

UFGARAGE

UFOS ALIENS & ALL THINGS WEIRD

1
00:00:03,669 --> 00:00:01,810
and

2
00:00:06,630 --> 00:00:03,679
[Music]

3
00:00:09,910 --> 00:00:06,640
action actions of fools this is another

4
00:00:12,470 --> 00:00:09,920
episode of ufo garage i'm ben and i'm

5
00:00:15,749 --> 00:00:12,480
joe and this is where we talk about ufos

6
00:00:19,429 --> 00:00:15,759
aliens and all things

7
00:00:22,550 --> 00:00:19,439
dude what's up dude yes hey man what's

8
00:00:25,589 --> 00:00:22,560
going on bro not a lot man uh

9
00:00:28,230 --> 00:00:25,599
yeah so as as a lot of you see uh have

10
00:00:30,390 --> 00:00:28,240
caught the message man we missed out on

11
00:00:33,510 --> 00:00:30,400
barbara jean lindsey tonight but i i

12
00:00:35,510 --> 00:00:33,520
promise you she's gonna come on the show

13
00:00:37,510 --> 00:00:35,520

we had to reschedule her

14

00:00:39,910 --> 00:00:37,520

she like does this school

15

00:00:41,030 --> 00:00:39,920

and uh the teacher that was supposed to

16

00:00:43,190 --> 00:00:41,040

be there

17

00:00:46,389 --> 00:00:43,200

wasn't able to make it last minute and

18

00:00:49,270 --> 00:00:46,399

so she had like a school full of people

19

00:00:51,670 --> 00:00:49,280

with no teachers so she had to go and uh

20

00:00:53,350 --> 00:00:51,680

spread some light tonight man so that's

21

00:00:56,950 --> 00:00:53,360

why she wasn't able to make it it was

22

00:00:59,670 --> 00:00:56,960

kind of an emergency for her um but yo

23

00:01:02,709 --> 00:00:59,680

her book is epic it's called dying for

24

00:01:05,830 --> 00:01:02,719

the light if anybody wants to catch up

25

00:01:08,070 --> 00:01:05,840

on like you know her story dying for the

26

00:01:09,910 --> 00:01:08,080

light it's about 80 pages long it's a

27

00:01:11,590 --> 00:01:09,920

little bit longer but like the core of

28

00:01:13,910 --> 00:01:11,600

the story is about 80 pages long the

29

00:01:16,469 --> 00:01:13,920

rest of it's like reference stuff um

30

00:01:18,870 --> 00:01:16,479

it's so badass it's uh

31

00:01:22,230 --> 00:01:18,880

you can't put it down i read it all

32

00:01:23,510 --> 00:01:22,240

in uh one night so it's pretty epic

33

00:01:25,510 --> 00:01:23,520

she'll be on

34

00:01:27,670 --> 00:01:25,520

prob probably maybe like towards the end

35

00:01:29,429 --> 00:01:27,680

of the month maybe early november

36

00:01:31,830 --> 00:01:29,439

but uh yeah

37

00:01:33,510 --> 00:01:31,840

we're going to have her back on so man

38

00:01:35,429 --> 00:01:33,520

so uh

39

00:01:37,429 --> 00:01:35,439

the near-death experience man i was so

40

00:01:39,190 --> 00:01:37,439

stoked to hear the story i mean

41

00:01:41,109 --> 00:01:39,200

should we you were telling me a little

42

00:01:42,389 --> 00:01:41,119

bit about it because you booked you

43

00:01:43,190 --> 00:01:42,399

booked her

44

00:01:45,749 --> 00:01:43,200

and

45

00:01:47,910 --> 00:01:45,759

is it worth kind of going into a little

46

00:01:49,749 --> 00:01:47,920

bit or should we no dude i think she

47

00:01:52,710 --> 00:01:49,759

should tell it i think she should tell

48

00:01:55,030 --> 00:01:52,720

you it's her experience and and i think

49

00:01:56,630 --> 00:01:55,040

she should tell it if she wasn't around

50

00:01:58,870 --> 00:01:56,640

i tell you the whole dang story right

51
00:02:01,749 --> 00:01:58,880
now because it's fascinating it's so

52
00:02:04,230 --> 00:02:01,759
wild dude okay i loved it all right um

53
00:02:06,389 --> 00:02:04,240
but uh yeah so i'm gonna just leave it

54
00:02:08,150 --> 00:02:06,399
as a cliffhanger unless you guys go

55
00:02:09,589 --> 00:02:08,160
check out her book which i highly

56
00:02:11,910 --> 00:02:09,599
recommend you do

57
00:02:14,710 --> 00:02:11,920
um it's a it's a it's a pretty

58
00:02:18,630 --> 00:02:14,720
incredible story okay so yeah and it's

59
00:02:24,850 --> 00:02:18,640
it's dude it's it's indies it's beings

60
00:02:24,860 --> 00:02:35,190
[Music]

61
00:02:39,030 --> 00:02:37,670
just it's it's awesome dude it's awesome

62
00:02:41,030 --> 00:02:39,040
i just picture like

63
00:02:43,030 --> 00:02:41,040

shifting realms and [h__\h] it's [h__\h]

64

00:02:44,550 --> 00:02:43,040

awesome i just pictured like a like a

65

00:02:46,550 --> 00:02:44,560

seven foot tall

66

00:02:48,949 --> 00:02:46,560

gray alien when you said

67

00:02:50,550 --> 00:02:48,959

like the council i pictured like a seven

68

00:02:52,790 --> 00:02:50,560

foot tall gray alien with like a

69

00:02:55,670 --> 00:02:52,800

triangle like you know the neck thing

70

00:02:58,149 --> 00:02:55,680

right it's like yeah neck thing right

71

00:03:01,509 --> 00:02:58,159

almost like uh

72

00:03:02,710 --> 00:03:01,519

a classical period you know

73

00:03:05,589 --> 00:03:02,720

i don't know what that's called

74

00:03:06,869 --> 00:03:05,599

victorian area you're very close eight

75

00:03:09,030 --> 00:03:06,879

foot tall

76
00:03:11,589 --> 00:03:09,040
squared off shoulders with a hood and

77
00:03:14,710 --> 00:03:11,599
you can't see the face and it's got like

78
00:03:16,630 --> 00:03:14,720
a white like a a white collar on the

79
00:03:18,949 --> 00:03:16,640
robe

80
00:03:20,470 --> 00:03:18,959
damn all right very close

81
00:03:22,149 --> 00:03:20,480
very close i'm gonna give away one

82
00:03:24,630 --> 00:03:22,159
little thing because i was so excited to

83
00:03:28,229 --> 00:03:24,640
talk about it she was sitting in a in a

84
00:03:30,630 --> 00:03:28,239
brownish chair with with with uh uh

85
00:03:32,949 --> 00:03:30,640
mahogany accents on it

86
00:03:34,390 --> 00:03:32,959
so whoever these things are

87
00:03:35,270 --> 00:03:34,400
they got good taste

88
00:03:37,589 --> 00:03:35,280

damn

89

00:03:39,350 --> 00:03:37,599

yeah very descriptive very very

90

00:03:41,910 --> 00:03:39,360

descriptive anyone who has furniture

91

00:03:43,270 --> 00:03:41,920

with dark mahogany wood

92

00:03:45,430 --> 00:03:43,280

yeah

93

00:03:48,229 --> 00:03:45,440

but let's let's be honest it was like a

94

00:03:49,589 --> 00:03:48,239

soft brown leather

95

00:03:50,949 --> 00:03:49,599

yeah

96

00:03:53,270 --> 00:03:50,959

so

97

00:03:55,190 --> 00:03:53,280

yeah dude i'll be right back

98

00:03:57,750 --> 00:03:55,200

yeah dude damn dude okay well i can't

99

00:03:59,589 --> 00:03:57,760

wait to man i love those details dude

100

00:04:01,270 --> 00:03:59,599

like dude

101
00:04:03,190 --> 00:04:01,280
yeah when you could when you could talk

102
00:04:05,750 --> 00:04:03,200
about like the the texture and like

103
00:04:08,149 --> 00:04:05,760
color and sound and smell of things man

104
00:04:09,750 --> 00:04:08,159
that gets me dude it gives me chills

105
00:04:11,750 --> 00:04:09,760
these experiences i can't wait to talk

106
00:04:13,270 --> 00:04:11,760
to her so sorry she couldn't make it

107
00:04:16,469 --> 00:04:13,280
tonight but uh we'll have to we'll have

108
00:04:17,909 --> 00:04:16,479
to reschedule but uh yeah dude dude

109
00:04:20,150 --> 00:04:17,919
let's get let's see what's up to

110
00:04:21,749 --> 00:04:20,160
everybody in the chat bro

111
00:04:24,550 --> 00:04:21,759
what's up everybody

112
00:04:26,070 --> 00:04:24,560
hey paranormal chop shop sonny what's up

113
00:04:27,830 --> 00:04:26,080

dude if y'all haven't checked out

114

00:04:30,790 --> 00:04:27,840

paranormal chop shop you gotta check him

115

00:04:32,629 --> 00:04:30,800

out uh sonny is a dear friend of ours

116

00:04:34,710 --> 00:04:32,639

and he has his own channel so check him

117

00:04:37,749 --> 00:04:34,720

out hell yeah oh yeah

118

00:04:39,510 --> 00:04:37,759

uh sunsaver what's up bro

119

00:04:40,790 --> 00:04:39,520

hey we we gotta have sun saver on as

120

00:04:42,629 --> 00:04:40,800

soon as possible i don't know if you saw

121

00:04:44,310 --> 00:04:42,639

his email but like yeah i don't want to

122

00:04:45,350 --> 00:04:44,320

give too much away but he's gonna be

123

00:04:48,070 --> 00:04:45,360

honest

124

00:04:50,469 --> 00:04:48,080

he's gonna be out he gone

125

00:04:51,830 --> 00:04:50,479

uh patton's back what's up jme pat

126

00:04:54,469 --> 00:04:51,840

what's up bro

127

00:04:56,390 --> 00:04:54,479

yeah gordium 85 as usual it's great to

128

00:04:58,550 --> 00:04:56,400

smell your beautiful

129

00:05:00,310 --> 00:04:58,560

mahogany and leather it's more like a

130

00:05:02,950 --> 00:05:00,320

manly scent than anything and a little

131

00:05:05,110 --> 00:05:02,960

bit of sage sandalwood

132

00:05:06,950 --> 00:05:05,120

cedar

133

00:05:09,029 --> 00:05:06,960

i'm like i'm like channeling my inner

134

00:05:12,310 --> 00:05:09,039

dave scott dave's got he's got all these

135

00:05:15,270 --> 00:05:12,320

like really like creative ways so like

136

00:05:17,270 --> 00:05:15,280

anyway uh that once i was hey

137

00:05:18,950 --> 00:05:17,280

uh jamie and bree that one time i was

138

00:05:21,110 --> 00:05:18,960

abducted by aliens what's up girls i'm

139

00:05:24,469 --> 00:05:21,120

looking for this duck video

140

00:05:27,510 --> 00:05:24,479

yes dude so uh yeah unidentified

141

00:05:28,390 --> 00:05:27,520

celebrity review um they uh

142

00:05:31,909 --> 00:05:28,400

lou

143

00:05:34,150 --> 00:05:31,919

and this was the first time i heard

144

00:05:36,790 --> 00:05:34,160

about this robert dock video

145

00:05:40,629 --> 00:05:36,800

but uh dude i i actually asked in our on

146

00:05:41,510 --> 00:05:40,639

our uh uh discord and uh gravitas gave

147

00:05:43,270 --> 00:05:41,520

us

148

00:05:45,670 --> 00:05:43,280

uh great

149

00:05:47,749 --> 00:05:45,680

grand tave grand tavios gave us the link

150

00:05:48,950 --> 00:05:47,759

so dude thank you bro

151
00:05:50,629 --> 00:05:48,960
um

152
00:05:52,390 --> 00:05:50,639
anyway i want to finish saying what's up

153
00:05:54,870 --> 00:05:52,400
to everybody that that's joining the

154
00:05:56,070 --> 00:05:54,880
chat dude because like this is awesome i

155
00:05:59,110 --> 00:05:56,080
have to say

156
00:05:59,990 --> 00:05:59,120
bonnie welcome to the chat

157
00:06:02,790 --> 00:06:00,000
uh

158
00:06:06,070 --> 00:06:02,800
howdy doody girl so good

159
00:06:07,510 --> 00:06:06,080
so good to have you here oh my gosh

160
00:06:09,110 --> 00:06:07,520
we went back and forth through email and

161
00:06:10,629 --> 00:06:09,120
i i if all of our emails were going to

162
00:06:12,870 --> 00:06:10,639
spam i fixed it

163
00:06:15,029 --> 00:06:12,880

so good good to see you here

164

00:06:15,909 --> 00:06:15,039

uh guardian uh we are saving what's up

165

00:06:17,830 --> 00:06:15,919

dude

166

00:06:19,990 --> 00:06:17,840

uh van gogh what's up bro

167

00:06:23,189 --> 00:06:20,000

what's up dude and i see your wife is in

168

00:06:25,909 --> 00:06:23,199

here your wife your wife

169

00:06:27,830 --> 00:06:25,919

apollo what's up bro

170

00:06:29,990 --> 00:06:27,840

gary voorhees dude

171

00:06:32,629 --> 00:06:30,000

gary voice

172

00:06:35,110 --> 00:06:32,639

the legendary gary voorhees

173

00:06:37,749 --> 00:06:35,120

is this duck thing a big deal or what

174

00:06:39,909 --> 00:06:37,759

apparently bro did i mean like it what

175

00:06:42,230 --> 00:06:39,919

does it have to do with

176
00:06:44,070 --> 00:06:42,240
so well we're about to watch it oh we're

177
00:06:47,090 --> 00:06:44,080
gonna watch it i have to say hello to

178
00:06:48,150 --> 00:06:47,100
tammy real quick tammy what's up girl

179
00:06:52,309 --> 00:06:48,160
[Music]

180
00:06:55,909 --> 00:06:53,830
oh man

181
00:06:57,510 --> 00:06:55,919
all right well let dude let's let's pull

182
00:07:00,870 --> 00:06:57,520
it up um

183
00:07:06,390 --> 00:07:02,230
copy

184
00:07:09,830 --> 00:07:07,830
we have like

185
00:07:12,710 --> 00:07:09,840
all social media

186
00:07:16,790 --> 00:07:12,720
like platforms

187
00:07:19,189 --> 00:07:16,800
you know you know how it is dude

188
00:07:20,629 --> 00:07:19,199

okay uh i don't know how to use it let's

189

00:07:22,390 --> 00:07:20,639

pull it up let's watch let's do some

190

00:07:24,070 --> 00:07:22,400

news let's do a little news section i

191

00:07:25,350 --> 00:07:24,080

want to see this duck thing yeah let's

192

00:07:27,749 --> 00:07:25,360

do it

193

00:07:29,430 --> 00:07:27,759

share my screen

194

00:07:31,670 --> 00:07:29,440

and i'm going to make sure that my

195

00:07:32,870 --> 00:07:31,680

license is clearly

196

00:07:35,110 --> 00:07:32,880

showing

197

00:07:36,629 --> 00:07:35,120

so you can see my license number

198

00:07:42,390 --> 00:07:36,639

if it's a severed habit i'm gonna be

199

00:07:47,430 --> 00:07:45,110

okay uh i watched a little bit

200

00:07:49,350 --> 00:07:47,440

on ucr i i didn't see what all the

201

00:07:52,309 --> 00:07:49,360

hullabaloo was about dude

202

00:07:54,469 --> 00:07:52,319

until uh i i think it's further along in

203

00:07:56,070 --> 00:07:54,479

the video i don't know much about this

204

00:07:57,909 --> 00:07:56,080

guys so if anybody

205

00:07:59,510 --> 00:07:57,919

knows more and we're getting [h__\h] wrong

206

00:08:02,309 --> 00:07:59,520

let us know in the chat but okay it

207

00:08:03,749 --> 00:08:02,319

seems to be some some flir footage so

208

00:08:05,430 --> 00:08:03,759

for those of you just listening right

209

00:08:07,350 --> 00:08:05,440

now we're looking at some some footage

210

00:08:10,070 --> 00:08:07,360

it looks like aerial footage

211

00:08:12,710 --> 00:08:10,080

um something to do with the duck i'm

212

00:08:15,270 --> 00:08:12,720

assuming yeah it's a big ol it's

213

00:08:18,469 --> 00:08:15,280

uh it's a big old flappin duck

214

00:08:21,270 --> 00:08:18,479

a big old flappin duck is this on earth

215

00:08:22,230 --> 00:08:21,280

yes no well where is uh howard the duck

216

00:08:26,469 --> 00:08:22,240

from

217

00:08:28,230 --> 00:08:26,479

oh i i was about to say uh yeah that's

218

00:08:28,950 --> 00:08:28,240

what i thought it was and you were like

219

00:08:31,510 --> 00:08:28,960

no

220

00:08:33,110 --> 00:08:31,520

uh it's this duck video and then i was

221

00:08:35,029 --> 00:08:33,120

thinking to myself we should have howard

222

00:08:35,990 --> 00:08:35,039

the duck on the show

223

00:08:37,750 --> 00:08:36,000

bro

224

00:08:39,509 --> 00:08:37,760

we can we could buy it we could buy that

225

00:08:43,829 --> 00:08:39,519

mask all we need is like three thousand

226

00:08:47,430 --> 00:08:45,990

i'm gonna do some digging tonight uh i'm

227

00:08:49,110 --> 00:08:47,440

gonna see if we can maybe get the real

228

00:08:50,710 --> 00:08:49,120

thing

229

00:08:52,790 --> 00:08:50,720

you mean like the real damn head we they

230

00:08:54,310 --> 00:08:52,800

used in the video or no i'm gonna see if

231

00:08:56,949 --> 00:08:54,320

we can get the real guy that played

232

00:08:59,509 --> 00:08:56,959

howard the duck oh here it is here it is

233

00:09:01,190 --> 00:08:59,519

okay i have a theory guys look

234

00:09:02,470 --> 00:09:01,200

okay it's halloween okay my mind's on

235

00:09:03,750 --> 00:09:02,480

halloween

236

00:09:06,870 --> 00:09:03,760

do you remember

237

00:09:08,070 --> 00:09:06,880

uh in heb or walmart where they had

238

00:09:09,750 --> 00:09:08,080

these little things that you would hang

239

00:09:14,230 --> 00:09:09,760

for your from your tree and it would

240

00:09:17,829 --> 00:09:15,670

that's what this is

241

00:09:20,710 --> 00:09:17,839

okay that's my theory

242

00:09:25,509 --> 00:09:23,670

and it's scooting bro look at it is is

243

00:09:27,350 --> 00:09:25,519

that it right there

244

00:09:29,110 --> 00:09:27,360

oh you can't see me pointing

245

00:09:31,269 --> 00:09:29,120

i can't yeah

246

00:09:33,350 --> 00:09:31,279

okay off to the right of the screen it's

247

00:09:34,710 --> 00:09:33,360

like this bright thing and it's moving

248

00:09:38,630 --> 00:09:34,720

yeah

249

00:09:40,389 --> 00:09:38,640

it's either that or or this guy

250

00:09:41,350 --> 00:09:40,399

hold on okay

251
00:09:42,389 --> 00:09:41,360
zero

252
00:09:43,670 --> 00:09:42,399
from

253
00:09:47,269 --> 00:09:43,680
nightmare

254
00:09:48,829 --> 00:09:47,279
before christmas

255
00:09:52,230 --> 00:09:48,839
do that to this

256
00:09:54,710 --> 00:09:52,240
guy oh i'm gonna i'm gonna go with zero

257
00:09:57,590 --> 00:09:54,720
dude it's it's freaking zero bro look

258
00:09:59,110 --> 00:09:57,600
that's what i'm thinking dude

259
00:10:01,269 --> 00:09:59,120
it's him

260
00:10:03,590 --> 00:10:01,279
look okay

261
00:10:05,750 --> 00:10:03,600
back to the duck thing i need context or

262
00:10:07,590 --> 00:10:05,760
else this is just [h__h] to me okay

263
00:10:10,630 --> 00:10:07,600

what is the context on this when was it

264

00:10:13,350 --> 00:10:10,640

taken new york uap discussion

265

00:10:15,910 --> 00:10:13,360

homeland so it says uh over 40 minutes

266

00:10:19,110 --> 00:10:15,920

by the department of homeland security

267

00:10:21,829 --> 00:10:19,120

using flir optics system in

268

00:10:23,350 --> 00:10:21,839

black hot real hot mode

269

00:10:25,750 --> 00:10:23,360

oh okay

270

00:10:27,910 --> 00:10:25,760

okay 26 reconnaissance

271

00:10:29,030 --> 00:10:27,920

uh

272

00:10:31,509 --> 00:10:29,040

plane

273

00:10:33,509 --> 00:10:31,519

ah okay now okay with the context it's

274

00:10:35,269 --> 00:10:33,519

making sense tucson

275

00:10:38,949 --> 00:10:35,279

i'm thinking that y'all we're gonna see

276

00:10:40,710 --> 00:10:38,959

like this like rubber ducky thing like

277

00:10:42,710 --> 00:10:40,720

but it's like a it's a craft it's an

278

00:10:45,030 --> 00:10:42,720

actual craft it's just shaped like a

279

00:10:47,750 --> 00:10:45,040

duck is that is that what this is right

280

00:10:50,310 --> 00:10:47,760

it's an rc 26 renaissance

281

00:10:54,390 --> 00:10:52,470

what is it that means i don't know i was

282

00:10:56,790 --> 00:10:54,400

being dumb i was reading things wrong

283

00:10:58,069 --> 00:10:56,800

[Laughter]

284

00:10:59,990 --> 00:10:58,079

so

285

00:11:01,829 --> 00:11:00,000

what people are saying is that this this

286

00:11:03,590 --> 00:11:01,839

object here is a rubber okay

287

00:11:05,910 --> 00:11:03,600

that's what they're saying it's like tic

288

00:11:07,509 --> 00:11:05,920

tac but this time it's rubber ducky

289

00:11:08,949 --> 00:11:07,519

yeah dude i mean i can kind of see it

290

00:11:11,030 --> 00:11:08,959

yeah it's got like this little like kind

291

00:11:13,030 --> 00:11:11,040

of like wonky looking body to it with

292

00:11:15,509 --> 00:11:13,040

like a uh it looks like maybe a light on

293

00:11:16,949 --> 00:11:15,519

top or something that's [h__h] zero i'm

294

00:11:19,430 --> 00:11:16,959

going with zero though he's coming

295

00:11:21,750 --> 00:11:19,440

you're spot on bro it might

296

00:11:23,269 --> 00:11:21,760

it might be zero where was this taken

297

00:11:26,230 --> 00:11:23,279

where was this footage taken did they

298

00:11:27,430 --> 00:11:26,240

give you that information tuscan arizona

299

00:11:31,030 --> 00:11:27,440

ah

300

00:11:32,069 --> 00:11:31,040

when was it taken long time ago

301

00:11:34,069 --> 00:11:32,079

and

302

00:11:37,350 --> 00:11:34,079

let's see separate from the main

303

00:11:40,230 --> 00:11:37,360

nine okay here's the the the range 90 to

304

00:11:41,509 --> 00:11:40,240

200 miles per hour hey ryan sprague in

305

00:11:44,150 --> 00:11:41,519

the house what's up dude how are you

306

00:11:45,750 --> 00:11:44,160

doing man oh [\h__\h] ryan what's up dude

307

00:11:47,350 --> 00:11:45,760

hell yeah

308

00:11:48,870 --> 00:11:47,360

i know ryan's probably been all over

309

00:11:50,949 --> 00:11:48,880

this he probably knows way more than we

310

00:11:51,990 --> 00:11:50,959

wanna know he's like you guys are gonna

311

00:11:53,430 --> 00:11:52,000

get all wrong

312

00:11:56,949 --> 00:11:53,440

[Laughter]

313

00:12:00,150 --> 00:11:56,959

uh well he agreed it is zero

314

00:12:04,389 --> 00:12:03,030

uh okay so that's that's news uh that's

315

00:12:06,949 --> 00:12:04,399

some some news that's go that's

316

00:12:09,509 --> 00:12:06,959

happening i like that man i like that

317

00:12:11,509 --> 00:12:09,519

cool it's it's not it at first dude i

318

00:12:13,190 --> 00:12:11,519

didn't i had no contacts i i didn't

319

00:12:16,470 --> 00:12:13,200

understand like what was going on it was

320

00:12:18,389 --> 00:12:16,480

like dark dark same that's a dark video

321

00:12:20,470 --> 00:12:18,399

what does that mean a duck video are we

322

00:12:22,629 --> 00:12:20,480

flaring a duck flying through the air

323

00:12:26,870 --> 00:12:22,639

like is it just duct shaped oh no it's a

324

00:12:28,550 --> 00:12:26,880

craft yeah that looks like a duck

325

00:12:30,790 --> 00:12:28,560

in this hey you know what they say dude

326

00:12:33,269 --> 00:12:30,800

if it if it looks like a duck and it

327

00:12:35,750 --> 00:12:33,279

quacks like a duck it's got to be a duck

328

00:12:39,670 --> 00:12:37,590

so what you're saying that this is an

329

00:12:42,150 --> 00:12:39,680

actual duck

330

00:12:44,069 --> 00:12:42,160

i mean what how how awesome would it be

331

00:12:45,910 --> 00:12:44,079

if we caught like a duck on flear that

332

00:12:47,350 --> 00:12:45,920

was flying at 9000 miles an hour like

333

00:12:48,150 --> 00:12:47,360

it's a new species of duck that we've

334

00:12:51,750 --> 00:12:48,160

never

335

00:12:53,509 --> 00:12:51,760

flies too fast

336

00:12:55,350 --> 00:12:53,519

i mean it's possible dude

337

00:12:57,910 --> 00:12:55,360

and it stays in like rubber ducky

338

00:12:59,030 --> 00:12:57,920

bathtub mode even when it flies just

339

00:13:00,629 --> 00:12:59,040

like

340

00:13:02,550 --> 00:13:00,639

i love that

341

00:13:03,670 --> 00:13:02,560

oh dude

342

00:13:05,190 --> 00:13:03,680

dude

343

00:13:07,590 --> 00:13:05,200

i have to look into it i need to get

344

00:13:09,030 --> 00:13:07,600

some more information on this duck video

345

00:13:10,550 --> 00:13:09,040

we don't know enough i don't know i

346

00:13:11,990 --> 00:13:10,560

don't know if it's very interesting

347

00:13:12,949 --> 00:13:12,000

thanks for bringing it to our attention

348

00:13:15,190 --> 00:13:12,959

though because i'm definitely going to

349

00:13:17,829 --> 00:13:15,200

dive into it now because now i get it

350

00:13:20,069 --> 00:13:17,839

and now i'm interested you know

351

00:13:22,389 --> 00:13:20,079

yes it was pretty tough finding the

352

00:13:25,670 --> 00:13:22,399

actual footage or the actual like the

353

00:13:27,590 --> 00:13:25,680

original video so uh uh grand tavios in

354

00:13:29,030 --> 00:13:27,600

our discord thanks brother i appreciate

355

00:13:31,190 --> 00:13:29,040

that thank you for sharing that that's

356

00:13:32,069 --> 00:13:31,200

awesome alien girl

357

00:13:34,470 --> 00:13:32,079

yeah

358

00:13:36,389 --> 00:13:34,480

alien girl what's up rob

359

00:13:39,110 --> 00:13:36,399

um so

360

00:13:41,670 --> 00:13:39,120

awesome so that okay all right news cool

361

00:13:43,430 --> 00:13:41,680

news is through any other news news is

362

00:13:45,350 --> 00:13:43,440

tight dude

363

00:13:48,550 --> 00:13:45,360

dude news is time news is tight don't

364

00:13:49,990 --> 00:13:48,560

act like it's not dude hey so i wanted i

365

00:13:51,590 --> 00:13:50,000

wanted to talk to you about this really

366

00:13:53,110 --> 00:13:51,600

quick yeah i meant to call you and tell

367

00:13:56,230 --> 00:13:53,120

you about it it happened to me was it

368

00:13:58,710 --> 00:13:56,240

yesterday so it was yesterday when i was

369

00:14:01,910 --> 00:13:58,720

thinking about it but it was that night

370

00:14:03,670 --> 00:14:01,920

before that it happened okay i'm having

371

00:14:05,430 --> 00:14:03,680

a situation

372

00:14:09,590 --> 00:14:05,440

okay

373

00:14:11,269 --> 00:14:09,600

i'm having a situation where i can't

374

00:14:13,350 --> 00:14:11,279

i can't remember

375

00:14:17,189 --> 00:14:13,360

if i saw something

376

00:14:18,470 --> 00:14:17,199

or if i dreamt that i saw something okay

377

00:14:20,310 --> 00:14:18,480

is this the experience you were telling

378

00:14:22,310 --> 00:14:20,320

me that you were okay

379

00:14:23,990 --> 00:14:22,320

but you were talking about okay yeah all

380

00:14:25,990 --> 00:14:24,000

right it's weird

381

00:14:29,269 --> 00:14:26,000

was it like late at night so the thing

382

00:14:31,430 --> 00:14:29,279

is though dude is i i don't know

383

00:14:33,829 --> 00:14:31,440

it's weird because i was telling amanda

384

00:14:36,150 --> 00:14:33,839

about this dream that i had i remember i

385

00:14:38,629 --> 00:14:36,160

was telling eric on the last show that

386

00:14:40,629 --> 00:14:38,639

like for whatever reason when i walk out

387

00:14:42,710 --> 00:14:40,639

of my door in the morning i always look

388

00:14:44,230 --> 00:14:42,720

up and to the left right just like up at

389

00:14:45,829 --> 00:14:44,240

the sky i'm just always compelled to

390

00:14:47,269 --> 00:14:45,839

look up there yeah obviously there's

391

00:14:49,189 --> 00:14:47,279

trees all around me so it's really the

392

00:14:51,590 --> 00:14:49,199

only place to look and the stars look

393

00:14:53,829 --> 00:14:51,600

cool and you're up at like spot like 5

394

00:14:56,069 --> 00:14:53,839

00 a.m so yeah cars are still up yeah

395

00:14:59,750 --> 00:14:56,079

the stars are still up there so i'm i'm

396

00:15:03,030 --> 00:14:59,760

looking up i walk out the door i look up

397

00:15:05,189 --> 00:15:03,040

and very very low i have we have an

398

00:15:07,509 --> 00:15:05,199

airport very near us

399

00:15:11,030 --> 00:15:07,519

out here in taylor as you know but very

400

00:15:13,910 --> 00:15:11,040

very low i see a plane i see a plane fly

401
00:15:16,069 --> 00:15:13,920
over and uh

402
00:15:18,150 --> 00:15:16,079
you know the the the coloring of the

403
00:15:20,870 --> 00:15:18,160
flash i noticed the flashing but it's

404
00:15:23,269 --> 00:15:20,880
weird because there's three lights like

405
00:15:24,150 --> 00:15:23,279
you would see on the plane but it was

406
00:15:26,870 --> 00:15:24,160
red

407
00:15:27,750 --> 00:15:26,880
white white and i'm

408
00:15:30,550 --> 00:15:27,760
you know

409
00:15:32,550 --> 00:15:30,560
if you're walking out of my door that is

410
00:15:36,150 --> 00:15:32,560
going

411
00:15:38,710 --> 00:15:36,160
right

412
00:15:40,949 --> 00:15:38,720
this plane was flying

413
00:15:42,710 --> 00:15:40,959

southwest

414

00:15:45,749 --> 00:15:42,720

okay okay

415

00:15:47,910 --> 00:15:45,759

right yeah

416

00:15:49,189 --> 00:15:47,920

as i'm telling my wife this story about

417

00:15:51,110 --> 00:15:49,199

this dream that i had that it was

418

00:15:53,509 --> 00:15:51,120

extremely low like it was really low

419

00:15:55,910 --> 00:15:53,519

like i could like i couldn't like it's

420

00:15:58,310 --> 00:15:55,920

weird it's like silhouette plus lights

421

00:16:00,470 --> 00:15:58,320

right that's all it was cool

422

00:16:02,470 --> 00:16:00,480

i'm telling amanda about this and then i

423

00:16:04,230 --> 00:16:02,480

start thinking to myself

424

00:16:06,230 --> 00:16:04,240

wait a second

425

00:16:08,310 --> 00:16:06,240

did i see that

426

00:16:09,430 --> 00:16:08,320

did i really did i but did i actually

427

00:16:10,870 --> 00:16:09,440

see it because then when i started

428

00:16:12,710 --> 00:16:10,880

thinking about

429

00:16:14,470 --> 00:16:12,720

[h__h] did i see that when i went outside

430

00:16:16,310 --> 00:16:14,480

the other night and just kind of didn't

431

00:16:18,710 --> 00:16:16,320

think about it but then when i started

432

00:16:19,590 --> 00:16:18,720

thinking about it i remember the craft

433

00:16:22,790 --> 00:16:19,600

going

434

00:16:24,629 --> 00:16:22,800

northwest the other way

435

00:16:26,150 --> 00:16:24,639

and now i'm like in this weird conundrum

436

00:16:27,829 --> 00:16:26,160

in my head like

437

00:16:31,189 --> 00:16:27,839

did i see that the other night and just

438

00:16:34,710 --> 00:16:31,199

like didn't put too much thought to it

439

00:16:37,110 --> 00:16:34,720

or did i did i dream it but in my dream

440

00:16:39,910 --> 00:16:37,120

it's going south

441

00:16:42,389 --> 00:16:39,920

in reality it's it's going north when

442

00:16:44,389 --> 00:16:42,399

you're okay north whatever is it left or

443

00:16:47,030 --> 00:16:44,399

right or right to left like one is left

444

00:16:48,710 --> 00:16:47,040

to right and the other is right to left

445

00:16:50,550 --> 00:16:48,720

okay so if you come out of my door it's

446

00:16:52,710 --> 00:16:50,560

basically going straight out of my door

447

00:16:54,550 --> 00:16:52,720

just a little bit to the left in my

448

00:16:56,470 --> 00:16:54,560

dream right so if you imagine coming out

449

00:16:58,870 --> 00:16:56,480

of my door and looking out towards park

450

00:17:01,110 --> 00:16:58,880

it's going straight but it's also it's

451

00:17:03,350 --> 00:17:01,120

just going a little bit to the left but

452

00:17:05,590 --> 00:17:03,360

in in like if i'm thinking about it like

453

00:17:07,429 --> 00:17:05,600

in real time it's actually going a

454

00:17:10,549 --> 00:17:07,439

little bit to the right

455

00:17:11,990 --> 00:17:10,559

and it's so weird because in my i can't

456

00:17:13,350 --> 00:17:12,000

that's the problem i'm having dude i

457

00:17:15,429 --> 00:17:13,360

can't figure out if it was a dream

458

00:17:17,429 --> 00:17:15,439

before i really saw it

459

00:17:19,110 --> 00:17:17,439

and i'm in this weird headspace about it

460

00:17:20,470 --> 00:17:19,120

because

461

00:17:21,590 --> 00:17:20,480

now i'm thinking was it even a [h__\h]

462

00:17:24,150 --> 00:17:21,600

plane

463

00:17:24,949 --> 00:17:24,160

okay was i dreaming was i dreaming or

464

00:17:32,950 --> 00:17:24,959

like

465

00:17:34,950 --> 00:17:32,960

i think i saw it saw it maybe that

466

00:17:36,630 --> 00:17:34,960

wasn't a dream but now i can't remember

467

00:17:38,710 --> 00:17:36,640

if i saw it saw it but you would think

468

00:17:41,590 --> 00:17:38,720

you see something you'll remember it you

469

00:17:43,190 --> 00:17:41,600

remember seeing it yeah right

470

00:17:44,789 --> 00:17:43,200

i feel like and that's what makes me

471

00:17:46,549 --> 00:17:44,799

feel like it's a dream dude because like

472

00:17:48,549 --> 00:17:46,559

me and amanda were outside we were

473

00:17:50,710 --> 00:17:48,559

looking up at the sky we saw this cool

474

00:17:52,549 --> 00:17:50,720

like it was orange but it was a plane it

475

00:17:54,070 --> 00:17:52,559

was high up there it was a plane i saw

476

00:17:56,789 --> 00:17:54,080

the flashing lights on it it was

477

00:17:58,390 --> 00:17:56,799

blinking so that happened

478

00:17:59,909 --> 00:17:58,400

what's that yeah yeah three lights three

479

00:18:02,070 --> 00:17:59,919

lights yep three lights were they

480

00:18:04,549 --> 00:18:02,080

flashing or were they they constant

481

00:18:06,630 --> 00:18:04,559

they were flashing like it was like it

482

00:18:08,710 --> 00:18:06,640

was kind of orange which was like amanda

483

00:18:10,470 --> 00:18:08,720

was like oh hey there's another orange

484

00:18:11,270 --> 00:18:10,480

thing again and i looked out there and i

485

00:18:13,190 --> 00:18:11,280

was like

486

00:18:14,870 --> 00:18:13,200

that's coming from where the airplanes

487

00:18:16,950 --> 00:18:14,880

come from so we kind of sat there and we

488

00:18:19,750 --> 00:18:16,960

looked at it and as it passed overhead

489

00:18:24,789 --> 00:18:22,549

some lights right so okay that happened

490

00:18:26,789 --> 00:18:24,799

to me but then last week we were telling

491

00:18:30,230 --> 00:18:26,799

eric about like i walk out of my door

492

00:18:33,430 --> 00:18:30,240

and i always look up at this area

493

00:18:34,310 --> 00:18:33,440

but that night that i had the dream i

494

00:18:37,110 --> 00:18:34,320

guess

495

00:18:39,350 --> 00:18:37,120

i also had a uh uh

496

00:18:40,870 --> 00:18:39,360

homeboy timmy stop by the house and i'm

497

00:18:43,430 --> 00:18:40,880

wondering if whenever he came up and

498

00:18:46,070 --> 00:18:43,440

talking and was talking to me that i was

499

00:18:48,070 --> 00:18:46,080

hooking up my my my uh my water

500

00:18:49,750 --> 00:18:48,080

sprinklers from my yard

501
00:18:52,390 --> 00:18:49,760
and like maybe i was talking to him and

502
00:18:53,830 --> 00:18:52,400
i saw it fly over and for some reason

503
00:18:55,590 --> 00:18:53,840
i'm like having a hard time just

504
00:18:58,470 --> 00:18:55,600
remembering it or picturing it i'm

505
00:19:00,710 --> 00:18:58,480
trying to remember when i saw it is the

506
00:19:02,950 --> 00:19:00,720
issue so there's some confusion of like

507
00:19:04,470 --> 00:19:02,960
yeah like what time and when what

508
00:19:05,750 --> 00:19:04,480
context it's like

509
00:19:08,310 --> 00:19:05,760
dude i

510
00:19:11,190 --> 00:19:08,320
uh if i can relate in any way

511
00:19:12,789 --> 00:19:11,200
uh so my you know nibbler has diabetes

512
00:19:14,870 --> 00:19:12,799
she's got the sugar foot she got

513
00:19:15,750 --> 00:19:14,880

diabetes baby she's got that beat is

514

00:19:21,430 --> 00:19:15,760

baby

515

00:19:23,430 --> 00:19:21,440

diabetes my little pug my dog nibbler i

516

00:19:24,950 --> 00:19:23,440

have to give her a shot every meal once

517

00:19:27,510 --> 00:19:24,960

in the morning and once at night so like

518

00:19:28,390 --> 00:19:27,520

i'm constantly you know insulin

519

00:19:32,870 --> 00:19:28,400

and

520

00:19:35,270 --> 00:19:32,880

going through the emotions that i

521

00:19:36,150 --> 00:19:35,280

totally just i just forget so sometimes

522

00:19:38,710 --> 00:19:36,160

i like

523

00:19:41,029 --> 00:19:38,720

feeder and and i don't i that happened

524

00:19:43,430 --> 00:19:41,039

today like i just can't remember because

525

00:19:45,750 --> 00:19:43,440

i've done it so many times the exact

526

00:19:47,350 --> 00:19:45,760

same way the exact same time that i

527

00:19:50,310 --> 00:19:47,360

don't remember so it's like one of those

528

00:19:52,789 --> 00:19:50,320

cognizant dissonance kind of feelings

529

00:19:55,110 --> 00:19:52,799

where like i want to trust my memory but

530

00:19:57,830 --> 00:19:55,120

we both know that our memory

531

00:19:59,750 --> 00:19:57,840

human memory is terrible it is terrible

532

00:20:02,149 --> 00:19:59,760

so even if i can't imagine like if it

533

00:20:04,230 --> 00:20:02,159

was something phenomenal

534

00:20:05,110 --> 00:20:04,240

you would probably log that like it

535

00:20:07,190 --> 00:20:05,120

wouldn't

536

00:20:08,710 --> 00:20:07,200

you know just just discount that because

537

00:20:10,390 --> 00:20:08,720

we were just talking about this before

538

00:20:12,390 --> 00:20:10,400

the show how like i remember i'm pretty

539

00:20:14,870 --> 00:20:12,400

sharp dude i remember little specific

540

00:20:17,750 --> 00:20:14,880

details about [h__h] for years and years

541

00:20:19,350 --> 00:20:17,760

on dude like i like it's logged so i'm

542

00:20:21,350 --> 00:20:19,360

that's why i'm having such a hard time

543

00:20:23,510 --> 00:20:21,360

right now because

544

00:20:25,430 --> 00:20:23,520

i feel like it was a dream

545

00:20:28,950 --> 00:20:25,440

but then when i think about it i'm like

546

00:20:31,270 --> 00:20:28,960

wait did i i actually saw it i i have

547

00:20:33,510 --> 00:20:31,280

known you for the better part of my most

548

00:20:35,830 --> 00:20:33,520

of my life and i know that you have one

549

00:20:37,750 --> 00:20:35,840

of the best memories

550

00:20:40,549 --> 00:20:37,760

and for you to be confused about whether

551

00:20:42,310 --> 00:20:40,559

it was a dream or reality is uh kind of

552

00:20:43,990 --> 00:20:42,320

strange because i'm always looking up

553

00:20:46,390 --> 00:20:44,000

dude it's not like it's something new if

554

00:20:48,710 --> 00:20:46,400

i saw it and the thing that's freaking

555

00:20:52,549 --> 00:20:48,720

me out the most is how

556

00:20:54,870 --> 00:20:52,559

low it was like it was low right it was

557

00:20:57,029 --> 00:20:54,880

low so if it was real i would have been

558

00:20:59,029 --> 00:20:57,039

like whoa that plane is really low where

559

00:21:01,590 --> 00:20:59,039

is he going on his way to the to the

560

00:21:03,350 --> 00:21:01,600

airport that's really low but then when

561

00:21:05,190 --> 00:21:03,360

i think about it i'm like maybe it was a

562

00:21:06,230 --> 00:21:05,200

dream because i don't remember hearing

563

00:21:09,270 --> 00:21:06,240

anything

564

00:21:10,950 --> 00:21:09,280

oh [h__h] dude

565

00:21:12,149 --> 00:21:10,960

oh

566

00:21:14,549 --> 00:21:12,159

[h__h]

567

00:21:17,750 --> 00:21:14,559

it's weird and that light placement why

568

00:21:19,270 --> 00:21:17,760

was it red white white

569

00:21:25,750 --> 00:21:19,280

i've

570

00:21:28,630 --> 00:21:25,760

that i couldn't like it goes like orange

571

00:21:29,669 --> 00:21:28,640

to white but i've never seen

572

00:21:32,149 --> 00:21:29,679

ah man

573

00:21:34,230 --> 00:21:32,159

i don't know it's like do the front the

574

00:21:36,789 --> 00:21:34,240

front light supposed to be white or blue

575

00:21:39,909 --> 00:21:36,799

or it's either like white blue or orange

576

00:21:44,390 --> 00:21:39,919

for me like orange reddish on ffa is it

577

00:21:48,549 --> 00:21:47,029

future farmers of america

578

00:21:50,549 --> 00:21:48,559

so we called the future farmers of

579

00:21:52,630 --> 00:21:50,559

america to see if this plane was flying

580

00:21:55,669 --> 00:21:52,640

over right they just had no idea what

581

00:21:57,909 --> 00:21:55,679

the hell we were talking about

582

00:22:01,669 --> 00:21:57,919

yeah dude ah dude i don't know man i

583

00:22:05,510 --> 00:22:01,679

don't know i just remember it being like

584

00:22:07,350 --> 00:22:05,520

red red like red yeah like

585

00:22:09,350 --> 00:22:07,360

you know like the rolling stones when

586

00:22:11,909 --> 00:22:09,360

they see that red door and they wanted

587

00:22:13,029 --> 00:22:11,919

to paint it black it was that red like

588

00:22:15,029 --> 00:22:13,039

really red

589

00:22:16,950 --> 00:22:15,039

and then white white and it was so

590

00:22:19,029 --> 00:22:16,960

specific and it's so weird that i

591

00:22:22,630 --> 00:22:19,039

remember these stupid details

592

00:22:24,630 --> 00:22:22,640

like no sound exact color how low why

593

00:22:26,470 --> 00:22:24,640

can't i remember if it was a dream or if

594

00:22:28,310 --> 00:22:26,480

it happened in real life

595

00:22:30,070 --> 00:22:28,320

dude it's a little strange dude it's

596

00:22:32,310 --> 00:22:30,080

creepy it's kind of weirded me out a

597

00:22:34,950 --> 00:22:32,320

little bit but that's creepy kind of

598

00:22:36,870 --> 00:22:34,960

weirded me out a little bit but uh yeah

599

00:22:38,630 --> 00:22:36,880

so that's i mean what are you doing i

600

00:22:40,549 --> 00:22:38,640

guess

601
00:22:42,870 --> 00:22:40,559
as you're saying that i'm thinking like

602
00:22:45,029 --> 00:22:42,880
what uh

603
00:22:46,470 --> 00:22:45,039
if i'm digging dude too deep let me know

604
00:22:48,230 --> 00:22:46,480
but like

605
00:22:50,870 --> 00:22:48,240
what is

606
00:22:52,870 --> 00:22:50,880
what can you trust like people

607
00:22:55,669 --> 00:22:52,880
everybody wants to know the truth right

608
00:22:57,909 --> 00:22:55,679
and what's the difference between your

609
00:22:59,750 --> 00:22:57,919
truth your reality what you remember and

610
00:23:01,270 --> 00:22:59,760
what everyone else remembers and agrees

611
00:23:03,830 --> 00:23:01,280
upon you know i always find that

612
00:23:05,110 --> 00:23:03,840
fascinating like there's there's like a

613
00:23:16,310 --> 00:23:05,120

a

614

00:23:17,990 --> 00:23:16,320

or if you

615

00:23:19,909 --> 00:23:18,000

uh if you believe something so

616

00:23:21,270 --> 00:23:19,919

wholeheartedly you know it for a fact

617

00:23:23,270 --> 00:23:21,280

you know it like

618

00:23:26,149 --> 00:23:23,280

like the back of your damn hand you know

619

00:23:27,990 --> 00:23:26,159

that it's true but someone might not

620

00:23:29,830 --> 00:23:28,000

believe you like

621

00:23:31,590 --> 00:23:29,840

maybe because they don't know you as a

622

00:23:33,430 --> 00:23:31,600

person or

623

00:23:34,789 --> 00:23:33,440

or whatever i always find that really

624

00:23:36,789 --> 00:23:34,799

fascinating like

625

00:23:38,950 --> 00:23:36,799

what is truth man like at the end of the

626

00:23:41,269 --> 00:23:38,960

day what is truth i think it's your own

627

00:23:48,230 --> 00:23:41,279

reality

628

00:23:52,149 --> 00:23:49,669

collective was the word i was thinking

629

00:23:54,149 --> 00:23:52,159

of collective the yeah yeah i think when

630

00:23:56,950 --> 00:23:54,159

it comes to more like

631

00:23:58,870 --> 00:23:56,960

um maybe like invisible

632

00:24:00,310 --> 00:23:58,880

maybe like esoteric

633

00:24:02,310 --> 00:24:00,320

or like

634

00:24:05,190 --> 00:24:02,320

i don't know just

635

00:24:07,110 --> 00:24:05,200

like feelings you know like

636

00:24:09,830 --> 00:24:07,120

you're you're uh

637

00:24:10,710 --> 00:24:09,840

your truth is your reality right

638

00:24:13,510 --> 00:24:10,720

um

639

00:24:16,470 --> 00:24:13,520

we can't argue two and two

640

00:24:19,590 --> 00:24:16,480

is eight right because it's not it's

641

00:24:21,430 --> 00:24:19,600

four like two and two is four

642

00:24:23,430 --> 00:24:21,440

two plus two is four what if there was

643

00:24:24,310 --> 00:24:23,440

no zero dude

644

00:24:27,590 --> 00:24:24,320

well

645

00:24:29,590 --> 00:24:27,600

and then there would be no zero

646

00:24:31,750 --> 00:24:29,600

would there still be a one dude

647

00:24:33,350 --> 00:24:31,760

well yeah dude because the zero wasn't

648

00:24:35,590 --> 00:24:33,360

invented till after all the other

649

00:24:37,350 --> 00:24:35,600

numbers but if there was no zero then

650

00:24:39,590 --> 00:24:37,360

everything would be one

651
00:24:41,590 --> 00:24:39,600
well because everything was already one

652
00:24:44,149 --> 00:24:41,600
right start with one dude well some

653
00:24:45,990 --> 00:24:44,159
cultures right like in africa they don't

654
00:24:48,070 --> 00:24:46,000
even understand the concept of counting

655
00:24:49,110 --> 00:24:48,080
like that like there was a village i

656
00:24:50,549 --> 00:24:49,120
can't remember where i heard this story

657
00:24:52,789 --> 00:24:50,559
but there was a village and they were

658
00:24:55,190 --> 00:24:52,799
talking about how many sons do you have

659
00:24:56,630 --> 00:24:55,200
and the the the father was like i don't

660
00:24:58,470 --> 00:24:56,640
understand what you mean and they were

661
00:25:00,070 --> 00:24:58,480
like how many like how many sons you

662
00:25:01,029 --> 00:25:00,080
have sons and he was like yeah i have

663
00:25:02,549 --> 00:25:01,039

sons

664

00:25:04,549 --> 00:25:02,559

and they were like well how many he was

665

00:25:06,789 --> 00:25:04,559

like i don't get it but let me just tell

666

00:25:08,149 --> 00:25:06,799

you i have i have

667

00:25:13,269 --> 00:25:08,159

and

668

00:25:14,549 --> 00:25:13,279

there was three of them

669

00:25:17,190 --> 00:25:14,559

right and they were like oh so you have

670

00:25:19,269 --> 00:25:17,200

three sons and he was like yeah sure i

671

00:25:21,909 --> 00:25:19,279

guess so but their names are this so he

672

00:25:24,070 --> 00:25:21,919

didn't understand the concept of numbers

673

00:25:26,310 --> 00:25:24,080

of numbering things how many the

674

00:25:28,070 --> 00:25:26,320

quantification of like what it is

675

00:25:29,350 --> 00:25:28,080

because they're all a group they're a

676
00:25:31,669 --> 00:25:29,360
single group

677
00:25:34,310 --> 00:25:31,679
they're a family right so we understood

678
00:25:35,510 --> 00:25:34,320
sons but not like

679
00:25:37,190 --> 00:25:35,520
like

680
00:25:38,870 --> 00:25:37,200
obviously he knew what their names were

681
00:25:42,070 --> 00:25:38,880
though right it wasn't like i have i

682
00:25:43,830 --> 00:25:42,080
have two three sons yeah he they don't

683
00:25:47,029 --> 00:25:43,840
he didn't understand the concept of

684
00:25:48,870 --> 00:25:47,039
counting like what the numbers were

685
00:25:52,470 --> 00:25:48,880
interesting and the whole tribe was like

686
00:25:57,909 --> 00:25:54,830
so what do you so what do you do

687
00:26:01,029 --> 00:25:57,919
when what that what that makes me think

688
00:26:03,830 --> 00:26:01,039

of is like there's a concept

689

00:26:05,669 --> 00:26:03,840

for everything based on your collective

690

00:26:07,510 --> 00:26:05,679

consciousness like

691

00:26:10,710 --> 00:26:07,520

dude like you could believe something

692

00:26:12,390 --> 00:26:10,720

but if you're altered by by whoever

693

00:26:14,070 --> 00:26:12,400

you're hanging out with you're gonna

694

00:26:16,710 --> 00:26:14,080

kind of fall in line and start thinking

695

00:26:18,149 --> 00:26:16,720

like they do

696

00:26:20,070 --> 00:26:18,159

you know if you were brought up this

697

00:26:22,549 --> 00:26:20,080

like your whole entire life to

698

00:26:24,630 --> 00:26:22,559

to not know what a photograph is

699

00:26:28,710 --> 00:26:24,640

uh you would see a photograph of

700

00:26:30,710 --> 00:26:28,720

yourself and say like no hey uh oh

701
00:26:33,110 --> 00:26:30,720
yeah like there's like this like this

702
00:26:35,110 --> 00:26:33,120
famous story where like like this this

703
00:26:36,470 --> 00:26:35,120
this tribe in africa where there was

704
00:26:38,310 --> 00:26:36,480
like a photo taken of them they're like

705
00:26:39,990 --> 00:26:38,320
no no that's like stealing my soul i

706
00:26:42,470 --> 00:26:40,000
give it like you can't do that it was

707
00:26:44,149 --> 00:26:42,480
the same family it's the same dude he's

708
00:26:46,390 --> 00:26:44,159
like what you always got talking about

709
00:26:48,070 --> 00:26:46,400
me guys you guys are counting you guys

710
00:26:50,310 --> 00:26:48,080
are taking pictures like what's up with

711
00:26:52,390 --> 00:26:50,320
y'all really

712
00:26:53,669 --> 00:26:52,400
yeah dude they they just don't under i

713
00:26:58,549 --> 00:26:53,679

don't know

714

00:27:02,789 --> 00:26:58,559

dude okay well speaking of uh

715

00:27:04,870 --> 00:27:02,799

uh frames of references or or um

716

00:27:07,029 --> 00:27:04,880

man i'm doing bad with like

717

00:27:08,310 --> 00:27:07,039

man it's been it's been a long week it's

718

00:27:09,909 --> 00:27:08,320

been a long week

719

00:27:11,750 --> 00:27:09,919

we've got some uh a lot of stuff

720

00:27:12,870 --> 00:27:11,760

happening right now so lots of stuff

721

00:27:16,870 --> 00:27:12,880

yeah

722

00:27:18,870 --> 00:27:16,880

a baby coming man i'm like i can't

723

00:27:22,149 --> 00:27:18,880

i wake up so giddy in the morning like

724

00:27:23,430 --> 00:27:22,159

is it time is it time is it time yet is

725

00:27:25,510 --> 00:27:23,440

it

726
00:27:27,830 --> 00:27:25,520
bro uh

727
00:27:29,269 --> 00:27:27,840
let me tell you about these movies bro

728
00:27:32,070 --> 00:27:29,279
dude yes that i

729
00:27:33,909 --> 00:27:32,080
that i i i want to watch

730
00:27:35,990 --> 00:27:33,919
some of them are like i think like some

731
00:27:38,950 --> 00:27:36,000
of them are like japanese movies

732
00:27:41,190 --> 00:27:38,960
oh but they look super cool so uh let's

733
00:27:43,110 --> 00:27:41,200
see here uh

734
00:27:45,510 --> 00:27:43,120
one of them is called

735
00:27:46,549 --> 00:27:45,520
tara for mars

736
00:27:49,909 --> 00:27:46,559
like you know how you'd be like

737
00:27:53,590 --> 00:27:49,919
terraform mars but this is tara

738
00:27:56,389 --> 00:27:53,600

for mars tara for mars yeah so it's

739

00:27:58,149 --> 00:27:56,399

basically like about how like

740

00:28:00,630 --> 00:27:58,159

i forget like which country it was like

741

00:28:02,950 --> 00:28:00,640

either china or japan or something like

742

00:28:04,470 --> 00:28:02,960

that right yeah

743

00:28:07,029 --> 00:28:04,480

so what they do is they want to

744

00:28:09,750 --> 00:28:07,039

terraform mars and they want to turn it

745

00:28:12,630 --> 00:28:09,760

into a livable place for humans to go to

746

00:28:15,750 --> 00:28:12,640

eventually and so what they do is they

747

00:28:19,669 --> 00:28:15,760

have these um uh genetically engineered

748

00:28:21,909 --> 00:28:19,679

cockroaches that um they send on a

749

00:28:23,190 --> 00:28:21,919

capsule to mars and what these

750

00:28:25,430 --> 00:28:23,200

cockroaches do is because they're

751
00:28:27,750 --> 00:28:25,440
genetically engineered they basically

752
00:28:30,470 --> 00:28:27,760
millions of them go over the surface of

753
00:28:32,389 --> 00:28:30,480
mars and they start to create this moss

754
00:28:34,789 --> 00:28:32,399
and they start to like

755
00:28:35,590 --> 00:28:34,799
like start to turn it green a little bit

756
00:28:37,590 --> 00:28:35,600
right

757
00:28:39,350 --> 00:28:37,600
okay and so

758
00:28:41,510 --> 00:28:39,360
then years later

759
00:28:45,669 --> 00:28:41,520
there's a group of people that actually

760
00:28:47,029 --> 00:28:45,679
get sent to mars when they get there the

761
00:28:49,750 --> 00:28:47,039
ship like

762
00:28:51,510 --> 00:28:49,760
sprays this gas apparently that like is

763
00:28:52,630 --> 00:28:51,520

supposed to kill these cockroaches well

764

00:28:54,310 --> 00:28:52,640

they go out and they're looking for

765

00:28:57,190 --> 00:28:54,320

cockroaches and they don't see any

766

00:28:59,269 --> 00:28:57,200

cockroaches but as they get to to you

767

00:29:01,430 --> 00:28:59,279

know uh

768

00:29:02,870 --> 00:29:01,440

their adventure no no no i know where

769

00:29:05,269 --> 00:29:02,880

you're going with this they look behind

770

00:29:08,230 --> 00:29:05,279

this rock and they see fully formed

771

00:29:10,389 --> 00:29:08,240

humanoid massive cockroaches

772

00:29:18,789 --> 00:29:10,399

and they're like carrying clubs around

773

00:29:22,870 --> 00:29:20,789

yeah dude and so then they go back to

774

00:29:25,350 --> 00:29:22,880

the ship turns out like the captain knew

775

00:29:27,430 --> 00:29:25,360

about it all along the doctor who's

776

00:29:29,350 --> 00:29:27,440

still on earth knew about it all along

777

00:29:31,590 --> 00:29:29,360

and so like they have these like shots

778

00:29:33,830 --> 00:29:31,600

that they can give themselves and like

779

00:29:36,870 --> 00:29:33,840

these the shots they give themselves

780

00:29:39,430 --> 00:29:36,880

give them like it reworks their dna at

781

00:29:41,430 --> 00:29:39,440

like a super rapid pace and so they get

782

00:29:43,750 --> 00:29:41,440

dna of certain bugs like certain people

783

00:29:45,909 --> 00:29:43,760

turn into wasps some turn into army ants

784

00:29:48,389 --> 00:29:45,919

and so it gives them certain powers to

785

00:29:50,710 --> 00:29:48,399

fight these cockroaches and so they go

786

00:29:52,310 --> 00:29:50,720

and they try to like steal these eggs

787

00:29:55,190 --> 00:29:52,320

from the cockroaches because that ends

788

00:29:56,870 --> 00:29:55,200

up being the mission right but turns out

789

00:29:58,710 --> 00:29:56,880

like the whole like the whole time like

790

00:30:00,230 --> 00:29:58,720

the chinese government knew about it and

791

00:30:02,230 --> 00:30:00,240

they were trying to get these super

792

00:30:03,830 --> 00:30:02,240

soldier cockroaches back to earth so

793

00:30:06,630 --> 00:30:03,840

they could genetically engineer him and

794

00:30:09,909 --> 00:30:06,640

make an army a super army of these

795

00:30:13,110 --> 00:30:09,919

cockroaches dude it looks so badass

796

00:30:15,110 --> 00:30:13,120

so what is it called tara for tara for

797

00:30:17,190 --> 00:30:15,120

mars

798

00:30:19,029 --> 00:30:17,200

yeah dude all right if i were i'm gonna

799

00:30:21,269 --> 00:30:19,039

comment it tara

800

00:30:26,230 --> 00:30:21,279

four like the number four yeah

801
00:30:26,240 --> 00:30:30,470
t-e-r-r-a

802
00:30:35,750 --> 00:30:32,149
yeah dude

803
00:30:37,430 --> 00:30:35,760
oh [h__h] dude okay for mars is one word

804
00:30:40,470 --> 00:30:37,440
oh

805
00:30:43,830 --> 00:30:40,480
for mars or mars for mars dude

806
00:30:44,789 --> 00:30:43,840
kind of like spiderman spiderman

807
00:30:45,909 --> 00:30:44,799
batman

808
00:30:47,750 --> 00:30:45,919
hey can i show you something really

809
00:30:50,470 --> 00:30:47,760
quick just synchronicity i'll be right

810
00:30:51,510 --> 00:30:50,480
back yes

811
00:30:57,269 --> 00:30:51,520
run

812
00:30:58,630 --> 00:30:57,279
cool movie i don't know dude

813
00:31:00,870 --> 00:30:58,640

there's a couple more that i saw they

814

00:31:02,630 --> 00:31:00,880

were pretty sweet dude huh it looked

815

00:31:05,350 --> 00:31:02,640

pretty crazy

816

00:31:08,789 --> 00:31:05,360

i was uh

817

00:31:10,070 --> 00:31:08,799

i was looking up some like oh here's ben

818

00:31:11,590 --> 00:31:10,080

what's up dude

819

00:31:13,509 --> 00:31:11,600

dude so

820

00:31:15,269 --> 00:31:13,519

so i did i did a thing

821

00:31:17,110 --> 00:31:15,279

we have a lot of mods out because we

822

00:31:19,509 --> 00:31:17,120

live near the woods

823

00:31:20,789 --> 00:31:19,519

uh-huh and i found a big-ass moth so i

824

00:31:22,470 --> 00:31:20,799

started to do

825

00:31:25,590 --> 00:31:22,480

like this shadowbox thing so i've been

826

00:31:31,430 --> 00:31:28,230

and uh what i think would be hilarious

827

00:31:32,870 --> 00:31:31,440

if we mounted this roach i caught

828

00:31:36,310 --> 00:31:32,880

i caught a roach

829

00:31:39,750 --> 00:31:36,320

oh my god bro i have to tell you

830

00:31:42,310 --> 00:31:39,760

so jess caught it okay she put a tuple a

831

00:31:43,750 --> 00:31:42,320

piece of a tupperware thing over it this

832

00:31:46,070 --> 00:31:43,760

morning i wake up i'm coming down the

833

00:31:47,269 --> 00:31:46,080

stairs she woke up before me come

834

00:31:49,110 --> 00:31:47,279

downstairs there's tupperware on the

835

00:31:50,149 --> 00:31:49,120

ground upside down like baby what's that

836

00:31:51,750 --> 00:31:50,159

and she's like

837

00:31:52,950 --> 00:31:51,760

birdie and i

838

00:31:56,149 --> 00:31:52,960

caught

839

00:31:58,549 --> 00:31:56,159

uh a cockroach and it's under that and

840

00:32:01,110 --> 00:31:58,559

it's still alive

841

00:32:02,710 --> 00:32:01,120

okay so cool i you know start my

842

00:32:03,750 --> 00:32:02,720

computer i'll be like oh we'll just wait

843

00:32:05,190 --> 00:32:03,760

i'm not gonna deal with this right now i

844

00:32:06,950 --> 00:32:05,200

don't want to like

845

00:32:08,310 --> 00:32:06,960

cockroach just freak me out so i'm

846

00:32:11,269 --> 00:32:08,320

waiting all day for this thing to kind

847

00:32:12,950 --> 00:32:11,279

of maybe die or whatever and then like

848

00:32:14,710 --> 00:32:12,960

around lunchtime i'm looking at it it's

849

00:32:16,950 --> 00:32:14,720

on its back it's legs are up i'm like

850

00:32:18,950 --> 00:32:16,960

okay cool so after work i'm gonna let it

851
00:32:20,310 --> 00:32:18,960
you know hang out i don't want the

852
00:32:22,470 --> 00:32:20,320
negative energy i don't want to like

853
00:32:24,230 --> 00:32:22,480
crush it or anything and also be kind of

854
00:32:25,909 --> 00:32:24,240
funny if we mounted it like in the

855
00:32:28,149 --> 00:32:25,919
shadow box and like made it kind of look

856
00:32:30,149 --> 00:32:28,159
dope you know like my swings and stuff

857
00:32:33,350 --> 00:32:30,159
like dude what's that it's like it's a

858
00:32:35,509 --> 00:32:33,360
it's a roach what if what if what if all

859
00:32:39,110 --> 00:32:35,519
the bugs you catch what if we make tiny

860
00:32:40,070 --> 00:32:39,120
ufo garage t-shirts for them

861
00:32:42,470 --> 00:32:40,080
yeah

862
00:32:45,669 --> 00:32:42,480
and we and we take close-up pictures and

863
00:32:47,350 --> 00:32:45,679

those can be like our models for for our

864

00:32:50,470 --> 00:32:47,360

gear dude

865

00:32:52,630 --> 00:32:50,480

yes tiny little ufo garage hats it's

866

00:32:55,590 --> 00:32:52,640

like oh it's so small

867

00:32:57,509 --> 00:32:55,600

you get like a like a like a stick bug

868

00:33:01,830 --> 00:32:57,519

and put some dave scott panties on it i

869

00:33:05,269 --> 00:33:03,509

i want to have a grasshopper with a

870

00:33:07,430 --> 00:33:05,279

little like a little baseball hat and

871

00:33:09,509 --> 00:33:07,440

then i want to make a tiny like a tiny

872

00:33:11,909 --> 00:33:09,519

like a doobie and he's like

873

00:33:14,389 --> 00:33:11,919

like you know we should do it yeah we

874

00:33:16,549 --> 00:33:14,399

should do it so okay so dude i want to

875

00:33:18,470 --> 00:33:16,559

finish my roach story though

876

00:33:20,470 --> 00:33:18,480

so the end of the day

877

00:33:22,310 --> 00:33:20,480

i see this guy he's on his back his legs

878

00:33:24,389 --> 00:33:22,320

are up he's dead i'm thinking okay he

879

00:33:27,110 --> 00:33:24,399

must have gotten in our you know we we

880

00:33:29,269 --> 00:33:27,120

spray for we have a pest control guy i'm

881

00:33:31,509 --> 00:33:29,279

thinking maybe he got into some some

882

00:33:33,830 --> 00:33:31,519

syrup some you know some sweet goodness

883

00:33:36,149 --> 00:33:33,840

and it was actually poison

884

00:33:38,789 --> 00:33:36,159

so anyway i'm thinking this guy's dead

885

00:33:40,310 --> 00:33:38,799

uh at the end of the day i opened i i

886

00:33:42,070 --> 00:33:40,320

something in my head told me to grab

887

00:33:43,430 --> 00:33:42,080

these two cups

888

00:33:45,669 --> 00:33:43,440

and i did

889

00:33:47,750 --> 00:33:45,679

before i lifted the tupperware and then

890

00:33:49,110 --> 00:33:47,760

i lifted the tupperware bro with these

891

00:33:50,830 --> 00:33:49,120

two cups

892

00:33:54,310 --> 00:33:50,840

one in one hand and i lifted the

893

00:33:56,230 --> 00:33:54,320

tupperware this roach on his back goes

894

00:33:59,029 --> 00:33:56,240

there we go

895

00:34:00,789 --> 00:33:59,039

it just started [h__h] running man

896

00:34:02,310 --> 00:34:00,799

he was totally trying to trick me i

897

00:34:05,110 --> 00:34:02,320

swear to god

898

00:34:07,669 --> 00:34:05,120

he flipped his ass over and ran across

899

00:34:09,109 --> 00:34:07,679

the room duffel was taking a nap

900

00:34:10,710 --> 00:34:09,119

no dude

901
00:34:12,230 --> 00:34:10,720
i think they're way more intelligent

902
00:34:13,909 --> 00:34:12,240
than when we get them credited way

903
00:34:15,190 --> 00:34:13,919
smarter dude

904
00:34:18,149 --> 00:34:15,200
he knew he was like i'm just gonna lay

905
00:34:20,950 --> 00:34:18,159
here bro he's this fool's dumb

906
00:34:23,589 --> 00:34:20,960
he's gonna think i'm dead full

907
00:34:25,510 --> 00:34:23,599
he's still moving dude he's still alive

908
00:34:27,109 --> 00:34:25,520
he's still on his back i guarantee you

909
00:34:28,550 --> 00:34:27,119
if i plopped him out he would start to

910
00:34:30,790 --> 00:34:28,560
run away right now

911
00:34:31,430 --> 00:34:30,800
so are you just slowly suffocating him

912
00:34:36,389 --> 00:34:31,440
or

913
00:34:40,069 --> 00:34:37,990

you know what if they can survive a

914

00:34:42,629 --> 00:34:40,079

nuclear holocaust [h__\h] that roach he can

915

00:34:44,550 --> 00:34:42,639

sit in a goddamn cup for a couple hours

916

00:34:46,550 --> 00:34:44,560

all right you know what i'm saying yeah

917

00:34:48,869 --> 00:34:46,560

he's still moving they survived meteor

918

00:34:51,109 --> 00:34:48,879

strikes and and nuclear waste and

919

00:34:52,790 --> 00:34:51,119

volcanoes that dude can survive a

920

00:34:54,470 --> 00:34:52,800

plastic cup ain't nobody worried about

921

00:34:55,909 --> 00:34:54,480

that dude

922

00:34:59,109 --> 00:34:55,919

i mean i didn't like smoosh him with the

923

00:35:01,990 --> 00:34:59,119

plastic cup he's just inside of one

924

00:35:03,750 --> 00:35:02,000

well that wasn't i see you dude thanks

925

00:35:05,270 --> 00:35:03,760

but yeah bro

926
00:35:07,270 --> 00:35:05,280
um

927
00:35:08,790 --> 00:35:07,280
yeah okay and so like i started thinking

928
00:35:10,950 --> 00:35:08,800
dude like

929
00:35:13,190 --> 00:35:10,960
can you imagine like mixing your dna

930
00:35:15,270 --> 00:35:13,200
like evolving your dna like with some

931
00:35:17,430 --> 00:35:15,280
bugs dude like because then you get

932
00:35:19,750 --> 00:35:17,440
superpowers bro like

933
00:35:21,430 --> 00:35:19,760
like the the the fool that injected

934
00:35:23,990 --> 00:35:21,440
himself you got the powers of an army

935
00:35:25,990 --> 00:35:24,000
ant so like he could lift like

936
00:35:27,990 --> 00:35:26,000
over a hundred times his body weight and

937
00:35:30,470 --> 00:35:28,000
so he was just like smashing these these

938
00:35:32,470 --> 00:35:30,480

like cockroaches in the face dude

939

00:35:34,150 --> 00:35:32,480

and they were just like exploding but

940

00:35:35,589 --> 00:35:34,160

there's like millions of them now

941

00:35:38,069 --> 00:35:35,599

they've all bred and there's like

942

00:35:40,310 --> 00:35:38,079

millions of these super like humanoid

943

00:35:42,310 --> 00:35:40,320

massive buff ass cockroaches all over

944

00:35:44,950 --> 00:35:42,320

the planet dude they're crazy there's

945

00:35:47,030 --> 00:35:44,960

nothing more terrifying than a [h__h] a

946

00:35:49,750 --> 00:35:47,040

roach with a six-pack

947

00:35:50,950 --> 00:35:49,760

oh like a human human-sized roach with a

948

00:35:52,630 --> 00:35:50,960

with it it would probably be an eight

949

00:35:54,470 --> 00:35:52,640

and it would be an eight pack or a six

950

00:35:57,030 --> 00:35:54,480

yeah six-pack

951
00:35:58,710 --> 00:35:57,040
yeah dude but uh dude

952
00:36:00,790 --> 00:35:58,720
what uh so when we talk about like

953
00:36:02,710 --> 00:36:00,800
genetically modifying like bodies and

954
00:36:05,270 --> 00:36:02,720
stuff to like match

955
00:36:07,109 --> 00:36:05,280
like the strength of an ant or something

956
00:36:09,349 --> 00:36:07,119
do you think there's ever like a moment

957
00:36:11,109 --> 00:36:09,359
in the lab where instead of getting the

958
00:36:13,030 --> 00:36:11,119
result of like super strength or

959
00:36:14,870 --> 00:36:13,040
whatever it just becomes

960
00:36:16,790 --> 00:36:14,880
like it was the opposite result where

961
00:36:18,710 --> 00:36:16,800
their arms instead of becoming big and

962
00:36:19,990 --> 00:36:18,720
strong become tiny and just like hook

963
00:36:21,109 --> 00:36:20,000

like

964

00:36:23,030 --> 00:36:21,119

do you think that ever happened where

965

00:36:24,829 --> 00:36:23,040

it's like a human torso with tiny little

966

00:36:27,910 --> 00:36:24,839

bug arms coming out the side i don't

967

00:36:30,470 --> 00:36:27,920

know like good at climbing but not like

968

00:36:31,750 --> 00:36:30,480

it doesn't match the weight you know

969

00:36:32,630 --> 00:36:31,760

i don't know if they put that in the

970

00:36:34,150 --> 00:36:32,640

movie

971

00:36:35,910 --> 00:36:34,160

but

972

00:36:37,430 --> 00:36:35,920

that would suck

973

00:36:38,950 --> 00:36:37,440

that was that's why i'll never do it

974

00:36:40,950 --> 00:36:38,960

because because i'll be that [h__\h]

975

00:36:42,150 --> 00:36:40,960

with tiny bug arms i'll be like dude i'm

976
00:36:44,150 --> 00:36:42,160
going to have superpowers and they'll

977
00:36:45,990 --> 00:36:44,160
inject me and i'll be like really

978
00:36:48,150 --> 00:36:46,000
i'm the only person that got super tiny

979
00:36:50,390 --> 00:36:48,160
bug arms it sucks

980
00:36:51,910 --> 00:36:50,400
everybody else is so handsome

981
00:36:56,230 --> 00:36:51,920
and i'm the one that

982
00:37:01,430 --> 00:36:57,670
oh dude

983
00:37:03,829 --> 00:37:01,440
but dude then there was this other movie

984
00:37:07,510 --> 00:37:03,839
that i was looking at and it's called

985
00:37:08,470 --> 00:37:07,520
the discovery right and it's about this

986
00:37:11,510 --> 00:37:08,480
dude

987
00:37:13,990 --> 00:37:11,520
who discovers the afterlife they proved

988
00:37:15,670 --> 00:37:14,000

it and after they proved the existence

989

00:37:18,790 --> 00:37:15,680

of the afterlife people started

990

00:37:21,510 --> 00:37:18,800

committing mass suicide is jason

991

00:37:24,150 --> 00:37:21,520

something in it yes have you seen it

992

00:37:26,310 --> 00:37:24,160

keep talking it's been a while remind me

993

00:37:27,670 --> 00:37:26,320

i love that movie though

994

00:37:29,589 --> 00:37:27,680

remind me what it

995

00:37:32,310 --> 00:37:29,599

dude i guess the guy just discovers that

996

00:37:35,030 --> 00:37:32,320

there is an afterlife and like i don't

997

00:37:37,109 --> 00:37:35,040

know like the trailer was pretty simple

998

00:37:39,030 --> 00:37:37,119

um i i can't really tell you about the

999

00:37:41,190 --> 00:37:39,040

movie all right that's like the the main

1000

00:37:43,030 --> 00:37:41,200

thing and like but like he's upset that

1001
00:37:45,190 --> 00:37:43,040
like his father discovered this and he's

1002
00:37:46,630 --> 00:37:45,200
not proud of his dad that he discovered

1003
00:37:49,030 --> 00:37:46,640
the afterlife because now everybody's

1004
00:37:52,550 --> 00:37:49,040
like killing themselves and stuff and

1005
00:37:55,430 --> 00:37:52,560
like it's pretty wild jason jason siegel

1006
00:37:57,589 --> 00:37:55,440
yeah so like and then that got me

1007
00:38:00,150 --> 00:37:57,599
thinking bro like well what happens if

1008
00:38:02,790 --> 00:38:00,160
we discover the afterlife is real and

1009
00:38:04,630 --> 00:38:02,800
maybe like that's like a maybe it's like

1010
00:38:07,030 --> 00:38:04,640
a like a kill switch you know what i'm

1011
00:38:10,310 --> 00:38:07,040
saying like that's why we'll never be

1012
00:38:12,870 --> 00:38:10,320
able to like know for sure what happens

1013
00:38:15,270 --> 00:38:12,880

after you die because whoever created it

1014

00:38:17,030 --> 00:38:15,280

the creator if there is one he was like

1015

00:38:18,790 --> 00:38:17,040

i'm gonna tell him dude there's gonna be

1016

00:38:20,790 --> 00:38:18,800

like a but they're all just gonna kill

1017

00:38:23,589 --> 00:38:20,800

themselves yeah cuz what happens if

1018

00:38:25,430 --> 00:38:23,599

someone doesn't like it

1019

00:38:26,950 --> 00:38:25,440

like like like what if it happens if

1020

00:38:29,270 --> 00:38:26,960

somebody doesn't like the ending they're

1021

00:38:31,990 --> 00:38:29,280

like oh well [h__h] this like let's just

1022

00:38:33,589 --> 00:38:32,000

fast forward yeah if somebody were to

1023

00:38:35,750 --> 00:38:33,599

find out like hey everything's gonna be

1024

00:38:38,150 --> 00:38:35,760

cold no matter what

1025

00:38:39,589 --> 00:38:38,160

i mean there's a lot of unhappy people

1026

00:38:41,589 --> 00:38:39,599

out there right

1027

00:38:43,910 --> 00:38:41,599

it makes sense like why we're not

1028

00:38:46,790 --> 00:38:43,920

supposed to know do it

1029

00:38:47,589 --> 00:38:46,800

yeah that furthers this idea that this

1030

00:38:52,870 --> 00:38:47,599

this

1031

00:38:56,470 --> 00:38:52,880

whether it be whether it be a simulation

1032

00:38:59,589 --> 00:38:56,480

or or a divine god a higher power

1033

00:39:02,710 --> 00:38:59,599

presence man i'm still open to to all of

1034

00:39:04,150 --> 00:39:02,720

those things i don't think i think i'm

1035

00:39:10,790 --> 00:39:04,160

way

1036

00:39:13,270 --> 00:39:10,800

been open to the atheist kind of thing

1037

00:39:15,190 --> 00:39:13,280

but like i've never really given

1038

00:39:17,030 --> 00:39:15,200

you know really put my heart into it

1039

00:39:19,510 --> 00:39:17,040

like i think it's a possibility that

1040

00:39:22,230 --> 00:39:19,520

there could be nothing that happens but

1041

00:39:24,230 --> 00:39:22,240

and in my in deep down i think something

1042

00:39:26,550 --> 00:39:24,240

happens bro i think you may have to turn

1043

00:39:28,390 --> 00:39:26,560

into a corgi what's up dude

1044

00:39:30,630 --> 00:39:28,400

that's my buddy he came to say hi i was

1045

00:39:33,109 --> 00:39:30,640

like what is that noise dude

1046

00:39:34,470 --> 00:39:33,119

he's the best one he's the most handsome

1047

00:39:36,950 --> 00:39:34,480

hi gizzy

1048

00:39:39,990 --> 00:39:36,960

say hello to everybody i i love your

1049

00:39:44,790 --> 00:39:41,910

if y'all are listening or watching the

1050

00:39:46,310 --> 00:39:44,800

show right now like joe has three corgis

1051

00:39:47,750 --> 00:39:46,320

i don't know if they'll do this just

1052

00:39:49,510 --> 00:39:47,760

three [h__h]

1053

00:39:51,910 --> 00:39:49,520

there's like a [h__h] zoo in this house

1054

00:39:52,870 --> 00:39:51,920

dude and i just got a fish

1055

00:39:56,470 --> 00:39:52,880

no

1056

00:40:01,990 --> 00:39:56,480

yeah i got a fish my kid named him shoe

1057

00:40:05,910 --> 00:40:03,910

he's badass

1058

00:40:08,829 --> 00:40:05,920

well don't let me take care of that fish

1059

00:40:11,829 --> 00:40:08,839

ever i will not kill another one of your

1060

00:40:15,109 --> 00:40:11,839

damn i won't let you fish sit for me

1061

00:40:17,349 --> 00:40:15,119

anymore dude i named him prometheus

1062

00:40:18,790 --> 00:40:17,359

because i wanted to get another fish and

1063

00:40:20,230 --> 00:40:18,800

name him bob

1064

00:40:25,430 --> 00:40:20,240

um

1065

00:40:28,550 --> 00:40:26,870

i love that you let her name him that's

1066

00:40:31,430 --> 00:40:28,560

all yeah i was like i was like what are

1067

00:40:33,349 --> 00:40:31,440

you gonna name him she was like shoot

1068

00:40:36,069 --> 00:40:33,359

i was like shoo and then she just kept

1069

00:40:37,750 --> 00:40:36,079

saying it over shoo shoo shoo and then

1070

00:40:39,750 --> 00:40:37,760

she walks up to the fishing she's like

1071

00:40:41,510 --> 00:40:39,760

shoot she like slaps the tank and i'm

1072

00:40:43,990 --> 00:40:41,520

like no don't do that she slaps it

1073

00:40:46,230 --> 00:40:44,000

harder i might not be gentle and she

1074

00:40:47,910 --> 00:40:46,240

pets the top of the the

1075

00:40:49,829 --> 00:40:47,920

the uh the aquarium

1076

00:40:51,190 --> 00:40:49,839

and then she's like shoot if she slams

1077

00:40:52,870 --> 00:40:51,200

it

1078

00:40:53,750 --> 00:40:52,880

fish is freaking out having a heart

1079

00:40:57,510 --> 00:40:53,760

attack

1080

00:40:59,190 --> 00:40:57,520

oh my god ah poor shoe he's a shoe

1081

00:41:01,750 --> 00:40:59,200

shoe

1082

00:41:03,589 --> 00:41:01,760

that's a good name i know

1083

00:41:04,950 --> 00:41:03,599

i mean there's other there's other names

1084

00:41:06,870 --> 00:41:04,960

that kind of sound like shoe if you

1085

00:41:08,309 --> 00:41:06,880

didn't know what shoe meant you know ben

1086

00:41:10,150 --> 00:41:08,319

kind of sounds like a shoe it's like

1087

00:41:12,950 --> 00:41:10,160

sounds kind of like shoe right kind of

1088

00:41:15,030 --> 00:41:12,960

like shoe man it's very simple

1089

00:41:18,230 --> 00:41:15,040

and i can see that

1090

00:41:20,710 --> 00:41:18,240

elmo has this uh this goldfish and he

1091

00:41:21,910 --> 00:41:20,720

named it goldie and i was like are you

1092

00:41:23,829 --> 00:41:21,920

gonna what are you gonna name are you

1093

00:41:25,829 --> 00:41:23,839

gonna name it goldie because she loves

1094

00:41:28,950 --> 00:41:25,839

she loves elmo's world

1095

00:41:31,510 --> 00:41:28,960

um and uh she sees it all the time she's

1096

00:41:33,910 --> 00:41:31,520

always like oh look elmo and she loves

1097

00:41:36,870 --> 00:41:33,920

the fish so i thought she was gonna like

1098

00:41:38,790 --> 00:41:36,880

do something elmo related but she went

1099

00:41:40,069 --> 00:41:38,800

with shoe

1100

00:41:44,230 --> 00:41:40,079

she was like shoo

1101

00:41:48,950 --> 00:41:44,240

la la la la la la la la elmo's world

1102

00:41:52,950 --> 00:41:48,960

elmo loves his goldfish his crowns too

1103

00:41:58,069 --> 00:41:52,960

that's elmo's world elmo loves his

1104

00:42:02,950 --> 00:41:59,990

and then she named it chew that she

1105

00:42:05,910 --> 00:42:02,960

named it out of all that that amazing

1106

00:42:06,710 --> 00:42:05,920

that amazing song and creativity yeah

1107

00:42:08,470 --> 00:42:06,720

yeah

1108

00:42:10,630 --> 00:42:08,480

she went with shu that's how you know

1109

00:42:12,870 --> 00:42:10,640

she's a creative uh creative brain man

1110

00:42:15,190 --> 00:42:12,880

that's that's that's my kid man you did

1111

00:42:17,109 --> 00:42:15,200

good you did good i know

1112

00:42:18,550 --> 00:42:17,119

it's so funny bro

1113

00:42:20,550 --> 00:42:18,560

uh

1114

00:42:22,470 --> 00:42:20,560

what was another movie i had another

1115

00:42:24,950 --> 00:42:22,480

movie out here that was pretty dope it

1116

00:42:27,589 --> 00:42:24,960

looked pretty interesting uh it was

1117

00:42:29,190 --> 00:42:27,599

called something with the gods along

1118

00:42:32,150 --> 00:42:29,200

with the gods

1119

00:42:34,230 --> 00:42:32,160

and now is a crazy one it's like when

1120

00:42:37,910 --> 00:42:34,240

you die you have to go through like

1121

00:42:39,109 --> 00:42:37,920

seven torturous levels of hell

1122

00:42:41,030 --> 00:42:39,119

it was like a i think it's like a

1123

00:42:44,150 --> 00:42:41,040

japanese film

1124

00:42:46,150 --> 00:42:44,160

um but then like they have these gods um

1125

00:42:48,630 --> 00:42:46,160

these little guides that like take you

1126
00:42:50,870 --> 00:42:48,640
through all the realms and if you

1127
00:42:52,309 --> 00:42:50,880
actually pass the realms

1128
00:42:54,550 --> 00:42:52,319
then you can

1129
00:42:57,030 --> 00:42:54,560
reincarnate but you have to go through

1130
00:42:59,829 --> 00:42:57,040
the realms in order to reincarnate and

1131
00:43:03,349 --> 00:42:59,839
whoever your guide is if they help you

1132
00:43:06,390 --> 00:43:03,359
reincarnate up to like 50 times or 45

1133
00:43:07,829 --> 00:43:06,400
times they can be reborn as a as a real

1134
00:43:09,670 --> 00:43:07,839
person again

1135
00:43:11,109 --> 00:43:09,680
are you talking about the squid game

1136
00:43:13,589 --> 00:43:11,119
thing on netflix

1137
00:43:16,870 --> 00:43:13,599
no because that that's also kind of like

1138
00:43:19,190 --> 00:43:16,880

uh like there's like levels to it okay

1139

00:43:21,030 --> 00:43:19,200

have you seen squid game no

1140

00:43:22,470 --> 00:43:21,040

just watch it so i haven't watched it

1141

00:43:25,030 --> 00:43:22,480

i've been going to bed early

1142

00:43:27,190 --> 00:43:25,040

what she won't watch it dude well i get

1143

00:43:29,430 --> 00:43:27,200

why it's scary it looks it looks [h__h]

1144

00:43:31,270 --> 00:43:29,440

up looks [h__h] up we don't want we

1145

00:43:33,140 --> 00:43:31,280

don't want evelyn to to come into the

1146

00:43:35,270 --> 00:43:33,150

world with that that evilness

1147

00:43:38,069 --> 00:43:35,280

[Laughter]

1148

00:43:39,349 --> 00:43:38,079

it's not bad dude we're being very you

1149

00:43:43,030 --> 00:43:39,359

know

1150

00:43:43,040 --> 00:43:46,309

you can't say that

1151

00:43:49,990 --> 00:43:48,150

you're gay dude

1152

00:43:51,430 --> 00:43:50,000

i was just [\h__\h] with you uh no i get

1153

00:43:52,870 --> 00:43:51,440

it man you gotta you gotta be all like

1154

00:43:55,980 --> 00:43:52,880

like uh like

1155

00:44:00,309 --> 00:43:58,309

[Music]

1156

00:44:03,670 --> 00:44:00,319

dude you like

1157

00:44:04,870 --> 00:44:03,680

oh no you don't like that is a realm of

1158

00:44:06,710 --> 00:44:04,880

hell dude

1159

00:44:09,589 --> 00:44:06,720

the the amount of times that i've seen

1160

00:44:11,910 --> 00:44:09,599

elmo's world is is they just keep

1161

00:44:15,430 --> 00:44:11,920

repeating the same thing over and over

1162

00:44:18,550 --> 00:44:15,440

and over again yeah like i mean

1163

00:44:20,390 --> 00:44:18,560

i get it right it's very educational my

1164

00:44:21,109 --> 00:44:20,400

kid learns a lot of stuff

1165

00:44:24,630 --> 00:44:21,119

but

1166

00:44:26,230 --> 00:44:24,640

i i i can't sit through another episode

1167

00:44:27,510 --> 00:44:26,240

of of like

1168

00:44:32,069 --> 00:44:27,520

you know

1169

00:44:34,630 --> 00:44:32,079

like i just can't do it how do you how

1170

00:44:37,829 --> 00:44:34,640

do you make such a long episode on like

1171

00:44:40,150 --> 00:44:37,839

ears right it's it's pretty impressive

1172

00:44:42,309 --> 00:44:40,160

actually yeah if you think about it

1173

00:44:44,790 --> 00:44:42,319

we're trying to make that color green

1174

00:44:47,190 --> 00:44:44,800

today we're going to talk about ears

1175

00:44:49,990 --> 00:44:47,200

and it's like well this will be like

1176
00:44:51,349 --> 00:44:50,000
45 minutes of like learning about ears

1177
00:44:52,550 --> 00:44:51,359
that's crazy

1178
00:44:57,030 --> 00:44:52,560
have you heard

1179
00:44:59,430 --> 00:44:57,040
the word gary voorhees is asking how the

1180
00:45:01,670 --> 00:44:59,440
movie's going

1181
00:45:04,710 --> 00:45:01,680
brother

1182
00:45:06,390 --> 00:45:04,720
it's good good it's going pretty good

1183
00:45:07,750 --> 00:45:06,400
better than we could have ever imagined

1184
00:45:08,790 --> 00:45:07,760
honestly man

1185
00:45:10,550 --> 00:45:08,800
also

1186
00:45:12,630 --> 00:45:10,560
there's a chance

1187
00:45:14,790 --> 00:45:12,640
gary if you're still in dude

1188
00:45:16,150 --> 00:45:14,800

carrie might be in the in the movie

1189

00:45:19,430 --> 00:45:16,160

ah

1190

00:45:21,270 --> 00:45:19,440

nico's nico's going to be in florida

1191

00:45:24,550 --> 00:45:21,280

lorata

1192

00:45:25,670 --> 00:45:24,560

in october this is okay end of october

1193

00:45:27,589 --> 00:45:25,680

so

1194

00:45:29,750 --> 00:45:27,599

gary could be in the in the documentary

1195

00:45:33,270 --> 00:45:29,760

gary he's a busy guy he's in a lot of

1196

00:45:39,030 --> 00:45:33,280

stuff he's gonna be a lot yeah sorry nba

1197

00:45:39,040 --> 00:45:42,230

dot dot dot

1198

00:45:45,510 --> 00:45:44,309

he's a busy guy come on bro

1199

00:45:46,470 --> 00:45:45,520

you can do it

1200

00:45:47,510 --> 00:45:46,480

uh

1201

00:45:49,270 --> 00:45:47,520

well

1202

00:45:52,069 --> 00:45:49,280

we'll see hopefully he'll he'll be in

1203

00:45:55,109 --> 00:45:52,079

our documentary that'd be sick

1204

00:45:57,109 --> 00:45:55,119

uh dude so what's he gonna do

1205

00:45:59,270 --> 00:45:57,119

well he's gonna he's gonna tell us about

1206

00:46:00,550 --> 00:45:59,280

his stuff i don't know man

1207

00:46:02,550 --> 00:46:00,560

it's gonna be cool though it's like an

1208

00:46:04,710 --> 00:46:02,560

entire movie and then there's like this

1209

00:46:08,069 --> 00:46:04,720

15 second clip and it's scary

1210

00:46:11,390 --> 00:46:09,589

it's gonna be like it's gonna be a drone

1211

00:46:14,470 --> 00:46:11,400

shot of him on a

1212

00:46:16,950 --> 00:46:14,480

boat away

1213

00:46:18,309 --> 00:46:16,960

oh dude

1214

00:46:19,349 --> 00:46:18,319

that's gonna be

1215

00:46:21,270 --> 00:46:19,359

the president

1216

00:46:24,630 --> 00:46:21,280

you you apx bro

1217

00:46:25,750 --> 00:46:24,640

yeah he's a kind of big deal [h__h] yeah

1218

00:46:27,670 --> 00:46:25,760

oh [h__h]

1219

00:46:29,829 --> 00:46:27,680

dave's uh dave scott has joined us

1220

00:46:33,349 --> 00:46:29,839

what's up dude

1221

00:46:36,870 --> 00:46:33,359

gary voorhees charges for autographs

1222

00:46:41,829 --> 00:46:39,349

but i i heard he only charges uh uh

1223

00:46:44,790 --> 00:46:41,839

pasta like cooked pasta cooked pasta

1224

00:46:48,870 --> 00:46:47,109

i only take meatballs for payment

1225

00:46:51,109 --> 00:46:48,880

right

1226

00:46:53,030 --> 00:46:51,119

i get paid in meatballs we just watched

1227

00:46:54,870 --> 00:46:53,040

wedding singer last uh two nights ago

1228

00:46:57,990 --> 00:46:54,880

dude was so good

1229

00:46:59,750 --> 00:46:58,000

he's like that's a good meatball it's a

1230

00:47:02,230 --> 00:46:59,760

good meatball

1231

00:47:05,829 --> 00:47:02,240

she's like no no no no you take it can i

1232

00:47:05,839 --> 00:47:09,109

that's a good meatball

1233

00:47:13,910 --> 00:47:11,190

well like it's such a quick it's such a

1234

00:47:16,309 --> 00:47:13,920

quick scene like i know like they don't

1235

00:47:17,670 --> 00:47:16,319

spend a lot of time on it like i love

1236

00:47:19,750 --> 00:47:17,680

that dude

1237

00:47:24,390 --> 00:47:19,760

now take off my van halen t-shirt before

1238

00:47:27,270 --> 00:47:25,910

i thought

1239

00:47:28,309 --> 00:47:27,280

i was like that's a [h__h] line that

1240

00:47:30,710 --> 00:47:28,319

joe would

1241

00:47:33,270 --> 00:47:30,720

come up with bro like

1242

00:47:35,829 --> 00:47:33,280

oh dude i love that movie

1243

00:47:39,430 --> 00:47:35,839

big adam sandler fan i like all his

1244

00:47:41,430 --> 00:47:39,440

movies he's so dope dude

1245

00:47:43,750 --> 00:47:41,440

even like the new ones that like aren't

1246

00:47:46,870 --> 00:47:43,760

that good like they're still good dude i

1247

00:47:50,150 --> 00:47:46,880

appreciate them for the you know

1248

00:47:52,710 --> 00:47:50,160

the value right like younger kids kind

1249

00:47:54,230 --> 00:47:52,720

of like it a little bit more you know i

1250

00:47:55,430 --> 00:47:54,240

i get it i get it you know what i'm

1251
00:47:57,910 --> 00:47:55,440
saying

1252
00:48:00,069 --> 00:47:57,920
it's still good man

1253
00:48:03,270 --> 00:48:00,079
hey eric mitchell he's in the chat

1254
00:48:05,349 --> 00:48:03,280
what's up dude what's up man

1255
00:48:08,069 --> 00:48:05,359
everybody's here tonight dude hell yeah

1256
00:48:10,390 --> 00:48:08,079
we got air crew got a great crew alien

1257
00:48:13,030 --> 00:48:10,400
girl ryan sprague

1258
00:48:16,630 --> 00:48:13,040
freaking tammy's here hammy

1259
00:48:18,470 --> 00:48:16,640
tammy finally and we got free champ

1260
00:48:21,990 --> 00:48:18,480
bonnie are you still here because that

1261
00:48:24,230 --> 00:48:22,000
would be awesome bonnie money

1262
00:48:36,710 --> 00:48:24,240
money okay we're gonna be quiet until

1263
00:48:39,750 --> 00:48:38,069

this isn't going to work man this is

1264

00:48:42,390 --> 00:48:39,760

yeah yeah this is terrible racing stage

1265

00:48:45,430 --> 00:48:42,400

necro all the way from australia what's

1266

00:48:52,069 --> 00:48:50,150

oh thanks dude i appreciate that man

1267

00:48:54,630 --> 00:48:52,079

and he said my dog is cute

1268

00:48:58,150 --> 00:48:54,640

dog is cute you say hates your dog's

1269

00:49:00,230 --> 00:48:58,160

face but it's it's only it's only gizmo

1270

00:49:02,390 --> 00:49:00,240

i love your other dog well molly's very

1271

00:49:04,630 --> 00:49:02,400

sweet actually she's so sweet she's so

1272

00:49:07,109 --> 00:49:04,640

sweet i'm really just talking about luna

1273

00:49:09,990 --> 00:49:07,119

you know that i'm [h__h] on here i'm so

1274

00:49:11,910 --> 00:49:10,000

sorry but she bit my ass dude i'll swing

1275

00:49:14,390 --> 00:49:11,920

it on your swing she bit my butt cheek

1276

00:49:16,230 --> 00:49:14,400

this is a [h__\h]

1277

00:49:18,630 --> 00:49:16,240

did you did i've been trying to get that

1278

00:49:20,950 --> 00:49:18,640

dog to run away for months did amanda's

1279

00:49:22,309 --> 00:49:20,960

sister take her take her in yet or is

1280

00:49:24,790 --> 00:49:22,319

that still yeah

1281

00:49:26,950 --> 00:49:24,800

she did yeah yeah dude she's living out

1282

00:49:29,349 --> 00:49:26,960

on a farm she's loving it that's where

1283

00:49:32,069 --> 00:49:29,359

she belongs man dude she's a wide open

1284

00:49:34,069 --> 00:49:32,079

field she helps with like the cattle and

1285

00:49:35,750 --> 00:49:34,079

the sheep and like horses and stuff like

1286

00:49:37,589 --> 00:49:35,760

that she's having a lot of fun she's

1287

00:49:39,030 --> 00:49:37,599

learning from all the border collies out

1288

00:49:40,630 --> 00:49:39,040

there you know

1289

00:49:43,349 --> 00:49:40,640

because here dude i mean molly likes to

1290

00:49:45,990 --> 00:49:43,359

take naps and gizmo just likes to snack

1291

00:49:48,150 --> 00:49:46,000

dude dude that's awesome so she was kind

1292

00:49:51,030 --> 00:49:48,160

of like it's just the oddball man you

1293

00:49:51,990 --> 00:49:51,040

know yeah so much well it's like it's

1294

00:50:00,390 --> 00:49:52,000

like

1295

00:50:02,230 --> 00:50:00,400

something

1296

00:50:04,870 --> 00:50:02,240

to be in charge of

1297

00:50:07,670 --> 00:50:04,880

yeah yeah dude you know like that's all

1298

00:50:09,270 --> 00:50:07,680

we need our stress level dude has gone

1299

00:50:11,109 --> 00:50:09,280

down like

1300

00:50:13,589 --> 00:50:11,119

at least two and a half percent since

1301

00:50:15,750 --> 00:50:13,599

she's been gone

1302

00:50:19,430 --> 00:50:15,760

that's all

1303

00:50:27,030 --> 00:50:23,349

hey gary voorhees just became a new

1304

00:50:29,589 --> 00:50:27,040

space fart member y'all yeah dude didn't

1305

00:50:32,150 --> 00:50:29,599

know okay if you didn't know you could

1306

00:50:33,670 --> 00:50:32,160

become a member of the ufo garage

1307

00:50:36,150 --> 00:50:33,680

podcast

1308

00:50:37,990 --> 00:50:36,160

carl what's up carl is this doctor

1309

00:50:39,990 --> 00:50:38,000

scientist or a space fart member

1310

00:50:42,230 --> 00:50:40,000

currently there's only two levels two

1311

00:50:45,270 --> 00:50:42,240

tiers just because we want to make the

1312

00:50:50,470 --> 00:50:45,280

third tier like badass yeah what if we

1313

00:50:57,190 --> 00:50:54,069

and then like we centered

1314

00:50:58,549 --> 00:50:57,200

was it i don't know we seen like recipes

1315

00:51:01,109 --> 00:50:58,559

each week

1316

00:51:03,270 --> 00:51:01,119

our favorite our favorite cereals ever

1317

00:51:08,549 --> 00:51:03,280

cereals that day

1318

00:51:12,069 --> 00:51:10,549

there's like a 30 second video each

1319

00:51:14,230 --> 00:51:12,079

morning of what breakfast we're having

1320

00:51:15,670 --> 00:51:14,240

it's like hey if y'all learn all these

1321

00:51:17,910 --> 00:51:15,680

[h__\h] tricks

1322

00:51:20,150 --> 00:51:17,920

they're not for kids remember do tricks

1323

00:51:25,430 --> 00:51:20,160

are for kids no dude but they're not

1324

00:51:25,440 --> 00:51:29,589

tricks and mushrooms they're the best

1325

00:51:33,190 --> 00:51:31,670

three boob alien i just i don't know

1326
00:51:34,390 --> 00:51:33,200
where that came from but i freaking love

1327
00:51:37,430 --> 00:51:34,400
it apollo

1328
00:51:39,990 --> 00:51:37,440
i like it what's that from uh that's uh

1329
00:51:43,109 --> 00:51:40,000
dude hold on three boob alien is from a

1330
00:51:45,910 --> 00:51:43,119
movie um

1331
00:51:47,510 --> 00:51:45,920
it's no austin powers

1332
00:51:49,910 --> 00:51:47,520
no bro this is

1333
00:51:51,990 --> 00:51:49,920
this is from like the ele it's like

1334
00:51:55,829 --> 00:51:52,000
elements uh where there's like the chick

1335
00:51:59,430 --> 00:51:57,829
yeah fifth element

1336
00:52:02,150 --> 00:51:59,440
i think it's

1337
00:52:04,950 --> 00:52:02,160
oh it's total recall yes that's what it

1338
00:52:07,430 --> 00:52:04,960

is west h thank you it is total recall

1339

00:52:10,069 --> 00:52:07,440

boom hell yeah oh

1340

00:52:12,710 --> 00:52:10,079

yeah uh dave got it too yeah

1341

00:52:14,150 --> 00:52:12,720

totally oh my god i keep pressing the

1342

00:52:15,030 --> 00:52:14,160

thing

1343

00:52:16,630 --> 00:52:15,040

uh

1344

00:52:20,549 --> 00:52:16,640

honestly dude what would you do if there

1345

00:52:23,349 --> 00:52:20,559

was three bibs oh play with them

1346

00:52:25,670 --> 00:52:23,359

like for like a long time yeah as long

1347

00:52:27,750 --> 00:52:25,680

as it could

1348

00:52:29,430 --> 00:52:27,760

honestly i've only been able to do the

1349

00:52:30,390 --> 00:52:29,440

fish move but

1350

00:52:36,470 --> 00:52:30,400

this way

1351
00:52:39,750 --> 00:52:38,790
and one makes like like a slightly

1352
00:52:41,240 --> 00:52:39,760
slightly

1353
00:52:44,230 --> 00:52:41,250
higher pitched tone

1354
00:52:45,510 --> 00:52:44,240
[Music]

1355
00:52:47,510 --> 00:52:45,520
you know

1356
00:52:50,069 --> 00:52:47,520
that's pretty cool full you wanted to

1357
00:52:51,670 --> 00:52:50,079
talk about that full bashar dude

1358
00:52:55,030 --> 00:52:51,680
let's do it let's talk about that fool

1359
00:52:57,109 --> 00:52:55,040
bashar we're rambling

1360
00:52:59,190 --> 00:52:57,119
that was our rambling portion of the uh

1361
00:53:01,270 --> 00:52:59,200
we don't have any yeah honestly we were

1362
00:53:04,630 --> 00:53:01,280
supposed to have a guest tonight so you

1363
00:53:06,309 --> 00:53:04,640

know it's been a rough month for us dude

1364

00:53:08,230 --> 00:53:06,319

yeah the one month we actually get a

1365

00:53:09,350 --> 00:53:08,240

dope sponsor and like we have like [h__h]

1366

00:53:11,829 --> 00:53:09,360

to talk about man

1367

00:53:15,030 --> 00:53:11,839

[Laughter]

1368

00:53:17,349 --> 00:53:15,040

it's so uh it's so like us you know yeah

1369

00:53:20,150 --> 00:53:17,359

right totally on brand

1370

00:53:21,670 --> 00:53:20,160

anytime anytime we have a an opportunity

1371

00:53:23,990 --> 00:53:21,680

to present itself

1372

00:53:26,069 --> 00:53:24,000

you know we kind of just shut the bad

1373

00:53:28,150 --> 00:53:26,079

constantly that's you know if we're

1374

00:53:30,470 --> 00:53:28,160

consistent in any way that's what we are

1375

00:53:32,309 --> 00:53:30,480

consistent in yeah dude

1376

00:53:34,309 --> 00:53:32,319

yeah well let's talk about that full

1377

00:53:37,349 --> 00:53:34,319

bashar

1378

00:53:40,630 --> 00:53:37,359

okay so what's the real guy's name daryl

1379

00:53:43,510 --> 00:53:40,640

anka daryl anka yes

1380

00:53:47,750 --> 00:53:43,520

how do you feel

1381

00:53:52,630 --> 00:53:49,109

oh i thought you were following up with

1382

00:53:53,510 --> 00:53:52,640

the okay so just that's it just this

1383

00:53:56,150 --> 00:53:53,520

okay

1384

00:53:58,710 --> 00:53:56,160

yeah you actually introduced me to

1385

00:54:00,870 --> 00:53:58,720

derail my hair looks weird you

1386

00:54:03,270 --> 00:54:00,880

introduced me to daryl anka

1387

00:54:06,390 --> 00:54:03,280

back when we first started the podcast

1388

00:54:08,069 --> 00:54:06,400

like two years ago bro and i really was

1389

00:54:09,990 --> 00:54:08,079

uncertain about it because like

1390

00:54:11,589 --> 00:54:10,000

channeling and all that stuff was very

1391

00:54:14,630 --> 00:54:11,599

new to me

1392

00:54:16,390 --> 00:54:14,640

and i feel like i have grown to

1393

00:54:19,750 --> 00:54:16,400

not only accept

1394

00:54:22,230 --> 00:54:19,760

but be very very interested in those who

1395

00:54:24,230 --> 00:54:22,240

claim to be channelers

1396

00:54:26,549 --> 00:54:24,240

i'm not saying that you should believe

1397

00:54:28,790 --> 00:54:26,559

everybody that's a channeler

1398

00:54:29,990 --> 00:54:28,800

but dude this guy

1399

00:54:33,030 --> 00:54:30,000

man

1400

00:54:35,430 --> 00:54:33,040

i have been watching his videos

1401

00:54:37,030 --> 00:54:35,440

uh just clips on tick tock

1402

00:54:38,630 --> 00:54:37,040

and i

1403

00:54:41,670 --> 00:54:38,640

think i'm a believer

1404

00:54:43,349 --> 00:54:41,680

at this moment in time i think i think

1405

00:54:44,789 --> 00:54:43,359

he's telling the truth man like that

1406

00:54:46,549 --> 00:54:44,799

he's actually

1407

00:54:49,270 --> 00:54:46,559

channeling

1408

00:54:50,549 --> 00:54:49,280

another consciousness

1409

00:54:52,390 --> 00:54:50,559

yeah

1410

00:54:54,309 --> 00:54:52,400

that's where i'm at dude and that's i'm

1411

00:54:57,589 --> 00:54:54,319

okay with that's where i'm at right now

1412

00:55:00,950 --> 00:54:57,599

like i think that's happening bro

1413

00:55:03,750 --> 00:55:00,960

you know uh what if wha i i always think

1414

00:55:05,750 --> 00:55:03,760

this right what if he's just a brilliant

1415

00:55:07,670 --> 00:55:05,760

marketer right what if he's like a tony

1416

00:55:09,349 --> 00:55:07,680

robbins kind of a guy but he was like i

1417

00:55:12,069 --> 00:55:09,359

just i'm not gonna fit in with that

1418

00:55:14,470 --> 00:55:12,079

crowd i'm good at self-help books i can

1419

00:55:16,390 --> 00:55:14,480

really help people but he's like i just

1420

00:55:20,069 --> 00:55:16,400

don't want to like you know there's it's

1421

00:55:22,470 --> 00:55:20,079

just over saturated so what if 100

1422

00:55:24,069 --> 00:55:22,480

i say that i'm channeling

1423

00:55:27,910 --> 00:55:24,079

this

1424

00:55:29,030 --> 00:55:27,920

called bashar

1425

00:55:31,910 --> 00:55:29,040

right and

1426

00:55:35,750 --> 00:55:31,920

it could be man which

1427

00:55:40,309 --> 00:55:37,990

i don't know man i don't know

1428

00:55:43,109 --> 00:55:40,319

it very well could be but you know at

1429

00:55:45,430 --> 00:55:43,119

the same time dude i mean

1430

00:55:49,750 --> 00:55:45,440

i kind of believe in the channeling

1431

00:55:51,829 --> 00:55:49,760

thing as well right i i believe in it

1432

00:55:53,190 --> 00:55:51,839

man i think dude when it comes to that

1433

00:55:54,710 --> 00:55:53,200

kind of stuff

1434

00:55:56,309 --> 00:55:54,720

it's like something that's gotta just

1435

00:55:59,990 --> 00:55:56,319

happen to you

1436

00:56:00,950 --> 00:56:00,000

you to like really kind of let it sink

1437

00:56:02,390 --> 00:56:00,960

in

1438

00:56:04,230 --> 00:56:02,400

you know like whenever like like when we

1439

00:56:05,829 --> 00:56:04,240

had samantha mow it on she was like oh

1440

00:56:07,270 --> 00:56:05,839

i've been channeling this whole time we

1441

00:56:08,870 --> 00:56:07,280

were like what the hell

1442

00:56:11,270 --> 00:56:08,880

but she was like answering questions

1443

00:56:13,270 --> 00:56:11,280

that we were like kind of like thinking

1444

00:56:15,349 --> 00:56:13,280

and like we would look at each other and

1445

00:56:17,349 --> 00:56:15,359

we knew what we wanted to say but she

1446

00:56:20,230 --> 00:56:17,359

automatically said it before we even

1447

00:56:22,069 --> 00:56:20,240

like before we like before we asked the

1448

00:56:25,750 --> 00:56:22,079

question she answered it she knew

1449

00:56:28,390 --> 00:56:25,760

exactly what what we were gonna say yeah

1450

00:56:29,910 --> 00:56:28,400

and it was like that's weird and then

1451

00:56:31,430 --> 00:56:29,920

like later on down the road she's like

1452

00:56:32,870 --> 00:56:31,440

oh i've been channeling this whole time

1453

00:56:35,109 --> 00:56:32,880

it's like oh

1454

00:56:37,270 --> 00:56:35,119

okay all right all right

1455

00:56:39,510 --> 00:56:37,280

okay cool cool yeah right

1456

00:56:42,309 --> 00:56:39,520

so dude i mean

1457

00:56:44,230 --> 00:56:42,319

oh john edwards champ yes that's a good

1458

00:56:46,309 --> 00:56:44,240

example so john edwards right like john

1459

00:56:47,589 --> 00:56:46,319

edwards is this

1460

00:56:49,349 --> 00:56:47,599

uh

1461

00:56:51,349 --> 00:56:49,359

he's not a religious guy he's just kind

1462

00:56:53,829 --> 00:56:51,359

of like this he claims that he can speak

1463

00:56:56,230 --> 00:56:53,839

to the afterlife people in the afterlife

1464

00:56:57,829 --> 00:56:56,240

and uh you know i haven't really looked

1465

00:56:59,349 --> 00:56:57,839

into him lately

1466

00:57:00,630 --> 00:56:59,359

but there's there's like two sides of it

1467

00:57:02,150 --> 00:57:00,640

right there's people that totally

1468

00:57:04,309 --> 00:57:02,160

believe he's legit and then there's

1469

00:57:06,150 --> 00:57:04,319

other people that have proven for a fact

1470

00:57:07,430 --> 00:57:06,160

that he's kind of

1471

00:57:08,710 --> 00:57:07,440

oh

1472

00:57:12,390 --> 00:57:08,720

he's kind of it's kind of tricking

1473

00:57:13,270 --> 00:57:12,400

people uh like there's some tactics uh

1474

00:57:14,549 --> 00:57:13,280

that

1475

00:57:17,349 --> 00:57:14,559

they go

1476
00:57:18,950 --> 00:57:17,359
i i believe i watched something dude

1477
00:57:20,549 --> 00:57:18,960
because i'm not like

1478
00:57:22,069 --> 00:57:20,559
i can't just like make this [h__h] up like

1479
00:57:24,309 --> 00:57:22,079
i know i know that i've seen it

1480
00:57:27,349 --> 00:57:24,319
somewhere like there's a

1481
00:57:29,270 --> 00:57:27,359
there's like a person that if you

1482
00:57:31,109 --> 00:57:29,280
were to be a part of something that's

1483
00:57:33,190 --> 00:57:31,119
filmed right you have to sign some sort

1484
00:57:35,589 --> 00:57:33,200
of waiver or release right right you

1485
00:57:36,630 --> 00:57:35,599
have to fill in some sort of information

1486
00:57:41,829 --> 00:57:36,640
so

1487
00:57:44,950 --> 00:57:41,839
would have to fill in

1488
00:57:47,510 --> 00:57:44,960

so i don't know maybe that form included

1489

00:57:49,670 --> 00:57:47,520

have you lost someone recently

1490

00:57:51,750 --> 00:57:49,680

and that's where you get this

1491

00:57:53,990 --> 00:57:51,760

information and maybe he has like an in

1492

00:57:55,670 --> 00:57:54,000

like a earpiece or whatever dude i'm

1493

00:57:57,430 --> 00:57:55,680

like totally speculating i don't know

1494

00:57:59,829 --> 00:57:57,440

man it's been it's been years since i've

1495

00:58:02,309 --> 00:57:59,839

looked into this guy he could be totally

1496

00:58:04,069 --> 00:58:02,319

legit i don't know well you know we're

1497

00:58:05,349 --> 00:58:04,079

not talking about uh

1498

00:58:07,109 --> 00:58:05,359

daryl ankle we're talking about this

1499

00:58:08,549 --> 00:58:07,119

john edwards guy by the way

1500

00:58:10,150 --> 00:58:08,559

right right

1501
00:58:11,510 --> 00:58:10,160
you know and yeah like that that whole

1502
00:58:13,030 --> 00:58:11,520
form thing that you're talking about

1503
00:58:14,549 --> 00:58:13,040
filling out like you know it's kind of

1504
00:58:18,390 --> 00:58:14,559
like when you like you're kind of

1505
00:58:20,150 --> 00:58:18,400
fishing for like a route to take like

1506
00:58:22,950 --> 00:58:20,160
i've heard some people like on coast to

1507
00:58:25,910 --> 00:58:22,960
coast and they'll be like i'm getting a

1508
00:58:28,470 --> 00:58:25,920
feeling that uh this is like a uh maybe

1509
00:58:31,109 --> 00:58:28,480
a female energy and they'll be like

1510
00:58:32,870 --> 00:58:31,119
oh my god yes it's my mother and they'll

1511
00:58:34,950 --> 00:58:32,880
be like okay i'm getting a like a

1512
00:58:36,789 --> 00:58:34,960
feeling it was a family member and

1513
00:58:39,349 --> 00:58:36,799

they're like yes my mother and they're

1514

00:58:41,589 --> 00:58:39,359

like okay i'm i'm feeling this energy

1515

00:58:43,430 --> 00:58:41,599

like a divine feminine like maybe a

1516

00:58:45,190 --> 00:58:43,440

motherly figure and they're like

1517

00:58:47,030 --> 00:58:45,200

yeah it's my mother oh my god how'd you

1518

00:58:48,309 --> 00:58:47,040

know that it was like you're like come

1519

00:58:49,829 --> 00:58:48,319

on man really

1520

00:58:51,109 --> 00:58:49,839

right she just said it's her mother

1521

00:58:53,510 --> 00:58:51,119

three times

1522

00:58:56,069 --> 00:58:53,520

right did you guess mom and she free

1523

00:58:58,150 --> 00:58:56,079

like i i i totally get that and that

1524

00:59:00,390 --> 00:58:58,160

sucks so bad dude for the real challenge

1525

00:59:03,270 --> 00:59:00,400

challenge champ challengers the

1526

00:59:05,430 --> 00:59:03,280

challenger dodge just handlers

1527

00:59:08,230 --> 00:59:05,440

ap hours you're down very fine this is

1528

00:59:10,470 --> 00:59:08,240

uh the dodge challenger and eric saying

1529

00:59:11,910 --> 00:59:10,480

channel people don't public much which

1530

00:59:13,270 --> 00:59:11,920

uh yeah

1531

00:59:16,230 --> 00:59:13,280

i you know

1532

00:59:17,910 --> 00:59:16,240

i i see why i see why but the thing that

1533

00:59:19,589 --> 00:59:17,920

really turned me on to the channeling

1534

00:59:21,030 --> 00:59:19,599

thing is because like i was saying

1535

00:59:22,069 --> 00:59:21,040

samantha moet like when she was like

1536

00:59:24,150 --> 00:59:22,079

yeah i've been channeling this whole

1537

00:59:25,589 --> 00:59:24,160

time and i was literally thinking in my

1538

00:59:26,549 --> 00:59:25,599

head like when she was telling the story

1539

00:59:30,870 --> 00:59:26,559

i was like

1540

00:59:32,549 --> 00:59:30,880

you going when you do this and then she

1541

00:59:34,870 --> 00:59:32,559

was like actually

1542

00:59:36,789 --> 00:59:34,880

i'm i'm i'm astro traveling and i was

1543

00:59:39,349 --> 00:59:36,799

like

1544

00:59:41,589 --> 00:59:39,359

did you hear me did you hear me say

1545

00:59:43,910 --> 00:59:41,599

i don't know i don't remember that did

1546

00:59:46,390 --> 00:59:43,920

you ask her like where she was going no

1547

00:59:49,270 --> 00:59:46,400

i didn't ask her it was in my head and

1548

00:59:51,030 --> 00:59:49,280

she answered where she was going

1549

00:59:52,789 --> 00:59:51,040

like it was kind of a pause and then i

1550

00:59:54,710 --> 00:59:52,799

paused and in my head i was like so

1551
00:59:57,510 --> 00:59:54,720
where are you going and she was like i'm

1552
00:59:59,190 --> 00:59:57,520
astral traveling oh my god

1553
01:00:01,430 --> 00:59:59,200
i was like how the [h__h] did you i didn't

1554
01:00:03,190 --> 01:00:01,440
even i didn't even ask you the question

1555
01:00:05,109 --> 01:00:03,200
how did you just answer the question

1556
01:00:06,549 --> 01:00:05,119
without me asking it

1557
01:00:08,390 --> 01:00:06,559
that's weird

1558
01:00:10,950 --> 01:00:08,400
it's it's it's so strange man because

1559
01:00:13,349 --> 01:00:10,960
it's like on one hand dude i love this

1560
01:00:14,470 --> 01:00:13,359
stuff i love anything that has to do

1561
01:00:16,549 --> 01:00:14,480
with like

1562
01:00:19,190 --> 01:00:16,559
stuff we can't explain and like [h__h]

1563
01:00:22,150 --> 01:00:19,200

that gives you chills um

1564

01:00:23,750 --> 01:00:22,160

and at the same time like my my

1565

01:00:26,390 --> 01:00:23,760

uh

1566

01:00:29,430 --> 01:00:26,400

super ego is trying to keep

1567

01:00:31,589 --> 01:00:29,440

this keep me grounded like hey dude like

1568

01:00:33,430 --> 01:00:31,599

you can't just believe everything

1569

01:00:35,109 --> 01:00:33,440

and everyone you know just because they

1570

01:00:36,710 --> 01:00:35,119

give you good vibes doesn't mean they're

1571

01:00:40,150 --> 01:00:36,720

telling you the truth

1572

01:00:42,390 --> 01:00:40,160

right so what's so damn hard man um but

1573

01:00:43,990 --> 01:00:42,400

i want to bring it back to to daryl anka

1574

01:00:46,230 --> 01:00:44,000

real quick dude like this dude shark

1575

01:00:48,470 --> 01:00:46,240

thing man a couple of things that have

1576

01:00:51,589 --> 01:00:48,480

popped up on my tick tock feet i know i

1577

01:00:52,549 --> 01:00:51,599

bring up tick-tock a lot but it happened

1578

01:00:55,190 --> 01:00:52,559

okay

1579

01:00:57,430 --> 01:00:55,200

and it i i feel like

1580

01:00:59,030 --> 01:00:57,440

it just it gave me what i needed to hear

1581

01:01:01,270 --> 01:00:59,040

there's some stuff that i've been kind

1582

01:01:03,109 --> 01:01:01,280

of turmoil i've been sifting over and

1583

01:01:05,109 --> 01:01:03,119

i've been feeling really heavy about the

1584

01:01:07,349 --> 01:01:05,119

last couple of months you know i'm about

1585

01:01:08,950 --> 01:01:07,359

to be a new father i'm about to embark

1586

01:01:10,950 --> 01:01:08,960

on this new journey

1587

01:01:13,349 --> 01:01:10,960

of selflessness i've been so damn

1588

01:01:15,670 --> 01:01:13,359

selfish dude like [h__h]

1589

01:01:17,270 --> 01:01:15,680

it's really weighing on me and and this

1590

01:01:18,069 --> 01:01:17,280

whole thing

1591

01:01:20,230 --> 01:01:18,079

ha

1592

01:01:23,109 --> 01:01:20,240

i i've been trying to like verbalize it

1593

01:01:25,430 --> 01:01:23,119

myself and and this video came up this

1594

01:01:27,510 --> 01:01:25,440

this little segment of bashar

1595

01:01:29,910 --> 01:01:27,520

talking about how

1596

01:01:32,630 --> 01:01:29,920

how entities and consciousness and this

1597

01:01:34,150 --> 01:01:32,640

goes back to that that movie soul i mean

1598

01:01:35,109 --> 01:01:34,160

dude we've talked about soul a couple of

1599

01:01:37,510 --> 01:01:35,119

times

1600

01:01:38,549 --> 01:01:37,520

and that no matter what

1601

01:01:41,510 --> 01:01:38,559

any

1602

01:01:44,309 --> 01:01:41,520

consciousness that that enters this

1603

01:01:45,750 --> 01:01:44,319

this realm if you will this this earth

1604

01:01:47,510 --> 01:01:45,760

this time

1605

01:01:49,430 --> 01:01:47,520

chooses to

1606

01:01:50,829 --> 01:01:49,440

and they come from

1607

01:01:53,829 --> 01:01:50,839

this

1608

01:01:55,430 --> 01:01:53,839

almighty source and they choose to be a

1609

01:01:57,990 --> 01:01:55,440

part of your life and they choose you

1610

01:01:59,990 --> 01:01:58,000

like your daughter joe hendricks chose

1611

01:02:02,069 --> 01:02:00,000

you and amanda to be

1612

01:02:04,150 --> 01:02:02,079

her dad and mom like i just think that's

1613

01:02:07,910 --> 01:02:04,160

so beautiful man and that just like

1614

01:02:09,670 --> 01:02:07,920

totally made me feel super cool and

1615

01:02:12,870 --> 01:02:09,680

like not cool but like chill about it

1616

01:02:15,750 --> 01:02:12,880

like really like not stressed like this

1617

01:02:18,470 --> 01:02:15,760

this whole stress about having a a a

1618

01:02:20,710 --> 01:02:18,480

child and like having to like be a dad

1619

01:02:25,190 --> 01:02:20,720

and you know like what if i'm not cool

1620

01:02:28,069 --> 01:02:25,200

what i'm not not cool enough or you know

1621

01:02:30,710 --> 01:02:28,079

that's rock let's rock today

1622

01:02:37,060 --> 01:02:30,720

scoot it kaboot it

1623

01:02:37,070 --> 01:02:46,630

[Laughter]

1624

01:02:51,829 --> 01:02:49,270

i'm not cool enough

1625

01:02:53,349 --> 01:02:51,839

it's not exactly like

1626

01:02:55,430 --> 01:02:53,359

i just watched that movie like three

1627

01:02:56,870 --> 01:02:55,440

days ago dude same i just [h__\h]

1628

01:02:57,829 --> 01:02:56,880

watched that movie if you're gonna be in

1629

01:03:00,630 --> 01:02:57,839

a band

1630

01:03:01,589 --> 01:03:00,640

everybody in that band has to have the

1631

01:03:03,349 --> 01:03:01,599

same

1632

01:03:05,430 --> 01:03:03,359

mindset as jack black if they're gonna

1633

01:03:06,870 --> 01:03:05,440

make it like that's just the way it has

1634

01:03:08,470 --> 01:03:06,880

to be 100

1635

01:03:09,589 --> 01:03:08,480

100

1636

01:03:11,750 --> 01:03:09,599

dude

1637

01:03:13,670 --> 01:03:11,760

100

1638

01:03:15,510 --> 01:03:13,680

you think what i do is easy i'm out

1639

01:03:18,309 --> 01:03:15,520

there on the front lines every night

1640

01:03:20,630 --> 01:03:18,319

liberating people with my rock

1641

01:03:23,910 --> 01:03:20,640

what are you ned you timp

1642

01:03:27,029 --> 01:03:23,920

i'm not a temp dewey i'm a substitute

1643

01:03:32,710 --> 01:03:30,950

um yes this is mr nad schneebling

1644

01:03:35,670 --> 01:03:32,720

he's like

1645

01:03:40,630 --> 01:03:37,670

uh so how does this work do i get paid

1646

01:03:43,589 --> 01:03:40,640

uh like today in cash or

1647

01:03:44,950 --> 01:03:43,599

yeah we'll talk about later yeah yeah

1648

01:03:47,670 --> 01:03:44,960

so so

1649

01:03:50,390 --> 01:03:47,680

uh this this whole idea what bashar what

1650

01:03:52,870 --> 01:03:50,400

um you know daryl anka

1651
01:03:54,549 --> 01:03:52,880
was able to channel and somebody asked

1652
01:03:57,750 --> 01:03:54,559
about um

1653
01:03:58,549 --> 01:03:57,760
about uh miscarriages i mean we're fine

1654
01:03:59,990 --> 01:03:58,559
my

1655
01:04:02,549 --> 01:04:00,000
everybody's we're not having a

1656
01:04:04,950 --> 01:04:02,559
miscarriage or whatever but it it uh

1657
01:04:06,950 --> 01:04:04,960
everything's good everybody

1658
01:04:08,710 --> 01:04:06,960
this question that an audience member

1659
01:04:10,710 --> 01:04:08,720
asked him was

1660
01:04:13,349 --> 01:04:10,720
uh the the woman was like you know i've

1661
01:04:15,910 --> 01:04:13,359
had a miscarriage and and the

1662
01:04:17,910 --> 01:04:15,920
i want to know like what that purpose is

1663
01:04:19,430 --> 01:04:17,920

and his answer was [\h__\h] awesome dude

1664

01:04:21,190 --> 01:04:19,440

like he gave me chills like almost made

1665

01:04:23,910 --> 01:04:21,200

me cry dude it was awesome

1666

01:04:26,069 --> 01:04:23,920

it said like look this this entity this

1667

01:04:28,630 --> 01:04:26,079

this consciousness that we're all a part

1668

01:04:30,069 --> 01:04:28,640

of it chose you guys

1669

01:04:31,109 --> 01:04:30,079

and you

1670

01:04:32,950 --> 01:04:31,119

chose

1671

01:04:34,549 --> 01:04:32,960

that to happen to you you just don't

1672

01:04:36,789 --> 01:04:34,559

know it

1673

01:04:38,870 --> 01:04:36,799

like you you're going through this life

1674

01:04:42,069 --> 01:04:38,880

and this this consciousness

1675

01:04:44,150 --> 01:04:42,079

and this certain timeline to experience

1676

01:04:46,870 --> 01:04:44,160

it to experience that grief

1677

01:04:48,710 --> 01:04:46,880

and to get over that and to overcome

1678

01:04:50,950 --> 01:04:48,720

that it's like another

1679

01:04:53,029 --> 01:04:50,960

building block on

1680

01:04:54,150 --> 01:04:53,039

this journey that you're

1681

01:04:56,630 --> 01:04:54,160

that your

1682

01:05:00,069 --> 01:04:56,640

soul has to go on and i thought that was

1683

01:05:02,230 --> 01:05:00,079

just amazing so something coming from

1684

01:05:04,069 --> 01:05:02,240

from a channeler i don't i don't care

1685

01:05:06,069 --> 01:05:04,079

where it's coming from i think that's

1686

01:05:08,470 --> 01:05:06,079

awesome dude

1687

01:05:09,910 --> 01:05:08,480

at that point like yeah

1688

01:05:11,829 --> 01:05:09,920

like we're like where do you where do

1689

01:05:13,349 --> 01:05:11,839

you sit on that does it have to be alien

1690

01:05:15,029 --> 01:05:13,359

for it to be

1691

01:05:17,510 --> 01:05:15,039

so badass does it have to be something

1692

01:05:20,230 --> 01:05:17,520

that's not human for for that concept to

1693

01:05:21,109 --> 01:05:20,240

come out and be impactful not at all

1694

01:05:23,670 --> 01:05:21,119

dude

1695

01:05:25,670 --> 01:05:23,680

i think sometimes say smart [h__h] that

1696

01:05:27,109 --> 01:05:25,680

makes you feel good right yeah and

1697

01:05:30,950 --> 01:05:27,119

that's like

1698

01:05:34,789 --> 01:05:33,190

it kind of for me it ties into like why

1699

01:05:37,349 --> 01:05:34,799

do we have to say aliens built the

1700

01:05:39,349 --> 01:05:37,359

pyramids that totally degrades the the

1701

01:05:41,750 --> 01:05:39,359

awesomeness of a human being to say that

1702

01:05:43,670 --> 01:05:41,760

like there's no way we can do it right

1703

01:05:45,510 --> 01:05:43,680

and so like why can't a human being have

1704

01:05:47,430 --> 01:05:45,520

like these amazing divine thoughts

1705

01:05:49,190 --> 01:05:47,440

whether it came from here or it came

1706

01:05:51,670 --> 01:05:49,200

from somebody else or you just thought

1707

01:05:54,069 --> 01:05:51,680

about it all thoughts are connected at

1708

01:05:55,029 --> 01:05:54,079

some point in time but not everybody

1709

01:05:56,950 --> 01:05:55,039

says

1710

01:05:59,270 --> 01:05:56,960

awesome things if that was the case you

1711

01:06:01,589 --> 01:05:59,280

know we would all be important

1712

01:06:03,990 --> 01:06:01,599

you know i mean we we're all important

1713

01:06:06,150 --> 01:06:04,000

but some people are just like they seem

1714

01:06:08,390 --> 01:06:06,160

to elevate themselves a little more like

1715

01:06:09,990 --> 01:06:08,400

some people just know what to say

1716

01:06:12,789 --> 01:06:10,000

i for one

1717

01:06:13,750 --> 01:06:12,799

don't ever know what to say yeah

1718

01:06:17,910 --> 01:06:13,760

isn't it

1719

01:06:19,910 --> 01:06:17,920

themselves in a position to always know

1720

01:06:22,789 --> 01:06:19,920

what the right thing to say always it's

1721

01:06:25,670 --> 01:06:22,799

like corruption just follows

1722

01:06:27,750 --> 01:06:25,680

you know it is weird it is weird

1723

01:06:30,309 --> 01:06:27,760

like i heard this thing uh

1724

01:06:32,230 --> 01:06:30,319

they were interviewing keanu reeves and

1725

01:06:34,789 --> 01:06:32,240

they were saying uh

1726

01:06:38,150 --> 01:06:34,799

yeah they were saying he was like

1727

01:06:41,270 --> 01:06:38,160

what do you think happens after you die

1728

01:06:43,190 --> 01:06:41,280

and his response was

1729

01:06:47,029 --> 01:06:43,200

those that really love you are gonna

1730

01:06:49,829 --> 01:06:47,039

miss you right yes i read that yeah

1731

01:06:51,829 --> 01:06:49,839

you're like what a good answer

1732

01:06:53,670 --> 01:06:51,839

he didn't even try to go in what happens

1733

01:06:55,349 --> 01:06:53,680

after you die he just

1734

01:06:57,190 --> 01:06:55,359

hey those that love you are really going

1735

01:07:00,470 --> 01:06:57,200

to miss you right and that's the perfect

1736

01:07:02,870 --> 01:07:00,480

thing to say 100 percent

1737

01:07:05,829 --> 01:07:02,880

it's like heart fail it's sincere and

1738

01:07:07,990 --> 01:07:05,839

it's just it's true and it's so true

1739

01:07:12,150 --> 01:07:08,000

but dude think about this can i push

1740

01:07:17,670 --> 01:07:15,270

he's the one

1741

01:07:19,029 --> 01:07:17,680

he is the one dude his name doesn't have

1742

01:07:20,150 --> 01:07:19,039

to be

1743

01:07:23,829 --> 01:07:20,160

neo

1744

01:07:25,829 --> 01:07:23,839

he is the one that rufus chose

1745

01:07:29,430 --> 01:07:25,839

to save the universe

1746

01:07:33,910 --> 01:07:32,789

rufus is short for morpheus yeah

1747

01:07:34,789 --> 01:07:33,920

no no

1748

01:07:37,910 --> 01:07:34,799

no

1749

01:07:42,150 --> 01:07:37,920

rufus rufus is from bill and ted

1750

01:07:44,630 --> 01:07:42,160

he was george carlin he was rufus

1751

01:07:46,390 --> 01:07:44,640

i'm showing my lack of knowledge

1752

01:07:49,589 --> 01:07:46,400

i'm feeling ted

1753

01:07:51,190 --> 01:07:49,599

dude i watched all of the movies dude

1754

01:07:53,589 --> 01:07:51,200

this is like last time it was like a

1755

01:07:55,910 --> 01:07:53,599

year ago holy [h__h]

1756

01:07:57,750 --> 01:07:55,920

okay anyway it's been a while it's been

1757

01:07:58,549 --> 01:07:57,760

a while

1758

01:08:00,789 --> 01:07:58,559

be

1759

01:08:02,789 --> 01:08:00,799

excellent to each other that's right

1760

01:08:04,950 --> 01:08:02,799

it's necro

1761

01:08:07,109 --> 01:08:04,960

but no i agree dude like he's he's so

1762

01:08:09,670 --> 01:08:07,119

cool i mean he's a cool ass dude yeah

1763

01:08:13,270 --> 01:08:09,680

but yeah dude i mean saying

1764

01:08:15,510 --> 01:08:13,280
saying the right thing right like

1765

01:08:16,789 --> 01:08:15,520
it doesn't have to be it doesn't have to

1766

01:08:18,709 --> 01:08:16,799
be

1767

01:08:21,189 --> 01:08:18,719
alien yeah

1768

01:08:24,550 --> 01:08:21,199
and if all consciousness and everything

1769

01:08:27,110 --> 01:08:24,560
is everything everything is one then

1770

01:08:29,189 --> 01:08:27,120
even dumb [h__h] that people say is alien

1771

01:08:30,550 --> 01:08:29,199
so why is it just the smart [h__h] can be

1772

01:08:32,309 --> 01:08:30,560
alien

1773

01:08:34,470 --> 01:08:32,319
yeah everything's connected everything

1774

01:08:36,550 --> 01:08:34,480
is one all thoughts are already thought

1775

01:08:37,590 --> 01:08:36,560
of and that's why we think them because

1776

01:08:39,269 --> 01:08:37,600

of like the

1777

01:08:41,269 --> 01:08:39,279

the they had the entanglement of

1778

01:08:43,189 --> 01:08:41,279

everything but like we only think of

1779

01:08:45,189 --> 01:08:43,199

smart [h__h] as like alien stuff but if

1780

01:08:46,470 --> 01:08:45,199

that's the case then dumb [h__h] is alien

1781

01:08:48,309 --> 01:08:46,480

stuff too

1782

01:08:50,550 --> 01:08:48,319

right dude

1783

01:08:52,870 --> 01:08:50,560

100

1784

01:08:55,590 --> 01:08:52,880

okay so let's let's keep going on that

1785

01:08:59,189 --> 01:08:55,600

let's build on that so if

1786

01:09:01,910 --> 01:08:59,199

inspiration if we're attributing every

1787

01:09:03,510 --> 01:09:01,920

form of inspiration to alien

1788

01:09:05,030 --> 01:09:03,520

that's not giving ourselves enough

1789

01:09:07,189 --> 01:09:05,040

credit i mean how many times have you

1790

01:09:10,229 --> 01:09:07,199

come up with a bass riff or or an idea

1791

01:09:13,269 --> 01:09:10,239

for a song or lyrics for a song

1792

01:09:15,110 --> 01:09:13,279

that you're like i but like we've had

1793

01:09:17,030 --> 01:09:15,120

this conversation before like i i do the

1794

01:09:19,510 --> 01:09:17,040

same thing like i'll come up

1795

01:09:21,510 --> 01:09:19,520

with with songs all the time and i'm not

1796

01:09:23,349 --> 01:09:21,520

making that dude it comes to me just

1797

01:09:25,910 --> 01:09:23,359

like it comes to you

1798

01:09:27,349 --> 01:09:25,920

but i'm not it comes it comes on me

1799

01:09:30,470 --> 01:09:27,359

yeah well it comes hard and fast and

1800

01:09:35,189 --> 01:09:32,789

it sings

1801
01:09:41,110 --> 01:09:35,199
it comes from the spiritual realm on me

1802
01:09:47,110 --> 01:09:42,709
you imagine come just falling on you

1803
01:09:51,430 --> 01:09:48,470
oh [\h__\h]

1804
01:09:53,430 --> 01:09:51,440
it's so warm and salty ah it hurts but i

1805
01:09:57,030 --> 01:09:53,440
have a great idea

1806
01:09:59,350 --> 01:09:57,040
on we will clean my face that's what it

1807
01:10:01,350 --> 01:09:59,360
takes to have a great idea

1808
01:10:03,590 --> 01:10:01,360
sometimes you need inspiration you gotta

1809
01:10:04,680 --> 01:10:03,600
take you gotta take a load of the beast

1810
01:10:06,630 --> 01:10:04,690
man

1811
01:10:09,110 --> 01:10:06,640
[Laughter]

1812
01:10:11,270 --> 01:10:09,120
dr nicola tesla he knows man that's why

1813
01:10:12,070 --> 01:10:11,280

he was so weird

1814

01:10:14,870 --> 01:10:12,080

oh

1815

01:10:25,750 --> 01:10:17,590

it's other it is otherworldly man it is

1816

01:10:29,669 --> 01:10:27,189

where are you going

1817

01:10:31,990 --> 01:10:29,679

get your ass back on the microphone talk

1818

01:10:33,750 --> 01:10:32,000

the point

1819

01:10:36,550 --> 01:10:33,760

what i was trying to make

1820

01:10:39,830 --> 01:10:36,560

is oh my god dude i'm crying that's so

1821

01:10:43,110 --> 01:10:40,709

uh

1822

01:10:46,470 --> 01:10:43,120

the point i'm trying to make is like

1823

01:10:49,270 --> 01:10:46,480

like inspiration ideas whether it be a

1824

01:10:51,510 --> 01:10:49,280

song or like you're just inspired by

1825

01:10:53,590 --> 01:10:51,520

somebody catalyst like there's got to be

1826

01:10:55,910 --> 01:10:53,600

a catalyst like ideas don't just come

1827

01:10:58,709 --> 01:10:55,920

from [h__h] nowhere dude everybody

1828

01:11:00,229 --> 01:10:58,719

copies something whether it be like

1829

01:11:03,270 --> 01:11:00,239

small or large some people you know

1830

01:11:04,950 --> 01:11:03,280

plagiarism you know it's a gray area

1831

01:11:07,189 --> 01:11:04,960

uh but

1832

01:11:08,310 --> 01:11:07,199

there's there's there's something about

1833

01:11:10,149 --> 01:11:08,320

like

1834

01:11:11,430 --> 01:11:10,159

true inspiration

1835

01:11:14,550 --> 01:11:11,440

that

1836

01:11:17,110 --> 01:11:14,560

i think it's purely human man like

1837

01:11:19,510 --> 01:11:17,120

i think there's this source that doesn't

1838

01:11:21,750 --> 01:11:19,520

necessarily have to be extraterrestrial

1839

01:11:23,910 --> 01:11:21,760

or interdimensional i think we're not

1840

01:11:25,510 --> 01:11:23,920

giving ourselves enough credit

1841

01:11:27,510 --> 01:11:25,520

yeah i think that's the point

1842

01:11:32,310 --> 01:11:27,520

we're both trying to get two

1843

01:11:35,030 --> 01:11:32,320

but this guy you know daryl anka bashar

1844

01:11:36,470 --> 01:11:35,040

what side of the fence are you on

1845

01:11:38,070 --> 01:11:36,480

is it is it

1846

01:11:39,590 --> 01:11:38,080

an extraterrestrial being that he's

1847

01:11:40,950 --> 01:11:39,600

talking to that he's channeling or do

1848

01:11:43,910 --> 01:11:40,960

you think it's coming from his

1849

01:11:48,950 --> 01:11:46,870

i don't know dude i mean is it even i

1850

01:11:51,430 --> 01:11:48,960

mean and here we go with the semantics

1851

01:11:53,110 --> 01:11:51,440

and the in the you know stuff but is it

1852

01:11:56,630 --> 01:11:53,120

even an extraterrestrial that he's

1853

01:11:59,510 --> 01:11:56,640

channeling is it uh is it a a light

1854

01:12:01,350 --> 01:11:59,520

being that is challenging is it a ultra

1855

01:12:02,870 --> 01:12:01,360

dimensional dude you know what i'm

1856

01:12:05,030 --> 01:12:02,880

saying like what is it that he's

1857

01:12:07,030 --> 01:12:05,040

challenging is he just challenge

1858

01:12:09,990 --> 01:12:07,040

channeling uh uh

1859

01:12:11,350 --> 01:12:10,000

some is he is he channeling this guy you

1860

01:12:13,430 --> 01:12:11,360

know what i'm saying like is that who

1861

01:12:15,270 --> 01:12:13,440

he's channeling like

1862

01:12:17,669 --> 01:12:15,280

i would like to see this bashar

1863

01:12:19,830 --> 01:12:17,679

character you know yeah who are you i

1864

01:12:21,510 --> 01:12:19,840

want to know what it is is it like child

1865

01:12:23,669 --> 01:12:21,520

in where like nobody knows what they

1866

01:12:26,630 --> 01:12:23,679

look like

1867

01:12:32,229 --> 01:12:28,630

i want to know if he's told him what the

1868

01:12:37,430 --> 01:12:34,390

i knew you'd like that one oh yeah dude

1869

01:12:40,390 --> 01:12:37,440

i love that one also

1870

01:12:43,110 --> 01:12:40,400

joe biden what brazil said joe biden

1871

01:12:46,149 --> 01:12:43,120

pooped his pants on on tv like two weeks

1872

01:12:48,070 --> 01:12:46,159

ago and nobody covered it

1873

01:12:51,830 --> 01:12:48,080

his pants did

1874

01:12:55,430 --> 01:12:54,149

oh john hudson says bashar is a scary

1875

01:12:57,110 --> 01:12:55,440

dude

1876

01:12:59,270 --> 01:12:57,120

oh [\h__\h] i gotta

1877

01:13:04,070 --> 01:12:59,280

put it up yeah

1878

01:13:07,830 --> 01:13:04,080

ah ai channeling whoa

1879

01:13:09,270 --> 01:13:07,840

think about that one dude ai channeling

1880

01:13:13,830 --> 01:13:09,280

what

1881

01:13:16,070 --> 01:13:13,840

channel kd tell us more artificial

1882

01:13:20,070 --> 01:13:16,080

intelligence channeling

1883

01:13:21,910 --> 01:13:20,080

yeah like what does that mean though

1884

01:13:23,830 --> 01:13:21,920

dude it's like your [\h__\h] internet and

1885

01:13:25,189 --> 01:13:23,840

your wi-fi router are sending signals to

1886

01:13:27,110 --> 01:13:25,199

each other well if they're artificial

1887

01:13:31,510 --> 01:13:27,120

intelligence kind of like your computer

1888

01:13:35,430 --> 01:13:33,910

giving you information dude

1889

01:13:36,790 --> 01:13:35,440

well it's like it's like every every

1890

01:13:39,189 --> 01:13:36,800

human every

1891

01:13:41,669 --> 01:13:39,199

entity on the planet would be like

1892

01:13:44,149 --> 01:13:41,679

bluetooth base basically right well if

1893

01:13:48,870 --> 01:13:44,159

the craft can send you signals because

1894

01:13:52,470 --> 01:13:50,709

oh

1895

01:13:54,390 --> 01:13:52,480

hey real quick

1896

01:13:57,110 --> 01:13:54,400

real quick did you know that the word

1897

01:14:00,709 --> 01:13:57,120

bluetooth came from a viking soldier

1898

01:14:02,550 --> 01:14:00,719

like a viking guy his name was was like

1899

01:14:04,790 --> 01:14:02,560

something bluetooth

1900

01:14:08,630 --> 01:14:04,800

and he was like a badass viking bastard

1901

01:14:10,470 --> 01:14:08,640

like just and the symbol was a destroyer

1902

01:14:11,590 --> 01:14:10,480

right yeah it's a root it's an ancient

1903

01:14:13,110 --> 01:14:11,600

ruin

1904

01:14:15,510 --> 01:14:13,120

roon rune

1905

01:14:18,630 --> 01:14:15,520

yeah it's like it's it's like a um

1906

01:14:19,830 --> 01:14:18,640

ancient rune dude

1907

01:14:21,189 --> 01:14:19,840

i thought that was [h__\h] go i thought

1908

01:14:24,630 --> 01:14:21,199

you'd like that dude because you look

1909

01:14:26,870 --> 01:14:24,640

[h__\h] viking as [h__\h] dude

1910

01:14:30,229 --> 01:14:26,880

i like biking stuff making stuff is

1911

01:14:32,790 --> 01:14:30,239

pretty cool we were looking at like uh

1912

01:14:35,270 --> 01:14:32,800

kind of like our family and like where

1913

01:14:36,950 --> 01:14:35,280

they come from and stuff

1914

01:14:37,910 --> 01:14:36,960

and like

1915

01:14:45,189 --> 01:14:37,920

my mom's

1916

01:14:49,430 --> 01:14:47,350

that's racist dude

1917

01:14:51,830 --> 01:14:49,440

but like we kind of got like into the

1918

01:14:54,229 --> 01:14:51,840

specifics and like it turns out like

1919

01:14:55,110 --> 01:14:54,239

they're like there's like this aztec

1920

01:14:57,430 --> 01:14:55,120

side

1921

01:14:59,830 --> 01:14:57,440

right they came before like mexicans

1922

01:15:02,149 --> 01:14:59,840

right yes like this aztec side of me and

1923

01:15:04,870 --> 01:15:02,159

then like apparently our family before

1924

01:15:06,070 --> 01:15:04,880

they moved to that area comes from like

1925

01:15:08,630 --> 01:15:06,080

these like

1926

01:15:10,630 --> 01:15:08,640

original like viking colonies that had

1927

01:15:13,830 --> 01:15:10,640

like left the colony and then went and

1928

01:15:15,110 --> 01:15:13,840

colonized and down into europe

1929

01:15:17,590 --> 01:15:15,120

and i thought that was kind of cool it

1930

01:15:19,189 --> 01:15:17,600

was like dude i'm aztec and viking like

1931

01:15:20,790 --> 01:15:19,199

that's cool

1932

01:15:23,350 --> 01:15:20,800

like well there's like there's like

1933

01:15:25,510 --> 01:15:23,360

historical fact that that

1934

01:15:26,790 --> 01:15:25,520

the vikings actually discovered north

1935

01:15:29,350 --> 01:15:26,800

america

1936

01:15:32,470 --> 01:15:29,360

oh yeah for sure way before christopher

1937

01:15:35,350 --> 01:15:33,590

hey

1938

01:15:38,950 --> 01:15:35,360

he didn't do nothing to you he didn't do

1939

01:15:40,870 --> 01:15:38,960

nothing to you well he did my sisters

1940

01:15:43,669 --> 01:15:40,880

well i mean he connected the entire

1941

01:15:48,070 --> 01:15:44,870

he did

1942

01:15:50,790 --> 01:15:48,080

well trading and and that's just

1943

01:15:53,270 --> 01:15:50,800

it's marketing dude marketing

1944

01:15:54,390 --> 01:15:53,280

it's marketing there i guarantee you i

1945

01:15:56,470 --> 01:15:54,400

guarantee these are the italian

1946

01:15:57,669 --> 01:15:56,480

immigrants that immigrate the united

1947

01:15:58,390 --> 01:15:57,679

states i think it was like in the like

1948

01:16:00,630 --> 01:15:58,400

the

1949

01:16:02,229 --> 01:16:00,640

40s or 50s it was like this huge flux of

1950

01:16:03,590 --> 01:16:02,239

italian immigrants and so they were like

1951

01:16:05,110 --> 01:16:03,600

oh well let's start the other nights of

1952

01:16:08,149 --> 01:16:05,120

columbus and we'll celebrate columbus

1953

01:16:10,790 --> 01:16:08,159

day and like catholicism and stuff

1954

01:16:13,430 --> 01:16:10,800

dude i guarantee you

1955

01:16:16,229 --> 01:16:13,440

so are you talking about like like the

1956

01:16:18,310 --> 01:16:16,239

knights templar

1957

01:16:20,470 --> 01:16:18,320

no like the knights of columbus like the

1958

01:16:22,070 --> 01:16:20,480

that shitty torn down building in the

1959

01:16:25,510 --> 01:16:22,080

middle of town

1960

01:16:29,350 --> 01:16:27,590

no the knights of columbus

1961

01:16:31,189 --> 01:16:29,360

i don't even know what is that what is

1962

01:16:32,790 --> 01:16:31,199

nice i thought that was a

1963

01:16:34,229 --> 01:16:32,800

i've heard that term but i don't know

1964

01:16:36,390 --> 01:16:34,239

what that means it's where they have

1965

01:16:37,750 --> 01:16:36,400

bingo like every sunday

1966

01:16:39,430 --> 01:16:37,760

so there's just bingo players

1967

01:16:41,990 --> 01:16:39,440

discovering worlds

1968

01:16:43,669 --> 01:16:42,000

on a regular basis what do you mean

1969

01:16:45,750 --> 01:16:43,679

they have a hibachi grill and then they

1970

01:16:47,830 --> 01:16:45,760

go with a [h__h] bingo next uh i don't

1971

01:16:49,990 --> 01:16:47,840

know dude it's some italian thing dude

1972

01:16:53,510 --> 01:16:50,000

i'm telling here's here's here's where

1973

01:16:56,310 --> 01:16:53,520

i'm going with this idea dude i i think

1974

01:16:57,990 --> 01:16:56,320

i think that uh you know how like

1975

01:16:59,510 --> 01:16:58,000

ideas start right we were just talk kind

1976

01:17:00,470 --> 01:16:59,520

of talking about like inspiration right

1977

01:17:04,630 --> 01:17:00,480

like

1978

01:17:06,310 --> 01:17:04,640

all built off of tiny little

1979

01:17:09,149 --> 01:17:06,320

interactions everything builds up it's

1980

01:17:11,189 --> 01:17:09,159

like a bell curve right yeah i i i think

1981

01:17:15,830 --> 01:17:11,199

somebody dude

1982

01:17:18,310 --> 01:17:15,840

from a distant a distant land among the

1983

01:17:21,510 --> 01:17:18,320

that's not a song i just made that up

1984

01:17:24,229 --> 01:17:21,520

copyright ufo garage

1985

01:17:26,870 --> 01:17:24,239

but it it was probably like one dude was

1986

01:17:30,070 --> 01:17:26,880

like hey i found some like bananas and

1987

01:17:32,149 --> 01:17:30,080

like nuts also someone tried to kill me

1988

01:17:33,510 --> 01:17:32,159

there's a whole different continent

1989

01:17:35,270 --> 01:17:33,520

there was probably one dude that we'll

1990

01:17:37,910 --> 01:17:35,280

never know about dude

1991

01:17:39,590 --> 01:17:37,920

and and then like 10 people went over

1992

01:17:40,950 --> 01:17:39,600

you know and like there were vikings

1993

01:17:42,709 --> 01:17:40,960

they were like we heard there was

1994

01:17:45,510 --> 01:17:42,719

treasure let's go there was the color

1995

01:17:47,510 --> 01:17:45,520

purple right let's go

1996

01:17:49,830 --> 01:17:47,520

and then you know the next time there

1997

01:17:51,510 --> 01:17:49,840

was 50 people the next year

1998

01:17:54,229 --> 01:17:51,520

just like uh

1999

01:17:56,149 --> 01:17:54,239

vikings the the the uh the show

2000

01:17:58,070 --> 01:17:56,159

and then the only people you actually

2001
01:17:59,830 --> 01:17:58,080
hear about are the most famous people

2002
01:18:02,149 --> 01:17:59,840
it's just like how everything works

2003
01:18:03,669 --> 01:18:02,159
today dude like the first people that

2004
01:18:05,430 --> 01:18:03,679
ever do anything

2005
01:18:09,270 --> 01:18:05,440
no one no one else will ever know their

2006
01:18:11,030 --> 01:18:09,280
[h__h] name dude like yeah you know i

2007
01:18:12,790 --> 01:18:11,040
think the pioneers

2008
01:18:14,310 --> 01:18:12,800
we'll never know their [h__h] names

2009
01:18:15,590 --> 01:18:14,320
like the people that actually founded

2010
01:18:17,590 --> 01:18:15,600
texas

2011
01:18:20,390 --> 01:18:17,600
will never know their name dude we know

2012
01:18:22,709 --> 01:18:20,400
stephen f austin

2013
01:18:24,709 --> 01:18:22,719

we know we'll know

2014

01:18:27,510 --> 01:18:24,719

david bowie but we'll never know the

2015

01:18:31,590 --> 01:18:27,520

actual mother the guy weren't even from

2016

01:18:33,510 --> 01:18:31,600

texas they came here from other places

2017

01:18:37,510 --> 01:18:33,520

that's why he said you may all go to

2018

01:18:38,709 --> 01:18:37,520

hell and i'll go to texas yeah

2019

01:18:41,580 --> 01:18:38,719

goddamn

2020

01:18:45,669 --> 01:18:43,669

[Laughter]

2021

01:18:47,189 --> 01:18:45,679

honestly we should we should celebrate

2022

01:18:49,189 --> 01:18:47,199

ellie farrakhan's

2023

01:18:51,990 --> 01:18:49,199

life erickson

2024

01:18:53,590 --> 01:18:52,000

erickson day thank you

2025

01:18:56,550 --> 01:18:53,600

like thank myself for saying you're

2026

01:18:59,669 --> 01:18:57,990

we should do that

2027

01:19:01,350 --> 01:18:59,679

but i don't know you get where i'm going

2028

01:19:02,709 --> 01:19:01,360

with that

2029

01:19:07,270 --> 01:19:02,719

baby

2030

01:19:09,510 --> 01:19:07,280

davey crockett king of the wild frontier

2031

01:19:11,350 --> 01:19:09,520

hell yeah davey crockett man that's

2032

01:19:12,550 --> 01:19:11,360

what's up there's a lot of cool people

2033

01:19:13,910 --> 01:19:12,560

here man

2034

01:19:21,350 --> 01:19:13,920

david

2035

01:19:23,910 --> 01:19:21,360

who else is from here

2036

01:19:25,189 --> 01:19:23,920

that's right buddy holly

2037

01:19:26,870 --> 01:19:25,199

that's what i was thinking that's a

2038

01:19:30,310 --> 01:19:26,880

little it's a little later down the line

2039

01:19:34,790 --> 01:19:33,030

it doesn't mean it's not important

2040

01:19:37,910 --> 01:19:34,800

oh we have a totally important we have a

2041

01:19:41,910 --> 01:19:37,920

question from why just the letter y

2042

01:19:44,310 --> 01:19:41,920

he's a regular here he smells great

2043

01:19:46,870 --> 01:19:44,320

does the ball toner smell like bologna

2044

01:19:50,870 --> 01:19:46,880

no it doesn't but ben can answer that

2045

01:19:52,550 --> 01:19:50,880

because he puts toner on his neck so uh

2046

01:19:54,550 --> 01:19:52,560

guys i don't know if you know this but

2047

01:19:56,790 --> 01:19:54,560

we have a uh

2048

01:19:58,149 --> 01:19:56,800

a temporary

2049

01:20:01,110 --> 01:19:58,159

uh

2050

01:20:03,510 --> 01:20:01,120

sponsor with manscape

2051

01:20:05,270 --> 01:20:03,520

someone that works at manscaped

2052

01:20:06,790 --> 01:20:05,280

likes our show they listened to our show

2053

01:20:09,590 --> 01:20:06,800

they were like hey guys

2054

01:20:11,910 --> 01:20:09,600

you have zero listeners but we like your

2055

01:20:15,030 --> 01:20:13,830

you have we're you have 30 total

2056

01:20:17,110 --> 01:20:15,040

listeners

2057

01:20:19,590 --> 01:20:17,120

but we like your show

2058

01:20:20,709 --> 01:20:19,600

would you like to be uh uh can we be

2059

01:20:22,070 --> 01:20:20,719

your sponsor

2060

01:20:24,229 --> 01:20:22,080

and we're like

2061

01:20:25,669 --> 01:20:24,239

[h__h] yeah let's do this

2062

01:20:27,110 --> 01:20:25,679

yeah

2063

01:20:30,070 --> 01:20:27,120

that would be awesome we would like to

2064

01:20:31,590 --> 01:20:30,080

do this for a living will you pay stu

2065

01:20:33,350 --> 01:20:31,600

so they're not paying us any money but

2066

01:20:35,189 --> 01:20:33,360

they are doing like this thing where

2067

01:20:37,350 --> 01:20:35,199

like hey a month goes by you know it

2068

01:20:38,790 --> 01:20:37,360

started in october so we're seven days

2069

01:20:40,870 --> 01:20:38,800

in guys

2070

01:20:42,550 --> 01:20:40,880

if you want to support the podcast if

2071

01:20:44,790 --> 01:20:42,560

you like our show

2072

01:20:49,430 --> 01:20:44,800

and you want to support manscaped

2073

01:20:54,950 --> 01:20:51,750

i'm so good at this dude

2074

01:20:56,950 --> 01:20:54,960

oh wait i gotta show the ticker hold on

2075

01:20:59,030 --> 01:20:56,960

now hide that hide the comment give me a

2076

01:21:01,189 --> 01:20:59,040

minute they also have

2077

01:21:03,910 --> 01:21:01,199

uh manscaped

2078

01:21:05,750 --> 01:21:03,920

the pre the crop preserver yeah ball

2079

01:21:07,430 --> 01:21:05,760

deodorant

2080

01:21:09,990 --> 01:21:07,440

there it is

2081

01:21:12,950 --> 01:21:10,000

okay guys man it's good stuff

2082

01:21:15,990 --> 01:21:12,960

so i actually uh i was a customer of

2083

01:21:17,430 --> 01:21:16,000

manscaped before they reached out to us

2084

01:21:19,189 --> 01:21:17,440

and they only reached out to us because

2085

01:21:21,510 --> 01:21:19,199

they like her show it's like like we

2086

01:21:23,430 --> 01:21:21,520

don't dude it's like 40 40 people

2087

01:21:26,629 --> 01:21:23,440

listening to our show that's cool and

2088

01:21:29,350 --> 01:21:26,639

the 4.0 and the four point they sent us

2089

01:21:30,470 --> 01:21:29,360

a whole package i had care package hell

2090

01:21:31,910 --> 01:21:30,480

yeah

2091

01:21:34,709 --> 01:21:31,920

uh and

2092

01:21:36,310 --> 01:21:34,719

you know what i shave my neck

2093

01:21:40,070 --> 01:21:36,320

before every show

2094

01:21:43,270 --> 01:21:40,080

and uh i often have a very red uh

2095

01:21:45,910 --> 01:21:43,280

blistered yet uh sexual neck

2096

01:21:49,030 --> 01:21:45,920

uh for every show it's a very pink

2097

01:21:51,510 --> 01:21:49,040

and what i did sweet ass travel case i i

2098

01:21:53,750 --> 01:21:51,520

used i used the ball toner and it worked

2099

01:21:58,070 --> 01:21:53,760

dude i don't know i i think i misused

2100

01:22:00,709 --> 01:21:59,669

so joe said that i didn't i was not

2101
01:22:03,350 --> 01:22:00,719
supposed to do that but i'm gonna go

2102
01:22:06,229 --> 01:22:03,360
ahead and do it again

2103
01:22:08,709 --> 01:22:06,239
you think you misused it it says ball

2104
01:22:11,270 --> 01:22:08,719
toner on it of course you just used it

2105
01:22:12,229 --> 01:22:11,280
dude i had i have i had i

2106
01:22:14,629 --> 01:22:12,239
i get

2107
01:22:16,870 --> 01:22:14,639
very bad razor burn dude your wife is

2108
01:22:19,189 --> 01:22:16,880
like oh your neck smells like balls i

2109
01:22:20,870 --> 01:22:19,199
love it

2110
01:22:25,110 --> 01:22:20,880
that's like the scent that they put in

2111
01:22:28,629 --> 01:22:25,120
the bottle something it's balsa

2112
01:22:29,590 --> 01:22:28,639
like pistachios and gym

2113
01:22:32,229 --> 01:22:29,600

dude

2114

01:22:36,470 --> 01:22:32,239

oh man your neck smells just like your

2115

01:22:36,480 --> 01:22:41,350

you're balding

2116

01:22:44,870 --> 01:22:43,430

oh man yeah

2117

01:22:46,390 --> 01:22:44,880

if you like the show and y'all want to

2118

01:22:49,189 --> 01:22:46,400

help support it man y'all go to

2119

01:22:53,110 --> 01:22:49,199

manscaped and the code is

2120

01:22:55,750 --> 01:22:53,120

ufo garage ufo garage checkout yeah 20

2121

01:22:56,629 --> 01:22:55,760

that's a huge percent option 20 percent

2122

01:22:59,990 --> 01:22:56,639

20

2123

01:23:00,870 --> 01:23:00,000

yep imagine if you if you if you shaved

2124

01:23:02,229 --> 01:23:00,880

20

2125

01:23:05,510 --> 01:23:02,239

off of your

2126

01:23:07,110 --> 01:23:05,520

your penis with a diff with an inferior

2127

01:23:08,470 --> 01:23:07,120

shaver razor

2128

01:23:10,149 --> 01:23:08,480

dude

2129

01:23:11,990 --> 01:23:10,159

that'd be a lot that'd be a lot i need

2130

01:23:13,990 --> 01:23:12,000

that extra 20 percent you know and you

2131

01:23:17,350 --> 01:23:14,000

get free shipping

2132

01:23:21,110 --> 01:23:17,360

and dude 20 and free shipping yeah

2133

01:23:23,510 --> 01:23:21,120

anywhere in the world dude so like even

2134

01:23:25,830 --> 01:23:23,520

all the uh all the uh the aussies that

2135

01:23:27,189 --> 01:23:25,840

we got in here man all of the people

2136

01:23:30,870 --> 01:23:27,199

from you know

2137

01:23:32,870 --> 01:23:30,880

from from uh from japan that we've seen

2138

01:23:34,550 --> 01:23:32,880

and and from europe

2139

01:23:36,790 --> 01:23:34,560

everywhere in europe i mean they'll ship

2140

01:23:38,229 --> 01:23:36,800

it anywhere in the world for free so go

2141

01:23:39,030 --> 01:23:38,239

check it out for sure

2142

01:23:41,030 --> 01:23:39,040

and

2143

01:23:42,629 --> 01:23:41,040

also another thing we kind of wanted to

2144

01:23:45,110 --> 01:23:42,639

do a little thank you because even

2145

01:23:47,270 --> 01:23:45,120

though we joke about having like 30

2146

01:23:50,950 --> 01:23:47,280

people that listen to the show

2147

01:23:55,350 --> 01:23:53,430

we have a lot more right oh wait no give

2148

01:23:57,669 --> 01:23:55,360

me a minute give me a call bring it up

2149

01:24:01,510 --> 01:23:57,679

i'll bring it up okay cool cool give me

2150

01:24:01,520 --> 01:24:05,669

he mainframe back in the mainframe dude

2151

01:24:08,310 --> 01:24:06,470

well

2152

01:24:11,110 --> 01:24:08,320

i called you yesterday i was like should

2153

01:24:13,030 --> 01:24:11,120

i share this so we've been using uh so

2154

01:24:15,270 --> 01:24:13,040

we we're a part of

2155

01:24:17,750 --> 01:24:15,280

believe this this uh

2156

01:24:19,350 --> 01:24:17,760

podcast network for a little bit because

2157

01:24:21,750 --> 01:24:19,360

they were gonna kind of handle our like

2158

01:24:23,590 --> 01:24:21,760

advertising and help us make a little

2159

01:24:25,750 --> 01:24:23,600

bit of money because dude me and joe

2160

01:24:27,750 --> 01:24:25,760

want to do this for a living we only do

2161

01:24:29,830 --> 01:24:27,760

it one night a week we would love to do

2162

01:24:33,350 --> 01:24:29,840

it

2163

01:24:35,830 --> 01:24:33,360

night of the week if i could

2164

01:24:37,270 --> 01:24:35,840

but yes dude i can't quit my day job

2165

01:24:41,590 --> 01:24:37,280

right now because we literally don't

2166

01:24:43,350 --> 01:24:41,600

make any money outfit so uh we uh there

2167

01:24:45,750 --> 01:24:43,360

we tried them out they were such cool

2168

01:24:47,590 --> 01:24:45,760

guys i just think it now is not the time

2169

01:24:48,470 --> 01:24:47,600

i think we're we're just like in high

2170

01:24:50,390 --> 01:24:48,480

gear

2171

01:24:52,310 --> 01:24:50,400

we're ready to like make this [h__h]

2172

01:24:54,470 --> 01:24:52,320

happen and i i think there's some

2173

01:24:56,550 --> 01:24:54,480

optimization on their end

2174

01:24:58,470 --> 01:24:56,560

to uh to maybe match ours maybe in the

2175

01:25:00,390 --> 01:24:58,480

future we can come back together

2176

01:25:02,950 --> 01:25:00,400

and do work but uh

2177

01:25:05,669 --> 01:25:02,960

yeah anyway so i i switched back to

2178

01:25:09,270 --> 01:25:05,679

spreaker for our uh our

2179

01:25:10,830 --> 01:25:09,280

our platform and i realized that we had

2180

01:25:13,430 --> 01:25:10,840

an achievement

2181

01:25:15,669 --> 01:25:13,440

dude we had a little achievement what

2182

01:25:17,430 --> 01:25:15,679

did we achieve

2183

01:25:19,590 --> 01:25:17,440

i'm still hold on are you still hacking

2184

01:25:20,950 --> 01:25:19,600

into the mainframe yeah well it takes

2185

01:25:23,270 --> 01:25:20,960

him a little longer he can't do two

2186

01:25:24,470 --> 01:25:23,280

things at once you know that i can't do

2187

01:25:26,950 --> 01:25:24,480

that

2188

01:25:29,110 --> 01:25:26,960

i can't do two things at once

2189

01:25:30,790 --> 01:25:29,120

so this actually happened back in june

2190

01:25:33,590 --> 01:25:30,800

dude

2191

01:25:34,870 --> 01:25:33,600

and i'm very proud

2192

01:25:37,189 --> 01:25:34,880

that uh

2193

01:25:37,990 --> 01:25:37,199

we're at a hundred thousand downloads

2194

01:25:39,270 --> 01:25:38,000

hey

2195

01:25:41,669 --> 01:25:39,280

look at that

2196

01:25:43,910 --> 01:25:41,679

how fun is that and that was in june so

2197

01:25:45,510 --> 01:25:43,920

we're over a hundred thousand at this

2198

01:25:47,830 --> 01:25:45,520

point we're over a hundred thousand

2199

01:25:50,390 --> 01:25:47,840

downloads and that's all thanks to y'all

2200

01:25:52,550 --> 01:25:50,400

man hey yeah you guys did this

2201

01:25:53,590 --> 01:25:52,560

thank y'all so much

2202

01:25:56,629 --> 01:25:53,600

uh

2203

01:26:01,590 --> 01:25:58,550

kind of makes me want to cry sometimes

2204

01:26:03,430 --> 01:26:01,600

it makes i have a boner

2205

01:26:05,830 --> 01:26:03,440

a sprink boner

2206

01:26:07,350 --> 01:26:05,840

a spread boner

2207

01:26:08,629 --> 01:26:07,360

it's pretty cool man

2208

01:26:10,149 --> 01:26:08,639

i feel like i made it sexual and i

2209

01:26:11,750 --> 01:26:10,159

shouldn't and the grant and the grand

2210

01:26:13,270 --> 01:26:11,760

scheme of things i mean it's not a lot

2211

01:26:15,669 --> 01:26:13,280

but dude that's way more than we could

2212

01:26:18,470 --> 01:26:15,679

have ever even dreamed uh yeah over a

2213

01:26:20,629 --> 01:26:18,480

hundred thousand people dude i've never

2214

01:26:22,550 --> 01:26:20,639

even seen

2215

01:26:23,750 --> 01:26:22,560

no i guess like rice if you get like a

2216

01:26:25,590 --> 01:26:23,760

big bag of rice there's probably like

2217

01:26:27,189 --> 01:26:25,600

over a hundred thousand like

2218

01:26:28,950 --> 01:26:27,199

things like rice in there but i've never

2219

01:26:33,830 --> 01:26:28,960

seen a hundred thousand of something

2220

01:26:35,510 --> 01:26:33,840

anywhere dude i i cannot tell you i mean

2221

01:26:37,110 --> 01:26:35,520

joe you know this because we talked

2222

01:26:38,790 --> 01:26:37,120

about the on the phone the other day

2223

01:26:40,070 --> 01:26:38,800

like i get pretty emotional about this

2224

01:26:41,990 --> 01:26:40,080

[h__\h] like

2225

01:26:43,669 --> 01:26:42,000

everybody listening and watching and

2226

01:26:45,669 --> 01:26:43,679

being a part of this this this channel

2227

01:26:47,750 --> 01:26:45,679

here like

2228

01:26:51,350 --> 01:26:47,760

how the hell did this happen dude this

2229

01:26:53,189 --> 01:26:51,360

is all because of you guys honestly like

2230

01:26:55,430 --> 01:26:53,199

we would not still be doing this and

2231

01:26:57,669 --> 01:26:55,440

talking if it weren't for you guys being

2232

01:27:00,629 --> 01:26:57,679

a part of this i know

2233

01:27:02,390 --> 01:27:00,639

ah like i get emotional like [h__h] dude

2234

01:27:05,030 --> 01:27:02,400

it's awesome like just being a part of

2235

01:27:06,790 --> 01:27:05,040

this whole community and and just

2236

01:27:08,629 --> 01:27:06,800

getting to know the people that we've

2237

01:27:10,790 --> 01:27:08,639

been able to get to know

2238

01:27:12,470 --> 01:27:10,800

and having the conversations we've been

2239

01:27:14,870 --> 01:27:12,480

able to have

2240

01:27:17,110 --> 01:27:14,880

over this past two years dude

2241

01:27:18,629 --> 01:27:17,120

holy [h__h] it's been epic man the people

2242

01:27:21,350 --> 01:27:18,639

we've got to meet

2243

01:27:23,830 --> 01:27:21,360

uh the stories we've heard

2244

01:27:26,550 --> 01:27:23,840

just the the listeners that we have i

2245

01:27:27,590 --> 01:27:26,560

mean like every every aspect of this has

2246

01:27:31,350 --> 01:27:27,600

been

2247

01:27:32,790 --> 01:27:31,360

amazing even like the not so cool parts

2248

01:27:35,270 --> 01:27:32,800

have been

2249

01:27:37,750 --> 01:27:35,280

pretty epic right it's like the it's

2250

01:27:39,990 --> 01:27:37,760

something like even the not cool parts

2251

01:27:42,070 --> 01:27:40,000

it's like not cool that you wouldn't

2252

01:27:44,149 --> 01:27:42,080

have experienced had we not done this in

2253

01:27:46,950 --> 01:27:44,159

the first place

2254

01:27:49,990 --> 01:27:46,960

it's just it's it's been super super

2255

01:27:51,910 --> 01:27:50,000

super crazy super crazy dude dude we

2256

01:27:54,149 --> 01:27:51,920

show up somewhere dude and we make

2257

01:27:55,270 --> 01:27:54,159

friends man you know we make it's what

2258

01:27:56,790 --> 01:27:55,280

it's all about

2259

01:27:59,669 --> 01:27:56,800

i think it's all dude this is what it's

2260

01:28:01,990 --> 01:27:59,679

all about man and i've gone through like

2261

01:28:02,870 --> 01:28:02,000

ups and downs of like

2262

01:28:03,669 --> 01:28:02,880

being

2263

01:28:05,669 --> 01:28:03,679

oh

2264

01:28:07,669 --> 01:28:05,679

we got a uh you know focus on the

2265

01:28:09,350 --> 01:28:07,679

message and all that stuff no dude it's

2266

01:28:11,590 --> 01:28:09,360

not about the message it's about

2267

01:28:13,270 --> 01:28:11,600

figuring it out dude i think that's what

2268

01:28:15,430 --> 01:28:13,280

it's about it's making the connection

2269

01:28:17,990 --> 01:28:15,440

meeting people that think and are

2270

01:28:19,910 --> 01:28:18,000

curious about the same things you are

2271

01:28:21,350 --> 01:28:19,920

and connecting on a level

2272

01:28:24,149 --> 01:28:21,360

that it

2273

01:28:25,189 --> 01:28:24,159

makes sense like you can learn stuff

2274

01:28:29,510 --> 01:28:25,199

from

2275

01:28:31,750 --> 01:28:29,520

like i would not probably you know have

2276

01:28:33,030 --> 01:28:31,760

a beer with that guy like thank you for

2277

01:28:35,590 --> 01:28:33,040

the information

2278

01:28:36,550 --> 01:28:35,600

but like also you're kind of an [h__\h]

2279

01:28:39,990 --> 01:28:36,560

or

2280

01:28:41,590 --> 01:28:40,000

you're so

2281

01:28:43,830 --> 01:28:41,600

there's a lot of pretentiousness going

2282

01:28:45,990 --> 01:28:43,840

on like when you have smart people like

2283

01:28:48,310 --> 01:28:46,000

dude

2284

01:28:49,990 --> 01:28:48,320

a lot of smart people are like oh well i

2285

01:28:51,830 --> 01:28:50,000

just know i mean i'm not naming any

2286

01:28:53,590 --> 01:28:51,840

names but like

2287

01:28:55,830 --> 01:28:53,600

they just they just don't give any like

2288

01:28:58,950 --> 01:28:55,840

the regular person the time of day you

2289

01:29:01,510 --> 01:28:58,960

know yeah but like us our us dumbasses

2290

01:29:04,229 --> 01:29:01,520

like we just want to figure it out dude

2291

01:29:06,870 --> 01:29:04,239

i know i know and it's been amazing just

2292

01:29:08,550 --> 01:29:06,880

figuring it out with everybody that's

2293

01:29:09,510 --> 01:29:08,560

has been a listener for the past two

2294

01:29:11,830 --> 01:29:09,520

years

2295

01:29:14,070 --> 01:29:11,840

and just going along this journey with

2296

01:29:15,910 --> 01:29:14,080

us man like i feel like it's like we've

2297

01:29:18,149 --> 01:29:15,920

been not only that man but it's been so

2298

01:29:19,750 --> 01:29:18,159

cool like getting to like

2299

01:29:21,590 --> 01:29:19,760

talk to all you guys i mean the

2300

01:29:25,830 --> 01:29:21,600

listeners i mean we've had we've had

2301
01:29:27,830 --> 01:29:25,840
quite a few like just listeners and like

2302
01:29:29,590 --> 01:29:27,840
just regular people like come on the

2303
01:29:31,910 --> 01:29:29,600
show and just hang out and chit chat

2304
01:29:33,030 --> 01:29:31,920
with us and have a good time like you

2305
01:29:35,270 --> 01:29:33,040
know like

2306
01:29:36,790 --> 01:29:35,280
you think of all the big names and stuff

2307
01:29:38,149 --> 01:29:36,800
man but like

2308
01:29:41,350 --> 01:29:38,159
you know this [h__h] is happening to

2309
01:29:44,790 --> 01:29:41,360
everyday people every single day yeah

2310
01:29:47,510 --> 01:29:44,800
all day or day happens to just regular

2311
01:29:49,830 --> 01:29:47,520
people and like it's so cool to hear the

2312
01:29:52,310 --> 01:29:49,840
stories and

2313
01:29:54,229 --> 01:29:52,320

we can't thank you guys enough man

2314

01:29:56,070 --> 01:29:54,239

really can't thank you guys enough so we

2315

01:29:57,990 --> 01:29:56,080

appreciate it i just wanted to share

2316

01:29:59,430 --> 01:29:58,000

that because you know we make jokes

2317

01:30:01,590 --> 01:29:59,440

about you know

2318

01:30:03,430 --> 01:30:01,600

we've got two people that listen to us

2319

01:30:05,750 --> 01:30:03,440

but you know

2320

01:30:08,149 --> 01:30:05,760

uh that's that's that's the way ben and

2321

01:30:09,830 --> 01:30:08,159

i feel sometimes and then we get these

2322

01:30:12,310 --> 01:30:09,840

numbers and we're just completely

2323

01:30:14,229 --> 01:30:12,320

floored at the fact that over a hundred

2324

01:30:16,149 --> 01:30:14,239

thousand downloads have come out of this

2325

01:30:17,270 --> 01:30:16,159

thing and that was in june

2326

01:30:19,110 --> 01:30:17,280

uh

2327

01:30:23,830 --> 01:30:19,120

it's a lot more than that it's now

2328

01:30:26,390 --> 01:30:23,840

october so 2 200 000. oh it did it again

2329

01:30:28,390 --> 01:30:26,400

yeah i keep slapping my headphones cord

2330

01:30:31,270 --> 01:30:28,400

and it like keeps like

2331

01:30:33,189 --> 01:30:31,280

jerking the side of my head ow

2332

01:30:35,110 --> 01:30:33,199

yeah well that's that's the

2333

01:30:37,350 --> 01:30:35,120

masturbation propulsion technology

2334

01:30:40,780 --> 01:30:37,360

surging through from our listeners all

2335

01:30:40,790 --> 01:30:47,189

[Laughter]

2336

01:30:47,199 --> 01:30:49,990

is this

2337

01:30:52,629 --> 01:30:51,910

is it because i said the word jerking

2338

01:30:54,470 --> 01:30:52,639

all

2339

01:30:56,790 --> 01:30:54,480

you keep freezing

2340

01:30:59,030 --> 01:30:56,800

am i freezing for you or

2341

01:31:00,709 --> 01:30:59,040

no not at all am i freezing yeah a

2342

01:31:04,070 --> 01:31:00,719

little bit you're you're a little jerky

2343

01:31:06,550 --> 01:31:04,080

here are you sure it's not just me

2344

01:31:08,950 --> 01:31:06,560

yeah i mean you look great now

2345

01:31:14,550 --> 01:31:08,960

i don't know dude i know that's what's

2346

01:31:18,870 --> 01:31:16,950

oh man

2347

01:31:21,830 --> 01:31:18,880

so i mean [h__\h]

2348

01:31:23,189 --> 01:31:21,840

i dude i'm i'm glad so i i hit you i was

2349

01:31:25,270 --> 01:31:23,199

like joe i

2350

01:31:27,270 --> 01:31:25,280

once i got back into speaker

2351

01:31:30,149 --> 01:31:27,280

uh i saw that like achievement thing was

2352

01:31:32,870 --> 01:31:30,159

like we sent you this back in june dude

2353

01:31:34,310 --> 01:31:32,880

and i hadn't seen it i was like i really

2354

01:31:36,390 --> 01:31:34,320

want to share it

2355

01:31:38,390 --> 01:31:36,400

because there's you know i'm proud of

2356

01:31:39,990 --> 01:31:38,400

that that's amazing dude

2357

01:31:43,110 --> 01:31:40,000

hey chad thank you very much dude

2358

01:31:46,550 --> 01:31:43,120

appreciate it hey chad smith thank you

2359

01:31:50,790 --> 01:31:48,550

also you know what you know what also

2360

01:31:54,950 --> 01:31:50,800

happened this past year

2361

01:31:56,310 --> 01:31:54,960

chad smith

2362

01:31:58,790 --> 01:31:56,320

and he did me

2363

01:32:00,709 --> 01:31:58,800

and he also became

2364

01:32:03,590 --> 01:32:00,719

dave scott

2365

01:32:06,149 --> 01:32:03,600

who then in return became chad smith

2366

01:32:07,350 --> 01:32:06,159

who did we knew dave before but he also

2367

01:32:10,830 --> 01:32:07,360

then became

2368

01:32:12,950 --> 01:32:10,840

uh chad smith so like these which

2369

01:32:15,350 --> 01:32:12,960

consciousness is

2370

01:32:17,510 --> 01:32:15,360

so we gotta witness that

2371

01:32:19,510 --> 01:32:17,520

and we witnessed a wild ride yes we did

2372

01:32:21,350 --> 01:32:19,520

tammy

2373

01:32:23,990 --> 01:32:21,360

and uh you know what

2374

01:32:27,750 --> 01:32:24,000

listen i don't care who you are

2375

01:32:30,470 --> 01:32:27,760

i like to party and i'll see you

2376

01:32:32,470 --> 01:32:30,480

in las vegas

2377

01:32:33,510 --> 01:32:32,480

and what what when was when's dave's

2378

01:32:36,149 --> 01:32:33,520

thing

2379

01:32:38,390 --> 01:32:36,159

i have no idea [\h__\h] i forgot

2380

01:32:40,629 --> 01:32:38,400

anyway whenever dave's got uh y'all

2381

01:32:43,750 --> 01:32:40,639

talked about it when i was in sedona i

2382

01:32:47,270 --> 01:32:43,760

know and i forgot that's what you're for

2383

01:32:49,590 --> 01:32:47,280

dude i can't remember [\h__\h] dude i pulled

2384

01:32:51,270 --> 01:32:49,600

it up and i heard like

2385

01:32:53,430 --> 01:32:51,280

through the whole show

2386

01:32:55,830 --> 01:32:53,440

it would buffer and i think i maybe

2387

01:32:56,790 --> 01:32:55,840

caught like eight minutes of the entire

2388

01:32:59,030 --> 01:32:56,800

show

2389

01:33:00,790 --> 01:32:59,040

because it was just buffer and buffer

2390

01:33:03,030 --> 01:33:00,800

buffer out there and

2391

01:33:06,950 --> 01:33:03,040

out there in the hills

2392

01:33:11,110 --> 01:33:09,430

say it again it's up in the mountains up

2393

01:33:13,750 --> 01:33:11,120

there

2394

01:33:15,590 --> 01:33:13,760

holy mountains

2395

01:33:18,149 --> 01:33:15,600

uh dude so

2396

01:33:19,590 --> 01:33:18,159

what what needs to happen dude i'm sorry

2397

01:33:21,350 --> 01:33:19,600

i feel like i've missed a lot of the

2398

01:33:23,030 --> 01:33:21,360

super chats um

2399

01:33:25,110 --> 01:33:23,040

i've not been paying attention thank you

2400

01:33:28,470 --> 01:33:25,120

all so much like i think chad smith was

2401

01:33:31,270 --> 01:33:28,480

the only one okay chad smith

2402

01:33:33,350 --> 01:33:31,280

[h__\h] legend also real quick can we

2403

01:33:35,350 --> 01:33:33,360

show the chad smith shirt

2404

01:33:36,550 --> 01:33:35,360

yeah let's do it

2405

01:33:38,709 --> 01:33:36,560

hold on he's gotta hack into the

2406

01:33:41,830 --> 01:33:38,719

mainframe against the mainframe hold on

2407

01:33:44,700 --> 01:33:41,840

it'll only be i wrote podcats.com

2408

01:33:46,189 --> 01:33:44,710

and that's not it podcast

2409

01:33:52,629 --> 01:33:46,199

[Music]

2410

01:33:52,639 --> 01:33:55,750

store

2411

01:33:59,510 --> 01:33:57,189

and

2412

01:34:01,270 --> 01:33:59,520

sunsaver i agree uh y'all click that

2413

01:34:02,629 --> 01:34:01,280

like button

2414

01:34:04,790 --> 01:34:02,639

if you're new that if you're new to the

2415

01:34:07,590 --> 01:34:04,800

channel go ahead and subscribe

2416

01:34:10,390 --> 01:34:07,600

i'm slurring a little bit i apologize

2417

01:34:12,629 --> 01:34:10,400

i just finished this bottle of wine

2418

01:34:16,229 --> 01:34:12,639

did you see this dude hello it did it

2419

01:34:18,709 --> 01:34:16,239

looks sick i love that i uh i

2420

01:34:21,110 --> 01:34:18,719

either chad bought one and i sent him

2421

01:34:22,629 --> 01:34:21,120

another one i i was like dude stop i i

2422

01:34:25,270 --> 01:34:22,639

will send you this shirt this is your

2423

01:34:28,390 --> 01:34:25,280

[h__\h] name like stop buying your stuff

2424

01:34:29,750 --> 01:34:28,400

he's such a good guy a [h__\h] love chad

2425

01:34:32,870 --> 01:34:29,760

he was like no no i already bought it

2426

01:34:34,550 --> 01:34:32,880

like damn it

2427

01:34:37,189 --> 01:34:34,560

you like just finished designing it and

2428

01:34:38,629 --> 01:34:37,199

put it on the website yeah click buy i

2429

01:34:40,390 --> 01:34:38,639

[h__h] love it i like that white one

2430

01:34:42,550 --> 01:34:40,400

bro wait wait

2431

01:34:45,030 --> 01:34:42,560

that white one is where it's at actually

2432

01:34:46,870 --> 01:34:45,040

that's actually kind of dope it is it's

2433

01:34:49,270 --> 01:34:46,880

just like the manscape packaging that

2434

01:34:54,070 --> 01:34:49,280

you're talking about yeah the uv kind of

2435

01:34:55,590 --> 01:34:54,080

yeah i like that actually [h__h]

2436

01:34:56,870 --> 01:34:55,600

go fargo

2437

01:34:58,629 --> 01:34:56,880

anyway

2438

01:35:01,590 --> 01:34:58,639

some white on white for i think where my

2439

01:35:03,109 --> 01:35:01,600

white adidas

2440

01:35:05,350 --> 01:35:03,119

i would look tight

2441

01:35:07,189 --> 01:35:05,360

champ is a new member

2442

01:35:08,390 --> 01:35:07,199

we've got a new man we got a new

2443

01:35:10,470 --> 01:35:08,400

spacebar

2444

01:35:12,550 --> 01:35:10,480

space cam the space part member thank

2445

01:35:15,020 --> 01:35:12,560

you sir thank you sir

2446

01:35:25,510 --> 01:35:15,030

thank you

2447

01:35:26,470 --> 01:35:25,520

[Music]

2448

01:35:27,990 --> 01:35:26,480

anyway

2449

01:35:31,030 --> 01:35:28,000

what we're trying to do here is be very

2450

01:35:32,550 --> 01:35:31,040

serious about the subject okay uaps ufos

2451

01:35:34,790 --> 01:35:32,560

we're very serious about it and all we

2452

01:35:36,950 --> 01:35:34,800

have to do is be serious all together as

2453

01:35:39,189 --> 01:35:36,960

a collective and what we need to do is

2454

01:35:42,070 --> 01:35:39,199

look at the science and

2455

01:35:44,470 --> 01:35:42,080

with the science comes facts i believe

2456

01:35:46,709 --> 01:35:44,480

in science yeah

2457

01:35:50,229 --> 01:35:46,719

hey did you know that benjamin franklin

2458

01:35:53,590 --> 01:35:50,239

wrote an entire paper on farts and sent

2459

01:35:56,550 --> 01:35:53,600

it over to uh england because he wanted

2460

01:35:58,629 --> 01:35:56,560

to do a study and he was like hey i

2461

01:36:01,669 --> 01:35:58,639

noticed that dignitaries always come

2462

01:36:03,590 --> 01:36:01,679

here and we uh gather in these parties

2463

01:36:06,149 --> 01:36:03,600

and i'd like to see if we can find a way

2464

01:36:08,149 --> 01:36:06,159

to make farts not smell like farts

2465

01:36:09,750 --> 01:36:08,159

it's a real thing i swear to god you can

2466

01:36:12,550 --> 01:36:09,760

google it right now that's actually kind

2467

01:36:14,870 --> 01:36:12,560

of genius benjamin franklin wrote an

2468

01:36:16,629 --> 01:36:14,880

entire paper on farts so he basically

2469

01:36:18,950 --> 01:36:16,639

told a bunch of people like hey

2470

01:36:20,790 --> 01:36:18,960

should be stink and let's do something

2471

01:36:23,270 --> 01:36:20,800

about it yep

2472

01:36:25,669 --> 01:36:23,280

yep not only did like people not bathe a

2473

01:36:26,870 --> 01:36:25,679

lot but also people were farting too

2474

01:36:28,550 --> 01:36:26,880

though dude

2475

01:36:34,470 --> 01:36:28,560

yeah you know you can you imagine how

2476

01:36:39,430 --> 01:36:37,590

people didn't bathe probably

2477

01:36:41,109 --> 01:36:39,440

the same

2478

01:36:43,189 --> 01:36:41,119

no

2479

01:36:45,590 --> 01:36:43,199

dirty butt fart also you didn't bathe

2480

01:36:48,149 --> 01:36:45,600

this past six months what about bashar

2481

01:36:50,310 --> 01:36:48,159

we forgot about that guy oh [h__\h] oh my

2482

01:36:53,030 --> 01:36:50,320

god i forgot about that

2483

01:36:55,109 --> 01:36:53,040

we did that rambling thing again yeah

2484

01:36:56,390 --> 01:36:55,119

it's been a while but we gotta get back

2485

01:36:58,149 --> 01:36:56,400

to it

2486

01:36:59,510 --> 01:36:58,159

champ thank you thank you for being

2487

01:37:00,790 --> 01:36:59,520

becoming a

2488

01:37:04,310 --> 01:37:00,800

space part

2489

01:37:07,669 --> 01:37:04,320

jesus space far officer

2490

01:37:09,430 --> 01:37:07,679

or doctor scientist i can't i can't tell

2491

01:37:10,629 --> 01:37:09,440

sunsaver you can get high and still be

2492

01:37:13,990 --> 01:37:10,639

serious

2493

01:37:14,000 --> 01:37:17,669

and now we're partying

2494

01:37:21,270 --> 01:37:19,669

um what this world needs is more

2495

01:37:23,189 --> 01:37:21,280

partying

2496

01:37:25,189 --> 01:37:23,199

but like in a constructive but like in a

2497

01:37:27,430 --> 01:37:25,199

constructive way

2498

01:37:29,590 --> 01:37:27,440

and like

2499

01:37:32,870 --> 01:37:29,600

we're going to ramble again what about

2500

01:37:36,709 --> 01:37:35,270

i'll get back to bashar back to be sharp

2501
01:37:38,629 --> 01:37:36,719

okay

2502
01:37:41,990 --> 01:37:38,639

i was gonna go off to on that thank you

2503
01:37:45,590 --> 01:37:44,229

uh

2504
01:37:46,629 --> 01:37:45,600

all right so

2505
01:37:49,590 --> 01:37:46,639

dude

2506
01:37:50,629 --> 01:37:49,600

back to bashar darryl inky i

2507
01:37:52,950 --> 01:37:50,639

think

2508
01:37:54,149 --> 01:37:52,960

i'm still at this moment in time where

2509
01:37:56,470 --> 01:37:54,159

i'm at

2510
01:37:57,270 --> 01:37:56,480

i think he's he's tapping into something

2511
01:37:59,030 --> 01:37:57,280

dude

2512
01:38:01,189 --> 01:37:59,040

and it may be

2513
01:38:04,709 --> 01:38:01,199

dude i'm open to the fact that i mean

2514

01:38:05,910 --> 01:38:04,719

509 dude brother tell me what you think

2515

01:38:09,270 --> 01:38:05,920

but

2516

01:38:10,390 --> 01:38:09,280

could it be an angelic or demonic

2517

01:38:12,629 --> 01:38:10,400

entity

2518

01:38:14,790 --> 01:38:12,639

could could those just be descriptive

2519

01:38:17,189 --> 01:38:14,800

names you know

2520

01:38:19,350 --> 01:38:17,199

demonic or or angelic those just both

2521

01:38:23,189 --> 01:38:19,360

describe something that is not of this

2522

01:38:26,750 --> 01:38:25,350

is that not are we not talking about the

2523

01:38:29,189 --> 01:38:26,760

same thing as

2524

01:38:30,790 --> 01:38:29,199

extraterrestrials they're they're all

2525

01:38:33,350 --> 01:38:30,800

they're all the same i don't want to

2526

01:38:35,590 --> 01:38:33,360

like over simplify things but

2527

01:38:37,430 --> 01:38:35,600

right right you know in a way joe like

2528

01:38:39,510 --> 01:38:37,440

what do you think about that like

2529

01:38:40,550 --> 01:38:39,520

is it is it like offensive to lump all

2530

01:38:44,470 --> 01:38:40,560

those in

2531

01:38:50,390 --> 01:38:47,830

i think dude if we break it down right

2532

01:38:52,470 --> 01:38:50,400

there's a couple schools of thought

2533

01:38:55,669 --> 01:38:52,480

one of the schools of thought is that

2534

01:38:57,590 --> 01:38:55,679

this is all the same thing

2535

01:38:59,350 --> 01:38:57,600

there's also people who say

2536

01:39:02,709 --> 01:38:59,360

well

2537

01:39:03,830 --> 01:39:02,719

i've seen multiple different things

2538

01:39:06,709 --> 01:39:03,840

right

2539

01:39:10,310 --> 01:39:06,719

and then we've also

2540

01:39:13,990 --> 01:39:10,320

got lynn who talked about demons and how

2541

01:39:16,229 --> 01:39:14,000

yeah we assume all demons are bad but

2542

01:39:18,390 --> 01:39:16,239

technically they're not like there's a

2543

01:39:20,790 --> 01:39:18,400

demon for plants you want to learn more

2544

01:39:23,750 --> 01:39:20,800

about plants and like become one with

2545

01:39:26,070 --> 01:39:23,760

plants yeah [h__h] summon this demon

2546

01:39:27,990 --> 01:39:26,080

for plants right right so it's like it's

2547

01:39:30,470 --> 01:39:28,000

such like a it's almost like a social

2548

01:39:33,910 --> 01:39:30,480

conditioning that we've had to assume

2549

01:39:35,189 --> 01:39:33,920

that certain things are just that right

2550

01:39:37,030 --> 01:39:35,199

when they're not

2551
01:39:37,830 --> 01:39:37,040
so

2552
01:40:03,510 --> 01:39:37,840
i

2553
01:40:05,910 --> 01:40:03,520
that just

2554
01:40:09,270 --> 01:40:05,920
i have so glad you said that i had this

2555
01:40:12,229 --> 01:40:09,280
train of thought right on like

2556
01:40:15,830 --> 01:40:12,239
cool ufos maybe some aliens inside the

2557
01:40:17,270 --> 01:40:15,840
ufos and then we got into like well

2558
01:40:19,750 --> 01:40:17,280
come on

2559
01:40:21,430 --> 01:40:19,760
these craft right don't even have to

2560
01:40:23,669 --> 01:40:21,440
have things inside of them maybe the

2561
01:40:25,990 --> 01:40:23,679
craft or consciousness themselves maybe

2562
01:40:27,750 --> 01:40:26,000
they are entities all on their own and

2563
01:40:29,990 --> 01:40:27,760

i'm like okay so now there's like this

2564

01:40:31,990 --> 01:40:30,000

craft with a thing inside of it but now

2565

01:40:33,590 --> 01:40:32,000

there's also this thing that doesn't

2566

01:40:35,590 --> 01:40:33,600

have anything inside of it because it's

2567

01:40:37,430 --> 01:40:35,600

conscious on its own and then there's a

2568

01:40:39,109 --> 01:40:37,440

whole nother separate category of things

2569

01:40:40,950 --> 01:40:39,119

that don't even need craft that just

2570

01:40:43,830 --> 01:40:40,960

show up in your [h__h] room and they're

2571

01:40:45,189 --> 01:40:43,840

just lights like a a tall light thing

2572

01:40:46,629 --> 01:40:45,199

and you're like what is that and then

2573

01:40:48,229 --> 01:40:46,639

some people are like well no they're

2574

01:40:49,910 --> 01:40:48,239

angels and then there's other people

2575

01:40:53,830 --> 01:40:49,920

like well these are [h__h] demons that

2576

01:40:56,550 --> 01:40:55,350

what like

2577

01:40:57,510 --> 01:40:56,560

like what

2578

01:41:02,550 --> 01:40:57,520

bro

2579

01:41:06,709 --> 01:41:04,149

i think there's a whole lot of [h__h] out

2580

01:41:08,709 --> 01:41:06,719

there and like i've said before dude on

2581

01:41:12,470 --> 01:41:08,719

this channel a lot of times in our

2582

01:41:13,430 --> 01:41:12,480

search for e.t and his spaceship we went

2583

01:41:15,910 --> 01:41:13,440

further

2584

01:41:18,310 --> 01:41:15,920

and beyond and we found way more [h__h]

2585

01:41:20,950 --> 01:41:18,320

than we could have ever even imagined we

2586

01:41:22,790 --> 01:41:20,960

completely missed e.t we saw him and

2587

01:41:24,149 --> 01:41:22,800

kept going and found a whole bunch of

2588

01:41:27,270 --> 01:41:24,159

other [h__h] and we've just been

2589

01:41:28,629 --> 01:41:27,280

classifying it as et this whole time so

2590

01:41:30,629 --> 01:41:28,639

just because there's all this other

2591

01:41:33,590 --> 01:41:30,639

stuff i feel like

2592

01:41:36,470 --> 01:41:33,600

yeah et probably still exists it's not

2593

01:41:38,950 --> 01:41:36,480

crazy to think that there's a humanoid

2594

01:41:41,430 --> 01:41:38,960

being somewhere in the milky way that's

2595

01:41:44,229 --> 01:41:41,440

developed technology in order to get all

2596

01:41:46,470 --> 01:41:44,239

the way to earth right that's not crazy

2597

01:41:49,109 --> 01:41:46,480

right but it's also not crazy to think

2598

01:41:50,950 --> 01:41:49,119

that there's a another separate

2599

01:41:53,510 --> 01:41:50,960

civilization or a set of beings that

2600

01:41:55,990 --> 01:41:53,520

don't even need craft right

2601

01:41:59,990 --> 01:41:56,000

it's just it's just like i i feel like

2602

01:42:02,070 --> 01:42:00,000

all of it exists and we've all seen

2603

01:42:04,870 --> 01:42:02,080

different little pieces of this thing

2604

01:42:06,709 --> 01:42:04,880

and certain people you know they've seen

2605

01:42:08,629 --> 01:42:06,719

one thing that's what they believe we

2606

01:42:11,430 --> 01:42:08,639

were talking about like what are your

2607

01:42:13,910 --> 01:42:11,440

beliefs what is your reality like if you

2608

01:42:15,990 --> 01:42:13,920

know something what is that and i feel

2609

01:42:17,510 --> 01:42:16,000

like this kind of falls in that category

2610

01:42:19,430 --> 01:42:17,520

of the conversation we were having

2611

01:42:21,750 --> 01:42:19,440

earlier where like

2612

01:42:24,070 --> 01:42:21,760

what you see is your reality and that is

2613

01:42:26,709 --> 01:42:24,080

your belief some people just so happen

2614

01:42:28,790 --> 01:42:26,719

to have seen multiple different things

2615

01:42:30,950 --> 01:42:28,800

some people have only seen one thing

2616

01:42:34,149 --> 01:42:30,960

they only have the reference to what

2617

01:42:34,870 --> 01:42:34,159

they've experienced themselves right and

2618

01:42:43,270 --> 01:42:34,880

so

2619

01:42:45,590 --> 01:42:43,280

you haven't experienced anything and

2620

01:42:47,510 --> 01:42:45,600

you're not into it of course it sounds

2621

01:42:51,750 --> 01:42:47,520

like horseshit

2622

01:42:54,070 --> 01:42:51,760

because there's so much to it that you

2623

01:42:55,830 --> 01:42:54,080

have to dig into and you have to really

2624

01:42:57,669 --> 01:42:55,840

open your mind to certain things and

2625

01:42:59,750 --> 01:42:57,679

then you start talking to really smart

2626
01:43:02,310 --> 01:42:59,760
people that are like actual scientists

2627
01:43:04,070 --> 01:43:02,320
and they're like

2628
01:43:06,629 --> 01:43:04,080
oh yeah it exists

2629
01:43:07,510 --> 01:43:06,639
you're like what

2630
01:43:08,470 --> 01:43:07,520
you know

2631
01:43:11,750 --> 01:43:08,480
we

2632
01:43:13,430 --> 01:43:11,760
talk to somebody who's not into this

2633
01:43:14,629 --> 01:43:13,440
subject they'd be like you know one day

2634
01:43:16,550 --> 01:43:14,639
they're going to be able to download

2635
01:43:19,830 --> 01:43:16,560
your consciousness into a computer

2636
01:43:21,830 --> 01:43:19,840
they'd be like ah horse [ʰ__ʰ] right but

2637
01:43:24,550 --> 01:43:21,840
they've already done it that's already

2638
01:43:26,629 --> 01:43:24,560

science that's already a thing mr

2639

01:43:28,870 --> 01:43:26,639

science that's already the thing buddy

2640

01:43:31,510 --> 01:43:28,880

like they are already

2641

01:43:33,350 --> 01:43:31,520

they've mapped the human brain maybe not

2642

01:43:35,910 --> 01:43:33,360

totally i'm not

2643

01:43:37,830 --> 01:43:35,920

sure i think they might have gotten

2644

01:43:39,030 --> 01:43:37,840

pretty freaking close but dude they're

2645

01:43:42,070 --> 01:43:39,040

able to hook your

2646

01:43:44,149 --> 01:43:42,080

your head up to a computer and make

2647

01:43:45,830 --> 01:43:44,159

images of what you're dreaming on a

2648

01:43:47,430 --> 01:43:45,840

computer screen

2649

01:43:48,709 --> 01:43:47,440

dude like

2650

01:43:50,390 --> 01:43:48,719

they're getting it you know what i'm

2651
01:43:52,550 --> 01:43:50,400
saying there's so many things that sound

2652
01:43:56,149 --> 01:43:52,560
like science fiction we're talking about

2653
01:43:57,910 --> 01:43:56,159
quantum computing what the hell you know

2654
01:44:00,390 --> 01:43:57,920
yeah separating a computer from the

2655
01:44:02,629 --> 01:44:00,400
universe so it can quantum compute

2656
01:44:05,430 --> 01:44:02,639
crystals what the hell does that even

2657
01:44:06,390 --> 01:44:05,440
mean to dumb people like us that doesn't

2658
01:44:08,390 --> 01:44:06,400
you know

2659
01:44:10,709 --> 01:44:08,400
that's just like some really crazy

2660
01:44:13,669 --> 01:44:10,719
science fiction [h__h] right yeah

2661
01:44:16,149 --> 01:44:13,679
but it's not it's a reality it's a

2662
01:44:19,109 --> 01:44:16,159
really it's not it's not perfect

2663
01:44:23,030 --> 01:44:19,119

but it's a reality man yeah it is a

2664

01:44:25,550 --> 01:44:23,040

reality how far does that reality go if

2665

01:44:28,310 --> 01:44:25,560

we now have the technology to create

2666

01:44:31,030 --> 01:44:28,320

invisibility cloaks and stealth

2667

01:44:32,629 --> 01:44:31,040

technology that you can't see you have a

2668

01:44:36,070 --> 01:44:32,639

massive aircraft that looks like a

2669

01:44:36,950 --> 01:44:36,080

bumblebee on a radar like

2670

01:44:38,470 --> 01:44:36,960

like

2671

01:44:40,709 --> 01:44:38,480

where does it end where does the

2672

01:44:41,910 --> 01:44:40,719

craziness end you know what i'm saying

2673

01:44:45,990 --> 01:44:41,920

yeah

2674

01:44:47,189 --> 01:44:46,000

there's too much stuff exists today

2675

01:44:49,750 --> 01:44:47,199

that seem

2676

01:44:53,189 --> 01:44:49,760

so crazy that like it's hard for me to

2677

01:44:55,910 --> 01:44:53,199

block off other like

2678

01:44:58,470 --> 01:44:55,920

more crazy things because why not dude

2679

01:45:00,950 --> 01:44:58,480

what like the possibility of it

2680

01:45:04,390 --> 01:45:00,960

if you're in this infinite reality and

2681

01:45:07,030 --> 01:45:04,400

anything can exist and will exist at

2682

01:45:11,510 --> 01:45:07,040

some point throughout time in history

2683

01:45:14,950 --> 01:45:11,520

why couldn't it have already existed

2684

01:45:17,910 --> 01:45:14,960

and it's old technology okay

2685

01:45:21,669 --> 01:45:17,920

dude this bring you made me uh think of

2686

01:45:24,470 --> 01:45:21,679

this this uh this video so the guy's

2687

01:45:25,669 --> 01:45:24,480

name is ben and he's on tick tock

2688

01:45:26,709 --> 01:45:25,679

i

2689

01:45:31,109 --> 01:45:26,719

uh

2690

01:45:33,669 --> 01:45:31,119

i want to bring it up because i think

2691

01:45:36,709 --> 01:45:33,679

it's really dope dude

2692

01:45:39,510 --> 01:45:36,719

and what he's basically saying is

2693

01:45:41,750 --> 01:45:39,520

it's a theory that's existed for a while

2694

01:45:44,629 --> 01:45:41,760

we're not sure who came up with it but

2695

01:45:47,189 --> 01:45:44,639

it's called the single electron theory

2696

01:45:48,470 --> 01:45:47,199

have you heard of this

2697

01:45:51,430 --> 01:45:48,480

no

2698

01:45:53,830 --> 01:45:51,440

okay so the single electron theory has

2699

01:45:56,550 --> 01:45:53,840

to do with the fact that

2700

01:45:57,590 --> 01:45:56,560

the electron one of the the building

2701
01:45:59,510 --> 01:45:57,600
blocks

2702
01:46:04,310 --> 01:45:59,520
of matter

2703
01:46:04,320 --> 01:46:06,870
and

2704
01:46:10,390 --> 01:46:09,030
that would that would

2705
01:46:12,470 --> 01:46:10,400
so there's people that there's this

2706
01:46:14,629 --> 01:46:12,480
school of thought that because they're

2707
01:46:15,510 --> 01:46:14,639
all the same exact mass

2708
01:46:18,070 --> 01:46:15,520
that

2709
01:46:18,950 --> 01:46:18,080
the possibility there's a possibility

2710
01:46:23,750 --> 01:46:18,960
that

2711
01:46:26,709 --> 01:46:23,760
exists

2712
01:46:28,070 --> 01:46:26,719
is one electron moving through space and

2713
01:46:32,229 --> 01:46:28,080

time

2714

01:46:33,669 --> 01:46:32,239

simultaneously simultaneously

2715

01:46:35,030 --> 01:46:33,679

and i'm trying to do two things at once

2716

01:46:38,709 --> 01:46:35,040

you know i can't do that i'm trying to

2717

01:46:44,390 --> 01:46:41,189

i just tweeted it

2718

01:46:46,790 --> 01:46:44,400

uh somebody had asked

2719

01:46:49,669 --> 01:46:46,800

about let's see what was it the drew the

2720

01:46:51,669 --> 01:46:49,679

dream things recording dream i found it

2721

01:46:54,070 --> 01:46:51,679

i found it

2722

01:46:56,229 --> 01:46:54,080

what is it okay tell me imagine you are

2723

01:46:58,229 --> 01:46:56,239

a super genius and you get a phone call

2724

01:46:59,990 --> 01:46:58,239

from another super genius you guys both

2725

01:47:02,310 --> 01:47:00,000

know physics like nobody's business

2726

01:47:03,910 --> 01:47:02,320

except for your own business

2727

01:47:06,629 --> 01:47:03,920

and the other super genius calls you and

2728

01:47:08,790 --> 01:47:06,639

he says hey i know why every electron in

2729

01:47:11,270 --> 01:47:08,800

the universe is identical to every other

2730

01:47:13,030 --> 01:47:11,280

electron it's because they're the same

2731

01:47:14,870 --> 01:47:13,040

electron

2732

01:47:16,790 --> 01:47:14,880

and that sounds to me like a drunk dial

2733

01:47:18,470 --> 01:47:16,800

that's i always picture the other guy

2734

01:47:20,229 --> 01:47:18,480

drunk this was a conversation that

2735

01:47:22,629 --> 01:47:20,239

happened between richard feynman and

2736

01:47:24,390 --> 01:47:22,639

john wheeler these are two mega rock

2737

01:47:25,990 --> 01:47:24,400

stars in the world of physics they know

2738

01:47:28,950 --> 01:47:26,000

what they're talking about

2739

01:47:31,910 --> 01:47:28,960

and uh this theory is called the single

2740

01:47:35,590 --> 01:47:31,920

electron universe theory john wheeler

2741

01:47:37,350 --> 01:47:35,600

proposed it and the idea here is that

2742

01:47:39,669 --> 01:47:37,360

every electron in the universe is

2743

01:47:41,669 --> 01:47:39,679

identical this we know we have never

2744

01:47:43,510 --> 01:47:41,679

conducted an experiment we have never

2745

01:47:45,830 --> 01:47:43,520

done any research that has allowed us to

2746

01:47:47,830 --> 01:47:45,840

distinguish one electron from another in

2747

01:47:51,910 --> 01:47:47,840

the entire universe

2748

01:47:53,669 --> 01:47:51,920

so occam's razors every electron is the

2749

01:47:55,590 --> 01:47:53,679

same electron they're all identical

2750

01:47:57,590 --> 01:47:55,600

because they're one object so now we

2751
01:47:58,870 --> 01:47:57,600
move on to the next step how could that

2752
01:47:59,830 --> 01:47:58,880
be true

2753
01:48:02,070 --> 01:47:59,840
now

2754
01:48:03,910 --> 01:48:02,080
doing some basic math you find that

2755
01:48:05,590 --> 01:48:03,920
limiting anything to the speed of light

2756
01:48:07,669 --> 01:48:05,600
there's no way it could pass through

2757
01:48:10,709 --> 01:48:07,679
every atom in the universe

2758
01:48:12,870 --> 01:48:10,719
in the amount of time allocated for the

2759
01:48:14,790 --> 01:48:12,880
universe to exist from the big bang to

2760
01:48:17,669 --> 01:48:14,800
the heat death of the universe so it's

2761
01:48:19,750 --> 01:48:17,679
not moving through that way john wheeler

2762
01:48:21,109 --> 01:48:19,760
much smarter than i'll ever be figured

2763
01:48:23,830 --> 01:48:21,119

what if they're moving through the

2764

01:48:25,910 --> 01:48:23,840

universe through time

2765

01:48:28,149 --> 01:48:25,920

the same direction as we are and then at

2766

01:48:30,870 --> 01:48:28,159

some point they reverse in time and come

2767

01:48:32,790 --> 01:48:30,880

backwards through time and at that point

2768

01:48:34,709 --> 01:48:32,800

when we experienced them we are

2769

01:48:37,270 --> 01:48:34,719

experiencing them not as electrons but

2770

01:48:40,149 --> 01:48:37,280

as positrons positions of positrons are

2771

01:48:42,070 --> 01:48:40,159

the anti-matter version of electrons so

2772

01:48:44,390 --> 01:48:42,080

that anti-matter is actually a positron

2773

01:48:46,149 --> 01:48:44,400

flowing backwards in time and then it'll

2774

01:48:47,990 --> 01:48:46,159

at some point flip again so it has been

2775

01:48:51,030 --> 01:48:48,000

going visa the same electron has been

2776
01:48:54,870 --> 01:48:51,040
moving backwards and forwards in time

2777
01:48:57,350 --> 01:48:54,880
uh lasting roughly 7.6 septillion years

2778
01:48:58,870 --> 01:48:57,360
each time it goes through and it has

2779
01:49:09,030 --> 01:48:58,880
done this

2780
01:49:13,910 --> 01:49:11,669
hilarious name by the way yeah ben jay

2781
01:49:16,709 --> 01:49:13,920
handy i mean like my last name starts

2782
01:49:19,109 --> 01:49:16,719
with a j like ben jenkins like bj like

2783
01:49:21,189 --> 01:49:19,119
dude been j handy dude you're like

2784
01:49:24,310 --> 01:49:21,199
taking it to a different level brother

2785
01:49:25,750 --> 01:49:24,320
uh but dude benjay handy on on tick tock

2786
01:49:27,030 --> 01:49:25,760
dope

2787
01:49:56,310 --> 01:49:27,040
i

2788
01:49:58,030 --> 01:49:56,320

dreams developed by researcher

2789

01:50:01,430 --> 01:49:58,040

yukayushiya

2790

01:50:03,990 --> 01:50:01,440

kamatini and his kyoto-based team the

2791

01:50:05,510 --> 01:50:04,000

system uses a functional mri to analyze

2792

01:50:07,950 --> 01:50:05,520

brain activity and learning the

2793

01:50:09,510 --> 01:50:07,960

algorithm to create visualizations

2794

01:50:12,470 --> 01:50:09,520

visualizations

2795

01:50:13,510 --> 01:50:12,480

from the brain data so

2796

01:50:18,310 --> 01:50:13,520

they

2797

01:50:21,510 --> 01:50:18,320

um

2798

01:50:23,270 --> 01:50:21,520

through this algorithms from the mris

2799

01:50:24,390 --> 01:50:23,280

and they're able to create pictures of

2800

01:50:26,070 --> 01:50:24,400

of

2801
01:50:29,189 --> 01:50:26,080
things that you're dreaming that's

2802
01:50:33,669 --> 01:50:29,199
exactly what the software that movie you

2803
01:50:33,679 --> 01:50:36,870
is it

2804
01:50:39,830 --> 01:50:38,290
[h__\h] jason

2805
01:50:41,669 --> 01:50:39,840
[Music]

2806
01:50:45,990 --> 01:50:41,679
no dude

2807
01:50:50,629 --> 01:50:48,550
jason

2808
01:51:05,189 --> 01:50:50,639
with a machete

2809
01:51:09,669 --> 01:51:07,669
love brother friendship and and like

2810
01:51:11,669 --> 01:51:09,679
love and there's like a movie with like

2811
01:51:12,550 --> 01:51:11,679
uh uh

2812
01:51:14,070 --> 01:51:12,560
uh

2813
01:51:15,990 --> 01:51:14,080

[h__\h]

2814

01:51:18,629 --> 01:51:16,000

the guy from dumb and dumber

2815

01:51:22,870 --> 01:51:20,870

that's him right

2816

01:51:25,109 --> 01:51:22,880

that is him isn't it okay you know that

2817

01:51:26,950 --> 01:51:25,119

okay i'm latching on to this one thing

2818

01:51:28,310 --> 01:51:26,960

the movie anchorman

2819

01:51:29,750 --> 01:51:28,320

okay

2820

01:51:31,990 --> 01:51:29,760

or dumb and dumber

2821

01:51:35,669 --> 01:51:32,000

or or who plays ant-man you know who who

2822

01:51:38,709 --> 01:51:35,679

plays ant-man that guy oh um paul rudd

2823

01:51:39,830 --> 01:51:38,719

paul rudd okay we're following this paul

2824

01:51:42,709 --> 01:51:39,840

rudd

2825

01:51:56,690 --> 01:51:44,790

movies okay it looks like some movies

2826

01:51:56,700 --> 01:52:01,990

[Music]

2827

01:52:06,629 --> 01:52:03,990

the red power ranger used to bully the

2828

01:52:12,070 --> 01:52:06,639

blue one for being gay what

2829

01:52:16,070 --> 01:52:13,990

[h__\h] dude it's like it's like brea it's

2830

01:52:18,470 --> 01:52:16,080

like friends or like we're in love and

2831

01:52:21,430 --> 01:52:18,480

we're friends i love you man

2832

01:52:23,109 --> 01:52:21,440

boom that's the movie i love you man

2833

01:52:25,750 --> 01:52:23,119

that's the movie

2834

01:52:28,709 --> 01:52:25,760

so what does that have to do with jason

2835

01:52:34,149 --> 01:52:31,510

damn that was a long road yeah god damn

2836

01:52:36,310 --> 01:52:34,159

it i forget why i even wanted to know

2837

01:52:40,390 --> 01:52:36,320

what the movie it was

2838

01:52:47,669 --> 01:52:40,400

oh god what were we talking about

2839

01:52:53,830 --> 01:52:49,830

we're not good at this and that movie

2840

01:52:56,470 --> 01:52:53,840

the uh the discovery or some [h__\h]

2841

01:52:58,709 --> 01:52:56,480

where people will commit suicide yes

2842

01:53:01,189 --> 01:52:58,719

okay so jason siegel in that movie the

2843

01:53:02,709 --> 01:53:01,199

discovery his dad

2844

01:53:04,390 --> 01:53:02,719

is able to

2845

01:53:07,030 --> 01:53:04,400

visually

2846

01:53:09,510 --> 01:53:07,040

record people's

2847

01:53:12,070 --> 01:53:09,520

what happens after death dude and it

2848

01:53:13,750 --> 01:53:12,080

shows like scenes of them going through

2849

01:53:16,310 --> 01:53:13,760

this this like

2850

01:53:19,910 --> 01:53:16,320

hallway of a hospital

2851
01:53:23,270 --> 01:53:19,920
that is no longer a hospital like has

2852
01:53:25,910 --> 01:53:23,280
been a hospital for like 40 years

2853
01:53:28,470 --> 01:53:25,920
dude and they're like what the [h__h] like

2854
01:53:30,870 --> 01:53:28,480
i was just there yesterday you know like

2855
01:53:33,350 --> 01:53:30,880
it's like uh sorry

2856
01:53:35,589 --> 01:53:33,360
it was like hey i uh

2857
01:53:38,229 --> 01:53:35,599
okay back up it wasn't hasn't been a

2858
01:53:41,109 --> 01:53:38,239
hospital for 40 years but no one's no

2859
01:53:43,430 --> 01:53:41,119
one has died in that hospital for 40

2860
01:53:45,750 --> 01:53:43,440
years who was like no one's died there

2861
01:53:47,750 --> 01:53:45,760
so why am i seeing where i work so

2862
01:53:50,229 --> 01:53:47,760
someone's seeing this footage

2863
01:53:51,830 --> 01:53:50,239

of like no this doesn't exist but what

2864

01:53:54,310 --> 01:53:51,840

they're seeing is this alternate

2865

01:53:57,750 --> 01:53:54,320

universe where this person does die in

2866

01:54:00,149 --> 01:53:57,760

that hospital pretty [h__h] trippy dude

2867

01:54:02,070 --> 01:54:00,159

jason siegel is in it and paul rudd was

2868

01:54:04,709 --> 01:54:02,080

also in a movie that jason siegel was

2869

01:54:09,030 --> 01:54:04,719

also once in

2870

01:54:15,030 --> 01:54:11,589

everything you just said

2871

01:54:16,470 --> 01:54:15,040

made absolutely zero sense okay

2872

01:54:19,990 --> 01:54:16,480

we are all

2873

01:54:22,070 --> 01:54:20,000

100 dumber because of it

2874

01:54:24,229 --> 01:54:22,080

now we are all

2875

01:54:28,390 --> 01:54:24,239

less intelligent by hearing that

2876

01:54:32,149 --> 01:54:30,229

uh

2877

01:54:35,830 --> 01:54:32,159

craig i am

2878

01:54:38,629 --> 01:54:35,840

i am man escaped my

2879

01:54:41,030 --> 01:54:38,639

hell yeah dude no but uh

2880

01:54:43,270 --> 01:54:41,040

some of you saw my post today hey don't

2881

01:54:45,430 --> 01:54:43,280

freak out guys i'm not i'm not cutting

2882

01:54:47,030 --> 01:54:45,440

the hair i'm just getting like a little

2883

01:54:49,109 --> 01:54:47,040

trimmy trim trim you know what i'm

2884

01:54:50,950 --> 01:54:49,119

saying like to help it kind of like get

2885

01:54:53,350 --> 01:54:50,960

healthier and like

2886

01:54:54,790 --> 01:54:53,360

make it like i guess grow faster or some

2887

01:54:56,709 --> 01:54:54,800

[h__h] i don't know my wife keeps telling

2888

01:54:58,470 --> 01:54:56,719

me that that's how that works

2889

01:55:00,709 --> 01:54:58,480

so i was like okay cool because it's

2890

01:55:02,790 --> 01:55:00,719

been like over 10 years and i've had

2891

01:55:04,790 --> 01:55:02,800

like two and a half

2892

01:55:05,830 --> 01:55:04,800

haircuts and i know you're asking

2893

01:55:06,870 --> 01:55:05,840

yourself

2894

01:55:08,550 --> 01:55:06,880

wait

2895

01:55:11,109 --> 01:55:08,560

two and a half

2896

01:55:12,790 --> 01:55:11,119

how is that possible well the last time

2897

01:55:15,430 --> 01:55:12,800

that i went to go get like a little a

2898

01:55:17,270 --> 01:55:15,440

little trimmy trim trim the girl's like

2899

01:55:19,430 --> 01:55:17,280

what do you want me to do and i was like

2900

01:55:21,189 --> 01:55:19,440

well you know like

2901
01:55:22,950 --> 01:55:21,199
trim it like

2902
01:55:25,669 --> 01:55:22,960
to make it look nice you know what i'm

2903
01:55:28,390 --> 01:55:25,679
saying and she was like okay

2904
01:55:29,430 --> 01:55:28,400
and so like she kind of like

2905
01:55:31,750 --> 01:55:29,440
you know

2906
01:55:32,870 --> 01:55:31,760
shaved my neck a little bit and she was

2907
01:55:34,709 --> 01:55:32,880
like

2908
01:55:36,470 --> 01:55:34,719
okay what do you want me to do and i was

2909
01:55:38,229 --> 01:55:36,480
like you know like trim it like make it

2910
01:55:40,629 --> 01:55:38,239
look nice like get all the dead ends and

2911
01:55:42,790 --> 01:55:40,639
stuff off and she was like okay

2912
01:55:43,830 --> 01:55:42,800
and then like she tried to comb my hair

2913
01:55:45,669 --> 01:55:43,840

and

2914

01:55:46,790 --> 01:55:45,679

guys when i wake up in the morning like

2915

01:55:48,390 --> 01:55:46,800

i don't know if you can even see i

2916

01:55:51,669 --> 01:55:48,400

probably have like one or two but like

2917

01:55:53,030 --> 01:55:51,679

every morning i wake up i get like

2918

01:55:56,709 --> 01:55:53,040

i get like

2919

01:55:58,709 --> 01:55:56,719

dreadlocks immediately like every single

2920

01:56:02,070 --> 01:55:58,719

every single day so like i have to like

2921

01:56:04,470 --> 01:56:02,080

comb my hair every 10 minutes if i don't

2922

01:56:07,030 --> 01:56:04,480

want these like crazy gnarly dreads but

2923

01:56:08,790 --> 01:56:07,040

like every day and so she started to

2924

01:56:11,270 --> 01:56:08,800

comb my hair

2925

01:56:12,470 --> 01:56:11,280

and then she just quit halfway through

2926

01:56:14,629 --> 01:56:12,480

and she was like

2927

01:56:15,750 --> 01:56:14,639

what do you want me to do and i was like

2928

01:56:18,629 --> 01:56:15,760

man i

2929

01:56:19,669 --> 01:56:18,639

i just want to go so like i left after

2930

01:56:22,310 --> 01:56:19,679

like

2931

01:56:24,390 --> 01:56:22,320

15 minutes of her asking me how to cut

2932

01:56:26,310 --> 01:56:24,400

hair it was like i don't know i don't

2933

01:56:27,589 --> 01:56:26,320

know dude i told you what i wanted i

2934

01:56:29,270 --> 01:56:27,599

wanted like a little trim i want you to

2935

01:56:31,350 --> 01:56:29,280

kind of clean my neck up a little bit

2936

01:56:33,109 --> 01:56:31,360

maybe trim this trim my beard up make it

2937

01:56:35,830 --> 01:56:33,119

look nice i don't like that whole like

2938

01:56:36,950 --> 01:56:35,840

uh boston red socks like baseball beard

2939

01:56:39,750 --> 01:56:36,960

[\h__\h] though like you know what i'm

2940

01:56:43,270 --> 01:56:39,760

saying like that like angled like like

2941

01:56:45,589 --> 01:56:43,280

leonidas from the from 300 like kind of

2942

01:56:48,229 --> 01:56:45,599

beard like hey it looks great on people

2943

01:56:49,750 --> 01:56:48,239

right i'm just not like a clean clean

2944

01:56:51,669 --> 01:56:49,760

leonidas

2945

01:56:55,430 --> 01:56:51,679

you know major league baseball beard

2946

01:56:56,790 --> 01:56:55,440

kind of a guy i'm more of like a natural

2947

01:57:01,189 --> 01:56:56,800

like

2948

01:57:02,629 --> 01:57:01,199

it let it roll you know what i'm saying

2949

01:57:05,109 --> 01:57:02,639

but you know occasionally it needs to be

2950

01:57:07,830 --> 01:57:05,119

trimmed up and and just kind of like

2951
01:57:09,669 --> 01:57:07,840
shaked up and and make it look kind of

2952
01:57:10,870 --> 01:57:09,679
nice you know what i'm saying because

2953
01:57:13,430 --> 01:57:10,880
like back in the day like i didn't

2954
01:57:15,030 --> 01:57:13,440
really care but like now

2955
01:57:17,510 --> 01:57:15,040
now i got like a kid and i got like

2956
01:57:20,310 --> 01:57:17,520
gotta go to her school and stuff and so

2957
01:57:22,629 --> 01:57:20,320
like sometimes i want to look okay you

2958
01:57:24,310 --> 01:57:22,639
know like i don't know i guess i'm just

2959
01:57:26,149 --> 01:57:24,320
getting older but i'm not cutting it

2960
01:57:27,669 --> 01:57:26,159
don't worry guys i'm not i'm not uh i'm

2961
01:57:29,270 --> 01:57:27,679
not you know shaving it or anything i

2962
01:57:33,030 --> 01:57:29,280
just just a little a little trimming

2963
01:57:34,870 --> 01:57:33,040

trim trim um but yeah it's been 10 years

2964

01:57:35,990 --> 01:57:34,880

10 years and

2965

01:57:39,030 --> 01:57:36,000

i mean

2966

01:57:40,470 --> 01:57:39,040

you know two and a half two and a half

2967

01:57:42,550 --> 01:57:40,480

how many haircuts have you gotten in 10

2968

01:57:44,070 --> 01:57:42,560

years dude when amanda posted that today

2969

01:57:47,830 --> 01:57:44,080

on facebook i thought you had shaved

2970

01:57:51,510 --> 01:57:47,840

your beard off dude no dude

2971

01:58:00,870 --> 01:57:53,990

that's a bummer it's a bummer greg i cut

2972

01:58:00,880 --> 01:58:08,149

thanks sage i appreciate it man

2973

01:58:14,550 --> 01:58:11,350

apollo 11 yes manscape will make your

2974

01:58:16,790 --> 01:58:14,560

balls look like leonidas beard

2975

01:58:18,790 --> 01:58:16,800

you can totally do that

2976

01:58:21,510 --> 01:58:18,800

yeah what they have is like it's a it's

2977

01:58:22,790 --> 01:58:21,520

a whole apparatus or like it's made to

2978

01:58:24,709 --> 01:58:22,800

make your

2979

01:58:28,229 --> 01:58:24,719

ball hair look

2980

01:58:31,030 --> 01:58:28,239

like that like anunnaki straight

2981

01:58:33,270 --> 01:58:31,040

very straight and then down that's what

2982

01:58:35,669 --> 01:58:33,280

i was just saying i was like dude i uh i

2983

01:58:37,189 --> 01:58:35,679

don't like that that beard look i'm more

2984

01:58:39,030 --> 01:58:37,199

of like a natural

2985

01:58:42,070 --> 01:58:39,040

you know

2986

01:58:43,510 --> 01:58:42,080

grizzly adams kind of a guy

2987

01:58:45,030 --> 01:58:43,520

dude but you could do it you could pull

2988

01:58:46,629 --> 01:58:45,040

it off you got enough hair you've got

2989

01:58:49,510 --> 01:58:46,639

enough hair to feed

2990

01:58:50,870 --> 01:58:49,520

well not feed but but clothe a million

2991

01:58:53,910 --> 01:58:50,880

people i was talking about the

2992

01:58:56,070 --> 01:58:53,920

dreadlocks that i get every day like

2993

01:58:59,109 --> 01:58:56,080

look at that dude like that's one

2994

01:59:01,669 --> 01:58:59,119

like it just dreads like it's crazy yeah

2995

01:59:03,189 --> 01:59:01,679

freaking gotta rip that [\h__\h] apart you

2996

01:59:06,149 --> 01:59:03,199

could have some sick ass chads if you

2997

01:59:07,669 --> 01:59:06,159

wanted dude ah i did and then i applied

2998

01:59:11,990 --> 01:59:07,679

to work

2999

01:59:14,149 --> 01:59:12,000

they made me cut them dude and these big

3000

01:59:16,390 --> 01:59:14,159

fat ass bob marley dreads back in the

3001

01:59:18,070 --> 01:59:16,400

day and i was like hey can i work at

3002

01:59:20,149 --> 01:59:18,080

your bank and they were like

3003

01:59:21,750 --> 01:59:20,159

you look like [h__h] you have to shave

3004

01:59:23,189 --> 01:59:21,760

them but i was like in like kind of like

3005

01:59:25,990 --> 01:59:23,199

a pinch and like

3006

01:59:28,709 --> 01:59:26,000

i needed some money and i was like hey a

3007

01:59:30,950 --> 01:59:28,719

bank that'll make me like a regular

3008

01:59:33,589 --> 01:59:30,960

member of society and like you know i'll

3009

01:59:36,229 --> 01:59:33,599

be like moving on to adulthood and it

3010

01:59:38,550 --> 01:59:36,239

turns out it sucks and i just quit like

3011

01:59:41,430 --> 01:59:38,560

like four months later i was like god

3012

01:59:43,589 --> 01:59:41,440

damn it now i have a bald ass head

3013

01:59:45,270 --> 01:59:43,599

i shave my dreads off for this is

3014

01:59:47,430 --> 01:59:45,280

[h__\h] i should have just told them it

3015

01:59:49,830 --> 01:59:47,440

was part of my religion

3016

01:59:52,390 --> 01:59:49,840

to blow it out their ass

3017

01:59:53,510 --> 01:59:52,400

i remember that night we uh shaved your

3018

01:59:55,669 --> 01:59:53,520

shaved your

3019

01:59:59,510 --> 01:59:55,679

uh is when we were roommates we shaved

3020

02:00:01,990 --> 01:59:59,520

your beard and and mutton chops off dude

3021

02:00:04,790 --> 02:00:02,000

you remember that when i remember i

3022

02:00:06,310 --> 02:00:04,800

still have a video of that ah the mutton

3023

02:00:07,990 --> 02:00:06,320

chops bro

3024

02:00:11,030 --> 02:00:08,000

massive

3025

02:00:12,470 --> 02:00:11,040

okay guys huge dude imagine my beard

3026

02:00:15,669 --> 02:00:12,480

just like no

3027

02:00:17,990 --> 02:00:15,679

middle part my my chops were massive

3028

02:00:19,830 --> 02:00:18,000

like they were they would hang

3029

02:00:21,109 --> 02:00:19,840

dude

3030

02:00:22,550 --> 02:00:21,119

they were like

3031

02:00:24,790 --> 02:00:22,560

they were awesome you could hang some

3032

02:00:26,550 --> 02:00:24,800

meat it was like some stephen f austin

3033

02:00:30,310 --> 02:00:26,560

chops bro like

3034

02:00:35,589 --> 02:00:33,270

did i uh i've

3035

02:00:37,430 --> 02:00:35,599

i heard the door i gotta i'm gonna check

3036

02:00:39,270 --> 02:00:37,440

on jess real quick she might be asleep

3037

02:00:42,149 --> 02:00:39,280

i'll be right back

3038

02:00:43,910 --> 02:00:42,159

wait what i don't know i i want to know

3039

02:00:44,629 --> 02:00:43,920

that okay so you just left where'd you

3040

02:00:46,310 --> 02:00:44,639

go

3041

02:00:47,830 --> 02:00:46,320

well i didn't check on jess i just

3042

02:00:49,910 --> 02:00:47,840

checked my phone

3043

02:00:52,390 --> 02:00:49,920

and uh nothing's happening and then i

3044

02:00:54,470 --> 02:00:52,400

heard like the the door

3045

02:00:56,229 --> 02:00:54,480

do this thing or like we have this like

3046

02:00:58,950 --> 02:00:56,239

alarm system where like if the door

3047

02:01:00,870 --> 02:00:58,960

opens it has like a chime and it chimed

3048

02:01:02,629 --> 02:01:00,880

after like i didn't mess with any of the

3049

02:01:04,709 --> 02:01:02,639

doors so i just want to check and see if

3050

02:01:06,629 --> 02:01:04,719

she's okay so i'm going to be right back

3051
02:01:08,390 --> 02:01:06,639
okay we could be having a baby right now

3052
02:01:09,830 --> 02:01:08,400
so it could be having a baby yeah be

3053
02:01:13,270 --> 02:01:09,840
your best run

3054
02:01:27,270 --> 02:01:18,310
run run run run run run away

3055
02:01:31,030 --> 02:01:29,350
hell yeah

3056
02:01:34,070 --> 02:01:31,040
that's what made me

3057
02:01:36,709 --> 02:01:34,080
think about that

3058
02:01:39,270 --> 02:01:36,719
ah man what else you guys got going on

3059
02:01:41,510 --> 02:01:39,280
dude apollo 11 let me

3060
02:01:45,350 --> 02:01:41,520
let me this god

3061
02:01:46,310 --> 02:01:45,360
who would win in a fight lemmy or god

3062
02:01:50,629 --> 02:01:46,320
lemme

3063
02:01:53,189 --> 02:01:50,639

trick question [h__\h] lemmy is god

3064

02:01:55,430 --> 02:01:53,199

i take it jess is fine

3065

02:01:56,800 --> 02:01:55,440

yeah we had the baby it's up there oh

3066

02:01:58,360 --> 02:01:56,810

good good good

3067

02:02:00,550 --> 02:01:58,370

[Laughter]

3068

02:02:02,229 --> 02:02:00,560

[Music]

3069

02:02:06,790 --> 02:02:02,239

i missed it

3070

02:02:08,790 --> 02:02:06,800

oh dude tammy i'm gonna be uncle joe man

3071

02:02:10,950 --> 02:02:08,800

i'm totally uncle joe you are you've

3072

02:02:15,350 --> 02:02:10,960

always been uncle joe let me rephrase

3073

02:02:18,790 --> 02:02:15,360

that i will be known as crazy uncle joe

3074

02:02:20,790 --> 02:02:18,800

or or uh

3075

02:02:23,030 --> 02:02:20,800

get away from there because that's where

3076

02:02:24,950 --> 02:02:23,040

uncle joe's

3077

02:02:25,830 --> 02:02:24,960

not like creepy not like creepy uncle

3078

02:02:28,149 --> 02:02:25,840

joe

3079

02:02:32,229 --> 02:02:28,159

just like he's probably smoking weed

3080

02:02:34,709 --> 02:02:32,239

over there come back over here

3081

02:02:36,950 --> 02:02:34,719

don't smoke that uncle joe don't smoke

3082

02:02:39,430 --> 02:02:36,960

that with uncle john

3083

02:02:41,189 --> 02:02:39,440

don't get an uncle joe's car

3084

02:02:43,109 --> 02:02:41,199

you could you could do whatever you want

3085

02:02:43,830 --> 02:02:43,119

with uncle he could take you wherever

3086

02:02:46,390 --> 02:02:43,840

you

3087

02:02:50,550 --> 02:02:46,400

a wad the water park the ice cream store

3088

02:02:51,510 --> 02:02:50,560

just don't smoke what he has on him

3089

02:02:55,350 --> 02:02:51,520

yes

3090

02:02:58,149 --> 02:02:55,360

well i only hope that i will be the same

3091

02:03:00,070 --> 02:02:58,159

for for hendrix once you know she um

3092

02:03:02,629 --> 02:03:00,080

recognizes my face and doesn't scream

3093

02:03:04,870 --> 02:03:02,639

when she sees me next time

3094

02:03:06,149 --> 02:03:04,880

bro she's getting good man i'm kidding

3095

02:03:08,550 --> 02:03:06,159

she's pretty good

3096

02:03:10,629 --> 02:03:08,560

she she's so chill dude it takes about

3097

02:03:12,629 --> 02:03:10,639

like five minutes if you give her if you

3098

02:03:17,510 --> 02:03:12,639

give her a cracker or a cookie man you

3099

02:03:21,510 --> 02:03:19,030

yeah dude

3100

02:03:22,950 --> 02:03:21,520

uncle joe yeah no uh so yeah i missed

3101

02:03:25,189 --> 02:03:22,960

the birth she's

3102

02:03:28,629 --> 02:03:25,199

we got a baby so it's upstairs baby's

3103

02:03:31,990 --> 02:03:28,639

good i'm gonna go cut the cord now

3104

02:03:37,750 --> 02:03:34,470

he fights it yeah

3105

02:03:39,750 --> 02:03:37,760

is that conan's no that's [h__h] oh

3106

02:03:45,830 --> 02:03:39,760

freddie got fingered

3107

02:03:50,790 --> 02:03:48,950

i don't remember that it's 1 50 p.m in

3108

02:03:55,990 --> 02:03:50,800

tasmania

3109

02:03:58,790 --> 02:03:56,000

necro he's he's from i thought you were

3110

02:04:02,310 --> 02:03:58,800

in australia dude

3111

02:04:04,709 --> 02:04:02,320

isn't tasmania in australia

3112

02:04:06,470 --> 02:04:04,719

honestly dude i'm terrible at

3113

02:04:07,430 --> 02:04:06,480

i'm pretty sure

3114

02:04:08,950 --> 02:04:07,440

because that's

3115

02:04:10,550 --> 02:04:08,960

that's what that's where tasmanian

3116

02:04:12,870 --> 02:04:10,560

devils come from right

3117

02:04:14,870 --> 02:04:12,880

tasmania yeah

3118

02:04:16,010 --> 02:04:14,880

it makes sense when you say the words

3119

02:04:21,189 --> 02:04:16,020

together dude

3120

02:04:26,709 --> 02:04:22,870

yeah there you go see he said it

3121

02:04:31,189 --> 02:04:26,719

tasmania is a state in australia greg

3122

02:04:35,350 --> 02:04:33,430

dude yeah dude let's go to florida and

3123

02:04:36,470 --> 02:04:35,360

hang out with greg he's a good guy hell

3124

02:04:38,870 --> 02:04:36,480

yeah greg

3125

02:04:41,750 --> 02:04:38,880

lewis gary

3126

02:04:44,870 --> 02:04:41,760

hurricanes let's go hello dude

3127

02:04:47,669 --> 02:04:44,880

old white retired people [h__h] yeah let's

3128

02:04:50,709 --> 02:04:47,679

go kill it down the floor greg

3129

02:04:53,109 --> 02:04:50,719

is yeah it is you it is

3130

02:04:55,109 --> 02:04:53,119

sweet sweet backyard dude i'm loving

3131

02:04:56,870 --> 02:04:55,119

that backyard that you got set up over

3132

02:05:00,390 --> 02:04:56,880

there man i keep seeing pictures and i

3133

02:05:00,400 --> 02:05:08,069

um and poor arthur is pretty scary

3134

02:05:12,149 --> 02:05:09,430

the gulf side

3135

02:05:14,229 --> 02:05:12,159

i come from port off the texas

3136

02:05:16,790 --> 02:05:14,239

it's it's a you know it's a it's in a

3137

02:05:16,800 --> 02:05:20,069

representing

3138

02:05:25,910 --> 02:05:22,790

happy every time we hit the parking lot

3139

02:05:29,430 --> 02:05:25,920

we turn heads

3140

02:05:34,310 --> 02:05:32,790

okay dude uh

3141

02:05:36,790 --> 02:05:34,320

i feel like we got to get this thing

3142

02:05:38,390 --> 02:05:36,800

back on track with uh with with bashar

3143

02:05:39,669 --> 02:05:38,400

because we didn't we didn't we didn't

3144

02:05:41,350 --> 02:05:39,679

finish

3145

02:05:43,430 --> 02:05:41,360

what do you think well every time we get

3146

02:05:45,189 --> 02:05:43,440

serious like we

3147

02:05:48,790 --> 02:05:45,199

oh

3148

02:05:52,069 --> 02:05:48,800

hey look over there are you a pimp c fan

3149

02:05:55,589 --> 02:05:52,079

yes you are sir yes you are that's dan

3150

02:05:58,550 --> 02:05:55,599

dan dan warren he's the newsman he's the

3151

02:06:01,589 --> 02:05:58,560

freaking newsman dude isn't dan [h__h] the

3152

02:06:04,390 --> 02:06:01,599

best oh my god he's the only reason i

3153

02:06:07,430 --> 02:06:04,400

learned [h__h] dude i know you don't learn

3154

02:06:09,990 --> 02:06:07,440

from anybody but dan warren

3155

02:06:12,310 --> 02:06:10,000

if y'all aren't on his channel's called

3156

02:06:15,350 --> 02:06:12,320

the kick-ass pillar of kickassness the

3157

02:06:18,310 --> 02:06:15,360

fifth pillar of emphasis on tick tock if

3158

02:06:20,390 --> 02:06:18,320

you guys aren't freaking to subscribe to

3159

02:06:23,189 --> 02:06:20,400

him on tick tock

3160

02:06:24,790 --> 02:06:23,199

get his [h__h] man oh my god i literally

3161

02:06:25,750 --> 02:06:24,800

that's my zoo that's my news source

3162

02:06:27,510 --> 02:06:25,760

right now

3163

02:06:29,510 --> 02:06:27,520

seriously

3164

02:06:32,550 --> 02:06:29,520

it's dan on fifth pillar of emphasis

3165

02:06:35,669 --> 02:06:32,560

it's bob you know willie and them

3166

02:06:38,629 --> 02:06:35,679

it's uh what if tomorrow podcast and

3167

02:06:41,030 --> 02:06:38,639

it's um paranormal chop shop dude

3168

02:06:43,189 --> 02:06:41,040

and dave scott with uh spacer radio

3169

02:06:45,990 --> 02:06:43,199

those are my new sources dude

3170

02:06:47,750 --> 02:06:46,000

seriously seriously like i just like

3171

02:06:52,069 --> 02:06:47,760

yeah anyways and then that one duck

3172

02:06:55,830 --> 02:06:53,770

no it's zero dude

3173

02:06:58,390 --> 02:06:55,840

[Music]

3174

02:07:01,510 --> 02:06:58,400

hold on i wanna uh i saved one of uh

3175

02:07:03,350 --> 02:07:01,520

dan's videos i absolutely love dan's

3176

02:07:05,510 --> 02:07:03,360

stuff dude

3177

02:07:07,669 --> 02:07:05,520

yeah seriously man what was that new one

3178

02:07:09,510 --> 02:07:07,679

they just posed he posted it on the page

3179

02:07:13,350 --> 02:07:09,520

not too long ago

3180

02:07:17,109 --> 02:07:13,360

ah yes that's the one okay let's play it

3181

02:07:18,310 --> 02:07:17,119

group group pick it yes click it yes

3182

02:07:20,709 --> 02:07:18,320

click it

3183

02:07:22,790 --> 02:07:20,719

click on it like a boomer

3184

02:07:26,229 --> 02:07:22,800

yep scroll back in the mainframe again

3185

02:07:29,830 --> 02:07:26,239

in the mainframe like a boomer yep

3186

02:07:32,149 --> 02:07:29,840

going up going up going up going up it's

3187

02:07:33,750 --> 02:07:32,159

really good guys here we go

3188

02:07:36,229 --> 02:07:33,760

mankind spends a lot of energy and

3189

02:07:37,910 --> 02:07:36,239

resources trying to answer that question

3190

02:07:39,669 --> 02:07:37,920

by searching the depths of space for

3191

02:07:41,109 --> 02:07:39,679

habitable planets that could contain

3192

02:07:43,030 --> 02:07:41,119

intelligent life

3193

02:07:44,629 --> 02:07:43,040

but so far we've only identified one

3194

02:07:46,229 --> 02:07:44,639

location that has it

3195

02:07:48,629 --> 02:07:46,239

but what if instead of looking through

3196

02:07:50,709 --> 02:07:48,639

space we should be looking through time

3197

02:07:52,310 --> 02:07:50,719

and in regards to our civilization how

3198

02:07:54,470 --> 02:07:52,320

will observers in the distant future

3199

02:07:56,550 --> 02:07:54,480

know that we were here because all of

3200

02:07:58,310 --> 02:07:56,560

our creations will eventually be eroded

3201
02:07:59,910 --> 02:07:58,320
away and buried underneath the moving

3202
02:08:01,669 --> 02:07:59,920
tectonic plates

3203
02:08:03,510 --> 02:08:01,679
which begs the question what if we

3204
02:08:04,550 --> 02:08:03,520
aren't the first advanced civilization

3205
02:08:06,149 --> 02:08:04,560
on earth

3206
02:08:07,830 --> 02:08:06,159
because according to the geologic

3207
02:08:09,669 --> 02:08:07,840
history of earth there are other times

3208
02:08:10,790 --> 02:08:09,679
that are intriguingly similar to those

3209
02:08:13,109 --> 02:08:10,800
of our own

3210
02:08:15,430 --> 02:08:13,119
including the paleocene eocene thermal

3211
02:08:18,149 --> 02:08:15,440
maximum when carbon levels spiked

3212
02:08:20,069 --> 02:08:18,159
temperature soared and ecosystems toppled

3213
02:08:22,390 --> 02:08:20,079

and gavin smith the director of nasa's

3214

02:08:23,910 --> 02:08:22,400

goddard institute of space studies

3215

02:08:25,830 --> 02:08:23,920

has wondered if the climate change

3216

02:08:27,350 --> 02:08:25,840

seemed then and seen now could be caused

3217

02:08:29,030 --> 02:08:27,360

by the same thing

3218

02:08:30,870 --> 02:08:29,040

so what if we are the observers of a

3219

02:08:33,430 --> 02:08:30,880

long-lost civilization in earth's

3220

02:08:34,950 --> 02:08:33,440

history most people immediately assumed

3221

02:08:37,270 --> 02:08:34,960

that if that was the case we would

3222

02:08:39,510 --> 02:08:37,280

already know but if we compress earth's

3223

02:08:41,350 --> 02:08:39,520

history into a single day complex life

3224

02:08:42,149 --> 02:08:41,360

didn't emerge until about three hours

3225

02:08:44,310 --> 02:08:42,159

ago

3226

02:08:46,709 --> 02:08:44,320

and our current industrial era has only

3227

02:08:48,470 --> 02:08:46,719

lasted a few thousands of a second so

3228

02:08:50,229 --> 02:08:48,480

theoretically the past few hundred

3229

02:08:52,709 --> 02:08:50,239

million years could hide any number of

3230

02:08:54,550 --> 02:08:52,719

industrial periods and what if distant

3231

02:08:56,790 --> 02:08:54,560

observers of our planet have seen this

3232

02:08:58,310 --> 02:08:56,800

play out time and time again and they

3233

02:09:00,069 --> 02:08:58,320

try to help us out by sharing this

3234

02:09:02,629 --> 02:09:00,079

wisdom through encounters like the ariel

3235

02:09:04,149 --> 02:09:02,639

school sighting for occupants of a craft

3236

02:09:06,069 --> 02:09:04,159

that was observed by several school

3237

02:09:07,830 --> 02:09:06,079

children told the students that they

3238

02:09:09,750 --> 02:09:07,840

needed to take good care of the planet

3239

02:09:11,189 --> 02:09:09,760

or else suffer the serious consequences

3240

02:09:13,750 --> 02:09:11,199

of their actions

3241

02:09:15,830 --> 02:09:13,760

but back to earth the paleocene yield

3242

02:09:17,510 --> 02:09:15,840

scene period saw a carbon spike that was

3243

02:09:19,830 --> 02:09:17,520

much more gradual than that of our

3244

02:09:21,669 --> 02:09:19,840

industrial revolution and it might be

3245

02:09:23,589 --> 02:09:21,679

the brevity of these periods that make

3246

02:09:25,589 --> 02:09:23,599

it very hard for us to find evidence of

3247

02:09:27,669 --> 02:09:25,599

them in the rock record and these

3248

02:09:29,830 --> 02:09:27,679

disruptive times in our ecosystem could

3249

02:09:31,910 --> 02:09:29,840

be why civilizations don't last very

3250

02:09:33,990 --> 02:09:31,920

long but it could be that those that

3251

02:09:35,589 --> 02:09:34,000

last a long time have mastered the art

3252

02:09:37,030 --> 02:09:35,599

of sustainability

3253

02:09:38,950 --> 02:09:37,040

which would make finding techno

3254

02:09:40,950 --> 02:09:38,960

signatures of their existence even more

3255

02:09:43,270 --> 02:09:40,960

difficult which is the premise of

3256

02:09:45,430 --> 02:09:43,280

invisible residents because if there was

3257

02:09:47,030 --> 02:09:45,440

an advanced civilization in our oceans

3258

02:09:48,870 --> 02:09:47,040

that was sustainable it'd be very

3259

02:09:50,950 --> 02:09:48,880

difficult for us to find evidence of

3260

02:09:52,470 --> 02:09:50,960

them but go over to discover and check

3261

02:09:55,750 --> 02:09:52,480

this article out for yourself and let me

3262

02:09:58,470 --> 02:09:55,760

know what you think thanks for watching

3263

02:10:00,470 --> 02:09:58,480

epic epic you know how i know it's good

3264

02:10:02,069 --> 02:10:00,480

and that dan is smart because i only

3265

02:10:04,950 --> 02:10:02,079

understood like 12 words in that whole

3266

02:10:09,430 --> 02:10:05,750

i

3267

02:10:11,669 --> 02:10:09,440

am smart as hell now

3268

02:10:14,390 --> 02:10:11,679

that i've watched that video dan has the

3269

02:10:16,870 --> 02:10:14,400

greatest [h__h] of all time i feel like

3270

02:10:19,510 --> 02:10:16,880

like after watching that i'm like

3271

02:10:21,350 --> 02:10:19,520

i know it i know it

3272

02:10:23,350 --> 02:10:21,360

i am smart now

3273

02:10:26,069 --> 02:10:23,360

i'm telling everybody and then when i go

3274

02:10:27,350 --> 02:10:26,079

to tell everybody i'm like oh but what

3275

02:10:29,990 --> 02:10:27,360

did that thing

3276

02:10:32,709 --> 02:10:30,000

so there's like this paleolithic ice age

3277

02:10:34,470 --> 02:10:32,719

that like aliens can see but it's like

3278

02:10:35,589 --> 02:10:34,480

they're looking at it from a long long

3279

02:10:37,270 --> 02:10:35,599

time ago

3280

02:10:39,350 --> 02:10:37,280

so like well we're looking for stuff

3281

02:10:41,510 --> 02:10:39,360

that's like we're finding an ice age but

3282

02:10:44,550 --> 02:10:41,520

it's like far away so we can't see it

3283

02:10:46,229 --> 02:10:44,560

then we know that it was there before

3284

02:10:47,030 --> 02:10:46,239

though

3285

02:10:51,830 --> 02:10:47,040

my

3286

02:10:53,430 --> 02:10:51,840

lithoscene times

3287

02:10:54,950 --> 02:10:53,440

and stuff look

3288

02:10:56,870 --> 02:10:54,960

and that's why nobody nobody pays

3289

02:10:58,870 --> 02:10:56,880

attention we're not the smartest people

3290

02:11:01,430 --> 02:10:58,880

okay

3291

02:11:03,669 --> 02:11:01,440

but we know where to find smart people

3292

02:11:05,669 --> 02:11:03,679

that's what's important dude like i was

3293

02:11:07,669 --> 02:11:05,679

thinking about this the other day bro is

3294

02:11:11,109 --> 02:11:07,679

like when people tell me like

3295

02:11:14,709 --> 02:11:11,119

oh yeah prove it it's like okay

3296

02:11:16,870 --> 02:11:14,719

i personally cannot prove it but i can

3297

02:11:18,310 --> 02:11:16,880

gather 10 people

3298

02:11:20,550 --> 02:11:18,320

in a room

3299

02:11:22,470 --> 02:11:20,560

right now not right now i have to book

3300

02:11:24,390 --> 02:11:22,480

it all but i can gather 10 people

3301

02:11:26,229 --> 02:11:24,400

probably cancel

3302

02:11:29,270 --> 02:11:26,239

that will that will change your

3303

02:11:31,350 --> 02:11:29,280

perspective i can i can i can

3304

02:11:33,750 --> 02:11:31,360

i can find the people with the proof

3305

02:11:36,470 --> 02:11:33,760

that you need right because i'm not

3306

02:11:39,589 --> 02:11:36,480

smart enough to remember all of it right

3307

02:11:41,510 --> 02:11:39,599

i'm smart enough to find smart people

3308

02:11:43,669 --> 02:11:41,520

that can help me

3309

02:11:45,270 --> 02:11:43,679

you know what i'm saying yeah like like

3310

02:11:46,709 --> 02:11:45,280

once in a while we'll have like a like a

3311

02:11:48,629 --> 02:11:46,719

smart idea right like that's what the

3312

02:11:50,550 --> 02:11:48,639

show's about like we like to speculate

3313

02:11:53,030 --> 02:11:50,560

and we come up with some [h__h] that like

3314

02:11:54,390 --> 02:11:53,040

actually sometimes makes some sense like

3315

02:11:57,030 --> 02:11:54,400

the show itself

3316

02:11:59,109 --> 02:11:57,040

smart idea smart enough

3317

02:12:00,069 --> 02:11:59,119

yeah

3318

02:12:03,030 --> 02:12:00,079

totally

3319

02:12:05,669 --> 02:12:03,040

here's the thing

3320

02:12:08,790 --> 02:12:05,679

man when we talk about my favorite thing

3321

02:12:12,229 --> 02:12:08,800

to talk about dude is is connecting

3322

02:12:16,790 --> 02:12:12,239

the ancient world with with our own

3323

02:12:19,030 --> 02:12:16,800

and this ever growing mystery

3324

02:12:22,629 --> 02:12:19,040

that we

3325

02:12:26,229 --> 02:12:22,639

like graham craig graham crancock

3326

02:12:29,109 --> 02:12:26,239

graham craig graham cracker always

3327

02:12:31,990 --> 02:12:29,119

graham hancock says in in all of his

3328

02:12:34,550 --> 02:12:32,000

novels all of his books

3329

02:12:36,149 --> 02:12:34,560

we are a species with amnesia man like

3330

02:12:39,109 --> 02:12:36,159

yeah dude

3331

02:12:40,790 --> 02:12:39,119

that i think that's what's happening

3332

02:12:42,229 --> 02:12:40,800

um it's

3333

02:12:43,910 --> 02:12:42,239

it's

3334

02:12:46,310 --> 02:12:43,920

when you look at these these ancient

3335

02:12:49,669 --> 02:12:46,320

structures especially in like

3336

02:12:51,510 --> 02:12:49,679

egypt uh

3337

02:12:53,830 --> 02:12:51,520

bright insight jimmy from brighton

3338

02:12:56,629 --> 02:12:53,840

insight is in egypt right now if y'all

3339

02:12:58,229 --> 02:12:56,639

aren't subscribed to jimmy from

3340

02:12:59,589 --> 02:12:58,239

bright insight y'all i mean you don't

3341

02:13:01,430 --> 02:12:59,599

have to be subscribed y'all could just

3342

02:13:03,430 --> 02:13:01,440

look at his videos and if you didn't

3343

02:13:04,390 --> 02:13:03,440

know this

3344

02:13:09,750 --> 02:13:04,400

jimmy

3345

02:13:14,830 --> 02:13:09,760

he's off the hook dude he's off he's

3346

02:13:18,950 --> 02:13:18,149

crazy yeah i love that jimmy's off the

3347

02:13:22,310 --> 02:13:18,960

hook

3348

02:13:27,750 --> 02:13:22,320

speaking of uh of uh of tom green dan i

3349

02:13:35,350 --> 02:13:28,629

dan

3350

02:13:37,589 --> 02:13:35,360

person who like

3351
02:13:39,910 --> 02:13:37,599
reaches out to people

3352
02:13:43,990 --> 02:13:39,920
he's like hey i'm smart

3353
02:13:44,000 --> 02:13:46,870
anyway

3354
02:13:49,990 --> 02:13:48,149
off the hook

3355
02:13:51,430 --> 02:13:50,000
with that being said dude we're always

3356
02:13:55,270 --> 02:13:51,440
trying to link

3357
02:13:59,350 --> 02:13:55,280
ancient history with current

3358
02:14:00,870 --> 02:13:59,360
um things happening yeah and i think

3359
02:14:02,790 --> 02:14:00,880
as

3360
02:14:05,589 --> 02:14:02,800
present human beings

3361
02:14:07,669 --> 02:14:05,599
we should start figuring out ways to

3362
02:14:08,470 --> 02:14:07,679
preserve everything

3363
02:14:10,069 --> 02:14:08,480

for

3364

02:14:12,149 --> 02:14:10,079

future people

3365

02:14:14,069 --> 02:14:12,159

thousands and thousands of years in the

3366

02:14:16,390 --> 02:14:14,079

future because it seems like ancient

3367

02:14:18,470 --> 02:14:16,400

cultures skipped that part and that's

3368

02:14:21,830 --> 02:14:18,480

why it's so hard to figure out [h__h] from

3369

02:14:24,149 --> 02:14:21,840

way back then right because it it

3370

02:14:26,390 --> 02:14:24,159

a lot of it is very well preserved but

3371

02:14:30,310 --> 02:14:26,400

like uh information

3372

02:14:33,589 --> 02:14:30,320

wise how do we preserve information for

3373

02:14:35,350 --> 02:14:33,599

future um civilization if there was to

3374

02:14:37,830 --> 02:14:35,360

be a catastrophic

3375

02:14:40,470 --> 02:14:37,840

event happening right

3376

02:14:43,189 --> 02:14:40,480

how do we preserve information

3377

02:14:45,990 --> 02:14:43,199

in a way to where a select group of

3378

02:14:47,510 --> 02:14:46,000

small people don't consume it and become

3379

02:14:50,709 --> 02:14:47,520

the most powerful

3380

02:14:52,950 --> 02:14:50,719

people in the world and and rape us of

3381

02:14:54,870 --> 02:14:52,960

money and resources like how do we stop

3382

02:14:56,310 --> 02:14:54,880

that from happening right because i

3383

02:14:57,990 --> 02:14:56,320

think that's kind of part of it right

3384

02:15:00,550 --> 02:14:58,000

there are these ancient civilizations

3385

02:15:02,470 --> 02:15:00,560

that used to exist right and there was a

3386

02:15:03,990 --> 02:15:02,480

small group of people that were able to

3387

02:15:05,830 --> 02:15:04,000

hold on to the information and

3388

02:15:08,390 --> 02:15:05,840

technology that started new

3389

02:15:10,629 --> 02:15:08,400

civilizations everybody was dumb except

3390

02:15:12,629 --> 02:15:10,639

for this select small group of people

3391

02:15:14,229 --> 02:15:12,639

right and then it built and built and

3392

02:15:16,229 --> 02:15:14,239

built they gathered more technology

3393

02:15:17,990 --> 02:15:16,239

something else happened wiped them out

3394

02:15:19,830 --> 02:15:18,000

and there were still a small group of

3395

02:15:22,069 --> 02:15:19,840

people that existed that held on that

3396

02:15:24,550 --> 02:15:22,079

information so now here we are in

3397

02:15:26,709 --> 02:15:24,560

present time where a small group of

3398

02:15:28,709 --> 02:15:26,719

people have a lot of information that we

3399

02:15:31,669 --> 02:15:28,719

don't know and we're all out here just

3400

02:15:33,350 --> 02:15:31,679

guessing so for the regular

3401

02:15:35,830 --> 02:15:33,360

maybe this is a question for all of us

3402

02:15:38,390 --> 02:15:35,840

regular people not powerful people that

3403

02:15:42,069 --> 02:15:38,400

are in charge but as regular people how

3404

02:15:43,830 --> 02:15:42,079

do we find a way to save the information

3405

02:15:45,910 --> 02:15:43,840

and the knowledge that we know that we

3406

02:15:48,229 --> 02:15:45,920

can pass on to future civilizations that

3407

02:15:51,669 --> 02:15:48,239

way they don't have such a hard time

3408

02:15:52,470 --> 02:15:51,679

figuring out what was happening now

3409

02:15:55,109 --> 02:15:52,480

so

3410

02:15:56,709 --> 02:15:55,119

joe dude we were talking about this on

3411

02:15:58,790 --> 02:15:56,719

the phone the other day i want to back i

3412

02:16:01,189 --> 02:15:58,800

want to back you up really quick so what

3413

02:16:04,950 --> 02:16:01,199

like let's identify

3414

02:16:07,109 --> 02:16:04,960

the the problem and that is that the

3415

02:16:09,350 --> 02:16:07,119

problem is

3416

02:16:11,589 --> 02:16:09,360

that there is

3417

02:16:13,910 --> 02:16:11,599

it's there's strong evidence to point to

3418

02:16:15,270 --> 02:16:13,920

the fact that there is a civilization

3419

02:16:17,589 --> 02:16:15,280

that has

3420

02:16:18,950 --> 02:16:17,599

endured

3421

02:16:22,390 --> 02:16:18,960

through

3422

02:16:25,750 --> 02:16:22,400

thousands of years maybe even millions

3423

02:16:28,470 --> 02:16:25,760

and uh i mean i'm not saying billions

3424

02:16:29,990 --> 02:16:28,480

billions and billions

3425

02:16:32,389 --> 02:16:30,000

but i i think

3426

02:16:34,629 --> 02:16:32,399

i personally think that there are

3427

02:16:37,110 --> 02:16:34,639

there's there's there's proof to be

3428

02:16:40,950 --> 02:16:37,120

shown that there's a blood lineage

3429

02:16:43,270 --> 02:16:40,960

there's a family that is tied to

3430

02:16:45,669 --> 02:16:43,280

humans being able to make it through

3431

02:16:48,070 --> 02:16:45,679

somehow make it through and they know

3432

02:16:50,469 --> 02:16:48,080

what works and what doesn't and

3433

02:16:51,750 --> 02:16:50,479

somehow man they're in they're in charge

3434

02:16:53,030 --> 02:16:51,760

dude

3435

02:16:55,270 --> 02:16:53,040

i don't want to give them a name i don't

3436

02:16:57,509 --> 02:16:55,280

want to brand it dude i'm just saying is

3437

02:16:58,469 --> 02:16:57,519

like as long as we're okay with that

3438

02:17:00,549 --> 02:16:58,479

idea

3439

02:17:03,270 --> 02:17:00,559

and that that's possible that that's

3440

02:17:06,230 --> 02:17:03,280

enough for me like if that's possible

3441

02:17:07,669 --> 02:17:06,240

that there is one group or or family it

3442

02:17:10,950 --> 02:17:07,679

doesn't even

3443

02:17:12,469 --> 02:17:10,960

have to be one bloodline it could be

3444

02:17:14,790 --> 02:17:12,479

it could be

3445

02:17:16,950 --> 02:17:14,800

you know a little a small group a a

3446

02:17:18,469 --> 02:17:16,960

breakaway civilization if you will that

3447

02:17:21,669 --> 02:17:18,479

has endured

3448

02:17:23,910 --> 02:17:21,679

humanity for the since the pleilestine

3449

02:17:25,669 --> 02:17:23,920

or stuff like gonna ruin that plywood

3450

02:17:28,870 --> 02:17:25,679

that's not even a [h__h] word

3451
02:17:30,950 --> 02:17:28,880
the plaster the plaster ding dang bang

3452
02:17:33,030 --> 02:17:30,960
system

3453
02:17:34,230 --> 02:17:33,040
like they've seen

3454
02:17:35,910 --> 02:17:34,240
humans

3455
02:17:37,349 --> 02:17:35,920
uh you know

3456
02:17:39,509 --> 02:17:37,359
go through

3457
02:17:41,030 --> 02:17:39,519
all kinds of [h__h] like the ice age like

3458
02:17:42,950 --> 02:17:41,040
they just went underground they were

3459
02:17:44,469 --> 02:17:42,960
smart to [h__h] and they they built it

3460
02:17:47,110 --> 02:17:44,479
like there was

3461
02:17:49,190 --> 02:17:47,120
there's a possibility that

3462
02:17:52,709 --> 02:17:49,200
we've been we've seen this stuff before

3463
02:17:55,509 --> 02:17:52,719

we as as a human culture like

3464

02:17:57,270 --> 02:17:55,519

steel is not anything new like steel is

3465

02:17:58,629 --> 02:17:57,280

just something that we just put together

3466

02:18:00,230 --> 02:17:58,639

like there's just you know a couple

3467

02:18:01,429 --> 02:18:00,240

things that we just melted you know it's

3468

02:18:06,549 --> 02:18:01,439

like

3469

02:18:08,230 --> 02:18:06,559

tin man it's not that [h__h] hard dude

3470

02:18:10,469 --> 02:18:08,240

just melt a bunch of

3471

02:18:12,150 --> 02:18:10,479

earth in one area and a bunch of earth

3472

02:18:13,750 --> 02:18:12,160

in the other area and you mix those

3473

02:18:15,190 --> 02:18:13,760

together and whatever

3474

02:18:17,509 --> 02:18:15,200

but like

3475

02:18:20,549 --> 02:18:17,519

i think it's highly possible that one

3476

02:18:23,190 --> 02:18:20,559

family or one truth has been

3477

02:18:24,629 --> 02:18:23,200

a constant throughout the past few

3478

02:18:26,150 --> 02:18:24,639

thousand years

3479

02:18:28,950 --> 02:18:26,160

and there's one

3480

02:18:31,429 --> 02:18:28,960

family in charge or or or group or

3481

02:18:32,950 --> 02:18:31,439

bloodline in charge that knows dude

3482

02:18:35,830 --> 02:18:32,960

we've seen we've been through this [h__\h]

3483

02:18:37,750 --> 02:18:35,840

before dude we've seen it dude

3484

02:18:39,509 --> 02:18:37,760

and all they've got to do is wait it out

3485

02:18:41,030 --> 02:18:39,519

and

3486

02:18:42,790 --> 02:18:41,040

all they've got to do is say hey we're

3487

02:18:43,990 --> 02:18:42,800

in charge we know what's happening you

3488

02:18:46,309 --> 02:18:44,000

know

3489

02:18:47,270 --> 02:18:46,319

yeah they go by different names

3490

02:18:49,270 --> 02:18:47,280

um

3491

02:18:51,509 --> 02:18:49,280

so i mean what what

3492

02:18:53,190 --> 02:18:51,519

what do you like add to that from from

3493

02:18:55,110 --> 02:18:53,200

our our our conversation i feel like i'm

3494

02:18:58,870 --> 02:18:55,120

just spewing out a bunch of [h__\h]

3495

02:19:03,910 --> 02:19:00,790

is that making any sense

3496

02:19:07,830 --> 02:19:03,920

no it is it is uh

3497

02:19:09,910 --> 02:19:07,840

i i think that's kind of the point like

3498

02:19:12,150 --> 02:19:09,920

do those just existing members of

3499

02:19:15,669 --> 02:19:12,160

society become a family because they're

3500

02:19:19,110 --> 02:19:16,870

i mean if

3501
02:19:20,790 --> 02:19:19,120
just a bloodline they create a bloodline

3502
02:19:23,190 --> 02:19:20,800
because like they're just the only ones

3503
02:19:25,509 --> 02:19:23,200
left are the are are the ones with all

3504
02:19:27,030 --> 02:19:25,519
the information just like these strange

3505
02:19:28,309 --> 02:19:27,040
inbred

3506
02:19:29,669 --> 02:19:28,319
like

3507
02:19:31,750 --> 02:19:29,679
you know what i'm saying bloodline

3508
02:19:33,509 --> 02:19:31,760
humans that are like oh we keep

3509
02:19:35,750 --> 02:19:33,519
everything in the bloodline

3510
02:19:39,190 --> 02:19:35,760
like i think that's nature's way of

3511
02:19:40,309 --> 02:19:39,200
preventing that from being a pure blood

3512
02:19:44,469 --> 02:19:40,319
bloodline

3513
02:19:48,950 --> 02:19:44,479

right because we've seen what that looks

3514

02:19:50,710 --> 02:19:48,960

like and it's it's up uh in ozarks right

3515

02:19:52,469 --> 02:19:50,720

up in the appalachian mountains or some

3516

02:19:56,230 --> 02:19:52,479

[h__h] right you know like yeah the

3517

02:19:59,590 --> 02:19:56,240

children play with my white leg hair

3518

02:20:01,510 --> 02:19:59,600

yes hey side note i would just like to

3519

02:20:03,670 --> 02:20:01,520

say how much

3520

02:20:07,030 --> 02:20:03,680

i enjoy uh

3521

02:20:07,990 --> 02:20:07,040

why in the chat uh he he always has

3522

02:20:09,830 --> 02:20:08,000

something

3523

02:20:12,389 --> 02:20:09,840

very inappropriate to say and i

3524

02:20:13,429 --> 02:20:12,399

absolutely love inappropriate [h__h] and i

3525

02:20:15,110 --> 02:20:13,439

love it

3526

02:20:18,070 --> 02:20:15,120

oh my god

3527

02:20:19,910 --> 02:20:18,080

just written a [\h__\h]

3528

02:20:22,710 --> 02:20:19,920

like i love i love

3529

02:20:24,469 --> 02:20:22,720

just we skip over a lot of his comments

3530

02:20:26,950 --> 02:20:24,479

i would just like to bring it out that i

3531

02:20:29,750 --> 02:20:26,960

definitely read all of them and i

3532

02:20:32,630 --> 02:20:29,760

chuckle yeah out loud a lot of the times

3533

02:20:35,110 --> 02:20:32,640

and and often internally and i just

3534

02:20:37,910 --> 02:20:35,120

appreciate that a little bit

3535

02:20:40,230 --> 02:20:37,920

you you should be in charge of of the

3536

02:20:42,230 --> 02:20:40,240

showing comments because i cannot read

3537

02:20:45,510 --> 02:20:42,240

them and also pay attention to what

3538

02:20:49,110 --> 02:20:45,520

we're doing on the show allison also i

3539

02:20:51,349 --> 02:20:49,120

collect old books oldest one early 1600s

3540

02:20:54,870 --> 02:20:51,359

just reading some imagine the lost

3541

02:20:58,469 --> 02:20:54,880

encounters or evidence that is lost

3542

02:21:01,110 --> 02:20:58,479

cool story uh we know a guy named smiles

3543

02:21:06,630 --> 02:21:01,120

who lives right here in austin texas and

3544

02:21:08,710 --> 02:21:06,640

he has a really cool uh museum and they

3545

02:21:12,550 --> 02:21:08,720

have got some [h__h] in there from like

3546

02:21:15,030 --> 02:21:12,560

the 1500s like books

3547

02:21:18,469 --> 02:21:15,040

me and ben didn't touch and or break any

3548

02:21:20,550 --> 02:21:18,479

of them i did not touch them we didn't

3549

02:21:23,030 --> 02:21:20,560

so we didn't look at them didn't even

3550

02:21:23,910 --> 02:21:23,040

touch them at all we didn't breathe on

3551
02:21:26,710 --> 02:21:23,920
them

3552
02:21:28,950 --> 02:21:26,720
all i'm saying is we synced it and they

3553
02:21:31,590 --> 02:21:28,960
exist and that's so cool like when you

3554
02:21:34,950 --> 02:21:31,600
can find old [h__h] like that

3555
02:21:38,150 --> 02:21:34,960
i think one of my biggest dreams other

3556
02:21:40,710 --> 02:21:38,160
than going to space is going down into

3557
02:21:42,230 --> 02:21:40,720
that [h__h] vatican collection and i

3558
02:21:50,469 --> 02:21:42,240
want to see

3559
02:21:51,910 --> 02:21:50,479
what's in there

3560
02:21:53,349 --> 02:21:51,920
i think you know i think we all know

3561
02:21:56,150 --> 02:21:53,359
what's in there

3562
02:21:59,510 --> 02:21:56,160
i think i think we know what's in it but

3563
02:22:03,349 --> 02:21:59,520

i would like to read it those of us that

3564

02:22:05,910 --> 02:22:03,359

have been interested in like ancient

3565

02:22:08,710 --> 02:22:05,920

ancient humans or like

3566

02:22:10,710 --> 02:22:08,720

you know

3567

02:22:12,389 --> 02:22:10,720

anything dude ancient aliens did like

3568

02:22:13,830 --> 02:22:12,399

the [h__\h] show that got everybody

3569

02:22:16,230 --> 02:22:13,840

interested in this like got me

3570

02:22:18,550 --> 02:22:16,240

interested in this like conehead's got

3571

02:22:20,309 --> 02:22:18,560

me interested in this dude

3572

02:22:23,429 --> 02:22:20,319

so like

3573

02:22:26,150 --> 02:22:23,439

the vatican man what they are hiding

3574

02:22:29,590 --> 02:22:26,160

could you imagine the books

3575

02:22:30,469 --> 02:22:29,600

from out like the library of alexandria

3576

02:22:32,070 --> 02:22:30,479

dude

3577

02:22:33,670 --> 02:22:32,080

that state

3578

02:22:36,230 --> 02:22:33,680

specific things

3579

02:22:38,230 --> 02:22:36,240

like hey if you come in contact with

3580

02:22:41,110 --> 02:22:38,240

this god

3581

02:22:42,790 --> 02:22:41,120

that looks like this

3582

02:22:44,550 --> 02:22:42,800

this is what they're after this is how

3583

02:22:46,870 --> 02:22:44,560

you handle them this is how you talk to

3584

02:22:51,349 --> 02:22:46,880

them this is what they're this is their

3585

02:22:52,790 --> 02:22:51,359

history with humankind on earth dude

3586

02:22:56,070 --> 02:22:52,800

i i

3587

02:22:58,950 --> 02:22:56,080

my brain can go wild man it's gotta be a

3588

02:23:00,389 --> 02:22:58,960

ledger man because honestly

3589

02:23:02,870 --> 02:23:00,399

you know when i think of earth sometimes

3590

02:23:06,309 --> 02:23:02,880

like right now at this moment

3591

02:23:08,630 --> 02:23:06,319

i think of earth as a lemonade stand

3592

02:23:10,469 --> 02:23:08,640

where everybody is a as a child if they

3593

02:23:13,270 --> 02:23:10,479

grew up in a

3594

02:23:15,990 --> 02:23:13,280

a a neighborhood with a lot of people or

3595

02:23:16,870 --> 02:23:16,000

just a little a little bit of people

3596

02:23:23,349 --> 02:23:16,880

uh

3597

02:23:26,070 --> 02:23:23,359

every kid

3598

02:23:29,349 --> 02:23:26,080

at some point or another

3599

02:23:31,110 --> 02:23:29,359

like has this this innate uh

3600

02:23:34,070 --> 02:23:31,120

draw to like hey let's do like a

3601
02:23:36,630 --> 02:23:34,080
lemonade stand or like let's go try to

3602
02:23:38,630 --> 02:23:36,640
sell you know shoe polish or like try

3603
02:23:41,590 --> 02:23:38,640
something like as a kid like that's like

3604
02:23:43,510 --> 02:23:41,600
fun right like let's make a quarter like

3605
02:23:45,270 --> 02:23:43,520
there's this something maybe that's just

3606
02:23:47,030 --> 02:23:45,280
an american thing and i'm over

3607
02:23:48,790 --> 02:23:47,040
generalizing

3608
02:23:50,870 --> 02:23:48,800
but let's just say for a fact like just

3609
02:23:53,190 --> 02:23:50,880
for the sake of conversation dude this

3610
02:23:55,590 --> 02:23:53,200
this lemonade stand like it's a starter

3611
02:23:57,429 --> 02:23:55,600
thing for children to like learn

3612
02:24:00,230 --> 02:23:57,439
business and like how to interact with

3613
02:24:01,030 --> 02:24:00,240

people and like here's a service for a

3614

02:24:03,510 --> 02:24:01,040

fee

3615

02:24:06,550 --> 02:24:03,520

and like that's a very important thing

3616

02:24:09,510 --> 02:24:06,560

i think and i think earth is

3617

02:24:11,990 --> 02:24:09,520

in a sense that

3618

02:24:13,110 --> 02:24:12,000

lemonade stand for consciousness in a

3619

02:24:14,790 --> 02:24:13,120

way

3620

02:24:17,190 --> 02:24:14,800

we're like dude

3621

02:24:18,389 --> 02:24:17,200

we're just at the beginning of our stage

3622

02:24:20,790 --> 02:24:18,399

man

3623

02:24:23,270 --> 02:24:20,800

in a lot of different ways

3624

02:24:26,830 --> 02:24:23,280

dude and we're just learning like man

3625

02:24:29,670 --> 02:24:26,840

there's a lot of evil [h__h] out there

3626

02:24:31,030 --> 02:24:29,680

and just got to go through it to learn

3627

02:24:32,790 --> 02:24:31,040

it and

3628

02:24:34,870 --> 02:24:32,800

there's certain people that have been

3629

02:24:36,870 --> 02:24:34,880

living in this neighborhood for a lot

3630

02:24:37,670 --> 02:24:36,880

longer than we have

3631

02:24:39,110 --> 02:24:37,680

and

3632

02:24:42,230 --> 02:24:39,120

they're cheating in a way or they're

3633

02:24:44,950 --> 02:24:42,240

like no i've seen this this lemonade

3634

02:24:46,790 --> 02:24:44,960

stand doesn't make any money dude

3635

02:24:48,630 --> 02:24:46,800

you know how much women's cost nowadays

3636

02:24:50,309 --> 02:24:48,640

dude like you know how much

3637

02:24:52,389 --> 02:24:50,319

and they're like no we've seen this [h__\h]

3638

02:24:54,870 --> 02:24:52,399

before dude

3639

02:24:56,950 --> 02:24:54,880

i've got these lemonade you know these

3640

02:25:00,070 --> 02:24:56,960

lemonade trees these lemon trees yeah

3641

02:25:01,910 --> 02:25:00,080

you can get these for you know whatever

3642

02:25:03,750 --> 02:25:01,920

amount but like

3643

02:25:05,750 --> 02:25:03,760

ideally people are only buying your

3644

02:25:07,349 --> 02:25:05,760

lemonade if you're like a cute kid like

3645

02:25:09,830 --> 02:25:07,359

you're not gonna like set up a lemonade

3646

02:25:10,350 --> 02:25:09,840

stand isn't it

3647

02:25:12,070 --> 02:25:10,360

kids

3648

02:25:13,990 --> 02:25:12,080

[Music]

3649

02:25:14,870 --> 02:25:14,000

yes

3650

02:25:16,870 --> 02:25:14,880

hey

3651
02:25:19,070 --> 02:25:16,880
sunsaver said something pretty cool and

3652
02:25:20,230 --> 02:25:19,080
i totally agree with it uh

3653
02:25:23,030 --> 02:25:20,240
[Music]

3654
02:25:28,630 --> 02:25:23,040
yeah everybody wants the vatican et

3655
02:25:30,790 --> 02:25:28,640
files i agree 100 bro like

3656
02:25:32,550 --> 02:25:30,800
the next time the government is like you

3657
02:25:35,510 --> 02:25:32,560
know

3658
02:25:37,190 --> 02:25:35,520
we're gonna release some ufo documents

3659
02:25:39,190 --> 02:25:37,200
i'm just gonna be like [h__\h] that let's

3660
02:25:41,190 --> 02:25:39,200
take it to the vatican i want that i

3661
02:25:43,670 --> 02:25:41,200
want those files dude i want to know

3662
02:25:46,710 --> 02:25:43,680
what they've been researching i want to

3663
02:25:49,429 --> 02:25:46,720

know what they know dude

3664

02:25:52,150 --> 02:25:49,439

oh my god sage necro

3665

02:25:54,469 --> 02:25:52,160

neanderthals used to eat each other and

3666

02:25:57,190 --> 02:25:54,479

hunt at night and eat children curled

3667

02:25:58,870 --> 02:25:57,200

mags trained wolves to protect them at

3668

02:26:00,950 --> 02:25:58,880

night and we managed to kill

3669

02:26:04,150 --> 02:26:00,960

neanderthals off

3670

02:26:05,750 --> 02:26:04,160

vampires are real

3671

02:26:08,070 --> 02:26:05,760

true story

3672

02:26:09,110 --> 02:26:08,080

have you seen midnight mass

3673

02:26:11,349 --> 02:26:09,120

nope

3674

02:26:13,830 --> 02:26:11,359

it's a new show

3675

02:26:16,150 --> 02:26:13,840

on hbo

3676

02:26:17,990 --> 02:26:16,160

is it hbo or netflix somebody help me

3677

02:26:20,550 --> 02:26:18,000

out i don't watch hbo because it has

3678

02:26:22,389 --> 02:26:20,560

adult content at night oh

3679

02:26:28,550 --> 02:26:22,399

[h__\h] okay well

3680

02:26:34,870 --> 02:26:31,750

uh good vampire show is uh

3681

02:26:36,630 --> 02:26:34,880

uh what we do in the shadows

3682

02:26:39,270 --> 02:26:36,640

it's a good one that's a great dude

3683

02:26:42,070 --> 02:26:39,280

that's a great show i love that show

3684

02:26:44,070 --> 02:26:42,080

[h__\h] that's such a good show the the uh

3685

02:26:47,270 --> 02:26:44,080

the situa uh what is it the guy he's

3686

02:26:49,910 --> 02:26:47,280

like uh like a situational vampire

3687

02:26:51,750 --> 02:26:49,920

he's like an emotional vampire emotional

3688

02:26:53,830 --> 02:26:51,760

vampire yeah

3689

02:26:57,800 --> 02:26:53,840

he drains people and when he walks in a

3690

02:27:02,070 --> 02:27:00,230

[Music]

3691

02:27:03,990 --> 02:27:02,080

the new season just dropped it's pretty

3692

02:27:06,389 --> 02:27:04,000

hilarious oh my god okay well i know

3693

02:27:08,870 --> 02:27:06,399

what i'm doing after

3694

02:27:10,309 --> 02:27:08,880

[h__h] that's hilarious

3695

02:27:12,790 --> 02:27:10,319

um

3696

02:27:16,150 --> 02:27:12,800

so dude uh speaking of this real quick

3697

02:27:18,870 --> 02:27:16,160

so midnight mass um i didn't even know

3698

02:27:21,110 --> 02:27:18,880

that was a show until i me and jess were

3699

02:27:23,510 --> 02:27:21,120

looking for a new show to watch and i

3700

02:27:25,190 --> 02:27:23,520

found that [h__h]

3701
02:27:26,550 --> 02:27:25,200
and i saw it had something to do with

3702
02:27:28,550 --> 02:27:26,560
like

3703
02:27:30,870 --> 02:27:28,560
catholicism or whatever

3704
02:27:34,070 --> 02:27:30,880
and started watching it last night and i

3705
02:27:35,190 --> 02:27:34,080
watched three episodes

3706
02:27:37,030 --> 02:27:35,200
and

3707
02:27:40,790 --> 02:27:37,040
i'm not gonna spoil it for you but i

3708
02:27:45,349 --> 02:27:42,630
what do catholics

3709
02:27:47,190 --> 02:27:45,359
do

3710
02:27:50,309 --> 02:27:47,200
with communion what

3711
02:27:54,950 --> 02:27:52,150
because you used to be cat well

3712
02:27:56,950 --> 02:27:54,960
technically you grew up catholic

3713
02:27:59,429 --> 02:27:56,960

yeah dude i mean

3714

02:28:01,830 --> 02:27:59,439

you gotta kneel for like 45 minutes

3715

02:28:02,790 --> 02:28:01,840

where it's your turn to [h__h] get up

3716

02:28:08,230 --> 02:28:02,800

and

3717

02:28:10,309 --> 02:28:08,240

eat the

3718

02:28:13,030 --> 02:28:10,319

body of christ and then you drink his

3719

02:28:15,429 --> 02:28:13,040

blood

3720

02:28:16,950 --> 02:28:15,439

and you say thank you

3721

02:28:19,349 --> 02:28:16,960

and then you go to kneel down for

3722

02:28:22,389 --> 02:28:19,359

another 45 goddamn minutes until

3723

02:28:23,830 --> 02:28:22,399

everybody finishes the line

3724

02:28:25,670 --> 02:28:23,840

but most of the time dude when i'm

3725

02:28:27,510 --> 02:28:25,680

kneeling down i'm just like you know

3726

02:28:29,349 --> 02:28:27,520

like when i was like in high school i

3727

02:28:31,670 --> 02:28:29,359

was always just like looking over seeing

3728

02:28:34,230 --> 02:28:31,680

like which which chicks i would totally

3729

02:28:36,710 --> 02:28:34,240

like bang yeah

3730

02:28:39,270 --> 02:28:36,720

like hey i'm like you're hot right she

3731

02:28:43,190 --> 02:28:40,870

well that was a long time ago dude

3732

02:28:44,790 --> 02:28:43,200

church girls are the hottest girls

3733

02:28:46,389 --> 02:28:44,800

i remember thinking like that's all i

3734

02:28:47,750 --> 02:28:46,399

could think of

3735

02:28:49,510 --> 02:28:47,760

at the time have you ever heard the red

3736

02:28:50,870 --> 02:28:49,520

hot chili pepper song catholic school

3737

02:28:53,190 --> 02:28:50,880

girls rock

3738

02:28:55,510 --> 02:28:53,200

no but i already love it it's pretty

3739

02:28:58,790 --> 02:28:55,520

dope it's like catholic school cause

3740

02:29:01,429 --> 02:28:58,800

rock catholic school girls rock

3741

02:29:03,910 --> 02:29:01,439

catholic school ghost rock

3742

02:29:05,590 --> 02:29:03,920

catholic school girls rock

3743

02:29:08,550 --> 02:29:05,600

band honestly it sounds like it sounds

3744

02:29:11,510 --> 02:29:08,560

like you just made that up i did it

3745

02:29:13,349 --> 02:29:11,520

it was like the 80s chili peppers oh it

3746

02:29:16,309 --> 02:29:13,359

was like that real fast yeah it was like

3747

02:29:19,910 --> 02:29:16,319

the real like funky punk days dude when

3748

02:29:22,950 --> 02:29:19,920

they had like backwoods take me to your

3749

02:29:24,790 --> 02:29:22,960

back woods now

3750

02:29:26,150 --> 02:29:24,800

honestly like how the [h__h] did they come

3751

02:29:28,070 --> 02:29:26,160

up with that

3752

02:29:30,230 --> 02:29:28,080

how do you describe that that music

3753

02:29:31,030 --> 02:29:30,240

though it's not funk it's not pop it's

3754

02:29:34,950 --> 02:29:31,040

like

3755

02:29:37,030 --> 02:29:34,960

do you

3756

02:29:38,710 --> 02:29:37,040

but it's so simple it's it's like it's

3757

02:29:39,910 --> 02:29:38,720

like four it's like four instruments

3758

02:29:43,349 --> 02:29:39,920

dude

3759

02:29:45,110 --> 02:29:43,359

yeah

3760

02:29:46,950 --> 02:29:45,120

i wish you had that bass the entire time

3761

02:29:49,349 --> 02:29:46,960

we were playing in the band you got it

3762

02:29:50,870 --> 02:29:49,359

like the last year that we

3763

02:29:52,710 --> 02:29:50,880

we played in a band together for 10

3764

02:29:55,110 --> 02:29:52,720

years

3765

02:29:57,510 --> 02:29:55,120

and you finally got this badass [h__h]

3766

02:29:59,590 --> 02:29:57,520

mark base amp and that bad ass base like

3767

02:30:08,309 --> 02:29:59,600

it took me 10 goddamn years to save up

3768

02:30:13,429 --> 02:30:10,870

is this the episode where we finally

3769

02:30:17,030 --> 02:30:13,439

the ufo garage band dude

3770

02:30:20,389 --> 02:30:17,040

oh dude i like the chillies man

3771

02:30:22,790 --> 02:30:20,399

[h__h] someone's asking about the ufo

3772

02:30:24,630 --> 02:30:22,800

by the way huh everybody's asking about

3773

02:30:27,429 --> 02:30:24,640

the ufo garage band

3774

02:30:28,950 --> 02:30:27,439

oh dude we need to do it so

3775

02:30:31,110 --> 02:30:28,960

i told ryan bledsoe that he needs to

3776

02:30:33,910 --> 02:30:31,120

come and play drums for us he got a

3777

02:30:36,150 --> 02:30:33,920

brand new ass drum set dude like i know

3778

02:30:37,510 --> 02:30:36,160

batman has a drum set

3779

02:30:39,590 --> 02:30:37,520

the fact i think

3780

02:30:42,230 --> 02:30:39,600

he's got his own band though dude yeah

3781

02:30:44,309 --> 02:30:42,240

he's got his own band he's cool

3782

02:30:46,309 --> 02:30:44,319

than us that's cool because we could

3783

02:30:48,389 --> 02:30:46,319

just ask lou elizondo if he wants to

3784

02:30:50,389 --> 02:30:48,399

play drums for us dude and so he can get

3785

02:30:52,230 --> 02:30:50,399

tom delong and he can play the guitar so

3786

02:30:54,390 --> 02:30:52,240

i can be on the bass and you sing and

3787

02:30:57,190 --> 02:30:54,400

play rhythms dude let's go let's go

3788

02:30:59,590 --> 02:30:57,200

[Laughter]

3789

02:31:01,830 --> 02:30:59,600

dude uh so i'm looking

3790

02:31:03,670 --> 02:31:01,840

i'm actually gonna buy uh

3791

02:31:04,469 --> 02:31:03,680

a ford pickup

3792

02:31:05,990 --> 02:31:04,479

uh

3793

02:31:10,950 --> 02:31:06,000

it's either gonna be

3794

02:31:16,870 --> 02:31:13,349

a ford pickup i'll send you a photo dude

3795

02:31:21,429 --> 02:31:18,790

it's uh [h__h]

3796

02:31:23,750 --> 02:31:21,439

so you know my dad's like super into

3797

02:31:26,630 --> 02:31:23,760

like these classic cars

3798

02:31:28,950 --> 02:31:26,640

and he was like i so he's wanting to see

3799

02:31:30,870 --> 02:31:28,960

the baby is when he comes back to he's

3800

02:31:33,110 --> 02:31:30,880

living in california and he's like i

3801

02:31:34,389 --> 02:31:33,120

need you know a little driving around

3802

02:31:37,349 --> 02:31:34,399

car

3803

02:31:39,270 --> 02:31:37,359

and i was like well yeah okay well would

3804

02:31:40,550 --> 02:31:39,280

it be dope if you got like a like a

3805

02:31:42,070 --> 02:31:40,560

classic car

3806

02:31:45,030 --> 02:31:42,080

and we could share it and you can keep

3807

02:31:46,950 --> 02:31:45,040

it at my house so i could drive it

3808

02:31:49,910 --> 02:31:46,960

so dude we're about to get a dope ass

3809

02:31:51,750 --> 02:31:49,920

yeah dude we'll take that truck to go

3810

02:31:52,870 --> 02:31:51,760

see lou

3811

02:31:55,990 --> 02:31:52,880

yeah

3812

02:31:57,590 --> 02:31:56,000

cruise out there dude oh god dude i love

3813

02:32:00,870 --> 02:31:57,600

it yeah

3814

02:32:01,990 --> 02:32:00,880

greg says less claypool

3815

02:32:06,710 --> 02:32:02,000

yes sir

3816

02:32:09,990 --> 02:32:06,720

you know what i'm saying

3817

02:32:11,830 --> 02:32:10,000

i like have you heard of more claypool

3818

02:32:12,870 --> 02:32:11,840

nope just less claypool

3819

02:32:16,309 --> 02:32:12,880

what is it

3820

02:32:17,910 --> 02:32:16,319

hey hey sunny mine it it is actually uh

3821

02:32:19,429 --> 02:32:17,920

1.7

3822

02:32:23,110 --> 02:32:19,439

apr

3823

02:32:27,850 --> 02:32:26,550

i'm being puppies in the dark

3824

02:32:29,590 --> 02:32:27,860

i need to hook up dude

3825

02:32:31,670 --> 02:32:29,600

[Laughter]

3826

02:32:33,670 --> 02:32:31,680

[\h__\h] i'll i'll turn my [\h__\h] on i mean is

3827

02:32:35,750 --> 02:32:33,680

that what we're gonna do let's play bro

3828

02:32:37,590 --> 02:32:35,760

are we jamming i'm just kidding though

3829

02:32:39,670 --> 02:32:37,600

we have a gas dude we're just chilling

3830

02:32:41,349 --> 02:32:39,680

we're just chilling i'm uh i'm almost

3831

02:32:43,510 --> 02:32:41,359

out of [\h__\h] to talk about honestly yeah

3832

02:32:45,190 --> 02:32:43,520

me too i got a fat bull waiting for me

3833

02:32:47,429 --> 02:32:45,200

downstairs too

3834

02:32:49,590 --> 02:32:47,439

i mean i could i can't take a shower

3835

02:32:51,990 --> 02:32:49,600

plug in and we could play music if we

3836

02:32:53,429 --> 02:32:52,000

wanted to do it

3837

02:32:55,110 --> 02:32:53,439

i mean this is going to be your last

3838

02:32:56,389 --> 02:32:55,120

chance i could too but i've got an

3839

02:32:58,710 --> 02:32:56,399

infant right

3840

02:33:00,550 --> 02:32:58,720

okay this room over so i can't

3841

02:33:02,469 --> 02:33:00,560

so i'm unplugged right now we'll wait

3842

02:33:03,910 --> 02:33:02,479

till we have our own studio

3843

02:33:06,389 --> 02:33:03,920

yeah dude

3844

02:33:09,349 --> 02:33:06,399

dude when when we get our own studio

3845

02:33:12,070 --> 02:33:09,359

let's do a live ufo garage band jam

3846

02:33:13,910 --> 02:33:12,080

session and we'll jam for like an hour

3847

02:33:15,349 --> 02:33:13,920

and we'll just put it up live dude and

3848

02:33:17,830 --> 02:33:15,359

we'll just have like a big ass jam

3849

02:33:18,790 --> 02:33:17,840

session dude let's do it

3850

02:33:21,590 --> 02:33:18,800

speaking of

3851

02:33:24,150 --> 02:33:21,600

woodstock 94 greg no [h__h]

3852

02:33:28,950 --> 02:33:24,160

what you got to see you got to see like

3853

02:33:31,750 --> 02:33:28,960

uh primus there and corn and biscuits

3854

02:33:35,270 --> 02:33:31,760

everybody dude that's what's up

3855

02:33:38,950 --> 02:33:35,280

george clinton george clinton hey sergio

3856

02:33:44,230 --> 02:33:40,870

that's awesome speaking of live dude

3857

02:33:45,750 --> 02:33:44,240

what do we have what do we do huge part

3858

02:33:47,590 --> 02:33:45,760

to sim

3859

02:33:49,510 --> 02:33:47,600

yeah speaking of live what are we doing

3860

02:33:51,429 --> 02:33:49,520

in december oh that thing we were

3861

02:33:52,860 --> 02:33:51,439

supposed to do in october yeah it's

3862

02:33:54,950 --> 02:33:52,870

short december

3863

02:33:57,190 --> 02:33:54,960

[Laughter]

3864

02:33:59,270 --> 02:33:57,200

yeah we're still putting on a a live

3865

02:34:02,150 --> 02:33:59,280

show guys it just it had to get moved to

3866

02:34:04,230 --> 02:34:02,160

december but it's still going down so

3867

02:34:07,270 --> 02:34:04,240

put it on your calendars get your plane

3868

02:34:10,950 --> 02:34:09,510

and uh come see us it's only gonna be

3869

02:34:12,790 --> 02:34:10,960

live though we're not gonna livestream

3870

02:34:16,389 --> 02:34:12,800

it

3871

02:34:21,990 --> 02:34:16,399

be

3872

02:34:23,750 --> 02:34:22,000

show that we're doing ufo garage live

3873

02:34:27,110 --> 02:34:23,760

live a live show

3874

02:34:29,910 --> 02:34:27,120

with terry loveless who is also live and

3875

02:34:33,429 --> 02:34:29,920

alive with ufo garage that is a live

3876

02:34:34,870 --> 02:34:33,439

live yeah so it's going to be a lot of

3877

02:34:36,309 --> 02:34:34,880

lives

3878

02:34:38,389 --> 02:34:36,319

that's going to be fun dude this could

3879

02:34:41,429 --> 02:34:38,399

be sick 509 says have you guys seen the

3880

02:34:43,750 --> 02:34:41,439

illuminati illuminati car you've already

3881

02:34:45,349 --> 02:34:43,760

been yes you have seen the illuminati

3882

02:34:48,550 --> 02:34:45,359

card game because you sent me something

3883

02:34:51,670 --> 02:34:48,560

on i posted that i posted that 509 did

3884

02:34:54,309 --> 02:34:51,680

you see the uh the whistleblower card

3885

02:34:56,150 --> 02:34:54,319

brother did you see that let me know

3886

02:34:58,870 --> 02:34:56,160

because that was pretty creepy i that's

3887

02:35:01,429 --> 02:34:58,880

the one that i sent joe it's the space

3888

02:35:03,590 --> 02:35:01,439

it it's this illuminati card game right

3889

02:35:04,950 --> 02:35:03,600

and and and one of them if you guys

3890

02:35:10,830 --> 02:35:04,960

don't know

3891

02:35:13,830 --> 02:35:10,840

about

3892

02:35:15,349 --> 02:35:13,840

it i feel like i i i said it just like

3893

02:35:16,070 --> 02:35:15,359

trump would have i don't know much about

3894

02:35:26,550 --> 02:35:16,080

it

3895

02:35:28,230 --> 02:35:26,560

best i know a lot of people i know a lot

3896

02:35:29,990 --> 02:35:28,240

of people they all have the cuttings

3897

02:35:31,670 --> 02:35:30,000

love it they absolutely love it they're

3898

02:35:36,150 --> 02:35:31,680

the best people

3899

02:35:36,950 --> 02:35:36,160

anyway um the whistleblower the facebook

3900

02:35:38,870 --> 02:35:36,960

chick

3901

02:35:40,469 --> 02:35:38,880

uh whistleblower

3902

02:35:43,830 --> 02:35:40,479

looks a lot like the chick on the

3903

02:35:46,710 --> 02:35:43,840

illuminati uh lu illuminati card game

3904

02:35:48,469 --> 02:35:46,720

it's a creepy dude it does creepy it's

3905

02:35:49,990 --> 02:35:48,479

crazy that like people just started

3906

02:35:53,429 --> 02:35:50,000

talking about that

3907

02:35:54,630 --> 02:35:53,439

like that [h__h] came out like months ago

3908

02:35:56,870 --> 02:35:54,640

we've been talking about that for like

3909

02:35:59,830 --> 02:35:56,880

six months

3910

02:36:02,150 --> 02:35:59,840

you've been telling me about this [h__h]

3911

02:36:04,070 --> 02:36:02,160

specifically you you've been telling me

3912

02:36:05,110 --> 02:36:04,080

this was gonna happen

3913

02:36:07,670 --> 02:36:05,120

you know

3914

02:36:11,830 --> 02:36:07,680

i don't know everything but i when you

3915

02:36:15,910 --> 02:36:13,429

that's correct

3916

02:36:18,469 --> 02:36:15,920

yeah correct

3917

02:36:20,309 --> 02:36:18,479

oh man all right [\h__\h] hey dude hey

3918

02:36:23,110 --> 02:36:20,319

bro it was a good night it was a good

3919

02:36:25,030 --> 02:36:23,120

night spontaneous night i apologize we

3920

02:36:27,190 --> 02:36:25,040

had to reschedule the guest she had an

3921

02:36:28,630 --> 02:36:27,200

emergency that she had to take care of

3922

02:36:31,270 --> 02:36:28,640

it's gonna be kick-ass when she does

3923

02:36:35,590 --> 02:36:31,280

come on i promise you there's gonna be

3924

02:36:38,710 --> 02:36:35,600

like some uh some uh uh ancient souls

3925

02:36:41,670 --> 02:36:38,720

taking over the body and and and like

3926

02:36:44,630 --> 02:36:41,680

traveling in the astral planes and and

3927

02:36:46,389 --> 02:36:44,640

near-death experiences and councils and

3928

02:36:48,469 --> 02:36:46,399

everything it's going to be epic i

3929

02:36:51,429 --> 02:36:48,479

promise um

3930

02:36:53,670 --> 02:36:51,439

and uh yeah don't forget to uh go make

3931

02:36:55,190 --> 02:36:53,680

your balls happy and your nose as ben is

3932

02:36:57,750 --> 02:36:55,200

showing you right now manscape don't

3933

02:37:00,870 --> 02:36:57,760

forget to use the code ufo garage and

3934

02:37:02,550 --> 02:37:00,880

you get 20 off of your purchase and then

3935

02:37:04,950 --> 02:37:02,560

free shipping anywhere in the entire

3936

02:37:08,469 --> 02:37:04,960

world also man if you guys are into some

3937

02:37:10,710 --> 02:37:08,479

fine fine fine cbd like your boy here

3938

02:37:12,150 --> 02:37:10,720

also i mean i smoke weed too but like

3939

02:37:15,110 --> 02:37:12,160

sometimes you can't always smoke weed so

3940

02:37:18,150 --> 02:37:15,120

i get on the cbd bro you know helps you

3941

02:37:22,309 --> 02:37:18,160

with the body go check out our homegirls

3942

02:37:25,190 --> 02:37:22,319

over there at redeemer small batch and

3943

02:37:27,750 --> 02:37:25,200

uh at checkout use the code ufo 15. i

3944

02:37:32,550 --> 02:37:27,760

think you get 15 percent off with those

3945

02:37:35,429 --> 02:37:32,560

ladies oh yeah okey doke okay joke

3946

02:37:37,590 --> 02:37:35,439

hey you did it i did it man you did it

3947

02:37:41,429 --> 02:37:37,600

you did it i'm proud of you

3948

02:37:44,309 --> 02:37:41,439

hey man and also i love all you guys

3949

02:37:46,710 --> 02:37:45,510

sergio

3950

02:37:51,830 --> 02:37:46,720

hold on

3951
02:37:54,710 --> 02:37:51,840
are you are you being serious right now

3952
02:37:56,790 --> 02:37:54,720
you work for george clinton

3953
02:37:59,270 --> 02:37:56,800
because if you're telling me that you

3954
02:38:03,990 --> 02:37:59,280
can get me one of the extraterrestrial

3955
02:38:09,750 --> 02:38:07,030
ah dude that does that mean

3956
02:38:11,830 --> 02:38:09,760
i mean what does that mean

3957
02:38:17,990 --> 02:38:11,840
bro

3958
02:38:20,230 --> 02:38:18,000
i know that george clinton has to have

3959
02:38:22,630 --> 02:38:20,240
seen i mean you can't have that much

3960
02:38:32,620 --> 02:38:22,640
funk in your body without seeing some

3961
02:38:39,910 --> 02:38:38,349
[Music]

3962
02:38:43,349 --> 02:38:39,920
w-e-f-u-n-k

3963
02:38:44,870 --> 02:38:43,359

we funk radio

3964

02:38:46,630 --> 02:38:44,880

i love it dude

3965

02:38:47,750 --> 02:38:46,640

the fact that you don't have a radio

3966

02:38:48,790 --> 02:38:47,760

station

3967

02:38:51,750 --> 02:38:48,800

this

3968

02:38:52,550 --> 02:38:51,760

is a tragic a travesty i need to get one

3969

02:38:56,389 --> 02:38:52,560

yeah

3970

02:38:59,030 --> 02:38:56,399

flashlight dude flashlight

3971

02:39:00,550 --> 02:38:59,040

not just knee deep nope

3972

02:39:04,230 --> 02:39:00,560

blueberry light

3973

02:39:06,790 --> 02:39:04,240

uncle jam wants you bro fruity [h__\h]

3974

02:39:08,070 --> 02:39:06,800

hey um sergio

3975

02:39:09,110 --> 02:39:08,080

bro

3976

02:39:11,030 --> 02:39:09,120

damn it

3977

02:39:14,710 --> 02:39:11,040

i hope you answer me

3978

02:39:17,429 --> 02:39:14,720

yeah hit us up dude i would love to talk

3979

02:39:20,150 --> 02:39:17,439

to george clinton that man is literally

3980

02:39:23,990 --> 02:39:20,160

one of my heroes

3981

02:39:25,990 --> 02:39:24,000

as a bass player i absolutely love

3982

02:39:27,030 --> 02:39:26,000

parliament funkadelic

3983

02:39:29,830 --> 02:39:27,040

uh

3984

02:39:30,870 --> 02:39:29,840

george clinton solo stuff like i am just

3985

02:39:36,070 --> 02:39:30,880

like

3986

02:39:37,670 --> 02:39:36,080

absolutely love george clinton dude

3987

02:39:40,950 --> 02:39:37,680

if you're being like really honest

3988

02:39:43,110 --> 02:39:40,960

please email us man i would love

3989

02:39:45,670 --> 02:39:43,120

to talk to george clinton

3990

02:39:48,630 --> 02:39:45,680

holy [h__\h]

3991

02:39:51,750 --> 02:39:48,640

not even joking man like i would i i

3992

02:39:54,550 --> 02:39:51,760

would be so happy i would be so so happy

3993

02:39:55,429 --> 02:39:54,560

bro like i love it i love it

3994

02:39:57,270 --> 02:39:55,439

um

3995

02:39:58,790 --> 02:39:57,280

that would be awesome let us know man

3996

02:40:00,230 --> 02:39:58,800

let us know

3997

02:40:01,349 --> 02:40:00,240

make it happen

3998

02:40:03,590 --> 02:40:01,359

uh

3999

02:40:05,910 --> 02:40:03,600

yeah dude that was it

4000

02:40:08,710 --> 02:40:05,920

dude we got george clinton on here holy

4001

02:40:11,429 --> 02:40:10,389

sergio answer me

4002

02:40:13,110 --> 02:40:11,439

sergio

4003

02:40:14,710 --> 02:40:13,120

it's kind of like like back in the day

4004

02:40:16,710 --> 02:40:14,720

like when like some hot [h__h] gave you

4005

02:40:18,550 --> 02:40:16,720

her number and you texted her you were

4006

02:40:20,469 --> 02:40:18,560

like hey what's up and she was like hey

4007

02:40:21,990 --> 02:40:20,479

what's up you were like nothing what you

4008

02:40:24,150 --> 02:40:22,000

doing you want to maybe hang out later

4009

02:40:25,349 --> 02:40:24,160

and then nothing never hear back and

4010

02:40:27,429 --> 02:40:25,359

then you're like

4011

02:40:29,269 --> 02:40:27,439

what happened yeah what happened i

4012

02:40:31,030 --> 02:40:29,279

thought i was doing so good that's what

4013

02:40:33,110 --> 02:40:31,040

that's why you always got to treat your

4014

02:40:36,230 --> 02:40:33,120

open micro as well you know like you

4015

02:40:38,870 --> 02:40:36,240

never get you never get the crate yeah

4016

02:40:45,710 --> 02:40:41,190

hit us up sergio send us an email bro

4017

02:40:47,349 --> 02:40:45,720

that'd be dope um joe ufo garage

4018

02:40:48,870 --> 02:40:47,359

podcast.com

4019

02:40:50,070 --> 02:40:48,880

or

4020

02:40:57,110 --> 02:40:50,080

hey

4021

02:41:01,510 --> 02:40:59,349

who who's joe what the who the hell is

4022

02:41:03,510 --> 02:41:01,520

that

4023

02:41:04,790 --> 02:41:03,520

all right hey i wanted to say thank you

4024

02:41:06,550 --> 02:41:04,800

to allison

4025

02:41:07,510 --> 02:41:06,560

your ass will follow that's right

4026

02:41:09,750 --> 02:41:07,520

thurston

4027

02:41:11,830 --> 02:41:09,760

i want to stay uh thanks to allison

4028

02:41:14,710 --> 02:41:11,840

because allison synthups

4029

02:41:16,790 --> 02:41:14,720

sent us some dope ass photos and i would

4030

02:41:17,670 --> 02:41:16,800

love to have you on soon

4031

02:41:19,830 --> 02:41:17,680

to

4032

02:41:22,550 --> 02:41:19,840

kind of talk about them and i don't want

4033

02:41:24,469 --> 02:41:22,560

to show them without you know you being

4034

02:41:27,190 --> 02:41:24,479

able to talk about them so i'm gonna i'm

4035

02:41:30,710 --> 02:41:27,200

gonna be in touch with you shortly that

4036

02:41:32,630 --> 02:41:30,720

would be dope uh sage necro i mean come

4037

02:41:34,230 --> 02:41:32,640

on what else is there to say thank you

4038

02:41:36,870 --> 02:41:34,240

for being badass

4039

02:41:39,590 --> 02:41:36,880

him and bootsy seen one are you [h__\h]

4040

02:41:43,429 --> 02:41:39,600

me you know booty too

4041

02:41:46,550 --> 02:41:43,439

oh the rubber band man himself

4042

02:41:49,990 --> 02:41:46,560

god damn it dude who do you work where

4043

02:41:53,110 --> 02:41:50,000

do you work at who do you work for

4044

02:41:55,750 --> 02:41:53,120

where are you working are you hiring

4045

02:41:56,830 --> 02:41:55,760

can i can i come hang with you guys holy

4046

02:42:00,550 --> 02:41:56,840

[h__\h]

4047

02:42:04,150 --> 02:42:01,830

oh

4048

02:42:06,630 --> 02:42:04,160

damn i'm so excited well well joe is

4049

02:42:07,990 --> 02:42:06,640

freaking out about i'm totally freaking

4050

02:42:13,110 --> 02:42:08,000

out dude like

4051

02:42:17,670 --> 02:42:14,710

there's just so much there's just so

4052

02:42:20,790 --> 02:42:17,680

much history like going back like with

4053

02:42:22,150 --> 02:42:20,800

with just booty and like like dude it's

4054

02:42:24,070 --> 02:42:22,160

just there's so much there's so much

4055

02:42:25,349 --> 02:42:24,080

history there bro like it's ridiculous

4056

02:42:27,190 --> 02:42:25,359

it's ridiculous

4057

02:42:30,550 --> 02:42:27,200

dude we start getting into like james

4058

02:42:32,230 --> 02:42:30,560

brown and don't even get me started like

4059

02:42:34,630 --> 02:42:32,240

jesus dude we're gonna have to end the

4060

02:42:37,269 --> 02:42:34,640

show sergio bro

4061

02:42:39,750 --> 02:42:37,279

hit us up please it's not lost on me

4062

02:42:41,349 --> 02:42:39,760

dude i mean come on

4063

02:42:44,150 --> 02:42:41,359

you talk you taught me everything there

4064

02:42:46,790 --> 02:42:44,160

is to know about funk man hey hey man

4065

02:42:48,150 --> 02:42:46,800

i'm a funky guy i'm a funky guy what can

4066

02:42:50,389 --> 02:42:48,160

i say

4067

02:42:53,750 --> 02:42:50,399

hey you funk'd me up dude i [h__h] you

4068

02:42:57,110 --> 02:42:55,830

people ask me is it a funk after death

4069

02:43:01,429 --> 02:42:57,120

and i say

4070

02:43:04,469 --> 02:43:02,790

i like it all right guys i'm just

4071

02:43:07,670 --> 02:43:04,479

rambling i'm gonna get into like this

4072

02:43:10,550 --> 02:43:07,680

whole funky thing uh [h__h] i love you

4073

02:43:14,710 --> 02:43:10,560

guys a whole different persona ah

4074

02:43:16,790 --> 02:43:14,720

[h__h] i know i know man i know um hey man

4075

02:43:18,469 --> 02:43:16,800

i love all you guys oh yeah thank you

4076

02:43:21,269 --> 02:43:18,479

all so much for hanging out we couldn't

4077

02:43:23,830 --> 02:43:21,279

do it without you y'all are awesome

4078

02:43:32,870 --> 02:43:23,840

uh

4079

02:43:35,670 --> 02:43:32,880

skipped straight to episode 1 101 is

4080

02:43:37,670 --> 02:43:35,680

because we haven't done episode 100 yet

4081

02:43:40,870 --> 02:43:37,680

we haven't done it yet yeah so it

4082

02:43:43,269 --> 02:43:40,880

doesn't exist yet we'll we'll go back to

4083

02:43:46,389 --> 02:43:43,279

it when we can hang out again so we can

4084

02:43:48,150 --> 02:43:46,399

celebrate the 100 yeah all right

4085

02:43:50,309 --> 02:43:48,160

tattoos from

4086

02:43:52,389 --> 02:43:50,319

from

4087

02:43:54,870 --> 02:43:52,399

in taylor texas

4088

02:43:56,230 --> 02:43:54,880

sponsor of the show also and this on

4089

02:43:59,110 --> 02:43:56,240

december 4th

4090

02:44:01,429 --> 02:43:59,120

when we have terry lovelace live

4091

02:44:03,590 --> 02:44:01,439

dude terry lopez is coming down he's

4092

02:44:05,590 --> 02:44:03,600

going to be live at the show with us

4093

02:44:08,309 --> 02:44:05,600

it's gonna be sick we're gonna do a live

4094

02:44:10,150 --> 02:44:08,319

podcast show you guys in texas and

4095

02:44:12,309 --> 02:44:10,160

taylor texas y'all

4096

02:44:13,910 --> 02:44:12,319

so it's gonna be live well like dude

4097

02:44:17,910 --> 02:44:13,920

it's gonna be a [h__h]

4098

02:44:20,469 --> 02:44:17,920

people actually that listen to our show

4099

02:44:26,630 --> 02:44:23,750

i'm gonna freak out dude i will too

4100

02:44:29,349 --> 02:44:26,640

one person like dude if one person from

4101

02:44:33,349 --> 02:44:29,359

our [h__\h] crew shows up and you guys

4102

02:44:34,870 --> 02:44:33,359

we're small like we will we

4103

02:44:37,110 --> 02:44:34,880

you could sleep in my bed yeah i was

4104

02:44:38,790 --> 02:44:37,120

gonna say between me and my wife

4105

02:44:40,870 --> 02:44:38,800

you sleep between me and my wife you can

4106

02:44:43,910 --> 02:44:40,880

snuggle my wife if you want to be uh the

4107

02:44:48,870 --> 02:44:43,920

middle spoon dude you can be a moose

4108

02:44:51,110 --> 02:44:48,880

yeah oh yeah um but yeah like i just man

4109

02:44:54,070 --> 02:44:51,120

i'm feeling so much love and joy from

4110

02:44:57,670 --> 02:44:54,080

our little small crew that is our ufo

4111

02:44:59,190 --> 02:44:57,680

garage podcast fam dude i just i just

4112

02:45:01,190 --> 02:44:59,200

feel a lot of love from you guys and i

4113

02:45:03,750 --> 02:45:01,200

want to send it back to y'all

4114

02:45:05,910 --> 02:45:03,760

and uh yeah be on the lookout for

4115

02:45:10,469 --> 02:45:05,920

december 4th dude we're doing a live

4116

02:45:12,469 --> 02:45:10,479

thing so if if you don't have any plans

4117

02:45:15,030 --> 02:45:12,479

come hang out come hang out with us man

4118

02:45:19,269 --> 02:45:15,040

come hang out with us come hang out

4119

02:45:21,429 --> 02:45:19,279

sergio uh joe ufo garagepodcast.com

4120

02:45:23,429 --> 02:45:21,439

just send me a quick little hey what's

4121

02:45:25,590 --> 02:45:23,439

up just so i have your email dude so we

4122

02:45:27,750 --> 02:45:25,600

can chat i'd love to work something out

4123

02:45:29,110 --> 02:45:27,760

let's let's let's make that happen dude

4124

02:45:31,349 --> 02:45:29,120

um yeah

4125

02:45:33,750 --> 02:45:31,359

uh i'm out of here bro yeah i have a

4126

02:45:34,710 --> 02:45:33,760

great time with you and uh

4127

02:45:37,590 --> 02:45:34,720

are you still talking to me are you

4128

02:45:38,990 --> 02:45:37,600

talking to me or are you okay

4129

02:45:42,870 --> 02:45:39,000

this has been

4130

02:45:45,269 --> 02:45:42,880

another ufo

4131

02:45:46,950 --> 02:45:45,279

cockroach in the cup
