --> 01:13:39,600

or crafts during the day or night

2022

01:13:47,430 --> 01:13:44,080

and soon to follow is is a black hawk

2023

01:13:48,950 --> 01:13:47,440

helicopter or or or two or jets and like

2024

01:13:52,149 --> 01:13:48,960

you start seeing these

2025

01:13:53,510 --> 01:13:52,159

these suvs and like what if that's not

2026

01:13:55,990 --> 01:13:53,520

them actually trying to figure out

2027

01:13:58,709 --> 01:13:56,000

that's that's that's them trying to

2028

01:13:59,350 --> 01:13:58,719

not necessarily like scare you into

2029

01:14:01,030 --> 01:13:59,360

submission

2030

01:14:03,270 --> 01:14:01,040

and like show you their strength and

2031

01:14:05,430 --> 01:14:03,280

power and like control

2032

01:14:07,189 --> 01:14:05,440

because that's definitely part of it i

2033

01:14:10,310 --> 01:14:07,199

think you can agree with that

2034

01:14:13,430 --> 01:14:10,320

but but what if it's like hey

2035

01:14:15,350 --> 01:14:13,440

we can't allow your consciousness to

2036

01:14:17,590 --> 01:14:15,360

pass a certain level

2037

01:14:18,790 --> 01:14:17,600

and a comfortability with with this

2038

01:14:21,830 --> 01:14:18,800

phenomenon

2039

01:14:24,390 --> 01:14:21,840

maybe it's it's more important to to

2040

01:14:25,990 --> 01:14:24,400

get that point across subliminally in

2041

01:14:28,390 --> 01:14:26,000

the back of your mind like oh

2042

01:14:29,910 --> 01:14:28,400

danger if i if i if i witness this

2043

01:14:31,910 --> 01:14:29,920

danger

2044

01:14:33,350 --> 01:14:31,920

right do you know where i'm going with

2045

01:14:36,550 --> 01:14:33,360

that yeah where it's like

2046

01:14:38,149 --> 01:14:36,560

this physical thing that that if you've

2047

01:14:40,630 --> 01:14:38,159

caught anything on uh

2048

01:14:41,990 --> 01:14:40,640

on camera or seen lights and during the

2049

01:14:45,110 --> 01:14:42,000

day or the night like

2050

01:14:47,590 --> 01:14:45,120

that's a physical thing and everybody's

2051

01:14:50,470 --> 01:14:47,600

got a camera on their phone

2052

01:14:51,990 --> 01:14:50,480

dude it's pretty simple you just put it

2053

01:14:53,030 --> 01:14:52,000

take it out of your pocket if you if you

2054

01:14:54,630 --> 01:14:53,040

can think about it

2055

01:14:56,470 --> 01:14:54,640

take it out of your bed that's the hard

2056

01:14:57,030 --> 01:14:56,480

part right well like i guess what i'm

2057

01:14:59,830 --> 01:14:57,040

getting at

2058

01:15:00,870 --> 01:14:59,840

is is what if the the psyop the

2059

01:15:04,310 --> 01:15:00,880

psychological

2060

01:15:05,669 --> 01:15:04,320

operation is not that they're chasing

2061

01:15:07,830 --> 01:15:05,679

the ufo they're chasing

2062

01:15:09,590 --> 01:15:07,840

you they're they're preventing you from

2063

01:15:11,350 --> 01:15:09,600

that conscious

2064

01:15:13,750 --> 01:15:11,360

consciousness connection because they

2065

01:15:15,990 --> 01:15:13,760

don't want that they want that

2066

01:15:16,950 --> 01:15:16,000

they want that consciousness connection

2067

01:15:21,430 --> 01:15:16,960

and they're like

2068

01:15:32,470 --> 01:15:21,440

nah dude like i'm i'm gonna come get it

2069

01:15:41,830 --> 01:15:36,830

somebody had made a uh a comment

2070

01:15:45,830 --> 01:15:41,840

uh yeah jay durano use the map

2071

01:15:47,510 --> 01:15:45,840

best case fly over by tr3b

2072

01:15:50,149 --> 01:15:47,520

this is how they should have released it

2073

01:15:52,870 --> 01:15:50,159

right super bowl night

2074

01:15:54,470 --> 01:15:52,880

in instead of having the b2 or some blue

2075

01:15:57,030 --> 01:15:54,480

angels fly over the field

2076

01:15:57,910 --> 01:15:57,040

they fly a tr3b over that [h__h] and

2077

01:16:01,030 --> 01:15:57,920

everybody's like

2078

01:16:01,510 --> 01:16:01,040

what is that and then and then and then

2079

01:16:04,149 --> 01:16:01,520

you hear

2080

01:16:05,990 --> 01:16:04,159

like troy aikman or whoever's gonna like

2081

01:16:08,790 --> 01:16:06,000

announce at the super bowl will be like

2082

01:16:11,270 --> 01:16:08,800

by the way ladies and gentlemen uh we've

2083

01:16:14,470 --> 01:16:11,280

disclosed that ufos and aliens are real

2084

01:16:17,669 --> 01:16:14,480

right that that would be sweet also

2085

01:16:25,430 --> 01:16:17,679

i'm a reptilian i

2086

01:16:28,790 --> 01:16:27,270

what if they come out tomorrow what if

2087

01:16:33,350 --> 01:16:28,800

they come out tomorrow

2088

01:16:36,229 --> 01:16:33,360

and they say ladies and gentlemen

2089

01:16:36,550 --> 01:16:36,239

you're all [h__h] and [h__h] just starts

2090

01:16:38,470 --> 01:16:36,560

so

2091

01:16:42,229 --> 01:16:38,480

a nut people people would get offended

2092

01:16:48,229 --> 01:16:46,470

uh could we say people of earth

2093

01:16:50,229 --> 01:16:48,239

i'm sorry i just went into like this

2094

01:16:52,149 --> 01:16:50,239

whole thing like

2095

01:16:53,669 --> 01:16:52,159

i i was trying to like poke your butt

2096

01:16:57,910 --> 01:16:53,679

because i know you get triggered by that

2097

01:17:00,950 --> 01:17:00,310

can it trigger me bro but but they would

2098

01:17:04,390 --> 01:17:00,960

have to say

2099

01:17:06,709 --> 01:17:04,400

people of earth what

2100

01:17:07,590 --> 01:17:06,719

you're all [h__h] you're all [h__h] we

2101
01:17:10,709 --> 01:17:07,600
eat you

2102
01:17:13,270 --> 01:17:10,719
oh no what if it's not so much

2103
01:17:14,229 --> 01:17:13,280
disclosure of like aliens and ufos or

2104
01:17:17,270 --> 01:17:14,239
like what's going on

2105
01:17:17,669 --> 01:17:17,280
it's like them announcing to the world

2106
01:17:20,790 --> 01:17:17,679
like

2107
01:17:22,709 --> 01:17:20,800
hey we are the power source and we are

2108
01:17:23,350 --> 01:17:22,719
in power and here's what's about to

2109
01:17:25,990 --> 01:17:23,360
happen

2110
01:17:27,350 --> 01:17:26,000
you're all slaves even though a lot of

2111
01:17:30,870 --> 01:17:27,360
you already know that

2112
01:17:31,830 --> 01:17:30,880
yeah alien lives matter you know aliens

2113
01:17:35,110 --> 01:17:31,840

use pronouns

2114

01:17:37,910 --> 01:17:35,120

yeah yeah it's it's funny it

2115

01:17:39,669 --> 01:17:37,920

no it's not funny but like dude samantha

2116

01:17:43,030 --> 01:17:39,679

mullet really opened our eyes

2117

01:17:45,430 --> 01:17:43,040

opened my eyes to to like this this idea

2118

01:17:47,990 --> 01:17:45,440

of like uh alien racism

2119

01:17:49,990 --> 01:17:48,000

where like yeah everybody confuses like

2120

01:17:51,750 --> 01:17:50,000

the grays and the tall grays and like

2121

01:17:52,310 --> 01:17:51,760

the pleiadians and all that stuff and

2122

01:17:55,590 --> 01:17:52,320

it's like

2123

01:17:57,270 --> 01:17:55,600

dude two years ago i'd be like the [h__\h]

2124

01:17:59,030 --> 01:17:57,280

are you talking about but now

2125

01:18:00,470 --> 01:17:59,040

man the people that we've met and the

2126
01:18:01,510 --> 01:18:00,480
people we've talked to how many times

2127
01:18:02,950 --> 01:18:01,520
are you gonna punch your microphone

2128
01:18:06,790 --> 01:18:02,960
tonight i don't know but my [h__h]

2129
01:18:09,270 --> 01:18:06,800
wrist is sore i punched it a lot

2130
01:18:10,950 --> 01:18:09,280
yeah yeah like the idea that like wow

2131
01:18:11,750 --> 01:18:10,960
you know when people say all pleiadians

2132
01:18:13,990 --> 01:18:11,760
are good like

2133
01:18:15,590 --> 01:18:14,000
that's so far from the truth right some

2134
01:18:18,149 --> 01:18:15,600
are [h__h] right some are all

2135
01:18:21,510 --> 01:18:18,159
reptilians are bad right that's not

2136
01:18:23,030 --> 01:18:21,520
necessarily fruit flies i'm guessing

2137
01:18:24,229 --> 01:18:23,040
you're right it's probably not all

2138
01:18:27,189 --> 01:18:24,239

necessarily true

2139

01:18:28,709 --> 01:18:27,199

right you know i don't know dude i don't

2140

01:18:30,550 --> 01:18:28,719

know

2141

01:18:32,550 --> 01:18:30,560

jedi genetics dude that's that's a good

2142

01:18:34,229 --> 01:18:32,560

point ufos are forcing disclosure it

2143

01:18:36,550 --> 01:18:34,239

looks like like

2144

01:18:38,470 --> 01:18:36,560

it's not up to them right because

2145

01:18:40,630 --> 01:18:38,480

they're they're just popping up now

2146

01:18:41,590 --> 01:18:40,640

so many people are like seeing it yeah

2147

01:18:44,550 --> 01:18:41,600

you know

2148

01:18:46,630 --> 01:18:44,560

so all right i'll ask this question in

2149

01:18:47,669 --> 01:18:46,640

the chat too please please answer your

2150

01:18:49,910 --> 01:18:47,679

your question

2151
01:18:52,470 --> 01:18:49,920
if anybody has any ideas but like joe

2152
01:18:55,750 --> 01:18:52,480
i'll ask you like

2153
01:18:59,990 --> 01:18:55,760
have you have you thought of the

2154
01:19:03,110 --> 01:19:00,000
idea that the millions

2155
01:19:06,390 --> 01:19:03,120
of square footage that exist

2156
01:19:07,669 --> 01:19:06,400
under the ocean that humans have never

2157
01:19:10,790 --> 01:19:07,679
explored

2158
01:19:12,310 --> 01:19:10,800
oh yeah and what could be there i mean

2159
01:19:13,430 --> 01:19:12,320
i've thought about it but it's so big

2160
01:19:17,590 --> 01:19:13,440
that you can only think

2161
01:19:20,870 --> 01:19:17,600
so far that's why

2162
01:19:26,950 --> 01:19:23,910
and no one can hear you scrolling spots

2163
01:19:30,229 --> 01:19:26,960

but like dude the abyss is

2164

01:19:30,550 --> 01:19:30,239

also new new movie on on amazon prime oh

2165

01:19:34,070 --> 01:19:30,560

is it

2166

01:19:34,950 --> 01:19:34,080

scene abyss dude i think i have holy

2167

01:19:39,110 --> 01:19:34,960

[h__\h]

2168

01:19:41,510 --> 01:19:39,120

i think when we uh we reviewed sphere

2169

01:19:43,669 --> 01:19:41,520

yeah wasn't it i think i was thinking of

2170

01:19:44,390 --> 01:19:43,679

the abyss that's right yeah so you had a

2171

01:19:47,830 --> 01:19:44,400

lot of like

2172

01:19:50,790 --> 01:19:47,840

insight on that movie that coincided

2173

01:19:51,510 --> 01:19:50,800

very it dovetailed very well with with

2174

01:19:54,630 --> 01:19:51,520

spear

2175

01:19:58,550 --> 01:19:54,640

and i just recently watched

2176

01:19:59,110 --> 01:19:58,560

uh abyss and it was it almost felt weird

2177

01:20:00,790 --> 01:19:59,120

like

2178

01:20:02,870 --> 01:20:00,800

are you sure this was made in the 80s

2179

01:20:03,990 --> 01:20:02,880

like it felt like the ideas and the

2180

01:20:05,510 --> 01:20:04,000

concepts were

2181

01:20:07,750 --> 01:20:05,520

right now because that was the one where

2182

01:20:09,750 --> 01:20:07,760

they put the helmets on with water

2183

01:20:10,950 --> 01:20:09,760

yes right and they have that that that

2184

01:20:13,590 --> 01:20:10,960

we love that

2185

01:20:15,590 --> 01:20:13,600

so manta ray thing that glows and comes

2186

01:20:17,830 --> 01:20:15,600

up oh no go back

2187

01:20:19,750 --> 01:20:17,840

when they inhaled the water that was

2188

01:20:21,910 --> 01:20:19,760

infused they were like hey it's it's

2189

01:20:23,669 --> 01:20:21,920

it's a really uncomfortable thing but

2190

01:20:25,910 --> 01:20:23,679

trust me just get over the

2191

01:20:27,350 --> 01:20:25,920

the mental thing of breathing your lungs

2192

01:20:28,870 --> 01:20:27,360

are going to be after you get over it

2193

01:20:31,189 --> 01:20:28,880

you're going to be fine but this liquid

2194

01:20:32,790 --> 01:20:31,199

that you're inhaling is full of oxygen

2195

01:20:34,310 --> 01:20:32,800

it takes the place of breathing so your

2196

01:20:37,510 --> 01:20:34,320

right lungs don't have to

2197

01:20:41,110 --> 01:20:37,520

breathe anymore it's so

2198

01:20:43,590 --> 01:20:41,120

smart who did that

2199

01:20:44,790 --> 01:20:43,600

was i mean it's an idea that like while

2200

01:20:47,510 --> 01:20:44,800

you're a baby

2201

01:20:48,950 --> 01:20:47,520

right you live in liquid oh dude i've

2202

01:20:50,149 --> 01:20:48,960

been thinking about that a lot lately

2203

01:20:52,470 --> 01:20:50,159

with my kiddo

2204

01:20:53,270 --> 01:20:52,480

dude in the in the womb like how the

2205

01:20:57,110 --> 01:20:53,280

[h__\h] is she

2206

01:20:59,350 --> 01:20:57,120

alive dude what liquids how she

2207

01:21:01,510 --> 01:20:59,360

she's not breathing but she's alive okay

2208

01:21:05,270 --> 01:21:01,520

cool well how is that happening

2209

01:21:08,870 --> 01:21:05,280

dude that's the same concept man

2210

01:21:09,510 --> 01:21:08,880

yeah like like some people like have

2211

01:21:12,550 --> 01:21:09,520

their kids

2212

01:21:14,709 --> 01:21:12,560

in water right and then it's weird

2213

01:21:15,990 --> 01:21:14,719

because they're like okay

2214

01:21:17,189 --> 01:21:16,000

gotta get them out of the water so they

2215

01:21:19,750 --> 01:21:17,199

can breathe and it's like but they were

2216

01:21:22,390 --> 01:21:19,760

just living in water for nine months

2217

01:21:23,669 --> 01:21:22,400

what do you mean as a matter of fact the

2218

01:21:25,590 --> 01:21:23,679

next kid i have

2219

01:21:27,110 --> 01:21:25,600

i'm gonna put it in an aquarium it's a

2220

01:21:28,950 --> 01:21:27,120

water baby and just

2221

01:21:32,149 --> 01:21:28,960

just feed him through the top of the

2222

01:21:33,669 --> 01:21:32,159

aquarium just like feed him flakes

2223

01:21:35,830 --> 01:21:33,679

but it only grows to the size of the

2224

01:21:39,669 --> 01:21:35,840

aquarium so you're good

2225

01:21:41,270 --> 01:21:39,679

yeah maybe can you do that

2226

01:21:43,030 --> 01:21:41,280

i wonder if like that like if you

2227

01:21:44,870 --> 01:21:43,040

actually did that like a test tube baby

2228

01:21:46,709 --> 01:21:44,880

and you kept him in a glass tube like

2229

01:21:49,750 --> 01:21:46,719

that's as big as it's gonna get

2230

01:21:53,510 --> 01:21:49,760

dude what if oh no

2231

01:21:58,709 --> 01:21:53,520

oh no what if i just created

2232

01:22:02,629 --> 01:22:01,669

just now like by me saying that

2233

01:22:05,030 --> 01:22:02,639

somebody's getting

2234

01:22:07,149 --> 01:22:05,040

gonna get an idea and do that and over

2235

01:22:09,189 --> 01:22:07,159

thousands of years we become

2236

01:22:11,110 --> 01:22:09,199

extraterrestrials right what we perceive

2237

01:22:13,030 --> 01:22:11,120

to be extraterrestrials yes and that's

2238

01:22:14,629 --> 01:22:13,040

why you see people in those like little

2239

01:22:17,350 --> 01:22:14,639

water tanks of like

2240

01:22:18,550 --> 01:22:17,360

bodies floating right they talk about

2241

01:22:20,149 --> 01:22:18,560

how they like

2242

01:22:21,750 --> 01:22:20,159

create hybrids and they grow them in

2243

01:22:25,030 --> 01:22:21,760

these tanks chimeras

2244

01:22:26,310 --> 01:22:25,040

you know [h__\h] like that so so what your

2245

01:22:28,950 --> 01:22:26,320

the concept that you're trying to

2246

01:22:29,990 --> 01:22:28,960

describe is like the ideas that any of

2247

01:22:33,110 --> 01:22:30,000

us have and we

2248

01:22:34,870 --> 01:22:33,120

let that out is is is is manifesting

2249

01:22:36,830 --> 01:22:34,880

that in the future we just seated the

2250

01:22:37,830 --> 01:22:36,840

idea and in the future thousands of

2251

01:22:40,950 --> 01:22:37,840

years they're gonna

2252

01:22:42,310 --> 01:22:40,960

start is that is that dude i love i love

2253

01:22:44,070 --> 01:22:42,320

thinking about that [\h__\h] man

2254

01:22:45,830 --> 01:22:44,080

like what came first a lot of people

2255

01:22:47,510 --> 01:22:45,840

think that a lot of hollywood movies are

2256

01:22:49,669 --> 01:22:47,520

like soft disclosure like trying to get

2257

01:22:51,750 --> 01:22:49,679

us used to the idea

2258

01:22:53,110 --> 01:22:51,760

well what's the opposite of that

2259

01:22:59,510 --> 01:22:53,120

sometimes

2260

01:23:05,910 --> 01:23:02,950

monkeys cricket nose she knows

2261

01:23:06,709 --> 01:23:05,920

yeah see you're on the inside and a lot

2262

01:23:09,110 --> 01:23:06,719

a lot of people

2263

01:23:09,750 --> 01:23:09,120

are and i appreciate you this earth is

2264

01:23:13,750 --> 01:23:09,760

just a

2265

01:23:15,590 --> 01:23:13,760

are the sea monkeys

2266

01:23:17,350 --> 01:23:15,600

and they're observing us also jake it's

2267

01:23:22,229 --> 01:23:17,360

your turn to pass it you've been hogging

2268

01:23:26,149 --> 01:23:24,470

oh i was going there i was doing the

2269

01:23:29,270 --> 01:23:26,159

base i should not do that

2270

01:23:36,149 --> 01:23:29,280

i know that's your i know that's your

2271

01:23:42,470 --> 01:23:39,270

so i was abducted by huge shrimp oh no

2272

01:23:44,070 --> 01:23:42,480

there's so many arms think about we like

2273

01:23:46,310 --> 01:23:44,080

our last episode we talked about like

2274

01:23:48,550 --> 01:23:46,320

tickling aliens yeah dude if they would

2275

01:23:50,790 --> 01:23:48,560

laugh or not like are they ticklish

2276

01:23:51,830 --> 01:23:50,800

are they ticklish dude if a shrimp pick

2277

01:23:55,350 --> 01:23:51,840

me

2278

01:23:59,669 --> 01:23:57,990

could you be terrified and like ticklish

2279

01:24:01,030 --> 01:23:59,679

at the same time i think it's possible

2280

01:24:04,229 --> 01:24:01,040

to be terrified also

2281

01:24:06,310 --> 01:24:04,239

and entertained and like

2282

01:24:07,830 --> 01:24:06,320

i respect your life form what i'm saying

2283

01:24:08,390 --> 01:24:07,840

like it's like if there was like a

2284

01:24:10,070 --> 01:24:08,400

shrimpy

2285

01:24:11,830 --> 01:24:10,080

alien with multiple arms and it picked

2286

01:24:13,750 --> 01:24:11,840

you up and it would normally be

2287

01:24:16,950 --> 01:24:13,760

something that would be ticklish

2288

01:24:17,669 --> 01:24:16,960

shrimpy alien would you still would you

2289

01:24:20,950 --> 01:24:17,679

still

2290

01:24:23,669 --> 01:24:20,960

laugh uh even though you're absolutely

2291

01:24:24,950 --> 01:24:23,679

terrified would it still be ticklish if

2292

01:24:28,470 --> 01:24:24,960

you're terrified

2293

01:24:30,229 --> 01:24:28,480

is there a a a a level of terrified that

2294

01:24:31,430 --> 01:24:30,239

you get to where [h__h] isn't ticklish

2295

01:24:35,270 --> 01:24:31,440

anymore

2296

01:24:37,750 --> 01:24:35,280

dude so when does it become

2297

01:24:38,790 --> 01:24:37,760

funny and like okay i'm dealing with it

2298

01:24:42,550 --> 01:24:38,800

then

2299

01:24:45,910 --> 01:24:42,560

no no no no no

2300

01:24:49,510 --> 01:24:45,920

no imagine imagine imagine

2301

01:24:51,590 --> 01:24:49,520

you get uh like dragons no um

2302

01:24:53,669 --> 01:24:51,600

that's your favorite band right no not

2303

01:24:55,669 --> 01:24:53,679

at all

2304

01:24:57,189 --> 01:24:55,679

i mean imagine somebody kidnaps you

2305

01:24:59,669 --> 01:24:57,199

there's like a serial killer

2306

01:25:02,070 --> 01:24:59,679

kidnaps you knocks you out and you wake

2307

01:25:05,350 --> 01:25:02,080

up and you're tied upside down

2308

01:25:06,790 --> 01:25:05,360

yeah and like you don't have a shirt on

2309

01:25:08,790 --> 01:25:06,800

and the dude's standing there there's

2310

01:25:10,149 --> 01:25:08,800

like this glitch like a couple of like

2311

01:25:12,470 --> 01:25:10,159

torture devices

2312

01:25:13,669 --> 01:25:12,480

and he walks up and tries to tickle you

2313

01:25:16,870 --> 01:25:13,679

would you that be

2314

01:25:20,149 --> 01:25:16,880

would you be like

2315

01:25:20,470 --> 01:25:20,159

tickles or would you be so scared that

2316

01:25:23,910 --> 01:25:20,480

it's

2317

01:25:26,470 --> 01:25:23,920

no longer like things aren't ticklish

2318

01:25:28,070 --> 01:25:26,480

oh seriously good question that's a good

2319

01:25:31,030 --> 01:25:28,080

it brings me back to

2320

01:25:33,830 --> 01:25:31,040

to fire in the sky because did they

2321

01:25:35,270 --> 01:25:33,840

tickle travis

2322

01:25:37,110 --> 01:25:35,280

i don't think there was any tickling in

2323

01:25:39,990 --> 01:25:37,120

the movie but like i guess i was

2324

01:25:42,629 --> 01:25:40,000

referring to like the the surroundings

2325

01:25:43,990 --> 01:25:42,639

of of him being like upside down i was

2326

01:25:45,910 --> 01:25:44,000

making that connection like

2327

01:25:47,430 --> 01:25:45,920

he's kind of like in this this this

2328

01:25:49,110 --> 01:25:47,440

vortex right he comes out of that like

2329

01:25:50,870 --> 01:25:49,120

sludge remember he's like in this pod

2330

01:25:55,590 --> 01:25:50,880

that's like in his bean pod

2331

01:25:57,510 --> 01:25:55,600

and he's like

2332

01:25:58,709 --> 01:25:57,520

and there's like jelly coming everywhere

2333

01:26:00,149 --> 01:25:58,719

and he like comes out and

2334

01:26:01,590 --> 01:26:00,159

he's like all of a sudden floating that

2335

01:26:02,950 --> 01:26:01,600

was a beautiful scene i don't know how

2336

01:26:06,229 --> 01:26:02,960

the [h__\h] they filmed that

2337

01:26:08,470 --> 01:26:06,239

that was awesome but uh it

2338

01:26:10,070 --> 01:26:08,480

it almost like humanizes it that's the

2339

01:26:12,470 --> 01:26:10,080

best word i can think of

2340

01:26:13,270 --> 01:26:12,480

of like they just at that time in the

2341

01:26:16,390 --> 01:26:13,280

70s

2342

01:26:18,070 --> 01:26:16,400

didn't know the etiquette bernie what

2343

01:26:21,910 --> 01:26:18,080

you what you crying for baby

2344

01:26:22,709 --> 01:26:21,920

come here uh but like the etiquette of

2345

01:26:25,669 --> 01:26:22,719

like

2346

01:26:26,149 --> 01:26:25,679

making a a scenario comforting for a

2347

01:26:29,350 --> 01:26:26,159

human

2348

01:26:33,189 --> 01:26:29,360

has has got to be it's probably been a

2349

01:26:35,750 --> 01:26:33,199

a process for a lot of of

2350

01:26:36,629 --> 01:26:35,760

a lot of those abducting aliens out

2351

01:26:38,550 --> 01:26:36,639

there

2352

01:26:40,390 --> 01:26:38,560

you know do you think aliens over the

2353

01:26:42,709 --> 01:26:40,400

years have like

2354

01:26:43,830 --> 01:26:42,719

better their their process of taking

2355

01:26:46,070 --> 01:26:43,840

people yeah

2356

01:26:47,110 --> 01:26:46,080

well i know that i'm i'm like stretching

2357

01:26:49,350 --> 01:26:47,120

things out a little bit

2358

01:26:51,189 --> 01:26:49,360

and i'm sorry if i'm going on like a

2359

01:26:54,390 --> 01:26:51,199

random rant

2360

01:26:56,870 --> 01:26:54,400

but my brain's weird but like like

2361

01:26:59,110 --> 01:26:56,880

the idea of like okay you wake up in a

2362

01:27:01,030 --> 01:26:59,120

in a scary room and you're upside down

2363

01:27:03,990 --> 01:27:01,040

that was the scenario that you

2364

01:27:05,510 --> 01:27:04,000

posed a few minutes ago yeah i wonder if

2365

01:27:07,669 --> 01:27:05,520

things are different now

2366

01:27:08,629 --> 01:27:07,679

you know you wake up and you're in

2367

01:27:10,870 --> 01:27:08,639

you're in

2368

01:27:13,270 --> 01:27:10,880

maybe it's something more quaint like a

2369

01:27:16,070 --> 01:27:13,280

small town doctor's office

2370

01:27:17,189 --> 01:27:16,080

and you're not being anal probed or like

2371

01:27:20,390 --> 01:27:17,199

dick tickled

2372

01:27:23,270 --> 01:27:20,400

but you're like here's a lollipop or

2373

01:27:24,070 --> 01:27:23,280

what's your favorite soda or like we've

2374

01:27:27,270 --> 01:27:24,080

been waiting

2375

01:27:27,990 --> 01:27:27,280

sir you know yeah i wonder if they've

2376

01:27:30,310 --> 01:27:28,000

adapted

2377

01:27:31,350 --> 01:27:30,320

to that because i mean your question was

2378

01:27:35,030 --> 01:27:31,360

like

2379

01:27:37,830 --> 01:27:35,040

that you're

2380

01:27:38,229 --> 01:27:37,840

you're willing to to overcome i think

2381

01:27:40,790 --> 01:27:38,239

it's

2382

01:27:41,590 --> 01:27:40,800

dependent on the experience the alien

2383

01:27:43,430 --> 01:27:41,600

gives you the

2384

01:27:45,350 --> 01:27:43,440

question the question was are you still

2385

01:27:50,629 --> 01:27:45,360

ticklish if you're terrified

2386

01:27:54,709 --> 01:27:52,950

that was the question well i took it as

2387

01:27:57,189 --> 01:27:54,719

are you are you terrified by your

2388

01:28:00,070 --> 01:27:57,199

surroundings or the act of tickling oh

2389

01:28:00,709 --> 01:28:00,080

no i was literally like that was the

2390

01:28:02,950 --> 01:28:00,719

literal

2391

01:28:04,950 --> 01:28:02,960

question it was like are you still

2392

01:28:05,430 --> 01:28:04,960

ticklish even though you're terrified

2393

01:28:07,189 --> 01:28:05,440

right

2394

01:28:09,030 --> 01:28:07,199

i i guess i i guess i took it in a

2395

01:28:10,390 --> 01:28:09,040

different direction no i i get what

2396

01:28:13,990 --> 01:28:10,400

you're saying totally

2397

01:28:15,910 --> 01:28:14,000

um aka willie says

2398

01:28:18,629 --> 01:28:15,920

i probably would laugh if i ran into

2399

01:28:21,430 --> 01:28:18,639

bigfoot and it had an erection

2400

01:28:23,189 --> 01:28:21,440

while also being scared yeah beer boner

2401

01:28:25,070 --> 01:28:23,199

man yeah fear boners dude

2402

01:28:26,709 --> 01:28:25,080

if you saw a [h__h] huge

2403

01:28:30,390 --> 01:28:26,719

gigantopithecus

2404

01:28:33,030 --> 01:28:30,400

who also was rock solid

2405

01:28:34,070 --> 01:28:33,040

i'll guarantee you i'm gonna follow suit

2406

01:28:36,950 --> 01:28:34,080

and i will be running

2407

01:28:37,830 --> 01:28:36,960

a million miles an hour as far as fast

2408

01:28:41,350 --> 01:28:37,840

as my small

2409

01:28:41,360 --> 01:28:45,270

tickle tickle here comes the pick

2410

01:28:51,910 --> 01:28:49,110

yes ben ben's for the win

2411

01:28:52,950 --> 01:28:51,920

there's no joe's in here still yeah oh

2412

01:28:57,110 --> 01:28:52,960

god oh god

2413

01:28:58,390 --> 01:28:57,120

jp i don't think we should read that one

2414

01:29:01,030 --> 01:28:58,400

just because we're gonna have this on

2415

01:29:03,110 --> 01:29:01,040

like apple and all this stuff [h__h] it

2416

01:29:04,470 --> 01:29:03,120

condoms are hilarious multiple people

2417

01:29:07,590 --> 01:29:04,480

each night

2418

01:29:10,709 --> 01:29:07,600

unclean whoa that's a good question

2419

01:29:13,030 --> 01:29:10,719

yeah i don't know i don't know

2420

01:29:14,870 --> 01:29:13,040

alien genitals there's a lot of people

2421

01:29:16,550 --> 01:29:14,880

who say that they don't see genitals on

2422

01:29:20,629 --> 01:29:16,560

aliens

2423

01:29:22,310 --> 01:29:20,639

yeah yeah ooh never thought about that

2424

01:29:24,070 --> 01:29:22,320

so like it's not like we're being

2425

01:29:27,510 --> 01:29:24,080

abducted and like having

2426

01:29:29,350 --> 01:29:27,520

sexual relationships with these aliens

2427

01:29:31,350 --> 01:29:29,360

oh unless we're going from like love and

2428

01:29:35,350 --> 01:29:31,360

saucers where

2429

01:29:35,990 --> 01:29:35,360

he was totally dude banging that alien

2430

01:29:39,590 --> 01:29:36,000

chick

2431

01:29:41,080 --> 01:29:39,600

she sounded hot she was fine fine

2432

01:29:42,709 --> 01:29:41,090

fine fine

2433

01:29:45,750 --> 01:29:42,719

[Music]

2434

01:29:46,390 --> 01:29:45,760

now i'm really okay okay there there's

2435

01:29:47,510 --> 01:29:46,400

there's so many

2436

01:29:48,390 --> 01:29:47,520

there's different schools of thought

2437

01:29:50,550 --> 01:29:48,400

there's so there's there's some

2438

01:29:52,229 --> 01:29:50,560

experiencers that have

2439

01:29:54,470 --> 01:29:52,239

but it would be just like us right we

2440

01:29:57,750 --> 01:29:54,480

have genitals we reproduce

2441

01:30:00,950 --> 01:29:57,760

but our robots do not

2442

01:30:03,990 --> 01:30:00,960

yeah hell yeah

2443

01:30:07,110 --> 01:30:04,000

dude that's the most polite way i've

2444

01:30:10,229 --> 01:30:07,120

ever said

2445

01:30:12,070 --> 01:30:10,239

that yeah

2446

01:30:13,830 --> 01:30:12,080

we're usually so quick to dig in balls

2447

01:30:15,590 --> 01:30:13,840

that like

2448

01:30:18,470 --> 01:30:15,600

i mean you were trying to i feel

2449

01:30:20,790 --> 01:30:18,480

professional right now i

2450

01:30:21,910 --> 01:30:20,800

i'm very proud of us reptilians probably

2451

01:30:25,189 --> 01:30:21,920

have her tactical

2452

01:30:28,470 --> 01:30:25,199

retractable penises like alligators man

2453

01:30:30,070 --> 01:30:28,480

alligators have the retractable pipanos

2454

01:30:31,590 --> 01:30:30,080

that's right there's like a little slit

2455

01:30:35,590 --> 01:30:31,600

bro and like the mingmo

2456

01:30:38,950 --> 01:30:35,600

comes out of lingling yeah and it goes

2457

01:30:39,910 --> 01:30:38,960

it goes game over dude what time of year

2458

01:30:43,590 --> 01:30:39,920

it is

2459

01:30:45,510 --> 01:30:43,600

i don't care dude [h__h] crocodile

2460

01:30:52,629 --> 01:30:45,520

tammy i'm growing up

2461

01:31:04,550 --> 01:30:55,990

like yeah you set up we're coming up i'm

2462

01:31:09,830 --> 01:31:07,590

oh you're gonna go use the big boy potty

2463

01:31:12,149 --> 01:31:09,840

oh yeah dude hey man you'll go check us

2464

01:31:15,110 --> 01:31:12,159

out on ufo garagepodcast.com

2465

01:31:16,790 --> 01:31:15,120

we've got some new uh some new diggable

2466

01:31:20,390 --> 01:31:16,800

threads on there it's got the new

2467

01:31:23,350 --> 01:31:20,400

the new logo updated stuff on there

2468

01:31:24,149 --> 01:31:23,360

we've got some mugs you know just having

2469

01:31:25,910 --> 01:31:24,159

some fun

2470

01:31:28,310 --> 01:31:25,920

we just redid the website too y'all go

2471

01:31:30,390 --> 01:31:28,320

check it out ufogaragepodcast.com

2472

01:31:31,990 --> 01:31:30,400

and if you want to like send us an email

2473

01:31:34,229 --> 01:31:32,000

or like just

2474

01:31:35,830 --> 01:31:34,239

say what's up feel free reach out if you

2475

01:31:37,910 --> 01:31:35,840

guys like what you hear and you want to

2476

01:31:40,229 --> 01:31:37,920

donate you know keep the podcast going

2477

01:31:41,750 --> 01:31:40,239

you can also donate on there but that

2478

01:31:43,510 --> 01:31:41,760

doesn't necessarily mean that that's

2479

01:31:45,590 --> 01:31:43,520

what's going to keep the podcast going

2480

01:31:46,790 --> 01:31:45,600

because we started the podcast with no

2481

01:31:49,830 --> 01:31:46,800

money

2482

01:31:52,550 --> 01:31:49,840

and we're continuing to do the podcast

2483

01:31:53,750 --> 01:31:52,560

with no money so it doesn't really

2484

01:31:57,350 --> 01:31:53,760

matter but if you like it

2485

01:32:00,790 --> 01:31:57,360

definitely helps i mean who knows

2486

01:32:03,669 --> 01:32:00,800

who knows maybe we can actually buy

2487

01:32:04,709 --> 01:32:03,679

the 64 impala and we'll we'll come and

2488

01:32:05,990 --> 01:32:04,719

drive to your house

2489

01:32:07,669 --> 01:32:06,000

and we'll drink some beer and talk

2490

01:32:09,510 --> 01:32:07,679

aliens with you that's what your

2491

01:32:11,990 --> 01:32:09,520

donations are buying

2492

01:32:13,590 --> 01:32:12,000

it's not buying a podcast it's buying a

2493

01:32:14,950 --> 01:32:13,600

sweet-ass car that we can go visit you

2494

01:32:18,229 --> 01:32:14,960

in

2495

01:32:19,750 --> 01:32:18,239

for it right so

2496

01:32:21,030 --> 01:32:19,760

awesome oh my goodness i was just

2497

01:32:22,310 --> 01:32:21,040

yelling at ben for punching his

2498

01:32:24,229 --> 01:32:22,320

microphone and i just

2499

01:32:25,750 --> 01:32:24,239

i'm wrecking into it with my beers i've

2500

01:32:26,950 --> 01:32:25,760

done it like twice now it's pretty

2501

01:32:29,110 --> 01:32:26,960

ridiculous

2502

01:32:31,110 --> 01:32:29,120

also go check out uh check out our

2503

01:32:32,149 --> 01:32:31,120

homegirls man that's a redeemer small

2504

01:32:35,510 --> 01:32:32,159

batch

2505

01:32:37,270 --> 01:32:35,520

premium premium cbd stuff it's pretty

2506

01:32:38,229 --> 01:32:37,280

good they also start to work with like

2507

01:32:41,830 --> 01:32:38,239

cbg

2508

01:32:43,430 --> 01:32:41,840

and like and the bg's

2509

01:32:45,510 --> 01:32:43,440

and like all kinds of stuff i don't know

2510

01:32:45,990 --> 01:32:45,520

they got they got all kinds of cool [h__h]

2511

01:32:49,990 --> 01:32:46,000

man

2512

01:32:52,390 --> 01:32:50,000

um you use the the uh the code ufo

2513

01:32:55,830 --> 01:32:52,400

is it ufo garage 15 or ufo i think it's

2514

01:32:58,470 --> 01:32:55,840

ufo 15. use ufo 15 you get 15

2515

01:33:00,229 --> 01:32:58,480

off of your uh your first purchase you

2516

01:33:03,510 --> 01:33:00,239

know

2517

01:33:05,270 --> 01:33:03,520

dude jake gators are always hard

2518

01:33:08,149 --> 01:33:05,280

i didn't know that is that like a real

2519

01:33:10,070 --> 01:33:08,159

thing like they're always hard and then

2520

01:33:11,669 --> 01:33:10,080

like the thing like pushes it out or

2521

01:33:15,590 --> 01:33:11,679

what that's weird

2522

01:33:17,350 --> 01:33:15,600

that's weird dude bid oh never mind

2523

01:33:19,750 --> 01:33:17,360

did you know that alligators are always

2524

01:33:23,590 --> 01:33:22,550

that's what jake said gators are always

2525

01:33:26,550 --> 01:33:23,600

hard

2526

01:33:27,110 --> 01:33:26,560

okay i don't know about much gator i

2527

01:33:30,870 --> 01:33:27,120

don't know

2528

01:33:37,030 --> 01:33:30,880

my gator uh facts

2529

01:33:41,030 --> 01:33:37,040

what do you mean like hard like there's

2530

01:33:47,910 --> 01:33:44,629

i don't know i think so armored skin

2531

01:33:49,430 --> 01:33:47,920

of course gators are a heart oh hell

2532

01:33:51,830 --> 01:33:49,440

yeah

2533

01:33:53,350 --> 01:33:51,840

can you imagine a human being crossed

2534

01:33:57,750 --> 01:33:53,360

with a gator dude

2535

01:34:01,030 --> 01:33:57,760

yeah you get a reptilian i didn't say it

2536

01:34:04,229 --> 01:34:01,040

hey well you were thinking it i did

2537

01:34:06,070 --> 01:34:04,239

i thought it i thought it so you said it

2538

01:34:07,830 --> 01:34:06,080

so what if what if what if you were like

2539

01:34:10,550 --> 01:34:07,840

at a party bro

2540

01:34:13,189 --> 01:34:10,560

and you didn't know everybody there and

2541

01:34:15,189 --> 01:34:13,199

a guy comes up to you says hey

2542

01:34:16,550 --> 01:34:15,199

my name is jeff just want to let you

2543

01:34:19,110 --> 01:34:16,560

know big fan

2544

01:34:20,070 --> 01:34:19,120

love your beard your name's joe right

2545

01:34:24,070 --> 01:34:20,080

you're not ben

2546

01:34:28,390 --> 01:34:24,080

i confused the two i'm joe

2547

01:34:32,229 --> 01:34:31,030

so so he goes so you're joe right all

2548

01:34:33,350 --> 01:34:32,239

right well i just want to show you

2549

01:34:35,350 --> 01:34:33,360

something and he like

2550

01:34:38,070 --> 01:34:35,360

reveals his face like what do you do in

2551
01:34:41,669 --> 01:34:40,629
you you freak out for like an hour until

2552
01:34:43,510 --> 01:34:41,679
he can be like

2553
01:34:45,189 --> 01:34:43,520
what if he was super cool with you what

2554
01:34:48,310 --> 01:34:45,199
if he was super cool to you

2555
01:34:51,510 --> 01:34:48,320
you still freak out no nudie there

2556
01:34:52,390 --> 01:34:51,520
we go yes and now he feels bad but it

2557
01:34:54,790 --> 01:34:52,400
doesn't it doesn't

2558
01:34:56,390 --> 01:34:54,800
have to rub it has to erase your memory

2559
01:34:57,669 --> 01:34:56,400
it doesn't it doesn't mean that you

2560
01:35:00,629 --> 01:34:57,679
can't be cool with him

2561
01:35:01,830 --> 01:35:00,639
but there's gonna be like at least a 30

2562
01:35:03,910 --> 01:35:01,840
to an hour

2563
01:35:06,229 --> 01:35:03,920

processing time that you're going to

2564

01:35:08,149 --> 01:35:06,239

have to process that this man's face

2565

01:35:10,070 --> 01:35:08,159

just turned into a reptile

2566

01:35:11,430 --> 01:35:10,080

right and then shift it back it's like

2567

01:35:14,470 --> 01:35:11,440

you're gonna freak out you're gonna

2568

01:35:18,229 --> 01:35:14,480

think it's super cool and be like wow

2569

01:35:18,790 --> 01:35:18,239

that was amazing what are you are you an

2570

01:35:21,910 --> 01:35:18,800

alien

2571

01:35:22,709 --> 01:35:21,920

oh my god tell me about it can't do that

2572

01:35:29,910 --> 01:35:22,719

again

2573

01:35:31,189 --> 01:35:29,920

wait a second you're gonna freak out

2574

01:35:33,590 --> 01:35:31,199

you're gonna freak out

2575

01:35:35,270 --> 01:35:33,600

do you i don't think you would freak out

2576

01:35:37,030 --> 01:35:35,280

like you're saying you will i think you

2577

01:35:39,430 --> 01:35:37,040

would be super chill about it

2578

01:35:40,790 --> 01:35:39,440

you'd be like i might you bro i just i

2579

01:35:44,149 --> 01:35:40,800

know you bro

2580

01:35:48,310 --> 01:35:46,870

and then like i would look at you i

2581

01:35:49,910 --> 01:35:48,320

don't know what to tell you like does

2582

01:35:52,629 --> 01:35:49,920

everybody else know

2583

01:35:54,310 --> 01:35:52,639

am i the only one seeing this you would

2584

01:35:56,310 --> 01:35:54,320

be you would like

2585

01:35:57,750 --> 01:35:56,320

i think you would handle it pretty damn

2586

01:36:00,470 --> 01:35:57,760

well i would

2587

01:36:01,350 --> 01:36:00,480

i would it would be weird because i have

2588

01:36:04,790 --> 01:36:01,360

this thing when

2589

01:36:06,870 --> 01:36:04,800

something strange happens where like

2590

01:36:08,149 --> 01:36:06,880

i have like this defensive attitude for

2591

01:36:09,830 --> 01:36:08,159

a second

2592

01:36:12,550 --> 01:36:09,840

yeah but it's not like like he would do

2593

01:36:14,550 --> 01:36:12,560

that and i'd be like

2594

01:36:15,830 --> 01:36:14,560

what the [h__\h] was that like i would like

2595

01:36:17,030 --> 01:36:15,840

he would think i was mad at him okay

2596

01:36:19,350 --> 01:36:17,040

yeah yeah i can see that yeah

2597

01:36:21,030 --> 01:36:19,360

what the [h__\h] was that right like you

2598

01:36:24,070 --> 01:36:21,040

would break you would break your

2599

01:36:26,149 --> 01:36:24,080

your your character like not that you

2600

01:36:29,109 --> 01:36:26,159

put on a vibe but like

2601
01:36:30,550 --> 01:36:29,119
you would break the the happy joe vibe

2602
01:36:32,870 --> 01:36:30,560
and you would for a second be like

2603
01:36:34,629 --> 01:36:32,880
oh the [h__h] on what there would be i

2604
01:36:36,070 --> 01:36:34,639
could see that there would be a five

2605
01:36:37,910 --> 01:36:36,080
minute interrogation

2606
01:36:39,510 --> 01:36:37,920
and then i would start cracking and

2607
01:36:41,030 --> 01:36:39,520
smiling and being like

2608
01:36:42,950 --> 01:36:41,040
so you're saying you could really do

2609
01:36:44,550 --> 01:36:42,960
that [h__h] i was going to say dude

2610
01:36:46,470 --> 01:36:44,560
i would give it 30 seconds before you

2611
01:36:48,870 --> 01:36:46,480
made a [h__h] you would make fun of him

2612
01:36:52,310 --> 01:36:48,880
like so so like your dick and balls is

2613
01:36:54,870 --> 01:36:52,320

like inside your body right now or what

2614

01:36:56,229 --> 01:36:54,880

oh can you see can you shape shift your

2615

01:36:58,870 --> 01:36:56,239

winner

2616

01:37:00,629 --> 01:36:58,880

is that a thing you can make your face

2617

01:37:02,790 --> 01:37:00,639

look like that

2618

01:37:05,030 --> 01:37:02,800

what else like it would it would take

2619

01:37:07,590 --> 01:37:05,040

like maybe 30 seconds for you to accept

2620

01:37:11,350 --> 01:37:07,600

it and be like holy [h__h] okay

2621

01:37:13,750 --> 01:37:11,360

okay this is real this is funny and

2622

01:37:16,149 --> 01:37:13,760

something about this is funny you know

2623

01:37:17,669 --> 01:37:16,159

yeah there would be a joke

2624

01:37:19,990 --> 01:37:17,679

absolutely there would be a joke i'd be

2625

01:37:25,109 --> 01:37:20,000

to say i think i would be the same way

2626

01:37:28,870 --> 01:37:26,870

i'm not going to say always something

2627

01:37:30,470 --> 01:37:28,880

for any scenario but for that particular

2628

01:37:33,750 --> 01:37:30,480

scenario for reptilian

2629

01:37:35,750 --> 01:37:33,760

uh revealing himself to you

2630

01:37:37,510 --> 01:37:35,760

dude i would have fun with it i would

2631

01:37:39,990 --> 01:37:37,520

try to have fun with it man because like

2632

01:37:43,270 --> 01:37:40,000

as much as you can right

2633

01:37:45,910 --> 01:37:43,280

just imagine if you went hardcore like

2634

01:37:47,189 --> 01:37:45,920

i have to protect my and then and then

2635

01:37:49,350 --> 01:37:47,199

crossbows come out

2636

01:37:50,950 --> 01:37:49,360

you know you better not step on my lungs

2637

01:37:52,629 --> 01:37:50,960

hey [h__h] fire that's

2638

01:37:55,270 --> 01:37:52,639

that's saint augustine [h__h] he

2639

01:37:58,070 --> 01:37:55,280

was he would shave shift his feet

2640

01:37:59,510 --> 01:37:58,080

you step on my lawn when he came in here

2641

01:38:00,470 --> 01:37:59,520

he's been hanging out for like three

2642

01:38:03,109 --> 01:38:00,480

hours

2643

01:38:04,470 --> 01:38:03,119

we've been slamming dominoes gave him

2644

01:38:06,950 --> 01:38:04,480

[h__h] for something he did

2645

01:38:08,229 --> 01:38:06,960

like an hour ago you step on my lawn

2646

01:38:11,270 --> 01:38:08,239

when you

2647

01:38:12,629 --> 01:38:11,280

hold up hold on hold on we might confuse

2648

01:38:13,910 --> 01:38:12,639

the [h__h] out of some aliens they

2649

01:38:17,189 --> 01:38:13,920

wouldn't know

2650

01:38:20,070 --> 01:38:17,199

they

2651
01:38:20,390 --> 01:38:20,080
i i think of our party some weird [h__\h]

2652
01:38:22,950 --> 01:38:20,400
though

2653
01:38:23,669 --> 01:38:22,960
oh yeah well i think the parties they're

2654
01:38:27,270 --> 01:38:23,679
used to

2655
01:38:31,350 --> 01:38:27,280
if they're if if what they say what they

2656
01:38:34,629 --> 01:38:31,360
say but like if reptilians are like

2657
01:38:37,270 --> 01:38:34,639
uh it sounds so nuts when i say it but

2658
01:38:42,709 --> 01:38:37,280
i just love thinking about it do you

2659
01:38:45,830 --> 01:38:44,629
no they're warm-blooded they have

2660
01:38:48,550 --> 01:38:45,840
sundays dude

2661
01:38:49,350 --> 01:38:48,560
they're like today and today's zoltan's

2662
01:38:52,470 --> 01:38:49,360
birthday

2663
01:38:54,470 --> 01:38:52,480

and everybody's like don't stand happy

2664

01:38:56,229 --> 01:38:54,480

birthday

2665

01:39:03,910 --> 01:38:56,239

i like in the movie they do it backwards

2666

01:39:07,030 --> 01:39:06,070

oh my god that's such a good movie dude

2667

01:39:10,149 --> 01:39:07,040

galaxy quest

2668

01:39:12,149 --> 01:39:10,159

wait uh uh dude where's my car right

2669

01:39:15,030 --> 01:39:12,159

sorry i just watched galaxy quest and

2670

01:39:17,350 --> 01:39:15,040

it's like a similar motif right like the

2671

01:39:18,790 --> 01:39:17,360

you would just watch galaxy quest i j i

2672

01:39:20,229 --> 01:39:18,800

did me and just did

2673

01:39:23,669 --> 01:39:20,239

you do me and amanda literally watched

2674

01:39:29,669 --> 01:39:26,790

[h__\h] hell yeah i did dude we're in

2675

01:39:31,350 --> 01:39:29,679

it man hatching day yeah my half

2676
01:39:37,590 --> 01:39:31,360
hatching day

2677
01:39:38,709 --> 01:39:37,600
oh that's awesome but what but i mean

2678
01:39:43,350 --> 01:39:38,719
like

2679
01:39:45,189 --> 01:39:43,360
who what are you guys talking about

2680
01:39:47,030 --> 01:39:45,199
we're talking about aliens and do they

2681
01:39:51,990 --> 01:39:47,040
have birthdays

2682
01:39:54,229 --> 01:39:52,000
go off based off of like

2683
01:39:55,669 --> 01:39:54,239
like our year does it go based on like

2684
01:39:58,070 --> 01:39:55,679
what is their year like

2685
01:39:59,109 --> 01:39:58,080
you know what is like is there a

2686
01:40:04,310 --> 01:39:59,119
birthday like

2687
01:40:06,470 --> 01:40:04,320
yo we've technically in your time

2688
01:40:07,350 --> 01:40:06,480

it would be 9 000 years for you but for

2689

01:40:10,070 --> 01:40:07,360

us it's been

2690

01:40:11,510 --> 01:40:10,080

one year like hatching day obviously

2691

01:40:13,030 --> 01:40:11,520

you're talking about like the reptile

2692

01:40:15,270 --> 01:40:13,040

species but like what about the other

2693

01:40:16,629 --> 01:40:15,280

ones like what what about the uh

2694

01:40:18,229 --> 01:40:16,639

you know and that's another interesting

2695

01:40:20,310 --> 01:40:18,239

thing is you hear about the the bug

2696

01:40:23,430 --> 01:40:20,320

species you hear about the grays the

2697

01:40:28,550 --> 01:40:23,440

whites the the the uh the the nordics

2698

01:40:33,760 --> 01:40:28,560

the uh you know the the feline race like

2699

01:40:33,760 --> 01:40:33,770

is it lyrian the the the lyrics

2700

01:40:38,550 --> 01:40:35,669

[Music]

2701
01:40:40,390 --> 01:40:38,560
dude like the lions what about like what

2702
01:40:42,390 --> 01:40:40,400
if they're like we always make this

2703
01:40:44,629 --> 01:40:42,400
this dolphin joke on how likely they're

2704
01:40:49,750 --> 01:40:44,639
like real smart

2705
01:40:55,990 --> 01:40:53,270
yes dude but do they

2706
01:40:57,430 --> 01:40:56,000
do do alligators do dude like rip

2707
01:40:58,870 --> 01:40:57,440
dilly's

2708
01:41:01,350 --> 01:40:58,880
yeah dude that's when they're in the

2709
01:41:03,109 --> 01:41:01,360
water do you see the bubbles come up

2710
01:41:04,950 --> 01:41:03,119
people always assume that that was an

2711
01:41:07,750 --> 01:41:04,960
alligator like expelling

2712
01:41:09,510 --> 01:41:07,760
you know oxygen through his nose but

2713
01:41:11,990 --> 01:41:09,520

that'll get totally farting

2714

01:41:16,830 --> 01:41:12,000

he like gave away his part his position

2715

01:41:26,870 --> 01:41:19,910

so so we hear about all these different

2716

01:41:26,880 --> 01:41:35,910

what about what

2717

01:41:39,030 --> 01:41:38,070

i'm just like like like last night like

2718

01:41:40,870 --> 01:41:39,040

listening to like

2719

01:41:42,629 --> 01:41:40,880

like samantha moet dude like she's been

2720

01:41:45,030 --> 01:41:42,639

through some [h__h] and like

2721

01:41:45,990 --> 01:41:45,040

i love listening to she's got some real

2722

01:41:49,669 --> 01:41:46,000

words she's been through

2723

01:41:51,910 --> 01:41:49,679

this [h__h] and like from going from that

2724

01:41:54,870 --> 01:41:51,920

and like

2725

01:41:55,910 --> 01:41:54,880

it's it's so absurd to us because we are

2726

01:41:59,030 --> 01:41:55,920

not a part of that

2727

01:42:01,030 --> 01:41:59,040

life dude like i 100

2728

01:42:02,070 --> 01:42:01,040

believe samantha moet she has been

2729

01:42:05,030 --> 01:42:02,080

through some [h__h]

2730

01:42:07,270 --> 01:42:05,040

right and it's [h__h] scary so you get

2731

01:42:09,109 --> 01:42:07,280

that anxiety like oh my god it's real

2732

01:42:10,950 --> 01:42:09,119

but she's not scared of it but you know

2733

01:42:11,590 --> 01:42:10,960

what's you know what's great to like

2734

01:42:14,390 --> 01:42:11,600

kind of like

2735

01:42:15,669 --> 01:42:14,400

a breath is [h__h] like that like that

2736

01:42:18,550 --> 01:42:15,679

idea

2737

01:42:21,189 --> 01:42:18,560

softens the blow all right so like these

2738

01:42:22,870 --> 01:42:21,199

little alien dudes

2739

01:42:24,550 --> 01:42:22,880

like i think a lot of people like i hope

2740

01:42:27,189 --> 01:42:24,560

people don't misinterpret

2741

01:42:27,590 --> 01:42:27,199

like our humor like we're not making fun

2742

01:42:30,310 --> 01:42:27,600

of

2743

01:42:30,790 --> 01:42:30,320

this [h__h] like yeah we're having fun

2744

01:42:35,270 --> 01:42:30,800

with it

2745

01:42:51,189 --> 01:42:39,189

hey don john bovee what's up dude

2746

01:42:54,390 --> 01:42:52,950

what about the like i never hear about

2747

01:42:56,310 --> 01:42:54,400

like a fish species

2748

01:42:58,149 --> 01:42:56,320

yeah i'm sorry dude i cut you off and i

2749

01:43:00,149 --> 01:42:58,159

went oh you're good you were saying

2750

01:43:01,430 --> 01:43:00,159

what about these little aliens yeah i

2751
01:43:03,109 --> 01:43:01,440
was asking we hear about all these

2752
01:43:06,709 --> 01:43:03,119
different kinds of alien dudes

2753
01:43:09,270 --> 01:43:06,719
they're always bugs cats grays reptiles

2754
01:43:10,709 --> 01:43:09,280
humans what about like fishy ones dude

2755
01:43:12,950 --> 01:43:10,719
are there like fishy

2756
01:43:14,709 --> 01:43:12,960
fishy aliens dude look at the sumerian

2757
01:43:18,229 --> 01:43:14,719
that goes back to some uh

2758
01:43:21,270 --> 01:43:18,239
the sumerian release dude and

2759
01:43:23,189 --> 01:43:21,280
they believed in pinecone aliens yes

2760
01:43:24,470 --> 01:43:23,199
that too and they had personal aliens

2761
01:43:27,270 --> 01:43:24,480
[h__\h] dolce

2762
01:43:28,870 --> 01:43:27,280
cabana purses i don't know if that's a

2763
01:43:31,109 --> 01:43:28,880

purse i'm just i thought that was might

2764

01:43:33,189 --> 01:43:31,119

be a first name of making [h__h] up

2765

01:43:34,870 --> 01:43:33,199

but dude there's a there's a purse dude

2766

01:43:37,430 --> 01:43:34,880

there's like an eagle guy

2767

01:43:38,709 --> 01:43:37,440

and there's a fish guy and i believe the

2768

01:43:41,030 --> 01:43:38,719

eagle guy's like

2769

01:43:41,990 --> 01:43:41,040

ceo of the company fish guy is the guy

2770

01:43:45,270 --> 01:43:42,000

who who

2771

01:43:47,590 --> 01:43:45,280

who microwaves tuna at lunch break

2772

01:43:49,030 --> 01:43:47,600

and smells up the whole office oh like

2773

01:43:49,990 --> 01:43:49,040

everybody hates that guy but doesn't

2774

01:43:52,149 --> 01:43:50,000

want to tell him

2775

01:43:53,270 --> 01:43:52,159

man i don't like that guy you know it's

2776

01:43:55,590 --> 01:43:53,280

one time in high school

2777

01:43:56,790 --> 01:43:55,600

there was this new girl and i was like

2778

01:44:01,669 --> 01:43:56,800

hey you want to go to lunch with me and

2779

01:44:06,870 --> 01:44:04,790

of course look at me why are all new

2780

01:44:07,990 --> 01:44:06,880

girls hot

2781

01:44:09,669 --> 01:44:08,000

because it's just something you haven't

2782

01:44:11,189 --> 01:44:09,679

seen in a while and when you grow up in

2783

01:44:13,669 --> 01:44:11,199

a small town where there's only like

2784

01:44:14,550 --> 01:44:13,679

65 girls in your class you know what i'm

2785

01:44:17,910 --> 01:44:14,560

saying it's like

2786

01:44:19,430 --> 01:44:17,920

anything new is is attractive yeah but

2787

01:44:21,510 --> 01:44:19,440

yeah so i was like hey you want to go to

2788

01:44:24,470 --> 01:44:21,520

lunch with me and she was like yeah

2789

01:44:25,510 --> 01:44:24,480

i'd like to go and uh i was like cool so

2790

01:44:26,870 --> 01:44:25,520

we went and i was like

2791

01:44:28,470 --> 01:44:26,880

i'm going to go to sonic i was like you

2792

01:44:29,430 --> 01:44:28,480

want anything she was like no i brought

2793

01:44:31,189 --> 01:44:29,440

my lunch

2794

01:44:34,470 --> 01:44:31,199

and she busted out these salmon patties

2795

01:44:36,629 --> 01:44:34,480

bro and it made my car smell so bad

2796

01:44:38,310 --> 01:44:36,639

and she she bought what now she brought

2797

01:44:41,109 --> 01:44:38,320

salmon patties

2798

01:44:41,910 --> 01:44:41,119

like fries she brought them she brought

2799

01:44:45,030 --> 01:44:41,920

them

2800

01:44:46,709 --> 01:44:45,040

into your car five fried salmon patties

2801

01:44:48,950 --> 01:44:46,719

you said you were going to sonic she

2802

01:44:49,830 --> 01:44:48,960

brought her food yeah she had already

2803

01:44:52,310 --> 01:44:49,840

been like

2804

01:44:54,629 --> 01:44:52,320

prepared to go sit by herself at the

2805

01:44:56,070 --> 01:44:54,639

lunch table

2806

01:44:57,830 --> 01:44:56,080

it turns out she was attractive so she

2807

01:44:59,990 --> 01:44:57,840

made friends immediately and

2808

01:45:01,990 --> 01:45:00,000

somehow my goofy ass got her to go to

2809

01:45:03,830 --> 01:45:02,000

lunch with me yeah

2810

01:45:06,070 --> 01:45:03,840

the props so she already had her lunch

2811

01:45:07,350 --> 01:45:06,080

with her ready and we went to sonic and

2812

01:45:09,270 --> 01:45:07,360

i was like hey you want like a

2813

01:45:11,590 --> 01:45:09,280

cheeseburger or some tots you want like

2814

01:45:13,350 --> 01:45:11,600

a route 44 cherry vanilla dr pepper it's

2815

01:45:14,870 --> 01:45:13,360

one of my favorites and she was like no

2816

01:45:16,070 --> 01:45:14,880

thank you i brought my own lunch and she

2817

01:45:19,669 --> 01:45:16,080

pulled out this brown paper

2818

01:45:21,590 --> 01:45:19,679

bag and busted out this ziploc bag and

2819

01:45:24,229 --> 01:45:21,600

opened it and when she opened it it like

2820

01:45:25,590 --> 01:45:24,239

punched me in the face of like salmon

2821

01:45:28,629 --> 01:45:25,600

like

2822

01:45:30,149 --> 01:45:28,639

i love i love salmon i love salmon but

2823

01:45:33,030 --> 01:45:30,159

these salmon patties do

2824

01:45:34,070 --> 01:45:33,040

day old salmon patties i wasn't feeling

2825

01:45:36,390 --> 01:45:34,080

it right yeah so

2826

01:45:37,189 --> 01:45:36,400

we didn't hang out anymore damn you

2827

01:45:39,189 --> 01:45:37,199

never knew

2828

01:45:40,390 --> 01:45:39,199

like hey let's go to the let's go let's

2829

01:45:43,590 --> 01:45:40,400

let's go to lunch again

2830

01:45:46,149 --> 01:45:43,600

no oh so i mean

2831

01:45:47,270 --> 01:45:46,159

i i would have hung out with but she

2832

01:45:50,470 --> 01:45:47,280

found out that i

2833

01:45:51,189 --> 01:45:50,480

i wasn't one of the popular kids once

2834

01:45:56,229 --> 01:45:51,199

they find out

2835

01:45:59,669 --> 01:45:57,990

it's when it's all i'm sure i was

2836

01:46:02,390 --> 01:45:59,679

probably very awkward in the car

2837

01:46:03,750 --> 01:46:02,400

too dude this other time when i moved to

2838

01:46:07,109 --> 01:46:03,760

a new school

2839

01:46:09,510 --> 01:46:07,119

the opposite happened to me um

2840

01:46:11,030 --> 01:46:09,520

there was this girl and i was walking

2841

01:46:13,189 --> 01:46:11,040

down a pizza hut and she was like hey

2842

01:46:16,390 --> 01:46:13,199

you want to ride and i was like

2843

01:46:17,030 --> 01:46:16,400

totally i'll take a ride and uh she was

2844

01:46:18,629 --> 01:46:17,040

kind of cute

2845

01:46:20,310 --> 01:46:18,639

you know and i was like hell yeah we're

2846

01:46:20,870 --> 01:46:20,320

going to pizza hut together this is like

2847

01:46:24,550 --> 01:46:20,880

my

2848

01:46:27,350 --> 01:46:24,560

cool and uh

2849

01:46:28,790 --> 01:46:27,360

she was like hey would you like a tomato

2850

01:46:30,790 --> 01:46:28,800

and i was like

2851
01:46:32,709 --> 01:46:30,800
like with my pizza and she was like no

2852
01:46:34,070 --> 01:46:32,719
no would you like a tomato and she like

2853
01:46:37,109 --> 01:46:34,080
reached your backseat

2854
01:46:39,270 --> 01:46:37,119
and pulled out this big ass tomato turns

2855
01:46:42,550 --> 01:46:39,280
out her family was tomato farmers

2856
01:46:43,109 --> 01:46:42,560
but that was just another cute chick odd

2857
01:46:46,070 --> 01:46:43,119
lunch

2858
01:46:47,669 --> 01:46:46,080
high school story that i had damn i

2859
01:46:48,870 --> 01:46:47,679
wanted to share that with everybody i

2860
01:46:52,149 --> 01:46:48,880
love the tomato

2861
01:46:55,990 --> 01:46:52,159
oh she was like

2862
01:46:57,990 --> 01:46:56,000
the nicest person i've ever met

2863
01:47:00,070 --> 01:46:58,000

you know who's even cooler than uh

2864

01:47:03,270 --> 01:47:00,080

tomato girl is

2865

01:47:05,590 --> 01:47:03,280

is a mac and cheese girl

2866

01:47:07,990 --> 01:47:05,600

mac and cheese girl is your wife i'll

2867

01:47:11,910 --> 01:47:08,000

never forget mac and cheese her mac and

2868

01:47:15,270 --> 01:47:11,920

cheese bro when we hit that barbecue

2869

01:47:18,629 --> 01:47:15,280

bro her mac and cheese dude

2870

01:47:22,790 --> 01:47:18,639

no she's the banana pudding girl

2871

01:47:25,510 --> 01:47:22,800

the mac and cheese bro was so damn good

2872

01:47:26,470 --> 01:47:25,520

is it real i was i'm like i'm like

2873

01:47:28,229 --> 01:47:26,480

committed

2874

01:47:29,910 --> 01:47:28,239

it was mac and cheese but i know that it

2875

01:47:31,510 --> 01:47:29,920

was it was it was

2876

01:47:33,510 --> 01:47:31,520

this banana pudding yeah cause we didn't

2877

01:47:35,109 --> 01:47:33,520

even have mac and cheese sorry

2878

01:47:36,629 --> 01:47:35,119

it was banana pudding that was so good

2879

01:47:39,189 --> 01:47:36,639

it was so good though

2880

01:47:42,950 --> 01:47:39,199

all right back it up the banana pudding

2881

01:47:45,510 --> 01:47:42,960

holy [h__h] was so damn good dude

2882

01:47:47,510 --> 01:47:45,520

so you scored you scored big john oh

2883

01:47:49,669 --> 01:47:47,520

yeah totally yeah totally he scored big

2884

01:47:51,270 --> 01:47:49,679

my wife makes the best banana pudding of

2885

01:47:54,070 --> 01:47:51,280

all time

2886

01:47:54,709 --> 01:47:54,080

all right well hey let's had to pick oh

2887

01:47:57,109 --> 01:47:54,719

my god

2888

01:47:59,189 --> 01:47:57,119

if you had to pick ben says if you had

2889

01:48:00,550 --> 01:47:59,199

to pick a comic to be the ambassador to

2890

01:48:03,350 --> 01:48:00,560

earth who would you choose

2891

01:48:07,189 --> 01:48:03,360

i'm going with joey diaz joey edge of

2892

01:48:10,229 --> 01:48:09,430

dude so me and ben had this idea about

2893

01:48:14,790 --> 01:48:10,239

creating

2894

01:48:16,870 --> 01:48:14,800

a a animated maybe something funny

2895

01:48:17,990 --> 01:48:16,880

of jim goodall because he's got the best

2896

01:48:21,189 --> 01:48:18,000

stories of all time

2897

01:48:23,669 --> 01:48:21,199

it would totally want to have joey diaz

2898

01:48:24,470 --> 01:48:23,679

people narrate the voice of it [h__h]

2899

01:48:26,870 --> 01:48:24,480

love joey

2900

01:48:27,990 --> 01:48:26,880

dude if if people don't know who jim

2901

01:48:30,950 --> 01:48:28,000

goodall is like

2902

01:48:32,470 --> 01:48:30,960

look him up look jim goodall holy [h__h]

2903

01:48:35,430 --> 01:48:32,480

that guy is awesome

2904

01:48:36,390 --> 01:48:35,440

like we spent a lot of hours with the

2905

01:48:38,149 --> 01:48:36,400

guy

2906

01:48:40,470 --> 01:48:38,159

last time we hung out with him in sedona

2907

01:48:43,510 --> 01:48:40,480

we were like

2908

01:48:44,629 --> 01:48:43,520

hey we came up with with the idea on the

2909

01:48:47,669 --> 01:48:44,639

way up

2910

01:48:49,109 --> 01:48:47,679

on the road trip dude 16 hours in a van

2911

01:48:51,189 --> 01:48:49,119

and me and joe are just like

2912

01:48:53,270 --> 01:48:51,199

we i think i realized at one point we

2913

01:48:55,910 --> 01:48:53,280

were just telling each other

2914

01:48:57,109 --> 01:48:55,920

back and forth like [h__h] hilarious

2915

01:48:58,870 --> 01:48:57,119

jim goodall story

2916

01:49:00,149 --> 01:48:58,880

that's that's what we did for a good

2917

01:49:02,550 --> 01:49:00,159

part of the whole

2918

01:49:03,350 --> 01:49:02,560

trip just tell jim goodall stories

2919

01:49:05,830 --> 01:49:03,360

because we said

2920

01:49:07,350 --> 01:49:05,840

we would tell the stories in in the

2921

01:49:11,669 --> 01:49:07,360

accent of

2922

01:49:18,149 --> 01:49:11,679

hey [h__h] hey it's me

2923

01:49:21,430 --> 01:49:20,629

so so we had this idea we're like from

2924

01:49:25,189 --> 01:49:21,440

the

2925

01:49:26,870 --> 01:49:25,199

goodall

2926

01:49:28,629 --> 01:49:26,880

it would it's not even him it's just me

2927

01:49:31,910 --> 01:49:28,639

and joe like overdub

2928

01:49:34,470 --> 01:49:31,920

and we are playing

2929

01:49:36,070 --> 01:49:34,480

every all all the people that are that

2930

01:49:39,990 --> 01:49:36,080

are a part of this documentary

2931

01:49:41,669 --> 01:49:40,000

who i mean oh my gosh

2932

01:49:43,910 --> 01:49:41,679

we had we had the idea with the credits

2933

01:49:45,830 --> 01:49:43,920

where it was like melinda leslie played

2934

01:49:49,669 --> 01:49:45,840

by jimmy she played bunch of girls

2935

01:49:53,430 --> 01:49:49,679

lauren fitton played by jim it's me

2936

01:49:55,510 --> 01:49:53,440

hey me laurie and this is what it's like

2937

01:49:56,790 --> 01:49:55,520

but it's like like jim goodall's like

2938

01:49:59,589 --> 01:49:56,800

we've done like really

2939

01:50:01,510 --> 01:49:59,599

like huge background work what he does

2940

01:50:03,510 --> 01:50:01,520

like overdubs where like it matches up

2941

01:50:06,790 --> 01:50:03,520

perfectly with like how she says it

2942

01:50:09,990 --> 01:50:06,800

yes yes dude

2943

01:50:12,709 --> 01:50:10,000

but like it's so it's kind of like

2944

01:50:13,270 --> 01:50:12,719

ah it's it was so funny to us but like

2945

01:50:15,589 --> 01:50:13,280

me

2946

01:50:16,470 --> 01:50:15,599

i think it's probably one million maybe

2947

01:50:22,950 --> 01:50:16,480

two million

2948

01:50:25,189 --> 01:50:22,960

that have actually you know

2949

01:50:27,109 --> 01:50:25,199

contacted they they consciously

2950

01:50:29,270 --> 01:50:27,119

understand what's going on to them to

2951
01:50:31,750 --> 01:50:29,280
understand what's happening to them

2952
01:50:32,629 --> 01:50:31,760
to what the et's are doing to them to

2953
01:50:36,629 --> 01:50:32,639
communicate

2954
01:50:40,149 --> 01:50:36,639
with that with them but but like like

2955
01:50:41,510 --> 01:50:40,159
but like just the idea is so

2956
01:50:44,229 --> 01:50:41,520
we would never do this but it was like

2957
01:50:45,430 --> 01:50:44,239
the this is funny it was so hilarious

2958
01:50:46,629 --> 01:50:45,440
dude it's one of those things you're

2959
01:50:48,390 --> 01:50:46,639
like you're riding in the car with your

2960
01:50:50,310 --> 01:50:48,400
buddy you're like trying to think

2961
01:50:51,510 --> 01:50:50,320
like you think you're like outrageous

2962
01:50:55,030 --> 01:50:51,520
[h__\h]

2963
01:50:56,950 --> 01:50:55,040

that's i i wake up i'll like

2964

01:50:58,790 --> 01:50:56,960

try to go to sleep at night lately and

2965

01:51:00,149 --> 01:50:58,800

i'll like start giggling to myself

2966

01:51:02,950 --> 01:51:00,159

thinking about that idea

2967

01:51:04,790 --> 01:51:02,960

dude so this was a 50 floor building so

2968

01:51:07,830 --> 01:51:04,800

so me and my business partner

2969

01:51:08,470 --> 01:51:07,840

we can't tell that joke we cannot but

2970

01:51:11,350 --> 01:51:08,480

but jim

2971

01:51:12,790 --> 01:51:11,360

he did say that we have access i mean he

2972

01:51:14,470 --> 01:51:12,800

said we could tell the stories if we

2973

01:51:16,629 --> 01:51:14,480

wanted to yes

2974

01:51:17,910 --> 01:51:16,639

theo vaughn would be a funny one too i

2975

01:51:19,750 --> 01:51:17,920

love diovan

2976

01:51:21,910 --> 01:51:19,760

that dude's hilarious yeah rodney

2977

01:51:25,109 --> 01:51:21,920

dangerfield would be pretty good

2978

01:51:28,870 --> 01:51:25,119

for sure for sure i'd like to hear

2979

01:51:30,229 --> 01:51:28,880

uh uh uh man i wish patrice o'neill was

2980

01:51:33,189 --> 01:51:30,239

still alive man

2981

01:51:35,669 --> 01:51:33,199

that dude was hilarious hello what what

2982

01:51:39,350 --> 01:51:35,679

the [h__\h] what do you mean

2983

01:51:44,149 --> 01:51:39,360

patrice o'neil i definitely did

2984

01:51:47,669 --> 01:51:44,159

win for like years bro i just saw

2985

01:51:49,350 --> 01:51:47,679

you just showed me a video of him yeah

2986

01:51:51,109 --> 01:51:49,360

but he was he i mean that was a long

2987

01:51:53,510 --> 01:51:51,119

time ago that's [h__\h] up

2988

01:51:54,229 --> 01:51:53,520

yeah i know why would you do that well

2989

01:51:57,430 --> 01:51:54,239

because he's

2990

01:51:59,270 --> 01:51:57,440

funny i

2991

01:52:00,790 --> 01:51:59,280

i just feel bad that i didn't know that

2992

01:52:02,629 --> 01:52:00,800

you you probably sit here and watch

2993

01:52:02,950 --> 01:52:02,639

videos of nikola tesla and that dude's

2994

01:52:06,149 --> 01:52:02,960

been

2995

01:52:09,589 --> 01:52:06,159

dead for [h__h] ever what

2996

01:52:12,149 --> 01:52:09,599

the what

2997

01:52:14,149 --> 01:52:12,159

hey uh i think nikola tesla is about to

2998

01:52:17,430 --> 01:52:14,159

make a comeback

2999

01:52:18,310 --> 01:52:17,440

not like the kardashians but he's about

3000

01:52:22,149 --> 01:52:18,320

to come

3001

01:52:26,470 --> 01:52:22,159

back bigger in a real way

3002

01:52:28,830 --> 01:52:26,480

where like people are gonna realize

3003

01:52:29,990 --> 01:52:28,840

the [h__h] that he figured out was warden

3004

01:52:33,189 --> 01:52:30,000

cliff

3005

01:52:36,709 --> 01:52:33,199

the the the wireless the wi-fi

3006

01:52:39,189 --> 01:52:36,719

electricity the wi-fi

3007

01:52:40,790 --> 01:52:39,199

uh the wireless transmission of of

3008

01:52:42,310 --> 01:52:40,800

electricity

3009

01:52:43,990 --> 01:52:42,320

and the connection between that and the

3010

01:52:44,550 --> 01:52:44,000

pyramids i mean do you think about that

3011

01:52:47,589 --> 01:52:44,560

a lot

3012

01:52:51,430 --> 01:52:47,599

man

3013

01:52:55,510 --> 01:52:53,510

think about it dude below the the great

3014

01:52:58,550 --> 01:52:55,520

pyramid of giza

3015

01:53:00,470 --> 01:52:58,560

is an aquifer of an old aquifer of water

3016

01:53:03,030 --> 01:53:00,480

like water used to rush through that

3017

01:53:03,040 --> 01:53:05,690

cast

3018

01:53:13,430 --> 01:53:10,070

[Laughter]

3019

01:53:16,870 --> 01:53:13,440

so so water mixed with limestone

3020

01:53:20,790 --> 01:53:16,880

yeah with a gold cap it's a perfect

3021

01:53:24,830 --> 01:53:20,800

it's it's you ever made a mixed drink

3022

01:53:25,990 --> 01:53:24,840

yeah everything needs needs lime lime

3023

01:53:28,950 --> 01:53:26,000

juice

3024

01:53:31,270 --> 01:53:28,960

no no limestone oh you ever had a drink

3025

01:53:35,030 --> 01:53:31,280

with limestone in it

3026

01:53:36,870 --> 01:53:35,040

it's not fun not fun at all well i could

3027

01:53:38,470 --> 01:53:36,880

depends on what part of austin you're in

3028

01:53:40,390 --> 01:53:38,480

yeah seriously dude one time this guy

3029

01:53:42,149 --> 01:53:40,400

was jackhammering some stuff and a big

3030

01:53:43,510 --> 01:53:42,159

ass chunk of lime still like

3031

01:53:46,149 --> 01:53:43,520

popped off and like hit me in the

3032

01:53:47,510 --> 01:53:46,159

forehead and i was like oh

3033

01:53:49,830 --> 01:53:47,520

that hurt and that's when your throat

3034

01:53:52,950 --> 01:53:49,840

eye opened it might have been dude

3035

01:53:53,990 --> 01:53:52,960

i don't know dude yeah there is a huge

3036

01:53:56,070 --> 01:53:54,000

tesla tower outside

3037

01:53:57,669 --> 01:53:56,080

of austin it's right next to uh it's not

3038

01:54:00,470 --> 01:53:57,679

right next to like waco

3039

01:54:01,350 --> 01:54:00,480

yeah we should go see if we can get a

3040

01:54:03,830 --> 01:54:01,360

tour of that

3041

01:54:05,189 --> 01:54:03,840

i've got we should do a tour i've got

3042

01:54:07,430 --> 01:54:05,199

some good photos of it

3043

01:54:09,109 --> 01:54:07,440

yeah every time we visit jess's parents

3044

01:54:11,750 --> 01:54:09,119

i take a good photo of it i've got

3045

01:54:13,510 --> 01:54:11,760

every time every time i go i take a good

3046

01:54:15,350 --> 01:54:13,520

photo i do

3047

01:54:16,709 --> 01:54:15,360

how many good photos of it do you have i

3048

01:54:17,830 --> 01:54:16,719

just got a lot of good photos how many

3049

01:54:19,109 --> 01:54:17,840

angles do you have that's what i'm

3050

01:54:20,950 --> 01:54:19,119

saying i have good vote

3051

01:54:22,790 --> 01:54:20,960

from the highway so i took these

3052

01:54:25,109 --> 01:54:22,800

pictures so i have anyway

3053

01:54:26,070 --> 01:54:25,119

i took some pictures in 1974 it was me

3054

01:54:29,350 --> 01:54:26,080

and john leah

3055

01:54:31,910 --> 01:54:29,360

[h__h] tesla tower we were rock solid

3056

01:54:33,350 --> 01:54:31,920

taking photos of the [h__h] new warden

3057

01:54:35,750 --> 01:54:33,360

cliff out in the wake of

3058

01:54:37,990 --> 01:54:35,760

[h__h] texas i don't know why is it so

3059

01:54:40,790 --> 01:54:38,000

much funnier in that accident dude

3060

01:54:41,430 --> 01:54:40,800

because jim's already got this grustly

3061

01:54:46,470 --> 01:54:41,440

like

3062

01:54:49,270 --> 01:54:46,480

he's already kind of got this thing

3063

01:54:51,990 --> 01:54:49,280

going on and then you just add

3064

01:54:52,709 --> 01:54:52,000

the the new york accent new jersey thing

3065

01:54:54,629 --> 01:54:52,719

going on

3066

01:54:57,510 --> 01:54:54,639

yeah it's just funny i don't know the

3067

01:55:03,589 --> 01:55:01,830

i love it dude you're so funny damn me

3068

01:55:04,950 --> 01:55:03,599

i don't know she said ben so i clicked

3069

01:55:06,870 --> 01:55:04,960

on it ben's cool

3070

01:55:08,070 --> 01:55:06,880

that's my name that's [h__h] cool she's

3071

01:55:09,940 --> 01:55:08,080

talking to you dude

3072

01:55:11,109 --> 01:55:09,950

tommy

3073

01:55:15,750 --> 01:55:11,119

[Music]

3074

01:55:16,709 --> 01:55:15,760

tammy there was a young lady named tammy

3075

01:55:21,270 --> 01:55:16,719

finnegan

3076
01:55:23,669 --> 01:55:21,280
she had no whiskers on her chin again

3077
01:55:25,589 --> 01:55:23,679
that's good i like that you know i like

3078
01:55:26,070 --> 01:55:25,599
that i came up with that actually did

3079
01:55:30,470 --> 01:55:26,080
you just

3080
01:55:34,310 --> 01:55:30,480
came i came

3081
01:55:38,149 --> 01:55:36,310
jess is like in the kitchen like oh my

3082
01:55:40,709 --> 01:55:38,159
god not again

3083
01:55:42,310 --> 01:55:40,719
it's only it's not even 10 o'clock dude

3084
01:55:42,950 --> 01:55:42,320
your wife is so proud of us every

3085
01:55:46,070 --> 01:55:42,960
thursday

3086
01:55:49,109 --> 01:55:46,080
night she's so

3087
01:55:51,109 --> 01:55:49,119
every every like every next day after

3088
01:55:55,030 --> 01:55:51,119

the podcast i have to be like

3089

01:55:57,030 --> 01:55:55,040

so what did you hear it's just like

3090

01:55:58,149 --> 01:55:57,040

everything you guys yell you know what i

3091

01:56:01,270 --> 01:55:58,159

love my wife

3092

01:56:03,990 --> 01:56:01,280

i love jess's she's like do you boo-boo

3093

01:56:04,870 --> 01:56:04,000

do you boo-boo i love it she just tunes

3094

01:56:07,430 --> 01:56:04,880

this out man

3095

01:56:08,310 --> 01:56:07,440

i love it that's awesome dude that's

3096

01:56:11,669 --> 01:56:08,320

awesome

3097

01:56:14,790 --> 01:56:11,679

um okay all right so we're so benowitz

3098

01:56:19,830 --> 01:56:14,800

right and richard dodie oh my god we're

3099

01:56:23,270 --> 01:56:21,589

dude i think we have 15 more minutes and

3100

01:56:24,629 --> 01:56:23,280

let's let's take a little break before

3101

01:56:26,390 --> 01:56:24,639

we're going on space out radio we're

3102

01:56:27,589 --> 01:56:26,400

gonna be on space out radio tonight yep

3103

01:56:30,310 --> 01:56:27,599

yep we're gonna going

3104

01:56:32,229 --> 01:56:30,320

with dave scott and uh uh lori and

3105

01:56:40,229 --> 01:56:32,239

fenton from the fenton files

3106

01:56:43,350 --> 01:56:42,149

that's like jim goodall being the voice

3107

01:56:45,510 --> 01:56:43,360

of all of the

3108

01:56:46,629 --> 01:56:45,520

all of the awesome people that we had

3109

01:56:49,350 --> 01:56:46,639

yeah

3110

01:56:50,950 --> 01:56:49,360

my name is jocelyn buckner and i live

3111

01:56:53,030 --> 01:56:50,960

like an hour and a half away from

3112

01:56:55,030 --> 01:56:53,040

[h__\h] what it's gonna take look i

3113

01:56:57,189 --> 01:56:55,040

live two miles from you

3114

01:56:59,350 --> 01:56:57,199

i told you to [h__h] get your [h__h]

3115

01:57:01,189 --> 01:56:59,360

together and you didn't

3116

01:57:02,310 --> 01:57:01,199

now here we go now here we are that

3117

01:57:02,790 --> 01:57:02,320

traffic is going to be 10. not

3118

01:57:03,990 --> 01:57:02,800

trafficking

3119

01:57:06,470 --> 01:57:04,000

i'm not taking me like an hour and a

3120

01:57:08,070 --> 01:57:06,480

half [h__h] thing your boy is hungry

3121

01:57:09,589 --> 01:57:08,080

i'll bring you actually she [h__h]

3122

01:57:11,189 --> 01:57:09,599

pulled through i still need to pay her

3123

01:57:13,270 --> 01:57:11,199

for that pizza

3124

01:57:17,030 --> 01:57:13,280

like like what like a hundred dollars in

3125

01:57:19,350 --> 01:57:17,040

pizza dude it was three pizzas

3126
01:57:21,030 --> 01:57:19,360
sedona pizza though it was a donut it's

3127
01:57:23,430 --> 01:57:21,040
hard to get it up in that altitude dude

3128
01:57:23,990 --> 01:57:23,440
that the the spiritual pizza of sedona

3129
01:57:29,270 --> 01:57:24,000
is

3130
01:57:31,270 --> 01:57:29,280
spiritual pizza it's in the sauce it's

3131
01:57:33,830 --> 01:57:31,280
new age pizza it's in the sauce

3132
01:57:35,510 --> 01:57:33,840
it's in the sauce listen it's me jim

3133
01:57:37,189 --> 01:57:35,520
goodall

3134
01:57:38,629 --> 01:57:37,199
we gotta get you some of that uh that

3135
01:57:40,229 --> 01:57:38,639
spiritual pizza

3136
01:57:41,750 --> 01:57:40,239
you know what's crazy is like we spent

3137
01:57:45,030 --> 01:57:41,760
an entire weekend with jim

3138
01:57:47,830 --> 01:57:45,040

[h__h] good all dude i know like we

3139

01:57:48,629 --> 01:57:47,840

were like hey we would love you for like

3140

01:57:50,550 --> 01:57:48,639

what

3141

01:57:51,750 --> 01:57:50,560

dude we just want to see you hang out we

3142

01:57:53,189 --> 01:57:51,760

were expecting him to

3143

01:57:55,830 --> 01:57:53,199

you know show up for a couple hours and

3144

01:57:58,470 --> 01:57:55,840

then head home he [h__h] just chilled

3145

01:57:59,669 --> 01:57:58,480

with us the whole weekend it was amazing

3146

01:58:01,750 --> 01:57:59,679

dude

3147

01:58:02,950 --> 01:58:01,760

it was amazing it was so dope you're

3148

01:58:05,990 --> 01:58:02,960

such a cool ass

3149

01:58:09,750 --> 01:58:06,000

guy i love that and what's even cooler

3150

01:58:12,070 --> 01:58:09,760

is is that like so he had this tour of

3151

01:58:14,870 --> 01:58:12,080

lockheed skunk works right

3152

01:58:16,629 --> 01:58:14,880

and like it it just so happened to fall

3153

01:58:18,070 --> 01:58:16,639

on the same time that we were shooting

3154

01:58:20,310 --> 01:58:18,080

the documentary

3155

01:58:21,589 --> 01:58:20,320

and and he called skunk works and was

3156

01:58:24,950 --> 01:58:21,599

like hey

3157

01:58:29,109 --> 01:58:27,910

like he rescheduled to hang out with us

3158

01:58:32,070 --> 01:58:29,119

to hang out with us

3159

01:58:34,310 --> 01:58:32,080

he rescheduled lockheed martin was like

3160

01:58:37,350 --> 01:58:34,320

skunk works

3161

01:58:40,070 --> 01:58:37,360

well well us and also melinda and

3162

01:58:41,430 --> 01:58:40,080

lauren and like dude the crew i mean

3163

01:58:43,750 --> 01:58:41,440

lorien

3164

01:58:46,070 --> 01:58:43,760

yeah she put this together man like

3165

01:58:47,350 --> 01:58:46,080

jocelyn introduced us to like the best

3166

01:58:49,669 --> 01:58:47,360

people

3167

01:58:51,350 --> 01:58:49,679

ever like the crew that she uh

3168

01:58:53,990 --> 01:58:51,360

introduced us to man it's so

3169

01:58:55,189 --> 01:58:54,000

[h__h] cool so cool man i love it dude

3170

01:58:58,310 --> 01:58:55,199

so much

3171

01:59:02,709 --> 01:58:58,320

and like dude so like we

3172

01:59:04,790 --> 01:59:02,719

so jim goodall reschedules his like

3173

01:59:06,550 --> 01:59:04,800

tour of lockheed skunk works he gets he

3174

01:59:09,910 --> 01:59:06,560

gets a pewter

3175

01:59:12,390 --> 01:59:09,920

made like black and sculpture

3176

01:59:12,950 --> 01:59:12,400

which civilians never get it's usually

3177

01:59:16,229 --> 01:59:12,960

like

3178

01:59:19,589 --> 01:59:16,239

that have been

3179

01:59:22,390 --> 01:59:19,599

in in the service for 10 to 20 years

3180

01:59:22,709 --> 01:59:22,400

he gets a sculpture jim goodall yeah for

3181

01:59:26,149 --> 01:59:22,719

his

3182

01:59:30,149 --> 01:59:27,910

both of them are very heavy and a

3183

01:59:33,910 --> 01:59:30,159

private tour and a private door

3184

01:59:37,430 --> 01:59:36,629

just [h__\h] with us for a weekend uh

3185

01:59:39,350 --> 01:59:37,440

and then

3186

01:59:40,870 --> 01:59:39,360

yeah dude like that was such a great

3187

01:59:44,550 --> 01:59:40,880

weekend in sedona like

3188

01:59:46,629 --> 01:59:44,560

melinda bless her heart god she just she

3189

01:59:47,830 --> 01:59:46,639

she just made that whole experience like

3190

01:59:50,390 --> 01:59:47,840

jocelyn put this

3191

01:59:51,030 --> 01:59:50,400

this get together all these like-minded

3192

01:59:53,430 --> 01:59:51,040

people

3193

01:59:55,589 --> 01:59:53,440

to gather got the community together in

3194

01:59:57,510 --> 01:59:55,599

sedona met some amazing people

3195

01:59:59,430 --> 01:59:57,520

took us out to bradshaw reigns melinda

3196

02:00:00,070 --> 01:59:59,440

yeah took us out the bradshaw ranch had

3197

02:00:03,189 --> 02:00:00,080

her like

3198

02:00:06,910 --> 02:00:03,199

knight scope vision goggles and we

3199

02:00:10,470 --> 02:00:06,920

saw some crazy

3200

02:00:13,109 --> 02:00:10,480

crazy [h__h] man yeah

3201

02:00:14,550 --> 02:00:13,119

holy [\h__\h] we're out to bradshaw ranch at

3202

02:00:17,510 --> 02:00:14,560

midnight

3203

02:00:19,109 --> 02:00:17,520

this is [\h__\h] crazy hold on i gotta i

3204

02:00:21,189 --> 02:00:19,119

gotta chime in here everybody's

3205

02:00:22,790 --> 02:00:21,199

everybody's uh everybody's

3206

02:00:25,750 --> 02:00:22,800

you know they have the power of the

3207

02:00:29,830 --> 02:00:25,760

schwartz going on in the in the

3208

02:00:35,589 --> 02:00:29,840

shorts your schwartz is bigger than mine

3209

02:00:41,830 --> 02:00:37,830

i'm surrounded but what is this spelled

3210

02:00:43,910 --> 02:00:41,840

i'm surrounded by [\h__\h]

3211

02:00:46,629 --> 02:00:43,920

yes and who is this guy he's an [\h__\h]

3212

02:00:49,030 --> 02:00:46,639

sir is everybody an [\h__\h] around here

3213

02:00:50,550 --> 02:00:49,040

yes great great i'm surrounded by

3214

02:00:52,470 --> 02:00:50,560

[h__\h]

3215

02:00:54,950 --> 02:00:52,480

look at this listen dee i don't want you

3216

02:01:00,229 --> 02:00:54,960

to catch got something garbage anymore

3217

02:01:05,350 --> 02:01:02,629

standards people jersey mike's is pretty

3218

02:01:06,870 --> 02:01:05,360

good it is superior to subway and the

3219

02:01:08,790 --> 02:01:06,880

absolute way

3220

02:01:10,470 --> 02:01:08,800

there their philly cheesesteak jersey

3221

02:01:13,990 --> 02:01:10,480

mike's philly cheesesteak

3222

02:01:15,589 --> 02:01:14,000

is superior to subway in in every aspect

3223

02:01:17,430 --> 02:01:15,599

is it better than jimothy jonathan's

3224

02:01:19,910 --> 02:01:17,440

dude jimothy jonathan's has no

3225

02:01:22,149 --> 02:01:19,920

competition with the philly cheesesteak

3226

02:01:23,830 --> 02:01:22,159

if jersey mike's has the [h__h]

3227

02:01:25,990 --> 02:01:23,840

monopoly on this

3228

02:01:28,470 --> 02:01:26,000

okay so do you think jersey mike's is

3229

02:01:31,510 --> 02:01:28,480

better than firehouse subs

3230

02:01:35,030 --> 02:01:31,520

what sandwich are you talking about

3231

02:01:38,390 --> 02:01:36,709

philly cheesesteak look hey i've never

3232

02:01:39,910 --> 02:01:38,400

had a philly cheesesteak look

3233

02:01:40,950 --> 02:01:39,920

okay somebody was like you want to fill

3234

02:01:43,430 --> 02:01:40,960

your cheesesteak and i was like no i

3235

02:01:45,510 --> 02:01:43,440

want a cheeseburger

3236

02:01:48,390 --> 02:01:45,520

yeah this is your answer to every meal

3237

02:01:49,589 --> 02:01:48,400

offer hey do you want to

3238

02:01:51,589 --> 02:01:49,599

do do you want some salmon with some

3239

02:01:52,310 --> 02:01:51,599

rice i'd rather have a cheeseburger but

3240

02:01:54,310 --> 02:01:52,320

i'll take it

3241

02:01:56,470 --> 02:01:54,320

that's your answer i mean yeah i'll eat

3242

02:01:57,910 --> 02:01:56,480

it but do you like like firehouse subs

3243

02:02:00,070 --> 02:01:57,920

i don't know if that's just the texas

3244

02:02:01,109 --> 02:02:00,080

thing but dude their meatball sub is

3245

02:02:03,270 --> 02:02:01,119

[h__\h] phenomenal

3246

02:02:04,310 --> 02:02:03,280

pretty delicious but i i do prefer the

3247

02:02:07,350 --> 02:02:04,320

jersey mike's

3248

02:02:10,550 --> 02:02:07,360

philly over uh uh firehouse

3249

02:02:13,830 --> 02:02:10,560

so we're firehouse lacks jersey mike

3250

02:02:16,149 --> 02:02:13,840

uh jersey mike which we go back way back

3251
02:02:18,070 --> 02:02:16,159
yeah except for did did you ever write

3252
02:02:18,550 --> 02:02:18,080
great sandwich both greek sandwich

3253
02:02:21,830 --> 02:02:18,560
places

3254
02:02:24,070 --> 02:02:21,840
did you ever eat at texadelphia no what

3255
02:02:27,189 --> 02:02:24,080
is that dude texadelphia was dope

3256
02:02:30,229 --> 02:02:27,199
it was like it was like schlotsky's

3257
02:02:30,870 --> 02:02:30,239
which is also dope right but it was

3258
02:02:33,830 --> 02:02:30,880
really good

3259
02:02:35,430 --> 02:02:33,840
[h__h] love schlotsky is the [h__h] silly

3260
02:02:39,870 --> 02:02:35,440
name

3261
02:02:43,589 --> 02:02:39,880
serious sandwich there you go you get it

3262
02:02:45,109 --> 02:02:43,599
banana banana bowie

3263
02:02:47,189 --> 02:02:45,119

john john bowie was that you last week

3264

02:02:49,510 --> 02:02:47,199

that was like rick moranis is the [h__\h]

3265

02:02:50,310 --> 02:02:49,520

john i totally agreed with you because

3266

02:02:53,030 --> 02:02:50,320

yeah yeah

3267

02:02:54,390 --> 02:02:53,040

jama jovi was [h__\h] dude what the

3268

02:02:57,750 --> 02:02:54,400

[h__\h] jokes dude

3269

02:03:00,870 --> 02:02:57,760

val says i'm from philly tread lightly

3270

02:03:03,030 --> 02:03:00,880

hey you're trying to i get that yeah

3271

02:03:04,950 --> 02:03:03,040

do do they call it a philly cheese steak

3272

02:03:06,550 --> 02:03:04,960

in philly or is it just a cheesesteak

3273

02:03:08,310 --> 02:03:06,560

sandwich

3274

02:03:09,830 --> 02:03:08,320

is it is it already implied that if

3275

02:03:11,270 --> 02:03:09,840

you're getting a cheesesteak sandwich

3276

02:03:13,750 --> 02:03:11,280

it's it's already a Philly

3277

02:03:15,030 --> 02:03:13,760

cheese steak sandwich yeah or do you

3278

02:03:16,870 --> 02:03:15,040

guys still call them

3279

02:03:18,790 --> 02:03:16,880

Philly cheesesteak sandwiches they just

3280

02:03:21,990 --> 02:03:18,800

call them they uh they call them

3281

02:03:26,070 --> 02:03:22,000

down down south times time after

3282

02:03:26,950 --> 02:03:26,080

uh and p.m where's the best Philly

3283

02:03:29,430 --> 02:03:26,960

cheesesteak

3284

02:03:33,189 --> 02:03:29,440

sandwich in Philly great question quick

3285

02:03:39,990 --> 02:03:37,109

we'll wait just silence

3286

02:03:41,270 --> 02:03:40,000

[h__h] waiting man we're waiting answer

3287

02:03:44,310 --> 02:03:41,280

the questions

3288

02:03:47,910 --> 02:03:47,430

it's just to see she's no valero it's

3289

02:03:51,270 --> 02:03:47,920

not

3290

02:03:54,790 --> 02:03:51,280

it is it's more than she is

3291

02:03:57,350 --> 02:03:54,800

have you had one this is a jesus

3292

02:03:58,870 --> 02:03:57,360

i'd like a local municipality sandwich

3293

02:04:00,790 --> 02:03:58,880

does that mean that you want to

3294

02:04:02,149 --> 02:04:00,800

that mean that you want a jail sandwich

3295

02:04:04,870 --> 02:04:02,159

because

3296

02:04:07,510 --> 02:04:04,880

gel sandwiches are not cool at all what

3297

02:04:09,510 --> 02:04:07,520

does that mean

3298

02:04:11,350 --> 02:04:09,520

yeah it's like there's like a foot

3299

02:04:12,790 --> 02:04:11,360

bologna sandwich man it's like when you

3300

02:04:13,669 --> 02:04:12,800

get the drunk tank and they're like

3301

02:04:16,149 --> 02:04:13,679

[h__\h] eat it

3302

02:04:16,870 --> 02:04:16,159

dude there's this one time when i went

3303

02:04:20,709 --> 02:04:16,880

to jail

3304

02:04:25,510 --> 02:04:23,910

yes yeah that we're all lost on that one

3305

02:04:27,270 --> 02:04:25,520

this one time i went to jail they and

3306

02:04:31,430 --> 02:04:27,280

they brought us food

3307

02:04:33,669 --> 02:04:31,440

and it wasn't my fault

3308

02:04:34,790 --> 02:04:33,679

never is i've never met a an innocent

3309

02:04:37,990 --> 02:04:34,800

man in jail all

3310

02:04:39,830 --> 02:04:38,000

charges were dropped uh but yeah

3311

02:04:41,430 --> 02:04:39,840

so i went in there and there was this

3312

02:04:44,470 --> 02:04:41,440

dude from louisiana

3313

02:04:46,229 --> 02:04:44,480

and he was not happy at all he was like

3314

02:04:48,709 --> 02:04:46,239

punching the brick wall

3315

02:04:50,149 --> 02:04:48,719

and uh and he was like taking his shirt

3316

02:04:51,030 --> 02:04:50,159

off and he was like i'm gonna fight

3317

02:04:55,189 --> 02:04:51,040

everybody

3318

02:04:58,229 --> 02:04:55,199

like this is a little scary

3319

02:04:59,830 --> 02:04:58,239

and i have a roll of toilet paper for

3320

02:05:00,149 --> 02:04:59,840

like my [h__h] pillow right now like

3321

02:05:02,709 --> 02:05:00,159

this

3322

02:05:03,270 --> 02:05:02,719

sucks like it's such [h__h] do they

3323

02:05:06,310 --> 02:05:03,280

give you

3324

02:05:07,589 --> 02:05:06,320

your own no no like i was just lucky

3325

02:05:08,790 --> 02:05:07,599

enough to be like well the first one's

3326

02:05:12,709 --> 02:05:08,800

in the cell so i took

3327

02:05:18,069 --> 02:05:15,910

selfish [h__h] man what i gave it back

3328

02:05:19,350 --> 02:05:18,079

mad at you too i gave it back because

3329

02:05:21,830 --> 02:05:19,360

that's frowned upon

3330

02:05:22,790 --> 02:05:21,840

but there was like this there was like

3331

02:05:26,709 --> 02:05:22,800

this

3332

02:05:29,510 --> 02:05:26,719

big old black dude in there he was like

3333

02:05:31,109 --> 02:05:29,520

huge and i was like [h__h] and i'm sitting

3334

02:05:33,109 --> 02:05:31,119

there and like i'm i'm eating

3335

02:05:34,709 --> 02:05:33,119

like i'm eating your toilet paper you

3336

02:05:35,910 --> 02:05:34,719

made my breakfast and like everybody

3337

02:05:36,470 --> 02:05:35,920

else is eating their breakfast it was

3338

02:05:38,550 --> 02:05:36,480

like this

3339

02:05:39,510 --> 02:05:38,560

little round slice of ham with some with

3340

02:05:42,069 --> 02:05:39,520

some like

3341

02:05:42,950 --> 02:05:42,079

uh syrup on it and then they gave us

3342

02:05:46,229 --> 02:05:42,960

like these like

3343

02:05:47,189 --> 02:05:46,239

these veggies and then like a a piece of

3344

02:05:49,189 --> 02:05:47,199

cornbread

3345

02:05:50,550 --> 02:05:49,199

and uh i was sitting there and this dude

3346

02:05:52,310 --> 02:05:50,560

was freaking out and he was punching

3347

02:05:52,629 --> 02:05:52,320

walls and stuff and i'm i'm sitting next

3348

02:05:55,910 --> 02:05:52,639

to

3349

02:05:57,510 --> 02:05:55,920

just gonna sit right here because if he

3350

02:05:59,189 --> 02:05:57,520

gets wild over here this big dude's

3351

02:06:01,830 --> 02:05:59,199

gonna just like body slam him

3352

02:06:03,030 --> 02:06:01,840

and so i uh i looked over at the big guy

3353

02:06:03,750 --> 02:06:03,040

and i was like i gotta make friends

3354

02:06:05,830 --> 02:06:03,760

somehow

3355

02:06:07,270 --> 02:06:05,840

how do i make friends and i looked at

3356

02:06:11,589 --> 02:06:07,280

him and i was like

3357

02:06:13,430 --> 02:06:11,599

hey man you won't eat your cornbread

3358

02:06:15,189 --> 02:06:13,440

did you say it like that yeah and he

3359

02:06:16,550 --> 02:06:15,199

looked at me he was like

3360

02:06:18,229 --> 02:06:16,560

i don't know if you can get away with

3361

02:06:21,350 --> 02:06:18,239

saying it like that

3362

02:06:23,750 --> 02:06:21,360

i did i did and he was like

3363

02:06:24,709 --> 02:06:23,760

yeah i'm gonna eat my cornbread i was

3364

02:06:25,669 --> 02:06:24,719

like you ain't gonna give me that

3365

02:06:27,109 --> 02:06:25,679

cornbread

3366

02:06:28,950 --> 02:06:27,119

he started laughing like he started

3367

02:06:31,030 --> 02:06:28,960

laughing his ass off

3368

02:06:33,030 --> 02:06:31,040

he was like he was like are you being

3369

02:06:34,870 --> 02:06:33,040

serious right now i was like no

3370

02:06:36,709 --> 02:06:34,880

i i was just i'm so tired this is like

3371

02:06:37,270 --> 02:06:36,719

kind of a funny thing to say yeah yeah

3372

02:06:38,550 --> 02:06:37,280

and so

3373

02:06:40,149 --> 02:06:38,560

i was like but do you want my cornbread

3374

02:06:41,030 --> 02:06:40,159

and he was like yeah yeah watch out

3375

02:06:44,069 --> 02:06:41,040

cornbread

3376

02:06:45,510 --> 02:06:44,079

oh no you get it so i gave him my

3377

02:06:47,109 --> 02:06:45,520

cornbread i was like all right well

3378

02:06:48,709 --> 02:06:47,119

this guy gets crazy you got my back

3379

02:06:49,910 --> 02:06:48,719

right he was like man you're hilarious

3380

02:06:51,910 --> 02:06:49,920

yeah of course yeah

3381

02:06:54,149 --> 02:06:51,920

so we just like became friends that's a

3382

02:06:57,030 --> 02:06:54,159

pretty genius way to approach that like

3383

02:06:58,870 --> 02:06:57,040

like are you gonna eat yours and then

3384

02:06:59,350 --> 02:06:58,880

like no no you can have mine and now

3385

02:07:01,910 --> 02:06:59,360

he's like

3386

02:07:02,629 --> 02:07:01,920

he owes you something yeah and like all

3387

02:07:04,550 --> 02:07:02,639

right we're cool

3388

02:07:06,790 --> 02:07:04,560

okay i love that it was only it was only

3389

02:07:10,149 --> 02:07:06,800

for like i was only in there for

3390

02:07:16,550 --> 02:07:10,159

well i was in there for like 14 hours

3391

02:07:20,870 --> 02:07:19,910

oh that depends i mean is is being

3392

02:07:24,229 --> 02:07:20,880

abducted

3393

02:07:26,229 --> 02:07:24,239

like being a prisoner is it like being

3394

02:07:28,470 --> 02:07:26,239

in jail if they don't let you go

3395

02:07:30,550 --> 02:07:28,480

aren't you in jail what do the aliens

3396

02:07:32,470 --> 02:07:30,560

feed you do they even feed you

3397

02:07:33,750 --> 02:07:32,480

they don't shove tubes inside of you

3398

02:07:35,350 --> 02:07:33,760

well i know that they know that all

3399

02:07:39,430 --> 02:07:35,360

humans enjoy cornbread

3400

02:07:42,790 --> 02:07:39,440

corn queen breed queen bread coin bee

3401

02:07:44,310 --> 02:07:42,800

cornbread is enjoyed by every single

3402

02:07:44,870 --> 02:07:44,320

human being so that's probably what

3403

02:07:48,149 --> 02:07:44,880

they're gonna

3404

02:07:50,390 --> 02:07:48,159

uh serve but if we're bringing it

3405

02:07:51,830 --> 02:07:50,400

okay let's let's see our last remarks i

3406

02:07:54,790 --> 02:07:51,840

want a little break before

3407

02:07:56,470 --> 02:07:54,800

dave's we're going on sor at 11 so we've

3408

02:07:56,950 --> 02:07:56,480

got a long night if y'all are listening

3409

02:07:59,910 --> 02:07:56,960

to us

3410

02:08:00,390 --> 02:07:59,920

right now come back we're going to be on

3411

02:08:05,750 --> 02:08:00,400

the

3412

02:08:08,069 --> 02:08:05,760

check it out space out radio at 11.

3413

02:08:09,510 --> 02:08:08,079

so i think we may be a little break i

3414

02:08:10,470 --> 02:08:09,520

want to brownie some food honestly i

3415

02:08:12,470 --> 02:08:10,480

might make some

3416

02:08:13,669 --> 02:08:12,480

[h__\h] cornbread dude i'm [h__\h]

3417

02:08:17,109 --> 02:08:13,679

starving

3418

02:08:18,470 --> 02:08:17,119

but uh but like okay so circling back

3419

02:08:20,069 --> 02:08:18,480

and all the topics that we've talked

3420

02:08:23,350 --> 02:08:20,079

about tonight

3421

02:08:27,589 --> 02:08:23,360

if if here's my question joe uh

3422

02:08:30,629 --> 02:08:29,109

what time do you think they're gonna

3423

02:08:31,189 --> 02:08:30,639

they're gonna make an announcement if

3424

02:08:33,350 --> 02:08:31,199

anything

3425

02:08:34,790 --> 02:08:33,360

oh that's the thing i was thinking about

3426

02:08:36,229 --> 02:08:34,800

uh at the very beginning

3427

02:08:38,069 --> 02:08:36,239

of the show that i was like at this

3428

02:08:38,709 --> 02:08:38,079

point and i can't remember it i remember

3429

02:08:40,229 --> 02:08:38,719

it now

3430

02:08:42,149 --> 02:08:40,239

yes you know how they talk about

3431

02:08:45,189 --> 02:08:42,159

crises come on the weekends

3432

02:08:47,830 --> 02:08:45,199

uh it's like late on a friday usually

3433

02:08:49,030 --> 02:08:47,840

late on a friday tomorrow late tomorrow

3434

02:08:49,990 --> 02:08:49,040

that's when it's gonna happen so you

3435

02:08:52,229 --> 02:08:50,000

think it's me like 5

3436

02:08:53,589 --> 02:08:52,239

30. probably people are on the way home

3437

02:08:56,390 --> 02:08:53,599

from work people

3438

02:08:58,229 --> 02:08:56,400

the people that matter most the majority

3439

02:09:00,470 --> 02:08:58,239

of the people right like that actually

3440

02:09:01,750 --> 02:09:00,480

have to [h__h] drive somewhere

3441

02:09:03,750 --> 02:09:01,760

there are a lot of people don't get me

3442

02:09:05,430 --> 02:09:03,760

wrong work from home i work from home

3443

02:09:08,629 --> 02:09:05,440

i'm not excluding myself from that but

3444

02:09:10,229 --> 02:09:08,639

joe yourself you drive you

3445

02:09:12,629 --> 02:09:10,239

[h__h] work your ass off there's a lot

3446

02:09:13,750 --> 02:09:12,639

of people out there that have to [h__h]

3447

02:09:16,950 --> 02:09:13,760

drive home at 5

3448

02:09:20,470 --> 02:09:16,960

30 5 o'clock and they're

3449

02:09:23,189 --> 02:09:20,480

not allowed to be a part of this thing

3450

02:09:24,470 --> 02:09:23,199

that's going to be live on the news

3451

02:09:26,229 --> 02:09:24,480

that's

3452

02:09:27,510 --> 02:09:26,239

i'm interested to see what's going to

3453

02:09:30,870 --> 02:09:27,520

happen dude if

3454

02:09:34,790 --> 02:09:30,880

if it [h__h] pops on yeah is it

3455

02:09:38,069 --> 02:09:34,800

what time is it central or eastern time

3456

02:09:41,189 --> 02:09:38,079

what that's it my name is what

3457

02:09:43,430 --> 02:09:41,199

um bonjournum yeah anyway

3458

02:09:44,470 --> 02:09:43,440

sorry i was there and the girls were

3459

02:09:46,390 --> 02:09:44,480

like and

3460

02:09:48,629 --> 02:09:46,400

my leg here and everybody's having a

3461

02:09:52,629 --> 02:09:48,639

good time and i'm glistening

3462

02:09:57,030 --> 02:09:54,390

i'm not going to laugh out of you at all

3463

02:10:01,990 --> 02:09:57,040

like okay i should stop

3464

02:10:07,669 --> 02:10:03,350

all right so try to see how long you're

3465

02:10:10,709 --> 02:10:08,870

thanks for letting me go because you

3466

02:10:11,109 --> 02:10:10,719

were like okay we got we gotta take a

3467

02:10:14,709 --> 02:10:11,119

break

3468

02:10:17,030 --> 02:10:14,719

and then like joe biden impressions

3469

02:10:18,149 --> 02:10:17,040

all right so like are you shut up now

3470

02:10:21,910 --> 02:10:18,159

i'm talking

3471

02:10:24,550 --> 02:10:21,920

but basically what i said for like 5 30

3472

02:10:26,470 --> 02:10:24,560

right like it's like late on a friday

3473

02:10:29,109 --> 02:10:26,480

everybody's driving home from work

3474

02:10:29,990 --> 02:10:29,119

can't see it live do you think that is

3475

02:10:37,430 --> 02:10:30,000

is

3476

02:10:41,750 --> 02:10:40,069

probably or or do you think that's just

3477

02:10:45,830 --> 02:10:41,760

like all

3478

02:10:49,189 --> 02:10:45,840

all a part of the the the systematic

3479

02:10:52,950 --> 02:10:49,199

change moromo you know dude

3480

02:10:54,390 --> 02:10:52,960

late on a friday i mean everybody's done

3481

02:10:55,669 --> 02:10:54,400

yeah dude i mean everybody's like all

3482

02:10:58,390 --> 02:10:55,679

right i'm going home i'm gonna drink

3483

02:10:59,830 --> 02:10:58,400

some beer i'm gonna i'm gonna barbecue

3484

02:11:01,990 --> 02:10:59,840

i don't know what you guys do that's

3485

02:11:05,830 --> 02:11:02,000

what i like to do on the weekends

3486

02:11:07,910 --> 02:11:05,840

actually you know yeah well yeah and uh

3487

02:11:09,430 --> 02:11:07,920

yeah i think it's gonna be like a weird

3488

02:11:10,149 --> 02:11:09,440

like uh i don't know it's like a weird

3489

02:11:12,390 --> 02:11:10,159

timing like

3490

02:11:14,149 --> 02:11:12,400

why didn't you like why in there like a

3491

02:11:17,270 --> 02:11:14,159

press conference like on uh

3492

02:11:18,709 --> 02:11:17,280

on on a wednesday or a monday like two

3493

02:11:21,189 --> 02:11:18,719

o'clock or something you know

3494

02:11:22,629 --> 02:11:21,199

yeah i don't know dude i don't know are

3495

02:11:24,229 --> 02:11:22,639

they gonna announce it at night when

3496

02:11:25,830 --> 02:11:24,239

everybody's watching the news

3497

02:11:28,069 --> 02:11:25,840

or they're gonna announce it somebody

3498

02:11:29,109 --> 02:11:28,079

said five o'clock is what he heard i

3499

02:11:31,910 --> 02:11:29,119

think maybe that was

3500

02:11:32,229 --> 02:11:31,920

that was val maybe so so somebody said

3501

02:11:35,510 --> 02:11:32,239

it

3502

02:11:37,510 --> 02:11:35,520

why uh so have you heard these these

3503

02:11:38,550 --> 02:11:37,520

concepts of of of the three days of

3504

02:11:42,310 --> 02:11:38,560

darkness

3505

02:11:44,629 --> 02:11:42,320

yeah so there's this

3506

02:11:45,430 --> 02:11:44,639

chatter among the community where christ

3507

02:11:48,229 --> 02:11:45,440

died

3508

02:11:50,069 --> 02:11:48,239

in the third day he rose again and

3509

02:11:51,589 --> 02:11:50,079

honestly does tie back to that i know

3510

02:11:53,589 --> 02:11:51,599

you're trying to make it a joke but it

3511

02:11:54,870 --> 02:11:53,599

kind of does tie back to that like the

3512

02:11:56,790 --> 02:11:54,880

winter solstice

3513

02:11:59,030 --> 02:11:56,800

the sun hits the lowest point for three

3514

02:12:02,870 --> 02:11:59,040

days and then rises

3515

02:12:06,069 --> 02:12:02,880

yes yeah dude you're smart dude

3516

02:12:07,990 --> 02:12:06,079

are you smart dude you're [h__h] you're

3517

02:12:08,629 --> 02:12:08,000

a doctor scientist or not i am a doctor

3518

02:12:11,750 --> 02:12:08,639

scientist

3519

02:12:13,430 --> 02:12:11,760

an official one where's your card

3520

02:12:18,310 --> 02:12:13,440

i mean where's your card you don't have

3521

02:12:23,669 --> 02:12:21,770

anyway so the three i'm waiting

3522

02:12:27,430 --> 02:12:23,679

[Laughter]

3523

02:12:32,310 --> 02:12:30,709

do you have a card no okay if you don't

3524

02:12:33,990 --> 02:12:32,320

have a card

3525

02:12:35,910 --> 02:12:34,000

what if i like what if i like totally

3526

02:12:38,149 --> 02:12:35,920

made like the most badass card i've like

3527

02:12:41,270 --> 02:12:38,159

totally left you out of it

3528

02:12:42,069 --> 02:12:41,280

oh that was so fun me and william

3529

02:12:45,189 --> 02:12:42,079

townsend

3530

02:12:48,310 --> 02:12:45,199

have the cards that you don't

3531

02:12:51,030 --> 02:12:48,320

but dude so like uh so

3532

02:12:52,629 --> 02:12:51,040

so so what if what if everything just

3533

02:12:55,669 --> 02:12:52,639

comes to light

3534

02:12:57,669 --> 02:12:55,679

at like 9 30

3535

02:12:59,990 --> 02:12:57,679

everybody who works a job where they

3536

02:13:02,390 --> 02:13:00,000

have to go somewhere and do some [h__\h]

3537

02:13:03,589 --> 02:13:02,400

and they don't work from home there's

3538

02:13:05,109 --> 02:13:03,599

they don't see it

3539

02:13:06,629 --> 02:13:05,119

but the people that work from home see

3540

02:13:09,109 --> 02:13:06,639

one thing right

3541

02:13:09,910 --> 02:13:09,119

so there's like this site guys this this

3542

02:13:11,430 --> 02:13:09,920

chatter

3543

02:13:13,589 --> 02:13:11,440

going on on social media by the time

3544

02:13:16,790 --> 02:13:13,599

they take their lunch break

3545

02:13:18,470 --> 02:13:16,800

get to see the second hand version of it

3546

02:13:20,149 --> 02:13:18,480

like that's dangerous

3547

02:13:22,229 --> 02:13:20,159

but uh i mean back to them and as soon

3548

02:13:22,950 --> 02:13:22,239

as it comes out people are gonna record

3549

02:13:26,629 --> 02:13:22,960

it

3550

02:13:29,430 --> 02:13:26,639

that's what bring me

3551
02:13:31,109 --> 02:13:29,440
brings me to the three days of darkness

3552
02:13:32,229 --> 02:13:31,119
where you don't have any internet you

3553
02:13:35,270 --> 02:13:32,239
don't have any

3554
02:13:37,750 --> 02:13:35,280
outside connection where you just get to

3555
02:13:39,109 --> 02:13:37,760
it's on your cable t television you get

3556
02:13:42,790 --> 02:13:39,119
a message

3557
02:13:46,229 --> 02:13:45,750
your local renders nation that's telling

3558
02:13:53,669 --> 02:13:46,239
you

3559
02:13:55,350 --> 02:13:53,679
do get that one channel and

3560
02:13:57,750 --> 02:13:55,360
you don't you can't call your buddy you

3561
02:13:59,910 --> 02:13:57,760
can't i can't call you

3562
02:14:01,109 --> 02:13:59,920
you can't call me bro i know where you

3563
02:14:03,270 --> 02:14:01,119

live though i'll just come over

3564

02:14:04,709 --> 02:14:03,280

yeah just come chill you demand or

3565

02:14:07,830 --> 02:14:04,719

always invite

3566

02:14:11,990 --> 02:14:07,840

this up we can swim dude why says

3567

02:14:15,189 --> 02:14:12,000

will skinny pop appear on cnn

3568

02:14:17,510 --> 02:14:15,199

i wish skinny bob is still my

3569

02:14:19,030 --> 02:14:17,520

favorite mystery of all time what if

3570

02:14:20,629 --> 02:14:19,040

skinny bob showed up but he had like a

3571

02:14:22,709 --> 02:14:20,639

beer gut

3572

02:14:24,229 --> 02:14:22,719

he's like he's like older now yeah he's

3573

02:14:26,790 --> 02:14:24,239

like he's like

3574

02:14:28,310 --> 02:14:26,800

he's got hair like kyle gas just around

3575

02:14:31,910 --> 02:14:28,320

the sides

3576

02:14:34,950 --> 02:14:34,069

he's like guys i'm trying to [h__\h] i look

3577

02:14:36,629 --> 02:14:34,960

this is when i was

3578

02:14:38,550 --> 02:14:36,639

young and handsome yeah this is the

3579

02:14:39,990 --> 02:14:38,560

video from uh it's real video i was

3580

02:14:41,910 --> 02:14:40,000

young and handsome

3581

02:14:42,800 --> 02:14:41,920

this was 3 000 years ago you gotta

3582

02:14:44,470 --> 02:14:42,810

understand

3583

02:14:46,390 --> 02:14:44,480

[Laughter]

3584

02:14:48,709 --> 02:14:46,400

i'm the one who stayed behind on the

3585

02:14:51,750 --> 02:14:48,719

moon man i'm the one that panned up

3586

02:14:53,189 --> 02:14:51,760

that was me dude it was me taking all

3587

02:14:55,990 --> 02:14:53,199

these sweet ass photos

3588

02:14:57,830 --> 02:14:56,000

sweet ass for the sexy photos really

3589

02:15:00,790 --> 02:14:57,840

[Music]

3590

02:15:02,870 --> 02:15:00,800

i mean earth is sexy think about it

3591

02:15:05,830 --> 02:15:02,880

really

3592

02:15:06,709 --> 02:15:05,840

what that that one for that max full he

3593

02:15:09,510 --> 02:15:06,719

he apparently

3594

02:15:10,950 --> 02:15:09,520

found the person who uploaded skinny bob

3595

02:15:14,229 --> 02:15:10,960

and is setting up

3596

02:15:17,589 --> 02:15:14,239

to interview them to verify no [h__\h] dude

3597

02:15:21,270 --> 02:15:17,599

i just watched max's interview

3598

02:15:24,470 --> 02:15:21,280

with uh i think so he interviewed uh

3599

02:15:25,189 --> 02:15:24,480

lou shortly before us and then he had

3600

02:15:27,750 --> 02:15:25,199

ryan sprague

3601

02:15:29,910 --> 02:15:27,760

that was a great interview i just

3602

02:15:33,030 --> 02:15:29,920

watched his show

3603

02:15:35,270 --> 02:15:33,040

now he says max is dope dude but how

3604

02:15:37,270 --> 02:15:35,280

how can a million dollars not get this

3605

02:15:39,510 --> 02:15:37,280

person to come out of hiding

3606

02:15:40,870 --> 02:15:39,520

well explain for people who don't know

3607

02:15:42,870 --> 02:15:40,880

well so the story is

3608

02:15:44,790 --> 02:15:42,880

is that like when these stuff came out

3609

02:15:45,990 --> 02:15:44,800

people were like well it could be cgi

3610

02:15:47,669 --> 02:15:46,000

they've had people look at it and

3611

02:15:49,030 --> 02:15:47,679

they're like well it's really good cgi

3612

02:15:51,510 --> 02:15:49,040

if it is cgi

3613

02:15:52,550 --> 02:15:51,520

if it was done like a long ass time ago

3614

02:15:53,830 --> 02:15:52,560

that's impossible

3615

02:15:55,589 --> 02:15:53,840

we could do it now but it would

3616

02:15:56,310 --> 02:15:55,599

definitely take a big team and then

3617

02:15:58,149 --> 02:15:56,320

there was like

3618

02:16:01,030 --> 02:15:58,159

all kinds of hollywood people coming out

3619

02:16:03,270 --> 02:16:01,040

offering jobs to whoever made this film

3620

02:16:04,790 --> 02:16:03,280

they offered like over a million dollars

3621

02:16:07,990 --> 02:16:04,800

for somebody to come forward

3622

02:16:09,910 --> 02:16:08,000

to claim the film uh and

3623

02:16:11,910 --> 02:16:09,920

you know there was just all these these

3624

02:16:14,709 --> 02:16:11,920

things to get somebody to come out

3625

02:16:16,310 --> 02:16:14,719

right and uh and claim the film and

3626

02:16:18,390 --> 02:16:16,320

nobody did

3627

02:16:21,109 --> 02:16:18,400

and so like it's just weird that like a

3628

02:16:23,030 --> 02:16:21,119

million dollars didn't come out but like

3629

02:16:24,629 --> 02:16:23,040

max was like hey i want to be on the

3630

02:16:28,470 --> 02:16:24,639

show and you know what [h__h] yeah

3631

02:16:31,189 --> 02:16:28,480

so so the but the thing was whoever

3632

02:16:31,750 --> 02:16:31,199

so who who offered the million dollars

3633

02:16:36,389 --> 02:16:31,760

to

3634

02:16:38,870 --> 02:16:36,399

who it was so it was like specifically

3635

02:16:39,990 --> 02:16:38,880

somebody that came maybe like hollywood

3636

02:16:42,790 --> 02:16:40,000

somebody was like

3637

02:16:44,389 --> 02:16:42,800

hey whoever made this [h__h] if it's fake

3638

02:16:46,230 --> 02:16:44,399

come [h__h] forward because we want to

3639

02:16:46,709 --> 02:16:46,240

hire you to make all of our hollywood

3640

02:16:49,110 --> 02:16:46,719

films

3641

02:16:49,830 --> 02:16:49,120

right right here's here's a million

3642

02:16:52,230 --> 02:16:49,840

dollars

3643

02:16:53,190 --> 02:16:52,240

sign on bonus just go just to say yeah

3644

02:16:55,110 --> 02:16:53,200

exactly come out and

3645

02:16:56,389 --> 02:16:55,120

we want you to make film for us sign

3646

02:16:57,910 --> 02:16:56,399

bonus yeah like

3647

02:17:00,549 --> 02:16:57,920

look we'll give you this and then we'll

3648

02:17:03,669 --> 02:17:00,559

pay you more to make our [h__h]

3649

02:17:07,270 --> 02:17:03,679

dc films and like i'm thor i've

3650

02:17:08,070 --> 02:17:07,280

i'm cool he's a beautiful human being

3651
02:17:11,429 --> 02:17:08,080
honestly

3652
02:17:16,870 --> 02:17:11,439
thor dude i don't

3653
02:17:18,870 --> 02:17:16,880
i don't his is i'm he's buff

3654
02:17:20,709 --> 02:17:18,880
but yeah so it's just it's just that's

3655
02:17:23,429 --> 02:17:20,719
that's kind of strange to me but

3656
02:17:24,070 --> 02:17:23,439
but i think it's cool i'm gonna listen

3657
02:17:26,150 --> 02:17:24,080
so this is

3658
02:17:27,589 --> 02:17:26,160
the story obviously yeah this thing like

3659
02:17:29,190 --> 02:17:27,599
hey come out and and

3660
02:17:30,790 --> 02:17:29,200
prove that you made this and i'll give

3661
02:17:31,270 --> 02:17:30,800
you a million dollars never [h__h]

3662
02:17:35,190 --> 02:17:31,280
happened

3663
02:17:39,270 --> 02:17:37,509

so i'm [h__h] up with that dude yeah

3664

02:17:41,910 --> 02:17:39,280

everybody wants a million dollars

3665

02:17:42,629 --> 02:17:41,920

i i agree max is killing it right yeah

3666

02:17:44,870 --> 02:17:42,639

but

3667

02:17:46,549 --> 02:17:44,880

like i'm curious to figure out where the

3668

02:17:49,910 --> 02:17:46,559

[h__h] like it all came from

3669

02:17:51,990 --> 02:17:49,920

like who like who did it

3670

02:17:54,709 --> 02:17:52,000

it's it's either it's either that the

3671

02:17:58,389 --> 02:17:54,719

person who made it is like

3672

02:18:01,270 --> 02:17:58,399

holy [h__h] got the most dope secret

3673

02:18:02,150 --> 02:18:01,280

and like he's just really talented cgi

3674

02:18:06,790 --> 02:18:02,160

right

3675

02:18:10,150 --> 02:18:06,800

like jp yes it could be cgi absolutely

3676

02:18:14,309 --> 02:18:10,160

actually jp was it you holy [h__h] it's jp

3677

02:18:17,830 --> 02:18:16,469

uh but like imagine if you were the guy

3678

02:18:19,750 --> 02:18:17,840

that was like that talented

3679

02:18:21,589 --> 02:18:19,760

and like just wanted like have a goof

3680

02:18:22,150 --> 02:18:21,599

and you were just super [h__h] good at

3681

02:18:25,830 --> 02:18:22,160

it

3682

02:18:28,790 --> 02:18:25,840

and say

3683

02:18:29,589 --> 02:18:28,800

that you made that [h__h] up it's like

3684

02:18:32,230 --> 02:18:29,599

what would that

3685

02:18:33,110 --> 02:18:32,240

do like does it hurt the community

3686

02:18:35,349 --> 02:18:33,120

because like

3687

02:18:37,190 --> 02:18:35,359

i've both you and i have been on record

3688

02:18:39,750 --> 02:18:37,200

saying like oh that's

3689

02:18:40,950 --> 02:18:39,760

the most realistic [h__h] i've ever seen

3690

02:18:42,950 --> 02:18:40,960

it looks good

3691

02:18:44,709 --> 02:18:42,960

it would it would make us we're already

3692

02:18:45,750 --> 02:18:44,719

we already look stupid we're dumb like

3693

02:18:49,030 --> 02:18:45,760

everybody knows that

3694

02:18:52,070 --> 02:18:49,040

yeah but like i've actually said

3695

02:18:53,990 --> 02:18:52,080

and i still believe that

3696

02:18:56,469 --> 02:18:54,000

strong possibility that's that's some

3697

02:18:59,910 --> 02:18:56,479

real ass [h__h] that's a real video man

3698

02:19:00,870 --> 02:18:59,920

it's a possibility jp says he can tell

3699

02:19:03,190 --> 02:19:00,880

the cgi

3700

02:19:07,030 --> 02:19:03,200

there's a lot of people who say that's

3701

02:19:09,270 --> 02:19:07,040

totally cgi i tell i can tell it's cgi

3702

02:19:10,870 --> 02:19:09,280

and then there's people who work on cgi

3703

02:19:13,750 --> 02:19:10,880

for a living and they're like that's

3704

02:19:14,790 --> 02:19:13,760

[h__h] good like you know so i don't

3705

02:19:17,429 --> 02:19:14,800

know man

3706

02:19:19,509 --> 02:19:17,439

i don't know who knows i'm not i'm not a

3707

02:19:21,589 --> 02:19:19,519

cgi expert so

3708

02:19:22,629 --> 02:19:21,599

what what would i know right all i can

3709

02:19:25,750 --> 02:19:22,639

go off of is

3710

02:19:29,429 --> 02:19:25,760

is is based on what even even if

3711

02:19:30,790 --> 02:19:29,439

so so uh caleb even if the person came

3712

02:19:33,030 --> 02:19:30,800

out and said it was real

3713

02:19:34,230 --> 02:19:33,040

he would get trolled relentlessly saying

3714

02:19:36,469 --> 02:19:34,240

that it was cgi

3715

02:19:40,709 --> 02:19:36,479

yeah but he'd have a million dollars he

3716

02:19:43,910 --> 02:19:42,629

[h__\h] yeah dude i don't know dude i don't

3717

02:19:46,950 --> 02:19:43,920

know oh

3718

02:19:47,349 --> 02:19:46,960

hey all right let's wrap it up scott we

3719

02:19:50,469 --> 02:19:47,359

got an

3720

02:19:52,389 --> 02:19:50,479

hour before we're gonna be on space out

3721

02:19:54,790 --> 02:19:52,399

radio with dave scott

3722

02:19:55,590 --> 02:19:54,800

and lori and finn is she really gonna be

3723

02:19:57,349 --> 02:19:55,600

on there yeah

3724

02:19:59,510 --> 02:19:57,359

is she for real i haven't heard from her

3725

02:20:01,510 --> 02:19:59,520

i've been trying to get a hold of her

3726

02:20:03,990 --> 02:20:01,520

she's hard to get she's busy man she's

3727

02:20:06,230 --> 02:20:04,000

so busy she's a hard worker dude she's

3728

02:20:07,910 --> 02:20:06,240

always doing stuff i'm just i'm excited

3729

02:20:08,309 --> 02:20:07,920

well first time we talk to her she's

3730

02:20:11,349 --> 02:20:08,319

like

3731

02:20:13,830 --> 02:20:11,359

building a website or an empire

3732

02:20:15,349 --> 02:20:13,840

and she's building an empire right now

3733

02:20:17,110 --> 02:20:15,359

sorry i'm listening to you guys i'm just

3734

02:20:19,429 --> 02:20:17,120

i'm working as well oh yeah the last

3735

02:20:21,510 --> 02:20:19,439

time we had our other show

3736

02:20:22,790 --> 02:20:21,520

well honestly like i don't blame her for

3737

02:20:25,510 --> 02:20:22,800

doing that last time we were

3738

02:20:26,469 --> 02:20:25,520

on her show it was like melinda and

3739

02:20:28,790 --> 02:20:26,479

jocelyn who

3740

02:20:30,070 --> 02:20:28,800

are like look they're all great friends

3741

02:20:30,469 --> 02:20:30,080

they haven't probably talked to each

3742

02:20:32,469 --> 02:20:30,479

other

3743

02:20:33,830 --> 02:20:32,479

in a while so they're just catching up

3744

02:20:35,429 --> 02:20:33,840

and lorian knows the drill

3745

02:20:37,270 --> 02:20:35,439

she's like i want to get some work done

3746

02:20:38,469 --> 02:20:37,280

while this happened yep yeah like you

3747

02:20:40,230 --> 02:20:38,479

and i could have done the same thing

3748

02:20:42,309 --> 02:20:40,240

like i could have answered some emails

3749

02:20:43,830 --> 02:20:42,319

but anyway dude like lori and finn guys

3750

02:20:45,349 --> 02:20:43,840

if y'all if y'all don't know about

3751

02:20:49,030 --> 02:20:45,359

laureen fitton

3752

02:20:51,429 --> 02:20:49,040

oh my god the thing the fenton files

3753

02:20:53,270 --> 02:20:51,439

bitten files check it out she has her

3754

02:20:56,309 --> 02:20:53,280

own radio show it's [h__h] awesome

3755

02:20:57,110 --> 02:20:56,319

yeah dude uh sor everybody knows about

3756

02:20:59,429 --> 02:20:57,120

sr

3757

02:21:00,389 --> 02:20:59,439

based out radio he's already uh starts

3758

02:21:01,910 --> 02:21:00,399

at 11.

3759

02:21:04,150 --> 02:21:01,920

uh we're gonna be on it i'm probably

3760

02:21:07,670 --> 02:21:04,160

gonna say some [h__h] that's dumb

3761

02:21:11,270 --> 02:21:07,680

and joe's gonna sound smart and then

3762

02:21:12,389 --> 02:21:11,280

uh anyway we're gonna shave joe's beard

3763

02:21:14,309 --> 02:21:12,399

on the show

3764

02:21:16,710 --> 02:21:14,319

is what joe doesn't know no we're not

3765

02:21:21,349 --> 02:21:16,720

jess my life is gonna hold him down

3766

02:21:26,790 --> 02:21:23,990

i was gonna say no you're not but i

3767

02:21:29,030 --> 02:21:26,800

don't know if that's true

3768

02:21:30,309 --> 02:21:29,040

okay i'm gonna place nibbler on you and

3769

02:21:33,110 --> 02:21:30,319

then you'll have the

3770

02:21:33,750 --> 02:21:33,120

the the wherewithal be like i can't

3771

02:21:36,870 --> 02:21:33,760

injure this

3772

02:21:39,110 --> 02:21:36,880

this blind and death pug

3773

02:21:40,150 --> 02:21:39,120

so you won't move that there i'm pulling

3774

02:21:43,990 --> 02:21:40,160

your heart strings

3775

02:21:47,270 --> 02:21:44,000

no i will i'm shaving that beer off nope

3776

02:21:48,870 --> 02:21:47,280

just every everybody will hate you

3777

02:21:51,190 --> 02:21:48,880

dude if you shave your beard off the the

3778

02:21:54,550 --> 02:21:51,200

podcast is over everybody knows that

3779

02:21:56,389 --> 02:21:54,560

podcast is [h__h] over yeah yeah

3780

02:21:57,590 --> 02:21:56,399

thanks so much everybody hanging out

3781

02:22:00,950 --> 02:21:57,600

tonight

3782

02:22:04,070 --> 02:22:00,960

check us out on s.o.r sarah don't

3783

02:22:07,190 --> 02:22:04,080

touch joe's beard no

3784

02:22:11,670 --> 02:22:07,200

no i agree

3785

02:22:11,680 --> 02:22:16,230

is it like a cartman thing

3786

02:22:21,190 --> 02:22:19,270

oh yeah all right guys uh

3787

02:22:23,110 --> 02:22:21,200

thanks for hanging out this was [h__h]

3788

02:22:24,950 --> 02:22:23,120

awesome as always this is fun man

3789

02:22:26,469 --> 02:22:24,960

i love the live chat i love the live

3790

02:22:29,990 --> 02:22:26,479

chat fast times

3791

02:22:32,870 --> 02:22:30,000

fast time and ufo high hey

3792

02:22:34,070 --> 02:22:32,880

um happy christmas tomorrow and if

3793

02:22:37,670 --> 02:22:34,080

you're listening to this

3794

02:22:39,510 --> 02:22:37,680

it's probably tomorrow so

3795

02:22:41,510 --> 02:22:39,520

all i'll say is let's let's leave some

3796

02:22:42,469 --> 02:22:41,520

people if they're listening and they're

3797

02:22:44,070 --> 02:22:42,479

like hey

3798

02:22:45,670 --> 02:22:44,080

i don't know much about this the

3799

02:22:50,389 --> 02:22:45,680

government said some [h__\h]

3800

02:22:53,030 --> 02:22:50,399

what can we leave people with

3801

02:22:54,550 --> 02:22:53,040

a little a little a little doodad of

3802

02:22:57,270 --> 02:22:54,560

information or maybe some

3803

02:22:58,469 --> 02:22:57,280

some positive reinforcement or a little

3804

02:23:03,270 --> 02:22:58,479

poop drop

3805

02:23:05,590 --> 02:23:03,280

um whenever they release the information

3806

02:23:07,030 --> 02:23:05,600

don't go out and buy toilet paper oh

3807

02:23:10,070 --> 02:23:07,040

that's a good one

3808

02:23:10,950 --> 02:23:10,080

yeah if if if your instinct is to go buy

3809

02:23:13,830 --> 02:23:10,960

something

3810

02:23:15,190 --> 02:23:13,840

don't don't do that thing well that's

3811

02:23:17,190 --> 02:23:15,200

just whatever

3812

02:23:19,750 --> 02:23:17,200

because i'm going to do it too harbor so

3813

02:23:22,150 --> 02:23:19,760

we're going to celebrate tomorrow dude

3814

02:23:23,270 --> 02:23:22,160

what actually [h__h] i might have to get a

3815

02:23:25,910 --> 02:23:23,280

brisket

3816

02:23:27,110 --> 02:23:25,920

oh [h__h] yeah i celebrate tomorrow are

3817

02:23:29,030 --> 02:23:27,120

you working tomorrow

3818

02:23:30,950 --> 02:23:29,040

yeah why didn't we buy a brisket tonight

3819

02:23:33,590 --> 02:23:30,960

we could start tonight i don't even know

3820

02:23:34,389 --> 02:23:33,600

maybe i'll just get some ribs it's a

3821

02:23:36,150 --> 02:23:34,399

little quicker

3822

02:23:38,150 --> 02:23:36,160

yeah your ribs dude your lips were

3823

02:23:41,990 --> 02:23:38,160

[h__h] so good dude yeah

3824

02:23:43,429 --> 02:23:42,000

[h__h] get some ribs get some wine

3825

02:23:45,190 --> 02:23:43,439

we might have to get together tomorrow

3826

02:23:47,910 --> 02:23:45,200

dude my dude are you busy

3827

02:23:48,630 --> 02:23:47,920

get a little bit of smoke in a whole lot

3828

02:23:51,429 --> 02:23:48,640

of wine

3829

02:23:52,070 --> 02:23:51,439

i'll tell you what if it ain't about

3830

02:23:55,349 --> 02:23:52,080

that

3831

02:23:56,309 --> 02:23:55,359

hey i'm a big fan of of hank williams

3832

02:23:57,910 --> 02:23:56,319

iii

3833

02:23:59,349 --> 02:23:57,920

if you guys are into that stuff check

3834

02:24:00,469 --> 02:23:59,359

him out hank williams the third if

3835

02:24:02,070 --> 02:24:00,479

you've never heard of him it's pretty

3836

02:24:05,349 --> 02:24:02,080

badass it's like

3837

02:24:06,550 --> 02:24:05,359

it's black grass it's like i don't know

3838

02:24:07,910 --> 02:24:06,560

it's hard to explain just listen to it

3839

02:24:08,630 --> 02:24:07,920

it's cool hell yeah man it's like

3840

02:24:12,230 --> 02:24:08,640

anarchist

3841

02:24:15,429 --> 02:24:12,240

country [\h__\h] bluegrass hick ass

3842

02:24:18,950 --> 02:24:15,439

i love it dude rock and roll

3843

02:24:21,190 --> 02:24:18,960

rockabilly uh all right guys well

3844

02:24:23,990 --> 02:24:21,200

uh oh there's dave right here love the

3845

02:24:28,230 --> 02:24:27,270

yeah hell yeah dude uh well we're gonna

3846

02:24:30,389 --> 02:24:28,240

love the

3847

02:24:32,710 --> 02:24:30,399

the new space.radio website which is

3848

02:24:35,590 --> 02:24:32,720

coming soon

3849

02:24:36,389 --> 02:24:35,600

so that's pretty [\h__\h] cool joe built

3850

02:24:40,469 --> 02:24:36,399

it

3851
02:24:53,750 --> 02:24:40,479

i

3852
02:24:55,110 --> 02:24:53,760
and you're close

3853
02:24:57,270 --> 02:24:55,120
all right i'm really proud of you well

3854
02:25:01,650 --> 02:24:57,280
this is the 12th goodbye yeah

3855
02:25:06,630 --> 02:25:04,150
[Music]

3856
02:25:10,389 --> 02:25:06,640
where are you this has been another

3857
02:25:11,990 --> 02:25:10,399
episode of ufo garage

3858
02:25:13,670 --> 02:25:12,000
we'll hear it a little bit on space now

3859
02:25:16,230 --> 02:25:13,680
radio

3860
02:25:17,190 --> 02:25:16,240
talk to you later peace bye it was a
