

UFGARAGE

UFOS ALIENS & ALL THINGS WEIRD

1
00:00:04,490 --> 00:00:14,070

[Music]

2
00:00:23,310 --> 00:00:15,110

day

3
00:00:23,320 --> 00:00:32,389

[Music]

4
00:00:37,750 --> 00:00:34,950
dark synth bridge burning day don't

5
00:00:40,069 --> 00:00:37,760

forget to quit your job

6
00:00:44,530 --> 00:00:40,079
don't forget to quit your freaking job

7
00:00:44,540 --> 00:00:50,790

[Music]

8
00:00:50,800 --> 00:00:56,620
sorry there was some feedback

9
00:00:56,630 --> 00:01:00,470

[Music]

10
00:01:03,830 --> 00:01:01,510
what do you call that stuff what do you

11
00:01:06,149 --> 00:01:03,840
call that style of graphic or it's like

12
00:01:10,149 --> 00:01:06,159
uh like blade runner kind of like

13
00:01:12,550 --> 00:01:10,159

dystopian like futuristic

14

00:01:16,230 --> 00:01:12,560

yeah

15

00:01:17,350 --> 00:01:16,240

stuff

16

00:01:20,149 --> 00:01:17,360

definitely

17

00:01:21,510 --> 00:01:20,159

that's cool [\h__\h] it's like uh

18

00:01:24,469 --> 00:01:21,520

i just picture like i just picked it

19

00:01:26,789 --> 00:01:24,479

like an anime anime hedgehog but like

20

00:01:28,149 --> 00:01:26,799

like it's like half human and he's got

21

00:01:29,910 --> 00:01:28,159

like headphones

22

00:01:32,630 --> 00:01:29,920

i guess sonic maybe sonic the hedgehog

23

00:01:34,710 --> 00:01:32,640

but more realistic though

24

00:01:36,870 --> 00:01:34,720

he's got he's got a lot more realistic

25

00:01:39,510 --> 00:01:36,880

than sonic the hedgehog like a like a

26
00:01:41,990 --> 00:01:39,520
human version of sonic j the hedgehog

27
00:01:44,389 --> 00:01:42,000
with with like a like a hoverboard

28
00:01:46,469 --> 00:01:44,399
but he's but he's also got like a uh

29
00:01:49,109 --> 00:01:46,479
like a walkman you know

30
00:01:49,990 --> 00:01:49,119
i agree hold that stop you know why

31
00:01:53,270 --> 00:01:50,000
because

32
00:01:55,670 --> 00:01:53,280
this is another episode of ufo garage

33
00:01:59,190 --> 00:01:55,680
i'm ben and i'm joe and this is where we

34
00:02:01,190 --> 00:01:59,200
talk about ufos aliens and all things

35
00:02:03,109 --> 00:02:01,200
things weird

36
00:02:05,190 --> 00:02:03,119
then you jump the gun on that one we're

37
00:02:08,389 --> 00:02:05,200
supposed to do that part first and then

38
00:02:10,150 --> 00:02:08,399

talk about hedgehogs that are man-like

39

00:02:12,550 --> 00:02:10,160

with with walkmans

40

00:02:14,900 --> 00:02:12,560

you know all right you wanna

41

00:02:16,790 --> 00:02:14,910

try again no not at all hey

42

00:02:18,949 --> 00:02:16,800

[Laughter]

43

00:02:21,830 --> 00:02:18,959

what's up everybody welcome to another

44

00:02:23,589 --> 00:02:21,840

episode of totally topless two times

45

00:02:26,309 --> 00:02:23,599

tuesday

46

00:02:27,270 --> 00:02:26,319

ben and i are in the house

47

00:02:29,030 --> 00:02:27,280

yeah

48

00:02:31,110 --> 00:02:29,040

in a house

49

00:02:33,270 --> 00:02:31,120

you're in your house man

50

00:02:35,030 --> 00:02:33,280

you're in separate houses and i'm in my

51
00:02:37,350 --> 00:02:35,040
house dude

52
00:02:40,070 --> 00:02:37,360
and then you guys are all

53
00:02:42,630 --> 00:02:40,080
in in separate houses but collectively

54
00:02:46,070 --> 00:02:42,640
we are we are in the house collectively

55
00:02:47,990 --> 00:02:46,080
we are in the house heck yeah man heck

56
00:02:51,030 --> 00:02:48,000
yeah and that is so we got some uh we

57
00:02:53,670 --> 00:02:51,040
got some fun topics for today uh

58
00:02:55,670 --> 00:02:53,680
i apologize ahead of time

59
00:02:57,190 --> 00:02:55,680
i feel like [h__\h] today

60
00:02:58,470 --> 00:02:57,200
because you were you were you were at

61
00:03:03,350 --> 00:02:58,480
sixes

62
00:03:05,110 --> 00:03:03,360
good i'm still not feeling too too good

63
00:03:07,190 --> 00:03:05,120

um but we're gonna do it we're gonna do

64

00:03:09,030 --> 00:03:07,200

the damn thing all right we're gonna do

65

00:03:10,949 --> 00:03:09,040

the damn thing we got a couple uh a

66

00:03:13,270 --> 00:03:10,959

couple cool cool topics that we're gonna

67

00:03:16,869 --> 00:03:13,280

go into today um

68

00:03:18,630 --> 00:03:16,879

ben uh i believe you have a topic on

69

00:03:19,670 --> 00:03:18,640

on uh

70

00:03:22,869 --> 00:03:19,680

what was it

71

00:03:25,270 --> 00:03:22,879

the anunnaki symbolism the anunnaki

72

00:03:26,710 --> 00:03:25,280

symbolism and then later on uh we're

73

00:03:29,190 --> 00:03:26,720

gonna go into remote viewing a little

74

00:03:31,430 --> 00:03:29,200

bit so two topics for today we'll go

75

00:03:33,430 --> 00:03:31,440

ahead and start with the anunnaki and

76

00:03:35,670 --> 00:03:33,440

the symbolism man

77

00:03:38,070 --> 00:03:35,680

you want to do that let me bring it up

78

00:03:40,789 --> 00:03:38,080

dude all right

79

00:03:42,070 --> 00:03:40,799

so last night i was i was uh

80

00:03:44,309 --> 00:03:42,080

man i just

81

00:03:45,750 --> 00:03:44,319

yesterday i had a weird day and i had

82

00:03:48,229 --> 00:03:45,760

this thought come through my head and

83

00:03:50,149 --> 00:03:48,239

then i just like went on this whole like

84

00:03:52,390 --> 00:03:50,159

tangent in my head

85

00:03:54,070 --> 00:03:52,400

and uh this led me down this path and i

86

00:03:55,190 --> 00:03:54,080

know this subject has been talked about

87

00:03:56,710 --> 00:03:55,200

in like ancient

88

00:03:58,949 --> 00:03:56,720

ancient aliens like the tv show been

89

00:04:00,390 --> 00:03:58,959

like probably a billion other podcasts

90

00:04:02,309 --> 00:04:00,400

and tv shows but

91

00:04:04,630 --> 00:04:02,319

i don't know sometimes i feel like

92

00:04:07,589 --> 00:04:04,640

it's it's fun to go back and look

93

00:04:09,750 --> 00:04:07,599

and take another examination and i we we

94

00:04:11,030 --> 00:04:09,760

had some fun on twitter today like uh a

95

00:04:11,830 --> 00:04:11,040

bunch of people had

96

00:04:15,030 --> 00:04:11,840

uh

97

00:04:17,749 --> 00:04:15,040

well the post is of the the image of the

98

00:04:20,870 --> 00:04:17,759

s uh syrian uh let me i think i'm saying

99

00:04:23,749 --> 00:04:20,880

that wrong the uh the assyrian

100

00:04:26,710 --> 00:04:23,759

uh relief sculpture relief of this like

101
00:04:29,350 --> 00:04:26,720
eagle-headed god-like figure with like

102
00:04:31,270 --> 00:04:29,360
huge muscles and like huge wings in the

103
00:04:33,830 --> 00:04:31,280
pinecone

104
00:04:36,230 --> 00:04:33,840
purse dude his muscles are huge and it

105
00:04:37,990 --> 00:04:36,240
has little purses

106
00:04:40,070 --> 00:04:38,000
who knows what he's got in that little i

107
00:04:41,990 --> 00:04:40,080
think there's a candy

108
00:04:44,550 --> 00:04:42,000
it's odds a bag full of fun i know that

109
00:04:46,150 --> 00:04:44,560
but anyway so i i posted that and just

110
00:04:48,629 --> 00:04:46,160
i had this hot take

111
00:04:50,950 --> 00:04:48,639
that the purse equals hidden knowledge

112
00:04:53,030 --> 00:04:50,960
slash like magic with okay

113
00:04:53,990 --> 00:04:53,040

and again dude like

114

00:04:55,990 --> 00:04:54,000

you and i

115

00:04:57,830 --> 00:04:56,000

are just tipping our toe into that kind

116

00:04:59,590 --> 00:04:57,840

of like we really don't know

117

00:05:01,670 --> 00:04:59,600

i could probably mean something way

118

00:05:02,469 --> 00:05:01,680

different than what we maybe think right

119

00:05:03,909 --> 00:05:02,479

now

120

00:05:05,510 --> 00:05:03,919

oh god

121

00:05:07,670 --> 00:05:05,520

yeah it uh

122

00:05:12,310 --> 00:05:07,680

it's not the same as as being a crystal

123

00:05:16,820 --> 00:05:15,430

crystals with a k uh they've got uh

124

00:05:20,070 --> 00:05:16,830

they draw

125

00:05:21,430 --> 00:05:20,080

[Laughter]

126

00:05:23,029 --> 00:05:21,440

well

127

00:05:26,230 --> 00:05:23,039

let's say there was a gap in their

128

00:05:27,990 --> 00:05:26,240

resume at some point and then another

129

00:05:30,469 --> 00:05:28,000

gap and then they're like you know what

130

00:05:32,950 --> 00:05:30,479

[h__h] it i'm reinventing myself and i am

131

00:05:35,189 --> 00:05:32,960

a realtor and i don't give [h__h] my name

132

00:05:38,310 --> 00:05:35,199

is crystal with a k

133

00:05:41,670 --> 00:05:38,320

i like four-wheeling and drinking zima

134

00:05:46,469 --> 00:05:45,110

hi i'm crystal with k crystal will k

135

00:05:48,390 --> 00:05:46,479

i'll punch you right in the face and

136

00:05:50,830 --> 00:05:48,400

then make out with you i've known a

137

00:05:52,629 --> 00:05:50,840

couple crystals for case

138

00:05:54,230 --> 00:05:52,639

yeah

139

00:05:56,309 --> 00:05:54,240

so what do you think dude i mean what is

140

00:05:59,189 --> 00:05:56,319

this what is your what is your what is

141

00:06:00,390 --> 00:05:59,199

your idea on this the symbolism i i

142

00:06:03,110 --> 00:06:00,400

really want to know what's up with the

143

00:06:04,950 --> 00:06:03,120

puka shells on his neck

144

00:06:07,670 --> 00:06:04,960

i mean that wasn't like until like the

145

00:06:08,870 --> 00:06:07,680

mid-90s that that became a hit right

146

00:06:10,950 --> 00:06:08,880

well here's the thing is that they're

147

00:06:14,150 --> 00:06:10,960

trendsetters

148

00:06:15,029 --> 00:06:14,160

and and also um if if you look

149

00:06:19,510 --> 00:06:15,039

you know

150

00:06:20,390 --> 00:06:19,520

if you look down by that purse a little

151
00:06:22,390 --> 00:06:20,400
bit below

152
00:06:24,629 --> 00:06:22,400
is is that another pine cone down there

153
00:06:27,270 --> 00:06:24,639
he's hiding or is that a cast muscle

154
00:06:28,629 --> 00:06:27,280
dude so um actually there's i wanted to

155
00:06:30,230 --> 00:06:28,639
go through some of the comments uh

156
00:06:32,830 --> 00:06:30,240
someone actually did comment about that

157
00:06:36,070 --> 00:06:32,840
that there are multiple pine cone shapes

158
00:06:37,830 --> 00:06:36,080
including his forearm here

159
00:06:40,710 --> 00:06:37,840
i'm not gonna lie

160
00:06:42,309 --> 00:06:40,720
i'm gonna call that dick and balls

161
00:06:44,070 --> 00:06:42,319
wait which part like the

162
00:06:46,309 --> 00:06:44,080
the pine cone

163
00:06:47,909 --> 00:06:46,319

the dick and balls in his hand no the

164

00:06:49,909 --> 00:06:47,919

dick and bowls where his dick and balls

165

00:06:52,309 --> 00:06:49,919

goes by his leg

166

00:06:54,230 --> 00:06:52,319

the digging balls on his forearm

167

00:06:56,150 --> 00:06:54,240

oh i don't know maybe he's lifting maybe

168

00:07:00,150 --> 00:06:56,160

he's lifting it

169

00:07:01,990 --> 00:07:00,160

uh lifting dick and balls what a pastime

170

00:07:03,990 --> 00:07:02,000

hey man the ancient sumerians didn't

171

00:07:05,830 --> 00:07:04,000

play around yeah crystal with a k would

172

00:07:10,629 --> 00:07:05,840

do it they wore their dicks on their

173

00:07:15,670 --> 00:07:13,430

but yeah i mean my my interpretation

174

00:07:18,070 --> 00:07:15,680

is wide open i'm like i'm just so

175

00:07:19,430 --> 00:07:18,080

curious about this stuff uh but the

176

00:07:21,270 --> 00:07:19,440

the idea that i had when i made this

177

00:07:23,350 --> 00:07:21,280

post was like

178

00:07:25,830 --> 00:07:23,360

purse equals hidden knowledge

179

00:07:29,110 --> 00:07:25,840

slash magic it's like all this stuff

180

00:07:32,070 --> 00:07:29,120

uh like secret technology things that we

181

00:07:34,230 --> 00:07:32,080

as as a culture have been given by a a

182

00:07:36,870 --> 00:07:34,240

higher race or a species

183

00:07:38,150 --> 00:07:36,880

have that be an alien or or or a

184

00:07:41,029 --> 00:07:38,160

celestial

185

00:07:43,909 --> 00:07:41,039

being of sort uh you know like

186

00:07:46,309 --> 00:07:43,919

gods in a sense and then the pine cone

187

00:07:48,070 --> 00:07:46,319

represents the infinite wand and that

188

00:07:50,629 --> 00:07:48,080

word just like i was just typing [h__h]

189

00:07:51,670 --> 00:07:50,639

like oh what can i say

190

00:07:53,189 --> 00:07:51,680

that makes

191

00:07:55,510 --> 00:07:53,199

like trying to think of a word that

192

00:07:57,189 --> 00:07:55,520

described what i was

193

00:07:59,189 --> 00:07:57,199

thinking about and the only words that

194

00:08:01,110 --> 00:07:59,199

came in to my head were like infinite

195

00:08:02,790 --> 00:08:01,120

wand speaking to like the fibonacci

196

00:08:04,869 --> 00:08:02,800

sequence and like the golden golden

197

00:08:07,270 --> 00:08:04,879

ratio within if you look at like a pine

198

00:08:09,029 --> 00:08:07,280

cone from from above and stuff but i

199

00:08:11,270 --> 00:08:09,039

mean that that's pretty much it and uh

200

00:08:13,189 --> 00:08:11,280

we got some really good replies um

201
00:08:15,110 --> 00:08:13,199
that i wanted to kind of share and go

202
00:08:17,270 --> 00:08:15,120
through so like does anybody know any

203
00:08:19,029 --> 00:08:17,280
anunnakis down there

204
00:08:21,749 --> 00:08:19,039
because there's always one that's like i

205
00:08:23,909 --> 00:08:21,759
met an anunnaki

206
00:08:26,070 --> 00:08:23,919
dude surprisingly not no one has said no

207
00:08:29,830 --> 00:08:26,080
one said that they had met one but when

208
00:08:33,589 --> 00:08:32,389
you might have how the hell do we know i

209
00:08:36,469 --> 00:08:33,599
didn't know

210
00:08:39,029 --> 00:08:36,479
at an impressionable age man

211
00:08:40,389 --> 00:08:39,039
they were tall

212
00:08:44,389 --> 00:08:40,399
what do they look like i wonder what

213
00:08:46,230 --> 00:08:44,399

kind of skin they had it was like blue

214

00:08:50,230 --> 00:08:46,240

maybe it was like black skin

215

00:08:51,430 --> 00:08:50,240

yeah maybe like you know i don't know

216

00:08:53,590 --> 00:08:51,440

i don't know

217

00:08:55,350 --> 00:08:53,600

i i feel like the color of the of the

218

00:08:58,710 --> 00:08:55,360

skin is is like

219

00:09:00,150 --> 00:08:58,720

maybe equal or of the same shade as as

220

00:09:02,150 --> 00:09:00,160

the residents that live in that same

221

00:09:04,230 --> 00:09:02,160

area now i guess um

222

00:09:06,310 --> 00:09:04,240

and i did write some notes and it's in

223

00:09:08,630 --> 00:09:06,320

the mesopotamia area uh in between the

224

00:09:10,550 --> 00:09:08,640

tigers and euphrates modern-day iraq and

225

00:09:12,550 --> 00:09:10,560

kuwait boom

226

00:09:13,910 --> 00:09:12,560

so yeah i mean like there's probably

227

00:09:15,509 --> 00:09:13,920

there's all kinds of shades even white

228

00:09:17,509 --> 00:09:15,519

people have like different shades or

229

00:09:18,790 --> 00:09:17,519

black people have different shades and

230

00:09:21,509 --> 00:09:18,800

it's just yeah

231

00:09:24,310 --> 00:09:21,519

but i i i think it's uh but i'm

232

00:09:26,230 --> 00:09:24,320

wondering if like

233

00:09:27,269 --> 00:09:26,240

i i get that that's like

234

00:09:29,990 --> 00:09:27,279

the

235

00:09:32,150 --> 00:09:30,000

quote unquote dawn of civilization right

236

00:09:33,110 --> 00:09:32,160

like yeah like the cradle of

237

00:09:35,030 --> 00:09:33,120

like

238

00:09:36,710 --> 00:09:35,040

if if if

239

00:09:38,630 --> 00:09:36,720

i'm sure there was traitors going

240

00:09:41,110 --> 00:09:38,640

through there all the time

241

00:09:43,110 --> 00:09:41,120

you know uh

242

00:09:44,550 --> 00:09:43,120

for me i would wonder if that

243

00:09:46,389 --> 00:09:44,560

civilization

244

00:09:47,430 --> 00:09:46,399

were to like look at something and be

245

00:09:52,150 --> 00:09:47,440

like

246

00:09:52,949 --> 00:09:52,160

they would or if this thing came down

247

00:10:06,310 --> 00:09:52,959

like

248

00:10:08,389 --> 00:10:06,320

they paint their bodies in gold is that

249

00:10:11,030 --> 00:10:08,399

where the egyptians would get this from

250

00:10:13,030 --> 00:10:11,040

like what are like the like you know

251
00:10:15,430 --> 00:10:13,040
they were the ancients were emulating

252
00:10:17,509 --> 00:10:15,440
something and and for for these you know

253
00:10:19,670 --> 00:10:17,519
the sumerians the ancient sumerians to

254
00:10:22,069 --> 00:10:19,680
you know write about these these people

255
00:10:24,230 --> 00:10:22,079
that came from the sky you know it's

256
00:10:26,710 --> 00:10:24,240
it's hard to i'm sure back in the day

257
00:10:28,630 --> 00:10:26,720
they may have like painted like what

258
00:10:31,269 --> 00:10:28,640
color that these things were because a

259
00:10:33,350 --> 00:10:31,279
lot of this stuff you know uh had color

260
00:10:34,870 --> 00:10:33,360
to it right yeah but it was only

261
00:10:36,630 --> 00:10:34,880
pigments that they could find usually in

262
00:10:38,630 --> 00:10:36,640
their regions or through trading so

263
00:10:41,190 --> 00:10:38,640

maybe sometimes they didn't have it but

264

00:10:44,949 --> 00:10:41,200

even if it was like a crystal

265

00:10:46,870 --> 00:10:44,959

a crystal uh being whose skin looked

266

00:10:49,110 --> 00:10:46,880

like shiny diamonds how would you

267

00:10:54,150 --> 00:10:49,120

portray that in like

268

00:10:58,710 --> 00:10:55,910

on a stone tablet or something sorry i

269

00:11:00,710 --> 00:10:58,720

unplugged my headphones

270

00:11:03,110 --> 00:11:00,720

how about

271

00:11:06,150 --> 00:11:03,120

i'm freaking out because somebody said

272

00:11:07,350 --> 00:11:06,160

a word that uh i didn't mean to say if i

273

00:11:09,430 --> 00:11:07,360

did

274

00:11:10,790 --> 00:11:09,440

what'd you say i don't know the r word

275

00:11:13,509 --> 00:11:10,800

was thrown around

276

00:11:16,470 --> 00:11:13,519

i mean did i say something

277

00:11:18,230 --> 00:11:16,480

the r word yeah what the [h__h] is the r

278

00:11:20,069 --> 00:11:18,240

word i don't know but it's bumming me

279

00:11:22,069 --> 00:11:20,079

out uh

280

00:11:23,269 --> 00:11:22,079

did i say something bad like

281

00:11:25,269 --> 00:11:23,279

when

282

00:11:28,310 --> 00:11:25,279

oh in in our chat room

283

00:11:30,389 --> 00:11:28,320

no just on twitter it's on the podcast

284

00:11:32,069 --> 00:11:30,399

oh in general oh dude i don't know i

285

00:11:34,550 --> 00:11:32,079

mean somebody got mad last week because

286

00:11:36,710 --> 00:11:34,560

we said gay ants like who cares

287

00:11:37,750 --> 00:11:36,720

[h__h] nobody gets mad over gay ants

288

00:11:38,389 --> 00:11:37,760

what

289

00:11:40,389 --> 00:11:38,399

it's

290

00:11:42,389 --> 00:11:40,399

a joke i was talking about how different

291

00:11:44,150 --> 00:11:42,399

people have different shades of skin how

292

00:11:47,030 --> 00:11:44,160

is that how is that racist i don't

293

00:11:52,389 --> 00:11:50,710

he's joking no worries okay

294

00:11:53,910 --> 00:11:52,399

don't overthink it man but what i mean

295

00:11:55,430 --> 00:11:53,920

what do you what do you think about that

296

00:11:57,509 --> 00:11:55,440

you think it's just

297

00:12:00,069 --> 00:11:57,519

like

298

00:12:01,910 --> 00:12:00,079

they they drew what they saw you know

299

00:12:04,710 --> 00:12:01,920

was it just wings and pine cones and

300

00:12:06,310 --> 00:12:04,720

purses like like can you imagine if

301
00:12:08,710 --> 00:12:06,320
something showed up

302
00:12:10,629 --> 00:12:08,720
like you saw it and you're like

303
00:12:12,230 --> 00:12:10,639
what is that guy wearing a purse for and

304
00:12:13,990 --> 00:12:12,240
why is he carrying around these pine

305
00:12:15,030 --> 00:12:14,000
cones like

306
00:12:16,870 --> 00:12:15,040
and like

307
00:12:18,949 --> 00:12:16,880
like even then like aren't pine cones

308
00:12:20,949 --> 00:12:18,959
like i mean that's very terrestrial you

309
00:12:24,150 --> 00:12:20,959
know that's very earthy

310
00:12:25,590 --> 00:12:24,160
you know a pine cone is like

311
00:12:26,870 --> 00:12:25,600
i don't know there's got to be something

312
00:12:28,949 --> 00:12:26,880
to that pine cone like the

313
00:12:30,870 --> 00:12:28,959

representation of it because for for man

314

00:12:34,389 --> 00:12:30,880

to represent whatever he was actually

315

00:12:36,550 --> 00:12:34,399

holding as a pine cone that's got to be

316

00:12:39,190 --> 00:12:36,560

that's got to be misidentification right

317

00:12:41,350 --> 00:12:39,200

i mean an anunnaki did not land on earth

318

00:12:43,670 --> 00:12:41,360

and and pull a pine cone out of the

319

00:12:45,829 --> 00:12:43,680

purse it just didn't happen right it

320

00:12:48,310 --> 00:12:45,839

just didn't happen

321

00:12:50,629 --> 00:12:48,320

like what that representation is

322

00:12:54,150 --> 00:12:50,639

there is a uh someone posted something

323

00:12:55,990 --> 00:12:54,160

really funny uh they said uh jesus um

324

00:12:57,430 --> 00:12:56,000

they said what if they're just uh

325

00:12:59,110 --> 00:12:57,440

they're they're literally just like

326
00:13:00,790 --> 00:12:59,120
going around picking pine cones up and

327
00:13:01,990 --> 00:13:00,800
putting them in their purse

328
00:13:04,069 --> 00:13:02,000
yeah

329
00:13:06,069 --> 00:13:04,079
oh here we go yes

330
00:13:07,990 --> 00:13:06,079
shane shifty said perhaps they just

331
00:13:09,750 --> 00:13:08,000
liked collecting pine cones and putting

332
00:13:10,870 --> 00:13:09,760
them in their purse

333
00:13:11,590 --> 00:13:10,880
yeah dude

334
00:13:15,509 --> 00:13:11,600
or

335
00:13:17,110 --> 00:13:15,519
maybe it's like a representation right

336
00:13:25,910 --> 00:13:17,120
like

337
00:13:28,470 --> 00:13:25,920
that [h__h] will grow into a tree

338
00:13:29,350 --> 00:13:28,480

yeah you know the seeds fall off yeah

339

00:13:36,150 --> 00:13:29,360

like

340

00:13:37,750 --> 00:13:36,160

it's literally just a pine cone and

341

00:13:40,949 --> 00:13:37,760

they're like they have it's it's like

342

00:13:42,389 --> 00:13:40,959

pine cones are seeds um and i it made me

343

00:13:45,189 --> 00:13:42,399

think like when was the last time there

344

00:13:47,590 --> 00:13:45,199

were pine forests in that area

345

00:13:49,910 --> 00:13:47,600

and i don't know i looked up the type or

346

00:13:51,750 --> 00:13:49,920

topography the the flora fauna whatever

347

00:13:53,829 --> 00:13:51,760

uh in that area and i didn't see

348

00:13:55,509 --> 00:13:53,839

anything about pine trees but pine trees

349

00:13:57,430 --> 00:13:55,519

would be like a very

350

00:13:59,110 --> 00:13:57,440

a very sturdy source of wood they grow

351

00:14:01,110 --> 00:13:59,120

fast that's pretty strong wood right

352

00:14:04,150 --> 00:14:01,120

it's not like a super hard wood but and

353

00:14:06,069 --> 00:14:04,160

it's very sappy yeah yeah

354

00:14:07,910 --> 00:14:06,079

so i wonder like if like where did they

355

00:14:10,310 --> 00:14:07,920

even get that pine cone from did it grow

356

00:14:11,430 --> 00:14:10,320

in the area like what

357

00:14:13,910 --> 00:14:11,440

i don't know have you ever thought about

358

00:14:15,430 --> 00:14:13,920

that yeah well yeah as we were getting

359

00:14:17,110 --> 00:14:15,440

into that conversation i started

360

00:14:19,590 --> 00:14:17,120

thinking were there [h__h] pine cons

361

00:14:21,670 --> 00:14:19,600

back then in that day but

362

00:14:23,750 --> 00:14:21,680

the climate was different it's possible

363

00:14:25,990 --> 00:14:23,760

i mean if egypt wasn't like this [h__\h]

364

00:14:28,069 --> 00:14:26,000

desert that it is today right or like

365

00:14:30,550 --> 00:14:28,079

i'm saying egypt again but like just

366

00:14:32,069 --> 00:14:30,560

that area in general was like a

367

00:14:34,790 --> 00:14:32,079

flourishing

368

00:14:37,509 --> 00:14:34,800

jungle right i mean there was grass and

369

00:14:39,590 --> 00:14:37,519

trees and stuff everywhere at the time

370

00:14:42,310 --> 00:14:39,600

but i i wonder if it would have still

371

00:14:43,990 --> 00:14:42,320

held some sort of tropical type of

372

00:14:45,829 --> 00:14:44,000

climate which just means that like those

373

00:14:47,990 --> 00:14:45,839

trees just won't

374

00:14:49,110 --> 00:14:48,000

you know they're different you know they

375

00:14:52,629 --> 00:14:49,120

may grow

376

00:14:57,110 --> 00:14:52,639

they may be like a different type of

377

00:14:59,750 --> 00:14:58,790

[h__h] i don't know

378

00:15:01,030 --> 00:14:59,760

yeah

379

00:15:03,430 --> 00:15:01,040

i'm still thinking about that thing it's

380

00:15:05,350 --> 00:15:03,440

[h__h] me up yeah i'm sorry man

381

00:15:07,110 --> 00:15:05,360

the longest conversation on the pinecone

382

00:15:08,069 --> 00:15:07,120

heaven

383

00:15:10,150 --> 00:15:08,079

uh

384

00:15:11,269 --> 00:15:10,160

yeah i feel like yeah

385

00:15:12,470 --> 00:15:11,279

um

386

00:15:13,750 --> 00:15:12,480

uh so

387

00:15:14,949 --> 00:15:13,760

[h__h] uh

388

00:15:17,269 --> 00:15:14,959

there was some other cool [\h__\h] about

389

00:15:18,550 --> 00:15:17,279

that that's all i got man um

390

00:15:19,829 --> 00:15:18,560

yeah that was it

391

00:15:24,629 --> 00:15:19,839

i mean there's some cool there's some

392

00:15:26,710 --> 00:15:24,639

cool uh uh replies here uh

393

00:15:28,230 --> 00:15:26,720

uh let's see

394

00:15:30,310 --> 00:15:28,240

turning around the picture it looks like

395

00:15:32,870 --> 00:15:30,320

a little team of characters with flower

396

00:15:35,670 --> 00:15:32,880

heads assisting on the chain of creation

397

00:15:38,069 --> 00:15:35,680

hands hand in hand which is like a kind

398

00:15:39,829 --> 00:15:38,079

of like a a flower relief it almost does

399

00:15:41,189 --> 00:15:39,839

look like people like with flower heads

400

00:15:42,870 --> 00:15:41,199

holding hands kind of like dancing

401
00:15:45,590 --> 00:15:42,880
around and stuff i thought that was kind

402
00:15:47,189 --> 00:15:45,600
of cool it does ready for the t thank

403
00:15:49,670 --> 00:15:47,199
you for that that zoom in here and

404
00:15:51,829 --> 00:15:49,680
there's like a zoom in on like the tools

405
00:15:54,069 --> 00:15:51,839
uh there's there's so much detail with

406
00:15:56,710 --> 00:15:54,079
it so like who who was this person who

407
00:15:59,509 --> 00:15:56,720
were they trying to depict was it a

408
00:16:01,269 --> 00:15:59,519
a god is like the anunnaki aren't like

409
00:16:03,110 --> 00:16:01,279
like a real people they were

410
00:16:06,550 --> 00:16:03,120
uh apparently the

411
00:16:09,189 --> 00:16:06,560
the gods that the uh uh the ancient

412
00:16:11,509 --> 00:16:09,199
ancient assyrians and the acadians and

413
00:16:13,910 --> 00:16:11,519

the sumerians and the babylonians that's

414

00:16:17,030 --> 00:16:13,920

like these gods that they worshipped uh

415

00:16:19,110 --> 00:16:17,040

so they try to depict like how they help

416

00:16:20,629 --> 00:16:19,120

their civilization with different things

417

00:16:22,389 --> 00:16:20,639

um so

418

00:16:25,430 --> 00:16:22,399

a lot of this stuff is like it's so

419

00:16:27,670 --> 00:16:25,440

subjective and and you can uh

420

00:16:29,030 --> 00:16:27,680

uh pontificate on little details like

421

00:16:31,110 --> 00:16:29,040

this that's why that's why it's fun

422

00:16:32,949 --> 00:16:31,120

because we still don't know even the

423

00:16:35,430 --> 00:16:32,959

ancient egyptians their language was

424

00:16:38,470 --> 00:16:35,440

basically like emojis it was like

425

00:16:40,230 --> 00:16:38,480

uh sending out a little uh it wasn't

426

00:16:43,749 --> 00:16:40,240

actual words cuneiform which was an

427

00:16:48,230 --> 00:16:45,670

communication was more like a sentence

428

00:16:50,069 --> 00:16:48,240

structure like we have but like egyptian

429

00:16:52,629 --> 00:16:50,079

uh release and stuff like that's that

430

00:16:55,509 --> 00:16:52,639

was more like okay this symbol that's a

431

00:16:57,670 --> 00:16:55,519

bird means this and then combined with

432

00:16:59,590 --> 00:16:57,680

this other symbol it means something

433

00:17:01,350 --> 00:16:59,600

completely different so

434

00:17:03,189 --> 00:17:01,360

everything when you look at it it's like

435

00:17:06,150 --> 00:17:03,199

it's totally symbolic that's why i love

436

00:17:08,390 --> 00:17:06,160

like that we don't know 100 what

437

00:17:11,829 --> 00:17:08,400

everything means even like the the the

438

00:17:14,309 --> 00:17:11,839

foremost expert on egyptology and the

439

00:17:15,750 --> 00:17:14,319

language like we could take yeah take

440

00:17:16,949 --> 00:17:15,760

his word for it

441

00:17:18,789 --> 00:17:16,959

yeah but it's still up for

442

00:17:21,189 --> 00:17:18,799

interpretation i think

443

00:17:23,510 --> 00:17:21,199

well 509 is saying pine cones were known

444

00:17:25,829 --> 00:17:23,520

to be vitality boosters

445

00:17:27,189 --> 00:17:25,839

they also were known to be ancestors of

446

00:17:29,750 --> 00:17:27,199

the pleiadians

447

00:17:31,590 --> 00:17:29,760

they used advanced technology to instill

448

00:17:34,070 --> 00:17:31,600

consciousness in the lower dimensional

449

00:17:35,510 --> 00:17:34,080

beings for enlightenment

450

00:17:37,830 --> 00:17:35,520

yeah

451
00:17:39,909 --> 00:17:37,840
so can you highlight that one which one

452
00:17:42,710 --> 00:17:39,919
uh yeah

453
00:17:44,630 --> 00:17:42,720
hell yeah where'd it go

454
00:17:47,110 --> 00:17:44,640
vitality boot is that the one you just

455
00:17:49,350 --> 00:17:47,120
read vitality boosters yeah

456
00:17:52,070 --> 00:17:49,360
boosters dude but

457
00:17:53,750 --> 00:17:52,080
even if that was the case right even if

458
00:17:55,990 --> 00:17:53,760
that's the case

459
00:17:59,590 --> 00:17:56,000
are they

460
00:18:01,830 --> 00:17:59,600
nibiru

461
00:18:04,390 --> 00:18:01,840
like did they show up with these pine

462
00:18:07,590 --> 00:18:04,400
cones is that where we got the pine cone

463
00:18:08,630 --> 00:18:07,600

from like did they bring this tree this

464

00:18:10,390 --> 00:18:08,640

seed

465

00:18:12,310 --> 00:18:10,400

um from their planet and it just so

466

00:18:13,750 --> 00:18:12,320

happened to grow here

467

00:18:15,350 --> 00:18:13,760

or did they get here and they were like

468

00:18:17,029 --> 00:18:15,360

ah [h__h]

469

00:18:18,549 --> 00:18:17,039

grab that pine cone let's go show these

470

00:18:20,390 --> 00:18:18,559

people some [h__h] you know what i'm

471

00:18:23,029 --> 00:18:20,400

saying like and it just so happened the

472

00:18:25,669 --> 00:18:23,039

pine cone was the interpretation of of

473

00:18:27,669 --> 00:18:25,679

of like this hidden knowledge

474

00:18:29,510 --> 00:18:27,679

or because i think this all the time

475

00:18:31,909 --> 00:18:29,520

dude certain animals and plants and

476

00:18:34,950 --> 00:18:31,919

things like that like

477

00:18:37,190 --> 00:18:34,960

are they even from here dude you know

478

00:18:40,870 --> 00:18:37,200

dude i've never thought about that what

479

00:18:42,470 --> 00:18:40,880

if pine trees are from a different

480

00:18:45,190 --> 00:18:42,480

freaking

481

00:18:47,190 --> 00:18:45,200

planet yeah and then just through years

482

00:18:50,390 --> 00:18:47,200

and years of evolution they they evolved

483

00:18:51,750 --> 00:18:50,400

into what they are today but

484

00:18:56,070 --> 00:18:51,760

they could

485

00:18:57,830 --> 00:18:56,080

different thing back in the day you know

486

00:18:59,029 --> 00:18:57,840

yeah

487

00:19:00,870 --> 00:18:59,039

dude

488

00:19:02,710 --> 00:19:00,880

love that

489

00:19:04,310 --> 00:19:02,720

yeah so what do you think about that

490

00:19:07,830 --> 00:19:04,320

though like

491

00:19:13,190 --> 00:19:11,669

planet nibiru uh planet x like how do

492

00:19:14,950 --> 00:19:13,200

you how do you feel about that it's

493

00:19:16,310 --> 00:19:14,960

supposed to be coming around pretty soon

494

00:19:17,430 --> 00:19:16,320

again right

495

00:19:19,270 --> 00:19:17,440

yeah i mean

496

00:19:20,230 --> 00:19:19,280

they're that's one of the uh the planets

497

00:19:23,110 --> 00:19:20,240

that they

498

00:19:25,590 --> 00:19:23,120

the uh ancient uh sumerians and acadians

499

00:19:27,750 --> 00:19:25,600

and the uh you know the babylonians that

500

00:19:30,150 --> 00:19:27,760

that's what these anunnaki gods were

501
00:19:32,549 --> 00:19:30,160
like named after were planets that they

502
00:19:35,350 --> 00:19:32,559
knew of and anu

503
00:19:37,190 --> 00:19:35,360
was was one of the gods which was one of

504
00:19:39,029 --> 00:19:37,200
which was a planet but

505
00:19:41,909 --> 00:19:39,039
i'm still unclear on which one which

506
00:19:43,830 --> 00:19:41,919
planet they're referring to is anu

507
00:19:45,590 --> 00:19:43,840
and maybe that might be something i just

508
00:19:48,470 --> 00:19:45,600
completely dumb about that i don't know

509
00:19:50,390 --> 00:19:48,480
like oh that mean that meant jupiter or

510
00:19:52,789 --> 00:19:50,400
or something but

511
00:19:54,789 --> 00:19:52,799
could it mean uh

512
00:19:56,870 --> 00:19:54,799
nibiru or wasn't

513
00:19:59,110 --> 00:19:56,880

maybe maybe i'm saying the wrong one

514

00:20:00,789 --> 00:19:59,120

or something yeah nibiru

515

00:20:02,230 --> 00:20:00,799

yeah but i i think one of their gods was

516

00:20:03,990 --> 00:20:02,240

actually named like

517

00:20:09,380 --> 00:20:04,000

nubu or something like that like you

518

00:20:15,350 --> 00:20:12,470

[Music]

519

00:20:17,029 --> 00:20:15,360

no that wasn't i don't know dude

520

00:20:18,710 --> 00:20:17,039

all these dudes look the same they're

521

00:20:21,110 --> 00:20:18,720

all like especially when they're all

522

00:20:24,390 --> 00:20:21,120

carved on rocks i can never tell anymore

523

00:20:28,390 --> 00:20:26,470

yeah and it sucks like uh

524

00:20:29,830 --> 00:20:28,400

jimmy from bright insight he i mean he

525

00:20:31,029 --> 00:20:29,840

he's got a great show if y'all haven't

526

00:20:33,270 --> 00:20:31,039

seen that y'all should check it out but

527

00:20:35,750 --> 00:20:33,280

he uh uh

528

00:20:36,470 --> 00:20:35,760

he was in the military and witnessed

529

00:20:39,029 --> 00:20:36,480

like

530

00:20:41,430 --> 00:20:39,039

the the cultures in in

531

00:20:43,430 --> 00:20:41,440

present time like they just destroyed

532

00:20:45,909 --> 00:20:43,440

all of these statues and like even

533

00:20:47,430 --> 00:20:45,919

museums those like all the stuff we have

534

00:20:49,029 --> 00:20:47,440

photos of the stuff

535

00:20:51,750 --> 00:20:49,039

a lot of it doesn't exist anymore which

536

00:20:54,149 --> 00:20:51,760

really yeah sucks yeah he's also on the

537

00:20:55,990 --> 00:20:54,159

uh jimmy was on uh joe rogan recently

538

00:21:00,070 --> 00:20:56,000

which it was an awesome interview by the

539

00:21:06,549 --> 00:21:01,909

yeah i love those things i mean they

540

00:21:16,390 --> 00:21:11,669

it's it's so it's so fascinating like

541

00:21:21,350 --> 00:21:18,070

well you don't see but like you hear

542

00:21:23,270 --> 00:21:21,360

about like then like humans right like

543

00:21:25,029 --> 00:21:23,280

these kings and stuff they have like

544

00:21:27,350 --> 00:21:25,039

these mighty beards and like they

545

00:21:30,789 --> 00:21:27,360

emulate these guys you know

546

00:21:31,909 --> 00:21:30,799

yeah it seems like they all

547

00:21:35,510 --> 00:21:31,919

i don't really know where i'm going with

548

00:21:38,070 --> 00:21:35,520

that but you know what i'm saying like

549

00:21:40,789 --> 00:21:38,080

yeah i mean it's

550

00:21:44,870 --> 00:21:43,430

the smart people of those days they saw

551
00:21:45,909 --> 00:21:44,880
they they made

552
00:21:48,549 --> 00:21:45,919
uh

553
00:21:49,750 --> 00:21:48,559
their history books in stone so whatever

554
00:21:51,590 --> 00:21:49,760
they saw whatever they talked about

555
00:21:53,029 --> 00:21:51,600
whatever was important

556
00:21:55,029 --> 00:21:53,039
they didn't just write it on a piece of

557
00:21:56,950 --> 00:21:55,039
paper or put it in the cloud they made

558
00:21:58,549 --> 00:21:56,960
it in a freaking stone dude

559
00:22:00,470 --> 00:21:58,559
that's why we still know about it so

560
00:22:02,070 --> 00:22:00,480
we're still like imagine the the artist

561
00:22:04,230 --> 00:22:02,080
that did those statues that chiseled

562
00:22:07,510 --> 00:22:04,240
those statues thousands of thousands

563
00:22:10,390 --> 00:22:07,520

thousands of years ago yeah do you think

564

00:22:12,470 --> 00:22:10,400

he ever knew that like we'd one day be

565

00:22:14,310 --> 00:22:12,480

talking about this communicating

566

00:22:15,669 --> 00:22:14,320

about this through the internet asking

567

00:22:18,390 --> 00:22:15,679

ourselves like

568

00:22:19,590 --> 00:22:18,400

what does it mean though

569

00:22:21,430 --> 00:22:19,600

i'm sure

570

00:22:24,950 --> 00:22:21,440

whoever did that

571

00:22:27,909 --> 00:22:24,960

probably had the thought

572

00:22:29,110 --> 00:22:27,919

the kings are gonna are gonna uh save

573

00:22:31,430 --> 00:22:29,120

this for

574

00:22:33,110 --> 00:22:31,440

for the for the rest of eternity and

575

00:22:34,710 --> 00:22:33,120

people will read this for the rest of my

576

00:22:37,990 --> 00:22:34,720

life right

577

00:22:39,110 --> 00:22:38,000

because information is it was so like

578

00:22:41,590 --> 00:22:39,120

rare

579

00:22:43,750 --> 00:22:41,600

back then that like that was like

580

00:22:45,990 --> 00:22:43,760

a treasure to people back in the day if

581

00:22:47,830 --> 00:22:46,000

you had a tablet or something to read or

582

00:22:51,110 --> 00:22:47,840

something of value like that

583

00:22:53,270 --> 00:22:51,120

that [h__h] was like high commodity now

584

00:22:55,190 --> 00:22:53,280

i write something i don't even think

585

00:22:56,630 --> 00:22:55,200

somebody's gonna see it

586

00:22:58,470 --> 00:22:56,640

20 years down the road you know what i'm

587

00:23:00,789 --> 00:22:58,480

saying yeah like just the amount of

588

00:23:02,710 --> 00:23:00,799

information coming out you know yeah

589

00:23:03,669 --> 00:23:02,720

like when like when like monks and stuff

590

00:23:05,750 --> 00:23:03,679

were like

591

00:23:07,909 --> 00:23:05,760

writing bibles and scriptures and [h__\h]

592

00:23:09,830 --> 00:23:07,919

they were like [h__\h] this is holy i can't

593

00:23:11,830 --> 00:23:09,840

believe i'm like one of eight people in

594

00:23:13,270 --> 00:23:11,840

this entire country that knows how to do

595

00:23:16,630 --> 00:23:13,280

this you know

596

00:23:17,830 --> 00:23:16,640

right nobody knew how to read or write

597

00:23:19,270 --> 00:23:17,840

you know

598

00:23:22,230 --> 00:23:19,280

they were just barely learning how to

599

00:23:23,990 --> 00:23:22,240

make sounds

600

00:23:25,590 --> 00:23:24,000

yeah but i could be completely wrong

601

00:23:27,029 --> 00:23:25,600

that could be just the jaded history

602

00:23:29,190 --> 00:23:27,039

that we're taught right i mean these

603

00:23:31,430 --> 00:23:29,200

guys [h__h] could have been an advanced

604

00:23:33,510 --> 00:23:31,440

civilization with flying machines that

605

00:23:35,350 --> 00:23:33,520

knew about the aliens and the stars and

606

00:23:36,789 --> 00:23:35,360

they put the pyramids together or the

607

00:23:38,390 --> 00:23:36,799

[h__h] perfect

608

00:23:39,350 --> 00:23:38,400

you know placement on the earth because

609

00:23:44,149 --> 00:23:39,360

they knew

610

00:23:45,990 --> 00:23:44,159

you know aliens and [h__h] like you know

611

00:23:48,310 --> 00:23:46,000

it could go that way too

612

00:23:50,789 --> 00:23:48,320

because it could be that the aliens

613

00:23:53,669 --> 00:23:50,799

weren't even there that that we were the

614

00:23:55,669 --> 00:23:53,679

aliens we did have the technology and we

615

00:23:57,510 --> 00:23:55,679

just lost it

616

00:24:00,549 --> 00:23:57,520

yeah

617

00:24:03,510 --> 00:24:00,559

i love it i love that

618

00:24:05,590 --> 00:24:03,520

that's so much oh man

619

00:24:07,269 --> 00:24:05,600

dude i want to say thanks uh today

620

00:24:08,870 --> 00:24:07,279

spaced out radio thank you so much uh

621

00:24:09,830 --> 00:24:08,880

this is he said this is for the vegas

622

00:24:12,630 --> 00:24:09,840

fun

623

00:24:14,950 --> 00:24:12,640

it's for the vegas one yes hell yeah

624

00:24:16,710 --> 00:24:14,960

hello thanks dave

625

00:24:21,110 --> 00:24:16,720

hell yeah dave i'm gonna need a little

626

00:24:26,710 --> 00:24:25,510

mr crowley thank you so much bro oh yeah

627

00:24:27,830 --> 00:24:26,720

hell yeah dude

628

00:24:28,549 --> 00:24:27,840

love it

629

00:24:30,789 --> 00:24:28,559

so

630

00:24:32,470 --> 00:24:30,799

uh what else you got on this annunaki

631

00:24:35,750 --> 00:24:32,480

stuff man

632

00:24:36,870 --> 00:24:35,760

i mean that's pretty much it i feel like

633

00:24:38,630 --> 00:24:36,880

i'm going to scrap this episode because

634

00:24:40,630 --> 00:24:38,640

i [h__h] up at the beginning i feel like

635

00:24:43,669 --> 00:24:40,640

i said something offensive and now i'm

636

00:24:46,230 --> 00:24:43,679

like i'm totally way overthinking it and

637

00:24:48,390 --> 00:24:46,240

uh yeah i think i don't think you said

638

00:24:51,590 --> 00:24:48,400

it i'm gonna defensive it's only gonna

639

00:24:53,510 --> 00:24:51,600

be live i'm i just i we said some [h__h]

640

00:24:55,669 --> 00:24:53,520

last week that we couldn't like we

641

00:24:56,950 --> 00:24:55,679

didn't even it wasn't even bad

642

00:24:59,029 --> 00:24:56,960

so [h__h] it

643

00:25:00,710 --> 00:24:59,039

what it dude it eats at me it really

644

00:25:02,310 --> 00:25:00,720

sucks and it really ruins my entire week

645

00:25:04,149 --> 00:25:02,320

so like i just

646

00:25:05,669 --> 00:25:04,159

can't i can't i can't cost the stress so

647

00:25:07,669 --> 00:25:05,679

we got to start over on thursday i'm

648

00:25:08,710 --> 00:25:07,679

just i'm just being honest with you

649

00:25:09,750 --> 00:25:08,720

well

650

00:25:11,909 --> 00:25:09,760

i mean

651
00:25:13,669 --> 00:25:11,919
do i even even need to waste my breath

652
00:25:14,549 --> 00:25:13,679
yeah we should just should just cut it

653
00:25:17,190 --> 00:25:14,559
yeah

654
00:25:19,590 --> 00:25:17,200
are you serious i mean i i'm sorry but

655
00:25:21,430 --> 00:25:19,600
that's how i feel i just i feel like i

656
00:25:23,430 --> 00:25:21,440
said something defensive and some some

657
00:25:25,110 --> 00:25:23,440
people might take it the wrong way so

658
00:25:26,950 --> 00:25:25,120
yeah it's just it's [h__h] it's messing

659
00:25:29,190 --> 00:25:26,960
with you yeah but you're always gonna

660
00:25:31,830 --> 00:25:29,200
say something offensive and somebody's

661
00:25:33,990 --> 00:25:31,840
always gonna have a problem with it yeah

662
00:25:35,909 --> 00:25:34,000
oh well but

663
00:25:37,750 --> 00:25:35,919

if they wanna say what they wanna say

664

00:25:39,590 --> 00:25:37,760

they can make their own show and say

665

00:25:43,110 --> 00:25:39,600

what they wanna say on their own [h__h]

666

00:25:47,110 --> 00:25:44,789

people don't listen to us because we

667

00:25:49,110 --> 00:25:47,120

care about what we say obviously that

668

00:25:52,070 --> 00:25:49,120

has has not been the thing for the past

669

00:25:54,149 --> 00:25:52,080

two years let's let's go uh chat room i

670

00:25:56,789 --> 00:25:54,159

need a little help here all right

671

00:25:58,470 --> 00:25:56,799

i i gotta i gotta do this

672

00:26:03,029 --> 00:25:58,480

you know i gotta look at that look at

673

00:26:06,950 --> 00:26:05,190

well i appreciate the love guys

674

00:26:08,950 --> 00:26:06,960

i don't even know i didn't even hear

675

00:26:11,750 --> 00:26:08,960

what you said

676
00:26:13,830 --> 00:26:11,760
the r word was the r word was was thrown

677
00:26:15,510 --> 00:26:13,840
out and i i just don't really remember

678
00:26:18,149 --> 00:26:15,520
exactly what i said there was no intent

679
00:26:21,029 --> 00:26:18,159
are you sure you said it

680
00:26:23,110 --> 00:26:21,039
i mean you started it but like i like i

681
00:26:24,789 --> 00:26:23,120
made it exactly like we did last week

682
00:26:28,149 --> 00:26:24,799
where you said something and i made it

683
00:26:30,230 --> 00:26:28,159
worse by explaining it explaining it

684
00:26:32,630 --> 00:26:30,240
that's what i do i was gonna i was

685
00:26:35,510 --> 00:26:32,640
trying to be a good guy and then like

686
00:26:37,350 --> 00:26:35,520
[h__h] him i was gonna say that

687
00:26:39,750 --> 00:26:37,360
i was like you know usually i'll just

688
00:26:41,590 --> 00:26:39,760

say things it'll fly under the radar

689

00:26:43,530 --> 00:26:41,600

but i just need to just let it go and

690

00:26:45,590 --> 00:26:43,540

you gotta unpack it for five minutes

691

00:26:48,310 --> 00:26:45,600

[Laughter]

692

00:26:49,990 --> 00:26:48,320

i just make it worse let's make it work

693

00:26:52,470 --> 00:26:50,000

so this one will go to the books as just

694

00:26:56,070 --> 00:26:52,480

a live episode never before never like

695

00:26:59,909 --> 00:26:56,080

after scene like last week

696

00:27:04,149 --> 00:27:01,669

you were like well i was like there's

697

00:27:07,350 --> 00:27:04,159

nothing wrong with being a gay aunt let

698

00:27:09,350 --> 00:27:07,360

me just say that if you weren't aunt and

699

00:27:11,669 --> 00:27:09,360

you were gay there's no worry about that

700

00:27:14,710 --> 00:27:11,679

it's totally okay fine

701
00:27:16,870 --> 00:27:14,720
love love is love you know what dude

702
00:27:21,029 --> 00:27:16,880
we're gonna keep going with this episode

703
00:27:22,630 --> 00:27:21,039
it doesn't even matter dude the

704
00:27:24,549 --> 00:27:22,640
okay

705
00:27:28,310 --> 00:27:24,559
i got another r word for you guys and

706
00:27:29,990 --> 00:27:28,320
it's called remote viewing all right

707
00:27:31,029 --> 00:27:30,000
remote viewing dude

708
00:27:33,190 --> 00:27:31,039
uh

709
00:27:35,269 --> 00:27:33,200
what does that mean bro remote viewing

710
00:27:36,310 --> 00:27:35,279
yeah what does that mean

711
00:27:39,590 --> 00:27:36,320
viewing

712
00:27:41,750 --> 00:27:39,600
from a distance oh [h__\h] all right dude

713
00:27:43,750 --> 00:27:41,760

remote viewing as there's a couple

714

00:27:46,070 --> 00:27:43,760

things you know along with this remote

715

00:27:48,230 --> 00:27:46,080

viewing you know the people people seem

716

00:27:49,990 --> 00:27:48,240

to have like i wouldn't say the wrong

717

00:27:53,750 --> 00:27:50,000

idea i think maybe it's just not you

718

00:27:56,149 --> 00:27:53,760

know really explained very well um at

719

00:27:58,870 --> 00:27:56,159

times and people just think it's like um

720

00:28:01,590 --> 00:27:58,880

some like weird psychic [h__h] right like

721

00:28:03,350 --> 00:28:01,600

psychic it's it's psychic

722

00:28:05,830 --> 00:28:03,360

and psychic is a whole nother thing

723

00:28:07,510 --> 00:28:05,840

right because psychic is a thing yes but

724

00:28:09,990 --> 00:28:07,520

there's there's multiple different

725

00:28:12,950 --> 00:28:10,000

things that like a psychic does it's not

726

00:28:15,669 --> 00:28:12,960

just like oh i can tell the future in a

727

00:28:17,190 --> 00:28:15,679

crystal ball right and everybody has a

728

00:28:20,789 --> 00:28:17,200

different level

729

00:28:22,710 --> 00:28:20,799

of psychic abilities you know and and

730

00:28:24,389 --> 00:28:22,720

even if if you're like how about that

731

00:28:27,110 --> 00:28:24,399

phone's about to ring and then it rings

732

00:28:28,389 --> 00:28:27,120

oh [h__h] dude that's a psychic ability

733

00:28:30,470 --> 00:28:28,399

you know like you could be thinking

734

00:28:33,430 --> 00:28:30,480

about somebody and then they call you or

735

00:28:35,190 --> 00:28:33,440

or you know just little things you know

736

00:28:36,710 --> 00:28:35,200

um so when we're talking about remote

737

00:28:39,110 --> 00:28:36,720

viewing

738

00:28:40,950 --> 00:28:39,120

um it's been said by some

739

00:28:45,190 --> 00:28:40,960

that this has been

740

00:28:47,750 --> 00:28:45,200

uh confirmed enough by enough people

741

00:28:50,310 --> 00:28:47,760

that we should stop wasting our time on

742

00:28:52,389 --> 00:28:50,320

trying to prove um

743

00:28:54,789 --> 00:28:52,399

the reality of it right we should stop

744

00:28:56,149 --> 00:28:54,799

trying to prove that it's real and move

745

00:28:58,230 --> 00:28:56,159

on

746

00:28:59,830 --> 00:28:58,240

right and this is from this is from

747

00:29:01,669 --> 00:28:59,840

people in the science community

748

00:29:03,029 --> 00:29:01,679

themselves you know there's a lot of

749

00:29:05,029 --> 00:29:03,039

people on the outside who are like oh

750

00:29:06,470 --> 00:29:05,039

yeah we need to look into remote viewing

751

00:29:08,870 --> 00:29:06,480

we need to we need to see what the

752

00:29:10,870 --> 00:29:08,880

science is and prove that you know prove

753

00:29:13,029 --> 00:29:10,880

this and prove that but

754

00:29:16,310 --> 00:29:13,039

there's been enough done that we've

755

00:29:20,310 --> 00:29:16,320

proved that remote viewing is is

756

00:29:21,110 --> 00:29:20,320

absolutely a thing right yeah so now

757

00:29:23,669 --> 00:29:21,120

even

758

00:29:25,669 --> 00:29:23,679

the alphabet later uh letter a agencies

759

00:29:28,230 --> 00:29:25,679

like the cia have have

760

00:29:29,990 --> 00:29:28,240

gone into this like specifically like

761

00:29:31,909 --> 00:29:30,000

taxpayer money on this [h__h] they know a

762

00:29:34,149 --> 00:29:31,919

lot about it right which is one of those

763

00:29:36,470 --> 00:29:34,159

things that happens it seems to happen

764

00:29:38,870 --> 00:29:36,480

uh you know in in the in the realm of

765

00:29:42,070 --> 00:29:38,880

science right it's like these guys

766

00:29:44,950 --> 00:29:42,080

um they realize [\h__\h] this is real okay

767

00:29:47,029 --> 00:29:44,960

so the people who understand that and

768

00:29:48,710 --> 00:29:47,039

are ready to move forward with the topic

769

00:29:51,590 --> 00:29:48,720

we're gonna hire them and we're gonna do

770

00:29:53,029 --> 00:29:51,600

this um knowing that we know that it's

771

00:29:54,470 --> 00:29:53,039

real we're gonna let the rest of the

772

00:29:57,510 --> 00:29:54,480

scientific community

773

00:29:59,990 --> 00:29:57,520

waste all 20 of their funding dollars by

774

00:30:02,870 --> 00:30:00,000

the government and uh to see if they can

775

00:30:05,190 --> 00:30:02,880

prove that it's real right so while

776

00:30:07,190 --> 00:30:05,200

these three letter agencies and special

777

00:30:08,630 --> 00:30:07,200

groups black projects already know it's

778

00:30:10,789 --> 00:30:08,640

real and they're running

779

00:30:12,389 --> 00:30:10,799

full steam ahead with it um the other

780

00:30:14,230 --> 00:30:12,399

people are still back here trying to

781

00:30:16,230 --> 00:30:14,240

prove that it's real right and they

782

00:30:18,230 --> 00:30:16,240

don't ever say anything but we know it's

783

00:30:20,549 --> 00:30:18,240

a real thing

784

00:30:23,590 --> 00:30:20,559

yeah i think we all do on a subconscious

785

00:30:25,110 --> 00:30:23,600

level we know that that

786

00:30:27,029 --> 00:30:25,120

we just don't want to talk about it

787

00:30:28,950 --> 00:30:27,039

because it's like well as soon as you do

788

00:30:30,630 --> 00:30:28,960

it's like okay

789

00:30:33,750 --> 00:30:30,640

all right you're that guy or that girl

790

00:30:36,070 --> 00:30:33,760

now i mean yeah yeah i mean i i guess i

791

00:30:37,990 --> 00:30:36,080

guess it used to be but but now i mean

792

00:30:39,830 --> 00:30:38,000

we're you know

793

00:30:41,830 --> 00:30:39,840

today we're officially past that point

794

00:30:43,909 --> 00:30:41,840

right it's kind of like are we still

795

00:30:45,990 --> 00:30:43,919

proving that there's something out there

796

00:30:47,190 --> 00:30:46,000

in the sky like

797

00:30:49,750 --> 00:30:47,200

nope

798

00:30:52,070 --> 00:30:49,760

it will pass that we know that there is

799

00:30:54,789 --> 00:30:52,080

something what it is we have no idea but

800

00:30:57,990 --> 00:30:54,799

we know there is something up in the sky

801
00:31:00,149 --> 00:30:58,000
we can move on to the next chapter right

802
00:31:02,070 --> 00:31:00,159
that's kind of where we are i mean

803
00:31:03,669 --> 00:31:02,080
there's there's no longer this guess

804
00:31:06,149 --> 00:31:03,679
this guessing game is there something

805
00:31:08,070 --> 00:31:06,159
else up there like of course yes there's

806
00:31:09,590 --> 00:31:08,080
officially something else out there it's

807
00:31:10,950 --> 00:31:09,600
the same thing with this remote viewing

808
00:31:12,789 --> 00:31:10,960
stuff like we don't even have to guess

809
00:31:14,710 --> 00:31:12,799
anymore we know it's real like it's just

810
00:31:15,990 --> 00:31:14,720
a real thing now we're just waiting on

811
00:31:18,310 --> 00:31:16,000
the on the

812
00:31:20,549 --> 00:31:18,320
rest of the 99 monkeys to like catch up

813
00:31:22,630 --> 00:31:20,559

so the rest of humanity can move on and

814

00:31:24,789 --> 00:31:22,640

we can get on with ourselves right

815

00:31:25,590 --> 00:31:24,799

because i think with this remote viewing

816

00:31:27,110 --> 00:31:25,600

thing

817

00:31:30,070 --> 00:31:27,120

and the capabilities the psychic

818

00:31:31,669 --> 00:31:30,080

capabilities of of each person

819

00:31:34,230 --> 00:31:31,679

individually

820

00:31:35,669 --> 00:31:34,240

i think that is a block to our psychic

821

00:31:37,750 --> 00:31:35,679

abilities

822

00:31:40,789 --> 00:31:37,760

the the moment that we can all get past

823

00:31:42,630 --> 00:31:40,799

the fact is esp remote viewing is that a

824

00:31:45,350 --> 00:31:42,640

real thing i think once we can all move

825

00:31:46,950 --> 00:31:45,360

past that because yes it is a real thing

826

00:31:49,029 --> 00:31:46,960

i think everybody's psychic abilities

827

00:31:51,590 --> 00:31:49,039

are going to take a step up you know

828

00:31:54,549 --> 00:31:51,600

just the idea the knowing that this is a

829

00:31:55,350 --> 00:31:54,559

real thing and people are doing it um

830

00:31:56,549 --> 00:31:55,360

you know

831

00:32:01,110 --> 00:31:56,559

makes it

832

00:32:02,070 --> 00:32:01,120

the average person right

833

00:32:05,269 --> 00:32:02,080

yeah

834

00:32:07,750 --> 00:32:05,279

conversation start with like with the

835

00:32:08,789 --> 00:32:07,760

acceptable acceptance of of the masses

836

00:32:11,029 --> 00:32:08,799

right like

837

00:32:12,230 --> 00:32:11,039

right now it's it's what used to be like

838

00:32:14,630 --> 00:32:12,240

the shamans

839

00:32:16,070 --> 00:32:14,640

right now it's the scientists and we

840

00:32:18,149 --> 00:32:16,080

think that everything they say is

841

00:32:19,269 --> 00:32:18,159

correct until 10 years passed by and

842

00:32:21,830 --> 00:32:19,279

you're like

843

00:32:23,190 --> 00:32:21,840

everything well some of it was right

844

00:32:24,950 --> 00:32:23,200

yeah

845

00:32:27,029 --> 00:32:24,960

so so where do you think that's going to

846

00:32:28,789 --> 00:32:27,039

move into the future like in the next i

847

00:32:30,389 --> 00:32:28,799

don't know let's say 50 years

848

00:32:32,870 --> 00:32:30,399

do you think the truth is going to come

849

00:32:34,789 --> 00:32:32,880

from the scientists still or do you

850

00:32:37,110 --> 00:32:34,799

think it's going to maybe full circle

851
00:32:38,549 --> 00:32:37,120
back to the shamans

852
00:32:40,789 --> 00:32:38,559
i think we're definitely still going to

853
00:32:46,470 --> 00:32:40,799
use the scientists um

854
00:32:50,630 --> 00:32:48,870
more personal stuff i think that we can

855
00:32:53,110 --> 00:32:50,640
answer for ourselves

856
00:32:56,789 --> 00:32:53,120
you know this whole consciousness thing

857
00:32:59,509 --> 00:32:56,799
the the uh the idea of of of being able

858
00:33:01,110 --> 00:32:59,519
to remote view or the idea of being able

859
00:33:03,430 --> 00:33:01,120
to uh

860
00:33:04,789 --> 00:33:03,440
heal yourself i guess in like a small

861
00:33:06,870 --> 00:33:04,799
way

862
00:33:09,590 --> 00:33:06,880
through just energies and things like

863
00:33:11,350 --> 00:33:09,600

that i think that's going to become more

864

00:33:13,350 --> 00:33:11,360

home remedy stuff

865

00:33:14,549 --> 00:33:13,360

and we're still going to ask scientists

866

00:33:17,350 --> 00:33:14,559

like

867

00:33:18,870 --> 00:33:17,360

hey how do you make a rocket you know

868

00:33:20,470 --> 00:33:18,880

yeah

869

00:33:22,310 --> 00:33:20,480

like hey

870

00:33:23,830 --> 00:33:22,320

you know like so yeah we're still going

871

00:33:25,750 --> 00:33:23,840

to need the scientists and engineers and

872

00:33:27,430 --> 00:33:25,760

things like that to explain

873

00:33:29,750 --> 00:33:27,440

kind of what's happening because as we

874

00:33:31,669 --> 00:33:29,760

start to unpack this and and people have

875

00:33:34,549 --> 00:33:31,679

different experiences we're going to

876

00:33:36,389 --> 00:33:34,559

want to give that data to somebody or or

877

00:33:39,590 --> 00:33:36,399

you know have somebody at least look at

878

00:33:41,430 --> 00:33:39,600

this data to tell us like well you know

879

00:33:43,990 --> 00:33:41,440

what are the physical effects in our

880

00:33:46,950 --> 00:33:44,000

reality of this happening to me even

881

00:33:49,269 --> 00:33:46,960

though i'm working through non-locality

882

00:33:51,830 --> 00:33:49,279

you know what what is the jump from the

883

00:33:54,470 --> 00:33:51,840

quantum level at which this is working

884

00:33:55,190 --> 00:33:54,480

at into the the uh

885

00:33:58,149 --> 00:33:55,200

uh

886

00:33:59,750 --> 00:33:58,159

the relative level of everything big

887

00:34:01,269 --> 00:33:59,760

everything that i'm seeing right now

888

00:34:03,430 --> 00:34:01,279

like how we

889

00:34:06,070 --> 00:34:03,440

will need scientists to to try and

890

00:34:07,669 --> 00:34:06,080

bridge that gap or trying to explain

891

00:34:09,669 --> 00:34:07,679

kind of like they're doing right now so

892

00:34:11,270 --> 00:34:09,679

i mean their jobs are still going to be

893

00:34:14,389 --> 00:34:11,280

there i just think we're going to have a

894

00:34:17,430 --> 00:34:14,399

lot more confidence in ourselves

895

00:34:20,470 --> 00:34:17,440

to not need that um

896

00:34:21,669 --> 00:34:20,480

hard explanation anymore hell yeah dude

897

00:34:24,470 --> 00:34:21,679

you know

898

00:34:26,790 --> 00:34:24,480

like i know that i can breathe right and

899

00:34:28,550 --> 00:34:26,800

i know that like oxygen is like a cool

900

00:34:31,589 --> 00:34:28,560

thing and like i totally need it but it

901
00:34:34,790 --> 00:34:31,599
also kills you at the same time you know

902
00:34:37,190 --> 00:34:34,800
um and like wait oxygen kills you

903
00:34:39,750 --> 00:34:37,200
yeah dude that's like because like when

904
00:34:42,230 --> 00:34:39,760
you're when oxygen like goes into your

905
00:34:44,149 --> 00:34:42,240
cells that's what creates aging and it

906
00:34:46,069 --> 00:34:44,159
dies that's why they have antioxidants

907
00:34:48,550 --> 00:34:46,079
things with high antioxidants

908
00:34:51,589 --> 00:34:48,560
don't oxidize the the body

909
00:34:52,470 --> 00:34:51,599
um and well i say don't oxidize the body

910
00:34:55,829 --> 00:34:52,480
but

911
00:34:58,630 --> 00:34:55,839
they don't add more oxygen to the body

912
00:35:00,870 --> 00:34:58,640
that will eventually age and kill cells

913
00:35:03,510 --> 00:35:00,880

why that and the what are they called

914

00:35:05,270 --> 00:35:03,520

the telomeres or something that's

915

00:35:07,750 --> 00:35:05,280

yeah telomeres yeah like the length of

916

00:35:11,030 --> 00:35:07,760

them that has a lot to do with it too

917

00:35:14,310 --> 00:35:11,040

but yeah oxygen also kills you it wears

918

00:35:16,150 --> 00:35:14,320

out your body um

919

00:35:17,990 --> 00:35:16,160

so far where was i going with that i

920

00:35:19,670 --> 00:35:18,000

forgot

921

00:35:22,150 --> 00:35:19,680

i don't know but that sounded [\h__\h]

922

00:35:24,630 --> 00:35:22,160

smart it sounded smart right dude let's

923

00:35:26,710 --> 00:35:24,640

let's back it up to to uh

924

00:35:30,790 --> 00:35:26,720

the remote viewing aspect of i've got

925

00:35:34,150 --> 00:35:30,800

one more i've got one more image

926

00:35:35,829 --> 00:35:34,160

the remote viewing aspect of uh so so

927

00:35:38,310 --> 00:35:35,839

like how does it work

928

00:35:39,829 --> 00:35:38,320

like someone is there like a formula

929

00:35:41,670 --> 00:35:39,839

that someone follows is there like a

930

00:35:43,750 --> 00:35:41,680

protocol

931

00:35:45,750 --> 00:35:43,760

i feel like there is right so it kind of

932

00:35:47,349 --> 00:35:45,760

depends right if we're talking about

933

00:35:49,670 --> 00:35:47,359

remote viewing there's a couple

934

00:35:52,630 --> 00:35:49,680

different ways that this can be achieved

935

00:35:54,390 --> 00:35:52,640

um imagine you have a friend right and

936

00:35:56,150 --> 00:35:54,400

you have a friend who's

937

00:35:58,790 --> 00:35:56,160

somewhere away from you

938

00:36:02,310 --> 00:35:58,800

and you want to check in on them right

939

00:36:04,710 --> 00:36:02,320

um the way you would do that is

940

00:36:07,349 --> 00:36:04,720

one of the ways is telepathy right

941

00:36:09,829 --> 00:36:07,359

telepathy is a way that

942

00:36:13,750 --> 00:36:09,839

a person far away from you is thinking

943

00:36:15,750 --> 00:36:13,760

you're able to think about them and lock

944

00:36:18,390 --> 00:36:15,760

your mind with their mind you're almost

945

00:36:20,390 --> 00:36:18,400

like connecting consciousness so you can

946

00:36:22,470 --> 00:36:20,400

almost

947

00:36:24,310 --> 00:36:22,480

tell where they are it's a it's a it's a

948

00:36:25,190 --> 00:36:24,320

feeling that you get and you can kind of

949

00:36:27,589 --> 00:36:25,200

feel

950

00:36:29,990 --> 00:36:27,599

and tell where they are right that's

951
00:36:33,510 --> 00:36:30,000
that's a form of telepathy and you can

952
00:36:35,349 --> 00:36:33,520
also have uh clairvoyance which means

953
00:36:38,550 --> 00:36:35,359
it's kind of the same thing where you go

954
00:36:41,030 --> 00:36:38,560
into this state and you can see

955
00:36:42,950 --> 00:36:41,040
where they are right you can actually

956
00:36:44,790 --> 00:36:42,960
see it it's it's not like the telepathy

957
00:36:47,910 --> 00:36:44,800
where you're just getting these senses

958
00:36:50,470 --> 00:36:47,920
and and vibes the the the clear

959
00:36:52,710 --> 00:36:50,480
clairvoyance you can actually see you're

960
00:36:55,510 --> 00:36:52,720
seeing this right and another method

961
00:36:57,510 --> 00:36:55,520
that people use is is precognition so

962
00:36:59,910 --> 00:36:57,520
basically if you went

963
00:37:01,430 --> 00:36:59,920

to spain and took a bunch of pictures

964

00:37:03,750 --> 00:37:01,440

and stuff

965

00:37:06,390 --> 00:37:03,760

and then you came back and you showed me

966

00:37:07,990 --> 00:37:06,400

all that stuff well technically what i

967

00:37:11,589 --> 00:37:08,000

could do

968

00:37:13,990 --> 00:37:11,599

through precognition is i could view

969

00:37:15,910 --> 00:37:14,000

where you're at and the time that you

970

00:37:18,150 --> 00:37:15,920

come home to show me photos of where

971

00:37:20,470 --> 00:37:18,160

you've been and that's how i would know

972

00:37:24,230 --> 00:37:20,480

where you already were before you even

973

00:37:26,390 --> 00:37:24,240

got home right precognition so telepathy

974

00:37:27,589 --> 00:37:26,400

clairvoyance precognition these are some

975

00:37:30,630 --> 00:37:27,599

ways that

976
00:37:34,150 --> 00:37:30,640
they use uh remote viewing now it was

977
00:37:36,790 --> 00:37:34,160
studied um for a long time um you know

978
00:37:38,550 --> 00:37:36,800
you you look at that was it the the

979
00:37:41,270 --> 00:37:38,560
stargate program

980
00:37:44,390 --> 00:37:41,280
um there was some stuff in the 80s there

981
00:37:45,349 --> 00:37:44,400
was actually this really interesting uh

982
00:37:46,870 --> 00:37:45,359
um

983
00:37:49,670 --> 00:37:46,880
what did she do

984
00:37:51,829 --> 00:37:49,680
uh she was like an analysis right her

985
00:37:53,270 --> 00:37:51,839
name was let me see i haven't written dr

986
00:37:56,550 --> 00:37:53,280
jessica utts

987
00:38:00,230 --> 00:37:56,560
um and she actually worked for sri which

988
00:38:02,630 --> 00:38:00,240

is the stanford research institution um

989

00:38:05,030 --> 00:38:02,640

and she knew the people that ran that

990

00:38:05,750 --> 00:38:05,040

program so you know guys like hal put

991

00:38:08,550 --> 00:38:05,760

off

992

00:38:10,150 --> 00:38:08,560

um she directly she worked directly with

993

00:38:12,950 --> 00:38:10,160

them because they were looking for

994

00:38:15,430 --> 00:38:12,960

somebody to actually take

995

00:38:17,270 --> 00:38:15,440

stats and analytics they needed a

996

00:38:19,589 --> 00:38:17,280

numbers person because they wanted to

997

00:38:21,750 --> 00:38:19,599

run the numbers on like the data that

998

00:38:24,630 --> 00:38:21,760

they were collecting so they hired this

999

00:38:26,950 --> 00:38:24,640

lady and she worked for him for about a

1000

00:38:29,430 --> 00:38:26,960

year she said that there's two programs

1001

00:38:31,829 --> 00:38:29,440

right there's there's one

1002

00:38:33,910 --> 00:38:31,839

there was a top secret program that was

1003

00:38:36,069 --> 00:38:33,920

higher up that the military was using we

1004

00:38:39,910 --> 00:38:36,079

were actually remote using remote

1005

00:38:40,950 --> 00:38:39,920

viewers to uh remote view enemies um and

1006

00:38:43,109 --> 00:38:40,960

targets

1007

00:38:45,270 --> 00:38:43,119

places things right that's what remote

1008

00:38:47,670 --> 00:38:45,280

viewing is and then there was like this

1009

00:38:50,790 --> 00:38:47,680

sub study that was done that was done by

1010

00:38:53,109 --> 00:38:50,800

sri and she was part of that program

1011

00:38:55,750 --> 00:38:53,119

where they would study these individuals

1012

00:39:00,069 --> 00:38:55,760

and then take down all the data right

1013

00:39:02,470 --> 00:39:00,079

okay and so she said what was extremely

1014

00:39:04,790 --> 00:39:02,480

uh phenomenal about the whole thing

1015

00:39:07,190 --> 00:39:04,800

is that

1016

00:39:08,710 --> 00:39:07,200

through the span of time that they did

1017

00:39:11,349 --> 00:39:08,720

the studies

1018

00:39:14,710 --> 00:39:11,359

you would have a one in four shot of

1019

00:39:16,630 --> 00:39:14,720

actually getting the correct answer and

1020

00:39:19,349 --> 00:39:16,640

the people who they

1021

00:39:21,589 --> 00:39:19,359

found to be remote viewers would usually

1022

00:39:23,670 --> 00:39:21,599

get it in one in three

1023

00:39:26,390 --> 00:39:23,680

which is not like a big margin but if

1024

00:39:29,430 --> 00:39:26,400

you if you space that out about around a

1025

00:39:32,069 --> 00:39:29,440

bunch a bunch of good percentage it's

1026

00:39:34,230 --> 00:39:32,079

extremely accurate is what they found

1027

00:39:38,310 --> 00:39:34,240

and they said that at the time

1028

00:39:39,589 --> 00:39:38,320

um the lottery was running and

1029

00:39:42,390 --> 00:39:39,599

you had a

1030

00:39:48,710 --> 00:39:42,400

1 out of 10 million chance

1031

00:39:49,670 --> 00:39:48,720

um of actually hitting the lottery right

1032

00:39:51,430 --> 00:39:49,680

um

1033

00:39:53,030 --> 00:39:51,440

but if you were in this program because

1034

00:39:55,670 --> 00:39:53,040

people would always say oh they're just

1035

00:39:57,349 --> 00:39:55,680

guessing lucky guess right there's you

1036

00:40:00,230 --> 00:39:57,359

know lucky this lucky that these people

1037

00:40:01,510 --> 00:40:00,240

are just being lucky she was saying well

1038

00:40:04,630 --> 00:40:01,520

to the people who say that they were

1039

00:40:07,190 --> 00:40:04,640

just getting lucky they had a 1 out of

1040

00:40:08,390 --> 00:40:07,200

10 billion chance

1041

00:40:12,950 --> 00:40:08,400

of

1042

00:40:15,430 --> 00:40:12,960

that they whatever it is that they

1043

00:40:16,390 --> 00:40:15,440

wanted them to remote view one out of a

1044

00:40:23,430 --> 00:40:16,400

billion

1045

00:40:25,670 --> 00:40:23,440

sri

1046

00:40:27,750 --> 00:40:25,680

and the analytics team came up with the

1047

00:40:30,309 --> 00:40:27,760

numbers and stated that

1048

00:40:33,190 --> 00:40:30,319

[h__h] if you were to get this correct

1049

00:40:34,950 --> 00:40:33,200

that's a 1 in a 10 billion chance that

1050

00:40:36,829 --> 00:40:34,960

you could possibly get that answer

1051
00:40:40,470 --> 00:40:36,839
correct

1052
00:40:43,670 --> 00:40:40,480
right so which means that you had

1053
00:40:45,670 --> 00:40:43,680
you had you had a way way way better

1054
00:40:48,710 --> 00:40:45,680
chance of winning the lottery than you

1055
00:40:50,550 --> 00:40:48,720
ever would to know what the remote

1056
00:40:53,030 --> 00:40:50,560
viewing uh

1057
00:40:54,230 --> 00:40:53,040
what was supposed to be remote viewed

1058
00:40:56,950 --> 00:40:54,240
damn

1059
00:40:59,349 --> 00:40:56,960
and they even did studies to basically

1060
00:41:03,109 --> 00:40:59,359
say you know like they they put people

1061
00:41:04,550 --> 00:41:03,119
like in a submarine like like 500 miles

1062
00:41:07,750 --> 00:41:04,560
off the coast

1063
00:41:09,829 --> 00:41:07,760

and like way way down deep in the ocean

1064

00:41:10,870 --> 00:41:09,839

and they made them remote view [h__h]

1065

00:41:12,309 --> 00:41:10,880

right

1066

00:41:14,309 --> 00:41:12,319

because they were like we're trying to

1067

00:41:16,230 --> 00:41:14,319

we're trying to block all the all those

1068

00:41:18,710 --> 00:41:16,240

so they they took them into a submarine

1069

00:41:20,950 --> 00:41:18,720

and took them underwater like hey try it

1070

00:41:21,750 --> 00:41:20,960

now dude yeah now remote view that [h__h]

1071

00:41:23,510 --> 00:41:21,760

now

1072

00:41:24,710 --> 00:41:23,520

i'll try it dude and so they were

1073

00:41:26,630 --> 00:41:24,720

blocked off in this section of the

1074

00:41:28,950 --> 00:41:26,640

submarine and they had to do the test

1075

00:41:30,790 --> 00:41:28,960

and these people were nailing it right

1076

00:41:32,630 --> 00:41:30,800

so these people were actually remote

1077

00:41:33,990 --> 00:41:32,640

viewing i wonder if it made it even

1078

00:41:36,790 --> 00:41:34,000

easier because they were connected more

1079

00:41:39,190 --> 00:41:36,800

to source like the earth's uh

1080

00:41:41,270 --> 00:41:39,200

vibrational frequency so that's possible

1081

00:41:43,430 --> 00:41:41,280

right um but one thing that she was

1082

00:41:45,670 --> 00:41:43,440

saying is that people always talk about

1083

00:41:47,829 --> 00:41:45,680

how they could possibly be influenced by

1084

00:41:50,470 --> 00:41:47,839

certain frequencies or vibrations things

1085

00:41:53,510 --> 00:41:50,480

like that she's like but we know for a

1086

00:41:55,589 --> 00:41:53,520

fact it doesn't work like that it works

1087

00:41:57,829 --> 00:41:55,599

in the quantum level which means that

1088

00:41:59,990 --> 00:41:57,839

they're not able to like

1089

00:42:02,390 --> 00:42:00,000

pick up these readings as easy as you

1090

00:42:05,430 --> 00:42:02,400

would think right you're you're having

1091

00:42:06,470 --> 00:42:05,440

to have a mechanism to pick up a quantum

1092

00:42:07,670 --> 00:42:06,480

reading

1093

00:42:11,349 --> 00:42:07,680

to even

1094

00:42:13,349 --> 00:42:11,359

and at that time nobody was doing that

1095

00:42:14,150 --> 00:42:13,359

[h__h] yeah see how did you even like

1096

00:42:16,470 --> 00:42:14,160

that's

1097

00:42:18,550 --> 00:42:16,480

the whole point of of of

1098

00:42:21,349 --> 00:42:18,560

that thought like we were both

1099

00:42:23,270 --> 00:42:21,359

discussing a couple months ago like

1100

00:42:25,510 --> 00:42:23,280

okay it's been like maybe a year after

1101
00:42:27,750 --> 00:42:25,520
the atip stuff and like all the stuff

1102
00:42:29,109 --> 00:42:27,760
we're talking about and

1103
00:42:32,230 --> 00:42:29,119
everything is coming out in the news i'm

1104
00:42:34,870 --> 00:42:32,240
like the sensor we got to focus on the

1105
00:42:37,109 --> 00:42:34,880
sensor if we can't sense it then we

1106
00:42:38,950 --> 00:42:37,119
can't communicate it we talked to gary

1107
00:42:40,870 --> 00:42:38,960
voorhees all the i mean dude these great

1108
00:42:43,190 --> 00:42:40,880
buddy of ours and like

1109
00:42:44,390 --> 00:42:43,200
he's got a very intimate knowledge of

1110
00:42:46,470 --> 00:42:44,400
the data

1111
00:42:47,510 --> 00:42:46,480
and the radar systems

1112
00:42:49,109 --> 00:42:47,520
and then

1113
00:42:51,430 --> 00:42:49,119

i would love to have him on the show and

1114

00:42:53,510 --> 00:42:51,440

ask him like dude what what if we just

1115

00:42:55,670 --> 00:42:53,520

like we don't have the right sensor for

1116

00:42:57,670 --> 00:42:55,680

what we're looking for

1117

00:42:59,750 --> 00:42:57,680

we can't communicate it communicate it

1118

00:43:01,750 --> 00:42:59,760

yet it very well could be we just don't

1119

00:43:05,030 --> 00:43:01,760

know

1120

00:43:06,950 --> 00:43:05,040

what that what that communication line

1121

00:43:08,790 --> 00:43:06,960

is like we don't know if it runs on

1122

00:43:11,190 --> 00:43:08,800

frequently it could run through [h__\h]

1123

00:43:13,750 --> 00:43:11,200

water who knows dude like we have no

1124

00:43:15,270 --> 00:43:13,760

idea well i i know

1125

00:43:17,430 --> 00:43:15,280

that there's there's some kind of

1126
00:43:19,990 --> 00:43:17,440
connection there because it it seems to

1127
00:43:21,990 --> 00:43:20,000
be that the the underlining factor the

1128
00:43:23,670 --> 00:43:22,000
the uh

1129
00:43:25,589 --> 00:43:23,680
uh

1130
00:43:29,109 --> 00:43:25,599
the connecting force

1131
00:43:31,030 --> 00:43:29,119
his brains his consciousness is is

1132
00:43:33,589 --> 00:43:31,040
a lot with from what i know with a lot

1133
00:43:35,829 --> 00:43:33,599
of these like uh remote viewers

1134
00:43:38,710 --> 00:43:35,839
they are not seeing just a place out of

1135
00:43:39,670 --> 00:43:38,720
you know god mode and like halo you know

1136
00:43:41,109 --> 00:43:39,680
right right

1137
00:43:42,309 --> 00:43:41,119
they're seeing it through other people's

1138
00:43:44,790 --> 00:43:42,319

eyes

1139

00:43:47,190 --> 00:43:44,800

so if that that person was in that

1140

00:43:49,750 --> 00:43:47,200

location and soft it's always from the

1141

00:43:52,230 --> 00:43:49,760

perspective of a human it's never like

1142

00:43:55,190 --> 00:43:52,240

above as an eagle i mean correct me if

1143

00:43:56,630 --> 00:43:55,200

i'm wrong but like a lot of the hits

1144

00:43:59,430 --> 00:43:56,640

that they get are from the perspective

1145

00:44:02,630 --> 00:43:59,440

of another human so they're tapping in

1146

00:44:04,790 --> 00:44:02,640

to this non-local consciousness yeah

1147

00:44:06,390 --> 00:44:04,800

which is freaking cool

1148

00:44:08,470 --> 00:44:06,400

and they even did studies where they

1149

00:44:10,309 --> 00:44:08,480

would show people pictures and they

1150

00:44:13,190 --> 00:44:10,319

would be like good pictures sexy

1151

00:44:15,910 --> 00:44:13,200

pictures uh bad pictures things like

1152

00:44:17,270 --> 00:44:15,920

that and they would they would record

1153

00:44:18,870 --> 00:44:17,280

them and

1154

00:44:36,470 --> 00:44:18,880

the

1155

00:44:38,950 --> 00:44:36,480

knew that this next photo is going to be

1156

00:44:40,710 --> 00:44:38,960

bad and so their pupils would display

1157

00:44:42,390 --> 00:44:40,720

that it's going to be a bad photo and

1158

00:44:43,910 --> 00:44:42,400

then five seconds later the bad photo

1159

00:44:45,270 --> 00:44:43,920

would show up and then the next one it

1160

00:44:47,030 --> 00:44:45,280

would soften up and be like oh it's a

1161

00:44:49,030 --> 00:44:47,040

picture of a bunny or whatever like it's

1162

00:44:50,710 --> 00:44:49,040

gonna be a nice picture and the pupils

1163

00:44:52,470 --> 00:44:50,720

would soften up five seconds later then

1164

00:44:55,589 --> 00:44:52,480

a nice picture would show up so they

1165

00:44:58,069 --> 00:44:55,599

were showing actual numbers and studies

1166

00:45:00,950 --> 00:44:58,079

through lots and lots of people that

1167

00:45:01,829 --> 00:45:00,960

this precognition was a thing yeah and

1168

00:45:02,950 --> 00:45:01,839

people

1169

00:45:04,550 --> 00:45:02,960

even though

1170

00:45:07,589 --> 00:45:04,560

they didn't know

1171

00:45:09,670 --> 00:45:07,599

consciously subconsciously they knew

1172

00:45:12,470 --> 00:45:09,680

their intuition knew what was coming

1173

00:45:13,670 --> 00:45:12,480

next whether they physically thought it

1174

00:45:16,309 --> 00:45:13,680

or not

1175

00:45:19,510 --> 00:45:16,319

and i found this really really cool um

1176

00:45:22,710 --> 00:45:19,520

little article here by jimmy carter

1177

00:45:27,190 --> 00:45:22,720

um it was posted back in 1995.

1178

00:45:30,950 --> 00:45:27,200

um so there was a plane that was uh that

1179

00:45:32,950 --> 00:45:30,960

went down uh in africa and they wanted

1180

00:45:33,670 --> 00:45:32,960

to get to it before the soviets got to

1181

00:45:37,670 --> 00:45:33,680

it

1182

00:45:40,309 --> 00:45:37,680

and this came from jimmy carter uh

1183

00:45:43,349 --> 00:45:40,319

cia used psychic help to find a missing

1184

00:45:45,109 --> 00:45:43,359

plane um president jimmy carter said the

1185

00:45:47,030 --> 00:45:45,119

cia without his knowledge wants

1186

00:45:49,190 --> 00:45:47,040

consulted a psychic to help locate

1187

00:45:51,750 --> 00:45:49,200

missing government plane in africa

1188

00:45:53,910 --> 00:45:51,760

carter told students at emory university

1189

00:45:57,589 --> 00:45:53,920

that the special us plane crashed

1190

00:45:59,270 --> 00:45:57,599

somewhere in zaire or zari

1191

00:46:01,829 --> 00:45:59,280

while he was president according to

1192

00:46:03,829 --> 00:46:01,839

carter u.s spy satellites could find no

1193

00:46:06,390 --> 00:46:03,839

trace of the aircraft so the cia

1194

00:46:09,190 --> 00:46:06,400

consulted a psychic from california

1195

00:46:11,109 --> 00:46:09,200

carter said the woman went into a trance

1196

00:46:13,589 --> 00:46:11,119

and gave some latitude and longitude

1197

00:46:16,390 --> 00:46:13,599

figures we focus our satellite cameras

1198

00:46:18,550 --> 00:46:16,400

on that point and the plane was there

1199

00:46:20,710 --> 00:46:18,560

damn dude

1200

00:46:21,829 --> 00:46:20,720

focused our satellites on it

1201

00:46:23,109 --> 00:46:21,839

what

1202

00:46:24,630 --> 00:46:23,119

yeah so

1203

00:46:26,870 --> 00:46:24,640

carter knew about this and he made a

1204

00:46:29,670 --> 00:46:26,880

public statement about how the cia would

1205

00:46:31,990 --> 00:46:29,680

use psychics to find [h__\h]

1206

00:46:34,870 --> 00:46:32,000

all around the world

1207

00:46:36,550 --> 00:46:34,880

damn dude so you know like i was saying

1208

00:46:39,109 --> 00:46:36,560

a little bit earlier like we have to get

1209

00:46:40,790 --> 00:46:39,119

past this um is remote viewing a real

1210

00:46:43,510 --> 00:46:40,800

thing or these psychic abilities are

1211

00:46:45,190 --> 00:46:43,520

real yeah they absolutely are

1212

00:46:46,630 --> 00:46:45,200

there's a lot of numbers that have been

1213

00:46:48,390 --> 00:46:46,640

run on this

1214

00:46:56,470 --> 00:46:48,400

um

1215

00:46:58,069 --> 00:46:56,480

letters

1216

00:47:00,630 --> 00:46:58,079

why did somebody

1217

00:47:01,670 --> 00:47:00,640

calculate you spent a [\h__\h] load of tax

1218

00:47:03,670 --> 00:47:01,680

money

1219

00:47:06,069 --> 00:47:03,680

on this whole thing right these projects

1220

00:47:07,990 --> 00:47:06,079

man and they eventually kind of died out

1221

00:47:09,910 --> 00:47:08,000

we had more accurate forms of being able

1222

00:47:11,990 --> 00:47:09,920

to find stuff or technology got better

1223

00:47:15,190 --> 00:47:12,000

our cameras got better it was easier to

1224

00:47:17,109 --> 00:47:15,200

find things or communication or spies

1225

00:47:19,270 --> 00:47:17,119

all that stuff got a little bit better

1226

00:47:21,510 --> 00:47:19,280

um you know i think this program ran for

1227

00:47:23,670 --> 00:47:21,520

about 12 years or so

1228

00:47:26,549 --> 00:47:23,680

but that doesn't mean that they're not

1229

00:47:29,510 --> 00:47:26,559

still using them today i mean i think we

1230

00:47:32,069 --> 00:47:29,520

all know somebody um personally

1231

00:47:34,470 --> 00:47:32,079

who's been known to you know remote view

1232

00:47:35,990 --> 00:47:34,480

popes and [h__h] so they

1233

00:47:37,910 --> 00:47:36,000

you know i mean

1234

00:47:40,069 --> 00:47:37,920

i would also i would also look at

1235

00:47:42,950 --> 00:47:40,079

there's a reason why the

1236

00:47:46,069 --> 00:47:42,960

the uh the secret budget of the military

1237

00:47:47,910 --> 00:47:46,079

has uh it's secret because they don't

1238

00:47:49,030 --> 00:47:47,920

want you to know that we all have

1239

00:47:51,190 --> 00:47:49,040

trooper

1240

00:47:52,870 --> 00:47:51,200

this true potential that is

1241

00:47:54,230 --> 00:47:52,880

that is natural to us

1242

00:47:55,270 --> 00:47:54,240

they i feel like they don't want us to

1243

00:47:58,069 --> 00:47:55,280

know because

1244

00:48:00,870 --> 00:47:58,079

if we're spending billions let's say one

1245

00:48:03,910 --> 00:48:00,880

billion a year on on these types of

1246

00:48:07,270 --> 00:48:03,920

programs and like developing senses

1247

00:48:08,710 --> 00:48:07,280

of esp and remote viewing to get an edge

1248

00:48:10,950 --> 00:48:08,720

on our

1249

00:48:13,990 --> 00:48:10,960

enemy i guess and quote unquote if we

1250

00:48:16,470 --> 00:48:14,000

even have an mx anymore

1251

00:48:17,430 --> 00:48:16,480

uh but like

1252

00:48:19,270 --> 00:48:17,440

uh

1253

00:48:20,870 --> 00:48:19,280

that if

1254

00:48:23,190 --> 00:48:20,880

there's a reason why we spend so much

1255

00:48:24,230 --> 00:48:23,200

damn money and focus so much attention

1256

00:48:25,349 --> 00:48:24,240

to that

1257

00:48:27,349 --> 00:48:25,359

and

1258

00:48:29,190 --> 00:48:27,359

i feel like the reason why we

1259

00:48:31,430 --> 00:48:29,200

it's been planted in our minds that it's

1260

00:48:35,270 --> 00:48:31,440

crazy is for a reason because they don't

1261

00:48:37,670 --> 00:48:35,280

want us to know that we could all be

1262

00:48:40,150 --> 00:48:37,680

absolutely to that knowledge dude

1263

00:48:41,510 --> 00:48:40,160

absolutely like imagine if you just gave

1264

00:48:44,390 --> 00:48:41,520

out your password to your email to

1265

00:48:48,710 --> 00:48:44,400

everyone it's so secretive right that

1266

00:48:51,750 --> 00:48:48,720

this was a black budget project inside

1267

00:48:53,589 --> 00:48:51,760

of a black budget project yeah so it was

1268

00:48:55,190 --> 00:48:53,599

already a black budget project and then

1269

00:48:57,990 --> 00:48:55,200

somebody inside was like you know what

1270

00:48:59,829 --> 00:48:58,000

let's start something even more secret

1271

00:49:01,109 --> 00:48:59,839

yeah they're like cool should we go to

1272

00:49:03,510 --> 00:49:01,119

another room and they're like no we're

1273

00:49:06,630 --> 00:49:03,520

doing it right here inside this black

1274

00:49:09,670 --> 00:49:06,640

budget it's quiet it's quiet enough so

1275

00:49:14,829 --> 00:49:09,680

my mom is cooking breakfast upstairs

1276

00:49:19,589 --> 00:49:17,750

yeah what if it was like a standard how

1277

00:49:21,109 --> 00:49:19,599

do you know that she's making it remote

1278

00:49:23,510 --> 00:49:21,119

viewing dude

1279

00:49:24,390 --> 00:49:23,520

be quiet yeah but what is she making

1280

00:49:26,870 --> 00:49:24,400

though

1281

00:49:29,430 --> 00:49:26,880

pancakes how scrambled are her eggs

1282

00:49:31,670 --> 00:49:29,440

quiet

1283

00:49:32,790 --> 00:49:31,680

guys i said shut up

1284

00:49:34,069 --> 00:49:32,800

yeah dude

1285

00:49:35,430 --> 00:49:34,079

yeah so

1286

00:49:37,190 --> 00:49:35,440

i'm going to

1287

00:49:39,829 --> 00:49:37,200

um going ahead

1288

00:49:41,910 --> 00:49:39,839

and uh

1289

00:49:45,589 --> 00:49:41,920

stand on a hill and say

1290

00:49:47,430 --> 00:49:45,599

i think remote viewing is real 100

1291

00:49:49,589 --> 00:49:47,440

i think it is a thing i think we all

1292

00:49:51,270 --> 00:49:49,599

need to get over it i'm going to join

1293

00:49:53,670 --> 00:49:51,280

you i'm going to join you i would stand

1294

00:49:54,870 --> 00:49:53,680

up but i'm not wearing pants so yeah i'm

1295

00:49:57,670 --> 00:49:54,880

going to i'm going to join you on that

1296

00:49:59,030 --> 00:49:57,680

hill hell yeah dude hell yeah well a lot

1297

00:50:00,230 --> 00:49:59,040

of people are asking you know how do we

1298

00:50:01,109 --> 00:50:00,240

know you're not wearing pants well you

1299

00:50:02,790 --> 00:50:01,119

don't

1300

00:50:05,190 --> 00:50:02,800

that's why that's part of the mystery

1301
00:50:06,950 --> 00:50:05,200
that's part of the misdraw that's right

1302
00:50:10,069 --> 00:50:06,960
that's right

1303
00:50:12,069 --> 00:50:10,079
oh yeah well dude um you

1304
00:50:14,309 --> 00:50:12,079
i feel like

1305
00:50:17,750 --> 00:50:14,319
your research and the work you put into

1306
00:50:19,109 --> 00:50:17,760
your subject was a lot better than mine

1307
00:50:20,870 --> 00:50:19,119
uh

1308
00:50:21,990 --> 00:50:20,880
we could do a whole episode

1309
00:50:24,069 --> 00:50:22,000
just one moment

1310
00:50:25,990 --> 00:50:24,079
dude i know i know

1311
00:50:28,549 --> 00:50:26,000
yeah we could definitely dive back into

1312
00:50:30,950 --> 00:50:28,559
it again i mean hey these are just uh

1313
00:50:33,270 --> 00:50:30,960

small two topic tuesdays if you guys

1314

00:50:34,950 --> 00:50:33,280

hear a topic that you liked say hey

1315

00:50:37,670 --> 00:50:34,960

bring that [h__h] up again so we can get

1316

00:50:39,430 --> 00:50:37,680

more into it these are just fun short

1317

00:50:41,190 --> 00:50:39,440

little things that we'd like to do we're

1318

00:50:45,109 --> 00:50:41,200

going to start doing them on tuesdays

1319

00:50:47,910 --> 00:50:45,119

and we're not going to be wearing shirts

1320

00:50:50,150 --> 00:50:47,920

because you know what sometimes

1321

00:50:51,750 --> 00:50:50,160

we just don't wear shirts yeah

1322

00:50:52,870 --> 00:50:51,760

but like sometimes like on tuesdays

1323

00:50:55,190 --> 00:50:52,880

though

1324

00:50:57,750 --> 00:50:55,200

we're like dudes

1325

00:50:59,750 --> 00:50:57,760

dudes man

1326

00:51:01,510 --> 00:50:59,760

jeez

1327

00:51:03,990 --> 00:51:01,520

um all right well that was another

1328

00:51:06,470 --> 00:51:04,000

episode of uh two top totally topless

1329

00:51:08,630 --> 00:51:06,480

two topic tuesday heck yeah man y'all

1330

00:51:11,750 --> 00:51:08,640

make sure and uh go and check us out ufo

1331

00:51:18,069 --> 00:51:12,790

uh

1332

00:51:20,150 --> 00:51:18,079

there's a website peruse the site merch

1333

00:51:22,710 --> 00:51:20,160

you know we got all of our episodes on

1334

00:51:25,190 --> 00:51:22,720

there we got our faces on there we got

1335

00:51:27,829 --> 00:51:25,200

movable graphics on there and we got

1336

00:51:29,510 --> 00:51:27,839

merch go check out

1337

00:51:31,589 --> 00:51:29,520

go check out our

1338

00:51:33,270 --> 00:51:31,599

our merch store we're now doing this

1339

00:51:35,829 --> 00:51:33,280

thing to where everything that you

1340

00:51:38,150 --> 00:51:35,839

purchase the ufo garage at the end of

1341

00:51:41,670 --> 00:51:38,160

the quarter 20 of everything y'all

1342

00:51:43,670 --> 00:51:41,680

purchased gets donated over to uh

1343

00:51:46,069 --> 00:51:43,680

somebody in need or an organization

1344

00:51:48,230 --> 00:51:46,079

who's doing uh some good research you

1345

00:51:50,069 --> 00:51:48,240

guys throw out names and and you know

1346

00:51:51,670 --> 00:51:50,079

we'll we'll you know whenever it comes

1347

00:51:52,790 --> 00:51:51,680

to the next quarter we'll we'll choose

1348

00:51:54,470 --> 00:51:52,800

another one

1349

00:51:56,470 --> 00:51:54,480

um i said that kind of funny wouldn't it

1350

00:52:00,710 --> 00:51:56,480

be funny if we just donated 20 percent

1351
00:52:04,150 --> 00:52:02,150
like the person that orders it actually

1352
00:52:06,950 --> 00:52:04,160
doesn't get it like yeah like i only

1353
00:52:09,109 --> 00:52:06,960
received like like a piece of this shirt

1354
00:52:11,829 --> 00:52:09,119
like yeah because the other 20 went to

1355
00:52:13,270 --> 00:52:11,839
the yeah we told you that

1356
00:52:14,790 --> 00:52:13,280
so now there's researchers walking

1357
00:52:21,430 --> 00:52:14,800
around with like three quarters of a

1358
00:52:25,190 --> 00:52:22,950
try to do something nice and everybody

1359
00:52:26,950 --> 00:52:25,200
just [h__\h] about it god damn it we

1360
00:52:29,430 --> 00:52:26,960
just try to do the night right thing and

1361
00:52:32,069 --> 00:52:29,440
can't do anything right

1362
00:52:35,349 --> 00:52:32,079
but no not t-shirts and mugs your your

1363
00:52:37,670 --> 00:52:35,359

money your hard-earned uh cash will uh

1364

00:52:39,670 --> 00:52:37,680

be donated um

1365

00:52:41,670 --> 00:52:39,680

to help out man so

1366

00:52:45,349 --> 00:52:41,680

yeah

1367

00:52:47,910 --> 00:52:45,359

sounds good

1368

00:52:50,069 --> 00:52:47,920

yeah yeah yeah sorry i'm i turned off

1369

00:52:51,910 --> 00:52:50,079

the chat so if anybody uh has donated

1370

00:52:54,470 --> 00:52:51,920

thank you guys so much for the super

1371

00:52:56,950 --> 00:52:54,480

chats tonight thank you all so much uh

1372

00:52:58,470 --> 00:52:56,960

appreciate y'all love y'all and uh we'll

1373

00:53:00,309 --> 00:52:58,480

see you on thursday thursday thursday oh

1374

00:53:02,710 --> 00:53:00,319

yeah man well hey this has been another

1375

00:53:05,950 --> 00:53:02,720

episode of a totally topless two topic

1376

00:53:09,589 --> 00:53:05,960

tuesday right here on the ufo garage
