

UGARAGE

WITH **BIGWILLY**

1
00:01:48,469 --> 00:01:31,960

[Music]

2
00:01:51,990 --> 00:01:50,389

what's happening ladies and gentlemen i

3
00:01:52,950 --> 00:01:52,000

just wanted to hop on here for a minute

4
00:01:54,710 --> 00:01:52,960

we got

5
00:01:56,630 --> 00:01:54,720

nearly a full moon we're not quite there

6
00:01:57,910 --> 00:01:56,640

yet what's the date the 17th we're

7
00:02:00,149 --> 00:01:57,920

getting there i believe it's the 20th

8
00:02:01,990 --> 00:02:00,159

will be a complete full moon

9
00:02:04,310 --> 00:02:02,000

and i was sitting here and i've been

10
00:02:06,230 --> 00:02:04,320

thinking about a lot of things tonight

11
00:02:07,510 --> 00:02:06,240

which is not uncommon believe it or not

12
00:02:08,550 --> 00:02:07,520

i can't think about things by the way

13
00:02:10,469 --> 00:02:08,560

welcome

14

00:02:12,869 --> 00:02:10,479

ben who says tickle tickle here comes my

15

00:02:15,990 --> 00:02:12,879

pickle i'm not making it up that's i

16

00:02:17,910 --> 00:02:16,000

promise you our fearless leader ben

17

00:02:19,430 --> 00:02:17,920

the band the man himself

18

00:02:21,510 --> 00:02:19,440

ben man man

19

00:02:22,949 --> 00:02:21,520

tickle tickle here comes my pickle

20

00:02:25,030 --> 00:02:22,959

i don't know might have to press charges

21

00:02:27,110 --> 00:02:25,040

this is a hostile work environment very

22

00:02:27,990 --> 00:02:27,120

sexually charged if you know what i'm

23

00:02:31,110 --> 00:02:28,000

saying

24

00:02:33,670 --> 00:02:31,120

and then we got we got 509 in here

25

00:02:35,270 --> 00:02:33,680

gordom 85. see i knew there'd be some

26

00:02:36,710 --> 00:02:35,280

people out here

27

00:02:38,070 --> 00:02:36,720

i don't know i i tell like i was talking

28

00:02:39,750 --> 00:02:38,080

to ben about it and maybe i'm just

29

00:02:41,430 --> 00:02:39,760

reading too much into it i don't know

30

00:02:43,990 --> 00:02:41,440

like i get a lot of feelings i get a lot

31

00:02:46,070 --> 00:02:44,000

of thoughts that come along and

32

00:02:47,910 --> 00:02:46,080

most of the time i'll be honest i i

33

00:02:50,390 --> 00:02:47,920

ignore them or i

34

00:02:52,869 --> 00:02:50,400

i kind of push them aside what a fool

35

00:02:55,350 --> 00:02:52,879

what's up fool we got joe in here by the

36

00:02:57,750 --> 00:02:55,360

way anybody that wants to hop in there's

37

00:03:00,710 --> 00:02:57,760

there's a there's a link right here but

38

00:03:02,830 --> 00:03:00,720

i just had this like feeling man this

39

00:03:04,470 --> 00:03:02,840

energy

40

00:03:06,070 --> 00:03:04,480

that

41

00:03:07,350 --> 00:03:06,080

someone out there needs to share

42

00:03:10,309 --> 00:03:07,360

something

43

00:03:13,509 --> 00:03:10,319

maybe that person's me i don't know

44

00:03:15,430 --> 00:03:13,519

but i just have this this

45

00:03:16,710 --> 00:03:15,440

feeling i can't really get rid of and i

46

00:03:18,790 --> 00:03:16,720

don't know if it's related to the moon

47

00:03:20,630 --> 00:03:18,800

or what it is and i know we got lynn

48

00:03:22,470 --> 00:03:20,640

going to be going here an hour so that i

49

00:03:23,910 --> 00:03:22,480

was like told ben i was like hey do you

50

00:03:25,750 --> 00:03:23,920

mind if i just hop on for like literally

51
00:03:27,830 --> 00:03:25,760
five minutes not to be making this like

52
00:03:29,030 --> 00:03:27,840
a podcast episode or anything just

53
00:03:30,869 --> 00:03:29,040
hop on

54
00:03:33,589 --> 00:03:30,879
give someone a chance amanda what's up

55
00:03:35,509 --> 00:03:33,599
by the way uh anybody a chance if they

56
00:03:37,750 --> 00:03:35,519
want to talk about anything

57
00:03:39,030 --> 00:03:37,760
whether it be hopping in here with me

58
00:03:40,789 --> 00:03:39,040
i'm thinking all blue out for a little

59
00:03:42,949 --> 00:03:40,799
spin just going to go drive around the

60
00:03:44,710 --> 00:03:42,959
moonlight see what's up what's happening

61
00:03:46,390 --> 00:03:44,720
out there shaking

62
00:03:48,949 --> 00:03:46,400
what's the brushes

63
00:03:51,509 --> 00:03:48,959

alerts in the shadows

64

00:03:54,070 --> 00:03:51,519

and i just feel like somebody needs to

65

00:03:55,589 --> 00:03:54,080

share something or just needs a place

66

00:03:57,670 --> 00:03:55,599

just says you know what

67

00:03:59,670 --> 00:03:57,680

is a rough weekend it wasn't a solid

68

00:04:01,190 --> 00:03:59,680

weekend it was supposed to be good you

69

00:04:02,949 --> 00:04:01,200

know it's the weekend we're supposed to

70

00:04:04,949 --> 00:04:02,959

party and have fun

71

00:04:06,869 --> 00:04:04,959

maybe it wasn't i don't know

72

00:04:08,309 --> 00:04:06,879

uh i think everybody here is a regular i

73

00:04:10,390 --> 00:04:08,319

don't think i have to put this out there

74

00:04:12,229 --> 00:04:10,400

but in case someone is watching us back

75

00:04:13,750 --> 00:04:12,239

watching this back later

76

00:04:15,270 --> 00:04:13,760

i don't normally go live at this time

77

00:04:17,270 --> 00:04:15,280

now there's joe and ben you can catch

78

00:04:20,310 --> 00:04:17,280

them on thursday thursdays

79

00:04:21,670 --> 00:04:20,320

9 p.m eastern eastern time zone i still

80

00:04:22,710 --> 00:04:21,680

think that's a mandela thing dude i'm

81

00:04:25,189 --> 00:04:22,720

telling you i used to say eastern

82

00:04:27,189 --> 00:04:25,199

central time time whole time but anyway

83

00:04:29,350 --> 00:04:27,199

you can catch me live every saturday 9

84

00:04:32,390 --> 00:04:29,360

p.m eastern time want to be guessing the

85

00:04:34,310 --> 00:04:32,400

big willy van email me at big willy ufo

86

00:04:35,990 --> 00:04:34,320

garagepodcast.com

87

00:04:37,110 --> 00:04:36,000

just know what happens in the van stays

88

00:04:39,189 --> 00:04:37,120

in the van

89

00:04:40,629 --> 00:04:39,199

your secrets are safe with me as well as

90

00:04:43,189 --> 00:04:40,639

the multitude of people watching on the

91

00:04:45,909 --> 00:04:43,199

internet but besides that you're totally

92

00:04:48,230 --> 00:04:45,919

safe no worries whatsoever

93

00:04:50,710 --> 00:04:48,240

adam ambrose just thought i would hop on

94

00:04:52,870 --> 00:04:50,720

hey well look at that

95

00:04:55,830 --> 00:04:52,880

oh 509 you have your lap you have a new

96

00:04:57,430 --> 00:04:55,840

you have a laptop now very nice so i'm

97

00:04:59,830 --> 00:04:57,440

curious and maybe i'll put this to those

98

00:05:01,830 --> 00:04:59,840

out here in the in the chat

99

00:05:04,070 --> 00:05:01,840

how does the moon do you guys believe

100

00:05:06,310 --> 00:05:04,080

much in that do you read much into

101
00:05:08,070 --> 00:05:06,320
celestial alignments it's the less you

102
00:05:09,430 --> 00:05:08,080
wait i said that wrong

103
00:05:11,029 --> 00:05:09,440
no that's not that wasn't the right word

104
00:05:12,469 --> 00:05:11,039
but we're gonna roll with it like it was

105
00:05:14,230 --> 00:05:12,479
matter of fact i'll rock it again

106
00:05:17,189 --> 00:05:14,240
celestial

107
00:05:19,110 --> 00:05:17,199
again not the word but the astronaut

108
00:05:20,950 --> 00:05:19,120
astrological alignments

109
00:05:22,230 --> 00:05:20,960
placements of planets and

110
00:05:24,070 --> 00:05:22,240
things that nature certainly the full

111
00:05:26,550 --> 00:05:24,080
moon do you guys read much in that do

112
00:05:28,390 --> 00:05:26,560
you think it has an effect on our energy

113
00:05:31,110 --> 00:05:28,400

do you think that

114

00:05:33,909 --> 00:05:31,120

times and seasons of the year

115

00:05:35,830 --> 00:05:33,919

open up openings portals do you believe

116

00:05:37,350 --> 00:05:35,840

there's a thinning of the veil this time

117

00:05:39,430 --> 00:05:37,360

of the year

118

00:05:41,029 --> 00:05:39,440

if so i'd be curious to know

119

00:05:42,469 --> 00:05:41,039

have you had more experiences around

120

00:05:44,629 --> 00:05:42,479

this time

121

00:05:46,070 --> 00:05:44,639

the lore behind it's pretty amazing

122

00:05:47,670 --> 00:05:46,080

i've only been recently reading it into

123

00:05:49,830 --> 00:05:47,680

it a little more for as the like the

124

00:05:51,670 --> 00:05:49,840

celtic background and what halloween was

125

00:05:53,670 --> 00:05:51,680

for them and the different

126
00:05:55,029 --> 00:05:53,680
myths and legends behind it it's pretty

127
00:05:57,029 --> 00:05:55,039
interesting one of the things i came

128
00:05:58,309 --> 00:05:57,039
across that i had not ever really seen

129
00:06:00,469 --> 00:05:58,319
before

130
00:06:03,189 --> 00:06:00,479
was that fairies used to come down on

131
00:06:05,029 --> 00:06:03,199
the moon beams and they would dance

132
00:06:08,469 --> 00:06:05,039
on the moon beams and the and the

133
00:06:10,309 --> 00:06:08,479
children dancing up or dressing up and

134
00:06:11,909 --> 00:06:10,319
the trick-or-treating outfits were not

135
00:06:14,629 --> 00:06:11,919
to trick

136
00:06:16,629 --> 00:06:14,639
their their fellow neighbors or what

137
00:06:18,629 --> 00:06:16,639
whatever it may be to extort sweet

138
00:06:21,270 --> 00:06:18,639

treats from them no no no

139

00:06:23,670 --> 00:06:21,280

it was to hide from the

140

00:06:25,830 --> 00:06:23,680

fairies that might be out lurking

141

00:06:26,870 --> 00:06:25,840

so i don't know i just thought it

142

00:06:28,469 --> 00:06:26,880

it's in the cold what do you thought

143

00:06:29,749 --> 00:06:28,479

it's a cold winter

144

00:06:30,790 --> 00:06:29,759

what is the temperature there tonight

145

00:06:32,390 --> 00:06:30,800

joe

146

00:06:34,710 --> 00:06:32,400

what is what is your temperature that

147

00:06:36,150 --> 00:06:34,720

you're that you're that you're calling a

148

00:06:38,150 --> 00:06:36,160

winner see i'm gonna tell you right now

149

00:06:39,670 --> 00:06:38,160

i got my window open right next to my

150

00:06:41,270 --> 00:06:39,680

my pillow upstairs that's cooling my

151
00:06:42,550 --> 00:06:41,280
pillow down for me nothing will make you

152
00:06:43,510 --> 00:06:42,560
sleep better than a nice cool pillow

153
00:06:45,189 --> 00:06:43,520
right

154
00:06:46,950 --> 00:06:45,199
let me see real quick what's our

155
00:06:48,870 --> 00:06:46,960
temperature here we got that's not that

156
00:06:51,589 --> 00:06:48,880
bad it's it says it'll get a load of 42

157
00:06:53,350 --> 00:06:51,599
tonight but it's 52 degrees right now

158
00:06:55,350 --> 00:06:53,360
that's not bad at all that's great

159
00:06:57,589 --> 00:06:55,360
weather let's open the window get a fan

160
00:06:58,629 --> 00:06:57,599
in there kind of weather

161
00:07:00,830 --> 00:06:58,639
oh man i'm falling behind in the

162
00:07:02,550 --> 00:07:00,840
comments here i apologize guys hang on

163
00:07:04,790 --> 00:07:02,560

uh

164

00:07:05,990 --> 00:07:04,800

well there was that time the craft

165

00:07:08,150 --> 00:07:06,000

landed

166

00:07:09,510 --> 00:07:08,160

and the aliens got out adam

167

00:07:11,589 --> 00:07:09,520

to tell

168

00:07:15,110 --> 00:07:11,599

i don't know but every time it rains my

169

00:07:17,589 --> 00:07:15,120

cat hides in the bathroom

170

00:07:20,230 --> 00:07:17,599

right in the back of corgis what did i

171

00:07:24,309 --> 00:07:22,230

linda moulton how he

172

00:07:25,909 --> 00:07:24,319

read my letter about my nordic

173

00:07:27,909 --> 00:07:25,919

experience in her live stream last

174

00:07:29,830 --> 00:07:27,919

wednesday very interesting adam i don't

175

00:07:31,270 --> 00:07:29,840

know if you have um a camera you don't

176
00:07:32,230 --> 00:07:31,280
even need a camera but if you'd like you

177
00:07:36,309 --> 00:07:32,240
can

178
00:07:37,589 --> 00:07:36,319
could just come on via audio as long as

179
00:07:38,629 --> 00:07:37,599
you have a headset it really helps out

180
00:07:40,230 --> 00:07:38,639
but even if you didn't have that you

181
00:07:42,309 --> 00:07:40,240
could try if you're open to it you don't

182
00:07:43,510 --> 00:07:42,319
have to just us here tonight there's a

183
00:07:45,670 --> 00:07:43,520
couple people i think half of them are

184
00:07:47,990 --> 00:07:45,680
joan men myself

185
00:07:49,110 --> 00:07:48,000
so there's no pressure

186
00:07:51,110 --> 00:07:49,120
but

187
00:07:53,029 --> 00:07:51,120
i just feel like

188
00:07:55,430 --> 00:07:53,039

it's like 58 we'll see we're like the

189

00:07:57,350 --> 00:07:55,440

same thing joe isn't that weird you're

190

00:07:59,430 --> 00:07:57,360

in texas bro

191

00:08:01,430 --> 00:07:59,440

i'm all the way in michigan

192

00:08:02,950 --> 00:08:01,440

and granted like in a parallel like i

193

00:08:04,710 --> 00:08:02,960

get that that way

194

00:08:06,710 --> 00:08:04,720

we're not that far apart but this is

195

00:08:07,990 --> 00:08:06,720

some space this way

196

00:08:10,950 --> 00:08:08,000

and uh

197

00:08:12,790 --> 00:08:10,960

oh fairies rode the backs of corgis into

198

00:08:15,510 --> 00:08:12,800

battle

199

00:08:17,749 --> 00:08:15,520

i don't know if that's verifiable or not

200

00:08:20,309 --> 00:08:17,759

but i feel like

201
00:08:22,550 --> 00:08:20,319
that's just that's so ba

202
00:08:24,469 --> 00:08:22,560
that i'm gonna say we that it is

203
00:08:27,749 --> 00:08:24,479
that is the way it is now

204
00:08:29,350 --> 00:08:27,759
and that is why corgis are so beloved to

205
00:08:31,189 --> 00:08:29,360
this very day

206
00:08:32,870 --> 00:08:31,199
it's in our epigenetics it's built into

207
00:08:35,589 --> 00:08:32,880
our dna

208
00:08:39,110 --> 00:08:35,599
we know that they once

209
00:08:42,230 --> 00:08:39,120
raged the wars against the elf folks

210
00:08:43,909 --> 00:08:42,240
or some some ghouls or something

211
00:08:45,269 --> 00:08:43,919
true story says

212
00:08:47,269 --> 00:08:45,279
no might be

213
00:08:49,030 --> 00:08:47,279

i can't speak to it i don't know

214

00:08:51,350 --> 00:08:49,040

i won't do camera but i can do audio i

215

00:08:52,949 --> 00:08:51,360

have my headset yeah i'm perfect adam so

216

00:08:54,389 --> 00:08:52,959

um what i'll do

217

00:08:55,990 --> 00:08:54,399

so i think i shared it once i think it's

218

00:08:58,150 --> 00:08:56,000

just above you if you just click on that

219

00:08:59,750 --> 00:08:58,160

it'll bring you backstage

220

00:09:01,670 --> 00:08:59,760

and then i can kind of test it'll ask

221

00:09:03,509 --> 00:09:01,680

you a couple questions

222

00:09:04,550 --> 00:09:03,519

like what camera you want to use or you

223

00:09:05,829 --> 00:09:04,560

know i'm not going to use camera so you

224

00:09:06,949 --> 00:09:05,839

can cut that out and what audio you want

225

00:09:08,389 --> 00:09:06,959

to use so if you have a mic or if you

226

00:09:09,910 --> 00:09:08,399

just calling on a phone we'll try that

227

00:09:11,590 --> 00:09:09,920

out

228

00:09:13,190 --> 00:09:11,600

uh gordon big willy big willy i'm right

229

00:09:14,550 --> 00:09:13,200

across the border from michigan are you

230

00:09:17,190 --> 00:09:14,560

in ohio

231

00:09:19,269 --> 00:09:17,200

or are you in canada

232

00:09:21,910 --> 00:09:19,279

where they got canadian bacon and don't

233

00:09:24,630 --> 00:09:21,920

get dave scott started on canadian bacon

234

00:09:26,630 --> 00:09:24,640

don't even don't even start

235

00:09:27,750 --> 00:09:26,640

um yeah so adam oh you might have might

236

00:09:29,350 --> 00:09:27,760

have asked that while i was typing it up

237

00:09:31,269 --> 00:09:29,360

or saying it so you just follow this

238

00:09:32,470 --> 00:09:31,279

link i'm going to send it right here

239

00:09:34,550 --> 00:09:32,480

when you click on that it'll probably

240

00:09:36,550 --> 00:09:34,560

take you out of the page

241

00:09:39,269 --> 00:09:36,560

once it takes you out it will bring you

242

00:09:41,509 --> 00:09:39,279

into a separate room and it will ask you

243

00:09:43,269 --> 00:09:41,519

a couple questions you just follow the

244

00:09:45,910 --> 00:09:43,279

the instructions and then it'll bring

245

00:09:48,550 --> 00:09:45,920

you backstage and then once there i take

246

00:09:51,430 --> 00:09:48,560

over for you so

247

00:09:52,870 --> 00:09:51,440

but uh so so gordon 85 where are you

248

00:09:54,790 --> 00:09:52,880

located then

249

00:09:56,230 --> 00:09:54,800

are we you said you're just around like

250

00:09:58,470 --> 00:09:56,240

just across the border so there's

251

00:10:01,430 --> 00:09:58,480

there's a couple couple borders

252

00:10:02,829 --> 00:10:01,440

we're talking talking like illinois

253

00:10:06,790 --> 00:10:02,839

are we talking

254

00:10:08,150 --> 00:10:06,800

wisconsin huh with the lake dividing us

255

00:10:09,110 --> 00:10:08,160

what kind of borders are we speaking

256

00:10:10,470 --> 00:10:09,120

about

257

00:10:12,230 --> 00:10:10,480

perhaps you're

258

00:10:13,829 --> 00:10:12,240

where is it the weekend in detroit where

259

00:10:16,069 --> 00:10:13,839

is it it's um

260

00:10:18,870 --> 00:10:16,079

it's a part of canada i should know this

261

00:10:21,990 --> 00:10:18,880

and if you go oh you're i'm in so oh

262

00:10:23,509 --> 00:10:22,000

nice the twin cities hey yeah okay

263

00:10:25,190 --> 00:10:23,519

very nice i didn't know you were that

264

00:10:26,630 --> 00:10:25,200

close you're pretty close so so you're

265

00:10:28,550 --> 00:10:26,640

pretty you're probably pretty familiar

266

00:10:31,110 --> 00:10:28,560

with some of the michigan lake like the

267

00:10:32,630 --> 00:10:31,120

lake michigan lores a lot to do so many

268

00:10:35,590 --> 00:10:32,640

ships there have been more ships and

269

00:10:36,710 --> 00:10:35,600

people lost in lake michigan or the

270

00:10:38,310 --> 00:10:36,720

lakes the great lakes surrounding

271

00:10:40,870 --> 00:10:38,320

michigan

272

00:10:42,069 --> 00:10:40,880

that i'm aware of than anywhere else in

273

00:10:43,430 --> 00:10:42,079

the world

274

00:10:44,389 --> 00:10:43,440

and i don't think that's a false

275

00:10:46,389 --> 00:10:44,399

statement

276

00:10:48,230 --> 00:10:46,399

i'm pretty dead positive that that's

277

00:10:50,790 --> 00:10:48,240

accurate which is mind-boggling because

278

00:10:52,230 --> 00:10:50,800

you would think all the vast oceans

279

00:10:53,590 --> 00:10:52,240

all the different places you could

280

00:10:55,670 --> 00:10:53,600

venture

281

00:10:58,710 --> 00:10:55,680

why the great lakes

282

00:11:02,150 --> 00:10:58,720

granted i mean it's a busy port but

283

00:11:03,829 --> 00:11:02,160

i mean to be the most ever google it

284

00:11:05,430 --> 00:11:03,839

oh oh this is what joe's saying so

285

00:11:08,710 --> 00:11:05,440

google it let me pop it up here for

286

00:11:11,829 --> 00:11:09,509

oh

287

00:11:13,509 --> 00:11:11,839

god why can't i read they

288

00:11:15,509 --> 00:11:13,519

oh they wrote against okay the trolls

289

00:11:18,389 --> 00:11:15,519

and the gnomes and all their other

290

00:11:20,710 --> 00:11:18,399

enemies that's why they're backs or

291

00:11:24,230 --> 00:11:20,720

that's why their backs look like a

292

00:11:26,949 --> 00:11:24,240

perfect shape for tiny saddles

293

00:11:29,110 --> 00:11:26,959

joe in here drop us some knowledge

294

00:11:31,829 --> 00:11:29,120

i knew they were fighting stuff so the

295

00:11:33,910 --> 00:11:31,839

trolls and the gnomes

296

00:11:36,550 --> 00:11:33,920

is this why the the queen of england

297

00:11:38,870 --> 00:11:36,560

they're they're they're still the uh

298

00:11:41,110 --> 00:11:38,880

they're still the dog of choice right

299

00:11:43,829 --> 00:11:41,120

like the royal the royal i don't know

300

00:11:45,430 --> 00:11:43,839

what you called it like the defense

301
00:11:47,030 --> 00:11:45,440
over there isn't it i believe it's a

302
00:11:49,750 --> 00:11:47,040
corgi isn't it

303
00:11:52,710 --> 00:11:49,760
lots of lake superior lore

304
00:11:54,870 --> 00:11:52,720
the opa ooga poga okay so

305
00:11:57,350 --> 00:11:54,880
that is one i'm familiar with and i love

306
00:11:58,470 --> 00:11:57,360
cryptid stuff right let's us what's up

307
00:12:00,150 --> 00:11:58,480
um

308
00:12:01,750 --> 00:12:00,160
we're just in here chilling i guess i'm

309
00:12:03,590 --> 00:12:01,760
like doing a little pregame for lynn

310
00:12:04,790 --> 00:12:03,600
here i just i was saying man that the

311
00:12:06,790 --> 00:12:04,800
full moon

312
00:12:08,550 --> 00:12:06,800
has got me feeling something

313
00:12:09,670 --> 00:12:08,560

and we're gonna see what happens here

314

00:12:13,110 --> 00:12:09,680

tonight

315

00:12:14,790 --> 00:12:13,120

but um yeah so okapoga i have never done

316

00:12:16,550 --> 00:12:14,800

a deep dive on this one i believe this

317

00:12:18,629 --> 00:12:16,560

is the one that

318

00:12:21,030 --> 00:12:18,639

most believe is a

319

00:12:24,629 --> 00:12:21,040

like all of them a falsehood or whatever

320

00:12:26,629 --> 00:12:24,639

that it's just these giant uh

321

00:12:28,230 --> 00:12:26,639

eel-like creatures that we're seeing

322

00:12:29,750 --> 00:12:28,240

that are causing that ripple effect i

323

00:12:30,870 --> 00:12:29,760

seen another guy who broke it down and

324

00:12:32,790 --> 00:12:30,880

said well it's

325

00:12:34,230 --> 00:12:32,800

what it is is it's the currents that

326

00:12:36,310 --> 00:12:34,240

believe in here and then these currents

327

00:12:38,230 --> 00:12:36,320

mix here and then in the water

328

00:12:39,990 --> 00:12:38,240

um and who knows maybe it is i'm not

329

00:12:41,990 --> 00:12:40,000

trying to make fun of them

330

00:12:44,550 --> 00:12:42,000

a lot smarter than i am

331

00:12:45,990 --> 00:12:44,560

i'd call up yeah feel free the links uh

332

00:12:47,509 --> 00:12:46,000

in the chat there

333

00:12:49,590 --> 00:12:47,519

uh i'm not sure we're gonna see what

334

00:12:51,750 --> 00:12:49,600

happens adam might be hopping on here to

335

00:12:53,750 --> 00:12:51,760

share a story i said uh linda mountain

336

00:12:57,110 --> 00:12:53,760

hot are we what good are you wrong jesus

337

00:12:59,670 --> 00:12:57,120

murdered it shared his story

338

00:13:03,350 --> 00:12:59,680

uh last wednesday i believe

339

00:13:05,190 --> 00:13:03,360

let me see linda moulton howe right here

340

00:13:06,629 --> 00:13:05,200

uh read my letter about the nordic

341

00:13:07,590 --> 00:13:06,639

experience in her live stream last

342

00:13:09,190 --> 00:13:07,600

wednesday

343

00:13:11,590 --> 00:13:09,200

i'm not gonna lie

344

00:13:14,150 --> 00:13:11,600

i really hope adam can get through

345

00:13:16,470 --> 00:13:14,160

because nordics or toit

346

00:13:17,670 --> 00:13:16,480

toit and noise

347

00:13:19,350 --> 00:13:17,680

yeah

348

00:13:22,550 --> 00:13:19,360

well let's see speaking of that by the

349

00:13:24,790 --> 00:13:22,560

way gizmo which is amanda and joe's

350

00:13:27,670 --> 00:13:24,800

corgis you have three of them right

351
00:13:29,829 --> 00:13:27,680
or wait am i getting this wrong

352
00:13:30,710 --> 00:13:29,839
who has the cork yeah you do

353
00:13:34,150 --> 00:13:30,720
because

354
00:13:37,350 --> 00:13:34,160
ben has gizmo right poor bug poor pudgy

355
00:13:39,030 --> 00:13:37,360
puggy face there gizmo has her wings

356
00:13:40,629 --> 00:13:39,040
has a lighter shade of fur on each

357
00:13:42,710 --> 00:13:40,639
shoulder blade

358
00:13:46,310 --> 00:13:42,720
maybe the fairies are still riding the

359
00:13:48,790 --> 00:13:46,320
corgis we just can't see them

360
00:13:50,389 --> 00:13:48,800
why welcome to the chad

361
00:13:52,230 --> 00:13:50,399
all right so let me try this out adam i

362
00:13:53,829 --> 00:13:52,240
got adam backstage so first of all let's

363
00:13:55,189 --> 00:13:53,839

thank adam very much for hopping down

364

00:13:57,030 --> 00:13:55,199

here if it works hopefully it all works

365

00:13:58,629 --> 00:13:57,040

out oh because you know this is awesome

366

00:14:00,389 --> 00:13:58,639

i'm so excited there's nine people out

367

00:14:01,750 --> 00:14:00,399

here checking us out right now with no

368

00:14:03,910 --> 00:14:01,760

warning we're like dude let's just do

369

00:14:03,920 --> 00:14:10,230

are you able to hear me okay

370

00:14:10,240 --> 00:14:14,230

are you there adam

371

00:14:17,509 --> 00:14:15,430

so what i'm gonna do adam is i'm gonna

372

00:14:18,949 --> 00:14:17,519

take you backstage for just a second i'm

373

00:14:20,470 --> 00:14:18,959

gonna give you a second there yes i

374

00:14:22,230 --> 00:14:20,480

could definitely hear something but i

375

00:14:23,670 --> 00:14:22,240

don't know if it was uh

376

00:14:26,069 --> 00:14:23,680

we're gonna give him a second guys we're

377

00:14:27,350 --> 00:14:26,079

gonna see what happens here

378

00:14:29,430 --> 00:14:27,360

uh

379

00:14:31,590 --> 00:14:29,440

at sea west i apologize you you totally

380

00:14:34,069 --> 00:14:31,600

believe what did i miss something the

381

00:14:36,389 --> 00:14:34,079

okapoga is an ancient rock drawing oh

382

00:14:37,670 --> 00:14:36,399

really

383

00:14:40,150 --> 00:14:37,680

very nice

384

00:14:41,189 --> 00:14:40,160

um adam if you're still there backstage

385

00:14:44,069 --> 00:14:41,199

let me just i'm gonna try and bring you

386

00:14:45,670 --> 00:14:44,079

back in one more time um and just see if

387

00:14:47,750 --> 00:14:45,680

i'm able to get you now okay or we're

388

00:14:48,790 --> 00:14:47,760

still could be they could be

389

00:14:49,990 --> 00:14:48,800

they're probably being abducted right

390

00:14:52,069 --> 00:14:50,000

now the nordics are probably taking them

391

00:14:58,389 --> 00:14:52,079

right now they probably heard

392

00:14:58,399 --> 00:15:01,189

so

393

00:15:06,230 --> 00:15:03,189

i i can definitely hear

394

00:15:07,590 --> 00:15:06,240

your phone's audios picking up

395

00:15:11,430 --> 00:15:07,600

i don't know if you can hear me can you

396

00:15:14,470 --> 00:15:12,550

all right adam what i'm gonna do is if

397

00:15:16,230 --> 00:15:14,480

you can hear me i'm gonna take you out

398

00:15:17,910 --> 00:15:16,240

use the same link and try and come back

399

00:15:19,990 --> 00:15:17,920

in again okay we'll try that so i'm

400

00:15:21,590 --> 00:15:20,000

gonna actually remove you from the uh

401
00:15:25,350 --> 00:15:21,600
the backstage and just go out and use

402
00:15:29,749 --> 00:15:27,350
lynn what are you doing in here

403
00:15:31,670 --> 00:15:29,759
i'm just uh i was just telling him man

404
00:15:32,790 --> 00:15:31,680
the energy tonight

405
00:15:35,910 --> 00:15:32,800
i just

406
00:15:37,269 --> 00:15:35,920
kick the guests that that's terrible

407
00:15:39,269 --> 00:15:37,279
that's not terrible why can't they make

408
00:15:41,590 --> 00:15:39,279
it better why can't it be like

409
00:15:43,350 --> 00:15:41,600
you you gracefully help the guests leave

410
00:15:45,590 --> 00:15:43,360
why is it gonna be i kicked i opened the

411
00:15:47,509 --> 00:15:45,600
door kicked him out and said don't let

412
00:15:49,030 --> 00:15:47,519
it hitch in the way out

413
00:15:50,710 --> 00:15:49,040

no lin

414

00:15:53,430 --> 00:15:50,720

you're a rock star

415

00:15:55,829 --> 00:15:53,440

i am about a paddle on a grasshopper

416

00:15:57,430 --> 00:15:55,839

to joe and ben and many others

417

00:15:59,110 --> 00:15:57,440

i'm trying to learn so much there's so

418

00:16:00,870 --> 00:15:59,120

much of you guys have but the corgi

419

00:16:01,829 --> 00:16:00,880

stuff i'm loving this this is a real

420

00:16:03,749 --> 00:16:01,839

thing

421

00:16:05,030 --> 00:16:03,759

that foo was popping off fireworks in

422

00:16:06,629 --> 00:16:05,040

his phone yeah i kind of sounded like it

423

00:16:09,269 --> 00:16:06,639

right it really did

424

00:16:10,870 --> 00:16:09,279

yeah so the corgis with the fairies now

425

00:16:12,470 --> 00:16:10,880

lynn you have a lot of knowledge

426
00:16:13,829 --> 00:16:12,480
actually on the fairies

427
00:16:15,749 --> 00:16:13,839
and you have a lot of opinions about the

428
00:16:16,949 --> 00:16:15,759
fairies

429
00:16:18,949 --> 00:16:16,959
now

430
00:16:19,829 --> 00:16:18,959
i probably should rephrase that a little

431
00:16:22,150 --> 00:16:19,839
bit

432
00:16:23,990 --> 00:16:22,160
you have a lot of opinions about the fae

433
00:16:25,749 --> 00:16:24,000
more than the than the fairies or is it

434
00:16:27,110 --> 00:16:25,759
fairies in general that you feel are not

435
00:16:28,949 --> 00:16:27,120
as trusting you know they're always made

436
00:16:30,550 --> 00:16:28,959
out to be these cute things and the

437
00:16:32,069 --> 00:16:30,560
cartoons and the lore and the history

438
00:16:34,069 --> 00:16:32,079

that we hear

439

00:16:35,990 --> 00:16:34,079

the hollywood corporate version that we

440

00:16:37,509 --> 00:16:36,000

hear i should say disney kind of deal

441

00:16:38,389 --> 00:16:37,519

but the actual

442

00:16:40,710 --> 00:16:38,399

lore

443

00:16:42,949 --> 00:16:40,720

of what a fairy is you have a different

444

00:16:44,230 --> 00:16:42,959

opinion about correct

445

00:16:45,910 --> 00:16:44,240

but i'm really intrigued about this

446

00:16:47,670 --> 00:16:45,920

corgi stuff

447

00:16:49,590 --> 00:16:47,680

man corgi's got them short legs and

448

00:16:51,430 --> 00:16:49,600

that's why the corgis were so fearless

449

00:16:53,749 --> 00:16:51,440

too maybe that's why they're

450

00:16:55,990 --> 00:16:53,759

maybe that's why the big dogs

451

00:16:57,829 --> 00:16:56,000

always back down from them

452

00:16:59,670 --> 00:16:57,839

because we can't see that fairy but that

453

00:17:01,269 --> 00:16:59,680

fairy's sitting right there

454

00:17:04,630 --> 00:17:01,279

and it's like hey

455

00:17:06,789 --> 00:17:04,640

you make a move i'm a boy here i will

456

00:17:08,230 --> 00:17:06,799

end you and that big dog just knows i

457

00:17:09,909 --> 00:17:08,240

gotta back down

458

00:17:11,990 --> 00:17:09,919

uh let's see adam said i could hear you

459

00:17:13,590 --> 00:17:12,000

but you couldn't hear me maybe i put the

460

00:17:15,750 --> 00:17:13,600

wrong mic setting um yeah let's try it

461

00:17:17,590 --> 00:17:15,760

again someone said

462

00:17:19,189 --> 00:17:17,600

someone's backstage

463

00:17:20,549 --> 00:17:19,199

um it says they will need to connect

464

00:17:22,630 --> 00:17:20,559

their mic and cam before you can add

465

00:17:25,909 --> 00:17:22,640

them so whoever's backstage

466

00:17:27,429 --> 00:17:25,919

go ahead and try and connect your um

467

00:17:29,350 --> 00:17:27,439

connection

468

00:17:30,950 --> 00:17:29,360

at least your audio

469

00:17:34,070 --> 00:17:30,960

it says they're willy so i'm really

470

00:17:38,390 --> 00:17:34,080

curious to see who it is uh

471

00:17:40,710 --> 00:17:38,400

yeah and adam try the same link again

472

00:17:42,549 --> 00:17:40,720

and let's see i do see some on camera

473

00:17:45,430 --> 00:17:42,559

perfect so i'm gonna bring in

474

00:17:47,750 --> 00:17:45,440

uh i don't actually know what this is so

475

00:17:49,350 --> 00:17:47,760

i'm always i'm right there with a finger

476
00:17:50,789 --> 00:17:49,360
just in case right you never know we're

477
00:17:52,310 --> 00:17:50,799
gonna get i'm just kidding uh the

478
00:17:54,870 --> 00:17:52,320
fairies are way too high maintenance

479
00:17:56,150 --> 00:17:54,880
agreed lin they're a bit needy they're

480
00:18:01,350 --> 00:17:56,160
kind of

481
00:18:02,549 --> 00:18:01,360
uh let's see but here we go uh willie

482
00:18:05,190 --> 00:18:02,559
i'm gonna bring in someone named willie

483
00:18:07,430 --> 00:18:05,200
here willie how's it going tonight

484
00:18:08,549 --> 00:18:07,440
thank you for hopping on the uh hopping

485
00:18:09,669 --> 00:18:08,559
on the garage here and helping the van

486
00:18:21,030 --> 00:18:09,679
with old blue with me tonight how are we

487
00:18:25,510 --> 00:18:24,230
[Laughter]

488
00:18:26,950 --> 00:18:25,520

i can't tell if this is the greatest

489

00:18:31,270 --> 00:18:26,960

troll of all time or if you're actually

490

00:18:34,630 --> 00:18:33,350

so uh i'll ask you one more time and

491

00:18:38,070 --> 00:18:34,640

then

492

00:18:44,630 --> 00:18:40,070

this has been a great hitchhiker well we

493

00:18:46,549 --> 00:18:44,640

appreciate we i apologize man i was just

494

00:18:48,630 --> 00:18:46,559

uh trying to watch some goddamn football

495

00:18:51,029 --> 00:18:48,640

getting a little bit high senior on

496

00:18:51,830 --> 00:18:51,039

there wanted to throw some farts out

497

00:18:53,830 --> 00:18:51,840

there

498

00:18:56,390 --> 00:18:53,840

but i love the show and i appreciate it

499

00:18:57,510 --> 00:18:56,400

i got a problem with you man oh man

500

00:18:59,029 --> 00:18:57,520

what's that

501

00:19:01,190 --> 00:18:59,039

uh

502

00:19:04,630 --> 00:19:01,200

i'm the goddamn big willy

503

00:19:09,930 --> 00:19:07,430

listen the cosmos is vast there can be

504

00:19:16,470 --> 00:19:09,940

many big willys

505

00:19:21,110 --> 00:19:18,549

oh i like that game

506

00:19:22,630 --> 00:19:21,120

hey man i seriously i'm enthralled by

507

00:19:24,870 --> 00:19:22,640

this football game so i just want to

508

00:19:29,190 --> 00:19:24,880

leave you one last comment

509

00:19:33,750 --> 00:19:31,110

there it is

510

00:19:36,549 --> 00:19:33,760

and done that ladies and gentlemen we

511

00:19:37,669 --> 00:19:36,559

thank willie for coming in and giving

512

00:19:40,230 --> 00:19:37,679

his expert

513

00:19:43,110 --> 00:19:40,240

expert opinions but we appreciate it

514

00:19:47,909 --> 00:19:43,120

guys we really appreciate the love

515

00:19:51,990 --> 00:19:49,750

the best part is i totally seen their

516

00:19:53,430 --> 00:19:52,000

picture backstage and i was like this

517

00:19:57,270 --> 00:19:53,440

kind of sauce

518

00:19:58,950 --> 00:19:57,280

but i i went for it i said listen

519

00:20:01,110 --> 00:19:58,960

honestly i feel like

520

00:20:03,190 --> 00:20:01,120

showing ben

521

00:20:04,470 --> 00:20:03,200

i mean come on

522

00:20:07,029 --> 00:20:04,480

come on

523

00:20:09,430 --> 00:20:07,039

thank you for the farts willie t waz is

524

00:20:11,350 --> 00:20:09,440

very proud of these parts i mean we do

525

00:20:12,310 --> 00:20:11,360

have a whole department dedicated to

526

00:20:14,390 --> 00:20:12,320

this

527

00:20:16,230 --> 00:20:14,400

i don't know if you guys know my own

528

00:20:17,990 --> 00:20:16,240

tt fa

529

00:20:19,590 --> 00:20:18,000

to the forex academy oh it moved on me

530

00:20:21,830 --> 00:20:19,600

it moved on me

531

00:20:23,110 --> 00:20:21,840

escorted 85 is talking about here we do

532

00:20:24,789 --> 00:20:23,120

have that

533

00:20:26,710 --> 00:20:24,799

um

534

00:20:28,310 --> 00:20:26,720

yes we do so let's see we're gonna try

535

00:20:30,230 --> 00:20:28,320

one more time we have adam backstage

536

00:20:32,710 --> 00:20:30,240

once again we're gonna try to bring him

537

00:20:33,750 --> 00:20:32,720

in it was hilarious joe

538

00:20:36,230 --> 00:20:33,760

uh

539

00:20:38,950 --> 00:20:36,240

oh it was that's hilarious as soon as i

540

00:20:40,549 --> 00:20:38,960

opened the video so it was really okay i

541

00:20:42,470 --> 00:20:40,559

wasn't sure i was like perhaps i was

542

00:20:43,750 --> 00:20:42,480

like wait a second but let's try this

543

00:20:45,990 --> 00:20:43,760

one more time with adam hopefully we can

544

00:20:48,390 --> 00:20:46,000

get them because i'd love to hear

545

00:20:49,990 --> 00:20:48,400

this the story about the nordics jacob

546

00:20:51,909 --> 00:20:50,000

what's happening long time no long time

547

00:20:56,310 --> 00:20:51,919

no see what's happening brother

548

00:20:58,950 --> 00:20:57,430

hopefully you're still thrashing that

549

00:21:01,110 --> 00:20:58,960

guitar brother all right adam i'm gonna

550

00:21:06,149 --> 00:21:01,120

try to bring in here we go

551
00:21:11,990 --> 00:21:08,870
are you there adam

552
00:21:17,750 --> 00:21:14,310
i think it's just your mic

553
00:21:19,270 --> 00:21:17,760
that's unfortunate i tell you what

554
00:21:20,470 --> 00:21:19,280
if you have earpieces and i'm going to

555
00:21:22,230 --> 00:21:20,480
mute you for just a second i have an

556
00:21:23,590 --> 00:21:22,240
idea if you are using earbuds take your

557
00:21:25,430 --> 00:21:23,600
earbuds out

558
00:21:27,750 --> 00:21:25,440
and try just using your phone if you are

559
00:21:32,310 --> 00:21:27,760
on your phone let's try that and we'll

560
00:21:35,750 --> 00:21:33,830
yep so i can see your message backstage

561
00:21:36,870 --> 00:21:35,760
so yeah so try that so i'm gonna have

562
00:21:37,909 --> 00:21:36,880
you if you do have earbuds we're gonna

563
00:21:40,549 --> 00:21:37,919

try that i'm gonna try it on youtube and

564

00:21:45,270 --> 00:21:40,559

see if that made a difference okay

565

00:21:48,789 --> 00:21:47,190

oh

566

00:21:52,470 --> 00:21:48,799

man this sucks i really want to hear the

567

00:21:54,710 --> 00:21:52,480

nordic story i love anything nordic

568

00:21:56,230 --> 00:21:54,720

and a green zero cool about to pound

569

00:21:57,669 --> 00:21:56,240

some tacos so i'm gonna try and take you

570

00:22:00,470 --> 00:21:57,679

out adam i would love to have you on

571

00:22:01,750 --> 00:22:00,480

here let's i got my email in here

572

00:22:03,430 --> 00:22:01,760

i'll send it over to you before you get

573

00:22:04,710 --> 00:22:03,440

out of here um

574

00:22:05,669 --> 00:22:04,720

i'll send a private message i'm just

575

00:22:06,710 --> 00:22:05,679

gonna remove you and keep you backstage

576

00:22:07,990 --> 00:22:06,720

for a second i'll set it in private

577

00:22:12,470 --> 00:22:08,000

message because i'd love to try and get

578

00:22:13,669 --> 00:22:12,480

you set up sometime to come on okay

579

00:22:15,909 --> 00:22:13,679

all right i'm gonna move them backstage

580

00:22:17,990 --> 00:22:15,919

for just a hot second

581

00:22:20,710 --> 00:22:18,000

while i get this set up we have another

582

00:22:22,710 --> 00:22:20,720

guest backstage so just bear with me for

583

00:22:24,950 --> 00:22:22,720

just one second and i will get you

584

00:22:27,350 --> 00:22:24,960

squared away by the way what is everyone

585

00:22:29,270 --> 00:22:27,360

knocking back tonight it's sunday night

586

00:22:32,310 --> 00:22:29,280

we all should probably be in bed the

587

00:22:34,070 --> 00:22:32,320

dreaded monday is upon us

588

00:22:36,070 --> 00:22:34,080

somehow time in the weekend just moves

589

00:22:37,270 --> 00:22:36,080

along a little bit faster than it does

590

00:22:38,830 --> 00:22:37,280

the rest of the week and there's just

591

00:22:41,590 --> 00:22:38,840

never enough

592

00:22:43,430 --> 00:22:41,600

time how does that happen

593

00:22:44,149 --> 00:22:43,440

does that prove that time really is just

594

00:22:51,669 --> 00:22:44,159

a

595

00:22:54,470 --> 00:22:51,679

depending on how we view it is it like

596

00:22:56,310 --> 00:22:54,480

the particle the slit of experiment

597

00:22:58,230 --> 00:22:56,320

where it alters and changes upon

598

00:22:59,750 --> 00:22:58,240

observation

599

00:23:02,230 --> 00:22:59,760

these are things i wonder about oh i

600

00:23:04,710 --> 00:23:02,240

think i lost 509. oh adam oh man i might

601
00:23:07,029 --> 00:23:04,720
have lost adam too

602
00:23:07,990 --> 00:23:07,039
if not it's back there there we go but

603
00:23:09,830 --> 00:23:08,000
ladies and gentlemen let me catch up

604
00:23:11,510 --> 00:23:09,840
here real quick pounding tacos all right

605
00:23:13,510 --> 00:23:11,520
let's see what else we got

606
00:23:14,870 --> 00:23:13,520
what else did i miss let me get back

607
00:23:19,590 --> 00:23:14,880
here

608
00:23:21,110 --> 00:23:19,600
odin and thor

609
00:23:23,190 --> 00:23:21,120
and

610
00:23:25,270 --> 00:23:23,200
rocco some taco

611
00:23:26,950 --> 00:23:25,280
no are you just saying here

612
00:23:29,190 --> 00:23:26,960
oh hackers have been missing and messing

613
00:23:31,669 --> 00:23:29,200

with the audio lately you know it's

614

00:23:33,350 --> 00:23:31,679

funny you mentioned that because

615

00:23:35,590 --> 00:23:33,360

i was

616

00:23:37,110 --> 00:23:35,600

down for 40 something minutes the other

617

00:23:39,590 --> 00:23:37,120

day going live

618

00:23:41,510 --> 00:23:39,600

um oh you can but feel free to hop on if

619

00:23:43,029 --> 00:23:41,520

you want by the way jacob i was down for

620

00:23:44,870 --> 00:23:43,039

about 40 minutes trying to get going the

621

00:23:45,830 --> 00:23:44,880

day and then even dave tonight we were

622

00:23:47,029 --> 00:23:45,840

talking him for a little bit but he was

623

00:23:48,390 --> 00:23:47,039

having issues i don't think else has

624

00:23:50,789 --> 00:23:48,400

been having this

625

00:23:53,430 --> 00:23:50,799

isn't it okay again here we go back to

626

00:23:55,990 --> 00:23:53,440

the planetary alignment stuff

627

00:23:58,710 --> 00:23:56,000

how much do we read into this whole

628

00:24:01,029 --> 00:23:58,720

uh mercury in retrograde or whatever in

629

00:24:02,950 --> 00:24:01,039

the whole it breaks up communication and

630

00:24:04,630 --> 00:24:02,960

it has issues

631

00:24:05,909 --> 00:24:04,640

are we reading too much in that stuff or

632

00:24:07,430 --> 00:24:05,919

is that real what do you guys think of

633

00:24:09,029 --> 00:24:07,440

the chat while i bring in our guests

634

00:24:11,029 --> 00:24:09,039

here in the back

635

00:24:13,510 --> 00:24:11,039

can the planets affect our computers and

636

00:24:16,710 --> 00:24:13,520

our electronics are we indeed in

637

00:24:18,870 --> 00:24:16,720

retrograde 509 welcome to the chat

638

00:24:21,750 --> 00:24:18,880

brother what is shaking

639

00:24:24,070 --> 00:24:21,760

hey hey good afternoon everybody

640

00:24:26,549 --> 00:24:24,080

hey how's it going noon

641

00:24:30,470 --> 00:24:26,559

where are you at well i'm a good evening

642

00:24:34,310 --> 00:24:32,549

heck yeah we were just talking about

643

00:24:35,909 --> 00:24:34,320

that time's irrelevant right

644

00:24:39,029 --> 00:24:35,919

it doesn't seem to matter

645

00:24:41,110 --> 00:24:39,039

yeah time is an illusion you know

646

00:24:42,070 --> 00:24:41,120

time is definitely an illusion it it's

647

00:24:43,990 --> 00:24:42,080

uh

648

00:24:46,789 --> 00:24:44,000

it's been known that you know on

649

00:24:48,230 --> 00:24:46,799

different parts of the world that time

650

00:24:50,549 --> 00:24:48,240

moves differently

651
00:24:52,789 --> 00:24:50,559
and i mean even if we look at it on

652
00:24:53,590 --> 00:24:52,799
different planets time moves differently

653
00:24:56,470 --> 00:24:53,600
so

654
00:24:59,029 --> 00:24:56,480
what is time what is it really it's just

655
00:25:01,110 --> 00:24:59,039
a collection of energy

656
00:25:02,789 --> 00:25:01,120
yeah and they don't they say that right

657
00:25:03,909 --> 00:25:02,799
they say well at least what we're taught

658
00:25:05,430 --> 00:25:03,919
about the little bit we know about

659
00:25:07,590 --> 00:25:05,440
gravity because even they're like well

660
00:25:08,789 --> 00:25:07,600
it's a construct and we don't completely

661
00:25:10,789 --> 00:25:08,799
understand it but anyways that's a

662
00:25:13,909 --> 00:25:10,799
different topic but what they do tell us

663
00:25:16,549 --> 00:25:13,919

is that gravity or mass affects time it

664

00:25:18,390 --> 00:25:16,559

bends time or warps it

665

00:25:19,990 --> 00:25:18,400

right right and then if we if we look at

666

00:25:22,789 --> 00:25:20,000

back at some of these ancient stories

667

00:25:24,549 --> 00:25:22,799

about how the earth had multiple cycles

668

00:25:27,029 --> 00:25:24,559

and that were on the fourth cycle they

669

00:25:28,710 --> 00:25:27,039

said maybe in the second and third cycle

670

00:25:31,029 --> 00:25:28,720

the earth

671

00:25:33,029 --> 00:25:31,039

had about like 300 days in the third

672

00:25:36,149 --> 00:25:33,039

cycle and in the second cycle

673

00:25:38,710 --> 00:25:36,159

um per year they had about like 250 days

674

00:25:42,070 --> 00:25:38,720

so i guess every time that we go through

675

00:25:44,789 --> 00:25:42,080

these so-called cycles you know whatever

676

00:25:46,390 --> 00:25:44,799

this astrology means astronomy means

677

00:25:47,909 --> 00:25:46,400

whatever you know whenever we go through

678

00:25:49,029 --> 00:25:47,919

these cycles i guess

679

00:25:51,750 --> 00:25:49,039

time

680

00:25:53,510 --> 00:25:51,760

gets different for us we start having uh

681

00:25:56,390 --> 00:25:53,520

it just doesn't make sense those days

682

00:25:57,909 --> 00:25:56,400

things

683

00:25:59,430 --> 00:25:57,919

kind of kind of interesting eric can you

684

00:26:01,190 --> 00:25:59,440

guys hear me pretty good

685

00:26:02,710 --> 00:26:01,200

yeah you sound great by the way i was to

686

00:26:03,990 --> 00:26:02,720

say i could definitely hear you is this

687

00:26:05,590 --> 00:26:04,000

on the new laptop are you just on your

688

00:26:07,590 --> 00:26:05,600

phone right now but it sounds great yeah

689

00:26:08,789 --> 00:26:07,600

i have a laptop i i need to get that mic

690

00:26:10,149 --> 00:26:08,799

set up but

691

00:26:11,590 --> 00:26:10,159

i didn't have the mic i have a chance to

692

00:26:13,510 --> 00:26:11,600

get the mic set up on the laptop yeah i

693

00:26:14,630 --> 00:26:13,520

have a i have a stationary mic

694

00:26:16,310 --> 00:26:14,640

very nice

695

00:26:17,190 --> 00:26:16,320

yeah i think it sounds great

696

00:26:18,789 --> 00:26:17,200

um

697

00:26:20,230 --> 00:26:18,799

you know it's so funny too what do you

698

00:26:21,510 --> 00:26:20,240

read into this lately i've been really

699

00:26:24,390 --> 00:26:21,520

thinking about this

700

00:26:26,070 --> 00:26:24,400

right the whole idea of in your opinion

701
00:26:27,669 --> 00:26:26,080
you know the universe may be expressing

702
00:26:29,110 --> 00:26:27,679
itself or manifesting itself whatever

703
00:26:30,710 --> 00:26:29,120
terms you want to use

704
00:26:33,510 --> 00:26:30,720
do you think it puts you in any

705
00:26:34,390 --> 00:26:33,520
situation or possibility

706
00:26:36,470 --> 00:26:34,400
uh

707
00:26:37,669 --> 00:26:36,480
an opportunity without you know some

708
00:26:39,510 --> 00:26:37,679
people will say well i'm not ready but

709
00:26:40,870 --> 00:26:39,520
do you think if it's if the opportunity

710
00:26:42,310 --> 00:26:40,880
even appears

711
00:26:44,230 --> 00:26:42,320
is there a chance that we should always

712
00:26:45,909 --> 00:26:44,240
be taking those opportunities

713
00:26:48,390 --> 00:26:45,919

when we choose not to are we are we

714

00:26:49,830 --> 00:26:48,400

hurting our our growth are we taking a

715

00:26:51,269 --> 00:26:49,840

step back and telling the universe no

716

00:26:54,230 --> 00:26:51,279

we're not ready at this time what are

717

00:26:59,590 --> 00:26:57,390

i well since since his life is like

718

00:27:01,590 --> 00:26:59,600

multi-colored and it's not just black

719

00:27:03,590 --> 00:27:01,600

and white everybody has opportunities at

720

00:27:05,110 --> 00:27:03,600

different times and levels

721

00:27:06,789 --> 00:27:05,120

you know

722

00:27:10,230 --> 00:27:06,799

like some people

723

00:27:13,909 --> 00:27:10,240

may be ready to jog five miles or some

724

00:27:15,909 --> 00:27:13,919

people may be ready to walk one mile and

725

00:27:17,190 --> 00:27:15,919

whether or not you're ready

726

00:27:19,750 --> 00:27:17,200

you know

727

00:27:21,669 --> 00:27:19,760

you can still only go to a certain limit

728

00:27:24,549 --> 00:27:21,679

you know you can still only walk that

729

00:27:27,669 --> 00:27:24,559

first mile at like if that's all you can

730

00:27:29,590 --> 00:27:27,679

do so i mean everybody is going through

731

00:27:31,029 --> 00:27:29,600

their experiences but they're

732

00:27:34,070 --> 00:27:31,039

a lot of people

733

00:27:36,789 --> 00:27:34,080

you know they're they're definitely

734

00:27:38,470 --> 00:27:36,799

getting you know um getting all this

735

00:27:40,389 --> 00:27:38,480

illusion from the hollywood mainstream

736

00:27:42,149 --> 00:27:40,399

to not believe in these choices and not

737

00:27:44,549 --> 00:27:42,159

believe in these opportunities so when

738

00:27:46,470 --> 00:27:44,559

we see these opportunities we doubt them

739

00:27:48,310 --> 00:27:46,480

but they're truly inside of us and it

740

00:27:50,230 --> 00:27:48,320

just takes you know maybe a little bit

741

00:27:52,470 --> 00:27:50,240

inspiration a little bit of

742

00:27:54,230 --> 00:27:52,480

uh motivation to

743

00:27:56,549 --> 00:27:54,240

take the opportunity and to get the

744

00:27:58,470 --> 00:27:56,559

experience

745

00:27:59,669 --> 00:27:58,480

you know i mean definitely hollywood has

746

00:28:01,990 --> 00:27:59,679

definitely

747

00:28:03,590 --> 00:28:02,000

taken a lot of faith out of us if you

748

00:28:04,470 --> 00:28:03,600

notice you know people aren't even like

749

00:28:05,750 --> 00:28:04,480

yeah

750

00:28:07,590 --> 00:28:05,760

i don't want to be great anymore i just

751
00:28:09,110 --> 00:28:07,600
want to be a normal worker i don't want

752
00:28:11,269 --> 00:28:09,120
to have to deal with all that extra

753
00:28:13,669 --> 00:28:11,279
stuff i don't want to be an athlete no i

754
00:28:17,110 --> 00:28:13,679
just want to be normal so you know you

755
00:28:18,870 --> 00:28:17,120
get what i mean you get what i mean yeah

756
00:28:20,310 --> 00:28:18,880
yeah i am

757
00:28:21,590 --> 00:28:20,320
you know it's so funny you bring that up

758
00:28:23,190 --> 00:28:21,600
though with the conditioning and stuff

759
00:28:24,470 --> 00:28:23,200
through hollywood and whatever whatever

760
00:28:27,029 --> 00:28:24,480
it might be

761
00:28:29,190 --> 00:28:27,039
it's so funny that it it promotes the

762
00:28:31,029 --> 00:28:29,200
idea it does promote certain things for

763
00:28:33,269 --> 00:28:31,039

sure but it seems the things that it

764

00:28:35,110 --> 00:28:33,279

promotes are going to end up at some

765

00:28:37,269 --> 00:28:35,120

point leaving you in some sort of a

766

00:28:39,590 --> 00:28:37,279

negative state it puts so much pressure

767

00:28:41,269 --> 00:28:39,600

on you to have to be socially acceptable

768

00:28:43,190 --> 00:28:41,279

even though it pushes the outliers of

769

00:28:44,470 --> 00:28:43,200

like we'll be you know going to be this

770

00:28:46,310 --> 00:28:44,480

or we're going to be that

771

00:28:48,149 --> 00:28:46,320

whatever it might be communities and

772

00:28:50,230 --> 00:28:48,159

stuff that you're involved in

773

00:28:52,149 --> 00:28:50,240

but it really doesn't ever focus on

774

00:28:53,350 --> 00:28:52,159

other things like the idea there's a

775

00:28:54,549 --> 00:28:53,360

couple shows that get into this but

776

00:28:56,389 --> 00:28:54,559

getting into

777

00:28:58,389 --> 00:28:56,399

you know shrooms and things that nature

778

00:28:59,909 --> 00:28:58,399

reconnecting with nature as a whole

779

00:29:02,389 --> 00:28:59,919

the whole thing

780

00:29:04,870 --> 00:29:02,399

recognizing that you know

781

00:29:08,070 --> 00:29:04,880

everything around us has a consciousness

782

00:29:09,750 --> 00:29:08,080

right and it communicates that alone why

783

00:29:12,149 --> 00:29:09,760

is that not a show and maybe i'm wrong

784

00:29:14,149 --> 00:29:12,159

maybe there's shows out there like that

785

00:29:17,750 --> 00:29:14,159

right i think it's more of the

786

00:29:22,789 --> 00:29:17,760

cultural aspect of america see when we

787

00:29:23,909 --> 00:29:22,799

were born america 1776 we were born on

788

00:29:28,230 --> 00:29:23,919

the

789

00:29:30,310 --> 00:29:28,240

was kicked out of europe everybody who

790

00:29:32,389 --> 00:29:30,320

was leaving the other countries you know

791

00:29:34,310 --> 00:29:32,399

everybody would come to america for what

792

00:29:35,909 --> 00:29:34,320

well you know ever since 70 76 everybody

793

00:29:38,470 --> 00:29:35,919

everybody would come to america for what

794

00:29:41,110 --> 00:29:38,480

the american dream well you know if we

795

00:29:43,590 --> 00:29:41,120

look at it more closely we've seen that

796

00:29:46,230 --> 00:29:43,600

the people in america who came here

797

00:29:48,149 --> 00:29:46,240

first were definitely part of a

798

00:29:51,510 --> 00:29:48,159

different system

799

00:29:54,630 --> 00:29:51,520

and so they have led their ideologies

800

00:29:55,750 --> 00:29:54,640

and beliefs and were just taken upon

801
00:29:58,710 --> 00:29:55,760
the

802
00:30:01,430 --> 00:29:58,720
you know ideologies of our

803
00:30:04,389 --> 00:30:01,440
um political ancestors not our actual

804
00:30:06,149 --> 00:30:04,399
spiritual or physical ancestors that yes

805
00:30:08,870 --> 00:30:06,159
nature should be talked about but

806
00:30:11,190 --> 00:30:08,880
because of our political ancestry in our

807
00:30:13,590 --> 00:30:11,200
land that's been wiped away now if you

808
00:30:15,510 --> 00:30:13,600
go to other parts of the world you know

809
00:30:17,430 --> 00:30:15,520
documentaries will definitely show

810
00:30:19,269 --> 00:30:17,440
spirituality and the stuff that we talk

811
00:30:21,669 --> 00:30:19,279
about consciousness like europe you know

812
00:30:24,310 --> 00:30:21,679
europe's pretty big and nowadays like

813
00:30:26,230 --> 00:30:24,320

with this consciousness movement

814

00:30:28,070 --> 00:30:26,240

so i mean it i guess it's just the

815

00:30:29,590 --> 00:30:28,080

atmosphere in which we live in it's you

816

00:30:31,029 --> 00:30:29,600

know it's definitely a yin and yang

817

00:30:33,110 --> 00:30:31,039

there's a freedom to it we have a

818

00:30:34,830 --> 00:30:33,120

freedom of religion but hey with that

819

00:30:37,830 --> 00:30:34,840

freedom of religion

820

00:30:39,990 --> 00:30:37,840

meaning anybody can come and do their

821

00:30:41,909 --> 00:30:40,000

religion the good and the bad and you

822

00:30:43,830 --> 00:30:41,919

know we've just had to uh we've had to

823

00:30:44,950 --> 00:30:43,840

take that take the head on you know

824

00:30:46,630 --> 00:30:44,960

right in front of our faces with all

825

00:30:49,350 --> 00:30:46,640

this hollywood we see it we see the

826

00:30:51,430 --> 00:30:49,360

light and the dark

827

00:30:53,750 --> 00:30:51,440

you know it's funny about this too i i

828

00:30:55,430 --> 00:30:53,760

keep coming back to this

829

00:30:56,630 --> 00:30:55,440

well it is what it is i don't think this

830

00:30:58,070 --> 00:30:56,640

is something that joan ben haven't

831

00:30:59,990 --> 00:30:58,080

talked about here i wasn't careful on

832

00:31:01,990 --> 00:31:00,000

the show but

833

00:31:04,950 --> 00:31:02,000

every hundred years you have these

834

00:31:07,269 --> 00:31:04,960

resets as it were and

835

00:31:09,029 --> 00:31:07,279

it's pretty traceable throughout history

836

00:31:10,789 --> 00:31:09,039

even and even in the morph twisted

837

00:31:12,870 --> 00:31:10,799

history that we're taught

838

00:31:14,630 --> 00:31:12,880

and i've i've really been right you know

839

00:31:16,389 --> 00:31:14,640

looking into this idea of how the

840

00:31:18,389 --> 00:31:16,399

rockefellers and different ones took

841

00:31:19,830 --> 00:31:18,399

over the education system in the turn of

842

00:31:22,310 --> 00:31:19,840

the century the 19th century beginning

843

00:31:24,070 --> 00:31:22,320

of the 19th century and they rebranded

844

00:31:26,070 --> 00:31:24,080

and redid the entire educational system

845

00:31:27,190 --> 00:31:26,080

they founded essentially what public

846

00:31:28,789 --> 00:31:27,200

schools are

847

00:31:30,070 --> 00:31:28,799

in the public school board

848

00:31:33,909 --> 00:31:30,080

now i'm not saying that's all i'm not

849

00:31:35,110 --> 00:31:33,919

knocking education but we completely

850

00:31:36,310 --> 00:31:35,120

lost

851
00:31:38,230 --> 00:31:36,320
what our roots were what you're talking

852
00:31:40,230 --> 00:31:38,240
about those ancient ancestral roots that

853
00:31:43,029 --> 00:31:40,240
are in us and one can even say if you

854
00:31:44,870 --> 00:31:43,039
believe an idea of perhaps reincarnation

855
00:31:46,230 --> 00:31:44,880
or your energy or your soul whatever you

856
00:31:48,310 --> 00:31:46,240
want to call it coming back and having

857
00:31:50,310 --> 00:31:48,320
multiple life cycles

858
00:31:51,990 --> 00:31:50,320
now you're just being trained to be this

859
00:31:54,789 --> 00:31:52,000
industrial clog at the time was it was

860
00:31:56,389 --> 00:31:54,799
just industrial boom to just fit into

861
00:31:57,590 --> 00:31:56,399
being someone who goes and works at a

862
00:31:59,110 --> 00:31:57,600
factory

863
00:32:00,389 --> 00:31:59,120

i i still struggle with this being in

864

00:32:02,389 --> 00:32:00,399

the trades and stuff that i've been

865

00:32:04,630 --> 00:32:02,399

throughout the years i know i was kind

866

00:32:06,470 --> 00:32:04,640

of a you weird guy for everybody else to

867

00:32:08,070 --> 00:32:06,480

have to work with because i would get so

868

00:32:09,669 --> 00:32:08,080

bored just doing the work thing i'd have

869

00:32:11,269 --> 00:32:09,679

to bring up the stuff like you know

870

00:32:12,470 --> 00:32:11,279

whatever it is a bug going by and i'd be

871

00:32:14,389 --> 00:32:12,480

like we start talking about his

872

00:32:16,070 --> 00:32:14,399

consciousness or just these things but

873

00:32:17,669 --> 00:32:16,080

to me they all matter and i think if we

874

00:32:20,310 --> 00:32:17,679

just approach life

875

00:32:23,350 --> 00:32:20,320

recognizing everything a stone

876

00:32:25,430 --> 00:32:23,360

wood trees how when everything dies

877

00:32:27,669 --> 00:32:25,440

it cries they've done research on this

878

00:32:30,710 --> 00:32:27,679

it literally screams as it's dying

879

00:32:32,789 --> 00:32:30,720

the the smell the grass gives off

880

00:32:33,990 --> 00:32:32,799

is is a pheromone i mean i might be

881

00:32:35,350 --> 00:32:34,000

getting a little bit wrong with the fair

882

00:32:37,669 --> 00:32:35,360

joe you would know this stuff that's a

883

00:32:39,350 --> 00:32:37,679

pheromone that releases the other the

884

00:32:41,509 --> 00:32:39,360

the grass to indicate that it's dying

885

00:32:43,430 --> 00:32:41,519

it's like a warning that it gives off

886

00:32:44,470 --> 00:32:43,440

which is this stuff is like fascinating

887

00:32:45,909 --> 00:32:44,480

to me

888

00:32:47,110 --> 00:32:45,919

and we just seem to breathe kind of

889

00:32:48,630 --> 00:32:47,120

brief over it just in case you didn't

890

00:32:51,029 --> 00:32:48,640

mean to have your mic muted by the way

891

00:32:52,310 --> 00:32:51,039

509 it is muted on you over there

892

00:32:53,750 --> 00:32:52,320

um by the way

893

00:32:55,110 --> 00:32:53,760

i was it was immediate i was letting you

894

00:32:56,230 --> 00:32:55,120

speaking yeah i just want to make sure

895

00:32:57,430 --> 00:32:56,240

because i was like i was kind of

896

00:32:59,269 --> 00:32:57,440

starting to run out and i was like maybe

897

00:33:01,909 --> 00:32:59,279

he's just doing people oh no

898

00:33:04,389 --> 00:33:01,919

no it is pretty fascinating man it's

899

00:33:06,149 --> 00:33:04,399

pretty fascinating um these how deep

900

00:33:08,710 --> 00:33:06,159

that we can get with this nature and how

901
00:33:11,669 --> 00:33:08,720
how deep it gets with us meaning that

902
00:33:13,830 --> 00:33:11,679
you know there's these senses that trees

903
00:33:15,590 --> 00:33:13,840
pick up on us like it reads our vibes

904
00:33:17,029 --> 00:33:15,600
and it sends us to other trees through

905
00:33:18,870 --> 00:33:17,039
its you know

906
00:33:20,950 --> 00:33:18,880
nerve networks or

907
00:33:23,590 --> 00:33:20,960
whatever it's called and

908
00:33:25,669 --> 00:33:23,600
yeah man i i believe like

909
00:33:27,990 --> 00:33:25,679
there's so there's these

910
00:33:29,509 --> 00:33:28,000
places in the world where things like

911
00:33:31,590 --> 00:33:29,519
this are popular

912
00:33:32,710 --> 00:33:31,600
and you know i believe it's getting more

913
00:33:34,310 --> 00:33:32,720

popular

914

00:33:35,750 --> 00:33:34,320

it's only been in due time with the help

915

00:33:38,549 --> 00:33:35,760

of this internet that

916

00:33:40,470 --> 00:33:38,559

you know america has come to

917

00:33:42,310 --> 00:33:40,480

the love and the light that the rest of

918

00:33:43,669 --> 00:33:42,320

the world is and man it's been blessing

919

00:33:46,630 --> 00:33:43,679

i don't know how

920

00:33:49,509 --> 00:33:46,640

how much it's changed your life but all

921

00:33:53,430 --> 00:33:49,519

of this consciousness stuff you know

922

00:33:55,669 --> 00:33:53,440

uh has really really like helped me

923

00:33:58,310 --> 00:33:55,679

pull away from that darkness vibe of the

924

00:33:59,830 --> 00:33:58,320

world where you can now feel like

925

00:34:02,149 --> 00:33:59,840

there's a dark vibe when you go to

926

00:34:04,070 --> 00:34:02,159

certain clubs and you're like nah i'm

927

00:34:05,830 --> 00:34:04,080

good but then when you go to like a

928

00:34:07,509 --> 00:34:05,840

certain bar you're like wow this is a

929

00:34:08,869 --> 00:34:07,519

really light vibe

930

00:34:11,190 --> 00:34:08,879

you know and

931

00:34:13,750 --> 00:34:11,200

i think people like me and you and the

932

00:34:16,230 --> 00:34:13,760

people like our viewers and everybody

933

00:34:19,190 --> 00:34:16,240

else in this community

934

00:34:22,230 --> 00:34:19,200

we're the ones who are like the magic

935

00:34:24,790 --> 00:34:22,240

workers or the ones who were sent here

936

00:34:26,710 --> 00:34:24,800

with the eye to see all this

937

00:34:27,510 --> 00:34:26,720

and you know it's pretty much a blessing

938

00:34:30,069 --> 00:34:27,520

like

939

00:34:31,750 --> 00:34:30,079

it's definitely a blessing who we are

940

00:34:35,109 --> 00:34:31,760

and having this conversation around the

941

00:34:38,149 --> 00:34:35,119

world with people that we barely met but

942

00:34:40,149 --> 00:34:38,159

who have the highest respect for us and

943

00:34:41,990 --> 00:34:40,159

who have the highest truth in themselves

944

00:34:44,230 --> 00:34:42,000

that we can tell we're like wow this guy

945

00:34:45,829 --> 00:34:44,240

is like super conscious man i i would

946

00:34:47,109 --> 00:34:45,839

definitely ride with this guy into

947

00:34:48,710 --> 00:34:47,119

heaven

948

00:34:50,310 --> 00:34:48,720

it's a blessing man

949

00:34:52,550 --> 00:34:50,320

you know we we shouldn't take a we

950

00:34:53,990 --> 00:34:52,560

shouldn't take um all of this like

951
00:34:55,669 --> 00:34:54,000
pretty dirty like uh you know the

952
00:34:58,069 --> 00:34:55,679
world's pretty dirty but there's a lot

953
00:34:59,990 --> 00:34:58,079
of good in it too

954
00:35:01,910 --> 00:35:00,000
what about this idea too that every

955
00:35:03,910 --> 00:35:01,920
thought you have you know people think

956
00:35:05,589 --> 00:35:03,920
the manifestation thing and you can

957
00:35:07,510 --> 00:35:05,599
again i always tell people like my own

958
00:35:08,950 --> 00:35:07,520
beliefs are mine no way at all pushing

959
00:35:10,069 --> 00:35:08,960
them on anybody and i don't disrespect

960
00:35:12,310 --> 00:35:10,079
your beliefs

961
00:35:14,069 --> 00:35:12,320
but you know some people will equate

962
00:35:16,069 --> 00:35:14,079
like witchcraft or people

963
00:35:18,150 --> 00:35:16,079

doing a ritual or spell casting is like

964

00:35:19,750 --> 00:35:18,160

this deeply evil thing

965

00:35:22,950 --> 00:35:19,760

but they'll pray they'll pray to god and

966

00:35:25,030 --> 00:35:22,960

that's fine and i'm not knocking

967

00:35:26,950 --> 00:35:25,040

i actually say prayer is magic and

968

00:35:28,870 --> 00:35:26,960

prayer is spell like that that's where i

969

00:35:32,390 --> 00:35:28,880

differ from christians

970

00:35:33,270 --> 00:35:32,400

i actually believe prayer is white magic

971

00:35:36,550 --> 00:35:33,280

yeah

972

00:35:37,910 --> 00:35:36,560

and again that's something guys i 100

973

00:35:39,430 --> 00:35:37,920

percent ignorant far is like the

974

00:35:40,710 --> 00:35:39,440

difference between white magic and dark

975

00:35:43,190 --> 00:35:40,720

magic and that because i was just raised

976

00:35:44,950 --> 00:35:43,200

in this very traditional sense of like

977

00:35:46,790 --> 00:35:44,960

no it's just you know there's god and

978

00:35:48,230 --> 00:35:46,800

there's the devil there's this is it and

979

00:35:50,550 --> 00:35:48,240

this is the existence of everything and

980

00:35:51,430 --> 00:35:50,560

where it exists but it 100 you know like

981

00:35:52,630 --> 00:35:51,440

that's the funny thing is that like

982

00:35:54,710 --> 00:35:52,640

certain christians were all like magic

983

00:35:56,390 --> 00:35:54,720

doesn't exist but they hunt yeah like

984

00:35:59,109 --> 00:35:56,400

you read the bible as it were if you're

985

00:36:00,150 --> 00:35:59,119

just taking the bible as it's taught and

986

00:36:01,910 --> 00:36:00,160

written

987

00:36:03,349 --> 00:36:01,920

it's filled with magic

988

00:36:04,870 --> 00:36:03,359

well i believe that's more of the new

989

00:36:06,230 --> 00:36:04,880

the new christians who were taught by

990

00:36:09,190 --> 00:36:06,240

these um

991

00:36:11,990 --> 00:36:09,200

councils who were controlling the

992

00:36:13,030 --> 00:36:12,000

scripts you know i think i had mentioned

993

00:36:15,270 --> 00:36:13,040

one time

994

00:36:18,069 --> 00:36:15,280

oh yeah it was backstage with with john

995

00:36:20,630 --> 00:36:18,079

hudson how the council of nicaea had you

996

00:36:23,349 --> 00:36:20,640

know controlled the scripts for such a

997

00:36:25,270 --> 00:36:23,359

long time and it changed the scripts and

998

00:36:27,670 --> 00:36:25,280

you know the christians didn't have a

999

00:36:29,190 --> 00:36:27,680

chance to really read the truth and the

1000

00:36:31,430 --> 00:36:29,200

catholics didn't have a chance to really

1001
00:36:33,670 --> 00:36:31,440
read the truth so look like i'm not

1002
00:36:35,670 --> 00:36:33,680
catholic or christian but i feel for

1003
00:36:38,150 --> 00:36:35,680
them like they were lied to from the

1004
00:36:40,069 --> 00:36:38,160
start and i can't do anything but give

1005
00:36:42,069 --> 00:36:40,079
them love and give them hope and you

1006
00:36:43,030 --> 00:36:42,079
know give them the truth like

1007
00:36:44,390 --> 00:36:43,040
um

1008
00:36:47,030 --> 00:36:44,400
man yeah

1009
00:36:48,870 --> 00:36:47,040
it's a pretty tough subject but

1010
00:36:51,430 --> 00:36:48,880
we got to have love for everybody around

1011
00:36:52,829 --> 00:36:51,440
because everybody is being lied to you

1012
00:36:56,950 --> 00:36:52,839
know

1013
00:36:59,430 --> 00:36:56,960

everyone adam has an interesting uh

1014

00:37:00,950 --> 00:36:59,440

comment here that they said i've been i

1015

00:37:02,870 --> 00:37:00,960

i've experienced the consciousness of

1016

00:37:05,190 --> 00:37:02,880

the trees and the encounter that they

1017

00:37:06,790 --> 00:37:05,200

expand or they can expand your awareness

1018

00:37:08,950 --> 00:37:06,800

see we gotta even if it's not with me

1019

00:37:11,030 --> 00:37:08,960

amber um adam i'm so sorry what was the

1020

00:37:12,150 --> 00:37:11,040

name uh get with joe and ben i don't

1021

00:37:13,510 --> 00:37:12,160

know if they're still in here or not but

1022

00:37:15,270 --> 00:37:13,520

a hundred percent

1023

00:37:16,470 --> 00:37:15,280

uh i know they would love you know and

1024

00:37:17,589 --> 00:37:16,480

obviously if you've been in the chat in

1025

00:37:18,710 --> 00:37:17,599

the chat and stuff before you know

1026

00:37:20,230 --> 00:37:18,720

they're all about having people if

1027

00:37:21,990 --> 00:37:20,240

you're comfortable no no pressure or

1028

00:37:23,030 --> 00:37:22,000

anything but i would love to hear your

1029

00:37:25,910 --> 00:37:23,040

story i'm sure there's others that

1030

00:37:27,430 --> 00:37:25,920

wanted to hear your story tonight and uh

1031

00:37:29,910 --> 00:37:27,440

yeah it's just

1032

00:37:31,990 --> 00:37:29,920

going back to okay so here we go

1033

00:37:33,990 --> 00:37:32,000

go ahead hey so um yeah i didn't really

1034

00:37:35,910 --> 00:37:34,000

have a chance to finish some of my

1035

00:37:37,270 --> 00:37:35,920

experiences so me and chad smith were

1036

00:37:39,910 --> 00:37:37,280

talking and

1037

00:37:42,390 --> 00:37:39,920

i had sent him a video about

1038

00:37:44,950 --> 00:37:42,400

above my eyebrows there's these two

1039

00:37:46,470 --> 00:37:44,960

indents circular indents and those

1040

00:37:49,750 --> 00:37:46,480

appeared after

1041

00:37:51,589 --> 00:37:49,760

an experience as a kid when i seen these

1042

00:37:53,750 --> 00:37:51,599

beings in my room around eight to ten

1043

00:37:55,990 --> 00:37:53,760

years old so i said i sent chad smith

1044

00:37:57,990 --> 00:37:56,000

the video and he can you can clarify it

1045

00:38:00,870 --> 00:37:58,000

man i have these two indents above my

1046

00:38:03,109 --> 00:38:00,880

eyes i asked my parents i was like hey

1047

00:38:05,430 --> 00:38:03,119

did you guys see these indents when i

1048

00:38:06,790 --> 00:38:05,440

was born were these birth marks and they

1049

00:38:07,910 --> 00:38:06,800

looked at me they're like wait what are

1050

00:38:10,230 --> 00:38:07,920

those

1051

00:38:11,750 --> 00:38:10,240

and i was like oh exactly what i thought

1052

00:38:14,230 --> 00:38:11,760

all right so

1053

00:38:15,349 --> 00:38:14,240

so just like recently with all the stuff

1054

00:38:17,589 --> 00:38:15,359

that i've been talking with dave you

1055

00:38:19,910 --> 00:38:17,599

know dave smith and you guys and

1056

00:38:21,190 --> 00:38:19,920

man like it's really made me want to

1057

00:38:23,270 --> 00:38:21,200

talk about this because i've never

1058

00:38:25,109 --> 00:38:23,280

really been able to talk about

1059

00:38:26,630 --> 00:38:25,119

any of this like i don't know why they

1060

00:38:28,630 --> 00:38:26,640

were indents above my eyes i don't know

1061

00:38:31,349 --> 00:38:28,640

why i seen beings above you know above

1062

00:38:33,670 --> 00:38:31,359

me in my bed but you know

1063

00:38:35,349 --> 00:38:33,680

that was something i didn't get to

1064

00:38:38,069 --> 00:38:35,359

talk about like last time and i

1065

00:38:38,790 --> 00:38:38,079

apologize last time i was in a rush

1066

00:38:39,910 --> 00:38:38,800

yeah

1067

00:38:41,190 --> 00:38:39,920

i know we don't have a ton of time

1068

00:38:42,390 --> 00:38:41,200

tonight it's actually just asking lynn

1069

00:38:44,230 --> 00:38:42,400

like lynn who's your guest in it because

1070

00:38:45,349 --> 00:38:44,240

i tried to check and isn't showing yet

1071

00:38:47,670 --> 00:38:45,359

so let's see if she tells us but yeah

1072

00:38:50,230 --> 00:38:47,680

we've got uh at least 20 minutes or so

1073

00:38:51,829 --> 00:38:50,240

here before berlin goes on so feel free

1074

00:38:53,349 --> 00:38:51,839

whatever you want so you're saying you

1075

00:38:55,910 --> 00:38:53,359

did have an experience around the age of

1076

00:38:57,430 --> 00:38:55,920

eight yeah so like you know i was seeing

1077

00:38:58,310 --> 00:38:57,440

things in the sky for most of my life

1078

00:39:01,990 --> 00:38:58,320

but

1079

00:39:03,030 --> 00:39:02,000

around eight two through ten i had

1080

00:39:05,349 --> 00:39:03,040

had this

1081

00:39:07,750 --> 00:39:05,359

weed like these weird dream experiences

1082

00:39:10,390 --> 00:39:07,760

where i felt like they were just above

1083

00:39:12,150 --> 00:39:10,400

me in my in my bed and

1084

00:39:14,310 --> 00:39:12,160

you know one night i was going through a

1085

00:39:15,750 --> 00:39:14,320

tough time as a kid trying to feel like

1086

00:39:17,109 --> 00:39:15,760

you know really

1087

00:39:18,710 --> 00:39:17,119

hating the world you know how you get as

1088

00:39:21,430 --> 00:39:18,720

a kid you start hating the world and

1089

00:39:23,510 --> 00:39:21,440

start yelling and i pray to everything i

1090

00:39:26,630 --> 00:39:23,520

pray to everything and yeah it was like

1091

00:39:28,790 --> 00:39:26,640

this rainy night and

1092

00:39:29,990 --> 00:39:28,800

i i was just in a trouble in my mind and

1093

00:39:31,109 --> 00:39:30,000

i was like you know if there's something

1094

00:39:33,910 --> 00:39:31,119

out there

1095

00:39:36,230 --> 00:39:33,920

please come and

1096

00:39:36,950 --> 00:39:36,240

it was uh it was it was weird it felt

1097

00:39:41,109 --> 00:39:36,960

like

1098

00:39:43,510 --> 00:39:41,119

you know in those movies

1099

00:39:45,750 --> 00:39:43,520

it starts getting misty and then the

1100

00:39:48,950 --> 00:39:45,760

person starts getting into a dream world

1101
00:39:49,829 --> 00:39:48,960
it literally felt like that where it was

1102
00:39:50,870 --> 00:39:49,839
probably

1103
00:39:52,870 --> 00:39:50,880
somewhere in the middle through the

1104
00:39:54,870 --> 00:39:52,880
night like around one-ish maybe

1105
00:39:55,750 --> 00:39:54,880
two-ish and it started feeling misty my

1106
00:40:00,230 --> 00:39:55,760
my

1107
00:40:02,230 --> 00:40:00,240
completely numb i knew it i was like i

1108
00:40:03,910 --> 00:40:02,240
can't move

1109
00:40:05,670 --> 00:40:03,920
i started i started waking up i was like

1110
00:40:07,510 --> 00:40:05,680
all right this is interesting is this my

1111
00:40:11,270 --> 00:40:07,520
is this my consciousness this is my

1112
00:40:12,950 --> 00:40:11,280
spirit is this my eyes open what is this

1113
00:40:15,589 --> 00:40:12,960

and

1114

00:40:18,790 --> 00:40:15,599

like on to the right side i seen these

1115

00:40:22,230 --> 00:40:18,800

translucent darker beings that were

1116

00:40:24,390 --> 00:40:22,240

nearly to this um height of my ceiling

1117

00:40:26,630 --> 00:40:24,400

mm-hmm so what like seven

1118

00:40:28,069 --> 00:40:26,640

seven eight feet

1119

00:40:28,950 --> 00:40:28,079

and

1120

00:40:30,790 --> 00:40:28,960

like

1121

00:40:32,790 --> 00:40:30,800

i started getting this

1122

00:40:34,630 --> 00:40:32,800

energetic pattern once i started once i

1123

00:40:38,870 --> 00:40:34,640

started noticing them i started feeling

1124

00:40:40,870 --> 00:40:38,880

like um like vibrations and i heard and

1125

00:40:43,670 --> 00:40:40,880

you know i like this must have been

1126
00:40:44,550 --> 00:40:43,680
telepathic messaging that i i picked up

1127
00:40:47,109 --> 00:40:44,560
on

1128
00:40:48,550 --> 00:40:47,119
um i heard they're like hey

1129
00:40:49,670 --> 00:40:48,560
what should we do with them because they

1130
00:40:51,270 --> 00:40:49,680
they just started looking each other

1131
00:40:52,710 --> 00:40:51,280
once they noticed that i was noticing

1132
00:40:53,910 --> 00:40:52,720
them

1133
00:40:55,030 --> 00:40:53,920
right then and there it was like you

1134
00:40:57,510 --> 00:40:55,040
know a couple seconds later like they're

1135
00:40:59,510 --> 00:40:57,520
like hey what should we do with them

1136
00:41:02,069 --> 00:40:59,520
and they looked at each other and

1137
00:41:04,150 --> 00:41:02,079
instantly i went back to sleep

1138
00:41:07,270 --> 00:41:04,160

and

1139

00:41:09,190 --> 00:41:07,280

i i started questioning i was like what

1140

00:41:12,390 --> 00:41:09,200

did what just happened

1141

00:41:14,550 --> 00:41:12,400

like i i didn't i i like okay so i was

1142

00:41:16,470 --> 00:41:14,560

like pretty loud as a kid i was really

1143

00:41:18,550 --> 00:41:16,480

that was a kid like

1144

00:41:20,470 --> 00:41:18,560

um i would always be out energetic i was

1145

00:41:21,589 --> 00:41:20,480

playing football i was always with my

1146

00:41:23,270 --> 00:41:21,599

cousins

1147

00:41:24,550 --> 00:41:23,280

and then after these experiences started

1148

00:41:26,950 --> 00:41:24,560

happening

1149

00:41:28,870 --> 00:41:26,960

i started getting really quiet like

1150

00:41:32,309 --> 00:41:28,880

i started like getting

1151

00:41:34,870 --> 00:41:32,319

head into books and

1152

00:41:37,030 --> 00:41:34,880

started to like really just dive deep

1153

00:41:38,950 --> 00:41:37,040

into the world and like being like what

1154

00:41:40,870 --> 00:41:38,960

when what am i experiencing and what is

1155

00:41:42,470 --> 00:41:40,880

happening

1156

00:41:44,390 --> 00:41:42,480

and uh

1157

00:41:48,309 --> 00:41:44,400

so it

1158

00:41:51,109 --> 00:41:48,319

every like maybe five or a couple years

1159

00:41:54,069 --> 00:41:51,119

like i'll have these astral

1160

00:41:56,630 --> 00:41:54,079

experiences where

1161

00:42:00,390 --> 00:41:56,640

it seems like i'm interacting with

1162

00:42:01,349 --> 00:42:00,400

another being or other beings

1163

00:42:03,750 --> 00:42:01,359

in

1164

00:42:05,349 --> 00:42:03,760

like a program i don't know why but it

1165

00:42:08,710 --> 00:42:05,359

feels like i'm being

1166

00:42:11,270 --> 00:42:08,720

in a program i don't know what it is but

1167

00:42:12,950 --> 00:42:11,280

they have a system set up for me and i i

1168

00:42:15,349 --> 00:42:12,960

can definitely tell where they're

1169

00:42:18,630 --> 00:42:15,359

keeping me protected in certain ways and

1170

00:42:22,550 --> 00:42:18,640

they're definitely helping me by giving

1171

00:42:27,190 --> 00:42:25,349

man like i've had so this is weird where

1172

00:42:29,510 --> 00:42:27,200

i've talked to a lot of people about

1173

00:42:31,190 --> 00:42:29,520

like their dreams and deja vu

1174

00:42:32,630 --> 00:42:31,200

and stuff and i asked a lot of people

1175

00:42:34,390 --> 00:42:32,640

about deja vu and they're like yeah i

1176
00:42:36,069 --> 00:42:34,400
kind of have it don't really have it but

1177
00:42:39,349 --> 00:42:36,079
for me if someone asked me like

1178
00:42:41,990 --> 00:42:39,359
literally dude i've had deja vu like

1179
00:42:44,950 --> 00:42:42,000
more than 100 times and it's just so

1180
00:42:47,589 --> 00:42:44,960
weird it's just so weird we're like

1181
00:42:49,990 --> 00:42:47,599
it'll just be like a movie in my dream

1182
00:42:53,030 --> 00:42:50,000
and then later on it'll happen i'm like

1183
00:42:55,430 --> 00:42:53,040
this is some like a director from

1184
00:42:57,270 --> 00:42:55,440
another realm is like

1185
00:42:59,990 --> 00:42:57,280
controlling things or pushing me in

1186
00:43:02,950 --> 00:43:00,000
certain directions it's just so strange

1187
00:43:04,870 --> 00:43:02,960
and um i guess i guess more recently

1188
00:43:06,470 --> 00:43:04,880

it's been like this last 10 years where

1189

00:43:08,470 --> 00:43:06,480

i started meditating and really started

1190

00:43:10,150 --> 00:43:08,480

finding the answers that

1191

00:43:12,150 --> 00:43:10,160

you know these spiritual guides have

1192

00:43:13,670 --> 00:43:12,160

been able to show themselves a little

1193

00:43:15,349 --> 00:43:13,680

bit more i guess

1194

00:43:17,030 --> 00:43:15,359

and i think that's what i had mentioned

1195

00:43:18,870 --> 00:43:17,040

on the first time that we had talked

1196

00:43:20,790 --> 00:43:18,880

about where i started interacting with

1197

00:43:22,470 --> 00:43:20,800

the spirit guys more recently

1198

00:43:24,710 --> 00:43:22,480

right

1199

00:43:25,910 --> 00:43:24,720

i have i'm the reason i'm i'm and i hope

1200

00:43:27,430 --> 00:43:25,920

you don't think i'm ignoring because i

1201

00:43:29,670 --> 00:43:27,440

i'm loving this and i first of all have

1202

00:43:31,910 --> 00:43:29,680

a question here from justin uh a.d

1203

00:43:34,870 --> 00:43:31,920

menard by the way welcome to the chat uh

1204

00:43:36,309 --> 00:43:34,880

yes we're used to the day this happened

1205

00:43:37,510 --> 00:43:36,319

and the reason i'm also on my phone is

1206

00:43:39,030 --> 00:43:37,520

there's a picture i want to show you to

1207

00:43:40,470 --> 00:43:39,040

see if it's familiar but that is a great

1208

00:43:42,069 --> 00:43:40,480

question i'd love to ask were you sick

1209

00:43:43,190 --> 00:43:42,079

the day before or even after i'd be

1210

00:43:43,910 --> 00:43:43,200

curious to know

1211

00:43:49,270 --> 00:43:43,920

no

1212

00:43:50,950 --> 00:43:49,280

very good with my immune system like

1213

00:43:53,750 --> 00:43:50,960

that's something really rare too where

1214

00:43:56,150 --> 00:43:53,760

like i'll rarely get sick like i'm

1215

00:43:59,109 --> 00:43:56,160

always i'm always moving always eating

1216

00:44:01,270 --> 00:43:59,119

healthy always thinking light and like

1217

00:44:03,030 --> 00:44:01,280

i'm very conscious of my body too so

1218

00:44:04,230 --> 00:44:03,040

like if i notice something's wrong in

1219

00:44:06,230 --> 00:44:04,240

the morning

1220

00:44:08,069 --> 00:44:06,240

like i'll [h__h] i'll attack it

1221

00:44:09,829 --> 00:44:08,079

instantly with nutrition and by the end

1222

00:44:12,150 --> 00:44:09,839

of the day i'll make sure that those

1223

00:44:14,630 --> 00:44:12,160

feelings are gone so like i i rarely get

1224

00:44:17,910 --> 00:44:16,150

do you think a lot of that comes from

1225

00:44:20,150 --> 00:44:17,920

your mind do you do you focus on things

1226
00:44:21,349 --> 00:44:20,160
positively too meaning that if you even

1227
00:44:22,870 --> 00:44:21,359
if you recognize okay i'm sick but

1228
00:44:24,790 --> 00:44:22,880
you're you know i'm getting better you

1229
00:44:26,230 --> 00:44:24,800
know that idea that your thoughts

1230
00:44:28,790 --> 00:44:26,240
manifest your reality is that something

1231
00:44:30,550 --> 00:44:28,800
your mind over matters yeah sees um

1232
00:44:32,790 --> 00:44:30,560
yeah kind of that that's kind of a thing

1233
00:44:34,950 --> 00:44:32,800
and i it's like it's super hard to say

1234
00:44:36,950 --> 00:44:34,960
that that's exactly the only thing

1235
00:44:40,309 --> 00:44:36,960
that'll work you know like a lot of it

1236
00:44:41,990 --> 00:44:40,319
has to do with your vibrational patterns

1237
00:44:44,470 --> 00:44:42,000
inside of yourself your emotional

1238
00:44:46,630 --> 00:44:44,480

patterns telling yourself you're happy

1239

00:44:49,030 --> 00:44:46,640

and then putting yourself in a clean and

1240

00:44:50,390 --> 00:44:49,040

happy environment too

1241

00:44:52,069 --> 00:44:50,400

so there's a lot of it comes to it but

1242

00:44:53,109 --> 00:44:52,079

yeah my mind over matter definitely

1243

00:44:55,109 --> 00:44:53,119

helps it's

1244

00:44:57,109 --> 00:44:55,119

it's part of it

1245

00:44:59,190 --> 00:44:57,119

interesting so adam has a uh something i

1246

00:45:01,990 --> 00:44:59,200

want to add here they're saying if your

1247

00:45:04,790 --> 00:45:02,000

dream if you dream something and then it

1248

00:45:07,190 --> 00:45:04,800

happens those are uh

1249

00:45:09,270 --> 00:45:07,200

oh what just happened oh this is i know

1250

00:45:10,309 --> 00:45:09,280

this works crazy essence thank you

1251

00:45:12,069 --> 00:45:10,319

dreams

1252

00:45:14,390 --> 00:45:12,079

i've never even said that word before

1253

00:45:16,870 --> 00:45:14,400

dude i me i feel like i'm just really

1254

00:45:18,630 --> 00:45:16,880

good at and that words i i was in the

1255

00:45:19,910 --> 00:45:18,640

spelling bee as a kid

1256

00:45:22,150 --> 00:45:19,920

that could be it man uh they're

1257

00:45:23,510 --> 00:45:22,160

associated with with being taken by the

1258

00:45:24,870 --> 00:45:23,520

visitors so that's what i was gonna ask

1259

00:45:25,990 --> 00:45:24,880

you i guess i was gonna lead into is

1260

00:45:28,870 --> 00:45:26,000

that

1261

00:45:30,309 --> 00:45:28,880

do you think did when well let's ask

1262

00:45:32,790 --> 00:45:30,319

this way

1263

00:45:34,550 --> 00:45:32,800

do you still have these ongoing and do

1264

00:45:36,550 --> 00:45:34,560

they feel like they're from this time

1265

00:45:38,470 --> 00:45:36,560

currently or does it feel like it was

1266

00:45:40,069 --> 00:45:38,480

another lifetime does it feel like well

1267

00:45:42,150 --> 00:45:40,079

that's an interesting question because

1268

00:45:44,390 --> 00:45:42,160

for the most of my life it felt like it

1269

00:45:46,950 --> 00:45:44,400

was just me here in this world having

1270

00:45:48,790 --> 00:45:46,960

those experiences like

1271

00:45:50,950 --> 00:45:48,800

that were part of this world but more

1272

00:45:52,230 --> 00:45:50,960

recently in the last 10 years when i

1273

00:45:53,990 --> 00:45:52,240

really started getting all the

1274

00:45:55,190 --> 00:45:54,000

information from everywhere graham

1275

00:45:57,670 --> 00:45:55,200

hancock

1276

00:45:59,270 --> 00:45:57,680

you know you guys joe rogan doesn't even

1277

00:46:00,710 --> 00:45:59,280

matter just all across the board

1278

00:46:02,710 --> 00:46:00,720

everywhere we just got chalked up with

1279

00:46:03,589 --> 00:46:02,720

joe rogan bro i'm not going to let that

1280

00:46:05,410 --> 00:46:03,599

slide

1281

00:46:06,630 --> 00:46:05,420

we're just going to make it classic

1282

00:46:07,990 --> 00:46:06,640

[Music]

1283

00:46:09,109 --> 00:46:08,000

so once i started getting all this

1284

00:46:11,270 --> 00:46:09,119

information

1285

00:46:13,829 --> 00:46:11,280

these experiences started clearing up

1286

00:46:15,829 --> 00:46:13,839

like these

1287

00:46:19,270 --> 00:46:15,839

started clearing up in the astral world

1288

00:46:22,790 --> 00:46:19,280

and more recently yeah i've had this

1289

00:46:26,069 --> 00:46:22,800

this strange strange dream where i was

1290

00:46:29,030 --> 00:46:26,079

pulled into a neon world of my own town

1291

00:46:31,109 --> 00:46:29,040

it was my town but it was all neon and

1292

00:46:32,230 --> 00:46:31,119

it was the future

1293

00:46:34,950 --> 00:46:32,240

and

1294

00:46:35,910 --> 00:46:34,960

literally dude i was pulled in by this

1295

00:46:38,309 --> 00:46:35,920

guy

1296

00:46:39,109 --> 00:46:38,319

he was he pulled me in by this vehicle

1297

00:46:43,430 --> 00:46:39,119

he

1298

00:46:44,390 --> 00:46:43,440

brought me out into my town through a

1299

00:46:45,990 --> 00:46:44,400

portal

1300

00:46:47,510 --> 00:46:46,000

i don't know how

1301
00:46:48,550 --> 00:46:47,520
he got me off

1302
00:46:50,630 --> 00:46:48,560
and

1303
00:46:52,069 --> 00:46:50,640
he's like hey man um

1304
00:46:53,829 --> 00:46:52,079
this is your city i'm like no it's not

1305
00:46:55,670 --> 00:46:53,839
he's like yeah dude just just go around

1306
00:46:57,589 --> 00:46:55,680
this is your city

1307
00:47:00,390 --> 00:46:57,599
and

1308
00:47:02,390 --> 00:47:00,400
um i eventually had just walked around i

1309
00:47:03,670 --> 00:47:02,400
got some food and it was like literally

1310
00:47:05,750 --> 00:47:03,680
the best food i ever got it was just

1311
00:47:07,270 --> 00:47:05,760
like strange i was like dude

1312
00:47:09,589 --> 00:47:07,280
this is literally like the tastiest

1313
00:47:11,030 --> 00:47:09,599

thing ever i want some more they're like

1314

00:47:12,950 --> 00:47:11,040

yeah i'm sure you'd want some more this

1315

00:47:14,790 --> 00:47:12,960

this is this stuff's real good i'm like

1316

00:47:16,069 --> 00:47:14,800

all right this is weird so i just left i

1317

00:47:17,990 --> 00:47:16,079

was like i don't want to deal with that

1318

00:47:19,109 --> 00:47:18,000

because like it started clicking me i

1319

00:47:20,870 --> 00:47:19,119

was like wait

1320

00:47:22,150 --> 00:47:20,880

isn't this like isn't this a trap

1321

00:47:23,510 --> 00:47:22,160

sometimes where

1322

00:47:30,470 --> 00:47:23,520

in

1323

00:47:32,390 --> 00:47:30,480

i'm gonna walk away

1324

00:47:34,710 --> 00:47:32,400

yeah so i told myself i wanted to go

1325

00:47:37,510 --> 00:47:34,720

back home and like the dude who picked

1326

00:47:39,910 --> 00:47:37,520

me up picked me back up and

1327

00:47:42,470 --> 00:47:39,920

he took me back to the portal and it was

1328

00:47:43,750 --> 00:47:42,480

still neon and right before i left he's

1329

00:47:45,990 --> 00:47:43,760

like

1330

00:47:47,829 --> 00:47:46,000

here these are for you and he handed me

1331

00:47:49,750 --> 00:47:47,839

two folders

1332

00:47:52,230 --> 00:47:49,760

and that was the chippiest thing ever

1333

00:47:54,470 --> 00:47:52,240

because i felt the folders handed to me

1334

00:47:56,710 --> 00:47:54,480

i seen them and these were more real

1335

00:47:59,589 --> 00:47:56,720

than anything it felt like it felt like

1336

00:48:01,829 --> 00:47:59,599

these were some

1337

00:48:03,670 --> 00:48:01,839

some energy patterns that he was handing

1338

00:48:05,670 --> 00:48:03,680

me over he's like here these are these

1339

00:48:06,710 --> 00:48:05,680

these are yours these are your energies

1340

00:48:11,190 --> 00:48:06,720

i was like

1341

00:48:12,549 --> 00:48:11,200

and i'm trying to figure out what that

1342

00:48:16,870 --> 00:48:12,559

means i

1343

00:48:19,670 --> 00:48:16,880

i kind of have a clue that maybe

1344

00:48:21,990 --> 00:48:19,680

i have contracts

1345

00:48:23,910 --> 00:48:22,000

have no idea

1346

00:48:25,750 --> 00:48:23,920

you know you bring up a great point here

1347

00:48:27,109 --> 00:48:25,760

um and this is something i don't know

1348

00:48:29,510 --> 00:48:27,119

quite to the extent that you you've

1349

00:48:31,670 --> 00:48:29,520

experienced this but joe had a dream

1350

00:48:33,349 --> 00:48:31,680

like state one time he talked about

1351

00:48:35,270 --> 00:48:33,359

where he was drinking this stuff he was

1352

00:48:36,549 --> 00:48:35,280

drinking this um he didn't even know

1353

00:48:38,470 --> 00:48:36,559

what it was it was like a juice of some

1354

00:48:39,829 --> 00:48:38,480

sort he was like at a club almost and he

1355

00:48:41,430 --> 00:48:39,839

was like dude he was having the greatest

1356

00:48:44,630 --> 00:48:41,440

time in his life he's like it tasted so

1357

00:48:46,390 --> 00:48:44,640

good i was so chill and

1358

00:48:48,390 --> 00:48:46,400

some being or something at some point

1359

00:48:49,990 --> 00:48:48,400

told him okay now it's time to go home

1360

00:48:52,069 --> 00:48:50,000

and he was like no i don't i don't want

1361

00:48:53,510 --> 00:48:52,079

to and they're like no you you have to

1362

00:48:55,589 --> 00:48:53,520

and then that was that

1363

00:48:57,270 --> 00:48:55,599

now you have a much deeper

1364

00:48:58,549 --> 00:48:57,280

uh yeah lynn no problem with running i

1365

00:49:00,069 --> 00:48:58,559

just if you want mine i'm gonna give a

1366

00:49:01,109 --> 00:49:00,079

shout out on who your guest is tonight i

1367

00:49:02,230 --> 00:49:01,119

keep checking but it still hasn't

1368

00:49:03,670 --> 00:49:02,240

updated so if you want to put it in the

1369

00:49:04,950 --> 00:49:03,680

chat let him know and i'll i'll update

1370

00:49:06,470 --> 00:49:04,960

at the end too

1371

00:49:07,589 --> 00:49:06,480

but we'll see you there tonight for sure

1372

00:49:09,829 --> 00:49:07,599

good luck with your guests whoever they

1373

00:49:12,309 --> 00:49:09,839

might be the mystery guest for lynn

1374

00:49:13,589 --> 00:49:12,319

tonight but the idea that you feel that

1375

00:49:16,470 --> 00:49:13,599

you could have had these contracts which

1376

00:49:17,750 --> 00:49:16,480

we often hear hit on uh do you at any

1377

00:49:19,349 --> 00:49:17,760

point your time

1378

00:49:22,069 --> 00:49:19,359

remember opening

1379

00:49:23,910 --> 00:49:22,079

uh said contracts or having anything

1380

00:49:25,829 --> 00:49:23,920

leading to that after them ties back to

1381

00:49:27,910 --> 00:49:25,839

that memory

1382

00:49:30,470 --> 00:49:27,920

uh well see that was the end of the

1383

00:49:31,910 --> 00:49:30,480

memory and like

1384

00:49:33,349 --> 00:49:31,920

i don't know if this is for you but you

1385

00:49:34,950 --> 00:49:33,359

know when you have a lucid dream and you

1386

00:49:37,750 --> 00:49:34,960

remember your dream

1387

00:49:39,589 --> 00:49:37,760

it almost seems like the the very last

1388

00:49:40,950 --> 00:49:39,599

five seconds and the very first five

1389

00:49:42,630 --> 00:49:40,960

seconds are the hardest to remember

1390

00:49:45,190 --> 00:49:42,640

because it's like you're transitioning

1391

00:49:47,349 --> 00:49:45,200

into it so i i literally opened them

1392

00:49:50,390 --> 00:49:47,359

right when i was leaving and like i just

1393

00:49:52,950 --> 00:49:50,400

kind of remember blurring out

1394

00:49:55,349 --> 00:49:54,470

as far as being connected to another

1395

00:49:58,710 --> 00:49:55,359

world

1396

00:50:00,630 --> 00:49:58,720

there was just another time where i i

1397

00:50:03,030 --> 00:50:00,640

was i was in a dream and it was

1398

00:50:05,510 --> 00:50:03,040

definitely a lucid dream but i was above

1399

00:50:07,589 --> 00:50:05,520

my own city and i was just flying around

1400

00:50:08,950 --> 00:50:07,599

i was literally just like floating

1401

00:50:10,309 --> 00:50:08,960

flying

1402

00:50:12,309 --> 00:50:10,319

and like

1403

00:50:14,150 --> 00:50:12,319

being taken from this spot to this spot

1404

00:50:15,430 --> 00:50:14,160

and i was like this is a trip am i in

1405

00:50:16,870 --> 00:50:15,440

the ufo

1406

00:50:19,349 --> 00:50:16,880

and then i

1407

00:50:21,270 --> 00:50:19,359

like once i started having those higher

1408

00:50:23,430 --> 00:50:21,280

higher thoughts like i might hear my ufo

1409

00:50:26,630 --> 00:50:23,440

like i shut down like it just it shut me

1410

00:50:29,030 --> 00:50:26,640

down and i went back to sleep

1411

00:50:31,589 --> 00:50:29,040

do you think and i'm just curious to

1412

00:50:32,710 --> 00:50:31,599

hear your thoughts on this have you ever

1413

00:50:34,549 --> 00:50:32,720

in your you mentioned you've been

1414

00:50:36,230 --> 00:50:34,559

meditating lately have have some of

1415

00:50:38,069 --> 00:50:36,240

these memories come back that way have

1416

00:50:40,069 --> 00:50:38,079

they gave more clarification or has it

1417

00:50:42,950 --> 00:50:40,079

just been solely an introspective search

1418

00:50:46,710 --> 00:50:42,960

of oneself when you meditate

1419

00:50:49,109 --> 00:50:46,720

um definitely as i as i seek

1420

00:50:50,470 --> 00:50:49,119

back into the memories they definitely

1421

00:50:51,349 --> 00:50:50,480

become clear

1422

00:50:57,589 --> 00:50:51,359

um

1423

00:50:59,190 --> 00:50:57,599

i don't know if it's like

1424

00:51:00,790 --> 00:50:59,200

a picture memory

1425

00:51:02,710 --> 00:51:00,800

whatever it's called

1426
00:51:04,549 --> 00:51:02,720
but yeah

1427
00:51:06,230 --> 00:51:04,559
i i don't know if it's that one or

1428
00:51:08,950 --> 00:51:06,240
there's this other

1429
00:51:12,390 --> 00:51:08,960
um psychic sense that i had had seen

1430
00:51:14,710 --> 00:51:12,400
just recently where you can think about

1431
00:51:17,109 --> 00:51:14,720
you can think about something and you

1432
00:51:18,630 --> 00:51:17,119
can go to an event and you can figure

1433
00:51:20,790 --> 00:51:18,640
out the events and all the information

1434
00:51:23,109 --> 00:51:20,800
about it or you can think about someone

1435
00:51:25,510 --> 00:51:23,119
and you can pull information without

1436
00:51:27,829 --> 00:51:25,520
even having to know about it but

1437
00:51:29,589 --> 00:51:27,839
like somewhere along the line i i'm

1438
00:51:31,510 --> 00:51:29,599

actually being able to like go back into

1439

00:51:32,950 --> 00:51:31,520

the experiences and pick up pieces and

1440

00:51:35,670 --> 00:51:32,960

patterns that like

1441

00:51:36,870 --> 00:51:35,680

i wasn't aware of before and it's it's

1442

00:51:41,430 --> 00:51:36,880

been

1443

00:51:43,190 --> 00:51:41,440

think that like i'm upgrading my psychic

1444

00:51:45,030 --> 00:51:43,200

abilities more and more as i'm getting

1445

00:51:46,790 --> 00:51:45,040

into these topics and figuring out you

1446

00:51:48,150 --> 00:51:46,800

know

1447

00:51:50,549 --> 00:51:48,160

what is what

1448

00:51:52,150 --> 00:51:50,559

and you know who we are and how to

1449

00:51:53,910 --> 00:51:52,160

better ourselves

1450

00:51:56,309 --> 00:51:53,920

so

1451

00:51:57,910 --> 00:51:56,319

um i i definitely i definitely am

1452

00:52:00,069 --> 00:51:57,920

getting more

1453

00:52:01,750 --> 00:52:00,079

clairvoyance on all of this

1454

00:52:03,910 --> 00:52:01,760

as i go on

1455

00:52:05,510 --> 00:52:03,920

yeah and i don't think anybody has the

1456

00:52:07,030 --> 00:52:05,520

the answer i always say man like the

1457

00:52:08,309 --> 00:52:07,040

whole idea that we're these you know

1458

00:52:09,990 --> 00:52:08,319

dave's gone i know you hate it but

1459

00:52:11,829 --> 00:52:10,000

fractal pieces of consciousness just

1460

00:52:13,190 --> 00:52:11,839

here experiencing it you know and i

1461

00:52:14,630 --> 00:52:13,200

don't think anybody has it figured out

1462

00:52:17,109 --> 00:52:14,640

but i'm gonna enjoy the ride on the way

1463

00:52:19,109 --> 00:52:17,119

that's for sure um i do think there's

1464

00:52:20,630 --> 00:52:19,119

something to this idea

1465

00:52:21,910 --> 00:52:20,640

of us getting together like this and

1466

00:52:23,589 --> 00:52:21,920

sharing these ideas sharing these

1467

00:52:24,790 --> 00:52:23,599

conversations because just alone the

1468

00:52:27,589 --> 00:52:24,800

stuff you've shared tonight the stuff

1469

00:52:29,990 --> 00:52:27,599

that adam shared tonight here as well as

1470

00:52:31,349 --> 00:52:30,000

uh justin from down under

1471

00:52:33,349 --> 00:52:31,359

i won't even try to do an australian

1472

00:52:34,230 --> 00:52:33,359

accent i won't say the cliché lines at

1473

00:52:36,309 --> 00:52:34,240

least

1474

00:52:38,230 --> 00:52:36,319

and other ones um

1475

00:52:40,390 --> 00:52:38,240

i think there is a waking up process so

1476

00:52:42,630 --> 00:52:40,400

even if it's not something that directly

1477

00:52:44,390 --> 00:52:42,640

i think is impacting you i think we all

1478

00:52:46,230 --> 00:52:44,400

have a role here to play i think there's

1479

00:52:47,430 --> 00:52:46,240

there's a lot to this and i think we

1480

00:52:48,630 --> 00:52:47,440

have a beautiful community i don't know

1481

00:52:50,870 --> 00:52:48,640

how you feel about the garage and the

1482

00:52:52,630 --> 00:52:50,880

boys here but it's a beautiful thing i

1483

00:52:54,230 --> 00:52:52,640

love it man i love i love this whole

1484

00:52:57,270 --> 00:52:54,240

community like

1485

00:52:59,510 --> 00:52:57,280

we all have big balls for talking about

1486

00:53:01,670 --> 00:52:59,520

this like no nobody understands and

1487

00:53:03,349 --> 00:53:01,680

thinks about that on a daily like

1488

00:53:05,109 --> 00:53:03,359

people are people are scared to talk

1489

00:53:07,670 --> 00:53:05,119

about this dude

1490

00:53:09,750 --> 00:53:07,680

i'm like i'm a man bro i ain't scared

1491

00:53:12,230 --> 00:53:09,760

come on man like i'm willing to go ahead

1492

00:53:14,230 --> 00:53:12,240

and face the demons y'all not like hey

1493

00:53:15,990 --> 00:53:14,240

dude i love y'all all of all of you guys

1494

00:53:17,670 --> 00:53:16,000

are willing to face the demons with me

1495

00:53:19,910 --> 00:53:17,680

and with the rest of this community and

1496

00:53:22,549 --> 00:53:19,920

that's a fact like at the end of the day

1497

00:53:24,630 --> 00:53:22,559

when when all this goes down you know

1498

00:53:26,309 --> 00:53:24,640

when the towers i mean when the

1499

00:53:27,270 --> 00:53:26,319

satellites go down dude we're gonna be

1500

00:53:28,870 --> 00:53:27,280

the kings

1501
00:53:29,670 --> 00:53:28,880
you know yeah

1502
00:53:31,670 --> 00:53:29,680
yeah

1503
00:53:33,190 --> 00:53:31,680
you know i've wondered about that okay

1504
00:53:35,430 --> 00:53:33,200
okay let's talk about that for i know we

1505
00:53:37,589 --> 00:53:35,440
only have less than 10 minutes here guys

1506
00:53:39,109 --> 00:53:37,599
but you know how we said that there's

1507
00:53:40,230 --> 00:53:39,119
clearly two things that have happened we

1508
00:53:42,630 --> 00:53:40,240
know that

1509
00:53:44,630 --> 00:53:42,640
past civilizations clearly had even if

1510
00:53:46,630 --> 00:53:44,640
we accept it for the the very

1511
00:53:47,670 --> 00:53:46,640
generic way that it's been taught to us

1512
00:53:50,549 --> 00:53:47,680
they had to have had a way of

1513
00:53:51,430 --> 00:53:50,559

communicating right from the way they're

1514

00:53:52,710 --> 00:53:51,440

they're

1515

00:53:53,910 --> 00:53:52,720

uh their oh my god i thought the word

1516

00:53:54,790 --> 00:53:53,920

would come for me

1517

00:53:55,990 --> 00:53:54,800

they're

1518

00:53:57,109 --> 00:53:56,000

i keep want to say agriculture it's not

1519

00:53:59,349 --> 00:53:57,119

right what is it called when you when

1520

00:54:00,630 --> 00:53:59,359

you build something this is a name for

1521

00:54:03,589 --> 00:54:00,640

your career and this is what you do you

1522

00:54:04,950 --> 00:54:03,599

draw you're an architect thank you

1523

00:54:06,230 --> 00:54:04,960

architect i don't know what's going on

1524

00:54:08,790 --> 00:54:06,240

there my brain like broke down for a

1525

00:54:10,790 --> 00:54:08,800

second there the work that they put into

1526

00:54:12,549 --> 00:54:10,800

their their buildings the architect of

1527

00:54:13,910 --> 00:54:12,559

it they seem to have had some sort of

1528

00:54:17,109 --> 00:54:13,920

communication

1529

00:54:20,309 --> 00:54:17,119

like we've always just said you know

1530

00:54:21,910 --> 00:54:20,319

ancient aliens what if we suspect we

1531

00:54:23,829 --> 00:54:21,920

believe and then they roll into

1532

00:54:25,510 --> 00:54:23,839

something but the idea that what if

1533

00:54:27,750 --> 00:54:25,520

people were communicating we talk about

1534

00:54:29,990 --> 00:54:27,760

astral travel a lot or it's something

1535

00:54:31,910 --> 00:54:30,000

that's been coming up a lot more and do

1536

00:54:33,750 --> 00:54:31,920

you yourself subscribe to the idea of

1537

00:54:35,670 --> 00:54:33,760

being able to astral travel at all on

1538

00:54:37,349 --> 00:54:35,680

the astral planes

1539

00:54:42,950 --> 00:54:37,359

oh my gosh we have a chat smith sighting

1540

00:54:47,030 --> 00:54:45,670

yeah man astral traveling um that that's

1541

00:54:49,030 --> 00:54:47,040

what that's what

1542

00:54:50,950 --> 00:54:49,040

might be happening for me

1543

00:54:53,270 --> 00:54:50,960

like i know a lot of times during

1544

00:54:56,150 --> 00:54:53,280

meditation like during the day

1545

00:54:57,270 --> 00:54:56,160

i i'll be able to

1546

00:54:59,030 --> 00:54:57,280

um

1547

00:55:01,670 --> 00:54:59,040

astral project

1548

00:55:02,789 --> 00:55:01,680

and it's it's pretty fascinating

1549

00:55:03,589 --> 00:55:02,799

and

1550

00:55:05,589 --> 00:55:03,599

like

1551

00:55:07,829 --> 00:55:05,599

it's helped me find a lot of peace in

1552

00:55:10,470 --> 00:55:07,839

life too and i think that like a lot of

1553

00:55:13,270 --> 00:55:10,480

this is natural to us

1554

00:55:15,349 --> 00:55:13,280

and um you know it just takes

1555

00:55:17,190 --> 00:55:15,359

like a healthy person or a conscious

1556

00:55:18,390 --> 00:55:17,200

person or a powerful person whether i

1557

00:55:20,789 --> 00:55:18,400

don't know how

1558

00:55:22,470 --> 00:55:20,799

or what decides the person to have these

1559

00:55:24,549 --> 00:55:22,480

abilities unlocked

1560

00:55:25,990 --> 00:55:24,559

but i think it's within all of us

1561

00:55:27,910 --> 00:55:26,000

i definitely do

1562

00:55:30,230 --> 00:55:27,920

i mean i i even think like everybody

1563

00:55:32,789 --> 00:55:30,240

should be having these dreams and

1564

00:55:35,270 --> 00:55:32,799

you know lucid dreams and psychic senses

1565

00:55:37,349 --> 00:55:35,280

for sure uh it's just

1566

00:55:39,270 --> 00:55:37,359

i'm not sure what

1567

00:55:42,549 --> 00:55:39,280

in the world chooses

1568

00:55:43,750 --> 00:55:42,559

who has it or not and why

1569

00:55:45,030 --> 00:55:43,760

yeah i'm trying to get to there i'm

1570

00:55:45,829 --> 00:55:45,040

trying to help the healthy people out

1571

00:55:47,270 --> 00:55:45,839

too

1572

00:55:48,870 --> 00:55:47,280

at least you know i'm talking like this

1573

00:55:50,870 --> 00:55:48,880

it really helps out people really helps

1574

00:55:52,069 --> 00:55:50,880

people come out and you know help people

1575

00:55:53,510 --> 00:55:52,079

decide

1576

00:55:54,789 --> 00:55:53,520

well we appreciate you sharing your

1577

00:55:56,230 --> 00:55:54,799

story first of all i mean i think

1578

00:55:58,069 --> 00:55:56,240

everybody here in the chat you've got a

1579

00:55:59,750 --> 00:55:58,079

lot there's a fiery chat going on even

1580

00:56:01,270 --> 00:55:59,760

with the the 14 members we got in here

1581

00:56:02,950 --> 00:56:01,280

man they're firing away in here it's

1582

00:56:04,870 --> 00:56:02,960

hard to keep up with a little bit

1583

00:56:06,309 --> 00:56:04,880

um but i appreciate every one of you for

1584

00:56:07,430 --> 00:56:06,319

coming in and obviously we still have

1585

00:56:08,789 --> 00:56:07,440

just a couple more minutes here four or

1586

00:56:10,549 --> 00:56:08,799

five more minutes before we got to run

1587

00:56:11,750 --> 00:56:10,559

and i keep checking for portland i

1588

00:56:12,870 --> 00:56:11,760

usually got it up there but i haven't

1589

00:56:15,109 --> 00:56:12,880

seen it so if anybody knows who the

1590

00:56:17,670 --> 00:56:15,119

guest is here tonight maybe let me know

1591

00:56:20,630 --> 00:56:17,680

and i'll announce it for oh here it is

1592

00:56:22,710 --> 00:56:20,640

uh king cade's cave ancient egyptians in

1593

00:56:24,870 --> 00:56:22,720

america bro how funny is it we were just

1594

00:56:28,069 --> 00:56:24,880

talking about the idea that so anyways

1595

00:56:30,470 --> 00:56:28,079

uh her guest jared murphy jared murphy

1596

00:56:34,630 --> 00:56:30,480

is the podcaster researcher and author

1597

00:56:36,549 --> 00:56:34,640

of it's not aliens worse it's us

1598

00:56:38,789 --> 00:56:36,559

oh man the evidence from historical

1599

00:56:40,150 --> 00:56:38,799

records legends and myths that sounds

1600

00:56:40,950 --> 00:56:40,160

like a good one that sounds like a good

1601
00:56:42,789 --> 00:56:40,960
one

1602
00:56:44,870 --> 00:56:42,799
i think i've heard of jared murphy from

1603
00:56:45,670 --> 00:56:44,880
leake project yeah jared murphy's pretty

1604
00:56:47,670 --> 00:56:45,680
cool

1605
00:56:49,109 --> 00:56:47,680
good times good times but dude i

1606
00:56:50,470 --> 00:56:49,119
absolutely love this i mean and this

1607
00:56:51,670 --> 00:56:50,480
wasn't for anybody some people are

1608
00:56:52,870 --> 00:56:51,680
asking that like i didn't get a

1609
00:56:54,630 --> 00:56:52,880
notification stuff guys it wasn't

1610
00:56:56,870 --> 00:56:54,640
planned at all i just felt that i needed

1611
00:56:59,270 --> 00:56:56,880
to hop on and i don't know i normally

1612
00:57:00,549 --> 00:56:59,280
ignore sometimes those gut instincts and

1613
00:57:01,829 --> 00:57:00,559

i just felt like somebody needed to

1614

00:57:03,270 --> 00:57:01,839

either chat tonight like i said that

1615

00:57:05,349 --> 00:57:03,280

might have even been myself i don't know

1616

00:57:06,470 --> 00:57:05,359

i mean share something and uh i just

1617

00:57:08,630 --> 00:57:06,480

felt that maybe somebody out there

1618

00:57:09,670 --> 00:57:08,640

needed a had a rough weekend just needed

1619

00:57:10,870 --> 00:57:09,680

a place to

1620

00:57:12,710 --> 00:57:10,880

to hang out for a couple minutes and

1621

00:57:13,990 --> 00:57:12,720

have these these talk so

1622

00:57:15,589 --> 00:57:14,000

that's kind of why that happened you

1623

00:57:17,670 --> 00:57:15,599

guys didn't miss anything you didn't

1624

00:57:19,190 --> 00:57:17,680

forget to check on it it was it was

1625

00:57:20,470 --> 00:57:19,200

literally i just messaged ben was like

1626
00:57:21,589 --> 00:57:20,480
hey do you mind if i go live and he's

1627
00:57:23,270 --> 00:57:21,599
like

1628
00:57:24,630 --> 00:57:23,280
start all blew up get her out there and

1629
00:57:26,390 --> 00:57:24,640
then people start hopping in here and

1630
00:57:28,870 --> 00:57:26,400
look at all you guys hanging out

1631
00:57:30,789 --> 00:57:28,880
um glad you did it see look at that

1632
00:57:32,470 --> 00:57:30,799
trust your gut heck yeah

1633
00:57:34,309 --> 00:57:32,480
but so really quick i got one last

1634
00:57:35,910 --> 00:57:34,319
question for you 509

1635
00:57:37,190 --> 00:57:35,920
and all of your travels and all of your

1636
00:57:38,390 --> 00:57:37,200
experiences and i know we have to have

1637
00:57:39,829 --> 00:57:38,400
we have to do another time again where

1638
00:57:41,670 --> 00:57:39,839

we get because i know you had to rush

1639

00:57:43,510 --> 00:57:41,680

the story here tonight

1640

00:57:45,270 --> 00:57:43,520

did you ever encounter besides the

1641

00:57:47,829 --> 00:57:45,280

beings you were encountering

1642

00:57:50,470 --> 00:57:47,839

did you ever in your experiences

1643

00:57:52,069 --> 00:57:50,480

notice meet or speak with another person

1644

00:57:54,390 --> 00:57:52,079

that you identified that was from earth

1645

00:57:56,069 --> 00:57:54,400

say not of this world you ready dude

1646

00:57:59,030 --> 00:57:56,079

that's the trip that you asked that

1647

00:58:00,710 --> 00:57:59,040

specifically bro i like there's this

1648

00:58:03,030 --> 00:58:00,720

there's this um

1649

00:58:05,670 --> 00:58:03,040

experience in my backyard man out like

1650

00:58:08,630 --> 00:58:05,680

it was around five to six o'clock and

1651
00:58:10,789 --> 00:58:08,640
you know i like to stay

1652
00:58:12,549 --> 00:58:10,799
you know meditatively in the mind where

1653
00:58:15,990 --> 00:58:12,559
like i can you know

1654
00:58:18,470 --> 00:58:16,000
be enlightened and be on those uh

1655
00:58:19,910 --> 00:58:18,480
just joyous joyous vibes where you you

1656
00:58:21,270 --> 00:58:19,920
know it's light-heartedness where you

1657
00:58:23,589 --> 00:58:21,280
can go around someone you're like man

1658
00:58:25,270 --> 00:58:23,599
this guy's just pure pure happiness so

1659
00:58:28,230 --> 00:58:25,280
you know it's like around five or six

1660
00:58:30,630 --> 00:58:28,240
and i was in my backyard

1661
00:58:33,349 --> 00:58:30,640
and dude there was this like white

1662
00:58:35,270 --> 00:58:33,359
apparition of like a human form like

1663
00:58:37,670 --> 00:58:35,280

that started speaking to me

1664

00:58:38,870 --> 00:58:37,680

and it literally appeared in the day

1665

00:58:40,630 --> 00:58:38,880

which is the chippiest thing ever

1666

00:58:42,710 --> 00:58:40,640

because i've never had anything like

1667

00:58:44,789 --> 00:58:42,720

appear during the day

1668

00:58:45,829 --> 00:58:44,799

and i felt like i felt like this was

1669

00:58:48,789 --> 00:58:45,839

like

1670

00:58:51,109 --> 00:58:48,799

light and actually needing to talk to me

1671

00:58:53,430 --> 00:58:51,119

like this one like literally came out

1672

00:58:56,470 --> 00:58:53,440

from the ground it was it was pretty

1673

00:58:58,549 --> 00:58:56,480

tall and it looked like an old old

1674

00:59:01,910 --> 00:58:58,559

spirit it was weird dude it was like

1675

00:59:04,549 --> 00:59:01,920

i've seen this spirit more more in in

1676
00:59:07,349 --> 00:59:04,559
fullness than anything i've ever seen

1677
00:59:09,190 --> 00:59:07,359
it it looked like

1678
00:59:12,150 --> 00:59:09,200
like they were from two to three

1679
00:59:14,470 --> 00:59:12,160
thousand years ago based on their robes

1680
00:59:15,670 --> 00:59:14,480
they were wearing a robe

1681
00:59:17,109 --> 00:59:15,680
and i

1682
00:59:19,910 --> 00:59:17,119
i'm i was

1683
00:59:20,710 --> 00:59:19,920
that that caught my eye because like

1684
00:59:22,549 --> 00:59:20,720
uh

1685
00:59:23,990 --> 00:59:22,559
man like not too many people wear robes

1686
00:59:25,670 --> 00:59:24,000
like

1687
00:59:27,910 --> 00:59:25,680
yeah you know the only certain uh

1688
00:59:29,430 --> 00:59:27,920

certain certain areas certain certain

1689

00:59:32,309 --> 00:59:29,440

aspect of people

1690

00:59:33,990 --> 00:59:32,319

wear these thick heavy robes

1691

00:59:36,710 --> 00:59:34,000

and it started asking me i was like hey

1692

00:59:38,069 --> 00:59:36,720

man you know um

1693

00:59:39,910 --> 00:59:38,079

you know you're getting to a point in

1694

00:59:41,510 --> 00:59:39,920

your life where you can go either two

1695

00:59:45,589 --> 00:59:41,520

routes

1696

00:59:48,309 --> 00:59:45,599

and i was like oh [h__h]

1697

00:59:50,230 --> 00:59:48,319

i was like why am i here why is this now

1698

00:59:52,230 --> 00:59:50,240

and i already knew what it was like i

1699

00:59:54,309 --> 00:59:52,240

already knew what's happening like

1700

00:59:56,390 --> 00:59:54,319

something is showing me like which ways

1701
00:59:57,349 --> 00:59:56,400
i can go from here

1702
00:59:58,150 --> 00:59:57,359
and

1703
00:59:59,910 --> 00:59:58,160
uh

1704
01:00:01,430 --> 00:59:59,920
man it had to like it had a long

1705
01:00:02,710 --> 01:00:01,440
conversation with me i know we're short

1706
01:00:05,030 --> 01:00:02,720
on time so i'm not going to go into the

1707
01:00:06,950 --> 01:00:05,040
conversation but like sure

1708
01:00:08,710 --> 01:00:06,960
specifically like that was coming to my

1709
01:00:10,950 --> 01:00:08,720
mind this last five minutes like i was

1710
01:00:12,470 --> 01:00:10,960
like man i i didn't even how do i even

1711
01:00:14,470 --> 01:00:12,480
talk about this and you just you brought

1712
01:00:16,710 --> 01:00:14,480
it up it was like consciousness making

1713
01:00:18,710 --> 01:00:16,720

you bring it up to me because

1714

01:00:21,670 --> 01:00:18,720

like it was literally like a human form

1715

01:00:22,630 --> 01:00:21,680

it was it was so crazy it was like it

1716

01:00:27,190 --> 01:00:22,640

was

1717

01:00:29,510 --> 01:00:27,200

right here in my in my house i thought i

1718

01:00:31,589 --> 01:00:29,520

had seen a ghost like like at five years

1719

01:00:34,230 --> 01:00:31,599

old from the corner of my eye and then

1720

01:00:39,510 --> 01:00:34,240

having this thing appear at me when i'm

1721

01:00:42,230 --> 01:00:39,520

like like 28 now 27 um ari i knew my

1722

01:00:44,470 --> 01:00:42,240

house like is on this like higher energy

1723

01:00:47,589 --> 01:00:44,480

pattern and i had talked to i think sure

1724

01:00:50,309 --> 01:00:47,599

yeah sherry already ariano um that i had

1725

01:00:53,030 --> 01:00:50,319

got from spaced out radio and man like

1726

01:00:54,549 --> 01:00:53,040

dude without me even telling her she

1727

01:00:57,829 --> 01:00:54,559

asked me she's like hey dude do you live

1728

01:01:00,309 --> 01:00:57,839

on vortexes i was like holy [h__h]

1729

01:01:02,309 --> 01:01:00,319

yeah how do you know what the [h__h] like

1730

01:01:04,150 --> 01:01:02,319

in my dream my whole life

1731

01:01:05,829 --> 01:01:04,160

in my dreams like there's been this

1732

01:01:07,430 --> 01:01:05,839

[h__h] voice been like hey dude you you

1733

01:01:09,589 --> 01:01:07,440

live on some very special property it's

1734

01:01:11,349 --> 01:01:09,599

like portal like and i was i was always

1735

01:01:13,270 --> 01:01:11,359

like nah

1736

01:01:14,630 --> 01:01:13,280

wait wait what do you mean nah like i

1737

01:01:16,549 --> 01:01:14,640

was always questioning i was like what

1738

01:01:19,430 --> 01:01:16,559

do you mean what the [h__h] and then you

1739

01:01:20,390 --> 01:01:19,440

know shariani and shorty ariana asked me

1740

01:01:23,670 --> 01:01:20,400

that

1741

01:01:25,670 --> 01:01:23,680

and like man it's it's it's coming from

1742

01:01:26,549 --> 01:01:25,680

all perspective now it's coming all

1743

01:01:28,069 --> 01:01:26,559

clear

1744

01:01:30,069 --> 01:01:28,079

and man like i don't know what's

1745

01:01:32,789 --> 01:01:30,079

happening here but some things want to

1746

01:01:34,069 --> 01:01:32,799

protect me or talk to me and i

1747

01:01:35,750 --> 01:01:34,079

i want to talk to you all about it

1748

01:01:38,069 --> 01:01:35,760

because i need to it's probably my job

1749

01:01:40,549 --> 01:01:38,079

and by my contract that i have to like

1750

01:01:42,549 --> 01:01:40,559

yeah well we're glad we can provide a

1751

01:01:44,470 --> 01:01:42,559

platform for you ability to get this out

1752

01:01:46,390 --> 01:01:44,480

there um there's a lot of comments about

1753

01:01:48,230 --> 01:01:46,400

the robes um but unfortunately guys we

1754

01:01:49,990 --> 01:01:48,240

gotta get going because of lynn here so

1755

01:01:51,589 --> 01:01:50,000

what i'm gonna do is 509 you and i can

1756

01:01:52,390 --> 01:01:51,599

obviously we talk offline at the time

1757

01:01:53,670 --> 01:01:52,400

anyway so

1758

01:01:55,190 --> 01:01:53,680

hit me up and i'll try to find a time

1759

01:01:56,710 --> 01:01:55,200

even if it isn't on a saturday maybe we

1760

01:01:58,950 --> 01:01:56,720

do a friday or something or we'll figure

1761

01:02:00,470 --> 01:01:58,960

something out to to get you uh out here

1762

01:02:01,510 --> 01:02:00,480

within the story whether it's with or

1763

01:02:03,589 --> 01:02:01,520

even with ben and joe or however it

1764

01:02:05,750 --> 01:02:03,599

might work out um we'll definitely do it

1765

01:02:08,789 --> 01:02:05,760

again but i want to get you guys over to

1766

01:02:10,309 --> 01:02:08,799

uh to lynn and sor there by the way

1767

01:02:11,670 --> 01:02:10,319

thank you so much 509 thank you to

1768

01:02:14,230 --> 01:02:11,680

everyone who came and hung out here

1769

01:02:16,309 --> 01:02:14,240

tonight um yeah thank you all man i love

1770

01:02:18,309 --> 01:02:16,319

this crowd i love you guys man you guys

1771

01:02:20,470 --> 01:02:18,319

are amazing it's it's good to have this

1772

01:02:21,670 --> 01:02:20,480

good high energy because you know

1773

01:02:23,349 --> 01:02:21,680

there's a lot of people out there and

1774

01:02:25,270 --> 01:02:23,359

these in these chat rooms too who just

1775

01:02:28,069 --> 01:02:25,280

don't say one word they'll just be

1776

01:02:29,910 --> 01:02:28,079

watching it and not comment and not give

1777

01:02:31,589 --> 01:02:29,920

their idea not give their opinion or

1778

01:02:33,670 --> 01:02:31,599

they'll just be hating trolls and you

1779

01:02:35,670 --> 01:02:33,680

guys you guys are amazing we're we're

1780

01:02:37,190 --> 01:02:35,680

good here this is nice like yeah all

1781

01:02:39,910 --> 01:02:37,200

right well as i always say and in the

1782

01:02:41,750 --> 01:02:39,920

show to everyone peace love and taco

1783

01:02:43,510 --> 01:02:41,760

grease that's always a good one but i

1784

01:02:45,670 --> 01:02:43,520

want oh

1785

01:02:48,470 --> 01:02:45,680

god bless party party party uh but yeah

1786

01:02:51,720 --> 01:02:48,480

everyone please stay curious

1787

01:02:53,430 --> 01:02:51,730

and keep it weird

1788

01:04:17,190 --> 01:02:53,440

[Music]

1789

01:04:17,200 --> 01:04:35,400

so
