

UFO GARAGE

A stylized illustration of a green classic car, possibly a Chevrolet Camaro, flying through space. Two men are visible in the car: one in the driver's seat wearing a green cap and another in the passenger seat with a beard and glasses. Above the car is a UFO with a saucer and a probe. The car and UFO are surrounded by white motion lines, suggesting speed. The background is a dark, textured space with a green diagonal stripe in the top-left and bottom-right corners.

facebook user hell yeah

56
00:02:44,470 --> 00:02:42,720
yeah i like it spooky

57
00:02:47,430 --> 00:02:44,480
sorry they just keep popping up dude

58
00:02:49,350 --> 00:02:47,440
sorry okay okay no more

59
00:02:50,790 --> 00:02:49,360
well i was gonna say because we're going

60
00:02:51,910 --> 00:02:50,800
live on facebook

61
00:02:53,350 --> 00:02:51,920
um

62
00:02:55,110 --> 00:02:53,360
if they're not they have to like set

63
00:02:56,630 --> 00:02:55,120

some like settings approve some settings

64

00:02:59,750 --> 00:02:56,640

to for us to see their names and that's

65

00:03:02,229 --> 00:02:59,760

why it comes up as facebook user yeah so

66

00:03:04,630 --> 00:03:02,239

that's why oh all right all right i'm

67

00:03:05,589 --> 00:03:04,640

just letting you know dude that's what's

68

00:03:07,210 --> 00:03:05,599

up eh

69

00:03:09,830 --> 00:03:07,220

hey

70

00:03:11,509 --> 00:03:09,840

[Laughter]

71

00:03:12,710 --> 00:03:11,519

dude so

72

00:03:14,790 --> 00:03:12,720

guys

73

00:03:17,670 --> 00:03:14,800

i mean you know

74

00:03:19,030 --> 00:03:17,680

as in true ufo garage fashion right

75

00:03:20,149 --> 00:03:19,040

we don't have a guest tonight we're

76

00:03:21,910 --> 00:03:20,159

going to be just kind of hanging out

77

00:03:24,229 --> 00:03:21,920

we're going to be chilling i was

78

00:03:25,750 --> 00:03:24,239

thinking you know we uh you know we've

79

00:03:28,070 --> 00:03:25,760

been doing a lot of spiritual stuff

80

00:03:31,149 --> 00:03:28,080

lately a lot of like consciousness a lot

81

00:03:33,430 --> 00:03:31,159

of a lot of like orb talk and like

82

00:03:36,229 --> 00:03:33,440

interdimensionality and like [h__h] you

83

00:03:40,149 --> 00:03:36,239

can't touch or put your hands on right

84

00:03:41,589 --> 00:03:40,159

so tonight i was thinking what if we

85

00:03:45,110 --> 00:03:41,599

take it back

86

00:03:46,470 --> 00:03:45,120

old school right what i want to do is i

87

00:03:49,270 --> 00:03:46,480

want to go back

88

00:03:51,750 --> 00:03:49,280

to like before the first episode where

89

00:03:53,830 --> 00:03:51,760

we didn't know anything right and we

90

00:03:55,910 --> 00:03:53,840

just kind of hopped on and started

91

00:03:58,550 --> 00:03:55,920

chatting and we were like hey what about

92

00:04:01,030 --> 00:03:58,560

them spaceships man hey man and you're

93

00:04:02,869 --> 00:04:01,040

like my spaceships are cool man who's

94

00:04:03,830 --> 00:04:02,879

basically damn cool

95

00:04:05,750 --> 00:04:03,840

you know

96

00:04:06,550 --> 00:04:05,760

and they're fast

97

00:04:15,110 --> 00:04:06,560

and

98

00:04:16,870 --> 00:04:15,120

chat about the uh about the the eclipse

99

00:04:19,270 --> 00:04:16,880

that's gonna happen tonight even though

100

00:04:21,509 --> 00:04:19,280

we don't know [h__\h] about eclipses fool

101
00:04:22,390 --> 00:04:21,519
other than you know that other than like

102
00:04:24,310 --> 00:04:22,400
you know

103
00:04:26,469 --> 00:04:24,320
like one of the things goes in front of

104
00:04:28,230 --> 00:04:26,479
the other thing and it's during the day

105
00:04:29,670 --> 00:04:28,240
or during the night you know oh but

106
00:04:30,550 --> 00:04:29,680
we'll get into that a little bit you

107
00:04:33,430 --> 00:04:30,560
know

108
00:04:37,189 --> 00:04:35,350
that's going to be the friday before the

109
00:04:39,189 --> 00:04:37,199
live event that we're having december

110
00:04:41,590 --> 00:04:39,199

111
00:04:42,870 --> 00:04:41,600

113
00:04:47,749 --> 00:04:45,840

with terry loveless yes yes it's going

114

00:04:49,990 --> 00:04:47,759

115

00:04:51,430 --> 00:04:50,000

greet he's probably going to sell some

116

00:04:53,590 --> 00:04:51,440

books there we're going to do a three

117

00:04:56,469 --> 00:04:53,600

hour live show we're going to be

118

00:04:58,230 --> 00:04:56,479

streaming it live on youtube and

119

00:05:01,110 --> 00:04:58,240

everywhere else and it's also going to

120

00:05:02,710 --> 00:05:01,120

123

00:05:08,550 --> 00:05:06,880

terry come say what's up and say what's

124

00:05:09,749 --> 00:05:08,560

up to everybody uh that's gonna be in

125

00:05:10,390 --> 00:05:09,759

the audience because they'll be able to

126

00:05:13,029 --> 00:05:10,400

see

127

00:05:14,550 --> 00:05:13,039

your comments and stuff and uh if you're

128

00:05:16,390 --> 00:05:14,560

tired of watching us on the computer and

129

00:05:17,909 --> 00:05:16,400

you live near us or even if you don't

130

00:05:20,629 --> 00:05:17,919

live near us and you want to come see it

131

00:05:22,629 --> 00:05:20,639

anyways hey man we're going to be there

132

00:05:25,510 --> 00:05:22,639

we will be there because it's our show

133

00:05:27,350 --> 00:05:25,520

so we have to you know

134

00:05:29,510 --> 00:05:27,360

because we like have to though we have

135

00:05:31,270 --> 00:05:29,520

to like be there i kind of want to i

136

00:05:33,510 --> 00:05:31,280

kind of want to watch the show but like

137

00:05:35,909 --> 00:05:33,520

since like i'm like one of the dudes

138

00:05:36,710 --> 00:05:35,919

like you know i can't i gotta do the

139

00:05:40,070 --> 00:05:36,720

show

140

00:05:40,950 --> 00:05:40,080

it'd be cool uh if we had a clone if uh

141

00:05:42,550 --> 00:05:40,960

you know

142

00:05:44,310 --> 00:05:42,560

would you be the clone on stage or the

143

00:05:46,230 --> 00:05:44,320

clone in the audience

144

00:05:47,909 --> 00:05:46,240

uh i'd well

145

00:05:49,430 --> 00:05:47,919

my introverted ass would be the one in

146

00:05:51,830 --> 00:05:49,440

the eye

147

00:05:53,430 --> 00:05:51,840

my clone would be up on stage like hey

148

00:05:55,990 --> 00:05:53,440

here's some here's some self-confidence

149

00:05:57,350 --> 00:05:56,000

go up dude just talk about

150

00:05:59,990 --> 00:05:57,360

we have to make sure that our clones

151
00:06:01,029 --> 00:06:00,000
don't turn into evil evil uses dude

152
00:06:03,430 --> 00:06:01,039
dude

153
00:06:05,430 --> 00:06:03,440
what would constitute some uh your clone

154
00:06:07,909 --> 00:06:05,440
becoming evil like the evil version of

155
00:06:07,919 --> 00:06:10,710
if he like

156
00:06:15,830 --> 00:06:12,790
like would he be would he

157
00:06:17,990 --> 00:06:15,840
i feel like just appearances aside

158
00:06:20,870 --> 00:06:18,000
he would have like one stripe of like

159
00:06:22,790 --> 00:06:20,880
gray down his beard

160
00:06:25,110 --> 00:06:22,800
and then he would also just like yell at

161
00:06:27,590 --> 00:06:25,120
waitresses out of nowhere that's that's

162
00:06:29,430 --> 00:06:27,600
your evil uh counterpart

163
00:06:34,390 --> 00:06:29,440

hey

164

00:06:38,870 --> 00:06:36,790

whereas like you in real life you you

165

00:06:41,270 --> 00:06:38,880

compliment waitresses

166

00:06:43,110 --> 00:06:41,280

in a respectful way amanda it's like

167

00:06:44,390 --> 00:06:43,120

thank you thank for your fast service

168

00:06:46,870 --> 00:06:44,400

god i

169

00:06:49,029 --> 00:06:46,880

was going to say do i don't compliment

170

00:06:51,830 --> 00:06:49,039

you

171

00:06:52,870 --> 00:06:51,840

the opposite of what i said uh

172

00:06:57,110 --> 00:06:52,880

even though

173

00:06:58,309 --> 00:06:57,120

me and what's her name uh in uh in new

174

00:06:59,909 --> 00:06:58,319

175

00:07:03,749 --> 00:06:59,919

well damn it what was her name what did

176

00:07:09,589 --> 00:07:07,350

uh oh my god my light is acting weird

177

00:07:11,670 --> 00:07:09,599

uh aim a gene or something

178

00:07:14,950 --> 00:07:11,680

like that you know like derma jean or

179

00:07:16,790 --> 00:07:14,960

something [h__h] something man

180

00:07:19,670 --> 00:07:16,800

182

albuquerque yeah she was the [h__h] dude

184

00:07:28,710 --> 00:07:27,039

she didn't take [h__h] from anybody no oh

185

00:07:31,830 --> 00:07:28,720

my gosh she's been working there 50

186

00:07:34,469 --> 00:07:31,840

years dude uh ma'am can we get that that

187

00:07:37,749 --> 00:07:34,479

extra butter i i heard you dark i heard

188

00:07:39,749 --> 00:07:37,759

you 10 seconds ago i got 12 other tables

189

00:07:42,309 --> 00:07:39,759

i'm dealing with right now i'll have it

190

00:07:44,710 --> 00:07:42,319

right out to you

191

00:07:47,510 --> 00:07:44,720

she shuffles away and she mutters fat

192

00:07:49,350 --> 00:07:47,520

ass under your breath

193

00:07:51,830 --> 00:07:49,360

oh man dude

194

00:07:54,309 --> 00:07:51,840

but yeah bro so i mean you know we're

195

00:07:56,309 --> 00:07:54,319

not gonna be doing like the the you know

196

00:07:58,550 --> 00:07:56,319

the kind of the more spiritual stuff

197

00:08:00,790 --> 00:07:58,560

tonight dude but but before we put the

198

00:08:03,350 --> 00:08:00,800

kibosh on that for the evening

199

00:08:06,629 --> 00:08:03,360

uh you know we have a nice little video

200

00:08:09,670 --> 00:08:06,639

that we want to play yes um it's uh some

201

00:08:11,189 --> 00:08:09,680

wise words by creeper yeah

202

00:08:13,270 --> 00:08:11,199

let's get let's get the mood going you

203

00:08:14,790 --> 00:08:13,280

know like uh yeah all right let's do

204

00:08:16,869 --> 00:08:14,800

let's just do that because he's trying

205

00:08:18,070 --> 00:08:16,879

to enlighten himself dude yes you know

206

00:08:19,350 --> 00:08:18,080

soul search here told me because i've

207

00:08:21,270 --> 00:08:19,360

been wilding now they ain't going back

208

00:08:23,350 --> 00:08:21,280

to my own ways and everything so now i'm

209

00:08:25,350 --> 00:08:23,360

out here you know food to get spiritual

210

00:08:26,950 --> 00:08:25,360

party out here so i might go i might get

211

00:08:28,869 --> 00:08:26,960

faded again tonight homie but right now

212

00:08:30,309 --> 00:08:28,879

focus on the positive eh you know

213

00:08:32,070 --> 00:08:30,319

because i've been trying to get more

214

00:08:33,670 --> 00:08:32,080

spiritual homie to get myself back on

215

00:08:35,269 --> 00:08:33,680

the right track hey and you know my

216

00:08:37,269 --> 00:08:35,279

primo the other day he said that he was

217

00:08:38,870 --> 00:08:37,279

getting spiritual two way i was like oh

218

00:08:41,110 --> 00:08:38,880

that's what's up but then the next day

219

00:08:43,110 --> 00:08:41,120

homie my other cousin opened the door to

220

00:08:45,590 --> 00:08:43,120

his room and he had a gorita in their

221

00:08:46,710 --> 00:08:45,600

ass up and they had poured slurpees all

222

00:08:48,310 --> 00:08:46,720

over each other right because they

223

00:08:50,070 --> 00:08:48,320

stopped at 7-eleven on the way and got

224

00:08:51,269 --> 00:08:50,080

pizza and chicken wings

225

00:08:52,550 --> 00:08:51,279

but i was like damn fool i don't know if

226

00:08:53,750 --> 00:08:52,560

that's really getting spiritual but

227

00:08:55,430 --> 00:08:53,760

everybody has their own path to

228

00:08:57,509 --> 00:08:55,440

spirituality only so i'm who am i to

229

00:08:59,829 --> 00:08:57,519

judge about me so right now i just focus

230

00:09:01,590 --> 00:08:59,839

on the positive represent i'm on your

231

00:09:03,590 --> 00:09:01,600

homie and ibiza i thought they say that

232

00:09:05,190 --> 00:09:03,600

might be the tip of atlantis food like

233

00:09:06,550 --> 00:09:05,200

yeah or it could just be another rock

234

00:09:08,870 --> 00:09:06,560

for me like just sticking out the ocean

235

00:09:10,550 --> 00:09:08,880

or whatever but either way homie i'm

236

00:09:11,990 --> 00:09:10,560

right here i'm going to represent and

237

00:09:16,790 --> 00:09:12,000

all me that creeper loves you and i'll

238

00:09:21,670 --> 00:09:19,350

i mean vibes dude yeah everybody's got

239

00:09:24,389 --> 00:09:21,680

their own path to spirituality everybody

240

00:09:25,910 --> 00:09:24,399

does whether it be sitting quietly in a

241

00:09:28,389 --> 00:09:25,920

room meditating

242

00:09:30,310 --> 00:09:28,399

or uh having a haina in your room ass up

243

00:09:32,470 --> 00:09:30,320

with slurpees all over each other i

244

00:09:34,630 --> 00:09:32,480

could eat that ass dude what does that

245

00:09:37,990 --> 00:09:34,640

mean dude like it's a miracle instead of

246

00:09:41,350 --> 00:09:38,790

yeah

247

00:09:43,030 --> 00:09:41,360

the the the the serving method of the

248

00:09:43,990 --> 00:09:43,040

the gordita

249

00:09:45,829 --> 00:09:44,000

no

250

00:09:47,990 --> 00:09:45,839

like that's that's like uh he's he's

251

00:09:51,509 --> 00:09:48,000

talking about a big girl

252

00:09:54,070 --> 00:09:51,519

like you know like a gordon or like a

253

00:09:55,190 --> 00:09:54,080

gordita is like like a like a big like a

254

00:09:58,150 --> 00:09:55,200

big girl

255

00:10:00,550 --> 00:09:58,160

like a big guy you know okay ass up all

256

00:10:02,710 --> 00:10:00,560

right we had her

257

00:10:06,230 --> 00:10:02,720

with slurpees all over

258

00:10:09,509 --> 00:10:07,509

that's great

259

00:10:11,990 --> 00:10:09,519

yeah dude yeah yeah so that that's a

260

00:10:14,790 --> 00:10:12,000

good like vibe set for for the room

261

00:10:16,550 --> 00:10:14,800

tonight i mean

262

00:10:19,590 --> 00:10:16,560

all we're out to do is find the tip of

263

00:10:23,670 --> 00:10:21,829

and it might be a rock

264

00:10:25,910 --> 00:10:23,680

it might be just some some other rock in

265

00:10:28,150 --> 00:10:25,920

the ocean be a [h__h] rock in the ocean

266

00:10:30,389 --> 00:10:28,160

dude or

267

00:10:32,550 --> 00:10:30,399

it could be the tip of a lost

268

00:10:35,910 --> 00:10:32,560

civilization that was wiped out by the

269

00:10:37,990 --> 00:10:35,920

great flood over 12 000 years ago

270

00:10:39,990 --> 00:10:38,000

and there was a highly advanced species

271

00:10:42,150 --> 00:10:40,000

that was much smarter than us and better

272

00:10:44,150 --> 00:10:42,160

and more good looking like consistently

273

00:10:45,750 --> 00:10:44,160

good looking than us what do you think

274

00:10:47,590 --> 00:10:45,760

dude

275

00:10:51,030 --> 00:10:47,600

i just said it that's what i think you

276
00:10:53,750 --> 00:10:51,040
think there was a advanced species 100

277
00:10:56,310 --> 00:10:53,760
dude i think so too i'm like the more i

278
00:10:57,829 --> 00:10:56,320
think about it the more i feel like yeah

279
00:10:58,630 --> 00:10:57,839
there was

280
00:11:00,630 --> 00:10:58,640
so

281
00:11:03,590 --> 00:11:00,640
you know i get a lot of my news from dan

282
00:11:06,230 --> 00:11:03,600
dan dan dan warran the news man

283
00:11:08,790 --> 00:11:06,240
uh hey uh spaced out radio thank you for

284
00:11:11,430 --> 00:11:08,800
that super chat bro all right

285
00:11:13,750 --> 00:11:11,440
um so the more i think about it my the

286
00:11:16,550 --> 00:11:13,760
news i get is from dan dan dan dan dan

287
00:11:19,030 --> 00:11:16,560
waran and he he had this post

288
00:11:20,710 --> 00:11:19,040

um i might be butchering this but he was

289

00:11:23,670 --> 00:11:20,720

talking about like there's been a lot of

290

00:11:25,110 --> 00:11:23,680

corroboration lately about the this year

291

00:11:27,670 --> 00:11:25,120

the specific year

292

00:11:29,910 --> 00:11:27,680

that's uh a few thousand years ago that

293

00:11:32,230 --> 00:11:29,920

predates the egyptian

294

00:11:33,670 --> 00:11:32,240

building of of the pyramids and like we

295

00:11:35,430 --> 00:11:33,680

all know that's [h__h] like dude the

296

00:11:36,790 --> 00:11:35,440

pyramids been a lot around a lot longer

297

00:11:38,870 --> 00:11:36,800

than that [h__h]

298

00:11:40,389 --> 00:11:38,880

yeah uh around the 4 000 year mark that

299

00:11:42,230 --> 00:11:40,399

we've been told

300

00:11:44,949 --> 00:11:42,240

and everything has been pointing towards

301
00:11:47,430 --> 00:11:44,959
this ancients of ancient civilization

302
00:11:49,110 --> 00:11:47,440
and uh there's this quote that uh

303
00:11:50,790 --> 00:11:49,120
that lou elizano i know there's a lot of

304
00:11:53,829 --> 00:11:50,800
a lot of people that don't like

305
00:11:55,430 --> 00:11:53,839
the stuff that louis lozando says but i

306
00:11:58,389 --> 00:11:55,440
i [h__h] love a lot of [h__h] that he

307
00:12:00,470 --> 00:11:58,399
said something that he says is that

308
00:12:01,430 --> 00:12:00,480
maybe we should think about the the

309
00:12:03,750 --> 00:12:01,440
world

310
00:12:04,790 --> 00:12:03,760
and our civilization as peoples and not

311
00:12:07,910 --> 00:12:04,800
just

312
00:12:08,829 --> 00:12:07,920
human or is it human kinds

313
00:12:11,190 --> 00:12:08,839

rather than

314

00:12:14,310 --> 00:12:11,200

humankind so if we think about like if

315

00:12:16,949 --> 00:12:14,320

we go back to like dude this this uh

316

00:12:19,350 --> 00:12:16,959

this atacama uh mummy

317

00:12:21,829 --> 00:12:19,360

uh and and then like dude even back to

318

00:12:23,030 --> 00:12:21,839

the stephen greer like the tiny little

319

00:12:24,870 --> 00:12:23,040

little uh

320

00:12:28,949 --> 00:12:24,880

skeleton that we were all freaking out

321

00:12:31,030 --> 00:12:28,959

about like like eight years ago yeah uh

322

00:12:33,350 --> 00:12:31,040

and and they did this dna testing it's

323

00:12:35,430 --> 00:12:33,360

like oh it's it's human okay we uh we

324

00:12:37,750 --> 00:12:35,440

did the testing as human yeah okay well

325

00:12:39,910 --> 00:12:37,760

what else did you find what kind of

326

00:12:41,509 --> 00:12:39,920

human is that and then they're like oh

327

00:12:43,110 --> 00:12:41,519

there's a bunch of junk dna that we just

328

00:12:44,389 --> 00:12:43,120

got rid of when just press delete and

329

00:12:46,230 --> 00:12:44,399

we're like

330

00:12:47,590 --> 00:12:46,240

wait hold on what did you do with the

331

00:12:49,350 --> 00:12:47,600

extra stuff

332

00:12:51,030 --> 00:12:49,360

like we deleted it that's that's like

333

00:12:52,949 --> 00:12:51,040

taking that's like taking your car to

334

00:12:55,590 --> 00:12:52,959

get the oil changed and it's like yeah

335

00:12:58,150 --> 00:12:55,600

yeah no you need new oil

336

00:12:59,750 --> 00:12:58,160

yeah but like my car's on like

337

00:13:01,430 --> 00:12:59,760

it's making all kinds of noises it might

338

00:13:03,509 --> 00:13:01,440

need this and i might need that no the

339

00:13:05,910 --> 00:13:03,519

diagnostic just says that you just need

340

00:13:08,150 --> 00:13:05,920

it just needs new oil to like just get

341

00:13:10,550 --> 00:13:08,160

just buy the oil

342

00:13:12,550 --> 00:13:10,560

but there's all there's a lot more that

343

00:13:14,949 --> 00:13:12,560

you could look at if you just get a pop

344

00:13:16,389 --> 00:13:14,959

under the hood don't push it away

345

00:13:17,110 --> 00:13:16,399

you're like i need an oil change then

346

00:13:19,110 --> 00:13:17,120

like

347

00:13:21,670 --> 00:13:19,120

you might as well get a new car no i

348

00:13:23,829 --> 00:13:21,680

just need an oil change

349

00:13:24,949 --> 00:13:23,839

no just yeah all right they're like no

350

00:13:29,910 --> 00:13:24,959

it's

351
00:13:32,389 --> 00:13:29,920
i just i just bought this

352
00:13:34,629 --> 00:13:32,399
but i just bought the car it's working

353
00:13:36,949 --> 00:13:34,639
is it working fine literally two

354
00:13:38,949 --> 00:13:36,959
thousand miles ago i think

355
00:13:41,590 --> 00:13:38,959
honestly i feel like i mean all right

356
00:13:44,069 --> 00:13:41,600
let's slow down for a second

357
00:13:46,310 --> 00:13:44,079
if if if culture is working fine and

358
00:13:47,030 --> 00:13:46,320
we're able to to keep this thing going

359
00:13:52,310 --> 00:13:47,040
with

360
00:13:53,829 --> 00:13:52,320
we're all agreeing on the science and

361
00:13:56,150 --> 00:13:53,839
all that

362
00:13:57,350 --> 00:13:56,160
it's working okay the the narrative that

363
00:14:00,710 --> 00:13:57,360

we all

364

00:14:03,189 --> 00:14:00,720

accept it's working

365

00:14:05,910 --> 00:14:03,199

if you throw in something that

366

00:14:07,829 --> 00:14:05,920

combats that narrative like hey there

367

00:14:10,230 --> 00:14:07,839

were some people that look

368

00:14:12,870 --> 00:14:10,240

just like us but you know more handsome

369

00:14:14,870 --> 00:14:12,880

uh a little taller a little stronger and

370

00:14:17,269 --> 00:14:14,880

more smarter

371

00:14:19,189 --> 00:14:17,279

and they lived a lot longer on this

372

00:14:20,790 --> 00:14:19,199

planet than you did that would kind of

373

00:14:22,949 --> 00:14:20,800

bum you out right like that would bum us

374

00:14:25,829 --> 00:14:22,959

all out

375

00:14:27,509 --> 00:14:25,839

yeah i feel like that's the vibe that

376

00:14:30,310 --> 00:14:27,519

people are afraid of like do we really

377

00:14:32,069 --> 00:14:30,320

want to tell people that

378

00:14:35,350 --> 00:14:32,079

that like that's our history like we

379

00:14:37,750 --> 00:14:35,360

used to be we used to be cool

380

00:14:40,629 --> 00:14:37,760

we're like smaller and like

381

00:14:43,110 --> 00:14:40,639

like we're less good-looking it's just

382

00:14:44,389 --> 00:14:43,120

it's crazy because it's like

383

00:14:46,310 --> 00:14:44,399

if there was like an advanced

384

00:14:48,629 --> 00:14:46,320

civilization that was living right and

385

00:14:50,629 --> 00:14:48,639

there was some like catastrophic event

386

00:14:53,269 --> 00:14:50,639

that like only left a couple hundred of

387

00:14:55,269 --> 00:14:53,279

them left right the mating pool is very

388

00:14:57,350 --> 00:14:55,279

low and they could be spread out all

389

00:14:59,829 --> 00:14:57,360

over the world and so they would be

390

00:15:03,110 --> 00:14:59,839

forced to mate with other things that

391

00:15:05,590 --> 00:15:03,120

are close to them you know like in the

392

00:15:07,430 --> 00:15:05,600

in the lineage of man right so you have

393

00:15:09,509 --> 00:15:07,440

like this kind of dumb thing

394

00:15:11,430 --> 00:15:09,519

you know it's kind of cavemanish and

395

00:15:13,750 --> 00:15:11,440

like a little more like brutish and then

396

00:15:16,629 --> 00:15:13,760

you have somebody who's highly advanced

397

00:15:19,350 --> 00:15:16,639

right but y'all are kind of the same

398

00:15:21,509 --> 00:15:19,360

thing those two things mate and they

399

00:15:24,150 --> 00:15:21,519

make humans yeah you know where it's

400

00:15:26,550 --> 00:15:24,160

like oh like hey we're smart but like

401
00:15:28,629 --> 00:15:26,560
we're also pretty dumb you know so we

402
00:15:31,350 --> 00:15:28,639
got both of those like gene pools of

403
00:15:32,790 --> 00:15:31,360
like this really smart advanced race

404
00:15:34,790 --> 00:15:32,800
plus the

405
00:15:36,790 --> 00:15:34,800
[h__h] caveman that they were living

406
00:15:39,350 --> 00:15:36,800
next to you know yes

407
00:15:40,870 --> 00:15:39,360
dude so like down in the molecular

408
00:15:43,189 --> 00:15:40,880
genomic level

409
00:15:45,590 --> 00:15:43,199
i mean that makes sense to me

410
00:15:48,069 --> 00:15:45,600
um where i think the second part of what

411
00:15:50,870 --> 00:15:48,079
you just said crossed into like the

412
00:15:53,189 --> 00:15:50,880
nature versus nurture aspect of things

413
00:15:55,110 --> 00:15:53,199

where like homo sapien

414

00:15:56,949 --> 00:15:55,120

whatever what we are

415

00:16:00,310 --> 00:15:56,959

can be very smart we can have like a

416

00:16:03,269 --> 00:16:00,320

neil degrasse tyson dude or we can

417

00:16:05,110 --> 00:16:03,279

you know have a someone like me like

418

00:16:06,550 --> 00:16:05,120

like i just don't know like i'm kind of

419

00:16:10,629 --> 00:16:06,560

a dummy you know

420

00:16:12,470 --> 00:16:10,639

uh it's the same genetic thing but just

421

00:16:14,710 --> 00:16:12,480

it's nature versus nurture kind of a

422

00:16:16,629 --> 00:16:14,720

thing but i think what we're

423

00:16:19,030 --> 00:16:16,639

seeing and i think what would really

424

00:16:20,550 --> 00:16:19,040

[h__\h] us up as a as a culture is that we

425

00:16:23,110 --> 00:16:20,560

find out like

426

00:16:24,389 --> 00:16:23,120

you you can try all you want to be as

427

00:16:26,710 --> 00:16:24,399

smart as

428

00:16:28,710 --> 00:16:26,720

the ancient civilization but it's not

429

00:16:32,629 --> 00:16:28,720

going to happen it's like

430

00:16:35,509 --> 00:16:32,639

hey everybody uh uh physics is cool and

431

00:16:37,670 --> 00:16:35,519

like quantum physics is is cool

432

00:16:39,030 --> 00:16:37,680

like a very small

433

00:16:41,590 --> 00:16:39,040

percent of the the population

434

00:16:42,389 --> 00:16:41,600

understands it yes awesome

435

00:16:44,550 --> 00:16:42,399

but

436

00:16:45,430 --> 00:16:44,560

back in the day before

437

00:16:47,590 --> 00:16:45,440

you know

438

00:16:48,790 --> 00:16:47,600

we we showed up everybody was like yeah

439

00:16:50,949 --> 00:16:48,800

that was common knowledge yeah what are

440

00:16:52,389 --> 00:16:50,959

you talking about yeah travel what oh

441

00:16:54,150 --> 00:16:52,399

the stars yeah no i had to take a [h__h]

442

00:16:56,069 --> 00:16:54,160

and i just went to jupiter and just it's

443

00:16:58,470 --> 00:16:56,079

a gas planet i put the gas there man

444

00:17:00,949 --> 00:16:58,480

well it's just it's just the you know

445

00:17:02,629 --> 00:17:00,959

this is how long it's taken civilization

446

00:17:04,150 --> 00:17:02,639

to rebuild itself

447

00:17:06,470 --> 00:17:04,160

you know

448

00:17:07,909 --> 00:17:06,480

and now here we are again so like

449

00:17:10,549 --> 00:17:07,919

because it's hard to think of like the

450

00:17:13,270 --> 00:17:10,559

scale you know you think like okay yeah

451

00:17:15,270 --> 00:17:13,280

like a thermonuclear event or like a

452

00:17:17,110 --> 00:17:15,280

meteor hit the planet and there's like

453

00:17:19,189 --> 00:17:17,120

you know a couple thousand people left

454

00:17:21,909 --> 00:17:19,199

you always think in your head well yeah

455

00:17:23,429 --> 00:17:21,919

i mean what 20 years right we're gonna

456

00:17:25,909 --> 00:17:23,439

have cell phones again

457

00:17:27,510 --> 00:17:25,919

no try twenty thousand right or like you

458

00:17:29,510 --> 00:17:27,520

know i don't know twenty thousand a long

459

00:17:31,750 --> 00:17:29,520

ass time but you know try another you

460

00:17:34,150 --> 00:17:31,760

know three thousand years you know of

461

00:17:35,590 --> 00:17:34,160

having to figure all that [h__h] out again

462

00:17:38,390 --> 00:17:35,600

you know what i love thinking about too

463

00:17:40,470 --> 00:17:38,400

is is like take take that that idea down

464

00:17:41,750 --> 00:17:40,480

to the most simple level so break it

465

00:17:43,909 --> 00:17:41,760

down into

466

00:17:45,510 --> 00:17:43,919

you can go from like so like

467

00:17:47,510 --> 00:17:45,520

wireless communication down to the cell

468

00:17:49,510 --> 00:17:47,520

phone down to the physical object down

469

00:17:52,230 --> 00:17:49,520

to the batteries or you can go down to

470

00:17:55,430 --> 00:17:52,240

the even the wires itself like

471

00:17:57,830 --> 00:17:55,440

metals themselves you can't just like go

472

00:17:59,590 --> 00:17:57,840

out and just forage for metals you have

473

00:18:01,110 --> 00:17:59,600

to like smelt

474

00:18:03,510 --> 00:18:01,120

like uh

475

00:18:06,470 --> 00:18:03,520

the druids used to like just dig a bunch

476

00:18:09,029 --> 00:18:06,480

of like the truths

477

00:18:11,110 --> 00:18:09,039

the vikings they used to take up like

478

00:18:13,430 --> 00:18:11,120

they found this out by accident they had

479

00:18:15,750 --> 00:18:13,440

a bunch of uh mud and rocks and they

480

00:18:17,590 --> 00:18:15,760

would like they would build their fires

481

00:18:19,110 --> 00:18:17,600

and as they were building their fires

482

00:18:21,270 --> 00:18:19,120

the specific mud

483

00:18:23,669 --> 00:18:21,280

based on where they were located because

484

00:18:24,870 --> 00:18:23,679

they traveled a lot these vikings

485

00:18:26,630 --> 00:18:24,880

badasses

486

00:18:28,150 --> 00:18:26,640

they after their fires they would notice

487

00:18:30,230 --> 00:18:28,160

there would be like these little pools

488

00:18:32,390 --> 00:18:30,240

of collected metals there would be

489

00:18:33,350 --> 00:18:32,400

concentrated metals from this

490

00:18:36,230 --> 00:18:33,360

uh

491

00:18:38,310 --> 00:18:36,240

this prolonged heat within the earth

492

00:18:39,590 --> 00:18:38,320

and based on where you were it was like

493

00:18:41,029 --> 00:18:39,600

more

494

00:18:42,470 --> 00:18:41,039

these metals that were left over after

495

00:18:45,029 --> 00:18:42,480

the bonfires

496

00:18:47,669 --> 00:18:45,039

were were more uh copper

497

00:18:49,830 --> 00:18:47,679

uh more zinc some were more zinc i mean

498

00:18:51,830 --> 00:18:49,840

it's it's wild how like we discovered

499

00:18:54,390 --> 00:18:51,840

metal itself like imagine having to

500

00:18:57,350 --> 00:18:54,400

start that all over again dude yeah yeah

501
00:18:59,350 --> 00:18:57,360
because you'd have to like go out like

502
00:19:01,909 --> 00:18:59,360
we don't realize that like

503
00:19:02,950 --> 00:19:01,919
a lot of metals look like rocks

504
00:19:04,630 --> 00:19:02,960
you know

505
00:19:06,310 --> 00:19:04,640
you're just like oh you're just kicking

506
00:19:08,830 --> 00:19:06,320
rocks around a little did you know like

507
00:19:11,430 --> 00:19:08,840
oh [h__h] that's iron

508
00:19:13,270 --> 00:19:11,440
yeah i mean there's i mean there's even

509
00:19:14,870 --> 00:19:13,280
iron in our blood right you're like dude

510
00:19:16,789 --> 00:19:14,880
we're smart

511
00:19:18,950 --> 00:19:16,799
we're so smart dude we should be in

512
00:19:20,789 --> 00:19:18,960
charge if if anything ever happens to

513
00:19:22,390 --> 00:19:20,799

the world we should be in charge of

514

00:19:24,950 --> 00:19:22,400

going out and picking up rocks and

515

00:19:27,110 --> 00:19:24,960

trying to melt them

516

00:19:29,350 --> 00:19:27,120

this rock didn't melt one of the only

517

00:19:30,710 --> 00:19:29,360

only thing that was left after uh the

518

00:19:32,470 --> 00:19:30,720

world

519

00:19:34,789 --> 00:19:32,480

apocalypse was like a bunch of ufo

520

00:19:36,070 --> 00:19:34,799

garage videos

521

00:19:38,230 --> 00:19:36,080

hey figure it out

522

00:19:40,549 --> 00:19:38,240

yep and that's it that's how how

523

00:19:41,430 --> 00:19:40,559

civilization advanced dude

524

00:19:42,710 --> 00:19:41,440

yeah

525

00:19:44,549 --> 00:19:42,720

i don't know if you guys know this but

526
00:19:46,230 --> 00:19:44,559
you know in the secret seed vaults where

527
00:19:49,590 --> 00:19:46,240
they have like you know all the seeds

528
00:19:51,750 --> 00:19:49,600
and stuff they've also got a uh a backup

529
00:19:55,750 --> 00:19:51,760
hard drive with all ufo garage episodes

530
00:19:59,350 --> 00:19:57,190
you're like these guys were just dumb

531
00:20:01,110 --> 00:19:59,360
enough

532
00:20:04,870 --> 00:20:01,120
they almost figured it out and they had

533
00:20:09,750 --> 00:20:07,669
uh dude yeah so i mean what are you what

534
00:20:11,830 --> 00:20:09,760
are your thoughts joe like like

535
00:20:14,789 --> 00:20:11,840
this ancient civilization

536
00:20:17,430 --> 00:20:14,799
there's so many paintings and and wall

537
00:20:18,950 --> 00:20:17,440
descriptions and i mean

538
00:20:21,350 --> 00:20:18,960

pick a

539

00:20:24,070 --> 00:20:21,360

dry spot on the earth there's evidence

540

00:20:26,070 --> 00:20:24,080

of larger human beings living there

541

00:20:29,029 --> 00:20:26,080

making [h__\h]

542

00:20:31,029 --> 00:20:29,039

and apparently smaller human beings

543

00:20:33,350 --> 00:20:31,039

smaller human

544

00:20:34,870 --> 00:20:33,360

skinnier human beings and human beings

545

00:20:37,190 --> 00:20:34,880

with bigger heads

546

00:20:41,350 --> 00:20:37,200

and and some have like bigger hands for

547

00:20:42,070 --> 00:20:41,360

some reason yeah some have less digits

548

00:20:44,549 --> 00:20:42,080

but

549

00:20:46,149 --> 00:20:44,559

dude those are just humans dude i mean

550

00:20:49,430 --> 00:20:46,159

you know

551
00:20:51,430 --> 00:20:49,440
i mean yeah is that frustrating like

552
00:20:53,909 --> 00:20:51,440
isn't it so frustrating you're like damn

553
00:20:55,909 --> 00:20:53,919
it why couldn't like

554
00:20:57,590 --> 00:20:55,919
i wish i was that smart

555
00:21:00,149 --> 00:20:57,600
but i'm also glad i didn't have to go to

556
00:21:01,270 --> 00:21:00,159
school for 12 years

557
00:21:03,350 --> 00:21:01,280
you know because then if i went to

558
00:21:05,110 --> 00:21:03,360
school for 12 years i'd probably end up

559
00:21:07,350 --> 00:21:05,120
just being that [h__h] in a lab coat

560
00:21:08,310 --> 00:21:07,360
being like uh junk dna because that's

561
00:21:10,630 --> 00:21:08,320
right

562
00:21:13,990 --> 00:21:10,640
you know yeah well no that ca cause you

563
00:21:15,590 --> 00:21:14,000

would be instilled with this like this

564

00:21:18,070 --> 00:21:15,600

i'm not trying to [\h__\h] on anybody that

565

00:21:19,990 --> 00:21:18,080

has like a degree um in that in that

566

00:21:22,230 --> 00:21:20,000

like section but like

567

00:21:25,029 --> 00:21:22,240

yeah dude like you if you spend enough

568

00:21:27,029 --> 00:21:25,039

of your life learning something and and

569

00:21:28,830 --> 00:21:27,039

and studying it of course you're gonna

570

00:21:31,990 --> 00:21:28,840

have some some type

571

00:21:34,470 --> 00:21:32,000

of ego protection on that like not just

572

00:21:37,990 --> 00:21:34,480

for yourself but like right it extends

573

00:21:39,590 --> 00:21:38,000

out like hey i'm i'm better

574

00:21:41,190 --> 00:21:39,600

to their point to that person's point

575

00:21:43,430 --> 00:21:41,200

that's like protecting their their

576
00:21:45,990 --> 00:21:43,440
knowledge and what they've learned they

577
00:21:47,190 --> 00:21:46,000
feel like they are protecting what is

578
00:21:49,110 --> 00:21:47,200
true

579
00:21:51,029 --> 00:21:49,120
and i feel like the people that are kind

580
00:21:52,950 --> 00:21:51,039
of [h__\h] about it honestly think that

581
00:21:54,470 --> 00:21:52,960
they're trying to protect what's true

582
00:21:57,430 --> 00:21:54,480
and what i think what's being lost

583
00:21:59,350 --> 00:21:57,440
lately is recently is

584
00:22:02,470 --> 00:21:59,360
is that sense of

585
00:22:04,230 --> 00:22:02,480
could you be wrong uh could your

586
00:22:06,310 --> 00:22:04,240
everything that you've worked for that

587
00:22:08,630 --> 00:22:06,320
degree that you got dude

588
00:22:12,310 --> 00:22:08,640

could that be wrong and that's simply

589

00:22:16,470 --> 00:22:12,320

not acceptable um do you think that that

590

00:22:19,270 --> 00:22:16,480

ego um comes with uh the price tag of a

591

00:22:21,110 --> 00:22:19,280

degree these days you know like

592

00:22:23,590 --> 00:22:21,120

if you go to say you go to the

593

00:22:26,070 --> 00:22:23,600

university of texas here right and for

594

00:22:28,070 --> 00:22:26,080

four years you paid a hundred and eighty

595

00:22:30,789 --> 00:22:28,080

thousand dollars to get a [h__h] piece

596

00:22:32,310 --> 00:22:30,799

of paper you know in your head

597

00:22:34,230 --> 00:22:32,320

i just paid a hundred and eighty

598

00:22:36,390 --> 00:22:34,240

thousand dollars

599

00:22:38,149 --> 00:22:36,400

i am correct you know

600

00:22:40,070 --> 00:22:38,159

now if that degree only cost ten

601
00:22:42,390 --> 00:22:40,080
thousand dollars would you have the ego

602
00:22:45,190 --> 00:22:42,400
of needing to be correct all the time or

603
00:22:47,029 --> 00:22:45,200
is it because you spent 180 000 on a

604
00:22:48,950 --> 00:22:47,039
piece of paper that now

605
00:22:51,029 --> 00:22:48,960
i better be goddamn right i just spent

606
00:22:53,270 --> 00:22:51,039
180 000

607
00:22:55,909 --> 00:22:53,280
dude you know i

608
00:22:57,669 --> 00:22:55,919
i love okay so i love and i hate that

609
00:22:59,830 --> 00:22:57,679
that that it's it's broken down like

610
00:23:01,750 --> 00:22:59,840
that like it's

611
00:23:04,310 --> 00:23:01,760
it's an 80 000

612
00:23:06,390 --> 00:23:04,320
ego check it's like yeah

613
00:23:08,470 --> 00:23:06,400

i'm right and you're wrong and you you

614

00:23:10,870 --> 00:23:08,480

have the ability to say

615

00:23:12,710 --> 00:23:10,880

no but i have this piece of paper

616

00:23:15,750 --> 00:23:12,720

i have the receipts

617

00:23:17,669 --> 00:23:15,760

i'm right yeah i'm right

618

00:23:20,470 --> 00:23:17,679

but that's what it that's what society

619

00:23:22,390 --> 00:23:20,480

uh accepts and that's we've all agreed

620

00:23:24,470 --> 00:23:22,400

on that it's not anyone's fault it's

621

00:23:25,430 --> 00:23:24,480

just we've all that's just what happened

622

00:23:28,230 --> 00:23:25,440

dude

623

00:23:30,470 --> 00:23:28,240

if enough of us said that degrees are

624

00:23:32,710 --> 00:23:30,480

kind of [h__h] and like i mean anybody can

625

00:23:33,830 --> 00:23:32,720

get a graph well okay i don't want to

626
00:23:35,510 --> 00:23:33,840
talk ab

627
00:23:37,110 --> 00:23:35,520
[h__h] about graphic design degree but

628
00:23:39,029 --> 00:23:37,120
like i went to school with some people

629
00:23:41,190 --> 00:23:39,039
that i mean

630
00:23:43,350 --> 00:23:41,200
they're all they were okay and they got

631
00:23:44,870 --> 00:23:43,360
the degree and like i don't know what

632
00:23:48,630 --> 00:23:44,880
they're doing now

633
00:23:49,909 --> 00:23:48,640
uh but it's not graphic design

634
00:23:51,590 --> 00:23:49,919
and i might be taking this out of

635
00:23:53,269 --> 00:23:51,600
context i mean that's like so different

636
00:23:56,390 --> 00:23:53,279
than like a philosophy degree or like a

637
00:23:58,149 --> 00:23:56,400
physics degree right like yeah i i doubt

638
00:24:00,470 --> 00:23:58,159

that people that were bad at physics

639

00:24:03,350 --> 00:24:00,480

like got a physics degree so it's not

640

00:24:05,750 --> 00:24:03,360

really comparable yeah but like

641

00:24:08,950 --> 00:24:05,760

can it be can it be both is there a

642

00:24:10,950 --> 00:24:08,960

little bit of ego when if somebody does

643

00:24:12,149 --> 00:24:10,960

study that book and get the answers

644

00:24:13,669 --> 00:24:12,159

correctly

645

00:24:15,590 --> 00:24:13,679

not that they're right but they got the

646

00:24:17,669 --> 00:24:15,600

answers that were in the book correctly

647

00:24:19,909 --> 00:24:17,679

yeah they got those right they they

648

00:24:22,310 --> 00:24:19,919

studied enough and now they're right

649

00:24:23,510 --> 00:24:22,320

forever

650

00:24:25,590 --> 00:24:23,520

you know the people you know the people

651
00:24:27,430 --> 00:24:25,600
that i don't like are the ones that took

652
00:24:29,909 --> 00:24:27,440
like

653
00:24:32,549 --> 00:24:29,919
one semester of psychology and they oh

654
00:24:35,350 --> 00:24:33,830
they're like the smartest people in the

655
00:24:37,269 --> 00:24:35,360
world now because they took a semester

656
00:24:40,230 --> 00:24:37,279
of psychology

657
00:24:41,190 --> 00:24:40,240
like i took a psychology class and

658
00:24:44,230 --> 00:24:41,200
you're like

659
00:24:46,070 --> 00:24:44,240
oh god here we go anytime somebody

660
00:24:48,470 --> 00:24:46,080
starts a sentence with yeah i took a

661
00:24:50,549 --> 00:24:48,480
psychology class i'm like [h__h] here we

662
00:24:51,750 --> 00:24:50,559
go

663
00:24:53,990 --> 00:24:51,760

tell me is that how like the worst

664

00:24:56,470 --> 00:24:54,000

conversations always start dude yeah

665

00:24:58,830 --> 00:24:56,480

it's like yes please tell me your four

666

00:25:01,430 --> 00:24:58,840

months of

667

00:25:04,870 --> 00:25:01,440

psychology tell me what you learned so

668

00:25:09,669 --> 00:25:08,230

anyway so my psychology teacher told me

669

00:25:11,269 --> 00:25:09,679

especially like if you're talking and

670

00:25:13,350 --> 00:25:11,279

then like they just butt in they're like

671

00:25:15,590 --> 00:25:13,360

well i i took a psychology class in

672

00:25:17,990 --> 00:25:15,600

college and you're like

673

00:25:19,590 --> 00:25:18,000

are you a psychology major oh

674

00:25:21,350 --> 00:25:19,600

no yeah well do you have a degree in

675

00:25:23,669 --> 00:25:21,360

psychology oh no

676

00:25:25,430 --> 00:25:23,679

so you took you took one one class on

677

00:25:26,950 --> 00:25:25,440

psychology was a semester well yeah i

678

00:25:29,269 --> 00:25:26,960

had to for my

679

00:25:32,390 --> 00:25:29,279

my uh liberal dance degree

680

00:25:35,029 --> 00:25:32,400

oh liberal dance degree well [h__h] you

681

00:25:37,029 --> 00:25:35,039

hold the [h__h] please liberal dance

682

00:25:38,630 --> 00:25:37,039

degree yeah i don't know

683

00:25:40,870 --> 00:25:38,640

they have a liberal arts degree so

684

00:25:43,830 --> 00:25:40,880

that's gotta be a real thing dude it's

685

00:25:46,310 --> 00:25:43,840

gotta be by now you know okay all right

686

00:25:49,909 --> 00:25:48,630

how do we wrap this into the the the

687

00:25:50,789 --> 00:25:49,919

thing that we were talking about earlier

688

00:25:51,990 --> 00:25:50,799

like

689

00:25:54,070 --> 00:25:52,000

so we've been talking about the

690

00:25:56,950 --> 00:25:54,080

spirituality aspect the psychology

691

00:26:00,870 --> 00:25:56,960

aspect the the community aspect of the

692

00:26:01,909 --> 00:26:00,880

ufo the alien the abduction phenomenon i

693

00:26:03,510 --> 00:26:01,919

mean

694

00:26:05,110 --> 00:26:03,520

i think you and i both know this is

695

00:26:06,149 --> 00:26:05,120

happening to people i think our audience

696

00:26:07,750 --> 00:26:06,159

knows

697

00:26:09,990 --> 00:26:07,760

and ever if they've been listening to

698

00:26:10,789 --> 00:26:10,000

our show and and other shows that we

699

00:26:12,310 --> 00:26:10,799

love

700

00:26:14,070 --> 00:26:12,320

they know that this [h__\h] is happening

701
00:26:15,990 --> 00:26:14,080
but where's the evidence dude where's

702
00:26:17,750 --> 00:26:16,000
the freaking physical evidence that we

703
00:26:20,549 --> 00:26:17,760
can point to and say

704
00:26:25,269 --> 00:26:23,190
it's right here i think that there's

705
00:26:27,990 --> 00:26:25,279
there's a couple answers to that one is

706
00:26:31,110 --> 00:26:28,000
there's plenty of physical evidence

707
00:26:33,590 --> 00:26:31,120
the second one is

708
00:26:35,669 --> 00:26:33,600
if these things are here they're

709
00:26:37,269 --> 00:26:35,679
intelligent enough to

710
00:26:39,029 --> 00:26:37,279
not be seen if they don't want to be

711
00:26:40,149 --> 00:26:39,039
seen you know

712
00:26:43,269 --> 00:26:40,159
um

713
00:26:46,390 --> 00:26:43,279

you know i i think i think there is no

714

00:26:48,870 --> 00:26:46,400

wrong answer right if you were to say

715

00:26:51,269 --> 00:26:48,880

there's no evidence right well

716

00:26:52,230 --> 00:26:51,279

i could give that to you a little bit

717

00:26:54,149 --> 00:26:52,240

but then if you're like yeah there's

718

00:26:55,110 --> 00:26:54,159

plenty of evidence i can also give that

719

00:26:55,990 --> 00:26:55,120

to you

720

00:26:57,990 --> 00:26:56,000

you know

721

00:27:02,549 --> 00:26:58,000

so

722

00:27:05,110 --> 00:27:02,559

what kind of evidence are we talking

723

00:27:06,870 --> 00:27:05,120

about yeah

724

00:27:09,110 --> 00:27:06,880

for instance like

725

00:27:11,269 --> 00:27:09,120

okay do you have a picture of an alien

726

00:27:13,990 --> 00:27:11,279

well no okay well then how can you prove

727

00:27:16,950 --> 00:27:14,000

it i might do well i don't know uh how

728

00:27:17,990 --> 00:27:16,960

about the uh uh uh you know the uh i

729

00:27:21,190 --> 00:27:18,000

mean we were talking about the cash

730

00:27:23,669 --> 00:27:21,200

landrum case right yeah or or uh lonnie

731

00:27:25,350 --> 00:27:23,679

zamora right

732

00:27:26,230 --> 00:27:25,360

a sheriff

733

00:27:29,190 --> 00:27:26,240

yeah

734

00:27:31,830 --> 00:27:29,200

you know sees an egg-shaped thing

735

00:27:35,350 --> 00:27:31,840

right there's occupants standing outside

736

00:27:36,950 --> 00:27:35,360

of it hanging out you know they leave

737

00:27:38,230 --> 00:27:36,960

there's an investigation done he was

738

00:27:39,590 --> 00:27:38,240

like yeah i was right there and they

739

00:27:41,350 --> 00:27:39,600

walk over and they're like you mean

740

00:27:43,669 --> 00:27:41,360

where these [h__h] holes are in the

741

00:27:46,070 --> 00:27:43,679

ground he's like yep

742

00:27:47,830 --> 00:27:46,080

yeah those right there that you could

743

00:27:49,669 --> 00:27:47,840

it's right there and then the military

744

00:27:52,070 --> 00:27:49,679

comes and investigates it because of

745

00:27:55,430 --> 00:27:52,080

project blue book case like yeah i mean

746

00:27:57,350 --> 00:27:55,440

what more evidence do you need like

747

00:28:00,630 --> 00:27:57,360

so what you know i don't know

748

00:28:04,389 --> 00:28:00,640

while i was looking uh today for cases

749

00:28:07,669 --> 00:28:04,399

that have uh physical evidence the thing

750

00:28:11,269 --> 00:28:07,679

that i kept running into which

751
00:28:14,549 --> 00:28:11,279
i i think is fine i'd like to see what

752
00:28:15,750 --> 00:28:14,559
everybody thinks about this so

753
00:28:18,070 --> 00:28:15,760
uh

754
00:28:18,950 --> 00:28:18,080
it always ends up

755
00:28:21,750 --> 00:28:18,960
okay

756
00:28:22,870 --> 00:28:21,760
sorry let me start over it starts as the

757
00:28:26,470 --> 00:28:22,880
story

758
00:28:27,909 --> 00:28:26,480
a person is somewhere a thing happens

759
00:28:29,590 --> 00:28:27,919
that seems

760
00:28:32,789 --> 00:28:29,600
totally normal

761
00:28:35,590 --> 00:28:32,799
that person shows up and is

762
00:28:38,070 --> 00:28:35,600
that interacts with an extraterrestrial

763
00:28:40,470 --> 00:28:38,080

what seems like an off-worldly thing

764

00:28:42,870 --> 00:28:40,480

whether it be a a

765

00:28:45,029 --> 00:28:42,880

extraterrestrial body

766

00:28:47,590 --> 00:28:45,039

which happens a lot they see people have

767

00:28:49,909 --> 00:28:47,600

seen things that that have they passed

768

00:28:52,710 --> 00:28:49,919

these these stories down to their

769

00:28:54,950 --> 00:28:52,720

grandchildren uh uh gray

770

00:28:56,950 --> 00:28:54,960

little children between three and a half

771

00:28:59,909 --> 00:28:56,960

to four feet tall they had large black

772

00:29:02,070 --> 00:28:59,919

eyes long spindly arms and legs

773

00:29:03,990 --> 00:29:02,080

and i saw it with my eyes and the

774

00:29:05,590 --> 00:29:04,000

physical evidence is like yes there was

775

00:29:07,830 --> 00:29:05,600

metal and there was fire there was a

776

00:29:10,070 --> 00:29:07,840

crash there's there's metal everywhere

777

00:29:12,070 --> 00:29:10,080

and then so this my point is that it

778

00:29:13,350 --> 00:29:12,080

always ends all of these stories that i

779

00:29:17,430 --> 00:29:13,360

was looking up

780

00:29:19,190 --> 00:29:17,440

today but like the past like [h__h]

781

00:29:22,149 --> 00:29:19,200

four years

782

00:29:25,510 --> 00:29:22,159

all of them end with the military showed

783

00:29:28,870 --> 00:29:25,520

up and cleaned up the wreck

784

00:29:30,710 --> 00:29:28,880

and we never saw the evidence again

785

00:29:32,950 --> 00:29:30,720

or is the evidence isn't that dude i

786

00:29:33,909 --> 00:29:32,960

don't know go ask the military

787

00:29:36,630 --> 00:29:33,919

so

788

00:29:39,269 --> 00:29:36,640

what's frustrating is like

789

00:29:41,909 --> 00:29:39,279

through doing this show we talked to

790

00:29:43,669 --> 00:29:41,919

experiencers abductees uh people that

791

00:29:46,070 --> 00:29:43,679

just you know that have been part of

792

00:29:48,310 --> 00:29:46,080

this phenomenon that can't explain it

793

00:29:50,470 --> 00:29:48,320

love that dude that's what this show is

794

00:29:52,549 --> 00:29:50,480

about yeah and then when i like circle

795

00:29:54,389 --> 00:29:52,559

back to where we started like where's

796

00:29:55,510 --> 00:29:54,399

the [h__\h] evidence dude

797

00:29:57,190 --> 00:29:55,520

yeah

798

00:29:58,630 --> 00:29:57,200

it's strange that i've never seen this

799

00:30:01,269 --> 00:29:58,640

before it's like been right under our

800

00:30:01,279 --> 00:30:06,230

the ending is the military shows up

801
00:30:10,870 --> 00:30:07,510
with uh

802
00:30:13,990 --> 00:30:10,880
with a dyson vacuum it's branded dyson

803
00:30:16,230 --> 00:30:14,000
large dyson

804
00:30:19,110 --> 00:30:16,240
gone and that evidence is never seen

805
00:30:20,870 --> 00:30:19,120
before uh ever again yeah yeah evidence

806
00:30:23,990 --> 00:30:20,880
is never seen again

807
00:30:25,610 --> 00:30:24,000
that's the that's the commonality so

808
00:30:27,510 --> 00:30:25,620
that led me down this crazy

809
00:30:30,070 --> 00:30:27,520
[Music]

810
00:30:31,830 --> 00:30:30,080
crazy path joe

811
00:30:32,630 --> 00:30:31,840
so if the

812
00:30:33,669 --> 00:30:32,640
what

813
00:30:36,070 --> 00:30:33,679

if everybody's talking about the

814

00:30:38,070 --> 00:30:36,080

military it's just a blanket statement

815

00:30:39,590 --> 00:30:38,080

could we be talking about the air force

816

00:30:42,230 --> 00:30:39,600

because the air force is the only

817

00:30:43,190 --> 00:30:42,240

military arm that has not commented on

818

00:30:45,590 --> 00:30:43,200

this

819

00:30:50,549 --> 00:30:45,600

ufo uap subject

820

00:30:56,710 --> 00:30:52,870

the navy has commented the air force is

821

00:30:59,830 --> 00:30:58,389

yeah even though the air force is the

822

00:31:02,870 --> 00:30:59,840

one who came on the ships and

823

00:31:04,470 --> 00:31:02,880

commandeered all the video oh

824

00:31:05,909 --> 00:31:04,480

yeah yeah

825

00:31:07,909 --> 00:31:05,919

that's true

826

00:31:08,950 --> 00:31:07,919

you know i mean

827

00:31:11,110 --> 00:31:08,960

so

828

00:31:12,630 --> 00:31:11,120

um i heard this like when uh i heard

829

00:31:15,190 --> 00:31:12,640

this like last year where they were talk

830

00:31:17,269 --> 00:31:15,200

there was it may have been on clyde

831

00:31:18,310 --> 00:31:17,279

may have been ground zero i don't i

832

00:31:20,950 --> 00:31:18,320

don't remember but they were talking

833

00:31:22,230 --> 00:31:20,960

about that exact thing like it's funny

834

00:31:23,909 --> 00:31:22,240

that like you don't hear anything from

835

00:31:25,590 --> 00:31:23,919

the air force you know you hear stuff

836

00:31:27,509 --> 00:31:25,600

from the navy right

837

00:31:29,669 --> 00:31:27,519

the army is the one who was doing all

838

00:31:32,710 --> 00:31:29,679

the testing and stuff for uh to the

839

00:31:36,710 --> 00:31:32,720

stars and all that right

840

00:31:42,230 --> 00:31:39,110

yeah the air force isn't doing you know

841

00:31:46,070 --> 00:31:42,240

and the marines i mean they're just

842

00:31:49,669 --> 00:31:48,070

they sent them out to go like take care

843

00:31:50,789 --> 00:31:49,679

of business they got [h__h] to do they

844

00:31:53,269 --> 00:31:50,799

don't have

845

00:31:56,310 --> 00:31:53,279

time to be worried about that

846

00:31:58,710 --> 00:31:56,320

so i mean i think we you're

847

00:32:00,950 --> 00:31:58,720

you have family that's air force ex

848

00:32:03,350 --> 00:32:00,960

currently air force i have really good

849

00:32:05,350 --> 00:32:03,360

friends that are currently air force

850

00:32:06,710 --> 00:32:05,360

you you know i wha i'm wondering if that

851
00:32:08,950 --> 00:32:06,720
may have something to do with the fact

852
00:32:12,470 --> 00:32:08,960
that the air force was born out of the

853
00:32:15,430 --> 00:32:12,480
army so like there's a connection so

854
00:32:16,870 --> 00:32:15,440
the army is doing the work

855
00:32:19,029 --> 00:32:16,880
you know what i'm saying

856
00:32:20,230 --> 00:32:19,039
and the air force is just like the paper

857
00:32:22,710 --> 00:32:20,240
pushers

858
00:32:24,149 --> 00:32:22,720
wait did you okay sorry dude i might be

859
00:32:25,990 --> 00:32:24,159
saying something dumb here but i feel

860
00:32:28,950 --> 00:32:26,000
like i remember you telling me that the

861
00:32:30,710 --> 00:32:28,960
air force was born out of

862
00:32:33,029 --> 00:32:30,720
a presidential

863
00:32:34,710 --> 00:32:33,039

uh situation where

864

00:32:36,470 --> 00:32:34,720

it was it was a

865

00:32:39,430 --> 00:32:36,480

it was a couple months right after the

866

00:32:42,070 --> 00:32:39,440

roswell crash in 1947 yes

867

00:32:44,310 --> 00:32:42,080

the the air force was born out of the

868

00:32:46,149 --> 00:32:44,320

army the army controlled you know

869

00:32:48,470 --> 00:32:46,159

airplanes and stuff back and they still

870

00:32:50,470 --> 00:32:48,480

have airplanes but the air force became

871

00:32:52,630 --> 00:32:50,480

its own thing

872

00:32:56,870 --> 00:32:52,640

um

873

00:32:58,630 --> 00:32:56,880

48 or late 47 i believe uh somewhere

874

00:33:01,029 --> 00:32:58,640

around there but it was it was a few

875

00:33:03,590 --> 00:33:01,039

months after that yeah

876

00:33:05,909 --> 00:33:03,600

the whole conspiracy was oh so we had

877

00:33:09,029 --> 00:33:05,919

this roswell crash and we had other

878

00:33:10,950 --> 00:33:09,039

crashes a few years prior to that did we

879

00:33:14,070 --> 00:33:10,960

decide finally that it was time to

880

00:33:16,630 --> 00:33:14,080

control the skies so to create our own

881

00:33:17,430 --> 00:33:16,640

branch that specifically deals with the

882

00:33:23,190 --> 00:33:17,440

air

883

00:33:25,190 --> 00:33:23,200

out of that dude so you know if the

884

00:33:27,110 --> 00:33:25,200

army's taking care of all this stuff and

885

00:33:29,190 --> 00:33:27,120

they're just sending data because like

886

00:33:31,029 --> 00:33:29,200

that's kind of the the joke right the

887

00:33:32,710 --> 00:33:31,039

chair force right it's like the easiest

888

00:33:36,789 --> 00:33:32,720

branch like they all just like send

889

00:33:38,389 --> 00:33:36,799

emails and [h__\h] you know yeah i mean

890

00:33:39,909 --> 00:33:38,399

who's the jury force

891

00:33:41,350 --> 00:33:39,919

air force

892

00:33:43,029 --> 00:33:41,360

that's why it's called

893

00:33:44,789 --> 00:33:43,039

because they see they send emails

894

00:33:46,549 --> 00:33:44,799

because emails are sent through the air

895

00:33:48,789 --> 00:33:46,559

yeah they're just like smart tech guys

896

00:33:51,110 --> 00:33:48,799

that work on planes and computers and

897

00:33:54,549 --> 00:33:51,120

[h__\h] and send emails all day

898

00:33:59,269 --> 00:33:56,389

my buddy i'm not gonna say his name but

899

00:34:01,430 --> 00:33:59,279

he'd be pissed off if i told him that

900

00:34:03,990 --> 00:34:01,440

i'm sure he would understand exactly

901
00:34:05,190 --> 00:34:04,000
what i'm saying though understand yeah

902
00:34:08,230 --> 00:34:05,200
cause yeah

903
00:34:09,990 --> 00:34:08,240
i've got air force army navy like

904
00:34:11,829 --> 00:34:10,000
everybody in my family is a different

905
00:34:14,389 --> 00:34:11,839
branch of the army of the of the

906
00:34:16,550 --> 00:34:14,399
military and they and they all give each

907
00:34:18,470 --> 00:34:16,560
other [h__h] but they all agree that air

908
00:34:20,790 --> 00:34:18,480
force is the easiest

909
00:34:22,950 --> 00:34:20,800
dance that's the joke is it is it

910
00:34:27,909 --> 00:34:22,960
because you only have to be like you

911
00:34:32,710 --> 00:34:30,230
i don't know i don't know if that's

912
00:34:33,829 --> 00:34:32,720
yeah i mean i don't know good vision

913
00:34:35,750 --> 00:34:33,839

i don't know i just watched a movie

914

00:34:37,190 --> 00:34:35,760

called um

915

00:34:38,950 --> 00:34:37,200

um

916

00:34:41,190 --> 00:34:38,960

hey babe what was that the sunshine

917

00:34:43,270 --> 00:34:41,200

little miss sunshine it was a good movie

918

00:34:46,230 --> 00:34:43,280

a little miss sunshine well the sunshine

919

00:34:48,550 --> 00:34:46,240

and the kid the the young teenager um

920

00:34:51,909 --> 00:34:48,560

wants to be a a pilot and he finds out

921

00:34:53,430 --> 00:34:51,919

he's colorblind i'm also colorblind

922

00:34:55,750 --> 00:34:53,440

because think about it dude right you

923

00:34:57,349 --> 00:34:55,760

hear about all these pilots and stuff

924

00:35:00,230 --> 00:34:57,359

they're not air force pilots they're

925

00:35:02,470 --> 00:35:00,240

navy pilots navy pilots we're army

926

00:35:04,630 --> 00:35:02,480

pilots right you know

927

00:35:06,550 --> 00:35:04,640

no so what i think

928

00:35:08,390 --> 00:35:06,560

sorry no you're good you don't you're

929

00:35:09,510 --> 00:35:08,400

good what what are where i'm going with

930

00:35:12,870 --> 00:35:09,520

this dude there's a reason why i'm

931

00:35:15,030 --> 00:35:12,880

digging deep on this dude is because

932

00:35:16,870 --> 00:35:15,040

as we have been you know helping each

933

00:35:18,390 --> 00:35:16,880

other out with with the graphic design

934

00:35:21,109 --> 00:35:18,400

stuff and i've been teaching you stuff

935

00:35:24,230 --> 00:35:21,119

that i know and we've been

936

00:35:26,390 --> 00:35:24,240

i've been show i i i compartmentalize

937

00:35:28,870 --> 00:35:26,400

things in my brain as folders

938

00:35:31,510 --> 00:35:28,880

and for me this this military thing it's

939

00:35:33,910 --> 00:35:31,520

like the army and the air force

940

00:35:35,750 --> 00:35:33,920

army air force i mean there's no you

941

00:35:37,430 --> 00:35:35,760

know whatever but they're all in

942

00:35:39,109 --> 00:35:37,440

separate folders so they don't really

943

00:35:41,270 --> 00:35:39,119

have to communicate with each other if

944

00:35:42,950 --> 00:35:41,280

you call upon one of them to open up a

945

00:35:45,750 --> 00:35:42,960

source file

946

00:35:48,310 --> 00:35:45,760

does that make sense like if you

947

00:35:50,710 --> 00:35:48,320

hey by the way you just start calling me

948

00:35:51,829 --> 00:35:50,720

poodles for the next 20 minutes dude

949

00:35:54,470 --> 00:35:51,839

wait why

950

00:35:56,790 --> 00:35:54,480

we get a 20 super chat if bing calls joe

951
00:35:59,600 --> 00:35:56,800
poodles for the next 20 minutes hold on

952
00:36:01,510 --> 00:35:59,610
who said that because i'm down radio

953
00:36:02,710 --> 00:36:01,520
[Music]

954
00:36:04,790 --> 00:36:02,720
oh yeah

955
00:36:08,550 --> 00:36:04,800
[h__\h] dave yes

956
00:36:13,030 --> 00:36:11,030
20 super chat if ben calls joe poodles

957
00:36:16,230 --> 00:36:13,040
for the next 20 minutes

958
00:36:19,750 --> 00:36:16,240
all right poodles all right

959
00:36:21,990 --> 00:36:19,760
i'm working for that moment

960
00:36:23,670 --> 00:36:22,000
let's do it that's poodle for monsieur

961
00:36:25,109 --> 00:36:23,680
monies

962
00:36:26,870 --> 00:36:25,119
i still said it weird

963
00:36:29,349 --> 00:36:26,880

money

964

00:36:31,990 --> 00:36:29,359

poodles

965

00:36:33,270 --> 00:36:32,000

love that uh so anyway so what i'm

966

00:36:36,069 --> 00:36:33,280

talking about is like

967

00:36:37,670 --> 00:36:36,079

uh filing things separately

968

00:36:39,750 --> 00:36:37,680

doesn't necessarily like they could all

969

00:36:41,750 --> 00:36:39,760

be in one folder but they cannot

970

00:36:43,430 --> 00:36:41,760

they can also not be able to

971

00:36:44,470 --> 00:36:43,440

uh communicate with each other because

972

00:36:46,150 --> 00:36:44,480

they're in different they're in

973

00:36:48,069 --> 00:36:46,160

different sections so they don't

974

00:36:49,510 --> 00:36:48,079

technically legally

975

00:36:50,870 --> 00:36:49,520

have to communicate with each other

976
00:36:52,950 --> 00:36:50,880
therefore like

977
00:36:55,670 --> 00:36:52,960
yeah the navy has

978
00:36:57,270 --> 00:36:55,680
planes doesn't mean that they hang out

979
00:36:59,510 --> 00:36:57,280
with air force dudes

980
00:37:02,630 --> 00:36:59,520
they might be friends but they don't

981
00:37:03,750 --> 00:37:02,640
like talk uh like details and stuff

982
00:37:06,150 --> 00:37:03,760
right now

983
00:37:09,190 --> 00:37:06,160
and if you did

984
00:37:10,710 --> 00:37:09,200
you probably get fired you might yeah

985
00:37:12,310 --> 00:37:10,720
you're fired you know what the opposite

986
00:37:14,950 --> 00:37:12,320
of hired is

987
00:37:18,390 --> 00:37:14,960
fired yeah and people that fly planes

988
00:37:21,829 --> 00:37:19,910

i saw

989

00:37:24,069 --> 00:37:21,839

hey i just wanted to thank uh dave from

990

00:37:26,630 --> 00:37:24,079

spaced out radio for the the super chat

991

00:37:28,470 --> 00:37:26,640

um poodles thank you brother yeah

992

00:37:31,430 --> 00:37:28,480

support bro

993

00:37:34,310 --> 00:37:31,440

um and i saw something that somebody

994

00:37:36,630 --> 00:37:34,320

posted the other day sorry keep going

995

00:37:38,710 --> 00:37:36,640

i was just gonna thank uh tony as well

996

00:37:40,950 --> 00:37:38,720

he he's a military dude i was like hey

997

00:37:42,470 --> 00:37:40,960

do you want to hop on so i mean [h__h] if

998

00:37:45,109 --> 00:37:42,480

if we want to have him hop on dude i can

999

00:37:48,310 --> 00:37:45,119

send him a little uh send him the link

1000

00:37:49,589 --> 00:37:48,320

and maybe we could talk air force dude

1001

00:37:51,109 --> 00:37:49,599

that'd be sick

1002

00:37:53,510 --> 00:37:51,119

so i saw

1003

00:37:55,030 --> 00:37:53,520

i i can't find it now man i'm looking

1004

00:37:57,430 --> 00:37:55,040

for this thing but

1005

00:37:59,750 --> 00:37:57,440

somebody had made a post

1006

00:38:01,349 --> 00:37:59,760

and i and look

1007

00:38:03,750 --> 00:38:01,359

we obviously don't get into a lot of

1008

00:38:04,470 --> 00:38:03,760

current events and stuff right and and i

1009

00:38:06,790 --> 00:38:04,480

think

1010

00:38:09,510 --> 00:38:06,800

mainly because

1011

00:38:11,910 --> 00:38:09,520

i'll be honest with you i i

1012

00:38:12,870 --> 00:38:11,920

i possibly just don't

1013

00:38:18,950 --> 00:38:12,880

i

1014

00:38:23,750 --> 00:38:18,960

correctly

1015

00:38:28,150 --> 00:38:23,760

uh the the post was basically like um

1016

00:38:31,349 --> 00:38:28,160

hey everybody uh the dod will have its

1017

00:38:34,550 --> 00:38:31,359

very own official ufo investigation

1018

00:38:36,630 --> 00:38:34,560

department yes and like on the outside

1019

00:38:37,349 --> 00:38:36,640

right you're like oh [h__h] cool right

1020

00:38:39,589 --> 00:38:37,359

but

1021

00:38:41,750 --> 00:38:39,599

in reality

1022

00:38:43,670 --> 00:38:41,760

why is that cool like

1023

00:38:47,190 --> 00:38:43,680

there we literally know that there's

1024

00:38:49,349 --> 00:38:47,200

been ufo programs since the 40s

1025

00:38:51,589 --> 00:38:49,359

up to current times right that's part of

1026

00:38:53,910 --> 00:38:51,599

the [h__\h] that was just broke like

1027

00:38:56,470 --> 00:38:53,920

oh we found out about atip and it's been

1028

00:38:58,150 --> 00:38:56,480

this program and it's like okay yeah but

1029

00:39:00,310 --> 00:38:58,160

we all know about that and like we know

1030

00:39:02,390 --> 00:39:00,320

about all the other previous programs as

1031

00:39:05,829 --> 00:39:02,400

well like so what's the difference like

1032

00:39:07,670 --> 00:39:05,839

you're creating another program and like

1033

00:39:09,829 --> 00:39:07,680

this time you're just telling us okay

1034

00:39:12,470 --> 00:39:09,839

even though you're just telling us even

1035

00:39:15,670 --> 00:39:12,480

if you okay so you have this program

1036

00:39:17,589 --> 00:39:15,680

okay great you told us okay great when

1037

00:39:19,910 --> 00:39:17,599

something happens then what it's not

1038

00:39:21,829 --> 00:39:19,920

like you're gonna tell us so who cares

1039

00:39:26,150 --> 00:39:21,839

who cares

1040

00:39:28,870 --> 00:39:26,160

where you're going with that see

1041

00:39:32,470 --> 00:39:28,880

i thought it was [h__h] i was like

1042

00:39:35,030 --> 00:39:32,480

damn that's cool okay some legitimacy

1043

00:39:36,150 --> 00:39:35,040

there's i think this is where uh a lot

1044

00:39:38,550 --> 00:39:36,160

of people that have been into this

1045

00:39:40,470 --> 00:39:38,560

subject for a while are at a crux as

1046

00:39:41,990 --> 00:39:40,480

well where it's like you see stuff in

1047

00:39:43,349 --> 00:39:42,000

the news and it's really hard to get

1048

00:39:48,230 --> 00:39:43,359

jaded and like

1049

00:39:53,030 --> 00:39:51,109

but i think it's cool as [h__h] that like

1050

00:39:54,710 --> 00:39:53,040

the government actually has like a

1051
00:39:56,390 --> 00:39:54,720
publicly

1052
00:39:57,270 --> 00:39:56,400
talked about program

1053
00:39:58,069 --> 00:39:57,280
and

1054
00:39:59,990 --> 00:39:58,079
okay

1055
00:40:02,470 --> 00:40:00,000
well i'm not talking [\h__\h] about you joe

1056
00:40:05,349 --> 00:40:02,480
i'm just saying like we all know that

1057
00:40:06,390 --> 00:40:05,359
those projects have existed and will

1058
00:40:10,470 --> 00:40:06,400
exist

1059
00:40:11,829 --> 00:40:10,480
want to print they're going to keep in

1060
00:40:14,150 --> 00:40:11,839
those

1061
00:40:15,829 --> 00:40:14,160
undefined programs

1062
00:40:17,510 --> 00:40:15,839
so i get where the frustration is is

1063
00:40:20,390 --> 00:40:17,520

like the the public's going to know

1064

00:40:21,670 --> 00:40:20,400

about the wiggles right like the wiggles

1065

00:40:23,109 --> 00:40:21,680

but like

1066

00:40:26,470 --> 00:40:23,119

the people that actually know what's

1067

00:40:28,309 --> 00:40:26,480

going on is going to know about

1068

00:40:30,950 --> 00:40:28,319

about like

1069

00:40:33,030 --> 00:40:30,960

the death tones like the the band like

1070

00:40:35,910 --> 00:40:33,040

that they make actual music and they get

1071

00:40:38,150 --> 00:40:35,920

[h__h] done the wiggles are on the on the

1072

00:40:39,910 --> 00:40:38,160

surface like yeah entertaining the

1073

00:40:42,790 --> 00:40:39,920

children that are just now learning

1074

00:40:45,349 --> 00:40:42,800

things right like yeah yeah no i get it

1075

00:40:46,790 --> 00:40:45,359

i get it but but my whole thing is like

1076

00:40:48,790 --> 00:40:46,800

okay

1077

00:40:51,750 --> 00:40:48,800

the dod says hey

1078

00:40:54,390 --> 00:40:51,760

we've got a ufo program right okay so

1079

00:40:56,710 --> 00:40:54,400

what okay what does what do we learn

1080

00:40:58,950 --> 00:40:56,720

from that what is a beginner coming into

1081

00:40:59,829 --> 00:40:58,960

this learn from that right because

1082

00:41:02,630 --> 00:40:59,839

that's

1083

00:41:04,230 --> 00:41:02,640

all it is is a publicly acknowledged

1084

00:41:07,670 --> 00:41:04,240

program

1085

00:41:09,430 --> 00:41:07,680

all they did was acknowledge it exists

1086

00:41:11,829 --> 00:41:09,440

what else do what else do we know about

1087

00:41:13,750 --> 00:41:11,839

it what else are we gonna know about it

1088

00:41:15,510 --> 00:41:13,760

what are they really gonna tell you you

1089

00:41:17,670 --> 00:41:15,520

know like we're expecting this to be

1090

00:41:20,030 --> 00:41:17,680

like oh i could just hop onto google's

1091

00:41:22,790 --> 00:41:20,040

and go to a dod

1092

00:41:24,550 --> 00:41:22,800

ufoproject.com and see what they've done

1093

00:41:27,190 --> 00:41:24,560

that's what people want they want to

1094

00:41:29,430 --> 00:41:27,200

google [h__h] and have the easy answers

1095

00:41:31,670 --> 00:41:29,440

that's what people want to yeah but it

1096

00:41:34,309 --> 00:41:31,680

but it's not going to happen i feel like

1097

00:41:36,710 --> 00:41:34,319

it's just it's it's culture candy it's

1098

00:41:38,390 --> 00:41:36,720

it's uh it's pacifying people to try and

1099

00:41:40,630 --> 00:41:38,400

get them to shut up you know that's all

1100

00:41:42,550 --> 00:41:40,640

it is it's like hey

1101

00:41:43,589 --> 00:41:42,560

we have a ufo program and you're like

1102

00:41:46,829 --> 00:41:43,599

hey

1103

00:41:49,270 --> 00:41:46,839

okay nothing to see here we haven't seen

1104

00:41:51,190 --> 00:41:49,280

[h__h] that's exactly what it is so if you

1105

00:41:55,270 --> 00:41:51,200

find something are you going to tell us

1106

00:41:57,910 --> 00:41:55,280

well no okay well then who cares no

1107

00:42:00,390 --> 00:41:57,920

well you know i'm more like you sound

1108

00:42:01,670 --> 00:42:00,400

like a jerry seinfeld who cares who

1109

00:42:03,750 --> 00:42:01,680

cares

1110

00:42:07,270 --> 00:42:03,760

i mean we all know that there's ufos

1111

00:42:11,510 --> 00:42:09,750

but when do we get down when we get i'm

1112

00:42:12,790 --> 00:42:11,520

more interested in companies like you

1113

00:42:14,550 --> 00:42:12,800

apx

1114

00:42:17,430 --> 00:42:14,560

or there we go you know what i'm saying

1115

00:42:19,109 --> 00:42:17,440

or like sky hub or like those types of

1116

00:42:20,790 --> 00:42:19,119

peoples these independent groups that

1117

00:42:23,109 --> 00:42:20,800

are starting [h__h] and doing the research

1118

00:42:25,030 --> 00:42:23,119

and like want it to go out to the public

1119

00:42:26,470 --> 00:42:25,040

i care about that

1120

00:42:28,550 --> 00:42:26,480

i don't care about your government

1121

00:42:30,950 --> 00:42:28,560

program that's not gonna tell me [h__h]

1122

00:42:33,030 --> 00:42:30,960

what about the gover uh uh the

1123

00:42:34,950 --> 00:42:33,040

gulliver's travels project oh the

1124

00:42:37,589 --> 00:42:34,960

gulliver rules track the gulliver's

1125

00:42:40,790 --> 00:42:37,599

travels project dude yeah

1126

00:42:41,829 --> 00:42:40,800

that's what's up with jack black

1127

00:42:43,910 --> 00:42:41,839

with the

1128

00:42:45,829 --> 00:42:43,920

the new uh luella zondos in the

1129

00:42:47,510 --> 00:42:45,839

gulliver's travels program that's when

1130

00:42:49,270 --> 00:42:47,520

they're looking at

1131

00:42:51,670 --> 00:42:49,280

it's far away does everybody out there

1132

00:42:54,309 --> 00:42:51,680

know about the gulliver's travel travels

1133

00:42:55,750 --> 00:42:54,319

uh program

1134

00:43:00,870 --> 00:42:55,760

with luella lozando that's where he

1135

00:43:05,510 --> 00:43:03,349

kristen says dude i had a a boner

1136

00:43:08,150 --> 00:43:05,520

yesterday when i saw the ufo news about

1137

00:43:10,069 --> 00:43:08,160

the ufo office and now i got a softy see

1138

00:43:11,990 --> 00:43:10,079

it's like oh it sucks because i don't

1139

00:43:13,829 --> 00:43:12,000

want to bum you guys out i apologize i

1140

00:43:16,870 --> 00:43:13,839

don't want to play it but you bummed me

1141

00:43:20,470 --> 00:43:16,880

out dude you softened my my mojo but is

1142

00:43:23,109 --> 00:43:20,480

it am i wrong right am i wrong no you're

1143

00:43:25,270 --> 00:43:23,119

not like it's it is cool it's totally

1144

00:43:28,150 --> 00:43:25,280

cool right same thing with this release

1145

00:43:30,950 --> 00:43:28,160

of information i felt the exact same way

1146

00:43:33,910 --> 00:43:30,960

super cool i think it's cool but what

1147

00:43:36,390 --> 00:43:33,920

did we get out of it like what okay

1148

00:43:38,710 --> 00:43:36,400

and now what

1149

00:43:41,349 --> 00:43:38,720

well now what is is

1150

00:43:42,790 --> 00:43:41,359

i think we're we're seeing in real time

1151

00:43:45,190 --> 00:43:42,800

uh the

1152

00:43:49,430 --> 00:43:45,200

the cover well we've all heard of the

1153

00:43:52,069 --> 00:43:49,440

cover-up of like there's a ufo crash

1154

00:43:54,790 --> 00:43:52,079

people see stuff and they draw things

1155

00:43:56,870 --> 00:43:54,800

and they pass you know the stories the

1156

00:43:58,870 --> 00:43:56,880

[h__\h] that we love to talk about we're

1157

00:44:00,790 --> 00:43:58,880

seeing that and the cover-up has always

1158

00:44:01,990 --> 00:44:00,800

been secret now we're seeing it in the

1159

00:44:04,069 --> 00:44:02,000

public

1160

00:44:06,630 --> 00:44:04,079

the cover-up is

1161

00:44:08,550 --> 00:44:06,640

being just shoved in our faces

1162

00:44:10,550 --> 00:44:08,560

and the way you do it

1163

00:44:12,470 --> 00:44:10,560

is psychologically

1164

00:44:16,150 --> 00:44:12,480

there's a reason why the people that are

1165

00:44:18,309 --> 00:44:16,160

in an authority to talk about this stuff

1166

00:44:21,270 --> 00:44:18,319

are in this

1167

00:44:24,630 --> 00:44:21,280

the type of [h__h] that uh they're good at

1168

00:44:27,270 --> 00:44:24,640

like counter intelligence and uh

1169

00:44:29,750 --> 00:44:27,280

magic manipulation of words and public

1170

00:44:31,589 --> 00:44:29,760

eye and [h__h] dude like we're witnessing

1171

00:44:33,510 --> 00:44:31,599

a cover-up but it's like a smooth

1172

00:44:37,030 --> 00:44:33,520

blanket that feels like running hot

1173

00:44:38,230 --> 00:44:37,040

water it feels so damn good oh my god oh

1174

00:44:40,390 --> 00:44:38,240

my god

1175

00:44:41,990 --> 00:44:40,400

but uh oh

1176

00:44:43,990 --> 00:44:42,000

it burns later

1177

00:44:46,390 --> 00:44:44,000

because like we actually it actually

1178

00:44:49,030 --> 00:44:46,400

dries our skin out because it's too much

1179

00:44:51,030 --> 00:44:49,040

water and we call shrively

1180

00:44:53,430 --> 00:44:51,040

now no no one can get a

1181

00:44:57,030 --> 00:44:53,440

a ufo butter

1182

00:44:57,040 --> 00:45:01,030

i think so

1183

00:45:05,349 --> 00:45:03,430

oh dude i was planning on you cutting me

1184

00:45:08,870 --> 00:45:05,359

off and you never did

1185

00:45:11,510 --> 00:45:10,230

but there's like a lesson there it's

1186

00:45:13,349 --> 00:45:11,520

like yeah

1187

00:45:15,589 --> 00:45:13,359

there's like the

1188

00:45:18,390 --> 00:45:15,599

the sheet over over the eyes the the

1189

00:45:19,910 --> 00:45:18,400

rosy glasses right like yeah yeah

1190

00:45:21,030 --> 00:45:19,920

we are seeing what we're supposed to be

1191

00:45:23,750 --> 00:45:21,040

seeing

1192

00:45:25,430 --> 00:45:23,760

yeah i mean i i get it i get it you know

1193

00:45:28,710 --> 00:45:25,440

they're only showing you what they want

1194

00:45:31,030 --> 00:45:28,720

you to see yeah um and it's provocative

1195

00:45:32,390 --> 00:45:31,040

but the thing is is like

1196

00:45:56,309 --> 00:45:32,400

i

1197

00:46:00,150 --> 00:45:56,319

and

1198

00:46:02,390 --> 00:46:00,160

all we've really accomplished is getting

1199

00:46:05,910 --> 00:46:02,400

the government to be like

1200

00:46:07,349 --> 00:46:05,920

yeah they're real okay yeah

1201
00:46:09,829 --> 00:46:07,359
yeah

1202
00:46:11,109 --> 00:46:09,839
okay we so does that mean we won did we

1203
00:46:13,910 --> 00:46:11,119
win

1204
00:46:15,990 --> 00:46:13,920
yeah it's like it's it's like uh so we

1205
00:46:18,230 --> 00:46:16,000
win it's like dude like a bunch of your

1206
00:46:19,270 --> 00:46:18,240
friends have like like this inside joke

1207
00:46:20,870 --> 00:46:19,280
dude

1208
00:46:22,150 --> 00:46:20,880
got an analogy for you

1209
00:46:24,309 --> 00:46:22,160
oh

1210
00:46:25,910 --> 00:46:24,319
[h__\h] stop me

1211
00:46:27,190 --> 00:46:25,920
stop me now

1212
00:46:28,950 --> 00:46:27,200
a bunch of your friends have this like

1213
00:46:29,829 --> 00:46:28,960

inside joke about somebody and you're

1214

00:46:38,390 --> 00:46:29,839

like

1215

00:46:41,430 --> 00:46:38,400

a serious thing

1216

00:46:42,950 --> 00:46:41,440

and then that person actually says like

1217

00:46:44,950 --> 00:46:42,960

yeah no

1218

00:46:46,630 --> 00:46:44,960

that's real and then you all kind of

1219

00:46:49,510 --> 00:46:46,640

feel bad

1220

00:46:50,950 --> 00:46:49,520

because we make fun of you because we

1221

00:46:52,790 --> 00:46:50,960

all thought that was the thing we were

1222

00:46:54,230 --> 00:46:52,800

laughing about have you ever been in

1223

00:46:59,430 --> 00:46:54,240

that situation

1224

00:47:05,190 --> 00:47:00,610

why are we

1225

00:47:06,309 --> 00:47:05,200

[Laughter]

1226

00:47:08,710 --> 00:47:06,319

oh

1227

00:47:11,190 --> 00:47:08,720

god i'm trying not to i'm not i'm trying

1228

00:47:13,510 --> 00:47:11,200

not to divulge the exact story because i

1229

00:47:14,390 --> 00:47:13,520

i really don't want to but

1230

00:47:18,150 --> 00:47:14,400

like

1231

00:47:20,230 --> 00:47:18,160

this blatant

1232

00:47:21,430 --> 00:47:20,240

like thing like we have to say something

1233

00:47:23,589 --> 00:47:21,440

at this point

1234

00:47:25,430 --> 00:47:23,599

and yeah the people that are in the know

1235

00:47:29,030 --> 00:47:25,440

that have been into this stuff for for

1236

00:47:30,630 --> 00:47:29,829

that

1237

00:47:36,230 --> 00:47:30,640

we're

1238

00:47:37,430 --> 00:47:36,240

and it's hard to trust

1239

00:47:39,030 --> 00:47:37,440

who to believe

1240

00:47:41,349 --> 00:47:39,040

yeah

1241

00:47:43,109 --> 00:47:41,359

like what if like like what if all this

1242

00:47:48,230 --> 00:47:43,119

like

1243

00:47:50,309 --> 00:47:48,240

consciousness untabgible ungrabbable

1244

00:47:52,390 --> 00:47:50,319

[h__\h] is like the

1245

00:47:53,430 --> 00:47:52,400

misinformation that everybody's moving

1246

00:47:54,790 --> 00:47:53,440

into

1247

00:47:57,190 --> 00:47:54,800

because they don't want you looking for

1248

00:47:58,870 --> 00:47:57,200

like real actual [h__\h] that's coming here

1249

00:48:00,630 --> 00:47:58,880

they're like oh well you might as well

1250

00:48:03,109 --> 00:48:00,640

just stop looking for ufos and aliens

1251
00:48:05,750 --> 00:48:03,119
because really they're just energy

1252
00:48:07,990 --> 00:48:05,760
yeah what if that's the whole [h__h]

1253
00:48:10,069 --> 00:48:08,000
thing dude it's like all this

1254
00:48:11,349 --> 00:48:10,079
consciousness stuff and like it feels

1255
00:48:14,230 --> 00:48:11,359
really good

1256
00:48:17,349 --> 00:48:14,240
and i would love it to be true

1257
00:48:19,990 --> 00:48:17,359
and it still can be but dude what if it

1258
00:48:21,589 --> 00:48:20,000
is the big misinformation part of it and

1259
00:48:22,950 --> 00:48:21,599
that's like the reason why they're

1260
00:48:25,589 --> 00:48:22,960
letting it out

1261
00:48:27,910 --> 00:48:25,599
yeah how are us dummies able to do a

1262
00:48:30,950 --> 00:48:27,920
documentary about consciousness but not

1263
00:48:33,109 --> 00:48:30,960

letting us do this [\h__\h]

1264

00:48:34,870 --> 00:48:33,119

i don't know man

1265

00:48:36,309 --> 00:48:34,880

i don't know but it's just we're doing a

1266

00:48:37,750 --> 00:48:36,319

documentary about consciousness and

1267

00:48:39,349 --> 00:48:37,760

they're letting us do this and we're

1268

00:48:40,870 --> 00:48:39,359

talking about government officials in

1269

00:48:41,990 --> 00:48:40,880

our documentary and they have not

1270

00:48:43,829 --> 00:48:42,000

stopped us

1271

00:48:45,510 --> 00:48:43,839

well it's not necessarily about

1272

00:48:47,270 --> 00:48:45,520

consciousness right it's about the

1273

00:48:50,309 --> 00:48:47,280

experience as a whole and consciousness

1274

00:48:52,630 --> 00:48:50,319

is just a part of it yes yes um yes

1275

00:48:53,430 --> 00:48:52,640

because there's some physical [\h__\h] going

1276

00:48:54,470 --> 00:48:53,440

on

1277

00:48:56,470 --> 00:48:54,480

the the well the point of the

1278

00:48:58,150 --> 00:48:56,480

documentary is about being a an

1279

00:49:00,230 --> 00:48:58,160

experiencer and everything that goes

1280

00:49:02,549 --> 00:49:00,240

along with it yeah consciousness is a

1281

00:49:04,069 --> 00:49:02,559

huge part of it it is it definitely is i

1282

00:49:05,910 --> 00:49:04,079

misspoke that's not what the whole

1283

00:49:07,829 --> 00:49:05,920

documentary is about thank you for

1284

00:49:08,790 --> 00:49:07,839

catching that because like there's way

1285

00:49:11,349 --> 00:49:08,800

more

1286

00:49:13,510 --> 00:49:11,359

yeah with this part like we just talked

1287

00:49:16,069 --> 00:49:13,520

to eric davis that was

1288

00:49:19,109 --> 00:49:16,079

that is a professor at harvard that

1289

00:49:20,630 --> 00:49:19,119

talked about the exact thing

1290

00:49:22,150 --> 00:49:20,640

that we're kind of bringing up in our

1291

00:49:23,750 --> 00:49:22,160

documentary about like the connection

1292

00:49:25,990 --> 00:49:23,760

between consciousness and this

1293

00:49:27,430 --> 00:49:26,000

phenomenon

1294

00:49:28,710 --> 00:49:27,440

and uh

1295

00:49:30,230 --> 00:49:28,720

dude i feel like it's been a journey

1296

00:49:31,910 --> 00:49:30,240

trying to just wrap my head around it

1297

00:49:32,630 --> 00:49:31,920

and it's finally making sense and it's

1298

00:49:37,670 --> 00:49:32,640

like

1299

00:49:39,190 --> 00:49:37,680

misinformation

1300

00:49:40,710 --> 00:49:39,200

campaign

1301

00:49:43,270 --> 00:49:40,720

that they're just letting us go down

1302

00:49:45,670 --> 00:49:43,280

this path to like not let us get to the

1303

00:49:46,950 --> 00:49:45,680

actual fact like the future or yeah

1304

00:49:48,630 --> 00:49:46,960

future but the

1305

00:49:49,910 --> 00:49:48,640

[h__\h] that's actually going on

1306

00:49:52,710 --> 00:49:49,920

like it's just

1307

00:49:54,150 --> 00:49:52,720

it's so flip floppy either way you know

1308

00:49:57,430 --> 00:49:54,160

like

1309

00:49:58,390 --> 00:49:57,440

the the you know the physical craft

1310

00:50:01,349 --> 00:49:58,400

right

1311

00:50:02,790 --> 00:50:01,359

well of course it could be ours but it

1312

00:50:05,670 --> 00:50:02,800

could also be

1313

00:50:07,190 --> 00:50:05,680

not ours right the consciousness thing

1314

00:50:09,109 --> 00:50:07,200

yeah totally

1315

00:50:11,270 --> 00:50:09,119

totally believe that but at the same

1316

00:50:13,589 --> 00:50:11,280

time you just pulling my leg are you

1317

00:50:15,829 --> 00:50:13,599

saying like yeah

1318

00:50:17,910 --> 00:50:15,839

yeah a lot of this stuff is invisible

1319

00:50:21,109 --> 00:50:17,920

you can't you know like you just

1320

00:50:22,870 --> 00:50:21,119

it's all your consciousness baby right

1321

00:50:25,510 --> 00:50:22,880

if you if you don't have the wow if you

1322

00:50:28,230 --> 00:50:25,520

don't have the abilities to see or feel

1323

00:50:31,030 --> 00:50:28,240

or be intuitive if you're not a kid

1324

00:50:33,270 --> 00:50:31,040

hey if you're not killed

1325

00:50:35,430 --> 00:50:33,280

if you're not cure you can't see it if

1326
00:50:37,109 --> 00:50:35,440
your name is cal his name is kyle you

1327
00:50:45,100 --> 00:50:37,119
can't see

1328
00:50:45,110 --> 00:50:50,000
[Laughter]

1329
00:50:56,309 --> 00:50:52,069
[Music]

1330
00:50:57,829 --> 00:50:56,319
oh [h__h] dude that's really fun

1331
00:50:59,270 --> 00:50:57,839
chad says i'm really starting to believe

1332
00:51:01,270 --> 00:50:59,280
these crashes like roswell are

1333
00:51:03,270 --> 00:51:01,280
misinformation cases and the truth is

1334
00:51:05,990 --> 00:51:03,280
more metaphysical

1335
00:51:08,230 --> 00:51:06,000
it could be right it could be it could

1336
00:51:09,990 --> 00:51:08,240
be also chad's about to walk he's been

1337
00:51:11,910 --> 00:51:10,000
doing lord's work by the way if y'all

1338
00:51:14,309 --> 00:51:11,920

haven't checked out chad smith's podcast

1339

00:51:16,150 --> 00:51:14,319

he does a radio it does a morning show

1340

00:51:18,150 --> 00:51:16,160

you guys dude yeah

1341

00:51:19,829 --> 00:51:18,160

it's [h__\h] phenomenal

1342

00:51:21,670 --> 00:51:19,839

ufos aliens

1343

00:51:23,430 --> 00:51:21,680

in the paranormal in the morning holy

1344

00:51:28,230 --> 00:51:23,440

[h__\h] that's been a needed thing y'all

1345

00:51:33,030 --> 00:51:31,270

chad smith in the morning

1346

00:51:35,190 --> 00:51:33,040

there's so many different aspects to

1347

00:51:38,870 --> 00:51:35,200

this thing that i i think it's important

1348

00:51:41,829 --> 00:51:38,880

that we continue to focus on all of them

1349

00:51:42,950 --> 00:51:41,839

you know the metaphysical the the the

1350

00:51:45,589 --> 00:51:42,960

physical

1351

00:51:47,109 --> 00:51:45,599

the consciousness aspect of all this

1352

00:51:50,470 --> 00:51:47,119

stuff i think it's really important that

1353

00:51:52,870 --> 00:51:50,480

we don't lose focus on all the pieces to

1354

00:51:54,470 --> 00:51:52,880

this and just start focusing on one

1355

00:51:56,870 --> 00:51:54,480

thing because it's really easy to get

1356

00:51:58,710 --> 00:51:56,880

sucked down into a hole and then just

1357

00:52:01,270 --> 00:51:58,720

kind of start

1358

00:52:03,430 --> 00:52:01,280

losing track of everything else you know

1359

00:52:05,190 --> 00:52:03,440

so i think it's important man i think

1360

00:52:06,549 --> 00:52:05,200

it's important do you hit the nail on

1361

00:52:08,390 --> 00:52:06,559

the head earlier when i was talking on

1362

00:52:09,670 --> 00:52:08,400

the phone like hey what up what are we

1363

00:52:12,150 --> 00:52:09,680

going to talk about tonight and you were

1364

00:52:18,630 --> 00:52:15,750

you said some [h__h] that just

1365

00:52:21,670 --> 00:52:18,640

made sense like our last uh

1366

00:52:24,630 --> 00:52:21,680

quite a few videos uh or our chats our

1367

00:52:26,069 --> 00:52:24,640

thirsty thursdays have been about the

1368

00:52:28,150 --> 00:52:26,079

the uh

1369

00:52:30,790 --> 00:52:28,160

the consciousness aspect which i'm like

1370

00:52:32,950 --> 00:52:30,800

do we've been in it like all summer

1371

00:52:35,109 --> 00:52:32,960

fascinated by it that's been our summer

1372

00:52:37,670 --> 00:52:35,119

bro like it's been amazing we've been

1373

00:52:39,109 --> 00:52:37,680

such uh through such a journey

1374

00:52:41,270 --> 00:52:39,119

and um

1375

00:52:42,950 --> 00:52:41,280

i feel like it is time to kind of all

1376

00:52:44,069 --> 00:52:42,960

right

1377

00:52:47,109 --> 00:52:44,079

read that in

1378

00:52:49,109 --> 00:52:47,119

that happen [h__\h] yeah like

1379

00:52:50,950 --> 00:52:49,119

that means something that's not doesn't

1380

00:52:52,549 --> 00:52:50,960

mean that if we're going back to

1381

00:52:54,230 --> 00:52:52,559

something or moving on to something else

1382

00:52:55,990 --> 00:52:54,240

that that it like totally negates what

1383

00:52:57,589 --> 00:52:56,000

we learned i think we still learned a

1384

00:52:58,870 --> 00:52:57,599

lot right

1385

00:53:00,790 --> 00:52:58,880

and so

1386

00:53:03,190 --> 00:53:00,800

yeah and and you get into cases like

1387

00:53:07,030 --> 00:53:04,870

it it could it could all just be

1388

00:53:09,030 --> 00:53:07,040

consciousness it could all just be like

1389

00:53:11,670 --> 00:53:09,040

some dimensional [h__h] right

1390

00:53:15,109 --> 00:53:11,680

but at the same time

1391

00:53:16,950 --> 00:53:15,119

what happened to those people

1392

00:53:19,990 --> 00:53:16,960

what happened to the mom who comes out

1393

00:53:23,030 --> 00:53:20,000

of her house and sees her daughter

1394

00:53:25,670 --> 00:53:23,040

across the yard in the field and she's

1395

00:53:27,990 --> 00:53:25,680

holding a gray's hand

1396

00:53:30,309 --> 00:53:28,000

and there's 10 of them standing outside

1397

00:53:32,549 --> 00:53:30,319

and there's a bright light and a craft

1398

00:53:34,950 --> 00:53:32,559

on your front yard and you see your

1399

00:53:37,190 --> 00:53:34,960

daughter walking holding hands with

1400

00:53:39,750 --> 00:53:37,200

these beings

1401

00:53:42,230 --> 00:53:39,760

to or from the ship

1402

00:53:44,470 --> 00:53:42,240

yeah that you i mean yeah that can be

1403

00:53:47,030 --> 00:53:44,480

consciousness that can be metaphysical

1404

00:53:49,349 --> 00:53:47,040

that can be dimensional but at that

1405

00:53:52,069 --> 00:53:49,359

point in time it is physical right here

1406

00:53:53,349 --> 00:53:52,079

in front of you that is touchable

1407

00:53:56,630 --> 00:53:53,359

tangible

1408

00:53:59,670 --> 00:53:56,640

3d world that we're living in we like we

1409

00:54:01,589 --> 00:53:59,680

can't forget that you know we can't

1410

00:54:04,150 --> 00:54:01,599

forget the fact that yeah you may have

1411

00:54:06,069 --> 00:54:04,160

been dimensionally taken somewhere yes

1412

00:54:08,549 --> 00:54:06,079

or whatever you want to call it but when

1413

00:54:11,190 --> 00:54:08,559

you come back you have scoops taken out

1414

00:54:13,349 --> 00:54:11,200

of your body you have bruises you have

1415

00:54:15,430 --> 00:54:13,359

physical things that are happening to

1416

00:54:16,710 --> 00:54:15,440

you physically

1417

00:54:19,829 --> 00:54:16,720

so

1418

00:54:22,390 --> 00:54:19,839

is that just your conscious

1419

00:54:24,790 --> 00:54:22,400

did your conscience put put a a device

1420

00:54:27,750 --> 00:54:24,800

inside of your body did your conscience

1421

00:54:30,390 --> 00:54:27,760

take a fetus from you did your did your

1422

00:54:32,549 --> 00:54:30,400

conscience leave a bruise on your body

1423

00:54:35,430 --> 00:54:32,559

did your consciousness do that

1424

00:54:38,309 --> 00:54:35,440

no it didn't no something physical very

1425

00:54:41,430 --> 00:54:38,319

physical happened dude you know yeah

1426

00:54:43,190 --> 00:54:41,440

that's that's what i want to focus on

1427

00:54:45,030 --> 00:54:43,200

uh is is to

1428

00:54:46,230 --> 00:54:45,040

love that dude

1429

00:54:48,390 --> 00:54:46,240

is

1430

00:54:50,950 --> 00:54:48,400

where we start right like everybody has

1431

00:54:53,589 --> 00:54:50,960

that weird dream that one time or that

1432

00:54:55,750 --> 00:54:53,599

that thing maybe some more than most

1433

00:54:58,150 --> 00:54:55,760

or some more than others

1434

00:54:59,910 --> 00:54:58,160

the physical aspect that comes after the

1435

00:55:01,829 --> 00:54:59,920

fact where you wake up from this crazy

1436

00:55:03,990 --> 00:55:01,839

dream and you do have those scoop marks

1437

00:55:06,230 --> 00:55:04,000

or you do have a triangle shaped burn

1438

00:55:08,630 --> 00:55:06,240

mark on your forehead or the inside of

1439

00:55:10,870 --> 00:55:08,640

your armpit

1440

00:55:13,349 --> 00:55:10,880

that is

1441

00:55:14,069 --> 00:55:13,359

some [h__h] i really think we should start

1442

00:55:16,069 --> 00:55:14,079

be

1443

00:55:17,109 --> 00:55:16,079

focusing on dude like

1444

00:55:19,670 --> 00:55:17,119

dreams

1445

00:55:23,510 --> 00:55:19,680

i'm not saying that they are

1446

00:55:25,349 --> 00:55:23,520

not a part of this uh uh

1447

00:55:27,270 --> 00:55:25,359

this study this whatever we're trying to

1448

00:55:28,710 --> 00:55:27,280

figure out yeah but what we're what

1449

00:55:29,829 --> 00:55:28,720

we're talking about tonight is the

1450

00:55:31,829 --> 00:55:29,839

physical

1451

00:55:34,950 --> 00:55:31,839

aspect what happens

1452

00:55:36,870 --> 00:55:34,960

after like yeah of course you can have

1453

00:55:38,950 --> 00:55:36,880

an experience uh

1454

00:55:41,109 --> 00:55:38,960

metaphysically or in your consciousness

1455

00:55:44,789 --> 00:55:41,119

but what comes after that

1456

00:55:45,910 --> 00:55:44,799

are there physical manifestations if yes

1457

00:55:48,309 --> 00:55:45,920

dude

1458

00:55:50,390 --> 00:55:48,319

i feel like that is where we start to

1459

00:55:53,750 --> 00:55:50,400

bridge that gap that gap between

1460

00:55:55,990 --> 00:55:53,760

somebody who's who's on the fence

1461

00:55:57,990 --> 00:55:56,000

maybe they've had their own experience

1462

00:55:59,670 --> 00:55:58,000

or maybe they know somebody that has

1463

00:56:01,670 --> 00:55:59,680

their experience and they're like i

1464

00:56:03,030 --> 00:56:01,680

don't know who to believe or i don't

1465

00:56:05,510 --> 00:56:03,040

know what to believe

1466

00:56:09,270 --> 00:56:05,520

i've had these crazy dreams

1467

00:56:11,750 --> 00:56:09,280

if there is some bridge

1468

00:56:13,430 --> 00:56:11,760

a physical bridge we need to start

1469

00:56:14,549 --> 00:56:13,440

zooming in on that [h__h] and looking at

1470

00:56:17,030 --> 00:56:14,559

that

1471

00:56:19,349 --> 00:56:17,040

because

1472

00:56:22,230 --> 00:56:19,359

you can't just

1473

00:56:25,190 --> 00:56:22,240

manifest a burn mark

1474

00:56:27,910 --> 00:56:25,200

or radiation burns on someone's skin by

1475

00:56:29,190 --> 00:56:27,920

having a dream about walking into a a

1476

00:56:32,390 --> 00:56:29,200

ufo

1477

00:56:34,309 --> 00:56:32,400

or or a silver craft with higher

1478

00:56:36,549 --> 00:56:34,319

hieroglyphics on it like you don't just

1479

00:56:37,910 --> 00:56:36,559

get radiation burns from a dream dude

1480

00:56:39,829 --> 00:56:37,920

you can't just make your body have

1481

00:56:42,390 --> 00:56:39,839

radiation burns like that that's a

1482

00:56:44,470 --> 00:56:42,400

physical thing so you know you saw some

1483

00:56:46,789 --> 00:56:44,480

[\h__\h] you've been through some [\h__\h]

1484

00:56:49,270 --> 00:56:46,799

um not to say that people that have just

1485

00:56:50,710 --> 00:56:49,280

had these these dreams haven't been

1486

00:56:53,589 --> 00:56:50,720

through some [\h__\h] i think there's still

1487

00:56:55,510 --> 00:56:53,599

merit in that but i think

1488

00:56:57,109 --> 00:56:55,520

i'm more focused on right now at this

1489

00:56:59,190 --> 00:56:57,119

moment like

1490

00:57:01,270 --> 00:56:59,200

bringing in it bringing it into the the

1491

00:57:02,870 --> 00:57:01,280

physical world like how do we how do we

1492

00:57:04,390 --> 00:57:02,880

bridge it how do we start talking about

1493

00:57:07,190 --> 00:57:04,400

that

1494

00:57:08,309 --> 00:57:07,200

like this gotta be some scary [h__\h]

1495

00:57:13,510 --> 00:57:08,319

yeah

1496

00:57:15,670 --> 00:57:13,520

the the physical part man is is

1497

00:57:17,910 --> 00:57:15,680

that's dude that's like when you get

1498

00:57:20,309 --> 00:57:17,920

into like the creepy scary part of these

1499

00:57:22,630 --> 00:57:20,319

stories dude i mean we've heard some

1500

00:57:23,750 --> 00:57:22,640

pretty wild stuff when it comes into the

1501
00:57:25,430 --> 00:57:23,760

physical

1502
00:57:27,109 --> 00:57:25,440

yeah i wanna i wanna really quick

1503
00:57:30,230 --> 00:57:27,119

address uh

1504
00:57:32,150 --> 00:57:30,240

earth version 2.0 uh comment i know

1505
00:57:34,549 --> 00:57:32,160

someone who has an upside down cross

1506
00:57:36,630 --> 00:57:34,559

burnt into their taint um what could

1507
00:57:38,069 --> 00:57:36,640

that mean

1508
00:57:40,390 --> 00:57:38,079

it just means that you're you need to

1509
00:57:42,230 --> 00:57:40,400

flip them over um because it's not

1510
00:57:44,069 --> 00:57:42,240

really upside down

1511
00:57:46,950 --> 00:57:44,079

you just you just flip them over and

1512
00:57:49,270 --> 00:57:46,960

then it's right side up again

1513
00:57:50,390 --> 00:57:49,280

but the physical thing dude is where it

1514

00:57:53,510 --> 00:57:50,400

gets

1515

00:57:53,829 --> 00:57:53,520

is is where it

1516

00:57:55,589 --> 00:57:53,839

dude gets

1517

00:57:57,829 --> 00:57:55,599

gets scary kind of you know it gets

1518

00:57:59,430 --> 00:57:57,839

scary a lot of these people have like

1519

00:58:03,349 --> 00:57:59,440

you know like there's a lot of like

1520

00:58:05,190 --> 00:58:03,359

beautiful experiences uh

1521

00:58:06,630 --> 00:58:05,200

that seem to happen to people but then

1522

00:58:11,510 --> 00:58:06,640

like

1523

00:58:13,589 --> 00:58:11,520

get shunned a little bit right because

1524

00:58:15,829 --> 00:58:13,599

nobody wants to like kind of give that

1525

00:58:17,990 --> 00:58:15,839

you know nobody wants to give that uh

1526
00:58:19,430 --> 00:58:18,000
that side of the whole thing i feel like

1527
00:58:21,750 --> 00:58:19,440
a lot of people are trying to turn this

1528
00:58:23,750 --> 00:58:21,760
into like a real positive thing

1529
00:58:25,910 --> 00:58:23,760
you know the free organization did

1530
00:58:29,349 --> 00:58:25,920
studies and like most of them turned out

1531
00:58:31,349 --> 00:58:29,359
to be you know uh positive experiences

1532
00:58:33,030 --> 00:58:31,359
even the negative ones at first ended up

1533
00:58:36,549 --> 00:58:33,040
changing their minds later on down the

1534
00:58:38,390 --> 00:58:36,559
road to be a positive experience but

1535
00:58:41,109 --> 00:58:38,400
dude there's some people who didn't even

1536
00:58:43,349 --> 00:58:41,119
make it yeah to later in their life

1537
00:58:46,150 --> 00:58:43,359
to feel that flip because it was such a

1538
00:58:49,270 --> 00:58:46,160

traumatic experience like what

1539

00:58:51,270 --> 00:58:49,280

what dude yeah yeah

1540

00:58:53,510 --> 00:58:51,280

well dude i feel like that's kind of

1541

00:58:55,910 --> 00:58:53,520

like the perfect time to kind of open it

1542

00:58:57,990 --> 00:58:55,920

up dude i mean do we want to send out

1543

00:59:00,150 --> 00:58:58,000

the link and and have anybody that wants

1544

00:59:01,589 --> 00:59:00,160

to chat about their experiences and and

1545

00:59:04,309 --> 00:59:01,599

hop on and

1546

00:59:05,270 --> 00:59:04,319

yeah chat for a little bit yeah hell

1547

00:59:08,150 --> 00:59:05,280

yeah

1548

00:59:09,910 --> 00:59:08,160

looking at uh looking at you

1549

00:59:11,510 --> 00:59:09,920

and funny

1550

00:59:13,510 --> 00:59:11,520

hope you come on dude i'm gonna i'm

1551

00:59:16,829 --> 00:59:13,520

gonna post the that link

1552

00:59:19,589 --> 00:59:16,839

and anybody wants to join up and uh and

1553

00:59:20,789 --> 00:59:19,599

and uh join the show and talk about

1554

00:59:22,150 --> 00:59:20,799

their experiences we're talking about

1555

00:59:23,030 --> 00:59:22,160

physical stuff

1556

00:59:25,990 --> 00:59:23,040

um

1557

00:59:27,910 --> 00:59:26,000

i mean we love all the aspects we we we

1558

00:59:29,829 --> 00:59:27,920

touch a lot about that on our show but

1559

00:59:31,030 --> 00:59:29,839

if you have any like physical things

1560

00:59:32,390 --> 00:59:31,040

that we could talk about that we can

1561

00:59:34,309 --> 00:59:32,400

bring into the

1562

00:59:35,990 --> 00:59:34,319

the physical reality

1563

00:59:38,710 --> 00:59:36,000

and kind of talk about that that's kind

1564

00:59:41,589 --> 00:59:38,720

of like our focus tonight um

1565

00:59:42,710 --> 00:59:41,599

yeah yeah yeah let us know man so it'd

1566

00:59:44,549 --> 00:59:42,720

be awesome

1567

00:59:47,270 --> 00:59:44,559

and tony's in dude tony's in the

1568

00:59:49,270 --> 00:59:47,280

background bro all right pony's in the

1569

00:59:51,030 --> 00:59:49,280

green room

1570

00:59:52,870 --> 00:59:51,040

and dude tony's been he's been a he's

1571

00:59:54,150 --> 00:59:52,880

been on our crew for a while so i'm

1572

00:59:55,670 --> 00:59:54,160

excited to hear from him man this is

1573

00:59:57,270 --> 00:59:55,680

like the first time we talked to him so

1574

01:00:11,910 --> 00:59:57,280

i'm stoked dude

1575

01:00:15,190 --> 01:00:13,750

okay i'll bring him back he's still in

1576

01:00:18,069 --> 01:00:15,200

the green room i'll bring him back in

1577

01:00:21,109 --> 01:00:19,829

yeah dude we've heard some creepy stuff

1578

01:00:24,069 --> 01:00:21,119

man

1579

01:00:25,270 --> 01:00:24,079

you even things down to like

1580

01:00:27,109 --> 01:00:25,280

uh

1581

01:00:29,589 --> 01:00:27,119

like and this is kind of like in the

1582

01:00:32,390 --> 01:00:29,599

american horror story like dudes

1583

01:00:35,829 --> 01:00:32,400

getting like impregnated and stuff like

1584

01:00:36,870 --> 01:00:35,839

like hybrid program and like

1585

01:00:38,470 --> 01:00:36,880

oh

1586

01:00:41,349 --> 01:00:38,480

dude like what

1587

01:00:43,270 --> 01:00:41,359

how how does that even work but [h__h]

1588

01:00:44,789 --> 01:00:43,280

fine though dude you know what i don't

1589

01:00:47,349 --> 01:00:44,799

discount it

1590

01:00:48,710 --> 01:00:47,359

yeah well tony was saying he uh okay oh

1591

01:00:50,710 --> 01:00:48,720

i think he has his headphones in let's

1592

01:00:56,150 --> 01:00:50,720

bring him back in what's up dude what's

1593

01:00:58,230 --> 01:00:56,160

up guys hey man dude yes you made it oh

1594

01:01:02,789 --> 01:00:58,240

i love your poster and your background i

1595

01:01:09,109 --> 01:01:06,470

oh let's see here what do we got

1596

01:01:10,630 --> 01:01:09,119

can you hear us okay

1597

01:01:13,829 --> 01:01:10,640

fantastic i can hear you guys

1598

01:01:17,270 --> 01:01:13,839

fantastically heck yeah dude

1599

01:01:19,190 --> 01:01:17,280

so what's going on tonight man

1600

01:01:21,750 --> 01:01:19,200

yeah of course i can what's up with you

1601
01:01:23,510 --> 01:01:21,760
guys well not a lot not a lot just

1602
01:01:25,670 --> 01:01:23,520
hanging out drinking some wine talking

1603
01:01:33,670 --> 01:01:25,680
some aliens tonight man talking some

1604
01:01:37,349 --> 01:01:34,870
is there a lag

1605
01:01:39,670 --> 01:01:37,359
i feel like there's maybe a lag in there

1606
01:01:42,630 --> 01:01:39,680
well i'm doing whiskey so

1607
01:01:44,950 --> 01:01:42,640
oh oh nice right behind you guys

1608
01:01:47,030 --> 01:01:44,960
heck yeah there is a lag

1609
01:01:49,750 --> 01:01:47,040
yeah there's a lag for sure there is a

1610
01:01:53,430 --> 01:01:49,760
lag moment back out and come back on

1611
01:01:55,829 --> 01:01:53,440
yeah come back on dude

1612
01:01:58,549 --> 01:01:55,839
yeah this thing like dude i love to i

1613
01:02:01,349 --> 01:01:58,559

would love to do like more open line

1614

01:02:04,390 --> 01:02:01,359

chat stuff but uh it's it's tough like

1615

01:02:05,510 --> 01:02:04,400

stuff uh we uh we try to put on a good

1616

01:02:07,829 --> 01:02:05,520

show but like

1617

01:02:10,470 --> 01:02:07,839

it's it's tough when the the internet

1618

01:02:12,150 --> 01:02:10,480

sometimes doesn't doesn't match up dude

1619

01:02:13,910 --> 01:02:12,160

so uh

1620

01:02:15,750 --> 01:02:13,920

i feel like like there's so many other

1621

01:02:17,829 --> 01:02:15,760

shows that do this and like have no

1622

01:02:20,470 --> 01:02:17,839

problems dude like

1623

01:02:22,390 --> 01:02:20,480

we don't scream it's not like we have to

1624

01:02:24,150 --> 01:02:22,400

scream people like hey what's what's

1625

01:02:27,029 --> 01:02:24,160

your [h__h] inner is your internet dope

1626
01:02:30,150 --> 01:02:27,039
of [\h__\h] or not yeah must have if it's

1627
01:02:34,390 --> 01:02:30,160
not you can't be on the show

1628
01:02:37,829 --> 01:02:34,400
you gotta have fiber yeah you gotta be

1629
01:02:39,430 --> 01:02:37,839
you gotta be like internet cool dude

1630
01:02:41,910 --> 01:02:39,440
what if in the fut what if in the future

1631
01:02:44,069 --> 01:02:41,920
your your your like uh

1632
01:02:47,190 --> 01:02:44,079
your uh community status is based on

1633
01:02:51,589 --> 01:02:49,349
like you're you're only eligible for

1634
01:02:53,430 --> 01:02:51,599
certain [\h__\h] like you can't buy avocados

1635
01:02:54,710 --> 01:02:53,440
unless your internet speed is a certain

1636
01:02:55,829 --> 01:02:54,720
level

1637
01:02:57,750 --> 01:02:55,839
you know

1638
01:03:00,470 --> 01:02:57,760

that would suck

1639

01:03:03,670 --> 01:03:00,480

all right we got tony back in here boys

1640

01:03:05,990 --> 01:03:05,109

all right are we good

1641

01:03:08,230 --> 01:03:06,000

all right

1642

01:03:10,870 --> 01:03:08,240

are we good

1643

01:03:12,789 --> 01:03:10,880

yes i think so

1644

01:03:14,230 --> 01:03:12,799

say one after i say one

1645

01:03:16,549 --> 01:03:14,240

one

1646

01:03:19,670 --> 01:03:16,559

that's perfect all right

1647

01:03:21,270 --> 01:03:19,680

what's up man cheers dude

1648

01:03:23,510 --> 01:03:21,280

cheers

1649

01:03:25,670 --> 01:03:23,520

hell yeah all right

1650

01:03:28,549 --> 01:03:25,680

oh what do you got some bradshaw

1651

01:03:30,870 --> 01:03:28,559

was that what that said whiskey

1652

01:03:32,309 --> 01:03:30,880

no what what are you guys up to man what

1653

01:03:36,390 --> 01:03:32,319

do you want to know

1654

01:03:37,910 --> 01:03:36,400

dude i want to know i dude also i well i

1655

01:03:39,349 --> 01:03:37,920

want to know your background dude

1656

01:03:40,870 --> 01:03:39,359

because you had mentioned maybe you were

1657

01:03:42,390 --> 01:03:40,880

in the air force at one point i've got

1658

01:03:44,390 --> 01:03:42,400

some buddies that were in the air force

1659

01:03:46,549 --> 01:03:44,400

or in the air force currently joe has

1660

01:03:48,390 --> 01:03:46,559

family and and tell us a little bit

1661

01:03:49,910 --> 01:03:48,400

about that man what's your experience

1662

01:03:51,990 --> 01:03:49,920

going from the air force and learning

1663

01:03:54,150 --> 01:03:52,000

about the uip and being interested in

1664

01:03:55,670 --> 01:03:54,160

this subject um

1665

01:03:58,390 --> 01:03:55,680

all right my

1666

01:04:00,069 --> 01:03:58,400

i had a brief stint in the air force i'm

1667

01:04:00,870 --> 01:04:00,079

not going to lie i didn't finish out my

1668

01:04:03,270 --> 01:04:00,880

tour

1669

01:04:06,549 --> 01:04:03,280

but the simple fact was i was a sensor

1670

01:04:08,710 --> 01:04:06,559

technician i worked radar infrared

1671

01:04:10,789 --> 01:04:08,720

and a lot of

1672

01:04:14,069 --> 01:04:10,799

discovery

1673

01:04:16,390 --> 01:04:14,079

things in the air force

1674

01:04:19,750 --> 01:04:16,400

and

1675

01:04:23,589 --> 01:04:22,069

stuff that people didn't know about back

1676

01:04:25,670 --> 01:04:23,599

then

1677

01:04:27,029 --> 01:04:25,680

but it's kind of commonplace now

1678

01:04:28,150 --> 01:04:27,039

cool

1679

01:04:30,470 --> 01:04:28,160

hell yeah

1680

01:04:32,710 --> 01:04:30,480

data i mean that's ex that's important

1681

01:04:34,950 --> 01:04:32,720

dude well what i wanted to explain to

1682

01:04:37,910 --> 01:04:34,960

you guys is that there's different

1683

01:04:40,710 --> 01:04:37,920

shreds to people's jobs i was in a shred

1684

01:04:42,789 --> 01:04:40,720

in my job there was a bee shred in the a

1685

01:04:45,670 --> 01:04:42,799

shred of my job

1686

01:04:47,109 --> 01:04:45,680

nobody could enter our facility without

1687

01:04:49,109 --> 01:04:47,119

a marlock key

1688

01:04:52,630 --> 01:04:49,119

even top brass

1689

01:04:56,150 --> 01:04:52,640

okay nobody can come into our office

1690

01:04:58,470 --> 01:04:56,160

but i could walk next door right through

1691

01:05:04,069 --> 01:04:58,480

the bee shreds office

1692

01:05:07,270 --> 01:05:05,750

so the car

1693

01:05:08,549 --> 01:05:07,280

compartmentalization

1694

01:05:10,309 --> 01:05:08,559

of of

1695

01:05:12,789 --> 01:05:10,319

of jobs was

1696

01:05:15,190 --> 01:05:12,799

maybe not equal

1697

01:05:18,789 --> 01:05:15,200

exactly yeah exactly that's what i'm

1698

01:05:20,069 --> 01:05:18,799

saying is our job was completely

1699

01:05:23,430 --> 01:05:20,079

protected

1700

01:05:26,309 --> 01:05:23,440

but the b shred of the same job

1701

01:05:29,190 --> 01:05:26,319

was not protected at all

1702

01:05:31,349 --> 01:05:29,200

so my question which would yeah well my

1703

01:05:34,950 --> 01:05:31,359

question would be like uh

1704

01:05:36,789 --> 01:05:34,960

what information or or what uh

1705

01:05:38,870 --> 01:05:36,799

i'm not asking to answer this but like

1706

01:05:41,029 --> 01:05:38,880

i'm just curious like what information

1707

01:05:42,950 --> 01:05:41,039

were they privy to that you were not

1708

01:05:44,870 --> 01:05:42,960

allowed to or was that just like a front

1709

01:05:47,430 --> 01:05:44,880

just like have you guys not have to talk

1710

01:05:48,829 --> 01:05:47,440

to each other like they were more

1711

01:05:51,190 --> 01:05:48,839

sensory

1712

01:05:53,910 --> 01:05:51,200

um visual

1713

01:05:57,349 --> 01:05:53,920

we were more sensory technical

1714

01:05:59,430 --> 01:05:57,359

like we had radar codes we had

1715

01:06:02,789 --> 01:05:59,440

uh laser codes

1716

01:06:05,109 --> 01:06:02,799

for targeting navigational systems

1717

01:06:06,950 --> 01:06:05,119

yeah that were sensitive

1718

01:06:08,150 --> 01:06:06,960

you know towards other countries what

1719

01:06:11,029 --> 01:06:08,160

have you

1720

01:06:13,109 --> 01:06:11,039

and they basically they basically had

1721

01:06:16,390 --> 01:06:13,119

the other thing where they were seeing

1722

01:06:18,390 --> 01:06:16,400

the pictures that we were taking

1723

01:06:19,589 --> 01:06:18,400

if that makes sense it does make sense

1724

01:06:21,349 --> 01:06:19,599

because

1725

01:06:23,109 --> 01:06:21,359

so if if you were to

1726

01:06:24,710 --> 01:06:23,119

i guess if i were to like be devil's

1727

01:06:26,870 --> 01:06:24,720

advocate like

1728

01:06:30,069 --> 01:06:26,880

be protective as as much as possible

1729

01:06:33,589 --> 01:06:30,079

like i wouldn't want my enemy to know

1730

01:06:35,109 --> 01:06:33,599

both uh like both of those jobs are very

1731

01:06:37,029 --> 01:06:35,119

important

1732

01:06:38,789 --> 01:06:37,039

i wouldn't want my

1733

01:06:39,990 --> 01:06:38,799

enemy to know both of those things

1734

01:06:42,069 --> 01:06:40,000

because if you know both of them they're

1735

01:06:44,470 --> 01:06:42,079

like oh [h__\h] i

1736

01:06:46,630 --> 01:06:44,480

i know uh what make and model your plane

1737

01:06:50,630 --> 01:06:46,640

is and where it's going like it makes

1738

01:06:53,589 --> 01:06:50,640

kind of sense to to separate the two

1739

01:06:55,190 --> 01:06:53,599

in a way like strategically but uh in in

1740

01:06:56,069 --> 01:06:55,200

the way of like

1741

01:06:59,029 --> 01:06:56,079

uh

1742

01:07:01,190 --> 01:06:59,039

figuring stuff out and learning things

1743

01:07:03,910 --> 01:07:01,200

or or trying to deep uh

1744

01:07:05,430 --> 01:07:03,920

deconstruct things i just don't know i

1745

01:07:09,589 --> 01:07:05,440

don't want you to have to like speak on

1746

01:07:10,470 --> 01:07:09,599

that but like it makes it it's it's how

1747

01:07:13,270 --> 01:07:10,480

okay

1748

01:07:15,430 --> 01:07:13,280

the easiest way for me to explain it is

1749

01:07:18,150 --> 01:07:15,440

how you see [h__h]

1750

01:07:21,510 --> 01:07:18,160

but how we see things

1751

01:07:24,549 --> 01:07:21,520

it's how we see things as opposed to how

1752

01:07:26,069 --> 01:07:24,559

you see what we've saw

1753

01:07:28,309 --> 01:07:26,079

because that makes sense

1754

01:07:29,109 --> 01:07:28,319

you know what i mean it does though it's

1755

01:07:32,150 --> 01:07:29,119

what

1756

01:07:35,670 --> 01:07:32,160

we've done to see these things it does

1757

01:07:38,470 --> 01:07:35,680

make sense dude i love that but how

1758

01:07:43,349 --> 01:07:38,480

you interpret what we've seen

1759

01:07:45,829 --> 01:07:43,359

has nothing to do with security

1760

01:07:48,549 --> 01:07:45,839

how we got those images

1761

01:07:51,029 --> 01:07:48,559

has something to do with security

1762

01:07:53,109 --> 01:07:51,039

that makes sense that makes sense and

1763

01:07:55,589 --> 01:07:53,119

then you were saying too like

1764

01:07:57,589 --> 01:07:55,599

even like top brass couldn't get into

1765

01:07:59,109 --> 01:07:57,599

like the office and stuff like that you

1766

01:08:01,510 --> 01:07:59,119

know like they don't just have like free

1767

01:08:03,990 --> 01:08:01,520

reign which kind of makes me wonder like

1768

01:08:07,270 --> 01:08:04,000

okay so you get your information that

1769

01:08:09,510 --> 01:08:07,280

goes to your guy your top guy

1770

01:08:12,710 --> 01:08:09,520

right and then nobody knows where it

1771

01:08:15,109 --> 01:08:12,720

goes after that but even the top brass

1772

01:08:17,110 --> 01:08:15,119

guys are compartmentalized in the

1773

01:08:19,590 --> 01:08:17,120

different sections so not even those

1774

01:08:20,789 --> 01:08:19,600

dudes know really

1775

01:08:25,110 --> 01:08:20,799

the whole

1776

01:08:26,950 --> 01:08:25,120

what we've seen but they don't know how

1777

01:08:27,990 --> 01:08:26,960

we've seen it how are you seeing it

1778

01:08:31,030 --> 01:08:28,000

right like

1779

01:08:32,630 --> 01:08:31,040

it's kind of we had black boxes in the

1780

01:08:34,550 --> 01:08:32,640

aircraft if you guys heard of black

1781

01:08:36,550 --> 01:08:34,560

boxes yeah okay

1782

01:08:39,110 --> 01:08:36,560

now we have black boxes

1783

01:08:40,789 --> 01:08:39,120

we were the only ones

1784

01:08:43,749 --> 01:08:40,799

that were privy

1785

01:08:46,070 --> 01:08:43,759

to finding those like we had to take a

1786

01:08:47,990 --> 01:08:46,080

we had to take a

1787

01:08:50,470 --> 01:08:48,000

little vacation

1788

01:08:53,829 --> 01:08:50,480

out to find a black box of an aircraft

1789

01:08:58,149 --> 01:08:56,390

and we were the only ones who were

1790

01:09:00,630 --> 01:08:58,159

allowed to

1791

01:09:02,550 --> 01:09:00,640

see that information or retrieve that

1792

01:09:04,470 --> 01:09:02,560

information not see that information but

1793

01:09:06,709 --> 01:09:04,480

retrieve that information

1794

01:09:08,870 --> 01:09:06,719

because we were the only ones classified

1795

01:09:11,189 --> 01:09:08,880

for that black box

1796

01:09:12,709 --> 01:09:11,199

right so we were the only ones allowed

1797

01:09:15,349 --> 01:09:12,719

to find that

1798

01:09:17,030 --> 01:09:15,359

and turn it into whatever higher powers

1799

01:09:21,349 --> 01:09:17,040

were

1800

01:09:25,430 --> 01:09:22,870

at the time it's like

1801
01:09:28,470 --> 01:09:25,440
no one's allowed to know that we were

1802
01:09:30,229 --> 01:09:28,480
even looking into wherever

1803
01:09:33,269 --> 01:09:30,239
like what we were looking into

1804
01:09:35,149 --> 01:09:33,279
well it's it's kind of like

1805
01:09:37,910 --> 01:09:35,159
you know it's so

1806
01:09:40,390 --> 01:09:37,920
compartmentalized that

1807
01:09:42,709 --> 01:09:40,400
we were only allowed we were the only

1808
01:09:44,309 --> 01:09:42,719
ones allowed to find this or to retrieve

1809
01:09:49,590 --> 01:09:44,319
that black box

1810
01:09:51,749 --> 01:09:49,600
turn it into a specific person

1811
01:09:54,550 --> 01:09:51,759
you know what i mean so it's so

1812
01:09:56,149 --> 01:09:54,560
it's so compartmentalized

1813
01:09:58,229 --> 01:09:56,159

yeah that

1814

01:10:00,070 --> 01:09:58,239

you know you only know so much i don't

1815

01:10:01,990 --> 01:10:00,080

know what happened

1816

01:10:04,149 --> 01:10:02,000

right you know what i mean alls i know

1817

01:10:07,110 --> 01:10:04,159

is we were authorized to retrieve that

1818

01:10:11,030 --> 01:10:07,120

black box yeah and we had to pass that

1819

01:10:14,830 --> 01:10:11,040

black box on to the next level

1820

01:10:16,790 --> 01:10:14,840

so i mean dude it seems like

1821

01:10:18,470 --> 01:10:16,800

yeah i don't know i'm just getting a

1822

01:10:19,430 --> 01:10:18,480

vibe that you you know how to kind of

1823

01:10:22,149 --> 01:10:19,440

keep your

1824

01:10:24,709 --> 01:10:22,159

your your wits about you and and and

1825

01:10:26,790 --> 01:10:24,719

kind of keep your mind straight i mean

1826

01:10:28,709 --> 01:10:26,800

in your job did you ever see anything

1827

01:10:31,270 --> 01:10:28,719

that kind of broke that

1828

01:10:32,950 --> 01:10:31,280

like hey this is some weird [h__\h]

1829

01:10:35,350 --> 01:10:32,960

i don't know what this is

1830

01:10:38,390 --> 01:10:35,360

um

1831

01:10:42,790 --> 01:10:40,550

i've

1832

01:10:44,630 --> 01:10:42,800

seen a couple things

1833

01:10:48,070 --> 01:10:44,640

you know what i mean but the whole thing

1834

01:10:49,590 --> 01:10:48,080

is is you've been given privilege to be

1835

01:10:52,870 --> 01:10:49,600

certain places

1836

01:10:55,590 --> 01:10:52,880

but your privilege stops

1837

01:10:57,669 --> 01:10:55,600

at a certain level your privilege stops

1838

01:11:00,149 --> 01:10:57,679

period yeah

1839

01:11:02,310 --> 01:11:00,159

you know what i mean you cannot see past

1840

01:11:04,229 --> 01:11:02,320

your privilege i have a level two top

1841

01:11:07,030 --> 01:11:04,239

secret security clearance in the

1842

01:11:10,149 --> 01:11:07,040

military okay but

1843

01:11:12,870 --> 01:11:10,159

it's stopped at need to know the need to

1844

01:11:15,910 --> 01:11:12,880

know is the most empirical thing in the

1845

01:11:17,590 --> 01:11:15,920

united states military the need to know

1846

01:11:20,310 --> 01:11:17,600

if you don't have a need to know you

1847

01:11:21,910 --> 01:11:20,320

could have a level 26

1848

01:11:23,750 --> 01:11:21,920

top secret security clearance i don't

1849

01:11:24,870 --> 01:11:23,760

know if that exists i'm just making an

1850

01:11:27,990 --> 01:11:24,880

example

1851

01:11:31,189 --> 01:11:28,000

but the period the thing is

1852

01:11:32,709 --> 01:11:31,199

unless you have a need to know period

1853

01:11:36,070 --> 01:11:32,719

you're not going to know

1854

01:11:38,229 --> 01:11:36,080

yeah right it's like you have

1855

01:11:41,669 --> 01:11:38,239

you you have the privilege to go here

1856

01:11:43,510 --> 01:11:41,679

and find this thing but

1857

01:11:45,189 --> 01:11:43,520

don't be looking at [h__h]

1858

01:11:48,630 --> 01:11:45,199

you know like you're well

1859

01:11:50,310 --> 01:11:48,640

i'll give you an example i have a friend

1860

01:11:52,950 --> 01:11:50,320

i've been a friend i've been with this

1861

01:11:54,950 --> 01:11:52,960

guy since i've been 10 years old he's

1862

01:11:56,630 --> 01:11:54,960

my best friend okay

1863

01:11:58,870 --> 01:11:56,640

he's a colonel in the united states

1864

01:12:00,470 --> 01:11:58,880

military okay

1865

01:12:02,630 --> 01:12:00,480

and there are times when he'll just tell

1866

01:12:04,630 --> 01:12:02,640

me

1867

01:12:06,790 --> 01:12:04,640

okay no

1868

01:12:08,870 --> 01:12:06,800

i'm not going to talk about that

1869

01:12:11,830 --> 01:12:08,880

i can't talk about this it'll be

1870

01:12:13,750 --> 01:12:11,840

politics it will be security it would be

1871

01:12:14,550 --> 01:12:13,760

whatever else and he will just simply

1872

01:12:16,310 --> 01:12:14,560

say

1873

01:12:17,270 --> 01:12:16,320

i can't talk about this

1874

01:12:20,550 --> 01:12:17,280

yeah

1875

01:12:22,550 --> 01:12:20,560

you know what i mean so there's a cutoff

1876

01:12:24,790 --> 01:12:22,560

is it

1877

01:12:27,270 --> 01:12:24,800

i see i feel like there's there's this

1878

01:12:29,910 --> 01:12:27,280

uh like i don't i don't want to like

1879

01:12:34,630 --> 01:12:32,550

i don't want to like say hey tell us

1880

01:12:36,390 --> 01:12:34,640

what you know but i feel like you've

1881

01:12:38,709 --> 01:12:36,400

already told us exactly like we don't

1882

01:12:40,709 --> 01:12:38,719

know [h__\h] this is the colony yeah you

1883

01:12:43,830 --> 01:12:40,719

don't know [h__\h]

1884

01:12:46,070 --> 01:12:43,840

because it it unless you have you need

1885

01:12:46,870 --> 01:12:46,080

to know about that specific thing you

1886

01:12:48,229 --> 01:12:46,880

don't know

1887

01:12:50,149 --> 01:12:48,239

anything right

1888

01:12:51,910 --> 01:12:50,159

that's kind of that's kind of what the

1889

01:12:53,990 --> 01:12:51,920

[\h__\h] funny thing is even when we

1890

01:12:56,870 --> 01:12:54,000

interviewed lou elizondo

1891

01:12:57,990 --> 01:12:56,880

i've been to secret military places i've

1892

01:13:00,310 --> 01:12:58,000

done things

1893

01:13:02,870 --> 01:13:00,320

you don't know [\h__\h] unless they want you

1894

01:13:05,350 --> 01:13:02,880

to know [\h__\h] i don't know [\h__\h] somebody

1895

01:13:07,350 --> 01:13:05,360

told you that flat out so specific to

1896

01:13:10,229 --> 01:13:07,360

your specialty you wouldn't know

1897

01:13:12,310 --> 01:13:10,239

anything else besides that because the

1898

01:13:13,350 --> 01:13:12,320

the organization is just that good like

1899

01:13:16,870 --> 01:13:13,360

they're

1900

01:13:18,550 --> 01:13:16,880

i am lasers radar infrared navigational

1901

01:13:20,870 --> 01:13:18,560

and targeting technology

1902

01:13:23,910 --> 01:13:20,880

that is my job that sounds pretty dope

1903

01:13:26,229 --> 01:13:23,920

dude okay but the simple fact is i don't

1904

01:13:28,310 --> 01:13:26,239

know what you saw

1905

01:13:31,350 --> 01:13:28,320

i don't know how you saw it i don't know

1906

01:13:34,390 --> 01:13:31,360

anything about that my job was

1907

01:13:38,870 --> 01:13:35,830

your

1908

01:13:42,310 --> 01:13:38,880

you know technology that was my job yeah

1909

01:13:45,270 --> 01:13:42,320

yeah you know and i don't know the

1910

01:13:47,830 --> 01:13:45,280

specifics of your situation right

1911

01:13:51,030 --> 01:13:47,840

technology even though my technology may

1912

01:13:52,870 --> 01:13:51,040

have something to do with what you saw

1913

01:13:54,470 --> 01:13:52,880

or what you you know

1914

01:13:55,910 --> 01:13:54,480

what happened to you

1915

01:13:58,070 --> 01:13:55,920

that's not my job

1916

01:13:59,430 --> 01:13:58,080

and that's how compartmentalized the

1917

01:14:00,470 --> 01:13:59,440

military is

1918

01:14:05,830 --> 01:14:00,480

yeah

1919

01:14:08,229 --> 01:14:05,840

example of like like the the tic tac

1920

01:14:11,110 --> 01:14:08,239

videos right say you worked on something

1921

01:14:13,669 --> 01:14:11,120

to to build that that uh you know that

1922

01:14:15,270 --> 01:14:13,679

camera that that caught that tic tac

1923

01:14:17,510 --> 01:14:15,280

thing somebody finds out

1924

01:14:19,350 --> 01:14:17,520

you you build cameras for aircraft they

1925

01:14:21,030 --> 01:14:19,360

come to you and you're like hey

1926

01:14:22,550 --> 01:14:21,040

i know you built these cameras what did

1927

01:14:24,630 --> 01:14:22,560

i see what was that thing and you're

1928

01:14:27,270 --> 01:14:24,640

like i don't know i just don't i just i

1929

01:14:29,750 --> 01:14:27,280

just built it that that's my job that's

1930

01:14:31,430 --> 01:14:29,760

absolutely correct i built that camera

1931

01:14:34,070 --> 01:14:31,440

that was my job

1932

01:14:35,750 --> 01:14:34,080

and i don't know anything beyond that

1933

01:14:38,630 --> 01:14:35,760

with my job

1934

01:14:41,110 --> 01:14:38,640

like we actually had the systems that

1935

01:14:42,470 --> 01:14:41,120

put the missile through omar qaddafi's

1936

01:14:44,950 --> 01:14:42,480

door

1937

01:14:47,830 --> 01:14:44,960

oh [h__h]

1938

01:14:48,630 --> 01:14:47,840

okay some of us actually signed that

1939

01:14:50,070 --> 01:14:48,640

okay

1940

01:14:51,590 --> 01:14:50,080

signed that missile

1941

01:14:53,669 --> 01:14:51,600

that was put through there but the

1942

01:14:56,550 --> 01:14:53,679

simple fact is

1943

01:14:58,229 --> 01:14:56,560

we don't we're not privy to the outcomes

1944

01:15:01,189 --> 01:14:58,239

of what happened

1945

01:15:05,189 --> 01:15:01,199

we're just in charge of our systems

1946

01:15:07,270 --> 01:15:05,199

yeah so i want to i mean dude i love

1947

01:15:09,750 --> 01:15:07,280

that you're i mean this is such a

1948

01:15:12,229 --> 01:15:09,760

humanizing thing dude to hear from from

1949

01:15:14,470 --> 01:15:12,239

you on this because

1950

01:15:16,390 --> 01:15:14,480

uh it kind of separates this thing where

1951

01:15:17,110 --> 01:15:16,400

like this oh the military

1952

01:15:19,350 --> 01:15:17,120

and

1953

01:15:21,910 --> 01:15:19,360

the the weapons right

1954

01:15:23,030 --> 01:15:21,920

but there's a human involved right

1955

01:15:25,669 --> 01:15:23,040

and

1956

01:15:27,030 --> 01:15:25,679

there's a there's a bunch

1957

01:15:28,630 --> 01:15:27,040

there's a bunch of humans

1958

01:15:30,229 --> 01:15:28,640

and see the thing is it's so

1959

01:15:32,390 --> 01:15:30,239

compartmentalized

1960

01:15:34,070 --> 01:15:32,400

that it's broken down into so many

1961

01:15:38,229 --> 01:15:34,080

different pieces

1962

01:15:41,750 --> 01:15:38,239

that nobody has access to the next piece

1963

01:15:44,229 --> 01:15:41,760

so no one has the full story nobody so

1964

01:15:45,990 --> 01:15:44,239

maybe somebody does but

1965

01:15:47,910 --> 01:15:46,000

no nobody i knew

1966

01:15:50,310 --> 01:15:47,920

so i mean

1967

01:15:51,750 --> 01:15:50,320

can you can you speak to like how did

1968

01:15:55,110 --> 01:15:51,760

you get into this stuff like you're

1969

01:15:57,830 --> 01:15:55,120

obviously interested in in in the uap

1970

01:16:00,709 --> 01:15:57,840

subject and uh but did you i i have

1971

01:16:02,870 --> 01:16:00,719

buddies that are in the air force that i

1972

01:16:05,350 --> 01:16:02,880

i can't ask them because they're like a

1973

01:16:07,590 --> 01:16:05,360

stone wall they're like nope

1974

01:16:09,430 --> 01:16:07,600

nope like that's that's that's part of

1975

01:16:11,510 --> 01:16:09,440

the thing my buddy has been my friend

1976

01:16:13,270 --> 01:16:11,520

since we were 10 years old yeah and

1977

01:16:15,830 --> 01:16:13,280

whenever we come to certain subjects

1978

01:16:17,350 --> 01:16:15,840

he's just like no

1979

01:16:18,950 --> 01:16:17,360

yeah you know just yeah how do you deal

1980

01:16:20,470 --> 01:16:18,960

with that

1981

01:16:22,470 --> 01:16:20,480

it is what it is

1982

01:16:24,550 --> 01:16:22,480

that's how it's next military you know

1983

01:16:27,750 --> 01:16:24,560

what i mean i'm x military max law

1984

01:16:29,590 --> 01:16:27,760

enforcement it is what it is yeah you

1985

01:16:32,870 --> 01:16:29,600

know it's

1986

01:16:35,590 --> 01:16:32,880

my uh my my brother uh was a mechanic he

1987

01:16:37,189 --> 01:16:35,600

worked on youtubes and he actually got

1988

01:16:39,750 --> 01:16:37,199

to take my dad

1989

01:16:40,630 --> 01:16:39,760

out to go watch a you know a youtube

1990

01:16:42,470 --> 01:16:40,640

launch

1991

01:16:43,270 --> 01:16:42,480

and my dad was like hey what's over

1992

01:16:45,590 --> 01:16:43,280

there

1993

01:16:46,390 --> 01:16:45,600

my brother was like i don't know he was

1994

01:16:49,110 --> 01:16:46,400

like

1995

01:16:50,709 --> 01:16:49,120

that's not my job

1996

01:16:52,709 --> 01:16:50,719

he's like you don't go over you just

1997

01:16:56,709 --> 01:16:52,719

that's not what you do that's exactly

1998

01:16:58,070 --> 01:16:56,719

how it is yeah it's not my position

1999

01:17:01,110 --> 01:16:58,080

you know what i mean it's not my

2000

01:17:03,910 --> 01:17:01,120

position and my friend as much as we've

2001

01:17:05,510 --> 01:17:03,920

been friends for i'm almost 50.

2002

01:17:06,870 --> 01:17:05,520

you know we've been friends so we're 10

2003

01:17:08,550 --> 01:17:06,880

years old

2004

01:17:10,550 --> 01:17:08,560

that's his job

2005

01:17:14,950 --> 01:17:10,560

you know what i mean not to share

2006

01:17:17,350 --> 01:17:14,960

information that's not relevant to your

2007

01:17:19,270 --> 01:17:17,360

you know what you need to know what you

2008

01:17:21,030 --> 01:17:19,280

need to know is the biggest thing

2009

01:17:23,270 --> 01:17:21,040

yeah well what might need

2010

01:17:25,430 --> 01:17:23,280

what my need to know is like aliens are

2011

01:17:27,189 --> 01:17:25,440

here and that's cool

2012

01:17:29,430 --> 01:17:27,199

i don't think that's as important as

2013

01:17:32,070 --> 01:17:29,440

like protecting the well-being of the

2014

01:17:35,430 --> 01:17:32,080

united states we'll see i was on shannon

2015

01:17:38,070 --> 01:17:35,440

with rose i was on shannon rose

2016

01:17:39,990 --> 01:17:38,080

of demon hill oh no i didn't i i grew up

2017

01:17:42,790 --> 01:17:40,000

in a possessed house

2018

01:17:45,189 --> 01:17:42,800

i've dealt with a lot of [h__h] whoa

2019

01:17:47,270 --> 01:17:45,199

you know what yeah like it was a three

2020

01:17:48,630 --> 01:17:47,280

hour episode on his channel that grows

2021

01:17:50,229 --> 01:17:48,640

into the fray

2022

01:17:53,030 --> 01:17:50,239

dude

2023

01:17:55,990 --> 01:17:53,040

[h__h] i've dealt with a lot of things and

2024

01:17:58,470 --> 01:17:56,000

the simple fact is is

2025

01:17:59,220 --> 01:17:58,480

i've seen ufos

2026

01:18:00,709 --> 01:17:59,230

i've seen

2027

01:18:02,149 --> 01:18:00,719

[Music]

2028

01:18:03,669 --> 01:18:02,159

a lot of things

2029

01:18:05,270 --> 01:18:03,679

you know what i mean i've felt a lot of

2030

01:18:06,550 --> 01:18:05,280

things

2031

01:18:07,430 --> 01:18:06,560

and

2032

01:18:09,430 --> 01:18:07,440

it's

2033

01:18:10,550 --> 01:18:09,440

just because there's

2034

01:18:17,590 --> 01:18:10,560

a

2035

01:18:19,830 --> 01:18:17,600

shouldn't know

2036

01:18:22,870 --> 01:18:19,840

oh love that

2037

01:18:25,430 --> 01:18:22,880

oh my god there's things we need to know

2038

01:18:26,709 --> 01:18:25,440

that need to come out

2039

01:18:29,030 --> 01:18:26,719

we'll see

2040

01:18:31,669 --> 01:18:29,040

i i feel like that falls into this this

2041

01:18:33,189 --> 01:18:31,679

this line of thinking to where

2042

01:18:35,830 --> 01:18:33,199

if you're into the subject long enough

2043

01:18:36,870 --> 01:18:35,840

you're like oh my god just tell me and

2044

01:18:38,630 --> 01:18:36,880

then

2045

01:18:42,310 --> 01:18:38,640

you get to a point where you're like

2046

01:18:44,870 --> 01:18:42,320

okay don't i don't really want to know

2047

01:18:46,630 --> 01:18:44,880

i think there's this curve where like

2048

01:18:49,350 --> 01:18:46,640

everybody goes through

2049

01:18:51,270 --> 01:18:49,360

whereas like you you come to understand

2050

01:18:52,790 --> 01:18:51,280

the people that are protecting you or or

2051
01:18:53,590 --> 01:18:52,800
whatever or they've been through this

2052
01:18:55,510 --> 01:18:53,600
[h__\h]

2053
01:18:56,950 --> 01:18:55,520
you you start off curious and then you

2054
01:19:00,550 --> 01:18:56,960
start off like

2055
01:19:04,310 --> 01:19:00,560
oh do i want my family to know this

2056
01:19:06,229 --> 01:19:04,320
what if it is god-awful uh right so

2057
01:19:08,790 --> 01:19:06,239
you go on this bell curve maybe it's

2058
01:19:09,590 --> 01:19:08,800
somewhere in the middle

2059
01:19:11,990 --> 01:19:09,600
but

2060
01:19:14,229 --> 01:19:12,000
i've always landed every time i go down

2061
01:19:15,110 --> 01:19:14,239
this path i've always landed and like

2062
01:19:17,030 --> 01:19:15,120
damn

2063
01:19:19,270 --> 01:19:17,040

there's probably people

2064

01:19:21,110 --> 01:19:19,280

uh not just just all around the world

2065

01:19:23,590 --> 01:19:21,120

it's not just u.s i think that's a

2066

01:19:25,830 --> 01:19:23,600

common misconception like these like

2067

01:19:27,750 --> 01:19:25,840

people that protect this

2068

01:19:29,189 --> 01:19:27,760

secret

2069

01:19:31,510 --> 01:19:29,199

are all around the world and they've

2070

01:19:33,430 --> 01:19:31,520

been dealing it dealing with it for for

2071

01:19:34,229 --> 01:19:33,440

a long [h__h] time

2072

01:19:42,550 --> 01:19:34,239

i

2073

01:19:43,750 --> 01:19:42,560

you know as far as what you can say what

2074

01:19:45,189 --> 01:19:43,760

you can't say

2075

01:19:46,870 --> 01:19:45,199

i'm a patriot

2076

01:19:49,430 --> 01:19:46,880

i'm an american

2077

01:19:52,390 --> 01:19:49,440

you know and i'm going to honor my

2078

01:19:53,669 --> 01:19:52,400

country i'm going to honor what i've

2079

01:19:56,310 --> 01:19:53,679

you know

2080

01:19:57,990 --> 01:19:56,320

given into i'm ex-law enforcement i'm

2081

01:20:00,950 --> 01:19:58,000

ex-military i'm a

2082

01:20:02,310 --> 01:20:00,960

i work for the u.s post office i've

2083

01:20:04,950 --> 01:20:02,320

you know

2084

01:20:05,910 --> 01:20:04,960

i've sworn in three times

2085

01:20:07,189 --> 01:20:05,920

okay

2086

01:20:09,590 --> 01:20:07,199

so

2087

01:20:11,910 --> 01:20:09,600

i take that seriously yeah

2088

01:20:15,990 --> 01:20:11,920

you know what i mean and even though i

2089

01:20:17,270 --> 01:20:16,000

feel like sometimes i should say [\h__\h]

2090

01:20:19,830 --> 01:20:17,280

sometimes

2091

01:20:22,310 --> 01:20:19,840

you know it's like well

2092

01:20:25,030 --> 01:20:22,320

you shouldn't say [\h__\h]

2093

01:20:27,910 --> 01:20:25,040

yeah and i respect that man well no it's

2094

01:20:30,390 --> 01:20:27,920

like i don't think i honestly think i

2095

01:20:33,030 --> 01:20:30,400

could say anything to contribute to you

2096

01:20:34,229 --> 01:20:33,040

guys but maybe other people do

2097

01:20:36,310 --> 01:20:34,239

you know what i mean because they've

2098

01:20:38,310 --> 01:20:36,320

taken that oath and they take it

2099

01:20:40,390 --> 01:20:38,320

seriously it's not a joke

2100

01:20:42,070 --> 01:20:40,400

yeah yeah if that makes sense you know i

2101
01:20:44,149 --> 01:20:42,080
mean sure and

2102
01:20:46,470 --> 01:20:44,159
it's like lou alexander and people like

2103
01:20:48,629 --> 01:20:46,480
that you're constricted

2104
01:20:51,110 --> 01:20:48,639
contractually

2105
01:20:52,550 --> 01:20:51,120
but also you're constricted morally

2106
01:20:55,110 --> 01:20:52,560
morally

2107
01:20:57,830 --> 01:20:55,120
so i see i love that uh you brought that

2108
01:21:00,629 --> 01:20:57,840
up dude because uh

2109
01:21:03,030 --> 01:21:00,639
i think what we're witnessing in this

2110
01:21:04,950 --> 01:21:03,040
new kind of wave of

2111
01:21:07,990 --> 01:21:04,960
of information is is people like

2112
01:21:10,470 --> 01:21:08,000
yourself that have been in the military

2113
01:21:12,709 --> 01:21:10,480

that have special abilities i mean that

2114

01:21:13,510 --> 01:21:12,719

have been through training

2115

01:21:14,790 --> 01:21:13,520

um

2116

01:21:16,950 --> 01:21:14,800

not saying that you're like you know

2117

01:21:18,950 --> 01:21:16,960

superman or anything but like dude you

2118

01:21:21,669 --> 01:21:18,960

know some [h__h] and

2119

01:21:22,550 --> 01:21:21,679

you're better than than the the layman

2120

01:21:26,550 --> 01:21:22,560

right

2121

01:21:28,870 --> 01:21:26,560

uh but you have this this uh

2122

01:21:32,470 --> 01:21:28,880

this duty

2123

01:21:32,980 --> 01:21:32,480

nice

2124

01:21:34,070 --> 01:21:32,990

like

2125

01:21:37,510 --> 01:21:34,080

[Music]

2126

01:21:40,310 --> 01:21:37,520

you said duty i didn't say duty though

2127

01:21:43,590 --> 01:21:40,320

a lot of duty dude

2128

01:21:45,830 --> 01:21:43,600

well like my my brother my grandfather

2129

01:21:48,709 --> 01:21:45,840

my uncle are all police

2130

01:21:51,270 --> 01:21:48,719

and they you know

2131

01:21:52,390 --> 01:21:51,280

it's a type of it's a type of person

2132

01:21:54,070 --> 01:21:52,400

they're like

2133

01:21:55,990 --> 01:21:54,080

dude yeah i know some [h__h] that i

2134

01:21:57,669 --> 01:21:56,000

probably shouldn't tell you and i'm

2135

01:21:59,430 --> 01:21:57,679

probably won't ever tell you because it

2136

01:22:01,270 --> 01:21:59,440

will [h__h] you up

2137

01:22:02,790 --> 01:22:01,280

okay like i'm just not gonna tell you

2138

01:22:03,750 --> 01:22:02,800

that like yeah

2139

01:22:06,709 --> 01:22:03,760

and i

2140

01:22:09,350 --> 01:22:06,719

i appreciate that like my brother

2141

01:22:10,390 --> 01:22:09,360

and some people take oats and don't give

2142

01:22:12,709 --> 01:22:10,400

a [h__h]

2143

01:22:14,550 --> 01:22:12,719

sorry i'm cussing like this isn't your

2144

01:22:15,910 --> 01:22:14,560

guy i just said

2145

01:22:17,910 --> 01:22:15,920

but

2146

01:22:19,430 --> 01:22:17,920

some people actually take over since

2147

01:22:21,350 --> 01:22:19,440

actually care about them you know what i

2148

01:22:23,110 --> 01:22:21,360

mean and i actually care about other

2149

01:22:25,830 --> 01:22:23,120

people and

2150

01:22:28,390 --> 01:22:25,840

what i've sworn to and you know what i

2151

01:22:31,590 --> 01:22:28,400

mean i wasn't the [h__h] cop

2152

01:22:34,229 --> 01:22:31,600

i wasn't that guy right it costs caught

2153

01:22:35,910 --> 01:22:34,239

with some [h__h] weed i don't care yeah

2154

01:22:37,350 --> 01:22:35,920

you know what i mean it's big [h__h] and

2155

01:22:39,750 --> 01:22:37,360

little [h__h]

2156

01:22:41,510 --> 01:22:39,760

but whenever it comes to the big [h__h]

2157

01:22:42,709 --> 01:22:41,520

you kind of gotta care

2158

01:22:45,750 --> 01:22:42,719

yeah for sure

2159

01:22:49,270 --> 01:22:45,760

for sure i i love that and you you need

2160

01:22:51,510 --> 01:22:49,280

say no more dude i just i love that man

2161

01:22:55,270 --> 01:22:51,520

what i do want to do is bring on our

2162

01:22:58,229 --> 01:22:55,280

buddy jojo dude he is a a a local uh

2163

01:23:00,790 --> 01:22:58,239

well dude he's worldwide but he's got a

2164

01:23:03,030 --> 01:23:00,800

lot of uh awesome uh uh awesome

2165

01:23:05,750 --> 01:23:03,040

perspectives on stuff and i think we'll

2166

01:23:08,709 --> 01:23:05,760

all get along on this subject uh so yeah

2167

01:23:11,430 --> 01:23:08,719

welcome on jojo what's up dude

2168

01:23:12,870 --> 01:23:11,440

hey guys can you hear me okay

2169

01:23:16,390 --> 01:23:12,880

yeah yeah

2170

01:23:18,310 --> 01:23:16,400

all right hey tony hey what's up jojo

2171

01:23:20,870 --> 01:23:18,320

hey man it's good to see you i gotta

2172

01:23:24,149 --> 01:23:20,880

show one thing to ben before we start

2173

01:23:25,030 --> 01:23:24,159

okay okay okay i got this today

2174

01:23:27,110 --> 01:23:25,040

oh

2175

01:23:29,189 --> 01:23:27,120

dude

2176

01:23:35,830 --> 01:23:29,199

yes i like it

2177

01:23:40,440 --> 01:23:38,390

and i'm [h__\h] jealous now

2178

01:23:41,990 --> 01:23:40,450

i don't think i want to be on anymore

2179

01:23:43,830 --> 01:23:42,000

[Laughter]

2180

01:23:46,709 --> 01:23:43,840

we can get you one man

2181

01:23:50,149 --> 01:23:46,719

i know you i know you will

2182

01:23:51,990 --> 01:23:50,159

i want to be a doctor scientist too

2183

01:23:54,470 --> 01:23:52,000

hey if you come on the show

2184

01:23:55,990 --> 01:23:54,480

it's official it's official

2185

01:23:58,870 --> 01:23:56,000

if you're on the show you're officially

2186

01:24:00,790 --> 01:23:58,880

a doctor scientist all right yeah

2187

01:24:01,669 --> 01:24:00,800

and we don't compartmentalize anything

2188

01:24:03,750 --> 01:24:01,679

dude

2189

01:24:04,950 --> 01:24:03,760

we forget stuff but we don't that's why

2190

01:24:06,629 --> 01:24:04,960

we don't have to compartmentalize it

2191

01:24:08,310 --> 01:24:06,639

because we're for people

2192

01:24:12,070 --> 01:24:08,320

[h__h] maybe the military should just

2193

01:24:12,080 --> 01:24:18,709

no i love i love jojo because the

2194

2199

01:24:37,669 --> 01:24:35,199

scientist i think

2200

01:24:38,790 --> 01:24:37,679

that's like above for sure it's like

2201

01:24:40,870 --> 01:24:38,800

this

2202

01:24:42,550 --> 01:24:40,880

the crazy [h__h] doctor scientist there

2203

01:24:44,310 --> 01:24:42,560

you go

2204

01:24:47,270 --> 01:24:44,320

like it's like the power like it's like

2205

01:24:50,149 --> 01:24:47,280

the dude can i buy can i purchase a

2206

01:24:52,950 --> 01:24:50,159

doctor scientist t-shirt no i'm already

2207

01:24:55,430 --> 01:24:52,960

sending you one jojo do it don't

2208

01:24:58,390 --> 01:24:55,440

i i'm singing i'm sending you a bunch of

2209

01:25:01,350 --> 01:25:00,310

all i need is your address

2210

01:25:03,270 --> 01:25:01,360

yeah

2211

01:25:04,310 --> 01:25:03,280

address not address don't send me

2212

01:25:06,310 --> 01:25:04,320

address

2213

01:25:09,990 --> 01:25:06,320

okay

2214

01:25:15,910 --> 01:25:13,590

in your size in my celsius

2215

01:25:18,070 --> 01:25:15,920

well i'm at

2216

01:25:20,310 --> 01:25:18,080

well ben i'm actually

2217

01:25:22,310 --> 01:25:20,320

in in my car outside your house right

2218

01:25:23,110 --> 01:25:22,320

now yeah i do i know

2219

01:25:24,870 --> 01:25:23,120

so

2220

01:25:26,390 --> 01:25:24,880

you still i didn't want to say that

2221

01:25:28,470 --> 01:25:26,400

right off but

2222

01:25:30,550 --> 01:25:28,480

it might make you nervous

2223

01:25:32,390 --> 01:25:30,560

you know uh the little the little green

2224

01:25:34,070 --> 01:25:32,400

men as we talked about in our last

2225

01:25:36,229 --> 01:25:34,080

episode um

2226

01:25:38,709 --> 01:25:36,239

they heard that we we knew that they

2227

01:25:40,470 --> 01:25:38,719

were shouting and um they've been very

2228

01:25:43,590 --> 01:25:40,480

quiet lately

2229

01:25:45,590 --> 01:25:43,600

um so all they need is is a is a concert

2230

01:25:47,830 --> 01:25:45,600

they're they're asking for more music

2231

01:25:49,350 --> 01:25:47,840

and and that's where jojo comes are they

2232

01:25:51,590 --> 01:25:49,360

yeah i need you to be my new guitar

2233

01:25:53,750 --> 01:25:51,600

player dude

2234

01:25:55,830 --> 01:25:53,760

i need new lighting that could work i

2235

01:25:57,830 --> 01:25:55,840

mean i'm mostly a keyboard player can

2236

01:25:59,430 --> 01:25:57,840

you use a keyboard player

2237

01:26:01,990 --> 01:25:59,440

dude

2238

01:26:04,070 --> 01:26:02,000

more organ do you play organ like

2239

01:26:06,310 --> 01:26:04,080

yeah oh yeah

2240

01:26:09,430 --> 01:26:06,320

you need yeah you need some of that b7

2241

01:26:11,910 --> 01:26:09,440

sound bro exactly i need that b72 i'm

2242

01:26:14,310 --> 01:26:11,920

i'm alright i'm recording like a funny

2243

01:26:16,629 --> 01:26:14,320

uh country album right now

2244

01:26:18,950 --> 01:26:16,639

it's like that song was great dude yes

2245

01:26:21,830 --> 01:26:18,960

did you are you really i it's supposed

2246

01:26:23,990 --> 01:26:21,840

to be so like i i love well joe said it

2247

01:26:28,070 --> 01:26:24,000

best it's like kind of jimmy buffett

2248

01:26:33,510 --> 01:26:29,669

i lived in the portland keys for three

2249

01:26:37,590 --> 01:26:33,520

and a half years so oh yeah now tony

2250

01:26:39,910 --> 01:26:37,600

love it come on that place is so cool

2251

01:26:42,550 --> 01:26:39,920

i've been there on vacation once and it

2252

01:26:44,870 --> 01:26:42,560

is so cool i lived in america for three

2253

01:26:46,070 --> 01:26:44,880

and a half years loved it

2254

01:26:47,990 --> 01:26:46,080

oh man

2255

01:26:49,350 --> 01:26:48,000

there's a certain there's a certain vibe

2256

01:26:51,990 --> 01:26:49,360

there dude

2257

01:26:54,790 --> 01:26:52,000

there is yeah oh my god

2258

01:26:56,629 --> 01:26:54,800

i i love the polydactyl cats

2259

01:26:58,950 --> 01:26:56,639

that's what i dig

2260

01:27:03,110 --> 01:26:58,960

the polly they you know

2261

01:27:05,270 --> 01:27:03,120

they are they the the uh what is it uh

2262

01:27:06,070 --> 01:27:05,280

gosh this one blank famous writer help

2263

01:27:08,310 --> 01:27:06,080

me

2264

01:27:10,390 --> 01:27:08,320

uh live there died there

2265

01:27:11,910 --> 01:27:10,400

oh uh dude i know exactly what you're

2266

01:27:14,070 --> 01:27:11,920

talking about

2267

01:27:21,669 --> 01:27:14,080

uh yeah

2268

01:27:28,550 --> 01:27:23,910

hemingway

2269

01:27:31,030 --> 01:27:28,560

it's they're still there

2270

01:27:33,669 --> 01:27:31,040

like a hundred like a hundred or more

2271

01:27:35,910 --> 01:27:33,679

yeah polydactyl cats yeah there's like a

2272

01:27:39,270 --> 01:27:35,920

breed of cats that only exist in the

2273

01:27:43,030 --> 01:27:39,280

keys bro no it's crazy because i lived i

2274

01:27:44,870 --> 01:27:43,040

lived in amerada and it is the home

2275

01:27:46,070 --> 01:27:44,880

it is actually the home of this

2276

01:27:47,030 --> 01:27:46,080

displaced

2277

01:27:52,550 --> 01:27:47,040

cats

2278

01:27:55,030 --> 01:27:52,560

was insane you go to the grocery store

2279

01:27:57,030 --> 01:27:55,040

and see like 300 [h__\h] cats

2280

01:27:58,870 --> 01:27:57,040

it was insane yeah

2281

01:28:02,550 --> 01:27:58,880

it is and apparently earnest him

2282

01:28:05,750 --> 01:28:02,560

himmelingway left his financial

2283

01:28:07,430 --> 01:28:05,760

you know fortune when he died to i don't

2284

01:28:09,590 --> 01:28:07,440

know some

2285

01:28:12,070 --> 01:28:09,600

to his local township

2286

01:28:13,830 --> 01:28:12,080

if they would maintain his home

2287

01:28:16,310 --> 01:28:13,840

and take care of the cats and allow the

2288

01:28:19,510 --> 01:28:16,320

cats to live there so you go to his home

2289

01:28:21,669 --> 01:28:19,520

today and the cats are like everywhere

2290

01:28:24,070 --> 01:28:21,679

they're they they live in the house it's

2291

01:28:25,350 --> 01:28:24,080

their house yeah and they have these

2292

01:28:33,110 --> 01:28:25,360

paws

2293

01:28:36,790 --> 01:28:33,120

i i went uh with my buddy uh luke and

2294

01:28:38,870 --> 01:28:36,800

chris at uh my uh senior trip dude we

2295

01:28:39,669 --> 01:28:38,880

went to the keys we went to that house

2296

01:28:42,070 --> 01:28:39,679

dude

2297

01:28:44,229 --> 01:28:42,080

you're right on that uh jojo the the

2298

01:28:45,990 --> 01:28:44,239

pause i was like wait that's a hand

2299

01:28:47,910 --> 01:28:46,000

that's a human hand

2300

01:28:51,189 --> 01:28:47,920

yeah cat paws

2301

01:28:53,910 --> 01:28:51,199

they're huge dude it's real they're huge

2302

01:28:56,550 --> 01:28:53,920

and and and and about all of them have

2303

01:28:58,310 --> 01:28:56,560

you know six or seven

2304

01:28:59,910 --> 01:28:58,320

toes on their feet

2305

01:29:03,110 --> 01:28:59,920

but there are some that have like eight

2306

01:29:04,709 --> 01:29:03,120

or nine on one foot it's like crazy man

2307

01:29:06,950 --> 01:29:04,719

there's one thing that everybody knows

2308

01:29:10,170 --> 01:29:06,960

on the island is that those cats

2309

01:29:10,180 --> 01:29:23,350

[Music]

2310

01:29:28,950 --> 01:29:24,550

man

2311

01:29:33,910 --> 01:29:28,960

those cats have access to some they have

2312

01:29:38,790 --> 01:29:36,070

they're all like drunk and pasta you see

2313

01:29:44,310 --> 01:29:38,800

a bunch of passed out cats and iguanas

2314

01:29:48,790 --> 01:29:46,229

it's a symbiotic relationship the cats

2315

01:29:52,790 --> 01:29:48,800

are warm the iguanas are cold-blooded so

2316

01:29:54,550 --> 01:29:52,800

they all like snug you know dude and and

2317

01:29:56,390 --> 01:29:54,560

i guess to live there because there

2318

01:29:57,510 --> 01:29:56,400

isn't really any

2319

01:29:59,189 --> 01:29:57,520

industry

2320

01:30:01,110 --> 01:29:59,199

i mean not much i mean there's probably

2321

01:30:03,430 --> 01:30:01,120

some fishing and stuff like that but but

2322

01:30:07,669 --> 01:30:03,440

you have to kind of be a writer

2323

01:30:08,790 --> 01:30:07,679

or something like that it's service and

2324

01:30:11,750 --> 01:30:08,800

um

2325

01:30:13,830 --> 01:30:11,760

pretty much service industry yeah the so

2326

01:30:16,470 --> 01:30:13,840

you have to support the uh

2327

01:30:18,310 --> 01:30:16,480

the the tourists or you have to be

2328

01:30:20,149 --> 01:30:18,320

self-sufficient like like like i said

2329

01:30:21,910 --> 01:30:20,159

being a writer or something if you

2330

01:30:24,629 --> 01:30:21,920

that's why i'm back in pittsburgh and

2331

01:30:26,709 --> 01:30:24,639

yeah it's hard

2332

01:30:28,390 --> 01:30:26,719

so well we're in a different era though

2333

01:30:30,149 --> 01:30:28,400

now you know with all the the

2334

01:30:33,110 --> 01:30:30,159

telecommuting and stuff but maybe

2335

01:30:35,669 --> 01:30:33,120

there's a chance for some of us you know

2336

01:30:37,189 --> 01:30:35,679

uh lower forms of life to make another

2337

01:30:38,550 --> 01:30:37,199

shot at living there because it is

2338

01:30:41,030 --> 01:30:38,560

totally cool

2339

01:30:43,030 --> 01:30:41,040

it is totally a cool place let's go back

2340

01:30:45,669 --> 01:30:43,040

down there together i mean yeah let's do

2341

01:30:47,830 --> 01:30:45,679

that let's do that we can all just open

2342

01:30:50,310 --> 01:30:47,840

up like a pawn shop and like hang out on

2343

01:30:52,229 --> 01:30:50,320

the beach all day and

2344

01:30:53,830 --> 01:30:52,239

sell surfboards to people man i got

2345

01:30:56,149 --> 01:30:53,840

these rocks man

2346

01:30:58,950 --> 01:30:56,159

oh you know i just kind of hang out i

2347

01:31:00,709 --> 01:30:58,960

own this pawn shop down on the beach

2348

01:31:02,870 --> 01:31:00,719

you know we do yeah

2349

01:31:05,030 --> 01:31:02,880

i can see i can see the city fathers

2350

01:31:06,870 --> 01:31:05,040

right now watching that stone boy i sure

2351

01:31:10,070 --> 01:31:06,880

do hope those guys come

2352

01:31:11,910 --> 01:31:10,080

we need another pawn shop that's the

2353

01:31:13,830 --> 01:31:11,920

that's the pinnacle of ufo garage

2354

01:31:16,470 --> 01:31:13,840

podcast is that we actually just start a

2355

01:31:18,870 --> 01:31:16,480

[h__h] uh pawn shop yeah and we only

2356

01:31:21,350 --> 01:31:18,880

sell keychains but if we could make it

2357

01:31:24,229 --> 01:31:21,360

work if we could all move down there can

2358

01:31:26,950 --> 01:31:24,239

i do a podcast show you know like daily

2359

01:31:28,870 --> 01:31:26,960

or something and you know and do that we

2360

01:31:30,950 --> 01:31:28,880

would be maybe

2361

01:31:33,430 --> 01:31:30,960

i'm qualified this

2362

01:31:35,750 --> 01:31:33,440

possibly the coolest dudes on the planet

2363

01:31:37,830 --> 01:31:35,760

you know if they if they're

2364

01:31:40,229 --> 01:31:37,840

if if the et's gonna contact somebody

2365

01:31:41,990 --> 01:31:40,239

they're coming with us i mean okay well

2366

01:31:44,310 --> 01:31:42,000

check this out

2367

01:31:46,310 --> 01:31:44,320

i have a side business it's a resale

2368

01:31:47,990 --> 01:31:46,320

business so

2369

01:31:50,390 --> 01:31:48,000

there's our startup

2370

01:31:52,310 --> 01:31:50,400

what do you what do you resell

2371

01:31:55,350 --> 01:31:52,320

anything that's worth [h__h] money cat

2372

01:31:57,510 --> 01:31:55,360

mittens okay cat mittens i will [h__h]

2373

01:32:00,149 --> 01:31:57,520

sell catmans i don't care

2374

01:32:02,310 --> 01:32:00,159

that's cool man hey yeah and then ben

2375

01:32:05,189 --> 01:32:02,320

can design the the logos for the

2376

01:32:06,629 --> 01:32:05,199

business exactly and and uh i can mow

2377

01:32:08,310 --> 01:32:06,639

the yard

2378

01:32:09,510 --> 01:32:08,320

that's right

2379

01:32:11,350 --> 01:32:09,520

i like that better i'll be there our

2380

01:32:13,110 --> 01:32:11,360

business is gonna have the

2381

01:32:14,629 --> 01:32:13,120

the best things

2382

01:32:19,430 --> 01:32:14,639

they could use

2383

01:32:20,950 --> 01:32:19,440

a lawn mowing service can i get my own

2384

01:32:23,189 --> 01:32:20,960

snapper

2385

01:32:25,189 --> 01:32:23,199

it's all jimmy buffett stoners right

2386

01:32:28,550 --> 01:32:25,199

there's your [h__h] face

2387

01:32:30,470 --> 01:32:28,560

yes and jojo and jojo can just play the

2388

01:32:34,229 --> 01:32:30,480

keys out front of the shop all day man

2389

01:32:36,390 --> 01:32:34,239

he's the he's the piano guy in the shop

2390

01:32:39,270 --> 01:32:36,400

yeah i can do that man

2391

01:32:41,270 --> 01:32:39,280

i can be the jimmy buffett of piano yes

2392

01:32:43,510 --> 01:32:41,280

let's do it man

2393

01:32:46,149 --> 01:32:43,520

i feel like the goal in all this is just

2394

01:32:48,390 --> 01:32:46,159

to be the jimmy buffet of something

2395

01:32:50,870 --> 01:32:48,400

like that's my goal in life is just to

2396

01:32:51,910 --> 01:32:50,880

be the jimmy buffett of so of one thing

2397

01:32:54,310 --> 01:32:51,920

that's

2398

01:32:56,470 --> 01:32:54,320

i i'm a huge fan of cheeseburgers as

2399

01:32:58,950 --> 01:32:56,480

everybody knows but i have never had a

2400

01:33:01,430 --> 01:32:58,960

cheeseburger in paradise anywhere so i'd

2401

01:33:03,030 --> 01:33:01,440

like to give it a shot eventually yeah i

2402

01:33:06,629 --> 01:33:03,040

like my cheeseburger with lettuce and

2403

01:33:08,629 --> 01:33:06,639

tomato imagine imagine having everything

2404

01:33:10,629 --> 01:33:08,639

and giving a [h__\h] about nothing that's

2405

01:33:13,110 --> 01:33:10,639

jimmy buffett oh there you go

2406

01:33:15,030 --> 01:33:13,120

that is very true yeah that is

2407

01:33:17,830 --> 01:33:15,040

my understanding the dude owns his own

2408

01:33:24,950 --> 01:33:17,840

island he does right he owns his own

2409

01:33:29,510 --> 01:33:27,590

i heard him tell a story once and flying

2410

01:33:31,990 --> 01:33:29,520

to or from his island

2411

01:33:34,550 --> 01:33:32,000

the uh the feds thought he was a drug

2412

01:33:36,950 --> 01:33:34,560

runner right because he was kind of low

2413

01:33:38,470 --> 01:33:36,960

altitude like getting close to it was in

2414

01:33:40,229 --> 01:33:38,480

his area right so he brought it down

2415

01:33:42,790 --> 01:33:40,239

there and that's what drug runners do i

2416

01:33:44,950 --> 01:33:42,800

guess they fly to try to fly

2417

01:33:47,350 --> 01:33:44,960

radars and they said they were shooting

2418

01:33:49,350 --> 01:33:47,360

at him as i recall he said he had some

2419

01:33:52,229 --> 01:33:49,360

bullet holes in his plane when he goes

2420

01:33:54,550 --> 01:33:52,239

oh my god i think i'm i don't think i'm

2421

01:33:56,149 --> 01:33:54,560

making that up i think they really shot

2422

01:33:57,669 --> 01:33:56,159

at him and he had a couple of bullet

2423

01:33:59,750 --> 01:33:57,679

holes in the place

2424

01:34:10,149 --> 01:33:59,760

he was like well he was flying a plane

2425

01:34:15,430 --> 01:34:12,950

yeah yeah it's funny that's funny yeah

2426

01:34:16,870 --> 01:34:15,440

you know he's he's uh

2427

01:34:19,270 --> 01:34:16,880

you know he's probably one of those guys

2428

01:34:21,669 --> 01:34:19,280

that that uh who was it uh oh gosh i

2429

01:34:22,870 --> 01:34:21,679

went blank again uh the country's thing

2430

01:34:25,750 --> 01:34:22,880

i should know i'm right here in texas

2431

01:34:27,910 --> 01:34:25,760

the country singer willie nelson okay

2432

01:34:31,510 --> 01:34:27,920

yeah willie you know he's probably

2433

01:34:33,990 --> 01:34:31,520

never heard of him yeah yeah

2434

01:34:36,470 --> 01:34:34,000

remember when he got caught with like a

2435

01:34:40,070 --> 01:34:36,480

ton of weed on his bus or something

2436

01:34:41,990 --> 01:34:40,080

really yeah really oh yeah yeah

2437

01:34:43,430 --> 01:34:42,000

and it's like it's like it was clearly

2438

01:34:45,030 --> 01:34:43,440

the amount

2439

01:34:46,470 --> 01:34:45,040

right that they

2440

01:34:48,629 --> 01:34:46,480

you know they normally look at they say

2441

01:34:50,709 --> 01:34:48,639

okay this puts you in the category of a

2442

01:34:53,030 --> 01:34:50,719

dealer okay you know because the only

2443

01:34:56,310 --> 01:34:53,040

people have this much pot

2444

01:34:58,310 --> 01:34:56,320

are people who deal pot right

2445

01:34:59,270 --> 01:34:58,320

except when it finally got to the right

2446

01:35:02,070 --> 01:34:59,280

judge

2447

01:35:03,590 --> 01:35:02,080

they he took that account he said this

2448

01:35:06,390 --> 01:35:03,600

is willie nelson

2449

01:35:07,350 --> 01:35:06,400

okay yeah come on take willie nelson

2450

01:35:09,590 --> 01:35:07,360

yeah

2451

01:35:11,669 --> 01:35:09,600

this is typical well no

2452

01:35:14,149 --> 01:35:11,679

it is i can believe he is not a dealer

2453

01:35:15,830 --> 01:35:14,159

this is just the amount of pot he has to

2454

01:35:17,669 --> 01:35:15,840

have on his bus

2455

01:35:19,109 --> 01:35:17,679

willie was like i will smoke that [h__h]

2456

01:35:21,189 --> 01:35:19,119

in front of you

2457

01:35:25,189 --> 01:35:21,199

yeah yeah 100

2458

01:35:27,030 --> 01:35:25,199

so you know as a having a background

2459

01:35:28,550 --> 01:35:27,040

in law enforcement would that be one of

2460

01:35:30,229 --> 01:35:28,560

those big things or little things how

2461

01:35:31,750 --> 01:35:30,239

would you feel about being the guy who

2462

01:35:33,430 --> 01:35:31,760

had to pull over willie nelson because

2463

01:35:34,950 --> 01:35:33,440

he had a bunch of weed in his bus you

2464

01:35:37,189 --> 01:35:34,960

know

2465

01:35:39,590 --> 01:35:37,199

it's little [h__h] man it's a little [h__h]

2466

01:35:41,669 --> 01:35:39,600

who gives a [h__h] man if it's not hurting

2467

01:35:44,390 --> 01:35:41,679

other people and you're not putting

2468

01:35:45,669 --> 01:35:44,400

other people in danger who cares

2469

01:35:47,750 --> 01:35:45,679

right man

2470

01:35:49,990 --> 01:35:47,760

can you imagine the contact high you get

2471

01:35:51,430 --> 01:35:50,000

from willie come on that's that's why

2472

01:35:54,470 --> 01:35:51,440

i'm not in law enforcement anywhere

2473

01:35:57,510 --> 01:35:54,480

because he [h__h] cares man stop

2474

01:36:01,109 --> 01:35:58,870

you know

2475

01:36:03,350 --> 01:36:01,119

willie would be one of the first ones to

2476

01:36:04,149 --> 01:36:03,360

come down into the keys and visit us you

2477

01:36:06,229 --> 01:36:04,159

know

2478

01:36:08,950 --> 01:36:06,239

we could get we our goal would should be

2479

01:36:10,629 --> 01:36:08,960

to get the podcast going from the keys

2480

01:36:12,070 --> 01:36:10,639

get willie to come down there and visit

2481

01:36:13,910 --> 01:36:12,080

us you know

2482

01:36:15,189 --> 01:36:13,920

say come on down and have a cheeseburger

2483

01:36:16,550 --> 01:36:15,199

in paradise

2484

01:36:19,590 --> 01:36:16,560

how cool would that be to be hanging

2485

01:36:22,470 --> 01:36:19,600

with willy and jimmy buffett oh that one

2486

01:36:25,430 --> 01:36:22,480

just margaritas and and joints all day

2487

01:36:27,270 --> 01:36:25,440

man yeah yeah and cheeseburger

2488

01:36:29,430 --> 01:36:27,280

margaritas joints and cheeseburgers all

2489

01:36:31,830 --> 01:36:29,440

day it was funny because the only people

2490

01:36:33,590 --> 01:36:31,840

i ever met down on the keys was sissy's

2491

01:36:36,390 --> 01:36:33,600

basic

2492

01:36:38,870 --> 01:36:36,400

i met uh john len dao

2493

01:36:40,310 --> 01:36:38,880

from um

2494

01:36:43,910 --> 01:36:40,320

god what's that movie

2495

01:36:48,229 --> 01:36:45,669

uh

2496

01:36:50,830 --> 01:36:48,239

avatar avatar yeah he actually lives on

2497

01:36:54,310 --> 01:36:50,840

the island and then i

2498

01:36:56,709 --> 01:36:54,320

uh and then uh jimmy johnson lived on

2499

01:36:59,350 --> 01:36:56,719

the same island with me oh that's cool

2500

01:37:01,830 --> 01:36:59,360

the dallas cowboys miami coach oh that's

2501

01:37:03,590 --> 01:37:01,840

cool really he actually used to run past

2502

01:37:05,669 --> 01:37:03,600

my house all the day and we'd say what's

2503

01:37:07,990 --> 01:37:05,679

up and but think the thing on the

2504

01:37:09,510 --> 01:37:08,000

islands is it's so [h__h] chill that

2505

01:37:11,830 --> 01:37:09,520

nobody makes a big deal whenever they

2506

01:37:14,070 --> 01:37:11,840

meet anybody

2507

01:37:16,550 --> 01:37:14,080

yeah i can imagine it's like because

2508

01:37:18,870 --> 01:37:16,560

that's totally not cool to make over no

2509

01:37:20,790 --> 01:37:18,880

celebrities it's just everybody

2510

01:37:22,310 --> 01:37:20,800

everyone's just chill man you're just

2511

01:37:23,830 --> 01:37:22,320

part of the island right you know what i

2512

01:37:25,910 --> 01:37:23,840

mean so

2513

01:37:27,830 --> 01:37:25,920

it's an entirely different experience

2514

01:37:29,830 --> 01:37:27,840

man i've been all over the world i've

2515

01:37:31,910 --> 01:37:29,840

been all over the united states the

2516

01:37:33,510 --> 01:37:31,920

islands were

2517

01:37:35,990 --> 01:37:33,520

just the best

2518

01:37:37,350 --> 01:37:36,000

because it's just i bet you're just a

2519

01:37:38,470 --> 01:37:37,360

person

2520

01:37:40,149 --> 01:37:38,480

you know what i mean if you need

2521

01:37:42,070 --> 01:37:40,159

electricity we'll give you electricity

2522

01:37:44,390 --> 01:37:42,080

if you need water we'll give you water

2523

01:37:46,709 --> 01:37:44,400

you're not anybody special you're not

2524

01:37:49,990 --> 01:37:46,719

anybody that's not special you're just a

2525

01:37:52,310 --> 01:37:50,000

person that we live with

2526

01:37:55,270 --> 01:37:52,320

well one night i'll i'll treat everyone

2527

01:37:57,350 --> 01:37:55,280

and i'll wear my tie-dye t-shirt from

2528

01:38:00,229 --> 01:37:57,360

the florida keys

2529

01:38:02,629 --> 01:38:00,239

yes one of my most treasured possessions

2530

01:38:05,030 --> 01:38:02,639

you know know it's like it has a name

2531

01:38:06,790 --> 01:38:05,040

you know and i would just i would take

2532

01:38:12,629 --> 01:38:06,800

care of it you know in the closet and

2533

01:38:25,830 --> 01:38:14,229

by the way can you see my t-shirt on

2534

01:38:25,840 --> 01:38:29,510

[Laughter]

2535

01:38:35,030 --> 01:38:32,390

not that i know what that is at all

2536

01:38:36,950 --> 01:38:35,040

yeah right what's that no what that

2537

01:38:39,030 --> 01:38:36,960

looks like uh the lion in the wardrobe

2538

01:38:41,590 --> 01:38:39,040

meets lenny kravitz

2539

01:38:43,510 --> 01:38:41,600

dude yeah it is it is it's kind of a

2540

01:38:44,870 --> 01:38:43,520

lenny kravitz lion

2541

01:38:46,950 --> 01:38:44,880

i've got a

2542

01:38:49,830 --> 01:38:46,960

question for you guys let me tell you if

2543

01:38:51,430 --> 01:38:49,840

i ever saw a lion up that close i would

2544

01:38:53,270 --> 01:38:51,440

want him to have some doobie in his

2545

01:38:55,030 --> 01:38:53,280

mouth because i want him to be totally

2546

01:39:04,149 --> 01:38:55,040

mellow

2547

01:39:08,149 --> 01:39:05,830

i've got a quick uh a question for you

2548

01:39:10,229 --> 01:39:08,159

guys so so you know how like

2549

01:39:13,109 --> 01:39:10,239

the human race has been looking for

2550

01:39:16,149 --> 01:39:13,119

signals radio signals uh from other

2551

01:39:18,550 --> 01:39:16,159

planets for years seti the the

2552

01:39:21,270 --> 01:39:18,560

uh the program city with the the huge

2553

01:39:24,229 --> 01:39:21,280

satellites looking for radio

2554

01:39:30,070 --> 01:39:28,149

signals right like uh radio signals

2555

01:39:31,590 --> 01:39:30,080

it's a very specific wavelength and i

2556

01:39:34,470 --> 01:39:31,600

think we touched on this a little bit in

2557

01:39:35,990 --> 01:39:34,480

our episode last uh last week uh jojo

2558

01:39:38,149 --> 01:39:36,000

where's the week four

2559

01:39:40,229 --> 01:39:38,159

i can't remember but um

2560

01:39:43,109 --> 01:39:40,239

what if there's what if there's another

2561

01:39:43,830 --> 01:39:43,119

signal that is being communicated with

2562

01:39:47,750 --> 01:39:43,840

us

2563

01:39:50,470 --> 01:39:47,760

as a species and it's not a radio signal

2564

01:39:52,629 --> 01:39:50,480

it's it's another type of signal it's

2565

01:39:55,990 --> 01:39:52,639

it's a consciousness signal

2566

01:39:59,669 --> 01:39:58,629

of marijuana

2567

01:40:00,950 --> 01:39:59,679

whoa

2568

01:40:03,109 --> 01:40:00,960

that took a

2569

01:40:05,189 --> 01:40:03,119

hard left turn

2570

01:40:07,669 --> 01:40:05,199

i can see this i can see this let me

2571

01:40:09,270 --> 01:40:07,679

tune in it's impossible because i would

2572

01:40:11,189 --> 01:40:09,280

have already figured out who was trying

2573

01:40:11,990 --> 01:40:11,199

to communicate with us all right but

2574

01:40:14,229 --> 01:40:12,000

like

2575

01:40:16,070 --> 01:40:14,239

i wanted to answer that until the last

2576

01:40:18,629 --> 01:40:16,080

second

2577

01:40:20,709 --> 01:40:18,639

i want to hear your answer

2578

01:40:23,590 --> 01:40:20,719

though i kind of trolled you on the last

2579

01:40:25,109 --> 01:40:23,600

minute i i knew i i thought it was

2580

01:40:26,550 --> 01:40:25,119

it was going to be funny if i ended on

2581

01:40:29,189 --> 01:40:26,560

that term but

2582

01:40:31,750 --> 01:40:29,199

let's back up a second here's my points

2583

01:40:34,310 --> 01:40:31,760

okay number one there's this okay

2584

01:40:36,550 --> 01:40:34,320

why do you want to contact okay with

2585

01:40:38,790 --> 01:40:36,560

human evolution and what we've

2586

01:40:41,590 --> 01:40:38,800

understood that has happened

2587

01:40:44,550 --> 01:40:41,600

historically on our own planet

2588

01:40:48,950 --> 01:40:44,560

why do you want to contact anybody

2589

01:40:50,950 --> 01:40:48,960

that is superior to you intellectually

2590

01:40:52,390 --> 01:40:50,960

technologically and everything else

2591

01:40:55,350 --> 01:40:52,400

because they're going to come in take

2592

01:40:57,910 --> 01:40:55,360

your [h__h] and make you slaves okay

2593

01:40:58,790 --> 01:40:57,920

number two

2594

01:41:00,550 --> 01:40:58,800

okay

2595

01:41:02,709 --> 01:41:00,560

number two if they're that

2596

01:41:04,390 --> 01:41:02,719

intellectually superior to you they're

2597

01:41:06,070 --> 01:41:04,400

not even gonna know what the [h__h] you're

2598

01:41:08,950 --> 01:41:06,080

talking about

2599

01:41:10,950 --> 01:41:08,960

okay so these signals maybe a thousand

2600

01:41:13,030 --> 01:41:10,960

years ago ten thousand years ago they

2601
01:41:15,350 --> 01:41:13,040
would understand but they're not even

2602
01:41:16,550 --> 01:41:15,360
going to be able to interpret at this

2603
01:41:18,550 --> 01:41:16,560
point

2604
01:41:20,709 --> 01:41:18,560
because they are so technologically

2605
01:41:22,390 --> 01:41:20,719
advanced to you

2606
01:41:23,430 --> 01:41:22,400
to receive these signals that they're

2607
01:41:24,709 --> 01:41:23,440
not even going to know what you're

2608
01:41:27,189 --> 01:41:24,719
saying

2609
01:41:29,350 --> 01:41:27,199
you know they're probably looking at us

2610
01:41:31,270 --> 01:41:29,360
at a good analogy is they're looking at

2611
01:41:32,550 --> 01:41:31,280
us like we look at ants and they're

2612
01:41:34,629 --> 01:41:32,560
trying to figure out like you know we

2613
01:41:36,390 --> 01:41:34,639

look at what are the ants doing

2614

01:41:38,470 --> 01:41:36,400

how are the ants communicating with each

2615

01:41:39,990 --> 01:41:38,480

other what are they what is the goal of

2616

01:41:41,350 --> 01:41:40,000

the ants

2617

01:41:43,750 --> 01:41:41,360

and they're trying to figure that out

2618

01:41:45,510 --> 01:41:43,760

about us if anything yeah exactly

2619

01:41:46,229 --> 01:41:45,520

they're communicating right we have no

2620

01:41:48,310 --> 01:41:46,239

uh

2621

01:41:50,550 --> 01:41:48,320

no [h__h] clue what they're saying

2622

01:41:52,310 --> 01:41:50,560

because we can't understand it because

2623

01:41:54,310 --> 01:41:52,320

so they're studying

2624

01:41:55,510 --> 01:41:54,320

and they're like leaving us alone

2625

01:41:58,709 --> 01:41:55,520

yeah

2626

01:42:00,790 --> 01:41:58,719

trying to figure out like what the hell

2627

01:42:03,669 --> 01:42:00,800

are these people doing what what are

2628

01:42:05,350 --> 01:42:03,679

they doing i agree with the uh with the

2629

01:42:07,109 --> 01:42:05,360

you know like yeah i mean like because

2630

01:42:09,109 --> 01:42:07,119

me and bin say this all the time like if

2631

01:42:10,870 --> 01:42:09,119

you had contact like you always say like

2632

01:42:13,510 --> 01:42:10,880

why don't you just tell me well if they

2633

01:42:15,510 --> 01:42:13,520

told you you wouldn't even be able to

2634

01:42:17,270 --> 01:42:15,520

comprehend

2635

01:42:19,109 --> 01:42:17,280

the first half right like you just

2636

01:42:21,350 --> 01:42:19,119

wouldn't even understand

2637

01:42:24,070 --> 01:42:21,360

the second part of this is

2638

01:42:25,669 --> 01:42:24,080

i think why right

2639

01:42:26,950 --> 01:42:25,679

it's just

2640

01:42:31,430 --> 01:42:26,960

knowing

2641

01:42:32,390 --> 01:42:31,440

i think it's just man that's human

2642

01:42:34,149 --> 01:42:32,400

nature

2643

01:42:35,430 --> 01:42:34,159

the curiosity

2644

01:42:37,270 --> 01:42:35,440

knowing that

2645

01:42:39,109 --> 01:42:37,280

all right we're gonna do this

2646

01:42:41,750 --> 01:42:39,119

and

2647

01:42:44,709 --> 01:42:41,760

it might not go so well right

2648

01:42:47,189 --> 01:42:44,719

which is probably like a a

2649

01:42:49,189 --> 01:42:47,199

the downfall of humanity as a whole at

2650

01:42:52,070 --> 01:42:49,199

some point right but

2651
01:42:54,950 --> 01:42:52,080
it seems to be human nature like why

2652
01:42:56,470 --> 01:42:54,960
cross the ocean you know why you know

2653
01:42:59,270 --> 01:42:56,480
because it's like

2654
01:43:01,189 --> 01:42:59,280
if the spaniards came over they didn't

2655
01:43:03,189 --> 01:43:01,199
know that they would land and find a

2656
01:43:05,270 --> 01:43:03,199
primitive culture you know they could

2657
01:43:07,030 --> 01:43:05,280
have very easily found a more advanced

2658
01:43:08,950 --> 01:43:07,040
culture that could have taken their [h__h]

2659
01:43:11,750 --> 01:43:08,960
and made them slaves you know i think

2660
01:43:13,750 --> 01:43:11,760
it's kind of like it's it's

2661
01:43:15,910 --> 01:43:13,760
and it's weird because you've if you've

2662
01:43:18,149 --> 01:43:15,920
never been specifically put in that

2663
01:43:19,510 --> 01:43:18,159

position like nobody's ever asked me hey

2664

01:43:22,070 --> 01:43:19,520

you want to go

2665

01:43:23,510 --> 01:43:22,080

see if you can actually sail past

2666

01:43:25,990 --> 01:43:23,520

antarctica and see what's on the other

2667

01:43:27,669 --> 01:43:26,000

side of it like you know like no that's

2668

01:43:29,350 --> 01:43:27,679

like [h__h] flat earther were to come up

2669

01:43:31,270 --> 01:43:29,360

to you and be like hey let's go see if

2670

01:43:33,109 --> 01:43:31,280

there's you know the end of the wall

2671

01:43:35,270 --> 01:43:33,119

what's on the other side like

2672

01:43:37,750 --> 01:43:35,280

nobody's ever asked me right but would i

2673

01:43:40,790 --> 01:43:37,760

be curious

2674

01:43:42,390 --> 01:43:40,800

do i think it's gonna go perfectly no is

2675

01:43:45,109 --> 01:43:42,400

there probably a chance that like you

2676

01:43:47,350 --> 01:43:45,119

would die like yeah like why do you go

2677

01:43:51,109 --> 01:43:47,360

to space why do you why do we do these

2678

01:43:53,270 --> 01:43:51,119

things i mean it's it's it's so like

2679

01:43:56,390 --> 01:43:53,280

it's like a double-edged sword it's like

2680

01:43:58,870 --> 01:43:56,400

well we do it because we want to know is

2681

01:44:00,950 --> 01:43:58,880

it going to end up perfect well

2682

01:44:03,350 --> 01:44:00,960

i don't know but isn't that part of the

2683

01:44:05,189 --> 01:44:03,360

addiction part of the excitement why do

2684

01:44:06,629 --> 01:44:05,199

people jump out of airplanes dude i

2685

01:44:09,030 --> 01:44:06,639

don't know

2686

01:44:11,030 --> 01:44:09,040

what if these aliens are children in

2687

01:44:12,870 --> 01:44:11,040

their culture like their children out

2688

01:44:15,510 --> 01:44:12,880

playing right dude do you remember were

2689

01:44:17,910 --> 01:44:15,520

you ever a kid playing with ants like

2690

01:44:19,189 --> 01:44:17,920

you know out in the yard the ant hills

2691

01:44:20,950 --> 01:44:19,199

you know i'm afraid one of these days

2692

01:44:24,070 --> 01:44:20,960

there's going to be a big [h__h] cherry

2693

01:44:28,950 --> 01:44:27,910

oh it's an eclipse holy oh [h__h]

2694

01:44:30,390 --> 01:44:28,960

oh

2695

01:44:33,669 --> 01:44:30,400

they're going to blow us up with a great

2696

01:44:35,430 --> 01:44:33,679

big cherry bomb see that's the problem

2697

01:44:38,310 --> 01:44:35,440

that's the problem with humans is we

2698

01:44:39,669 --> 01:44:38,320

don't think beyond our

2699

01:44:41,270 --> 01:44:39,679

what we want

2700

01:44:43,750 --> 01:44:41,280

yeah you know what i mean whatever

2701

01:44:46,550 --> 01:44:43,760

respect and what have you because what

2702

01:44:48,950 --> 01:44:46,560

we expect and what we want may not be

2703

01:44:50,550 --> 01:44:48,960

the ending product

2704

01:44:53,189 --> 01:44:50,560

you know what i mean if these people are

2705

01:44:54,870 --> 01:44:53,199

like oh look at these [h__\h]

2706

01:44:56,310 --> 01:44:54,880

these neanderthals down there we're

2707

01:44:58,709 --> 01:44:56,320

gonna go [h__\h] take their [h__\h] over

2708

01:45:00,070 --> 01:44:58,719

and take everything they have

2709

01:45:02,629 --> 01:45:00,080

you know what i mean and we sat there

2710

01:45:04,709 --> 01:45:02,639

and said the [h__\h] signal come on down

2711

01:45:07,350 --> 01:45:04,719

yeah yeah yeah you make a good point

2712

01:45:09,430 --> 01:45:07,360

they might be so advanced they're not

2713

01:45:10,390 --> 01:45:09,440

they don't have any war-like tendencies

2714

01:45:12,550 --> 01:45:10,400

left

2715

01:45:15,270 --> 01:45:12,560

as well they don't even understand what

2716

01:45:17,510 --> 01:45:15,280

that is what it could be like

2717

01:45:19,350 --> 01:45:17,520

maybe that's why we're ignored because

2718

01:45:21,750 --> 01:45:19,360

maybe the people that can't understand

2719

01:45:22,870 --> 01:45:21,760

us are like these [h__\h] retards we're

2720

01:45:25,270 --> 01:45:22,880

not gonna yeah

2721

01:45:27,189 --> 01:45:25,280

you know what i mean they're just so far

2722

01:45:28,629 --> 01:45:27,199

backwards that we're just gonna leave

2723

01:45:30,709 --> 01:45:28,639

them alone

2724

01:45:32,470 --> 01:45:30,719

yeah yeah yeah they

2725

01:45:34,229 --> 01:45:32,480

they kill their friends they kill each

2726

01:45:36,390 --> 01:45:34,239

other you know that's where they're at

2727

01:45:37,109 --> 01:45:36,400

yeah we have no need for them look at

2728

01:45:39,030 --> 01:45:37,119

their

2729

01:45:40,390 --> 01:45:39,040

what they i i have

2730

01:45:41,910 --> 01:45:40,400

i just have this thought all the time

2731

01:45:43,910 --> 01:45:41,920

like look at their

2732

01:45:46,790 --> 01:45:43,920

if you're an outside perspective looking

2733

01:45:49,830 --> 01:45:46,800

at our our entertainment we start uh i

2734

01:45:50,870 --> 01:45:49,840

just watched the movie uh gladiator uh

2735

01:45:53,910 --> 01:45:50,880

great i thought you were going to say

2736

01:45:55,510 --> 01:45:53,920

the notebook foo the notebook daddy

2737

01:46:03,910 --> 01:45:55,520

with russell crowe

2738

01:46:08,310 --> 01:46:05,750

i've watched it before

2739

01:46:09,270 --> 01:46:08,320

i'm telling you russell crowe has game

2740

01:46:11,669 --> 01:46:09,280

man

2741

01:46:14,149 --> 01:46:11,679

he does i know the chicks that watch

2742

01:46:16,709 --> 01:46:14,159

that movie and they all are like russell

2743

01:46:20,149 --> 01:46:16,719

crowe's has got game in that movie

2744

01:46:24,470 --> 01:46:20,159

awesome entertained also i feel like he

2745

01:46:25,910 --> 01:46:24,480

influenced all of uh everybody that was

2746

01:46:26,710 --> 01:46:25,920

a bully in high school hit their

2747

01:46:30,310 --> 01:46:26,720

hairstyles

2748

01:46:32,790 --> 01:46:30,320

[Laughter]

2749

01:46:35,590 --> 01:46:32,800

just like cut straight across like the

2750

01:46:37,109 --> 01:46:35,600

[h__\h] knives like across dude like

2751

01:46:41,270 --> 01:46:37,119

my name's [h__\h]

2752

01:46:43,830 --> 01:46:41,280

uh chat chat dude chat cheat i don't

2753

01:46:46,149 --> 01:46:43,840

know uh i have a puka shell necklace who

2754

01:46:49,270 --> 01:46:46,159

could [h__\h] chill down

2755

01:46:52,390 --> 01:46:49,280

i'm telling you that was 90s 2000 yeah

2756

01:46:55,109 --> 01:46:52,400

it was like like late 90s early 2000s

2757

01:46:59,030 --> 01:46:55,119

but but uh there's a point to that movie

2758

01:47:02,390 --> 01:46:59,040

though because i think there is a innate

2759

01:47:04,229 --> 01:47:02,400

innately inhumans we want

2760

01:47:06,950 --> 01:47:04,239

there's a reason why

2761

01:47:08,550 --> 01:47:06,960

rome chose you know the caesar of rome

2762

01:47:10,390 --> 01:47:08,560

at the time said

2763

01:47:17,270 --> 01:47:10,400

give them

2764

01:47:19,510 --> 01:47:17,280

energy

2765

01:47:22,149 --> 01:47:19,520

we don't have to fix [\h__\h] dude we just

2766

01:47:24,629 --> 01:47:22,159

entertain them the [\h__\h] i've read and

2767

01:47:27,910 --> 01:47:24,639

heard about what went on in the coliseum

2768

01:47:29,990 --> 01:47:27,920

for entertainment it is some crazy

2769

01:47:32,070 --> 01:47:30,000

nutty so how do we

2770

01:47:33,590 --> 01:47:32,080

sorry here's the things that you're not

2771

01:47:35,350 --> 01:47:33,600

looking at okay

2772

01:47:36,709 --> 01:47:35,360

they say give them blood give them

2773

01:47:39,910 --> 01:47:36,719

entertainment

2774

01:47:42,870 --> 01:47:39,920

give them a [\h__\h] distraction yes from

2775

01:47:45,109 --> 01:47:42,880

what's going on in parliament

2776

01:47:47,350 --> 01:47:45,119

that's in politics i think we're talking

2777

01:47:49,750 --> 01:47:47,360

about the same thing exactly let them

2778

01:47:52,790 --> 01:47:49,760

watch what's going on over here so we

2779

01:47:55,109 --> 01:47:52,800

can do our [h__\h] over there

2780

01:47:57,270 --> 01:47:55,119

and i can't help but think that's kind

2781

01:48:00,870 --> 01:47:57,280

of what's still going on you know some

2782

01:48:03,270 --> 01:48:00,880

of the [h__\h] we all the body politic gets

2783

01:48:05,030 --> 01:48:03,280

distracted with while you know they're

2784

01:48:06,149 --> 01:48:05,040

they're meeting behind closed doors in

2785

01:48:07,270 --> 01:48:06,159

washington

2786

01:48:09,350 --> 01:48:07,280

you know

2787

01:48:11,669 --> 01:48:09,360

they're getting paid for not doing [h__\h]

2788

01:48:13,990 --> 01:48:11,679

dude and going on vacation

2789

01:48:16,709 --> 01:48:14,000

so so can i take you down this rabbit

2790

01:48:19,030 --> 01:48:16,719

hole further please do gentlemen

2791

01:48:23,910 --> 01:48:19,040

my fellow colleagues

2792

01:48:26,950 --> 01:48:25,990

okay before you before you go down here

2793

01:48:28,550 --> 01:48:26,960

okay

2794

01:48:30,070 --> 01:48:28,560

have you seen the rabbit holes you go

2795

01:48:33,030 --> 01:48:30,080

down through

2796

01:48:35,750 --> 01:48:33,040

and i don't always agree with them okay

2797

01:48:38,470 --> 01:48:35,760

i think sometimes you guys go too far i

2798

01:48:40,229 --> 01:48:38,480

will be completely honest with that we

2799

01:48:42,629 --> 01:48:40,239

do yeah we do i appreciate you saying

2800

01:48:44,950 --> 01:48:42,639

that i still [h__h] love you

2801

01:48:47,510 --> 01:48:44,960

and i'm still willing to listen to

2802

01:48:50,310 --> 01:48:47,520

whatever you guys have to say

2803

01:48:53,510 --> 01:48:50,320

gentleman tony has entered into the

2804

01:48:54,550 --> 01:48:53,520

record i know i really may or may not

2805

01:48:56,709 --> 01:48:54,560

agree

2806

01:48:58,950 --> 01:48:56,719

with the gentleman yeah

2807

01:49:00,470 --> 01:48:58,960

i appreciate that not a lot of our

2808

01:49:02,310 --> 01:49:00,480

listeners get to like voice their

2809

01:49:04,629 --> 01:49:02,320

opinions and like dude that means a lot

2810

01:49:06,470 --> 01:49:04,639

cause like it helps us you know like

2811

01:49:08,390 --> 01:49:06,480

dude it just started out with me and joe

2812

01:49:10,550 --> 01:49:08,400

knowing [h__h] and then now it's like a

2813

01:49:12,070 --> 01:49:10,560

bunch of people coming together starting

2814

01:49:14,950 --> 01:49:12,080

out with us knowing stuff no one's

2815

01:49:17,510 --> 01:49:14,960

stopping now it's like

2816

01:49:20,310 --> 01:49:17,520

the gentleman from georgetown has no i

2817

01:49:21,750 --> 01:49:20,320

just i just keep it 100 real man i love

2818

01:49:22,950 --> 01:49:21,760

that tony thank you

2819

01:49:24,629 --> 01:49:22,960

but like so

2820

01:49:26,870 --> 01:49:24,639

that's that's the fun of it right like

2821

01:49:27,669 --> 01:49:26,880

we're all learning together and and one

2822

01:49:29,430 --> 01:49:27,679

thing

2823

01:49:30,950 --> 01:49:29,440

i mean i'll say tonight i mean

2824

01:49:32,950 --> 01:49:30,960

we're talking about this like give them

2825

01:49:35,430 --> 01:49:32,960

give them entertainment give them wine

2826
01:49:37,270 --> 01:49:35,440
give them bread is that not what we're

2827
01:49:40,470 --> 01:49:37,280
going through right now

2828
01:49:42,870 --> 01:49:40,480
can we relate to that in this ufology

2829
01:49:44,790 --> 01:49:42,880
we're like dude we're all come on like

2830
01:49:46,950 --> 01:49:44,800
let's admit it we're all nerves here we

2831
01:49:49,270 --> 01:49:46,960
love ufology we've been into it i've

2832
01:49:50,310 --> 01:49:49,280
been into it like

2833
01:49:56,310 --> 01:49:50,320
we're

2834
01:49:58,149 --> 01:49:56,320
subject because we want to know the

2835
01:50:00,149 --> 01:49:58,159
answers we're curious

2836
01:50:02,149 --> 01:50:00,159
we you either

2837
01:50:04,390 --> 01:50:02,159
even if you've been affected personally

2838
01:50:06,470 --> 01:50:04,400

or or whatever

2839

01:50:09,669 --> 01:50:06,480

it it means something to you

2840

01:50:11,750 --> 01:50:09,679

and we we're all seeking the truth at

2841

01:50:13,990 --> 01:50:11,760

the end of the day uh this show was

2842

01:50:15,270 --> 01:50:14,000

about having fun with it a lot of other

2843

01:50:16,870 --> 01:50:15,280

shows like

2844

01:50:18,070 --> 01:50:16,880

let's get to the [h__\h] truth like

2845

01:50:20,229 --> 01:50:18,080

we're not going to have anybody this is

2846

01:50:22,870 --> 01:50:20,239

a charlatan or whatever like this shows

2847

01:50:24,550 --> 01:50:22,880

about just [h__\h] chatting with a bunch

2848

01:50:25,830 --> 01:50:24,560

of you know people

2849

01:50:27,350 --> 01:50:25,840

that

2850

01:50:29,910 --> 01:50:27,360

we may not

2851
01:50:32,470 --> 01:50:29,920
agree on everything and that's that's

2852
01:50:34,310 --> 01:50:32,480
okay like yeah that's fine one of my

2853
01:50:35,830 --> 01:50:34,320
favorite things is

2854
01:50:39,109 --> 01:50:35,840
changing my mind

2855
01:50:40,950 --> 01:50:39,119
believe it or not i love to i love when

2856
01:50:43,510 --> 01:50:40,960
somebody makes a point i'm like

2857
01:50:45,910 --> 01:50:43,520
i'm so dumb you're you're right i love

2858
01:50:47,830 --> 01:50:45,920
that so tony i appreciate the realness

2859
01:50:50,709 --> 01:50:47,840
and not agreeing because

2860
01:50:52,390 --> 01:50:50,719
that's how we learn right is is through

2861
01:50:54,149 --> 01:50:52,400
disagreements and hearing those other

2862
01:50:55,669 --> 01:50:54,159
point of views and it's like

2863
01:50:57,270 --> 01:50:55,679

oh okay

2864

01:50:59,510 --> 01:50:57,280

yeah you're right you're right that was

2865

01:51:01,750 --> 01:50:59,520

dumb no i i listened it i listened to

2866

01:51:04,310 --> 01:51:01,760

right like i've been on ryan sprague

2867

01:51:06,390 --> 01:51:04,320

i've been on uh shannon negro i've

2868

01:51:09,430 --> 01:51:06,400

talked to a bunch of different people

2869

01:51:12,550 --> 01:51:09,440

you know in a more serious note

2870

01:51:14,149 --> 01:51:12,560

but you guys bring something different

2871

01:51:16,870 --> 01:51:14,159

to the platform

2872

01:51:18,070 --> 01:51:16,880

it brings you know a little bit of

2873

01:51:20,229 --> 01:51:18,080

levity

2874

01:51:21,669 --> 01:51:20,239

to the subject it doesn't have to be so

2875

01:51:23,270 --> 01:51:21,679

[h__\h] serious

2876

01:51:25,510 --> 01:51:23,280

you know what i mean

2877

01:51:27,270 --> 01:51:25,520

sometimes sometimes one of you guys

2878

01:51:28,550 --> 01:51:27,280

brings some crazy [h__h] to the [h__h]

2879

01:51:30,229 --> 01:51:28,560

table and i'm like

2880

01:51:31,990 --> 01:51:30,239

huh

2881

01:51:33,510 --> 01:51:32,000

that kind of makes sense you know what i

2882

01:51:35,589 --> 01:51:33,520

mean and

2883

01:51:38,310 --> 01:51:35,599

it's that's what i appreciate is

2884

01:51:41,589 --> 01:51:38,320

thinking outside the box you guys are

2885

01:51:42,390 --> 01:51:41,599

outside the box that's why i love you

2886

01:51:44,629 --> 01:51:42,400

dude

2887

01:51:47,270 --> 01:51:44,639

thank you very much besides making me

2888

01:51:48,870 --> 01:51:47,280

laugh that's why i love you yes yeah so

2889

01:51:51,270 --> 01:51:48,880

it's like i like being

2890

01:51:53,109 --> 01:51:51,280

extending on ben's point you know you

2891

01:51:55,430 --> 01:51:53,119

know uh there are a lot of shows that

2892

01:51:56,790 --> 01:51:55,440

are out there to give the average person

2893

01:51:58,709 --> 01:51:56,800

a voice

2894

01:52:00,550 --> 01:51:58,719

we're here to give the below average

2895

01:52:04,470 --> 01:52:00,560

person a voice

2896

01:52:07,430 --> 01:52:04,480

and proud of it yeah man a lot of times

2897

01:52:09,669 --> 01:52:07,440

with the best respect of all of ben and

2898

01:52:12,310 --> 01:52:09,679

joe's fans out there a lot of times you

2899

01:52:14,709 --> 01:52:12,320

know i i love you guys i love you guys

2900

01:52:17,109 --> 01:52:14,719

we love you man i love you guys too man

2901
01:52:19,350 --> 01:52:17,119
yeah i mean this subject can get boring

2902
01:52:21,830 --> 01:52:19,360
sometimes you know yeah nice to have

2903
01:52:24,310 --> 01:52:21,840
that's right with it and you know

2904
01:52:26,709 --> 01:52:24,320
entertain i would rather be below

2905
01:52:29,830 --> 01:52:26,719
average and do it really well

2906
01:52:31,990 --> 01:52:29,840
than the average and just be average

2907
01:52:34,950 --> 01:52:32,000
so our goal is to be below average and

2908
01:52:37,669 --> 01:52:34,960
be really good at it well what i would

2909
01:52:39,750 --> 01:52:37,679
hate is is is that the subject becomes

2910
01:52:41,030 --> 01:52:39,760
so by like

2911
01:52:43,350 --> 01:52:41,040
like

2912
01:52:45,030 --> 01:52:43,360
bipolar and stagnant thank you

2913
01:52:48,229 --> 01:52:45,040

that everybody's just like

2914

01:52:52,870 --> 01:52:50,709

not gonna talk about that with you

2915

01:52:54,950 --> 01:52:52,880

that's gonna be so shitty for this

2916

01:52:56,629 --> 01:52:54,960

subject because

2917

01:52:58,310 --> 01:52:56,639

if you i don't know but

2918

01:53:00,070 --> 01:52:58,320

like i don't know about you guys but

2919

01:53:04,070 --> 01:53:00,080

when i hear someone say i've got all the

2920

01:53:06,470 --> 01:53:04,080

answers my [h__\h] my [h__\h] warning

2921

01:53:08,950 --> 01:53:06,480

alarm goes off yeah yeah

2922

01:53:09,910 --> 01:53:08,960

yeah like come on i'm sorry go ahead man

2923

01:53:11,910 --> 01:53:09,920

i'm sorry

2924

01:53:14,229 --> 01:53:11,920

judy i mean you hit the nail on the head

2925

01:53:17,430 --> 01:53:14,239

man i mean it's uh

2926

01:53:19,750 --> 01:53:17,440

i me and joe we don't know [h__h] dude

2927

01:53:21,589 --> 01:53:19,760

it's talking to you guys and figuring

2928

01:53:24,390 --> 01:53:21,599

stuff out together that you actually

2929

01:53:26,470 --> 01:53:24,400

form an opinion and it's like do we

2930

01:53:28,470 --> 01:53:26,480

really know i mean

2931

01:53:29,750 --> 01:53:28,480

my uh my wife actually posed this

2932

01:53:31,669 --> 01:53:29,760

question to me we like to talk about

2933

01:53:33,589 --> 01:53:31,679

trippy [h__h] and i'll pose this question

2934

01:53:35,189 --> 01:53:33,599

to you guys and this kind of dovetails

2935

01:53:38,550 --> 01:53:35,199

and what we're talking about

2936

01:53:40,950 --> 01:53:38,560

um uh my wife's in in the tech industry

2937

01:53:44,149 --> 01:53:40,960

i am as well and we talked about just

2938

01:53:46,550 --> 01:53:44,159

the most simple basic construct of one

2939

01:53:49,189 --> 01:53:46,560

plus one is

2940

01:53:50,709 --> 01:53:49,199

i'll ask this to you guys is one what is

2941

01:53:52,870 --> 01:53:50,719

one plus one

2942

01:53:56,790 --> 01:53:52,880

and i've got another question after that

2943

01:53:58,070 --> 01:53:56,800

two okay this is a trick question right

2944

01:54:00,790 --> 01:53:58,080

question

2945

01:54:02,790 --> 01:54:00,800

okay hang on let me think what is one

2946

01:54:04,310 --> 01:54:02,800

plus one what's one plus one and there's

2947

01:54:06,070 --> 01:54:04,320

another question after that it's a trick

2948

01:54:07,510 --> 01:54:06,080

question

2949

01:54:08,550 --> 01:54:07,520

does it have to be in the form of a

2950

01:54:10,310 --> 01:54:08,560

question

2951
01:54:12,470 --> 01:54:10,320
the answer has to be in the formula no

2952
01:54:14,950 --> 01:54:12,480
no i've got well just pretend that you

2953
01:54:16,790 --> 01:54:14,960
already answered it and it was one

2954
01:54:18,790 --> 01:54:16,800
or it was two let's just pretend that

2955
01:54:20,550 --> 01:54:18,800
you said two okay so i'll go out on the

2956
01:54:22,550 --> 01:54:20,560
limb and say it's two

2957
01:54:28,149 --> 01:54:22,560
i love that love that jojo i better go

2958
01:54:28,159 --> 01:54:33,830
what are you doing

2959
01:54:33,840 --> 01:54:45,990
being defined plus

2960
01:54:49,910 --> 01:54:47,669
what's the second question

2961
01:54:52,550 --> 01:54:49,920
okay so what's not really a second

2962
01:54:55,830 --> 01:54:52,560
question it's just a perspective so what

2963
01:54:58,790 --> 01:54:55,840

is one cloud like a cloud that we see

2964

01:55:00,709 --> 01:54:58,800

that becomes two clouds become one cloud

2965

01:55:01,140 --> 01:55:00,719

so you have one cloud and one cloud

2966

01:55:02,310 --> 01:55:01,150

become

2967

01:55:04,229 --> 01:55:02,320

[Music]

2968

01:55:06,950 --> 01:55:04,239

what's so what's one cloud plus one

2969

01:55:08,629 --> 01:55:06,960

cloud well that's multiplication dude

2970

01:55:10,709 --> 01:55:08,639

everybody knows clouds joining together

2971

01:55:12,870 --> 01:55:10,719

as multiplication is one this is right

2972

01:55:15,109 --> 01:55:12,880

no one knows that joe one times one is

2973

01:55:17,109 --> 01:55:15,119

one dude this is right up there where

2974

01:55:19,910 --> 01:55:17,119

where does the hole go when you eat the

2975

01:55:22,390 --> 01:55:19,920

donut that is zero percent apr on the

2976

01:55:24,870 --> 01:55:22,400

fork right there

2977

01:55:27,270 --> 01:55:24,880

no door fords

2978

01:55:30,390 --> 01:55:27,280

just come [\h__\h] by man yeah i've been

2979

01:55:34,550 --> 01:55:30,400

here since the beginning trust me yes oh

2980

01:55:36,629 --> 01:55:34,560

that's so much dude i love that dude

2981

01:55:39,669 --> 01:55:36,639

that's yeah i mean yeah i guess it's

2982

01:55:42,070 --> 01:55:39,679

kind of a perspective thing uh it's also

2983

01:55:44,470 --> 01:55:42,080

a uh i mean

2984

01:55:46,390 --> 01:55:44,480

how stuff works yeah thing right i mean

2985

01:55:48,310 --> 01:55:46,400

it's you know that's kind of like i

2986

01:55:49,510 --> 01:55:48,320

don't know i

2987

01:55:51,030 --> 01:55:49,520

like

2988

01:55:52,709 --> 01:55:51,040

i hate saying comparing apples to

2989

01:55:55,109 --> 01:55:52,719

oranges because they're both fruit right

2990

01:55:57,510 --> 01:55:55,119

but at the same time like ones like

2991

01:55:59,830 --> 01:55:57,520

math way better than kind of like

2992

01:56:01,109 --> 01:55:59,840

dude atmospheric science like i don't

2993

01:56:03,030 --> 01:56:01,119

know like the rules are a little

2994

01:56:05,750 --> 01:56:03,040

different you know one plus one is

2995

01:56:07,109 --> 01:56:05,760

obviously two but clouds molding into

2996

01:56:08,870 --> 01:56:07,119

each other it's like

2997

01:56:12,229 --> 01:56:08,880

if you want to go completely different

2998

01:56:25,910 --> 01:56:12,239

let's compare apples and tomatoes

2999

01:56:29,109 --> 01:56:27,350

that's all i needed from you guys i just

3000

01:56:31,430 --> 01:56:29,119

needed to know that i was smart and then

3001

01:56:34,709 --> 01:56:31,440

it shows up you guys are texas fans

3002

01:56:35,669 --> 01:56:34,719

right oh yeah yeah all right i mean i'm

3003

01:56:40,629 --> 01:56:35,679

i'm

3004

01:56:45,109 --> 01:56:40,639

absolutely are you gonna eat this

3005

01:56:48,870 --> 01:56:45,119

as i go oh come on all right come on all

3006

01:56:53,270 --> 01:56:51,990

i have total respect for the steelers

3007

01:56:54,790 --> 01:56:53,280

i have totally

3008

01:56:56,470 --> 01:56:54,800

going back because going back to the

3009

01:56:58,229 --> 01:56:56,480

bradshaw days right he was a steeler

3010

01:56:59,830 --> 01:56:58,239

right aren't uh aren't aren't you guys

3011

01:57:02,709 --> 01:56:59,840

in the lions competing to be the worst

3012

01:57:04,790 --> 01:57:02,719

team in the nfl this year no we're like

3013

01:57:06,310 --> 01:57:04,800

second in afc uh you know what i'll

3014

01:57:07,270 --> 01:57:06,320

punch you in the face right through the

3015

01:57:10,470 --> 01:57:07,280

internet

3016

01:57:12,390 --> 01:57:10,480

i'll [h__\h] you in the [h__\h] facebook

3017

01:57:14,229 --> 01:57:12,400

hey this is the first year i'm allowed

3018

01:57:16,470 --> 01:57:14,239

to like brag a little bit because we

3019

01:57:18,629 --> 01:57:16,480

them boys and like we're doing kind of

3020

01:57:22,229 --> 01:57:18,639

good this year all right

3021

01:57:24,629 --> 01:57:22,239

i'll be the first one to admit i'm not

3022

01:57:26,629 --> 01:57:24,639

i'm a fair weather dallas cowboys fan

3023

01:57:29,510 --> 01:57:26,639

all right if they're not winning i don't

3024

01:57:30,629 --> 01:57:29,520

know them somebody's losing right and

3025

01:57:33,030 --> 01:57:30,639

remember

3026

01:57:35,830 --> 01:57:33,040

two weeks ago the broncos whipped their

3027

01:57:37,910 --> 01:57:35,840

butt bad on was it monday night was it

3028

01:57:39,350 --> 01:57:37,920

monday night football i think it was

3029

01:57:41,030 --> 01:57:39,360

yeah it wasn't

3030

01:57:42,629 --> 01:57:41,040

no it was sunday but it was an

3031

01:57:45,030 --> 01:57:42,639

embarrassment yeah two weeks ago because

3032

01:57:47,109 --> 01:57:45,040

they showed up last week for atlanta

3033

01:57:49,510 --> 01:57:47,119

oh yeah they they opened some whoop ass

3034

01:57:52,390 --> 01:57:49,520

last week oh

3035

01:57:53,350 --> 01:57:52,400

yeah but before that with the broncos

3036

01:57:56,070 --> 01:57:53,360

oh

3037

01:57:58,390 --> 01:57:56,080

that we'll see it was it was uh

3038

01:57:59,750 --> 01:57:58,400

it was dat coming back from his injury

3039

01:58:01,750 --> 01:57:59,760

right yeah

3040

01:58:03,350 --> 01:58:01,760

and i think they won without him and i

3041

01:58:05,750 --> 01:58:03,360

think they're thinking oh we can turn it

3042

01:58:08,070 --> 01:58:05,760

on and off you know when we want to but

3043

01:58:11,109 --> 01:58:08,080

no team in the nfl i don't care who you

3044

01:58:14,149 --> 01:58:11,119

are can just turn it on and off you got

3045

01:58:17,510 --> 01:58:14,159

to come ready to play yeah any team can

3046

01:58:19,189 --> 01:58:17,520

beat any other team in the nfl i mean

3047

01:58:21,510 --> 01:58:19,199

he's a ravens fan

3048

01:58:23,589 --> 01:58:21,520

and they have that turning it on and off

3049

01:58:26,149 --> 01:58:23,599

thing

3050

01:58:28,390 --> 01:58:26,159

yeah like it seems like when they play a

3051

01:58:30,390 --> 01:58:28,400

nobody team they like turn it off for

3052

01:58:32,870 --> 01:58:30,400

something yeah the lamar shows up when

3053

01:58:34,709 --> 01:58:32,880

they're across uh you know the line of

3054

01:58:36,629 --> 01:58:34,719

like somebody who's like a real player

3055

01:58:38,390 --> 01:58:36,639

you know like you know

3056

01:58:41,589 --> 01:58:38,400

it's it's like the stars are over on the

3057

01:58:43,430 --> 01:58:41,599

sidelines and drinking espresso

3058

01:58:46,310 --> 01:58:43,440

yeah so they'll put us in here in a

3059

01:58:48,470 --> 01:58:46,320

moment and we'll score a few touchdowns

3060

01:58:50,629 --> 01:58:48,480

okay back to ufos i'm sorry

3061

01:58:53,030 --> 01:58:50,639

okay yeah let's get back to that

3062

01:58:55,109 --> 01:58:53,040

i i do have something modestly

3063

01:58:57,430 --> 01:58:55,119

intelligent to say about the

3064

01:59:00,070 --> 01:58:57,440

the uh disclosure if you guys want to

3065

01:59:01,510 --> 01:59:00,080

hear it oh yeah absolutely yes

3066

01:59:05,510 --> 01:59:01,520

okay because i know you were talking

3067

01:59:07,270 --> 01:59:05,520

about that earlier yeah i mean having

3068

01:59:08,550 --> 01:59:07,280

been in

3069

01:59:10,790 --> 01:59:08,560

the the

3070

01:59:14,310 --> 01:59:10,800

for a little bit right before i retired

3071

01:59:17,750 --> 01:59:14,320

into the military uh the whole military

3072

01:59:20,629 --> 01:59:17,760

industrial uh complex right i was work

3073

01:59:22,550 --> 01:59:20,639

for a company and i had a top secret

3074

01:59:25,669 --> 01:59:22,560

clearance and all that crap and i kind

3075

01:59:27,189 --> 01:59:25,679

of got my first look at how [h__h] works

3076

01:59:28,870 --> 01:59:27,199

you know the inside

3077

01:59:32,149 --> 01:59:28,880

and working with the military and all

3078

01:59:33,430 --> 01:59:32,159

that and there's this real culture of

3079

01:59:36,629 --> 01:59:33,440

feeling they have to have all the

3080

01:59:39,030 --> 01:59:36,639

answers right okay so we don't so they

3081

01:59:40,229 --> 01:59:39,040

don't admit anything until they know

3082

01:59:42,470 --> 01:59:40,239

everything

3083

01:59:44,310 --> 01:59:42,480

right and and that's never going to

3084

01:59:46,390 --> 01:59:44,320

happen in my opinion in there we're

3085

01:59:47,750 --> 01:59:46,400

never and at least not in our lifetimes

3086

01:59:49,830 --> 01:59:47,760

we're not going to know everything and

3087

01:59:51,270 --> 01:59:49,840

there's that military mindset that

3088

01:59:53,830 --> 01:59:51,280

they're going to have this poker face

3089

01:59:56,629 --> 01:59:53,840

about everything until they have all the

3090

01:59:59,109 --> 01:59:56,639

answers to all the really hard questions

3091

02:00:02,310 --> 01:59:59,119

and i think they are way away from i

3092

02:00:04,390 --> 02:00:02,320

think we have tons of evidence right

3093

02:00:06,470 --> 02:00:04,400

tons of things we've seen

3094

02:00:08,629 --> 02:00:06,480

maybe uh i mean i don't know i've

3095

02:00:10,709 --> 02:00:08,639

accessed this information but possibly

3096

02:00:13,189 --> 02:00:10,719

you know uh

3097

02:00:15,750 --> 02:00:13,199

equipment and technology's been

3098

02:00:17,350 --> 02:00:15,760

you know captured in some way but

3099

02:00:18,390 --> 02:00:17,360

i'm all for that but

3100

02:00:20,629 --> 02:00:18,400

um

3101

02:00:22,310 --> 02:00:20,639

the military is going to be denied and i

3102

02:00:24,149 --> 02:00:22,320

deny because

3103

02:00:26,390 --> 02:00:24,159

they're probably not any closer to

3104

02:00:27,510 --> 02:00:26,400

understanding what really the hell is

3105

02:00:30,070 --> 02:00:27,520

going on

3106

02:00:33,189 --> 02:00:30,080

right and that makes and then in their

3107

02:00:35,109 --> 02:00:33,199

in their business that's really bad to

3108

02:00:37,189 --> 02:00:35,119

say i know nothing about the enemy

3109

02:00:39,510 --> 02:00:37,199

really i know nothing

3110

02:00:41,189 --> 02:00:39,520

yeah well that's what's kind of funny is

3111

02:00:42,790 --> 02:00:41,199

i was working on [h__h] that you didn't

3112

02:00:43,910 --> 02:00:42,800

even know about

3113

02:00:46,229 --> 02:00:43,920

uh-huh

3114

02:00:48,229 --> 02:00:46,239

i'm sure you know there's a challenge

3115

02:00:50,629 --> 02:00:48,239

that i don't know about and i sit there

3116

02:00:51,830 --> 02:00:50,639

and i think about whenever i was in the

3117

02:00:53,350 --> 02:00:51,840

military

3118

02:00:55,030 --> 02:00:53,360

i was working on [h__h] that you didn't

3119

02:00:59,990 --> 02:00:55,040

know about

3120

02:01:02,229 --> 02:01:00,000

right like how far have we come we went

3121

02:01:04,550 --> 02:01:02,239

from [h__h] flip phones from actually

3122

02:01:05,910 --> 02:01:04,560

brick phones i was brick phone

3123

02:01:08,870 --> 02:01:05,920

technology

3124

02:01:10,470 --> 02:01:08,880

whenever i was in the military now look

3125

02:01:12,149 --> 02:01:10,480

at our phones now

3126
02:01:14,470 --> 02:01:12,159
so how far

3127
02:01:16,629 --> 02:01:14,480
has military technology come

3128
02:01:20,870 --> 02:01:16,639
in that point oh yeah

3129
02:01:23,750 --> 02:01:20,880
and why would they let anyone that was

3130
02:01:25,589 --> 02:01:23,760
in charge of actually doing stuff

3131
02:01:27,830 --> 02:01:25,599
know about the

3132
02:01:30,310 --> 02:01:27,840
the advancements in technology like oh

3133
02:01:32,310 --> 02:01:30,320
for sure like oh you used to work on

3134
02:01:33,990 --> 02:01:32,320
this hey let me update you

3135
02:01:34,950 --> 02:01:34,000
you know like

3136
02:01:39,830 --> 02:01:34,960
somebody

3137
02:01:41,750 --> 02:01:39,840
post yesterday and and i responded to it

3138
02:01:44,149 --> 02:01:41,760

and it was a

3139

02:01:47,669 --> 02:01:44,159

it was a very simple generic post it was

3140

02:01:49,669 --> 02:01:47,679

just a cnn with the with the uh the

3141

02:01:52,390 --> 02:01:49,679

gimbal footage on it and that's all it

3142

02:01:54,229 --> 02:01:52,400

was but the person who made the post had

3143

02:01:56,229 --> 02:01:54,239

said you know

3144

02:01:58,550 --> 02:01:56,239

uh you know the the military and

3145

02:02:01,750 --> 02:01:58,560

government has confirmed this technology

3146

02:02:06,310 --> 02:02:01,760

exists yet there has been zero ripple

3147

02:02:08,870 --> 02:02:06,320

in uh in the the you know in culture uh

3148

02:02:11,270 --> 02:02:08,880

about the the technology right the the

3149

02:02:12,870 --> 02:02:11,280

cultural impact of the technology and i

3150

02:02:14,550 --> 02:02:12,880

was thinking well

3151

02:02:16,470 --> 02:02:14,560

the cultural impact that we're

3152

02:02:19,430 --> 02:02:16,480

experiencing right now is still [h__\h]

3153

02:02:22,390 --> 02:02:19,440

that we've found and discovered from the

3154

02:02:24,790 --> 02:02:22,400

40s you know you're starting worse

3155

02:02:26,790 --> 02:02:24,800

yeah we're still you know a lot of that

3156

02:02:29,589 --> 02:02:26,800

stuff didn't even come out we didn't

3157

02:02:31,669 --> 02:02:29,599

even we didn't even hear or see anything

3158

02:02:34,310 --> 02:02:31,679

about the stuff that came out in the 40s

3159

02:02:35,910 --> 02:02:34,320

until like the 80s you know you know a

3160

02:02:37,510 --> 02:02:35,920

little bit earlier than that but you

3161

02:02:39,830 --> 02:02:37,520

know you're in the 80s you really start

3162

02:02:41,990 --> 02:02:39,840

getting into like lasers and and cool

3163

02:02:45,750 --> 02:02:42,000

[h__\h] like that you know like disco and

3164

02:02:47,589 --> 02:02:45,760

like pink so yeah like now we have a

3165

02:02:49,669 --> 02:02:47,599

coming out or these photos and this

3166

02:02:51,350 --> 02:02:49,679

technology well we're not going to hear

3167

02:02:54,149 --> 02:02:51,360

about that until

3168

02:02:55,270 --> 02:02:54,159

ben you and i are like 70 man but you

3169

02:02:57,030 --> 02:02:55,280

know like

3170

02:02:58,870 --> 02:02:57,040

it's millions

3171

02:03:00,870 --> 02:02:58,880

and then it trickles down to everybody

3172

02:03:02,950 --> 02:03:00,880

else i'd like to get some insight from

3173

02:03:05,270 --> 02:03:02,960

tony but one of my favorite cases is

3174

02:03:08,310 --> 02:03:05,280

kecksburg right

3175

02:03:10,229 --> 02:03:08,320

10 minutes from there okay so everybody

3176

02:03:11,750 --> 02:03:10,239

you know everybody into this

3177

02:03:15,750 --> 02:03:11,760

interested in this stuff knows about

3178

02:03:18,149 --> 02:03:15,760

kecksburg you know and and and like what

3179

02:03:20,390 --> 02:03:18,159

really amazes me about that is the

3180

02:03:21,350 --> 02:03:20,400

couple of phone calls were made and then

3181

02:03:24,310 --> 02:03:21,360

suddenly

3182

02:03:26,149 --> 02:03:24,320

out of the you know an hour or two later

3183

02:03:28,470 --> 02:03:26,159

swarms warm swarm their trucks

3184

02:03:30,629 --> 02:03:28,480

everywhere there are you know military

3185

02:03:33,430 --> 02:03:30,639

guys and their guys in black trench

3186

02:03:36,550 --> 02:03:33,440

coats you know and this thing disappears

3187

02:03:37,430 --> 02:03:36,560

and it goes away now can you tell

3188

02:03:39,350 --> 02:03:37,440

us

3189

02:03:41,669 --> 02:03:39,360

do you have any insight on what does

3190

02:03:44,070 --> 02:03:41,679

that mean to you when you see this how

3191

02:03:45,750 --> 02:03:44,080

did you know i knew about kecksburg oh

3192

02:03:47,589 --> 02:03:45,760

[h__\h] well

3193

02:03:49,109 --> 02:03:47,599

we might have told him remember that

3194

02:03:50,870 --> 02:03:49,119

[h__\h] that you wanted to know that you

3195

02:03:58,629 --> 02:03:50,880

didn't know that he might know from the

3196

02:04:02,310 --> 02:03:59,750

cool

3197

02:04:04,550 --> 02:04:02,320

yes well tony we know things on this

3198

02:04:06,550 --> 02:04:04,560

show inherit [h__\h] leads that's all i

3199

02:04:08,709 --> 02:04:06,560

want to say

3200

02:04:10,950 --> 02:04:08,719

we don't know what we know but we do

3201

02:04:13,189 --> 02:04:10,960

know things that's my question to you

3202

02:04:14,950 --> 02:04:13,199

which is which is can you explain this

3203

02:04:17,910 --> 02:04:14,960

[h__h] to me

3204

02:04:20,149 --> 02:04:17,920

my limited knowledge on the subject from

3205

02:04:22,390 --> 02:04:20,159

people because at the time i didn't give

3206

02:04:24,550 --> 02:04:22,400

a [h__h] about ufos

3207

02:04:27,350 --> 02:04:24,560

i didn't care about any of this stuff

3208

02:04:28,550 --> 02:04:27,360

and the limited knowledge that i have

3209

02:04:31,270 --> 02:04:28,560

is

3210

02:04:33,430 --> 02:04:31,280

something did crash something was

3211

02:04:36,310 --> 02:04:33,440

recovered

3212

02:04:38,790 --> 02:04:36,320

and it was taken away period that's all

3213

02:04:42,870 --> 02:04:38,800

i know i can't give you any more

3214

02:04:43,669 --> 02:04:42,880

information whether it was ufo military

3215

02:04:44,550 --> 02:04:43,679

uh

3216

02:04:47,430 --> 02:04:44,560

other

3217

02:04:49,350 --> 02:04:47,440

countries [h__h] what have you i i can't

3218

02:04:51,270 --> 02:04:49,360

tell you anything about that and my

3219

02:04:54,550 --> 02:04:51,280

understanding is too as

3220

02:04:57,189 --> 02:04:54,560

you know interplanetary bodies go it was

3221

02:04:59,430 --> 02:04:57,199

moving relatively slowly it wasn't like
