UFOGARAGEPODCAST.COM

Ben(@ufogarage)

Joe

1  
00:00:07,829 --> 00:00:03,189  
all right we're live we're live

2  
00:00:11,110 --> 00:00:07,839  
we're live live

3  
00:00:12,310 --> 00:00:11,120  
we're live and surprised surprised that

4  
00:00:16,150 --> 00:00:12,320  
joe's alive

5  
00:00:19,349 --> 00:00:16,160  
i'm alive hey guess what

6  
00:00:21,590 --> 00:00:19,359  
this is another episode of ufo garage

7  
00:00:23,189 --> 00:00:21,600  
i'm ben and i'm joe and this is where we

8  
00:00:25,830 --> 00:00:23,199  
talk about ufos

9  
00:00:27,029 --> 00:00:25,840  
aliens and all things weird all things

10  
00:00:30,070 --> 00:00:27,039  
weird baby

11  
00:00:32,470 --> 00:00:30,080  
yeah hey so i feel like

12  
00:00:34,229 --> 00:00:32,480  
[h\_\_h] today yeah that's why that's why

13  
00:00:36,150 --> 00:00:34,239

we're not together

14

00:00:37,430 --> 00:00:36,160

sorry you're sick man i just i don't i

15

00:00:38,389 --> 00:00:37,440

didn't want to get sick i got a big

16

00:00:41,670 --> 00:00:38,399

weekend coming up

17

00:00:44,229 --> 00:00:41,680

separate yeah yeah no worries man i

18

00:00:45,110 --> 00:00:44,239

uh i wouldn't have come over anyways man

19

00:00:50,229 --> 00:00:45,120

like

20

00:00:52,229 --> 00:00:50,239

it's been terrible

21

00:00:54,150 --> 00:00:52,239

hey what do you know you know we should

22

00:00:57,029 --> 00:00:54,160

do uh we should do this

23

00:00:58,630 --> 00:00:57,039

from afar do you do you remember from

24

00:01:03,510 --> 00:00:58,640

what we read today what that means

25

00:01:07,750 --> 00:01:06,630

oh man hey so before we start talking

26

00:01:09,990 --> 00:01:07,760

about that i do want to say

27

00:01:11,750 --> 00:01:10,000

man our our guest that we were going to

28

00:01:13,510 --> 00:01:11,760

have tonight

29

00:01:15,190 --> 00:01:13,520

we'll call him finney and for now uh

30

00:01:16,469 --> 00:01:15,200

he's get i want him to introduce himself

31

00:01:19,350 --> 00:01:16,479

because we've known this guy

32

00:01:20,310 --> 00:01:19,360

for like like dude like a year over a

33

00:01:22,149 --> 00:01:20,320

year maybe

34

00:01:23,350 --> 00:01:22,159

yeah we've been trying to get him on the

35

00:01:25,590 --> 00:01:23,360

show and i

36

00:01:26,469 --> 00:01:25,600

i feel like we both just wanted him to

37

00:01:28,950 --> 00:01:26,479

have a

38

00:01:30,870 --> 00:01:28,960

a really just you know 100 show where

39

00:01:33,990 --> 00:01:30,880

you and i are both in the studio

40

00:01:36,310 --> 00:01:34,000

and it's not some half-assed thing so

41

00:01:37,670 --> 00:01:36,320

i i figured yeah we it's a good thing

42

00:01:39,830 --> 00:01:37,680

that we rescheduled

43

00:01:41,270 --> 00:01:39,840

um and yeah so this is kind of a

44

00:01:43,990 --> 00:01:41,280

last-minute thing

45

00:01:45,910 --> 00:01:44,000

um i don't know man i'm pretty excited

46

00:01:46,950 --> 00:01:45,920

about it i haven't been enthralled by

47

00:01:50,230 --> 00:01:46,960

something

48

00:01:51,670 --> 00:01:50,240

that i've i've read uh so so i guess a

49

00:01:55,510 --> 00:01:51,680

little back story on it

50

00:01:58,870 --> 00:01:55,520

uh joe you sent me that photo yeah dude

51  
00:02:00,230 --> 00:01:58,880  
uh so i mean the back story on this

52  
00:02:06,709 --> 00:02:00,240  
whole thing is

53  
00:02:10,790 --> 00:02:09,109  
we were looking around on on facebook

54  
00:02:11,110 --> 00:02:10,800  
you know like we said we had had to kind

55  
00:02:13,430 --> 00:02:11,120  
of

56  
00:02:15,030 --> 00:02:13,440  
reschedule our guests we just we wanted

57  
00:02:16,790 --> 00:02:15,040  
to have like a

58  
00:02:18,869 --> 00:02:16,800  
we want him to have a badass time and

59  
00:02:20,390 --> 00:02:18,879  
with me not feeling so hot we figured

60  
00:02:21,110 --> 00:02:20,400  
we'll just kind of do something on our

61  
00:02:23,910 --> 00:02:21,120  
own

62  
00:02:24,949 --> 00:02:23,920  
uh kind of quickly this evening but uh

63  
00:02:26,949 --> 00:02:24,959

ryan quick

64

00:02:28,550 --> 00:02:26,959

i want to give him a shout out he's he's

65

00:02:31,670 --> 00:02:28,560

he posted on our page

66

00:02:32,470 --> 00:02:31,680

and uh he he posted this reddit thing

67

00:02:35,030 --> 00:02:32,480

and it was a

68

00:02:36,470 --> 00:02:35,040

throwaway alien now i don't know if if

69

00:02:40,070 --> 00:02:36,480

you guys have heard

70

00:02:43,430 --> 00:02:40,080

of this throwaway alien uh on reddit

71

00:02:44,949 --> 00:02:43,440

but it's been uh it's been a pretty big

72

00:02:48,070 --> 00:02:44,959

deal apparently and this

73

00:02:50,309 --> 00:02:48,080

this this guy has been posting

74

00:02:52,070 --> 00:02:50,319

uh i guess some of his posts were from

75

00:02:54,070 --> 00:02:52,080

like 2013

76

00:02:55,430 --> 00:02:54,080

talking about his uh abduction

77

00:02:57,990 --> 00:02:55,440

experience and

78

00:02:59,990 --> 00:02:58,000

just certain things that that he knows

79

00:03:01,030 --> 00:03:00,000

and then he kind of went quiet for a

80

00:03:03,990 --> 00:03:01,040

while

81

00:03:05,270 --> 00:03:04,000

well now his most recent stuff don't

82

00:03:08,390 --> 00:03:05,280

give it away don't give it away

83

00:03:10,550 --> 00:03:08,400

it's kind of been pretty wild so

84

00:03:11,910 --> 00:03:10,560

um we're excited to kind of talk about

85

00:03:13,110 --> 00:03:11,920

that tonight i kind of want to get

86

00:03:15,350 --> 00:03:13,120

everybody's opinion

87

00:03:16,869 --> 00:03:15,360

i mean most of stuff you know you see

88

00:03:18,550 --> 00:03:16,879

stuff on reddit all the time and it's

89

00:03:20,390 --> 00:03:18,560

just kind of like ah whatever

90

00:03:22,710 --> 00:03:20,400

you know a lot of it's repeat a lot of

91

00:03:25,350 --> 00:03:22,720

it's just bickering back and forth

92

00:03:26,390 --> 00:03:25,360

just a lot of you know this and that but

93

00:03:29,670 --> 00:03:26,400

this story was

94

00:03:32,550 --> 00:03:29,680

very very interesting um

95

00:03:34,869 --> 00:03:32,560

just the way he talks about it um some

96

00:03:36,869 --> 00:03:34,879

experiencers that we know

97

00:03:38,229 --> 00:03:36,879

have said some of the exact same stuff

98

00:03:40,470 --> 00:03:38,239

that he said

99

00:03:41,350 --> 00:03:40,480

and it's just it's just very very

100

00:03:43,190 --> 00:03:41,360

interesting so

101  
00:03:45,509 --> 00:03:43,200  
we're gonna get into that a little bit

102  
00:03:49,110 --> 00:03:46,710  
couldn't evening said it better myself i

103  
00:03:50,789 --> 00:03:49,120  
can't even you're covering up that

104  
00:03:51,350 --> 00:03:50,799  
sniffle and cough so well i'm so proud

105  
00:03:54,789 --> 00:03:51,360  
of you

106  
00:03:57,350 --> 00:03:54,799  
oh yeah dude so

107  
00:03:58,710 --> 00:03:57,360  
yeah that's a good mic the mute the mute

108  
00:03:59,589 --> 00:03:58,720  
button yeah the mute button is strong

109  
00:04:02,789 --> 00:03:59,599  
with this one

110  
00:04:06,070 --> 00:04:02,799  
it's great dude so man uh again

111  
00:04:07,509 --> 00:04:06,080  
yeah uh uh finney we'll we're gonna have

112  
00:04:09,429 --> 00:04:07,519  
our guests that we had planned on

113  
00:04:11,110 --> 00:04:09,439

in the future but we are gonna i think

114

00:04:12,630 --> 00:04:11,120

we're gonna talk about this and guys in

115

00:04:13,429 --> 00:04:12,640

the chat if you guys know anything about

116

00:04:15,830 --> 00:04:13,439

the story

117

00:04:18,469 --> 00:04:15,840

hit us up let us know uh and if you're

118

00:04:20,469 --> 00:04:18,479

listening via podcast just audio

119

00:04:21,349 --> 00:04:20,479

uh and you know a little bit more

120

00:04:22,629 --> 00:04:21,359

because we're not gonna get all the

121

00:04:23,990 --> 00:04:22,639

things right i mean we just learned

122

00:04:27,030 --> 00:04:24,000

about this today

123

00:04:28,550 --> 00:04:27,040

um i just i'm excited to talk about so

124

00:04:30,710 --> 00:04:28,560

if you guys if we make a mistake or

125

00:04:31,110 --> 00:04:30,720

whatever just just email us or maybe hop

126  
00:04:33,110 --> 00:04:31,120  
on the

127  
00:04:34,950 --> 00:04:33,120  
next live chat and and we'll talk about

128  
00:04:37,749 --> 00:04:34,960  
it and go through it because

129  
00:04:39,030 --> 00:04:37,759  
we're no experts on the story but you

130  
00:04:40,629 --> 00:04:39,040  
know we're trying to take notes it's

131  
00:04:42,950 --> 00:04:40,639  
just so damn interesting

132  
00:04:45,189 --> 00:04:42,960  
and there's a lot there's a lot there's

133  
00:04:47,749 --> 00:04:45,199  
a lot

134  
00:04:49,189 --> 00:04:47,759  
there's so i i do want to mention uh the

135  
00:04:50,950 --> 00:04:49,199  
the the person who

136  
00:04:52,230 --> 00:04:50,960  
who's uh actually before we get in let's

137  
00:04:54,469 --> 00:04:52,240  
say hi to everybody in the chat

138  
00:04:56,870 --> 00:04:54,479

uh what's up everybody what's up

139

00:04:59,909 --> 00:04:56,880

everybody tammy

140

00:05:02,950 --> 00:04:59,919

oh yeah gamer chris what's up dude

141

00:05:03,990 --> 00:05:02,960

yeah yeah thanks for joining thanks for

142

00:05:06,870 --> 00:05:04,000

joining

143

00:05:08,469 --> 00:05:06,880

um yeah so i don't know how uh if if

144

00:05:10,390 --> 00:05:08,479

anybody has any any theories

145

00:05:11,670 --> 00:05:10,400

or or updates or knows anything about

146

00:05:13,189 --> 00:05:11,680

this hit us up maybe we'll

147

00:05:14,469 --> 00:05:13,199

i don't know maybe we'll have you come

148

00:05:16,150 --> 00:05:14,479

on the show and talk about it if you

149

00:05:16,950 --> 00:05:16,160

know a little bit more i i did hit up

150

00:05:18,950 --> 00:05:16,960

ryan

151  
00:05:21,029 --> 00:05:18,960  
quick and i haven't heard back from him

152  
00:05:24,310 --> 00:05:21,039  
but hey buddy if you're listening

153  
00:05:25,029 --> 00:05:24,320  
hop on hop on talk to us um but yeah

154  
00:05:27,110 --> 00:05:25,039  
dude so

155  
00:05:28,310 --> 00:05:27,120  
let's get it going man the the first

156  
00:05:31,270 --> 00:05:28,320  
thing i want to say is

157  
00:05:33,029 --> 00:05:31,280  
is shout out to lem muffins32 he's the

158  
00:05:35,670 --> 00:05:33,039  
guy who put together that

159  
00:05:36,950 --> 00:05:35,680  
that post that compiled all of the

160  
00:05:40,469 --> 00:05:36,960  
reference links

161  
00:05:42,710 --> 00:05:40,479  
to all this stuff like how how he had

162  
00:05:45,830 --> 00:05:42,720  
that much time

163  
00:05:46,310 --> 00:05:45,840

seriously to go through all the comments

164

00:05:49,029 --> 00:05:46,320

like he

165

00:05:49,670 --> 00:05:49,039

he archives all all these comments and i

166

00:05:51,909 --> 00:05:49,680

guess

167

00:05:53,110 --> 00:05:51,919

whoever the subreddit is like the mods

168

00:05:54,469 --> 00:05:53,120

for the subreddit like

169

00:05:56,309 --> 00:05:54,479

maybe there's a team of people that are

170

00:05:57,189 --> 00:05:56,319

working together on this but it's pretty

171

00:05:59,830 --> 00:05:57,199

awesome

172

00:06:01,270 --> 00:05:59,840

so i wanted to shout out uh le muffins

173

00:06:03,510 --> 00:06:01,280

le yeah so

174

00:06:05,350 --> 00:06:03,520

if you guys want to follow along and and

175

00:06:07,510 --> 00:06:05,360

read this or press pause and read it

176

00:06:09,270 --> 00:06:07,520

uh check out uh the subreddit throwaway

177

00:06:12,390 --> 00:06:09,280

alien it's it's uh

178

00:06:15,670 --> 00:06:12,400

uh it's actually there's no w it's t h r

179

00:06:18,309 --> 00:06:15,680

o a w a y alien so

180

00:06:18,950 --> 00:06:18,319

pretty pretty interesting but yeah dude

181

00:06:19,909 --> 00:06:18,960

so

182

00:06:21,990 --> 00:06:19,919

how does this thing start because

183

00:06:23,590 --> 00:06:22,000

there's three there's three parts so

184

00:06:26,309 --> 00:06:23,600

what were your first impressions on on

185

00:06:28,870 --> 00:06:26,319

the first part i mean

186

00:06:30,469 --> 00:06:28,880

it it's uh it because doesn't it start

187

00:06:33,590 --> 00:06:30,479

out like he's commenting

188

00:06:35,749 --> 00:06:33,600

on an ask me uh reddit

189

00:06:37,350 --> 00:06:35,759

post and it's like hey people have read

190

00:06:38,550 --> 00:06:37,360

it tell me about your abduction stories

191

00:06:41,270 --> 00:06:38,560

and he posts

192

00:06:43,270 --> 00:06:41,280

his story and this [h\_\_h] goes wild so

193

00:06:48,390 --> 00:06:43,280

what was your first impression yeah

194

00:06:50,150 --> 00:06:48,400

um the so the you know the first

195

00:06:52,309 --> 00:06:50,160

the first bit when you read it i mean

196

00:06:54,870 --> 00:06:52,319

it's it's really no different

197

00:06:56,790 --> 00:06:54,880

than the first time you really hear

198

00:06:58,309 --> 00:06:56,800

about like an abduction story or

199

00:07:00,309 --> 00:06:58,319

somebody's story like

200

00:07:02,390 --> 00:07:00,319

the feeling that i got was like oh this

201

00:07:05,430 --> 00:07:02,400

is this is pretty interesting

202

00:07:07,749 --> 00:07:05,440

i mean the guy had some detail there was

203

00:07:09,670 --> 00:07:07,759

you know a couple names that he was able

204

00:07:10,629 --> 00:07:09,680

to kind of you know put in with his

205

00:07:14,309 --> 00:07:10,639

story

206

00:07:16,790 --> 00:07:14,319

um but you know

207

00:07:17,510 --> 00:07:16,800

for me like the kicker for this whole

208

00:07:20,309 --> 00:07:17,520

thing was

209

00:07:20,790 --> 00:07:20,319

the evolution of the story yeah like

210

00:07:22,629 --> 00:07:20,800

when you

211

00:07:24,390 --> 00:07:22,639

first start reading it you're just like

212

00:07:26,950 --> 00:07:24,400

okay yeah here we go

213

00:07:27,990 --> 00:07:26,960

like another another abduction story or

214

00:07:30,950 --> 00:07:28,000

or whatever

215

00:07:32,629 --> 00:07:30,960

um and you know there's there's so much

216

00:07:33,189 --> 00:07:32,639

out there that you got to be careful

217

00:07:35,110 --> 00:07:33,199

with

218

00:07:36,629 --> 00:07:35,120

there's a lot that's you know just a

219

00:07:39,909 --> 00:07:36,639

bunch of of

220

00:07:43,110 --> 00:07:39,919

fakery and and stuff like that but

221

00:07:44,710 --> 00:07:43,120

this story has like a different vibe to

222

00:07:47,270 --> 00:07:44,720

it um

223

00:07:49,350 --> 00:07:47,280

the level of detail man the level of

224

00:07:52,550 --> 00:07:49,360

detail was pretty impressive

225

00:07:55,029 --> 00:07:52,560

and it's not like a a two-three sentence

226

00:07:56,830 --> 00:07:55,039

thing right it's like it's like a

227

00:07:59,589 --> 00:07:56,840

massive

228

00:08:00,950 --> 00:07:59,599

yeah it's it feels unedited right like

229

00:08:03,430 --> 00:08:00,960

it seems like kind of stream of

230

00:08:05,110 --> 00:08:03,440

consciousness there's some misspellings

231

00:08:06,550 --> 00:08:05,120

there's some weird language in there

232

00:08:08,309 --> 00:08:06,560

i mean it's not perfect it's not like

233

00:08:08,869 --> 00:08:08,319

somebody wrote this in a science fiction

234

00:08:12,150 --> 00:08:08,879

book

235

00:08:12,469 --> 00:08:12,160

yeah yeah how about you i mean what was

236

00:08:18,230 --> 00:08:12,479

your

237

00:08:19,589 --> 00:08:18,240

kind of the same i mean it started out

238

00:08:22,309 --> 00:08:19,599

just like any other

239

00:08:23,990 --> 00:08:22,319

object abduction abductee or contact d

240

00:08:26,309 --> 00:08:24,000

story on reddit that i've read

241

00:08:28,629 --> 00:08:26,319

uh i mean i love reading that stuff but

242

00:08:30,230 --> 00:08:28,639

for for some reason i was just hooked

243

00:08:32,469 --> 00:08:30,240

from the beginning

244

00:08:34,070 --> 00:08:32,479

uh there wasn't uh he got straight to

245

00:08:34,550 --> 00:08:34,080

the point and we're gonna read some of

246

00:08:36,949 --> 00:08:34,560

this

247

00:08:38,709 --> 00:08:36,959

in a second but like or i want or one of

248

00:08:41,990 --> 00:08:38,719

us i'd love to read it

249

00:08:43,829 --> 00:08:42,000

um so dude i i

250

00:08:45,590 --> 00:08:43,839

i too love the evolution you could

251

00:08:47,350 --> 00:08:45,600

definitely tell in his voice that

252

00:08:49,030 --> 00:08:47,360

he he's kind of like he's kind of

253

00:08:51,190 --> 00:08:49,040

playing it off a little bit like

254

00:08:52,630 --> 00:08:51,200

hey this hey no big deal there's grays

255

00:08:54,389 --> 00:08:52,640

and they're not exactly grays and

256

00:08:55,990 --> 00:08:54,399

they're actually kind of a beige

257

00:08:57,509 --> 00:08:56,000

uh those are clothes that you guys are

258

00:09:00,070 --> 00:08:57,519

saying that are gray and like

259

00:09:01,750 --> 00:09:00,080

and the whole time i'm thinking uh well

260

00:09:02,230 --> 00:09:01,760

that doesn't account for all the species

261

00:09:04,070 --> 00:09:02,240

he's

262

00:09:05,750 --> 00:09:04,080

maybe that's a little naive of him to

263

00:09:06,550 --> 00:09:05,760

kind of assume that there's only one

264

00:09:08,790 --> 00:09:06,560

species on

265

00:09:09,990 --> 00:09:08,800

on earth because i mean we've talked to

266

00:09:12,550 --> 00:09:10,000

a lot of people that

267

00:09:14,230 --> 00:09:12,560

are uh advocates contactees that that

268

00:09:16,470 --> 00:09:14,240

that experience all kinds of different

269

00:09:17,430 --> 00:09:16,480

entities so i was a little bit turned

270

00:09:20,070 --> 00:09:17,440

off by that but i kept

271

00:09:20,870 --> 00:09:20,080

reading man and it's something about

272

00:09:23,590 --> 00:09:20,880

it's interesting

273

00:09:24,389 --> 00:09:23,600

so but then he also goes to explain that

274

00:09:27,030 --> 00:09:24,399

like

275

00:09:28,710 --> 00:09:27,040

hey i understand that people have met

276

00:09:30,070 --> 00:09:28,720

other kinds of species

277

00:09:32,070 --> 00:09:30,080

this is just the ones that have

278

00:09:34,630 --> 00:09:32,080

contacted me so

279

00:09:36,150 --> 00:09:34,640

he doesn't speak on other species

280

00:09:38,150 --> 00:09:36,160

because he doesn't know

281

00:09:40,310 --> 00:09:38,160

he hasn't seen him he hasn't talked to

282

00:09:41,910 --> 00:09:40,320

him he hasn't had any interaction

283

00:09:44,150 --> 00:09:41,920

yeah so he's saying the ones that we're

284

00:09:47,509 --> 00:09:44,160

talking about specifically here

285

00:09:51,590 --> 00:09:47,519

are these what we would call grays right

286

00:09:53,190 --> 00:09:51,600

so dude i mean okay i i do want to read

287

00:09:54,550 --> 00:09:53,200

i do want to read like maybe the first

288

00:09:55,990 --> 00:09:54,560

paragraph and then we'll just kind of

289

00:09:58,550 --> 00:09:56,000

you know kind of want to go through that

290

00:09:59,910 --> 00:09:58,560

for sure awesome all right guys so uh

291

00:10:01,030 --> 00:09:59,920

this is the first paragraph this was

292

00:10:04,389 --> 00:10:01,040

posted at eight

293

00:10:09,110 --> 00:10:04,399

uh let's see 8 37

294

00:10:11,509 --> 00:10:09,120

p.m uh november 19th of 2013 dude yeah

295

00:10:13,350 --> 00:10:11,519

i mean what was going on yeah i don't i

296

00:10:16,870 --> 00:10:13,360

don't want to get off track

297

00:10:20,310 --> 00:10:16,880

but all right this uh november 19 2013

298

00:10:22,470 --> 00:10:20,320

uh 8 30 pm uh throwaway account

299

00:10:23,509 --> 00:10:22,480

because i'm afraid that's the first

300

00:10:26,630 --> 00:10:23,519

sentence and it says

301

00:10:27,590 --> 00:10:26,640

i i was first abducted in 1987 i was 12

302

00:10:30,230 --> 00:10:27,600

years old

303

00:10:31,990 --> 00:10:30,240

i say abducted but it's not like that

304

00:10:34,870 --> 00:10:32,000

actually you go willingly

305

00:10:36,710 --> 00:10:34,880

it's scary but exciting too and they're

306

00:10:37,269 --> 00:10:36,720

somehow able to make you feel okay about

307

00:10:39,030 --> 00:10:37,279

things

308

00:10:40,870 --> 00:10:39,040

it's not until later that you feel bad

309

00:10:42,630 --> 00:10:40,880

or like you've been violated

310

00:10:44,150 --> 00:10:42,640

and they don't do it a lot uh they don't

311

00:10:46,710 --> 00:10:44,160

do a lot of probing like

312

00:10:48,790 --> 00:10:46,720

like raping or anything like that that's

313

00:10:50,710 --> 00:10:48,800

hollywood nonsense

314

00:10:51,990 --> 00:10:50,720

that's just how that how he spelled it

315

00:10:53,910 --> 00:10:52,000

uh they look ins

316

00:10:55,430 --> 00:10:53,920

they look inside of people sometimes but

317

00:10:58,230 --> 00:10:55,440

they have machines

318

00:10:59,990 --> 00:10:58,240

that do it not really machines but it's

319

00:11:01,030 --> 00:11:00,000

like a room where things get done and

320

00:11:03,829 --> 00:11:01,040

the walls are

321

00:11:05,269 --> 00:11:03,839

it's hard to explain so just imagine all

322

00:11:05,910 --> 00:11:05,279

the walls are kind of like x-ray

323

00:11:08,630 --> 00:11:05,920

machines

324

00:11:10,150 --> 00:11:08,640

that's the easiest way to describe it so

325

00:11:12,949 --> 00:11:10,160

so right off the bat like it

326

00:11:14,949 --> 00:11:12,959

seems very conversational like very

327

00:11:15,670 --> 00:11:14,959

scream of mine that's how i talk you

328

00:11:18,870 --> 00:11:15,680

know like

329

00:11:21,030 --> 00:11:18,880

yeah and if and uh

330

00:11:23,030 --> 00:11:21,040

like if you if you uh if you've read

331

00:11:24,870 --> 00:11:23,040

anybody's books like any of the guests

332

00:11:28,150 --> 00:11:24,880

that we've had on the show

333

00:11:28,949 --> 00:11:28,160

uh you know erin montgomery or terry

334

00:11:30,710 --> 00:11:28,959

loveless

335

00:11:32,230 --> 00:11:30,720

you know when they talk about these

336

00:11:33,910 --> 00:11:32,240

these interactions that they have with

337

00:11:38,630 --> 00:11:33,920

these beings how

338

00:11:41,590 --> 00:11:38,640

um how they show up in their room

339

00:11:42,470 --> 00:11:41,600

their children uh they're playful they

340

00:11:45,350 --> 00:11:42,480

smile

341

00:11:46,550 --> 00:11:45,360

they entice you to come with them like

342

00:11:48,949 --> 00:11:46,560

almost like they're not

343

00:11:50,069 --> 00:11:48,959

forcefully taking you at all like you

344

00:11:52,629 --> 00:11:50,079

willingly go

345

00:11:54,470 --> 00:11:52,639

with them you know which is very

346

00:11:57,750 --> 00:11:54,480

important i think because

347

00:12:00,710 --> 00:11:57,760

that says something about

348

00:12:01,590 --> 00:12:00,720

is it mind manipulation is it actual

349

00:12:03,990 --> 00:12:01,600

comfort

350

00:12:05,430 --> 00:12:04,000

do you feel good in the moment i mean is

351

00:12:08,790 --> 00:12:05,440

it something that you're even

352

00:12:11,990 --> 00:12:08,800

you know consciously aware of right

353

00:12:13,750 --> 00:12:12,000

you know i that totally flipped it on on

354

00:12:15,430 --> 00:12:13,760

its head for me because i've always

355

00:12:17,190 --> 00:12:15,440

thought of this thing before you know

356

00:12:18,870 --> 00:12:17,200

meeting the people that we met like

357

00:12:20,710 --> 00:12:18,880

it's a terrifying experience you don't

358

00:12:23,430 --> 00:12:20,720

have any control over your body but

359

00:12:25,030 --> 00:12:23,440

and like you're still scared and this

360

00:12:27,350 --> 00:12:25,040

this state this idea that

361

00:12:28,790 --> 00:12:27,360

you do go willingly and i don't i don't

362

00:12:32,470 --> 00:12:28,800

think he ever clarified

363

00:12:35,509 --> 00:12:32,480

if if he was actually scared or if if

364

00:12:37,030 --> 00:12:35,519

he they were manipulating his mind or or

365

00:12:39,350 --> 00:12:37,040

chemicals or anything like that

366

00:12:41,030 --> 00:12:39,360

i don't think he really maybe maybe he

367

00:12:44,470 --> 00:12:41,040

just didn't even think about that was a

368

00:12:47,670 --> 00:12:44,480

possibility well he does say that uh

369

00:12:49,590 --> 00:12:47,680

he remembers being like

370

00:12:52,389 --> 00:12:49,600

when it first started happening he was

371

00:12:55,030 --> 00:12:52,399

absolutely terrified

372

00:12:55,509 --> 00:12:55,040

when he when he i guess thinks back on

373

00:12:57,990 --> 00:12:55,519

it

374

00:13:00,710 --> 00:12:58,000

he's like yeah i was so scared because

375

00:13:02,310 --> 00:13:00,720

he later goes on to say that like

376

00:13:03,990 --> 00:13:02,320

now i don't really care that they take

377

00:13:05,829 --> 00:13:04,000

me you know i've

378

00:13:08,069 --> 00:13:05,839

you know been able to ask questions and

379

00:13:09,670 --> 00:13:08,079

this and that but

380

00:13:11,190 --> 00:13:09,680

uh you know and we'll get into that

381

00:13:13,190 --> 00:13:11,200

later in the story but

382

00:13:14,870 --> 00:13:13,200

he there is a point later on in the

383

00:13:17,670 --> 00:13:14,880

story where he says

384

00:13:19,030 --> 00:13:17,680

i haven't been this scared since they

385

00:13:21,509 --> 00:13:19,040

first abducted me

386

00:13:22,069 --> 00:13:21,519

yes right and that's later in the story

387

00:13:26,069 --> 00:13:22,079

so

388

00:13:29,110 --> 00:13:26,079

actually being terrified

389

00:13:32,829 --> 00:13:29,120

but being terrified but also

390

00:13:35,030 --> 00:13:32,839

being in a state to where you're

391

00:13:37,030 --> 00:13:35,040

willingly able to go

392

00:13:39,110 --> 00:13:37,040

with these things right we always think

393

00:13:41,910 --> 00:13:39,120

of an abduction as something that like

394

00:13:42,870 --> 00:13:41,920

oh it's just this this saucer flying

395

00:13:45,670 --> 00:13:42,880

over your house you know

396

00:13:46,069 --> 00:13:45,680

like this right yeah and you just come

397

00:13:49,269 --> 00:13:46,079

and

398

00:13:51,189 --> 00:13:49,279

go

399

00:13:54,069 --> 00:13:51,199

unwillingly but you know the more

400

00:13:57,350 --> 00:13:54,079

stories we hear the more we hear that

401  
00:13:59,030 --> 00:13:57,360  
a lot of people willingly go with them

402  
00:14:00,629 --> 00:13:59,040  
the more stories we hear it almost

403  
00:14:03,910 --> 00:14:00,639  
sounds like you have

404  
00:14:04,310 --> 00:14:03,920  
a choice you have an option but maybe

405  
00:14:08,870 --> 00:14:04,320  
you're

406  
00:14:11,269 --> 00:14:08,880  
not thinking clearly or making

407  
00:14:13,670 --> 00:14:11,279  
the correct decision you know and that

408  
00:14:15,829 --> 00:14:13,680  
and it's also kind of like a branch off

409  
00:14:18,230 --> 00:14:15,839  
into like when you think of like

410  
00:14:20,629 --> 00:14:18,240  
vampires and how they say you know well

411  
00:14:21,990 --> 00:14:20,639  
a vampire can't get you unless you you

412  
00:14:25,350 --> 00:14:22,000  
willingly invite it

413  
00:14:27,670 --> 00:14:25,360

into your home and maybe that maybe this

414

00:14:30,310 --> 00:14:27,680

whole you know alien thing this

415

00:14:32,710 --> 00:14:30,320

abduction thing is like a stem or a

416

00:14:33,430 --> 00:14:32,720

story you know break off story into

417

00:14:37,829 --> 00:14:33,440

these

418

00:14:41,670 --> 00:14:37,839

other uh uh mythical stories or or

419

00:14:44,550 --> 00:14:41,680

legends that that arise you know

420

00:14:45,350 --> 00:14:44,560

yeah they're like catalysts i mean to to

421

00:14:48,550 --> 00:14:45,360

the oldest

422

00:14:50,069 --> 00:14:48,560

stories that that humans know about uh

423

00:14:51,910 --> 00:14:50,079

man i think there's something to that

424

00:14:54,949 --> 00:14:51,920

for sure because in

425

00:14:57,990 --> 00:14:54,959

like in terry's story there were monkeys

426

00:15:02,230 --> 00:14:58,000

right and he had a cousin who saw

427

00:15:05,110 --> 00:15:02,240

a clown some people see lights

428

00:15:05,430 --> 00:15:05,120

that one guy saw a [h\_\_h] burrito like

429

00:15:09,030 --> 00:15:05,440

it's

430

00:15:12,069 --> 00:15:09,040

just what you see

431

00:15:15,110 --> 00:15:12,079

just doesn't even

432

00:15:18,790 --> 00:15:15,120

i don't know it it's like it's it's it's

433

00:15:20,069 --> 00:15:18,800

own thing it shows you it shows you

434

00:15:22,629 --> 00:15:20,079

something different like

435

00:15:23,509 --> 00:15:22,639

it it makes you like think okay smiling

436

00:15:26,069 --> 00:15:23,519

monkeys

437

00:15:27,590 --> 00:15:26,079

clowns burritos these are all things

438

00:15:29,670 --> 00:15:27,600

that you might walk towards

439

00:15:31,910 --> 00:15:29,680

maybe not a clown for a lot of people

440

00:15:34,949 --> 00:15:31,920

but they're showing up as like

441

00:15:38,710 --> 00:15:34,959

angels or something beautiful

442

00:15:40,870 --> 00:15:38,720

right right and and maybe from the story

443

00:15:42,949 --> 00:15:40,880

well i've been able to gather is they

444

00:15:45,189 --> 00:15:42,959

they the aliens the entities whatever

445

00:15:47,590 --> 00:15:45,199

you want to call them they don't

446

00:15:49,189 --> 00:15:47,600

really know that it they're being scary

447

00:15:49,749 --> 00:15:49,199

all they're picking up on is like hey

448

00:15:51,990 --> 00:15:49,759

this thing

449

00:15:54,310 --> 00:15:52,000

this theme seems to repeat and and

450

00:15:55,829 --> 00:15:54,320

culture this clown thing

451  
00:15:58,150 --> 00:15:55,839  
they must lie they must love them let's

452  
00:15:58,710 --> 00:15:58,160  
try that yeah that could totally be the

453  
00:16:01,430 --> 00:15:58,720  
thing you're like

454  
00:16:02,310 --> 00:16:01,440  
dude i love burritos dude yeah i ate a

455  
00:16:04,710 --> 00:16:02,320  
burrito last

456  
00:16:06,710 --> 00:16:04,720  
night i love burritos so yeah maybe they

457  
00:16:07,189 --> 00:16:06,720  
just don't understand the concept of

458  
00:16:08,949 --> 00:16:07,199  
like

459  
00:16:10,790 --> 00:16:08,959  
oh this just happens a lot that might

460  
00:16:14,629 --> 00:16:10,800  
that we should just show up as that

461  
00:16:16,629 --> 00:16:14,639  
uh makes sense to me all right so

462  
00:16:17,829 --> 00:16:16,639  
in the chats mo you've heard of this

463  
00:16:19,430 --> 00:16:17,839

story then

464

00:16:21,829 --> 00:16:19,440

i'm not sure how much you know of like

465

00:16:22,470 --> 00:16:21,839

what's going on or like if you dug into

466

00:16:24,470 --> 00:16:22,480

it but

467

00:16:25,749 --> 00:16:24,480

it's a pretty interesting story i kind

468

00:16:28,230 --> 00:16:25,759

of i kind of lean

469

00:16:29,110 --> 00:16:28,240

on the side of i kind of believe him too

470

00:16:32,470 --> 00:16:29,120

right

471

00:16:36,069 --> 00:16:32,480

yeah so i mean it's it's it's

472

00:16:36,790 --> 00:16:36,079

i 100 believe him or he or she i don't

473

00:16:40,069 --> 00:16:36,800

know it could be

474

00:16:43,110 --> 00:16:40,079

she we know i guess we'll find out

475

00:16:44,470 --> 00:16:43,120

very soon very soon alien girl what's up

476

00:16:47,670 --> 00:16:44,480

girl

477

00:16:51,269 --> 00:16:47,680

uh peace will thanks for joining dude uh

478

00:16:56,949 --> 00:16:51,279

okay magnus said uh uh

479

00:17:01,110 --> 00:16:58,629

oh yeah i don't know what that means but

480

00:17:05,029 --> 00:17:01,120

it sounds funny

481

00:17:06,949 --> 00:17:05,039

uh dude okay so uh

482

00:17:09,510 --> 00:17:06,959

let's pick another another thing in in

483

00:17:11,189 --> 00:17:09,520

this first in this part one to read and

484

00:17:12,549 --> 00:17:11,199

do do you want to read the next one kind

485

00:17:17,110 --> 00:17:12,559

of go through that see

486

00:17:21,829 --> 00:17:19,990

because this is his first his first post

487

00:17:24,150 --> 00:17:21,839

right so we're just this is part one

488

00:17:26,309 --> 00:17:24,160

and then like the whole there's like

489

00:17:28,710 --> 00:17:26,319

pages of comments later so

490

00:17:31,029 --> 00:17:28,720

i mean yeah let's kind of pick a couple

491

00:17:33,350 --> 00:17:31,039

of so let's go through this he says

492

00:17:36,150 --> 00:17:33,360

you can't understand their language it

493

00:17:37,990 --> 00:17:36,160

just sounds like

494

00:17:39,270 --> 00:17:38,000

i'm positive that we'll never be able to

495

00:17:41,510 --> 00:17:39,280

communicate with them

496

00:17:42,789 --> 00:17:41,520

in their language i should mention that

497

00:17:45,510 --> 00:17:42,799

these are the

498

00:17:46,710 --> 00:17:45,520

grays that you hear about except they

499

00:17:48,870 --> 00:17:46,720

aren't gray

500

00:17:50,549 --> 00:17:48,880

uh they're sort of a beige and it's

501

00:17:53,590 --> 00:17:50,559

clothes anyway

502

00:17:55,990 --> 00:17:53,600

they aren't naked i don't know if

503

00:17:56,630 --> 00:17:56,000

there are others people say that there

504

00:18:00,310 --> 00:17:56,640

are

505

00:18:02,630 --> 00:18:00,320

but i've only ever met these anyway you

506

00:18:04,230 --> 00:18:02,640

cannot understand them but they can

507

00:18:06,150 --> 00:18:04,240

understand you

508

00:18:08,870 --> 00:18:06,160

and they can put thoughts into your head

509

00:18:10,710 --> 00:18:08,880

but they can't hear your thoughts

510

00:18:12,310 --> 00:18:10,720

you have to speak to them they can't

511

00:18:14,710 --> 00:18:12,320

hear very well

512

00:18:15,430 --> 00:18:14,720

or else uh they're not good at

513

00:18:17,830 --> 00:18:15,440

understanding

514

00:18:18,789 --> 00:18:17,840

english so you have to speak loudly and

515

00:18:20,549 --> 00:18:18,799

slowly

516

00:18:23,270 --> 00:18:20,559

i don't know if they understand other

517

00:18:25,350 --> 00:18:23,280

languages but i'm pretty sure they would

518

00:18:27,190 --> 00:18:25,360

they're interested in all of us and

519

00:18:28,710 --> 00:18:27,200

everything that goes on

520

00:18:30,230 --> 00:18:28,720

they like a lot of things about our

521

00:18:33,350 --> 00:18:30,240

culture too they like

522

00:18:35,590 --> 00:18:33,360

some of our music bluegrass is

523

00:18:36,870 --> 00:18:35,600

their favorite so far that i've seen

524

00:18:39,190 --> 00:18:36,880

they like it a lot

525

00:18:41,510 --> 00:18:39,200

they love that african instrument that

526  
00:18:42,630 --> 00:18:41,520  
looks like a like a gourd with 13

527  
00:18:45,510 --> 00:18:42,640  
strings

528  
00:18:47,110 --> 00:18:45,520  
love it but they can't stand horns or

529  
00:18:50,230 --> 00:18:47,120  
horn music

530  
00:18:53,029 --> 00:18:50,240  
so they hate classical music and jazz

531  
00:18:53,909 --> 00:18:53,039  
i think trumpets sound a lot like their

532  
00:18:56,150 --> 00:18:53,919  
language

533  
00:18:58,150 --> 00:18:56,160  
it's a feeling that i get but i've never

534  
00:19:00,789 --> 00:18:58,160  
been able to ask them

535  
00:19:02,230 --> 00:19:00,799  
so lots to break down on that one dude

536  
00:19:05,909 --> 00:19:02,240  
lots to break down

537  
00:19:06,390 --> 00:19:05,919  
yeah so i this is this is another one of

538  
00:19:12,710 --> 00:19:06,400

those

539

00:19:16,070 --> 00:19:14,390

you wouldn't if you were lying about

540

00:19:19,590 --> 00:19:16,080

something you wouldn't just slip that in

541

00:19:21,990 --> 00:19:19,600

like oh you have to speak really slow

542

00:19:23,270 --> 00:19:22,000

and like you have to talk loudly because

543

00:19:28,310 --> 00:19:23,280

they don't hear so well

544

00:19:30,310 --> 00:19:28,320

like how would you know that

545

00:19:32,870 --> 00:19:30,320

and we always think that like oh they're

546

00:19:35,510 --> 00:19:32,880

reading our minds but he's like

547

00:19:37,510 --> 00:19:35,520

no they can put thoughts into your mind

548

00:19:38,230 --> 00:19:37,520

but they can't read like what's in your

549

00:19:41,190 --> 00:19:38,240

mind

550

00:19:41,669 --> 00:19:41,200

maybe these specific ones can't right

551  
00:19:45,590 --> 00:19:41,679  
right

552  
00:19:48,150 --> 00:19:45,600  
real quick sidebar

553  
00:19:48,950 --> 00:19:48,160  
did you not in your head picture those

554  
00:19:52,150 --> 00:19:48,960  
aliens from

555  
00:19:53,909 --> 00:19:52,160  
fire in the sky yeah because

556  
00:19:56,070 --> 00:19:53,919  
yeah the beige ones yeah those beige

557  
00:19:59,190 --> 00:19:56,080  
ones with like slightly larger heads

558  
00:20:01,190 --> 00:19:59,200  
not i mean two their eyes

559  
00:20:02,710 --> 00:20:01,200  
apparently aren't as as big as we

560  
00:20:03,590 --> 00:20:02,720  
portray them i mean again he's talking

561  
00:20:05,110 --> 00:20:03,600  
about one species

562  
00:20:06,789 --> 00:20:05,120  
but there's no ears just like little ear

563  
00:20:09,110 --> 00:20:06,799

holes right right

564

00:20:10,630 --> 00:20:09,120

even whitley streeber right the cover of

565

00:20:14,710 --> 00:20:10,640

his book has that beige

566

00:20:18,149 --> 00:20:14,720

alien base on it so yeah yeah

567

00:20:18,870 --> 00:20:18,159

dude okay and then uh horn music man

568

00:20:21,110 --> 00:20:18,880

like

569

00:20:22,950 --> 00:20:21,120

the the i wonder what he meant by the

570

00:20:25,990 --> 00:20:22,960

hmm like is he saying

571

00:20:27,110 --> 00:20:26,000

or like i don't know

572

00:20:28,789 --> 00:20:27,120

what do you hear what did you hear in

573

00:20:29,029 --> 00:20:28,799

your head when you read it i don't know

574

00:20:43,750 --> 00:20:29,039

i

575

00:20:46,310 --> 00:20:43,760

on

576  
00:20:47,510 --> 00:20:46,320  
and you hear that that subtle hum in the

577  
00:20:49,110 --> 00:20:47,520  
background like maybe

578  
00:20:50,789 --> 00:20:49,120  
that's how they're communicating just

579  
00:20:53,430 --> 00:20:50,799  
with like this little hum

580  
00:20:55,350 --> 00:20:53,440  
noise that's producing this frequency

581  
00:20:58,390 --> 00:20:55,360  
that they can understand

582  
00:21:01,270 --> 00:20:58,400  
but it's not like verbal words it's it's

583  
00:21:02,149 --> 00:21:01,280  
it's like a hum like a frequency right

584  
00:21:04,710 --> 00:21:02,159  
and each

585  
00:21:05,750 --> 00:21:04,720  
maybe maybe they change the pitch or the

586  
00:21:08,789 --> 00:21:05,760  
frequency in it

587  
00:21:10,390 --> 00:21:08,799  
and uh maybe that's how they're able to

588  
00:21:13,110 --> 00:21:10,400

communicate

589

00:21:14,470 --> 00:21:13,120

you know there's just like maybe their

590

00:21:16,549 --> 00:21:14,480

brains are made

591

00:21:17,909 --> 00:21:16,559

so differently that you don't even need

592

00:21:19,909 --> 00:21:17,919

ears like the

593

00:21:21,669 --> 00:21:19,919

the passing like so like noise comes

594

00:21:24,390 --> 00:21:21,679

from just waves of air

595

00:21:25,029 --> 00:21:24,400

moving like that's how you make sound so

596

00:21:28,149 --> 00:21:25,039

maybe there's

597

00:21:30,710 --> 00:21:28,159

a different sensor in their brain

598

00:21:32,549 --> 00:21:30,720

that kind of takes it in instead of the

599

00:21:32,950 --> 00:21:32,559

the eardrum and all that there's maybe

600

00:21:34,710 --> 00:21:32,960

just

601  
00:21:36,390 --> 00:21:34,720  
a different hardware that's that's in

602  
00:21:39,029 --> 00:21:36,400  
there it's in their heads and all that

603  
00:21:40,070 --> 00:21:39,039  
oh no it's just kind of it kind of

604  
00:21:43,750 --> 00:21:40,080  
bummed me out that

605  
00:21:44,549 --> 00:21:43,760  
aliens don't like skull music

606  
00:21:47,110 --> 00:21:44,559  
they're not going to listen to

607  
00:21:49,029 --> 00:21:47,120  
goldfinger dude they're going to listen

608  
00:21:50,710 --> 00:21:49,039  
to the sweet sweet music of goldfinger

609  
00:21:53,510 --> 00:21:50,720  
you're never going to hear me first in

610  
00:21:55,350 --> 00:21:53,520  
the gimme gimmies dude

611  
00:21:57,270 --> 00:21:55,360  
you're not going to like frankie freaky

612  
00:21:59,430 --> 00:21:57,280  
uh frankie sinatra

613  
00:22:01,909 --> 00:21:59,440

they're not gonna no there's a lot of

614

00:22:02,390 --> 00:22:01,919

good stuff with horns in it louis prima

615

00:22:05,190 --> 00:22:02,400

bro

616

00:22:06,630 --> 00:22:05,200

i know they're not gonna like it yeah i

617

00:22:09,029 --> 00:22:06,640

wonder like maybe that's why

618

00:22:11,110 --> 00:22:09,039

aliens didn't like abduct people in like

619

00:22:14,230 --> 00:22:11,120

victorian times because all of the music

620

00:22:15,990 --> 00:22:14,240

was like really shrill like like the

621

00:22:19,029 --> 00:22:16,000

metal hammer prietos

622

00:22:20,310 --> 00:22:19,039

yeah like french horns like like 20

623

00:22:22,310 --> 00:22:20,320

french horns

624

00:22:24,230 --> 00:22:22,320

it'd be interesting to see the uh the

625

00:22:26,950 --> 00:22:24,240

amount of abductions like

626

00:22:28,390 --> 00:22:26,960

in new orleans like is it a lot or do

627

00:22:31,029 --> 00:22:28,400

they not get abducted

628

00:22:32,789 --> 00:22:31,039

that's why why voodoo became such a big

629

00:22:33,990 --> 00:22:32,799

thing there because the aliens never

630

00:22:37,510 --> 00:22:34,000

came around

631

00:22:40,390 --> 00:22:37,520

yes dude oh my god oh

632

00:22:41,909 --> 00:22:40,400

so much brass music i hate this [\h\_\_\h] so

633

00:22:44,390 --> 00:22:41,919

much

634

00:22:45,510 --> 00:22:44,400

that's such a bummer i [\h\_\_\h] love

635

00:22:47,350 --> 00:22:45,520

horns dude

636

00:22:49,350 --> 00:22:47,360

anything with a horn in it i'm gonna

637

00:22:50,149 --> 00:22:49,360

listen there's nothing like a good horn

638

00:22:51,669 --> 00:22:50,159

player like

639

00:22:53,590 --> 00:22:51,679

have you ever tried to pick up a damn

640

00:22:55,990 --> 00:22:53,600

horn and play a horn in place

641

00:22:58,310 --> 00:22:56,000

it's impossible yeah i used to be a

642

00:23:01,990 --> 00:22:58,320

trumpet player

643

00:23:04,390 --> 00:23:02,000

i was telling the truth yeah

644

00:23:05,830 --> 00:23:04,400

where did you play the trumpet i played

645

00:23:07,669 --> 00:23:05,840

it like all through high school

646

00:23:09,270 --> 00:23:07,679

and then a little bit out of high school

647

00:23:10,549 --> 00:23:09,280

just for fun

648

00:23:12,870 --> 00:23:10,559

[h\_\_h] maybe you told me that and i just

649

00:23:16,149 --> 00:23:12,880

forgot i could still play it

650

00:23:18,070 --> 00:23:16,159

damn so that's cool because

651  
00:23:19,510 --> 00:23:18,080  
ladies and gentlemen if you don't want

652  
00:23:23,350 --> 00:23:19,520  
to get abducted

653  
00:23:25,110 --> 00:23:23,360  
just put music on uh you know with horns

654  
00:23:26,390 --> 00:23:25,120  
play some tr yeah put some louie prima

655  
00:23:30,149 --> 00:23:26,400  
on yeah

656  
00:23:33,350 --> 00:23:32,710  
okay dude love that all right moving on

657  
00:23:36,710 --> 00:23:33,360  
so

658  
00:23:40,630 --> 00:23:36,720  
um well wait i had one more thing um

659  
00:23:42,950 --> 00:23:40,640  
let's see uh oh the clothes so

660  
00:23:44,470 --> 00:23:42,960  
it is kind of naive that my well i feel

661  
00:23:46,390 --> 00:23:44,480  
naive because i always picture like

662  
00:23:48,950 --> 00:23:46,400  
aliens just being being naked

663  
00:23:49,990 --> 00:23:48,960

you know yeah like they're just like

664

00:23:51,750 --> 00:23:50,000

daffy duck like they don't need

665

00:23:52,950 --> 00:23:51,760

they just need maybe if they had a shirt

666

00:23:54,390 --> 00:23:52,960

on you wouldn't even notice that they

667

00:23:55,510 --> 00:23:54,400

didn't have pants on because they're all

668

00:23:57,430 --> 00:23:55,520

just one thing

669

00:23:58,549 --> 00:23:57,440

yeah or if they had like an exo so i

670

00:24:00,710 --> 00:23:58,559

mean now now i'm

671

00:24:01,669 --> 00:24:00,720

as i'm you know more into into this

672

00:24:03,350 --> 00:24:01,679

subject and

673

00:24:05,350 --> 00:24:03,360

been into the subject a little bit more

674

00:24:06,630 --> 00:24:05,360

closely in the past couple years like

675

00:24:09,029 --> 00:24:06,640

now i'm i'm starting to think of like

676  
00:24:10,310 --> 00:24:09,039  
exo exoskeletons and like suits that

677  
00:24:12,310 --> 00:24:10,320  
they might wear or

678  
00:24:13,590 --> 00:24:12,320  
or maybe they're just non-biological

679  
00:24:14,710 --> 00:24:13,600  
maybe they're half biological

680  
00:24:16,549 --> 00:24:14,720  
technological

681  
00:24:18,230 --> 00:24:16,559  
ais that are walking around and they're

682  
00:24:19,510 --> 00:24:18,240  
they're just being remotely controlled

683  
00:24:20,870 --> 00:24:19,520  
from a different star system or

684  
00:24:23,909 --> 00:24:20,880  
different universe you know

685  
00:24:26,390 --> 00:24:23,919  
multi universes away so

686  
00:24:27,909 --> 00:24:26,400  
yeah this is different than than a lot

687  
00:24:29,669 --> 00:24:27,919  
of of what i've been kind of really

688  
00:24:32,070 --> 00:24:29,679

paying attention to lately which is

689

00:24:33,909 --> 00:24:32,080

is the latter there so hearing the the

690

00:24:35,590 --> 00:24:33,919

more biological aspect of it

691

00:24:38,230 --> 00:24:35,600

is is kind of kind of refreshing i mean

692

00:24:40,070 --> 00:24:38,240

i know this was from 2013 but it's it's

693

00:24:42,070 --> 00:24:40,080

for some reason being well we know the

694

00:24:43,750 --> 00:24:42,080

reason we haven't even said it yet

695

00:24:46,230 --> 00:24:43,760

yeah there's a reason why the title of

696

00:24:47,110 --> 00:24:46,240

this this this video is uh will this

697

00:24:49,830 --> 00:24:47,120

weekend

698

00:24:51,029 --> 00:24:49,840

bring new management alien did you see

699

00:24:53,110 --> 00:24:51,039

the title of it yeah

700

00:24:54,070 --> 00:24:53,120

yeah so so there's a reason people if

701  
00:24:57,190 --> 00:24:54,080  
you're here for that

702  
00:24:58,950 --> 00:24:57,200  
we're going to tell you in a second it's

703  
00:25:02,870 --> 00:24:58,960  
happening this weekend apparently

704  
00:25:05,350 --> 00:25:02,880  
apparently apparently july 18th

705  
00:25:05,909 --> 00:25:05,360  
but before we get to that um i kind of

706  
00:25:09,830 --> 00:25:05,919  
want to

707  
00:25:11,590 --> 00:25:09,840  
figure out or say one more thing um

708  
00:25:13,269 --> 00:25:11,600  
okay so they say that he's been abducted

709  
00:25:13,990 --> 00:25:13,279  
or he says that he's been abducted about

710  
00:25:17,350 --> 00:25:14,000  
every two years

711  
00:25:19,669 --> 00:25:17,360  
since 1987. um and

712  
00:25:21,590 --> 00:25:19,679  
he remembers he knows that there's two

713  
00:25:23,590 --> 00:25:21,600

main characters in his abduction stories

714

00:25:24,710 --> 00:25:23,600

and he calls them jack and gina

715

00:25:26,630 --> 00:25:24,720

he doesn't know if they're male or

716

00:25:29,269 --> 00:25:26,640

female

717

00:25:30,549 --> 00:25:29,279

or even if they have different sexes or

718

00:25:31,990 --> 00:25:30,559

if they're their real names but

719

00:25:34,230 --> 00:25:32,000

apparently they gave him those those

720

00:25:36,070 --> 00:25:34,240

names um

721

00:25:37,909 --> 00:25:36,080

and they told him so they this is what

722

00:25:38,549 --> 00:25:37,919

it says they will make contact with

723

00:25:42,310 --> 00:25:38,559

earth

724

00:25:45,269 --> 00:25:42,320

on a wide scale in 2021 and now

725

00:25:46,630 --> 00:25:45,279

remember this has been posted in 2013.

726

00:25:47,269 --> 00:25:46,640

so he says they will make contact with

727

00:25:49,750 --> 00:25:47,279

earth

728

00:25:51,430 --> 00:25:49,760

on a wide scale in 2021 that's the year

729

00:25:53,990 --> 00:25:51,440

when they land here

730

00:25:55,430 --> 00:25:54,000

or colonize or whatever i'm not exactly

731

00:25:58,230 --> 00:25:55,440

sure what their plan is

732

00:25:59,750 --> 00:25:58,240

they don't seem to be evil or dangerous

733

00:26:02,789 --> 00:25:59,760

their planet is

734

00:26:05,110 --> 00:26:02,799

so they told me anyway a very long

735

00:26:06,789 --> 00:26:05,120

way away they couldn't explain to me how

736

00:26:10,390 --> 00:26:06,799

far they said because

737

00:26:13,430 --> 00:26:10,400

it was too far for me to understand

738

00:26:15,830 --> 00:26:13,440

and it was also too it was it was also

739

00:26:18,230 --> 00:26:15,840

close to the side

740

00:26:20,070 --> 00:26:18,240

i mean this is a long one so oh it looks

741

00:26:22,310 --> 00:26:20,080

like we dropped joe

742

00:26:23,669 --> 00:26:22,320

so this is this is a really long one uh

743

00:26:25,350 --> 00:26:23,679

i don't want to read the whole thing i

744

00:26:25,830 --> 00:26:25,360

mean guys this is not our story this is

745

00:26:27,510 --> 00:26:25,840

not

746

00:26:29,110 --> 00:26:27,520

you know my story i'm just i'm reading

747

00:26:30,230 --> 00:26:29,120

this and you guys are interested or just

748

00:26:33,430 --> 00:26:30,240

now joining

749

00:26:36,549 --> 00:26:33,440

uh we're talking about this this story

750

00:26:39,430 --> 00:26:36,559

by uh it started

751  
00:26:41,909 --> 00:26:39,440  
uh by this this user from reddit called

752  
00:26:42,549 --> 00:26:41,919  
the throwaway alien it was a post on

753  
00:26:45,110 --> 00:26:42,559  
reddit

754  
00:26:45,909 --> 00:26:45,120  
uh muffins32 compiled this all and put

755  
00:26:49,190 --> 00:26:45,919  
this on one

756  
00:26:50,549 --> 00:26:49,200  
awesome thread and uh uh

757  
00:26:53,190 --> 00:26:50,559  
we will actually we should have posted a

758  
00:26:54,470 --> 00:26:53,200  
link to the dang thing um

759  
00:26:56,149 --> 00:26:54,480  
here let's see i'm going to post it

760  
00:26:57,269 --> 00:26:56,159  
right now if anybody wants to check it

761  
00:27:01,669 --> 00:26:57,279  
out

762  
00:27:05,190 --> 00:27:01,679  
what happens there

763  
00:27:09,590 --> 00:27:06,950

tammy says saxophone is the best sound

764

00:27:12,390 --> 00:27:09,600

ever i love a saxophone that's like

765

00:27:13,430 --> 00:27:12,400

that's a good instrument and uh

766

00:27:16,470 --> 00:27:13,440

christian

767

00:27:17,990 --> 00:27:16,480

uh says i believe them why would someone

768

00:27:18,630 --> 00:27:18,000

go on the internet and just lie like

769

00:27:21,430 --> 00:27:18,640

that

770

00:27:22,789 --> 00:27:21,440

i mean there's all kinds of reasons um

771

00:27:23,510 --> 00:27:22,799

there's all kinds of reasons that people

772

00:27:26,389 --> 00:27:23,520

lie

773

00:27:26,789 --> 00:27:26,399

i get i get your side and the flip side

774

00:27:29,269 --> 00:27:26,799

um

775

00:27:30,470 --> 00:27:29,279

it's just it's like if if you're new to

776

00:27:33,110 --> 00:27:30,480

this subject

777

00:27:34,630 --> 00:27:33,120

you're you're you know like me i'm only

778

00:27:35,590 --> 00:27:34,640

a few years in i mean i've been

779

00:27:38,470 --> 00:27:35,600

interested in this

780

00:27:40,070 --> 00:27:38,480

uh uh my my whole life but as you start

781

00:27:40,950 --> 00:27:40,080

being around people and hearing more

782

00:27:43,350 --> 00:27:40,960

stories you get

783

00:27:44,870 --> 00:27:43,360

kind of this veil of discernment which

784

00:27:47,830 --> 00:27:44,880

i'm not saying is a good thing

785

00:27:49,350 --> 00:27:47,840

but um maybe there is a good thing

786

00:27:50,710 --> 00:27:49,360

there's some good aspects good and bad

787

00:27:52,149 --> 00:27:50,720

aspects to

788

00:27:53,909 --> 00:27:52,159

having discernment when it comes to you

789

00:27:57,430 --> 00:27:53,919

know hearing people out but

790

00:27:59,350 --> 00:27:57,440

uh yeah i if if anybody is out there

791

00:28:01,029 --> 00:27:59,360

saying that uh you know they've been

792

00:28:01,990 --> 00:28:01,039

abducted and they can tell their story

793

00:28:04,549 --> 00:28:02,000

with with absolute

794

00:28:05,190 --> 00:28:04,559

detail and and still be sane i i would

795

00:28:08,549 --> 00:28:05,200

tend to

796

00:28:10,070 --> 00:28:08,559

feel like

797

00:28:11,750 --> 00:28:10,080

a lot of people that have these stories

798

00:28:14,549 --> 00:28:11,760

happen to them i mean

799

00:28:15,590 --> 00:28:14,559

just gotta be hard to deal with so the

800

00:28:18,070 --> 00:28:15,600

the fact that you can

801  
00:28:20,950 --> 00:28:18,080  
you know stay sane and and have a a

802  
00:28:24,470 --> 00:28:20,960  
normal conversation or hold down a job

803  
00:28:27,750 --> 00:28:24,480  
is uh phenomenal to me so that's that's

804  
00:28:31,269 --> 00:28:27,760  
utmost respect for for contactees

805  
00:28:33,029 --> 00:28:31,279  
um i'm not sure what happened to joe

806  
00:28:34,950 --> 00:28:33,039  
but uh we'll just i guess we'll just

807  
00:28:37,990 --> 00:28:34,960  
keep going on guys

808  
00:28:42,070 --> 00:28:38,000  
um cool so

809  
00:28:44,549 --> 00:28:42,080  
we are talking about um

810  
00:28:46,789 --> 00:28:44,559  
so he basically he gives a date he's

811  
00:28:49,750 --> 00:28:46,799  
been given a date of

812  
00:28:51,029 --> 00:28:49,760  
of july 18th which is this weekend it's

813  
00:28:53,350 --> 00:28:51,039

this sunday

814

00:28:55,350 --> 00:28:53,360

uh 2021 that they were gonna land here

815

00:28:57,510 --> 00:28:55,360

he was he was uh

816

00:28:58,870 --> 00:28:57,520

throwaway alien was told this by by gina

817

00:29:01,510 --> 00:28:58,880

and jack

818

00:29:02,230 --> 00:29:01,520

so uh i'll just read a little bit more

819

00:29:04,149 --> 00:29:02,240

um

820

00:29:06,870 --> 00:29:04,159

he says he goes he goes on to say so i

821

00:29:08,789 --> 00:29:06,880

don't really know why they come here or

822

00:29:10,470 --> 00:29:08,799

why they've taken so many of us

823

00:29:12,149 --> 00:29:10,480

up or why they've gotten to be friends

824

00:29:13,990 --> 00:29:12,159

with me they do not

825

00:29:15,350 --> 00:29:14,000

have any religion and they don't need

826

00:29:17,669 --> 00:29:15,360

oxygen or water

827

00:29:18,870 --> 00:29:17,679

or trees or anything i don't think they

828

00:29:20,630 --> 00:29:18,880

don't eat people

829

00:29:22,470 --> 00:29:20,640

i don't think they want to breed with us

830

00:29:24,630 --> 00:29:22,480

or genetically engineer us

831

00:29:26,389 --> 00:29:24,640

i don't know what they want but they've

832

00:29:29,669 --> 00:29:26,399

been coming here for i'd guess

833

00:29:33,909 --> 00:29:29,679

at least 10 or 20 000 years

834

00:29:36,310 --> 00:29:33,919

boom damn damn

835

00:29:37,750 --> 00:29:36,320

so yeah jay he he says that they he's

836

00:29:40,230 --> 00:29:37,760

never seen him eat anything

837

00:29:41,430 --> 00:29:40,240

um he goes on later in the story to say

838

00:29:43,830 --> 00:29:41,440

that uh

839

00:29:45,350 --> 00:29:43,840

uh when he's on the ship they take him

840

00:29:47,510 --> 00:29:45,360

for a couple of weeks at a time

841

00:29:49,029 --> 00:29:47,520

and he's not the only one there there's

842

00:29:50,789 --> 00:29:49,039

there's other people that are on the

843

00:29:52,549 --> 00:29:50,799

ship that he's now

844

00:29:53,990 --> 00:29:52,559

in contact with or has been in contact

845

00:29:57,269 --> 00:29:54,000

with he has their phone numbers they

846

00:29:59,269 --> 00:29:57,279

text um he he calls them you know

847

00:30:01,830 --> 00:29:59,279

his friends but not really it's just the

848

00:30:04,470 --> 00:30:01,840

other contact he's had experiences with

849

00:30:05,909 --> 00:30:04,480

um which is man it's kind of like it's

850

00:30:07,909 --> 00:30:05,919

kind of intense like it's kind of a

851  
00:30:08,950 --> 00:30:07,919  
sad situation i mean he goes on to

852  
00:30:10,310 --> 00:30:08,960  
explain that he's

853  
00:30:12,710 --> 00:30:10,320  
having a hard time like i was saying

854  
00:30:13,830 --> 00:30:12,720  
earlier a hard time holding down a job

855  
00:30:15,830 --> 00:30:13,840  
but uh that

856  
00:30:17,110 --> 00:30:15,840  
the the people that he was up on craft

857  
00:30:18,310 --> 00:30:17,120  
with he would they would be there for a

858  
00:30:19,110 --> 00:30:18,320  
couple of weeks and they would do

859  
00:30:21,990 --> 00:30:19,120  
experiments

860  
00:30:22,630 --> 00:30:22,000  
um such as taking him into a room doing

861  
00:30:24,230 --> 00:30:22,640  
x-rays

862  
00:30:25,669 --> 00:30:24,240  
taking scoops out of like the lower

863  
00:30:26,950 --> 00:30:25,679

portion like the small of your back that

864

00:30:29,830 --> 00:30:26,960

would be on a human

865

00:30:32,070 --> 00:30:29,840

um and asking him all kinds of questions

866

00:30:34,149 --> 00:30:32,080

so they would ask him or show him

867

00:30:36,310 --> 00:30:34,159

images of let's say like like a

868

00:30:38,870 --> 00:30:36,320

hippopotamus and they would ask him

869

00:30:40,070 --> 00:30:38,880

uh and this is this is in reference to

870

00:30:42,389 --> 00:30:40,080

something that he said about

871

00:30:44,470 --> 00:30:42,399

do they have a religion i don't think so

872

00:30:46,230 --> 00:30:44,480

um so yeah they would ask him

873

00:30:48,470 --> 00:30:46,240

is this hippopotamus your idol is this

874

00:30:50,149 --> 00:30:48,480

your god and he would you know answer

875

00:30:51,110 --> 00:30:50,159

and uh he thought that was really

876

00:30:51,990 --> 00:30:51,120

interesting i think that's really

877

00:30:54,389 --> 00:30:52,000

interesting too

878

00:30:56,070 --> 00:30:54,399

um if you have a technologically

879

00:30:58,549 --> 00:30:56,080

advanced civilization

880

00:30:59,509 --> 00:30:58,559

that has traversed space and time and

881

00:31:01,350 --> 00:30:59,519

somehow

882

00:31:03,190 --> 00:31:01,360

found us if they're not you know super

883

00:31:05,029 --> 00:31:03,200

close to us already

884

00:31:06,549 --> 00:31:05,039

and they were able to get here and they

885

00:31:07,029 --> 00:31:06,559

don't have a religion i feel like

886

00:31:10,230 --> 00:31:07,039

there's

887

00:31:12,310 --> 00:31:10,240

something to pay attention to there

888

00:31:14,149 --> 00:31:12,320

but that's not the end of the story

889

00:31:15,509 --> 00:31:14,159

there's more to that the the religion

890

00:31:16,950 --> 00:31:15,519

aspect and we'll get to that here in a

891

00:31:18,710 --> 00:31:16,960

second

892

00:31:21,029 --> 00:31:18,720

but he does make a note in this part one

893

00:31:23,269 --> 00:31:21,039

we're talking about part one right now

894

00:31:24,630 --> 00:31:23,279

um okay so the next really interesting

895

00:31:27,110 --> 00:31:24,640

part that he talks about

896

00:31:28,149 --> 00:31:27,120

um after he says he he thinks they've

897

00:31:31,590 --> 00:31:28,159

been here for about

898

00:31:32,310 --> 00:31:31,600

10 20 000 years uh is that they they

899

00:31:35,509 --> 00:31:32,320

show

900

00:31:37,350 --> 00:31:35,519

not only do tests and

901  
00:31:38,870 --> 00:31:37,360  
and and ask him questions but they show

902  
00:31:42,310 --> 00:31:38,880  
him video like

903  
00:31:45,669 --> 00:31:42,320  
video oh joe's back

904  
00:31:49,269 --> 00:31:45,679  
joe you're back i hate those

905  
00:31:50,789 --> 00:31:49,279  
[h\_\_h] dogs they unplug your your uh

906  
00:31:52,549 --> 00:31:50,799  
your modem or something yeah they

907  
00:31:53,509 --> 00:31:52,559  
decided to have a race in the damn

908  
00:31:56,149 --> 00:31:53,519  
living room

909  
00:31:57,190 --> 00:31:56,159  
and went behind where the all the stuff

910  
00:32:00,870 --> 00:31:57,200  
is and unplugged

911  
00:32:02,310 --> 00:32:00,880  
everything all right well it was time to

912  
00:32:03,269 --> 00:32:02,320  
change it was trying to change the light

913  
00:32:06,950 --> 00:32:03,279

bulb anyway so

914

00:32:09,990 --> 00:32:06,960

there we go changing light bulb nice

915

00:32:11,909 --> 00:32:10,000

all right well uh i kind of went over uh

916

00:32:13,990 --> 00:32:11,919

the the part where he's talking about

917

00:32:16,149 --> 00:32:14,000

they start showing him when he's on ship

918

00:32:17,909 --> 00:32:16,159

and for like two you know up to one to

919

00:32:19,830 --> 00:32:17,919

two weeks where they start asking him

920

00:32:21,750 --> 00:32:19,840

questions showing them images asking him

921

00:32:23,029 --> 00:32:21,760

is this your god is this your idol or is

922

00:32:25,190 --> 00:32:23,039

this a idol

923

00:32:26,470 --> 00:32:25,200

uh and then he goes on to explain that

924

00:32:28,950 --> 00:32:26,480

he believes that they've been here

925

00:32:29,590 --> 00:32:28,960

they have been here for 10 to 20 000

926  
00:32:31,590 --> 00:32:29,600  
years

927  
00:32:33,269 --> 00:32:31,600  
and i really wanted to hit on this this

928  
00:32:35,269 --> 00:32:33,279  
this specific thing he says

929  
00:32:37,269 --> 00:32:35,279  
but they've got video of all sorts of

930  
00:32:39,750 --> 00:32:37,279  
stuff and they showed me video of

931  
00:32:43,029 --> 00:32:39,760  
neanderthals and crow magnum

932  
00:32:46,470 --> 00:32:43,039  
which really which really were just like

933  
00:32:48,230 --> 00:32:46,480  
us humans exactly or sorry

934  
00:32:50,870 --> 00:32:48,240  
just like us humans except they all had

935  
00:32:53,509 --> 00:32:50,880  
black skin way less diversity

936  
00:32:54,070 --> 00:32:53,519  
and all sorts of other human-like beings

937  
00:32:56,070 --> 00:32:54,080  
us's

938  
00:32:58,789 --> 00:32:56,080

or whatever and they showed me videos of

939

00:33:02,470 --> 00:32:58,799

the pyramids being built

940

00:33:05,190 --> 00:33:02,480

and this is huge by humans by humans

941

00:33:07,110 --> 00:33:05,200

and he says and this huge stone building

942

00:33:07,990 --> 00:33:07,120

that i guess is lost somewhere or was

943

00:33:10,470 --> 00:33:08,000

destroyed

944

00:33:12,070 --> 00:33:10,480

he says it was in europe i could tell

945

00:33:13,990 --> 00:33:12,080

from the video

946

00:33:15,509 --> 00:33:14,000

they have video of them taking uh

947

00:33:16,470 --> 00:33:15,519

talking with all sorts of people all

948

00:33:18,549 --> 00:33:16,480

throughout

949

00:33:20,470 --> 00:33:18,559

history of earth they showed me some of

950

00:33:21,990 --> 00:33:20,480

them and asked me questions about them

951  
00:33:24,870 --> 00:33:22,000  
but i couldn't understand any of it

952  
00:33:27,669 --> 00:33:24,880  
because i only speak english

953  
00:33:29,590 --> 00:33:27,679  
i mean yeah yeah and even even english

954  
00:33:32,070 --> 00:33:29,600  
he makes this this quote uh

955  
00:33:33,509 --> 00:33:32,080  
that even english from 200 or 300 years

956  
00:33:35,509 --> 00:33:33,519  
ago is so different that i could

957  
00:33:36,710 --> 00:33:35,519  
hardly understand it so i told him that

958  
00:33:39,190 --> 00:33:36,720  
they probably knew more

959  
00:33:40,789 --> 00:33:39,200  
about it than i all than i did so right

960  
00:33:41,190 --> 00:33:40,799  
off the bat dude he talks about some

961  
00:33:43,590 --> 00:33:41,200  
like

962  
00:33:45,269 --> 00:33:43,600  
stuff that i i am so fascinated in man

963  
00:33:47,029 --> 00:33:45,279

like come on

964

00:33:48,630 --> 00:33:47,039

he he's saying that he saw how the

965

00:33:52,230 --> 00:33:48,640

pyramids were built

966

00:33:55,190 --> 00:33:52,240

and they were built by humans yep

967

00:33:56,950 --> 00:33:55,200

and uh every every all the humans that

968

00:33:59,269 --> 00:33:56,960

looked just like us had black skin

969

00:34:00,950 --> 00:33:59,279

that's very interesting yep and he

970

00:34:01,750 --> 00:34:00,960

didn't see there was not much but

971

00:34:03,909 --> 00:34:01,760

diversity

972

00:34:04,789 --> 00:34:03,919

so i don't know he he doesn't really say

973

00:34:08,389 --> 00:34:04,799

like

974

00:34:10,629 --> 00:34:08,399

you know a time code that says

975

00:34:11,990 --> 00:34:10,639

okay this is 1500 years ago this is

976

00:34:13,750 --> 00:34:12,000

where we were and this was a bit

977

00:34:16,470 --> 00:34:13,760

so there's not a lot it's a little vague

978

00:34:18,869 --> 00:34:16,480

there but i i just love that dude

979

00:34:19,990 --> 00:34:18,879

that uh i also like that he says that

980

00:34:22,069 --> 00:34:20,000

like they don't really show

981

00:34:24,149 --> 00:34:22,079

like a lot of interesting stuff it's

982

00:34:27,270 --> 00:34:24,159

more like a man in a field

983

00:34:28,950 --> 00:34:27,280

or somebody working on a bike or

984

00:34:30,950 --> 00:34:28,960

something like that it's never like

985

00:34:33,750 --> 00:34:30,960

anything super important

986

00:34:35,190 --> 00:34:33,760

and yeah could they have video of

987

00:34:37,589 --> 00:34:35,200

kennedy's assassination

988

00:34:38,230 --> 00:34:37,599

yeah sure maybe but i've never seen it

989

00:34:40,629 --> 00:34:38,240

right

990

00:34:41,829 --> 00:34:40,639

he's like that's not really what their

991

00:34:45,109 --> 00:34:41,839

what their their

992

00:34:48,389 --> 00:34:45,119

objective is i guess they're just

993

00:34:49,109 --> 00:34:48,399

and and also i think this is in the

994

00:34:55,430 --> 00:34:49,119

first

995

00:34:58,310 --> 00:34:55,440

where he talks about how how they

996

00:35:01,510 --> 00:34:58,320

acquired a lot of that video

997

00:35:04,790 --> 00:35:01,520

how the so he he goes in to say

998

00:35:05,589 --> 00:35:04,800

that when he asks who they are the only

999

00:35:08,470 --> 00:35:05,599

way that he

1000

00:35:11,990 --> 00:35:08,480

they could really translate it is a

1001  
00:35:15,990 --> 00:35:13,349  
that's in the part three that's at the

1002  
00:35:18,870 --> 00:35:16,000  
very end okay

1003  
00:35:19,270 --> 00:35:18,880  
we won't go too far down that in this

1004  
00:35:22,470 --> 00:35:19,280  
part

1005  
00:35:24,310 --> 00:35:22,480  
interesting but before

1006  
00:35:26,069 --> 00:35:24,320  
before we move on though i wanted to i

1007  
00:35:27,589 --> 00:35:26,079  
wanted to just bring up this one little

1008  
00:35:29,349 --> 00:35:27,599  
thing where he says

1009  
00:35:31,349 --> 00:35:29,359  
uh where he talks about the planet and

1010  
00:35:34,550 --> 00:35:31,359  
where they come from and he says

1011  
00:35:37,510 --> 00:35:34,560  
their planet so they told me anyways

1012  
00:35:38,630 --> 00:35:37,520  
of is a very long way away they couldn't

1013  
00:35:41,829 --> 00:35:38,640

explain to me how

1014

00:35:43,430 --> 00:35:41,839

far they said because it was too far for

1015

00:35:47,030 --> 00:35:43,440

me to even understand

1016

00:35:49,990 --> 00:35:47,040

and it was also close to the side

1017

00:35:51,430 --> 00:35:50,000

yes i have no idea what that means but

1018

00:35:53,190 --> 00:35:51,440

it's always stuck with me

1019

00:35:55,270 --> 00:35:53,200

home is too far away for you to

1020

00:35:58,470 --> 00:35:55,280

understand but also

1021

00:36:00,470 --> 00:35:58,480

close to the side what is so

1022

00:36:01,670 --> 00:36:00,480

inter-dimensional that's what that means

1023

00:36:04,069 --> 00:36:01,680

to me

1024

00:36:06,069 --> 00:36:04,079

yeah right like dimensional like

1025

00:36:06,550 --> 00:36:06,079

basically like my home world is right

1026

00:36:08,950 --> 00:36:06,560

here

1027

00:36:10,630 --> 00:36:08,960

on top of your home world you wouldn't

1028

00:36:11,430 --> 00:36:10,640

even be able to comprehend what that

1029

00:36:14,150 --> 00:36:11,440

means

1030

00:36:15,670 --> 00:36:14,160

but it's very close to where you are

1031

00:36:18,150 --> 00:36:15,680

right it's side by side

1032

00:36:19,750 --> 00:36:18,160

he could also mean it's so far but far

1033

00:36:21,109 --> 00:36:19,760

doesn't necessarily mean

1034

00:36:23,270 --> 00:36:21,119

have to mean distance i mean we're

1035

00:36:24,790 --> 00:36:23,280

obviously talking about a a language

1036

00:36:26,710 --> 00:36:24,800

barrier here

1037

00:36:28,470 --> 00:36:26,720

right off the bat i mean this this dude

1038

00:36:31,670 --> 00:36:28,480

that this dude that he's talking to

1039

00:36:33,750 --> 00:36:31,680

mr peanut is saying hey

1040

00:36:35,990 --> 00:36:33,760

we're we're barely able to communicate

1041

00:36:38,310 --> 00:36:36,000

here this is the best i can do

1042

00:36:40,150 --> 00:36:38,320

it's too far but close to the side so it

1043

00:36:43,190 --> 00:36:40,160

could mean not in distance far

1044

00:36:44,870 --> 00:36:43,200

but you it could mean that you are

1045

00:36:47,030 --> 00:36:44,880

technologically and you're not

1046

00:36:49,270 --> 00:36:47,040

your concept your brain isn't powerful

1047

00:36:52,230 --> 00:36:49,280

enough to even conceive

1048

00:36:53,349 --> 00:36:52,240

how the physics works right to travel

1049

00:36:55,750 --> 00:36:53,359

trans-dimensionally

1050

00:36:57,349 --> 00:36:55,760

that's right maybe something he might i

1051

00:37:00,069 --> 00:36:57,359

don't know

1052

00:37:01,270 --> 00:37:00,079

oh yeah dude oh yeah we're not even

1053

00:37:02,150 --> 00:37:01,280

getting we're not even scratching the

1054

00:37:05,190 --> 00:37:02,160

surface bro

1055

00:37:07,829 --> 00:37:05,200

so i i just uh i i did also go over yeah

1056

00:37:08,950 --> 00:37:07,839

like the the huge stone building that he

1057

00:37:11,910 --> 00:37:08,960

mentioned

1058

00:37:12,870 --> 00:37:11,920

the huge stone building uh that he like

1059

00:37:15,349 --> 00:37:12,880

bigger than

1060

00:37:16,870 --> 00:37:15,359

the uh great pyramid of giza and bigger

1061

00:37:18,790 --> 00:37:16,880

than teotihuacan

1062

00:37:20,870 --> 00:37:18,800

am i saying that right i'm not sure but

1063

00:37:23,349 --> 00:37:20,880

uh he thought it was like in europe

1064

00:37:23,910 --> 00:37:23,359

um i thought that was something awesome

1065

00:37:26,390 --> 00:37:23,920

to note

1066

00:37:27,670 --> 00:37:26,400

because it's it's something so random

1067

00:37:29,589 --> 00:37:27,680

and quick it's like

1068

00:37:32,390 --> 00:37:29,599

he was and i'm just talking about the

1069

00:37:34,790 --> 00:37:32,400

validity validity of his story here

1070

00:37:36,790 --> 00:37:34,800

just just noting that like what are you

1071

00:37:37,750 --> 00:37:36,800

just to random randomly mention this

1072

00:37:40,630 --> 00:37:37,760

huge building

1073

00:37:42,790 --> 00:37:40,640

oh how does that was i mean how big was

1074

00:37:44,390 --> 00:37:42,800

the library of alexandria was that thing

1075

00:37:47,670 --> 00:37:44,400

pretty massive

1076

00:37:47,990 --> 00:37:47,680

oh my god dude or was it in europe no it

1077

00:37:57,829 --> 00:37:48,000

was

1078

00:37:59,430 --> 00:37:57,839

i'm sorry i'm terrible geography dude

1079

00:38:01,750 --> 00:37:59,440

all the cool [h\_\_h] happened

1080

00:38:02,710 --> 00:38:01,760

in the middle east in africa man all the

1081

00:38:04,630 --> 00:38:02,720

all the every

1082

00:38:06,550 --> 00:38:04,640

cool [h\_\_h] that happened like before

1083

00:38:07,990 --> 00:38:06,560

america happened there and then

1084

00:38:09,670 --> 00:38:08,000

you know yeah there's the romans and all

1085

00:38:11,270 --> 00:38:09,680

that that was cool not the not the

1086

00:38:14,470 --> 00:38:11,280

indianapolis 500

1087

00:38:16,470 --> 00:38:14,480

hey man i i i didn't

1088

00:38:18,390 --> 00:38:16,480

i didn't see nobody driving no damn fast

1089

00:38:20,950 --> 00:38:18,400

car there i didn't see these

1090

00:38:21,990 --> 00:38:20,960

i didn't [h\_\_h] hey man [h\_\_h] i was pulled

1091

00:38:25,109 --> 00:38:22,000

up by my truck

1092

00:38:26,069 --> 00:38:25,119

dude dude is huge i was thinking about

1093

00:38:28,069 --> 00:38:26,079

this the other day man

1094

00:38:29,270 --> 00:38:28,079

hey just sidebar real quick we're always

1095

00:38:32,310 --> 00:38:29,280

talking about the pyramids

1096

00:38:34,230 --> 00:38:32,320

like and possibly being built by aliens

1097

00:38:35,510 --> 00:38:34,240

what about like all the roman structures

1098

00:38:37,430 --> 00:38:35,520

in all those buildings like the

1099

00:38:40,550 --> 00:38:37,440

parthenon and like

1100

00:38:44,870 --> 00:38:40,560

uh the the huge

1101

00:38:46,310 --> 00:38:44,880

structures that are like giant blocks

1102

00:38:48,230 --> 00:38:46,320

but you know what i mean like why is

1103

00:38:51,349 --> 00:38:48,240

there that that separation

1104

00:38:52,470 --> 00:38:51,359

like okay well if they aliens had to

1105

00:38:54,630 --> 00:38:52,480

build the pyramid but

1106

00:38:56,310 --> 00:38:54,640

but not all this roman stuff that's like

1107

00:38:58,550 --> 00:38:56,320

probably way harder to build because

1108

00:39:01,910 --> 00:38:58,560

it's so symmetrical way more intricate

1109

00:39:03,589 --> 00:39:01,920

like even like just the greeks you know

1110

00:39:05,510 --> 00:39:03,599

yeah greeks yeah greeks and romans i'm

1111

00:39:07,270 --> 00:39:05,520

sorry that's you're smart

1112

00:39:10,069 --> 00:39:07,280

they're they're close i i just i know

1113

00:39:12,790 --> 00:39:10,079

that the greeks and the

1114

00:39:15,430 --> 00:39:12,800

the they're they're all the you know

1115

00:39:18,470 --> 00:39:15,440

those people right

1116

00:39:19,190 --> 00:39:18,480

those people yeah yeah and so the greeks

1117

00:39:22,390 --> 00:39:19,200

had like

1118

00:39:24,710 --> 00:39:22,400

olympus and all this huge structural

1119

00:39:28,470 --> 00:39:24,720

[h\_\_\h] right yeah they built all those

1120

00:39:30,710 --> 00:39:28,480

massive statues and things so dude

1121

00:39:31,829 --> 00:39:30,720

the i'm trying to think oh sorry i was i

1122

00:39:33,190 --> 00:39:31,839

was reading some comments

1123

00:39:35,109 --> 00:39:33,200

i feel like we haven't interacted in a

1124

00:39:37,829 --> 00:39:35,119

while so dude

1125

00:39:38,710 --> 00:39:37,839

the what what is that big stadium the

1126

00:39:41,829 --> 00:39:38,720

stadium that's

1127

00:39:42,950 --> 00:39:41,839

like like [h\_\_h] massive and and and

1128

00:39:44,790 --> 00:39:42,960

europe and

1129

00:39:47,589 --> 00:39:44,800

creek and all that oh the colosseum

1130

00:39:52,310 --> 00:39:47,599

colosseum thank you you're so smart

1131

00:39:55,270 --> 00:39:52,320

dude how the hell did they build that

1132

00:39:56,790 --> 00:39:55,280

slave well there was also like there's i

1133

00:39:59,270 --> 00:39:56,800

watched this tick tock man

1134

00:40:00,470 --> 00:39:59,280

uh and and the the the cranes that we

1135

00:40:03,030 --> 00:40:00,480

know about that they used

1136

00:40:04,790 --> 00:40:03,040

they would have to use like 150 of them

1137

00:40:07,829 --> 00:40:04,800

to raise one of those blocks

1138

00:40:09,589 --> 00:40:07,839

one of those stones stones you know

1139

00:40:11,430 --> 00:40:09,599

it just doesn't make sense like i don't

1140

00:40:13,589 --> 00:40:11,440

know sidebar over i feel like

1141

00:40:14,470 --> 00:40:13,599

that was that was good that just showed

1142

00:40:17,990 --> 00:40:14,480

how dumb we are

1143

00:40:23,109 --> 00:40:21,190

what do you mean those people

1144

00:40:24,790 --> 00:40:23,119

i mean about white people the greeks and

1145

00:40:26,550 --> 00:40:24,800

romans were white i mean i think it's

1146

00:40:29,670 --> 00:40:26,560

acceptable to call them those people

1147

00:40:33,109 --> 00:40:29,680

right yeah

1148

00:40:37,030 --> 00:40:35,589

william said it had a retractable canopy

1149

00:40:40,230 --> 00:40:37,040

too what

1150

00:40:41,510 --> 00:40:40,240

yeah on the colosseum damn why are you

1151

00:40:44,390 --> 00:40:41,520

serious

1152

00:40:46,230 --> 00:40:44,400

that's insane uh magnus says the

1153

00:40:48,390 --> 00:40:46,240

coliseum in rome is made

1154

00:40:49,270 --> 00:40:48,400

made of roman concrete and roman

1155

00:40:50,790 --> 00:40:49,280

concrete

1156

00:40:52,550 --> 00:40:50,800

people still don't know how it was

1157

00:40:54,470 --> 00:40:52,560

actually made

1158

00:40:56,069 --> 00:40:54,480

i think that's interesting you know like

1159

00:40:57,510 --> 00:40:56,079

it was like some of the strongest [h\_\_\h]

1160

00:41:02,870 --> 00:40:57,520

ever

1161

00:41:06,390 --> 00:41:05,190

it's like it's like concrete's like easy

1162

00:41:08,550 --> 00:41:06,400

to make

1163

00:41:10,470 --> 00:41:08,560

now but they were like but the roman

1164

00:41:12,069 --> 00:41:10,480

stuff we don't understand

1165

00:41:14,710 --> 00:41:12,079

it's like a totally different kind of

1166

00:41:17,750 --> 00:41:14,720

concrete right yeah i mean i guess so

1167

00:41:19,030 --> 00:41:17,760

i mean what i mean what they use like a

1168

00:41:20,230 --> 00:41:19,040

little bit of granite a little bit of

1169

00:41:22,390 --> 00:41:20,240

marble some sand

1170

00:41:24,069 --> 00:41:22,400

some mud a little bit of sugar some

1171

00:41:27,109 --> 00:41:24,079

water a little bit of lime

1172

00:41:29,750 --> 00:41:27,119

sugar a little bit of sweat a little bit

1173

00:41:31,190 --> 00:41:29,760

there it is volcanic ash to the concrete

1174

00:41:33,190 --> 00:41:31,200

yep that makes sense

1175

00:41:34,390 --> 00:41:33,200

yeah a lot lots of carbon maybe i don't

1176

00:41:36,069 --> 00:41:34,400

know maybe uh maybe

1177

00:41:38,309 --> 00:41:36,079

maybe the ashes of your foes your

1178

00:41:43,109 --> 00:41:38,319

enemies

1179

00:41:49,109 --> 00:41:46,150

they put viagra in the concrete this

1180

00:41:51,750 --> 00:41:49,119

is gonna be so hard when we pour it it's

1181

00:41:53,370 --> 00:41:51,760

got viagra in it

1182

00:41:56,550 --> 00:41:53,380

it's so hard

1183

00:41:59,670 --> 00:41:56,560

[Laughter]

1184

00:42:02,710 --> 00:41:59,680

yes dude oh [h\_\_h] okay all right

1185

00:42:03,589 --> 00:42:02,720

uh that was amazing every stone in that

1186

00:42:06,630 --> 00:42:03,599

colosseum

1187

00:42:08,230 --> 00:42:06,640

has a tablet of viagra it's what

1188

00:42:09,510 --> 00:42:08,240

there's one and you like have to find it

1189

00:42:11,030 --> 00:42:09,520

and chisel your that's why there's so

1190

00:42:12,309 --> 00:42:11,040

many stones missing they had to replace

1191

00:42:15,589 --> 00:42:12,319

a lot of those

1192

00:42:17,850 --> 00:42:15,599

leaning tower of pisa is leaning because

1193

00:42:21,510 --> 00:42:17,860

they only put viagra in half of it

1194

00:42:24,390 --> 00:42:21,520

[Laughter]

1195

00:42:26,230 --> 00:42:24,400

so hard william it's the ward it is what

1196

00:42:29,109 --> 00:42:26,240

kevin says is water tight oh that's i

1197

00:42:31,270 --> 00:42:29,119

didn't know that that's cool

1198

00:42:33,349 --> 00:42:31,280

um greg says yes they did the movie

1199

00:42:36,550 --> 00:42:33,359

gladiators showed

1200

00:42:37,349 --> 00:42:36,560

how it was how it was to look okay

1201

00:42:38,710 --> 00:42:37,359

awesome

1202

00:42:40,550 --> 00:42:38,720

i love y'all thanks for being thanks for

1203

00:42:42,790 --> 00:42:40,560

hanging out with us tonight yes

1204

00:42:44,150 --> 00:42:42,800

um i know there's a lot more interest

1205

00:42:46,550 --> 00:42:44,160

like super interesting comments

1206

00:42:48,550 --> 00:42:46,560

and i man i wish i was fast enough but i

1207

00:42:50,870 --> 00:42:48,560

can't do two things at once i'm terrible

1208

00:42:52,470 --> 00:42:50,880

um okay so we're almost done with part

1209

00:42:54,870 --> 00:42:52,480

one and then there's comments

1210

00:42:56,390 --> 00:42:54,880

and i feel like let's kind of maybe talk

1211

00:42:57,589 --> 00:42:56,400

about the rest of part one

1212

00:42:59,430 --> 00:42:57,599

and this is where we're talking about

1213

00:43:01,910 --> 00:42:59,440

the the date and we're gonna i guess

1214

00:43:03,670 --> 00:43:01,920

i guess he's reiterating and we will too

1215

00:43:05,430 --> 00:43:03,680

um that's why this is significant

1216

00:43:07,190 --> 00:43:05,440

but joe do you want to take a look at

1217

00:43:09,430 --> 00:43:07,200

that last paragraph or you want me here

1218

00:43:10,230 --> 00:43:09,440

listen one more second let me let me let

1219

00:43:15,030 --> 00:43:10,240

me get there

1220

00:43:19,430 --> 00:43:17,829

the i was up three weeks ago paragraph i

1221

00:43:22,150 --> 00:43:19,440

was up three weeks ago

1222

00:43:23,430 --> 00:43:22,160

that was the last time i'm pretty sure

1223

00:43:25,990 --> 00:43:23,440

that i'll go up again

1224

00:43:26,550 --> 00:43:26,000

in a couple years but i'm not sure after

1225

00:43:28,950 --> 00:43:26,560

that

1226

00:43:30,470 --> 00:43:28,960

the whole program or whatever they call

1227

00:43:34,550 --> 00:43:30,480

it is going to change

1228

00:43:37,109 --> 00:43:34,560

in july of 2021 i think they said eighth

1229

00:43:38,870 --> 00:43:37,119

but it could have also been the 18th i

1230

00:43:41,270 --> 00:43:38,880

wasn't hearing very well

1231

00:43:42,550 --> 00:43:41,280

they weren't trying to intimidate me or

1232

00:43:44,309 --> 00:43:42,560

even warn me

1233

00:43:46,390 --> 00:43:44,319

so i don't think we have anything to

1234

00:43:48,069 --> 00:43:46,400

worry about i hope they don't show the

1235

00:43:49,750 --> 00:43:48,079

videos they took of me when they first

1236

00:43:50,470 --> 00:43:49,760

started taking me up because i was so

1237

00:43:54,790 --> 00:43:50,480

scared

1238

00:43:57,990 --> 00:43:54,800

and young and they're embarrassing

1239

00:44:00,150 --> 00:43:58,000

that's so uh relatable yeah

1240

00:44:01,589 --> 00:44:00,160

dude because like knowing me oh this is

1241

00:44:03,270 --> 00:44:01,599

a good point he does mention that they

1242

00:44:04,230 --> 00:44:03,280

never abduct him from his better bedroom

1243

00:44:06,870 --> 00:44:04,240

or his home

1244

00:44:08,230 --> 00:44:06,880

it would always be out somewhere else it

1245

00:44:10,470 --> 00:44:08,240

doesn't really explain where

1246

00:44:12,230 --> 00:44:10,480

which i can understand that like well

1247

00:44:15,670 --> 00:44:12,240

when i was working at best buy

1248

00:44:18,710 --> 00:44:15,680

i i get why he didn't say that but uh

1249

00:44:20,870 --> 00:44:18,720

uh so he does he does mention that

1250

00:44:22,150 --> 00:44:20,880

uh and maybe this is later oh this is

1251  
00:44:24,069 --> 00:44:22,160  
this is in the comments actually where

1252  
00:44:26,390 --> 00:44:24,079  
he's talking about the 8th or the 18th

1253  
00:44:27,910 --> 00:44:26,400  
it's because of the way that the greys

1254  
00:44:29,190 --> 00:44:27,920  
speak it's it's

1255  
00:44:31,030 --> 00:44:29,200  
they're really they're really trying

1256  
00:44:34,230 --> 00:44:31,040  
their best to speak english i mean

1257  
00:44:36,950 --> 00:44:34,240  
yeah a fluently uh

1258  
00:44:38,630 --> 00:44:36,960  
french-speaking person will tell you

1259  
00:44:39,430 --> 00:44:38,640  
that that english is one of the hardest

1260  
00:44:41,190 --> 00:44:39,440  
languages

1261  
00:44:42,790 --> 00:44:41,200  
to learn so i can understand that i mean

1262  
00:44:44,630 --> 00:44:42,800  
coming from a different

1263  
00:44:46,150 --> 00:44:44,640

dimension or whatever it's got to be

1264

00:44:47,510 --> 00:44:46,160

super hard and

1265

00:44:49,670 --> 00:44:47,520

different vocal chords you know

1266

00:44:51,750 --> 00:44:49,680

different frequencies hard for them to

1267

00:44:55,430 --> 00:44:51,760

say so he said it sounded like

1268

00:44:58,230 --> 00:44:55,440

e.t yeah

1269

00:44:59,030 --> 00:44:58,240

so that could he said it could either

1270

00:45:02,870 --> 00:44:59,040

mean the 8th

1271

00:45:04,470 --> 00:45:02,880

8th of july 2021 or the 18th

1272

00:45:05,910 --> 00:45:04,480

we don't know well the eighth has

1273

00:45:07,589 --> 00:45:05,920

already passed and we didn't hear

1274

00:45:10,550 --> 00:45:07,599

anything

1275

00:45:11,109 --> 00:45:10,560

but the 18th is this weekend sunday yeah

1276

00:45:12,950 --> 00:45:11,119

um

1277

00:45:14,150 --> 00:45:12,960

and i can't remember if if he starts

1278

00:45:17,190 --> 00:45:14,160

talking about

1279

00:45:19,670 --> 00:45:17,200

i'm just on the the thought of of timing

1280

00:45:22,470 --> 00:45:19,680

and dates and everything

1281

00:45:25,829 --> 00:45:22,480

guess what's happening on july 17th on

1282

00:45:25,839 --> 00:45:31,190

um i'm going to jelly stone park

1283

00:45:35,589 --> 00:45:32,870

jelly stars is spongebob squarepants

1284

00:45:39,829 --> 00:45:35,599

gonna be there no that's yogi bear dude

1285

00:45:43,190 --> 00:45:39,839

oh jelly stone

1286

00:45:46,150 --> 00:45:43,200

i'm going like a kid dude that's awesome

1287

00:45:47,030 --> 00:45:46,160

don't don't lose her keep an eye on her

1288

00:45:49,109 --> 00:45:47,040

in the forest

1289

00:45:53,430 --> 00:45:49,119

my friend no no bigfoots will touch

1290

00:46:00,150 --> 00:45:56,550

so dude so

1291

00:46:02,710 --> 00:46:00,160

uh uh the the thing that's happening

1292

00:46:05,109 --> 00:46:02,720

on on saturday night is called nuno

1293

00:46:06,870 --> 00:46:05,119

national ufo night

1294

00:46:08,870 --> 00:46:06,880

i i don't know if you've seen this yet

1295

00:46:10,069 --> 00:46:08,880

but i said this guy national ufo night

1296

00:46:11,349 --> 00:46:10,079

everybody's gonna be looking up at the

1297

00:46:14,390 --> 00:46:11,359

sky

1298

00:46:17,510 --> 00:46:14,400

interesting timing okay so let's back up

1299

00:46:19,750 --> 00:46:17,520

this guy uh

1300

00:46:21,030 --> 00:46:19,760

throwaway alien posted this thing and on

1301

00:46:23,670 --> 00:46:21,040

reddit 2013

1302

00:46:25,510 --> 00:46:23,680

saying this specific date july 18th and

1303

00:46:27,430 --> 00:46:25,520

i don't know maybe this was put on maybe

1304

00:46:30,230 --> 00:46:27,440

it's just a coincidence

1305

00:46:31,589 --> 00:46:30,240

but it's pretty cool that a lot of

1306

00:46:32,230 --> 00:46:31,599

people are going to be outside looking

1307

00:46:35,670 --> 00:46:32,240

at the sky

1308

00:46:36,870 --> 00:46:35,680

that night the night before and probably

1309

00:46:41,750 --> 00:46:36,880

into the next day you know

1310

00:46:43,349 --> 00:46:41,760

if people are out past midnight so dude

1311

00:46:45,270 --> 00:46:43,359

it's going to be interesting man it's

1312

00:46:48,390 --> 00:46:45,280

going to be interesting hey

1313

00:46:50,710 --> 00:46:48,400

william williams said that this this is

1314

00:46:52,710 --> 00:46:50,720

a [h\_\_h] knot

1315

00:46:53,750 --> 00:46:52,720

what's that what is what's a [h\_\_h] a

1316

00:46:56,069 --> 00:46:53,760

[h\_\_h] knot

1317

00:47:03,430 --> 00:46:56,079

what are you what are you pointing to my

1318

00:47:07,190 --> 00:47:05,349

oh it's not even like a rope knot like a

1319

00:47:08,790 --> 00:47:07,200

tie okay awesome

1320

00:47:10,390 --> 00:47:08,800

that is a [h\_\_h] fuzzy knot that's

1321

00:47:13,109 --> 00:47:10,400

exactly what it is

1322

00:47:16,870 --> 00:47:13,119

oh god that's a great punk punk rock

1323

00:47:21,430 --> 00:47:19,349

dude that is a dope name the [h\_\_h] knots

1324

00:47:23,670 --> 00:47:21,440

[h\_\_h] it out

1325

00:47:25,349 --> 00:47:23,680

yeah kevin says jimmy church is uh

1326  
00:47:26,309 --> 00:47:25,359  
having an all-day ufo conference on

1327  
00:47:30,950 --> 00:47:26,319  
saturday

1328  
00:47:33,030 --> 00:47:30,960  
kevin i don't know if you know this but

1329  
00:47:36,069 --> 00:47:33,040  
pretty soon me and ben

1330  
00:47:37,829 --> 00:47:36,079  
are having a 72-hour podcast yeah

1331  
00:47:39,190 --> 00:47:37,839  
it's gonna be the longest podcast in

1332  
00:47:43,750 --> 00:47:39,200  
history oh it's gonna be

1333  
00:47:47,109 --> 00:47:43,760  
long and hard it's gonna be sexy

1334  
00:47:51,990 --> 00:47:47,119  
three days three full days of rock

1335  
00:47:58,549 --> 00:47:52,000  
solid alien content

1336  
00:48:03,109 --> 00:48:00,549  
and every time we laugh we gotta take

1337  
00:48:05,349 --> 00:48:03,119  
off an item of clothing man

1338  
00:48:06,710 --> 00:48:05,359

this is gonna be wild dude gonna be

1339

00:48:09,670 --> 00:48:06,720

naked in like the first

1340

00:48:11,670 --> 00:48:09,680

15 minutes of the show kevin says i'll

1341

00:48:14,470 --> 00:48:11,680

be there who else is going to join us

1342

00:48:15,030 --> 00:48:14,480

for this for the uh the strip poker

1343

00:48:16,710 --> 00:48:15,040

night

1344

00:48:18,470 --> 00:48:16,720

we really should dude we should we

1345

00:48:19,750 --> 00:48:18,480

should we should call the guinness book

1346

00:48:22,390 --> 00:48:19,760

of world records

1347

00:48:23,349 --> 00:48:22,400

and hold the longest podcast ever

1348

00:48:26,950 --> 00:48:23,359

recorded

1349

00:48:29,990 --> 00:48:26,960

oh my god yes yeah dude

1350

00:48:33,910 --> 00:48:32,470

that would be great for our friends did

1351  
00:48:35,510 --> 00:48:33,920  
you get sponsored we should get

1352  
00:48:38,069 --> 00:48:35,520  
sponsored by uh

1353  
00:48:39,990 --> 00:48:38,079  
uh we should get sponsored by a coffee

1354  
00:48:43,109 --> 00:48:40,000  
company

1355  
00:48:46,309 --> 00:48:43,119  
yeah well what is jimmy charges thing

1356  
00:48:49,430 --> 00:48:46,319  
dark [h\_\_h] roasted thick

1357  
00:48:50,069 --> 00:48:49,440  
solid steel coffee i don't know what it

1358  
00:48:52,790 --> 00:48:50,079  
is but

1359  
00:48:54,069 --> 00:48:52,800  
it's got diesel in it it's got [h\_\_h]

1360  
00:48:57,430 --> 00:48:54,079  
black tar

1361  
00:49:02,390 --> 00:49:01,349  
okay i'll be on the opposite crude oil

1362  
00:49:05,589 --> 00:49:02,400  
mixed in

1363  
00:49:07,510 --> 00:49:05,599

we should hit up summer moon

1364

00:49:09,270 --> 00:49:07,520

yeah that's what it is summer moon yeah

1365

00:49:15,270 --> 00:49:09,280

we should go to summer moon

1366

00:49:21,109 --> 00:49:19,430

oh says oh yeah black rifle coffee okay

1367

00:49:22,390 --> 00:49:21,119

nice oh yeah that's what it is all right

1368

00:49:24,069 --> 00:49:22,400

well if y'all want to if you all want to

1369

00:49:26,309 --> 00:49:24,079

sponsor if anybody's listening sponsor

1370

00:49:27,670 --> 00:49:26,319

the the podcast check it out

1371

00:49:29,589 --> 00:49:27,680

that'd be funny because our friends that

1372

00:49:30,470 --> 00:49:29,599

believe would be like remember what we

1373

00:49:32,870 --> 00:49:30,480

told you how to do an

1374

00:49:35,109 --> 00:49:32,880

hour and y'all just did three days in a

1375

00:49:38,230 --> 00:49:35,119

row

1376

00:49:39,910 --> 00:49:38,240

yeah like we had no idea

1377

00:49:42,069 --> 00:49:39,920

they were all telling us like hey y'all

1378

00:49:43,670 --> 00:49:42,079

should make your episodes shorter

1379

00:49:44,710 --> 00:49:43,680

just giving you just giving us some

1380

00:49:46,309 --> 00:49:44,720

advice you know it's a little

1381

00:49:48,230 --> 00:49:46,319

intimidating seeing a three-hour podcast

1382

00:49:50,630 --> 00:49:48,240

maybe maybe make you know spit it split

1383

00:49:53,589 --> 00:49:50,640

it up into three parts

1384

00:49:58,710 --> 00:49:53,599

you mean three days we thought we

1385

00:50:02,069 --> 00:49:58,720

thought you said three days dude

1386

00:50:05,270 --> 00:50:02,079

oh that'd be so funny yes

1387

00:50:08,069 --> 00:50:05,280

oh my god okay all right well

1388

00:50:09,910 --> 00:50:08,079

if yeah we'll explain more about that

1389

00:50:12,309 --> 00:50:09,920

the believe stuff when it when

1390

00:50:13,430 --> 00:50:12,319

when we we'll do that in the next little

1391

00:50:15,270 --> 00:50:13,440

bit but

1392

00:50:16,470 --> 00:50:15,280

uh let's get back to the story dude uh

1393

00:50:19,670 --> 00:50:16,480

because we're almost done

1394

00:50:21,750 --> 00:50:19,680

part two part two so actually um

1395

00:50:23,829 --> 00:50:21,760

in the comments so there is pages and

1396

00:50:26,150 --> 00:50:23,839

pages and pages of comments

1397

00:50:27,910 --> 00:50:26,160

uh after this part one and i'm scrolling

1398

00:50:28,549 --> 00:50:27,920

back up to the top because there is just

1399

00:50:31,829 --> 00:50:28,559

so much

1400

00:50:33,430 --> 00:50:31,839

so dang much so very much um

1401  
00:50:35,510 --> 00:50:33,440  
i'm trying to think of things that he

1402  
00:50:37,510 --> 00:50:35,520  
mentions um

1403  
00:50:39,910 --> 00:50:37,520  
so he's he's basically after he posts

1404  
00:50:42,950 --> 00:50:39,920  
this people are commenting on his post

1405  
00:50:46,150 --> 00:50:42,960  
and he's answering these questions um

1406  
00:50:49,349 --> 00:50:46,160  
one interesting interesting thing is uh

1407  
00:50:50,950 --> 00:50:49,359  
he says uh and you don't you

1408  
00:50:52,870 --> 00:50:50,960  
you can't see the the question because

1409  
00:50:56,309 --> 00:50:52,880  
all this stuff is archived so

1410  
00:50:59,670 --> 00:50:56,319  
and yeah oh which is suspect

1411  
00:51:02,150 --> 00:50:59,680  
but uh one thing he says is no we can

1412  
00:51:03,349 --> 00:51:02,160  
we could not destroy them they are

1413  
00:51:05,270 --> 00:51:03,359

extremely strong

1414

00:51:07,589 --> 00:51:05,280

tough to explain how i know that but you

1415

00:51:10,470 --> 00:51:07,599

can just tell when they touch you

1416

00:51:11,990 --> 00:51:10,480

no idea how they evolved or were or were

1417

00:51:16,309 --> 00:51:12,000

creative question mark

1418

00:51:18,230 --> 00:51:16,319

planet eat nothing and i'm just reading

1419

00:51:19,670 --> 00:51:18,240

i lost about 10 pounds over the three

1420

00:51:21,750 --> 00:51:19,680

weeks i was

1421

00:51:22,950 --> 00:51:21,760

with them mostly because i had no

1422

00:51:25,190 --> 00:51:22,960

appetite

1423

00:51:26,069 --> 00:51:25,200

they gave me flat bread butter and fruit

1424

00:51:28,470 --> 00:51:26,079

that was it

1425

00:51:29,910 --> 00:51:28,480

i think they might be vegetarian he like

1426

00:51:32,150 --> 00:51:29,920

laughs about it

1427

00:51:32,950 --> 00:51:32,160

i have no idea that's what he says their

1428

00:51:35,430 --> 00:51:32,960

voices all

1429

00:51:36,470 --> 00:51:35,440

sound like sort of in between male and

1430

00:51:39,589 --> 00:51:36,480

female

1431

00:51:39,990 --> 00:51:39,599

in terms of high low but the way they

1432

00:51:42,549 --> 00:51:40,000

speak

1433

00:51:44,069 --> 00:51:42,559

is forceful masculine so maybe like

1434

00:51:46,150 --> 00:51:44,079

assertive or something like that

1435

00:51:47,829 --> 00:51:46,160

uh they have some trouble with vowels

1436

00:51:51,270 --> 00:51:47,839

for example 8th and 18th

1437

00:51:54,390 --> 00:51:51,280

both sound like a t

1438

00:51:59,109 --> 00:51:54,400

that's that reminds me real quick is uh

1439

00:52:06,630 --> 00:52:04,390

telephone casa

1440

00:52:08,790 --> 00:52:06,640

anyway so something like that i do kind

1441

00:52:10,630 --> 00:52:08,800

of hear gina as a female but that might

1442

00:52:11,670 --> 00:52:10,640

just because i associate the name gina

1443

00:52:13,670 --> 00:52:11,680

with female gender

1444

00:52:15,349 --> 00:52:13,680

they didn't give me any magazines at

1445

00:52:16,470 --> 00:52:15,359

first then they gave me all sorts of

1446

00:52:18,069 --> 00:52:16,480

materials i think

1447

00:52:19,990 --> 00:52:18,079

i think they do that to figure out what

1448

00:52:20,950 --> 00:52:20,000

turns us on ooh and then we're getting

1449

00:52:22,390 --> 00:52:20,960

sexy

1450

00:52:24,790 --> 00:52:22,400

all right so i thought that was that's

1451  
00:52:28,390 --> 00:52:24,800  
the kind of aliens hell yeah i do

1452  
00:52:29,750 --> 00:52:28,400  
know how to party dude and they party

1453  
00:52:32,230 --> 00:52:29,760  
hard

1454  
00:52:33,670 --> 00:52:32,240  
with flat bread butter and fruits i'm

1455  
00:52:37,109 --> 00:52:33,680  
gonna get that fruit

1456  
00:52:41,430 --> 00:52:37,119  
the aliens are mediterraneans dude

1457  
00:52:43,990 --> 00:52:41,440  
oh dude that is the mediterranean diet

1458  
00:52:45,589 --> 00:52:44,000  
oh yeah that is a mediterranean diet and

1459  
00:52:49,349 --> 00:52:45,599  
fishes

1460  
00:52:50,870 --> 00:52:49,359  
fish facies okay well um

1461  
00:52:52,390 --> 00:52:50,880  
is there anything else before we move on

1462  
00:52:55,109 --> 00:52:52,400  
to part two just because i mean

1463  
00:52:56,790 --> 00:52:55,119

i don't know no are we good on time

1464

00:52:58,950 --> 00:52:56,800

because i mean

1465

00:52:59,990 --> 00:52:58,960

yeah i mean we're pretty good right now

1466

00:53:01,589 --> 00:53:00,000

okay and

1467

00:53:03,829 --> 00:53:01,599

and we were thinking we might go through

1468

00:53:04,390 --> 00:53:03,839

this whole thing so yeah yeah let's just

1469

00:53:07,510 --> 00:53:04,400

get it

1470

00:53:13,589 --> 00:53:07,520

let's go all right so um

1471

00:53:16,710 --> 00:53:14,790

oh that was part two was all the

1472

00:53:17,430 --> 00:53:16,720

comments part two was more like comments

1473

00:53:20,390 --> 00:53:17,440

and stuff

1474

00:53:22,390 --> 00:53:20,400

right that's what all that was okay okay

1475

00:53:23,190 --> 00:53:22,400

and then part three is kind of where it

1476

00:53:25,750 --> 00:53:23,200

gets kind of

1477

00:53:27,190 --> 00:53:25,760

interesting so i have to reiterate

1478

00:53:29,430 --> 00:53:27,200

though in part one

1479

00:53:30,470 --> 00:53:29,440

he does talk about how it doesn't seem

1480

00:53:34,230 --> 00:53:30,480

like they're very

1481

00:53:37,910 --> 00:53:34,240

uh violent like they won't hurt you uh

1482

00:53:38,790 --> 00:53:37,920

and how you know it's just it is what it

1483

00:53:41,990 --> 00:53:38,800

is kind of

1484

00:53:45,349 --> 00:53:42,000

you know in part three

1485

00:53:48,710 --> 00:53:45,359

he starts to say um that

1486

00:53:49,270 --> 00:53:48,720

he okay so this this is a few years have

1487

00:53:56,069 --> 00:53:49,280

passed

1488

00:53:58,950 --> 00:53:56,079

what is it 2021 2028 may

1489

00:53:59,510 --> 00:53:58,960

it has been eight years since he posted

1490

00:54:04,870 --> 00:53:59,520

so

1491

00:54:11,270 --> 00:54:04,880

may

1492

00:54:14,309 --> 00:54:11,280

and uh he's like hey

1493

00:54:15,829 --> 00:54:14,319

last time i was on here you know i read

1494

00:54:18,230 --> 00:54:15,839

a lot of comments

1495

00:54:19,270 --> 00:54:18,240

and some of them were great some of them

1496

00:54:21,670 --> 00:54:19,280

were just

1497

00:54:23,510 --> 00:54:21,680

pretty mean you know a lot of people

1498

00:54:24,150 --> 00:54:23,520

just think you're crazy and this and

1499

00:54:27,270 --> 00:54:24,160

that and

1500

00:54:28,790 --> 00:54:27,280

you know obviously that's why abductees

1501  
00:54:29,030 --> 00:54:28,800  
and stuff don't ever want to talk about

1502  
00:54:30,390 --> 00:54:29,040  
it

1503  
00:54:33,270 --> 00:54:30,400  
basically because a lot of you are

1504  
00:54:36,630 --> 00:54:33,280  
[h\_\_\h] it's kind of like

1505  
00:54:37,430 --> 00:54:36,640  
the skinny of it and he's like look i'm

1506  
00:54:42,230 --> 00:54:37,440  
not

1507  
00:54:46,470 --> 00:54:42,240  
books as a matter of fact

1508  
00:54:48,470 --> 00:54:46,480  
as of the 18th i will no longer be here

1509  
00:54:49,990 --> 00:54:48,480  
they're they're taking me i don't know

1510  
00:54:51,589 --> 00:54:50,000  
what that means

1511  
00:54:53,910 --> 00:54:51,599  
that's just what they've told me and

1512  
00:54:56,309 --> 00:54:53,920  
i'll i'll never i'll never be here again

1513  
00:54:57,589 --> 00:54:56,319

if anybody hops on reddit and claims to

1514

00:55:00,069 --> 00:54:57,599

be me

1515

00:55:00,789 --> 00:55:00,079

it's a fake it's not me i won't be here

1516

00:55:03,990 --> 00:55:00,799

anymore

1517

00:55:05,990 --> 00:55:04,000

yep he also he also references to

1518

00:55:07,910 --> 00:55:06,000

to other people that he people that he

1519

00:55:10,950 --> 00:55:07,920

he has been on craft with

1520

00:55:14,069 --> 00:55:10,960

that uh he lists three

1521

00:55:17,109 --> 00:55:14,079

stages of of of uh contact

1522

00:55:19,430 --> 00:55:17,119

of abductions and uh and

1523

00:55:20,390 --> 00:55:19,440

he so the first one and this is again

1524

00:55:22,230 --> 00:55:20,400

this is just with this

1525

00:55:24,150 --> 00:55:22,240

particular species that he has had

1526

00:55:27,910 --> 00:55:24,160

contact with the first one

1527

00:55:30,470 --> 00:55:27,920

is they just watch you

1528

00:55:32,069 --> 00:55:30,480

and then maybe you see some lights maybe

1529

00:55:32,870 --> 00:55:32,079

you you know see some weird stuff but

1530

00:55:37,829 --> 00:55:32,880

you never get

1531

00:55:39,190 --> 00:55:37,839

and that's the one i resonate with the

1532

00:55:41,589 --> 00:55:39,200

most this

1533

00:55:42,470 --> 00:55:41,599

yeah the second one is you you get

1534

00:55:46,710 --> 00:55:42,480

abducted

1535

00:55:48,789 --> 00:55:46,720

uh uh early on from a kid

1536

00:55:50,710 --> 00:55:48,799

from a kid all through your life on a

1537

00:55:51,510 --> 00:55:50,720

very steady base you know not to the day

1538

00:55:54,230 --> 00:55:51,520

but definitely

1539

00:55:55,270 --> 00:55:54,240

you know a a predictable pattern again

1540

00:55:56,789 --> 00:55:55,280

he doesn't say like

1541

00:55:59,030 --> 00:55:56,799

they don't give you a warning like hey

1542

00:56:00,549 --> 00:55:59,040

tuesday how's four o'clock sound

1543

00:56:02,069 --> 00:56:00,559

like that yeah they don't do that

1544

00:56:03,109 --> 00:56:02,079

they're like hey meet me at the

1545

00:56:05,910 --> 00:56:03,119

starbucks

1546

00:56:06,950 --> 00:56:05,920

yeah don't wear pants like they don't do

1547

00:56:08,870 --> 00:56:06,960

that

1548

00:56:11,190 --> 00:56:08,880

and he says in those particular cases

1549

00:56:13,829 --> 00:56:11,200

too that they usually only abduct you

1550

00:56:15,270 --> 00:56:13,839

until the age of 40. and it's not

1551

00:56:17,990 --> 00:56:15,280

because they just

1552

00:56:19,750 --> 00:56:18,000

stop at 40 and it's because most of

1553

00:56:21,829 --> 00:56:19,760

those people die

1554

00:56:24,150 --> 00:56:21,839

this is they see dude you're not we're

1555

00:56:26,950 --> 00:56:24,160

getting it's gets it gets dark

1556

00:56:28,069 --> 00:56:26,960

i mean when he returns in eight years to

1557

00:56:30,069 --> 00:56:28,079

post on reddit

1558

00:56:31,589 --> 00:56:30,079

you can tell there's a change in his

1559

00:56:33,750 --> 00:56:31,599

tone but you could still

1560

00:56:35,270 --> 00:56:33,760

when you read it that's him dude like

1561

00:56:38,470 --> 00:56:35,280

that is him typing

1562

00:56:41,109 --> 00:56:38,480

um but he seems weathered

1563

00:56:42,549 --> 00:56:41,119

and just kind of over it and more more

1564

00:56:44,069 --> 00:56:42,559

aware of what's going on

1565

00:56:46,390 --> 00:56:44,079

and he does he does reference that he's

1566

00:56:47,910 --> 00:56:46,400

like hey so the first post that i made

1567

00:56:50,230 --> 00:56:47,920

honestly i think i was just kind of

1568

00:56:51,750 --> 00:56:50,240

covering up some some [h\_\_h] i had going

1569

00:56:52,710 --> 00:56:51,760

on i was trying to deal with it the way

1570

00:56:55,349 --> 00:56:52,720

i was dealing with it

1571

00:56:55,990 --> 00:56:55,359

trying to make light of it and you know

1572

00:56:58,710 --> 00:56:56,000

not make it

1573

00:57:01,109 --> 00:56:58,720

as big a deal as it really was and now

1574

00:57:04,309 --> 00:57:01,119

he comes back eight years later

1575

00:57:06,630 --> 00:57:04,319

saying guys uh i

1576  
00:57:08,069 --> 00:57:06,640  
uh i gotta be real with you and this is

1577  
00:57:09,990 --> 00:57:08,079  
he's getting real dude

1578  
00:57:11,589 --> 00:57:10,000  
so anyway that third we're talking about

1579  
00:57:11,990 --> 00:57:11,599  
the first first second third the first

1580  
00:57:13,670 --> 00:57:12,000  
one is

1581  
00:57:15,349 --> 00:57:13,680  
you're just watched and the second one

1582  
00:57:17,349 --> 00:57:15,359  
is you you've been

1583  
00:57:18,470 --> 00:57:17,359  
and maybe this is out of order but it

1584  
00:57:20,710 --> 00:57:18,480  
makes sense to me

1585  
00:57:22,309 --> 00:57:20,720  
you you it's it's a family line kind of

1586  
00:57:24,150 --> 00:57:22,319  
or he doesn't actually mention family

1587  
00:57:25,990 --> 00:57:24,160  
line he does just say like you've been

1588  
00:57:27,750 --> 00:57:26,000

uh abduc you'll be abducted throughout

1589

00:57:29,670 --> 00:57:27,760

your entire life yeah

1590

00:57:30,950 --> 00:57:29,680

and then third is they abduct you one

1591

00:57:33,109 --> 00:57:30,960

time

1592

00:57:34,470 --> 00:57:33,119

and then they just never talk to you

1593

00:57:37,270 --> 00:57:34,480

again

1594

00:57:38,870 --> 00:57:37,280

yeah um so i wanted to get that out

1595

00:57:41,190 --> 00:57:38,880

because before we got too far

1596

00:57:42,950 --> 00:57:41,200

so sorry if i'm all over the place but

1597

00:57:45,430 --> 00:57:42,960

i'm just excited

1598

00:57:47,670 --> 00:57:45,440

so the first one is observing the second

1599

00:57:49,990 --> 00:57:47,680

one is they abduct you very often

1600

00:57:50,870 --> 00:57:50,000

and if you are abducted very often you

1601  
00:57:53,670 --> 00:57:50,880  
might just

1602  
00:57:53,990 --> 00:57:53,680  
actually die by the age of 40 and the

1603  
00:57:57,109 --> 00:57:54,000  
third

1604  
00:57:59,670 --> 00:57:57,119  
one is you get taken once right

1605  
00:58:00,390 --> 00:57:59,680  
so so let's let's backtrack to the the

1606  
00:58:03,109 --> 00:58:00,400  
second one

1607  
00:58:03,990 --> 00:58:03,119  
uh that you might die by the age of 40.

1608  
00:58:05,910 --> 00:58:04,000  
i think

1609  
00:58:08,870 --> 00:58:05,920  
reading between the lines and what he

1610  
00:58:09,510 --> 00:58:08,880  
said i and this is where it gets dark

1611  
00:58:11,510 --> 00:58:09,520  
man is is

1612  
00:58:12,710 --> 00:58:11,520  
is there's a lot of different ways that

1613  
00:58:15,750 --> 00:58:12,720

that person could die

1614

00:58:16,470 --> 00:58:15,760

or or vanish and one of them is just the

1615

00:58:18,390 --> 00:58:16,480

fact that

1616

00:58:19,829 --> 00:58:18,400

that's happening to a person you know a

1617

00:58:20,630 --> 00:58:19,839

lot of people commit suicide over this

1618

00:58:23,430 --> 00:58:20,640

kind of [h\_\_h]

1619

00:58:24,950 --> 00:58:23,440

it is [h\_\_h] real man a lot of people

1620

00:58:25,510 --> 00:58:24,960

can't hold down a job therefore they

1621

00:58:28,390 --> 00:58:25,520

become

1622

00:58:28,950 --> 00:58:28,400

homeless they're on the street uh and he

1623

00:58:32,630 --> 00:58:28,960

he does

1624

00:58:33,829 --> 00:58:32,640

say in his post like hey a lot of people

1625

00:58:35,990 --> 00:58:33,839

out there on the street

1626  
00:58:37,270 --> 00:58:36,000  
saying this kind of stuff that i'm

1627  
00:58:39,190 --> 00:58:37,280  
saying there's a lot more of us out

1628  
00:58:41,990 --> 00:58:39,200  
there like maybe you should

1629  
00:58:42,470 --> 00:58:42,000  
take it maybe with a a bigger bowl of

1630  
00:58:44,309 --> 00:58:42,480  
salt

1631  
00:58:46,230 --> 00:58:44,319  
which is another reference to what he do

1632  
00:58:48,549 --> 00:58:46,240  
you remember the bowl of salt

1633  
00:58:49,510 --> 00:58:48,559  
reference that was something specific

1634  
00:58:51,829 --> 00:58:49,520  
but anyway

1635  
00:58:52,870 --> 00:58:51,839  
uh that's the dark part of it man it's

1636  
00:58:55,030 --> 00:58:52,880  
like dude

1637  
00:58:56,789 --> 00:58:55,040  
i love talking about the subject and

1638  
00:58:58,549 --> 00:58:56,799

this is i love having fun with it but

1639

00:58:59,109 --> 00:58:58,559

this is like the serious part you know

1640

00:59:06,789 --> 00:58:59,119

yeah

1641

00:59:09,510 --> 00:59:06,799

they told him that certain people

1642

00:59:10,390 --> 00:59:09,520

are abducted specifically for just

1643

00:59:13,829 --> 00:59:10,400

testing

1644

00:59:15,990 --> 00:59:13,839

they just

1645

00:59:17,430 --> 00:59:16,000

they don't make it right it's not that

1646

00:59:19,430 --> 00:59:17,440

they're being mean

1647

00:59:21,670 --> 00:59:19,440

or they're trying to purposely hurt

1648

00:59:24,470 --> 00:59:21,680

somebody they're literally doing

1649

00:59:25,829 --> 00:59:24,480

tests and sometimes the test subjects

1650

00:59:29,030 --> 00:59:25,839

just don't make it

1651  
00:59:29,349 --> 00:59:29,040  
right right oh dude i'm okay tell me if

1652  
00:59:32,630 --> 00:59:29,359  
i

1653  
00:59:33,910 --> 00:59:32,640  
abducted once and you never see them

1654  
00:59:35,589 --> 00:59:33,920  
again because they die because of the

1655  
00:59:38,069 --> 00:59:35,599  
testing was that the third one that

1656  
00:59:39,430 --> 00:59:38,079  
i just misunderstood i think so okay so

1657  
00:59:41,910 --> 00:59:39,440  
okay got it okay so

1658  
00:59:43,270 --> 00:59:41,920  
the third one is they yeah they just

1659  
00:59:45,910 --> 00:59:43,280  
take you

1660  
00:59:46,789 --> 00:59:45,920  
and because of the specific testing is

1661  
00:59:48,630 --> 00:59:46,799  
you just

1662  
00:59:50,150 --> 00:59:48,640  
you die from that testing they don't he

1663  
00:59:51,910 --> 00:59:50,160

doesn't but he doesn't say that he knows

1664

00:59:54,150 --> 00:59:51,920

what that testing is right

1665

00:59:56,390 --> 00:59:54,160

right uh magnus you have a good point so

1666

00:59:59,270 --> 00:59:56,400

he does reference radiation damage

1667

01:00:01,270 --> 00:59:59,280

um he does mention one of his uh

1668

01:00:03,910 --> 01:00:01,280

contacts the other uh

1669

01:00:05,510 --> 01:00:03,920

people that he's on on ship with uh a

1670

01:00:06,390 --> 01:00:05,520

close friend of his you know probably

1671

01:00:07,990 --> 01:00:06,400

the closest friend he

1672

01:00:09,589 --> 01:00:08,000

he might have other than what he

1673

01:00:13,270 --> 01:00:09,599

considers considers to be

1674

01:00:15,430 --> 01:00:13,280

his uh his niece the other gentleman

1675

01:00:18,710 --> 01:00:15,440

who passed away recently died of bone

1676

01:00:21,750 --> 01:00:18,720

cancer you know early onset bone cancer

1677

01:00:25,109 --> 01:00:21,760

due to radiation maybe maybe

1678

01:00:28,069 --> 01:00:25,119

i don't know i don't know

1679

01:00:28,470 --> 01:00:28,079

so um yeah i'm just trying to go through

1680

01:00:29,910 --> 01:00:28,480

uh

1681

01:00:32,150 --> 01:00:29,920

disappearing in the california desert

1682

01:00:33,829 --> 01:00:32,160

came back

1683

01:00:35,510 --> 01:00:33,839

i've read where jim morrison disappeared

1684

01:00:37,349 --> 01:00:35,520

in the california desert came back and

1685

01:00:40,470 --> 01:00:37,359

talked to ray

1686

01:00:41,190 --> 01:00:40,480

matt menzel manzarek about it manzarek

1687

01:00:42,390 --> 01:00:41,200

asked jim

1688

01:00:45,829 --> 01:00:42,400

where have you been and he said i

1689

01:00:47,670 --> 01:00:45,839

disappeared in the desert

1690

01:00:51,190 --> 01:00:47,680

menzer egg was like yeah no [h\_\_h] that's

1691

01:00:55,589 --> 01:00:54,150

yeah like what drugs did you have can i

1692

01:00:57,670 --> 01:00:55,599

have some

1693

01:00:59,349 --> 01:00:57,680

hey you disappeared in the desert

1694

01:01:02,390 --> 01:00:59,359

where'd you go

1695

01:01:07,510 --> 01:01:02,400

i disappeared in the desert

1696

01:01:13,589 --> 01:01:11,349

dude yeah i mean this so this this part

1697

01:01:17,190 --> 01:01:13,599

gets pretty

1698

01:01:20,230 --> 01:01:17,200

pretty heavy yeah so

1699

01:01:22,789 --> 01:01:20,240

um yeah so we're talking about

1700

01:01:23,990 --> 01:01:22,799

he's cut like this first aspect is like

1701

01:01:26,309 --> 01:01:24,000

kind of a rehash like

1702

01:01:27,030 --> 01:01:26,319

hey this is what i used to think this is

1703

01:01:30,230 --> 01:01:27,040

what i think

1704

01:01:32,150 --> 01:01:30,240

and i know now um again let's say eight

1705

01:01:34,230 --> 01:01:32,160

years have gone by so that means if he's

1706

01:01:37,430 --> 01:01:34,240

abducted on a frequency of

1707

01:01:39,190 --> 01:01:37,440

once every two years so that he's been

1708

01:01:40,630 --> 01:01:39,200

abducted four times in between those

1709

01:01:44,309 --> 01:01:40,640

eight years

1710

01:01:45,109 --> 01:01:44,319

um he does stay say that his abduction

1711

01:01:48,710 --> 01:01:45,119

experiences

1712

01:01:52,470 --> 01:01:48,720

have changed uh more recently

1713

01:01:55,510 --> 01:01:52,480

uh the the uh

1714

01:01:56,789 --> 01:01:55,520

the names of of these these entities has

1715

01:01:58,069 --> 01:01:56,799

changed and you mentioned friends of

1716

01:02:01,430 --> 01:01:58,079

friends earlier right

1717

01:02:03,349 --> 01:02:01,440

friends of friends friends of friends so

1718

01:02:05,109 --> 01:02:03,359

uh before we talk about that i i think

1719

01:02:07,510 --> 01:02:05,119

we should give some context to

1720

01:02:08,150 --> 01:02:07,520

uh watching so the concept of watching

1721

01:02:11,990 --> 01:02:08,160

he does

1722

01:02:14,630 --> 01:02:12,000

uh hit on that a little bit

1723

01:02:16,150 --> 01:02:14,640

the way that they show him video of

1724

01:02:19,589 --> 01:02:16,160

historical

1725

01:02:21,910 --> 01:02:19,599

ancient uh depictions is

1726

01:02:23,670 --> 01:02:21,920

is it makes so much sense dude you see

1727

01:02:26,069 --> 01:02:23,680

these orbs in the sky

1728

01:02:27,190 --> 01:02:26,079

why can't they be cameras right we're

1729

01:02:30,390 --> 01:02:27,200

recording the past

1730

01:02:31,109 --> 01:02:30,400

that's what my i'm like dude what if

1731

01:02:32,870 --> 01:02:31,119

we're just

1732

01:02:34,870 --> 01:02:32,880

[h\_\_h] surrounded by cameras all the

1733

01:02:35,670 --> 01:02:34,880

time we just can't perceive them maybe

1734

01:02:37,510 --> 01:02:35,680

certain people can

1735

01:02:39,270 --> 01:02:37,520

perceive them you know if they're if

1736

01:02:41,349 --> 01:02:39,280

they're powerful enough

1737

01:02:42,950 --> 01:02:41,359

to to be able to control what you see

1738

01:02:43,750 --> 01:02:42,960

and how you see it and how you feel

1739

01:02:46,549 --> 01:02:43,760

about it

1740

01:02:48,470 --> 01:02:46,559

why can't they camouflage themselves to

1741

01:02:50,390 --> 01:02:48,480

specific people and

1742

01:02:51,510 --> 01:02:50,400

allow people to see them at a certain

1743

01:02:55,270 --> 01:02:51,520

point you know

1744

01:02:56,870 --> 01:02:55,280

for who knows what but but that idea of

1745

01:02:59,190 --> 01:02:56,880

watching right like that that's been

1746

01:03:00,870 --> 01:02:59,200

going on for thousands and thousands and

1747

01:03:04,230 --> 01:03:00,880

thousands of years

1748

01:03:06,630 --> 01:03:04,240

yeah uh so now he's he's talking about a

1749

01:03:09,430 --> 01:03:06,640

greater understanding a more in-depth

1750

01:03:09,990 --> 01:03:09,440

yeah like the truman show dr argon yes

1751

01:03:12,470 --> 01:03:10,000

so

1752

01:03:14,150 --> 01:03:12,480

uh a greater understanding of who these

1753

01:03:16,470 --> 01:03:14,160

entities are

1754

01:03:18,309 --> 01:03:16,480

uh and he calls them friends of friends

1755

01:03:22,150 --> 01:03:18,319

i don't do you remember why

1756

01:03:25,829 --> 01:03:22,160

he was like because he he asked him

1757

01:03:28,150 --> 01:03:25,839

who they were and whatever they

1758

01:03:29,990 --> 01:03:28,160

put in his head the best he could

1759

01:03:32,710 --> 01:03:30,000

translate it to was friends of

1760

01:03:34,390 --> 01:03:32,720

friends but he also said that he

1761

01:03:37,270 --> 01:03:34,400

believes that this

1762

01:03:37,670 --> 01:03:37,280

specific race has only been here for

1763

01:03:41,190 --> 01:03:37,680

about

1764

01:03:43,109 --> 01:03:41,200  
30 000 years and that a lot of the

1765

01:03:45,910 --> 01:03:43,119  
footage that was taken

1766

01:03:48,150 --> 01:03:45,920  
wasn't even taken from them so he

1767

01:03:51,430 --> 01:03:48,160  
believes that when they got here

1768

01:03:53,510 --> 01:03:51,440  
there was a war between them and another

1769

01:03:55,829 --> 01:03:53,520  
species that had existed

1770

01:03:57,589 --> 01:03:55,839  
now there's this massive mothership

1771

01:03:59,109 --> 01:03:57,599  
apparently that's

1772

01:04:00,309 --> 01:03:59,119  
he doesn't know if it's above the earth

1773

01:04:01,510 --> 01:04:00,319  
he doesn't know if it's on the moon he

1774

01:04:03,430 --> 01:04:01,520  
doesn't know where it's at

1775

01:04:05,990 --> 01:04:03,440  
all he knows is that he's been taken

1776

01:04:08,789 --> 01:04:06,000

there before and he believes that

1777

01:04:09,510 --> 01:04:08,799

when they had this battle they actually

1778

01:04:12,549 --> 01:04:09,520

killed off

1779

01:04:14,870 --> 01:04:12,559

the previous species that was here took

1780

01:04:15,990 --> 01:04:14,880

all of their footage which leads him to

1781

01:04:17,670 --> 01:04:16,000

believe that

1782

01:04:20,150 --> 01:04:17,680

they're not the only ones that are

1783

01:04:23,270 --> 01:04:20,160

researching and trying to find out

1784

01:04:24,950 --> 01:04:23,280

about these these planets and that's

1785

01:04:25,510 --> 01:04:24,960

another interesting part but he does

1786

01:04:29,029 --> 01:04:25,520

believe

1787

01:04:31,349 --> 01:04:29,039

that they had a war they killed them off

1788

01:04:32,069 --> 01:04:31,359

took all of their video continued doing

1789

01:04:35,349 --> 01:04:32,079

research

1790

01:04:36,069 --> 01:04:35,359

and left their big ship there as like a

1791

01:04:38,309 --> 01:04:36,079

hub

1792

01:04:40,470 --> 01:04:38,319

so you know they didn't have to build

1793

01:04:42,950 --> 01:04:40,480

anything else it was already there

1794

01:04:43,510 --> 01:04:42,960

now interesting enough is that they go

1795

01:04:46,069 --> 01:04:43,520

on to

1796

01:04:47,349 --> 01:04:46,079

say that these species talk about

1797

01:04:50,309 --> 01:04:47,359

religion

1798

01:04:51,349 --> 01:04:50,319

and how there's millions of

1799

01:04:53,750 --> 01:04:51,359

civilizations

1800

01:04:55,750 --> 01:04:53,760

in the galaxy but there's only three

1801

01:04:59,670 --> 01:04:55,760

planets that exist

1802

01:05:01,510 --> 01:04:59,680

that have seven in in total of of

1803

01:05:02,870 --> 01:05:01,520

and then three out of those sorry to cut

1804

01:05:05,029 --> 01:05:02,880

in i just yeah

1805

01:05:06,630 --> 01:05:05,039

i get excited sorry dude there's seven

1806

01:05:09,349 --> 01:05:06,640

in total but only

1807

01:05:10,390 --> 01:05:09,359

three of them have this dogmatic

1808

01:05:13,510 --> 01:05:10,400

religious

1809

01:05:17,190 --> 01:05:13,520

um idea and they believe

1810

01:05:20,390 --> 01:05:17,200

that one of those three

1811

01:05:23,750 --> 01:05:20,400

is the key to uh

1812

01:05:26,549 --> 01:05:23,760

this whole

1813

01:05:27,029 --> 01:05:26,559

god i guess for lack of a better word

1814

01:05:30,309 --> 01:05:27,039

right

1815

01:05:32,789 --> 01:05:30,319

creator the creator so this belief

1816

01:05:33,589 --> 01:05:32,799

in a creator one out of these three

1817

01:05:36,230 --> 01:05:33,599

planets

1818

01:05:37,349 --> 01:05:36,240

is the truth and the rest of it is all a

1819

01:05:40,150 --> 01:05:37,359

simulation

1820

01:05:41,430 --> 01:05:40,160

so they're here studying our planet and

1821

01:05:44,870 --> 01:05:41,440

two other planets

1822

01:05:45,270 --> 01:05:44,880

to figure out which planet is the real

1823

01:05:52,150 --> 01:05:45,280

one

1824

01:05:58,710 --> 01:05:55,589

so i i want to say the same thing

1825

01:05:59,270 --> 01:05:58,720

that you just said uh in in a different

1826

01:06:03,109 --> 01:05:59,280

way

1827

01:06:04,390 --> 01:06:03,119

so say it so what i understood what i

1828

01:06:07,349 --> 01:06:04,400

took from it is that

1829

01:06:08,630 --> 01:06:07,359

they are i'm probably going to overlap a

1830

01:06:09,990 --> 01:06:08,640

little bit

1831

01:06:11,990 --> 01:06:10,000

because i love the way you said that but

1832

01:06:13,670 --> 01:06:12,000

this is how i took it uh

1833

01:06:15,829 --> 01:06:13,680

they there there's two there's two op

1834

01:06:19,029 --> 01:06:15,839

they've they've

1835

01:06:21,670 --> 01:06:19,039

excelled in time and space and

1836

01:06:22,390 --> 01:06:21,680

and consciousness so far that they've

1837

01:06:25,829 --> 01:06:22,400

identified

1838

01:06:26,390 --> 01:06:25,839

seven seven species earth-like planets

1839

01:06:28,390 --> 01:06:26,400

that have

1840

01:06:30,069 --> 01:06:28,400

intellectual conscious beings living on

1841

01:06:33,270 --> 01:06:30,079

them and they

1842

01:06:35,029 --> 01:06:33,280

they don't know why they don't know if

1843

01:06:36,549 --> 01:06:35,039

there's a god or creator and they're

1844

01:06:37,829 --> 01:06:36,559

trying to disprove that it's either one

1845

01:06:40,789 --> 01:06:37,839

or the other there's no

1846

01:06:42,309 --> 01:06:40,799

god and everything's random or there is

1847

01:06:43,750 --> 01:06:42,319

a god and everything's purposeful and

1848

01:06:46,950 --> 01:06:43,760

it's being created by

1849

01:06:50,150 --> 01:06:46,960

one conscious source and they've

1850

01:06:51,829 --> 01:06:50,160

dwindled it down to to knowing that

1851

01:06:54,870 --> 01:06:51,839

there's a reason

1852

01:06:56,390 --> 01:06:54,880

there's something special about a a

1853

01:06:58,789 --> 01:06:56,400

conscious civilization that

1854

01:07:00,150 --> 01:06:58,799

that has that dogmatic and here's the

1855

01:07:02,950 --> 01:07:00,160

overlap that dogmatic

1856

01:07:04,789 --> 01:07:02,960

way of thinking uh and they've

1857

01:07:06,150 --> 01:07:04,799

identified that that's a very important

1858

01:07:08,470 --> 01:07:06,160

thing

1859

01:07:10,069 --> 01:07:08,480

so they're getting closer right so now

1860

01:07:12,069 --> 01:07:10,079

seven becomes three

1861

01:07:13,670 --> 01:07:12,079

and we are one of those three planets

1862

01:07:16,549 --> 01:07:13,680

that has conscious beings

1863

01:07:17,349 --> 01:07:16,559

we we worship a religious dogmatic way

1864

01:07:19,349 --> 01:07:17,359

of thinking

1865

01:07:20,549 --> 01:07:19,359

and i don't care dude i'm i'm not

1866

01:07:22,549 --> 01:07:20,559

atheist i'm i'm

1867

01:07:25,190 --> 01:07:22,559

not agnostic i just i don't maybe i

1868

01:07:27,430 --> 01:07:25,200

don't know i do believe in my core soul

1869

01:07:28,630 --> 01:07:27,440

that there is a creator in a higher

1870

01:07:30,549 --> 01:07:28,640

power so

1871

01:07:31,670 --> 01:07:30,559

i'm well i think we're both living proof

1872

01:07:33,270 --> 01:07:31,680

that that's

1873

01:07:35,829 --> 01:07:33,280

there's a reason why we're here man i

1874

01:07:39,510 --> 01:07:35,839

think there's something to it

1875

01:07:42,150 --> 01:07:39,520

but they are there and once you uh

1876

01:07:42,630 --> 01:07:42,160

zoom zoom in a little bit more than that

1877

01:07:45,670 --> 01:07:42,640

so

1878

01:07:47,589 --> 01:07:45,680

first we have uh religious dogmata and

1879

01:07:49,750 --> 01:07:47,599

dog dogmatism or whatever the [h\_\_h]

1880

01:07:51,750 --> 01:07:49,760

name is and the other one is not

1881

01:07:53,589 --> 01:07:51,760

and they've they've dwindled it down to

1882

01:07:56,710 --> 01:07:53,599

it is right

1883

01:07:59,750 --> 01:07:56,720

and now the second coin flip the 5050

1884

01:08:02,870 --> 01:07:59,760

is is it being simulated

1885

01:08:06,150 --> 01:08:02,880

for one person or is everyone

1886

01:08:07,910 --> 01:08:06,160

simulating the universe yeah so

1887

01:08:10,390 --> 01:08:07,920

picture a picture of web so like there's

1888

01:08:11,750 --> 01:08:10,400

this this circle this is just the the

1889

01:08:13,109 --> 01:08:11,760

the visual that came into my head so

1890

01:08:14,549 --> 01:08:13,119

there's there's an outside web and

1891

01:08:17,590 --> 01:08:14,559

there's one dot in the center

1892

01:08:19,430 --> 01:08:17,600

okay so the force i mean dude i just

1893

01:08:21,669 --> 01:08:19,440

i've been listening to bledsoe said so

1894

01:08:23,269 --> 01:08:21,679

it's not like the force is on my mind

1895

01:08:24,630 --> 01:08:23,279

i don't know if you listen to episode

1896

01:08:26,070 --> 01:08:24,640

two but it's [h\_\_h] fantastic y'all

1897

01:08:28,309 --> 01:08:26,080

check it out ryan bledsoe let's

1898

01:08:29,910 --> 01:08:28,319

say though anyway so the force this this

1899

01:08:33,910 --> 01:08:29,920

energy right

1900

01:08:37,269 --> 01:08:33,920

uh comes either comes from the outside

1901

01:08:37,990 --> 01:08:37,279

to the source so all the believers

1902

01:08:41,349 --> 01:08:38,000

believe in this

1903

01:08:43,669 --> 01:08:41,359

one creator right or the creator created

1904

01:08:45,189 --> 01:08:43,679

all all of the people that believe in

1905

01:08:47,590 --> 01:08:45,199

him does that make sense yeah

1906

01:08:49,030 --> 01:08:47,600

yeah it's either or in there and they're

1907

01:08:50,070 --> 01:08:49,040

they're studying they're they're trying

1908

01:08:52,390 --> 01:08:50,080

to figure out

1909

01:08:54,309 --> 01:08:52,400

does that i don't know does that click

1910

01:08:57,510 --> 01:08:54,319

no it makes sense

1911

01:08:59,510 --> 01:08:57,520

but also does one i mean this is very

1912

01:09:00,789 --> 01:08:59,520

philosophical but just one exists

1913

01:09:04,550 --> 01:09:00,799

without the other

1914

01:09:06,149 --> 01:09:04,560

oh if there's nobody to believe

1915

01:09:07,590 --> 01:09:06,159

then what is there to believe in does

1916

01:09:10,789 --> 01:09:07,600

that thing even exist

1917

01:09:14,149 --> 01:09:10,799

and if something does create to believe

1918

01:09:18,070 --> 01:09:14,159

then what's the point right

1919

01:09:21,110 --> 01:09:18,080

that well maybe the point is

1920

01:09:21,510 --> 01:09:21,120

maybe the point is to you know how we're

1921

01:09:24,470 --> 01:09:21,520

all

1922

01:09:25,110 --> 01:09:24,480

so fascinated by zero point energy and

1923

01:09:26,870 --> 01:09:25,120

like

1924

01:09:29,030 --> 01:09:26,880

energy creating energy out of nothing

1925

01:09:32,070 --> 01:09:29,040

and no you know breaking that

1926

01:09:34,149 --> 01:09:32,080

third law of thermodynamics or maybe

1927

01:09:37,510 --> 01:09:34,159

it's the second i don't know i'm dumb

1928

01:09:39,189 --> 01:09:37,520

but like maybe the point is just to keep

1929

01:09:42,309 --> 01:09:39,199

going is to be

1930

01:09:45,510 --> 01:09:42,319

is to be forever is to be

1931

01:09:47,189 --> 01:09:45,520

infinite that's the point and it's like

1932

01:09:47,990 --> 01:09:47,199

it's so easy for it's those easy word

1933

01:09:50,870 --> 01:09:48,000

for us to say

1934

01:09:52,470 --> 01:09:50,880

and like we have a minimal understanding

1935

01:09:54,470 --> 01:09:52,480

of that but maybe it's

1936

01:09:55,830 --> 01:09:54,480

much deeper than that and maybe you just

1937

01:09:57,669 --> 01:09:55,840

keep going it just

1938

01:09:59,430 --> 01:09:57,679

keeps [h\_\_h] going dude the more you

1939

01:10:02,470 --> 01:09:59,440

learn about it

1940

01:10:03,030 --> 01:10:02,480

the the the more it goes on because we

1941

01:10:06,310 --> 01:10:03,040

are i mean

1942

01:10:07,750 --> 01:10:06,320

is that not the literal is it that's

1943

01:10:09,910 --> 01:10:07,760

manifestation right the more you think

1944

01:10:13,270 --> 01:10:09,920

about something the more you manifest it

1945

01:10:16,149 --> 01:10:13,280

so if that it's no longer linear

1946

01:10:17,189 --> 01:10:16,159

you know it's it makes sense to me in

1947

01:10:18,630 --> 01:10:17,199

the moment right now

1948

01:10:20,229 --> 01:10:18,640

the [h\_\_h] that i'm saying i feel like i

1949

01:10:22,229 --> 01:10:20,239

sound like a crazy person

1950

01:10:23,270 --> 01:10:22,239

for sure man i mean like yeah like i

1951

01:10:26,390 --> 01:10:23,280

said like

1952

01:10:28,070 --> 01:10:26,400

there's one thing creating believers

1953

01:10:31,510 --> 01:10:28,080

but if the believers don't believe in

1954

01:10:34,550 --> 01:10:31,520

the one thing that it's creating

1955

01:10:35,830 --> 01:10:34,560

what happens right what does happen what

1956

01:10:37,669 --> 01:10:35,840

happens

1957

01:10:39,669 --> 01:10:37,679

just want to give a quick shout out

1958

01:10:41,110 --> 01:10:39,679

what's up lawrence how you doing man

1959

01:10:43,350 --> 01:10:41,120

first floor audio

1960

01:10:46,550 --> 01:10:43,360

what's up dude how are you doing man

1961

01:10:51,750 --> 01:10:49,750

uh lauren what's up tammy also what's up

1962

01:10:54,790 --> 01:10:51,760

girl

1963

01:10:55,590 --> 01:10:54,800

um dude yeah we got a good crew tonight

1964

01:10:58,709 --> 01:10:55,600

it's doctor

1965

01:11:02,390 --> 01:10:58,719

what's up dude oh yeah

1966

01:11:04,070 --> 01:11:02,400

is everything a thought form dude

1967

01:11:05,830 --> 01:11:04,080

i would like to think so wouldn't you

1968

01:11:07,510 --> 01:11:05,840

wouldn't you like to power your uh

1969

01:11:08,709 --> 01:11:07,520

your vehicle or the things that make you

1970

01:11:09,430 --> 01:11:08,719

comfortable with just the thought in

1971

01:11:11,350 --> 01:11:09,440

your head that'd be

1972

01:11:12,470 --> 01:11:11,360

super dope that sounds that sounds

1973

01:11:15,510 --> 01:11:12,480

awesome

1974

01:11:16,630 --> 01:11:15,520

like oh i wish it was 72 degrees right

1975

01:11:19,830 --> 01:11:16,640

now

1976

01:11:21,510 --> 01:11:19,840

you don't need an ac that would be nice

1977

01:11:23,350 --> 01:11:21,520

i wish i had a freaking meatball sub

1978

01:11:26,550 --> 01:11:23,360

right now that's what i wish

1979

01:11:28,550 --> 01:11:26,560

it would be awesome can god make an

1980

01:11:31,590 --> 01:11:28,560

immovable object

1981

01:11:33,990 --> 01:11:31,600

if you can't move it he is not god

1982

01:11:36,790 --> 01:11:34,000

but if he moves it he can't make an

1983

01:11:39,350 --> 01:11:36,800

immovable object

1984

01:11:40,630 --> 01:11:39,360

i feel like i've heard i've heard a

1985

01:11:41,990 --> 01:11:40,640

concept similar to that if

1986

01:11:43,830 --> 01:11:42,000

not that i love that though that's

1987

01:11:46,310 --> 01:11:43,840

really cool how do you how do you

1988

01:11:48,310 --> 01:11:46,320

uh uh first floor how do you present

1989

01:11:51,830 --> 01:11:48,320

that question or that um

1990

01:11:53,430 --> 01:11:51,840

that challenge to god though

1991

01:11:58,470 --> 01:11:53,440

how do you do how do you do that how do

1992

01:12:01,830 --> 01:12:01,189

i don't know dude i don't know but yeah

1993

01:12:06,870 --> 01:12:01,840

so his

1994

01:12:10,070 --> 01:12:06,880

his whole idea on what they told him

1995

01:12:13,910 --> 01:12:10,080

you know is pretty interesting so the

1996

01:12:18,070 --> 01:12:13,920

the the strange part here is

1997

01:12:21,030 --> 01:12:18,080

these these beings fought this war

1998

01:12:21,590 --> 01:12:21,040

killed off the original species took all

1999

01:12:25,750 --> 01:12:21,600

their

2000

01:12:31,030 --> 01:12:25,760

stuff continued on uh

2001

01:12:37,110 --> 01:12:34,950

on the 18th right

2002

01:12:38,870 --> 01:12:37,120

sorry i'm looking at comments so we're

2003

01:12:41,350 --> 01:12:38,880

back we're back talking about

2004

01:12:44,630 --> 01:12:41,360

the the story here okay okay got it got

2005

01:12:52,470 --> 01:12:45,830

could you tell that i wasn't paying

2006

01:12:56,149 --> 01:12:53,910

i was just like going off into a

2007

01:12:57,350 --> 01:12:56,159

different yeah you you know me too well

2008

01:13:00,790 --> 01:12:57,360

brother

2009

01:13:03,910 --> 01:13:00,800

uh let's make that happen dude

2010

01:13:05,350 --> 01:13:03,920

yeah yeah uh oh sorry wrong one but

2011

01:13:07,830 --> 01:13:05,360

that's also a cool

2012

01:13:09,030 --> 01:13:07,840

uh balance uh a product of the thought

2013

01:13:10,870 --> 01:13:09,040

which is mine it uh

2014

01:13:12,070 --> 01:13:10,880

inspires further thought of ooh that's

2015

01:13:14,229 --> 01:13:12,080

cool

2016

01:13:15,189 --> 01:13:14,239

there's a balance of balance creation is

2017

01:13:16,870 --> 01:13:15,199

a product of thought

2018

01:13:18,870 --> 01:13:16,880

which in hand inspires further thought

2019

01:13:20,630 --> 01:13:18,880

yeah absolutely that's like

2020

01:13:22,229 --> 01:13:20,640

why i say like dude in design school

2021

01:13:22,709 --> 01:13:22,239

like i had a teacher one time tell me

2022

01:13:24,709 --> 01:13:22,719

like

2023

01:13:26,550 --> 01:13:24,719

i couldn't do a certain design because

2024

01:13:28,470 --> 01:13:26,560

it was based off of another design i

2025

01:13:30,550 --> 01:13:28,480

just improved it and i was like

2026

01:13:32,390 --> 01:13:30,560

well what idea do you have that's

2027

01:13:34,470 --> 01:13:32,400

original original [h\_\_h]

2028

01:13:35,750 --> 01:13:34,480

i didn't say yeah i was like what

2029

01:13:36,709 --> 01:13:35,760

thought have you ever had that was

2030

01:13:40,149 --> 01:13:36,719

original and

2031

01:13:42,229 --> 01:13:40,159

she had nothing she was like you got me

2032

01:13:44,630 --> 01:13:42,239

there

2033

01:13:46,550 --> 01:13:44,640

everything's an improvement yeah but

2034

01:13:48,070 --> 01:13:46,560

yeah lawrence we got us we gotta set up

2035

01:13:49,990 --> 01:13:48,080

we me and joe's been talking about doing

2036

01:13:52,310 --> 01:13:50,000

a little retreat uh

2037

01:13:53,750 --> 01:13:52,320

here at in in the austin area where we

2038

01:13:56,870 --> 01:13:53,760

all get together do a

2039

01:13:59,110 --> 01:13:56,880

a fireside chat for like the weekend and

2040

01:14:00,550 --> 01:13:59,120

of course the guys from bob you know

2041

01:14:02,870 --> 01:14:00,560

william and micah

2042

01:14:03,910 --> 01:14:02,880

and the guys from uh uh what if tomorrow

2043

01:14:05,270 --> 01:14:03,920

phil and mark would

2044

01:14:07,110 --> 01:14:05,280

would be joining joining us and

2045

01:14:08,950 --> 01:14:07,120

hopefully dave's got from spaced out

2046

01:14:11,350 --> 01:14:08,960

radio dude

2047

01:14:12,630 --> 01:14:11,360

leave the damn borders man hopefully

2048

01:14:14,229 --> 01:14:12,640

because all the name fires

2049

01:14:16,070 --> 01:14:14,239

but i don't mean to make light of that

2050

01:14:17,830 --> 01:14:16,080

situation but i told them hey

2051

01:14:19,590 --> 01:14:17,840

you got a place to stay in texas if you

2052

01:14:22,630 --> 01:14:19,600

ever need so that's right

2053

01:14:24,149 --> 01:14:22,640

yeah okay sorry full attention joe you

2054

01:14:24,470 --> 01:14:24,159

what you said was awesome let's go back

2055

01:14:26,070 --> 01:14:24,480

to

2056

01:14:28,149 --> 01:14:26,080

what what you were saying so we were

2057

01:14:30,390 --> 01:14:28,159

talking about the the watchers and that

2058

01:14:31,270 --> 01:14:30,400

change of management right the change of

2059

01:14:39,030 --> 01:14:31,280

management

2060

01:14:42,709 --> 01:14:39,040

they told him on the 18th

2061

01:14:43,750 --> 01:14:42,719

that there would be a change in

2062

01:14:46,310 --> 01:14:43,760

management

2063

01:14:47,110 --> 01:14:46,320

meaning that these this species would no

2064

01:14:50,229 --> 01:14:47,120

longer be

2065

01:14:51,669 --> 01:14:50,239

here they're going to leave or

2066

01:14:53,430 --> 01:14:51,679

do you think they're going to leave or

2067

01:14:54,070 --> 01:14:53,440

do you think there's going to be another

2068

01:14:55,990 --> 01:14:54,080

war

2069

01:14:59,350 --> 01:14:56,000

do you think that they know that there's

2070

01:15:03,350 --> 01:15:00,950

that's what's scary that's what's going

2071

01:15:06,390 --> 01:15:03,360

to think the report that came out

2072

01:15:08,470 --> 01:15:06,400

recently was just enough to get the

2073

01:15:10,550 --> 01:15:08,480

people thinking about it

2074

01:15:13,110 --> 01:15:10,560

knowing that something was going to be

2075

01:15:16,229 --> 01:15:13,120

happening on sunday

2076

01:15:18,709 --> 01:15:16,239

dude yes i do

2077

01:15:19,830 --> 01:15:18,719

i do think that right now i do think

2078

01:15:22,630 --> 01:15:19,840

that that's

2079

01:15:23,350 --> 01:15:22,640

possible it's going to be like this this

2080

01:15:26,149 --> 01:15:23,360

war

2081

01:15:27,430 --> 01:15:26,159

up in space between these two species

2082

01:15:27,830 --> 01:15:27,440

and the government's going to be like

2083

01:15:30,470 --> 01:15:27,840

see

2084

01:15:31,350 --> 01:15:30,480

i told you they're they're [ʌ\_\_\h] evil

2085

01:15:33,910 --> 01:15:31,360

right

2086

01:15:35,590 --> 01:15:33,920

and i love the way you said that because

2087

01:15:36,310 --> 01:15:35,600

this war in space does it doesn't mean

2088

01:15:38,870 --> 01:15:36,320

it's going to

2089

01:15:39,350 --> 01:15:38,880

come down to us and and and mess with us

2090

01:15:40,709 --> 01:15:39,360

because

2091

01:15:43,270 --> 01:15:40,719

why would you why would you become

2092

01:15:44,229 --> 01:15:43,280

management of a let's say let's say a a

2093

01:15:47,189 --> 01:15:44,239

blockbuster

2094

01:15:47,669 --> 01:15:47,199

and it just set the [h\_\_h] on fire like no

2095

01:15:51,510 --> 01:15:47,679

you

2096

01:15:53,510 --> 01:15:51,520

one's going to like ruin the planet or

2097

01:15:55,830 --> 01:15:53,520

kill people like yeah we're gonna fight

2098

01:15:59,669 --> 01:15:55,840

you a little bit outside

2099

01:16:01,750 --> 01:15:59,679

yeah and i they hear that we can't get

2100

01:16:03,270 --> 01:16:01,760

too far out of our atmosphere without

2101

01:16:07,350 --> 01:16:03,280

dying

2102

01:16:08,709 --> 01:16:07,360

yeah the so that would make sense so

2103

01:16:10,470 --> 01:16:08,719

i i hope that people don't they take

2104

01:16:11,270 --> 01:16:10,480

this as a doom and gloom type of

2105

01:16:13,830 --> 01:16:11,280

situation but

2106

01:16:15,669 --> 01:16:13,840

it will be very interesting to see what

2107

01:16:19,189 --> 01:16:15,679

happens because the war

2108

01:16:21,189 --> 01:16:19,199

in space would we see it would we know

2109

01:16:22,470 --> 01:16:21,199

it's happening we'll be seated at night

2110

01:16:25,590 --> 01:16:22,480

is that what we're going to see

2111

01:16:29,189 --> 01:16:25,600

on the 17th at midnight is

2112

01:16:32,709 --> 01:16:31,430

i don't know dude darth vader swinging a

2113

01:16:34,630 --> 01:16:32,719

damn sword dude

2114

01:16:36,229 --> 01:16:34,640

darth vader bro swinging his damn

2115

01:16:39,669 --> 01:16:36,239

lightsaber bro

2116

01:16:40,790 --> 01:16:39,679

and then luke skywalker like no hey dad

2117

01:16:45,270 --> 01:16:40,800

no

2118

01:16:50,070 --> 01:16:45,280

being like

2119

01:16:55,750 --> 01:16:53,430

i think lou skywalker had a blue one

2120

01:16:57,990 --> 01:16:55,760

and master yoda master yoda had the

2121

01:17:04,470 --> 01:16:58,000

green one luke had green too dude

2122

01:17:10,470 --> 01:17:07,990

had the green one oh bro hey

2123

01:17:11,350 --> 01:17:10,480

ben kenobi also is his name's ben by the

2124

01:17:14,709 --> 01:17:11,360

way that's

2125

01:17:19,110 --> 01:17:14,719

that's [h\_\_\h] cool ben had blue uh

2126

01:17:20,790 --> 01:17:19,120

luke had green also yoda had green

2127

01:17:22,390 --> 01:17:20,800

but it was a small one i think it was

2128

01:17:24,310 --> 01:17:22,400

small green one

2129

01:17:25,510 --> 01:17:24,320

that makes sense i think it was green

2130

01:17:27,189 --> 01:17:25,520

you're right

2131

01:17:29,110 --> 01:17:27,199

because he trained with yoda why

2132

01:17:30,950 --> 01:17:29,120

wouldn't he get the green one

2133

01:17:32,790 --> 01:17:30,960

and he's got similar motives in a

2134

01:17:34,550 --> 01:17:32,800

similar soul to yoda you know he's kind

2135

01:17:36,790 --> 01:17:34,560

of he's kind of a little he's

2136

01:17:38,310 --> 01:17:36,800

he believes in uh he's a good guy he's a

2137

01:17:40,870 --> 01:17:38,320

good guy he's a goofy guy too

2138

01:17:41,430 --> 01:17:40,880

at times he likes to play joker too i

2139

01:17:49,510 --> 01:17:41,440

don't know

2140

01:17:56,229 --> 01:17:53,270

sorry i forgot to mute it no worries uh

2141

01:17:57,510 --> 01:17:56,239

uh you know okay so back to this new

2142

01:18:00,310 --> 01:17:57,520

management thing

2143

01:18:01,030 --> 01:18:00,320

i mean maybe i got off the deep i just

2144

01:18:07,430 --> 01:18:01,040

maybe there

2145

01:18:09,910 --> 01:18:07,440

psyop

2146

01:18:12,709 --> 01:18:09,920

you know maybe this was this is a cia

2147

01:18:15,270 --> 01:18:12,719

plant that posted this in 2013

2148

01:18:16,390 --> 01:18:15,280

to make all this i think self-fulfilling

2149

01:18:19,110 --> 01:18:16,400

prophecy is such an

2150

01:18:20,149 --> 01:18:19,120

underrated concept dude because if we're

2151

01:18:23,510 --> 01:18:20,159

talking about

2152

01:18:25,510 --> 01:18:23,520

consciousness being as powerful as it is

2153

01:18:27,669 --> 01:18:25,520

uh i think there's something to be said

2154

01:18:29,750 --> 01:18:27,679

about giving prophecies like

2155

01:18:31,430 --> 01:18:29,760

there's an ancient prophecy of a of a

2156

01:18:34,470 --> 01:18:31,440

legend photos of a

2157

01:18:37,830 --> 01:18:34,480

of a man with a long-haired beard and

2158

01:18:40,390 --> 01:18:37,840

glasses round as as the sun that would

2159

01:18:42,070 --> 01:18:40,400

one day speak upon a podcast deep into

2160

01:18:44,470 --> 01:18:42,080

the microphone with such power that

2161

01:18:46,470 --> 01:18:44,480

would change the forces of good and evil

2162

01:18:47,990 --> 01:18:46,480

you know like and then and then you're

2163

01:18:49,270 --> 01:18:48,000

like you know what that sounds like me

2164

01:18:52,790 --> 01:18:49,280

i'm gonna go ahead and do that

2165

01:18:54,709 --> 01:18:52,800

yeah hey what are you doing

2166

01:18:56,870 --> 01:18:54,719

what's everybody doing what are you

2167

01:18:59,510 --> 01:18:56,880

doing dude

2168

01:19:01,030 --> 01:18:59,520

like if you put it out in the universe

2169

01:19:04,229 --> 01:19:01,040

and

2170

01:19:06,630 --> 01:19:04,239

maybe it might happen man

2171

01:19:08,550 --> 01:19:06,640

so i i hope that uh that people don't

2172

01:19:10,630 --> 01:19:08,560

freak out um

2173

01:19:12,709 --> 01:19:10,640

because of this one thing that i did

2174

01:19:13,510 --> 01:19:12,719

like about this reddit post was the fact

2175

01:19:15,430 --> 01:19:13,520

that they said

2176  
01:19:16,790 --> 01:19:15,440  
look we're not gonna get all culty and

2177  
01:19:19,430 --> 01:19:16,800  
[h\_\_\h] about this

2178  
01:19:20,950 --> 01:19:19,440  
if it doesn't happen it doesn't happen

2179  
01:19:23,270 --> 01:19:20,960  
it doesn't mean that something

2180  
01:19:24,470 --> 01:19:23,280  
happened in the dark of night where we

2181  
01:19:26,870 --> 01:19:24,480  
didn't see it

2182  
01:19:27,590 --> 01:19:26,880  
you know it doesn't mean that that uh

2183  
01:19:29,669 --> 01:19:27,600  
you know it's

2184  
01:19:31,590 --> 01:19:29,679  
it's it's this or that like if it

2185  
01:19:32,310 --> 01:19:31,600  
doesn't happen look it just didn't

2186  
01:19:34,950 --> 01:19:32,320  
happen

2187  
01:19:36,790 --> 01:19:34,960  
like let's not have anxiety let's not

2188  
01:19:40,070 --> 01:19:36,800

freak out over the whole deal

2189

01:19:40,709 --> 01:19:40,080

let's not make this a big thing if it

2190

01:19:43,750 --> 01:19:40,719

happens

2191

01:19:45,830 --> 01:19:43,760

then that's the answer that's what we

2192

01:19:47,030 --> 01:19:45,840

all wanted if it doesn't then it doesn't

2193

01:19:49,430 --> 01:19:47,040

it's not a big deal

2194

01:19:51,750 --> 01:19:49,440

this is just a very interesting story

2195

01:19:55,669 --> 01:19:51,760

from a guy who has a lot of specifics

2196

01:19:57,910 --> 01:19:55,679

that's been telling his story since 2013

2197

01:19:59,189 --> 01:19:57,920

and then disappeared for eight years and

2198

01:20:02,950 --> 01:19:59,199

now in may

2199

01:20:06,310 --> 01:20:02,960

of 2021 he's back and says

2200

01:20:09,270 --> 01:20:06,320

look this is what's gonna happen

2201

01:20:10,790 --> 01:20:09,280

this is what they told me either way he

2202

01:20:13,590 --> 01:20:10,800

said the past few days

2203

01:20:14,870 --> 01:20:13,600

he's just been drinking beer and eating

2204

01:20:17,590 --> 01:20:14,880

his favorite foods

2205

01:20:18,070 --> 01:20:17,600

he's accepted what's gonna happen to him

2206

01:20:20,070 --> 01:20:18,080

uh

2207

01:20:21,990 --> 01:20:20,080

and he's gone through he's not even

2208

01:20:23,350 --> 01:20:22,000

depressed or sad or anything like that

2209

01:20:25,669 --> 01:20:23,360

he's just had a lot

2210

01:20:27,669 --> 01:20:25,679

to deal with in accepting his own fate

2211

01:20:30,390 --> 01:20:27,679

in on the 18th

2212

01:20:32,790 --> 01:20:30,400

whether it happens or not he will no

2213

01:20:35,990 --> 01:20:32,800

longer be here

2214

01:20:38,390 --> 01:20:36,000

yeah uh and and then so what is that

2215

01:20:39,830 --> 01:20:38,400

what does it say about i mean you hear

2216

01:20:41,030 --> 01:20:39,840

all the time about think oh

2217

01:20:42,870 --> 01:20:41,040

something big is gonna happen do you

2218

01:20:43,750 --> 01:20:42,880

mind my wife gives me [h\_\_h] all the time

2219

01:20:45,270 --> 01:20:43,760

because i'm always like

2220

01:20:47,030 --> 01:20:45,280

there's a solar flare coming i don't

2221

01:20:47,750 --> 01:20:47,040

know when but it's gonna happen and

2222

01:20:49,350 --> 01:20:47,760

she's like

2223

01:20:51,350 --> 01:20:49,360

there's always something gonna happen

2224

01:20:54,870 --> 01:20:51,360

like what is your

2225

01:20:56,870 --> 01:20:54,880

but then i was like oh yeah you're right

2226

01:20:58,470 --> 01:20:56,880

but it's better to be safe than sorry

2227

01:21:00,870 --> 01:20:58,480

right it's always my thing

2228

01:21:01,510 --> 01:21:00,880

and you have to have some humility about

2229

01:21:03,030 --> 01:21:01,520

it like

2230

01:21:05,350 --> 01:21:03,040

don't be afraid of being wrong like if

2231

01:21:08,149 --> 01:21:05,360

you're wrong don't like

2232

01:21:08,790 --> 01:21:08,159

double down you know don't double down

2233

01:21:14,070 --> 01:21:08,800

uh

2234

01:21:15,270 --> 01:21:14,080

mind frame i hope that we all kind of

2235

01:21:18,310 --> 01:21:15,280

live in it's like

2236

01:21:19,750 --> 01:21:18,320

dude this is like fascinating stuff i

2237

01:21:22,550 --> 01:21:19,760

love talking about this stuff

2238

01:21:24,149 --> 01:21:22,560

yeah me too that it's connected to a

2239

01:21:25,030 --> 01:21:24,159

specific date that's like happening in

2240

01:21:26,470 --> 01:21:25,040

like two days

2241

01:21:28,070 --> 01:21:26,480

or three days or whatever you don't even

2242

01:21:30,470 --> 01:21:28,080

have to wait that long

2243

01:21:31,510 --> 01:21:30,480

i know i mean it's going to be

2244

01:21:35,189 --> 01:21:31,520

interesting right

2245

01:21:38,310 --> 01:21:35,199

yeah and when it comes to the abduction

2246

01:21:41,430 --> 01:21:38,320

scenario people always want

2247

01:21:43,669 --> 01:21:41,440

proof they want the facts um

2248

01:21:45,830 --> 01:21:43,679

and it's strange because you're dealing

2249

01:21:49,510 --> 01:21:45,840

with a subject in a topic

2250

01:21:53,189 --> 01:21:49,520

um in a situation that's purposely

2251

01:21:58,550 --> 01:21:55,830

whatever these things are doing it's

2252

01:21:59,189 --> 01:21:58,560

very purposeful and while they may mess

2253

01:22:03,189 --> 01:21:59,199

up

2254

01:22:05,669 --> 01:22:03,199

occasionally they're not leaving

2255

01:22:06,310 --> 01:22:05,679

a lot of evidence behind they're not

2256

01:22:11,110 --> 01:22:06,320

leaving

2257

01:22:14,149 --> 01:22:11,120

you with kind of a mind [h\_\_\h]

2258

01:22:17,110 --> 01:22:14,159

and the idea of like

2259

01:22:19,430 --> 01:22:17,120

how do i tell anybody this yeah you're

2260

01:22:22,070 --> 01:22:19,440

dealing and this is very purposeful

2261

01:22:24,470 --> 01:22:22,080

it's done that way on purpose you know

2262

01:22:27,750 --> 01:22:24,480

so when we're dealing with a subject

2263

01:22:30,870 --> 01:22:27,760

um that everybody requires so many

2264

01:22:34,229 --> 01:22:30,880

facts and evidence uh but this subject

2265

01:22:37,510 --> 01:22:34,239

is has facts and evidence come

2266

01:22:40,310 --> 01:22:37,520

from you know very far few in between

2267

01:22:42,390 --> 01:22:40,320

yeah it's it's it's really tough and

2268

01:22:44,709 --> 01:22:42,400

when it comes to their reality

2269

01:22:46,709 --> 01:22:44,719

and what these people are dealing with

2270

01:22:50,310 --> 01:22:46,719

whatever is happening to them

2271

01:22:52,390 --> 01:22:50,320

we can't just jump on the train of like

2272

01:22:54,310 --> 01:22:52,400

these people are crazy right because we

2273

01:22:54,629 --> 01:22:54,320

don't really understand what's happening

2274

01:22:56,709 --> 01:22:54,639

to

2275

01:22:58,149 --> 01:22:56,719

them unless you've actually been

2276

01:23:00,470 --> 01:22:58,159

abducted yourself

2277

01:23:02,709 --> 01:23:00,480

there's no way to even be able to put

2278

01:23:05,510 --> 01:23:02,719

yourself in the shoes of these people

2279

01:23:06,709 --> 01:23:05,520

or in the minds of these people and the

2280

01:23:08,790 --> 01:23:06,719

things that

2281

01:23:09,830 --> 01:23:08,800

the way that they've shifted their whole

2282

01:23:11,830 --> 01:23:09,840

way of thinking

2283

01:23:12,950 --> 01:23:11,840

you know there's just no way we can do

2284

01:23:14,709 --> 01:23:12,960

that and

2285

01:23:16,229 --> 01:23:14,719

and i think that's one of the most

2286

01:23:21,350 --> 01:23:16,239

unfair things

2287

01:23:23,830 --> 01:23:21,360

that abductees have to deal with and

2288

01:23:25,830 --> 01:23:23,840

that's i guess that's kind of my piece

2289

01:23:28,790 --> 01:23:25,840

you know

2290

01:23:30,149 --> 01:23:28,800

man i can't add anything to that that

2291

01:23:33,189 --> 01:23:30,159

would make that more perfect

2292

01:23:34,790 --> 01:23:33,199

like great job saint does ah you did a

2293

01:23:36,550 --> 01:23:34,800

great job

2294

01:23:38,149 --> 01:23:36,560

you you said so many things that i've

2295

01:23:40,149 --> 01:23:38,159

been thinking about lately man like

2296

01:23:42,709 --> 01:23:40,159

i i just i don't want to ruin it with

2297

01:23:45,590 --> 01:23:42,719

some dumb comment you know

2298

01:23:46,790 --> 01:23:45,600

like it's so it has to be because i

2299

01:23:50,470 --> 01:23:46,800

don't really consider myself

2300

01:23:52,149 --> 01:23:50,480

as a contactee uh i've we you and i i've

2301

01:23:55,189 --> 01:23:52,159

experienced stuff on my own

2302

01:23:58,709 --> 01:23:55,199

i've ex really strange stuff

2303

01:24:01,030 --> 01:23:58,719

you as well man and but

2304

01:24:01,990 --> 01:24:01,040

we don't have vivid memories or or

2305

01:24:04,870 --> 01:24:02,000

experiences that we

2306

01:24:06,709 --> 01:24:04,880

can talk into deep detail and it doesn't

2307

01:24:09,270 --> 01:24:06,719

affect our daily lives

2308

01:24:11,110 --> 01:24:09,280

uh like it does other people like like

2309

01:24:14,629 --> 01:24:11,120

this individual throwaway alien

2310

01:24:15,110 --> 01:24:14,639

and millions of other people go through

2311

01:24:18,470 --> 01:24:15,120

this

2312

01:24:20,229 --> 01:24:18,480

stuff and for us to you know

2313

01:24:22,229 --> 01:24:20,239

just get the word out that hey this

2314

01:24:23,990 --> 01:24:22,239

happens to regular people and it ruins

2315

01:24:24,950 --> 01:24:24,000

their [h\_\_h] lives so stop making fun

2316

01:24:26,550 --> 01:24:24,960

of them

2317

01:24:27,990 --> 01:24:26,560

and maybe give them a second chance

2318

01:24:28,950 --> 01:24:28,000

maybe that's our place in this whole

2319

01:24:32,470 --> 01:24:28,960

thing

2320

01:24:35,750 --> 01:24:32,480

yeah we're not saying believe without

2321

01:24:40,550 --> 01:24:35,760

skepticism we're just saying hey

2322

01:24:44,550 --> 01:24:40,560

have an open mind have an open ear and

2323

01:24:46,550 --> 01:24:44,560

yeah exactly hear them out have have uh

2324

01:24:47,669 --> 01:24:46,560

have a conscience you know have a

2325

01:24:51,350 --> 01:24:47,679

conscience about it

2326

01:24:52,390 --> 01:24:51,360

and it doesn't have to be uh like i said

2327

01:24:54,629 --> 01:24:52,400

don't don't just

2328

01:24:56,550 --> 01:24:54,639

believe without skepticism i'm very

2329

01:24:59,590 --> 01:24:56,560

skeptical about this story

2330

01:25:02,149 --> 01:24:59,600

but i'm not i'm not immediate if some

2331

01:25:03,750 --> 01:25:02,159

if nothing happens on sunday that

2332

01:25:05,990 --> 01:25:03,760

doesn't change the fact that

2333

01:25:07,270 --> 01:25:06,000

i believe he has had some sort of

2334

01:25:10,629 --> 01:25:07,280

contact maybe

2335

01:25:11,270 --> 01:25:10,639

absolutely that's so important to be

2336

01:25:13,030 --> 01:25:11,280

said

2337

01:25:14,950 --> 01:25:13,040

these things have also been known to be

2338

01:25:16,709 --> 01:25:14,960

liars

2339

01:25:18,629 --> 01:25:16,719

they've also lied to people they've

2340

01:25:19,590 --> 01:25:18,639

given people dates they've told them all

2341

01:25:21,430 --> 01:25:19,600

kinds of stuff

2342

01:25:23,189 --> 01:25:21,440

one of the things that he says in this

2343

01:25:23,910 --> 01:25:23,199

whole paper is look if you've been

2344

01:25:25,590 --> 01:25:23,920

abducted

2345

01:25:27,669 --> 01:25:25,600

if somebody says that they gave them

2346

01:25:30,950 --> 01:25:27,679

instructions on how to save the planet

2347

01:25:32,950 --> 01:25:30,960

or how to save the [h\_\_\h] whales or or

2348

01:25:35,030 --> 01:25:32,960

anything like that or like how to save

2349

01:25:37,030 --> 01:25:35,040

humanity they're lying because

2350

01:25:39,110 --> 01:25:37,040

they don't care about you on that level

2351

01:25:41,189 --> 01:25:39,120

they're literally here to study you

2352

01:25:42,790 --> 01:25:41,199

and that's all they care about if

2353

01:25:44,950 --> 01:25:42,800

anybody is trying to tell you that they

2354

01:25:48,070 --> 01:25:44,960

know the secrets to the universe

2355

01:25:49,990 --> 01:25:48,080

that's not how this works if you've been

2356

01:25:52,229 --> 01:25:50,000

abducted you don't want to talk about it

2357

01:25:53,430 --> 01:25:52,239

and other abductees don't really want to

2358

01:25:55,270 --> 01:25:53,440

talk about it either

2359

01:25:57,830 --> 01:25:55,280

and we've ran across a few people that

2360

01:26:01,189 --> 01:25:57,840

are exactly like that they're like

2361

01:26:03,030 --> 01:26:01,199

all that saving humanity [h\_\_h] is it's

2362

01:26:03,830 --> 01:26:03,040

just horse [h\_\_h] like that's not how it

2363

01:26:05,750 --> 01:26:03,840

works

2364

01:26:07,430 --> 01:26:05,760

you're an ex you're an experiment you're

2365

01:26:09,189 --> 01:26:07,440

an experiment

2366

01:26:10,870 --> 01:26:09,199

sometimes it's cool sometimes it's not

2367

01:26:13,830 --> 01:26:10,880

it's always terrifying

2368

01:26:16,149 --> 01:26:13,840

but other than that you're a [h\_\_h] lab

2369

01:26:18,310 --> 01:26:16,159

rat that's all you are

2370

01:26:20,310 --> 01:26:18,320

and and here's the thing i i would like

2371

01:26:23,189 --> 01:26:20,320

to to interject there and say

2372

01:26:24,070 --> 01:26:23,199

that there's obviously one way you could

2373

01:26:27,189 --> 01:26:24,080

look at that

2374

01:26:30,390 --> 01:26:27,199

and a a a completely opposite way

2375

01:26:31,750 --> 01:26:30,400

whereas one way is they don't give a

2376

01:26:33,669 --> 01:26:31,760

[h\_\_\h] about us they don't care

2377

01:26:36,629 --> 01:26:33,679

what happens like we're just an

2378

01:26:38,629 --> 01:26:36,639

experiment but the other is

2379

01:26:40,070 --> 01:26:38,639

the like we're so important we're like

2380

01:26:42,550 --> 01:26:40,080

the center of the universe but

2381

01:26:44,149 --> 01:26:42,560

maybe the answer is somewhere lies

2382

01:26:47,430 --> 01:26:44,159

somewhere in between where like

2383

01:26:50,390 --> 01:26:47,440

hey they don't care if

2384

01:26:51,430 --> 01:26:50,400

if if we if we live or die but they want

2385

01:26:53,910 --> 01:26:51,440

us to live

2386

01:26:55,110 --> 01:26:53,920

a good life maybe that is somewhere in

2387

01:26:57,430 --> 01:26:55,120

that gray area

2388

01:26:59,510 --> 01:26:57,440

right right they want to supply us

2389

01:27:02,310 --> 01:26:59,520

enough time to experience

2390

01:27:02,870 --> 01:27:02,320

the universe in a lifetime you know i

2391

01:27:04,470 --> 01:27:02,880

think that's

2392

01:27:05,830 --> 01:27:04,480

i mean why not make something beautiful

2393

01:27:06,629 --> 01:27:05,840

out of it there's probably somewhere in

2394

01:27:09,430 --> 01:27:06,639

the middle

2395

01:27:10,390 --> 01:27:09,440

that they just can't explain that's the

2396

01:27:13,270 --> 01:27:10,400

language barrier

2397

01:27:13,590 --> 01:27:13,280

we just can't comprehend that i think i

2398

01:27:27,669 --> 01:27:13,600

i

2399

01:27:30,870 --> 01:27:27,679

not you pray before a baseball game

2400

01:27:32,950 --> 01:27:30,880

or if you win the lottery or

2401

01:27:34,709 --> 01:27:32,960

whatever people pray for the dumbest

2402

01:27:35,430 --> 01:27:34,719

[\h\_\_\h] sometimes it's like do you really

2403

01:27:37,830 --> 01:27:35,440

think god

2404

01:27:39,430 --> 01:27:37,840

cares if you win the world series i

2405

01:27:41,270 --> 01:27:39,440

don't think so

2406

01:27:43,270 --> 01:27:41,280

now did he love you enough to put this

2407

01:27:46,790 --> 01:27:43,280

entire universe into motion

2408

01:27:48,950 --> 01:27:46,800

and then you be a a creation

2409

01:27:51,110 --> 01:27:48,960

hundreds of millions of years later down

2410

01:27:51,910 --> 01:27:51,120

the line and now you have like this

2411

01:27:53,750 --> 01:27:51,920

conscious

2412

01:27:56,229 --> 01:27:53,760

body and you're thinking about the

2413

01:27:58,790 --> 01:27:56,239

universe the fact that you're even here

2414

01:27:59,990 --> 01:27:58,800

should be love enough he doesn't care if

2415

01:28:01,430 --> 01:28:00,000

you win the world series

2416

01:28:03,669 --> 01:28:01,440

he doesn't care if you win the super

2417

01:28:05,750 --> 01:28:03,679

bowl he doesn't care

2418

01:28:08,709 --> 01:28:05,760

that's not god's place and i feel the

2419

01:28:10,550 --> 01:28:08,719

same way about these ets on how like

2420

01:28:12,790 --> 01:28:10,560

yeah maybe they care a little bit enough

2421

01:28:15,270 --> 01:28:12,800

to study and like enough to like

2422

01:28:16,470 --> 01:28:15,280

you know kind of push things in a

2423

01:28:20,229 --> 01:28:16,480

certain direction

2424

01:28:22,470 --> 01:28:20,239

but when it comes to like what your

2425

01:28:24,470 --> 01:28:22,480

your personal issues are i don't think

2426

01:28:26,790 --> 01:28:24,480

they care

2427

01:28:28,229 --> 01:28:26,800

at all yeah they they don't care if you

2428

01:28:29,990 --> 01:28:28,239

got that that raise

2429

01:28:31,590 --> 01:28:30,000

or what you accomplished or how many

2430

01:28:34,790 --> 01:28:31,600

books you publish

2431

01:28:36,870 --> 01:28:34,800

or the that you said that you opened

2432

01:28:37,270 --> 01:28:36,880

that door for that one lady that one

2433

01:28:39,750 --> 01:28:37,280

time

2434

01:28:42,070 --> 01:28:39,760

you know or or even if you forgot to

2435

01:28:43,990 --> 01:28:42,080

open up the door for that old lady

2436

01:28:45,590 --> 01:28:44,000

you know like all the things that you

2437

01:28:48,870 --> 01:28:45,600

you stay up at night

2438

01:28:51,270 --> 01:28:48,880

like [h\_\_h] worrying about

2439

01:28:52,070 --> 01:28:51,280

you they don't care the universe doesn't

2440

01:28:56,070 --> 01:28:52,080

care

2441

01:28:58,870 --> 01:28:56,080

there's something beautiful

2442

01:28:59,990 --> 01:28:58,880

in that man no there is it sounds harsh

2443

01:29:02,870 --> 01:29:00,000

but it's not

2444

01:29:05,510 --> 01:29:02,880

right you know i i think it takes a lot

2445

01:29:08,550 --> 01:29:05,520

of pressure off of us

2446

01:29:12,149 --> 01:29:08,560

for our daily lives because you know if

2447

01:29:13,830 --> 01:29:12,159

if you live in the moment yeah great but

2448

01:29:15,750 --> 01:29:13,840

if you live in the future you're like

2449

01:29:16,629 --> 01:29:15,760

oh if i do that i do that oh that's

2450

01:29:18,709 --> 01:29:16,639

going to break and if i make this

2451

01:29:20,229 --> 01:29:18,719

mistake

2452

01:29:21,910 --> 01:29:20,239

maybe live in the moment for a second

2453

01:29:22,950 --> 01:29:21,920

and just realize where the [h\_\_h] you are

2454

01:29:25,510 --> 01:29:22,960

you're living

2455

01:29:26,070 --> 01:29:25,520

you're you're breathing you're breathing

2456

01:29:27,830 --> 01:29:26,080

yeah

2457

01:29:30,310 --> 01:29:27,840

you could say you could you you only

2458

01:29:32,470 --> 01:29:30,320

take poop uh two to two to three poops a

2459

01:29:35,990 --> 01:29:32,480

day

2460

01:29:38,390 --> 01:29:36,000

could be worse tim f what's up dude

2461

01:29:39,990 --> 01:29:38,400

you get to taste i don't know bananas

2462

01:29:41,510 --> 01:29:40,000

apparently bananas are going to be out

2463

01:29:43,590 --> 01:29:41,520

out of like no there's not going to be

2464

01:29:45,110 --> 01:29:43,600

no more bananas in like 50 years so like

2465

01:29:47,030 --> 01:29:45,120

hey everybody go buy some [\h\_\_\h]

2466

01:29:49,110 --> 01:29:47,040

bananas you know

2467

01:29:50,629 --> 01:29:49,120

i think the original banana went extinct

2468

01:29:53,750 --> 01:29:50,639

in the 50s anyways

2469

01:29:56,950 --> 01:29:53,760

yes i love that you know that it's like

2470

01:29:57,910 --> 01:29:56,960

it's a genetically modified what is it a

2471

01:30:00,310 --> 01:29:57,920

fruit what is it

2472

01:30:01,750 --> 01:30:00,320

yeah it's a fruit yeah but i think

2473

01:30:05,830 --> 01:30:01,760

there's like i think it's a nut

2474

01:30:07,669 --> 01:30:05,840

isn't it a banana is a nut no way

2475

01:30:08,229 --> 01:30:07,679

there's a massive like nut on it and the

2476

01:30:11,430 --> 01:30:08,239

banana

2477

01:30:13,430 --> 01:30:11,440

you replant the nut

2478

01:30:15,270 --> 01:30:13,440

i think banana's actually a nut see

2479

01:30:16,950 --> 01:30:15,280

that's that's why that's those are like

2480

01:30:18,390 --> 01:30:16,960

perfect examples of like why i think the

2481

01:30:19,430 --> 01:30:18,400

universe has a huge like a sense of

2482

01:30:25,510 --> 01:30:19,440

humor

2483

01:30:25,520 --> 01:30:29,110

yes dude

2484

01:30:32,709 --> 01:30:31,350

um yeah there's there was a larger point

2485

01:30:34,790 --> 01:30:32,719

that i wanted to make but i

2486

01:30:36,629 --> 01:30:34,800

i think i want to leave everybody with

2487

01:30:38,149 --> 01:30:36,639

this idea that like

2488

01:30:40,149 --> 01:30:38,159

maybe they don't give a [\h\_\_\h] about us

2489

01:30:42,709 --> 01:30:40,159

but not to the point where they don't

2490

01:30:44,470 --> 01:30:42,719

care if we live or die

2491

01:30:48,070 --> 01:30:44,480

maybe they don't give a [\h\_\_\h] enough

2492

01:30:49,430 --> 01:30:48,080

about us to the point where like we're

2493

01:30:52,470 --> 01:30:49,440

not just do your thing

2494

01:30:54,310 --> 01:30:52,480

man like be happy we gave you this

2495

01:30:55,669 --> 01:30:54,320

we're like we're your overs we're your

2496

01:30:57,189 --> 01:30:55,679

managers like we're gonna make sure

2497

01:30:58,950 --> 01:30:57,199

you're not gonna get hit by an asteroid

2498

01:31:00,629 --> 01:30:58,960

don't worry about that

2499

01:31:02,149 --> 01:31:00,639

solar flares maybe we'll let a little

2500

01:31:03,510 --> 01:31:02,159

bit in just to like keep you on your

2501

01:31:05,750 --> 01:31:03,520

toes but like

2502

01:31:07,189 --> 01:31:05,760

we got you just do your [h\_\_\h] thing

2503

01:31:08,390 --> 01:31:07,199

just keep doing what you're doing we're

2504

01:31:11,350 --> 01:31:08,400

just watching you man

2505

01:31:12,470 --> 01:31:11,360

we're just watching do your thing maybe

2506

01:31:14,830 --> 01:31:12,480

it could be that

2507

01:31:16,070 --> 01:31:14,840

it might be man i mean we're all

2508

01:31:19,189 --> 01:31:16,080

guessing

2509

01:31:21,030 --> 01:31:19,199

know

2510

01:31:23,270 --> 01:31:21,040

it's it's fun to think about i think

2511

01:31:26,310 --> 01:31:23,280

this is a fascinating story

2512

01:31:28,390 --> 01:31:26,320

yeah uh i'm starting to kind of go horse

2513

01:31:29,990 --> 01:31:28,400

and lose my voice a little bit i can

2514

01:31:31,590 --> 01:31:30,000

tell i'm uh

2515

01:31:33,270 --> 01:31:31,600

yeah i think so you're starting to sound

2516

01:31:35,510 --> 01:31:33,280

it sounds sexy bro man

2517

01:31:37,110 --> 01:31:35,520

pretty awesome you guys all need to go

2518

01:31:40,550 --> 01:31:37,120

check out this story before

2519

01:31:43,430 --> 01:31:40,560

sunday um it's it's pretty interesting

2520

01:31:44,950 --> 01:31:43,440

it's it's not like a super long read but

2521

01:31:47,189 --> 01:31:44,960

it's going to take you at least

2522

01:31:48,390 --> 01:31:47,199

45 minutes absolutely to scroll through

2523

01:31:51,430 --> 01:31:48,400

the whole thing

2524

01:31:53,430 --> 01:31:51,440

super awesome uh throwaway alien we'll

2525

01:31:55,430 --> 01:31:53,440

uh we'll post the link if you go to ufo

2526

01:31:58,950 --> 01:31:55,440

garage podcast group

2527

01:31:59,510 --> 01:31:58,960

um you can see it it was posted by ryan

2528

01:32:01,270 --> 01:31:59,520

quick

2529

01:32:03,270 --> 01:32:01,280

and it's it's on there go check out our

2530

01:32:04,870 --> 01:32:03,280

group uh join the group

2531

01:32:06,870 --> 01:32:04,880

join the discussions we have a lot of

2532

01:32:08,950 --> 01:32:06,880

fun in there um there's always people

2533

01:32:10,470 --> 01:32:08,960

posting all kinds of cool stuff so make

2534

01:32:12,390 --> 01:32:10,480

sure you're all part of the group man

2535

01:32:14,550 --> 01:32:12,400

come and hang out with us and and

2536

01:32:16,070 --> 01:32:14,560

and uh post some more stories if you

2537

01:32:16,950 --> 01:32:16,080

guys have anything that you all are

2538

01:32:19,750 --> 01:32:16,960

interested

2539

01:32:21,669 --> 01:32:19,760

in hearing a topic or whatever just

2540

01:32:23,430 --> 01:32:21,679

shoot it over to us man we may not get

2541

01:32:24,149 --> 01:32:23,440

to it immediately but we'll definitely

2542

01:32:27,669 --> 01:32:24,159

get to it

2543

01:32:29,430 --> 01:32:27,679

for sure hell yeah love that

2544

01:32:30,790 --> 01:32:29,440

all right dude well i couldn't say it

2545

01:32:33,350 --> 01:32:30,800

any better brother uh

2546

01:32:35,270 --> 01:32:33,360

thanks for uh getting through this with

2547

01:32:36,950 --> 01:32:35,280

your cold man i know how shitty it is to

2548

01:32:39,990 --> 01:32:36,960

feel sick and dude you

2549

01:32:41,590 --> 01:32:40,000

you uh you you bananaed up my friend

2550

01:32:44,390 --> 01:32:41,600

no worries man we gotta do it for the

2551  
01:32:45,669 --> 01:32:44,400  
people man do it for the peeps do it for

2552  
01:32:47,750 --> 01:32:45,679  
the people

2553  
01:32:49,110 --> 01:32:47,760  
all right man well hey uh i'll tell i'll

2554  
01:32:50,390 --> 01:32:49,120  
talk to you next week and we may have an

2555  
01:32:51,030 --> 01:32:50,400  
announcement next week with something

2556  
01:32:57,030 --> 01:32:51,040  
exciting

2557  
01:32:58,229 --> 01:32:57,040  
yeah dude sounds good man sounds good

2558  
01:33:01,350 --> 01:32:58,239  
all right guys well hey

2559  
01:33:04,629 --> 01:33:01,360  
i'll uh i'll talk to you next time

2560  
01:33:08,870 --> 01:33:04,639  
and this has been another episode
