

SEV TOK

**BEING A LIFETIME
EXPERIENCER**

U&GARAGE
WITH **BIGWILLY**

1
00:00:53,670 --> 00:00:36,480

[Music]

2
00:00:54,869 --> 00:00:53,680

what is happening ladies and gentlemen

3
00:00:56,869 --> 00:00:54,879

thank you for joining us here at the

4
00:00:58,229 --> 00:00:56,879

garage each and every friday night i

5
00:01:00,630 --> 00:00:58,239

know it's a slight change of times what

6
00:01:02,389 --> 00:01:00,640

i had going on before but i appreciate

7
00:01:04,789 --> 00:01:02,399

you making the change with me and coming

8
00:01:06,390 --> 00:01:04,799

on over let's give it a shout out randy

9
00:01:08,230 --> 00:01:06,400

cruz unless the ones got it first i see

10
00:01:10,310 --> 00:01:08,240

gold position going to rainy cruise here

11
00:01:11,270 --> 00:01:10,320

tonight john music who was my guest last

12
00:01:13,109 --> 00:01:11,280

week if you guys did not catch the

13
00:01:14,469 --> 00:01:13,119

episode john the episode is back up we

14

00:01:16,630 --> 00:01:14,479

were to go get that audio out of there

15

00:01:17,670 --> 00:01:16,640

for you that they took us down for and

16

00:01:18,950 --> 00:01:17,680

we're back up and running so if you guys

17

00:01:21,030 --> 00:01:18,960

haven't caught john's episode with me

18

00:01:23,030 --> 00:01:21,040

please check that out from last week we

19

00:01:25,510 --> 00:01:23,040

have nightmare getting the bronze

20

00:01:27,429 --> 00:01:25,520

position as rainy and john both got gold

21

00:01:29,350 --> 00:01:27,439

and silver we got wes h thank you for

22

00:01:31,590 --> 00:01:29,360

coming hanging out with us tonight who

23

00:01:33,270 --> 00:01:31,600

else we got in here let's see i know um

24

00:01:35,350 --> 00:01:33,280

i think it was uh ghost dragons yes

25

00:01:36,789 --> 00:01:35,360

ghost dragons that's okay one got by you

26

00:01:39,510 --> 00:01:36,799

got through our internet somehow that's

27

00:01:41,030 --> 00:01:39,520

okay what no shame in the game uh you're

28

00:01:43,109 --> 00:01:41,040

you're a good soldier you you keep them

29

00:01:44,630 --> 00:01:43,119

off of us almost every week one's

30

00:01:45,990 --> 00:01:44,640

managed to get through you know that's

31

00:01:47,830 --> 00:01:46,000

what's gonna happen

32

00:01:50,230 --> 00:01:47,840

uh who else we got kelly lewis thank you

33

00:01:51,830 --> 00:01:50,240

for being here tonight brie and jamie

34

00:01:53,350 --> 00:01:51,840

with that one demos abducted by aliens

35

00:01:55,510 --> 00:01:53,360

says let's go

36

00:01:57,670 --> 00:01:55,520

enzo my man my brother what is shaking

37

00:01:58,870 --> 00:01:57,680

how are we doing this fine evening we're

38

00:02:01,510 --> 00:01:58,880

already getting

39

00:02:03,670 --> 00:02:01,520

butt rated and butt love tonight 509

40

00:02:06,870 --> 00:02:03,680

divine pines dude had it so shiny i know

41

00:02:08,550 --> 00:02:06,880

guys i shaved that bad boy right on down

42

00:02:09,910 --> 00:02:08,560

you guys like it

43

00:02:11,430 --> 00:02:09,920

i think that's the look i'm gonna stick

44

00:02:13,270 --> 00:02:11,440

with i tell you what

45

00:02:15,190 --> 00:02:13,280

enough of the hat game right be proud of

46

00:02:17,030 --> 00:02:15,200

your head be proud of your body spooky

47

00:02:18,949 --> 00:02:17,040

thank you so much for all the love you

48

00:02:20,550 --> 00:02:18,959

guys have over there i want to apologize

49

00:02:22,470 --> 00:02:20,560

too right off the bat i was telling sev

50

00:02:24,390 --> 00:02:22,480

if she's backstage for us right now

51
00:02:26,070 --> 00:02:24,400
that i i don't know what's been going on

52
00:02:28,390 --> 00:02:26,080
this whole week i couldn't even i didn't

53
00:02:29,910 --> 00:02:28,400
even have a voice yesterday so

54
00:02:31,430 --> 00:02:29,920
we're gonna see how the voice hangs in

55
00:02:33,110 --> 00:02:31,440
there as we continue to get all the love

56
00:02:34,630 --> 00:02:33,120
from you guys thank you so much for for

57
00:02:37,030 --> 00:02:34,640
about raiding the ufo garage here

58
00:02:39,509 --> 00:02:37,040
tonight um we thank you very much for

59
00:02:40,949 --> 00:02:39,519
tuning in like i said you know

60
00:02:41,830 --> 00:02:40,959
do your best i guess to deal with me i

61
00:02:43,509 --> 00:02:41,840
know we don't sell them how it would

62
00:02:45,030 --> 00:02:43,519
normally sound that's why i got sev here

63
00:02:47,030 --> 00:02:45,040

i was telling us i said listen i'm

64

00:02:48,630 --> 00:02:47,040

setting you up you're setting up to be

65

00:02:49,670 --> 00:02:48,640

the golden star for the night more than

66

00:02:51,270 --> 00:02:49,680

you already are kelly lewis thank you

67

00:02:53,589 --> 00:02:51,280

for being here as well

68

00:02:55,750 --> 00:02:53,599

um and then really quick too guys

69

00:02:59,110 --> 00:02:55,760

my guest next week is going to be thin

70

00:03:01,030 --> 00:02:59,120

lizzie borden as well as scary gary and

71

00:03:02,149 --> 00:03:01,040

i'm very excited for this one they both

72

00:03:04,390 --> 00:03:02,159

have

73

00:03:06,550 --> 00:03:04,400

obviously experiences as individuals as

74

00:03:07,830 --> 00:03:06,560

well as a couple and i'm very excited to

75

00:03:09,110 --> 00:03:07,840

kind of just sit down with them and have

76

00:03:10,869 --> 00:03:09,120

a nice laid-back conversation that we

77

00:03:12,229 --> 00:03:10,879

have you know joe and ben and everybody

78

00:03:13,430 --> 00:03:12,239

who's been here before

79

00:03:15,670 --> 00:03:13,440

knows that they've set up a great

80

00:03:18,149 --> 00:03:15,680

community to allow experiencers to come

81

00:03:19,589 --> 00:03:18,159

in and just share their uh stories no

82

00:03:21,190 --> 00:03:19,599

matter how

83

00:03:21,990 --> 00:03:21,200

you know famous or non-famous they might

84

00:03:23,509 --> 00:03:22,000

be

85

00:03:24,869 --> 00:03:23,519

you talk to anybody and ask them have

86

00:03:26,630 --> 00:03:24,879

you ever experienced anything weird and

87

00:03:28,070 --> 00:03:26,640

it it's pretty amazing when you what

88

00:03:29,990 --> 00:03:28,080

people will tell you when you just give

89

00:03:34,229 --> 00:03:30,000

them a chance to open up so

90

00:03:35,910 --> 00:03:34,239

uh let's see oh yes no sev is a

91

00:03:38,630 --> 00:03:35,920

beautiful woman uh i can see her

92

00:03:40,630 --> 00:03:38,640

backstage or no she's uh we don't oh we

93

00:03:42,630 --> 00:03:40,640

gotta smile she says oh she says she

94

00:03:44,149 --> 00:03:42,640

says thank you very much for that so

95

00:03:45,990 --> 00:03:44,159

really quickly too guys before i kick

96

00:03:47,830 --> 00:03:46,000

that off i just want to mention this is

97

00:03:49,190 --> 00:03:47,840

one of the small thing i hate to even

98

00:03:50,710 --> 00:03:49,200

bring it up but

99

00:03:52,070 --> 00:03:50,720

just to get it out of the way we talked

100

00:03:53,190 --> 00:03:52,080

about this last time we're going to keep

101
00:03:54,070 --> 00:03:53,200
talking about it

102
00:03:56,550 --> 00:03:54,080
um

103
00:03:58,070 --> 00:03:56,560
youtube takes 40 percent of of all the

104
00:04:00,229 --> 00:03:58,080
hard work that you guys put in for the

105
00:04:01,830 --> 00:04:00,239
hard money that you guys have earned and

106
00:04:04,229 --> 00:04:01,840
so we have changed up by putting our

107
00:04:05,509 --> 00:04:04,239
paypals and our cash apps and venmo try

108
00:04:07,589 --> 00:04:05,519
to make as many options as we can for

109
00:04:09,990 --> 00:04:07,599
you guys if you would like to donate to

110
00:04:11,990 --> 00:04:10,000
the boys here at the garage and myself

111
00:04:13,910 --> 00:04:12,000
uh please feel free in the show notes we

112
00:04:15,350 --> 00:04:13,920
have all that link for you guys now just

113
00:04:16,710 --> 00:04:15,360

know they are indicated so if you

114

00:04:17,749 --> 00:04:16,720

specifically want to donate to joe and

115

00:04:19,189 --> 00:04:17,759

ben even though we're kind of we're a

116

00:04:20,550 --> 00:04:19,199

collective group of guys we're all doing

117

00:04:21,909 --> 00:04:20,560

the same work but if you want the

118

00:04:24,150 --> 00:04:21,919

donation to go to one person or the

119

00:04:26,150 --> 00:04:24,160

other it is all indicated in case that

120

00:04:27,990 --> 00:04:26,160

matters to you and it's just it's gonna

121

00:04:29,830 --> 00:04:28,000

save us a lot more money and honestly

122

00:04:31,110 --> 00:04:29,840

you too i mean we're talking almost 40

123

00:04:33,270 --> 00:04:31,120

percent of everything you guys donate to

124

00:04:34,550 --> 00:04:33,280

us it's just strictly going to youtube

125

00:04:35,990 --> 00:04:34,560

so if you could kind of start to

126

00:04:37,990 --> 00:04:36,000

transition that that would be amazing

127

00:04:40,070 --> 00:04:38,000

but super chats are always welcome and

128

00:04:42,150 --> 00:04:40,080

they are a great way to support the show

129

00:04:44,150 --> 00:04:42,160

and if you do do that i'm super excited

130

00:04:46,070 --> 00:04:44,160

about this ben sent this over to me last

131

00:04:47,749 --> 00:04:46,080

week which is that every quarter we will

132

00:04:49,670 --> 00:04:47,759

choose a group to donate 20 of our

133

00:04:50,710 --> 00:04:49,680

earnings to help those in need of extra

134

00:04:53,909 --> 00:04:50,720

support

135

00:04:55,909 --> 00:04:53,919

this quarter we chose anomaly archives

136

00:04:57,909 --> 00:04:55,919

let's help anomaly our guys find a new

137

00:04:58,790 --> 00:04:57,919

home if you'd like to donate directly to

138

00:05:00,790 --> 00:04:58,800

them

139

00:05:01,749 --> 00:05:00,800

uh here's that link as well and i'm

140

00:05:04,390 --> 00:05:01,759

going to copy and paste that for you

141

00:05:06,390 --> 00:05:04,400

guys and put it into the chat right now

142

00:05:07,189 --> 00:05:06,400

and like i said we're also donating that

143

00:05:10,550 --> 00:05:07,199

20

144

00:05:12,230 --> 00:05:10,560

to the community content as a whole so

145

00:05:13,430 --> 00:05:12,240

that anything that's going on going

146

00:05:15,510 --> 00:05:13,440

forward whether it be

147

00:05:17,430 --> 00:05:15,520

events venues anything like that

148

00:05:18,790 --> 00:05:17,440

it may not be that much but we're doing

149

00:05:21,110 --> 00:05:18,800

our part to build a help out because

150

00:05:22,710 --> 00:05:21,120

it's helped us so much as a community as

151

00:05:24,070 --> 00:05:22,720

individuals i should say as well as

152

00:05:25,270 --> 00:05:24,080

those we've been able to interact with

153

00:05:27,270 --> 00:05:25,280

and hang out with in the community so

154

00:05:28,790 --> 00:05:27,280

let me just drop this over in the chat

155

00:05:31,430 --> 00:05:28,800

once again if you'd like to help them

156

00:05:33,029 --> 00:05:31,440

out that is going to be right there

157

00:05:34,629 --> 00:05:33,039

all right let's see what else we got no

158

00:05:36,310 --> 00:05:34,639

more super chats

159

00:05:38,550 --> 00:05:36,320

jamie and bree knows what's up they say

160

00:05:40,390 --> 00:05:38,560

no more super chats that's right

161

00:05:42,230 --> 00:05:40,400

uh yeah it used to be 30

162

00:05:43,909 --> 00:05:42,240

and it sometimes is if it exceeds

163

00:05:45,990 --> 00:05:43,919

certain markers then they they bump up

164

00:05:48,070 --> 00:05:46,000

to that 40 percent uh so anytime we had

165

00:05:50,230 --> 00:05:48,080

those big tips anything that was like 25

166

00:05:51,590 --> 00:05:50,240

and plus or 50 especially the 100 ones

167

00:05:53,909 --> 00:05:51,600

uh there was a 40

168

00:05:55,670 --> 00:05:53,919

simon wells from down under my mites

169

00:05:58,230 --> 00:05:55,680

thank you for being here tonight all

170

00:06:00,469 --> 00:05:58,240

right guys enough of me rambling i

171

00:06:02,150 --> 00:06:00,479

believe that concludes all of the

172

00:06:03,670 --> 00:06:02,160

paperwork to get out of the way before

173

00:06:05,510 --> 00:06:03,680

we bring in the reason you guys are all

174

00:06:08,550 --> 00:06:05,520

here tonight which is sev

175

00:06:10,230 --> 00:06:08,560

talk to share her story and her

176

00:06:11,909 --> 00:06:10,240

experiences so

177

00:06:13,749 --> 00:06:11,919

really quick to you guys let me also put

178

00:06:16,390 --> 00:06:13,759

this up on the bottom just put this up

179

00:06:18,309 --> 00:06:16,400

at least all right here we go

180

00:06:20,629 --> 00:06:18,319

now we put this up

181

00:06:22,710 --> 00:06:20,639

oops it didn't even pop up you guys know

182

00:06:24,390 --> 00:06:22,720

i've done this many times here we go

183

00:06:27,029 --> 00:06:24,400

all right before we bring her in guys

184

00:06:29,510 --> 00:06:27,039

sephtuck is a speaker author spiritual

185

00:06:31,830 --> 00:06:29,520

counselor and lifelong experienter

186

00:06:34,070 --> 00:06:31,840

originally from istanbul turkey she

187

00:06:36,150 --> 00:06:34,080

immigrated to the us as a little girl

188

00:06:38,390 --> 00:06:36,160

not knowing english as she started first

189

00:06:40,629 --> 00:06:38,400

grade and earned a bachelor of science

190

00:06:42,230 --> 00:06:40,639

degree in the biology from loyal

191

00:06:45,029 --> 00:06:42,240

university

192

00:06:48,230 --> 00:06:45,039

sev's et contact started at age 10 which

193

00:06:51,350 --> 00:06:48,240

she kept a secret until 2017 when grace

194

00:06:54,230 --> 00:06:51,360

burned a red x mark in her back the ct

195

00:06:56,629 --> 00:06:54,240

contact prompted her to come out in 2018

196

00:06:58,710 --> 00:06:56,639

as a speaker at aliencon and through her

197

00:07:00,950 --> 00:06:58,720

book you have the right to talk about

198

00:07:02,710 --> 00:07:00,960

aliens or excuse me you have the right

199

00:07:04,790 --> 00:07:02,720

to talk to aliens

200

00:07:06,469 --> 00:07:04,800

endorsed by renowned ufo researcher

201
00:07:08,309 --> 00:07:06,479
kathleen martin

202
00:07:11,029 --> 00:07:08,319
she is currently working on her next

203
00:07:14,710 --> 00:07:11,039
book alien wisdom sev is featured in the

204
00:07:17,909 --> 00:07:14,720
canadian tv donkey series encounter ufo

205
00:07:20,070 --> 00:07:17,919
physical contact excuse me ufo physical

206
00:07:22,070 --> 00:07:20,080
contact has been interviewed around the

207
00:07:23,990 --> 00:07:22,080
world speaks at conferences and is

208
00:07:26,150 --> 00:07:24,000
honored to be the master

209
00:07:29,270 --> 00:07:26,160
of ceremonies at mufon's international

210
00:07:30,710 --> 00:07:29,280
symposium in denver in july 2022 which

211
00:07:32,790 --> 00:07:30,720
is coming up guys

212
00:07:34,390 --> 00:07:32,800
as a mufon field investigator for north

213
00:07:37,110 --> 00:07:34,400

carolina and a member of mufon's

214

00:07:39,589 --> 00:07:37,120

experiencer resource team ert

215

00:07:41,830 --> 00:07:39,599

sev helps experiencers around the world

216

00:07:43,510 --> 00:07:41,840

she also offers guidances to experiences

217

00:07:45,830 --> 00:07:43,520

through through

218

00:07:48,830 --> 00:07:45,840

excuse me experiencers through tell me

219

00:07:50,390 --> 00:07:48,840

your et story on her website

220

00:07:52,309 --> 00:07:50,400

planetsev.com

221

00:07:55,270 --> 00:07:52,319

her monthly newsletter and her youtube

222

00:07:56,309 --> 00:07:55,280

channel alien spirit tv seth's newest

223

00:07:59,830 --> 00:07:56,319

endeavor

224

00:08:01,670 --> 00:07:59,840

is her online course the psychic studio

225

00:08:03,350 --> 00:08:01,680

created to expand one's paranormal

226

00:08:05,510 --> 00:08:03,360

abilities well that'll be interesting

227

00:08:07,670 --> 00:08:05,520

we'll dig into that tonight for sure

228

00:08:09,589 --> 00:08:07,680

excuse me the six module course includes

229

00:08:10,790 --> 00:08:09,599

the newest insight research written

230

00:08:12,550 --> 00:08:10,800

information

231

00:08:15,749 --> 00:08:12,560

videos on how to strengthen your psychic

232

00:08:17,909 --> 00:08:15,759

abilities and the physic for him a live

233

00:08:19,670 --> 00:08:17,919

interaction zoom session with sev

234

00:08:21,510 --> 00:08:19,680

for the past 12 years sev has been

235

00:08:23,430 --> 00:08:21,520

conducting soul sessions with clients

236

00:08:25,749 --> 00:08:23,440

around the world providing

237

00:08:28,230 --> 00:08:25,759

inter-dimensional guidance to activate

238

00:08:30,629 --> 00:08:28,240

one's purpose to manifest a fulfilling

239

00:08:32,709 --> 00:08:30,639

successful and dynamic life

240

00:08:34,870 --> 00:08:32,719

a planet and star system is named after

241

00:08:36,310 --> 00:08:34,880

her in star wars galactic system i did

242

00:08:38,389 --> 00:08:36,320

know this one actually guys i had that

243

00:08:41,509 --> 00:08:38,399

one on there you can find the seftak

244

00:08:43,990 --> 00:08:41,519

star system and planet in wikipedia

245

00:08:46,230 --> 00:08:44,000

self lives in her excuse me on the inner

246

00:08:48,150 --> 00:08:46,240

banks of north carolina and is available

247

00:08:50,630 --> 00:08:48,160

for speaking arrangement and cons and

248

00:08:51,990 --> 00:08:50,640

consultation and med and media

249

00:08:53,750 --> 00:08:52,000

appearances

250

00:08:55,190 --> 00:08:53,760

and in saying all that guys i would like

251

00:08:57,990 --> 00:08:55,200

to actually go to the right screen so i

252

00:09:00,389 --> 00:08:58,000

can actually bring in sev whoops did i

253

00:09:01,910 --> 00:09:00,399

lose sev no here it is i got too many

254

00:09:04,150 --> 00:09:01,920

screens open sev

255

00:09:06,150 --> 00:09:04,160

thank you for being on the ufo garage

256

00:09:07,190 --> 00:09:06,160

tonight we're in the uh on the other end

257

00:09:09,190 --> 00:09:07,200

of it which is

258

00:09:10,870 --> 00:09:09,200

old blue with big willy so thank you for

259

00:09:12,389 --> 00:09:10,880

being here tonight and guys everything i

260

00:09:13,829 --> 00:09:12,399

just mentioned

261

00:09:15,110 --> 00:09:13,839

is linked in the show notes and i do

262

00:09:16,949 --> 00:09:15,120

have links those that i will be dropping

263

00:09:18,550 --> 00:09:16,959

periodically throughout the night so

264

00:09:20,310 --> 00:09:18,560

please know if you are interested in any

265

00:09:21,990 --> 00:09:20,320

one of those things please scroll down

266

00:09:23,750 --> 00:09:22,000

and they are all listed individually for

267

00:09:24,870 --> 00:09:23,760

your convenience i don't think we could

268

00:09:27,110 --> 00:09:24,880

have made it much more convenient for

269

00:09:28,389 --> 00:09:27,120

you so please please go check it out for

270

00:09:29,750 --> 00:09:28,399

sure her youtube channel wherever she

271

00:09:32,310 --> 00:09:29,760

would like you to check it out so seth

272

00:09:33,110 --> 00:09:32,320

thank you for being here tonight

273

00:09:35,590 --> 00:09:33,120

well

274

00:09:37,350 --> 00:09:35,600

good evening everyone i'm very happy to

275

00:09:39,670 --> 00:09:37,360

be here with you thank you

276

00:09:41,670 --> 00:09:39,680

oh thank you for uh making the time like

277

00:09:43,110 --> 00:09:41,680

i said i know it's a it's a little later

278

00:09:44,949 --> 00:09:43,120

in the evening but

279

00:09:45,990 --> 00:09:44,959

sometimes that's the way it goes i mean

280

00:09:47,750 --> 00:09:46,000

it's uh

281

00:09:49,590 --> 00:09:47,760

who knows the winter times i feel like

282

00:09:50,550 --> 00:09:49,600

you know what what is it right now 10 10

283

00:09:52,310 --> 00:09:50,560

30

284

00:09:54,230 --> 00:09:52,320

in the summer time come on there's still

285

00:09:55,430 --> 00:09:54,240

some times i'm out in the bonfire at 10

286

00:09:57,590 --> 00:09:55,440

30. you know what i mean the sun's maybe

287

00:09:59,030 --> 00:09:57,600

gone down not that long ago but like in

288

00:10:01,750 --> 00:09:59,040

the winter time it's like 10 30 i'm like

289

00:10:03,350 --> 00:10:01,760

oh my gosh it's been dark for hours i

290

00:10:06,710 --> 00:10:03,360

need to go hibernate i don't know

291

00:10:08,310 --> 00:10:06,720

everywhere i am so it's just

292

00:10:10,150 --> 00:10:08,320

oh man

293

00:10:12,310 --> 00:10:10,160

yes so thank you for being here once

294

00:10:14,230 --> 00:10:12,320

again and like i said i will make sure i

295

00:10:17,030 --> 00:10:14,240

drop these over here in the

296

00:10:17,990 --> 00:10:17,040

the notes as well as in the chat for

297

00:10:19,829 --> 00:10:18,000

people that would like to check out your

298

00:10:21,590 --> 00:10:19,839

books because you do have two of them

299

00:10:22,550 --> 00:10:21,600

now so let's let's get that out of the

300

00:10:23,829 --> 00:10:22,560

way because like i said people always

301
00:10:25,350 --> 00:10:23,839
forget they always mention stuff at the

302
00:10:26,389 --> 00:10:25,360
end and i always think it's important to

303
00:10:27,110 --> 00:10:26,399
get that out of the way in the beginning

304
00:10:28,630 --> 00:10:27,120
so

305
00:10:31,590 --> 00:10:28,640
what was your first book and what

306
00:10:33,990 --> 00:10:31,600
inspired that let's start there

307
00:10:35,590 --> 00:10:34,000
uh the first book is you have the right

308
00:10:39,110 --> 00:10:35,600
to talk to aliens

309
00:10:40,949 --> 00:10:39,120
and that came out in august 2018 and

310
00:10:42,470 --> 00:10:40,959
that was my coming out

311
00:10:44,790 --> 00:10:42,480
uh

312
00:10:48,389 --> 00:10:44,800
i had the

313
00:10:49,910 --> 00:10:48,399

the encounter with the grays uh in 2017

314

00:10:52,710 --> 00:10:49,920

here on the inner banks of north

315

00:10:55,110 --> 00:10:52,720

carolina where they put the two red x

316

00:10:55,990 --> 00:10:55,120

marks on my tush

317

00:10:57,110 --> 00:10:56,000

and

318

00:10:58,550 --> 00:10:57,120

that

319

00:11:01,990 --> 00:10:58,560

changed my life

320

00:11:03,829 --> 00:11:02,000

and uh that led me to kathleen martin

321

00:11:05,910 --> 00:11:03,839

because i needed help i had to process

322

00:11:08,230 --> 00:11:05,920

it because i finally had to face what

323

00:11:10,550 --> 00:11:08,240

i've been denying my whole entire life

324

00:11:12,550 --> 00:11:10,560

i've been a lifelong experiencer but

325

00:11:14,710 --> 00:11:12,560

i've been denying it i've just been

326

00:11:18,550 --> 00:11:14,720

trying to hide it for myself so these

327

00:11:20,069 --> 00:11:18,560

two x's finally made me face it and i

328

00:11:23,269 --> 00:11:20,079

was scared

329

00:11:25,269 --> 00:11:23,279

uh yep that's the first x that appeared

330

00:11:26,069 --> 00:11:25,279

on my left cheek

331

00:11:27,509 --> 00:11:26,079

and

332

00:11:29,990 --> 00:11:27,519

uh

333

00:11:31,910 --> 00:11:30,000

it happened the second night i moved

334

00:11:36,470 --> 00:11:31,920

here to the inner banks

335

00:11:39,990 --> 00:11:36,480

and i was in the kitchen unpacking

336

00:11:43,350 --> 00:11:40,000

and i felt something bite my butt and it

337

00:11:44,470 --> 00:11:43,360

hurt so i yelled over to my boyfriend at

338

00:11:47,110 --> 00:11:44,480

the time

339

00:11:48,389 --> 00:11:47,120

uh patrick i yelled over patrick will

340

00:11:51,110 --> 00:11:48,399

you please look at my butt because i

341

00:11:55,110 --> 00:11:51,120

think something did it yeah oh he's like

342

00:11:57,670 --> 00:11:55,120

yeah uh so i walk over to the couch and

343

00:11:59,829 --> 00:11:57,680

i went over and he says nothing and i

344

00:12:02,470 --> 00:11:59,839

started to get very afraid and at this

345

00:12:04,790 --> 00:12:02,480

point i had been having contact with the

346

00:12:06,790 --> 00:12:04,800

greys and i thought back then that the

347

00:12:08,870 --> 00:12:06,800

graves were bad i thought they were evil

348

00:12:10,710 --> 00:12:08,880

but now i don't think that anymore but

349

00:12:11,990 --> 00:12:10,720

back then i did

350

00:12:14,470 --> 00:12:12,000

so

351

00:12:16,470 --> 00:12:14,480

after what seemed like a lifetime of

352

00:12:18,790 --> 00:12:16,480

silence i asked them well is there

353

00:12:21,269 --> 00:12:18,800

something did something bite me

354

00:12:22,470 --> 00:12:21,279

and you said yeah and there's also a red

355

00:12:25,430 --> 00:12:22,480

x

356

00:12:28,550 --> 00:12:25,440

and he showed me a picture of this and i

357

00:12:30,550 --> 00:12:28,560

was just shocked and i knew right away

358

00:12:32,710 --> 00:12:30,560

that it was a grace

359

00:12:34,389 --> 00:12:32,720

and i said to him okay we're just going

360

00:12:36,949 --> 00:12:34,399

to ignore this we're going to pretend

361

00:12:38,550 --> 00:12:36,959

like this never happened because that's

362

00:12:40,710 --> 00:12:38,560

what i've been used to doing my whole

363

00:12:42,389 --> 00:12:40,720

entire life every time something weird

364

00:12:44,389 --> 00:12:42,399

happened there was something weird on my

365

00:12:45,910 --> 00:12:44,399

body just ignore it

366

00:12:47,509 --> 00:12:45,920

how did you handle that if you don't

367

00:12:48,790 --> 00:12:47,519

mind asking as far as you kind of just

368

00:12:50,310 --> 00:12:48,800

shutting this down because i'm looking

369

00:12:52,710 --> 00:12:50,320

at the marks as well as those in the

370

00:12:54,389 --> 00:12:52,720

chat and i think we can all conclude

371

00:12:55,509 --> 00:12:54,399

that that's i mean that's not a normal

372

00:12:57,269 --> 00:12:55,519

that's not a

373

00:12:59,670 --> 00:12:57,279

bug but right that's not something

374

00:13:01,269 --> 00:12:59,680

you're gonna just chalk up is

375

00:13:03,110 --> 00:13:01,279

you know rationally i suppose even

376

00:13:04,710 --> 00:13:03,120

trying to be rational about it does that

377

00:13:05,590 --> 00:13:04,720

look like a bed bug bite or something

378

00:13:07,829 --> 00:13:05,600

you know what i mean if you're trying to

379

00:13:10,150 --> 00:13:07,839

think of just anything it could be

380

00:13:12,230 --> 00:13:10,160

yeah i tried i tried to figure out what

381

00:13:14,310 --> 00:13:12,240

it could be and my boyfriend at the time

382

00:13:16,069 --> 00:13:14,320

was he's very logical and

383

00:13:17,110 --> 00:13:16,079

he he was

384

00:13:19,910 --> 00:13:17,120

stunned

385

00:13:22,629 --> 00:13:19,920

and i've had people look at it i've had

386

00:13:24,710 --> 00:13:22,639

people measure in between the circles

387

00:13:27,190 --> 00:13:24,720

and they're equidistant

388

00:13:29,750 --> 00:13:27,200

and they're red and they were flush

389

00:13:32,470 --> 00:13:29,760

against my skin so if i when i touched

390

00:13:35,829 --> 00:13:32,480

it with my fingers i couldn't feel it

391

00:13:38,150 --> 00:13:35,839

and then uh nine days later

392

00:13:39,189 --> 00:13:38,160

i came to in my bedroom

393

00:13:41,829 --> 00:13:39,199

and

394

00:13:44,230 --> 00:13:41,839

i had this download of a memory

395

00:13:47,509 --> 00:13:44,240

where i was uh

396

00:13:50,150 --> 00:13:47,519

lying on a bed that was that resembled a

397

00:13:52,150 --> 00:13:50,160

hospital bed

398

00:13:54,069 --> 00:13:52,160

and i was on my side

399

00:13:57,350 --> 00:13:54,079

and i couldn't move my arms and i

400

00:13:59,910 --> 00:13:57,360

couldn't move my legs i felt paralyzed

401
00:14:02,949 --> 00:13:59,920
and i felt something behind me so i

402
00:14:06,310 --> 00:14:02,959
could move my head and i turn around and

403
00:14:10,310 --> 00:14:07,269
and

404
00:14:13,670 --> 00:14:10,320
we looked into his others eyes

405
00:14:15,509 --> 00:14:13,680
we locked eyes and

406
00:14:18,710 --> 00:14:15,519
i described in the book it was like

407
00:14:20,230 --> 00:14:18,720
looking into two pools of black oil

408
00:14:22,710 --> 00:14:20,240
and there was no telepathic

409
00:14:24,230 --> 00:14:22,720
communication in the past every time i

410
00:14:26,629 --> 00:14:24,240
had contact with the grace there was

411
00:14:28,829 --> 00:14:26,639
telepathic communication this time there

412
00:14:32,150 --> 00:14:28,839
was nothing and that freaked me out even

413
00:14:34,150 --> 00:14:32,160

more uh for some reason as humans we

414

00:14:36,310 --> 00:14:34,160

don't like neutral behavior neutral

415

00:14:38,150 --> 00:14:36,320

behavior kind of freaks us out we either

416

00:14:40,790 --> 00:14:38,160

want you to be really nice or really

417

00:14:42,069 --> 00:14:40,800

mean but like just totally neutral it's

418

00:14:43,030 --> 00:14:42,079

kind of creepy

419

00:14:45,670 --> 00:14:43,040

yeah

420

00:14:48,389 --> 00:14:45,680

and so i was scared to death

421

00:14:50,790 --> 00:14:48,399

and i turned my head back around

422

00:14:55,910 --> 00:14:50,800

and then i was popped into my bedroom

423

00:14:58,069 --> 00:14:55,920

and i went downstairs i waited for um

424

00:15:00,150 --> 00:14:58,079

patrick to wake up and the weird thing

425

00:15:02,629 --> 00:15:00,160

is he always gets up before i do but for

426

00:15:04,389 --> 00:15:02,639

some reason i got up before he did and i

427

00:15:06,150 --> 00:15:04,399

was very very nervous

428

00:15:08,150 --> 00:15:06,160

because as i'm waiting for him i'm

429

00:15:11,910 --> 00:15:08,160

thinking

430

00:15:13,670 --> 00:15:11,920

if i have another x i'm i don't think i

431

00:15:16,230 --> 00:15:13,680

can handle it like this is too much for

432

00:15:18,710 --> 00:15:16,240

me i won't be able to deal with it

433

00:15:21,350 --> 00:15:18,720

so he came downstairs and i told him

434

00:15:22,550 --> 00:15:21,360

everything and i also told him there's

435

00:15:25,350 --> 00:15:22,560

one more thing

436

00:15:27,829 --> 00:15:25,360

that i've never experienced before and

437

00:15:28,949 --> 00:15:27,839

when i was lying on that bed in that

438

00:15:31,990 --> 00:15:28,959

room

439

00:15:33,189 --> 00:15:32,000

i knew i was on the moon

440

00:15:35,990 --> 00:15:33,199

really

441

00:15:36,949 --> 00:15:36,000

yeah just a sense of knowing

442

00:15:40,069 --> 00:15:36,959

yeah

443

00:15:42,230 --> 00:15:40,079

and i've never had that before

444

00:15:43,749 --> 00:15:42,240

yeah that's i mean

445

00:15:44,790 --> 00:15:43,759

and it's so interesting to me to mention

446

00:15:47,990 --> 00:15:44,800

that and you're not the only one i

447

00:15:50,150 --> 00:15:48,000

suppose that is those have mentioned uh

448

00:15:51,749 --> 00:15:50,160

before knowing about possibly some of

449

00:15:53,269 --> 00:15:51,759

the interactions with say the moon and

450

00:15:55,269 --> 00:15:53,279

things that have happened that way now i

451
00:15:57,910 --> 00:15:55,279
believe this was a rendition or excuse

452
00:16:00,550 --> 00:15:57,920
me a artist rendition of

453
00:16:01,910 --> 00:16:00,560
what you've seen the yeah

454
00:16:03,430 --> 00:16:01,920
that was the grey that was standing

455
00:16:04,710 --> 00:16:03,440
right behind me

456
00:16:08,389 --> 00:16:04,720
i got you

457
00:16:11,829 --> 00:16:08,399
yeah and he was about four feet tall and

458
00:16:12,870 --> 00:16:11,839
his skin was like a cross between gray

459
00:16:15,430 --> 00:16:12,880
and

460
00:16:17,829 --> 00:16:15,440
human pink skin

461
00:16:21,189 --> 00:16:17,839
and um

462
00:16:22,550 --> 00:16:21,199
so after i told my ex what happened and

463
00:16:24,710 --> 00:16:22,560

where i was

464

00:16:26,629 --> 00:16:24,720

i asked him to uh

465

00:16:29,910 --> 00:16:26,639

look at my butt again

466

00:16:30,629 --> 00:16:29,920

and he did and there was silence and i

467

00:16:32,790 --> 00:16:30,639

knew

468

00:16:35,189 --> 00:16:32,800

and i said well is there another x and

469

00:16:37,110 --> 00:16:35,199

he said yes there's another x

470

00:16:38,790 --> 00:16:37,120

just like the first one but this time

471

00:16:41,110 --> 00:16:38,800

it's on the right cheek and they were

472

00:16:43,509 --> 00:16:41,120

directly across from each other and i

473

00:16:47,110 --> 00:16:43,519

have a picture of it in my book

474

00:16:50,629 --> 00:16:47,120

and uh it's really hard to describe what

475

00:16:53,110 --> 00:16:50,639

it feels like when

476
00:16:55,590 --> 00:16:53,120
everything you know was just shattered

477
00:16:58,629 --> 00:16:55,600
it was like a rug of reality was just

478
00:17:01,110 --> 00:16:58,639
pulled out yanked out from underneath me

479
00:17:03,030 --> 00:17:01,120
and i was scared and i was angry because

480
00:17:05,510 --> 00:17:03,040
like i said i didn't like the grace back

481
00:17:06,390 --> 00:17:05,520
then and i thought they were toying with

482
00:17:10,069 --> 00:17:06,400
me

483
00:17:11,909 --> 00:17:10,079
and i was confused i was like what am i

484
00:17:13,829 --> 00:17:11,919
doing in the middle of the night hanging

485
00:17:16,870 --> 00:17:13,839
out with aliens and why are they putting

486
00:17:19,750 --> 00:17:16,880
marks on my body and who am i and who

487
00:17:20,549 --> 00:17:19,760
are we and what's happening

488
00:17:23,350 --> 00:17:20,559

and

489

00:17:24,309 --> 00:17:23,360

uh it was like an existential crisis

490

00:17:25,669 --> 00:17:24,319

yeah

491

00:17:29,029 --> 00:17:25,679

and so

492

00:17:30,789 --> 00:17:29,039

um he my ex asked me well what can i do

493

00:17:33,029 --> 00:17:30,799

for you how can i help you and there was

494

00:17:34,390 --> 00:17:33,039

nothing i had no answer

495

00:17:36,630 --> 00:17:34,400

um

496

00:17:38,470 --> 00:17:36,640

i just calmed myself down and i told

497

00:17:40,390 --> 00:17:38,480

them i need help i don't know where the

498

00:17:43,190 --> 00:17:40,400

help is going to come from but for the

499

00:17:45,350 --> 00:17:43,200

first time in my life i i have to admit

500

00:17:47,590 --> 00:17:45,360

that i need help and i just let it

501
00:17:48,470 --> 00:17:47,600
organically happen and that's how i

502
00:17:51,830 --> 00:17:48,480
found

503
00:17:54,310 --> 00:17:51,840
kathleen martin it was a big help for me

504
00:17:56,710 --> 00:17:54,320
do you think in some ways because and

505
00:17:58,549 --> 00:17:56,720
correct me if i'm wrong we

506
00:18:00,150 --> 00:17:58,559
that you know of yet you've never

507
00:18:03,110 --> 00:18:00,160
figured out the exact reason for the

508
00:18:07,510 --> 00:18:05,830
uh i have my personal theories why

509
00:18:08,789 --> 00:18:07,520
okay

510
00:18:10,390 --> 00:18:08,799
well i was just curious because the

511
00:18:12,630 --> 00:18:10,400
reason i'm kind of asking is because you

512
00:18:14,310 --> 00:18:12,640
you had had these interactions you you

513
00:18:15,750 --> 00:18:14,320

knew about them from age 10 right

514

00:18:17,430 --> 00:18:15,760

leading up to this

515

00:18:18,789 --> 00:18:17,440

but do you think it was just enough in

516

00:18:20,230 --> 00:18:18,799

your face where it was like all right

517

00:18:22,150 --> 00:18:20,240

you can't ignore this anymore you can't

518

00:18:24,310 --> 00:18:22,160

pretend and brush it off as a memory

519

00:18:25,669 --> 00:18:24,320

right i mean i'm just curious that is i

520

00:18:27,669 --> 00:18:25,679

guess the

521

00:18:29,029 --> 00:18:27,679

consensus in my own head just from

522

00:18:30,549 --> 00:18:29,039

listening to you in the past and you

523

00:18:32,390 --> 00:18:30,559

tell your story and i've always wanted

524

00:18:34,470 --> 00:18:32,400

to ask you that and because

525

00:18:35,909 --> 00:18:34,480

i guess in your own words how do you

526

00:18:38,630 --> 00:18:35,919

feel or why do you feel that that took

527

00:18:41,270 --> 00:18:38,640

place so so uh in your face as it were

528

00:18:43,430 --> 00:18:41,280

with such a large marking like that yeah

529

00:18:45,190 --> 00:18:43,440

well i needed something drastic because

530

00:18:47,750 --> 00:18:45,200

they had been giving me signs my whole

531

00:18:51,510 --> 00:18:47,760

entire life and i just kept ignoring it

532

00:18:53,270 --> 00:18:51,520

uh there would be marks on my body uh a

533

00:18:55,510 --> 00:18:53,280

scoop mark i remember one time looking

534

00:18:58,230 --> 00:18:55,520

down and there was a group of skin

535

00:19:00,310 --> 00:18:58,240

missing and there was no bloat

536

00:19:01,990 --> 00:19:00,320

and you know how paper cut hurts like i

537

00:19:03,990 --> 00:19:02,000

didn't even feel that there was no scab

538

00:19:06,549 --> 00:19:04,000

or anything so i'd look at that and i

539

00:19:08,789 --> 00:19:06,559

would just make an excuse for it um

540

00:19:10,710 --> 00:19:08,799

there'd be like triangular shaped things

541

00:19:13,750 --> 00:19:10,720

on my body and i would just laugh it off

542

00:19:16,070 --> 00:19:13,760

and say oh bug bit me in a triangle

543

00:19:18,549 --> 00:19:16,080

uh one time there was a

544

00:19:20,789 --> 00:19:18,559

literally a rectangle sliced out of my

545

00:19:22,230 --> 00:19:20,799

back you could you could see four

546

00:19:23,669 --> 00:19:22,240

straight gosh

547

00:19:26,870 --> 00:19:23,679

marks i have a picture of that in the

548

00:19:29,029 --> 00:19:26,880

book too i just kept ignoring everything

549

00:19:30,950 --> 00:19:29,039

uh and

550

00:19:34,310 --> 00:19:30,960

i do think that

551
00:19:35,909 --> 00:19:34,320
i have agreed in a higher sense from a

552
00:19:36,830 --> 00:19:35,919
higher perspective

553
00:19:45,350 --> 00:19:36,840
to

554
00:19:48,470 --> 00:19:45,360
uh

555
00:19:50,870 --> 00:19:48,480
and just to wake some people up and i

556
00:19:53,510 --> 00:19:50,880
wasn't doing it so i needed something

557
00:19:55,270 --> 00:19:53,520
huge uh not everybody needs a huge

558
00:19:57,430 --> 00:19:55,280
wake-up call or like to be clobbered

559
00:19:59,430 --> 00:19:57,440
over the head so like wake up

560
00:20:01,350 --> 00:19:59,440
and to express their authentic selves

561
00:20:03,029 --> 00:20:01,360
but i did

562
00:20:04,230 --> 00:20:03,039
do let's let's do this a little bit

563
00:20:05,669 --> 00:20:04,240

because i love what you just said there

564

00:20:08,630 --> 00:20:05,679

about the fact that you're you're

565

00:20:10,789 --> 00:20:08,640

helping you know wake others up and

566

00:20:12,470 --> 00:20:10,799

um i know sometimes that term some

567

00:20:13,990 --> 00:20:12,480

people associate that with a kind of a

568

00:20:15,350 --> 00:20:14,000

derogatory term anymore i don't really

569

00:20:17,270 --> 00:20:15,360

think it is because i think you're

570

00:20:20,230 --> 00:20:17,280

helping wake you literally are helping

571

00:20:21,909 --> 00:20:20,240

those wake up to themselves right and

572

00:20:23,590 --> 00:20:21,919

let's go back to you

573

00:20:24,870 --> 00:20:23,600

uh your first experience because this is

574

00:20:26,390 --> 00:20:24,880

something that i believe a lot of

575

00:20:28,630 --> 00:20:26,400

experiences even if it's not clear for

576

00:20:29,990 --> 00:20:28,640

them sometimes it is very oddly clear

577

00:20:31,669 --> 00:20:30,000

that first experience more than maybe

578

00:20:33,270 --> 00:20:31,679

even the others that have followed

579

00:20:34,390 --> 00:20:33,280

what was your first experience as that

580

00:20:35,909 --> 00:20:34,400

10 year old girl

581

00:20:37,909 --> 00:20:35,919

and did you have an experience prior to

582

00:20:40,470 --> 00:20:37,919

that or is it just that's when you knew

583

00:20:43,190 --> 00:20:40,480

that an experience had taken place

584

00:20:46,149 --> 00:20:43,200

my first conscious memory

585

00:20:49,110 --> 00:20:46,159

was when i was 10 and i was

586

00:20:50,710 --> 00:20:49,120

regularly visited by this being

587

00:20:53,430 --> 00:20:50,720

for a couple of years

588

00:20:56,549 --> 00:20:53,440

uh so many times that i lost count and

589

00:20:59,350 --> 00:20:56,559

this being resembled a human male just

590

00:21:01,909 --> 00:20:59,360

slightly different and he would come in

591

00:21:03,669 --> 00:21:01,919

this big spaceship and each time he came

592

00:21:06,149 --> 00:21:03,679

from a different direction

593

00:21:08,070 --> 00:21:06,159

and he would hover over me i could see

594

00:21:09,669 --> 00:21:08,080

underneath and it was so big like i

595

00:21:12,870 --> 00:21:09,679

couldn't see the sky

596

00:21:14,830 --> 00:21:12,880

and i was so happy i was really excited

597

00:21:18,230 --> 00:21:14,840

because i felt like i was seeing a

598

00:21:20,470 --> 00:21:18,240

brother uh and he would come down and

599

00:21:22,390 --> 00:21:20,480

we'd talk and he'd just check up on me

600

00:21:23,830 --> 00:21:22,400

and make sure i was okay

601
00:21:35,669 --> 00:21:23,840
and

602
00:21:37,190 --> 00:21:35,679
anything to anybody now i could have

603
00:21:38,470 --> 00:21:37,200
told my parents because my parents were

604
00:21:41,669 --> 00:21:38,480
very open

605
00:21:44,870 --> 00:21:41,679
um but i didn't and i don't know why

606
00:21:47,590 --> 00:21:44,880
so see how that happens isn't it

607
00:21:49,990 --> 00:21:47,600
so this one for a couple of years okay

608
00:21:51,909 --> 00:21:50,000
and i remember the last one the last

609
00:21:53,909 --> 00:21:51,919
time i saw him this was very different

610
00:21:55,990 --> 00:21:53,919
because this time for the first time i

611
00:21:57,750 --> 00:21:56,000
was with other children

612
00:22:00,149 --> 00:21:57,760
and i didn't see their faces because we

613
00:22:02,390 --> 00:22:00,159

were lined up like this but i was just

614

00:22:04,390 --> 00:22:02,400

in my peripheral vision i could see kids

615

00:22:06,789 --> 00:22:04,400

that were about my height

616

00:22:08,470 --> 00:22:06,799

and we were just watching this spaceship

617

00:22:12,470 --> 00:22:08,480

just go off

618

00:22:14,310 --> 00:22:12,480

and we were very sad and i knew i'm not

619

00:22:15,669 --> 00:22:14,320

going to see him anymore and this is

620

00:22:17,909 --> 00:22:15,679

very sad

621

00:22:20,070 --> 00:22:17,919

i have to do my work

622

00:22:21,590 --> 00:22:20,080

and then i find myself in my bedroom and

623

00:22:23,830 --> 00:22:21,600

i have to get ready for elementary

624

00:22:25,750 --> 00:22:23,840

school and at that time i didn't know

625

00:22:27,350 --> 00:22:25,760

what my work meant i didn't know what

626

00:22:29,430 --> 00:22:27,360

any of that meant

627

00:22:31,590 --> 00:22:29,440

it was just a message that came to me

628

00:22:34,230 --> 00:22:31,600

and i just chose to forget it for a long

629

00:22:36,149 --> 00:22:34,240

time now it's starting to make sense and

630

00:22:37,990 --> 00:22:36,159

i'm also hoping that i'm starting to

631

00:22:40,149 --> 00:22:38,000

meet those other kids that were lined up

632

00:22:41,350 --> 00:22:40,159

with me too

633

00:22:43,830 --> 00:22:41,360

you know that's something i was going to

634

00:22:45,590 --> 00:22:43,840

ask you about because

635

00:22:47,190 --> 00:22:45,600

yeah two things that i noticed right off

636

00:22:49,190 --> 00:22:47,200

the bat that seemed to happen to a lot

637

00:22:51,270 --> 00:22:49,200

of experiencers which is they never tell

638

00:22:53,590 --> 00:22:51,280

their story right well let me rephrase

639

00:22:54,710 --> 00:22:53,600

that they don't sometimes disclose to

640

00:22:56,230 --> 00:22:54,720

the closest people in their life that

641

00:22:57,510 --> 00:22:56,240

they would disclose anything else to you

642

00:22:58,870 --> 00:22:57,520

like you said you had it wasn't that

643

00:23:00,070 --> 00:22:58,880

your parents were hard on you then they

644

00:23:01,430 --> 00:23:00,080

were open

645

00:23:02,789 --> 00:23:01,440

they're just something seems to almost

646

00:23:05,190 --> 00:23:02,799

block this

647

00:23:06,830 --> 00:23:05,200

and in the second part being the

648

00:23:09,350 --> 00:23:06,840

interaction with

649

00:23:11,350 --> 00:23:09,360

um knowing other people were there not

650

00:23:12,950 --> 00:23:11,360

not necessarily other entities or other

651
00:23:14,789 --> 00:23:12,960
you know other off-world aliens or

652
00:23:15,830 --> 00:23:14,799
anything like that but that they were

653
00:23:17,190 --> 00:23:15,840
literal

654
00:23:19,110 --> 00:23:17,200
it sounds and from hopefully i'm not

655
00:23:21,110 --> 00:23:19,120
overstepping my balance here but other

656
00:23:23,669 --> 00:23:21,120
children from earth is what you were it

657
00:23:24,950 --> 00:23:23,679
felt like you were experiencing right

658
00:23:27,590 --> 00:23:24,960
that's um

659
00:23:29,669 --> 00:23:27,600
man i i always find that story so i mean

660
00:23:31,430 --> 00:23:29,679
in regards to any person who had an

661
00:23:33,110 --> 00:23:31,440
experience as a young child

662
00:23:35,110 --> 00:23:33,120
the commonality of knowing other

663
00:23:37,110 --> 00:23:35,120

children is there that's something that

664

00:23:39,190 --> 00:23:37,120

has always resonated with i've always

665

00:23:40,950 --> 00:23:39,200

been drawn to that thing alone i don't

666

00:23:42,149 --> 00:23:40,960

know why necessarily but that's

667

00:23:44,630 --> 00:23:42,159

something i do think it sticks out

668

00:23:46,470 --> 00:23:44,640

because the idea that like you said

669

00:23:47,909 --> 00:23:46,480

have you felt in any way shape or form

670

00:23:49,909 --> 00:23:47,919

that you needed to find any of these

671

00:23:52,070 --> 00:23:49,919

other people or that you might have

672

00:23:55,510 --> 00:23:52,080

maybe experienced this with

673

00:23:58,789 --> 00:23:55,520

i'm open to connecting with them i'm not

674

00:24:01,269 --> 00:23:58,799

sure if i have sometimes it feels like

675

00:24:04,230 --> 00:24:01,279

i've met someone that i

676

00:24:05,350 --> 00:24:04,240

i can't describe the closeness that i

677

00:24:08,789 --> 00:24:05,360

feel

678

00:24:10,789 --> 00:24:08,799

um but i'm not certain

679

00:24:12,950 --> 00:24:10,799

i understand that that i mean i was

680

00:24:13,990 --> 00:24:12,960

gonna say it's uh

681

00:24:15,190 --> 00:24:14,000

that's something that's always puzzled

682

00:24:16,470 --> 00:24:15,200

me too and that's a whole other rabbit

683

00:24:17,590 --> 00:24:16,480

hole right when you meet somebody that's

684

00:24:19,350 --> 00:24:17,600

like you just

685

00:24:21,029 --> 00:24:19,360

you've never met them but it's like you

686

00:24:21,830 --> 00:24:21,039

you know who this person is and it's a

687

00:24:22,950 --> 00:24:21,840

very

688

00:24:24,310 --> 00:24:22,960

i think people know if you've

689

00:24:25,590 --> 00:24:24,320

experienced that you know what it is

690

00:24:27,350 --> 00:24:25,600

like it's a it's a piece of you

691

00:24:30,310 --> 00:24:27,360

recognized as a piece of them right it's

692

00:24:32,549 --> 00:24:30,320

just something innately in you um but

693

00:24:34,630 --> 00:24:32,559

moving on here a little bit so you're

694

00:24:35,590 --> 00:24:34,640

through middle school things kind of

695

00:24:37,350 --> 00:24:35,600

kicked off

696

00:24:38,789 --> 00:24:37,360

they basically ended there did you did

697

00:24:39,990 --> 00:24:38,799

you continue to have any sort of

698

00:24:41,909 --> 00:24:40,000

interactions or did you just kind of

699

00:24:45,590 --> 00:24:41,919

stop

700

00:24:48,950 --> 00:24:45,600

uh as far as the et stuff goes i don't

701
00:24:51,990 --> 00:24:48,960
have a lot of conscious memories until

702
00:24:53,110 --> 00:24:52,000
uh later but i will tell you during that

703
00:24:55,269 --> 00:24:53,120
time

704
00:24:57,590 --> 00:24:55,279
my parents taught my sister and i had to

705
00:25:01,990 --> 00:24:57,600
meditate when i was in fifth grade

706
00:25:04,549 --> 00:25:02,000
so i was meditating uh yeah and

707
00:25:05,669 --> 00:25:04,559
our parents and my sister and i would

708
00:25:08,310 --> 00:25:05,679
talk about

709
00:25:09,750 --> 00:25:08,320
uh astral planes and

710
00:25:13,430 --> 00:25:09,760
uh

711
00:25:17,350 --> 00:25:13,440
past lives and we have a soul

712
00:25:18,630 --> 00:25:17,360
and so i was at a very young age

713
00:25:20,630 --> 00:25:18,640

um

714

00:25:22,310 --> 00:25:20,640

taught these things and they felt right

715

00:25:24,390 --> 00:25:22,320

and they felt good so i was having

716

00:25:27,110 --> 00:25:24,400

spiritual experiences at a very young

717

00:25:28,630 --> 00:25:27,120

age plus i was realizing that i knew

718

00:25:30,149 --> 00:25:28,640

things about people that i shouldn't

719

00:25:33,029 --> 00:25:30,159

know

720

00:25:34,390 --> 00:25:33,039

and i quickly realized to keep that

721

00:25:35,190 --> 00:25:34,400

quiet

722

00:25:38,950 --> 00:25:35,200

and

723

00:25:42,870 --> 00:25:38,960

uh yeah um it was just this ability to

724

00:25:45,510 --> 00:25:42,880

just pick up on the energy of people and

725

00:25:48,470 --> 00:25:45,520

uh just kind of read them

726

00:25:51,909 --> 00:25:48,480

um and so i've been doing that my whole

727

00:25:54,310 --> 00:25:51,919

life i think that's a combination of the

728

00:25:56,070 --> 00:25:54,320

et experience because the et experience

729

00:25:57,510 --> 00:25:56,080

does strengthen your paranormal

730

00:26:00,470 --> 00:25:57,520

abilities

731

00:26:02,070 --> 00:26:00,480

and also when i came to america as a

732

00:26:03,909 --> 00:26:02,080

little girl i didn't know english i

733

00:26:05,909 --> 00:26:03,919

didn't learn english until i went to

734

00:26:07,590 --> 00:26:05,919

first grade i went to first grade not

735

00:26:09,990 --> 00:26:07,600

even knowing english and i learned it

736

00:26:11,830 --> 00:26:10,000

there and i think because i couldn't

737

00:26:15,430 --> 00:26:11,840

understand what people were saying i

738

00:26:17,350 --> 00:26:15,440

probably plugged into non-verbal uh

739

00:26:20,149 --> 00:26:17,360

communication with people without even

740

00:26:22,070 --> 00:26:20,159

realizing what i was doing

741

00:26:24,310 --> 00:26:22,080

that could make sense i mean because

742

00:26:26,070 --> 00:26:24,320

like you said you you didn't maybe have

743

00:26:27,669 --> 00:26:26,080

the the chance to just walk up we so

744

00:26:29,110 --> 00:26:27,679

often because if we if we're just

745

00:26:31,350 --> 00:26:29,120

communicating with somebody we just so

746

00:26:33,350 --> 00:26:31,360

often forget all the other things like

747

00:26:34,630 --> 00:26:33,360

uh people's little inflections of their

748

00:26:36,870 --> 00:26:34,640

face and how they move and all the other

749

00:26:38,390 --> 00:26:36,880

ways we communicate right so i could see

750

00:26:40,390 --> 00:26:38,400

how one could be forced to definitely

751

00:26:41,830 --> 00:26:40,400

tap into something especially children

752

00:26:43,430 --> 00:26:41,840

seem to have those innate abilities that

753

00:26:45,029 --> 00:26:43,440

we just seem to i don't know suppress or

754

00:26:47,430 --> 00:26:45,039

forget over time

755

00:26:49,350 --> 00:26:47,440

um so so you were noticing some things

756

00:26:51,350 --> 00:26:49,360

you were noticing you perhaps had a

757

00:26:52,470 --> 00:26:51,360

heightened ability to just know things

758

00:26:54,230 --> 00:26:52,480

about people

759

00:26:55,590 --> 00:26:54,240

um i think at one point i heard you

760

00:26:56,710 --> 00:26:55,600

reference too that you started realizing

761

00:26:58,310 --> 00:26:56,720

you had a

762

00:26:59,430 --> 00:26:58,320

an ability or what do they call it now

763

00:27:00,950 --> 00:26:59,440

there's a different term for it's like

764

00:27:03,029 --> 00:27:00,960

channeling but there was another chapter

765

00:27:05,669 --> 00:27:03,039

back then what was that called

766

00:27:08,149 --> 00:27:05,679

uh we called it automatic writing back

767

00:27:10,549 --> 00:27:08,159

then thank you and i discovered i could

768

00:27:13,430 --> 00:27:10,559

do that around 1516

769

00:27:16,149 --> 00:27:13,440

and i did that for a long time

770

00:27:18,149 --> 00:27:16,159

and uh beautiful things would come out

771

00:27:20,230 --> 00:27:18,159

and they were not for me

772

00:27:22,549 --> 00:27:20,240

uh just this beautiful messages i would

773

00:27:26,710 --> 00:27:22,559

just write and write and write

774

00:27:28,549 --> 00:27:26,720

and uh dead people started showing up

775

00:27:30,630 --> 00:27:28,559

and they would have messages for the

776

00:27:32,310 --> 00:27:30,640

people who were left behind and they

777

00:27:34,470 --> 00:27:32,320

were coming to me in my dreams and they

778

00:27:36,070 --> 00:27:34,480

were coming to me in my wake state

779

00:27:38,149 --> 00:27:36,080

and uh

780

00:27:40,230 --> 00:27:38,159

i didn't know how to control it i didn't

781

00:27:42,630 --> 00:27:40,240

know how to deal with it i know now that

782

00:27:44,149 --> 00:27:42,640

i am in control but back then i didn't

783

00:27:45,990 --> 00:27:44,159

know that i thought

784

00:27:48,549 --> 00:27:46,000

they were in control meaning the dead

785

00:27:50,230 --> 00:27:48,559

people or the et's or the other worldly

786

00:27:53,190 --> 00:27:50,240

beings i thought they were in control

787

00:27:55,430 --> 00:27:53,200

but they're not i'm controlled so

788

00:27:57,990 --> 00:27:55,440

back then i thought i just turned the

789

00:28:00,630 --> 00:27:58,000

faucet on full and just let them all

790

00:28:03,269 --> 00:28:00,640

come and it's exhausting and i can't go

791

00:28:06,149 --> 00:28:03,279

to sleep or i completely turn it off i

792

00:28:08,630 --> 00:28:06,159

didn't know that i could control it

793

00:28:10,389 --> 00:28:08,640

so that i was comfortable with it now i

794

00:28:11,669 --> 00:28:10,399

know that

795

00:28:13,110 --> 00:28:11,679

that makes a difference like you said

796

00:28:14,630 --> 00:28:13,120

that's such a and this is why it's such

797

00:28:16,470 --> 00:28:14,640

a great thing that i love what you're

798

00:28:17,669 --> 00:28:16,480

doing and many others are doing and have

799

00:28:19,029 --> 00:28:17,679

been struggling to i shouldn't say

800

00:28:21,909 --> 00:28:19,039

struggling and striving to do over the

801

00:28:24,149 --> 00:28:21,919

years which is bring a light to

802

00:28:25,830 --> 00:28:24,159

the experiences in the ufo phenomenon as

803

00:28:27,750 --> 00:28:25,840

a whole but especially those that are

804

00:28:28,710 --> 00:28:27,760

experiencing things like this um really

805

00:28:29,750 --> 00:28:28,720

quickly and i know we're still telling

806

00:28:30,950 --> 00:28:29,760

your story here a little bit but ghost

807

00:28:32,389 --> 00:28:30,960

dragons just has a question i don't want

808

00:28:35,590 --> 00:28:32,399

to miss it because it slips back in the

809

00:28:37,750 --> 00:28:35,600

chat there oh yes do you astroproject

810

00:28:40,870 --> 00:28:37,760

yeah yes i have

811

00:28:45,510 --> 00:28:40,880

uh thank you ghost dragons

812

00:28:46,389 --> 00:28:45,520

w yeah zw yeah yeah all right

813

00:28:53,029 --> 00:28:46,399

uh

814

00:28:54,630 --> 00:28:53,039

one of the times i did um

815

00:28:56,310 --> 00:28:54,640

i was in the shower

816

00:28:57,909 --> 00:28:56,320

and i was just washing my hair and the

817

00:28:59,350 --> 00:28:57,919

next thing i know i'm in the corner of

818

00:29:01,830 --> 00:28:59,360

the bathroom and i'm watching myself

819

00:29:04,070 --> 00:29:01,840

wash my hair and it was in such high

820

00:29:05,830 --> 00:29:04,080

definition and it was just for a few

821

00:29:08,870 --> 00:29:05,840

seconds and then i popped back in my

822

00:29:11,990 --> 00:29:08,880

body i was like what the hell was that

823

00:29:13,909 --> 00:29:12,000

was weird

824

00:29:17,430 --> 00:29:13,919

i was in meditation

825

00:29:22,710 --> 00:29:20,070

this tunnel my eyes are closed in my and

826

00:29:25,669 --> 00:29:22,720

i'm looking for images and things on my

827

00:29:28,789 --> 00:29:25,679

third eye and this tunnel this light

828

00:29:30,630 --> 00:29:28,799

beam comes and then a lady appears and

829

00:29:31,830 --> 00:29:30,640

the lady says to me would you like to

830

00:29:33,510 --> 00:29:31,840

come with me

831

00:29:36,149 --> 00:29:33,520

and i said okay

832

00:29:38,710 --> 00:29:36,159

so we step into this tunnel and it's an

833

00:29:41,909 --> 00:29:38,720

uh energy beam or a light beam and the

834

00:29:44,630 --> 00:29:41,919

mu we go through it and then i end up at

835

00:29:47,830 --> 00:29:44,640

the top of a hospital room up at the

836

00:29:50,789 --> 00:29:47,840

ceiling and she gets into the bed and

837

00:29:52,070 --> 00:29:50,799

then i see my good friend at the time

838

00:29:53,110 --> 00:29:52,080

and her

839

00:29:56,149 --> 00:29:53,120

family

840

00:29:57,750 --> 00:29:56,159

and i said to her oh you're uh i don't

841

00:30:00,310 --> 00:29:57,760

want to say my friend's name let's say

842

00:30:02,710 --> 00:30:00,320

sue oh you're his mother

843

00:30:04,149 --> 00:30:02,720

uh she said yes i am and i had never met

844

00:30:08,470 --> 00:30:04,159

her before ever

845

00:30:10,789 --> 00:30:08,480

uh and i said uh you just died and she

846

00:30:14,230 --> 00:30:10,799

said yes i did

847

00:30:16,789 --> 00:30:14,240

and then i came back on my couch my uh

848

00:30:19,830 --> 00:30:16,799

my eyes popped open and then about 10

849

00:30:22,549 --> 00:30:19,840

minutes later my girlfriend uh texted me

850

00:30:25,590 --> 00:30:22,559

that her mom had just passed away

851

00:30:27,830 --> 00:30:25,600

and i didn't tell her at that time what

852

00:30:30,549 --> 00:30:27,840

had happened i told her later and she

853

00:30:33,350 --> 00:30:30,559

said that she found a lot of solace and

854

00:30:35,830 --> 00:30:33,360

peace in what i said because to her

855

00:30:37,510 --> 00:30:35,840

that meant that the mother her mother

856

00:30:38,950 --> 00:30:37,520

left her body

857

00:30:41,190 --> 00:30:38,960

um

858

00:30:43,110 --> 00:30:41,200

so that she didn't feel the pain because

859

00:30:44,630 --> 00:30:43,120

evidently there was some pain and it

860

00:30:46,710 --> 00:30:44,640

just made her feel good that her mom

861

00:30:51,350 --> 00:30:46,720

could leave her body and not feel the

862

00:30:53,110 --> 00:30:51,360

pain of those final moments yeah

863

00:30:54,149 --> 00:30:53,120

no it's there's some

864

00:30:56,149 --> 00:30:54,159

i mean

865

00:30:58,310 --> 00:30:56,159

thank you for the question yeah thank

866

00:30:59,590 --> 00:30:58,320

you ghoshwagan zw uh and you guys like i

867

00:31:01,110 --> 00:30:59,600

said if you have any questions please

868

00:31:02,310 --> 00:31:01,120

you know get a chance pop them in i know

869

00:31:03,509 --> 00:31:02,320

we're kind of going through stuff story

870

00:31:05,509 --> 00:31:03,519

here a little bit but feel free to pop

871

00:31:06,950 --> 00:31:05,519

them in um i'll do my best to get them

872

00:31:08,549 --> 00:31:06,960

to her as we go

873

00:31:10,870 --> 00:31:08,559

um

874

00:31:15,350 --> 00:31:10,880

you know one of the things that did you

875

00:31:17,590 --> 00:31:15,360

find it more beneficial or um

876

00:31:18,870 --> 00:31:17,600

more of a hindrance during that time

877

00:31:20,630 --> 00:31:18,880

where you were uncertain where you're

878

00:31:21,830 --> 00:31:20,640

just denying because do you think in the

879

00:31:22,950 --> 00:31:21,840

back you had you always knew what was

880

00:31:25,350 --> 00:31:22,960

going on but you're just telling

881

00:31:27,590 --> 00:31:25,360

yourself another narrative that yes the

882

00:31:29,590 --> 00:31:27,600

et's don't exist this is just i mean did

883

00:31:32,870 --> 00:31:29,600

you question if i may ask your sanity at

884

00:31:34,230 --> 00:31:32,880

any point oh absolutely yes without a

885

00:31:35,830 --> 00:31:34,240

doubt

886

00:31:37,190 --> 00:31:35,840

especially when i started talking to

887

00:31:39,590 --> 00:31:37,200

dead people

888

00:31:42,230 --> 00:31:39,600

and uh so the first time that i was

889

00:31:44,710 --> 00:31:42,240

really aware of that was uh

890

00:31:46,470 --> 00:31:44,720

um a couple of decades ago and i was

891

00:31:48,310 --> 00:31:46,480

just sitting out on the back porch just

892

00:31:49,990 --> 00:31:48,320

getting some sun and i had my eyes

893

00:31:52,149 --> 00:31:50,000

closed and all of a sudden there was

894

00:31:55,190 --> 00:31:52,159

just this man's face in my third eye

895

00:31:56,950 --> 00:31:55,200

like just his head like right in my face

896

00:31:59,430 --> 00:31:56,960

and he told me his name

897

00:32:01,350 --> 00:31:59,440

and i just popped up and i opened my

898

00:32:04,389 --> 00:32:01,360

eyes and i heard this voice

899

00:32:06,789 --> 00:32:04,399

say to me go look in the obituaries

900

00:32:09,509 --> 00:32:06,799

so i get up and i look in the obituaries

901
00:32:12,389 --> 00:32:09,519
and i'm thinking okay this is crazy and

902
00:32:15,190 --> 00:32:12,399
there was his name there he was and he

903
00:32:17,750 --> 00:32:15,200
had just passed away and

904
00:32:19,509 --> 00:32:17,760
then it just started coming more and

905
00:32:23,190 --> 00:32:19,519
more and more

906
00:32:26,020 --> 00:32:23,200
and i used to do uh readings

907
00:32:27,590 --> 00:32:26,030
for people for uh

908
00:32:29,350 --> 00:32:27,600
[Music]

909
00:32:32,710 --> 00:32:29,360
for their friends and family that have

910
00:32:34,950 --> 00:32:32,720
uh passed away but i don't do specific

911
00:32:38,070 --> 00:32:34,960
readings for that anymore in a session

912
00:32:40,389 --> 00:32:38,080
if a deceased a loved one pops up i'll

913
00:32:43,190 --> 00:32:40,399

mention it but i don't specifically do

914

00:32:46,470 --> 00:32:43,200

uh those kind of readings anymore

915

00:32:48,070 --> 00:32:46,480

because you can't always get the person

916

00:32:49,990 --> 00:32:48,080

uh you can get someone else but you

917

00:32:51,909 --> 00:32:50,000

can't always necessarily get the

918

00:32:54,070 --> 00:32:51,919

grandmother i'm here for my grandmother

919

00:32:56,470 --> 00:32:54,080

and maybe you can't reach her

920

00:32:57,909 --> 00:32:56,480

and that's the part of it that i really

921

00:32:59,509 --> 00:32:57,919

don't like because someone's coming to

922

00:33:01,029 --> 00:32:59,519

you and i'm like well i can't get you

923

00:33:03,029 --> 00:33:01,039

get my grandmother or maybe i can get

924

00:33:04,710 --> 00:33:03,039

your grandfather or something like that

925

00:33:07,190 --> 00:33:04,720

i think a lot of times people come

926

00:33:08,830 --> 00:33:07,200

through that are very significant they

927

00:33:11,190 --> 00:33:08,840

have very important

928

00:33:14,310 --> 00:33:11,200

messages uh

929

00:33:15,830 --> 00:33:14,320

i imagine too um by the way josh uh

930

00:33:17,990 --> 00:33:15,840

tribute times podcast josh i know you

931

00:33:19,350 --> 00:33:18,000

know him very well says uh hi uh

932

00:33:20,070 --> 00:33:19,360

obviously you guys have hung out quite a

933

00:33:22,230 --> 00:33:20,080

bit

934

00:33:25,190 --> 00:33:22,240

um

935

00:33:27,029 --> 00:33:25,200

i imagine if you were on the other side

936

00:33:28,710 --> 00:33:27,039

i've often thought about like what if i

937

00:33:30,389 --> 00:33:28,720

did you know i've got three little ones

938

00:33:32,549 --> 00:33:30,399

and a wife and i've often wondered what

939

00:33:33,909 --> 00:33:32,559

if something just unexpectedly happened

940

00:33:35,110 --> 00:33:33,919

right and that's why we should always

941

00:33:36,549 --> 00:33:35,120

live our life as if it you know it's the

942

00:33:37,830 --> 00:33:36,559

last day kind of planned for the next

943

00:33:39,509 --> 00:33:37,840

hundred years but

944

00:33:40,549 --> 00:33:39,519

sometimes what if you just ended up

945

00:33:41,750 --> 00:33:40,559

going and there's something you wanted

946

00:33:44,230 --> 00:33:41,760

to say

947

00:33:47,190 --> 00:33:44,240

how um

948

00:33:49,110 --> 00:33:47,200

earnestly you would seek out any sort of

949

00:33:50,710 --> 00:33:49,120

way to find someone who can hear you you

950

00:33:53,110 --> 00:33:50,720

know no matter who it is you wouldn't

951
00:33:55,750 --> 00:33:53,120
care if this person's there searching

952
00:33:57,509 --> 00:33:55,760
for so-and-so who might no longer be

953
00:34:00,070 --> 00:33:57,519
have a message to give but if that

954
00:34:01,509 --> 00:34:00,080
person has a message i feel to deliver

955
00:34:03,190 --> 00:34:01,519
yeah i mean you can't you're just kind

956
00:34:04,230 --> 00:34:03,200
of uh i mean i could be wrong it's not

957
00:34:06,230 --> 00:34:04,240
something i do but i would i would

958
00:34:08,069 --> 00:34:06,240
almost picture you as a lightning rod

959
00:34:10,550 --> 00:34:08,079
that's just seeking that energy that

960
00:34:11,990 --> 00:34:10,560
might be looking to share something so i

961
00:34:13,349 --> 00:34:12,000
imagine that could be very frustrating

962
00:34:16,149 --> 00:34:13,359
for you too

963
00:34:17,270 --> 00:34:16,159

yeah and one of uh was one of my clients

964

00:34:18,950 --> 00:34:17,280

uh

965

00:34:21,349 --> 00:34:18,960

right in the middle of our session all

966

00:34:23,669 --> 00:34:21,359

of a sudden this uh this i could see it

967

00:34:26,149 --> 00:34:23,679

she couldn't see it but this the shadow

968

00:34:28,389 --> 00:34:26,159

appeared in this film tall

969

00:34:30,710 --> 00:34:28,399

uh man with a hat

970

00:34:32,230 --> 00:34:30,720

and said to her there's a tall man with

971

00:34:34,950 --> 00:34:32,240

a hat in here

972

00:34:36,710 --> 00:34:34,960

she goes i don't know and i'm describing

973

00:34:38,710 --> 00:34:36,720

them and she's like i don't know

974

00:34:40,149 --> 00:34:38,720

and i said mimi

975

00:34:41,669 --> 00:34:40,159

who's mimi

976

00:34:44,869 --> 00:34:41,679

and she goes

977

00:34:46,950 --> 00:34:44,879

mimi oh my gosh that's mimi's father he

978

00:34:49,510 --> 00:34:46,960

passed away and he was tall and he wore

979

00:34:52,550 --> 00:34:49,520

a hat and i said well the message is

980

00:34:55,109 --> 00:34:52,560

mimi get in touch with mimi again so she

981

00:34:57,190 --> 00:34:55,119

got in touch with mimi right book and

982

00:34:58,630 --> 00:34:57,200

mimi said i'm so happy to hear from you

983

00:35:01,190 --> 00:34:58,640

because i'm dying

984

00:35:02,710 --> 00:35:01,200

and so she was able to reunite with her

985

00:35:04,950 --> 00:35:02,720

childhood friend

986

00:35:05,990 --> 00:35:04,960

right before she died

987

00:35:07,829 --> 00:35:06,000

wow

988

00:35:09,750 --> 00:35:07,839

that's see like something like that i

989

00:35:11,109 --> 00:35:09,760

mean it's pretty pretty awesome right in

990

00:35:13,190 --> 00:35:11,119

some ways i'm sure the person passing

991

00:35:15,910 --> 00:35:13,200

either side transitioning to

992

00:35:17,430 --> 00:35:15,920

um has to be quite a bit space cow has a

993

00:35:19,109 --> 00:35:17,440

question they said does it take

994

00:35:20,150 --> 00:35:19,119

willpower for them to punch through

995

00:35:22,390 --> 00:35:20,160

easier

996

00:35:24,870 --> 00:35:22,400

i'm not sure if they're referring to

997

00:35:26,470 --> 00:35:24,880

when you're maybe

998

00:35:28,150 --> 00:35:26,480

some sort of a medium ship there at that

999

00:35:29,910 --> 00:35:28,160

point spacecraft you want to be a little

1000

00:35:31,109 --> 00:35:29,920

more specific specific on the question

1001

00:35:33,670 --> 00:35:31,119

i'll come right back to yours okay i

1002

00:35:35,030 --> 00:35:33,680

promise uh ghost dragon zw has another

1003

00:35:36,069 --> 00:35:35,040

question which says

1004

00:35:37,349 --> 00:35:36,079

it's more of a statement than a question

1005

00:35:39,430 --> 00:35:37,359

but i agree with this it said we'd love

1006

00:35:42,550 --> 00:35:39,440

to have a round table with lynn sarah

1007

00:35:43,750 --> 00:35:42,560

sev and gemma jade um that would be i do

1008

00:35:45,589 --> 00:35:43,760

think that'd be that would be a great

1009

00:35:47,030 --> 00:35:45,599

time for sure

1010

00:35:49,750 --> 00:35:47,040

um

1011

00:35:51,030 --> 00:35:49,760

yeah i you know so as this is going on

1012

00:35:52,310 --> 00:35:51,040

you're kind of progressing your life and

1013

00:35:53,750 --> 00:35:52,320

sometimes this is an area i feel like

1014

00:35:55,270 --> 00:35:53,760

people kind of forget about and just it

1015

00:35:56,870 --> 00:35:55,280

never gets talked about

1016

00:35:58,310 --> 00:35:56,880

what was seth doing during this time

1017

00:36:00,150 --> 00:35:58,320

what were your pursuits what were you

1018

00:36:02,069 --> 00:36:00,160

doing in life besides dealing with all

1019

00:36:03,750 --> 00:36:02,079

this what was going on i mean did you go

1020

00:36:06,150 --> 00:36:03,760

out on a friday night did you pursue

1021

00:36:08,069 --> 00:36:06,160

sports what did you do

1022

00:36:10,870 --> 00:36:08,079

that's a really good question

1023

00:36:13,670 --> 00:36:10,880

uh so as i was trying to live my life

1024

00:36:15,190 --> 00:36:13,680

the best that i could as my inauthentic

1025

00:36:17,109 --> 00:36:15,200

self

1026

00:36:19,670 --> 00:36:17,119

and when you try to live in an

1027

00:36:21,109 --> 00:36:19,680

inauthentic way it's not successful you

1028

00:36:22,870 --> 00:36:21,119

know the the most success you're going

1029

00:36:24,630 --> 00:36:22,880

to have is when you're actually give

1030

00:36:25,430 --> 00:36:24,640

yourself the permission to be the real

1031

00:36:28,230 --> 00:36:25,440

you

1032

00:36:30,710 --> 00:36:28,240

and so i wasn't doing that so i got

1033

00:36:32,470 --> 00:36:30,720

divorced twice um

1034

00:36:34,630 --> 00:36:32,480

i started my own business a couple of

1035

00:36:36,550 --> 00:36:34,640

times successfully

1036

00:36:38,470 --> 00:36:36,560

and i just kept busy and i would do

1037

00:36:40,790 --> 00:36:38,480

automatic writing on the side and i

1038

00:36:42,950 --> 00:36:40,800

would write pages and pages and pages

1039

00:36:45,030 --> 00:36:42,960

these beautiful messages and then i

1040

00:36:46,870 --> 00:36:45,040

would tell myself i was insane and then

1041

00:36:48,310 --> 00:36:46,880

i would throw them all away

1042

00:36:49,430 --> 00:36:48,320

and i would say i'm not doing this

1043

00:36:51,430 --> 00:36:49,440

anymore

1044

00:36:53,349 --> 00:36:51,440

and then i would do it and pages and

1045

00:36:55,430 --> 00:36:53,359

pages and pages and then i would tell

1046

00:36:57,109 --> 00:36:55,440

myself i was insane and i would throw

1047

00:36:58,710 --> 00:36:57,119

them all away and i said i'm not going

1048

00:37:01,349 --> 00:36:58,720

to do this anymore and i was on that

1049

00:37:03,349 --> 00:37:01,359

roller coaster i was just trying to find

1050

00:37:05,750 --> 00:37:03,359

just i was just trying to make myself

1051
00:37:07,750 --> 00:37:05,760
happy now and i always thought it was an

1052
00:37:09,750 --> 00:37:07,760
external search i thought the happiness

1053
00:37:11,829 --> 00:37:09,760
was out here

1054
00:37:13,829 --> 00:37:11,839
didn't realize it's inside of me and i

1055
00:37:15,750 --> 00:37:13,839
had the happiness the whole time i

1056
00:37:19,190 --> 00:37:15,760
couldn't reach that happiness until i

1057
00:37:22,230 --> 00:37:19,200
decided to express the real me and the

1058
00:37:23,430 --> 00:37:22,240
real me includes et's it doesn't include

1059
00:37:25,349 --> 00:37:23,440
everyone's

1060
00:37:27,990 --> 00:37:25,359
path of authenticity does not include

1061
00:37:29,670 --> 00:37:28,000
ut's but mind does

1062
00:37:32,790 --> 00:37:29,680
i love that like you said it's such an

1063
00:37:34,390 --> 00:37:32,800

individual thing um it's not going to be

1064

00:37:36,310 --> 00:37:34,400

everybody's not going to have to need to

1065

00:37:38,390 --> 00:37:36,320

have aliens or maybe a paranormal

1066

00:37:39,990 --> 00:37:38,400

experience uh speaking of paranormal get

1067

00:37:41,430 --> 00:37:40,000

back to us a little bit here space cow

1068

00:37:43,910 --> 00:37:41,440

tried to redefine a little more they

1069

00:37:45,910 --> 00:37:43,920

said uh stronger intense sort of thing

1070

00:37:47,270 --> 00:37:45,920

to come into this realm like they want

1071

00:37:50,230 --> 00:37:47,280

it badly so i think they're talking

1072

00:37:52,310 --> 00:37:50,240

about because the original question was

1073

00:37:53,670 --> 00:37:52,320

does it take uh willpower for them to

1074

00:37:54,870 --> 00:37:53,680

punch through so i assume that they're

1075

00:37:55,910 --> 00:37:54,880

asking is when someone is trying to

1076

00:37:57,829 --> 00:37:55,920

contact you from the other side and

1077

00:37:59,910 --> 00:37:57,839

space cow correct me from wrong does it

1078

00:38:02,829 --> 00:37:59,920

take a lot of willpower on their part or

1079

00:38:05,990 --> 00:38:02,839

are you actually reaching out to

1080

00:38:07,190 --> 00:38:06,000

them oh talking with the dead

1081

00:38:09,349 --> 00:38:07,200

yes

1082

00:38:10,950 --> 00:38:09,359

okay that's a really good question space

1083

00:38:13,349 --> 00:38:10,960

count i hope i'm worrying that okay for

1084

00:38:16,470 --> 00:38:13,359

you by the way if i'm not let me know

1085

00:38:18,710 --> 00:38:16,480

okay um so

1086

00:38:21,349 --> 00:38:18,720

so we're all in communication with

1087

00:38:24,630 --> 00:38:21,359

beings in other dimensions we're all

1088

00:38:27,430 --> 00:38:24,640

doing that constantly 24 7. like as you

1089

00:38:29,670 --> 00:38:27,440

and i are talking of the bigger parts of

1090

00:38:32,550 --> 00:38:29,680

us the other parts of us that exist in

1091

00:38:35,190 --> 00:38:32,560

the other dimensions are having uh

1092

00:38:36,230 --> 00:38:35,200

experiences with other beings too in

1093

00:38:37,589 --> 00:38:36,240

those

1094

00:38:40,710 --> 00:38:37,599

dimensions

1095

00:38:43,030 --> 00:38:40,720

and so just like we have a frequency

1096

00:38:45,589 --> 00:38:43,040

other worldly beings have a frequency

1097

00:38:47,270 --> 00:38:45,599

and we tend to align with similar

1098

00:38:49,670 --> 00:38:47,280

frequency people

1099

00:38:51,510 --> 00:38:49,680

similar frequency situations and places

1100

00:38:54,069 --> 00:38:51,520

and also with other worldly beings and

1101

00:38:55,829 --> 00:38:54,079

that's why i talk a lot about

1102

00:38:58,630 --> 00:38:55,839

increase your vibe and how to increase

1103

00:39:00,390 --> 00:38:58,640

your vibe because it's really important

1104

00:39:02,310 --> 00:39:00,400

but going back to

1105

00:39:03,750 --> 00:39:02,320

communicating with a variety of other

1106

00:39:05,430 --> 00:39:03,760

worldly beings because they all have

1107

00:39:06,790 --> 00:39:05,440

different frequencies

1108

00:39:07,910 --> 00:39:06,800

uh

1109

00:39:09,750 --> 00:39:07,920

um

1110

00:39:11,670 --> 00:39:09,760

i can feel the difference when i'm

1111

00:39:13,829 --> 00:39:11,680

communicating with a higher frequency

1112

00:39:15,750 --> 00:39:13,839

being and with someone who just died

1113

00:39:18,630 --> 00:39:15,760

because someone who has just died their

1114

00:39:21,990 --> 00:39:18,640

frequency is a little lower than maybe

1115

00:39:23,750 --> 00:39:22,000

if i'm communicating with a spirit guide

1116

00:39:25,430 --> 00:39:23,760

and i'm not saying

1117

00:39:27,829 --> 00:39:25,440

and i feel like that's a temporary

1118

00:39:29,109 --> 00:39:27,839

situation

1119

00:39:31,589 --> 00:39:29,119

but

1120

00:39:33,589 --> 00:39:31,599

when i'm in a reading and i've connected

1121

00:39:35,430 --> 00:39:33,599

with someone's guide or i've connected

1122

00:39:37,910 --> 00:39:35,440

with a being that's of a very high

1123

00:39:41,109 --> 00:39:37,920

vibration and then all of a sudden

1124

00:39:43,910 --> 00:39:41,119

if a dead person comes in i feel like

1125

00:39:45,829 --> 00:39:43,920

like i go down frequency

1126

00:39:48,150 --> 00:39:45,839

and then the dead person leaves and then

1127

00:39:50,550 --> 00:39:48,160

i'm back to a spirit guide in the mood i

1128

00:39:53,510 --> 00:39:50,560

go up in frequency and it's a little

1129

00:39:54,950 --> 00:39:53,520

tiring and it can take a lot out of you

1130

00:39:57,190 --> 00:39:54,960

but um

1131

00:40:00,790 --> 00:39:57,200

as far as the willpower goes it takes

1132

00:40:04,309 --> 00:40:00,800

willpower on both ends on yours and that

1133

00:40:06,309 --> 00:40:04,319

other beings and uh

1134

00:40:08,069 --> 00:40:06,319

sometimes people make fun of people who

1135

00:40:11,190 --> 00:40:08,079

can talk to the dead because they they

1136

00:40:13,109 --> 00:40:11,200

can't always hear the the full name

1137

00:40:15,750 --> 00:40:13,119

they'll say oh it starts with the k is

1138

00:40:19,109 --> 00:40:15,760

it karen is it kathy and people think

1139

00:40:21,589 --> 00:40:19,119

that that's the person just not um just

1140

00:40:23,109 --> 00:40:21,599

not being honest or truthful

1141

00:40:25,270 --> 00:40:23,119

but because of the

1142

00:40:27,510 --> 00:40:25,280

change in frequencies

1143

00:40:28,550 --> 00:40:27,520

the messages and the sounds can get

1144

00:40:30,710 --> 00:40:28,560

muddled

1145

00:40:33,109 --> 00:40:30,720

when you have to go through so many

1146

00:40:35,270 --> 00:40:33,119

different frequencies from a higher

1147

00:40:37,270 --> 00:40:35,280

frequency we're a lower frequency

1148

00:40:39,030 --> 00:40:37,280

compared to a lot of these beams so i'm

1149

00:40:41,910 --> 00:40:39,040

not saying a dead person is a lower

1150

00:40:43,589 --> 00:40:41,920

frequency than mine it's just a it's a

1151

00:40:45,910 --> 00:40:43,599

lower frequency than a lot of other

1152

00:40:47,589 --> 00:40:45,920

beings that i communicate with

1153

00:40:49,589 --> 00:40:47,599

that makes sense uh spacecraft says

1154

00:40:52,470 --> 00:40:49,599

thank you by the way for your answer and

1155

00:40:53,510 --> 00:40:52,480

uh gospel of thomas 77th parallel has a

1156

00:40:56,550 --> 00:40:53,520

pretty interesting question here they

1157

00:40:59,109 --> 00:40:56,560

said does some believe that that all or

1158

00:41:01,990 --> 00:40:59,119

some et's are metaphysical as opposed to

1159

00:41:04,710 --> 00:41:02,000

physical slash material yeah that's a

1160

00:41:06,630 --> 00:41:04,720

very good question thank you gospel of

1161

00:41:07,910 --> 00:41:06,640

thomas

1162

00:41:13,030 --> 00:41:07,920

uh

1163

00:41:14,550 --> 00:41:13,040

tangible and physical

1164

00:41:16,630 --> 00:41:14,560

and uh

1165

00:41:18,630 --> 00:41:16,640

there's also a lot of et's that are not

1166

00:41:20,470 --> 00:41:18,640

they're light beings that also take

1167

00:41:21,510 --> 00:41:20,480

forms that we don't understand

1168

00:41:25,030 --> 00:41:21,520

and

1169

00:41:27,030 --> 00:41:25,040

frequencies

1170

00:41:29,270 --> 00:41:27,040

and uh

1171

00:41:31,109 --> 00:41:29,280

a lot of people are actually having at

1172

00:41:33,109 --> 00:41:31,119

contact this way through the multi

1173

00:41:35,589 --> 00:41:33,119

dimensions and they don't even know it

1174

00:41:37,829 --> 00:41:35,599

because it feels like a dream

1175

00:41:40,150 --> 00:41:37,839

but it's not a dream it's just that we

1176

00:41:42,390 --> 00:41:40,160

haven't been conditioned to label such

1177

00:41:44,390 --> 00:41:42,400

an experience as a true experience we've

1178

00:41:46,150 --> 00:41:44,400

been conditioned to label something

1179

00:41:48,630 --> 00:41:46,160

that's happening in a multi-dimensional

1180

00:41:49,910 --> 00:41:48,640

way which our brain can't come up with a

1181

00:41:52,710 --> 00:41:49,920

word for

1182

00:41:54,309 --> 00:41:52,720

um but except call it a dream and

1183

00:41:56,150 --> 00:41:54,319

they're not dreams

1184

00:41:59,270 --> 00:41:56,160

uh we could tell the difference between

1185

00:42:01,990 --> 00:41:59,280

a dream and a real experience just about

1186

00:42:04,390 --> 00:42:02,000

everyone has had some kind of experience

1187

00:42:06,870 --> 00:42:04,400

when they wake up they're like whoa that

1188

00:42:09,670 --> 00:42:06,880

was not a dream yeah

1189

00:42:11,030 --> 00:42:09,680

yeah i 100 agree with that um i know

1190

00:42:12,950 --> 00:42:11,040

that when i when i was speaking with

1191

00:42:14,710 --> 00:42:12,960

terry lovelace um

1192

00:42:16,069 --> 00:42:14,720

a while back

1193

00:42:20,230 --> 00:42:16,079

yeah it's

1194

00:42:21,589 --> 00:42:20,240

um my gosh it was his story uh i because

1195

00:42:23,190 --> 00:42:21,599

of how i usually have to consume books

1196

00:42:25,190 --> 00:42:23,200

is like audio format

1197

00:42:26,150 --> 00:42:25,200

uh and i was at work when i had his

1198

00:42:28,150 --> 00:42:26,160

playing

1199

00:42:29,829 --> 00:42:28,160

and when he went over the scene about

1200

00:42:30,790 --> 00:42:29,839

you know like the seeing the monkeys in

1201
00:42:32,710 --> 00:42:30,800
his room

1202
00:42:34,790 --> 00:42:32,720
i had to stop it and like pop because it

1203
00:42:36,390 --> 00:42:34,800
got to me that was just it was it was

1204
00:42:37,589 --> 00:42:36,400
weird hot fun they like clicked a little

1205
00:42:39,670 --> 00:42:37,599
bit you know what i mean hearing

1206
00:42:41,270 --> 00:42:39,680
somebody worded differently that it was

1207
00:42:43,109 --> 00:42:41,280
just what they wanted him to see not

1208
00:42:44,870 --> 00:42:43,119
necessarily like so your dream might be

1209
00:42:45,910 --> 00:42:44,880
perceived as like that dream right like

1210
00:42:47,670 --> 00:42:45,920
you're saying

1211
00:42:50,069 --> 00:42:47,680
it's just the way that we condition it

1212
00:42:51,670 --> 00:42:50,079
and then i think our subconscious does

1213
00:42:53,109 --> 00:42:51,680

so much to protect us

1214

00:42:54,630 --> 00:42:53,119

beyond even just the conditioning i

1215

00:42:56,790 --> 00:42:54,640

think is the humans that we've

1216

00:42:58,230 --> 00:42:56,800

conditioned ourselves down to but i do

1217

00:43:00,550 --> 00:42:58,240

think that our subconscious sometimes

1218

00:43:02,550 --> 00:43:00,560

just i don't know it just like catches

1219

00:43:04,470 --> 00:43:02,560

us and we don't realize it like it knows

1220

00:43:06,550 --> 00:43:04,480

it would either break you or fracture

1221

00:43:08,150 --> 00:43:06,560

you or something because it's like some

1222

00:43:10,230 --> 00:43:08,160

people have a deep memory of those

1223

00:43:11,910 --> 00:43:10,240

things that took place some of us only

1224

00:43:13,910 --> 00:43:11,920

get like fractal pieces and then some

1225

00:43:15,349 --> 00:43:13,920

have nothing until they have an

1226

00:43:18,790 --> 00:43:15,359

experience one day that just brings it

1227

00:43:20,230 --> 00:43:18,800

all back for them um which in your case

1228

00:43:21,349 --> 00:43:20,240

uh nicholas thank you for being here

1229

00:43:22,069 --> 00:43:21,359

tonight by the way and for all those

1230

00:43:23,270 --> 00:43:22,079

that are out there we've got a lot of

1231

00:43:24,470 --> 00:43:23,280

listeners on facebook tonight thank you

1232

00:43:27,190 --> 00:43:24,480

for all the love and the sharing out

1233

00:43:30,630 --> 00:43:27,200

there thank you um go eat some pizza go

1234

00:43:32,790 --> 00:43:30,640

go you do that you go eat your pizza

1235

00:43:34,950 --> 00:43:32,800

but he says hi um

1236

00:43:37,109 --> 00:43:34,960

so with your experiences you're having

1237

00:43:39,349 --> 00:43:37,119

kind of this you know up and down to the

1238

00:43:41,270 --> 00:43:39,359

relationships um

1239

00:43:42,710 --> 00:43:41,280

what was the shifting point i mean what

1240

00:43:43,829 --> 00:43:42,720

point did things kind of change this is

1241

00:43:45,670 --> 00:43:43,839

i imagine my mind i'm just seeing kind

1242

00:43:46,950 --> 00:43:45,680

of a roller coaster ride of you find

1243

00:43:48,230 --> 00:43:46,960

somebody new things are good again that

1244

00:43:50,150 --> 00:43:48,240

maybe things aren't great and they dip

1245

00:43:51,829 --> 00:43:50,160

down again and then we're coming back up

1246

00:43:53,589 --> 00:43:51,839

so what was the turning point for you

1247

00:43:56,069 --> 00:43:53,599

where this kind of started to

1248

00:43:58,069 --> 00:43:56,079

transition we started being too you know

1249

00:44:00,390 --> 00:43:58,079

living to your true self i guess as it

1250

00:44:03,030 --> 00:44:01,190

uh

1251

00:44:07,030 --> 00:44:03,040

that was about

1252

00:44:09,990 --> 00:44:07,040

15 years ago or so uh where i was doing

1253

00:44:11,990 --> 00:44:10,000

a lot of uh channeling

1254

00:44:13,270 --> 00:44:12,000

and i finally reached the point in my

1255

00:44:15,829 --> 00:44:13,280

life where

1256

00:44:18,150 --> 00:44:15,839

i was questioning my sanity so much that

1257

00:44:20,470 --> 00:44:18,160

it wasn't healthy

1258

00:44:22,950 --> 00:44:20,480

so i decided i need an answer either i'm

1259

00:44:25,190 --> 00:44:22,960

crazy and if i am i'm going to get help

1260

00:44:26,150 --> 00:44:25,200

or i'm not crazy and

1261

00:44:36,390 --> 00:44:26,160

i

1262

00:44:38,069 --> 00:44:36,400

put

1263

00:44:40,230 --> 00:44:38,079

i made that intent

1264

00:44:42,390 --> 00:44:40,240

within me known

1265

00:44:43,829 --> 00:44:42,400

i heard about this psychic in baltimore

1266

00:44:44,870 --> 00:44:43,839

this is when i was living in baltimore

1267

00:44:46,630 --> 00:44:44,880

maryland

1268

00:44:48,870 --> 00:44:46,640

i heard about this psychic from two

1269

00:44:51,190 --> 00:44:48,880

different people so i told myself oh

1270

00:44:53,589 --> 00:44:51,200

okay she's the one she's gonna tell me

1271

00:44:55,990 --> 00:44:53,599

and i'd never been to a psychic before

1272

00:44:56,870 --> 00:44:56,000

i was very skeptical

1273

00:45:01,910 --> 00:44:56,880

and

1274

00:45:04,150 --> 00:45:01,920

should be doing what i'm doing

1275

00:45:05,430 --> 00:45:04,160

you can read you can hear feel and see

1276

00:45:07,190 --> 00:45:05,440

really well

1277

00:45:08,470 --> 00:45:07,200

in fact i want you to tell me where i'm

1278

00:45:10,950 --> 00:45:08,480

moving to

1279

00:45:12,630 --> 00:45:10,960

and i said oh i mean you tell me where

1280

00:45:14,950 --> 00:45:12,640

i'm moving she goes no you didn't tell

1281

00:45:17,910 --> 00:45:14,960

me where i moved

1282

00:45:19,750 --> 00:45:17,920

oh okay so i closed my eyes and i saw it

1283

00:45:21,109 --> 00:45:19,760

and i described it she goes yeah that's

1284

00:45:24,150 --> 00:45:21,119

it

1285

00:45:27,430 --> 00:45:24,160

and so after that i was like oh my gosh

1286

00:45:28,950 --> 00:45:27,440

this is fantastic i feel so good now it

1287

00:45:31,510 --> 00:45:28,960

all makes sense

1288

00:45:33,670 --> 00:45:31,520

and then i don't know a week or two

1289

00:45:35,990 --> 00:45:33,680

later i'm like oh my gosh she's just as

1290

00:45:38,309 --> 00:45:36,000

crazy as i am so i went

1291

00:45:41,589 --> 00:45:38,319

back in the pattern again yeah and like

1292

00:45:42,550 --> 00:45:41,599

i didn't believe it all of a sudden

1293

00:45:44,150 --> 00:45:42,560

but

1294

00:45:46,790 --> 00:45:44,160

uh it did

1295

00:45:47,750 --> 00:45:46,800

it did something to me because i decided

1296

00:45:49,670 --> 00:45:47,760

well

1297

00:45:51,430 --> 00:45:49,680

i'm going to start doing these readings

1298

00:45:53,829 --> 00:45:51,440

so i called my girlfriend and i said

1299

00:45:57,030 --> 00:45:53,839

just send me a stranger i need to read a

1300

00:45:58,230 --> 00:45:57,040

stranger and she sent me two and i did

1301
00:46:01,190 --> 00:45:58,240
it and

1302
00:46:04,150 --> 00:46:01,200
that was about 12 years ago and so i do

1303
00:46:05,430 --> 00:46:04,160
uh sole purpose uh sessions with clients

1304
00:46:08,230 --> 00:46:05,440
around the world

1305
00:46:10,230 --> 00:46:08,240
and that's how

1306
00:46:12,150 --> 00:46:10,240
that was the beginning of my path of

1307
00:46:14,870 --> 00:46:12,160
authenticity

1308
00:46:16,950 --> 00:46:14,880
and then i got divorced

1309
00:46:18,470 --> 00:46:16,960
so these things happen

1310
00:46:19,910 --> 00:46:18,480
now during that time

1311
00:46:22,710 --> 00:46:19,920
authenticity

1312
00:46:26,950 --> 00:46:22,720
there could be huge changes

1313
00:46:29,270 --> 00:46:26,960

i agree i do i listen i mean i've

1314

00:46:30,790 --> 00:46:29,280

i'm sure there are a great many deal of

1315

00:46:33,030 --> 00:46:30,800

very intelligent people who have written

1316

00:46:34,069 --> 00:46:33,040

in depth on this so guys if i'm about to

1317

00:46:36,390 --> 00:46:34,079

say something that's very common

1318

00:46:37,990 --> 00:46:36,400

knowledge i apologize but i

1319

00:46:39,030 --> 00:46:38,000

joe and i excuse me ben and i were just

1320

00:46:41,030 --> 00:46:39,040

talking about this early day we were

1321

00:46:42,710 --> 00:46:41,040

talking on the phone and we were talking

1322

00:46:44,470 --> 00:46:42,720

about how um

1323

00:46:46,309 --> 00:46:44,480

being genuine to ourselves and who we

1324

00:46:47,190 --> 00:46:46,319

are especially as the channel starts to

1325

00:46:49,109 --> 00:46:47,200

grow

1326

00:46:50,710 --> 00:46:49,119

uh you know it's it's very easy to be

1327

00:46:52,309 --> 00:46:50,720

who and what you are when when there's

1328

00:46:53,670 --> 00:46:52,319

like three people watching but as things

1329

00:46:56,550 --> 00:46:53,680

grow and more people come in it's

1330

00:46:58,550 --> 00:46:56,560

awesome but just maintaining who and

1331

00:46:59,670 --> 00:46:58,560

what they are and what we are

1332

00:47:01,030 --> 00:46:59,680

and

1333

00:47:02,790 --> 00:47:01,040

we were i was telling him i was like i

1334

00:47:04,790 --> 00:47:02,800

just feel like the the universal

1335

00:47:06,950 --> 00:47:04,800

consciousness call it whatever you will

1336

00:47:08,710 --> 00:47:06,960

recognizes when you're being true to

1337

00:47:11,030 --> 00:47:08,720

yourself and i believe that other people

1338

00:47:13,270 --> 00:47:11,040

can feel and just know that when you're

1339

00:47:15,109 --> 00:47:13,280

a genuine person and

1340

00:47:17,430 --> 00:47:15,119

with us being so fake nowadays with the

1341

00:47:19,270 --> 00:47:17,440

social media platforms and stuff i feel

1342

00:47:20,230 --> 00:47:19,280

that it's such a

1343

00:47:22,150 --> 00:47:20,240

there's something about the human

1344

00:47:23,670 --> 00:47:22,160

condition one is drawn to people that

1345

00:47:26,309 --> 00:47:23,680

are genuine people

1346

00:47:27,670 --> 00:47:26,319

and who what better thing to be than to

1347

00:47:29,430 --> 00:47:27,680

be yourself and be loved for being

1348

00:47:30,630 --> 00:47:29,440

yourself i mean i feel like at the end

1349

00:47:32,470 --> 00:47:30,640

of the day who wants to be loved for

1350

00:47:34,710 --> 00:47:32,480

something that's not really that's is it

1351

00:47:35,990 --> 00:47:34,720

really who you are you know

1352

00:47:39,990 --> 00:47:36,000

so

1353

00:47:44,230 --> 00:47:41,829

i'm just gonna speak for americans

1354

00:47:45,030 --> 00:47:44,240

americans are really conditioned

1355

00:47:48,470 --> 00:47:45,040

uh

1356

00:47:52,150 --> 00:47:48,480

you

1357

00:47:54,309 --> 00:47:52,160

um but i'm here to say do it anyway

1358

00:47:55,670 --> 00:47:54,319

because there's a lot of rewards there

1359

00:47:56,870 --> 00:47:55,680

it could very well be that our

1360

00:47:58,390 --> 00:47:56,880

government

1361

00:48:00,309 --> 00:47:58,400

you know we can get into how much the

1362

00:48:03,030 --> 00:48:00,319

government just has a giant thumb over

1363

00:48:05,430 --> 00:48:03,040

our heads it's very true

1364

00:48:07,910 --> 00:48:05,440

what these et experiences because i also

1365

00:48:09,990 --> 00:48:07,920

help experiences around the world and if

1366

00:48:11,910 --> 00:48:10,000

anyone has had an experience please

1367

00:48:13,510 --> 00:48:11,920

contact me you can go to my website

1368

00:48:16,630 --> 00:48:13,520

planetseb.com

1369

00:48:18,829 --> 00:48:16,640

and go into tell me your et story tell

1370

00:48:21,990 --> 00:48:18,839

me your story uh it's

1371

00:48:23,510 --> 00:48:22,000

confidential and i'll email you back and

1372

00:48:26,470 --> 00:48:23,520

we'll discuss it and i'll help you as

1373

00:48:29,589 --> 00:48:26,480

much as i can and also on my website i

1374

00:48:31,750 --> 00:48:29,599

uh i share some of the uh et stories

1375

00:48:33,510 --> 00:48:31,760

anonymously and some of the pictures and

1376

00:48:36,069 --> 00:48:33,520

some of the drawings that experiences

1377

00:48:36,950 --> 00:48:36,079

from around the world have sent me

1378

00:48:39,190 --> 00:48:36,960

and

1379

00:48:42,549 --> 00:48:39,200

uh

1380

00:48:45,510 --> 00:48:42,559

thank you for that amazing super chat

1381

00:48:46,549 --> 00:48:45,520

even if it is the canadian dollar

1382

00:48:49,030 --> 00:48:46,559

yes

1383

00:48:50,549 --> 00:48:49,040

and uh i really like that uh all the

1384

00:48:52,390 --> 00:48:50,559

messages are coming up on the bottom

1385

00:48:53,990 --> 00:48:52,400

there that's really good yup yeah we

1386

00:48:55,030 --> 00:48:54,000

certainly like to try and share it that

1387

00:48:56,630 --> 00:48:55,040

way

1388

00:48:59,109 --> 00:48:56,640

yeah thank you

1389

00:49:00,710 --> 00:48:59,119

so now i forgot what i was saying

1390

00:49:02,069 --> 00:49:00,720

oh i did drop so you were talking about

1391

00:49:03,430 --> 00:49:02,079

your where people can find you which i

1392

00:49:05,030 --> 00:49:03,440

dropped your link and guys again if

1393

00:49:08,069 --> 00:49:05,040

you're listening back to this scroll

1394

00:49:09,670 --> 00:49:08,079

down the show notes had experiences

1395

00:49:11,270 --> 00:49:09,680

in around the world for those other

1396

00:49:13,190 --> 00:49:11,280

people's experiences

1397

00:49:14,870 --> 00:49:13,200

and how our government handles it versus

1398

00:49:19,030 --> 00:49:14,880

perhaps maybe other

1399

00:49:21,670 --> 00:49:19,040

people yes thank you yeah so i

1400

00:49:23,829 --> 00:49:21,680

i've had my lab experiences in the lab

1401

00:49:26,230 --> 00:49:23,839

or my lab where

1402

00:49:28,150 --> 00:49:26,240

with government men and et's at the same

1403

00:49:29,349 --> 00:49:28,160

time and i've also been with a

1404

00:49:31,670 --> 00:49:29,359

government

1405

00:49:33,109 --> 00:49:31,680

types of people and hybrid babies and

1406

00:49:35,109 --> 00:49:33,119

things like that and i had these are all

1407

00:49:36,790 --> 00:49:35,119

conscious memories and some of them

1408

00:49:37,829 --> 00:49:36,800

are neutral and some of them are not

1409

00:49:41,270 --> 00:49:37,839

nice

1410

00:49:44,470 --> 00:49:42,230

uh

1411

00:49:47,109 --> 00:49:44,480

so through my personal experiences i've

1412

00:49:49,510 --> 00:49:47,119

discovered this

1413

00:49:54,069 --> 00:49:49,520

the government knows who's

1414

00:49:55,990 --> 00:49:54,079

made contact and

1415

00:49:57,349 --> 00:49:56,000

experiences are given a lot of

1416

00:49:58,870 --> 00:49:57,359

information

1417

00:50:00,950 --> 00:49:58,880

and the government wants to know this

1418

00:50:02,790 --> 00:50:00,960

information and the information that

1419

00:50:03,910 --> 00:50:02,800

we're given and i've been given all of

1420

00:50:05,270 --> 00:50:03,920

this too

1421

00:50:10,829 --> 00:50:05,280

uh

1422

00:50:13,990 --> 00:50:10,839

information about the

1423

00:50:17,750 --> 00:50:14,000

future information spiritual information

1424

00:50:20,390 --> 00:50:17,760

which is very empowering and uh

1425

00:50:22,790 --> 00:50:20,400

a lot of information about oneness but

1426

00:50:25,190 --> 00:50:22,800

at the same time our autonomy we're

1427

00:50:27,109 --> 00:50:25,200

still individuals but we're still one

1428

00:50:29,670 --> 00:50:27,119

and this is very they give very

1429

00:50:32,549 --> 00:50:29,680

empowering messages that the government

1430

00:50:34,870 --> 00:50:32,559

really does not want us to have because

1431

00:50:36,950 --> 00:50:34,880

pretty much what they're telling

1432

00:50:41,109 --> 00:50:36,960

what they're sharing with us is making

1433

00:50:42,790 --> 00:50:41,119

us realize how controlled we are and so

1434

00:50:45,030 --> 00:50:42,800

like the et's are saying go in the

1435

00:50:48,230 --> 00:50:45,040

street and fight we're just making it

1436

00:50:50,150 --> 00:50:48,240

known that we really have this giant

1437

00:50:53,190 --> 00:50:50,160

thumb on the top of our heads from the

1438

00:50:54,950 --> 00:50:53,200

government and so the government also is

1439

00:50:57,510 --> 00:50:54,960

very interested in the hybridization

1440

00:50:58,309 --> 00:50:57,520

program which i've also had experiences

1441

00:51:01,510 --> 00:50:58,319

with

1442

00:51:03,910 --> 00:51:01,520

and so uh they try to elicit this

1443

00:51:06,069 --> 00:51:03,920

information from experiences sometimes

1444

00:51:07,109 --> 00:51:06,079

in a nice way sometimes in a not so nice

1445

00:51:09,589 --> 00:51:07,119

way

1446

00:51:12,470 --> 00:51:09,599

uh and a lot of times

1447

00:51:13,430 --> 00:51:12,480

my lab experiences are asked to do

1448

00:51:15,270 --> 00:51:13,440

things

1449

00:51:17,030 --> 00:51:15,280

uh as i was

1450

00:51:18,630 --> 00:51:17,040

i was asked to do some kind of

1451

00:51:19,670 --> 00:51:18,640

paranormal

1452

00:51:22,549 --> 00:51:19,680

psychic

1453

00:51:24,230 --> 00:51:22,559

something i'm not quite clear but i i

1454

00:51:26,630 --> 00:51:24,240

know that's what they were asking for me

1455

00:51:28,069 --> 00:51:26,640

and i i said no i didn't want to do it

1456

00:51:30,790 --> 00:51:28,079

because i knew that it was not going to

1457

00:51:32,790 --> 00:51:30,800

be used for good and so these my lab

1458

00:51:34,790 --> 00:51:32,800

experiences are not warm and fuzzy

1459

00:51:36,710 --> 00:51:34,800

experiences

1460

00:51:39,750 --> 00:51:36,720

we definitely feel like we're being used

1461

00:51:43,430 --> 00:51:39,760

in these experi experiences with humans

1462

00:51:47,910 --> 00:51:43,440

uh and we feel like we're being um

1463

00:51:52,710 --> 00:51:51,030

i i can i i was gonna say who uh

1464

00:51:54,710 --> 00:51:52,720

melinda leslie and i'm sure you're

1465

00:51:56,950 --> 00:51:54,720

familiar with some of her work yeah

1466

00:51:58,309 --> 00:51:56,960

she's done a great work on this about

1467

00:52:00,150 --> 00:51:58,319

helping clear someone out because it can

1468

00:52:03,349 --> 00:52:00,160

be so distorted for someone who has an

1469

00:52:05,829 --> 00:52:03,359

experience with genuine say eta uh uh

1470

00:52:08,390 --> 00:52:05,839

entity and then all of a sudden has a

1471

00:52:09,349 --> 00:52:08,400

reabduction right and all of a sudden

1472

00:52:10,710 --> 00:52:09,359

they're going

1473

00:52:11,750 --> 00:52:10,720

and if things are fractured in their

1474

00:52:13,030 --> 00:52:11,760

head at one point they might be like

1475

00:52:14,790 --> 00:52:13,040

well i'm on a craft and another point

1476

00:52:16,630 --> 00:52:14,800

they're like but i'm i'm in a jeep or

1477

00:52:18,390 --> 00:52:16,640

i'm getting hold of an suv you know like

1478

00:52:20,870 --> 00:52:18,400

it's very strange

1479

00:52:24,150 --> 00:52:20,880

and uh there's a lot of things that i

1480

00:52:25,670 --> 00:52:24,160

think perhaps lead into why

1481

00:52:27,670 --> 00:52:25,680

a lot of this can't come out why they

1482

00:52:29,510 --> 00:52:27,680

won't just come out and say hey apollo

1483

00:52:33,430 --> 00:52:29,520

11 welcome tonight good to see you he's

1484

00:52:34,870 --> 00:52:33,440

bringing the aliens ghosts and pizza

1485

00:52:37,349 --> 00:52:34,880

why they can't come right out and emit

1486

00:52:39,109 --> 00:52:37,359

some things besides it being a total

1487

00:52:42,470 --> 00:52:39,119

power shift in it in the the the

1488

00:52:44,150 --> 00:52:42,480

paradigm the paradigm shift that control

1489

00:52:45,270 --> 00:52:44,160

and things of that nature but then they

1490

00:52:46,630 --> 00:52:45,280

would have to admit to some of the

1491

00:52:48,150 --> 00:52:46,640

programs that have been going on some of

1492

00:52:49,349 --> 00:52:48,160

the atrocities in my opinion that have

1493

00:52:50,950 --> 00:52:49,359

taken place

1494

00:52:52,230 --> 00:52:50,960

and who's going to own up to that right

1495

00:52:53,270 --> 00:52:52,240

john and i were hitting on that last

1496

00:52:54,549 --> 00:52:53,280

week is

1497

00:52:56,309 --> 00:52:54,559

uh actually this was a couple weeks ago

1498

00:52:58,230 --> 00:52:56,319

we're talking about do do some people

1499

00:53:00,150 --> 00:52:58,240

said do we give them a pass if they've

1500

00:53:01,430 --> 00:53:00,160

inherited a department that it's not

1501
00:53:02,549 --> 00:53:01,440
maybe doing good things and they maybe

1502
00:53:04,950 --> 00:53:02,559
don't even want to run the department

1503
00:53:07,349 --> 00:53:04,960
anymore you know what do we do

1504
00:53:09,349 --> 00:53:07,359
and i i don't know that i don't have an

1505
00:53:11,349 --> 00:53:09,359
answer for any of that but i think that

1506
00:53:13,030 --> 00:53:11,359
one thing that certainly you're doing a

1507
00:53:14,630 --> 00:53:13,040
great job of doing is helping

1508
00:53:16,630 --> 00:53:14,640
experiences come out and talk about

1509
00:53:18,230 --> 00:53:16,640
their experiences at very least

1510
00:53:20,309 --> 00:53:18,240
giving an opportunity like josh and many

1511
00:53:22,870 --> 00:53:20,319
others did you've helped to realize hey

1512
00:53:24,069 --> 00:53:22,880
i'm not crazy and maybe unfortunately

1513
00:53:25,430 --> 00:53:24,079

people don't always talk about but there

1514

00:53:28,230 --> 00:53:25,440

have been those who have certainly lost

1515

00:53:30,309 --> 00:53:28,240

their life to this whether it be

1516

00:53:31,750 --> 00:53:30,319

self-induced or or

1517

00:53:33,510 --> 00:53:31,760

perhaps somebody else somewhere else to

1518

00:53:35,589 --> 00:53:33,520

come in and that can be an area that

1519

00:53:37,109 --> 00:53:35,599

people forget about a lot is that we're

1520

00:53:39,349 --> 00:53:37,119

still people that have had a traumatic

1521

00:53:41,510 --> 00:53:39,359

experience sometimes of some sort at the

1522

00:53:43,109 --> 00:53:41,520

end of the day and there's not a ton of

1523

00:53:44,710 --> 00:53:43,119

resources for that

1524

00:53:47,349 --> 00:53:44,720

if you've just had your world turned

1525

00:53:48,230 --> 00:53:47,359

upside down overnight you know

1526
00:53:49,990 --> 00:53:48,240
well

1527
00:53:52,309 --> 00:53:50,000
these days

1528
00:53:55,190 --> 00:53:52,319
there are a lot more resources available

1529
00:53:56,950 --> 00:53:55,200
than um in the past because of the

1530
00:53:58,950 --> 00:53:56,960
internet so you can always find some

1531
00:54:00,470 --> 00:53:58,960
kind of group and it is really important

1532
00:54:02,230 --> 00:54:00,480
to come out i'm not saying you have to

1533
00:54:04,470 --> 00:54:02,240
come out to everyone you know i'm not

1534
00:54:07,190 --> 00:54:04,480
saying you have to come out on a global

1535
00:54:09,430 --> 00:54:07,200
platform or do a youtube interview but

1536
00:54:11,510 --> 00:54:09,440
it's important you come out to yourself

1537
00:54:14,230 --> 00:54:11,520
because

1538
00:54:16,230 --> 00:54:14,240

if you don't you're living fake

1539

00:54:19,910 --> 00:54:16,240

you're not being the real you and that

1540

00:54:21,750 --> 00:54:19,920

is going to affect every single arena of

1541

00:54:23,510 --> 00:54:21,760

your life you're going to have difficult

1542

00:54:25,190 --> 00:54:23,520

relationships you're not going to find

1543

00:54:27,750 --> 00:54:25,200

fulfillment you're always going to be

1544

00:54:29,990 --> 00:54:27,760

looking for this person to make me happy

1545

00:54:33,190 --> 00:54:30,000

or that thing to make me happy because

1546

00:54:34,870 --> 00:54:33,200

you're not living real you're being

1547

00:54:37,190 --> 00:54:34,880

something that you're not

1548

00:54:40,470 --> 00:54:37,200

uh so that's why it's important just to

1549

00:54:41,910 --> 00:54:40,480

come out to yourself at least and and

1550

00:54:44,390 --> 00:54:41,920

come out to me

1551

00:54:45,910 --> 00:54:44,400

i offer non-judgmental

1552

00:54:49,349 --> 00:54:45,920

help

1553

00:54:52,069 --> 00:54:49,359

and then then you'll start walking your

1554

00:54:54,549 --> 00:54:52,079

path of authenticity and then you'll see

1555

00:54:57,349 --> 00:54:54,559

how beautiful uh beautifully that your

1556

00:54:58,710 --> 00:54:57,359

life changes because of it

1557

00:55:00,390 --> 00:54:58,720

now what did you if you don't mind

1558

00:55:01,750 --> 00:55:00,400

asking what did you get fall and i i do

1559

00:55:03,109 --> 00:55:01,760

have it here in the scrolling at the

1560

00:55:04,950 --> 00:55:03,119

bottom i'm also going to drop it in the

1561

00:55:07,270 --> 00:55:04,960

chat fab good to see you here tonight

1562

00:55:09,190 --> 00:55:07,280

brother uh which is

1563

00:55:10,789 --> 00:55:09,200

mufon being obviously excuse me the one

1564

00:55:11,990 --> 00:55:10,799

i just dropped as a link to your channel

1565

00:55:13,270 --> 00:55:12,000

which people should check out excuse me

1566

00:55:14,470 --> 00:55:13,280

your website because there are many

1567

00:55:16,309 --> 00:55:14,480

other resources there but i will get a

1568

00:55:17,670 --> 00:55:16,319

link to everybody in just a second here

1569

00:55:19,589 --> 00:55:17,680

for a mufon but when did you start

1570

00:55:21,109 --> 00:55:19,599

working with them or what was your uh

1571

00:55:22,470 --> 00:55:21,119

how did you run into that because i know

1572

00:55:23,910 --> 00:55:22,480

that tied back to

1573

00:55:25,190 --> 00:55:23,920

some of your initial

1574

00:55:27,109 --> 00:55:25,200

reaching out going okay i'm going to get

1575

00:55:28,630 --> 00:55:27,119

help i'm going to do something so who

1576

00:55:29,829 --> 00:55:28,640

who got you in touch with mufon or how

1577

00:55:32,630 --> 00:55:29,839

did that happen

1578

00:55:34,470 --> 00:55:32,640

oh thank you for asking so i'm a field

1579

00:55:37,670 --> 00:55:34,480

investigator for mufon for the state of

1580

00:55:39,990 --> 00:55:37,680

north carolina and i'm also on the

1581

00:55:42,710 --> 00:55:40,000

experiencer resource team

1582

00:55:45,910 --> 00:55:42,720

which is made up of only 55 people

1583

00:55:48,470 --> 00:55:45,920

around the world and we specifically

1584

00:55:51,109 --> 00:55:48,480

deal with people who contact us

1585

00:55:54,309 --> 00:55:51,119

that have made contact with et's so as a

1586

00:55:56,710 --> 00:55:54,319

field investigator a lot of that work is

1587

00:55:58,710 --> 00:55:56,720

uh talking to people who submit pictures

1588

00:56:00,870 --> 00:55:58,720

of lights in the sky or they've seen

1589

00:56:03,750 --> 00:56:00,880

something strange

1590

00:56:06,230 --> 00:56:03,760

and we uh we fill out those uh cases and

1591

00:56:09,190 --> 00:56:06,240

we take hours and hours to work on these

1592

00:56:11,270 --> 00:56:09,200

cases uh but the ert or the experience

1593

00:56:13,750 --> 00:56:11,280

to resource team we're dealing with

1594

00:56:16,230 --> 00:56:13,760

people who have had direct contact with

1595

00:56:18,470 --> 00:56:16,240

et's and some of them can handle it and

1596

00:56:22,230 --> 00:56:18,480

some of them just need to talk to

1597

00:56:25,190 --> 00:56:22,240

somebody and just get it out uh so

1598

00:56:28,230 --> 00:56:25,200

when after i got the the second x on my

1599

00:56:30,470 --> 00:56:28,240

tush and i knew i needed help i decided

1600

00:56:31,990 --> 00:56:30,480

i was just gonna let organically let my

1601
00:56:33,430 --> 00:56:32,000
help come because i didn't know who was

1602
00:56:36,069 --> 00:56:33,440
gonna help me

1603
00:56:37,910 --> 00:56:36,079
uh and uh so one of my best friends

1604
00:56:41,430 --> 00:56:37,920
elizabeth who lives on the island of

1605
00:56:44,630 --> 00:56:41,440
maui in hawaii she contacted me okay and

1606
00:56:45,510 --> 00:56:44,640
she said you really should watch

1607
00:56:48,710 --> 00:56:45,520
uh

1608
00:56:51,030 --> 00:56:48,720
unacknowledged by dr steven greer

1609
00:56:52,950 --> 00:56:51,040
so i looked at it one afternoon and that

1610
00:56:55,990 --> 00:56:52,960
lit a fire

1611
00:56:58,069 --> 00:56:56,000
uh under me and as soon as i finished

1612
00:56:59,510 --> 00:56:58,079
watching it i went to my computer i sat

1613
00:57:02,870 --> 00:56:59,520

down and said that's it i'm going to

1614

00:57:04,870 --> 00:57:02,880

send a picture of my ex to somebody yeah

1615

00:57:07,030 --> 00:57:04,880

but i don't know who and then i heard in

1616

00:57:09,270 --> 00:57:07,040

my head move on

1617

00:57:12,710 --> 00:57:09,280

so i didn't move on

1618

00:57:15,430 --> 00:57:12,720

i didn't know really about it and it's a

1619

00:57:17,109 --> 00:57:15,440

true ufo network the largest

1620

00:57:20,390 --> 00:57:17,119

organization in the world that deals

1621

00:57:22,549 --> 00:57:20,400

with ufo and uh et research

1622

00:57:24,470 --> 00:57:22,559

and so i went on a website and there was

1623

00:57:26,789 --> 00:57:24,480

kathleen martin

1624

00:57:28,630 --> 00:57:26,799

who's renowned who's very well known the

1625

00:57:31,109 --> 00:57:28,640

niece of betty and bernie hill and one

1626
00:57:32,710 --> 00:57:31,119
of the leading top researchers in this

1627
00:57:34,470 --> 00:57:32,720
world

1628
00:57:36,309 --> 00:57:34,480
and i saw her picture and i'm like

1629
00:57:38,870 --> 00:57:36,319
that's it she's gonna help me

1630
00:57:41,510 --> 00:57:38,880
so i emailed her and about two days

1631
00:57:43,589 --> 00:57:41,520
later she emailed me right back uh and

1632
00:57:45,109 --> 00:57:43,599
then we skyped and she spent about an

1633
00:57:47,349 --> 00:57:45,119
hour and a half with me and she

1634
00:57:49,270 --> 00:57:47,359
validated everything for me and it was

1635
00:57:51,270 --> 00:57:49,280
such an important phone call

1636
00:57:52,870 --> 00:57:51,280
and i said to her

1637
00:57:55,030 --> 00:57:52,880
what am i supposed to do with all the

1638
00:57:57,589 --> 00:57:55,040

information that the graves have given

1639

00:57:59,430 --> 00:57:57,599

me about the hybridization program and

1640

00:58:01,190 --> 00:57:59,440

the fate of the earth and all this other

1641

00:58:04,230 --> 00:58:01,200

information that i have

1642

00:58:06,470 --> 00:58:04,240

uh because i see in my mind's eye i see

1643

00:58:08,390 --> 00:58:06,480

myself on stage talking to people what

1644

00:58:10,069 --> 00:58:08,400

am i supposed to do she was saying i

1645

00:58:11,670 --> 00:58:10,079

can't tell you what to do you have to

1646

00:58:14,630 --> 00:58:11,680

figure out what to do

1647

00:58:17,030 --> 00:58:14,640

so after that phone call

1648

00:58:18,870 --> 00:58:17,040

uh i'm not gonna do anything

1649

00:58:20,789 --> 00:58:18,880

i'm just not gonna i'm just gonna let

1650

00:58:23,349 --> 00:58:20,799

her organically happen if i do something

1651

00:58:25,430 --> 00:58:23,359

i do if i don't i don't whatever yeah

1652

00:58:28,150 --> 00:58:25,440

and then a couple of months later i woke

1653

00:58:30,630 --> 00:58:28,160

up and i announced i'm writing a book

1654

00:58:33,990 --> 00:58:30,640

and i wrote the book and it was like

1655

00:58:36,549 --> 00:58:34,000

coming out and then shortly just i think

1656

00:58:38,230 --> 00:58:36,559

right after the book came out aliencon

1657

00:58:42,150 --> 00:58:38,240

uh contacted me

1658

00:58:45,589 --> 00:58:42,160

uh this was 2018 in baltimore uh to come

1659

00:58:47,109 --> 00:58:45,599

speak at alien con and

1660

00:58:50,710 --> 00:58:47,119

that's

1661

00:58:53,190 --> 00:58:50,720

where i met a lot of experiences

1662

00:58:55,190 --> 00:58:53,200

and that's when i realized oh this is

1663

00:58:57,829 --> 00:58:55,200

what i want to do i want to help

1664

00:59:00,950 --> 00:58:57,839

experiences because lots of people came

1665

00:59:02,950 --> 00:59:00,960

up to my table and said i've never told

1666

00:59:05,990 --> 00:59:02,960

anyone this before but i'm going to tell

1667

00:59:09,270 --> 00:59:06,000

you and that's music to my ears

1668

00:59:10,470 --> 00:59:09,280

and it happened so much i realized oh my

1669

00:59:12,309 --> 00:59:10,480

gosh

1670

00:59:14,390 --> 00:59:12,319

uh i wonder if maybe you're in the

1671

00:59:17,510 --> 00:59:14,400

minority if you're not having e.t

1672

00:59:18,710 --> 00:59:17,520

contact i'm beginning to think that

1673

00:59:20,710 --> 00:59:18,720

yeah

1674

00:59:22,069 --> 00:59:20,720

you know and it's so we were just this

1675

00:59:23,990 --> 00:59:22,079

is something again the

1676
00:59:25,030 --> 00:59:24,000
nice kind of funny synchronicity we were

1677
00:59:26,470 --> 00:59:25,040
just talking about that's not just

1678
00:59:28,309 --> 00:59:26,480
saying the

1679
00:59:30,390 --> 00:59:28,319
the amount of people out there that more

1680
00:59:31,990 --> 00:59:30,400
than likely have had some contact in

1681
00:59:33,990 --> 00:59:32,000
their life and i don't know what the

1682
00:59:35,190 --> 00:59:34,000
decision-making process is you know

1683
00:59:36,870 --> 00:59:35,200
maybe even for yourself i've heard you

1684
00:59:38,470 --> 00:59:36,880
reference that

1685
00:59:40,789 --> 00:59:38,480
you don't know that you were

1686
00:59:42,230 --> 00:59:40,799
specifically specially chosen and maybe

1687
00:59:43,910 --> 00:59:42,240
you were i mean i think that you've had

1688
00:59:46,150 --> 00:59:43,920

some pretty amazing experiences you know

1689

00:59:48,710 --> 00:59:46,160

for instance let's hit on some of the

1690

00:59:50,150 --> 00:59:48,720

the messages you were given i mean um

1691

00:59:52,390 --> 00:59:50,160

when when did that become clear to you

1692

00:59:54,150 --> 00:59:52,400

when did you get i guess a download or

1693

00:59:55,270 --> 00:59:54,160

a clear realization of that but actually

1694

00:59:56,870 --> 00:59:55,280

really quick before i jump right in that

1695

00:59:58,710 --> 00:59:56,880

because i'm going to miss it otherwise

1696

01:00:00,549 --> 00:59:58,720

uh gospel 77 and it leads into what

1697

01:00:02,470 --> 01:00:00,559

we're talking about anyways uh 77th

1698

01:00:04,069 --> 01:00:02,480

perennial asked i've heard that some

1699

01:00:07,670 --> 01:00:04,079

experiencers feel that they are being

1700

01:00:09,190 --> 01:00:07,680

trained to be facilitators or guides to

1701

01:00:11,030 --> 01:00:09,200

people once the et's announced

1702

01:00:12,549 --> 01:00:11,040

themselves to humanity what are seth's

1703

01:00:15,109 --> 01:00:12,559

thoughts so in that spirit of his

1704

01:00:17,270 --> 01:00:15,119

question or hers question um

1705

01:00:19,109 --> 01:00:17,280

what are your thoughts on that as well

1706

01:00:21,990 --> 01:00:19,119

as when you received this download what

1707

01:00:23,750 --> 01:00:22,000

were the information that you received

1708

01:00:25,829 --> 01:00:23,760

well thank you for that question and

1709

01:00:27,910 --> 01:00:25,839

often that is what happens maybe in the

1710

01:00:29,270 --> 01:00:27,920

very beginning when an experiencer comes

1711

01:00:30,950 --> 01:00:29,280

out

1712

01:00:33,270 --> 01:00:30,960

they're not even thinking of really

1713

01:00:36,150 --> 01:00:33,280

coming out and telling other people but

1714

01:00:38,150 --> 01:00:36,160

it seems to naturally happen the more

1715

01:00:40,630 --> 01:00:38,160

that they investigate the more they feel

1716

01:00:43,109 --> 01:00:40,640

more comfortable with it

1717

01:00:44,789 --> 01:00:43,119

eventually many experiences just

1718

01:00:47,349 --> 01:00:44,799

announced oh well i have to tell the

1719

01:00:48,870 --> 01:00:47,359

world now like i can't hide this and i

1720

01:00:49,670 --> 01:00:48,880

can't tell you why i have to tell the

1721

01:00:51,750 --> 01:00:49,680

world

1722

01:00:53,750 --> 01:00:51,760

but just like me i can't tell you why i

1723

01:00:56,150 --> 01:00:53,760

have to do this i just know i have to

1724

01:00:58,630 --> 01:00:56,160

freaking do it and if i don't do it i'm

1725

01:01:01,190 --> 01:00:58,640

not going to be happy that's all i know

1726

01:01:03,990 --> 01:01:01,200

there's just like this drive that comes

1727

01:01:06,150 --> 01:01:04,000

within you so is this something that's

1728

01:01:09,109 --> 01:01:06,160

chosen before we incarnate into this

1729

01:01:11,030 --> 01:01:09,119

body possibly

1730

01:01:13,430 --> 01:01:11,040

i do help people discover their sole

1731

01:01:15,430 --> 01:01:13,440

purpose and uh there is a purpose that

1732

01:01:18,069 --> 01:01:15,440

we all share a collective purpose which

1733

01:01:19,910 --> 01:01:18,079

is to love as much as possible and that

1734

01:01:22,630 --> 01:01:19,920

starts with ourselves which is where

1735

01:01:25,349 --> 01:01:22,640

most of us get uh tripped up

1736

01:01:26,710 --> 01:01:25,359

uh and but in the act of loving yourself

1737

01:01:29,190 --> 01:01:26,720

and showing love for yourself that's

1738

01:01:32,230 --> 01:01:29,200

when you express your authenticity

1739

01:01:35,349 --> 01:01:32,240

and uh so when i decided to show love

1740

01:01:37,109 --> 01:01:35,359

for myself that's when i started healing

1741

01:01:39,190 --> 01:01:37,119

and that's when i started facing my

1742

01:01:41,430 --> 01:01:39,200

lifetime of experiences and i'm not

1743

01:01:43,349 --> 01:01:41,440

afraid of it anymore and i don't want it

1744

01:01:45,030 --> 01:01:43,359

to go away i want it to continue because

1745

01:01:47,190 --> 01:01:45,040

it does continue

1746

01:01:49,670 --> 01:01:47,200

and

1747

01:01:51,910 --> 01:01:49,680

most experiences experiences who've been

1748

01:01:53,510 --> 01:01:51,920

surveyed most of them say they don't

1749

01:01:55,270 --> 01:01:53,520

want it to stop

1750

01:01:56,390 --> 01:01:55,280

in the beginning they were afraid but

1751

01:01:58,069 --> 01:01:56,400

after a while

1752

01:01:59,670 --> 01:01:58,079

no i don't want to stop because this is

1753

01:02:02,150 --> 01:01:59,680

like

1754

01:02:06,630 --> 01:02:02,160

it's brilliant it's amazing and it's

1755

01:02:09,829 --> 01:02:06,640

changing the person in a beautiful way

1756

01:02:11,990 --> 01:02:09,839

do so for yourself uh you know because i

1757

01:02:13,589 --> 01:02:12,000

and i don't want to necessarily you know

1758

01:02:16,069 --> 01:02:13,599

pigeonhole towards anything but i do

1759

01:02:18,150 --> 01:02:16,079

have one question i i wasn't sure the

1760

01:02:19,750 --> 01:02:18,160

chronological order that it happened in

1761

01:02:22,150 --> 01:02:19,760

which was there was a moment where you

1762

01:02:25,349 --> 01:02:22,160

were being shown um

1763

01:02:27,349 --> 01:02:25,359

i believe a uh a young one could say a

1764

01:02:29,510 --> 01:02:27,359

child of some sort other human or

1765

01:02:33,109 --> 01:02:29,520

whatever and a tube or cryo chamber of

1766

01:02:35,750 --> 01:02:33,119

some sort was that prior to the marks or

1767

01:02:39,029 --> 01:02:35,760

after when was that transition yeah

1768

01:02:41,109 --> 01:02:39,039

that was prior i was shown a baby

1769

01:02:44,270 --> 01:02:41,119

okay 2012.

1770

01:02:47,589 --> 01:02:44,280

and then uh yes that's it and then in

1771

01:02:49,510 --> 01:02:47,599

2016 i went to roswell and i made

1772

01:02:51,910 --> 01:02:49,520

contact with the grayson roswell and

1773

01:02:54,309 --> 01:02:51,920

then they referred to this time that

1774

01:02:56,630 --> 01:02:54,319

they uh showed me a baby in a tube so

1775

01:02:59,829 --> 01:02:56,640

when i was shown this baby in a tube i

1776

01:03:02,470 --> 01:02:59,839

had not come out i had just uh left my

1777

01:03:04,150 --> 01:03:02,480

second marriage i was healing

1778

01:03:07,029 --> 01:03:04,160

i was living in an apartment all by

1779

01:03:11,510 --> 01:03:07,039

myself and the doors just

1780

01:03:12,470 --> 01:03:11,520

flew open as far as e.t contact went

1781

01:03:13,670 --> 01:03:12,480

it was

1782

01:03:15,270 --> 01:03:13,680

a lot

1783

01:03:18,069 --> 01:03:15,280

and so

1784

01:03:20,549 --> 01:03:18,079

i was shown this baby in this tube as

1785

01:03:23,029 --> 01:03:20,559

you can see um

1786

01:03:24,950 --> 01:03:23,039

it was floating in a liquid and the room

1787

01:03:27,910 --> 01:03:24,960

was just dark i couldn't see anything

1788

01:03:30,789 --> 01:03:27,920

else in the room and uh

1789

01:03:33,510 --> 01:03:30,799

the baby's eyes were open and they were

1790

01:03:34,390 --> 01:03:33,520

the bluest eyes i have ever seen in my

1791

01:03:37,510 --> 01:03:34,400

life

1792

01:03:39,190 --> 01:03:37,520

and even though the the baby's leg was

1793

01:03:41,430 --> 01:03:39,200

positioned in such a way that i couldn't

1794

01:03:43,750 --> 01:03:41,440

see the sex i knew it was a boy

1795

01:03:45,829 --> 01:03:43,760

so i'm looking at this baby in a tube

1796

01:03:47,589 --> 01:03:45,839

i'm confused i don't know why i'm

1797

01:03:49,750 --> 01:03:47,599

looking at a baby into it why is there a

1798

01:03:51,589 --> 01:03:49,760

baby in liquid and

1799

01:03:52,710 --> 01:03:51,599

it was illuminated

1800

01:03:58,789 --> 01:03:52,720

and

1801

01:04:02,150 --> 01:03:58,799

three grays

1802

01:04:04,069 --> 01:04:02,160

tall medium and short and back then i

1803

01:04:05,430 --> 01:04:04,079

didn't know that grays came in different

1804

01:04:07,510 --> 01:04:05,440

sizes

1805

01:04:08,549 --> 01:04:07,520

you just saw there was one standard set

1806

01:04:09,750 --> 01:04:08,559

right

1807

01:04:12,390 --> 01:04:09,760

yeah

1808

01:04:14,470 --> 01:04:12,400

and they said to me telepathically take

1809

01:04:16,789 --> 01:04:14,480

your time take all the time that you

1810

01:04:18,470 --> 01:04:16,799

need we're just going to stay back here

1811

01:04:20,390 --> 01:04:18,480

everything's okay

1812

01:04:22,789 --> 01:04:20,400

and i turned around and i looked at the

1813

01:04:25,750 --> 01:04:22,799

baby and i'm still like what i don't

1814

01:04:28,069 --> 01:04:25,760

understand what's going on and then i

1815

01:04:30,150 --> 01:04:28,079

popped back in my bedroom and i told

1816

01:04:32,390 --> 01:04:30,160

myself forget about it i didn't tell

1817

01:04:34,789 --> 01:04:32,400

anybody and i just ignore it

1818

01:04:37,589 --> 01:04:34,799

well in roswell

1819

01:04:38,549 --> 01:04:37,599

which was a completely unexpected trip

1820

01:04:41,670 --> 01:04:38,559

um

1821

01:04:43,750 --> 01:04:41,680

they reminded me of that and they said

1822

01:04:45,670 --> 01:04:43,760

uh you are part of the hybridization

1823

01:04:48,230 --> 01:04:45,680

program and they gave me a lot of

1824

01:04:50,230 --> 01:04:48,240

information uh that there are lots of

1825

01:04:52,069 --> 01:04:50,240

people who are part of the hybridization

1826

01:04:54,309 --> 01:04:52,079

program and they don't know

1827

01:04:56,230 --> 01:04:54,319

and there are actually billions of these

1828

01:04:57,990 --> 01:04:56,240

embryos that they've created now i'm

1829

01:04:59,990 --> 01:04:58,000

just talking about the hybridization

1830

01:05:02,710 --> 01:05:00,000

between humans and the grace there's

1831

01:05:06,630 --> 01:05:02,720

other hybridization programs too and

1832

01:05:08,950 --> 01:05:06,640

like you said i have a millab experience

1833

01:05:11,670 --> 01:05:08,960

where i was healing hybrid babies with

1834

01:05:12,549 --> 01:05:11,680

these uh with a human doctor at a human

1835

01:05:14,870 --> 01:05:12,559

nurse

1836

01:05:17,589 --> 01:05:14,880

and i don't know what hybridization

1837

01:05:20,069 --> 01:05:17,599

program that was uh the babies were very

1838

01:05:21,990 --> 01:05:20,079

sickly and they wanted me to heal them

1839

01:05:24,230 --> 01:05:22,000

which is something that i hear a lot

1840

01:05:25,990 --> 01:05:24,240

from experiencers who uh

1841

01:05:28,470 --> 01:05:26,000

also have uh

1842

01:05:31,910 --> 01:05:28,480

hybrid experiences where they're handed

1843

01:05:34,789 --> 01:05:31,920

a baby and uh for the baby to grow

1844

01:05:39,510 --> 01:05:34,799

uh in a healthy fashion that they have

1845

01:05:43,270 --> 01:05:41,270

yeah because samantha moa she hits on

1846

01:05:44,950 --> 01:05:43,280

that a lot of well she's not the only

1847

01:05:46,150 --> 01:05:44,960

one you're right there are many that

1848

01:05:47,750 --> 01:05:46,160

have had

1849

01:05:48,950 --> 01:05:47,760

instances like that right where they've

1850

01:05:51,430 --> 01:05:48,960

they've had to need some sort of

1851
01:05:52,710 --> 01:05:51,440
connection yeah i think if you look at

1852
01:05:55,589 --> 01:05:52,720
they've

1853
01:05:57,510 --> 01:05:55,599
disguise but this was real work that was

1854
01:05:58,470 --> 01:05:57,520
done back in the day in the 40s and 30s

1855
01:06:00,789 --> 01:05:58,480
even

1856
01:06:02,829 --> 01:06:00,799
um they actually studied how long human

1857
01:06:04,710 --> 01:06:02,839
babies would last without physical

1858
01:06:06,230 --> 01:06:04,720
contact and

1859
01:06:07,750 --> 01:06:06,240
terrible stuff well it was stuff that

1860
01:06:08,870 --> 01:06:07,760
you know the germans were studying back

1861
01:06:10,549 --> 01:06:08,880
in the day

1862
01:06:12,390 --> 01:06:10,559
and um

1863
01:06:13,750 --> 01:06:12,400

it uh they they were there was a

1864

01:06:16,150 --> 01:06:13,760

majority of the babies and i don't want

1865

01:06:18,470 --> 01:06:16,160

the exact percentage but i want to say

1866

01:06:20,549 --> 01:06:18,480

it was well over almost 80 percent that

1867

01:06:22,549 --> 01:06:20,559

didn't make it if they were not touched

1868

01:06:24,870 --> 01:06:22,559

by humans in the beginning so there is

1869

01:06:25,910 --> 01:06:24,880

something about us needing i mean i

1870

01:06:27,109 --> 01:06:25,920

think anybody who's ever been around a

1871

01:06:29,029 --> 01:06:27,119

little baby in the beginning anyways

1872

01:06:30,710 --> 01:06:29,039

anybody certainly if you've been a mom

1873

01:06:32,230 --> 01:06:30,720

and you've birthed any children

1874

01:06:33,910 --> 01:06:32,240

when they when they come out i mean they

1875

01:06:35,829 --> 01:06:33,920

like they're just right they're there

1876
01:06:37,270 --> 01:06:35,839
and they they grab on and they feel and

1877
01:06:40,390 --> 01:06:37,280
they're needing that they just want to

1878
01:06:43,029 --> 01:06:40,400
cuddle in i think that something must be

1879
01:06:45,510 --> 01:06:43,039
about us that maybe in our dna that

1880
01:06:46,870 --> 01:06:45,520
needs that touch i don't know what it is

1881
01:06:48,710 --> 01:06:46,880
but it's interesting to know that there

1882
01:06:51,349 --> 01:06:48,720
was studies done on that that

1883
01:06:52,870 --> 01:06:51,359
um yeah a messed up study for indeed

1884
01:06:55,029 --> 01:06:52,880
simon like i said i don't know the exact

1885
01:06:56,789 --> 01:06:55,039
name of the study but i do remember that

1886
01:06:58,390 --> 01:06:56,799
it was something that was studied and

1887
01:06:59,270 --> 01:06:58,400
they unfortunately have numbers based on

1888
01:07:04,390 --> 01:06:59,280

that

1889

01:07:06,470 --> 01:07:04,400

they're kind of i guess coming to you

1890

01:07:08,230 --> 01:07:06,480

america's like hey sev you've got to

1891

01:07:09,829 --> 01:07:08,240

heal this baby i mean i would almost

1892

01:07:11,270 --> 01:07:09,839

kind of i'm not a doctor i don't know if

1893

01:07:12,710 --> 01:07:11,280

you're a doctor like did you have a

1894

01:07:15,510 --> 01:07:12,720

background in this i mean what were you

1895

01:07:18,309 --> 01:07:15,520

thinking well uh i have a biology degree

1896

01:07:19,829 --> 01:07:18,319

from loyola and i was pre-med and i had

1897

01:07:21,829 --> 01:07:19,839

an apprenticeship at university of

1898

01:07:23,910 --> 01:07:21,839

maryland hospital when i was in college

1899

01:07:26,150 --> 01:07:23,920

and then when i uh

1900

01:07:27,670 --> 01:07:26,160

in my senior year or my junior year i

1901

01:07:29,349 --> 01:07:27,680

can't remember i decided i didn't want

1902

01:07:31,270 --> 01:07:29,359

to go to med school

1903

01:07:32,230 --> 01:07:31,280

um

1904

01:07:34,950 --> 01:07:32,240

but

1905

01:07:37,829 --> 01:07:34,960

in this experience that i had where i

1906

01:07:39,990 --> 01:07:37,839

was handed these two babies to heal

1907

01:07:43,109 --> 01:07:40,000

um once again i didn't feel like they

1908

01:07:44,870 --> 01:07:43,119

were mine and it was a human doctor that

1909

01:07:47,670 --> 01:07:44,880

was standing next to me and i got the

1910

01:07:50,069 --> 01:07:47,680

feeling that i was i don't know if i was

1911

01:07:52,710 --> 01:07:50,079

being tested but it felt like

1912

01:07:55,029 --> 01:07:52,720

um i had been groomed for this and that

1913

01:07:58,150 --> 01:07:55,039

this was like my

1914

01:07:59,829 --> 01:07:58,160

like my final proof that i could do it

1915

01:08:02,390 --> 01:07:59,839

to this doctor like the doctor was

1916

01:08:05,910 --> 01:08:02,400

observing me so he handed me this one

1917

01:08:06,710 --> 01:08:05,920

baby and it had dark hair and dark eyes

1918

01:08:14,470 --> 01:08:06,720

and

1919

01:08:17,910 --> 01:08:14,480

swaddled in a lot of cloth okay so it

1920

01:08:21,749 --> 01:08:17,920

was uh spitting up blood

1921

01:08:23,590 --> 01:08:21,759

so i put my hands on it and uh tried to

1922

01:08:24,870 --> 01:08:23,600

heal it and then they took that baby

1923

01:08:27,829 --> 01:08:24,880

away and then they brought me another

1924

01:08:28,870 --> 01:08:27,839

one that was also human head spitting up

1925

01:08:30,950 --> 01:08:28,880

blood

1926

01:08:32,630 --> 01:08:30,960

so i put my hands on it and then it

1927

01:08:35,269 --> 01:08:32,640

started to roll off the table it was

1928

01:08:39,110 --> 01:08:35,279

like a surgical table

1929

01:08:42,709 --> 01:08:39,120

and so i went to grab alex cloth and as

1930

01:08:45,910 --> 01:08:42,719

i did the cloth came off and i saw its

1931

01:08:49,269 --> 01:08:45,920

body was super skinny like the neck the

1932

01:08:50,789 --> 01:08:49,279

size of my pinky and its arms really

1933

01:08:53,829 --> 01:08:50,799

and i went

1934

01:08:55,269 --> 01:08:53,839

and then that's all i remember

1935

01:08:56,709 --> 01:08:55,279

wow

1936

01:08:59,349 --> 01:08:56,719

do you think that there there was

1937

01:09:00,870 --> 01:08:59,359

swaddling process which was

1938

01:09:03,030 --> 01:09:00,880

twofold maybe actually to keep them

1939

01:09:05,110 --> 01:09:03,040

intact to keep them warm and also to to

1940

01:09:06,789 --> 01:09:05,120

prevent you know like

1941

01:09:10,789 --> 01:09:06,799

are we

1942

01:09:12,070 --> 01:09:10,799

sometimes as humans that if we see

1943

01:09:13,669 --> 01:09:12,080

something that just challenges our

1944

01:09:14,950 --> 01:09:13,679

realities we know that that there's a

1945

01:09:16,229 --> 01:09:14,960

moment where we just

1946

01:09:17,430 --> 01:09:16,239

you know because so often it seems like

1947

01:09:19,269 --> 01:09:17,440

like in your instance there where you've

1948

01:09:20,950 --> 01:09:19,279

seen something that's not normal you

1949

01:09:22,229 --> 01:09:20,960

have this reaction and all sudden you're

1950

01:09:25,110 --> 01:09:22,239

back or you're just you're out of the

1951

01:09:27,269 --> 01:09:25,120

experience and i i can i never can seem

1952

01:09:28,470 --> 01:09:27,279

to wrap my head around that that's why

1953

01:09:31,110 --> 01:09:28,480

certain people that have had such

1954

01:09:32,470 --> 01:09:31,120

in-depth experiences sometimes not

1955

01:09:34,709 --> 01:09:32,480

always that they keep their cool but

1956

01:09:36,470 --> 01:09:34,719

there have been some we take the carl

1957

01:09:38,550 --> 01:09:36,480

higdon abduction for instance when he

1958

01:09:39,910 --> 01:09:38,560

was like they were like hey you know

1959

01:09:41,189 --> 01:09:39,920

that i mean also one basically just says

1960

01:09:43,110 --> 01:09:41,199

hate him and he's like hey what's up

1961

01:09:44,709 --> 01:09:43,120

like he says hey what's up back but he

1962

01:09:45,990 --> 01:09:44,719

still again had those pop situations

1963

01:09:47,430 --> 01:09:46,000

where he's popping in and out of

1964

01:09:49,829 --> 01:09:47,440

different spaces

1965

01:09:51,269 --> 01:09:49,839

but i just wonder if

1966

01:09:53,829 --> 01:09:51,279

when we

1967

01:09:55,830 --> 01:09:53,839

why they i guess would react to you that

1968

01:09:57,510 --> 01:09:55,840

way versus just saying hey this is the

1969

01:09:58,390 --> 01:09:57,520

process you know because

1970

01:09:59,910 --> 01:09:58,400

um

1971

01:10:01,270 --> 01:09:59,920

i don't know i mean i guess those are

1972

01:10:02,470 --> 01:10:01,280

some of those lifelong questions that

1973

01:10:04,310 --> 01:10:02,480

will always strive to kind of know

1974

01:10:07,030 --> 01:10:04,320

certainly yourself more than even me i

1975

01:10:08,790 --> 01:10:07,040

mean you you experienced it so

1976

01:10:10,709 --> 01:10:08,800

it's just a shock to the senses like if

1977

01:10:13,350 --> 01:10:10,719

they had handed me that baby coughing up

1978

01:10:15,350 --> 01:10:13,360

blood with like a a huge head compared

1979

01:10:18,470 --> 01:10:15,360

to its body with like a little t tiny

1980

01:10:19,990 --> 01:10:18,480

alien body and a normal head like i i

1981

01:10:21,110 --> 01:10:20,000

don't know if i would have wanted to

1982

01:10:22,550 --> 01:10:21,120

touch it

1983

01:10:24,070 --> 01:10:22,560

i don't know if i maybe i could have

1984

01:10:25,669 --> 01:10:24,080

sent as much love to it i would have

1985

01:10:28,709 --> 01:10:25,679

been so freaked out

1986

01:10:30,709 --> 01:10:28,719

uh and you know just because the memory

1987

01:10:32,709 --> 01:10:30,719

ends there doesn't mean the experience

1988

01:10:35,669 --> 01:10:32,719

end there very true

1989

01:10:38,070 --> 01:10:35,679

ends there so maybe later

1990

01:10:40,070 --> 01:10:38,080

i might remember more

1991

01:10:42,630 --> 01:10:40,080

so i do believe that

1992

01:10:45,189 --> 01:10:42,640

memories and information and thought

1993

01:10:46,070 --> 01:10:45,199

have energy to them and

1994

01:10:48,630 --> 01:10:46,080

uh

1995

01:10:51,350 --> 01:10:48,640

what we call aha moments are simply just

1996

01:10:53,750 --> 01:10:51,360

the alignment of the energy of a

1997

01:10:55,510 --> 01:10:53,760

particular knowledge with your energy

1998

01:10:57,669 --> 01:10:55,520

and so because we have all the answers

1999

01:10:59,990 --> 01:10:57,679

within us and they all have their own

2000

01:11:02,550 --> 01:11:00,000

energetic imprint to them and as we

2001
01:11:04,870 --> 01:11:02,560
raise our personal vibration then we can

2002
01:11:07,030 --> 01:11:04,880
plug into this information that's of a

2003
01:11:09,430 --> 01:11:07,040
higher frequency as well and sometimes

2004
01:11:11,510 --> 01:11:09,440
we call those aha moments but it's just

2005
01:11:15,189 --> 01:11:11,520
simply oh i'm aligned with the energy of

2006
01:11:17,590 --> 01:11:15,199
this information now i understand it

2007
01:11:19,830 --> 01:11:17,600
that makes sense and that's so true like

2008
01:11:20,950 --> 01:11:19,840
even my goodness

2009
01:11:21,990 --> 01:11:20,960
we say this all the time and i'll

2010
01:11:23,189 --> 01:11:22,000
probably say for the rest of my life

2011
01:11:24,630 --> 01:11:23,199
because we'll always be learning right

2012
01:11:25,510 --> 01:11:24,640
or striving to be better and learn is

2013
01:11:29,350 --> 01:11:25,520

that

2014

01:11:31,910 --> 01:11:29,360

thought about considering a year ago two

2015

01:11:32,870 --> 01:11:31,920

years left alone five ten years ago

2016

01:11:34,070 --> 01:11:32,880

um

2017

01:11:35,990 --> 01:11:34,080

so i guess like you're talking about

2018

01:11:38,070 --> 01:11:36,000

that ascension of just

2019

01:11:40,390 --> 01:11:38,080

i guess stepping up the uh

2020

01:11:41,430 --> 01:11:40,400

the vibrational chain i guess if you

2021

01:11:43,430 --> 01:11:41,440

want to call it whatever you might want

2022

01:11:44,630 --> 01:11:43,440

to call it to become more comfortable

2023

01:11:46,070 --> 01:11:44,640

there's things that i think about now

2024

01:11:47,189 --> 01:11:46,080

just as readily

2025

01:11:48,470 --> 01:11:47,199

like some of the stuff ben and i were

2026

01:11:49,990 --> 01:11:48,480

talking about today where i went man to

2027

01:11:51,590 --> 01:11:50,000

have that conversation two years ago we

2028

01:11:52,950 --> 01:11:51,600

both would have been very very

2029

01:11:54,790 --> 01:11:52,960

trepidatious to speak to each other

2030

01:11:56,550 --> 01:11:54,800

about it because it was so like

2031

01:11:58,470 --> 01:11:56,560

it's all consciousness based it's all

2032

01:11:59,669 --> 01:11:58,480

it's all just frequency based on these

2033

01:12:03,430 --> 01:11:59,679

things that just

2034

01:12:04,870 --> 01:12:03,440

technically we haven't 100 proven yet um

2035

01:12:07,590 --> 01:12:04,880

and i'm at the point where i don't need

2036

01:12:09,830 --> 01:12:07,600

that sign i think there's proof you know

2037

01:12:11,270 --> 01:12:09,840

i believe there is two i believe there's

2038

01:12:13,030 --> 01:12:11,280

enough proof there they just don't want

2039

01:12:15,110 --> 01:12:13,040

to put their little stamp of approval on

2040

01:12:17,669 --> 01:12:15,120

it yet uh gospel has another question

2041

01:12:19,590 --> 01:12:17,679

for us says hey has seth considered that

2042

01:12:21,750 --> 01:12:19,600

the military people at abduction events

2043

01:12:23,750 --> 01:12:21,760

are et's in disguise to make the person

2044

01:12:27,350 --> 01:12:23,760

feel at ease if not why would the

2045

01:12:28,950 --> 01:12:27,360

military allow humans to see them

2046

01:12:31,189 --> 01:12:28,960

so that's cool yes i have to talk about

2047

01:12:32,709 --> 01:12:31,199

that and it is very possible

2048

01:12:35,510 --> 01:12:32,719

uh

2049

01:12:38,070 --> 01:12:35,520

and that reminds me of an experience i

2050

01:12:39,669 --> 01:12:38,080

had where i was in this uh

2051

01:12:41,669 --> 01:12:39,679

like this uh

2052

01:12:43,110 --> 01:12:41,679

government type office and i've been in

2053

01:12:46,709 --> 01:12:43,120

this room before

2054

01:12:48,709 --> 01:12:46,719

and uh there's an office upon it

2055

01:12:51,669 --> 01:12:48,719

and there is just this big

2056

01:12:53,669 --> 01:12:51,679

window serving as a partition and i sit

2057

01:12:54,790 --> 01:12:53,679

at this table and i've been there before

2058

01:12:57,110 --> 01:12:54,800

and so

2059

01:12:59,669 --> 01:12:57,120

one time there was one of those

2060

01:13:02,390 --> 01:12:59,679

young military men standing next to me

2061

01:13:04,550 --> 01:13:02,400

and looking into the other office

2062

01:13:05,990 --> 01:13:04,560

through the window and they bring in a

2063

01:13:08,790 --> 01:13:06,000

gray

2064

01:13:10,470 --> 01:13:08,800

and the man says to me this is the

2065

01:13:12,149 --> 01:13:10,480

original gray

2066

01:13:13,350 --> 01:13:12,159

and they take that one out

2067

01:13:14,630 --> 01:13:13,360

in a

2068

01:13:16,550 --> 01:13:14,640

shorter one

2069

01:13:18,630 --> 01:13:16,560

and he said this is the hybrid of the

2070

01:13:19,990 --> 01:13:18,640

original gray and then they took that

2071

01:13:21,830 --> 01:13:20,000

one out and then they brought in this

2072

01:13:23,590 --> 01:13:21,840

the short one the little one and they

2073

01:13:26,310 --> 01:13:23,600

said that's the hybrid of the hybrid of

2074

01:13:27,430 --> 01:13:26,320

the original and then i understood with

2075

01:13:33,110 --> 01:13:27,440

each

2076

01:13:35,430 --> 01:13:33,120

hybridization the the sentience of the

2077

01:13:38,070 --> 01:13:35,440

being was removed so

2078

01:13:40,070 --> 01:13:38,080

the original gray was have a sentience

2079

01:13:42,310 --> 01:13:40,080

and a consciousness just like we do the

2080

01:13:46,070 --> 01:13:42,320

middle one kinda and then the small one

2081

01:13:48,870 --> 01:13:46,080

was truly much more robotic

2082

01:13:52,149 --> 01:13:48,880

which is kind of sad i mean i but i can

2083

01:13:55,750 --> 01:13:52,159

see where we're on the precipice we as a

2084

01:13:57,830 --> 01:13:55,760

species as humans here i can see where

2085

01:13:58,950 --> 01:13:57,840

we've got to be careful how we make that

2086

01:14:01,430 --> 01:13:58,960

step i don't think there's there's no

2087

01:14:04,390 --> 01:14:01,440

going back we're already there um

2088

01:14:06,229 --> 01:14:04,400

with some sort of emerge i just think

2089

01:14:08,550 --> 01:14:06,239

at what process or where what

2090

01:14:09,830 --> 01:14:08,560

limitations we put on that to where we

2091

01:14:11,590 --> 01:14:09,840

don't

2092

01:14:13,030 --> 01:14:11,600

lose things

2093

01:14:14,470 --> 01:14:13,040

that are i guess innately what we

2094

01:14:15,669 --> 01:14:14,480

consider to be human

2095

01:14:16,950 --> 01:14:15,679

but it is weird because there are

2096

01:14:18,630 --> 01:14:16,960

certain things that

2097

01:14:20,790 --> 01:14:18,640

you know like i have tons of issues

2098

01:14:22,070 --> 01:14:20,800

concentrating i'm terrible i've never

2099

01:14:23,990 --> 01:14:22,080

been a good reader for these reasons

2100

01:14:26,149 --> 01:14:24,000

i've never you know whatever so somehow

2101
01:14:27,270 --> 01:14:26,159
i could just take that little cork out

2102
01:14:29,030 --> 01:14:27,280
of me right

2103
01:14:30,470 --> 01:14:29,040
i suppose some days would help me would

2104
01:14:32,310 --> 01:14:30,480
help with certain things but at the same

2105
01:14:33,750 --> 01:14:32,320
time it's been a beautiful thing for me

2106
01:14:35,910 --> 01:14:33,760
for like interacting with groups of

2107
01:14:38,870 --> 01:14:35,920
people and and when i'm doing things

2108
01:14:41,189 --> 01:14:38,880
require multiple attention spans then it

2109
01:14:43,350 --> 01:14:41,199
works well well when it requires that

2110
01:14:44,870 --> 01:14:43,360
focus source then i i consider it a

2111
01:14:46,470 --> 01:14:44,880
hindrance but i don't know that

2112
01:14:49,110 --> 01:14:46,480
ultimately i'd want to trade it away as

2113
01:14:51,110 --> 01:14:49,120

much as it has been a struggle it is a

2114

01:14:52,310 --> 01:14:51,120

part of me and it's who i am so i just i

2115

01:14:53,430 --> 01:14:52,320

don't know i really struggle with that

2116

01:14:55,189 --> 01:14:53,440

idea of like

2117

01:14:57,030 --> 01:14:55,199

the merging of with that with some sort

2118

01:14:58,149 --> 01:14:57,040

of ascension be it or excuse me that

2119

01:15:00,950 --> 01:14:58,159

sentient but

2120

01:15:02,790 --> 01:15:00,960

uh an ai process i guess

2121

01:15:04,390 --> 01:15:02,800

is that kind of what you were getting

2122

01:15:05,189 --> 01:15:04,400

from them that that's what's happened in

2123

01:15:06,709 --> 01:15:05,199

their

2124

01:15:08,470 --> 01:15:06,719

line or no

2125

01:15:10,790 --> 01:15:08,480

yes i understand what you're saying and

2126

01:15:12,310 --> 01:15:10,800

it definitely is a cause for concern

2127

01:15:14,550 --> 01:15:12,320

because god knows what the chinese are

2128

01:15:17,189 --> 01:15:14,560

doing they probably have a half a baby

2129

01:15:19,990 --> 01:15:17,199

half monkey already i mean you can't the

2130

01:15:23,110 --> 01:15:21,590

maybe not just the chinese but other

2131

01:15:25,350 --> 01:15:23,120

countries too i'm sure there's all kinds

2132

01:15:26,390 --> 01:15:25,360

of weird mutations and hybrids already

2133

01:15:27,750 --> 01:15:26,400

existing

2134

01:15:29,270 --> 01:15:27,760

uh on earth

2135

01:15:36,630 --> 01:15:29,280

um

2136

01:15:38,790 --> 01:15:36,640

as far as uh

2137

01:15:40,229 --> 01:15:38,800

you were talking about your focus and

2138

01:15:42,070 --> 01:15:40,239

that you were saying that you don't have

2139

01:15:45,590 --> 01:15:42,080

focus is that what you were saying well

2140

01:15:47,590 --> 01:15:45,600

i i i have thank you ben for joining

2141

01:15:49,189 --> 01:15:47,600

your very own youtube channel thank you

2142

01:15:51,510 --> 01:15:49,199

so much brother for supporting that and

2143

01:15:53,590 --> 01:15:51,520

becoming a

2144

01:15:55,189 --> 01:15:53,600

you member it what i was saying is yeah

2145

01:15:56,550 --> 01:15:55,199

i have oh my gosh what is the technical

2146

01:15:59,030 --> 01:15:56,560

term for guys somebody in the chat help

2147

01:16:00,709 --> 01:15:59,040

me out this is kind of an example of it

2148

01:16:01,750 --> 01:16:00,719

the um

2149

01:16:03,110 --> 01:16:01,760

like

2150

01:16:05,110 --> 01:16:03,120

is it attention deficit disorder

2151

01:16:07,669 --> 01:16:05,120

whatever it's called like i i just

2152

01:16:08,950 --> 01:16:07,679

i don't concentrate very well

2153

01:16:10,790 --> 01:16:08,960

when something doesn't grasp my

2154

01:16:12,390 --> 01:16:10,800

attention if i if it grabs my intention

2155

01:16:14,229 --> 01:16:12,400

then i'm enthralled right then i'm into

2156

01:16:15,030 --> 01:16:14,239

it i'm almost obsessed

2157

01:16:16,950 --> 01:16:15,040

but

2158

01:16:21,669 --> 01:16:16,960

that's normal why do we have to give

2159

01:16:23,750 --> 01:16:22,709

yeah

2160

01:16:26,149 --> 01:16:23,760

okay

2161

01:16:27,830 --> 01:16:26,159

oh by the way trivia excuse me if i did

2162

01:16:30,950 --> 01:16:27,840

miss a question let me scroll back here

2163

01:16:32,229 --> 01:16:30,960

i apologize guys let's see

2164

01:16:34,149 --> 01:16:32,239

yeah that was my fault for falling

2165

01:16:36,070 --> 01:16:34,159

behind on them over here looks like josh

2166

01:16:38,870 --> 01:16:36,080

had a question um i don't believe i've

2167

01:16:40,229 --> 01:16:38,880

mentioned this to you as i've tried to

2168

01:16:41,990 --> 01:16:40,239

avoid thinking about it i've had

2169

01:16:44,790 --> 01:16:42,000

reoccurring dreams with black-eyed

2170

01:16:47,430 --> 01:16:44,800

emotionless humans getting or getting

2171

01:16:49,669 --> 01:16:47,440

creeps texting at any opinions

2172

01:16:50,950 --> 01:16:49,679

yes um so what are your thoughts i guess

2173

01:16:52,390 --> 01:16:50,960

on that for anybody who might be

2174

01:16:54,390 --> 01:16:52,400

experiencing that

2175

01:16:57,350 --> 01:16:54,400

i have uh talked with several

2176

01:16:59,430 --> 01:16:57,360

experiencers who have met these beings

2177

01:17:00,550 --> 01:16:59,440

that are hybrid like that have big black

2178

01:17:01,430 --> 01:17:00,560

eyes

2179

01:17:04,870 --> 01:17:01,440

uh

2180

01:17:07,750 --> 01:17:04,880

now i've also spoke with people who said

2181

01:17:09,350 --> 01:17:07,760

that the big black eyes of grays

2182

01:17:11,350 --> 01:17:09,360

their eyes really aren't black that

2183

01:17:14,310 --> 01:17:11,360

that's a type of shield

2184

01:17:17,510 --> 01:17:14,320

uh so going back to these uh kind of

2185

01:17:20,310 --> 01:17:17,520

creepy hybrid like half human they tend

2186

01:17:21,590 --> 01:17:20,320

to be young like kids people say that i

2187

01:17:24,470 --> 01:17:21,600

saw like this

2188

01:17:27,350 --> 01:17:24,480

kid which is like all black eyes

2189

01:17:29,030 --> 01:17:27,360

so i'm not sure if they really are all

2190

01:17:31,910 --> 01:17:29,040

black or if they're also wearing that

2191

01:17:34,310 --> 01:17:31,920

shield that people claim that the grays

2192

01:17:35,830 --> 01:17:34,320

wear in order to

2193

01:17:38,630 --> 01:17:35,840

interact with us

2194

01:17:40,790 --> 01:17:38,640

but it is not uncommon for people to

2195

01:17:44,229 --> 01:17:40,800

meet these hybrid-like characters whose

2196

01:17:45,669 --> 01:17:44,239

eyes are all black

2197

01:17:47,990 --> 01:17:45,679

yeah i suppose that's true because i

2198

01:17:49,110 --> 01:17:48,000

believe even um

2199

01:17:51,189 --> 01:17:49,120

oh my gosh

2200

01:17:52,709 --> 01:17:51,199

thank you john so many blank questions

2201

01:17:54,149 --> 01:17:52,719

here tonight or my mind john i'm like

2202

01:17:55,910 --> 01:17:54,159

thank you yes josh for that amazing

2203

01:17:58,070 --> 01:17:55,920

question um

2204

01:17:59,910 --> 01:17:58,080

which was the question i wish anything

2205

01:18:01,590 --> 01:17:59,920

oh mr bledsoe when he had referred to

2206

01:18:03,830 --> 01:18:01,600

some of the um

2207

01:18:05,669 --> 01:18:03,840

excuse me let me go back i'm mixing up

2208

01:18:07,990 --> 01:18:05,679

my events here ron feldberg with the

2209

01:18:09,430 --> 01:18:08,000

mojave desert incident where they had

2210

01:18:10,950 --> 01:18:09,440

all these beings and crafts kind of

2211

01:18:12,709 --> 01:18:10,960

descend upon them and they talked about

2212

01:18:14,390 --> 01:18:12,719

all these little red eyes and they were

2213

01:18:15,110 --> 01:18:14,400

very excited little creatures that were

2214

01:18:16,630 --> 01:18:15,120

just

2215

01:18:18,550 --> 01:18:16,640

teaming about all over the place right

2216

01:18:20,790 --> 01:18:18,560

they said hundreds with their particular

2217

01:18:22,870 --> 01:18:20,800

encounter and then i had heard an

2218

01:18:24,550 --> 01:18:22,880

interview that um

2219

01:18:27,030 --> 01:18:24,560

chris bledsoe did

2220

01:18:28,310 --> 01:18:27,040

referring to saying that the red-eyed

2221

01:18:30,310 --> 01:18:28,320

children or some of the red when you see

2222

01:18:31,830 --> 01:18:30,320

that that they're they're essentially

2223

01:18:33,350 --> 01:18:31,840

kind of they're younger or children and

2224

01:18:34,709 --> 01:18:33,360

that they're in a protective suit now

2225

01:18:36,870 --> 01:18:34,719

whether there's truth to that i don't

2226

01:18:38,070 --> 01:18:36,880

know but i just in my head pictured i

2227

01:18:39,189 --> 01:18:38,080

thought how funny is it you know we put

2228

01:18:40,950 --> 01:18:39,199

our kids and they go on bikes and stuff

2229

01:18:42,470 --> 01:18:40,960

we put all this protective gear on them

2230

01:18:44,070 --> 01:18:42,480

so i was imagining like just these

2231

01:18:45,590 --> 01:18:44,080

rambunctious little

2232

01:18:46,709 --> 01:18:45,600

grays that on a new planet they're all

2233

01:18:47,910 --> 01:18:46,719

exciting they're like listen we gotta

2234

01:18:50,630 --> 01:18:47,920

suit these guys up in like little

2235

01:18:52,470 --> 01:18:50,640

projective gear so they don't uh hurt

2236

01:18:56,149 --> 01:18:52,480

themselves or somebody else

2237

01:18:58,630 --> 01:18:56,159

um so have you ever heard of that

2238

01:19:00,070 --> 01:18:58,640

interesting i know chris though he lives

2239

01:19:02,550 --> 01:19:00,080

just a couple hours only in north

2240

01:19:05,510 --> 01:19:02,560

carolina and i was introduced to him

2241

01:19:07,590 --> 01:19:05,520

through grant cameron who was okay yeah

2242

01:19:10,310 --> 01:19:07,600

great guy too grant

2243

01:19:11,990 --> 01:19:10,320

yeah he does great work in canada

2244

01:19:14,310 --> 01:19:12,000

and um

2245

01:19:17,990 --> 01:19:14,320

so i had an experience here

2246

01:19:20,950 --> 01:19:18,000

uh where i saw these small i actually

2247

01:19:23,110 --> 01:19:20,960

have a drawing of it um

2248

01:19:25,350 --> 01:19:23,120

i talk about this experience on my

2249

01:19:27,189 --> 01:19:25,360

youtube channel alien spirit tv i call

2250

01:19:30,390 --> 01:19:27,199

it the white dog encounter

2251

01:19:32,790 --> 01:19:30,400

and i saw this uh white being it's about

2252

01:19:34,709 --> 01:19:32,800

this tall kind of resembled casper the

2253

01:19:36,790 --> 01:19:34,719

ghost kind of the way it was shaped but

2254

01:19:39,270 --> 01:19:36,800

it was really white and illuminated like

2255

01:19:41,110 --> 01:19:39,280

a light bulb and he came into the room i

2256

01:19:43,110 --> 01:19:41,120

was sitting in this room i was not on

2257

01:19:45,350 --> 01:19:43,120

earth i was in another city somewhere

2258

01:19:47,669 --> 01:19:45,360

else i was sitting in this room and this

2259

01:19:51,189 --> 01:19:47,679

like illuminated being comes in with

2260

01:19:53,430 --> 01:19:51,199

this look like a dog it was on all fours

2261

01:19:55,030 --> 01:19:53,440

and so this dog gets on this table and

2262

01:19:56,709 --> 01:19:55,040

i'm looking at it really close up i'm

2263

01:19:59,030 --> 01:19:56,719

like why am i looking at this dog and

2264

01:20:01,590 --> 01:19:59,040

its skin was really really thin like i

2265

01:20:02,830 --> 01:20:01,600

could see the veins underneath it

2266

01:20:08,629 --> 01:20:02,840

so

2267

01:20:11,510 --> 01:20:08,639

okay well i did not know that chris

2268

01:20:13,669 --> 01:20:11,520

bledsoe had seen these and then after i

2269

01:20:17,510 --> 01:20:13,679

saw these beings they listened to

2270

01:20:19,910 --> 01:20:17,520

chris's account and he said that his son

2271

01:20:22,310 --> 01:20:19,920

saw these four-legged beings

2272

01:20:23,350 --> 01:20:22,320

uh and a four-legged being chased their

2273

01:20:25,590 --> 01:20:23,360

truck

2274

01:20:27,830 --> 01:20:25,600

and uh the way they described it it was

2275

01:20:30,149 --> 01:20:27,840

exactly like the four-legged being i saw

2276

01:20:32,390 --> 01:20:30,159

so we both saw that four-legged being we

2277

01:20:35,350 --> 01:20:32,400

saw that white being and we both saw

2278

01:20:38,550 --> 01:20:35,360

these blue um

2279

01:20:41,110 --> 01:20:38,560

more like light entities and uh i was

2280

01:20:43,990 --> 01:20:41,120

also given the information uh just like

2281

01:20:46,870 --> 01:20:44,000

you're saying just like chris got that

2282

01:20:48,870 --> 01:20:46,880

the four-legged ones

2283

01:20:52,950 --> 01:20:48,880

were like the juveniles

2284

01:20:55,830 --> 01:20:52,960

of the the blue entities and the small

2285

01:20:57,830 --> 01:20:55,840

white ones were like in between stage

2286

01:21:00,229 --> 01:20:57,840

and kind of like pupa or something but

2287

01:21:02,310 --> 01:21:00,239

they just transformed and as they were

2288

01:21:04,790 --> 01:21:02,320

maturing they took on different body

2289

01:21:06,390 --> 01:21:04,800

types and so it could very well be

2290

01:21:07,189 --> 01:21:06,400

exactly what you said

2291

01:21:09,430 --> 01:21:07,199

well

2292

01:21:11,750 --> 01:21:09,440

uh that it could be like a covering to

2293

01:21:14,070 --> 01:21:11,760

keep that light in because that that

2294

01:21:16,950 --> 01:21:14,080

four legged thing that looked like a dog

2295

01:21:19,910 --> 01:21:16,960

its skin or whatever it was over it was

2296

01:21:22,470 --> 01:21:19,920

so see-through and just so transparent

2297

01:21:24,950 --> 01:21:22,480

and so thin so it could very well be

2298

01:21:26,310 --> 01:21:24,960

yeah so you know those uh those

2299

01:21:28,310 --> 01:21:26,320

different types of stories from

2300

01:21:29,990 --> 01:21:28,320

different types of people just put in

2301

01:21:32,390 --> 01:21:30,000

all the missing pieces and they're all

2302

01:21:34,709 --> 01:21:32,400

validation which is really nice

2303

01:21:35,990 --> 01:21:34,719

yeah as if you know i mean

2304

01:21:38,390 --> 01:21:36,000

i think

2305

01:21:40,390 --> 01:21:38,400

what's that i apologize

2306

01:21:42,790 --> 01:21:40,400

no i was just responding to you followed

2307

01:21:44,310 --> 01:21:42,800

us oh yeah yeah she has my undivided

2308

01:21:46,790 --> 01:21:44,320

attention that is a good thing guys we

2309

01:21:48,310 --> 01:21:46,800

that is the goal right um

2310

01:21:50,390 --> 01:21:48,320

that is you know i think everything is a

2311

01:21:52,709 --> 01:21:50,400

tool so in regards to the internet you

2312

01:21:53,990 --> 01:21:52,719

know the pros and cons of it um

2313

01:21:55,590 --> 01:21:54,000

you know this is one of the beautiful

2314

01:21:58,070 --> 01:21:55,600

things about it is that

2315

01:22:01,030 --> 01:21:58,080

those that have opened up and shared

2316

01:22:02,790 --> 01:22:01,040

are there's been a massive wave i think

2317

01:22:04,310 --> 01:22:02,800

um there's a gentleman we hang out with

2318

01:22:05,910 --> 01:22:04,320

quite a bit named spooky morales and he

2319

01:22:07,350 --> 01:22:05,920

was talking about the idea of

2320

01:22:08,470 --> 01:22:07,360

obviously over the past five to six

2321

01:22:10,149 --> 01:22:08,480

years we've had a lot of people just

2322

01:22:11,189 --> 01:22:10,159

start talking about the the phenomenon

2323

01:22:13,990 --> 01:22:11,199

as a whole taking it a lot more

2324

01:22:15,990 --> 01:22:14,000

seriously but take consciousness you

2325

01:22:17,510 --> 01:22:16,000

know two years ago nobody hardly was

2326

01:22:19,750 --> 01:22:17,520

talking about that there were there were

2327

01:22:21,830 --> 01:22:19,760

those but not not the masses weren't

2328

01:22:26,390 --> 01:22:21,840

really considering consciousness aspect

2329

01:22:29,590 --> 01:22:26,400

of it myself included um and and it's so

2330

01:22:31,910 --> 01:22:29,600

pleasant to see a massive shift in that

2331

01:22:33,350 --> 01:22:31,920

regard because i do think that there's a

2332

01:22:34,950 --> 01:22:33,360

lot of this is

2333

01:22:36,870 --> 01:22:34,960

um

2334

01:22:39,189 --> 01:22:36,880

i do think parts of it are tangible but

2335

01:22:41,110 --> 01:22:39,199

i think that us having that like

2336

01:22:43,110 --> 01:22:41,120

absolute answer

2337

01:22:44,950 --> 01:22:43,120

maybe to some it'll come but for me i'm

2338

01:22:47,189 --> 01:22:44,960

completely okay with if it doesn't i'm

2339

01:22:49,110 --> 01:22:47,199

enjoying the journey right and wherever

2340

01:22:50,310 --> 01:22:49,120

it takes us but i don't know how you how

2341

01:22:52,229 --> 01:22:50,320

you feel about this but i feel that a

2342

01:22:53,510 --> 01:22:52,239

lot of people we hang out like in the

2343

01:22:55,430 --> 01:22:53,520

groups and stuff afterwards after hours

2344

01:22:57,350 --> 01:22:55,440

we're not even on shows just talking

2345

01:22:58,070 --> 01:22:57,360

feel there's a wave of something coming

2346

01:22:59,590 --> 01:22:58,080

right

2347

01:23:02,229 --> 01:22:59,600

don't know what it is

2348

01:23:04,310 --> 01:23:02,239

but things are shifting and changing and

2349

01:23:06,070 --> 01:23:04,320

and correct me if i'm wrong and i'd love

2350

01:23:08,870 --> 01:23:06,080

to get your input on this does it feel

2351

01:23:11,510 --> 01:23:08,880

like something is is still fighting this

2352

01:23:13,590 --> 01:23:11,520

and in fighting it i would like to point

2353

01:23:15,669 --> 01:23:13,600

out that i don't think it's just the us

2354

01:23:17,830 --> 01:23:15,679

government is part of this but is there

2355

01:23:19,669 --> 01:23:17,840

something else that's present preventing

2356

01:23:21,910 --> 01:23:19,679

this

2357

01:23:25,510 --> 01:23:21,920

outside of worldly huma outside of

2358

01:23:28,950 --> 01:23:27,590

uh okay so going back to what i was

2359

01:23:31,350 --> 01:23:28,960

talking about

2360

01:23:33,430 --> 01:23:31,360

everybody everything has a vibration and

2361

01:23:34,709 --> 01:23:33,440

so otherworldly beings have a vibration

2362

01:23:36,229 --> 01:23:34,719

and there are some beings that have a

2363

01:23:37,669 --> 01:23:36,239

lower frequency

2364

01:23:39,669 --> 01:23:37,679

and so

2365

01:23:40,550 --> 01:23:39,679

you know they also have their agendas

2366

01:23:43,030 --> 01:23:40,560

too

2367

01:23:44,950 --> 01:23:43,040

and uh this lower frequency when we come

2368

01:23:48,149 --> 01:23:44,960

in contact with them is so uncomfortable

2369

01:23:50,629 --> 01:23:48,159

that we label them as mean or evil or

2370

01:23:52,470 --> 01:23:50,639

bad and that's not necessarily the case

2371

01:23:54,470 --> 01:23:52,480

it's just that that's what we label

2372

01:23:56,790 --> 01:23:54,480

something that makes us uncomfortable

2373

01:23:58,790 --> 01:23:56,800

because it's such a different frequency

2374

01:24:00,629 --> 01:23:58,800

or a different vibration and i've

2375

01:24:01,830 --> 01:24:00,639

actually come in contact with an astral

2376

01:24:05,110 --> 01:24:01,840

men in black

2377

01:24:07,030 --> 01:24:05,120

which uh was a scary experience uh that

2378

01:24:09,430 --> 01:24:07,040

was really intense

2379

01:24:11,590 --> 01:24:09,440

uh and uh it was like an energetic

2380

01:24:13,990 --> 01:24:11,600

battle because i could feel it i could

2381

01:24:15,350 --> 01:24:14,000

feel it it was just a foot for my bed in

2382

01:24:17,990 --> 01:24:15,360

the middle of the night i woke up and

2383

01:24:18,950 --> 01:24:18,000

there was this tall black being with a

2384

01:24:21,110 --> 01:24:18,960

hat

2385

01:24:24,070 --> 01:24:21,120

and he was attached to a friend of mine

2386

01:24:29,590 --> 01:24:26,870

and when i opened my eyes and i saw it

2387

01:24:31,430 --> 01:24:29,600

instantly i felt its energy to start to

2388

01:24:33,430 --> 01:24:31,440

come inside of me and like it felt like

2389

01:24:34,390 --> 01:24:33,440

it just wanted to come inside of me and

2390

01:24:35,270 --> 01:24:34,400

grab

2391

01:24:40,870 --> 01:24:35,280

me

2392

01:24:42,950 --> 01:24:40,880

and so i said no i'm like nope

2393

01:24:44,629 --> 01:24:42,960

this isn't gonna happen you have to go

2394

01:24:46,709 --> 01:24:44,639

and it put up a fight there was an

2395

01:24:48,950 --> 01:24:46,719

energetic battle but i won because i

2396

01:24:51,030 --> 01:24:48,960

know i'm in control and after that

2397

01:24:52,470 --> 01:24:51,040

experience i realized

2398

01:24:54,229 --> 01:24:52,480

a lot of people don't know that they're

2399

01:24:55,110 --> 01:24:54,239

in control and the energy from that

2400

01:24:57,510 --> 01:24:55,120

being

2401
01:24:58,550 --> 01:24:57,520
was really

2402
01:25:01,430 --> 01:24:58,560
dense

2403
01:25:03,430 --> 01:25:01,440
and it was almost overwhelming so for a

2404
01:25:05,030 --> 01:25:03,440
lot of people who come in contact with

2405
01:25:07,030 --> 01:25:05,040
beings like that

2406
01:25:10,310 --> 01:25:07,040
you can fight it and if they know that

2407
01:25:11,990 --> 01:25:10,320
you absolutely are serious that you want

2408
01:25:13,590 --> 01:25:12,000
nothing to do with that being they will

2409
01:25:15,110 --> 01:25:13,600
leave you alone but if there's a little

2410
01:25:18,070 --> 01:25:15,120
bit of you that's like oh this is kind

2411
01:25:20,550 --> 01:25:18,080
of cool well they hang out so

2412
01:25:21,910 --> 01:25:20,560
you have to be very very persistent in

2413
01:25:23,590 --> 01:25:21,920

saying

2414

01:25:25,990 --> 01:25:23,600

i don't have fear because what that

2415

01:25:28,310 --> 01:25:26,000

being lived off of was fear and it was

2416

01:25:29,750 --> 01:25:28,320

attached to my my girlfriend who was in

2417

01:25:30,709 --> 01:25:29,760

a state of fear at that particular

2418

01:25:33,030 --> 01:25:30,719

moment

2419

01:25:35,110 --> 01:25:33,040

and uh i just said you know i don't have

2420

01:25:36,629 --> 01:25:35,120

food for you i don't have what nourishes

2421

01:25:39,990 --> 01:25:36,639

you

2422

01:25:44,709 --> 01:25:42,229

of someone else's fear i don't have it

2423

01:25:47,270 --> 01:25:44,719

exactly i love that enzo he he

2424

01:25:48,870 --> 01:25:47,280

thoroughly believes in you he says

2425

01:25:51,270 --> 01:25:48,880

he says he have no problem kicking

2426

01:25:52,790 --> 01:25:51,280

anybody's butt who it would need so

2427

01:25:54,070 --> 01:25:52,800

but you do bring up a good point about

2428

01:25:55,189 --> 01:25:54,080

that because i know we've had those in

2429

01:25:56,229 --> 01:25:55,199

the past that have said that no one

2430

01:25:59,510 --> 01:25:56,239

wants to talk about the fact that if

2431

01:26:01,110 --> 01:25:59,520

somebody mentions you know like maybe

2432

01:26:03,189 --> 01:26:01,120

like jesus's name or whatever you

2433

01:26:04,629 --> 01:26:03,199

believe in whoever your deity is but

2434

01:26:05,669 --> 01:26:04,639

it's it's that idea that you're calling

2435

01:26:08,149 --> 01:26:05,679

us some sort of a faith you're

2436

01:26:11,030 --> 01:26:08,159

establishing yourself to say no no i

2437

01:26:12,950 --> 01:26:11,040

have power in this situation yeah again

2438

01:26:14,870 --> 01:26:12,960

i i don't get hung up necessarily on one

2439

01:26:16,550 --> 01:26:14,880

person's you know god that they worship

2440

01:26:18,070 --> 01:26:16,560

one way or the other but

2441

01:26:19,669 --> 01:26:18,080

we don't they don't always address that

2442

01:26:21,189 --> 01:26:19,679

topic and ufology sometimes it's like

2443

01:26:22,709 --> 01:26:21,199

well it does happen

2444

01:26:25,189 --> 01:26:22,719

where people and that's why they get

2445

01:26:26,550 --> 01:26:25,199

structured to be in a a demonic

2446

01:26:28,149 --> 01:26:26,560

experience generally right then they

2447

01:26:29,510 --> 01:26:28,159

roll it over to that of immediately

2448

01:26:30,950 --> 01:26:29,520

they're like well it was a demonic force

2449

01:26:33,750 --> 01:26:30,960

because they called in the name of you

2450

01:26:35,350 --> 01:26:33,760

know whoever and and it stopped it

2451

01:26:37,270 --> 01:26:35,360

um but you're saying it's not so much

2452

01:26:39,910 --> 01:26:37,280

it's just establishing that you have

2453

01:26:42,149 --> 01:26:39,920

control of your of your situation

2454

01:26:44,310 --> 01:26:42,159

and you're not open to something right

2455

01:26:45,910 --> 01:26:44,320

so i think that that is key i've never

2456

01:26:48,629 --> 01:26:45,920

really thought of it that way

2457

01:26:50,229 --> 01:26:48,639

also the higher the the more you work at

2458

01:26:51,830 --> 01:26:50,239

raising your frequency the more you're

2459

01:26:53,830 --> 01:26:51,840

going to be aligned with high frequency

2460

01:26:55,590 --> 01:26:53,840

beams but every now and then even if

2461

01:26:58,550 --> 01:26:55,600

your frequency is high you could still

2462

01:27:00,070 --> 01:26:58,560

be poked with a lower frequency being

2463

01:27:01,990 --> 01:27:00,080

because you know when we go visit people

2464

01:27:04,229 --> 01:27:02,000

and when we're walking around and living

2465

01:27:05,910 --> 01:27:04,239

we take our people we take our entities

2466

01:27:08,790 --> 01:27:05,920

with us so when my girlfriend came to

2467

01:27:11,750 --> 01:27:08,800

stay with me this was her entity

2468

01:27:13,669 --> 01:27:11,760

and uh i didn't realize it at the time

2469

01:27:15,430 --> 01:27:13,679

afterwards i realized that that entity

2470

01:27:17,110 --> 01:27:15,440

was attached to her and so it was just

2471

01:27:18,550 --> 01:27:17,120

poking around it just happened to be

2472

01:27:20,070 --> 01:27:18,560

there

2473

01:27:21,910 --> 01:27:20,080

but this is the beauty of raising your

2474

01:27:25,189 --> 01:27:21,920

frequency and on my youtube channel

2475

01:27:27,030 --> 01:27:25,199

alien spirit tv i offer free videos

2476

01:27:30,870 --> 01:27:27,040

about how to raise your frequency why

2477

01:27:33,270 --> 01:27:30,880

you would want to and i also offer a

2478

01:27:35,669 --> 01:27:33,280

guided meditations that i've created to

2479

01:27:37,510 --> 01:27:35,679

help you raise your frequency so you can

2480

01:27:41,590 --> 01:27:37,520

connect with other worldly beings in a

2481

01:27:43,270 --> 01:27:41,600

very safe manner i love that

2482

01:27:44,870 --> 01:27:43,280

you know i think a lot of people i love

2483

01:27:46,870 --> 01:27:44,880

that that's becoming something that's

2484

01:27:48,550 --> 01:27:46,880

much more talked about these days that

2485

01:27:51,110 --> 01:27:48,560

it is an option if it's done safely it's

2486

01:27:52,950 --> 01:27:51,120

just helping educate people on what they

2487

01:27:54,310 --> 01:27:52,960

um how to do it in a safe way that's

2488

01:27:55,750 --> 01:27:54,320

going to be good for them health wise

2489

01:27:57,910 --> 01:27:55,760

you know mentally too

2490

01:28:00,950 --> 01:27:57,920

um kathy slash thank you for being here

2491

01:28:02,629 --> 01:28:00,960

tonight uh and you know

2492

01:28:04,070 --> 01:28:02,639

i guess well i didn't even realize time

2493

01:28:06,070 --> 01:28:04,080

was flowing right by for us so i

2494

01:28:08,709 --> 01:28:06,080

apologize first of all for that every

2495

01:28:10,629 --> 01:28:08,719

time we get we get going along

2496

01:28:11,590 --> 01:28:10,639

i always lose track of the time not hard

2497

01:28:14,070 --> 01:28:11,600

to do

2498

01:28:15,990 --> 01:28:14,080

um so with us having just a couple i'll

2499

01:28:17,830 --> 01:28:16,000

go ahead yeah go ahead no it just went

2500

01:28:19,189 --> 01:28:17,840

by quick because i i just gonna set the

2501

01:28:21,510 --> 01:28:19,199

time too and i can't believe it's been

2502

01:28:22,629 --> 01:28:21,520

an hour and a half i sure can uh tammy

2503

01:28:24,870 --> 01:28:22,639

wants to know if i can post your link

2504

01:28:25,910 --> 01:28:24,880

guys by the way all links uh for

2505

01:28:27,590 --> 01:28:25,920

anything she has mentioned if you go

2506

01:28:29,270 --> 01:28:27,600

down in the show notes i've got them

2507

01:28:31,189 --> 01:28:29,280

broke down each individually so if you

2508

01:28:32,229 --> 01:28:31,199

want to go yeah if you want to go submit

2509

01:28:33,510 --> 01:28:32,239

anything that she's mentioned

2510

01:28:35,270 --> 01:28:33,520

individually on there they're all broken

2511

01:28:37,830 --> 01:28:35,280

down individually with their own links

2512

01:28:40,790 --> 01:28:37,840

so please feel free to go check that out

2513

01:28:42,870 --> 01:28:40,800

kathy smash namaste to you too as well

2514

01:28:44,870 --> 01:28:42,880

and thank you for being here tonight

2515

01:28:46,550 --> 01:28:44,880

so really quick then with us just having

2516

01:28:48,229 --> 01:28:46,560

a couple minutes left here

2517

01:28:50,070 --> 01:28:48,239

what are some key things some key

2518

01:28:51,750 --> 01:28:50,080

takeaways you would encourage for other

2519

01:28:53,510 --> 01:28:51,760

people um

2520

01:28:54,870 --> 01:28:53,520

who are maybe having an experience or

2521

01:28:56,629 --> 01:28:54,880

think they've had an experience at this

2522

01:28:58,550 --> 01:28:56,639

point what what is the starting point

2523

01:28:59,750 --> 01:28:58,560

for them at this you know to start out i

2524

01:29:01,590 --> 01:28:59,760

guess at this very moment what is

2525

01:29:03,590 --> 01:29:01,600

something they can do in this moment if

2526

01:29:04,550 --> 01:29:03,600

they're listening

2527

01:29:06,950 --> 01:29:04,560

okay

2528

01:29:08,870 --> 01:29:06,960

just stop hiding it

2529

01:29:11,350 --> 01:29:08,880

uh come out to yourself admit it to

2530

01:29:14,790 --> 01:29:11,360

yourself or contact me and come out to

2531

01:29:18,629 --> 01:29:14,800

me find somebody go online find a group

2532

01:29:20,550 --> 01:29:18,639

but just just tell somebody and if it

2533

01:29:22,310 --> 01:29:20,560

can just be yourself that's the most

2534

01:29:24,550 --> 01:29:22,320

important thing just to get it out there

2535

01:29:26,629 --> 01:29:24,560

so you can start processing it so you

2536

01:29:29,430 --> 01:29:26,639

don't start hiding it most important

2537

01:29:33,110 --> 01:29:29,440

thing really for you to find fulfillment

2538

01:29:35,189 --> 01:29:33,120

success and peace is to live as the real

2539

01:29:37,270 --> 01:29:35,199

you to live giving yourself the

2540

01:29:39,030 --> 01:29:37,280

permission to live authentically and

2541

01:29:40,950 --> 01:29:39,040

that's not going to happen if you have a

2542

01:29:42,149 --> 01:29:40,960

big secret

2543

01:29:45,110 --> 01:29:42,159

yeah

2544

01:29:46,790 --> 01:29:45,120

we think about that too like on a

2545

01:29:48,870 --> 01:29:46,800

molecular level what that does to you

2546

01:29:50,790 --> 01:29:48,880

know you as a being is this vibrating

2547

01:29:52,870 --> 01:29:50,800

literally vibrating being if you're

2548

01:29:53,990 --> 01:29:52,880

killing cells or whatever pressure the

2549

01:29:57,110 --> 01:29:54,000

weight of

2550

01:29:59,430 --> 01:29:57,120

suppressing yourself to yourself

2551

01:30:00,709 --> 01:29:59,440

um that's got to be devastating and i i

2552

01:30:02,229 --> 01:30:00,719

know we all do it because like you said

2553

01:30:04,229 --> 01:30:02,239

so much easier said than done so i know

2554

01:30:05,590 --> 01:30:04,239

we're all i'm guilty of this there are

2555

01:30:07,030 --> 01:30:05,600

parts of myself that i'm still trying to

2556

01:30:09,830 --> 01:30:07,040

live true to

2557

01:30:12,149 --> 01:30:09,840

and it's it's not easy right like you

2558

01:30:14,310 --> 01:30:12,159

said it's so much easier said than done

2559

01:30:15,990 --> 01:30:14,320

and then actually living that out is is

2560

01:30:18,950 --> 01:30:16,000

a whole nother thing

2561

01:30:21,510 --> 01:30:18,960

in just general without adding in like

2562

01:30:22,870 --> 01:30:21,520

you know the other uh

2563

01:30:25,590 --> 01:30:22,880

interactions you might be having with

2564

01:30:27,270 --> 01:30:25,600

maybe multi-dimensional uh beings or

2565

01:30:28,950 --> 01:30:27,280

those that have passed on that's a whole

2566

01:30:30,550 --> 01:30:28,960

nother level then right

2567

01:30:32,229 --> 01:30:30,560

but that is something i'm very excited

2568

01:30:33,189 --> 01:30:32,239

that yourself that you're doing and

2569

01:30:35,030 --> 01:30:33,199

there's many others that are doing

2570

01:30:35,830 --> 01:30:35,040

incredible work this way too

2571

01:30:37,510 --> 01:30:35,840

um

2572

01:30:39,430 --> 01:30:37,520

really quickly too let's let's hit on

2573

01:30:40,950 --> 01:30:39,440

this really quick which is and guys if

2574

01:30:42,550 --> 01:30:40,960

you have any last minute questions for

2575

01:30:43,669 --> 01:30:42,560

uh sev here please put them up because

2576

01:30:45,110 --> 01:30:43,679

you only have about five more minutes

2577

01:30:46,790 --> 01:30:45,120

with her for i'm gonna let her get out

2578

01:30:48,950 --> 01:30:46,800

of this evening hanging out with us

2579

01:30:50,629 --> 01:30:48,960

which is you do have uh the symposium

2580

01:30:52,229 --> 01:30:50,639

that's coming up in uh july i believe

2581

01:30:54,470 --> 01:30:52,239

the 2022 right

2582

01:30:57,430 --> 01:30:54,480

yes

2583

01:30:59,350 --> 01:30:57,440

national international symposium i'm so

2584

01:31:02,709 --> 01:30:59,360

honored that i'm going to be the master

2585

01:31:03,669 --> 01:31:02,719

of ceremonies i'm very excited about it

2586

01:31:05,189 --> 01:31:03,679

yeah

2587

01:31:07,110 --> 01:31:05,199

there was something i wanted to say i'm

2588

01:31:08,950 --> 01:31:07,120

sorry to kind of you know go ahead

2589

01:31:11,510 --> 01:31:08,960

you were talking about consciousness and

2590

01:31:14,470 --> 01:31:11,520

i just wanted to say that as a mufon

2591

01:31:16,629 --> 01:31:14,480

investigator uh we can see the shift

2592

01:31:20,070 --> 01:31:16,639

mufon investigators see the shift for

2593

01:31:22,070 --> 01:31:20,080

more of uh 3d experienced more of an

2594

01:31:24,070 --> 01:31:22,080

experience through the consciousness

2595

01:31:25,510 --> 01:31:24,080

because your mind is just the playground

2596

01:31:27,430 --> 01:31:25,520

of the consciousness

2597

01:31:29,270 --> 01:31:27,440

and so this is a big shift that's

2598

01:31:31,830 --> 01:31:29,280

happening even with the reporting that

2599

01:31:33,189 --> 01:31:31,840

we're getting at mufon

2600

01:31:34,709 --> 01:31:33,199

i love that

2601
01:31:36,070 --> 01:31:34,719
that's that's very intriguing because

2602
01:31:37,590 --> 01:31:36,080
you guys get to see a whole another part

2603
01:31:39,270 --> 01:31:37,600
of this that we don't even that we don't

2604
01:31:40,550 --> 01:31:39,280
get to see at all you know which is very

2605
01:31:44,070 --> 01:31:40,560
exciting

2606
01:31:46,149 --> 01:31:44,080
um yeah if i'm not mistaken i i think

2607
01:31:47,910 --> 01:31:46,159
lynn wallington and dave scott might be

2608
01:31:49,189 --> 01:31:47,920
at the same one as you i could be wrong

2609
01:31:51,350 --> 01:31:49,199
in that though i could be wrong guys so

2610
01:31:52,310 --> 01:31:51,360
if i'm speaking please forgive me i

2611
01:31:53,669 --> 01:31:52,320
don't know if they're they're for sure

2612
01:31:54,870 --> 01:31:53,679
that one or not but i know they've got a

2613
01:31:56,830 --> 01:31:54,880

couple events coming on the show which

2614

01:31:58,390 --> 01:31:56,840

i'm glad i'm hoping some of the

2615

01:32:00,390 --> 01:31:58,400

events

2616

01:32:02,070 --> 01:32:00,400

he is going to be that one okay then if

2617

01:32:03,750 --> 01:32:02,080

he is i'm pretty sure that lynn's gonna

2618

01:32:05,510 --> 01:32:03,760

i think she got added just recently here

2619

01:32:07,669 --> 01:32:05,520

so it's gonna be a good time you guys

2620

01:32:10,070 --> 01:32:07,679

again and obviously you guys uh cash you

2621

01:32:11,590 --> 01:32:10,080

know dave scott spaced out radio uh i

2622

01:32:12,870 --> 01:32:11,600

believe sev you said you're gonna be on

2623

01:32:14,470 --> 01:32:12,880

like a month with them right give or

2624

01:32:17,350 --> 01:32:14,480

take i'm gonna be on i believe on the

2625

01:32:19,030 --> 01:32:17,360

22nd of february 22nd of february so you

2626

01:32:20,470 --> 01:32:19,040

put it in your calendar somewhere in

2627

01:32:21,510 --> 01:32:20,480

there right and you guys obviously can

2628

01:32:23,590 --> 01:32:21,520

catch me tomorrow night with the

2629

01:32:24,950 --> 01:32:23,600

after-hours show with myself uh jimmy

2630

01:32:27,270 --> 01:32:24,960

jade's got this weekend off but we got

2631

01:32:28,870 --> 01:32:27,280

john hudson and then lizzie borden is

2632

01:32:29,990 --> 01:32:28,880

coming on to hang out and is going to be

2633

01:32:31,990 --> 01:32:30,000

a part of the team now over there so

2634

01:32:33,669 --> 01:32:32,000

that's going to be exciting good times

2635

01:32:35,750 --> 01:32:33,679

and i'm just seeing if i have any

2636

01:32:37,990 --> 01:32:35,760

questions in here i thought i'd seen one

2637

01:32:40,149 --> 01:32:38,000

uh josh just wanted to say i owe sev and

2638

01:32:42,709 --> 01:32:40,159

chris bledsoe a ton of gratitude thank

2639

01:32:44,229 --> 01:32:42,719

you sev i gotta go get i gotta go

2640

01:32:45,830 --> 01:32:44,239

congratulations good night everyone

2641

01:32:47,669 --> 01:32:45,840

later big willy you get some sleep

2642

01:32:48,629 --> 01:32:47,679

tonight josh make sure you rest up

2643

01:32:51,510 --> 01:32:48,639

hopefully you're able to get some good

2644

01:32:54,149 --> 01:32:51,520

stuff tonight i'm sorry okay josh is a

2645

01:32:56,950 --> 01:32:54,159

fantastic story because i was introduced

2646

01:32:58,870 --> 01:32:56,960

to josh through mufon only in september

2647

01:33:01,030 --> 01:32:58,880

and in just a few short months he's had

2648

01:33:03,750 --> 01:33:01,040

this spiritual blossoming that's just

2649

01:33:06,390 --> 01:33:03,760

outstanding and now he has his own

2650

01:33:08,550 --> 01:33:06,400

uh podcast it happens very quickly and

2651

01:33:10,950 --> 01:33:08,560

this is this what he's a perfect example

2652

01:33:13,830 --> 01:33:10,960

of the spiritual blossoming that happens

2653

01:33:16,950 --> 01:33:13,840

to uh people who come in contact

2654

01:33:18,390 --> 01:33:16,960

i do i i he's a great guy and he's like

2655

01:33:20,790 --> 01:33:18,400

i said uh

2656

01:33:23,750 --> 01:33:20,800

there's a difference when people

2657

01:33:26,229 --> 01:33:23,760

share the experiences they think that

2658

01:33:27,669 --> 01:33:26,239

maybe they've reap oh

2659

01:33:29,830 --> 01:33:27,679

not everybody does this but some people

2660

01:33:30,870 --> 01:33:29,840

re embellish or rehearse some of the

2661

01:33:32,470 --> 01:33:30,880

stuff and then

2662

01:33:34,870 --> 01:33:32,480

i don't think when someone's

2663

01:33:36,390 --> 01:33:34,880

i enjoy when somebody shares a story and

2664

01:33:38,470 --> 01:33:36,400

it's maybe not polished and clean and

2665

01:33:39,830 --> 01:33:38,480

just perfect because it's raw and it's

2666

01:33:41,030 --> 01:33:39,840

real and that's a lot of what joe and

2667

01:33:42,229 --> 01:33:41,040

ben have done here is just allowed

2668

01:33:43,430 --> 01:33:42,239

people to come on and share those

2669

01:33:45,510 --> 01:33:43,440

experiences

2670

01:33:47,750 --> 01:33:45,520

and sometimes it's people's first times

2671

01:33:53,270 --> 01:33:47,760

ever sharing it with anybody

2672

01:33:57,350 --> 01:33:55,750

a lot with them they've got a great gift

2673

01:34:00,070 --> 01:33:57,360

that uh they've done a lot that way for

2674

01:34:01,590 --> 01:34:00,080

people to just share

2675

01:34:02,790 --> 01:34:01,600

and you can tell you know sometimes they

2676

01:34:04,870 --> 01:34:02,800

don't know how the greatest mics or

2677

01:34:06,229 --> 01:34:04,880

whatever it might be but those stories

2678

01:34:07,510 --> 01:34:06,239

are genuine and they're real and there's

2679

01:34:09,270 --> 01:34:07,520

someone else there more than likely

2680

01:34:11,510 --> 01:34:09,280

who's hearing that that's had that same

2681

01:34:13,750 --> 01:34:11,520

experience and for them

2682

01:34:15,510 --> 01:34:13,760

man that's got you know how

2683

01:34:17,430 --> 01:34:15,520

how much of at least it has to be to

2684

01:34:18,709 --> 01:34:17,440

somebody to be able to hear someone else

2685

01:34:20,470 --> 01:34:18,719

who's had you're like oh my gosh i

2686

01:34:22,950 --> 01:34:20,480

thought i was crazy and to hear that

2687

01:34:25,350 --> 01:34:22,960

someone else has had this so yeah uh

2688

01:34:27,110 --> 01:34:25,360

oh there see there's ben in the chat ben

2689

01:34:28,550 --> 01:34:27,120

thank you for allowing this the reason

2690

01:34:30,149 --> 01:34:28,560

you and i are even here tonight sev is

2691

01:34:32,709 --> 01:34:30,159

because joe and ben got together and

2692

01:34:34,310 --> 01:34:32,719

said dude let's go do a podcast and and

2693

01:34:36,149 --> 01:34:34,320

they they own it

2694

01:34:38,950 --> 01:34:36,159

so it's been a great time

2695

01:34:40,470 --> 01:34:38,960

um so guys once again all the show notes

2696

01:34:42,310 --> 01:34:40,480

are links everything is it are in the

2697

01:34:43,990 --> 01:34:42,320

show notes and you'll be able to catch

2698

01:34:46,790 --> 01:34:44,000

her on space out radio with mr dave

2699

01:34:48,629 --> 01:34:46,800

scott uh the 22nd give or take someone

2700

01:34:49,830 --> 01:34:48,639

there of february somewhere in that

2701
01:34:51,510 --> 01:34:49,840
range

2702
01:34:54,390 --> 01:34:51,520
and uh you'll also be able to catch her

2703
01:34:57,109 --> 01:34:54,400
and if you can make it out in 2022 there

2704
01:34:58,629 --> 01:34:57,119
or 22 we are in 2022 oh my gosh how did

2705
01:35:00,870 --> 01:34:58,639
i just realize guys i just forgot a

2706
01:35:03,430 --> 01:35:00,880
whole year was here already my goodness

2707
01:35:04,709 --> 01:35:03,440
way to start the year you're up there

2708
01:35:06,390 --> 01:35:04,719
already so

2709
01:35:07,590 --> 01:35:06,400
uh sev anything you'd like to say in

2710
01:35:09,590 --> 01:35:07,600
closing though any words you'd like to

2711
01:35:11,030 --> 01:35:09,600
send people off with uh before i get you

2712
01:35:12,149 --> 01:35:11,040
out of here this fine evening and and

2713
01:35:13,350 --> 01:35:12,159

let you enjoy what's left of your

2714

01:35:14,950 --> 01:35:13,360

weekend here

2715

01:35:18,629 --> 01:35:14,960

oh well thank you

2716

01:35:19,910 --> 01:35:18,639

uh this is really fun i love interacting

2717

01:35:22,070 --> 01:35:19,920

with uh

2718

01:35:24,629 --> 01:35:22,080

listeners and viewers live

2719

01:35:28,070 --> 01:35:24,639

uh so i'm really grateful for this

2720

01:35:29,109 --> 01:35:28,080

platform that you've created it's very

2721

01:35:32,070 --> 01:35:29,119

important

2722

01:35:35,669 --> 01:35:32,080

and i'm honored to be your guest

2723

01:35:36,470 --> 01:35:35,679

and thank you everyone who

2724

01:35:42,470 --> 01:35:36,480

who

2725

01:35:44,070 --> 01:35:42,480

supporting will and also just supporting

2726

01:35:47,030 --> 01:35:44,080

this movement of

2727

01:35:50,070 --> 01:35:47,040

basically it's just um

2728

01:35:51,590 --> 01:35:50,080

an awareness uh expansion that's all

2729

01:35:54,070 --> 01:35:51,600

that's happening we're just expanding

2730

01:35:55,830 --> 01:35:54,080

our awareness love it

2731

01:35:57,830 --> 01:35:55,840

i do love that i could think of no

2732

01:36:00,149 --> 01:35:57,840

better words than to really end it out

2733

01:36:01,590 --> 01:36:00,159

in that so guys as i always say seven

2734

01:36:02,950 --> 01:36:01,600

i'm sending everybody off thank you for

2735

01:36:04,709 --> 01:36:02,960

being our guest this evening thank you

2736

01:36:06,149 --> 01:36:04,719

for sharing i know we had so much more

2737

01:36:07,270 --> 01:36:06,159

we could have gotten to guys there's so

2738

01:36:09,910 --> 01:36:07,280

many other places you can catch your

2739

01:36:11,510 --> 01:36:09,920

interviews on from coast to coast uh to

2740

01:36:12,709 --> 01:36:11,520

raising your experiences there's there's

2741

01:36:14,390 --> 01:36:12,719

a ton of them and you go on our website

2742

01:36:15,669 --> 01:36:14,400

they're listed on there so if you want

2743

01:36:17,350 --> 01:36:15,679

to get a little more in depth on some of

2744

01:36:19,270 --> 01:36:17,360

her life experiences please go check

2745

01:36:20,790 --> 01:36:19,280

that out and as i always say as we're

2746

01:36:25,350 --> 01:36:20,800

heading out for the evening

2747

01:37:01,680 --> 01:36:25,360

please stay curious and keep it weird

2748

01:37:01,690 --> 01:37:14,709

[Music]

2749

01:37:14,719 --> 01:37:21,100

so
