

1
00:00:04,450 --> 00:00:02,710
i've always wanted to just see an

2
00:00:05,590 --> 00:00:04,460
extraterrestrial

3
00:00:06,710 --> 00:00:05,600
[Music]

4
00:00:08,790 --> 00:00:06,720
you know

5
00:00:11,509 --> 00:00:08,800
or whatever you want to call it i've

6
00:00:13,430 --> 00:00:11,519
always wanted to see one right um a good

7
00:00:16,710 --> 00:00:13,440
one you know bin's always wanted to see

8
00:00:18,630 --> 00:00:16,720
one too and that whole like you're like

9
00:00:20,310 --> 00:00:18,640
whatever your vibe is is probably why

10
00:00:22,230 --> 00:00:20,320
they're not hanging out with you right

11
00:00:24,870 --> 00:00:22,240
you know and i think we still have this

12
00:00:26,710 --> 00:00:24,880
kind of like i'm not sure vibe right

13
00:00:28,470 --> 00:00:26,720

because i mean

14

00:00:30,550 --> 00:00:28,480

we've always talked about

15

00:00:32,310 --> 00:00:30,560

it better not show up on the side of my

16

00:00:34,470 --> 00:00:32,320

bed

17

00:00:35,990 --> 00:00:34,480

around the corner yeah i better not just

18

00:00:37,590 --> 00:00:36,000

be standing in the dark like what the

19

00:00:39,750 --> 00:00:37,600

hell is wrong with you can you just show

20

00:00:42,229 --> 00:00:39,760

up during the day like maybe buy a tree

21

00:00:44,790 --> 00:00:42,239

or something like i'm totally cool with

22

00:00:47,110 --> 00:00:44,800

that right um but but maybe it's that

23

00:00:50,470 --> 00:00:47,120

like internal fear of like maybe i

24

00:00:53,510 --> 00:00:50,480

accept them to be by the bed or if i ex

25

00:00:56,790 --> 00:00:53,520

accept them to be in the dark like maybe
