

THURSTY
THURSDAY

UGARAGE

1
00:00:06,790 --> 00:00:01,990

i love you

2
00:00:24,950 --> 00:00:21,010

[Music]

3
00:00:28,230 --> 00:00:24,960

yeah

4
00:00:29,189 --> 00:00:28,240
this is another episode ufo garage i'm

5
00:00:31,669 --> 00:00:29,199

ben

6
00:00:33,590 --> 00:00:31,679

and i'm chad smith

7
00:00:34,750 --> 00:00:33,600
and this is where we talk about ufos

8
00:00:38,549 --> 00:00:34,760

aliens

9
00:00:41,190 --> 00:00:38,559

and all things weird things

10
00:00:43,110 --> 00:00:41,200
what's up everybody how y'all doing

11
00:00:44,700 --> 00:00:43,120
doing good i don't know why i asked you

12
00:00:47,430 --> 00:00:44,710
all that like every week

13
00:00:49,590 --> 00:00:47,440

[Laughter]

14

00:00:53,110 --> 00:00:49,600

hey what's up hey what are you guys

15

00:00:56,069 --> 00:00:54,229

dude

16

00:00:59,270 --> 00:00:56,079

it's another thirsty thursday another

17

00:01:00,069 --> 00:00:59,280

thirsty thursday in the books

18

00:01:03,270 --> 00:01:00,079

so

19

00:01:05,830 --> 00:01:03,280

this is gonna be the last time

20

00:01:07,429 --> 00:01:05,840

as you guys see single tier

21

00:01:10,310 --> 00:01:07,439

ufo garage

22

00:01:11,270 --> 00:01:10,320

single tier it's the last episode guys

23

00:01:14,070 --> 00:01:11,280

so

24

00:01:15,749 --> 00:01:14,080

let's make it a good one

25

00:01:16,710 --> 00:01:15,759

in the studio let's just do it in the

26

00:01:22,149 --> 00:01:16,720

studio

27

00:01:24,550 --> 00:01:22,159

happening we got babies coming we got

28

00:01:26,469 --> 00:01:24,560

diseases all over the world so we got to

29

00:01:29,510 --> 00:01:26,479

be careful so it's going to be the last

30

00:01:31,030 --> 00:01:29,520

one in the studio for a little bit so

31

00:01:32,950 --> 00:01:31,040

yeah we're going to have a little bit of

32

00:01:35,670 --> 00:01:32,960

a fun time tonight man we're going to

33

00:01:36,630 --> 00:01:35,680

kind of hang out no guests

34

00:01:41,190 --> 00:01:36,640

no

35

00:01:43,590 --> 00:01:41,200

stare at me and ben's mugs the whole

36

00:01:45,109 --> 00:01:43,600

time man and uh you know you know you

37

00:01:49,510 --> 00:01:45,119

know how it goes

38

00:01:52,630 --> 00:01:49,520

a good time everybody we got a couple

39

00:01:55,109 --> 00:01:52,640

goofy little topics fun topics serious

40

00:01:57,270 --> 00:01:55,119

topics we've got this great video that

41

00:01:59,830 --> 00:01:57,280

we're gonna play uh and it's it's you

42

00:02:00,550 --> 00:01:59,840

know i posted it today if you know you

43

00:02:05,429 --> 00:02:00,560

know

44

00:02:07,429 --> 00:02:05,439

[Laughter]

45

00:02:09,430 --> 00:02:07,439

if you don't know did you know like you

46

00:02:12,150 --> 00:02:09,440

know

47

00:02:14,390 --> 00:02:12,160

yes dude yes okay dude i think we should

48

00:02:17,030 --> 00:02:14,400

start up the episode with with this

49

00:02:20,830 --> 00:02:17,040

video dude all right i'm down yeah it's

50

00:02:24,070 --> 00:02:20,840

funny it's funny i i like

51

00:02:25,110 --> 00:02:24,080

it oh no mommy walmart

52

00:02:26,150 --> 00:02:25,120

wow

53

00:02:34,630 --> 00:02:26,160

ah

54

00:02:34,640 --> 00:02:43,880

burlington

55

00:02:43,890 --> 00:03:02,869

[Music]

56

00:03:02,879 --> 00:03:13,509

oh

57

00:03:17,509 --> 00:03:15,350

all right so there's a couple that

58

00:03:19,030 --> 00:03:17,519

you were even better all right what i

59

00:03:20,949 --> 00:03:19,040

just want to give people that haven't

60

00:03:24,229 --> 00:03:20,959

seen our show before like we did an

61

00:03:26,309 --> 00:03:24,239

episode like one of our very first

62

00:03:28,149 --> 00:03:26,319

where we went through a post like this

63

00:03:30,710 --> 00:03:28,159

and uh this is like the first time i've

64

00:03:32,229 --> 00:03:30,720

seen an actual video that's the same

65

00:03:38,789 --> 00:03:32,239

topic

66

00:03:38,799 --> 00:03:44,070

pizza food

67

00:03:44,080 --> 00:03:48,900

per hour

68

00:03:53,400 --> 00:03:50,010

[Laughter]

69

00:03:53,410 --> 00:03:57,509

[Music]

70

00:03:57,519 --> 00:04:02,350

oh

71

00:04:02,360 --> 00:04:10,309

[Music]

72

00:04:10,319 --> 00:04:25,990

wow

73

00:04:26,000 --> 00:04:32,340

oh

74

00:04:32,350 --> 00:04:38,230

[Applause]

75

00:04:42,790 --> 00:04:40,629

they give me every time oh my god

76

00:04:51,430 --> 00:04:42,800

they make me cry

77

00:04:51,440 --> 00:04:54,550

little sea

78

00:04:54,560 --> 00:04:57,750

oh

79

00:04:57,760 --> 00:05:07,990

[Laughter]

80

00:05:14,390 --> 00:05:11,909

i needed that so bad a little bit jesus

81

00:05:18,790 --> 00:05:14,400

okay that was fun uh well thanks for

82

00:05:21,749 --> 00:05:20,710

i'm here that's what i'm here for you

83

00:05:27,110 --> 00:05:21,759

did it

84

00:05:32,710 --> 00:05:29,909

you go down what did that say uh aurelio

85

00:05:35,430 --> 00:05:32,720

said my mom my mom used to say i'll be

86

00:05:36,710 --> 00:05:35,440

let me love you bro

87

00:05:38,790 --> 00:05:36,720

i'll be like

88

00:05:41,110 --> 00:05:38,800

hobby hope for robbie

89

00:05:43,189 --> 00:05:41,120

yes man yes

90

00:05:45,990 --> 00:05:43,199

it all started because we saw we saw

91

00:05:47,510 --> 00:05:46,000

this post that was similar to that and

92

00:05:49,110 --> 00:05:47,520

we're talking about how like my

93

00:05:50,710 --> 00:05:49,120

grandfather talks

94

00:05:52,390 --> 00:05:50,720

and he's talking he talks like that it's

95

00:05:54,310 --> 00:05:52,400

just funny and

96

00:05:55,749 --> 00:05:54,320

yeah i mean a lot of you can a lot of

97

00:05:57,189 --> 00:05:55,759

you can relate dude i mean it's just

98

00:05:59,990 --> 00:05:57,199

it's freaking hilar and what makes it

99

00:06:01,300 --> 00:06:00,000

even funnier is i i showed some guys at

100

00:06:03,590 --> 00:06:01,310

work and they didn't get it

101
00:06:05,670 --> 00:06:03,600
[Laughter]

102
00:06:07,189 --> 00:06:05,680
what i don't understand like that's how

103
00:06:08,629 --> 00:06:07,199
it's said that's how it spoke that's how

104
00:06:11,830 --> 00:06:08,639
you're supposed to say it

105
00:06:14,230 --> 00:06:11,840
work out i work in landscaping if uh if

106
00:06:16,070 --> 00:06:14,240
that clears any questions up but all of

107
00:06:19,110 --> 00:06:16,080
them were like i don't get it

108
00:06:20,950 --> 00:06:19,120
i was like laughing so hard oh

109
00:06:21,990 --> 00:06:20,960
man

110
00:06:23,510 --> 00:06:22,000
okay

111
00:06:27,110 --> 00:06:23,520
so

112
00:06:28,230 --> 00:06:27,120
we uh that i mean dude that was a uh a a

113
00:06:30,629 --> 00:06:28,240

straight-up

114

00:06:32,629 --> 00:06:30,639

improvement from the the the first i

115

00:06:34,629 --> 00:06:32,639

think that lady crushed it

116

00:06:36,469 --> 00:06:34,639

i like how she walked away like

117

00:06:39,350 --> 00:06:36,479

for everyone

118

00:06:40,390 --> 00:06:39,360

she's like a different outfit every time

119

00:06:44,550 --> 00:06:40,400

oh

120

00:06:48,070 --> 00:06:45,990

she always had like a little quip at the

121

00:06:51,430 --> 00:06:48,080

end of it like she would say something

122

00:06:53,749 --> 00:06:51,440

oh dude so a stock cross

123

00:06:56,390 --> 00:06:53,759

stove

124

00:06:57,350 --> 00:06:56,400

pizza pizza hut

125

00:07:04,870 --> 00:06:57,360

pizza

126

00:07:08,550 --> 00:07:06,309

oh okay

127

00:07:10,070 --> 00:07:08,560

uh all right let's talk about

128

00:07:12,230 --> 00:07:10,080

let's talk about what happened this this

129

00:07:14,710 --> 00:07:12,240

past weekend dude

130

00:07:16,790 --> 00:07:14,720

what happened big the big fun huh hell

131

00:07:19,670 --> 00:07:16,800

yeah i did it

132

00:07:22,710 --> 00:07:19,680

college football and college football

133

00:07:24,230 --> 00:07:22,720

the uh grande uh telephone

134

00:07:25,589 --> 00:07:24,240

yeah dude that was pretty awesome yeah

135

00:07:27,270 --> 00:07:25,599

that was pretty cool

136

00:07:29,029 --> 00:07:27,280

everybody kept calling us ben and jerry

137

00:07:30,870 --> 00:07:29,039

can anybody answer why people are

138

00:07:32,790 --> 00:07:30,880

calling us ben and jerry they're like

139

00:07:34,469 --> 00:07:32,800

just trolling us that's not even my name

140

00:07:36,629 --> 00:07:34,479

that's not if your name was jerry it

141

00:07:38,309 --> 00:07:36,639

would make sense yeah i don't know why

142

00:07:41,270 --> 00:07:38,319

they keep calling you jerry and me ben

143

00:07:43,029 --> 00:07:41,280

it's ridiculous yeah

144

00:07:44,629 --> 00:07:43,039

well they call me ben and you ben as

145

00:07:47,350 --> 00:07:44,639

well

146

00:07:49,110 --> 00:07:47,360

yeah that's right

147

00:07:50,950 --> 00:07:49,120

uh yeah that was a good time man i was

148

00:07:53,029 --> 00:07:50,960

like chatting with those dudes yeah it

149

00:07:54,629 --> 00:07:53,039

was fun and you did the website for it

150

00:07:56,469 --> 00:07:54,639

yeah i did yeah that was fun those guys

151
00:07:57,830 --> 00:07:56,479
are awesome man they're actually like

152
00:07:59,110 --> 00:07:57,840
i've worked with a lot of people that

153
00:08:01,189 --> 00:07:59,120
were pretty difficult with like working

154
00:08:04,070 --> 00:08:01,199
on websites and those these were super

155
00:08:06,710 --> 00:08:04,080
chill but also very organized and uh

156
00:08:08,950 --> 00:08:06,720
very communicative so i i i appreciated

157
00:08:11,350 --> 00:08:08,960
that man yeah yeah

158
00:08:12,950 --> 00:08:11,360
all these super nice dudes man it was uh

159
00:08:15,189 --> 00:08:12,960
it was uh yeah it was a cool weekend it

160
00:08:18,629 --> 00:08:15,199
was good if you missed it go check it

161
00:08:21,350 --> 00:08:18,639
out the big phone home uh the second big

162
00:08:22,469 --> 00:08:21,360
phone home number dose yeah dude i was

163
00:08:24,550 --> 00:08:22,479

thinking i was like damn it's been a

164

00:08:26,629 --> 00:08:24,560

year already since we did the first one

165

00:08:29,270 --> 00:08:26,639

it wasn't and it was it was like four

166

00:08:31,589 --> 00:08:29,280

months ago i think april i think i don't

167

00:08:32,949 --> 00:08:31,599

know something like that uh yeah alien

168

00:08:34,949 --> 00:08:32,959

girl was there what's up alien girl shut

169

00:08:39,430 --> 00:08:34,959

up bailey girl

170

00:08:39,440 --> 00:08:42,469

what are you doing

171

00:08:48,830 --> 00:08:44,790

um man it was awesome lin wallington was

172

00:08:50,389 --> 00:08:48,840

on there she interviewed lou elizondo

173

00:08:51,269 --> 00:08:50,399

[Music]

174

00:08:56,310 --> 00:08:51,279

uh

175

00:08:57,269 --> 00:08:56,320

a bunch of other people it was awesome

176

00:09:00,150 --> 00:08:57,279

it was cool

177

00:09:02,550 --> 00:09:00,160

dan the newsman one ram was on there

178

00:09:04,630 --> 00:09:02,560

freaking i love that he we got to be in

179

00:09:07,030 --> 00:09:04,640

a panel with him oh dude me too i love

180

00:09:08,550 --> 00:09:07,040

that he's kind of like he's he's in it

181

00:09:11,590 --> 00:09:08,560

now dude i know

182

00:09:14,070 --> 00:09:11,600

i love that dude he he puts out so much

183

00:09:16,230 --> 00:09:14,080

content dude like i love following him

184

00:09:18,790 --> 00:09:16,240

on tick tock yeah that's great fifth

185

00:09:21,269 --> 00:09:18,800

pillar of emphasis if anybody's any time

186

00:09:22,389 --> 00:09:21,279

any time we're on with him

187

00:09:24,150 --> 00:09:22,399

it's like

188

00:09:25,670 --> 00:09:24,160

we actually learned something

189

00:09:28,550 --> 00:09:25,680

we definitely learned something it's

190

00:09:30,790 --> 00:09:28,560

like oh anytime dan's on the on the show

191

00:09:32,550 --> 00:09:30,800

or like we're on a panel with dan

192

00:09:34,949 --> 00:09:32,560

bin and i are no longer the smartest

193

00:09:38,710 --> 00:09:34,959

guys in the room let's just say that

194

00:09:40,630 --> 00:09:38,720

yeah it's a little longer man yeah man

195

00:09:42,870 --> 00:09:40,640

aurelia what's up brother hey so he's

196

00:09:44,070 --> 00:09:42,880

mentioning in the chat uh the 100th

197

00:09:45,590 --> 00:09:44,080

episode

198

00:09:46,870 --> 00:09:45,600

because you know if you're a follower of

199

00:09:49,350 --> 00:09:46,880

the show you know that joe and i are

200

00:09:52,230 --> 00:09:49,360

gonna get a tattoo on the 100th episode

201
00:09:53,910 --> 00:09:52,240
yeah it's gonna be kind of hard when uh

202
00:09:55,829 --> 00:09:53,920
when i have the baby we're gonna we're

203
00:09:57,269 --> 00:09:55,839
gonna get a tattoo

204
00:09:59,190 --> 00:09:57,279
on our butt

205
00:10:02,829 --> 00:09:59,200
of a butt

206
00:10:05,430 --> 00:10:02,839
with a butt shaped tattoo on it on our

207
00:10:07,910 --> 00:10:05,440
butts i want to get uh on my but i want

208
00:10:09,829 --> 00:10:07,920
to get a tattoo of uh a turd taking a

209
00:10:13,350 --> 00:10:09,839
poop

210
00:10:15,750 --> 00:10:13,360
oh dude look you fool rhymes

211
00:10:17,430 --> 00:10:15,760
that's cool i like that i like that

212
00:10:19,670 --> 00:10:17,440
that's awesome yeah alien girl 100

213
00:10:21,590 --> 00:10:19,680

episodes dude i can't believe it either

214

00:10:23,269 --> 00:10:21,600

yeah i can't believe it either

215

00:10:24,949 --> 00:10:23,279

it's gonna be great though pretty crazy

216

00:10:27,670 --> 00:10:24,959

the the garage has gone through some

217

00:10:33,550 --> 00:10:27,680

changes we've seen uh we've seen some

218

00:10:33,560 --> 00:10:39,509

[Music]

219

00:10:43,430 --> 00:10:40,949

hey ladies and gentlemen that was a

220

00:10:46,710 --> 00:10:43,440

little buddy miles for your eardrums on

221

00:10:49,990 --> 00:10:46,720

your drive home today

222

00:10:52,150 --> 00:10:50,000

on 99.9

223

00:10:54,230 --> 00:10:52,160

the hawk my bad

224

00:10:57,829 --> 00:10:54,240

69.9

225

00:11:03,740 --> 00:10:59,910

the whole van gogh's to get a tattoo of

226

00:11:05,829 --> 00:11:03,750

the time code on bender's face yes

227

00:11:08,710 --> 00:11:05,839

[Music]

228

00:11:11,110 --> 00:11:08,720

that'd be pretty sweet nice oh yeah get

229

00:11:13,509 --> 00:11:11,120

cinnamon terry yeah damn you said that

230

00:11:15,509 --> 00:11:13,519

or uh suggested that as well

231

00:11:17,509 --> 00:11:15,519

dude that's awesome hey

232

00:11:18,949 --> 00:11:17,519

which i don't know maybe i will get

233

00:11:20,790 --> 00:11:18,959

cemetery

234

00:11:22,630 --> 00:11:20,800

that's kind of a timeless

235

00:11:24,150 --> 00:11:22,640

timeless design you know

236

00:11:27,430 --> 00:11:24,160

i was thinking just this you know the

237

00:11:30,550 --> 00:11:27,440

impala yeah but i don't know maybe some

238

00:11:34,069 --> 00:11:30,560

cinematary dude it's classic

239

00:11:39,829 --> 00:11:34,079

it's the conversation starter dude

240

00:11:44,550 --> 00:11:42,470

what if we got tattoos what if we got a

241

00:11:46,389 --> 00:11:44,560

portrait of terry loveless and then just

242

00:11:47,740 --> 00:11:46,399

colored it in blue and it was a

243

00:11:50,150 --> 00:11:47,750

sentimentary loveless

244

00:11:52,629 --> 00:11:50,160

[Laughter]

245

00:11:53,990 --> 00:11:52,639

okay who can make memes somebody make a

246

00:11:58,069 --> 00:11:54,000

meme out of that

247

00:12:02,790 --> 00:11:59,910

uh because speaking of cinematic

248

00:12:05,430 --> 00:12:02,800

loveless uh terry loveless had accepted

249

00:12:06,790 --> 00:12:05,440

our invitation to join our event we were

250

00:12:09,190 --> 00:12:06,800

gonna put on yeah you'll remember that

251

00:12:10,629 --> 00:12:09,200

big ass thing that we were

252

00:12:12,629 --> 00:12:10,639

we were talking about for like three

253

00:12:15,030 --> 00:12:12,639

weeks yeah yeah we're gonna do a live

254

00:12:17,190 --> 00:12:15,040

event and then that that i thought i was

255

00:12:19,190 --> 00:12:17,200

gonna be able to do it have the baby and

256

00:12:21,590 --> 00:12:19,200

then like i could go and be around a

257

00:12:24,069 --> 00:12:21,600

bunch of people but uh after talking

258

00:12:26,710 --> 00:12:24,079

about it with my wife my daughter forgot

259

00:12:29,030 --> 00:12:26,720

to tell his wife well i did we just

260

00:12:31,350 --> 00:12:29,040

didn't talk about it

261

00:12:33,110 --> 00:12:31,360

when we were on the phone that night i i

262

00:12:34,550 --> 00:12:33,120

like imagine this whole scenario where

263

00:12:37,190 --> 00:12:34,560

we were talking and we were like yeah

264

00:12:38,629 --> 00:12:37,200

yeah yeah yeah cool and then she came in

265

00:12:39,829 --> 00:12:38,639

the room and stared at you and you

266

00:12:42,790 --> 00:12:39,839

didn't realize she was there and then

267

00:12:43,670 --> 00:12:42,800

you turned you're like dude i gotta go

268

00:12:45,110 --> 00:12:43,680

um

269

00:12:46,550 --> 00:12:45,120

i just need to talk to jess that's

270

00:12:48,550 --> 00:12:46,560

exactly what happened

271

00:12:50,150 --> 00:12:48,560

i know god damn well what happened i

272

00:12:52,710 --> 00:12:50,160

could hear it in your voice i was like

273

00:12:53,910 --> 00:12:52,720

and then i hung up and i was like

274

00:12:55,590 --> 00:12:53,920

she was like what was that all about

275

00:12:57,590 --> 00:12:55,600

amanda was like what is that all about

276

00:12:59,910 --> 00:12:57,600

oh he forgot to tell jess and she

277

00:13:00,949 --> 00:12:59,920

probably walked in i was staring at him

278

00:13:02,470 --> 00:13:00,959

yeah

279

00:13:05,509 --> 00:13:02,480

that's exactly what happened

280

00:13:06,389 --> 00:13:05,519

so the live event will happen in austin

281

00:13:08,949 --> 00:13:06,399

we're in

282

00:13:10,470 --> 00:13:08,959

in taylor texas it will happen just

283

00:13:12,949 --> 00:13:10,480

maybe in like the

284

00:13:14,230 --> 00:13:12,959

december

285

00:13:15,990 --> 00:13:14,240

you know maybe probably we got to move

286

00:13:17,750 --> 00:13:16,000

it we'll move if he ever

287

00:13:19,750 --> 00:13:17,760

if he emails me back

288

00:13:21,590 --> 00:13:19,760

oh he's probably pissed i know do you

289

00:13:23,509 --> 00:13:21,600

could just do it you could go up there i

290

00:13:26,470 --> 00:13:23,519

can't do it by myself dude you and terry

291

00:13:27,430 --> 00:13:26,480

you and terry i i know but like it's

292

00:13:32,150 --> 00:13:27,440

like

293

00:13:34,550 --> 00:13:32,160

jerry make ice cream

294

00:13:35,990 --> 00:13:34,560

we make hot poops we make hot foods do

295

00:13:37,750 --> 00:13:36,000

you like vinegar you make cold ice cream

296

00:13:41,030 --> 00:13:37,760

we make will ben and joe make him you

297

00:13:44,710 --> 00:13:43,189

also talk about aliens yeah dude

298

00:13:46,470 --> 00:13:44,720

speaking of talking about

299

00:13:48,230 --> 00:13:46,480

she's like i can't do without you you

300

00:13:50,790 --> 00:13:48,240

know what i'm saying like you gotta you

301
00:13:52,949 --> 00:13:50,800
gotta be there man otherwise look how

302
00:13:55,829 --> 00:13:52,959
high my hands are on my hips hey thanks

303
00:13:57,509 --> 00:13:55,839
aurelio appreciate it dude dude thank

304
00:13:59,030 --> 00:13:57,519
you bro your hands are high up in your

305
00:14:01,189 --> 00:13:59,040
hips how high they are on my hips you

306
00:14:02,470 --> 00:14:01,199
got high hips i know

307
00:14:05,829 --> 00:14:02,480
you got

308
00:14:08,629 --> 00:14:05,839
high hips we've got high

309
00:14:11,350 --> 00:14:08,639
hips high hips and small nipples

310
00:14:13,430 --> 00:14:12,150
high

311
00:14:19,670 --> 00:14:13,440
hips in the

312
00:14:23,590 --> 00:14:21,670
speaking of ufos and aliens let's get

313
00:14:24,790 --> 00:14:23,600

into it dude dude let's get in what's

314

00:14:25,750 --> 00:14:24,800

okay

315

00:14:26,629 --> 00:14:25,760

when i talked to you on the phone the

316

00:14:27,910 --> 00:14:26,639

other day

317

00:14:29,430 --> 00:14:27,920

i was like let's not do a guess this

318

00:14:31,670 --> 00:14:29,440

week it's our last week in the studio

319

00:14:33,509 --> 00:14:31,680

for a while a while

320

00:14:36,470 --> 00:14:33,519

i've been thinking about some [h__\h]

321

00:14:37,509 --> 00:14:36,480

we've been watching some stuff that uh

322

00:14:39,509 --> 00:14:37,519

man

323

00:14:42,470 --> 00:14:39,519

i think it's gonna melt some people's

324

00:14:45,990 --> 00:14:42,480

freaking faces often because it melted

325

00:14:48,790 --> 00:14:46,000

mine off or it won't or won't or won't

326

00:14:50,470 --> 00:14:48,800

now that i've like hyped it up so much

327

00:14:52,310 --> 00:14:50,480

now i'm thinking about it

328

00:14:54,150 --> 00:14:52,320

probably neither probably not

329

00:14:55,750 --> 00:14:54,160

actually no let's just let's just not

330

00:14:57,829 --> 00:14:55,760

you know what let's just not for the

331

00:14:59,030 --> 00:14:57,839

last uh studio ufo garage we're just

332

00:15:01,590 --> 00:14:59,040

gonna go ahead and sign off yeah yeah

333

00:15:06,790 --> 00:15:02,870

uh

334

00:15:10,230 --> 00:15:06,800

don't know did you

335

00:15:16,069 --> 00:15:13,030

three nipples ben says he has

336

00:15:18,710 --> 00:15:16,079

three nipples and says hey yeah dude i

337

00:15:21,590 --> 00:15:18,720

uh i'm so glad that people pay attention

338

00:15:22,949 --> 00:15:21,600

like you know yeah

339

00:15:24,230 --> 00:15:22,959

i love it dude

340

00:15:25,990 --> 00:15:24,240

so what are we gonna talk about first

341

00:15:27,840 --> 00:15:26,000

bro wait i wouldn't say sunsaver says

342

00:15:29,350 --> 00:15:27,850

the world needs more hot foods

343

00:15:31,030 --> 00:15:29,360

[Laughter]

344

00:15:33,910 --> 00:15:31,040

you know the world be a better place

345

00:15:36,230 --> 00:15:33,920

yeah for sure big willy good to have you

346

00:15:37,670 --> 00:15:36,240

in the chat bro also we made an

347

00:15:39,110 --> 00:15:37,680

announcement on the last episode if you

348

00:15:42,790 --> 00:15:39,120

didn't hear it if you weren't here for

349

00:15:45,269 --> 00:15:42,800

it um william from bob the bob podcast

350

00:15:46,550 --> 00:15:45,279

big willy is gonna join us on the ufo

351

00:15:48,150 --> 00:15:46,560

garage he's gonna have his own show on

352

00:15:50,230 --> 00:15:48,160

the weekends that's right it could be a

353

00:15:52,389 --> 00:15:50,240

saturday it could be a sunday

354

00:15:54,230 --> 00:15:52,399

it could be late night on a friday

355

00:15:55,590 --> 00:15:54,240

whenever he wants to do it honestly like

356

00:15:57,509 --> 00:15:55,600

any other day with thursday so it's

357

00:16:01,030 --> 00:15:57,519

gonna be called the the

358

00:16:02,310 --> 00:16:01,040

the big ufo willy yeah show and yeah

359

00:16:03,590 --> 00:16:02,320

we're gonna we're gonna do the whole

360

00:16:05,509 --> 00:16:03,600

branding thing and he's got like this

361

00:16:07,829 --> 00:16:05,519

van i'm gonna do like an illustration of

362

00:16:10,870 --> 00:16:07,839

the van dude it's gonna be silk

363

00:16:12,710 --> 00:16:10,880

a hovering van so yeah yeah it is gonna

364

00:16:14,470 --> 00:16:12,720

it's gonna hover it's gotta but it's not

365

00:16:16,389 --> 00:16:14,480

gonna be like our technology it's gonna

366

00:16:18,870 --> 00:16:16,399

be well ours is powered by masturbation

367

00:16:20,310 --> 00:16:18,880

propulsion technology as as everyone

368

00:16:21,990 --> 00:16:20,320

knows right this would be powered by

369

00:16:23,590 --> 00:16:22,000

double a's double a's better yeah i get

370

00:16:25,509 --> 00:16:23,600

it

371

00:16:28,550 --> 00:16:25,519

just one

372

00:16:33,749 --> 00:16:30,150

you could like change it out every 13

373

00:16:40,710 --> 00:16:37,990

sure spot a tesla uh all right so let's

374

00:16:41,990 --> 00:16:40,720

get into it dude we have some topics you

375

00:16:44,629 --> 00:16:42,000

guys

376

00:16:46,790 --> 00:16:44,639

the first one is uh

377

00:16:47,829 --> 00:16:46,800

a a video and i want to give credit to

378

00:16:50,629 --> 00:16:47,839

the guy

379

00:16:53,030 --> 00:16:50,639

um so let me let me pull this up i i i

380

00:16:56,310 --> 00:16:53,040

came across a video

381

00:16:58,870 --> 00:16:56,320

of a dude that was his name is pastor

382

00:17:00,710 --> 00:16:58,880

stephen i don't give that full no credit

383

00:17:02,389 --> 00:17:00,720

i will don't give that full no credit

384

00:17:04,949 --> 00:17:02,399

pastor stephen with two in he just heard

385

00:17:06,390 --> 00:17:04,959

that from somebody else

386

00:17:08,309 --> 00:17:06,400

i don't know i mean

387

00:17:10,150 --> 00:17:08,319

is it don't isn't everything from

388

00:17:12,390 --> 00:17:10,160

something else dude oh totally that's

389

00:17:13,669 --> 00:17:12,400

what it is is a little bit of this and

390

00:17:15,909 --> 00:17:13,679

that i mean yeah there's like straight

391

00:17:18,099 --> 00:17:15,919

up plagiarism anyway i'll get into the

392

00:17:24,549 --> 00:17:18,109

thing

393

00:17:28,789 --> 00:17:26,390

for plagiarizing that that foreign dude

394

00:17:31,350 --> 00:17:28,799

speech and then used it as his speech

395

00:17:33,270 --> 00:17:31,360

yeah it was like in the 90s or some [h__\h]

396

00:17:34,950 --> 00:17:33,280

and then he got caught

397

00:17:36,230 --> 00:17:34,960

i know that i know that okay i don't

398

00:17:39,669 --> 00:17:36,240

know much about

399

00:17:41,750 --> 00:17:39,679

politics but a lot of the speech writers

400

00:17:44,070 --> 00:17:41,760

that's their that's their fault they

401
00:17:46,470 --> 00:17:44,080
they they write the scripts

402
00:17:48,390 --> 00:17:46,480
i don't know maybe maybe i ran off of

403
00:17:50,310 --> 00:17:48,400
google anyway

404
00:17:53,510 --> 00:17:50,320
pastor stephen he brought up this cool

405
00:17:56,870 --> 00:17:53,520
idea and it kind of dovetails with a a

406
00:17:57,990 --> 00:17:56,880
concept that i kind of talked about with

407
00:18:00,549 --> 00:17:58,000
i think

408
00:18:02,630 --> 00:18:00,559
was it uh did we have big willy on our

409
00:18:06,310 --> 00:18:02,640
show or i don't know i can't remember if

410
00:18:08,950 --> 00:18:06,320
i was on their show or it was me anyway

411
00:18:10,390 --> 00:18:08,960
this uh maybe i was at quarter no it was

412
00:18:11,590 --> 00:18:10,400
just it was you and me and then i was

413
00:18:12,950 --> 00:18:11,600

listening to the bob podcast and they

414

00:18:14,390 --> 00:18:12,960

talked about it anyway

415

00:18:15,990 --> 00:18:14,400

the concept is

416

00:18:18,630 --> 00:18:16,000

that uh

417

00:18:21,830 --> 00:18:18,640

the fishbowl analogy where like

418

00:18:24,230 --> 00:18:21,840

you have this this entity that lives in

419

00:18:27,110 --> 00:18:24,240

this matrix of

420

00:18:29,029 --> 00:18:27,120

that is set rules like the bowl is these

421

00:18:30,950 --> 00:18:29,039

are these set rules with physics and

422

00:18:32,789 --> 00:18:30,960

time and matter

423

00:18:34,070 --> 00:18:32,799

but god you know i'm not a very

424

00:18:35,909 --> 00:18:34,080

religious person but i'm very

425

00:18:38,070 --> 00:18:35,919

open-minded to spirituality and stuff

426

00:18:39,990 --> 00:18:38,080

and i do think there is a creator

427

00:18:42,789 --> 00:18:40,000

uh doesn't apply he's outside of that

428

00:18:46,150 --> 00:18:42,799

fishball so it doesn't doesn't apply to

429

00:18:49,909 --> 00:18:46,160

him like so time and and space and

430

00:18:51,909 --> 00:18:49,919

size and all you know chips and salsa

431

00:18:54,070 --> 00:18:51,919

like dude does not apply

432

00:18:55,750 --> 00:18:54,080

so that idea of like well if you were

433

00:18:57,830 --> 00:18:55,760

created that means god was created too

434

00:18:59,510 --> 00:18:57,840

well no it doesn't because

435

00:19:01,830 --> 00:18:59,520

he doesn't need to have been created he

436

00:19:04,950 --> 00:19:01,840

could just live outside of this whole

437

00:19:06,870 --> 00:19:04,960

reality where he's always or it's always

438

00:19:09,430 --> 00:19:06,880

i hate that i'm like making it a male

439

00:19:11,590 --> 00:19:09,440

thing but like god has always existed

440

00:19:14,549 --> 00:19:11,600

you know maybe maybe it's consciousness

441

00:19:16,950 --> 00:19:14,559

maybe consciousness is what we call god

442

00:19:18,789 --> 00:19:16,960

in a way uh that kind of steers the

443

00:19:21,110 --> 00:19:18,799

universe in a specific direction but

444

00:19:22,549 --> 00:19:21,120

like it doesn't apply man and it's just

445

00:19:25,029 --> 00:19:22,559

always been

446

00:19:26,470 --> 00:19:25,039

that's just such a weird concept dude of

447

00:19:28,310 --> 00:19:26,480

something just

448

00:19:30,150 --> 00:19:28,320

always been well we can't wrap our minds

449

00:19:31,990 --> 00:19:30,160

around it i still can't you can't

450

00:19:34,549 --> 00:19:32,000

because always been

451
00:19:36,230 --> 00:19:34,559
means infinity right and like there's no

452
00:19:37,990 --> 00:19:36,240
way that we can wrap our heads around

453
00:19:39,029 --> 00:19:38,000
infinity and remember we had talked

454
00:19:41,029 --> 00:19:39,039
about

455
00:19:43,270 --> 00:19:41,039
like big infinity and then like there's

456
00:19:45,750 --> 00:19:43,280
like the the micro infinity like they're

457
00:19:49,270 --> 00:19:45,760
well what is it no it's like so you can

458
00:19:51,430 --> 00:19:49,280
go like zero to infinity right and

459
00:19:52,390 --> 00:19:51,440
you'll never reach infinity but you can

460
00:19:53,430 --> 00:19:52,400
also

461
00:19:54,549 --> 00:19:53,440
go

462
00:19:55,510 --> 00:19:54,559
uh

463
00:19:59,350 --> 00:19:55,520

you know

464

00:20:02,710 --> 00:19:59,360

one point infinity or zero point

465

00:20:03,669 --> 00:20:02,720

infinity like like the scale of infinity

466

00:20:06,070 --> 00:20:03,679

is

467

00:20:08,950 --> 00:20:06,080

so massive like you could you're

468

00:20:10,870 --> 00:20:08,960

literally going to infinity without ever

469

00:20:12,789 --> 00:20:10,880

reaching one

470

00:20:15,190 --> 00:20:12,799

yeah yeah so

471

00:20:18,149 --> 00:20:15,200

before you even reach

472

00:20:20,230 --> 00:20:18,159

one one whole thing

473

00:20:21,990 --> 00:20:20,240

you have point zero zero zero two

474

00:20:23,990 --> 00:20:22,000

infinity and then one

475

00:20:26,149 --> 00:20:24,000

so it doesn't exist but i think the the

476

00:20:28,470 --> 00:20:26,159

very beginning of that thought is and

477

00:20:31,590 --> 00:20:28,480

it's not your fault it's it's it's just

478

00:20:33,510 --> 00:20:31,600

like you can't go from from one to

479

00:20:35,270 --> 00:20:33,520

infinity that's a mute point like it

480

00:20:36,950 --> 00:20:35,280

totally cancels itself out because you

481

00:20:38,789 --> 00:20:36,960

can't have a beginning and an end with

482

00:20:40,390 --> 00:20:38,799

infinity right so you can't start

483

00:20:43,190 --> 00:20:40,400

anywhere and you can't end anywhere with

484

00:20:45,190 --> 00:20:43,200

that concept yeah so it's just like you

485

00:20:47,750 --> 00:20:45,200

you have to just be okay with it not

486

00:20:50,070 --> 00:20:47,760

making sense like infinity you know if

487

00:20:53,350 --> 00:20:50,080

there is an infinity there's no start

488

00:20:54,789 --> 00:20:53,360

and there is no end is there a negative

489

00:20:56,549 --> 00:20:54,799

oh

490

00:20:57,430 --> 00:20:56,559

it could so there

491

00:20:59,270 --> 00:20:57,440

so like

492

00:21:02,149 --> 00:20:59,280

we we assume infinity like we think of

493

00:21:03,830 --> 00:21:02,159

infinity as like i guess always always

494

00:21:05,270 --> 00:21:03,840

existed right

495

00:21:08,630 --> 00:21:05,280

i guess in my head i kind of think of

496

00:21:10,710 --> 00:21:08,640

infinity from like this point on

497

00:21:14,870 --> 00:21:10,720

to infinity right yeah but i wonder if

498

00:21:16,549 --> 00:21:14,880

there's like a infinity backwards oh

499

00:21:18,710 --> 00:21:16,559

see that would still imply a starting

500

00:21:21,350 --> 00:21:18,720

point

501
00:21:23,750 --> 00:21:21,360
i think you can have a net okay i'm i'm

502
00:21:26,149 --> 00:21:23,760
thinking literally or linear

503
00:21:27,430 --> 00:21:26,159
linearly maybe i'm misunderstanding you

504
00:21:29,590 --> 00:21:27,440
so like

505
00:21:31,909 --> 00:21:29,600
what if there is a

506
00:21:34,230 --> 00:21:31,919
circle infinity but but uh uh an

507
00:21:35,669 --> 00:21:34,240
opposite you know like maybe it's a

508
00:21:37,830 --> 00:21:35,679
rotational maybe you have to think about

509
00:21:39,909 --> 00:21:37,840
it as a rotation instead of going left

510
00:21:42,470 --> 00:21:39,919
it's going right so there's an equal and

511
00:21:44,230 --> 00:21:42,480
opposite opposing

512
00:21:45,510 --> 00:21:44,240
oh i thought that was nibbler growling

513
00:21:46,630 --> 00:21:45,520

it's just my wife puttering in the

514

00:21:47,909 --> 00:21:46,640

kitchen

515

00:21:52,710 --> 00:21:47,919

uh

516

00:21:55,430 --> 00:21:52,720

in the first place yeah well

517

00:21:58,630 --> 00:21:55,440

that is also a cancelling out because

518

00:22:02,390 --> 00:21:58,640

you can't have a creation of infinity

519

00:22:04,470 --> 00:22:02,400

infinity is just infinity like

520

00:22:09,190 --> 00:22:04,480

does that make sense yeah but it's just

521

00:22:12,310 --> 00:22:09,200

like like how does infinity get there

522

00:22:14,630 --> 00:22:12,320

when it doesn't get anywhere it just is

523

00:22:17,510 --> 00:22:14,640

but where does it come from it doesn't

524

00:22:20,710 --> 00:22:17,520

come from anywhere it just is dude and

525

00:22:23,669 --> 00:22:20,720

always will be but where is the end

526

00:22:26,390 --> 00:22:23,679

where can you see it

527

00:22:28,390 --> 00:22:26,400

it's in everything man it's um

528

00:22:31,270 --> 00:22:28,400

i don't know i don't know it's just such

529

00:22:33,350 --> 00:22:31,280

a mind-bending like i'm starting to

530

00:22:34,950 --> 00:22:33,360

grasp it but it's like it took me a

531

00:22:36,789 --> 00:22:34,960

couple a couple of

532

00:22:38,470 --> 00:22:36,799

i almost said years

533

00:22:40,020 --> 00:22:38,480

i just started thinking about this

534

00:22:42,310 --> 00:22:40,030

infinity says i'm here

535

00:22:43,430 --> 00:22:42,320

[Laughter]

536

00:22:45,350 --> 00:22:43,440

you are here

537

00:22:47,510 --> 00:22:45,360

hey i like that green guy on your uh

538

00:22:49,990 --> 00:22:47,520

profile photo too this little lizard

539

00:22:52,310 --> 00:22:50,000

with a little his his arm in a solo cup

540

00:22:54,470 --> 00:22:52,320

dude looks like he's about to uh pick it

541

00:22:56,870 --> 00:22:54,480

up and like throw it for like

542

00:22:57,750 --> 00:22:56,880

like beerbong

543

00:22:59,909 --> 00:22:57,760

yeah

544

00:23:02,870 --> 00:22:59,919

infinity okay so uh

545

00:23:05,110 --> 00:23:02,880

uh carl says infinity is a mathematical

546

00:23:07,990 --> 00:23:05,120

construct just like zero

547

00:23:12,230 --> 00:23:08,000

so that okay yeah i totally agree with

548

00:23:14,789 --> 00:23:12,240

that so then did we make up infinity

549

00:23:15,430 --> 00:23:14,799

did infinity exist until we thought of

550

00:23:27,270 --> 00:23:15,440

it

551
00:23:30,230 --> 00:23:27,280
not exist

552
00:23:31,830 --> 00:23:30,240
uh unless it's observed or conceived by

553
00:23:33,830 --> 00:23:31,840
a consciousness

554
00:23:34,830 --> 00:23:33,840
infinity you know it's like hold on

555
00:23:41,669 --> 00:23:34,840
jacob

556
00:23:44,149 --> 00:23:42,710
oh

557
00:23:49,590 --> 00:23:44,159
yes

558
00:23:53,110 --> 00:23:51,590
you need to stop skipping leg day dude

559
00:23:55,029 --> 00:23:53,120
that's why you look like a bird bro well

560
00:23:56,710 --> 00:23:55,039
just put it in your headphones and go

561
00:23:59,190 --> 00:23:56,720
rush

562
00:24:01,990 --> 00:23:59,200
dude i don't know man like yeah ah dude

563
00:24:03,750 --> 00:24:02,000

i don't know infinity is kind of like a

564

00:24:05,990 --> 00:24:03,760

dude it's just weird

565

00:24:07,909 --> 00:24:06,000

sunsaver says a lot of us physicists

566

00:24:10,789 --> 00:24:07,919

think there is a negative or mirror

567

00:24:13,830 --> 00:24:10,799

universe of antimatter and negative time

568

00:24:15,190 --> 00:24:13,840

on the other side of the big bang

569

00:24:17,669 --> 00:24:15,200

cool

570

00:24:19,750 --> 00:24:17,679

i love that so if you're living in this

571

00:24:21,350 --> 00:24:19,760

negative time and you're going through

572

00:24:24,630 --> 00:24:21,360

negative time

573

00:24:26,789 --> 00:24:24,640

you're gonna have a bad time are we

574

00:24:29,110 --> 00:24:26,799

where we're at

575

00:24:29,990 --> 00:24:29,120

so if we live in the negative timeline

576
00:24:31,269 --> 00:24:30,000
right

577
00:24:32,710 --> 00:24:31,279
are they

578
00:24:35,430 --> 00:24:32,720
under the impression that they're in the

579
00:24:37,430 --> 00:24:35,440
positive timeline and our timeline is

580
00:24:39,909 --> 00:24:37,440
the negative timeline

581
00:24:41,669 --> 00:24:39,919
so are there physicists in the negative

582
00:24:43,990 --> 00:24:41,679
timeline saying hey there's like a

583
00:24:46,310 --> 00:24:44,000
negative timeline somewhere else or like

584
00:24:47,990 --> 00:24:46,320
a mirror universe like it's got to be

585
00:24:48,789 --> 00:24:48,000
right

586
00:24:51,190 --> 00:24:48,799
so

587
00:24:53,190 --> 00:24:51,200
dude i'm trying to visualize this thing

588
00:24:56,870 --> 00:24:53,200

so it's infinity again well think of the

589

00:24:59,029 --> 00:24:56,880

affinity symbol infinity symbol um

590

00:25:01,990 --> 00:24:59,039

there there isn't there's a crossover in

591

00:25:03,430 --> 00:25:02,000

the middle right yeah so maybe

592

00:25:05,590 --> 00:25:03,440

you always that maybe that just

593

00:25:08,549 --> 00:25:05,600

represents the present moment

594

00:25:09,590 --> 00:25:08,559

and there is no linear there is no 4d

595

00:25:11,190 --> 00:25:09,600

it's like

596

00:25:13,110 --> 00:25:11,200

you're living in the middle of some kind

597

00:25:15,029 --> 00:25:13,120

of toroidal you know like like the

598

00:25:16,630 --> 00:25:15,039

infinity symbol is really if you take a

599

00:25:19,990 --> 00:25:16,640

bunch of them and just twist them around

600

00:25:22,230 --> 00:25:20,000

it it makes a toroidal kind of magnetic

601
00:25:24,630 --> 00:25:22,240
field flux kind of

602
00:25:27,269 --> 00:25:24,640
terminology

603
00:25:30,630 --> 00:25:27,279
uh but the present moment is always at

604
00:25:33,190 --> 00:25:30,640
that that cross section and then uh

605
00:25:34,390 --> 00:25:33,200
what is possible and what is not

606
00:25:37,269 --> 00:25:34,400
possible well maybe i don't know what

607
00:25:38,789 --> 00:25:37,279
the opposite of possible is

608
00:25:40,149 --> 00:25:38,799
is it impossible

609
00:25:42,950 --> 00:25:40,159
did i like

610
00:25:45,269 --> 00:25:42,960
that possible and impossible maybe

611
00:25:46,950 --> 00:25:45,279
so that's one end of the spectrum and

612
00:25:47,909 --> 00:25:46,960
it's kind of like famous

613
00:25:50,149 --> 00:25:47,919

and

614

00:25:53,750 --> 00:25:50,159

infamous

615

00:25:56,870 --> 00:25:53,760

means like you're so famous that you

616

00:25:59,269 --> 00:25:56,880

can't not be famous no no it's like you

617

00:26:02,630 --> 00:25:59,279

know you have you're famous but like

618

00:26:04,870 --> 00:26:02,640

infamous is like you're like infamous

619

00:26:06,710 --> 00:26:04,880

so you're not famous

620

00:26:08,390 --> 00:26:06,720

or you're in the side of vancouver it's

621

00:26:09,590 --> 00:26:08,400

a three amigos quote

622

00:26:12,789 --> 00:26:09,600

oh yeah

623

00:26:15,029 --> 00:26:12,799

infamous the infamous el guapo he's like

624

00:26:20,310 --> 00:26:15,039

oh that's more famous than famous he's

625

00:26:24,310 --> 00:26:22,549

you say sweater

626

00:26:27,430 --> 00:26:24,320

i love the three amigos dude it's like

627

00:26:29,590 --> 00:26:27,440

one of my favorite movies of all time

628

00:26:31,830 --> 00:26:29,600

i wish i got more of those references

629

00:26:33,750 --> 00:26:31,840

luke is also a huge fan of three amigas

630

00:26:36,149 --> 00:26:33,760

so he references it a lot like i just

631

00:26:38,870 --> 00:26:36,159

don't i don't get it i don't get it oh

632

00:26:43,029 --> 00:26:38,880

dude

633

00:26:44,549 --> 00:26:43,039

where were we where did this start

634

00:26:46,870 --> 00:26:44,559

oh god we were talking about like the

635

00:26:48,310 --> 00:26:46,880

concept of god and how it though

636

00:26:50,470 --> 00:26:48,320

it didn't start dude it's been going

637

00:26:52,549 --> 00:26:50,480

forever oh

638

00:26:53,750 --> 00:26:52,559

[h__h] see what i did there

639

00:26:56,149 --> 00:26:53,760

see what i did

640

00:26:58,470 --> 00:26:56,159

i made it infinity bro hey i made our

641

00:27:00,630 --> 00:26:58,480

conversation infinity

642

00:27:03,269 --> 00:27:00,640

so which means you can create infinity

643

00:27:05,430 --> 00:27:03,279

because i did it

644

00:27:06,789 --> 00:27:05,440

you did i did joe just made affinity i

645

00:27:09,269 --> 00:27:06,799

did it i

646

00:27:11,190 --> 00:27:09,279

you you're a god god

647

00:27:13,190 --> 00:27:11,200

and you're smart

648

00:27:14,230 --> 00:27:13,200

what if we what if we find out there is

649

00:27:18,149 --> 00:27:14,240

like

650

00:27:19,669 --> 00:27:18,159

they're kind of dumb

651
00:27:25,669 --> 00:27:19,679
and they're like oh my dad gave this

652
00:27:28,630 --> 00:27:27,029
can i hang out

653
00:27:32,149 --> 00:27:28,640
i just need a place to crash for two

654
00:27:37,510 --> 00:27:32,159
days dude please like two days

655
00:27:42,310 --> 00:27:39,430
we can't we can't we can't explain what

656
00:27:43,830 --> 00:27:42,320
that that reference is right okay

657
00:27:46,630 --> 00:27:43,840
yeah this lives on the internet no

658
00:27:48,470 --> 00:27:46,640
beginning and no actual in so just make

659
00:27:51,590 --> 00:27:48,480
it better oh love that

660
00:27:52,950 --> 00:27:51,600
dude i like to show off that

661
00:27:55,269 --> 00:27:52,960
love that

662
00:27:57,510 --> 00:27:55,279
just make it better just make it better

663
00:28:00,389 --> 00:27:57,520

i i think that we're we're always

664

00:28:01,990 --> 00:28:00,399

worried about we always live in the past

665

00:28:03,190 --> 00:28:02,000

i was trying to explain to jess this

666

00:28:06,070 --> 00:28:03,200

this idea

667

00:28:08,230 --> 00:28:06,080

about uh this thought that i was having

668

00:28:09,430 --> 00:28:08,240

funny you say that sun saver like

669

00:28:10,710 --> 00:28:09,440

like just make it better you're making

670

00:28:12,549 --> 00:28:10,720

me think of this thing i was talking

671

00:28:13,510 --> 00:28:12,559

with my wife about this this concept of

672

00:28:16,070 --> 00:28:13,520

like

673

00:28:18,950 --> 00:28:16,080

your brain your consciousness lives in

674

00:28:20,230 --> 00:28:18,960

the past present and future at all times

675

00:28:21,990 --> 00:28:20,240

because

676

00:28:23,510 --> 00:28:22,000

you know like try to tell a story like

677

00:28:25,510 --> 00:28:23,520

just a simple story like i went

678

00:28:28,310 --> 00:28:25,520

yesterday i went to the grocery store

679

00:28:30,789 --> 00:28:28,320

and i got home and uh i put the

680

00:28:32,389 --> 00:28:30,799

groceries in the fridge and then like

681

00:28:33,669 --> 00:28:32,399

tomorrow they're going to expire so we

682

00:28:35,909 --> 00:28:33,679

got to eat them

683

00:28:38,549 --> 00:28:35,919

we got to eat the stuff that i got

684

00:28:41,750 --> 00:28:38,559

you're talking about past present and

685

00:28:43,990 --> 00:28:41,760

future all in the same sentence uh

686

00:28:45,350 --> 00:28:44,000

honestly i think i i think that concept

687

00:28:47,350 --> 00:28:45,360

came from me listening to the the

688

00:28:50,310 --> 00:28:47,360

bledsoe said so like got my gears

689

00:28:51,830 --> 00:28:50,320

turning oh yeah dude uh and i just i

690

00:28:52,950 --> 00:28:51,840

couldn't i couldn't let it go i couldn't

691

00:28:54,870 --> 00:28:52,960

hang it up

692

00:28:56,470 --> 00:28:54,880

uh but yeah like

693

00:28:58,549 --> 00:28:56,480

oh you know you know what it was it was

694

00:28:59,990 --> 00:28:58,559

this this other video that i saw that

695

00:29:02,389 --> 00:29:00,000

was talking about

696

00:29:05,029 --> 00:29:02,399

uh the arrival the the new one the

697

00:29:06,710 --> 00:29:05,039

arrival and how the language doesn't

698

00:29:09,269 --> 00:29:06,720

exist in time and like they oh yeah they

699

00:29:10,870 --> 00:29:09,279

speak from the present in the past yeah

700

00:29:11,590 --> 00:29:10,880

i don't know man my last two weeks have

701
00:29:13,029 --> 00:29:11,600
been

702
00:29:15,830 --> 00:29:13,039
everything's jumbled in my head it's

703
00:29:18,630 --> 00:29:15,840
like a whole life cycle explained in

704
00:29:19,990 --> 00:29:18,640
like a symbol so it tells you

705
00:29:21,909 --> 00:29:20,000
they're

706
00:29:23,350 --> 00:29:21,919
i guess well i mean i guess it's their

707
00:29:25,029 --> 00:29:23,360
beginning and end right but it's like

708
00:29:32,549 --> 00:29:25,039
the whole they just already know it's

709
00:29:36,149 --> 00:29:34,870
to like already know like yeah i mean i

710
00:29:38,149 --> 00:29:36,159
guess you could make calculated

711
00:29:39,830 --> 00:29:38,159
decisions a lot better yeah yeah but

712
00:29:42,230 --> 00:29:39,840
there would be no surprise birthday

713
00:29:43,909 --> 00:29:42,240

parties dude i know

714

00:29:46,149 --> 00:29:43,919

there would be there would be no like i

715

00:29:47,830 --> 00:29:46,159

can't wait for my birthday dude

716

00:29:51,669 --> 00:29:47,840

it's gonna be sick yeah your brain is

717

00:29:53,190 --> 00:29:51,679

gonna be dope dude surprise

718

00:29:55,990 --> 00:29:53,200

is that what you're gonna say

719

00:29:59,750 --> 00:29:57,590

birthday

720

00:30:01,430 --> 00:29:59,760

oh my god

721

00:30:03,029 --> 00:30:01,440

um

722

00:30:04,310 --> 00:30:03,039

okay let's see we got a couple comments

723

00:30:05,830 --> 00:30:04,320

here

724

00:30:09,590 --> 00:30:05,840

yeah

725

00:30:10,710 --> 00:30:09,600

so great great podcast you guys you

726

00:30:13,190 --> 00:30:10,720

gotta y'all gotta check it out if you

727

00:30:14,230 --> 00:30:13,200

haven't listened to it it's so awesome

728

00:30:16,549 --> 00:30:14,240

um

729

00:30:18,310 --> 00:30:16,559

also uh okay well i'll i'll save that

730

00:30:20,149 --> 00:30:18,320

for for later anything we also we want

731

00:30:22,789 --> 00:30:20,159

to talk about this topic before we move

732

00:30:24,549 --> 00:30:22,799

on because we're at the uh the half hour

733

00:30:27,269 --> 00:30:24,559

mark i want to kind of get through all

734

00:30:29,110 --> 00:30:27,279

of them you know what i mean

735

00:30:30,549 --> 00:30:29,120

uh anything else on that one the

736

00:30:32,710 --> 00:30:30,559

fishbowl thing

737

00:30:34,950 --> 00:30:32,720

well you i don't think you explained oh

738

00:30:39,110 --> 00:30:34,960

yeah you did like we are the fishbowl

739

00:30:41,510 --> 00:30:39,120
everything outside is is this like

740

00:30:42,710 --> 00:30:41,520
god thing yeah yeah so like god it's

741

00:30:44,870 --> 00:30:42,720
just always

742

00:30:47,510 --> 00:30:44,880
always existed yeah

743

00:30:49,669 --> 00:30:47,520
we never like really came up with a

744

00:30:50,950 --> 00:30:49,679
conclusion for that but like well i

745

00:30:52,789 --> 00:30:50,960
think i think just sit with it for a

746

00:30:54,070 --> 00:30:52,799
little bit and i think you will later i

747

00:30:55,510 --> 00:30:54,080
think it'll hit you later because it did

748

00:30:57,269 --> 00:30:55,520
for me because i was just thinking about

749

00:30:59,110 --> 00:30:57,279
it and i like left it alone and just you

750

00:31:01,269 --> 00:30:59,120
know

751
00:31:02,389 --> 00:31:01,279
took up my time with other things and

752
00:31:04,630 --> 00:31:02,399
then i

753
00:31:07,350 --> 00:31:04,640
had an aha moment later when i was just

754
00:31:09,190 --> 00:31:07,360
like you know working on this a wall

755
00:31:11,350 --> 00:31:09,200
and not thinking about anything and then

756
00:31:14,070 --> 00:31:11,360
it hit me i can't believe you laid all

757
00:31:16,789 --> 00:31:14,080
that brick today hey man hey man hey man

758
00:31:18,630 --> 00:31:16,799
i light all that brick mine all today

759
00:31:20,630 --> 00:31:18,640
and i'll tell you what

760
00:31:22,230 --> 00:31:20,640
hell that looks real nice hey man i

761
00:31:25,830 --> 00:31:22,240
thank you man

762
00:31:27,830 --> 00:31:25,840
i i i also carved all them bricks from

763
00:31:29,350 --> 00:31:27,840

uh a toothpaste

764

00:31:33,590 --> 00:31:29,360

toothpaste

765

00:31:36,149 --> 00:31:33,600

uh yeah so that concept of

766

00:31:37,350 --> 00:31:36,159

we are the fish the fish bowl is our

767

00:31:39,909 --> 00:31:37,360

universe

768

00:31:42,389 --> 00:31:39,919

so all the

769

00:31:43,909 --> 00:31:42,399

matter and time and space only exists

770

00:31:47,430 --> 00:31:43,919

within this fishbowl and we're trying to

771

00:31:49,590 --> 00:31:47,440

say well god has to you know do

772

00:31:51,269 --> 00:31:49,600

something well no he doesn't because he

773

00:31:52,549 --> 00:31:51,279

doesn't live in the fishbowl like yeah

774

00:31:54,470 --> 00:31:52,559

maybe he can live he's outside the

775

00:31:56,870 --> 00:31:54,480

fishing lives off the side of the fish

776

00:31:59,509 --> 00:31:56,880

the thing is is that we're just two lost

777

00:32:02,549 --> 00:31:59,519

souls swimming in a fishbowl you should

778

00:32:04,389 --> 00:32:02,559

write a song about that year after year

779

00:32:06,070 --> 00:32:04,399

hey man you ever heard that you ever

780

00:32:09,430 --> 00:32:06,080

heard that man

781

00:32:13,750 --> 00:32:11,430

hey you said hey that song you played

782

00:32:15,669 --> 00:32:13,760

that sound like that that black cherry

783

00:32:18,230 --> 00:32:15,679

and you look like that guitar player too

784

00:32:19,430 --> 00:32:18,240

man hey hey what's that god smack song

785

00:32:21,590 --> 00:32:19,440

from that uh

786

00:32:23,430 --> 00:32:21,600

what was that scorpion warrior or

787

00:32:26,230 --> 00:32:23,440

something like that with that chris rock

788

00:32:28,789 --> 00:32:26,240

guy yeah chris rock in it

789

00:32:30,389 --> 00:32:28,799

no no the rock the rock oh yeah the

790

00:32:32,789 --> 00:32:30,399

chris rock guy

791

00:32:34,710 --> 00:32:32,799

no no just the rock

792

00:32:36,789 --> 00:32:34,720

yeah that guy yeah that guy

793

00:32:38,389 --> 00:32:36,799

man i love that guy's max man that's a

794

00:32:43,750 --> 00:32:38,399

good song man

795

00:32:46,310 --> 00:32:43,760

hey my wife and i saw uh uh uh we saw uh

796

00:32:49,430 --> 00:32:46,320

that new ccr across canadian ragweed

797

00:32:51,430 --> 00:32:49,440

over the expo center last summer man

798

00:32:53,029 --> 00:32:51,440

they're like cross between like like

799

00:32:54,710 --> 00:32:53,039

country a little bit country rock and

800

00:32:57,590 --> 00:32:54,720

roll man

801
00:33:01,830 --> 00:32:57,600
we was dancing man y'all sound just like

802
00:33:07,590 --> 00:33:04,950
hey look can i can i see hey cop

803
00:33:09,909 --> 00:33:07,600
you my [h__h] come play guitar hey man

804
00:33:11,430 --> 00:33:09,919
i'll have that same guitar i swear to

805
00:33:13,029 --> 00:33:11,440
god i have the same guitar at home but

806
00:33:16,389 --> 00:33:13,039
except it's a peavey you know willie

807
00:33:20,230 --> 00:33:17,909
no don't do that one

808
00:33:22,230 --> 00:33:20,240
do not do that one dude all right

809
00:33:23,990 --> 00:33:22,240
all right

810
00:33:25,750 --> 00:33:24,000
okay moving on here we go next topic

811
00:33:29,190 --> 00:33:25,760
well let's see if anybody else added

812
00:33:31,350 --> 00:33:29,200
that oh yeah yeah anybody else have any

813
00:33:35,350 --> 00:33:31,360

somebody was uh yeah gordium was uh

814

00:33:39,029 --> 00:33:37,590

oh yeah we're always hearing about chad

815

00:33:40,870 --> 00:33:39,039

smith i mean this guy we don't know

816

00:33:42,549 --> 00:33:40,880

where he came from you know he's kind of

817

00:33:44,149 --> 00:33:42,559

like the infinity symbol no one knows

818

00:33:46,230 --> 00:33:44,159

where he came from

819

00:33:48,789 --> 00:33:46,240

and there's no end in sight he he's just

820

00:33:50,630 --> 00:33:48,799

he is one he is uh he is all of us we

821

00:33:52,789 --> 00:33:50,640

are all chad smith it's like he's kind

822

00:33:54,549 --> 00:33:52,799

of like god and i joke like

823

00:33:58,549 --> 00:33:54,559

where where did you come from i'm coming

824

00:34:03,430 --> 00:34:01,509

oh somebody said uh jacob exactly oh uh

825

00:34:04,870 --> 00:34:03,440

willie said jacob exactly i want to see

826

00:34:06,549 --> 00:34:04,880

what jacob said

827

00:34:10,310 --> 00:34:06,559

i feel like i'm living in a parallel

828

00:34:12,470 --> 00:34:10,320

universe of another failed universe

829

00:34:14,310 --> 00:34:12,480

dude let's talk about field universes

830

00:34:16,149 --> 00:34:14,320

that kind of we could kind of skip over

831

00:34:19,109 --> 00:34:16,159

our list of things

832

00:34:20,550 --> 00:34:19,119

well didn't moot

833

00:34:22,389 --> 00:34:20,560

have we failed

834

00:34:24,310 --> 00:34:22,399

have we how do we think so i don't think

835

00:34:25,589 --> 00:34:24,320

we failed how we feel

836

00:34:27,669 --> 00:34:25,599

i mean

837

00:34:29,510 --> 00:34:27,679

correct me if i'm wrong but like

838

00:34:31,349 --> 00:34:29,520

i mean

839

00:34:33,190 --> 00:34:31,359

there's a lot of like messed up stuff in

840

00:34:35,589 --> 00:34:33,200

the world right but that's only because

841

00:34:37,349 --> 00:34:35,599

people don't talk about good [h__h] right

842

00:34:40,710 --> 00:34:37,359

it's like the most like

843

00:34:43,270 --> 00:34:40,720

docile time in like world history

844

00:34:46,069 --> 00:34:43,280

like we're all just like jacking off and

845

00:34:47,030 --> 00:34:46,079

watching youtube videos like netflixing

846

00:34:52,710 --> 00:34:47,040

and like

847

00:34:54,230 --> 00:34:52,720

mean there's you know i mean got a point

848

00:34:56,310 --> 00:34:54,240

here in the united states at least i

849

00:34:58,230 --> 00:34:56,320

know it's a lot harder in other places

850

00:34:59,430 --> 00:34:58,240

but but also

851
00:35:03,030 --> 00:34:59,440
i mean

852
00:35:06,710 --> 00:35:03,040
know it

853
00:35:09,349 --> 00:35:06,720
it's not great but it's it's like

854
00:35:11,910 --> 00:35:09,359
back it up joe back back and i re used

855
00:35:14,390 --> 00:35:11,920
to be still right

856
00:35:16,310 --> 00:35:14,400
like like the poorest person like in

857
00:35:18,870 --> 00:35:16,320
america right now still has more [h__h]

858
00:35:21,030 --> 00:35:18,880
than people had like in the 30s the most

859
00:35:23,349 --> 00:35:21,040
wealthy people in the 30s right

860
00:35:25,430 --> 00:35:23,359
yeah so i don't know so we're just

861
00:35:27,589 --> 00:35:25,440
talking i mean like yeah dude i mean

862
00:35:28,630 --> 00:35:27,599
like or are we talking about like like

863
00:35:29,670 --> 00:35:28,640

uh

864

00:35:31,990 --> 00:35:29,680

um

865

00:35:34,150 --> 00:35:32,000

the lesson less fortunate having like a

866

00:35:35,990 --> 00:35:34,160

cell phone but also like washing cars on

867

00:35:37,990 --> 00:35:36,000

the side of this

868

00:35:39,589 --> 00:35:38,000

yeah so they have they have more but

869

00:35:41,829 --> 00:35:39,599

it's all relative

870

00:35:44,390 --> 00:35:41,839

right like i i get your point it's not

871

00:35:45,349 --> 00:35:44,400

like perfect it's not awesome yeah like

872

00:35:50,790 --> 00:35:45,359

like

873

00:35:52,870 --> 00:35:50,800

insensitive to me for me to say and i

874

00:35:55,510 --> 00:35:52,880

hope i hope it comes across positive i'm

875

00:35:56,310 --> 00:35:55,520

not trying to be a dick but like

876

00:35:58,470 --> 00:35:56,320

it

877

00:35:59,510 --> 00:35:58,480

and if you were a homeless person you

878

00:36:01,349 --> 00:35:59,520

know

879

00:36:03,030 --> 00:36:01,359

living on the quote-unquote streets back

880

00:36:04,870 --> 00:36:03,040

when there was wasn't any streets and

881

00:36:07,270 --> 00:36:04,880

you're out in the middle of nowhere

882

00:36:10,069 --> 00:36:07,280

at least you have a and in today's time

883

00:36:12,790 --> 00:36:10,079

you have like uh actually to a bridge or

884

00:36:14,390 --> 00:36:12,800

or like free food or or you know i'm not

885

00:36:15,109 --> 00:36:14,400

saying everybody has it easy like no i

886

00:36:17,670 --> 00:36:15,119

guess

887

00:36:20,069 --> 00:36:17,680

army or something that's not always that

888

00:36:22,230 --> 00:36:20,079

easy to get into like yeah we know all

889

00:36:23,990 --> 00:36:22,240

the extra [h__\h] that goes along with it

890

00:36:25,589 --> 00:36:24,000

just in general we're just saying like

891

00:36:27,990 --> 00:36:25,599

what you're trying to make

892

00:36:29,430 --> 00:36:28,000

today i have like way more [h__\h] than

893

00:36:43,589 --> 00:36:29,440

like

894

00:36:45,589 --> 00:36:43,599

that's rich

895

00:36:48,150 --> 00:36:45,599

a little support you gotta it's like

896

00:36:53,670 --> 00:36:48,160

upper but it's like middle like you know

897

00:36:56,950 --> 00:36:54,870

yes

898

00:36:59,510 --> 00:36:56,960

i think we we're trying not to dig

899

00:37:02,870 --> 00:36:59,520

ourselves uh too big of a hole with that

900

00:37:04,790 --> 00:37:02,880

but it's a touchy subject anyway i i get

901
00:37:10,470 --> 00:37:04,800
what you're trying to say

902
00:37:13,910 --> 00:37:11,990
okay what were we talking about what

903
00:37:15,910 --> 00:37:13,920
we're going to move on the next topic

904
00:37:17,910 --> 00:37:15,920
okay got it

905
00:37:20,390 --> 00:37:17,920
oh oh parallel universe and another

906
00:37:23,109 --> 00:37:20,400
failed universe are living in a parallel

907
00:37:27,349 --> 00:37:23,119
universe of another failed universe i

908
00:37:29,750 --> 00:37:27,359
think it's man jacob you know we i

909
00:37:31,109 --> 00:37:29,760
i love you man when we met you you're

910
00:37:32,950 --> 00:37:31,119
just a good guy

911
00:37:35,589 --> 00:37:32,960
and you've been you've been through some

912
00:37:36,710 --> 00:37:35,599
[h__\h] and uh i'm just glad to meet you

913
00:37:38,950 --> 00:37:36,720

and i think things are going to be

914

00:37:41,030 --> 00:37:38,960

looking up pretty soon

915

00:37:42,390 --> 00:37:41,040

i think we all can be

916

00:37:45,109 --> 00:37:42,400

uh

917

00:37:46,870 --> 00:37:45,119

in in times of

918

00:37:47,990 --> 00:37:46,880

of distress

919

00:37:51,270 --> 00:37:48,000

be

920

00:37:52,790 --> 00:37:51,280

look at the world in a negative lens and

921

00:37:54,150 --> 00:37:52,800

uh it's hard for me to say that because

922

00:37:56,310 --> 00:37:54,160

i can't relate to a lot of your

923

00:37:57,430 --> 00:37:56,320

experiences um

924

00:37:59,190 --> 00:37:57,440

but i i

925

00:38:01,589 --> 00:37:59,200

something that i've i've been

926

00:38:04,550 --> 00:38:01,599

kind of practicing lately isn't when i

927

00:38:06,150 --> 00:38:04,560

get mad or frustrated or think you know

928

00:38:08,230 --> 00:38:06,160

man everybody's

929

00:38:10,069 --> 00:38:08,240

trying to cut me off and like man this

930

00:38:11,829 --> 00:38:10,079

costs too much and like i wanted to you

931

00:38:14,150 --> 00:38:11,839

know all this [h__h] like you just think

932

00:38:15,910 --> 00:38:14,160

about what kind of day joe's having

933

00:38:17,670 --> 00:38:15,920

it and you feel better about yourself

934

00:38:18,390 --> 00:38:17,680

honestly yeah i do that a lot like at

935

00:38:20,950 --> 00:38:18,400

least

936

00:38:23,750 --> 00:38:20,960

[h__h] shoveling dirt like joe is dude

937

00:38:27,190 --> 00:38:23,760

don john bowie jacob does shred

938

00:38:28,630 --> 00:38:27,200

jacob does shred holy crap he does

939

00:38:30,230 --> 00:38:28,640

i went back and listened to the end of

940

00:38:31,589 --> 00:38:30,240

that episode like eight times it just

941

00:38:33,190 --> 00:38:31,599

got better and better everything's so

942

00:38:35,750 --> 00:38:33,200

good i reached out to him i was like

943

00:38:39,030 --> 00:38:35,760

dude send me a an audio track jake dude

944

00:38:41,670 --> 00:38:39,040

send us the track bro

945

00:38:44,069 --> 00:38:41,680

hey do it do it do it

946

00:38:46,230 --> 00:38:44,079

yeah jake things are gonna look up man

947

00:38:48,550 --> 00:38:46,240

it is uh it's gonna happen for you dude

948

00:38:49,829 --> 00:38:48,560

it's all about that uh

949

00:38:50,710 --> 00:38:49,839

i'm like acting like i know what i'm

950

00:38:52,390 --> 00:38:50,720

talking about

951
00:38:53,829 --> 00:38:52,400
but i don't know man

952
00:38:55,190 --> 00:38:53,839
you're such a good dude and the universe

953
00:38:56,790 --> 00:38:55,200
is gonna pay you back you know what dude

954
00:38:59,430 --> 00:38:56,800
it's either gonna work

955
00:39:00,870 --> 00:38:59,440
or it's not

956
00:39:02,310 --> 00:39:00,880
well why would you even say it it's not

957
00:39:04,710 --> 00:39:02,320
gonna work well yeah that's the way it's

958
00:39:06,069 --> 00:39:04,720
just gonna work i mean look it might not

959
00:39:07,750 --> 00:39:06,079
well i'm gonna give anybody just say

960
00:39:09,750 --> 00:39:07,760
that you're gonna show up to work don't

961
00:39:11,829 --> 00:39:09,760
say i'm gonna show up to work or i'm not

962
00:39:15,430 --> 00:39:11,839
i find that

963
00:39:19,190 --> 00:39:15,440

are a lot worse than just

964

00:39:20,790 --> 00:39:19,200

accepting that it might not work right

965

00:39:24,310 --> 00:39:20,800

oh sorry jess's friend is here to pick

966

00:39:26,150 --> 00:39:24,320

up that dick cake oh nice for the uh uh

967

00:39:27,510 --> 00:39:26,160

for the bachelorette party hey oh i want

968

00:39:29,270 --> 00:39:27,520

to show you want to show the dictator

969

00:39:31,030 --> 00:39:29,280

your wife's been holding dicks all day

970

00:39:32,950 --> 00:39:31,040

dude

971

00:39:35,030 --> 00:39:32,960

i chose you got pregnant in the first

972

00:39:37,190 --> 00:39:35,040

place that's why you're having a baby

973

00:39:41,190 --> 00:39:37,200

that's what that's why that's why you've

974

00:39:43,270 --> 00:39:41,200

put your newborn child above the show

975

00:39:44,310 --> 00:39:43,280

dang it oh she said it's already packed

976

00:39:46,950 --> 00:39:44,320

up in the car

977

00:39:51,270 --> 00:39:48,470

she made it she made a cake that's in

978

00:39:54,829 --> 00:39:51,280

the shape of a penis man massive it's

979

00:39:58,630 --> 00:39:54,839

beautiful almost as big as bins

980

00:39:59,910 --> 00:39:58,640

jesus i got small nips

981

00:40:02,630 --> 00:39:59,920

you know dude i don't know who's getting

982

00:40:04,950 --> 00:40:02,640

married honestly who's getting married

983

00:40:08,150 --> 00:40:04,960

oh uh carly carly's getting married oh

984

00:40:09,670 --> 00:40:08,160

wait hold on um

985

00:40:11,589 --> 00:40:09,680

carly's already married but she never

986

00:40:13,670 --> 00:40:11,599

had a bachelorette party so because

987

00:40:16,150 --> 00:40:13,680

covet

988

00:40:17,829 --> 00:40:16,160

so they're having like a

989

00:40:19,349 --> 00:40:17,839

girl's day

990

00:40:22,870 --> 00:40:19,359

oh some of these fools think they're

991

00:40:25,430 --> 00:40:22,880

special now because it was cove

992

00:40:27,430 --> 00:40:25,440

yeah

993

00:40:30,630 --> 00:40:27,440

cause they're cold

994

00:40:32,470 --> 00:40:30,640

you think you're special dude die i've

995

00:40:33,910 --> 00:40:32,480

been partying also

996

00:40:36,550 --> 00:40:33,920

bro

997

00:40:39,750 --> 00:40:36,560

what flavor uh it was penis flavor

998

00:40:45,270 --> 00:40:41,829

it was disgusting

999

00:40:47,750 --> 00:40:45,280

oh dude it tasted like burnt rubber

1000

00:40:49,430 --> 00:40:47,760

and uh pistachios

1001
00:40:50,829 --> 00:40:49,440
tammy take your fingers out of your ears

1002
00:40:54,950 --> 00:40:50,839
you got to hear this it's

1003
00:41:00,470 --> 00:40:57,589
oh dude hard yeah it was it was it was a

1004
00:41:02,790 --> 00:41:00,480
fully erect yeah yeah yeah

1005
00:41:04,390 --> 00:41:02,800
okay next topic we got to move on let's

1006
00:41:05,829 --> 00:41:04,400
go online

1007
00:41:08,150 --> 00:41:05,839
we got a lot to get through bro we've

1008
00:41:10,550 --> 00:41:08,160
got some really

1009
00:41:12,150 --> 00:41:10,560
bang five things

1010
00:41:14,630 --> 00:41:12,160
we do have five things but look we we

1011
00:41:16,230 --> 00:41:14,640
spent an hour talking about one well 40

1012
00:41:18,390 --> 00:41:16,240
minutes we spent 10 minutes talking

1013
00:41:19,589 --> 00:41:18,400

about one no dude we just started 10

1014

00:41:21,190 --> 00:41:19,599

minutes out

1015

00:41:22,950 --> 00:41:21,200

no no i'm saying we spent 10 minutes

1016

00:41:24,870 --> 00:41:22,960

talking about what and then the rest of

1017

00:41:26,309 --> 00:41:24,880

time was okay yeah well that's the kind

1018

00:41:28,950 --> 00:41:26,319

of the podcast though

1019

00:41:30,470 --> 00:41:28,960

all right number two number two number

1020

00:41:33,900 --> 00:41:30,480

two number

1021

00:41:36,870 --> 00:41:33,910

two dude have you paid your taxes lately

1022

00:41:39,589 --> 00:41:36,880

[Music]

1023

00:41:40,950 --> 00:41:39,599

do i say this on youtube

1024

00:41:42,390 --> 00:41:40,960

i don't want to end up like johnny

1025

00:41:44,390 --> 00:41:42,400

paycheck

1026

00:41:46,470 --> 00:41:44,400

i don't know who that is who's jonathan

1027

00:41:48,630 --> 00:41:46,480

paycheck jonathan paycheck dude is he

1028

00:41:50,390 --> 00:41:48,640

related to jonathan football man he's

1029

00:41:54,950 --> 00:41:50,400

one of the most rootiness tootiness

1030

00:41:59,750 --> 00:41:56,150

he's the one that sings that song

1031

00:42:02,710 --> 00:41:59,760

protect his job and shove it

1032

00:42:04,630 --> 00:42:02,720

ain't working here no more

1033

00:42:08,470 --> 00:42:04,640

i know that's all yeah

1034

00:42:11,510 --> 00:42:08,480

okay hell yeah uh he also sings the only

1035

00:42:13,589 --> 00:42:11,520

hell my mom ever raised song

1036

00:42:15,030 --> 00:42:13,599

hey that's cool i don't know what that

1037

00:42:18,230 --> 00:42:15,040

i've never heard the song i don't think

1038

00:42:20,390 --> 00:42:18,240

they sell my mama's short on loving me

1039

00:42:22,550 --> 00:42:20,400

jesus man i guess that's why she let me

1040

00:42:25,190 --> 00:42:22,560

go so far

1041

00:42:27,190 --> 00:42:25,200

we need to mama tried to stop me short

1042

00:42:29,670 --> 00:42:27,200

of stealing

1043

00:42:30,710 --> 00:42:29,680

i guess that's why i had to steal that

1044

00:42:33,190 --> 00:42:30,720

car

1045

00:42:36,309 --> 00:42:33,200

and he did he stole it well she told me

1046

00:42:38,150 --> 00:42:36,319

not to smoke it and i did and it took me

1047

00:42:40,390 --> 00:42:38,160

far away

1048

00:42:43,270 --> 00:42:40,400

when i turned out to be

1049

00:42:46,590 --> 00:42:43,280

the only hell my mama ever raised and

1050

00:42:46,600 --> 00:42:51,670

[Music]

1051

00:42:57,750 --> 00:42:55,829

i mean yeah i drove it to it okay okay

1052

00:42:59,750 --> 00:42:57,760

that's really good stolen tags and

1053

00:43:02,150 --> 00:42:59,760

almost out of gas

1054

00:43:04,230 --> 00:43:02,160

i'll tell you hood i'll tell you what

1055

00:43:06,230 --> 00:43:04,240

and i'll tell you what some more

1056

00:43:07,910 --> 00:43:06,240

oh that's my [h__\h] jam i love johnny

1057

00:43:11,270 --> 00:43:07,920

paycheck hey man you sound like that

1058

00:43:12,470 --> 00:43:11,280

bass player from uh gotsmack man

1059

00:43:15,349 --> 00:43:12,480

i am

1060

00:43:17,750 --> 00:43:15,359

oh dude all right number two what

1061

00:43:21,030 --> 00:43:17,760

aurelia why are taxes

1062

00:43:24,309 --> 00:43:21,040

why are taxes yeah

1063

00:43:26,370 --> 00:43:24,319

dog creek says what is this

1064

00:43:27,670 --> 00:43:26,380

welcome to the show

1065

00:43:28,870 --> 00:43:27,680

[Laughter]

1066

00:43:31,030 --> 00:43:28,880

this is literally the show this is where

1067

00:43:33,430 --> 00:43:31,040

we're talking about ufos and aliens

1068

00:43:35,510 --> 00:43:33,440

things weird in johnny paycheck in texas

1069

00:43:37,750 --> 00:43:35,520

yeah tammy said son of a [h__h] give me a

1070

00:43:41,670 --> 00:43:37,760

drink i like that one

1071

00:43:43,030 --> 00:43:41,680

yeah definitely yes speaking of dude

1072

00:43:44,790 --> 00:43:43,040

do we grab me one are you gonna get yeah

1073

00:43:46,950 --> 00:43:44,800

i'll go get one dude hell yeah how about

1074

00:43:48,710 --> 00:43:46,960

you start number two i'll start number

1075

00:43:50,230 --> 00:43:48,720

two that way it's already going before i

1076
00:43:51,750 --> 00:43:50,240
get back i'm gonna have to jump in the

1077
00:43:54,390 --> 00:43:51,760
conversation john bon jovi says you have

1078
00:43:56,390 --> 00:43:54,400
a voice of an angle

1079
00:43:57,670 --> 00:43:56,400
it's an angel he spelled it right he's

1080
00:44:00,710 --> 00:43:57,680
builder right

1081
00:44:04,630 --> 00:44:00,720
uh all right so number two y'all

1082
00:44:06,470 --> 00:44:04,640
[h__\h] don't even ready for this one

1083
00:44:09,589 --> 00:44:06,480
how many of you heard

1084
00:44:10,710 --> 00:44:09,599
about the the hybrid the alien hybrid

1085
00:44:13,349 --> 00:44:10,720
program

1086
00:44:15,270 --> 00:44:13,359
uh show hands

1087
00:44:17,270 --> 00:44:15,280
uh i know that you know it's a little

1088
00:44:19,190 --> 00:44:17,280

bit of delay but if you've heard of the

1089

00:44:22,630 --> 00:44:19,200

alien hybrid program

1090

00:44:23,829 --> 00:44:22,640

uh alex thanks for the super chat hell

1091

00:44:25,750 --> 00:44:23,839

yeah dude

1092

00:44:27,910 --> 00:44:25,760

that's what's up thank you appreciate it

1093

00:44:29,750 --> 00:44:27,920

yes dude love it

1094

00:44:32,390 --> 00:44:29,760

um so

1095

00:44:36,710 --> 00:44:32,400

it is the alien hybrid

1096

00:44:38,710 --> 00:44:36,720

program is if you don't know is where

1097

00:44:40,150 --> 00:44:38,720

and we we have multiple people that

1098

00:44:41,510 --> 00:44:40,160

we've talked to personally there's been

1099

00:44:44,550 --> 00:44:41,520

documentaries

1100

00:44:47,589 --> 00:44:44,560

created about this where females uh are

1101
00:44:49,430 --> 00:44:47,599
abducted by an extraterrestrial species

1102
00:44:53,510 --> 00:44:49,440
they have experiences thank you

1103
00:44:55,910 --> 00:44:53,520
uh experience is being abducted by

1104
00:44:57,589 --> 00:44:55,920
a non-human being and then being you

1105
00:44:59,030 --> 00:44:57,599
know having some sexual relations

1106
00:45:00,550 --> 00:44:59,040
actually it's not just female it's me

1107
00:45:02,309 --> 00:45:00,560
it's males too

1108
00:45:03,510 --> 00:45:02,319
uh because what they're

1109
00:45:06,150 --> 00:45:03,520
what they're doing is they're they're

1110
00:45:09,109 --> 00:45:06,160
impregnating the these women with uh

1111
00:45:11,349 --> 00:45:09,119
hybridized beings meaning hybrid a

1112
00:45:14,630 --> 00:45:11,359
hybrid between human and

1113
00:45:17,109 --> 00:45:14,640

extraterrestrial whether that mean a a a

1114

00:45:20,150 --> 00:45:17,119

different species a human a different

1115

00:45:21,190 --> 00:45:20,160

universe or star system or dimension

1116

00:45:23,109 --> 00:45:21,200

away

1117

00:45:25,910 --> 00:45:23,119

either or they're not from earth that's

1118

00:45:27,510 --> 00:45:25,920

the idea um and it's pretty spooky and

1119

00:45:29,829 --> 00:45:27,520

it's some i mean

1120

00:45:31,349 --> 00:45:29,839

man the the stories that come from that

1121

00:45:33,910 --> 00:45:31,359

are

1122

00:45:34,870 --> 00:45:33,920

pretty moving to say the least

1123

00:45:39,430 --> 00:45:34,880

uh

1124

00:45:41,750 --> 00:45:39,440

a documentary it's on netflix i believe

1125

00:45:45,109 --> 00:45:41,760

or no it's a i think like buy it through

1126
00:45:48,950 --> 00:45:45,119
like amazon amazon itunes extraordinary

1127
00:45:50,470 --> 00:45:48,960
the seating amazon prime amazon prime

1128
00:45:51,170 --> 00:45:50,480
paul stanley

1129
00:45:52,550 --> 00:45:51,180
cool

1130
00:45:55,270 --> 00:45:52,560
[Music]

1131
00:45:57,670 --> 00:45:55,280
hey shout out to columbus

1132
00:45:58,550 --> 00:45:57,680
he has the cool shoe cam

1133
00:46:01,829 --> 00:45:58,560
from

1134
00:46:03,910 --> 00:46:01,839
amazon prime the paul stanley

1135
00:46:06,150 --> 00:46:03,920
cool shoe cam do we need to get we need

1136
00:46:07,990 --> 00:46:06,160
to get an alternate camera

1137
00:46:09,610 --> 00:46:08,000
okay so

1138
00:46:09,690 --> 00:46:09,620

nice our shoes dude

1139

00:46:12,150 --> 00:46:09,700

[Laughter]

1140

00:46:13,990 --> 00:46:12,160

[Music]

1141

00:46:15,270 --> 00:46:14,000

oh dude we can just put cameras on our

1142

00:46:17,109 --> 00:46:15,280

balls oh

1143

00:46:19,430 --> 00:46:17,119

yeah be sweet dude well when we have our

1144

00:46:21,190 --> 00:46:19,440

new sponsor we can oh yeah we can't we

1145

00:46:21,910 --> 00:46:21,200

can't really sponsor them yet because

1146

00:46:23,430 --> 00:46:21,920

yeah

1147

00:46:25,349 --> 00:46:23,440

we can't say anything well we're under

1148

00:46:27,030 --> 00:46:25,359

contract

1149

00:46:28,710 --> 00:46:27,040

i'll make it sound like a big deal we

1150

00:46:30,069 --> 00:46:28,720

just signed the contract we she said

1151

00:46:31,990 --> 00:46:30,079

don't say anything until you get the

1152

00:46:35,829 --> 00:46:32,000

thing and they're sending us stuff i'm

1153

00:46:37,750 --> 00:46:35,839

like we're oh also we're badass [h__\h]

1154

00:46:40,309 --> 00:46:37,760

no we're not we're not even getting paid

1155

00:46:45,270 --> 00:46:40,319

we're just sending us stuff

1156

00:46:46,470 --> 00:46:45,280

okay uh yes chimeras yes don

1157

00:46:47,670 --> 00:46:46,480

chimoras

1158

00:46:53,510 --> 00:46:47,680

uh

1159

00:46:54,230 --> 00:46:53,520

geraldine orozco yes she was in the

1160

00:46:58,470 --> 00:46:54,240

the

1161

00:47:00,630 --> 00:46:58,480

our good friend melinda leslie

1162

00:47:02,390 --> 00:47:00,640

is a part of that

1163

00:47:04,790 --> 00:47:02,400

uh she was a part of that documentary

1164

00:47:07,589 --> 00:47:04,800

and um her stories are

1165

00:47:09,270 --> 00:47:07,599

uh phenomenal her story is phenomenal

1166

00:47:10,790 --> 00:47:09,280

such strong people just to be able to

1167

00:47:13,750 --> 00:47:10,800

like talk about that because it's pretty

1168

00:47:15,030 --> 00:47:13,760

traumatic stuff um anyway hybridization

1169

00:47:17,109 --> 00:47:15,040

program yes

1170

00:47:19,829 --> 00:47:17,119

so this this topic

1171

00:47:21,670 --> 00:47:19,839

uh this is an idea that kind of was

1172

00:47:22,950 --> 00:47:21,680

swirling in my head just kind of i was

1173

00:47:24,790 --> 00:47:22,960

actually dude i was outside taking the

1174

00:47:26,230 --> 00:47:24,800

dogs out to go to the bathroom looking

1175

00:47:27,750 --> 00:47:26,240

up at the stars

1176
00:47:30,230 --> 00:47:27,760
not really expecting anything i was just

1177
00:47:31,589 --> 00:47:30,240
kind of noticing how cool you know like

1178
00:47:33,349 --> 00:47:31,599
i always like to see how clear the

1179
00:47:35,670 --> 00:47:33,359
nights are you know and right now like

1180
00:47:41,109 --> 00:47:35,680
saturn and uh uh

1181
00:47:43,430 --> 00:47:42,630
they're really bright in this guy right

1182
00:47:45,589 --> 00:47:43,440
now

1183
00:47:47,910 --> 00:47:45,599
uh and we've been seeing some owls

1184
00:47:49,829 --> 00:47:47,920
lately did you see that post

1185
00:47:52,790 --> 00:47:49,839
there's two great horned owls bro

1186
00:47:54,470 --> 00:47:52,800
they're like the size of a like nibbler

1187
00:47:56,790 --> 00:47:54,480
they're the size of a small dog they're

1188
00:47:58,230 --> 00:47:56,800

huge bro and we hear them every every

1189

00:47:59,990 --> 00:47:58,240

evening every night so i've been

1190

00:48:01,750 --> 00:48:00,000

thinking like man all these signs are

1191

00:48:03,270 --> 00:48:01,760

like i just been feeling like i need to

1192

00:48:04,790 --> 00:48:03,280

be outside so i've been going outside

1193

00:48:06,470 --> 00:48:04,800

looking up at stars and it came to me

1194

00:48:08,069 --> 00:48:06,480

this idea that

1195

00:48:12,950 --> 00:48:08,079

what if this

1196

00:48:14,710 --> 00:48:12,960

is actually not et

1197

00:48:16,950 --> 00:48:14,720

and i know that's not what everyone

1198

00:48:18,549 --> 00:48:16,960

wants to hear like that's not as fun

1199

00:48:22,790 --> 00:48:18,559

but what if the the hybridization

1200

00:48:25,430 --> 00:48:22,800

program is actually a a sector of of

1201
00:48:26,950 --> 00:48:25,440
of our government or a government that's

1202
00:48:28,790 --> 00:48:26,960
kind of like this

1203
00:48:30,150 --> 00:48:28,800
black ops thing that no one knows about

1204
00:48:33,430 --> 00:48:30,160
they're like the most

1205
00:48:34,790 --> 00:48:33,440
wealthy people families i mean maybe not

1206
00:48:37,349 --> 00:48:34,800
even the government maybe it's just a

1207
00:48:38,710 --> 00:48:37,359
family i'm not going to say any names

1208
00:48:39,910 --> 00:48:38,720
starts with an r

1209
00:48:42,710 --> 00:48:39,920
uh

1210
00:48:43,990 --> 00:48:42,720
i don't know ronald mcdonald

1211
00:48:45,710 --> 00:48:44,000
don't say it

1212
00:48:48,420 --> 00:48:45,720
oh sorry dude

1213
00:49:01,430 --> 00:48:48,430

[Laughter]

1214

00:49:07,910 --> 00:49:06,470
uh uh wait rafiki uh from lion king

1215

00:49:09,349 --> 00:49:07,920
he knows the way

1216

00:49:10,870 --> 00:49:09,359
i will follow him to the end of the

1217

00:49:13,990 --> 00:49:10,880
earth dude

1218

00:49:15,030 --> 00:49:14,000
if rafiki showed up on my

1219

00:49:17,829 --> 00:49:15,040
lawn

1220

00:49:19,829 --> 00:49:17,839
and ask me to follow him i will follow

1221

00:49:23,910 --> 00:49:19,839
into the sunset dude it's the circle of

1222

00:49:27,589 --> 00:49:25,430
you're the guy with a voice

1223

00:49:28,790 --> 00:49:27,599
i'm not yeah you are

1224

00:49:31,109 --> 00:49:28,800
anyway

1225

00:49:32,230 --> 00:49:31,119
so the idea is this hybridization

1226

00:49:34,630 --> 00:49:32,240

programming

1227

00:49:35,349 --> 00:49:34,640

it's not as fun not as sexy

1228

00:49:37,910 --> 00:49:35,359

but

1229

00:49:39,910 --> 00:49:37,920

if it's not et what if it's this

1230

00:49:42,630 --> 00:49:39,920

this alternate

1231

00:49:44,870 --> 00:49:42,640

civilization that cannot doesn't have

1232

00:49:46,230 --> 00:49:44,880

the means to produce uh naturally

1233

00:49:49,190 --> 00:49:46,240

reproduce naturally they don't have

1234

00:49:53,270 --> 00:49:49,200

peens and vagines beans have been jeans

1235

00:49:58,870 --> 00:49:55,829

paint's in virginia

1236

00:50:00,710 --> 00:49:58,880

our pants are made from and veins

1237

00:50:02,420 --> 00:50:00,720

okay okay wait

1238

00:50:04,390 --> 00:50:02,430

[h__h] this is like actually like a series

1239

00:50:06,069 --> 00:50:04,400

[Music]

1240

00:50:07,829 --> 00:50:06,079

that's when it's most funny though no

1241

00:50:09,430 --> 00:50:07,839

all right dude all right just let me get

1242

00:50:10,549 --> 00:50:09,440

this out okay sorry

1243

00:50:11,670 --> 00:50:10,559

stars

1244

00:50:14,309 --> 00:50:11,680

i know

1245

00:50:16,309 --> 00:50:14,319

all right so if it's not e.t

1246

00:50:18,630 --> 00:50:16,319

it's uh it's this

1247

00:50:19,910 --> 00:50:18,640

i already said it but

1248

00:50:22,069 --> 00:50:19,920

what if the

1249

00:50:23,430 --> 00:50:22,079

the elite the quote-unquote elite this

1250

00:50:24,790 --> 00:50:23,440

planned

1251
00:50:27,829 --> 00:50:24,800
wealthy people that actually own the

1252
00:50:29,750 --> 00:50:27,839
world like the cabal or whatever they

1253
00:50:32,950 --> 00:50:29,760
have clones

1254
00:50:35,510 --> 00:50:32,960
that they create and inseminate

1255
00:50:38,150 --> 00:50:35,520
human beings with their clones in case

1256
00:50:39,589 --> 00:50:38,160
these elite people get sick or lose a

1257
00:50:42,470 --> 00:50:39,599
limb or

1258
00:50:43,910 --> 00:50:42,480
get too old and

1259
00:50:46,549 --> 00:50:43,920
maybe there's this program that they

1260
00:50:49,109 --> 00:50:46,559
figured out that synthetic wounds don't

1261
00:50:51,589 --> 00:50:49,119
produce quality clones

1262
00:50:53,430 --> 00:50:51,599
or cows they try it with cows maybe they

1263
00:50:54,390 --> 00:50:53,440

don't it's not the same it needs to be a

1264

00:50:57,510 --> 00:50:54,400

human so

1265

00:50:58,549 --> 00:50:57,520

this whole thing is a psyop this whole

1266

00:51:00,630 --> 00:50:58,559

it's like

1267

00:51:02,069 --> 00:51:00,640

maybe these abductions some of them it's

1268

00:51:04,870 --> 00:51:02,079

just an idea i'm not saying that's what

1269

00:51:06,549 --> 00:51:04,880

this is what this is it's just an idea

1270

00:51:09,430 --> 00:51:06,559

like an alternate

1271

00:51:11,190 --> 00:51:09,440

you know idea and i hate i hate that i'm

1272

00:51:13,109 --> 00:51:11,200

like saying like i'm not saying aliens

1273

00:51:15,670 --> 00:51:13,119

don't exist at all i'm just saying this

1274

00:51:17,510 --> 00:51:15,680

particular thing this is just maybe an

1275

00:51:20,549 --> 00:51:17,520

option we could think about

1276

00:51:21,589 --> 00:51:20,559

uh also another option is that it's both

1277

00:51:22,950 --> 00:51:21,599

so

1278

00:51:24,790 --> 00:51:22,960

where did they get that idea from we

1279

00:51:27,030 --> 00:51:24,800

were talking earlier about about like

1280

00:51:29,670 --> 00:51:27,040

you know like inception you know coming

1281

00:51:31,829 --> 00:51:29,680

up with ideas no ideas original man

1282

00:51:33,910 --> 00:51:31,839

nothing nothing's original okay

1283

00:51:35,430 --> 00:51:33,920

everything's taken from something bits

1284

00:51:37,750 --> 00:51:35,440

and pieces

1285

00:51:39,750 --> 00:51:37,760

true inspiration

1286

00:51:41,349 --> 00:51:39,760

i mean how hot that's very very rare

1287

00:51:43,190 --> 00:51:41,359

it's almost as rare as life is in the

1288

00:51:44,710 --> 00:51:43,200

universe i would i would

1289

00:51:48,309 --> 00:51:44,720

put put a lot of

1290

00:51:53,670 --> 00:51:48,319

probably my whole 100 of savings into it

1291

00:51:57,430 --> 00:51:55,589

specifically eleven dollars i put a

1292

00:51:58,950 --> 00:51:57,440

penny in there in 1995 and i've just

1293

00:52:00,470 --> 00:51:58,960

been letting it collect interest dude

1294

00:52:03,270 --> 00:52:00,480

i'm already up to eleven dollars and

1295

00:52:05,270 --> 00:52:03,280

it's 20 20 once i [h__h] i should be

1296

00:52:07,670 --> 00:52:05,280

like a like you know up to 30 bucks by

1297

00:52:09,270 --> 00:52:07,680

the time i die [h__h] plan on

1298

00:52:10,549 --> 00:52:09,280

divvying that out between my family you

1299

00:52:12,470 --> 00:52:10,559

know so

1300

00:52:14,630 --> 00:52:12,480

you gotta start uh you can start a trust

1301

00:52:16,150 --> 00:52:14,640

fund like now dude i need to with that

1302

00:52:19,910 --> 00:52:16,160

eleven dollars do you know how much it's

1303

00:52:21,990 --> 00:52:19,920

gonna be worth to spoiled ass people

1304

00:52:24,150 --> 00:52:22,000

dude man my kid

1305

00:52:26,150 --> 00:52:24,160

what spoiled [\h__\h] oh you're talking

1306

00:52:27,589 --> 00:52:26,160

about just people with trust funds oh no

1307

00:52:36,550 --> 00:52:27,599

no i'm talking about my family it's

1308

00:52:42,309 --> 00:52:39,270

[Laughter]

1309

00:52:43,750 --> 00:52:42,319

okay so yeah no i i i like i kind of

1310

00:52:45,910 --> 00:52:43,760

like where you're going with that look

1311

00:52:47,829 --> 00:52:45,920

at where i'm going with that but what if

1312

00:52:51,990 --> 00:52:47,839

right

1313

00:52:57,190 --> 00:52:53,750

what if they

1314

00:52:58,150 --> 00:52:57,200
can't do what the et's are doing

1315

00:52:59,430 --> 00:52:58,160
right

1316

00:53:00,870 --> 00:52:59,440
and

1317

00:53:03,430 --> 00:53:00,880
that's why

1318

00:53:05,430 --> 00:53:03,440
humans are cloning

1319

00:53:07,430 --> 00:53:05,440
right because we already have the

1320

00:53:09,910 --> 00:53:07,440
technology to do that

1321

00:53:12,950 --> 00:53:09,920
yeah it seems like band whatever like

1322

00:53:14,790 --> 00:53:12,960
these ets are doing is maybe a little

1323

00:53:17,990 --> 00:53:14,800
bit more advanced

1324

00:53:21,349 --> 00:53:18,000
um than what maybe we're capable of

1325

00:53:23,510 --> 00:53:21,359
doing i mean you would think not right

1326
00:53:24,309 --> 00:53:23,520
you would think

1327
00:53:25,589 --> 00:53:24,319
well

1328
00:53:28,309 --> 00:53:25,599
i mean why couldn't we just take some

1329
00:53:29,750 --> 00:53:28,319
like dna and blah blah blah and do this

1330
00:53:33,190 --> 00:53:29,760
and that but somebody had mentioned

1331
00:53:34,790 --> 00:53:33,200
geraldine a little earlier and

1332
00:53:35,990 --> 00:53:34,800
she was talking about something pretty

1333
00:53:38,309 --> 00:53:36,000
interesting

1334
00:53:40,069 --> 00:53:38,319
um and it was about it kind of made me

1335
00:53:42,710 --> 00:53:40,079
think it was like

1336
00:53:43,589 --> 00:53:42,720
this hybrid program yeah okay

1337
00:53:45,270 --> 00:53:43,599
yes

1338
00:53:48,630 --> 00:53:45,280

they're taking dna

1339

00:53:51,030 --> 00:53:48,640

and they are creating um

1340

00:53:55,030 --> 00:53:51,040

hybrid children

1341

00:53:57,109 --> 00:53:55,040

what if though right they're here

1342

00:53:57,910 --> 00:53:57,119

and it's not so much that they're

1343

00:53:59,990 --> 00:53:57,920

they're

1344

00:54:01,589 --> 00:54:00,000

taking you like for your seed because

1345

00:54:02,549 --> 00:54:01,599

they're trying to create a race of

1346

00:54:05,670 --> 00:54:02,559

hybrids

1347

00:54:08,390 --> 00:54:05,680

to join the the human race and take over

1348

00:54:09,990 --> 00:54:08,400

and whatever whatever the you think the

1349

00:54:11,670 --> 00:54:10,000

the mission is right what if it's

1350

00:54:12,630 --> 00:54:11,680

because

1351
00:54:14,710 --> 00:54:12,640
there's

1352
00:54:17,430 --> 00:54:14,720
millions of different civilizations that

1353
00:54:22,309 --> 00:54:17,440
exist out there right like you have the

1354
00:54:27,750 --> 00:54:25,030
that was weird shanks double jeans buy

1355
00:54:30,710 --> 00:54:27,760
me a [h__\h] coke god damn it

1356
00:54:32,470 --> 00:54:30,720
okay we said the same thing

1357
00:54:34,950 --> 00:54:32,480
what if what if it's like

1358
00:54:37,030 --> 00:54:34,960
hey um yeah we're taking genetic

1359
00:54:38,870 --> 00:54:37,040
material but what if it's because like

1360
00:54:41,670 --> 00:54:38,880
we're just a culmination of different

1361
00:54:44,630 --> 00:54:41,680
races right there's there's lions

1362
00:54:46,309 --> 00:54:44,640
there's there's uh reptilians

1363
00:54:48,470 --> 00:54:46,319

there's like there's just all these

1364

00:54:50,309 --> 00:54:48,480

different species that exist on this one

1365

00:54:54,390 --> 00:54:50,319

planet and what if they're just like

1366

00:54:57,349 --> 00:54:54,400

taking samples to see like what what uh

1367

00:54:58,870 --> 00:54:57,359

what dna strand is most prominent on the

1368

00:55:00,950 --> 00:54:58,880

planet like what if they're just

1369

00:55:02,789 --> 00:55:00,960

literally taking samples like oh

1370

00:55:04,549 --> 00:55:02,799

like which one's rising and tide this

1371

00:55:06,870 --> 00:55:04,559

year yeah which one is kind of like

1372

00:55:08,789 --> 00:55:06,880

taking over and then they know ahead of

1373

00:55:10,470 --> 00:55:08,799

time what civilizations are going to

1374

00:55:12,549 --> 00:55:10,480

exist in the future

1375

00:55:14,870 --> 00:55:12,559

as opposed to like other planets within

1376

00:55:17,190 --> 00:55:14,880

the galaxy or the solar system

1377

00:55:18,549 --> 00:55:17,200

and those grays are like the worker bees

1378

00:55:20,630 --> 00:55:18,559

and they're just collecting data

1379

00:55:22,789 --> 00:55:20,640

collecting information to see data

1380

00:55:24,390 --> 00:55:22,799

scientists they're the data scientists

1381

00:55:25,990 --> 00:55:24,400

exactly and they're just kind of out

1382

00:55:28,470 --> 00:55:26,000

there and like there's like this you

1383

00:55:30,309 --> 00:55:28,480

know maybe like a huge universal team

1384

00:55:34,150 --> 00:55:30,319

out there and they're like oh the milky

1385

00:55:35,670 --> 00:55:34,160

way will eventually belong to a purely

1386

00:55:37,190 --> 00:55:35,680

uh you know

1387

00:55:39,510 --> 00:55:37,200

uh

1388

00:55:41,589 --> 00:55:39,520

arcturian species right but that's

1389

00:55:43,349 --> 00:55:41,599

that's millions of years from now but

1390

00:55:45,910 --> 00:55:43,359

that's just what our numbers are showing

1391

00:55:48,150 --> 00:55:45,920

we are creating these hybrids or maybe

1392

00:55:50,710 --> 00:55:48,160

they create these hybrids because they

1393

00:55:53,030 --> 00:55:50,720

don't want one species to take over an

1394

00:55:55,270 --> 00:55:53,040

entire area maybe they purposely

1395

00:55:57,430 --> 00:55:55,280

genetically alter things so that way we

1396

00:56:00,789 --> 00:55:57,440

don't have these conflicts that these

1397

00:56:03,510 --> 00:56:00,799

other races have had warring races right

1398

00:56:05,349 --> 00:56:03,520

but i know that we have wars here on

1399

00:56:07,670 --> 00:56:05,359

earth but

1400

00:56:09,990 --> 00:56:07,680

ours are very small-minded type wars

1401
00:56:11,270 --> 00:56:10,000
right i mean when we're talking about

1402
00:56:13,430 --> 00:56:11,280
this subject i mean you can have

1403
00:56:14,710 --> 00:56:13,440
something taken over the whole galaxy or

1404
00:56:16,549 --> 00:56:14,720
you know what i'm saying like that's

1405
00:56:18,950 --> 00:56:16,559
that's pretty huge but i guess if you're

1406
00:56:21,829 --> 00:56:18,960
like a space faring um

1407
00:56:24,630 --> 00:56:21,839
civilization and you can travel across

1408
00:56:29,589 --> 00:56:24,640
the universe a galaxy is kind of like

1409
00:56:34,789 --> 00:56:32,150
syria or some [h__h] right like it's small

1410
00:56:37,589 --> 00:56:34,799
on the grand scale of the universe just

1411
00:56:39,589 --> 00:56:37,599
like to us syria is like

1412
00:56:41,829 --> 00:56:39,599
it's it's it's it's big but like i mean

1413
00:56:44,789 --> 00:56:41,839

it's small compared to like the world

1414

00:56:46,549 --> 00:56:44,799

right countries and and states are small

1415

00:56:48,069 --> 00:56:46,559

compared to the world but what if

1416

00:56:49,670 --> 00:56:48,079

they're just trying to keep it in check

1417

00:56:51,430 --> 00:56:49,680

and make sure that there's like an even

1418

00:56:54,630 --> 00:56:51,440

balance of of different types of

1419

00:56:55,430 --> 00:56:54,640

civilizations in an area that

1420

00:56:57,589 --> 00:56:55,440

is

1421

00:57:00,630 --> 00:56:57,599

the one thing that

1422

00:57:04,630 --> 00:57:00,640

okay you said to keep a balance

1423

00:57:07,750 --> 00:57:04,640

of a even distribution of genetic

1424

00:57:10,069 --> 00:57:07,760

material or makeup that makes up the

1425

00:57:11,510 --> 00:57:10,079

the population on let's just say this

1426

00:57:13,750 --> 00:57:11,520

specific planet because we can't really

1427

00:57:16,309 --> 00:57:13,760

speak for mars you know

1428

00:57:17,910 --> 00:57:16,319

i mean we could we're not like uranus or

1429

00:57:21,270 --> 00:57:17,920

whatever we're not children we're not

1430

00:57:23,910 --> 00:57:21,280

gonna laugh at that dude

1431

00:57:26,789 --> 00:57:23,920

but do that make sense to me

1432

00:57:29,270 --> 00:57:26,799

so that future thing where it's like we

1433

00:57:31,349 --> 00:57:29,280

got to make sure that no one

1434

00:57:33,109 --> 00:57:31,359

rises to you know thinks that they're

1435

00:57:35,109 --> 00:57:33,119

the [h__\h] like oh we're going to be the

1436

00:57:36,230 --> 00:57:35,119

dominant species right where there it's

1437

00:57:38,150 --> 00:57:36,240

like this

1438

00:57:41,190 --> 00:57:38,160

uh i think someone in the chat mentioned

1439

00:57:43,750 --> 00:57:41,200

management and we've managed we've had

1440

00:57:46,710 --> 00:57:43,760

we've mentioned management before after

1441

00:57:51,190 --> 00:57:46,720

talking to reed sumner's uh but the book

1442

00:57:53,190 --> 00:57:51,200

um yep the new message new message and

1443

00:57:54,789 --> 00:57:53,200

i mean yeah that stuff is super

1444

00:57:55,990 --> 00:57:54,799

interesting but after that that was

1445

00:57:56,950 --> 00:57:56,000

really interesting talking to those

1446

00:57:58,230 --> 00:57:56,960

dudes

1447

00:57:59,829 --> 00:57:58,240

um

1448

00:58:03,109 --> 00:57:59,839

because that's where that concept that

1449

00:58:05,750 --> 00:58:03,119

we came up with was new management right

1450

00:58:08,390 --> 00:58:05,760

i almost want to say we coined that term

1451
00:58:09,589 --> 00:58:08,400
but i'm not gonna be you know whatever

1452
00:58:10,549 --> 00:58:09,599
but like

1453
00:58:13,750 --> 00:58:10,559
yes

1454
00:58:15,670 --> 00:58:13,760
that make that fits for me and i'm very

1455
00:58:17,670 --> 00:58:15,680
excited and i want to like go into like

1456
00:58:19,270 --> 00:58:17,680
deep thought now because we have we hear

1457
00:58:22,710 --> 00:58:19,280
all these stories about how like yeah

1458
00:58:25,750 --> 00:58:22,720
like the the uh the draconians like they

1459
00:58:28,309 --> 00:58:25,760
chased out the lyran species and like

1460
00:58:30,789 --> 00:58:28,319
wiped out certain areas of of uh

1461
00:58:33,510 --> 00:58:30,799
pleiadians and like there was this giant

1462
00:58:35,349 --> 00:58:33,520
war and and maybe all that [\h__\h] kind of

1463
00:58:37,670 --> 00:58:35,359

like the dust settled and they were like

1464

00:58:39,510 --> 00:58:37,680

you know what let's let's create these

1465

00:58:41,190 --> 00:58:39,520

like autonomous things they're just

1466

00:58:42,150 --> 00:58:41,200

going to be like little gray things and

1467

00:58:44,230 --> 00:58:42,160

we'll just

1468

00:58:47,030 --> 00:58:44,240

make them the worker bees of like

1469

00:58:49,510 --> 00:58:47,040

different galaxies and we'll just make

1470

00:58:52,470 --> 00:58:49,520

sure that they're collecting dna and

1471

00:58:53,990 --> 00:58:52,480

having population control among species

1472

00:58:55,589 --> 00:58:54,000

that way something like this doesn't

1473

00:58:58,630 --> 00:58:55,599

happen again

1474

00:59:00,710 --> 00:58:58,640

uh you know on a galactic scale

1475

00:59:01,670 --> 00:59:00,720

dude yes

1476

00:59:03,349 --> 00:59:01,680

yeah

1477

00:59:05,750 --> 00:59:03,359

those are like the time keepers right

1478

00:59:08,870 --> 00:59:05,760

like the people that kind of yeah or the

1479

00:59:12,309 --> 00:59:08,880

the uh consciousnesses that are in

1480

00:59:13,910 --> 00:59:12,319

charge the the arc angels that are spoke

1481

00:59:16,829 --> 00:59:13,920

about in the

1482

00:59:20,950 --> 00:59:16,839

the the the babel the bible

1483

00:59:23,510 --> 00:59:20,960

um ah dude all right i i'm gonna have to

1484

00:59:24,390 --> 00:59:23,520

reflect on that that's really awesome

1485

00:59:32,069 --> 00:59:24,400

uh

1486

00:59:34,630 --> 00:59:32,079

civilization you spelled civilization

1487

00:59:36,549 --> 00:59:34,640

like a european my friend i love that

1488

00:59:39,270 --> 00:59:36,559

uh civilization is with an s instead of

1489

00:59:41,510 --> 00:59:39,280

a z uh i do that on a couple of words

1490

00:59:43,750 --> 00:59:41,520

too and i like it

1491

00:59:46,789 --> 00:59:43,760

uh anyway what if this breakaway

1492

00:59:50,230 --> 00:59:46,799

civilization just uses us to break up

1493

00:59:52,150 --> 00:59:50,240

gene pool since they are so fuel few and

1494

00:59:53,670 --> 00:59:52,160

need fresh

1495

00:59:55,750 --> 00:59:53,680

dna

1496

00:59:57,589 --> 00:59:55,760

yeah that's possible yeah yeah that's

1497

00:59:59,670 --> 00:59:57,599

possible fresh dna that's possible a

1498

01:00:01,270 --> 00:59:59,680

little bit of fresh uh little salam a

1499

01:00:04,710 --> 01:00:01,280

little cold cut

1500

01:00:06,390 --> 01:00:04,720

a little spicy turkey extra extra thin

1501

01:00:08,069 --> 01:00:06,400

extra thing fold it up a little bit a

1502

01:00:10,710 --> 01:00:08,079

little bit of swiss

1503

01:00:12,309 --> 01:00:10,720

spicy mayo too i'm gonna

1504

01:00:14,230 --> 01:00:12,319

i'm making my sandwich hot little

1505

01:00:17,430 --> 01:00:14,240

chicken daira on it a little chingo

1506

01:00:19,030 --> 01:00:17,440

ching away but yeah break up the pool so

1507

01:00:21,190 --> 01:00:19,040

that's kind of dovetails and uh kind of

1508

01:00:24,710 --> 01:00:21,200

i guess that was way later

1509

01:00:26,870 --> 01:00:24,720

or where earlier than yeah

1510

01:00:28,870 --> 01:00:26,880

anyway you we kind of we kind of rolled

1511

01:00:31,270 --> 01:00:28,880

into that uh

1512

01:00:34,150 --> 01:00:31,280

strangely so dude i love that

1513

01:00:37,190 --> 01:00:34,160

uh lil wayne is a hybrid says jacob i am

1514

01:00:39,030 --> 01:00:37,200

an alien he did say that he's uh

1515

01:00:42,470 --> 01:00:39,040

he's a alien

1516

01:00:45,270 --> 01:00:42,480

uh tammy i got a uh tammy's here we go

1517

01:00:47,190 --> 01:00:45,280

uh tammy says just want to say thanks so

1518

01:00:48,870 --> 01:00:47,200

much for these thursday nights it gives

1519

01:00:49,829 --> 01:00:48,880

an old lady

1520

01:00:53,670 --> 01:00:49,839

girl

1521

01:00:59,829 --> 01:00:57,030

not old enough

1522

01:01:02,150 --> 01:00:59,839

gives a young beautiful lady

1523

01:01:03,589 --> 01:01:02,160

a fun night to look forward to i enjoy

1524

01:01:06,470 --> 01:01:03,599

it so much

1525

01:01:08,069 --> 01:01:06,480

yous are gonna get so much well if we're

1526

01:01:10,230 --> 01:01:08,079

gonna get bigger

1527

01:01:11,589 --> 01:01:10,240

i mean hopefully you know i'm hoping

1528

01:01:14,950 --> 01:01:11,599

you're in a couple hours hopefully my

1529

01:01:19,270 --> 01:01:16,950

hey we love you thank you tammy dude yes

1530

01:01:21,430 --> 01:01:19,280

appreciate that that means a lot we love

1531

01:01:23,030 --> 01:01:21,440

it too we we wouldn't be doing this if

1532

01:01:24,470 --> 01:01:23,040

it weren't for you guys if like no one

1533

01:01:25,829 --> 01:01:24,480

listened to the show we'd be like all

1534

01:01:28,710 --> 01:01:25,839

right well

1535

01:01:31,430 --> 01:01:28,720

aurelio says it makes sense to him

1536

01:01:33,190 --> 01:01:31,440

yeah so varelio's down with it

1537

01:01:36,470 --> 01:01:33,200

i would down honestly dude i would

1538

01:01:39,270 --> 01:01:36,480

follow aurelio into the sunset

1539

01:01:41,670 --> 01:01:39,280

sprinting into the sunset freaking love

1540

01:01:44,549 --> 01:01:41,680

that guy

1541

01:01:46,390 --> 01:01:44,559

uh if you sprint into the sunset

1542

01:01:48,870 --> 01:01:46,400

wouldn't you technically also be

1543

01:01:52,549 --> 01:01:48,880

sprinting into sunrise

1544

01:01:54,390 --> 01:01:52,559

dude no you fall off the you fall off

1545

01:01:56,069 --> 01:01:54,400

you fall off into the abyss because it's

1546

01:01:57,510 --> 01:01:56,079

not earth display that's not how that

1547

01:01:59,190 --> 01:01:57,520

works

1548

01:02:01,430 --> 01:01:59,200

that's not how that's not gonna go there

1549

01:02:03,029 --> 01:02:01,440

that's that's for topic number three or

1550

01:02:05,510 --> 01:02:03,039

four i think

1551

01:02:07,750 --> 01:02:05,520

yeah well okay so the reason i even

1552

01:02:09,990 --> 01:02:07,760

brought that up because uh will william

1553

01:02:11,829 --> 01:02:10,000

and i were talking about uh

1554

01:02:14,789 --> 01:02:11,839

topics that for his

1555

01:02:16,230 --> 01:02:14,799

first episode on ufo garage and uh we're

1556

01:02:17,750 --> 01:02:16,240

kind of just chatting about about

1557

01:02:19,829 --> 01:02:17,760

different ideas he's got a couple guests

1558

01:02:21,510 --> 01:02:19,839

in line that are pretty sick we got to

1559

01:02:22,630 --> 01:02:21,520

reach out to a couple people

1560

01:02:24,390 --> 01:02:22,640

um

1561

01:02:26,390 --> 01:02:24,400

that i i think we should reach out to a

1562

01:02:28,230 --> 01:02:26,400

couple people that uh would be really

1563

01:02:29,750 --> 01:02:28,240

awesome he said he tried and uh didn't

1564

01:02:32,630 --> 01:02:29,760

have much luck so maybe maybe we can

1565

01:02:33,910 --> 01:02:32,640

have a a little bit more luck but dude

1566

01:02:35,430 --> 01:02:33,920

talking about like flat earth and stuff

1567

01:02:38,150 --> 01:02:35,440

i just like hearing those theories i'm

1568

01:02:39,270 --> 01:02:38,160

not i just like being open to stuff okay

1569

01:02:41,029 --> 01:02:39,280

it's not like

1570

01:02:43,180 --> 01:02:41,039

i believe look

1571

01:02:47,029 --> 01:02:43,190

even even even guys

1572

01:02:50,230 --> 01:02:47,039

[Laughter]

1573

01:02:52,150 --> 01:02:50,240

so uh there's nothing wrong

1574

01:02:56,950 --> 01:02:52,160

there

1575

01:02:58,549 --> 01:02:56,960

comment the the post that the

1576

01:03:01,510 --> 01:02:58,559

um the head

1577

01:03:03,829 --> 01:03:01,520

or chief guy at the flat earth society

1578

01:03:05,829 --> 01:03:03,839

said we have members from around the

1579

01:03:08,390 --> 01:03:05,839

globe yeah part of the flat earth

1580

01:03:13,910 --> 01:03:08,400

society yes i've seen that and the

1581

01:03:18,710 --> 01:03:15,990

from around the globe oh i don't mean

1582

01:03:21,829 --> 01:03:18,720

like a round i mean like around

1583

01:03:23,910 --> 01:03:21,839

dude yeah a pizza is still around dude

1584

01:03:25,829 --> 01:03:23,920

hey

1585

01:03:29,270 --> 01:03:25,839

i'll take it i'll take it i'll take a

1586

01:03:30,549 --> 01:03:29,280

ball a pizza ball pizza

1587

01:03:32,470 --> 01:03:30,559

yeah

1588

01:03:33,910 --> 01:03:32,480

uh so i just want to get caught up on

1589

01:03:35,589 --> 01:03:33,920

comments before we move on to the next

1590

01:03:39,589 --> 01:03:35,599

topic here

1591

01:03:42,789 --> 01:03:39,599

the sunsaver says please no flat earth

1592

01:03:47,670 --> 01:03:44,710

what's up from houston what's up bro

1593

01:03:50,069 --> 01:03:47,680

damn what's up man

1594

01:03:51,510 --> 01:03:50,079

dave from space style radio hi big willy

1595

01:03:54,789 --> 01:03:51,520

yeah dude

1596

01:03:57,270 --> 01:03:54,799

how many how many people um

1597

01:03:59,589 --> 01:03:57,280

other than juan obviously are here from

1598

01:04:01,190 --> 01:03:59,599

texas right now yeah i'm just curious

1599

01:04:02,470 --> 01:04:01,200

let's get let's get some love from texas

1600

01:04:05,109 --> 01:04:02,480

because it's weird because we're from

1601
01:04:07,190 --> 01:04:05,119
texas but it's like our smallest like

1602
01:04:09,829 --> 01:04:07,200
listener percentage

1603
01:04:14,390 --> 01:04:09,839
yeah our biggest is washington d.c our

1604
01:04:18,309 --> 01:04:17,029
for narnia really

1605
01:04:19,910 --> 01:04:18,319
yeah dude

1606
01:04:21,670 --> 01:04:19,920
honestly i feel like i live in narnia

1607
01:04:23,190 --> 01:04:21,680
sometimes when i go into these like deep

1608
01:04:24,870 --> 01:04:23,200
thought states i feel like i'm walking

1609
01:04:27,270 --> 01:04:24,880
through a wardrobe and it's like i can

1610
01:04:29,670 --> 01:04:27,280
just play around in my mind for like

1611
01:04:32,150 --> 01:04:29,680
days on end yeah the only difference is

1612
01:04:34,549 --> 01:04:32,160
that time actually passes

1613
01:04:36,230 --> 01:04:34,559

and i waste well not waste but like a

1614

01:04:38,630 --> 01:04:36,240

lot of time

1615

01:04:41,510 --> 01:04:38,640

like oh look up it's like 2 30 in the

1616

01:04:43,190 --> 01:04:41,520

you know in the morning and like wha

1617

01:04:45,190 --> 01:04:43,200

i'm just like writing down stuff from

1618

01:04:46,309 --> 01:04:45,200

like on tick tock or whatever it's so

1619

01:04:47,990 --> 01:04:46,319

fun

1620

01:04:49,990 --> 01:04:48,000

dude i love this kind of stuff dude oh

1621

01:04:51,670 --> 01:04:50,000

made wall wonder says

1622

01:04:53,670 --> 01:04:51,680

we're going to make fun of him all night

1623

01:04:55,750 --> 01:04:53,680

you know which is true now that we have

1624

01:04:56,789 --> 01:04:55,760

a chat room if we bring a flat earther

1625

01:04:59,670 --> 01:04:56,799

on

1626

01:05:01,270 --> 01:04:59,680

it's going to like just explode oh dude

1627

01:05:03,349 --> 01:05:01,280

hey well if anybody out there wants to

1628

01:05:05,109 --> 01:05:03,359

hop on for like 20

1629

01:05:07,190 --> 01:05:05,119

if we if there's any flat earthers in

1630

01:05:09,109 --> 01:05:07,200

the chat right now like if you promise

1631

01:05:11,589 --> 01:05:09,119

to keep it to five minutes we'll like

1632

01:05:13,270 --> 01:05:11,599

send you the this the link and like have

1633

01:05:14,950 --> 01:05:13,280

you on dude because i just love talking

1634

01:05:16,150 --> 01:05:14,960

about that [h__h] dude hey look at where

1635

01:05:18,230 --> 01:05:16,160

everybody's from dude everybody's

1636

01:05:20,950 --> 01:05:18,240

posting it i like it hell yeah go up

1637

01:05:22,390 --> 01:05:20,960

wake up a little bit we got uh yep

1638

01:05:23,190 --> 01:05:22,400

starts here

1639

01:05:25,349 --> 01:05:23,200

hey

1640

01:05:28,549 --> 01:05:25,359

are you from san antonio bro

1641

01:05:31,670 --> 01:05:28,559

hell ben go for real dude van bro what

1642

01:05:32,990 --> 01:05:31,680

the hell we need to link up dude oregon

1643

01:05:34,230 --> 01:05:33,000

or oregon

1644

01:05:35,990 --> 01:05:34,240

[Music]

1645

01:05:37,829 --> 01:05:36,000

dave said he's from texas north that

1646

01:05:39,090 --> 01:05:37,839

means uh he's from canada because we

1647

01:05:41,349 --> 01:05:39,100

call it north texas

1648

01:05:43,990 --> 01:05:41,359

[Laughter]

1649

01:05:46,069 --> 01:05:44,000

bama ohio

1650

01:05:47,670 --> 01:05:46,079

[Music]

1651

01:05:50,549 --> 01:05:47,680

hey man y'all got a good football team

1652

01:05:54,150 --> 01:05:50,559

this year hey man i'll tell you what man

1653

01:05:55,029 --> 01:05:54,160

illinois we got kanata love that tammy

1654

01:05:56,309 --> 01:05:55,039

dude

1655

01:05:57,910 --> 01:05:56,319

georgia

1656

01:06:00,309 --> 01:05:57,920

um

1657

01:06:01,829 --> 01:06:00,319

we got uh florida greg hell yeah dude

1658

01:06:05,109 --> 01:06:01,839

ray delayed

1659

01:06:06,789 --> 01:06:05,119

is is that uh that's that's the uh

1660

01:06:08,150 --> 01:06:06,799

that's the island on the moon that no

1661

01:06:11,109 --> 01:06:08,160

one knows about

1662

01:06:12,710 --> 01:06:11,119

ray delayed island great ladies yeah

1663

01:06:17,029 --> 01:06:12,720

socal

1664

01:06:19,510 --> 01:06:17,039

georgia oh yeah florida florida

1665

01:06:20,630 --> 01:06:19,520

indiana over here that's not their

1666

01:06:28,390 --> 01:06:20,640

accent

1667

01:06:32,950 --> 01:06:30,549

hey speaking of speaking of mooning man

1668

01:06:35,270 --> 01:06:32,960

was mooning as big a deal for me when i

1669

01:06:36,150 --> 01:06:35,280

was a kid as it was for you yeah

1670

01:06:39,589 --> 01:06:36,160

dude

1671

01:06:41,990 --> 01:06:39,599

chance i could pull my ass out of my

1672

01:06:43,589 --> 01:06:42,000

pants i did it thank you

1673

01:06:45,750 --> 01:06:43,599

i was telling jess about this i was like

1674

01:06:48,710 --> 01:06:45,760

dude when i was a kid mooning someone

1675

01:06:53,510 --> 01:06:48,720

was a like the most hilarious thing you

1676

01:06:56,069 --> 01:06:53,520

could ever do she's like asses out like

1677

01:06:57,750 --> 01:06:56,079

she did i'm not gonna like you know

1678

01:06:58,829 --> 01:06:57,760

well i started to think about it like

1679

01:07:00,390 --> 01:06:58,839

it's not

1680

01:07:01,750 --> 01:07:00,400

everyone's

1681

01:07:03,349 --> 01:07:01,760

part of their childhood but it was a

1682

01:07:05,029 --> 01:07:03,359

huge part of my childhood man i thought

1683

01:07:07,430 --> 01:07:05,039

that was the most funny [h__h] ever dude

1684

01:07:08,549 --> 01:07:07,440

yeah dude i have a note from sister

1685

01:07:11,670 --> 01:07:08,559

karina

1686

01:07:13,270 --> 01:07:11,680

from the taylor catholic school

1687

01:07:15,750 --> 01:07:13,280

that i could pull it out and show it to

1688

01:07:16,549 --> 01:07:15,760

you bro it's handwritten to my mom it

1689

01:07:18,710 --> 01:07:16,559

says

1690

01:07:20,069 --> 01:07:18,720

ben jenkins i'm like [h__h]

1691

01:07:21,109 --> 01:07:20,079

five six

1692

01:07:22,390 --> 01:07:21,119

says been

1693

01:07:23,750 --> 01:07:22,400

been uh

1694

01:07:25,829 --> 01:07:23,760

on his way to the bathroom with the

1695

01:07:28,230 --> 01:07:25,839

class today decided to pull his pants

1696

01:07:30,710 --> 01:07:28,240

down in front of the entire class and

1697

01:07:33,029 --> 01:07:30,720

the pe uh the kids the older kids that

1698

01:07:34,870 --> 01:07:33,039

are at pe because you remember the gym

1699

01:07:38,069 --> 01:07:34,880

was also right next to the bathroom yeah

1700

01:07:40,150 --> 01:07:38,079

it was open open stage yeah i just

1701

01:07:41,829 --> 01:07:40,160

dropped trial i thought it was so funny

1702

01:07:46,230 --> 01:07:41,839

everybody

1703

01:07:48,710 --> 01:07:46,240

and then i got you know corporal

1704

01:07:51,029 --> 01:07:48,720

punishments you know i got i got a

1705

01:07:52,870 --> 01:07:51,039

rosary stuck up my

1706

01:07:54,870 --> 01:07:52,880

fully just stuffed it in there man did

1707

01:07:57,109 --> 01:07:54,880

you ever get the ruler to the knuckles

1708

01:07:59,130 --> 01:07:57,119

no i actually i'm joking i did never i

1709

01:08:02,789 --> 01:07:59,140

never got a rosary stuck up my ass

1710

01:08:04,470 --> 01:08:02,799

[Laughter]

1711

01:08:07,349 --> 01:08:04,480

i never got slapped on the knuckles but

1712

01:08:09,430 --> 01:08:07,359

it was actually a pretty sweeter

1713

01:08:13,349 --> 01:08:09,440

oh god

1714

01:08:15,430 --> 01:08:13,359

oh i mean oh mary you know

1715

01:08:18,470 --> 01:08:15,440

butts yeah it's funny it's a joke it's a

1716

01:08:27,030 --> 01:08:21,189

it's not funny for everybody

1717

01:08:30,950 --> 01:08:28,789

but anyway no i didn't never i never got

1718

01:08:32,789 --> 01:08:30,960

that corporal stuff they stopped that

1719

01:08:34,630 --> 01:08:32,799

like a year before i started i believe

1720

01:08:36,229 --> 01:08:34,640

like my brother got his knuckles slapped

1721

01:08:38,390 --> 01:08:36,239

with the ruler

1722

01:08:40,390 --> 01:08:38,400

yeah i got my ass whooped a couple times

1723

01:08:42,470 --> 01:08:40,400

yeah you're a couple yeah you're

1724

01:08:44,149 --> 01:08:42,480

two years old three two years older

1725

01:08:45,590 --> 01:08:44,159

because i got held back when i was in st

1726

01:08:48,309 --> 01:08:45,600

mary's

1727

01:08:50,870 --> 01:08:48,319

yeah yeah cause the whole rose rosary at

1728

01:08:55,110 --> 01:08:53,030

i couldn't focus the rest of the year i

1729

01:08:56,870 --> 01:08:55,120

was totally thrown off i was stuck out i

1730

01:08:59,669 --> 01:08:56,880

was still i was still counting my prayer

1731

01:09:02,070 --> 01:08:59,679

beads man it took that long

1732

01:09:03,829 --> 01:09:02,080

dude that's cool sunsaver he saw angus

1733

01:09:05,430 --> 01:09:03,839

young moon the crowd at hell's bells

1734

01:09:07,269 --> 01:09:05,440

concert in

1735

01:09:09,749 --> 01:09:07,279

that's a badass

1736

01:09:11,829 --> 01:09:09,759

oh my god okay holy [h__h] we got to go on

1737

01:09:14,550 --> 01:09:11,839

the next topic let's go next topic next

1738

01:09:16,390 --> 01:09:14,560

topic let's talk about do we want to do

1739

01:09:18,070 --> 01:09:16,400

the conspiracy one or do we want to talk

1740

01:09:19,910 --> 01:09:18,080

about childhoods and this is a

1741

01:09:22,070 --> 01:09:19,920

conspiracy one real quick okay i'm sure

1742

01:09:23,590 --> 01:09:22,080

it'll lead into i mean

1743

01:09:25,829 --> 01:09:23,600

all these topics have kind of led into

1744

01:09:29,269 --> 01:09:25,839

it but i kind of wanted to get into the

1745

01:09:31,990 --> 01:09:29,279

topic of conspiracy theories yes and at

1746

01:09:34,950 --> 01:09:32,000

what point

1747

01:09:37,910 --> 01:09:34,960

does a conspiracy theory

1748

01:09:40,709 --> 01:09:37,920

get a little out of hand right

1749

01:09:43,990 --> 01:09:40,719

there's a lot of dude i hey

1750

01:09:45,030 --> 01:09:44,000

i am always up for a good conspiracy

1751

01:09:48,149 --> 01:09:45,040

theory

1752

01:09:51,349 --> 01:09:48,159

any day of the week absolutely love it

1753

01:09:55,510 --> 01:09:51,359

we'll just eat that [h__h] up right but

1754

01:09:58,070 --> 01:09:55,520

internally i also know like

1755

01:09:59,830 --> 01:09:58,080

the conspiracy theory right you got to

1756

01:10:01,189 --> 01:09:59,840

do a lot of digging and stuff and

1757

01:10:02,550 --> 01:10:01,199

discernment you have to determine

1758

01:10:04,790 --> 01:10:02,560

there's there's a lot of discernment

1759

01:10:07,189 --> 01:10:04,800

involved

1760

01:10:09,910 --> 01:10:07,199

the re what brought this up is there was

1761

01:10:12,470 --> 01:10:09,920

a new guy that started at work with me

1762

01:10:15,189 --> 01:10:12,480

um you know longer works there after two

1763

01:10:16,870 --> 01:10:15,199

days um but those two days were very

1764

01:10:18,950 --> 01:10:16,880

interesting because we just got to chit

1765

01:10:20,870 --> 01:10:18,960

chatting and stuff and i was like yeah

1766

01:10:22,870 --> 01:10:20,880

me and my buddy we do this show it's

1767

01:10:24,149 --> 01:10:22,880

called ufo garage podcast and he was

1768

01:10:25,430 --> 01:10:24,159

like

1769

01:10:29,110 --> 01:10:25,440

i uh

1770

01:10:33,270 --> 01:10:31,430

that would come in my room at night he

1771

01:10:35,669 --> 01:10:33,280

was telling you this yeah and so we got

1772

01:10:37,189 --> 01:10:35,679

chit chatting and stuff and

1773

01:10:38,950 --> 01:10:37,199

then he was like

1774

01:10:40,550 --> 01:10:38,960

well my mom

1775

01:10:42,550 --> 01:10:40,560

she had a sickness

1776

01:10:46,390 --> 01:10:42,560

and these things came and they hovered

1777

01:10:47,990 --> 01:10:46,400

over her bed and uh they're demons and i

1778

01:10:49,910 --> 01:10:48,000

was like oh [\h__\h] well what happened to

1779

01:10:53,110 --> 01:10:49,920

your mom he was like well the cancer

1780

01:10:54,470 --> 01:10:53,120

went away and i was like

1781

01:10:56,390 --> 01:10:54,480

are you sure they're demons he was like

1782

01:10:57,830 --> 01:10:56,400

yeah they're demons

1783

01:11:00,870 --> 01:10:57,840

and then like we just went into like

1784

01:11:03,189 --> 01:11:00,880

this huge like he went down this path of

1785

01:11:05,750 --> 01:11:03,199

like say about that yeah i know i i did

1786

01:11:07,350 --> 01:11:05,760

too but like it was and that's part of

1787

01:11:10,470 --> 01:11:07,360

the conversation that i want to have

1788

01:11:13,270 --> 01:11:10,480

tonight a little bit is that like

1789

01:11:14,950 --> 01:11:13,280
we probably i tried to have that

1790

01:11:16,950 --> 01:11:14,960
conversation that

1791

01:11:18,870 --> 01:11:16,960
you're thinking in your head yeah like

1792

01:11:21,430 --> 01:11:18,880
wait let's let's let's stick to the you

1793

01:11:23,990 --> 01:11:21,440
know um and and so

1794

01:11:25,910 --> 01:11:24,000
it just didn't go the way i thought it

1795

01:11:27,910 --> 01:11:25,920
would like it's just so weird and then

1796

01:11:29,750 --> 01:11:27,920
we got into like

1797

01:11:31,990 --> 01:11:29,760
satellites are fake

1798

01:11:34,550 --> 01:11:32,000
space doesn't exist

1799

01:11:36,630 --> 01:11:34,560
the world's only 600 years old like

1800

01:11:38,870 --> 01:11:36,640
there was just so much and it was all

1801

01:11:40,390 --> 01:11:38,880

like kind of like

1802

01:11:42,470 --> 01:11:40,400

and i'm not taking any shots here but it

1803

01:11:44,950 --> 01:11:42,480

was all like kind of like biblical [h__h]

1804

01:11:46,070 --> 01:11:44,960

right and it was like

1805

01:11:46,870 --> 01:11:46,080

dude like

1806

01:11:48,630 --> 01:11:46,880

you

1807

01:11:51,350 --> 01:11:48,640

i don't know like everything for like

1808

01:11:54,390 --> 01:11:51,360

vaccines and just all everything did you

1809

01:11:56,070 --> 01:11:54,400

guys talk for for two days oh two days

1810

01:11:57,830 --> 01:11:56,080

oh there you go yeah i mean it was a lot

1811

01:12:00,149 --> 01:11:57,840

it was a lot but

1812

01:12:02,310 --> 01:12:00,159

man like i said i i love a good

1813

01:12:05,189 --> 01:12:02,320

conspiracy yeah

1814

01:12:07,990 --> 01:12:05,199

but just everything that like the dude

1815

01:12:10,149 --> 01:12:08,000

was saying like i could see where he's

1816

01:12:13,189 --> 01:12:10,159

going with it but then it just went too

1817

01:12:17,110 --> 01:12:13,199

far and that brought up in my mind like

1818

01:12:19,030 --> 01:12:17,120

when does a conspiracy go too far right

1819

01:12:20,229 --> 01:12:19,040

our conversations about conspiracies

1820

01:12:23,590 --> 01:12:20,239

dude like

1821

01:12:26,070 --> 01:12:23,600

if we like we kind of keep each other in

1822

01:12:28,390 --> 01:12:26,080

check right right so i'm interested to

1823

01:12:31,750 --> 01:12:28,400

know like yeah like where did where's

1824

01:12:33,830 --> 01:12:31,760

that line crossed dude like if if you

1825

01:12:36,149 --> 01:12:33,840

were the one saying

1826

01:12:38,709 --> 01:12:36,159

wait a minute

1827

01:12:40,470 --> 01:12:38,719

what is that line yeah

1828

01:12:41,910 --> 01:12:40,480

yeah exactly

1829

01:12:44,070 --> 01:12:41,920

um

1830

01:12:45,750 --> 01:12:44,080

i was like

1831

01:12:48,390 --> 01:12:45,760

we'll take my labs for example i was

1832

01:12:49,590 --> 01:12:48,400

talking about like my labs

1833

01:12:52,149 --> 01:12:49,600

and he was like

1834

01:12:53,590 --> 01:12:52,159

yeah that's all the work of the devil

1835

01:12:55,669 --> 01:12:53,600

i was like okay

1836

01:12:57,910 --> 01:12:55,679

huh can we just chalk it off to that

1837

01:13:00,390 --> 01:12:57,920

like no obviously we can't but he was

1838

01:13:02,870 --> 01:13:00,400

saying ain't no way that that's that's

1839

01:13:04,149 --> 01:13:02,880

real right ain't no way that's real but

1840

01:13:05,830 --> 01:13:04,159

the other thing the other things are

1841

01:13:07,750 --> 01:13:05,840

real but the other things are real and

1842

01:13:10,470 --> 01:13:07,760

that's it just put me in like this weird

1843

01:13:11,830 --> 01:13:10,480

headspace on like wait satellites aren't

1844

01:13:12,709 --> 01:13:11,840

real

1845

01:13:14,870 --> 01:13:12,719

to you

1846

01:13:18,070 --> 01:13:14,880

and but yeah that one's weird there is

1847

01:13:19,669 --> 01:13:18,080

like government involvement and like

1848

01:13:21,510 --> 01:13:19,679

et's and like

1849

01:13:23,750 --> 01:13:21,520

like i don't know man it just it was

1850

01:13:26,149 --> 01:13:23,760

just such a weird

1851

01:13:29,430 --> 01:13:26,159

it was a weird couple days right

1852

01:13:31,350 --> 01:13:29,440

um and the whole thing was like

1853

01:13:32,390 --> 01:13:31,360

the dude was like

1854

01:13:34,550 --> 01:13:32,400

look man

1855

01:13:36,550 --> 01:13:34,560

i've done my research right and you're

1856

01:13:38,310 --> 01:13:36,560

like oh [h__\h] like

1857

01:13:40,550 --> 01:13:38,320

dude you work here with me

1858

01:13:42,870 --> 01:13:40,560

you didn't do your research i guarantee

1859

01:13:45,910 --> 01:13:42,880

you you you didn't you didn't [h__\h] do

1860

01:13:47,750 --> 01:13:45,920

you did it you may have like you like

1861

01:13:50,790 --> 01:13:47,760

and this is the thing though right it's

1862

01:13:52,790 --> 01:13:50,800

like you can youtube for six hours that

1863

01:13:55,910 --> 01:13:52,800

doesn't for me it doesn't qualify as

1864

01:13:58,709 --> 01:13:55,920

research right yeah we don't we don't

1865

01:14:01,030 --> 01:13:58,719

say that we're like researchers right i

1866

01:14:03,590 --> 01:14:01,040

am i mean we there's documents that

1867

01:14:05,350 --> 01:14:03,600

we've read there's plenty of documents

1868

01:14:07,510 --> 01:14:05,360

that we've read and like people we've

1869

01:14:08,669 --> 01:14:07,520

talked to and like we've done like

1870

01:14:10,870 --> 01:14:08,679

technical

1871

01:14:13,189 --> 01:14:10,880

investigations right like when you're

1872

01:14:15,510 --> 01:14:13,199

talking to like people like the films

1873

01:14:17,030 --> 01:14:15,520

we've actually been in the field

1874

01:14:18,790 --> 01:14:17,040

researching

1875

01:14:21,510 --> 01:14:18,800

and we just thought it was fun right we

1876

01:14:23,590 --> 01:14:21,520

didn't call it we don't call it research

1877

01:14:25,270 --> 01:14:23,600

but like how do we look back at it i

1878

01:14:27,189 --> 01:14:25,280

would say yeah exactly exactly if you

1879

01:14:29,350 --> 01:14:27,199

look back at it dude we're like i guess

1880

01:14:31,110 --> 01:14:29,360

that actually technically was research

1881

01:14:32,390 --> 01:14:31,120

and i was like super stoked about it

1882

01:14:35,510 --> 01:14:32,400

like when i thought about we like we

1883

01:14:37,030 --> 01:14:35,520

like traveled to arkansas to interview

1884

01:14:40,630 --> 01:14:37,040

twice yeah

1885

01:14:45,590 --> 01:14:40,640

yeah and sedona and sedona wait did we

1886

01:14:51,110 --> 01:14:48,870

but we investigated twice joke yeah

1887

01:14:53,430 --> 01:14:51,120

sorry

1888

01:14:56,149 --> 01:14:53,440

and dude we do investigation like over

1889

01:14:57,990 --> 01:14:56,159

the internet like i mean like i'm not

1890

01:14:59,510 --> 01:14:58,000

talking youtubers so i'm talking like

1891

01:15:01,590 --> 01:14:59,520

just reaching out to people talking

1892

01:15:03,189 --> 01:15:01,600

getting their stories and like uh you

1893

01:15:06,149 --> 01:15:03,199

know pertaining to like you know the

1894

01:15:09,350 --> 01:15:06,159

documentary and stuff like that like

1895

01:15:11,510 --> 01:15:09,360

it it literally is like

1896

01:15:13,270 --> 01:15:11,520

like ben and i just had the means to be

1897

01:15:15,350 --> 01:15:13,280

able to like

1898

01:15:17,750 --> 01:15:15,360

help this dude make a documentary right

1899

01:15:20,070 --> 01:15:17,760

that's that's literally all it is

1900

01:15:21,910 --> 01:15:20,080

we don't claim to be like researchers or

1901

01:15:24,149 --> 01:15:21,920

or like any of that [h__h] we're not

1902

01:15:26,470 --> 01:15:24,159

journalists we're not we're none of that

1903

01:15:28,229 --> 01:15:26,480

stuff we're we're entertainers right

1904

01:15:29,189 --> 01:15:28,239

like our show is

1905

01:15:30,630 --> 01:15:29,199

80

1906

01:15:33,189 --> 01:15:30,640

entertainment

1907

01:15:35,110 --> 01:15:33,199

20 percent like somewhat informational

1908

01:15:38,950 --> 01:15:35,120

120 percent

1909

01:15:43,189 --> 01:15:40,950

but you know some people are like hey i

1910

01:15:44,790 --> 01:15:43,199

did my research right and i see that

1911

01:15:45,990 --> 01:15:44,800

[h__h] on facebook all the time and people

1912

01:15:47,910 --> 01:15:46,000

will be like

1913

01:15:49,669 --> 01:15:47,920

well you just gotta do your research and

1914

01:15:51,669 --> 01:15:49,679

it's like well i mean what research are

1915

01:15:53,910 --> 01:15:51,679

you doing like are you going to like

1916

01:15:55,510 --> 01:15:53,920

articles and stuff that like you agree

1917

01:15:57,030 --> 01:15:55,520

with and that's your research because

1918

01:15:59,669 --> 01:15:57,040

you can't just go to stuff that you

1919

01:16:02,229 --> 01:15:59,679

already agree with and and be like yup

1920

01:16:04,390 --> 01:16:02,239

so i told you i did my research well

1921

01:16:06,070 --> 01:16:04,400

it's not research if you do like six

1922

01:16:08,390 --> 01:16:06,080

hours of some [h__\h] you already agree

1923

01:16:10,790 --> 01:16:08,400

with you gotta go in and like

1924

01:16:13,669 --> 01:16:10,800

find [h__\h] you don't agree with and see

1925

01:16:15,830 --> 01:16:13,679

like why that would actually be a better

1926

01:16:18,709 --> 01:16:15,840

uh a better option like you have to

1927

01:16:22,070 --> 01:16:18,719

argue with yourself you have to try and

1928

01:16:26,070 --> 01:16:22,080

change your own mind about the way that

1929

01:16:27,669 --> 01:16:26,080

you think yeah and if you can't then

1930

01:16:29,350 --> 01:16:27,679

okay

1931

01:16:32,070 --> 01:16:29,360

yeah you know so you're you're making

1932

01:16:35,590 --> 01:16:32,080

the analogy of of

1933

01:16:36,630 --> 01:16:35,600

doing your research and the well when

1934

01:16:38,070 --> 01:16:36,640

people make up their minds about

1935

01:16:39,510 --> 01:16:38,080

something basically i'm like breaking it

1936

01:16:41,590 --> 01:16:39,520

down i'm not you know trying to take

1937

01:16:43,830 --> 01:16:41,600

anything away from that but

1938

01:16:46,950 --> 01:16:43,840

this is where the line is drawn where

1939

01:16:49,669 --> 01:16:46,960

these conspiracies come up and there's

1940

01:16:51,990 --> 01:16:49,679

all of these connections these

1941

01:16:52,950 --> 01:16:52,000

charlie day with the with the uh red

1942

01:16:54,229 --> 01:16:52,960

yarn

1943

01:16:59,830 --> 01:16:54,239

and

1944

01:17:01,750 --> 01:16:59,840

say well i've done the research here's

1945

01:17:03,510 --> 01:17:01,760

this and this and this and this

1946

01:17:05,990 --> 01:17:03,520

my my uh

1947

01:17:07,189 --> 01:17:06,000

additive my uh building on that

1948

01:17:11,830 --> 01:17:07,199

is

1949

01:17:13,669 --> 01:17:11,840

how deep does it go i guess maybe we

1950

01:17:15,430 --> 01:17:13,679

might be saying the same things how deep

1951

01:17:17,189 --> 01:17:15,440

does it go because if it just stops it

1952

01:17:18,390 --> 01:17:17,199

while this other dude said this one

1953

01:17:20,390 --> 01:17:18,400

thing

1954

01:17:22,870 --> 01:17:20,400

i think that's a little dangerous yeah

1955

01:17:25,189 --> 01:17:22,880

for sure also that's like the premise of

1956

01:17:27,110 --> 01:17:25,199

like most of the [h__h] that i think i

1957

01:17:29,350 --> 01:17:27,120

know it's like oh this other dude said

1958

01:17:32,149 --> 01:17:29,360

that dude so like hey

1959

01:17:34,070 --> 01:17:32,159

i'm thinking about this now yeah so

1960

01:17:36,390 --> 01:17:34,080

i mean i'm not saying like everything i

1961

01:17:37,350 --> 01:17:36,400

believe is because of some dude said

1962

01:17:38,790 --> 01:17:37,360

something

1963

01:17:41,189 --> 01:17:38,800

we've definitely looked into stuff

1964

01:17:43,590 --> 01:17:41,199

before we talk about it not all the time

1965

01:17:46,470 --> 01:17:43,600

right no we don't and it's purely for

1966

01:17:48,229 --> 01:17:46,480

fun reasons right but like i mean the

1967

01:17:50,870 --> 01:17:48,239

dude kind of even went down like a bunch

1968

01:17:53,350 --> 01:17:50,880

of like q avenues oh yeah

1969

01:17:55,110 --> 01:17:53,360

like that's a sticky one right monetized

1970

01:17:56,709 --> 01:17:55,120

because it's like there's there's like

1971

01:17:59,189 --> 01:17:56,719

some [h__h] that like makes sense and you

1972

01:18:00,870 --> 01:17:59,199

can point to and be like

1973

01:18:03,030 --> 01:18:00,880

that happens

1974

01:18:05,910 --> 01:18:03,040

right now like that is happening right

1975

01:18:09,030 --> 01:18:05,920

right now right like that's not like a

1976

01:18:11,030 --> 01:18:09,040

questionable theory like we can plainly

1977

01:18:13,750 --> 01:18:11,040

see this happening right now but then

1978

01:18:14,870 --> 01:18:13,760

there's other stuff that is just like

1979

01:18:17,669 --> 01:18:14,880

so

1980

01:18:20,550 --> 01:18:17,679

out there like like we thought

1981

01:18:24,470 --> 01:18:20,560

it was totally cool like we thought what

1982

01:18:26,470 --> 01:18:24,480

a [h__h] awesome idea right that uh uh

1983

01:18:27,430 --> 01:18:26,480

what's his face uh

1984

01:18:29,510 --> 01:18:27,440

um

1985

01:18:33,030 --> 01:18:29,520

jeremy gibbons no what's his face and

1986

01:18:34,790 --> 01:18:33,040

his wife uh oh tony's tony uh tony's

1987

01:18:36,470 --> 01:18:34,800

sledding god damn it's like hey

1988

01:18:38,630 --> 01:18:36,480

everybody come on dog give me a couple

1989

01:18:40,870 --> 01:18:38,640

of sweatshirts you remember you remember

1990

01:18:45,270 --> 01:18:40,880

the [h__\h] uh the guy with the thing

1991

01:18:47,510 --> 01:18:45,280

that's a place come on get a plane no no

1992

01:18:50,149 --> 01:18:47,520

no you remember the gravesite with the q

1993

01:18:53,030 --> 01:18:50,159

on it who the [h__\h] was that kennedy yeah

1994

01:18:55,030 --> 01:18:53,040

yeah yes yes yes

1995

01:18:56,630 --> 01:18:55,040

him and his wife like actually jumped

1996

01:18:58,470 --> 01:18:56,640

out of the airplane before it exploded

1997

01:19:00,149 --> 01:18:58,480

over the ocean and they survived and

1998

01:19:02,310 --> 01:19:00,159

like they've been spotted like at all

1999

01:19:04,630 --> 01:19:02,320

these like events and stuff and like

2000

01:19:06,950 --> 01:19:04,640

yeah i mean like the images is is kind

2001

01:19:09,110 --> 01:19:06,960

of uncanny like it same smile same

2002

01:19:11,830 --> 01:19:09,120

everything right what a cool

2003

01:19:13,510 --> 01:19:11,840

cool theory to think of like oh and then

2004

01:19:15,830 --> 01:19:13,520

before the election comes they're gonna

2005

01:19:18,310 --> 01:19:15,840

drop all this information that all these

2006

01:19:20,550 --> 01:19:18,320

people had and like also like oprah has

2007

01:19:22,709 --> 01:19:20,560

a an ankle bracelet and soda is like

2008

01:19:25,189 --> 01:19:22,719

ella generous and like john hanks moved

2009

01:19:26,790 --> 01:19:25,199

like to creed because he like he

2010

01:19:28,149 --> 01:19:26,800

he's uh

2011

01:19:30,550 --> 01:19:28,159

he's woody

2012

01:19:32,709 --> 01:19:30,560

he's a pup he's a toy yeah so i mean

2013

01:19:34,709 --> 01:19:32,719

like those are all cool they're fun to

2014

01:19:37,430 --> 01:19:34,719

like listen to and like rack your brain

2015

01:19:40,870 --> 01:19:37,440

on right but like i feel like that cue

2016

01:19:43,189 --> 01:19:40,880

[h__h] like ate some people alive in the

2017

01:19:44,790 --> 01:19:43,199

past two years like it really like

2018

01:19:46,870 --> 01:19:44,800

damaged like

2019

01:19:49,030 --> 01:19:46,880

that [h__h] damaged families and

2020

01:19:51,350 --> 01:19:49,040

relationships and like

2021

01:19:53,110 --> 01:19:51,360

i mean people went from like a thousand

2022

01:19:55,310 --> 01:19:53,120

friends to like eight friends on

2023

01:19:57,350 --> 01:19:55,320

facebook like it was just

2024

01:19:59,430 --> 01:19:57,360

ridiculous right

2025

01:20:01,830 --> 01:19:59,440

well okay i want to say this

2026

01:20:04,390 --> 01:20:01,840

before we get any further it's

2027

01:20:06,149 --> 01:20:04,400

i feel like we would be totally

2028

01:20:08,870 --> 01:20:06,159

contradictory like

2029

01:20:10,629 --> 01:20:08,880

uh oh what's the what's the term like

2030

01:20:12,790 --> 01:20:10,639

when you say something and hypocritical

2031

01:20:15,030 --> 01:20:12,800

hypocritical thank you if if we were to

2032

01:20:17,590 --> 01:20:15,040

be like oh we just don't believe you

2033

01:20:19,110 --> 01:20:17,600

know this this one particular thing this

2034

01:20:20,470 --> 01:20:19,120

is just an example that you came up with

2035

01:20:22,189 --> 01:20:20,480

yeah these are just examples just an

2036

01:20:24,790 --> 01:20:22,199

example because we even had a show

2037

01:20:26,790 --> 01:20:24,800

specifically dealing with all of this

2038

01:20:28,790 --> 01:20:26,800

[h__h] right and like how crazy would it

2039

01:20:31,270 --> 01:20:28,800

be if it was like real

2040

01:20:33,430 --> 01:20:31,280

what are you thinking you know like it

2041

01:20:35,189 --> 01:20:33,440

is kind of wild that you had like

2042

01:20:36,390 --> 01:20:35,199

stars there for a little bit that were

2043

01:20:38,149 --> 01:20:36,400

coming out and being like yo there's

2044

01:20:39,830 --> 01:20:38,159

like this pedophile ring yeah and then

2045

01:20:42,310 --> 01:20:39,840

they would wind up dead and then like

2046

01:20:43,830 --> 01:20:42,320

that pizza place the [h__h] like dude

2047

01:20:46,550 --> 01:20:43,840

that guy's creepy as [h__h] he has a

2048

01:20:48,310 --> 01:20:46,560

basement there's like all this

2049

01:20:50,070 --> 01:20:48,320

and then people will be like well there

2050

01:20:51,750 --> 01:20:50,080

isn't a basement that's why that theory

2051

01:20:53,669 --> 01:20:51,760

is [h__h] and you're like oh but then

2052

01:20:55,590 --> 01:20:53,679

you go and you look at it and like there

2053

01:20:57,270 --> 01:20:55,600

was at one time a basement is filled up

2054

01:20:59,350 --> 01:20:57,280

with concrete now like can you explain

2055

01:21:01,350 --> 01:20:59,360

that like it's just weird dude like

2056

01:21:02,870 --> 01:21:01,360

there's so much weird [h__h] and if you

2057

01:21:03,669 --> 01:21:02,880

got money and power you can make things

2058

01:21:05,910 --> 01:21:03,679

happen

2059

01:21:06,709 --> 01:21:05,920

like that so there's no waiting it's not

2060

01:21:11,669 --> 01:21:06,719

like

2061

01:21:13,590 --> 01:21:11,679

wealthy and powerful and then somebody

2062

01:21:14,550 --> 01:21:13,600

being like hey they found out about your

2063

01:21:16,709 --> 01:21:14,560

basement

2064

01:21:19,270 --> 01:21:16,719

you'd be like oh [h__h] well why don't you

2065

01:21:21,510 --> 01:21:19,280

call the local concrete guys and they'll

2066

01:21:22,950 --> 01:21:21,520

be here in like two to three weeks and

2067

01:21:24,149 --> 01:21:22,960

somebody might come in just make sure

2068

01:21:25,990 --> 01:21:24,159

they don't get to the basement no if

2069

01:21:27,510 --> 01:21:26,000

you're super wealthy and powerful

2070

01:21:29,030 --> 01:21:27,520

you own a concrete company own a

2071

01:21:31,110 --> 01:21:29,040

concrete company that comes and fills

2072

01:21:34,790 --> 01:21:31,120

that [h__h] up within the next hour at 2

2073

01:21:37,189 --> 01:21:34,800

30 a.m exactly right it's just wild dude

2074

01:21:38,229 --> 01:21:37,199

but here it's wild so so

2075

01:21:39,830 --> 01:21:38,239

i don't know

2076

01:21:43,750 --> 01:21:39,840

where we landed on that if that's like

2077

01:21:45,590 --> 01:21:43,760

the opposition or the uh

2078

01:21:46,870 --> 01:21:45,600

i almost said this preposition that's

2079

01:21:48,550 --> 01:21:46,880

not right

2080

01:21:50,870 --> 01:21:48,560

the opposition or like the you know

2081

01:21:53,430 --> 01:21:50,880

agreeing with it but like i'm trying to

2082

01:21:55,430 --> 01:21:53,440

see both sides to it because like i love

2083

01:21:57,189 --> 01:21:55,440

to stay open-minded but at the same time

2084

01:21:59,430 --> 01:21:57,199

i think this whole topic that we're

2085

01:22:01,270 --> 01:21:59,440

bringing up right now is to s to have

2086

01:22:02,149 --> 01:22:01,280

some discernment

2087

01:22:03,990 --> 01:22:02,159

and

2088

01:22:06,550 --> 01:22:04,000

when do you when do you make that

2089

01:22:08,149 --> 01:22:06,560

decision in your mind not to go

2090

01:22:10,390 --> 01:22:08,159

down that path and let it ruin your

2091

01:22:12,470 --> 01:22:10,400

relationships with your loved ones when

2092

01:22:14,550 --> 01:22:12,480

do you decide that like it's really hard

2093

01:22:16,950 --> 01:22:14,560

to do that like yeah

2094

01:22:19,830 --> 01:22:16,960

there's no answer to that but i think i

2095

01:22:22,709 --> 01:22:19,840

think some things that might lead you to

2096

01:22:24,790 --> 01:22:22,719

maybe wake up and start uh realizing

2097

01:22:25,590 --> 01:22:24,800

maybe you should hold back maybe you

2098

01:22:28,790 --> 01:22:25,600

should

2099

01:22:45,520 --> 01:22:28,800

hey take a little take a little chip

2100

01:22:53,350 --> 01:22:50,229

[Music]

2101

01:22:54,550 --> 01:22:53,360

anyway but like slow your roll and if

2102

01:22:56,229 --> 01:22:54,560

you're starting to realize like the

2103

01:22:58,709 --> 01:22:56,239

people around you are starting to

2104

01:23:00,870 --> 01:22:58,719

distance themselves and stuff it you

2105

01:23:04,550 --> 01:23:00,880

could go down a path of like i know the

2106

01:23:06,709 --> 01:23:04,560

truth i i know it uh and they everyone's

2107

01:23:08,229 --> 01:23:06,719

blind and they're hating me because i'm

2108

01:23:10,149 --> 01:23:08,239

on this righteous path and i have to

2109

01:23:11,510 --> 01:23:10,159

pursue it it's like this whole there's a

2110

01:23:14,310 --> 01:23:11,520

there's a story in the bible about this

2111

01:23:16,950 --> 01:23:14,320

right right right right um where uh

2112

01:23:17,910 --> 01:23:16,960

isaac um newton

2113

01:23:21,590 --> 01:23:17,920

yes

2114

01:23:25,030 --> 01:23:21,600

coy isaac newton coy the famous uh rock

2115

01:23:26,629 --> 01:23:25,040

musician that played the accordion

2116

01:23:29,430 --> 01:23:26,639

gravity

2117

01:23:32,470 --> 01:23:29,440

grand tavios thank you so much for the

2118

01:23:33,669 --> 01:23:32,480

super chat thank you yeah dude thank you

2119

01:23:35,990 --> 01:23:33,679

so much

2120

01:23:38,229 --> 01:23:36,000

this show rocks press the like button

2121

01:23:39,350 --> 01:23:38,239

people love that dude hey yeah if you're

2122

01:23:40,070 --> 01:23:39,360

listening to the show you like what you

2123

01:23:43,990 --> 01:23:40,080

hear

2124

01:23:45,830 --> 01:23:44,000

like button and subscribe to us and uh

2125

01:23:47,590 --> 01:23:45,840

we talk about [h__h] once a week we'll

2126
01:23:49,910 --> 01:23:47,600
keep going we'll keep going we'll just

2127
01:23:51,830 --> 01:23:49,920
keep on going keep it going yeah but the

2128
01:23:54,149 --> 01:23:51,840
moment you guys stop hitting the like

2129
01:23:56,709 --> 01:23:54,159
button dude the moment you don't do that

2130
01:23:59,430 --> 01:23:56,719
we don't do the show not come to ben's

2131
01:24:02,149 --> 01:23:59,440
house anymore ever again joe's not

2132
01:24:03,830 --> 01:24:02,159
invited ever to my house

2133
01:24:06,229 --> 01:24:03,840
ever

2134
01:24:08,790 --> 01:24:06,239
sorry amanda our children can't play

2135
01:24:10,470 --> 01:24:08,800
together never never

2136
01:24:12,709 --> 01:24:10,480
but yeah i mean like when it comes to

2137
01:24:15,110 --> 01:24:12,719
those types of things right like and it

2138
01:24:16,390 --> 01:24:15,120

really gets political which i'm not

2139

01:24:17,270 --> 01:24:16,400

going to get political

2140

01:24:20,790 --> 01:24:17,280

but

2141

01:24:23,430 --> 01:24:20,800

both sides are just so full of [h__h] and

2142

01:24:24,390 --> 01:24:23,440

themselves it's absolutely ridiculous

2143

01:24:32,870 --> 01:24:24,400

like

2144

01:24:35,590 --> 01:24:32,880

don't even [h__h] know science for one

2145

01:24:38,550 --> 01:24:35,600

and you don't even know how to research

2146

01:24:40,310 --> 01:24:38,560

for the other one right so you're just

2147

01:24:43,189 --> 01:24:40,320

you're just agreeing with smart people

2148

01:24:44,709 --> 01:24:43,199

like we all do you don't [h__h] believe

2149

01:24:45,990 --> 01:24:44,719

in science dude you're just agreeing

2150

01:24:48,790 --> 01:24:46,000

with smart people because that's what

2151

01:24:50,950 --> 01:24:48,800

you do you don't agree with smart people

2152

01:24:53,030 --> 01:24:50,960

right that's what you do so true and

2153

01:24:54,709 --> 01:24:53,040

then the people that question things

2154

01:24:57,110 --> 01:24:54,719

right are those people that are like

2155

01:24:59,510 --> 01:24:57,120

well i questioned it

2156

01:25:01,510 --> 01:24:59,520

i looked into some stuff which means i

2157

01:25:03,430 --> 01:25:01,520

did research

2158

01:25:04,629 --> 01:25:03,440

and all you did was go to the government

2159

01:25:08,790 --> 01:25:04,639

website

2160

01:25:10,870 --> 01:25:08,800

you believe it right and hey i'm down

2161

01:25:16,950 --> 01:25:10,880

with that right because

2162

01:25:20,390 --> 01:25:18,310

you know what i'm saying though i know

2163

01:25:23,910 --> 01:25:20,400

you could go on a rant joe both of those

2164

01:25:25,110 --> 01:25:23,920

both of those sides are just like just

2165

01:25:28,550 --> 01:25:25,120

julian

2166

01:25:29,590 --> 01:25:28,560

thank you so much

2167

01:25:31,669 --> 01:25:29,600

yes

2168

01:25:33,270 --> 01:25:31,679

yeah

2169

01:25:34,870 --> 01:25:33,280

masturbation propulsion technology

2170

01:25:36,629 --> 01:25:34,880

that's going straight to the research

2171

01:25:38,709 --> 01:25:36,639

yep yeah it sure is

2172

01:25:41,110 --> 01:25:38,719

funding that's another it's another

2173

01:25:43,030 --> 01:25:41,120

month of pouring up dude wait what don't

2174

01:25:46,310 --> 01:25:43,040

tell them it's for research some

2175

01:25:48,790 --> 01:25:46,320

freezers breakfast i do my research dude

2176
01:25:51,270 --> 01:25:48,800
how high my hands are on my hips i did

2177
01:25:52,709 --> 01:25:51,280
my look how high my hips are i have

2178
01:25:54,790 --> 01:25:52,719
researched for

2179
01:25:57,830 --> 01:25:54,800
masturbation propulsion technology since

2180
01:25:59,669 --> 01:25:57,840
i was like 14 dude

2181
01:26:04,149 --> 01:25:59,679
i've been working on this like my life

2182
01:26:07,510 --> 01:26:05,590
i've been working on this since the day

2183
01:26:08,950 --> 01:26:07,520
i was

2184
01:26:11,510 --> 01:26:08,960
damn's born

2185
01:26:13,830 --> 01:26:11,520
oh dude so how about the movies national

2186
01:26:15,830 --> 01:26:13,840
treasure what are your thoughts greg

2187
01:26:18,229 --> 01:26:15,840
dude wait wait i want to finish hold on

2188
01:26:19,990 --> 01:26:18,239

hold on before we go okay another chance

2189

01:26:20,790 --> 01:26:20,000

all i wanted to say is

2190

01:26:23,189 --> 01:26:20,800

when

2191

01:26:25,110 --> 01:26:23,199

you know that that let's let's tie this

2192

01:26:27,030 --> 01:26:25,120

in a bow real quick that moment that you

2193

01:26:29,030 --> 01:26:27,040

maybe should step back and

2194

01:26:30,629 --> 01:26:29,040

reevaluate when you're into these

2195

01:26:31,830 --> 01:26:30,639

conspiracies and you think the world is

2196

01:26:34,550 --> 01:26:31,840

against you and you're losing friends

2197

01:26:37,030 --> 01:26:34,560

and family left and right i think maybe

2198

01:26:39,030 --> 01:26:37,040

look at your you know maybe take a

2199

01:26:40,950 --> 01:26:39,040

little time and and see things from

2200

01:26:44,149 --> 01:26:40,960

other people's perspectives it's not

2201

01:26:44,870 --> 01:26:44,159

about you it's not a personal attack

2202

01:26:46,470 --> 01:26:44,880

right

2203

01:26:47,590 --> 01:26:46,480

i've been down those paths dude where

2204

01:26:49,910 --> 01:26:47,600

i'm like

2205

01:26:51,990 --> 01:26:49,920

oh my god like everybody's an idiot and

2206

01:26:54,149 --> 01:26:52,000

i'm the only smart one like

2207

01:26:56,390 --> 01:26:54,159

that chances are that's not true man

2208

01:26:57,750 --> 01:26:56,400

like you can't be the only well you know

2209

01:27:01,270 --> 01:26:57,760

like a hand uh

2210

01:27:03,270 --> 01:27:01,280

yeah but at the same time

2211

01:27:06,870 --> 01:27:03,280

it's there's a small chance that that

2212

01:27:08,709 --> 01:27:06,880

that everything that you are or

2213

01:27:10,229 --> 01:27:08,719

uh committing to

2214

01:27:12,470 --> 01:27:10,239

there's something right there's a

2215

01:27:14,629 --> 01:27:12,480

percentage that's right about it so to

2216

01:27:16,950 --> 01:27:14,639

to take a phrase from lorian here's the

2217

01:27:19,189 --> 01:27:16,960

kicker right

2218

01:27:21,110 --> 01:27:19,199

the kicker is

2219

01:27:23,030 --> 01:27:21,120

you know how much [h__h] was a conspiracy

2220

01:27:25,189 --> 01:27:23,040

that has come true

2221

01:27:27,430 --> 01:27:25,199

that's the that's the kicker dude is

2222

01:27:30,870 --> 01:27:27,440

that like yeah it's all crazy conspiracy

2223

01:27:32,870 --> 01:27:30,880

[h__h] like i literally saw somebody

2224

01:27:34,629 --> 01:27:32,880

make a post the other day

2225

01:27:36,629 --> 01:27:34,639

and it said

2226

01:27:37,750 --> 01:27:36,639

can you believe this is real and it was

2227

01:27:39,669 --> 01:27:37,760

about

2228

01:27:43,270 --> 01:27:39,679

weather manipulation

2229

01:27:45,750 --> 01:27:43,280

oh right oh and like

2230

01:27:47,030 --> 01:27:45,760

well okay i mean yeah i mean

2231

01:27:49,030 --> 01:27:47,040

you could have looked that up on the

2232

01:27:51,110 --> 01:27:49,040

internet years ago

2233

01:27:53,910 --> 01:27:51,120

and found patents and you could have

2234

01:27:56,229 --> 01:27:53,920

seen the way they do it and actual

2235

01:27:59,270 --> 01:27:56,239

weather manipulation like is a real

2236

01:28:02,709 --> 01:27:59,280

thing right but it's been a conspiracy

2237

01:28:05,189 --> 01:28:02,719

theory but like no it's it's not like

2238

01:28:07,350 --> 01:28:05,199

it's not right it's cloud seeding at all

2239

01:28:09,830 --> 01:28:07,360

it's not though it's really a conspiracy

2240

01:28:12,550 --> 01:28:09,840

theory but it's been a conspiracy theory

2241

01:28:14,390 --> 01:28:12,560

until like what two three years ago for

2242

01:28:16,870 --> 01:28:14,400

the rest of the world well it's called

2243

01:28:18,390 --> 01:28:16,880

cloud seeding and and it's just it's

2244

01:28:20,790 --> 01:28:18,400

it's marketed different it's different

2245

01:28:21,750 --> 01:28:20,800

it's uh it's marketing right right once

2246

01:28:23,750 --> 01:28:21,760

you call

2247

01:28:26,629 --> 01:28:23,760

what i learned i've worked for some

2248

01:28:29,669 --> 01:28:26,639

pretty uh pretty famous marketing people

2249

01:28:30,790 --> 01:28:29,679

and uh what i learned is george bush

2250

01:28:32,229 --> 01:28:30,800

hi

2251

01:28:35,030 --> 01:28:32,239

matthew mcconaughey

2252

01:28:37,350 --> 01:28:35,040

mcauley the creative director of wild

2253

01:28:38,790 --> 01:28:37,360

turkey uh i did not work for him

2254

01:28:40,470 --> 01:28:38,800

actually

2255

01:28:42,870 --> 01:28:40,480

or did i

2256

01:28:44,790 --> 01:28:42,880

uh anyway so what i learned is if you

2257

01:28:46,390 --> 01:28:44,800

want to become like the

2258

01:28:49,669 --> 01:28:46,400

the

2259

01:28:51,350 --> 01:28:49,679

established uh hey we know everything so

2260

01:28:54,550 --> 01:28:51,360

pay us money to learn what we know all

2261

01:28:56,470 --> 01:28:54,560

you have to do is think of a com

2262

01:28:59,270 --> 01:28:56,480

learn a concept that already exists and

2263

01:29:00,950 --> 01:28:59,280

works yeah just give it a new name

2264

01:29:03,030 --> 01:29:00,960

that's all that's it dude that's all

2265

01:29:04,790 --> 01:29:03,040

that's it that's all yet so easy that's

2266

01:29:06,390 --> 01:29:04,800

it right it's kind of sleazy but it's

2267

01:29:08,950 --> 01:29:06,400

easy man

2268

01:29:11,270 --> 01:29:08,960

yeah anyway um okay so we had a couple

2269

01:29:13,590 --> 01:29:11,280

things uh that were uh commented i kind

2270

01:29:17,110 --> 01:29:13,600

of want to touch on really quick uh sun

2271

01:29:18,629 --> 01:29:17,120

saver hey no worries bro we get it

2272

01:29:20,870 --> 01:29:18,639

and we love you for hanging out hey all

2273

01:29:21,830 --> 01:29:20,880

we need is your love just send sent

2274

01:29:26,950 --> 01:29:21,840

through

2275

01:29:27,910 --> 01:29:26,960

yeah at that emails okay email being a

2276

01:29:29,510 --> 01:29:27,920

dick pic

2277

01:29:31,830 --> 01:29:29,520

and he'll be just fine well

2278

01:29:33,030 --> 01:29:31,840

not me i mean you're gonna have to look

2279

01:29:34,629 --> 01:29:33,040

at it if i have to look at it you have

2280

01:29:37,110 --> 01:29:34,639

to look at it no no no i have my own

2281

01:29:38,550 --> 01:29:37,120

email dude

2282

01:29:42,040 --> 01:29:38,560

uh oh there was another one that i kind

2283

01:29:43,750 --> 01:29:42,050

of wanted to talk about um here we go

2284

01:29:45,669 --> 01:29:43,760

[Music]

2285

01:29:49,110 --> 01:29:45,679

everything is a lie till it can be

2286

01:29:50,310 --> 01:29:49,120

proven true black dragon yes yeah dude

2287

01:29:51,350 --> 01:29:50,320

yes

2288

01:29:52,629 --> 01:29:51,360

uh

2289

01:29:54,149 --> 01:29:52,639

we got another one from sun series

2290

01:29:56,229 --> 01:29:54,159

speaking of research and conspiracy i

2291

01:29:59,030 --> 01:29:56,239

went uh to rex research site on free

2292

01:30:01,350 --> 01:29:59,040

energy and everything i built worked so

2293

01:30:04,070 --> 01:30:01,360

there's that free energy is forbidden

2294

01:30:04,950 --> 01:30:04,080

100 believe in that man

2295

01:30:08,950 --> 01:30:04,960

that's

2296

01:30:10,790 --> 01:30:08,960

actually like to hear more about that so

2297

01:30:12,070 --> 01:30:10,800

yeah seriously instead of emailing us

2298

01:30:14,149 --> 01:30:12,080

your dick

2299

01:30:19,590 --> 01:30:14,159

email us your email

2300

01:30:22,629 --> 01:30:19,600

email you back yeah dude

2301

01:30:24,390 --> 01:30:22,639

uh taiwas conspiracies used to be fun

2302

01:30:26,870 --> 01:30:24,400

over drinking coffee and smoking

2303

01:30:28,709 --> 01:30:26,880

cigarettes i agree man i agree that's

2304

01:30:30,470 --> 01:30:28,719

why we invented the show they used to

2305

01:30:35,270 --> 01:30:30,480

yeah they used to be fun and now it's

2306

01:30:40,470 --> 01:30:37,510

uh yeah harp yeah don

2307

01:30:45,590 --> 01:30:40,480

harp another great example yeah yeah

2308

01:30:48,390 --> 01:30:45,600

ufos another great example right yep

2309

01:30:51,030 --> 01:30:48,400

uh yeah so dude i i kind of want to take

2310

01:30:53,910 --> 01:30:51,040

this moment to um make this announcement

2311

01:30:57,990 --> 01:30:53,920

bye victor hey victor goodbye

2312

01:30:58,000 --> 01:31:02,149

that was my announcement

2313

01:31:05,030 --> 01:31:03,030

yeah

2314

01:31:07,110 --> 01:31:05,040

so anyways i mean i don't know you guys

2315

01:31:10,229 --> 01:31:07,120

get my point like where is that line

2316

01:31:13,750 --> 01:31:10,239

like where is that that conspiracy line

2317

01:31:16,790 --> 01:31:13,760

uh drawn right uh

2318

01:31:19,110 --> 01:31:16,800

even with the crazy conspiracy stuff

2319

01:31:21,430 --> 01:31:19,120

when we get into this whole like ufo

2320

01:31:23,189 --> 01:31:21,440

thing i mean i've said it before

2321

01:31:25,510 --> 01:31:23,199

if we're gonna believe

2322

01:31:28,870 --> 01:31:27,510

a being from

2323

01:31:31,270 --> 01:31:28,880

outer space

2324

01:31:32,790 --> 01:31:31,280

maybe an alternate dimension

2325

01:31:33,830 --> 01:31:32,800

can show up

2326
01:31:36,390 --> 01:31:33,840
and we'll

2327
01:31:39,110 --> 01:31:36,400
literally walk through your wall

2328
01:31:40,229 --> 01:31:39,120
and pick you up and and

2329
01:31:43,669 --> 01:31:40,239
take you

2330
01:31:46,149 --> 01:31:43,679
craft

2331
01:31:48,950 --> 01:31:46,159
and do whatever

2332
01:31:50,709 --> 01:31:48,960
take you wherever

2333
01:31:51,590 --> 01:31:50,719
why is it

2334
01:31:56,070 --> 01:31:51,600
like

2335
01:31:59,830 --> 01:31:56,080
some of these conspiracies crazy right

2336
01:32:05,189 --> 01:32:02,550
why is it crazy that some some

2337
01:32:08,790 --> 01:32:05,199
filthy wealthy people own an island and

2338
01:32:10,629 --> 01:32:08,800

do terrible [h__h] on it right

2339

01:32:13,030 --> 01:32:10,639

that seems to be something that's a

2340

01:32:14,709 --> 01:32:13,040

little more realistic than

2341

01:32:16,629 --> 01:32:14,719

something that's interdimensional

2342

01:32:19,030 --> 01:32:16,639

walking through your wall

2343

01:32:20,870 --> 01:32:19,040

doesn't it

2344

01:32:23,669 --> 01:32:20,880

but at the same time i mean like there's

2345

01:32:27,350 --> 01:32:23,679

a there is a line that you just you you

2346

01:32:28,390 --> 01:32:27,360

don't you don't want to cross right

2347

01:32:30,709 --> 01:32:28,400

and maybe

2348

01:32:32,870 --> 01:32:30,719

those are harder

2349

01:32:35,510 --> 01:32:32,880

because it's more

2350

01:32:37,350 --> 01:32:35,520

down to earth it's it's more earthly i

2351
01:32:39,669 --> 01:32:37,360
mean this is evil earthly [h__h] that

2352
01:32:42,070 --> 01:32:39,679
we're talking about

2353
01:32:44,229 --> 01:32:42,080
it's easier to believe that an

2354
01:32:45,669 --> 01:32:44,239
interdimensional space alien can walk

2355
01:32:47,750 --> 01:32:45,679
through your wall because it's not

2356
01:32:51,430 --> 01:32:47,760
something that we all

2357
01:32:53,510 --> 01:32:51,440
have to live with or like deal with

2358
01:32:54,550 --> 01:32:53,520
they're not technically your earthly

2359
01:32:57,110 --> 01:32:54,560
neighbor

2360
01:32:59,990 --> 01:32:57,120
right that's that's doing this stuff so

2361
01:33:02,070 --> 01:33:00,000
i think that's why it's easier

2362
01:33:03,669 --> 01:33:02,080
you know to to believe

2363
01:33:09,270 --> 01:33:03,679

um

2364

01:33:11,110 --> 01:33:09,280

bigfoot mothman ufos ghosts because

2365

01:33:13,110 --> 01:33:11,120

because it's a it's a you're searching

2366

01:33:15,910 --> 01:33:13,120

for it right you know you have to find

2367

01:33:17,590 --> 01:33:15,920

it but like and it would be scary but

2368

01:33:19,110 --> 01:33:17,600

like i said that

2369

01:33:21,590 --> 01:33:19,120

wealthy

2370

01:33:23,830 --> 01:33:21,600

people island where they do evil [h__\h] is

2371

01:33:26,149 --> 01:33:23,840

is like really down it hits home like

2372

01:33:27,830 --> 01:33:26,159

it's a lot closer to you

2373

01:33:31,350 --> 01:33:27,840

than the other stuff and and maybe

2374

01:33:33,430 --> 01:33:31,360

that's why that stuff seems crazy but

2375

01:33:35,510 --> 01:33:33,440

walking through walls doesn't i i don't

2376

01:33:37,590 --> 01:33:35,520

know man i don't know

2377

01:33:39,669 --> 01:33:37,600

i don't know but i know that there's a

2378

01:33:41,910 --> 01:33:39,679

line somewhere

2379

01:33:44,470 --> 01:33:41,920

i think it's to the an individual i

2380

01:33:47,750 --> 01:33:44,480

think somebody uh posted like or

2381

01:33:51,110 --> 01:33:47,760

commented like everybody's got a line uh

2382

01:33:53,270 --> 01:33:51,120

so i lost it sorry um yeah everybody

2383

01:33:55,750 --> 01:33:53,280

everybody does have a line it's it's no

2384

01:33:57,110 --> 01:33:55,760

one's ever gonna agree 100

2385

01:33:59,830 --> 01:33:57,120

right and you've got to be okay with

2386

01:34:03,910 --> 01:33:59,840

that not stop like enforcing your

2387

01:34:05,669 --> 01:34:03,920

beliefs and and get pissed off and like

2388

01:34:08,229 --> 01:34:05,679

be the squeaky wheel about someone else

2389

01:34:09,669 --> 01:34:08,239

like are they are they truly

2390

01:34:12,310 --> 01:34:09,679

hurting you

2391

01:34:14,149 --> 01:34:12,320

or by by the ideas that that they

2392

01:34:15,830 --> 01:34:14,159

believe unless they act upon them and i

2393

01:34:18,149 --> 01:34:15,840

i guess

2394

01:34:21,430 --> 01:34:18,159

[h__h] that's it that's a tricky that's a

2395

01:34:22,709 --> 01:34:21,440

muddy muddy area it is but dude before

2396

01:34:25,750 --> 01:34:22,719

we get too deep into that i just want to

2397

01:34:25,760 --> 01:34:32,870

at the ufo garage podcast we party

2398

01:34:37,350 --> 01:34:34,310

dude

2399

01:34:40,870 --> 01:34:37,360

not a lot of people are talking about it

2400

01:34:43,030 --> 01:34:40,880

but they know about it they know so i

2401
01:34:44,870 --> 01:34:43,040
just wanted to take a second to remind

2402
01:34:46,550 --> 01:34:44,880
everybody out there

2403
01:34:48,709 --> 01:34:46,560
that we party hard

2404
01:34:51,189 --> 01:34:48,719
and if you're partying with us

2405
01:34:53,350 --> 01:34:51,199
you're partying hard too

2406
01:34:56,870 --> 01:34:53,360
that's right dude that's it we partner

2407
01:34:58,629 --> 01:34:56,880
we party harder than an andrew wk album

2408
01:35:01,350 --> 01:34:58,639
oh dude which is

2409
01:35:06,540 --> 01:35:01,360
pretty hard to do when all that guy does

2410
01:35:06,550 --> 01:35:26,470
[Music]

2411
01:35:30,229 --> 01:35:28,470
let's get a party going let's get a

2412
01:35:32,149 --> 01:35:30,239
party started when it's time to party we

2413
01:35:34,070 --> 01:35:32,159

will lie we party hard

2414

01:35:36,790 --> 01:35:34,080

party hard party hard

2415

01:35:38,709 --> 01:35:36,800

yes dude

2416

01:35:41,030 --> 01:35:38,719

freaking love that song we need to reach

2417

01:35:44,709 --> 01:35:41,040

out to andrew wk and see if we can make

2418

01:35:46,790 --> 01:35:45,590

hey

2419

01:35:49,910 --> 01:35:46,800

andrew

2420

01:35:50,629 --> 01:35:49,920

wk first of all what are you doing

2421

01:35:52,870 --> 01:35:50,639

yeah

2422

01:35:55,270 --> 01:35:52,880

i'd like to speak with you i will could

2423

01:35:57,270 --> 01:35:55,280

you come over here for a second

2424

01:35:58,709 --> 01:35:57,280

come here no i gotta whisper it you come

2425

01:36:00,229 --> 01:35:58,719

here i can't send it through email it

2426
01:36:02,070 --> 01:36:00,239
might get intercepted i need you to come

2427
01:36:04,629 --> 01:36:02,080
here it's gonna be sweet come on come on

2428
01:36:06,390 --> 01:36:04,639
over here i'm gonna be sweetie

2429
01:36:09,189 --> 01:36:06,400
what are you all smiling what are you

2430
01:36:10,390 --> 01:36:09,199
smoking five months

2431
01:36:12,550 --> 01:36:10,400
dude

2432
01:36:14,229 --> 01:36:12,560
okay i've seen this a couple times and

2433
01:36:18,629 --> 01:36:14,239
like i just never

2434
01:36:23,109 --> 01:36:21,430
do you have your own strain of weed or

2435
01:36:24,390 --> 01:36:23,119
do you just have like a strain that you

2436
01:36:26,629 --> 01:36:24,400
smoke all the time

2437
01:36:29,270 --> 01:36:26,639
and you're like this is my [h__h] right is

2438
01:36:30,149 --> 01:36:29,280

it called the 509 509 what's that all

2439

01:36:33,109 --> 01:36:30,159

about

2440

01:36:34,950 --> 01:36:33,119

i gotta know i don't know what you're

2441

01:36:36,070 --> 01:36:34,960

referencing is he

2442

01:36:37,590 --> 01:36:36,080

does he

2443

01:36:40,310 --> 01:36:37,600

i don't know i heard him talking about

2444

01:36:43,109 --> 01:36:40,320

like i well i heard him i i was reading

2445

01:36:45,510 --> 01:36:43,119

them talking about in your head about uh

2446

01:36:47,109 --> 01:36:45,520

about some weed stuff the other day and

2447

01:36:48,709 --> 01:36:47,119

uh yeah

2448

01:36:50,470 --> 01:36:48,719

weed stuff is cool yeah i don't know do

2449

01:36:52,390 --> 01:36:50,480

you work at a weed shop dude is that is

2450

01:36:53,669 --> 01:36:52,400

that what the deal is or or

2451

01:36:56,870 --> 01:36:53,679

because because

2452

01:37:01,270 --> 01:36:58,070

are you guys

2453

01:37:03,109 --> 01:37:01,280

like tell us tell everyone

2454

01:37:06,310 --> 01:37:03,119

let me know let me know they're just

2455

01:37:08,390 --> 01:37:06,320

like what's up

2456

01:37:09,830 --> 01:37:08,400

okay uh well while we wait for that

2457

01:37:11,990 --> 01:37:09,840

answer i think it's time for the next

2458

01:37:13,990 --> 01:37:12,000

topic let's do it man let's do it and

2459

01:37:16,229 --> 01:37:14,000

the next topic is

2460

01:37:18,149 --> 01:37:16,239

should we do that or should we just go

2461

01:37:20,229 --> 01:37:18,159

to five because i don't really know that

2462

01:37:21,590 --> 01:37:20,239

much about five and it's really gonna be

2463

01:37:23,990 --> 01:37:21,600

kind of a short thing

2464

01:37:25,750 --> 01:37:24,000

number four you don't wanna i do i'm

2465

01:37:29,350 --> 01:37:25,760

saying do we wanna do number five first

2466

01:37:34,070 --> 01:37:31,990

so there's a new matrix movie coming up

2467

01:37:35,430 --> 01:37:34,080

i didn't know this until i was talking

2468

01:37:38,390 --> 01:37:35,440

to big willy

2469

01:37:40,629 --> 01:37:38,400

at like 5 30 today talking about william

2470

01:37:42,470 --> 01:37:40,639

and he goes hey also like there's a new

2471

01:37:43,990 --> 01:37:42,480

[h__\h] matrix what do you think about

2472

01:37:45,270 --> 01:37:44,000

that i'm like

2473

01:37:49,430 --> 01:37:45,280

what

2474

01:37:52,229 --> 01:37:49,440

movie coming out um quickly typey typey

2475

01:37:53,590 --> 01:37:52,239

typey go to youtube

2476
01:37:55,030 --> 01:37:53,600
and the

2477
01:37:58,629 --> 01:37:55,040
trailer has like

2478
01:38:02,470 --> 01:37:58,639
10 million downloads and it was uploaded

2479
01:38:04,709 --> 01:38:02,480
at like 6am or something like that today

2480
01:38:06,629 --> 01:38:04,719
holy crap you know why this is crazy man

2481
01:38:09,350 --> 01:38:06,639
cause like

2482
01:38:10,149 --> 01:38:09,360
i've been i recently just watched all of

2483
01:38:11,109 --> 01:38:10,159
them

2484
01:38:12,229 --> 01:38:11,119
and

2485
01:38:14,149 --> 01:38:12,239
i've been

2486
01:38:16,470 --> 01:38:14,159
paying attention to them

2487
01:38:19,109 --> 01:38:16,480
for like the past dude since since we

2488
01:38:21,189 --> 01:38:19,119

moved into this this new house in may

2489

01:38:24,709 --> 01:38:21,199

the first movie that i watched in this

2490

01:38:25,990 --> 01:38:24,719

house was the all the matrix all of them

2491

01:38:28,229 --> 01:38:26,000

the trilogy

2492

01:38:29,910 --> 01:38:28,239

the trilotrol

2493

01:38:31,669 --> 01:38:29,920

and i've just been so interested in it

2494

01:38:33,270 --> 01:38:31,679

and then i saw that documentary about

2495

01:38:34,870 --> 01:38:33,280

like uh

2496

01:38:37,270 --> 01:38:34,880

the world being a simulation and then

2497

01:38:38,550 --> 01:38:37,280

that maybe watched the matrix all over

2498

01:38:39,669 --> 01:38:38,560

again

2499

01:38:41,030 --> 01:38:39,679

holy

2500

01:38:43,750 --> 01:38:41,040

[h__\h] man

2501

01:38:45,669 --> 01:38:43,760

i uh i am so excited i went back to our

2502

01:38:49,830 --> 01:38:45,679

chat with willie he was like how many

2503

01:38:51,910 --> 01:38:50,950

how

2504

01:38:55,830 --> 01:38:51,920

why

2505

01:38:58,070 --> 01:38:55,840

infinity infinity yeah dude yeah

2506

01:39:00,229 --> 01:38:58,080

uh i couldn't imagine have you seen the

2507

01:39:01,830 --> 01:39:00,239

trailer i haven't seen the trailer man

2508

01:39:04,629 --> 01:39:01,840

are we gonna get taken off of youtube if

2509

01:39:06,390 --> 01:39:04,639

we grand tavia says the new matrix is

2510

01:39:08,950 --> 01:39:06,400

the disclosure

2511

01:39:10,149 --> 01:39:08,960

what a mind [h__h] that is right what if

2512

01:39:15,830 --> 01:39:10,159

what if the

2513

01:39:17,669 --> 01:39:15,840

disclosure drop that came out earlier

2514

01:39:19,270 --> 01:39:17,679

this year right what if they were like

2515

01:39:21,510 --> 01:39:19,280

hey we're getting you guys prepared and

2516

01:39:23,590 --> 01:39:21,520

we're like what are you preparing us for

2517

01:39:26,790 --> 01:39:23,600

it but they're preparing us for the new

2518

01:39:29,109 --> 01:39:26,800

matrix movie yeah dude

2519

01:39:32,550 --> 01:39:29,119

well it's like you you you ease it in

2520

01:39:34,709 --> 01:39:32,560

you you have it be very boring as a

2521

01:39:36,390 --> 01:39:34,719

a a thing that only a few people will

2522

01:39:38,470 --> 01:39:36,400

read

2523

01:39:39,669 --> 01:39:38,480

and it's in type and it's like like six

2524

01:39:40,870 --> 01:39:39,679

pages

2525

01:39:43,430 --> 01:39:40,880

and then people are talking about it

2526

01:39:45,109 --> 01:39:43,440

cool all right cool now we do a very

2527

01:39:46,310 --> 01:39:45,119

visual movie

2528

01:39:48,790 --> 01:39:46,320

and it's like

2529

01:39:51,590 --> 01:39:48,800

this is what it actually looks like guys

2530

01:39:52,950 --> 01:39:51,600

yes dude and like

2531

01:39:54,470 --> 01:39:52,960

okay

2532

01:39:56,390 --> 01:39:54,480

all right wait i wanna i wanna i wanna

2533

01:39:59,189 --> 01:39:56,400

back up just just a second i don't know

2534

01:39:59,430 --> 01:39:59,199

it's too late oh come on okay

2535

01:40:00,629 --> 01:39:59,440

thanks

2536

01:40:02,149 --> 01:40:00,639

[Music]

2537

01:40:05,350 --> 01:40:02,159

anyway you guys

2538

01:40:06,629 --> 01:40:05,360

you guys you guys uh the last thing that

2539

01:40:09,510 --> 01:40:06,639

uh uh

2540

01:40:12,070 --> 01:40:09,520

i i was going to mention is i was just

2541

01:40:14,390 --> 01:40:12,080

talking about this with jess last night

2542

01:40:16,149 --> 01:40:14,400

as we're going to bed we were like

2543

01:40:18,629 --> 01:40:16,159

this is so weird that like kids we're

2544

01:40:20,629 --> 01:40:18,639

talking about our baby you know

2545

01:40:23,590 --> 01:40:20,639

growing up and i'm like i'm going to buy

2546

01:40:25,189 --> 01:40:23,600

her every animal she ever asks for i'm

2547

01:40:27,270 --> 01:40:25,199

gonna buy all the animals like we're

2548

01:40:28,629 --> 01:40:27,280

gonna have a tiny zoo at our house we

2549

01:40:30,390 --> 01:40:28,639

started thinking about like says jess

2550

01:40:32,550 --> 01:40:30,400

had a gerbil did you ever have a gerbil

2551

01:40:34,790 --> 01:40:32,560

or a hamster

2552

01:40:37,030 --> 01:40:34,800

okay i never had a gerbil but i had like

2553

01:40:39,270 --> 01:40:37,040

snakes and like chameleons and we had a

2554

01:40:40,629 --> 01:40:39,280

iguana but i never had a gerbil she was

2555

01:40:42,550 --> 01:40:40,639

telling us about she was telling me

2556

01:40:44,390 --> 01:40:42,560

about the the gerbil

2557

01:40:46,310 --> 01:40:44,400

and i was like well you know what's a

2558

01:40:47,910 --> 01:40:46,320

weird like where did gerbils come from

2559

01:40:49,590 --> 01:40:47,920

like hamsters

2560

01:40:51,109 --> 01:40:49,600

where do they come from and i just

2561

01:40:53,350 --> 01:40:51,119

started thinking about like from their

2562

01:40:56,149 --> 01:40:53,360

mommies and daddies dude well yeah

2563

01:40:59,109 --> 01:40:56,159

because i love dude when a mommy gerbil

2564

01:41:01,590 --> 01:40:59,119

and a daddy gervat love each other very

2565

01:41:02,830 --> 01:41:01,600

much they hug really tight

2566

01:41:07,910 --> 01:41:02,840

and

2567

01:41:10,390 --> 01:41:07,920

then anyway so i i imagine like i

2568

01:41:13,030 --> 01:41:10,400

i imagine this tree in this one tiny

2569

01:41:15,910 --> 01:41:13,040

town in scandinavia where

2570

01:41:17,510 --> 01:41:15,920

where uh uh the entire race of of

2571

01:41:19,590 --> 01:41:17,520

gerbils

2572

01:41:21,990 --> 01:41:19,600

originated from and it's in the root

2573

01:41:23,990 --> 01:41:22,000

system beneath this tree in this tiny

2574

01:41:25,750 --> 01:41:24,000

town kind of like the movie trolls or

2575

01:41:28,149 --> 01:41:25,760

troll or whatever yeah the

2576

01:41:29,030 --> 01:41:28,159

pixar film i think did you see that box

2577

01:41:31,350 --> 01:41:29,040

trolls

2578

01:41:33,270 --> 01:41:31,360

no the one with the

2579

01:41:35,990 --> 01:41:33,280

keenan thompson he's the glitter troll

2580

01:41:38,870 --> 01:41:36,000

anyway it's the new animated troll movie

2581

01:41:39,830 --> 01:41:38,880

the the singing one yeah yeah they're

2582

01:41:41,910 --> 01:41:39,840

singing

2583

01:41:46,070 --> 01:41:41,920

justin timberlake is in it too

2584

01:41:49,430 --> 01:41:46,080

freaking glorious voice that guy

2585

01:41:51,030 --> 01:41:49,440

gosh it's so good anyway so i i

2586

01:41:53,109 --> 01:41:51,040

i imagine like that's where gerbils come

2587

01:41:54,950 --> 01:41:53,119

from is this this root system beneath i

2588

01:41:56,310 --> 01:41:54,960

just had it in my head

2589

01:41:57,590 --> 01:41:56,320

it's kind of like you know take it from

2590

01:41:59,270 --> 01:41:57,600

like the keebler elves and all that

2591

01:42:00,629 --> 01:41:59,280

stuff and i imagine and she was like

2592

01:42:02,149 --> 01:42:00,639

what do you mean it's like it's like

2593

01:42:03,430 --> 01:42:02,159

that scene in the matrix and i'm like

2594

01:42:05,510 --> 01:42:03,440

yeah it's like that scene in the matrix

2595

01:42:08,070 --> 01:42:05,520

when they're like raving underneath the

2596

01:42:09,510 --> 01:42:08,080

tree dude that's what gerbils do every

2597

01:42:11,270 --> 01:42:09,520

day that's where they came from their

2598

01:42:12,709 --> 01:42:11,280

[h__h] part

2599

01:42:15,109 --> 01:42:12,719

that's why they have so much energy at

2600

01:42:17,910 --> 01:42:15,119

night is because they they rave they're

2601
01:42:19,669 --> 01:42:17,920
so used to raving their ancestors

2602
01:42:21,189 --> 01:42:19,679
raved in those root systems don't get a

2603
01:42:22,390 --> 01:42:21,199
[h__\h] durable dude just don't do it

2604
01:42:24,470 --> 01:42:22,400
and then when they get

2605
01:42:25,990 --> 01:42:24,480
that like everybody in america gets

2606
01:42:27,189 --> 01:42:26,000
their their children at gerbil in that

2607
01:42:28,470 --> 01:42:27,199
little wheel and they're like running

2608
01:42:30,870 --> 01:42:28,480
running running running running and

2609
01:42:33,270 --> 01:42:30,880
they're up all night because they're

2610
01:42:35,270 --> 01:42:33,280
used to raving man that's where

2611
01:42:37,430 --> 01:42:35,280
that's where you come from

2612
01:42:41,590 --> 01:42:37,440
oh god

2613
01:42:43,270 --> 01:42:41,600

509 answered us up here and uh

2614

01:42:45,030 --> 01:42:43,280

i followed you i asked him about the

2615

01:42:47,030 --> 01:42:45,040

weed thing sorry

2616

01:42:50,950 --> 01:42:47,040

he said i followed you from my podcast

2617

01:42:53,189 --> 01:42:50,960

page okay so i'm from the 509 area code

2618

01:42:56,629 --> 01:42:53,199

and the divine pines is a reference to

2619

01:42:59,830 --> 01:42:56,639

the divine smoke divine evergreen trees

2620

01:43:02,790 --> 01:42:59,840

at your folk around that already dude

2621

01:43:09,350 --> 01:43:02,800

and then sunsaver said smoking my wife's

2622

01:43:12,790 --> 01:43:11,430

[Music]

2623

01:43:14,950 --> 01:43:12,800

uh

2624

01:43:17,830 --> 01:43:14,960

and somebody said

2625

01:43:20,229 --> 01:43:17,840

let's see i don't remember sorry

2626

01:43:24,550 --> 01:43:20,239

wait hold on florida medical mary j

2627

01:43:27,669 --> 01:43:24,560

carter jimmy buffett shows yes dude i

2628

01:43:28,709 --> 01:43:27,679

love it oh my god

2629

01:43:30,629 --> 01:43:28,719

oh

2630

01:43:33,270 --> 01:43:30,639

i don't grow it or buy it

2631

01:43:35,189 --> 01:43:33,280

typically i get but

2632

01:43:37,990 --> 01:43:35,199

i see what you did there i see what you

2633

01:43:39,669 --> 01:43:38,000

did there sir

2634

01:43:42,070 --> 01:43:39,679

don't get that i get by with a little

2635

01:43:43,669 --> 01:43:42,080

help from my friends oh i get high with

2636

01:43:45,270 --> 01:43:43,679

a little help from my friends from my

2637

01:43:46,149 --> 01:43:45,280

non-alien friends

2638

01:43:49,109 --> 01:43:46,159

what

2639

01:43:53,670 --> 01:43:50,950

attitude

2640

01:43:56,229 --> 01:43:53,680

we'll just stand up and walk out on

2641

01:43:59,109 --> 01:43:56,239

[Music]

2642

01:44:01,189 --> 01:43:59,119

me your ears and

2643

01:44:03,830 --> 01:44:01,199

sing you a song

2644

01:44:04,830 --> 01:44:03,840

i know i will try not to sing out of

2645

01:44:11,030 --> 01:44:04,840

king

2646

01:44:12,470 --> 01:44:11,040

uh-huh of

2647

01:44:15,350 --> 01:44:12,480

i get by

2648

01:44:16,390 --> 01:44:15,360

a little help from my friends wonder

2649

01:44:18,390 --> 01:44:16,400

years

2650

01:44:23,910 --> 01:44:18,400

fred savage yeah

2651
01:44:27,590 --> 01:44:26,070
hey man y'all sound just like that black

2652
01:44:29,189 --> 01:44:27,600
cherry hey what's that buck check that

2653
01:44:31,510 --> 01:44:29,199
buck chair man don't sound like black

2654
01:44:34,229 --> 01:44:31,520
cherries man hey

2655
01:44:36,790 --> 01:44:34,239
it's like lenny kravitz and and dave

2656
01:44:39,030 --> 01:44:36,800
matthews band had like a bastard child

2657
01:44:40,950 --> 01:44:39,040
or something like that and man y'all

2658
01:44:43,030 --> 01:44:40,960
sound great y'all sound good

2659
01:44:45,350 --> 01:44:43,040
hey that one song y'all play y'all sound

2660
01:44:47,270 --> 01:44:45,360
yeah uh y'all sound just like uh uh uh

2661
01:44:50,310 --> 01:44:47,280
pink floyd man your and your guitar

2662
01:44:52,149 --> 01:44:50,320
player reminds me so much of him of that

2663
01:44:54,229 --> 01:44:52,159

guitar player i don't know what he plays

2664

01:44:55,990 --> 01:44:54,239

because i have that guitar that same

2665

01:44:57,990 --> 01:44:56,000

exact guitar at home

2666

01:45:00,229 --> 01:44:58,000

but it's a pv

2667

01:45:02,229 --> 01:45:00,239

it's just as good can i play that rook

2668

01:45:05,350 --> 01:45:02,239

hey let me let me play you song real

2669

01:45:09,910 --> 01:45:05,360

quick sonny what's up dude

2670

01:45:12,310 --> 01:45:09,920

oh you saw me what's up bro yeah yeah

2671

01:45:16,550 --> 01:45:14,790

um okay tammy says be right back talk

2672

01:45:18,350 --> 01:45:16,560

amongst yourselves yes

2673

01:45:20,870 --> 01:45:18,360

uh thanks tammy thanks tammy

2674

01:45:21,910 --> 01:45:20,880

[Laughter]

2675

01:45:23,590 --> 01:45:21,920

so

2676

01:45:25,350 --> 01:45:23,600

if we're talking about matrix um i

2677

01:45:27,510 --> 01:45:25,360

really don't have anything else

2678

01:45:28,629 --> 01:45:27,520

we could go down a whole gerbil hole

2679

01:45:31,350 --> 01:45:28,639

with that

2680

01:45:34,390 --> 01:45:31,360

but uh man

2681

01:45:35,590 --> 01:45:34,400

it's just good to see that keanu

2682

01:45:36,550 --> 01:45:35,600

reeves

2683

01:45:42,950 --> 01:45:36,560

uh

2684

01:45:47,510 --> 01:45:44,550

that he's that he's just he's just like

2685

01:45:49,590 --> 01:45:47,520

he's never met one he's a he's just

2686

01:45:51,830 --> 01:45:49,600

looking good man yeah he's a handsome

2687

01:45:54,790 --> 01:45:51,840

guy and he doesn't age

2688

01:45:55,750 --> 01:45:54,800

oh i'm glad that he did the the redux

2689

01:45:56,870 --> 01:45:55,760

and

2690

01:45:59,030 --> 01:45:56,880

trinity

2691

01:46:00,790 --> 01:45:59,040

hot chick she's also in it she's like a

2692

01:46:03,109 --> 01:46:00,800

real good two man and they're both asian

2693

01:46:05,189 --> 01:46:03,119

really well damn it sonny is dallas

2694

01:46:07,430 --> 01:46:05,199

losing right now

2695

01:46:09,109 --> 01:46:07,440

those sons are [h__h]

2696

01:46:11,669 --> 01:46:09,119

oh [h__h]

2697

01:46:13,430 --> 01:46:11,679

it won't change after halftime sonny it

2698

01:46:15,669 --> 01:46:13,440

won't that's what them boys do all right

2699

01:46:18,070 --> 01:46:15,679

man you want beer i do want a beer i

2700

01:46:21,669 --> 01:46:18,080

want beer man yeah we were the dogs by

2701

01:46:23,910 --> 01:46:21,679

nine tonight man [h__h]

2702

01:46:24,950 --> 01:46:23,920

we gotta get past this rebuilding stage

2703

01:46:27,590 --> 01:46:24,960

all right

2704

01:46:29,109 --> 01:46:27,600

we're america's team god damn it

2705

01:46:31,990 --> 01:46:29,119

we need to start showing it you know

2706

01:46:33,750 --> 01:46:32,000

what we need to take all that fancy uh

2707

01:46:35,510 --> 01:46:33,760

all that fancy equipment away that they

2708

01:46:38,229 --> 01:46:35,520

got we gotta we gotta take away that

2709

01:46:40,310 --> 01:46:38,239

fancy stadium they need to go play out

2710

01:46:43,750 --> 01:46:40,320

somewhere on a high school field until

2711

01:46:48,070 --> 01:46:46,070

everybody really cares about this

2712

01:46:51,510 --> 01:46:48,080

sonny does

2713

01:46:53,750 --> 01:46:51,520

and so does so does so does 509.

2714

01:46:55,350 --> 01:46:53,760

he's going back to nfl in a second stop

2715

01:46:57,590 --> 01:46:55,360

watching us

2716

01:47:01,270 --> 01:46:57,600

that's what he said

2717

01:47:02,790 --> 01:47:01,280

he said he's not what the hell man

2718

01:47:04,229 --> 01:47:02,800

who's tom brady

2719

01:47:07,990 --> 01:47:04,239

oh

2720

01:47:09,910 --> 01:47:08,000

zeke needs to up it you're right dude is

2721

01:47:11,350 --> 01:47:09,920

he going to be eating goddamn cereal all

2722

01:47:13,350 --> 01:47:11,360

the time every time he [h__h] runs a

2723

01:47:15,189 --> 01:47:13,360

play he needs to shut the hell up and

2724

01:47:16,790 --> 01:47:15,199

score a touchdown is what he needs to do

2725

01:47:17,910 --> 01:47:16,800

and then he can do the eating cereal

2726

01:47:19,590 --> 01:47:17,920

thing

2727

01:47:21,990 --> 01:47:19,600

god damn

2728

01:47:24,070 --> 01:47:22,000

what okay i have questions

2729

01:47:25,189 --> 01:47:24,080

i'm gonna leave it okay ate your

2730

01:47:26,870 --> 01:47:25,199

weighties

2731

01:47:28,790 --> 01:47:26,880

okay new matrix movie

2732

01:47:30,550 --> 01:47:28,800

nothing

2733

01:47:31,430 --> 01:47:30,560

all right explain the serial thing real

2734

01:47:33,669 --> 01:47:31,440

quick

2735

01:47:35,910 --> 01:47:33,679

every time he does a like a good play

2736

01:47:37,430 --> 01:47:35,920

he'll get up and he'll do this like he's

2737

01:47:39,910 --> 01:47:37,440

eating it

2738

01:47:41,510 --> 01:47:39,920

i'm eating like you know like just

2739

01:47:43,510 --> 01:47:41,520

yeah like i'm [h__h] that's his like

2740

01:47:45,669 --> 01:47:43,520

like that's his celebration that's a

2741

01:47:47,430 --> 01:47:45,679

celebration move but like

2742

01:47:49,510 --> 01:47:47,440

bro you can't be doing this all the time

2743

01:47:51,910 --> 01:47:49,520

and lose every game

2744

01:47:54,709 --> 01:47:51,920

granted they're playing the buccaneers

2745

01:47:56,310 --> 01:47:54,719

and tom brady's on the bucks now so

2746

01:47:58,629 --> 01:47:56,320

they're gonna win [h__h] super bowls

2747

01:48:02,310 --> 01:47:58,639

for the next tom brady's gonna win super

2748

01:48:03,669 --> 01:48:02,320

bowls for the next 30 years of his life

2749

01:48:05,189 --> 01:48:03,679

it sucks

2750

01:48:07,669 --> 01:48:05,199

well it's because he has a clone he's

2751

01:48:10,550 --> 01:48:07,679

he's tom brady is

2752

01:48:12,229 --> 01:48:10,560

so good i hate that man

2753

01:48:14,470 --> 01:48:12,239

at least you admit that he's good he's a

2754

01:48:16,470 --> 01:48:14,480

boy he's amazing he's great he's great

2755

01:48:18,950 --> 01:48:16,480

there's no way around it

2756

01:48:20,790 --> 01:48:18,960

tom brady is great i don't have to like

2757

01:48:22,470 --> 01:48:20,800

it he's great

2758

01:48:25,430 --> 01:48:22,480

right

2759

01:48:27,669 --> 01:48:25,440

hell ain't better than troy aikman

2760

01:48:29,430 --> 01:48:27,679

who who is

2761

01:48:30,390 --> 01:48:29,440

that's a good question right all right

2762

01:48:37,510 --> 01:48:30,400

man

2763

01:48:39,750 --> 01:48:37,520

next next poop talking wait pop topic

2764

01:48:42,149 --> 01:48:39,760

i say poop talk it i guess so okay

2765

01:48:43,750 --> 01:48:42,159

that's the new word for this

2766

01:48:45,430 --> 01:48:43,760

i wish i could talk football with you

2767

01:48:48,550 --> 01:48:45,440

man but i just will not have the same

2768

01:48:51,590 --> 01:48:48,560

passion i know the rules some of them

2769

01:48:52,470 --> 01:48:51,600

i know what to wear some of it

2770

01:48:54,070 --> 01:48:52,480

i know

2771

01:48:56,470 --> 01:48:54,080

john madden

2772

01:48:58,550 --> 01:48:56,480

perfect impression

2773

01:49:01,910 --> 01:48:58,560

well every time every time they score a

2774

01:49:06,149 --> 01:49:04,870

i know that that's soccer i know i know

2775

01:49:07,900 --> 01:49:06,159

that that's soccer that's not what

2776

01:49:11,350 --> 01:49:07,910

people say

2777

01:49:14,950 --> 01:49:13,350

all right dude well hold on i got a

2778

01:49:15,910 --> 01:49:14,960

football story

2779

01:49:17,510 --> 01:49:15,920

i want to sound like i know what i'm

2780

01:49:18,550 --> 01:49:17,520

talking about okay real quick it's a

2781

01:49:20,070 --> 01:49:18,560

quick one

2782

01:49:23,350 --> 01:49:20,080

one time dude

2783

01:49:26,229 --> 01:49:23,360

i went to a texas a m

2784

01:49:28,629 --> 01:49:26,239

football game as a texas name i look i'm

2785

01:49:30,950 --> 01:49:28,639

i am agnostic okay

2786

01:49:33,430 --> 01:49:30,960

the gay name faggies

2787

01:49:35,510 --> 01:49:33,440

well that's not very nice

2788

01:49:38,149 --> 01:49:35,520

well nowadays it's not but when i was

2789

01:49:40,070 --> 01:49:38,159

young it was very popular phrase that we

2790

01:49:42,470 --> 01:49:40,080

used to use it doesn't gay doesn't mean

2791

01:49:44,310 --> 01:49:42,480

gay it means like

2792

01:49:45,830 --> 01:49:44,320

like not that cool like nothing right

2793

01:49:50,550 --> 01:49:45,840

anyway

2794

01:49:53,189 --> 01:49:50,560

[h__\h] jesus

2795

01:49:54,950 --> 01:49:53,199

uh do we have to do that like every time

2796

01:49:56,790 --> 01:49:54,960

we switch subjects it starts off

2797

01:49:59,830 --> 01:49:56,800

offensive

2798

01:50:01,990 --> 01:49:59,840

yes that's what we do

2799

01:50:04,790 --> 01:50:02,000

everything we talk about is kind of

2800

01:50:06,550 --> 01:50:04,800

someone could get offended oh

2801
01:50:08,709 --> 01:50:06,560
that's great we're gonna we're working

2802
01:50:10,470 --> 01:50:08,719
on those down votes man i love it i've

2803
01:50:14,390 --> 01:50:10,480
always we've always yeah

2804
01:50:15,589 --> 01:50:14,400
anyway so you went to gangnam game

2805
01:50:18,149 --> 01:50:15,599
so

2806
01:50:20,470 --> 01:50:18,159
uh i went to an a m game

2807
01:50:23,109 --> 01:50:20,480
and we're in the stands dude

2808
01:50:25,990 --> 01:50:23,119
and they were playing the uh

2809
01:50:26,950 --> 01:50:26,000
uh song did they sing

2810
01:50:32,550 --> 01:50:26,960
uh

2811
01:50:33,830 --> 01:50:32,560
it's not that oh

2812
01:50:35,990 --> 01:50:33,840
jose

2813
01:50:38,310 --> 01:50:36,000

can you see

2814

01:50:39,910 --> 01:50:38,320

you better not forget that one it's jose

2815

01:50:42,629 --> 01:50:39,920

can you see

2816

01:50:45,189 --> 01:50:42,639

uh star spangled banner yeah that's

2817

01:50:48,310 --> 01:50:45,199

thank you for remembering i was testing

2818

01:50:54,120 --> 01:50:48,320

you well ben i'm an american so uh as

2819

01:50:58,629 --> 01:50:55,990

[Music]

2820

01:50:59,669 --> 01:50:58,639

when they said free dude a

2821

01:51:06,470 --> 01:50:59,679

uh

2822

01:51:09,430 --> 01:51:06,480

b2 thank you the b2 and two f-16s three

2823

01:51:11,510 --> 01:51:09,440

and uh [h__h] diamond formation flew

2824

01:51:13,229 --> 01:51:11,520

over and

2825

01:51:17,270 --> 01:51:13,239

screwed him just

2826
01:51:19,030 --> 01:51:17,280
crumbled nice felted in a damn chest and

2827
01:51:21,030 --> 01:51:19,040
i pooped a little

2828
01:51:23,430 --> 01:51:21,040
that's why i remember it so that's why i

2829
01:51:25,030 --> 01:51:23,440
remember it's like [h__\h] i did and i

2830
01:51:26,950 --> 01:51:25,040
didn't tell anyone i went to the

2831
01:51:28,229 --> 01:51:26,960
bathroom and threw away my underwear

2832
01:51:30,550 --> 01:51:28,239
dude them aggies don't even have

2833
01:51:32,470 --> 01:51:30,560
cheerleaders they got a bunch of they do

2834
01:51:34,550 --> 01:51:32,480
they have yellow leaders yeah those are

2835
01:51:36,070 --> 01:51:34,560
dudes waving towels

2836
01:51:43,109 --> 01:51:36,080
and overalls

2837
01:51:46,550 --> 01:51:45,109
what is that all about

2838
01:51:49,750 --> 01:51:46,560

you were like you know what

2839

01:51:52,870 --> 01:51:49,760

let's skip the hot chicks let's go and

2840

01:51:54,950 --> 01:51:52,880

let's go with farmers and overall

2841

01:51:57,510 --> 01:51:54,960

it's a tradition joe

2842

01:51:59,669 --> 01:51:57,520

let's build a wooden tower

2843

01:52:02,149 --> 01:51:59,679

only men can yell

2844

01:52:04,470 --> 01:52:02,159

ladies are not allowed to yell here at

2845

01:52:06,310 --> 01:52:04,480

this university ladies will not raise

2846

01:52:08,149 --> 01:52:06,320

their voice they will not they will not

2847

01:52:11,669 --> 01:52:08,159

raise their voice only men can be yell

2848

01:52:18,070 --> 01:52:11,679

leaders hey hey and swing towels hey i

2849

01:52:18,080 --> 01:52:22,390

i need nine of your tallest boys

2850

01:52:22,400 --> 01:52:27,270

so so stoked

2851

01:52:30,390 --> 01:52:28,709

same mentality

2852

01:52:31,589 --> 01:52:30,400

yes dude okay

2853

01:52:33,189 --> 01:52:31,599

all right so that was my football story

2854

01:52:35,510 --> 01:52:33,199

all right next topic

2855

01:52:37,510 --> 01:52:35,520

and okay dude this is the stinger this

2856

01:52:39,589 --> 01:52:37,520

is like i said i i'm really glad that we

2857

01:52:40,870 --> 01:52:39,599

chose to do this one last yeah for sure

2858

01:52:42,310 --> 01:52:40,880

for sure are you getting the good are

2859

01:52:44,229 --> 01:52:42,320

you in the right headspace to do this

2860

01:52:47,030 --> 01:52:44,239

one am i in the right hand space never

2861

01:52:47,990 --> 01:52:47,040

dude well me there dude i'm always i'm

2862

01:52:49,189 --> 01:52:48,000

always

2863

01:52:50,550 --> 01:52:49,199

like

2864

01:52:54,310 --> 01:52:50,560

partying

2865

01:52:54,320 --> 01:52:56,870

always

2866

01:53:01,990 --> 01:52:58,950

just jessa's that she was like you only

2867

01:53:04,470 --> 01:53:02,000

like have energy for a podcast tonight

2868

01:53:06,070 --> 01:53:04,480

i know and i'm like you're not i feel

2869

01:53:08,149 --> 01:53:06,080

bad but you're not wrong

2870

01:53:09,610 --> 01:53:08,159

yeah

2871

01:53:11,350 --> 01:53:09,620

well i mean it's fun

2872

01:53:12,709 --> 01:53:11,360

[Laughter]

2873

01:53:14,629 --> 01:53:12,719

how energetic can i be you've been

2874

01:53:17,030 --> 01:53:14,639

cutting out dicks for three hours yeah

2875

01:53:20,629 --> 01:53:17,040

she did she was cutting out dicks and

2876

01:53:22,470 --> 01:53:20,639

bacon dicks bacon thanks man

2877

01:53:24,550 --> 01:53:22,480

i mean that gave me some energy i liked

2878

01:53:27,830 --> 01:53:24,560

seeing that i don't know what it was

2879

01:53:31,830 --> 01:53:29,589

sitting there with them children

2880

01:53:34,550 --> 01:53:31,840

scissors of tiny scissors

2881

01:53:36,550 --> 01:53:34,560

made for only small hands

2882

01:53:37,990 --> 01:53:36,560

just cutting all right

2883

01:53:39,750 --> 01:53:38,000

i should not have said the word children

2884

01:53:42,149 --> 01:53:39,760

i know like that was weird i'm so glad

2885

01:53:44,870 --> 01:53:42,159

you said scissors after that because

2886

01:53:47,030 --> 01:53:44,880

it freaked me out for a second

2887

01:53:48,550 --> 01:53:47,040

the scissors are the kids scissors is

2888

01:53:50,149 --> 01:53:48,560

what i meant they're small scissors do

2889

01:53:52,470 --> 01:53:50,159

you own an island

2890

01:53:52,480 --> 01:53:55,910

speaking of children

2891

01:53:59,750 --> 01:53:57,910

childhood and childhood

2892

01:54:02,950 --> 01:53:59,760

wow that actually worked out great i

2893

01:54:05,750 --> 01:54:02,960

guess so okay i guess all right guys has

2894

01:54:07,510 --> 01:54:05,760

anybody has anybody in here read the

2895

01:54:09,430 --> 01:54:07,520

book childhoods in

2896

01:54:12,070 --> 01:54:09,440

um

2897

01:54:15,510 --> 01:54:12,080

has anybody in here seen

2898

01:54:18,709 --> 01:54:15,520

the the series childhoods end um the

2899

01:54:22,629 --> 01:54:20,149

i love how you just keep asking

2900

01:54:23,990 --> 01:54:22,639

questions

2901
01:54:26,550 --> 01:54:24,000
have you seen it

2902
01:54:27,750 --> 01:54:26,560
we'll wait have you seen a

2903
01:54:31,750 --> 01:54:27,760
thing

2904
01:54:35,109 --> 01:54:33,589
i don't know

2905
01:54:37,109 --> 01:54:35,119
oh why

2906
01:54:38,260 --> 01:54:37,119
did you have to leave me

2907
01:54:39,750 --> 01:54:38,270
and go away

2908
01:54:41,830 --> 01:54:39,760
[Music]

2909
01:54:43,350 --> 01:54:41,840
dude i'm a [\h__\h] jew box tonight dude

2910
01:54:45,189 --> 01:54:43,360
you're the songbird everything's just

2911
01:54:47,910 --> 01:54:45,199
reminding me of stuff

2912
01:54:51,589 --> 01:54:47,920
generation well have you seen it

2913
01:54:54,229 --> 01:54:51,599

no okay made yes and the audio book yes

2914

01:54:56,790 --> 01:54:54,239

the classic sci-fi meanwhile says yes it

2915

01:54:59,830 --> 01:54:56,800

says no it was friggin awesome

2916

01:55:00,870 --> 01:54:59,840

oh yeah cricket says it was for yeah

2917

01:55:04,870 --> 01:55:00,880

yeah

2918

01:55:06,629 --> 01:55:04,880

good yes

2919

01:55:08,390 --> 01:55:06,639

so i gotta say

2920

01:55:10,390 --> 01:55:08,400

i need to check out the audiobook

2921

01:55:13,430 --> 01:55:10,400

because i've been trying to read the

2922

01:55:16,070 --> 01:55:13,440

book for like six months and i'm gonna

2923

01:55:17,030 --> 01:55:16,080

be honest i'm gonna be honest with you

2924

01:55:19,589 --> 01:55:17,040

guys

2925

01:55:23,510 --> 01:55:19,599

i don't think i'm smart enough to read

2926

01:55:26,229 --> 01:55:23,520

the book like i like i'm so bad

2927

01:55:28,229 --> 01:55:26,239

at reading of like a fiction book yeah

2928

01:55:29,830 --> 01:55:28,239

because it starts and i'm like okay i

2929

01:55:31,830 --> 01:55:29,840

have no concept of what's happening

2930

01:55:34,149 --> 01:55:31,840

right like i but you give me a

2931

01:55:37,109 --> 01:55:34,159

non-fiction book and i'll read it in

2932

01:55:38,790 --> 01:55:37,119

like a day like i love non-fiction book

2933

01:55:40,950 --> 01:55:38,800

but fiction books are always so hard

2934

01:55:42,550 --> 01:55:40,960

because like i just i don't i don't know

2935

01:55:43,750 --> 01:55:42,560

like i don't know the setting i don't

2936

01:55:45,910 --> 01:55:43,760

know what's happening i don't know

2937

01:55:47,750 --> 01:55:45,920

anything about it like you read the back

2938

01:55:49,350 --> 01:55:47,760

of the book and it's like this character

2939

01:55:51,510 --> 01:55:49,360

goes on my journey blah blah blah and

2940

01:55:53,270 --> 01:55:51,520

you're like okay well i'll get into it

2941

01:55:55,189 --> 01:55:53,280

it's like i just don't i just don't get

2942

01:55:56,709 --> 01:55:55,199

it right so the book has been very

2943

01:55:58,950 --> 01:55:56,719

difficult for me to read we're like

2944

01:56:02,229 --> 01:55:58,960

we're like non okay are we talking about

2945

01:56:04,470 --> 01:56:02,239

so non-fiction means it's it's true

2946

01:56:06,709 --> 01:56:04,480

it's actual history correct so that

2947

01:56:07,669 --> 01:56:06,719

means like okay you're smart now start

2948

01:56:09,189 --> 01:56:07,679

here

2949

01:56:11,990 --> 01:56:09,199

that's kind of what it insinuates but

2950

01:56:14,310 --> 01:56:12,000

like yeah fiction is like hey let's set

2951
01:56:16,470 --> 01:56:14,320
this up for you let's remind you where

2952
01:56:18,550 --> 01:56:16,480
we're at you get that i know that like

2953
01:56:21,430 --> 01:56:18,560
because like non-fiction books

2954
01:56:23,430 --> 01:56:21,440
will start out and they'll be like

2955
01:56:26,709 --> 01:56:23,440
and so

2956
01:56:27,990 --> 01:56:26,719
brian was on his way to kendall's house

2957
01:56:29,830 --> 01:56:28,000
you're like all right right off the bat

2958
01:56:31,589 --> 01:56:29,840
who the [h__\h] is bro [h__\h] his camera why

2959
01:56:33,430 --> 01:56:31,599
is he going to kindles why is his head

2960
01:56:35,589 --> 01:56:33,440
like you just you don't know is she

2961
01:56:37,589 --> 01:56:35,599
setting like is it like or what are we

2962
01:56:38,950 --> 01:56:37,599
like in the pioneer days and you look at

2963
01:56:41,669 --> 01:56:38,960

the cover and you're like oh no this is

2964

01:56:43,750 --> 01:56:41,679

like a fairy book thing okay so they

2965

01:56:45,510 --> 01:56:43,760

must be like in a shire of some sort

2966

01:56:48,310 --> 01:56:45,520

like you know like you know like i'm

2967

01:56:51,350 --> 01:56:48,320

just like names like brian and kendall

2968

01:56:52,390 --> 01:56:51,360

gotta be [h__\h]

2969

01:56:54,790 --> 01:56:52,400

dude

2970

01:56:56,950 --> 01:56:54,800

classic classic hobbit names

2971

01:56:58,709 --> 01:56:56,960

and then like i'll get to a point like

2972

01:57:01,030 --> 01:56:58,719

in a fiction book where i'm like 20

2973

01:57:03,030 --> 01:57:01,040

pages in and i'm like oh so the picture

2974

01:57:04,709 --> 01:57:03,040

i've created in my head

2975

01:57:06,870 --> 01:57:04,719

is completely wrongly wrong and then i

2976

01:57:10,550 --> 01:57:06,880

have to start over so i can like put

2977

01:57:12,709 --> 01:57:10,560

that picture back in my head correctly

2978

01:57:14,550 --> 01:57:12,719

it's just difficult i resonate with that

2979

01:57:16,950 --> 01:57:14,560

a lot dude because i've

2980

01:57:18,709 --> 01:57:16,960

read a couple of um

2981

01:57:20,070 --> 01:57:18,719

what was it the uh

2982

01:57:21,990 --> 01:57:20,080

uh the

2983

01:57:24,550 --> 01:57:22,000

[h__\h] phil cashman gave him this book

2984

01:57:28,629 --> 01:57:24,560

this huge book it's based off of the the

2985

01:57:30,870 --> 01:57:28,639

hbo series well the sopranos the hb

2986

01:57:32,390 --> 01:57:30,880

the hbo series was based off of this

2987

01:57:36,229 --> 01:57:32,400

book it's called dark matter it's a

2988

01:57:40,550 --> 01:57:36,239

great show on on uh yeah on on hbo but

2989

01:57:41,750 --> 01:57:40,560

uh this book and yeah like i i had to

2990

01:57:45,030 --> 01:57:41,760

because i had

2991

01:57:46,950 --> 01:57:45,040

the characters faces in my head already

2992

01:57:48,790 --> 01:57:46,960

but then we get like halfway through the

2993

01:57:50,709 --> 01:57:48,800

book and it's like oh this [h__h] is

2994

01:57:52,950 --> 01:57:50,719

supposed to be like

2995

01:57:55,030 --> 01:57:52,960

like like kind of hot now so now i have

2996

01:57:57,189 --> 01:57:55,040

to like read i was like picturing her

2997

01:57:59,750 --> 01:57:57,199

being like nanny mcphie with a big old

2998

01:58:01,910 --> 01:57:59,760

mole on her face but like she's a troll

2999

01:58:03,830 --> 01:58:01,920

she's hot though i gotta read this gotta

3000

01:58:05,109 --> 01:58:03,840

reread it

3001

01:58:07,030 --> 01:58:05,119

yeah

3002

01:58:08,149 --> 01:58:07,040

like a harry potter book i can't see in

3003

01:58:10,310 --> 01:58:08,159

a book

3004

01:58:13,189 --> 01:58:10,320

what they produce in a movie yeah dude i

3005

01:58:15,830 --> 01:58:13,199

feel safe so i think actually watching

3006

01:58:18,709 --> 01:58:15,840

like the three-part series

3007

01:58:20,070 --> 01:58:18,719

uh is gonna help me get through the book

3008

01:58:21,990 --> 01:58:20,080

and now i'll be able to read the book

3009

01:58:23,750 --> 01:58:22,000

and kind of understand like what's

3010

01:58:25,430 --> 01:58:23,760

happening and i'm sure there's a lot

3011

01:58:27,510 --> 01:58:25,440

more stuff in the book there always is

3012

01:58:28,709 --> 01:58:27,520

more stuff in the book i don't know but

3013

01:58:31,030 --> 01:58:28,719

what

3014

01:58:35,030 --> 01:58:31,040

always dude i always hear i always hear

3015

01:58:38,470 --> 01:58:37,189

my thing has always been i enjoy the

3016

01:58:40,310 --> 01:58:38,480

movie more

3017

01:58:42,870 --> 01:58:40,320

because there's no reading involved i

3018

01:58:45,589 --> 01:58:42,880

don't have to do anything but recently

3019

01:58:48,070 --> 01:58:45,599

i've totally been like into reading so i

3020

01:58:50,390 --> 01:58:48,080

decided i would pick it up yeah a good

3021

01:58:52,790 --> 01:58:50,400

friend of ours okay no go for it sorry i

3022

01:58:54,149 --> 01:58:52,800

was gonna say so uh so what we were

3023

01:58:56,310 --> 01:58:54,159

saying is

3024

01:58:59,270 --> 01:58:56,320

you were reading the book childhood and

3025

01:59:01,109 --> 01:58:59,280

when i told you about this show

3026
01:59:03,189 --> 01:59:01,119
you told you informed me that it was a

3027
01:59:04,790 --> 01:59:03,199
book first so i didn't even know it was

3028
01:59:07,910 --> 01:59:04,800
a book first

3029
01:59:09,669 --> 01:59:07,920
so what i saw man i i i binged it in two

3030
01:59:11,510 --> 01:59:09,679
days i would have done it and like i was

3031
01:59:13,910 --> 01:59:11,520
telling you in one night but i was

3032
01:59:17,109 --> 01:59:13,920
trying to be good which i mean like

3033
01:59:20,790 --> 01:59:17,119
i went to sleep started it the next day

3034
01:59:22,310 --> 01:59:20,800
and um man i i honestly i had to

3035
01:59:23,589 --> 01:59:22,320
i had to stop not because i was like

3036
01:59:26,390 --> 01:59:23,599
sleepy and trying to be you know

3037
01:59:28,390 --> 01:59:26,400
responsible honestly

3038
01:59:30,310 --> 01:59:28,400

i had to stop because i was feeling some

3039

01:59:31,750 --> 01:59:30,320

sort of way and i needed to step away

3040

01:59:34,470 --> 01:59:31,760

from what was going on in my head

3041

01:59:36,149 --> 01:59:34,480

watching this show yeah childhood and

3042

01:59:38,470 --> 01:59:36,159

it's on amazon

3043

01:59:39,750 --> 01:59:38,480

amazon prime video whatever

3044

01:59:42,629 --> 01:59:39,760

you have to pay like two bucks an

3045

01:59:45,669 --> 01:59:42,639

episode but come on dude

3046

01:59:48,310 --> 01:59:45,679

it's so worth it it's worth it god man

3047

01:59:50,950 --> 01:59:48,320

so good uh

3048

01:59:53,270 --> 01:59:50,960

it touches on everything that i'm

3049

01:59:55,350 --> 01:59:53,280

interested in because

3050

01:59:57,030 --> 01:59:55,360

look man i think you're the same way

3051

01:59:58,790 --> 01:59:57,040

like i want submit i want some damn

3052

02:00:00,870 --> 01:59:58,800

answers like what is what is this all

3053

02:00:03,430 --> 02:00:00,880

about why are we here what's the origin

3054

02:00:05,270 --> 02:00:03,440

story where do we come from

3055

02:00:08,390 --> 02:00:05,280

are there aliens are there demons are

3056

02:00:11,030 --> 02:00:08,400

there angels is there a god it literally

3057

02:00:12,310 --> 02:00:11,040

covers all the bases yeah and it sets up

3058

02:00:14,229 --> 02:00:12,320

uh you know i don't want to give too

3059

02:00:16,149 --> 02:00:14,239

many spoilers because i do want to talk

3060

02:00:18,790 --> 02:00:16,159

about it i really want to get into the

3061

02:00:20,390 --> 02:00:18,800

book a little more to see if they i

3062

02:00:21,750 --> 02:00:20,400

don't know you guys in the in the chat

3063

02:00:24,390 --> 02:00:21,760

feel free to answer the question you're

3064

02:00:27,629 --> 02:00:24,400

not going to ruin it for me dude um

3065

02:00:30,470 --> 02:00:27,639

or that are they are the aliens

3066

02:00:32,470 --> 02:00:30,480

described in the book

3067

02:00:33,510 --> 02:00:32,480

the way that they looked in the in the

3068

02:00:34,950 --> 02:00:33,520

series

3069

02:00:37,589 --> 02:00:34,960

because i'm not gonna lie i was a little

3070

02:00:38,790 --> 02:00:37,599

bummed about the way that they looked in

3071

02:00:40,550 --> 02:00:38,800

the show

3072

02:00:43,189 --> 02:00:40,560

right

3073

02:00:48,310 --> 02:00:45,589

you're talking about uh homeboy optimus

3074

02:00:50,629 --> 02:00:48,320

prime right

3075

02:00:52,629 --> 02:00:50,639

i'm talking about beelzebub himself yeah

3076
02:00:54,790 --> 02:00:52,639
yeah disappointed by the way he looked

3077
02:00:55,830 --> 02:00:54,800
in the film i was i was disappointed i

3078
02:00:57,990 --> 02:00:55,840
was like

3079
02:01:00,229 --> 02:00:58,000
dude i thought it was amazing well i

3080
02:01:04,229 --> 02:01:00,239
mean like i guess like if you're if

3081
02:01:07,109 --> 02:01:04,239
you're playing on the the human mind of

3082
02:01:09,189 --> 02:01:07,119
like something coming in

3083
02:01:11,589 --> 02:01:09,199
and like it's almost like it's a

3084
02:01:14,470 --> 02:01:11,599
deception right like you you get that

3085
02:01:16,790 --> 02:01:14,480
vibe of like yeah the antichrist will

3086
02:01:19,270 --> 02:01:16,800
come back right he will deceive a lot of

3087
02:01:20,950 --> 02:01:19,280
people into thinking that he is like the

3088
02:01:23,910 --> 02:01:20,960

second coming of christ

3089

02:01:25,990 --> 02:01:23,920

the savior right and then

3090

02:01:28,229 --> 02:01:26,000

boom it was all a lie right and so

3091

02:01:30,950 --> 02:01:28,239

that's kind of the way that i i viewed

3092

02:01:32,950 --> 02:01:30,960

the the the show was like

3093

02:01:34,790 --> 02:01:32,960

oh i see what you did there you made

3094

02:01:36,950 --> 02:01:34,800

this it's pretty it's pretty obvious you

3095

02:01:39,030 --> 02:01:36,960

made this devil guy show up some people

3096

02:01:41,030 --> 02:01:39,040

liked it some people didn't follow it

3097

02:01:42,390 --> 02:01:41,040

right but you didn't know that what he

3098

02:01:43,589 --> 02:01:42,400

looked like

3099

02:01:46,070 --> 02:01:43,599

right

3100

02:01:48,470 --> 02:01:46,080

you read the book so you kind of knew

3101
02:01:52,149 --> 02:01:48,480
but like the show they don't tell you

3102
02:01:53,189 --> 02:01:52,159
what he looks like all you see is

3103
02:01:58,229 --> 02:01:53,199
this

3104
02:02:01,510 --> 02:01:58,239
there's multiple

3105
02:02:04,229 --> 02:02:01,520
but there's one speaker and uh i don't

3106
02:02:07,189 --> 02:02:04,239
look at the details but he basically

3107
02:02:10,070 --> 02:02:07,199
just gets rid of all war and like famine

3108
02:02:11,589 --> 02:02:10,080
and like hunger and just like there's no

3109
02:02:13,189 --> 02:02:11,599
more war

3110
02:02:15,350 --> 02:02:13,199
and everything is [h__h] cool it just

3111
02:02:17,030 --> 02:02:15,360
fixes everything somehow they don't go

3112
02:02:20,070 --> 02:02:17,040
into detail how do they go into detail

3113
02:02:21,990 --> 02:02:20,080

how real okay that's fine

3114

02:02:24,149 --> 02:02:22,000

i i feel like they

3115

02:02:26,950 --> 02:02:24,159

like you would you would

3116

02:02:28,229 --> 02:02:26,960

i think i think like the uh homeboy that

3117

02:02:29,109 --> 02:02:28,239

gets to like

3118

02:02:30,950 --> 02:02:29,119

uh

3119

02:02:33,669 --> 02:02:30,960

interact with corellon

3120

02:02:35,589 --> 02:02:33,679

i think they were they set that up in

3121

02:02:37,350 --> 02:02:35,599

the like in the first episode when he's

3122

02:02:38,870 --> 02:02:37,360

like talking to other countries he's

3123

02:02:41,830 --> 02:02:38,880

talking about the people he's telling

3124

02:02:45,830 --> 02:02:41,840

them what the what the uh the the over

3125

02:02:48,470 --> 02:02:45,840

over overlords yeah uh or arc or

3126

02:02:50,229 --> 02:02:48,480

explaining to him and so some people are

3127

02:02:51,830 --> 02:02:50,239

like well no [h__\h] that right and then

3128

02:02:53,750 --> 02:02:51,840

some people are like yeah i totally

3129

02:02:56,950 --> 02:02:53,760

agree and like so i think that sets you

3130

02:02:59,589 --> 02:02:56,960

up for how the system changes a little

3131

02:03:03,030 --> 02:02:59,599

bit yes um but

3132

02:03:09,030 --> 02:03:04,470

i

3133

02:03:10,950 --> 02:03:09,040

hey flash forward thank you so much for

3134

02:03:14,550 --> 02:03:10,960

that super chat bro

3135

02:03:17,669 --> 02:03:14,560

or sister i don't like it

3136

02:03:22,709 --> 02:03:20,390

def looks like curry from legend

3137

02:03:25,270 --> 02:03:22,719

lots of people are in love with the evil

3138

02:03:27,990 --> 02:03:25,280

and satan looking dudes

3139

02:03:30,470 --> 02:03:28,000

look how popular kiss was dressed like

3140

02:03:32,310 --> 02:03:30,480

the deville you know what kiss stands

3141

02:03:35,510 --> 02:03:32,320

for don't you what does it stand for

3142

02:03:38,629 --> 02:03:35,520

knights and satan's service

3143

02:03:41,189 --> 02:03:38,639

doesn't really no dude oh kiss means

3144

02:03:43,750 --> 02:03:41,199

love bro that's why they wrote the song

3145

02:03:48,229 --> 02:03:43,760

love gun that's right about your dick

3146

02:03:50,629 --> 02:03:48,239

because all they do man is rock and roll

3147

02:03:53,310 --> 02:03:50,639

and party

3148

02:04:07,270 --> 02:03:53,320

all night long dude

3149

02:04:11,270 --> 02:04:09,910

okay tammy yes it does it means keep it

3150

02:04:14,870 --> 02:04:11,280

simple stupid

3151

02:04:17,669 --> 02:04:14,880

yeah it does exactly i love that

3152

02:04:19,750 --> 02:04:17,679

dude i uh

3153

02:04:21,430 --> 02:04:19,760

want to go on a tangent but i'm not

3154

02:04:28,470 --> 02:04:21,440

the amps the amps you know the story

3155

02:04:32,069 --> 02:04:30,229

they're so sweet

3156

02:04:34,149 --> 02:04:32,079

hey dude seriously hey can i have some

3157

02:04:35,910 --> 02:04:34,159

soy sauce for my for my chinese are you

3158

02:04:49,030 --> 02:04:35,920

serious i need some soy sauce somebody

3159

02:04:55,910 --> 02:04:54,069

uh so uh back to back to childhood and

3160

02:04:57,189 --> 02:04:55,920

we have we have this character correct

3161

02:04:59,830 --> 02:04:57,199

corellon

3162

02:05:03,350 --> 02:04:59,840

and no one knows what he looks like

3163

02:05:04,790 --> 02:05:03,360

and he uh he cho he chooses

3164

02:05:07,430 --> 02:05:04,800

a a prophet

3165

02:05:09,750 --> 02:05:07,440

dude there's a lot of allegorical things

3166

02:05:12,629 --> 02:05:09,760

it was either him or an old asian woman

3167

02:05:14,550 --> 02:05:12,639

right and that old asian woman was like

3168

02:05:16,069 --> 02:05:14,560

[h__\h]

3169

02:05:17,350 --> 02:05:16,079

she was like nah

3170

02:05:20,709 --> 02:05:17,360

i did

3171

02:05:22,550 --> 02:05:20,719

nope i've got a garden yeah to tend to i

3172

02:05:24,310 --> 02:05:22,560

don't know i'm like picturing

3173

02:05:25,589 --> 02:05:24,320

what i don't know everybody's got a

3174

02:05:27,430 --> 02:05:25,599

garden i don't know what's that's like

3175

02:05:29,350 --> 02:05:27,440

an old lady thing

3176

02:05:30,709 --> 02:05:29,360

anyway uh

3177

02:05:32,790 --> 02:05:30,719

and he starts speaking through this

3178

02:05:35,109 --> 02:05:32,800

person then that person becomes kind of

3179

02:05:37,030 --> 02:05:35,119

aware like hey

3180

02:05:38,870 --> 02:05:37,040

that he gets over like this fame like

3181

02:05:39,830 --> 02:05:38,880

i'm the chosen one

3182

02:05:41,990 --> 02:05:39,840

and

3183

02:05:42,950 --> 02:05:42,000

he chooses this person because

3184

02:05:44,550 --> 02:05:42,960

he's

3185

02:05:45,910 --> 02:05:44,560

special like

3186

02:05:47,350 --> 02:05:45,920

i don't know if they don't really

3187

02:05:49,350 --> 02:05:47,360

explain like

3188

02:05:51,589 --> 02:05:49,360

can they see the future

3189

02:05:53,350 --> 02:05:51,599

right do they do they explain that

3190

02:05:55,589 --> 02:05:53,360

he he can't

3191

02:05:58,229 --> 02:05:55,599

he can't see the future

3192

02:05:59,510 --> 02:05:58,239

yeah they they know what's gonna happen

3193

02:06:01,189 --> 02:05:59,520

um

3194

02:06:02,390 --> 02:06:01,199

they know what's gonna happen and then

3195

02:06:03,990 --> 02:06:02,400

the kids

3196

02:06:05,750 --> 02:06:04,000

know what's gonna happen

3197

02:06:08,870 --> 02:06:05,760

yeah

3198

02:06:10,069 --> 02:06:08,880

so all right and okay

3199

02:06:11,589 --> 02:06:10,079

i don't wanna like go through and like

3200

02:06:13,589 --> 02:06:11,599

explain this show i kind of wanna just

3201
02:06:14,550 --> 02:06:13,599
bounce ideas off of you yeah for sure

3202
02:06:15,350 --> 02:06:14,560
okay

3203
02:06:17,750 --> 02:06:15,360
so

3204
02:06:22,229 --> 02:06:17,760
this idea of

3205
02:06:25,750 --> 02:06:22,239
of the overlords where they they have

3206
02:06:26,870 --> 02:06:25,760
gone past the point of technology and

3207
02:06:30,069 --> 02:06:26,880
like

3208
02:06:31,910 --> 02:06:30,079
uh famine and hunger they they beat it

3209
02:06:36,470 --> 02:06:31,920
we've talked about this dude for the

3210
02:06:37,830 --> 02:06:36,480
past two years you beat it nice dude oh

3211
02:06:43,189 --> 02:06:37,840
like

3212
02:06:44,790 --> 02:06:43,199
[Laughter]

3213
02:06:46,069 --> 02:06:44,800

so

3214

02:06:47,510 --> 02:06:46,079

this concept though we've been talking

3215

02:06:48,629 --> 02:06:47,520

about this concept for like two years

3216

02:06:50,629 --> 02:06:48,639

now

3217

02:06:52,470 --> 02:06:50,639

of of the species

3218

02:06:54,390 --> 02:06:52,480

it's like the preliminary thing of why

3219

02:06:55,990 --> 02:06:54,400

the species does like the hybridization

3220

02:06:58,149 --> 02:06:56,000

program where like they can't produce

3221

02:07:00,390 --> 02:06:58,159

anymore and they've gotten so

3222

02:07:03,510 --> 02:07:00,400

technologically advanced to where their

3223

02:07:05,589 --> 02:07:03,520

purpose is no longer to reproduce or you

3224

02:07:07,910 --> 02:07:05,599

know see other planets it's to do

3225

02:07:09,910 --> 02:07:07,920

something else and right that the

3226

02:07:13,669 --> 02:07:09,920

directive their new

3227

02:07:15,589 --> 02:07:13,679

purpose and the cosmos is to go and

3228

02:07:17,109 --> 02:07:15,599

manage

3229

02:07:18,709 --> 02:07:17,119

again where it's full circle back to

3230

02:07:20,870 --> 02:07:18,719

that new management

3231

02:07:22,950 --> 02:07:20,880

back to the earth and what really struck

3232

02:07:23,750 --> 02:07:22,960

me and here's my question for you joe is

3233

02:07:25,589 --> 02:07:23,760

like

3234

02:07:27,350 --> 02:07:25,599

this new management it

3235

02:07:30,550 --> 02:07:27,360

this whole

3236

02:07:32,069 --> 02:07:30,560

uh mood that corellon and the overlords

3237

02:07:33,350 --> 02:07:32,079

have is like hey dude it's nothing

3238

02:07:36,229 --> 02:07:33,360

personal

3239

02:07:38,149 --> 02:07:36,239

yeah it did that not like

3240

02:07:40,870 --> 02:07:38,159

sink your heart did that not make your

3241

02:07:43,270 --> 02:07:40,880

heart heavy to know that it look it's

3242

02:07:45,750 --> 02:07:43,280

nothing personal it's business

3243

02:07:47,830 --> 02:07:45,760

yeah and not not to mention like

3244

02:07:50,950 --> 02:07:47,840

the way he's like

3245

02:07:53,430 --> 02:07:50,960

i mean yeah i mean this happens to

3246

02:07:55,430 --> 02:07:53,440

many many worlds they come to

3247

02:07:57,830 --> 02:07:55,440

they come to destroy

3248

02:08:00,709 --> 02:07:57,840

the earth and it's not even it's it's

3249

02:08:05,350 --> 02:08:02,470

because see i don't think they show up

3250

02:08:06,830 --> 02:08:05,360

to destroy

3251

02:08:09,990 --> 02:08:06,840

the world right

3252

02:08:11,910 --> 02:08:10,000

because they because the kids end up

3253

02:08:13,669 --> 02:08:11,920

leaving right

3254

02:08:16,950 --> 02:08:13,679

yeah the kids end up leaving so it's not

3255

02:08:19,270 --> 02:08:16,960

that they're there to destroy the planet

3256

02:08:20,830 --> 02:08:19,280

it's they're there to see

3257

02:08:29,510 --> 02:08:20,840

if you

3258

02:08:30,950 --> 02:08:29,520

then the uh it's kind of like when

3259

02:08:31,830 --> 02:08:30,960

people say like

3260

02:08:34,470 --> 02:08:31,840

yeah

3261

02:08:36,310 --> 02:08:34,480

when we ascend you know just

3262

02:08:37,830 --> 02:08:36,320

we live in all dimensions right but like

3263

02:08:39,990 --> 02:08:37,840

when people say yeah we're ascending

3264

02:08:42,790 --> 02:08:40,000

into fifth dimensionality some people

3265

02:08:44,950 --> 02:08:42,800

will stay and some people won't right

3266

02:08:46,629 --> 02:08:44,960

that's like i'm ascending into the

3267

02:08:48,790 --> 02:08:46,639

waiting line at waterbury i'm ascending

3268

02:08:52,229 --> 02:08:48,800

into the higher realm basically is what

3269

02:08:55,750 --> 02:08:52,239

it is and for me that's what it was it

3270

02:08:58,229 --> 02:08:55,760

was like okay these kids

3271

02:09:00,950 --> 02:08:58,239

something's happening to these kids

3272

02:09:04,310 --> 02:09:00,960

and when he says there will be no more

3273

02:09:05,830 --> 02:09:04,320

children born on your planet because of

3274

02:09:08,390 --> 02:09:05,840

what's gonna happen

3275

02:09:10,069 --> 02:09:08,400

and the ascension is what happened all

3276

02:09:12,390 --> 02:09:10,079

those kids

3277

02:09:14,550 --> 02:09:12,400

changed and they were different than the

3278

02:09:15,750 --> 02:09:14,560

people that came before them so they all

3279

02:09:17,589 --> 02:09:15,760

ascended

3280

02:09:19,750 --> 02:09:17,599

to this higher

3281

02:09:21,350 --> 02:09:19,760

higher realm higher dimension i don't

3282

02:09:23,430 --> 02:09:21,360

know where they ascended to but they

3283

02:09:25,990 --> 02:09:23,440

ascended and the rest of the people were

3284

02:09:28,390 --> 02:09:26,000

left behind is it because kids are more

3285

02:09:31,109 --> 02:09:28,400

open-minded is it because kids can

3286

02:09:32,470 --> 02:09:31,119

absorb that information easier than like

3287

02:09:34,229 --> 02:09:32,480

adults can

3288

02:09:36,550 --> 02:09:34,239

right yeah they're they're more

3289

02:09:38,870 --> 02:09:36,560

susceptible to change i mean we know the

3290

02:09:40,550 --> 02:09:38,880

elasticity of the brain like that's the

3291

02:09:42,390 --> 02:09:40,560

reason that old people don't like to

3292

02:09:45,189 --> 02:09:42,400

change their habits right it's

3293

02:09:47,830 --> 02:09:45,199

physically harder for them to do it

3294

02:09:49,830 --> 02:09:47,840

than it is for a young person because

3295

02:09:51,990 --> 02:09:49,840

they're the the connections in the brain

3296

02:09:54,390 --> 02:09:52,000

don't work as fast right they've kind of

3297

02:09:56,950 --> 02:09:54,400

already like cemented into the way that

3298

02:09:59,270 --> 02:09:56,960

their paths work but kids are still so

3299

02:10:01,270 --> 02:09:59,280

malleable that that's why they can learn

3300

02:10:02,390 --> 02:10:01,280

languages so easy that's why they can

3301

02:10:05,830 --> 02:10:02,400

learn

3302

02:10:07,350 --> 02:10:05,840

school and like they can watch something

3303

02:10:09,589 --> 02:10:07,360

or remember it for the rest of their

3304

02:10:11,510 --> 02:10:09,599

lives like but you tell like older

3305

02:10:14,870 --> 02:10:11,520

people you tell me some [\h__\h] dude i'm

3306

02:10:16,149 --> 02:10:14,880

gonna forget it i guarantee you my

3307

02:10:18,550 --> 02:10:16,159

shorts

3308

02:10:21,109 --> 02:10:18,560

hey we can we can blame all the things

3309

02:10:23,030 --> 02:10:21,119

on that tell me some [\h__\h] i will just

3310

02:10:25,270 --> 02:10:23,040

i'm gonna forget it i'll forget it tell

3311

02:10:27,030 --> 02:10:25,280

me anything um but

3312

02:10:29,109 --> 02:10:27,040

yeah man i mean i think that was the

3313

02:10:30,629 --> 02:10:29,119

representation was like the ascension

3314

02:10:32,629 --> 02:10:30,639

process and how

3315

02:10:35,510 --> 02:10:32,639

there will be people who ascend into a

3316

02:10:38,629 --> 02:10:35,520

higher uh consciousness and though other

3317

02:10:40,550 --> 02:10:38,639

ones that don't uh match that will will

3318

02:10:42,229 --> 02:10:40,560

be left behind yeah and that doesn't

3319

02:10:44,229 --> 02:10:42,239

mean that the world's gonna blow up like

3320

02:10:45,589 --> 02:10:44,239

they represent in the like the show or

3321

02:10:47,830 --> 02:10:45,599

the book or whatever i'm not sure how

3322

02:10:49,270 --> 02:10:47,840

the book ends yet but in the show i

3323

02:10:52,229 --> 02:10:49,280

think it was just a visual

3324

02:10:53,270 --> 02:10:52,239

representation of people being left

3325

02:10:55,109 --> 02:10:53,280

behind

3326

02:10:55,830 --> 02:10:55,119

is what i think it is and i wished it

3327

02:10:58,629 --> 02:10:55,840

would

3328

02:11:00,470 --> 02:10:58,639

there

3329

02:11:03,030 --> 02:11:00,480

because that's beautiful i can think on

3330

02:11:05,910 --> 02:11:03,040

that for for for years like that

3331

02:11:09,270 --> 02:11:05,920

possibility and how beautiful it's scary

3332

02:11:10,950 --> 02:11:09,280

but also like [h__h] that's okay cool

3333

02:11:12,470 --> 02:11:10,960

i would love to give birth to a

3334

02:11:16,790 --> 02:11:12,480

generation that was

3335

02:11:18,229 --> 02:11:16,800

more connected to source and more open

3336

02:11:20,870 --> 02:11:18,239

and

3337

02:11:23,750 --> 02:11:20,880

what they do in this show is kind of

3338

02:11:25,589 --> 02:11:23,760

scary it's like this hive mind thing

3339

02:11:26,709 --> 02:11:25,599

they kind of took a turn that i was not

3340

02:11:29,270 --> 02:11:26,719

expecting

3341

02:11:31,189 --> 02:11:29,280

right uh i didn't like that

3342

02:11:33,430 --> 02:11:31,199

uh like the reason why they're like they

3343

02:11:36,069 --> 02:11:33,440

were taking these souls off

3344

02:11:37,350 --> 02:11:36,079

the planet and then just like hey enjoy

3345

02:11:38,470 --> 02:11:37,360

your stay

3346

02:11:41,669 --> 02:11:38,480

thanks for

3347

02:11:44,550 --> 02:11:41,679

uh the word worth the look so long and

3348

02:11:46,950 --> 02:11:44,560

thanks for all the fish hey

3349

02:11:49,589 --> 02:11:46,960

i mean you did you did it you did a job

3350

02:11:53,109 --> 02:11:49,599

you did it you did a job

3351

02:11:55,510 --> 02:11:53,119

what i uh what i i left craving was uh

3352

02:11:57,990 --> 02:11:55,520

to not have that be an aspect and i

3353

02:12:00,629 --> 02:11:58,000

wanted like a triumphant

3354

02:12:02,470 --> 02:12:00,639

everybody starts to be a better person

3355

02:12:05,510 --> 02:12:02,480

but that's not what we got

3356

02:12:08,629 --> 02:12:05,520

and uh it's kind of like it left me

3357

02:12:10,790 --> 02:12:08,639

kind of empty leaving that last episode

3358

02:12:12,550 --> 02:12:10,800

i liked the uh

3359

02:12:14,310 --> 02:12:12,560

what is it that uh

3360

02:12:17,589 --> 02:12:14,320

that break off

3361

02:12:20,149 --> 02:12:17,599

civilization that happened where

3362

02:12:21,990 --> 02:12:20,159

they told the overlords that they're not

3363

02:12:25,189 --> 02:12:22,000

going to comply and they're going to

3364

02:12:26,709 --> 02:12:25,199

create their own little community right

3365

02:12:27,750 --> 02:12:26,719

and like what the guy was saying is

3366

02:12:29,430 --> 02:12:27,760

libertarian

3367

02:12:32,310 --> 02:12:29,440

is pretty is pretty interesting he's

3368

02:12:34,709 --> 02:12:32,320

like look you look at the new world that

3369

02:12:36,950 --> 02:12:34,719

was created with no famine no wars

3370

02:12:39,189 --> 02:12:36,960

there's a lack of creativity nobody's

3371

02:12:41,109 --> 02:12:39,199

creating anything and even

3372

02:12:43,589 --> 02:12:41,119

corellon said that like

3373

02:12:46,390 --> 02:12:43,599

your science has gotten to a point to

3374

02:12:49,030 --> 02:12:46,400

where it it isn't uh helping anymore you

3375

02:12:51,189 --> 02:12:49,040

might as well just stop stop doing your

3376

02:12:53,750 --> 02:12:51,199

science i mean it's it's reached a peak

3377

02:12:54,950 --> 02:12:53,760

you're no longer creative right and and

3378

02:12:56,790 --> 02:12:54,960

no more questions there's no more

3379

02:12:58,790 --> 02:12:56,800

answers to be you know questions to be

3380

02:13:02,310 --> 02:12:58,800

answered right so it's like everybody

3381

02:13:04,950 --> 02:13:02,320

was given everything and then they just

3382

02:13:07,510 --> 02:13:04,960

turned lazy and enjoyed life right yeah

3383

02:13:10,229 --> 02:13:07,520

so technically even though everything

3384

02:13:12,310 --> 02:13:10,239

was perfect all they did was waste their

3385

02:13:15,830 --> 02:13:12,320

life

3386

02:13:17,589 --> 02:13:15,840

that's i i think there's something more

3387

02:13:21,510 --> 02:13:17,599

yeah dude what you're talking about man

3388

02:13:24,709 --> 02:13:21,520

like it's it's deep because i think

3389

02:13:26,950 --> 02:13:24,719

because we experience struggle every day

3390

02:13:29,109 --> 02:13:26,960

and everybody's experience everybody

3391

02:13:30,629 --> 02:13:29,119

experiences different levels of it

3392

02:13:32,790 --> 02:13:30,639

everybody's different everybody's got

3393

02:13:35,910 --> 02:13:32,800

yeah backgrounds and

3394

02:13:39,430 --> 02:13:35,920

all that and tammy you're beautiful

3395

02:13:42,350 --> 02:13:39,440

tammy you are beautiful you're beautiful

3396

02:13:44,629 --> 02:13:42,360

this is that's more of your your speed

3397

02:13:47,350 --> 02:13:44,639

[Music]

3398

02:13:50,870 --> 02:13:47,360

and i saw your face

3399

02:13:52,310 --> 02:13:50,880

in a crowded space place is it special

3400

02:13:54,709 --> 02:13:52,320

place i don't remember oh i thought it

3401

02:13:56,790 --> 02:13:54,719

was an empty plate and an empty

3402

02:13:59,910 --> 02:13:56,800

clinch

3403

02:14:02,390 --> 02:13:59,920

so the the idea of like send us a

3404

02:14:05,030 --> 02:14:02,400

picture girl hey yeah let me be the

3405

02:14:08,470 --> 02:14:07,030

we love you tammy

3406

02:14:10,790 --> 02:14:08,480

we love tammy thanks for being here

3407

02:14:14,149 --> 02:14:10,800

every thursday man

3408

02:14:15,830 --> 02:14:14,159

uh girl girl lady woman

3409

02:14:18,069 --> 02:14:15,840

beautiful woman

3410

02:14:20,470 --> 02:14:18,079

inside and out and we all know it we all

3411

02:14:22,149 --> 02:14:20,480

know it we all freaking know it hey

3412

02:14:24,629 --> 02:14:22,159

let's just clear the air right now

3413

02:14:26,629 --> 02:14:24,639

everybody is disgusting on the inside

3414

02:14:27,750 --> 02:14:26,639

yeah right it's like physically like all

3415

02:14:31,030 --> 02:14:27,760

liquids

3416

02:14:32,629 --> 02:14:31,040

stinky mushy and it smells weird like i

3417

02:14:39,189 --> 02:14:32,639

don't know who came up with that phrase

3418

02:14:44,629 --> 02:14:43,750

bd is almost always uh balls deep

3419

02:14:48,550 --> 02:14:44,639

yeah

3420

02:14:49,589 --> 02:14:48,560

you'll probably finish the book before i

3421

02:14:51,669 --> 02:14:49,599

will

3422

02:14:54,470 --> 02:14:51,679

oh yeah you sound a lot smarter than me

3423

02:14:57,990 --> 02:14:54,480

so she's she's smarter yeah

3424

02:15:00,870 --> 02:14:58,000

uh okay i want to finish this thought um

3425

02:15:01,910 --> 02:15:00,880

okay now with jerry's final thought

3426

02:15:03,830 --> 02:15:01,920

wait

3427

02:15:05,830 --> 02:15:03,840

anyway guys

3428

02:15:09,750 --> 02:15:05,840

it's me oh damn it i wanted to make a

3429

02:15:11,910 --> 02:15:09,760

reference but i can't but you know okay

3430

02:15:20,310 --> 02:15:11,920

all right nevermind nevermind

3431

02:15:25,109 --> 02:15:22,310

i can't say it i can't say it i'm not

3432

02:15:29,030 --> 02:15:25,119

gonna say it okay uh

3433

02:15:30,310 --> 02:15:29,040

wait well anyway guys

3434

02:15:32,629 --> 02:15:30,320

uh

3435

02:15:34,790 --> 02:15:32,639

so the point i kind of wanted to end on

3436

02:15:35,589 --> 02:15:34,800

is like

3437

02:15:36,470 --> 02:15:35,599

we

3438

02:15:43,030 --> 02:15:36,480

as

3439

02:15:44,629 --> 02:15:43,040

we strive off of struggle we have to

3440

02:15:47,350 --> 02:15:44,639

struggle

3441

02:15:50,390 --> 02:15:47,360

uh without darkness there is no light

3442

02:15:52,709 --> 02:15:50,400

there is without uh

3443

02:15:54,550 --> 02:15:52,719

control there is no

3444

02:15:56,149 --> 02:15:54,560

um creativity

3445

02:15:57,589 --> 02:15:56,159

um i think there's a balance it's all

3446

02:16:00,229 --> 02:15:57,599

about balance man

3447

02:16:02,149 --> 02:16:00,239

and i i went like couple days after

3448

02:16:03,750 --> 02:16:02,159

seeing that last episode of childhood

3449

02:16:07,109 --> 02:16:03,760

end and i felt a little empty on the

3450

02:16:08,870 --> 02:16:07,119

inside and i reminded myself

3451

02:16:10,550 --> 02:16:08,880

that look it's not all doom and gloom

3452

02:16:11,750 --> 02:16:10,560

even if that is a possibility that

3453

02:16:13,189 --> 02:16:11,760

happened in a different alternate

3454

02:16:14,470 --> 02:16:13,199

universe maybe that's happening maybe

3455

02:16:16,229 --> 02:16:14,480

that will happen

3456

02:16:18,390 --> 02:16:16,239

who knows but

3457

02:16:20,629 --> 02:16:18,400

i chose to like not be negative about it

3458

02:16:21,589 --> 02:16:20,639

and like just try to see the beauty in

3459

02:16:23,589 --> 02:16:21,599

it like

3460

02:16:25,990 --> 02:16:23,599

dude

3461

02:16:27,830 --> 02:16:26,000

and and that is like

3462

02:16:30,149 --> 02:16:27,840

there's a reason why shit's [h__\h] up on

3463

02:16:32,469 --> 02:16:30,159

this planet because i i'm i'm a strong

3464

02:16:34,070 --> 02:16:32,479

believer you're like as

3465

02:16:35,429 --> 02:16:34,080

we see the most

3466

02:16:37,509 --> 02:16:35,439

messed up stuff on the world there's

3467

02:16:41,509 --> 02:16:37,519

probably stuff equally

3468

02:16:44,790 --> 02:16:41,519

beautiful on the planet oh for sure dude

3469

02:16:47,030 --> 02:16:44,800

like tammy like beautiful and like

3470

02:16:50,070 --> 02:16:47,040

at the end of the show i was like thanks

3471

02:16:52,389 --> 02:16:50,080

a lot jennifer

3472

02:16:54,790 --> 02:16:52,399

i'm so mad at it who's the [h__\h]

3473

02:16:57,270 --> 02:16:54,800

that's that's the whole

3474

02:17:09,190 --> 02:16:57,280

she's the ending of the movie oh the

3475

02:17:12,309 --> 02:17:11,190

he got us kicked out of jenny from the

3476

02:17:14,469 --> 02:17:12,319

block

3477

02:17:16,389 --> 02:17:14,479

you got you got us kicked out of the the

3478

02:17:20,150 --> 02:17:16,399

garden of eden and you destroyed the

3479

02:17:22,070 --> 02:17:20,160

planet god women dude women

3480

02:17:25,270 --> 02:17:22,080

dude i'm just kidding i'm just kidding

3481

02:17:26,709 --> 02:17:25,280

about that chicks man i like the lettuce

3482

02:17:28,469 --> 02:17:26,719

i like the lettuce

3483

02:17:29,589 --> 02:17:28,479

but you know what like i was if you

3484

02:17:31,349 --> 02:17:29,599

really think about like the garden of

3485

02:17:32,629 --> 02:17:31,359

eden like

3486

02:17:34,230 --> 02:17:32,639

like

3487

02:17:35,429 --> 02:17:34,240

if a dude wrote the history don't you

3488

02:17:38,309 --> 02:17:35,439

don't you think he would be like it

3489

02:17:42,389 --> 02:17:40,230

it was her dude i promise she's not

3490

02:17:44,150 --> 02:17:42,399

gonna say anything i don't say anything

3491

02:17:46,870 --> 02:17:44,160

i mean lilith was there first and she

3492

02:17:50,230 --> 02:17:46,880

was like uh i ain't doing that and then

3493

02:17:53,509 --> 02:17:51,190

uh

3494

02:17:55,830 --> 02:17:53,519

i was looking at my phone because i i

3495

02:17:59,509 --> 02:17:55,840

remembered that so luke sorry this is

3496

02:18:02,629 --> 02:17:59,519

way off topic uh luke and morgan spent

3497

02:18:05,509 --> 02:18:02,639

the weekend in marfa and saw the marvel

3498

02:18:08,230 --> 02:18:05,519

lights every night they were there

3499

02:18:11,930 --> 02:18:08,240

well and i video in photos

3500

02:18:15,270 --> 02:18:13,190

[Laughter]

3501

02:18:16,790 --> 02:18:15,280

he's gonna have to come on and

3502

02:18:19,110 --> 02:18:16,800

honestly through text i haven't talked

3503

02:18:20,469 --> 02:18:19,120

to him on the phone yet but he was like

3504

02:18:22,150 --> 02:18:20,479

okay all right

3505

02:18:23,270 --> 02:18:22,160

all right

3506

02:18:28,150 --> 02:18:23,280

not players

3507

02:18:30,070 --> 02:18:28,160

convinced that uh there's something else

3508

02:18:32,549 --> 02:18:30,080

marfa lights guys look it up if you

3509

02:18:34,309 --> 02:18:32,559

don't know about the marvel lights

3510

02:18:35,589 --> 02:18:34,319

uh so we're gonna have to dude i would

3511

02:18:37,030 --> 02:18:35,599

love to have him on the podcast to talk

3512

02:18:39,509 --> 02:18:37,040

about it dude like

3513

02:18:41,349 --> 02:18:39,519

the photos and video were pretty insane

3514

02:18:42,870 --> 02:18:41,359

yeah the valley you could see he took

3515

02:18:45,429 --> 02:18:42,880

some photos during the day

3516

02:18:47,990 --> 02:18:45,439

and then video and photo at night

3517

02:18:49,669 --> 02:18:48,000

there's no roads out there dude

3518

02:18:55,270 --> 02:18:49,679

there's nothing

3519

02:18:59,509 --> 02:18:56,629

what are you doing

3520

02:19:02,230 --> 02:18:59,519

oh just waving some waving some torches

3521

02:19:03,030 --> 02:19:02,240

oh jack-o-lantern jack-o-lanterns man

3522

02:19:06,629 --> 02:19:03,040

well

3523

02:19:10,870 --> 02:19:06,639

could i can i help

3524

02:19:12,629 --> 02:19:10,880

it's a very selective group of people

3525

02:19:17,910 --> 02:19:12,639

for thousands of years my family has

3526

02:19:17,920 --> 02:19:22,360

don't be a part of it no no

3527

02:19:28,240 --> 02:19:25,030

[Laughter]

3528

02:19:29,669 --> 02:19:28,250

oh [h__h] dude

3529

02:19:32,150 --> 02:19:29,679

[Music]

3530

02:19:33,509 --> 02:19:32,160

well good

3531

02:19:35,429 --> 02:19:33,519

bird's luck

3532

02:19:37,589 --> 02:19:35,439

people so i guess luke wasn't able to

3533

02:19:40,070 --> 02:19:37,599

join that elite group of people nope

3534

02:19:43,910 --> 02:19:40,080

that uh could do jack-o'-lanterns in the

3535

02:19:48,469 --> 02:19:46,469

it's a virginia people

3536

02:19:49,510 --> 02:19:48,479

oh dude

3537

02:19:54,630 --> 02:19:49,520

ah

3538

02:19:57,830 --> 02:19:54,640

look at um

3539

02:19:59,750 --> 02:19:58,710

yeah

3540

02:20:03,270 --> 02:19:59,760

hey uh

3541

02:20:04,950 --> 02:20:03,280

hey man this is uh richie dolan and uh

3542

02:20:08,469 --> 02:20:04,960

and welcome to the show and

3543

02:20:11,429 --> 02:20:08,479

i like pipe and hard i'm a i'm a pretty

3544

02:20:12,870 --> 02:20:11,439

big partier so if uh ladies if you're uh

3545

02:20:15,590 --> 02:20:12,880

interested in

3546

02:20:18,389 --> 02:20:15,600

coming down yeah ask my wife first she's

3547

02:20:19,830 --> 02:20:18,399

uh yeah very very pretty and uh anyway

3548

02:20:21,190 --> 02:20:19,840

i'm a nice guy

3549

02:20:23,110 --> 02:20:21,200

i feel like richard dolan needs to do

3550

02:20:26,070 --> 02:20:23,120

like a late night smooth jazz radio

3551

02:20:27,190 --> 02:20:26,080

station instead of talking about ufo

3552

02:20:29,510 --> 02:20:27,200

not a lot of people know the difference

3553

02:20:30,790 --> 02:20:29,520

between a flute and a clarinet and i'm

3554

02:20:32,150 --> 02:20:30,800

about to show you and i'd like to

3555

02:20:34,469 --> 02:20:32,160

explain the difference to you guys i'm

3556

02:20:36,309 --> 02:20:34,479

about to show you a very very very good

3557

02:20:38,150 --> 02:20:36,319

uh representation

3558

02:20:39,990 --> 02:20:38,160

in between the uh the

3559

02:20:42,469 --> 02:20:40,000

the clarinet and and and the uh the

3560

02:20:45,110 --> 02:20:42,479

flute and in 1969

3561

02:20:47,510 --> 02:20:45,120

um the the summer of love which was uh

3562

02:20:50,230 --> 02:20:47,520

talked about in the uh the the novel

3563

02:20:52,230 --> 02:20:50,240

written by uh me richie dolan

3564

02:20:53,270 --> 02:20:52,240

called actually summer of love actually

3565

02:20:55,110 --> 02:20:53,280

someone else

3566

02:20:58,550 --> 02:20:55,120

we uh play the sweet sweet uh

3567

02:21:00,950 --> 02:20:58,560

reminiscent uh vibrations of of of

3568

02:21:06,309 --> 02:21:00,960

lovemaking uh through through a woodwind

3569

02:21:10,389 --> 02:21:08,070

that's that's

3570

02:21:12,389 --> 02:21:10,399

i like how i like how 10 minutes ago you

3571

02:21:17,270 --> 02:21:12,399

were like i'd like to end on this

3572

02:21:17,280 --> 02:21:20,270

oh dude

3573

02:21:26,150 --> 02:21:23,990

[Laughter]

3574

02:21:27,590 --> 02:21:26,160

that dude's awesome all right i love

3575

02:21:29,190 --> 02:21:27,600

reggie

3576

02:21:31,030 --> 02:21:29,200

i've we've been asking him to be on the

3577

02:21:32,790 --> 02:21:31,040

podcast man

3578

02:21:35,830 --> 02:21:32,800

he won't come on he won't answer my

3579

02:21:38,469 --> 02:21:35,840

emails richard richard we should just

3580

02:21:39,590 --> 02:21:38,479

blow up his twitter with a bunch of bobs

3581

02:21:42,469 --> 02:21:39,600

from la

3582

02:21:45,110 --> 02:21:42,479

just yelling richie like every day

3583

02:21:47,030 --> 02:21:45,120

okay everybody we have 25 people in the

3584

02:21:48,870 --> 02:21:47,040

chat right now okay if everybody can go

3585

02:21:51,030 --> 02:21:48,880

to richard dolan's twitter facebook

3586

02:21:54,230 --> 02:21:51,040

whatever post a picture

3587

02:21:58,070 --> 02:21:54,240

of bob from la bamba yelling richie uh

3588

02:21:59,750 --> 02:21:58,080

and hashtag at ufo garage at i don't

3589

02:22:00,870 --> 02:21:59,760

know how this works you explain it you

3590

02:22:02,790 --> 02:22:00,880

you know

3591

02:22:04,630 --> 02:22:02,800

you're doing a good job

3592

02:22:06,630 --> 02:22:04,640

hashtag both of us

3593

02:22:09,670 --> 02:22:06,640

and maybe maybe we'll we'll create some

3594

02:22:12,550 --> 02:22:09,680

uh you know some some waves and uh maybe

3595

02:22:13,990 --> 02:22:12,560

richie want to come on and party

3596

02:22:17,590 --> 02:22:14,000

man

3597

02:22:23,110 --> 02:22:20,309

are you doing it dude yeah yeah ufo

3598

02:22:24,710 --> 02:22:23,120

garage it's live tweeting work you're

3599

02:22:27,110 --> 02:22:24,720

doing right now

3600

02:22:28,389 --> 02:22:27,120

with us if anybody's watching this

3601

02:22:30,550 --> 02:22:28,399

please just

3602

02:22:32,950 --> 02:22:30,560

uh tweet it richard dolan that would be

3603

02:22:36,710 --> 02:22:32,960

awesome it says all did it dude say

3604

02:22:39,990 --> 02:22:36,720

richard say richard dick golden please

3605

02:22:44,389 --> 02:22:42,230

richie please go party

3606

02:22:46,790 --> 02:22:44,399

with ufo garage

3607

02:22:48,070 --> 02:22:46,800

hang out is partying hang out in the

3608

02:22:49,190 --> 02:22:48,080

same sentence

3609

02:22:51,349 --> 02:22:49,200

faux pas

3610

02:22:56,309 --> 02:22:51,359

that's fine richard please come party

3611

02:22:59,510 --> 02:22:57,990

we want you to come party with us but we

3612

02:23:02,070 --> 02:22:59,520

don't want you to hang out we don't want

3613

02:23:05,750 --> 02:23:02,080

you to hate okay look we want you party

3614

02:23:09,110 --> 02:23:05,760

you gotta say richard please come hang

3615

02:23:10,469 --> 02:23:09,120

no please come hang and party with us

3616

02:23:12,630 --> 02:23:10,479

hang and

3617

02:23:14,070 --> 02:23:12,640

party

3618

02:23:19,910 --> 02:23:14,080

with us

3619

02:23:23,150 --> 02:23:21,110

of you

3620

02:23:25,990 --> 02:23:23,160

you bring the heroine

3621

02:23:28,309 --> 02:23:26,000

[Laughter]

3622

02:23:29,750 --> 02:23:28,319

wait who's bringing it

3623

02:23:32,230 --> 02:23:29,760

i'm just kidding

3624

02:23:33,910 --> 02:23:32,240

oh dude love you smiley face or is it

3625

02:23:37,349 --> 02:23:33,920

weaky face

3626

02:23:40,389 --> 02:23:37,359

oh dude i'm liking winky face

3627

02:23:42,630 --> 02:23:40,399

totally winky face richie dude oh yeah

3628

02:23:45,670 --> 02:23:42,640

okay guys uh whoever's listening to us

3629

02:23:47,510 --> 02:23:45,680

we got 24 people we lost one

3630

02:23:49,750 --> 02:23:47,520

they they left so they could go tweet

3631

02:23:51,670 --> 02:23:49,760

richie right now that's what yeah let's

3632

02:23:54,630 --> 02:23:51,680

let's if we can get everybody that's got

3633

02:23:56,230 --> 02:23:54,640

a [h__h] let's go [h__h] at richard dolan

3634

02:23:58,389 --> 02:23:56,240

let's do this right now

3635

02:24:00,870 --> 02:23:58,399

richard please come hang and party with

3636

02:24:02,950 --> 02:24:00,880

us on our podcast love you and then you

3637

02:24:06,070 --> 02:24:02,960

guys say richard

3638

02:24:08,230 --> 02:24:06,080

go hang out with at ufo garage what was

3639

02:24:10,950 --> 02:24:08,240

the image you were talking about oh bob

3640

02:24:22,830 --> 02:24:10,960

from la bamba la

3641

02:24:28,070 --> 02:24:24,550

[Music]

3642

02:24:35,429 --> 02:24:30,309

my god it's perfect yeah

3643

02:24:39,510 --> 02:24:37,349

oh my god dude

3644

02:24:42,870 --> 02:24:39,520

it's perfect

3645

02:24:44,230 --> 02:24:42,880

yeah

3646

02:24:50,010 --> 02:24:44,240

i'm saving it

3647

02:24:53,270 --> 02:24:51,670

[Music]

3648

02:24:56,389 --> 02:24:53,280

okay uh

3649

02:24:58,230 --> 02:24:56,399

bringing in an image media

3650

02:24:59,910 --> 02:24:58,240

twitter

3651

02:25:02,230 --> 02:24:59,920

richie yes

3652

02:25:03,590 --> 02:25:02,240

oh my god so this is what you're uh this

3653

02:25:05,990 --> 02:25:03,600

is what it should look like guys go

3654

02:25:07,110 --> 02:25:06,000

retreat retweet us

3655

02:25:08,830 --> 02:25:07,120

go

3656

02:25:11,830 --> 02:25:08,840

damn it

3657

02:25:13,590 --> 02:25:11,840

go go retreat

3658

02:25:14,950 --> 02:25:13,600

all the way that would be

3659

02:25:17,750 --> 02:25:14,960

dude that would be awesome if we at

3660

02:25:19,190 --> 02:25:17,760

least got like two people to retweet it

3661

02:25:22,150 --> 02:25:19,200

that would be hilarious that would be

3662

02:25:23,830 --> 02:25:22,160

awesome if we could get 20 people dude

3663

02:25:27,030 --> 02:25:23,840

for the time we looked at that screen to

3664

02:25:29,590 --> 02:25:27,040

this screen we lost four more

3665

02:25:30,710 --> 02:25:29,600

people hate us

3666

02:25:33,910 --> 02:25:30,720

all right

3667

02:25:36,630 --> 02:25:33,920

well we've had our fun oh we've got we

3668

02:25:39,670 --> 02:25:36,640

got three more oh offer you three new

3669

02:25:40,870 --> 02:25:39,680

people tweet hold on let me get back up

3670

02:25:42,630 --> 02:25:40,880

they came back

3671

02:25:43,830 --> 02:25:42,640

tweet we're tweeting it richie dolan

3672

02:25:45,510 --> 02:25:43,840

we're trying to get richard dolan on the

3673

02:25:46,710 --> 02:25:45,520

podcast if you're if you're just hanging

3674

02:25:48,070 --> 02:25:46,720

out with us

3675

02:25:50,150 --> 02:25:48,080

we're trying to get richard dolan to

3676

02:25:51,590 --> 02:25:50,160

come on the podcast so find us on

3677

02:25:54,870 --> 02:25:51,600

twitter and reach

3678

02:25:58,150 --> 02:25:54,880

i keep saying retreat it retweet

3679

02:25:59,270 --> 02:25:58,160

uh with us oh we already got two hearts

3680

02:26:01,270 --> 02:25:59,280

okay

3681

02:26:03,510 --> 02:26:01,280

dude yay

3682

02:26:06,070 --> 02:26:03,520

say hey what's up fool timmy how can you

3683

02:26:07,830 --> 02:26:06,080

not have a twitter

3684

02:26:11,670 --> 02:26:07,840

the hell i don't i don't have twitter

3685

02:26:15,110 --> 02:26:13,270

okay maybe you should just like write

3686

02:26:17,190 --> 02:26:15,120

him a letter and send it to him through

3687

02:26:19,429 --> 02:26:17,200

the mail honestly that might work even

3688

02:26:21,110 --> 02:26:19,439

better than just tweeting it look him up

3689

02:26:24,070 --> 02:26:21,120

in the phone book tammy

3690

02:26:25,429 --> 02:26:24,080

well so dan warren had a a

3691

02:26:26,870 --> 02:26:25,439

uh a senator

3692

02:26:31,030 --> 02:26:26,880

a sonata

3693

02:26:32,950 --> 02:26:31,040

on a big phone home and he said

3694

02:26:34,550 --> 02:26:32,960

hey we get so many damn emails and

3695

02:26:36,309 --> 02:26:34,560

tweets and [h__\h] like we're not going to

3696

02:26:37,670 --> 02:26:36,319

read it just send us

3697

02:26:40,150 --> 02:26:37,680

a written letter

3698

02:26:41,590 --> 02:26:40,160

and be nice

3699

02:26:43,830 --> 02:26:41,600

sounds like a good idea that was good

3700

02:26:46,230 --> 02:26:43,840

advice so if we want richie dolan on we

3701

02:26:48,710 --> 02:26:46,240

just gotta creep on him and find his

3702

02:26:50,230 --> 02:26:48,720

freaking physical address so tonight we

3703

02:26:51,830 --> 02:26:50,240

all need to write letters and cinema at

3704

02:26:53,429 --> 02:26:51,840

the same time let's coordinate and send

3705

02:26:54,790 --> 02:26:53,439

them all at the same time

3706

02:27:00,070 --> 02:26:54,800

richie gets

3707

02:27:01,510 --> 02:27:00,080

in the mail at one time and they're all

3708

02:27:04,630 --> 02:27:01,520

like and they all have a picture of bob

3709

02:27:06,070 --> 02:27:04,640

in it that says richie yes dude oh my

3710

02:27:08,309 --> 02:27:06,080

god

3711

02:27:12,469 --> 02:27:08,319

like print out at cbs print like a

3712

02:27:16,389 --> 02:27:14,230

chad smith also chad smith

3713

02:27:18,469 --> 02:27:16,399

congratulations to chad smith he is now

3714

02:27:21,270 --> 02:27:18,479

yeah dude happy birthday the proud owner

3715

02:27:22,950 --> 02:27:21,280

of a wrench on the slr also i think i

3716

02:27:25,190 --> 02:27:22,960

gave i think we gave him a wrench yeah

3717

02:27:27,190 --> 02:27:25,200

he's a he's he's also a member i think

3718

02:27:29,830 --> 02:27:27,200

he's a space farts member he is a space

3719

02:27:31,590 --> 02:27:29,840

farce member or or a sp what is i can't

3720

02:27:35,830 --> 02:27:31,600

remember chad what what level i can't

3721

02:27:40,230 --> 02:27:38,230

oh wait tammy does have a printer nice

3722

02:27:44,550 --> 02:27:40,240

dude timmy

3723

02:27:47,429 --> 02:27:44,560

okay print out a photo of richie oh dan

3724

02:27:49,110 --> 02:27:47,439

says not a senator no oh representative

3725

02:27:50,790 --> 02:27:49,120

thank you oh my gosh

3726

02:27:52,389 --> 02:27:50,800

hellberry

3727

02:27:55,990 --> 02:27:52,399

i don't know anything

3728

02:27:59,030 --> 02:27:56,000

i'm so so dan had a president on right

3729

02:28:01,349 --> 02:27:59,040

so anywhere president it was dan oh it

3730

02:28:03,110 --> 02:28:01,359

was eisenhower

3731

02:28:05,990 --> 02:28:03,120

i think it was garfield president

3732

02:28:07,190 --> 02:28:06,000

garfield yeah

3733

02:28:09,510 --> 02:28:07,200

no he had a representative from

3734

02:28:11,750 --> 02:28:09,520

tennessee yeah dude that guy was dope

3735

02:28:13,990 --> 02:28:11,760

dan you did a great job dude i i'm

3736

02:28:16,950 --> 02:28:14,000

surprised as always dude i mean proud of

3737

02:28:19,190 --> 02:28:16,960

you dude's always doing killer stuff

3738

02:28:21,349 --> 02:28:19,200

he's doing killer stuff all the time dan

3739

02:28:25,110 --> 02:28:21,359

dan dan warren

3740

02:28:27,429 --> 02:28:25,120

he's the newest man he is the newest man

3741

02:28:32,550 --> 02:28:27,439

how ridiculous was that that we sang

3742

02:28:38,309 --> 02:28:34,710

and like lou's like

3743

02:28:40,150 --> 02:28:38,319

this is i should not have done this

3744

02:28:43,510 --> 02:28:40,160

also dan was telling me it's the longest

3745

02:28:45,750 --> 02:28:43,520

interview on record of luella's auto

3746

02:28:49,349 --> 02:28:45,760

it's on our podcast it's our the longest

3747

02:28:51,030 --> 02:28:49,359

one we got to call it guinness book dude

3748

02:28:52,469 --> 02:28:51,040

it would not have happened without dan

3749

02:28:54,790 --> 02:28:52,479

oh yeah so

3750

02:28:58,630 --> 02:28:54,800

all the to dan for sure chad smith is

3751

02:29:00,870 --> 02:28:58,640

officially a space fart officer woo nice

3752

02:29:03,750 --> 02:29:00,880

and if you're curious as to what a space

3753

02:29:06,150 --> 02:29:03,760

fart officer is it's very serious and

3754

02:29:09,910 --> 02:29:06,160

very strategic so stop laughing at it

3755

02:29:11,860 --> 02:29:09,920

yeah it's not funny stop it

3756

02:29:14,150 --> 02:29:11,870

stop [h__\h] [h__\h] stop it

3757

02:29:15,990 --> 02:29:14,160

[Music]

3758

02:29:18,070 --> 02:29:16,000

if you're curious to what it is

3759

02:29:21,750 --> 02:29:18,080

uh go to uh

3760

02:29:25,270 --> 02:29:23,270

and we're working on we're working on

3761

02:29:27,590 --> 02:29:25,280

the sister company ball skin company

3762

02:29:29,270 --> 02:29:27,600

company working on that what we can't do

3763

02:29:31,830 --> 02:29:29,280

right the reason why that site's not

3764

02:29:34,830 --> 02:29:31,840

live is be qui because we can't show our

3765

02:29:38,550 --> 02:29:34,840

research yet yeah it's not it's not

3766

02:29:41,110 --> 02:29:38,560

ready not fully erect very messy yeah

3767

02:29:44,790 --> 02:29:41,120

very messy research so what we're trying

3768

02:29:48,950 --> 02:29:47,429

yeah how put off

3769

02:29:50,710 --> 02:29:48,960

i always say that in my head dude that's

3770

02:29:53,590 --> 02:29:50,720

funny you said that

3771

02:29:55,750 --> 02:29:53,600

hey we have 26 people in the chat now so

3772

02:29:59,429 --> 02:29:55,760

if you're just joining us we're at the

3773

02:30:02,150 --> 02:29:59,439

very end but we need you to retweet and

3774

02:30:03,670 --> 02:30:02,160

richard dolan so we can get him on the

3775

02:30:05,670 --> 02:30:03,680

show retreat

3776

02:30:07,590 --> 02:30:05,680

dang it i did it again retweet because

3777

02:30:10,469 --> 02:30:07,600

he doesn't answer ben's emails

3778

02:30:12,710 --> 02:30:10,479

we've got two retweets can we get it up

3779

02:30:15,190 --> 02:30:12,720

to five can we get it up to five

3780

02:30:17,510 --> 02:30:15,200

retweets yeah that'd be sweet i'm gonna

3781

02:30:19,830 --> 02:30:17,520

read i'm gonna read dan says i sent the

3782

02:30:24,870 --> 02:30:19,840

lou interview to my brother and the only

3783

02:30:29,429 --> 02:30:25,990

yes

3784

02:30:32,150 --> 02:30:29,439

oh man they did that yep

3785

02:30:34,630 --> 02:30:32,160

so yeah retweet our tweet

3786

02:30:36,870 --> 02:30:34,640

and you tweet our twitter you tweet and

3787

02:30:38,630 --> 02:30:36,880

tweet that tweeted me

3788

02:30:40,550 --> 02:30:38,640

hey if you're gonna tweet on me i'm

3789

02:30:42,309 --> 02:30:40,560

gonna tweet on you

3790

02:30:44,550 --> 02:30:42,319

and that's the bottom line chad said he

3791

02:30:50,469 --> 02:30:44,560

tried to thefartsacademy.com and it

3792

02:30:54,389 --> 02:30:52,710

oh it does work you spelt it wrong dude

3793

02:30:55,590 --> 02:30:54,399

yeah i did that's too many capital

3794

02:30:58,950 --> 02:30:55,600

letters

3795

02:31:01,510 --> 02:30:58,960

hold on uh share share screen hold on oh

3796

02:31:04,070 --> 02:31:01,520

academy spelled with an e academy

3797

02:31:06,950 --> 02:31:04,080

a-c-a-d-e-m-y

3798

02:31:08,630 --> 02:31:06,960

yeah that was close dude

3799

02:31:09,349 --> 02:31:08,640

when we showed

3800

02:31:11,830 --> 02:31:09,359

louis

3801

02:31:14,550 --> 02:31:11,840

i know this website we were like hey

3802

02:31:16,230 --> 02:31:14,560

wanna be a team member it was so cool

3803

02:31:18,630 --> 02:31:16,240

he could have he could have literally

3804

02:31:20,550 --> 02:31:18,640

just said all right [h__\h] you guys y'all

3805

02:31:23,190 --> 02:31:20,560

are just messing with me but he got the

3806

02:31:25,590 --> 02:31:23,200

joke we're not okay

3807

02:31:27,429 --> 02:31:25,600

we're not like true okay it's kind of

3808

02:31:29,510 --> 02:31:27,439

we're having fun we are trolling and

3809

02:31:30,550 --> 02:31:29,520

making fun of it we all want it now

3810

02:31:33,510 --> 02:31:30,560

we're going to try and come up with

3811

02:31:35,590 --> 02:31:33,520

excuses on why we're not who we are

3812

02:31:38,469 --> 02:31:35,600

oh dude hey cricket said richie just

3813

02:31:40,389 --> 02:31:38,479

handed a uh i like how she says richie

3814

02:31:43,510 --> 02:31:40,399

richard just ended up live two minutes

3815

02:31:46,469 --> 02:31:43,520

ago maybe he'll pop in

3816

02:31:49,190 --> 02:31:46,479

bro i would send him dude if if richie

3817

02:31:50,309 --> 02:31:49,200

signed in and like became a part of the

3818

02:31:53,750 --> 02:31:50,319

la

3819

02:31:55,190 --> 02:31:53,760

if he joined on dude i would [h__\h]

3820

02:31:57,510 --> 02:31:55,200

that would be pretty sweet

3821

02:31:59,510 --> 02:31:57,520

well not me pooping my pants maybe maybe

3822

02:32:00,389 --> 02:31:59,520

he'd be a member of to the farts academy

3823

02:32:03,270 --> 02:32:00,399

dude

3824

02:32:05,830 --> 02:32:03,280

he would be the next member he would be

3825

02:32:08,309 --> 02:32:05,840

chad smith is the next member jasmine's

3826

02:32:09,910 --> 02:32:08,319

chad smith is honestly because he was

3827

02:32:11,349 --> 02:32:09,920

the first to donate we were like oh yeah

3828

02:32:13,110 --> 02:32:11,359

obviously you're gonna be a member he

3829

02:32:15,190 --> 02:32:13,120

was the first member

3830

02:32:20,550 --> 02:32:15,200

okay

3831

02:32:24,950 --> 02:32:20,560

remember what i was wanting to share

3832

02:32:29,910 --> 02:32:27,429

for our for our to the farts academy uh

3833

02:32:32,469 --> 02:32:29,920

our ball skin company in code uniforms

3834

02:32:35,590 --> 02:32:32,479

dude our uniforms all right bear with us

3835

02:32:37,429 --> 02:32:35,600

bear with us guys and this is incredible

3836

02:32:39,510 --> 02:32:37,439

so we have a uniform design

3837

02:32:41,910 --> 02:32:39,520

groundbreaking honestly groundbreaking

3838

02:32:43,110 --> 02:32:41,920

uh give me one second tammy might know

3839

02:32:45,030 --> 02:32:43,120

about it

3840

02:32:47,270 --> 02:32:45,040

the way she's talking

3841

02:32:49,510 --> 02:32:47,280

tammy might have owned one

3842

02:32:52,230 --> 02:32:49,520

tammy you might have owned a piece of

3843

02:32:53,590 --> 02:32:52,240

the official to the farts academy boston

3844

02:32:54,870 --> 02:32:53,600

company and co

3845

02:32:56,309 --> 02:32:54,880

uniform

3846

02:32:58,150 --> 02:32:56,319

so

3847

02:33:00,070 --> 02:32:58,160

you know you just let us know if you had

3848

02:33:02,070 --> 02:33:00,080

one because

3849

02:33:04,550 --> 02:33:02,080

you might have i don't know i don't know

3850

02:33:06,309 --> 02:33:04,560

i'm gonna offend anybody but

3851

02:33:08,469 --> 02:33:06,319

you know okay i'm sharing screen i'm not

3852

02:33:11,030 --> 02:33:08,479

going to show my license my driver's

3853

02:33:13,270 --> 02:33:11,040

license like i did the last episode

3854

02:33:15,030 --> 02:33:13,280

don't do that okay so this is part of

3855

02:33:17,990 --> 02:33:15,040

our new they can't hear the audio by the

3856

02:33:19,910 --> 02:33:18,000

way uh this is part of our new uh ball

3857

02:33:25,510 --> 02:33:19,920

skin company and co slash to the farts

3858

02:33:29,750 --> 02:33:27,750

it's called the swing wing swing

3859

02:33:33,110 --> 02:33:29,760

it's a hat these are the official the

3860

02:33:35,590 --> 02:33:33,120

official uh hat uh uniforms for fruit to

3861

02:33:38,309 --> 02:33:35,600

the farts academy yeah so yeah and also

3862

02:33:40,550 --> 02:33:38,319

tammy did you have one so what we're

3863

02:33:43,270 --> 02:33:40,560

trying to what we're trying to say here

3864

02:33:45,750 --> 02:33:43,280

with this with this uh this uniform is

3865

02:33:48,230 --> 02:33:45,760

that the earth goes in a circle right

3866

02:33:50,150 --> 02:33:48,240

centrifugal force yeah we're all

3867

02:33:52,389 --> 02:33:50,160

clapping we're all we're all just we're

3868

02:33:55,110 --> 02:33:52,399

all just trying to swing swing around

3869

02:33:57,349 --> 02:33:55,120

and stay uh stay centered yeah and look

3870

02:33:59,670 --> 02:33:57,359

look how much fun they're having they're

3871

02:34:02,630 --> 02:33:59,680

partying that kid's upside down

3872

02:34:04,469 --> 02:34:02,640

swing winging it dude you can swing wing

3873

02:34:06,150 --> 02:34:04,479

anyway you want you could swing wing in

3874

02:34:08,630 --> 02:34:06,160

your front yard you could swing wing in

3875

02:34:10,230 --> 02:34:08,640

the in the sky it's a swing wing look at

3876

02:34:13,429 --> 02:34:10,240

that guy he's doing he's like you can do

3877

02:34:14,389 --> 02:34:13,439

the macarena while swinging and swinging

3878

02:34:15,990 --> 02:34:14,399

so

3879

02:34:19,590 --> 02:34:16,000

anyway i don't know just a little

3880

02:34:21,349 --> 02:34:19,600

preview of our uh upcoming

3881

02:34:23,830 --> 02:34:21,359

uh

3882

02:34:25,990 --> 02:34:23,840

uniform uniforms uniforms just want to

3883

02:34:28,870 --> 02:34:26,000

let everybody know that

3884

02:34:33,270 --> 02:34:31,349

anyway

3885

02:34:34,389 --> 02:34:33,280

chad's

3886

02:34:36,710 --> 02:34:34,399

jasmine that you're going to be one of

3887

02:34:40,230 --> 02:34:36,720

the first aurelio is looking for a uh

3888

02:34:42,230 --> 02:34:40,240

open position at tffa okay well so chad

3889

02:34:44,309 --> 02:34:42,240

and aurelio chad aurelio we've actually

3890

02:34:45,670 --> 02:34:44,319

had a couple of emails from people

3891

02:34:47,190 --> 02:34:45,680

specifically

3892

02:34:49,750 --> 02:34:47,200

asking

3893

02:34:51,830 --> 02:34:49,760

like when do i start yeah so we need i

3894

02:34:53,270 --> 02:34:51,840

need to email those people back

3895

02:34:55,349 --> 02:34:53,280

those people back

3896

02:34:59,110 --> 02:34:55,359

uh also realio

3897

02:35:01,190 --> 02:34:59,120

yes we're always hiring always always

3898

02:35:04,469 --> 02:35:01,200

always so

3899

02:35:06,790 --> 02:35:04,479

tammy i know you haven't asked yet but

3900

02:35:08,710 --> 02:35:06,800

i'm trying to get you on the team

3901

02:35:10,710 --> 02:35:08,720

you know let me know

3902

02:35:12,389 --> 02:35:10,720

we'll fit you in okay it's not a paid

3903

02:35:14,790 --> 02:35:12,399

position none of them are paid we don't

3904

02:35:16,230 --> 02:35:14,800

get paid but you know what

3905

02:35:17,830 --> 02:35:16,240

we have a good time it's for science

3906

02:35:19,590 --> 02:35:17,840

it's for science

3907

02:35:20,950 --> 02:35:19,600

nobody ever got anything done i don't

3908

02:35:22,469 --> 02:35:20,960

know about you

3909

02:35:25,110 --> 02:35:22,479

but i believe in science i don't know

3910

02:35:27,030 --> 02:35:25,120

about you but like anybody who's anybody

3911

02:35:30,230 --> 02:35:27,040

that got stuff done never got paid for

3912

02:35:31,990 --> 02:35:30,240

it that's right dude nichola tesla

3913

02:35:33,429 --> 02:35:32,000

never we don't see his name around

3914

02:35:35,590 --> 02:35:33,439

anywhere other than like that guy who

3915

02:35:37,429 --> 02:35:35,600

stole his name and like started the

3916

02:35:40,389 --> 02:35:37,439

whole thing about it instead his name is

3917

02:35:42,630 --> 02:35:40,399

tesla's name is not tesla though

3918

02:35:43,830 --> 02:35:42,640

his name is not tesla's name is elon

3919

02:35:46,230 --> 02:35:43,840

musk

3920

02:35:48,710 --> 02:35:46,240

he stole the name that he like said it

3921

02:35:51,750 --> 02:35:48,720

was like hey this is this thing but it's

3922

02:35:55,030 --> 02:35:51,760

not though dude

3923

02:35:57,590 --> 02:35:55,040

it was actually addison

3924

02:35:58,630 --> 02:35:57,600

edison stole all of his stuff man and

3925

02:36:01,110 --> 02:35:58,640

also

3926

02:36:02,870 --> 02:36:01,120

anyway conspiracy theory i mean trump's

3927

02:36:04,309 --> 02:36:02,880

dad like who's like a part of that

3928

02:36:06,950 --> 02:36:04,319

anyway we can go down

3929

02:36:10,389 --> 02:36:09,030

wait trump's dad knew about time travel

3930

02:36:11,910 --> 02:36:10,399

his grandfather yeah well that's why

3931

02:36:12,790 --> 02:36:11,920

that book was written about them right

3932

02:36:13,910 --> 02:36:12,800

yep

3933

02:36:18,790 --> 02:36:13,920

that's right

3934

02:36:25,349 --> 02:36:18,800

so my last name is marks and always was

3935

02:36:30,309 --> 02:36:26,790

your first name is kid i don't know

3936

02:36:32,790 --> 02:36:30,319

where that came from but i love it

3937

02:36:33,670 --> 02:36:32,800

oh [h__h] dude

3938

02:36:37,190 --> 02:36:33,680

ah

3939

02:36:40,710 --> 02:36:37,200

el omni voldor would like to be the

3940

02:36:43,190 --> 02:36:40,720

official lucha libre

3941

02:36:45,270 --> 02:36:43,200

and i think it needs to happen

3942

02:36:49,030 --> 02:36:45,280

i i think it needs to happen

3943

02:36:52,230 --> 02:36:49,040

yeah when we go into uh sponsoring uh

3944

02:36:54,790 --> 02:36:53,510

wrestling is

3945

02:36:57,830 --> 02:36:54,800

the first thing i'm putting my money

3946

02:37:01,030 --> 02:36:57,840

behind for sure there's so much room

3947

02:37:02,230 --> 02:37:01,040

for growth growth success yeah i mean

3948

02:37:03,830 --> 02:37:02,240

it's just

3949

02:37:05,270 --> 02:37:03,840

it's real a lot of people are watching

3950

02:37:06,550 --> 02:37:05,280

and a lot of people want to be a part of

3951
02:37:09,270 --> 02:37:06,560
it that's right dude and a lot of people

3952
02:37:12,230 --> 02:37:09,280
were talking about it in the streets in

3953
02:37:13,590 --> 02:37:12,240
taxi cabs i mean what is cooler

3954
02:37:15,429 --> 02:37:13,600
than

3955
02:37:20,309 --> 02:37:15,439
sweaty

3956
02:37:21,110 --> 02:37:20,319
buff dudes and speedos and masks got me

3957
02:37:23,270 --> 02:37:21,120
like

3958
02:37:25,830 --> 02:37:23,280
rolling around on the ground got me got

3959
02:37:27,670 --> 02:37:25,840
my all oiled up yeah and likes

3960
02:37:30,870 --> 02:37:27,680
glistening slipping

3961
02:37:34,150 --> 02:37:30,880
in and out of positions

3962
02:37:40,309 --> 02:37:36,710
you catch my drift right you catch i'm

3963
02:37:43,510 --> 02:37:41,750

uh

3964

02:37:48,630 --> 02:37:43,520

I omni

3965

02:37:52,870 --> 02:37:50,630

and chad smith and his partner's

3966

02:37:56,870 --> 02:37:52,880

actually just it's just chad smith

3967

02:37:58,070 --> 02:37:56,880

that's his uh uh his sidekick

3968

02:38:00,550 --> 02:37:58,080

yeah

3969

02:38:02,389 --> 02:38:00,560

okay uh i think we're i don't think

3970

02:38:03,990 --> 02:38:02,399

richard dolan is gonna come on

3971

02:38:05,349 --> 02:38:04,000

oh [h__h] that's right we are waiting for

3972

02:38:10,070 --> 02:38:05,359

richie

3973

02:38:11,830 --> 02:38:10,080

[h__h] he doesn't even know he exists no

3974

02:38:12,830 --> 02:38:11,840

he doesn't he doesn't and if he does he

3975

02:38:15,830 --> 02:38:12,840

probably hates

3976

02:38:17,190 --> 02:38:15,840

us that's [h__\h] guys option one he

3977

02:38:19,910 --> 02:38:17,200

doesn't even know we exist i'm sure

3978

02:38:21,830 --> 02:38:19,920

these guys option two

3979

02:38:24,790 --> 02:38:21,840

he doesn't like us

3980

02:38:28,630 --> 02:38:24,800

well chances are he does not like us

3981

02:38:33,910 --> 02:38:31,670

please yes dude thank you for retweeting

3982

02:38:36,710 --> 02:38:33,920

yes we got a retweet

3983

02:38:39,190 --> 02:38:36,720

we got four real oh we got four retweets

3984

02:38:42,870 --> 02:38:39,200

that's more than three guys four is more

3985

02:38:43,750 --> 02:38:42,880

than three we've got to get some help

3986

02:38:46,150 --> 02:38:43,760

okay

3987

02:38:48,710 --> 02:38:46,160

we're trying to retweet we're trying to

3988

02:38:51,590 --> 02:38:48,720

tweet at richie dolan jimmy retweet to

3989

02:38:54,830 --> 02:38:51,600

go to come on our show big willy retweet

3990

02:38:57,429 --> 02:38:54,840

oh will wasn't here will has a twitter

3991

02:38:59,670 --> 02:38:57,439

willy we're trying to get richard dolan

3992

02:39:01,030 --> 02:38:59,680

to come on the show maybe not tonight

3993

02:39:02,790 --> 02:39:01,040

not tonight eventually individually

3994

02:39:06,710 --> 02:39:02,800

right we got friends wait we got some

3995

02:39:11,429 --> 02:39:09,270

so the tweet is richie richard please

3996

02:39:14,710 --> 02:39:11,439

come hang and party with us on our

3997

02:39:17,110 --> 02:39:14,720

podcast love you weaky face it's a very

3998

02:39:22,309 --> 02:39:17,120

sexual actual thing we wanted to know

3999

02:39:25,750 --> 02:39:24,309

oh we got we got another one we just

4000

02:39:28,760 --> 02:39:25,760

watched it happen that was awesome i

4001

02:39:31,110 --> 02:39:28,770

like that aurelio says tacos

4002

02:39:33,750 --> 02:39:31,120

[Laughter]

4003

02:39:36,309 --> 02:39:33,760

what is my favorite part of the show

4004

02:39:38,630 --> 02:39:36,319

tacos

4005

02:39:40,870 --> 02:39:38,640

commonly pronounced in these areas

4006

02:39:42,630 --> 02:39:40,880

tacos

4007

02:39:43,830 --> 02:39:42,640

it's like a deez in front of the tea

4008

02:39:48,230 --> 02:39:43,840

tacos

4009

02:39:50,389 --> 02:39:48,240

okay we're gonna wait until we get some

4010

02:39:52,310 --> 02:39:50,399

carnitas we're gonna go live until it

4011

02:39:59,960 --> 02:39:52,320

goes

4012

02:39:59,970 --> 02:40:13,510

[Music]

4013

02:40:19,510 --> 02:40:16,309

what is that like oh [\h__\h] like guys

4014

02:40:25,750 --> 02:40:22,870

i mean we just found out about the guy

4015

02:40:28,230 --> 02:40:26,730

i've known about him

4016

02:40:30,389 --> 02:40:28,240

[Laughter]

4017

02:40:31,910 --> 02:40:30,399

i've known about him hey

4018

02:40:34,469 --> 02:40:31,920

tacos

4019

02:40:36,710 --> 02:40:34,479

even if you don't know who he is even

4020

02:40:38,630 --> 02:40:36,720

more of a reason every time all you have

4021

02:40:40,469 --> 02:40:38,640

to know is that richie party's hard

4022

02:40:42,070 --> 02:40:40,479

richie parties we want to party that's

4023

02:40:43,990 --> 02:40:42,080

all we want to do we want to party with

4024

02:40:47,990 --> 02:40:44,000

him we just won one night

4025

02:40:51,030 --> 02:40:48,000

we want to party with richie dolan dude

4026

02:40:52,469 --> 02:40:51,040

when he comes up if he comes on the show

4027

02:40:53,670 --> 02:40:52,479

we should be like what are you doing

4028

02:40:56,389 --> 02:40:53,680

next weekend dude where are you going to

4029

02:40:59,349 --> 02:40:57,349

like well i'm going to be at my house

4030

02:41:00,469 --> 02:40:59,359

right now we're going to be it's very

4031

02:41:02,389 --> 02:41:00,479

very we're going to be doing some

4032

02:41:04,630 --> 02:41:02,399

research and it's gonna be great i mean

4033

02:41:06,150 --> 02:41:04,640

it's it's it's gonna be a wild time

4034

02:41:10,710 --> 02:41:06,160

we've got some games we've got some wine

4035

02:41:16,469 --> 02:41:14,830

very popular matrix uh film franchise

4036

02:41:20,469 --> 02:41:16,479

and

4037

02:41:24,630 --> 02:41:22,389

oh dude this is gold man i'm so happy

4038

02:41:26,230 --> 02:41:24,640

i'm so glad we got something i know uh

4039

02:41:27,670 --> 02:41:26,240

how many retweets do we have next we're

4040

02:41:29,269 --> 02:41:27,680

still at six we need one more let's get

4041

02:41:31,510 --> 02:41:29,279

seven let's get seven we'll call this

4042

02:41:32,950 --> 02:41:31,520

quits let's do tin we'll call it ten and

4043

02:41:34,309 --> 02:41:32,960

we'll call it quits

4044

02:41:36,230 --> 02:41:34,319

i do have to pee again though so you're

4045

02:41:37,990 --> 02:41:36,240

gonna have to carry this thing

4046

02:41:40,150 --> 02:41:38,000

back i have to pee dude

4047

02:41:41,510 --> 02:41:40,160

well i p you go p i'll hold the four

4048

02:41:43,490 --> 02:41:41,520

down

4049

02:41:47,670 --> 02:41:43,500

i have to poop

4050

02:41:51,349 --> 02:41:49,750

i'm not i'm not i'm not gonna back out

4051
02:41:53,030 --> 02:41:51,359
of this live stream until we get 10

4052
02:41:54,790 --> 02:41:53,040
retweets

4053
02:41:56,150 --> 02:41:54,800
i have to take a really long peek is

4054
02:41:57,670 --> 02:41:56,160
what i meant to say

4055
02:41:59,190 --> 02:41:57,680
you already you already told us that you

4056
02:42:01,190 --> 02:41:59,200
have the food so everybody's gonna be

4057
02:42:02,870 --> 02:42:01,200
thinking it

4058
02:42:04,950 --> 02:42:02,880
oh god dude

4059
02:42:06,950 --> 02:42:04,960
post up your email address and your

4060
02:42:11,349 --> 02:42:06,960
driver's license

4061
02:42:13,990 --> 02:42:11,359
social security number

4062
02:42:16,630 --> 02:42:14,000
oh we got seven bro we're three away

4063
02:42:19,110 --> 02:42:16,640

thank you for that seventh retweet my

4064

02:42:20,230 --> 02:42:19,120

friend my camaraderie

4065

02:42:21,429 --> 02:42:20,240

um

4066

02:42:24,070 --> 02:42:21,439

comrade

4067

02:42:25,750 --> 02:42:24,080

as the singular term take a minute a 20

4068

02:42:27,670 --> 02:42:25,760

minute break and come back for round two

4069

02:42:28,710 --> 02:42:27,680

of the episode oh that's not a bad idea

4070

02:42:30,950 --> 02:42:28,720

chad

4071

02:42:32,309 --> 02:42:30,960

love that [h__\h]

4072

02:42:35,110 --> 02:42:32,319

well what should we do should we zoom in

4073

02:42:36,870 --> 02:42:35,120

on nibbler while she sleeps for the the

4074

02:42:39,429 --> 02:42:36,880

i i like the idea of taking a little

4075

02:42:41,110 --> 02:42:39,439

like five minute break

4076

02:42:43,030 --> 02:42:41,120

but i want to keep this thing going you

4077

02:42:44,469 --> 02:42:43,040

know keep the uh keep the energy alive

4078

02:42:47,110 --> 02:42:44,479

what we're trying to do is party no one

4079

02:42:48,230 --> 02:42:47,120

takes a break partying dude

4080

02:42:50,150 --> 02:42:48,240

like what if you're at a party and

4081

02:42:52,710 --> 02:42:50,160

everybody was like you know what

4082

02:42:55,510 --> 02:42:52,720

everybody we're having a great time

4083

02:42:57,110 --> 02:42:55,520

tammy love the music love that track

4084

02:42:58,950 --> 02:42:57,120

let's take a nap

4085

02:43:01,750 --> 02:42:58,960

five minute nap quick

4086

02:43:03,830 --> 02:43:01,760

come back fresh all of us

4087

02:43:06,070 --> 02:43:03,840

we're gonna have fun trust me everybody

4088

02:43:08,950 --> 02:43:06,080

just shut up shut the [h__h] up take a

4089

02:43:10,710 --> 02:43:08,960

five minute break a little nap i need i

4090

02:43:12,550 --> 02:43:10,720

need a nappy poo

4091

02:43:15,349 --> 02:43:12,560

talking about taking a break for five

4092

02:43:16,630 --> 02:43:15,359

minutes dude naps are for sissies dude

4093

02:43:17,830 --> 02:43:16,640

well i mean like if you if you showed up

4094

02:43:19,750 --> 02:43:17,840

to a party

4095

02:43:21,349 --> 02:43:19,760

and enforced and enforced a five minute

4096

02:43:23,349 --> 02:43:21,359

nap on everyone

4097

02:43:25,110 --> 02:43:23,359

that'll be that'd be awesome right

4098

02:43:26,550 --> 02:43:25,120

no

4099

02:43:27,269 --> 02:43:26,560

but i like the idea of taking a break

4100

02:43:29,510 --> 02:43:27,279

though

4101

02:43:32,469 --> 02:43:29,520

i got like a commercial break

4102

02:43:34,630 --> 02:43:32,479

ah so we should play some more uh some

4103

02:43:36,870 --> 02:43:34,640

more uh one track but i get a little t

4104

02:43:37,830 --> 02:43:36,880

is what we should do i don't know how to

4105

02:43:39,910 --> 02:43:37,840

do that

4106

02:43:41,429 --> 02:43:39,920

ben's the button guy he pushes all the

4107

02:43:45,670 --> 02:43:41,439

buttons around here

4108

02:43:47,990 --> 02:43:45,680

um and uh and you know i just you know

4109

02:43:49,990 --> 02:43:48,000

i just show up and uh and do some

4110

02:43:53,429 --> 02:43:50,000

talking take 20 minute break and come

4111

02:43:56,230 --> 02:43:53,439

back for round two of the episode dude

4112

02:43:57,110 --> 02:43:56,240

i don't know man that sounds it sounds

4113

02:44:04,790 --> 02:43:57,120

cool

4114

02:44:09,590 --> 02:44:07,910

do microwave bacon black dragon just out

4115

02:44:13,269 --> 02:44:09,600

of curiosity

4116

02:44:15,830 --> 02:44:13,279

i personally frown upon it

4117

02:44:17,269 --> 02:44:15,840

but when you want some quick bacon

4118

02:44:19,590 --> 02:44:17,279

i guess it works

4119

02:44:21,510 --> 02:44:19,600

i still kind of frown upon it but uh

4120

02:44:23,190 --> 02:44:21,520

dude i'm you know i'm an old school

4121

02:44:25,269 --> 02:44:23,200

bacon guy

4122

02:44:27,830 --> 02:44:25,279

i like to go and uh

4123

02:44:31,750 --> 02:44:27,840

cut it right off the pig

4124

02:44:34,230 --> 02:44:31,760

cut slices and and and uh you know

4125

02:44:36,950 --> 02:44:34,240

never yeah yeah no never never i don't i

4126

02:44:40,790 --> 02:44:36,960

don't agree with it either

4127

02:44:43,670 --> 02:44:40,800

dude chad smith go for some bacon

4128

02:44:46,469 --> 02:44:43,680

i agree oh here's another bacon question

4129

02:44:49,670 --> 02:44:46,479

do you like really really crunchy bacon

4130

02:44:51,750 --> 02:44:49,680

or do you like prefer like softer

4131

02:44:57,190 --> 02:44:51,760

bacon or do you like it like kind of

4132

02:45:01,590 --> 02:44:58,950

bobble heads bobble heads are a great

4133

02:45:03,910 --> 02:45:01,600

idea i'm terrible at this ben is way

4134

02:45:04,790 --> 02:45:03,920

better like when i leave he's way better

4135

02:45:07,269 --> 02:45:04,800

at it

4136

02:45:09,349 --> 02:45:07,279

actually i don't know because i can't

4137

02:45:10,150 --> 02:45:09,359

hear him when i leave so you guys tell

4138

02:45:11,750 --> 02:45:10,160

me

4139

02:45:12,710 --> 02:45:11,760

ben's way better at this right like

4140

02:45:17,510 --> 02:45:12,720

whenever

4141

02:45:20,150 --> 02:45:17,520

even know what to say

4142

02:45:22,710 --> 02:45:20,160

chad i'm i agree man i i like uh i like

4143

02:45:24,230 --> 02:45:22,720

a little bit softer bacon as well i

4144

02:45:26,790 --> 02:45:24,240

don't believe in that crunchy [h__h] like

4145

02:45:28,630 --> 02:45:26,800

i feel like it loses too much flavor

4146

02:45:30,710 --> 02:45:28,640

like when somebody's like bacon's ready

4147

02:45:33,110 --> 02:45:30,720

it's like oh man it's so crunchy i can't

4148

02:45:35,590 --> 02:45:33,120

even taste it right

4149

02:45:39,670 --> 02:45:35,600

dave's got breakfast for dinner he will

4150

02:45:43,349 --> 02:45:39,680

frown upon that sir but i agree

4151

02:45:46,230 --> 02:45:43,359

crispy and more bacon

4152

02:45:47,670 --> 02:45:46,240

ben was trying to make us take a nap

4153

02:45:49,910 --> 02:45:47,680

sonny

4154

02:45:51,349 --> 02:45:49,920

i was like i was like

4155

02:45:53,269 --> 02:45:51,359

i feel like i'm terrible at this i think

4156

02:45:54,790 --> 02:45:53,279

ben's way better like whenever i leave

4157

02:45:56,469 --> 02:45:54,800

he does a way a better job than when he

4158

02:45:59,030 --> 02:45:56,479

leaves and sonny was like he was trying

4159

02:46:01,190 --> 02:45:59,040

to make us take a nap

4160

02:46:02,950 --> 02:46:01,200

everybody shut the [h__h] up and take it

4161

02:46:05,110 --> 02:46:02,960

oh we're back down to saddle we get back

4162

02:46:07,670 --> 02:46:05,120

to school we were at seven why don't we

4163

02:46:09,429 --> 02:46:07,680

have six now oh which one which one of

4164

02:46:14,150 --> 02:46:09,439

you guys retracted your we choice which

4165

02:46:17,190 --> 02:46:16,309

all right i feel betrayed

4166

02:46:21,750 --> 02:46:17,200

all right

4167

02:46:22,950 --> 02:46:21,760

everyone for that for for the idiot who

4168

02:46:26,540 --> 02:46:22,960

did that

4169

02:46:27,710 --> 02:46:26,550

what a dumb stupid idiot

4170

02:46:31,190 --> 02:46:27,720

[Music]

4171

02:46:33,030 --> 02:46:31,200

[Laughter]

4172

02:46:35,360 --> 02:46:33,040

dude we should just create four twitter

4173

02:46:37,830 --> 02:46:35,370

accounts

4174

02:46:39,110 --> 02:46:37,840

[Laughter]

4175

02:46:41,670 --> 02:46:39,120

we're not going to end this live until

4176

02:46:48,309 --> 02:46:41,680

we get 10. oh god

4177

02:46:52,389 --> 02:46:50,389

it's going to be firm not floppy i don't

4178

02:46:53,590 --> 02:46:52,399

know if that's referring to dan but i

4179

02:46:55,670 --> 02:46:53,600

like it

4180

02:46:58,469 --> 02:46:55,680

oh bacon that's what it is i'm such an

4181

02:47:02,230 --> 02:47:00,469

copy link to tweet i'm posting by the

4182

02:47:04,830 --> 02:47:02,240

way where's the twitter dude it's on

4183

02:47:08,150 --> 02:47:04,840

twitter dude what do you mean it's on

4184

02:47:10,710 --> 02:47:08,160

twitter there it is click it yeah but it

4185

02:47:12,230 --> 02:47:10,720

doesn't show our on our profile though

4186

02:47:16,950 --> 02:47:12,240

it's weird like

4187

02:47:16,960 --> 02:47:20,070

hmm

4188

02:47:25,349 --> 02:47:23,110

i love seeing his pictures

4189

02:47:27,030 --> 02:47:25,359

oh no way dude richard dolan has the

4190

02:47:28,710 --> 02:47:27,040

same thing that we had when we first

4191

02:47:30,710 --> 02:47:28,720

started the podcast

4192

02:47:34,469 --> 02:47:30,720

that's the same photo it's the same spot

4193

02:47:37,190 --> 02:47:34,479

it's the same photo oh my god dude

4194

02:47:38,710 --> 02:47:37,200

speculating about alien psychology yep

4195

02:47:40,309 --> 02:47:38,720

he's gonna be a perfect fit for this

4196

02:47:41,590 --> 02:47:40,319

show i actually watched that was it like

4197

02:47:44,230 --> 02:47:41,600

i watched like 30 minutes of it it was

4198

02:47:45,190 --> 02:47:44,240

really good oh i'm sure it is he's good

4199

02:47:48,550 --> 02:47:45,200

man

4200

02:47:49,830 --> 02:47:48,560

i want him on the freaking pancakes

4201

02:47:52,870 --> 02:47:49,840

we still have six all right we're still

4202

02:47:56,950 --> 02:47:52,880

at six all right we got 26 people in

4203

02:48:02,950 --> 02:48:00,309

uh we need some help you guys sonny find

4204

02:48:04,550 --> 02:48:02,960

us on twitter

4205

02:48:06,630 --> 02:48:04,560

just retweet it

4206

02:48:08,550 --> 02:48:06,640

it's not gonna it's not like we're like

4207

02:48:10,870 --> 02:48:08,560

charging it's not gonna charge you money

4208

02:48:13,170 --> 02:48:10,880

to do it just do it

4209

02:48:14,710 --> 02:48:13,180

help us out man

4210

02:48:19,190 --> 02:48:14,720

[Music]

4211

02:48:23,030 --> 02:48:21,269

oh we got a seven one yes yes we just

4212

02:48:23,990 --> 02:48:23,040

got another one nice

4213

02:48:25,349 --> 02:48:24,000

let's maybe

4214

02:48:28,230 --> 02:48:25,359

keep that momentum maybe it was the

4215

02:48:33,910 --> 02:48:28,240

person who eight oh we got eight let's

4216

02:48:37,990 --> 02:48:36,230

keep that momentum we're up to 30. keep

4217

02:48:39,790 --> 02:48:38,000

that momentum so we've got 30 people in

4218

02:48:41,349 --> 02:48:39,800

here we got 30 people

4219

02:48:42,630 --> 02:48:41,359

alicia

4220

02:48:44,469 --> 02:48:42,640

what's up

4221

02:48:46,070 --> 02:48:44,479

girl

4222

02:48:47,750 --> 02:48:46,080

all right for you guys that are new

4223

02:48:49,750 --> 02:48:47,760

we're tweeting it richard dolan we want

4224

02:48:51,110 --> 02:48:49,760

to get him on the podcast we've tweeted

4225

02:48:53,590 --> 02:48:51,120

it we twatted at them if you have a

4226

02:48:55,030 --> 02:48:53,600

twitter please retweet

4227

02:48:56,870 --> 02:48:55,040

our [h__\h]

4228

02:48:59,349 --> 02:48:56,880

we're trying to get to 10. as soon as we

4229

02:49:01,510 --> 02:48:59,359

get 10 we can go you guys don't have to

4230

02:49:04,070 --> 02:49:01,520

listen to us chad smith would we ever

4231

02:49:06,309 --> 02:49:04,080

consider having graham hancock if you

4232

02:49:09,110 --> 02:49:06,319

get a hold of him

4233

02:49:11,750 --> 02:49:09,120

oh yeah yeah

4234

02:49:13,590 --> 02:49:11,760

do you know him yeah

4235

02:49:16,389 --> 02:49:13,600

i know i love that dude to you i think

4236

02:49:18,070 --> 02:49:16,399

he's awesome i i freaking love graham

4237

02:49:21,510 --> 02:49:18,080

hancock dude dude

4238

02:49:25,750 --> 02:49:23,910

i was gonna say so stupid

4239

02:49:27,429 --> 02:49:25,760

uh one thing that i really enjoy oh we

4240

02:49:29,590 --> 02:49:27,439

got nine we got nine

4241

02:49:31,750 --> 02:49:29,600

sorry excited we're never gonna count

4242

02:49:33,349 --> 02:49:31,760

this podcast until we get to 20. we need

4243

02:49:35,670 --> 02:49:33,359

one more [h__\h]

4244

02:49:38,389 --> 02:49:35,680

now we have but now we have 31 people in

4245

02:49:40,710 --> 02:49:38,399

here right 31 out of 31 people how many

4246

02:49:43,429 --> 02:49:40,720

have twitter so one question i have i

4247

02:49:44,950 --> 02:49:43,439

would have for graham hancock is

4248

02:49:46,630 --> 02:49:44,960

that that thing that i wrote down in my

4249

02:49:49,110 --> 02:49:46,640

notes is that

4250

02:49:50,389 --> 02:49:49,120

if you were to ask

4251
02:49:56,389 --> 02:49:50,399
all the

4252
02:49:59,349 --> 02:49:56,399
move the pyramids the ancient you know

4253
02:50:01,190 --> 02:49:59,359
the great pyramids one foot to the right

4254
02:50:03,750 --> 02:50:01,200
and that question of like well why why

4255
02:50:05,670 --> 02:50:03,760
would we do that and once you get past

4256
02:50:08,309 --> 02:50:05,680
of like that's always the first question

4257
02:50:10,710 --> 02:50:08,319
right like i don't know i hope this like

4258
02:50:12,230 --> 02:50:10,720
kind of resonates with somebody but

4259
02:50:13,750 --> 02:50:12,240
that first question always like why

4260
02:50:15,990 --> 02:50:13,760
that's dumb why would you move the great

4261
02:50:17,990 --> 02:50:16,000
pyramids one foot to the right but the

4262
02:50:19,990 --> 02:50:18,000
real question is

4263
02:50:22,309 --> 02:50:20,000

can could you do that if you ask the

4264

02:50:24,230 --> 02:50:22,319

best nations in the world with the with

4265

02:50:26,550 --> 02:50:24,240

the best machines and the the brightest

4266

02:50:28,710 --> 02:50:26,560

minds could they even do it

4267

02:50:31,750 --> 02:50:28,720

and i i would i would say the next

4268

02:50:33,830 --> 02:50:31,760

question would be well well why like why

4269

02:50:35,830 --> 02:50:33,840

would we even do that and if it gave if

4270

02:50:37,670 --> 02:50:35,840

you gave an answer of like just because

4271

02:50:39,670 --> 02:50:37,680

like nothing would be done but if you

4272

02:50:41,670 --> 02:50:39,680

gave him a really good answer like if

4273

02:50:43,510 --> 02:50:41,680

you don't move the great pyramids one

4274

02:50:44,469 --> 02:50:43,520

foot to the right the

4275

02:50:47,030 --> 02:50:44,479

uh

4276

02:50:48,710 --> 02:50:47,040

the balance of the universe or of of of

4277

02:50:50,550 --> 02:50:48,720

the earth would would go in a tilt and

4278

02:50:53,830 --> 02:50:50,560

the poles would shift so if you get

4279

02:50:56,389 --> 02:50:53,840

grave gave a good reason to do that

4280

02:50:58,630 --> 02:50:56,399

then could we even

4281

02:51:00,870 --> 02:50:58,640

move the pyramids one foot to the right

4282

02:51:02,150 --> 02:51:00,880

with all of our [h__h] today all of our

4283

02:51:03,830 --> 02:51:02,160

technology

4284

02:51:05,990 --> 02:51:03,840

i don't think so man i don't think we

4285

02:51:06,870 --> 02:51:06,000

could i told you the answer earlier what

4286

02:51:11,269 --> 02:51:06,880

is it

4287

02:51:11,279 --> 02:51:15,110

what's the answer

4288

02:51:20,230 --> 02:51:17,830

we won't even go there alicia says so

4289

02:51:22,469 --> 02:51:20,240

[\h__\h] waffles and bacon i'm always down

4290

02:51:25,429 --> 02:51:22,479

to eat a [\h__\h] waffle and a bacon

4291

02:51:27,910 --> 02:51:25,439

actually no i've seen a blue waffle

4292

02:51:35,110 --> 02:51:27,920

photo i'm not a fan of it i would not

4293

02:51:38,870 --> 02:51:37,349

it sounded good the way you you uh you

4294

02:51:39,990 --> 02:51:38,880

presented it

4295

02:51:41,269 --> 02:51:40,000

with a

4296

02:51:42,469 --> 02:51:41,279

waffle

4297

02:51:45,510 --> 02:51:42,479

there

4298

02:51:47,190 --> 02:51:45,520

i like waffles i'm not gonna lie yeah uh

4299

02:51:51,990 --> 02:51:47,200

flashforward asks if your fence got

4300

02:51:56,309 --> 02:51:54,150

someone's a [\h__\h]

4301
02:51:57,910 --> 02:51:56,319
willie says i can move my willy one foot

4302
02:52:00,469 --> 02:51:57,920
to the right

4303
02:52:02,950 --> 02:52:00,479
hey can you uh

4304
02:52:03,910 --> 02:52:02,960
can you do a [\h__\h] push-up

4305
02:52:06,309 --> 02:52:03,920
what's that

4306
02:52:08,150 --> 02:52:06,319
it's it's it's where you [\h__\h]

4307
02:52:11,110 --> 02:52:08,160
lay down on the ground and and push

4308
02:52:12,830 --> 02:52:11,120
yourself up with your cot

4309
02:52:15,510 --> 02:52:12,840
like at

4310
02:52:19,990 --> 02:52:15,520
will yeah i could do that i could do

4311
02:52:23,269 --> 02:52:20,000
that how far up up off the ground

4312
02:52:25,110 --> 02:52:23,279
i mean the length of your [\h__\h]

4313
02:52:27,670 --> 02:52:25,120

oh it's only like half an inch so that's

4314

02:52:30,070 --> 02:52:27,680

good easy no problem easy no problem

4315

02:52:33,830 --> 02:52:30,080

dude yeah yeah dude chad smith uh

4316

02:52:35,750 --> 02:52:33,840

hancock on the show would be awesome

4317

02:52:39,190 --> 02:52:35,760

how dude i would i wouldn't even know

4318

02:52:40,710 --> 02:52:39,200

like where to start with that like hello

4319

02:52:43,990 --> 02:52:40,720

mr cram

4320

02:52:49,910 --> 02:52:46,870

hello mr graham hancock sir graham how

4321

02:52:54,550 --> 02:52:50,950

what are you

4322

02:52:57,190 --> 02:52:54,560

mr graham

4323

02:52:58,950 --> 02:52:57,200

okay guys we're at nine one more one

4324

02:53:01,030 --> 02:52:58,960

more and we can we can you know put this

4325

02:53:03,670 --> 02:53:01,040

to bed i'm tired of i'm tired of it

4326

02:53:06,630 --> 02:53:03,680

let's just do one more uh retweet come

4327

02:53:09,670 --> 02:53:06,640

on guys help us out come on

4328

02:53:11,750 --> 02:53:09,680

uno mas we need one more retweet to get

4329

02:53:15,429 --> 02:53:11,760

to 10. we've got 10 likes

4330

02:53:17,830 --> 02:53:15,439

but someone retracted their retweet

4331

02:53:19,429 --> 02:53:17,840

so we need one more retweet

4332

02:53:21,990 --> 02:53:19,439

one more

4333

02:53:22,870 --> 02:53:22,000

we're i'm not going to let it go

4334

02:53:26,710 --> 02:53:22,880

also

4335

02:53:29,190 --> 02:53:26,720

yeah yeah chad retweet our uh zero apr

4336

02:53:33,190 --> 02:53:29,200

until midnight yep zero down zero down

4337

02:53:36,150 --> 02:53:33,200

zero apr just kim freakin did man

4338

02:53:38,150 --> 02:53:36,160

i'll tell you what man hey

4339

02:53:40,710 --> 02:53:38,160

hey tell beverly to get her dog out the

4340

02:53:43,750 --> 02:53:41,670

hey

4341

02:53:45,910 --> 02:53:43,760

man you'll get that dog out the house

4342

02:53:51,750 --> 02:53:45,920

hey y'all hey y'all get that damn dog

4343

02:53:56,710 --> 02:53:54,950

hey hey becky becky hey tell them kids

4344

02:53:59,110 --> 02:53:56,720

get that dog out there hey y'all quiet

4345

02:54:01,429 --> 02:53:59,120

down now i'm trying to do i'm on live on

4346

02:54:03,269 --> 02:54:01,439

radio right now trying to watch wheel of

4347

02:54:04,790 --> 02:54:03,279

fortune [h__h]

4348

02:54:07,670 --> 02:54:04,800

drink his beer

4349

02:54:10,550 --> 02:54:07,680

hey man get it vanna why i don't i don't

4350

02:54:11,590 --> 02:54:10,560

complain i don't ask for much i come

4351
02:54:13,590 --> 02:54:11,600
home

4352
02:54:15,990 --> 02:54:13,600
steve myers today we should look up

4353
02:54:17,990 --> 02:54:16,000
steve myers that damn dog on the damn

4354
02:54:20,070 --> 02:54:18,000
couch that's my spot back dragon you

4355
02:54:21,750 --> 02:54:20,080
might need to try your old account put

4356
02:54:24,630 --> 02:54:21,760
us over

4357
02:54:26,630 --> 02:54:24,640
and then send us a a selfie pic of of

4358
02:54:30,309 --> 02:54:26,640
you and and you will become the new a

4359
02:54:32,870 --> 02:54:30,319
new member of to the farts academy yes

4360
02:54:34,790 --> 02:54:32,880
oh yes all entries for the to the farts

4361
02:54:37,590 --> 02:54:34,800
academy if you would like to be a part

4362
02:54:41,830 --> 02:54:37,600
of the you know uh the university the

4363
02:54:42,710 --> 02:54:41,840

the coven or the uh uh not the coven the

4364

02:54:44,469 --> 02:54:42,720

what

4365

02:54:49,190 --> 02:54:44,479

the

4366

02:54:49,910 --> 02:54:49,200

circle of men and women

4367

02:54:52,630 --> 02:54:49,920

uh

4368

02:54:55,030 --> 02:54:52,640

to the farts academy of arts and science

4369

02:54:57,349 --> 02:54:55,040

the academy of farts and science if you

4370

02:55:00,830 --> 02:54:57,359

would like to be a part of it uh email

4371

02:55:02,710 --> 02:55:00,840

us at hay ufo hey at ufo

4372

02:55:06,150 --> 02:55:02,720

garagepodcast.com that's our email

4373

02:55:08,630 --> 02:55:06,160

address say your name and your uh

4374

02:55:11,110 --> 02:55:08,640

sorority yes thank you tammy uh state

4375

02:55:13,910 --> 02:55:11,120

your name and your preferred position

4376

02:55:18,150 --> 02:55:13,920

we're open to all positions

4377

02:55:21,190 --> 02:55:18,160

honestly like missionary doggy

4378

02:55:23,429 --> 02:55:21,200

the the wheelbarrow well mine is chief

4379

02:55:26,150 --> 02:55:23,439

what is it mine's chief poot scientist

4380

02:55:29,269 --> 02:55:26,160

yeah yeah it is um

4381

02:55:33,030 --> 02:55:29,279

researching uh all wafted and sniff

4382

02:55:37,510 --> 02:55:34,950

oh we're back down oh we're at eight oh

4383

02:55:39,190 --> 02:55:37,520

my god who did it we got two retractions

4384

02:55:41,110 --> 02:55:39,200

all right one of you one of you is is

4385

02:55:43,030 --> 02:55:41,120

tweeting and retracting the tweet which

4386

02:55:45,190 --> 02:55:43,040

one of you is it i'm gonna need you to

4387

02:55:47,670 --> 02:55:45,200

email us

4388

02:55:50,150 --> 02:55:47,680

yeah tell us why i'm i'm going to send

4389

02:55:53,349 --> 02:55:50,160

you a very strongly worded letter

4390

02:55:55,590 --> 02:55:53,359

i promise i will i'll do it

4391

02:55:58,950 --> 02:55:55,600

um okay well hey you know what i

4392

02:56:00,710 --> 02:55:58,960

appreciate everybody who retreat read

4393

02:56:04,150 --> 02:56:00,720

damn it what is wrong with you dude you

4394

02:56:06,630 --> 02:56:04,160

can't say words right retweeted it thank

4395

02:56:09,429 --> 02:56:06,640

you i'm gonna i'm i'm giving up are are

4396

02:56:12,950 --> 02:56:09,439

people leaving messages

4397

02:56:15,429 --> 02:56:12,960

uh yeah i think there's replies

4398

02:56:16,950 --> 02:56:15,439

is one of them richie i don't know well

4399

02:56:19,190 --> 02:56:16,960

[h__\h] hold on

4400

02:56:21,830 --> 02:56:19,200

see i don't understand twitter here we

4401
02:56:24,150 --> 02:56:21,840
go it works like

4402
02:56:28,309 --> 02:56:24,160
hey yes yes

4403
02:56:32,710 --> 02:56:28,319
that's a full gift yes richie

4404
02:56:36,710 --> 02:56:32,720
oh my god y'all are amazing oh dude

4405
02:56:37,990 --> 02:56:36,720
let's have his oh my god

4406
02:56:39,670 --> 02:56:38,000
that's great

4407
02:56:43,030 --> 02:56:39,680
damn it okay

4408
02:56:44,309 --> 02:56:43,040
well we we tried oh okay we're back up

4409
02:56:46,070 --> 02:56:44,319
to nine

4410
02:56:48,309 --> 02:56:46,080
yes

4411
02:56:51,110 --> 02:56:48,319
we we've had in the course of this like

4412
02:56:52,469 --> 02:56:51,120
12 total and then people keep retreat

4413
02:56:55,910 --> 02:56:52,479

how do you reach

4414

02:56:57,030 --> 02:56:55,920

dwack to tweet you can't talk i can't

4415

02:56:58,550 --> 02:56:57,040

talk

4416

02:57:00,070 --> 02:56:58,560

all right what if you guys play with our

4417

02:57:02,870 --> 02:57:00,080

emotions dude

4418

02:57:05,429 --> 02:57:02,880

yeah y'all are like

4419

02:57:07,510 --> 02:57:05,439

tickling my third nipple

4420

02:57:08,710 --> 02:57:07,520

it's so small sonny says you guys sound

4421

02:57:10,790 --> 02:57:08,720

like you were making fun of me i was

4422

02:57:12,630 --> 02:57:10,800

just yelling at the kids to get the dog

4423

02:57:14,389 --> 02:57:12,640

from being in the house

4424

02:57:17,670 --> 02:57:14,399

hey

4425

02:57:19,910 --> 02:57:17,680

y'all get that dog out the damn house

4426

02:57:21,269 --> 02:57:19,920

y'all get this dog did you feed him did

4427

02:57:23,269 --> 02:57:21,279

y'all feed the dogs don't feed them

4428

02:57:27,110 --> 02:57:23,279

though [h__h] hey depend on you for

4429

02:57:32,870 --> 02:57:29,429

which dog is this man that dog his

4430

02:57:34,550 --> 02:57:32,880

name's dong he's a work dog oh dude chad

4431

02:57:37,429 --> 02:57:34,560

said he went in the slr chat and asked

4432

02:57:38,550 --> 02:57:37,439

them to retweet oh [h__h]

4433

02:57:42,230 --> 02:57:38,560

yeah

4434

02:57:44,950 --> 02:57:42,240

i love that so much oh my god yes

4435

02:57:47,030 --> 02:57:44,960

i love chad smith i love jasmine let's

4436

02:57:49,349 --> 02:57:47,040

reach out to ufo twitter

4437

02:57:51,830 --> 02:57:49,359

excuse me ufo twitter excuse excuse me

4438

02:57:53,349 --> 02:57:51,840

excuse me excuse me what are you guys

4439

02:57:54,790 --> 02:57:53,359

doing

4440

02:57:57,190 --> 02:57:54,800

also

4441

02:58:00,309 --> 02:57:57,200

can you retweet this tweet to tweet to

4442

02:58:01,830 --> 02:58:00,319

the dolan and tweet yeah

4443

02:58:05,269 --> 02:58:01,840

people would

4444

02:58:08,550 --> 02:58:05,279

do it it might help right hey

4445

02:58:12,469 --> 02:58:08,560

mr lulzando sir hey

4446

02:58:16,389 --> 02:58:12,479

mr sir mr sir elizondo first off first

4447

02:58:16,399 --> 02:58:19,990

what are you doing what are you doing

4448

02:58:25,830 --> 02:58:22,389

dave said good

4449

02:58:30,389 --> 02:58:28,389

oh my god oh my god dude this is

4450

02:58:33,030 --> 02:58:30,399

hilarious this is so funny y'all are so

4451

02:58:33,830 --> 02:58:33,040

funny oh my god this little this little

4452

02:58:35,429 --> 02:58:33,840

uh

4453

02:58:37,990 --> 02:58:35,439

flash forward hey good night dude hey

4454

02:58:39,750 --> 02:58:38,000

thanks thanks for the the retwy

4455

02:58:42,790 --> 02:58:39,760

appreciate it that's awesome appreciate

4456

02:58:44,230 --> 02:58:42,800

that gift was uh phenomenal

4457

02:58:47,269 --> 02:58:44,240

um okay

4458

02:58:48,389 --> 02:58:47,279

order of business what is our

4459

02:58:49,190 --> 02:58:48,399

what are

4460

02:58:51,190 --> 02:58:49,200

uh

4461

02:58:53,429 --> 02:58:51,200

we should state the requirements for the

4462

02:58:55,190 --> 02:58:53,439

uh uh to the farts academy just real

4463

02:58:56,469 --> 02:58:55,200

quick yeah you gotta send us an email

4464

02:59:06,860 --> 02:58:56,479

yeah

4465

02:59:06,870 --> 02:59:12,710

[Laughter]

4466

02:59:16,309 --> 02:59:14,309

so if you guys weren't here at the

4467

02:59:18,469 --> 02:59:16,319

beginning of the show um

4468

02:59:21,190 --> 02:59:18,479

this is our last episode

4469

02:59:24,630 --> 02:59:21,200

uh as the ufo garage podcast it's so

4470

02:59:26,389 --> 02:59:24,640

great to have you on our last episode

4471

02:59:29,030 --> 02:59:26,399

and uh it's been it's been great it's

4472

02:59:32,550 --> 02:59:29,040

been a fun time and we we've made

4473

02:59:38,150 --> 02:59:35,670

it's our last episode in the studio

4474

02:59:40,469 --> 02:59:38,160

not our last episode ever so

4475

02:59:43,269 --> 02:59:40,479

i just retweeted for nothing i did yeah

4476

02:59:49,110 --> 02:59:45,670

so it's our last episode in the studio

4477

02:59:50,870 --> 02:59:49,120

we are uh taking uh i'm having a baby um

4478

02:59:52,469 --> 02:59:50,880

a little girl he's gonna be born a

4479

02:59:54,610 --> 02:59:52,479

couple weeks coming out of his butt

4480

02:59:57,190 --> 02:59:54,620

coming out of my uh

4481

02:59:59,590 --> 02:59:57,200

[Laughter]

4482

03:00:02,070 --> 02:59:59,600

and we're gonna we're gonna be safe and

4483

03:00:03,590 --> 03:00:02,080

uh you know we're not we're not i'm not

4484

03:00:06,630 --> 03:00:03,600

we're not going to the grocery store

4485

03:00:09,269 --> 03:00:06,640

we're not seeing no my mom is basically

4486

03:00:11,190 --> 03:00:09,279

ben and his wife think i'm dirty

4487

03:00:13,429 --> 03:00:11,200

i didn't say it i'm not loud

4488

03:00:14,870 --> 03:00:13,439

it's all about you

4489

03:00:17,510 --> 03:00:14,880

it's all for you dude it's only because

4490

03:00:19,190 --> 03:00:17,520

i show up after work or i show up to do

4491

03:00:20,309 --> 03:00:19,200

work yeah at ben's house don't dig in

4492

03:00:22,710 --> 03:00:20,319

the dirt somewhere

4493

03:00:25,349 --> 03:00:22,720

it's not my fault all right you

4494

03:00:28,150 --> 03:00:25,359

very rarely see me clean you know what

4495

03:00:30,150 --> 03:00:28,160

you never smell bad i honestly smell

4496

03:00:31,990 --> 03:00:30,160

worse than you do

4497

03:00:34,070 --> 03:00:32,000

i'm sitting here in my dude's soup all

4498

03:00:35,750 --> 03:00:34,080

day that's you know the secret to that

4499

03:00:39,110 --> 03:00:35,760

right it's uh

4500

03:00:41,110 --> 03:00:39,120

whataburger don't take baths

4501

03:00:43,349 --> 03:00:41,120

david wilcock dude we got another

4502

03:00:45,110 --> 03:00:43,359

retract we're down to eight again back

4503

03:00:47,429 --> 03:00:45,120

from nine to eight all right

4504

03:00:48,389 --> 03:00:47,439

hey we tried we tried some people just

4505

03:00:50,630 --> 03:00:48,399

hate

4506

03:00:53,750 --> 03:00:50,640

uh anyway let's leave on a little

4507

03:00:55,670 --> 03:00:53,760

positive note uh this is our last

4508

03:00:58,309 --> 03:00:55,680

episode for a while in the studio we

4509

03:01:01,110 --> 03:00:58,319

will be back but we will be in our own

4510

03:01:03,269 --> 03:01:01,120

studio and not at my house

4511

03:01:06,389 --> 03:01:03,279

so that's coming up yeah that's pretty

4512

03:01:08,870 --> 03:01:06,399

exciting yeah so anybody that has some

4513

03:01:11,349 --> 03:01:08,880

cool ideas for backgrounds or like

4514

03:01:13,030 --> 03:01:11,359

or a studio or or if you could like

4515

03:01:15,590 --> 03:01:13,040

maybe give us a deal

4516

03:01:17,190 --> 03:01:15,600

on a studio in the central texas area

4517

03:01:18,950 --> 03:01:17,200

near austin

4518

03:01:21,990 --> 03:01:18,960

that would be cool

4519

03:01:23,510 --> 03:01:22,000

um chad thank you for the congrats tammy

4520

03:01:24,710 --> 03:01:23,520

thank you

4521

03:01:26,389 --> 03:01:24,720

um

4522

03:01:27,990 --> 03:01:26,399

anyway dude i

4523

03:01:29,510 --> 03:01:28,000

man

4524

03:01:32,830 --> 03:01:29,520

i just want to say

4525

03:01:37,910 --> 03:01:32,840

if you're looking to join the tsa

4526
03:01:42,389 --> 03:01:40,389
uh i was gonna go down like a heartfelt

4527
03:01:44,790 --> 03:01:42,399
moment but i stopped myself

4528
03:01:46,150 --> 03:01:44,800
all right yeah bobbleheads oh

4529
03:01:48,070 --> 03:01:46,160
bobbleheads that's a good idea we need

4530
03:01:49,510 --> 03:01:48,080
to have bobbleheads too you know we need

4531
03:01:52,389 --> 03:01:49,520
to actually pull the trigger on doing

4532
03:01:54,790 --> 03:01:52,399
the uh the

4533
03:02:00,710 --> 03:01:54,800
sedimentary levels that

4534
03:02:00,720 --> 03:02:03,670
so let

4535
03:02:22,790 --> 03:02:05,190
yeah we gotta what's the what's the

4536
03:02:22,800 --> 03:02:37,030
is

4537
03:02:37,040 --> 03:02:41,660
okay

4538
03:02:50,630 --> 03:02:48,550

[Music]

4539

03:02:52,150 --> 03:02:50,640

oh [h__h] but we can still do this one

4540

03:02:53,830 --> 03:02:52,160

it's a good one in the chrome right i

4541

03:02:58,060 --> 03:02:53,840

mean yeah

4542

03:02:58,070 --> 03:03:03,030

[Music]

4543

03:03:06,150 --> 03:03:04,150

you see that one right there that's

4544

03:03:07,910 --> 03:03:06,160

called a mashed potato

4545

03:03:11,830 --> 03:03:07,920

ah and he's gonna switch it to the camel

4546

03:03:13,670 --> 03:03:11,840

walk oh snap with the camera walk ah see

4547

03:03:18,710 --> 03:03:13,680

you later

4548

03:03:20,550 --> 03:03:18,720

[Music]

4549

03:03:26,630 --> 03:03:20,560

grand tavios do we ever do an after

4550

03:03:30,309 --> 03:03:28,790

thank you guys so much for all the super

4551
03:03:32,550 --> 03:03:30,319
chats

4552
03:03:35,510 --> 03:03:32,560
all the love all the retweets and

4553
03:03:37,990 --> 03:03:35,520
hanging out and all the retweet pizza

4554
03:03:39,429 --> 03:03:38,000
keep seeing treats

4555
03:03:41,110 --> 03:03:39,439
thank you all so much for all the super

4556
03:03:43,190 --> 03:03:41,120
chats and the sport and hanging out

4557
03:03:45,830 --> 03:03:43,200
tonight you guys another another

4558
03:03:47,030 --> 03:03:45,840
successful thirsty thursday thursday

4559
03:03:48,469 --> 03:03:47,040
dude yeah

4560
03:03:51,830 --> 03:03:48,479
um

4561
03:03:53,510 --> 03:03:51,840
guys as always it's been a pledge

4562
03:03:55,110 --> 03:03:53,520
i always say that that's my that's my

4563
03:03:56,309 --> 03:03:55,120

saying i've i've nev this is not the

4564

03:03:58,630 --> 03:03:56,319

first time i've said that it's been a

4565

03:03:59,510 --> 03:03:58,640

pleasure yeah it's my out it's uh my

4566

03:04:01,990 --> 03:03:59,520

saying

4567

03:04:04,150 --> 03:04:02,000

a pledge mm-hmm

4568

03:04:06,550 --> 03:04:04,160

yeah that's good i like that dude

4569

03:04:10,150 --> 03:04:06,560

no it's i always say that it's not new

4570

03:04:13,429 --> 03:04:10,160

you always say it i know i hear you so

4571

03:04:15,750 --> 03:04:13,439

anyways everybody hey we love y'all

4572

03:04:16,870 --> 03:04:15,760

thanks for hanging out with us again on

4573

03:04:18,070 --> 03:04:16,880

another

4574

03:04:19,030 --> 03:04:18,080

episode

4575

03:04:28,430 --> 03:04:19,040

of

4576

03:04:34,150 --> 03:04:32,070

[Laughter]

4577

03:04:37,550 --> 03:04:34,160

we'll see y'all next time yeah chad

4578

03:04:40,630 --> 03:04:37,560

smith thank you

4579

03:04:40,640 --> 03:04:54,630

all right peace y'all

4580

03:04:59,190 --> 03:04:56,950

we forgot to end the podcast uh we're in
