

UGERAGE

1
00:00:05,910 --> 00:00:03,990
yo yo here we go yeah we're live

2
00:00:09,030 --> 00:00:05,920
what's up ladies and gentlemen how's it

3
00:00:10,150 --> 00:00:09,040
going hey hey hey we're here

4
00:00:13,350 --> 00:00:10,160
that

5
00:00:14,470 --> 00:00:13,360
this is another episode of ufo garage

6
00:00:16,310 --> 00:00:14,480
i'm ben

7
00:00:18,230 --> 00:00:16,320
and i'm joe and this is where we talk

8
00:00:22,390 --> 00:00:18,240
about ufos

9
00:00:24,390 --> 00:00:22,400
aliens and all these things weird i

10
00:00:27,509 --> 00:00:24,400
would also like to bring up the fact

11
00:00:30,470 --> 00:00:27,519
that uh mj sedona bought a pot roast

12
00:00:32,549 --> 00:00:30,480
today for 60 dollars

13
00:00:34,229 --> 00:00:32,559

how insane is that dude that's too

14

00:00:35,430 --> 00:00:34,239

expensive for a pot roast you remember

15

00:00:39,270 --> 00:00:35,440

back in the day

16

00:00:43,430 --> 00:00:42,470

sweet sweet pot roast sweet slow roasted

17

00:00:45,910 --> 00:00:43,440

meat

18

00:00:48,549 --> 00:00:45,920

i actually had some roast last week bro

19

00:00:51,590 --> 00:00:48,559

and it was good it was real good i'm not

20

00:00:53,510 --> 00:00:51,600

even gonna lie had some cabbage carrots

21

00:00:54,709 --> 00:00:53,520

some some potatoes

22

00:00:58,229 --> 00:00:54,719

and uh

23

00:01:01,430 --> 00:00:58,239

and i threw some lemons in there dude

24

00:01:03,670 --> 00:01:01,440

it was ham it went ham even though it

25

00:01:05,270 --> 00:01:03,680

was roast you know what i mean was it a

26
00:01:08,390 --> 00:01:05,280
pork roast or is it a

27
00:01:10,070 --> 00:01:08,400
beef beef roast it was a beef roast yeah

28
00:01:11,830 --> 00:01:10,080
yeah um

29
00:01:15,510 --> 00:01:11,840
oh yeah when people say pot roast i

30
00:01:19,749 --> 00:01:17,510
that was after the pot roast there's two

31
00:01:21,270 --> 00:01:19,759
kinds of pot roasts

32
00:01:22,950 --> 00:01:21,280
yeah apollo just said the exact same

33
00:01:23,990 --> 00:01:22,960
thing

34
00:01:26,630 --> 00:01:24,000
yes

35
00:01:27,990 --> 00:01:26,640
oh my gosh i i wonder you know when when

36
00:01:31,030 --> 00:01:28,000
we're going to get to the point where

37
00:01:33,270 --> 00:01:31,040
our technology is so advanced that

38
00:01:34,789 --> 00:01:33,280

we can 3d print pot roast i feel like

39

00:01:35,670 --> 00:01:34,799

we're still going to 3d print them too

40

00:01:37,190 --> 00:01:35,680

dry

41

00:01:39,030 --> 00:01:37,200

they're just going to be it's going to

42

00:01:40,870 --> 00:01:39,040

be too dry man not enough gravy there's

43

00:01:42,230 --> 00:01:40,880

never no gravy because you got a you got

44

00:01:45,190 --> 00:01:42,240

a pot roast

45

00:01:46,230 --> 00:01:45,200

you got a 3d print the uh uh

46

00:01:48,630 --> 00:01:46,240

the uh

47

00:01:51,270 --> 00:01:48,640

the bouillon cubes and the

48

00:01:53,030 --> 00:01:51,280

you know and the and the beef broth well

49

00:01:54,710 --> 00:01:53,040

if you're 3d printing food do you have

50

00:01:56,149 --> 00:01:54,720

to even print the ingredients you just

51
00:01:57,190 --> 00:01:56,159
print the thing

52
00:01:59,429 --> 00:01:57,200
you better

53
00:02:01,749 --> 00:01:59,439
uh print the ingredients dude what if i

54
00:02:04,469 --> 00:02:01,759
want to skip that part well then it

55
00:02:05,830 --> 00:02:04,479
tastes like poop i'm bad at measurements

56
00:02:10,949 --> 00:02:05,840
dude

57
00:02:12,550 --> 00:02:10,959
[Laughter]

58
00:02:14,550 --> 00:02:12,560
oh man

59
00:02:15,990 --> 00:02:14,560
yeah so hey

60
00:02:17,510 --> 00:02:16,000
oh

61
00:02:19,750 --> 00:02:17,520
did you have any cool fun stuff you

62
00:02:22,630 --> 00:02:19,760
wanted to to say to everybody or uh well

63
00:02:24,869 --> 00:02:22,640

i guess we'll start off i mean the uh

64

00:02:27,750 --> 00:02:24,879

the national cathedral the the event

65

00:02:29,589 --> 00:02:27,760

that happened last night um what happens

66

00:02:30,949 --> 00:02:29,599

to us in space in the future that's the

67

00:02:34,470 --> 00:02:30,959

exact title

68

00:02:35,509 --> 00:02:34,480

uh dude i i was able to log in or start

69

00:02:36,790 --> 00:02:35,519

watching

70

00:02:40,229 --> 00:02:36,800

um

71

00:02:44,150 --> 00:02:40,239

when jeff bezos was about to close and

72

00:02:47,110 --> 00:02:44,160

and then i saw avi loeb and uh

73

00:02:52,470 --> 00:02:47,120

professor reverend cr uh

74

00:02:55,430 --> 00:02:54,229

yeah it was interesting man i know you

75

00:02:57,350 --> 00:02:55,440

said that you you popped in for a little

76

00:02:59,270 --> 00:02:57,360

bit too what did you think of that man i

77

00:03:01,110 --> 00:02:59,280

watched the whole thing dude

78

00:03:03,830 --> 00:03:01,120

i watched the whole thing today it was

79

00:03:06,550 --> 00:03:03,840

pretty good man i i i thought it was

80

00:03:11,589 --> 00:03:08,470

actually and furthermore

81

00:03:15,589 --> 00:03:11,599

it was all so cool uh yeah dude like the

82

00:03:17,350 --> 00:03:15,599

fact they did it in a a cathedral uh was

83

00:03:23,509 --> 00:03:17,360

was

84

00:03:25,270 --> 00:03:23,519

not a priest but a representative of the

85

00:03:28,390 --> 00:03:25,280

of the catholic church

86

00:03:30,470 --> 00:03:28,400

that was you know speaking

87

00:03:31,750 --> 00:03:30,480

obviously he's biased because he's you

88

00:03:33,430 --> 00:03:31,760

know representing the catholic church

89

00:03:35,509 --> 00:03:33,440

but it was very respectful between both

90

00:03:37,430 --> 00:03:35,519

parties that's what i i really like that

91

00:03:38,309 --> 00:03:37,440

did you did you catch that like

92

00:03:40,149 --> 00:03:38,319

there was

93

00:03:41,430 --> 00:03:40,159

utmost respect between the two they were

94

00:03:43,830 --> 00:03:41,440

like hey

95

00:03:45,830 --> 00:03:43,840

dude we lo we there's nothing but love

96

00:03:48,070 --> 00:03:45,840

bro

97

00:03:49,830 --> 00:03:48,080

it was good man it was good

98

00:03:51,990 --> 00:03:49,840

let's uh let's

99

00:03:53,589 --> 00:03:52,000

let's bring our guests in and we'll

100

00:03:55,670 --> 00:03:53,599

we'll keep that on the back burner

101

00:03:57,990 --> 00:03:55,680

because it's kind of a cool just

102

00:03:59,750 --> 00:03:58,000

round table-ish type discussion that

103

00:04:01,509 --> 00:03:59,760

that we can definitely have yeah

104

00:04:02,710 --> 00:04:01,519

definitely i don't think jojo's at his

105

00:04:04,869 --> 00:04:02,720

chair right now so i'm gonna wait till

106

00:04:06,229 --> 00:04:04,879

he gets back oh yeah okay can you see

107

00:04:12,710 --> 00:04:06,239

the backstage

108

00:04:14,550 --> 00:04:12,720

hey

109

00:04:15,990 --> 00:04:14,560

the youtube is a is a little bit of a

110

00:04:17,990 --> 00:04:16,000

delay right

111

00:04:18,789 --> 00:04:18,000

it is ah

112

00:04:19,749 --> 00:04:18,799

yeah

113

00:04:22,230 --> 00:04:19,759

what do you mean

114

00:04:24,629 --> 00:04:22,240

well well i don't know if he's watching

115

00:04:27,670 --> 00:04:24,639

it and then we're talking about it and

116

00:04:29,189 --> 00:04:27,680

then he's like oh three minutes later

117

00:04:30,710 --> 00:04:29,199

he's like oh i'm gonna go in there i'm

118

00:04:33,350 --> 00:04:30,720

gonna run in there dude

119

00:04:35,990 --> 00:04:33,360

perfect perfect he's got two studios

120

00:04:37,189 --> 00:04:36,000

yeah he's a big he's a big deal he's a

121

00:04:40,070 --> 00:04:37,199

big deal

122

00:04:42,469 --> 00:04:40,080

jojo bone he yeah i

123

00:04:44,310 --> 00:04:42,479

yeah i'll wait he just got back on uh i

124

00:04:45,270 --> 00:04:44,320

can see him on the camera setting it up

125

00:04:46,950 --> 00:04:45,280

oh man

126
00:04:48,629 --> 00:04:46,960
he's about to sit down we're doing a

127
00:04:51,110 --> 00:04:48,639
play-by-play of our guest in the

128
00:04:52,469 --> 00:04:51,120
background play by play now he's making

129
00:04:54,710 --> 00:04:52,479
a sandwich

130
00:04:56,950 --> 00:04:54,720
he's got the mustard out he's still

131
00:04:58,310 --> 00:04:56,960
going oh we're going with provolone

132
00:05:00,710 --> 00:04:58,320
today

133
00:05:03,029 --> 00:05:00,720
that's a shiny piece of um that's a

134
00:05:04,230 --> 00:05:03,039
thinly sliced piece of provolone i love

135
00:05:07,590 --> 00:05:04,240
it man

136
00:05:09,270 --> 00:05:07,600
oh dude hey what's up aurelio how you

137
00:05:10,550 --> 00:05:09,280

146

00:05:26,629 --> 00:05:25,360

the uh apollo says they've been 3d

147

00:05:28,469 --> 00:05:26,639

printing ramen noodles since the

148

00:05:30,550 --> 00:05:28,479

beginning of ramen noodles

149

00:05:32,790 --> 00:05:30,560

i feel like it they taste like 3d

150

00:05:35,749 --> 00:05:32,800

printed [h__h] they do

151

00:05:37,510 --> 00:05:35,759

i can't do ramen it makes nauseous

152

00:05:40,629 --> 00:05:37,520

dude awesome all right well let's uh

153

00:05:42,550 --> 00:05:40,639

let's bring in jojo bone man jojo what's

154

00:05:44,629 --> 00:05:42,560

up dude

155

00:05:46,550 --> 00:05:44,639

hey guys

156

00:05:47,749 --> 00:05:46,560

what's up dude how are you getting you

157

00:05:51,749 --> 00:05:47,759

here

158

00:05:54,230 --> 00:05:51,759

yes man yeah what a coincidence

159

00:05:57,029 --> 00:05:54,240

all right right so happened it's it's

160

00:05:58,550 --> 00:05:57,039

crazy running into you i was just i was

161

00:06:03,110 --> 00:05:58,560

just

162

00:06:06,390 --> 00:06:03,120

working on my spaceship i thought i'd

163

00:06:08,710 --> 00:06:06,400

come in and there you are all right yeah

164

00:06:13,189 --> 00:06:08,720

so you have your you have your own ufo

165

00:06:19,590 --> 00:06:16,710

we're working on the spaceship right

166

00:06:21,189 --> 00:06:19,600

yeah working on the spaceship man

167

00:06:23,909 --> 00:06:21,199

you know you never know when we're gonna

168

00:06:25,029 --> 00:06:23,919

have to bug out you don't you don't you

169

00:06:26,950 --> 00:06:25,039

know

170

00:06:28,710 --> 00:06:26,960

i think that was uh

171

00:06:30,550 --> 00:06:28,720

i think that's their plan too like they

172

00:06:32,469 --> 00:06:30,560

don't know you know that's why they have

173

00:06:34,390 --> 00:06:32,479

spaceships right that's right that's

174

00:06:36,469 --> 00:06:34,400

that's the way it works man

175

00:06:37,909 --> 00:06:36,479

heck yeah you know we're all hanging out

176

00:06:40,870 --> 00:06:37,919

and all sudden we see

177

00:06:43,029 --> 00:06:40,880

all the dudes flying over us splitting

178

00:06:45,430 --> 00:06:43,039

we're gonna say we better bug out too

179

00:06:48,150 --> 00:06:45,440

you know yeah they must know something

180

00:06:49,749 --> 00:06:48,160

and we'll have a spaceship yeah yes

181

00:06:51,110 --> 00:06:49,759

we've we've got a couple we'll have a

182

00:06:51,990 --> 00:06:51,120

spaceship

183

00:06:59,670 --> 00:06:52,000

yes

184

00:07:02,790 --> 00:06:59,680

able to make it on with us uh it is kind

185

00:07:03,589 --> 00:07:02,800

of random how this all kind of happened

186

00:07:05,350 --> 00:07:03,599

i mean

187

00:07:07,510 --> 00:07:05,360

you uh i guess

188

00:07:08,309 --> 00:07:07,520

you know kind of just stumbled upon the

189

00:07:11,270 --> 00:07:08,319

show

190

00:07:14,629 --> 00:07:11,280

and uh you were actually on with william

191

00:07:16,629 --> 00:07:14,639

uh a couple weeks ago for halloween

192

00:07:18,550 --> 00:07:16,639

and to check it out right so you know

193

00:07:20,070 --> 00:07:18,560

that's that's really right

194

00:07:22,870 --> 00:07:20,080

you know then we find out that we're

195

00:07:25,670 --> 00:07:22,880

we're all from the same town like that's

196

00:07:29,189 --> 00:07:28,070

yeah some of these guys are my neighbors

197

00:07:30,390 --> 00:07:29,199

man

198

00:07:32,469 --> 00:07:30,400

yeah who would have thought i got

199

00:07:35,270 --> 00:07:32,479

spaceships too

200

00:07:37,029 --> 00:07:35,280

yes i didn't know that

201
00:07:39,749 --> 00:07:37,039
everybody needs your own spaceship dude

202
00:07:41,110 --> 00:07:39,759
so that's just me and joe do not know

203
00:07:45,270 --> 00:07:41,120
man

204
00:07:46,629 --> 00:07:45,280
little bit earlier you're uh you know

205
00:07:48,550 --> 00:07:46,639
you do a little bit of uh you know

206
00:07:51,189 --> 00:07:48,560
you've got your little studio you do a

207
00:07:53,430 --> 00:07:51,199
little uh photography and things like

208
00:07:56,390 --> 00:07:53,440
that you also uh have your own little

209
00:07:58,309 --> 00:07:56,400
show on kbsr which is uh you know black

210
00:07:59,510 --> 00:07:58,319
sparrow radio it's it's right down here

211
00:08:01,909 --> 00:07:59,520
downtown

212
00:08:04,390 --> 00:08:01,919
and uh so i mean it sounds like you stay

213
00:08:07,270 --> 00:08:04,400

pretty busy man

214

00:08:09,350 --> 00:08:07,280

i do stay busy you know i stay busy with

215

00:08:11,589 --> 00:08:09,360

lots of little things

216

00:08:14,550 --> 00:08:11,599

and that's a way to live life you know i

217

00:08:16,629 --> 00:08:14,560

don't want too much responsibility

218

00:08:19,110 --> 00:08:16,639

what was the movie uh

219

00:08:22,070 --> 00:08:19,120

american rose or american beauty

220

00:08:24,230 --> 00:08:22,080

remember the guy lost his job and he

221

00:08:27,670 --> 00:08:24,240

goes into the fast food place and he

222

00:08:29,990 --> 00:08:27,680

goes i want the job do you have a job or

223

00:08:32,790 --> 00:08:30,000

i want a job with the least amount of

224

00:08:35,269 --> 00:08:32,800

responsibility possible and they said

225

00:08:37,110 --> 00:08:35,279

well we have fry cook available

226

00:08:40,709 --> 00:08:37,120

is that the least amount of

227

00:08:43,350 --> 00:08:40,719

responsibility possible well i think so

228

00:08:46,150 --> 00:08:43,360

i'll take it

229

00:08:47,670 --> 00:08:46,160

so i'm like i'm like the fry cook of

230

00:08:49,190 --> 00:08:47,680

taylor

231

00:08:50,470 --> 00:08:49,200

nice

232

00:08:52,389 --> 00:08:50,480

i mean

233

00:08:56,150 --> 00:08:52,399

hot oil is is you got to be pretty

234

00:08:58,230 --> 00:08:56,160

responsible with hot uh hot oil man whoa

235

00:09:00,310 --> 00:08:58,240

you know you do they didn't tell me that

236

00:09:02,550 --> 00:09:00,320

oh man

237

00:09:05,350 --> 00:09:02,560

we quit it's true

238

00:09:07,430 --> 00:09:05,360

oh man i don't know about that that's a

239

00:09:10,550 --> 00:09:07,440

lot of responsibility

240

00:09:11,670 --> 00:09:10,560

yeah so so jojo man

241

00:09:14,790 --> 00:09:11,680

all right

242

00:09:17,350 --> 00:09:14,800

tell us tell us about what you do uh on

243

00:09:19,910 --> 00:09:17,360

your show on kbsr for for the for the

244

00:09:21,509 --> 00:09:19,920

listeners man

245

00:09:25,430 --> 00:09:21,519

well my

246

00:09:26,470 --> 00:09:25,440

my uh my formula i'm evolving to

247

00:09:28,150 --> 00:09:26,480

is

248

00:09:30,790 --> 00:09:28,160

music

249

00:09:31,750 --> 00:09:30,800

with comfort uh conversation

250

00:09:33,350 --> 00:09:31,760

right

251

00:09:37,509 --> 00:09:33,360

with

252

00:09:38,470 --> 00:09:37,519

uh paranormals you know

253

00:09:41,190 --> 00:09:38,480

uh

254

00:09:42,949 --> 00:09:41,200

stories and topics of high strangeness

255

00:09:45,430 --> 00:09:42,959

you know because i like that and i like

256

00:09:47,670 --> 00:09:45,440

to just like weave it in you know i love

257

00:09:49,990 --> 00:09:47,680

it so yeah one we're listening to rock

258

00:09:51,430 --> 00:09:50,000

and roll we're rocking out and then

259

00:09:53,110 --> 00:09:51,440

after the song

260

00:09:55,190 --> 00:09:53,120

who knows what i'll say

261

00:09:57,190 --> 00:09:55,200

you know i'm suddenly i'm doing that

262

00:09:59,110 --> 00:09:57,200

paranormal thing you know

263

00:10:00,230 --> 00:09:59,120

i love that so that that's the kind of

264

00:10:02,949 --> 00:10:00,240

you know

265

00:10:05,190 --> 00:10:02,959

but i told you as i told you i i i have

266

00:10:07,990 --> 00:10:05,200

a i have a co-host

267

00:10:09,670 --> 00:10:08,000

and after the first week

268

00:10:11,590 --> 00:10:09,680

after the first week her you know her

269

00:10:14,550 --> 00:10:11,600

parents got sick

270

00:10:15,829 --> 00:10:14,560

with kobe and so she's had to go take

271

00:10:19,110 --> 00:10:15,839

care of them

272

00:10:21,670 --> 00:10:19,120

and so i've been flying solo a lot the

273

00:10:24,150 --> 00:10:21,680

last few weeks so i need to you need to

274

00:10:26,630 --> 00:10:24,160

get working on the formula again it's

275

00:10:29,590 --> 00:10:26,640

the formula man the formula

276

00:10:31,110 --> 00:10:29,600

the christmas cherished formula

277

00:10:33,430 --> 00:10:31,120

yes man

278

00:10:35,590 --> 00:10:33,440

man we we get that you know ben and i

279

00:10:37,990 --> 00:10:35,600

kind of started this whole thing with uh

280

00:10:40,470 --> 00:10:38,000

with zero formula right it was like me

281

00:10:42,550 --> 00:10:40,480

and b just always talked about it and we

282

00:10:44,230 --> 00:10:42,560

were like let's throw it on the internet

283

00:10:46,710 --> 00:10:44,240

and see what other people have to say

284

00:10:48,389 --> 00:10:46,720

man right because it's kind of a topic

285

00:10:50,949 --> 00:10:48,399

where you know people

286

00:10:53,509 --> 00:10:50,959

you they either love it or it's just

287

00:10:55,590 --> 00:10:53,519

completely way out left field for them

288

00:10:57,990 --> 00:10:55,600

and and we were like let's see if we can

289

00:11:00,230 --> 00:10:58,000

contact you know maybe some some just

290

00:11:02,310 --> 00:11:00,240

like friends and have them on the show

291

00:11:04,310 --> 00:11:02,320

and it's kind of evolved into this whole

292

00:11:07,269 --> 00:11:04,320

thing so you never know man you know

293

00:11:10,870 --> 00:11:07,279

maybe maybe uh no formula is a good

294

00:11:13,110 --> 00:11:10,880

formula i think it is yeah

295

00:11:15,269 --> 00:11:13,120

just go out with their hammer nails a

296

00:11:17,509 --> 00:11:15,279

few pieces of wood and start hammering

297

00:11:18,630 --> 00:11:17,519

it together you know build it and they

298

00:11:21,190 --> 00:11:18,640

will come

299

00:11:22,230 --> 00:11:21,200

that's right that's right i think jesus

300

00:11:23,829 --> 00:11:22,240

said that

301
00:11:25,750 --> 00:11:23,839
yeah no i don't know

302
00:11:33,750 --> 00:11:25,760
that was kevin costner

303
00:11:39,509 --> 00:11:35,750
i had no idea

304
00:11:41,430 --> 00:11:39,519
oh kevin costner is the son of god oh my

305
00:11:42,389 --> 00:11:41,440
gosh well you learned something every

306
00:11:44,550 --> 00:11:42,399
day

307
00:11:46,230 --> 00:11:44,560
yes dude yes

308
00:11:47,350 --> 00:11:46,240
you know it's good

309
00:11:49,350 --> 00:11:47,360
we uh

310
00:11:50,790 --> 00:11:49,360
all the listeners i mean

311
00:11:51,990 --> 00:11:50,800
some of you may know some of you may not

312
00:11:55,509 --> 00:11:52,000
know but we're actually going to be

313
00:11:57,350 --> 00:11:55,519

doing a live event uh december 4th down

314

00:11:59,750 --> 00:11:57,360

at the black sparrow we're going to be

315

00:12:01,190 --> 00:11:59,760

having terry loveless with us jojo if

316

00:12:02,949 --> 00:12:01,200

you haven't heard the terry loveless

317

00:12:04,870 --> 00:12:02,959

episode there

318

00:12:06,710 --> 00:12:04,880

go check him out uh he's got a great

319

00:12:09,910 --> 00:12:06,720

book

320

00:12:13,350 --> 00:12:09,920

story man uh and we are so excited to

321

00:12:16,310 --> 00:12:13,360

have him uh down there um now do you run

322

00:12:17,829 --> 00:12:16,320

your show uh like a house or do you do

323

00:12:19,750 --> 00:12:17,839

it in that little studio in the black

324

00:12:20,949 --> 00:12:19,760

sparrow

325

00:12:22,069 --> 00:12:20,959

i uh

326

00:12:57,990 --> 00:12:22,079

i

327

00:13:00,230 --> 00:12:58,000

then all of a sudden there's my show

328

00:13:01,990 --> 00:13:00,240

comes on i go whoa i forgot all about

329

00:13:11,030 --> 00:13:02,000

that

330

00:13:13,030 --> 00:13:11,040

know your your co-host kind of fell off

331

00:13:15,269 --> 00:13:13,040

she had she has responsibilities she's

332

00:13:17,670 --> 00:13:15,279

got to take care of and stuff so if you

333

00:13:20,629 --> 00:13:17,680

ever need a hand man reach out to us

334

00:13:23,670 --> 00:13:20,639

we'll come and hop on i'll do that and

335

00:13:26,230 --> 00:13:23,680

banter with you we love that thank you

336

00:13:27,590 --> 00:13:26,240

i mean we did music before we did this

337

00:13:29,990 --> 00:13:27,600

and then our drummer moved out to

338

00:13:31,110 --> 00:13:30,000

california you know and so we were like

339

00:13:33,430 --> 00:13:31,120

well

340

00:13:35,509 --> 00:13:33,440

nothing like having a new drummer

341

00:13:37,110 --> 00:13:35,519

50-plus songs right you know what i'm

342

00:13:39,509 --> 00:13:37,120

saying so we were like let's do so you

343

00:13:42,150 --> 00:13:39,519

two were both in a band together

344

00:13:44,470 --> 00:13:42,160

yeah you two were in a band together yep

345

00:13:46,230 --> 00:13:44,480

what was the name of your band

346

00:13:49,350 --> 00:13:46,240

what was the name of the band it was

347

00:13:51,430 --> 00:13:49,360

ben's name

348

00:13:53,110 --> 00:13:51,440

ben baxter band dexter

349

00:13:56,870 --> 00:13:53,120

yeah

350

00:13:59,269 --> 00:13:56,880

like a funky soul r b kind of a vibe it

351
00:14:01,990 --> 00:13:59,279
was fun man we had we had a lot of a lot

352
00:14:04,150 --> 00:14:02,000
of good times for sure for sure that

353
00:14:07,189 --> 00:14:04,160
makes sense you know yeah because i

354
00:14:09,670 --> 00:14:07,199
thought i saw a bunch of little alien

355
00:14:13,350 --> 00:14:09,680
gnome people outside of ben's house and

356
00:14:17,430 --> 00:14:15,430
you know he's a celebrity man

357
00:14:21,189 --> 00:14:17,440
you know what i mean

358
00:14:24,710 --> 00:14:23,430
he is a celebrity

359
00:14:26,550 --> 00:14:24,720
i thought it was the only one that saw

360
00:14:28,850 --> 00:14:26,560
those little guys out there

361
00:14:31,590 --> 00:14:28,860
he's always his name on the market

362
00:14:34,550 --> 00:14:31,600
[Music]

363
00:14:35,990 --> 00:14:34,560

they're so loud they're here every night

364

00:14:37,910 --> 00:14:36,000

yeah

365

00:14:39,670 --> 00:14:37,920

well and actually i'm stealing i'm

366

00:14:41,670 --> 00:14:39,680

stealing that scene what was that from

367

00:14:43,110 --> 00:14:41,680

uh men in black remember they opened the

368

00:14:45,189 --> 00:14:43,120

locker up in

369

00:14:47,350 --> 00:14:45,199

in the bus station or whatever right

370

00:14:49,750 --> 00:14:47,360

then they go you know whoever is the

371

00:14:52,629 --> 00:14:49,760

last person right you stick their head

372

00:14:54,470 --> 00:14:52,639

in there they're the new god

373

00:14:56,870 --> 00:14:54,480

yeah that's right that's that's been and

374

00:14:58,550 --> 00:14:56,880

that's being the little known people

375

00:14:59,509 --> 00:14:58,560

i think that's a minimum a men in black

376

00:15:01,350 --> 00:14:59,519

uh

377

00:15:03,030 --> 00:15:01,360

movie either like maybe the second one

378

00:15:04,949 --> 00:15:03,040

of the third one yeah it's like this

379

00:15:07,910 --> 00:15:04,959

this tiny little universe that exists in

380

00:15:09,350 --> 00:15:07,920

this this locker yeah uh and yeah he

381

00:15:11,590 --> 00:15:09,360

opens up the locker after like being

382

00:15:13,110 --> 00:15:11,600

gone or haven't not been open like 20

383

00:15:13,990 --> 00:15:13,120

years and he opens up the locker and

384

00:15:16,150 --> 00:15:14,000

then there's like this whole

385

00:15:18,150 --> 00:15:16,160

civilization in there kind of like that

386

00:15:22,310 --> 00:15:18,160

that's teen and toy story where like the

387

00:15:24,150 --> 00:15:22,320

the uh the claw it chases chooses

388

00:15:27,189 --> 00:15:24,160

yeah it's genius

389

00:15:29,430 --> 00:15:27,199

genius it is it's really well done yeah

390

00:15:31,269 --> 00:15:29,440

yeah i love those men in black movies

391

00:15:33,590 --> 00:15:31,279

man i love that franchise it's so much

392

00:15:35,590 --> 00:15:33,600

fun it's super good i feel like it is

393

00:15:36,310 --> 00:15:35,600

good i feel like those movies are kind

394

00:15:38,629 --> 00:15:36,320

of a

395

00:15:40,949 --> 00:15:38,639

soft disclosure do you know that term

396

00:15:42,870 --> 00:15:40,959

jojo is that yeah yeah disclosure yeah

397

00:15:45,110 --> 00:15:42,880

soft disclosure yeah yeah i had never

398

00:15:47,030 --> 00:15:45,120

thought that but you might be right

399

00:15:49,269 --> 00:15:47,040

you know they're screaming

400

00:15:51,430 --> 00:15:49,279

like every time we watch

401
00:15:53,430 --> 00:15:51,440
one of those movies

402
00:15:55,430 --> 00:15:53,440
they're messing with

403
00:15:58,230 --> 00:15:55,440
you ben and i have yes

404
00:16:00,790 --> 00:15:58,240
we had a conversation about the first

405
00:16:02,949 --> 00:16:00,800
men in black movie whenever will smith

406
00:16:05,110 --> 00:16:02,959
is you know he's looking at that that

407
00:16:08,629 --> 00:16:05,120
photo of the tall

408
00:16:10,710 --> 00:16:08,639
being and apparently agent k is handing

409
00:16:13,350 --> 00:16:10,720
him some flowers and he's like oh you

410
00:16:16,069 --> 00:16:13,360
got that nice man some flowers you know

411
00:16:19,189 --> 00:16:16,079
i always felt like that photo

412
00:16:21,269 --> 00:16:19,199
could have been a real photo that

413
00:16:23,509 --> 00:16:21,279

slipped in and nobody knew about it you

414

00:16:25,749 --> 00:16:23,519

know but there's there's little nuggets

415

00:16:27,030 --> 00:16:25,759

in every one of those movies that i pick

416

00:16:28,790 --> 00:16:27,040

out and i'm like

417

00:16:29,990 --> 00:16:28,800

that's real i don't care what you say

418

00:16:33,189 --> 00:16:30,000

that's real

419

00:16:35,509 --> 00:16:33,199

i'm not even gonna do it it's real

420

00:16:40,389 --> 00:16:35,519

it's the same sound stage where they

421

00:16:44,389 --> 00:16:41,829

sure okay

422

00:16:45,749 --> 00:16:44,399

did i say that out loud whoops

423

00:16:51,829 --> 00:16:45,759

you did

424

00:16:53,350 --> 00:16:51,839

i uh i wonder if uh like the

425

00:16:55,910 --> 00:16:53,360

so this conversation could go so many

426

00:16:57,590 --> 00:16:55,920

different ways i feel like at right now

427

00:16:59,110 --> 00:16:57,600

i feel like it's it's both that's where

428

00:17:01,269 --> 00:16:59,120

i'm at i've gone back and forth over the

429

00:17:02,629 --> 00:17:01,279

fence and back where where did we go to

430

00:17:03,910 --> 00:17:02,639

the moon do we not i feel like it's a

431

00:17:06,630 --> 00:17:03,920

little bit of both i think we did go to

432

00:17:09,590 --> 00:17:06,640

the moon but we we are only shown

433

00:17:12,150 --> 00:17:09,600

so much of actual footage right like

434

00:17:13,510 --> 00:17:12,160

uh marketing and and you gotta you got

435

00:17:18,230 --> 00:17:13,520

magazines to sell you need a high

436

00:17:19,990 --> 00:17:18,240

quality photo or video to to show on tv

437

00:17:21,590 --> 00:17:20,000

jojo do you know any anything about that

438

00:17:23,270 --> 00:17:21,600

like um

439

00:17:26,309 --> 00:17:23,280

well i've heard you know probably a lot

440

00:17:27,990 --> 00:17:26,319

of the same stuff you guys have you know

441

00:17:30,870 --> 00:17:28,000

it's like

442

00:17:34,070 --> 00:17:30,880

well because that was right because it's

443

00:17:36,070 --> 00:17:34,080

very important because of the arms race

444

00:17:37,190 --> 00:17:36,080

at that time right with the you know the

445

00:17:38,870 --> 00:17:37,200

cold war

446

00:17:41,350 --> 00:17:38,880

with the rescues

447

00:17:43,830 --> 00:17:41,360

and we couldn't be seen to fail that was

448

00:17:44,710 --> 00:17:43,840

very important that we succeed

449

00:17:46,470 --> 00:17:44,720

right

450

00:17:47,590 --> 00:17:46,480

see that's what i've heard i've heard

451
00:17:52,230 --> 00:17:47,600
that

452
00:17:54,549 --> 00:17:52,240
were saying uh where

453
00:17:57,669 --> 00:17:54,559
there's kind of a mix of things because

454
00:17:59,990 --> 00:17:57,679
they had backup stuff going in case you

455
00:18:02,070 --> 00:18:00,000
know it's like if some guys are dying on

456
00:18:03,190 --> 00:18:02,080
the moon that's not a good thing right

457
00:18:04,390 --> 00:18:03,200
now yeah no

458
00:18:06,390 --> 00:18:04,400
they don't want the russians to know

459
00:18:08,310 --> 00:18:06,400
that right like if something

460
00:18:10,470 --> 00:18:08,320
no they won't anybody know it especially

461
00:18:13,590 --> 00:18:10,480
the russians right yeah

462
00:18:16,070 --> 00:18:13,600
and i remember that as a as a kid

463
00:18:17,110 --> 00:18:16,080

because at the same time they were going

464

00:18:19,350 --> 00:18:17,120

was the

465

00:18:21,350 --> 00:18:19,360

apollo was it eleven

466

00:18:23,750 --> 00:18:21,360

eleven that landed in the first one in

467

00:18:25,909 --> 00:18:23,760

the moon right yep and uh they're going

468

00:18:28,950 --> 00:18:25,919

up there and there was a simultaneous

469

00:18:31,029 --> 00:18:28,960

story a russia was putting out news bits

470

00:18:31,830 --> 00:18:31,039

about that they got a satellite headed

471

00:18:33,430 --> 00:18:31,840

there

472

00:18:35,750 --> 00:18:33,440

paralleled us

473

00:18:39,190 --> 00:18:35,760

and they're they're doing it too right i

474

00:18:41,350 --> 00:18:39,200

remember that they were letting you know

475

00:18:43,590 --> 00:18:41,360

this kind of stuff kind of leak out and

476
00:18:45,029 --> 00:18:43,600
they were putting it was propaganda

477
00:18:46,310 --> 00:18:45,039
but um

478
00:18:48,789 --> 00:18:46,320
at the time

479
00:18:51,270 --> 00:18:48,799
you know it was there's walter cronkite

480
00:18:53,029 --> 00:18:51,280
you know he's telling us all about it

481
00:18:54,630 --> 00:18:53,039
wait so you remember you remember that

482
00:18:55,750 --> 00:18:54,640
there was a satellite following the

483
00:18:57,830 --> 00:18:55,760
mission

484
00:18:59,990 --> 00:18:57,840
yeah there was like

485
00:19:02,150 --> 00:19:00,000
right the russians said that they you

486
00:19:04,470 --> 00:19:02,160
know they let it slip out

487
00:19:06,310 --> 00:19:04,480
and i i think it was propaganda that

488
00:19:08,630 --> 00:19:06,320

well they did have some kind of mission

489

00:19:10,789 --> 00:19:08,640

but they didn't reveal entirely well

490

00:19:13,190 --> 00:19:10,799

exactly what was going on scope and so

491

00:19:15,750 --> 00:19:13,200

forth and so they would let things slip

492

00:19:17,669 --> 00:19:15,760

out to lead us to believe that maybe

493

00:19:20,549 --> 00:19:17,679

they were headed out to the moon too you

494

00:19:23,350 --> 00:19:20,559

know we didn't know what it was

495

00:19:25,110 --> 00:19:23,360

it was in parallel it was all going on

496

00:19:27,590 --> 00:19:25,120

and that's lost they don't report that

497

00:19:31,430 --> 00:19:27,600

stuff now when they do documentaries of

498

00:19:34,150 --> 00:19:31,440

it you know but i remember

499

00:19:37,190 --> 00:19:34,160

that that's a topic like

500

00:19:39,990 --> 00:19:37,200

could possibly like develop like one of

501
00:19:42,310 --> 00:19:40,000
those della effects you know where like

502
00:19:43,909 --> 00:19:42,320
you remember stuff never gets talked

503
00:19:45,430 --> 00:19:43,919
about or reported so it gets lost

504
00:19:47,669 --> 00:19:45,440
throughout history and then there's only

505
00:19:49,510 --> 00:19:47,679
like a select few people who remember

506
00:19:51,270 --> 00:19:49,520
like yeah you remember that they're like

507
00:19:53,110 --> 00:19:51,280
nope that never happened and you're like

508
00:19:56,870 --> 00:19:53,120
no i didn't know

509
00:19:58,950 --> 00:19:56,880
that it happened right you know yeah

510
00:20:01,029 --> 00:19:58,960
i've had that happen to me with my

511
00:20:03,990 --> 00:20:01,039
friends we're all sitting around like

512
00:20:05,669 --> 00:20:04,000
that dude's dead i know he's dead you

513
00:20:07,990 --> 00:20:05,679

know we're all saying no no it's not

514

00:20:10,230 --> 00:20:08,000

dead it's like no way

515

00:20:12,870 --> 00:20:10,240

yes you know whoever we're talking about

516

00:20:16,070 --> 00:20:12,880

right and you can remember vividly you

517

00:20:18,230 --> 00:20:16,080

know the their funeral being covered on

518

00:20:20,390 --> 00:20:18,240

tv you know a news story or whatever

519

00:20:23,270 --> 00:20:20,400

right yeah yeah he's not dead like what

520

00:20:25,669 --> 00:20:23,280

the hell is going on with that

521

00:20:27,750 --> 00:20:25,679

i don't know you guys are as psychos i

522

00:20:30,230 --> 00:20:27,760

am i'm into all of this stuff

523

00:20:32,390 --> 00:20:30,240

i'm totally i love this stuff oh yeah

524

00:20:33,590 --> 00:20:32,400

because i have experienced the mendel

525

00:20:36,630 --> 00:20:33,600

effect

526

00:20:38,870 --> 00:20:36,640

yeah right in my life

527

00:20:41,750 --> 00:20:38,880

and you know i would swear that i knew

528

00:20:44,310 --> 00:20:41,760

things could happen one way

529

00:20:45,990 --> 00:20:44,320

i think that's fine

530

00:20:48,149 --> 00:20:46,000

with a lot of us man you know i feel

531

00:20:50,149 --> 00:20:48,159

like a lot of us experience the mandela

532

00:20:52,470 --> 00:20:50,159

effect and i think what really makes the

533

00:20:53,750 --> 00:20:52,480

mandela effect interesting

534

00:20:55,830 --> 00:20:53,760

uh you know i don't want this to turn

535

00:20:57,830 --> 00:20:55,840

into a mandela effect episode

536

00:21:00,310 --> 00:20:57,840

what's interesting about it you know is

537

00:21:02,950 --> 00:21:00,320

like it really kind of like i feel like

538

00:21:05,669 --> 00:21:02,960

a lot of it plays on like the uh

539

00:21:08,070 --> 00:21:05,679

the attention span or like how much peop

540

00:21:09,430 --> 00:21:08,080

pay attention you know to things and

541

00:21:11,990 --> 00:21:09,440

like how

542

00:21:15,029 --> 00:21:12,000

how the human brain just

543

00:21:18,710 --> 00:21:15,039

remembers and stores stuff you know it's

544

00:21:22,549 --> 00:21:20,789

i've got one for you guys

545

00:21:24,630 --> 00:21:22,559

well we know now that they've done

546

00:21:26,390 --> 00:21:24,640

studies you know in human memory you

547

00:21:27,430 --> 00:21:26,400

know for the sake of like

548

00:21:29,350 --> 00:21:27,440

you know

549

00:21:31,430 --> 00:21:29,360

courts and law and all that just to get

550

00:21:33,669 --> 00:21:31,440

an idea of how and we know that human

551
00:21:35,029 --> 00:21:33,679
memory is not reliable

552
00:21:36,390 --> 00:21:35,039
at all

553
00:21:38,950 --> 00:21:36,400
so it's pretty bad

554
00:21:40,630 --> 00:21:38,960
yeah i was gonna i'm sorry go ahead yeah

555
00:21:42,789 --> 00:21:40,640
i've got i've got one for you guys that

556
00:21:43,669 --> 00:21:42,799
i figured out so i thought this was i i

557
00:21:45,909 --> 00:21:43,679
totally

558
00:21:48,390 --> 00:21:45,919
fell victim to this um mandela effect i

559
00:21:50,310 --> 00:21:48,400
remember the the lucy lucy i'm home

560
00:21:52,710 --> 00:21:50,320
that's what ricky ricardo supposedly

561
00:21:54,070 --> 00:21:52,720
said you got some explaining to do yo

562
00:21:56,230 --> 00:21:54,080
that's what it is uh yeah that's

563
00:21:59,110 --> 00:21:56,240

explained

564

00:22:01,029 --> 00:21:59,120

i know where that's from it's from all

565

00:22:01,830 --> 00:22:01,039

that dude if you grew up watching all

566

00:22:03,750 --> 00:22:01,840

that

567

00:22:06,549 --> 00:22:03,760

they used to do a spoof where amanda

568

00:22:08,310 --> 00:22:06,559

bynes played uh lucy and

569

00:22:09,909 --> 00:22:08,320

i don't know the other cast members but

570

00:22:11,750 --> 00:22:09,919

like the guy who made who had the big

571

00:22:14,950 --> 00:22:11,760

ears he would play the big years guy

572

00:22:17,830 --> 00:22:14,960

yeah dude he said he's saying ricky

573

00:22:20,789 --> 00:22:17,840

ricky ricardo never said lucy i'm home

574

00:22:22,230 --> 00:22:20,799

right right yeah i couldn't believe that

575

00:22:23,590 --> 00:22:22,240

he didn't say

576

00:22:26,870 --> 00:22:23,600

uh so the the

577

00:22:28,390 --> 00:22:26,880

exact quote is lucy you get explaining

578

00:22:30,470 --> 00:22:28,400

to do

579

00:22:33,029 --> 00:22:30,480

and everybody remembers the line

580

00:22:35,190 --> 00:22:33,039

apparently it never happened in like any

581

00:22:38,470 --> 00:22:35,200

of the episodes and people have gone

582

00:22:39,909 --> 00:22:38,480

back and watched every episode in it

583

00:22:40,789 --> 00:22:39,919

say they were like timmy and the whale

584

00:22:45,590 --> 00:22:40,799

like

585

00:22:52,870 --> 00:22:48,310

it's and so i i think the same thing

586

00:22:55,430 --> 00:22:52,880

happens with with other uh uh

587

00:22:57,190 --> 00:22:55,440

tribute so like jim carrey is at the

588

00:22:58,789 --> 00:22:57,200

root of a couple for me one of them's

589

00:23:01,270 --> 00:22:58,799

the monopoly guy everybody remembers the

590

00:23:03,110 --> 00:23:01,280

not monopoly guy having a monocle

591

00:23:06,230 --> 00:23:03,120

he doesn't have a monocle on the box but

592

00:23:08,789 --> 00:23:06,240

he had a a monocle in uh when nature

593

00:23:11,190 --> 00:23:08,799

calls uh ace ventura in nature calls

594

00:23:12,710 --> 00:23:11,200

that dude had a monocle on and that's

595

00:23:15,350 --> 00:23:12,720

the like one of my favorite movies

596

00:23:16,710 --> 00:23:15,360

that's how i remember the monopoly guy i

597

00:23:18,230 --> 00:23:16,720

don't really remember the game all that

598

00:23:20,149 --> 00:23:18,240

much so i wonder if we can mix up

599

00:23:21,430 --> 00:23:20,159

doesn't the planters peanut guy have a

600

00:23:22,390 --> 00:23:21,440

monocle

601
00:23:26,230 --> 00:23:22,400
he does

602
00:23:29,110 --> 00:23:26,240
maybe we're getting them switched up

603
00:23:31,590 --> 00:23:29,120
because that happens to me a lot

604
00:23:33,990 --> 00:23:31,600
mix my memories up you know

605
00:23:36,310 --> 00:23:34,000
yeah okay here's how about that

606
00:23:39,029 --> 00:23:36,320
here's a good one okay this is a good

607
00:23:40,630 --> 00:23:39,039
bar bet if you want to win some money

608
00:23:43,110 --> 00:23:40,640
okay yeah

609
00:23:44,630 --> 00:23:43,120
humphrey bogart never said play it again

610
00:23:46,710 --> 00:23:44,640
sam

611
00:23:49,110 --> 00:23:46,720
oh

612
00:23:51,110 --> 00:23:49,120
no this is a good one you can win that

613
00:23:53,590 --> 00:23:51,120

every time

614

00:23:55,830 --> 00:23:53,600

oh yeah he did no he didn't

615

00:23:57,510 --> 00:23:55,840

that's a good thing

616

00:23:59,269 --> 00:23:57,520

he said something like

617

00:24:01,430 --> 00:23:59,279

you played it for her you can play for

618

00:24:03,830 --> 00:24:01,440

me play it you know he says something

619

00:24:04,710 --> 00:24:03,840

like that he never said play it against

620

00:24:07,510 --> 00:24:04,720

sam

621

00:24:10,390 --> 00:24:07,520

oh man one of my favorites is uh

622

00:24:11,510 --> 00:24:10,400

stovetop stuffing uh stovetop never made

623

00:24:12,870 --> 00:24:11,520

stuffing

624

00:24:15,190 --> 00:24:12,880

apparently

625

00:24:16,390 --> 00:24:15,200

i was like what really help are you

626
00:24:19,110 --> 00:24:16,400
kidding me

627
00:24:21,590 --> 00:24:19,120
it's not

628
00:24:22,870 --> 00:24:21,600
apparently it's craft oh man what the

629
00:24:25,990 --> 00:24:22,880
hell

630
00:24:27,510 --> 00:24:26,000
oh man i live my whole whole childhood

631
00:24:31,590 --> 00:24:27,520
is

632
00:24:38,470 --> 00:24:35,750
yes man yes oh

633
00:24:40,390 --> 00:24:38,480
but dude so you know you're are you

634
00:24:43,430 --> 00:24:40,400
going to tell me there's no santa claus

635
00:24:47,830 --> 00:24:44,830
or

636
00:24:49,510 --> 00:24:47,840
something we're talking to santa claus i

637
00:24:50,950 --> 00:24:49,520
mean i'm for sure if you put a hat on

638
00:24:51,750 --> 00:24:50,960

that's true

639

00:24:54,390 --> 00:24:51,760

yeah

640

00:24:56,470 --> 00:24:54,400

you got the sweet beard going on so you

641

00:24:59,830 --> 00:24:56,480

know thank you thanks talking to sweet

642

00:25:01,990 --> 00:24:59,840

about sweet beards look at your

643

00:25:03,029 --> 00:25:02,000

you know that's yours was a very manly

644

00:25:04,390 --> 00:25:03,039

beard

645

00:25:06,870 --> 00:25:04,400

a lot of times

646

00:25:08,950 --> 00:25:06,880

when you just you just let it be on your

647

00:25:10,470 --> 00:25:08,960

face and forget it exists you know

648

00:25:11,750 --> 00:25:10,480

that's what it does

649

00:25:13,990 --> 00:25:11,760

people always that's what how do you

650

00:25:15,510 --> 00:25:14,000

where this came from

651

00:25:18,149 --> 00:25:15,520

this is the first time i've had a big

652

00:25:19,669 --> 00:25:18,159

bushy beard this was like because i just

653

00:25:21,510 --> 00:25:19,679

stopped shaving i just stopped thinking

654

00:25:23,269 --> 00:25:21,520

about it yeah and then one day i'm

655

00:25:24,230 --> 00:25:23,279

looking in there and saying wow that's

656

00:25:26,830 --> 00:25:24,240

kind of

657

00:25:27,269 --> 00:25:26,840

i'm going somewhere with this i don't

658

00:25:28,390 --> 00:25:27,279

where

659

00:25:32,310 --> 00:25:30,549

that one day you eat a hamburger and you

660

00:25:34,549 --> 00:25:32,320

get a mouthful of hair you're like damn

661

00:25:36,870 --> 00:25:34,559

this thing is getting long all right

662

00:25:38,470 --> 00:25:36,880

yeah it's getting long yeah yeah that's

663

00:25:40,310 --> 00:25:38,480

right you get the hair you're not

664

00:25:41,909 --> 00:25:40,320

trimming above your lip anymore and all

665

00:25:43,669 --> 00:25:41,919

of a sudden you realize you're getting

666

00:25:46,630 --> 00:25:43,679

hair you're chewing on hair while you're

667

00:25:48,870 --> 00:25:46,640

eating dinner i know this is gross this

668

00:25:50,950 --> 00:25:48,880

is totally gross but it's true

669

00:25:52,549 --> 00:25:50,960

it is that's what happens and then right

670

00:25:54,149 --> 00:25:52,559

you realize i got to trim some of this

671

00:25:56,230 --> 00:25:54,159

back

672

00:26:02,950 --> 00:25:56,240

i'm telling you i bet i have consumed

673

00:26:08,310 --> 00:26:05,029

there's a joke there but i'm gonna let

674

00:26:10,390 --> 00:26:08,320

that go there he is

675

00:26:15,269 --> 00:26:10,400

and i didn't even live in the 80s man

676

00:26:16,870 --> 00:26:15,279

[Laughter]

677

00:26:20,470 --> 00:26:16,880

that's good

678

00:26:22,470 --> 00:26:20,480

yeah man so jojo man the uh you know

679

00:26:25,029 --> 00:26:22,480

you're you're you're into the you're

680

00:26:27,830 --> 00:26:25,039

into the weird stuff too man i mean man

681

00:26:29,430 --> 00:26:27,840

i love it when it comes to kind of stuff

682

00:26:32,470 --> 00:26:29,440

whatever what are what are some of your

683

00:26:34,070 --> 00:26:32,480

favorite uh favorite for you you know

684

00:26:35,990 --> 00:26:34,080

some of your favorite topics you know

685

00:26:38,310 --> 00:26:36,000

events what will happen

686

00:26:41,909 --> 00:26:38,320

well i'm totally into ufo anything

687

00:26:44,310 --> 00:26:41,919

that's probably my most favorite okay

688

00:26:46,149 --> 00:26:44,320

but and then unlike in terms of ufo like

689

00:26:47,269 --> 00:26:46,159

i love kecksburg

690

00:26:51,110 --> 00:26:47,279

right

691

00:26:54,310 --> 00:26:51,120

i love the i love the uh uh that the uh

692

00:26:56,310 --> 00:26:54,320

the uh uh the uh phoenix lights that's

693

00:26:58,710 --> 00:26:56,320

cool uh yeah of course then they're all

694

00:27:00,870 --> 00:26:58,720

the then they're all the the basics you

695

00:27:02,390 --> 00:27:00,880

know the classics you know there's

696

00:27:04,549 --> 00:27:02,400

roswell

697

00:27:07,269 --> 00:27:04,559

right and then there's what's the the

698

00:27:09,510 --> 00:27:07,279

forest in the the the in the lindelsheim

699

00:27:11,590 --> 00:27:09,520

military wendelstrom yeah

700

00:27:13,669 --> 00:27:11,600

that's a really a good one yeah that's

701
00:27:16,230 --> 00:27:13,679

just really a good one

702
00:27:17,590 --> 00:27:16,240

yeah i love all those things man i just

703
00:27:20,870 --> 00:27:17,600

love them

704
00:27:23,110 --> 00:27:20,880

see yeah dude we uh we uh we started out

705
00:27:24,549 --> 00:27:23,120

with the the famous ones right the ones

706
00:27:26,230 --> 00:27:24,559

that everybody knows like to kind of

707
00:27:27,990 --> 00:27:26,240

like if you were ever to get your your

708
00:27:30,630 --> 00:27:28,000

certification for ufology you kind of

709
00:27:33,350 --> 00:27:30,640

have to know some some of these you know

710
00:27:36,070 --> 00:27:33,360

your your phd oral exam

711
00:27:41,029 --> 00:27:36,080

ufology yeah yeah right honestly i feel

712
00:27:45,269 --> 00:27:43,029

but uh i mean i don't there's a lot of

713
00:27:47,190 --> 00:27:45,279

jokes i can make up

714

00:27:50,710 --> 00:27:47,200

everybody's thinking it

715

00:27:52,230 --> 00:27:50,720

uh but yeah like it's crazy like

716

00:27:54,230 --> 00:27:52,240

doing this podcast we've learned so much

717

00:27:55,669 --> 00:27:54,240

and talked to uh so many people with

718

00:27:58,070 --> 00:27:55,679

their own experiences and there's so

719

00:28:00,470 --> 00:27:58,080

many other stories that are so much

720

00:28:02,549 --> 00:28:00,480

so much more detailed and crazy and and

721

00:28:04,710 --> 00:28:02,559

just pushed the envelope it's it's nuts

722

00:28:06,310 --> 00:28:04,720

how like these early stories that kind

723

00:28:09,269 --> 00:28:06,320

of just for some reason

724

00:28:11,669 --> 00:28:09,279

hit a note for everyone and not only in

725

00:28:14,389 --> 00:28:11,679

the community but as as a whole

726

00:28:15,990 --> 00:28:14,399

in western society like everybody knows

727

00:28:16,870 --> 00:28:16,000

something about roswell like they know

728

00:28:19,430 --> 00:28:16,880

some

729

00:28:20,870 --> 00:28:19,440

even if no one's ever this you know a

730

00:28:22,470 --> 00:28:20,880

person's ever looked into aliens they

731

00:28:25,590 --> 00:28:22,480

know that area 51 and roswell are

732

00:28:26,710 --> 00:28:25,600

connected uh and then maybe you are a

733

00:28:28,230 --> 00:28:26,720

little bit more interested and you hear

734

00:28:30,950 --> 00:28:28,240

about the travis walden case or betty

735

00:28:32,549 --> 00:28:30,960

and barney yeah

736

00:28:34,389 --> 00:28:32,559

and i feel like there's like a tipping

737

00:28:36,789 --> 00:28:34,399

point where like if you reach a certain

738

00:28:37,590 --> 00:28:36,799

someone's story like okay now you're in

739

00:28:39,110 --> 00:28:37,600

dude

740

00:28:43,510 --> 00:28:39,120

there's no

741

00:28:45,350 --> 00:28:43,520

yeah right

742

00:28:46,630 --> 00:28:45,360

we we can tell you who killed kennedy

743

00:28:48,789 --> 00:28:46,640

now

744

00:28:51,190 --> 00:28:48,799

you you've reached that level yeah we've

745

00:28:53,350 --> 00:28:51,200

met a couple people who who say they can

746

00:28:56,389 --> 00:28:53,360

tell you who killed kennedy

747

00:28:57,830 --> 00:28:56,399

it's pretty wild man they get so deep

748

00:29:00,710 --> 00:28:57,840

it's funny that you say that because

749

00:29:02,070 --> 00:29:00,720

it's so true though like yeah dude i

750

00:29:03,510 --> 00:29:02,080

know this

751
00:29:05,990 --> 00:29:03,520
and then they're all connected like and

752
00:29:07,750 --> 00:29:06,000
they're like yes and the ufo stuff is

753
00:29:11,110 --> 00:29:07,760
connected to the association of

754
00:29:12,710 --> 00:29:11,120
candidates you're like what the hell

755
00:29:14,549 --> 00:29:12,720
when i was you know a couple days ago i

756
00:29:17,590 --> 00:29:14,559
was thinking about being on tonight and

757
00:29:19,269 --> 00:29:17,600
i remembered there was this fellow and i

758
00:29:21,110 --> 00:29:19,279
hear him you know because i listen to

759
00:29:23,190 --> 00:29:21,120
all kinds of shows and the radio and

760
00:29:24,789 --> 00:29:23,200
stuff right and there's this guy i can't

761
00:29:27,590 --> 00:29:24,799
remember his name now

762
00:29:31,029 --> 00:29:27,600
but he's like the master of all things

763
00:29:32,549 --> 00:29:31,039

paranormal or conspiracy right

764

00:29:33,510 --> 00:29:32,559

and he and

765

00:29:38,789 --> 00:29:33,520

he

766

00:29:41,269 --> 00:29:38,799

like fluent like fluidly everything is

767

00:29:43,909 --> 00:29:41,279

connected everything is one big thing oh

768

00:29:47,029 --> 00:29:43,919

david whatever it is what's that uh is

769

00:29:49,430 --> 00:29:47,039

it ike something ike

770

00:29:51,190 --> 00:29:49,440

david he's the reptile he's like louis

771

00:29:53,510 --> 00:29:51,200

he goes from one thing to another really

772

00:29:55,430 --> 00:29:53,520

yeah he's just like boom boom boom you

773

00:29:57,430 --> 00:29:55,440

mentioned anything and he's like oh

774

00:29:59,430 --> 00:29:57,440

that's related to this that we were just

775

00:30:02,070 --> 00:29:59,440

talking about and he tells you how it

776

00:30:03,990 --> 00:30:02,080

was related and you're like man

777

00:30:06,070 --> 00:30:04,000

you know this guy's

778

00:30:08,950 --> 00:30:06,080

you know he's either a psycho or he's a

779

00:30:11,110 --> 00:30:08,960

super genius or maybe he's both maybe

780

00:30:12,789 --> 00:30:11,120

both dude david ike he's one of those

781

00:30:15,590 --> 00:30:12,799

characters man like i could listen to

782

00:30:17,269 --> 00:30:15,600

him for hours but yes you can't sit down

783

00:30:19,830 --> 00:30:17,279

in a coffee shop and say what's up right

784

00:30:22,470 --> 00:30:19,840

like you're there for three hours yeah

785

00:30:24,630 --> 00:30:22,480

right yeah and you can't nearly remember

786

00:30:25,590 --> 00:30:24,640

it why because there's so much that goes

787

00:30:28,470 --> 00:30:25,600

by

788

00:30:30,789 --> 00:30:28,480

i think a lot of that is like uh that's

789

00:30:33,110 --> 00:30:30,799

like hypnotism in a way

790

00:30:35,350 --> 00:30:33,120

where someone speaks so many things and

791

00:30:36,470 --> 00:30:35,360

like it makes sense to you it like you

792

00:30:38,230 --> 00:30:36,480

don't have enough time to do your

793

00:30:40,149 --> 00:30:38,240

research and say pause hold on let me

794

00:30:41,430 --> 00:30:40,159

look that up it's like oh that kind of

795

00:30:42,149 --> 00:30:41,440

makes sense oh i could see how that can

796

00:30:43,269 --> 00:30:42,159

work

797

00:30:45,909 --> 00:30:43,279

yeah

798

00:30:48,549 --> 00:30:45,919

and and each little step makes sense

799

00:30:50,950 --> 00:30:48,559

but then you go back and you realize

800

00:30:52,549 --> 00:30:50,960

like go end to end like in the past hour

801
00:30:55,110 --> 00:30:52,559
what you've covered and you think wait a

802
00:30:56,070 --> 00:30:55,120
minute how do we get from here over to

803
00:30:59,509 --> 00:30:56,080
here

804
00:31:00,470 --> 00:30:59,519
yeah and it's all connected it's all one

805
00:31:02,549 --> 00:31:00,480
thing

806
00:31:05,509 --> 00:31:02,559
i know it's like it's like the most

807
00:31:07,430 --> 00:31:05,519
insane spiderweb of all time right like

808
00:31:08,789 --> 00:31:07,440
you know that there's a center point but

809
00:31:10,630 --> 00:31:08,799
where it ends

810
00:31:11,909 --> 00:31:10,640
who knows yeah

811
00:31:14,310 --> 00:31:11,919
it's insane

812
00:31:17,909 --> 00:31:14,320
like have you ever heard the uh

813
00:31:19,350 --> 00:31:17,919

the account of uh kennedy's mother

814

00:31:22,149 --> 00:31:19,360

actually before

815

00:31:24,149 --> 00:31:22,159

she had kennedy apparently

816

00:31:26,389 --> 00:31:24,159

witnessed she i

817

00:31:27,909 --> 00:31:26,399

i i may be getting the story a little

818

00:31:29,830 --> 00:31:27,919

bit wrong but apparently she was

819

00:31:32,389 --> 00:31:29,840

standing in the kitchen one evening

820

00:31:36,310 --> 00:31:32,399

and witnessed a blue light come down

821

00:31:38,789 --> 00:31:36,320

from the sky and it actually came to her

822

00:31:41,750 --> 00:31:38,799

and then she had missing time

823

00:31:44,149 --> 00:31:41,760

and then yes after that happened

824

00:31:46,549 --> 00:31:44,159

she found out she was pregnant with with

825

00:31:48,310 --> 00:31:46,559

uh with jfk

826
00:31:49,830 --> 00:31:48,320
which is pretty interesting because then

827
00:31:52,230 --> 00:31:49,840
you get into the whole right that is

828
00:31:54,149 --> 00:31:52,240
wild jfk

829
00:31:56,630 --> 00:31:54,159
you know knew about a lot of the stuff

830
00:31:58,710 --> 00:31:56,640
that was going on and he was wanting to

831
00:32:00,789 --> 00:31:58,720
release some of it to the public it just

832
00:32:03,750 --> 00:32:00,799
so happened that you know we had like

833
00:32:05,509 --> 00:32:03,760
this cold war situation going on like it

834
00:32:07,990 --> 00:32:05,519
was just so much going on during

835
00:32:10,470 --> 00:32:08,000
kennedy's time but you know and then

836
00:32:12,549 --> 00:32:10,480
marilyn monroe started opening her mouth

837
00:32:14,710 --> 00:32:12,559
and talking about all this stuff so that

838
00:32:17,430 --> 00:32:14,720

all right let's get rid of the kennedys

839

00:32:19,830 --> 00:32:17,440

monroe we can't be having all this stuff

840

00:32:22,630 --> 00:32:19,840

you know with their pillow talk going on

841

00:32:24,789 --> 00:32:22,640

you know we can't be having that and so

842

00:32:26,710 --> 00:32:24,799

boom that was the end of them

843

00:32:28,230 --> 00:32:26,720

scary man

844

00:32:31,029 --> 00:32:28,240

who did you guys say you think this guy

845

00:32:32,149 --> 00:32:31,039

was was it was a david ike is that it

846

00:32:33,430 --> 00:32:32,159

what's the name

847

00:32:35,509 --> 00:32:33,440

yeah i think ben said because one of

848

00:32:38,389 --> 00:32:35,519

your viewers one of your listeners just

849

00:32:40,470 --> 00:32:38,399

popped it up if that's who it is

850

00:32:42,230 --> 00:32:40,480

and you guys can get him on

851
00:32:43,830 --> 00:32:42,240
you've got to have me on too because i

852
00:32:47,590 --> 00:32:43,840
want to take the ride

853
00:32:50,310 --> 00:32:47,600
know what i mean it's just like strap me

854
00:32:52,470 --> 00:32:50,320
down strap me in for two hours and we'll

855
00:32:54,470 --> 00:32:52,480
just take the ride all of us you know i

856
00:32:56,870 --> 00:32:54,480
would because you don't have to

857
00:32:59,669 --> 00:32:56,880
you don't have to really say much he'll

858
00:33:02,070 --> 00:32:59,679
take the whole thing and just go

859
00:33:03,990 --> 00:33:02,080
yeah entertain you for two or three

860
00:33:05,430 --> 00:33:04,000
hours just boom

861
00:33:09,350 --> 00:33:05,440
yeah oh yeah

862
00:33:11,830 --> 00:33:09,360
david man is is one of those guys where

863
00:33:13,430 --> 00:33:11,840

so this is how it's messed up the world

864

00:33:15,830 --> 00:33:13,440

is right now right like if we were to

865

00:33:17,909 --> 00:33:15,840

have david ike on the show

866

00:33:19,350 --> 00:33:17,919

and then we were to post it youtube

867

00:33:21,990 --> 00:33:19,360

would immediately

868

00:33:24,870 --> 00:33:22,000

take it down and they would say oh you

869

00:33:27,029 --> 00:33:24,880

used a bunch of hate speech and it's

870

00:33:27,909 --> 00:33:27,039

happened to us before we've had somebody

871

00:33:32,950 --> 00:33:27,919

on

872

00:33:36,630 --> 00:33:32,960

know um he's got a lot of a lot of

873

00:33:38,230 --> 00:33:36,640

intriguing uh documents and photos and

874

00:33:40,549 --> 00:33:38,240

things like that he's written books

875

00:33:43,830 --> 00:33:40,559

amazon won't sell his books anymore we

876
00:33:48,789 --> 00:33:46,230
yeah they flagged us for hate speech and

877
00:33:50,950 --> 00:33:48,799
not once did we say anything about hate

878
00:33:52,950 --> 00:33:50,960
speech we talked about the moon landing

879
00:33:55,269 --> 00:33:52,960
we talked about jfk

880
00:33:57,750 --> 00:33:55,279
uh i think the thing that got us was the

881
00:33:59,350 --> 00:33:57,760
the parkland shooting uh that had

882
00:34:01,630 --> 00:33:59,360
happened uh yeah a lot of these

883
00:34:03,430 --> 00:34:01,640
organizations they're they're very

884
00:34:05,350 --> 00:34:03,440
inconsistent

885
00:34:07,990 --> 00:34:05,360
you know with what they when they're

886
00:34:10,069 --> 00:34:08,000
trying to you know censor and things and

887
00:34:12,550 --> 00:34:10,079
control things they're inconsistent it's

888
00:34:14,149 --> 00:34:12,560

like it's like wait a minute and so-so

889

00:34:16,230 --> 00:34:14,159

said this and you didn't say anything to

890

00:34:18,470 --> 00:34:16,240

them you know and we said something

891

00:34:21,109 --> 00:34:18,480

really benign you know

892

00:34:22,790 --> 00:34:21,119

we don't make it you're all over us now

893

00:34:24,629 --> 00:34:22,800

yeah we we don't make youtube enough

894

00:34:27,510 --> 00:34:24,639

money to let things slide so they're

895

00:34:30,790 --> 00:34:27,520

like shut that [h__h] down dude like these

896

00:34:34,470 --> 00:34:30,800

[h__h] idiots

897

00:34:38,310 --> 00:34:34,480

yes man shut your mouth santa

898

00:34:40,869 --> 00:34:38,320

exactly exactly so but yeah man it's

899

00:34:44,149 --> 00:34:40,879

it's it's freaking crazy man it's really

900

00:34:46,950 --> 00:34:44,159

crazy but man i i love i love all those

901
00:34:48,710 --> 00:34:46,960
stories and like i don't care like i

902
00:34:50,790 --> 00:34:48,720
don't care what it is

903
00:34:53,510 --> 00:34:50,800
like you know uh big willy had a flat

904
00:34:55,829 --> 00:34:53,520
earther guy on the other day i loved it

905
00:34:57,750 --> 00:34:55,839
i loved that episode i don't think the

906
00:34:59,750 --> 00:34:57,760
earth is flat dude

907
00:35:02,150 --> 00:34:59,760
i'm saying like for me that just yeah i

908
00:35:04,310 --> 00:35:02,160
saw that i heard have i ever been to

909
00:35:06,310 --> 00:35:04,320
space and seen around earth

910
00:35:07,910 --> 00:35:06,320
no i love it too

911
00:35:09,430 --> 00:35:07,920
i love it and you can't keep up with

912
00:35:11,270 --> 00:35:09,440
them because every time they mention

913
00:35:13,510 --> 00:35:11,280

something they go well explain this to

914

00:35:15,430 --> 00:35:13,520

me and they're like well i just accepted

915

00:35:17,270 --> 00:35:15,440

it in science class i never knew i was

916

00:35:19,510 --> 00:35:17,280

gonna have to explain it

917

00:35:20,470 --> 00:35:19,520

i know i don't know man

918

00:35:23,270 --> 00:35:20,480

i know

919

00:35:24,069 --> 00:35:23,280

and it it well it's crazy

920

00:35:25,589 --> 00:35:24,079

yeah

921

00:35:28,829 --> 00:35:25,599

it's hard

922

00:35:31,430 --> 00:35:28,839

to admit to him well no i've not seen it

923

00:35:32,950 --> 00:35:31,440

myself right right you know

924

00:35:34,950 --> 00:35:32,960

we'll like try to and then and then you

925

00:35:35,910 --> 00:35:34,960

say well i read it in my textbook though

926

00:35:37,829 --> 00:35:35,920

and he goes

927

00:35:39,990 --> 00:35:37,839

there's that's a whole nother thing your

928

00:35:41,510 --> 00:35:40,000

science textbook i know you know who

929

00:35:43,589 --> 00:35:41,520

writes those

930

00:35:45,670 --> 00:35:43,599

and it's really hard though like ever

931

00:35:47,109 --> 00:35:45,680

it's like you know like everything i

932

00:35:47,990 --> 00:35:47,119

know is wrong

933

00:35:49,589 --> 00:35:48,000

you know

934

00:35:50,790 --> 00:35:49,599

and i can and it's like

935

00:35:52,470 --> 00:35:50,800

they're they're telling me all this

936

00:35:53,750 --> 00:35:52,480

stuff and it's like you can't keep up

937

00:35:56,550 --> 00:35:53,760

with it you're like well and you're

938

00:35:57,670 --> 00:35:56,560

thinking well maybe i guess i i guess

939

00:35:59,030 --> 00:35:57,680

i've never

940

00:36:01,990 --> 00:35:59,040

seen it

941

00:36:03,750 --> 00:36:02,000

no i've i i guess i've always just taken

942

00:36:05,190 --> 00:36:03,760

that for granted you know or whatever

943

00:36:07,030 --> 00:36:05,200

we're talking you know what i mean and

944

00:36:08,790 --> 00:36:07,040

then yeah then after a while you start

945

00:36:09,670 --> 00:36:08,800

questioning it it's like

946

00:36:11,430 --> 00:36:09,680

well

947

00:36:14,150 --> 00:36:11,440

maybe it is flat

948

00:36:16,310 --> 00:36:14,160

yeah i think it could be flat you know

949

00:36:18,790 --> 00:36:16,320

it could be maybe taylor texas is the

950

00:36:19,829 --> 00:36:18,800

center of the universe

951

00:36:21,670 --> 00:36:19,839

it is

952

00:36:23,670 --> 00:36:21,680

it's definitely in a goddamn hole that's

953

00:36:25,270 --> 00:36:23,680

why we never get any rain how else could

954

00:36:29,430 --> 00:36:25,280

you explain us

955

00:36:32,550 --> 00:36:30,550

yeah right

956

00:36:33,670 --> 00:36:32,560

that's right

957

00:36:36,310 --> 00:36:33,680

that's okay

958

00:36:38,310 --> 00:36:36,320

well we need we need david ike here to

959

00:36:39,750 --> 00:36:38,320

tie this all together for us yeah yeah

960

00:36:41,990 --> 00:36:39,760

he could probably tie together flat

961

00:36:43,589 --> 00:36:42,000

earth forks too it was just like

962

00:36:45,270 --> 00:36:43,599

he might be able to

963

00:36:48,150 --> 00:36:45,280

you might and anybody out there

964

00:36:50,310 --> 00:36:48,160

listening listen i'm not putting any of

965

00:36:51,910 --> 00:36:50,320

these people down at all i love this i

966

00:36:53,829 --> 00:36:51,920

love to listen to them

967

00:36:55,670 --> 00:36:53,839

i have respect for everybody's point of

968

00:36:57,750 --> 00:36:55,680

view man you know

969

00:36:59,990 --> 00:36:57,760

i you know who am i

970

00:37:01,829 --> 00:37:00,000

who am i i'm and i enjoy it i love

971

00:37:02,870 --> 00:37:01,839

hearing what they have to say

972

00:37:04,870 --> 00:37:02,880

you know

973

00:37:07,109 --> 00:37:04,880

yeah that's what we're about and i don't

974

00:37:09,030 --> 00:37:07,119

know everything

975

00:37:11,109 --> 00:37:09,040

yeah i think it's important to hear

976

00:37:13,910 --> 00:37:11,119

other people out and and not just like

977

00:37:15,670 --> 00:37:13,920

completely say i'm not even gonna

978

00:37:17,829 --> 00:37:15,680

entertain your idea i think that's kind

979

00:37:20,390 --> 00:37:17,839

of kind of counterproductive at least

980

00:37:21,990 --> 00:37:20,400

hear people's ideas out and make the

981

00:37:23,349 --> 00:37:22,000

decision for yourself don't make it

982

00:37:24,150 --> 00:37:23,359

before you

983

00:37:26,630 --> 00:37:24,160

uh

984

00:37:29,190 --> 00:37:26,640

maybe listen to some facts or yeah or

985

00:37:31,270 --> 00:37:29,200

opposing theories uh because what what

986

00:37:33,510 --> 00:37:31,280

are how did we get to where we are it

987

00:37:34,550 --> 00:37:33,520

was everything's based everything's made

988

00:37:36,470 --> 00:37:34,560

up okay

989

00:37:38,310 --> 00:37:36,480

everything we made up every everything

990

00:37:39,990 --> 00:37:38,320

we we made up every day okay everything

991

00:37:41,750 --> 00:37:40,000

started out as an idea as a theory and

992

00:37:44,390 --> 00:37:41,760

then we proved it through the scientific

993

00:37:46,870 --> 00:37:44,400

method right like well you know

994

00:37:49,030 --> 00:37:46,880

so it's worth the shot just the truth

995

00:37:51,109 --> 00:37:49,040

when einstein first wrote his you know

996

00:37:53,109 --> 00:37:51,119

had his miracle year they called and

997

00:37:55,030 --> 00:37:53,119

wrote that the papers about relativity

998

00:37:56,550 --> 00:37:55,040

and all this stuff they thought he was a

999

00:37:58,550 --> 00:37:56,560

kook

1000

00:38:00,310 --> 00:37:58,560

right yeah because that can't be the way

1001

00:38:01,270 --> 00:38:00,320

the universe works

1002

00:38:03,030 --> 00:38:01,280

right

1003

00:38:05,109 --> 00:38:03,040

and it was the way the universe worked

1004

00:38:07,750 --> 00:38:05,119

it was a relativity and

1005

00:38:10,710 --> 00:38:07,760

in in gravity is just bending space

1006

00:38:13,589 --> 00:38:10,720

that's all it is you know and and he

1007

00:38:15,670 --> 00:38:13,599

pulled together time and space and

1008

00:38:19,190 --> 00:38:15,680

and we're like wow this can't be true

1009

00:38:21,030 --> 00:38:19,200

this is too crazy you know and every

1010

00:38:22,950 --> 00:38:21,040

experiment that's ever been done has

1011

00:38:24,550 --> 00:38:22,960

been he's pro

1012

00:38:26,950 --> 00:38:24,560

his theories have predicted it right and

1013

00:38:28,710 --> 00:38:26,960

here's the other thing okay

1014

00:38:30,870 --> 00:38:28,720

you know there's the physics of big

1015

00:38:31,910 --> 00:38:30,880

things which is einstein and relativity

1016

00:38:33,910 --> 00:38:31,920

and all that

1017

00:38:36,710 --> 00:38:33,920

and then there's the physics of little

1018

00:38:39,270 --> 00:38:36,720

things which is quantum mechanics right

1019

00:38:41,349 --> 00:38:39,280

and they contradict each other

1020

00:38:42,790 --> 00:38:41,359

but every time we do experiments on

1021

00:38:44,390 --> 00:38:42,800

either one

1022

00:38:47,190 --> 00:38:44,400

they predict

1023

00:38:49,829 --> 00:38:47,200

the outcome of the experiment accurately

1024

00:38:50,790 --> 00:38:49,839

and you're like this how could this be

1025

00:38:53,030 --> 00:38:50,800

you know

1026

00:38:59,190 --> 00:38:53,040

they're contradictory

1027

00:39:02,310 --> 00:38:59,200

physics knowledge right yeah they seem

1028

00:39:04,710 --> 00:39:02,320

to be both be true simultaneously

1029

00:39:05,670 --> 00:39:04,720

you know and it's crazy

1030

00:39:08,150 --> 00:39:05,680

okay

1031

00:39:11,030 --> 00:39:08,160

talks about that and he talks about how

1032

00:39:12,630 --> 00:39:11,040

like if you have if you have uh

1033

00:39:15,109 --> 00:39:12,640

the theory of relativity and the

1034

00:39:17,589 --> 00:39:15,119

mathematics going one way and you have

1035

00:39:20,310 --> 00:39:17,599

the the theory of quantum physics going

1036

00:39:23,349 --> 00:39:20,320

the other way in equations right they

1037

00:39:25,190 --> 00:39:23,359

both match beautifully until they until

1038

00:39:28,470 --> 00:39:25,200

you look at the very center and the

1039

00:39:31,270 --> 00:39:28,480

center for some reason they don't agree

1040

00:39:32,230 --> 00:39:31,280

and all the the the answer for the

1041

00:39:35,190 --> 00:39:32,240

center

1042

00:39:37,990 --> 00:39:35,200

for both sides right because you can do

1043

00:39:40,829 --> 00:39:38,000

the equations and and make it make sense

1044

00:39:42,390 --> 00:39:40,839

until you get to the the middle half and

1045

00:39:45,349 --> 00:39:42,400

and

1046

00:39:46,710 --> 00:39:45,359

to be infinity for some reason right

1047

00:39:48,550 --> 00:39:46,720

which is weird because you could start

1048

00:39:50,069 --> 00:39:48,560

with infinity and then break off into

1049

00:39:51,829 --> 00:39:50,079

relativity and then break off into

1050

00:39:53,430 --> 00:39:51,839

quantum mechanics and they they marry

1051

00:39:55,589 --> 00:39:53,440

each other beautifully

1052

00:39:57,349 --> 00:39:55,599

and until you try to put them together

1053

00:39:58,870 --> 00:39:57,359

and then all of a sudden there's this

1054

00:40:00,150 --> 00:39:58,880

this weird

1055

00:40:01,030 --> 00:40:00,160

infinity

1056

00:40:03,430 --> 00:40:01,040

uh

1057

00:40:05,030 --> 00:40:03,440

you know equation that that that you

1058

00:40:06,870 --> 00:40:05,040

know nobody knows

1059

00:40:12,470 --> 00:40:06,880

what infinity is

1060

00:40:17,109 --> 00:40:14,150

if we didn't have

1061

00:40:18,870 --> 00:40:17,119

relativity and quantum mechanics

1062

00:40:20,670 --> 00:40:18,880

gps wouldn't work

1063

00:40:23,190 --> 00:40:20,680

if we didn't understand them both

1064

00:40:24,630 --> 00:40:23,200

simultaneously right

1065

00:40:26,309 --> 00:40:24,640

we would have put these satellites up

1066

00:40:28,230 --> 00:40:26,319

there and it was we would have gotten

1067

00:40:31,190 --> 00:40:28,240

the wrong answers then we wouldn't be

1068

00:40:32,550 --> 00:40:31,200

able to excuse me figure out

1069

00:40:36,309 --> 00:40:32,560

what's wrong

1070

00:40:40,150 --> 00:40:38,630

that's right turn around predictive

1071

00:40:42,710 --> 00:40:40,160

programming you're like oh you you

1072

00:40:44,230 --> 00:40:42,720

[h__\h] missed the turn

1073

00:40:46,550 --> 00:40:44,240

that's right

1074

00:40:47,990 --> 00:40:46,560

you're now in taylor texas the city of

1075

00:40:50,230 --> 00:40:48,000

the universe

1076

00:40:52,309 --> 00:40:50,240

[h__\h] we told you went the wrong way

1077

00:40:54,630 --> 00:40:52,319

thank you very much hope we ended up at

1078

00:40:56,710 --> 00:40:54,640

taylor again

1079

00:40:59,670 --> 00:40:56,720

around here the dairy queen no

1080

00:41:01,910 --> 00:40:59,680

there's ducks everywhere

1081

00:41:04,309 --> 00:41:01,920

they're all in the middle

1082

00:41:07,510 --> 00:41:04,319

look look there's god

1083

00:41:09,750 --> 00:41:07,520

god is a fry cooking dairy queen

1084

00:41:11,750 --> 00:41:09,760

i didn't know that

1085

00:41:13,320 --> 00:41:11,760

god wanted the easiest job with the

1086

00:41:15,030 --> 00:41:13,330

least amount of responsibility

1087

00:41:17,589 --> 00:41:15,040

[Laughter]

1088

00:41:19,270 --> 00:41:17,599

that's right he said you know i created

1089

00:41:21,910 --> 00:41:19,280

the universe

1090

00:41:24,309 --> 00:41:21,920

i only had six days

1091

00:41:26,870 --> 00:41:24,319

i'm taking the seventh day off i'm

1092

00:41:28,950 --> 00:41:26,880

afraid i'm just chilling yeah

1093

00:41:31,030 --> 00:41:28,960

i'm chilling man

1094

00:41:32,960 --> 00:41:31,040

i'm chilling and i'm like employ all i

1095

00:41:35,430 --> 00:41:32,970

can drink coke

1096

00:41:38,230 --> 00:41:35,440

[Music]

1097

00:41:39,430 --> 00:41:38,240

part of my employment plan

1098

00:41:41,030 --> 00:41:39,440

real quick i

1099

00:41:43,349 --> 00:41:41,040

wanted to build off of uh what you were

1100

00:41:45,510 --> 00:41:43,359

saying about michio kaku uh joe

1101
00:41:47,109 --> 00:41:45,520
and there's also this shadow experiment

1102
00:41:49,030 --> 00:41:47,119
i don't know what it's called but i've

1103
00:41:50,710 --> 00:41:49,040
seen it and i can speak to it but it's

1104
00:41:52,309 --> 00:41:50,720
uh it's it's basically like a 3d

1105
00:41:54,710 --> 00:41:52,319
rendering or maybe it's been done in

1106
00:41:57,430 --> 00:41:54,720
person but it's just picture a

1107
00:41:59,990 --> 00:41:57,440
a the letter s right uh and a sans serif

1108
00:42:02,150 --> 00:42:00,000
typeface and it's uh

1109
00:42:04,230 --> 00:42:02,160
it's got a bevel to it so it's in a

1110
00:42:06,710 --> 00:42:04,240
three dimension and then there's two

1111
00:42:10,309 --> 00:42:06,720
points of light one is at the very back

1112
00:42:13,270 --> 00:42:10,319
of it so when the light shines on that

1113
00:42:15,109 --> 00:42:13,280

uh letter it only shows a rectangle

1114

00:42:17,670 --> 00:42:15,119

and if the light shines from the side it

1115

00:42:19,510 --> 00:42:17,680

shows the s on the wall so

1116

00:42:22,069 --> 00:42:19,520

both are true they're both a rectangle

1117

00:42:23,910 --> 00:42:22,079

and a s shape

1118

00:42:26,470 --> 00:42:23,920

but it's just it based it's based off of

1119

00:42:28,230 --> 00:42:26,480

your perspective um i don't know if you

1120

00:42:29,829 --> 00:42:28,240

guys can visualize that or if i did that

1121

00:42:31,750 --> 00:42:29,839

or if i spoke to that well enough but

1122

00:42:33,190 --> 00:42:31,760

like trying to i kind of just wanted to

1123

00:42:34,550 --> 00:42:33,200

build off that

1124

00:42:36,309 --> 00:42:34,560

we're talking about

1125

00:42:39,430 --> 00:42:36,319

my tiny little brain had a little

1126

00:42:42,309 --> 00:42:39,440

trouble with but i think i follow it

1127

00:42:44,390 --> 00:42:42,319

yes you just blew you you just i had to

1128

00:42:46,390 --> 00:42:44,400

reboot i am having a reboot right now

1129

00:42:49,270 --> 00:42:46,400

you know just boom

1130

00:42:51,190 --> 00:42:49,280

wait a desk can be a square

1131

00:42:52,309 --> 00:42:51,200

the pot roast isn't cool the pot roast

1132

00:42:53,910 --> 00:42:52,319

isn't ready yet dude you got to put it

1133

00:42:56,710 --> 00:42:53,920

back in the oven

1134

00:42:58,870 --> 00:42:56,720

the pot pot roast no that's cool that's

1135

00:43:01,430 --> 00:42:58,880

cool yeah i guess it's like like they're

1136

00:43:03,990 --> 00:43:01,440

both true it just depends on your

1137

00:43:07,349 --> 00:43:04,000

reference at the moment

1138

00:43:09,030 --> 00:43:07,359

yeah of what you see or experienced

1139

00:43:10,710 --> 00:43:09,040

where the light is shining from because

1140

00:43:12,710 --> 00:43:10,720

you know if you're in

1141

00:43:14,950 --> 00:43:12,720

yeah the bevel right like it's a

1142

00:43:17,829 --> 00:43:14,960

three-dimensional object but an s turned

1143

00:43:20,390 --> 00:43:17,839

this way is is a rectangle but i mean

1144

00:43:22,790 --> 00:43:20,400

this way it's yeah

1145

00:43:24,950 --> 00:43:22,800

um it's kind of cool um but yeah like

1146

00:43:27,750 --> 00:43:24,960

how do each of us know the other two

1147

00:43:30,150 --> 00:43:27,760

guys are really there

1148

00:43:33,990 --> 00:43:30,160

think about it

1149

00:43:39,349 --> 00:43:36,150

maybe i'm a pre-recorded

1150

00:43:41,190 --> 00:43:39,359

video that you guys think i'm

1151

00:43:43,910 --> 00:43:41,200

i meant i'm actually i'm actually not

1152

00:43:45,990 --> 00:43:43,920

here i'm sleeping you're in the facebook

1153

00:43:48,150 --> 00:43:46,000

you're pre-recorded yet you know the

1154

00:43:50,150 --> 00:43:48,160

questions before they're asked

1155

00:43:52,790 --> 00:43:50,160

predictive programming i'm you i used my

1156

00:43:54,950 --> 00:43:52,800

tom tom dude yeah dude it's the uh

1157

00:43:56,950 --> 00:43:54,960

that's the algorithm right we already

1158

00:43:58,470 --> 00:43:56,960

know what you talk about and and like

1159

00:43:59,430 --> 00:43:58,480

dude so

1160

00:44:03,750 --> 00:43:59,440

we're just

1161

00:44:10,790 --> 00:44:05,510

it's possible

1162

00:44:13,510 --> 00:44:10,800

uh it could work

1163

00:44:15,430 --> 00:44:13,520

yeah yeah you know

1164

00:44:17,270 --> 00:44:15,440

you know it's like i wonder how far the

1165

00:44:20,150 --> 00:44:17,280

edge of the universe is i mean if you

1166

00:44:22,710 --> 00:44:20,160

get up to elgin you know like is it kind

1167

00:44:24,069 --> 00:44:22,720

of a little ways past the elgin or

1168

00:44:27,910 --> 00:44:24,079

maybe

1169

00:44:32,309 --> 00:44:30,550

we don't know where is elgin right now

1170

00:44:34,470 --> 00:44:32,319

where is it right now

1171

00:44:37,349 --> 00:44:34,480

i think it's back

1172

00:44:39,990 --> 00:44:37,359

elgin only exists in our minds right

1173

00:44:41,910 --> 00:44:40,000

well hey that's the whole thing right is

1174

00:44:42,870 --> 00:44:41,920

like absolutely when we're there it

1175

00:44:44,390 --> 00:44:42,880

exists

1176

00:44:47,430 --> 00:44:44,400

and like while we

1177

00:44:49,829 --> 00:44:47,440

leave it doesn't exist anymore yeah like

1178

00:44:51,270 --> 00:44:49,839

wow that's a quantum mechanics kind of

1179

00:44:54,790 --> 00:44:51,280

crazy thing

1180

00:44:59,670 --> 00:44:54,800

uh-huh collapsing reality

1181

00:45:03,990 --> 00:45:01,670

i think there there might be an audio

1182

00:45:07,190 --> 00:45:04,000

lag i know there's just a statistical

1183

00:45:15,750 --> 00:45:08,870

yeah

1184

00:45:21,109 --> 00:45:15,760

on your headphones there's definitely a

1185

00:45:25,510 --> 00:45:23,030

that's you know what that is

1186

00:45:27,190 --> 00:45:25,520

that's a that's a tear in the space-time

1187

00:45:29,750 --> 00:45:27,200

continuum

1188

00:45:31,750 --> 00:45:29,760

that's the matrix

1189

00:45:33,270 --> 00:45:31,760

you know the matrix is

1190

00:45:35,990 --> 00:45:33,280

acting up

1191

00:45:37,750 --> 00:45:36,000

well the matrix needs to behave itself

1192

00:45:38,910 --> 00:45:37,760

for the next hour or so

1193

00:45:43,430 --> 00:45:38,920

you know the matrix

1194

00:45:48,309 --> 00:45:45,589

i i listen i watch so many podcasts and

1195

00:45:50,309 --> 00:45:48,319

people that use um uh stream yard

1196

00:45:51,510 --> 00:45:50,319

like every day and uh it seems to be

1197

00:45:53,990 --> 00:45:51,520

like

1198

00:45:56,309 --> 00:45:54,000

we we have so much trouble are we the

1199

00:45:58,829 --> 00:45:56,319

only ones who have that i i don't i

1200

00:46:02,710 --> 00:45:58,839

don't mean to sound like a being the

1201

00:46:04,150 --> 00:46:02,720

the victim here but damn it

1202

00:46:06,550 --> 00:46:04,160

he's got he had

1203

00:46:08,470 --> 00:46:06,560

his uh 1080 uh

1204

00:46:09,589 --> 00:46:08,480

video quality is amazing his audio but

1205

00:46:11,670 --> 00:46:09,599

yeah i know

1206

00:46:13,430 --> 00:46:11,680

it's so what happened is he backstage

1207

00:46:14,950 --> 00:46:13,440

right now or backstage actually yeah

1208

00:46:17,190 --> 00:46:14,960

okay let's bring it back in let's bring

1209

00:46:18,870 --> 00:46:17,200

her back in okay

1210

00:46:20,470 --> 00:46:18,880

let's see hold on

1211

00:46:22,390 --> 00:46:20,480

jojo you got a little bit of a delay

1212

00:46:24,790 --> 00:46:22,400

going on

1213

00:46:27,109 --> 00:46:24,800

yeah i'm about i'm back backstage

1214

00:46:28,870 --> 00:46:27,119

can you hear me yeah yeah we've got you

1215

00:46:30,470 --> 00:46:28,880

on there there you go

1216

00:46:32,069 --> 00:46:30,480

you you're not gonna believe where i was

1217

00:46:33,829 --> 00:46:32,079

just at

1218

00:46:36,150 --> 00:46:33,839

were you an elgin dude

1219

00:46:36,950 --> 00:46:36,160

did you go to elegant did you go to mars

1220

00:46:38,870 --> 00:46:36,960

yeah

1221

00:46:40,550 --> 00:46:38,880

the edge of the universe

1222

00:46:43,510 --> 00:46:40,560

and spock was there and he had a

1223

00:46:45,589 --> 00:46:43,520

mustache and a goatee

1224

00:46:47,670 --> 00:46:45,599

it's a different reality

1225

00:46:49,349 --> 00:46:47,680

guarantee there's a there's an old cat

1226

00:46:51,670 --> 00:46:49,359

there's an old cowboy

1227

00:47:01,349 --> 00:46:51,680

what was in the auntie elgin the auntie

1228

00:47:08,230 --> 00:47:03,109

i didn't know vulcans could uh grow

1229

00:47:11,270 --> 00:47:09,349

could be

1230

00:47:12,950 --> 00:47:11,280

that's a that's a great idea to be do we

1231

00:47:14,069 --> 00:47:12,960

have anybody left listening to us at

1232

00:47:16,710 --> 00:47:14,079

this point

1233

00:47:18,870 --> 00:47:16,720

oh yeah we got a full house right now

1234

00:47:21,270 --> 00:47:18,880

we got a flight oh do they they're as

1235

00:47:23,750 --> 00:47:21,280

good nuts as we are

1236

00:47:25,510 --> 00:47:23,760

oh yeah they are i'm digging it that's

1237

00:47:26,790 --> 00:47:25,520

what that's what we love about our

1238

00:47:29,910 --> 00:47:26,800

listeners man

1239

00:47:31,270 --> 00:47:29,920

i'm digging it everybody out there

1240

00:47:35,270 --> 00:47:31,280

yes man

1241

00:47:38,470 --> 00:47:35,280

oh gosh dude you got a good crew man um

1242

00:47:42,150 --> 00:47:38,480

very very inquisitive yes i i was in i

1243

00:47:46,390 --> 00:47:44,630

sorry that lag again the auntie elgin

1244

00:47:48,390 --> 00:47:46,400

and they they told me

1245

00:47:49,829 --> 00:47:48,400

they told me to bring back a message for

1246

00:47:53,510 --> 00:47:49,839

you guys

1247

00:47:54,790 --> 00:47:53,520

what is it they said we listen

1248

00:47:56,470 --> 00:47:54,800

every

1249

00:47:59,349 --> 00:47:56,480

thursday

1250

00:48:02,309 --> 00:47:59,359

we listen that's what they said

1251
00:48:04,829 --> 00:48:02,319
keep doing what you're doing until we

1252
00:48:06,790 --> 00:48:04,839
tell you otherwise

1253
00:48:08,630 --> 00:48:06,800
okay

1254
00:48:11,589 --> 00:48:08,640
so now you've got it

1255
00:48:13,430 --> 00:48:11,599
i'm not doing it until

1256
00:48:15,349 --> 00:48:13,440
further instructions

1257
00:48:18,950 --> 00:48:15,359
i love how everybody else has started to

1258
00:48:21,589 --> 00:48:18,960
misspell thursday as well with us

1259
00:48:23,430 --> 00:48:21,599
it's like thursday

1260
00:48:25,349 --> 00:48:23,440
it's so good

1261
00:48:27,990 --> 00:48:25,359
uh-huh

1262
00:48:30,390 --> 00:48:28,000
someone says we want spooky what is

1263
00:48:31,990 --> 00:48:30,400

spooky a person a thing or they want us

1264

00:48:35,109 --> 00:48:32,000

to be spooky

1265

00:48:37,030 --> 00:48:35,119

i think it's spooky morales

1266

00:48:40,309 --> 00:48:37,040

it's i think it's

1267

00:48:41,910 --> 00:48:40,319

our buddy spooky morales he uh

1268

00:48:42,950 --> 00:48:41,920

is that it okay

1269

00:48:44,630 --> 00:48:42,960

yeah let's

1270

00:48:46,710 --> 00:48:44,640

we're we're kind of just it's kind of a

1271

00:48:48,390 --> 00:48:46,720

laid back chill night tonight dude i

1272

00:48:50,309 --> 00:48:48,400

mean we really don't have a plan so

1273

00:48:52,549 --> 00:48:50,319

spooky dude let me know

1274

00:48:53,829 --> 00:48:52,559

i'll send you that link bro

1275

00:48:56,790 --> 00:48:53,839

i don't know how i'm gonna i'll just put

1276

00:48:59,750 --> 00:48:56,800

it in the things it's like

1277

00:49:01,270 --> 00:48:59,760

this is like high science tonight man

1278

00:49:03,190 --> 00:49:01,280

it is this is like

1279

00:49:05,829 --> 00:49:03,200

we're tripping out on

1280

00:49:08,390 --> 00:49:05,839

on science that's what we do

1281

00:49:10,630 --> 00:49:08,400

dude yeah

1282

00:49:13,589 --> 00:49:10,640

usually dude i'm tripping out on science

1283

00:49:16,950 --> 00:49:13,599

all the time bro

1284

00:49:19,589 --> 00:49:16,960

so ben let's let's get it dude let's get

1285

00:49:24,230 --> 00:49:19,599

into that cathedral

1286

00:49:27,589 --> 00:49:24,240

uh topic that we were talking about

1287

00:49:30,950 --> 00:49:27,599

earlier i can believe that you guys look

1288

00:49:33,589 --> 00:49:30,960

like you're tripping on science

1289

00:49:36,150 --> 00:49:33,599

all the time holy [\h__\h] that's like a 30

1290

00:49:38,549 --> 00:49:36,160

second lag i think dude oh my god i

1291

00:49:40,470 --> 00:49:38,559

think it is a 30 second lag jojo i'm

1292

00:49:42,829 --> 00:49:40,480

sorry i um

1293

00:49:45,829 --> 00:49:42,839

we might we might have to

1294

00:49:46,630 --> 00:49:45,839

uh out and then hop back in pull back in

1295

00:49:51,430 --> 00:49:46,640

uh

1296

00:49:53,190 --> 00:49:51,440

you can well

1297

00:49:55,589 --> 00:49:53,200

yeah like pop back out and close out

1298

00:49:57,589 --> 00:49:55,599

again and then come back in yes yes you

1299

00:50:00,230 --> 00:49:57,599

need to hop out and hop back in

1300

00:50:01,910 --> 00:50:00,240

yes yes see if we can fix that lag okay

1301
00:50:03,589 --> 00:50:01,920
perfect cool yeah

1302
00:50:05,829 --> 00:50:03,599
it was it was good there for a second

1303
00:50:09,510 --> 00:50:05,839
there was like a like a five second lag

1304
00:50:12,950 --> 00:50:09,520
but it like grew yes it did it did

1305
00:50:15,109 --> 00:50:12,960
like a 45 second deal dude that was wild

1306
00:50:17,430 --> 00:50:15,119
it was yeah and i freaking love this guy

1307
00:50:20,470 --> 00:50:17,440
man jojo's awesome and and people are

1308
00:50:21,910 --> 00:50:20,480
are digging a man so i i i

1309
00:50:23,829 --> 00:50:21,920
i'm almost

1310
00:50:26,069 --> 00:50:23,839
maybe maybe it's because we're both in

1311
00:50:27,990 --> 00:50:26,079
taylor and with both of us streaming

1312
00:50:30,390 --> 00:50:28,000
we're using all of taylor's like

1313
00:50:31,750 --> 00:50:30,400

internet at the same time

1314

00:50:33,670 --> 00:50:31,760

i think that's

1315

00:50:35,430 --> 00:50:33,680

exactly what it is that's what's

1316

00:50:40,069 --> 00:50:35,440

happening for those of you that don't

1317

00:50:41,589 --> 00:50:40,079

know taylor's a very small town

1318

00:50:44,390 --> 00:50:41,599

for now

1319

00:50:47,990 --> 00:50:44,400

yeah but uh yeah it's it's it's it's a

1320

00:50:51,430 --> 00:50:48,000

very small rural town like if i walk

1321

00:50:53,430 --> 00:50:51,440

outside and drive my car like a minute

1322

00:50:54,390 --> 00:50:53,440

in either direction i see nothing but

1323

00:50:56,390 --> 00:50:54,400

fields

1324

00:51:00,150 --> 00:50:56,400

it's pretty awesome but the cool thing

1325

00:51:03,990 --> 00:51:00,160

is is i can get to any grocery store and

1326

00:51:06,069 --> 00:51:04,000

or uh retail place within a minute as

1327

00:51:07,430 --> 00:51:06,079

well so that's cool i'm jealous of that

1328

00:51:09,750 --> 00:51:07,440

i thought georgetown was going to be

1329

00:51:11,109 --> 00:51:09,760

kind of like that but no dude nope

1330

00:51:13,190 --> 00:51:11,119

there's a lot of traffic there's too

1331

00:51:15,109 --> 00:51:13,200

many people here at like four o'clock

1332

00:51:17,030 --> 00:51:15,119

dude forget it bro

1333

00:51:18,710 --> 00:51:17,040

forgot we're bringing jojo back in let's

1334

00:51:20,710 --> 00:51:18,720

see if we can fix that lag dude if we

1335

00:51:23,829 --> 00:51:20,720

can't we might have to have you on a uh

1336

00:51:28,390 --> 00:51:23,839

you know uh maybe jump in how we doing

1337

00:51:28,400 --> 00:51:36,630

oh

1338

00:51:41,920 --> 00:51:39,190

i can't tell he's waiting for me here

1339

00:51:50,150 --> 00:51:44,710

[Music]

1340

00:51:52,470 --> 00:51:51,109

it's just

1341

00:51:55,030 --> 00:51:52,480

it's so

1342

00:51:57,910 --> 00:51:55,040

how how far away are you from your from

1343

00:51:59,910 --> 00:51:57,920

your router ow

1344

00:52:04,950 --> 00:51:59,920

that was so funny holy [\h__\h] i'll tell

1345

00:52:10,870 --> 00:52:06,630

oh

1346

00:52:12,390 --> 00:52:10,880

plan he's got a plan we know the man has

1347

00:52:14,710 --> 00:52:12,400

a plan

1348

00:52:15,750 --> 00:52:14,720

i have my dad live but my hoove

1349

00:52:17,349 --> 00:52:15,760

what

1350

00:52:18,870 --> 00:52:17,359

with my headphones i snapped them on my

1351
00:52:20,630 --> 00:52:18,880
face

1352
00:52:21,670 --> 00:52:20,640
that was so funny

1353
00:52:24,390 --> 00:52:21,680
that was

1354
00:52:24,400 --> 00:52:27,109
hey

1355
00:52:31,430 --> 00:52:28,710
can you see me

1356
00:52:33,510 --> 00:52:31,440
i love this dude that's so funny dude

1357
00:52:34,790 --> 00:52:33,520
jojo bone here we go

1358
00:52:44,800 --> 00:52:34,800
okay

1359
00:52:44,810 --> 00:52:48,140
[Music]

1360
00:52:54,630 --> 00:52:51,829
[Laughter]

1361
00:52:57,109 --> 00:52:54,640
it's working i can hear you

1362
00:52:59,589 --> 00:52:57,119
jojo i love you man i i think the lag is

1363
00:53:01,270 --> 00:52:59,599

too the best okay i'm gonna do the star

1364

00:53:02,549 --> 00:53:01,280

trek thing when they're when they're

1365

00:53:10,870 --> 00:53:02,559

when you know like they're getting

1366

00:53:14,470 --> 00:53:13,030

what is happening right now i don't know

1367

00:53:16,870 --> 00:53:14,480

but i love it

1368

00:53:20,150 --> 00:53:16,880

jojo hey bro we love you

1369

00:53:21,510 --> 00:53:20,160

this is an episode of star trek okay

1370

00:53:24,470 --> 00:53:21,520

like we're gonna have to have you back

1371

00:53:30,630 --> 00:53:24,480

on dude she's gonna captain

1372

00:53:30,640 --> 00:53:33,990

oh my god

1373

00:53:40,870 --> 00:53:35,750

i can't even tell if he's making noise

1374

00:53:42,710 --> 00:53:40,880

right now i can't tell oh my god dude

1375

00:53:44,390 --> 00:53:42,720

okay dude well hey we're gonna i'll

1376

00:53:46,309 --> 00:53:44,400

email you bro

1377

00:53:48,069 --> 00:53:46,319

hold on send him a private chat all

1378

00:53:50,470 --> 00:53:48,079

right get the private chat okay all

1379

00:53:52,630 --> 00:53:50,480

right okay there it goes hold on

1380

00:53:55,510 --> 00:53:52,640

see if he can see if he can move closer

1381

00:53:56,870 --> 00:53:55,520

to his router if that's a possibility

1382

00:53:58,309 --> 00:53:56,880

because i don't want to i don't want to

1383

00:54:00,230 --> 00:53:58,319

lose him

1384

00:54:02,150 --> 00:54:00,240

we can carry it but i don't want to lose

1385

00:54:03,270 --> 00:54:02,160

him ask him if there's any way that we

1386

00:54:05,030 --> 00:54:03,280

can get this

1387

00:54:07,030 --> 00:54:05,040

if you can get a little closer to the

1388

00:54:10,870 --> 00:54:07,040

router or anything like that because

1389

00:54:14,309 --> 00:54:10,880

like the the the delay is is insane oh

1390

00:54:16,150 --> 00:54:14,319

my god like it's so funny

1391

00:54:17,589 --> 00:54:16,160

yeah dude okay all right give me a sec

1392

00:54:20,950 --> 00:54:17,599

because i can't talk and type at the

1393

00:54:23,510 --> 00:54:20,960

same time so no it's okay dude

1394

00:54:26,150 --> 00:54:23,520

it's kind of like it's kind of like how

1395

00:54:28,630 --> 00:54:26,160

like i can't think of paying bills and

1396

00:54:29,829 --> 00:54:28,640

masturbate at the same time like it's

1397

00:54:32,470 --> 00:54:29,839

impossible

1398

00:54:34,870 --> 00:54:32,480

i don't know about you guys but like

1399

00:54:36,950 --> 00:54:34,880

immediate softy like

1400

00:54:40,069 --> 00:54:36,960

if i'm in the middle

1401

00:54:41,910 --> 00:54:40,079

of of of a good sash dude and then all

1402

00:54:44,390 --> 00:54:41,920

of a sudden like bills pop in my head or

1403

00:54:45,910 --> 00:54:44,400

somebody texting me that's it bro that's

1404

00:54:47,109 --> 00:54:45,920

it it's gonna take me another five

1405

00:54:49,109 --> 00:54:47,119

minutes

1406

00:54:49,990 --> 00:54:49,119

so i uh

1407

00:54:52,150 --> 00:54:50,000

you know

1408

00:54:53,510 --> 00:54:52,160

i turn my phone off no there you are

1409

00:54:55,190 --> 00:54:53,520

dude there you are

1410

00:54:57,109 --> 00:54:55,200

hell yeah you say paying bills and

1411

00:55:00,230 --> 00:54:57,119

masturbating at the same time yeah you

1412

00:55:01,990 --> 00:55:00,240

can't do it it's impossible

1413

00:55:03,910 --> 00:55:02,000

because you're like oh you're like yeah

1414

00:55:05,910 --> 00:55:03,920

i'm so happy and this is awesome and

1415

00:55:07,750 --> 00:55:05,920

then you're like oh that's so sad that's

1416

00:55:10,230 --> 00:55:07,760

so expensive

1417

00:55:12,150 --> 00:55:10,240

why did i buy that

1418

00:55:14,950 --> 00:55:12,160

why did i buy electricity this shit's so

1419

00:55:18,710 --> 00:55:16,950

you know

1420

00:55:21,030 --> 00:55:18,720

there's nothing more sexy than than

1421

00:55:23,990 --> 00:55:21,040

having to pay money seriously why don't

1422

00:55:25,829 --> 00:55:24,000

i buy this house it's so expensive

1423

00:55:27,990 --> 00:55:25,839

so many messages are being messages are

1424

00:55:29,589 --> 00:55:28,000

being flagged how how dare they dude

1425

00:55:31,190 --> 00:55:29,599

like you can't even say the word sex

1426

00:55:33,589 --> 00:55:31,200

what the hell

1427

00:55:36,390 --> 00:55:33,599

what like messages in on the on the

1428

00:55:38,470 --> 00:55:36,400

youtube chat are like being uh like

1429

00:55:40,150 --> 00:55:38,480

flagged and [h__h] like are they really

1430

00:55:42,630 --> 00:55:40,160

dude i think we got a wrench i think

1431

00:55:44,470 --> 00:55:42,640

maybe uh uh chad is in here approving

1432

00:55:46,950 --> 00:55:44,480

him thanks chad

1433

00:55:49,030 --> 00:55:46,960

nice dude or or uh well i don't know who

1434

00:55:50,230 --> 00:55:49,040

else is is a wrench in here

1435

00:55:52,630 --> 00:55:50,240

because i can't figure out how to make

1436

00:55:54,630 --> 00:55:52,640

people wrenches i've tried

1437

00:55:55,990 --> 00:55:54,640

i literally i made it i it worked and

1438

00:55:57,670 --> 00:55:56,000

then now i can't figure it out all right

1439

00:56:02,069 --> 00:55:57,680

let's keep it going dude chris holm says

1440

00:56:06,069 --> 00:56:04,710

that's a that's a quickbooks uh additive

1441

00:56:07,349 --> 00:56:06,079

you got to pay an extra 20 bucks a month

1442

00:56:09,829 --> 00:56:07,359

for that one dude

1443

00:56:12,630 --> 00:56:09,839

i think so chad that's yeah it is chad

1444

00:56:15,030 --> 00:56:12,640

thanks brother i appreciate it man

1445

00:56:17,510 --> 00:56:15,040

simon says wrap the router and sausage

1446

00:56:19,430 --> 00:56:17,520

1447

00:56:21,270 --> 00:56:19,440

will work trust me

1448

00:56:24,549 --> 00:56:21,280

i agree dude

1449

00:56:25,589 --> 00:56:24,559

honey baked ham sausage skin yeah yes

1450

00:56:27,349 --> 00:56:25,599

uh

1451

00:56:29,349 --> 00:56:27,359

i just want to say a quick plug for chad

1452

00:56:31,190 --> 00:56:29,359

1453

00:56:32,950 --> 00:56:31,200

1454

00:56:34,630 --> 00:56:32,960

i gonna hop on at four in the morning i

1460

00:56:46,789 --> 00:56:44,480

gotta be up at five in the morning well

1461

00:56:48,710 --> 00:56:46,799

he's already he's already on like when

1462

00:56:50,230 --> 00:56:48,720

i'm just getting on my computer for work

1463

00:56:51,510 --> 00:56:50,240

so i'm like it's like my best my

1464

00:56:52,309 --> 00:56:51,520

favorite part of the day it's [h__h]

1465

00:56:54,069 --> 00:56:52,319

awesome

1466

00:56:56,230 --> 00:56:54,079

i'm just too like

1467

00:56:58,309 --> 00:56:56,240

brain foggy in the morning to actually

1468

00:57:00,309 --> 00:56:58,319

hop on but one of these days maybe next

1469

00:57:03,030 --> 00:57:00,319

week i can wake up a little earlier and

1470

00:57:05,990 --> 00:57:03,040

hang out but like dude chad smith in the

1471

00:57:08,230 --> 00:57:06,000

morning i know i feel bad dude because i

1472

00:57:09,829 --> 00:57:08,240

haven't been able to hop on and then

1473

00:57:12,309 --> 00:57:09,839

same thing with the

1474

00:57:13,670 --> 00:57:12,319

paranormal top shot man with sonny i

1475

00:57:15,349 --> 00:57:13,680

feel bad cause i haven't been able to

1476

00:57:17,750 --> 00:57:15,359

hop on i've just been doing so much

1477

00:57:20,069 --> 00:57:17,760

family [h__h] dude like you know like once

1478

00:57:22,470 --> 00:57:20,079

friday hits dude it's like

1479

00:57:23,430 --> 00:57:22,480

family family family time you know what

1480

00:57:25,910 --> 00:57:23,440

i'm saying

1481

00:57:27,270 --> 00:57:25,920

and and and it's it's a bummer because i

1482

00:57:30,150 --> 00:57:27,280

want to hop on with those guys and

1483

00:57:32,789 --> 00:57:30,160

[h__h] but i always try and at least

1484

00:57:34,150 --> 00:57:32,799

hop on live and check in and say what's

1485

00:57:35,990 --> 00:57:34,160

up you know

1486

00:57:37,589 --> 00:57:36,000

yeah and uh

1487

00:57:41,109 --> 00:57:37,599

well speaking of paranormal chop shop

1488

00:57:43,829 --> 00:57:41,119

dude sonny and them have a uh a medium

1489

00:57:45,589 --> 00:57:43,839

on tomorrow at night and dude i'm still

1490

00:57:47,589 --> 00:57:45,599

i'm gonna be listening she's gonna be

1491

00:57:50,390 --> 00:57:47,599

like doing live reading so if anybody

1492

00:57:52,950 --> 00:57:50,400

wants to be red yeah like it's dope like

1493

00:57:54,950 --> 00:57:52,960

an actual medium and uh to be read i

1494

00:57:57,750 --> 00:57:54,960

don't know if it's it's their past lives

1495

00:58:00,470 --> 00:57:57,760

or or their future or whatever and uh

1496

00:58:02,069 --> 00:58:00,480

dude i'm i'm stoked so y'all check out

1497

00:58:03,990 --> 00:58:02,079

i'll put the link i put already put the

1498

00:58:06,150 --> 00:58:04,000

link in the description on youtube so

1499

00:58:10,230 --> 00:58:06,160

check them out nice dude nice yeah i

1500

00:58:12,710 --> 00:58:10,240

want to know is she from jamaica

1501
00:58:13,910 --> 00:58:12,720
possibly

1502
00:58:15,109 --> 00:58:13,920
it could be

1503
00:58:18,870 --> 00:58:15,119
could be

1504
00:58:23,190 --> 00:58:21,109
they have a medium on tomorrow

1505
00:58:26,150 --> 00:58:23,200
but we have a large on

1506
00:58:27,990 --> 00:58:26,160
we have a large on tonight and then next

1507
00:58:31,670 --> 00:58:28,000
week we're going to have a small on

1508
00:58:33,670 --> 00:58:31,680
small so yeah so we have a large tonight

1509
00:58:35,589 --> 00:58:33,680
paranormal chop shop has a medium on

1510
00:58:36,710 --> 00:58:35,599
tomorrow and then next week we have a

1511
00:58:39,109 --> 00:58:36,720
small

1512
00:58:41,109 --> 00:58:39,119
um on so you know

1513
00:58:42,549 --> 00:58:41,119

check that out but dude hey how awesome

1514

00:58:45,510 --> 00:58:42,559

is it like that there's people in the

1515

00:58:47,030 --> 00:58:45,520

world that can connect because dude i

1516

00:58:48,630 --> 00:58:47,040

dude i i think there's something to it

1517

00:58:51,910 --> 00:58:48,640

bro i mean when we have barbara green

1518

00:58:54,390 --> 00:58:51,920

man holy [h__h] holy [h__h] man we had your

1519

00:58:56,870 --> 00:58:54,400

barbecue on last weekend

1520

00:58:58,309 --> 00:58:56,880

it's like she knew exactly why i like to

1521

00:59:00,789 --> 00:58:58,319

party dude

1522

00:59:03,109 --> 00:59:00,799

because i wear like i wear the same

1523

00:59:05,670 --> 00:59:03,119

clothes that prince would wear

1524

00:59:06,549 --> 00:59:05,680

just like back in the day

1525

00:59:07,910 --> 00:59:06,559

yeah

1526
00:59:10,390 --> 00:59:07,920
you know

1527
00:59:11,349 --> 00:59:10,400
maybe that's why i'm so decisive as well

1528
00:59:15,910 --> 00:59:11,359
you know

1529
00:59:20,069 --> 00:59:17,670
because i had to pick all them fools

1530
00:59:21,030 --> 00:59:20,079
that had to go you know in the parties

1531
00:59:23,270 --> 00:59:21,040
yeah

1532
00:59:25,270 --> 00:59:23,280
she did wait so did she say that you

1533
00:59:26,549 --> 00:59:25,280
were like a bouncer i can't remember

1534
00:59:28,950 --> 00:59:26,559
exactly what

1535
00:59:31,109 --> 00:59:28,960
she said that like in the royal court i

1536
00:59:33,750 --> 00:59:31,119
would i i uh

1537
00:59:36,309 --> 00:59:33,760
i would gather people in these parties

1538
00:59:37,990 --> 00:59:36,319

and then i would just i would stay

1539

00:59:40,470 --> 00:59:38,000

and who would go

1540

00:59:42,950 --> 00:59:40,480

and kind of like entertainment a little

1541

00:59:44,390 --> 00:59:42,960

bit and i wore like these really flashy

1542

00:59:48,470 --> 00:59:44,400

clothes

1543

00:59:50,710 --> 00:59:48,480

i would wear like a bustier sometimes

1544

00:59:52,630 --> 00:59:50,720

you know

1545

00:59:54,789 --> 00:59:52,640

did she actually say that she was like

1546

00:59:58,230 --> 00:59:54,799

full sometimes you this is a barbra

1547

01:00:03,510 --> 01:00:00,870

sometimes you wear like a bustier and

1548

01:00:06,150 --> 01:00:03,520

that [h__h] looks nice and i was like hell

1549

01:00:08,309 --> 01:00:06,160

yeah barbara and she was like yeah full

1550

01:00:09,670 --> 01:00:08,319

of this [h__h] is nice it feels like this

1551

01:00:11,589 --> 01:00:09,680

what's up

1552

01:00:13,030 --> 01:00:11,599

so those are barbara the exact words

1553

01:00:14,549 --> 01:00:13,040

dude

1554

01:00:17,109 --> 01:00:14,559

chris holm that's exactly what i thought

1555

01:00:20,069 --> 01:00:17,119

dude i was like am i a jester am i the

1556

01:00:22,230 --> 01:00:20,079

am i the the kingdom's clown you know

1557

01:00:23,670 --> 01:00:22,240

what i'm saying i have been known to be

1558

01:00:25,750 --> 01:00:23,680

the class clown

1559

01:00:27,670 --> 01:00:25,760

uh i had a teacher tell me one time she

1560

01:00:29,990 --> 01:00:27,680

was like you're just the class clown

1561

01:00:31,430 --> 01:00:30,000

aren't you and i'm like hell yeah it's

1562

01:00:32,789 --> 01:00:31,440

[h__\h] awesome and then like i went

1563

01:00:33,910 --> 01:00:32,799

home and i told my mom and i was like

1564

01:00:35,589 --> 01:00:33,920

mom

1565

01:00:37,190 --> 01:00:35,599

the teacher said i was a class clown

1566

01:00:39,349 --> 01:00:37,200

today and she was like

1567

01:00:41,750 --> 01:00:39,359

you're grounded and i was like

1568

01:00:43,109 --> 01:00:41,760

wait is that a bad thing and she was

1569

01:00:46,069 --> 01:00:43,119

like

1570

01:00:48,470 --> 01:00:46,079

paying attention you're cutting up your

1571

01:00:50,309 --> 01:00:48,480

class clown which means like you're not

1572

01:00:52,549 --> 01:00:50,319

[h__h] you're supposed to be doing and i

1573

01:00:54,789 --> 01:00:52,559

was like oh yeah you're right

1574

01:00:59,430 --> 01:00:57,750

i don't think it's any parents uh uh

1575

01:01:03,109 --> 01:00:59,440

golden achievement that their kid

1576

01:01:05,349 --> 01:01:03,119

becomes uh the class clown um i i was

1577

01:01:06,950 --> 01:01:05,359

voted class clown every year from middle

1578

01:01:09,510 --> 01:01:06,960

school to high school

1579

01:01:11,670 --> 01:01:09,520

yes dude teachers loved me but they also

1580

01:01:16,390 --> 01:01:11,680

were like all right

1581

01:01:19,349 --> 01:01:17,990

and every all the students were like

1582

01:01:21,910 --> 01:01:19,359

well he's not that funny he's the only

1583

01:01:25,510 --> 01:01:21,920

person i can think of

1584

01:01:28,549 --> 01:01:25,520

2005 for i got voted uh

1585

01:01:31,190 --> 01:01:28,559

one of the most liked in high school

1586

01:01:33,510 --> 01:01:31,200

and then uh i asked the popular chick if

1587

01:01:35,510 --> 01:01:33,520

she wanted to like you know go out

1588

01:01:38,630 --> 01:01:35,520

and she was like

1589

01:01:40,150 --> 01:01:38,640

nah fool you stupid and i was like oh

1590

01:01:42,710 --> 01:01:40,160

she said you're so i was like but i but

1591

01:01:44,390 --> 01:01:42,720

i drive a 1970 impala and that [h__h] is

1592

01:01:46,309 --> 01:01:44,400

cool and she was like that's exactly why

1593

01:01:48,230 --> 01:01:46,319

i don't want to date you and i was like

1594

01:01:51,990 --> 01:01:48,240

oh

1595

01:01:53,109 --> 01:01:52,000

[h__h] dude you think that would be like

1596

01:01:55,190 --> 01:01:53,119

damn it

1597

01:01:57,270 --> 01:01:55,200

i know and i was like but i'm in a band

1598

01:02:01,430 --> 01:01:57,280

and like people in bands are cool like

1599

01:02:06,390 --> 01:02:03,990

you're not cool enough

1600

01:02:09,510 --> 01:02:06,400

one time that but you are cool enough

1601

01:02:12,630 --> 01:02:09,520

let's rock let's rock today

1602

01:02:14,390 --> 01:02:12,640

okay we got jojo jojo bone is back

1603

01:02:18,470 --> 01:02:14,400

okay let's see let's see what happened

1604

01:02:25,029 --> 01:02:21,510

he looks clear okay i shut down my other

1605

01:02:27,990 --> 01:02:25,039

studio and i rebooted my network

1606

01:02:31,670 --> 01:02:28,000

you sound great does it sound better

1607

01:02:33,270 --> 01:02:31,680

yes oh yes and your responses are like

1608

01:02:36,390 --> 01:02:33,280

right on time

1609

01:02:38,549 --> 01:02:36,400

all right dude yes dude that made a huge

1610

01:02:39,829 --> 01:02:38,559

difference i am so glad that this is

1611

01:02:42,069 --> 01:02:39,839

working now

1612

01:02:43,029 --> 01:02:42,079

you look so much clearer and yes dude

1613

01:02:45,349 --> 01:02:43,039

yes

1614

01:02:47,029 --> 01:02:45,359

yeah we were like we can't just like not

1615

01:02:50,150 --> 01:02:47,039

continue let's try something thanks for

1616

01:02:52,549 --> 01:02:50,160

doing that man we thought it was yeah my

1617

01:02:55,750 --> 01:02:52,559

my wife i hadn't been rebooted in like

1618

01:03:00,470 --> 01:02:58,150

might have been what it was we were both

1619

01:03:02,950 --> 01:03:00,480

using internet and taylor at the same

1620

01:03:05,190 --> 01:03:02,960

time and we were using all the internet

1621

01:03:06,710 --> 01:03:05,200

that's right that's right

1622

01:03:09,109 --> 01:03:06,720

there were two people there's probably

1623

01:03:11,190 --> 01:03:09,119

someone else somewhere connected too

1624

01:03:14,390 --> 01:03:11,200

you can't you can't go three people two

1625

01:03:16,150 --> 01:03:14,400

is the max so yeah

1626

01:03:17,510 --> 01:03:16,160

we had to call in we had to put an ad

1627

01:03:19,829 --> 01:03:17,520

out in the newspaper nobody used the

1628

01:03:22,309 --> 01:03:19,839

internet tonight because he and jojo

1629

01:03:23,430 --> 01:03:22,319

joe and jojo was in the internet tonight

1630

01:03:27,349 --> 01:03:23,440

yeah

1631

01:03:29,750 --> 01:03:27,359

circuit breaker on the poll outside my

1632

01:03:31,349 --> 01:03:29,760

house i just pulled it and shut turned

1633

01:03:33,510 --> 01:03:31,359

it back on

1634

01:03:35,029 --> 01:03:33,520

boom

1635

01:03:37,029 --> 01:03:35,039

and then a monster woke up in your

1636

01:03:39,670 --> 01:03:37,039

backyard and he was like

1637

01:03:42,829 --> 01:03:39,680

the handle on that

1638

01:03:45,430 --> 01:03:42,839

actually an ear of

1639

01:03:47,510 --> 01:03:45,440

corn that's right

1640

01:03:50,549 --> 01:03:47,520

yes it is

1641

01:03:52,950 --> 01:03:50,559

you know our secret technology now

1642

01:03:55,990 --> 01:03:52,960

yes dude yes

1643

01:03:58,950 --> 01:03:56,000

we were we were about to get into

1644

01:04:01,670 --> 01:03:58,960

um uh there was a

1645

01:04:04,150 --> 01:04:01,680

there was a uh i guess conference last

1646

01:04:07,349 --> 01:04:04,160

night and it was what was it called ben

1647

01:04:09,270 --> 01:04:07,359

uh the the future future of space the

1648

01:04:11,270 --> 01:04:09,280

future of humans in space

1649

01:04:14,230 --> 01:04:11,280

yeah i know is it the uh the washington

1650

01:04:15,270 --> 01:04:14,240

con cathedral um

1651

01:04:17,670 --> 01:04:15,280

i don't know

1652

01:04:20,230 --> 01:04:17,680

yeah it's it's they they hold all kinds

1653

01:04:22,950 --> 01:04:20,240

of events there um

1654

01:04:24,549 --> 01:04:22,960

and i thought just and it so jojo if you

1655

01:04:26,390 --> 01:04:24,559

don't know about this man they had a

1656

01:04:29,029 --> 01:04:26,400

bunch of speakers including uh jeff

1657

01:04:30,870 --> 01:04:29,039

bezos avi loeb um

1658

01:04:32,870 --> 01:04:30,880

and a couple of the reverend jordan

1659

01:04:34,309 --> 01:04:32,880

heath horton

1660

01:04:36,470 --> 01:04:34,319

it was a reverend of some kind i don't

1661

01:04:39,190 --> 01:04:36,480

know but yeah like so it was it was

1662

01:04:41,349 --> 01:04:39,200

religion and uh

1663

01:04:42,710 --> 01:04:41,359

well like one of the most richest man in

1664

01:04:45,109 --> 01:04:42,720

the world that just went to space and

1665

01:04:48,390 --> 01:04:45,119

then avi loeb who who is a who's a

1666

01:04:49,990 --> 01:04:48,400

scientist physicist uh

1667

01:04:52,230 --> 01:04:50,000

that's currently working at harvard

1668

01:04:54,789 --> 01:04:52,240

written a bunch of books super smart guy

1669

01:04:57,349 --> 01:04:54,799

big fan of his and he i mean

1670

01:04:59,109 --> 01:04:57,359

i get he's got a lot of

1671

01:05:00,789 --> 01:04:59,119

ideas and he's got a lot of people that

1672

01:05:02,470 --> 01:05:00,799

are that are backing him up he also just

1673

01:05:04,309 --> 01:05:02,480

started this new program called the

1674

01:05:06,309 --> 01:05:04,319

galileo project

1675

01:05:09,670 --> 01:05:06,319

and uh i think it's going to be working

1676
01:05:11,589 --> 01:05:09,680
in tandem with the james webb telescope

1677
01:05:13,430 --> 01:05:11,599
and what they're trying to do is look

1678
01:05:15,510 --> 01:05:13,440
and use this technology that we have to

1679
01:05:17,990 --> 01:05:15,520
look at not only look at space but also

1680
01:05:19,829 --> 01:05:18,000
hey while we're at it let's try to find

1681
01:05:22,950 --> 01:05:19,839
some of this debris this debris like a

1682
01:05:23,910 --> 01:05:22,960
moammua or these ufos or these small

1683
01:05:26,549 --> 01:05:23,920
little

1684
01:05:28,950 --> 01:05:26,559
when i say ufo i also kind of mean

1685
01:05:30,789 --> 01:05:28,960
objects in space that aren't planets

1686
01:05:33,190 --> 01:05:30,799
aren't comets that are doing weird [h__\h]

1687
01:05:34,069 --> 01:05:33,200
that we just want to take a closer look

1688
01:05:35,109 --> 01:05:34,079

at

1689

01:05:37,510 --> 01:05:35,119

so anyway they're having this

1690

01:05:40,069 --> 01:05:37,520

conversation with members of the

1691

01:05:41,349 --> 01:05:40,079

catholic uh community uh leaders of the

1692

01:05:42,630 --> 01:05:41,359

catholic community i just thought it was

1693

01:05:44,549 --> 01:05:42,640

beautiful that they were having this

1694

01:05:46,470 --> 01:05:44,559

conversation uh

1695

01:05:50,150 --> 01:05:46,480

with the amount of respect towards each

1696

01:05:52,470 --> 01:05:50,160

other uh and agreeing on a lot of points

1697

01:05:54,230 --> 01:05:52,480

which is very interesting right because

1698

01:05:57,270 --> 01:05:54,240

when you get into this topic you start

1699

01:05:59,510 --> 01:05:57,280

to find that uh oh you mean the the

1700

01:06:02,150 --> 01:05:59,520

vatican owns one of the largest health

1701

01:06:04,789 --> 01:06:02,160

in the entire world oh you mean the

1702

01:06:07,430 --> 01:06:04,799

vatican has like

1703

01:06:10,069 --> 01:06:07,440

so much data on space and has been

1704

01:06:13,190 --> 01:06:10,079

looking into this for a very very long

1705

01:06:14,630 --> 01:06:13,200

time you know like it's it is very

1706

01:06:16,710 --> 01:06:14,640

interesting i mean you even have the

1707

01:06:18,870 --> 01:06:16,720

pope coming out and saying you know

1708

01:06:20,789 --> 01:06:18,880

things like oh if there were

1709

01:06:22,470 --> 01:06:20,799

extraterrestrials they would be our

1710

01:06:23,670 --> 01:06:22,480

brothers and sisters just like they

1711

01:06:25,109 --> 01:06:23,680

claim to be

1712

01:06:26,870 --> 01:06:25,119

just like in the bible you would treat

1713

01:06:28,630 --> 01:06:26,880

everybody as your brother and sister you

1714

01:06:30,710 --> 01:06:28,640

know why would that make them any

1715

01:06:31,670 --> 01:06:30,720

different you know you really see a lot

1716

01:06:34,950 --> 01:06:31,680

of this

1717

01:06:36,950 --> 01:06:34,960

uh religious and you know stuff uh

1718

01:06:39,430 --> 01:06:36,960

really starting to

1719

01:06:41,990 --> 01:06:39,440

not oppose each other anymore you're

1720

01:06:44,230 --> 01:06:42,000

really starting to see it kind of maybe

1721

01:06:46,150 --> 01:06:44,240

come together a little bit and and i

1722

01:06:50,069 --> 01:06:46,160

think it's still in the very like

1723

01:06:51,910 --> 01:06:50,079

infantile stages of of the of discussion

1724

01:06:54,390 --> 01:06:51,920

so there is a lot of like marriage of

1725

01:06:56,069 --> 01:06:54,400

like oh yeah i agree i agree i agree but

1726

01:06:58,390 --> 01:06:56,079

when you get into the nitty-gritty is

1727

01:07:00,150 --> 01:06:58,400

whenever people will start to disagree

1728

01:07:01,190 --> 01:07:00,160

but i think right now is a beautiful

1729

01:07:02,390 --> 01:07:01,200

time

1730

01:07:05,510 --> 01:07:02,400

because we're starting to see kind of

1731

01:07:08,630 --> 01:07:05,520

that many of like you know

1732

01:07:11,190 --> 01:07:08,640

just acceptance and um

1733

01:07:14,069 --> 01:07:11,200

you know more of an open mind in a

1734

01:07:16,390 --> 01:07:14,079

community that may have in the past been

1735

01:07:18,390 --> 01:07:16,400

a little bit more closed off and

1736

01:07:20,470 --> 01:07:18,400

narrow-minded about

1737

01:07:23,270 --> 01:07:20,480

this type of subject it's very

1738

01:07:29,510 --> 01:07:26,230

you know and where is this happening

1739

01:07:31,349 --> 01:07:29,520

this happened last night at uh at the uh

1740

01:07:33,589 --> 01:07:31,359

washington cathedral

1741

01:07:35,910 --> 01:07:33,599

um they set it up and they did like a

1742

01:07:38,950 --> 01:07:35,920

whole live broadcast it was almost two

1743

01:07:41,670 --> 01:07:38,960

hours long it was it was very very

1744

01:07:44,230 --> 01:07:41,680

interesting man um the

1745

01:07:46,390 --> 01:07:44,240

the uh you know the conversation

1746

01:07:47,430 --> 01:07:46,400

everyone's deciding to listen to one

1747

01:07:51,190 --> 01:07:47,440

another

1748

01:07:54,390 --> 01:07:51,200

exactly exactly

1749

01:07:57,190 --> 01:07:54,400

and and honestly that is the the most

1750

01:07:59,270 --> 01:07:57,200

important part of the whole thing yeah

1751

01:08:01,510 --> 01:07:59,280

yeah we talked about religion we talked

1752

01:08:03,990 --> 01:08:01,520

about aliens but the most important part

1753

01:08:05,750 --> 01:08:04,000

that i hope a lot of people got out of

1754

01:08:07,589 --> 01:08:05,760

that was the fact that

1755

01:08:11,029 --> 01:08:07,599

hey we sat down

1756

01:08:13,349 --> 01:08:11,039

and on two topics that are seemed to be

1757

01:08:15,670 --> 01:08:13,359

polar opposites we actually married them

1758

01:08:18,309 --> 01:08:15,680

a little bit and we actually have a

1759

01:08:19,189 --> 01:08:18,319

little bit of a of an agreeance which is

1760

01:08:22,709 --> 01:08:19,199

really

1761

01:08:24,390 --> 01:08:22,719

kind of neat and the ufo uh topic as a

1762

01:08:28,070 --> 01:08:24,400

whole man

1763

01:08:30,870 --> 01:08:28,080

it has been so divided for so long but i

1764

01:08:34,709 --> 01:08:30,880

think it may be that one thing that

1765

01:08:36,390 --> 01:08:34,719

possibly connects people worldwide

1766

01:08:39,110 --> 01:08:36,400

you know the next biggest thing since

1767

01:08:40,390 --> 01:08:39,120

the internet man you know i really

1768

01:08:42,630 --> 01:08:40,400

now you mentioned the internet you know

1769

01:08:43,669 --> 01:08:42,640

i think the internet is involved in this

1770

01:08:45,510 --> 01:08:43,679

because

1771

01:08:47,910 --> 01:08:45,520

suddenly now

1772

01:08:49,030 --> 01:08:47,920

the little guys can communicate with

1773

01:08:51,269 --> 01:08:49,040

each other

1774

01:08:54,390 --> 01:08:51,279

you know and start com you know what i

1775

01:08:57,430 --> 01:08:54,400

mean we can self-organize we don't need

1776

01:08:59,749 --> 01:08:57,440

a government to organize us

1777

01:09:02,309 --> 01:08:59,759

right we can self-organize and it's

1778

01:09:03,269 --> 01:09:02,319

starting to happen right and so you're

1779

01:09:05,829 --> 01:09:03,279

seeing

1780

01:09:08,709 --> 01:09:05,839

uh different theories and ideas coming

1781

01:09:11,349 --> 01:09:08,719

together and congealing right that are

1782

01:09:12,789 --> 01:09:11,359

maybe truths new truths or congealing

1783

01:09:15,030 --> 01:09:12,799

where we can see them and i love the

1784

01:09:20,789 --> 01:09:15,040

word congeal i love it too i like the

1785

01:09:23,990 --> 01:09:23,110

something's congealing in my pants right

1786

01:09:25,590 --> 01:09:24,000

now

1787

01:09:26,760 --> 01:09:25,600

oh my god

1788

01:09:28,630 --> 01:09:26,770

oh my goodness

1789

01:09:31,910 --> 01:09:28,640

[Laughter]

1790

01:09:31,920 --> 01:09:35,389

oh

1791

01:09:39,510 --> 01:09:37,189

[Music]

1792

01:09:41,510 --> 01:09:39,520

you might have to have your own uh a

1793

01:09:43,590 --> 01:09:41,520

show on the ufo garage

1794

01:09:45,269 --> 01:09:43,600

podcast platform that would be fun when

1795

01:09:47,030 --> 01:09:45,279

you start talking about things in your

1796

01:09:49,510 --> 01:09:47,040

pants that's when we know you're a prime

1797

01:09:51,430 --> 01:09:49,520

candidate that's right that's right

1798

01:09:52,950 --> 01:09:51,440

not just things in my pants things

1799

01:09:53,990 --> 01:09:52,960

congealing

1800

01:09:55,189 --> 01:09:54,000

yeah

1801
01:09:58,070 --> 01:09:55,199
yes

1802
01:10:00,070 --> 01:09:58,080
you're a perfect tfa member

1803
01:10:02,310 --> 01:10:00,080
exactly

1804
01:10:03,669 --> 01:10:02,320
do you uh jojo do you know have you

1805
01:10:08,470 --> 01:10:03,679
heard of the

1806
01:10:13,590 --> 01:10:11,189
wait a minute say that again please dfa

1807
01:10:15,270 --> 01:10:13,600
it's short uh it's an acronym uh for to

1808
01:10:17,750 --> 01:10:15,280
the farts academy

1809
01:10:18,870 --> 01:10:17,760
i saw there was a post that you did

1810
01:10:20,870 --> 01:10:18,880
today

1811
01:10:22,550 --> 01:10:20,880
and that's for the first time did i see

1812
01:10:24,870 --> 01:10:22,560
that on there oh you you saw the

1813
01:10:26,870 --> 01:10:24,880

certification

1814

01:10:28,950 --> 01:10:26,880

you can get a degree now and you get

1815

01:10:31,990 --> 01:10:28,960

certified

1816

01:10:33,590 --> 01:10:32,000

you can get a ufo garage degree with

1817

01:10:35,270 --> 01:10:33,600

your name on it you get a certification

1818

01:10:37,590 --> 01:10:35,280

with your name on it dude oh okay print

1819

01:10:38,870 --> 01:10:37,600

it out and put it out oh that's cool

1820

01:10:42,709 --> 01:10:38,880

we'll send you a printout and put it on

1821

01:10:46,709 --> 01:10:44,470

there's another group called to the

1822

01:10:48,950 --> 01:10:46,719

stars academy

1823

01:10:51,110 --> 01:10:48,960

and what kind of separates ben and i

1824

01:10:53,910 --> 01:10:51,120

from the rest of the ufo community is

1825

01:10:56,709 --> 01:10:53,920

that everything to us is a parody

1826

01:11:00,950 --> 01:10:58,870

we're like we're like the monty python

1827

01:11:01,669 --> 01:11:00,960

of the ufo community you know what i'm

1828

01:11:04,709 --> 01:11:01,679

saying

1829

01:11:07,110 --> 01:11:04,719

that's right uh everything and and and

1830

01:11:09,750 --> 01:11:07,120

to the stars academy like i mean we're

1831

01:11:10,709 --> 01:11:09,760

we're talking uh you know you get tom

1832

01:11:13,270 --> 01:11:10,719

delong

1833

01:11:17,110 --> 01:11:13,280

you did have lou elizondo you had all

1834

01:11:19,189 --> 01:11:17,120

these guys that used to work for the uh

1835

01:11:20,870 --> 01:11:19,199

working group i mean it was a very big

1836

01:11:24,149 --> 01:11:20,880

thing the guys who released all the

1837

01:11:26,229 --> 01:11:24,159

videos to uh you know the new york times

1838

01:11:29,189 --> 01:11:26,239

and the navy and all those things so

1839

01:11:31,270 --> 01:11:29,199

they've done a lot of work lately um the

1840

01:11:33,669 --> 01:11:31,280

narrative is what always kind of like

1841

01:11:35,110 --> 01:11:33,679

threw us off so we were like nerdy time

1842

01:11:37,030 --> 01:11:35,120

let's do it yeah it's like what are

1843

01:11:39,430 --> 01:11:37,040

those funny walks all about let's talk

1844

01:11:41,030 --> 01:11:39,440

about those tonight

1845

01:11:42,709 --> 01:11:41,040

the funny walks

1846

01:11:43,760 --> 01:11:42,719

there's been a lot of funny walking

1847

01:11:46,229 --> 01:11:43,770

reporting

1848

01:11:47,910 --> 01:11:46,239

[Laughter]

1849

01:11:49,830 --> 01:11:47,920

for all you young people out there have

1850

01:11:51,110 --> 01:11:49,840

to see monty python

1851
01:11:53,510 --> 01:11:51,120
it's it's so

1852
01:11:55,590 --> 01:11:53,520
that's a famous skit from

1853
01:11:57,590 --> 01:11:55,600
monty python uh

1854
01:11:58,790 --> 01:11:57,600
dude uh uh uh

1855
01:12:08,550 --> 01:11:58,800
uh

1856
01:12:12,470 --> 01:12:08,560
cleese you know john cleese

1857
01:12:13,910 --> 01:12:12,480
that dude is a genius he's such a genius

1858
01:12:16,229 --> 01:12:13,920
i loved it man

1859
01:12:18,709 --> 01:12:16,239
anything monty python i'm there

1860
01:12:20,550 --> 01:12:18,719
yeah unless i'm with my wife and then

1861
01:12:21,510 --> 01:12:20,560
complete shut down because she won't get

1862
01:12:28,709 --> 01:12:21,520
it

1863
01:12:33,270 --> 01:12:28,719

you know

1864

01:12:37,430 --> 01:12:35,510

because they wouldn't if it wasn't funny

1865

01:12:40,470 --> 01:12:37,440

it wouldn't be called funny walks it'd

1866

01:12:41,510 --> 01:12:40,480

be called boring walks yeah it would be

1867

01:12:42,709 --> 01:12:41,520

called

1868

01:12:45,669 --> 01:12:42,719

yeah

1869

01:12:47,030 --> 01:12:45,679

but it's funny so we call it funny walks

1870

01:12:49,830 --> 01:12:47,040

that's why michael jackson has the

1871

01:12:51,030 --> 01:12:49,840

moonwalk because it's backwards it's

1872

01:12:52,790 --> 01:12:51,040

exactly

1873

01:12:54,790 --> 01:12:52,800

it's different you know you're making

1874

01:12:57,270 --> 01:12:54,800

too much sense see

1875

01:12:58,709 --> 01:12:57,280

you're making too much sense is funny

1876

01:13:01,030 --> 01:12:58,719

walks the one where they're they're at

1877

01:13:03,350 --> 01:13:01,040

the castle and the guy's like running

1878

01:13:05,750 --> 01:13:03,360

towards them and he keeps

1879

01:13:06,790 --> 01:13:05,760

like the camera keeps like zooming away

1880

01:13:08,310 --> 01:13:06,800

and it

1881

01:13:10,149 --> 01:13:08,320

like he'll get close and then it'll

1882

01:13:11,510 --> 01:13:10,159

switch back to the castle and then back

1883

01:13:13,590 --> 01:13:11,520

to the guy running

1884

01:13:15,750 --> 01:13:13,600

so that's a holy grail

1885

01:13:17,750 --> 01:13:15,760

yeah that's that's the movie

1886

01:13:18,470 --> 01:13:17,760

that the funny walks was just in one of

1887

01:13:20,950 --> 01:13:18,480

their

1888

01:13:23,510 --> 01:13:20,960

tv episodes i think wasn't it yeah

1889

01:13:24,310 --> 01:13:23,520

that's a deep i'm i'm like

1890

01:13:26,470 --> 01:13:24,320

uh

1891

01:13:28,070 --> 01:13:26,480

main mainstream is have only seen the

1892

01:13:30,070 --> 01:13:28,080

movie like that's

1893

01:13:31,430 --> 01:13:30,080

oh something just popped into my head i

1894

01:13:33,110 --> 01:13:31,440

have to mention it to you guys but i

1895

01:13:34,950 --> 01:13:33,120

haven't seen it for a while have you

1896

01:13:36,630 --> 01:13:34,960

ever seen the tv series called the

1897

01:13:39,189 --> 01:13:36,640

prisoner

1898

01:13:40,390 --> 01:13:39,199

oh no i haven't seen it you you must see

1899

01:13:43,430 --> 01:13:40,400

it

1900

01:13:47,590 --> 01:13:43,440

and you know patrick nagoon that did

1901

01:13:50,229 --> 01:13:47,600

secret agent man back in the

1902

01:13:52,310 --> 01:13:50,239

late 50s early 60s okay

1903

01:13:55,669 --> 01:13:52,320

well he did

1904

01:13:58,390 --> 01:13:55,679

he wanted he did he he agreed to do one

1905

01:14:01,910 --> 01:13:58,400

more year of secret agent man if they

1906

01:14:05,030 --> 01:14:01,920

would produce this series that he

1907

01:14:09,030 --> 01:14:05,040

conceptualized called the prisoner

1908

01:14:10,950 --> 01:14:09,040

and if i try to explain it to you

1909

01:14:13,430 --> 01:14:10,960

kinda i'll mess it up because i i would

1910

01:14:15,910 --> 01:14:13,440

have to think about how to explain it

1911

01:14:18,709 --> 01:14:15,920

but i'll try a little bit so basically

1912

01:14:21,189 --> 01:14:18,719

he's this secret agent

1913

01:14:22,790 --> 01:14:21,199

and we don't know why but for some

1914

01:14:24,550 --> 01:14:22,800

reason he wants to quit or retire or

1915

01:14:26,630 --> 01:14:24,560

something and you can see at the

1916

01:14:29,430 --> 01:14:26,640

beginning that he's angry about

1917

01:14:31,110 --> 01:14:29,440

something right well somebody we don't

1918

01:14:33,590 --> 01:14:31,120

know remember this is back during the

1919

01:14:36,550 --> 01:14:33,600

cold war and all that stuff was going on

1920

01:14:38,310 --> 01:14:36,560

right so he gets kidnapped and taken to

1921

01:14:41,430 --> 01:14:38,320

this island

1922

01:14:43,350 --> 01:14:41,440

and held prisoner but the the island

1923

01:14:46,070 --> 01:14:43,360

just has a community on there it's this

1924

01:14:47,990 --> 01:14:46,080

little community with little houses and

1925

01:14:49,990 --> 01:14:48,000

little coffee shops and record shops and

1926

01:14:52,070 --> 01:14:50,000

everything but it's really a prison no

1927

01:14:54,790 --> 01:14:52,080

one there can leave

1928

01:14:57,430 --> 01:14:54,800

and you presume they're they're all

1929

01:15:00,070 --> 01:14:57,440

you know ex spies or something

1930

01:15:01,910 --> 01:15:00,080

and during the whole series

1931

01:15:03,750 --> 01:15:01,920

basically we don't know

1932

01:15:06,070 --> 01:15:03,760

why he'd quit there's all kinds of

1933

01:15:08,229 --> 01:15:06,080

mysteries to it okay

1934

01:15:11,030 --> 01:15:08,239

and i've probably told you enough that

1935

01:15:13,270 --> 01:15:11,040

you know it's weird now okay and like

1936

01:15:15,189 --> 01:15:13,280

only about one or two or three people

1937

01:15:18,470 --> 01:15:15,199

out of a hundred like it

1938

01:15:20,229 --> 01:15:18,480

but if you like it you really like it

1939

01:15:22,830 --> 01:15:20,239

yeah it sounds like

1940

01:15:25,830 --> 01:15:22,840

and you guys and your audience might

1941

01:15:28,630 --> 01:15:25,840

really like it

1942

01:15:30,550 --> 01:15:28,640

yes i've got the whole thing on cd and

1943

01:15:32,709 --> 01:15:30,560

it only went for one season they're only

1944

01:15:34,790 --> 01:15:32,719

like 13 episodes and that's all he

1945

01:15:36,830 --> 01:15:34,800

wanted i loved it there's a beginning

1946

01:15:38,310 --> 01:15:36,840

and an end 13

1947

01:15:42,149 --> 01:15:38,320

episodes 19

1948

01:15:46,709 --> 01:15:42,159

1967 the prisoner sci-fi is that it okay

1949

01:15:49,110 --> 01:15:46,719

angela muscat dude yes it is so cool and

1950

01:15:51,270 --> 01:15:49,120

like every time you see an episode you

1951

01:15:53,350 --> 01:15:51,280

have to watch an episode over and over

1952

01:15:55,669 --> 01:15:53,360

and over because you keep seeing things

1953

01:15:57,270 --> 01:15:55,679

it's really deep

1954

01:15:59,830 --> 01:15:57,280

you know what i mean

1955

01:16:02,229 --> 01:15:59,840

it's on many levels at once it's it's

1956

01:16:05,030 --> 01:16:02,239

funny how like you watch a show that's

1957

01:16:07,510 --> 01:16:05,040

like okay and then you watch

1958

01:16:10,070 --> 01:16:07,520

it again and you start noticing it's

1959

01:16:12,630 --> 01:16:10,080

almost like we were referencing the the

1960

01:16:14,470 --> 01:16:12,640

mandela effect earlier where

1961

01:16:17,750 --> 01:16:14,480

i think we're just realizing that our

1962

01:16:21,030 --> 01:16:17,760

brain is or maybe our our consciousness

1963

01:16:23,189 --> 01:16:21,040

is more complicated and

1964

01:16:24,470 --> 01:16:23,199

it unpredictable and kind of plays with

1965

01:16:25,910 --> 01:16:24,480

you in a way where like even though

1966

01:16:27,590 --> 01:16:25,920

you're watching a show you think you're

1967

01:16:29,350 --> 01:16:27,600

taking it all in right you watch it all

1968

01:16:31,590 --> 01:16:29,360

the way through and you try it again and

1969

01:16:33,590 --> 01:16:31,600

you're like oh that thing and that thing

1970

01:16:36,070 --> 01:16:33,600

oh wait hold on and then you watch it a

1971

01:16:37,910 --> 01:16:36,080

third time and you're like oh [h__\h]

1972

01:16:40,550 --> 01:16:37,920

that's the way the prisoner is every

1973

01:16:42,470 --> 01:16:40,560

time you watch it you're like whoa i

1974

01:16:44,550 --> 01:16:42,480

never noticed that and like you're like

1975

01:16:46,470 --> 01:16:44,560

how did i miss that and and like that's

1976

01:16:48,390 --> 01:16:46,480

really important

1977

01:16:49,990 --> 01:16:48,400

right and then i had my ex-wife i just

1978

01:16:51,030 --> 01:16:50,000

said okay what's that mean what does

1979

01:16:52,709 --> 01:16:51,040

that happen i don't understand what

1980

01:16:54,550 --> 01:16:52,719

that's like you said you just gotta let

1981

01:16:57,110 --> 01:16:54,560

it flow over you you know you're working

1982

01:16:59,510 --> 01:16:57,120

too hard at this let it happen

1983

01:17:01,350 --> 01:16:59,520

let it happen you know

1984

01:17:03,350 --> 01:17:01,360

i don't like this you know she likes to

1985

01:17:05,830 --> 01:17:03,360

get to the end of an episode you know

1986

01:17:07,910 --> 01:17:05,840

and know that like okay what happened

1987

01:17:09,510 --> 01:17:07,920

what happened i i don't really know what

1988

01:17:11,830 --> 01:17:09,520

happened it just

1989

01:17:13,510 --> 01:17:11,840

it's the end of the episode you know

1990

01:17:16,870 --> 01:17:13,520

we'll have to watch it again to figure

1991

01:17:18,790 --> 01:17:16,880

it out you know that's my baby that's my

1992

01:17:20,790 --> 01:17:18,800

favorite thing to say i mean i do it to

1993

01:17:22,870 --> 01:17:20,800

my wife as well but she'll be like okay

1994

01:17:24,870 --> 01:17:22,880

so wait what happened who is that i'm

1995

01:17:27,270 --> 01:17:24,880

like just watch we don't know what

1996

01:17:29,510 --> 01:17:27,280

happened we don't know just watch it

1997

01:17:31,910 --> 01:17:29,520

i mean that's part of the joy

1998

01:17:33,510 --> 01:17:31,920

is not knowing sometimes right yeah and

1999

01:17:35,910 --> 01:17:33,520

you get to watch the episode again

2000

01:17:38,709 --> 01:17:35,920

because you don't still don't know

2001

01:17:40,149 --> 01:17:38,719

right yes yes okay so let me give you a

2002

01:17:42,550 --> 01:17:40,159

typical thing they would do in the

2003

01:17:44,630 --> 01:17:42,560

prisoner all right so it takes place in

2004

01:17:46,709 --> 01:17:44,640

this village and like everybody there's

2005

01:17:49,350 --> 01:17:46,719

got a number right

2006

01:17:50,870 --> 01:17:49,360

and patrick magoon's character is number

2007

01:17:53,830 --> 01:17:50,880

six

2008

01:17:55,750 --> 01:17:53,840

and then

2009

01:17:59,270 --> 01:17:55,760

the person that kind of

2010

01:18:01,270 --> 01:17:59,280

runs the village is number two

2011

01:18:02,550 --> 01:18:01,280

and and so patrick mcgoohan says who's

2012

01:18:04,950 --> 01:18:02,560

number one

2013

01:18:07,590 --> 01:18:04,960

you know he's an authoritarian kind of

2014

01:18:11,270 --> 01:18:07,600

guy right who's number one i am number

2015

01:18:15,110 --> 01:18:11,280

two you are number six who's number one

2016

01:18:17,270 --> 01:18:15,120

well so all we never see number one but

2017

01:18:19,750 --> 01:18:17,280

like every episode there's a new number

2018

01:18:22,790 --> 01:18:19,760

two because he [h__h] up

2019

01:18:24,870 --> 01:18:22,800

oh and whoever's running the place

2020

01:18:26,709 --> 01:18:24,880

replaces him right and there's a new

2021

01:18:28,709 --> 01:18:26,719

number two right

2022

01:18:30,470 --> 01:18:28,719

because he's like patrick magoon's

2023

01:18:32,229 --> 01:18:30,480

character number six he's like the most

2024

01:18:34,709 --> 01:18:32,239

important

2025

01:18:36,470 --> 01:18:34,719

retired or whatever imprisoned secret

2026

01:18:38,630 --> 01:18:36,480

agent there yeah and they're always

2027

01:18:40,870 --> 01:18:38,640

trying to break him down and get him to

2028

01:18:42,870 --> 01:18:40,880

tell something right we don't know what

2029

01:18:44,390 --> 01:18:42,880

it is right

2030

01:18:46,390 --> 01:18:44,400

but but here's the typical thing they'll

2031

01:18:48,470 --> 01:18:46,400

do there they'll have like these really

2032

01:18:51,189 --> 01:18:48,480

art deco phones you can imagine you know

2033

01:18:54,390 --> 01:18:51,199

from the 60s different colors right that

2034

01:18:56,070 --> 01:18:54,400

the kind of set like and they had the

2035

01:18:57,510 --> 01:18:56,080

had the dial on the bottom of the phone

2036

01:18:59,430 --> 01:18:57,520

you ever seen those

2037

01:19:00,550 --> 01:18:59,440

and they kind of come up like an arc

2038

01:19:03,189 --> 01:19:00,560

right okay

2039

01:19:05,110 --> 01:19:03,199

okay so there's this there's several

2040

01:19:06,790 --> 01:19:05,120

phones like on the counter the of the

2041

01:19:09,350 --> 01:19:06,800

control center right

2042

01:19:12,229 --> 01:19:09,360

but there's one phone that's like really

2043

01:19:14,229 --> 01:19:12,239

big it's like two three times size

2044

01:19:15,430 --> 01:19:14,239

the other and that's the phone to number

2045

01:19:18,070 --> 01:19:15,440

one

2046

01:19:20,149 --> 01:19:18,080

that's just hilarious they just make it

2047

01:19:22,229 --> 01:19:20,159

bigger you know they make this there's

2048

01:19:25,110 --> 01:19:22,239

this big-ass phone that's the phone to

2049

01:19:29,189 --> 01:19:27,430

it's so cool it has

2050

01:19:31,189 --> 01:19:29,199

it has just you know

2051

01:19:32,870 --> 01:19:31,199

kind of cheeky stuff like that in it too

2052

01:19:36,390 --> 01:19:32,880

right that is

2053

01:19:38,390 --> 01:19:36,400

that is 100 my type of humor like like

2054

01:19:41,430 --> 01:19:38,400

nothing about the story changes but like

2055

01:19:43,590 --> 01:19:41,440

one tiny thing that like yeah that's

2056

01:19:46,550 --> 01:19:43,600

obvious like the phone like that's so

2057

01:19:48,070 --> 01:19:46,560

funny to me it is yeah i mean and the

2058

01:19:49,990 --> 01:19:48,080

episode i mean

2059

01:19:51,750 --> 01:19:50,000

like i said you guys just need to watch

2060

01:19:53,910 --> 01:19:51,760

it i'm sure you can find it out there

2061

01:19:56,709 --> 01:19:53,920

probably see all the episodes on youtube

2062

01:19:59,830 --> 01:19:56,719

now or something right yeah it might be

2063

01:20:03,510 --> 01:19:59,840

yeah let's look at the prisoner

2064

01:20:06,390 --> 01:20:03,520

and and they're great man but but like

2065

01:20:08,950 --> 01:20:06,400

i said odd most people don't like it but

2066

01:20:09,990 --> 01:20:08,960

if you do like it you go insane for it

2067

01:20:11,910 --> 01:20:10,000

it's

2068

01:20:14,550 --> 01:20:11,920

cool i'm definitely going to check it

2069

01:20:16,950 --> 01:20:14,560

out uh smoking joe asked what was the

2070

01:20:19,669 --> 01:20:16,960

name of the vatican's largest telescope

2071

01:20:20,629 --> 01:20:19,679

and it is called lucifer

2072

01:20:22,070 --> 01:20:20,639

oh it is

2073

01:20:25,110 --> 01:20:22,080

yeah

2074

01:20:27,590 --> 01:20:25,120

and if you look into lucifer it may have

2075

01:20:30,070 --> 01:20:27,600

a lot more different meaning than you

2076

01:20:31,669 --> 01:20:30,080

thought it did yeah in the first place

2077

01:20:33,669 --> 01:20:31,679

and then also

2078

01:20:36,390 --> 01:20:33,679

we were talking about the

2079

01:20:38,280 --> 01:20:36,400

the the who's number one it reminded me

2080

01:20:40,550 --> 01:20:38,290

of who's on first yeah

2081

01:20:44,550 --> 01:20:40,560

[Laughter]

2082

01:20:47,270 --> 01:20:44,560

right who's on first what's on second

2083

01:20:49,990 --> 01:20:47,280

and uh and then they they have these

2084

01:20:51,830 --> 01:20:50,000

this big white ball or

2085

01:20:53,830 --> 01:20:51,840

several of them right

2086

01:20:55,830 --> 01:20:53,840

and it it's like the bottom of the ocean

2087

01:20:58,790 --> 01:20:55,840

and it gets released if anybody ever

2088

01:21:00,950 --> 01:20:58,800

tries to escape the big white ball pops

2089

01:21:03,030 --> 01:21:00,960

up out of the water and right chases

2090

01:21:04,390 --> 01:21:03,040

them down and the reason they they did

2091

01:21:05,669 --> 01:21:04,400

it was because i heard him in an

2092

01:21:07,910 --> 01:21:05,679

interview he said

2093

01:21:09,830 --> 01:21:07,920

when they were first doing the show they

2094

01:21:12,149 --> 01:21:09,840

had contracted out somebody to make this

2095

01:21:14,709 --> 01:21:12,159

complex complicated looking robotic kind

2096

01:21:16,790 --> 01:21:14,719

of thing right and that never worked

2097

01:21:18,709 --> 01:21:16,800

right and it was just and they were

2098

01:21:20,229 --> 01:21:18,719

going to be falling behind in production

2099

01:21:22,149 --> 01:21:20,239

and all that right

2100

01:21:24,390 --> 01:21:22,159

and so they're like getting drunk laying

2101
01:21:26,550 --> 01:21:24,400
on the beach looking up in the sky one

2102
01:21:28,950 --> 01:21:26,560
night and they see

2103
01:21:30,550 --> 01:21:28,960
this thing going over right

2104
01:21:32,310 --> 01:21:30,560
and they look and they watch it and then

2105
01:21:33,750 --> 01:21:32,320
find out they say what is it well it's a

2106
01:21:36,229 --> 01:21:33,760
weather balloon

2107
01:21:38,950 --> 01:21:36,239
so that's what they used you know they

2108
01:21:40,870 --> 01:21:38,960
and i love that that's the white how it

2109
01:21:42,550 --> 01:21:40,880
happened right it's much better than

2110
01:21:44,709 --> 01:21:42,560
this mechanical thing they would have

2111
01:21:46,790 --> 01:21:44,719
done because this is more abstract it's

2112
01:21:48,950 --> 01:21:46,800
just this weather balloon you know full

2113
01:21:51,910 --> 01:21:48,960

air kind of thing and what they did is

2114

01:21:53,070 --> 01:21:51,920

they'd be off camera these big fans

2115

01:21:55,110 --> 01:21:53,080

blowing it around

2116

01:21:56,790 --> 01:21:55,120

[Laughter]

2117

01:21:58,870 --> 01:21:56,800

like if somebody's trying to escape they

2118

01:22:02,550 --> 01:21:58,880

just you know blow the balloon to catch

2119

01:22:06,870 --> 01:22:05,030

see you're gonna love this this is i'm

2120

01:22:09,270 --> 01:22:06,880

watching this as soon as we get off

2121

01:22:11,270 --> 01:22:09,280

tonight i'm gonna find it on amazon yeah

2122

01:22:13,669 --> 01:22:11,280

that's happening i'm finding it on

2123

01:22:16,550 --> 01:22:13,679

amazon

2124

01:22:20,550 --> 01:22:16,560

yeah it's just too cool yeah

2125

01:22:22,709 --> 01:22:20,560

it's too cool man and it has all the 60s

2126

01:22:24,870 --> 01:22:22,719

junk in it that we were grooving on you

2127

01:22:26,709 --> 01:22:24,880

know like like the manchurian candidate

2128

01:22:29,910 --> 01:22:26,719

kind of stuff you know yeah people are

2129

01:22:32,550 --> 01:22:29,920

getting reprogrammed with crazy science

2130

01:22:34,149 --> 01:22:32,560

and with crazy drugs and electrodes on

2131

01:22:36,229 --> 01:22:34,159

their brain and

2132

01:22:37,669 --> 01:22:36,239

stuff like that you know yes yeah

2133

01:22:39,189 --> 01:22:37,679

because they're trying to break him down

2134

01:22:39,990 --> 01:22:39,199

and they'll have a scene where they'll

2135

01:22:42,950 --> 01:22:40,000

go

2136

01:22:46,070 --> 01:22:42,960

we can't kill him don't kill him we need

2137

01:22:47,750 --> 01:22:46,080

him you're like whoa what does he know

2138

01:22:50,790 --> 01:22:47,760

yeah

2139

01:22:52,550 --> 01:22:50,800

they're trying to break him down

2140

01:22:53,830 --> 01:22:52,560

jojo what do you think about that dude

2141

01:22:57,430 --> 01:22:53,840

like what do you think about like

2142

01:23:00,550 --> 01:22:57,440

manchurian candidate style things uh

2143

01:23:02,709 --> 01:23:00,560

you we've we've discussed uh

2144

01:23:07,110 --> 01:23:02,719

with a couple of people now uh one of

2145

01:23:09,590 --> 01:23:07,120

them lauren finton uh she actually

2146

01:23:10,390 --> 01:23:09,600

she actually dove into the super soldier

2147

01:23:14,070 --> 01:23:10,400

thing

2148

01:23:17,189 --> 01:23:14,080

quite hard and and we're talking not

2149

01:23:18,629 --> 01:23:17,199

just super soldier like bionic arms or

2150

01:23:21,910 --> 01:23:18,639

you know anything like that we're

2151

01:23:24,629 --> 01:23:21,920

talking like like remote viewing

2152

01:23:26,070 --> 01:23:24,639

super solder type things and she

2153

01:23:29,270 --> 01:23:26,080

actually

2154

01:23:31,830 --> 01:23:29,280

threw a conference for super soldier

2155

01:23:33,350 --> 01:23:31,840

topics and

2156

01:23:34,629 --> 01:23:33,360

some very

2157

01:23:36,709 --> 01:23:34,639

hmm

2158

01:23:40,310 --> 01:23:36,719

i don't know how to word this some very

2159

01:23:42,229 --> 01:23:40,320

strange things happened to her and a few

2160

01:23:44,310 --> 01:23:42,239

of the people that were

2161

01:23:46,790 --> 01:23:44,320

involved with this

2162

01:23:47,669 --> 01:23:46,800

and we're gonna go as far to say as like

2163

01:23:51,590 --> 01:23:47,679

uh

2164

01:23:53,430 --> 01:23:51,600

fatalities like there's a couple

2165

01:23:54,950 --> 01:23:53,440

apparently there is there's a story

2166

01:23:57,350 --> 01:23:54,960

where there was a few people who had

2167

01:23:59,510 --> 01:23:57,360

shown up for this conference

2168

01:24:02,629 --> 01:23:59,520

and the next day apparently they were

2169

01:24:05,590 --> 01:24:02,639

all sick and ended up dying

2170

01:24:06,790 --> 01:24:05,600

she ended up getting very very sick as

2171

01:24:07,830 --> 01:24:06,800

well

2172

01:24:10,470 --> 01:24:07,840

uh

2173

01:24:12,550 --> 01:24:10,480

and apparently they had you know taken

2174

01:24:15,189 --> 01:24:12,560

her to the hospital she she thought

2175

01:24:17,270 --> 01:24:15,199

maybe she had like the the the you know

2176

01:24:19,510 --> 01:24:17,280

what was it the swine flu at the time or

2177

01:24:21,669 --> 01:24:19,520

something you know like something had

2178

01:24:24,229 --> 01:24:21,679

scarred her lungs really bad and they

2179

01:24:25,990 --> 01:24:24,239

had chalked it up to pneumonia but it

2180

01:24:28,390 --> 01:24:26,000

ended up not being pneumonia because it

2181

01:24:30,390 --> 01:24:28,400

wasn't fluid in her lungs there was

2182

01:24:31,990 --> 01:24:30,400

actual pockets of like

2183

01:24:34,470 --> 01:24:32,000

solid things

2184

01:24:36,390 --> 01:24:34,480

and there was uh you know

2185

01:24:38,550 --> 01:24:36,400

she had told stories she had known a

2186

01:24:42,149 --> 01:24:38,560

couple people that used to work for the

2187

01:24:43,990 --> 01:24:42,159

cia and she was on a show telling her

2188

01:24:45,990 --> 01:24:44,000

story about you know putting on these

2189

01:24:47,590 --> 01:24:46,000

conferences and then this random thing

2190

01:24:50,390 --> 01:24:47,600

happened to her and

2191

01:24:52,310 --> 01:24:50,400

one of these ex uh cia members had

2192

01:24:54,390 --> 01:24:52,320

actually said oh

2193

01:24:56,070 --> 01:24:54,400

you have what was it that the

2194

01:24:58,470 --> 01:24:56,080

dang it the bubble

2195

01:24:59,270 --> 01:24:58,480

bubble lungs or bubble something or

2196

01:25:01,669 --> 01:24:59,280

other

2197

01:25:04,229 --> 01:25:01,679

where basically like back in the day

2198

01:25:06,790 --> 01:25:04,239

they would go to uh you know

2199

01:25:08,709 --> 01:25:06,800

the prime minister of like a

2200

01:25:11,669 --> 01:25:08,719

you know a country that they're trying

2201
01:25:13,910 --> 01:25:11,679
to you know invade or or change the

2202
01:25:15,590 --> 01:25:13,920
politics or or whatever they're doing

2203
01:25:17,510 --> 01:25:15,600
right whatever the the intelligence

2204
01:25:19,430 --> 01:25:17,520
agency is is doing at the time they

2205
01:25:21,910 --> 01:25:19,440
would go to these these countries and

2206
01:25:23,510 --> 01:25:21,920
and he was saying that what they would

2207
01:25:26,709 --> 01:25:23,520
do is they would actually like they

2208
01:25:28,149 --> 01:25:26,719
would dress up as like uh ac repairman

2209
01:25:30,790 --> 01:25:28,159
or something like that and they would go

2210
01:25:32,390 --> 01:25:30,800
in and they actually had canisters that

2211
01:25:34,629 --> 01:25:32,400
were you know

2212
01:25:37,270 --> 01:25:34,639
a bio weapon and they would

2213
01:25:40,149 --> 01:25:37,280

run these canisters into ac units and

2214

01:25:42,070 --> 01:25:40,159

things and the prime minister would die

2215

01:25:44,229 --> 01:25:42,080

they would say oh he got a bad case of

2216

01:25:45,669 --> 01:25:44,239

pneumonia and there was nothing we could

2217

01:25:48,070 --> 01:25:45,679

do about it but really it was a

2218

01:25:49,830 --> 01:25:48,080

manufactured biological weapon that

2219

01:25:51,750 --> 01:25:49,840

these people were using

2220

01:25:54,390 --> 01:25:51,760

against other people who had

2221

01:25:57,189 --> 01:25:54,400

information and that was an easy way to

2222

01:25:59,110 --> 01:25:57,199

get rid of these guys it was it was a it

2223

01:26:02,310 --> 01:25:59,120

was a spore of some kind right yeah it

2224

01:26:04,950 --> 01:26:02,320

was like a fungal spore i think and and

2225

01:26:09,270 --> 01:26:04,960

dude i mean as as we've dove into this

2226

01:26:11,990 --> 01:26:09,280

we've found a lot of these fungal spore

2227

01:26:15,270 --> 01:26:12,000

type stories going on with people who

2228

01:26:17,510 --> 01:26:15,280

are trying to tell their story and talk

2229

01:26:19,830 --> 01:26:17,520

you know not anymore though not not so

2230

01:26:22,629 --> 01:26:19,840

much anymore the game has changed a

2231

01:26:25,110 --> 01:26:22,639

little bit but now we have to figure out

2232

01:26:28,310 --> 01:26:25,120

what is the what are they doing now

2233

01:26:29,750 --> 01:26:28,320

release the spores like if we know about

2234

01:26:31,990 --> 01:26:29,760

it like that

2235

01:26:34,070 --> 01:26:32,000

yeah exactly

2236

01:26:35,830 --> 01:26:34,080

they've moved on from that but when it

2237

01:26:37,830 --> 01:26:35,840

comes to the super soldier thing man

2238

01:26:41,510 --> 01:26:37,840

we're talking like

2239

01:26:42,709 --> 01:26:41,520

there are people who have claims of of

2240

01:26:44,950 --> 01:26:42,719

actually

2241

01:26:47,430 --> 01:26:44,960

you know like i said not bionic arms or

2242

01:26:51,590 --> 01:26:47,440

robot body parts or anything but we're

2243

01:26:53,270 --> 01:26:51,600

talking uh you know uh remote viewing

2244

01:26:57,590 --> 01:26:53,280

or actually

2245

01:27:02,550 --> 01:26:59,830

dimension i guess for lack of a better

2246

01:27:03,750 --> 01:27:02,560

term and actually fighting off world

2247

01:27:06,790 --> 01:27:03,760

battles

2248

01:27:09,830 --> 01:27:06,800

of dimensional beings that are coming

2249

01:27:12,550 --> 01:27:09,840

here right and there's an actual

2250

01:27:14,950 --> 01:27:12,560

military force that we have

2251

01:27:17,430 --> 01:27:14,960

that is actually going to these

2252

01:27:19,110 --> 01:27:17,440

dimensional battles and when they come

2253

01:27:21,030 --> 01:27:19,120

back they have this

2254

01:27:24,709 --> 01:27:21,040

this feeling of like

2255

01:27:27,110 --> 01:27:24,719

eating raw liver

2256

01:27:29,110 --> 01:27:27,120

right and and they were saying that it

2257

01:27:31,030 --> 01:27:29,120

could be that's funky right there yeah

2258

01:27:32,629 --> 01:27:31,040

it could possibly be because whatever

2259

01:27:35,110 --> 01:27:32,639

they're doing if they're transmitting

2260

01:27:37,350 --> 01:27:35,120

you into these alternate dimensions that

2261

01:27:39,669 --> 01:27:37,360

it may be doing something to your iron

2262

01:27:42,070 --> 01:27:39,679

in the in the blood yeah you need to

2263

01:27:44,070 --> 01:27:42,080

refurbish you know all the nutrients

2264

01:27:48,229 --> 01:27:44,080

that you had lost and so these guys were

2265

01:27:50,149 --> 01:27:48,239

all saying yeah i have this this intense

2266

01:27:52,950 --> 01:27:50,159

um need for

2267

01:27:54,229 --> 01:27:52,960

raw liver for some reason yeah

2268

01:27:56,470 --> 01:27:54,239

and and

2269

01:27:57,990 --> 01:27:56,480

and it's happened to multiple

2270

01:28:00,070 --> 01:27:58,000

multiple people

2271

01:28:01,270 --> 01:28:00,080

what are your i mean it's it and you

2272

01:28:02,950 --> 01:28:01,280

know this is kind of right down your

2273

01:28:03,910 --> 01:28:02,960

alley right because it's pretty out

2274

01:28:05,750 --> 01:28:03,920

there

2275

01:28:08,629 --> 01:28:05,760

what are your thoughts on something like

2276

01:28:11,830 --> 01:28:08,639

that you know well you know

2277

01:28:14,950 --> 01:28:11,840

there is a lot of strange stuff in this

2278

01:28:17,189 --> 01:28:14,960

world that we know nothing about let me

2279

01:28:20,149 --> 01:28:17,199

tell you and i'll get back to your story

2280

01:28:22,390 --> 01:28:20,159

but i think it relates when i was just a

2281

01:28:24,310 --> 01:28:22,400

little kid i most preschool i was like

2282

01:28:27,910 --> 01:28:24,320

maybe only four

2283

01:28:29,510 --> 01:28:27,920

or so are we lad i was just a wee lad

2284

01:28:30,390 --> 01:28:29,520

and

2285

01:28:56,550 --> 01:28:30,400

i

2286

01:28:58,149 --> 01:28:56,560

are no mothers

2287

01:28:59,990 --> 01:28:58,159

this is just some

2288

01:29:02,229 --> 01:29:00,000

false reality you know and i'm thinking

2289

01:29:04,870 --> 01:29:02,239

i'm four years old where did this come

2290

01:29:06,070 --> 01:29:04,880

from you know trippy thought it is

2291

01:29:09,910 --> 01:29:06,080

trippy

2292

01:29:11,830 --> 01:29:09,920

when i was four years old but getting

2293

01:29:12,870 --> 01:29:11,840

them back to your question

2294

01:29:16,550 --> 01:29:12,880

i mean

2295

01:29:17,350 --> 01:29:16,560

man there's so much stuff i know

2296

01:29:19,750 --> 01:29:17,360

that

2297

01:29:21,430 --> 01:29:19,760

i know nothing about and i have to

2298

01:29:24,149 --> 01:29:21,440

accept that

2299

01:29:26,149 --> 01:29:24,159

yeah that will blow my mind for example

2300

01:29:28,709 --> 01:29:26,159

i think it's possible

2301
01:29:31,270 --> 01:29:28,719
that aliens we you know the guys we see

2302
01:29:34,550 --> 01:29:31,280
floating in the sky

2303
01:29:36,390 --> 01:29:34,560
are maybe beings from earth

2304
01:29:38,709 --> 01:29:36,400
but they're in a different dimension

2305
01:29:40,390 --> 01:29:38,719
than we are right because that's what

2306
01:29:42,629 --> 01:29:40,400
that string theory now says they're what

2307
01:29:44,950 --> 01:29:42,639
up to like 13 dimensions

2308
01:29:47,990 --> 01:29:44,960
maybe these guys can go between

2309
01:29:49,350 --> 01:29:48,000
dimensions that i can't go between

2310
01:29:50,149 --> 01:29:49,360
right now

2311
01:29:58,950 --> 01:29:50,159
so

2312
01:30:01,270 --> 01:29:58,960
you know maybe my reality could just be

2313
01:30:03,990 --> 01:30:01,280

my reality you know it might not be the

2314

01:30:06,550 --> 01:30:04,000

reality yes you know

2315

01:30:08,629 --> 01:30:06,560

i have to accept that i have i and well

2316

01:30:11,110 --> 01:30:08,639

when they know that now they know that

2317

01:30:12,629 --> 01:30:11,120

the way um

2318

01:30:15,270 --> 01:30:12,639

you know our minds

2319

01:30:17,590 --> 01:30:15,280

take in like the senses right and uh

2320

01:30:21,510 --> 01:30:17,600

with our mixes with our experiences and

2321

01:30:24,229 --> 01:30:21,520

so forth and it creates a reality for us

2322

01:30:27,030 --> 01:30:24,239

somehow our mind or brain or whatever

2323

01:30:29,590 --> 01:30:27,040

right it creates a reality

2324

01:30:32,229 --> 01:30:29,600

interesting and like you and i and we

2325

01:30:33,830 --> 01:30:32,239

three right now and our audience our

2326

01:30:35,430 --> 01:30:33,840

realities that are being created are

2327

01:30:37,590 --> 01:30:35,440

like overlapping

2328

01:30:39,910 --> 01:30:37,600

you know so we're part of our realities

2329

01:30:42,070 --> 01:30:39,920

are being shared with each other

2330

01:30:43,830 --> 01:30:42,080

but you know after the show

2331

01:30:45,430 --> 01:30:43,840

we go back into our each of our

2332

01:30:47,590 --> 01:30:45,440

realities again

2333

01:30:50,390 --> 01:30:47,600

yeah right you know i mean

2334

01:30:53,030 --> 01:30:50,400

and then so you're just a memory now and

2335

01:30:56,070 --> 01:30:53,040

our conversation is just a memory

2336

01:30:59,030 --> 01:30:56,080

in my reality and i'm moving on down the

2337

01:31:13,750 --> 01:30:59,040

road to my reality

2338

01:31:13,760 --> 01:31:19,830

right

2339

01:31:24,149 --> 01:31:22,310

so uh jojo you bro you bring up an

2340

01:31:26,870 --> 01:31:24,159

interesting idea so like

2341

01:31:28,790 --> 01:31:26,880

the the idea of like what sensor are we

2342

01:31:30,390 --> 01:31:28,800

are we taking in our our world with

2343

01:31:33,830 --> 01:31:30,400

whether it be our

2344

01:31:34,870 --> 01:31:33,840

cameras or or our our own eyes um we've

2345

01:31:36,870 --> 01:31:34,880

talked about this a little bit on the

2346

01:31:39,270 --> 01:31:36,880

podcast but i wasn't really able to

2347

01:31:40,149 --> 01:31:39,280

formulate it into a like a solid idea

2348

01:31:43,510 --> 01:31:40,159

until

2349

01:31:46,550 --> 01:31:43,520

last night when i was listening to the

2350

01:31:48,790 --> 01:31:46,560

the uh national cathedral thing with abi

2351
01:31:49,590 --> 01:31:48,800
avilo and i've never heard avi loeb say

2352
01:31:51,830 --> 01:31:49,600
this

2353
01:31:53,270 --> 01:31:51,840
i just think it's awesome he he

2354
01:31:55,270 --> 01:31:53,280
referenced someone else so it's me

2355
01:31:57,030 --> 01:31:55,280
referencing someone saying something

2356
01:31:58,790 --> 01:31:57,040
that someone else says

2357
01:32:01,270 --> 01:31:58,800
but it's about this this fisherman that

2358
01:32:04,149 --> 01:32:01,280
comes back from the ocean and says look

2359
01:32:06,229 --> 01:32:04,159
guys the smallest that a fish can be is

2360
01:32:07,990 --> 01:32:06,239
two inches that's the small they come

2361
01:32:09,030 --> 01:32:08,000
out two inches and that's as small as

2362
01:32:10,470 --> 01:32:09,040
they can be

2363
01:32:13,189 --> 01:32:10,480

and uh

2364

01:32:16,010 --> 01:32:13,199

this the parable is well how big are the

2365

01:32:17,750 --> 01:32:16,020

holes in your net well two inches

2366

01:32:20,229 --> 01:32:17,760

[Laughter]

2367

01:32:23,270 --> 01:32:20,239

i like that i just love that i've never

2368

01:32:25,030 --> 01:32:23,280

heard that before so yeah i like that

2369

01:32:27,030 --> 01:32:25,040

it's very

2370

01:32:28,790 --> 01:32:27,040

very interesting parable very

2371

01:32:30,709 --> 01:32:28,800

interesting story when i i think about

2372

01:32:32,310 --> 01:32:30,719

that is is i kind of skipped that

2373

01:32:33,430 --> 01:32:32,320

parable where it was like okay that's

2374

01:32:35,110 --> 01:32:33,440

something i could wrap my head around

2375

01:32:36,390 --> 01:32:35,120

right but i've been struggling with this

2376

01:32:38,550 --> 01:32:36,400

idea

2377

01:32:42,790 --> 01:32:38,560

since uh the

2378

01:32:46,470 --> 01:32:44,229

it's the tic tac

2379

01:32:48,629 --> 01:32:46,480

incidents uh we know we talked to gary

2380

01:32:50,629 --> 01:32:48,639

voorhees good buddy of ours who who was

2381

01:32:52,790 --> 01:32:50,639

the uh air fire control man who who saw

2382

01:32:54,310 --> 01:32:52,800

a lot of the the radar data

2383

01:32:56,310 --> 01:32:54,320

and and said that it was something that

2384

01:32:58,550 --> 01:32:56,320

he'd never seen before and that was a

2385

01:33:01,030 --> 01:32:58,560

tic tac incident that happened on the

2386

01:33:03,110 --> 01:33:01,040

nimitz you may have seen it on the news

2387

01:33:04,629 --> 01:33:03,120

yeah yeah he was the fire control man

2388

01:33:05,830 --> 01:33:04,639

and i've been struggling with this idea

2389

01:33:07,910 --> 01:33:05,840

of

2390

01:33:09,830 --> 01:33:07,920

man it's got to go deeper than that like

2391

01:33:13,590 --> 01:33:09,840

be just because we're tracking something

2392

01:33:16,390 --> 01:33:13,600

with a radar system that has a specific

2393

01:33:18,310 --> 01:33:16,400

frequency i don't know i'm not a radar

2394

01:33:19,910 --> 01:33:18,320

technician i don't know how i don't know

2395

01:33:21,910 --> 01:33:19,920

how it works

2396

01:33:23,910 --> 01:33:21,920

but if we're looking for radar signals

2397

01:33:25,669 --> 01:33:23,920

and and and stuff where we're using

2398

01:33:27,430 --> 01:33:25,679

electricity for stuff we're only going

2399

01:33:31,189 --> 01:33:27,440

to get things that

2400

01:33:33,030 --> 01:33:31,199

that exist in the exactly the frequency

2401

01:33:35,110 --> 01:33:33,040

of electricity if we could let's say

2402

01:33:37,030 --> 01:33:35,120

yeah even electricity itself it's not

2403

01:33:38,709 --> 01:33:37,040

the end-all be-all force there's other

2404

01:33:40,070 --> 01:33:38,719

forces that are more powerful than

2405

01:33:42,950 --> 01:33:40,080

electricity

2406

01:33:45,270 --> 01:33:42,960

like right like yeah gravity well

2407

01:33:47,510 --> 01:33:45,280

physics tells us at least we have the

2408

01:33:49,990 --> 01:33:47,520

the right we have what's the electric

2409

01:33:51,270 --> 01:33:50,000

field in gravity and then the weak force

2410

01:33:54,070 --> 01:33:51,280

and the

2411

01:33:56,790 --> 01:33:54,080

the strong force right the four forces

2412

01:33:58,550 --> 01:33:56,800

they talk about in physics right well

2413

01:34:00,550 --> 01:33:58,560

like who's to say

2414

01:34:02,070 --> 01:34:00,560

they aren't using some other either

2415

01:34:04,709 --> 01:34:02,080

those or some other things we haven't

2416

01:34:06,629 --> 01:34:04,719

discovered yet to communicate right

2417

01:34:09,110 --> 01:34:06,639

forth right you know because you think

2418

01:34:10,590 --> 01:34:09,120

about it you know how

2419

01:34:12,709 --> 01:34:10,600

you know using

2420

01:34:14,629 --> 01:34:12,719

electromagnetic waves through the air is

2421

01:34:16,229 --> 01:34:14,639

probably pretty primitive

2422

01:34:18,550 --> 01:34:16,239

when you think of

2423

01:34:20,709 --> 01:34:18,560

if we knew more physics that all the

2424

01:34:21,990 --> 01:34:20,719

other ways we could communicate

2425

01:34:24,229 --> 01:34:22,000

right

2426

01:34:26,709 --> 01:34:24,239

yeah yeah i mean you know we all thought

2427

01:34:29,350 --> 01:34:26,719

am was totally cool and someone admitted

2428

01:34:31,110 --> 01:34:29,360

fm you know we're like whoa i mean

2429

01:34:32,629 --> 01:34:31,120

that's a good example

2430

01:34:35,510 --> 01:34:32,639

i love

2431

01:34:37,430 --> 01:34:35,520

it i had an am receiver

2432

01:34:39,830 --> 01:34:37,440

right and there's fm signals i didn't

2433

01:34:41,189 --> 01:34:39,840

know about them i i would be tuning it

2434

01:34:42,950 --> 01:34:41,199

in i wouldn't know anything about it you

2435

01:34:47,350 --> 01:34:42,960

know these guys are

2436

01:34:50,070 --> 01:34:48,629

between like

2437

01:34:51,830 --> 01:34:50,080

do you know the difference between am

2438

01:34:53,910 --> 01:34:51,840

and effing yeah yeah i'm a retired

2439

01:34:55,750 --> 01:34:53,920

electrical engineer okay here we go

2440

01:34:58,470 --> 01:34:55,760

right now see my fingers

2441

01:35:00,790 --> 01:34:58,480

right okay here's am

2442

01:35:04,229 --> 01:35:00,800

that's am okay you ready

2443

01:35:06,790 --> 01:35:05,510

michael you're actually what the hell

2444

01:35:10,149 --> 01:35:06,800

does that mean

2445

01:35:12,149 --> 01:35:10,159

okay i am that's exactly okay this is

2446

01:35:13,590 --> 01:35:12,159

this is like you got a sine wave right

2447

01:35:16,550 --> 01:35:13,600

which is a certain frequency that you

2448

01:35:19,510 --> 01:35:16,560

tune on your am radio but you're you're

2449

01:35:21,669 --> 01:35:19,520

you're modulating the amplitude right

2450

01:35:23,669 --> 01:35:21,679

and that's the information

2451

01:35:26,070 --> 01:35:23,679

right you it's going it's

2452

01:35:27,430 --> 01:35:26,080

right it's a sine wave but it's got a

2453

01:35:29,750 --> 01:35:27,440

lower frequency

2454

01:35:32,470 --> 01:35:29,760

signal on it that makes it modular it

2455

01:35:34,870 --> 01:35:32,480

makes it get squeezy down and bigger

2456

01:35:37,270 --> 01:35:34,880

okay and fm does the same thing except

2457

01:35:39,109 --> 01:35:37,280

it does it with frequency it's like it's

2458

01:35:44,629 --> 01:35:39,119

like a slinky

2459

01:35:47,030 --> 01:35:44,639

cool okay does that make sense fm is a

2460

01:35:47,910 --> 01:35:47,040

slinky

2461

01:35:49,990 --> 01:35:47,920

right

2462

01:35:50,870 --> 01:35:50,000

it compresses and gets splattered you

2463

01:35:53,510 --> 01:35:50,880

know

2464

01:35:54,390 --> 01:35:53,520

the the frequency varies along the wave

2465

01:35:56,070 --> 01:35:54,400

right

2466

01:35:59,109 --> 01:35:56,080

yeah that's that's that's why they call

2467

01:36:01,910 --> 01:35:59,119

it frequency modulation okay so what

2468

01:36:04,149 --> 01:36:01,920

what happens with a ham radio

2469

01:36:05,750 --> 01:36:04,159

that can't a alternative

2470

01:36:08,149 --> 01:36:05,760

right

2471

01:36:10,950 --> 01:36:08,159

ham uses am for some things and

2472

01:36:12,709 --> 01:36:10,960

basically fm for others and then there's

2473

01:36:14,950 --> 01:36:12,719

you get into a single sideband and

2474

01:36:17,430 --> 01:36:14,960

double sideband and stuff yeah it's

2475

01:36:19,750 --> 01:36:17,440

really just mathematics at that level

2476

01:36:22,070 --> 01:36:19,760

yeah but uh yeah so

2477

01:36:24,149 --> 01:36:22,080

maybe i'll come back on another episode

2478

01:36:28,390 --> 01:36:24,159

and we'll do a lecture i'll have my

2479

01:36:33,270 --> 01:36:29,830

yeah we'll go out and get our ham

2480

01:36:35,030 --> 01:36:33,280

license i would love that i have i have

2481

01:36:35,830 --> 01:36:35,040

a ham radio

2482

01:36:38,629 --> 01:36:35,840

do you

2483

01:36:41,270 --> 01:36:38,639

yeah i've been messing with it and i

2484

01:36:43,109 --> 01:36:41,280

always catch the uh breaker one nine

2485

01:36:45,030 --> 01:36:43,119

breaker one nine

2486

01:36:47,990 --> 01:36:45,040

yeah yeah

2487

01:36:50,310 --> 01:36:48,000

this is uh yeah man i uh i've been

2488

01:36:52,790 --> 01:36:50,320

messing with it and and you know just

2489

01:36:55,830 --> 01:36:52,800

trying to figure it out most the things

2490

01:36:57,030 --> 01:36:55,840

that i use it for are just scanning

2491

01:36:59,189 --> 01:36:57,040

frequencies

2492

01:37:01,350 --> 01:36:59,199

because i i'm just trying to find weird

2493

01:37:03,350 --> 01:37:01,360

[h__h] like number channels you know that

2494

01:37:06,070 --> 01:37:03,360

pop up randomly with like you know

2495

01:37:10,629 --> 01:37:06,080

random uh little number one everyone saw

2496

01:37:14,790 --> 01:37:12,870

like what the hell is good some of it's

2497

01:37:15,750 --> 01:37:14,800

morse code but some of it isn't it's

2498

01:37:21,830 --> 01:37:15,760

just

2499

01:37:23,830 --> 01:37:21,840

electromagnetic spectrum it's so cool it

2500

01:37:25,189 --> 01:37:23,840

is so cool just out there doing their

2501

01:37:27,270 --> 01:37:25,199

thing you know

2502

01:37:30,229 --> 01:37:27,280

and maybe it's e.t

2503

01:37:31,830 --> 01:37:30,239

and that's exactly why i'm only scanning

2504

01:37:33,350 --> 01:37:31,840

for the most part you know because

2505

01:37:35,590 --> 01:37:33,360

that's right if i want to listen to the

2506

01:37:37,030 --> 01:37:35,600

radio man i'll just go to my car you

2507

01:37:39,189 --> 01:37:37,040

know unless i'm out

2508

01:37:41,990 --> 01:37:39,199

in the wilderness or something but yeah

2509

01:37:45,030 --> 01:37:42,000

i i i love that radio man my wife got

2510

01:37:47,510 --> 01:37:45,040

that for me uh like last year for for

2511

01:37:49,350 --> 01:37:47,520

christmas and dude it's so awesome i

2512

01:37:51,750 --> 01:37:49,360

always take it whenever we go to like

2513

01:37:53,750 --> 01:37:51,760

ufo trips i always take my ham radio

2514

01:37:56,950 --> 01:37:53,760

with me she's coming i dig him radio

2515

01:37:59,030 --> 01:37:56,960

it's very cool yeah i want to have my

2516

01:38:00,870 --> 01:37:59,040

i have my ham radio license but i got it

2517

01:38:02,709 --> 01:38:00,880

and then i never did anything with it

2518

01:38:04,470 --> 01:38:02,719

you know yeah yeah there's like three

2519

01:38:06,790 --> 01:38:04,480

levels and i've got the second level

2520

01:38:08,709 --> 01:38:06,800

license that's cool i've worked i mean

2521

01:38:10,870 --> 01:38:08,719

the highest level is takes a while to

2522

01:38:13,109 --> 01:38:10,880

get i mean that's really hard i mean you

2523

01:38:14,790 --> 01:38:13,119

have to learn all kinds of antenna

2524

01:38:16,550 --> 01:38:14,800

theory and

2525

01:38:18,629 --> 01:38:16,560

you know all kinds of stuff right yeah

2526

01:38:20,470 --> 01:38:18,639

because you can listen on ham radio but

2527

01:38:22,709 --> 01:38:20,480

you're not allowed it's illegal to

2528

01:38:25,510 --> 01:38:22,719

respond or talk

2529

01:38:27,510 --> 01:38:25,520

without a license you know so yeah i've

2530

01:38:28,950 --> 01:38:27,520

i've thought about that too man i i kind

2531

01:38:31,189 --> 01:38:28,960

of want to i kind of want to get my

2532

01:38:33,430 --> 01:38:31,199

license for it just so i can you know

2533

01:38:36,709 --> 01:38:33,440

hey this is a bandit you know like

2534

01:38:39,270 --> 01:38:36,719

that's right breaker199 this is joe this

2535

01:38:41,189 --> 01:38:39,280

is joe at the ufo garage breaker one

2536

01:38:45,109 --> 01:38:41,199

nine is anybody out there come back to

2537

01:38:46,070 --> 01:38:45,119

me smokey i'm smokey joe

2538

01:38:49,350 --> 01:38:46,080

yes

2539

01:38:52,390 --> 01:38:49,360

i'm digging it yeah

2540

01:38:53,830 --> 01:38:52,400

yeah um and our last week's conversation

2541

01:38:56,790 --> 01:38:53,840

man you know we're talking about all

2542

01:38:59,590 --> 01:38:56,800

these different uh you know types of of

2543

01:39:02,070 --> 01:38:59,600

physics and communications and and uh

2544

01:39:03,430 --> 01:39:02,080

the way that you know we we we transmit

2545

01:39:05,910 --> 01:39:03,440

information

2546

01:39:09,030 --> 01:39:05,920

and the the the big four that you had

2547

01:39:12,790 --> 01:39:09,040

talked about well we may be adding a

2548

01:39:13,669 --> 01:39:12,800

fifth soon which is really consciousness

2549

01:39:16,229 --> 01:39:13,679

oh

2550

01:39:18,470 --> 01:39:16,239

definitely consciousness could possibly

2551

01:39:19,750 --> 01:39:18,480

act as the fifth right because of all

2552

01:39:21,669 --> 01:39:19,760

this

2553

01:39:23,669 --> 01:39:21,679

there's been a lot of studies done just

2554

01:39:26,470 --> 01:39:23,679

on consciousness and you know there's a

2555

01:39:28,550 --> 01:39:26,480

lot of there's a lot of wishy-washy data

2556

01:39:30,390 --> 01:39:28,560

data when it comes to like you know

2557

01:39:32,950 --> 01:39:30,400

number generators and things like that

2558

01:39:35,350 --> 01:39:32,960

but we do know that for some reason

2559

01:39:37,990 --> 01:39:35,360

number generators are act

2560

01:39:39,830 --> 01:39:38,000

at the same time that the world decides

2561

01:39:42,629 --> 01:39:39,840

it wants to be conscious about a certain

2562

01:39:46,149 --> 01:39:42,639

subject i personally think consciousness

2563

01:39:48,790 --> 01:39:46,159

was here before the physical universe

2564

01:39:50,149 --> 01:39:48,800

that's beautiful consciousness just was

2565

01:39:53,430 --> 01:39:50,159

out there

2566

01:39:55,189 --> 01:39:53,440

yes love that yes you know what i mean

2567

01:39:57,590 --> 01:39:55,199

yes keep going

2568

01:40:00,550 --> 01:39:57,600

it was out there and then

2569

01:40:03,590 --> 01:40:00,560

and then maybe somehow

2570

01:40:04,390 --> 01:40:03,600

it somehow caused the big bang to happen

2571

01:40:07,669 --> 01:40:04,400

right

2572

01:40:10,790 --> 01:40:07,679

because it wanted to realize something

2573

01:40:12,870 --> 01:40:10,800

it called physical he wanted to become

2574

01:40:15,669 --> 01:40:12,880

this new thing

2575

01:40:18,149 --> 01:40:15,679

and live and express itself right and so

2576

01:40:21,350 --> 01:40:18,159

what do we do now then and then

2577

01:40:21,750 --> 01:40:21,360

out of the universe comes life

2578

01:40:24,149 --> 01:40:21,760

and somehow

2579

01:40:25,830 --> 01:40:24,159

consciousness starts to

2580

01:40:28,629 --> 01:40:25,840

move through life

2581

01:40:30,550 --> 01:40:28,639

right to experience the universe

2582

01:40:32,550 --> 01:40:30,560

that yes

2583

01:40:34,470 --> 01:40:32,560

in in the uh the age-old question

2584

01:40:35,669 --> 01:40:34,480

chicken or the egg do you think i feel

2585

01:40:38,790 --> 01:40:35,679

like we're talking about

2586

01:40:41,430 --> 01:40:38,800

consciousness had to exist before

2587

01:40:42,629 --> 01:40:41,440

physical reality in this in this

2588

01:40:44,149 --> 01:40:42,639

experiment right

2589

01:40:45,109 --> 01:40:44,159

right that's what i think

2590

01:40:47,189 --> 01:40:45,119

yeah dude

2591

01:40:49,750 --> 01:40:47,199

there's a there's a famous scientist and

2592

01:40:52,550 --> 01:40:49,760

the guy is a super super genius in the

2593

01:40:54,950 --> 01:40:52,560

the whole thing is called biocentrism

2594

01:40:57,189 --> 01:40:54,960

biocentrism i think it's what it is its

2595

01:40:59,270 --> 01:40:57,199

name is book look that word up and

2596

01:41:01,590 --> 01:40:59,280

you'll find the name of the guy the guy

2597

01:41:04,149 --> 01:41:01,600

he's like one of these guys into genetic

2598

01:41:06,149 --> 01:41:04,159

engineering he grows tissue and you know

2599

01:41:08,070 --> 01:41:06,159

in his laboratory and you know like

2600

01:41:09,510 --> 01:41:08,080

tries to help people right like one of

2601
01:41:10,629 --> 01:41:09,520
these he's working on things like you

2602
01:41:13,030 --> 01:41:10,639
know one of these days we'll grow a

2603
01:41:14,390 --> 01:41:13,040
kidney if you need a new kidney right

2604
01:41:15,910 --> 01:41:14,400
we'll take a couple of your cells oh

2605
01:41:16,709 --> 01:41:15,920
he's that guy

2606
01:41:23,030 --> 01:41:16,719
and

2607
01:41:25,830 --> 01:41:23,040
everything backward just since we have

2608
01:41:28,149 --> 01:41:25,840
it backwards and he goes into quantum

2609
01:41:30,390 --> 01:41:28,159
physics and stuff he says

2610
01:41:32,390 --> 01:41:30,400
what we we do these experiments in

2611
01:41:33,910 --> 01:41:32,400
quantum physics and they tell us the way

2612
01:41:35,189 --> 01:41:33,920
the universe works but we don't want to

2613
01:41:37,669 --> 01:41:35,199

believe it

2614

01:41:39,109 --> 01:41:37,679

right you know quantum physics predicts

2615

01:41:40,550 --> 01:41:39,119

some of this stuff

2616

01:41:43,430 --> 01:41:40,560

but and then we do the experiment

2617

01:41:44,870 --> 01:41:43,440

experiment we find quantum mechanics

2618

01:41:46,310 --> 01:41:44,880

is right

2619

01:41:48,390 --> 01:41:46,320

but we don't want to believe it because

2620

01:41:51,830 --> 01:41:48,400

the experiments are too whacked out you

2621

01:41:54,550 --> 01:41:51,840

know there's like the universe

2622

01:41:56,629 --> 01:41:54,560

it's like universe knowing

2623

01:41:58,550 --> 01:41:56,639

like you give an answer and the universe

2624

01:42:00,629 --> 01:41:58,560

knows what the question was before you

2625

01:42:02,870 --> 01:42:00,639

spoke the answer

2626
01:42:04,870 --> 01:42:02,880
yes you know i mean i'm serious stuff

2627
01:42:07,510 --> 01:42:04,880
like it's kind of like how these how

2628
01:42:10,390 --> 01:42:07,520
these objects

2629
01:42:12,830 --> 01:42:10,400
in the in the tic tac incident well in a

2630
01:42:15,910 --> 01:42:12,840
few of these incidents right where

2631
01:42:18,149 --> 01:42:15,920
they had a rendezvous point where they

2632
01:42:20,390 --> 01:42:18,159
were all going to meet right and for

2633
01:42:22,629 --> 01:42:20,400
some reason the object knew where they

2634
01:42:25,030 --> 01:42:22,639
were going to be before they even went

2635
01:42:26,470 --> 01:42:25,040
there right right he's writing off of

2636
01:42:29,030 --> 01:42:26,480
this concept

2637
01:42:31,350 --> 01:42:29,040
off this frequency of some kind you know

2638
01:42:32,870 --> 01:42:31,360

right and it's super interesting you

2639

01:42:39,189 --> 01:42:32,880

know

2640

01:42:40,830 --> 01:42:39,199

so particles get are entangled and

2641

01:42:43,270 --> 01:42:40,840

that's how they can communicate

2642

01:42:45,590 --> 01:42:43,280

instantaneously across

2643

01:42:48,470 --> 01:42:45,600

you know billions of light years right

2644

01:42:51,030 --> 01:42:48,480

so they're not communicating like that

2645

01:42:53,350 --> 01:42:51,040

it's that's not the way it works so in

2646

01:42:54,790 --> 01:42:53,360

the quantum mec uh i'm probably going to

2647

01:42:57,109 --> 01:42:54,800

butcher this but the quantum

2648

01:42:58,870 --> 01:42:57,119

entanglement theory is that two

2649

01:43:00,229 --> 01:42:58,880

particles can live

2650

01:43:02,790 --> 01:43:00,239

or exist

2651
01:43:04,950 --> 01:43:02,800
um with any dis any distance it could be

2652
01:43:07,350 --> 01:43:04,960
a foot apart it could be a billion light

2653
01:43:08,390 --> 01:43:07,360
years apart and they will mirror each

2654
01:43:09,669 --> 01:43:08,400
other

2655
01:43:11,590 --> 01:43:09,679
i guess my question is do you guys

2656
01:43:14,070 --> 01:43:11,600
remember if it's if it's the equal and

2657
01:43:17,109 --> 01:43:14,080
opposite or if it's the same exact

2658
01:43:18,950 --> 01:43:17,119
um i think it's equal to opposite equal

2659
01:43:22,390 --> 01:43:18,960
like if one has one span the other will

2660
01:43:24,550 --> 01:43:22,400
have the other spin for example so

2661
01:43:27,350 --> 01:43:24,560
and the particles can be

2662
01:43:29,430 --> 01:43:27,360
in different places and be different

2663
01:43:32,709 --> 01:43:29,440

ages

2664

01:43:34,629 --> 01:43:32,719

but be the same particle right or not

2665

01:43:37,189 --> 01:43:34,639

the same they're two different particles

2666

01:43:39,510 --> 01:43:37,199

but they're they're quantumly entangled

2667

01:43:41,669 --> 01:43:39,520

which means they can be different ages

2668

01:43:45,350 --> 01:43:41,679

but still be able to communicate at the

2669

01:43:49,430 --> 01:43:48,070

it is it's very

2670

01:43:51,590 --> 01:43:49,440

i mean

2671

01:43:53,510 --> 01:43:51,600

it can be hard obviously to wrap your

2672

01:43:54,709 --> 01:43:53,520

head around some of this stuff

2673

01:43:56,229 --> 01:43:54,719

but you know there are a lot of really

2674

01:43:59,430 --> 01:43:56,239

smart guys that do wrap their head

2675

01:44:01,669 --> 01:43:59,440

around it but they they can't believe it

2676

01:44:03,669 --> 01:44:01,679

you know what i mean they understand it

2677

01:44:05,510 --> 01:44:03,679

but on the other hand they'll say well

2678

01:44:08,149 --> 01:44:05,520

but this can't be right this can't be

2679

01:44:09,750 --> 01:44:08,159

true yeah question for you guys if if

2680

01:44:12,470 --> 01:44:09,760

this stuff this wacky stuff that we're

2681

01:44:13,910 --> 01:44:12,480

talking about is accepted by

2682

01:44:16,629 --> 01:44:13,920

enough people

2683

01:44:19,669 --> 01:44:16,639

with consciousness i mean if if we agree

2684

01:44:21,350 --> 01:44:19,679

that all humans or even every living

2685

01:44:23,109 --> 01:44:21,360

thing i mean we can go as far as saying

2686

01:44:25,030 --> 01:44:23,119

that even trees have consciousness if

2687

01:44:27,510 --> 01:44:25,040

everybody well let's go ahead and just

2688

01:44:29,510 --> 01:44:27,520

say if everybody every human agreed that

2689

01:44:31,430 --> 01:44:29,520

this wacky stuff is true

2690

01:44:35,189 --> 01:44:31,440

does that do you think that that gives

2691

01:44:37,990 --> 01:44:35,199

it more power and more of the

2692

01:44:40,950 --> 01:44:38,000

uh the statistic to be

2693

01:44:42,629 --> 01:44:40,960

uh in reality like to to manifest like

2694

01:44:44,709 --> 01:44:42,639

if enough people it's like tinkerbelle

2695

01:44:48,550 --> 01:44:44,719

right like if enough people agree

2696

01:44:50,070 --> 01:44:48,560

that it exists then it's gonna exist

2697

01:44:50,950 --> 01:44:50,080

i believe there's something to that i

2698

01:44:52,709 --> 01:44:50,960

think

2699

01:44:55,109 --> 01:44:52,719

as we bring our minds together

2700

01:44:57,750 --> 01:44:55,119

eventually we figure it out

2701

01:45:00,709 --> 01:44:57,760

and we see it for what it is

2702

01:45:03,270 --> 01:45:00,719

well you know the the newer the younger

2703

01:45:05,830 --> 01:45:03,280

generation of physicists coming up now

2704

01:45:07,510 --> 01:45:05,840

they are more likely to accept these

2705

01:45:10,310 --> 01:45:07,520

things we're talking about you know

2706

01:45:11,830 --> 01:45:10,320

exactly they look at the the science

2707

01:45:14,629 --> 01:45:11,840

and they look at all the experiments

2708

01:45:17,030 --> 01:45:14,639

that their forefathers did and looked at

2709

01:45:19,189 --> 01:45:17,040

and they say well that's the way it is

2710

01:45:21,430 --> 01:45:19,199

first of all i've got to accept that's

2711

01:45:22,950 --> 01:45:21,440

the way it is and then try to interpret

2712

01:45:23,830 --> 01:45:22,960

it what does that mean

2713

01:45:25,990 --> 01:45:23,840

yeah right

2714

01:45:28,550 --> 01:45:26,000

in a lot of ways they try to prove it

2715

01:45:30,629 --> 01:45:28,560

wrong so that they are they're

2716

01:45:32,709 --> 01:45:30,639

certain that what their forefathers have

2717

01:45:35,109 --> 01:45:32,719

taught them and things that they've read

2718

01:45:37,430 --> 01:45:35,119

in in textbooks are correct right like i

2719

01:45:39,430 --> 01:45:37,440

feel like that's the journey of of of

2720

01:45:41,510 --> 01:45:39,440

anybody in that field where

2721

01:45:43,910 --> 01:45:41,520

the the scientific experiment even even

2722

01:45:46,149 --> 01:45:43,920

though someone's told you something is

2723

01:45:47,910 --> 01:45:46,159

how it is you have to do the experiment

2724

01:45:49,510 --> 01:45:47,920

for yourself i mean

2725

01:45:51,430 --> 01:45:49,520

doing the experiment for yourself and

2726

01:45:53,750 --> 01:45:51,440

seeing it doing it the hard way is the

2727

01:45:55,430 --> 01:45:53,760

only true way for you personally i could

2728

01:45:57,430 --> 01:45:55,440

just only imagine somebody that's like

2729

01:45:59,270 --> 01:45:57,440

smart enough to do that would have to

2730

01:46:01,189 --> 01:45:59,280

see it for themselves and then you push

2731

01:46:03,109 --> 01:46:01,199

the boundary like

2732

01:46:05,510 --> 01:46:03,119

i don't understand why it's so difficult

2733

01:46:08,310 --> 01:46:05,520

for people to to realize that that out

2734

01:46:09,430 --> 01:46:08,320

of the box thinking and and pushing the

2735

01:46:12,550 --> 01:46:09,440

boundaries

2736

01:46:14,790 --> 01:46:12,560

is how we progress like it's too

2737

01:46:16,790 --> 01:46:14,800

expensive to rewrite math and history

2738

01:46:18,470 --> 01:46:16,800

books

2739

01:46:20,390 --> 01:46:18,480

it's a lot of paperwork well

2740

01:46:23,189 --> 01:46:20,400

yeah it's it's

2741

01:46:25,350 --> 01:46:23,199

yeah it's uh that

2742

01:46:27,350 --> 01:46:25,360

what is it they said

2743

01:46:30,790 --> 01:46:27,360

physics

2744

01:46:32,709 --> 01:46:30,800

progresses one funeral at a time

2745

01:46:35,350 --> 01:46:32,719

have you heard that

2746

01:46:36,310 --> 01:46:35,360

dude it's very true it's very true i

2747

01:46:38,550 --> 01:46:36,320

actually

2748

01:46:41,830 --> 01:46:38,560

basically you know one generation of

2749

01:46:43,990 --> 01:46:41,840

physicists kind of has to die off

2750

01:46:45,990 --> 01:46:44,000

and and because they have they have

2751

01:46:48,149 --> 01:46:46,000

things they can't accept

2752

01:46:49,590 --> 01:46:48,159

yeah right right

2753

01:46:50,709 --> 01:46:49,600

it's for them and they look at the

2754

01:46:55,350 --> 01:46:50,719

evidence

2755

01:46:56,149 --> 01:46:55,360

yeah but they can't accept it

2756

01:46:58,229 --> 01:46:56,159

it's

2757

01:46:59,990 --> 01:46:58,239

what it says what it means

2758

01:47:01,510 --> 01:47:00,000

i i have a point i want to make but i

2759

01:47:03,669 --> 01:47:01,520

kind of want to leave you guys down this

2760

01:47:05,990 --> 01:47:03,679

this thought like

2761

01:47:07,830 --> 01:47:06,000

why though like are we talking politics

2762

01:47:10,870 --> 01:47:07,840

here is that why this stuff hasn't been

2763

01:47:11,750 --> 01:47:10,880

accepted or yeah joe um

2764

01:47:15,430 --> 01:47:11,760

when

2765

01:47:17,669 --> 01:47:15,440

students of physics or

2766

01:47:19,030 --> 01:47:17,679

i've seen it everybody i feel like

2767

01:47:21,270 --> 01:47:19,040

that's been into

2768

01:47:22,229 --> 01:47:21,280

this uh this topic for a while have seen

2769

01:47:24,470 --> 01:47:22,239

it in

2770

01:47:28,070 --> 01:47:24,480

egyptology where there's this this

2771

01:47:29,350 --> 01:47:28,080

monopoly over what gets the approval to

2772

01:47:32,229 --> 01:47:29,360

be uh

2773

01:47:34,870 --> 01:47:32,239

to be said in in in the public or

2774

01:47:36,310 --> 01:47:34,880

what uh like the sphinx oh you can't see

2775

01:47:37,990 --> 01:47:36,320

the sphinx because it's under

2776

01:47:40,149 --> 01:47:38,000

construction or you can't say that the

2777

01:47:41,590 --> 01:47:40,159

sphinx is this this old because we know

2778

01:47:44,950 --> 01:47:41,600

it's this old right

2779

01:47:47,030 --> 01:47:44,960

um this this kind of oligarchy or

2780

01:47:48,790 --> 01:47:47,040

or this overshadowing umbrella that's

2781

01:47:50,629 --> 01:47:48,800

preventing progression

2782

01:47:51,990 --> 01:47:50,639

even though that there's there's young

2783

01:47:53,669 --> 01:47:52,000

scientists

2784

01:47:57,030 --> 01:47:53,679

uh

2785

01:47:59,830 --> 01:47:57,040

blatantly finding evidence that

2786

01:48:02,229 --> 01:47:59,840

disprove this old narrative

2787

01:48:04,149 --> 01:48:02,239

or more or moreover it's the same

2788

01:48:05,669 --> 01:48:04,159

evidence they just look at it with fresh

2789

01:48:08,149 --> 01:48:05,679

eyes

2790

01:48:09,669 --> 01:48:08,159

that's really what's happening

2791

01:48:11,189 --> 01:48:09,679

it's the same you know they look at all

2792

01:48:13,590 --> 01:48:11,199

the experiments that their forefathers

2793

01:48:17,430 --> 01:48:13,600

did they said well everyone agrees their

2794

01:48:18,870 --> 01:48:17,440

forefathers are them that this spearmint

2795

01:48:21,109 --> 01:48:18,880

was correct in

2796

01:48:23,030 --> 01:48:21,119

in the in the theory

2797

01:48:24,550 --> 01:48:23,040

predicted the outcome of the experiment

2798

01:48:29,189 --> 01:48:24,560

so it's correct

2799

01:48:31,270 --> 01:48:29,199

but they won't accept what it must mean

2800

01:48:33,270 --> 01:48:31,280

for example right

2801

01:48:34,870 --> 01:48:33,280

because you get to because you know

2802

01:48:37,189 --> 01:48:34,880

there was uh you know there's a

2803

01:48:39,510 --> 01:48:37,199

generation of physicists

2804

01:48:41,590 --> 01:48:39,520

uh that's you know kind of moving on now

2805

01:48:44,390 --> 01:48:41,600

so we slowly changed it

2806

01:48:46,790 --> 01:48:44,400

they had to fight you know a generations

2807

01:48:49,510 --> 01:48:46,800

over well generations of scientists that

2808

01:48:52,229 --> 01:48:49,520

had to fight against witchcraft and

2809

01:48:54,310 --> 01:48:52,239

you know things that weren't scientific

2810

01:48:56,390 --> 01:48:54,320

and probably weren't correct right and

2811

01:48:58,870 --> 01:48:56,400

people got burned at the stake let's say

2812

01:49:01,270 --> 01:48:58,880

and and all that and there so they grew

2813

01:49:03,590 --> 01:49:01,280

up fighting against that and wanting to

2814

01:49:06,629 --> 01:49:03,600

push science right

2815

01:49:08,229 --> 01:49:06,639

well then science got too wacky you know

2816

01:49:09,910 --> 01:49:08,239

for them it was like wait a minute

2817

01:49:11,350 --> 01:49:09,920

science isn't this

2818

01:49:14,950 --> 01:49:11,360

cold dry

2819

01:49:16,870 --> 01:49:14,960

purely mathematical thing or maybe it is

2820

01:49:19,270 --> 01:49:16,880

purely mathematical but we can't accept

2821

01:49:20,709 --> 01:49:19,280

the mathematics you know the equations

2822

01:49:22,229 --> 01:49:20,719

predict this

2823

01:49:23,750 --> 01:49:22,239

that or the other

2824

01:49:26,830 --> 01:49:23,760

but we can accept that that can't be

2825

01:49:30,149 --> 01:49:26,840

true like like how can the universe

2826

01:49:32,950 --> 01:49:30,159

know what the question's going to be

2827

01:49:34,950 --> 01:49:32,960

before it's asked

2828

01:49:36,950 --> 01:49:34,960

right okay so the universe will tell you

2829

01:49:40,550 --> 01:49:36,960

what the answer to the question is

2830

01:49:43,750 --> 01:49:40,560

before anybody knows the question

2831

01:49:46,390 --> 01:49:43,760

how can that be possible well you can do

2832

01:49:48,870 --> 01:49:46,400

quantum mechanical experiments that set

2833

01:49:50,870 --> 01:49:48,880

that up and show that

2834

01:49:53,830 --> 01:49:50,880

okay that something

2835

01:49:57,430 --> 01:49:55,109

anyway that's the only way i can

2836

01:49:59,830 --> 01:49:57,440

describe it is this hey for example it

2837

01:50:02,070 --> 01:49:59,840

knows the question

2838

01:50:04,950 --> 01:50:02,080

it knows the answer before the question

2839

01:50:06,709 --> 01:50:04,960

right joe you're muted by the way uh so

2840

01:50:08,709 --> 01:50:06,719

i'm thinking about i have so much

2841

01:50:09,930 --> 01:50:08,719

important stuff to say right now you say

2842

01:50:11,430 --> 01:50:09,940

cuz i have to pee dude

2843

01:50:13,270 --> 01:50:11,440

[Laughter]

2844

01:50:15,910 --> 01:50:13,280

okay okay then i'm next i have to get

2845

01:50:17,510 --> 01:50:15,920

some water okay okay i have so much to

2846

01:50:20,550 --> 01:50:17,520

say

2847

01:50:22,870 --> 01:50:20,560

go for it real quick okay so dude i i

2848

01:50:24,470 --> 01:50:22,880

absolutely love this conversation and

2849

01:50:26,950 --> 01:50:24,480

when we we're getting into quantum

2850

01:50:29,270 --> 01:50:26,960

mechanics and consciousness i want to i

2851

01:50:32,709 --> 01:50:29,280

want to shoot over to the chat a little

2852

01:50:35,990 --> 01:50:32,719

bit um cure angel says my contact

2853

01:50:37,589 --> 01:50:36,000

experiences start with consciousness and

2854

01:50:40,950 --> 01:50:37,599

a gut feeling

2855

01:50:42,149 --> 01:50:40,960

and i have heard that a lot of times

2856

01:50:43,750 --> 01:50:42,159

i don't know i don't know if you know

2857

01:50:46,629 --> 01:50:43,760

this jojo but we're actually we're

2858

01:50:48,629 --> 01:50:46,639

filming a documentary right now

2859

01:50:50,470 --> 01:50:48,639

i'll send you i'll send you the trailer

2860

01:50:52,550 --> 01:50:50,480

that we're working with after the after

2861

01:50:55,589 --> 01:50:52,560

the show but uh one of the people that

2862

01:50:57,990 --> 01:50:55,599

we've talked to has actually said

2863

01:51:00,550 --> 01:50:58,000

you know you've heard stories of ufos

2864

01:51:03,430 --> 01:51:00,560

and they have like this weird blue light

2865

01:51:06,070 --> 01:51:03,440

that you know that you know kind of

2866

01:51:08,229 --> 01:51:06,080

comes out of the ship or interacts with

2867

01:51:10,950 --> 01:51:08,239

people somehow and

2868

01:51:13,430 --> 01:51:10,960

for some reason it seems like people

2869

01:51:16,390 --> 01:51:13,440

know that it's there before they see it

2870

01:51:19,030 --> 01:51:16,400

or they hear these communications

2871

01:51:20,950 --> 01:51:19,040

from the craft and they're like it's all

2872

01:51:22,790 --> 01:51:20,960

telepathic you know we're speaking

2873

01:51:26,470 --> 01:51:22,800

telepathic

2874

01:51:28,870 --> 01:51:26,480

there is a scientist out there

2875

01:51:31,189 --> 01:51:28,880

so what you're saying is many times they

2876

01:51:34,310 --> 01:51:31,199

know things out of order

2877

01:51:36,310 --> 01:51:34,320

exactly exactly before the thing even

2878

01:51:37,109 --> 01:51:36,320

shows up they know it's there right

2879

01:51:40,070 --> 01:51:37,119

right

2880

01:51:43,189 --> 01:51:40,080

and that's from the abductee themselves

2881

01:51:46,870 --> 01:51:43,199

right there is a scientist who has done

2882

01:51:50,149 --> 01:51:46,880

an experiment and it did involve magnets

2883

01:51:52,070 --> 01:51:50,159

magnets and rotation

2884

01:51:54,790 --> 01:51:52,080

one of the the fellas that we've talked

2885

01:51:57,669 --> 01:51:54,800

to has has spoken about this and how the

2886

01:52:00,390 --> 01:51:57,679

magnet rotated

2887

01:52:03,189 --> 01:52:00,400

and the scientist was was just you know

2888

01:52:06,229 --> 01:52:03,199

letting him observe and the magnet

2889

01:52:08,629 --> 01:52:06,239

eventually like it it fell apart like it

2890

01:52:12,149 --> 01:52:08,639

exploded but there was a blue light

2891

01:52:17,189 --> 01:52:12,159

that happened right before that happened

2892

01:52:20,310 --> 01:52:17,199

and turns out that that light

2893

01:52:22,550 --> 01:52:20,320

are are ever the synopsis in your brain

2894

01:52:25,109 --> 01:52:22,560

every time you formulate a thought every

2895

01:52:27,350 --> 01:52:25,119

time that you think something

2896

01:52:29,990 --> 01:52:27,360

that electrical impulse that happens in

2897

01:52:31,270 --> 01:52:30,000

your brain operates on the blue light

2898

01:52:33,910 --> 01:52:31,280

spectrum

2899

01:52:37,669 --> 01:52:33,920

and so whatever this was

2900

01:52:39,990 --> 01:52:37,679

we may have created a thought form or a

2901

01:52:43,430 --> 01:52:40,000

form of consciousness with these magnets

2902

01:52:44,629 --> 01:52:43,440

in the rotations so that blue light also

2903

01:52:46,870 --> 01:52:44,639

connects to

2904

01:52:50,390 --> 01:52:46,880

the frequency of your brain which is the

2905

01:52:53,350 --> 01:52:50,400

blue light so maybe is it possible that

2906

01:52:55,189 --> 01:52:53,360

these craft are using this blue light

2907

01:52:58,149 --> 01:52:55,199

it's not so much

2908

01:53:00,790 --> 01:52:58,159

telepathic communication but maybe it's

2909

01:53:01,669 --> 01:53:00,800

like an extremely highly high-powered

2910

01:53:03,910 --> 01:53:01,679

like

2911

01:53:07,270 --> 01:53:03,920

wi-fi that's connecting with

2912

01:53:09,830 --> 01:53:07,280

consciousness and the idea lately for me

2913

01:53:12,229 --> 01:53:09,840

that has been mind-blowing is the fact

2914

01:53:14,149 --> 01:53:12,239

that consciousness is not just this

2915

01:53:16,790 --> 01:53:14,159

thing that exists everywhere

2916

01:53:19,510 --> 01:53:16,800

consciousness is a possible form of

2917

01:53:22,310 --> 01:53:19,520

technology that we just don't understand

2918

01:53:24,790 --> 01:53:22,320

yet and if these craft are operating in

2919

01:53:26,950 --> 01:53:24,800

that same light frequency

2920

01:53:28,870 --> 01:53:26,960

off of this consciousness and using it

2921

01:53:31,430 --> 01:53:28,880

as a technology

2922

01:53:34,390 --> 01:53:31,440

i think maybe we're getting

2923

01:53:36,629 --> 01:53:34,400

we're taking another step up in the

2924

01:53:40,470 --> 01:53:36,639

right direction online or

2925

01:53:43,189 --> 01:53:40,480

or maybe it uses consciousness to travel

2926
01:53:45,669 --> 01:53:43,199
very yes it travels with consciousness

2927
01:53:47,830 --> 01:53:45,679
because right the transit conscious

2928
01:53:50,070 --> 01:53:47,840
conscious consciousness

2929
01:53:51,510 --> 01:53:50,080
is the ultimate truth that everything's

2930
01:53:53,669 --> 01:53:51,520
built on

2931
01:53:55,750 --> 01:53:53,679
right right so they're using it to

2932
01:53:58,390 --> 01:53:55,760
travel

2933
01:54:00,870 --> 01:53:58,400
using it to convey ideas

2934
01:54:04,070 --> 01:54:00,880
between each other what was it

2935
01:54:06,070 --> 01:54:04,080
it's all an idea the the montauk project

2936
01:54:07,430 --> 01:54:06,080
i believe maybe the montauk project

2937
01:54:09,189 --> 01:54:07,440
where they had said that they had

2938
01:54:11,589 --> 01:54:09,199

actually recovered

2939

01:54:14,390 --> 01:54:11,599

uh the seat of a craft

2940

01:54:17,669 --> 01:54:14,400

and they found out that the craft

2941

01:54:19,270 --> 01:54:17,679

is biological in a sense to where it

2942

01:54:22,229 --> 01:54:19,280

interfaces

2943

01:54:24,470 --> 01:54:22,239

with the being in the craft and all they

2944

01:54:27,189 --> 01:54:24,480

have to do is think of a time and a

2945

01:54:30,070 --> 01:54:27,199

place and a point in space and the craft

2946

01:54:32,709 --> 01:54:30,080

will take them to that exact place

2947

01:54:33,589 --> 01:54:32,719

instantly well yeah is interfacing with

2948

01:54:35,270 --> 01:54:33,599

you

2949

01:54:36,629 --> 01:54:35,280

yeah i've heard of uh

2950

01:54:38,470 --> 01:54:36,639

abductees

2951

01:54:40,149 --> 01:54:38,480

some claim that they can

2952

01:54:41,589 --> 01:54:40,159

summon

2953

01:54:44,390 --> 01:54:41,599

e.t

2954

01:54:46,070 --> 01:54:44,400

right with their minds for example i

2955

01:54:47,430 --> 01:54:46,080

think that's true ben and i have

2956

01:54:52,310 --> 01:54:47,440

witnessed

2957

01:54:57,270 --> 01:54:54,470

they're called antennas

2958

01:54:59,669 --> 01:54:57,280

the abductees for some reason

2959

01:55:01,750 --> 01:54:59,679

there's a area in the brain

2960

01:55:04,709 --> 01:55:01,760

the basal ganglia and the

2961

01:55:07,350 --> 01:55:04,719

taemin that light up like when you put

2962

01:55:09,910 --> 01:55:07,360

them in an mri the white brain matter

2963

01:55:13,109 --> 01:55:09,920

usually means dead dead brain matter but

2964

01:55:16,070 --> 01:55:13,119

in this case it's so active it lights up

2965

01:55:18,550 --> 01:55:16,080

white and for some reason abductees are

2966

01:55:20,790 --> 01:55:18,560

running on a higher frequency

2967

01:55:22,390 --> 01:55:20,800

than regular

2968

01:55:24,390 --> 01:55:22,400

and they

2969

01:55:26,550 --> 01:55:24,400

the the intelligence agency actually

2970

01:55:27,990 --> 01:55:26,560

calls them antennas they've done

2971

01:55:30,229 --> 01:55:28,000

research on this

2972

01:55:33,109 --> 01:55:30,239

and they classify them as robert

2973

01:55:40,149 --> 01:55:36,790

go ahead uh robert davis is a a former

2974

01:55:42,390 --> 01:55:40,159

uh harvard uh

2975

01:55:44,550 --> 01:55:42,400

uh professor just was on our podcast

2976

01:55:48,070 --> 01:55:44,560

last week talking about this exact thing

2977

01:55:50,229 --> 01:55:48,080

i heard him mitchell he's one smart dude

2978

01:55:51,750 --> 01:55:50,239

he has a smart dude eric mitchell's been

2979

01:55:53,910 --> 01:55:51,760

saying this stuff to us for two years

2980

01:55:55,109 --> 01:55:53,920

straight and we were like i don't get it

2981

01:55:56,470 --> 01:55:55,119

and then like

2982

01:55:58,229 --> 01:55:56,480

it was

2983

01:56:00,229 --> 01:55:58,239

mine last week dude

2984

01:56:02,790 --> 01:56:00,239

yeah that guy was pretty articulate he

2985

01:56:04,470 --> 01:56:02,800

seemed to be able to explain things

2986

01:56:06,870 --> 01:56:04,480

it's crazy so that you could understand

2987

01:56:08,149 --> 01:56:06,880

it he said you know einstein said if you

2988

01:56:09,750 --> 01:56:08,159

if you can't explain it to a

2989

01:56:10,950 --> 01:56:09,760

five-year-old then you don't understand

2990

01:56:15,270 --> 01:56:10,960

it yourself

2991

01:56:19,350 --> 01:56:17,270

yeah he's been saying it this like the

2992

01:56:21,270 --> 01:56:19,360

most simple way to us for for two years

2993

01:56:22,790 --> 01:56:21,280

now and and

2994

01:56:24,310 --> 01:56:22,800

i don't know why it's he's saying the

2995

01:56:27,430 --> 01:56:24,320

same thing that

2996

01:56:30,070 --> 01:56:27,440

robert davis like it was pretty wild how

2997

01:56:32,790 --> 01:56:30,080

it's almost like well we we know now

2998

01:56:34,629 --> 01:56:32,800

that all living things are biolumin

2999

01:56:36,550 --> 01:56:34,639

luminescent

3000

01:56:39,030 --> 01:56:36,560

now you used to i mean have you ever

3001

01:56:40,830 --> 01:56:39,040

been to like you were in the ocean or

3002

01:56:43,109 --> 01:56:40,840

places where they had the

3003

01:56:44,550 --> 01:56:43,119

bioluminescent excuse me organisms in

3004

01:56:45,750 --> 01:56:44,560

the water

3005

01:56:48,070 --> 01:56:45,760

you can run your hand through it at

3006

01:56:48,870 --> 01:56:48,080

night you can see the water glow

3007

01:56:51,030 --> 01:56:48,880

right

3008

01:56:55,030 --> 01:56:51,040

well it turns out that

3009

01:56:57,589 --> 01:56:55,040

that all living things we know now are

3010

01:56:59,430 --> 01:56:57,599

exhibit bioluminescence

3011

01:57:01,589 --> 01:56:59,440

and so

3012

01:57:04,629 --> 01:57:01,599

then maybe that's another clue you know

3013

01:57:05,669 --> 01:57:04,639

that that's the essence of life right

3014

01:57:08,629 --> 01:57:05,679

that's

3015

01:57:11,109 --> 01:57:08,639

it's tied together with

3016

01:57:12,470 --> 01:57:11,119

bile you know bioluminescence is this

3017

01:57:13,510 --> 01:57:12,480

fingerprint

3018

01:57:15,189 --> 01:57:13,520

right

3019

01:57:17,189 --> 01:57:15,199

of something that we don't fully

3020

01:57:20,390 --> 01:57:17,199

understand yet but

3021

01:57:23,030 --> 01:57:20,400

but it's not the truth that

3022

01:57:25,430 --> 01:57:23,040

this gray matter up here

3023

01:57:28,950 --> 01:57:25,440

gives rise to

3024

01:57:29,750 --> 01:57:28,960

uh a personality or to a living thing

3025

01:57:30,709 --> 01:57:29,760

right

3026

01:57:32,070 --> 01:57:30,719

it's

3027

01:57:33,430 --> 01:57:32,080

the other way

3028

01:57:36,870 --> 01:57:33,440

right right that's what right

3029

01:57:39,350 --> 01:57:36,880

biocentrism is it's the other way

3030

01:57:40,790 --> 01:57:39,360

you know that consciousness

3031

01:57:43,270 --> 01:57:40,800

right

3032

01:57:45,669 --> 01:57:43,280

life is one of those things

3033

01:57:48,390 --> 01:57:45,679

that is exhibited in the universe that

3034

01:57:50,310 --> 01:57:48,400

allows consciousness to

3035

01:57:54,550 --> 01:57:50,320

come into the physical universe and

3036

01:57:55,350 --> 01:57:54,560

experience it right that consciousness

3037

01:57:57,270 --> 01:57:55,360

is

3038

01:57:59,589 --> 01:57:57,280

where everything comes from right that

3039

01:58:01,350 --> 01:57:59,599

was the dr that's the driving force if

3040

01:58:03,270 --> 01:58:01,360

you will i don't know

3041

01:58:05,430 --> 01:58:03,280

of the universe

3042

01:58:07,030 --> 01:58:05,440

right yes consciousness not

3043

01:58:10,310 --> 01:58:07,040

it's not

3044

01:58:13,189 --> 01:58:10,320

and we know for example that no one can

3045

01:58:15,430 --> 01:58:13,199

come up with any good theories of how

3046

01:58:16,790 --> 01:58:15,440

the memory works in the human brain

3047

01:58:20,390 --> 01:58:16,800

right

3048

01:58:22,709 --> 01:58:20,400

well maybe like consciousness theory

3049

01:58:25,830 --> 01:58:22,719

would lead us to believe that memories

3050

01:58:28,550 --> 01:58:25,840

and experiences somehow are stored in

3051

01:58:31,270 --> 01:58:28,560

the consciousness realm somehow

3052

01:58:32,310 --> 01:58:31,280

and our brain is just tapping into that

3053

01:58:34,950 --> 01:58:32,320

right

3054

01:58:36,149 --> 01:58:34,960

and one really interesting theory i

3055

01:58:39,430 --> 01:58:36,159

heard was

3056

01:58:42,709 --> 01:58:39,440

um the code in our dna

3057

01:58:45,189 --> 01:58:42,719

is like the it's like that maybe

3058

01:58:47,189 --> 01:58:45,199

and this is not a perfect analogy but

3059

01:58:50,470 --> 01:58:47,199

it's the best i can do

3060

01:58:51,990 --> 01:58:50,480

is that maybe the the dna

3061

01:58:55,109 --> 01:58:52,000

is a code

3062

01:58:56,550 --> 01:58:55,119

right for how you find your particular

3063

01:58:59,270 --> 01:58:56,560

memories

3064

01:59:02,390 --> 01:58:59,280

in the web of consciousness

3065

01:59:06,149 --> 01:59:02,400

right it's it's how you connect to the

3066

01:59:08,310 --> 01:59:06,159

consciousness realm for you for yourself

3067

01:59:11,189 --> 01:59:08,320

right that that's encoded in our

3068

01:59:12,750 --> 01:59:11,199

physical dna right it's it's involved

3069

01:59:14,629 --> 01:59:12,760

somewhere and then you get to the

3070

01:59:17,030 --> 01:59:14,639

bioluminescence and all that you know

3071

01:59:18,870 --> 01:59:17,040

and it's like whoa you know like maybe

3072

01:59:21,270 --> 01:59:18,880

we're on to something

3073

01:59:24,550 --> 01:59:21,280

i you know love that

3074

01:59:28,830 --> 01:59:24,560

that our our yeah that our biology

3075

01:59:32,229 --> 01:59:28,840

is is knows how to tap into

3076

01:59:35,430 --> 01:59:32,239

consciousness yes dude yes

3077

01:59:37,830 --> 01:59:35,440

uh gary voorhees says that uh uh i think

3078

01:59:39,589 --> 01:59:37,840

once we actually understand uh there

3079

01:59:42,070 --> 01:59:39,599

will be no difference between

3080

01:59:43,910 --> 01:59:42,080

consciousness and tech which is very

3081

01:59:45,830 --> 01:59:43,920

interesting and gary's the guy we were

3082

01:59:47,510 --> 01:59:45,840

talking about that was the uh fire

3083

01:59:50,149 --> 01:59:47,520

control man on the princeton whenever

3084

01:59:52,229 --> 01:59:50,159

the the tic tac incident happened and

3085

01:59:54,709 --> 01:59:52,239

he's actually i i

3086

01:59:59,669 --> 01:59:54,719

believe he's the the president of uh

3087

02:00:02,470 --> 01:59:59,679

uapx which is uh the uap expedition and

3088

02:00:03,350 --> 02:00:02,480

they are a team that is setting up

3089

02:00:05,669 --> 02:00:03,360

uh

3090

02:00:08,790 --> 02:00:05,679

all this they're trying to get a bunch

3091

02:00:10,709 --> 02:00:08,800

of high-tech equipment together and

3092

02:00:13,109 --> 02:00:10,719

basically go out and see if they can

3093

02:00:15,750 --> 02:00:13,119

track and find these things right

3094

02:00:18,709 --> 02:00:15,760

and this like you know kevin day and and

3095

02:00:20,550 --> 02:00:18,719

and uh pj hughes and and gary and all

3096

02:00:23,109 --> 02:00:20,560

these guys you know all these guys were

3097

02:00:25,990 --> 02:00:23,119

on this this this either the the

3098

02:00:27,750 --> 02:00:26,000

princeton you know at the time or or you

3099

02:00:28,470 --> 02:00:27,760

know they were on the aircraft carrier

3100

02:00:32,390 --> 02:00:28,480

and

3101

02:00:35,589 --> 02:00:32,400

that

3102

02:00:38,470 --> 02:00:35,599

they were compelled to start a company

3103

02:00:41,109 --> 02:00:38,480

and and and try and find these things

3104

02:00:42,550 --> 02:00:41,119

man you know the way that it's blown up

3105

02:00:44,229 --> 02:00:42,560

i like

3106

02:00:46,070 --> 02:00:44,239

one of your listeners just popped up we

3107

02:00:48,149 --> 02:00:46,080

are all one consciousness yeah that's

3108

02:00:49,990 --> 02:00:48,159

one way to look at it right but yeah

3109

02:00:51,270 --> 02:00:50,000

that we're all you know you know that

3110

02:00:53,430 --> 02:00:51,280

for example

3111

02:00:57,270 --> 02:00:53,440

all of the

3112

02:01:00,070 --> 02:00:57,280

um i don't know all but i've heard it

3113

02:01:02,950 --> 02:01:00,080

said that way all of the aspen trees in

3114

02:01:05,589 --> 02:01:02,960

colorado are all connected

3115

02:01:09,750 --> 02:01:05,599

they are there's really just one great

3116

02:01:12,470 --> 02:01:09,760

big aspen organism that's a big ass

3117

02:01:14,310 --> 02:01:12,480

that's a big ass organism right yeah but

3118

02:01:16,870 --> 02:01:14,320

yeah in that same way that's that and

3119

02:01:19,109 --> 02:01:16,880

that's just an analogy for i think she's

3120

02:01:20,709 --> 02:01:19,119

saying here is it's like yeah we're all

3121

02:01:24,149 --> 02:01:20,719

part of that

3122

02:01:26,149 --> 02:01:24,159

that consciousness web or whatever it is

3123

02:01:28,149 --> 02:01:26,159

you know speaking to us we're all little

3124

02:01:30,870 --> 02:01:28,159

we're all little pieces in there you

3125

02:01:33,350 --> 02:01:30,880

know yes dude dude speaking like when we

3126

02:01:35,430 --> 02:01:33,360

die you know we have ndes

3127

02:01:37,669 --> 02:01:35,440

that's what we're doing right we're

3128

02:01:38,550 --> 02:01:37,679

we're like floyd and that's what god is

3129

02:01:40,310 --> 02:01:38,560

i mean

3130

02:01:43,030 --> 02:01:40,320

i think god is real i don't know what

3131

02:01:44,070 --> 02:01:43,040

that means i don't understand god right

3132

02:01:46,070 --> 02:01:44,080

i mean

3133

02:01:47,750 --> 02:01:46,080

it's too way over my head to really

3134

02:01:49,830 --> 02:01:47,760

understand god

3135

02:01:52,149 --> 02:01:49,840

but but like i can believe that's how we

3136

02:01:54,629 --> 02:01:52,159

experience it right you know as we die

3137

02:01:56,550 --> 02:01:54,639

and like we're going down the tunnel man

3138

02:01:58,550 --> 02:01:56,560

and we're joining in our little

3139

02:01:59,270 --> 02:01:58,560

consciousness brothers and sisters you

3140

02:02:00,790 --> 02:01:59,280

know

3141

02:02:03,350 --> 02:02:00,800

that we're all connected right and

3142

02:02:05,350 --> 02:02:03,360

that's one big glowing ball of light at

3143

02:02:06,870 --> 02:02:05,360

the end of it right we're all yes and

3144

02:02:09,350 --> 02:02:06,880

that's where we want to go back to

3145

02:02:11,109 --> 02:02:09,360

that's where we came from

3146

02:02:13,510 --> 02:02:11,119

balls of gas

3147

02:02:14,709 --> 02:02:13,520

i love billions and billions

3148

02:02:19,430 --> 02:02:14,719

billions

3149

02:02:21,510 --> 02:02:19,440

speaking of speaking of kira we she sent

3150

02:02:24,070 --> 02:02:21,520

us a photo i think you guys i want to

3151

02:02:26,310 --> 02:02:24,080

get all's take on this uh the the email

3152

02:02:28,229 --> 02:02:26,320

said it it reminds her of a van uh

3153

02:02:29,669 --> 02:02:28,239

speaking of big willy big willy's in the

3154

02:02:33,109 --> 02:02:29,679

house by the way

3155

02:02:35,750 --> 02:02:33,119

yeah we're talking to vw band

3156

02:02:37,270 --> 02:02:35,760

he's our weekend host here on the garage

3157

02:02:38,310 --> 02:02:37,280

he's got that

3158

02:02:40,550 --> 02:02:38,320

voice

3159

02:02:42,470 --> 02:02:40,560

and uh yeah i think he spoke to a big

3160

02:02:44,629 --> 02:02:42,480

willie the first

3161

02:02:49,030 --> 02:02:44,639

he was my first contact into this

3162

02:02:51,510 --> 02:02:49,040

universe we're in right yes dude yes

3163

02:02:53,589 --> 02:02:51,520

yeah curious sent us these photos man

3164

02:02:55,910 --> 02:02:53,599

and uh

3165

02:02:58,629 --> 02:02:55,920

in his van that is big dude that's

3166

02:03:00,629 --> 02:02:58,639

awesome really it is bad dude

3167

02:03:02,470 --> 02:03:00,639

i just got a big green force field

3168

02:03:04,709 --> 02:03:02,480

around him

3169

02:03:08,790 --> 02:03:04,719

no i'm sorry

3170

02:03:12,790 --> 02:03:11,270

she said i mean she got these photos and

3171

02:03:14,470 --> 02:03:12,800

it said it was just unlike anything

3172

02:03:16,550 --> 02:03:14,480

she's ever seen and what makes a little

3173

02:03:18,310 --> 02:03:16,560

square little little boop

3174

02:03:20,390 --> 02:03:18,320

looks like a little star trek shuttle

3175

02:03:23,510 --> 02:03:20,400

craft look at that it does right like

3176

02:03:26,470 --> 02:03:23,520

the transport craft yes yeah

3177

02:03:28,470 --> 02:03:26,480

dude um i just i just think that's so

3178

02:03:30,070 --> 02:03:28,480

this is one of the reasons why i think

3179

02:03:32,310 --> 02:03:30,080

it's important that we're talking about

3180

02:03:35,510 --> 02:03:32,320

i mean uh with what gary voorhees is

3181

02:03:37,830 --> 02:03:35,520

doing with uh uh uapx and what the

3182

02:03:40,070 --> 02:03:37,840

galileo projects is doing like everybody

3183

02:03:41,270 --> 02:03:40,080

complains about every ufo photo and

3184

02:03:43,270 --> 02:03:41,280

video being

3185

02:03:45,350 --> 02:03:43,280

you know shot on a potato not not

3186

02:03:46,790 --> 02:03:45,360

knocking your photo kira but like it

3187

02:03:48,950 --> 02:03:46,800

wouldn't be awesome if we had like a

3188

02:03:50,950 --> 02:03:48,960

high definition like we're not expecting

3189

02:03:52,790 --> 02:03:50,960

you to have a 30 000 camera in your

3190

02:03:55,270 --> 02:03:52,800

pocket right and that's what you need

3191

02:03:56,709 --> 02:03:55,280

for these objects they move so fast you

3192

02:03:58,390 --> 02:03:56,719

know they're there for a blink of an eye

3193

02:04:00,310 --> 02:03:58,400

and then they're gone like even if you

3194

02:04:04,149 --> 02:04:00,320

have them and see that that would make

3195

02:04:06,709 --> 02:04:04,159

sense right that their their thoughts

3196

02:04:07,830 --> 02:04:06,719

dude yes they're hearing ufo is just a

3197

02:04:10,950 --> 02:04:07,840

thought

3198

02:04:12,310 --> 02:04:10,960

that

3199

02:04:13,990 --> 02:04:12,320

yeah you know

3200

02:04:15,830 --> 02:04:14,000

i'm sorry ben i didn't mean to bend in

3201

02:04:17,270 --> 02:04:15,840

but i just i felt the need to

3202

02:04:19,109 --> 02:04:17,280

communicate that

3203

02:04:21,430 --> 02:04:19,119

yeah exactly

3204

02:04:23,430 --> 02:04:21,440

and and we had said that before because

3205

02:04:25,669 --> 02:04:23,440

the boys in elgin told me to tell you

3206

02:04:28,069 --> 02:04:25,679

that

3207

02:04:29,669 --> 02:04:28,079

at the end of the universe man yeah

3208

02:04:31,510 --> 02:04:29,679

that's right man

3209

02:04:33,430 --> 02:04:31,520

and we had talked about that before ben

3210

02:04:35,589 --> 02:04:33,440

like right like if

3211

02:04:37,030 --> 02:04:35,599

if i threw a baseball at you right now

3212

02:04:38,550 --> 02:04:37,040

would you have enough time to take your

3213

02:04:41,030 --> 02:04:38,560

phone out and take a picture of it

3214

02:04:43,270 --> 02:04:41,040

exactly yeah and if no one had ever seen

3215

02:04:45,350 --> 02:04:43,280

a baseball before and i would be and i

3216

02:04:47,669 --> 02:04:45,360

were to tell somebody else yeah dude

3217

02:04:50,870 --> 02:04:47,679

this baseball this this white

3218

02:04:53,109 --> 02:04:50,880

round object with red stitches flew past

3219

02:04:55,990 --> 02:04:53,119

me faster i swear i knew what it looked

3220

02:04:57,510 --> 02:04:56,000

like i saw it but i you know and you try

3221

02:04:59,109 --> 02:04:57,520

to take a photo of a freaking baseball

3222

02:05:02,310 --> 02:04:59,119

with a with a cell phone good luck it's

3223

02:05:04,550 --> 02:05:02,320

gonna be blurry it's gonna be blurry

3224

02:05:07,669 --> 02:05:04,560

the boys in elgin told me the one you

3225

02:05:09,030 --> 02:05:07,679

call ben is close

3226

02:05:10,870 --> 02:05:09,040

it's very close

3227

02:05:12,870 --> 02:05:10,880

i said close to what

3228

02:05:15,830 --> 02:05:12,880

and then they just repeated it

3229

02:05:17,589 --> 02:05:15,840

very close i'm very close whoa

3230

02:05:21,189 --> 02:05:17,599

i'm always close dude

3231

02:05:24,550 --> 02:05:21,199

very good oh my gosh but uh yeah gary

3232

02:05:26,229 --> 02:05:24,560

said uh yeah you'll not get a good photo

3233

02:05:29,109 --> 02:05:26,239

right uh

3234

02:05:31,510 --> 02:05:29,119

his exact message was probably will not

3235

02:05:34,550 --> 02:05:31,520

get one if they use power sources that

3236

02:05:37,030 --> 02:05:34,560

can bend space time then it would bend

3237

02:05:38,870 --> 02:05:37,040

everything around it including light

3238

02:05:41,830 --> 02:05:38,880

which makes a lot of sense on why it's

3239

02:05:43,030 --> 02:05:41,840

hard to get a photo of these things

3240

02:05:44,870 --> 02:05:43,040

right

3241

02:05:46,390 --> 02:05:44,880

and uh gary's done some cool stuff

3242

02:05:48,229 --> 02:05:46,400

lately

3243

02:05:49,750 --> 02:05:48,239

okay i have to get some water you guys

3244

02:05:50,550 --> 02:05:49,760

keep it going i'm gonna get some go for

3245

02:05:52,310 --> 02:05:50,560

it

3246

02:05:53,430 --> 02:05:52,320

bro yes sir

3247

02:05:55,990 --> 02:05:53,440

yeah so

3248

02:05:56,790 --> 02:05:56,000

that's another factor in it and as well

3249

02:05:59,910 --> 02:05:56,800

like

3250

02:06:02,870 --> 02:05:59,920

if you're if a photo if a camera uses

3251

02:06:04,470 --> 02:06:02,880

light on a sensor yeah

3252

02:06:07,510 --> 02:06:04,480

and you're trying to take a photo of

3253

02:06:09,350 --> 02:06:07,520

something that's bending light around it

3254

02:06:12,229 --> 02:06:09,360

yeah it goes back to that mitch hedberg

3255

02:06:16,069 --> 02:06:12,239

bit like big what's blurry dude bigfoot

3256

02:06:21,109 --> 02:06:19,189

it's very true yeah it's very true [h__h]

3257

02:06:23,830 --> 02:06:21,119

also man i'm having such a great time

3258

02:06:26,229 --> 02:06:23,840

with jojo do me too i'm so glad he got

3259

02:06:27,669 --> 02:06:26,239

his internet fixed me too

3260

02:06:31,589 --> 02:06:27,679

dude he he's

3261

02:06:34,229 --> 02:06:31,599

he's hoot i love this guy yeah he's fun

3262

02:06:35,910 --> 02:06:34,239

yeah dude we've got some more photos too

3263

02:06:37,589 --> 02:06:35,920

man um

3264

02:06:40,390 --> 02:06:37,599

i uh let's see

3265

02:06:42,550 --> 02:06:40,400

um just make sure i get the name right

3266

02:06:45,109 --> 02:06:42,560

gary says there would be a time dilation

3267

02:06:47,750 --> 02:06:45,119

effect around the craft due to the bend

3268

02:06:50,310 --> 02:06:47,760

in space and time so you're not in the

3269

02:06:51,350 --> 02:06:50,320

same time they're not in the same time

3270

02:06:53,030 --> 02:06:51,360

as you

3271

02:06:54,069 --> 02:06:53,040

oh dude

3272

02:06:56,310 --> 02:06:54,079

yeah

3273

02:06:57,990 --> 02:06:56,320

what which also makes sense on like why

3274

02:07:00,709 --> 02:06:58,000

you would see it and it would kind of

3275

02:07:02,069 --> 02:07:00,719

phase in and out right because it's not

3276

02:07:04,709 --> 02:07:02,079

in the same

3277

02:07:07,109 --> 02:07:04,719

linear time that you're observing this

3278

02:07:10,149 --> 02:07:07,119

object right so that's why it shows up

3279

02:07:12,470 --> 02:07:10,159

here and then it's over here because it

3280

02:07:16,470 --> 02:07:12,480

did it in a completely different time

3281

02:07:17,990 --> 02:07:16,480

then you were observing it right right i

3282

02:07:19,750 --> 02:07:18,000

real quick before because i know kara's

3283

02:07:21,830 --> 02:07:19,760

got a uh keira's got to go thank you for

3284

02:07:23,589 --> 02:07:21,840

sending me sending us that photo that is

3285

02:07:25,669 --> 02:07:23,599

awesome thank you so much you're awesome

3286

02:07:27,910 --> 02:07:25,679

thank you for your support of the show

3287

02:07:31,430 --> 02:07:27,920

um yeah i just want to say thank you i

3288

02:07:34,950 --> 02:07:31,440

love it i love it man but yeah so uh if

3289

02:07:36,390 --> 02:07:34,960

you're taking a photo right like you're

3290

02:07:39,510 --> 02:07:36,400

okay this is like breaking down like

3291

02:07:41,910 --> 02:07:39,520

light and and like time right like right

3292

02:07:44,149 --> 02:07:41,920

everything's got an increment even light

3293

02:07:46,790 --> 02:07:44,159

it has a speed

3294

02:07:49,030 --> 02:07:46,800

uh if you're taking a photo

3295

02:07:50,790 --> 02:07:49,040

or a video that's at

3296

02:07:53,510 --> 02:07:50,800

the highest resolution that we got i

3297

02:07:56,229 --> 02:07:53,520

mean what was it like 4 000 like these

3298

02:07:57,189 --> 02:07:56,239

slo-mo cameras like 4 000 frames per

3299

02:07:59,589 --> 02:07:57,199

second

3300

02:08:02,950 --> 02:07:59,599

yeah it's probably something way better

3301
02:08:09,030 --> 02:08:05,910
with the increase of frames per second

3302
02:08:12,229 --> 02:08:09,040
you dilute the resolution

3303
02:08:14,470 --> 02:08:12,239
so the the slower you can so the faster

3304
02:08:16,470 --> 02:08:14,480
the object right the blurry the blurrier

3305
02:08:18,310 --> 02:08:16,480
the object

3306
02:08:20,470 --> 02:08:18,320
if you're if you're talking like sub

3307
02:08:24,149 --> 02:08:20,480
sonic sub uh

3308
02:08:26,229 --> 02:08:24,159
sonic uh sound uh objects like it's okay

3309
02:08:28,229 --> 02:08:26,239
but when you're getting like

3310
02:08:30,069 --> 02:08:28,239
past that dude

3311
02:08:31,030 --> 02:08:30,079
good luck if you're right if you're at 4

3312
02:08:33,430 --> 02:08:31,040
000.

3313
02:08:35,430 --> 02:08:33,440

yeah if you're at 4 000 frames a second

3314

02:08:39,430 --> 02:08:35,440

and you're catching an object moving at

3315

02:08:41,030 --> 02:08:39,440

9 000 miles an hour yeah don't matter

3316

02:08:43,669 --> 02:08:41,040

it's still going to be blurry might as

3317

02:08:45,669 --> 02:08:43,679

well take it to get it on on a [h__\h]

3318

02:08:48,550 --> 02:08:45,679

cell phone side note i've always said

3319

02:08:52,069 --> 02:08:48,560

that uh gary voorhees looks like uh an

3320

02:08:54,709 --> 02:08:52,079

adult fred savage or gary's what an

3321

02:08:55,510 --> 02:08:54,719

adult fred savage should look like

3322

02:08:56,870 --> 02:08:55,520

yeah

3323

02:09:01,270 --> 02:08:56,880

dude

3324

02:09:02,830 --> 02:09:01,280

handsome

3325

02:09:05,189 --> 02:09:02,840

oh jojo very

3326

02:09:06,629 --> 02:09:05,199

handsome barry

3327

02:09:08,870 --> 02:09:06,639

oh you're muted

3328

02:09:10,629 --> 02:09:08,880

oh he's he's mutad

3329

02:09:12,550 --> 02:09:10,639

you're muted we've got some more photos

3330

02:09:13,830 --> 02:09:12,560

too some listener photos that were were

3331

02:09:14,950 --> 02:09:13,840

submitted to you i kind of want to get

3332

02:09:17,229 --> 02:09:14,960

you on

3333

02:09:19,109 --> 02:09:17,239

we saw there was a meteor

3334

02:09:21,189 --> 02:09:19,119

meteorite

3335

02:09:22,790 --> 02:09:21,199

uh spotted like

3336

02:09:23,750 --> 02:09:22,800

a day ago or something you hear about

3337

02:09:27,350 --> 02:09:23,760

that

3338

02:09:30,830 --> 02:09:27,360

so it was going 33 000 miles per hour

3339

02:09:32,069 --> 02:09:30,840

that's pretty dang fast damn that is

3340

02:09:34,390 --> 02:09:32,079

yeah that's fine

3341

02:09:35,750 --> 02:09:34,400

it was like it was like 10 kilograms or

3342

02:09:38,709 --> 02:09:35,760

something

3343

02:09:40,950 --> 02:09:38,719

and uh or whatever they estimate you

3344

02:09:42,950 --> 02:09:40,960

know from the brightness and blah blah

3345

02:09:45,350 --> 02:09:42,960

blah yeah you know

3346

02:09:47,270 --> 02:09:45,360

so they analyze it but dude imagine if

3347

02:09:48,390 --> 02:09:47,280

you're like if you're just camping and

3348

02:09:51,109 --> 02:09:48,400

um

3349

02:09:53,270 --> 02:09:51,119

and and a meteorite comes

3350

02:09:55,830 --> 02:09:53,280

with 10 kilograms i mean i don't know

3351

02:09:57,189 --> 02:09:55,840

the metric system but what is that like

3352

02:10:00,229 --> 02:09:57,199

it's like this

3353

02:10:01,910 --> 02:10:00,239

like this big yeah

3354

02:10:03,430 --> 02:10:01,920

it was about the size of a bowling ball

3355

02:10:04,550 --> 02:10:03,440

that weighed like 10 kilograms or

3356

02:10:06,069 --> 02:10:04,560

something like that

3357

02:10:08,069 --> 02:10:06,079

well like just imagine you're you're out

3358

02:10:10,470 --> 02:10:08,079

there you've been lost for days and

3359

02:10:12,229 --> 02:10:10,480

you're starving and you're like

3360

02:10:14,709 --> 02:10:12,239

i don't think i'm gonna make it man and

3361

02:10:16,790 --> 02:10:14,719

you finally catch he finally catches a

3362

02:10:18,790 --> 02:10:16,800

salmon he's a sick salmon and he's been

3363

02:10:21,270 --> 02:10:18,800

wandering around in circles in this

3364

02:10:23,270 --> 02:10:21,280

small pond and you're like i don't give

3365

02:10:25,350 --> 02:10:23,280

a i'm gonna get sick but i gotta eat and

3366

02:10:27,350 --> 02:10:25,360

you finally catch the salmon and you and

3367

02:10:29,589 --> 02:10:27,360

you cook it and you get it on fire about

3368

02:10:31,430 --> 02:10:29,599

to take a bite in a and this [h__h]

3369

02:10:33,270 --> 02:10:31,440

meteorite comes down and splats that

3370

02:10:35,990 --> 02:10:33,280

fish

3371

02:10:37,350 --> 02:10:36,000

it's so disappointing

3372

02:10:38,629 --> 02:10:37,360

it would be you even know where that was

3373

02:10:41,589 --> 02:10:38,639

going

3374

02:10:45,109 --> 02:10:43,350

i'm gonna have to watch the re-run of

3375

02:10:47,189 --> 02:10:45,119

the show and think about that there's no

3376

02:10:50,470 --> 02:10:47,199

re there's no recovering the meat of

3377

02:10:52,870 --> 02:10:50,480

that fish man that's it yeah that's like

3378

02:10:54,709 --> 02:10:52,880

i can't eat now

3379

02:10:56,470 --> 02:10:54,719

it's like los alamos mike bro when you

3380

02:11:02,390 --> 02:10:56,480

found

3381

02:11:05,270 --> 02:11:02,400

yeah dude that was dope right

3382

02:11:06,790 --> 02:11:05,280

yeah yeah this dude has a has a rock

3383

02:11:09,189 --> 02:11:06,800

that like

3384

02:11:12,629 --> 02:11:09,199

i mean it looks crazy dude it does look

3385

02:11:15,109 --> 02:11:12,639

pretty wild and so uh yeah uh los alamos

3386

02:11:19,030 --> 02:11:15,119

mike we had him on the show uh a couple

3387

02:11:20,550 --> 02:11:19,040

months ago and uh he has this rock

3388

02:11:23,589 --> 02:11:20,560

and

3389

02:11:25,510 --> 02:11:23,599

they believe that it's from mars

3390

02:11:27,270 --> 02:11:25,520

and they found it and his family owns

3391

02:11:29,589 --> 02:11:27,280

this big ranch

3392

02:11:31,350 --> 02:11:29,599

and it's it's a bunch of grass out there

3393

02:11:33,430 --> 02:11:31,360

and they raise cattle and stuff so he

3394

02:11:34,390 --> 02:11:33,440

was like it was it was pretty intrusive

3395

02:11:36,709 --> 02:11:34,400

being

3396

02:11:39,510 --> 02:11:36,719

a rock right because the cattle can't

3397

02:11:40,790 --> 02:11:39,520

eat rocks and so he goes over and he

3398

02:11:42,390 --> 02:11:40,800

picks it up

3399

02:11:43,910 --> 02:11:42,400

and he said it was about the size of a

3400

02:11:46,790 --> 02:11:43,920

basketball

3401

02:11:49,350 --> 02:11:46,800

and he has

3402

02:11:52,709 --> 02:11:49,360

he has sent it to like three different

3403

02:11:54,709 --> 02:11:52,719

universities right and as soon as they

3404

02:11:56,709 --> 02:11:54,719

get the object

3405

02:11:58,870 --> 02:11:56,719

they've been taking samples and then

3406

02:12:00,950 --> 02:11:58,880

telling him that

3407

02:12:01,750 --> 02:12:00,960

they don't have any information that

3408

02:12:03,830 --> 02:12:01,760

they're

3409

02:12:05,990 --> 02:12:03,840

they can no longer work on the project

3410

02:12:08,149 --> 02:12:06,000

and he's even had nasa scientists like

3411

02:12:10,229 --> 02:12:08,159

take a look at it and they've all told

3412

02:12:11,910 --> 02:12:10,239

him nasa told him

3413

02:12:14,229 --> 02:12:11,920

yeah we'll take a look at it and they

3414

02:12:16,390 --> 02:12:14,239

drilled a hole through it and then they

3415

02:12:18,229 --> 02:12:16,400

gave it back to him and they were like

3416

02:12:19,669 --> 02:12:18,239

yeah we're not gonna we're not gonna

3417

02:12:22,709 --> 02:12:19,679

study this but no

3418

02:12:25,030 --> 02:12:22,719

all uh yeah no comment but they kept

3419

02:12:26,709 --> 02:12:25,040

the meteorite so there's a piece of it

3420

02:12:27,589 --> 02:12:26,719

where there's actual

3421

02:12:31,270 --> 02:12:27,599

um

3422

02:12:35,270 --> 02:12:31,280

uh uh what are they called uh uh

3423

02:12:37,990 --> 02:12:35,280

fossils there's a fossil of a spider

3424

02:12:38,870 --> 02:12:38,000

in this thing in the comet

3425

02:12:43,270 --> 02:12:38,880

yeah

3426

02:12:46,149 --> 02:12:43,280

there's a fossil of like a spider and

3427

02:12:48,470 --> 02:12:46,159

there's also like little fossils of

3428

02:12:52,069 --> 02:12:48,480

different types of things in there

3429

02:12:53,990 --> 02:12:52,079

and they will not give him an answer

3430

02:12:56,470 --> 02:12:54,000

nobody will give him an answer he's had

3431

02:12:59,109 --> 02:12:56,480

it studied by four different scientists

3432

02:13:02,069 --> 02:12:59,119

two of them came from nasa and they were

3433

02:13:03,990 --> 02:13:02,079

like yeah no comment sorry they won't

3434

02:13:06,390 --> 02:13:04,000

tell him anything about it and he's like

3435

02:13:09,350 --> 02:13:06,400

yeah but there's like fossilized like in

3436

02:13:11,109 --> 02:13:09,360

this rock and they're like animals

3437

02:13:12,950 --> 02:13:11,119

yeah well i'm sure you guys have talked

3438

02:13:14,229 --> 02:13:12,960

about panspermia

3439

02:13:16,550 --> 02:13:14,239

yeah right

3440

02:13:17,830 --> 02:13:16,560

yeah that's kind of wild isn't it to

3441

02:13:19,910 --> 02:13:17,840

think about

3442

02:13:22,470 --> 02:13:19,920

yes you know these little spores or

3443

02:13:25,030 --> 02:13:22,480

organisms traveling through space

3444

02:13:28,310 --> 02:13:25,040

after you know something hit mars really

3445

02:13:31,189 --> 02:13:28,320

hard and blew up and and it changed the

3446

02:13:32,470 --> 02:13:31,199

atmosphere and then some of that life

3447

02:13:35,510 --> 02:13:32,480

came

3448

02:13:37,350 --> 02:13:35,520

and and got captured by our planet

3449

02:13:39,589 --> 02:13:37,360

yes

3450

02:13:40,870 --> 02:13:39,599

ex-wife a fossil

3451

02:13:43,350 --> 02:13:40,880

why

3452

02:13:44,950 --> 02:13:43,360

loves talking about his ex-wife yeah

3453

02:13:45,110 --> 02:13:44,960

that's one of my favorite parts of the

3454

02:13:47,830 --> 02:13:45,120

show

3455

02:13:51,350 --> 02:13:47,840

[Laughter]

3456

02:13:53,030 --> 02:13:51,360

oh my gosh so so speaking of uh about

3457

02:13:55,669 --> 02:13:53,040

panspermia uh

3458

02:13:57,589 --> 02:13:55,679

if life were to exist i mean we could go

3459

02:13:59,189 --> 02:13:57,599

to the darwinism theory i love thinking

3460

02:14:01,430 --> 02:13:59,199

about this i want to hear you guys

3461

02:14:04,709 --> 02:14:01,440

opinion on this but wouldn't it be the

3462

02:14:06,950 --> 02:14:04,719

most crazy thing to to when we when we

3463

02:14:08,550 --> 02:14:06,960

find other planets with life on them and

3464

02:14:09,750 --> 02:14:08,560

maybe they're at different stages or

3465

02:14:12,310 --> 02:14:09,760

maybe they're more advanced maybe

3466

02:14:14,229 --> 02:14:12,320

they're less advanced we might find more

3467

02:14:16,310 --> 02:14:14,239

crabs than usual right because a lot of

3468

02:14:18,709 --> 02:14:16,320

things end up being crabs if you guys

3469

02:14:21,189 --> 02:14:18,719

know anything about like nature

3470

02:14:23,270 --> 02:14:21,199

everything's everything looks everything

3471

02:14:39,109 --> 02:14:23,280

turns into a crab

3472

02:14:44,629 --> 02:14:42,229

so further further furthermore and also

3473

02:14:46,390 --> 02:14:44,639

also further also

3474

02:14:48,550 --> 02:14:46,400

but like what if we found when what

3475

02:14:50,950 --> 02:14:48,560

happens when we find a planet

3476

02:14:54,629 --> 02:14:50,960

that a [h__h] ton of crabs but also

3477

02:14:56,069 --> 02:14:54,639

people that look just like us man

3478

02:14:58,709 --> 02:14:56,079

that look they're they're humans and

3479

02:15:00,790 --> 02:14:58,719

they're like hey but you hold on

3480

02:15:02,470 --> 02:15:00,800

we're the we're the same

3481

02:15:04,550 --> 02:15:02,480

you have more crabs on your planet than

3482

02:15:06,790 --> 02:15:04,560

i do

3483

02:15:09,109 --> 02:15:06,800

what we're basically the same people

3484

02:15:10,629 --> 02:15:09,119

like that's gonna be pretty [h__h] wild

3485

02:15:12,870 --> 02:15:10,639

dude yeah

3486

02:15:15,030 --> 02:15:12,880

because this panspermia idea if it all

3487

02:15:17,189 --> 02:15:15,040

starts from one thing like even if it

3488

02:15:19,589 --> 02:15:17,199

started as kelp right

3489

02:15:22,069 --> 02:15:19,599

look at what we've been able to prove

3490

02:15:23,589 --> 02:15:22,079

you know if we believe in in in the

3491

02:15:25,510 --> 02:15:23,599

people that have done you know years of

3492

02:15:27,350 --> 02:15:25,520

work and that can prove this stuff right

3493

02:15:28,790 --> 02:15:27,360

yep and evolution

3494

02:15:29,669 --> 02:15:28,800

evolution yes

3495

02:15:31,430 --> 02:15:29,679

uh

3496

02:15:33,270 --> 02:15:31,440

[h__\h] it helps

3497

02:15:35,030 --> 02:15:33,280

not that

3498

02:15:38,069 --> 02:15:35,040

i'm still stuck on

3499

02:15:39,270 --> 02:15:38,079

everything evolved from from crabs

3500

02:15:41,270 --> 02:15:39,280

so

3501
02:15:43,350 --> 02:15:41,280
there's a there's you know what i mean

3502
02:15:45,510 --> 02:15:43,360
there's a thing in that an evolution

3503
02:15:47,750 --> 02:15:45,520
that a lot of uh

3504
02:15:50,629 --> 02:15:47,760
a lot of living organisms

3505
02:15:52,870 --> 02:15:50,639
multicellular organisms

3506
02:15:55,350 --> 02:15:52,880
all become some sort of crap you look at

3507
02:15:57,109 --> 02:15:55,360
spiders you look at uh

3508
02:16:00,470 --> 02:15:57,119
yeah

3509
02:16:02,629 --> 02:16:00,480
scorpions ants i mean everything is like

3510
02:16:06,390 --> 02:16:02,639
kind of it's like nature was like you

3511
02:16:09,750 --> 02:16:06,400
know what let's just like put a suit of

3512
02:16:11,830 --> 02:16:09,760
armor on and and call it good yeah well

3513
02:16:16,069 --> 02:16:11,840

isn't it isn't it

3514

02:16:16,870 --> 02:16:16,079

a debate in uh you know zoology biology

3515

02:16:20,470 --> 02:16:16,880

that

3516

02:16:26,470 --> 02:16:20,480

when we think about how eyes evolved

3517

02:16:30,470 --> 02:16:29,350

because eyes are very complex organisms

3518

02:16:33,509 --> 02:16:30,480

yes

3519

02:16:35,110 --> 02:16:33,519

did we are there many versions i mean

3520

02:16:37,429 --> 02:16:35,120

like a spider's eyes are a lot different

3521

02:16:40,709 --> 02:16:37,439

than ours but we have similarities too i

3522

02:16:43,669 --> 02:16:40,719

mean right did nature

3523

02:16:48,870 --> 02:16:43,679

figure it out more than once

3524

02:16:54,629 --> 02:16:51,190

other than like you know the human eye

3525

02:16:57,030 --> 02:16:54,639

right it works right our environment and

3526

02:16:59,509 --> 02:16:57,040

they just evolved eyes that work for

3527

02:17:00,709 --> 02:16:59,519

what they need and i to do i've got a

3528

02:17:03,030 --> 02:17:00,719

fact for you guys

3529

02:17:05,270 --> 02:17:03,040

the first set of eyes on record is

3530

02:17:07,830 --> 02:17:05,280

actually from a horseshoe crab and it

3531

02:17:09,349 --> 02:17:07,840

evolved they're more rock-like they're

3532

02:17:11,190 --> 02:17:09,359

more sediment

3533

02:17:12,790 --> 02:17:11,200

or they're more like a rock they're the

3534

02:17:14,469 --> 02:17:12,800

first set of eyes and it's called a

3535

02:17:16,950 --> 02:17:14,479

horseshoe crab dude i'm not joking i'm

3536

02:17:19,030 --> 02:17:16,960

not [h__\h] with you all right the first

3537

02:17:21,190 --> 02:17:19,040

known set of eyes is from a horseshoe

3538

02:17:23,429 --> 02:17:21,200

crab is is that the is that the thing

3539

02:17:25,669 --> 02:17:23,439

where the eye is really kind of a

3540

02:17:27,429 --> 02:17:25,679

kind of a round

3541

02:17:29,349 --> 02:17:27,439

thing with a hole in the front you know

3542

02:17:31,669 --> 02:17:29,359

not unlike our eyes but that's it

3543

02:17:33,669 --> 02:17:31,679

there's no there's no corny in front of

3544

02:17:34,950 --> 02:17:33,679

it or anything there's just these cells

3545

02:17:38,070 --> 02:17:34,960

in the back

3546

02:17:40,230 --> 02:17:38,080

right yeah right pick up light yep

3547

02:17:42,950 --> 02:17:40,240

you threw the hole in the front and

3548

02:17:44,309 --> 02:17:42,960

that's like early primitive eyes it's

3549

02:17:45,910 --> 02:17:44,319

well yeah that's like kind of like a

3550

02:17:47,990 --> 02:17:45,920

camera where there's like this really

3551

02:17:50,150 --> 02:17:48,000

sensitive tissue in the back and then

3552

02:17:51,990 --> 02:17:50,160

that little hole lets in light and then

3553

02:17:53,990 --> 02:17:52,000

those little spots on the inside are

3554

02:17:55,509 --> 02:17:54,000

like okay cool

3555

02:17:57,910 --> 02:17:55,519

all right

3556

02:17:59,669 --> 02:17:57,920

i got it all i need to know is

3557

02:18:01,589 --> 02:17:59,679

i see something moving so i'm going to

3558

02:18:03,349 --> 02:18:01,599

move and keep from getting stepped up on

3559

02:18:04,870 --> 02:18:03,359

that's all i got to do yeah they can't

3560

02:18:07,110 --> 02:18:04,880

move they couldn't move their eyes yet

3561

02:18:09,509 --> 02:18:07,120

they moved their whole body yeah

3562

02:18:11,589 --> 02:18:09,519

right and then you look at the women do

3563

02:18:14,230 --> 02:18:11,599

you look at the mantis shrimp who

3564

02:18:17,509 --> 02:18:14,240

that has like the biggest spectrum of of

3565

02:18:19,589 --> 02:18:17,519

of sensory uh light sensory than any

3566

02:18:21,349 --> 02:18:19,599

like any living creature on on the

3567

02:18:24,309 --> 02:18:21,359

planet right like which is strange

3568

02:18:26,230 --> 02:18:24,319

because it lives in the ocean

3569

02:18:28,389 --> 02:18:26,240

right isn't that weird it's got the

3570

02:18:30,709 --> 02:18:28,399

largest spectrum of light

3571

02:18:32,709 --> 02:18:30,719

uh that it can absorb but it lives in

3572

02:18:35,349 --> 02:18:32,719

the ocean can you imagine if it lived on

3573

02:18:37,190 --> 02:18:35,359

land like what it could seem right

3574

02:18:39,110 --> 02:18:37,200

what do you wonder about look looking

3575

02:18:42,309 --> 02:18:39,120

you know the the twists and terms and

3576

02:18:42,950 --> 02:18:42,319

evolution you know that like uh what is

3577

02:18:44,150 --> 02:18:42,960

an

3578

02:18:46,070 --> 02:18:44,160

octopus

3579

02:18:48,309 --> 02:18:46,080

we believe there are people

3580

02:18:50,950 --> 02:18:48,319

scientists who theorize that octopus are

3581

02:18:51,830 --> 02:18:50,960

as intelligent as we are

3582

02:18:53,669 --> 02:18:51,840

right

3583

02:18:55,910 --> 02:18:53,679

they give them puzzles when they they

3584

02:18:57,509 --> 02:18:55,920

saw them like that i mean

3585

02:19:00,070 --> 02:18:57,519

you know like they put food in the jar

3586

02:19:02,870 --> 02:19:00,080

and they reach up and take the cork out

3587

02:19:04,309 --> 02:19:02,880

and re-tried it and get it it's like

3588

02:19:06,309 --> 02:19:04,319

you know they just

3589

02:19:07,030 --> 02:19:06,319

figure things out wrote that it's just

3590

02:19:11,349 --> 02:19:07,040

that

3591

02:19:13,509 --> 02:19:11,359

did on land to be able to you know walk

3592

02:19:15,429 --> 02:19:13,519

upright and you know posable thumbs and

3593

02:19:18,150 --> 02:19:15,439

all that so you know they didn't they're

3594

02:19:20,389 --> 02:19:18,160

not the ones that went to the moon but

3595

02:19:21,830 --> 02:19:20,399

yeah yeah but they're but they are very

3596

02:19:24,870 --> 02:19:21,840

intelligent

3597

02:19:27,349 --> 02:19:24,880

people have also said that a uh that

3598

02:19:29,349 --> 02:19:27,359

octopus and other

3599

02:19:31,990 --> 02:19:29,359

related family members

3600

02:19:35,429 --> 02:19:32,000

are a uh are actually

3601

02:19:37,910 --> 02:19:35,439

thank you evolution

3602

02:19:39,110 --> 02:19:37,920

uh octopus and yeah i can't forget the

3603

02:19:40,790 --> 02:19:39,120

butter too

3604

02:19:42,150 --> 02:19:40,800

right no butter you gotta have the

3605

02:19:44,549 --> 02:19:42,160

butter if you're gonna have cream i have

3606

02:19:47,429 --> 02:19:44,559

the butter too thank god for cows

3607

02:19:48,389 --> 02:19:47,439

and crabs

3608

02:19:55,190 --> 02:19:48,399

uh

3609

02:20:00,710 --> 02:19:58,309

because it it has it the dna of an

3610

02:20:03,830 --> 02:20:00,720

octopus is is completely different than

3611

02:20:05,990 --> 02:20:03,840

any animal that's ever been found on the

3612

02:20:08,710 --> 02:20:06,000

earth oh i didn't know that

3613

02:20:10,070 --> 02:20:08,720

yeah so we we don't really share any dna

3614

02:20:12,070 --> 02:20:10,080

with an octopus

3615

02:20:13,510 --> 02:20:12,080

not really it might be it might be an

3616

02:20:18,150 --> 02:20:13,520

alien

3617

02:20:20,630 --> 02:20:18,160

there

3618

02:20:23,110 --> 02:20:20,640

that's possible too i mean and it's

3619

02:20:24,710 --> 02:20:23,120

there's also been historical records i i

3620

02:20:26,150 --> 02:20:24,720

think we heard this on clyde lewis

3621

02:20:27,910 --> 02:20:26,160

there's been historical records that

3622

02:20:29,750 --> 02:20:27,920

have actually been kept that every time

3623

02:20:33,030 --> 02:20:29,760

that there was a meteor that supposedly

3624

02:20:35,110 --> 02:20:33,040

passed over and exploded that a couple

3625

02:20:39,429 --> 02:20:35,120

weeks later there would be a new

3626
02:20:40,710 --> 02:20:39,439
sickness or or a virus that would appear

3627
02:20:43,349 --> 02:20:40,720
um

3628
02:20:45,190 --> 02:20:43,359
amongst the population which is

3629
02:20:48,070 --> 02:20:45,200
interesting too on how a lot of like

3630
02:20:49,270 --> 02:20:48,080
viruses and illnesses have come to earth

3631
02:20:51,590 --> 02:20:49,280
so

3632
02:20:52,870 --> 02:20:51,600
mother nature played a wild card on us

3633
02:20:55,349 --> 02:20:52,880
every time

3634
02:20:58,870 --> 02:20:55,359
exactly exactly and if we want to get

3635
02:21:01,670 --> 02:20:58,880
into conspiracy stuff right you know

3636
02:21:03,429 --> 02:21:01,680
which we do come on

3637
02:21:05,670 --> 02:21:03,439
before a covid there was actually a

3638
02:21:07,750 --> 02:21:05,680

virus that exploded uh there was

3639

02:21:10,790 --> 02:21:07,760

actually a meteorite that exploded over

3640

02:21:14,389 --> 02:21:10,800

china two weeks before

3641

02:21:16,309 --> 02:21:14,399

the coronavirus epidemic

3642

02:21:18,710 --> 02:21:16,319

supposedly started

3643

02:21:20,389 --> 02:21:18,720

and they tracked it and they found it

3644

02:21:22,469 --> 02:21:20,399

and then people started getting sick

3645

02:21:23,510 --> 02:21:22,479

around that same time

3646

02:21:25,830 --> 02:21:23,520

so

3647

02:21:27,910 --> 02:21:25,840

that's all hearsay conspiracy there's no

3648

02:21:29,990 --> 02:21:27,920

fact to that whatsoever that's just an

3649

02:21:30,950 --> 02:21:30,000

observation that somebody made that i

3650

02:21:32,790 --> 02:21:30,960

found

3651
02:21:34,710 --> 02:21:32,800
quite interesting especially when we're

3652
02:21:38,070 --> 02:21:34,720
talking about panspermia and the

3653
02:21:41,030 --> 02:21:38,080
transportation of of of different types

3654
02:21:42,790 --> 02:21:41,040
of life right to different planets it's

3655
02:21:43,750 --> 02:21:42,800
very interesting

3656
02:21:46,230 --> 02:21:43,760
yeah

3657
02:21:48,389 --> 02:21:46,240
it is that's cool

3658
02:21:51,670 --> 02:21:48,399
yeah dude it's it's crazy that we'll

3659
02:21:53,750 --> 02:21:51,680
we'll never know the exact uh

3660
02:21:56,230 --> 02:21:53,760
fact of what happened unless you know

3661
02:21:57,990 --> 02:21:56,240
you had a time machine a tiny little

3662
02:21:58,870 --> 02:21:58,000
time machine crab shaped time machine

3663
02:22:01,349 --> 02:21:58,880

but like

3664

02:22:03,590 --> 02:22:01,359

uh all you could look at is is is what

3665

02:22:07,349 --> 02:22:03,600

happened right like did the asteroid

3666

02:22:09,190 --> 02:22:07,359

fall within the china region right like

3667

02:22:11,190 --> 02:22:09,200

yes i think that's been proven right the

3668

02:22:13,110 --> 02:22:11,200

clyde lewis episode that we listened to

3669

02:22:15,590 --> 02:22:13,120

with that guest was like

3670

02:22:18,309 --> 02:22:15,600

ah dude yeah [\h__\h]

3671

02:22:21,349 --> 02:22:18,319

uh that guy's awesome ground zero

3672

02:22:22,070 --> 02:22:21,359

i like him i like clyde loses voice

3673

02:22:25,190 --> 02:22:22,080

me voice

3674

02:22:27,110 --> 02:22:25,200

he's got such a cool voice man yeah

3675

02:22:29,830 --> 02:22:27,120

that dude's like my inspiration for

3676

02:22:31,429 --> 02:22:29,840

hopping on on the microphone

3677

02:22:33,910 --> 02:22:31,439

because before that it was only been on

3678

02:22:36,309 --> 02:22:33,920

the mic it was just it's just you and me

3679

02:22:38,550 --> 02:22:36,319

dude knowing about it stuff i just i

3680

02:22:41,110 --> 02:22:38,560

just played the bass dude you know i

3681

02:22:43,510 --> 02:22:41,120

just i i sound like i don't

3682

02:22:46,309 --> 02:22:43,520

i got i'm not 10 i'm i think i'm a tenor

3683

02:22:48,309 --> 02:22:46,319

uh the high the high pitched one you're

3684

02:22:50,550 --> 02:22:48,319

a tanner

3685

02:22:52,389 --> 02:22:50,560

i'm the alto

3686

02:22:57,830 --> 02:22:52,399

i don't know well we're all tuners if

3687

02:23:04,309 --> 02:22:58,870

you know

3688

02:23:07,910 --> 02:23:05,910

some of us already

3689

02:23:09,990 --> 02:23:07,920

dude what a bummer for crabs now that i

3690

02:23:11,429 --> 02:23:10,000

think about it what a bummer

3691

02:23:13,270 --> 02:23:11,439

perhaps they don't know man they don't

3692

02:23:16,389 --> 02:23:13,280

know crabs man they get their they get

3693

02:23:18,550 --> 02:23:16,399

the bad rap man

3694

02:23:20,469 --> 02:23:18,560

what do we do we eat them you know we

3695

02:23:22,389 --> 02:23:20,479

eat them

3696

02:23:24,870 --> 02:23:22,399

yeah i love the crabs that have the one

3697

02:23:27,270 --> 02:23:24,880

big ass claw yeah you know they just

3698

02:23:30,150 --> 02:23:27,280

like they show you that thing like hey

3699

02:23:33,429 --> 02:23:30,160

back off dude

3700

02:23:34,950 --> 02:23:33,439

see that claw and it's delicious

3701
02:23:36,550 --> 02:23:34,960
yeah grab that little hammer in your

3702
02:23:38,870 --> 02:23:36,560
head

3703
02:23:43,590 --> 02:23:38,880
you smash it

3704
02:23:46,469 --> 02:23:44,790
that's right

3705
02:23:48,710 --> 02:23:46,479
i want to take out one last thing guys i

3706
02:23:50,790 --> 02:23:48,720
got we have a couple other uh listener

3707
02:23:52,230 --> 02:23:50,800
submitted photos that i'd love for us to

3708
02:23:54,230 --> 02:23:52,240
get our get our

3709
02:23:57,510 --> 02:23:54,240
two cents on and we can you know let's

3710
02:23:59,429 --> 02:23:57,520
analyze them analyze

3711
02:24:00,389 --> 02:23:59,439
this analyze them

3712
02:24:01,429 --> 02:24:00,399
yeah

3713
02:24:04,389 --> 02:24:01,439

whoa

3714

02:24:06,950 --> 02:24:04,399

so this i uh this was an interesting

3715

02:24:08,710 --> 02:24:06,960

journey because i didn't um i didn't

3716

02:24:11,429 --> 02:24:08,720

know you know we

3717

02:24:14,150 --> 02:24:11,439

we don't get a lot of photos uh uh

3718

02:24:15,830 --> 02:24:14,160

emailed to us a lot i mean if if you

3719

02:24:18,230 --> 02:24:15,840

guys you know if you've seen some crazy

3720

02:24:21,349 --> 02:24:18,240

stuff feel free to email us i mean with

3721

02:24:23,990 --> 02:24:21,359

this this is a great example of like wow

3722

02:24:27,429 --> 02:24:24,000

this is pretty crazy so just weird

3723

02:24:29,270 --> 02:24:27,439

it starts out is is uh janet um

3724

02:24:32,309 --> 02:24:29,280

listener what's up janet if you're

3725

02:24:34,230 --> 02:24:32,319

listening saw girl uh she was

3726

02:24:36,469 --> 02:24:34,240

the the initial uh

3727

02:24:39,349 --> 02:24:36,479

message was hey i found some crazy i

3728

02:24:41,429 --> 02:24:39,359

shot some crazy photos of this my

3729

02:24:43,110 --> 02:24:41,439

bathroom mirror and i mean on the

3730

02:24:45,910 --> 02:24:43,120

surface it's like oh i don't know who

3731

02:24:47,750 --> 02:24:45,920

this person is like let's see so i see

3732

02:24:49,750 --> 02:24:47,760

these photos man i'm kind of like okay

3733

02:24:52,550 --> 02:24:49,760

that's super interesting and i just kind

3734

02:24:54,790 --> 02:24:52,560

of want to scroll through because

3735

02:24:57,910 --> 02:24:54,800

i don't know what you guys see

3736

02:25:00,790 --> 02:24:57,920

but uh like a bridge

3737

02:25:02,550 --> 02:25:00,800

that's exactly what i was gonna say yeah

3738

02:25:04,070 --> 02:25:02,560

well what's it doing on a mirror on the

3739

02:25:06,469 --> 02:25:04,080

on the uh

3740

02:25:07,990 --> 02:25:06,479

the fog of a mirror is it some type of

3741

02:25:08,870 --> 02:25:08,000

relief

3742

02:25:14,469 --> 02:25:08,880

i mean

3743

02:25:15,270 --> 02:25:14,479

i tend to go too far and then i reel it

3744

02:25:18,469 --> 02:25:15,280

back

3745

02:25:19,590 --> 02:25:18,479

right so like my too far thing is like

3746

02:25:21,910 --> 02:25:19,600

oh it's like

3747

02:25:23,349 --> 02:25:21,920

this three-dimensional

3748

02:25:26,070 --> 02:25:23,359

extra dimensional thing that we're

3749

02:25:27,990 --> 02:25:26,080

seeing into i don't know

3750

02:25:30,710 --> 02:25:28,000

it's just interesting like

3751

02:25:32,389 --> 02:25:30,720

how would that happen so would somebody

3752

02:25:34,790 --> 02:25:32,399

draw this

3753

02:25:37,349 --> 02:25:34,800

with uh with their finger and then

3754

02:25:39,590 --> 02:25:37,359

then maybe the oils left over but who's

3755

02:25:44,710 --> 02:25:39,600

who's it that's possible who's in their

3756

02:25:48,710 --> 02:25:46,710

and then waiting yeah that's all if i

3757

02:25:50,550 --> 02:25:48,720

was there i say i'd want to know who's

3758

02:25:52,389 --> 02:25:50,560

been in my bathroom like

3759

02:25:53,910 --> 02:25:52,399

i'm going to

3760

02:25:55,830 --> 02:25:53,920

one day someone's gonna freak out and

3761

02:25:58,230 --> 02:25:55,840

i'm gonna i'm gonna be famous i promise

3762

02:25:59,750 --> 02:25:58,240

like i don't know like that's just it

3763

02:26:02,710 --> 02:25:59,760

feels like it's too much work it's too

3764

02:26:09,110 --> 02:26:04,550

yeah

3765

02:26:12,389 --> 02:26:10,710

dude it looks like a bridge with a bunch

3766

02:26:13,990 --> 02:26:12,399

of buildings behind it

3767

02:26:15,510 --> 02:26:14,000

yeah man

3768

02:26:18,070 --> 02:26:15,520

dude that's weird

3769

02:26:21,190 --> 02:26:18,080

that is weird

3770

02:26:23,190 --> 02:26:21,200

it's so there's a a gal said she saw

3771

02:26:25,670 --> 02:26:23,200

this when she got out of the shower

3772

02:26:27,830 --> 02:26:25,680

yeah yeah is that what happened i guess

3773

02:26:29,429 --> 02:26:27,840

so yeah i guess so

3774

02:26:32,389 --> 02:26:29,439

i don't know

3775

02:26:34,070 --> 02:26:32,399

um she she sent some other stuff and uh

3776

02:26:36,630 --> 02:26:34,080

i kind of want to would love to have her

3777

02:26:39,349 --> 02:26:36,640

on the show to uh to to describe there

3778

02:26:41,990 --> 02:26:39,359

there's some other uh orbs uh and and

3779

02:26:44,150 --> 02:26:42,000

some some strange lights the other stuff

3780

02:26:45,270 --> 02:26:44,160

is pretty compelling i mean this is just

3781

02:26:46,870 --> 02:26:45,280

kind of like

3782

02:26:49,110 --> 02:26:46,880

just something interesting that let's

3783

02:26:52,309 --> 02:26:49,120

give her some official feedback here i

3784

02:26:55,030 --> 02:26:52,319

think it's inconclusive at this time

3785

02:26:57,510 --> 02:26:55,040

yeah what do you guys say inconclusive

3786

02:26:59,590 --> 02:26:57,520

inconclusively inconclusive yeah it's

3787

02:27:00,309 --> 02:26:59,600

interesting though it's very interesting

3788

02:27:02,790 --> 02:27:00,319

but

3789

02:27:04,790 --> 02:27:02,800

inclusive right we got we we need to

3790

02:27:07,270 --> 02:27:04,800

have more details yeah you know yes we

3791

02:27:10,389 --> 02:27:07,280

didn't is your husband an artist are you

3792

02:27:11,670 --> 02:27:10,399

single you know like this baby

3793

02:27:14,469 --> 02:27:11,680

because there's been a guy maybe the

3794

02:27:16,630 --> 02:27:14,479

team needs to come over to your bathroom

3795

02:27:19,110 --> 02:27:16,640

while you're showering sometimes yeah

3796

02:27:20,550 --> 02:27:19,120

and investigate this first let me let me

3797

02:27:21,349 --> 02:27:20,560

come over where you're taking it just

3798

02:27:23,349 --> 02:27:21,359

done

3799

02:27:25,990 --> 02:27:23,359

that's right

3800

02:27:28,830 --> 02:27:26,000

i have some electronic instrumentation i

3801
02:27:31,270 --> 02:27:28,840
can bring along right right the camera

3802
02:27:33,030 --> 02:27:31,280
readings that's right yes you're taking

3803
02:27:35,190 --> 02:27:33,040
lots of pictures

3804
02:27:40,309 --> 02:27:35,200
yes and when will you be be turning the

3805
02:27:45,830 --> 02:27:43,429
yes i love it man

3806
02:27:47,830 --> 02:27:45,840
nothing else was nothing bad was sent i

3807
02:27:50,150 --> 02:27:47,840
mean to big will i talked to willie

3808
02:27:51,190 --> 02:27:50,160
before the show uh i was like

3809
02:27:54,790 --> 02:27:51,200
i mean

3810
02:27:56,790 --> 02:27:54,800
offense but the

3811
02:27:58,630 --> 02:27:56,800
the when you lead with hey i've got

3812
02:28:00,070 --> 02:27:58,640
these photos of this mirror in my

3813
02:28:01,750 --> 02:28:00,080

bathroom

3814

02:28:04,070 --> 02:28:01,760

i mean you never know what people are

3815

02:28:05,190 --> 02:28:04,080

going to send

3816

02:28:07,429 --> 02:28:05,200

like hey

3817

02:28:10,710 --> 02:28:07,439

we just i just didn't know so um if

3818

02:28:12,790 --> 02:28:10,720

there was any hesitance there that's why

3819

02:28:15,190 --> 02:28:12,800

there was no nudes it was just the the

3820

02:28:17,270 --> 02:28:15,200

reflection in the mirror it was also

3821

02:28:19,349 --> 02:28:17,280

sin nudes

3822

02:28:21,429 --> 02:28:19,359

that's right

3823

02:28:24,830 --> 02:28:21,439

look we're scientists okay

3824

02:28:26,469 --> 02:28:24,840

it's just dating to us it's just

3825

02:28:31,429 --> 02:28:26,479

data

3826

02:28:33,110 --> 02:28:31,439

ball skin company and co

3827

02:28:35,510 --> 02:28:33,120

right that's our that's our other

3828

02:28:37,750 --> 02:28:35,520

company other than tffa to the farts

3829

02:28:38,790 --> 02:28:37,760

academy we also have balsam company and

3830

02:28:41,270 --> 02:28:38,800

code

3831

02:28:42,389 --> 02:28:41,280

you know the sister company of that yeah

3832

02:28:45,590 --> 02:28:42,399

remember

3833

02:28:48,630 --> 02:28:45,600

bill murray and uh ghostbusters back off

3834

02:28:50,790 --> 02:28:48,640

yeah i'm a scientist

3835

02:28:52,710 --> 02:28:50,800

yes

3836

02:28:54,389 --> 02:28:52,720

we need to find a shirt that says that

3837

02:28:56,150 --> 02:28:54,399

on it

3838

02:28:58,309 --> 02:28:56,160

back off i'm a scientist

3839

02:29:02,230 --> 02:28:58,319

yeah i think that's what he says back

3840

02:29:05,510 --> 02:29:04,389

i think he said that when he was he was

3841

02:29:07,270 --> 02:29:05,520

in the uh

3842

02:29:08,950 --> 02:29:07,280

in the mayor's office right they're all

3843

02:29:10,469 --> 02:29:08,960

coming together and someone's giving him

3844

02:29:12,550 --> 02:29:10,479

some lip

3845

02:29:14,070 --> 02:29:12,560

oh or or no wait a minute noah's at the

3846

02:29:15,590 --> 02:29:14,080

hotel where they

3847

02:29:17,750 --> 02:29:15,600

remember where they i thought getting

3848

02:29:19,510 --> 02:29:17,760

ready to go in and get and catch

3849

02:29:22,550 --> 02:29:19,520

a slimer

3850

02:29:24,630 --> 02:29:22,560

yeah yeah and this is like you know yeah

3851

02:29:26,309 --> 02:29:24,640

i think i don't know

3852

02:29:28,790 --> 02:29:26,319

hold on i don't know i'm pulling it up

3853

02:29:31,910 --> 02:29:28,800

real quick i'm pulling it up

3854

02:29:36,550 --> 02:29:34,790

yeah this is in the hotel right

3855

02:29:41,429 --> 02:29:36,560

right where he says

3856

02:29:42,920 --> 02:29:42,730

i'm a scientist

3857

02:29:45,030 --> 02:29:42,930

[Laughter]

3858

02:29:47,030 --> 02:29:45,040

[Music]

3859

02:29:50,309 --> 02:29:47,040

back off man

3860

02:29:52,469 --> 02:29:50,319

i love this it would be a great t-shirt

3861

02:29:53,670 --> 02:29:52,479

that's really good actually [h__h] it was

3862

02:29:56,630 --> 02:29:53,680

hilarious

3863

02:29:58,230 --> 02:29:56,640

that's totally on brand with us dude yes

3864

02:29:59,510 --> 02:29:58,240

there are a lot of great quotes he's got

3865

02:30:01,349 --> 02:29:59,520

a lot of great guys you know he

3866

02:30:03,190 --> 02:30:01,359

ad-libbed a lot of that kind of stuff i

3867

02:30:04,710 --> 02:30:03,200

guess when they were doing the movie

3868

02:30:07,030 --> 02:30:04,720

that's like like

3869

02:30:08,230 --> 02:30:07,040

next time someone asks you if you're a

3870

02:30:10,070 --> 02:30:08,240

god

3871

02:30:12,070 --> 02:30:10,080

you say yes

3872

02:30:14,950 --> 02:30:12,080

yeah

3873

02:30:17,510 --> 02:30:14,960

there and they were talking about how

3874

02:30:20,309 --> 02:30:17,520

bill murray got got picked for the part

3875

02:30:21,990 --> 02:30:20,319

and he never responded and like they

3876

02:30:23,590 --> 02:30:22,000

were getting ready to shoot the day of

3877

02:30:25,190 --> 02:30:23,600

the shoot they had picked somebody else

3878

02:30:27,270 --> 02:30:25,200

to play bill murray's part and then all

3879

02:30:29,510 --> 02:30:27,280

of a sudden bill murray just showed up

3880

02:30:31,349 --> 02:30:29,520

and like he was just ad-libbing almost

3881

02:30:33,830 --> 02:30:31,359

the whole thing yeah they were like oh

3882

02:30:35,910 --> 02:30:33,840

[h__\h] bill's here and he and that's how

3883

02:30:37,110 --> 02:30:35,920

he did it he just showed up late to

3884

02:30:39,190 --> 02:30:37,120

everything

3885

02:30:41,270 --> 02:30:39,200

wasn't on anybody's schedule and just

3886

02:30:43,830 --> 02:30:41,280

did whatever he wanted to do and people

3887

02:30:45,429 --> 02:30:43,840

just kind of like rolled with it

3888

02:30:47,910 --> 02:30:45,439

we're already coming to sigourney

3889

02:30:50,389 --> 02:30:47,920

weaver's apartment the first time

3890

02:30:54,550 --> 02:30:50,399

and he lifted up the piano

3891

02:30:54,560 --> 02:30:58,389

they hate this they hate this

3892

02:31:02,550 --> 02:31:01,030

i guess that was an ad-lib you know oh

3893

02:31:07,590 --> 02:31:02,560

my god

3894

02:31:12,070 --> 02:31:09,910

no i don't think so i bet there's one

3895

02:31:14,630 --> 02:31:12,080

for christmas time maybe

3896

02:31:17,190 --> 02:31:14,640

probably man probably they're probably

3897

02:31:18,630 --> 02:31:17,200

holding off you know like with its stuff

3898

02:31:20,309 --> 02:31:18,640

i mean nobody like is going to the

3899

02:31:22,550 --> 02:31:20,319

movies and [h__h] right now so like

3900

02:31:24,230 --> 02:31:22,560

they're probably like could be a box

3901

02:31:26,150 --> 02:31:24,240

office hit you're right you're right

3902

02:31:29,030 --> 02:31:26,160

that maybe they're just couldn't leave

3903

02:31:30,230 --> 02:31:29,040

it in the can until it's the right time

3904

02:31:33,030 --> 02:31:30,240

yeah for sure that's going to be

3905

02:31:36,150 --> 02:31:33,040

interesting man or they uh you know they

3906

02:31:39,349 --> 02:31:36,160

get the kids discover the car and and

3907

02:31:41,110 --> 02:31:39,359

everything that uh uh uncle egon was

3908

02:31:42,710 --> 02:31:41,120

doing you know

3909

02:31:44,790 --> 02:31:42,720

that's gonna be kind of cool i'm pretty

3910

02:31:46,469 --> 02:31:44,800

interested to see what happens man i'm

3911

02:31:49,990 --> 02:31:46,479

pretty interested in that one it's gonna

3912

02:31:52,150 --> 02:31:50,000

be a pretty cool one for sure

3913

02:31:54,469 --> 02:31:52,160

yes that is cool man

3914

02:31:56,790 --> 02:31:54,479

any more pictures for us to analyze i

3915

02:31:58,870 --> 02:31:56,800

mean yeah we could but uh what i have

3916

02:32:01,990 --> 02:31:58,880

done in the past is accidentally shown

3917

02:32:04,070 --> 02:32:02,000

like my license on my computer so i'm

3918

02:32:06,150 --> 02:32:04,080

not gonna do that i had that one those

3919

02:32:08,389 --> 02:32:06,160

two prepared and i'm just not gonna

3920

02:32:10,070 --> 02:32:08,399

chance it i just don't i thought of that

3921

02:32:12,230 --> 02:32:10,080

i don't want any more people knowing

3922

02:32:13,910 --> 02:32:12,240

where i live i mean not that not that we

3923

02:32:15,990 --> 02:32:13,920

don't have we have great

3924

02:32:17,750 --> 02:32:16,000

3925

02:32:21,349 --> 02:32:17,760

3926

02:32:24,630 --> 02:32:21,359

know uh immediately screenshot it screen

3927

02:32:26,070 --> 02:32:24,640

me on the screenshot incident

3928

02:32:28,710 --> 02:32:26,080

screenshot

3929

02:32:31,510 --> 02:32:28,720

yeah so certainly there's a website

3930

02:32:33,190 --> 02:32:31,520

saying ben lives here yeah yeah yeah

3931

02:32:35,590 --> 02:32:33,200

3935

02:32:52,389 --> 02:32:47,510

3947

02:33:25,110 --> 02:33:23,200

we're also going to do like a

3948

02:33:26,870 --> 02:33:25,120

nickelodeon slime thing where we're

3949

02:33:28,710 --> 02:33:26,880

going to scare everybody in the audience

3950

02:33:31,190 --> 02:33:28,720

yeah all right

3951

02:33:33,990 --> 02:33:31,200

i want it i want the whole experience

3952

02:33:36,309 --> 02:33:34,000

3953

02:33:39,110 --> 02:33:36,319

before you hop off tell people where

3954

02:33:41,270 --> 02:33:39,120

they can find you and and find your show

3955

02:33:42,550 --> 02:33:41,280

and and they'll hop on and listen man

3956

02:33:44,230 --> 02:33:42,560

okay man

3957

02:33:46,630 --> 02:33:44,240

my show

3958

02:33:48,389 --> 02:33:46,640

just uh just search on the internet and

3959

02:33:51,270 --> 02:33:48,399

search for

3960

02:33:53,270 --> 02:33:51,280

black sparrow

3961

02:33:55,590 --> 02:33:53,280

i think music

3962

3963

02:34:00,469 --> 02:33:58,160

whataburger after the show

4049

02:37:44,830 --> 02:37:40,399

that's right that's great

4050

02:37:47,990 --> 02:37:44,840

i have accountants they pay for it all

4051
02:37:50,550 --> 02:37:48,000

4059
02:38:13,750 --> 02:38:11,520

me too man me too because even i mean

4060
02:38:15,670 --> 02:38:13,760

even with the lag he was still we were

4061
02:38:18,230 --> 02:38:15,680

still having a great time uh but it was

4062
02:38:19,910 --> 02:38:18,240

it was definitely better after we we got

4063
02:38:22,790 --> 02:38:19,920

him back on with the you know it's hard

4064

02:38:24,309 --> 02:38:22,800

to have a 30-second lag conversation

4065

02:38:25,590 --> 02:38:24,319

it is

4066

02:38:29,030 --> 02:38:25,600

4067

02:38:31,190 --> 02:38:29,040

4081

02:38:58,070 --> 02:38:54,080

hey

4082

02:39:00,710 --> 02:38:58,080

uh if maybe you want to like chat or

4083

02:39:01,830 --> 02:39:00,720

like hop on the documentary or whatever

4084

02:39:03,990 --> 02:39:01,840

i mean

4085

02:39:05,830 --> 02:39:04,000

yeah give me a call

4086

02:39:07,510 --> 02:39:05,840

so we're going to be there

4087

02:39:09,270 --> 02:39:07,520

yeah joe

4088

02:39:10,870 --> 02:39:09,280

4090

02:39:15,429 --> 02:39:13,040

be in roswell gary dude they're going to

4091

02:39:17,190 --> 02:39:15,439

be there bro filming for the documentary

4092

02:39:18,710 --> 02:39:17,200

dude it's uh

4093

02:39:20,630 --> 02:39:18,720

i am so jealous that i'm not going to be

4094

02:39:22,830 --> 02:39:20,640

able to go [h__\h]

4095

02:39:27,990 --> 02:39:22,840

why dude why can't you go

4096

02:39:33,349 --> 02:39:30,309

no man it's because i have a newborn

4097

02:39:36,550 --> 02:39:33,359

child that uh i i want i would like to

4098

02:39:37,910 --> 02:39:36,560

be around um and not uh not chance i

4099

02:39:42,469 --> 02:39:37,920

don't want to chance it man we're being

4100

02:39:47,349 --> 02:39:44,950

what is ultra safe which is like is it

4101

02:39:49,590 --> 02:39:47,359

like regular safe or is it like also i

4102

02:39:51,190 --> 02:39:49,600

don't want to leave uh

4103

02:39:52,790 --> 02:39:51,200

i don't i don't want to do it you know

4104

02:39:55,750 --> 02:39:52,800

that there's going to come a time where

4105

02:39:56,710 --> 02:39:55,760

you're going to have to leave the nest

4106

02:39:58,230 --> 02:39:56,720

again

4107

02:40:01,510 --> 02:39:58,240

i'm not not ever leaving this house

4108

02:40:03,830 --> 02:40:01,520

again i mean there's i mean i have i'm

4109

02:40:05,670 --> 02:40:03,840

i'm i'm this close to just driving to

4110

02:40:07,270 --> 02:40:05,680

your house and dragging you out

4111

02:40:09,349 --> 02:40:07,280

out of your place dude and we're gonna

4112

02:40:11,030 --> 02:40:09,359

go down the the jack in the box and go

4113

02:40:12,309 --> 02:40:11,040

to the jacks

4114

02:40:13,910 --> 02:40:12,319

and then we're gonna [\h__\h] go back to

4115

02:40:15,990 --> 02:40:13,920

your house and you know the jack of the

4116

02:40:17,750 --> 02:40:16,000

box by my house isn't open past [\h__\h]

4117

02:40:20,389 --> 02:40:17,760

8 p.m right like

4118

02:40:21,590 --> 02:40:20,399

yeah they actually don't serve any food

4119

02:40:23,349 --> 02:40:21,600

after ap

4120

02:40:25,030 --> 02:40:23,359

though they don't take credit cards

4121

02:40:26,230 --> 02:40:25,040

their credit card machine is dead yeah

4122

02:40:28,230 --> 02:40:26,240

they say they're open but they're

4123

02:40:31,110 --> 02:40:28,240

actually not open dude

4124

02:40:33,510 --> 02:40:31,120

with such [\h__\h] that's [\h__\h] too

4125

02:40:34,389 --> 02:40:33,520

they just leave the lights on

4126

02:40:36,630 --> 02:40:34,399

yeah

4127

02:40:37,990 --> 02:40:36,640

it is kind of messed up dude

4128

02:40:39,910 --> 02:40:38,000

with a couple people in there and they

4129

02:40:41,990 --> 02:40:39,920

just walk around and put their finger in

4130

02:40:44,870 --> 02:40:42,000

their ass and like listen to spotify all

4131

02:40:46,550 --> 02:40:44,880

night oh dude i drove by one night and

4132

02:40:48,550 --> 02:40:46,560

they were just high-fiving each other

4133

02:40:50,710 --> 02:40:48,560

hard all of them there's like 13 people

4134

02:40:52,469 --> 02:40:50,720

in there just high-fiving that's all

4135

02:40:54,469 --> 02:40:52,479

they were doing we don't take credit

4136

02:40:56,710 --> 02:40:54,479

cards yeah we don't take credit cards

4137

02:41:00,389 --> 02:40:56,720

even though it's just 20 21 we don't

4138

02:41:01,269 --> 02:41:00,399

take credit cards screw these guys

4139

02:41:03,110 --> 02:41:01,279

man

4140

02:41:04,870 --> 02:41:03,120

you know when jack in the box came out

4141

02:41:07,910 --> 02:41:04,880

with the munchie with the with the five

4142

02:41:09,349 --> 02:41:07,920

dollar munchie box i was on board bro

4143

02:41:11,910 --> 02:41:09,359

but

4144

02:41:14,790 --> 02:41:11,920

how is a stoner supposed to get his

4145

02:41:17,190 --> 02:41:14,800

goddamn five dollar munchie box after 8

4146

02:41:19,269 --> 02:41:17,200

p.m if they don't take credit cards you

4147

02:41:21,910 --> 02:41:19,279

know

4148

02:41:24,230 --> 02:41:21,920

yeah hell yeah they're missing on a big

4149

02:41:26,150 --> 02:41:24,240

out on a big demographic if yes dude

4150

02:41:29,110 --> 02:41:26,160

because that's when they get most busy

4151
02:41:30,870 --> 02:41:29,120
right it's lunchtime and then after 11

4152
02:41:33,190 --> 02:41:30,880
30 p.m

4153
02:41:36,389 --> 02:41:33,200
yes your business

4154
02:41:39,110 --> 02:41:36,399
we only take uh we only take cash right

4155
02:41:40,950 --> 02:41:39,120
now and whomp them

4156
02:41:43,910 --> 02:41:40,960
and you're like what's wambo

4157
02:41:46,309 --> 02:41:43,920
oh it's like a it's like a native form

4158
02:41:49,510 --> 02:41:46,319
of money

4159
02:41:51,670 --> 02:41:49,520
we're only accepting wampum right now

4160
02:41:53,110 --> 02:41:51,680
and you're like what the [h__h] is wampum

4161
02:41:54,550 --> 02:41:53,120
and then they give you like a history

4162
02:41:55,750 --> 02:41:54,560
lesson and like

4163
02:41:57,590 --> 02:41:55,760

you know in the time that you gave me

4164

02:42:00,309 --> 02:41:57,600

that history lesson on wampum you could

4165

02:42:02,389 --> 02:42:00,319

have made me a a goddamn cheeseburger

4166

02:42:04,710 --> 02:42:02,399

and taken my credit card it'd have been

4167

02:42:06,469 --> 02:42:04,720

a lot quicker like yeah sorry we only

4168

02:42:07,510 --> 02:42:06,479

take wampa

4169

02:42:09,269 --> 02:42:07,520

dude

4170

02:42:13,190 --> 02:42:09,279

what the hell okay i've never heard of

4171

02:42:18,469 --> 02:42:15,269

dude so um

4172

02:42:22,309 --> 02:42:19,990

there was some more stuff i wanted to go

4173

02:42:25,110 --> 02:42:22,319

over um

4174

02:42:27,670 --> 02:42:25,120

oh uh

4175

02:42:29,110 --> 02:42:27,680

okay oh okay this is just a final final

4176
02:42:30,230 --> 02:42:29,120
thoughts dude i had this thought earlier

4177
02:42:32,389 --> 02:42:30,240
this week

4178
02:42:33,510 --> 02:42:32,399
uh we're back with jerry's final thought

4179
02:42:37,349 --> 02:42:33,520
okay

4180
02:42:38,950 --> 02:42:37,359
i i started thinking about this and

4181
02:42:41,590 --> 02:42:38,960
it has to do with twitter it has to do

4182
02:42:42,710 --> 02:42:41,600
with you the hashtag ufo twitter um and

4183
02:42:44,790 --> 02:42:42,720
i i

4184
02:42:47,190 --> 02:42:44,800
i know i bring i brought this up on like

4185
02:42:49,429 --> 02:42:47,200
the last two episodes but it's really

4186
02:42:51,590 --> 02:42:49,439
kind of been affecting me

4187
02:42:52,389 --> 02:42:51,600
but i chose after our last episode i was

4188
02:42:54,389 --> 02:42:52,399

like

4189

02:42:57,429 --> 02:42:54,399

i'm not gonna look at that i'm just i

4190

02:43:00,309 --> 02:42:57,439

barely opened up twitter um

4191

02:43:03,349 --> 02:43:00,319

and what i've noticed is the same amount

4192

02:43:05,190 --> 02:43:03,359

of like disdain or or just uninterest in

4193

02:43:07,990 --> 02:43:05,200

hearing the the

4194

02:43:09,349 --> 02:43:08,000

spouting of negativity that happens like

4195

02:43:11,110 --> 02:43:09,359

i've just hasn't haven't been paying

4196

02:43:12,630 --> 02:43:11,120

attention to it as much and it's been

4197

02:43:14,790 --> 02:43:12,640

making me making me feel a lot more

4198

02:43:16,630 --> 02:43:14,800

positive about the community

4199

02:43:19,269 --> 02:43:16,640

i think so i think i think we have to

4200

02:43:21,830 --> 02:43:19,279

remind ourselves is that like

4201
02:43:25,110 --> 02:43:21,840
ufo twitter doesn't represent the the

4202
02:43:27,830 --> 02:43:25,120
ufo community at all it's people like

4203
02:43:29,670 --> 02:43:27,840
this in our chat it's people like uh

4204
02:43:31,990 --> 02:43:29,680
that are in the in the space out radio

4205
02:43:33,910 --> 02:43:32,000
chats people like in the unidentified

4206
02:43:35,750 --> 02:43:33,920
celebrity review chat

4207
02:43:38,630 --> 02:43:35,760
and and then the big willy chat and the

4208
02:43:41,510 --> 02:43:38,640
paranormal uh chop shop chat and the

4209
02:43:43,349 --> 02:43:41,520
chad smith chat it's it's people that

4210
02:43:45,030 --> 02:43:43,359
are actually interested in this [h__\h] not

4211
02:43:47,750 --> 02:43:45,040
that like check twitter every day to

4212
02:43:49,990 --> 02:43:47,760
like spout [h__\h] and like

4213
02:43:53,110 --> 02:43:50,000

try like so the the thought though

4214

02:43:55,349 --> 02:43:53,120

here's my point here um is that

4215

02:43:57,750 --> 02:43:55,359

look we're all nerds here okay let's

4216

02:43:59,750 --> 02:43:57,760

just admit that we're nerds all right

4217

02:44:02,550 --> 02:43:59,760

if we if if you're interested in this

4218

02:44:04,230 --> 02:44:02,560

stuff i like rolexes to the extent that

4219

02:44:06,150 --> 02:44:04,240

we are interested in this stuff we're

4220

02:44:08,309 --> 02:44:06,160

nerds okay

4221

02:44:10,230 --> 02:44:08,319

and it's like this this i feel like the

4222

02:44:12,630 --> 02:44:10,240

people that are so negative

4223

02:44:14,309 --> 02:44:12,640

like openly are are those people that

4224

02:44:15,910 --> 02:44:14,319

really were

4225

02:44:17,990 --> 02:44:15,920

treated

4226
02:44:19,269 --> 02:44:18,000
wrong in their life and they they're

4227
02:44:21,670 --> 02:44:19,279
trying to get back

4228
02:44:23,510 --> 02:44:21,680
it's it's like nerds being mean to nerds

4229
02:44:25,269 --> 02:44:23,520
so they're like extra mean

4230
02:44:27,030 --> 02:44:25,279
like they're they're smart because

4231
02:44:29,510 --> 02:44:27,040
they're all smart and [h__h] they're smart

4232
02:44:32,230 --> 02:44:29,520
as [h__h] like they know that like if they

4233
02:44:34,710 --> 02:44:32,240
say this thing they're like oh

4234
02:44:36,790 --> 02:44:34,720
but i i spent a lot of time learning

4235
02:44:37,990 --> 02:44:36,800
that it means a lot to me

4236
02:44:40,790 --> 02:44:38,000
yeah

4237
02:44:42,630 --> 02:44:40,800
so that it hurts even more

4238
02:44:45,510 --> 02:44:42,640

like you know what we should do we

4239

02:44:47,590 --> 02:44:45,520

should have a weekly

4240

02:44:50,469 --> 02:44:47,600

hashtag ufo

4241

02:44:52,870 --> 02:44:50,479

twitter uh we should have a weekly shut

4242

02:44:54,710 --> 02:44:52,880

the [h__\h] up today post

4243

02:44:57,429 --> 02:44:54,720

where we just show up and say hey

4244

02:44:58,950 --> 02:44:57,439

everybody shut the [h__\h] up today yeah

4245

02:45:00,870 --> 02:44:58,960

that would be great we should do it i'm

4246

02:45:03,269 --> 02:45:00,880

gonna start doing it i'll i'll i will

4247

02:45:05,510 --> 02:45:03,279

lead the charge in the hashtag ufo shut

4248

02:45:08,070 --> 02:45:05,520

the [h__\h] up today post

4249

02:45:10,630 --> 02:45:08,080

every every wednesday right yeah

4250

02:45:15,190 --> 02:45:10,640

yeah today's hashtag day

4251
02:45:18,230 --> 02:45:16,630
so be nice

4252
02:45:20,630 --> 02:45:18,240
could i feel like mondays are the worst

4253
02:45:22,870 --> 02:45:20,640
because it's like i've been like

4254
02:45:24,950 --> 02:45:22,880
mondays like uh

4255
02:45:26,389 --> 02:45:24,960
i have too much stuff that i need to do

4256
02:45:28,630 --> 02:45:26,399
that i'm trying to schedule for the rest

4257
02:45:30,710 --> 02:45:28,640
of the week and like the one escape that

4258
02:45:33,269 --> 02:45:30,720
i have is going to for my family my

4259
02:45:35,510 --> 02:45:33,279
people that get me and then i'm like met

4260
02:45:38,309 --> 02:45:35,520
with this like ah

4261
02:45:40,630 --> 02:45:38,319
you suck and like damn it i can't even

4262
02:45:43,190 --> 02:45:40,640
go there dude let's just take monday off

4263
02:45:46,309 --> 02:45:43,200

maybe maybe tango unidentified celebrity

4264

02:45:49,590 --> 02:45:46,319

review says i vote for tuesdays and then

4265

02:45:52,309 --> 02:45:49,600

gary says tag me i'll repost it and big

4266

02:45:53,510 --> 02:45:52,319

willy says at hashtag shut the [\h__\h] up

4267

02:45:55,349 --> 02:45:53,520

day

4268

02:45:57,210 --> 02:45:55,359

yes let's do it

4269

02:46:00,150 --> 02:45:57,220

it's time well says

4270

02:46:01,990 --> 02:46:00,160

[Music]

4271

02:46:03,590 --> 02:46:02,000

that's so funny all right well let's

4272

02:46:05,349 --> 02:46:03,600

let's decide what it's going to be is it

4273

02:46:07,830 --> 02:46:05,359

is it it's going to be official and

4274

02:46:09,830 --> 02:46:07,840

every chat right now you know if you

4275

02:46:12,389 --> 02:46:09,840

hear the official

4276

02:46:14,150 --> 02:46:12,399

shut the [h__h] up day um you know where

4277

02:46:16,710 --> 02:46:14,160

it came from all right you know where it

4278

02:46:18,630 --> 02:46:16,720

came from came from right here

4279

02:46:22,230 --> 02:46:18,640

is it it's hashtag should we

4280

02:46:25,190 --> 02:46:22,240

we have it as as general as hashtag stfu

4281

02:46:28,630 --> 02:46:25,200

or should it be like s-t-f-u you need to

4282

02:46:30,150 --> 02:46:28,640

be spelled out shut the [h__h] up i want i

4283

02:46:32,950 --> 02:46:30,160

want you to be able to read it and

4284

02:46:34,790 --> 02:46:32,960

really consume what what you know i want

4285

02:46:36,790 --> 02:46:34,800

you to be able to like put it in your

4286

02:46:39,030 --> 02:46:36,800

brain you know

4287

02:46:40,630 --> 02:46:39,040

like sometimes like just the acronyms

4288

02:46:42,070 --> 02:46:40,640

like aren't good enough you gotta have

4289

02:46:45,269 --> 02:46:42,080

the full word

4290

02:46:46,950 --> 02:46:45,279

like to the farts academy

4291

02:46:50,150 --> 02:46:46,960

and people really

4292

02:46:52,389 --> 02:46:50,160

grab onto that and they love it

4293

02:46:54,150 --> 02:46:52,399

it's like when you say tta people are

4294

02:46:55,510 --> 02:46:54,160

like okay yeah i've heard of that

4295

02:46:57,670 --> 02:46:55,520

no you haven't you're like no you

4296

02:46:59,190 --> 02:46:57,680

haven't you haven't heard of tgfa

4297

02:47:01,429 --> 02:46:59,200

to the farts academy and they're like

4298

02:47:02,710 --> 02:47:01,439

wait did you say to the farts academy

4299

02:47:04,630 --> 02:47:02,720

yeah we told lulu

4300

02:47:05,910 --> 02:47:04,640

about it he said he was in

4301

02:47:08,469 --> 02:47:05,920

he was like i don't know if you guys

4302

02:47:10,469 --> 02:47:08,479

knew this but uh lou elizondo is is part

4303

02:47:11,750 --> 02:47:10,479

of to the farts academy before he was

4304

02:47:15,349 --> 02:47:11,760

ever part of

4305

02:47:17,030 --> 02:47:15,359

uh uh the the the the gulliver's travels

4306

02:47:32,230 --> 02:47:17,040

uh uh

4307

02:47:33,910 --> 02:47:33,030

but

4308

02:47:35,590 --> 02:47:33,920

we were talking about that at the

4309

02:47:37,590 --> 02:47:35,600

beginning of the episode in the chat

4310

02:47:39,990 --> 02:47:37,600

where we're like uh someone had asked

4311

02:47:41,990 --> 02:47:40,000

did lou get pissed off at us for for

4312

02:47:43,830 --> 02:47:42,000

showing him the the to the farts academy

4313

02:47:45,910 --> 02:47:43,840

website and honestly like he has i think

4314

02:47:48,150 --> 02:47:45,920

he has a great sense of humor because

4315

02:47:49,990 --> 02:47:48,160

he could have easily been like all right

4316

02:47:52,550 --> 02:47:50,000

done with this interview

4317

02:47:54,550 --> 02:47:52,560

and it is coincidence that he got a text

4318

02:47:56,070 --> 02:47:54,560

message saying he had to get off as soon

4319

02:47:57,750 --> 02:47:56,080

as we showed him that it was yeah that's

4320

02:48:00,150 --> 02:47:57,760

coincidental yeah but he stayed on

4321

02:48:02,550 --> 02:48:00,160

though i feel like i feel like because

4322

02:48:04,150 --> 02:48:02,560

he himself made a flatulent joke he

4323

02:48:06,790 --> 02:48:04,160

didn't say the word fart he did say

4324

02:48:09,429 --> 02:48:06,800

flatulence um yeah but deep down inside

4325

02:48:11,030 --> 02:48:09,439

i know he you know i know he loved it

4326

02:48:13,750 --> 02:48:11,040

was one of his favorite things he's ever

4327

02:48:15,269 --> 02:48:13,760

seen other than ufos and aliens

4328

02:48:18,070 --> 02:48:15,279

everybody everybody talks [h__h] about

4329

02:48:20,710 --> 02:48:18,080

like lou being this or that but that is

4330

02:48:22,950 --> 02:48:20,720

the crowning moment where i'm like okay

4331

02:48:24,950 --> 02:48:22,960

love that guy i don't care what his

4332

02:48:26,469 --> 02:48:24,960

politics are or what he's done i just

4333

02:48:28,790 --> 02:48:26,479

love that

4334

02:48:30,630 --> 02:48:28,800

that he he i mean

4335

02:48:32,790 --> 02:48:30,640

it's like he could have gone about he's

4336

02:48:33,990 --> 02:48:32,800

been lying about he's been hiding ufo

4337

02:48:36,550 --> 02:48:34,000

secrets and you're like yeah but he

4338

02:48:37,830 --> 02:48:36,560

laughed at a fart joke

4339

02:48:39,590 --> 02:48:37,840

so

4340

02:48:41,429 --> 02:48:39,600

i win it

4341

02:48:46,150 --> 02:48:41,439

hashtag shut the [h__h] up ufo twist it's

4342

02:48:50,469 --> 02:48:48,710

for me in my book good character good

4343

02:48:52,070 --> 02:48:50,479

sense of humor if you have a good sense

4344

02:48:54,230 --> 02:48:52,080

of humor

4345

02:48:55,990 --> 02:48:54,240

that's a lot of points in my book so

4346

02:48:58,870 --> 02:48:56,000

everybody who's on board with shut the

4347

02:49:01,750 --> 02:48:58,880

[h__h] up tuesdays or whatever uh don't be

4348

02:49:03,750 --> 02:49:01,760

mad when we tag you this tuesday i'm

4349

02:49:06,870 --> 02:49:03,760

just saying don't be mad i think yeah i

4350

02:49:09,349 --> 02:49:06,880

think i think uh lou from uh

4351

02:49:11,190 --> 02:49:09,359

ucr is is right i think tuesday's good

4352

02:49:13,190 --> 02:49:11,200

what does everybody else think

4353

02:49:15,590 --> 02:49:13,200

on tuesday let us know

4354

02:49:16,630 --> 02:49:15,600

saturdays thursdays fridays and on

4355

02:49:19,030 --> 02:49:16,640

birthdays

4356

02:49:21,190 --> 02:49:19,040

it's a happy own birthday to me

4357

02:49:22,870 --> 02:49:21,200

happy on birthday to you

4358

02:49:24,469 --> 02:49:22,880

oh gary says it will be censored if it

4359

02:49:25,670 --> 02:49:24,479

has the word [h__h] in it so it has to be

4360

02:49:26,550 --> 02:49:25,680

an acronym

4361

02:49:28,550 --> 02:49:26,560

yeah

4362

02:49:29,349 --> 02:49:28,560

oh they'll censor it

4363

02:49:31,910 --> 02:49:29,359

oh

4364

02:49:37,750 --> 02:49:31,920

okay i get what lou meant uh

4365

02:49:42,630 --> 02:49:39,750

yeah i'm an idiot okay i just got i just

4366

02:49:45,750 --> 02:49:42,640

don't got that that's funny okay

4367

02:49:47,269 --> 02:49:45,760

oh my gosh dude that's awesome hilarious

4368

02:49:50,230 --> 02:49:47,279

man

4369

02:49:52,630 --> 02:49:50,240

oh [h__h] well dude um yeah that's all i

4370

02:49:54,870 --> 02:49:52,640

wanted to say and also like just dude

4371

02:49:56,870 --> 02:49:54,880

this community we're building is is fun

4372

02:49:59,190 --> 02:49:56,880

it's really fun i'm glad we can all you

4373

02:50:01,910 --> 02:49:59,200

know laugh at [h__h] and and also learn

4374

02:50:04,150 --> 02:50:01,920

you know we learn some stuff yeah i'm so

4375

02:50:05,830 --> 02:50:04,160

excited to piss some people off like

4376
02:50:07,510 --> 02:50:05,840
because they just won't get it you know

4377
02:50:09,910 --> 02:50:07,520
i if there's something they'll come here

4378
02:50:11,990 --> 02:50:09,920
and then they'll be like oh

4379
02:50:14,790 --> 02:50:12,000
i get it

4380
02:50:16,630 --> 02:50:14,800
i i would just like for just a [h__\h] ton

4381
02:50:17,429 --> 02:50:16,640
of people just to yeah it would be

4382
02:50:19,670 --> 02:50:17,439
awesome

4383
02:50:21,590 --> 02:50:19,680
like if there's like some like pissiness

4384
02:50:23,590 --> 02:50:21,600
like give me my baby

4385
02:50:25,429 --> 02:50:23,600
and somebody just hashtags it like as a

4386
02:50:26,630 --> 02:50:25,439
comment like he said they don't know

4387
02:50:28,150 --> 02:50:26,640
what it means

4388
02:50:30,389 --> 02:50:28,160

we should just start retweeting all the

4389

02:50:32,950 --> 02:50:30,399

negative comments

4390

02:50:35,510 --> 02:50:32,960

and hashtagging the hashtagging to shut

4391

02:50:38,150 --> 02:50:35,520

the [h__\h] up yeah dude

4392

02:50:43,510 --> 02:50:41,110

shut the [h__\h] up shut the [h__\h] up we

4393

02:50:45,269 --> 02:50:43,520

like talking about aliens in ufos we

4394

02:50:47,110 --> 02:50:45,279

just want to figure out what the hell

4395

02:50:48,389 --> 02:50:47,120

yeah but i want i mean

4396

02:50:49,950 --> 02:50:48,399

me

4397

02:50:52,150 --> 02:50:49,960

okay

4398

02:50:54,070 --> 02:50:52,160

[Music]

4399

02:50:58,230 --> 02:50:54,080

there's so much progress being made

4400

02:51:00,469 --> 02:50:58,240

right now on your side with your mimi me

4401
02:51:02,950 --> 02:51:00,479
yeah yeah what is that adding to it so

4402
02:51:04,710 --> 02:51:02,960
much progress is happening at least me

4403
02:51:05,990 --> 02:51:04,720
and ben are talking about propulsion

4404
02:51:07,830 --> 02:51:06,000
technologies that have to do with

4405
02:51:09,990 --> 02:51:07,840
masturbation you didn't even think about

4406
02:51:13,110 --> 02:51:10,000
that no one's ever done it you know what

4407
02:51:16,870 --> 02:51:15,110
have you tried it have you proved it

4408
02:51:19,190 --> 02:51:16,880
wrong have you thought about powering

4409
02:51:22,389 --> 02:51:19,200
civilization by the power of your farts

4410
02:51:24,630 --> 02:51:22,399
no okay well shut the [h__h] up yeah hey

4411
02:51:26,150 --> 02:51:24,640
what do you do what are you doing like

4412
02:51:27,590 --> 02:51:26,160
are you just rehashing some [h__h] that

4413
02:51:30,870 --> 02:51:27,600

we've already talked about when you shut

4414

02:51:38,150 --> 02:51:32,950

this is going to be gold god damn it

4415

02:51:41,990 --> 02:51:39,670

oh [h__h]

4416

02:51:44,950 --> 02:51:42,000

uh okay dude well man that was a great

4417

02:51:47,510 --> 02:51:44,960

episode uh jojo bone

4418

02:51:49,110 --> 02:51:47,520

what a fantastic dude uh great also

4419

02:51:50,710 --> 02:51:49,120

thank you guys so much for all the super

4420

02:51:52,950 --> 02:51:50,720

chats and all the support

4421

02:51:54,950 --> 02:51:52,960

and uh yeah just sharing the [h__h] out of

4422

02:51:58,469 --> 02:51:54,960

the show tonight there was uh a good

4423

02:52:00,710 --> 02:51:58,479

turnout on the on the on the youtubes

4424

02:52:01,510 --> 02:52:00,720

lives man that was that that means so

4425

02:52:04,309 --> 02:52:01,520

much

4426
02:52:05,990 --> 02:52:04,319
hey you know what would be a good idea

4427
02:52:08,389 --> 02:52:06,000
since there this is going to be in the

4428
02:52:10,950 --> 02:52:08,399
ufo community right what if what if we

4429
02:52:13,269 --> 02:52:10,960
pulled like a uh

4430
02:52:14,790 --> 02:52:13,279
damn it i'm i'm totally blanking on the

4431
02:52:15,990 --> 02:52:14,800
name and everybody's gonna [h__h] on me

4432
02:52:16,870 --> 02:52:16,000
for it

4433
02:52:18,309 --> 02:52:16,880
um

4434
02:52:20,630 --> 02:52:18,319
there's a show

4435
02:52:23,750 --> 02:52:20,640
and it's a space show and they say the

4436
02:52:25,830 --> 02:52:23,760
word frack instead of instead of [h__h]

4437
02:52:27,670 --> 02:52:25,840
and they're like what the frack

4438
02:52:29,110 --> 02:52:27,680

and somebody's gonna somebody's gonna

4439

02:52:30,790 --> 02:52:29,120

help me somebody's gonna help me out

4440

02:52:32,309 --> 02:52:30,800

like they say like

4441

02:52:36,469 --> 02:52:32,319

yeah they're like what the frack is

4442

02:52:38,790 --> 02:52:36,479

going on right now what if it was called

4443

02:52:40,469 --> 02:52:38,800

tuesday no it's not people earth it's

4444

02:52:45,190 --> 02:52:40,479

it's star

4445

02:52:47,349 --> 02:52:45,200

not stargate not it's not star trek it's

4446

02:52:50,150 --> 02:52:47,359

it's are you talking uh battle star

4447

02:52:52,790 --> 02:52:50,160

battle small galactica yes battle star

4448

02:52:55,190 --> 02:52:52,800

galactica yeah frank wither like frag so

4449

02:52:57,670 --> 02:52:55,200

shut the frack up tuesdays dude

4450

02:53:00,070 --> 02:52:57,680

yes because it still matches and it

4451
02:53:01,910 --> 02:53:00,080
won't get it won't get censored because

4452
02:53:04,469 --> 02:53:01,920
frack isn't the word

4453
02:53:06,230 --> 02:53:04,479
right it isn't though because for some

4454
02:53:08,389 --> 02:53:06,240
reason somebody who

4455
02:53:10,870 --> 02:53:08,399
whatever it doesn't matter

4456
02:53:12,309 --> 02:53:10,880
censorship is gay

4457
02:53:14,150 --> 02:53:12,319
just remember that and i don't mean like

4458
02:53:16,230 --> 02:53:14,160
homosexual i mean just like gay in

4459
02:53:18,950 --> 02:53:16,240
general as like that's [h__h] gay right

4460
02:53:22,150 --> 02:53:18,960
because like we love we love homosexuals

4461
02:53:23,110 --> 02:53:22,160
here dude so i mean you know i do i do i

4462
02:53:24,790 --> 02:53:23,120
love them

4463
02:53:26,790 --> 02:53:24,800

it's not like a homeless way but like i

4464

02:53:29,030 --> 02:53:26,800

love it

4465

02:53:31,590 --> 02:53:29,040

they're they're they're clean they're

4466

02:53:33,590 --> 02:53:31,600

tidy um and they they're very good

4467

02:53:35,510 --> 02:53:33,600

decorators you're an over general

4468

02:53:37,349 --> 02:53:35,520

generalizing joke usually when they move

4469

02:53:40,309 --> 02:53:37,359

into your neighborhood the uh property

4470

02:53:42,550 --> 02:53:40,319

value increases i mean it's i mean

4471

02:53:45,349 --> 02:53:42,560

they're great for the economy

4472

02:53:48,070 --> 02:53:45,359

um what i wanted to say is shut the

4473

02:53:49,030 --> 02:53:48,080

frack up joe uh

4474

02:53:50,830 --> 02:53:49,040

so

4475

02:53:56,070 --> 02:53:50,840

uh yeah

4476

02:54:00,230 --> 02:53:58,469

is uh my wife has texted me like four

4477

02:54:03,830 --> 02:54:00,240

times saying i'm being too loud

4478

02:54:06,150 --> 02:54:03,840

yeah she's already i gotta go uh

4479

02:54:07,830 --> 02:54:06,160

oh i also i would i want to just rehash

4480

02:54:09,190 --> 02:54:07,840

real quick um

4481

02:54:11,030 --> 02:54:09,200

the the

4482

02:54:14,230 --> 02:54:11,040

the [h__\h] that's coming out with the uh

4483

02:54:16,070 --> 02:54:14,240

the james webb web telescope if you guys

4484

02:54:18,389 --> 02:54:16,080

haven't uh heard about uh

4485

02:54:20,469 --> 02:54:18,399

smartereveryday this youtube channel it

4486

02:54:21,670 --> 02:54:20,479

has spiderwebs on it

4487

02:54:23,750 --> 02:54:21,680

it does

4488

02:54:25,110 --> 02:54:23,760

it's driven by tiny spiders a lot of

4489

02:54:28,230 --> 02:54:25,120

them

4490

02:54:29,910 --> 02:54:28,240

so uh this this uh youtube channel it's

4491

02:54:32,309 --> 02:54:29,920

called smarter everyday this dude is

4492

02:54:34,790 --> 02:54:32,319

awesome i just love his channel he does

4493

02:54:36,550 --> 02:54:34,800

he has a special on the or this episode

4494

02:54:38,630 --> 02:54:36,560

on the james webb telescope i highly

4495

02:54:41,030 --> 02:54:38,640

recommend everyone that's interested in

4496

02:54:42,950 --> 02:54:41,040

space and what's about to happen dude in

4497

02:54:44,790 --> 02:54:42,960

december like this is

4498

02:54:46,309 --> 02:54:44,800

[h__h] huge dude we're about to have

4499

02:54:48,469 --> 02:54:46,319

the most bestest and brightest and

4500

02:54:51,110 --> 02:54:48,479

coolest telescope ever

4501
02:54:53,590 --> 02:54:51,120
and it's happening in our lifetime dude

4502
02:54:55,510 --> 02:54:53,600
and i can't stand it anymore and i'm

4503
02:54:56,950 --> 02:54:55,520
about to freak out

4504
02:54:59,830 --> 02:54:56,960
you don't even have your headphones on

4505
02:55:01,269 --> 02:54:59,840
you don't know what i'm saying

4506
02:55:04,710 --> 02:55:01,279
but anyway i just think it's [h__\h]

4507
02:55:06,790 --> 02:55:04,720
cool i haven't uh i just yeah i i highly

4508
02:55:08,870 --> 02:55:06,800
recommend looking up smarter every day

4509
02:55:11,030 --> 02:55:08,880
looking up the james webb telescope dude

4510
02:55:13,670 --> 02:55:11,040
think about it man it's the best

4511
02:55:15,510 --> 02:55:13,680
telescope ever hey i did want to bring

4512
02:55:16,389 --> 02:55:15,520
up one little point on that little

4513
02:55:18,150 --> 02:55:16,399

discussion

4514

02:55:21,110 --> 02:55:18,160

that they had last night

4515

02:55:22,870 --> 02:55:21,120

where they had talked about how

4516

02:55:25,110 --> 02:55:22,880

in the religious community they talk

4517

02:55:28,389 --> 02:55:25,120

about how

4518

02:55:32,790 --> 02:55:28,399

man was created in god's own image yeah

4519

02:55:35,190 --> 02:55:32,800

and how we're very close to

4520

02:55:36,309 --> 02:55:35,200

creating things in a lab

4521

02:55:37,910 --> 02:55:36,319

constantly

4522

02:55:40,790 --> 02:55:37,920

dude that was nice

4523

02:55:43,910 --> 02:55:40,800

we could create a possible tiny little

4524

02:55:47,510 --> 02:55:43,920

universe in the future and if that's the

4525

02:55:50,550 --> 02:55:47,520

the case then with those creatures

4526

02:55:52,790 --> 02:55:50,560

i've had a entire bottle of wine i keep

4527

02:55:54,230 --> 02:55:52,800

hiccuping sorry i've noticed

4528

02:55:56,630 --> 02:55:54,240

and and

4529

02:55:59,910 --> 02:55:56,640

with those creatures look like us

4530

02:56:01,030 --> 02:55:59,920

because we created a mini universe in a

4531

02:56:03,830 --> 02:56:01,040

lab

4532

02:56:06,710 --> 02:56:03,840

and that

4533

02:56:07,670 --> 02:56:06,720

took me on a mental ride for a second

4534

02:56:10,710 --> 02:56:07,680

like

4535

02:56:13,670 --> 02:56:10,720

oh [h__\h] i love that because we do we

4536

02:56:14,950 --> 02:56:13,680

create [h__\h] all the time yes but are we

4537

02:56:18,070 --> 02:56:14,960

necessarily

4538

02:56:20,790 --> 02:56:18,080

creating things that look like us we are

4539

02:56:22,870 --> 02:56:20,800

creating ai robots artificial

4540

02:56:25,830 --> 02:56:22,880

intelligence that kind of look like us

4541

02:56:29,030 --> 02:56:25,840

so that way they can interact with us

4542

02:56:32,309 --> 02:56:29,040

right so if that face and and god made

4543

02:56:33,670 --> 02:56:32,319

us in his own image then it did he

4544

02:56:37,030 --> 02:56:33,680

create

4545

02:56:37,990 --> 02:56:37,040

to interact with him on a comfortable

4546

02:56:39,590 --> 02:56:38,000

level

4547

02:56:40,870 --> 02:56:39,600

and

4548

02:56:42,630 --> 02:56:40,880

i don't know that's all that's all

4549

02:56:45,030 --> 02:56:42,640

that's low that's all of you little dude

4550

02:56:47,590 --> 02:56:45,040

that's his brain dude he's

4551
02:56:49,670 --> 02:56:47,600
i know it's crazy so awesome it's crazy

4552
02:56:52,550 --> 02:56:49,680
so part of me was like

4553
02:56:55,030 --> 02:56:52,560
that's stupid and then part of me like

4554
02:56:56,870 --> 02:56:55,040
[h__h] brilliant right and it's weird

4555
02:56:59,349 --> 02:56:56,880
when you have a thought that includes

4556
02:57:01,510 --> 02:56:59,359
brilliant and [h__h] stupid at the same

4557
02:57:03,030 --> 02:57:01,520
time right

4558
02:57:04,870 --> 02:57:03,040
you know because because when we think

4559
02:57:06,790 --> 02:57:04,880
about extraterrestrials

4560
02:57:09,110 --> 02:57:06,800
they don't they don't necessarily look

4561
02:57:11,910 --> 02:57:09,120
like us and if god created everything in

4562
02:57:15,750 --> 02:57:11,920
the universe then how could we all be of

4563
02:57:19,429 --> 02:57:15,760

his own image if there's a uh uh a a

4564

02:57:23,910 --> 02:57:19,439

gray dude a human dude uh or a reptile

4565

02:57:26,309 --> 02:57:23,920

dude uh you know uh uh insectoid dude uh

4566

02:57:28,630 --> 02:57:26,319

fungal dude like

4567

02:57:31,590 --> 02:57:28,640

i don't you know you know you know the

4568

02:57:35,590 --> 02:57:31,600

mushroom guy the mushroom guy on uh that

4569

02:57:37,349 --> 02:57:35,600

that show on netflix yeah yeah uh

4570

02:57:39,510 --> 02:57:37,359

dude i don't if you haven't seen that

4571

02:57:44,150 --> 02:57:39,520

show it's so good dude oh my god it's

4572

02:57:47,910 --> 02:57:46,230

that's not gonna pull up anything no

4573

02:57:49,830 --> 02:57:47,920

locking

4574

02:57:51,990 --> 02:57:49,840

no it's not that's a great show not

4575

02:57:55,190 --> 02:57:52,000

locking key uh somebody in the chat

4576
02:57:57,030 --> 02:57:55,200
helped me out um it is it's like all the

4577
02:57:57,830 --> 02:57:57,040
conspiracy theories and all this [h__h]

4578
02:58:00,230 --> 02:57:57,840
like

4579
02:58:02,550 --> 02:58:00,240
anything everything we're talking about

4580
02:58:05,349 --> 02:58:02,560
it's this show it's this show on netflix

4581
02:58:08,230 --> 02:58:05,359
it's like animated um

4582
02:58:10,550 --> 02:58:08,240
oh my gosh yes gary call me on sunday

4583
02:58:13,110 --> 02:58:10,560
dude

4584
02:58:14,389 --> 02:58:13,120
conspiracy

4585
02:58:15,269 --> 02:58:14,399
theory

4586
02:58:19,349 --> 02:58:15,279
show

4587
02:58:21,510 --> 02:58:19,359
animated simon gets it the fungal dude

4588
02:58:23,510 --> 02:58:21,520

inside job it's called inside job inside

4589

02:58:25,990 --> 02:58:23,520

job oh big willy oh you just said it

4590

02:58:28,389 --> 02:58:26,000

yeah inside job uh so one of the main

4591

02:58:30,950 --> 02:58:28,399

characters in that show is is is a

4592

02:58:33,990 --> 02:58:30,960

fungus he's a he's a mushroom man and

4593

02:58:36,550 --> 02:58:34,000

he's an [h__\h] and it's hilarious

4594

02:58:37,590 --> 02:58:36,560

but no but he's like funny about it oh

4595

02:58:39,510 --> 02:58:37,600

nice

4596

02:58:41,429 --> 02:58:39,520

so he's like bill burr right

4597

02:58:43,670 --> 02:58:41,439

he's like a funny [h__\h] he just

4598

02:58:45,349 --> 02:58:43,680

parties and like gets drunk and like

4599

02:58:48,550 --> 02:58:45,359

he's just like says [h__\h] he shouldn't

4600

02:58:50,630 --> 02:58:48,560

all day like i love it

4601
02:58:52,389 --> 02:58:50,640
but so we were talking real quick i know

4602
02:58:54,710 --> 02:58:52,399
that was a lot that

4603
02:58:56,550 --> 02:58:54,720
what you said is exactly the the string

4604
02:58:58,469 --> 02:58:56,560
of thoughts of consciousness that avi

4605
02:59:01,990 --> 02:58:58,479
loeb said on stage last night where he's

4606
02:59:03,670 --> 02:59:02,000
going from like look if we agree

4607
02:59:05,990 --> 02:59:03,680
respectfully between science and

4608
02:59:09,429 --> 02:59:06,000
religion that god has made we were made

4609
02:59:12,309 --> 02:59:09,439
in god god's image then can we further

4610
02:59:13,830 --> 02:59:12,319
you know push that idea and and and test

4611
02:59:15,750 --> 02:59:13,840
that theory out

4612
02:59:19,190 --> 02:59:15,760
and prove that theory with

4613
02:59:21,830 --> 02:59:19,200

what has happened in the last 100 years

4614

02:59:25,349 --> 02:59:21,840

oh [h__h] i mean

4615

02:59:27,110 --> 02:59:25,359

that's exactly what he's describing um

4616

02:59:28,870 --> 02:59:27,120

and also he has a cool accent so

4617

02:59:31,750 --> 02:59:28,880

everything sounds super smart

4618

02:59:33,429 --> 02:59:31,760

yeah but like but like yeah

4619

02:59:34,790 --> 02:59:33,439

one thing that i think you

4620

02:59:36,309 --> 02:59:34,800

uh

4621

02:59:38,790 --> 02:59:36,319

in between that

4622

02:59:42,469 --> 02:59:38,800

that string of ideas joe that you missed

4623

02:59:45,590 --> 02:59:42,479

was it was it was should we not have

4624

02:59:48,630 --> 02:59:45,600

an ai system to

4625

02:59:52,070 --> 02:59:48,640

to detect what another ai system would

4626

02:59:54,870 --> 02:59:52,080

create so in order to see

4627

02:59:57,670 --> 02:59:54,880

a life form that was created by an ai or

4628

02:59:59,510 --> 02:59:57,680

another ai we would have to therefore

4629

03:00:02,389 --> 02:59:59,520

have an ai

4630

03:00:03,590 --> 03:00:02,399

to even interpret what we're looking at

4631

03:00:05,190 --> 03:00:03,600

right

4632

03:00:06,309 --> 03:00:05,200

i thought that was really cool

4633

03:00:10,469 --> 03:00:06,319

yeah

4634

03:00:12,550 --> 03:00:10,479

don't know what this is because i

4635

03:00:13,990 --> 03:00:12,560

haven't created the thing

4636

03:00:16,309 --> 03:00:14,000

that can tell me

4637

03:00:18,790 --> 03:00:16,319

what this is in the first place

4638

03:00:21,830 --> 03:00:18,800

but in order for that thing to exist

4639

03:00:24,790 --> 03:00:21,840

the thing i created has to be created

4640

03:00:26,150 --> 03:00:24,800

first to even tell me what this is like

4641

03:00:27,590 --> 03:00:26,160

it's ah

4642

03:00:30,309 --> 03:00:27,600

so that goes back to what we were

4643

03:00:32,630 --> 03:00:30,319

talking about earlier um with with this

4644

03:00:33,990 --> 03:00:32,640

idea of sensors right like just because

4645

03:00:35,110 --> 03:00:34,000

we can't

4646

03:00:36,790 --> 03:00:35,120

uh

4647

03:00:40,230 --> 03:00:36,800

have full

4648

03:00:43,910 --> 03:00:40,240

great radar data or or video or

4649

03:00:44,950 --> 03:00:43,920

whatever to to to come up with data and

4650

03:00:47,190 --> 03:00:44,960

science

4651
03:00:50,230 --> 03:00:47,200
and stuff we can record on these uaps on

4652
03:00:53,269 --> 03:00:50,240
these ufos these entities of light or

4653
03:00:55,670 --> 03:00:53,279
whether they be gray or mantis creatures

4654
03:00:57,750 --> 03:00:55,680
all we have that we can really depend on

4655
03:00:59,910 --> 03:00:57,760
is people's memories

4656
03:01:01,510 --> 03:00:59,920
and we all know that that's some got

4657
03:01:03,269 --> 03:01:01,520
sometimes not the

4658
03:01:06,469 --> 03:01:03,279
the best data point

4659
03:01:08,870 --> 03:01:06,479
it's actually the worst at a point yeah

4660
03:01:11,670 --> 03:01:08,880
yeah but i think if

4661
03:01:16,070 --> 03:01:11,680
if enough people

4662
03:01:18,630 --> 03:01:16,080
agree on a specific data point really a

4663
03:01:20,870 --> 03:01:18,640

few data points i think that can be

4664

03:01:22,790 --> 03:01:20,880

swayed in the way we're like hey this is

4665

03:01:24,309 --> 03:01:22,800

probably a fact though right like this

4666

03:01:26,550 --> 03:01:24,319

[h__h] is happening people are getting

4667

03:01:28,550 --> 03:01:26,560

abducted people are seeing this right

4668

03:01:31,030 --> 03:01:28,560

like it's not just the sensors it's not

4669

03:01:34,150 --> 03:01:31,040

just the data people are seeing this

4670

03:01:36,469 --> 03:01:34,160

i mean yeah dude our buddy josh casey

4671

03:01:38,070 --> 03:01:36,479

just sent us some photos and videos

4672

03:01:40,230 --> 03:01:38,080

yeah he's all right

4673

03:01:42,870 --> 03:01:40,240

you just saw this [h__h] there's a lot

4674

03:01:45,750 --> 03:01:42,880

left out of the discussion last night

4675

03:01:48,389 --> 03:01:45,760

but for obvious reasons yes

4676

03:01:50,950 --> 03:01:48,399

absolutely which i mean why go that's

4677

03:01:53,110 --> 03:01:50,960

not the the platform to go in

4678

03:01:55,030 --> 03:01:53,120

and like hey for a second stay here for

4679

03:01:56,150 --> 03:01:55,040

how much time do you have i have a story

4680

03:01:58,790 --> 03:01:56,160

for you

4681

03:01:59,990 --> 03:01:58,800

yeah that's not the time to do it um

4682

03:02:03,750 --> 03:02:00,000

which

4683

03:02:05,590 --> 03:02:03,760

ambassadors to this whole community like

4684

03:02:07,269 --> 03:02:05,600

coffee lobe dude because he's so well

4685

03:02:08,950 --> 03:02:07,279

spoken dude

4686

03:02:12,670 --> 03:02:08,960

i had no idea that i was in love with

4687

03:02:17,590 --> 03:02:14,550

intellectually okay

4688

03:02:19,910 --> 03:02:17,600

uh she was awesome yeah i know man i

4689

03:02:21,590 --> 03:02:19,920

know but also the reverend uh to his

4690

03:02:23,429 --> 03:02:21,600

counter would not

4691

03:02:25,269 --> 03:02:23,439

the reverend that was to his side the

4692

03:02:27,030 --> 03:02:25,279

the christensen guy he had a lot of

4693

03:02:28,469 --> 03:02:27,040

really interesting thoughts and i did

4694

03:02:31,830 --> 03:02:28,479

man

4695

03:02:33,910 --> 03:02:31,840

i uh tweeted about this but uh one of uh

4696

03:02:36,710 --> 03:02:33,920

the things that he says was

4697

03:02:41,030 --> 03:02:36,720

is that uh science is just us thinking

4698

03:02:46,070 --> 03:02:41,040

god's thoughts after him after him yes

4699

03:02:49,030 --> 03:02:46,080

dude that is cool yeah that is cool yes

4700

03:02:51,190 --> 03:02:49,040

dude yes that is cool

4701
03:02:52,870 --> 03:02:51,200
big willy says big wooly says kind of

4702
03:02:53,910 --> 03:02:52,880
sus if you ask me and i don't know if

4703
03:02:55,269 --> 03:02:53,920
you've uh

4704
03:02:57,510 --> 03:02:55,279
if you guys have seen the big willy show

4705
03:02:58,469 --> 03:02:57,520
but anytime anybody says sus on the show

4706
03:03:00,070 --> 03:02:58,479
we drink

4707
03:03:01,690 --> 03:03:00,080
so

4708
03:03:04,389 --> 03:03:01,700
cheers

4709
03:03:08,870 --> 03:03:04,399
[Music]

4710
03:03:16,309 --> 03:03:13,030
um well anyway dude yeah dude

4711
03:03:18,790 --> 03:03:16,319
i'm out of ideas okay well

4712
03:03:20,070 --> 03:03:18,800
till next time until next time dude

4713
03:03:22,950 --> 03:03:20,080

those are great that was a great it was

4714

03:03:25,910 --> 03:03:22,960

a great hang dude that was man that was

4715

03:03:27,910 --> 03:03:25,920

uh hell yeah before we get off uh hey

4716

03:03:30,790 --> 03:03:27,920

y'all check out check out uh spaced out

4717

03:03:33,349 --> 03:03:30,800

radio uh they come on at 11. uh dave

4718

03:03:34,550 --> 03:03:33,359

scott has got a great show

4719

03:03:35,990 --> 03:03:34,560

i'm sure a lot of you guys that are

4720

03:03:38,070 --> 03:03:36,000

already here already know about dave

4721

03:03:41,830 --> 03:03:38,080

scott's we only have to tell you we just

4722

03:03:44,550 --> 03:03:41,840

4747

03:04:35,750 --> 03:04:33,840

4762
03:05:17,670 --> 03:05:15,680
the show right i had i apologized

4763
03:05:19,910 --> 03:05:17,680

because you guys send me invites all the

4764

03:05:22,309 --> 03:05:19,920

time and i was just saying how like

4765

03:05:24,230 --> 03:05:22,319

from friday through sunday

4766

03:05:25,990 --> 03:05:24,240

my family

4767

03:05:28,469 --> 03:05:26,000

uh

4768

03:05:29,830 --> 03:05:28,479

they absorbed my being

4769

03:05:32,790 --> 03:05:29,840

right like

4770

03:05:36,469 --> 03:05:32,800

i just like if i'm like hey

4771

03:05:39,269 --> 03:05:36,479

i got this thing they're like no family

4772

03:05:40,710 --> 03:05:39,279

time and like i gotta go i got i gotta

4773

03:05:42,710 --> 03:05:40,720

do it you know what i'm saying family

4774

03:05:44,550 --> 03:05:42,720

convert comes first i got some little

4775

03:05:50,150 --> 03:05:44,560

turns running around

4776

03:05:52,309 --> 03:05:50,160

right and i love them little churns so

4777

03:05:54,469 --> 03:05:52,319

you know throughout the week honestly to

4778

03:05:57,110 --> 03:05:54,479

see my little churns that much so on the

4779

03:05:58,870 --> 03:05:57,120

weekends i hang out with my churns yeah

4780

03:06:02,150 --> 03:05:58,880

you're a good dad

4781

03:06:07,349 --> 03:06:05,750

uh yeah but the next time that i had the

4782

03:06:09,349 --> 03:06:07,359

availability

4783

03:06:11,269 --> 03:06:09,359

keep sending me the links i guarantee

4784

03:06:13,830 --> 03:06:11,279

you i guarantee i'm kind of like the

4785

03:06:15,349 --> 03:06:13,840

powerball right you keep playing

4786

03:06:16,230 --> 03:06:15,359

eventually you're going to win

4787

03:06:17,590 --> 03:06:16,240

right

4788

03:06:21,110 --> 03:06:17,600

you will

4789

03:06:26,150 --> 03:06:24,389

not one in two million right i'm i'm

4790

03:06:27,349 --> 03:06:26,160

more of like a one in

4791

03:06:30,309 --> 03:06:27,359

30

4792

03:06:31,910 --> 03:06:30,319

odds so definitely this one chris holmes

4793

03:06:33,429 --> 03:06:31,920

says you love your family more than you

4794

03:06:36,710 --> 03:06:33,439

love us

4795

03:06:38,630 --> 03:06:36,720

you are my family dude

4796

03:06:40,870 --> 03:06:38,640

you are my family chris

4797

03:06:44,389 --> 03:06:40,880

we love you all right dude thank you man

4798

03:06:47,349 --> 03:06:44,399

well i'm about to turn into a crab so um

4799

03:06:49,190 --> 03:06:47,359

hey this is a fun uh hey this is a great

4800

03:06:51,190 --> 03:06:49,200

time uh

4801
03:06:53,429 --> 03:06:51,200
do we have anybody scheduled for next

4802
03:06:55,349 --> 03:06:53,439
week are we still waiting on that

4803
03:06:57,590 --> 03:06:55,359
i thought we were gonna do an official

4804
03:07:00,309 --> 03:06:57,600
thirsty thursdays all right let's do

4805
03:07:02,150 --> 03:07:00,319
that next week then official thirst

4806
03:07:04,150 --> 03:07:02,160
i think we should do open the lines next

4807
03:07:05,590 --> 03:07:04,160
week do you want to open the lines oh

4808
03:07:06,870 --> 03:07:05,600
but just [h__\h]

4809
03:07:09,349 --> 03:07:06,880
anybody wants to cover a bunch of

4810
03:07:10,630 --> 03:07:09,359
[h__\h] [h__\h] coming in yes he'll be

4811
03:07:14,230 --> 03:07:10,640
like

4812
03:07:15,670 --> 03:07:14,240
i want people to call in just to say hey

4813
03:07:17,429 --> 03:07:15,680

hey what are you doing what are you

4814

03:07:19,510 --> 03:07:17,439

4816

03:07:25,429 --> 03:07:22,720

yes dude i love it man i love it

4817

03:07:27,830 --> 03:07:25,439

let's do it crap people oh yeah maybe

4818

03:07:30,550 --> 03:07:27,840

maybe we'll get lou on again

4819

03:07:32,870 --> 03:07:30,560

4820

03:07:33,830 --> 03:07:32,880

4821

03:07:35,269 --> 03:07:33,840

4822

03:07:36,630 --> 03:07:35,279

that dude's been in the chat the past

4823

03:07:38,790 --> 03:07:36,640

4824

03:07:40,870 --> 03:07:38,800

4836
03:08:09,590 --> 03:08:07,040
simon's a new one simon i think simon is

4837
03:08:11,510 --> 03:08:09,600
actually a new member simon

4838
03:08:13,510 --> 03:08:11,520

i think he is congratulations simon for

4839

03:08:16,070 --> 03:08:13,520

being remembered we will send you your

4840

03:08:17,030 --> 03:08:16,080

certificate simon sir

4841

03:08:21,750 --> 03:08:17,040

yes

4842

03:08:24,389 --> 03:08:21,760

by the way everybody who's here right

4843

03:08:27,510 --> 03:08:24,399

now you should pull up the website and

4844

03:08:30,550 --> 03:08:27,520

and show the chat um you know what i'm

4845

03:08:33,190 --> 03:08:30,560

saying so you can see the levels of what

4846

03:08:34,389 --> 03:08:33,200

you can achieve not only you you not

4847

03:08:37,429 --> 03:08:34,399

only

4848

03:08:39,830 --> 03:08:37,439

can just become a doctor scientist

4849

03:08:42,230 --> 03:08:39,840

also i love how the descriptions of

4850

03:08:45,030 --> 03:08:42,240

everyone were the exact same they just

4851

03:08:46,389 --> 03:08:45,040

changed what they were

4852

03:08:48,870 --> 03:08:46,399

your friends and family won't know what

4853

03:08:50,550 --> 03:08:48,880

a doctor scientist is but it looks cool

4854

03:08:52,150 --> 03:08:50,560

and it sounds legit

4855

03:08:56,389 --> 03:08:52,160

your friends and family may not know

4856

03:08:57,910 --> 03:08:56,399

what a what a fart doctor or whatever

4857

03:08:59,750 --> 03:08:57,920

dude so all right so we're trying to

4858

03:09:02,070 --> 03:08:59,760

think of ways that we could support the

4859

03:09:04,230 --> 03:09:02,080

podcast now the show's almost over i

4860

03:09:06,070 --> 03:09:04,240

just yeah might as well go through this

4861

03:09:07,750 --> 03:09:06,080

something new we put up and it's kind of

4862

03:09:08,950 --> 03:09:07,760

like a patreon but

4863

03:09:11,429 --> 03:09:08,960

patreon

4864

03:09:13,510 --> 03:09:11,439

they take like a certain percentage and

4865

03:09:15,750 --> 03:09:13,520

this way it just goes straight to us so

4866

03:09:17,750 --> 03:09:15,760

that's yeah because we do it not patreon

4867

03:09:20,070 --> 03:09:17,760

and what's cool is we can send we can

4868

03:09:22,309 --> 03:09:20,080

spend that amount that would normally go

4869

03:09:24,630 --> 03:09:22,319

just out into the ether to some company

4870

03:09:26,870 --> 03:09:24,640

that just does what i just did

4871

03:09:30,070 --> 03:09:26,880

instead of doing that we spend the money

4872

03:09:32,469 --> 03:09:30,080

on on on printing a certificate with

4873

03:09:34,550 --> 03:09:32,479

your name on it and sending it to you

4874

03:09:36,309 --> 03:09:34,560

official you can put it in a frame you

4875

03:09:38,550 --> 03:09:36,319

have to buy your own frame but we'll

4876

03:09:39,750 --> 03:09:38,560

send it to you if you could certify no

4877

03:09:41,670 --> 03:09:39,760

well yeah you do have to buy your own

4878

03:09:44,389 --> 03:09:41,680

framework you got to buy your own frame

4879

03:09:47,830 --> 03:09:44,399

if you get certified oh is it not it's

4880

03:09:51,670 --> 03:09:47,840

not uh populating on uh oh i did i did

4881

03:09:54,389 --> 03:09:51,680

the wrong uh window okay here we go

4882

03:09:58,870 --> 03:09:54,399

okay i opened up a different window

4883

03:10:00,870 --> 03:09:58,880

here we go stop screen

4884

03:10:03,190 --> 03:10:00,880

this is how ben learns how to fix his

4885

03:10:04,469 --> 03:10:03,200

own websites yeah that's exactly what i

4886

03:10:06,950 --> 03:10:04,479

do

4887

03:10:08,150 --> 03:10:06,960

certified certified

4888

03:10:09,429 --> 03:10:08,160

so if you want to become a doctor

4889

03:10:11,349 --> 03:10:09,439

scientist you could

4890

03:10:13,269 --> 03:10:11,359

we're going to send you this print

4891

03:10:15,190 --> 03:10:13,279

and it says support the ufo uh ufo

4892

03:10:17,030 --> 03:10:15,200

garage podcast by becoming a certified

4893

03:10:18,790 --> 03:10:17,040

doctor scientist for five bucks a month

4894

03:10:20,630 --> 03:10:18,800

you'll receive your official doctor

4895

03:10:22,870 --> 03:10:20,640

scientist certification with your name

4896

03:10:25,110 --> 03:10:22,880

on it we'll put your name on it man

4897

03:10:28,150 --> 03:10:25,120

and you can hang it up next to your your

4898

03:10:30,229 --> 03:10:28,160

brother or sister who became a doctor

4899

03:10:32,070 --> 03:10:30,239

and and they printed that [h__h] and their

4900

03:10:33,349 --> 03:10:32,080

and your parents put it on their wall

4901
03:10:35,349 --> 03:10:33,359
yeah you can put that [h__h] on your

4902
03:10:37,269 --> 03:10:35,359
parents wall yeah right next to you go

4903
03:10:39,269 --> 03:10:37,279
to your mom's house right next to your

4904
03:10:41,269 --> 03:10:39,279
siblings who like worked a lot harder

4905
03:10:42,790 --> 03:10:41,279
smarter not smarter

4906
03:10:44,630 --> 03:10:42,800
worked harder than you

4907
03:10:45,910 --> 03:10:44,640
you don't have to work as hard you just

4908
03:10:48,790 --> 03:10:45,920
have to be cool

4909
03:10:50,630 --> 03:10:48,800
and that's

4910
03:10:51,590 --> 03:10:50,640
because we don't run indoctrination

4911
03:10:52,469 --> 03:10:51,600
camps

4912
03:10:55,590 --> 03:10:52,479
right

4913
03:10:57,590 --> 03:10:55,600

we run free thinking camps yes

4914

03:11:00,389 --> 03:10:57,600

yeah

4915

03:11:02,469 --> 03:11:00,399

i don't know camp are already sounds bad

4916

03:11:05,429 --> 03:11:02,479

oh we we run

4917

03:11:06,790 --> 03:11:05,439

um free thinking universities yeah

4918

03:11:09,349 --> 03:11:06,800

university

4919

03:11:11,429 --> 03:11:09,359

that's what this is we're the obvious oh

4920

03:11:13,520 --> 03:11:11,439

is it the obvious college instead of the

4921

03:11:16,070 --> 03:11:13,530

invisible college or the obvious college

4922

03:11:17,830 --> 03:11:16,080

[Laughter]

4923

03:11:19,190 --> 03:11:17,840

invisible college if you guys don't know

4924

03:11:22,630 --> 03:11:19,200

what that is

4925

03:11:23,590 --> 03:11:22,640

look it up

4926

03:11:35,190 --> 03:11:23,600

i

4927

03:11:37,030 --> 03:11:35,200

have you guys ever heard of the the

4928

03:11:39,269 --> 03:11:37,040

invisible college and we were like yeah

4929

03:11:42,070 --> 03:11:39,279

oh god we should start the obvious

4930

03:11:47,670 --> 03:11:43,590

oh my god where we could talk about the

4931

03:11:52,070 --> 03:11:49,670

i mean that's pretty much the show right

4932

03:11:55,670 --> 03:11:54,790

the euphonia is the top that's the top

4933

03:12:01,670 --> 03:11:55,680

tier

4934

03:12:04,469 --> 03:12:01,680

euphonite which is somebody who occupies

4935

03:12:06,389 --> 03:12:04,479

a ufo yeah

4936

03:12:08,309 --> 03:12:06,399

you get your own and uh we'll send you

4937

03:12:11,349 --> 03:12:08,319

the little little icon so you can add it

4938

03:12:12,870 --> 03:12:11,359

to your uh it's a like a png download

4939

03:12:15,110 --> 03:12:12,880

yeah that's pretty cool

4940

03:12:16,790 --> 03:12:15,120

yeah lots of cool stuff you can't just

4941

03:12:21,190 --> 03:12:16,800

like copy and paste that from our

4942

03:12:27,110 --> 03:12:23,910

yeah spooky morales ufo garage

4943

03:12:28,630 --> 03:12:27,120

university dude absolutely dude you can

4944

03:12:30,309 --> 03:12:28,640

you will you have your name on it it's

4945

03:12:31,349 --> 03:12:30,319

gonna say space fart officer are you

4946

03:12:32,870 --> 03:12:31,359

kidding me you're gonna have that in

4947

03:12:35,349 --> 03:12:32,880

your office how badass is that gonna

4948

03:12:37,590 --> 03:12:35,359

have to be so fun oh cool

4949

03:12:38,710 --> 03:12:37,600

like if you have a job that like has a

4950

03:12:43,910 --> 03:12:38,720

ceo

4951

03:12:45,510 --> 03:12:43,920

certificate like yeah like over it

4952

03:12:47,190 --> 03:12:45,520

you're like but i'm a space fart office

4953

03:12:49,670 --> 03:12:47,200

officer

4954

03:12:52,469 --> 03:12:49,680

he's certified what'd you pay for like a

4955

03:12:53,269 --> 03:12:52,479

hundred and sixty thousand dollars

4956

03:12:54,870 --> 03:12:53,279

oh

4957

03:12:57,510 --> 03:12:54,880

bro i paid 10.

4958

03:12:59,190 --> 03:12:57,520

and i'm an official space fart officer

4959

03:13:01,269 --> 03:12:59,200

and technically you could just sign up

4960

03:13:03,510 --> 03:13:01,279

one time and get the certification and

4961

03:13:06,389 --> 03:13:03,520

not pay us again but it'd be cool

4962

03:13:09,269 --> 03:13:06,399

if you kept five dollars for a doctor

4963

03:13:10,630 --> 03:13:09,279

scientist degree certified for a degree

4964

03:13:13,190 --> 03:13:10,640

it's not even a certificate it's a

4965

03:13:17,190 --> 03:13:13,200

degree well it's

4966

03:13:20,389 --> 03:13:18,550

yeah

4967

03:13:23,110 --> 03:13:20,399

having this degree is like being like a

4968

03:13:24,950 --> 03:13:23,120

fifth degree black belt pretty much dude

4969

03:13:27,750 --> 03:13:24,960

they're the exact they're the equivalent

4970

03:13:29,429 --> 03:13:27,760

so like you know how like a degree black

4971

03:13:30,870 --> 03:13:29,439

belts can't like fight people because

4972

03:13:31,990 --> 03:13:30,880

they're registered as like lethal

4973

03:13:34,229 --> 03:13:32,000

weapons

4974

03:13:37,269 --> 03:13:34,239

well when you get an official doctor

4975

03:13:39,269 --> 03:13:37,279

scientist space fart officer or euphenot

4976
03:13:40,790 --> 03:13:39,279
degree yeah you know what i'm saying

4977
03:13:42,950 --> 03:13:40,800
like you don't even have to argue with

4978
03:13:44,630 --> 03:13:42,960
people because legally

4979
03:13:46,630 --> 03:13:44,640
you're a lethal weapon your brain is a

4980
03:13:48,389 --> 03:13:46,640
lethal weapon

4981
03:13:50,389 --> 03:13:48,399
that's a disclaimer we should put on the

4982
03:13:51,990 --> 03:13:50,399
certification we should that your brain

4983
03:13:53,830 --> 03:13:52,000
is a lethal weapon and so you're not

4984
03:13:54,560 --> 03:13:53,840
allowed to argue with dumb ass people

4985
03:13:55,830 --> 03:13:54,570
all the

4986
03:13:57,750 --> 03:13:55,840
[Laughter]

4987
03:13:59,510 --> 03:13:57,760
we gotta do show actually we should do

4988
03:14:01,190 --> 03:13:59,520

certifications and a little card you

4989

03:14:03,750 --> 03:14:01,200

could have in your wallet just you know

4990

03:14:05,830 --> 03:14:03,760

dude like or like or like when somebody

4991

03:14:08,870 --> 03:14:05,840

starts to argue with you online you can

4992

03:14:10,870 --> 03:14:08,880

just post your [h__h] degree and be

4993

03:14:12,870 --> 03:14:10,880

like look i'm this degree i'm not

4994

03:14:15,349 --> 03:14:12,880

allowed to argue with you because my

4995

03:14:17,830 --> 03:14:15,359

brain is a lethal weapon i listen to ufo

4996

03:14:20,150 --> 03:14:17,840

garage dude

4997

03:14:22,150 --> 03:14:20,160

we we almost went with the highest tier

4998

03:14:24,469 --> 03:14:22,160

being like ufologists but i feel like we

4999

03:14:26,550 --> 03:14:24,479

would piss a lot of people off with that

5000

03:14:28,309 --> 03:14:26,560

yeah you decided not to go with like you

5001

03:14:30,550 --> 03:14:28,319

can get like a certified because like

5002

03:14:32,389 --> 03:14:30,560

that's the joke right like ufology you

5003

03:14:35,830 --> 03:14:32,399

can't get certified or like have a

5004

03:14:36,790 --> 03:14:35,840

degree in that like no we didn't want to

5005

03:14:38,229 --> 03:14:36,800

piss up

5006

03:14:40,469 --> 03:14:38,239

we'd probably make a lot of people mad

5007

03:14:43,030 --> 03:14:40,479

if we wanted to piss people off but we

5008

03:14:44,790 --> 03:14:43,040

were like let's just go with you for not

5009

03:14:47,670 --> 03:14:44,800

yeah but

5010

03:14:52,870 --> 03:14:51,269

if if we have a couple more bottles

5011

03:14:54,000 --> 03:14:52,880

guarantee you see that [h__\h] on the

5012

03:14:55,349 --> 03:14:54,010

website pretty soon

5013

03:14:57,429 --> 03:14:55,359

[Laughter]

5014

03:15:00,550 --> 03:14:57,439

i mean it might happen tonight one more

5015

03:15:01,990 --> 03:15:00,560

bottle of wine and you become that's the

5016

03:15:05,190 --> 03:15:02,000

for fifty dollars that's the fifty

5017

03:15:07,110 --> 03:15:05,200

dollars special you apologize and we

5018

03:15:09,030 --> 03:15:07,120

will send you a certificate to become an

5019

03:15:11,429 --> 03:15:09,040

official ufologist

5020

03:15:13,990 --> 03:15:11,439

just like like like the argument is like

5021

03:15:15,990 --> 03:15:14,000

oh ufology's not a thing because like

5022

03:15:17,590 --> 03:15:16,000

there's no university or whatever but

5023

03:15:19,590 --> 03:15:17,600

like if somebody googles it and they

5024

03:15:21,910 --> 03:15:19,600

find our [h__\h] website

5025

03:15:23,990 --> 03:15:21,920

yeah you can get certified it actually

5026
03:15:25,910 --> 03:15:24,000
and then it comes on our shoulders and

5027
03:15:27,910 --> 03:15:25,920
then we like we make everybody else look

5028
03:15:29,990 --> 03:15:27,920
done like i feel bad can you imagine

5029
03:15:36,469 --> 03:15:30,000
conferences in the next five years being

5030
03:15:39,269 --> 03:15:37,670
that are

5031
03:15:41,990 --> 03:15:39,279
graduating from

5032
03:15:43,030 --> 03:15:42,000
ufo garage university

5033
03:15:44,790 --> 03:15:43,040
yeah

5034
03:15:47,110 --> 03:15:44,800
i feel like we would do the community a

5035
03:15:49,110 --> 03:15:47,120
disservice it would be hilarious because

5036
03:15:50,790 --> 03:15:49,120
there'd be like a lot of legit people

5037
03:15:53,030 --> 03:15:50,800
and they would have like you know like

5038
03:15:56,229 --> 03:15:53,040

uh uh uh

5039

03:15:59,190 --> 03:15:56,239

my labs researcher for 30 years or like

5040

03:16:03,670 --> 03:15:59,200

[h__h] like you know like i've been uh

5041

03:16:05,349 --> 03:16:03,680

uh i'm a military aircraft historian and

5042

03:16:07,590 --> 03:16:05,359

then they'll be like

5043

03:16:11,190 --> 03:16:07,600

uh ufologist

5044

03:16:13,110 --> 03:16:11,200

um fart specialist

5045

03:16:16,469 --> 03:16:13,120

masturbation propulsion technology

5046

03:16:19,910 --> 03:16:17,910

and there were like eight of them on the

5047

03:16:21,910 --> 03:16:19,920

list because nowadays when they have

5048

03:16:23,750 --> 03:16:21,920

like conferences well they have like

5049

03:16:24,469 --> 03:16:23,760

like 30 people

5050

03:16:29,590 --> 03:16:24,479

so

5051
03:16:30,710 --> 03:16:29,600
like you know linkedin

5052
03:16:32,229 --> 03:16:30,720
well

5053
03:16:34,710 --> 03:16:32,239
on linkedin

5054
03:16:36,550 --> 03:16:34,720
uh you can add and you have to get you

5055
03:16:37,990 --> 03:16:36,560
have to like go through a rigamarole to

5056
03:16:39,510 --> 03:16:38,000
like actually because i worked for this

5057
03:16:41,429 --> 03:16:39,520
really famous marketing company that

5058
03:16:42,630 --> 03:16:41,439
actually i did this for them

5059
03:16:43,830 --> 03:16:42,640
you actually have to like sign a bunch

5060
03:16:46,389 --> 03:16:43,840
of paperwork to actually get this

5061
03:16:48,389 --> 03:16:46,399
approved and all it is is like 50 bucks

5062
03:16:51,110 --> 03:16:48,399
we could actually do it and then it's

5063
03:16:54,070 --> 03:16:51,120

like established as a linkedin official

5064

03:16:57,269 --> 03:16:54,080

certification oh my god everybody's

5065

03:16:59,349 --> 03:16:57,279

saying do it so i think i think by

5066

03:16:59,840 --> 03:16:59,359

tomorrow we should have a ufologist

5067

03:17:02,229 --> 03:16:59,850

degree

5068

03:17:04,070 --> 03:17:02,239

[Laughter]

5069

03:17:05,830 --> 03:17:04,080

for fifty dollars

5070

03:17:07,590 --> 03:17:05,840

bro

5071

03:17:08,950 --> 03:17:07,600

it would be so funny but then like

5072

03:17:10,830 --> 03:17:08,960

people that weren't in on the joke would

5073

03:17:14,070 --> 03:17:10,840

be like oh

5074

03:17:15,910 --> 03:17:14,080

[h__h] unidentified celebrity review said

5075

03:17:18,150 --> 03:17:15,920

you'll be able to apply like a church

5076

03:17:21,429 --> 03:17:18,160

and not pay taxes

5077

03:17:23,110 --> 03:17:21,439

that's genius oh my god

5078

03:17:25,190 --> 03:17:23,120

i think you might be right it should be

5079

03:17:32,950 --> 03:17:25,200

a religious university that studies

5080

03:17:36,630 --> 03:17:34,469

we're a religious university that

5081

03:17:38,229 --> 03:17:36,640

studies far so masturbation

5082

03:17:40,309 --> 03:17:38,239

and ufos

5083

03:17:41,990 --> 03:17:40,319

but lewis i think he might ah i think he

5084

03:17:43,670 --> 03:17:42,000

might be onto something dude

5085

03:17:45,190 --> 03:17:43,680

oh god

5086

03:17:46,870 --> 03:17:45,200

hey

5087

03:17:49,670 --> 03:17:46,880

yeah we can say when we save a couple

5088

03:17:51,429 --> 03:17:49,680

bucks right let's just let's do it like

5089

03:17:52,150 --> 03:17:51,439

the the the people

5090

03:17:54,469 --> 03:17:52,160

like

5091

03:17:57,349 --> 03:17:54,479

at the tax place i forgot what the thing

5092

03:18:00,790 --> 03:17:57,359

is irs they're like okay

5093

03:18:04,150 --> 03:18:01,990

they didn't make a lot of money this

5094

03:18:06,429 --> 03:18:04,160

year but like

5095

03:18:08,870 --> 03:18:06,439

what should we do

5096

03:18:10,710 --> 03:18:08,880

yeah what are they they're talking about

5097

03:18:12,550 --> 03:18:10,720

masturbation propulsion technology are

5098

03:18:14,870 --> 03:18:12,560

they are they in the energy section or

5099

03:18:16,710 --> 03:18:14,880

are they in the education or religion we

5100

03:18:19,349 --> 03:18:16,720

don't know what these guys are we don't

5101
03:18:21,110 --> 03:18:19,359
know what they're doing what are they

5102
03:18:22,469 --> 03:18:21,120
doing

5103
03:18:24,630 --> 03:18:22,479
wouldn't that be awesome if there was a

5104
03:18:26,229 --> 03:18:24,640
whole new tax bracket created for the

5105
03:18:31,590 --> 03:18:26,239
united states because

5106
03:18:35,670 --> 03:18:33,750
it's like a whole new tax man like biden

5107
03:18:37,750 --> 03:18:35,680
comes on the on the tv and it's like

5108
03:18:39,190 --> 03:18:37,760
we're we're implementing a new tax

5109
03:18:43,429 --> 03:18:39,200
bracket uh

5110
03:18:47,429 --> 03:18:45,990
and ufos we're not discriminating look

5111
03:18:49,110 --> 03:18:47,439
we want to get ahead of this we want to

5112
03:18:51,670 --> 03:18:49,120
get ahead of this thing we want we don't

5113
03:18:53,850 --> 03:18:51,680

want to offend anybody that's

5114

03:18:56,229 --> 03:18:53,860

in a masturbation or

5115

03:18:58,150 --> 03:18:56,239

[Laughter]

5116

03:19:05,590 --> 03:18:58,160

you and joe biden say masturbation and

5117

03:19:05,600 --> 03:19:10,150

oh [h__h] man oh my god

5118

03:19:15,510 --> 03:19:12,630

master oh yeah

5119

03:19:18,550 --> 03:19:15,520

we need a master bait here

5120

03:19:21,670 --> 03:19:18,560

here yet love that

5121

03:19:23,190 --> 03:19:21,680

fartervation oh dude

5122

03:19:24,710 --> 03:19:23,200

oh my god there's so many there's so

5123

03:19:26,710 --> 03:19:24,720

many ways we could do we could we could

5124

03:19:28,630 --> 03:19:26,720

so it's so funny it's just gonna keep

5125

03:19:31,510 --> 03:19:28,640

going

5126

03:19:34,150 --> 03:19:31,520

like it's funny because like it's funny

5127

03:19:35,110 --> 03:19:34,160

because people take it seriously

5128

03:19:37,590 --> 03:19:35,120

no

5129

03:19:39,269 --> 03:19:37,600

but i also take it seriously dude and

5130

03:19:42,150 --> 03:19:39,279

like that's what makes it funny it's so

5131

03:19:43,990 --> 03:19:42,160

it's so it's such a catch-22 dude oh my

5132

03:19:47,110 --> 03:19:44,000

god

5133

03:19:49,910 --> 03:19:47,120

i love the [h__h] but i also love [h__h]

5134

03:19:51,590 --> 03:19:49,920

around about it dude it's you it's so

5135

03:19:54,469 --> 03:19:51,600

fun

5136

03:19:55,990 --> 03:19:54,479

oh my god okay all right dude all right

5137

03:19:57,429 --> 03:19:56,000

that's the end that's fine or we'll just

5138

03:19:59,349 --> 03:19:57,439

keep going

5139

03:20:01,030 --> 03:19:59,359

5140

03:20:02,790 --> 03:20:01,040
