

2 Topic

Tuesday

1
00:00:10,380 --> 00:00:07,440
[Music]

2
00:00:11,589 --> 00:00:10,390
[Applause]

3
00:00:13,570 --> 00:00:11,599
[Music]

4
00:00:15,020 --> 00:00:13,580
oh

5
00:00:19,269 --> 00:00:15,030
[Applause]

6
00:00:22,630 --> 00:00:19,279
[Music]

7
00:00:25,189 --> 00:00:22,640
this is another episode of ufo garage

8
00:00:28,710 --> 00:00:25,199
i'm ben and i'm joe and this is where we

9
00:00:31,029 --> 00:00:28,720
talk about ufos aliens and all things

10
00:00:33,990 --> 00:00:31,039
weird oh

11
00:00:36,310 --> 00:00:34,000
all things weird what's up man how's it

12
00:00:39,830 --> 00:00:36,320
going welcome to another

13
00:00:42,069 --> 00:00:39,840

uh topless two topic tuesday [h__h] what

14

00:00:43,190 --> 00:00:42,079

do we call this thing topless

15

00:00:45,029 --> 00:00:43,200

tuesday

16

00:00:47,029 --> 00:00:45,039

yeah dude uh

17

00:00:48,709 --> 00:00:47,039

topless tuesdays man

18

00:00:50,310 --> 00:00:48,719

yeah it's where it's so it's all the

19

00:00:52,069 --> 00:00:50,320

rage everybody's talking about it it's a

20

00:00:53,750 --> 00:00:52,079

big hit you know what i'm saying uh the

21

00:00:56,549 --> 00:00:53,760

only feedback we got from last week's

22

00:01:00,150 --> 00:00:56,559

episode was hey you guys need less

23

00:01:01,110 --> 00:01:00,160

chicks on your topless tuesday so

24

00:01:03,349 --> 00:01:01,120

you know

25

00:01:05,030 --> 00:01:03,359

we uh we got rid of the chicks and uh

26

00:01:07,429 --> 00:01:05,040

it's just ben and i here today so it's

27

00:01:09,190 --> 00:01:07,439

just us we love you guys all right we

28

00:01:12,710 --> 00:01:09,200

listen we listen to feedback and we love

29

00:01:13,670 --> 00:01:12,720

you guys we did it for you we're doing

30

00:01:15,109 --> 00:01:13,680

this

31

00:01:18,469 --> 00:01:15,119

for you

32

00:01:23,510 --> 00:01:18,479

yes dude yes well hey man it's uh you

33

00:01:26,149 --> 00:01:23,520

know the two topic toss topless tuesday

34

00:01:28,390 --> 00:01:26,159

totally topless two-topic tuesday there

35

00:01:31,109 --> 00:01:28,400

we go i finally said it right i want to

36

00:01:33,109 --> 00:01:31,119

came up with the name i know

37

00:01:35,510 --> 00:01:33,119

what i found out is that the youtube

38

00:01:37,429 --> 00:01:35,520

algorithm like buries your it buries

39

00:01:38,390 --> 00:01:37,439

your your video if your title is too

40

00:01:40,390 --> 00:01:38,400

long

41

00:01:41,590 --> 00:01:40,400

does it so i kept it pretty simple you

42

00:01:45,990 --> 00:01:41,600

know

43

00:01:48,230 --> 00:01:46,000

that it's totally topless to topic

44

00:01:49,749 --> 00:01:48,240

tuesday everybody knows we don't need to

45

00:01:51,749 --> 00:01:49,759

you know we don't need to

46

00:01:52,550 --> 00:01:51,759

to put the whole name right in the title

47

00:01:54,550 --> 00:01:52,560

we got

48

00:01:56,389 --> 00:01:54,560

everybody knows especially christina

49

00:01:59,190 --> 00:01:56,399

bell thank you for that awesome super

50

00:02:01,270 --> 00:01:59,200

chat thanks a lot christina thanks a lot

51
00:02:04,630 --> 00:02:01,280
welcome to the show everyone how are

52
00:02:07,109 --> 00:02:04,640
y'all doing this afternoon uh as you

53
00:02:09,109 --> 00:02:07,119
guys know the format of

54
00:02:11,029 --> 00:02:09,119
of tuesdays man is uh you got to go

55
00:02:12,229 --> 00:02:11,039
topless and we got to have two topics to

56
00:02:13,990 --> 00:02:12,239
talk about

57
00:02:17,750 --> 00:02:14,000
and i think we've got both of those

58
00:02:19,190 --> 00:02:17,760
today yes right yes yeah dude yeah yeah

59
00:02:26,869 --> 00:02:19,200
number one

60
00:02:29,430 --> 00:02:26,879
what is the uso what is a uso joe you

61
00:02:32,150 --> 00:02:29,440
guys know what ufos are

62
00:02:33,350 --> 00:02:32,160
but usos well that's something a little

63
00:02:36,869 --> 00:02:33,360

bit different

64

00:02:39,270 --> 00:02:36,879

that is an unidentified

65

00:02:41,430 --> 00:02:39,280

swimming object

66

00:02:44,710 --> 00:02:41,440

yup

67

00:02:48,390 --> 00:02:44,720

swimming swimming an idea by swimming

68

00:02:50,150 --> 00:02:48,400

okay it actually stands for submersible

69

00:02:53,190 --> 00:02:50,160

submersible

70

00:02:54,390 --> 00:02:53,200

unidentified commercial

71

00:02:58,390 --> 00:02:54,400

so what

72

00:03:02,710 --> 00:02:58,400

what constitutes a submersible

73

00:03:06,790 --> 00:03:04,949

hell yeah you could be a submersible

74

00:03:10,790 --> 00:03:06,800

object dude

75

00:03:12,949 --> 00:03:10,800

a rock is a submersible object right

76

00:03:15,350 --> 00:03:12,959

yeah everybody knows that everybody

77

00:03:19,509 --> 00:03:15,360

knows that but more importantly

78

00:03:22,309 --> 00:03:19,519

ufos can be submersible objects

79

00:03:23,110 --> 00:03:22,319

and and how do we know that something

80

00:03:25,110 --> 00:03:23,120

like

81

00:03:27,110 --> 00:03:25,120

basically anything could be

82

00:03:28,869 --> 00:03:27,120

submerged and you wouldn't know what it

83

00:03:31,350 --> 00:03:28,879

is right like

84

00:03:32,949 --> 00:03:31,360

yeah yeah it's almost harder to see what

85

00:03:34,630 --> 00:03:32,959

it is under the water than what it is in

86

00:03:36,550 --> 00:03:34,640

the sky you know

87

00:03:39,350 --> 00:03:36,560

like we were talking about like even if

88

00:03:41,509 --> 00:03:39,360

you had a camera and saw some crazy [h__h]

89

00:03:42,949 --> 00:03:41,519

underneath like the surface of the water

90

00:03:45,190 --> 00:03:42,959

by the time you got it out it's not like

91

00:03:48,070 --> 00:03:45,200

you could follow it in the sky

92

00:03:49,110 --> 00:03:48,080

it's like immediately camouflaged

93

00:03:50,630 --> 00:03:49,120

and

94

00:03:52,710 --> 00:03:50,640

even if you get it on film it's probably

95

00:03:54,710 --> 00:03:52,720

gonna look really shitty yeah it's gonna

96

00:03:57,030 --> 00:03:54,720

look weird man you know like we have the

97

00:03:59,509 --> 00:03:57,040

ufo which is obviously an unidentified

98

00:04:02,869 --> 00:03:59,519

flying object we should have

99

00:04:05,190 --> 00:04:02,879

t usos and it stands for

100

00:04:07,030 --> 00:04:05,200

totally unidentified submerged

101
00:04:08,390 --> 00:04:07,040
submersible object dude you know what

102
00:04:10,229 --> 00:04:08,400
i'm saying because like

103
00:04:12,229 --> 00:04:10,239
like that's unidentifiable but we can

104
00:04:14,789 --> 00:04:12,239
all look at it and be like i can't

105
00:04:17,509 --> 00:04:14,799
really identify it it could could be

106
00:04:19,430 --> 00:04:17,519
like maybe a ufo could be definitely

107
00:04:21,990 --> 00:04:19,440
didn't look like a plane i'm not really

108
00:04:24,710 --> 00:04:22,000
sure but it's it's it's definitely weird

109
00:04:26,070 --> 00:04:24,720
right but in the water

110
00:04:28,070 --> 00:04:26,080
like we were talking about what you

111
00:04:30,390 --> 00:04:28,080
might see some bubbles or some [h__\h]

112
00:04:32,469 --> 00:04:30,400
right and then a thing flies off or like

113
00:04:34,310 --> 00:04:32,479

you didn't even notice it coming right

114

00:04:35,670 --> 00:04:34,320

you know it's just weird or you did see

115

00:04:37,030 --> 00:04:35,680

it like you're like what is that in the

116

00:04:39,110 --> 00:04:37,040

sky and then it goes under the water

117

00:04:40,629 --> 00:04:39,120

real quick oh [h__h] yeah you're done you

118

00:04:41,670 --> 00:04:40,639

can't see it what are you gonna do you

119

00:04:43,270 --> 00:04:41,680

know it takes

120

00:04:45,590 --> 00:04:43,280

a little dip i don't know maybe it's a

121

00:04:47,030 --> 00:04:45,600

little hot needs to cool down you know

122

00:04:50,310 --> 00:04:47,040

and and whenever you're looking at this

123

00:04:51,189 --> 00:04:50,320

topic the uso topic i mean

124

00:04:53,189 --> 00:04:51,199

uh

125

00:04:56,310 --> 00:04:53,199

you can't really find a lot on it which

126

00:04:58,629 --> 00:04:56,320

is strange because you usos actually

127

00:05:02,390 --> 00:04:58,639

make up over like half

128

00:05:04,150 --> 00:05:02,400

over half of ufo sightings right yeah so

129

00:05:05,510 --> 00:05:04,160

so i mean they they make up more of the

130

00:05:07,749 --> 00:05:05,520

sightings than like the stuff we see in

131

00:05:09,029 --> 00:05:07,759

the sky yeah we concentrate on things in

132

00:05:11,110 --> 00:05:09,039

the sky

133

00:05:13,510 --> 00:05:11,120

yeah now how do you feel about this man

134

00:05:16,870 --> 00:05:13,520

i mean if we go back to

135

00:05:18,710 --> 00:05:16,880

old ancient times right you know um

136

00:05:20,469 --> 00:05:18,720

obviously there wasn't a lot of light

137

00:05:22,230 --> 00:05:20,479

pollution and stuff people were looking

138

00:05:24,150 --> 00:05:22,240

at the skies they were seeing this and

139

00:05:25,830 --> 00:05:24,160

that they started building cities and

140

00:05:28,950 --> 00:05:25,840

you know we've got entire cultures that

141

00:05:30,310 --> 00:05:28,960

are the druids that are no one knew

142

00:05:33,110 --> 00:05:30,320

who they were

143

00:05:35,830 --> 00:05:33,120

or what what i would i would do it fo

144

00:05:39,350 --> 00:05:37,590

sorry keep going so

145

00:05:41,590 --> 00:05:39,360

we have we have all these cultures that

146

00:05:43,110 --> 00:05:41,600

are like built around some of these

147

00:05:46,230 --> 00:05:43,120

things that people have seen in the

148

00:05:46,950 --> 00:05:46,240

skies right uh but then you get

149

00:05:50,629 --> 00:05:46,960

to

150

00:05:53,510 --> 00:05:50,639

the usos right and who's seen usos well

151

00:05:56,150 --> 00:05:53,520

you know the first the first uh uh form

152

00:05:59,189 --> 00:05:56,160

of like transportation is gonna be like

153

00:06:01,510 --> 00:05:59,199

boats you know so you have all these old

154

00:06:03,909 --> 00:06:01,520

sailors that have you know depictions of

155

00:06:06,390 --> 00:06:03,919

lights that they see in the sky and and

156

00:06:08,710 --> 00:06:06,400

uh you know things that come out of the

157

00:06:10,390 --> 00:06:08,720

water that look like machines you know

158

00:06:14,070 --> 00:06:10,400

you have all these different you know

159

00:06:16,070 --> 00:06:14,080

water sea monster creatures as well um

160

00:06:17,510 --> 00:06:16,080

and a lot of people think that a lot of

161

00:06:19,670 --> 00:06:17,520

these creatures that people saw were

162

00:06:21,830 --> 00:06:19,680

just unidentified animals that we didn't

163

00:06:23,350 --> 00:06:21,840

know anything about back in the day

164

00:06:25,110 --> 00:06:23,360

right but

165

00:06:26,870 --> 00:06:25,120

what about the machines

166

00:06:30,230 --> 00:06:26,880

what about the stuff that's

167

00:06:31,990 --> 00:06:30,240

submersible these usos that these people

168

00:06:35,029 --> 00:06:32,000

were seeing you know

169

00:06:37,749 --> 00:06:35,039

as far back as like the 1950s

170

00:06:40,150 --> 00:06:37,759

dude didn't uh chris christopher

171

00:06:41,270 --> 00:06:40,160

columbus see some [h__h] and uh write it

172

00:06:43,590 --> 00:06:41,280

or is that just something i saw on

173

00:06:47,029 --> 00:06:43,600

ancient i think he did dude i think he

174

00:06:49,589 --> 00:06:47,039

saw like these green glowing lights uh

175

00:06:51,990 --> 00:06:49,599

out on the ship now we know now though

176

00:06:54,629 --> 00:06:52,000

that that could be uh

177

00:06:56,390 --> 00:06:54,639

bioluminescent plankton or fish or

178

00:06:57,670 --> 00:06:56,400

something like that right which yeah if

179

00:07:01,189 --> 00:06:57,680

you've never seen that you don't know

180

00:07:03,510 --> 00:07:01,199

what bioluminescence is and like

181

00:07:06,150 --> 00:07:03,520

you know you got 100 people like

182

00:07:07,350 --> 00:07:06,160

[h__\h] on a boat like that technology

183

00:07:09,510 --> 00:07:07,360

has got to be

184

00:07:12,390 --> 00:07:09,520

like you know they're like what is that

185

00:07:14,950 --> 00:07:12,400

this is like magical you know

186

00:07:16,710 --> 00:07:14,960

like that god's allowed this to happen

187

00:07:19,749 --> 00:07:16,720

you're like oh it's just you know it's

188

00:07:20,790 --> 00:07:19,759

bioluminescent uh plankton man so it's

189

00:07:22,629 --> 00:07:20,800

do you

190

00:07:25,110 --> 00:07:22,639

so oh oh here's a cool one with the

191

00:07:26,070 --> 00:07:25,120

doggo look it's a little um

192

00:07:27,909 --> 00:07:26,080

it's a

193

00:07:31,189 --> 00:07:27,919

what what is that dog

194

00:07:33,430 --> 00:07:32,629

malto

195

00:07:37,909 --> 00:07:33,440

uh

196

00:07:39,749 --> 00:07:37,919

but biology bioluminescent algae exists

197

00:07:41,990 --> 00:07:39,759

like in really shallow water it's got to

198

00:07:44,469 --> 00:07:42,000

be a very specific temperature

199

00:07:46,230 --> 00:07:44,479

uh i actually saw it dude

200

00:07:49,510 --> 00:07:46,240

i think i told i think i told you about

201
00:07:51,749 --> 00:07:49,520
this uh jess and i were out fishing

202
00:07:52,869 --> 00:07:51,759
uh with my step-dad and his buddy out of

203
00:07:55,670 --> 00:07:52,879
granger lake

204
00:07:57,830 --> 00:07:55,680
well i was going to say close miss

205
00:07:58,710 --> 00:07:57,840
knuckles uh in

206
00:08:00,070 --> 00:07:58,720
um

207
00:08:02,469 --> 00:08:00,080
which is on

208
00:08:04,710 --> 00:08:02,479
near baytown the houston area

209
00:08:06,629 --> 00:08:04,720
and there's this flat where it's super

210
00:08:09,430 --> 00:08:06,639
shallow it's like three feet deep like

211
00:08:10,950 --> 00:08:09,440
at the deepest for like like a mile

212
00:08:13,189 --> 00:08:10,960
because it's like the bay there's like a

213
00:08:15,189 --> 00:08:13,199

island or like a stretch of land and

214

00:08:17,270 --> 00:08:15,199

then a bunch of water anyway so it's

215

00:08:19,189 --> 00:08:17,280

really shallow it's consistent and dude

216

00:08:20,710 --> 00:08:19,199

i've been there my entire life like in

217

00:08:21,589 --> 00:08:20,720

the summers and back and forth like i've

218

00:08:23,029 --> 00:08:21,599

been on

219

00:08:25,110 --> 00:08:23,039

seeing the water

220

00:08:26,629 --> 00:08:25,120

at night and this is the first time i've

221

00:08:28,309 --> 00:08:26,639

ever seen it my brother who lives there

222

00:08:29,990 --> 00:08:28,319

saw it and he was like dude that's the

223

00:08:32,389 --> 00:08:30,000

first time i've ever seen it it was like

224

00:08:35,190 --> 00:08:32,399

bright or glowing green as we were

225

00:08:37,029 --> 00:08:35,200

driving with our boat through the like

226

00:08:38,630 --> 00:08:37,039

this really shallow water i was like

227

00:08:40,630 --> 00:08:38,640

sticking my hand in it and everything it

228

00:08:42,630 --> 00:08:40,640

was so awesome it looked like the aurora

229

00:08:44,070 --> 00:08:42,640

borealis

230

00:08:44,980 --> 00:08:44,080

you were like that full-on fern gully

231

00:08:48,150 --> 00:08:44,990

when he got small

232

00:08:50,870 --> 00:08:48,160

[Laughter]

233

00:08:54,150 --> 00:08:50,880

when he got small

234

00:08:55,829 --> 00:08:54,160

it was like i like being small yeah

235

00:08:58,310 --> 00:08:55,839

everything's less expensive and i don't

236

00:09:00,070 --> 00:08:58,320

need to eat a bunch yeah let's just

237

00:09:01,990 --> 00:09:00,080

munch on these mushrooms with the rest

238

00:09:03,910 --> 00:09:02,000

of the fairy people man

239

00:09:06,070 --> 00:09:03,920

how much of these mushrooms hey

240

00:09:09,670 --> 00:09:06,080

would you mind extending an acorn and

241

00:09:11,110 --> 00:09:09,680

they're like oh no no no don't eat those

242

00:09:13,110 --> 00:09:11,120

he's like

243

00:09:17,750 --> 00:09:13,120

he's already like housed like three

244

00:09:21,829 --> 00:09:19,910

dude i feel like a a tiny pocket that's

245

00:09:23,590 --> 00:09:21,839

a that's a very that's a lot of money

246

00:09:25,829 --> 00:09:23,600

like a little bit of mushroom goes a

247

00:09:27,590 --> 00:09:25,839

long way you know yeah it does man it

248

00:09:29,750 --> 00:09:27,600

definitely does

249

00:09:31,990 --> 00:09:29,760

so i mean some of these hot spots man

250

00:09:34,630 --> 00:09:32,000

for for usos i mean

251
00:09:38,630 --> 00:09:34,640
you know uh you know off the coast of

252
00:09:42,389 --> 00:09:38,640
florida right down near cuba i mean this

253
00:09:44,630 --> 00:09:42,399
this uh catalina dressing island uh is a

254
00:09:47,910 --> 00:09:44,640
hot spot for these things there's you

255
00:09:50,310 --> 00:09:47,920
know uh areas in japan off the coast of

256
00:09:52,949 --> 00:09:50,320
australia i mean these things are all

257
00:09:54,310 --> 00:09:52,959
over the place right we hear a lot about

258
00:09:56,710 --> 00:09:54,320
it you know

259
00:09:58,949 --> 00:09:56,720
off the west coast and you know with

260
00:10:01,670 --> 00:09:58,959
with the navy and this and that and

261
00:10:04,790 --> 00:10:01,680
everything that's going on um it goes as

262
00:10:07,509 --> 00:10:04,800
far as saying that some people believe

263
00:10:10,150 --> 00:10:07,519

that there's an actual base under under

264

00:10:11,910 --> 00:10:10,160

the water which is you know yeah sure

265

00:10:14,230 --> 00:10:11,920

why not it's a possibility

266

00:10:16,470 --> 00:10:14,240

yeah right these things being trans

267

00:10:18,790 --> 00:10:16,480

medium which means that they can go in

268

00:10:22,310 --> 00:10:18,800

the ocean the air space

269

00:10:23,670 --> 00:10:22,320

um is pretty interesting um and and what

270

00:10:25,829 --> 00:10:23,680

do you think of what are your thoughts

271

00:10:27,509 --> 00:10:25,839

like on these things like being in the

272

00:10:30,069 --> 00:10:27,519

water already

273

00:10:31,430 --> 00:10:30,079

um and they're flying out of the water

274

00:10:32,790 --> 00:10:31,440

you know like how do you what are your

275

00:10:34,310 --> 00:10:32,800

thoughts on that when it comes to the

276

00:10:36,710 --> 00:10:34,320

uso topic

277

00:10:38,550 --> 00:10:36,720

i i think if the science says anything

278

00:10:40,630 --> 00:10:38,560

from what we've witnessed is that these

279

00:10:44,069 --> 00:10:40,640

objects whatever they are if they're

280

00:10:47,110 --> 00:10:44,079

man-made or if they're man-driven

281

00:10:49,670 --> 00:10:47,120

uh they defy loss of gravity

282

00:10:52,069 --> 00:10:49,680

and if you're defying laws of gravity

283

00:10:53,990 --> 00:10:52,079

somehow making this bubble around your

284

00:10:56,550 --> 00:10:54,000

your physical craft

285

00:10:58,550 --> 00:10:56,560

then nothing makes nothing matters like

286

00:11:00,069 --> 00:10:58,560

inertia doesn't matter water doesn't

287

00:11:02,389 --> 00:11:00,079

matter earth doesn't matter it just kind

288

00:11:04,949 --> 00:11:02,399

of pushes it and it just

289

00:11:06,790 --> 00:11:04,959

uh it replaces what's there

290

00:11:08,710 --> 00:11:06,800

and moves everything around it almost

291

00:11:11,110 --> 00:11:08,720

like like putting your hand through a

292

00:11:12,470 --> 00:11:11,120

really like a broom a broom head or

293

00:11:14,230 --> 00:11:12,480

something you just like

294

00:11:15,910 --> 00:11:14,240

go straight through it and everything

295

00:11:19,110 --> 00:11:15,920

just moves around you

296

00:11:21,750 --> 00:11:19,120

uh so i think going into water is

297

00:11:23,990 --> 00:11:21,760

number one really really easy to do for

298

00:11:25,590 --> 00:11:24,000

a craft that uh defies the laws of

299

00:11:27,670 --> 00:11:25,600

physics

300

00:11:30,630 --> 00:11:27,680

but also

301
00:11:31,670 --> 00:11:30,640
has this layer of of camouflage

302
00:11:33,430 --> 00:11:31,680
to where

303
00:11:36,949 --> 00:11:33,440
not only can they travel

304
00:11:38,870 --> 00:11:36,959
the 70 of the earth like isn't like 70

305
00:11:40,949 --> 00:11:38,880
of the earth water right

306
00:11:43,190 --> 00:11:40,959
who's to say that there aren't

307
00:11:45,750 --> 00:11:43,200
bases that that we just haven't

308
00:11:48,870 --> 00:11:45,760
discovered or or even

309
00:11:50,790 --> 00:11:48,880
underwater islands of land that if you

310
00:11:52,790 --> 00:11:50,800
go past some kind of

311
00:11:55,350 --> 00:11:52,800
uh cave or something maybe there's like

312
00:11:56,790 --> 00:11:55,360
this air pocket

313
00:11:57,990 --> 00:11:56,800

that's been there for a really long time

314

00:11:59,030 --> 00:11:58,000

and there's a civilization already

315

00:12:00,230 --> 00:11:59,040

living there and they've been living

316

00:12:03,110 --> 00:12:00,240

there for a really long time and they're

317

00:12:04,629 --> 00:12:03,120

like oh damn it's warm dude it's warm

318

00:12:06,310 --> 00:12:04,639

there's plenty of food and nobody's

319

00:12:07,990 --> 00:12:06,320

fighting no one's an [h__h] down here

320

00:12:09,750 --> 00:12:08,000

that's pretty cool that's why we don't

321

00:12:10,629 --> 00:12:09,760

hang out with you

322

00:12:14,310 --> 00:12:10,639

yeah

323

00:12:17,030 --> 00:12:14,320

in the end with the idea of these things

324

00:12:19,110 --> 00:12:17,040

could already be in the water right

325

00:12:20,870 --> 00:12:19,120

i hear people say that like

326

00:12:22,389 --> 00:12:20,880

these craft are coming from the water

327

00:12:25,430 --> 00:12:22,399

like that's where they're stationed they

328

00:12:27,509 --> 00:12:25,440

got to be in the water right but but

329

00:12:28,949 --> 00:12:27,519

you saw it come out of the water but you

330

00:12:30,790 --> 00:12:28,959

didn't see where it came from did we do

331

00:12:32,470 --> 00:12:30,800

we know that it didn't come from the sky

332

00:12:34,389 --> 00:12:32,480

and then go down in the water and chill

333

00:12:36,230 --> 00:12:34,399

and then when you were riding your boat

334

00:12:38,069 --> 00:12:36,240

it was like time to go back and they

335

00:12:39,509 --> 00:12:38,079

shot out of the water and then now

336

00:12:42,230 --> 00:12:39,519

people are just like yeah these things

337

00:12:44,790 --> 00:12:42,240

are just under the water which they very

338

00:12:47,430 --> 00:12:44,800

well could be man like our skies could

339

00:12:49,990 --> 00:12:47,440

probably be like that that uh that the

340

00:12:52,069 --> 00:12:50,000

busy highway intersection that they just

341

00:12:53,670 --> 00:12:52,079

eventually have to cross you see them

342

00:12:55,430 --> 00:12:53,680

come down they kind of chill for a

343

00:12:57,670 --> 00:12:55,440

second waiting for traffic to pass and

344

00:12:59,430 --> 00:12:57,680

then boom they shoot down in the water

345

00:13:00,389 --> 00:12:59,440

you know same thing coming back up you

346

00:13:01,990 --> 00:13:00,399

know like

347

00:13:02,949 --> 00:13:02,000

i don't know if they technically really

348

00:13:05,269 --> 00:13:02,959

want

349

00:13:07,590 --> 00:13:05,279

to be seen i mean they make up their own

350

00:13:09,910 --> 00:13:07,600

minds whether you you know they allow

351
00:13:12,230 --> 00:13:09,920
themselves to be seen or not sometimes

352
00:13:14,150 --> 00:13:12,240
it maybe they get caught off guard

353
00:13:17,990 --> 00:13:14,160
i don't know man but i i think it's a

354
00:13:21,350 --> 00:13:18,000
really interesting thing that you know

355
00:13:22,710 --> 00:13:21,360
the the the the trans medium aspect of

356
00:13:24,230 --> 00:13:22,720
the whole thing

357
00:13:26,629 --> 00:13:24,240
is is pretty

358
00:13:28,790 --> 00:13:26,639
pretty awesome to me right

359
00:13:31,829 --> 00:13:28,800
think about yeah dude think about this

360
00:13:34,310 --> 00:13:31,839
like we talk about uh ley lines and how

361
00:13:36,710 --> 00:13:34,320
those are in a sense ufo

362
00:13:38,470 --> 00:13:36,720
extraterrestrial highways energetic

363
00:13:41,509 --> 00:13:38,480

highways that

364

00:13:42,870 --> 00:13:41,519

these entities or crafts are able to use

365

00:13:44,550 --> 00:13:42,880

the natural

366

00:13:47,110 --> 00:13:44,560

uh magnetic

367

00:13:49,430 --> 00:13:47,120

properties of the earth and they exist

368

00:13:50,949 --> 00:13:49,440

around certain spots on land those are

369

00:13:52,629 --> 00:13:50,959

the ones we know about what about the

370

00:13:55,829 --> 00:13:52,639

ones we don't know about that maybe

371

00:13:58,470 --> 00:13:55,839

exist maybe near the marianas trench or

372

00:13:59,910 --> 00:13:58,480

water right or in the water near or near

373

00:14:00,949 --> 00:13:59,920

uh volcanic

374

00:14:04,069 --> 00:14:00,959

uh

375

00:14:04,870 --> 00:14:04,079

old volcanoes or i mean god knows how

376

00:14:07,910 --> 00:14:04,880

many

377

00:14:09,350 --> 00:14:07,920

are underneath the water that we just

378

00:14:11,990 --> 00:14:09,360

don't know about we only know about the

379

00:14:13,590 --> 00:14:12,000

ones that are on land so if we if that

380

00:14:17,110 --> 00:14:13,600

if we're taking that concept of like

381

00:14:18,790 --> 00:14:17,120

these ufos using these ley lines

382

00:14:20,310 --> 00:14:18,800

why can't it be under the water and they

383

00:14:21,110 --> 00:14:20,320

just pop up they're like oh yeah we took

384

00:14:21,910 --> 00:14:21,120

a

385

00:14:23,910 --> 00:14:21,920

guys

386

00:14:26,389 --> 00:14:23,920

we took a wrong toilet

387

00:14:27,750 --> 00:14:26,399

we got an albuquerque and look we're in

388

00:14:30,550 --> 00:14:27,760

the water

389

00:14:31,350 --> 00:14:30,560

and we we're here now so

390

00:14:33,189 --> 00:14:31,360

yeah

391

00:14:34,150 --> 00:14:33,199

and then they pop out and they're like

392

00:14:36,310 --> 00:14:34,160

also

393

00:14:37,750 --> 00:14:36,320

no one's gonna cause a ruckus because no

394

00:14:39,430 --> 00:14:37,760

one's no one's seeing you because you're

395

00:14:40,230 --> 00:14:39,440

traveling through the water

396

00:14:42,310 --> 00:14:40,240

yeah

397

00:14:45,590 --> 00:14:42,320

two things okay

398

00:14:47,509 --> 00:14:45,600

three things one are these chody little

399

00:14:48,870 --> 00:14:47,519

carrots all over the chat or those

400

00:14:50,949 --> 00:14:48,880

peaches

401
00:14:52,310 --> 00:14:50,959
uh two two

402
00:14:55,590 --> 00:14:52,320
um

403
00:14:59,590 --> 00:14:55,600
let's see uh ufo man what's up by the

404
00:15:01,030 --> 00:14:59,600
way uh peaches or portals right um i've

405
00:15:04,069 --> 00:15:01,040
heard people say that some of these

406
00:15:06,629 --> 00:15:04,079
things are like plasma doors that can

407
00:15:08,069 --> 00:15:06,639
just move right so when they fly in they

408
00:15:10,790 --> 00:15:08,079
can fly in pretty much wherever they

409
00:15:13,910 --> 00:15:10,800
want to because of this platinum door

410
00:15:15,750 --> 00:15:13,920
that can just open up yeah wherever it

411
00:15:17,670 --> 00:15:15,760
wants to

412
00:15:20,230 --> 00:15:17,680
but if that's if that's the case then

413
00:15:21,829 --> 00:15:20,240

like why would they need a base if they

414

00:15:22,949 --> 00:15:21,839

could just open a plasma portal wherever

415

00:15:25,670 --> 00:15:22,959

they wanted to

416

00:15:27,990 --> 00:15:25,680

why couldn't they just like

417

00:15:29,910 --> 00:15:28,000

do it in space and just go straight to

418

00:15:32,069 --> 00:15:29,920

the ocean like why do they need to be

419

00:15:33,509 --> 00:15:32,079

here i don't know maybe maybe it's like

420

00:15:35,590 --> 00:15:33,519

gravity dude

421

00:15:36,470 --> 00:15:35,600

change gravity do smart science

422

00:15:38,230 --> 00:15:36,480

smart

423

00:15:39,829 --> 00:15:38,240

maybe it's this concept of like you know

424

00:15:41,030 --> 00:15:39,839

sometimes it was more fun being at your

425

00:15:42,550 --> 00:15:41,040

friend's house because they had like

426

00:15:43,910 --> 00:15:42,560

unlimited snacks and their mom couldn't

427

00:15:44,790 --> 00:15:43,920

tell you no

428

00:15:46,870 --> 00:15:44,800

yeah

429

00:15:49,590 --> 00:15:46,880

so they're like hey let's go hang out

430

00:15:51,269 --> 00:15:49,600

over here and then come back by dinner

431

00:15:52,949 --> 00:15:51,279

let's go hang out on earth because you

432

00:15:54,389 --> 00:15:52,959

know they're

433

00:15:55,829 --> 00:15:54,399

i mean come on it's a mess down there

434

00:15:57,110 --> 00:15:55,839

let's just let's just go do whatever we

435

00:15:59,590 --> 00:15:57,120

want and then

436

00:16:02,389 --> 00:15:59,600

then we'll we'll go back oh my god just

437

00:16:03,990 --> 00:16:02,399

walk across the street

438

00:16:06,230 --> 00:16:04,000

why are there so many peaches in the

439

00:16:07,829 --> 00:16:06,240

chat right now i don't know remember

440

00:16:09,990 --> 00:16:07,839

remember when we read something earlier

441

00:16:12,150 --> 00:16:10,000

about emojis

442

00:16:13,990 --> 00:16:12,160

oh yeah oh yeah he would that dude would

443

00:16:16,870 --> 00:16:14,000

love this

444

00:16:18,389 --> 00:16:16,880

it's gotta be it's gotta mean something

445

00:16:20,310 --> 00:16:18,399

we're just not hip with the cool kids

446

00:16:21,189 --> 00:16:20,320

you know what i'm saying i'm starting to

447

00:16:23,189 --> 00:16:21,199

feel

448

00:16:24,310 --> 00:16:23,199

sexual

449

00:16:27,030 --> 00:16:24,320

i don't know i don't know what it means

450

00:16:29,269 --> 00:16:27,040

i think peaches mean uh could somebody

451
00:16:31,670 --> 00:16:29,279
explain it to me i think peaches mean

452
00:16:32,710 --> 00:16:31,680
armpits i mean i know what i know what a

453
00:16:34,550 --> 00:16:32,720
peach is

454
00:16:39,590 --> 00:16:34,560
you know

455
00:16:41,590 --> 00:16:39,600
what yeah

456
00:16:43,269 --> 00:16:41,600
you know dude you know

457
00:16:44,949 --> 00:16:43,279
we're walking a thin line here already

458
00:16:47,189 --> 00:16:44,959
topless all right i'm gaining some

459
00:16:48,389 --> 00:16:47,199
weight if i get any fatter

460
00:16:51,030 --> 00:16:48,399
youtube's going to shut us down for

461
00:16:54,470 --> 00:16:51,040
showing like actual tits on on like the

462
00:16:56,389 --> 00:16:54,480
screen and we can't do that so you know

463
00:16:58,710 --> 00:16:56,399

you know

464

00:17:00,389 --> 00:16:58,720

hey we got a shout out uh jamie and brie

465

00:17:01,749 --> 00:17:00,399

that one time i was abducted by aliens

466

00:17:03,990 --> 00:17:01,759

they said we're currently watching your

467

00:17:05,909 --> 00:17:04,000

stream on our stream

468

00:17:07,590 --> 00:17:05,919

so meta dude that's everybody's

469

00:17:12,309 --> 00:17:07,600

streaming right now

470

00:17:17,270 --> 00:17:15,350

man there is just so so so many uh so so

471

00:17:18,789 --> 00:17:17,280

much of this

472

00:17:20,549 --> 00:17:18,799

there's so many peaches in our name chat

473

00:17:22,630 --> 00:17:20,559

right now it's hilarious i don't know

474

00:17:27,669 --> 00:17:22,640

what it means

475

00:17:29,510 --> 00:17:27,679

but dude i'm feeling

476
00:17:31,510 --> 00:17:29,520
real good

477
00:17:33,270 --> 00:17:31,520
i like it i like it

478
00:17:35,029 --> 00:17:33,280
so do you want to look at some photos of

479
00:17:36,710 --> 00:17:35,039
uh usos and tell me if they're fake or

480
00:17:39,669 --> 00:17:36,720
not or after chat if they think they're

481
00:17:40,549 --> 00:17:39,679
fake yeah let's do it all right um let's

482
00:17:44,390 --> 00:17:40,559
see

483
00:17:48,150 --> 00:17:46,950
let's scam scam

484
00:17:49,830 --> 00:17:48,160
okay guys

485
00:17:51,350 --> 00:17:49,840
in the chat let us know what do you

486
00:17:53,830 --> 00:17:51,360
think about this photo

487
00:17:55,669 --> 00:17:53,840
this is a participation thing

488
00:17:57,830 --> 00:17:55,679

that's the led zeppelin cover

489

00:18:00,549 --> 00:17:57,840

oh [h__h]

490

00:18:04,310 --> 00:18:00,559

it might be

491

00:18:07,110 --> 00:18:04,320

so this this is a that's a dildo right

492

00:18:08,710 --> 00:18:07,120

i think so and but also look at this

493

00:18:10,390 --> 00:18:08,720

it's been freshly used because you can

494

00:18:14,230 --> 00:18:10,400

see how it's smoking

495

00:18:14,240 --> 00:18:18,789

moving at high rates of speed

496

00:18:22,630 --> 00:18:20,230

oh my god

497

00:18:24,150 --> 00:18:22,640

oh we should

498

00:18:25,909 --> 00:18:24,160

we uh

499

00:18:29,590 --> 00:18:25,919

jamie says y'all should

500

00:18:30,789 --> 00:18:29,600

watch our stream of us watching you

501
00:18:32,630 --> 00:18:30,799
okay let's play this game and we're

502
00:18:35,990 --> 00:18:32,640
gonna do that let's do it okay

503
00:18:37,510 --> 00:18:36,000
okay uh let's see we have a

504
00:18:39,029 --> 00:18:37,520
some money says

505
00:18:40,830 --> 00:18:39,039
uh

506
00:18:43,110 --> 00:18:40,840
real apollo says

507
00:18:47,590 --> 00:18:43,120
real who else

508
00:18:53,990 --> 00:18:49,669
godzilla

509
00:18:55,909 --> 00:18:54,000
oh my god

510
00:18:57,909 --> 00:18:55,919
yes i mean i don't there's no answer to

511
00:19:00,230 --> 00:18:57,919
this i don't know i mean it's all it's

512
00:19:02,630 --> 00:19:00,240
all dicks and turds yeah right that's

513
00:19:04,950 --> 00:19:02,640

partially our fault that all the answers

514

00:19:06,710 --> 00:19:04,960

are dicks and turds uh

515

00:19:08,870 --> 00:19:06,720

but uh

516

00:19:10,470 --> 00:19:08,880

yeah i don't know man i don't know it

517

00:19:12,789 --> 00:19:10,480

looks interesting

518

00:19:14,870 --> 00:19:12,799

it could be it it could be one of those

519

00:19:16,549 --> 00:19:14,880

shitty blimps that they made early on

520

00:19:18,549 --> 00:19:16,559

you know what i'm saying yeah it could

521

00:19:20,470 --> 00:19:18,559

be they're coming

522

00:19:22,870 --> 00:19:20,480

what's the best way of like

523

00:19:25,750 --> 00:19:22,880

trying out uh a new

524

00:19:28,470 --> 00:19:25,760

a new inflatable

525

00:19:30,310 --> 00:19:28,480

uh warship probably like you don't want

526

00:19:31,830 --> 00:19:30,320

to float it over land because then you

527

00:19:33,270 --> 00:19:31,840

have a bunch of trash to clean up why

528

00:19:35,590 --> 00:19:33,280

don't you dump it in the ocean when it

529

00:19:36,630 --> 00:19:35,600

cut when it fails right isn't that why

530

00:19:40,070 --> 00:19:36,640

all

531

00:19:42,150 --> 00:19:40,080

space shuttles launch near the sea

532

00:19:44,150 --> 00:19:42,160

because yeah yeah there's less stuff for

533

00:19:46,230 --> 00:19:44,160

it to fall off yeah yeah

534

00:19:48,630 --> 00:19:46,240

well yeah it's the same reason that they

535

00:19:50,870 --> 00:19:48,640

they crash everything out at point nemo

536

00:19:53,430 --> 00:19:50,880

because it's like furthest away from any

537

00:19:54,390 --> 00:19:53,440

land possible right on any point of the

538

00:19:56,310 --> 00:19:54,400

earth

539

00:19:58,390 --> 00:19:56,320

so point nemo is where all of our

540

00:20:00,870 --> 00:19:58,400

spacecraft the satellites and all that

541

00:20:02,230 --> 00:20:00,880

[h__h] comes crashing down so you do it on

542

00:20:03,990 --> 00:20:02,240

purpose right

543

00:20:06,070 --> 00:20:04,000

if you do it on purpose if you do it on

544

00:20:09,590 --> 00:20:06,080

purpose so i've got three reasons why

545

00:20:12,310 --> 00:20:09,600

they're near the water one to not harm a

546

00:20:13,830 --> 00:20:12,320

fellow man or woman

547

00:20:15,830 --> 00:20:13,840

or whatever what

548

00:20:16,549 --> 00:20:15,840

do you uh

549

00:20:18,149 --> 00:20:16,559

two

550

00:20:19,750 --> 00:20:18,159

um to

551

00:20:20,630 --> 00:20:19,760

not have to clean up your trash right

552

00:20:22,950 --> 00:20:20,640

they're just

553

00:20:24,149 --> 00:20:22,960

literally littering in the very

554

00:20:26,630 --> 00:20:24,159

yeah

555

00:20:28,630 --> 00:20:26,640

very public way typical human response

556

00:20:30,950 --> 00:20:28,640

right as long as we don't see it trash

557

00:20:33,270 --> 00:20:30,960

isn't there okay

558

00:20:34,950 --> 00:20:33,280

yup there's a lot of lead and mercury

559

00:20:36,149 --> 00:20:34,960

and gold and [h__\h] just seeping out well

560

00:20:38,630 --> 00:20:36,159

i guess it just went back to where it

561

00:20:42,149 --> 00:20:38,640

came from right yeah everything just it

562

00:20:43,909 --> 00:20:42,159

just it becomes it becomes part of the

563

00:20:45,270 --> 00:20:43,919

yeah yeah

564

00:20:46,630 --> 00:20:45,280

that means that littering is cool

565

00:20:48,390 --> 00:20:46,640

because all you're doing is putting it

566

00:20:50,230 --> 00:20:48,400

back where it came from yeah i'm just

567

00:20:51,830 --> 00:20:50,240

being like i'm just being like nasa why

568

00:20:53,830 --> 00:20:51,840

would you throw your trash i don't know

569

00:20:57,270 --> 00:20:53,840

if you knew this but all that trash was

570

00:20:58,149 --> 00:20:57,280

made from raw materials at some point

571

00:20:59,909 --> 00:20:58,159

that

572

00:21:01,590 --> 00:20:59,919

it's like saying oh i drink water today

573

00:21:03,190 --> 00:21:01,600

when you when you when you drank

574

00:21:05,830 --> 00:21:03,200

gatorade like

575

00:21:07,590 --> 00:21:05,840

at one point it was water sure yeah dude

576

00:21:12,549 --> 00:21:07,600

how much beer do you have to drink to

577

00:21:16,470 --> 00:21:14,470

47.

578

00:21:19,510 --> 00:21:16,480

what's up marcus we got a new listener

579

00:21:21,430 --> 00:21:19,520

in the house marcus oh snap and probably

580

00:21:23,350 --> 00:21:21,440

his dad

581

00:21:26,310 --> 00:21:23,360

hey i'm glad you guys got to catch me on

582

00:21:28,789 --> 00:21:26,320

uh on topless tuesdays

583

00:21:31,590 --> 00:21:28,799

hell yeah dude that's a good day

584

00:21:32,390 --> 00:21:31,600

it's a good day it's a good day

585

00:21:36,630 --> 00:21:32,400

the

586

00:21:38,789 --> 00:21:36,640

we would launch something near water is

587

00:21:41,190 --> 00:21:38,799

is so that if it goes up into space and

588

00:21:43,029 --> 00:21:41,200

catches any water bears up there

589

00:21:45,830 --> 00:21:43,039

or or alien goo

590

00:21:47,830 --> 00:21:45,840

you know it'll bring the ocean

591

00:21:49,909 --> 00:21:47,840

instead of you know spreading it to the

592

00:21:53,750 --> 00:21:49,919

human ross because that's where water

593

00:21:58,390 --> 00:21:53,760

bears are from is water everybody knows

594

00:22:04,310 --> 00:22:02,710

that makes total sense makes total sense

595

00:22:06,789 --> 00:22:04,320

okay how about this one let's do speed

596

00:22:08,710 --> 00:22:06,799

round because i really want to do

597

00:22:10,710 --> 00:22:08,720

i want to do that meta thing and then

598

00:22:14,549 --> 00:22:10,720

watch uh

599

00:22:18,390 --> 00:22:16,310

this one there's so there's two there's

600

00:22:20,070 --> 00:22:18,400

like this one in that one that first

601
00:22:21,990 --> 00:22:20,080
one's kind of interesting

602
00:22:24,310 --> 00:22:22,000
yeah

603
00:22:29,750 --> 00:22:27,110
it's it's it's it's pretty interesting i

604
00:22:33,750 --> 00:22:32,149
brought to you by doritos locos tacos

605
00:22:36,230 --> 00:22:33,760
all right i mean there's going to be a

606
00:22:38,390 --> 00:22:36,240
million like oh that's a bird

607
00:22:39,909 --> 00:22:38,400
that's a drone

608
00:22:41,350 --> 00:22:39,919
there's somebody holding their that

609
00:22:43,590 --> 00:22:41,360
there's somebody holding their grandma's

610
00:22:46,230 --> 00:22:43,600
necklace in front of an old camera out

611
00:22:48,230 --> 00:22:46,240
by the ocean and like the the the

612
00:22:50,310 --> 00:22:48,240
distance is all off we're gonna get a

613
00:22:51,669 --> 00:22:50,320

million of those right but like

614

00:22:54,630 --> 00:22:51,679

i don't know of an aircraft that looks

615

00:22:57,350 --> 00:22:54,640

like that why is it your grandma

616

00:22:59,669 --> 00:22:57,360

i don't know man i don't know

617

00:23:01,909 --> 00:22:59,679

uh or they threw a rock and like then

618

00:23:03,669 --> 00:23:01,919

they took a picture really quick

619

00:23:05,990 --> 00:23:03,679

this if somebody was like yeah that's a

620

00:23:07,830 --> 00:23:06,000

space capsule i totally believe it right

621

00:23:09,029 --> 00:23:07,840

it kind of looks like it it's got like

622

00:23:10,390 --> 00:23:09,039

that white

623

00:23:12,390 --> 00:23:10,400

and then like you can see like the kind

624

00:23:14,470 --> 00:23:12,400

of like black um

625

00:23:16,390 --> 00:23:14,480

whatever they the little heat shields or

626

00:23:19,430 --> 00:23:16,400

whatever on them maybe maybe that got

627

00:23:20,870 --> 00:23:19,440

burnt off yeah i don't know this is i'm

628

00:23:22,710 --> 00:23:20,880

almost i'm making out a face here it's

629

00:23:24,710 --> 00:23:22,720

like two eyes and the nose and the mouse

630

00:23:26,870 --> 00:23:24,720

like

631

00:23:29,029 --> 00:23:26,880

tell your brain to shut up

632

00:23:30,390 --> 00:23:29,039

i don't see no face in there good luck

633

00:23:31,750 --> 00:23:30,400

dude

634

00:23:33,270 --> 00:23:31,760

okay how about this one

635

00:23:35,029 --> 00:23:33,280

that one's pretty interesting it could

636

00:23:38,710 --> 00:23:35,039

be a restaurant

637

00:23:41,590 --> 00:23:38,720

looks like a giant goat grown gabal gas

638

00:23:42,950 --> 00:23:41,600

man it could be it could be a cantina up

639

00:23:44,630 --> 00:23:42,960

in the hills i mean that's some [h__h] i

640

00:23:46,710 --> 00:23:44,640

would see in belton right

641

00:23:49,590 --> 00:23:46,720

oh my god that does look like belton

642

00:23:50,870 --> 00:23:49,600

yeah oh my god

643

00:23:52,950 --> 00:23:50,880

is this like a lime green or is that a

644

00:23:55,029 --> 00:23:52,960

yellow it's a lime green that's what's

645

00:23:56,310 --> 00:23:55,039

up dude that's our colors

646

00:23:57,990 --> 00:23:56,320

okay how about this one

647

00:23:59,830 --> 00:23:58,000

this one's pretty interesting

648

00:24:01,830 --> 00:23:59,840

uh a lot of detail but it's also very

649

00:24:02,830 --> 00:24:01,840

pixelated man i think it's fake i think

650

00:24:07,590 --> 00:24:02,840

this one's

651
00:24:09,669 --> 00:24:07,600
fake ufo ufo man agrees with you yeah

652
00:24:11,350 --> 00:24:09,679
yeah cool yeah fake

653
00:24:14,230 --> 00:24:11,360
he also said the other one was uh swamp

654
00:24:17,669 --> 00:24:14,240
gas strong gas

655
00:24:19,830 --> 00:24:17,679
maybe alien girl what's up

656
00:24:22,070 --> 00:24:19,840
she says she remembers these photos no

657
00:24:25,029 --> 00:24:22,080
you don't girl i show this to you i

658
00:24:26,230 --> 00:24:25,039
remember we never showed that to you

659
00:24:27,750 --> 00:24:26,240
simba

660
00:24:31,750 --> 00:24:27,760
remember

661
00:24:34,149 --> 00:24:31,760
okay next one this one's kind of the

662
00:24:35,190 --> 00:24:34,159
almost like pujang right here

663
00:24:36,950 --> 00:24:35,200

it is

664

00:24:38,070 --> 00:24:36,960

it's kind of cool yeah it's a different

665

00:24:39,750 --> 00:24:38,080

color

666

00:24:41,830 --> 00:24:39,760

it's like this well there's like another

667

00:24:45,510 --> 00:24:41,840

little chichi right here on the right

668

00:24:49,750 --> 00:24:47,029

this is just this uh unfocused

669

00:24:52,070 --> 00:24:49,760

restaurant from far away

670

00:24:54,310 --> 00:24:52,080

or somebody could be taking a picture

671

00:24:55,750 --> 00:24:54,320

through their window out at the beach

672

00:24:58,070 --> 00:24:55,760

and they're catching the reflection of a

673

00:24:59,510 --> 00:24:58,080

lamp in the background off the window

674

00:25:02,710 --> 00:24:59,520

and that little blue light right there

675

00:25:05,190 --> 00:25:02,720

is like a clock or a vcr or like the

676

00:25:07,350 --> 00:25:05,200

cable box that you're seeing the leds on

677

00:25:08,630 --> 00:25:07,360

the inside that's what that looks like

678

00:25:12,230 --> 00:25:08,640

to me

679

00:25:15,510 --> 00:25:12,240

yep that is a that is a uh christmas

680

00:25:18,230 --> 00:25:15,520

story leg lamp yeah the background just

681

00:25:20,630 --> 00:25:18,240

chilling it's got hoses on it yep that's

682

00:25:21,909 --> 00:25:20,640

why you can't see it it's black hoses

683

00:25:23,269 --> 00:25:21,919

well yeah

684

00:25:25,350 --> 00:25:23,279

mr crowley thank you so much for that

685

00:25:27,190 --> 00:25:25,360

super chat brother appreciate it yeah

686

00:25:28,710 --> 00:25:27,200

thanks a lot dude we've got an

687

00:25:30,870 --> 00:25:28,720

announcement for all

688

00:25:33,350 --> 00:25:30,880

anybody who wants a super chat um or or

689

00:25:34,470 --> 00:25:33,360

donation based i i tweeted about it but

690

00:25:36,230 --> 00:25:34,480

um

691

00:25:38,070 --> 00:25:36,240

yeah we'll we'll make the announcement

692

00:25:39,909 --> 00:25:38,080

here in a bit after the game show oh

693

00:25:42,390 --> 00:25:39,919

yeah for sure for sure thank you mr

694

00:25:45,190 --> 00:25:42,400

crowley appreciate that brother and then

695

00:25:48,549 --> 00:25:45,200

this we got this uh uso

696

00:25:51,190 --> 00:25:48,559

yeah that's like an anemic hippo

697

00:25:54,070 --> 00:25:51,200

guys looks like a baby like a baby hippo

698

00:25:55,510 --> 00:25:54,080

that's what it looks like to me hey

699

00:25:58,470 --> 00:25:55,520

i don't know

700

00:26:00,390 --> 00:25:58,480

this one

701
00:26:02,950 --> 00:26:00,400
all right come on it's cgi it's got to

702
00:26:05,029 --> 00:26:02,960
be right yeah i don't i'm not feeling

703
00:26:07,750 --> 00:26:05,039
that one all right but it's kind of a

704
00:26:10,630 --> 00:26:07,760
cool idea like one of them the engine is

705
00:26:12,870 --> 00:26:10,640
like this bioluminescent type of thing

706
00:26:15,669 --> 00:26:12,880
you know with a little too dead tail

707
00:26:17,830 --> 00:26:15,679
with this obviously it could it could be

708
00:26:20,950 --> 00:26:17,840
right it could be it's fun all right

709
00:26:23,510 --> 00:26:20,960
next but but it but if if you

710
00:26:25,350 --> 00:26:23,520
say like a rocket crashed right and the

711
00:26:26,870 --> 00:26:25,360
boosters were still going on it and it

712
00:26:28,630 --> 00:26:26,880
was like shooting through the ocean and

713
00:26:30,149 --> 00:26:28,640

you saw like this orange [h__h] coming off

714

00:26:31,269 --> 00:26:30,159

the back of it you know we couldn't

715

00:26:33,909 --> 00:26:31,279

automatically be like oh it's

716

00:26:35,990 --> 00:26:33,919

bioluminescence right yeah cause really

717

00:26:39,110 --> 00:26:36,000

it's just some form of different

718

00:26:40,549 --> 00:26:39,120

propulsion jump ah so

719

00:26:43,750 --> 00:26:40,559

i don't know it

720

00:26:45,990 --> 00:26:43,760

it looks too pretty yeah

721

00:26:48,070 --> 00:26:46,000

i just i'm i don't know

722

00:26:50,630 --> 00:26:48,080

and it almost looks like they're

723

00:26:51,430 --> 00:26:50,640

underwater taking the picture up

724

00:26:56,310 --> 00:26:51,440

oh

725

00:26:57,510 --> 00:26:56,320

of a boat or something damn son

726
00:27:01,190 --> 00:26:57,520

yeah

727
00:27:04,830 --> 00:27:02,710

that's probably like the best movie to

728
00:27:08,470 --> 00:27:04,840

come out of the last 20 [h__\h] years

729
00:27:11,590 --> 00:27:08,480

man yeah finding freaking emo i'm gonna

730
00:27:12,950 --> 00:27:11,600

be good with it for me all right next

731
00:27:14,310 --> 00:27:12,960

dude this one's

732
00:27:16,950 --> 00:27:14,320

now

733
00:27:19,430 --> 00:27:16,960

this one's pretty good it's kind of cool

734
00:27:21,830 --> 00:27:19,440

i like to be good i enjoy the older

735
00:27:22,950 --> 00:27:21,840

photos even though they seem harder to

736
00:27:25,510 --> 00:27:22,960

like

737
00:27:27,269 --> 00:27:25,520

discern what's happening in them

738
00:27:29,190 --> 00:27:27,279

yeah

739

00:27:31,510 --> 00:27:29,200

i don't know so it's interesting do you

740

00:27:33,269 --> 00:27:31,520

see like a fin here or no

741

00:27:36,630 --> 00:27:33,279

i kind of thought maybe that that was a

742

00:27:38,230 --> 00:27:36,640

fin um but i just can't tell it's not

743

00:27:40,389 --> 00:27:38,240

clear enough for me to really be like

744

00:27:42,470 --> 00:27:40,399

yeah that's a fin or is that just like

745

00:27:44,389 --> 00:27:42,480

some something weird the camera picked

746

00:27:46,830 --> 00:27:44,399

up i don't know it but what it did

747

00:27:49,990 --> 00:27:46,840

remind me of is

748

00:27:52,630 --> 00:27:50,000

uh you know that like the the the tour

749

00:27:55,029 --> 00:27:52,640

ship the tourist ship that went next to

750

00:27:57,269 --> 00:27:55,039

the aircraft carrier that old one it

751
00:27:59,909 --> 00:27:57,279
reminds me of that yeah it reminds me of

752
00:28:02,630 --> 00:27:59,919
that so it's a long cigar shape yeah

753
00:28:04,310 --> 00:28:02,640
that all checks out um i don't see any

754
00:28:06,230 --> 00:28:04,320
windows on there but then again right up

755
00:28:08,310 --> 00:28:06,240
here in the front when you look at the

756
00:28:09,990 --> 00:28:08,320
tip kind of a little bit back i don't

757
00:28:10,870 --> 00:28:10,000
know like if those are windows right

758
00:28:12,389 --> 00:28:10,880
there

759
00:28:13,750 --> 00:28:12,399
is that [h__h] in the back or those

760
00:28:15,990 --> 00:28:13,760
windows

761
00:28:17,590 --> 00:28:16,000
like i don't know i don't know it's an

762
00:28:21,350 --> 00:28:17,600
interesting one

763
00:28:23,430 --> 00:28:21,360

kind of like maybe somebody folded it up

764

00:28:25,430 --> 00:28:23,440

and put it in their pocket

765

00:28:27,350 --> 00:28:25,440

because you can see this straight line

766

00:28:28,630 --> 00:28:27,360

it kind of goes diagonally from one side

767

00:28:30,310 --> 00:28:28,640

of the photo you can follow it through

768

00:28:31,510 --> 00:28:30,320

the middle of the craft and all the way

769

00:28:32,789 --> 00:28:31,520

to the end

770

00:28:34,470 --> 00:28:32,799

so i don't know if that's like some kind

771

00:28:36,789 --> 00:28:34,480

of string

772

00:28:39,669 --> 00:28:36,799

that they put it on

773

00:28:41,510 --> 00:28:39,679

oh that i mean you could clearly see a

774

00:28:43,350 --> 00:28:41,520

string if we're calling that crease in

775

00:28:45,350 --> 00:28:43,360

the middle like a string yeah i don't

776

00:28:47,269 --> 00:28:45,360

know there's a string up the top and the

777

00:28:49,909 --> 00:28:47,279

bottom and the side and we kind of have

778

00:28:52,630 --> 00:28:49,919

like this weird like uh

779

00:28:54,310 --> 00:28:52,640

you know like 45 degree triangle shape

780

00:28:56,149 --> 00:28:54,320

at the front end of the craft and then

781

00:28:59,830 --> 00:28:56,159

at the back you kind of see like there's

782

00:29:01,269 --> 00:28:59,840

just this weird about it i don't know

783

00:29:03,590 --> 00:29:01,279

i don't know

784

00:29:06,630 --> 00:29:03,600

i'm gonna go with uh

785

00:29:08,310 --> 00:29:06,640

maybe a plane dropped a torpedo and the

786

00:29:10,070 --> 00:29:08,320

naval ship caught a picture of it right

787

00:29:11,110 --> 00:29:10,080

before it hit the water

788

00:29:12,870 --> 00:29:11,120

for

789

00:29:15,269 --> 00:29:12,880

scientific purposes

790

00:29:16,710 --> 00:29:15,279

that's what i'm going to go with

791

00:29:20,149 --> 00:29:16,720

um

792

00:29:21,510 --> 00:29:20,159

i was typing out the next uh thing and i

793

00:29:25,669 --> 00:29:21,520

clicked off of it so i've got to type it

794

00:29:29,990 --> 00:29:27,669

community with i think that's the last

795

00:29:31,110 --> 00:29:30,000

one let's say that's the last one boom

796

00:29:31,909 --> 00:29:31,120

yeah okay

797

00:29:34,310 --> 00:29:31,919

um

798

00:29:37,029 --> 00:29:34,320

and it's supporting the the second topic

799

00:29:39,350 --> 00:29:37,039

is supporting the community how do we

800

00:29:42,310 --> 00:29:39,360

how did this idea come about joe dude

801
00:29:44,070 --> 00:29:42,320
how can we support the community man you

802
00:29:49,669 --> 00:29:44,080
know

803
00:29:51,510 --> 00:29:49,679
some people out there

804
00:29:52,470 --> 00:29:51,520
some of us aren't very smart

805
00:29:54,630 --> 00:29:52,480
you know

806
00:29:56,230 --> 00:29:54,640
some of us uh some of us aren't good at

807
00:29:58,630 --> 00:29:56,240
studying right

808
00:30:00,230 --> 00:29:58,640
some of us aren't good at like

809
00:30:01,350 --> 00:30:00,240
sitting still and listening to boring

810
00:30:03,029 --> 00:30:01,360
[h__\h]

811
00:30:05,750 --> 00:30:03,039
like just some of us are not good at

812
00:30:07,190 --> 00:30:05,760
that right ben and i are two of those

813
00:30:09,510 --> 00:30:07,200

people

814

00:30:12,230 --> 00:30:09,520

and you know instead of being a burden

815

00:30:16,230 --> 00:30:12,240

on the the community of just just you

816

00:30:18,149 --> 00:30:16,240

know being like another talker right uh

817

00:30:20,789 --> 00:30:18,159

we really wanted to come out with a way

818

00:30:23,430 --> 00:30:20,799

to to to show our support like how can

819

00:30:26,310 --> 00:30:23,440

we help even though we're we're strictly

820

00:30:28,230 --> 00:30:26,320

entertainment here um and and we we do

821

00:30:31,510 --> 00:30:28,240

it for fun like we do this because we

822

00:30:35,430 --> 00:30:31,520

enjoy it um and we enjoy all of the

823

00:30:38,630 --> 00:30:35,440

different aspects of of of the ufo world

824

00:30:40,549 --> 00:30:38,640

right and we think it's so important for

825

00:30:42,870 --> 00:30:40,559

people to be able to

826

00:30:45,029 --> 00:30:42,880

continue to do the research you know we

827

00:30:46,789 --> 00:30:45,039

need people to do that basically for us

828

00:30:49,110 --> 00:30:46,799

because we're not smart enough to do it

829

00:30:51,430 --> 00:30:49,120

um and we'd love to we'd love to help

830

00:30:55,269 --> 00:30:51,440

out in any way possible

831

00:30:57,029 --> 00:30:55,279

um so for ben and i what we came up with

832

00:30:59,669 --> 00:30:57,039

is um

833

00:31:00,789 --> 00:30:59,679

everything that you guys buy from ufo

834

00:31:03,590 --> 00:31:00,799

garage

835

00:31:05,190 --> 00:31:03,600

or any super chats that you guys give us

836

00:31:07,990 --> 00:31:05,200

in the chats

837

00:31:10,470 --> 00:31:08,000

any donations that are given to us

838

00:31:12,310 --> 00:31:10,480

we decided that we're gonna take

839

00:31:15,509 --> 00:31:12,320

20 of all of that

840

00:31:16,230 --> 00:31:15,519

and we're going to donate it back

841

00:31:17,029 --> 00:31:16,240

to

842

00:31:18,870 --> 00:31:17,039

uh

843

00:31:20,470 --> 00:31:18,880

people that are doing research

844

00:31:23,750 --> 00:31:20,480

we're going to donate it back to

845

00:31:25,430 --> 00:31:23,760

experiencer groups that need help um we

846

00:31:27,509 --> 00:31:25,440

understand that there's a lot of people

847

00:31:30,070 --> 00:31:27,519

out there trying to do stuff right now

848

00:31:33,430 --> 00:31:30,080

and money always seems to be the issue

849

00:31:35,590 --> 00:31:33,440

now while we're not rich uh by any means

850

00:31:37,830 --> 00:31:35,600

we barely make anything we're talking

851
00:31:40,230 --> 00:31:37,840
you know maybe 100 bucks a month you

852
00:31:42,549 --> 00:31:40,240
know like like pennies right we decided

853
00:31:44,230 --> 00:31:42,559
that every three months um here going

854
00:31:47,029 --> 00:31:44,240
forward so i guess every quarter

855
00:31:48,389 --> 00:31:47,039
basically yeah um at the end of that

856
00:31:49,509 --> 00:31:48,399
quarter we didn't want to do it like

857
00:31:51,750 --> 00:31:49,519
monthly because it would be like

858
00:31:53,430 --> 00:31:51,760
literally here's ten dollars like yeah

859
00:31:55,750 --> 00:31:53,440
yeah that much money

860
00:31:57,350 --> 00:31:55,760
so every quarter what we're gonna do is

861
00:31:59,430 --> 00:31:57,360
we're gonna we're gonna uh pick an

862
00:32:01,430 --> 00:31:59,440
organization if you guys have any uh

863
00:32:04,549 --> 00:32:01,440

organizations that you think are awesome

864

00:32:06,950 --> 00:32:04,559

or doing a killer job or or people

865

00:32:09,750 --> 00:32:06,960

uh that that need help or some kind of

866

00:32:12,470 --> 00:32:09,760

support um you guys let us know right

867

00:32:14,149 --> 00:32:12,480

and every quarter we're gonna total up

868

00:32:15,990 --> 00:32:14,159

everything that we got and we're going

869

00:32:17,830 --> 00:32:16,000

to take 20 of that we're donating it

870

00:32:19,509 --> 00:32:17,840

right back to the to the community man

871

00:32:21,669 --> 00:32:19,519

so yeah um

872

00:32:23,590 --> 00:32:21,679

that's uh and and we just think it's

873

00:32:26,549 --> 00:32:23,600

it's gonna be a cool deal man it's gonna

874

00:32:28,870 --> 00:32:26,559

it's it's important for us to find a way

875

00:32:31,830 --> 00:32:28,880

to to give back somehow i mean i know

876

00:32:33,909 --> 00:32:31,840

that you guys um are doing the show or

877

00:32:36,310 --> 00:32:33,919

you guys come in and listen to the show

878

00:32:38,549 --> 00:32:36,320

and you know we have a good time and and

879

00:32:40,710 --> 00:32:38,559

we [h__h] around and we drink wine and we

880

00:32:42,070 --> 00:32:40,720

smoke doobies and stuff you guys on the

881

00:32:44,149 --> 00:32:42,080

chat i mean we're having a good time

882

00:32:45,990 --> 00:32:44,159

over here but hell yeah

883

00:32:48,389 --> 00:32:46,000

we want to give back while having a good

884

00:32:50,070 --> 00:32:48,399

time that's that's like our dream dude

885

00:32:52,070 --> 00:32:50,080

you know it's like what what like at the

886

00:32:53,350 --> 00:32:52,080

like what's the ultimate goal for for

887

00:32:54,950 --> 00:32:53,360

this whole thing like why do we do what

888

00:32:57,190 --> 00:32:54,960

we do

889

00:32:59,350 --> 00:32:57,200

one it's fun to talk about this stuff

890

00:33:01,669 --> 00:32:59,360

fun and number one it's fun to meet

891

00:33:03,190 --> 00:33:01,679

other people who also like to talk about

892

00:33:06,389 --> 00:33:03,200

this stuff

893

00:33:08,549 --> 00:33:06,399

but how does that progress like okay

894

00:33:10,310 --> 00:33:08,559

one way it progresses is that we learn

895

00:33:11,990 --> 00:33:10,320

more about this topic and how do we

896

00:33:14,389 --> 00:33:12,000

learn more we need smart people to

897

00:33:16,870 --> 00:33:14,399

figure some stuff out yeah those smart

898

00:33:18,630 --> 00:33:16,880

people can't just do it for free all day

899

00:33:20,149 --> 00:33:18,640

like they need some dang money like if

900

00:33:22,230 --> 00:33:20,159

they if they want to you know do a

901
00:33:25,190 --> 00:33:22,240
part-time job

902
00:33:26,950 --> 00:33:25,200
like how can we pay i mean like a group

903
00:33:29,590 --> 00:33:26,960
a little bit like our contribution is

904
00:33:32,549 --> 00:33:29,600
gonna be so small um compared to like

905
00:33:34,870 --> 00:33:32,559
what is actually needed to pay someone

906
00:33:36,549 --> 00:33:34,880
to live and like feed their family to

907
00:33:38,549 --> 00:33:36,559
and also do this research that's

908
00:33:40,389 --> 00:33:38,559
required like it's so damn hard like

909
00:33:41,909 --> 00:33:40,399
you're not yeah you know it's it's not

910
00:33:44,389 --> 00:33:41,919
like we're

911
00:33:45,909 --> 00:33:44,399
you know going to be able to give away a

912
00:33:48,149 --> 00:33:45,919
whole ton of money but at least we're

913
00:33:49,830 --> 00:33:48,159

trying to do our part to

914

00:33:51,669 --> 00:33:49,840

work towards let's figure some stuff out

915

00:33:53,029 --> 00:33:51,679

together and that way everybody feels a

916

00:33:54,950 --> 00:33:53,039

part of it right

917

00:33:57,110 --> 00:33:54,960

yeah absolutely man absolutely and

918

00:33:58,870 --> 00:33:57,120

everybody that listens to the show i

919

00:34:01,110 --> 00:33:58,880

mean this is a way that we can include

920

00:34:04,070 --> 00:34:01,120

all of you guys i mean y'all are all so

921

00:34:06,789 --> 00:34:04,080

supportive you guys buy uh merchandise

922

00:34:08,629 --> 00:34:06,799

from us um and and you know we don't

923

00:34:10,869 --> 00:34:08,639

just want that going into our pockets

924

00:34:13,109 --> 00:34:10,879

obviously we use a little bit to go back

925

00:34:15,589 --> 00:34:13,119

into the show to make it better for you

926
00:34:17,430 --> 00:34:15,599
guys um and uh

927
00:34:19,750 --> 00:34:17,440
um that's a way that we can get you all

928
00:34:21,829 --> 00:34:19,760
involved as well you know so anytime you

929
00:34:24,310 --> 00:34:21,839
buy stuff from us we're not just

930
00:34:25,510 --> 00:34:24,320
donating stuff to people

931
00:34:28,149 --> 00:34:25,520
all of you

932
00:34:30,069 --> 00:34:28,159
are are

933
00:34:31,909 --> 00:34:30,079
you're basically uh using your money

934
00:34:34,069 --> 00:34:31,919
ethically you know what i'm saying you

935
00:34:35,349 --> 00:34:34,079
made that the choice like hey we're

936
00:34:36,869 --> 00:34:35,359
going to purchase products from these

937
00:34:38,950 --> 00:34:36,879
guys because

938
00:34:42,629 --> 00:34:38,960

i know that my money's going to go

939

00:34:44,869 --> 00:34:42,639

and and help research somewhere right

940

00:34:46,629 --> 00:34:44,879

um

941

00:34:48,069 --> 00:34:46,639

yeah that's that's pretty much it we're

942

00:34:49,430 --> 00:34:48,079

not trying to i'm not starting to sit

943

00:34:51,109 --> 00:34:49,440

here and just toot our own horn about

944

00:34:53,430 --> 00:34:51,119

this or anything but like we just want

945

00:34:55,270 --> 00:34:53,440

everybody to know that like hey

946

00:34:57,829 --> 00:34:55,280

let's let's let's help out the best we

947

00:34:59,670 --> 00:34:57,839

can you know let's all help out and and

948

00:35:03,109 --> 00:34:59,680

pitch in and and have a good time while

949

00:35:06,069 --> 00:35:03,119

we do it man so um so we haven't spent a

950

00:35:07,510 --> 00:35:06,079

dime of our earnings uh which i mean we

951
00:35:10,230 --> 00:35:07,520
really just started

952
00:35:13,190 --> 00:35:10,240
being able to you know accept super

953
00:35:15,190 --> 00:35:13,200
chats and and stuff like since like june

954
00:35:17,990 --> 00:35:15,200
so like we don't have all that much

955
00:35:19,030 --> 00:35:18,000
right now but we have chosen uh

956
00:35:19,990 --> 00:35:19,040
one

957
00:35:22,550 --> 00:35:20,000
uh

958
00:35:25,670 --> 00:35:22,560
it's a it's a non-profit here locally in

959
00:35:28,950 --> 00:35:25,680
austin it's called the anomaly archives

960
00:35:30,550 --> 00:35:28,960
uh and and i we're gonna choose this one

961
00:35:32,710 --> 00:35:30,560
uh to

962
00:35:33,670 --> 00:35:32,720
this organization to donate to for the

963
00:35:35,829 --> 00:35:33,680

the next

964

00:35:37,430 --> 00:35:35,839

three months so so

965

00:35:39,109 --> 00:35:37,440

uh i know we're almost at the end of

966

00:35:41,510 --> 00:35:39,119

january but it took a little bit of time

967

00:35:43,430 --> 00:35:41,520

to get all this stuff going

968

00:35:44,790 --> 00:35:43,440

um and this isn't the actual page where

969

00:35:47,589 --> 00:35:44,800

you can donate but

970

00:35:49,270 --> 00:35:47,599

uh yeah joe talk about like

971

00:35:52,069 --> 00:35:49,280

anomaly archives a little bit like

972

00:35:53,349 --> 00:35:52,079

smiles do it so when we first got into

973

00:35:54,630 --> 00:35:53,359

this uh

974

00:35:57,190 --> 00:35:54,640

uh

975

00:35:58,470 --> 00:35:57,200

we connected with a guy his name was was

976
00:36:02,230 --> 00:35:58,480
miles lewis

977
00:36:05,030 --> 00:36:02,240
uh super cool dude um and come to find

978
00:36:07,190 --> 00:36:05,040
out he ran this awesome little archive

979
00:36:11,430 --> 00:36:07,200
down here in austin texas anomaly

980
00:36:15,349 --> 00:36:11,440
archives and i mean they have got just

981
00:36:17,990 --> 00:36:15,359
records of every like mufon case ever

982
00:36:20,870 --> 00:36:18,000
that's ever existed i mean the old books

983
00:36:23,990 --> 00:36:20,880
they have old zine mags they have books

984
00:36:26,870 --> 00:36:24,000
that come from the 1600s guys i mean

985
00:36:28,870 --> 00:36:26,880
these are old old books they've got

986
00:36:31,030 --> 00:36:28,880
everything from your hands

987
00:36:32,310 --> 00:36:31,040
they literally will crumble in your

988
00:36:36,630 --> 00:36:32,320

hands man

989

00:36:39,990 --> 00:36:36,640

everything from from cryptos to ufos to

990

00:36:42,390 --> 00:36:40,000

science i mean it's everything um these

991

00:36:46,069 --> 00:36:42,400

guys have an amazing little archive

992

00:36:49,750 --> 00:36:46,079

going and uh due to the rising rent

993

00:36:52,310 --> 00:36:49,760

prices in austin texas and also covid

994

00:36:53,910 --> 00:36:52,320

absolutely killing their their their

995

00:36:56,390 --> 00:36:53,920

their little business they're now

996

00:36:58,550 --> 00:36:56,400

looking for a new home to set up shop

997

00:37:00,950 --> 00:36:58,560

yeah and uh this is one of the first

998

00:37:03,349 --> 00:37:00,960

places that ben and i went to

999

00:37:05,510 --> 00:37:03,359

while kind of getting started in this

1000

00:37:07,910 --> 00:37:05,520

whole thing and it really made an

1001
00:37:10,790 --> 00:37:07,920
impression on us um there's a team of

1002
00:37:13,349 --> 00:37:10,800
guys that actually uh

1003
00:37:14,790 --> 00:37:13,359
uh that they work with that uh they

1004
00:37:16,630 --> 00:37:14,800
showed us a little plaque where they

1005
00:37:19,190 --> 00:37:16,640
they did an actual science experiment

1006
00:37:21,270 --> 00:37:19,200
and like won this award

1007
00:37:23,270 --> 00:37:21,280
for manipulating like number generators

1008
00:37:25,510 --> 00:37:23,280
with with consciousness so it's pretty

1009
00:37:28,069 --> 00:37:25,520
neat dude i mean they do they literally

1010
00:37:30,790 --> 00:37:28,079
do everything we have a video we'll post

1011
00:37:33,190 --> 00:37:30,800
the video and you guys can check it out

1012
00:37:35,349 --> 00:37:33,200
um anomaly archives is awesome we really

1013
00:37:37,190 --> 00:37:35,359

want to help these guys out and we want

1014

00:37:39,829 --> 00:37:37,200

to help them find a new home

1015

00:37:41,510 --> 00:37:39,839

we can't do it by ourselves um but with

1016

00:37:44,150 --> 00:37:41,520

all your guys's help you know we can

1017

00:37:45,589 --> 00:37:44,160

definitely get a little bit closer to

1018

00:37:48,069 --> 00:37:45,599

finding them a new home because there's

1019

00:37:51,190 --> 00:37:48,079

so much valuable information that's here

1020

00:37:53,270 --> 00:37:51,200

in these archives that it can't just sit

1021

00:37:54,790 --> 00:37:53,280

in boxes guys it can't sit in a

1022

00:37:57,349 --> 00:37:54,800

warehouse

1023

00:37:59,589 --> 00:37:57,359

and be untouchable right it does nobody

1024

00:38:00,390 --> 00:37:59,599

any good so

1025

00:38:02,069 --> 00:38:00,400

yeah

1026

00:38:05,589 --> 00:38:02,079

also it's not just about the books it's

1027

00:38:07,910 --> 00:38:05,599

about the place like where they had set

1028

00:38:09,270 --> 00:38:07,920

up in that building was so cool when we

1029

00:38:11,030 --> 00:38:09,280

walked in

1030

00:38:13,030 --> 00:38:11,040

it was like we thought we were going to

1031

00:38:15,109 --> 00:38:13,040

be the only guys there but there were

1032

00:38:17,510 --> 00:38:15,119

other people there researching picking

1033

00:38:19,589 --> 00:38:17,520

up old books picking up new books and

1034

00:38:21,349 --> 00:38:19,599

just sitting there able to read and and

1035

00:38:23,270 --> 00:38:21,359

maybe they you know could check books

1036

00:38:25,829 --> 00:38:23,280

out or they could just hang out and meet

1037

00:38:27,510 --> 00:38:25,839

somebody else that was

1038

00:38:29,190 --> 00:38:27,520

interested in the subject too so there's

1039

00:38:30,790 --> 00:38:29,200

like this community aspect and i just

1040

00:38:32,950 --> 00:38:30,800

think it's damn cool

1041

00:38:35,589 --> 00:38:32,960

that they created a space where people

1042

00:38:38,150 --> 00:38:35,599

can go and meet other like-minded people

1043

00:38:39,670 --> 00:38:38,160

and also have like this really legit

1044

00:38:42,630 --> 00:38:39,680

research kind of

1045

00:38:44,870 --> 00:38:42,640

uh area to have like a quiet space

1046

00:38:48,069 --> 00:38:44,880

check out books if you get to start

1047

00:38:49,430 --> 00:38:48,079

talking to to the owner or or maybe

1048

00:38:51,030 --> 00:38:49,440

somebody sitting right next to you like

1049

00:38:53,829 --> 00:38:51,040

hey you're into this stuff you should

1050

00:38:56,870 --> 00:38:53,839

really read this like man it's all about

1051
00:38:59,030 --> 00:38:56,880
sharing uh knowledge and i mean i know

1052
00:39:01,589 --> 00:38:59,040
not everybody here is from austin would

1053
00:39:03,829 --> 00:39:01,599
maybe never even visit this place but i

1054
00:39:06,470 --> 00:39:03,839
think you know starting somewhere local

1055
00:39:08,230 --> 00:39:06,480
would be super super cool

1056
00:39:11,349 --> 00:39:08,240
yeah yeah yeah

1057
00:39:13,109 --> 00:39:11,359
hey wes h what smiles at anomaly

1058
00:39:16,310 --> 00:39:13,119
archives is great

1059
00:39:17,270 --> 00:39:16,320
yeah yeah he is man he's such a cool

1060
00:39:23,349 --> 00:39:17,280
dude

1061
00:39:26,069 --> 00:39:23,359
had set up here and we want to bring it

1062
00:39:27,910 --> 00:39:26,079
back so much valuable information here

1063
00:39:30,870 --> 00:39:27,920

so many valuable people that you can

1064

00:39:32,470 --> 00:39:30,880

just talk to bounce ideas off of i mean

1065

00:39:34,790 --> 00:39:32,480

this place was absolutely awesome we

1066

00:39:36,390 --> 00:39:34,800

visited it coveted hit

1067

00:39:37,990 --> 00:39:36,400

boom it shut down

1068

00:39:40,150 --> 00:39:38,000

and now they're looking for a new home

1069

00:39:42,069 --> 00:39:40,160

guys so let's let's let's help them find

1070

00:39:43,910 --> 00:39:42,079

a new home so that's we're gonna we're

1071

00:39:47,510 --> 00:39:43,920

gonna be doing like i said if you guys

1072

00:39:48,310 --> 00:39:47,520

have any uh ideas or any uh

1073

00:39:50,550 --> 00:39:48,320

uh

1074

00:39:53,270 --> 00:39:50,560

any organizations or groups or anything

1075

00:39:55,030 --> 00:39:53,280

like that that you you think uh uh could

1076

00:39:57,589 --> 00:39:55,040

use a little extra help

1077

00:40:00,069 --> 00:39:57,599

that's uh that's what we're doing that's

1078

00:40:01,670 --> 00:40:00,079

what we want to do um

1079

00:40:03,190 --> 00:40:01,680

yeah we have fun we don't have any

1080

00:40:05,589 --> 00:40:03,200

t-shirts on

1081

00:40:07,670 --> 00:40:05,599

we have a cool show we have cool guests

1082

00:40:09,829 --> 00:40:07,680

but we really really want to give back

1083

00:40:11,109 --> 00:40:09,839

and so this is kind of our our way to be

1084

00:40:13,270 --> 00:40:11,119

able to give back

1085

00:40:14,950 --> 00:40:13,280

um because we can't always just take off

1086

00:40:17,190 --> 00:40:14,960

and go places i mean like we talked

1087

00:40:18,150 --> 00:40:17,200

about you know this this is an expensive

1088

00:40:19,270 --> 00:40:18,160

hop

1089

00:40:21,109 --> 00:40:19,280

to do

1090

00:40:22,950 --> 00:40:21,119

but we really want to we really want to

1091

00:40:24,950 --> 00:40:22,960

help people um and that was the main

1092

00:40:27,589 --> 00:40:24,960

goal whenever ben and i got into this it

1093

00:40:29,589 --> 00:40:27,599

was like yo let's learn about some stuff

1094

00:40:32,150 --> 00:40:29,599

a couple months into it we were like we

1095

00:40:34,950 --> 00:40:32,160

switched gears onto like

1096

00:40:37,510 --> 00:40:34,960

how can we learn more and help people

1097

00:40:39,829 --> 00:40:37,520

you know yeah so

1098

00:40:42,790 --> 00:40:39,839

um making people laugh was step number

1099

00:40:44,950 --> 00:40:42,800

one now actually making some moves to to

1100

00:40:46,950 --> 00:40:44,960

you know maybe provide some

1101
00:40:49,829 --> 00:40:46,960
extra income and help to people that

1102
00:40:51,109 --> 00:40:49,839
that need it is uh step number two man

1103
00:40:53,270 --> 00:40:51,119
and that might be all the steps because

1104
00:40:55,030 --> 00:40:53,280
we like to keep it simple i only like to

1105
00:40:58,309 --> 00:40:55,040
take two steps at a time man that's

1106
00:41:01,030 --> 00:40:58,319
right man have fun and help people yeah

1107
00:41:02,870 --> 00:41:01,040
have fun help people i love that oh it's

1108
00:41:04,710 --> 00:41:02,880
like taking an elevator instead of the

1109
00:41:06,950 --> 00:41:04,720
stairs or maybe the escalator you know

1110
00:41:08,950 --> 00:41:06,960
there are stairs you can t you can walk

1111
00:41:11,190 --> 00:41:08,960
up an escalator but you can also just

1112
00:41:14,150 --> 00:41:11,200
take two steps and just chill

1113
00:41:16,309 --> 00:41:14,160

and have a good time and maybe you know

1114

00:41:17,030 --> 00:41:16,319

call out to those below below and say

1115

00:41:18,069 --> 00:41:17,040

hey

1116

00:41:20,790 --> 00:41:18,079

follow me

1117

00:41:22,390 --> 00:41:20,800

they're having a sale um they're

1118

00:41:25,030 --> 00:41:22,400

there's balloons there's a balloon guy

1119

00:41:26,870 --> 00:41:25,040

upstairs it's free

1120

00:41:27,910 --> 00:41:26,880

uh

1121

00:41:34,950 --> 00:41:27,920

that was

1122

00:41:35,750 --> 00:41:34,960

yeah man yeah thanks um and so

1123

00:41:37,270 --> 00:41:35,760

uh

1124

00:41:38,550 --> 00:41:37,280

what you know

1125

00:41:40,870 --> 00:41:38,560

what uh

1126

00:41:43,829 --> 00:41:40,880

what else what else can we do

1127

00:41:45,910 --> 00:41:43,839

um to help the community you know what

1128

00:41:49,190 --> 00:41:45,920

what what else can we do

1129

00:41:51,589 --> 00:41:49,200

um and i'm asking you know the listeners

1130

00:41:53,910 --> 00:41:51,599

obviously um well that's

1131

00:41:55,589 --> 00:41:53,920

we've already stated what what what

1132

00:41:58,870 --> 00:41:55,599

we're gonna do but what can we all do

1133

00:42:01,030 --> 00:41:58,880

collectively um as a group to just help

1134

00:42:02,550 --> 00:42:01,040

out pitch in you know kind of move our

1135

00:42:04,309 --> 00:42:02,560

weight around because one of the biggest

1136

00:42:06,470 --> 00:42:04,319

things is always like

1137

00:42:07,910 --> 00:42:06,480

you know no we don't have funding for

1138

00:42:10,870 --> 00:42:07,920

research or

1139

00:42:12,870 --> 00:42:10,880

we just don't have the manpower you know

1140

00:42:14,150 --> 00:42:12,880

it's it's mainly funding right all this

1141

00:42:15,589 --> 00:42:14,160

stuff is always like we don't have

1142

00:42:17,510 --> 00:42:15,599

funding to do the research and that's

1143

00:42:19,030 --> 00:42:17,520

always the biggest thing among like

1144

00:42:21,510 --> 00:42:19,040

listeners or people who are just into

1145

00:42:23,430 --> 00:42:21,520

the topic they have all these questions

1146

00:42:25,990 --> 00:42:23,440

and the stuff that is

1147

00:42:28,630 --> 00:42:26,000

being funded and researched is usually

1148

00:42:31,349 --> 00:42:28,640

kept you know under lock and key yeah

1149

00:42:32,630 --> 00:42:31,359

maybe we can put our money together and

1150

00:42:34,550 --> 00:42:32,640

find people

1151

00:42:37,589 --> 00:42:34,560

that will do this research and release

1152

00:42:39,190 --> 00:42:37,599

it to the public so it's kind of like

1153

00:42:41,510 --> 00:42:39,200

we're really trying to help ourselves

1154

00:42:44,309 --> 00:42:41,520

here and i mean ourselves by like all of

1155

00:42:46,710 --> 00:42:44,319

us as as a group you know we gotta we

1156

00:42:49,589 --> 00:42:46,720

gotta somehow help ourselves we can't

1157

00:42:51,430 --> 00:42:49,599

always rely on on the government or or

1158

00:42:53,190 --> 00:42:51,440

these other people

1159

00:42:55,510 --> 00:42:53,200

that you know that don't wanna say

1160

00:42:57,670 --> 00:42:55,520

anything to say stuff right so let's

1161

00:42:59,430 --> 00:42:57,680

let's see what we can do let's let's put

1162

00:43:01,430 --> 00:42:59,440

our money where our mouth is and see how

1163

00:43:03,589 --> 00:43:01,440

we can help out and move this forward a

1164

00:43:06,470 --> 00:43:03,599

little bit hell yeah

1165

00:43:08,710 --> 00:43:06,480

dude you know be awesome is if um

1166

00:43:10,870 --> 00:43:08,720

you know there was some some significant

1167

00:43:14,230 --> 00:43:10,880

leaps made with with scientific

1168

00:43:16,630 --> 00:43:14,240

discovery because i i i can i know at

1169

00:43:18,790 --> 00:43:16,640

least one person that if he had no day

1170

00:43:20,710 --> 00:43:18,800

job and didn't have to worry about you

1171

00:43:22,069 --> 00:43:20,720

know our buddy justin i'm not gonna say

1172

00:43:24,710 --> 00:43:22,079

his last name but

1173

00:43:26,870 --> 00:43:24,720

uh he just has all those hobbies

1174

00:43:29,510 --> 00:43:26,880

yeah we built britain that guitar that

1175

00:43:32,069 --> 00:43:29,520

guy is a genius if i if i said hey dude

1176

00:43:34,550 --> 00:43:32,079

can i pay you a month of your salary

1177

00:43:36,630 --> 00:43:34,560

and can you figure out this problem

1178

00:43:38,550 --> 00:43:36,640

i think i think he would

1179

00:43:40,150 --> 00:43:38,560

totally be down i mean i'm not saying

1180

00:43:42,790 --> 00:43:40,160

we'd do this but i'm just like giving an

1181

00:43:44,950 --> 00:43:42,800

analogy or an instance like imagine how

1182

00:43:47,030 --> 00:43:44,960

many smart people are out there that

1183

00:43:48,790 --> 00:43:47,040

could if they if they were able to feed

1184

00:43:51,270 --> 00:43:48,800

their family and

1185

00:43:53,589 --> 00:43:51,280

figure this stuff out do the science uh

1186

00:43:55,990 --> 00:43:53,599

put their degree to work not just

1187

00:43:57,109 --> 00:43:56,000

fueling the economy with the coal you

1188

00:43:58,390 --> 00:43:57,119

know like

1189

00:44:00,950 --> 00:43:58,400

and

1190

00:44:02,550 --> 00:44:00,960

that's a terrible thing that makes no

1191

00:44:05,510 --> 00:44:02,560

sense but like

1192

00:44:07,990 --> 00:44:05,520

use their talents towards something

1193

00:44:09,990 --> 00:44:08,000

like free energy not free energy but

1194

00:44:11,990 --> 00:44:10,000

energy that is maybe used by these

1195

00:44:12,870 --> 00:44:12,000

crafts

1196

00:44:15,430 --> 00:44:12,880

using

1197

00:44:17,430 --> 00:44:15,440

research that we already have and

1198

00:44:18,950 --> 00:44:17,440

applying it to

1199

00:44:21,349 --> 00:44:18,960

to something physical something we could

1200

00:44:23,990 --> 00:44:21,359

use as a society something

1201
00:44:26,309 --> 00:44:24,000
that could change the foundation of of

1202
00:44:27,670 --> 00:44:26,319
how we use electricity or or i don't

1203
00:44:28,790 --> 00:44:27,680
know i'm just i'm talking about my butt

1204
00:44:31,109 --> 00:44:28,800
here but

1205
00:44:33,109 --> 00:44:31,119
like imagine if you gave somebody enough

1206
00:44:34,550 --> 00:44:33,119
enough time i know a month isn't that

1207
00:44:38,309 --> 00:44:34,560
much time but

1208
00:44:41,190 --> 00:44:38,319
dude yeah absolutely man like uh nikola

1209
00:44:42,870 --> 00:44:41,200
tesla dude he was just on the verge of

1210
00:44:44,950 --> 00:44:42,880
something super huge and he got shut

1211
00:44:47,030 --> 00:44:44,960
down but the only reason he was able to

1212
00:44:49,190 --> 00:44:47,040
get where he got is because

1213
00:44:51,190 --> 00:44:49,200

he got support from

1214

00:44:55,109 --> 00:44:51,200

not the community you was like from

1215

00:44:56,230 --> 00:44:55,119

pigeons it was pigeons right

1216

00:44:58,150 --> 00:44:56,240

yep

1217

00:45:00,550 --> 00:44:58,160

pigeons gave him all the support he

1218

00:45:02,150 --> 00:45:00,560

needed well they whisper i don't know

1219

00:45:05,829 --> 00:45:02,160

yeah sweet

1220

00:45:06,870 --> 00:45:05,839

sweet nothings it's cute

1221

00:45:08,630 --> 00:45:06,880

yeah i mean

1222

00:45:10,870 --> 00:45:08,640

yeah so i don't know there might be a

1223

00:45:12,230 --> 00:45:10,880

tesla a new tesla out there that just

1224

00:45:13,670 --> 00:45:12,240

like is using their talents for

1225

00:45:16,230 --> 00:45:13,680

something else

1226

00:45:18,309 --> 00:45:16,240

there could be there could be um and

1227

00:45:22,550 --> 00:45:18,319

another one that ben and i had talked

1228

00:45:26,230 --> 00:45:22,560

about funding is uh ttfa oh yeah yes

1229

00:45:29,510 --> 00:45:26,240

tgfa i want to maybe fund uh ttfa we

1230

00:45:31,190 --> 00:45:29,520

think that'd be a great idea um and uh

1231

00:45:33,190 --> 00:45:31,200

you guys heard it

1232

00:45:34,790 --> 00:45:33,200

if you heard of ttfa if you don't know

1233

00:45:37,190 --> 00:45:34,800

about it no you don't know about it

1234

00:45:39,190 --> 00:45:37,200

there is a page on our website

1235

00:45:40,870 --> 00:45:39,200

you can go to it's to the farts academy

1236

00:45:46,630 --> 00:45:40,880

you can go to it

1237

00:45:47,589 --> 00:45:46,640

oh my god yeah

1238

00:45:49,270 --> 00:45:47,599

uh

1239

00:45:51,190 --> 00:45:49,280

let's see what's everybody talking about

1240

00:45:53,270 --> 00:45:51,200

i haven't paid into the chat really too

1241

00:45:57,589 --> 00:45:53,280

much tonight let's see here

1242

00:45:59,589 --> 00:45:58,829

emmy's in the

1243

00:46:02,470 --> 00:45:59,599

house happening

1244

00:46:04,150 --> 00:46:02,480

sunsaver what's up sun saver lynn what's

1245

00:46:10,150 --> 00:46:04,160

up lynn

1246

00:46:13,990 --> 00:46:12,150

yeah man it's been this what's up it's

1247

00:46:15,829 --> 00:46:14,000

been a pretty pretty good chill night

1248

00:46:17,910 --> 00:46:15,839

well i was just looking up at i was just

1249

00:46:20,069 --> 00:46:17,920

looking for the i wanted to do that meta

1250

00:46:22,309 --> 00:46:20,079

thing for a second and and watch jamie

1251
00:46:23,589 --> 00:46:22,319
and brie uh watching our live stream but

1252
00:46:26,470 --> 00:46:23,599
i don't i don't see anything on their

1253
00:46:28,150 --> 00:46:26,480
channel if they're doing anything live

1254
00:46:30,150 --> 00:46:28,160
jamie

1255
00:46:33,750 --> 00:46:30,160
maybe they maybe they got bored uh we

1256
00:46:37,349 --> 00:46:34,630
uh

1257
00:46:38,630 --> 00:46:37,359
mr mr crowley he still needs his job at

1258
00:46:40,870 --> 00:46:38,640
tffa

1259
00:46:43,589 --> 00:46:40,880
we need to we need we need to go through

1260
00:46:46,390 --> 00:46:43,599
the list of pending applications oh i

1261
00:46:48,950 --> 00:46:46,400
added him oh you did i did what's his

1262
00:46:48,960 --> 00:46:53,270
he's the chief jode inspector

1263
00:46:58,230 --> 00:46:56,150

jamie and bree are done already oh no

1264

00:47:00,230 --> 00:46:58,240

how can how can they be done if we're

1265

00:47:04,470 --> 00:47:00,240

not done if they're streaming our stream

1266

00:47:04,480 --> 00:47:12,550

do the parts academy oh yeah

1267

00:47:17,349 --> 00:47:14,470

my porn window here

1268

00:47:18,550 --> 00:47:17,359

uh who farted that's the main button

1269

00:47:19,670 --> 00:47:18,560

telling the stories of yesterday

1270

00:47:22,950 --> 00:47:19,680

tomorrow

1271

00:47:24,950 --> 00:47:22,960

let's see uh let's skip to oh my god

1272

00:47:29,349 --> 00:47:24,960

he's huge mr crowley chief of

1273

00:47:31,860 --> 00:47:30,710

come yeah

1274

00:47:35,829 --> 00:47:31,870

compulsion

1275

00:47:37,829 --> 00:47:35,839

[Laughter]

1276

00:47:39,589 --> 00:47:37,839

oh my god like

1277

00:47:40,950 --> 00:47:39,599

combustion literally i just copy and

1278

00:47:42,230 --> 00:47:40,960

paste whatever you put you could

1279

00:47:44,309 --> 00:47:42,240

literally put anything i'm not paying

1280

00:47:45,710 --> 00:47:44,319

attention i'm just doing it ufo man says

1281

00:47:48,710 --> 00:47:45,720

you should have been cheek spreader

1282

00:47:51,109 --> 00:47:48,720

[Laughter]

1283

00:47:52,950 --> 00:47:51,119

chief cheek spreader

1284

00:47:54,549 --> 00:47:52,960

dude i just love

1285

00:47:56,309 --> 00:47:54,559

i mean we don't do this every episode

1286

00:47:58,470 --> 00:47:56,319

but like when we do it's like

1287

00:48:01,109 --> 00:47:58,480

this this website looks [h__\h] sick

1288

00:48:02,790 --> 00:48:01,119

right it's not so good like we were

1289

00:48:05,510 --> 00:48:02,800

actually oh my god

1290

00:48:07,589 --> 00:48:05,520

legit dude

1291

00:48:09,270 --> 00:48:07,599

what if the secret of unlimited power

1292

00:48:10,790 --> 00:48:09,280

sources lies right between your own butt

1293

00:48:12,710 --> 00:48:10,800

cheeks yes

1294

00:48:14,549 --> 00:48:12,720

it may be a little smelly

1295

00:48:16,309 --> 00:48:14,559

but we at ttfa believe the future of

1296

00:48:18,069 --> 00:48:16,319

propulsion will be powered by your own

1297

00:48:19,030 --> 00:48:18,079

farts and stinky

1298

00:48:22,870 --> 00:48:19,040

lil

1299

00:48:25,589 --> 00:48:22,880

hoots that's right man that's right

1300

00:48:29,829 --> 00:48:25,599

so yeah man

1301

00:48:32,710 --> 00:48:29,839

two topic tuesday man usos

1302

00:48:35,270 --> 00:48:32,720

and how to help

1303

00:48:37,270 --> 00:48:35,280

the community as a whole we did it i

1304

00:48:39,670 --> 00:48:37,280

feel like yeah that was a solid it was a

1305

00:48:42,309 --> 00:48:39,680

solid hour of of uh

1306

00:48:45,589 --> 00:48:42,319

hey nightmare is a new member man

1307

00:48:48,790 --> 00:48:45,599

nightmare dude hell yeah hell yeah

1308

00:48:50,549 --> 00:48:48,800

thank you dad i like it i like it a lot

1309

00:48:53,190 --> 00:48:50,559

that is what's up

1310

00:48:54,470 --> 00:48:53,200

yes man well you guys know how it is man

1311

00:48:56,870 --> 00:48:54,480

on uh

1312

00:48:58,549 --> 00:48:56,880

totally topless two topic tuesdays a

1313

00:49:00,710 --> 00:48:58,559

little bit shorter than our regular show

1314

00:49:04,150 --> 00:49:00,720

we kind of come in

1315

00:49:07,190 --> 00:49:04,160

and we come out oh that's how we do it

1316

00:49:09,349 --> 00:49:07,200

uh we just discussed two topics have a

1317

00:49:12,870 --> 00:49:09,359

little bit of fun chat it up with you

1318

00:49:14,950 --> 00:49:12,880

guys a bit we're uh we're topless

1319

00:49:17,510 --> 00:49:14,960

uh if anybody's interested in coming on

1320

00:49:19,829 --> 00:49:17,520

two topic or totally topless two topic

1321

00:49:22,069 --> 00:49:19,839

tuesdays send us a message if you know

1322

00:49:24,069 --> 00:49:22,079

somebody who would be interested in it

1323

00:49:25,829 --> 00:49:24,079

send them a message to send us a message

1324

00:49:27,750 --> 00:49:25,839

we'd love to have more people on the

1325

00:49:30,790 --> 00:49:27,760

show um

1326

00:49:33,510 --> 00:49:30,800

on uh topless tuesdays for a quick 30

1327

00:49:35,510 --> 00:49:33,520

minutes to an hour and uh

1328

00:49:37,190 --> 00:49:35,520

and uh have a good time with them and

1329

00:49:39,349 --> 00:49:37,200

and the thing about two topic tuesdays

1330

00:49:41,270 --> 00:49:39,359

is we want to come up with uh somewhat

1331

00:49:43,030 --> 00:49:41,280

serious topics that we

1332

00:49:44,950 --> 00:49:43,040

find to be interesting

1333

00:49:47,510 --> 00:49:44,960

at the moment so

1334

00:49:49,589 --> 00:49:47,520

yeah you never know what we're gonna get

1335

00:49:51,589 --> 00:49:49,599

all right

1336

00:49:55,430 --> 00:49:51,599

you don't

1337

00:49:56,710 --> 00:49:55,440

sorry i was focusing on putting that

1338

00:49:58,790 --> 00:49:56,720

banner up and it was in the wrong place

1339

00:50:01,589 --> 00:49:58,800

and it [h__h] me up i can always tell

1340

00:50:02,790 --> 00:50:01,599

when you're focusing on something else

1341

00:50:03,910 --> 00:50:02,800

anyway

1342

00:50:05,589 --> 00:50:03,920

dude

1343

00:50:08,150 --> 00:50:05,599

what a great tuesday night i've been

1344

00:50:09,910 --> 00:50:08,160

looking forward to this all day dude

1345

00:50:12,230 --> 00:50:09,920

yeah man topless tuesdays are going to

1346

00:50:13,430 --> 00:50:12,240

be a new one yeah man it's gonna be a

1347

00:50:15,910 --> 00:50:13,440

new thing

1348

00:50:18,870 --> 00:50:15,920

oh you know be awesome if uh if anybody

1349

00:50:20,790 --> 00:50:18,880

else also if you want to come on

1350

00:50:23,030 --> 00:50:20,800

two topless tuesday hit us up there's

1351

00:50:25,829 --> 00:50:23,040

our email but if you have topics that

1352

00:50:27,349 --> 00:50:25,839

you want us to talk about uh shoot us an

1353

00:50:30,150 --> 00:50:27,359

email

1354

00:50:32,950 --> 00:50:30,160

and let us know what you want us to

1355

00:50:34,630 --> 00:50:32,960

cover and talk about yeah definitely we

1356

00:50:38,630 --> 00:50:34,640

won't be covered up but we can cover the

1357

00:50:44,870 --> 00:50:43,030

we will so sympathy laugh thanks joe

1358

00:50:46,470 --> 00:50:44,880

appreciate you man

1359

00:50:48,950 --> 00:50:46,480

i appreciate you dude

1360

00:50:51,589 --> 00:50:48,960

what cool are the topics dude dude hey i

1361

00:50:55,670 --> 00:50:51,599

mean cover your topics if you cover mine

1362

00:51:00,870 --> 00:50:58,630

oh my god uh also i have i had some

1363

00:51:03,510 --> 00:51:00,880

feedback from some dear friends lately

1364

00:51:07,109 --> 00:51:03,520

uh recently this past weekend

1365

00:51:09,430 --> 00:51:07,119

uh that uh your headphones are literally

1366

00:51:10,630 --> 00:51:09,440

the best the best headphones i don't

1367

00:51:12,309 --> 00:51:10,640

know

1368

00:51:13,829 --> 00:51:12,319

so obviously

1369

00:51:15,190 --> 00:51:13,839

i'm just saying if you ever upgrade

1370

00:51:18,150 --> 00:51:15,200

we've got to spray paint them [\h__\h]

1371

00:51:24,790 --> 00:51:19,349

purple

1372

00:51:28,150 --> 00:51:24,800

says uh we should talk about ufos

1373

00:51:30,069 --> 00:51:28,160

you know what we did ufologist

1374

00:51:31,750 --> 00:51:30,079

next tuesday you got it buddy we're

1375

00:51:35,109 --> 00:51:31,760

talking about ufos

1376

00:51:37,270 --> 00:51:35,119

right here on the ufo garage let's do it

1377

00:51:39,910 --> 00:51:37,280

hey tune in thursday

1378

00:51:43,270 --> 00:51:39,920

we might even talk about some ufos

1379

00:51:44,790 --> 00:51:43,280

we are also live on thursdays thirsty

1380

00:51:46,549 --> 00:51:44,800

thursday

1381

00:51:49,270 --> 00:51:46,559

or we will be talking about ufos

1382

00:51:55,349 --> 00:51:53,190

some pretty whacked out versions of ufos

1383

00:51:57,190 --> 00:51:55,359

and aliens and all things weird i don't

1384

00:51:58,390 --> 00:51:57,200

know we'll see

1385

00:51:59,829 --> 00:51:58,400

that's what it's all about this is

1386

00:52:01,270 --> 00:51:59,839

what's all about really the only thing

1387

00:52:03,510 --> 00:52:01,280

all things weird dude you never know

1388

00:52:05,990 --> 00:52:03,520

what you're gonna get yeah right

1389

00:52:09,030 --> 00:52:06,000

heck yeah man oh hey this has been a

1390

00:52:11,990 --> 00:52:09,040

good one uh we love all you guys thanks

1391

00:52:14,069 --> 00:52:12,000

for uh showing up and just remember um

1392

00:52:16,549 --> 00:52:14,079

everything every super chat you guys

1393

00:52:18,870 --> 00:52:16,559

drop everything you purchase from us

1394

00:52:21,349 --> 00:52:18,880

at the end of the quarter 20 of that

1395

00:52:22,870 --> 00:52:21,359

gets pulled and we donate it

1396

00:52:25,990 --> 00:52:22,880

to somebody who needs it man just to

1397

00:52:29,109 --> 00:52:26,000

help out just to help out all right

1398

00:52:30,630 --> 00:52:29,119

so that's a good one ben is focusing on

1399

00:52:32,630 --> 00:52:30,640

something different so i'm going to keep

1400

00:52:35,349 --> 00:52:32,640

rambling here for just a second

1401
00:52:36,790 --> 00:52:35,359
and we're done bam we're good boom i

1402
00:52:38,630 --> 00:52:36,800
like garage i like how when you're

1403
00:52:44,230 --> 00:52:38,640
focused you go you go and i'm saying

1404
00:52:48,710 --> 00:52:47,349
yes man yes dude

1405
00:52:50,470 --> 00:52:48,720
that was a good one uh ufo

1406
00:52:52,309 --> 00:52:50,480
garagepodcast.com

1407
00:52:53,990 --> 00:52:52,319
forward slash store that's our merch if

1408
00:52:55,910 --> 00:52:54,000
you want to buy some merch you could you

1409
00:52:58,950 --> 00:52:55,920
got a t-shirt with some stuff on it and

1410
00:53:01,349 --> 00:52:58,960
then 20 of that goes to uh anomaly

1411
00:53:03,109 --> 00:53:01,359
archives for this quarter for this

1412
00:53:05,910 --> 00:53:03,119
quarter this quarter

1413
00:53:07,270 --> 00:53:05,920

and we'll uh we're going to reach out to

1414

00:53:09,750 --> 00:53:07,280

to smiles

1415

00:53:11,589 --> 00:53:09,760

and uh we'll have him come on the show

1416

00:53:13,109 --> 00:53:11,599

chat with you guys a little bit i can

1417

00:53:15,349 --> 00:53:13,119

tell you a little bit about anomaly

1418

00:53:18,150 --> 00:53:15,359

archives and the stuff that he does i

1419

00:53:20,710 --> 00:53:18,160

mean he's a really cool dude and he does

1420

00:53:22,150 --> 00:53:20,720

some pretty cool stuff so uh we'll reach

1421

00:53:23,430 --> 00:53:22,160

out to him and and get them on here for

1422

00:53:25,510 --> 00:53:23,440

you guys i think this is going to be

1423

00:53:28,549 --> 00:53:25,520

really really cool so yeah you got

1424

00:53:30,150 --> 00:53:28,559

anything else ben uh we have a guest on

1425

00:53:32,950 --> 00:53:30,160

this coming thursday

1426

00:53:36,950 --> 00:53:32,960

um that is uh i think it's gonna be

1427

00:53:38,870 --> 00:53:36,960

pretty awesome he's an experiercer and a

1428

00:53:41,589 --> 00:53:38,880

lifelong experiercer

1429

00:53:44,309 --> 00:53:41,599

he's got some pretty intense stories and

1430

00:53:45,910 --> 00:53:44,319

uh dude i just can't wait to to talk to

1431

00:53:47,349 --> 00:53:45,920

him i don't know if he's going to be on

1432

00:53:48,790 --> 00:53:47,359

camera we're kind of working that out

1433

00:53:51,270 --> 00:53:48,800

right now but it might just be a phone

1434

00:53:54,470 --> 00:53:51,280

call thing so i might go old school with

1435

00:53:56,470 --> 00:53:54,480

it but i'm super i'm super excited man

1436

00:53:57,430 --> 00:53:56,480

we're going to be our belling it dude

1437

00:53:59,990 --> 00:53:57,440

yes

1438

00:54:02,230 --> 00:54:00,000

i like it i like it should i shave

1439

00:54:03,610 --> 00:54:02,240

everything but my mustache for that no

1440

00:54:07,109 --> 00:54:03,620

oh that's george nori sorry

1441

00:54:09,670 --> 00:54:07,119

[Laughter]

1442

00:54:11,670 --> 00:54:09,680

all right man well this was a good one i

1443

00:54:12,950 --> 00:54:11,680

had a good time thank you all for

1444

00:54:13,600 --> 00:54:12,960

stopping by

1445

00:54:15,430 --> 00:54:13,610

and uh

1446

00:54:19,670 --> 00:54:15,440

[Music]

1447

00:54:21,510 --> 00:54:19,680

this was another episode of ufo garage
