covering the mojave desert incident um

24

00:01:40,950 --> 00:01:39,360

but there are many other things that

25

00:01:42,069 --> 00:01:40,960

he's known for besides just that even

26

00:01:44,389 --> 00:01:42,079

though i'd say in this community that is

27

00:01:46,710 --> 00:01:44,399

what he is most well known for uh but he

28

00:01:48,870 --> 00:01:46,720

does he's had a many other works that

29

00:01:51,350 --> 00:01:48,880

he's done besides just this one that's i

30

00:01:53,429 --> 00:01:51,360

think it mainly is a uh

31

00:01:54,950 --> 00:01:53,439

a famous one here in the community for

32

00:01:56,870 --> 00:01:54,960

those that are drawn to ufology as a

33

00:01:58,550 --> 00:01:56,880

whole and the possibilities of what is

34

00:02:00,069 --> 00:01:58,560

in our great cosmos

35

00:02:02,069 --> 00:02:00,079

combustion i have to admit i kind of

59
00:02:43,750 --> 00:02:42,239
thought there was nothing there

60
00:02:45,030 --> 00:02:43,760
i don't know started reading into a

61
00:02:47,670 --> 00:02:45,040
little more

70

00:03:03,910 --> 00:03:02,720

probably have some of the quite a few

71

00:03:05,030 --> 00:03:03,920

the listeners want to hop in there and

72

00:03:06,630 --> 00:03:05,040

we'll be sharing just some ideas of

73

00:03:08,630 --> 00:03:06,640

what's going on in the community what

74

00:03:10,710 --> 00:03:08,640

does disclosure mean to you as an

75

00:03:12,949 --> 00:03:10,720

individual what does it mean as a whole

76

00:03:15,670 --> 00:03:12,959

and really what is disclosure how do we

77

00:03:17,830 --> 00:03:15,680

quantify that and then the week after

78

00:03:20,309 --> 00:03:17,840

that i will have sev

79

00:03:21,990 --> 00:03:20,319

who is a uh she is full-time in mufon

80

00:03:24,309 --> 00:03:22,000

and she helps many experiences get their

81

00:03:25,990 --> 00:03:24,319

story out as well as just being there

82

00:03:27,509 --> 00:03:26,000

for them does a lot of behind-the-scenes

83

00:03:29,430 --> 00:03:27,519

work and she's had a lot of experiences

84

00:03:30,869 --> 00:03:29,440

herself and i'm very excited anybody

85

00:03:33,110 --> 00:03:30,879

that has not caught that yet can check

86

00:03:34,550 --> 00:03:33,120

out the chad smith podcast

87

00:03:36,949 --> 00:03:34,560

as well as the paranormal shop shop who

88

00:03:38,869 --> 00:03:36,959

is on right now with josh actually and

89

00:03:40,550 --> 00:03:38,879

they did a great segment with her last

90

00:03:43,509 --> 00:03:40,560

week there so if you guys would like to

91

00:03:45,430 --> 00:03:43,519

check that out please do as well as sor

92

00:03:47,190 --> 00:03:45,440

don't forget about mr dave scott banning

93

00:03:48,949 --> 00:03:47,200

the helm monday through friday over

94

00:03:52,309 --> 00:03:48,959

there lynn wallington goes on before the

95

00:03:54,550 --> 00:03:52,319

after hours 9 p.m to 11 p.m eastern

96

00:03:56,789 --> 00:03:54,560

and we would surely uh

97

00:03:58,710 --> 00:03:56,799

would surely appreciate your support

98

00:04:01,270 --> 00:03:58,720

with all that we're doing over there

99

00:04:03,030 --> 00:04:01,280

all right guys without adding anymore

100

00:04:04,390 --> 00:04:03,040

and without me rambling anymore also

101

00:04:06,149 --> 00:04:04,400

give it about maybe

102

00:04:07,509 --> 00:04:06,159

40 45 minutes and we'll really start

103

00:04:09,190 --> 00:04:07,519

bringing in the listener questions

104

00:04:10,630 --> 00:04:09,200

anything you guys have for him uh mr

105

00:04:12,470 --> 00:04:10,640

felber here tonight that we can get in

106

00:04:13,750 --> 00:04:12,480

we'll certainly try to do that

107

00:04:14,390 --> 00:04:13,760

so really quickly here let's pull this

108

00:04:17,110 --> 00:04:14,400

up

109

00:04:19,189 --> 00:04:17,120

so mr ron felber began his career

110

00:04:21,670 --> 00:04:19,199

writing with articles based on his

111

00:04:23,430 --> 00:04:21,680

experiences for true detective magazine

112

00:04:25,670 --> 00:04:23,440

and went on to write three books in the

113

00:04:28,629 --> 00:04:25,680

classic nick carter series

114

00:04:30,310 --> 00:04:28,639

like his protagonist jack madison

115

00:04:33,670 --> 00:04:30,320

oh my gosh i'm a murderer this name i'm

116

00:04:34,710 --> 00:04:33,680

sure the kafika society and a man of

117

00:04:41,030 --> 00:04:34,720

inter

118

00:04:43,430 --> 00:04:41,040

a deputy sheriff trans trans sporting

119

00:04:45,110 --> 00:04:43,440

federal criminals and has excuse me

120

00:04:48,550 --> 00:04:45,120

transporting here we go federal

121

00:04:50,790 --> 00:04:48,560

criminals and has fought golden gloves

122

00:04:51,909 --> 00:04:50,800

i'm gonna ask about that in a second

123

00:04:53,510 --> 00:04:51,919

uh so

124

00:04:54,950 --> 00:04:53,520

he's actually got like i said quite a

125

00:04:57,189 --> 00:04:54,960

few other books which i will allow him

126

00:04:58,629 --> 00:04:57,199

to explain we bring him in so mr felber

127

00:05:00,870 --> 00:04:58,639

i want to say thank you first of all for

128

00:05:01,990 --> 00:05:00,880

coming hanging out here in the garage

129

00:05:06,950 --> 00:05:02,000

thank you

130

00:05:08,469 --> 00:05:06,960

to be in the garage oh yeah yep the boys

131

00:05:10,150 --> 00:05:08,479

in the garage they've got the old uh oh

132

00:05:11,270 --> 00:05:10,160

my gosh what is what is their classic

133

00:05:12,870 --> 00:05:11,280

they would kill me right now hang on i

134

00:05:14,310 --> 00:05:12,880

got a picture of it over here

135

00:05:15,189 --> 00:05:14,320

they got theirs that they drive around

136

00:05:16,710 --> 00:05:15,199

let's get

137

00:05:19,909 --> 00:05:16,720

what is this one right here what is that

138

00:05:21,510 --> 00:05:19,919

i can't see that's a front profile whoa

139

00:05:23,189 --> 00:05:21,520

joe would kill me right now this is if

140

00:05:25,430 --> 00:05:23,199

he can ever get this car and drive it on

141

00:05:26,710 --> 00:05:25,440

it's what he he wants to drive and it's

142

00:05:28,469 --> 00:05:26,720

funny because we created this little

143

00:05:30,629 --> 00:05:28,479

logo off this was the first vehicle i

144

00:05:32,230 --> 00:05:30,639

ever had right well speaking of this

145

00:05:33,749 --> 00:05:32,240

what was your first vehicle do you

146

00:05:35,350 --> 00:05:33,759

everybody connects right we all remember

147

00:05:37,830 --> 00:05:35,360

that first vehicle that we had that gave

148

00:05:40,710 --> 00:05:37,840

us the freedom to hit the road what was

149

00:05:42,950 --> 00:05:40,720

yours it was a carmen gear i don't know

150

00:05:44,950 --> 00:05:42,960

that word carmen gear was like a sort of

151

00:05:46,790 --> 00:05:44,960

a volkswagen okay

152

00:05:47,909 --> 00:05:46,800

except it was a convertible so it was a

153

00:05:50,230 --> 00:05:47,919

white

154

00:05:52,230 --> 00:05:50,240

convertible black top

155

00:05:54,150 --> 00:05:52,240

carmen gear and uh i'm going to tell you

156

00:05:56,150 --> 00:05:54,160

that was just such a great car

157

00:05:56,870 --> 00:05:56,160

and i wasn't the only one that liked it

158

00:05:58,309 --> 00:05:56,880

so

159

00:05:59,430 --> 00:05:58,319

the goodness

160

00:06:01,270 --> 00:05:59,440

there you go

161

00:06:02,469 --> 00:06:01,280

that is good that's good to have as you

162

00:06:03,990 --> 00:06:02,479

want to have a vehicle that everybody

163

00:06:06,390 --> 00:06:04,000

wants everybody wants to take a ride in

164

00:06:07,909 --> 00:06:06,400

that is that is a good vehicle to have

165

00:06:08,710 --> 00:06:07,919

um yeah the boys who are at the garage

166

00:06:09,670 --> 00:06:08,720

they definitely don't know if you've

167

00:06:12,150 --> 00:06:09,680

ever looked in them or not they keep

168

00:06:14,150 --> 00:06:12,160

things very light very open um i think

169

00:06:15,430 --> 00:06:14,160

they do a great job in the community um

170

00:06:17,590 --> 00:06:15,440

as you very well know you've been

171

00:06:19,270 --> 00:06:17,600

involved with ufology now for well i

172

00:06:21,430 --> 00:06:19,280

guess what did you say let's start there

173

00:06:23,189 --> 00:06:21,440

what did what was your break into the

174

00:06:25,270 --> 00:06:23,199

idea of even what you followed us prior

175

00:06:27,029 --> 00:06:25,280

to the book did you know anything

176

00:06:28,309 --> 00:06:27,039

about it before meeting

177

00:06:30,629 --> 00:06:28,319

uh the couple that we're gonna get into

178

00:06:32,710 --> 00:06:30,639

this evening yeah well you know uh like

179

00:06:35,350 --> 00:06:32,720

a lot of people uh when they grew up i

180

00:06:37,830 --> 00:06:35,360

grew up with the twilight zone okay and

181

00:06:41,189 --> 00:06:37,840

and ray bradbury and and those kind of

182

00:06:43,110 --> 00:06:41,199

writers and you know uh h.g wells you

183

00:06:44,390 --> 00:06:43,120

know uh jules verne

184

00:06:48,469 --> 00:06:44,400

and

185

00:06:50,870 --> 00:06:48,479

of

186

00:06:52,870 --> 00:06:50,880

expanding imagination

187

00:06:54,790 --> 00:06:52,880

and different worlds and that sort of

188

00:06:58,469 --> 00:06:54,800

thing but that's really where it began

189

00:07:00,150 --> 00:06:58,479

and ended i i i didn't have any great

190

00:07:03,749 --> 00:07:00,160

interest other than you know a sort of

191

00:07:05,670 --> 00:07:03,759

passing curiosity right ufos or alien

192

00:07:08,550 --> 00:07:05,680

abduction or anything like that

193

00:07:10,390 --> 00:07:08,560

um but i was open-minded about it

194

00:07:12,870 --> 00:07:10,400

you know i was open-minded about it but

195

00:07:15,350 --> 00:07:12,880

really what happened uh you know was was

196

00:07:16,390 --> 00:07:15,360

getting into the mojave incident

197

00:07:19,670 --> 00:07:16,400

and

198

00:07:22,150 --> 00:07:19,680

actually i was running a corporation

199

00:07:24,550 --> 00:07:22,160

and i had a sales salesman that was on

200

00:07:26,469 --> 00:07:24,560

the west coast i was i was in new jersey

201
00:07:29,110 --> 00:07:26,479
that's where the headquarters was

202
00:07:31,029 --> 00:07:29,120
and we became friends

203
00:07:32,629 --> 00:07:31,039
and when i was on the west coast i would

204
00:07:35,510 --> 00:07:32,639
go and have dinner with him and a couple

205
00:07:37,510 --> 00:07:35,520
of drinks talk about business mostly but

206
00:07:39,110 --> 00:07:37,520
he knew i was a writer i'd published i

207
00:07:40,950 --> 00:07:39,120
don't know maybe

208
00:07:42,150 --> 00:07:40,960
maybe nine or ten books

209
00:07:44,710 --> 00:07:42,160
already

210
00:07:46,230 --> 00:07:44,720
and um and so he knew i was a writer and

211
00:07:47,830 --> 00:07:46,240
serious about it

212
00:07:49,189 --> 00:07:47,840
and he said you know i have a best

213
00:07:51,589 --> 00:07:49,199

friend

214

00:07:53,270 --> 00:07:51,599

that i played college football with

215

00:07:55,990 --> 00:07:53,280

at the university of redlands in

216

00:07:58,550 --> 00:07:56,000

california okay he was an all-state

217

00:08:00,869 --> 00:07:58,560

football player i said well that's great

218

00:08:03,430 --> 00:08:00,879

he said well he's got a you know a story

219

00:08:04,550 --> 00:08:03,440

that's that's really incredible

220

00:08:06,309 --> 00:08:04,560

um

221

00:08:08,629 --> 00:08:06,319

i really shouldn't be telling you this

222

00:08:11,589 --> 00:08:08,639

because he confided in me

223

00:08:12,950 --> 00:08:11,599

and uh his wife confided in me as as

224

00:08:15,110 --> 00:08:12,960

best friends

225

00:08:17,270 --> 00:08:15,120

and uh outside of the parents

226

00:08:19,589 --> 00:08:17,280

you know they've really made a point of

227

00:08:22,629 --> 00:08:19,599

not discussing this but they had this

228

00:08:25,029 --> 00:08:22,639

ufo alien abduction experience so my

229

00:08:27,270 --> 00:08:25,039

first reaction willie was something like

230

00:08:29,110 --> 00:08:27,280

you know it's it's just not what i do i

231

00:08:30,550 --> 00:08:29,120

was writing thrillers and detect i was

232

00:08:32,230 --> 00:08:30,560

writing nick carter's story as i was

233

00:08:34,389 --> 00:08:32,240

writing yeah mid-series at the time

234

00:08:35,430 --> 00:08:34,399

right different kinds of things

235

00:08:37,909 --> 00:08:35,440

and um

236

00:08:40,709 --> 00:08:37,919

so i wasn't really interested

237

00:08:41,670 --> 00:08:40,719

and i i figured this had been covered

238

00:08:44,230 --> 00:08:41,680

you know

239

00:08:45,750 --> 00:08:44,240

but then he he was uh

240

00:08:47,430 --> 00:08:45,760

pretty insistent about it said you know

241

00:08:50,150 --> 00:08:47,440

these people

242

00:08:52,389 --> 00:08:50,160

are sort of dysfunctional i mean at this

243

00:08:53,910 --> 00:08:52,399

stage of the game here's a guy to a

244

00:08:55,670 --> 00:08:53,920

woman's a college graduate he's a

245

00:08:58,230 --> 00:08:55,680

college graduate all-state football

246

00:09:00,310 --> 00:08:58,240

player uh he's in charge the project

247

00:09:02,949 --> 00:09:00,320

manager of um

248

00:09:05,110 --> 00:09:02,959

of constructing uh malls

249

00:09:07,190 --> 00:09:05,120

so he had huge budgets people working

250

00:09:08,790 --> 00:09:07,200

for him so this was no

251
00:09:11,509 --> 00:09:08,800
just somebody you know it was it was

252
00:09:14,070 --> 00:09:11,519
really a sort of a a very credible

253
00:09:16,150 --> 00:09:14,080
situation they had two children

254
00:09:18,150 --> 00:09:16,160
so i said look i i don't mind meeting

255
00:09:19,430 --> 00:09:18,160
people so you know do you want to take

256
00:09:20,230 --> 00:09:19,440
me over there

257
00:09:21,750 --> 00:09:20,240
and

258
00:09:23,590 --> 00:09:21,760
have a conversation that i'd be

259
00:09:24,949 --> 00:09:23,600
delighted to do it

260
00:09:26,630 --> 00:09:24,959
so we did and

261
00:09:29,030 --> 00:09:26,640
when i got to know them even a little

262
00:09:31,509 --> 00:09:29,040
bit the first impression you have is is

263
00:09:33,590 --> 00:09:31,519

are just very down-to-earth

264

00:09:34,630 --> 00:09:33,600

credible people

265

00:09:37,110 --> 00:09:34,640

and

266

00:09:38,949 --> 00:09:37,120

when i started to hear the story

267

00:09:41,590 --> 00:09:38,959

i said you know

268

00:09:43,430 --> 00:09:41,600

i'm not an expert on any of these things

269

00:09:45,430 --> 00:09:43,440

but i've never heard

270

00:09:46,310 --> 00:09:45,440

of anything like this i've heard of

271

00:09:48,949 --> 00:09:46,320

people

272

00:09:51,190 --> 00:09:48,959

seeing objects in the sky i've heard of

273

00:09:54,550 --> 00:09:51,200

people saying that they were abducted by

274

00:09:57,350 --> 00:09:54,560

aliens i've heard of those things and um

275

00:09:59,350 --> 00:09:57,360

i i've also you know heard about groups

276

00:10:01,990 --> 00:09:59,360

of people seeing things in the sky and

277

00:10:03,590 --> 00:10:02,000

went on but i've never seen

278

00:10:06,470 --> 00:10:03,600

two individuals

279

00:10:08,870 --> 00:10:06,480

who had an experience that was sustained

280

00:10:11,269 --> 00:10:08,880

over many hours

281

00:10:14,630 --> 00:10:11,279

uh that that literally

282

00:10:17,030 --> 00:10:14,640

were pinching themselves comparing notes

283

00:10:19,670 --> 00:10:17,040

a trapped in the back of a camper

284

00:10:21,190 --> 00:10:19,680

and uh and and experiencing something

285

00:10:23,350 --> 00:10:21,200

more like

286

00:10:25,990 --> 00:10:23,360

like if a veil was pulled the curtain

287

00:10:29,110 --> 00:10:26,000

was pulled on another universe

288

00:10:30,790 --> 00:10:29,120

and it to me at that point i said

289

00:10:32,389 --> 00:10:30,800

you know i've got to get involved in

290

00:10:34,310 --> 00:10:32,399

this because it's a story that needs to

291

00:10:36,230 --> 00:10:34,320

be told

292

00:10:37,350 --> 00:10:36,240

you know it's funny you hit on that i

293

00:10:39,350 --> 00:10:37,360

shouldn't say really say funny is

294

00:10:40,150 --> 00:10:39,360

probably the wrong word for but it is

295

00:10:43,670 --> 00:10:40,160

very

296

00:10:45,670 --> 00:10:43,680

individual makes their way into this

297

00:10:47,910 --> 00:10:45,680

community i i have

298

00:10:49,750 --> 00:10:47,920

yet to come across anybody and again i

299

00:10:52,630 --> 00:10:49,760

always say i'm no expert in this field

300

00:10:53,590 --> 00:10:52,640

it's you know i bought a padawan right

301
00:10:55,590 --> 00:10:53,600
uh but

302
00:10:57,910 --> 00:10:55,600
no one that i've met has been like from

303
00:11:00,069 --> 00:10:57,920
day one just like oh yeah you know i was

304
00:11:01,430 --> 00:11:00,079
seeking out ufology you know almost

305
00:11:03,350 --> 00:11:01,440
everybody it's found them whether

306
00:11:04,389 --> 00:11:03,360
they're an experiencer an abductee of

307
00:11:06,949 --> 00:11:04,399
some sort

308
00:11:10,550 --> 00:11:06,959
um or someone who stumbled in your case

309
00:11:12,230 --> 00:11:10,560
across a very uh down earth couple every

310
00:11:14,310 --> 00:11:12,240
we could say your average uh joe and

311
00:11:16,470 --> 00:11:14,320
jane that have just an almost out of

312
00:11:18,550 --> 00:11:16,480
this world phenomenal

313
00:11:19,990 --> 00:11:18,560

if you didn't meet them yourself

314

00:11:21,670 --> 00:11:20,000

one could say reading your book this has

315

00:11:23,670 --> 00:11:21,680

to be a work of fiction right this can't

316

00:11:25,030 --> 00:11:23,680

be reality that these people experienced

317

00:11:25,990 --> 00:11:25,040

absolutely yeah

318

00:11:28,870 --> 00:11:26,000

yeah

319

00:11:29,590 --> 00:11:28,880

and so the the idea of the intensity of

320

00:11:35,509 --> 00:11:29,600

it

321

00:11:38,550 --> 00:11:35,519

and and again to have not just an

322

00:11:41,030 --> 00:11:38,560

individual but two individuals

323

00:11:43,030 --> 00:11:41,040

so it puts away this the idea of an

324

00:11:45,190 --> 00:11:43,040

hallucination if somebody were you know

325

00:11:46,949 --> 00:11:45,200

uh hallucinating let's say they took

326

00:11:48,550 --> 00:11:46,959

mescaline or something like that

327

00:11:50,710 --> 00:11:48,560

you would have one experience and i

328

00:11:52,710 --> 00:11:50,720

would have another yeah you would never

329

00:11:55,350 --> 00:11:52,720

have the same experience at the exact

330

00:11:57,110 --> 00:11:55,360

same time observing something so that

331

00:12:00,150 --> 00:11:57,120

was put put out of the out of the

332

00:12:01,509 --> 00:12:00,160

equation pretty early along

333

00:12:02,710 --> 00:12:01,519

which i mean i appreciate that that was

334

00:12:04,389 --> 00:12:02,720

something you guys have looked at too

335

00:12:06,389 --> 00:12:04,399

though what was there some sort of uh

336

00:12:08,230 --> 00:12:06,399

you know a narcotic involved and and

337

00:12:09,670 --> 00:12:08,240

we're gonna really get into this the the

338

00:12:11,269 --> 00:12:09,680

details of this tonight or at least as

339

00:12:12,310 --> 00:12:11,279

far as you'd like to go with it and by

340

00:12:14,230 --> 00:12:12,320

the way i want to mention before we go

341

00:12:16,069 --> 00:12:14,240

any further here guys i'm going to drop

342

00:12:18,710 --> 00:12:16,079

this into the chat as well but if you

343

00:12:20,310 --> 00:12:18,720

are listening back via podcast format um

344

00:12:21,910 --> 00:12:20,320

i'm also going to put it right in the

345

00:12:24,629 --> 00:12:21,920

chat any links that you would like for

346

00:12:25,910 --> 00:12:24,639

ron and any of his uh books as well are

347

00:12:27,509 --> 00:12:25,920

all going to be linked in what i'm about

348

00:12:29,509 --> 00:12:27,519

to drop into the chat here and if you're

349

00:12:30,870 --> 00:12:29,519

looking listening back on youtube you

350

00:12:32,069 --> 00:12:30,880

just scroll down in the show notes there

351

00:12:33,829 --> 00:12:32,079

and it'll be right there available for

352

00:12:35,670 --> 00:12:33,839

you if you are interested because you do

353

00:12:37,509 --> 00:12:35,680

have a whole host of other things um oh

354

00:12:38,949 --> 00:12:37,519

my goodness you got probably 20 plus

355

00:12:41,030 --> 00:12:38,959

books at this point you're getting get

356

00:12:43,110 --> 00:12:41,040

getting close maybe yeah yeah getting

357

00:12:43,990 --> 00:12:43,120

close i i um

358

00:12:45,990 --> 00:12:44,000

well

359

00:12:50,829 --> 00:12:46,000

i published my first book quite a few

360

00:12:53,030 --> 00:12:50,839

years ago and uh when i was 24

361

00:12:54,949 --> 00:12:53,040

24 it's a good age isn't it 24 is a fun

362

00:12:57,269 --> 00:12:54,959

that's a good time

363

00:12:59,509 --> 00:12:57,279

it was a thrill i promised you that

364

00:13:01,269 --> 00:12:59,519

but um so i did uh you know detective

365

00:13:03,910 --> 00:13:01,279

stories because i and i wrote for true

366

00:13:05,430 --> 00:13:03,920

detective magazine because i i was a

367

00:13:07,590 --> 00:13:05,440

federal marshal i was transporting

368

00:13:09,590 --> 00:13:07,600

federal prisoners okay

369

00:13:11,350 --> 00:13:09,600

and so they had some incredible stories

370

00:13:14,069 --> 00:13:11,360

to tell as well so yeah no kidding i

371

00:13:16,470 --> 00:13:14,079

wrote those articles uh but i also wrote

372

00:13:18,870 --> 00:13:16,480

um ill doctore the double life of a

373

00:13:20,870 --> 00:13:18,880

mafia doctor

374

00:13:24,790 --> 00:13:20,880

which was a non-fiction book it became

375

00:13:26,310 --> 00:13:24,800

the mob doctor on fox prime time oh wow

376

00:13:29,030 --> 00:13:26,320

of course mojave

377

00:13:31,910 --> 00:13:29,040

was done paranormal witness did an hour

378

00:13:35,590 --> 00:13:31,920

show on it and beyond belief did an hour

379

00:13:37,670 --> 00:13:35,600

uh documentary on it as well um so yeah

380

00:13:40,389 --> 00:13:37,680

so i i've been writing i have a new book

381

00:13:42,230 --> 00:13:40,399

i just uh i'm really looking forward to

382

00:13:44,949 --> 00:13:42,240

discussing a little bit it won't be out

383

00:13:46,949 --> 00:13:44,959

until september but um the story was

384

00:13:47,750 --> 00:13:46,959

given to me by william peter blatty the

385

00:13:49,350 --> 00:13:47,760

author

386

00:13:51,110 --> 00:13:49,360

of the exorcist

387

00:13:53,269 --> 00:13:51,120

when i was a student at georgetown and

388

00:13:55,990 --> 00:13:53,279

he was filming the exorcist so

389

00:13:58,069 --> 00:13:56,000

so that's the the latest and um

390

00:13:59,590 --> 00:13:58,079

it really falls very much in line with

391

00:14:02,310 --> 00:13:59,600

mojave incident

392

00:14:04,230 --> 00:14:02,320

okay out the paranormal and it's about

393

00:14:06,550 --> 00:14:04,240

just things that um

394

00:14:08,550 --> 00:14:06,560

that are undeniable

395

00:14:10,710 --> 00:14:08,560

and yet inexplicable

396

00:14:12,870 --> 00:14:10,720

you know what i mean so you can't say it

397

00:14:15,670 --> 00:14:12,880

didn't happen it happened but then you

398

00:14:16,870 --> 00:14:15,680

say like what does it mean exactly what

399

00:14:18,389 --> 00:14:16,880

does it mean

400

00:14:19,910 --> 00:14:18,399

and i have such a love hate

401
00:14:22,069 --> 00:14:19,920
relationships with things that do that

402
00:14:23,829 --> 00:14:22,079
because they absolutely fascinate me

403
00:14:25,590 --> 00:14:23,839
but at the same time like you said even

404
00:14:26,629 --> 00:14:25,600
with this one and now we'll get into it

405
00:14:29,189 --> 00:14:26,639
a little more tonight maybe there's some

406
00:14:31,829 --> 00:14:29,199
answers near the end there but uh for a

407
00:14:33,910 --> 00:14:31,839
long time and i'm sure certainly for the

408
00:14:35,269 --> 00:14:33,920
couple we're discussing tonight um

409
00:14:37,269 --> 00:14:35,279
there was probably a lot of unanswered

410
00:14:39,509 --> 00:14:37,279
questions um and it's maybe even

411
00:14:41,990 --> 00:14:39,519
starting with i'd love to know when you

412
00:14:43,509 --> 00:14:42,000
mentioned you first met them

413
00:14:45,269 --> 00:14:43,519

what was that i mean did they know you

414

00:14:46,710 --> 00:14:45,279

were coming over i mean we don't you

415

00:14:48,710 --> 00:14:46,720

hear a lot about that interaction did

416

00:14:50,790 --> 00:14:48,720

they were they open to sharing with you

417

00:14:52,949 --> 00:14:50,800

and how much you just really shared that

418

00:14:54,470 --> 00:14:52,959

what happened was this i mean you've got

419

00:14:56,550 --> 00:14:54,480

you've got to sort of

420

00:14:59,030 --> 00:14:56,560

put yourself in the shoes

421

00:15:00,870 --> 00:14:59,040

of somebody that's been through this i

422

00:15:03,269 --> 00:15:00,880

haven't and you haven't they're a lot

423

00:15:05,189 --> 00:15:03,279

really like prisoners of war

424

00:15:07,990 --> 00:15:05,199

or you know with post-traumatic

425

00:15:10,310 --> 00:15:08,000

traumatic stress syndrome so they really

426

00:15:11,350 --> 00:15:10,320

uh after this happened

427

00:15:12,389 --> 00:15:11,360

um

428

00:15:13,910 --> 00:15:12,399

you know

429

00:15:16,310 --> 00:15:13,920

i would compare it to somebody like the

430

00:15:17,910 --> 00:15:16,320

astronauts that went on the moon

431

00:15:18,710 --> 00:15:17,920

they come back to earth and they say

432

00:15:20,949 --> 00:15:18,720

like

433

00:15:23,110 --> 00:15:20,959

so what what whatever's happening here i

434

00:15:25,590 --> 00:15:23,120

went to the moon man yeah i understand

435

00:15:27,269 --> 00:15:25,600

that so you talk about well you know

436

00:15:29,269 --> 00:15:27,279

we're going to build a mall here and

437

00:15:31,189 --> 00:15:29,279

we're going to construct the walls and

438

00:15:34,870 --> 00:15:31,199

people say like what

439

00:15:37,829 --> 00:15:34,880

right i saw i saw a whole new reality i

440

00:15:40,550 --> 00:15:37,839

saw a different universe that exists

441

00:15:42,870 --> 00:15:40,560

side by side with our own and you want

442

00:15:45,430 --> 00:15:42,880

to talk about concrete

443

00:15:48,069 --> 00:15:45,440

i mean everything becomes very mundane

444

00:15:50,790 --> 00:15:48,079

everything becomes not so important

445

00:15:51,670 --> 00:15:50,800

and what must be incredibly frustrating

446

00:15:54,629 --> 00:15:51,680

really

447

00:15:57,350 --> 00:15:54,639

is is to not be able to communicate

448

00:15:59,269 --> 00:15:57,360

adequately your experience

449

00:16:01,430 --> 00:15:59,279

you know if i'm trying to tell you

450

00:16:03,590 --> 00:16:01,440

something and i live through this it's a

451
00:16:05,350 --> 00:16:03,600
lot like combatants you know they come

452
00:16:07,990 --> 00:16:05,360
back how how do you tell somebody what

453
00:16:09,910 --> 00:16:08,000
it's like to you know to be shot at to

454
00:16:11,829 --> 00:16:09,920
kill people to have people next to you

455
00:16:12,550 --> 00:16:11,839
killed how do you really communicate

456
00:16:15,910 --> 00:16:12,560
that

457
00:16:18,069 --> 00:16:15,920
because it's it's it's not um

458
00:16:19,910 --> 00:16:18,079
it's it's not an intellectual thing it's

459
00:16:22,470 --> 00:16:19,920
a visceral thing it's a

460
00:16:24,949 --> 00:16:22,480
it's a an emotional uh

461
00:16:25,749 --> 00:16:24,959
you know psychic sort of thing

462
00:16:28,470 --> 00:16:25,759
yeah

463
00:16:30,470 --> 00:16:28,480

so to meet them for the first time

464

00:16:31,749 --> 00:16:30,480

uh i think they were

465

00:16:34,310 --> 00:16:31,759

reluctant

466

00:16:35,749 --> 00:16:34,320

i think they were tight-lipped

467

00:16:38,949 --> 00:16:35,759

um

468

00:16:41,430 --> 00:16:38,959

i think basically maybe they were

469

00:16:43,829 --> 00:16:41,440

they barely were convinced by paul moran

470

00:16:45,509 --> 00:16:43,839

this sort of intermediate fellow

471

00:16:47,189 --> 00:16:45,519

that that this was a good thing he

472

00:16:48,870 --> 00:16:47,199

thought it was good for me as a writer

473

00:16:51,590 --> 00:16:48,880

he thought it was good for them to tell

474

00:16:52,949 --> 00:16:51,600

their story but um it was a little

475

00:16:55,189 --> 00:16:52,959

uncomfortable

476
00:16:57,350 --> 00:16:55,199
but once they started telling the actual

477
00:17:00,310 --> 00:16:57,360
story i have to say

478
00:17:02,069 --> 00:17:00,320
i said to myself this can't be true

479
00:17:03,189 --> 00:17:02,079
you know this can't be true

480
00:17:04,549 --> 00:17:03,199
to yourself i think you're saying you

481
00:17:05,909 --> 00:17:04,559
didn't say this out loud but you're

482
00:17:07,189 --> 00:17:05,919
thinking it right yeah we've all been

483
00:17:09,829 --> 00:17:07,199
there and someone's telling that story

484
00:17:12,789 --> 00:17:09,839
like but we had them we had them take

485
00:17:15,590 --> 00:17:12,799
polygraph tests we had them uh uh

486
00:17:18,309 --> 00:17:15,600
brought to the georgetown center of uh

487
00:17:19,669 --> 00:17:18,319
psychiatric center in washington dc to

488
00:17:22,949 --> 00:17:19,679

be

489

00:17:24,870 --> 00:17:22,959

analyzed to take tests to see if they're

490

00:17:25,990 --> 00:17:24,880

neurotic to see if they were prone to

491

00:17:29,909 --> 00:17:26,000

fantasies

492

00:17:33,350 --> 00:17:29,919

all checked out we had them brought to

493

00:17:35,830 --> 00:17:33,360

north carolina where dr william annixter

494

00:17:37,190 --> 00:17:35,840

who worked with the fbi in retrogressive

495

00:17:40,150 --> 00:17:37,200

hypnosis

496

00:17:42,310 --> 00:17:40,160

uh you know retrogressed them so we knew

497

00:17:44,710 --> 00:17:42,320

that that there were no mental problems

498

00:17:46,950 --> 00:17:44,720

we knew there were no drug problems we

499

00:17:49,270 --> 00:17:46,960

knew that they had no

500

00:17:51,270 --> 00:17:49,280

reason in the world to tell this story

501
00:17:52,789 --> 00:17:51,280
they were afraid of losing their jobs

502
00:17:53,750 --> 00:17:52,799
you know there's a guy that's you know

503
00:17:56,310 --> 00:17:53,760
that's

504
00:17:59,350 --> 00:17:56,320
in a very responsible position handling

505
00:18:01,110 --> 00:17:59,360
million dollar budgets wow you know and

506
00:18:03,510 --> 00:18:01,120
that's something i always love to do for

507
00:18:04,390 --> 00:18:03,520
people who are listening to uh gordim85

508
00:18:06,230 --> 00:18:04,400
good to see you brother he's this

509
00:18:07,510 --> 00:18:06,240
fascinated guess yes ronnie philbert is

510
00:18:09,270 --> 00:18:07,520
always wrong

511
00:18:11,029 --> 00:18:09,280
he's always great when he's on but um

512
00:18:12,470 --> 00:18:11,039
let's set ourselves in that scenario you

513
00:18:13,669 --> 00:18:12,480

know what year is this that i know the

514

00:18:15,909 --> 00:18:13,679

year that took place but what year were

515

00:18:17,350 --> 00:18:15,919

you meeting them in yeah i was meeting

516

00:18:21,270 --> 00:18:17,360

them in um

517

00:18:24,230 --> 00:18:21,280

in 95. so mid-95 so the most that it

518

00:18:27,029 --> 00:18:24,240

really hit tv on a national setting

519

00:18:28,549 --> 00:18:27,039

right uh you had the twilight zone from

520

00:18:30,070 --> 00:18:28,559

back in the day and you had what the

521

00:18:31,909 --> 00:18:30,080

x-files maybe around that side was

522

00:18:34,390 --> 00:18:31,919

coming out yes and that was about it

523

00:18:36,630 --> 00:18:34,400

yeah you didn't really have and it was

524

00:18:38,390 --> 00:18:36,640

always considered as a the kooky idea

525

00:18:40,230 --> 00:18:38,400

that was in the corner they for a long

526

00:18:41,669 --> 00:18:40,240

time they ran with that x-file music

527

00:18:42,390 --> 00:18:41,679

when they would discuss anything that

528

00:18:44,310 --> 00:18:42,400

was

529

00:18:46,630 --> 00:18:44,320

you know paranormal certainly alien

530

00:18:48,470 --> 00:18:46,640

related or you know ufology related in

531

00:18:50,150 --> 00:18:48,480

the mainstream media so for these guy

532

00:18:51,909 --> 00:18:50,160

for for this gentleman to be running

533

00:18:53,270 --> 00:18:51,919

this kind of a company maybe trying to

534

00:18:55,190 --> 00:18:53,280

get somewhere in the world but i believe

535

00:18:56,390 --> 00:18:55,200

the time he had uh two young children i

536

00:18:59,190 --> 00:18:56,400

believe

537

00:19:01,510 --> 00:18:59,200

yeah so i mean it had to have been quite

538

00:19:03,029 --> 00:19:01,520

a bit to try and come out and and even

539

00:19:04,470 --> 00:19:03,039

open it up even to you and to a close

540

00:19:06,549 --> 00:19:04,480

friend you know and then what they're

541

00:19:09,590 --> 00:19:06,559

doing to them yeah

542

00:19:11,990 --> 00:19:09,600

and yeah and they're they're a lot like

543

00:19:13,750 --> 00:19:12,000

post-traumatic stress syndrome

544

00:19:15,669 --> 00:19:13,760

i mean they had insomnia they couldn't

545

00:19:18,150 --> 00:19:15,679

sleep every creak in the house every

546

00:19:20,150 --> 00:19:18,160

sound you know like disturb them because

547

00:19:22,390 --> 00:19:20,160

this didn't just stop

548

00:19:24,310 --> 00:19:22,400

you know with this experience

549

00:19:26,549 --> 00:19:24,320

they felt like they were watched for you

550

00:19:29,270 --> 00:19:26,559

know months and years after that

551
00:19:30,710 --> 00:19:29,280
so it's um

552
00:19:32,549 --> 00:19:30,720
you know some quotes in the book that

553
00:19:33,669 --> 00:19:32,559
are they're pretty fascinating but one

554
00:19:36,470 --> 00:19:33,679
of them is like

555
00:19:38,390 --> 00:19:36,480
the the steve hess who was the uh

556
00:19:40,150 --> 00:19:38,400
the husband with his teachers what do

557
00:19:42,710 --> 00:19:40,160
you say to your children what do you say

558
00:19:44,710 --> 00:19:42,720
to your wife when you can't protect them

559
00:19:48,390 --> 00:19:44,720
when when you know

560
00:19:53,830 --> 00:19:50,870
treacherous sort of situations are going

561
00:19:56,310 --> 00:19:53,840
on and you have no control over anything

562
00:19:57,909 --> 00:19:56,320
you know you are absolutely at the mercy

563
00:20:00,710 --> 00:19:57,919

of this situation

564

00:20:01,990 --> 00:20:00,720

and i i think there's a huge frustration

565

00:20:03,669 --> 00:20:02,000

i think there's almost a kind of

566

00:20:06,789 --> 00:20:03,679

humiliation

567

00:20:08,950 --> 00:20:06,799

you know where you're helpless and um

568

00:20:10,310 --> 00:20:08,960

that that's that's what i ran into when

569

00:20:12,710 --> 00:20:10,320

i first met them

570

00:20:14,710 --> 00:20:12,720

and as i say as i mean any kids can go

571

00:20:17,270 --> 00:20:14,720

for a mother or a father but anybody

572

00:20:19,110 --> 00:20:17,280

who's has ever been a parent

573

00:20:20,789 --> 00:20:19,120

that feeling of being put into a

574

00:20:23,510 --> 00:20:20,799

situation where

575

00:20:24,950 --> 00:20:23,520

you feel like you can't protect um

576

00:20:26,149 --> 00:20:24,960

something that's so precious to you you

577

00:20:27,110 --> 00:20:26,159

know your child i think most people

578

00:20:28,789 --> 00:20:27,120

would say their children are the most

579

00:20:31,270 --> 00:20:28,799

precious thing to them in the world yes

580

00:20:32,549 --> 00:20:31,280

uh it's terrifying and i've i've been

581

00:20:34,630 --> 00:20:32,559

i've never been in this segment

582

00:20:37,750 --> 00:20:34,640

situation but we we had a situation when

583

00:20:39,990 --> 00:20:37,760

um my oldest was born and again not that

584

00:20:42,070 --> 00:20:40,000

long ago where we were at the mercy of

585

00:20:43,750 --> 00:20:42,080

whatever was gonna happen and even the

586

00:20:45,669 --> 00:20:43,760

doctors were at that point and i'll tell

587

00:20:47,669 --> 00:20:45,679

you you'll

588

00:20:49,029 --> 00:20:47,679

you feel so helpless right nothing

589

00:20:51,110 --> 00:20:49,039

changes it money isn't going to change

590

00:20:53,110 --> 00:20:51,120

it there's you're at the mercy of

591

00:20:54,310 --> 00:20:53,120

whatever ends up coming out of it and so

592

00:20:56,710 --> 00:20:54,320

to know how you went through something

593

00:20:59,029 --> 00:20:56,720

like this and as we're going to get into

594

00:21:01,350 --> 00:20:59,039

beyond even the one event

595

00:21:02,630 --> 00:21:01,360

that's as a man or woman has to be

596

00:21:04,310 --> 00:21:02,640

absolutely just

597

00:21:05,590 --> 00:21:04,320

i'll be honest there's been times i've

598

00:21:07,350 --> 00:21:05,600

listened to the story and there's we

599

00:21:09,029 --> 00:21:07,360

might even get into a night where they

600

00:21:10,390 --> 00:21:09,039

talk about different elements that take

601
00:21:13,430 --> 00:21:10,400
place to them

602
00:21:16,149 --> 00:21:13,440
that are just so traumatic mentally

603
00:21:17,669 --> 00:21:16,159
that me listening to it is just my heart

604
00:21:20,390 --> 00:21:17,679
breaks a little i'll be honest yeah

605
00:21:22,390 --> 00:21:20,400
because i just i can't imagine

606
00:21:25,110 --> 00:21:22,400
and again i'm not i know in ufology and

607
00:21:26,390 --> 00:21:25,120
stuff people are always uh you know we

608
00:21:27,510 --> 00:21:26,400
can't talk about the dark side of the

609
00:21:29,830 --> 00:21:27,520
bad side of things but i'm not saying

610
00:21:31,590 --> 00:21:29,840
this is a bad thing but i am a big

611
00:21:33,669 --> 00:21:31,600
proponent of we should talk about the

612
00:21:35,909 --> 00:21:33,679
truth and we should share if things have

613
00:21:37,270 --> 00:21:35,919

happened yes and it can't

614

00:21:39,510 --> 00:21:37,280

there's balance in life and it's not

615

00:21:41,510 --> 00:21:39,520

always rainbows and beautiful things

616

00:21:43,750 --> 00:21:41,520

right there's balance in everything

617

00:21:45,750 --> 00:21:43,760

and in this case as we'll get into in a

618

00:21:47,590 --> 00:21:45,760

minute here um

619

00:21:49,270 --> 00:21:47,600

this couple and i believe 89 was that

620

00:21:52,630 --> 00:21:49,280

when the actual experience took place

621

00:21:53,669 --> 00:21:52,640

over 89 yes so in 89 at the time uh

622

00:21:55,669 --> 00:21:53,679

that's actually when they had the two

623

00:21:56,950 --> 00:21:55,679

young ones right and i've been there i

624

00:21:58,789 --> 00:21:56,960

know they were getting ready to try and

625

00:22:01,029 --> 00:21:58,799

take a trip to get away right for a

626

00:22:03,270 --> 00:22:01,039

little bit we've all been there too in

627

00:22:04,710 --> 00:22:03,280

particular the mother in particular i

628

00:22:06,870 --> 00:22:04,720

just want to get away from these kids

629

00:22:09,029 --> 00:22:06,880

for a weekend i don't believe my wife's

630

00:22:10,549 --> 00:22:09,039

told me that many times and babe i know

631

00:22:13,270 --> 00:22:10,559

you will break we do we need we need to

632

00:22:16,149 --> 00:22:13,280

get a trip out we do

633

00:22:18,149 --> 00:22:16,159

um so they they set up the the uh i

634

00:22:19,750 --> 00:22:18,159

believe it was the grandparents yeah

635

00:22:21,029 --> 00:22:19,760

yeah to watch the young ones they said

636

00:22:22,549 --> 00:22:21,039

let's just go out

637

00:22:23,830 --> 00:22:22,559

let's get out for a little bit maybe now

638

00:22:25,430 --> 00:22:23,840

did they have like a camper or something

639

00:22:27,110 --> 00:22:25,440

they must have hooked up it sounds like

640

00:22:28,149 --> 00:22:27,120

yeah what happened was it really it was

641

00:22:29,590 --> 00:22:28,159

sort of the

642

00:22:30,950 --> 00:22:29,600

if you've been married or have a

643

00:22:31,909 --> 00:22:30,960

relationship

644

00:22:35,510 --> 00:22:31,919

you know

645

00:22:36,630 --> 00:22:35,520

it's sort of compromised so she wanted

646

00:22:38,950 --> 00:22:36,640

to go to

647

00:22:41,110 --> 00:22:38,960

like just go listen to some music

648

00:22:42,310 --> 00:22:41,120

and dance and have a dinner and like

649

00:22:43,430 --> 00:22:42,320

that cover

650

00:22:45,590 --> 00:22:43,440

go hunting

651
00:22:47,830 --> 00:22:45,600
oh no he made the wrong

652
00:22:50,470 --> 00:22:47,840
so so basically what they decided to do

653
00:22:52,149 --> 00:22:50,480
was to compromise so

654
00:22:55,990 --> 00:22:52,159
there was a place called whiskey pete's

655
00:22:57,909 --> 00:22:56,000
that was near midland hills campsite

656
00:22:58,950 --> 00:22:57,919
and this was just outside the mojave

657
00:23:02,070 --> 00:22:58,960
desert

658
00:23:04,149 --> 00:23:02,080
and the idea was that they would go to a

659
00:23:06,789 --> 00:23:04,159
dinner they'd listen to some music at

660
00:23:07,669 --> 00:23:06,799
this place called whiskey pete's and

661
00:23:10,149 --> 00:23:07,679
then

662
00:23:11,909 --> 00:23:10,159
he would go hunting in the mojave desert

663
00:23:14,630 --> 00:23:11,919

they'd camp out

664

00:23:16,630 --> 00:23:14,640

this mule deer that a year before

665

00:23:18,950 --> 00:23:16,640

uh he had missed so he was with his

666

00:23:20,070 --> 00:23:18,960

father and his brother and he missed a

667

00:23:21,750 --> 00:23:20,080

shot

668

00:23:24,470 --> 00:23:21,760

and they gave him a relentless hard time

669

00:23:25,990 --> 00:23:24,480

about it and so this one does right if

670

00:23:28,310 --> 00:23:26,000

you missed the shot you're gonna you're

671

00:23:30,470 --> 00:23:28,320

gonna razz him a little bit i'm gonna go

672

00:23:31,669 --> 00:23:30,480

back next year and i'm gonna get this

673

00:23:35,510 --> 00:23:31,679

this uh

674

00:23:38,470 --> 00:23:35,520

that's what really

675

00:23:40,870 --> 00:23:38,480

you know uh initiated this whole thing

676
00:23:42,710 --> 00:23:40,880
but then they got to mid hills after

677
00:23:45,110 --> 00:23:42,720
they'd been to whiskey pete's

678
00:23:47,430 --> 00:23:45,120
and mid hills is you know rarely uh sold

679
00:23:49,350 --> 00:23:47,440
out but it was sold out

680
00:23:51,430 --> 00:23:49,360
and it was the night

681
00:23:54,710 --> 00:23:51,440
and you can kind of imagine this is a

682
00:23:56,070 --> 00:23:54,720
really desolate part of the of

683
00:23:58,950 --> 00:23:56,080
california

684
00:24:01,029 --> 00:23:58,960
and um you know moving into the mojave

685
00:24:02,710 --> 00:24:01,039
and um

686
00:24:05,029 --> 00:24:02,720
they had no place to stay but they did

687
00:24:06,310 --> 00:24:05,039
have a camper they were in a camper

688
00:24:07,990 --> 00:24:06,320

and uh

689

00:24:09,110 --> 00:24:08,000

so the idea was all right look we can't

690

00:24:10,870 --> 00:24:09,120

get in

691

00:24:12,549 --> 00:24:10,880

into mid hills

692

00:24:13,590 --> 00:24:12,559

let's go near where i'm going to be

693

00:24:15,269 --> 00:24:13,600

hunting

694

00:24:17,269 --> 00:24:15,279

let's cook up some steaks we'll make a

695

00:24:19,669 --> 00:24:17,279

fire cook up some steaks

696

00:24:20,870 --> 00:24:19,679

and uh you know make it make a night of

697

00:24:21,990 --> 00:24:20,880

it and then i'll go hunting the next

698

00:24:23,830 --> 00:24:22,000

morning

699

00:24:26,310 --> 00:24:23,840

and of course uh

700

00:24:28,310 --> 00:24:26,320

she was very reluctant at the time there

701
00:24:32,710 --> 00:24:28,320
were a lot of drug deals going on in the

702
00:24:35,269 --> 00:24:32,720
desert you know motorcycle gangs etc

703
00:24:36,149 --> 00:24:35,279
and curry or drugs and have drug deals

704
00:24:38,549 --> 00:24:36,159
and

705
00:24:39,510 --> 00:24:38,559
it wasn't uncommon to find a body turn

706
00:24:41,350 --> 00:24:39,520
up

707
00:24:43,750 --> 00:24:41,360
you know in a dispute

708
00:24:45,350 --> 00:24:43,760
and so she was really reluctant to just

709
00:24:47,830 --> 00:24:45,360
go out in the middle of the night into

710
00:24:49,909 --> 00:24:47,840
this into this environment i mean she

711
00:24:51,029 --> 00:24:49,919
wanted the campsite but that wasn't

712
00:24:52,950 --> 00:24:51,039
possible

713
00:24:57,430 --> 00:24:52,960

so right from the very beginning there

714

00:25:01,269 --> 00:24:59,029

apprehension

715

00:25:03,750 --> 00:25:01,279

that something wasn't right you know the

716

00:25:05,909 --> 00:25:03,760

things were on edge and and not quite

717

00:25:07,350 --> 00:25:05,919

right yeah which people always telling

718

00:25:08,950 --> 00:25:07,360

that right even we've talked about like

719

00:25:10,149 --> 00:25:08,960

you know the different missing cases and

720

00:25:11,510 --> 00:25:10,159

stuff where people talk with cryptids in

721

00:25:12,870 --> 00:25:11,520

the woods they say listen no matter what

722

00:25:14,630 --> 00:25:12,880

there's things in the woods or you can

723

00:25:15,990 --> 00:25:14,640

see in the desert that will kill you

724

00:25:17,590 --> 00:25:16,000

nature itself

725

00:25:19,430 --> 00:25:17,600

if you're not careful can take you out

726

00:25:20,390 --> 00:25:19,440

right so regardless of you maybe what

727

00:25:22,710 --> 00:25:20,400

ends up happening here like you're

728

00:25:23,990 --> 00:25:22,720

saying i think it's it's to approach the

729

00:25:25,750 --> 00:25:24,000

situation a little bit trepidation

730

00:25:27,590 --> 00:25:25,760

probably wasn't all bad in her part i

731

00:25:29,029 --> 00:25:27,600

don't know the specific area and what

732

00:25:30,390 --> 00:25:29,039

was going on at the time but apparently

733

00:25:32,070 --> 00:25:30,400

he didn't really care he probably was

734

00:25:33,350 --> 00:25:32,080

i'm sure armed obviously he was going to

735

00:25:34,950 --> 00:25:33,360

hunt so

736

00:25:36,870 --> 00:25:34,960

he played football right back yeah now

737

00:25:39,110 --> 00:25:36,880

this is a guy that you can just tell by

738

00:25:40,470 --> 00:25:39,120

the by the fact that he wanted to make

739

00:25:42,870 --> 00:25:40,480

it right

740

00:25:44,390 --> 00:25:42,880

so he blew a shot his father gave him a

741

00:25:45,909 --> 00:25:44,400

hard time his brother gave him a hard

742

00:25:48,950 --> 00:25:45,919

time and he said i'm going to make this

743

00:25:50,310 --> 00:25:48,960

right so he's a competitive sort of guy

744

00:25:54,149 --> 00:25:50,320

a guy that

745

00:25:58,070 --> 00:25:55,990

and unfortunately this this evening

746

00:25:59,750 --> 00:25:58,080

definitely turned into uh

747

00:26:01,190 --> 00:25:59,760

not quite the i'm sure maybe even

748

00:26:02,470 --> 00:26:01,200

romantic plans that they might have had

749

00:26:04,549 --> 00:26:02,480

planned right to finally get away from

750

00:26:07,590 --> 00:26:04,559

the young ones uh out there running

751
00:26:08,950 --> 00:26:07,600
around them um so as as we come into

752
00:26:10,070 --> 00:26:08,960
this evening with them being sold out

753
00:26:11,590 --> 00:26:10,080
they're cooking their steaks i can

754
00:26:13,110 --> 00:26:11,600
imagine maybe a clear night i don't know

755
00:26:15,110 --> 00:26:13,120
if it was or wasn't but maybe looking at

756
00:26:16,310 --> 00:26:15,120
some of the stars oh it was okay

757
00:26:18,149 --> 00:26:16,320
so they're taking their time looking at

758
00:26:20,070 --> 00:26:18,159
the stars perhaps and

759
00:26:21,750 --> 00:26:20,080
uh just enjoying nature i would assume

760
00:26:24,310 --> 00:26:21,760
at this point a little peace and quiet i

761
00:26:26,870 --> 00:26:24,320
i can give you even a this is the setup

762
00:26:29,110 --> 00:26:26,880
i mean exactly so they they did met they

763
00:26:31,510 --> 00:26:29,120

had the camper so they made a fire

764

00:26:32,630 --> 00:26:31,520

they were cooking up steaks uh and they

765

00:26:34,070 --> 00:26:32,640

did

766

00:26:36,470 --> 00:26:34,080

and um

767

00:26:38,710 --> 00:26:36,480

actually there were this there are um

768

00:26:39,830 --> 00:26:38,720

you know animals like uh

769

00:26:42,710 --> 00:26:39,840

like uh

770

00:26:45,590 --> 00:26:44,549

desert rats i guess they would call them

771

00:26:47,350 --> 00:26:45,600

okay

772

00:26:48,549 --> 00:26:47,360

kangaroo rats right i think that's what

773

00:26:49,669 --> 00:26:48,559

they said in the book yeah they were

774

00:26:52,149 --> 00:26:49,679

feeding them actually so they're

775

00:26:53,190 --> 00:26:52,159

throwing bread to these these you know

776

00:26:54,789 --> 00:26:53,200

animals

777

00:26:56,470 --> 00:26:54,799

and uh

778

00:26:58,310 --> 00:26:56,480

and just sort of enjoying that laughing

779

00:27:00,149 --> 00:26:58,320

about that and then they started

780

00:27:01,350 --> 00:27:00,159

stargazing so it was this incredibly

781

00:27:03,430 --> 00:27:01,360

clear night

782

00:27:04,549 --> 00:27:03,440

as the desert is i mean that's that's

783

00:27:05,669 --> 00:27:04,559

part of it

784

00:27:07,830 --> 00:27:05,679

um

785

00:27:09,269 --> 00:27:07,840

and uh all of a sudden they're

786

00:27:12,549 --> 00:27:09,279

stargazing and

787

00:27:14,710 --> 00:27:12,559

and steve uh was sort of an expert at

788

00:27:16,390 --> 00:27:14,720

this you know he he was an outdoorsman

789

00:27:19,510 --> 00:27:16,400

so he knew the constellations and

790

00:27:20,630 --> 00:27:19,520

whatnot it was explaining them to dawn

791

00:27:22,310 --> 00:27:20,640

and uh

792

00:27:23,430 --> 00:27:22,320

he said you see that that's a double

793

00:27:24,950 --> 00:27:23,440

star

794

00:27:26,950 --> 00:27:24,960

and this is this and she goes well

795

00:27:29,510 --> 00:27:26,960

that's a double star

796

00:27:31,430 --> 00:27:29,520

that must be a triple star

797

00:27:35,190 --> 00:27:31,440

because there was a a

798

00:27:36,950 --> 00:27:35,200

a glowing orb that looked like a moon

799

00:27:38,230 --> 00:27:36,960

almost

800

00:27:39,669 --> 00:27:38,240

and so

801
00:27:41,269 --> 00:27:39,679
steve is a little

802
00:27:43,909 --> 00:27:41,279
shocked at that

803
00:27:45,350 --> 00:27:43,919
but in the meantime

804
00:27:47,669 --> 00:27:45,360
he sees that

805
00:27:49,029 --> 00:27:47,679
and he turns to his right

806
00:27:51,830 --> 00:27:49,039
and there are mountains they're the new

807
00:27:54,230 --> 00:27:51,840
york mountains and uh tabletop mountain

808
00:27:56,710 --> 00:27:54,240
is in front of them okay and

809
00:27:57,750 --> 00:27:56,720
from out of behind the uh one of the the

810
00:28:00,310 --> 00:27:57,760
mountains

811
00:28:02,710 --> 00:28:00,320
uh he sees the ufo

812
00:28:05,990 --> 00:28:02,720
it's about 30 feet in diameter it peeks

813
00:28:07,430 --> 00:28:06,000

out almost like like like peeking at

814

00:28:10,070 --> 00:28:07,440

them

815

00:28:12,310 --> 00:28:10,080

and goes back again

816

00:28:14,630 --> 00:28:12,320

he doesn't want to tell dawn that

817

00:28:18,230 --> 00:28:14,640

because the last thing that he wants to

818

00:28:21,269 --> 00:28:18,240

do is is talk about a ufo or some some

819

00:28:22,630 --> 00:28:21,279

object that that's very nearby that he

820

00:28:24,630 --> 00:28:22,640

just saw

821

00:28:26,549 --> 00:28:24,640

because she would panic

822

00:28:29,510 --> 00:28:26,559

so he keeps it to himself

823

00:28:30,789 --> 00:28:29,520

but while this uh is going on in the sky

824

00:28:33,029 --> 00:28:30,799

of course this is

825

00:28:34,389 --> 00:28:33,039

very much on his mind

826
00:28:39,669 --> 00:28:34,399
the one

827
00:28:44,950 --> 00:28:41,990
configure over the mountain which is

828
00:28:49,110 --> 00:28:44,960
perhaps 500 yards away or so

829
00:28:50,310 --> 00:28:49,120
into a sprawling m configuration

830
00:28:54,070 --> 00:28:50,320
so

831
00:28:55,750 --> 00:28:54,080
i i i'll do a little back story here

832
00:28:57,430 --> 00:28:55,760
when steve was

833
00:29:00,149 --> 00:28:57,440
nine years old

834
00:29:00,870 --> 00:29:00,159
he went fishing with a friend

835
00:29:02,549 --> 00:29:00,880
so

836
00:29:03,590 --> 00:29:02,559
he and his parents and another set of

837
00:29:06,070 --> 00:29:03,600
parents

838
00:29:09,669 --> 00:29:06,080

uh went camping

839

00:29:10,950 --> 00:29:09,679

and uh so there was a a lake nearby

840

00:29:12,630 --> 00:29:10,960

and so they went to the lake which

841

00:29:14,549 --> 00:29:12,640

wasn't far from the campsite and were

842

00:29:16,549 --> 00:29:14,559

fishing

843

00:29:17,669 --> 00:29:16,559

they both saw a glowing object in the

844

00:29:19,590 --> 00:29:17,679

sky

845

00:29:21,350 --> 00:29:19,600

and at first it was sort of fascinating

846

00:29:22,710 --> 00:29:21,360

to the two boys

847

00:29:25,029 --> 00:29:22,720

okay and

848

00:29:26,710 --> 00:29:25,039

then it didn't feel so fascinating

849

00:29:29,510 --> 00:29:26,720

because they felt this sort of almost

850

00:29:31,510 --> 00:29:29,520

communication this sort of

851
00:29:32,789 --> 00:29:31,520
telepathic

852
00:29:35,909 --> 00:29:32,799
situation

853
00:29:37,590 --> 00:29:35,919
this is when he was younger he was young

854
00:29:39,029 --> 00:29:37,600
so they panicked

855
00:29:41,350 --> 00:29:39,039
and they ran they dropped the fishing

856
00:29:43,350 --> 00:29:41,360
rods and ran back to the campsite

857
00:29:44,950 --> 00:29:43,360
and of course their parents are there

858
00:29:46,470 --> 00:29:44,960
laughing and having a good time and

859
00:29:49,029 --> 00:29:46,480
these two kids come in and said oh we

860
00:29:50,630 --> 00:29:49,039
just were chased by a ufo

861
00:29:52,710 --> 00:29:50,640
right so

862
00:29:54,789 --> 00:29:52,720
nobody believed them i thought it was

863
00:29:56,789 --> 00:29:54,799

kind of funny but to them it wasn't

864

00:29:57,430 --> 00:29:56,799

funny it was terrifying right when

865

00:30:00,310 --> 00:29:57,440

you're

866

00:30:02,789 --> 00:30:00,320

and so when he saw this this glowing orb

867

00:30:05,350 --> 00:30:02,799

behind the mountain and when he saw the

868

00:30:07,750 --> 00:30:05,360

first glowing orb it sent an incredible

869

00:30:10,230 --> 00:30:07,760

chill down his spine

870

00:30:12,149 --> 00:30:10,240

because it it flashed back to when he

871

00:30:13,830 --> 00:30:12,159

was a kid and saw this for the first

872

00:30:14,630 --> 00:30:13,840

time

873

00:30:16,710 --> 00:30:14,640

so

874

00:30:19,029 --> 00:30:16,720

had he had he even tried to talk to

875

00:30:20,389 --> 00:30:19,039

anybody about that experience prior you

876

00:30:21,669 --> 00:30:20,399

know outside of what he mentioned to his

877

00:30:23,669 --> 00:30:21,679

parents at that point in time did he

878

00:30:25,110 --> 00:30:23,679

ever no no so he was just shut down when

879

00:30:27,190 --> 00:30:25,120

he was younger and he's just pushed that

880

00:30:29,510 --> 00:30:27,200

down in his memory exactly

881

00:30:30,870 --> 00:30:29,520

that's what makes it so terrifying

882

00:30:33,110 --> 00:30:30,880

because it was

883

00:30:35,110 --> 00:30:33,120

shoved down into his subconscious and

884

00:30:38,470 --> 00:30:35,120

all of a sudden you see the same thing

885

00:30:40,710 --> 00:30:38,480

you saw i don't know 30 years you know

886

00:30:43,190 --> 00:30:40,720

25 years prior to that

887

00:30:44,230 --> 00:30:43,200

and and it's startling you know it's

888

00:30:45,669 --> 00:30:44,240

startling

889

00:30:46,789 --> 00:30:45,679

and so that's pretty much where they

890

00:30:49,269 --> 00:30:46,799

were

891

00:30:52,710 --> 00:30:49,279

but now when dawn sees the uh

892

00:30:53,430 --> 00:30:52,720

white sees this configuration of

893

00:30:56,389 --> 00:30:53,440

of

894

00:30:58,070 --> 00:30:56,399

nine objects in this sprawling m

895

00:31:00,310 --> 00:30:58,080

and sees them blinking they start

896

00:31:01,269 --> 00:31:00,320

blinking as if in communication with one

897

00:31:03,590 --> 00:31:01,279

another

898

00:31:05,430 --> 00:31:03,600

she goes these aren't stars you know

899

00:31:07,750 --> 00:31:05,440

something is wrong and he goes well

900

00:31:09,830 --> 00:31:07,760

maybe it's a military exercise

901
00:31:12,470 --> 00:31:09,840
because there was a military base a

902
00:31:15,590 --> 00:31:12,480
couple of military bases um

903
00:31:17,190 --> 00:31:15,600
nellis air force base and another and it

904
00:31:19,350 --> 00:31:17,200
was 29 palms

905
00:31:21,110 --> 00:31:19,360
that were not so far away

906
00:31:22,549 --> 00:31:21,120
so i said well maybe it's a military

907
00:31:25,669 --> 00:31:22,559
type exercise

908
00:31:29,750 --> 00:31:25,679
and that satisfies them to a point

909
00:31:32,950 --> 00:31:29,760
but then the nine become hundreds

910
00:31:34,070 --> 00:31:32,960
and every sound in the desert stops and

911
00:31:37,190 --> 00:31:34,080
it's as if

912
00:31:39,350 --> 00:31:37,200
the whole valley is capped

913
00:31:41,269 --> 00:31:39,360

and that's when

914

00:31:43,430 --> 00:31:41,279

that's when

915

00:31:44,950 --> 00:31:43,440

things go south

916

00:31:47,430 --> 00:31:44,960

you know and that seems to be something

917

00:31:49,750 --> 00:31:47,440

we hear a lot this the and it's not just

918

00:31:51,509 --> 00:31:49,760

in you know maybe uh you know some sort

919

00:31:53,350 --> 00:31:51,519

of a ufo encounter or anything of that

920

00:31:55,430 --> 00:31:53,360

nature we're talking anything cryptid

921

00:31:57,590 --> 00:31:55,440

anything paranormal sometimes there's

922

00:31:58,950 --> 00:31:57,600

just this eeriness that settles over

923

00:32:01,350 --> 00:31:58,960

it's that unsettling silence and

924

00:32:03,269 --> 00:32:01,360

recognizing that in nature anybody spent

925

00:32:04,470 --> 00:32:03,279

some time outside in a little bit of a

926
00:32:05,830 --> 00:32:04,480
country somewhere during the summer

927
00:32:07,909 --> 00:32:05,840
there's just there's the but there's

928
00:32:09,350 --> 00:32:07,919
just life right around you so to just

929
00:32:11,830 --> 00:32:09,360
hear nothing

930
00:32:13,509 --> 00:32:11,840
so unsubtle i mean that i can't imagine

931
00:32:16,149 --> 00:32:13,519
but you know it must be a similar

932
00:32:18,870 --> 00:32:16,159
experience to seeing a ghost

933
00:32:21,269 --> 00:32:18,880
i mean it just like it's hard to look

934
00:32:23,750 --> 00:32:21,279
you'd probably look at it and say

935
00:32:25,830 --> 00:32:23,760
is this possible maybe i'm not seeing

936
00:32:27,669 --> 00:32:25,840
this right but then you realize you are

937
00:32:30,070 --> 00:32:27,679
seeing it right that it's really there

938
00:32:31,750 --> 00:32:30,080

and at that moment of recognition i

939

00:32:33,590 --> 00:32:31,760

think like i said i think there's just a

940

00:32:36,630 --> 00:32:33,600

shiver that goes through your bones you

941

00:32:37,750 --> 00:32:36,640

know and and that's where they were then

942

00:32:40,310 --> 00:32:37,760

um

943

00:32:43,269 --> 00:32:40,320

so now now the whole nighttime sky is

944

00:32:44,549 --> 00:32:43,279

filled with these these orbs

945

00:32:47,350 --> 00:32:44,559

and um

946

00:32:49,350 --> 00:32:47,360

they start dropping to the ground

947

00:32:52,310 --> 00:32:49,360

like almost like floating to the ground

948

00:32:53,669 --> 00:32:52,320

as if like parachuting to the ground

949

00:32:55,830 --> 00:32:53,679

and

950

00:32:57,110 --> 00:32:55,840

now

951
00:32:59,029 --> 00:32:57,120
is uh

952
00:33:00,389 --> 00:32:59,039
is panicked

953
00:33:01,669 --> 00:33:00,399
yeah no kidding

954
00:33:03,669 --> 00:33:01,679
i mean at this point you'd almost okay

955
00:33:04,710 --> 00:33:03,679
so see if he's still rationalizing his

956
00:33:05,750 --> 00:33:04,720
head right because i'm sure if i'm

957
00:33:07,110 --> 00:33:05,760
seeing this i'm still gonna be going

958
00:33:08,149 --> 00:33:07,120
through every other

959
00:33:09,909 --> 00:33:08,159
even though i'm into this field i'm

960
00:33:11,509 --> 00:33:09,919
gonna i'm gonna be i'm gonna be trying

961
00:33:12,950 --> 00:33:11,519
to rationalize this in some sort of

962
00:33:14,710 --> 00:33:12,960
sense that he's thinking military in the

963
00:33:16,630 --> 00:33:14,720

area i believe there was an airport or

964

00:33:19,269 --> 00:33:16,640

something that wasn't too far away so

965

00:33:21,350 --> 00:33:19,279

maybe in his mind sure it's 89

966

00:33:22,789 --> 00:33:21,360

it was the tail end of it but we were

967

00:33:25,110 --> 00:33:22,799

still dealing with a little bit of the

968

00:33:27,430 --> 00:33:25,120

whole idea of the cold war very tail end

969

00:33:29,110 --> 00:33:27,440

of it maybe in his mind he's thinking

970

00:33:30,950 --> 00:33:29,120

the russians are that's the first thing

971

00:33:32,789 --> 00:33:30,960

he did did he really think okay

972

00:33:34,149 --> 00:33:32,799

absolutely what he thought

973

00:33:36,870 --> 00:33:34,159

because when they start dropping to the

974

00:33:38,549 --> 00:33:36,880

ground they start rushing towards

975

00:33:40,230 --> 00:33:38,559

they start rushing towards them so the

976

00:33:42,549 --> 00:33:40,240

first thing he does

977

00:33:44,870 --> 00:33:42,559

and i you know this is instinctive he

978

00:33:46,710 --> 00:33:44,880

goes to the camper and gets his uh his

979

00:33:48,789 --> 00:33:46,720

guns

980

00:33:51,190 --> 00:33:48,799

so he's got a vest

981

00:33:52,710 --> 00:33:51,200

why did you do battle with these things

982

00:33:54,149 --> 00:33:52,720

and um

983

00:33:55,590 --> 00:33:54,159

and

984

00:33:59,750 --> 00:33:55,600

his wife

985

00:34:04,470 --> 00:34:02,470

telepathic messages and the message

986

00:34:08,069 --> 00:34:04,480

basically is

987

00:34:10,310 --> 00:34:08,079

don't try to hurt us or we'll kill you

988

00:34:12,470 --> 00:34:10,320

get in the camera very strong clear

989

00:34:14,790 --> 00:34:12,480

message get in the camper

990

00:34:17,030 --> 00:34:14,800

and sit there quietly

991

00:34:18,710 --> 00:34:17,040

and so he's he's very

992

00:34:20,790 --> 00:34:18,720

you know aggressive

993

00:34:24,069 --> 00:34:20,800

and she says no no no don't do that put

994

00:34:25,589 --> 00:34:24,079

the gun away you know put the gun away

995

00:34:29,030 --> 00:34:25,599

and uh

996

00:34:31,349 --> 00:34:29,040

and he starts to get the same messages

997

00:34:33,030 --> 00:34:31,359

by the way what they see coming towards

998

00:34:35,750 --> 00:34:33,040

them now

999

00:34:36,869 --> 00:34:35,760

are pairs of red eyes

1000

00:34:43,030 --> 00:34:36,879

red eyes

1001

00:34:44,470 --> 00:34:43,040

rushing towards towards them

1002

00:34:46,230 --> 00:34:44,480

and uh

1003

00:34:47,589 --> 00:34:46,240

they go back and they go into the back

1004

00:34:49,909 --> 00:34:47,599

of the camper

1005

00:34:53,270 --> 00:34:49,919

and that's when things get really

1006

00:34:56,310 --> 00:34:54,149

you know

1007

00:34:57,829 --> 00:34:56,320

so it i have gone back and forth on this

1008

00:34:59,990 --> 00:34:57,839

in my head before because we've heard

1009

00:35:02,390 --> 00:35:00,000

the red eye thing over the years many

1010

00:35:05,270 --> 00:35:02,400

times mentioned right whether it be uh

1011

00:35:06,790 --> 00:35:05,280

you know perhaps a bigfoot encounter but

1012

00:35:10,870 --> 00:35:06,800

one person that shed a little more light

1013

00:35:11,910 --> 00:35:10,880

on that to me um that really

1014

00:35:12,550 --> 00:35:11,920

made me think of it just a little bit

1015

00:35:13,670 --> 00:35:12,560

different i don't know if you've ever

1016

00:35:14,950 --> 00:35:13,680

heard of the name before or not but

1017

00:35:16,470 --> 00:35:14,960

chris bledsoe i don't know if you know

1018

00:35:18,710 --> 00:35:16,480

this name or not

1019

00:35:21,430 --> 00:35:18,720

vaguely i've heard the name

1020

00:35:23,589 --> 00:35:21,440

okay so he he talked about this uh in

1021

00:35:25,670 --> 00:35:23,599

passing one time and his son ryan who's

1022

00:35:28,470 --> 00:35:25,680

been obviously has a podcast who's been

1023

00:35:29,990 --> 00:35:28,480

talking about a lot more bledsoe said so

1024

00:35:32,069 --> 00:35:30,000

and he mentioned this and i've wondered

1025

00:35:33,430 --> 00:35:32,079

if this is applicable to the situation

1026

00:35:36,630 --> 00:35:33,440

which is that

1027

00:35:37,990 --> 00:35:36,640

when we see those red-eyed beings in

1028

00:35:39,510 --> 00:35:38,000

these different cases where people have

1029

00:35:41,910 --> 00:35:39,520

sort of an experience with

1030

00:35:43,750 --> 00:35:41,920

off-world you know beings of some sort

1031

00:35:45,910 --> 00:35:43,760

or an extraterrestrial

1032

00:35:47,430 --> 00:35:45,920

he said that is their young ones like

1033

00:35:49,190 --> 00:35:47,440

their children and that they're in a net

1034

00:35:50,230 --> 00:35:49,200

like a safety suit like an encasement

1035

00:35:51,670 --> 00:35:50,240

like how we would bubble wrap our

1036

00:35:53,030 --> 00:35:51,680

children like how we put helmets on them

1037

00:35:55,030 --> 00:35:53,040

trying to keep them safe

1038

00:35:56,790 --> 00:35:55,040

essentially the same thing and that

1039

00:35:58,790 --> 00:35:56,800

they're not quite developed enough yet

1040

00:36:01,190 --> 00:35:58,800

to control all of their abilities

1041

00:36:03,190 --> 00:36:01,200

they're a little bit more um

1042

00:36:04,310 --> 00:36:03,200

they have a little more in i don't say

1043

00:36:07,109 --> 00:36:04,320

this or i don't want to speak for him

1044

00:36:08,710 --> 00:36:07,119

but they may not be as contained as some

1045

00:36:10,470 --> 00:36:08,720

of the older ones essentially their

1046

00:36:11,910 --> 00:36:10,480

children is what he was saying and i

1047

00:36:13,109 --> 00:36:11,920

think that that's kind of interesting

1048

00:36:14,630 --> 00:36:13,119

based on some of the events that we're

1049

00:36:16,150 --> 00:36:14,640

leading up to in a second

1050

00:36:18,230 --> 00:36:16,160

but we're talking hunt i mean you're

1051

00:36:19,349 --> 00:36:18,240

saying hundreds hundreds what do you do

1052

00:36:20,710 --> 00:36:19,359

i mean all i can picture my mind if

1053

00:36:22,550 --> 00:36:20,720

somebody can pictures a little bit if

1054

00:36:23,910 --> 00:36:22,560

you're getting into this trailer you

1055

00:36:26,150 --> 00:36:23,920

start receiving these telepathic

1056

00:36:28,069 --> 00:36:26,160

messages and you're seeing hundreds of

1057

00:36:29,430 --> 00:36:28,079

little red eyes running i i all i can

1058

00:36:30,550 --> 00:36:29,440

try to put my mind is like you know the

1059

00:36:32,470 --> 00:36:30,560

zombie movies where they just have all

1060

00:36:33,990 --> 00:36:32,480

the zombies just swarming wherever

1061

00:36:35,190 --> 00:36:34,000

they're at that's all i can kind of see

1062

00:36:37,190 --> 00:36:35,200

in my mind

1063

00:36:39,190 --> 00:36:37,200

and i just

1064

00:36:40,310 --> 00:36:39,200

i i'm sure that the whole time any of

1065

00:36:41,430 --> 00:36:40,320

this would be happening you'd just be

1066

00:36:43,109 --> 00:36:41,440

sitting there going this can't this

1067

00:36:44,870 --> 00:36:43,119

can't be happening there's no way that

1068

00:36:46,150 --> 00:36:44,880

we're experiencing this right now

1069

00:36:49,109 --> 00:36:46,160

exactly

1070

00:36:51,910 --> 00:36:49,119

so so they they get into the uh into the

1071

00:36:53,589 --> 00:36:51,920

camper and they sit there sort of uh

1072

00:36:54,710 --> 00:36:53,599

indian style you know

1073

00:36:57,270 --> 00:36:54,720

and uh

1074

00:36:59,990 --> 00:36:57,280

two monitors like uh electric forces

1075

00:37:03,270 --> 00:37:00,000

like if you looked at a fire plug

1076
00:37:04,870 --> 00:37:03,280
there's two of them at the lip of the um

1077
00:37:07,270 --> 00:37:04,880
of the camper

1078
00:37:08,630 --> 00:37:07,280
and they're sort of electrified

1079
00:37:10,950 --> 00:37:08,640
and so

1080
00:37:12,630 --> 00:37:10,960
when steve tries to move forward

1081
00:37:14,870 --> 00:37:12,640
they move forward he moves the foot

1082
00:37:16,870 --> 00:37:14,880
forward they move forward a foot

1083
00:37:19,750 --> 00:37:16,880
if he moves close he gets electrocuted

1084
00:37:23,030 --> 00:37:19,760
he gets a jolt of electricity

1085
00:37:24,630 --> 00:37:23,040
very trapped so now they're trapped

1086
00:37:26,470 --> 00:37:24,640
and in the meantime

1087
00:37:30,790 --> 00:37:26,480
these um

1088
00:37:33,510 --> 00:37:30,800

red-eyed creatures become more in focus

1089

00:37:35,510 --> 00:37:33,520

and what they are

1090

00:37:38,550 --> 00:37:35,520

or what they appear to be

1091

00:37:40,950 --> 00:37:38,560

they describe them as gremlins

1092

00:37:44,470 --> 00:37:40,960

so small creatures

1093

00:37:47,270 --> 00:37:44,480

like leather kind of faces

1094

00:37:48,829 --> 00:37:47,280

red eyes piercing red eyes

1095

00:37:52,790 --> 00:37:48,839

clearly

1096

00:37:56,150 --> 00:37:52,800

malevolent okay malevolent frenetic

1097

00:37:58,550 --> 00:37:56,160

incredible energy okay so this yeah

1098

00:37:59,589 --> 00:37:58,560

really that frenetic incredible energy

1099

00:38:02,790 --> 00:37:59,599

but

1100

00:38:05,030 --> 00:38:02,800

malevolent you know okay these are not

1101
00:38:06,230 --> 00:38:05,040
beings that want to want to do anything

1102
00:38:08,870 --> 00:38:06,240
good for them

1103
00:38:11,109 --> 00:38:08,880
and they're literally on the camper

1104
00:38:12,390 --> 00:38:11,119
they close the uh the blinds on the

1105
00:38:14,069 --> 00:38:12,400
camper

1106
00:38:17,270 --> 00:38:14,079
and uh

1107
00:38:18,790 --> 00:38:17,280
they're in the trees

1108
00:38:20,150 --> 00:38:18,800
and

1109
00:38:23,990 --> 00:38:20,160
that's when

1110
00:38:26,630 --> 00:38:24,000
they uh

1111
00:38:28,470 --> 00:38:26,640
they see a ufo

1112
00:38:30,470 --> 00:38:28,480
that's the size of

1113
00:38:32,710 --> 00:38:30,480

a battleship

1114

00:38:34,310 --> 00:38:32,720

that literally caps the valley above

1115

00:38:35,750 --> 00:38:34,320

them

1116

00:38:37,670 --> 00:38:35,760

and uh

1117

00:38:41,109 --> 00:38:37,680

the blinds become absolutely useless

1118

00:38:42,950 --> 00:38:41,119

because the white light the light is so

1119

00:38:44,950 --> 00:38:42,960

intense

1120

00:38:49,750 --> 00:38:44,960

and so and so

1121

00:38:51,670 --> 00:38:49,760

they look up and this this uh giant ufo

1122

00:38:53,829 --> 00:38:51,680

they talked about the size of a football

1123

00:38:55,349 --> 00:38:53,839

field which is very interesting because

1124

00:38:56,470 --> 00:38:55,359

when phife simmington the former

1125

00:38:59,030 --> 00:38:56,480

governor of

1126
00:39:01,670 --> 00:38:59,040
arizona discussed the phoenix lights

1127
00:39:03,910 --> 00:39:01,680
and the craft that he saw slowly

1128
00:39:06,390 --> 00:39:03,920
hovering by him

1129
00:39:08,069 --> 00:39:06,400
and a hundred other people he described

1130
00:39:11,030 --> 00:39:08,079
it as the size of a football field so

1131
00:39:13,270 --> 00:39:11,040
that caught my attention to these these

1132
00:39:15,349 --> 00:39:13,280
similar descriptions but it capped the

1133
00:39:16,870 --> 00:39:15,359
valley literally capped it

1134
00:39:19,430 --> 00:39:16,880
and

1135
00:39:22,310 --> 00:39:19,440
they they had

1136
00:39:25,670 --> 00:39:22,320
it was a classic sort of ufo shape but

1137
00:39:27,990 --> 00:39:25,680
there were smaller units smaller ufos

1138
00:39:29,750 --> 00:39:28,000

uh disc shaped objects that were hung

1139

00:39:31,990 --> 00:39:29,760

from it

1140

00:39:33,670 --> 00:39:32,000

and um

1141

00:39:35,990 --> 00:39:33,680

around that time

1142

00:39:38,790 --> 00:39:36,000

the second set of beings they call them

1143

00:39:40,470 --> 00:39:38,800

the illuminated figures

1144

00:39:42,550 --> 00:39:40,480

surround the camper

1145

00:39:43,589 --> 00:39:42,560

and there are nine of them

1146

00:39:45,829 --> 00:39:43,599

and

1147

00:39:47,750 --> 00:39:45,839

these lines mean nothing you know these

1148

00:39:48,950 --> 00:39:47,760

blinds mean nothing because the light is

1149

00:39:51,109 --> 00:39:48,960

so intense

1150

00:39:53,030 --> 00:39:51,119

and these illuminated figures

1151
00:39:55,510 --> 00:39:53,040
they describe if the ones are frenetic

1152
00:39:57,910 --> 00:39:55,520
and sort of gremlin like these would be

1153
00:40:00,230 --> 00:39:57,920
like scientists

1154
00:40:03,190 --> 00:40:00,240
they're there literally surrounding the

1155
00:40:05,030 --> 00:40:03,200
camper studying them with with

1156
00:40:07,430 --> 00:40:05,040
incredible intensity

1157
00:40:08,550 --> 00:40:07,440
so so to be clear on this because i i

1158
00:40:10,710 --> 00:40:08,560
know you just said

1159
00:40:13,190 --> 00:40:10,720
so we have the little ones never let's

1160
00:40:14,630 --> 00:40:13,200
say uh entered the the trailer they just

1161
00:40:16,309 --> 00:40:14,640
they're outside causing the rockets

1162
00:40:19,750 --> 00:40:16,319
they're just everywhere the monitors are

1163
00:40:20,790 --> 00:40:19,760

locking them in okay yeah

1164

00:40:21,910 --> 00:40:20,800

and then

1165

00:40:34,710 --> 00:40:21,920

the

1166

00:40:37,349 --> 00:40:34,720

he said when he tried to take a step

1167

00:40:39,190 --> 00:40:37,359

forward what was there anything in yes

1168

00:40:40,950 --> 00:40:39,200

monitors two monitors and that's right

1169

00:40:42,309 --> 00:40:40,960

fire plugs

1170

00:40:44,150 --> 00:40:42,319

forgot about that

1171

00:40:45,430 --> 00:40:44,160

okay and so nothing else is in there

1172

00:40:47,030 --> 00:40:45,440

just these things that are now watching

1173

00:40:49,109 --> 00:40:47,040

them from the outside that you have

1174

00:40:50,230 --> 00:40:49,119

clearly he's got a gun over you know

1175

00:40:53,109 --> 00:40:50,240

shotgun

1176

00:40:55,990 --> 00:40:53,119

on his lap another remington rifle on

1177

00:40:56,870 --> 00:40:56,000

his lap but obviously he can't do

1178

00:40:59,030 --> 00:40:56,880

anything

1179

00:41:00,470 --> 00:40:59,040

and so literally they're they're trapped

1180

00:41:04,230 --> 00:41:00,480

and contained

1181

00:41:06,790 --> 00:41:04,240

and this is what makes this story so

1182

00:41:09,510 --> 00:41:06,800

incredibly bizarre

1183

00:41:12,550 --> 00:41:09,520

and real at the same time

1184

00:41:14,150 --> 00:41:12,560

about that time prior to

1185

00:41:16,870 --> 00:41:14,160

what what becomes almost a kind of

1186

00:41:21,589 --> 00:41:18,950

if you want to use that word

1187

00:41:22,950 --> 00:41:21,599

because what a scientist would do to a

1188

00:41:25,589 --> 00:41:22,960

chimpanzee

1189

00:41:27,030 --> 00:41:25,599

or what a scientist would do to a rabbit

1190

00:41:29,270 --> 00:41:27,040

or a lab rat

1191

00:41:30,630 --> 00:41:29,280

that's okay that's the way they were

1192

00:41:33,670 --> 00:41:30,640

viewed by these

1193

00:41:35,829 --> 00:41:33,680

illuminated figures as an experiment

1194

00:41:37,750 --> 00:41:35,839

you know totally unemotional

1195

00:41:40,230 --> 00:41:37,760

but in the meantime

1196

00:41:42,790 --> 00:41:40,240

they feel this rumbling this tremendous

1197

00:41:44,150 --> 00:41:42,800

rumbling like the earth is shaking

1198

00:41:46,790 --> 00:41:44,160

underneath them

1199

00:41:48,470 --> 00:41:46,800

and they hear this this rumbling sound

1200

00:41:51,910 --> 00:41:48,480

and smell

1201

00:41:54,790 --> 00:41:51,920

uh the unmistakable

1202

00:41:56,630 --> 00:41:54,800

i won't say scent because it's too

1203

00:41:59,109 --> 00:41:56,640

let's call it stench

1204

00:42:01,750 --> 00:41:59,119

okay sulfur

1205

00:42:03,030 --> 00:42:01,760

of sulfur or burning rubber

1206

00:42:04,950 --> 00:42:03,040

and

1207

00:42:08,069 --> 00:42:04,960

from the craft emerges a sort of

1208

00:42:10,870 --> 00:42:09,510

object

1209

00:42:14,710 --> 00:42:10,880

that combs

1210

00:42:16,470 --> 00:42:14,720

and it seems like a kind of mining

1211

00:42:19,750 --> 00:42:16,480

operation is going on

1212

00:42:23,670 --> 00:42:19,760

where this triangular

1213

00:42:26,150 --> 00:42:23,680

object instrument is combing the ground

1214

00:42:28,630 --> 00:42:26,160

and and they're mining underneath so

1215

00:42:31,190 --> 00:42:28,640

it's pinpointing certain areas

1216

00:42:32,550 --> 00:42:31,200

now interesting enough the mojave desert

1217

00:42:34,230 --> 00:42:32,560

is is famous

1218

00:42:35,750 --> 00:42:34,240

for rare earth

1219

00:42:37,349 --> 00:42:35,760

okay um

1220

00:42:38,630 --> 00:42:37,359

a lot of um

1221

00:42:43,030 --> 00:42:38,640

uh

1222

00:42:45,589 --> 00:42:43,040

elements yeah rare earth elements

1223

00:42:46,790 --> 00:42:45,599

elements that are used in laser weaponry

1224

00:42:48,470 --> 00:42:46,800

etc

1225

00:42:50,870 --> 00:42:48,480

and um

1226
00:42:53,030 --> 00:42:50,880
and so

1227
00:42:55,109 --> 00:42:53,040
they think my kind of mining operation

1228
00:42:58,069 --> 00:42:55,119
is going on at the same time now

1229
00:42:59,670 --> 00:42:58,079
simultaneous to this they're surrounded

1230
00:43:02,790 --> 00:42:59,680
and

1231
00:43:04,870 --> 00:43:02,800
now there's a this incredible

1232
00:43:06,630 --> 00:43:04,880
telepathic

1233
00:43:08,550 --> 00:43:06,640
domination

1234
00:43:10,230 --> 00:43:08,560
starts to happen

1235
00:43:13,270 --> 00:43:10,240
they're taken back

1236
00:43:15,670 --> 00:43:13,280
but not like a dream but literally like

1237
00:43:17,750 --> 00:43:15,680
taken back to experience different

1238
00:43:19,750 --> 00:43:17,760

things in their life

1239

00:43:21,109 --> 00:43:19,760

uh some

1240

00:43:22,630 --> 00:43:21,119

happy things

1241

00:43:25,109 --> 00:43:22,640

let's say a marriage

1242

00:43:27,270 --> 00:43:25,119

okay some

1243

00:43:28,870 --> 00:43:27,280

moments of exaltation let's say you're a

1244

00:43:29,670 --> 00:43:28,880

football player and you're

1245

00:43:32,630 --> 00:43:29,680

you

1246

00:43:35,990 --> 00:43:32,640

winning the big game right making the

1247

00:43:41,829 --> 00:43:39,109

let's say the birth of a child

1248

00:43:43,829 --> 00:43:41,839

but they weren't all positive

1249

00:43:44,950 --> 00:43:43,839

some of them were terrifying so for

1250

00:43:48,150 --> 00:43:44,960

example

1251
00:43:49,670 --> 00:43:48,160
dawn had had a uh when she was a

1252
00:43:51,829 --> 00:43:49,680
young girl

1253
00:43:53,990 --> 00:43:51,839
and a sexual assault

1254
00:43:55,349 --> 00:43:54,000
and so she was forced to relive that to

1255
00:43:57,589 --> 00:43:55,359
the moment

1256
00:44:01,109 --> 00:43:57,599
um

1257
00:44:03,190 --> 00:44:01,119
steve who was an avid hunter as we know

1258
00:44:05,270 --> 00:44:03,200
uh was was forced to

1259
00:44:07,190 --> 00:44:05,280
to have the tables turned

1260
00:44:08,950 --> 00:44:07,200
where he was being hunted

1261
00:44:10,870 --> 00:44:08,960
by a group of men

1262
00:44:12,390 --> 00:44:10,880
like the animals were

1263
00:44:13,910 --> 00:44:12,400

and actually shot

1264

00:44:16,630 --> 00:44:13,920

and skinned

1265

00:44:18,950 --> 00:44:16,640

so i mean so the idea

1266

00:44:21,349 --> 00:44:18,960

was that that that

1267

00:44:22,710 --> 00:44:21,359

one would would actually be screaming in

1268

00:44:23,829 --> 00:44:22,720

terror

1269

00:44:26,390 --> 00:44:23,839

while the other was going through

1270

00:44:27,829 --> 00:44:26,400

another kind of experience simultaneous

1271

00:44:29,270 --> 00:44:27,839

side by side

1272

00:44:31,349 --> 00:44:29,280

well that's what i was going to ask you

1273

00:44:32,870 --> 00:44:31,359

is like while this is happening

1274

00:44:34,470 --> 00:44:32,880

it wasn't at the same time what so

1275

00:44:36,069 --> 00:44:34,480

you're getting to not only are you going

1276

00:44:37,750 --> 00:44:36,079

to this traumatic thing or this is a

1277

00:44:39,430 --> 00:44:37,760

exhilarating thing you're watching your

1278

00:44:42,550 --> 00:44:39,440

person you care about the most too go

1279

00:44:46,230 --> 00:44:42,560

through this right next to you exactly

1280

00:44:49,030 --> 00:44:47,109

first of all they thought they're gonna

1281

00:44:50,630 --> 00:44:49,040

have a heart attack so their bodies are

1282

00:44:53,109 --> 00:44:50,640

pumping their hearts are pumping their

1283

00:44:55,510 --> 00:44:53,119

pulse rate is you know beyond

1284

00:44:57,750 --> 00:44:55,520

um you know

1285

00:45:00,710 --> 00:44:57,760

beyond uh healthy levels let's at least

1286

00:45:02,470 --> 00:45:00,720

say that yeah mine would be too but then

1287

00:45:03,829 --> 00:45:02,480

but then what would happen is a sort of

1288

00:45:06,870 --> 00:45:03,839

uh

1289

00:45:08,710 --> 00:45:06,880

a cool mist would come into the camper

1290

00:45:10,550 --> 00:45:08,720

and it would be like a sedative

1291

00:45:11,910 --> 00:45:10,560

it would calm them down

1292

00:45:13,829 --> 00:45:11,920

so that they wouldn't have a heart

1293

00:45:14,710 --> 00:45:13,839

attack and so it would be sort of like

1294

00:45:18,630 --> 00:45:14,720

this

1295

00:45:20,790 --> 00:45:18,640

insidious

1296

00:45:23,030 --> 00:45:20,800

and and terrifying

1297

00:45:24,630 --> 00:45:23,040

it was like they were being kept alive

1298

00:45:26,390 --> 00:45:24,640

in other words we don't we're not going

1299

00:45:28,309 --> 00:45:26,400

to let you die right we're not going to

1300

00:45:29,990 --> 00:45:28,319

let you can't let you pass away here

1301
00:45:31,270 --> 00:45:30,000
because we still have more experiments

1302
00:45:34,710 --> 00:45:31,280
to do

1303
00:45:37,030 --> 00:45:34,720
man and and so the whole thing

1304
00:45:38,390 --> 00:45:37,040
like i said is a chilling

1305
00:45:40,470 --> 00:45:38,400
experience

1306
00:45:43,190 --> 00:45:40,480
on many levels now you can see it's a

1307
00:45:44,470 --> 00:45:43,200
multi-dimensional situation in terms of

1308
00:45:46,630 --> 00:45:44,480
levels of

1309
00:45:48,150 --> 00:45:46,640
of emotion

1310
00:45:50,230 --> 00:45:48,160
and um

1311
00:45:52,069 --> 00:45:50,240
they think they've gone crazy

1312
00:45:53,109 --> 00:45:52,079
so literally they start pinching one

1313
00:45:55,750 --> 00:45:53,119

another

1314

00:45:58,150 --> 00:45:55,760

so dawn would pinch steve and say

1315

00:46:00,630 --> 00:45:58,160

this is what i see

1316

00:46:01,829 --> 00:46:00,640

what do you see and they'd compare notes

1317

00:46:03,589 --> 00:46:01,839

to make sure

1318

00:46:05,750 --> 00:46:03,599

that they were seeing the same things at

1319

00:46:08,069 --> 00:46:05,760

the same time in minute detail which

1320

00:46:09,349 --> 00:46:08,079

yeah yeah it's such a credible thing to

1321

00:46:10,710 --> 00:46:09,359

do

1322

00:46:11,510 --> 00:46:10,720

i mean but this sounds like this went on

1323

00:46:13,030 --> 00:46:11,520

for

1324

00:46:14,790 --> 00:46:13,040

hours hours right we're talking that

1325

00:46:16,550 --> 00:46:14,800

basically all it sounds like

1326

00:46:18,470 --> 00:46:16,560

majority of the evening the early

1327

00:46:20,069 --> 00:46:18,480

morning times hours

1328

00:46:22,790 --> 00:46:20,079

and um

1329

00:46:24,950 --> 00:46:22,800

and so so they were sort of kept alive

1330

00:46:26,790 --> 00:46:24,960

on this uh basis they thought they were

1331

00:46:28,630 --> 00:46:26,800

in hell they thought they had died and

1332

00:46:30,790 --> 00:46:28,640

were in hell

1333

00:46:32,710 --> 00:46:30,800

i mean isn't that a a stunning statement

1334

00:46:33,589 --> 00:46:32,720

but that's what she said actually

1335

00:46:35,430 --> 00:46:33,599

uh

1336

00:46:37,910 --> 00:46:35,440

in the book there's you know a lot of

1337

00:46:40,230 --> 00:46:37,920

dialogue a lot of quotes that come from

1338

00:46:43,190 --> 00:46:40,240

recordings and from the the

1339

00:46:45,430 --> 00:46:43,200

videotaped hypnotic sessions and whatnot

1340

00:46:47,270 --> 00:46:45,440

but um this was all conscious

1341

00:46:48,950 --> 00:46:47,280

so it didn't need to be retrogressed for

1342

00:46:51,430 --> 00:46:48,960

this this was happening they could just

1343

00:46:52,790 --> 00:46:51,440

like you and i are talking confirmed

1344

00:46:53,829 --> 00:46:52,800

this was uh

1345

00:46:57,910 --> 00:46:53,839

this was

1346

00:46:59,349 --> 00:46:57,920

a real situation not buried in any way

1347

00:47:00,309 --> 00:46:59,359

and um

1348

00:47:02,950 --> 00:47:00,319

so

1349

00:47:04,390 --> 00:47:02,960

torment

1350

00:47:06,710 --> 00:47:04,400

and uh

1351

00:47:08,870 --> 00:47:06,720

even to the point where

1352

00:47:11,349 --> 00:47:08,880

they sort of tease them

1353

00:47:13,829 --> 00:47:11,359

they withdraw and and they're saying

1354

00:47:16,309 --> 00:47:13,839

thank god maybe it's over but then they

1355

00:47:18,309 --> 00:47:16,319

come back even stronger

1356

00:47:20,150 --> 00:47:18,319

and so this is playing with their

1357

00:47:22,069 --> 00:47:20,160

playing with their minds and ways and by

1358

00:47:24,069 --> 00:47:22,079

the way the things about the kids that i

1359

00:47:25,670 --> 00:47:24,079

really don't want to get into but you

1360

00:47:27,910 --> 00:47:25,680

can imagine yeah

1361

00:47:31,510 --> 00:47:27,920

the whole idea

1362

00:47:32,790 --> 00:47:31,520

dawn said later in analyzing it with dr

1363

00:47:34,230 --> 00:47:32,800

anixter

1364

00:47:36,549 --> 00:47:34,240

was that

1365

00:47:41,670 --> 00:47:39,030

she didn't feel like they understood

1366

00:47:43,750 --> 00:47:41,680

human emotions

1367

00:47:45,349 --> 00:47:43,760

and this this was a way

1368

00:47:48,230 --> 00:47:45,359

to study

1369

00:47:50,390 --> 00:47:48,240

how humans react what fear is like

1370

00:47:53,910 --> 00:47:50,400

what what makes somebody afraid what

1371

00:47:56,630 --> 00:47:53,920

horror is like what ecstasy is like what

1372

00:47:59,430 --> 00:47:56,640

happiness is like what gratification is

1373

00:48:02,309 --> 00:47:59,440

like what terror is like so

1374

00:48:03,670 --> 00:48:02,319

it's this sort of roller coaster where i

1375

00:48:05,349 --> 00:48:03,680

mean you would

1376

00:48:08,230 --> 00:48:05,359

you me or anyone i suppose would just

1377

00:48:09,030 --> 00:48:08,240

say i think we've gone crazy yeah yeah

1378

00:48:10,950 --> 00:48:09,040

yeah

1379

00:48:12,150 --> 00:48:10,960

i it's it's funny like i've seen in the

1380

00:48:13,910 --> 00:48:12,160

chat some people are talking about

1381

00:48:15,430 --> 00:48:13,920

saying that as far as the smell it's

1382

00:48:16,549 --> 00:48:15,440

been associated i guess in the past

1383

00:48:17,829 --> 00:48:16,559

people are saying with the sulfur with

1384

00:48:18,950 --> 00:48:17,839

demons and stuff and some people say

1385

00:48:20,150 --> 00:48:18,960

they've seen one

1386

00:48:22,230 --> 00:48:20,160

so i could see why they would think at

1387

00:48:23,589 --> 00:48:22,240

this time that they're literally living

1388

00:48:25,430 --> 00:48:23,599

in hell at that moment they're

1389

00:48:26,950 --> 00:48:25,440

experiencing a hell like moment at least

1390

00:48:28,069 --> 00:48:26,960

mr gary voorhees thank you very much for

1391

00:48:29,910 --> 00:48:28,079

that super chat brother and good to see

1392

00:48:30,710 --> 00:48:29,920

you in the chat tonight

1393

00:48:32,390 --> 00:48:30,720

so

1394

00:48:35,030 --> 00:48:32,400

this is

1395

00:48:36,150 --> 00:48:35,040

the you know really interesting thing

1396

00:48:38,470 --> 00:48:36,160

um

1397

00:48:40,390 --> 00:48:38,480

i mean it it's almost

1398

00:48:42,470 --> 00:48:40,400

it's almost like

1399

00:48:43,990 --> 00:48:42,480

they're having a kind of

1400

00:48:46,150 --> 00:48:44,000

extraterrestrial

1401

00:48:47,430 --> 00:48:46,160

or almost religious

1402

00:48:48,870 --> 00:48:47,440

experience

1403

00:48:50,630 --> 00:48:48,880

in the sense that

1404

00:48:51,750 --> 00:48:50,640

there seems to be a sort of good and

1405

00:48:54,309 --> 00:48:51,760

evil

1406

00:48:55,349 --> 00:48:54,319

thing going on here and and what really

1407

00:48:58,069 --> 00:48:55,359

caps it

1408

00:49:00,470 --> 00:48:58,079

in that sense is this

1409

00:49:03,109 --> 00:49:00,480

just when they they believe that they're

1410

00:49:04,950 --> 00:49:03,119

they're either dead or going to die for

1411

00:49:06,470 --> 00:49:04,960

sure and that their kids are in grave

1412

00:49:07,910 --> 00:49:06,480

danger

1413

00:49:09,589 --> 00:49:07,920

um

1414

00:49:12,470 --> 00:49:09,599

this presence

1415

00:49:13,829 --> 00:49:12,480

an angelic presence appears in the in

1416

00:49:15,030 --> 00:49:13,839

the sky

1417

00:49:18,150 --> 00:49:15,040

okay

1418

00:49:19,589 --> 00:49:18,160

unmistakably feminine

1419

00:49:21,589 --> 00:49:19,599

um

1420

00:49:22,710 --> 00:49:21,599

in the shape of a kind of angelic

1421

00:49:24,710 --> 00:49:22,720

presence

1422

00:49:27,030 --> 00:49:24,720

they called this

1423

00:49:29,750 --> 00:49:27,040

their comforter

1424

00:49:31,990 --> 00:49:29,760

and basically this female voice

1425

00:49:33,510 --> 00:49:32,000

telepathically tells them

1426

00:49:35,510 --> 00:49:33,520

you'll survive this

1427

00:49:37,430 --> 00:49:35,520

your kids will be okay

1428

00:49:40,470 --> 00:49:37,440

this will be over soon

1429

00:49:42,710 --> 00:49:40,480

don't don't panic you know don't don't

1430

00:49:44,790 --> 00:49:42,720

just just hold it together

1431

00:49:46,309 --> 00:49:44,800

this won't last forever

1432

00:49:48,309 --> 00:49:46,319

and of course they were incredibly

1433

00:49:51,589 --> 00:49:48,319

grateful about that

1434

00:49:54,230 --> 00:49:51,599

and uh after that they they get very

1435

00:50:00,150 --> 00:49:56,790

classic right things start to withdraw

1436

00:50:02,790 --> 00:50:00,160

they get incredibly tired like drugged

1437

00:50:06,150 --> 00:50:02,800

and they they go to sleep

1438

00:50:08,069 --> 00:50:06,160

they they wake up

1439

00:50:09,910 --> 00:50:08,079

hours later

1440

00:50:12,630 --> 00:50:09,920

sprawled on the outside the camper

1441

00:50:14,390 --> 00:50:12,640

sprawled on the ground with the fire

1442

00:50:16,710 --> 00:50:14,400

dead

1443

00:50:19,510 --> 00:50:16,720

and fully clothed

1444

00:50:21,670 --> 00:50:19,520

but terribly disoriented of course

1445

00:50:23,270 --> 00:50:21,680

and um

1446

00:50:24,390 --> 00:50:23,280

and they they think the end of the world

1447

00:50:26,549 --> 00:50:24,400

happened

1448

00:50:27,910 --> 00:50:26,559

you know they couldn't imagine

1449

00:50:29,990 --> 00:50:27,920

that this was something that just

1450

00:50:32,150 --> 00:50:30,000

happened to them because it was on such

1451
00:50:33,750 --> 00:50:32,160
a massive scale

1452
00:50:35,510 --> 00:50:33,760
so they think

1453
00:50:37,829 --> 00:50:35,520
you mentioned the russians they they

1454
00:50:38,790 --> 00:50:37,839
thought that there was some sort of uh

1455
00:50:43,670 --> 00:50:38,800
attack

1456
00:50:45,829 --> 00:50:43,680
and a world war

1457
00:50:50,230 --> 00:50:45,839
and so

1458
00:50:56,230 --> 00:50:52,710
pack up to get go home

1459
00:50:58,549 --> 00:50:56,240
and again this whole idea of uh

1460
00:51:00,470 --> 00:50:58,559
we've just experienced something that

1461
00:51:01,670 --> 00:51:00,480
is so large

1462
00:51:03,990 --> 00:51:01,680
so huge

1463
00:51:05,430 --> 00:51:04,000

that it's hard to to get your feet on

1464

00:51:08,390 --> 00:51:05,440

the ground again

1465

00:51:09,990 --> 00:51:08,400

but they they want to find out who else

1466

00:51:11,589 --> 00:51:10,000

has heard about so they turn the radio

1467

00:51:14,309 --> 00:51:11,599

on and they're expecting

1468

00:51:17,670 --> 00:51:14,319

you know some news bulletins yeah no

1469

00:51:19,190 --> 00:51:17,680

news bulletins which to them is you know

1470

00:51:20,870 --> 00:51:19,200

unbelievable

1471

00:51:23,910 --> 00:51:20,880

but yeah so they hear a country western

1472

00:51:26,710 --> 00:51:23,920

song or randy travis or ever singing

1473

00:51:29,670 --> 00:51:26,720

good old randy travis

1474

00:51:30,950 --> 00:51:29,680

not not not too far they they drive in

1475

00:51:31,670 --> 00:51:30,960

their camper

1476

00:51:33,270 --> 00:51:31,680

and

1477

00:51:35,510 --> 00:51:33,280

several miles away they run into an

1478

00:51:37,990 --> 00:51:35,520

older couple who are camping

1479

00:51:39,109 --> 00:51:38,000

you know did you see anything peculiar

1480

00:51:40,870 --> 00:51:39,119

they're very

1481

00:51:42,950 --> 00:51:40,880

uh skittish about

1482

00:51:43,829 --> 00:51:42,960

not putting it right out there yeah

1483

00:51:45,270 --> 00:51:43,839

so

1484

00:51:46,790 --> 00:51:45,280

they said no you know we went to bed

1485

00:51:48,309 --> 00:51:46,800

early and you know we didn't see

1486

00:51:51,589 --> 00:51:48,319

anything so again

1487

00:51:54,390 --> 00:51:51,599

this is part of the the

1488

00:51:55,190 --> 00:51:54,400

the uh post-traumatic stress syndrome

1489

00:51:57,430 --> 00:51:55,200

thing

1490

00:52:01,109 --> 00:51:57,440

where you've had this experience

1491

00:52:02,630 --> 00:52:01,119

that is absolutely life-altering

1492

00:52:05,190 --> 00:52:02,640

and then you run into somebody that's

1493

00:52:07,190 --> 00:52:05,200

five miles away they say well we didn't

1494

00:52:09,349 --> 00:52:07,200

hear a thing you know we

1495

00:52:10,230 --> 00:52:09,359

turned the radio on we didn't hear a

1496

00:52:12,870 --> 00:52:10,240

thing

1497

00:52:14,870 --> 00:52:12,880

so that's so jarring

1498

00:52:16,230 --> 00:52:14,880

because you have this energy built up

1499

00:52:18,470 --> 00:52:16,240

inside you that

1500

00:52:20,470 --> 00:52:18,480

this incredible thing happened

1501
00:52:22,950 --> 00:52:20,480
but no one knows about it and how do you

1502
00:52:24,069 --> 00:52:22,960
tell someone about it

1503
00:52:26,069 --> 00:52:24,079
so

1504
00:52:28,069 --> 00:52:26,079
they uh drive home they feel like

1505
00:52:29,750 --> 00:52:28,079
they're being followed

1506
00:52:31,910 --> 00:52:29,760
you know interesting feeling to have

1507
00:52:34,069 --> 00:52:31,920
that right that that sense of being

1508
00:52:36,549 --> 00:52:34,079
watched you know even if nothing's there

1509
00:52:38,230 --> 00:52:36,559
you just have that sentence exactly and

1510
00:52:39,430 --> 00:52:38,240
they think they're being followed but

1511
00:52:41,430 --> 00:52:39,440
again

1512
00:52:43,349 --> 00:52:41,440
this could be part of the same syndrome

1513
00:52:46,309 --> 00:52:43,359

but once you experience something like

1514

00:52:47,510 --> 00:52:46,319

that you're so paranoid you're so into

1515

00:52:49,589 --> 00:52:47,520

it that of course you're gonna feel like

1516

00:52:51,510 --> 00:52:49,599

your father whether you are you aren't

1517

00:52:53,349 --> 00:52:51,520

but they they had that that that

1518

00:52:55,030 --> 00:52:53,359

terrible sensation

1519

00:52:58,549 --> 00:52:55,040

and um

1520

00:53:00,309 --> 00:52:58,559

really uh they they reluctantly tell

1521

00:53:02,790 --> 00:53:00,319

their parents because their parents

1522

00:53:05,030 --> 00:53:02,800

noticed something is horribly wrong

1523

00:53:06,549 --> 00:53:05,040

and uh

1524

00:53:08,790 --> 00:53:06,559

their parents said well i'm sure that

1525

00:53:10,870 --> 00:53:08,800

you think you saw something you know

1526
00:53:12,870 --> 00:53:10,880
that kind of thing you know i'm sure you

1527
00:53:14,549 --> 00:53:12,880
believe this happened

1528
00:53:16,390 --> 00:53:14,559
but that's the most patronizing and

1529
00:53:18,069 --> 00:53:16,400
awful thing in the world right

1530
00:53:19,750 --> 00:53:18,079
in other words it didn't really happen

1531
00:53:20,710 --> 00:53:19,760
but i i believe that you think it

1532
00:53:22,950 --> 00:53:20,720
happened

1533
00:53:24,470 --> 00:53:22,960
and so they were terribly disturbed and

1534
00:53:26,470 --> 00:53:24,480
disappointed

1535
00:53:28,790 --> 00:53:26,480
that uh you know that that's kind of the

1536
00:53:29,910 --> 00:53:28,800
way it came down they the parents knew

1537
00:53:32,150 --> 00:53:29,920
something was

1538
00:53:33,990 --> 00:53:32,160

really wrong with them but they they

1539

00:53:36,470 --> 00:53:34,000

thought there was some misunderstanding

1540

00:53:37,190 --> 00:53:36,480

that it was a desert x warfare exercise

1541

00:53:41,190 --> 00:53:37,200

or

1542

00:53:42,470 --> 00:53:41,200

think that what they said happened

1543

00:53:44,230 --> 00:53:42,480

happened

1544

00:53:45,910 --> 00:53:44,240

and that was that was really why they

1545

00:53:47,910 --> 00:53:45,920

just shut up greed

1546

00:53:49,190 --> 00:53:47,920

and they said you know our own parents

1547

00:53:50,950 --> 00:53:49,200

believe this

1548

00:53:54,150 --> 00:53:50,960

yeah that's what apollo 11's in the chat

1549

00:53:55,270 --> 00:53:54,160

is saying it totally you know crazy

1550

00:53:56,390 --> 00:53:55,280

that has to be so hard because you're

1551

00:53:57,829 --> 00:53:56,400

opening like you said

1552

00:53:59,270 --> 00:53:57,839

you'd hope right the closest ones your

1553

00:54:00,950 --> 00:53:59,280

family that you could to

1554

00:54:03,589 --> 00:54:00,960

to maybe share or say something and it's

1555

00:54:05,430 --> 00:54:03,599

just kind of passed off as uh you know

1556

00:54:06,950 --> 00:54:05,440

well i'm sure that's you know good for

1557

00:54:07,910 --> 00:54:06,960

you that's true believe you know kind of

1558

00:54:10,230 --> 00:54:07,920

deal and

1559

00:54:12,230 --> 00:54:10,240

by the way larry congratulations on two

1560

00:54:13,190 --> 00:54:12,240

months of being a doctor scientist

1561

00:54:15,109 --> 00:54:13,200

member thank you very much for

1562

00:54:17,589 --> 00:54:15,119

supporting the show thank you

1563

00:54:19,990 --> 00:54:17,599

um yeah so i'm sure as this experience

1564

00:54:20,870 --> 00:54:20,000

is coming to like i'm picturing in my

1565

00:54:22,470 --> 00:54:20,880

mind

1566

00:54:24,309 --> 00:54:22,480

um as you we've already referenced

1567

00:54:25,829 --> 00:54:24,319

earlier and maybe a soldier coming home

1568

00:54:27,670 --> 00:54:25,839

from war

1569

00:54:29,190 --> 00:54:27,680

or you go to the hospital maybe you work

1570

00:54:30,150 --> 00:54:29,200

in the medical field or anything like

1571

00:54:32,309 --> 00:54:30,160

that where you've had this just

1572

00:54:33,270 --> 00:54:32,319

absolutely traumatic experience just not

1573

00:54:35,510 --> 00:54:33,280

even

1574

00:54:36,870 --> 00:54:35,520

a couple hours ago and you go out and

1575

00:54:38,069 --> 00:54:36,880

people are talking about they're upset

1576

00:54:39,589 --> 00:54:38,079

because they had to stand on the line a

1577

00:54:41,190 --> 00:54:39,599

little bit longer or something you know

1578

00:54:43,990 --> 00:54:41,200

it's like it the issues of the world

1579

00:54:45,510 --> 00:54:44,000

just don't matter anymore in comparison

1580

00:54:47,109 --> 00:54:45,520

and i just try and imagine how they got

1581

00:54:49,510 --> 00:54:47,119

back to everyday life you know well

1582

00:54:51,510 --> 00:54:49,520

actually um they didn't they didn't get

1583

00:54:53,910 --> 00:54:51,520

back to everyday life and as a matter of

1584

00:54:55,430 --> 00:54:53,920

fact um they did have experiences in

1585

00:54:59,910 --> 00:54:55,440

their own home

1586

00:55:01,510 --> 00:54:59,920

um really yeah oh yeah absolutely um

1587

00:55:03,430 --> 00:55:01,520

there's a couple i mean i actually i

1588

00:55:05,510 --> 00:55:03,440

have to say i'm not

1589

00:55:07,109 --> 00:55:05,520

blatantly trying to promote my book but

1590

00:55:08,470 --> 00:55:07,119

but if you we should get the book i'm

1591

00:55:09,990 --> 00:55:08,480

gonna drop the link again guys you

1592

00:55:12,710 --> 00:55:10,000

should definitely get the book if you

1593

00:55:14,470 --> 00:55:12,720

read the scene it's it's amazing because

1594

00:55:16,150 --> 00:55:14,480

for example

1595

00:55:18,710 --> 00:55:16,160

they're asleep

1596

00:55:21,190 --> 00:55:18,720

and um they wake up

1597

00:55:23,430 --> 00:55:21,200

and uh all of a sudden both of them want

1598

00:55:26,390 --> 00:55:23,440

to make love

1599

00:55:28,390 --> 00:55:26,400

really yeah so they they do

1600

00:55:30,710 --> 00:55:28,400

but they're surrounded

1601
00:55:32,309 --> 00:55:30,720
by these beings watching them making

1602
00:55:34,230 --> 00:55:32,319
love around the bed

1603
00:55:36,230 --> 00:55:34,240
in their own this is in their own home

1604
00:55:38,150 --> 00:55:36,240
in their own home

1605
00:55:40,789 --> 00:55:38,160
did they stop to convert to ask each

1606
00:55:42,630 --> 00:55:40,799
other like are you seeing this or like

1607
00:55:44,630 --> 00:55:42,640
i i think it was like it's it's sort of

1608
00:55:45,510 --> 00:55:44,640
like robotic

1609
00:55:48,789 --> 00:55:45,520
okay

1610
00:55:50,230 --> 00:55:48,799
more so it was just it was just uh we're

1611
00:55:51,670 --> 00:55:50,240
we're moving where we're being told to

1612
00:55:53,030 --> 00:55:51,680
move at this point kind of kind of like

1613
00:55:55,670 --> 00:55:53,040

when they went into the trailer and we

1614

00:55:57,589 --> 00:55:55,680

had a gun exactly like that and another

1615

00:55:59,670 --> 00:55:57,599

incident um

1616

00:56:03,510 --> 00:55:59,680

which is pretty terrifying

1617

00:56:04,549 --> 00:56:03,520

steve jr who was i want to say

1618

00:56:09,990 --> 00:56:04,559

four

1619

00:56:11,510 --> 00:56:10,000

this is a different night

1620

00:56:13,030 --> 00:56:11,520

three in the morning or so left out this

1621

00:56:15,589 --> 00:56:13,040

awful scream

1622

00:56:17,430 --> 00:56:15,599

it says screaming hysterically they both

1623

00:56:21,430 --> 00:56:17,440

rush into the room and he's in the

1624

00:56:26,069 --> 00:56:25,190

he's in the air spinning like a top yes

1625

00:56:30,150 --> 00:56:26,079

so

1626

00:56:33,109 --> 00:56:30,160

rushes to grab him

1627

00:56:35,430 --> 00:56:33,119

embraces him and and he he goes don't

1628

00:56:37,349 --> 00:56:35,440

don't ever leave i'm i'm scared don't

1629

00:56:39,589 --> 00:56:37,359

leave don't leave the room unless you

1630

00:56:41,670 --> 00:56:39,599

know she goes why why what happened she

1631

00:56:43,349 --> 00:56:41,680

goes there are monsters so she go oh

1632

00:56:44,870 --> 00:56:43,359

there are no monsters he goes no there

1633

00:56:47,190 --> 00:56:44,880

are monsters they're little and they

1634

00:56:49,270 --> 00:56:47,200

have red eyes

1635

00:56:50,630 --> 00:56:49,280

what do you do as a parent you know like

1636

00:56:51,750 --> 00:56:50,640

i said there there's been parts i've

1637

00:56:53,510 --> 00:56:51,760

listened to this story i've read you

1638

00:56:54,950 --> 00:56:53,520

know parts of the book as well where it

1639

00:56:56,309 --> 00:56:54,960

truly breaks my heart like i said that

1640

00:56:57,990 --> 00:56:56,319

experience of them being in the in the

1641

00:56:59,109 --> 00:56:58,000

trailer and if you're just coming in it

1642

00:57:00,069 --> 00:56:59,119

may be a chance to go back and listen

1643

00:57:01,750 --> 00:57:00,079

you hear what the experience that they

1644

00:57:02,710 --> 00:57:01,760

experienced there and then what we're

1645

00:57:03,990 --> 00:57:02,720

going through right here which is in

1646

00:57:05,829 --> 00:57:04,000

their own home now you'd hope in the

1647

00:57:07,510 --> 00:57:05,839

sanctity of your home right right maybe

1648

00:57:09,589 --> 00:57:07,520

that happened there but that was that

1649

00:57:10,950 --> 00:57:09,599

place but now i'm in my home yeah and

1650

00:57:13,030 --> 00:57:10,960

this is happening and now no longer just

1651
00:57:14,789 --> 00:57:13,040
me now i have my you know i have you

1652
00:57:16,150 --> 00:57:14,799
know i have a almost four year old

1653
00:57:18,069 --> 00:57:16,160
upstairs right now myself i couldn't

1654
00:57:20,069 --> 00:57:18,079
imagine the fear you know that they

1655
00:57:22,710 --> 00:57:20,079
haven't have a bad dream let alone

1656
00:57:26,390 --> 00:57:22,720
this what do you do with that absolutely

1657
00:57:29,349 --> 00:57:26,400
and another situation at home so i just

1658
00:57:31,030 --> 00:57:29,359
and which explains like what i got to

1659
00:57:32,390 --> 00:57:31,040
when i got there and met them what

1660
00:57:33,910 --> 00:57:32,400
they'd been through

1661
00:57:35,990 --> 00:57:33,920
um

1662
00:57:37,349 --> 00:57:36,000
again steve is

1663
00:57:38,630 --> 00:57:37,359

half asleep

1664

00:57:41,510 --> 00:57:38,640

they're in bed

1665

00:57:44,069 --> 00:57:41,520

and um he sees

1666

00:57:45,910 --> 00:57:44,079

a a being

1667

00:57:48,950 --> 00:57:45,920

walk through the wall

1668

00:57:50,549 --> 00:57:48,960

it's uh about four feet high

1669

00:57:53,190 --> 00:57:50,559

um large eyes

1670

00:57:54,549 --> 00:57:53,200

very standard to that no mouth to speak

1671

00:57:56,230 --> 00:57:54,559

of a slit

1672

00:57:58,789 --> 00:57:56,240

um big eyes

1673

00:58:01,670 --> 00:57:58,799

um and lauren's head

1674

00:58:03,750 --> 00:58:01,680

wearing a kind of suit a white suit and

1675

00:58:04,870 --> 00:58:03,760

the white suit has an arrow in the

1676
00:58:05,990 --> 00:58:04,880
center

1677
00:58:07,349 --> 00:58:06,000
the chest

1678
00:58:09,750 --> 00:58:07,359
that's um

1679
00:58:11,349 --> 00:58:09,760
that's sort of a truncated arrow

1680
00:58:13,670 --> 00:58:11,359
so if you looked at an arrow and took

1681
00:58:15,910 --> 00:58:13,680
the the head of the arrow in the first

1682
00:58:18,549 --> 00:58:15,920
the first couple of inches

1683
00:58:21,510 --> 00:58:18,559
it's a red thing on that's on his like a

1684
00:58:23,270 --> 00:58:21,520
kind of okay uniform

1685
00:58:24,789 --> 00:58:23,280
and it's a solid blocked arrow with a

1686
00:58:26,870 --> 00:58:24,799
little red dot basically at the tip of

1687
00:58:28,710 --> 00:58:26,880
the arrow there and and

1688
00:58:30,789 --> 00:58:28,720

it starts stroking

1689

00:58:32,549 --> 00:58:30,799

dawn's face with its long elongated

1690

00:58:35,430 --> 00:58:32,559

fingers so steve is seeing this in

1691

00:58:37,109 --> 00:58:35,440

horror but paralyzed as he's watching

1692

00:58:39,190 --> 00:58:37,119

and um

1693

00:58:41,750 --> 00:58:39,200

uh

1694

00:58:43,670 --> 00:58:41,760

dawn then gets up screaming

1695

00:58:46,710 --> 00:58:43,680

she runs to the mirror

1696

00:58:48,549 --> 00:58:46,720

and her face is covered with burns

1697

00:58:51,589 --> 00:58:48,559

and so he gets a camera wants to take

1698

00:58:53,670 --> 00:58:51,599

pictures of it and he does

1699

00:58:54,789 --> 00:58:53,680

the pictures don't come out they're just

1700

00:58:57,190 --> 00:58:54,799

blank

1701
00:58:59,109 --> 00:58:57,200
and she's hysterical because she thinks

1702
00:59:01,670 --> 00:58:59,119
he's been disfigured

1703
00:59:04,710 --> 00:59:01,680
but the marks go away in the course of

1704
00:59:07,190 --> 00:59:04,720
uh in the course of a few hours

1705
00:59:09,829 --> 00:59:07,200
but again this is in your home

1706
00:59:10,710 --> 00:59:09,839
this is the sanctity of your home and

1707
00:59:14,549 --> 00:59:10,720
so

1708
00:59:16,870 --> 00:59:14,559
post-traumatic stress syndrome or

1709
00:59:19,910 --> 00:59:16,880
whatever but obviously

1710
00:59:22,230 --> 00:59:19,920
this is much worse than that because it

1711
00:59:24,309 --> 00:59:22,240
doesn't stop

1712
00:59:26,390 --> 00:59:24,319
and yeah and when this is going on too

1713
00:59:27,109 --> 00:59:26,400

if you don't want me asking if so are

1714

00:59:34,630 --> 00:59:27,119

they

1715

00:59:36,870 --> 00:59:34,640

have a a physician or a licensed person

1716

00:59:39,670 --> 00:59:36,880

that's where paul moran the mutual

1717

00:59:42,230 --> 00:59:39,680

okay friend comes in and this is about

1718

00:59:44,870 --> 00:59:42,240

the time that i saw them

1719

00:59:47,109 --> 00:59:44,880

and uh they kept having nightmares

1720

00:59:50,390 --> 00:59:47,119

horrible nightmares about an abduction

1721

00:59:51,829 --> 00:59:50,400

about being dragged onto the ufo

1722

00:59:53,990 --> 00:59:51,839

and uh

1723

00:59:55,430 --> 00:59:54,000

and they just bits and pieces that were

1724

00:59:56,870 --> 00:59:55,440

terrifying

1725

00:59:58,549 --> 00:59:56,880

and um

1726

00:59:59,910 --> 00:59:58,559

so when i met them and got to know them

1727

01:00:02,309 --> 00:59:59,920

i said you know and you know my

1728

01:00:04,390 --> 01:00:02,319

background was sort of law enforcement

1729

01:00:06,230 --> 01:00:04,400

so i'd worked with a lot of detectives

1730

01:00:07,910 --> 01:00:06,240

to detective magazine and you know

1731

01:00:09,670 --> 01:00:07,920

detectives working on the stories and

1732

01:00:11,910 --> 01:00:09,680

whatnot i said we're going to handle

1733

01:00:14,230 --> 01:00:11,920

this like an investigation

1734

01:00:16,710 --> 01:00:14,240

so i'm going to get the best doctor that

1735

01:00:18,230 --> 01:00:16,720

i know right that i can find so i had a

1736

01:00:19,430 --> 01:00:18,240

roommate that was a

1737

01:00:20,309 --> 01:00:19,440

georgetown

1738

01:00:23,030 --> 01:00:20,319

who

1739

01:00:24,870 --> 01:00:23,040

was a surgeon became a surgeon

1740

01:00:26,309 --> 01:00:24,880

so i called him and talked to him in

1741

01:00:28,549 --> 01:00:26,319

years so it was a pretty strange

1742

01:00:30,470 --> 01:00:28,559

conversation call him up out of the blue

1743

01:00:33,670 --> 01:00:30,480

everybody how's it going

1744

01:00:34,950 --> 01:00:33,680

you know i have this situation

1745

01:00:37,349 --> 01:00:34,960

so anyway

1746

01:00:38,069 --> 01:00:37,359

he uh said i'll tell you you know he

1747

01:00:41,349 --> 01:00:38,079

thought

1748

01:00:44,309 --> 01:00:41,359

that after all these years i'm calling

1749

01:00:47,109 --> 01:00:44,319

them about a ufo experience and you know

1750

01:00:48,549 --> 01:00:47,119

but anyway i said i i want the best

1751

01:00:51,349 --> 01:00:48,559

psychiatrist

1752

01:00:53,270 --> 01:00:51,359

that you know of the most credible one

1753

01:00:55,030 --> 01:00:53,280

and i'll pay them whatever

1754

01:00:57,109 --> 01:00:55,040

they need

1755

01:00:59,270 --> 01:00:57,119

hear the story they'll want to be

1756

01:01:00,950 --> 01:00:59,280

involved so i told them the story and he

1757

01:01:03,910 --> 01:01:00,960

said you know

1758

01:01:04,950 --> 01:01:03,920

i could see why somebody would you know

1759

01:01:08,549 --> 01:01:04,960

uh

1760

01:01:10,789 --> 01:01:08,559

a guy like bernie vatone dr viton who is

1761

01:01:14,069 --> 01:01:10,799

the director of the national center of

1762

01:01:15,349 --> 01:01:14,079

psychiatry in washington dc agreed

1763

01:01:17,910 --> 01:01:15,359

to study them

1764

01:01:19,829 --> 01:01:17,920

to put them through a battery of tests

1765

01:01:22,309 --> 01:01:19,839

and interviews

1766

01:01:24,470 --> 01:01:22,319

and uh determine again whether they were

1767

01:01:27,510 --> 01:01:24,480

prone to fantasy whether they were

1768

01:01:30,309 --> 01:01:27,520

neurotic uh whether they were psychotic

1769

01:01:35,109 --> 01:01:31,910

they were liars

1770

01:01:37,030 --> 01:01:35,119

you know you know whether they were

1771

01:01:39,430 --> 01:01:37,040

concerned about money making money in

1772

01:01:41,109 --> 01:01:39,440

some sensational way and uh what he

1773

01:01:42,710 --> 01:01:41,119

found was what i found

1774

01:01:45,349 --> 01:01:42,720

was that there was no

1775

01:01:46,950 --> 01:01:45,359

hint of neuroses there were the least

1776

01:01:48,870 --> 01:01:46,960

he's a construction guy i mean you know

1777

01:01:51,430 --> 01:01:48,880

like an architect kind of guy at least

1778

01:01:53,109 --> 01:01:51,440

kind of fellow that's prone to fantasy

1779

01:01:55,670 --> 01:01:53,119

and uh

1780

01:01:57,430 --> 01:01:55,680

they were religious to a point

1781

01:01:59,990 --> 01:01:57,440

not to a fanatical point they they went

1782

01:02:01,029 --> 01:02:00,000

to church they wrote it's in the church

1783

01:02:01,990 --> 01:02:01,039

um so

1784

01:02:03,510 --> 01:02:02,000

so

1785

01:02:05,270 --> 01:02:03,520

they were really salt of the earth

1786

01:02:07,750 --> 01:02:05,280

backbone of the country kind of people

1787

01:02:09,510 --> 01:02:07,760

that's that's what he came up with no

1788

01:02:11,670 --> 01:02:09,520

no psychosis no

1789

01:02:13,829 --> 01:02:11,680

neurosis no uh

1790

01:02:16,630 --> 01:02:13,839

no penchant for fantasy nothing like

1791

01:02:18,630 --> 01:02:16,640

that yeah so then the next step

1792

01:02:20,950 --> 01:02:18,640

and this was dr baton who you become

1793

01:02:22,789 --> 01:02:20,960

sort of friends in the course of these

1794

01:02:25,109 --> 01:02:22,799

things i said look i need the best

1795

01:02:27,910 --> 01:02:25,119

retrogressive hypnotist

1796

01:02:29,109 --> 01:02:27,920

that that you can think of or that you

1797

01:02:30,710 --> 01:02:29,119

could find

1798

01:02:32,470 --> 01:02:30,720

because it's got to be credible i don't

1799

01:02:34,069 --> 01:02:32,480

i don't just want somebody i want

1800

01:02:35,190 --> 01:02:34,079

somebody that's you know that's really

1801
01:02:37,510 --> 01:02:35,200
reputable

1802
01:02:38,870 --> 01:02:37,520
because what happened i went to medical

1803
01:02:40,390 --> 01:02:38,880
school with a guy that works with the

1804
01:02:42,630 --> 01:02:40,400
fbi

1805
01:02:44,309 --> 01:02:42,640
then what he does is work with

1806
01:02:45,829 --> 01:02:44,319
terrorists and assault victims rape

1807
01:02:47,589 --> 01:02:45,839
victims and whatnot

1808
01:02:50,470 --> 01:02:47,599
so traumatized

1809
01:02:52,309 --> 01:02:50,480
they don't remember details of the crime

1810
01:02:53,829 --> 01:02:52,319
or details of the situation so let's

1811
01:02:57,589 --> 01:02:53,839
just say

1812
01:02:59,349 --> 01:02:57,599
there's a terror attack

1813
01:03:01,349 --> 01:02:59,359

and all i remember is an explosion

1814

01:03:03,430 --> 01:03:01,359

because the rest is you know that

1815

01:03:05,430 --> 01:03:03,440

overshadows everything yeah but through

1816

01:03:08,390 --> 01:03:05,440

retrogressive hypnosis they actually

1817

01:03:10,549 --> 01:03:08,400

bring that person back to that day and

1818

01:03:13,430 --> 01:03:10,559

that moment in those moments and they

1819

01:03:16,069 --> 01:03:13,440

can say oh there was a guy with a bag

1820

01:03:17,910 --> 01:03:16,079

he put the bag down you know how tall

1821

01:03:19,430 --> 01:03:17,920

was he what did he look like and then

1822

01:03:21,190 --> 01:03:19,440

they get detail

1823

01:03:22,710 --> 01:03:21,200

so that's that's what he was doing with

1824

01:03:25,829 --> 01:03:22,720

the fbi

1825

01:03:28,789 --> 01:03:25,839

and so uh fortunately we're very lucky

1826

01:03:31,190 --> 01:03:28,799

he agreed to spend four days with them

1827

01:03:33,190 --> 01:03:31,200

and so we flew to north carolina so he

1828

01:03:35,349 --> 01:03:33,200

was he was pretty apprehensive at first

1829

01:03:37,990 --> 01:03:35,359

right like he wasn't he he was oh yeah i

1830

01:03:39,270 --> 01:03:38,000

mean i'm bored absolutely but but the

1831

01:03:41,029 --> 01:03:39,280

good news is

1832

01:03:42,789 --> 01:03:41,039

that i knew this one fellow who was a

1833

01:03:45,750 --> 01:03:42,799

reputable surgeon

1834

01:03:47,829 --> 01:03:45,760

who knew the director of psychiatry was

1835

01:03:49,670 --> 01:03:47,839

a you know well-known guy

1836

01:03:52,230 --> 01:03:49,680

who knew another guy so basically it's

1837

01:03:54,150 --> 01:03:52,240

one credible guy i know you your friend

1838

01:03:55,349 --> 01:03:54,160

maybe you want to help me out with this

1839

01:03:56,390 --> 01:03:55,359

so

1840

01:03:59,190 --> 01:03:56,400

even though

1841

01:04:01,670 --> 01:03:59,200

the story itself was sort of fantastic

1842

01:04:03,510 --> 01:04:01,680

um but you'd be amazed

1843

01:04:06,549 --> 01:04:03,520

you'd be amazed

1844

01:04:08,870 --> 01:04:06,559

how many people have had ufo experiences

1845

01:04:11,109 --> 01:04:08,880

that don't talk about it very true if

1846

01:04:14,390 --> 01:04:11,119

you just ask him right if you just ask

1847

01:04:16,950 --> 01:04:14,400

him and by the way among these people

1848

01:04:21,349 --> 01:04:16,960

they'd never said that but clearly they

1849

01:04:26,390 --> 01:04:24,069

and it calls to mind one time

1850

01:04:28,309 --> 01:04:26,400

i was doing an interview with uh some

1851
01:04:30,549 --> 01:04:28,319
sort of disc jockeys

1852
01:04:31,589 --> 01:04:30,559
and uh los angeles

1853
01:04:33,190 --> 01:04:31,599
and um

1854
01:04:35,270 --> 01:04:33,200
and so you know this is all

1855
01:04:37,349 --> 01:04:35,280
this kind of banter that goes on you

1856
01:04:39,349 --> 01:04:37,359
know early morning jokes and this that

1857
01:04:40,789 --> 01:04:39,359
and the other back and forth and so i

1858
01:04:44,309 --> 01:04:40,799
did this interview which was really a

1859
01:04:45,829 --> 01:04:44,319
terrible place to get interviewed so

1860
01:04:50,230 --> 01:04:45,839
they're making jokes

1861
01:04:52,150 --> 01:04:50,240
sort of and finally uh i said you know

1862
01:04:53,910 --> 01:04:52,160
i'll bet one of you has had an

1863
01:04:55,670 --> 01:04:53,920

experience like this and you know there

1864

01:04:59,430 --> 01:04:55,680

was a silence

1865

01:05:01,670 --> 01:04:59,440

the jaw dropped and one guy said i did

1866

01:05:04,309 --> 01:05:01,680

a whole tenor of the interview now

1867

01:05:05,829 --> 01:05:04,319

here's a guy making fun of the situation

1868

01:05:07,750 --> 01:05:05,839

making fun of me

1869

01:05:09,829 --> 01:05:07,760

but then once you confront them and say

1870

01:05:13,029 --> 01:05:09,839

i'll bet you had something

1871

01:05:15,430 --> 01:05:13,039

similar to this and son of a gun he did

1872

01:05:17,829 --> 01:05:15,440

the one didn't but the other did and i

1873

01:05:19,750 --> 01:05:17,839

think there's many many people that have

1874

01:05:22,230 --> 01:05:19,760

had situations like this you know jimmy

1875

01:05:23,990 --> 01:05:22,240

carter the president former president

1876

01:05:26,710 --> 01:05:24,000

had a year of trump ronald reagan had

1877

01:05:29,109 --> 01:05:26,720

two ufo experiences

1878

01:05:30,630 --> 01:05:29,119

air force pilots uh you know commercial

1879

01:05:31,270 --> 01:05:30,640

air pilots

1880

01:05:33,829 --> 01:05:31,280

and

1881

01:05:36,630 --> 01:05:33,839

you know it's not something

1882

01:05:38,230 --> 01:05:36,640

people are prone to talk about unless

1883

01:05:40,230 --> 01:05:38,240

unless it's brought out of them but

1884

01:05:41,990 --> 01:05:40,240

matter of fact he had didn't he he had

1885

01:05:44,150 --> 01:05:42,000

it i apologize interjected but he had

1886

01:05:45,430 --> 01:05:44,160

his experience with his wife too right a

1887

01:05:48,230 --> 01:05:45,440

second experience whether it was ronald

1888

01:05:50,390 --> 01:05:48,240

reagan i believe is that right i do yes

1889

01:05:52,150 --> 01:05:50,400

this was in um lucille ball had an

1890

01:05:52,870 --> 01:05:52,160

autobiography

1891

01:05:54,710 --> 01:05:52,880

and

1892

01:05:56,870 --> 01:05:54,720

reagan was mentioned in it

1893

01:06:00,069 --> 01:05:56,880

and apparently there was an actor

1894

01:06:02,549 --> 01:06:00,079

william holden okay having a party

1895

01:06:04,870 --> 01:06:02,559

and so uh the reagans were invited

1896

01:06:07,109 --> 01:06:04,880

lucille ball was there and i guess

1897

01:06:08,789 --> 01:06:07,119

several others i can't think of offhand

1898

01:06:11,670 --> 01:06:08,799

who else but

1899

01:06:14,309 --> 01:06:11,680

celebrities yeah so the reagans uh

1900

01:06:16,549 --> 01:06:14,319

showed up like an hour and a half late

1901

01:06:18,630 --> 01:06:16,559

which is very unusual so ray was was one

1902

01:06:20,309 --> 01:06:18,640

of those guys that he said i'll be there

1903

01:06:21,750 --> 01:06:20,319

he was there at 8 o'clock

1904

01:06:23,270 --> 01:06:21,760

so everybody's sort of surprised like

1905

01:06:26,710 --> 01:06:23,280

what happened

1906

01:06:28,069 --> 01:06:26,720

and they talked about following a ufo

1907

01:06:30,789 --> 01:06:28,079

that they saw

1908

01:06:31,750 --> 01:06:30,799

they actually followed it towards fresno

1909

01:06:34,230 --> 01:06:31,760

i guess

1910

01:06:35,349 --> 01:06:34,240

and um and it took out off like a bat

1911

01:06:37,589 --> 01:06:35,359

out of hell

1912

01:06:39,829 --> 01:06:37,599

you know just you know the you know that

1913

01:06:41,109 --> 01:06:39,839

you've seen these these uh videos where

1914

01:06:45,349 --> 01:06:41,119

you've seen these things saying have a

1915

01:06:47,750 --> 01:06:45,359

tremendous acceleration yeah and um

1916

01:06:49,270 --> 01:06:47,760

the interesting thing and lucille ball

1917

01:06:51,349 --> 01:06:49,280

didn't say this other than to say that

1918

01:06:52,789 --> 01:06:51,359

the reagans talked about it and that's

1919

01:06:55,190 --> 01:06:52,799

why they were late

1920

01:06:58,230 --> 01:06:55,200

but they were amazed that an hour and a

1921

01:07:00,390 --> 01:06:58,240

half they were an hour and a half late

1922

01:07:01,990 --> 01:07:00,400

they didn't even so it was confusing to

1923

01:07:03,910 --> 01:07:02,000

them 15-minute

1924

01:07:04,789 --> 01:07:03,920

15-minute excursion

1925

01:07:06,870 --> 01:07:04,799

and so

1926

01:07:08,470 --> 01:07:06,880

you could make a case

1927

01:07:10,230 --> 01:07:08,480

that ronald reagan had an alien

1928

01:07:12,230 --> 01:07:10,240

abduction experience with missing time

1929

01:07:14,230 --> 01:07:12,240

how about that i really do there's so

1930

01:07:15,829 --> 01:07:14,240

much with the presidents and i mean

1931

01:07:17,589 --> 01:07:15,839

dwight eisenhower and some other ah

1932

01:07:18,640 --> 01:07:17,599

there's a lot we could go with there but

1933

01:07:20,069 --> 01:07:18,650

another time also

1934

01:07:22,309 --> 01:07:20,079

[Laughter]

1935

01:07:25,270 --> 01:07:22,319

so make a long story short in terms of

1936

01:07:27,670 --> 01:07:25,280

the retrogressive hypnosis

1937

01:07:30,150 --> 01:07:27,680

it was nothing short of stunning

1938

01:07:32,789 --> 01:07:30,160

so they had been taking aboard the craft

1939

01:07:35,190 --> 01:07:32,799

they were examined you know the

1940

01:07:40,829 --> 01:07:35,200

the blood samples were taken

1941

01:07:45,510 --> 01:07:44,069

both did they remember anything besides

1942

01:07:47,349 --> 01:07:45,520

the physical examination do they

1943

01:07:48,710 --> 01:07:47,359

remember being like any tests put in

1944

01:07:50,470 --> 01:07:48,720

front of them any anything like that

1945

01:07:52,870 --> 01:07:50,480

where they were doing anything can just

1946

01:07:55,349 --> 01:07:52,880

anything besides that they remembered an

1947

01:07:58,309 --> 01:07:55,359

instrument and dawn talked about an

1948

01:07:59,109 --> 01:07:58,319

instrument pinching her with two probes

1949

01:08:00,710 --> 01:07:59,119

and

1950

01:08:02,309 --> 01:08:00,720

then had marks as a matter of fact

1951
01:08:04,549 --> 01:08:02,319
during the hypnosis session she kept

1952
01:08:06,150 --> 01:08:04,559
pawing at her at her

1953
01:08:08,150 --> 01:08:06,160
at her neck

1954
01:08:09,349 --> 01:08:08,160
and so annexed her the doctor

1955
01:08:11,589 --> 01:08:09,359
said

1956
01:08:12,870 --> 01:08:11,599
why are you doing that and she says

1957
01:08:15,990 --> 01:08:12,880
probes

1958
01:08:17,110 --> 01:08:16,000
and uh

1959
01:08:19,110 --> 01:08:17,120
and um

1960
01:08:21,990 --> 01:08:19,120
uh

1961
01:08:24,390 --> 01:08:22,000
they talked about you know

1962
01:08:26,550 --> 01:08:24,400
why were you involved in this what what

1963
01:08:28,149 --> 01:08:26,560

do these beings want

1964

01:08:29,669 --> 01:08:28,159

and uh

1965

01:08:31,749 --> 01:08:29,679

one of the one of the things that came

1966

01:08:32,550 --> 01:08:31,759

up which i thought was fascinating

1967

01:08:33,510 --> 01:08:32,560

was

1968

01:08:35,749 --> 01:08:33,520

um

1969

01:08:37,510 --> 01:08:35,759

when will there be a contact you know

1970

01:08:41,189 --> 01:08:37,520

communion between

1971

01:08:43,430 --> 01:08:41,199

an alien civilization and and earth

1972

01:08:45,430 --> 01:08:43,440

and um

1973

01:08:47,590 --> 01:08:45,440

the doctor said

1974

01:08:49,590 --> 01:08:47,600

let it be in my lifetime

1975

01:08:51,590 --> 01:08:49,600

and under hypnosis dawn says how long

1976

01:08:53,669 --> 01:08:51,600

will you live

1977

01:08:54,789 --> 01:08:53,679

and he says would it be in my kid's

1978

01:08:56,070 --> 01:08:54,799

lifetime

1979

01:08:57,669 --> 01:08:56,080

and she said it will be in your

1980

01:08:59,510 --> 01:08:57,679

children's lifetime

1981

01:09:01,349 --> 01:08:59,520

and actually she started almost talking

1982

01:09:02,470 --> 01:09:01,359

in a robotic voice as if it was

1983

01:09:04,470 --> 01:09:02,480

channeled

1984

01:09:06,550 --> 01:09:04,480

and then she said i know where the

1985

01:09:10,870 --> 01:09:06,560

universe ends

1986

01:09:12,309 --> 01:09:10,880

that's such a thing to like transit you

1987

01:09:14,390 --> 01:09:12,319

know what i mean to go from that you

1988

01:09:16,149 --> 01:09:14,400

know where the universe ends i jotted it

1989

01:09:18,149 --> 01:09:16,159

down

1990

01:09:20,709 --> 01:09:18,159

because i reverse

1991

01:09:23,510 --> 01:09:20,719

things that matter and the things that

1992

01:09:27,110 --> 01:09:23,520

matter stop mattering to us and start

1993

01:09:32,950 --> 01:09:29,430

i want i mean

1994

01:09:34,709 --> 01:09:32,960

i okay so i have found this unique um

1995

01:09:35,590 --> 01:09:34,719

because we there's so many that try to

1996

01:09:37,590 --> 01:09:35,600

talk about like they know where the end

1997

01:09:38,950 --> 01:09:37,600

of the unit we

1998

01:09:42,630 --> 01:09:38,960

getting close to seeing the edge of the

1999

01:09:44,149 --> 01:09:42,640

universe so that it's ever expanding

2000

01:09:45,910 --> 01:09:44,159

i don't know i have mixed feelings and

2001

01:09:47,030 --> 01:09:45,920

when you hear stuff like this

2002

01:09:48,390 --> 01:09:47,040

it makes you wonder if they're saying

2003

01:09:50,789 --> 01:09:48,400

well their universe

2004

01:09:53,189 --> 01:09:50,799

begins where ours ends

2005

01:09:55,189 --> 01:09:53,199

that would imply that we're not ever

2006

01:09:56,790 --> 01:09:55,199

expanding perhaps

2007

01:09:57,830 --> 01:09:56,800

and maybe there really is an end because

2008

01:09:59,189 --> 01:09:57,840

they always tell us right we could never

2009

01:10:00,390 --> 01:09:59,199

see the end of it by the time we see the

2010

01:10:02,149 --> 01:10:00,400

end of it it's the end of time because

2011

01:10:04,630 --> 01:10:02,159

then the light would never will never

2012

01:10:06,950 --> 01:10:04,640

catch the enemy i think i think if you

2013

01:10:09,590 --> 01:10:06,960

examine it it's a very complex sort of

2014

01:10:12,870 --> 01:10:09,600

statement yeah and if you rattled it off

2015

01:10:14,070 --> 01:10:12,880

like staccato you know like robotic

2016

01:10:14,870 --> 01:10:14,080

the universe

2017

01:10:17,669 --> 01:10:14,880

and

2018

01:10:19,830 --> 01:10:17,679

when the things that matter

2019

01:10:22,470 --> 01:10:19,840

stop mattering so you see matter like

2020

01:10:25,110 --> 01:10:22,480

physical matter and then mattering like

2021

01:10:27,430 --> 01:10:25,120

i'm this matters to me so it's a very

2022

01:10:31,510 --> 01:10:27,440

nice much uh play on words when the

2023

01:10:33,590 --> 01:10:31,520

things that matter stop mattering to us

2024

01:10:36,229 --> 01:10:33,600

stop mattering to us and start mattering

2025

01:10:38,390 --> 01:10:36,239

to them so in other words

2026

01:10:41,750 --> 01:10:38,400

when important things the important

2027

01:10:43,669 --> 01:10:41,760

things about life and the planet etc

2028

01:10:44,550 --> 01:10:43,679

stop mattering to us we don't care about

2029

01:10:46,310 --> 01:10:44,560

it

2030

01:10:47,030 --> 01:10:46,320

that's when they'll start caring about

2031

01:10:49,510 --> 01:10:47,040

it

2032

01:10:50,630 --> 01:10:49,520

which yeah and i wondered you know do

2033

01:10:52,950 --> 01:10:50,640

you think that in two ways do you say

2034

01:10:54,790 --> 01:10:52,960

that do they mean very literalism like

2035

01:10:56,470 --> 01:10:54,800

when we're ready to destroy you know

2036

01:10:57,830 --> 01:10:56,480

maybe this planet then then that's when

2037

01:10:59,110 --> 01:10:57,840

they're gonna care when we stop caring

2038

01:11:01,110 --> 01:10:59,120

about that's when they're gonna it'll

2039

01:11:02,790 --> 01:11:01,120

matter or is it

2040

01:11:03,990 --> 01:11:02,800

until that moment

2041

01:11:06,229 --> 01:11:04,000

that

2042

01:11:08,310 --> 01:11:06,239

there will be no intervening perhaps

2043

01:11:09,590 --> 01:11:08,320

perhaps it's you know i i don't really

2044

01:11:11,350 --> 01:11:09,600

know i i

2045

01:11:13,510 --> 01:11:11,360

i know she said a bit more too on this

2046

01:11:14,630 --> 01:11:13,520

as far as um because i believe you got

2047

01:11:16,149 --> 01:11:14,640

to ask some questions and you you were

2048

01:11:18,229 --> 01:11:16,159

given out because you were there when

2049

01:11:19,669 --> 01:11:18,239

this was taking place which had been

2050

01:11:20,870 --> 01:11:19,679

again if you weren't there do you think

2051

01:11:22,470 --> 01:11:20,880

you mean be honest do you think if

2052

01:11:23,990 --> 01:11:22,480

you're reading this or if you're

2053

01:11:25,270 --> 01:11:24,000

just somebody that you knew at the bar

2054

01:11:26,950 --> 01:11:25,280

that you generally knew just told you

2055

01:11:28,709 --> 01:11:26,960

this do you think you'd believe it i'll

2056

01:11:30,790 --> 01:11:28,719

tell you where i would be

2057

01:11:32,470 --> 01:11:30,800

i would be like in the beginning when

2058

01:11:35,189 --> 01:11:32,480

you're talking about

2059

01:11:38,550 --> 01:11:35,199

different kinds of beings and spaceships

2060

01:11:41,750 --> 01:11:38,560

i would be very skeptical until

2061

01:11:43,590 --> 01:11:41,760

until i went to the hypnotic sessions

2062

01:11:46,550 --> 01:11:43,600

because the hypnotic sessions are

2063

01:11:49,430 --> 01:11:46,560

incredibly specific she talks about five

2064

01:11:53,110 --> 01:11:49,440

galaxies she talks about the the one

2065

01:11:55,669 --> 01:11:53,120

as a kind of leader or a kind of god

2066

01:11:58,390 --> 01:11:55,679

and so yeah actually actually

2067

01:12:01,750 --> 01:11:58,400

annistor says so the one is this a kind

2068

01:12:05,030 --> 01:12:01,760

of leader and really strongly she says

2069

01:12:07,830 --> 01:12:05,040

it's a kind of god like that

2070

01:12:10,310 --> 01:12:07,840

it's a kind of god you know i i wonder

2071

01:12:12,149 --> 01:12:10,320

too if you know maybe if she was

2072

01:12:13,669 --> 01:12:12,159

you know channeling or whatever might

2073

01:12:15,990 --> 01:12:13,679

have been going on that was the definite

2074

01:12:17,750 --> 01:12:16,000

impression i got yeah it just makes you

2075

01:12:19,510 --> 01:12:17,760

wonder if that you know

2076

01:12:21,270 --> 01:12:19,520

okay i i've heard this talked about

2077

01:12:22,950 --> 01:12:21,280

before um

2078

01:12:24,070 --> 01:12:22,960

obviously i know that you know the sr

2079

01:12:26,070 --> 01:12:24,080

crew and you know dave scott and those

2080

01:12:27,590 --> 01:12:26,080

are over there and lynn does a great

2081

01:12:29,430 --> 01:12:27,600

show too and she's talked about this a

2082

01:12:30,470 --> 01:12:29,440

couple times with samantha moat and if

2083

01:12:32,070 --> 01:12:30,480

you have never looked her up you should

2084

01:12:33,990 --> 01:12:32,080

look into her a little bit but

2085

01:12:35,430 --> 01:12:34,000

she talked about the idea that why a lot

2086

01:12:37,189 --> 01:12:35,440

of these um

2087

01:12:39,430 --> 01:12:37,199

encounters almost deal with something

2088

01:12:41,990 --> 01:12:39,440

telepathic is because we

2089

01:12:43,990 --> 01:12:42,000

lack the vocabulary

2090

01:12:45,669 --> 01:12:44,000

to express uh

2091

01:12:46,950 --> 01:12:45,679

everything that's going on so sometimes

2092

01:12:48,709 --> 01:12:46,960

when these words come through that we're

2093

01:12:49,910 --> 01:12:48,719

kind of like looking at we're like it's

2094

01:12:51,750 --> 01:12:49,920

just like the best way that they can

2095

01:12:54,070 --> 01:12:51,760

express it to us and we're just missing

2096

01:12:56,390 --> 01:12:54,080

it it's our vocabulary it's too limited

2097

01:12:57,669 --> 01:12:56,400

it could be very literal what she said

2098

01:12:59,669 --> 01:12:57,679

you know with the whole idea i don't

2099

01:13:01,510 --> 01:12:59,679

think that it's like a god statement is

2100

01:13:03,270 --> 01:13:01,520

i think that's as literal as you can get

2101
01:13:05,430 --> 01:13:03,280
yeah but going back to that whole you

2102
01:13:06,950 --> 01:13:05,440
know their universe ends and i believe

2103
01:13:09,030 --> 01:13:06,960
she hit on the idea of like the five

2104
01:13:10,550 --> 01:13:09,040
galaxies right

2105
01:13:12,390 --> 01:13:10,560
he's trying to they're trying to unite

2106
01:13:14,470 --> 01:13:12,400
the five galaxies which seems like a

2107
01:13:17,030 --> 01:13:14,480
direct statement that isn't i don't know

2108
01:13:18,310 --> 01:13:17,040
if that's is it hinting

2109
01:13:20,790 --> 01:13:18,320
i don't know i don't think it's

2110
01:13:21,510 --> 01:13:20,800
metaphorical i think it's real

2111
01:13:23,830 --> 01:13:21,520
well

2112
01:13:24,950 --> 01:13:23,840
part for those who might be listening

2113
01:13:28,310 --> 01:13:24,960

this might be their first time hearing

2114

01:13:29,910 --> 01:13:28,320

so she she says it's like a god um

2115

01:13:31,110 --> 01:13:29,920

and then i do i don't remember if it was

2116

01:13:33,270 --> 01:13:31,120

prior to that or just after where she

2117

01:13:34,630 --> 01:13:33,280

gets hitting at this idea of

2118

01:13:36,470 --> 01:13:34,640

he said well where are the galaxies and

2119

01:13:38,070 --> 01:13:36,480

they said that's where theirs began

2120

01:13:39,750 --> 01:13:38,080

and then we how did we end up at this

2121

01:13:40,950 --> 01:13:39,760

idea even coming to the conclusion of

2122

01:13:42,790 --> 01:13:40,960

hearing this idea that there might be

2123

01:13:44,950 --> 01:13:42,800

five galaxies

2124

01:13:46,550 --> 01:13:44,960

um she was told that

2125

01:13:48,470 --> 01:13:46,560

okay so this is when she was on the

2126
01:13:50,390 --> 01:13:48,480
craft or something downloaded for her

2127
01:13:52,229 --> 01:13:50,400
yes this actually you said channeling

2128
01:13:54,149 --> 01:13:52,239
and that's what it was to me

2129
01:13:57,270 --> 01:13:54,159
all of a sudden a sort of gentle

2130
01:14:00,070 --> 01:13:57,280
whispery voice becomes a very direct

2131
01:14:02,310 --> 01:14:00,080
robotic kind of voice and you know it

2132
01:14:04,550 --> 01:14:02,320
put all of us on the edge of our seat

2133
01:14:07,430 --> 01:14:04,560
because she sits forward

2134
01:14:10,390 --> 01:14:07,440
she sits straight up it's a different um

2135
01:14:11,750 --> 01:14:10,400
demeanor entirely and so

2136
01:14:15,510 --> 01:14:11,760
and so yeah the

2137
01:14:18,709 --> 01:14:15,520
strong impression we got is that she was

2138
01:14:19,910 --> 01:14:18,719

somebody else was speaking through her

2139

01:14:20,630 --> 01:14:19,920

yeah

2140

01:14:32,950 --> 01:14:20,640

i

2141

01:14:35,270 --> 01:14:32,960

one

2142

01:14:36,229 --> 01:14:35,280

um session i guess because a lot came

2143

01:14:37,510 --> 01:14:36,239

out there

2144

01:14:39,590 --> 01:14:37,520

is this the same session where the

2145

01:14:41,030 --> 01:14:39,600

gentleman he basically

2146

01:14:42,470 --> 01:14:41,040

was was this where he just wanted to go

2147

01:14:44,390 --> 01:14:42,480

home he kind of broke down or was this

2148

01:14:47,510 --> 01:14:44,400

prior to that no no no

2149

01:14:49,189 --> 01:14:47,520

there were two days they did separately

2150

01:14:50,870 --> 01:14:49,199

two different uh

2151

01:14:53,030 --> 01:14:50,880

so one was in one room one was in

2152

01:14:54,790 --> 01:14:53,040

another room and that happened for two

2153

01:14:57,510 --> 01:14:54,800

days so they were probably about 10

2154

01:14:59,750 --> 01:14:57,520

hours with each

2155

01:15:01,350 --> 01:14:59,760

so they purposely i mean and here's the

2156

01:15:03,030 --> 01:15:01,360

thing you know we always talk about well

2157

01:15:04,790 --> 01:15:03,040

could we do we know how well is the

2158

01:15:07,030 --> 01:15:04,800

story i mean these it sounds like the

2159

01:15:08,870 --> 01:15:07,040

way you guys went about this

2160

01:15:09,990 --> 01:15:08,880

i mean i don't know how much more

2161

01:15:12,470 --> 01:15:10,000

professionally you guys could have gone

2162

01:15:14,070 --> 01:15:12,480

about as far as uh really vetting the

2163

01:15:15,990 --> 01:15:14,080

story to the best of the abilities that

2164

01:15:16,709 --> 01:15:16,000

we could polygraph

2165

01:15:21,590 --> 01:15:16,719

you know

2166

01:15:22,830 --> 01:15:21,600

um dawn was pregnant shortly after the

2167

01:15:26,470 --> 01:15:22,840

experience

2168

01:15:29,910 --> 01:15:26,480

really and um they were very concerned

2169

01:15:30,950 --> 01:15:29,920

you know about uh the child and whatnot

2170

01:15:31,830 --> 01:15:30,960

but um

2171

01:15:36,149 --> 01:15:31,840

yeah

2172

01:15:38,790 --> 01:15:36,159

you know intentionally that way to

2173

01:15:40,870 --> 01:15:38,800

compare the stories to see if in a pinch

2174

01:15:43,110 --> 01:15:40,880

this is you know what detectives do you

2175

01:15:44,950 --> 01:15:43,120

tell your side and i tell my side and

2176
01:15:46,550 --> 01:15:44,960
supposedly if we're both telling the

2177
01:15:49,750 --> 01:15:46,560
truth and we saw the same thing there'll

2178
01:15:53,030 --> 01:15:49,760
be variations but the basic story and

2179
01:15:55,270 --> 01:15:53,040
certain details will be uh you know will

2180
01:15:56,630 --> 01:15:55,280
be the same and these stories you know

2181
01:15:58,229 --> 01:15:56,640
matched they were just from two

2182
01:16:00,470 --> 01:15:58,239
different points of view

2183
01:16:02,149 --> 01:16:00,480
but uh yeah that's true uh

2184
01:16:04,310 --> 01:16:02,159
at one point

2185
01:16:05,510 --> 01:16:04,320
they were both like screaming

2186
01:16:06,870 --> 01:16:05,520
uh

2187
01:16:08,630 --> 01:16:06,880
crying

2188
01:16:12,070 --> 01:16:08,640

um you know this these were this was

2189

01:16:13,990 --> 01:16:12,080

real trauma and uh yeah i mean basically

2190

01:16:16,229 --> 01:16:14,000

uh steve just said you know this is

2191

01:16:18,149 --> 01:16:16,239

under hypnosis yeah i want to go home i

2192

01:16:20,229 --> 01:16:18,159

just want to go home but he was talking

2193

01:16:21,750 --> 01:16:20,239

about being on the crowd right when he

2194

01:16:23,030 --> 01:16:21,760

was okay

2195

01:16:24,709 --> 01:16:23,040

poor guy

2196

01:16:26,870 --> 01:16:24,719

yeah yeah i just

2197

01:16:29,189 --> 01:16:26,880

you know i i don't think that

2198

01:16:30,229 --> 01:16:29,199

again and i and we've talked about this

2199

01:16:33,030 --> 01:16:30,239

in the chat here a little bit tonight

2200

01:16:34,310 --> 01:16:33,040

apollo's mentioned it um here apollo 11

2201
01:16:36,310 --> 01:16:34,320
and some other ones saying that

2202
01:16:38,149 --> 01:16:36,320
sometimes in the community um

2203
01:16:39,350 --> 01:16:38,159
that is that's not necessarily i don't

2204
01:16:41,510 --> 01:16:39,360
think intentionally i get we don't want

2205
01:16:42,870 --> 01:16:41,520
to dwell on saying negative things or

2206
01:16:45,350 --> 01:16:42,880
people perceive it as a negative thing

2207
01:16:46,870 --> 01:16:45,360
and i'm not necessarily saying that this

2208
01:16:48,149 --> 01:16:46,880
experience that they

2209
01:16:49,990 --> 01:16:48,159
they certainly seem to have made the

2210
01:16:51,510 --> 01:16:50,000
best of it going forward

2211
01:16:55,110 --> 01:16:51,520
but it was

2212
01:16:58,630 --> 01:16:55,120
it my interpretation of it a bit of a

2213
01:17:00,310 --> 01:16:58,640

negative experience it was not exactly a

2214

01:17:03,110 --> 01:17:00,320

positive thing

2215

01:17:05,510 --> 01:17:03,120

um at least initially

2216

01:17:07,110 --> 01:17:05,520

except for the except for the you know

2217

01:17:09,430 --> 01:17:07,120

that this is the thing i'm not a

2218

01:17:11,110 --> 01:17:09,440

particularly religious fellow so yeah so

2219

01:17:12,709 --> 01:17:11,120

just understand that

2220

01:17:17,189 --> 01:17:12,719

but

2221

01:17:20,550 --> 01:17:17,199

overtones to this now

2222

01:17:23,430 --> 01:17:21,669

religion

2223

01:17:25,350 --> 01:17:23,440

and science are just a matter of

2224

01:17:29,669 --> 01:17:25,360

interpretation

2225

01:17:31,510 --> 01:17:29,679

mean how we look at the story while

2226

01:17:32,470 --> 01:17:31,520

we're listening to it so a religious

2227

01:17:35,590 --> 01:17:32,480

person

2228

01:17:37,110 --> 01:17:35,600

sees something that a scientist sees

2229

01:17:38,950 --> 01:17:37,120

they'll explain it in a totally

2230

01:17:40,709 --> 01:17:38,960

different way they saw this exactly the

2231

01:17:42,229 --> 01:17:40,719

same thing but it's a different prism

2232

01:17:45,750 --> 01:17:42,239

that they're putting the experience

2233

01:17:47,750 --> 01:17:45,760

through differently and so

2234

01:17:48,870 --> 01:17:47,760

i wonder sometimes

2235

01:17:52,550 --> 01:17:48,880

if

2236

01:17:53,910 --> 01:17:52,560

science is correct you europologists

2237

01:17:58,229 --> 01:17:53,920

are correct

2238

01:18:00,229 --> 01:17:58,239

that these things happen they're just

2239

01:18:02,229 --> 01:18:00,239

interpreted in a different way so for

2240

01:18:04,950 --> 01:18:02,239

example you call it the one or a supreme

2241

01:18:06,790 --> 01:18:04,960

leader or whatever i call it god yeah

2242

01:18:08,390 --> 01:18:06,800

you know i mean these are just semantics

2243

01:18:10,630 --> 01:18:08,400

at the end of the day

2244

01:18:12,630 --> 01:18:10,640

what what happened was that there was

2245

01:18:14,709 --> 01:18:12,640

this angelic presence

2246

01:18:16,870 --> 01:18:14,719

the comforter that they had that really

2247

01:18:19,830 --> 01:18:16,880

calmed things that seemed to control

2248

01:18:21,830 --> 01:18:19,840

things that that that hovered above so

2249

01:18:23,590 --> 01:18:21,840

if the gremlins were on some

2250

01:18:25,189 --> 01:18:23,600

weird

2251

01:18:27,510 --> 01:18:25,199

demonic level

2252

01:18:29,669 --> 01:18:27,520

the scientists were on a illuminated

2253

01:18:30,550 --> 01:18:29,679

figures on a sort of scientific logical

2254

01:18:32,470 --> 01:18:30,560

level

2255

01:18:33,669 --> 01:18:32,480

and then above that is this kind of

2256

01:18:36,310 --> 01:18:33,679

comforter

2257

01:18:39,510 --> 01:18:36,320

who who puts things to rest so from

2258

01:18:45,350 --> 01:18:42,149

they turned to religion afterwards

2259

01:18:48,390 --> 01:18:45,360

okay uh found sucre comfort

2260

01:18:49,430 --> 01:18:48,400

in that and the interpretation that uh

2261

01:18:51,669 --> 01:18:49,440

that came

2262

01:18:54,070 --> 01:18:51,679

out was that they had had a kind of

2263

01:18:56,470 --> 01:18:54,080

demonic possession situation where there

2264

01:18:59,350 --> 01:18:56,480

was a again a a

2265

01:19:02,229 --> 01:18:59,360

godlike or angelic

2266

01:19:03,990 --> 01:19:02,239

situation the gremlins etc and that

2267

01:19:05,189 --> 01:19:04,000

there were two poles one that was

2268

01:19:09,030 --> 01:19:05,199

violent and

2269

01:19:10,950 --> 01:19:09,040

and ugly and the other that that was um

2270

01:19:12,149 --> 01:19:10,960

beatific

2271

01:19:13,910 --> 01:19:12,159

yeah cause you said quite literally

2272

01:19:15,350 --> 01:19:13,920

their faces had almost a leathery kind

2273

01:19:17,110 --> 01:19:15,360

of look the ones with the red eyes

2274

01:19:19,590 --> 01:19:17,120

correct yeah the way you might describe

2275

01:19:20,630 --> 01:19:19,600

a demon in medieval times

2276

01:19:23,430 --> 01:19:20,640

yeah

2277

01:19:27,110 --> 01:19:23,440

so so i mean i i don't know what to make

2278

01:19:28,950 --> 01:19:27,120

of it beyond telling you the story

2279

01:19:30,310 --> 01:19:28,960

but i think

2280

01:19:35,110 --> 01:19:30,320

i think that

2281

01:19:37,669 --> 01:19:35,120

eight hours ten hours

2282

01:19:40,709 --> 01:19:37,679

a curtain was pulled

2283

01:19:41,669 --> 01:19:40,719

and a whole new level of existence

2284

01:19:46,550 --> 01:19:41,679

was

2285

01:19:50,149 --> 01:19:46,560

and the hesses saw it

2286

01:19:53,590 --> 01:19:52,070

you know i would love to ask you this

2287

01:19:56,550 --> 01:19:53,600

too um

2288

01:19:58,790 --> 01:19:56,560

with this so after this the going back

2289

01:20:01,189 --> 01:19:58,800

to the initial regression here

2290

01:20:03,110 --> 01:20:01,199

when that finished up and they they

2291

01:20:04,709 --> 01:20:03,120

obviously i might ask okay too if it's

2292

01:20:06,790 --> 01:20:04,719

okay to ask one i guess i'm just gonna

2293

01:20:08,870 --> 01:20:06,800

ask is they knew you were writing a book

2294

01:20:09,910 --> 01:20:08,880

right i mean did they know okay

2295

01:20:12,070 --> 01:20:09,920

now

2296

01:20:13,590 --> 01:20:12,080

leading up to its release what was the

2297

01:20:15,750 --> 01:20:13,600

process like that for them did they have

2298

01:20:17,270 --> 01:20:15,760

a lot of anxiety about this i mean the

2299

01:20:19,270 --> 01:20:17,280

the this is going to be coming more

2300

01:20:20,950 --> 01:20:19,280

public and how did they handle that

2301

01:20:23,189 --> 01:20:20,960

exactly well they only though they

2302

01:20:24,629 --> 01:20:23,199

didn't i mean we had a uh

2303

01:20:28,550 --> 01:20:24,639

pseudonym

2304

01:20:30,390 --> 01:20:28,560

okay deserve their their anonymity yeah

2305

01:20:32,950 --> 01:20:30,400

and uh so that was one thing that i

2306

01:20:35,430 --> 01:20:32,960

guaranteed them and lived up to that

2307

01:20:36,950 --> 01:20:35,440

they came forward finally

2308

01:20:37,910 --> 01:20:36,960

of their own volition

2309

01:20:39,590 --> 01:20:37,920

you know

2310

01:20:41,510 --> 01:20:39,600

much later

2311

01:20:43,590 --> 01:20:41,520

i let them read everything that i wrote

2312

01:20:45,350 --> 01:20:43,600

almost page by page

2313

01:20:47,189 --> 01:20:45,360

right so that

2314

01:20:48,950 --> 01:20:47,199

it was accurate

2315

01:20:51,990 --> 01:20:48,960

and um

2316

01:20:53,990 --> 01:20:52,000

and i think at the end i think i think

2317

01:20:56,229 --> 01:20:54,000

a couple things came out of this i think

2318

01:20:57,270 --> 01:20:56,239

that for them it was uh cathartic i

2319

01:21:00,229 --> 01:20:57,280

think that

2320

01:21:01,189 --> 01:21:00,239

it was a release of this horrible secret

2321

01:21:03,110 --> 01:21:01,199

that they

2322

01:21:04,550 --> 01:21:03,120

they held inside

2323

01:21:05,910 --> 01:21:04,560

that they were finally able to

2324

01:21:07,030 --> 01:21:05,920

communicate

2325

01:21:09,270 --> 01:21:07,040

so i think

2326

01:21:10,870 --> 01:21:09,280

in that sense it was very positive

2327

01:21:13,270 --> 01:21:10,880

certainly very positive

2328

01:21:16,310 --> 01:21:13,280

from another standpoint as i said they

2329

01:21:17,189 --> 01:21:16,320

gravitated towards the mormon church

2330

01:21:19,189 --> 01:21:17,199

they

2331

01:21:20,470 --> 01:21:19,199

told this story to the bishop et cetera

2332

01:21:22,070 --> 01:21:20,480

who had obviously a different

2333

01:21:24,550 --> 01:21:22,080

interpretation than what you're talking

2334

01:21:26,149 --> 01:21:24,560

about right nobody else might have

2335

01:21:27,030 --> 01:21:26,159

but um

2336

01:21:29,430 --> 01:21:27,040

uh

2337

01:21:31,590 --> 01:21:29,440

they they what they found was that this

2338

01:21:33,910 --> 01:21:31,600

reinforced their

2339

01:21:35,910 --> 01:21:33,920

their religious beliefs

2340

01:21:37,669 --> 01:21:35,920

in sort of good and evil and the fact

2341

01:21:38,790 --> 01:21:37,679

that there's a spiritual world the fact

2342

01:21:41,510 --> 01:21:38,800

that there's a

2343

01:21:43,590 --> 01:21:41,520

a universe out there that that is unlike

2344

01:21:44,390 --> 01:21:43,600

the one that we live in the fact that

2345

01:21:50,310 --> 01:21:44,400

our

2346

01:21:51,510 --> 01:21:50,320

very very limited

2347

01:21:52,310 --> 01:21:51,520

so

2348

01:21:54,870 --> 01:21:52,320

uh

2349

01:21:57,270 --> 01:21:54,880

i would say in the end

2350

01:21:58,790 --> 01:21:57,280

would they say gee i want my kids to go

2351

01:22:01,110 --> 01:21:58,800

through this too or i want my best

2352

01:22:02,390 --> 01:22:01,120

friend to go through i don't think so

2353

01:22:04,870 --> 01:22:02,400

but in the end

2354

01:22:07,110 --> 01:22:04,880

i think what they found was a kind of i

2355

01:22:09,510 --> 01:22:07,120

don't want to say salvation but a kind

2356

01:22:11,830 --> 01:22:09,520

of um

2357

01:22:14,550 --> 01:22:11,840

uh

2358

01:22:16,229 --> 01:22:14,560

gratification a kind of satisfaction

2359

01:22:18,070 --> 01:22:16,239

something like that i'm sure some

2360

01:22:20,310 --> 01:22:18,080

validation too

2361

01:22:21,990 --> 01:22:20,320

come out of this you know i mean

2362

01:22:22,950 --> 01:22:22,000

yeah with the amount of i mean even

2363

01:22:24,550 --> 01:22:22,960

family

2364

01:22:26,629 --> 01:22:24,560

kind of denying you and well i'm sure

2365

01:22:29,189 --> 01:22:26,639

that's what you thought you experienced

2366

01:22:31,990 --> 01:22:29,199

and to have these things such i mean

2367

01:22:34,709 --> 01:22:32,000

deeply personal things in your home

2368

01:22:37,189 --> 01:22:34,719

happening to you i can't imagine

2369

01:22:38,470 --> 01:22:37,199

the anxiety the fear

2370

01:22:39,750 --> 01:22:38,480

the unknown

2371

01:22:41,990 --> 01:22:39,760

um

2372

01:22:44,310 --> 01:22:42,000

again i know there's been some question

2373

01:22:46,629 --> 01:22:44,320

and and and uh

2374

01:22:49,669 --> 01:22:46,639

people hypothesizing around the the

2375

01:22:50,790 --> 01:22:49,679

birth time of that child you know

2376

01:22:51,910 --> 01:22:50,800

is that something that they ever

2377

01:22:54,709 --> 01:22:51,920

addressed with you or brought up

2378

01:22:56,470 --> 01:22:54,719

concerns with you even at least not too

2379

01:22:57,669 --> 01:22:56,480

much i think there was just a couple of

2380

01:22:58,629 --> 01:22:57,679

things that

2381

01:23:02,470 --> 01:22:58,639

um

2382

01:23:04,310 --> 01:23:02,480

i think we both we all stayed away from

2383

01:23:05,590 --> 01:23:04,320

you know i think it gets too personal at

2384

01:23:08,070 --> 01:23:05,600

some point in time do you know i mean

2385

01:23:09,510 --> 01:23:08,080

yeah yeah absolutely i just didn't know

2386

01:23:11,110 --> 01:23:09,520

if they had ever mentioned anything that

2387

01:23:13,270 --> 01:23:11,120

way because i know they were

2388

01:23:15,030 --> 01:23:13,280

they were very concerned about the about

2389

01:23:17,669 --> 01:23:15,040

the child the birth of the child

2390

01:23:19,510 --> 01:23:17,679

yeah there was an incident in the camper

2391

01:23:21,590 --> 01:23:19,520

which i didn't mention

2392

01:23:23,830 --> 01:23:21,600

uh and the story is more intricate than

2393

01:23:25,830 --> 01:23:23,840

obviously i'm able to tell you in a an

2394

01:23:27,990 --> 01:23:25,840

interview like this but

2395

01:23:29,990 --> 01:23:28,000

one of the illuminated figures

2396

01:23:32,629 --> 01:23:30,000

tossed from its fingertip

2397

01:23:34,550 --> 01:23:32,639

something through the glass and into her

2398

01:23:36,070 --> 01:23:34,560

stomach into her abdomen

2399

01:23:38,070 --> 01:23:36,080

a kind of um

2400

01:23:40,709 --> 01:23:38,080

if you if you talked about

2401
01:23:43,990 --> 01:23:40,719
the lit part of a cigarette yeah like

2402
01:23:46,149 --> 01:23:44,000
the the the the ember as it were

2403
01:23:48,550 --> 01:23:46,159
and which went into her which went into

2404
01:23:50,070 --> 01:23:48,560
her uh abdomen

2405
01:23:53,189 --> 01:23:50,080
and uh

2406
01:23:54,550 --> 01:23:53,199
between that and the experience they had

2407
01:23:56,310 --> 01:23:54,560
um

2408
01:23:57,350 --> 01:23:56,320
in their in their bed in their home

2409
01:23:59,990 --> 01:23:57,360
where they felt like they were

2410
01:24:01,110 --> 01:24:00,000
surrounded by these being watched they

2411
01:24:04,870 --> 01:24:01,120
they

2412
01:24:10,470 --> 01:24:04,880
that in some way

2413
01:24:15,110 --> 01:24:12,229

there was some some consternation over

2414

01:24:17,110 --> 01:24:15,120

that some anxiety over that let's say

2415

01:24:18,149 --> 01:24:17,120

do you think too i mean obviously we got

2416

01:24:20,470 --> 01:24:18,159

a question here in just a second from

2417

01:24:23,270 --> 01:24:20,480

apollo 11 who asked by the way did the

2418

01:24:26,550 --> 01:24:23,280

couple have any ideas on why it happened

2419

01:24:29,110 --> 01:24:26,560

to them were they in a unique place in

2420

01:24:31,669 --> 01:24:29,120

life at the time what attributes

2421

01:24:33,430 --> 01:24:31,679

attracted the experience so do you have

2422

01:24:36,070 --> 01:24:33,440

any feelings and or thoughts about that

2423

01:24:37,990 --> 01:24:36,080

yeah i i think that um steve

2424

01:24:39,270 --> 01:24:38,000

uh had this experience

2425

01:24:41,510 --> 01:24:39,280

like when he was

2426

01:24:43,430 --> 01:24:41,520

a kid nine years old or so remember i

2427

01:24:46,550 --> 01:24:43,440

mentioned that so i mean that's not

2428

01:24:48,470 --> 01:24:46,560

uncommon either in these stories where

2429

01:24:49,990 --> 01:24:48,480

basically people are followed

2430

01:24:52,790 --> 01:24:50,000

and if you think again getting back to

2431

01:24:55,189 --> 01:24:52,800

the idea of scientists i mean we tag

2432

01:24:58,390 --> 01:24:55,199

animals right we tag them certainly and

2433

01:25:00,550 --> 01:24:58,400

we follow their their life follow how

2434

01:25:01,430 --> 01:25:00,560

they eat we follow how they breed we

2435

01:25:03,350 --> 01:25:01,440

follow

2436

01:25:05,590 --> 01:25:03,360

you know how they develop

2437

01:25:07,910 --> 01:25:05,600

and um

2438

01:25:10,629 --> 01:25:07,920

i mean if i had to take a stab at it

2439

01:25:12,390 --> 01:25:10,639

i think that steve was somehow

2440

01:25:13,510 --> 01:25:12,400

uh tagged

2441

01:25:14,950 --> 01:25:13,520

i think

2442

01:25:17,030 --> 01:25:14,960

that's that's one angle the other is it

2443

01:25:18,709 --> 01:25:17,040

was just a giant coincidence that they

2444

01:25:21,430 --> 01:25:18,719

were they were they're only hiding

2445

01:25:23,750 --> 01:25:21,440

expedition yeah they're maybe refueling

2446

01:25:25,270 --> 01:25:23,760

their craft maybe a mine literal mining

2447

01:25:27,510 --> 01:25:25,280

exhibition and

2448

01:25:30,550 --> 01:25:27,520

this happened to be the coincidence that

2449

01:25:32,070 --> 01:25:30,560

happened in the and and from the aliens

2450

01:25:33,910 --> 01:25:32,080

standpoint

2451

01:25:34,870 --> 01:25:33,920

let's make the most of it

2452

01:25:37,990 --> 01:25:34,880

right

2453

01:25:38,870 --> 01:25:38,000

so but i would i would more lean towards

2454

01:25:40,470 --> 01:25:38,880

the

2455

01:25:43,030 --> 01:25:40,480

following

2456

01:25:45,030 --> 01:25:43,040

the life of uh of an individual

2457

01:25:46,310 --> 01:25:45,040

now did she have any experiences when

2458

01:25:48,070 --> 01:25:46,320

she was younger i forgot to ask you

2459

01:25:49,430 --> 01:25:48,080

about that when you mentioned it with me

2460

01:25:52,310 --> 01:25:49,440

not that i'm aware i'm not that you ever

2461

01:25:54,629 --> 01:25:52,320

tell me about so i did ask but so i i

2462

01:25:57,510 --> 01:25:54,639

guess the answer is no okay so her first

2463

01:25:59,510 --> 01:25:57,520

encounter was essentially with what took

2464

01:26:01,830 --> 01:25:59,520

place there more than the desert

2465

01:26:04,470 --> 01:26:01,840

interestingly enough as soon as they

2466

01:26:06,950 --> 01:26:04,480

emerged from hypnosis and realized where

2467

01:26:09,270 --> 01:26:06,960

they were dawn looked at dr anixter and

2468

01:26:10,390 --> 01:26:09,280

said are we crazy

2469

01:26:11,910 --> 01:26:10,400

um

2470

01:26:14,629 --> 01:26:11,920

so even in that moment even with all

2471

01:26:17,189 --> 01:26:14,639

that confirmation you know again well

2472

01:26:18,629 --> 01:26:17,199

let me actually carefully word this

2473

01:26:19,910 --> 01:26:18,639

um

2474

01:26:46,870 --> 01:26:19,920

i

2475

01:26:48,550 --> 01:26:46,880

allow

2476

01:26:50,870 --> 01:26:48,560

the whole conceptual idea that it did

2477

01:26:52,629 --> 01:26:50,880

take place you're always constantly

2478

01:26:54,470 --> 01:26:52,639

questioning did this really really

2479

01:26:56,390 --> 01:26:54,480

happen right and i just think that

2480

01:26:59,350 --> 01:26:56,400

preaches volumes to

2481

01:27:00,870 --> 01:26:59,360

this particular case and the uh

2482

01:27:03,270 --> 01:27:00,880

the

2483

01:27:04,629 --> 01:27:03,280

solidifying in my mind as a real

2484

01:27:06,229 --> 01:27:04,639

encounter because it's something that

2485

01:27:08,709 --> 01:27:06,239

they still to this at least in that

2486

01:27:10,550 --> 01:27:08,719

moment in time we're still questioning

2487

01:27:12,149 --> 01:27:10,560

you know are we crazy i have to be crazy

2488

01:27:14,629 --> 01:27:12,159

right that that was more plausible to

2489

01:27:16,149 --> 01:27:14,639

them than going to this yeah i thought

2490

01:27:19,990 --> 01:27:16,159

that's what makes this story so real to

2491

01:27:22,790 --> 01:27:21,669

a question here by the way uh from

2492

01:27:24,070 --> 01:27:22,800

ufologists thank you for being in the

2493

01:27:25,750 --> 01:27:24,080

chat here tonight and by the way guys

2494

01:27:27,430 --> 01:27:25,760

anyone else who has any questions please

2495

01:27:29,910 --> 01:27:27,440

feel feel free to fire them away we

2496

01:27:31,990 --> 01:27:29,920

have ron just for a little less than a

2497

01:27:33,030 --> 01:27:32,000

half hour here or 20 minutes or so and

2498

01:27:35,350 --> 01:27:33,040

he'll be getting out of here we'll be

2499

01:27:36,950 --> 01:27:35,360

getting over to sohar with dave scott um

2500

01:27:38,070 --> 01:27:36,960

also too i want to make it clear tammy

2501
01:27:39,110 --> 01:27:38,080
brought a good point anybody that might

2502
01:27:40,950 --> 01:27:39,120
be watching especially when we're

2503
01:27:43,430 --> 01:27:40,960
talking about a series subject like this

2504
01:27:45,990 --> 01:27:43,440
uh here in the uh the page of the the

2505
01:27:47,510 --> 01:27:46,000
podcast here if someone says sus uh it

2506
01:27:48,629 --> 01:27:47,520
is something we started around here we

2507
01:27:49,750 --> 01:27:48,639
take a drink of whatever we're drinking

2508
01:27:51,110 --> 01:27:49,760
that night so please don't think we're

2509
01:27:52,229 --> 01:27:51,120
cheering to anything that might be going

2510
01:27:53,990 --> 01:27:52,239
on that way it's just something we do

2511
01:27:55,990 --> 01:27:54,000
here in the chat so if you see hashtag

2512
01:27:57,910 --> 01:27:56,000
sauce take a drink of water whatever

2513
01:27:59,669 --> 01:27:57,920

favorite beverage you have in your hand

2514

01:28:02,709 --> 01:27:59,679

um ufologist has a question that says

2515

01:28:04,790 --> 01:28:02,719

question has ron had his own sighting

2516

01:28:06,550 --> 01:28:04,800

you know i would say no except it

2517

01:28:07,590 --> 01:28:06,560

wouldn't be exactly true

2518

01:28:10,229 --> 01:28:07,600

okay

2519

01:28:11,990 --> 01:28:10,239

it wasn't a sighting but i can tell you

2520

01:28:13,110 --> 01:28:12,000

and this was prior to

2521

01:28:16,790 --> 01:28:13,120

to

2522

01:28:21,510 --> 01:28:19,510

15 years okay

2523

01:28:22,310 --> 01:28:21,520

i was living on the jersey shore at the

2524

01:28:23,510 --> 01:28:22,320

time

2525

01:28:25,430 --> 01:28:23,520

and

2526
01:28:26,629 --> 01:28:25,440
i had a dog

2527
01:28:29,030 --> 01:28:26,639
and so

2528
01:28:31,189 --> 01:28:29,040
in my dream i had a dream

2529
01:28:33,910 --> 01:28:31,199
very vivid dream

2530
01:28:37,030 --> 01:28:33,920
there was a pond not far from where

2531
01:28:39,669 --> 01:28:37,040
my house was the ocean was

2532
01:28:41,510 --> 01:28:39,679
in one direction the house was here and

2533
01:28:43,830 --> 01:28:41,520
then there was a pond

2534
01:28:46,790 --> 01:28:43,840
near my house so i was walking the dog

2535
01:28:48,149 --> 01:28:46,800
which i did regularly of course yeah and

2536
01:28:50,629 --> 01:28:48,159
um

2537
01:28:53,189 --> 01:28:50,639
we stop at the pond

2538
01:28:56,870 --> 01:28:53,199

and in the pond maybe

2539

01:28:58,070 --> 01:28:56,880

15 feet below the surface on the the bed

2540

01:28:59,510 --> 01:28:58,080

of the pond

2541

01:29:02,790 --> 01:28:59,520

is this uh

2542

01:29:06,070 --> 01:29:02,800

object a glowing object maybe

2543

01:29:08,870 --> 01:29:06,080

maybe 30 feet in diameter

2544

01:29:12,390 --> 01:29:10,790

i stopped

2545

01:29:14,149 --> 01:29:12,400

in the dream

2546

01:29:15,750 --> 01:29:14,159

and i thought about it for quite some

2547

01:29:18,950 --> 01:29:15,760

time

2548

01:29:21,030 --> 01:29:18,960

and i decided to jump in the water

2549

01:29:22,950 --> 01:29:21,040

really i did

2550

01:29:25,430 --> 01:29:22,960

and when i jumped in the water i wound

2551
01:29:27,110 --> 01:29:25,440
up inside this spacecraft

2552
01:29:28,629 --> 01:29:27,120
totally dry

2553
01:29:30,870 --> 01:29:28,639
and

2554
01:29:32,790 --> 01:29:30,880
there were these beings

2555
01:29:34,790 --> 01:29:32,800
that took me around

2556
01:29:37,189 --> 01:29:34,800
and showed me their equipment

2557
01:29:38,550 --> 01:29:37,199
and showed me like maps and i remember

2558
01:29:41,110 --> 01:29:38,560
it very vividly i could you know

2559
01:29:44,470 --> 01:29:41,120
probably draw the interior of this thing

2560
01:29:45,910 --> 01:29:44,480
and um i remember my watch i had a watch

2561
01:29:47,590 --> 01:29:45,920
and the watch

2562
01:29:49,430 --> 01:29:47,600
stopped

2563
01:29:50,950 --> 01:29:49,440

and um

2564

01:29:53,110 --> 01:29:50,960

and

2565

01:29:55,030 --> 01:29:53,120

it was a very pleasant experience by the

2566

01:29:56,390 --> 01:29:55,040

way just contrary to

2567

01:29:58,390 --> 01:29:56,400

what i've just been telling you yeah

2568

01:30:00,470 --> 01:29:58,400

yeah we've been discussing tonight right

2569

01:30:03,270 --> 01:30:00,480

a very very pleasant experience it was a

2570

01:30:04,310 --> 01:30:03,280

learning experience it was a deeply

2571

01:30:06,390 --> 01:30:04,320

um

2572

01:30:08,390 --> 01:30:06,400

satisfying experience

2573

01:30:09,910 --> 01:30:08,400

and i felt very privileged

2574

01:30:11,590 --> 01:30:09,920

and um

2575

01:30:12,629 --> 01:30:11,600

next thing i knew i was on

2576
01:30:15,110 --> 01:30:12,639
on the

2577
01:30:16,870 --> 01:30:15,120
sidewalk again with my dog

2578
01:30:18,550 --> 01:30:16,880
and uh

2579
01:30:20,070 --> 01:30:18,560
this thing blinked out

2580
01:30:20,950 --> 01:30:20,080
and i continued my walk that was the

2581
01:30:22,629 --> 01:30:20,960
dream

2582
01:30:24,390 --> 01:30:22,639
but i have to tell you

2583
01:30:26,390 --> 01:30:24,400
i've never had an experience like that

2584
01:30:27,110 --> 01:30:26,400
because i would say for a month after

2585
01:30:30,870 --> 01:30:27,120
that

2586
01:30:32,310 --> 01:30:30,880
i had this incredible euphoria

2587
01:30:35,350 --> 01:30:32,320
i just felt

2588
01:30:38,070 --> 01:30:35,360

like amazingly

2589

01:30:39,510 --> 01:30:38,080

uh blessed amazingly

2590

01:30:41,590 --> 01:30:39,520

uh

2591

01:30:42,790 --> 01:30:41,600

um privileged

2592

01:30:44,950 --> 01:30:42,800

happy

2593

01:30:46,950 --> 01:30:44,960

and um so that that would be i don't

2594

01:30:49,669 --> 01:30:46,960

know if that counts as a ufo experience

2595

01:30:51,910 --> 01:30:49,679

but but that and i would bet and then

2596

01:30:53,350 --> 01:30:51,920

really if i had to do over again

2597

01:30:55,910 --> 01:30:53,360

i would have asked annexed her to

2598

01:30:57,590 --> 01:30:55,920

retrogress me

2599

01:30:59,430 --> 01:30:57,600

call him up i mean well i don't know

2600

01:31:00,870 --> 01:30:59,440

yeah so he called sort of this i'm sure

2601
01:31:03,350 --> 01:31:00,880
i would have asked him to retrogress me

2602
01:31:04,790 --> 01:31:03,360
because i'm convinced

2603
01:31:07,590 --> 01:31:04,800
that if he did

2604
01:31:08,470 --> 01:31:07,600
there was there was something um

2605
01:31:13,189 --> 01:31:08,480
very

2606
01:31:14,310 --> 01:31:13,199
that dream it was unlike yeah yeah

2607
01:31:16,390 --> 01:31:14,320
you know ron

2608
01:31:19,350 --> 01:31:16,400
and again i i always emphasize this i

2609
01:31:21,590 --> 01:31:19,360
i'm such a rookie and padawan in this in

2610
01:31:24,390 --> 01:31:21,600
this whole field in general um so i

2611
01:31:26,070 --> 01:31:24,400
don't i don't ever express any of my my

2612
01:31:28,550 --> 01:31:26,080
opinions are but my they're that they're

2613
01:31:29,750 --> 01:31:28,560

simply my observations opinions but i

2614

01:31:32,470 --> 01:31:29,760

had someone say it to me once and it

2615

01:31:34,070 --> 01:31:32,480

really stuck with me which was uh you

2616

01:31:34,790 --> 01:31:34,080

know most people we kind of talked about

2617

01:31:36,070 --> 01:31:34,800

this in the very beginning of the show

2618

01:31:37,990 --> 01:31:36,080

bringing a full circle so we come near

2619

01:31:39,430 --> 01:31:38,000

the end or getting there um once again

2620

01:31:41,189 --> 01:31:39,440

guys any questions please fire away

2621

01:31:42,870 --> 01:31:41,199

west has got one for us coming up which

2622

01:31:45,350 --> 01:31:42,880

is that none of us ever really picked

2623

01:31:47,270 --> 01:31:45,360

this field it's it's almost picked us

2624

01:31:49,110 --> 01:31:47,280

and it's funny how

2625

01:31:51,590 --> 01:31:49,120

people that end up working in this field

2626

01:31:53,510 --> 01:31:51,600

at all or doing any any any

2627

01:31:55,189 --> 01:31:53,520

any sort of uh

2628

01:31:58,310 --> 01:31:55,199

contribution to it

2629

01:31:59,669 --> 01:31:58,320

have had an experience of some sort uh

2630

01:32:00,950 --> 01:31:59,679

even if they don't know about it yet

2631

01:32:03,030 --> 01:32:00,960

like yeah i can definitely relate to you

2632

01:32:04,470 --> 01:32:03,040

talk about far as being a dream yeah uh

2633

01:32:05,669 --> 01:32:04,480

because that's how and always people

2634

01:32:06,870 --> 01:32:05,679

have asked me about your experience or

2635

01:32:08,550 --> 01:32:06,880

something i would say not in the sense

2636

01:32:10,070 --> 01:32:08,560

that some people have like this this is

2637

01:32:12,629 --> 01:32:10,080

you know for the hesses and stuff it's

2638

01:32:13,910 --> 01:32:12,639

it's not a question right um

2639

01:32:15,669 --> 01:32:13,920

when you have something that's just

2640

01:32:17,189 --> 01:32:15,679

dreams that's it's it's a very different

2641

01:32:19,110 --> 01:32:17,199

thing because in your head you're still

2642

01:32:21,750 --> 01:32:19,120

rational you go it's a dream

2643

01:32:24,310 --> 01:32:21,760

and uh it's a very very tricky thing

2644

01:32:25,350 --> 01:32:24,320

that our minds do to themselves and uh

2645

01:32:26,950 --> 01:32:25,360

so i can relate to you a little bit on

2646

01:32:28,149 --> 01:32:26,960

that far is that it kind of being back

2647

01:32:29,189 --> 01:32:28,159

and forth but yeah you should definitely

2648

01:32:31,990 --> 01:32:29,199

look into one day if you're ever

2649

01:32:33,910 --> 01:32:32,000

comfortable with it

2650

01:32:35,830 --> 01:32:33,920

you know it actually has come to me

2651
01:32:38,629 --> 01:32:35,840
actually when people have asked me that

2652
01:32:42,629 --> 01:32:41,030
any time before maybe a year ago

2653
01:32:43,990 --> 01:32:42,639
i would say no

2654
01:32:45,750 --> 01:32:44,000
but then

2655
01:32:47,350 --> 01:32:45,760
then i was thinking about it you know

2656
01:32:49,669 --> 01:32:47,360
and i said you know

2657
01:32:51,110 --> 01:32:49,679
that's a ufo experience i mean that's

2658
01:32:53,110 --> 01:32:51,120
this was something you know sort of

2659
01:32:55,750 --> 01:32:53,120
profound so uh

2660
01:32:57,430 --> 01:32:55,760
who knows yeah

2661
01:32:58,870 --> 01:32:57,440
um we have another question here by the

2662
01:33:00,229 --> 01:32:58,880
way from west h and you guys like i said

2663
01:33:01,590 --> 01:33:00,239

put any questions you have for ron for

2664

01:33:03,990 --> 01:33:01,600

the last couple minutes we have them

2665

01:33:06,070 --> 01:33:04,000

here says does ron have any more detail

2666

01:33:07,270 --> 01:33:06,080

about the in quotation marks savior

2667

01:33:09,350 --> 01:33:07,280

unquote

2668

01:33:11,669 --> 01:33:09,360

or comforter being that seemed to want

2669

01:33:15,110 --> 01:33:11,679

to help the couple more of her

2670

01:33:17,270 --> 01:33:15,120

appearance did they see her again

2671

01:33:19,590 --> 01:33:17,280

yeah to my knowledge no that it wasn't

2672

01:33:22,229 --> 01:33:19,600

uh they didn't see her again but this is

2673

01:33:23,910 --> 01:33:22,239

the way it was described

2674

01:33:25,750 --> 01:33:23,920

that they looked in the sky and it was

2675

01:33:28,149 --> 01:33:25,760

like this swirling

2676

01:33:30,870 --> 01:33:28,159

clouds

2677

01:33:32,870 --> 01:33:30,880

came to form this angelic presence

2678

01:33:34,229 --> 01:33:32,880

and unmist

2679

01:33:36,870 --> 01:33:34,239

unmistakable

2680

01:33:40,310 --> 01:33:36,880

and unmistakably feminine

2681

01:33:41,830 --> 01:33:40,320

and unmistakably uh

2682

01:33:46,310 --> 01:33:41,840

formed

2683

01:33:47,430 --> 01:33:46,320

wings literally an angel an angel as you

2684

01:33:52,149 --> 01:33:47,440

would uh

2685

01:33:55,350 --> 01:33:52,159

a biblical uh

2686

01:33:57,350 --> 01:33:55,360

picture or a painting or something um

2687

01:33:59,110 --> 01:33:57,360

voice was very soothing and that's why

2688

01:34:00,790 --> 01:33:59,120

they called it a comforter

2689

01:34:03,350 --> 01:34:00,800

and um

2690

01:34:05,430 --> 01:34:03,360

and it seemed to be again there seem to

2691

01:34:08,629 --> 01:34:05,440

be sort of grades or levels to these

2692

01:34:11,950 --> 01:34:08,639

beings the gremlins being the most um

2693

01:34:11,960 --> 01:34:16,830

non-intellectual very physical very

2694

01:34:20,870 --> 01:34:19,830

malevolent the the uh illuminated

2695

01:34:23,189 --> 01:34:20,880

figures

2696

01:34:26,470 --> 01:34:23,199

uh clearly unemotional

2697

01:34:29,510 --> 01:34:26,480

clearly studying examining

2698

01:34:33,189 --> 01:34:29,520

then this uh angelic presence

2699

01:34:34,870 --> 01:34:33,199

who who seemed um

2700

01:34:36,070 --> 01:34:34,880

uh

2701
01:34:38,870 --> 01:34:36,080

gentle

2702
01:34:40,790 --> 01:34:38,880

right and in control in control of the

2703
01:34:43,750 --> 01:34:40,800

other situations

2704
01:34:45,189 --> 01:34:43,760

above them in some way

2705
01:34:47,750 --> 01:34:45,199

i don't know if you've ever heard of

2706
01:34:49,109 --> 01:34:47,760

this gentleman before now but um mr

2707
01:34:51,430 --> 01:34:49,119

terry lovelace have you ever heard of

2708
01:34:52,550 --> 01:34:51,440

him the incident devil's den you should

2709
01:34:53,669 --> 01:34:52,560

look into that one you might enjoy

2710
01:34:54,709 --> 01:34:53,679

having a good conversation with him

2711
01:34:58,070 --> 01:34:54,719

about it but

2712
01:35:00,629 --> 01:34:58,080

he um he had a situation a similar ish

2713
01:35:02,229 --> 01:35:00,639

to this with a again camping with a you

2714

01:35:03,510 --> 01:35:02,239

know back in the day military and

2715

01:35:06,070 --> 01:35:03,520

anyways um

2716

01:35:07,750 --> 01:35:06,080

he said that he often thinks back to his

2717

01:35:09,510 --> 01:35:07,760

encounter he was on the craft when he

2718

01:35:11,510 --> 01:35:09,520

had an encounter with a mantis being who

2719

01:35:13,030 --> 01:35:11,520

was kind of doing this procedure on him

2720

01:35:14,229 --> 01:35:13,040

and he said i often think if i could

2721

01:35:16,470 --> 01:35:14,239

just have a beer with him sit on the

2722

01:35:17,669 --> 01:35:16,480

back porch he would just lean over we'd

2723

01:35:19,750 --> 01:35:17,679

clink her beers and he'd say no hard

2724

01:35:21,270 --> 01:35:19,760

feelings i was just doing my job yeah no

2725

01:35:23,030 --> 01:35:21,280

that was that was his impression because

2726

01:35:24,550 --> 01:35:23,040

terry was trying to you know argue back

2727

01:35:25,990 --> 01:35:24,560

and fight with him and tell him even

2728

01:35:28,390 --> 01:35:26,000

tell him you're hurting me he was very

2729

01:35:29,430 --> 01:35:28,400

upset and he basically just touched him

2730

01:35:31,669 --> 01:35:29,440

on the head and he went out and went to

2731

01:35:33,590 --> 01:35:31,679

sleep but he said it was just this very

2732

01:35:35,430 --> 01:35:33,600

the the no emotion

2733

01:35:36,709 --> 01:35:35,440

you know kind of involvement there

2734

01:35:38,229 --> 01:35:36,719

that's exactly the way they would

2735

01:35:39,510 --> 01:35:38,239

describe the illuminated figures and

2736

01:35:41,510 --> 01:35:39,520

again i would look at it like a

2737

01:35:42,790 --> 01:35:41,520

scientist it's not necessarily

2738

01:35:44,310 --> 01:35:42,800

um

2739

01:35:46,229 --> 01:35:44,320

evil or

2740

01:35:48,870 --> 01:35:46,239

it's it's a scientific point of view so

2741

01:35:50,629 --> 01:35:48,880

if somebody dissects a frog

2742

01:35:52,229 --> 01:35:50,639

i mean is this an evil person for

2743

01:35:54,629 --> 01:35:52,239

dissecting a frog

2744

01:35:56,229 --> 01:35:54,639

well from the frog's point of view yeah

2745

01:35:57,990 --> 01:35:56,239

yeah you're pretty you're pretty evil in

2746

01:35:59,750 --> 01:35:58,000

his book right

2747

01:36:01,510 --> 01:35:59,760

uh there was a question it was brought

2748

01:36:03,669 --> 01:36:01,520

up let me see if i can find it i believe

2749

01:36:06,629 --> 01:36:03,679

atkins asked it earlier

2750

01:36:08,310 --> 01:36:06,639

uh in regards to

2751

01:36:09,669 --> 01:36:08,320

i don't see it's not coming up there but

2752

01:36:13,590 --> 01:36:09,679

they basically are asking your opinion

2753

01:36:15,350 --> 01:36:13,600

do you think that we're kind of in a um

2754

01:36:17,189 --> 01:36:15,360

you know like the whole zoo scenario

2755

01:36:19,910 --> 01:36:17,199

that's been hypothesized before that

2756

01:36:21,910 --> 01:36:19,920

perhaps we're just kind of this uh

2757

01:36:23,590 --> 01:36:21,920

species that's being observed even if

2758

01:36:26,070 --> 01:36:23,600

we're not being controlled but at least

2759

01:36:27,189 --> 01:36:26,080

being observed and guided i mean what

2760

01:36:29,510 --> 01:36:27,199

are your thoughts i guess i know it's a

2761

01:36:32,310 --> 01:36:29,520

little bit broad but yeah i'll say two

2762

01:36:33,990 --> 01:36:32,320

things one i think that um

2763

01:36:36,470 --> 01:36:34,000

that

2764

01:36:39,510 --> 01:36:36,480

there's been a desensitization process

2765

01:36:41,830 --> 01:36:39,520

that's going on started maybe in the 40s

2766

01:36:44,310 --> 01:36:41,840

and who knows maybe way way before that

2767

01:36:46,470 --> 01:36:44,320

but clearly things are progressing

2768

01:36:48,870 --> 01:36:46,480

things are moving rapidly i would agree

2769

01:36:50,870 --> 01:36:48,880

with that towards an encounter if you

2770

01:36:53,669 --> 01:36:50,880

asked 20 years ago how many people

2771

01:36:55,430 --> 01:36:53,679

believe the earth was visited by um by

2772

01:36:56,550 --> 01:36:55,440

beings from another

2773

01:36:58,470 --> 01:36:56,560

universe

2774

01:37:00,629 --> 01:36:58,480

probably 10 percent of the people would

2775

01:37:03,109 --> 01:37:00,639

say uh yeah i believe that 90 percent

2776

01:37:05,030 --> 01:37:03,119

would say no it's nonsense

2777

01:37:07,590 --> 01:37:05,040

today if you ask that question it would

2778

01:37:10,709 --> 01:37:07,600

probably be something like 50 50. it's a

2779

01:37:12,709 --> 01:37:10,719

huge huge paradigm shift in the way

2780

01:37:14,390 --> 01:37:12,719

people view uh

2781

01:37:16,149 --> 01:37:14,400

you know view the world and the

2782

01:37:18,229 --> 01:37:16,159

possibility so i think

2783

01:37:20,470 --> 01:37:18,239

we're moving towards

2784

01:37:21,590 --> 01:37:20,480

a kind of um

2785

01:37:26,149 --> 01:37:21,600

a kind of

2786

01:37:26,950 --> 01:37:26,159

a global level

2787

01:37:28,070 --> 01:37:26,960

so

2788

01:37:30,229 --> 01:37:28,080

i don't know if that answered your

2789

01:37:31,350 --> 01:37:30,239

question exactly yeah and basically it

2790

01:37:32,790 --> 01:37:31,360

said too they were wondering if we were

2791

01:37:35,109 --> 01:37:32,800

like as they were saying perhaps for

2792

01:37:36,790 --> 01:37:35,119

some side of a wildlife reserve you know

2793

01:37:38,470 --> 01:37:36,800

yeah no i don't think it's like that i

2794

01:37:39,750 --> 01:37:38,480

think that um

2795

01:37:40,629 --> 01:37:39,760

and this

2796

01:37:41,990 --> 01:37:40,639

uh

2797

01:37:43,430 --> 01:37:42,000

this is something i've just been reading

2798

01:37:46,070 --> 01:37:43,440

i just read a great book called

2799

01:37:47,270 --> 01:37:46,080

bewilderment one pulitzer prize

2800

01:37:49,189 --> 01:37:47,280

but

2801

01:37:51,109 --> 01:37:49,199

basically it was written by a an

2802

01:37:54,149 --> 01:37:51,119

astrobiologist

2803

01:37:59,030 --> 01:37:56,310

ten years ago or so the idea was there's

2804

01:38:01,990 --> 01:37:59,040

there's billions of stars billions of

2805

01:38:04,229 --> 01:38:02,000

perhaps galaxies and universes on top of

2806

01:38:05,350 --> 01:38:04,239

universes but i i

2807

01:38:07,830 --> 01:38:05,360

think

2808

01:38:10,470 --> 01:38:07,840

more and more as scientists study

2809

01:38:11,910 --> 01:38:10,480

what it takes to create a human being a

2810

01:38:12,790 --> 01:38:11,920

human brain

2811

01:38:15,750 --> 01:38:12,800

you know

2812

01:38:18,470 --> 01:38:15,760

that we are rather unique creatures

2813

01:38:20,870 --> 01:38:18,480

that we're really uh unique

2814

01:38:24,149 --> 01:38:20,880

i i think that um

2815

01:38:26,709 --> 01:38:24,159

that it's very possible as uh francis

2816

01:38:29,109 --> 01:38:26,719

crick says that we're sort of the uh the

2817

01:38:30,550 --> 01:38:29,119

progeny the the the

2818

01:38:33,669 --> 01:38:30,560

the children

2819

01:38:35,750 --> 01:38:33,679

of uh of another race

2820

01:38:37,430 --> 01:38:35,760

and an extraterrestrial race so for

2821

01:38:39,350 --> 01:38:37,440

example crick said

2822

01:38:40,550 --> 01:38:39,360

the odds of evolution

2823

01:38:43,030 --> 01:38:40,560

being true

2824

01:38:43,830 --> 01:38:43,040

that from bacteria in a swamp

2825

01:38:46,070 --> 01:38:43,840

know

2826

01:38:49,510 --> 01:38:46,080

10 million years whatever it is yeah

2827

01:38:51,270 --> 01:38:49,520

whatever it is that uh that we evolved

2828

01:38:53,830 --> 01:38:51,280

the human beings with the brain and the

2829

01:38:56,149 --> 01:38:53,840

um the complexities of

2830

01:38:58,390 --> 01:38:56,159

the human brain evolved in that period

2831

01:39:01,270 --> 01:38:58,400

of time would be the equivalent of a

2832

01:39:04,310 --> 01:39:01,280

tornado going through a junkyard

2833

01:39:07,109 --> 01:39:04,320

and leaving behind a 747 jet

2834

01:39:09,350 --> 01:39:07,119

that took off and flew to europe

2835

01:39:10,870 --> 01:39:09,360

he thinks it's much more plausible and i

2836

01:39:13,510 --> 01:39:10,880

do too

2837

01:39:15,669 --> 01:39:13,520

a theory of direct transpermia

2838

01:39:16,629 --> 01:39:15,679

and the idea is that

2839

01:39:19,750 --> 01:39:16,639

that

2840

01:39:21,510 --> 01:39:19,760

maybe a galaxy or a civilization

2841

01:39:24,870 --> 01:39:21,520

was uh faltering

2842

01:39:27,109 --> 01:39:24,880

maybe maybe they were dying their planet

2843

01:39:31,109 --> 01:39:27,119

was dying their environment was dying

2844

01:39:33,830 --> 01:39:31,119

and they sent out like shotgun dna

2845

01:39:35,830 --> 01:39:33,840

in the form of asteroids and meteorites

2846

01:39:38,149 --> 01:39:35,840

that bombarded the universe

2847

01:39:39,030 --> 01:39:38,159

and in very very specific places like

2848

01:39:41,350 --> 01:39:39,040

earth

2849

01:39:44,629 --> 01:39:41,360

it took root and so it wasn't from a

2850

01:39:46,790 --> 01:39:44,639

bacteria or whatever that we evolved but

2851

01:39:49,990 --> 01:39:46,800

it was jump started

2852

01:39:52,870 --> 01:39:50,000

by by the introduction of dna

2853

01:39:55,669 --> 01:39:52,880

into earth which would make that dna the

2854

01:39:57,910 --> 01:39:55,679

dna of extraterrestrial beings which

2855

01:39:59,590 --> 01:39:57,920

would make us the children of extra

2856

01:40:01,430 --> 01:39:59,600

terrestrial beings and if you think

2857

01:40:02,709 --> 01:40:01,440

about it

2858

01:40:04,390 --> 01:40:02,719

willie

2859

01:40:07,270 --> 01:40:04,400

if you think about it

2860

01:40:08,550 --> 01:40:07,280

that spontaneous creation kind of

2861

01:40:11,830 --> 01:40:08,560

it really is

2862

01:40:14,229 --> 01:40:11,840

it's the bible in another twisted

2863

01:40:15,270 --> 01:40:14,239

variation but the story is almost the

2864

01:40:16,629 --> 01:40:15,280

same

2865

01:40:17,990 --> 01:40:16,639

that from another

2866

01:40:20,390 --> 01:40:18,000

galaxy

2867

01:40:24,149 --> 01:40:20,400

we were created and we weren't created

2868

01:40:26,790 --> 01:40:24,159

from bacteria it was purposefully done

2869

01:40:28,870 --> 01:40:26,800

direct transperma so this is where

2870

01:40:30,229 --> 01:40:28,880

religion and science and neurology and

2871

01:40:31,590 --> 01:40:30,239

whatnot really

2872

01:40:34,070 --> 01:40:31,600

do end up

2873

01:40:34,830 --> 01:40:34,080

on a sort of similar plane with just

2874

01:40:37,910 --> 01:40:34,840

different

2875

01:40:39,510 --> 01:40:37,920

vocabulary i i strongly resonate with

2876

01:40:40,629 --> 01:40:39,520

that i i grew up in a very religious

2877

01:40:43,910 --> 01:40:40,639

household

2878

01:40:45,990 --> 01:40:43,920

and um you know often religion and

2879

01:40:47,830 --> 01:40:46,000

science were pitted against each other

2880

01:40:49,750 --> 01:40:47,840

you know and uh

2881

01:40:50,790 --> 01:40:49,760

i growing up as you'd read certain parts

2882

01:40:52,310 --> 01:40:50,800

like oh

2883

01:40:53,270 --> 01:40:52,320

it's for instance right from the start

2884

01:40:54,390 --> 01:40:53,280

right when it talks about reading the

2885

01:40:56,870 --> 01:40:54,400

beginning about you know every living

2886

01:40:58,709 --> 01:40:56,880

creature came from the water right

2887

01:41:00,149 --> 01:40:58,719

it says that right in the bible and then

2888

01:41:02,550 --> 01:41:00,159

you have the idea of what we've been

2889

01:41:04,149 --> 01:41:02,560

taught that okay yeah we evolved from

2890

01:41:05,830 --> 01:41:04,159

the water and the science eventually i

2891

01:41:08,629 --> 01:41:05,840

was like you guys from the get are

2892

01:41:10,390 --> 01:41:08,639

basically agreeing with each other now i

2893

01:41:12,629 --> 01:41:10,400

have serious issues

2894

01:41:14,229 --> 01:41:12,639

with the the

2895

01:41:15,430 --> 01:41:14,239

the scale that we're showing of how we

2896

01:41:16,470 --> 01:41:15,440

maybe ended up we're at right now and

2897

01:41:18,550 --> 01:41:16,480

that's where i think there's like you're

2898

01:41:20,709 --> 01:41:18,560

saying there's some sort of intervention

2899

01:41:22,870 --> 01:41:20,719

yeah whatever that change was

2900

01:41:24,390 --> 01:41:22,880

it was not clear-cut and and it looked

2901
01:41:26,390 --> 01:41:24,400
so clean that little chart of evolution

2902
01:41:29,430 --> 01:41:26,400
of how we got here and it's like

2903
01:41:30,950 --> 01:41:29,440
missing length oh missing link so

2904
01:41:33,750 --> 01:41:30,960
that's true right you never understand

2905
01:41:35,830 --> 01:41:33,760
how we just made that leap um

2906
01:41:37,750 --> 01:41:35,840
you know i often wonder i mean from you

2907
01:41:38,790 --> 01:41:37,760
you know obviously right and i hang out

2908
01:41:40,390 --> 01:41:38,800
once again i'm gonna miss the question

2909
01:41:41,350 --> 01:41:40,400
you're hanging i did miss one

2910
01:41:42,310 --> 01:41:41,360
hey

2911
01:41:44,310 --> 01:41:42,320
right here

2912
01:41:46,550 --> 01:41:44,320
um

2913
01:41:48,390 --> 01:41:46,560

oh maybe they delete did they delete it

2914

01:41:50,310 --> 01:41:48,400

i think someone was asking oh we're here

2915

01:41:53,510 --> 01:41:50,320

i apologize go check and hang on uh

2916

01:41:55,990 --> 01:41:53,520

question it says it took me six

2917

01:41:57,510 --> 01:41:56,000

uh go throughs on his story must've been

2918

01:41:59,669 --> 01:41:57,520

talking about the story including your

2919

01:42:02,870 --> 01:41:59,679

books how long did it take you ron to

2920

01:42:07,510 --> 01:42:02,880

really go through the story and part

2921

01:42:09,830 --> 01:42:07,520

uh maybe i'm going to say believing

2922

01:42:11,350 --> 01:42:09,840

and weaving maybe

2923

01:42:12,870 --> 01:42:11,360

together yeah yeah we mean together that

2924

01:42:14,550 --> 01:42:12,880

makes sense um

2925

01:42:18,470 --> 01:42:14,560

four years

2926

01:42:19,830 --> 01:42:18,480

yeah and do you think at that point when

2927

01:42:21,270 --> 01:42:19,840

you finally when it was released it was

2928

01:42:22,550 --> 01:42:21,280

out there were you

2929

01:42:24,629 --> 01:42:22,560

i don't want to use the word you know

2930

01:42:26,310 --> 01:42:24,639

believers and there's maybe those are

2931

01:42:29,109 --> 01:42:26,320

the don't believe it all but excuse me

2932

01:42:30,870 --> 01:42:29,119

were you fully um

2933

01:42:32,709 --> 01:42:30,880

subscribed to the idea that this this

2934

01:42:35,830 --> 01:42:32,719

experience definitely took place for

2935

01:42:37,350 --> 01:42:35,840

them i i thought that um it definitely

2936

01:42:38,790 --> 01:42:37,360

took place

2937

01:42:40,390 --> 01:42:38,800

i thought it was subject to

2938

01:42:41,590 --> 01:42:40,400

interpretation

2939

01:42:42,390 --> 01:42:41,600

i believe what they said happened

2940

01:42:44,950 --> 01:42:42,400

happened

2941

01:42:46,870 --> 01:42:44,960

but even even

2942

01:42:48,470 --> 01:42:46,880

mundane things you know you watch a

2943

01:42:50,229 --> 01:42:48,480

baseball game or a football game

2944

01:42:52,310 --> 01:42:50,239

whatever you like you watch the same

2945

01:42:54,149 --> 01:42:52,320

thing i do and and i tell you well this

2946

01:42:55,109 --> 01:42:54,159

is what what it means or this is what

2947

01:42:57,669 --> 01:42:55,119

happened

2948

01:42:59,910 --> 01:42:57,679

so i mean i thought that yeah what what

2949

01:43:02,149 --> 01:42:59,920

they say happened happened i'm just not

2950

01:43:04,709 --> 01:43:02,159

sure that it was extraterrestrial i'm

2951

01:43:08,470 --> 01:43:04,719

not sure that it had to do with uh

2952

01:43:10,470 --> 01:43:08,480

god or or demons i you know i i really

2953

01:43:12,629 --> 01:43:10,480

don't know what label to put on it

2954

01:43:13,669 --> 01:43:12,639

exactly because it's such a massive

2955

01:43:15,669 --> 01:43:13,679

story

2956

01:43:17,030 --> 01:43:15,679

but i can tell you this

2957

01:43:19,109 --> 01:43:17,040

over time

2958

01:43:20,629 --> 01:43:19,119

like many people

2959

01:43:22,790 --> 01:43:20,639

many many people

2960

01:43:24,470 --> 01:43:22,800

over the last um

2961

01:43:26,790 --> 01:43:24,480

20 years

2962

01:43:29,350 --> 01:43:26,800

i i think

2963

01:43:30,229 --> 01:43:29,360

whatever doubts i had

2964

01:43:34,790 --> 01:43:30,239

that

2965

01:43:35,870 --> 01:43:34,800

there are

2966

01:43:38,229 --> 01:43:35,880

you know

2967

01:43:40,790 --> 01:43:38,239

extraterrestrial beings whether they're

2968

01:43:41,830 --> 01:43:40,800

time travelers whether they're us from

2969

01:43:46,149 --> 01:43:41,840

another

2970

01:43:49,189 --> 01:43:46,159

what whatever that it exists

2971

01:43:51,669 --> 01:43:49,199

yeah the question is what does it mean

2972

01:43:53,510 --> 01:43:51,679

so more and more i i don't doubt for a

2973

01:43:56,229 --> 01:43:53,520

minute at this point particularly with

2974

01:43:57,590 --> 01:43:56,239

the pentagon coming out and the i mean

2975

01:43:59,350 --> 01:43:57,600

the the

2976

01:44:02,470 --> 01:43:59,360

the stories that you hear from air pilot

2977

01:44:05,510 --> 01:44:02,480

airline pilots from jet pilots from from

2978

01:44:06,950 --> 01:44:05,520

so many navy ships etc i mean it's

2979

01:44:09,350 --> 01:44:06,960

undeniable

2980

01:44:11,510 --> 01:44:09,360

the question is what does it mean you

2981

01:44:12,550 --> 01:44:11,520

know that's the question exactly so i

2982

01:44:15,510 --> 01:44:12,560

i've

2983

01:44:16,550 --> 01:44:15,520

come to doubt in no way like 100

2984

01:44:19,350 --> 01:44:16,560

certainty

2985

01:44:21,510 --> 01:44:19,360

that there are other existences there

2986

01:44:23,830 --> 01:44:21,520

are other life forms if you want to call

2987

01:44:27,310 --> 01:44:23,840

them that and that uh

2988

01:44:29,109 --> 01:44:27,320

earth is visited either in time warps or

2989

01:44:30,950 --> 01:44:29,119

extraterrestrials or maybe from

2990

01:44:31,910 --> 01:44:30,960

ourselves or from some spirit world i

2991

01:44:35,270 --> 01:44:31,920

don't know

2992

01:44:36,709 --> 01:44:35,280

but that uh that this phenomenon is real

2993

01:44:37,990 --> 01:44:36,719

the question is

2994

01:44:40,870 --> 01:44:38,000

exactly

2995

01:44:42,550 --> 01:44:40,880

what do you make of it that's the issue

2996

01:44:45,189 --> 01:44:42,560

and i suppose with any of this stuff i

2997

01:44:47,189 --> 01:44:45,199

need the unknown uh as i drop your link

2998

01:44:48,950 --> 01:44:47,199

once again guys in the chat please feel

2999

01:44:50,709 --> 01:44:48,960

free to check out all of ron's books are

3000

01:44:51,590 --> 01:44:50,719

listed there on amazon

3001
01:44:53,189 --> 01:44:51,600
um

3002
01:44:56,390 --> 01:44:53,199
you know what

3003
01:44:58,550 --> 01:44:56,400
with any of this i suppose

3004
01:45:00,229 --> 01:44:58,560
most people we like to have clean

3005
01:45:02,709 --> 01:45:00,239
clear-cut answers

3006
01:45:04,629 --> 01:45:02,719
and we tend to um

3007
01:45:05,910 --> 01:45:04,639
i suppose i'm guilty of this myself

3008
01:45:08,629 --> 01:45:05,920
sometimes i instead of going for the

3009
01:45:10,310 --> 01:45:08,639
clear cut answer i can get a little uh

3010
01:45:12,870 --> 01:45:10,320
fantastical with things i like to

3011
01:45:14,709 --> 01:45:12,880
believe in in things not being as clear

3012
01:45:15,990 --> 01:45:14,719
as black and white as we think they are

3013
01:45:17,030 --> 01:45:16,000

but then we have the reverse of that we

3014

01:45:18,790 --> 01:45:17,040

have those that are just seeing the

3015

01:45:19,830 --> 01:45:18,800

world my brother and i um sometimes when

3016

01:45:21,510 --> 01:45:19,840

we see eye to eye when it comes to this

3017

01:45:22,709 --> 01:45:21,520

area because he's very he sees the world

3018

01:45:24,790 --> 01:45:22,719

as black and white and there's an answer

3019

01:45:26,790 --> 01:45:24,800

to everything we don't know yet and and

3020

01:45:28,550 --> 01:45:26,800

i do believe that there are answers

3021

01:45:29,350 --> 01:45:28,560

i just sometimes think that it's funny

3022

01:45:31,189 --> 01:45:29,360

that

3023

01:45:33,350 --> 01:45:31,199

we're requesting

3024

01:45:35,109 --> 01:45:33,360

what could be the answers to work within

3025

01:45:36,550 --> 01:45:35,119

the parameters of which we understand

3026

01:45:37,910 --> 01:45:36,560

the world to exist right now and that's

3027

01:45:39,910 --> 01:45:37,920

not i don't we just don't have the

3028

01:45:41,189 --> 01:45:39,920

picture of what's going on yeah

3029

01:45:42,709 --> 01:45:41,199

and uh

3030

01:45:45,030 --> 01:45:42,719

you know i i think

3031

01:45:46,470 --> 01:45:45,040

i i think you've done amazing work with

3032

01:45:48,310 --> 01:45:46,480

this book over the years i think you've

3033

01:45:50,149 --> 01:45:48,320

done a obviously you're on here with me

3034

01:45:51,910 --> 01:45:50,159

hanging out with a a group like us we're

3035

01:45:52,709 --> 01:45:51,920

small potatoes in the grand scheme of

3036

01:45:54,550 --> 01:45:52,719

things

3037

01:45:56,070 --> 01:45:54,560

but we have a very tight-knit group of

3038

01:45:58,950 --> 01:45:56,080

family over here that

3039

01:46:00,229 --> 01:45:58,960

are very close and uh we i know they

3040

01:46:02,149 --> 01:46:00,239

appreciate being able to hear from you

3041

01:46:04,390 --> 01:46:02,159

tonight and obviously bringing this

3042

01:46:06,229 --> 01:46:04,400

story forward um who knows what's going

3043

01:46:07,510 --> 01:46:06,239

to go because i think that

3044

01:46:09,510 --> 01:46:07,520

it's my

3045

01:46:11,430 --> 01:46:09,520

guesstimation i guess at this point i do

3046

01:46:13,189 --> 01:46:11,440

think maybe i talk to my children about

3047

01:46:14,470 --> 01:46:13,199

this stuff i'm not necessarily planning

3048

01:46:16,629 --> 01:46:14,480

the idea of their head but they bring it

3049

01:46:18,950 --> 01:46:16,639

up i talk pretty openly to them about

3050

01:46:20,870 --> 01:46:18,960

uh maybe some of the things that are not

3051

01:46:23,510 --> 01:46:20,880

normal as it were and that you know

3052

01:46:25,109 --> 01:46:23,520

there might be a real day when there are

3053

01:46:26,390 --> 01:46:25,119

you know i i tend to lean towards the

3054

01:46:28,070 --> 01:46:26,400

idea that there's been things living

3055

01:46:31,270 --> 01:46:28,080

here for a long time with us very long

3056

01:46:32,470 --> 01:46:31,280

time and uh it's been the history as we

3057

01:46:33,910 --> 01:46:32,480

understand it and what we're taught in

3058

01:46:36,149 --> 01:46:33,920

school

3059

01:46:37,430 --> 01:46:36,159

it's it's it's not what what we've been

3060

01:46:39,669 --> 01:46:37,440

taught and that's and i know that's a

3061

01:46:41,030 --> 01:46:39,679

hard pill for some people to swallow but

3062

01:46:42,550 --> 01:46:41,040

i think at a certain point you say with

3063

01:46:44,070 --> 01:46:42,560

everything that's come up with the as

3064

01:46:45,830 --> 01:46:44,080

much as i'm not a fan of the government

3065

01:46:47,430 --> 01:46:45,840

as it were uh

3066

01:46:48,870 --> 01:46:47,440

even at this point with what they're

3067

01:46:50,229 --> 01:46:48,880

sharing you're almost starting to stick

3068

01:46:51,830 --> 01:46:50,239

your head in the sand if you're not at

3069

01:46:53,510 --> 01:46:51,840

least acknowledging that something's

3070

01:46:54,629 --> 01:46:53,520

going on i think

3071

01:46:56,229 --> 01:46:54,639

again i'm not one of those guys who

3072

01:46:57,910 --> 01:46:56,239

meditates or anything but

3073

01:46:59,189 --> 01:46:57,920

i think you can feel like a collective

3074

01:47:00,229 --> 01:46:59,199

consciousness you can feel like you're

3075

01:47:01,430 --> 01:47:00,239

talking about the awakening or

3076

01:47:02,950 --> 01:47:01,440

quickenig

3077

01:47:05,350 --> 01:47:02,960

something's changing right there's

3078

01:47:06,629 --> 01:47:05,360

there's this awareness

3079

01:47:08,070 --> 01:47:06,639

and um

3080

01:47:09,590 --> 01:47:08,080

i'd like to think that you've been a

3081

01:47:11,590 --> 01:47:09,600

great part of helping some of that for

3082

01:47:12,950 --> 01:47:11,600

sure and like i said we really

3083

01:47:15,109 --> 01:47:12,960

appreciate you coming to hang out with

3084

01:47:17,270 --> 01:47:15,119

us at the garage here um i know we only

3085

01:47:18,709 --> 01:47:17,280

have about maybe another uh gateshead

3086

01:47:20,149 --> 01:47:18,719

here a couple minutes because we got srs

3087

01:47:22,310 --> 01:47:20,159

coming on by the way guys if you want to

3088

01:47:24,950 --> 01:47:22,320

check out mr dave scott tonight he will

3089

01:47:27,270 --> 01:47:24,960

have bob boston and nicole sackett and

3090

01:47:29,430 --> 01:47:27,280

they will be talking about bigfoot and

3091

01:47:31,430 --> 01:47:29,440

aliens is there a connection between

3092

01:47:32,629 --> 01:47:31,440

sasquatch and uap

3093

01:47:34,629 --> 01:47:32,639

so if you guys want to go catch some

3094

01:47:36,070 --> 01:47:34,639

quality content over there on the spaced

3095

01:47:37,030 --> 01:47:36,080

out radio and like i said you can catch

3096

01:47:38,550 --> 01:47:37,040

myself

3097

01:47:40,870 --> 01:47:38,560

gemma jade and john hudson on the

3098

01:47:42,310 --> 01:47:40,880

weekends we'd appreciate that and mr ron

3099

01:47:44,070 --> 01:47:42,320

filbert if there is anything i have

3100

01:47:45,189 --> 01:47:44,080

missed tonight i do have your links in

3101

01:47:47,030 --> 01:47:45,199

the show notes but if there's anywhere

3102

01:47:48,790 --> 01:47:47,040

else you'd like anybody to find you and

3103

01:47:50,470 --> 01:47:48,800

then once again let us know what you're

3104

01:47:51,510 --> 01:47:50,480

working on or anything that that and

3105

01:47:53,910 --> 01:47:51,520

we'll get you out here for the evening

3106

01:47:56,550 --> 01:47:53,920

as well yeah well i mentioned before

3107

01:48:00,950 --> 01:47:56,560

when i was a student at uh at georgetown

3108

01:48:03,590 --> 01:48:01,669

and

3109

01:48:05,990 --> 01:48:03,600

i got to meet bill blatty while they

3110

01:48:08,470 --> 01:48:06,000

were filming the exorcist and i was at a

3111

01:48:09,430 --> 01:48:08,480

new novel my first novel was chasing him

3112

01:48:11,510 --> 01:48:09,440

around

3113

01:48:13,189 --> 01:48:11,520

and we got to be friends he liked the

3114

01:48:15,590 --> 01:48:13,199

novel said he'd help me with the next

3115

01:48:16,790 --> 01:48:15,600

one and he did he was true to his word

3116

01:48:18,870 --> 01:48:16,800

we had a

3117

01:48:20,229 --> 01:48:18,880

pretty much a lifelong friendship

3118

01:48:23,430 --> 01:48:20,239

but during the course of it he passed

3119

01:48:25,109 --> 01:48:23,440

along a very very incredible story

3120

01:48:26,470 --> 01:48:25,119

and uh the name of the book that will

3121

01:48:29,270 --> 01:48:26,480

come out in september is called the

3122

01:48:30,390 --> 01:48:29,280

unwelcomed the curious case of clara

3123

01:48:33,430 --> 01:48:30,400

fowler

3124

01:48:35,910 --> 01:48:33,440

and it's a case of demonic possession

3125

01:48:38,790 --> 01:48:35,920

that was studied by harvard university

3126

01:48:41,270 --> 01:48:38,800

from 1898 to 1901

3127

01:48:44,550 --> 01:48:41,280

william james the famous william james

3128

01:48:46,550 --> 01:48:44,560

whose brother was henry james

3129

01:48:48,229 --> 01:48:46,560

harvard medical school professor

3130

01:48:50,709 --> 01:48:48,239

that sort of invented abnormal

3131

01:48:53,430 --> 01:48:50,719

psychology along with dr morton prince

3132

01:48:55,189 --> 01:48:53,440

and george waterman and also leonora

3133

01:48:55,990 --> 01:48:55,199

piper who was a

3134

01:48:57,590 --> 01:48:56,000

the

3135

01:49:01,030 --> 01:48:57,600

chief clairvoyant

3136

01:49:03,830 --> 01:49:01,040

of the times and the president of the um

3137

01:49:06,310 --> 01:49:03,840

psychical society research society

3138

01:49:07,910 --> 01:49:06,320

formed a team to study this woman

3139

01:49:09,830 --> 01:49:07,920

and really it was a battle between the

3140

01:49:12,550 --> 01:49:09,840

spiritualists and the scientists as to

3141

01:49:14,709 --> 01:49:12,560

whether this was a new disease

3142

01:49:17,589 --> 01:49:14,719

or whether this was in fact

3143

01:49:18,709 --> 01:49:17,599

um a spirit that had occupied a human

3144

01:49:21,830 --> 01:49:18,719

being

3145

01:49:23,910 --> 01:49:21,840

and this went on for um for three years

3146

01:49:26,870 --> 01:49:23,920

and uh it's just it's probably the most

3147

01:49:29,510 --> 01:49:26,880

incredible story i've ever come across

3148

01:49:31,189 --> 01:49:29,520

i i do so essentially dealing with it

3149

01:49:33,430 --> 01:49:31,199

with the possible i because we haven't

3150

01:49:36,149 --> 01:49:33,440

read it but but a possible uh demonic

3151

01:49:37,589 --> 01:49:36,159

demon possession correct and exorcism

3152

01:49:39,669 --> 01:49:37,599

very interesting i find that stuff

3153

01:49:42,870 --> 01:49:39,679

highly intriguing i i think there's

3154

01:49:45,109 --> 01:49:42,880

again to me the world is so much more

3155

01:49:47,669 --> 01:49:45,119

magical for better a lack of a better

3156

01:49:49,589 --> 01:49:47,679

term than we give it credit for don't

3157

01:49:51,589 --> 01:49:49,599

want to get fired up one of the key

3158

01:49:54,709 --> 01:49:51,599

lines that i thought though hodgson

3159

01:49:57,750 --> 01:49:54,719

who's president of the the psychical

3160

01:50:00,070 --> 01:49:57,760

research society talks to william james

3161

01:50:01,990 --> 01:50:00,080

who is a scientist and says don't you

3162

01:50:06,310 --> 01:50:02,000

see the possibilities

3163

01:50:09,109 --> 01:50:06,320

here in boston in 1898 if we can prove

3164

01:50:10,709 --> 01:50:09,119

that a demon exists we can prove that

3165

01:50:12,229 --> 01:50:10,719

god exists

3166

01:50:14,550 --> 01:50:12,239

we can prove that there's a life

3167

01:50:16,790 --> 01:50:14,560

everlasting that's what we're that's

3168

01:50:19,270 --> 01:50:16,800

what we're doing here today

3169

01:50:20,870 --> 01:50:19,280

interesting that's that's quite the

3170

01:50:23,189 --> 01:50:20,880

the quote when you think about it that's

3171

01:50:25,830 --> 01:50:23,199

something there powerful it is very

3172

01:50:28,950 --> 01:50:25,840

powerful um really quickly too guys i am

3173

01:50:30,709 --> 01:50:28,960

going to drop the link in the the show

3174
