

UGARAGE

THURSDAY

8:00PM CST ON YOUTUBE

1
00:00:09,830 --> 00:00:05,749
oh man hey this is another episode of

2
00:00:11,430 --> 00:00:09,840
ufo garage i'm ben and i'm joe

3
00:00:13,910 --> 00:00:11,440
and i'm big willy

4
00:00:21,510 --> 00:00:13,920
and this is where we talk about ufos

5
00:00:21,520 --> 00:00:33,140
so much energy tonight

6
00:00:33,150 --> 00:00:39,910
[Music]

7
00:00:45,590 --> 00:00:44,229
the power color from that era

8
00:00:47,510 --> 00:00:45,600
it was crazy

9
00:00:49,430 --> 00:00:47,520
it was a little uh

10
00:00:50,950 --> 00:00:49,440
we went a little hard back then a little

11
00:00:52,709 --> 00:00:50,960
hard

12
00:00:54,229 --> 00:00:52,719
remember them windbreakers

13
00:00:56,549 --> 00:00:54,239

those are loud

14

00:00:58,470 --> 00:00:56,559

never stood a chance you could never

15

00:01:00,709 --> 00:00:58,480

sneak up on anybody with with those uh

16

00:01:02,709 --> 00:01:00,719

windbreakers you were the wind at that

17

00:01:04,710 --> 00:01:02,719

point they were like how does a gale

18

00:01:07,109 --> 00:01:04,720

force win putting it on they were like a

19

00:01:08,469 --> 00:01:07,119

teal color with like pink and then like

20

00:01:10,310 --> 00:01:08,479

white stripes

21

00:01:11,990 --> 00:01:10,320

you know what it was

22

00:01:13,429 --> 00:01:12,000

made me feel just like i was taco bell

23

00:01:15,670 --> 00:01:13,439

my favorite fast food

24

00:01:18,630 --> 00:01:15,680

put it on i was like i am

25

00:01:20,789 --> 00:01:18,640

the belle the tea with the dough yeah i

26

00:01:22,950 --> 00:01:20,799

am tops you remember how those cup

27

00:01:25,590 --> 00:01:22,960

patterns that everybody had in the 90s

28

00:01:27,830 --> 00:01:25,600

like that that like blue angled weird

29

00:01:29,350 --> 00:01:27,840

angle like 70 degree angle thing with

30

00:01:31,270 --> 00:01:29,360

the little blue dots all over it with

31

00:01:33,670 --> 00:01:31,280

the little streaks

32

00:01:35,830 --> 00:01:33,680

yeah dude it wasn't just the cups it was

33

00:01:36,789 --> 00:01:35,840

like it was like the booths and it was

34

00:01:38,789 --> 00:01:36,799

the thing

35

00:01:41,749 --> 00:01:38,799

the boots and the plastic everything had

36

00:01:43,990 --> 00:01:41,759

swishes on it every yeah and like

37

00:01:46,149 --> 00:01:44,000

triangles and [h__\h] it was like kind of

38

00:01:47,510 --> 00:01:46,159

like a the plastic was made of gravy

39

00:01:49,109 --> 00:01:47,520

with pepper in it that's what kind of

40

00:01:50,630 --> 00:01:49,119

plastic it looked like

41

00:01:52,310 --> 00:01:50,640

like

42

00:01:55,590 --> 00:01:52,320

15 minutes into having your drink it

43

00:01:56,709 --> 00:01:55,600

would start coming out of the bottom

44

00:01:58,069 --> 00:01:56,719

that is also true you get a little

45

00:01:59,350 --> 00:01:58,079

excited with your straw right you're

46

00:02:00,149 --> 00:01:59,360

like stabbing away as a kid you like

47

00:02:02,069 --> 00:02:00,159

sucks

48

00:02:04,230 --> 00:02:02,079

i didn't pee my pants guys

49

00:02:06,950 --> 00:02:04,240

didn't you pee in my pants i didn't do

50

00:02:08,869 --> 00:02:06,960

it i didn't do it it was always orange

51
00:02:10,150 --> 00:02:08,879
crush orange crushed soda so it's like

52
00:02:11,910 --> 00:02:10,160
sticky

53
00:02:13,430 --> 00:02:11,920
so there's no there's no better soda

54
00:02:14,869 --> 00:02:13,440
than than orange crush when you're

55
00:02:16,550 --> 00:02:14,879
eating tacos

56
00:02:17,589 --> 00:02:16,560
i feel like there was like no better

57
00:02:19,110 --> 00:02:17,599
soda

58
00:02:21,990 --> 00:02:19,120
than just when you were a kid like your

59
00:02:23,430 --> 00:02:22,000
taste buds as a as a child as a kid do

60
00:02:24,949 --> 00:02:23,440
you guys feel like you know they say

61
00:02:27,350 --> 00:02:24,959
your taste buds evolve right like every

62
00:02:28,550 --> 00:02:27,360
10 years they evolve

63
00:02:30,470 --> 00:02:28,560

and i feel like there's certain things

64

00:02:32,229 --> 00:02:30,480

that that's worked for me but i still

65

00:02:34,470 --> 00:02:32,239

have like recollection of trying

66

00:02:36,229 --> 00:02:34,480

something for the first time as a child

67

00:02:37,430 --> 00:02:36,239

and like the the bad experiences

68

00:02:38,630 --> 00:02:37,440

obviously but then those moments where

69

00:02:40,630 --> 00:02:38,640

you're like

70

00:02:41,910 --> 00:02:40,640

it was like a symphony goes off and it

71

00:02:43,830 --> 00:02:41,920

just kicked in you know what i mean it

72

00:02:45,270 --> 00:02:43,840

was just so much better everything was

73

00:02:47,830 --> 00:02:45,280

just

74

00:02:50,550 --> 00:02:47,840

a little more pure i guess yeah more

75

00:02:51,509 --> 00:02:50,560

pure and just in the moment

76

00:02:52,869 --> 00:02:51,519

you know whatever like when you're a kid

77

00:02:53,990 --> 00:02:52,879

you didn't know what time was my wife

78

00:02:55,990 --> 00:02:54,000

and i were just talking with us our kids

79

00:02:57,430 --> 00:02:56,000

today like the only way i knew time was

80

00:02:58,390 --> 00:02:57,440

like there was a morning and there was a

81

00:03:00,710 --> 00:02:58,400

night

82

00:03:02,949 --> 00:03:00,720

in between yeah there was just nothing i

83

00:03:04,470 --> 00:03:02,959

knew there was beginning and ends things

84

00:03:05,830 --> 00:03:04,480

but you're just living in the moment you

85

00:03:07,509 --> 00:03:05,840

know what i mean this is what we didn't

86

00:03:09,430 --> 00:03:07,519

have any phone on you you didn't have a

87

00:03:12,710 --> 00:03:09,440

wallet you didn't have any keys no

88

00:03:14,149 --> 00:03:12,720

clothes nothing to worry about dude

89

00:03:16,550 --> 00:03:14,159

all you had to do was watch the street

90

00:03:19,110 --> 00:03:16,560

lights once they came on you knew it was

91

00:03:21,110 --> 00:03:19,120

time to go home yup

92

00:03:23,110 --> 00:03:21,120

oh man

93

00:03:24,470 --> 00:03:23,120

yeah man and then you could always like

94

00:03:25,350 --> 00:03:24,480

get out of it during the summer time

95

00:03:26,630 --> 00:03:25,360

because you're like with the street

96

00:03:29,750 --> 00:03:26,640

lights didn't come on they're like yeah

97

00:03:32,550 --> 00:03:29,760

it's almost nine o'clock though

98

00:03:36,070 --> 00:03:32,560

oh hey uh guys i forgot there's a chat

99

00:03:37,350 --> 00:03:36,080

uh what what what what up simon simon

100

00:03:39,270 --> 00:03:37,360

wells

101
00:03:40,789 --> 00:03:39,280
said on your mate he's only from

102
00:03:42,470 --> 00:03:40,799
australia guys

103
00:03:44,630 --> 00:03:42,480
he's legit

104
00:03:46,630 --> 00:03:44,640
oh there yeah this is a quick uh hop

105
00:03:49,350 --> 00:03:46,640
skip and jump yeah that's what they say

106
00:03:51,110 --> 00:03:49,360
anyways simon's a big dude guys simon's

107
00:03:54,229 --> 00:03:51,120
like he's like

108
00:03:57,429 --> 00:03:54,239
six seven or something and he's like 375

109
00:03:59,190 --> 00:03:57,439
pounds he's a monster of a man

110
00:04:01,350 --> 00:03:59,200
it needs to be uh the official ufo

111
00:04:02,390 --> 00:04:01,360
garage bodyguard yeah

112
00:04:06,390 --> 00:04:02,400
yeah

113
00:04:08,550 --> 00:04:06,400

australia like

114

00:04:09,350 --> 00:04:08,560

oh could you imagine how hard we already

115

00:04:11,190 --> 00:04:09,360

know

116

00:04:14,149 --> 00:04:11,200

yeah we're not doing a show we're not

117

00:04:15,990 --> 00:04:14,159

there to do anything but party with yeah

118

00:04:17,670 --> 00:04:16,000

yeah hey are they letting people party

119

00:04:18,789 --> 00:04:17,680

in australia right now

120

00:04:20,550 --> 00:04:18,799

yeah they probably aren't they'll

121

00:04:22,390 --> 00:04:20,560

probably arrest you dude hey part of the

122

00:04:25,590 --> 00:04:22,400

outback though you go in the outback

123

00:04:28,150 --> 00:04:25,600

come on are there rules out there

124

00:04:29,510 --> 00:04:28,160

not about the united states right remy's

125

00:04:31,430 --> 00:04:29,520

like oh man

126
00:04:32,390 --> 00:04:31,440
but really it's just like california new

127
00:04:34,629 --> 00:04:32,400
york

128
00:04:36,629 --> 00:04:34,639
last time i went to the outskirts

129
00:04:38,550 --> 00:04:36,639
i uh i waited like an hour and a half

130
00:04:45,000 --> 00:04:38,560
for my steak it was ridiculous greg

131
00:04:51,350 --> 00:04:48,510
[Laughter]

132
00:04:53,510 --> 00:04:51,360
[Music]

133
00:04:55,430 --> 00:04:53,520
was there like a like a special thing on

134
00:04:58,550 --> 00:04:55,440
mtv raps like they would they would talk

135
00:05:00,469 --> 00:04:58,560
about like like like gift wrapping at

136
00:05:03,350 --> 00:05:00,479
christmas time or um i don't know i

137
00:05:05,029 --> 00:05:03,360
always watch b e t

138
00:05:07,189 --> 00:05:05,039

that's probably probably a little closer

139

00:05:09,590 --> 00:05:07,199

to the the content well because they had

140

00:05:11,189 --> 00:05:09,600

hanging hanging with mr cooper on there

141

00:05:13,990 --> 00:05:11,199

that tammy brings up a good boy in this

142

00:05:15,590 --> 00:05:14,000

show martin this is not a dope dude hang

143

00:05:16,550 --> 00:05:15,600

on mr cooper yeah

144

00:05:19,029 --> 00:05:16,560

what is

145

00:05:20,310 --> 00:05:19,039

i love that name though it was that it

146

00:05:28,230 --> 00:05:20,320

was like

147

00:05:31,670 --> 00:05:28,240

golden state warriors fan of tv

148

00:05:33,350 --> 00:05:31,680

you don't remember that no dude come on

149

00:05:35,189 --> 00:05:33,360

i'm just kidding i don't know that's a

150

00:05:37,270 --> 00:05:35,199

real thing though that's a real thing

151

00:05:40,150 --> 00:05:37,280

that sounds dope all i can think of all

152

00:05:42,070 --> 00:05:40,160

i could think of is coach gage uh

153

00:05:44,790 --> 00:05:42,080

tonight whenever we get off dude go to

154

00:05:46,950 --> 00:05:44,800

amazon type in hang in with mr cooper

155

00:05:48,469 --> 00:05:46,960

and uh you'll be hooked

156

00:05:55,510 --> 00:05:48,479

hell yeah kids are getting off too

157

00:05:58,710 --> 00:05:57,110

i love just floating them out there just

158

00:06:01,189 --> 00:05:58,720

like what do you think man

159

00:06:02,629 --> 00:06:01,199

hey anybody nobody's seen my hat yet

160

00:06:04,390 --> 00:06:02,639

yeah because you haven't made it direct

161

00:06:05,670 --> 00:06:04,400

yet you need to you can go fully

162

00:06:08,230 --> 00:06:05,680

arrested tell everybody how you can make

163

00:06:09,909 --> 00:06:08,240

your hat erect let me show you

164

00:06:11,189 --> 00:06:09,919

you guys send two dollar tips oh crap

165

00:06:12,469 --> 00:06:11,199

hang on he's

166

00:06:14,469 --> 00:06:12,479

it's in the moment it's a little

167

00:06:16,390 --> 00:06:14,479

stressed see how many super chats we can

168

00:06:18,870 --> 00:06:16,400

get in the in the meantime until it

169

00:06:21,270 --> 00:06:18,880

falls like that's and then and then

170

00:06:23,189 --> 00:06:21,280

when it falls you you have to pay you

171

00:06:24,710 --> 00:06:23,199

can't rush

172

00:06:26,950 --> 00:06:24,720

there's a lot we're filling up here so

173

00:06:30,790 --> 00:06:28,710

this is pretty good dude that's pretty

174

00:06:32,469 --> 00:06:30,800

rude you look like a damn elf on a shelf

175

00:06:33,749 --> 00:06:32,479

dude

176

00:06:36,230 --> 00:06:33,759

i just showed up in people's germs like

177

00:06:40,550 --> 00:06:37,749

it would be scary

178

00:06:42,230 --> 00:06:40,560

i'd be too early so scary wouldn't it

179

00:06:42,670 --> 00:06:42,240

but get out of here lady you're scaring

180

00:06:45,909 --> 00:06:42,680

us

181

00:06:48,150 --> 00:06:45,919

[Laughter]

182

00:06:49,670 --> 00:06:48,160

hey maybe i'm a gnome female gnomes have

183

00:06:50,390 --> 00:06:49,680

beards and they rock those beards they

184

00:06:56,370 --> 00:06:50,400

breathe

185

00:06:59,670 --> 00:06:57,749

[Music]

186

00:07:01,510 --> 00:06:59,680

big willy sprung hey i think that's i

187

00:07:03,589 --> 00:07:01,520

think that's a thing i'm just saying

188

00:07:05,110 --> 00:07:03,599

i've seen ladies with beards what what

189

00:07:07,189 --> 00:07:05,120

is the protestant what are they what's

190

00:07:09,050 --> 00:07:07,199

the difference i'm not really sure

191

00:07:11,350 --> 00:07:09,060

it's like another kind of christian

192

00:07:12,790 --> 00:07:11,360

[Music]

193

00:07:13,830 --> 00:07:12,800

they're like i mean

194

00:07:15,830 --> 00:07:13,840

it's like all the other ones they're

195

00:07:19,189 --> 00:07:15,840

like well i mean we're christian but

196

00:07:21,029 --> 00:07:19,199

we're not that kind of christian okay

197

00:07:22,629 --> 00:07:21,039

but we're better right we're better

198

00:07:24,230 --> 00:07:22,639

though we're from the first church not

199

00:07:26,309 --> 00:07:24,240

the second church

200

00:07:28,790 --> 00:07:26,319

we know more than the other people

201
00:07:30,710 --> 00:07:28,800
say book same book look listen

202
00:07:35,830 --> 00:07:30,720
tammy are we drinking we go to the fifth

203
00:07:39,029 --> 00:07:37,510
they get high dude

204
00:07:40,469 --> 00:07:39,039
one step at a time

205
00:07:43,830 --> 00:07:40,479
i'm drinking her what are you drinking

206
00:07:45,270 --> 00:07:43,840
dude i'm drinking a mice hard cranberry

207
00:07:46,469 --> 00:07:45,280
because we're going hard on a thirsty

208
00:07:47,430 --> 00:07:46,479
thursday i've been drinking a little

209
00:07:49,749 --> 00:07:47,440
while

210
00:07:51,909 --> 00:07:49,759
and then i got a blue raspberry cherry

211
00:07:53,430 --> 00:07:51,919
citrus

212
00:07:55,589 --> 00:07:53,440
the red white and blue and we're gonna

213
00:07:56,869 --> 00:07:55,599

have diarrhea tomorrow the reds i know

214

00:07:58,230 --> 00:07:56,879

and i gotta drive

215

00:08:00,790 --> 00:07:58,240

the

216

00:08:02,950 --> 00:08:00,800

oh man nothing worse i have a diarrhea

217

00:08:05,029 --> 00:08:02,960

and having to drive to a family function

218

00:08:06,550 --> 00:08:05,039

mr dolly

219

00:08:08,309 --> 00:08:06,560

i know right

220

00:08:09,589 --> 00:08:08,319

you're just like kids yelling in the

221

00:08:10,950 --> 00:08:09,599

background

222

00:08:12,550 --> 00:08:10,960

speaking of kids

223

00:08:15,990 --> 00:08:12,560

you guys have kids right you got kids

224

00:08:18,150 --> 00:08:16,000

now what are kids yeah

225

00:08:19,510 --> 00:08:18,160

i'm a criminal you have like 14 now

226

00:08:21,350 --> 00:08:19,520

right

227

00:08:24,309 --> 00:08:21,360

sus uh close

228

00:08:27,990 --> 00:08:25,749

are you drinking two kinds of beers at

229

00:08:31,589 --> 00:08:28,000

the same time no i've done that before

230

00:08:34,550 --> 00:08:32,870

you're just like i can't remember which

231

00:08:35,990 --> 00:08:34,560

one hey we should have a four loko

232

00:08:38,870 --> 00:08:36,000

challenge where we just hop on a drink

233

00:08:40,870 --> 00:08:38,880

for look dude joe i was gonna say joey

234

00:08:44,149 --> 00:08:40,880

remember the golden ones from back in

235

00:08:47,590 --> 00:08:44,159

the day the gold what was it called

236

00:08:49,350 --> 00:08:47,600

four logo three four logos will kill you

237

00:08:53,030 --> 00:08:49,360

joe you remember when you me and brian

238

00:08:57,430 --> 00:08:55,590

cheese nachos from the from the 7-eleven

239

00:08:59,110 --> 00:08:57,440

hell yeah dude

240

00:09:01,670 --> 00:08:59,120

yeah when you're drinking though come on

241

00:09:03,509 --> 00:09:01,680

that's the best dude yeah cause you

242

00:09:05,269 --> 00:09:03,519

remember you could like get the fritos

243

00:09:06,949 --> 00:09:05,279

and then like walk over to the chili and

244

00:09:09,190 --> 00:09:06,959

cheese machine around the nachos and

245

00:09:10,710 --> 00:09:09,200

just put it in your in your fritos bag

246

00:09:12,550 --> 00:09:10,720

and then they would just

247

00:09:13,829 --> 00:09:12,560

like didn't care there wasn't like a

248

00:09:15,829 --> 00:09:13,839

security camera the robot that would

249

00:09:17,829 --> 00:09:15,839

come out and try to chop your arms off

250

00:09:19,190 --> 00:09:17,839

the wrong cup out there you used to like

251

00:09:24,790 --> 00:09:19,200

literally be able to go there and just

252

00:09:29,269 --> 00:09:25,829

okay

253

00:09:32,470 --> 00:09:29,279

wheezed the juice i've wheezed the juice

254

00:09:34,790 --> 00:09:32,480

three times for real in my lifetime

255

00:09:37,750 --> 00:09:34,800

what are you gonna actually do the juice

256

00:09:39,750 --> 00:09:37,760

bro i was wheezing the juice you gotta

257

00:09:42,389 --> 00:09:39,760

explain what this is

258

00:09:45,190 --> 00:09:42,399

dude how do you not remember the juices

259

00:09:47,350 --> 00:09:45,200

you go to the icing machine and then you

260

00:09:50,790 --> 00:09:47,360

just pour it in your mouth you just

261

00:09:53,110 --> 00:09:50,800

fully lick lop it wait lick lock it does

262

00:09:54,230 --> 00:09:53,120

it lick lop it you can lick

263

00:10:00,389 --> 00:09:54,240

it

264

00:10:03,030 --> 00:10:00,399

put their mouth on the outlet

265

00:10:05,990 --> 00:10:03,040

the smooth the the slurpee outlet at a

266

00:10:07,910 --> 00:10:06,000

7-eleven dude who's touching that no one

267

00:10:09,590 --> 00:10:07,920

no no he's not touching that

268

00:10:11,350 --> 00:10:09,600

before he's touching that lesson

269

00:10:13,030 --> 00:10:11,360

dude you got to get a napkin first by

270

00:10:15,269 --> 00:10:13,040

the hot dog machine and wipe it down

271

00:10:17,670 --> 00:10:15,279

then you [h__h] wheeze the juice bro

272

00:10:20,150 --> 00:10:17,680

man up we the

273

00:10:22,550 --> 00:10:20,160

i'm the just the

274

00:10:24,550 --> 00:10:22,560

the the same person that did that uh

275

00:10:26,150 --> 00:10:24,560

full mouth the uh the water fountains in

276

00:10:27,269 --> 00:10:26,160

high school or middle school like you

277

00:10:29,590 --> 00:10:27,279

have you ever had

278

00:10:32,389 --> 00:10:29,600

that kid that kid that used to like

279

00:10:34,710 --> 00:10:32,399

like over the water mountain did y'all

280

00:10:35,670 --> 00:10:34,720

ever have that kid yeah school dude

281

00:10:37,190 --> 00:10:35,680

yes

282

00:10:41,269 --> 00:10:37,200

actually no because i was homeschooled

283

00:10:43,350 --> 00:10:41,279

but i knew about those kids so

284

00:10:45,350 --> 00:10:43,360

i heard about them in stores

285

00:10:48,790 --> 00:10:45,360

okay but be honest i did this at home

286

00:10:50,790 --> 00:10:48,800

yeah i'll just take uh you take the hose

287

00:10:53,110 --> 00:10:50,800

oh yeah

288

00:10:54,790 --> 00:10:53,120

no no but like you'd like you'd full-on

289

00:10:58,829 --> 00:10:54,800

lock it and then you turn the hose on

290

00:11:03,190 --> 00:11:01,190

in everybody did that right or was that

291

00:11:05,110 --> 00:11:03,200

was that just me then just me on that

292

00:11:07,670 --> 00:11:05,120

one i've done that once oh you did it

293

00:11:09,590 --> 00:11:07,680

one time okay

294

00:11:12,470 --> 00:11:09,600

i thought i thought it blew my eyeballs

295

00:11:13,750 --> 00:11:12,480

out i was like everywhere my eyes fell

296

00:11:15,590 --> 00:11:13,760

out

297

00:11:17,910 --> 00:11:15,600

oh man

298

00:11:19,430 --> 00:11:17,920

that's what happened i did the age 11

299

00:11:23,110 --> 00:11:19,440

and it dropped my voice to this low it

300

00:11:27,190 --> 00:11:25,269

also whoever drank out of the garden

301

00:11:29,110 --> 00:11:27,200

hose growing up uh

302

00:11:30,949 --> 00:11:29,120

shout out to to y'all because i mean i

303

00:11:32,470 --> 00:11:30,959

never got sick as a kid because i was

304

00:11:33,829 --> 00:11:32,480

drinking out of water hoses in the front

305

00:11:36,470 --> 00:11:33,839

yard good

306

00:11:38,870 --> 00:11:36,480

right yeah absolutely and they were even

307

00:11:40,550 --> 00:11:38,880

better if they came out of the backyard

308

00:11:41,670 --> 00:11:40,560

like it was like a little warm if the

309

00:11:43,269 --> 00:11:41,680

hose had been sitting in the side a

310

00:11:44,630 --> 00:11:43,279

little bit yeah you never let it run

311

00:11:46,310 --> 00:11:44,640

dude remember when you get burned like

312

00:11:47,990 --> 00:11:46,320

you'd spray a kid or somebody spray you

313

00:11:49,750 --> 00:11:48,000

with like this hose just been laying on

314

00:11:51,350 --> 00:11:49,760

the yard it was literally like liquid

315

00:11:52,389 --> 00:11:51,360

lava

316

00:11:55,430 --> 00:11:52,399

oh my god

317

00:11:57,430 --> 00:11:55,440

the [h__\h] out of you dude no fair no fair

318

00:11:59,430 --> 00:11:57,440

oh man and then it would just turn ice

319

00:12:05,990 --> 00:11:59,440

cold

320

00:12:07,590 --> 00:12:06,000

too oh yeah sounds like that good like

321

00:12:08,790 --> 00:12:07,600

you're homeschooled

322

00:12:11,269 --> 00:12:08,800

on a well

323

00:12:12,230 --> 00:12:11,279

oh bro we were living in a corn field

324

00:12:13,750 --> 00:12:12,240

okay

325

00:12:15,829 --> 00:12:13,760

wait wait fields where i go up you were

326

00:12:20,470 --> 00:12:15,839

born in an attic weren't you

327

00:12:23,750 --> 00:12:22,310

but it was pontiac so like anybody's

328

00:12:26,310 --> 00:12:23,760

from michigan they gotta know they're

329

00:12:27,670 --> 00:12:26,320

like oh okay they call it ponte crack so

330

00:12:29,590 --> 00:12:27,680

like that's really that's where the

331

00:12:31,590 --> 00:12:29,600

pontiac was invaded right

332

00:12:34,389 --> 00:12:31,600

yeah

333

00:12:36,150 --> 00:12:34,399

it makes sense that's where dr kevorkian

334

00:12:37,910 --> 00:12:36,160

went to school when i used to work at my

335

00:12:39,350 --> 00:12:37,920

old company lead industrial contracting

336

00:12:40,470 --> 00:12:39,360

we bought out that old high school we

337

00:12:42,710 --> 00:12:40,480

used to do all the press repairs in

338

00:12:44,310 --> 00:12:42,720

there and uh dr foreign couple other

339

00:12:46,710 --> 00:12:44,320

ones uh a famous basketball player when

340

00:12:48,550 --> 00:12:46,720

there took camera's name but dr kevorkin

341

00:12:50,550 --> 00:12:48,560

went to pontiac central

342

00:12:53,829 --> 00:12:50,560

no i wasn't it wasn't michael jordan who

343

00:12:55,509 --> 00:12:53,839

was a person doctor what kavorikian i

344

00:12:57,829 --> 00:12:55,519

don't want to help people like commit

345

00:13:00,550 --> 00:12:57,839

suicide well if people want to label it

346

00:13:03,030 --> 00:13:00,560

as that i mean well okay

347

00:13:04,550 --> 00:13:03,040

there's a little okay

348

00:13:07,670 --> 00:13:04,560

there might have been a few things you

349

00:13:09,430 --> 00:13:07,680

know like maybe it was is there was a

350

00:13:12,230 --> 00:13:09,440

lot to it there was a lot of but hey do

351

00:13:14,150 --> 00:13:12,240

you want to kill yourself i have a gun

352

00:13:15,829 --> 00:13:14,160

no well part of it was for like science

353

00:13:17,590 --> 00:13:15,839

but then like he was also like

354

00:13:19,670 --> 00:13:17,600

researching their bodies there's a lot

355

00:13:22,069 --> 00:13:19,680

to it they were like thank god

356

00:13:23,430 --> 00:13:22,079

and he was like [\h__\h] yeah scientists

357

00:13:28,790 --> 00:13:23,440

generally

358

00:13:33,110 --> 00:13:30,870

fireside chat on that do you guys think

359

00:13:34,389 --> 00:13:33,120

people should be able to to uh end

360

00:13:36,069 --> 00:13:34,399

things

361

00:13:37,910 --> 00:13:36,079

when when they know it's done like the

362

00:13:39,670 --> 00:13:37,920

doctor's like hey make your bucket list

363

00:13:43,590 --> 00:13:39,680

this is hospice this is perfect

364

00:13:45,670 --> 00:13:43,600

christmas spirit uh i know guys we're so

365

00:13:47,670 --> 00:13:45,680

so cheerful i think

366

00:13:49,670 --> 00:13:47,680

hey i wore the mother trucking hat that

367

00:13:52,790 --> 00:13:49,680

gets erect when i get a two dollar tip i

368

00:13:54,629 --> 00:13:52,800

think i think if uh

369

00:13:55,990 --> 00:13:54,639

um raised i thought i said raise my

370

00:14:01,350 --> 00:13:56,000

bells and i was way more excited about

371

00:14:04,629 --> 00:14:03,350

raise my belt come on where the balls

372

00:14:10,550 --> 00:14:04,639

are getting tight good i mean that's a

373

00:14:18,790 --> 00:14:11,750

you know when they're pulling when

374

00:14:22,870 --> 00:14:21,030

uh speaking of that how funny that greg

375

00:14:29,680 --> 00:14:22,880

would give from ball state university

376

00:14:33,189 --> 00:14:30,949

[Music]

377

00:14:35,189 --> 00:14:33,199

he has a solid beer though

378

00:14:36,389 --> 00:14:35,199

the pork

379

00:14:46,310 --> 00:14:36,399

thank you greg

380

00:14:50,790 --> 00:14:48,790

we love your laugh too yeah

381

00:14:53,110 --> 00:14:50,800

b and c

382

00:14:55,350 --> 00:14:53,120

y'all getting crazy over there all right

383

00:14:56,389 --> 00:14:55,360

crazy ball state

384

00:15:05,670 --> 00:14:56,399

no

385

00:15:10,150 --> 00:15:07,750

about colleges though right like where

386

00:15:12,470 --> 00:15:10,160

is boston you know like the least

387

00:15:14,230 --> 00:15:12,480

like the most made fun of college has to

388

00:15:15,910 --> 00:15:14,240

be south carolina right

389

00:15:18,550 --> 00:15:15,920

they're the south yeah

390

00:15:22,550 --> 00:15:18,560

gamecocks

391

00:15:23,040 --> 00:15:22,560

real big [h__h] guy i'm a real big [h__h]

392

00:15:24,230 --> 00:15:23,050

um

393

00:15:25,670 --> 00:15:24,240

[Music]

394

00:15:27,030 --> 00:15:25,680

i never understood that name either but

395

00:15:28,310 --> 00:15:27,040

it was probably named like back in the

396

00:15:30,629 --> 00:15:28,320

day where people were just like yeah

397

00:15:32,790 --> 00:15:30,639

that's a [h__h] like and it wasn't funny

398

00:15:34,710 --> 00:15:32,800

you know right i don't know like more

399

00:15:36,870 --> 00:15:34,720

important question is at one point in

400

00:15:38,230 --> 00:15:36,880

history did the word [h__h] become funny

401
00:15:41,189 --> 00:15:38,240
you know what i'm saying like was it the

402
00:15:43,269 --> 00:15:41,199
70s was [\h__\h] funny in the 70s or like

403
00:15:45,189 --> 00:15:43,279
richard and dick yeah because like

404
00:15:46,550 --> 00:15:45,199
richard was like oh cool your name is

405
00:15:47,829 --> 00:15:46,560
richard you know what doesn't rhyme with

406
00:15:50,069 --> 00:15:47,839
richard

407
00:15:56,629 --> 00:15:50,079
and that's your new name

408
00:15:58,230 --> 00:15:56,639
can you imagine a like a a a point in

409
00:15:59,829 --> 00:15:58,240
history where people could actually go

410
00:16:02,550 --> 00:15:59,839
up to the to other people and be like

411
00:16:03,910 --> 00:16:02,560
hello my name's richard uh but uh my

412
00:16:05,910 --> 00:16:03,920
friends call me dick you know what i'm

413
00:16:08,710 --> 00:16:05,920

saying like and it like wasn't a funny

414

00:16:10,310 --> 00:16:08,720

thing like now like nobody can do nobody

415

00:16:12,389 --> 00:16:10,320

okay let me correct myself nobody could

416

00:16:14,230 --> 00:16:12,399

come to me and be like hi my name's

417

00:16:16,389 --> 00:16:14,240

richard but most people call me dick and

418

00:16:18,790 --> 00:16:16,399

me not chuckle but you know there's

419

00:16:20,710 --> 00:16:18,800

probably more like

420

00:16:23,030 --> 00:16:20,720

more mature people out there but uh you

421

00:16:25,430 --> 00:16:23,040

couldn't do it to me cause i'm

422

00:16:27,110 --> 00:16:25,440

i'm gonna laugh

423

00:16:28,150 --> 00:16:27,120

sure

424

00:16:29,910 --> 00:16:28,160

yeah

425

00:16:32,310 --> 00:16:29,920

that's what we call the design

426

00:16:34,670 --> 00:16:32,320

the richard pillow like

427

00:16:36,320 --> 00:16:34,680

the dick pillow

428

00:16:45,269 --> 00:16:36,330

[Music]

429

00:16:48,949 --> 00:16:47,110

that's exactly how he said it too don

430

00:16:51,170 --> 00:16:48,959

john bovee said my name is phillip but

431

00:16:57,269 --> 00:16:51,180

my friends call me penis

432

00:17:01,189 --> 00:16:58,629

we should ask people to write in about

433

00:17:02,470 --> 00:17:01,199

that guys write it into us uh ben we

434

00:17:04,390 --> 00:17:02,480

haven't asked people in a while is there

435

00:17:05,350 --> 00:17:04,400

an email people can email like guys yeah

436

00:17:06,549 --> 00:17:05,360

email

437

00:17:11,270 --> 00:17:06,559

hey

438

00:17:12,549 --> 00:17:11,280

ufo garagepodcast.com

439

00:17:17,750 --> 00:17:12,559

hey

440

00:17:19,029 --> 00:17:17,760

it's hay at ufo garage

441

00:17:21,029 --> 00:17:19,039

uh do that

442

00:17:22,789 --> 00:17:21,039

feel free to please like share and

443

00:17:23,909 --> 00:17:22,799

subscribe and please share with a friend

444

00:17:25,350 --> 00:17:23,919

and help

445

00:17:27,029 --> 00:17:25,360

spread the the word of mouth that way

446

00:17:28,710 --> 00:17:27,039

for us i would really would really

447

00:17:30,789 --> 00:17:28,720

appreciate that here at the garage

448

00:17:33,430 --> 00:17:30,799

brother christmas enjoy if you guys are

449

00:17:36,070 --> 00:17:33,440

feeling you feeling frisky you know

450

00:17:37,590 --> 00:17:36,080

maybe maybe maybe uh float some super

451
00:17:39,909 --> 00:17:37,600
chats our way that always is appreciated

452
00:17:40,870 --> 00:17:39,919
it helps out the show here a little bit

453
00:17:42,870 --> 00:17:40,880
and

454
00:17:44,710 --> 00:17:42,880
maybe ben guys we might have new stuff

455
00:17:46,470 --> 00:17:44,720
coming that way didn't you say something

456
00:17:48,870 --> 00:17:46,480
about like maybe maybe we're gonna step

457
00:17:52,230 --> 00:17:48,880
like a p.o box for some of us or like

458
00:17:54,789 --> 00:17:52,240
maybe uh i do have a p.o box

459
00:17:57,190 --> 00:17:54,799
do you do you go p and o in that or do

460
00:17:59,510 --> 00:17:57,200
you like how is it oh it's all about the

461
00:18:01,190 --> 00:17:59,520
other oh it's always p first and then

462
00:18:06,390 --> 00:18:01,200
and then whatever happens did they have

463
00:18:11,190 --> 00:18:08,390

and then there's the oh the co the o

464

00:18:13,669 --> 00:18:11,200

always comes last

465

00:18:16,310 --> 00:18:13,679

will the numbers come last greg says my

466

00:18:17,590 --> 00:18:16,320

name is greg but but everyone here calls

467

00:18:20,549 --> 00:18:17,600

me vicky

468

00:18:24,150 --> 00:18:21,750

well what

469

00:18:26,070 --> 00:18:24,160

you did that not me

470

00:18:28,390 --> 00:18:26,080

you did that to yourself you did that to

471

00:18:30,789 --> 00:18:28,400

yourself vicky

472

00:18:33,830 --> 00:18:30,799

hey michigan ufo settings apparently

473

00:18:35,190 --> 00:18:33,840

encounters podcast

474

00:18:37,830 --> 00:18:35,200

wayne and michelle over there merry

475

00:18:40,470 --> 00:18:37,840

christmas to you as well dwine wayne and

476

00:18:41,510 --> 00:18:40,480

michelle man hey so

477

00:18:45,270 --> 00:18:41,520

uh

478

00:18:47,029 --> 00:18:45,280

willie you are living in michigan

479

00:18:48,630 --> 00:18:47,039

i mean we think you live don't actually

480

00:18:51,750 --> 00:18:48,640

know we've never met we're all you know

481

00:18:54,070 --> 00:18:51,760

i'm in cia operative deep state long

482

00:18:55,750 --> 00:18:54,080

play here yeah we don't know but yes

483

00:18:58,150 --> 00:18:55,760

some have concurred yes uh michigan is a

484

00:19:00,230 --> 00:18:58,160

possibility okay so now that we have

485

00:19:02,470 --> 00:19:00,240

that i'm gonna go with that one

486

00:19:03,350 --> 00:19:02,480

michigan

487

00:19:04,950 --> 00:19:03,360

so

488

00:19:06,710 --> 00:19:04,960

i mean you got you guys have to have to

489

00:19:09,430 --> 00:19:06,720

do some kind of hangout or or something

490

00:19:11,270 --> 00:19:09,440

live dude i mean it's gotta happen

491

00:19:12,310 --> 00:19:11,280

with michigan you focus

492

00:19:14,070 --> 00:19:12,320

yeah yeah

493

00:19:16,549 --> 00:19:14,080

100 we want to plan something because

494

00:19:19,590 --> 00:19:16,559

like now bigfoot michigan rob is up here

495

00:19:21,750 --> 00:19:19,600

so um it's not like set in stone uh

496

00:19:24,549 --> 00:19:21,760

chad's in the in in the chat tonight

497

00:19:26,390 --> 00:19:24,559

right mr chad smith d chad smith

498

00:19:28,230 --> 00:19:26,400

and uh obviously

499

00:19:29,510 --> 00:19:28,240

he's in michigan he's a pretty big

500

00:19:31,430 --> 00:19:29,520

freaking deal

501
00:19:37,110 --> 00:19:31,440
chad smith

502
00:19:39,350 --> 00:19:37,120
he says merry christmas you some [h__h]

503
00:19:41,110 --> 00:19:39,360
uh love all you guys

504
00:19:44,310 --> 00:19:41,120
it's been an awesome year we're just

505
00:19:45,990 --> 00:19:44,320
getting started horns horns horns baby

506
00:19:48,390 --> 00:19:46,000
remember for five months look at that i

507
00:19:50,470 --> 00:19:48,400
mean but he's been a friend it seems

508
00:19:53,110 --> 00:19:50,480
like a lifetime don't you guys feel that

509
00:19:55,750 --> 00:19:53,120
way i feel that way i do too

510
00:19:57,669 --> 00:19:55,760
it is weird because like we only met

511
00:19:59,350 --> 00:19:57,679
literally only matt like well we haven't

512
00:20:01,510 --> 00:19:59,360
actually physically met dude chad and i

513
00:20:04,310 --> 00:20:01,520

might actually meet in person over this

514

00:20:06,549 --> 00:20:04,320

weekend hell yeah because

515

00:20:08,230 --> 00:20:06,559

man is amazing and he has a computer

516

00:20:10,390 --> 00:20:08,240

that he's like hey

517

00:20:11,750 --> 00:20:10,400

i'm not using it and it's super dope

518

00:20:13,830 --> 00:20:11,760

he's like i think you should have this

519

00:20:16,149 --> 00:20:13,840

computer and i was like

520

00:20:17,430 --> 00:20:16,159

what that is dough dude what yeah

521

00:20:20,070 --> 00:20:17,440

literally was like just come pick up

522

00:20:21,430 --> 00:20:20,080

this computer and i was like

523

00:20:23,190 --> 00:20:21,440

i thought you were going to say he has

524

00:20:25,669 --> 00:20:23,200

his computer right

525

00:20:28,950 --> 00:20:25,679

he's going to teleport to my house with

526

00:20:30,390 --> 00:20:28,960

this new computer that he has

527

00:20:31,909 --> 00:20:30,400

the fact he's giving you a computer is

528

00:20:33,270 --> 00:20:31,919

cool too when he said that he was like

529

00:20:35,190 --> 00:20:33,280

here's a computer without even like

530

00:20:36,549 --> 00:20:35,200

thinking i was like yes daddy i didn't i

531

00:20:37,990 --> 00:20:36,559

didn't know what to say next right like

532

00:20:40,149 --> 00:20:38,000

i wasn't sure

533

00:20:41,590 --> 00:20:40,159

thank you papa

534

00:20:42,310 --> 00:20:41,600

but no honestly

535

00:20:45,830 --> 00:20:42,320

yeah

536

00:20:47,430 --> 00:20:45,840

me christmas thank you papa thank you

537

00:20:48,870 --> 00:20:47,440

it's cool getting to meet people dude

538

00:20:50,789 --> 00:20:48,880

it's cool getting to meet people like

539

00:20:51,990 --> 00:20:50,799

get everything get to see dan warren in

540

00:20:53,750 --> 00:20:52,000

the flesh

541

00:20:54,950 --> 00:20:53,760

that was that was uh that was a

542

00:20:56,789 --> 00:20:54,960

memorable moment

543

00:20:59,270 --> 00:20:56,799

yeah people don't realize how tall dan

544

00:21:01,190 --> 00:20:59,280

is he's so tall

545

00:21:03,750 --> 00:21:01,200

i thought i was tall that guy is taller

546

00:21:04,630 --> 00:21:03,760

than me any of you guys out there that

547

00:21:08,070 --> 00:21:04,640

that are

548

00:21:10,070 --> 00:21:08,080

are dan dan heith doubters he's not all

549

00:21:11,590 --> 00:21:10,080

right he's he's tall all right do you

550

00:21:13,110 --> 00:21:11,600

see him sitting down you know when

551
00:21:14,390 --> 00:21:13,120
someone's tall is when they're sitting

552
00:21:15,990 --> 00:21:14,400
on like the third step up from the

553
00:21:17,909 --> 00:21:16,000
ground and their knees are above their

554
00:21:19,590 --> 00:21:17,919
head when they're like in a weird

555
00:21:22,390 --> 00:21:19,600
position where somehow their knees are

556
00:21:25,350 --> 00:21:22,400
like equal lateral with their face

557
00:21:27,270 --> 00:21:25,360
that's a tall individual

558
00:21:29,590 --> 00:21:27,280
zero cool what's shaking well i think

559
00:21:31,590 --> 00:21:29,600
that has to do with torso length because

560
00:21:33,590 --> 00:21:31,600
i have a i think i have a normal sized

561
00:21:36,549 --> 00:21:33,600
torso so when i sit down i'm kind of

562
00:21:38,710 --> 00:21:36,559
regular sized person but my legs are

563
00:21:42,630 --> 00:21:38,720

like eight feet long so i'm actually a

564

00:21:48,430 --> 00:21:42,640

18 foot tall human being

565

00:21:48,440 --> 00:21:53,590

[Laughter]

566

00:21:57,590 --> 00:21:55,350

the long legs don't go throughout the

567

00:21:59,430 --> 00:21:57,600

rest of my appendages i'll just say that

568

00:22:01,110 --> 00:21:59,440

it's not the same

569

00:22:03,430 --> 00:22:01,120

i don't i'm gonna we're gonna we're

570

00:22:05,669 --> 00:22:03,440

gonna let that slide we're gonna cover

571

00:22:07,909 --> 00:22:05,679

for you

572

00:22:20,630 --> 00:22:07,919

it doesn't the branch does not match the

573

00:22:24,149 --> 00:22:22,149

does the trunk count

574

00:22:28,390 --> 00:22:24,159

or anything no

575

00:22:33,830 --> 00:22:28,400

oh man but the rest of it's very big

576
00:22:38,830 --> 00:22:36,549
even the mightiest oak has a broken uh

577
00:22:43,350 --> 00:22:38,840
branch every now and then you

578
00:22:45,830 --> 00:22:44,470
hey you guys want to hear about

579
00:22:47,590 --> 00:22:45,840
something funny

580
00:22:49,110 --> 00:22:47,600
yes

581
00:22:50,549 --> 00:22:49,120
have you all heard of the unidentified

582
00:22:52,789 --> 00:22:50,559
aerial phenomenon security

583
00:22:54,470 --> 00:22:52,799
classification guide naval intelligence

584
00:22:56,549 --> 00:22:54,480
activity report

585
00:22:57,830 --> 00:22:56,559
i briefly did only because of wayne and

586
00:22:59,430 --> 00:22:57,840
michelle they talked about this it has

587
00:23:01,669 --> 00:22:59,440
the world's longest acronym it's the

588
00:23:04,789 --> 00:23:01,679

world's longest name that [h__h] is long

589

00:23:07,590 --> 00:23:04,799

dude yeah so long uh i was i was looking

590

00:23:09,029 --> 00:23:07,600

yeah the uh john greenwald guy they

591

00:23:10,870 --> 00:23:09,039

dropped it a couple days ago and i was

592

00:23:13,830 --> 00:23:10,880

reading through it and it's uh

593

00:23:16,950 --> 00:23:13,840

uh you know it's it's it's uh yadda

594

00:23:18,470 --> 00:23:16,960

yadda yadda yadda yadda kinda stuff but

595

00:23:20,070 --> 00:23:18,480

i mean you know this stuff is always

596

00:23:22,390 --> 00:23:20,080

cool you know we don't really bring up

597

00:23:24,549 --> 00:23:22,400

documents very often on this show and we

598

00:23:28,310 --> 00:23:24,559

don't really talk you know too in depth

599

00:23:30,789 --> 00:23:28,320

about them but uh i figured hey you know

600

00:23:32,549 --> 00:23:30,799

it's it's it's christmas time you know

601
00:23:35,350 --> 00:23:32,559
let's uh let's give people a present and

602
00:23:37,430 --> 00:23:35,360
talk about some some some ufo government

603
00:23:39,110 --> 00:23:37,440
document for a little bit

604
00:23:42,470 --> 00:23:39,120
so uh you know merry christmas you

605
00:23:45,830 --> 00:23:44,470
you feel very loved right now i like it

606
00:23:48,310 --> 00:23:45,840
dude

607
00:23:50,870 --> 00:23:48,320
hell yeah no i just i just know that

608
00:23:52,549 --> 00:23:50,880
we're terrible readers and like it's

609
00:23:55,110 --> 00:23:52,559
always funny when we try to break stuff

610
00:23:56,549 --> 00:23:55,120
down and so it's always like funny to me

611
00:23:58,390 --> 00:23:56,559
like whenever we go through a serious

612
00:24:00,310 --> 00:23:58,400
document and then we break it down

613
00:24:02,870 --> 00:24:00,320

because it's like not at all what the

614

00:24:05,510 --> 00:24:02,880

document usually means we're just like

615

00:24:07,669 --> 00:24:05,520

like we're making it up as we go

616

00:24:08,950 --> 00:24:07,679

ben totally highlighted the word and i i

617

00:24:11,909 --> 00:24:08,960

believe i can't quite tell because it's

618

00:24:13,590 --> 00:24:11,919

blurry but i think it said in imputed

619

00:24:16,070 --> 00:24:13,600

did you just highlight the word that's

620

00:24:25,430 --> 00:24:16,080

not how you spell inputted right it's

621

00:24:29,669 --> 00:24:26,950

maybe that's one of those like

622

00:24:31,190 --> 00:24:29,679

code words that if you if you file for a

623

00:24:32,390 --> 00:24:31,200

freedom of information ad you better

624

00:24:33,909 --> 00:24:32,400

have the word

625

00:24:35,269 --> 00:24:33,919

imputed

626
00:24:36,789 --> 00:24:35,279
right here

627
00:24:38,549 --> 00:24:36,799
like oh is it it might be another

628
00:24:40,470 --> 00:24:38,559
meaning i might be

629
00:24:42,710 --> 00:24:40,480
is it imputed

630
00:24:44,390 --> 00:24:42,720
inputted where is it at right here man

631
00:24:46,549 --> 00:24:44,400
it says something funny where they're

632
00:24:48,390 --> 00:24:46,559
like uh oh yeah they talked about what

633
00:24:50,230 --> 00:24:48,400
he requested and you were just talking

634
00:24:52,070 --> 00:24:50,240
about how you have to be super specific

635
00:24:54,470 --> 00:24:52,080
whenever you're requesting this stuff it

636
00:24:56,710 --> 00:24:54,480
says you requested security

637
00:24:59,190 --> 00:24:56,720
classification guide locating within

638
00:25:02,230 --> 00:24:59,200

your agency which pertain to any of the

639

00:25:06,149 --> 00:25:02,240

following unidentified aerial phenomena

640

00:25:08,470 --> 00:25:06,159

task force or the uaptf and or advanced

641

00:25:10,310 --> 00:25:08,480

aerospace threat identification program

642

00:25:12,340 --> 00:25:10,320

or a a

643

00:25:15,669 --> 00:25:12,350

tip a tip

644

00:25:21,430 --> 00:25:18,710

and or unidentified flying objects or

645

00:25:25,510 --> 00:25:21,440

ufos and or unidentified aerial

646

00:25:27,909 --> 00:25:25,520

phenomenon or qaps it did it it did

647

00:25:30,230 --> 00:25:27,919

include ufos but look

648

00:25:34,070 --> 00:25:30,240

it doesn't have parentheses uh like the

649

00:25:37,990 --> 00:25:35,269

do you think that's weird i think that's

650

00:25:39,510 --> 00:25:38,000

weird it's yeah dude it's a government

651
00:25:45,909 --> 00:25:39,520
document it's supposed to be perfect

652
00:25:49,269 --> 00:25:47,430
basically what you just did is you

653
00:25:51,110 --> 00:25:49,279
squirted lemon all over the constitution

654
00:25:53,029 --> 00:25:51,120
and [h__h] heated that [h__h] up and you

655
00:25:56,710 --> 00:25:53,039
found the secret like that's that's what

656
00:25:58,870 --> 00:25:56,720
just happened his dad uh his dad walked

657
00:25:59,830 --> 00:25:58,880
clearly behind he said it multiple times

658
00:26:01,750 --> 00:25:59,840
in the movie

659
00:26:04,789 --> 00:26:01,760
heat add heat

660
00:26:06,470 --> 00:26:04,799
he said it very clearly got heat they

661
00:26:07,830 --> 00:26:06,480
were frustrating me so bad when they

662
00:26:09,430 --> 00:26:07,840
just wouldn't add the heat i don't get

663
00:26:12,870 --> 00:26:09,440

it

664

00:26:15,269 --> 00:26:12,880

but we're going to start the movie off

665

00:26:18,070 --> 00:26:15,279

in the antarctic good job fellas there's

666

00:26:19,830 --> 00:26:18,080

no heat in the arctic none

667

00:26:22,950 --> 00:26:19,840

wait you got to make your own heat isn't

668

00:26:24,630 --> 00:26:22,960

that opposite wait what is it again no

669

00:26:26,470 --> 00:26:24,640

isn't antarctica like really nice but

670

00:26:28,630 --> 00:26:26,480

greenland's really cold

671

00:26:30,470 --> 00:26:28,640

but it always throws me off

672

00:26:33,990 --> 00:26:30,480

iceland

673

00:26:36,310 --> 00:26:34,000

greenland can suck a dick because it's

674

00:26:38,710 --> 00:26:36,320

full of ice okay yeah and all right the

675

00:26:40,390 --> 00:26:38,720

antarctic sucks too because it's

676

00:26:44,070 --> 00:26:40,400

see antarctic

677

00:26:45,669 --> 00:26:44,080

is is in is antarctic like an acid

678

00:26:48,149 --> 00:26:45,679

like i think so i think it means the

679

00:26:51,029 --> 00:26:48,159

same thing okay so it's

680

00:26:53,750 --> 00:26:51,039

so the t is not there and it's ann hey

681

00:26:55,350 --> 00:26:53,760

what is n2n6 like is that some sort of

682

00:26:57,430 --> 00:26:55,360

code name or did i miss an acronym on

683

00:26:58,870 --> 00:26:57,440

the top says

684

00:27:02,230 --> 00:26:58,880

precursor to

685

00:27:04,310 --> 00:27:02,240

nintendo 64. nintendo 64 informed this

686

00:27:07,510 --> 00:27:04,320

office that they were located one record

687

00:27:08,630 --> 00:27:07,520

totaling 10 pages

688

00:27:10,789 --> 00:27:08,640

um

689

00:27:12,950 --> 00:27:10,799

let's see an effort to assist you we

690

00:27:16,750 --> 00:27:12,960

continued with the deputy chief of naval

691

00:27:21,350 --> 00:27:16,760

operations for information dominance

692

00:27:23,110 --> 00:27:21,360

dcno into in six two absolutely

693

00:27:26,549 --> 00:27:23,120

you know like they're like a ranking or

694

00:27:28,950 --> 00:27:26,559

like they're telling you like who the

695

00:27:30,630 --> 00:27:28,960

specific chief of naval operator that's

696

00:27:32,789 --> 00:27:30,640

like their safe word maybe there's like

697

00:27:45,990 --> 00:27:32,799

a dom you know in a sub situation well i

698

00:27:52,710 --> 00:27:47,909

you tell me that dirty truth it means

699

00:27:58,230 --> 00:27:54,389

they're triangle shaped you're trying to

700

00:28:00,870 --> 00:27:58,240

give me this goes back to the original

701
00:28:02,470 --> 00:28:00,880
i gotta stop jesus christ sorry go ahead

702
00:28:04,870 --> 00:28:02,480
triangles

703
00:28:06,070 --> 00:28:04,880
doritos pyramids

704
00:28:07,430 --> 00:28:06,080
[h__\h]

705
00:28:09,590 --> 00:28:07,440
aliens dude

706
00:28:13,909 --> 00:28:09,600
and they go into my inner diameter

707
00:28:20,310 --> 00:28:16,789
if that is your real name

708
00:28:22,389 --> 00:28:20,320
mr crowley

709
00:28:25,110 --> 00:28:22,399
welcome to the show

710
00:28:28,070 --> 00:28:25,120
so so ben and i did some investigating

711
00:28:30,950 --> 00:28:28,080
uh on this report actually um did you

712
00:28:33,350 --> 00:28:30,960
know yeah dude uh we found some pretty

713
00:28:36,630 --> 00:28:33,360

interesting things uh

714

00:28:39,750 --> 00:28:36,640

ben actually did some uh some some fancy

715

00:28:41,269 --> 00:28:39,760

computer cia kind of work i did and uh

716

00:28:42,230 --> 00:28:41,279

if we go down here i want to go to like

717

00:28:49,430 --> 00:28:42,240

the

718

00:28:51,269 --> 00:28:49,440

at an identified aerial phenomenon yeah

719

00:28:53,029 --> 00:28:51,279

because look i did some like enhancement

720

00:28:55,430 --> 00:28:53,039

to this document i was able to figure

721

00:28:57,029 --> 00:28:55,440

out a signature at the end

722

00:28:59,029 --> 00:28:57,039

which is pretty like like for real like

723

00:29:01,269 --> 00:28:59,039

i was able to you know how like they

724

00:29:03,350 --> 00:29:01,279

they black out signatures i'm good at

725

00:29:05,430 --> 00:29:03,360

computers we were able to find something

726

00:29:08,789 --> 00:29:05,440

i was able to find this year is like

727

00:29:10,870 --> 00:29:08,799

hold the french toast up right now what

728

00:29:13,029 --> 00:29:10,880

okay you guys okay so this is what's

729

00:29:15,269 --> 00:29:13,039

cool is that we actually did this and

730

00:29:18,149 --> 00:29:15,279

we're not even lying and we're going to

731

00:29:21,190 --> 00:29:18,159

show you whose name is on this document

732

00:29:23,029 --> 00:29:21,200

and you guys are not going to believe

733

00:29:25,669 --> 00:29:23,039

it's kind of the name that's on the

734

00:29:27,350 --> 00:29:25,679

document so scroll down so we can show

735

00:29:28,630 --> 00:29:27,360

everybody what we're looking at oh do we

736

00:29:30,549 --> 00:29:28,640

not want to break down the rest of the

737

00:29:31,990 --> 00:29:30,559

doc the document well this is just an

738

00:29:34,070 --> 00:29:32,000

introduction it's basically saying

739

00:29:35,750 --> 00:29:34,080

that's the d once we know the name

740

00:29:37,590 --> 00:29:35,760

that's amazing all that

741

00:29:39,990 --> 00:29:37,600

is just telling you hey you requested

742

00:29:41,990 --> 00:29:40,000

this this is what we gave you but that's

743

00:29:43,990 --> 00:29:42,000

not the report this is the beginning of

744

00:29:45,350 --> 00:29:44,000

the report right here oh okay this is

745

00:29:47,029 --> 00:29:45,360

the home page

746

00:29:48,950 --> 00:29:47,039

also shout out to the black vault for

747

00:29:50,549 --> 00:29:48,960

for making this available to us like how

748

00:29:52,549 --> 00:29:50,559

awesome is that man

749

00:29:55,350 --> 00:29:52,559

yep yeah shout out to the black vault i

750

00:29:57,590 --> 00:29:55,360

mean guys don't think great job you're

751
00:29:59,510 --> 00:29:57,600
doing it that guy does a lot of stuff

752
00:30:01,430 --> 00:29:59,520
man

753
00:30:04,070 --> 00:30:01,440
john greenwald and micah hangs right

754
00:30:06,310 --> 00:30:04,080
yeah yeah yeah those dudes are

755
00:30:08,470 --> 00:30:06,320
are awesome yeah micah hanks has a great

756
00:30:09,750 --> 00:30:08,480
voice too this is so this is

757
00:30:11,269 --> 00:30:09,760
this is what we're looking at ladies and

758
00:30:12,389 --> 00:30:11,279
gentlemen if you're just listening it's

759
00:30:15,510 --> 00:30:12,399
the uh

760
00:30:18,230 --> 00:30:15,520
the security classification guide

761
00:30:19,590 --> 00:30:18,240
they requested a foia report on it and

762
00:30:21,590 --> 00:30:19,600
uh

763
00:30:22,950 --> 00:30:21,600

i guess they got something

764

00:30:25,029 --> 00:30:22,960

some of the stuff is blacked out but

765

00:30:26,549 --> 00:30:25,039

like we said we did some

766

00:30:28,549 --> 00:30:26,559

some work

767

00:30:29,430 --> 00:30:28,559

and uh it you know

768

00:30:31,110 --> 00:30:29,440

right here

769

00:30:33,029 --> 00:30:31,120

it's blacked out ben you can take it

770

00:30:35,669 --> 00:30:33,039

from here so we i did some

771

00:30:37,830 --> 00:30:35,679

reconnaissance i did some some uh some

772

00:30:39,430 --> 00:30:37,840

computer magic on the prepared by and i

773

00:30:40,950 --> 00:30:39,440

really just wanted to know like where

774

00:30:43,110 --> 00:30:40,960

where these documents are coming from so

775

00:30:46,149 --> 00:30:43,120

i did some some enhancements

776

00:30:47,990 --> 00:30:46,159

um and and so so this is the first one

777

00:30:49,830 --> 00:30:48,000

kind of you know the black blacked out

778

00:30:52,470 --> 00:30:49,840

you know whatever um and that's kind of

779

00:30:54,230 --> 00:30:52,480

a closer look and then as you can tell

780

00:30:55,110 --> 00:30:54,240

we're getting closer we're kind of we're

781

00:30:57,909 --> 00:30:55,120

kind of

782

00:31:00,630 --> 00:30:57,919

uh enhanced it's it's enhanced times

783

00:31:10,870 --> 00:31:00,640

times three enhanced enhanced times

784

00:31:14,310 --> 00:31:11,590

this

785

00:31:16,310 --> 00:31:14,320

document was prepared by cinnamon terry

786

00:31:19,990 --> 00:31:16,320

himself

787

00:31:21,909 --> 00:31:20,000

the whole time dude and the date is is

788

00:31:23,750 --> 00:31:21,919

16 apr

789

00:31:26,149 --> 00:31:23,760

my balls were actually pretty tight i

790

00:31:28,549 --> 00:31:26,159

was literally like my anus was so

791

00:31:30,710 --> 00:31:28,559

clenched up for this moment

792

00:31:33,750 --> 00:31:30,720

i was like this is kind of a big deal

793

00:31:35,990 --> 00:31:33,760

they figured this crap out and as soon

794

00:31:38,310 --> 00:31:36,000

as i seen sedimentary

795

00:31:40,710 --> 00:31:38,320

my balls then relaxed and they descended

796

00:31:42,470 --> 00:31:40,720

again look look what we did enhance

797

00:31:44,389 --> 00:31:42,480

enhance

798

00:31:46,710 --> 00:31:44,399

what do you mean your balls should be

799

00:31:50,310 --> 00:31:46,720

super happy cinnamon terry prepared the

800

00:31:52,149 --> 00:31:50,320

report it's facts he does work directly

801
00:31:54,149 --> 00:31:52,159
with us he does

802
00:31:55,110 --> 00:31:54,159
he's the one that he's our secret

803
00:31:56,870 --> 00:31:55,120
operative

804
00:32:02,149 --> 00:31:56,880
sentimentary is in the office of naval

805
00:32:08,230 --> 00:32:03,630
washington dc

806
00:32:11,350 --> 00:32:08,240
20395 oh my god dash 5720. carol what's

807
00:32:13,110 --> 00:32:11,360
up she says garage hello hey if you

808
00:32:15,029 --> 00:32:13,120
don't realize the camera we just blew

809
00:32:15,909 --> 00:32:15,039
everything wide open on this massive

810
00:32:17,909 --> 00:32:15,919
acronym

811
00:32:20,310 --> 00:32:17,919
you missed it carol

812
00:32:23,830 --> 00:32:20,320
we enhanced we said the words in

813
00:32:27,269 --> 00:32:26,070

we love you carol it's okay

814

00:32:29,350 --> 00:32:27,279

girl

815

00:32:31,590 --> 00:32:29,360

so that's really close to coral

816

00:32:33,509 --> 00:32:31,600

if you guys i mean feel free to you know

817

00:32:35,830 --> 00:32:33,519

take that portion of this of this clip

818

00:32:37,750 --> 00:32:35,840

and and and spread it like wildfire on

819

00:32:39,509 --> 00:32:37,760

youtube because i mean

820

00:32:42,950 --> 00:32:39,519

really we're here to we're here to push

821

00:32:45,590 --> 00:32:42,960

boundaries right we're here to to get to

822

00:32:46,950 --> 00:32:45,600

the you know the bottom of of of this

823

00:32:49,269 --> 00:32:46,960

whole thing and

824

00:32:50,549 --> 00:32:49,279

i think we found a big chunk

825

00:32:51,830 --> 00:32:50,559

sedimentary

826

00:32:55,669 --> 00:32:51,840

apr

827

00:32:57,750 --> 00:32:55,679

six well there's actually just 16 does

828

00:32:59,750 --> 00:32:57,760

that mean 16 we don't know

829

00:33:01,509 --> 00:32:59,760

yeah or it could just be the 16th of

830

00:33:05,029 --> 00:33:01,519

april

831

00:33:12,470 --> 00:33:05,039

but we think it means the 16th of apr 16

832

00:33:16,710 --> 00:33:14,070

hold on what

833

00:33:21,110 --> 00:33:18,549

i think you're right i'm just i'm just

834

00:33:25,430 --> 00:33:21,120

saying it could also mean the 16th of

835

00:33:28,710 --> 00:33:26,870

do you think that anybody that's like

836

00:33:29,990 --> 00:33:28,720

doing the blackout stuff everyone else

837

00:33:31,509 --> 00:33:30,000

is like you know they're working from

838

00:33:32,950 --> 00:33:31,519

home they're having a few drinks and

839

00:33:45,110 --> 00:33:32,960

they like black out too much but there's

840

00:33:49,269 --> 00:33:47,430

greg's on to it greg how'd you know

841

00:33:51,509 --> 00:33:49,279

that's why i grow the beard i grow the

842

00:33:53,190 --> 00:33:51,519

beard to cover that up yeah you groove

843

00:33:55,269 --> 00:33:53,200

the beard to cover up

844

00:33:56,870 --> 00:33:55,279

you're actually a balchenian he's do you

845

00:33:59,190 --> 00:33:56,880

can people in my business out there like

846

00:34:04,310 --> 00:33:59,200

that

847

00:34:09,909 --> 00:34:04,320

i'm indeed not a chin of the bulginians

848

00:34:13,829 --> 00:34:12,149

are you and joe prove it now both of you

849

00:34:17,829 --> 00:34:13,839

guys prove that both of you guys are not

850

00:34:23,030 --> 00:34:21,750

okay joe's not yeah yeah

851
00:34:24,230 --> 00:34:23,040
i don't know william i didn't get a good

852
00:34:27,270 --> 00:34:24,240
look

853
00:34:28,790 --> 00:34:27,280
um justin a.d also from from uh

854
00:34:29,829 --> 00:34:28,800
australia might

855
00:34:31,430 --> 00:34:29,839
um

856
00:34:33,829 --> 00:34:31,440
i didn't have any eggnogs tonight

857
00:34:35,750 --> 00:34:33,839
actually i made my wife an eggnog but i

858
00:34:37,349 --> 00:34:35,760
didn't have a good eggnog

859
00:34:41,349 --> 00:34:37,359
you know like a good like

860
00:34:43,349 --> 00:34:41,359
like a a whiskey eggnog or like a

861
00:34:44,869 --> 00:34:43,359
something like rumchata

862
00:34:48,149 --> 00:34:44,879
that's too girly right maybe the

863
00:34:49,909 --> 00:34:48,159

fireball never

864

00:34:51,349 --> 00:34:49,919

would you what kind of whiskey to get

865

00:34:52,310 --> 00:34:51,359

what are we talking about i don't know

866

00:34:53,510 --> 00:34:52,320

we're talking about we need to figure it

867

00:34:55,909 --> 00:34:53,520

out

868

00:34:58,870 --> 00:34:55,919

let's get back in the document okay okay

869

00:35:01,510 --> 00:34:58,880

so we got here we go okay section one

870

00:35:03,430 --> 00:35:01,520

section one is is [h__h] useless just

871

00:35:04,630 --> 00:35:03,440

don't even read it right don't read it

872

00:35:07,670 --> 00:35:04,640

if you're smart

873

00:35:10,150 --> 00:35:07,680

section one because it probably means

874

00:35:12,470 --> 00:35:10,160

something really important so

875

00:35:13,750 --> 00:35:12,480

don't listen to me but also

876
00:35:15,270 --> 00:35:13,760
listen to me because i don't know what

877
00:35:17,589 --> 00:35:15,280
this means right

878
00:35:21,109 --> 00:35:17,599
section one identifying like it's it's

879
00:35:23,270 --> 00:35:21,119
it's too much i don't get it anyways

880
00:35:24,790 --> 00:35:23,280
so section two

881
00:35:27,190 --> 00:35:24,800
will you believe

882
00:35:31,349 --> 00:35:29,510
it's like why didn't i

883
00:35:33,190 --> 00:35:31,359
goes to section two we get to section

884
00:35:34,230 --> 00:35:33,200
two and he goes back to section one oh

885
00:35:36,550 --> 00:35:34,240
what do you which one do you want to

886
00:35:37,910 --> 00:35:36,560
talk about mr crowley's now we're going

887
00:35:39,589 --> 00:35:37,920
to section two

888
00:35:41,910 --> 00:35:39,599

on section two i just wanted to show

889

00:35:44,310 --> 00:35:41,920

people that section one uh

890

00:35:46,710 --> 00:35:44,320

what it was so

891

00:35:48,550 --> 00:35:46,720

we're hiding stuff okay section one

892

00:35:50,790 --> 00:35:48,560

there it is this is a bunch of like

893

00:35:52,630 --> 00:35:50,800

numbers and stuff well there's also some

894

00:35:54,470 --> 00:35:52,640

some cryptic stuff back here that i did

895

00:35:56,390 --> 00:35:54,480

decode and i can't share it's because

896

00:35:57,510 --> 00:35:56,400

it's classified so

897

00:36:00,630 --> 00:35:57,520

i don't know if you guys you could see

898

00:36:02,230 --> 00:36:00,640

the remnants sentimentary will get mad

899

00:36:04,870 --> 00:36:02,240

yeah that's i don't want to piss him off

900

00:36:08,310 --> 00:36:06,950

we already broke the damn on who it was

901
00:36:10,310 --> 00:36:08,320
so we don't want to give away the rest

902
00:36:12,230 --> 00:36:10,320
of the information

903
00:36:14,069 --> 00:36:12,240
okay so section two is the general

904
00:36:16,310 --> 00:36:14,079
instructions for this whole thing now

905
00:36:18,470 --> 00:36:16,320
we're talking about the classification

906
00:36:19,349 --> 00:36:18,480
that they're using on this whole thing

907
00:36:22,069 --> 00:36:19,359
right

908
00:36:24,310 --> 00:36:22,079
uh so one is um

909
00:36:26,470 --> 00:36:24,320
purpose this classification guide is

910
00:36:28,550 --> 00:36:26,480
issued for the purpose of identifying

911
00:36:30,710 --> 00:36:28,560
specific topics of information

912
00:36:33,109 --> 00:36:30,720
associated with the office of naval

913
00:36:35,030 --> 00:36:33,119

intelligence's unidentified aerial

914

00:36:36,870 --> 00:36:35,040

phenomenon task force that meet the

915

00:36:39,030 --> 00:36:36,880

standards and criteria for

916

00:36:41,109 --> 00:36:39,040

classification and protection in

917

00:36:43,510 --> 00:36:41,119

accordance with executive order

918

00:36:46,790 --> 00:36:43,520

classified national security information

919

00:36:50,470 --> 00:36:46,800

as amended and it's implementing

920

00:36:52,069 --> 00:36:50,480

directives so what does that mean

921

00:36:53,589 --> 00:36:52,079

what does that mean

922

00:36:57,430 --> 00:36:53,599

i have no idea

923

00:36:59,190 --> 00:36:57,440

break it down as amended

924

00:37:01,430 --> 00:36:59,200

as a minute it means like that [h__h] that

925

00:37:03,109 --> 00:37:01,440

we can't let you read

926

00:37:05,030 --> 00:37:03,119

i would say let's take it let's take it

927

00:37:07,910 --> 00:37:05,040

a sentence at a time but i don't know if

928

00:37:09,670 --> 00:37:07,920

you noticed that's all one sentence so

929

00:37:12,069 --> 00:37:09,680

maybe we should take it like commas out

930

00:37:14,069 --> 00:37:12,079

of time maybe

931

00:37:16,470 --> 00:37:14,079

the classification code

932

00:37:18,710 --> 00:37:16,480

is a guide that's issued for the purpose

933

00:37:20,550 --> 00:37:18,720

of identifying specific topics of

934

00:37:22,630 --> 00:37:20,560

information associated with the office

935

00:37:23,750 --> 00:37:22,640

of naval intelligence

936

00:37:24,870 --> 00:37:23,760

you know what's interesting about that

937

00:37:27,750 --> 00:37:24,880

statement

938

00:37:28,950 --> 00:37:27,760

is that it's not in relation to any

939

00:37:32,230 --> 00:37:28,960

entities or anything we might be seeing

940

00:37:33,510 --> 00:37:32,240

in the air any kind of uh craft anything

941

00:37:35,270 --> 00:37:33,520

like that it has to do with the

942

00:37:38,470 --> 00:37:35,280

information

943

00:37:40,710 --> 00:37:38,480

it doesn't have anything to do anything

944

00:37:42,470 --> 00:37:40,720

so does that would that apply to if

945

00:37:43,670 --> 00:37:42,480

they're taking experiences a little more

946

00:37:44,710 --> 00:37:43,680

seriously and i think we could say that

947

00:37:47,190 --> 00:37:44,720

for sure

948

00:37:49,589 --> 00:37:47,200

um you know obviously a more well-known

949

00:37:51,829 --> 00:37:49,599

famous one now like mr bledsoe himself

950

00:37:55,829 --> 00:37:51,839

where has been known to have people from

951
00:37:58,230 --> 00:37:55,839
the vatican nasa cia come to him

952
00:38:00,710 --> 00:37:58,240
meaning they don't have the answers

953
00:38:02,310 --> 00:38:00,720
right so but i just wonder if like the

954
00:38:03,750 --> 00:38:02,320
fact that they're making a legal

955
00:38:04,950 --> 00:38:03,760
document does that mean they can like

956
00:38:06,310 --> 00:38:04,960
legally start

957
00:38:08,470 --> 00:38:06,320
obtaining

958
00:38:10,790 --> 00:38:08,480
experiences and be like no no no

959
00:38:13,589 --> 00:38:10,800
you owe that information though

960
00:38:15,589 --> 00:38:13,599
i mean i think i think this is literally

961
00:38:17,750 --> 00:38:15,599
saying like

962
00:38:20,230 --> 00:38:17,760
hey can you tell me about the task force

963
00:38:21,589 --> 00:38:20,240

that you got set up and the the rules

964

00:38:23,030 --> 00:38:21,599

that are gonna happen with it and

965

00:38:25,750 --> 00:38:23,040

they're like ah

966

00:38:28,069 --> 00:38:25,760

yeah here you go um

967

00:38:30,230 --> 00:38:28,079

this guide is issued for the purpose of

968

00:38:32,390 --> 00:38:30,240

identifying specific topics of

969

00:38:35,030 --> 00:38:32,400

information associated with naval

970

00:38:37,270 --> 00:38:35,040

intelligence and the and the uap task

971

00:38:38,470 --> 00:38:37,280

force so basically they're just saying

972

00:38:40,390 --> 00:38:38,480

like

973

00:38:41,510 --> 00:38:40,400

hey what we gave you is basically

974

00:38:43,430 --> 00:38:41,520

telling you

975

00:38:45,670 --> 00:38:43,440

that uh we're

976

00:38:48,790 --> 00:38:45,680

we have a task force like i don't think

977

00:38:50,630 --> 00:38:48,800

they're really saying anything so far

978

00:38:52,870 --> 00:38:50,640

just saying hey this is what we're doing

979

00:38:54,310 --> 00:38:52,880

this is it and um these are the

980

00:38:55,190 --> 00:38:54,320

guidelines of what we're talking about

981

00:38:57,829 --> 00:38:55,200

and

982

00:38:59,670 --> 00:38:57,839

anything outside of what we've stated is

983

00:39:00,790 --> 00:38:59,680

has nothing to do with this

984

00:39:02,950 --> 00:39:00,800

like hey

985

00:39:05,670 --> 00:39:02,960

it's like it's it's a common

986

00:39:07,670 --> 00:39:05,680

uh structure of a speech it's like hey

987

00:39:09,190 --> 00:39:07,680

tell the people what you're gonna say

988

00:39:10,230 --> 00:39:09,200

talk about some other [h__h] and then tell

989

00:39:12,470 --> 00:39:10,240

them again

990

00:39:13,589 --> 00:39:12,480

i think that's kind of what they're

991

00:39:16,230 --> 00:39:13,599

going for

992

00:39:17,750 --> 00:39:16,240

in my in my opinion i think only in my

993

00:39:24,550 --> 00:39:17,760

opinion

994

00:39:26,470 --> 00:39:24,560

pertains to classified national security

995

00:39:28,790 --> 00:39:26,480

information

996

00:39:30,310 --> 00:39:28,800

um as amended what do you guys think

997

00:39:32,790 --> 00:39:30,320

about as amended

998

00:39:35,109 --> 00:39:32,800

so i think it's like as we learn

999

00:39:37,190 --> 00:39:35,119

uh we will change the guidelines like

1000

00:39:39,190 --> 00:39:37,200

they're basically writing the book as

1001

00:39:40,470 --> 00:39:39,200

they go they're saying hey

1002

00:39:43,270 --> 00:39:40,480

um yeah

1003

00:39:45,430 --> 00:39:43,280

there's stuff we don't know what it is

1004

00:39:46,790 --> 00:39:45,440

um we've also known about this [h__h] for

1005

00:39:49,270 --> 00:39:46,800

a long time but we're not gonna tell you

1006

00:39:51,829 --> 00:39:49,280

about that but there's like a book that

1007

00:39:53,910 --> 00:39:51,839

we're writing and we find out new stuff

1008

00:39:57,030 --> 00:39:53,920

all the time so as we find out new

1009

00:39:59,109 --> 00:39:57,040

things we amend it as we go and it'll be

1010

00:40:01,670 --> 00:39:59,119

amended on the spot so we have an

1011

00:40:02,950 --> 00:40:01,680

up-to-date guide on what it is that

1012

00:40:04,710 --> 00:40:02,960

we're looking at

1013

00:40:08,230 --> 00:40:04,720

got it

1014

00:40:11,829 --> 00:40:08,240

okay cool well that's number one oh yeah

1015

00:40:14,710 --> 00:40:11,839

who wants to be number two popcorn

1016

00:40:16,230 --> 00:40:14,720

oh i'll take it okay number two

1017

00:40:21,030 --> 00:40:16,240

authority

1018

00:40:29,349 --> 00:40:21,040

god

1019

00:40:36,069 --> 00:40:31,990

some numbers executive mobile crap

1020

00:40:38,230 --> 00:40:36,079

oh executive order 13 5 26 uh and then

1021

00:40:40,069 --> 00:40:38,240

uh d-o-d-m

1022

00:40:42,309 --> 00:40:40,079

the department of defense department

1023

00:40:47,349 --> 00:40:42,319

thank you joseph

1024

00:40:51,030 --> 00:40:48,550

very important

1025

00:40:54,069 --> 00:40:51,040

volumes three wait

1026

00:40:55,109 --> 00:40:54,079

did i see three six one through four

1027

00:40:57,109 --> 00:40:55,119

jesus

1028

00:40:58,470 --> 00:40:57,119

i did like a quick math thing in my head

1029

00:40:59,430 --> 00:40:58,480

one that was like it was like the first

1030

00:41:00,150 --> 00:40:59,440

time

1031

00:41:02,069 --> 00:41:00,160

yeah

1032

00:41:03,589 --> 00:41:02,079

no this is gonna take a while

1033

00:41:05,270 --> 00:41:03,599

that's why i want to get like a hard one

1034

00:41:06,390 --> 00:41:05,280

dude it's over with i want to get it

1035

00:41:08,470 --> 00:41:06,400

over with

1036

00:41:11,829 --> 00:41:08,480

this guide constitutes authority and may

1037

00:41:13,270 --> 00:41:11,839

be cited as the uh basis for

1038

00:41:14,390 --> 00:41:13,280

classification

1039

00:41:20,069 --> 00:41:14,400

uh

1040

00:41:23,430 --> 00:41:20,079

of information and material involving an

1041

00:41:26,150 --> 00:41:23,440

uap collection and out and analysis

1042

00:41:28,309 --> 00:41:26,160

changes in classification required by

1043

00:41:29,990 --> 00:41:28,319

application of this guide shall be made

1044

00:41:32,550 --> 00:41:30,000

immediately

1045

00:41:35,750 --> 00:41:32,560

information identified in this guide for

1046

00:41:39,109 --> 00:41:35,760

protection as classified information is

1047

00:41:41,190 --> 00:41:39,119

classified by the director of naval

1048

00:41:43,349 --> 00:41:41,200

intelligence belly button guy he's the

1049

00:41:45,270 --> 00:41:43,359

head belly button guy naval intelligence

1050

00:41:47,510 --> 00:41:45,280

activities guys like what are you

1051
00:41:50,230 --> 00:41:47,520
searching for is that belly button lit

1052
00:41:53,109 --> 00:41:50,240
yes it's top secret we all know that

1053
00:41:55,349 --> 00:41:53,119
it's originally classified kind

1054
00:41:58,069 --> 00:41:55,359
it's it's it's a class of kind uh

1055
00:42:00,069 --> 00:41:58,079
authority the belly button is that's a

1056
00:42:02,950 --> 00:42:00,079
secret place no one's allowed to go

1057
00:42:10,069 --> 00:42:02,960
there that's beautiful

1058
00:42:13,990 --> 00:42:11,589
no one wants to touch my belly button no

1059
00:42:15,750 --> 00:42:14,000
one wants to smell it either

1060
00:42:17,990 --> 00:42:15,760
hey belly buttons are important there's

1061
00:42:19,750 --> 00:42:18,000
a lot they're underappreciated there's a

1062
00:42:22,550 --> 00:42:19,760
lot of knowledge there that's been lost

1063
00:42:25,510 --> 00:42:22,560

okay i'm just saying oh yeah yeah no i

1064

00:42:28,069 --> 00:42:25,520

know that okay so i don't want anybody

1065

00:42:31,750 --> 00:42:28,079

getting near my belly

1066

00:42:33,589 --> 00:42:31,760

so this guy constitutes authority and

1067

00:42:35,670 --> 00:42:33,599

may be cited as a basis for

1068

00:42:41,349 --> 00:42:35,680

classification

1069

00:42:43,510 --> 00:42:41,359

information and material involved in uap

1070

00:42:45,190 --> 00:42:43,520

collection analysis so this guide that

1071

00:42:48,150 --> 00:42:45,200

they're putting together

1072

00:42:50,150 --> 00:42:48,160

is the authority right

1073

00:42:53,990 --> 00:42:50,160

it's the authority it's like the bible

1074

00:42:56,790 --> 00:42:54,000

of of ufo [h__h] so you go into an office

1075

00:42:58,470 --> 00:42:56,800

and you're like hey deborah

1076

00:43:01,910 --> 00:42:58,480

oh dab

1077

00:43:05,030 --> 00:43:01,920

respect my floor tie respect my thor ty

1078

00:43:07,109 --> 00:43:05,040

all right and give me that medal and i'm

1079

00:43:08,550 --> 00:43:07,119

i'm i'm i'm gonna study it because of

1080

00:43:10,309 --> 00:43:08,560

this purpose and she's like well what

1081

00:43:11,030 --> 00:43:10,319

gives you the authority and they're like

1082

00:43:15,270 --> 00:43:11,040

well

1083

00:43:16,950 --> 00:43:15,280

under under the authority of scc and avm

1084

00:43:21,270 --> 00:43:16,960

551

1085

00:43:26,030 --> 00:43:23,990

and the executive order 13526 in the

1086

00:43:28,550 --> 00:43:26,040

department of defense

1087

00:43:31,190 --> 00:43:28,560

5200.01 volumes 104

1088

00:43:33,190 --> 00:43:31,200

um this this constitutes my authority

1089

00:43:35,750 --> 00:43:33,200

and she's like [h__h] whatever rick

1090

00:43:37,430 --> 00:43:35,760

here just take it richard

1091

00:43:39,510 --> 00:43:37,440

such a dick move

1092

00:43:40,790 --> 00:43:39,520

yeah

1093

00:43:43,430 --> 00:43:40,800

so that's what it's saying right this

1094

00:43:45,270 --> 00:43:43,440

guide is the the the bible the holy

1095

00:43:48,870 --> 00:43:45,280

grail like that's what they're writing

1096

00:43:51,349 --> 00:43:48,880

that this guide is is is there for

1097

00:43:53,190 --> 00:43:51,359

regrading so if they see something and

1098

00:43:54,309 --> 00:43:53,200

they're like oh well i grade that to be

1099

00:43:56,950 --> 00:43:54,319

like a

1100

00:43:59,750 --> 00:43:56,960

a b minus experience and they see it

1101
00:44:02,550 --> 00:43:59,760
multiple more times and it it increases

1102
00:44:03,510 --> 00:44:02,560
in like potency or like kickassness

1103
00:44:05,990 --> 00:44:03,520
they're like you know what we're gonna

1104
00:44:08,550 --> 00:44:06,000
regrade this in the holy grail bible of

1105
00:44:10,309 --> 00:44:08,560
ufo books that the naval intelligence

1106
00:44:12,470 --> 00:44:10,319
has we're going to regrade it we're

1107
00:44:15,670 --> 00:44:12,480
going to make it more of a

1108
00:44:17,430 --> 00:44:15,680
an a a good solid a we're regrading this

1109
00:44:20,390 --> 00:44:17,440
right

1110
00:44:21,990 --> 00:44:20,400
declassified it's like okay

1111
00:44:25,589 --> 00:44:22,000
everybody already knows this let's

1112
00:44:27,270 --> 00:44:25,599
declassify it and tell everybody

1113
00:44:28,790 --> 00:44:27,280

how did which those things never make

1114

00:44:30,150 --> 00:44:28,800

any sense anyways you ever look at the

1115

00:44:32,069 --> 00:44:30,160

like the dates they put on their base

1116

00:44:34,150 --> 00:44:32,079

and when stuff's happening like

1117

00:44:35,430 --> 00:44:34,160

they just pick a random date i know that

1118

00:44:37,270 --> 00:44:35,440

maybe like is there something actually

1119

00:44:38,790 --> 00:44:37,280

is there like a format to that or they

1120

00:44:41,190 --> 00:44:38,800

just literally like all right i'll make

1121

00:44:44,150 --> 00:44:41,200

it in 20 years like

1122

00:44:46,069 --> 00:44:44,160

it just it varies some of the

1123

00:44:47,510 --> 00:44:46,079

information is released there's no i

1124

00:44:48,950 --> 00:44:47,520

haven't and i'm sure there is someone

1125

00:44:52,470 --> 00:44:48,960

who's more familiar with no but it

1126

00:44:54,550 --> 00:44:52,480

doesn't seem to be a system it's very

1127

00:44:56,309 --> 00:44:54,560

sporadic and i'm gonna say it's because

1128

00:44:57,510 --> 00:44:56,319

they make up documents like i just i

1129

00:44:59,430 --> 00:44:57,520

sometimes don't think these people

1130

00:45:01,589 --> 00:44:59,440

really got it together like these people

1131

00:45:04,470 --> 00:45:01,599

wake up late for their jobs they get

1132

00:45:06,710 --> 00:45:04,480

hung over they have bad days and they're

1133

00:45:09,270 --> 00:45:06,720

out there making decisions for us and

1134

00:45:12,150 --> 00:45:09,280

they're writing long documents like this

1135

00:45:14,069 --> 00:45:12,160

bullcrap to be like

1136

00:45:15,430 --> 00:45:14,079

if i put enough weird letters and

1137

00:45:17,589 --> 00:45:15,440

numbers in there i guess people will

1138

00:45:18,950 --> 00:45:17,599

just be like seems legit

1139

00:45:21,829 --> 00:45:18,960

and that's really what i think is going

1140

00:45:23,510 --> 00:45:21,839

on sometimes yeah it is it's it's not

1141

00:45:26,230 --> 00:45:23,520

it's not made

1142

00:45:28,630 --> 00:45:26,240

for people to consume you know what i'm

1143

00:45:30,950 --> 00:45:28,640

saying it's made for specific people to

1144

00:45:32,870 --> 00:45:30,960

read and specific people to understand

1145

00:45:33,990 --> 00:45:32,880

what's going on

1146

00:45:34,870 --> 00:45:34,000

that's it

1147

00:45:38,230 --> 00:45:34,880

you know

1148

00:45:40,069 --> 00:45:38,240

and the rest of the shit's blacked out

1149

00:45:42,150 --> 00:45:40,079

but you know except for cinnamon's hair

1150

00:45:44,390 --> 00:45:42,160

except i mean ben and i can crack that

1151

00:45:46,870 --> 00:45:44,400

[h__h] sweetly

1152

00:45:47,910 --> 00:45:46,880

we've cracked it before

1153

00:45:52,550 --> 00:45:47,920

done it

1154

00:45:55,829 --> 00:45:52,560

oh no i can't undo my purple thing

1155

00:45:57,829 --> 00:45:55,839

undo it dude oh [h__h] there it goes good

1156

00:45:59,270 --> 00:45:57,839

job zerocool says you could totally make

1157

00:46:01,270 --> 00:45:59,280

an entire podcast about doing this

1158

00:46:05,190 --> 00:46:01,280

getting drunk and high and read

1159

00:46:06,550 --> 00:46:05,200

government bills absolutely i mean yeah

1160

00:46:09,030 --> 00:46:06,560

uh all right and the other thing i

1161

00:46:10,550 --> 00:46:09,040

looked up to camp is uh when i looked up

1162

00:46:12,309 --> 00:46:10,560

the word amendment and not only did it

1163

00:46:14,309 --> 00:46:12,319

say that they could change some of the

1164

00:46:15,750 --> 00:46:14,319

verbage along the way based on the

1165

00:46:17,710 --> 00:46:15,760

information that being provided it also

1166

00:46:19,430 --> 00:46:17,720

said they could change it based on the

1167

00:46:21,109 --> 00:46:19,440

situations

1168

00:46:22,550 --> 00:46:21,119

so i don't know what that specification

1169

00:46:24,069 --> 00:46:22,560

means according to the webster

1170

00:46:25,589 --> 00:46:24,079

dictionary but it said according to the

1171

00:46:27,270 --> 00:46:25,599

situation

1172

00:46:29,190 --> 00:46:27,280

things could just be changed

1173

00:46:30,470 --> 00:46:29,200

so the uh

1174

00:46:33,349 --> 00:46:30,480

it's [h__h]

1175

00:46:37,190 --> 00:46:33,359

holy [h__h] gary

1176

00:46:40,550 --> 00:46:38,510

thank you sir

1177

00:46:42,390 --> 00:46:40,560

brother dude

1178

00:46:44,790 --> 00:46:42,400

i'm freaking sitting you love lasers

1179

00:46:46,390 --> 00:46:44,800

with my eyes dude

1180

00:46:48,950 --> 00:46:46,400

it's in you

1181

00:46:52,069 --> 00:46:48,960

wrecked for you right now wait

1182

00:46:54,069 --> 00:46:52,079

full erection guys for that my nipples

1183

00:46:55,910 --> 00:46:54,079

are so hard i think it's time oh it's

1184

00:46:58,150 --> 00:46:55,920

time to party it's time to party bin

1185

00:47:01,670 --> 00:46:58,160

let's party woo

1186

00:47:03,589 --> 00:47:01,680

oh my god no dude

1187

00:47:05,910 --> 00:47:03,599

it's the official ufo garage nipple

1188

00:47:09,270 --> 00:47:05,920

t-shirt that's right

1189

00:47:11,510 --> 00:47:09,280

catch him at ufo.com

1190

00:47:14,069 --> 00:47:11,520

it's party time oh [\h__\h] dude you just

1191

00:47:14,950 --> 00:47:14,079

ramped it you just amped me up man dude

1192

00:47:15,910 --> 00:47:14,960

these are

1193

00:47:18,710 --> 00:47:15,920

official

1194

00:47:22,309 --> 00:47:18,720

ufo garage party shirts we hear the

1195

00:47:25,430 --> 00:47:24,470

wait where's the third one you forgot to

1196

00:47:27,030 --> 00:47:25,440

cut this i'm not going to show you guys

1197

00:47:28,390 --> 00:47:27,040

you always talk about the third nip oh

1198

00:47:31,510 --> 00:47:28,400

you shrug them

1199

00:47:39,670 --> 00:47:34,630

yeah dude all i want now is tacos

1200

00:47:45,589 --> 00:47:42,069

merry christmas merry christmas uh gary

1201

00:47:48,470 --> 00:47:45,599

voorhees holy crap hey yeah

1202

00:47:50,390 --> 00:47:48,480

thank you new year oh my gosh

1203

00:47:53,270 --> 00:47:50,400

it's freaking awesome why is everybody

1204

00:47:56,630 --> 00:47:53,280

saying take your screenshot

1205

00:48:01,589 --> 00:47:59,190

what's going on twitter ufo twitter guys

1206

00:48:04,230 --> 00:48:01,599

screenshot um twitter

1207

00:48:08,309 --> 00:48:04,240

hashtag ufo garage hashtag richard dolan

1208

00:48:11,589 --> 00:48:10,549

this is like this is career how does the

1209

00:48:13,109 --> 00:48:11,599

god though do you think that like

1210

00:48:14,710 --> 00:48:13,119

someone like grant cameron one day

1211

00:48:16,630 --> 00:48:14,720

that's maybe come on or something and

1212

00:48:18,069 --> 00:48:16,640

like the one highlight they can send to

1213

00:48:20,150 --> 00:48:18,079

them is like

1214

00:48:23,190 --> 00:48:20,160

you just holding down yourself what i

1215

00:48:25,829 --> 00:48:23,200

want it to be is this it's like no hands

1216

00:48:27,109 --> 00:48:25,839

the thing is is we kind of hope so you

1217

00:48:28,710 --> 00:48:27,119

know i

1218

00:48:30,549 --> 00:48:28,720

love it

1219

00:48:31,990 --> 00:48:30,559

and then the person that says yes that

1220

00:48:33,589 --> 00:48:32,000

is the exact person we want to be

1221

00:48:34,510 --> 00:48:33,599

talking to honestly

1222

00:48:36,549 --> 00:48:34,520

exactly

1223

00:48:38,150 --> 00:48:36,559

[Laughter]

1224

00:48:40,549 --> 00:48:38,160

not to mention that it's just like it's

1225

00:48:43,589 --> 00:48:40,559

so it's so great to like

1226

00:48:45,829 --> 00:48:43,599

it's so great to have fun doing this and

1227

00:48:47,829 --> 00:48:45,839

then be able to score people like that

1228

00:48:48,790 --> 00:48:47,839

and then like

1229

00:48:52,790 --> 00:48:48,800

for the

1230

00:48:55,109 --> 00:48:52,800

most people don't realize what it is

1231

00:48:57,670 --> 00:48:55,119

that we do until they come on the show

1232

00:48:58,549 --> 00:48:57,680

they may like go watch one through

1233

00:49:00,069 --> 00:48:58,559

and

1234

00:49:02,710 --> 00:49:00,079

hopefully

1235

00:49:05,109 --> 00:49:02,720

holy crap dude

1236

00:49:07,910 --> 00:49:05,119

are you kidding me oh my god what is

1237

00:49:09,430 --> 00:49:07,920

happening right now dude thank you mr

1238

00:49:12,069 --> 00:49:09,440

crowley

1239

00:49:13,190 --> 00:49:12,079

if that is your real name do we have

1240

00:49:21,430 --> 00:49:13,200

does someone else have to show their

1241

00:49:24,150 --> 00:49:23,030

i was legit not gonna wear a shirt

1242

00:49:25,589 --> 00:49:24,160

underneath this and joke they're like

1243

00:49:27,030 --> 00:49:25,599

yes i don't have a shirt underneath no

1244

00:49:31,670 --> 00:49:27,040

william you better pop you better pop

1245

00:49:36,150 --> 00:49:33,990

you did the you did the video earlier uh

1246

00:49:38,230 --> 00:49:36,160

in conjunction you gotta pop that top

1247

00:49:40,150 --> 00:49:38,240

off bro i told you

1248

00:49:42,309 --> 00:49:40,160

joe oh

1249

00:49:43,990 --> 00:49:42,319

on this way dude you gotta pop that i

1250

00:49:46,150 --> 00:49:44,000

feel like youtube no wait wait wait wait

1251

00:49:48,150 --> 00:49:46,160

we gotta say that for only fans paige i

1252

00:49:52,710 --> 00:49:48,160

feel like you two might might no this is

1253

00:49:52,720 --> 00:49:56,390

my nipples are actually cold right now

1254

00:50:02,870 --> 00:49:58,950

you're cold good it's show time they're

1255

00:50:06,150 --> 00:50:05,190

oh my god so does that is that our guys

1256

00:50:07,750 --> 00:50:06,160

you know they say everybody's got a

1257

00:50:09,670 --> 00:50:07,760

price was that ours i guess a hundred

1258

00:50:11,270 --> 00:50:09,680

dollars and like whatever

1259

00:50:13,109 --> 00:50:11,280

nipples out at any point for you like

1260

00:50:15,750 --> 00:50:13,119

where do you need me

1261

00:50:17,190 --> 00:50:15,760

at any time hundred dollars i i'll show

1262

00:50:20,230 --> 00:50:17,200

you probably one of my nipples honestly

1263

00:50:21,990 --> 00:50:20,240

i like how many we would have seen

1264

00:50:24,390 --> 00:50:22,000

oh my god

1265

00:50:28,069 --> 00:50:24,400

i'm a [h__h] for super chats

1266

00:50:32,790 --> 00:50:30,710

oh my god

1267

00:50:34,790 --> 00:50:32,800

that was amazing dude i stuck your dick

1268

00:50:36,710 --> 00:50:34,800

for a super chat but they're like tit

1269

00:50:38,470 --> 00:50:36,720

chaps they're not really

1270

00:50:40,630 --> 00:50:38,480

greg they're like titty chaps that's

1271

00:50:42,309 --> 00:50:40,640

what those are matter of fact i think we

1272

00:50:44,710 --> 00:50:42,319

should design a shirt that literally has

1273

00:50:45,990 --> 00:50:44,720

few chaps

1274

00:50:47,829 --> 00:50:46,000

this is the point of the episode where

1275

00:50:50,950 --> 00:50:47,839

[h__h] just gets off the rails dude it was

1276

00:50:52,870 --> 00:50:50,960

only 54 minutes and it derailed hard we

1277

00:50:55,030 --> 00:50:52,880

haven't even gotten we haven't even

1278

00:50:57,510 --> 00:50:55,040

gotten into the third classification of

1279

00:50:59,829 --> 00:50:57,520

of the navy's classification

1280

00:51:03,670 --> 00:50:59,839

uh protocols

1281

00:51:05,670 --> 00:51:03,680

oh my god ufo garagepodcast.com

1282

00:51:07,270 --> 00:51:05,680

that might be the only time too gary uh

1283

00:51:08,790 --> 00:51:07,280

mr crowley those are the only two times

1284

00:51:10,710 --> 00:51:08,800

i've ever cost on the episodes i can

1285

00:51:13,829 --> 00:51:10,720

think of so uh cheers to you boys on

1286

00:51:16,549 --> 00:51:13,839

that one kind of sauce yeah dude that's

1287

00:51:18,390 --> 00:51:16,559

a well worth the 200 bucks dude i'm i'm

1288

00:51:20,710 --> 00:51:18,400

glad that 250 dollars you'll get a

1289

00:51:22,790 --> 00:51:20,720

customer or two out of me yeah dude

1290

00:51:24,630 --> 00:51:22,800

i'm glad to hear you say the word [h__h]

1291

00:51:26,309 --> 00:51:24,640

are you saying you're gonna suck you

1292

00:51:28,470 --> 00:51:26,319

you're gonna you're gonna cuss willy did

1293

00:51:29,829 --> 00:51:28,480

you already do it i did it you missed it

1294

00:51:31,349 --> 00:51:29,839

did you not hear me you have to listen

1295

00:51:32,950 --> 00:51:31,359

to the playback now i don't want it

1296

00:51:33,990 --> 00:51:32,960

again unless another chad comes through

1297

00:51:37,030 --> 00:51:34,000

part of the head

1298

00:51:40,150 --> 00:51:38,710

instead of french toast

1299

00:51:43,589 --> 00:51:40,160

i couldn't believe it

1300

00:51:45,030 --> 00:51:43,599

what the french toast damn son damn bro

1301

00:51:47,190 --> 00:51:45,040

i'm not even gonna lie when i said it

1302

00:51:48,790 --> 00:51:47,200

the look on your to like joe's face in

1303

00:51:50,710 --> 00:51:48,800

particular he got so serious i thought

1304

00:51:51,990 --> 00:51:50,720

he thought some like real crap went down

1305

00:51:54,790 --> 00:51:52,000

he was like

1306

00:51:55,670 --> 00:51:54,800

what happened

1307

00:51:57,030 --> 00:51:55,680

uh

1308

00:51:59,030 --> 00:51:57,040

i don't know what to do nobody's ever

1309

00:52:01,750 --> 00:51:59,040

nobody's ever been so generous

1310

00:52:04,309 --> 00:52:01,760

look hey i'm just gonna say this

1311

00:52:05,910 --> 00:52:04,319

the chat is is clamoring for y'all to

1312

00:52:07,270 --> 00:52:05,920

pop your tops off that's awesome bro

1313

00:52:08,870 --> 00:52:07,280

just because you showed your titty

1314

00:52:10,309 --> 00:52:08,880

nipples out there don't mean we need to

1315

00:52:12,470 --> 00:52:10,319

be showing them to you

1316

00:52:14,549 --> 00:52:12,480

you need to leave don't hey hey you know

1317

00:52:16,309 --> 00:52:14,559

what the rule is for for a good cam girl

1318

00:52:18,309 --> 00:52:16,319

you don't show it all in the first tip

1319

00:52:20,630 --> 00:52:18,319

that's right dude you gotta leave him

1320

00:52:22,630 --> 00:52:20,640

one more just done one

1321

00:52:25,670 --> 00:52:22,640

listen you were our opening act and you

1322

00:52:27,109 --> 00:52:25,680

were solid you gotta you're solid but we

1323

00:52:28,870 --> 00:52:27,119

gotta leave a little more you gotta

1324

00:52:30,630 --> 00:52:28,880

leave one more

1325

00:52:32,150 --> 00:52:30,640

imagination is a good thing unless

1326

00:52:33,589 --> 00:52:32,160

you're me and then you click off that

1327

00:52:35,349 --> 00:52:33,599

boring one and you go to the one who's

1328

00:52:36,549 --> 00:52:35,359

gonna slip

1329

00:52:38,549 --> 00:52:36,559

and you finish

1330

00:52:40,390 --> 00:52:38,559

because god damn it i didn't i didn't i

1331

00:52:41,270 --> 00:52:40,400

didn't start to watch you leave me want

1332

00:52:42,560 --> 00:52:41,280

more

1333

00:52:44,390 --> 00:52:42,570

i started to finish

1334

00:52:45,750 --> 00:52:44,400

[Music]

1335

00:52:49,190 --> 00:52:45,760

i'm not gonna lie i click off of them

1336

00:52:51,030 --> 00:52:49,200

and i go i go to the [h__\h] one like

1337

00:52:53,430 --> 00:52:51,040

oh she's getting it right now

1338

00:52:56,069 --> 00:52:53,440

i'm gonna finish on this one joseph are

1339

00:52:58,870 --> 00:52:56,079

you talking zero cool oh well well you

1340

00:53:02,150 --> 00:52:58,880

know are you talking about a uh

1341

00:53:04,150 --> 00:53:02,160

uh a a recipe website like to finish the

1342

00:53:06,390 --> 00:53:04,160

web like phrase the recipe

1343

00:53:10,470 --> 00:53:06,400

yeah with uh joanne summers or whatever

1344

00:53:14,309 --> 00:53:12,069

i love dude

1345

00:53:16,470 --> 00:53:14,319

such a throwback i love how both y'all

1346

00:53:19,190 --> 00:53:16,480

were like yeah no yeah

1347

00:53:20,150 --> 00:53:19,200

that's a recipe webpage because i want

1348

00:53:22,950 --> 00:53:20,160

to finish

1349

00:53:24,710 --> 00:53:22,960

finish basting my cake

1350

00:53:33,030 --> 00:53:24,720

champ says stop being the guys with your

1351
00:53:36,870 --> 00:53:34,630
because i don't want to get sunburned it

1352
00:53:39,349 --> 00:53:36,880
means i'm smart you know there's i feel

1353
00:53:41,589 --> 00:53:39,359
like yeah joe and i between the two of

1354
00:53:43,750 --> 00:53:41,599
us the beards interlock and the bear

1355
00:53:45,190 --> 00:53:43,760
like the bareness between the two of us

1356
00:53:47,270 --> 00:53:45,200
yeah it's gonna be too much the freaking

1357
00:53:49,270 --> 00:53:47,280
internet oh yeah there's way too hair

1358
00:53:50,870 --> 00:53:49,280
too much hair between the two if i take

1359
00:53:53,270 --> 00:53:50,880
my shirt off you guys are gonna be like

1360
00:53:59,829 --> 00:53:53,280
oh ufo garage had burt reynolds on and

1361
00:54:04,790 --> 00:54:02,150
a newborn baby chick he doesn't have

1362
00:54:07,510 --> 00:54:04,800
like no hair he's smooth i have very

1363
00:54:09,910 --> 00:54:07,520

tiny nipples dude

1364

00:54:14,630 --> 00:54:09,920

that had nothing to do with hair like

1365

00:54:17,430 --> 00:54:16,549

you're like ben joe doesn't have or ben

1366

00:54:20,390 --> 00:54:17,440

doesn't have much hair and you're like

1367

00:54:22,829 --> 00:54:20,400

my nipples are so tiny

1368

00:54:24,870 --> 00:54:22,839

more information sorry i was reading the

1369

00:54:27,030 --> 00:54:24,880

chat god

1370

00:54:28,309 --> 00:54:27,040

i love it

1371

00:54:30,870 --> 00:54:28,319

anyway

1372

00:54:32,790 --> 00:54:30,880

yeah that's true gary's gary's got a

1373

00:54:34,309 --> 00:54:32,800

little bit of a point i can only yeah i

1374

00:54:36,829 --> 00:54:34,319

can that's why you gotta go to the only

1375

00:54:40,630 --> 00:54:36,839

fans that's not set

1376

00:54:41,910 --> 00:54:40,640

up oh it is i mean

1377

00:54:44,789 --> 00:54:41,920

mine is

1378

00:54:46,950 --> 00:54:44,799

oh [h__h] that's yours is yeah

1379

00:54:49,190 --> 00:54:46,960

maybe i'll take wednesdays hump day with

1380

00:54:54,950 --> 00:54:49,200

big willy you know like get you through

1381

00:54:59,109 --> 00:54:57,190

your night time stories too be like

1382

00:55:00,069 --> 00:54:59,119

you're feeling very rest

1383

00:55:01,670 --> 00:55:00,079

it's just the better you're talking to

1384

00:55:03,430 --> 00:55:01,680

me it doesn't make sense you just have

1385

00:55:05,510 --> 00:55:03,440

your ear plugs in

1386

00:55:08,390 --> 00:55:05,520

you're feeling very warm now

1387

00:55:11,430 --> 00:55:08,400

i mean it's not bad

1388

00:55:15,109 --> 00:55:11,440

secure oh thinking back you know what

1389

00:55:21,430 --> 00:55:17,589

oh man god would be doing something

1390

00:55:23,109 --> 00:55:21,440

important though i feel like before

1391

00:55:24,870 --> 00:55:23,119

you're reading number three oh jesus

1392

00:55:27,990 --> 00:55:24,880

christ okay i got you okay hang on hang

1393

00:55:29,510 --> 00:55:28,000

on i'm gonna pop the screen up [h__h]

1394

00:55:31,190 --> 00:55:29,520

yeah okay i got you without that okay so

1395

00:55:32,630 --> 00:55:31,200

number three guys

1396

00:55:35,109 --> 00:55:32,640

number you which i don't know what that

1397

00:55:37,109 --> 00:55:35,119

stands for either and it's also a letter

1398

00:55:39,510 --> 00:55:37,119

not a number but i'll let you slide this

1399

00:55:42,230 --> 00:55:39,520

down 100 percent

1400

00:55:44,309 --> 00:55:42,240

wait no it's it is a letter

1401

00:55:45,670 --> 00:55:44,319

after the three is a u in in in

1402

00:55:46,950 --> 00:55:45,680

quotation marks and i don't know the

1403

00:55:49,589 --> 00:55:46,960

number you i don't know what the number

1404

00:55:52,120 --> 00:55:51,349

sesame street is brought to you by the

1405

00:55:54,309 --> 00:55:52,130

number you

1406

00:55:55,910 --> 00:55:54,319

[Laughter]

1407

00:56:02,630 --> 00:55:55,920

and the count comes out and he's like

1408

00:56:05,589 --> 00:56:04,230

it's like an infinite episode of the

1409

00:56:07,589 --> 00:56:05,599

count counting trying to get to the

1410

00:56:09,910 --> 00:56:07,599

letter u but he never gets there because

1411

00:56:11,190 --> 00:56:09,920

it's a letter and not a number it never

1412

00:56:12,549 --> 00:56:11,200

happened

1413

00:56:15,349 --> 00:56:12,559

all right guys so classification

1414

00:56:17,910 --> 00:56:15,359

challenges if at any time

1415

00:56:20,390 --> 00:56:17,920

if at any time security classification

1416

00:56:23,270 --> 00:56:20,400

guidance contained herein is challenged

1417

00:56:25,910 --> 00:56:23,280

or temporary markings of a higher

1418

00:56:27,589 --> 00:56:25,920

classification are made the items of the

1419

00:56:30,870 --> 00:56:27,599

information involved shall continue to

1420

00:56:34,710 --> 00:56:30,880

be protected at the level prescribed by

1421

00:56:36,950 --> 00:56:34,720

this guide until a former formal

1422

00:56:39,190 --> 00:56:36,960

decision by any by an appropriate

1423

00:56:42,069 --> 00:56:39,200

authority is made classification

1424

00:56:45,109 --> 00:56:42,079

challenges should be addressed to the pr

1425

00:56:47,990 --> 00:56:45,119

who the first shows the pr

1426

00:56:50,710 --> 00:56:48,000

one above oh okay oh [h__h] that's the

1427

00:56:52,710 --> 00:56:50,720

unimportant part i told you guys

1428

00:56:55,349 --> 00:56:52,720

good night buddy thank you so much dude

1429

00:56:57,030 --> 00:56:55,359

we really appreciate you thank you gary

1430

00:56:58,870 --> 00:56:57,040

love you brother

1431

00:57:02,230 --> 00:56:58,880

i'll call you on christmas morning at 7

1432

00:57:04,789 --> 00:57:03,750

just what's your snapchat i'll send you

1433

00:57:06,630 --> 00:57:04,799

pictures

1434

00:57:07,829 --> 00:57:06,640

right now i'm going to let me sleep for

1435

00:57:09,430 --> 00:57:07,839

christmas i'm going to call all of you

1436

00:57:11,349 --> 00:57:09,440

guys

1437

00:57:13,510 --> 00:57:11,359

not going to have a lot to say call me

1438

00:57:15,430 --> 00:57:13,520

last i want to sleep in

1439

00:57:16,710 --> 00:57:15,440

yeah third uh okay

1440

00:57:19,829 --> 00:57:16,720

the next part is kind of interesting

1441

00:57:21,670 --> 00:57:19,839

actually uh number four reproduction

1442

00:57:23,829 --> 00:57:21,680

well i'm sorry i moved

1443

00:57:25,190 --> 00:57:23,839

wait which mouse is your mouse is up to

1444

00:57:29,910 --> 00:57:25,200

get your mouse off there your mouse is

1445

00:57:29,920 --> 00:57:33,510

purple's a solid color bro

1446

00:57:36,950 --> 00:57:35,190

oh hey hey we didn't break down number

1447

00:57:38,630 --> 00:57:36,960

three real quick we do need to break

1448

00:57:39,750 --> 00:57:38,640

down number three

1449

00:57:41,829 --> 00:57:39,760

do it okay

1450

00:57:44,309 --> 00:57:41,839

if at any time security classification

1451
00:57:46,789 --> 00:57:44,319
guidance contained herein is challenged

1452
00:57:49,190 --> 00:57:46,799
or temporary markings of a higher

1453
00:57:51,349 --> 00:57:49,200
classification are made the items of

1454
00:57:54,150 --> 00:57:51,359
information involved shall continue to

1455
00:57:56,390 --> 00:57:54,160
be protected at the level prescribed by

1456
00:57:59,349 --> 00:57:56,400
this guide until formal decision by an

1457
00:58:00,470 --> 00:57:59,359
appropriate authority is made so

1458
00:58:06,150 --> 00:58:00,480
so

1459
00:58:08,390 --> 00:58:06,160
i saw this ufo that's classification

1460
00:58:09,670 --> 00:58:08,400
three and some other people go out and

1461
00:58:11,990 --> 00:58:09,680
they're like well we think it's

1462
00:58:13,109 --> 00:58:12,000
classification five does that mean that

1463
00:58:15,990 --> 00:58:13,119

they now

1464

00:58:17,750 --> 00:58:16,000

say as a whole okay we're moving this

1465

00:58:20,309 --> 00:58:17,760

from the original classification three

1466

00:58:21,829 --> 00:58:20,319

to a classification five until we can

1467

00:58:24,390 --> 00:58:21,839

get some real answers on what's

1468

00:58:26,390 --> 00:58:24,400

happening so we go ahead and we hold it

1469

00:58:28,470 --> 00:58:26,400

at a five classification even though

1470

00:58:30,950 --> 00:58:28,480

it's we originally thought it was a

1471

00:58:32,710 --> 00:58:30,960

three but because you came back and said

1472

00:58:34,710 --> 00:58:32,720

i think it's probably a five we going

1473

00:58:37,270 --> 00:58:34,720

ahead and move it just to be safe and we

1474

00:58:39,910 --> 00:58:37,280

say it's a five right so we can get the

1475

00:58:42,230 --> 00:58:39,920

eyes on it at a quicker rate

1476

00:58:44,470 --> 00:58:42,240

until we can you know kind of unbox

1477

00:58:47,349 --> 00:58:44,480

what's happening and then say okay it's

1478

00:58:48,950 --> 00:58:47,359

not really a five it we did discover

1479

00:58:50,069 --> 00:58:48,960

though it's a little more than a three

1480

00:58:52,870 --> 00:58:50,079

so we're gonna go ahead and put this in

1481

00:58:54,309 --> 00:58:52,880

a four classification right well what

1482

00:58:56,950 --> 00:58:54,319

what's the difference between a four and

1483

00:58:58,230 --> 00:58:56,960

a five though like who who calls those

1484

00:59:00,630 --> 00:58:58,240

shots

1485

00:59:02,150 --> 00:59:00,640

that's the other thing because authority

1486

00:59:05,190 --> 00:59:02,160

yeah

1487

00:59:08,390 --> 00:59:05,200

who is that who's that

1488

00:59:09,990 --> 00:59:08,400

it's gary down in the office just

1489

00:59:11,829 --> 00:59:10,000

chilling out with his coffee it'd be

1490

00:59:13,270 --> 00:59:11,839

funny if they just took like took [h__h]

1491

00:59:16,069 --> 00:59:13,280

to tom the long and he was like oh yeah

1492

00:59:19,990 --> 00:59:18,549

honestly i would love i mean i came back

1493

00:59:21,990 --> 00:59:20,000

with liquid too did you know that tom

1494

00:59:24,390 --> 00:59:22,000

dog's badass yeah i would love for him

1495

00:59:26,549 --> 00:59:24,400

to decide that [h__h] that'd be hilarious

1496

00:59:28,870 --> 00:59:26,559

i know like what it was like i think you

1497

00:59:30,710 --> 00:59:28,880

would do a good job

1498

00:59:32,789 --> 00:59:30,720

i mean i don't

1499

00:59:36,390 --> 00:59:32,799

you don't do that okay i just i i just

1500

00:59:37,910 --> 00:59:36,400

don't think that he knows like

1501

00:59:39,750 --> 00:59:37,920

he would know the difference between

1502

00:59:41,910 --> 00:59:39,760

something that needs to be in the public

1503

00:59:43,430 --> 00:59:41,920

public eye maybe not i don't know [\h__\h]

1504

00:59:44,950 --> 00:59:43,440

now you're chosen

1505

00:59:46,710 --> 00:59:44,960

right i mean we're just rehashing old

1506

00:59:49,510 --> 00:59:46,720

[\h__\h] here right but like i mean yeah he

1507

00:59:51,190 --> 00:59:49,520

he he knows some stuff but like i don't

1508

00:59:51,910 --> 00:59:51,200

think he's like you know

1509

00:59:53,670 --> 00:59:51,920

well

1510

00:59:55,349 --> 00:59:53,680

he like knows knows you know they were

1511

00:59:58,710 --> 00:59:55,359

like hey

1512

01:00:02,309 --> 01:00:01,270

bob's

1513

01:00:05,109 --> 01:00:02,319

sorry

1514

01:00:06,470 --> 01:00:05,119

keep going yeah i don't know remember

1515

01:00:07,750 --> 01:00:06,480

well one of the things i was concerned

1516

01:00:08,870 --> 01:00:07,760

about too which you're saying though and

1517

01:00:10,230 --> 01:00:08,880

i guess i missed this part right off the

1518

01:00:11,670 --> 01:00:10,240

very beginning

1519

01:00:12,789 --> 01:00:11,680

is this current document that we're

1520

01:00:16,069 --> 01:00:12,799

reading

1521

01:00:18,470 --> 01:00:16,079

a new development from the navy

1522

01:00:19,829 --> 01:00:18,480

their form of investigation it came out

1523

01:00:22,789 --> 01:00:19,839

on the 22nd

1524

01:00:25,430 --> 01:00:22,799

is it supposed to be hoping disclosure

1525

01:00:26,789 --> 01:00:25,440

or in my concerning my concern here is

1526

01:00:29,030 --> 01:00:26,799

that in a sense it almost seems like

1527

01:00:31,510 --> 01:00:29,040

it's a new way of just suppressing more

1528

01:00:33,030 --> 01:00:31,520

information because now it's right here

1529

01:00:34,630 --> 01:00:33,040

at any time

1530

01:00:38,710 --> 01:00:34,640

security classification guidance

1531

01:00:40,150 --> 01:00:38,720

contained herein is challenged

1532

01:00:43,030 --> 01:00:40,160

so if it's challenged somebody comes out

1533

01:00:44,710 --> 01:00:43,040

maybe someone says

1534

01:00:46,789 --> 01:00:44,720

or temporary markings of higher

1535

01:00:48,789 --> 01:00:46,799

classification are made the item of

1536

01:00:50,950 --> 01:00:48,799

information involved shall continue to

1537

01:00:52,950 --> 01:00:50,960

be protected at the level prescribed by

1538

01:00:54,069 --> 01:00:52,960

this guide so that kind of to me i read

1539

01:00:55,109 --> 01:00:54,079

that and maybe i'm reading wrong but it

1540

01:00:56,710 --> 01:00:55,119

literally says like we're allowed to

1541

01:00:59,190 --> 01:00:56,720

cover stuff up

1542

01:01:01,109 --> 01:00:59,200

yeah we're allowed to just cover it

1543

01:01:02,549 --> 01:01:01,119

that's what it means

1544

01:01:04,630 --> 01:01:02,559

totally

1545

01:01:06,630 --> 01:01:04,640

because we addressed it with to the pr

1546

01:01:07,750 --> 01:01:06,640

guy and it's the old guy from the pixar

1547

01:01:08,789 --> 01:01:07,760

playing chess with himself in the

1548

01:01:10,710 --> 01:01:08,799

basement

1549

01:01:12,950 --> 01:01:10,720

damn you just said something before that

1550

01:01:14,950 --> 01:01:12,960

and i and i had a

1551

01:01:16,630 --> 01:01:14,960

point and i forgot what it was now my

1552

01:01:18,309 --> 01:01:16,640

bad sucks

1553

01:01:20,470 --> 01:01:18,319

i'm sorry i'm gonna have to go back and

1554

01:01:21,910 --> 01:01:20,480

really listen to it

1555

01:01:23,750 --> 01:01:21,920

but then the show's gonna be over so it

1556

01:01:25,910 --> 01:01:23,760

doesn't even matter

1557

01:01:28,230 --> 01:01:25,920

you'll think of it dude oh yeah yeah

1558

01:01:29,510 --> 01:01:28,240

okay no no no i remember now yeah uh so

1559

01:01:31,190 --> 01:01:29,520

this document coming out you were

1560

01:01:33,270 --> 01:01:31,200

talking about is this just like more

1561

01:01:35,589 --> 01:01:33,280

part of the cover-up or is it uh is it

1562

01:01:37,349 --> 01:01:35,599

like legit stuff right and i think you

1563

01:01:40,069 --> 01:01:37,359

know you saw the uh you saw the thing

1564

01:01:41,829 --> 01:01:40,079

coming out were there like the the

1565

01:01:45,109 --> 01:01:41,839

the government's releasing three

1566

01:01:47,990 --> 01:01:45,119

terabytes of ufo information this year

1567

01:01:49,430 --> 01:01:48,000

three [h__\h] terabytes like dude like

1568

01:01:51,030 --> 01:01:49,440

who's really gonna be able to read

1569

01:01:52,230 --> 01:01:51,040

through all that and how much that is

1570

01:01:54,710 --> 01:01:52,240

just going to be complete and total

1571

01:01:57,190 --> 01:01:54,720

[h__\h] and then the rest of it like i

1572

01:01:59,750 --> 01:01:57,200

literally need something like like

1573

01:02:01,990 --> 01:01:59,760

that's like one kilobyte and it's just a

1574

01:02:04,230 --> 01:02:02,000

blank screen that says aliens are real

1575

01:02:06,309 --> 01:02:04,240

ufos exist like i don't need [h__\h]

1576

01:02:07,349 --> 01:02:06,319

three terabytes of [h__\h] i just need a

1577

01:02:09,109 --> 01:02:07,359

[h__\h]

1578

01:02:10,950 --> 01:02:09,119

photo sent to my phone it just says

1579

01:02:12,950 --> 01:02:10,960

aliens are real and yeah you know what

1580

01:02:14,710 --> 01:02:12,960

we need to do we need to invest it and

1581

01:02:15,910 --> 01:02:14,720

patent it through the ufo garage podcast

1582

01:02:17,910 --> 01:02:15,920

right now guys if you're hearing this

1583

01:02:20,870 --> 01:02:17,920

this has been patented it is

1584

01:02:22,230 --> 01:02:20,880

december 23rd i don't know what the day

1585

01:02:25,430 --> 01:02:22,240

i think that's right

1586

01:02:28,789 --> 01:02:25,440

of 2021 2025

1587

01:02:30,710 --> 01:02:28,799

we need to develop an ai system

1588

01:02:33,510 --> 01:02:30,720

that reads through that stuff and sifts

1589

01:02:36,230 --> 01:02:33,520

through it so that it gives you a

1590

01:02:37,829 --> 01:02:36,240

like compressed broke down version that

1591

01:02:39,670 --> 01:02:37,839

you can then actually sift through and

1592

01:02:41,510 --> 01:02:39,680

read because three terabytes like you

1593

01:02:42,870 --> 01:02:41,520

just said joe

1594

01:02:44,950 --> 01:02:42,880

what do you

1595

01:02:46,549 --> 01:02:44,960

what is it that what is that of

1596

01:02:49,349 --> 01:02:46,559

are they throwing and because here's my

1597

01:02:50,549 --> 01:02:49,359

other question the investigation was

1598

01:02:51,910 --> 01:02:50,559

released back in the beginning of the

1599

01:02:53,270 --> 01:02:51,920

year right where they're like oh my god

1600

01:02:54,470 --> 01:02:53,280

congress is releasing you know like

1601
01:02:55,910 --> 01:02:54,480
they're going to have to give their uh i

1602
01:02:57,430 --> 01:02:55,920
forget what that was called

1603
01:02:59,270 --> 01:02:57,440
but the initial

1604
01:03:00,549 --> 01:02:59,280
release right that said hey we're not

1605
01:03:03,029 --> 01:03:00,559
looking anything prior to i believe it

1606
01:03:04,870 --> 01:03:03,039
was 2004. they're only looking at 2004

1607
01:03:07,910 --> 01:03:04,880
on so are we saying you have three

1608
01:03:10,390 --> 01:03:07,920
terabytes of information from 2004 on or

1609
01:03:13,430 --> 01:03:10,400
are we saying okay prior to 2004 here is

1610
01:03:15,990 --> 01:03:13,440
three terabytes of information

1611
01:03:18,470 --> 01:03:16,000
just gonna be dumped on you guys at once

1612
01:03:20,950 --> 01:03:18,480
either way it's disconcerting that no

1613
01:03:22,630 --> 01:03:20,960

one's actually probably sorted through

1614

01:03:23,910 --> 01:03:22,640

this even people in the government who

1615

01:03:25,510 --> 01:03:23,920

are going through and marking this stuff

1616

01:03:26,390 --> 01:03:25,520

out and writing classifications and

1617

01:03:28,230 --> 01:03:26,400

rules and how it's supposed to be

1618

01:03:29,589 --> 01:03:28,240

handled around it have more than likely

1619

01:03:30,870 --> 01:03:29,599

not read these documents themselves

1620

01:03:32,630 --> 01:03:30,880

because again i'm still going to equate

1621

01:03:34,470 --> 01:03:32,640

it back to they are human beings just

1622

01:03:36,870 --> 01:03:34,480

like you and i there are a couple who

1623

01:03:38,630 --> 01:03:36,880

that is their job to do that that have

1624

01:03:40,470 --> 01:03:38,640

but the majority that this document

1625

01:03:42,150 --> 01:03:40,480

comes across their desk they don't have

1626

01:03:43,670 --> 01:03:42,160

time for this probably

1627

01:03:46,470 --> 01:03:43,680

you know what i mean uh

1628

01:03:50,549 --> 01:03:46,480

can i can i counter that with with

1629

01:03:52,950 --> 01:03:50,559

the uh the psychological uh angle there

1630

01:03:55,190 --> 01:03:52,960

where if if you're in a

1631

01:03:57,190 --> 01:03:55,200

if you're the government if let's say

1632

01:03:58,950 --> 01:03:57,200

that big willy you are

1633

01:04:01,190 --> 01:03:58,960

the voice of the government i mean the

1634

01:04:04,630 --> 01:04:01,200

president let's say you're the pre el

1635

01:04:08,230 --> 01:04:04,640

presidente el capitan

1636

01:04:10,150 --> 01:04:08,240

and and you say and you say

1637

01:04:12,390 --> 01:04:10,160

hey guys

1638

01:04:15,510 --> 01:04:12,400

download this three kilobyte

1639

01:04:17,349 --> 01:04:15,520

thing out and you just say words

1640

01:04:19,990 --> 01:04:17,359

aliens are here and

1641

01:04:22,150 --> 01:04:20,000

it's [h__h] real then it becomes this

1642

01:04:24,870 --> 01:04:22,160

this thing like oh we're being told that

1643

01:04:27,670 --> 01:04:24,880

aliens are real is it more impactful

1644

01:04:29,430 --> 01:04:27,680

that you would say that very quickly and

1645

01:04:31,589 --> 01:04:29,440

like okay it's [h__h] over

1646

01:04:34,630 --> 01:04:31,599

or would it be more impactful to have

1647

01:04:37,270 --> 01:04:34,640

proof to back it up you know like that

1648

01:04:39,109 --> 01:04:37,280

maybe that's why these files

1649

01:04:41,190 --> 01:04:39,119

are so large and that's why they're

1650

01:04:43,349 --> 01:04:41,200

careful they as in like the government

1651

01:04:45,190 --> 01:04:43,359

or the people that are handling this

1652

01:04:47,589 --> 01:04:45,200

disclosure

1653

01:04:49,589 --> 01:04:47,599

they're like we can't just tell people

1654

01:04:51,029 --> 01:04:49,599

what it is because

1655

01:04:53,430 --> 01:04:51,039

i always feel

1656

01:04:55,750 --> 01:04:53,440

i'm sorry i just want let me i kind of

1657

01:04:57,510 --> 01:04:55,760

want to get this out because i feel like

1658

01:04:59,670 --> 01:04:57,520

people that work for the government are

1659

01:05:00,710 --> 01:04:59,680

that they're people so

1660

01:05:01,670 --> 01:05:00,720

they know

1661

01:05:03,750 --> 01:05:01,680

that

1662

01:05:06,230 --> 01:05:03,760

even if you tell people the truth you

1663

01:05:07,990 --> 01:05:06,240

got to back it up with facts

1664

01:05:10,870 --> 01:05:08,000

so you can't just tell people something

1665

01:05:13,029 --> 01:05:10,880

with a cree a three kilobyte you know

1666

01:05:15,270 --> 01:05:13,039

message or image or gif you know of a

1667

01:05:18,069 --> 01:05:15,280

frog saying hey dudes it's wednesday

1668

01:05:24,309 --> 01:05:18,079

like you gotta you gotta back it up like

1669

01:05:29,270 --> 01:05:27,109

i've told both of you guys facts

1670

01:05:31,430 --> 01:05:29,280

without all this confusing ass language

1671

01:05:32,309 --> 01:05:31,440

like why why did it why

1672

01:05:33,270 --> 01:05:32,319

why

1673

01:05:35,510 --> 01:05:33,280

yeah like

1674

01:05:37,190 --> 01:05:35,520

it's official it's a government document

1675

01:05:39,109 --> 01:05:37,200

it has to be professional worded a

1676

01:05:41,349 --> 01:05:39,119

certain way but like the government

1677

01:05:43,029 --> 01:05:41,359

documents aren't written for regular

1678

01:05:44,950 --> 01:05:43,039

people to read and consume and

1679

01:05:47,029 --> 01:05:44,960

understand they're only written for

1680

01:05:49,430 --> 01:05:47,039

[h__\h] like other government officials

1681

01:05:53,109 --> 01:05:49,440

who understand the [h__\h] jargon

1682

01:05:55,190 --> 01:05:53,119

it's it's it's purposely made to be very

1683

01:05:57,109 --> 01:05:55,200

boring and ineffective to a regular

1684

01:05:59,829 --> 01:05:57,119

person it's on purpose

1685

01:06:01,109 --> 01:05:59,839

like if you want to like say something

1686

01:06:03,510 --> 01:06:01,119

that's going to like get people's

1687

01:06:05,430 --> 01:06:03,520

attention then say it to the regular

1688

01:06:08,069 --> 01:06:05,440

person none of this is for the regular

1689

01:06:10,069 --> 01:06:08,079

person at all like and that's the thing

1690

01:06:13,029 --> 01:06:10,079

with me is like i appreciate the

1691

01:06:15,190 --> 01:06:13,039

documents i appreciate the drops and the

1692

01:06:16,630 --> 01:06:15,200

leaks and all that other [h__h] but like i

1693

01:06:18,390 --> 01:06:16,640

would appreciate it more if i could

1694

01:06:20,789 --> 01:06:18,400

understand it like

1695

01:06:23,510 --> 01:06:20,799

you know you don't i mean i think it it

1696

01:06:25,910 --> 01:06:23,520

comes down to like

1697

01:06:27,270 --> 01:06:25,920

it's all legal terms like everything

1698

01:06:30,230 --> 01:06:27,280

that is provable

1699

01:06:33,910 --> 01:06:30,240

we're seeing it with with uh this

1700

01:06:35,430 --> 01:06:33,920

resurgence back in 2017 with like oh

1701

01:06:37,349 --> 01:06:35,440

there's official people talking about

1702

01:06:40,789 --> 01:06:37,359

this and there's like legal language and

1703

01:06:42,069 --> 01:06:40,799

[h__\h] like you look at the uh

1704

01:06:44,630 --> 01:06:42,079

uh

1705

01:06:47,190 --> 01:06:44,640

the laws in america and how you prove

1706

01:06:48,789 --> 01:06:47,200

stuff in a court of law like everybody's

1707

01:06:49,990 --> 01:06:48,799

like you know what you know what is

1708

01:06:51,750 --> 01:06:50,000

truth

1709

01:06:54,390 --> 01:06:51,760

it's not what everybody agrees on

1710

01:06:56,710 --> 01:06:54,400

anymore it's like legally what we agree

1711

01:06:59,270 --> 01:06:56,720

on in the court of law like my brother

1712

01:07:01,349 --> 01:06:59,280

is is an attorney like yeah we've had

1713

01:07:04,069 --> 01:07:01,359

deep conversations and i'm like poking

1714

01:07:05,910 --> 01:07:04,079

holes in his vest and you know

1715

01:07:07,750 --> 01:07:05,920

he spent a lot of money and time doing

1716

01:07:10,549 --> 01:07:07,760

what he did and like yeah but what

1717

01:07:13,349 --> 01:07:10,559

you're doing is not like totally chill

1718

01:07:16,069 --> 01:07:13,359

like you're just making this up like we

1719

01:07:18,150 --> 01:07:16,079

don't all agree that the legal system is

1720

01:07:20,470 --> 01:07:18,160

perfect right like what they're doing

1721

01:07:22,870 --> 01:07:20,480

this is legal talk dude that's why it's

1722

01:07:25,190 --> 01:07:22,880

confusing

1723

01:07:27,029 --> 01:07:25,200

yeah but even look at section 5 there i

1724

01:07:29,270 --> 01:07:27,039

mean i think section 5 right off the bat

1725

01:07:31,270 --> 01:07:29,280

tells you everything you need to know

1726

01:07:34,549 --> 01:07:31,280

about this

1727

01:07:37,029 --> 01:07:34,559

mr crowley first three lines i i know

1728

01:07:39,750 --> 01:07:37,039

like he mr crowley's saying he's like

1729

01:07:42,549 --> 01:07:39,760

what are you guys not understanding they

1730

01:07:44,789 --> 01:07:42,559

we cannot tell you outright like we just

1731

01:07:47,349 --> 01:07:44,799

can't tell you like i know like we get

1732

01:07:50,309 --> 01:07:47,359

that that's the frustrating part is like

1733

01:07:52,390 --> 01:07:50,319

he's so much i know nobody can say it

1734

01:07:54,390 --> 01:07:52,400

but like at what point does it get to

1735

01:07:56,470 --> 01:07:54,400

just like stupidity like we're just like

1736

01:07:59,029 --> 01:07:56,480

dancing around this [h__\h] thing it's

1737

01:08:01,829 --> 01:07:59,039

like ufos and aliens at one point does

1738

01:08:04,789 --> 01:08:01,839

it just get ridiculous yes it's like you

1739

01:08:06,309 --> 01:08:04,799

can literally just say

1740

01:08:07,750 --> 01:08:06,319

yes

1741

01:08:09,510 --> 01:08:07,760

you know like that like how cool would

1742

01:08:11,270 --> 01:08:09,520

it be if the president of the united

1743

01:08:13,670 --> 01:08:11,280

states was like i know

1744

01:08:15,829 --> 01:08:13,680

i get the legal jargon i get all that

1745

01:08:18,229 --> 01:08:15,839

but like the legal jargon has also been

1746

01:08:19,990 --> 01:08:18,239

used to [h__h] people royally because they

1747

01:08:23,030 --> 01:08:20,000

don't understand it that's why you have

1748

01:08:25,590 --> 01:08:23,040

to hire a lawyer to understand this [h__h]

1749

01:08:28,149 --> 01:08:25,600

it's it's it's it's [h__h] extortion

1750

01:08:30,149 --> 01:08:28,159

dude like it's just it's ridiculous this

1751

01:08:31,910 --> 01:08:30,159

doesn't require a lawyer for me to go

1752

01:08:34,390 --> 01:08:31,920

through but like

1753

01:08:36,229 --> 01:08:34,400

it's it's terrible like it's just it's

1754

01:08:38,550 --> 01:08:36,239

terrible man that's because the language

1755

01:08:41,590 --> 01:08:38,560

was set the the set language the

1756

01:08:43,669 --> 01:08:41,600

approved language is from royally [h__h]

1757

01:08:45,910 --> 01:08:43,679

people so then you have to speak their

1758

01:08:48,229 --> 01:08:45,920

language you have to really [h__h] them

1759

01:08:49,749 --> 01:08:48,239

and speak their royally [h__h] language

1760

01:08:53,510 --> 01:08:49,759

that's what

1761

01:08:54,870 --> 01:08:53,520

love that they go right back in the pr

1762

01:08:56,950 --> 01:08:54,880

again in section four they're like this

1763

01:08:58,309 --> 01:08:56,960

guy may be reproduced and disseminated

1764

01:08:59,030 --> 01:08:58,319

as needed so like kind of what we're

1765

01:09:01,269 --> 01:08:59,040

doing if you want to call it

1766

01:09:04,070 --> 01:09:01,279

dissemination yeah however to ensure

1767

01:09:06,149 --> 01:09:04,080

recipient uh excuse me recipient of

1768

01:09:07,590 --> 01:09:06,159

updates revisions and classification

1769

01:09:10,390 --> 01:09:07,600

changes whenever this guide is

1770

01:09:11,829 --> 01:09:10,400

disseminated beyond initial addresses

1771

01:09:13,990 --> 01:09:11,839

notify the pr

1772

01:09:15,349 --> 01:09:14,000

so mr pr whoever you are uh just be

1773

01:09:17,030 --> 01:09:15,359

notified

1774

01:09:25,349 --> 01:09:17,040

we up in here disseminating at this

1775

01:09:30,789 --> 01:09:28,870

is sexual that is in sexual form

1776

01:09:32,950 --> 01:09:30,799

desemination is a little yeah it's a

1777

01:09:35,030 --> 01:09:32,960

breaking down of information

1778

01:09:38,470 --> 01:09:35,040

it's like insemination is the input of

1779

01:09:41,269 --> 01:09:38,480

information right yeah inseminating

1780

01:09:43,269 --> 01:09:41,279

but my concern on this a little bit is

1781

01:09:44,309 --> 01:09:43,279

what i was talking about

1782

01:09:45,990 --> 01:09:44,319

information

1783

01:09:48,149 --> 01:09:46,000

i mean you technically are right it's a

1784

01:09:49,669 --> 01:09:48,159

download it's a download of information

1785

01:09:51,510 --> 01:09:49,679

that seeks out

1786

01:09:53,749 --> 01:09:51,520

the file source

1787

01:09:55,830 --> 01:09:53,759

implants that file source

1788

01:09:57,910 --> 01:09:55,840

creates a code that replicates another

1789

01:09:59,669 --> 01:09:57,920

code that continues to replicate code

1790

01:10:01,030 --> 01:09:59,679

and then out comes a little uh pooping

1791

01:10:03,910 --> 01:10:01,040

screaming grinding baby eventually you

1792

01:10:05,669 --> 01:10:03,920

know i don't believe in babies

1793

01:10:08,870 --> 01:10:05,679

ain't real they fake just like the

1794

01:10:13,110 --> 01:10:10,310

the um

1795

01:10:14,310 --> 01:10:13,120

the concern i have is that with and

1796

01:10:15,910 --> 01:10:14,320

there's kind of a point that was brought

1797

01:10:17,830 --> 01:10:15,920

up on the most recent episode of the

1798

01:10:19,110 --> 01:10:17,840

bledsoe zed so podcast

1799

01:10:20,310 --> 01:10:19,120

and here's some

1800

01:10:21,590 --> 01:10:20,320

when i first heard it initially i'm not

1801

01:10:23,030 --> 01:10:21,600

gonna lie it was hard for me to like

1802

01:10:25,110 --> 01:10:23,040

take it but this document is kind of a

1803

01:10:26,310 --> 01:10:25,120

good point of this it's just this

1804

01:10:27,990 --> 01:10:26,320

push for

1805

01:10:29,750 --> 01:10:28,000

excuse me the government all of a sudden

1806

01:10:31,110 --> 01:10:29,760

realizing that like there is a there is

1807

01:10:32,550 --> 01:10:31,120

a change

1808

01:10:34,709 --> 01:10:32,560

taking place

1809

01:10:36,390 --> 01:10:34,719

across the board there's people waking

1810

01:10:38,310 --> 01:10:36,400

up we can call it a consciousness mass

1811

01:10:39,110 --> 01:10:38,320

consciousness consciousness awakeness or

1812

01:10:40,310 --> 01:10:39,120

whatever you want to call it if we're

1813

01:10:42,870 --> 01:10:40,320

going to the age aquarius and all that

1814

01:10:44,470 --> 01:10:42,880

other jazz alignment of some planets

1815

01:10:46,550 --> 01:10:44,480

whatever you want to call it and i feel

1816

01:10:48,870 --> 01:10:46,560

like they're scrambling

1817

01:10:50,310 --> 01:10:48,880

to try and control the pieces of

1818

01:10:52,070 --> 01:10:50,320

information they're giving out like oh

1819

01:10:53,350 --> 01:10:52,080

guys we're totally on your side now

1820

01:10:56,790 --> 01:10:53,360

there's a new group of people here and

1821

01:11:00,470 --> 01:10:58,470

i still feel like they're just picking

1822

01:11:03,110 --> 01:11:00,480

and choosing and pointing back to old

1823

01:11:06,709 --> 01:11:03,120

information possibly this doesn't

1824

01:11:08,310 --> 01:11:06,719

really matter for like oh i didn't oh

1825

01:11:10,310 --> 01:11:08,320

it went away i was gonna point at number

1826

01:11:16,070 --> 01:11:10,320

five just how it like basically

1827

01:11:20,070 --> 01:11:17,830

the fact that this guide shows certain

1828

01:11:22,229 --> 01:11:20,080

details of information be

1829

01:11:24,390 --> 01:11:22,239

unclassified including controlled

1830

01:11:26,310 --> 01:11:24,400

unclassified information does not allow

1831

01:11:29,990 --> 01:11:26,320

automatic public release of this

1832

01:11:33,030 --> 01:11:30,000

information which we're doing right now

1833

01:11:34,630 --> 01:11:33,040

number five basically says don't do this

1834

01:11:36,950 --> 01:11:34,640

don't do it

1835

01:11:38,950 --> 01:11:36,960

dod of navy information requested by the

1836

01:11:41,350 --> 01:11:38,960

media or members of the public or

1837

01:11:44,070 --> 01:11:41,360

proposed for release to the public that

1838

01:11:47,910 --> 01:11:44,080

by the dod civilians or military

1839

01:11:50,070 --> 01:11:47,920

personnel of their contractors shall be

1840

01:11:51,590 --> 01:11:50,080

what does that say pros why can't i read

1841

01:11:54,390 --> 01:11:51,600

what's going on process

1842

01:11:57,030 --> 01:11:54,400

the cognizant nia freedom of information

1843

01:11:58,550 --> 01:11:57,040

act officer in accordance ah there we go

1844

01:12:00,310 --> 01:11:58,560

processed in accordance with the dod

1845

01:12:01,750 --> 01:12:00,320

manual a bunch of numbers a bunch of

1846

01:12:03,510 --> 01:12:01,760

other crap it doesn't matter what is

1847

01:12:06,229 --> 01:12:03,520

this what is this

1848

01:12:13,189 --> 01:12:06,239

significant like that sounds evil dude

1849

01:12:17,110 --> 01:12:14,790

i know that's an acronym but like it

1850

01:12:19,030 --> 01:12:17,120

sounds evil dude proposed public

1851
01:12:21,030 --> 01:12:19,040
disclosures of unclassified information

1852
01:12:24,550 --> 01:12:21,040
regarding uap shall be processed through

1853
01:12:26,709 --> 01:12:24,560
the cognizant nia what i don't know

1854
01:12:29,270 --> 01:12:26,719
freedom of information act officer

1855
01:12:31,110 --> 01:12:29,280
again i guess what i'm saying is like i

1856
01:12:33,830 --> 01:12:31,120
i am excited but like kind of back to

1857
01:12:36,390 --> 01:12:33,840
you guys episode with joey right like or

1858
01:12:38,229 --> 01:12:36,400
was it joey or joe no it's joey right i

1859
01:12:40,790 --> 01:12:38,239
think his name is joey two episodes back

1860
01:12:42,950 --> 01:12:40,800
for you guys his name joey joey joe

1861
01:12:47,510 --> 01:12:42,960
should be joey anyways

1862
01:12:51,910 --> 01:12:49,350
how we're not but the other joe from uh

1863
01:12:56,070 --> 01:12:51,920

from tick-tock talk about consciousness

1864

01:13:03,510 --> 01:12:57,510

dan warren

1865

01:13:05,030 --> 01:13:03,750

okay mellow

1866

01:13:07,350 --> 01:13:05,040

make him feel like a crazy man over here

1867

01:13:09,110 --> 01:13:07,360

bro i'm sorry dude i'm not good my bad

1868

01:13:11,350 --> 01:13:09,120

i'm yes you were but kind of what he was

1869

01:13:13,910 --> 01:13:11,360

hitting on is the whole idea that like

1870

01:13:16,550 --> 01:13:13,920

i don't know

1871

01:13:18,870 --> 01:13:16,560

that this this disclosure the whole like

1872

01:13:20,229 --> 01:13:18,880

walking out it he hit on it it's even

1873

01:13:22,149 --> 01:13:20,239

like in the blood so said so episode

1874

01:13:23,990 --> 01:13:22,159

where um chris bledsoe himself hit on

1875

01:13:25,590 --> 01:13:24,000

this the whole idea of like it's never

1876
01:13:28,310 --> 01:13:25,600
gonna be the president coming out and

1877
01:13:30,390 --> 01:13:28,320
being like hey they're real

1878
01:13:32,709 --> 01:13:30,400
so i get a little nervous about any

1879
01:13:34,870 --> 01:13:32,719
information

1880
01:13:36,630 --> 01:13:34,880
that the government's willingly disclose

1881
01:13:37,990 --> 01:13:36,640
again it's the whole idea you walk into

1882
01:13:39,189 --> 01:13:38,000
that room the skyscraper and there's

1883
01:13:40,550 --> 01:13:39,199
like eight windows and you think you're

1884
01:13:41,990 --> 01:13:40,560
picking your view i'm gonna look west

1885
01:13:43,350 --> 01:13:42,000
and look east i'm gonna look at the

1886
01:13:45,270 --> 01:13:43,360
sunset over here but it's like behind

1887
01:13:46,950 --> 01:13:45,280
you that room is already selected with

1888
01:13:48,790 --> 01:13:46,960

the windows you could look out

1889

01:13:49,830 --> 01:13:48,800

and we've always got to be cognizant of

1890

01:13:51,510 --> 01:13:49,840

that

1891

01:13:53,669 --> 01:13:51,520

and so i'm not trying to be like totally

1892

01:13:54,790 --> 01:13:53,679

conspiratorial like it's all conspiracy

1893

01:13:58,149 --> 01:13:54,800

man but like

1894

01:14:01,110 --> 01:13:58,159

i don't know bro i think two things one

1895

01:14:03,430 --> 01:14:01,120

there are entities within the government

1896

01:14:04,630 --> 01:14:03,440

that know what's up but the rest just

1897

01:14:06,430 --> 01:14:04,640

don't really know and are trying to

1898

01:14:08,709 --> 01:14:06,440

figure this crap out too and it's so

1899

01:14:11,270 --> 01:14:08,719

compartmentalized there's no way that

1900

01:14:13,669 --> 01:14:11,280

information is being cross-shared

1901

01:14:15,669 --> 01:14:13,679

and the release of information that's

1902

01:14:18,630 --> 01:14:15,679

being disseminated to us

1903

01:14:21,110 --> 01:14:18,640

i just i don't know i just i don't yeah

1904

01:14:24,070 --> 01:14:21,120

something's off something stinks bro

1905

01:14:26,229 --> 01:14:24,080

it's literally like it's it's it's

1906

01:14:29,430 --> 01:14:26,239

it's [h__h] like

1907

01:14:31,910 --> 01:14:29,440

it's bread crumbs it's it's all it is

1908

01:14:34,709 --> 01:14:31,920

the only reason it's important is

1909

01:14:36,630 --> 01:14:34,719

because they're saying it that's that's

1910

01:14:38,229 --> 01:14:36,640

what makes it important the government

1911

01:14:40,149 --> 01:14:38,239

has officially like

1912

01:14:42,310 --> 01:14:40,159

said something that's what makes it

1913

01:14:44,630 --> 01:14:42,320

important but it's just it's [h__h]

1914

01:14:45,830 --> 01:14:44,640

like it's breadcrumbs like think about

1915

01:14:47,590 --> 01:14:45,840

that's it

1916

01:14:49,750 --> 01:14:47,600

like with with chris's situation where

1917

01:14:51,910 --> 01:14:49,760

you have people from nasa or ci

1918

01:14:53,430 --> 01:14:51,920

operatives coming to him and trying to

1919

01:14:55,350 --> 01:14:53,440

ask him what's up

1920

01:14:57,030 --> 01:14:55,360

that means they don't know like they can

1921

01:14:58,950 --> 01:14:57,040

confirm some of the stuff he's saying

1922

01:15:00,390 --> 01:14:58,960

right like yeah yeah we're seeing some

1923

01:15:02,390 --> 01:15:00,400

of this stuff but they're not getting

1924

01:15:04,550 --> 01:15:02,400

any information like you listen to like

1925

01:15:06,630 --> 01:15:04,560

the bledsoe story or like the stuff that

1926

01:15:08,470 --> 01:15:06,640

they talk about and [h__h] and you're like

1927

01:15:11,030 --> 01:15:08,480

what the heck we like

1928

01:15:12,550 --> 01:15:11,040

it completely like like

1929

01:15:14,950 --> 01:15:12,560

you gotta just like mop your [h__h]

1930

01:15:16,149 --> 01:15:14,960

brain up off the floor after a while you

1931

01:15:17,669 --> 01:15:16,159

know what i'm saying and then they come

1932

01:15:19,910 --> 01:15:17,679

out with this and they're like oh yeah

1933

01:15:22,070 --> 01:15:19,920

we believe there could possibly be blah

1934

01:15:24,630 --> 01:15:22,080

blah blah in the sky and this and that

1935

01:15:27,350 --> 01:15:24,640

you're like yeah you're you're pulling

1936

01:15:29,669 --> 01:15:27,360

you're this is this is all like yeah

1937

01:15:31,590 --> 01:15:29,679

thanks i appreciate it you you said it

1938

01:15:32,950 --> 01:15:31,600

but this is not like

1939

01:15:35,990 --> 01:15:32,960

can we see

1940

01:15:37,669 --> 01:15:36,000

can we say that like look dude

1941

01:15:40,310 --> 01:15:37,679

don't watch our episode about chris

1942

01:15:43,110 --> 01:15:40,320

bledsoe because

1943

01:15:45,030 --> 01:15:43,120

episode episode 27 joe and i got high

1944

01:15:47,189 --> 01:15:45,040

and we laughed the whole time

1945

01:15:49,669 --> 01:15:47,199

look it's not a great episode no it is a

1946

01:15:56,790 --> 01:15:49,679

great episode actually it was awesome it

1947

01:16:01,990 --> 01:15:58,950

chris we met chris like what like two

1948

01:16:03,669 --> 01:16:02,000

months later joe yeah dude we actually

1949

01:16:06,310 --> 01:16:03,679

met him in person

1950

01:16:07,990 --> 01:16:06,320

he showed us some videos some photos we

1951

01:16:10,870 --> 01:16:08,000

got to meet

1952

01:16:12,470 --> 01:16:10,880

uh i can we say handlers

1953

01:16:15,350 --> 01:16:12,480

it was

1954

01:16:18,630 --> 01:16:15,360

yeah anyway yeah his wife and

1955

01:16:20,310 --> 01:16:18,640

everybody so like the nicest people

1956

01:16:22,709 --> 01:16:20,320

you've ever met in your life they're so

1957

01:16:25,830 --> 01:16:22,719

do you remember the love dude remember

1958

01:16:27,590 --> 01:16:25,840

he he did not know us from

1959

01:16:31,110 --> 01:16:27,600

from a random person off the street he

1960

01:16:33,189 --> 01:16:31,120

had no idea who he was yeah we sorry he

1961

01:16:35,510 --> 01:16:33,199

had no idea who we were

1962

01:16:38,310 --> 01:16:35,520

treated us like we were family too yeah

1963

01:16:41,669 --> 01:16:38,320

dude oh my god what is that who gave us

1964

01:16:42,870 --> 01:16:41,679

hugs bro like those dogs were like hugs

1965

01:16:45,590 --> 01:16:42,880

they were like i've known that for

1966

01:16:48,709 --> 01:16:45,600

forever i know dude i was like [h__h] i

1967

01:16:50,630 --> 01:16:48,719

just got to hug chris bledsoe

1968

01:16:52,310 --> 01:16:50,640

even at the even at the time we were

1969

01:16:57,030 --> 01:16:52,320

like

1970

01:16:59,270 --> 01:16:57,040

had no idea where it would go where it

1971

01:17:02,070 --> 01:16:59,280

would lead and now today

1972

01:17:03,750 --> 01:17:02,080

dude i mean we've chatted we're we're

1973

01:17:05,750 --> 01:17:03,760

pretty i mean we're friends with ryan

1974

01:17:07,990 --> 01:17:05,760

bledsoe i mean i texted him like hey

1975

01:17:09,830 --> 01:17:08,000

great job on that movie that he put

1976

01:17:12,390 --> 01:17:09,840

together the video

1977

01:17:14,229 --> 01:17:12,400

the the podcast with he and his dad i

1978

01:17:16,390 --> 01:17:14,239

mean oh my god

1979

01:17:19,590 --> 01:17:16,400

joe and i had talked about having ryan

1980

01:17:20,630 --> 01:17:19,600

and uh chris his dad on our podcast but

1981

01:17:26,950 --> 01:17:20,640

like

1982

01:17:29,270 --> 01:17:26,960

it was so perfect that they did it

1983

01:17:33,189 --> 01:17:29,280

together like yeah

1984

01:17:34,950 --> 01:17:33,199

like yeah it it it was so good dude if

1985

01:17:37,590 --> 01:17:34,960

y'all have not seen that check out

1986

01:17:39,270 --> 01:17:37,600

bledsoe said so on youtube

1987

01:17:40,870 --> 01:17:39,280

and they did it for free it's it's like

1988

01:17:44,310 --> 01:17:40,880

almost a two-hour

1989

01:17:45,830 --> 01:17:44,320

thing man and and the audio's great uh

1990

01:17:47,510 --> 01:17:45,840

i've been raving about i've been telling

1991

01:17:50,870 --> 01:17:47,520

everybody that i possibly can y'all

1992

01:17:52,950 --> 01:17:50,880

watch that [ʌ__ʌ] yeah it's it's amazing

1993

01:17:54,229 --> 01:17:52,960

but uh well it's almost if you wouldn't

1994

01:17:57,270 --> 01:17:54,239

mind i just want to hit one thing in

1995

01:18:00,149 --> 01:17:57,280

that because let's admit um

1996

01:18:02,070 --> 01:18:00,159

the blood cells are polarizing in either

1997

01:18:04,229 --> 01:18:02,080

direction you have people that are or

1998

01:18:05,990 --> 01:18:04,239

there's getting and it's not any it's

1999

01:18:08,870 --> 01:18:06,000

nothing that they have done but there

2000

01:18:10,709 --> 01:18:08,880

are encampments on either side of that

2001

01:18:13,510 --> 01:18:10,719

right when it comes to them

2002

01:18:15,270 --> 01:18:13,520

and their story and one thing i would

2003

01:18:16,470 --> 01:18:15,280

say and it really kind of hit home with

2004

01:18:17,750 --> 01:18:16,480

me a little more in this last episode

2005

01:18:19,510 --> 01:18:17,760

listening with it is that at least from

2006

01:18:22,470 --> 01:18:19,520

chris bledsoe himself

2007

01:18:25,590 --> 01:18:22,480

he is not saying that

2008

01:18:27,350 --> 01:18:25,600

any experience you've had with a being

2009

01:18:30,149 --> 01:18:27,360

separate from the experiences he's had

2010

01:18:32,790 --> 01:18:30,159

is not real 100 he's just saying that

2011

01:18:35,669 --> 01:18:32,800

it's not the experience he had exactly

2012

01:18:36,709 --> 01:18:35,679

too often with them that that is missed

2013

01:18:38,870 --> 01:18:36,719

yeah

2014

01:18:40,550 --> 01:18:38,880

experience here a lot of people on the

2015

01:18:42,630 --> 01:18:40,560

internet are like oh you're saying that

2016

01:18:44,470 --> 01:18:42,640

my encounter didn't happen no that's not

2017

01:18:46,470 --> 01:18:44,480

what he's saying he's literally saying

2018

01:18:48,229 --> 01:18:46,480

this is what happened to him

2019

01:18:49,830 --> 01:18:48,239

one challenge is i think it's because of

2020

01:18:51,270 --> 01:18:49,840

some of what ryan said this isn't a

2021

01:18:52,950 --> 01:18:51,280

knock and writer but ryan has said in

2022

01:18:54,229 --> 01:18:52,960

some of his episodes that like no dude

2023

01:18:56,550 --> 01:18:54,239

those little green men that's like

2024

01:18:57,990 --> 01:18:56,560

that's not it that's not what this is so

2025

01:18:59,510 --> 01:18:58,000

i think some people take an issue with

2026

01:19:01,590 --> 01:18:59,520

that because i can understand some

2027

01:19:04,310 --> 01:19:01,600

people have had those kind of encounters

2028

01:19:05,350 --> 01:19:04,320

but he's talking about there

2029

01:19:12,950 --> 01:19:05,360

he

2030

01:19:15,669 --> 01:19:12,960

says stuff like that like this isn't

2031

01:19:18,790 --> 01:19:15,679

what that is when he says this isn't he

2032

01:19:21,189 --> 01:19:18,800

means his story not the entire

2033

01:19:22,709 --> 01:19:21,199

phenomenon yeah i mean in one sense he

2034

01:19:25,110 --> 01:19:22,719

said that in the one episode he

2035

01:19:27,990 --> 01:19:25,120

literally said this whole push

2036

01:19:29,430 --> 01:19:28,000

from the government and from

2037

01:19:31,669 --> 01:19:29,440

ufo

2038

01:19:32,950 --> 01:19:31,679

twitter as it were yeah that that's not

2039

01:19:34,790 --> 01:19:32,960

what this is

2040

01:19:36,390 --> 01:19:34,800

so he flat out said it but what i would

2041

01:19:37,990 --> 01:19:36,400

say to that my only rebuttal of that

2042

01:19:39,750 --> 01:19:38,000

would be is that guys

2043

01:19:41,189 --> 01:19:39,760

the projection that these things can put

2044

01:19:42,790 --> 01:19:41,199

in the increasing intent of that knowing

2045

01:19:44,070 --> 01:19:42,800

them knowing your thoughts knowing when

2046

01:19:45,030 --> 01:19:44,080

you're ready

2047

01:19:46,310 --> 01:19:45,040

and we hitting the idea of like

2048

01:19:47,910 --> 01:19:46,320

projections of what they can put in your

2049

01:19:50,229 --> 01:19:47,920

mind who knows what you're really seeing

2050

01:19:53,030 --> 01:19:50,239

chris terry lovely seemed little monkeys

2051

01:19:54,550 --> 01:19:53,040

in his room yeah right yeah

2052

01:19:56,310 --> 01:19:54,560

people that have had experiences seen

2053

01:19:58,149 --> 01:19:56,320

things other than what was there until

2054

01:20:01,030 --> 01:19:58,159

maybe they had regression or it came

2055

01:20:03,750 --> 01:20:01,040

back over time right so to me i'm not so

2056

01:20:05,350 --> 01:20:03,760

much hung up on the what i'm seeing or

2057

01:20:07,189 --> 01:20:05,360

what anybody is seeing

2058

01:20:08,550 --> 01:20:07,199

so much as there is something taking

2059

01:20:10,229 --> 01:20:08,560

place here and that should be the

2060

01:20:12,070 --> 01:20:10,239

important thing first you should be

2061

01:20:13,750 --> 01:20:12,080

nitpicking the idea of what we've seen

2062

01:20:15,830 --> 01:20:13,760

who we didn't see or what you exp you

2063

01:20:17,590 --> 01:20:15,840

know if you had an experience that

2064

01:20:19,590 --> 01:20:17,600

should be the important thing not so

2065

01:20:21,030 --> 01:20:19,600

much what was seen yeah ben and i have

2066

01:20:22,229 --> 01:20:21,040

even said like

2067

01:20:24,229 --> 01:20:22,239

the guy

2068

01:20:25,990 --> 01:20:24,239

he says he sees angels there's people

2069

01:20:28,790 --> 01:20:26,000

who take issue with that like who cares

2070

01:20:30,550 --> 01:20:28,800

what he thinks he saw let's get to the

2071

01:20:32,470 --> 01:20:30,560

the point of like something is

2072

01:20:34,149 --> 01:20:32,480

definitely happening here yeah and then

2073

01:20:36,390 --> 01:20:34,159

also like too like you got to think

2074

01:20:38,310 --> 01:20:36,400

about it man because like you know like

2075

01:20:41,350 --> 01:20:38,320

we've chatted with ryan and stuff dude

2076

01:20:43,430 --> 01:20:41,360

and like he grew up with this story it's

2077

01:20:45,669 --> 01:20:43,440

literally one of the biggest stories of

2078

01:20:48,709 --> 01:20:45,679

all time and like

2079

01:20:51,990 --> 01:20:48,719

that is like that engulfed his life and

2080

01:20:54,790 --> 01:20:52,000

he spent his life studying you know

2081

01:20:57,750 --> 01:20:54,800

historical you know religion history and

2082

01:20:59,430 --> 01:20:57,760

the phenomena itself and the occult and

2083

01:21:01,590 --> 01:20:59,440

all this stuff like he spent his time

2084

01:21:03,350 --> 01:21:01,600

studying that stuff like even ben and i

2085

01:21:04,950 --> 01:21:03,360

who talked about like you know some some

2086

01:21:07,669 --> 01:21:04,960

pretty like like

2087

01:21:09,110 --> 01:21:07,679

very well-known simple cases right and

2088

01:21:10,709 --> 01:21:09,120

you know they would be like

2089

01:21:12,870 --> 01:21:10,719

i hadn't heard of that right and it's

2090

01:21:15,669 --> 01:21:12,880

because their whole life has been this

2091

01:21:18,149 --> 01:21:15,679

case like it's so huge man like i

2092

01:21:19,189 --> 01:21:18,159

understand that they

2093

01:21:21,750 --> 01:21:19,199

you know

2094

01:21:24,310 --> 01:21:21,760

they that the family didn't even bother

2095

01:21:26,709 --> 01:21:24,320

possibly branching out into other cases

2096

01:21:28,229 --> 01:21:26,719

and and other [h__h] that was going on to

2097

01:21:29,030 --> 01:21:28,239

like other people until you're like why

2098

01:21:30,950 --> 01:21:29,040

would you

2099

01:21:32,550 --> 01:21:30,960

because you have this you have a tree on

2100

01:21:34,790 --> 01:21:32,560

fire in your [h__h] backyard you're

2101

01:21:36,790 --> 01:21:34,800

like i'm actually on fire i don't have

2102

01:21:39,910 --> 01:21:36,800

time to learn about somebody else's case

2103

01:21:41,669 --> 01:21:39,920

that happened 40 years ago you know so i

2104

01:21:44,229 --> 01:21:41,679

i totally get that and the missed

2105

01:21:46,470 --> 01:21:44,239

references and things that like you know

2106

01:21:48,070 --> 01:21:46,480

we said a few things and and and you

2107

01:21:50,229 --> 01:21:48,080

know you would see ryan kind of perk up

2108

01:21:52,390 --> 01:21:50,239

and be like oh that's very interesting

2109

01:21:55,430 --> 01:21:52,400

and it's like whoa we basically did it

2110

01:21:58,070 --> 01:21:55,440

backwards we started with every case and

2111

01:22:00,709 --> 01:21:58,080

then worked our way in

2112

01:22:02,950 --> 01:22:00,719

the bledsoes started in and are now

2113

01:22:03,910 --> 01:22:02,960

having to work their way out so they're

2114

01:22:10,390 --> 01:22:03,920

like

2115

01:22:12,149 --> 01:22:10,400

learning about other stuff

2116

01:22:14,229 --> 01:22:12,159

starting from their case as opposed to

2117

01:22:17,030 --> 01:22:14,239

everybody else learning everything and

2118

01:22:19,270 --> 01:22:17,040

then narrowing down to their case and he

2119

01:22:21,270 --> 01:22:19,280

even said in his last episode here with

2120

01:22:23,270 --> 01:22:21,280

with ryan there you know mr bledsoe

2121

01:22:25,430 --> 01:22:23,280

himself said or chris i should say uh

2122

01:22:26,709 --> 01:22:25,440

was saying or chris senior was saying

2123

01:22:28,470 --> 01:22:26,719

that you know everybody thinks that i'm

2124

01:22:29,669 --> 01:22:28,480

some sort of like religious fanatic or

2125

01:22:31,189 --> 01:22:29,679

this is a religious thing he's like

2126

01:22:32,870 --> 01:22:31,199

that's not it at all

2127

01:22:34,070 --> 01:22:32,880

like i didn't ask for this i wasn't

2128

01:22:35,510 --> 01:22:34,080

looking for this

2129

01:22:36,950 --> 01:22:35,520

this you know came to me and this

2130

01:22:38,629 --> 01:22:36,960

happened to me

2131

01:22:40,470 --> 01:22:38,639

and i don't

2132

01:22:41,910 --> 01:22:40,480

personally feel and i've never had the

2133

01:22:42,950 --> 01:22:41,920

pleasure meet him in person but you can

2134

01:22:44,790 --> 01:22:42,960

kind of tell from the way just he

2135

01:22:46,550 --> 01:22:44,800

conducts himself the way he speaks

2136

01:22:47,830 --> 01:22:46,560

there there's no sense of him putting

2137

01:22:49,910 --> 01:22:47,840

him out there like this is all about me

2138

01:22:51,669 --> 01:22:49,920

this look what i can no sense of that

2139

01:22:52,950 --> 01:22:51,679

yeah and all very humble about

2140

01:22:55,350 --> 01:22:52,960

everything he talks about and does he

2141

01:22:57,189 --> 01:22:55,360

barely even wanted to tell the story

2142

01:22:59,430 --> 01:22:57,199

yeah yeah he's like it's not really

2143

01:23:00,310 --> 01:22:59,440

about me you know yeah

2144

01:23:02,629 --> 01:23:00,320

true

2145

01:23:04,950 --> 01:23:02,639

and that was such a beautiful thing

2146

01:23:07,110 --> 01:23:04,960

oh i i mean i don't wanna

2147

01:23:09,350 --> 01:23:07,120

see i want to ruin the

2148

01:23:11,510 --> 01:23:09,360

the movie because it's like we know what

2149

01:23:13,350 --> 01:23:11,520

chris has been doing like he's not

2150

01:23:15,750 --> 01:23:13,360

focused on

2151
01:23:16,790 --> 01:23:15,760
telling people the story like

2152
01:23:17,590 --> 01:23:16,800
uh

2153
01:23:22,870 --> 01:23:17,600
like

2154
01:23:24,390 --> 01:23:22,880
he's literally doing that what did you

2155
01:23:27,110 --> 01:23:24,400
guys think about his statement in

2156
01:23:28,709 --> 01:23:27,120
regards to 2026

2157
01:23:30,149 --> 01:23:28,719
oh my god that's awakening because

2158
01:23:31,510 --> 01:23:30,159
there's a lot there i mean i don't want

2159
01:23:33,189 --> 01:23:31,520
to look first of all joe did you have

2160
01:23:34,870 --> 01:23:33,199
more you want to share from sorry i know

2161
01:23:35,990 --> 01:23:34,880
like back and forth guys did you have

2162
01:23:37,590 --> 01:23:36,000
more you want to share from the stock

2163
01:23:39,270 --> 01:23:37,600

anything you you feel is important that

2164

01:23:40,629 --> 01:23:39,280

you want out there before we get into

2165

01:23:43,030 --> 01:23:40,639

2026

2166

01:23:45,270 --> 01:23:43,040

and this idea of this oh yeah dude i

2167

01:23:47,669 --> 01:23:45,280

wanted to touch on number seven

2168

01:23:51,110 --> 01:23:47,679

and the definition yeah they say

2169

01:23:53,030 --> 01:23:51,120

unidentified aerial phenomenon it means

2170

01:23:54,790 --> 01:23:53,040

any aerial phenomena that can't be

2171

01:23:57,510 --> 01:23:54,800

identified and i thought that would be

2172

01:23:59,270 --> 01:23:57,520

really important a little bit so oh

2173

01:24:00,790 --> 01:23:59,280

that's the best that's the funnest one

2174

01:24:03,669 --> 01:24:00,800

look how important it is

2175

01:24:06,149 --> 01:24:03,679

no dude honestly i [h__h] love that

2176

01:24:09,189 --> 01:24:06,159

because they're like uap it means you

2177

01:24:11,189 --> 01:24:09,199

you ate literally we just don't know

2178

01:24:12,610 --> 01:24:11,199

yeah i thought that was hilarious that's

2179

01:24:14,390 --> 01:24:12,620

that's the best one

2180

01:24:16,709 --> 01:24:14,400

[Laughter]

2181

01:24:19,430 --> 01:24:16,719

oh my god you ap

2182

01:24:22,870 --> 01:24:19,440

that's exactly what it means it's exact

2183

01:24:25,350 --> 01:24:22,880

we know but we're not telling you hey

2184

01:24:27,030 --> 01:24:25,360

well hold on all right look dude as much

2185

01:24:29,590 --> 01:24:27,040

as look i wouldn't put as much

2186

01:24:31,110 --> 01:24:29,600

positivity about this is possible

2187

01:24:33,270 --> 01:24:31,120

because like just the fact that we're

2188

01:24:35,990 --> 01:24:33,280

even able to look at this [\h__\h] like

2189

01:24:37,510 --> 01:24:36,000

that's okay that's [\h__\h] cool but also

2190

01:24:40,870 --> 01:24:37,520

you know it would be awesome if there

2191

01:24:43,189 --> 01:24:40,880

was like a seven point like a 7b or it

2192

01:24:44,870 --> 01:24:43,199

was like also ufos

2193

01:24:47,110 --> 01:24:44,880

so yeah also

2194

01:24:49,270 --> 01:24:47,120

furthermore also furthermore now because

2195

01:24:51,990 --> 01:24:49,280

we gotta stay professional dude also and

2196

01:24:54,790 --> 01:24:52,000

furthermore yeah dude simon wills thank

2197

01:24:57,590 --> 01:24:54,800

you so much man for the super chat

2198

01:25:00,070 --> 01:24:57,600

simon thank you brother oh my gosh simon

2199

01:25:01,990 --> 01:25:00,080

you are a champion you're a champion

2200

01:25:04,709 --> 01:25:02,000

made of golden fire

2201
01:25:06,470 --> 01:25:04,719
mixed with metals uh that no one's ever

2202
01:25:09,030 --> 01:25:06,480
heard of because they're rare and

2203
01:25:11,189 --> 01:25:09,040
they're very rare they were they were

2204
01:25:13,830 --> 01:25:11,199
gilded out of the mountain

2205
01:25:16,470 --> 01:25:13,840
from the ancients the ancients the

2206
01:25:18,629 --> 01:25:16,480
ancient trolls the ancient children

2207
01:25:19,430 --> 01:25:18,639
there were it was tumbled out of the it

2208
01:25:27,110 --> 01:25:19,440
was

2209
01:25:29,990 --> 01:25:27,120
energy from simon well's

2210
01:25:32,070 --> 01:25:30,000
his his his co uh his consciousness in

2211
01:25:34,149 --> 01:25:32,080
the future

2212
01:25:35,830 --> 01:25:34,159
in his future it was it was happening in

2213
01:25:37,350 --> 01:25:35,840

the past like what you're doing right

2214

01:25:38,470 --> 01:25:37,360

now is happening

2215

01:25:39,750 --> 01:25:38,480

uh

2216

01:25:41,430 --> 01:25:39,760

anyway

2217

01:25:44,470 --> 01:25:41,440

what is don john bovee wants to know

2218

01:25:46,709 --> 01:25:44,480

what whap stands for wap stands for wet

2219

01:25:48,709 --> 01:25:46,719

ass phenomena

2220

01:25:49,910 --> 01:25:48,719

facts it's known nikki was trying to

2221

01:25:52,070 --> 01:25:49,920

tell us what was up we just weren't

2222

01:25:54,550 --> 01:25:52,080

listening obviously

2223

01:25:56,629 --> 01:25:54,560

she was like you can you can wreck this

2224

01:26:02,229 --> 01:25:56,639

wet ass phenomena

2225

01:26:04,629 --> 01:26:02,239

it's there to be done put a whole entire

2226

01:26:06,870 --> 01:26:04,639

fist in this phenomenal whole craft in

2227

01:26:10,470 --> 01:26:06,880

there easily you can fit a craft in this

2228

01:26:10,480 --> 01:26:15,270

vibrate shake phenomena

2229

01:26:15,280 --> 01:26:27,030

phenomena

2230

01:26:27,040 --> 01:26:49,189

[Music]

2231

01:26:52,310 --> 01:26:50,709

yeah that's what that's that's really it

2232

01:26:54,950 --> 01:26:52,320

man i mean that's kind of the report the

2233

01:26:57,430 --> 01:26:54,960

rest of it is all kind of just like uh

2234

01:26:58,550 --> 01:26:57,440

uh thanks for reading this report um and

2235

01:26:59,830 --> 01:26:58,560

then it gives you like this little

2236

01:27:03,510 --> 01:26:59,840

section

2237

01:27:05,430 --> 01:27:03,520

that that shows the end item or the uh

2238

01:27:07,350 --> 01:27:05,440

on the the second half of it where it

2239

01:27:08,870 --> 01:27:07,360

shows you i guess

2240

01:27:10,229 --> 01:27:08,880

well i'm not really sure what it shows

2241

01:27:12,709 --> 01:27:10,239

you because they did a really good job

2242

01:27:15,350 --> 01:27:12,719

at making it non-legible so i don't know

2243

01:27:18,149 --> 01:27:15,360

what any of that stuff means yeah

2244

01:27:20,229 --> 01:27:18,159

yeah and i downloaded it and i even like

2245

01:27:22,950 --> 01:27:20,239

zoomed in and you still cannot see what

2246

01:27:24,870 --> 01:27:22,960

it says it's ridiculous

2247

01:27:27,350 --> 01:27:24,880

that's that's a little fishy if you ask

2248

01:27:29,990 --> 01:27:27,360

me a little sus and i'm gonna crack a

2249

01:27:32,470 --> 01:27:30,000

new beater for that one boys scroll down

2250

01:27:34,310 --> 01:27:32,480

that blueberry dog

2251
01:27:35,990 --> 01:27:34,320
scroll down ben because i want to show

2252
01:27:38,629 --> 01:27:36,000
this part

2253
01:27:41,110 --> 01:27:38,639
yes scroll down more

2254
01:27:43,030 --> 01:27:41,120
scroll down more

2255
01:27:45,430 --> 01:27:43,040
oh that red one

2256
01:27:47,189 --> 01:27:45,440
all blacked out and then there's the uh

2257
01:27:48,790 --> 01:27:47,199
there's a little chart that they use

2258
01:27:50,950 --> 01:27:48,800
that you can't read

2259
01:27:52,870 --> 01:27:50,960
it's weird even if you zoom in you can't

2260
01:27:55,669 --> 01:27:52,880
like read what that top [h__\h] says it's

2261
01:27:57,669 --> 01:27:55,679
like black oh yeah where's that it's a

2262
01:27:59,430 --> 01:27:57,679
little weird and then you scroll down

2263
01:28:01,750 --> 01:27:59,440

even more and they give you so much

2264

01:28:05,110 --> 01:28:01,760

information

2265

01:28:06,950 --> 01:28:05,120

give you oh it's like a big-ass butt

2266

01:28:09,590 --> 01:28:06,960

crack

2267

01:28:11,990 --> 01:28:09,600

hey by the way i want to plug this

2268

01:28:13,990 --> 01:28:12,000

shamelessly but ben did make a nice

2269

01:28:15,669 --> 01:28:14,000

shirt and i just see all the suss is in

2270

01:28:17,750 --> 01:28:15,679

there and i appreciate you guys that i

2271

01:28:18,790 --> 01:28:17,760

think is it for that and there is a

2272

01:28:21,910 --> 01:28:18,800

shirt

2273

01:28:23,350 --> 01:28:21,920

on ufo garage podcast.com

2274

01:28:25,189 --> 01:28:23,360

and you can you can purchase that if

2275

01:28:26,629 --> 01:28:25,199

you'd like to support podcasts here and

2276

01:28:28,550 --> 01:28:26,639

there are many

2277

01:28:30,550 --> 01:28:28,560

let's go with the old davey there's a

2278

01:28:32,950 --> 01:28:30,560

plethora of options here at the ufo

2279

01:28:43,189 --> 01:28:32,960

garage podcast

2280

01:28:49,990 --> 01:28:46,229

swedish chef also you get your gorium's

2281

01:28:53,350 --> 01:28:50,000

thirsty blurs day shirt dude this is

2282

01:28:55,830 --> 01:28:53,360

design this the idea was from gordium

2283

01:28:57,110 --> 01:28:55,840

look at that that's awesome oh that's

2284

01:28:58,950 --> 01:28:57,120

dope

2285

01:29:01,430 --> 01:28:58,960

oh i'm just saying wait why does that

2286

01:29:03,189 --> 01:29:01,440

word gordium sounds so familiar

2287

01:29:07,510 --> 01:29:03,199

85 but like

2288

01:29:11,350 --> 01:29:09,430

rare metaphone episode it's a twilight

2289

01:29:14,070 --> 01:29:11,360

zone episode they wanted to know what oh

2290

01:29:16,070 --> 01:29:14,080

sordium cons or like something green

2291

01:29:18,149 --> 01:29:16,080

what is that episode the consortium

2292

01:29:19,830 --> 01:29:18,159

that's like a like an annual meeting

2293

01:29:21,430 --> 01:29:19,840

that happens not the consortium that's

2294

01:29:23,669 --> 01:29:21,440

that's more our keith andrews the

2295

01:29:25,669 --> 01:29:23,679

consortium that's up there but this was

2296

01:29:28,310 --> 01:29:25,679

solid solent green that's the word i was

2297

01:29:30,070 --> 01:29:28,320

thinking of oh soylent green yeah

2298

01:29:31,510 --> 01:29:30,080

my accordion yeah that has nothing to do

2299

01:29:34,070 --> 01:29:31,520

with that i'm sorry

2300

01:29:36,229 --> 01:29:34,080

look at this distinguished gentleman yes

2301

01:29:37,750 --> 01:29:36,239

look at how he is look at those undies i

2302

01:29:39,110 --> 01:29:37,760

think why

2303

01:29:41,189 --> 01:29:39,120

my wife had to wear them because you see

2304

01:29:43,510 --> 01:29:41,199

that lace on there yes

2305

01:29:44,470 --> 01:29:43,520

look at this distinguished they're very

2306

01:29:45,990 --> 01:29:44,480

lazy

2307

01:29:48,709 --> 01:29:46,000

i don't know if you knew this willy but

2308

01:29:50,870 --> 01:29:48,719

they're not technically for you yeah

2309

01:29:52,950 --> 01:29:50,880

they weren't for you

2310

01:29:55,189 --> 01:29:52,960

didn't know that and i i got him and i

2311

01:29:57,510 --> 01:29:55,199

was like i can't put those on

2312

01:30:01,189 --> 01:29:57,520

dave dave's face looked a little morphed

2313

01:30:01,199 --> 01:30:06,149

he had a really tiny nose

2314

01:30:11,270 --> 01:30:08,629

ben i love how you you bought a uh ufo

2315

01:30:13,350 --> 01:30:11,280

garage mug thinking it was a koozie oh

2316

01:30:14,870 --> 01:30:13,360

that wasn't bad that was uh

2317

01:30:15,910 --> 01:30:14,880

that was

2318

01:30:18,830 --> 01:30:15,920

mister

2319

01:30:21,350 --> 01:30:18,840

no it wasn't that was totaled that's

2320

01:30:22,950 --> 01:30:21,360

hilarious he goes he goes i maybe i

2321

01:30:24,550 --> 01:30:22,960

should pay more attention now he scored

2322

01:30:26,709 --> 01:30:24,560

him 85.

2323

01:30:29,030 --> 01:30:26,719

i think he was he was in a hurry your

2324

01:30:31,110 --> 01:30:29,040

goosies are coming though

2325

01:30:32,550 --> 01:30:31,120

yeah no i i literally tony don't i'm

2326

01:30:34,709 --> 01:30:32,560

gonna i'm sending you one dude don't

2327

01:30:37,510 --> 01:30:34,719

worry about it but chad smith brings up

2328

01:30:38,470 --> 01:30:37,520

a good point i wanted one from ben

2329

01:30:40,070 --> 01:30:38,480

that

2330

01:30:42,870 --> 01:30:40,080

in the front

2331

01:30:44,070 --> 01:30:42,880

said of the boxers for men it says stay

2332

01:30:46,310 --> 01:30:44,080

curious

2333

01:30:49,510 --> 01:30:46,320

and in the back said keep it weird

2334

01:30:52,310 --> 01:30:49,520

and i wanted that but but but uh why are

2335

01:30:53,590 --> 01:30:52,320

you just now telling me this

2336

01:30:55,189 --> 01:30:53,600

i think i tell you things when you're

2337

01:30:57,030 --> 01:30:55,199

when you've had a couple you know

2338

01:30:59,510 --> 01:30:57,040

cocktails and i think you forget this

2339

01:31:05,350 --> 01:31:02,229

not only did you tell ben that but you

2340

01:31:08,550 --> 01:31:05,360

also told me and then i told ben that oh

2341

01:31:11,510 --> 01:31:08,560

well god you guys you guys are a lot you

2342

01:31:14,629 --> 01:31:11,520

guys are like i swear i told you

2343

01:31:17,189 --> 01:31:14,639

i was like bro let's do that

2344

01:31:21,030 --> 01:31:18,709

and then keep it weird in the back we

2345

01:31:22,629 --> 01:31:21,040

need some party hard boxers dude i love

2346

01:31:24,470 --> 01:31:22,639

you guys just like i love how like to

2347

01:31:27,270 --> 01:31:24,480

make it up stuff that you like

2348

01:31:29,270 --> 01:31:27,280

that is not made up though that

2349

01:31:31,110 --> 01:31:29,280

should eventually happen and it's not

2350

01:31:33,350 --> 01:31:31,120

it's not that i forget stuff

2351

01:31:35,189 --> 01:31:33,360

that's not the case it's just

2352

01:31:36,709 --> 01:31:35,199

hilarious jokes that you know i just

2353

01:31:38,870 --> 01:31:36,719

didn't take i didn't listen to your

2354

01:31:41,830 --> 01:31:38,880

[h__\h] let me tell you let me tell

2355

01:31:44,390 --> 01:31:41,840

you about somebody staying curious okay

2356

01:31:45,750 --> 01:31:44,400

one time on the desert melinda and i

2357

01:31:48,149 --> 01:31:45,760

okay

2358

01:31:53,830 --> 01:31:48,159

hey hey [h__\h] you ever heard of

2359

01:31:53,840 --> 01:31:56,550

i'd say

2360

01:31:59,110 --> 01:31:58,550

we had a friend once his name was dirty

2361

01:32:02,709 --> 01:31:59,120

larry

2362

01:32:07,110 --> 01:32:04,709

literally true story

2363

01:32:08,709 --> 01:32:07,120

true i had a friend his name was dirty

2364

01:32:11,110 --> 01:32:08,719

larry

2365

01:32:12,550 --> 01:32:11,120

hey hey you guys just asking the chat

2366

01:32:14,070 --> 01:32:12,560

here

2367

01:32:14,870 --> 01:32:14,080

you know

2368

01:32:17,270 --> 01:32:14,880

um

2369

01:32:19,430 --> 01:32:17,280

ben here showed his very lovely uh well

2370

01:32:21,030 --> 01:32:19,440

symmetrically made up nipples uh here

2371

01:32:22,390 --> 01:32:21,040

for the christmas special

2372

01:32:24,070 --> 01:32:22,400

do you think he's gonna drop the balls

2373

01:32:26,629 --> 01:32:24,080

for new year's or like what's the plan

2374

01:32:28,790 --> 01:32:26,639

on that because you gotta go i have to

2375

01:32:33,510 --> 01:32:28,800

clear that with my wife but dude for the

2376

01:32:36,950 --> 01:32:35,430

so yeah

2377

01:32:38,870 --> 01:32:36,960

once you hit your thirties the balls

2378

01:32:50,390 --> 01:32:38,880

really do start to drop so like it will

2379

01:32:54,950 --> 01:32:52,310

hey speaking of slab action i'm gonna i

2380

01:32:58,149 --> 01:32:56,709

should i take this offer i mean it'll be

2381

01:33:00,390 --> 01:32:58,159

like two seconds we're done with it does

2382

01:33:03,189 --> 01:33:00,400

ben have done guys has this ever

2383

01:33:05,990 --> 01:33:03,199

happened before on the podcast ever

2384

01:33:07,510 --> 01:33:06,000

there's that crappy dmv uh

2385

01:33:09,430 --> 01:33:07,520

form that they make you fill out if you

2386

01:33:11,669 --> 01:33:09,440

see a ufo by the way

2387

01:33:13,830 --> 01:33:11,679

oh is it are you serious it's like a tax

2388

01:33:15,430 --> 01:33:13,840

form it's so like

2389

01:33:17,270 --> 01:33:15,440

nobody wants to nobody wants to fill

2390

01:33:19,189 --> 01:33:17,280

that out they just want to be like hey i

2391

01:33:20,950 --> 01:33:19,199

saw this ufo okay what it looked like it

2392

01:33:22,870 --> 01:33:20,960

was like uh it had like these different

2393

01:33:26,229 --> 01:33:22,880

color lights and i saw something in the

2394

01:33:28,629 --> 01:33:26,239

windshield this is not john movie

2395

01:33:30,390 --> 01:33:28,639

that's insane they make you feel out

2396

01:33:32,310 --> 01:33:30,400

yeah

2397

01:33:34,310 --> 01:33:32,320

i don't know no wonder we don't have a

2398

01:33:37,430 --> 01:33:34,320

lot of data on this [h__\h] nobody wants to

2399

01:33:40,629 --> 01:33:37,440

fill that out take a video you [h__\h]

2400

01:33:43,110 --> 01:33:40,639

since 2021 about to be 20 22. pull your

2401
01:33:44,390 --> 01:33:43,120
[h__\h] phone out and shoot a video like

2402
01:33:47,430 --> 01:33:44,400
what are you kidding me i don't want to

2403
01:33:49,510 --> 01:33:47,440
feel this out don john bogan says slap a

2404
01:33:52,229 --> 01:33:49,520
vacation by the way guys

2405
01:33:53,510 --> 01:33:52,239
chad smith also says balls on drum sets

2406
01:33:56,870 --> 01:33:53,520
and we all know what that's about we

2407
01:33:58,320 --> 01:33:56,880
don't that's from not on my drum sets

2408
01:34:00,790 --> 01:33:58,330
your balls better not be

2409
01:34:02,470 --> 01:34:00,800
[Laughter]

2410
01:34:04,790 --> 01:34:02,480
gonna put them on my goddamn drone oh

2411
01:34:06,709 --> 01:34:04,800
man

2412
01:34:08,229 --> 01:34:06,719
we appreciate all of you guys being here

2413
01:34:09,590 --> 01:34:08,239

if you wouldn't mind taking a moment

2414

01:34:10,550 --> 01:34:09,600

while you're here you can support the

2415

01:34:13,189 --> 01:34:10,560

show

2416

01:34:15,590 --> 01:34:13,199

and become a monthly subscriber also bow

2417

01:34:16,550 --> 01:34:15,600

your heads and pray and be a space space

2418

01:34:18,390 --> 01:34:16,560

fart

2419

01:34:21,669 --> 01:34:18,400

i'm sorry i interrupted your prayer

2420

01:34:24,629 --> 01:34:21,679

[Laughter]

2421

01:34:25,750 --> 01:34:24,639

you said space farts

2422

01:34:27,510 --> 01:34:25,760

oh man

2423

01:34:30,550 --> 01:34:27,520

you can be you can become a doctor

2424

01:34:32,070 --> 01:34:30,560

scientist and uh an official euphonite

2425

01:34:34,149 --> 01:34:32,080

you can a

2426

01:34:36,070 --> 01:34:34,159

space fart scientist

2427

01:34:37,510 --> 01:34:36,080

three levels dude bro you want to know

2428

01:34:38,550 --> 01:34:37,520

what i'm upset about

2429

01:34:41,189 --> 01:34:38,560

do you want to know what else said about

2430

01:34:42,470 --> 01:34:41,199

i was i was one of the original lions

2431

01:34:44,149 --> 01:34:42,480

we're not even talking about that but

2432

01:34:45,669 --> 01:34:44,159

we've been we've been winning some stuff

2433

01:34:47,030 --> 01:34:45,679

okay hey man

2434

01:34:49,990 --> 01:34:47,040

as a cowboys fan i've been a little

2435

01:34:51,669 --> 01:34:50,000

cocky this year you can't help me

2436

01:34:52,790 --> 01:34:51,679

two wins now

2437

01:34:55,030 --> 01:34:52,800

um

2438

01:34:57,350 --> 01:34:55,040

but i sent ben and i'm not even making

2439

01:35:00,790 --> 01:34:57,360

this up guys i sent such a detailed

2440

01:35:02,470 --> 01:35:00,800

message like i wrote a mini email to ben

2441

01:35:04,950 --> 01:35:02,480

and i was like first five or seven

2442

01:35:06,550 --> 01:35:04,960

people to to to go over to the website

2443

01:35:09,430 --> 01:35:06,560

and sign up right like

2444

01:35:11,350 --> 01:35:09,440

become part of the uh to the tsa right

2445

01:35:13,030 --> 01:35:11,360

like to and all that

2446

01:35:15,270 --> 01:35:13,040

and uh

2447

01:35:17,189 --> 01:35:15,280

i wrote how i was a an official taint

2448

01:35:19,350 --> 01:35:17,199

inspector i wrote my like my job

2449

01:35:20,629 --> 01:35:19,360

qualifications i wrote like this whole

2450

01:35:23,750 --> 01:35:20,639

thing out thinking it would be like

2451

01:35:25,910 --> 01:35:23,760

attached to my profile and all it says

2452

01:35:28,070 --> 01:35:25,920

is like yeah he's a member i was like

2453

01:35:30,950 --> 01:35:28,080

what is this dude i wrote like a half

2454

01:35:33,669 --> 01:35:30,960

hour i sat down and thought out like

2455

01:35:36,390 --> 01:35:33,679

literally how it made sense

2456

01:35:37,830 --> 01:35:36,400

and he just added me with none of it and

2457

01:35:40,950 --> 01:35:37,840

i was like

2458

01:35:42,470 --> 01:35:40,960

no no dang it like i worked hard on that

2459

01:35:43,910 --> 01:35:42,480

because all you had to do was copy and

2460

01:35:50,149 --> 01:35:43,920

paste it

2461

01:35:52,870 --> 01:35:50,159

and he didn't add any of it oh my god

2462

01:35:55,510 --> 01:35:52,880

uh chance that's a great question to

2463

01:35:59,030 --> 01:35:55,520

answer that astronauts have stated that

2464

01:36:00,629 --> 01:35:59,040

it is extremely spelly smelly in the uh

2465

01:36:02,550 --> 01:36:00,639

oh my god

2466

01:36:04,470 --> 01:36:02,560

up there where they're chilling in this

2467

01:36:07,430 --> 01:36:04,480

the space stuff

2468

01:36:09,430 --> 01:36:07,440

oh ben i can't believe you would do that

2469

01:36:10,950 --> 01:36:09,440

for real ben honestly

2470

01:36:12,550 --> 01:36:10,960

you're muted again

2471

01:36:13,990 --> 01:36:12,560

were you farting that much before you

2472

01:36:16,629 --> 01:36:14,000

left the room that you needed to mute

2473

01:36:18,310 --> 01:36:16,639

yourself as you left the room

2474

01:36:21,990 --> 01:36:18,320

how'd you guys know i was farting the

2475

01:36:27,830 --> 01:36:24,870

listening on your face champ that's

2476

01:36:29,189 --> 01:36:27,840

right go lions listen uh yeah listen ben

2477

01:36:31,189 --> 01:36:29,199

honestly there's no point even mentioned

2478

01:36:33,270 --> 01:36:31,199

to ben bens i can remember let's face it

2479

01:36:34,790 --> 01:36:33,280

joe let's be honest

2480

01:36:36,550 --> 01:36:34,800

i mean you're not wrong he's not going

2481

01:36:37,669 --> 01:36:36,560

to remember he's not going to remember

2482

01:36:38,950 --> 01:36:37,679

you but not

2483

01:36:40,229 --> 01:36:38,960

okay you remember when i was getting

2484

01:36:42,229 --> 01:36:40,239

added

2485

01:36:43,510 --> 01:36:42,239

to to the to the what is the other

2486

01:36:46,709 --> 01:36:43,520

website you guys have designed right

2487

01:36:48,870 --> 01:36:46,719

we're it's really big this is a cfa tffa

2488

01:36:50,310 --> 01:36:48,880

right embossing company

2489

01:36:51,590 --> 01:36:50,320

yeah yeah

2490

01:36:54,390 --> 01:36:51,600

and and do you remember how i wrote a

2491

01:36:56,310 --> 01:36:54,400

very detailed information email about my

2492

01:36:58,310 --> 01:36:56,320

qualifications of being an official

2493

01:37:00,629 --> 01:36:58,320

taint inspector and like all my quality

2494

01:37:02,390 --> 01:37:00,639

do you remember that

2495

01:37:06,229 --> 01:37:02,400

look at his face

2496

01:37:07,430 --> 01:37:06,239

he just added me to the website and

2497

01:37:09,430 --> 01:37:07,440

look at him taking earphones also you

2498

01:37:11,750 --> 01:37:09,440

can't hear and all it said was william

2499

01:37:13,830 --> 01:37:11,760

is a member and i was like bro i'm so

2500

01:37:15,270 --> 01:37:13,840

much more than a member i wrote for an

2501

01:37:17,030 --> 01:37:15,280

hour and a half

2502

01:37:18,790 --> 01:37:17,040

to make that

2503

01:37:20,390 --> 01:37:18,800

oh yeah all you have to do is copy and

2504

01:37:22,229 --> 01:37:20,400

paste i wonder if you still have that

2505

01:37:26,229 --> 01:37:22,239

email bro

2506

01:37:27,750 --> 01:37:26,239

look dude i i actually do remember this

2507

01:37:29,350 --> 01:37:27,760

everyone else's

2508

01:37:30,629 --> 01:37:29,360

email or message i'm gonna go find this

2509

01:37:33,590 --> 01:37:30,639

because i'm gonna read it on the air

2510

01:37:35,990 --> 01:37:33,600

it's beautiful the it is beautiful it

2511

01:37:41,750 --> 01:37:36,000

was like literature fellatio essentially

2512

01:37:46,709 --> 01:37:42,470

so

2513

01:37:49,910 --> 01:37:46,719

anyway like it was look you sent uh

2514

01:37:52,229 --> 01:37:49,920

a phenomenal email everyone else's uh

2515

01:37:56,310 --> 01:37:52,239

bio was like two sentences long and

2516

01:37:58,790 --> 01:37:56,320

yours was so so i just get schooled

2517

01:38:02,470 --> 01:37:58,800

the website design would have been

2518

01:38:04,280 --> 01:38:02,480

only you for like 14 scrolls so then i

2519

01:38:06,470 --> 01:38:04,290

was like you know what it's just like

2520

01:38:08,629 --> 01:38:06,480

[Laughter]

2521

01:38:10,310 --> 01:38:08,639

okay i just you know what mother trucker

2522

01:38:12,149 --> 01:38:10,320

i just found this i'm gonna read this

2523

01:38:13,910 --> 01:38:12,159

right here why is my phone blowing up

2524

01:38:15,430 --> 01:38:13,920

all this information okay

2525

01:38:17,189 --> 01:38:15,440

i said

2526

01:38:19,430 --> 01:38:17,199

hello

2527

01:38:21,030 --> 01:38:19,440

essentially to start

2528

01:38:24,470 --> 01:38:21,040

pretty intro

2529

01:38:33,430 --> 01:38:24,480

hello hey guys

2530

01:38:39,109 --> 01:38:36,870

chief taint inspector or cti for short

2531

01:38:41,830 --> 01:38:39,119

here at ttfa we strive to run the most

2532

01:38:44,070 --> 01:38:41,840

smooth and pure methane possible

2533

01:38:46,070 --> 01:38:44,080

and that's where i come in it's a dark

2534

01:38:47,990 --> 01:38:46,080

and rather uncharted region that doesn't

2535

01:38:50,390 --> 01:38:48,000

really get the spotlight or attention it

2536

01:38:52,950 --> 01:38:50,400

deserves i'm going to level with you

2537

01:38:55,430 --> 01:38:52,960

it's hard and dirty work some days but

2538

01:38:57,109 --> 01:38:55,440

that's what i signed up for

2539

01:38:58,950 --> 01:38:57,119

you can end up overwhelmed and a little

2540

01:39:02,070 --> 01:38:58,960

bit uncertain it's the right course of

2541

01:39:04,550 --> 01:39:02,080

action but luckily for you and tffa i

2542

01:39:07,090 --> 01:39:04,560

created the ctir better known as the

2543

01:39:09,109 --> 01:39:07,100

chieftain inspector regiment

2544

01:39:19,750 --> 01:39:09,119

[Laughter]

2545

01:39:23,910 --> 01:39:22,149

let me have my moment here ben okay let

2546

01:39:28,629 --> 01:39:23,920

me just have my building on the other

2547

01:39:33,270 --> 01:39:31,030

inspector regiment it ensures that we

2548

01:39:36,310 --> 01:39:33,280

here at tffa and yourself at home can

2549

01:39:38,390 --> 01:39:36,320

run on that smooth but that most smooth

2550

01:39:41,189 --> 01:39:38,400

and pure methane possible

2551
01:39:44,390 --> 01:39:41,199
ctir below bottom line the grundle and

2552
01:39:47,030 --> 01:39:44,400
the taint region must obey the law of

2553
01:39:49,350 --> 01:39:47,040
pubic proportions

2554
01:39:51,590 --> 01:39:49,360
this is it could never be longer than

2555
01:39:53,510 --> 01:39:51,600
the main event above your junk

2556
01:39:55,750 --> 01:39:53,520
if you're bare there then you can't have

2557
01:39:58,149 --> 01:39:55,760
that wispy surprise trans behind your

2558
01:40:00,149 --> 01:39:58,159
family jewels hashtag methane breaking

2559
01:40:02,870 --> 01:40:00,159
down the berries and blasting us into

2560
01:40:05,030 --> 01:40:02,880
space and beyond hashtag the powers

2561
01:40:06,950 --> 01:40:05,040
within you

2562
01:40:12,870 --> 01:40:06,960
i honestly think and i logged in and all

2563
01:40:19,430 --> 01:40:17,189

[Laughter]

2564

01:40:23,189 --> 01:40:19,440

i was like dang it i'm never writing

2565

01:40:25,750 --> 01:40:24,709

but dude it didn't roll into like back

2566

01:40:27,030 --> 01:40:25,760

when we were still doing the manscape

2567

01:40:30,730 --> 01:40:27,040

thing a little bit yeah i was kind of

2568

01:40:38,870 --> 01:40:33,109

[Laughter]

2569

01:40:43,750 --> 01:40:40,709

like you made it onto our show we gave

2570

01:40:46,149 --> 01:40:44,870

ben was like i'm just going to add a

2571

01:40:47,700 --> 01:40:46,159

picture

2572

01:41:02,709 --> 01:40:47,710

let's get it

2573

01:41:02,719 --> 01:41:08,550

the pulsar

2574

01:41:11,030 --> 01:41:09,590

oh

2575

01:41:12,790 --> 01:41:11,040

do you think that anybody else ever gets

2576

01:41:14,870 --> 01:41:12,800

pissed off like maybe other people are

2577

01:41:15,830 --> 01:41:14,880

running shows podcasts or like whatever

2578

01:41:17,030 --> 01:41:15,840

and they're like

2579

01:41:18,550 --> 01:41:17,040

why did you

2580

01:41:20,070 --> 01:41:18,560

like google garage get so much attention

2581

01:41:23,270 --> 01:41:20,080

they go and check us out

2582

01:41:25,189 --> 01:41:23,280

like what what what in god's name

2583

01:41:26,870 --> 01:41:25,199

well we figured we figure things like

2584

01:41:30,229 --> 01:41:26,880

this out like uh

2585

01:41:36,070 --> 01:41:30,239

josh says uh spacebar equals swamp gas

2586

01:41:39,430 --> 01:41:37,669

you know also we always thought that

2587

01:41:42,310 --> 01:41:39,440

like you know there's not like a there's

2588

01:41:44,830 --> 01:41:42,320

not like a howard stern of the ufo world

2589

01:41:48,390 --> 01:41:44,840

so uh let's go ahead and fill that

2590

01:41:49,830 --> 01:41:48,400

slot oh man uh a champ says do fart

2591

01:41:50,870 --> 01:41:49,840

smell in space

2592

01:41:52,790 --> 01:41:50,880

they do

2593

01:41:55,109 --> 01:41:52,800

you astronauts talk about this now are

2594

01:41:56,709 --> 01:41:55,119

we talking in the

2595

01:41:58,830 --> 01:41:56,719

in the uh

2596

01:42:00,070 --> 01:41:58,840

why can't i remember the name of a

2597

01:42:02,550 --> 01:42:00,080

spacecraft tonight guys i'm having

2598

01:42:04,310 --> 01:42:02,560

issues the space station

2599

01:42:05,830 --> 01:42:04,320

in the compartment

2600

01:42:07,189 --> 01:42:05,840

the capsule

2601
01:42:10,229 --> 01:42:07,199
where the air is circulated and they

2602
01:42:11,270 --> 01:42:10,239
said yes it indeed gets very stinky up

2603
01:42:14,229 --> 01:42:11,280
in there

2604
01:42:15,189 --> 01:42:14,239
but in space itself no cause you'd be

2605
01:42:16,709 --> 01:42:15,199
dead

2606
01:42:18,790 --> 01:42:16,719
when you're in space and you tried to

2607
01:42:20,790 --> 01:42:18,800
smell the air there'd be nothing you'd

2608
01:42:23,669 --> 01:42:20,800
just be frozen in time it would freeze

2609
01:42:25,350 --> 01:42:23,679
the gases in the air so no farts

2610
01:42:27,109 --> 01:42:25,360
technically under my understanding would

2611
01:42:29,109 --> 01:42:27,119
not smell in space remember the movie

2612
01:42:31,510 --> 01:42:29,119
rocket man when he farts in his suit and

2613
01:42:33,990 --> 01:42:31,520

he like holds the hose and he like blows

2614

01:42:38,149 --> 01:42:36,229

and then he's like don't you do it don't

2615

01:42:43,109 --> 01:42:38,159

you do it he lets go

2616

01:42:46,550 --> 01:42:43,119

he's like oh i can taste it in my mouth

2617

01:42:48,310 --> 01:42:46,560

that movie is so funny holy [\h__\h] my aunt

2618

01:42:50,390 --> 01:42:48,320

took me to go see rocket man when i was

2619

01:42:52,629 --> 01:42:50,400

like eight years old i swear to god we

2620

01:42:55,109 --> 01:42:52,639

both laughed our asses off like we

2621

01:42:58,229 --> 01:42:55,119

almost died in the movie theater is so

2622

01:43:00,229 --> 01:42:58,239

funny i love that goddamn movie

2623

01:43:02,229 --> 01:43:00,239

oh [\h__\h]

2624

01:43:03,830 --> 01:43:02,239

i was freaking that guy's name too and

2625

01:43:07,350 --> 01:43:03,840

he's so funny

2626

01:43:09,590 --> 01:43:07,360

oh my god ulysses the monkey

2627

01:43:10,870 --> 01:43:09,600

and he's like lucy did it he was like

2628

01:43:12,149 --> 01:43:10,880

the monkey

2629

01:43:13,990 --> 01:43:12,159

yeah

2630

01:43:18,310 --> 01:43:14,000

ulysses did it he's like he's on the

2631

01:43:22,790 --> 01:43:21,350

wait you started blaming all the monkeys

2632

01:43:24,790 --> 01:43:22,800

yeah

2633

01:43:27,189 --> 01:43:24,800

and the lady that's back at the ship too

2634

01:43:28,550 --> 01:43:27,199

he tried blaming it on everybody else

2635

01:43:30,390 --> 01:43:28,560

and then he makes him drop the american

2636

01:43:32,310 --> 01:43:30,400

flag when they first like

2637

01:43:34,790 --> 01:43:32,320

it just falls in that canyon off that

2638

01:43:36,950 --> 01:43:34,800

cliff and he takes off his boxers and

2639

01:43:39,990 --> 01:43:36,960

it's like american flag boxers and they

2640

01:43:41,350 --> 01:43:40,000

they post it on mars as the first flag

2641

01:43:43,109 --> 01:43:41,360

on mars

2642

01:43:45,669 --> 01:43:43,119

is it great i'll be right back gentlemen

2643

01:43:48,149 --> 01:43:45,679

i'll be right back oh yeah

2644

01:43:50,830 --> 01:43:48,159

hey first of all can we just talk about

2645

01:43:53,750 --> 01:43:50,840

the fact of gary and mr

2646

01:43:55,109 --> 01:43:53,760

crowley like bro

2647

01:43:55,750 --> 01:43:55,119

and everybody else you guys have been

2648

01:43:57,750 --> 01:43:55,760

watching

2649

01:43:59,990 --> 01:43:57,760

the crap out of us tonight simon

2650

01:44:02,390 --> 01:44:00,000

wells everybody just

2651
01:44:05,109 --> 01:44:02,400
simon wells he said i have beautiful

2652
01:44:07,750 --> 01:44:05,119
eyes i mean come on man wait i will show

2653
01:44:11,109 --> 01:44:07,760
up at your house tell your wife i will

2654
01:44:14,709 --> 01:44:13,030
i will dude

2655
01:44:18,229 --> 01:44:14,719
you're buttering me up like a freaking

2656
01:44:25,350 --> 01:44:21,189
also uh jacob willis

2657
01:44:29,669 --> 01:44:28,070
also tartari is actually

2658
01:44:31,590 --> 01:44:29,679
we've talked about this a little bit i

2659
01:44:35,189 --> 01:44:31,600
would love to go in on that for sure

2660
01:44:36,709 --> 01:44:35,199
like that's a that's a dope topic uh

2661
01:44:38,709 --> 01:44:36,719
you've heard about about that like that

2662
01:44:40,390 --> 01:44:38,719
the dude that lane is like it's like the

2663
01:44:44,950 --> 01:44:40,400

new uh uh

2664

01:44:45,830 --> 01:44:44,960

kind of uh uh like uh frozen yogurt

2665

01:44:49,109 --> 01:44:45,840

or

2666

01:44:51,510 --> 01:44:49,119

yeah the chartreuse yeah yeah the frozen

2667

01:44:53,270 --> 01:44:51,520

yogurt places right but it's also it's

2668

01:44:55,910 --> 01:44:53,280

meat flavored

2669

01:44:58,470 --> 01:44:55,920

is it yeah yeah it's like it's like uh

2670

01:44:59,590 --> 01:44:58,480

like pork

2671

01:45:01,750 --> 01:44:59,600

i don't know maybe we're talking about

2672

01:45:03,910 --> 01:45:01,760

two different

2673

01:45:05,590 --> 01:45:03,920

i was just i was just yes anding you

2674

01:45:06,629 --> 01:45:05,600

dude i

2675

01:45:10,790 --> 01:45:06,639

i don't know

2676

01:45:12,629 --> 01:45:10,800

tartaria tortilla oh i've got you muted

2677

01:45:17,030 --> 01:45:12,639

sorry willy oh

2678

01:45:19,590 --> 01:45:17,040

i got myself muted there we go dude

2679

01:45:21,590 --> 01:45:19,600

willie what do you know about tartaria

2680

01:45:25,270 --> 01:45:21,600

tartaria

2681

01:45:27,430 --> 01:45:25,280

i've never seen it if it's a movie

2682

01:45:31,830 --> 01:45:27,440

yeah it is

2683

01:45:38,310 --> 01:45:32,790

so

2684

01:45:41,430 --> 01:45:38,320

the the story is that a gentle a

2685

01:45:47,430 --> 01:45:44,310

landed in a an airport in in some other

2686

01:45:49,350 --> 01:45:47,440

country not the u.s oh no yeah 100 no

2687

01:45:50,870 --> 01:45:49,360

this one nevermind i like you i don't

2688

01:45:52,550 --> 01:45:50,880

know where the [h__h] i am he shows him

2689

01:45:54,790 --> 01:45:52,560

their his id

2690

01:45:57,350 --> 01:45:54,800

and it says tartaria

2691

01:45:59,750 --> 01:45:57,360

and uh he like they're

2692

01:46:02,310 --> 01:45:59,760

like uh customs uh

2693

01:46:03,910 --> 01:46:02,320

keeps him backstage or in the green room

2694

01:46:05,750 --> 01:46:03,920

you know not the fun part of the green

2695

01:46:08,390 --> 01:46:05,760

room they're like hey well you know are

2696

01:46:09,990 --> 01:46:08,400

you a little glove slapping action

2697

01:46:11,990 --> 01:46:10,000

that kind of backflip like how many

2698

01:46:14,870 --> 01:46:12,000

rubber bands do we own are they large

2699

01:46:16,950 --> 01:46:14,880

enough to punish you and

2700

01:46:18,709 --> 01:46:16,960

he was like i can show you where i'm

2701

01:46:20,709 --> 01:46:18,719

from on a globe and they give him a

2702

01:46:22,950 --> 01:46:20,719

globe and he's like it's not on here but

2703

01:46:23,990 --> 01:46:22,960

it's it's it's like it's supposed to be

2704

01:46:25,910 --> 01:46:24,000

right there

2705

01:46:27,990 --> 01:46:25,920

is this is this is this what the tom

2706

01:46:29,910 --> 01:46:28,000

hanks movie was based on

2707

01:46:31,990 --> 01:46:29,920

charles that was based

2708

01:46:33,590 --> 01:46:32,000

uh not a real story wait what are you

2709

01:46:36,870 --> 01:46:33,600

talking what's turn what is what is that

2710

01:46:40,870 --> 01:46:38,790

it's a blockbuster hit movie

2711

01:46:43,109 --> 01:46:40,880

called called terminal and it's got tom

2712

01:46:45,109 --> 01:46:43,119

hanks where he flies in the united

2713

01:46:47,590 --> 01:46:45,119

states oh you're talking you're talking

2714

01:46:48,310 --> 01:46:47,600

about uh uh a castaway

2715

01:46:50,790 --> 01:46:48,320

no

2716

01:47:03,830 --> 01:46:50,800

terminal

2717

01:47:08,149 --> 01:47:06,070

um dude i can't wait for that nicholas

2718

01:47:09,430 --> 01:47:08,159

cage movie where nicholas cage plays

2719

01:47:11,830 --> 01:47:09,440

nicholas cage

2720

01:47:13,270 --> 01:47:11,840

how badass is that going to be

2721

01:47:14,709 --> 01:47:13,280

jumps over the wall he's like turns out

2722

01:47:15,510 --> 01:47:14,719

we could have just walked around the

2723

01:47:17,830 --> 01:47:15,520

wall

2724

01:47:21,189 --> 01:47:17,840

yes dude i hope that fool walks in the

2725

01:47:23,590 --> 01:47:21,199

background saying it you need heat

2726

01:47:26,149 --> 01:47:23,600

dude it's it's so great he's like hi

2727

01:47:27,910 --> 01:47:26,159

i'm nick cage

2728

01:47:29,990 --> 01:47:27,920

you were like oh my god nick cage he's

2729

01:47:32,070 --> 01:47:30,000

like yeah i'm nick cage

2730

01:47:33,669 --> 01:47:32,080

no [\h__\h] i'm nick cage apparently he's

2731

01:47:34,629 --> 01:47:33,679

like broke in the movie and like he's

2732

01:47:41,669 --> 01:47:34,639

like

2733

01:47:43,669 --> 01:47:41,679

million dollars so he goes

2734

01:47:45,750 --> 01:47:43,679

turns out the guy's like a bad guy like

2735

01:47:48,229 --> 01:47:45,760

some [\h__\h] goes down it's like this crazy

2736

01:47:50,470 --> 01:47:48,239

like comedy action movie where nick cage

2737

01:47:52,310 --> 01:47:50,480

plays nick cage

2738

01:47:53,830 --> 01:47:52,320

melissa nicole

2739

01:47:54,870 --> 01:47:53,840

i guess i'll utter your name tonight if

2740

01:47:56,950 --> 01:47:54,880

i have to even though you have not

2741

01:48:00,149 --> 01:47:56,960

returned old blue to me and you've been

2742

01:48:01,109 --> 01:48:00,159

out [h__\h] and old blue out to people we

2743

01:48:03,990 --> 01:48:01,119

just we're going to settle that

2744

01:48:06,310 --> 01:48:04,000

eventually but what does that mean

2745

01:48:08,229 --> 01:48:06,320

she knows what it means she knows that's

2746

01:48:09,270 --> 01:48:08,239

old blue that's my van that's why the

2747

01:48:10,149 --> 01:48:09,280

big willy weekends haven't been

2748

01:48:11,910 --> 01:48:10,159

happening

2749

01:48:13,750 --> 01:48:11,920

she's been taking it and putting her

2750

01:48:15,830 --> 01:48:13,760

giant forehead of a head she calls it a

2751
01:48:18,870 --> 01:48:15,840
head in there she can't even fit in the

2752
01:48:21,430 --> 01:48:18,880
van there's pictures to prove it send it

2753
01:48:22,950 --> 01:48:21,440
let me see i want to say i need to feel

2754
01:48:25,430 --> 01:48:22,960
what i'm talking about paranormal chop

2755
01:48:26,470 --> 01:48:25,440
shop has those pictures sonny

2756
01:48:27,350 --> 01:48:26,480
and uh

2757
01:48:28,709 --> 01:48:27,360
she's

2758
01:48:30,390 --> 01:48:28,719
out there

2759
01:48:33,669 --> 01:48:30,400
i'll tell you what she got a big old

2760
01:48:35,270 --> 01:48:33,679
five head sitting in my van the ten pin

2761
01:48:37,189 --> 01:48:35,280
tell you what i'm just kidding that's

2762
01:48:39,430 --> 01:48:37,199
terrible i love you so much melissa

2763
01:48:40,950 --> 01:48:39,440

don't don't take that personally um

2764

01:48:42,470 --> 01:48:40,960

she's right though and he was doing

2765

01:48:43,990 --> 01:48:42,480

business in hong kong talking about the

2766

01:48:46,070 --> 01:48:44,000

gentleman who just appeared and didn't

2767

01:48:47,350 --> 01:48:46,080

know where he was at and the super weird

2768

01:48:51,669 --> 01:48:47,360

part was

2769

01:48:53,870 --> 01:48:51,679

he had stamp marks on his

2770

01:48:56,709 --> 01:48:53,880

um passport and i believe this was in

2771

01:48:58,470 --> 01:48:56,719

1955 so it was in the 50s

2772

01:49:00,310 --> 01:48:58,480

and what was really weird is he was

2773

01:49:01,189 --> 01:49:00,320

freaking out he talked about different

2774

01:49:03,030 --> 01:49:01,199

like

2775

01:49:04,070 --> 01:49:03,040

how long it had been there i think 200

2776
01:49:05,910 --> 01:49:04,080
years or something we were talking about

2777
01:49:07,750 --> 01:49:05,920
this country she said screw you big

2778
01:49:08,870 --> 01:49:07,760
billy you know you love it

2779
01:49:12,709 --> 01:49:08,880
and then

2780
01:49:15,189 --> 01:49:12,719
he just disappeared like legitimately

2781
01:49:17,350 --> 01:49:15,199
locked in that room

2782
01:49:19,430 --> 01:49:17,360
gone

2783
01:49:20,709 --> 01:49:19,440
it's pretty amazing it's it's pretty

2784
01:49:22,790 --> 01:49:20,719
crazy show

2785
01:49:24,870 --> 01:49:22,800
uh gemma jade was kind of bringing that

2786
01:49:27,589 --> 01:49:24,880
up the last time and uh melissa says the

2787
01:49:31,270 --> 01:49:27,599
man from from tar from [h__\h]

2788
01:49:33,669 --> 01:49:31,280

it's hard he's from tartared for sure

2789

01:49:36,310 --> 01:49:33,679

mr crowley sweat hey sweater weather

2790

01:49:37,830 --> 01:49:36,320

it's sweater weather of globe stuff is

2791

01:49:38,950 --> 01:49:37,840

this sweater weather up there with you

2792

01:49:41,430 --> 01:49:38,960

big willie

2793

01:49:44,149 --> 01:49:41,440

sorry i mean it's 35 degrees it's not

2794

01:49:46,950 --> 01:49:44,159

that bad with no wind it's not that bad

2795

01:49:48,470 --> 01:49:46,960

it's it's like 76 here right now

2796

01:49:51,830 --> 01:49:48,480

it's gonna be like 84 on christmas i

2797

01:49:58,709 --> 01:49:51,840

can't wait this is so [h__\h] awesome um

2798

01:50:01,270 --> 01:49:59,910

right now i don't even know if it'll

2799

01:50:03,510 --> 01:50:01,280

happen for sure

2800

01:50:06,470 --> 01:50:03,520

but ben will probably whip his nipples

2801
01:50:08,390 --> 01:50:06,480
out if you want fifty dollars right now

2802
01:50:10,550 --> 01:50:08,400
he'll literally rip his shirt open for

2803
01:50:12,310 --> 01:50:10,560
you and expose nipples

2804
01:50:13,830 --> 01:50:12,320
expose nipples dude listen i've got

2805
01:50:14,870 --> 01:50:13,840
confidence in him yeah i'm not going to

2806
01:50:17,270 --> 01:50:14,880
say it's going to happen but it'll

2807
01:50:19,109 --> 01:50:17,280
probably be the last 50 dollars he'll

2808
01:50:20,790 --> 01:50:19,119
make it happen fast all he needs is he

2809
01:50:24,470 --> 01:50:20,800
i'll make sure

2810
01:50:26,629 --> 01:50:24,480
you need heat i told you

2811
01:50:29,350 --> 01:50:26,639
i told you the greatest movie

2812
01:50:31,669 --> 01:50:29,360
my buddy now we went to washington dc

2813
01:50:33,910 --> 01:50:31,679

look it's our repeating i told you

2814

01:50:35,430 --> 01:50:33,920

you need heat

2815

01:50:50,950 --> 01:50:35,440

i told you

2816

01:50:58,390 --> 01:50:52,870

screen ben don't you [h__h] foot this

2817

01:51:01,270 --> 01:50:59,990

[h__h] my french doesn't i doing here

2818

01:51:04,550 --> 01:51:01,280

you're talking about

2819

01:51:09,730 --> 01:51:04,560

get me out of here put me backstage

2820

01:51:09,740 --> 01:51:18,830

[Music]

2821

01:51:23,910 --> 01:51:21,830

music i gotta slap the bag next that's

2822

01:51:24,950 --> 01:51:23,920

what's uh gonna slap the bag next i'm

2823

01:51:29,270 --> 01:51:24,960

just telling you what

2824

01:51:32,950 --> 01:51:31,830

we love you guys okay

2825

01:51:36,550 --> 01:51:32,960

we love you

2826

01:51:38,229 --> 01:51:36,560

fab fact honestly just thank you for

2827

01:51:42,870 --> 01:51:38,239

everyone who's up in here super chat

2828

01:51:54,070 --> 01:51:45,270

you're welcome simon i don't know i wish

2829

01:51:58,470 --> 01:51:55,589

i don't know i i feel kind of like a

2830

01:52:00,870 --> 01:51:58,480

[h__\h] doing this

2831

01:52:07,750 --> 01:52:00,880

with my damn nipples out dude look you

2832

01:52:12,870 --> 01:52:10,629

we've officially made like 240 bucks hey

2833

01:52:15,669 --> 01:52:12,880

you better slap someone tips 25 or

2834

01:52:18,310 --> 01:52:15,679

combined tips of 25. ben will slap the

2835

01:52:20,950 --> 01:52:18,320

bag right now okay

2836

01:52:24,310 --> 01:52:20,960

we're man whoring him out my bottle if i

2837

01:52:25,500 --> 01:52:24,320

need to i'll slap this i'll stroke this

2838

01:52:28,120 --> 01:52:25,510

for you for

2839

01:52:29,510 --> 01:52:28,130

[Laughter]

2840

01:52:30,629 --> 01:52:29,520

[Music]

2841

01:52:32,709 --> 01:52:30,639

my 15.

2842

01:52:35,030 --> 01:52:32,719

anyways back to important stuff we are

2843

01:52:37,109 --> 01:52:35,040

watching so seriously guys we're man

2844

01:52:38,470 --> 01:52:37,119

whoring hard tonight and it's okay we've

2845

01:52:39,430 --> 01:52:38,480

got bills to pay we need to keep the

2846

01:52:41,430 --> 01:52:39,440

lights on here

2847

01:52:43,189 --> 01:52:41,440

you guys help us do that thank you

2848

01:52:45,270 --> 01:52:43,199

guys you guys help us keep the garage

2849

01:52:46,950 --> 01:52:45,280

lights on and keep those let's keep to

2850

01:52:47,990 --> 01:52:46,960

keep them running keep them running warm

2851
01:52:53,350 --> 01:52:48,000
putting the gas in the tanks and all

2852
01:52:56,870 --> 01:52:55,430
that reminds me of um that was a water

2853
01:52:59,270 --> 01:52:56,880
boy she showed me her boobies and i

2854
01:53:02,390 --> 01:52:59,280
liked them

2855
01:53:04,390 --> 01:53:02,400
water boy hell yeah oh man did they ever

2856
01:53:22,790 --> 01:53:04,400
catch that guy gorilla that escaped the

2857
01:53:25,669 --> 01:53:24,070
whatever you do please do not let the

2858
01:53:27,270 --> 01:53:25,679
boys drink that water

2859
01:53:31,189 --> 01:53:27,280
whatever you do

2860
01:53:33,189 --> 01:53:31,199
do not let the boy drink that water we

2861
01:53:36,470 --> 01:53:33,199
did an episode where we

2862
01:53:39,189 --> 01:53:36,480
we did that or we did an episode where

2863
01:53:42,470 --> 01:53:39,199

we had the audio to that shoulder movies

2864

01:53:44,149 --> 01:53:42,480

and i like them too hello

2865

01:53:46,709 --> 01:53:44,159

vicky vallacourt

2866

01:53:48,070 --> 01:53:46,719

oh mr crowley says he got crap for 170

2867

01:53:49,830 --> 01:53:48,080

he feels like we put on more of a show

2868

01:53:51,189 --> 01:53:49,840

with me maybe add background music i

2869

01:53:52,629 --> 01:53:51,199

don't know

2870

01:53:54,070 --> 01:53:52,639

bro we should have that queued up we

2871

01:53:56,709 --> 01:53:54,080

should have had like the pink panther

2872

01:54:01,189 --> 01:53:58,310

you get done like one at a time like

2873

01:54:04,070 --> 01:54:01,199

yeah almost almost

2874

01:54:05,189 --> 01:54:04,080

oh there's a thing isn't it like i mean

2875

01:54:08,149 --> 01:54:05,199

van gogh

2876

01:54:11,270 --> 01:54:08,159

what's up let me tell you for a flat

2877

01:54:14,149 --> 01:54:11,280

rate tip of 25 ben will show one whole

2878

01:54:18,790 --> 01:54:16,870

flat rate of what

2879

01:54:20,870 --> 01:54:18,800

twenty five dollars

2880

01:54:23,350 --> 01:54:20,880

oh where's that i gotta see it oh [h__\h]

2881

01:54:25,830 --> 01:54:23,360

van gogh

2882

01:54:27,910 --> 01:54:25,840

um but we were watching elf tonight guys

2883

01:54:30,870 --> 01:54:27,920

mr mr crowley wanted to show us

2884

01:54:32,149 --> 01:54:30,880

something earlier he did that's what it

2885

01:54:33,990 --> 01:54:32,159

was

2886

01:54:35,589 --> 01:54:34,000

we should we should send them we should

2887

01:54:37,750 --> 01:54:35,599

send them a small link

2888

01:54:40,470 --> 01:54:37,760

and you can show us something mr crowley

2889

01:54:44,390 --> 01:54:40,480

oh jesus honestly though we're live

2890

01:54:52,470 --> 01:54:47,910

why should we want some milk too

2891

01:54:53,910 --> 01:54:52,480

let me see it dude we need some oh hey

2892

01:54:56,310 --> 01:54:53,920

you guys have all watched his apartment

2893

01:54:58,470 --> 01:54:56,320

he's the milkman big willie aka the

2894

01:55:00,790 --> 01:54:58,480

milkman whatever you need

2895

01:55:03,390 --> 01:55:00,800

we're getting milkman t-shirts made

2896

01:55:05,430 --> 01:55:03,400

eggnog i'm your man

2897

01:55:07,510 --> 01:55:05,440

[Laughter]

2898

01:55:10,229 --> 01:55:07,520

oh my god willie

2899

01:55:13,350 --> 01:55:10,239

if sick but smooth if you were to ever

2900

01:55:16,390 --> 01:55:13,360

lactate as a man it would it would be it

2901
01:55:18,629 --> 01:55:16,400
would be eggnog that's the flavor

2902
01:55:21,430 --> 01:55:18,639
full of nutrients we would be strong as

2903
01:55:23,430 --> 01:55:21,440
[h__h] and we think about it so strong

2904
01:55:25,990 --> 01:55:23,440
what flavor would i say

2905
01:55:27,430 --> 01:55:26,000
about the nutrients oh my god what has

2906
01:55:29,669 --> 01:55:27,440
happened to this podcast what flavor

2907
01:55:46,550 --> 01:55:29,679
would i be dude

2908
01:55:50,470 --> 01:55:48,790
was it nesquiks who was the famous like

2909
01:55:53,109 --> 01:55:50,480
back in the day the 90s commercial early

2910
01:55:57,430 --> 01:55:53,119
2000s late 90s and it'd be like it was

2911
01:56:03,030 --> 01:56:00,629
more oval team please

2912
01:56:05,669 --> 01:56:03,040
yeah it's like breakfast in a cup dude

2913
01:56:07,750 --> 01:56:05,679

yeah my my milk would be uh my the

2914

01:56:09,589 --> 01:56:07,760

nutrients in my milk would be uh diet dr

2915

01:56:10,950 --> 01:56:09,599

pepper and cheeseburger

2916

01:56:12,070 --> 01:56:10,960

meat

2917

01:56:12,830 --> 01:56:12,080

that's what i thought you were gonna say

2918

01:56:15,270 --> 01:56:12,840

for

2919

01:56:17,910 --> 01:56:15,280

me you're gonna be like a doctor wrapper

2920

01:56:20,950 --> 01:56:17,920

milkshake dude yeah

2921

01:56:23,589 --> 01:56:20,960

you still said baloney favor

2922

01:56:25,990 --> 01:56:23,599

my milk would taste favorite my my milk

2923

01:56:28,870 --> 01:56:26,000

would be bong water flavor unless you

2924

01:56:30,149 --> 01:56:28,880

fry that bologna come on everybody

2925

01:56:32,470 --> 01:56:30,159

they've been already been on some hard

2926

01:56:33,750 --> 01:56:32,480

times ever fried some balloon knock

2927

01:56:36,950 --> 01:56:33,760

baloney

2928

01:56:38,709 --> 01:56:36,960

and they put the mustard with it

2929

01:56:39,910 --> 01:56:38,719

but what that means just just don't

2930

01:56:41,589 --> 01:56:39,920

understand

2931

01:56:43,270 --> 01:56:41,599

i just thought that was hilarious

2932

01:56:45,109 --> 01:56:43,280

they'll understand they'll understand

2933

01:56:47,189 --> 01:56:45,119

what does that mean melissa tell us what

2934

01:56:49,669 --> 01:56:47,199

we'll understand us understand or

2935

01:56:51,750 --> 01:56:49,679

everybody else understand

2936

01:56:53,990 --> 01:56:51,760

what are we going to mean yeah

2937

01:56:55,510 --> 01:56:54,000

melissa has to clean up she said every

2938

01:56:58,070 --> 01:56:55,520

time after she doesn't

2939

01:57:00,229 --> 01:56:58,080

melissa's been in the chat the past week

2940

01:57:02,550 --> 01:57:00,239

she's relatively newish

2941

01:57:03,910 --> 01:57:02,560

she's new-ish but she's but she's been

2942

01:57:06,070 --> 01:57:03,920

there for a while she's like she's

2943

01:57:07,669 --> 01:57:06,080

newish you know yeah who's melissa

2944

01:57:09,270 --> 01:57:07,679

where's melissa from

2945

01:57:10,950 --> 01:57:09,280

for a hundred dollar donation to

2946

01:57:14,390 --> 01:57:10,960

paranormal chop shop i'll personally

2947

01:57:15,510 --> 01:57:14,400

manscape you holy jesus christ dude

2948

01:57:17,750 --> 01:57:15,520

what

2949

01:57:20,229 --> 01:57:17,760

chad is out here man whoring all their

2950

01:57:21,669 --> 01:57:20,239

podcasts not even his own

2951

01:57:23,990 --> 01:57:21,679

just literally

2952

01:57:26,709 --> 01:57:24,000

naming podcasts at this point like

2953

01:57:29,510 --> 01:57:26,719

hundred dollars i'll personally manscape

2954

01:57:32,070 --> 01:57:29,520

you dude i'll i'll actually i'll i'll

2955

01:57:35,430 --> 01:57:32,080

throw into that donation and send you

2956

01:57:36,470 --> 01:57:35,440

my uh manscape sponsored uh lawnmower

2957

01:57:39,430 --> 01:57:36,480

that i

2958

01:57:41,830 --> 01:57:39,440

okay i'll be at 2.0 i did the 2.0 was

2959

01:57:45,270 --> 01:57:41,840

pretty dope though but only on his chin

2960

01:57:47,030 --> 01:57:45,280

only on my my nose calls dude

2961

01:57:49,189 --> 01:57:47,040

i saved it

2962

01:57:52,390 --> 01:57:49,199

but actually after they were like hey we

2963

01:57:54,950 --> 01:57:52,400

know uh you don't have uh as many

2964

01:57:56,390 --> 01:57:54,960

listeners as we thought you did uh i was

2965

01:57:58,720 --> 01:57:56,400

like you know what [h__h] it i'm shaving

2966

01:58:00,709 --> 01:57:58,730

my balls so i did shave my balls

2967

01:58:02,709 --> 01:58:00,719

[Music]

2968

01:58:04,950 --> 01:58:02,719

and merry christmas god bless you

2969

01:58:07,830 --> 01:58:04,960

everyone we now know that the the the

2970

01:58:09,589 --> 01:58:07,840

bells are clean and the

2971

01:58:12,629 --> 01:58:09,599

the the decorations for the tree are

2972

01:58:14,629 --> 01:58:12,639

fully manscaped oh yeah yeah this one

2973

01:58:17,189 --> 01:58:14,639

we wants to know what it takes for my

2974

01:58:17,990 --> 01:58:17,199

famous helicopter and uh i just have to

2975

01:58:19,910 --> 01:58:18,000

say

2976

01:58:21,350 --> 01:58:19,920

it's not really a helicopter it's more

2977

01:58:23,109 --> 01:58:21,360

of one of those things that like you

2978

01:58:25,030 --> 01:58:23,119

want at the arcade like when you had a

2979

01:58:26,629 --> 01:58:25,040

bunch of tickets and you spin it real

2980

01:58:29,510 --> 01:58:26,639

fast in your hand and it flies up in the

2981

01:58:30,870 --> 01:58:29,520

air real quick it's more like that

2982

01:58:33,030 --> 01:58:30,880

it's not really like a full-on

2983

01:58:34,950 --> 01:58:33,040

helicopter it's it's it's a little more

2984

01:58:36,470 --> 01:58:34,960

handheld you know but

2985

01:58:38,629 --> 01:58:36,480

but joe are we saying you could throw up

2986

01:58:40,629 --> 01:58:38,639

a solid light switch

2987

01:58:43,750 --> 01:58:40,639

light switch it all day oh yeah we could

2988

01:58:57,030 --> 01:58:43,760

lights we can just light switch oh yeah

2989

01:59:00,870 --> 01:58:58,950

tammy wants to see this joe she said for

2990

01:59:03,830 --> 01:59:00,880

a video of that i'll pay a thousand

2991

01:59:05,189 --> 01:59:03,840

dollars

2992

01:59:07,109 --> 01:59:05,199

there's about to be so many wiener

2993

01:59:10,560 --> 01:59:07,119

videos made bro should we just start an

2994

01:59:21,270 --> 01:59:13,030

[Music]

2995

01:59:24,709 --> 01:59:22,950

that's what she said too

2996

01:59:25,669 --> 01:59:24,719

honestly

2997

01:59:28,550 --> 01:59:25,679

so

2998

01:59:31,910 --> 01:59:28,560

at this point uh thin lizzie if you tip

2999

01:59:33,750 --> 01:59:31,920

or super chat uh even just a dollar at

3000

01:59:35,910 --> 01:59:33,760

this point then

3001

01:59:37,750 --> 01:59:35,920

we'll be shown nipples will be shown

3002

01:59:42,310 --> 01:59:37,760

honestly it will happen for you i've

3003

01:59:47,910 --> 01:59:44,470

bro she's got some experiences

3004

01:59:50,149 --> 01:59:47,920

i know stuff i know who she is

3005

01:59:52,550 --> 01:59:50,159

what have we done

3006

01:59:54,709 --> 01:59:52,560

um melissa you know you've all created

3007

01:59:55,990 --> 01:59:54,719

this monster you guys always throw that

3008

01:59:59,189 --> 01:59:56,000

banana but the

3009

02:00:00,790 --> 01:59:59,199

banana kind of mushy sometimes

3010

02:00:03,030 --> 02:00:00,800

well it's always slipping up in here

3011

02:00:04,470 --> 02:00:03,040

wanting like sexual pillows of chad

3012

02:00:06,260 --> 02:00:04,480

smith

3013

02:00:08,470 --> 02:00:06,270

bro if you play this music right now

3014

02:00:10,709 --> 02:00:08,480

[Music]

3015

02:00:14,629 --> 02:00:10,719

yeah yeah

3016

02:00:21,250 --> 02:00:15,990

oh oh

3017

02:00:28,790 --> 02:00:24,070

[Music]

3018

02:00:37,430 --> 02:00:30,160

solid

3019

02:00:37,440 --> 02:00:46,560

oh

3020

02:00:46,570 --> 02:00:52,310

[Music]

3021

02:00:55,830 --> 02:00:53,910

that guy looks a lot like somebody who

3022

02:00:57,910 --> 02:00:55,840

ran some stuff in germany and i always

3023

02:00:59,589 --> 02:00:57,920

felt uncomfortable seeing him as a child

3024

02:01:02,470 --> 02:00:59,599

and i was always like is that

3025

02:01:04,310 --> 02:01:02,480

wait what is that the guy from the the

3026

02:01:09,430 --> 02:01:04,320

thing with the people that was like the

3027

02:01:14,070 --> 02:01:12,470

look at him look at him you realize what

3028

02:01:17,109 --> 02:01:14,080

i said

3029

02:01:18,470 --> 02:01:17,119

he ran some stuff in germany

3030

02:01:22,229 --> 02:01:18,480

that thing

3031

02:01:25,910 --> 02:01:22,239

he looks exactly like mr wolfenstein

3032

02:01:29,270 --> 02:01:25,920

it just it just hit me

3033

02:01:30,950 --> 02:01:29,280

oh yes melissa pineapple

3034

02:01:32,950 --> 02:01:30,960

but my safe word is

3035

02:01:34,870 --> 02:01:32,960

just pineapple not pineapple is it is it

3036

02:01:37,109 --> 02:01:34,880

a regular pineapple or an upside down

3037

02:01:38,500 --> 02:01:37,119

pineapple if we're upside down we

3038

02:01:43,350 --> 02:01:38,510

definitely need to say pineapple

3039

02:01:44,950 --> 02:01:43,360

[Laughter]

3040

02:01:47,510 --> 02:01:44,960

i'll say it

3041

02:01:49,510 --> 02:01:47,520

pineapple um

3042

02:01:50,950 --> 02:01:49,520

i god's sake i feel like we're gonna

3043

02:01:52,790 --> 02:01:50,960

listen back to this it's been so like

3044

02:01:54,149 --> 02:01:52,800

since i've drank and i'm like oh my god

3045

02:01:55,990 --> 02:01:54,159

what have we done you're gonna lie i

3046

02:02:00,229 --> 02:01:56,000

just wanted to point out again from elf

3047

02:02:02,229 --> 02:02:00,239

guys oh hello vanessa and how's austin

3048

02:02:03,430 --> 02:02:02,239

he's asleep

3049

02:02:04,629 --> 02:02:03,440

you didn't

3050

02:02:07,830 --> 02:02:04,639

no

3051
02:02:10,149 --> 02:02:07,840
i made him sleep on the sofa vanessa

3052
02:02:11,189 --> 02:02:10,159
i'm proud of you

3053
02:02:12,550 --> 02:02:11,199
why

3054
02:02:14,709 --> 02:02:12,560
because

3055
02:02:17,030 --> 02:02:14,719
you've managed to resist austin power's

3056
02:02:18,950 --> 02:02:17,040
child she's so hard but god knows he

3057
02:02:21,589 --> 02:02:18,960
tried mommy i actually have to end up

3058
02:02:23,510 --> 02:02:21,599
being on the phone with him

3059
02:02:26,229 --> 02:02:23,520
joe that's what your gesture looks like

3060
02:02:28,709 --> 02:02:26,239
darling you have to understand yeah baby

3061
02:02:30,310 --> 02:02:28,719
in britain yeah in the 60s

3062
02:02:34,470 --> 02:02:30,320
you could be a sex symbol and still

3063
02:02:40,950 --> 02:02:37,990

me no of course not i was married to

3064

02:02:42,310 --> 02:02:40,960

your father did you ever want to

3065

02:02:58,310 --> 02:02:42,320

austin is

3066

02:03:05,270 --> 02:03:01,189

you didn't answer my question

3067

02:03:08,229 --> 02:03:07,109

ben those nips are getting a lot of work

3068

02:03:11,430 --> 02:03:08,239

tonight you're gonna have to put some

3069

02:03:13,189 --> 02:03:11,440

ice on bro get them nips out full screen

3070

02:03:16,310 --> 02:03:13,199

and i want pink panther slow motion

3071

02:03:18,070 --> 02:03:16,320

music with it don't you dare

3072

02:03:19,589 --> 02:03:18,080

speak to me bro honestly no it's been

3073

02:03:21,189 --> 02:03:19,599

too long

3074

02:03:23,540 --> 02:03:21,199

okay well no i'm gonna have to go mommy

3075

02:03:27,510 --> 02:03:23,550

could i love you

3076

02:03:29,510 --> 02:03:27,520

[Music]

3077

02:03:31,750 --> 02:03:29,520

chad just for you

3078

02:03:33,430 --> 02:03:31,760

can we even show this on youtube guys

3079

02:03:35,189 --> 02:03:33,440

like how much can we show before they're

3080

02:03:36,070 --> 02:03:35,199

playing

3081

02:03:37,589 --> 02:03:36,080

look at the

3082

02:03:39,510 --> 02:03:37,599

camera

3083

02:03:42,629 --> 02:03:39,520

i don't know if you notice willie but we

3084

02:03:45,510 --> 02:03:42,639

do whatever we want people we want here

3085

02:03:49,189 --> 02:03:47,350

youtube is like hey you can't do that

3086

02:03:51,270 --> 02:03:49,199

we're like oh yeah

3087

02:03:54,390 --> 02:03:51,280

watch next week

3088

02:03:56,629 --> 02:03:54,400

we're going to do it longer

3089

02:03:58,870 --> 02:03:56,639

you can't monetize it and we're like

3090

02:04:01,270 --> 02:03:58,880

yeah okay bye

3091

02:04:03,910 --> 02:04:01,280

strike incoming you know what they need

3092

02:04:05,430 --> 02:04:03,920

us honestly you can't strike when we are

3093

02:04:06,709 --> 02:04:05,440

the striker

3094

02:04:09,270 --> 02:04:06,719

okay

3095

02:04:12,550 --> 02:04:09,280

you can't undertake the undertaker he is

3096

02:04:15,750 --> 02:04:12,560

the undertaker we're the ufo garage aka

3097

02:04:19,430 --> 02:04:18,470

i just i just wanted to show up uh just

3098

02:04:21,750 --> 02:04:19,440

uh

3099

02:04:22,950 --> 02:04:21,760

i look i have this tool that i use in

3100

02:04:25,350 --> 02:04:22,960

product photography i thought it would

3101

02:04:27,589 --> 02:04:25,360

be hilarious if i did this

3102

02:04:29,589 --> 02:04:27,599

it's it's a it's tweezers like the way

3103

02:04:32,870 --> 02:04:29,599

used for food photography like how

3104

02:04:38,310 --> 02:04:36,390

i didn't even show your nipple

3105

02:04:40,390 --> 02:04:38,320

you're the worst strip dude you've been

3106

02:04:41,830 --> 02:04:40,400

like the worst trips ever for your wife

3107

02:04:42,550 --> 02:04:41,840

you're like babe i got something planned

3108

02:04:44,310 --> 02:04:42,560

tonight she's like what are you gonna

3109

02:04:45,510 --> 02:04:44,320

plant it like it's super sexy it's a

3110

02:04:47,189 --> 02:04:45,520

plant number one

3111

02:04:48,390 --> 02:04:47,199

and you come in with metal weird-looking

3112

02:04:51,270 --> 02:04:48,400

tweezers what are you gonna do with that

3113

02:04:55,270 --> 02:04:52,790

there's no me playing you're just like

3114

02:04:57,589 --> 02:04:55,280

ripping plastic tape off of your body in

3115

02:05:01,589 --> 02:04:57,599

random places you have no idea how

3116

02:05:03,189 --> 02:05:01,599

accurate that is mr crowley said you

3117

02:05:05,510 --> 02:05:03,199

you you is

3118

02:05:07,430 --> 02:05:05,520

frenzied me

3119

02:05:10,950 --> 02:05:07,440

mr crowley we

3120

02:05:14,550 --> 02:05:10,960

you use these friend easy me ever

3121

02:05:16,629 --> 02:05:14,560

he likes simon simon once honestly ben

3122

02:05:18,149 --> 02:05:16,639

i'll narrate if you just make yourself a

3123

02:05:20,390 --> 02:05:18,159

full screen

3124

02:05:22,709 --> 02:05:20,400

or bigger screen i'll write you removing

3125

02:05:24,709 --> 02:05:22,719

your nipples simon wales just wants a

3126

02:05:26,709 --> 02:05:24,719

little bit for ten dollars no and

3127

02:05:29,030 --> 02:05:26,719

obviously honestly simon has tipped

3128

02:05:31,910 --> 02:05:29,040

almost fifty dollars tonight simon

3129

02:05:33,589 --> 02:05:31,920

deserves his own his own uh

3130

02:05:35,510 --> 02:05:33,599

private cast

3131

02:05:37,830 --> 02:05:35,520

podcast

3132

02:05:38,870 --> 02:05:37,840

we're going to fly to you me

3133

02:05:42,149 --> 02:05:38,880

william

3134

02:05:44,709 --> 02:05:42,159

podcast me joe really are going to fly

3135

02:05:46,390 --> 02:05:44,719

to simon you're going to be on the show

3136

02:05:48,709 --> 02:05:46,400

we're going to explore the outback we're

3137

02:05:51,189 --> 02:05:48,719

like congratulations simon we've made

3138

02:05:53,109 --> 02:05:51,199

you your own podcast you now broadcast

3139

02:05:55,669 --> 02:05:53,119

bro could you imagine just drinking some

3140

02:05:57,510 --> 02:05:55,679

drinks with simon though going to a

3141

02:06:00,069 --> 02:05:57,520

rough bar and like getting in a bar

3142

02:06:03,270 --> 02:06:00,079

fight in australia

3143

02:06:06,390 --> 02:06:05,109

there would be so many boomerangs

3144

02:06:07,830 --> 02:06:06,400

everywhere

3145

02:06:09,189 --> 02:06:07,840

is that a thing can we do that because

3146

02:06:11,270 --> 02:06:09,199

we be the weird three guys that just

3147

02:06:13,270 --> 02:06:11,280

pull out boomerangs and everybody else

3148

02:06:15,270 --> 02:06:13,280

they don't have they don't have guns in

3149

02:06:17,589 --> 02:06:15,280

australia they have knives they had to

3150

02:06:19,430 --> 02:06:17,599

buy back so like they don't have guns in

3151

02:06:21,910 --> 02:06:19,440

australia so everybody carries around

3152

02:06:24,310 --> 02:06:21,920

boomerangs because like boomerangs came

3153

02:06:26,149 --> 02:06:24,320

from australia so there's obviously got

3154

02:06:29,189 --> 02:06:26,159

to be way more boomerangs than guns in

3155

02:06:31,270 --> 02:06:29,199

australia right i mean that's obvious

3156

02:06:35,750 --> 02:06:31,280

that could be a thing

3157

02:06:39,430 --> 02:06:35,760

didn't you everybody crash bandicoot

3158

02:06:43,669 --> 02:06:39,440

oh my god i love that game

3159

02:06:47,510 --> 02:06:45,510

that dude was so unique for the design

3160

02:06:49,189 --> 02:06:47,520

of how it ran towards you it was one of

3161

02:06:52,629 --> 02:06:49,199

the first games ever in the user

3162

02:06:55,109 --> 02:06:52,639

interface design to where you could not

3163

02:06:56,629 --> 02:06:55,119

see where you were going you could only

3164

02:06:59,750 --> 02:06:56,639

see what was happening behind you in

3165

02:07:01,510 --> 02:06:59,760

some of the missions yes it was so

3166

02:07:02,709 --> 02:07:01,520

groundbreaking guys and you didn't

3167

02:07:04,470 --> 02:07:02,719

understand there was an ice fight where

3168

02:07:06,629 --> 02:07:04,480

there's like an ice arena and you had to

3169

02:07:08,310 --> 02:07:06,639

like try and ram each other off of it

3170

02:07:09,189 --> 02:07:08,320

and you could get super boosters and

3171

02:07:13,830 --> 02:07:09,199

stuff

3172

02:07:15,430 --> 02:07:13,840

of ice

3173

02:07:17,170 --> 02:07:15,440

sorry to bring it up for the thirty

3174

02:07:19,750 --> 02:07:17,180

thousand thousands do you smoke

3175

02:07:21,430 --> 02:07:19,760

[Music]

3176

02:07:23,589 --> 02:07:21,440

speaking of ice

3177

02:07:26,390 --> 02:07:23,599

cream speaking of guys i watched the

3178

02:07:28,069 --> 02:07:26,400

movie elf tonight with my children's

3179

02:07:30,790 --> 02:07:28,079

children's children you know

3180

02:07:31,830 --> 02:07:30,800

and i was like bro how what a dick move

3181

02:07:34,629 --> 02:07:31,840

on santa's

3182

02:07:37,030 --> 02:07:34,639

part uh elf figures out he's not he's

3183

02:07:38,629 --> 02:07:37,040

not an elf he's really sad he passes out

3184

02:07:40,870 --> 02:07:38,639

he almost kills another nice little elf

3185

02:07:44,229 --> 02:07:40,880

man right he falls on him he's like

3186

02:07:47,270 --> 02:07:44,239

buddy i can't breathe right and and and

3187

02:07:48,629 --> 02:07:47,280

they send elf right buddy the elf off on

3188

02:07:50,870 --> 02:07:48,639

a piece of ice

3189

02:07:53,350 --> 02:07:50,880

like well good luck you know hop on your

3190

02:07:56,310 --> 02:07:53,360

square piece of ice and shut just chug

3191

02:07:58,069 --> 02:07:56,320

on off good luck and for the fun of it

3192

02:07:59,910 --> 02:07:58,079

he shows up in the show it was only like

3193

02:08:01,350 --> 02:07:59,920

a week or two before christmas and they

3194

02:08:03,990 --> 02:08:01,360

send them off they're like go find your

3195

02:08:04,790 --> 02:08:04,000

dad yeah hi my name's buddy

3196

02:08:06,709 --> 02:08:04,800

right

3197

02:08:08,950 --> 02:08:06,719

and they sent him off to new york new

3198

02:08:10,629 --> 02:08:08,960

york i looked it up guys

3199

02:08:11,830 --> 02:08:10,639

i looked it up and it wasn't easy

3200

02:08:13,189 --> 02:08:11,840

because they said they don't know where

3201

02:08:15,109 --> 02:08:13,199

the north pole is actually at because

3202

02:08:17,030 --> 02:08:15,119

it's in the ocean and it's an ever

3203

02:08:18,709 --> 02:08:17,040

floating piece of ice but i looked up

3204

02:08:20,950 --> 02:08:18,719

the walking dead that's i'm going to

3205

02:08:22,709 --> 02:08:20,960

tell you right now i did the math

3206

02:08:24,790 --> 02:08:22,719

it's like 22 minutes on average for

3207

02:08:26,950 --> 02:08:24,800

human beings to walk a mile

3208

02:08:29,109 --> 02:08:26,960

okay it was 3

3209

02:08:31,030 --> 02:08:29,119

245 miles

3210

02:08:33,430 --> 02:08:31,040

and based on that math it would have

3211

02:08:35,510 --> 02:08:33,440

taken buddy the elf nonstop walking on

3212

02:08:37,589 --> 02:08:35,520

average of 22 minutes a mile

3213

02:08:40,629 --> 02:08:37,599

49 and a half days

3214

02:08:43,510 --> 02:08:40,639

so that movie is a falsehood and i just

3215

02:08:45,430 --> 02:08:43,520

want to put it out there

3216

02:08:47,189 --> 02:08:45,440

will ferrell if you're listening stop

3217

02:08:49,589 --> 02:08:47,199

poisoning our children's minds

3218

02:08:51,510 --> 02:08:49,599

with your false magnification

3219

02:08:53,750 --> 02:08:51,520

just put him out there hold on do we

3220

02:08:56,870 --> 02:08:53,760

know when buddy the elf

3221

02:08:58,470 --> 02:08:56,880

set upon his journey we know we grew the

3222

02:09:00,790 --> 02:08:58,480

lincoln tunnel

3223

02:09:03,189 --> 02:09:00,800

with we know when he started lincoln he

3224

02:09:05,030 --> 02:09:03,199

gave the hugs to the the raccoon i love

3225

02:09:07,430 --> 02:09:05,040

that you did that math though by the god

3226

02:09:08,629 --> 02:09:07,440

damn it i'm just so like sitting there

3227

02:09:10,870 --> 02:09:08,639

my wife's like are you doing your phone

3228

02:09:12,229 --> 02:09:10,880

i was like i'll figure some stuff out

3229

02:09:13,510 --> 02:09:12,239

i'm like i'm going for the important

3230

02:09:14,709 --> 02:09:13,520

stuff right now

3231

02:09:15,910 --> 02:09:14,719

i didn't know that we didn't know what

3232

02:09:18,069 --> 02:09:15,920

the north pole was i thought there was

3233

02:09:20,629 --> 02:09:18,079

an actual like north pole they said no

3234

02:09:23,109 --> 02:09:20,639

one owns the north pole russia has stuck

3235

02:09:25,109 --> 02:09:23,119

a steel titanium flag there i believe in

3236

02:09:26,069 --> 02:09:25,119

2007

3237

02:09:28,069 --> 02:09:26,079

maybe

3238

02:09:29,589 --> 02:09:28,079

but no one technically owns it and

3239

02:09:32,149 --> 02:09:29,599

apparently it's just a floating piece of

3240

02:09:35,990 --> 02:09:32,159

ice in the ocean i was like what does

3241

02:09:39,589 --> 02:09:36,000

that even mean then what like

3242

02:09:48,709 --> 02:09:39,599

yeah i said you saw the dude about elf

3243

02:09:53,510 --> 02:09:51,030

no it's on my alienware thank you very

3244

02:09:55,189 --> 02:09:53,520

much oh man

3245

02:09:57,030 --> 02:09:55,199

fake i'm calling fake on that movie

3246

02:09:58,830 --> 02:09:57,040

tammy i'm telling you i did the math on

3247

02:10:00,390 --> 02:09:58,840

location

3248

02:10:05,189 --> 02:10:00,400

fake

3249

02:10:06,629 --> 02:10:05,199

saying deep oh dude alph was badass i

3250

02:10:08,870 --> 02:10:06,639

love the alf

3251

02:10:10,550 --> 02:10:08,880

hey wait i forgot my one like actual

3252

02:10:12,229 --> 02:10:10,560

like piece of information i wanted to

3253

02:10:16,229 --> 02:10:12,239

bring tonight that was like worth maybe

3254

02:10:19,270 --> 02:10:17,750

i'll wait for ben to pull up his thing

3255

02:10:20,629 --> 02:10:19,280

here before i bring up my one piece of

3256

02:10:21,510 --> 02:10:20,639

information that might be working after

3257

02:10:23,910 --> 02:10:21,520

this

3258

02:10:26,550 --> 02:10:23,920

yes i want to hear the information

3259

02:10:27,589 --> 02:10:26,560

okay okay play it play it do it

3260

02:10:29,189 --> 02:10:27,599

oh i thought you were going to play the

3261

02:10:30,950 --> 02:10:29,199

cat

3262

02:10:34,709 --> 02:10:30,960

jet come on ben show your license your

3263

02:10:38,629 --> 02:10:37,030

you know that i've done that bro how do

3264

02:10:44,709 --> 02:10:38,639

you have so many times what is going do

3265

02:10:52,790 --> 02:10:47,669

this is elf as a thriller

3266

02:10:57,350 --> 02:10:54,069

yeah i think someone sent you a

3267

02:10:59,189 --> 02:10:57,360

christmas gram

3268

02:11:00,870 --> 02:10:59,199

as a thriller excuse me yeah it has a

3269

02:11:04,629 --> 02:11:00,880

thriller

3270

02:11:06,870 --> 02:11:04,639

i'm here to see a walter hobbs

3271

02:11:09,910 --> 02:11:06,880

dad

3272

02:11:12,069 --> 02:11:09,920

i walked all day and night to find you

3273

02:11:14,790 --> 02:11:12,079

look like you came from the north pole

3274

02:11:16,069 --> 02:11:14,800

that's exactly where i came from

3275

02:11:19,750 --> 02:11:16,079

it's a little complicated but it's

3276

02:11:32,900 --> 02:11:22,790

he thinks he's in hell

3277

02:11:32,910 --> 02:11:37,189

[Music]

3278

02:11:41,990 --> 02:11:39,589

guess what i love you i love you i love

3279

02:11:42,000 --> 02:11:48,790

you get the hell out of here

3280

02:11:48,800 --> 02:11:56,690

what do you want some money

3281

02:11:59,589 --> 02:11:58,069

[Music]

3282

02:12:01,189 --> 02:11:59,599

looks like a christmas tree he's

3283

02:12:02,540 --> 02:12:01,199

probably just referring to a state of

3284

02:12:03,990 --> 02:12:02,550

childlike dependency

3285

02:12:06,149 --> 02:12:04,000

[Music]

3286

02:12:07,910 --> 02:12:06,159

we can't we can't leave him alone but he

3287

02:12:10,550 --> 02:12:07,920

needs us to be nurtured they were just

3288

02:12:13,910 --> 02:12:10,560

having a little fun fun so felonies are

3289

02:12:15,830 --> 02:12:13,920

fun introduce him to emily and mike

3290

02:12:17,430 --> 02:12:15,840

once he comes to terms with reality he

3291

02:12:24,510 --> 02:12:17,440

should drop the whole health and move up

3292

02:12:24,520 --> 02:12:30,310

[Music]

3293

02:12:32,980 --> 02:12:31,589

all right

3294

02:12:36,310 --> 02:12:32,990

let's get it over with

3295

02:12:40,149 --> 02:12:38,870

bro the importance of coloration

3296

02:12:42,229 --> 02:12:40,159

on

3297

02:12:44,550 --> 02:12:42,239

anything is so important like them

3298

02:13:00,149 --> 02:12:44,560

changing that coloration a little bit of

3299

02:13:04,790 --> 02:13:01,669

seven people watching us and they're

3300

02:13:06,390 --> 02:13:04,800

still not there's more than seven

3301

02:13:08,390 --> 02:13:06,400

did youtube change their whole layout by

3302

02:13:10,310 --> 02:13:08,400

the way like i can't get my side by side

3303

02:13:11,910 --> 02:13:10,320

screen

3304

02:13:12,950 --> 02:13:11,920

it's gone it looks the exact same over

3305

02:13:15,270 --> 02:13:12,960

here dude

3306

02:13:17,669 --> 02:13:15,280

it changed on my end

3307

02:13:18,470 --> 02:13:17,679

okay oh that's because we're high dude

3308

02:13:20,149 --> 02:13:18,480

in

3309

02:13:23,270 --> 02:13:20,159

michigan

3310

02:13:25,430 --> 02:13:23,280

um yeah so the slightly

3311

02:13:27,109 --> 02:13:25,440

interesting thing that uh happened in

3312

02:13:29,910 --> 02:13:27,119

global news

3313

02:13:32,470 --> 02:13:29,920

was a perfectly preserved extremely rare

3314

02:13:34,229 --> 02:13:32,480

dinosaur embryo and egg found in china

3315

02:13:35,750 --> 02:13:34,239

everybody knows about this everybody's i

3316

02:13:37,750 --> 02:13:35,760

heard about it

3317

02:13:39,270 --> 02:13:37,760

let's talk about it that's exactly what

3318

02:13:40,790 --> 02:13:39,280

else we need to release from china as a

3319

02:13:43,990 --> 02:13:40,800

[h__h] dinosaur

3320

02:13:45,750 --> 02:13:44,000

afraid you're just perfectly preserved

3321

02:13:46,790 --> 02:13:45,760

uh according to a published statement

3322

02:13:48,550 --> 02:13:46,800

china

3323

02:13:49,750 --> 02:13:48,560

you guys are [h__h] killing it the past

3324

02:13:51,350 --> 02:13:49,760

couple years

3325

02:13:53,270 --> 02:13:51,360

i love you

3326

02:13:54,470 --> 02:13:53,280

they also found gumby on the moon dude

3327

02:13:56,470 --> 02:13:54,480

[Laughter]

3328

02:13:58,310 --> 02:13:56,480

bro i've already talked about this that

3329

02:14:00,310 --> 02:13:58,320

that structure on the moon that's a

3330

02:14:02,310 --> 02:14:00,320

dollar general we all know it dollar

3331

02:14:03,830 --> 02:14:02,320

general is on it they find anything like

3332

02:14:05,510 --> 02:14:03,840

a blank piece of anything they're like

3333

02:14:07,350 --> 02:14:05,520

dollar general

3334

02:14:09,270 --> 02:14:07,360

oh [h__h] a dollar tree is about to

3335

02:14:13,030 --> 02:14:09,280

open up right across the street on the

3336

02:14:18,870 --> 02:14:15,109

so many dollar generals

3337

02:14:22,069 --> 02:14:18,880

hey has anybody been watching uh a

3338

02:14:22,079 --> 02:14:26,069

oh

3339

02:14:31,270 --> 02:14:28,149

as soon as we get off

3340

02:14:32,870 --> 02:14:31,280

go to netflix type in cowboy bebop and

3341

02:14:36,310 --> 02:14:32,880

watch that [h__h]

3342

02:14:38,830 --> 02:14:36,320

it is the show it's the it's the show i

3343

02:14:42,229 --> 02:14:38,840

never thought i needed and it's so

3344

02:14:44,310 --> 02:14:42,239

awesome it's it's it's you know it's i

3345

02:14:46,470 --> 02:14:44,320

i'm pretty sure it's like a comic or

3346

02:14:49,589 --> 02:14:46,480

like an anime thing

3347

02:14:52,229 --> 02:14:49,599

but like it's it's it's really good dude

3348

02:14:54,229 --> 02:14:52,239

it's it's it's pretty awesome i'm having

3349

02:14:56,550 --> 02:14:54,239

a really good time watching it joe

3350

02:14:58,790 --> 02:14:56,560

thinks cowboy bebop is a real show

3351

02:15:00,709 --> 02:14:58,800

thanks simulation

3352

02:15:03,270 --> 02:15:00,719

gosh

3353

02:15:05,350 --> 02:15:03,280

i know it's a real show dude i've seen

3354

02:15:06,550 --> 02:15:05,360

it i've seen it

3355

02:15:08,709 --> 02:15:06,560

i was hoping that was gonna be like a

3356

02:15:10,709 --> 02:15:08,719

ticker like a like a news ticker no it

3357

02:15:12,149 --> 02:15:10,719

just went up and it was like bam why did

3358

02:15:13,750 --> 02:15:12,159

it why was it different then that one

3359

02:15:15,350 --> 02:15:13,760

says now that's all right

3360

02:15:16,550 --> 02:15:15,360

now that's already happened but i'm

3361

02:15:19,189 --> 02:15:16,560

saying it

3362

02:15:20,310 --> 02:15:19,199

support oh it's gone why is that

3363

02:15:22,629 --> 02:15:20,320

just

3364

02:15:24,470 --> 02:15:22,639

getting it you gotta push the thing when

3365

02:15:26,870 --> 02:15:24,480

you enter it it says

3366

02:15:28,310 --> 02:15:26,880

slider or pop-up and it says do you want

3367

02:15:30,629 --> 02:15:28,320

it to be roller so you can pick and

3368

02:15:33,750 --> 02:15:30,639

choose

3369

02:15:35,430 --> 02:15:33,760

william you're so dang smart dude not

3370

02:15:37,430 --> 02:15:35,440

really

3371

02:15:39,030 --> 02:15:37,440

all i do is say

3372

02:15:42,709 --> 02:15:39,040

the words

3373

02:15:42,719 --> 02:15:46,629

do you think cowboy

3374

02:15:49,510 --> 02:15:47,350

yeah

3375

02:15:51,510 --> 02:15:49,520

than you it is a real show

3376

02:15:53,830 --> 02:15:51,520

was it a simulation when when ben showed

3377

02:15:56,629 --> 02:15:53,840

his nipples tonight

3378

02:15:59,669 --> 02:15:56,639

was that a figment of your imaginations

3379

02:16:01,510 --> 02:15:59,679

thousands of people became aroused

3380

02:16:03,430 --> 02:16:01,520

i don't know was that a guarantee if you

3381

02:16:05,109 --> 02:16:03,440

try to rewind this video you try to find

3382

02:16:08,310 --> 02:16:05,119

many nipples you can't do because

3383

02:16:09,750 --> 02:16:08,320

they're so small you can't find them if

3384

02:16:11,030 --> 02:16:09,760

you're gonna get rid of this episode

3385

02:16:11,990 --> 02:16:11,040

when we're done are you gonna keep this

3386

02:16:13,910 --> 02:16:12,000

because this might be the greatest

3387

02:16:14,950 --> 02:16:13,920

episode we're keeping it dude we keep

3388

02:16:16,790 --> 02:16:14,960

everything

3389

02:16:18,390 --> 02:16:16,800

we didn't enjoy

3390

02:16:23,510 --> 02:16:18,400

we

3391

02:16:25,430 --> 02:16:23,520

day

3392

02:16:27,430 --> 02:16:25,440

and then the way we felt the next week

3393

02:16:28,550 --> 02:16:27,440

you know yeah oh bim jim i'm sorry to

3394

02:16:29,589 --> 02:16:28,560

hear that brah

3395

02:16:31,669 --> 02:16:29,599

um

3396

02:16:33,110 --> 02:16:31,679

real talk though

3397

02:16:36,629 --> 02:16:33,120

bringing us back to positive eyes but

3398

02:16:39,349 --> 02:16:36,639

also like bro for reals could this be um

3399

02:16:41,830 --> 02:16:39,359

jim has the hong kong fluid dude why why

3400

02:16:44,070 --> 02:16:41,840

am i up what am i where where we're all

3401
02:16:45,509 --> 02:16:44,080
rotating road where were you rotating so

3402
02:16:47,509 --> 02:16:45,519
much

3403
02:16:49,750 --> 02:16:47,519
where is that it's so smooth i didn't

3404
02:16:51,110 --> 02:16:49,760
even notice the transitions honestly it

3405
02:16:53,750 --> 02:16:51,120
was like

3406
02:16:55,030 --> 02:16:53,760
uh so what i was trying to say is

3407
02:16:57,429 --> 02:16:55,040
are you reading something right now

3408
02:16:59,750 --> 02:16:57,439
thoughts on this beat

3409
02:17:01,429 --> 02:16:59,760
no this is all just this is the raw

3410
02:17:03,990 --> 02:17:01,439
uncensored point of view of william's

3411
02:17:05,429 --> 02:17:04,000
thoughts that are just there

3412
02:17:06,150 --> 02:17:05,439
be honest you're on the toilet aren't

3413
02:17:08,070 --> 02:17:06,160

you

3414

02:17:09,509 --> 02:17:08,080

why says free the nip bro that is my

3415

02:17:11,110 --> 02:17:09,519

only secret have you ever seen me other

3416

02:17:12,709 --> 02:17:11,120

than tonight get up to use the bathroom

3417

02:17:15,349 --> 02:17:12,719

you're literally sitting on the toilet

3418

02:17:17,030 --> 02:17:15,359

five to seven hours and not get up oh

3419

02:17:18,230 --> 02:17:17,040

you're like oh you guys have bad ass

3420

02:17:20,790 --> 02:17:18,240

chairs

3421

02:17:22,790 --> 02:17:20,800

i do have a pretty sweet like it's

3422

02:17:24,070 --> 02:17:22,800

pretty nice chair i don't know where it

3423

02:17:26,389 --> 02:17:24,080

shows your chair

3424

02:17:28,150 --> 02:17:26,399

ever dude that's like

3425

02:17:29,669 --> 02:17:28,160

ben do you have a good chair chad is a

3426

02:17:30,790 --> 02:17:29,679

bad chair he said

3427

02:17:32,629 --> 02:17:30,800

what do you want to see my you wanna

3428

02:17:34,389 --> 02:17:32,639

y'all want to see my chair

3429

02:17:35,589 --> 02:17:34,399

uh yeah what is your chair take this

3430

02:17:37,509 --> 02:17:35,599

[h__h] out

3431

02:17:40,150 --> 02:17:37,519

i got this uh hold it in the air like

3432

02:17:48,140 --> 02:17:40,160

you're mighty joe young

3433

02:17:50,390 --> 02:17:50,010

[Laughter]

3434

02:17:55,030 --> 02:17:50,400

[Music]

3435

02:17:58,790 --> 02:17:56,469

you don't laugh well because this guy

3436

02:18:01,349 --> 02:17:58,800

like cool [h__h] in there though

3437

02:18:03,110 --> 02:18:01,359

bro but i sit on this box every week

3438

02:18:04,870 --> 02:18:03,120

guys can we just honestly let's get a

3439

02:18:06,870 --> 02:18:04,880

few tips in here ben

3440

02:18:22,309 --> 02:18:06,880

joan it's been two and a half years

3441

02:18:26,870 --> 02:18:25,030

my mouth is a [h__h] what

3442

02:18:28,469 --> 02:18:26,880

i have this sweet ass couch next to me

3443

02:18:29,830 --> 02:18:28,479

though but

3444

02:18:32,549 --> 02:18:29,840

i don't know i feel like i needed wait

3445

02:18:36,549 --> 02:18:32,559

hold on joe i i actually had no idea you

3446

02:18:36,559 --> 02:18:45,509

it's october

3447

02:18:51,509 --> 02:18:47,349

you know because i try to rebuild my own

3448

02:18:54,230 --> 02:18:51,519

office here yeah yeah i [h__h] it sucks

3449

02:18:56,709 --> 02:18:54,240

it was a terrible oh man it's a terrible

3450

02:18:58,549 --> 02:18:56,719

idea you should have that one wait why

3451

02:19:00,230 --> 02:18:58,559

just said vibrating butt plugs are the

3452

02:19:01,509 --> 02:19:00,240

best what are we missing in the chat

3453

02:19:03,030 --> 02:19:01,519

because i feel like this is information

3454

02:19:04,469 --> 02:19:03,040

we need to talk about oh you don't know

3455

02:19:06,070 --> 02:19:04,479

that dude

3456

02:19:07,429 --> 02:19:06,080

i just want to know i mean i may i might

3457

02:19:12,469 --> 02:19:07,439

be

3458

02:19:16,309 --> 02:19:14,389

simon wales i'm pretty sure your bank is

3459

02:19:19,030 --> 02:19:16,319

going to be like all right bro you

3460

02:19:19,990 --> 02:19:19,040

charged like 75 at least tonight

3461

02:19:21,349 --> 02:19:20,000

honestly it doesn't look like

3462

02:19:23,509 --> 02:19:21,359

everybody's like oh he's not giving much

3463

02:19:25,509 --> 02:19:23,519

but bro you've honestly given so much

3464

02:19:27,429 --> 02:19:25,519

tonight we thank you thank you so much

3465

02:19:28,870 --> 02:19:27,439

dude if you send your snapchat that we

3466

02:19:31,030 --> 02:19:28,880

know you don't have there are more

3467

02:19:34,629 --> 02:19:31,040

pictures to come honestly joe will show

3468

02:19:35,509 --> 02:19:34,639

you his box open all the way if you need

3469

02:19:37,349 --> 02:19:35,519

yeah

3470

02:19:39,750 --> 02:19:37,359

i want to show you a wide open picture

3471

02:19:42,389 --> 02:19:39,760

of that box i got crazy [h__h] in there to

3472

02:19:44,230 --> 02:19:42,399

this box bro it looks like the cia

3473

02:19:46,950 --> 02:19:44,240

documents for reals i'm sorry ben go

3474

02:19:48,950 --> 02:19:46,960

ahead i feel like you're my nipple pimp

3475

02:19:50,150 --> 02:19:48,960

bruh i uh

3476

02:19:51,670 --> 02:19:50,160

i try to be

3477

02:19:54,630 --> 02:19:51,680

stern but fair

3478

02:19:57,429 --> 02:19:54,640

um honestly and yeah cover those up

3479

02:19:59,030 --> 02:19:57,439

cover those up unless tips not intended

3480

02:20:00,950 --> 02:19:59,040

i didn't know dude

3481

02:20:03,030 --> 02:20:00,960

one i understand tape is not the perfect

3482

02:20:05,510 --> 02:20:03,040

system i would prefer a little string

3483

02:20:07,830 --> 02:20:05,520

action so weaved in so as you pull the

3484

02:20:10,710 --> 02:20:07,840

strings or unfortunately or i like that

3485

02:20:13,110 --> 02:20:10,720

or even velcro because it was discovered

3486

02:20:16,790 --> 02:20:13,120

in the roswell crash right velcro the

3487

02:20:17,670 --> 02:20:16,800

tabs are made of of uh joe tried

3488

02:20:19,910 --> 02:20:17,680

something

3489

02:20:23,270 --> 02:20:19,920

but there is velcro dude because i

3490

02:20:25,990 --> 02:20:23,280

wanted the sound listen dude

3491

02:20:27,110 --> 02:20:26,000

no it doesn't i didn't hear anything oh

3492

02:20:35,910 --> 02:20:27,120

[h__\h]

3493

02:20:37,349 --> 02:20:35,920

[Music]

3494

02:20:38,950 --> 02:20:37,359

i freaking love this honestly you guys

3495

02:20:40,230 --> 02:20:38,960

are so awesome

3496

02:20:42,550 --> 02:20:40,240

like i know we say this all the time but

3497

02:20:43,670 --> 02:20:42,560

honestly we've guys we've formulated an

3498

02:20:45,510 --> 02:20:43,680

amazing group of people maybe we should

3499

02:20:48,070 --> 02:20:45,520

talk about that for a minute 2022 some

3500

02:20:49,910 --> 02:20:48,080

of the goals guys are we are really good

3501
02:20:51,190 --> 02:20:49,920
to get into this backstage but like

3502
02:20:53,110 --> 02:20:51,200
are we feeling

3503
02:20:55,110 --> 02:20:53,120
like a get-together are we thinking that

3504
02:20:59,030 --> 02:20:55,120
something that should happen oh okay so

3505
02:21:02,309 --> 02:20:59,040
william you're referencing uh gara ufo

3506
02:21:04,469 --> 02:21:02,319
garage 2022 visions

3507
02:21:06,309 --> 02:21:04,479
goals and aspirations

3508
02:21:09,910 --> 02:21:06,319
dude

3509
02:21:12,550 --> 02:21:09,920
i want really really big calves

3510
02:21:15,270 --> 02:21:12,560
look and i would

3511
02:21:16,070 --> 02:21:15,280
ben is on that mic bro it's like he's

3512
02:21:17,830 --> 02:21:16,080
like

3513
02:21:19,510 --> 02:21:17,840

he's holding it for the first time he

3514

02:21:21,510 --> 02:21:19,520

didn't know what to do he was right in

3515

02:21:22,309 --> 02:21:21,520

his face that was the moment but he

3516

02:21:24,550 --> 02:21:22,319

didn't

3517

02:21:27,030 --> 02:21:24,560

i'm working on my calves

3518

02:21:29,349 --> 02:21:27,040

i've been working on my toenails

3519

02:21:31,429 --> 02:21:29,359

for like 14 years dude

3520

02:21:34,150 --> 02:21:31,439

and i finally got up to a good place and

3521

02:21:36,389 --> 02:21:34,160

i've been dying to show somebody so this

3522

02:21:38,950 --> 02:21:36,399

is the time i want to show off my damn

3523

02:21:41,910 --> 02:21:38,960

toenails man do it it's just the two

3524

02:21:43,510 --> 02:21:41,920

it's just the big ones you know

3525

02:21:44,630 --> 02:21:43,520

it's so weird that you guys bring up

3526

02:21:46,710 --> 02:21:44,640

calves because i remember doing this

3527

02:21:48,630 --> 02:21:46,720

thing this is years ago i was like 17 i

3528

02:21:50,230 --> 02:21:48,640

was trying with my buddies we were they

3529

02:21:52,150 --> 02:21:50,240

were just like you know because we're

3530

02:21:54,790 --> 02:21:52,160

christians and you know you wouldn't say

3531

02:21:56,150 --> 02:21:54,800

like rude vulgar things people would say

3532

02:21:57,670 --> 02:21:56,160

stupid stuff

3533

02:21:58,790 --> 02:21:57,680

and he would literally do that he would

3534

02:22:00,389 --> 02:21:58,800

just drive around the one dude

3535

02:22:02,070 --> 02:22:00,399

particularly it was always like go to

3536

02:22:04,150 --> 02:22:02,080

he'd see these chicks and you know he's

3537

02:22:05,750 --> 02:22:04,160

gonna be electric halves and he would

3538

02:22:07,030 --> 02:22:05,760

just like yell it out the window all

3539

02:22:09,030 --> 02:22:07,040

crazy like

3540

02:22:11,429 --> 02:22:09,040

but it was it was you know mixed

3541

02:22:14,469 --> 02:22:11,439

mixed reviews mixed reviews flags go all

3542

02:22:19,830 --> 02:22:18,230

man guys i you know i don't know

3543

02:22:21,190 --> 02:22:19,840

i don't know why is asking so many

3544

02:22:22,469 --> 02:22:21,200

important questions and i just don't

3545

02:22:24,550 --> 02:22:22,479

have the answers

3546

02:22:27,540 --> 02:22:24,560

fap asked why does my dream chair come

3547

02:22:30,469 --> 02:22:27,550

with a 9-inch accessory

3548

02:22:33,510 --> 02:22:30,479

[Laughter]

3549

02:22:35,510 --> 02:22:33,520

oh my god dude you're leaking dude

3550

02:22:38,070 --> 02:22:35,520

it's in a cup i can hear it

3551

02:22:40,309 --> 02:22:38,080

amsr

3552

02:22:42,070 --> 02:22:40,319

did you yell oh you shook it a couple

3553

02:22:44,389 --> 02:22:42,080

times too

3554

02:22:46,870 --> 02:22:44,399

hey do you yell ripcord before you pull

3555

02:22:50,389 --> 02:22:46,880

it out or no

3556

02:22:51,670 --> 02:22:50,399

are you talking about tampons or what

3557

02:22:53,990 --> 02:22:51,680

do you guys know about ripcord down

3558

02:22:56,469 --> 02:22:54,000

there first of all if you were in check

3559

02:22:58,790 --> 02:22:56,479

dude that should be a thing ripcord and

3560

02:23:00,550 --> 02:22:58,800

you just fling that sucker right okay

3561

02:23:04,630 --> 02:23:00,560

all right i'm gonna i'm gonna stop it

3562

02:23:09,190 --> 02:23:07,750

oh god do you guys have ripcord in there

3563

02:23:11,270 --> 02:23:09,200

because we have we have this show here

3564

02:23:12,710 --> 02:23:11,280

in michigan it's called um

3565

02:23:14,230 --> 02:23:12,720

it's called uh

3566

02:23:15,429 --> 02:23:14,240

chad smith if you're in the chat please

3567

02:23:16,550 --> 02:23:15,439

help me because i can't read the name of

3568

02:23:22,389 --> 02:23:16,560

the show

3569

02:23:23,110 --> 02:23:22,399

we're gonna wait on chad smith and he

3570

02:23:25,750 --> 02:23:23,120

will

3571

02:23:28,469 --> 02:23:25,760

no no no no no no don't look at the chad

3572

02:23:33,110 --> 02:23:28,479

wait the chat wait the chat chat

3573

02:23:39,510 --> 02:23:36,389

um close close but no cigar

3574

02:23:41,349 --> 02:23:39,520

it's it's uh the [h__h] is it not frumple

3575

02:23:44,389 --> 02:23:41,359

i mean it could be but it's it's not

3576

02:23:51,030 --> 02:23:44,399

that's it could be but it's not

3577

02:23:55,030 --> 02:23:53,030

thank you chad it's called dave and

3578

02:23:57,670 --> 02:23:55,040

chuck the freak

3579

02:23:59,429 --> 02:23:57,680

and they're uh they talked about ripcord

3580

02:24:00,630 --> 02:23:59,439

because they yelled as ripcord and one

3581

02:24:03,349 --> 02:24:00,640

of their listeners wrote in about it

3582

02:24:04,870 --> 02:24:03,359

what it was is it started in vietnam and

3583

02:24:06,790 --> 02:24:04,880

in vietnam some of the gentlemen over

3584

02:24:10,070 --> 02:24:06,800

there would get lonely and they would go

3585

02:24:11,110 --> 02:24:10,080

see a fine young lady of the trade and

3586

02:24:13,110 --> 02:24:11,120

she would

3587

02:24:14,870 --> 02:24:13,120

would service your needs of the

3588

02:24:17,349 --> 02:24:14,880

you know

3589

02:24:18,870 --> 02:24:17,359

neediness of nature

3590

02:24:20,230 --> 02:24:18,880

and

3591

02:24:21,830 --> 02:24:20,240

she would did she would yeah you could

3592

02:24:22,870 --> 02:24:21,840

be similar to that it could be that and

3593

02:24:24,309 --> 02:24:22,880

what they would do is they would they

3594

02:24:25,270 --> 02:24:24,319

would uh at the introduction at this

3595

02:24:30,070 --> 02:24:25,280

time

3596

02:24:33,830 --> 02:24:31,830

as the moment

3597

02:24:35,990 --> 02:24:33,840

of eruption would take place they would

3598

02:24:39,429 --> 02:24:36,000

yell rip god and they would rip that

3599

02:24:41,429 --> 02:24:39,439

cord out that makes a lot of sense the

3600

02:24:43,110 --> 02:24:41,439

process would take place with with the

3601

02:24:44,309 --> 02:24:43,120

other culmination of

3602

02:24:46,950 --> 02:24:44,319

and anyways

3603

02:24:49,429 --> 02:24:46,960

ripcord hashtag ripcord or hashtag sport

3604

02:24:52,389 --> 02:24:49,439

command but yeah hashtag wow how did it

3605

02:24:55,270 --> 02:24:52,399

sound again that was very in-depth

3606

02:24:57,270 --> 02:24:55,280

how does that mean ripcord nice no

3607

02:24:58,870 --> 02:24:57,280

they're supposed to just yell ripcord

3608

02:25:00,710 --> 02:24:58,880

like that and then if you heard someone

3609

02:25:04,469 --> 02:25:00,720

yelling

3610

02:25:06,469 --> 02:25:04,479

over in uh in a tent somewhere or a hut

3611

02:25:08,389 --> 02:25:06,479

you knew what was going down you knew

3612

02:25:10,630 --> 02:25:08,399

what was going down

3613

02:25:12,230 --> 02:25:10,640

bim jim

3614

02:25:14,630 --> 02:25:12,240

because here's the deal i mean i didn't

3615

02:25:16,630 --> 02:25:14,640

make the design but apparently

3616

02:25:18,550 --> 02:25:16,640

god put the g-spot in the man's anus i

3617

02:25:19,670 --> 02:25:18,560

don't know i mean who knows if these are

3618

02:25:22,469 --> 02:25:19,680

factual

3619

02:25:25,590 --> 02:25:22,479

prostate willie

3620

02:25:27,670 --> 02:25:25,600

here's the deal all right jesus christ

3621

02:25:29,670 --> 02:25:27,680

we said the g word people freaked out

3622

02:25:31,830 --> 02:25:29,680

we're going to reunite the p word here

3623

02:25:33,990 --> 02:25:31,840

prospect don't knock it until you had a

3624

02:25:35,030 --> 02:25:34,000

finger in your ass willy all right

3625

02:25:44,870 --> 02:25:35,040

joseph

3626
02:25:49,510 --> 02:25:46,870
have you had a present under your tree

3627
02:25:51,210 --> 02:25:49,520
have you ever had a finger in your ass

3628
02:26:00,550 --> 02:25:51,220
all right that's all

3629
02:26:07,670 --> 02:26:02,550
you might as well answer the question

3630
02:26:10,309 --> 02:26:09,110
i mean two is like well that's a bit

3631
02:26:12,630 --> 02:26:10,319
aggressive you need to calm the french

3632
02:26:13,910 --> 02:26:12,640
toast down you know what i mean like

3633
02:26:15,510 --> 02:26:13,920
getting carried away over there you

3634
02:26:17,030 --> 02:26:15,520
don't pull it out too fast or your

3635
02:26:18,230 --> 02:26:17,040
finger's gonna have an abraham lincoln

3636
02:26:19,270 --> 02:26:18,240
hat on it

3637
02:26:20,710 --> 02:26:19,280
you know

3638
02:26:23,190 --> 02:26:20,720

we gotta be careful

3639

02:26:25,910 --> 02:26:23,200

can't believe in that yeah

3640

02:26:27,750 --> 02:26:25,920

aka poop

3641

02:26:30,150 --> 02:26:27,760

i love judgments he's like this podcast

3642

02:26:31,910 --> 02:26:30,160

has gone off the rails

3643

02:26:34,550 --> 02:26:31,920

i'm just kidding i'm not gonna just

3644

02:26:37,510 --> 02:26:34,560

carry my ass yeah me either i hear it's

3645

02:26:42,389 --> 02:26:39,750

dude why do you know such intricate just

3646

02:26:45,670 --> 02:26:42,399

saying um i've heard it's amazing and

3647

02:26:46,870 --> 02:26:45,680

i'm i've been a little tempted to try it

3648

02:26:49,510 --> 02:26:46,880

are you you're saying you've been

3649

02:26:50,950 --> 02:26:49,520

visited by the christmas ass i can't i

3650

02:26:53,750 --> 02:26:50,960

don't know i love this

3651
02:26:54,730 --> 02:26:53,760
don john bovee says my butt my butt is

3652
02:26:57,830 --> 02:26:54,740
clenched

3653
02:27:00,550 --> 02:26:57,840
[Laughter]

3654
02:27:01,670 --> 02:27:00,560
my butthole is clenched

3655
02:27:03,750 --> 02:27:01,680
just that's the thing you have to

3656
02:27:05,750 --> 02:27:03,760
breathe it's a breathing exercise don

3657
02:27:08,950 --> 02:27:05,760
john bovee you just have to breathe

3658
02:27:11,510 --> 02:27:08,960
through it you know you breathe

3659
02:27:23,750 --> 02:27:11,520
it's a man who who knows from experience

3660
02:27:28,469 --> 02:27:25,510
hey victor uh so we're just talking

3661
02:27:30,070 --> 02:27:28,479
aliens ufos and all things weird we've

3662
02:27:31,990 --> 02:27:30,080
been really diving into this document

3663
02:27:36,630 --> 02:27:32,000

released mostly weird

3664

02:27:40,870 --> 02:27:38,389

a word it's so unfortunate where the

3665

02:27:42,469 --> 02:27:40,880

mail spot is why did god need to hide it

3666

02:27:45,429 --> 02:27:42,479

from us

3667

02:27:48,230 --> 02:27:45,439

it all it all come uh

3668

02:27:50,309 --> 02:27:48,240

it all cumulates it don't come

3669

02:27:51,349 --> 02:27:50,319

it all makes

3670

02:27:52,550 --> 02:27:51,359

what are you talking about come elites

3671

02:27:55,590 --> 02:27:52,560

what are you talking about all makes

3672

02:27:57,190 --> 02:27:55,600

sense it all comes together

3673

02:27:58,950 --> 02:27:57,200

how much is coming right now you've said

3674

02:28:00,469 --> 02:27:58,960

the word comes only look i'm trying to

3675

02:28:01,510 --> 02:28:00,479

escape i'm trying to say that everything

3676

02:28:03,510 --> 02:28:01,520

comes together

3677

02:28:05,110 --> 02:28:03,520

almost come everywhere it's just so much

3678

02:28:07,270 --> 02:28:05,120

everything's just coming culminating

3679

02:28:11,510 --> 02:28:07,280

it's it's the common it's an avalanche

3680

02:28:15,670 --> 02:28:13,750

sergio says free your mind and your ass

3681

02:28:18,870 --> 02:28:15,680

will fall

3682

02:28:20,389 --> 02:28:18,880

that's a true statement by the way

3683

02:28:22,710 --> 02:28:20,399

that is a very

3684

02:28:24,790 --> 02:28:22,720

chance this is it all comes together in

3685

02:28:32,469 --> 02:28:24,800

the end

3686

02:28:36,870 --> 02:28:34,870

are you cleansing the air it's cleansing

3687

02:28:37,830 --> 02:28:36,880

i i saw he's telling everybody to be

3688

02:28:41,429 --> 02:28:37,840

quiet

3689

02:28:42,230 --> 02:28:41,439

no this is this is a uh uh a jedi mantra

3690

02:28:44,550 --> 02:28:42,240

hey

3691

02:28:48,150 --> 02:28:44,560

you you you you'll bring me you'll bring

3692

02:28:48,160 --> 02:28:50,870

anyway

3693

02:28:55,270 --> 02:28:54,070

i i watched i watched uh the newest

3694

02:28:57,670 --> 02:28:55,280

matrix

3695

02:29:00,790 --> 02:28:57,680

was it was the hardest transition ever

3696

02:29:21,030 --> 02:29:00,800

from cafe avalanche come avalanche hey

3697

02:29:24,630 --> 02:29:22,469

the audio version it's going to make no

3698

02:29:29,110 --> 02:29:24,640

sense but on the visual it made total

3699

02:29:32,630 --> 02:29:30,469

on the video

3700

02:29:34,230 --> 02:29:32,640

down the uh

3701

02:29:39,110 --> 02:29:34,240

the tubes with the ube

3702

02:29:39,120 --> 02:29:44,710

the new matrix has come in it

3703

02:29:48,950 --> 02:29:46,309

you one could say there's a coming of

3704

02:29:51,110 --> 02:29:48,960

awareness uh in the new matrix but

3705

02:29:53,750 --> 02:29:51,120

there's a coming of time

3706

02:29:56,070 --> 02:29:53,760

and a coming of what's development

3707

02:29:57,590 --> 02:29:56,080

uh ben is leaving at this point in time

3708

02:29:58,710 --> 02:29:57,600

the podcast he has removed his

3709

02:30:01,030 --> 02:29:58,720

headphones

3710

02:30:02,070 --> 02:30:01,040

and he is taking a moment because he

3711

02:30:03,910 --> 02:30:02,080

came

3712

02:30:06,550 --> 02:30:03,920

and we will see how soon he can come

3713

02:30:07,990 --> 02:30:06,560

back with us and

3714

02:30:09,830 --> 02:30:08,000

it appears even though he won't get this

3715

02:30:12,950 --> 02:30:09,840

in case he ever watches us back later he

3716

02:30:16,630 --> 02:30:12,960

has come back to the present moment with

3717

02:30:18,710 --> 02:30:16,640

us again holy [h__h] oh that was so funny

3718

02:30:22,150 --> 02:30:18,720

oh was it was it powerful and strong too

3719

02:30:25,750 --> 02:30:23,510

that was something that

3720

02:30:27,429 --> 02:30:25,760

okay wait here i i got back i thought

3721

02:30:30,230 --> 02:30:27,439

you guys were gonna be laughing by the

3722

02:30:34,230 --> 02:30:32,230

how you came and went how you were

3723

02:30:36,710 --> 02:30:34,240

coming and then you had came back to us

3724

02:30:38,630 --> 02:30:36,720

as you can see victor says

3725

02:30:40,309 --> 02:30:38,640

it's a resurrection

3726
02:30:44,790 --> 02:30:40,319
the coming

3727
02:30:48,150 --> 02:30:44,800
dude i

3728
02:30:49,590 --> 02:30:48,160
i'm a big fan of the matrix

3729
02:30:51,190 --> 02:30:49,600
and

3730
02:30:51,690 --> 02:30:51,200
all right like i feel like i'm not going

3731
02:30:54,630 --> 02:30:51,700
to win this

3732
02:30:57,270 --> 02:30:54,640
[Music]

3733
02:30:59,110 --> 02:30:57,280
it was awesome dude it was really good

3734
02:31:00,630 --> 02:30:59,120
dude honestly i'm not even going to lie

3735
02:31:02,150 --> 02:31:00,640
i just watched the matrix again for the

3736
02:31:04,150 --> 02:31:02,160
first time

3737
02:31:06,389 --> 02:31:04,160
two weeks ago three weeks ago come back

3738
02:31:08,710 --> 02:31:06,399

i'll watch on i went to come back a

3739

02:31:10,710 --> 02:31:08,720

little throwback with the comeback right

3740

02:31:11,750 --> 02:31:10,720

and

3741

02:31:15,270 --> 02:31:11,760

dude

3742

02:31:17,270 --> 02:31:15,280

the animation held up i was shocked that

3743

02:31:19,990 --> 02:31:17,280

it's held up for the song

3744

02:31:22,630 --> 02:31:20,000

uh it's not animation the animation of

3745

02:31:25,910 --> 02:31:22,640

the time the graphics of like the

3746

02:31:27,830 --> 02:31:25,920

original matrix actually holds up pretty

3747

02:31:30,710 --> 02:31:27,840

well oh you're saying that that was

3748

02:31:32,070 --> 02:31:30,720

wasn't actual footage of the matrix

3749

02:31:34,469 --> 02:31:32,080

that is correct i don't know if you knew

3750

02:31:36,950 --> 02:31:34,479

this or not some people don't know but

3751

02:31:38,710 --> 02:31:36,960

keanu reeves cannot actually dodge

3752

02:31:40,389 --> 02:31:38,720

bullets like that so please stop trying

3753

02:31:41,510 --> 02:31:40,399

to shoot him while he's [h__h] in

3754

02:31:43,190 --> 02:31:41,520

public

3755

02:31:45,270 --> 02:31:43,200

it's been a little bit of an issue

3756

02:31:46,790 --> 02:31:45,280

that's why he he took a break from

3757

02:31:48,230 --> 02:31:46,800

acting if you guys didn't notice he kind

3758

02:31:50,230 --> 02:31:48,240

of stepped away

3759

02:31:51,990 --> 02:31:50,240

a lot of people were testing him out

3760

02:31:53,030 --> 02:31:52,000

they wanted to see if he was true to

3761

02:31:55,190 --> 02:31:53,040

character

3762

02:31:57,190 --> 02:31:55,200

and unfortunately many stunt doubles

3763

02:31:59,510 --> 02:31:57,200

were killed in that process it's a

3764

02:32:04,150 --> 02:31:59,520

tragic tale really that that's followed

3765

02:32:07,270 --> 02:32:05,030

i mean

3766

02:32:09,830 --> 02:32:07,280

man i said i sent you some wise words

3767

02:32:12,550 --> 02:32:09,840

from arnold schwarzenegger why am i not

3768

02:32:13,590 --> 02:32:12,560

getting the wise words i'm sorry it's

3769

02:32:17,030 --> 02:32:13,600

just because

3770

02:32:18,550 --> 02:32:17,040

like ben's open on my all my other like

3771

02:32:21,429 --> 02:32:18,560

i have a computer right in front of me

3772

02:32:22,870 --> 02:32:21,439

and ben is just open so i'm like

3773

02:32:25,590 --> 02:32:22,880

since he's the one controlling the

3774

02:32:27,590 --> 02:32:25,600

computer it's like victor cabela says

3775

02:32:30,469 --> 02:32:27,600

that gunneries teaches us how to dodge

3776

02:32:38,230 --> 02:32:30,479

calm when shot at

3777

02:32:42,710 --> 02:32:40,630

what the french toast oh it's arnold you

3778

02:32:44,710 --> 02:32:42,720

know i was having sex with a woman and

3779

02:32:46,230 --> 02:32:44,720

coming

3780

02:32:47,270 --> 02:32:46,240

so can you believe how much i am in

3781

02:32:49,190 --> 02:32:47,280

heaven

3782

02:32:50,630 --> 02:32:49,200

i'm like getting the feeling of coming

3783

02:32:52,150 --> 02:32:50,640

in the gym i'm getting the feeling of

3784

02:32:54,630 --> 02:32:52,160

coming at home i'm getting the feeling

3785

02:32:57,030 --> 02:32:54,640

of coming backstage when i pump up when

3786

02:32:59,030 --> 02:32:57,040

i pose out in front of 5 000 people i

3787

02:33:12,790 --> 02:32:59,040

get the same feeling so i'm coming day

3788

02:33:12,800 --> 02:33:18,120

no

3789

02:33:18,130 --> 02:33:33,270

[Laughter]

3790

02:33:40,389 --> 02:33:35,270

so he's like i'm coming every day at

3791

02:33:44,150 --> 02:33:41,429

god

3792

02:33:46,790 --> 02:33:44,160

you guys are my nipples are very small

3793

02:33:51,110 --> 02:33:49,190

i love that honestly i know people

3794

02:33:52,309 --> 02:33:51,120

sometimes hate on it you know the garage

3795

02:33:54,950 --> 02:33:52,319

a little bit but those that are in the

3796

02:33:57,349 --> 02:33:54,960

chat every night who love you so much

3797

02:34:00,469 --> 02:33:57,359

who hate on the garage

3798

02:34:01,830 --> 02:34:00,479

i got to put some respect on that name

3799

02:34:03,590 --> 02:34:01,840

you know some people some people

3800

02:34:05,190 --> 02:34:03,600

disrespect it at first they're like oh

3801

02:34:08,150 --> 02:34:05,200

they're like they're like the chi chin

3802

02:34:10,230 --> 02:34:08,160

chong of the ufo community let me know

3803

02:34:12,389 --> 02:34:10,240

i love these guys oh if that's

3804

02:34:13,030 --> 02:34:12,399

considered hate i honestly i think that

3805

02:34:15,830 --> 02:34:13,040

is

3806

02:34:19,270 --> 02:34:15,840

if people say oh vinegar uh ben and joe

3807

02:34:21,190 --> 02:34:19,280

are the uh chicken chang of uh ufology i

3808

02:34:24,070 --> 02:34:21,200

feel like that's a compliment i actually

3809

02:34:25,349 --> 02:34:24,080

really do i love i love that oh my god

3810

02:34:28,630 --> 02:34:25,359

some fap

3811

02:34:29,990 --> 02:34:28,640

at least it's not going to chop up

3812

02:34:32,150 --> 02:34:30,000

at least it's not like ben and joe are

3813

02:34:33,590 --> 02:34:32,160

like the the [h__\h] and balls of ufo

3814

02:34:35,349 --> 02:34:33,600

garage

3815

02:34:39,349 --> 02:34:35,359

balls

3816

02:34:42,070 --> 02:34:39,359

[h__\h]

3817

02:34:51,429 --> 02:34:42,080

oh my gosh that's my region

3818

02:34:55,990 --> 02:34:52,870

don't listen to big willy he's just a

3819

02:34:59,750 --> 02:34:56,000

member i'm just a member

3820

02:35:02,710 --> 02:34:59,760

but i'm a typical dedicated member

3821

02:35:05,190 --> 02:35:02,720

okay to the the grungelin area and i

3822

02:35:09,750 --> 02:35:05,200

give good tips

3823

02:35:14,389 --> 02:35:11,429

wait what the french toast i just said

3824

02:35:14,399 --> 02:35:18,389

he just said that

3825

02:35:23,910 --> 02:35:21,590

i'm on the bench like just oh my god i

3826

02:35:26,150 --> 02:35:23,920

love you so much ben

3827

02:35:27,429 --> 02:35:26,160

see i'm telling you every time i send

3828

02:35:28,950 --> 02:35:27,439

something to bed

3829

02:35:30,870 --> 02:35:28,960

like the idea with the cartoon thing and

3830

02:35:33,750 --> 02:35:30,880

he's like that never happened and he's

3831

02:35:38,389 --> 02:35:36,389

log flipping mother trucker

3832

02:35:54,950 --> 02:35:38,399

oh god oh here you go

3833

02:35:54,960 --> 02:36:04,389

that's just a cheap shot

3834

02:36:17,800 --> 02:36:05,710

but you just like

3835

02:36:24,950 --> 02:36:20,309

[Music]

3836

02:36:24,960 --> 02:36:29,590

what a real talk guys

3837

02:36:32,630 --> 02:36:31,030

people are seeing the glimmer man what

3838

02:36:34,309 --> 02:36:32,640

is that about what do you guys think is

3839

02:36:36,070 --> 02:36:34,319

that sighting is starting to go up a lot

3840

02:36:38,630 --> 02:36:36,080

more is that a cryptid or is it an alien

3841

02:36:40,230 --> 02:36:38,640

encounter the glimmer man yeah we've had

3842

02:36:41,270 --> 02:36:40,240

that encounter here in michigan a couple

3843

02:36:43,429 --> 02:36:41,280

of times

3844

02:36:45,349 --> 02:36:43,439

no no no no man the glimmer man is a

3845

02:36:47,790 --> 02:36:45,359

real thing i'll be right back after

3846

02:36:54,070 --> 02:36:47,800

these messages

3847

02:36:58,309 --> 02:36:55,910

william let's all agree

3848

02:36:59,670 --> 02:36:58,319

it's not that the quote is like get to

3849

02:37:01,429 --> 02:36:59,680

the it's

3850

02:37:05,590 --> 02:37:01,439

it's not the quote is like kids of the

3851
02:37:08,150 --> 02:37:05,600
chopper but the actual quote is

3852
02:37:10,389 --> 02:37:08,160
i am i am terrible man

3853
02:37:13,830 --> 02:37:10,399
who are you are you the guy but it's one

3854
02:37:15,670 --> 02:37:13,840
word it's not turbo man it's turbulent

3855
02:37:18,469 --> 02:37:15,680
thank god hey we got him people listen

3856
02:37:20,389 --> 02:37:18,479
closely this turban

3857
02:37:22,550 --> 02:37:20,399
we're running late here so pay attention

3858
02:37:23,590 --> 02:37:22,560
you already read the manual we sent you

3859
02:37:25,429 --> 02:37:23,600
so you know about all the important

3860
02:37:27,510 --> 02:37:25,439
controls let me just go over a couple of

3861
02:37:45,030 --> 02:37:27,520
the changes there are one of the worst

3862
02:37:51,590 --> 02:37:48,230
you earlier the emergency cut off here

3863
02:37:55,590 --> 02:37:53,990

wow did you hear that

3864

02:37:57,349 --> 02:37:55,600

i mean there's a lot happening here he

3865

02:37:58,630 --> 02:37:57,359

forgot his safe word this is the

3866

02:38:00,389 --> 02:37:58,640

importance of safe words and

3867

02:38:02,309 --> 02:38:00,399

communication guys

3868

02:38:04,389 --> 02:38:02,319

especially in group activities because

3869

02:38:05,990 --> 02:38:04,399

this it can it can unfortunately lead to

3870

02:38:07,830 --> 02:38:06,000

situations like this and then you have

3871

02:38:09,590 --> 02:38:07,840

someone just

3872

02:38:11,830 --> 02:38:09,600

and you don't know you just don't know

3873

02:38:13,429 --> 02:38:11,840

what the situation is also also the guy

3874

02:38:14,950 --> 02:38:13,439

giving the instructions sounds very

3875

02:38:17,110 --> 02:38:14,960

confident but like

3876

02:38:19,349 --> 02:38:17,120

he's an idiot yeah

3877

02:38:21,910 --> 02:38:19,359

he doesn't know has he

3878

02:38:24,710 --> 02:38:21,920

hasn't known that that's the guy

3879

02:38:27,670 --> 02:38:24,720

and he's just spouting out instructions

3880

02:38:29,190 --> 02:38:27,680

that anyone can follow so any looney

3881

02:38:31,190 --> 02:38:29,200

could could do what he's doing right

3882

02:38:32,150 --> 02:38:31,200

honestly anyone

3883

02:38:32,950 --> 02:38:32,160

anyone

3884

02:38:34,870 --> 02:38:32,960

like

3885

02:38:36,950 --> 02:38:34,880

brown inside the helmet that'll alter

3886

02:38:38,550 --> 02:38:36,960

your voice for the proper tone

3887

02:38:40,830 --> 02:38:38,560

because he says

3888

02:38:42,309 --> 02:38:40,840

hold on inside the

3889

02:38:44,950 --> 02:38:42,319

helmet holds your voice to the proper

3890

02:38:47,429 --> 02:38:44,960

tonality and uh procedure-wise this is

3891

02:38:51,030 --> 02:38:47,439

the exact reason why safe words are

3892

02:38:52,469 --> 02:38:51,040

important guys questions yes

3893

02:38:56,230 --> 02:38:52,479

same as we talked about over the phone

3894

02:38:59,750 --> 02:38:58,230

before you say anything let me just take

3895

02:39:01,429 --> 02:38:59,760

a moment and speak for everyone when i

3896

02:39:02,630 --> 02:39:01,439

thank you for filling in for me on such

3897

02:39:05,030 --> 02:39:02,640

short notice

3898

02:39:06,469 --> 02:39:05,040

it was a total freak accident what

3899

02:39:07,910 --> 02:39:06,479

happened at rehearsal and we're

3900

02:39:08,830 --> 02:39:07,920

confident that we got all the casework

3901

02:39:09,990 --> 02:39:08,840

out of the

3902

02:39:11,590 --> 02:39:10,000

system oh

3903

02:39:14,230 --> 02:39:11,600

the doctor said pete actually showed

3904

02:39:17,030 --> 02:39:14,240

some brain activity this morning

3905

02:39:18,550 --> 02:39:17,040

that's a really good sign

3906

02:39:19,670 --> 02:39:18,560

i just sent you a jingle all the way

3907

02:39:22,070 --> 02:39:19,680

clip too

3908

02:39:24,630 --> 02:39:22,080

did you go on the bay

3909

02:39:27,030 --> 02:39:24,640

so last last christmas i found out that

3910

02:39:28,550 --> 02:39:27,040

my brother and my dad have like this

3911

02:39:30,710 --> 02:39:28,560

[h__h] like

3912

02:39:31,510 --> 02:39:30,720

big bonding moment

3913

02:39:36,389 --> 02:39:31,520

and

3914

02:39:39,429 --> 02:39:38,469

what the french chose just happened

3915

02:39:40,790 --> 02:39:39,439

there

3916

02:39:41,590 --> 02:39:40,800

sinbad

3917

02:39:43,590 --> 02:39:41,600

so

3918

02:39:46,710 --> 02:39:43,600

my my dad's favorite movie is jingle all

3919

02:39:49,030 --> 02:39:46,720

the way because of this scene right here

3920

02:39:51,830 --> 02:39:49,040

apparently sinbad runs through the crowd

3921

02:39:53,830 --> 02:39:51,840

and he goes get out of the way

3922

02:39:55,670 --> 02:39:53,840

and like him and my brother were like

3923

02:39:57,670 --> 02:39:55,680

laughing their ass off last christmas

3924

02:39:59,910 --> 02:39:57,680

and i had no idea about this like little

3925

02:40:01,349 --> 02:39:59,920

bonding moment they had going on but it

3926

02:40:03,270 --> 02:40:01,359

was hilarious then i went back and

3927

02:40:05,670 --> 02:40:03,280

watched it and dude i just laughed my

3928

02:40:07,830 --> 02:40:05,680

ass off because sinbad's running through

3929

02:40:09,120 --> 02:40:07,840

the crowd and he says

3930

02:40:11,830 --> 02:40:09,130

get out of the way box

3931

02:40:25,349 --> 02:40:11,840

[Laughter]

3932

02:40:28,710 --> 02:40:27,269

there's so much that happened just then

3933

02:40:30,870 --> 02:40:28,720

the little

3934

02:40:40,230 --> 02:40:30,880

the the ornaments that just like crowded

3935

02:40:44,710 --> 02:40:42,550

that's literally that is the process

3936

02:40:47,750 --> 02:40:44,720

when i'm getting ready to treat the the

3937

02:40:50,070 --> 02:40:47,760

grungelin area as i dictated earlier in

3938

02:40:52,070 --> 02:40:50,080

my my bio that is how i treat the box we

3939

02:40:53,429 --> 02:40:52,080

don't care about it

3940

02:40:55,990 --> 02:40:53,439

right out of the way you beat it out of

3941

02:40:58,950 --> 02:40:56,000

the way to get to what's important

3942

02:41:01,429 --> 02:40:58,960

wait hold on oh ooh willy i love i love

3943

02:41:03,830 --> 02:41:01,439

this oh can i can i copy you for a

3944

02:41:06,230 --> 02:41:03,840

second

3945

02:41:08,389 --> 02:41:06,240

can i say exactly what you just said

3946

02:41:10,389 --> 02:41:08,399

for it i don't care he's he's only been

3947

02:41:12,230 --> 02:41:10,399

doing it the entire show right you say

3948

02:41:14,389 --> 02:41:12,240

something and then just like a minute

3949

02:41:16,389 --> 02:41:14,399

later he brings it out like

3950

02:41:19,030 --> 02:41:16,399

no one's ever heard this fresh tank

3951

02:41:23,510 --> 02:41:20,790

listen i want to say it exactly the way

3952

02:41:27,670 --> 02:41:25,990

oh my god i love you guys so much i'm

3953

02:41:29,670 --> 02:41:27,680

getting really good

3954

02:41:32,309 --> 02:41:29,680

big really will there be titties i mean

3955

02:41:34,630 --> 02:41:32,319

for another five dollars

3956

02:41:36,870 --> 02:41:34,640

spaced out radio tip25 honestly dave if

3957

02:41:38,309 --> 02:41:36,880

you're still here and you owe dave the

3958

02:41:39,830 --> 02:41:38,319

titty pig

3959

02:41:41,110 --> 02:41:39,840

at this point

3960

02:41:43,349 --> 02:41:41,120

man we've made

3961

02:41:45,269 --> 02:41:43,359

dave we made so much money off of ben's

3962

02:41:47,590 --> 02:41:45,279

nipples tonight honestly dave

3963

02:41:49,030 --> 02:41:47,600

dave you do you don't even know dude i'm

3964

02:41:52,150 --> 02:41:49,040

talking about

3965

02:41:54,309 --> 02:41:52,160

hundreds of dollars off of ben's nipples

3966

02:41:57,670 --> 02:41:54,319

literally do you know why

3967

02:41:58,469 --> 02:41:57,680

dude so much money

3968

02:41:59,910 --> 02:41:58,479

just

3969

02:42:01,110 --> 02:41:59,920

maybe move your microphone you might

3970

02:42:02,150 --> 02:42:01,120

you're not doing it you're not being a

3971

02:42:04,150 --> 02:42:02,160

good cam girl i'm trying to teach you

3972

02:42:05,590 --> 02:42:04,160

here i told him your pimp

3973

02:42:07,910 --> 02:42:05,600

slowly

3974

02:42:09,670 --> 02:42:07,920

work it from the angles

3975

02:42:12,469 --> 02:42:09,680

oh there it is

3976

02:42:14,700 --> 02:42:12,479

what was that i could barely see one

3977

02:42:23,269 --> 02:42:14,710

that's a half nipple shine

3978

02:42:23,279 --> 02:42:26,870

wow

3979

02:42:32,790 --> 02:42:29,590

said that cut eye contact though

3980

02:42:34,630 --> 02:42:32,800

that's what gets everybody i think yeah

3981

02:42:37,590 --> 02:42:34,640

five dollars i got ripped off for those

3982

02:42:41,030 --> 02:42:37,600

nippers yeah 50 you did or nap oh jesus

3983

02:42:42,950 --> 02:42:41,040

christ fap you didn't give us 50 and we

3984

02:42:45,510 --> 02:42:42,960

appreciate it so much and i tried to

3985

02:42:47,670 --> 02:42:45,520

give the vocal background with the music

3986

02:42:49,429 --> 02:42:47,680

hey if you can bend just the camera to

3987

02:42:51,349 --> 02:42:49,439

wear chin up

3988

02:42:56,710 --> 02:42:51,359

removed and then just nipple at that

3989

02:43:01,110 --> 02:42:57,750

oh

3990

02:43:04,950 --> 02:43:01,120

my god simon stop giving us money please

3991

02:43:04,960 --> 02:43:09,320

dang it

3992

02:43:09,330 --> 02:43:16,790

[Music]

3993

02:43:20,870 --> 02:43:19,030

it's because they're so tiny so tiny

3994

02:43:27,040 --> 02:43:20,880

things

3995

02:43:27,050 --> 02:43:35,830

[Music]

3996

02:43:39,349 --> 02:43:37,830

honestly ben it's a little intimidating

3997

02:43:41,269 --> 02:43:39,359

how close we are to your mouth if you

3998

02:43:43,429 --> 02:43:41,279

could just bring the camera angle back

3999

02:43:44,870 --> 02:43:43,439

nice and easy

4000

02:44:03,110 --> 02:43:44,880

you remind me of the angle he's doing

4001

02:44:09,190 --> 02:44:06,230

is oh my gosh

4002

02:44:11,590 --> 02:44:09,200

i was my favorite time tiny nipples

4003

02:44:13,269 --> 02:44:11,600

hey i just that's right like it's gonna

4004

02:44:15,510 --> 02:44:13,279

happen it's okay to have small nipples

4005

02:44:16,790 --> 02:44:15,520

welcome to the ufo garage pocket oh dang

4006

02:44:18,150 --> 02:44:16,800

it i didn't mean to go to this i was

4007

02:44:19,590 --> 02:44:18,160

trying to look up who spaced out radio

4008

02:44:21,670 --> 02:44:19,600

has on tonight because i should know

4009

02:44:24,070 --> 02:44:21,680

this and i went to never seen i've never

4010

02:44:25,190 --> 02:44:24,080

seen jimmy church show his nipples

4011

02:44:26,550 --> 02:44:25,200

facts

4012

02:44:28,790 --> 02:44:26,560

i've never seen

4013

02:44:30,309 --> 02:44:28,800

mr dave scott show his nipples either

4014

02:44:33,030 --> 02:44:30,319

hey dave scott can we see your nipples

4015

02:44:35,830 --> 02:44:33,040

tonight honestly mr dave scott mr if i

4016

02:44:38,950 --> 02:44:35,840

may be so inclined to to oblige to his

4017

02:44:41,910 --> 02:44:38,960

imply that the uh nipple showing

4018

02:44:43,110 --> 02:44:41,920

did increase the challenge

4019

02:44:44,150 --> 02:44:43,120

by quite

4020

02:44:45,910 --> 02:44:44,160

i mean

4021

02:44:48,230 --> 02:44:45,920

hey and it wouldn't it wouldn't conflict

4022

02:44:50,389 --> 02:44:48,240

with his like his radio stuff right

4023

02:44:53,429 --> 02:44:50,399

because you can't see nipples on radios

4024

02:44:55,269 --> 02:44:53,439

exactly so hundred percent nipples yeah

4025

02:44:57,590 --> 02:44:55,279

dave

4026
02:44:59,269 --> 02:44:57,600
nipples is not cursing dude you're just

4027
02:44:59,830 --> 02:44:59,279
talking

4028
02:45:01,269 --> 02:44:59,840
you about a

4029
02:45:03,510 --> 02:45:01,279
say anything dude like you're in the

4030
02:45:05,429 --> 02:45:03,520
middle of your broadcast you know

4031
02:45:09,030 --> 02:45:05,439
you're like a really serious topic you

4032
02:45:11,510 --> 02:45:09,040
just drop drop people know the deal 10

4033
02:45:14,309 --> 02:45:11,520
nip slip whoops this happened that's

4034
02:45:16,150 --> 02:45:14,319
right i mean if if what's her name can

4035
02:45:17,429 --> 02:45:16,160
do it at the super bowl so can you you

4036
02:45:18,389 --> 02:45:17,439
know what i'm saying i don't know that's

4037
02:45:21,590 --> 02:45:18,399
all i'm saying

4038
02:45:23,660 --> 02:45:21,600

wait janet jackson jenna jackson

4039

02:45:24,870 --> 02:45:23,670

it was an accident

4040

02:45:25,830 --> 02:45:24,880

[Music]

4041

02:45:27,670 --> 02:45:25,840

oracle

4042

02:45:29,590 --> 02:45:27,680

justin timberlake and janet jackson she

4043

02:45:30,309 --> 02:45:29,600

was showing the titties that's a super

4044

02:45:32,389 --> 02:45:30,319

bowl

4045

02:45:34,870 --> 02:45:32,399

she did short tense there's some real

4046

02:45:37,429 --> 02:45:34,880

questions here did bob lazar show his

4047

02:45:39,110 --> 02:45:37,439

nips you know okay now we need to hit on

4048

02:45:41,269 --> 02:45:39,120

this this is a

4049

02:45:42,950 --> 02:45:41,279

we know he did we need to talk about

4050

02:45:44,309 --> 02:45:42,960

this at this point we know about the

4051
02:45:47,269 --> 02:45:44,319
hand print

4052
02:45:50,230 --> 02:45:47,279
the the scanner that scan the bone

4053
02:45:53,110 --> 02:45:50,240
layout yeah we don't know what is very

4054
02:45:55,510 --> 02:45:53,120
recluse knowledge is the actual nipple

4055
02:45:57,429 --> 02:45:55,520
pattern of the nipple pattern yeah so

4056
02:46:00,150 --> 02:45:57,439
after you would position your hand bone

4057
02:46:02,630 --> 02:46:00,160
system yep there were suction cups for

4058
02:46:04,389 --> 02:46:02,640
the nipples that would come out and you

4059
02:46:07,110 --> 02:46:04,399
had to put your nips in the suction

4060
02:46:08,710 --> 02:46:07,120
couples and it would indicate the areola

4061
02:46:11,349 --> 02:46:08,720
locations

4062
02:46:13,269 --> 02:46:11,359
that were indeed bob lazar so not only

4063
02:46:15,030 --> 02:46:13,279

was it scanning his handprint and his

4064

02:46:18,469 --> 02:46:15,040

bone structure to make sure his bob

4065

02:46:20,550 --> 02:46:18,479

lazar they also had suction cups to to

4066

02:46:22,389 --> 02:46:20,560

track the nipples of

4067

02:46:23,910 --> 02:46:22,399

the czar and that's what he

4068

02:46:26,950 --> 02:46:23,920

that that wasn't even put in jeremy

4069

02:46:30,630 --> 02:46:28,630

suction cups he didn't put that in there

4070

02:46:32,630 --> 02:46:30,640

it was too ridiculous and remember ben

4071

02:46:33,990 --> 02:46:32,640

and i been you remember me and ben were

4072

02:46:35,590 --> 02:46:34,000

talking about it we were like jeremy

4073

02:46:36,790 --> 02:46:35,600

corbell why didn't you put the nipple

4074

02:46:40,150 --> 02:46:36,800

suction cups

4075

02:46:42,150 --> 02:46:40,160

um readers uh in the documentary and

4076
02:46:44,150 --> 02:46:42,160
then he emailed us back with this long

4077
02:46:46,309 --> 02:46:44,160
explanation right yeah well the champion

4078
02:46:48,469 --> 02:46:46,319
was almost unbearable positive about it

4079
02:46:50,389 --> 02:46:48,479
and he was just like hey just not for me

4080
02:46:53,110 --> 02:46:50,399
you guys have full reign to talk about

4081
02:46:55,030 --> 02:46:53,120
the nipple um because the the laser the

4082
02:46:56,550 --> 02:46:55,040
hand laser that's just one part of it

4083
02:46:58,550 --> 02:46:56,560
dude

4084
02:47:02,389 --> 02:46:58,560
is that there's a cord at the back it's

4085
02:47:04,710 --> 02:47:02,399
a very stretchy cord that plugs into the

4086
02:47:06,710 --> 02:47:04,720
nipple and it and it

4087
02:47:08,710 --> 02:47:06,720
records the size of your nipples because

4088
02:47:10,950 --> 02:47:08,720

everybody has different sized nipples

4089

02:47:12,870 --> 02:47:10,960

dude nipples are like fingerprints and

4090

02:47:14,710 --> 02:47:12,880

he was working so many hours that

4091

02:47:16,790 --> 02:47:14,720

honestly the chafing was getting to be a

4092

02:47:19,110 --> 02:47:16,800

bit much at that point to this day his

4093

02:47:20,950 --> 02:47:19,120

left nipple still has no feeling in it

4094

02:47:22,630 --> 02:47:20,960

what people realize about the bob lazar

4095

02:47:24,870 --> 02:47:22,640

story is that the reason bob lazar

4096

02:47:27,349 --> 02:47:24,880

actually came forward is because he

4097

02:47:29,429 --> 02:47:27,359

couldn't take the nipple suction in the

4098

02:47:31,910 --> 02:47:29,439

chafing and the taping of the nibbles

4099

02:47:34,070 --> 02:47:31,920

was so bad yes that he was like i have

4100

02:47:35,590 --> 02:47:34,080

to tell people about the [h__h] did you

4101
02:47:39,510 --> 02:47:35,600
don't even get us

4102
02:47:42,950 --> 02:47:39,520
phase of security which was the rip cord

4103
02:47:42,960 --> 02:47:48,070
i've lost

4104
02:47:51,990 --> 02:47:49,429
on wait

4105
02:47:53,269 --> 02:47:52,000
full insertion and and the robot

4106
02:47:54,710 --> 02:47:53,279
wouldn't even say it in a fun way it

4107
02:47:57,110 --> 02:47:54,720
when it was done it wouldn't be like rip

4108
02:47:58,710 --> 02:47:57,120
cord it was just like rip it

4109
02:48:00,389 --> 02:47:58,720
and it would just you know

4110
02:48:01,910 --> 02:48:00,399
honestly was a bit much don't people

4111
02:48:03,269 --> 02:48:01,920
don't understand you can tell the

4112
02:48:04,710 --> 02:48:03,279
psychological damage that has taken

4113
02:48:05,990 --> 02:48:04,720

place with bob lazar when he talks about

4114

02:48:07,830 --> 02:48:06,000

this there's much more people don't

4115

02:48:09,269 --> 02:48:07,840

realize surface level they think he's

4116

02:48:11,670 --> 02:48:09,279

just a guy who was out there talking and

4117

02:48:12,309 --> 02:48:11,680

pimping hard at one point but honestly

4118

02:48:13,750 --> 02:48:12,319

the

4119

02:48:17,190 --> 02:48:13,760

sustained

4120

02:48:20,550 --> 02:48:17,200

nipple damage to his left areola

4121

02:48:22,389 --> 02:48:20,560

as well as his anus rip cords

4122

02:48:23,910 --> 02:48:22,399

oh my god whatever people try to bring

4123

02:48:25,510 --> 02:48:23,920

that argument up that bobbles our

4124

02:48:27,269 --> 02:48:25,520

argument that like well you know he used

4125

02:48:28,309 --> 02:48:27,279

to be a pimp right he did it and i'm

4126

02:48:34,580 --> 02:48:28,319

always like

4127

02:48:34,590 --> 02:48:39,190

[Applause]

4128

02:48:43,349 --> 02:48:41,910

i represented all these females in this

4129

02:48:45,429 --> 02:48:43,359

apartment that i bought that i didn't

4130

02:48:48,630 --> 02:48:45,439

live in is that not some [h__h] station

4131

02:48:50,950 --> 02:48:48,640

without representation is not leaking

4132

02:48:54,469 --> 02:48:50,960

look hey listen officer i was i was just

4133

02:48:57,110 --> 02:48:54,479

representation representation

4134

02:48:58,870 --> 02:48:57,120

i was just representing these

4135

02:49:01,190 --> 02:48:58,880

these hoes go out every day i was

4136

02:49:04,230 --> 02:49:01,200

representing them look i ain't

4137

02:49:06,389 --> 02:49:04,240

i was more like a sponsor like for a aaa

4138

02:49:08,630 --> 02:49:06,399

i'm not the whole i'm not the hoe i'm a

4139

02:49:12,309 --> 02:49:08,640

representative i don't know pimp i'm

4140

02:49:14,309 --> 02:49:12,319

just a representative 100 percent

4141

02:49:16,630 --> 02:49:14,319

you know and this leads us into many

4142

02:49:18,870 --> 02:49:16,640

other whistleblowers uh we we we could

4143

02:49:22,469 --> 02:49:18,880

share honestly countless hours and maybe

4144

02:49:24,469 --> 02:49:22,479

coming into the 20 20 year 2022 year

4145

02:49:25,990 --> 02:49:24,479

we will give some short blurbs on that

4146

02:49:28,710 --> 02:49:26,000

gentlemen maybe we will start start

4147

02:49:30,790 --> 02:49:28,720

sharing some of these stories yes

4148

02:49:33,110 --> 02:49:30,800

short staring is a shark

4149

02:49:34,950 --> 02:49:33,120

shark sharing is important

4150

02:49:36,389 --> 02:49:34,960

the champion said bob lazar and pimp and

4151
02:49:38,309 --> 02:49:36,399
says pimping

4152
02:49:40,630 --> 02:49:38,319
no way

4153
02:49:42,790 --> 02:49:40,640
you have to stop sending your super

4154
02:49:44,710 --> 02:49:42,800
chaps at this point because honestly i

4155
02:49:45,830 --> 02:49:44,720
feel like you've sent us 200 and i don't

4156
02:49:49,110 --> 02:49:45,840
even know how much you've sent but

4157
02:49:57,510 --> 02:49:49,120
obviously so much thank you so much dude

4158
02:49:57,520 --> 02:50:01,110
it's right in between

4159
02:50:09,429 --> 02:50:03,429
gordial and oracle's post it's pretty

4160
02:50:13,110 --> 02:50:10,870
yeah

4161
02:50:15,030 --> 02:50:13,120
you guys you guys just thought bob lazar

4162
02:50:17,429 --> 02:50:15,040
invented the rocket car but he didn't he

4163
02:50:20,469 --> 02:50:17,439

invented pimping he's big pimping

4164

02:50:27,830 --> 02:50:22,950

he called it uh

4165

02:50:32,070 --> 02:50:30,710

a big sponsoring out here okay bob lazar

4166

02:50:34,150 --> 02:50:32,080

can you tell us about the time that you

4167

02:50:39,830 --> 02:50:34,160

were a sponsor for these young ladies

4168

02:50:45,269 --> 02:50:43,190

did you just say bigfoot a bigfoot anal

4169

02:50:47,110 --> 02:50:45,279

yo you better pray to god and everything

4170

02:50:49,429 --> 02:50:47,120

you believe in and all holy demons and

4171

02:50:50,870 --> 02:50:49,439

angels of all hell that if you're out in

4172

02:50:53,349 --> 02:50:50,880

the woods and you're doing some making

4173

02:50:54,790 --> 02:50:53,359

calls and bigfoot anal is the story you

4174

02:50:56,790 --> 02:50:54,800

have to tell afterwards

4175

02:50:59,670 --> 02:50:56,800

oh

4176
02:51:02,550 --> 02:50:59,680
yeah dude i would not want bigfoot to

4177
02:51:11,590 --> 02:51:02,560
get a hold of the choncho

4178
02:51:13,830 --> 02:51:13,110
and bigfoot comes up behind you he's

4179
02:51:25,269 --> 02:51:13,840
like

4180
02:51:30,309 --> 02:51:27,110
it's one of the greatest movies ever oh

4181
02:51:32,950 --> 02:51:30,319
man oh wes h put it very well no more

4182
02:51:34,790 --> 02:51:32,960
ripcord for you yeah that's just uh

4183
02:51:36,469 --> 02:51:34,800
that's just a wind shoot at that point

4184
02:51:37,910 --> 02:51:36,479
that's just where the it's like the wind

4185
02:51:41,190 --> 02:51:37,920
chime where the wind blows through it

4186
02:51:41,200 --> 02:51:57,269
every time you fart it just whistles

4187
02:52:02,070 --> 02:51:58,830
all you hear when you fart

4188
02:52:03,990 --> 02:52:02,080

is it's just air

4189

02:52:05,190 --> 02:52:04,000

and when when the air blows right when

4190

02:52:08,230 --> 02:52:05,200

you bend over to do gardening work you

4191

02:52:17,110 --> 02:52:10,150

yeah

4192

02:52:21,349 --> 02:52:18,630

your neighbor your neighbors are like oh

4193

02:52:24,150 --> 02:52:21,359

my gosh i hear some great hornells in

4194

02:52:26,309 --> 02:52:24,160

the area oh no dude that's just me

4195

02:52:28,870 --> 02:52:26,319

guardian

4196

02:52:33,750 --> 02:52:28,880

that's me gardening you said it like a

4197

02:52:35,750 --> 02:52:33,760

pirate that's me gardening it's me

4198

02:52:37,269 --> 02:52:35,760

unfortunately it had a big foot running

4199

02:52:41,110 --> 02:52:37,279

back in the day and now she just

4200

02:52:46,389 --> 02:52:44,309

was stuck in the grass you're like

4201

02:52:47,990 --> 02:52:46,399

bro fun fact about that that's my

4202

02:52:50,790 --> 02:52:48,000

favorite insult for people anymore i'm

4203

02:52:52,710 --> 02:52:50,800

like this is such a peg boy move to do

4204

02:52:54,950 --> 02:52:52,720

and you don't want to be a peg boy if

4205

02:52:57,830 --> 02:52:54,960

you look up what a peg boy was back in

4206

02:53:00,070 --> 02:52:57,840

day bro

4207

02:53:04,469 --> 02:53:00,080

uh what's the [h__h] what is a peg boy

4208

02:53:10,710 --> 02:53:06,309

christmas

4209

02:53:12,630 --> 02:53:10,720

what justin timberlake saying on snl

4210

02:53:15,429 --> 02:53:12,640

stick in a box so we could be merry

4211

02:53:17,030 --> 02:53:15,439

christmas all up in here but peg boys

4212

02:53:17,830 --> 02:53:17,040

were uh well i don't believe i'm sharing

4213

02:53:19,830 --> 02:53:17,840

the story i don't know if it's

4214

02:53:21,910 --> 02:53:19,840

appropriate at all but

4215

02:53:25,429 --> 02:53:21,920

these pirates would

4216

02:53:27,670 --> 02:53:25,439

take please do

4217

02:53:28,790 --> 02:53:27,680

looking males at the time young males

4218

02:53:31,349 --> 02:53:28,800

and they would

4219

02:53:34,710 --> 02:53:31,359

have them sit on a peg so that at any

4220

02:53:37,429 --> 02:53:34,720

and all times they could come in and uh

4221

02:53:39,429 --> 02:53:37,439

pleasure themselves as needed

4222

02:53:40,389 --> 02:53:39,439

with everything being fully

4223

02:53:41,990 --> 02:53:40,399

uh

4224

02:53:43,670 --> 02:53:42,000

opened as needed

4225

02:53:45,670 --> 02:53:43,680

you're called a peg boy it's definitely

4226
02:53:47,110 --> 02:53:45,680
an insult but my favorite part is when

4227
02:53:48,150 --> 02:53:47,120
you call someone a big boy and they

4228
02:53:49,670 --> 02:53:48,160
don't know what it is so they go and

4229
02:53:51,910 --> 02:53:49,680
google in it and they get really pissed

4230
02:53:56,150 --> 02:53:51,920
and they come back like hey i'm not a

4231
02:53:59,830 --> 02:53:57,670
that's like getting somebody to like

4232
02:54:00,560 --> 02:53:59,840
google like blue waffles

4233
02:54:02,230 --> 02:54:00,570
oh no

4234
02:54:03,030 --> 02:54:02,240
[Music]

4235
02:54:04,469 --> 02:54:03,040
yeah

4236
02:54:06,790 --> 02:54:04,479
have you all seen one of the stomping

4237
02:54:09,590 --> 02:54:06,800
process like google it like google

4238
02:54:12,070 --> 02:54:09,600

images do not

4239

02:54:14,230 --> 02:54:12,080

i mean it's the newest alien sightings

4240

02:54:15,910 --> 02:54:14,240

it's been taking over the scene hey in

4241

02:54:17,910 --> 02:54:15,920

the last in the last three minutes of

4242

02:54:21,830 --> 02:54:17,920

our show can we talk about it aliens

4243

02:54:25,349 --> 02:54:23,830

do you think okay fun fact since we're

4244

02:54:27,269 --> 02:54:25,359

talking about we're like porn related

4245

02:54:28,389 --> 02:54:27,279

right now but like what's alien porn do

4246

02:54:31,030 --> 02:54:28,399

you think they have porn do you think

4247

02:54:32,469 --> 02:54:31,040

they have any kind of emotions uh uh

4248

02:54:33,750 --> 02:54:32,479

damn it what's that [h__h] called where

4249

02:54:36,150 --> 02:54:33,760

the tentacles go up through their

4250

02:54:39,510 --> 02:54:36,160

throats oh i don't like that stuff i'm

4251

02:54:41,670 --> 02:54:39,520

not my jam like hockey or some [h__h] yeah

4252

02:54:43,190 --> 02:54:41,680

it's like it's it's the it's yeah the

4253

02:54:44,469 --> 02:54:43,200

eight because they got like eight arms

4254

02:54:45,510 --> 02:54:44,479

and stuff i don't know what to do i

4255

02:54:47,349 --> 02:54:45,520

heard about i don't know what it's

4256

02:54:53,429 --> 02:54:47,359

called though melissa what's it called

4257

02:54:58,469 --> 02:54:56,070

just kidding listen i heard the reports

4258

02:55:00,309 --> 02:54:58,479

i've seen the video in old blue you out

4259

02:55:04,630 --> 02:55:00,319

there traveling around

4260

02:55:08,389 --> 02:55:06,469

jesus christ

4261

02:55:10,309 --> 02:55:08,399

oh my god

4262

02:55:12,230 --> 02:55:10,319

they screwed telepathically kind of

4263

02:55:13,990 --> 02:55:12,240

boring melissa you don't know there was

4264

02:55:15,830 --> 02:55:14,000

a gentleman who has over 100 hybrid

4265

02:55:18,309 --> 02:55:15,840

children he's had an encounter since he

4266

02:55:22,790 --> 02:55:18,319

was 16 years old and she wrote that dick

4267

02:55:27,110 --> 02:55:25,269

yeah she wrote him hard she was probably

4268

02:55:29,590 --> 02:55:27,120

hot dude i always want to have sex with

4269

02:55:31,429 --> 02:55:29,600

that alien she sounds hot as [h__h] she

4270

02:55:35,110 --> 02:55:31,439

knew what she was doing

4271

02:55:36,950 --> 02:55:35,120

think she was wearing

4272

02:55:39,030 --> 02:55:36,960

that skirt she was wearing a skirt

4273

02:55:40,710 --> 02:55:39,040

looking thing for him she was going for

4274

02:55:42,150 --> 02:55:40,720

the bombshell like the radiate what's

4275

02:55:45,190 --> 02:55:42,160

the 50s whatever that style is called

4276

02:55:48,230 --> 02:55:45,200

what's that style called flapper

4277

02:55:50,389 --> 02:55:48,240

bombshell radioactive freaking

4278

02:55:53,910 --> 02:55:50,399

lady lady comic

4279

02:55:56,230 --> 02:55:53,920

atomic age work she had going on why are

4280

02:56:00,710 --> 02:55:56,240

all men attracted to that i am dude i

4281

02:56:04,070 --> 02:56:01,590

bro

4282

02:56:07,030 --> 02:56:04,080

it's so hot it doesn't make sense it's

4283

02:56:08,469 --> 02:56:07,040

it's like all the old style steampunk

4284

02:56:11,670 --> 02:56:08,479

uh pin-up

4285

02:56:13,269 --> 02:56:11,680

atomic age [h__h] like that 50's [h__h]

4286

02:56:15,830 --> 02:56:13,279

sexy ass

4287

02:56:17,429 --> 02:56:15,840

roaring 20s [h__h] like that

4288

02:56:18,550 --> 02:56:17,439

[h__h] hot dude

4289

02:56:20,070 --> 02:56:18,560

goddamn

4290

02:56:23,030 --> 02:56:20,080

i know

4291

02:56:35,269 --> 02:56:23,040

i'd much i'd much rather yeah yeah

4292

02:56:42,790 --> 02:56:37,349

i recognize that it shouldn't be hot but

4293

02:56:46,150 --> 02:56:43,910

yeah dude

4294

02:56:47,590 --> 02:56:46,160

even the girl with the the [h__h] uh

4295

02:56:49,349 --> 02:56:47,600

the messed up ankles the one that joe

4296

02:56:50,230 --> 02:56:49,359

just showed you

4297

02:56:52,550 --> 02:56:50,240

okay

4298

02:56:54,790 --> 02:56:52,560

she's playing her on her hat yeah she

4299

02:56:56,230 --> 02:56:54,800

showed up and she's like

4300

02:56:57,349 --> 02:56:56,240

let's do it right now and be like you

4301
02:56:59,349 --> 02:56:57,359
know what

4302
02:57:01,110 --> 02:56:59,359
you're right that gives me a handle like

4303
02:57:03,269 --> 02:57:01,120
the whole time or something like yeah

4304
02:57:04,630 --> 02:57:03,279
yeah she forgot she was taking a photo

4305
02:57:05,990 --> 02:57:04,640
okay

4306
02:57:09,110 --> 02:57:06,000
there's a little change of pace there

4307
02:57:12,870 --> 02:57:09,120
ben way to ruin the mojo oh hold on

4308
02:57:17,990 --> 02:57:16,070
someone just said just get into it

4309
02:57:20,150 --> 02:57:18,000
go look at these people they don't get

4310
02:57:38,790 --> 02:57:20,160
it they're gonna get it that's it they

4311
02:57:43,349 --> 02:57:41,269
yeah i will consensually give that hard

4312
02:57:44,950 --> 02:57:43,359
to you consensually i'm consistently

4313
02:57:46,550 --> 02:57:44,960

gonna give that to you okay you know

4314

02:57:49,990 --> 02:57:46,560

what i draw the line on that one i'm not

4315

02:57:50,630 --> 02:57:50,000

feeling it i just you ruined my yep it's

4316

02:57:52,630 --> 02:57:50,640

going

4317

02:57:54,630 --> 02:57:52,640

home you gotta go home

4318

02:57:57,190 --> 02:57:54,640

no she's trying too hard this girl she's

4319

02:58:01,910 --> 02:57:59,349

look this girl that original look she

4320

02:58:13,830 --> 02:58:01,920

wants you to have a good meal also she's

4321

02:58:17,750 --> 02:58:16,389

oh yeah what's that real photo what's

4322

02:58:19,750 --> 02:58:17,760

that real photo down there who's that

4323

02:58:21,990 --> 02:58:19,760

lady

4324

02:58:23,349 --> 02:58:22,000

right uh this one no

4325

02:58:26,950 --> 02:58:23,359

that one's not bad

4326

02:58:26,960 --> 02:58:58,630

yeah she could essentially get it

4327

02:58:58,640 --> 02:59:09,830

going

4328

02:59:09,840 --> 02:59:18,630

that chick is farting so hard in space

4329

02:59:22,790 --> 02:59:21,429

i bet it smells like mint no

4330

02:59:32,870 --> 02:59:22,800

you know what also another version of

4331

02:59:36,309 --> 02:59:35,269

you totally derailed on joe's that is

4332

02:59:38,070 --> 02:59:36,319

not it

4333

02:59:39,110 --> 02:59:38,080

ben what are you doing you're not 13.

4334

02:59:40,870 --> 02:59:39,120

stop it

4335

02:59:42,870 --> 02:59:40,880

that's when you're 13 years old the wind

4336

02:59:44,550 --> 02:59:42,880

blows wrong and you see that word and

4337

02:59:47,269 --> 02:59:44,560

you just jerk off on it it doesn't make

4338

02:59:49,110 --> 02:59:47,279

sense but you did it it's okay

4339

02:59:50,150 --> 02:59:49,120

all right what what image are we talking

4340

02:59:52,150 --> 02:59:50,160

about joe

4341

02:59:54,389 --> 02:59:52,160

what did i miss it's over

4342

02:59:58,230 --> 02:59:54,399

it's already done

4343

03:00:00,070 --> 02:59:58,240

a long time ago it happened already

4344

03:00:01,910 --> 03:00:00,080

are you saying it came in wind all i'm

4345

03:00:03,670 --> 03:00:01,920

saying is that that monkey

4346

03:00:05,030 --> 03:00:03,680

would continually get it champ bailey

4347

03:00:06,950 --> 03:00:05,040

you are absolutely right you can't fart

4348

03:00:07,990 --> 03:00:06,960

in space you will die that's absolutely

4349

03:00:10,550 --> 03:00:08,000

true

4350

03:00:12,389 --> 03:00:10,560

oh look at this this is great i love

4351

03:00:14,469 --> 03:00:12,399

this [h__h] dude dude is something about

4352

03:00:16,389 --> 03:00:14,479

that era it's like what's she what's she

4353

03:00:18,950 --> 03:00:16,399

she's like i don't give a [h__h] i'm

4354

03:00:21,269 --> 03:00:18,960

honest dude you you could do whatever

4355

03:00:23,349 --> 03:00:21,279

i'm in charge that was the era where

4356

03:00:24,870 --> 03:00:23,359

like men were like dying overseas and

4357

03:00:26,630 --> 03:00:24,880

they were like we gotta like build

4358

03:00:29,030 --> 03:00:26,640

bullets and guns and [h__h] and they were

4359

03:00:31,269 --> 03:00:29,040

all powerful like that was the hot era

4360

03:00:34,150 --> 03:00:31,279

of women were like it's like

4361

03:00:35,830 --> 03:00:34,160

that chick from um captain america ah

4362

03:00:36,830 --> 03:00:35,840

crap i should know her name like she's

4363

03:00:39,910 --> 03:00:36,840

the english

4364

03:00:41,030 --> 03:00:39,920

chick remember that time wonder woman

4365

03:00:43,110 --> 03:00:41,040

look

4366

03:00:44,469 --> 03:00:43,120

she was working with captain america she

4367

03:00:46,150 --> 03:00:44,479

was the english chick that was like his

4368

03:00:47,910 --> 03:00:46,160

handler

4369

03:00:50,309 --> 03:00:47,920

remember that time in american history

4370

03:00:51,269 --> 03:00:50,319

where like women did the same [h__h] when

4371

03:00:53,429 --> 03:00:51,279

uh

4372

03:00:55,830 --> 03:00:53,439

[h__h]

4373

03:00:58,389 --> 03:00:55,840

hold on dude

4374

03:00:59,670 --> 03:00:58,399

reset back up back up we got this

4375

03:01:02,550 --> 03:00:59,680

i have a point

4376

03:01:04,070 --> 03:01:02,560

women did the same [h__\h] men did when

4377

03:01:05,990 --> 03:01:04,080

they were off to war and they did it

4378

03:01:09,269 --> 03:01:06,000

like better and then like they're like

4379

03:01:11,030 --> 03:01:09,279

oh let's make them sexy now

4380

03:01:13,670 --> 03:01:11,040

but like the guys were like at war

4381

03:01:15,670 --> 03:01:13,680

though like they did it better than us

4382

03:01:16,790 --> 03:01:15,680

like that's kind of cool

4383

03:01:20,950 --> 03:01:16,800

they did it

4384

03:01:23,190 --> 03:01:20,960

sexier than us but like look how much oh

4385

03:01:24,790 --> 03:01:23,200

you know who is also kind of hot though

4386

03:01:26,150 --> 03:01:24,800

like the chicken i'm the man harry

4387

03:01:29,269 --> 03:01:26,160

truman

4388

03:01:30,870 --> 03:01:29,279

yeah not feeling it not feeling it but

4389

03:01:32,950 --> 03:01:30,880

the chick from the mandalorian who i'm

4390

03:01:33,830 --> 03:01:32,960

talking about the guy's so hot what's

4391

03:01:38,070 --> 03:01:33,840

her name

4392

03:01:42,870 --> 03:01:41,670

the one in the blue mandalorians dang it

4393

03:01:44,950 --> 03:01:42,880

yeah

4394

03:01:50,630 --> 03:01:44,960

or the big wrestler i don't know what's

4395

03:01:53,269 --> 03:01:52,309

i don't know why

4396

03:01:54,469 --> 03:01:53,279

some people are like dude you're

4397

03:01:56,309 --> 03:01:54,479

attracted to dudes if you think she's

4398

03:01:57,190 --> 03:01:56,319

hot i'm like no bro she's just freaking

4399

03:02:00,389 --> 03:01:57,200

out

4400

03:02:02,790 --> 03:02:00,399

who says guys save lives bro

4401

03:02:04,070 --> 03:02:02,800

save lives thick thighs

4402

03:02:05,429 --> 03:02:04,080

what was that the same back of that what

4403

03:02:08,309 --> 03:02:05,439

was this thing for the longest yard i

4404

03:02:09,750 --> 03:02:08,319

got the fries to cross your eyes

4405

03:02:11,990 --> 03:02:09,760

i got the shakes to give you quakes and

4406

03:02:15,349 --> 03:02:12,000

then he was like i got the cheeseburgers

4407

03:02:19,670 --> 03:02:17,269

i just got the cheeseburger hey

4408

03:02:22,309 --> 03:02:19,680

aliengirl111 your secret's safe with me

4409

03:02:23,590 --> 03:02:22,319

girl i know what's up we get it listen

4410

03:02:25,750 --> 03:02:23,600

what's the secret are you having a

4411

03:02:27,510 --> 03:02:25,760

serious conversation with alien girl no

4412

03:02:29,190 --> 03:02:27,520

i just i'm getting that like telepathic

4413

03:02:30,550 --> 03:02:29,200

vibe bro

4414

03:02:33,030 --> 03:02:30,560

alien girl tell me if i'm right right

4415

03:02:34,870 --> 03:02:33,040

now i just got it in my head

4416

03:02:36,309 --> 03:02:34,880

i get it dude that's what i was picking

4417

03:02:38,790 --> 03:02:36,319

up as soon as we put up the mandalorian

4418

03:02:41,269 --> 03:02:38,800

chicks she was like boom oh my gosh

4419

03:02:42,870 --> 03:02:41,279

i can't see it on here but like a boner

4420

03:02:45,830 --> 03:02:42,880

starting with the seat it don't even

4421

03:02:46,710 --> 03:02:45,840

matter

4422

03:02:48,469 --> 03:02:46,720

i don't know if we're allowed to say

4423

03:02:49,349 --> 03:02:48,479

that or not but

4424

03:02:51,110 --> 03:02:49,359

uh

4425

03:02:53,269 --> 03:02:51,120

she never fought in the ufc ben all

4426
03:02:56,830 --> 03:02:53,279
right joe simon whale says that's gina

4427
03:02:59,590 --> 03:02:56,840
she never fought ufc you said

4428
03:03:02,630 --> 03:02:59,600
that one else said that i never said she

4429
03:03:04,230 --> 03:03:02,640
finally left me i didn't say that oh joe

4430
03:03:08,630 --> 03:03:04,240
no no dude no

4431
03:03:13,590 --> 03:03:10,830
what do i do how did you just back to

4432
03:03:15,830 --> 03:03:13,600
this oh i don't know man that's

4433
03:03:18,710 --> 03:03:15,840
anti-boner

4434
03:03:23,269 --> 03:03:21,190
are we going for sexuality here

4435
03:03:26,710 --> 03:03:23,279
i'm totally kidding

4436
03:03:27,750 --> 03:03:26,720
oh my god i love you guys so much

4437
03:03:29,830 --> 03:03:27,760
yeah

4438
03:03:31,910 --> 03:03:29,840

uh alien girl what i was trying to say

4439

03:03:33,910 --> 03:03:31,920

is that that chick right there that we

4440

03:03:35,590 --> 03:03:33,920

were showing on the screen

4441

03:03:37,910 --> 03:03:35,600

you find incredibly attractive and it's

4442

03:03:40,230 --> 03:03:37,920

okay i understand it's all right

4443

03:03:41,830 --> 03:03:40,240

that's what i'm saying yeah i get it

4444

03:03:44,150 --> 03:03:41,840

this is like the female version of

4445

03:03:47,030 --> 03:03:44,160

channing tatum

4446

03:03:48,309 --> 03:03:47,040

yeah a shine a shining tape

4447

03:03:51,590 --> 03:03:48,319

taint

4448

03:03:53,190 --> 03:03:51,600

shiny bro

4449

03:03:54,870 --> 03:03:53,200

what's the movie where they spray their

4450

03:03:57,590 --> 03:03:54,880

mouths and they're gonna die and they're

4451
03:03:58,790 --> 03:03:57,600
like bless me send me to the other side

4452
03:04:00,710 --> 03:03:58,800
and they would like spray their mouths

4453
03:04:02,469 --> 03:04:00,720
with those silvers raping

4454
03:04:04,950 --> 03:04:02,479
and they would jump to like the vehicles

4455
03:04:07,110 --> 03:04:04,960
and they'd kill each other

4456
03:04:09,349 --> 03:04:07,120
not man i know what you're talking about

4457
03:04:10,950 --> 03:04:09,359
oh my god the hell is that but he just

4458
03:04:12,150 --> 03:04:10,960
reminded me when he said shining tanks

4459
03:04:13,750 --> 03:04:12,160
what it was like is that their mouth

4460
03:04:16,790 --> 03:04:13,760
like spray my taint

4461
03:04:20,150 --> 03:04:16,800
and they're just like launched up

4462
03:04:23,110 --> 03:04:20,160
oh my god wait what are you playing now

4463
03:04:24,309 --> 03:04:23,120

ben

4464

03:04:26,070 --> 03:04:24,319

you're just pulling up like dude that

4465

03:04:28,550 --> 03:04:26,080

kid is not in high school any of them

4466

03:04:30,630 --> 03:04:28,560

you ever go back in those movies

4467

03:04:32,950 --> 03:04:30,640

there's no volume ben

4468

03:04:36,710 --> 03:04:32,960

there's nothing for us to listen to

4469

03:04:38,950 --> 03:04:36,720

no can't hear it oh what the [h__h]

4470

03:04:44,550 --> 03:04:38,960

he's like shut up you guys

4471

03:04:51,590 --> 03:04:47,190

uh sunsaver john what's up brother peace

4472

03:04:55,670 --> 03:04:53,990

merry christmas shut up get here

4473

03:04:57,750 --> 03:04:55,680

it's the best moment in cinematics all

4474

03:04:59,750 --> 03:04:57,760

right let's do it let's do it here we go

4475

03:05:01,670 --> 03:04:59,760

oh my god we almost missed it we're

4476
03:05:08,530 --> 03:05:01,680
standing around finger popping each

4477
03:05:08,540 --> 03:05:13,349
[Laughter]

4478
03:05:17,830 --> 03:05:15,429
but what if they could do both

4479
03:05:21,030 --> 03:05:17,840
it's both an

4480
03:05:23,349 --> 03:05:21,040
because i mean why limit ourselves

4481
03:05:25,910 --> 03:05:23,359
why why limit yourself

4482
03:05:28,469 --> 03:05:25,920
the world is your playground

4483
03:05:31,110 --> 03:05:28,479
tammy i agree wonder woman is hot she's

4484
03:05:34,550 --> 03:05:32,389
wonder woman

4485
03:05:37,670 --> 03:05:34,560
now tammy do you mean the new wonder

4486
03:05:39,670 --> 03:05:37,680
woman the allegory that is all the

4487
03:05:41,030 --> 03:05:39,680
wonder woman's are hot but what i'm

4488
03:05:42,710 --> 03:05:41,040

saying is are we saying the

4489

03:05:50,950 --> 03:05:42,720

individualistic

4490

03:05:56,150 --> 03:05:53,349

so the allegory that wonder woman

4491

03:05:56,990 --> 03:05:56,160

represents you find attractive tammany

4492

03:05:59,110 --> 03:05:57,000

yeah

4493

03:06:01,750 --> 03:05:59,120

individually as a word what are you

4494

03:06:03,349 --> 03:06:01,760

talking about

4495

03:06:05,349 --> 03:06:03,359

google that crap

4496

03:06:07,110 --> 03:06:05,359

he is you type that crap in right now

4497

03:06:09,670 --> 03:06:07,120

you put it on the screen you see what

4498

03:06:12,870 --> 03:06:09,680

the representation of it is the matrix

4499

03:06:15,590 --> 03:06:12,880

uh star wars and using the allegory keys

4500

03:06:20,870 --> 03:06:15,600

aren't they allegorically

4501

03:06:24,070 --> 03:06:22,469

why does it look like i mean joe you

4502

03:06:25,590 --> 03:06:24,080

feel like i feel like you've had purple

4503

03:06:26,830 --> 03:06:25,600

hair all night bro and it's not that

4504

03:06:29,590 --> 03:06:26,840

it's just your

4505

03:06:31,190 --> 03:06:29,600

earbuds you better put in right now an

4506

03:06:33,230 --> 03:06:31,200

allegory

4507

03:06:36,790 --> 03:06:33,240

and it will explain to you that is the

4508

03:06:38,870 --> 03:06:36,800

representation of something bigger

4509

03:06:46,389 --> 03:06:38,880

there you go an allegory there you go

4510

03:06:51,510 --> 03:06:47,910

you click on it right there it said do

4511

03:06:53,590 --> 03:06:52,790

i think you're spelling it wrong i can't

4512

03:06:55,670 --> 03:06:53,600

tell what you're putting out there

4513

03:06:57,269 --> 03:06:55,680

you're putting a

4514

03:06:58,950 --> 03:06:57,279

ever you ever put something in google

4515

03:07:00,790 --> 03:06:58,960

and it's like did you mean

4516

03:07:01,750 --> 03:07:00,800

and it doesn't say anything because it

4517

03:07:03,030 --> 03:07:01,760

doesn't know what the [h__h] you're

4518

03:07:04,870 --> 03:07:03,040

talking about

4519

03:07:07,590 --> 03:07:04,880

it's happened to me a couple times

4520

03:07:08,870 --> 03:07:07,600

i tried to spell lingerie and like

4521

03:07:11,269 --> 03:07:08,880

google was like i don't know what you're

4522

03:07:13,510 --> 03:07:11,279

trying to say i was like lingerie

4523

03:07:16,230 --> 03:07:13,520

lingerie

4524

03:07:17,590 --> 03:07:16,240

god who knew it was spelled lingar

4525

03:07:19,110 --> 03:07:17,600

reggie

4526

03:07:21,030 --> 03:07:19,120

okay i didn't bring up anything for big

4527

03:07:22,550 --> 03:07:21,040

willy must be french

4528

03:07:23,710 --> 03:07:22,560

which is a little disappointing because

4529

03:07:26,150 --> 03:07:23,720

only ed

4530

03:07:30,070 --> 03:07:26,160

onlyfans.com can you find the true big

4531

03:07:33,190 --> 03:07:30,080

willie big willy for [h__h] 969.com

4532

03:07:37,110 --> 03:07:35,590

underscore master baser

4533

03:07:39,030 --> 03:07:37,120

oh man

4534

03:07:40,870 --> 03:07:39,040

guys this was a blast that's so much fun

4535

03:07:43,030 --> 03:07:40,880

you guys i'm glad we did

4536

03:07:44,630 --> 03:07:43,040

this thing uh ben if you want to throw

4537

03:07:46,469 --> 03:07:44,640

in one more informative thing at the

4538

03:07:49,590 --> 03:07:46,479

very end where everybody's clearly still

4539

03:07:53,110 --> 03:07:49,600

listening about aliens

4540

03:07:55,830 --> 03:07:53,120

you want to do that for us oh yeah

4541

03:07:57,190 --> 03:07:55,840

put a bow and put it in a box

4542

03:07:58,389 --> 03:07:57,200

deliver that

4543

03:08:00,950 --> 03:07:58,399

um

4544

03:08:03,750 --> 03:08:00,960

i'll leave everyone else with this this

4545

03:08:06,710 --> 03:08:03,760

idea for for christmas coming up uh

4546

03:08:09,269 --> 03:08:06,720

jesus an alien idea

4547

03:08:12,230 --> 03:08:09,279

jesus cheeses

4548

03:08:13,030 --> 03:08:12,240

like joe said cheeses think about it

4549

03:08:15,750 --> 03:08:13,040

look

4550

03:08:18,550 --> 03:08:15,760

we're all there's a cow involved there's

4551

03:08:22,469 --> 03:08:20,230

a lot of people know that cheese comes

4552

03:08:24,150 --> 03:08:22,479

from cows i thought i came from goats

4553

03:08:25,510 --> 03:08:24,160

goat cheese is more well known than cow

4554

03:08:26,710 --> 03:08:25,520

cheese which is weird because you are

4555

03:08:29,670 --> 03:08:26,720

right i don't think so they definitely

4556

03:08:31,750 --> 03:08:29,680

out produce with the but i'm saying cows

4557

03:08:34,630 --> 03:08:31,760

definitely 100 out produce with the

4558

03:08:36,550 --> 03:08:34,640

cheese 100 some reason yeah i agree like

4559

03:08:38,630 --> 03:08:36,560

if someone says goat cheese though

4560

03:08:41,030 --> 03:08:38,640

you're like oh [h__h] there's some goat

4561

03:08:42,710 --> 03:08:41,040

cheese no i don't know i don't know fans

4562

03:08:45,750 --> 03:08:42,720

like audrey's up in here versus like

4563

03:09:00,630 --> 03:08:45,760

just standard like olstein

4564

03:09:00,640 --> 03:09:11,030

these chips

4565

03:09:16,389 --> 03:09:12,790

can we just have like a salad or some

4566

03:09:22,469 --> 03:09:17,670

do you remember he's like crunching the

4567

03:09:25,429 --> 03:09:23,910

i was wondering if you'd like to join me

4568

03:09:27,990 --> 03:09:25,439

in my quarters later

4569

03:09:31,830 --> 03:09:29,670

oh [h__h]

4570

03:09:32,790 --> 03:09:31,840

everything you just said is my favorite

4571

03:09:34,630 --> 03:09:32,800

too

4572

03:09:36,870 --> 03:09:34,640

i like poopies

4573

03:09:38,790 --> 03:09:36,880

um

4574

03:09:39,750 --> 03:09:38,800

oh god

4575

03:09:42,229 --> 03:09:39,760

oh

4576

03:09:45,030 --> 03:09:42,239

best movie ever so that means that

4577

03:09:46,469 --> 03:09:45,040

[\h__\h] my computer [\h__\h] died on me hold

4578

03:09:47,590 --> 03:09:46,479

on okay here we go

4579

03:09:49,190 --> 03:09:47,600

there we go

4580

03:09:52,150 --> 03:09:49,200

we're about to we're about to set up the

4581

03:09:56,469 --> 03:09:53,830

olson twins now we're talking that's the

4582

03:10:01,510 --> 03:09:56,479

word i meant to say olson not holstein

4583

03:10:05,830 --> 03:10:02,710

ah

4584

03:10:07,110 --> 03:10:05,840

but let's let's um

4585

03:10:08,229 --> 03:10:07,120

yeah

4586

03:10:11,190 --> 03:10:08,239

we gotta

4587

03:10:13,269 --> 03:10:11,200

we're gonna we're gonna we're gonna end

4588

03:10:16,309 --> 03:10:13,279

with a great song

4589

03:10:22,469 --> 03:10:19,590

oh boy joe at the ufo garage picking out

4590

03:10:29,910 --> 03:10:22,479

the dj songs for your fun evening don't

4591

03:10:33,830 --> 03:10:31,750

this is so good

4592

03:10:36,550 --> 03:10:33,840

with no volume

4593

03:10:38,309 --> 03:10:36,560

no that's hilarious dude oh my god you

4594

03:10:41,110 --> 03:10:38,319

know you're a douchebag right

4595

03:10:45,670 --> 03:10:43,750

jesus what do we pay you for literally

4596

03:10:49,910 --> 03:10:45,680

hundreds of dollars tonight and you

4597

03:10:52,389 --> 03:10:51,269

i want to take you that's my bad that's

4598

03:10:53,830 --> 03:10:52,399

my bad i don't want to stick them on

4599

03:10:55,349 --> 03:10:53,840

either side of your head what are you

4600

03:10:57,269 --> 03:10:55,359

i'm just kidding this was do you

4601

03:11:00,550 --> 03:10:57,279

remember when chef ramsay did that that

4602

03:11:02,950 --> 03:11:00,560

was so mean yeah it is mean so mean he's

4603

03:11:05,670 --> 03:11:02,960

so mean i could never do that

4604

03:11:10,870 --> 03:11:06,950

hey man you know you're a piece of [h__h]

4605

03:11:14,150 --> 03:11:12,710

you know right

4606

03:11:15,349 --> 03:11:14,160

yeah he knows you know your piece of

4607

03:11:16,630 --> 03:11:15,359

[h__h] right

4608

03:11:18,150 --> 03:11:16,640

take care folks

4609

03:11:19,830 --> 03:11:18,160

take care

4610

03:11:28,550 --> 03:11:19,840

oh victor

4611

03:11:32,630 --> 03:11:30,550

he did do arnold coming and you can't do

4612

03:11:34,790 --> 03:11:32,640

it twice he needs at least a 24-hour

4613

03:11:48,830 --> 03:11:34,800

reset it was too powerful

4614

03:11:52,630 --> 03:11:50,790

dude

4615

03:11:54,389 --> 03:11:52,640

this is so iconic people don't

4616

03:11:56,389 --> 03:11:54,399

understand

4617

03:11:58,630 --> 03:11:56,399

really how iconic

4618

03:12:00,389 --> 03:11:58,640

he was in this film no

4619

03:12:02,710 --> 03:12:00,399

dude they don't get it

4620

03:12:04,340 --> 03:12:02,720

dude i watch this movie at least twice a

4621

03:12:06,309 --> 03:12:04,350

year

4622

03:12:08,229 --> 03:12:06,319

[Music]

4623

03:12:10,400 --> 03:12:08,239

we should we should do the end and then

4624

03:12:13,349 --> 03:12:10,410

just wave for the rest of the song

4625

03:12:18,070 --> 03:12:13,359

[Laughter]

4626

03:12:23,030 --> 03:12:20,070

yeah but hey guys

4627

03:12:25,670 --> 03:12:23,040

you know this is uh

4628

03:12:27,269 --> 03:12:25,680

another episode

4629

03:12:29,429 --> 03:12:27,279

connor i'm gonna let you slide with that

4630

03:12:31,930 --> 03:12:29,439

because i feel like you meant jack black

4631

03:12:35,429 --> 03:12:31,940

but you put jack white i'm not sure

4632

03:12:37,110 --> 03:12:35,439

[Laughter]

4633

03:12:38,630 --> 03:12:37,120

have you seen jack black and jack white

4634

03:12:40,630 --> 03:12:38,640

getting together to write a song it's

4635

03:12:41,990 --> 03:12:40,640

amazing do you remember he shoots it

4636

03:12:43,030 --> 03:12:42,000

with the bow and arrow when they're like

4637

03:12:44,550 --> 03:12:43,040

training

4638

03:12:46,550 --> 03:12:44,560

it's just like showing him in the air

4639

03:12:50,229 --> 03:12:46,560

and then like smearing cow crap on his

4640

03:12:52,550 --> 03:12:50,239

face like no apparent reason yes

4641

03:12:58,220 --> 03:12:52,560

yes

4642

03:13:05,750 --> 03:13:01,510

[Music]

4643

03:13:08,469 --> 03:13:07,190

wait i thought we were wrapping up this

4644

03:13:10,150 --> 03:13:08,479

is the ending i thought this was the

4645

03:13:12,830 --> 03:13:10,160

ending music oh my god i was ready i was

4646

03:13:15,670 --> 03:13:12,840

i was vibing and i was ready ben changed

4647

03:13:16,870 --> 03:13:15,680

it it's the ending you asked for this

4648

03:13:18,950 --> 03:13:16,880

joe

4649

03:13:21,190 --> 03:13:18,960

no i sent you exactly what i asked he

4650

03:13:23,830 --> 03:13:21,200

didn't ask for this one he definitely

4651
03:13:30,930 --> 03:13:23,840
did not ask

4652
03:13:38,790 --> 03:13:33,220
[Laughter]

4653
03:13:44,550 --> 03:13:42,229
it's what you wanted

4654
03:13:45,990 --> 03:13:44,560
i guess so

4655
03:13:47,590 --> 03:13:46,000
hey where the french toast did you take

4656
03:13:49,110 --> 03:13:47,600
those kids that makes zero sense like

4657
03:13:57,590 --> 03:13:49,120
who's getting sacrificed out there let's

4658
03:14:01,429 --> 03:13:59,190
and did they even end up together at the

4659
03:14:05,349 --> 03:14:01,439
end no because she's still a nun so

4660
03:14:09,830 --> 03:14:07,750
he got one he consensually got it look

4661
03:14:11,429 --> 03:14:09,840
at no look at his face right there he

4662
03:14:13,910 --> 03:14:11,439
knew as soon as he said blue balls he

4663
03:14:18,229 --> 03:14:13,920

started off in the distance like oh crap

4664

03:14:22,150 --> 03:14:20,070

well

4665

03:14:23,349 --> 03:14:22,160

uh so guys

4666

03:14:25,269 --> 03:14:23,359

uh

4667

03:14:29,269 --> 03:14:25,279

2021

4668

03:14:33,030 --> 03:14:30,710

of you yeah

4669

03:14:35,910 --> 03:14:33,040

okay before we end thank you guys so

4670

03:14:37,269 --> 03:14:35,920

much for the awesome super chats holy

4671

03:14:39,670 --> 03:14:37,279

[h__\h]

4672

03:14:42,630 --> 03:14:39,680

to cuss and everything this has been uh

4673

03:14:45,750 --> 03:14:42,640

such an amazing year uh

4674

03:14:48,630 --> 03:14:45,760

with love and yeah and support

4675

03:14:50,469 --> 03:14:48,640

and fun we have fun right

4676

03:14:54,070 --> 03:14:50,479

try

4677

03:14:55,990 --> 03:14:54,080

for the super chest tonight but not only

4678

03:14:58,790 --> 03:14:56,000

tonight but all

4679

03:15:01,030 --> 03:14:58,800

of the other nights that or this their

4680

03:15:02,469 --> 03:15:01,040

stars about like

4681

03:15:03,590 --> 03:15:02,479

like last week

4682

03:15:06,309 --> 03:15:03,600

last week

4683

03:15:08,070 --> 03:15:06,319

and the week before the week before that

4684

03:15:10,790 --> 03:15:08,080

and yesterday's

4685

03:15:12,070 --> 03:15:10,800

the second weekend of october that's

4686

03:15:13,510 --> 03:15:12,080

right that was a good time there were

4687

03:15:16,229 --> 03:15:13,520

there were stars

4688

03:15:18,830 --> 03:15:16,239

they were star says

4689

03:15:20,389 --> 03:15:18,840

look the reason you're

4690

03:15:22,070 --> 03:15:20,399

hey

4691

03:15:24,309 --> 03:15:22,080

yes

4692

03:15:28,229 --> 03:15:24,319

sorry you're doing it i'm sorry

4693

03:15:28,239 --> 03:15:32,229

we're like doing the outro willys

4694

03:15:32,239 --> 03:15:43,650

hey welcome

4695

03:15:58,710 --> 03:15:45,269

[Music]

4696

03:16:28,710 --> 03:16:00,930

is so slow
