

Joe the UFO Garage Dude

JAIMIE | TOTIWABA MULTIVERSE ELF

1  
00:00:11,520 --> 00:00:08,570  
[Music]

2  
00:00:12,709 --> 00:00:11,530  
[Applause]

3  
00:00:14,180 --> 00:00:12,719  
[Music]

4  
00:00:14,780 --> 00:00:14,190  
oh

5  
00:00:17,580 --> 00:00:14,790  
[Music]

6  
00:00:18,240 --> 00:00:17,590  
[Applause]

7  
00:00:19,720 --> 00:00:18,250  
[Music]

8  
00:00:35,990 --> 00:00:19,730  
[Applause]

9  
00:00:38,790 --> 00:00:37,430  
can you hear me dude

10  
00:00:40,389 --> 00:00:38,800  
i can hear you now

11  
00:00:42,630 --> 00:00:40,399  
it did the same thing it did last time

12  
00:00:44,229 --> 00:00:42,640  
oh that's wonderful

13  
00:00:46,310 --> 00:00:44,239

oh it's gonna mute you so when i do it

14

00:00:55,060 --> 00:00:46,320

again just watch your little mute button

15

00:01:00,970 --> 00:00:58,020

[Music]

16

00:01:04,240 --> 00:01:00,980

[Applause]

17

00:01:06,760 --> 00:01:04,250

[Music]

18

00:01:11,030 --> 00:01:06,770

[Applause]

19

00:01:12,550 --> 00:01:11,040

[Music]

20

00:01:13,830 --> 00:01:12,560

tuesday

21

00:01:15,670 --> 00:01:13,840

i'm ben

22

00:01:18,710 --> 00:01:15,680

i'm joe and this is where we talk about

23

00:01:21,109 --> 00:01:18,720

ufos aliens and all things weird all

24

00:01:23,190 --> 00:01:21,119

things weird baby we're gonna figure

25

00:01:24,950 --> 00:01:23,200

that out one of these days oh yeah i

26

00:01:27,270 --> 00:01:24,960

should have made it longer hell yeah

27

00:01:29,109 --> 00:01:27,280

that was my bee dude so hey there's a

28

00:01:31,030 --> 00:01:29,119

couple different things today right a

29

00:01:33,030 --> 00:01:31,040

couple different things the first first

30

00:01:35,270 --> 00:01:33,040

thing the elephant in the room that i'd

31

00:01:36,870 --> 00:01:35,280

like to discuss with everybody right now

32

00:01:39,910 --> 00:01:36,880

let's get it out of the way

33

00:01:41,030 --> 00:01:39,920

yes it's tuesday we know okay it's

34

00:01:43,030 --> 00:01:41,040

tuesday

35

00:01:45,590 --> 00:01:43,040

monday was yesterday and today's just

36

00:01:47,990 --> 00:01:45,600

another day and today's tuesday

37

00:01:50,950 --> 00:01:48,000

also we're topless dude it's totally

38

00:01:53,190 --> 00:01:50,960

topless to topic tuesday and on totally

39

00:01:55,830 --> 00:01:53,200

topless two topic tuesdays we're gonna

40

00:01:58,789 --> 00:01:55,840

have two topics that we like to discuss

41

00:02:01,109 --> 00:01:58,799

totally topless yeah sometimes we'll

42

00:02:03,190 --> 00:02:01,119

have guests sometimes we won't sometimes

43

00:02:05,749 --> 00:02:03,200

it'll just be us dudes just talking

44

00:02:06,550 --> 00:02:05,759

about some cool stuff topless right yeah

45

00:02:09,190 --> 00:02:06,560

yeah

46

00:02:11,110 --> 00:02:09,200

i like it dude i'll be topless though

47

00:02:13,110 --> 00:02:11,120

you're gonna yes yes

48

00:02:14,550 --> 00:02:13,120

what bin said he's gonna be topless so

49

00:02:15,510 --> 00:02:14,560

just letting you know

50

00:02:17,430 --> 00:02:15,520

um

51  
00:02:18,949 --> 00:02:17,440  
but just think about that for for the

52  
00:02:21,750 --> 00:02:18,959  
future that we could talk about you know

53  
00:02:23,750 --> 00:02:21,760  
two topics but also be topless but also

54  
00:02:25,190 --> 00:02:23,760  
be topless yeah it's clever it's clever

55  
00:02:27,270 --> 00:02:25,200  
so this one's gonna be a little bit

56  
00:02:29,030 --> 00:02:27,280  
different usually during the show we go

57  
00:02:30,949 --> 00:02:29,040  
down rabbit holes we have like these

58  
00:02:32,949 --> 00:02:30,959  
long drawn out conversations about

59  
00:02:35,270 --> 00:02:32,959  
burritos and like

60  
00:02:37,270 --> 00:02:35,280  
you know stuff but this is gonna be a

61  
00:02:38,790 --> 00:02:37,280  
little bit different this is gonna be

62  
00:02:40,390 --> 00:02:38,800  
you know this is the first one that

63  
00:02:42,630 --> 00:02:40,400

we've done so we're not really too sure

64

00:02:45,270 --> 00:02:42,640

but i'm thinking maybe like a 30 minute

65

00:02:47,830 --> 00:02:45,280

segment where we get into some stuff it

66

00:02:51,110 --> 00:02:47,840

stays serious we stay on topic

67

00:02:52,710 --> 00:02:51,120

and uh and we do the damn thing you know

68

00:02:54,070 --> 00:02:52,720

have a little fun with it

69

00:02:55,670 --> 00:02:54,080

we're just trying to figure stuff out

70

00:02:56,790 --> 00:02:55,680

you know

71

00:02:58,790 --> 00:02:56,800

that's what we're trying to that's what

72

00:03:00,550 --> 00:02:58,800

that's what we're trying to do

73

00:03:02,229 --> 00:03:00,560

all right well do you want to get this

74

00:03:04,149 --> 00:03:02,239

started or what hell yeah let's do it

75

00:03:06,070 --> 00:03:04,159

let's bring in our guests jamie and brie

76

00:03:08,630 --> 00:03:06,080

from that one time i was abducted by

77

00:03:11,030 --> 00:03:08,640

aliens what's happening hello hello

78

00:03:13,190 --> 00:03:11,040

welcome to topless tuesdays this is such

79

00:03:14,949 --> 00:03:13,200

a good idea i know it's going to be fun

80

00:03:17,190 --> 00:03:14,959

we're excited we're excited to have you

81

00:03:20,630 --> 00:03:17,200

all here with us we are super excited to

82

00:03:22,630 --> 00:03:20,640

be here yeah we love you guys so

83

00:03:25,750 --> 00:03:22,640

it's going to be a great tuesday

84

00:03:30,630 --> 00:03:25,760

you sound so excited for me

85

00:03:34,229 --> 00:03:32,070

you should you should feel happy because

86

00:03:35,830 --> 00:03:34,239

we were like you know what nobody's ever

87

00:03:38,070 --> 00:03:35,840

going to be down to do anything like

88

00:03:39,270 --> 00:03:38,080

this with us and we were like wait a

89

00:03:41,910 --> 00:03:39,280  
second

90

00:03:43,670 --> 00:03:41,920  
bree and jamie might so yeah y'all are

91

00:03:45,190 --> 00:03:43,680  
the first ones to pop into our heads

92

00:03:47,270 --> 00:03:45,200  
honestly you know what's funny is you

93

00:03:48,949 --> 00:03:47,280  
you you guys texted me at like one

94

00:03:51,110 --> 00:03:48,959  
o'clock in the morning my time which i

95

00:03:53,910 --> 00:03:51,120  
know is like 3 a.m your time so when you

96

00:03:55,750 --> 00:03:53,920  
first texted me i was like they have had

97

00:03:57,910 --> 00:03:55,760  
some of the devil's lettuce and they're

98

00:03:59,509 --> 00:03:57,920  
being creative i know a good

99

00:04:00,630 --> 00:03:59,519  
conversation is about to happen and i

100

00:04:02,309 --> 00:04:00,640  
probably texted you guys back in like

101  
00:04:03,509 --> 00:04:02,319  
2.5 seconds and i was like yep let's go

102  
00:04:05,270 --> 00:04:03,519  
let's do it

103  
00:04:06,949 --> 00:04:05,280  
yes yes yes

104  
00:04:08,309 --> 00:04:06,959  
when she called me the next day and told

105  
00:04:09,750 --> 00:04:08,319  
me i was like

106  
00:04:12,149 --> 00:04:09,760  
okay

107  
00:04:14,789 --> 00:04:12,159  
that's new i like thinking outside of

108  
00:04:16,710 --> 00:04:14,799  
the box okay yeah

109  
00:04:21,110 --> 00:04:16,720  
ben and i called each other the next day

110  
00:04:22,710 --> 00:04:21,909  
like

111  
00:04:24,070 --> 00:04:22,720  
i mean

112  
00:04:26,070 --> 00:04:24,080  
i remember talking to you on the phone

113  
00:04:29,110 --> 00:04:26,080

jb i was like hey hey are you up i have

114

00:04:30,629 --> 00:04:29,120

a feeling you have a crazy idea

115

00:04:31,200 --> 00:04:30,639

hope your boyfriend doesn't try to come

116

00:04:33,590 --> 00:04:31,210

over here

117

00:04:35,110 --> 00:04:33,600

[Laughter]

118

00:04:37,510 --> 00:04:35,120

no honestly he was like he was like

119

00:04:39,590 --> 00:04:37,520

you're gonna do what he's like okay then

120

00:04:41,030 --> 00:04:39,600

all right live your life and i was like

121

00:04:43,670 --> 00:04:41,040

well thank you sir

122

00:04:45,510 --> 00:04:43,680

yes yes yeah

123

00:04:47,350 --> 00:04:45,520

my wife was like that's going to be so

124

00:04:49,590 --> 00:04:47,360

good that's a great idea you're going to

125

00:04:51,990 --> 00:04:49,600

hit like a whole different audience that

126  
00:04:52,710 --> 00:04:52,000  
we didn't even know existed yet

127  
00:04:54,469 --> 00:04:52,720  
so

128  
00:04:56,710 --> 00:04:54,479  
hey let's see

129  
00:04:58,629 --> 00:04:56,720  
my wife had the same exact reaction she

130  
00:05:00,950 --> 00:04:58,639  
was like well when do i come in when can

131  
00:05:03,270 --> 00:05:00,960  
i come by for my cameo damn everyone

132  
00:05:05,670 --> 00:05:03,280  
come in partner was so supportive

133  
00:05:07,430 --> 00:05:05,680  
besides mine i guess

134  
00:05:09,189 --> 00:05:07,440  
he wasn't he wasn't not supportive he

135  
00:05:11,189 --> 00:05:09,199  
just gave you a weird fatherly look like

136  
00:05:12,870 --> 00:05:11,199  
what's going on over here like busting

137  
00:05:14,790 --> 00:05:12,880  
in the room like looked over was like

138  
00:05:16,710 --> 00:05:14,800

looking at me so weird

139

00:05:18,629 --> 00:05:16,720

that's okay you were like i'm doing this

140

00:05:20,469 --> 00:05:18,639

for you

141

00:05:22,310 --> 00:05:20,479

i was like hey if we get if we're

142

00:05:25,590 --> 00:05:22,320

millionaires that's fine and he was like

143

00:05:28,550 --> 00:05:25,600

no no she go she goes she goes we're

144

00:05:30,950 --> 00:05:28,560

fighting equality

145

00:05:34,150 --> 00:05:30,960

no way

146

00:05:36,870 --> 00:05:34,160

let's go do this for because i love you

147

00:05:39,990 --> 00:05:36,880

oh my god that's exactly what i said was

148

00:05:42,390 --> 00:05:40,000

fighting equality it's for sexism

149

00:05:43,990 --> 00:05:42,400

that's what we do here right

150

00:05:45,110 --> 00:05:44,000

it's what we're known for

151  
00:05:49,510 --> 00:05:45,120  
yeah

152  
00:05:51,350 --> 00:05:49,520  
it is it is i don't over know that

153  
00:05:52,790 --> 00:05:51,360  
that's totally what we're known for

154  
00:05:54,790 --> 00:05:52,800  
nice hell yeah dude

155  
00:05:57,749 --> 00:05:54,800  
well anyways let's get into it dude

156  
00:05:59,749 --> 00:05:57,759  
let's do it let's get to the first topic

157  
00:06:01,270 --> 00:05:59,759  
ladies you guys heard me at the

158  
00:06:02,790 --> 00:06:01,280  
beginning you also kind of know about

159  
00:06:05,590 --> 00:06:02,800  
the topics we're gonna run down two

160  
00:06:07,590 --> 00:06:05,600  
topics and uh we're gonna spend about 15

161  
00:06:09,830 --> 00:06:07,600  
maybe 20 minutes on each and just kind

162  
00:06:11,830 --> 00:06:09,840  
of throw around some opinions if you

163  
00:06:14,870 --> 00:06:11,840

know some answers give some answers

164

00:06:17,270 --> 00:06:14,880

right because it's all uh questions and

165

00:06:19,590 --> 00:06:17,280

and what ifs right absolutely cool

166

00:06:21,110 --> 00:06:19,600

perfect perfect let's get this going all

167

00:06:23,670 --> 00:06:21,120

right so the first one i came across a

168

00:06:25,909 --> 00:06:23,680

post i found it to be pretty interesting

169

00:06:27,430 --> 00:06:25,919

and uh i had a lot of mixed feelings

170

00:06:29,830 --> 00:06:27,440

about it so i kind of wanted to get you

171

00:06:31,830 --> 00:06:29,840

guys opinions and uh see what you

172

00:06:34,230 --> 00:06:31,840

thought so the post is basically about

173

00:06:36,309 --> 00:06:34,240

this guy right and he says that he's a

174

00:06:39,510 --> 00:06:36,319

member of the ert which is the

175

00:06:41,909 --> 00:06:39,520

experimenter resource team uh it's a sort

176  
00:06:43,350 --> 00:06:41,919  
of a move on uh that does nothing but

177  
00:06:45,510 --> 00:06:43,360  
speak to people

178  
00:06:48,870 --> 00:06:45,520  
uh who suspect that they may have had

179  
00:06:50,629 --> 00:06:48,880  
contact um well mufon just issued a

180  
00:06:52,950 --> 00:06:50,639  
stern edict that

181  
00:06:55,990 --> 00:06:52,960  
completely strips all confidentiality

182  
00:06:58,390 --> 00:06:56,000  
assurances from the ert along with other

183  
00:07:01,110 --> 00:06:58,400  
major negative changes experiences will

184  
00:07:02,870 --> 00:07:01,120  
no longer be allowed to contact the ert

185  
00:07:05,110 --> 00:07:02,880  
directly for safe and private

186  
00:07:07,749 --> 00:07:05,120  
conversation with someone knowledgeable

187  
00:07:10,629 --> 00:07:07,759  
for some advice and for help and for a

188  
00:07:13,670 --> 00:07:10,639

friendly ear mufon will now require all

189

00:07:16,150 --> 00:07:13,680

experiencers to publicly post a formal

190

00:07:18,629 --> 00:07:16,160

and detailed general siting report with

191

00:07:20,230 --> 00:07:18,639

their personal contact information on it

192

00:07:21,909 --> 00:07:20,240

and regular nuts and bolts field

193

00:07:23,749 --> 00:07:21,919

investigators will now handle these

194

00:07:25,510 --> 00:07:23,759

folks the field investigator is now

195

00:07:27,430 --> 00:07:25,520

totally in charge and will decide if he

196

00:07:31,430 --> 00:07:27,440

or she will even let the experiencer

197

00:07:34,150 --> 00:07:31,440

talk to an ert member like myself

198

00:07:36,870 --> 00:07:34,160

so just going from there i i would like

199

00:07:39,430 --> 00:07:36,880

to get more clarification on the story

200

00:07:41,589 --> 00:07:39,440

uh yeah i haven't had time to like dive

201  
00:07:44,469 --> 00:07:41,599  
into it a hundred percent which is kind

202  
00:07:46,790 --> 00:07:44,479  
of how everybody's life is right so on

203  
00:07:49,270 --> 00:07:46,800  
the top well at face value when we're

204  
00:07:51,589 --> 00:07:49,280  
kind of reading this you know my my

205  
00:07:53,430 --> 00:07:51,599  
emotions kind of went kind of both ways

206  
00:07:55,350 --> 00:07:53,440  
and i sat on it i thought about it and

207  
00:07:57,990 --> 00:07:55,360  
then my mind kind of swayed back the

208  
00:08:00,150 --> 00:07:58,000  
other way a little bit but uh i i think

209  
00:08:02,070 --> 00:08:00,160  
we can all kind of assume like where our

210  
00:08:04,550 --> 00:08:02,080  
emotions will probably lie in this

211  
00:08:06,710 --> 00:08:04,560  
conversation but let's go ahead and

212  
00:08:08,869 --> 00:08:06,720  
we'll just start with well ben let's

213  
00:08:11,350 --> 00:08:08,879

start with with you right let's let's

214

00:08:12,710 --> 00:08:11,360

see what uh what what your thoughts are

215

00:08:14,550 --> 00:08:12,720

on this

216

00:08:16,309 --> 00:08:14,560

i mean if if i were

217

00:08:18,390 --> 00:08:16,319

gonna be talking to anybody about an

218

00:08:20,469 --> 00:08:18,400

experience i had it would definitely

219

00:08:22,230 --> 00:08:20,479

prevent me from

220

00:08:24,869 --> 00:08:22,240

releasing any information especially

221

00:08:27,029 --> 00:08:24,879

like my face and my name and and

222

00:08:28,790 --> 00:08:27,039

just intimate details like

223

00:08:30,550 --> 00:08:28,800

i i personally haven't experienced this

224

00:08:32,630 --> 00:08:30,560

but i do know others that have

225

00:08:35,110 --> 00:08:32,640

experienced really traumatic stuff so

226

00:08:37,589 --> 00:08:35,120

you're being very vulnerable uh and and

227

00:08:39,589 --> 00:08:37,599

for that to be an open public resource

228

00:08:41,990 --> 00:08:39,599

that anybody can access you know you're

229

00:08:43,509 --> 00:08:42,000

like your employer or your neighbor i'd

230

00:08:45,590 --> 00:08:43,519

rather not

231

00:08:48,550 --> 00:08:45,600

have that associated with my name on the

232

00:08:50,949 --> 00:08:48,560

internet i'd i i would think that uh

233

00:08:53,350 --> 00:08:50,959

an establishment uh such as mufon i mean

234

00:08:56,070 --> 00:08:53,360

maybe we don't know the full story yeah

235

00:08:59,350 --> 00:08:56,080

but i would i would i would assume like

236

00:09:01,430 --> 00:08:59,360

uh based on on this this new development

237

00:09:02,710 --> 00:09:01,440

that it does feel like

238

00:09:05,110 --> 00:09:02,720

there's there's a window of

239

00:09:07,910 --> 00:09:05,120

vulnerability that you're leaving out uh

240

00:09:10,470 --> 00:09:07,920

out there and accessible that maybe not

241

00:09:12,470 --> 00:09:10,480

everybody would want like it doesn't

242

00:09:14,870 --> 00:09:12,480

like it would make me not ever want to

243

00:09:16,710 --> 00:09:14,880

contact mufon like

244

00:09:19,030 --> 00:09:16,720

and again i might be right

245

00:09:21,269 --> 00:09:19,040

we might that might be not

246

00:09:23,269 --> 00:09:21,279

the full story that's almost a sense of

247

00:09:25,670 --> 00:09:23,279

security that you no longer feel like

248

00:09:27,670 --> 00:09:25,680

you have right yeah well it almost seems

249

00:09:30,150 --> 00:09:27,680

like too that this this

250

00:09:31,350 --> 00:09:30,160

what's that the letters for it

251  
00:09:32,949 --> 00:09:31,360  
the

252  
00:09:41,750 --> 00:09:32,959  
aoi msg

253  
00:09:45,030 --> 00:09:43,110  
it seems like what they're kind of doing

254  
00:09:46,230 --> 00:09:45,040  
it kind of is like counseling these

255  
00:09:48,070 --> 00:09:46,240  
people so it's almost like they have

256  
00:09:49,990 --> 00:09:48,080  
this doctor uh

257  
00:09:51,269 --> 00:09:50,000  
patient confidentiality between the two

258  
00:09:52,630 --> 00:09:51,279  
where you can talk about these traumatic

259  
00:09:54,230 --> 00:09:52,640  
things and when you're stripping that

260  
00:09:56,870 --> 00:09:54,240  
away and it seems like they're trying to

261  
00:09:58,230 --> 00:09:56,880  
come at it from a much more like um

262  
00:09:59,990 --> 00:09:58,240  
they're trying to analyze it so they

263  
00:10:01,990 --> 00:10:00,000

want information and data and not the

264

00:10:04,230 --> 00:10:02,000

private parts of the conversation and

265

00:10:07,190 --> 00:10:04,240

sometimes people are reporting different

266

00:10:08,470 --> 00:10:07,200

things to an investigator and something

267

00:10:10,389 --> 00:10:08,480

different to somebody who they're just

268

00:10:12,150 --> 00:10:10,399

kind of like letting their trauma out

269

00:10:14,470 --> 00:10:12,160

into so i think that if they do that

270

00:10:15,910 --> 00:10:14,480

it's going to change the way that they

271

00:10:17,590 --> 00:10:15,920

gather information it's going to make it

272

00:10:18,870 --> 00:10:17,600

so much more analytical and so much more

273

00:10:20,870 --> 00:10:18,880

about the numbers and things it's going

274

00:10:22,550 --> 00:10:20,880

to take away the personal part of the

275

00:10:24,230 --> 00:10:22,560

experience

276

00:10:26,949 --> 00:10:24,240

yeah absolutely

277

00:10:28,470 --> 00:10:26,959

such a good point too ben that an

278

00:10:30,949 --> 00:10:28,480

employer

279

00:10:34,630 --> 00:10:30,959

especially now that things are becoming

280

00:10:36,949 --> 00:10:34,640

um ufology is kind of being a little bit

281

00:10:38,630 --> 00:10:36,959

more mainstream these days

282

00:10:41,030 --> 00:10:38,640

i mean could you imagine

283

00:10:42,870 --> 00:10:41,040

being

284

00:10:43,990 --> 00:10:42,880

judged by your employer for that it

285

00:10:45,190 --> 00:10:44,000

wouldn't that be interesting if in the

286

00:10:46,949 --> 00:10:45,200

future that's something that they

287

00:10:49,269 --> 00:10:46,959

actually look for or if they try to

288

00:10:52,150 --> 00:10:49,279

connect that with mental illness or you

289

00:10:54,310 --> 00:10:52,160

know things like that that would make me

290

00:10:56,230 --> 00:10:54,320

super uncomfortable i would never go to

291

00:10:58,310 --> 00:10:56,240

move on at all

292

00:11:00,949 --> 00:10:58,320

and it sucks that they're taking that

293

00:11:03,350 --> 00:11:00,959

away from people and it just reminds me

294

00:11:05,750 --> 00:11:03,360

about how there are theories out there

295

00:11:07,430 --> 00:11:05,760

that move on is actually

296

00:11:09,990 --> 00:11:07,440

working with the government you know

297

00:11:12,630 --> 00:11:10,000

kind of like the person you go to and

298

00:11:14,230 --> 00:11:12,640

then they hold all these materials like

299

00:11:16,310 --> 00:11:14,240

if people send them samples instead of

300

00:11:17,829 --> 00:11:16,320

them actually sending into a lab or you

301  
00:11:19,190 --> 00:11:17,839  
know whatever that they're holding on to

302  
00:11:20,790 --> 00:11:19,200  
those samples and they're not giving

303  
00:11:23,350 --> 00:11:20,800  
them back to the people that sent them

304  
00:11:24,150 --> 00:11:23,360  
in it just adds another layer of that to

305  
00:11:30,389 --> 00:11:24,160  
me

306  
00:11:33,590 --> 00:11:32,230  
and so nothing you know personal to

307  
00:11:35,829 --> 00:11:33,600  
jesse but

308  
00:11:37,110 --> 00:11:35,839  
if that was me absolutely not i would

309  
00:11:39,110 --> 00:11:37,120  
look for

310  
00:11:41,030 --> 00:11:39,120  
someone else to talk to

311  
00:11:42,470 --> 00:11:41,040  
yeah definitely definitely do you think

312  
00:11:43,670 --> 00:11:42,480  
that uh

313  
00:11:45,190 --> 00:11:43,680

obviously

314

00:11:47,430 --> 00:11:45,200

we said that you know it would make us

315

00:11:50,230 --> 00:11:47,440

all uncomfortable to to reach out to

316

00:11:51,829 --> 00:11:50,240

them to gather this data and uh it does

317

00:11:53,990 --> 00:11:51,839

seem like you have two different sides

318

00:11:56,310 --> 00:11:54,000

of it one of it is like you said jamie

319

00:11:58,550 --> 00:11:56,320

kind of pouring your emotions of this

320

00:12:01,350 --> 00:11:58,560

experience into somebody and then giving

321

00:12:02,710 --> 00:12:01,360

like an investigator like details about

322

00:12:05,269 --> 00:12:02,720

an event like they're two different

323

00:12:07,350 --> 00:12:05,279

things it almost seems like

324

00:12:09,590 --> 00:12:07,360

it would hurt mufon in the sense that

325

00:12:11,829 --> 00:12:09,600

like okay we're getting kind of like the

326

00:12:14,230 --> 00:12:11,839

the numbers but like what's actually

327

00:12:14,949 --> 00:12:14,240

happening to this person is being left

328

00:12:17,269 --> 00:12:14,959

out

329

00:12:20,470 --> 00:12:17,279

do you think that do you think that they

330

00:12:23,190 --> 00:12:20,480

are possibly saying like okay look

331

00:12:25,750 --> 00:12:23,200

this whole thing as we've all understood

332

00:12:27,829 --> 00:12:25,760

is like is pretty huge i mean when you

333

00:12:30,150 --> 00:12:27,839

you talk to one person

334

00:12:31,910 --> 00:12:30,160

one person alone can take up so much of

335

00:12:34,550 --> 00:12:31,920

your time like it's it's a huge story

336

00:12:36,949 --> 00:12:34,560

and it's not something that you can just

337

00:12:39,750 --> 00:12:36,959

move on to the next thing right you move

338

00:12:41,670 --> 00:12:39,760

on to the next one

339

00:12:44,389 --> 00:12:41,680

maybe maybe it's a way of them

340

00:12:47,350 --> 00:12:44,399

separating that time-consuming aspect

341

00:12:48,550 --> 00:12:47,360

with the numbers right but it also seems

342

00:12:50,470 --> 00:12:48,560

like that there's people within the

343

00:12:52,790 --> 00:12:50,480

mufon community who don't want to stop

344

00:12:54,069 --> 00:12:52,800

this and who are taking their free time

345

00:12:56,230 --> 00:12:54,079

to talk and communicate with these

346

00:12:58,069 --> 00:12:56,240

people it's not like mufon is paying any

347

00:12:59,829 --> 00:12:58,079

of these people who are part of mufon at

348

00:13:01,430 --> 00:12:59,839

the end of the day you're paying mufon

349

00:13:03,269 --> 00:13:01,440

to do that so it's interesting because

350

00:13:05,190 --> 00:13:03,279

it seems like also that's mufon cutting

351

00:13:06,949 --> 00:13:05,200

off a resource to themselves in in the

352

00:13:08,710 --> 00:13:06,959

long run because now you have people who

353

00:13:09,750 --> 00:13:08,720

are participating in a certain way and

354

00:13:11,350 --> 00:13:09,760

who aren't going to want to do it

355

00:13:12,629 --> 00:13:11,360

anymore

356

00:13:14,150 --> 00:13:12,639

yeah almost

357

00:13:15,829 --> 00:13:14,160

yeah such a good point like you're

358

00:13:17,590 --> 00:13:15,839

making me think of

359

00:13:19,269 --> 00:13:17,600

there's like two sides to an experience

360

00:13:21,110 --> 00:13:19,279

there's the emotional side and there's a

361

00:13:21,750 --> 00:13:21,120

there's the nuts and bolts

362

00:13:22,949 --> 00:13:21,760

and

363

00:13:25,190 --> 00:13:22,959

um

364

00:13:27,269 --> 00:13:25,200

it it's a lot more like you said joe

365

00:13:28,949 --> 00:13:27,279

time consuming to hear the emotional

366

00:13:30,230 --> 00:13:28,959

side of things than it is hearing the

367

00:13:33,350 --> 00:13:30,240

nuts and bolts what happened what's the

368

00:13:35,269 --> 00:13:33,360

real police reports the numbers all that

369

00:13:38,470 --> 00:13:35,279

and it almost like maybe

370

00:13:40,470 --> 00:13:38,480

maybe it's this move that that's kind of

371

00:13:42,790 --> 00:13:40,480

under under the shoulder there's there's

372

00:13:44,310 --> 00:13:42,800

a better saying for that but in a way

373

00:13:47,350 --> 00:13:44,320

that they're saying hey we don't have

374

00:13:50,150 --> 00:13:47,360

enough staff to to emotionally support

375

00:13:52,629 --> 00:13:50,160

all of these cases we'd rather just or

376

00:13:53,829 --> 00:13:52,639

we we can only afford to do the

377

00:14:01,189 --> 00:13:53,839

uh

378

00:14:02,790 --> 00:14:01,199

because it is it's like talking to

379

00:14:03,750 --> 00:14:02,800

anybody it can be a form of therapy

380

00:14:05,269 --> 00:14:03,760

right like

381

00:14:07,829 --> 00:14:05,279

so so maybe maybe you have something to

382

00:14:10,230 --> 00:14:07,839

do with that like uh yeah jamie you

383

00:14:12,069 --> 00:14:10,240

mentioned like you don't get paid right

384

00:14:15,110 --> 00:14:12,079

like no it's people just taking their

385

00:14:17,110 --> 00:14:15,120

free time they pay them to do stuff so

386

00:14:18,949 --> 00:14:17,120

yeah you feel like maybe

387

00:14:20,949 --> 00:14:18,959

oh i'm sorry bri go for it

388

00:14:23,189 --> 00:14:20,959

oh no i was just gonna say it seems like

389

00:14:25,509 --> 00:14:23,199

they're almost in a way

390

00:14:28,710 --> 00:14:25,519

what i feel off that is that

391

00:14:30,790 --> 00:14:28,720

they don't really see it as important

392

00:14:34,389 --> 00:14:30,800

they the experienter side they're not

393

00:14:36,310 --> 00:14:34,399

really the experienter is equally valid

394

00:14:37,829 --> 00:14:36,320

kind of like we don't have like you're

395

00:14:39,189 --> 00:14:37,839

saying we don't have time for you so

396

00:14:40,470 --> 00:14:39,199

we're just going to focus on nuts and

397

00:14:42,550 --> 00:14:40,480

bolts

398

00:14:44,790 --> 00:14:42,560

then to me that's saying that it's not

399

00:14:46,870 --> 00:14:44,800

as valid as someone else's story that

400

00:14:50,550 --> 00:14:46,880

just saw something in the sky

401  
00:14:52,389 --> 00:14:50,560  
and that is so wrong on so many levels

402  
00:14:54,550 --> 00:14:52,399  
so then on the flip side

403  
00:14:57,269 --> 00:14:54,560  
on the flip side if they were saying hey

404  
00:14:59,030 --> 00:14:57,279  
um maybe we're trying to put a wedge in

405  
00:15:01,910 --> 00:14:59,040  
between these people because they're

406  
00:15:03,910 --> 00:15:01,920  
getting a lot of good information uh and

407  
00:15:06,310 --> 00:15:03,920  
we're just getting the numbers maybe if

408  
00:15:09,189 --> 00:15:06,320  
they separate themselves now they can

409  
00:15:10,949 --> 00:15:09,199  
get the that good juicy emotional side

410  
00:15:12,550 --> 00:15:10,959  
along with the numbers what do you think

411  
00:15:14,790 --> 00:15:12,560  
about that could that be like maybe a

412  
00:15:16,790 --> 00:15:14,800  
thought process that is going on in

413  
00:15:19,030 --> 00:15:16,800

their head maybe not so much we don't

414

00:15:21,829 --> 00:15:19,040

have time for you it's it's more of hey

415

00:15:22,340 --> 00:15:21,839

we want all of your information

416

00:15:24,710 --> 00:15:22,350

instead

417

00:15:25,990 --> 00:15:24,720

[Music]

418

00:15:27,750 --> 00:15:26,000

i definitely think that that's an

419

00:15:28,949 --> 00:15:27,760

approach i would love to see if mufon

420

00:15:30,230 --> 00:15:28,959

would come out and make a statement

421

00:15:32,150 --> 00:15:30,240

about it because i think that something

422

00:15:33,749 --> 00:15:32,160

that happens a lot with mufon is they

423

00:15:35,590 --> 00:15:33,759

aren't the most forthcoming with

424

00:15:37,350 --> 00:15:35,600

information it's kind of been a big

425

00:15:39,829 --> 00:15:37,360

thing in the community that you know

426  
00:15:42,550 --> 00:15:39,839  
they are this big data data center reach

427  
00:15:44,629 --> 00:15:42,560  
research point but it's so hard to get

428  
00:15:46,389 --> 00:15:44,639  
access to some of the information that

429  
00:15:48,310 --> 00:15:46,399  
yes you pay into it and you can have

430  
00:15:50,150 --> 00:15:48,320  
access to a lot of it but there's a lot

431  
00:15:52,150 --> 00:15:50,160  
of it that are behind doors that you

432  
00:15:53,990 --> 00:15:52,160  
cannot get into and a lot of people have

433  
00:15:55,509 --> 00:15:54,000  
issues with mufon and how they operate

434  
00:15:57,269 --> 00:15:55,519  
and so it seems like to me they're just

435  
00:16:00,310 --> 00:15:57,279  
getting a stronger chokehold than what

436  
00:16:04,069 --> 00:16:02,069  
i think the biggest problem that i have

437  
00:16:08,150 --> 00:16:04,079  
with the whole situation is

438  
00:16:11,990 --> 00:16:08,160

if it is true that they've stripped away

439

00:16:15,030 --> 00:16:12,000

any part of you your anonymity um to

440

00:16:17,910 --> 00:16:15,040

stay anonymous while giving a report i

441

00:16:20,069 --> 00:16:17,920

think that is the the biggest issue if

442

00:16:24,069 --> 00:16:20,079

you want to stay anonymous i i believe

443

00:16:26,470 --> 00:16:24,079

you absolutely should 100 percent stay

444

00:16:28,550 --> 00:16:26,480

uh anonymous it's it's your story it's

445

00:16:30,069 --> 00:16:28,560

it's your experience it's something that

446

00:16:31,910 --> 00:16:30,079

happened to you

447

00:16:33,590 --> 00:16:31,920

um and a lot of times for a lot of

448

00:16:35,189 --> 00:16:33,600

people it seems to be more of a personal

449

00:16:36,949 --> 00:16:35,199

journey that they don't want to talk to

450

00:16:38,949 --> 00:16:36,959

with other people about they want to

451

00:16:40,550 --> 00:16:38,959

find like five or six people that they

452

00:16:41,990 --> 00:16:40,560

can bounce this [h\_\_h] off of and see if

453

00:16:43,910 --> 00:16:42,000

they can figure it out because they just

454

00:16:46,389 --> 00:16:43,920

want to get back to their regular lives

455

00:16:48,230 --> 00:16:46,399

right so anonymity seems important for a

456

00:16:49,749 --> 00:16:48,240

lot of people it does it does i think

457

00:16:51,670 --> 00:16:49,759

that's the biggest thing here there's

458

00:16:53,829 --> 00:16:51,680

still a stigma around this topic

459

00:16:55,430 --> 00:16:53,839

unfortunately so when people are talking

460

00:16:57,269 --> 00:16:55,440

about personal experiences they don't

461

00:16:58,949 --> 00:16:57,279

necessarily want the people in their

462

00:17:00,389 --> 00:16:58,959

life to know about it because how they

463

00:17:01,990 --> 00:17:00,399

would react

464

00:17:04,309 --> 00:17:02,000

right yeah

465

00:17:07,990 --> 00:17:04,319

it sounds to me like that we need to

466

00:17:10,150 --> 00:17:08,000

start a new organization or something

467

00:17:12,470 --> 00:17:10,160

yeah i know that there's a few out there

468

00:17:14,470 --> 00:17:12,480

but it's gonna be opening some doors for

469

00:17:16,069 --> 00:17:14,480

sure because i mean the name as big as

470

00:17:18,870 --> 00:17:16,079

mufon if they're heading in this

471

00:17:21,429 --> 00:17:18,880

direction maybe it's not closing a door

472

00:17:23,429 --> 00:17:21,439

but opening many more i mean we always

473

00:17:26,789 --> 00:17:23,439

talk about uh you know dan warren said

474

00:17:29,590 --> 00:17:26,799

this to us uh or to me or to us when he

475

00:17:31,110 --> 00:17:29,600

visited us in austin for this event he

476

00:17:33,110 --> 00:17:31,120

he was like i think i think where this

477

00:17:35,350 --> 00:17:33,120

is heading is uh death by a thousand

478

00:17:39,110 --> 00:17:35,360

knives stats knife stab wounds instead

479

00:17:39,750 --> 00:17:39,120

of one big sword and it's like

480

00:17:41,350 --> 00:17:39,760

it's

481

00:17:43,270 --> 00:17:41,360

following this trend of like who's

482

00:17:45,750 --> 00:17:43,280

getting the actual information out there

483

00:17:48,310 --> 00:17:45,760

uh jamie and brie i was watching you on

484

00:17:50,470 --> 00:17:48,320

ucr last night great job by the way uh

485

00:17:51,990 --> 00:17:50,480

y'all mentioned that people are not

486

00:17:53,270 --> 00:17:52,000

paying paying attention to the news

487

00:17:55,909 --> 00:17:53,280

taking their their information from the

488

00:17:58,789 --> 00:17:55,919

news anymore it shows like ucr and that

489

00:18:00,870 --> 00:17:58,799

one time i was abducted by aliens uh and

490

00:18:03,270 --> 00:18:00,880

and many many more shows out there like

491

00:18:04,150 --> 00:18:03,280

people are getting their their news

492

00:18:06,150 --> 00:18:04,160

from

493

00:18:07,909 --> 00:18:06,160

many many different sources and thinking

494

00:18:10,070 --> 00:18:07,919

for themselves or starting to think for

495

00:18:12,230 --> 00:18:10,080

themselves or we're starting to think

496

00:18:14,630 --> 00:18:12,240

for themselves it's almost like it's

497

00:18:16,870 --> 00:18:14,640

following that trend where

498

00:18:18,710 --> 00:18:16,880

maybe it's a good thing that they're

499

00:18:20,710 --> 00:18:18,720

they're breaking off from doing that i

500

00:18:22,870 --> 00:18:20,720

don't know yeah that's a good thought

501  
00:18:25,350 --> 00:18:22,880  
actually i really do like that you know

502  
00:18:27,430 --> 00:18:25,360  
sometimes it seems like it's something

503  
00:18:29,669 --> 00:18:27,440  
bad from the beginning

504  
00:18:32,630 --> 00:18:29,679  
but you know with every death there's a

505  
00:18:36,150 --> 00:18:32,640  
new life that's born from that so

506  
00:18:37,669 --> 00:18:36,160  
yeah who maybe a a new organization will

507  
00:18:39,909 --> 00:18:37,679  
come or

508  
00:18:41,830 --> 00:18:39,919  
i mean really i think this is such a big

509  
00:18:44,230 --> 00:18:41,840  
time for ufology so it's interesting

510  
00:18:46,150 --> 00:18:44,240  
that they're choosing to do this now

511  
00:18:47,590 --> 00:18:46,160  
um

512  
00:18:49,590 --> 00:18:47,600  
it's like if anything there's so much

513  
00:18:52,630 --> 00:18:49,600

more funding and interest in it like why

514

00:18:56,310 --> 00:18:52,640

would you stop it right yeah and people

515

00:18:59,430 --> 00:18:56,320

pay just to belong to them you pay to be

516

00:19:02,070 --> 00:18:59,440

a mufon investigator and then you pay to

517

00:19:03,350 --> 00:19:02,080

be like a part you know subscribe to

518

00:19:05,669 --> 00:19:03,360

everything that they get if you get the

519

00:19:07,190 --> 00:19:05,679

newsletter and the actual physical form

520

00:19:09,190 --> 00:19:07,200

and all of those things

521

00:19:11,669 --> 00:19:09,200

so it's kind of strange to me that they

522

00:19:14,710 --> 00:19:11,679

wouldn't have enough funding for that

523

00:19:16,150 --> 00:19:14,720

do you think that uh occasionally

524

00:19:18,390 --> 00:19:16,160

uh

525

00:19:20,150 --> 00:19:18,400

let's face it like mufon's a lot of a

526

00:19:22,630 --> 00:19:20,160

lot of awesome stuff right but they've

527

00:19:25,430 --> 00:19:22,640

also had a lot of egg on their face

528

00:19:28,549 --> 00:19:25,440

sometimes very big big eggs ostrich size

529

00:19:29,909 --> 00:19:28,559

eggs on their face um and so it's not

530

00:19:31,990 --> 00:19:29,919

perfect it's good to have an

531

00:19:35,350 --> 00:19:32,000

organization that people can go to but

532

00:19:37,110 --> 00:19:35,360

it's not perfect right um for me uh one

533

00:19:39,110 --> 00:19:37,120

of the questions would be do you think

534

00:19:39,750 --> 00:19:39,120

that occasionally mufon just gets full

535

00:19:42,310 --> 00:19:39,760

of

536

00:19:43,990 --> 00:19:42,320

people who like want to see aliens but

537

00:19:46,390 --> 00:19:44,000

don't realize that that's not how it

538

00:19:48,390 --> 00:19:46,400

works until after it's a lot of work and

539

00:19:50,070 --> 00:19:48,400

months of doing all of this work for

540

00:19:51,750 --> 00:19:50,080

free trying to see aliens they just

541

00:19:53,350 --> 00:19:51,760

start yeah i don't give a [h\_\_\h]

542

00:19:54,950 --> 00:19:53,360

you know and like then you just get like

543

00:19:56,789 --> 00:19:54,960

this organization full of people who

544

00:20:00,710 --> 00:19:56,799

just don't care anymore

545

00:20:05,029 --> 00:20:02,549

i mean when we talk to jesse it's very

546

00:20:07,510 --> 00:20:05,039

evident that he is very serious super

547

00:20:09,510 --> 00:20:07,520

passionate about it yeah so passionate

548

00:20:11,990 --> 00:20:09,520

and is really he does his due diligence

549

00:20:13,990 --> 00:20:12,000

and he wants to really like meet the

550

00:20:15,750 --> 00:20:14,000

people feel them out boot on the ground

551  
00:20:18,549 --> 00:20:15,760  
kind of situation

552  
00:20:20,870 --> 00:20:18,559  
but that's because he has true passion

553  
00:20:22,230 --> 00:20:20,880  
and i think that's a really good point

554  
00:20:24,149 --> 00:20:22,240  
joe because

555  
00:20:26,070 --> 00:20:24,159  
people lose their passion if really

556  
00:20:28,390 --> 00:20:26,080  
that's all that they wanted to do is

557  
00:20:30,549 --> 00:20:28,400  
show up if there's a ufo sighting when

558  
00:20:32,830 --> 00:20:30,559  
really you're just reporting the data

559  
00:20:36,070 --> 00:20:32,840  
after the fact right

560  
00:20:37,350 --> 00:20:36,080  
um so i can i could see them you know i

561  
00:20:39,350 --> 00:20:37,360  
could see plenty of people doing that

562  
00:20:42,070 --> 00:20:39,360  
especially if you have to be the one to

563  
00:20:45,750 --> 00:20:42,080

put in all of this work information

564

00:20:48,789 --> 00:20:45,760

the one person really doing everything

565

00:20:50,390 --> 00:20:48,799

yeah man yeah it's like it sounds like

566

00:20:52,789 --> 00:20:50,400

um

567

00:20:54,390 --> 00:20:52,799

i i don't even know like i can't imagine

568

00:20:56,630 --> 00:20:54,400

having time for that

569

00:20:59,110 --> 00:20:56,640

it's like damn i know it was like your

570

00:21:01,750 --> 00:20:59,120

full-time job yeah it's crazy how

571

00:21:04,149 --> 00:21:01,760

expensive ufology is it really is i've

572

00:21:05,590 --> 00:21:04,159

spent so much money yeah yeah yeah

573

00:21:06,789 --> 00:21:05,600

people i know everyone's like everyone's

574

00:21:08,230 --> 00:21:06,799

like you're all out here to make me like

575

00:21:11,270 --> 00:21:08,240

do you know how much money and time it

576

00:21:13,590 --> 00:21:11,280

puts in to do ufology you guys this is

577

00:21:16,710 --> 00:21:13,600

not a free thing yeah like the amount of

578

00:21:17,909 --> 00:21:16,720

time i dedicate to this topic and

579

00:21:20,549 --> 00:21:17,919

in the show

580

00:21:22,710 --> 00:21:20,559

i could have a second job and provide

581

00:21:24,310 --> 00:21:22,720

and be there for my family

582

00:21:26,710 --> 00:21:24,320

i could be making double what i make but

583

00:21:28,549 --> 00:21:26,720

i don't because i love this topic i love

584

00:21:30,470 --> 00:21:28,559

doing what we do yep couldn't agree with

585

00:21:31,590 --> 00:21:30,480

you more

586

00:21:33,750 --> 00:21:31,600

that's why we like to hang out with you

587

00:21:36,950 --> 00:21:33,760

guys because at the end of the day

588

00:21:38,710 --> 00:21:36,960

we are j and b and you guys are b and j

589

00:21:40,710 --> 00:21:38,720

that's right man

590

00:21:42,870 --> 00:21:40,720

that is very true

591

00:21:45,430 --> 00:21:42,880

cosmically we are aligned nothing is a

592

00:21:48,310 --> 00:21:45,440

coincidence it's right

593

00:21:49,270 --> 00:21:48,320

i agree it's fate that we met especially

594

00:21:52,070 --> 00:21:49,280

uh

595

00:21:53,590 --> 00:21:52,080

in 2020 of all years it happened to be

596

00:21:55,350 --> 00:21:53,600

you know

597

00:21:58,149 --> 00:21:55,360

right at the right at the cutoff point

598

00:21:59,909 --> 00:21:58,159

too right now it was like and i was like

599

00:22:01,270 --> 00:21:59,919

we left to go home and the world was

600

00:22:03,190 --> 00:22:01,280

like all right

601  
00:22:04,630 --> 00:22:03,200  
[h\_\_\h] the rest of you

602  
00:22:06,149 --> 00:22:04,640  
we're shutting down it was almost like

603  
00:22:08,470 --> 00:22:06,159  
the universe was waiting like hey one

604  
00:22:23,510 --> 00:22:08,480  
more i got one more thing you need to

605  
00:22:27,750 --> 00:22:25,510  
i wonder i wonder if it's the first time

606  
00:22:29,750 --> 00:22:27,760  
a bunch of ufo people ever got kicked

607  
00:22:31,669 --> 00:22:29,760  
out of a lobby for being rowdy oh my god

608  
00:22:33,190 --> 00:22:31,679  
we're being rowdy

609  
00:22:34,470 --> 00:22:33,200  
we got we got kicked out of the ballroom

610  
00:22:35,750 --> 00:22:34,480  
we got kicked out of the lobby not

611  
00:22:37,029 --> 00:22:35,760  
forcefully you guys but they were like

612  
00:22:39,350 --> 00:22:37,039  
came and they were like hey you guys

613  
00:22:41,350 --> 00:22:39,360

like we it's the it's 2am

614

00:22:42,230 --> 00:22:41,360

you need to go to your room we are done

615

00:22:44,149 --> 00:22:42,240

here

616

00:22:47,190 --> 00:22:44,159

and then eric was like that's a great

617

00:22:49,029 --> 00:22:47,200

car patted me on the butt i don't know

618

00:22:52,070 --> 00:22:49,039

he was like give you a little give you a

619

00:22:53,830 --> 00:22:52,080

little good job buddy i was like hey

620

00:22:55,750 --> 00:22:53,840

remember the security guard guy he

621

00:22:57,110 --> 00:22:55,760

started he started walking away he

622

00:22:58,310 --> 00:22:57,120

started walking away and then eric was

623

00:22:59,909 --> 00:22:58,320

like well we can all go to my room and

624

00:23:01,669 --> 00:22:59,919

he turns around he's like no no no no no

625

00:23:04,470 --> 00:23:01,679

no no no no no no no no no you need

626

00:23:05,830 --> 00:23:04,480

to go to your individual rooms

627

00:23:08,070 --> 00:23:05,840

oh my god

628

00:23:10,710 --> 00:23:08,080

everyone go to where you go and yeah no

629

00:23:11,990 --> 00:23:10,720

that we need to do that again

630

00:23:14,950 --> 00:23:12,000

we were like is that some kind of rule

631

00:23:16,310 --> 00:23:14,960

and he was like uh yes it is it's okay

632

00:23:19,750 --> 00:23:16,320

it's a rule

633

00:23:21,669 --> 00:23:19,760

that we have you have to go oh my god

634

00:23:23,909 --> 00:23:21,679

he's making it up how much alcohol that

635

00:23:28,470 --> 00:23:23,919

night oh my god i don't even know how

636

00:23:32,070 --> 00:23:30,630

they didn't have any more yeah there's

637

00:23:33,350 --> 00:23:32,080

no more wine

638

00:23:38,070 --> 00:23:33,360

that's why we ended up drinking that

639

00:23:43,269 --> 00:23:41,029

let's see okay so um

640

00:23:45,750 --> 00:23:43,279

i have a second a second topic i'd like

641

00:23:47,909 --> 00:23:45,760

to get into um we don't have to get into

642

00:23:50,549 --> 00:23:47,919

this topic this is the first one so i'd

643

00:23:52,310 --> 00:23:50,559

like to ask you guys hey but do you guys

644

00:23:54,230 --> 00:23:52,320

think that there's anything important

645

00:23:57,110 --> 00:23:54,240

that you'd like to talk about and get

646

00:24:01,590 --> 00:24:00,070

wow yeah wow i like it i see what i did

647

00:24:02,870 --> 00:24:01,600

there i love that i just want to give

648

00:24:04,950 --> 00:24:02,880

you guys the opportunity i mean it's the

649

00:24:06,950 --> 00:24:04,960

first time this is like a serious

650

00:24:08,630 --> 00:24:06,960

conversation let's do it type thing

651  
00:24:10,149 --> 00:24:08,640  
what's important to you you know like

652  
00:24:12,070 --> 00:24:10,159  
what's something that you wanna you

653  
00:24:15,190 --> 00:24:12,080  
wanna talk about maybe i think what's

654  
00:24:17,510 --> 00:24:15,200  
really important about this community is

655  
00:24:18,390 --> 00:24:17,520  
the community and i think that we as a

656  
00:24:20,549 --> 00:24:18,400  
society

657  
00:24:22,710 --> 00:24:20,559  
are really into putting people onto

658  
00:24:25,110 --> 00:24:22,720  
pedestals and making celebrities out of

659  
00:24:26,950 --> 00:24:25,120  
people and as much as that is fun and

660  
00:24:28,549 --> 00:24:26,960  
great i think that sometimes we have to

661  
00:24:30,470 --> 00:24:28,559  
dial that back a little bit and start

662  
00:24:32,870 --> 00:24:30,480  
being more collaborative and not

663  
00:24:34,630 --> 00:24:32,880

thinking oh i want everyone to only

664

00:24:36,310 --> 00:24:34,640

watch me or i'm the only one who can

665

00:24:37,750 --> 00:24:36,320

give you the information i think what's

666

00:24:40,230 --> 00:24:37,760

important out there is to broaden your

667

00:24:42,230 --> 00:24:40,240

horizon and hear everybody's perspective

668

00:24:43,909 --> 00:24:42,240

whether you agree with it or not don't

669

00:24:45,909 --> 00:24:43,919

have arguments have really great

670

00:24:47,990 --> 00:24:45,919

conversations with people and i think if

671

00:24:49,110 --> 00:24:48,000

we have more of that in the community

672

00:24:51,510 --> 00:24:49,120

that's what's going to further this

673

00:24:53,350 --> 00:24:51,520

community

674

00:24:55,510 --> 00:24:53,360

that's good i like that i like that

675

00:24:56,870 --> 00:24:55,520

that's important that's important

676  
00:24:58,710 --> 00:24:56,880  
now that i got that

677  
00:25:00,149 --> 00:24:58,720  
got that off my chest

678  
00:25:01,669 --> 00:25:00,159  
off your

679  
00:25:03,110 --> 00:25:01,679  
yeah i think i've been feeling the same

680  
00:25:04,310 --> 00:25:03,120  
way you know

681  
00:25:05,590 --> 00:25:04,320  
we uh

682  
00:25:06,710 --> 00:25:05,600  
i think we just want to make more

683  
00:25:10,070 --> 00:25:06,720  
friends

684  
00:25:13,350 --> 00:25:10,080  
see less of a division between people

685  
00:25:14,630 --> 00:25:13,360  
um and it's nice when you do make

686  
00:25:16,710 --> 00:25:14,640  
connections with these people they're

687  
00:25:17,750 --> 00:25:16,720  
really not like they're really great

688  
00:25:19,350 --> 00:25:17,760

people

689

00:25:21,830 --> 00:25:19,360

it just seems to be like sometimes

690

00:25:23,590 --> 00:25:21,840

people don't want to do that so

691

00:25:27,029 --> 00:25:23,600

um i feel like lately we've been

692

00:25:28,710 --> 00:25:27,039

preaching for people that have opposing

693

00:25:29,590 --> 00:25:28,720

views

694

00:25:31,350 --> 00:25:29,600

to

695

00:25:33,110 --> 00:25:31,360

be okay with that

696

00:25:35,029 --> 00:25:33,120

you know it's like we've we've seen a

697

00:25:37,350 --> 00:25:35,039

lot of oh well if you don't feel this

698

00:25:38,870 --> 00:25:37,360

way then we can't be friends or you know

699

00:25:40,310 --> 00:25:38,880

things like that or i don't like you if

700

00:25:41,750 --> 00:25:40,320

you don't subscribe to this kind of

701  
00:25:44,070 --> 00:25:41,760  
thing

702  
00:25:45,990 --> 00:25:44,080  
that's really been i think on our hearts

703  
00:25:47,269 --> 00:25:46,000  
a lot lately so

704  
00:25:49,190 --> 00:25:47,279  
it would be nice if we could all have

705  
00:25:50,710 --> 00:25:49,200  
different opinions and still be cool

706  
00:25:52,470 --> 00:25:50,720  
with each other

707  
00:25:54,870 --> 00:25:52,480  
you know um

708  
00:25:57,909 --> 00:25:54,880  
it's already such a small community

709  
00:26:00,549 --> 00:25:59,590  
we'll break it apart if we don't get

710  
00:26:02,549 --> 00:26:00,559  
along

711  
00:26:05,430 --> 00:26:02,559  
honestly

712  
00:26:06,630 --> 00:26:05,440  
yeah i got damn chills oh my god

713  
00:26:08,950 --> 00:26:06,640

well we're being really listen we're

714

00:26:11,750 --> 00:26:08,960

being vulnerable here you know that's

715

00:26:13,990 --> 00:26:11,760

what this is about it's about opening up

716

00:26:15,990 --> 00:26:14,000

and being vulnerable i love that though

717

00:26:19,029 --> 00:26:16,000

you know i definitely love that because

718

00:26:21,350 --> 00:26:19,039

you know if if we ever find ourselves in

719

00:26:23,350 --> 00:26:21,360

a situation like hey we always tell

720

00:26:25,750 --> 00:26:23,360

everybody look we don't have all the

721

00:26:28,630 --> 00:26:25,760

answers you know we're all we're all

722

00:26:29,990 --> 00:26:28,640

learning here so if anybody ever to you

723

00:26:32,630 --> 00:26:30,000

know ever

724

00:26:34,549 --> 00:26:32,640

disagrees with anything that we say like

725

00:26:37,669 --> 00:26:34,559

that's that's the whole point by all

726

00:26:39,190 --> 00:26:37,679

means please come on the show and uh

727

00:26:41,590 --> 00:26:39,200

explain your point because it's

728

00:26:43,830 --> 00:26:41,600

obviously something i haven't heard yet

729

00:26:46,549 --> 00:26:43,840

yeah or it's something that i i don't

730

00:26:48,230 --> 00:26:46,559

understand to the full effect so please

731

00:26:50,710 --> 00:26:48,240

reach out to me i think that's the best

732

00:26:53,590 --> 00:26:50,720

way that we can extend olive branches to

733

00:26:55,909 --> 00:26:53,600

people that maybe don't like you or or

734

00:26:57,110 --> 00:26:55,919

whatever whatever may be your situation

735

00:26:59,029 --> 00:26:57,120

right

736

00:27:01,269 --> 00:26:59,039

that doesn't happen to me and ben man

737

00:27:04,310 --> 00:27:01,279

because everybody likes us dude

738

00:27:11,430 --> 00:27:04,320

i believe that i really do oh we don't

739

00:27:14,070 --> 00:27:12,789

i think that you guys are so loved

740

00:27:15,669 --> 00:27:14,080

within the community i think you guys

741

00:27:17,350 --> 00:27:15,679

bring such a great sense of humor and i

742

00:27:19,029 --> 00:27:17,360

think it's so receptive to people and i

743

00:27:20,870 --> 00:27:19,039

think that you guys are such a bright

744

00:27:23,510 --> 00:27:20,880

shining star in this community please

745

00:27:25,909 --> 00:27:23,520

never stop doing what you're doing

746

00:27:27,110 --> 00:27:25,919

i i wouldn't say the exact same thing no

747

00:27:28,549 --> 00:27:27,120

guys

748

00:27:29,990 --> 00:27:28,559

thank you

749

00:27:31,830 --> 00:27:30,000

yeah there i mean there yeah there's a

750

00:27:33,590 --> 00:27:31,840

reason why we all bet i mean and and uh

751

00:27:36,549 --> 00:27:33,600

while we vibe and like to collaborate

752

00:27:38,630 --> 00:27:36,559

and do projects like this this one yes

753

00:27:41,350 --> 00:27:38,640

well we went with you guys because like

754

00:27:44,149 --> 00:27:41,360

perfect so man uh right back at you on

755

00:27:46,310 --> 00:27:44,159

that one i mean yeah what's happening is

756

00:27:48,310 --> 00:27:46,320

is we're it's almost like

757

00:27:50,789 --> 00:27:48,320

you're being overtaken by a wave and you

758

00:27:52,789 --> 00:27:50,799

don't really know you're in a wave until

759

00:27:56,070 --> 00:27:52,799

you wash up on the shore and then you're

760

00:27:57,510 --> 00:27:56,080

like oh man that was really scary

761

00:27:58,310 --> 00:27:57,520

really fun

762

00:27:59,669 --> 00:27:58,320

yeah

763

00:28:01,830 --> 00:27:59,679

i feel like we're in the middle of that

764

00:28:04,230 --> 00:28:01,840

tube you know it's totally like totally

765

00:28:05,830 --> 00:28:04,240

too big but like we're just looking up

766

00:28:09,669 --> 00:28:05,840

and down and nobody really knows where

767

00:28:12,470 --> 00:28:09,679

to go but we feel like a sense of of uh

768

00:28:14,789 --> 00:28:12,480

of of scaredness or or apprehensiveness

769

00:28:17,590 --> 00:28:14,799

or like hey that's this is actually like

770

00:28:19,350 --> 00:28:17,600

your body's feeling this this vibe of

771

00:28:21,510 --> 00:28:19,360

this feels good let's just keep doing

772

00:28:23,590 --> 00:28:21,520

that thing and following the path of

773

00:28:25,350 --> 00:28:23,600

least resistance um

774

00:28:27,510 --> 00:28:25,360

and this is has nothing to do with our

775

00:28:29,029 --> 00:28:27,520

shows but just the the thought pattern

776

00:28:31,350 --> 00:28:29,039

of the journey that we're all on right

777

00:28:33,430 --> 00:28:31,360

now with this topic because it starts

778

00:28:35,269 --> 00:28:33,440

out a little different for everybody and

779

00:28:37,590 --> 00:28:35,279

it ends up a little different from it

780

00:28:39,350 --> 00:28:37,600

for for everybody but the middle i think

781

00:28:40,950 --> 00:28:39,360

we're in the middle right now i don't

782

00:28:42,710 --> 00:28:40,960

i'm not sure where where everybody is in

783

00:28:44,470 --> 00:28:42,720

their timeline but we're i don't think

784

00:28:47,029 --> 00:28:44,480

we're ever going to get to the end and

785

00:28:49,750 --> 00:28:47,039

why not just have not a great time

786

00:28:50,549 --> 00:28:49,760

figuring it's a ride yeah exactly like i

787

00:29:48,549 --> 00:28:50,559

i

788

00:29:50,230 --> 00:29:48,559

often because they also know that we're

789

00:29:51,990 --> 00:29:50,240

in the middle of this awesome wave like

790

00:29:53,750 --> 00:29:52,000

in the sweet spot where they're hanging

791

00:29:56,070 --> 00:29:53,760

we're all hanging ten and just waiting

792

00:29:57,669 --> 00:29:56,080

for that trick that trick move yeah

793

00:29:58,789 --> 00:29:57,679

that's why there's been an influx i

794

00:30:00,549 --> 00:29:58,799

think that something me and brie have

795

00:30:02,630 --> 00:30:00,559

always said about the phenomenon is you

796

00:30:05,430 --> 00:30:02,640

have to have some sort of openness to

797

00:30:07,430 --> 00:30:05,440

experiencing it and collectively we're

798

00:30:09,029 --> 00:30:07,440

very opening to experience those things

799

00:30:10,789 --> 00:30:09,039

so so many more people are having

800

00:30:12,630 --> 00:30:10,799

experiences with the phenomenon and

801  
00:30:14,149 --> 00:30:12,640  
people who were having experience before

802  
00:30:16,549 --> 00:30:14,159  
are having them more frequently i think

803  
00:30:17,990 --> 00:30:16,559  
because the openness of our planet is

804  
00:30:19,669 --> 00:30:18,000  
just putting out a different kind of

805  
00:30:21,430 --> 00:30:19,679  
frequency than we did even five years

806  
00:30:22,549 --> 00:30:21,440  
ago

807  
00:30:23,590 --> 00:30:22,559  
for sure

808  
00:30:25,590 --> 00:30:23,600  
and uh

809  
00:30:27,350 --> 00:30:25,600  
different experiences too i think people

810  
00:30:29,190 --> 00:30:27,360  
that used to have just paranormal

811  
00:30:30,070 --> 00:30:29,200  
experiences are now starting to have

812  
00:30:33,350 --> 00:30:30,080  
more

813  
00:30:34,870 --> 00:30:33,360

um et alien experiences and i think five

814

00:30:36,549 --> 00:30:34,880

vice versa

815

00:30:37,909 --> 00:30:36,559

and so that's cool so that just means

816

00:30:40,630 --> 00:30:37,919

that something

817

00:30:42,630 --> 00:30:40,640

energetic in general is happening

818

00:30:43,350 --> 00:30:42,640

and i think a lot of it has to do with

819

00:30:44,710 --> 00:30:43,360

us

820

00:30:46,630 --> 00:30:44,720

for sure

821

00:30:48,630 --> 00:30:46,640

the more that we all open it's like

822

00:30:50,149 --> 00:30:48,640

we're attracting that energy like i

823

00:30:51,909 --> 00:30:50,159

always used to say you know it's that

824

00:30:53,190 --> 00:30:51,919

thing of like what you're seeking is

825

00:30:54,950 --> 00:30:53,200

seeking you

826  
00:30:56,950 --> 00:30:54,960  
so i feel like it's just it's both

827  
00:30:58,310 --> 00:30:56,960  
happening and it's it's all meeting each

828  
00:31:00,070 --> 00:30:58,320  
other you know

829  
00:31:03,110 --> 00:31:00,080  
and that's super exciting it's like

830  
00:31:04,630 --> 00:31:03,120  
we're really in a very important time

831  
00:31:06,070 --> 00:31:04,640  
right now

832  
00:31:07,669 --> 00:31:06,080  
it feels like we're a part of something

833  
00:31:10,549 --> 00:31:07,679  
well i guess we are mm-hmm yeah

834  
00:31:11,750 --> 00:31:10,559  
definitely is i feel like we are

835  
00:31:14,149 --> 00:31:11,760  
i mean

836  
00:31:16,070 --> 00:31:14,159  
everybody's got a a part to play some

837  
00:31:17,990 --> 00:31:16,080  
are smaller than others but equally

838  
00:31:19,750 --> 00:31:18,000

important and we all we all have our

839

00:31:21,430 --> 00:31:19,760

journeys in our paths that we're on and

840

00:31:22,870 --> 00:31:21,440

we figure it out as we go like none of

841

00:31:24,230 --> 00:31:22,880

us know what we're supposed to be doing

842

00:31:26,310 --> 00:31:24,240

it's just kind of like

843

00:31:27,509 --> 00:31:26,320

you jump into it head first and you you

844

00:31:30,549 --> 00:31:27,519

ride the ride

845

00:31:31,590 --> 00:31:30,559

yeah yeah it's more fun though i mean

846

00:31:33,909 --> 00:31:31,600

even

847

00:31:36,710 --> 00:31:33,919

compared to when jamie and i first

848

00:31:38,549 --> 00:31:36,720

started podcasting i feel like

849

00:31:40,870 --> 00:31:38,559

now looking back it doesn't even seem

850

00:31:43,110 --> 00:31:40,880

like that was a fun time you know it's

851

00:31:45,750 --> 00:31:43,120

so it's like compared to now

852

00:31:48,549 --> 00:31:45,760

like man like this is fun this is very

853

00:31:51,830 --> 00:31:48,559

fun and i don't think it was the same

854

00:31:54,389 --> 00:31:51,840

so i i have high hopes for the future

855

00:31:56,549 --> 00:31:54,399

you know i think as each day goes on and

856

00:31:58,549 --> 00:31:56,559

hopefully we can really pull this

857

00:32:01,830 --> 00:31:58,559

community together and really

858

00:32:04,230 --> 00:32:01,840

like let's you know sing kumbaya kumbaya

859

00:32:05,669 --> 00:32:04,240

and all that stuff i'm down for that

860

00:32:07,509 --> 00:32:05,679

really i think

861

00:32:09,669 --> 00:32:07,519

now that should be

862

00:32:11,990 --> 00:32:09,679

almost just as important as researching

863

00:32:13,110 --> 00:32:12,000

i feel like is bringing us all together

864

00:32:15,590 --> 00:32:13,120

yep

865

00:32:18,470 --> 00:32:15,600

love that yeah definitely definitely

866

00:32:20,870 --> 00:32:18,480

love is love

867

00:32:22,950 --> 00:32:20,880

so it seems like it seems like the uh

868

00:32:25,190 --> 00:32:22,960

the the running theme for this evening

869

00:32:27,909 --> 00:32:25,200

is basically like look

870

00:32:30,310 --> 00:32:27,919

help each other help each other extend

871

00:32:33,029 --> 00:32:30,320

all the branches whenever you can be

872

00:32:35,110 --> 00:32:33,039

vulnerable keep keep the be vulnerable

873

00:32:37,110 --> 00:32:35,120

stay in this together yeah keep the

874

00:32:39,430 --> 00:32:37,120

positivity up you know what i'm saying

875

00:32:41,269 --> 00:32:39,440

like if that's uh yeah like that could

876

00:32:44,389 --> 00:32:41,279

be a running thing anything negative

877

00:32:46,470 --> 00:32:44,399

that comes at you this year hop on it

878

00:32:48,389 --> 00:32:46,480

confront it and if it's still negative

879

00:32:50,470 --> 00:32:48,399

afterwards then you sweep it under the

880

00:32:52,549 --> 00:32:50,480

rug and you move on right

881

00:32:54,470 --> 00:32:52,559

reverse card on that [h\_\_h] yeah

882

00:32:56,389 --> 00:32:54,480

we all gotta keep moving here man i

883

00:32:58,710 --> 00:32:56,399

think it's i think that's that's

884

00:33:01,750 --> 00:32:58,720

absolutely great

885

00:33:03,669 --> 00:33:01,760

absolutely i mean you guys are

886

00:33:05,590 --> 00:33:03,679

you guys are awesome but everyone else

887

00:33:07,430 --> 00:33:05,600

in this community is awesome you know

888

00:33:08,950 --> 00:33:07,440

like we're all just such a really great

889

00:33:12,070 --> 00:33:08,960

group of people

890

00:33:14,230 --> 00:33:12,080

so um i wouldn't want to say like kick

891

00:33:16,630 --> 00:33:14,240

out the bad ones more like let's show

892

00:33:19,750 --> 00:33:16,640

them embrace them

893

00:33:20,870 --> 00:33:19,760

maybe a different viewpoint or you know

894

00:33:22,950 --> 00:33:20,880

yeah

895

00:33:25,590 --> 00:33:22,960

give me a hug listen we're just a bunch

896

00:33:27,430 --> 00:33:25,600

of crystal hippie loving [h\_\_h] this is

897

00:33:29,430 --> 00:33:27,440

the only the only way we know how to

898

00:33:31,430 --> 00:33:29,440

operate is with love and compassion and

899

00:33:34,310 --> 00:33:31,440

peace and that's what i think the world

900

00:33:36,950 --> 00:33:34,320

needs right now and this topic yeah um

901  
00:33:39,509 --> 00:33:36,960  
oh for sure i love it i love it unity

902  
00:33:42,310 --> 00:33:39,519  
baby it's such a it's such a

903  
00:33:45,190 --> 00:33:42,320  
juxtaposition between the the

904  
00:33:46,870 --> 00:33:45,200  
the news cycle the evidence the uh the

905  
00:33:49,029 --> 00:33:46,880  
congress people not saying that that's

906  
00:33:51,590 --> 00:33:49,039  
not important because it very much is

907  
00:33:53,430 --> 00:33:51,600  
it's it's just a a different perspective

908  
00:33:56,470 --> 00:33:53,440  
and uh when i was watching you guys on

909  
00:33:59,110 --> 00:33:56,480  
uh again ucr last night you just uh said

910  
00:34:00,549 --> 00:33:59,120  
it so well like it doesn't it doesn't

911  
00:34:02,230 --> 00:34:00,559  
mean one's more important than the other

912  
00:34:04,389 --> 00:34:02,240  
it's it's that both are very important

913  
00:34:06,710 --> 00:34:04,399

to the subject so

914

00:34:09,589 --> 00:34:06,720

but uh we need each other let's just say

915

00:34:11,030 --> 00:34:09,599

that we need each other yeah both sides

916

00:34:11,909 --> 00:34:11,040

need each other

917

00:34:14,869 --> 00:34:11,919

well

918

00:34:16,629 --> 00:34:14,879

they're not a cold or not yeah

919

00:34:19,030 --> 00:34:16,639

yes okay sometimes you gotta pop that

920

00:34:20,310 --> 00:34:19,040

off i don't know sometimes

921

00:34:22,710 --> 00:34:20,320

sometimes i just like to let the top

922

00:34:24,550 --> 00:34:22,720

down and let it ride two times it's

923

00:34:25,990 --> 00:34:24,560

probably nothing the aliens haven't seen

924

00:34:27,669 --> 00:34:26,000

anyway so i was like yeah i feel like

925

00:34:29,510 --> 00:34:27,679

they have like x-ray vision yeah they're

926  
00:34:32,869 --> 00:34:29,520  
pros they're like you're not you're not

927  
00:34:32,879 --> 00:34:39,190  
we've

928  
00:34:42,790 --> 00:34:40,869  
this difference between like nuts and

929  
00:34:44,310 --> 00:34:42,800  
bolts and spirituality and and back to

930  
00:34:45,750 --> 00:34:44,320  
the mufon thing like the difference

931  
00:34:49,190 --> 00:34:45,760  
between a

932  
00:34:51,030 --> 00:34:49,200  
nuts and bolts uh

933  
00:34:54,950 --> 00:34:51,040  
recounting of an experience and then

934  
00:34:56,950 --> 00:34:54,960  
like the spiritual aspect and maybe

935  
00:34:59,109 --> 00:34:56,960  
i personally think that the story is

936  
00:35:01,030 --> 00:34:59,119  
just as important if not more important

937  
00:35:02,950 --> 00:35:01,040  
the person's experience

938  
00:35:05,270 --> 00:35:02,960

to that nuts and bolts that's that's

939

00:35:07,829 --> 00:35:05,280

just like okay now we can

940

00:35:09,829 --> 00:35:07,839

prove it to our moms right like

941

00:35:11,349 --> 00:35:09,839

the other part like the spiritual part

942

00:35:13,190 --> 00:35:11,359

the thing that happened a person what

943

00:35:16,230 --> 00:35:13,200

they went through is the most important

944

00:35:20,150 --> 00:35:16,240

part like joe i think the second uh

945

00:35:23,030 --> 00:35:20,160

topic was like what percentage of these

946

00:35:24,630 --> 00:35:23,040

these entities or these crafts are we

947

00:35:26,550 --> 00:35:24,640

seeing in the sky that

948

00:35:27,670 --> 00:35:26,560

what was it like could could be

949

00:35:30,710 --> 00:35:27,680

uh

950

00:35:32,870 --> 00:35:30,720

miscellaneous military yeah what is ours

951  
00:35:34,710 --> 00:35:32,880  
and what is not even the crazy [h\_\_h] like

952  
00:35:36,630 --> 00:35:34,720  
the crazy stuff that you see

953  
00:35:38,630 --> 00:35:36,640  
what is what percentage of it do you

954  
00:35:42,310 --> 00:35:38,640  
think is ours and what percentage of it

955  
00:35:48,710 --> 00:35:45,109  
you know i think personally that

956  
00:35:51,589 --> 00:35:48,720  
if there there are people who have uh

957  
00:35:53,349 --> 00:35:51,599  
obviously been researching lightspeed

958  
00:35:56,630 --> 00:35:53,359  
technology and trying to figure out how

959  
00:35:58,230 --> 00:35:56,640  
to go as fast as you possibly can and i

960  
00:35:59,990 --> 00:35:58,240  
think after all these years i

961  
00:36:02,710 --> 00:36:00,000  
occasionally see reports that say the

962  
00:36:04,870 --> 00:36:02,720  
craft is moving at over 9 000 miles an

963  
00:36:06,470 --> 00:36:04,880

hour and then i think to myself well if

964

00:36:09,109 --> 00:36:06,480

we have people who have been researching

965

00:36:11,510 --> 00:36:09,119

light speed 9 000 miles an hour is not

966

00:36:13,750 --> 00:36:11,520

very fast at all and i think if that

967

00:36:16,550 --> 00:36:13,760

they were going to have a jump off point

968

00:36:17,270 --> 00:36:16,560

or or a step to where they would you

969

00:36:18,870 --> 00:36:17,280

know

970

00:36:20,710 --> 00:36:18,880

be able to be like look we're going

971

00:36:22,150 --> 00:36:20,720

pretty fast like look at how fast this

972

00:36:23,829 --> 00:36:22,160

is and they were going to test it i feel

973

00:36:26,790 --> 00:36:23,839

like 9 000 miles an hour would be a

974

00:36:28,710 --> 00:36:26,800

pretty like good place to to start some

975

00:36:31,510 --> 00:36:28,720

like really really fast look guys we're

976

00:36:34,790 --> 00:36:32,390

um

977

00:36:36,550 --> 00:36:34,800

so yeah i don't know i i have to say you

978

00:36:38,230 --> 00:36:36,560

know maybe maybe

979

00:36:40,390 --> 00:36:38,240

man i don't know because i really feel

980

00:36:42,550 --> 00:36:40,400

like a lot of it is our stuff yeah well

981

00:36:44,710 --> 00:36:42,560

what percentage do you think

982

00:36:48,069 --> 00:36:44,720

yeah i think so too um that's a hard one

983

00:36:49,670 --> 00:36:48,079

to say man i know especially now

984

00:36:52,150 --> 00:36:49,680

i i think that it's i think it's a lot

985

00:36:53,270 --> 00:36:52,160

lower than we think in all honesty i

986

00:36:54,710 --> 00:36:53,280

think that

987

00:36:55,750 --> 00:36:54,720

see and bree might disagree with me but

988

00:36:59,670 --> 00:36:55,760

i think that

989

00:37:01,589 --> 00:36:59,680

things tend to be a little bit more

990

00:37:03,349 --> 00:37:01,599

government-y to me and a lot of the more

991

00:37:04,950 --> 00:37:03,359

homegrown ones tend to be a little bit

992

00:37:06,310 --> 00:37:04,960

more

993

00:37:07,670 --> 00:37:06,320

actual sighting to me i don't mean to

994

00:37:09,349 --> 00:37:07,680

say it like that but i don't know

995

00:37:11,910 --> 00:37:09,359

sometimes when there's like a big hype

996

00:37:14,230 --> 00:37:11,920

around a sighting i just i'm

997

00:37:16,150 --> 00:37:14,240

i'm like ooh

998

00:37:18,390 --> 00:37:16,160

yeah what do you mean

999

00:37:20,550 --> 00:37:18,400

like i mean you're like ooh like when

1000

00:37:22,390 --> 00:37:20,560

there's a lot of people you know

1001  
00:37:23,910 --> 00:37:22,400  
like when it's sensationalized in a

1002  
00:37:25,670 --> 00:37:23,920  
sense like when it's sensationalized

1003  
00:37:27,190 --> 00:37:25,680  
when they take you talk about that

1004  
00:37:28,950 --> 00:37:27,200  
not necessarily even just the tic tac in

1005  
00:37:30,950 --> 00:37:28,960  
general just any story that they kind of

1006  
00:37:32,950 --> 00:37:30,960  
run with that they sensationalize tends

1007  
00:37:34,310 --> 00:37:32,960  
to not end up being so credible

1008  
00:37:36,550 --> 00:37:34,320  
sometimes because it's like they

1009  
00:37:38,950 --> 00:37:36,560  
sensationalize it so whenever i see it

1010  
00:37:41,030 --> 00:37:38,960  
like in the big news media i tend to not

1011  
00:37:44,150 --> 00:37:41,040  
pay attention to it i'd rather the

1012  
00:37:47,750 --> 00:37:45,990  
it's almost like also i'm hearing a lot

1013  
00:37:48,950 --> 00:37:47,760

of tic tac in the background you guys

1014

00:37:50,950 --> 00:37:48,960

gizmo

1015

00:37:51,300 --> 00:37:50,960

it's me no it's my dog oh it's your dog

1016

00:37:53,349 --> 00:37:51,310

okay

1017

00:37:55,829 --> 00:37:53,359

[Music]

1018

00:37:58,069 --> 00:37:55,839

joe also has a small uh well we both

1019

00:38:01,589 --> 00:37:58,079

have small dogs but hardwood floors yeah

1020

00:38:06,310 --> 00:38:02,390

uh

1021

00:38:08,470 --> 00:38:06,320

i get i

1022

00:38:10,470 --> 00:38:08,480

got derailed sorry big media

1023

00:38:11,750 --> 00:38:10,480

big media oh it's like the analogy i

1024

00:38:13,270 --> 00:38:11,760

like to think of is that the

1025

00:38:15,270 --> 00:38:13,280

conversations when you're in your

1026  
00:38:16,790 --> 00:38:15,280  
adolescent stage where you you start to

1027  
00:38:18,310 --> 00:38:16,800  
make friends or neighborhood friends or

1028  
00:38:20,150 --> 00:38:18,320  
you start to go to school and start

1029  
00:38:21,430 --> 00:38:20,160  
having your own like

1030  
00:38:22,790 --> 00:38:21,440  
trying to figure stuff out with your

1031  
00:38:24,069 --> 00:38:22,800  
your friends that are your age and

1032  
00:38:25,910 --> 00:38:24,079  
you're like hey

1033  
00:38:27,589 --> 00:38:25,920  
i learned a cuss word dude you can't say

1034  
00:38:29,109 --> 00:38:27,599  
it though i'll tell you what it is but

1035  
00:38:31,030 --> 00:38:29,119  
just don't say it

1036  
00:38:32,790 --> 00:38:31,040  
and then and you're like you you go home

1037  
00:38:35,030 --> 00:38:32,800  
and you tell your mom you're like hey

1038  
00:38:37,109 --> 00:38:35,040

what does [h\_\_h] mean like

1039

00:38:38,310 --> 00:38:37,119

oh and they're like oh

1040

00:38:40,390 --> 00:38:38,320

and you're like is it a bad word you

1041

00:38:41,990 --> 00:38:40,400

know what does it mean no it doesn't

1042

00:38:43,510 --> 00:38:42,000

it's not like a

1043

00:38:46,310 --> 00:38:43,520

are you talking about the verb or like

1044

00:38:48,230 --> 00:38:46,320

the word yes it's a bad word so the big

1045

00:38:49,990 --> 00:38:48,240

news is like your parents like not

1046

00:38:52,230 --> 00:38:50,000

wanting to explain sex to you because it

1047

00:38:53,589 --> 00:38:52,240

might like destroy your childhood

1048

00:38:55,109 --> 00:38:53,599

adolescence

1049

00:38:57,270 --> 00:38:55,119

it's like you're not a child anymore

1050

00:38:59,190 --> 00:38:57,280

yeah yeah yeah

1051

00:39:00,390 --> 00:38:59,200

yeah just for now just

1052

00:39:02,710 --> 00:39:00,400

just believe me when i tell you that's a

1053

00:39:04,470 --> 00:39:02,720

bad word just don't say it like yeah

1054

00:39:05,990 --> 00:39:04,480

that's how the dichotomy feels right now

1055

00:39:07,829 --> 00:39:06,000

between like getting the information

1056

00:39:09,430 --> 00:39:07,839

from big news and then getting your

1057

00:39:10,870 --> 00:39:09,440

information from people who actually

1058

00:39:12,550 --> 00:39:10,880

know what they're talking about well and

1059

00:39:13,990 --> 00:39:12,560

not just that but it's like i feel like

1060

00:39:15,670 --> 00:39:14,000

on that same kind of thought like when

1061

00:39:17,430 --> 00:39:15,680

parents explain things to you they don't

1062

00:39:19,030 --> 00:39:17,440

necessarily explain things in like an

1063

00:39:20,870 --> 00:39:19,040

actual way like you know the birds and

1064

00:39:21,990 --> 00:39:20,880

the bees kind of stuff so it's like i

1065

00:39:24,630 --> 00:39:22,000

feel like sometimes they're just giving

1066

00:39:26,230 --> 00:39:24,640

us a roundabout explanation for things

1067

00:39:27,910 --> 00:39:26,240

it's like oh you're listen this is what

1068

00:39:29,670 --> 00:39:27,920

will tell you small child this is how

1069

00:39:31,510 --> 00:39:29,680

you'll understand it you wouldn't

1070

00:39:33,270 --> 00:39:31,520

understand the big words that we use or

1071

00:39:34,150 --> 00:39:33,280

what's really going on here

1072

00:39:36,230 --> 00:39:34,160

yeah

1073

00:39:37,990 --> 00:39:36,240

do you think that implies that that the

1074

00:39:39,670 --> 00:39:38,000

government actually does care about our

1075

00:39:44,230 --> 00:39:39,680

well-being is it like they don't

1076

00:39:46,710 --> 00:39:45,270

the government cares about our

1077

00:39:47,829 --> 00:39:46,720

well-being i think at the end of the day

1078

00:39:49,430 --> 00:39:47,839

i think that there's people who work

1079

00:39:51,030 --> 00:39:49,440

with inside the government that care

1080

00:39:52,470 --> 00:39:51,040

about our well-being let's say that

1081

00:39:54,470 --> 00:39:52,480

right because there are human beings

1082

00:39:55,910 --> 00:39:54,480

that work in our government who care and

1083

00:39:57,990 --> 00:39:55,920

are passionate but i think the

1084

00:40:01,430 --> 00:39:58,000

establishment as a whole

1085

00:40:02,950 --> 00:40:01,440

is about secrecy and control and i don't

1086

00:40:04,230 --> 00:40:02,960

think that

1087

00:40:05,829 --> 00:40:04,240

they're giving us the narrative that

1088

00:40:06,550 --> 00:40:05,839

they want at the end of the day in order

1089

00:40:08,950 --> 00:40:06,560

to

1090

00:40:10,309 --> 00:40:08,960

not necessarily worried about if we're

1091

00:40:12,069 --> 00:40:10,319

freaked out or not but worried about

1092

00:40:14,470 --> 00:40:12,079

what's going to happen to

1093

00:40:15,829 --> 00:40:14,480

society crumbling how are they going to

1094

00:40:16,950 --> 00:40:15,839

the economy how are they going to deal

1095

00:40:18,710 --> 00:40:16,960

with people

1096

00:40:20,470 --> 00:40:18,720

uprising or riots and things like that

1097

00:40:21,670 --> 00:40:20,480

so it's i think it's just

1098

00:40:23,510 --> 00:40:21,680

something bigger that they're thinking

1099

00:40:26,230 --> 00:40:23,520

about the last thing on their mind is

1100

00:40:27,190 --> 00:40:26,240

well are they feeling okay about it

1101

00:40:30,630 --> 00:40:27,200

yeah

1102

00:40:32,950 --> 00:40:30,640

about they're worried about crowd

1103

00:40:35,829 --> 00:40:32,960

control and making sure everybody

1104

00:40:37,990 --> 00:40:35,839

minds their p's and q's and and uh and

1105

00:40:39,670 --> 00:40:38,000

and society functions right they don't

1106

00:40:41,670 --> 00:40:39,680

give a [h\_\_h] about you individually they

1107

00:40:43,030 --> 00:40:41,680

care about you collectively as a whole

1108

00:40:44,950 --> 00:40:43,040

you want to make sure it's running the

1109

00:40:47,750 --> 00:40:44,960

cog is moving they don't care about you

1110

00:40:51,430 --> 00:40:49,510

also hold on

1111

00:40:54,309 --> 00:40:51,440

back on the topic the the percentage of

1112

00:40:56,230 --> 00:40:54,319

of what we believe is is is theirs and

1113

00:40:58,309 --> 00:40:56,240

what is ours uh i have a little

1114

00:41:01,510 --> 00:40:58,319

percentage uh part

1115

00:41:05,349 --> 00:41:01,520

one side of me says that i think 30 of

1116

00:41:06,390 --> 00:41:05,359

what we see is probably theirs and 70 of

1117

00:41:08,309 --> 00:41:06,400

what we see

1118

00:41:10,550 --> 00:41:08,319

is is probably

1119

00:41:13,990 --> 00:41:10,560

ours right but then the other side of me

1120

00:41:17,829 --> 00:41:14,000

says well hmm i think maybe 80 of what

1121

00:41:20,550 --> 00:41:17,839

we see is theirs and 20

1122

00:41:21,510 --> 00:41:20,560

of what we see is ours because

1123

00:41:23,109 --> 00:41:21,520

i never

1124

00:41:26,470 --> 00:41:23,119

i i have never

1125

00:41:28,150 --> 00:41:26,480

sat up all night long and looked up at

1126

00:41:30,150 --> 00:41:28,160

the night sky

1127

00:41:32,309 --> 00:41:30,160

all night long like if i were to do it

1128

00:41:33,910 --> 00:41:32,319

for like a like a not like like a day

1129

00:41:34,710 --> 00:41:33,920

job type thing you know what i'm saying

1130

00:41:36,710 --> 00:41:34,720

like

1131

00:41:39,190 --> 00:41:36,720

you know you just you just you don't you

1132

00:41:40,550 --> 00:41:39,200

know like you you're outside you're you

1133

00:41:42,550 --> 00:41:40,560

know but

1134

00:41:44,470 --> 00:41:42,560

it's impossible to look up all the time

1135

00:41:46,790 --> 00:41:44,480

could you imagine if you could you know

1136

00:41:48,950 --> 00:41:46,800

if you could look up all the time and

1137

00:41:51,109 --> 00:41:48,960

just like see stuff like how much stuff

1138

00:41:52,870 --> 00:41:51,119

you would actually see i bet it's a lot

1139

00:41:53,829 --> 00:41:52,880

and we just don't realize how much is up

1140

00:41:55,190 --> 00:41:53,839

there

1141

00:41:57,030 --> 00:41:55,200

that's true

1142

00:41:58,230 --> 00:41:57,040

that's very [\h\_\_\h] true very [\h\_\_\h]

1143

00:42:00,710 --> 00:41:58,240

true do you think

1144

00:42:03,349 --> 00:42:00,720

it depends on who is uh witnessing it

1145

00:42:06,710 --> 00:42:03,359

who's experiencing it consciously like

1146

00:42:09,190 --> 00:42:06,720

maybe the number skewed based on who

1147

00:42:10,710 --> 00:42:09,200

who's witnessing it because

1148

00:42:13,910 --> 00:42:10,720

to that person

1149

00:42:16,550 --> 00:42:13,920

they could see something that at a like

1150

00:42:19,349 --> 00:42:16,560

i live right on a flight path

1151  
00:42:21,670 --> 00:42:19,359  
and i see orange orbs every night

1152  
00:42:23,750 --> 00:42:21,680  
every night without fail this same

1153  
00:42:25,510 --> 00:42:23,760  
follow track and i even like i got

1154  
00:42:28,069 --> 00:42:25,520  
really excited i thought about texting

1155  
00:42:29,430 --> 00:42:28,079  
joe and sent another video like dude

1156  
00:42:30,790 --> 00:42:29,440  
and then you know i decided like

1157  
00:42:33,349 --> 00:42:30,800  
something in my head told me to wait

1158  
00:42:35,109 --> 00:42:33,359  
just wait wait till tomorrow and then

1159  
00:42:36,630 --> 00:42:35,119  
sure enough the same thing happened the

1160  
00:42:38,150 --> 00:42:36,640  
next night and the next night

1161  
00:42:41,030 --> 00:42:38,160  
it's there there were planes but they're

1162  
00:42:42,870 --> 00:42:41,040  
so far away that i guess the angle and

1163  
00:42:44,390 --> 00:42:42,880

the time that i that i usually go out

1164

00:42:46,550 --> 00:42:44,400

and look take my dogs out the way the

1165

00:42:48,790 --> 00:42:46,560

sun's is the way it's reflecting makes

1166

00:42:50,870 --> 00:42:48,800

it look like a certain way yeah well you

1167

00:42:54,230 --> 00:42:50,880

can't see the uh

1168

00:42:56,870 --> 00:42:54,240

uh like the metal faa regulation

1169

00:42:58,550 --> 00:42:56,880

flashing is as as prominent unless you

1170

00:43:00,550 --> 00:42:58,560

have like i've got a pretty nice camera

1171

00:43:02,470 --> 00:43:00,560

it's not like a

1172

00:43:05,430 --> 00:43:02,480

not glow-in-the-dark camera night vision

1173

00:43:06,550 --> 00:43:05,440

camera but uh you can't see it as well

1174

00:43:08,069 --> 00:43:06,560

that'd be cool if it was a glow in the

1175

00:43:11,270 --> 00:43:08,079

dark

1176

00:43:14,230 --> 00:43:11,280

uh would never lose it but it would uh i

1177

00:43:16,069 --> 00:43:14,240

couldn't see the blinking as well uh and

1178

00:43:17,829 --> 00:43:16,079

that was that was it it was just like i

1179

00:43:19,990 --> 00:43:17,839

had a routine and it was all it was all

1180

00:43:21,750 --> 00:43:20,000

me like i created this this thing and

1181

00:43:24,710 --> 00:43:21,760

just because i'm into it but like

1182

00:43:27,270 --> 00:43:24,720

i i i'm out there every every evening at

1183

00:43:28,710 --> 00:43:27,280

the same exact time so yes like jamie

1184

00:43:32,790 --> 00:43:28,720

like the sun is

1185

00:43:37,910 --> 00:43:35,589

disturbing my perception of of these

1186

00:43:40,630 --> 00:43:37,920

lights and i don't know like i think it

1187

00:43:43,910 --> 00:43:40,640

does depend on who is viewing this stuff

1188

00:43:45,990 --> 00:43:43,920

because if a person weren't to have were

1189

00:43:47,990 --> 00:43:46,000

not to have that discernment and wait a

1190

00:43:50,390 --> 00:43:48,000

couple days and make sure

1191

00:43:52,790 --> 00:43:50,400

then they would firmly believe

1192

00:43:55,430 --> 00:43:52,800

that they saw ufo and then

1193

00:43:57,990 --> 00:43:55,440

human ego comes in and somebody says

1194

00:44:00,470 --> 00:43:58,000

you're wrong and then your automatic uh

1195

00:44:01,589 --> 00:44:00,480

transaction for that uh

1196

00:44:03,990 --> 00:44:01,599

thing is like

1197

00:44:05,670 --> 00:44:04,000

i have to protect my ego like no you're

1198

00:44:09,109 --> 00:44:05,680

wrong so then you

1199

00:44:12,230 --> 00:44:10,550

it seems like that happens a lot in the

1200

00:44:13,910 --> 00:44:12,240

ufo community in general it's like

1201

00:44:15,589 --> 00:44:13,920

people have these experiences you have a

1202

00:44:18,069 --> 00:44:15,599

bunch of people who say i don't believe

1203

00:44:20,390 --> 00:44:18,079

that to be true and they go into this um

1204

00:44:22,069 --> 00:44:20,400

defense mode where it's like well now

1205

00:44:24,470 --> 00:44:22,079

you're questioning my beliefs this is

1206

00:44:26,150 --> 00:44:24,480

something i know that happened to me how

1207

00:44:27,589 --> 00:44:26,160

dare you make that so i think that

1208

00:44:29,109 --> 00:44:27,599

sometimes experiencers get a little bit

1209

00:44:30,790 --> 00:44:29,119

of a bad rep because it seems like we

1210

00:44:33,030 --> 00:44:30,800

come off aggressively or we have these

1211

00:44:34,870 --> 00:44:33,040

like very stern ways or ideas but it's

1212

00:44:36,230 --> 00:44:34,880

like you're literally trying to like

1213

00:44:37,750 --> 00:44:36,240

it's basically telling me that if i

1214

00:44:39,349 --> 00:44:37,760

believed in jesus christ you're walking

1215

00:44:41,430 --> 00:44:39,359

in into my front door telling me well

1216

00:44:43,109 --> 00:44:41,440

jesus isn't real you that's

1217

00:44:45,349 --> 00:44:43,119

the person you think is your god is not

1218

00:44:47,750 --> 00:44:45,359

real and so it's like well wait a second

1219

00:44:49,750 --> 00:44:47,760

hold on you're now we're gonna argue

1220

00:44:52,069 --> 00:44:49,760

with each other because you're going in

1221

00:44:54,150 --> 00:44:52,079

against what i believe so i think that

1222

00:44:55,030 --> 00:44:54,160

we have to take that into consideration

1223

00:44:59,270 --> 00:44:55,040

when we're

1224

00:45:00,790 --> 00:44:59,280

they've experienced

1225

00:45:02,309 --> 00:45:00,800

true

1226

00:45:04,470 --> 00:45:02,319

definitely can't mess with someone's

1227

00:45:06,309 --> 00:45:04,480

experience man i tell you that

1228

00:45:08,710 --> 00:45:06,319

well hey guys we got about five minutes

1229

00:45:11,190 --> 00:45:08,720

left so i want to get into some uh some

1230

00:45:13,109 --> 00:45:11,200

of jerry's final thoughts

1231

00:45:21,589 --> 00:45:13,119

jerry

1232

00:45:22,630 --> 00:45:21,599

thoughts wait what's the what's the

1233

00:45:23,990 --> 00:45:22,640

little uh

1234

00:45:25,430 --> 00:45:24,000

when you bring the pizza out that's the

1235

00:45:27,190 --> 00:45:25,440

hedgehog with bad wings back there

1236

00:45:28,550 --> 00:45:27,200

somebody someone in the chat chris um

1237

00:45:31,510 --> 00:45:28,560

holmes said who's that little fat guy

1238

00:45:33,430 --> 00:45:31,520

this is uh the jersey devil

1239

00:45:34,790 --> 00:45:33,440

i like it so when we when we were doing

1240

00:45:36,550 --> 00:45:34,800

cryptic corner cryptic corner for a

1241

00:45:38,390 --> 00:45:36,560

while we were uh drawing the cryptids

1242

00:45:39,910 --> 00:45:38,400

before we would do the episode so we did

1243

00:45:41,589 --> 00:45:39,920

an episode on the jersey devil and this

1244

00:45:43,349 --> 00:45:41,599

is my interpretation because i can't

1245

00:45:46,069 --> 00:45:43,359

draw but i could draw circles and i like

1246

00:45:47,670 --> 00:45:46,079

little fat squishy things so

1247

00:45:49,750 --> 00:45:47,680

i feel like you should make a little

1248

00:45:51,270 --> 00:45:49,760

like like plushy pillow out of that

1249

00:45:54,309 --> 00:45:51,280

thing right right

1250

00:45:56,550 --> 00:45:54,319

so funny oh so cute

1251  
00:45:58,870 --> 00:45:56,560  
does it have little horns is that like

1252  
00:46:00,790 --> 00:45:58,880  
lamb it's like basically lamb with okay

1253  
00:46:03,190 --> 00:46:00,800  
with like bat wings oh that's all right

1254  
00:46:04,230 --> 00:46:03,200  
that's cute i love that

1255  
00:46:07,030 --> 00:46:04,240  
yeah

1256  
00:46:07,990 --> 00:46:07,040  
who drew it buddy i did i did i painted

1257  
00:46:12,829 --> 00:46:08,000  
it

1258  
00:46:13,109 --> 00:46:12,839  
do art we

1259  
00:46:15,670 --> 00:46:13,119  
yeah of art yeah i can see all your

1260  
00:46:20,069 --> 00:46:18,150  
finger paintings back there yeah 100

1261  
00:46:24,950 --> 00:46:20,079  
hey this one's my

1262  
00:46:24,960 --> 00:46:36,309  
be careful

1263  
00:46:39,910 --> 00:46:38,470

i love how you just refuse to break eye

1264

00:46:42,390 --> 00:46:39,920

contact

1265

00:46:43,829 --> 00:46:42,400

because i'm making [h\_\_h]

1266

00:46:46,550 --> 00:46:43,839

oh okay god

1267

00:46:49,109 --> 00:46:46,560

no one donate right now please

1268

00:46:51,589 --> 00:46:49,119

i forgot about it

1269

00:46:53,750 --> 00:46:51,599

or everybody my name goes down so i'm

1270

00:46:55,109 --> 00:46:53,760

like please don't donate

1271

00:46:58,790 --> 00:46:55,119

donate

1272

00:47:03,190 --> 00:47:01,589

this is my little joshua tree ufo oh

1273

00:47:05,190 --> 00:47:03,200

that's cool

1274

00:47:08,550 --> 00:47:05,200

isn't that cute

1275

00:47:11,740 --> 00:47:08,560

very talented fingers i'm just gonna

1276

00:47:17,190 --> 00:47:15,349

[Laughter]

1277

00:47:19,430 --> 00:47:17,200

unless someone donates a hundred dollars

1278

00:47:21,589 --> 00:47:19,440

then she'll put it away right now oh no

1279

00:47:23,990 --> 00:47:21,599

she's right that's right

1280

00:47:25,510 --> 00:47:24,000

fries no night i'm not going over there

1281

00:47:27,349 --> 00:47:25,520

we should talk with my friends no night

1282

00:47:29,430 --> 00:47:27,359

crawlers that are behind

1283

00:47:31,910 --> 00:47:29,440

we should do uh uh extraterrestrial

1284

00:47:34,230 --> 00:47:31,920

painting with uh a twist where we all

1285

00:47:36,150 --> 00:47:34,240

paint uh thing and then we donate it to

1286

00:47:38,790 --> 00:47:36,160

whoever

1287

00:47:39,990 --> 00:47:38,800

donates the most yes

1288

00:47:42,150 --> 00:47:40,000

do it

1289

00:47:43,589 --> 00:47:42,160

but it but we'll also be sure

1290

00:47:45,270 --> 00:47:43,599

we'll be shirtless let's do it let's do

1291

00:47:46,710 --> 00:47:45,280

it we'll have some wine we'll have some

1292

00:47:49,510 --> 00:47:46,720

conversations and we'll paint i love

1293

00:47:51,829 --> 00:47:49,520

that yeah that's what i like to do baby

1294

00:47:53,829 --> 00:47:51,839

boom all right what what we we've we

1295

00:47:55,510 --> 00:47:53,839

totally blew over jerry's final thoughts

1296

00:47:57,270 --> 00:47:55,520

so yeah i don't know hey we only got a

1297

00:47:59,510 --> 00:47:57,280

couple minutes left guys like i was

1298

00:48:01,349 --> 00:47:59,520

saying earlier this is going to be uh

1299

00:48:03,589 --> 00:48:01,359

you know totally topless two topic

1300

00:48:04,549 --> 00:48:03,599

tuesday is going to be a a short episode

1301

00:48:05,750 --> 00:48:04,559

that we're going to be putting out it's

1302

00:48:07,750 --> 00:48:05,760

going to be anywhere from about 30

1303

00:48:09,589 --> 00:48:07,760

minutes to an hour so it's a little

1304

00:48:11,589 --> 00:48:09,599

quicker it's a little bit more put

1305

00:48:13,589 --> 00:48:11,599

together and it's less uh you know

1306

00:48:15,670 --> 00:48:13,599

rabbit holes that we go down but uh

1307

00:48:16,950 --> 00:48:15,680

before we get out of here on the very

1308

00:48:20,069 --> 00:48:16,960

first

1309

00:48:22,470 --> 00:48:20,079

totally topless two topic tuesday that's

1310

00:48:23,750 --> 00:48:22,480

a tongue twister

1311

00:48:24,870 --> 00:48:23,760

what do you guys think man y'all have a

1312

00:48:27,829 --> 00:48:24,880

good time

1313

00:48:29,829 --> 00:48:27,839

oh it's awesome this is fantastic any

1314

00:48:31,030 --> 00:48:29,839

any time you guys need guests on and you

1315

00:48:33,430 --> 00:48:31,040

don't have anyone you don't do by

1316

00:48:34,150 --> 00:48:33,440

yourselves call us we're in

1317

00:48:36,230 --> 00:48:34,160

yeah

1318

00:48:38,150 --> 00:48:36,240

we'll drop our top for y'all we'll drop

1319

00:48:40,230 --> 00:48:38,160

our cops for you guys any day and this

1320

00:48:41,990 --> 00:48:40,240

is totally open to anybody out there

1321

00:48:44,870 --> 00:48:42,000

that if you want to come on

1322

00:48:46,230 --> 00:48:44,880

on on tuesday just uh hit us up give us

1323

00:48:47,990 --> 00:48:46,240

a message we're going to be reaching out

1324

00:48:49,510 --> 00:48:48,000

to people we don't know who's going to

1325

00:48:51,349 --> 00:48:49,520

be interested and who's not going to be

1326

00:48:53,670 --> 00:48:51,359

interested but what is going to be

1327

00:48:56,150 --> 00:48:53,680

interesting is finding out who is

1328

00:48:58,309 --> 00:48:56,160

interested so i'm i'm pretty excited

1329

00:49:00,069 --> 00:48:58,319

about it yes

1330

00:49:02,230 --> 00:49:00,079

you know it's going to be good stuff

1331

00:49:04,710 --> 00:49:02,240

it's going to be good stuff well bree

1332

00:49:06,870 --> 00:49:04,720

jamie this has been a a great evening

1333

00:49:08,870 --> 00:49:06,880

thank you we love you guys so much thank

1334

00:49:11,670 --> 00:49:08,880

y'all for sharing your opinions on that

1335

00:49:14,069 --> 00:49:11,680

topic and uh we'll have you back on very

1336

00:49:15,430 --> 00:49:14,079

soon anytime anytime love you guys love

1337

00:49:17,589 --> 00:49:15,440

you guys thank you so much see y'all

1338

00:49:19,990 --> 00:49:17,599

later

1339

00:49:23,430 --> 00:49:20,000

i i did it again i'm sorry jamie did it

1340

00:49:28,549 --> 00:49:26,309

okay oh man well not bad dude sorry

1341

00:49:30,870 --> 00:49:28,559

not bad for our our first one our first

1342

00:49:32,790 --> 00:49:30,880

totally topless two-topic tuesday man

1343

00:49:35,589 --> 00:49:32,800

topless dude

1344

00:49:37,829 --> 00:49:35,599

two topic twos dean that was good stuff

1345

00:49:40,710 --> 00:49:37,839

man it was a lot of fun dude that was i

1346

00:49:44,069 --> 00:49:40,720

i love those gals they uh uh they're

1347

00:49:46,309 --> 00:49:44,079

they're dear friends and uh dude we were

1348

00:49:48,309 --> 00:49:46,319

having that conv i mean this all started

1349

00:49:49,910 --> 00:49:48,319

so randomly with uh

1350

00:49:50,870 --> 00:49:49,920

actually started with william william

1351  
00:49:53,270 --> 00:49:50,880  
posted

1352  
00:49:54,950 --> 00:49:53,280  
on facebook like a live video of him

1353  
00:49:57,510 --> 00:49:54,960  
like hey guys check out the show tonight

1354  
00:49:59,349 --> 00:49:57,520  
and he was he was shirtless like and i

1355  
00:50:02,309 --> 00:49:59,359  
thought that was hilarious so

1356  
00:50:04,470 --> 00:50:02,319  
we're like when he did his show on on on

1357  
00:50:06,470 --> 00:50:04,480  
the channel i was in the chat like pop

1358  
00:50:08,549 --> 00:50:06,480  
that top off willy would you join yeah

1359  
00:50:10,870 --> 00:50:08,559  
you're advertising this and and giving

1360  
00:50:13,670 --> 00:50:10,880  
us not well we give the people what they

1361  
00:50:16,950 --> 00:50:13,680  
want so i mean i had from that and then

1362  
00:50:20,230 --> 00:50:16,960  
and then uh uh our buddy

1363  
00:50:21,750 --> 00:50:20,240

yeah tony hopped on uh was it two weeks

1364

00:50:23,670 --> 00:50:21,760

ago yeah

1365

00:50:27,109 --> 00:50:23,680

and uh

1366

00:50:28,470 --> 00:50:27,119

he was shirtless and then and then like

1367

00:50:30,390 --> 00:50:28,480

i brought him out and they were like hey

1368

00:50:32,150 --> 00:50:30,400

how funny would it be we were shirtless

1369

00:50:34,790 --> 00:50:32,160

when he came back on

1370

00:50:36,390 --> 00:50:34,800

and so i just became this whole thing uh

1371

00:50:38,069 --> 00:50:36,400

just give it some background for people

1372

00:50:41,589 --> 00:50:38,079

that are just joining and have no idea

1373

00:50:43,829 --> 00:50:41,599

what's going on but um yeah i i i think

1374

00:50:45,270 --> 00:50:43,839

i think we got something fun here dude

1375

00:50:47,990 --> 00:50:45,280

yeah

1376

00:50:49,910 --> 00:50:48,000

it's gonna be a thing dude every tuesday

1377

00:50:51,910 --> 00:50:49,920

so you guys will get to catch us twice

1378

00:50:53,109 --> 00:50:51,920

you'll get the the short version on

1379

00:50:54,470 --> 00:50:53,119

tuesdays

1380

00:50:55,750 --> 00:50:54,480

and then you'll get the long version on

1381

00:50:57,510 --> 00:50:55,760

thursdays

1382

00:50:59,670 --> 00:50:57,520

sounds pretty good to me

1383

00:51:02,630 --> 00:50:59,680

i like that a lot and we're also going

1384

00:51:05,030 --> 00:51:02,640

to be starting to uh add short stories

1385

00:51:08,230 --> 00:51:05,040

short stories yeah we did i pop i

1386

00:51:11,270 --> 00:51:08,240

published the one on the podcast haven't

1387

00:51:13,270 --> 00:51:11,280

gotten uh much feedback on that so guys

1388

00:51:15,030 --> 00:51:13,280

if y'all are fans of the show and and

1389

00:51:16,230 --> 00:51:15,040

and started on the podcast side of

1390

00:51:17,829 --> 00:51:16,240

things and

1391

00:51:20,390 --> 00:51:17,839

maybe you're just a subscriber on

1392

00:51:21,349 --> 00:51:20,400

youtube i had no idea we had a podcast

1393

00:51:23,109 --> 00:51:21,359

uh

1394

00:51:25,990 --> 00:51:23,119

i mean i'd love some feedback we're just

1395

00:51:28,309 --> 00:51:26,000

trying some new stuff we want to

1396

00:51:31,430 --> 00:51:28,319

we love doing this and talking about uh

1397

00:51:32,790 --> 00:51:31,440

aliens ufos ufos aliens all things right

1398

00:51:34,710 --> 00:51:32,800

but we're like we're trying to push the

1399

00:51:36,470 --> 00:51:34,720

envelope with a couple of things and i

1400

00:51:39,030 --> 00:51:36,480

think that new episode like it's a five

1401

00:51:41,349 --> 00:51:39,040

minute episode like get to the facts

1402

00:51:43,990 --> 00:51:41,359

have a little bit of fun and and you get

1403

00:51:48,309 --> 00:51:44,000

to hear big willy's amazing silky smooth

1404

00:51:50,549 --> 00:51:48,319

voice so oh yeah oh yeah hell yeah man

1405

00:51:53,430 --> 00:51:50,559

well sweet dude this was a good one

1406

00:51:54,390 --> 00:51:53,440

i had a good time me too man

1407

00:51:56,230 --> 00:51:54,400

uh

1408

00:51:57,750 --> 00:51:56,240

so what do you want to do now well now

1409

00:52:00,150 --> 00:51:57,760

i'm gonna get out of here take a shower

1410

00:52:02,150 --> 00:52:00,160

and get ready to go to bed oh i want to

1411

00:52:04,150 --> 00:52:02,160

keep going though i'm excited that's

1412

00:52:05,990 --> 00:52:04,160

what thursday's for i can't collect you

1413

00:52:08,950 --> 00:52:06,000

you're missing the entire point of

1414

00:52:14,309 --> 00:52:11,430

you gotta leave the people want more

1415

00:52:17,030 --> 00:52:14,319

oh my gosh like the mandalorian with

1416

00:52:18,549 --> 00:52:17,040

their goddamn 15-minute episodes

1417

00:52:20,230 --> 00:52:18,559

in the book of boba fett that [h\_\_h]

1418

00:52:22,790 --> 00:52:20,240

pisses me off so yeah the book of boba

1419

00:52:24,790 --> 00:52:22,800

fett's like what like 15 seconds long

1420

00:52:26,230 --> 00:52:24,800

they tear me off

1421

00:52:27,910 --> 00:52:26,240

it really does feel like they're 15

1422

00:52:29,670 --> 00:52:27,920

minutes but they're like

1423

00:52:31,030 --> 00:52:29,680

it's terrible they're like an hour but

1424

00:52:33,430 --> 00:52:31,040

they feel like 15 minutes i don't know

1425

00:52:35,510 --> 00:52:33,440

because they're so good they're so good

1426

00:52:37,589 --> 00:52:35,520

all right dude all right i'm i'm about

1427

00:52:39,510 --> 00:52:37,599

to sign off all right dude oh yeah you

1428

00:52:50,040 --> 00:52:39,520

guys have a good one man talk to y'all

1429

00:52:55,950 --> 00:52:53,010

[Music]

1430

00:52:58,230 --> 00:52:55,960

[Applause]

1431

00:53:04,160 --> 00:52:58,240

[Music]
