

2 Topic

Tuesday

1
00:00:06,420 --> 00:00:03,170
[Applause]

2
00:00:11,360 --> 00:00:06,430
[Music]

3
00:00:15,110 --> 00:00:11,370
[Applause]

4
00:00:19,670 --> 00:00:17,750
hey hey what's up everybody

5
00:00:21,349 --> 00:00:19,680
that was that was short for some reason

6
00:00:23,910 --> 00:00:21,359
it was like shorter than usual was it

7
00:00:25,910 --> 00:00:23,920
not it was i wasn't ready yet me either

8
00:00:28,790 --> 00:00:25,920
i was messing with these sweet ass

9
00:00:34,950 --> 00:00:31,990
anyways guys hey this is another episode

10
00:00:37,510 --> 00:00:34,960
of ufo garage

11
00:00:40,869 --> 00:00:37,520
i'm ben and i'm joe and this is where we

12
00:00:44,549 --> 00:00:40,879
talk about ufos aliens and all things

13
00:00:47,190 --> 00:00:44,559

weird everything's weird dude yeah

14

00:00:50,470 --> 00:00:47,200

welcome to another totally topless two

15

00:00:53,510 --> 00:00:50,480

topic tuesday how is everybody doing

16

00:00:56,150 --> 00:00:53,520

this afternoon oh what are you doing put

17

00:00:57,990 --> 00:00:56,160

your hands up it's grooving morning

18

00:01:01,430 --> 00:00:58,000

wherever you guys are out there in the

19

00:01:05,750 --> 00:01:03,110

wherever you guys are out in the world

20

00:01:06,550 --> 00:01:05,760

hey look up do you see the moon

21

00:01:07,750 --> 00:01:06,560

do you

22

00:01:11,830 --> 00:01:07,760

are you sure

23

00:01:15,030 --> 00:01:11,840

you're on the other side of the world

24

00:01:17,749 --> 00:01:15,040

we uh we did a poll maybe it's too early

25

00:01:19,990 --> 00:01:17,759

to to tell but i did a poll and it said

26

00:01:22,789 --> 00:01:20,000

uh what day is today

27

00:01:25,429 --> 00:01:22,799

the answers are yes no

28

00:01:27,429 --> 00:01:25,439

and tuesday

29

00:01:28,870 --> 00:01:27,439

29 say yes

30

00:01:30,870 --> 00:01:28,880

i guess technically all of those are

31

00:01:31,990 --> 00:01:30,880

correct right

32

00:01:35,030 --> 00:01:32,000

yeah

33

00:01:38,469 --> 00:01:35,040

it's all subjective no we got 12 for no

34

00:01:40,469 --> 00:01:38,479

59 for tuesday so yes 59

35

00:01:42,469 --> 00:01:40,479

i don't know are they are they are the

36

00:01:44,550 --> 00:01:42,479

yes people also right

37

00:01:46,469 --> 00:01:44,560

i think they are i think so i think so

38

00:01:48,230 --> 00:01:46,479

they are man spooky are you talking

39

00:01:51,190 --> 00:01:48,240

about ben

40

00:01:53,270 --> 00:01:51,200

we're speaking what's up brother oh yes

41

00:01:54,550 --> 00:01:53,280

he said did somebody get hairier i don't

42

00:01:56,550 --> 00:01:54,560

know if you guys knew this and i wasn't

43

00:01:58,149 --> 00:01:56,560

supposed to say anything but recently

44

00:02:00,550 --> 00:01:58,159

last week

45

00:02:02,789 --> 00:02:00,560

ben got his first pubes i got my first

46

00:02:05,749 --> 00:02:02,799

cubes they've been congratulations dude

47

00:02:07,590 --> 00:02:05,759

thank you man congratulations

48

00:02:09,270 --> 00:02:07,600

that's why he was using manscape on his

49

00:02:10,869 --> 00:02:09,280

face this whole time and i was just over

50

00:02:12,869 --> 00:02:10,879

here making fun of him little did i know

51
00:02:14,390 --> 00:02:12,879
he didn't have pubes yet

52
00:02:15,830 --> 00:02:14,400
well i mean i wasn't you know i wasn't

53
00:02:18,070 --> 00:02:15,840
going to talk about it but i mean we can

54
00:02:20,390 --> 00:02:18,080
talk about my first pew if you want dude

55
00:02:21,990 --> 00:02:20,400
i mean hey all flowers grow at different

56
00:02:23,270 --> 00:02:22,000
rates they're all beautiful here's the

57
00:02:25,510 --> 00:02:23,280
thing i didn't even realize it until it

58
00:02:27,030 --> 00:02:25,520
was like four inches long man

59
00:02:28,320 --> 00:02:27,040
you were like

60
00:02:29,510 --> 00:02:28,330
what is this thing

61
00:02:31,509 --> 00:02:29,520
[Laughter]

62
00:02:32,710 --> 00:02:31,519
it kept going man it was like a freaking

63
00:02:36,390 --> 00:02:32,720

yo-yo

64

00:02:38,390 --> 00:02:36,400

oh man that's awesome well hey guys uh

65

00:02:41,670 --> 00:02:38,400

totally topless tuesday we've got two

66

00:02:43,830 --> 00:02:41,680

topics for y'all today uh as y'all are

67

00:02:45,589 --> 00:02:43,840

starting to understand these tuesdays

68

00:02:48,949 --> 00:02:45,599

are a little bit more fast paced or a

69

00:02:50,869 --> 00:02:48,959

little quicker a little shorter um

70

00:02:53,030 --> 00:02:50,879

but but still still packed full of

71

00:02:56,150 --> 00:02:53,040

nutrients you know what i'm saying it it

72

00:02:59,270 --> 00:02:56,160

does the body good just like just like

73

00:03:00,550 --> 00:02:59,280

like milk and beer

74

00:03:02,710 --> 00:03:00,560

dude milk and beer have you ever had

75

00:03:03,670 --> 00:03:02,720

that

76
00:03:06,550 --> 00:03:03,680
kind of

77
00:03:08,550 --> 00:03:06,560
it's i've had like a creamer with a beer

78
00:03:11,030 --> 00:03:08,560
and it was it was pretty tasty it's not

79
00:03:12,309 --> 00:03:11,040
bad yeah dude it's not bad pretty good

80
00:03:16,229 --> 00:03:12,319
stuff

81
00:03:18,149 --> 00:03:16,239
uh tammy uh tammy what's up tammy uh she

82
00:03:19,910 --> 00:03:18,159
sent an awesome email with a really

83
00:03:21,990 --> 00:03:19,920
interesting thing i thought this would

84
00:03:23,830 --> 00:03:22,000
be cool for topic one

85
00:03:25,750 --> 00:03:23,840
where do you get your information that's

86
00:03:27,589 --> 00:03:25,760
the that was the uh the subject of the

87
00:03:29,509 --> 00:03:27,599
email and i click on the link and

88
00:03:31,910 --> 00:03:29,519

um we'll read it here in a second but uh

89

00:03:34,390 --> 00:03:31,920

putting that banner up oh like a four

90

00:03:35,750 --> 00:03:34,400

chance duh

91

00:03:38,390 --> 00:03:35,760

uh

92

00:03:39,670 --> 00:03:38,400

dude i'm scared to go on 4chan

93

00:03:41,430 --> 00:03:39,680

are you

94

00:03:43,190 --> 00:03:41,440

they gonna come get you

95

00:03:45,270 --> 00:03:43,200

come get me

96

00:03:47,589 --> 00:03:45,280

they gonna come get you on 4chan

97

00:03:48,470 --> 00:03:47,599

well [h__h] i live right next to the the

98

00:03:51,030 --> 00:03:48,480

uh

99

00:03:55,509 --> 00:03:51,040

the county

100

00:03:57,350 --> 00:03:55,519

man oh yeah

101
00:04:07,350 --> 00:03:57,360
right up right off there all dreary lane

102
00:04:09,910 --> 00:04:09,030
the article says the department of air

103
00:04:12,229 --> 00:04:09,920
force

104
00:04:13,190 --> 00:04:12,239
wacky service release department of

105
00:04:14,710 --> 00:04:13,200
airport

106
00:04:16,710 --> 00:04:14,720
um the department of air force will

107
00:04:18,550 --> 00:04:16,720
release the where airmen and guardians

108
00:04:19,990 --> 00:04:18,560
get information survey this week this

109
00:04:21,990 --> 00:04:20,000
survey will

110
00:04:24,310 --> 00:04:22,000
uh be emailed to most guardians and

111
00:04:26,230 --> 00:04:24,320
approximately approximately 12 000

112
00:04:28,150 --> 00:04:26,240
randomly selected air force military and

113
00:04:30,550 --> 00:04:28,160

civilian personnel from all major

114

00:04:32,070 --> 00:04:30,560

demographics the survey provides

115

00:04:34,390 --> 00:04:32,080

department leaders and communication

116

00:04:37,270 --> 00:04:34,400

professionals with insight on how to

117

00:04:39,670 --> 00:04:37,280

provide airmen and guardians with re

118

00:04:43,110 --> 00:04:39,680

relevant information through multiple

119

00:04:46,390 --> 00:04:43,120

interval and external sources

120

00:04:48,390 --> 00:04:46,400

um it goes on but basically this okay

121

00:04:49,990 --> 00:04:48,400

i'll read the last one the survey will

122

00:04:51,670 --> 00:04:50,000

be followed in the late spring

123

00:04:53,590 --> 00:04:51,680

by focus groups designed to improve

124

00:04:55,430 --> 00:04:53,600

understanding of the survey findings and

125

00:04:57,749 --> 00:04:55,440

to identify potential solutions to

126
00:04:59,270 --> 00:04:57,759
information shortfalls members are

127
00:05:01,270 --> 00:04:59,280
encouraged to volunteer

128
00:05:03,270 --> 00:05:01,280
for focus groups in their uni so

129
00:05:05,830 --> 00:05:03,280
basically they're like hey

130
00:05:07,830 --> 00:05:05,840
hey guys y'all are pretty important like

131
00:05:09,670 --> 00:05:07,840
very very important handle some really

132
00:05:11,510 --> 00:05:09,680
you know deadly machinery some of the

133
00:05:12,790 --> 00:05:11,520
smartest people we got

134
00:05:14,310 --> 00:05:12,800
where do you where do you where do you

135
00:05:16,550 --> 00:05:14,320
learn stuff

136
00:05:17,909 --> 00:05:16,560
what uh what you listening to

137
00:05:19,909 --> 00:05:17,919
are you are you i don't know if they're

138
00:05:22,830 --> 00:05:19,919

going to ask this but like is is joe

139

00:05:26,230 --> 00:05:22,840

rogan going to be a check box

140

00:05:28,710 --> 00:05:26,240

is freaking is frisky richie dolan gonna

141

00:05:32,870 --> 00:05:28,720

be a check box you know yeah dude i

142

00:05:35,430 --> 00:05:32,880

don't know man i i i mean i guess like

143

00:05:38,710 --> 00:05:35,440

on one hand it's probably cool it

144

00:05:40,310 --> 00:05:38,720

provides people information uh on this

145

00:05:41,749 --> 00:05:40,320

on the other hand though it's kind of

146

00:05:47,670 --> 00:05:41,759

like

147

00:05:49,350 --> 00:05:47,680

none of your business yeah it's none of

148

00:05:51,510 --> 00:05:49,360

your business

149

00:05:53,510 --> 00:05:51,520

um and whenever you start compiling all

150

00:05:54,710 --> 00:05:53,520

this stuff and then you're like oh well

151

00:05:56,550 --> 00:05:54,720

look where people are getting their

152

00:05:58,550 --> 00:05:56,560

information then what are what is the

153

00:06:00,469 --> 00:05:58,560

air force gonna do are they gonna like

154

00:06:03,029 --> 00:06:00,479

you know like on base are they gonna

155

00:06:04,870 --> 00:06:03,039

like block certain things and you can

156

00:06:07,270 --> 00:06:04,880

only get information from certain

157

00:06:09,510 --> 00:06:07,280

avenues like it's just like

158

00:06:11,510 --> 00:06:09,520

it's there's a there's a weird thing

159

00:06:14,950 --> 00:06:11,520

happening like

160

00:06:17,189 --> 00:06:14,960

in like the world right now where like

161

00:06:18,390 --> 00:06:17,199

people are trying to yes it's censorship

162

00:06:20,950 --> 00:06:18,400

and people are always trying to tell you

163

00:06:23,350 --> 00:06:20,960

what to do like and how to think and who

164

00:06:26,070 --> 00:06:23,360

to listen to yeah can you mind your own

165

00:06:29,270 --> 00:06:26,080

business does it matter where i'm

166

00:06:32,150 --> 00:06:29,280

getting this information like who like

167

00:06:35,029 --> 00:06:32,160

who i mean who cares like if we engage

168

00:06:36,070 --> 00:06:35,039

with one of them with one another and

169

00:06:39,430 --> 00:06:36,080

like

170

00:06:40,469 --> 00:06:39,440

information and you say well i got it

171

00:06:42,629 --> 00:06:40,479

from this place where did you get your

172

00:06:44,790 --> 00:06:42,639

information like that's that's one thing

173

00:06:46,870 --> 00:06:44,800

right can we not all communicate where

174

00:06:49,430 --> 00:06:46,880

our information comes from does it have

175

00:06:52,070 --> 00:06:49,440

to go in some giant database that then

176
00:06:54,469 --> 00:06:52,080
some large company not to mention the

177
00:06:56,070 --> 00:06:54,479
military industrial complex like gets a

178
00:06:58,710 --> 00:06:56,080
hold of it and then they're like

179
00:07:00,629 --> 00:06:58,720
centering [h__h] you know i mean we see

180
00:07:03,270 --> 00:07:00,639
large tech companies right now that are

181
00:07:05,110 --> 00:07:03,280
like just censoring [h__h] right you know

182
00:07:08,550 --> 00:07:05,120
like you see all this stuff like up in

183
00:07:10,070 --> 00:07:08,560
canada like all that huge line of trucks

184
00:07:11,909 --> 00:07:10,080
that are out there right now you know

185
00:07:14,469 --> 00:07:11,919
what i'm saying i ain't seen [h__h] on the

186
00:07:16,390 --> 00:07:14,479
news about it i wonder why

187
00:07:19,189 --> 00:07:16,400
i wonder what you know it's like nobody

188
00:07:21,589 --> 00:07:19,199

nobody you know like these these large

189

00:07:24,790 --> 00:07:21,599

companies pick and choose like what you

190

00:07:27,029 --> 00:07:24,800

can see so i i think i think

191

00:07:28,790 --> 00:07:27,039

while you may not be getting the best

192

00:07:30,950 --> 00:07:28,800

information or the most accurate

193

00:07:33,830 --> 00:07:30,960

information it's important that we keep

194

00:07:36,070 --> 00:07:33,840

these channels of all information open

195

00:07:38,230 --> 00:07:36,080

at all times because once all this

196

00:07:39,830 --> 00:07:38,240

stupid [h__h] dies down you're gonna start

197

00:07:41,990 --> 00:07:39,840

getting more accurate relevant

198

00:07:44,790 --> 00:07:42,000

information from multiple

199

00:07:47,350 --> 00:07:44,800

uh spaces again you know this seems like

200

00:07:50,950 --> 00:07:47,360

growing pains like in the the age of

201
00:07:53,270 --> 00:07:50,960
technology um and just people act like

202
00:07:55,270 --> 00:07:53,280
everybody being [h__\h] smart you know

203
00:07:56,790 --> 00:07:55,280
what i'm saying like when we're not all

204
00:07:59,430 --> 00:07:56,800
smart right but like with the internet

205
00:08:01,510 --> 00:07:59,440
it's easy to come off pretty half cocked

206
00:08:03,589 --> 00:08:01,520
and say hey i know some [h__\h] right i

207
00:08:05,430 --> 00:08:03,599
could just google it right but even then

208
00:08:06,710 --> 00:08:05,440
google google says there's a lot of

209
00:08:07,749 --> 00:08:06,720
information

210
00:08:09,990 --> 00:08:07,759
you know

211
00:08:11,909 --> 00:08:10,000
a lot of information i can google

212
00:08:14,070 --> 00:08:11,919
something right and i won't find an

213
00:08:16,550 --> 00:08:14,080

answer and then i go to like bing or

214

00:08:18,390 --> 00:08:16,560

duckduckgo or whatever and boom first

215

00:08:20,070 --> 00:08:18,400

thing up that i was looking for bing

216

00:08:22,230 --> 00:08:20,080

bing bong yep

217

00:08:23,909 --> 00:08:22,240

so it's like you know

218

00:08:26,950 --> 00:08:23,919

there's a lot of there's a lot of

219

00:08:28,869 --> 00:08:26,960

favoritism and money behind information

220

00:08:31,589 --> 00:08:28,879

that you get so

221

00:08:32,389 --> 00:08:31,599

you know i i think as long as you

222

00:08:34,709 --> 00:08:32,399

is

223

00:08:37,670 --> 00:08:34,719

if you're interested in information

224

00:08:40,949 --> 00:08:37,680

seek that information but also seek that

225

00:08:43,589 --> 00:08:40,959

information from multiple outlets

226

00:08:45,190 --> 00:08:43,599

multiple sources and then you got to

227

00:08:47,430 --> 00:08:45,200

kind of do your own

228

00:08:48,710 --> 00:08:47,440

your own sifting right yeah you pick the

229

00:08:49,990 --> 00:08:48,720

[h__\h] out

230

00:08:51,670 --> 00:08:50,000

and then you put all the good stuff

231

00:08:54,230 --> 00:08:51,680

together you said something about

232

00:08:55,590 --> 00:08:54,240

growing pains as a society on like who

233

00:08:57,110 --> 00:08:55,600

to believe and where you get your new

234

00:08:58,630 --> 00:08:57,120

sources from i think

235

00:08:59,990 --> 00:08:58,640

uh dude i think you're onto something

236

00:09:01,590 --> 00:09:00,000

there because

237

00:09:03,509 --> 00:09:01,600

i've noticed something recently like

238

00:09:05,350 --> 00:09:03,519

maybe maybe this is just me and what

239

00:09:07,990 --> 00:09:05,360

pops up on my social media feeds but

240

00:09:09,829 --> 00:09:08,000

like i'm seeing less and less memes have

241

00:09:11,910 --> 00:09:09,839

you have you seen a lot of memes or is

242

00:09:13,829 --> 00:09:11,920

it i feel like there's a lot less memes

243

00:09:16,230 --> 00:09:13,839

like that was like the communication

244

00:09:17,910 --> 00:09:16,240

device like the joke yeah thing where

245

00:09:20,550 --> 00:09:17,920

like a lot of truth was being told at

246

00:09:22,470 --> 00:09:20,560

the same time like yeah oh [h__h] like

247

00:09:24,790 --> 00:09:22,480

that's why they you know caught like

248

00:09:27,350 --> 00:09:24,800

wildfire because they were like true

249

00:09:30,550 --> 00:09:27,360

and funny yeah there's been a lot less

250

00:09:33,110 --> 00:09:30,560

memes lately i know and a lot more like

251
00:09:35,110 --> 00:09:33,120
boring ass npr articles are like popping

252
00:09:37,509 --> 00:09:35,120
up everywhere don't get me wrong i think

253
00:09:40,470 --> 00:09:37,519
npr's is good you know they got they got

254
00:09:42,070 --> 00:09:40,480
some cool [ʌ__ʌ] on npr but like npr

255
00:09:43,590 --> 00:09:42,080
sounds like a library smells you know

256
00:09:45,269 --> 00:09:43,600
what i'm saying it's just so [ʌ__ʌ]

257
00:09:47,190 --> 00:09:45,279
like you know it's

258
00:09:57,670 --> 00:09:47,200
like it was like a decaying tooth and

259
00:10:00,710 --> 00:09:59,350
you just had a large meal hopefully it

260
00:10:02,230 --> 00:10:00,720
was a large

261
00:10:04,150 --> 00:10:02,240
burrito from

262
00:10:06,630 --> 00:10:04,160
chipotle and then i hope you didn't get

263
00:10:08,630 --> 00:10:06,640

the queso because it sucks yeah and then

264

00:10:11,590 --> 00:10:08,640

there will be a commercial hi i'm

265

00:10:13,590 --> 00:10:11,600

crystal and it's all bubbly personally

266

00:10:16,069 --> 00:10:13,600

crystal with kaye hi i'm crystal he's

267

00:10:21,350 --> 00:10:18,230

and i'm here to tell you that if you

268

00:10:23,190 --> 00:10:21,360

drink windex and lu a liquor

269

00:10:25,110 --> 00:10:23,200

you still [h__\h] you up but you have to go

270

00:10:27,670 --> 00:10:25,120

to the hospital

271

00:10:29,990 --> 00:10:27,680

yes instead of a drunk tank you're going

272

00:10:32,470 --> 00:10:30,000

to be on some kind of iv medication i

273

00:10:34,310 --> 00:10:32,480

don't know man i can't remember yeah

274

00:10:36,550 --> 00:10:34,320

dude uh

275

00:10:39,190 --> 00:10:36,560

yeah but yeah i mean yeah you're right i

276

00:10:41,190 --> 00:10:39,200

mean memes or memes were like king for a

277

00:10:42,150 --> 00:10:41,200

while and it was so easy to just kind of

278

00:10:44,470 --> 00:10:42,160

like

279

00:10:46,790 --> 00:10:44,480

get your point across with a meme the

280

00:10:49,990 --> 00:10:46,800

issue with memes that i found is that

281

00:10:52,710 --> 00:10:50,000

they were so simple and so direct that

282

00:10:53,590 --> 00:10:52,720

people started um

283

00:10:55,269 --> 00:10:53,600

like

284

00:10:58,310 --> 00:10:55,279

they would try and prove points the

285

00:11:02,630 --> 00:10:58,320

exact same way with no like

286

00:11:04,710 --> 00:11:02,640

dissection of of of the topic at hand

287

00:11:06,790 --> 00:11:04,720

they're just like nope this that and

288

00:11:08,230 --> 00:11:06,800

boom yeah and that that's that's true

289

00:11:10,230 --> 00:11:08,240

and you're like well did you think about

290

00:11:12,870 --> 00:11:10,240

that at all like there's a lot to that

291

00:11:15,750 --> 00:11:12,880

you know but people's thought process

292

00:11:16,550 --> 00:11:15,760

also became as small and direct as a

293

00:11:18,949 --> 00:11:16,560

meme

294

00:11:20,550 --> 00:11:18,959

right so so i feel like we're growing

295

00:11:22,389 --> 00:11:20,560

out of that stage though i think we're

296

00:11:23,509 --> 00:11:22,399

starting to see the beginning of growing

297

00:11:25,750 --> 00:11:23,519

out of

298

00:11:27,030 --> 00:11:25,760

okay we understand

299

00:11:28,790 --> 00:11:27,040

it's just like anything that becomes

300

00:11:30,470 --> 00:11:28,800

like a trend it's like okay now that we

301
00:11:32,150 --> 00:11:30,480
can call it a name and we can understand

302
00:11:34,790 --> 00:11:32,160
it we can identify it now we can

303
00:11:37,110 --> 00:11:34,800
communicate on an on a better basis i

304
00:11:39,110 --> 00:11:37,120
don't want i don't know what's next

305
00:11:40,870 --> 00:11:39,120
but it does seem like we're growing out

306
00:11:42,389 --> 00:11:40,880
of that phase where like memes is almost

307
00:11:43,509 --> 00:11:42,399
like kindergarten

308
00:11:44,470 --> 00:11:43,519
where it's like

309
00:11:46,310 --> 00:11:44,480
you know the

310
00:11:48,550 --> 00:11:46,320
the funniest thing i mean well farts are

311
00:11:50,150 --> 00:11:48,560
still funny but like you know like you

312
00:11:51,670 --> 00:11:50,160
know fart noise like in the middle like

313
00:11:53,509 --> 00:11:51,680

the teacher's trying to say something

314

00:11:55,990 --> 00:11:53,519

like we're trying to we're

315

00:11:57,190 --> 00:11:56,000

starting to grow out of that phase um

316

00:11:59,910 --> 00:11:57,200

what am i saying farts are always gonna

317

00:12:01,509 --> 00:11:59,920

be so funny but uh like

318

00:12:04,389 --> 00:12:01,519

like uh

319

00:12:05,829 --> 00:12:04,399

morphing into a new type of of

320

00:12:06,790 --> 00:12:05,839

communication

321

00:12:10,389 --> 00:12:06,800

so

322

00:12:12,790 --> 00:12:10,399

come in it's like memes how do you check

323

00:12:15,269 --> 00:12:12,800

like fact check a meme like i wonder

324

00:12:17,190 --> 00:12:15,279

what the next form of of quick or maybe

325

00:12:18,790 --> 00:12:17,200

it won't be quick maybe maybe people

326
00:12:20,629 --> 00:12:18,800
will start

327
00:12:23,030 --> 00:12:20,639
communicating more thoroughly

328
00:12:25,269 --> 00:12:23,040
maybe that's i mean i hope

329
00:12:28,150 --> 00:12:25,279
yeah you would hope that's

330
00:12:30,310 --> 00:12:28,160
that that's the case um but we also

331
00:12:32,710 --> 00:12:30,320
can't just take like every time you post

332
00:12:34,150 --> 00:12:32,720
something facebook puts a goddamn like

333
00:12:35,990 --> 00:12:34,160
fact checking

334
00:12:38,310 --> 00:12:36,000
you can go to this site and blah blah

335
00:12:39,990 --> 00:12:38,320
blah or like whatever like you know like

336
00:12:42,470 --> 00:12:40,000
you notice they stop doing the actual

337
00:12:44,389 --> 00:12:42,480
like fat check things or it has that

338
00:12:46,790 --> 00:12:44,399

little meter on it yeah and it's because

339

00:12:49,190 --> 00:12:46,800

they got called out for for total

340

00:12:51,030 --> 00:12:49,200

censorship and [h__h] that's why they

341

00:12:53,430 --> 00:12:51,040

don't do that anymore because they got

342

00:12:55,190 --> 00:12:53,440

caught like actually like

343

00:12:57,350 --> 00:12:55,200

like people would post things that are

344

00:12:59,110 --> 00:12:57,360

real they'd be like this is false just

345

00:13:01,670 --> 00:12:59,120

because they didn't like it or they

346

00:13:03,910 --> 00:13:01,680

didn't hold the same viewpoints and

347

00:13:06,310 --> 00:13:03,920

people were [h__h] censoring that and

348

00:13:07,430 --> 00:13:06,320

calling it fake when it wasn't and so

349

00:13:09,750 --> 00:13:07,440

that's why they stopped doing it they

350

00:13:14,389 --> 00:13:09,760

got a [h__h] a little trouble for it good

351

00:13:16,949 --> 00:13:15,750

so late

352

00:13:18,389 --> 00:13:16,959

what happens in the metaverse where

353

00:13:19,509 --> 00:13:18,399

you're like hey guys who wants to talk

354

00:13:21,430 --> 00:13:19,519

about aliens

355

00:13:23,350 --> 00:13:21,440

actually my name's mark zuckerberg

356

00:13:25,990 --> 00:13:23,360

aliens don't exist because it's only the

357

00:13:27,829 --> 00:13:26,000

metaverse and the moon is real okay

358

00:13:30,310 --> 00:13:27,839

yeah yeah

359

00:13:33,030 --> 00:13:30,320

uh dude you have you heard the thing

360

00:13:34,710 --> 00:13:33,040

with the elon musk how it's kind of like

361

00:13:35,509 --> 00:13:34,720

like talk [h__h] about the metal verse

362

00:13:39,990 --> 00:13:35,519

like

363

00:13:41,670 --> 00:13:40,000

you know he was talking about it and

364

00:13:43,030 --> 00:13:41,680

they were asking about it he said it was

365

00:13:44,949 --> 00:13:43,040

lame they were asking him about the

366

00:13:47,110 --> 00:13:44,959

metaverse and he was like

367

00:13:48,870 --> 00:13:47,120

i don't really know i mean like when

368

00:13:51,030 --> 00:13:48,880

you're a kid they always told you never

369

00:13:53,430 --> 00:13:51,040

to sit too close to the tv because like

370

00:13:55,350 --> 00:13:53,440

it would ruin your eyes and now you have

371

00:13:57,670 --> 00:13:55,360

like this tv like right on top of your

372

00:13:59,110 --> 00:13:57,680

eyes yeah and the idea that you have to

373

00:14:02,069 --> 00:13:59,120

put like

374

00:14:04,629 --> 00:14:02,079

goggles on to obstruct your view to see

375

00:14:07,269 --> 00:14:04,639

a virtual world it's just kind of simple

376

00:14:09,269 --> 00:14:07,279

and basic if you ask me so like that

377

00:14:11,030 --> 00:14:09,279

dude's talking like no i want you to be

378

00:14:13,670 --> 00:14:11,040

able to see a virtual world with no

379

00:14:16,310 --> 00:14:13,680

[h__h] goggles on type yeah type of you

380

00:14:18,949 --> 00:14:16,320

know contact lenses yeah reality dude

381

00:14:20,629 --> 00:14:18,959

you know so like that dudes already like

382

00:14:22,790 --> 00:14:20,639

metaverse probably came out and he was

383

00:14:24,550 --> 00:14:22,800

like oh god wait till they see the [h__h]

384

00:14:27,110 --> 00:14:24,560

i've been working i invented the

385

00:14:31,030 --> 00:14:27,120

metaverse when i was 13. yeah dude he

386

00:14:33,350 --> 00:14:31,040

was probably like this is so lame

387

00:14:35,750 --> 00:14:33,360

i bet you're 100 correct i mean who

388

00:14:38,389 --> 00:14:35,760

knows what's happening in like the

389

00:14:39,269 --> 00:14:38,399

the prototype phases of his

390

00:14:41,350 --> 00:14:39,279

uh

391

00:14:43,269 --> 00:14:41,360

tony stark-esque underground

392

00:14:44,629 --> 00:14:43,279

laboratories like he's like this is

393

00:14:46,150 --> 00:14:44,639

[h__h] cool

394

00:14:47,189 --> 00:14:46,160

yeah yeah

395

00:14:49,670 --> 00:14:47,199

he's like

396

00:14:50,629 --> 00:14:49,680

floating in a vat of goo

397

00:14:52,790 --> 00:14:50,639

yeah

398

00:14:54,870 --> 00:14:52,800

he's like plugging himself in and [h__h]

399

00:14:57,590 --> 00:14:54,880

yeah dude i'm sure that dude's having an

400

00:14:59,910 --> 00:14:57,600

awesome time no he's not you know

401
00:15:02,069 --> 00:14:59,920
i bet every tuesday night elon musk gets

402
00:15:04,389 --> 00:15:02,079
in a vat of blue goo

403
00:15:07,110 --> 00:15:04,399
and then he glows for 12 hours straight

404
00:15:08,710 --> 00:15:07,120
and he just feels amazing like it's just

405
00:15:10,389 --> 00:15:08,720
blue goo and it's just like this

406
00:15:11,910 --> 00:15:10,399
ultimate light like that's that's the

407
00:15:14,150 --> 00:15:11,920
new thing

408
00:15:15,350 --> 00:15:14,160
dopamine dopamine dopamine

409
00:15:17,030 --> 00:15:15,360
yeah man

410
00:15:19,350 --> 00:15:17,040
but uh so that

411
00:15:21,829 --> 00:15:19,360
the air force and the information the

412
00:15:23,990 --> 00:15:21,839
data collecting uh

413
00:15:26,470 --> 00:15:24,000

i mean

414

00:15:29,910 --> 00:15:26,480

i find it hard to believe

415

00:15:32,470 --> 00:15:29,920

force doesn't already have some sort of

416

00:15:35,749 --> 00:15:32,480

mechanism to tell like what people are

417

00:15:36,790 --> 00:15:35,759

into like come on you know right right

418

00:15:38,069 --> 00:15:36,800

yeah maybe

419

00:15:39,990 --> 00:15:38,079

see that crossed my mind too like they

420

00:15:42,550 --> 00:15:40,000

should probably already know that right

421

00:15:44,150 --> 00:15:42,560

what if it's like a check to make sure

422

00:15:45,829 --> 00:15:44,160

that they're being honest about where

423

00:15:48,710 --> 00:15:45,839

they're getting their information

424

00:15:50,870 --> 00:15:48,720

exactly exactly it's like a deeper like

425

00:15:52,949 --> 00:15:50,880

psyop like yeah psychological it's kind

426

00:15:55,990 --> 00:15:52,959

of like all this all the ufo [h__\h] coming

427

00:15:57,910 --> 00:15:56,000

out right now it's like oh okay so like

428

00:16:00,230 --> 00:15:57,920

let me get this straight we all hated

429

00:16:02,389 --> 00:16:00,240

the government for covering it up they

430

00:16:04,870 --> 00:16:02,399

came out and they were like

431

00:16:07,350 --> 00:16:04,880

hey so we want to be a little bit honest

432

00:16:09,030 --> 00:16:07,360

with you and we're all like oh that's so

433

00:16:10,470 --> 00:16:09,040

cool let's all get the information to

434

00:16:12,629 --> 00:16:10,480

the government again it's like they're

435

00:16:15,269 --> 00:16:12,639

doing the exact same thing just this

436

00:16:17,590 --> 00:16:15,279

time they told you about it you know

437

00:16:20,310 --> 00:16:17,600

that in itself is a that itself is a

438

00:16:22,470 --> 00:16:20,320

metaverse that that we went full circle

439

00:16:23,829 --> 00:16:22,480

like oh wait we finally get information

440

00:16:25,030 --> 00:16:23,839

but who is it from oh it's the

441

00:16:27,269 --> 00:16:25,040

government same people they've been

442

00:16:28,790 --> 00:16:27,279

lying about it for 80 years

443

00:16:30,150 --> 00:16:28,800

we'll take it

444

00:16:31,430 --> 00:16:30,160

yeah yeah

445

00:16:32,550 --> 00:16:31,440

and then we'll talk about it and argue

446

00:16:34,870 --> 00:16:32,560

about it

447

00:16:37,749 --> 00:16:34,880

yeah forever now like we'll need we need

448

00:16:40,069 --> 00:16:37,759

something it's like sometimes

449

00:16:41,910 --> 00:16:40,079

it seems like the field gets so stagnant

450

00:16:45,110 --> 00:16:41,920

that like any little bit of crumbs and

451
00:16:47,430 --> 00:16:45,120
like people go ape [h__h] on it yeah

452
00:16:49,829 --> 00:16:47,440
i get it yes i get it dude yeah it's

453
00:16:53,189 --> 00:16:49,839
exciting it's cool i get it is it's

454
00:16:55,030 --> 00:16:53,199
exciting man but i want more as

455
00:16:58,790 --> 00:16:55,040
have you seen the new aziz ansari uh

456
00:17:00,470 --> 00:16:58,800
stand up on uh netflix not yet dude all

457
00:17:03,030 --> 00:17:00,480
right well i'm not spoiling anything but

458
00:17:05,350 --> 00:17:03,040
his his line is but we need more content

459
00:17:06,789 --> 00:17:05,360
you don't have the content

460
00:17:09,510 --> 00:17:06,799
just go just

461
00:17:11,510 --> 00:17:09,520
go away you have to have the content

462
00:17:14,710 --> 00:17:11,520
it's so true if anybody hasn't seen that

463
00:17:15,429 --> 00:17:14,720

it's awesome yeah aziz is back y'all is

464

00:17:18,150 --> 00:17:15,439

he

465

00:17:19,750 --> 00:17:18,160

oh yeah you know okay it's nice to know

466

00:17:20,710 --> 00:17:19,760

that people can come back after being

467

00:17:23,270 --> 00:17:20,720

canceled

468

00:17:25,270 --> 00:17:23,280

yeah man yeah he's really good man yeah

469

00:17:28,549 --> 00:17:25,280

that last special it's so good [h__h]

470

00:17:31,190 --> 00:17:28,559

hey man but the the the information so

471

00:17:33,430 --> 00:17:31,200

they're going to collect this database

472

00:17:36,470 --> 00:17:33,440

and then they're gonna send it to

473

00:17:38,150 --> 00:17:36,480

2500 random people

474

00:17:40,230 --> 00:17:38,160

so they're gonna send it through they're

475

00:17:42,390 --> 00:17:40,240

gonna print it on the back of the box of

476

00:17:48,870 --> 00:17:42,400

uh pops the cereal and then they're

477

00:17:53,350 --> 00:17:51,430

uh surveys occur every two to three

478

00:17:55,270 --> 00:17:53,360

years in addition to looking at trends

479

00:17:58,150 --> 00:17:55,280

and information preferences this year's

480

00:18:00,470 --> 00:17:58,160

survey seeks information about the kinds

481

00:18:02,549 --> 00:18:00,480

of features

482

00:18:04,390 --> 00:18:02,559

departments personnel look for

483

00:18:06,070 --> 00:18:04,400

information resources excuse me

484

00:18:07,510 --> 00:18:06,080

these inputs will help inform decisions

485

00:18:08,789 --> 00:18:07,520

about future command information

486

00:18:11,750 --> 00:18:08,799

products and services products and

487

00:18:14,150 --> 00:18:11,760

services good lord this is mcdonald's

488

00:18:16,390 --> 00:18:14,160

everything's a [h__h] products products

489

00:18:18,549 --> 00:18:16,400

so they're literally doing like a like a

490

00:18:20,710 --> 00:18:18,559

like an agreement for when you sign up

491

00:18:22,630 --> 00:18:20,720

for facebook or you sign up for google

492

00:18:23,750 --> 00:18:22,640

they make you sign that agreement that's

493

00:18:25,750 --> 00:18:23,760

like hey

494

00:18:27,110 --> 00:18:25,760

uh your all these products and services

495

00:18:29,029 --> 00:18:27,120

that we're providing we're also going to

496

00:18:31,270 --> 00:18:29,039

sell them to third parties

497

00:18:33,669 --> 00:18:31,280

and you can't ask about it like that's

498

00:18:35,909 --> 00:18:33,679

what they're doing it sounds ridiculous

499

00:18:39,990 --> 00:18:35,919

it's not and my other question would be

500

00:18:43,029 --> 00:18:40,000

that if they do do this are then uh

501
00:18:44,630 --> 00:18:43,039
military members going to be harassed

502
00:18:46,870 --> 00:18:44,640
are they going to be barred from certain

503
00:18:48,230 --> 00:18:46,880
jobs like if they submit this

504
00:18:49,830 --> 00:18:48,240
information they're like yeah i love

505
00:18:52,150 --> 00:18:49,840
them forwards are they going to be like

506
00:18:54,230 --> 00:18:52,160
up you'll never be a captain even though

507
00:18:56,870 --> 00:18:54,240
they're probably way more qualified and

508
00:18:58,630 --> 00:18:56,880
like epp to do the job of a captain

509
00:19:00,789 --> 00:18:58,640
right then some other [h__h] head that was

510
00:19:01,990 --> 00:19:00,799
like no i love npr right

511
00:19:04,470 --> 00:19:02,000
you know like

512
00:19:07,110 --> 00:19:04,480
is that what's gonna happen like i don't

513
00:19:08,789 --> 00:19:07,120

i just i don't trust [\h__\h] like that like

514

00:19:11,990 --> 00:19:08,799

i just especially if you're in the

515

00:19:14,230 --> 00:19:12,000

military like a gi that stands for

516

00:19:17,190 --> 00:19:14,240

government issue like you you don't have

517

00:19:18,789 --> 00:19:17,200

a say why does it matter you know you

518

00:19:21,350 --> 00:19:18,799

already don't you know you do what

519

00:19:24,630 --> 00:19:21,360

you're told and that's it you know so

520

00:19:25,669 --> 00:19:24,640

why does this information matter at all

521

00:19:27,510 --> 00:19:25,679

well

522

00:19:28,950 --> 00:19:27,520

they're like oh man you said about like

523

00:19:30,710 --> 00:19:28,960

why are we even talking about this but i

524

00:19:32,070 --> 00:19:30,720

feel like it's if it's if it starts in

525

00:19:35,029 --> 00:19:32,080

the military it's going to trickle down

526

00:19:37,190 --> 00:19:35,039

i mean i don't know it's like

527

00:19:40,150 --> 00:19:37,200

anyway back to the way it's it's it's

528

00:19:42,950 --> 00:19:40,160

like all all of these services

529

00:19:44,710 --> 00:19:42,960

had some products and services all these

530

00:19:45,990 --> 00:19:44,720

products and services

531

00:19:47,029 --> 00:19:46,000

somebody

532

00:19:48,950 --> 00:19:47,039

from

533

00:19:50,950 --> 00:19:48,960

the government and or intelligence

534

00:19:54,150 --> 00:19:50,960

agencies the internet was

535

00:19:55,750 --> 00:19:54,160

invented as a as a [h__\h] war machine

536

00:19:57,750 --> 00:19:55,760

like that's what it was invented for in

537

00:20:00,630 --> 00:19:57,760

the first place right like all this

538

00:20:02,230 --> 00:20:00,640

stuff was invented by the military right

539

00:20:03,590 --> 00:20:02,240

so all these guys

540

00:20:05,510 --> 00:20:03,600

you know

541

00:20:08,390 --> 00:20:05,520

alphabet agencies they've all had their

542

00:20:09,830 --> 00:20:08,400

hands somewhere in the creation of all

543

00:20:11,510 --> 00:20:09,840

these things

544

00:20:13,350 --> 00:20:11,520

why is it now

545

00:20:15,430 --> 00:20:13,360

that now the air force has to be like

546

00:20:17,830 --> 00:20:15,440

hey we're doing this too it's like

547

00:20:24,390 --> 00:20:17,840

you're really late to the game you said

548

00:20:27,990 --> 00:20:26,149

like we already know that all these

549

00:20:29,909 --> 00:20:28,000

other companies right they're selling

550

00:20:31,510 --> 00:20:29,919

your information to third parties why

551
00:20:33,750 --> 00:20:31,520
doesn't the air force just be a third

552
00:20:35,110 --> 00:20:33,760
party and buy it

553
00:20:37,110 --> 00:20:35,120
they're going to give it to you it's

554
00:20:39,590 --> 00:20:37,120
easier isn't it

555
00:20:41,909 --> 00:20:39,600
that's that's a really good point

556
00:20:43,270 --> 00:20:41,919
like just buy that [h__h] you know well

557
00:20:45,350 --> 00:20:43,280
it's like you're you're running a

558
00:20:46,870 --> 00:20:45,360
t-shirt printing operation you're like

559
00:20:49,110 --> 00:20:46,880
hey guys i'm really wanting us to get

560
00:20:50,470 --> 00:20:49,120
some company t-shirts but

561
00:20:52,390 --> 00:20:50,480
yeah i need you to pay for those

562
00:20:54,630 --> 00:20:52,400
t-shirts dude we're already spending a

563
00:20:56,789 --> 00:20:54,640

[h__\h] load of tax money on space force

564

00:20:57,990 --> 00:20:56,799

which we'll never know anything about

565

00:20:59,990 --> 00:20:58,000

you might as well

566

00:21:03,430 --> 00:21:00,000

waste our tax money on on buying this

567

00:21:04,549 --> 00:21:03,440

information as a third party yeah dude

568

00:21:05,909 --> 00:21:04,559

also you can get all the free

569

00:21:07,270 --> 00:21:05,919

information you want off of tick tock i

570

00:21:11,669 --> 00:21:07,280

mean just just download this tell

571

00:21:14,789 --> 00:21:12,710

yeah yeah

572

00:21:21,350 --> 00:21:14,799

your facial reconstruction

573

00:21:26,070 --> 00:21:23,590

like to make your face old make your

574

00:21:27,909 --> 00:21:26,080

face a disney character

575

00:21:29,909 --> 00:21:27,919

the 10-year challenge what do you look

576

00:21:31,909 --> 00:21:29,919

like in 10 years because these companies

577

00:21:34,310 --> 00:21:31,919

man they take that [h__h] and they see how

578

00:21:35,990 --> 00:21:34,320

you've aged over 10 years and then they

579

00:21:37,830 --> 00:21:36,000

project in the future what you're going

580

00:21:38,950 --> 00:21:37,840

to look like in case [h__h] goes down they

581

00:21:41,350 --> 00:21:38,960

already know what you're going to look

582

00:21:43,590 --> 00:21:41,360

like even if your [h__h] goes down

583

00:21:45,110 --> 00:21:43,600

yeah if [h__h] goes down you decide to go

584

00:21:46,710 --> 00:21:45,120

off the grid they know who they're

585

00:21:48,870 --> 00:21:46,720

looking for because they've seen your

586

00:21:50,630 --> 00:21:48,880

age progression by all these like

587

00:21:52,789 --> 00:21:50,640

voluntary face things that you're

588

00:21:55,350 --> 00:21:52,799

[\h__\h] doing all over the internet so

589

00:21:57,430 --> 00:21:55,360

they know how you're gonna age dude yeah

590

00:21:59,029 --> 00:21:57,440

i don't do them filter [\h__\h] i don't do

591

00:22:01,029 --> 00:21:59,039

none of that because it's just all

592

00:22:03,029 --> 00:22:01,039

mapping your face you know there were

593

00:22:04,470 --> 00:22:03,039

some people in france that actually got

594

00:22:06,630 --> 00:22:04,480

in trouble because they were painting

595

00:22:08,870 --> 00:22:06,640

these weird block shapes on their faces

596

00:22:11,190 --> 00:22:08,880

in black and white paint and the facial

597

00:22:13,350 --> 00:22:11,200

recognition systems in the country

598

00:22:15,029 --> 00:22:13,360

couldn't pick up their faces so people

599

00:22:16,630 --> 00:22:15,039

ended up getting picked out like hey you

600

00:22:18,070 --> 00:22:16,640

can't do that and they're like what

601
00:22:19,430 --> 00:22:18,080
they're like you can't put that stuff on

602
00:22:20,630 --> 00:22:19,440
your face and they were like why and

603
00:22:22,070 --> 00:22:20,640
they're like well because of facial

604
00:22:23,190 --> 00:22:22,080
recognition we're tracking you and

605
00:22:25,029 --> 00:22:23,200
they're like oh i don't want you to

606
00:22:27,750 --> 00:22:25,039
track me and they're like well you don't

607
00:22:30,230 --> 00:22:27,760
have a choice we're the government

608
00:22:32,549 --> 00:22:30,240
you know dude we'll see full circle back

609
00:22:34,630 --> 00:22:32,559
to aziz he also brings this up too it's

610
00:22:35,990 --> 00:22:34,640
like you we already like everybody's

611
00:22:36,710 --> 00:22:36,000
worried about giving away their data

612
00:22:39,190 --> 00:22:36,720
like

613
00:22:41,110 --> 00:22:39,200

we already did it everybody it's a whole

614

00:22:43,029 --> 00:22:41,120

i don't want to yeah it's like telling a

615

00:22:45,590 --> 00:22:43,039

joke over but anyway

616

00:22:47,590 --> 00:22:45,600

um yeah so pro

617

00:22:49,430 --> 00:22:47,600

i wanted to say this earlier anytime i

618

00:22:52,630 --> 00:22:49,440

hear like a company say like our

619

00:22:53,909 --> 00:22:52,640

products and services like immediately

620

00:22:56,549 --> 00:22:53,919

i want to turn my computer off and throw

621

00:22:58,789 --> 00:22:56,559

it away like [\h__\h] you like don't sit i

622

00:22:59,830 --> 00:22:58,799

hate those words products and services

623

00:23:01,669 --> 00:22:59,840

dude

624

00:23:03,110 --> 00:23:01,679

our products and services we [\h__\h]

625

00:23:05,350 --> 00:23:03,120

made a lasagna

626

00:23:07,909 --> 00:23:05,360

it's a it's a it's a good segue though

627

00:23:09,669 --> 00:23:07,919

for everybody out there listening we uh

628

00:23:13,190 --> 00:23:09,679

have products and services if you go to

629

00:23:17,500 --> 00:23:15,029

you can check out our products and

630

00:23:18,789 --> 00:23:17,510

services

631

00:23:20,950 --> 00:23:18,799

[Music]

632

00:23:23,909 --> 00:23:20,960

oh [h__h] man

633

00:23:25,990 --> 00:23:23,919

yeah yeah i mean like most of them dude

634

00:23:28,710 --> 00:23:26,000

on facebook

635

00:23:30,630 --> 00:23:28,720

never get on it like never get on it

636

00:23:33,110 --> 00:23:30,640

unless it's a tuesday or thursday and i

637

00:23:36,549 --> 00:23:33,120

need to check some [h__h] yeah uh

638

00:23:40,549 --> 00:23:36,559

instagram never get on it i don't i just

639

00:23:42,149 --> 00:23:40,559

don't use the platforms um like i did

640

00:23:44,950 --> 00:23:42,159

when i like

641

00:23:46,789 --> 00:23:44,960

five six years ago right like well i

642

00:23:49,430 --> 00:23:46,799

it's i hate to tell you this but i

643

00:23:52,310 --> 00:23:49,440

actually did the old face

644

00:23:53,510 --> 00:23:52,320

on your photo so just to see what you

645

00:23:56,950 --> 00:23:53,520

would look like

646

00:24:00,470 --> 00:23:58,549

but you can do that like it's kind of

647

00:24:01,909 --> 00:24:00,480

[h__h] up isn't it like it was like just

648

00:24:04,470 --> 00:24:01,919

upload a photo of it just anybody

649

00:24:07,750 --> 00:24:04,480

doesn't have to be you could be anybody

650

00:24:10,230 --> 00:24:07,760

a [h__h] look the same just white beard

651
00:24:12,390 --> 00:24:10,240
yeah it's just it's just you just

652
00:24:13,750 --> 00:24:12,400
kind of like really shitty painted

653
00:24:14,950 --> 00:24:13,760
white

654
00:24:18,789 --> 00:24:14,960
yes

655
00:24:20,950 --> 00:24:18,799
it just says all over the forehead

656
00:24:23,909 --> 00:24:20,960
old

657
00:24:25,909 --> 00:24:23,919
[h__\h] man but yeah i know like my

658
00:24:27,990 --> 00:24:25,919
information's already out there it's

659
00:24:30,149 --> 00:24:28,000
gone it's sold

660
00:24:32,630 --> 00:24:30,159
but all like the newer stuff that's

661
00:24:34,390 --> 00:24:32,640
happening like i don't even touch it i

662
00:24:35,909 --> 00:24:34,400
don't even touch it man

663
00:24:38,149 --> 00:24:35,919

i miss i miss

664

00:24:39,430 --> 00:24:38,159

i want more i want more of my data out

665

00:24:42,950 --> 00:24:39,440

there

666

00:24:44,870 --> 00:24:42,960

i miss the old html myspace days

667

00:24:46,390 --> 00:24:44,880

yeah where you could pick your top

668

00:24:47,990 --> 00:24:46,400

friends

669

00:24:49,830 --> 00:24:48,000

and everybody else knew

670

00:24:51,029 --> 00:24:49,840

everybody knew where their place was in

671

00:24:52,950 --> 00:24:51,039

your in your

672

00:24:54,630 --> 00:24:52,960

in your circle everybody knew their

673

00:24:56,390 --> 00:24:54,640

place man everybody knew their goddamn

674

00:24:58,950 --> 00:24:56,400

place who you were having beef with too

675

00:25:01,350 --> 00:24:58,960

it's like oh [h__\h] yeah and like now

676

00:25:03,269 --> 00:25:01,360

everybody calls you every day

677

00:25:06,230 --> 00:25:03,279

because they don't know their place in

678

00:25:07,909 --> 00:25:06,240

your life i miss that top eight bro and

679

00:25:09,510 --> 00:25:07,919

if like you miss a call from somebody

680

00:25:12,630 --> 00:25:09,520

like

681

00:25:14,950 --> 00:25:12,640

you never called me back

682

00:25:17,029 --> 00:25:14,960

that's busy what do you mean like you're

683

00:25:22,549 --> 00:25:17,039

mad now oh you're mad because i

684

00:25:26,630 --> 00:25:23,990

oh man

685

00:25:29,190 --> 00:25:26,640

mr crowley what's up man no dude we're

686

00:25:33,510 --> 00:25:29,200

actually two minutes late

687

00:25:36,950 --> 00:25:35,190

yeah usually

688

00:25:38,230 --> 00:25:36,960

we're huge what's up mr crowley what's

689

00:25:39,350 --> 00:25:38,240

up brother

690

00:25:42,950 --> 00:25:39,360

dude yeah

691

00:25:44,870 --> 00:25:42,960

tammy's in here what's up girl [h__h] yeah

692

00:25:46,470 --> 00:25:44,880

uh we got jamie

693

00:25:48,710 --> 00:25:46,480

uh that one time i was abducted by

694

00:25:51,110 --> 00:25:48,720

aliens i'm assuming it's jamie

695

00:25:54,710 --> 00:25:51,120

or bree i don't know what's up girls

696

00:25:57,830 --> 00:25:54,720

spooky what's up dude gordium yes

697

00:26:00,710 --> 00:25:57,840

chad smith i wore your shirt all day my

698

00:26:03,350 --> 00:26:00,720

uh i got my chad smith shirt uh uh in

699

00:26:05,830 --> 00:26:03,360

the mail oh [h__h] dude it is like the

700

00:26:08,149 --> 00:26:05,840

most comfortable shirt

701
00:26:10,710 --> 00:26:08,159
i've ever this is my new favorite shirt

702
00:26:12,390 --> 00:26:10,720
nice dude nice you got a white one it

703
00:26:14,230 --> 00:26:12,400
it's like a gray

704
00:26:17,110 --> 00:26:14,240
white like heather dude it is so it

705
00:26:19,269 --> 00:26:17,120
smells like lotion dude

706
00:26:20,630 --> 00:26:19,279
chad pop a link in the chat bro people

707
00:26:22,070 --> 00:26:20,640
need to know

708
00:26:24,149 --> 00:26:22,080
yeah right

709
00:26:25,350 --> 00:26:24,159
it's a great shirt it's screecher

710
00:26:28,630 --> 00:26:25,360
um

711
00:26:30,070 --> 00:26:28,640
so once they collect all this data

712
00:26:32,630 --> 00:26:30,080
are they then going to put it somewhere

713
00:26:34,230 --> 00:26:32,640

so everybody can see it

714

00:26:35,990 --> 00:26:34,240

or is it only going to be for certain

715

00:26:38,710 --> 00:26:36,000

people that's only only for the people

716

00:26:40,310 --> 00:26:38,720

with products and services

717

00:26:42,630 --> 00:26:40,320

because i mean they're going to be like

718

00:26:44,470 --> 00:26:42,640

oh this they're building like a profile

719

00:26:47,110 --> 00:26:44,480

based off of what you listen to who

720

00:26:49,510 --> 00:26:47,120

you're influenced by and i mean it like

721

00:26:51,510 --> 00:26:49,520

yeah but what's the profile for like

722

00:26:53,190 --> 00:26:51,520

what's the to sell you products and

723

00:26:55,510 --> 00:26:53,200

services what's the what's the

724

00:26:58,149 --> 00:26:55,520

experiment what what

725

00:26:59,750 --> 00:26:58,159

what is the air force gonna sell you

726

00:27:01,110 --> 00:26:59,760

it's to tell the future it's to run

727

00:27:03,430 --> 00:27:01,120

these ai

728

00:27:05,430 --> 00:27:03,440

they don't sell [\h__\h] the military

729

00:27:08,870 --> 00:27:05,440

doesn't sell [\h__\h] except for

730

00:27:10,789 --> 00:27:08,880

bodies for services overseas

731

00:27:13,190 --> 00:27:10,799

that's all they sell so they don't need

732

00:27:14,549 --> 00:27:13,200

to know where i get my information from

733

00:27:16,549 --> 00:27:14,559

they're like hey

734

00:27:18,070 --> 00:27:16,559

we need some of that can we trade you

735

00:27:21,350 --> 00:27:18,080

for some dead bodies that we'll send

736

00:27:23,110 --> 00:27:21,360

over oh god and then they're like yeah

737

00:27:25,510 --> 00:27:23,120

and then they're like all right all you

738

00:27:27,510 --> 00:27:25,520

18 year olds go die over there

739

00:27:29,029 --> 00:27:27,520

and then they're like all right cool

740

00:27:30,549 --> 00:27:29,039

well now everybody's dead can we have

741

00:27:31,830 --> 00:27:30,559

that stuff that we were going to trade

742

00:27:33,110 --> 00:27:31,840

for and they're like yeah and they're

743

00:27:34,710 --> 00:27:33,120

like all right cool we'll see you in

744

00:27:35,750 --> 00:27:34,720

five years we need to blow some more

745

00:27:37,909 --> 00:27:35,760

[h__\h] up

746

00:27:40,630 --> 00:27:37,919

oh my god i mean that's that's the

747

00:27:43,990 --> 00:27:40,640

history of america right it's not wrong

748

00:27:45,590 --> 00:27:44,000

it ain't pretty but it's not wrong

749

00:27:47,990 --> 00:27:45,600

nicholas cage wasn't a part of that and

750

00:27:51,350 --> 00:27:48,000

that was he was at a very huge part of

751
00:27:53,029 --> 00:27:51,360
american history yeah yeah

752
00:27:55,190 --> 00:27:53,039
yeah it's crazy man

753
00:27:58,149 --> 00:27:55,200
dude it is crazy man so

754
00:28:00,389 --> 00:27:58,159
i feel like uh yeah it's like

755
00:28:01,350 --> 00:28:00,399
yeah i i feel like we kind of

756
00:28:02,870 --> 00:28:01,360
uh

757
00:28:04,549 --> 00:28:02,880
gotten to the end of this one i mean

758
00:28:07,110 --> 00:28:04,559
it's we kind of know where we stand on

759
00:28:08,549 --> 00:28:07,120
that like at the end of the day

760
00:28:10,149 --> 00:28:08,559
just

761
00:28:11,590 --> 00:28:10,159
why why does it matter where we get our

762
00:28:13,909 --> 00:28:11,600
information from people should be able

763
00:28:16,070 --> 00:28:13,919

to decide for themselves what to believe

764

00:28:17,190 --> 00:28:16,080

who to follow who to respect who to

765

00:28:18,870 --> 00:28:17,200

listen to

766

00:28:22,230 --> 00:28:18,880

and like we should gotta stop like

767

00:28:24,389 --> 00:28:22,240

babying everybody god i know

768

00:28:26,630 --> 00:28:24,399

it's so lame like

769

00:28:28,389 --> 00:28:26,640

i don't uh uh like the other day

770

00:28:29,269 --> 00:28:28,399

somebody like posted some [h__h] like i

771

00:28:31,590 --> 00:28:29,279

said i

772

00:28:34,149 --> 00:28:31,600

rarely get on but like because when i do

773

00:28:36,310 --> 00:28:34,159

get on like when i get on facebook and

774

00:28:38,789 --> 00:28:36,320

the first thing i see is like

775

00:28:41,430 --> 00:28:38,799

joe rogan sucks it's like

776

00:28:42,950 --> 00:28:41,440

oh he doesn't it's like okay

777

00:28:44,870 --> 00:28:42,960

stop you're gonna hurt joe rogan's

778

00:28:46,549 --> 00:28:44,880

feelings for one and for two does

779

00:28:49,830 --> 00:28:46,559

anybody care what you [h__\h] think

780

00:28:51,750 --> 00:28:49,840

about joe rogan no nobody cares guess

781

00:28:53,350 --> 00:28:51,760

what all you've done is inspire a bunch

782

00:28:54,870 --> 00:28:53,360

of people to go listen to joe rogan and

783

00:28:56,470 --> 00:28:54,880

why he sucks and they're gonna find out

784

00:28:58,630 --> 00:28:56,480

oh this guy doesn't suck he [h__\h]

785

00:29:02,070 --> 00:28:58,640

rocks and the person that said he sucks

786

00:29:04,870 --> 00:29:02,080

sucks like shut up just nobody cares

787

00:29:07,029 --> 00:29:04,880

your opinion is stupid my opinion is

788

00:29:09,830 --> 00:29:07,039

stupid all of our opinions are stupid

789

00:29:11,830 --> 00:29:09,840

you know i have good opinions about like

790

00:29:13,430 --> 00:29:11,840

plants um

791

00:29:17,389 --> 00:29:13,440

you have some very good opinions about

792

00:29:19,110 --> 00:29:17,399

plants landscaping things uh vermiculite

793

00:29:21,750 --> 00:29:19,120

permaculture

794

00:29:23,990 --> 00:29:21,760

now like fish and fish tanks like i have

795

00:29:26,389 --> 00:29:24,000

some good opinions on that but if i ever

796

00:29:29,110 --> 00:29:26,399

try to give you an opinion on what i

797

00:29:30,950 --> 00:29:29,120

think about foreign policies i just shut

798

00:29:33,269 --> 00:29:30,960

the [h__h] up because i don't my opinion

799

00:29:35,590 --> 00:29:33,279

is stupid just like all of our opinions

800

00:29:37,430 --> 00:29:35,600

are stupid like we gotta stop that [h__h]

801
00:29:38,630 --> 00:29:37,440
stop acting like we're so smart yeah

802
00:29:40,470 --> 00:29:38,640
because i know

803
00:29:43,430 --> 00:29:40,480
i guarantee you

804
00:29:45,590 --> 00:29:43,440
90 of us are dumb as [h__h]

805
00:29:46,870 --> 00:29:45,600
like all of us

806
00:29:48,870 --> 00:29:46,880
well i think

807
00:29:49,990 --> 00:29:48,880
i do the same thing it's like if i align

808
00:29:52,389 --> 00:29:50,000
with somebody the way somebody's

809
00:29:53,510 --> 00:29:52,399
speaking i'm like oh oh yeah then i want

810
00:29:55,990 --> 00:29:53,520
to be like

811
00:29:58,710 --> 00:29:56,000
going to say the same [h__h] thing and

812
00:30:01,190 --> 00:29:58,720
like as loud as i can like yeah yeah i

813
00:30:04,070 --> 00:30:01,200

want to be like him but but again like

814

00:30:05,909 --> 00:30:04,080

you're projecting that opinion like

815

00:30:08,789 --> 00:30:05,919

which is like it's it

816

00:30:09,750 --> 00:30:08,799

that's fine right but like

817

00:30:13,269 --> 00:30:09,760

don't

818

00:30:15,269 --> 00:30:13,279

if you are willing to die on a hill that

819

00:30:17,830 --> 00:30:15,279

joe rogan sucks like you're you're a

820

00:30:19,430 --> 00:30:17,840

[h__h] idiot like shut up

821

00:30:21,669 --> 00:30:19,440

like there's things that like opinions

822

00:30:22,549 --> 00:30:21,679

are like okay like we need to discuss

823

00:30:26,549 --> 00:30:22,559

like

824

00:30:28,950 --> 00:30:26,559

what's going on uh it's certain aspects

825

00:30:31,350 --> 00:30:28,960

of like your country but like it should

826

00:30:33,430 --> 00:30:31,360

it should pertain to like how it affects

827

00:30:34,789 --> 00:30:33,440

you directly and personally and that's

828

00:30:36,710 --> 00:30:34,799

where your opinions should come from

829

00:30:38,789 --> 00:30:36,720

like when you start going down the line

830

00:30:40,549 --> 00:30:38,799

of the branches of government and blah

831

00:30:42,389 --> 00:30:40,559

blah blah and i sat next to you in

832

00:30:46,950 --> 00:30:42,399

history and you never passed that [h__h]

833

00:30:48,870 --> 00:30:46,960

like shut the [h__h] up all right like no

834

00:30:50,950 --> 00:30:48,880

dude i love it

835

00:30:54,710 --> 00:30:50,960

we we should have one political episode

836

00:30:57,750 --> 00:30:56,470

really sync ourselves

837

00:30:59,750 --> 00:30:57,760

hey i want to just

838

00:31:03,350 --> 00:30:59,760

yeah i really want to check in on the uh

839

00:31:05,590 --> 00:31:03,360

the poll uh here uh we have um

840

00:31:08,710 --> 00:31:05,600

so the question uh the poll is what day

841

00:31:11,509 --> 00:31:08,720

is it today and uh uh 30

842

00:31:13,509 --> 00:31:11,519

31 say yes

843

00:31:16,149 --> 00:31:13,519

21 say no

844

00:31:18,389 --> 00:31:16,159

and 48 it's gone down from the 60s it's

845

00:31:21,029 --> 00:31:18,399

gone down to 48 percent say tuesday oh

846

00:31:23,509 --> 00:31:21,039

damn so

847

00:31:25,509 --> 00:31:23,519

tuesday's about to start losing the poll

848

00:31:26,630 --> 00:31:25,519

i almost like

849

00:31:28,310 --> 00:31:26,640

what

850

00:31:29,029 --> 00:31:28,320

this is kind of a social experiment you

851
00:31:30,149 --> 00:31:29,039
know

852
00:31:33,190 --> 00:31:30,159
remember when i was asking about

853
00:31:34,789 --> 00:31:33,200
opinions and there you go

854
00:31:37,430 --> 00:31:34,799
is it your right to have an opinion if

855
00:31:40,389 --> 00:31:37,440
it's tuesday or not i think so man in my

856
00:31:42,470 --> 00:31:40,399
in my truth

857
00:31:44,310 --> 00:31:42,480
it is it could be it could be [h__\h]

858
00:31:47,269 --> 00:31:44,320
wednesday and i don't care dude you know

859
00:31:49,430 --> 00:31:47,279
what i'm saying it's wednesday on the

860
00:31:51,509 --> 00:31:49,440
other side of the world why can't it be

861
00:31:53,110 --> 00:31:51,519
wednesday here too or it's wednesday

862
00:31:55,190 --> 00:31:53,120
tomorrow what if i'm living in the

863
00:31:56,230 --> 00:31:55,200

future baby

864

00:31:58,870 --> 00:31:56,240

[h__\h]

865

00:32:00,070 --> 00:31:58,880

yeah dude you know what i'm saying

866

00:32:02,310 --> 00:32:00,080

all right what's your topic dude let's

867

00:32:04,389 --> 00:32:02,320

go to the next topic all right next

868

00:32:05,669 --> 00:32:04,399

topic oh i gotta create a banner for it

869

00:32:10,070 --> 00:32:05,679

too

870

00:32:12,310 --> 00:32:10,080

next topic is okay uh hold on one second

871

00:32:14,630 --> 00:32:12,320

who sent this to us i want to make sure

872

00:32:17,430 --> 00:32:14,640

uh john marks dude i think you're

873

00:32:19,909 --> 00:32:17,440

listening right now actually howdy boy

874

00:32:23,509 --> 00:32:19,919

yeah dude you posted a kick-ass article

875

00:32:24,549 --> 00:32:23,519

introductory space science volume two

876

00:32:27,750 --> 00:32:24,559

uh

877

00:32:30,870 --> 00:32:27,760

it was edited by a major donald g

878

00:32:33,750 --> 00:32:30,880

carpenter um with chapters by major

879

00:32:36,870 --> 00:32:33,760

donald g carpenter major william j

880

00:32:37,990 --> 00:32:36,880

goodwin lieutenant colonel edward r

881

00:32:39,110 --> 00:32:38,000

thor

882

00:32:42,230 --> 00:32:39,120

keslin

883

00:32:44,149 --> 00:32:42,240

uh lieutenant colonel john m kirk what's

884

00:32:45,909 --> 00:32:44,159

the what's the uh what can i put as a

885

00:32:47,350 --> 00:32:45,919

short like second topic like this is

886

00:32:48,230 --> 00:32:47,360

what we're talking about

887

00:32:50,630 --> 00:32:48,240

uh

888

00:32:52,549 --> 00:32:50,640

department of physics united states air

889

00:32:54,070 --> 00:32:52,559

force academy

890

00:32:56,470 --> 00:32:54,080

oh we're going hard on the air force

891

00:32:59,029 --> 00:32:56,480

today we are going hard on air force

892

00:33:01,430 --> 00:32:59,039

on the chair for us dude so so second

893

00:33:04,230 --> 00:33:01,440

topic department of physics and then

894

00:33:06,070 --> 00:33:04,240

united states air force academy

895

00:33:07,909 --> 00:33:06,080

yeah i just thought that this was really

896

00:33:10,950 --> 00:33:07,919

cool it was uh

897

00:33:13,190 --> 00:33:10,960

it was it was um

898

00:33:15,909 --> 00:33:13,200

it was written back in the 60s

899

00:33:17,909 --> 00:33:15,919

i thought that that was pretty cool um

900

00:33:22,310 --> 00:33:17,919

and they had some really

901
00:33:23,830 --> 00:33:22,320
interesting stories on here um

902
00:33:26,149 --> 00:33:23,840
right out of the gate it says

903
00:33:29,430 --> 00:33:26,159
unidentified flying object what is an

904
00:33:31,269 --> 00:33:29,440
unidentified flying object a ufo well

905
00:33:35,950 --> 00:33:31,279
according to the united states air force

906
00:33:40,070 --> 00:33:35,960
regulation 80-17 dated 19th of september

907
00:33:43,190 --> 00:33:40,080
1966 a ufo is any aerial phenomena or

908
00:33:45,750 --> 00:33:43,200
object which is unknown or appears to be

909
00:33:47,750 --> 00:33:45,760
out of the ordinary to the observer this

910
00:33:50,789 --> 00:33:47,760
is a very broad definition which applies

911
00:33:52,950 --> 00:33:50,799
equally well to one individual seeing

912
00:33:54,149 --> 00:33:52,960
his first uh

913
00:34:06,950 --> 00:33:54,159

not

914

00:34:08,869 --> 00:34:06,960

i don't know that's a cool word it

915

00:34:11,750 --> 00:34:08,879

sounds like a cool word though it's a

916

00:34:12,710 --> 00:34:11,760

it's a cloud at twilight as it uh

917

00:34:15,349 --> 00:34:12,720

uh

918

00:34:18,389 --> 00:34:15,359

as it does to another individual seeing

919

00:34:20,950 --> 00:34:18,399

his first helicopter noctilucent knock

920

00:34:23,109 --> 00:34:20,960

to lucid good job dude hell yeah like

921

00:34:25,750 --> 00:34:23,119

again that's something

922

00:34:28,389 --> 00:34:25,760

it says the literature on ufos is so

923

00:34:30,550 --> 00:34:28,399

vast in the story so many and varied

924

00:34:33,030 --> 00:34:30,560

that we can only present a sketchy

925

00:34:34,550 --> 00:34:33,040

outline of the subject in this chapter

926
00:34:37,430 --> 00:34:34,560
that outline

927
00:34:39,430 --> 00:34:37,440
includes description classifications

928
00:34:40,790 --> 00:34:39,440
operational domains

929
00:34:43,669 --> 00:34:40,800
uh

930
00:34:45,909 --> 00:34:43,679
temporal and spatial some theories as to

931
00:34:47,190 --> 00:34:45,919
the nature of ufo phenomenon human

932
00:34:49,030 --> 00:34:47,200
reactions

933
00:34:51,750 --> 00:34:49,040
attempts to

934
00:34:54,149 --> 00:34:51,760
attack the problem scientifically and

935
00:34:55,669 --> 00:34:54,159
some tentative conclusions if you wish

936
00:34:57,670 --> 00:34:55,679
to read further in this area the

937
00:34:59,510 --> 00:34:57,680
references provide an excellent starting

938
00:35:00,710 --> 00:34:59,520

point so it's pretty dope i mean

939

00:35:03,109 --> 00:35:00,720

descriptions

940

00:35:06,870 --> 00:35:03,119

size shape and then the shape they

941

00:35:09,270 --> 00:35:06,880

describe it as disk or an ellipse or

942

00:35:12,150 --> 00:35:09,280

football shape etc

943

00:35:15,430 --> 00:35:12,160

the luminosity the color the number of

944

00:35:17,670 --> 00:35:15,440

ufos that are cited and their behaviors

945

00:35:20,630 --> 00:35:17,680

uh the locations they have you know

946

00:35:21,670 --> 00:35:20,640

altitude directions etc patterns and

947

00:35:24,310 --> 00:35:21,680

paths

948

00:35:27,510 --> 00:35:24,320

uh flight characteristics such as

949

00:35:29,030 --> 00:35:27,520

wobbling fluttering etc

950

00:35:35,109 --> 00:35:29,040

uh

951
00:35:37,510 --> 00:35:35,119
ozone or other odor yeah dude like like

952
00:35:39,270 --> 00:35:37,520
they they really like there's there's

953
00:35:42,310 --> 00:35:39,280
more [h__h] in this than it was that got

954
00:35:44,150 --> 00:35:42,320
released last year right last july

955
00:35:46,630 --> 00:35:44,160
there's a lot of cool stuff man like

956
00:35:48,870 --> 00:35:46,640
after effects burned areas or animals

957
00:35:50,950 --> 00:35:48,880
depressed or flattened areas dead or

958
00:35:53,510 --> 00:35:50,960
missing animals mentally disturbed

959
00:35:55,030 --> 00:35:53,520
people missing items like they really go

960
00:35:56,790 --> 00:35:55,040
in and they're like yo this is some [h__h]

961
00:36:00,150 --> 00:35:56,800
that happens right

962
00:36:03,589 --> 00:36:00,160
like or cloud dude freaking yeah like

963
00:36:06,390 --> 00:36:03,599

they really go into this detail it was

964

00:36:08,550 --> 00:36:06,400

really really cool right that that new

965

00:36:15,030 --> 00:36:08,560

one that we got in july they were like

966

00:36:19,030 --> 00:36:16,470

it's just crazy

967

00:36:21,430 --> 00:36:19,040

but no i i go by it's a rebrand i go by

968

00:36:22,710 --> 00:36:21,440

uap now dude

969

00:36:25,510 --> 00:36:22,720

yeah i i

970

00:36:28,230 --> 00:36:25,520

i'm lactose intolerant

971

00:36:31,510 --> 00:36:28,240

and i only only eat keto

972

00:36:35,190 --> 00:36:33,750

nothing there was just nothing

973

00:36:36,310 --> 00:36:35,200

and then like that's the end of the con

974

00:36:37,990 --> 00:36:36,320

that's an at the end of every

975

00:36:40,630 --> 00:36:38,000

conversation that starts like that i

976
00:36:42,150 --> 00:36:40,640
know man i'm kidding [\h__\h] it oh no so

977
00:36:43,349 --> 00:36:42,160
like [\h__\h]

978
00:36:45,750 --> 00:36:43,359
nuts and

979
00:36:46,710 --> 00:36:45,760
berries and [\h__\h] and [\h__\h]

980
00:36:48,230 --> 00:36:46,720
meats

981
00:36:49,910 --> 00:36:48,240
did i say nuts

982
00:36:54,150 --> 00:36:49,920
all right shut up ben all right so the

983
00:36:56,630 --> 00:36:54,160
next part of this is pretty cool

984
00:36:59,190 --> 00:36:56,640
um so it talks about story about these

985
00:37:01,910 --> 00:36:59,200
people living in india right and the

986
00:37:03,990 --> 00:37:01,920
story was put together like i don't it

987
00:37:06,069 --> 00:37:04,000
doesn't like have a date on here but it

988
00:37:07,270 --> 00:37:06,079

it says uh

989

00:37:10,230 --> 00:37:07,280

this book

990

00:37:12,310 --> 00:37:10,240

um was written by a group of storyteller

991

00:37:14,950 --> 00:37:12,320

uh legends which are

992

00:37:17,190 --> 00:37:14,960

like the story was finally put together

993

00:37:18,710 --> 00:37:17,200

in a manuscript form from people who

994

00:37:20,790 --> 00:37:18,720

learned how to write

995

00:37:22,150 --> 00:37:20,800

like so like when people learned how to

996

00:37:24,230 --> 00:37:22,160

write they were they started putting

997

00:37:26,710 --> 00:37:24,240

these stories together and this story is

998

00:37:28,630 --> 00:37:26,720

nuts dude um

999

00:37:30,230 --> 00:37:28,640

let's see uh can i scroll to where i

1000

00:37:31,270 --> 00:37:30,240

wanna i wanna also i wanna read along

1001
00:37:36,470 --> 00:37:31,280
dude

1002
00:37:38,790 --> 00:37:36,480
four fifty seven is when it starts it's

1003
00:37:40,630 --> 00:37:38,800
in the second paragraph

1004
00:37:42,790 --> 00:37:40,640
like third sentence

1005
00:37:45,349 --> 00:37:42,800
uh one of the stories is a small group

1006
00:37:48,150 --> 00:37:45,359
of beings who supposedly came to earth

1007
00:37:51,030 --> 00:37:48,160
many thousands of years ago in a metal

1008
00:37:52,790 --> 00:37:51,040
craft which orbited earth several times

1009
00:37:55,510 --> 00:37:52,800
before landing

1010
00:37:57,430 --> 00:37:55,520
as told in the book these beings lived

1011
00:38:00,069 --> 00:37:57,440
to themselves and

1012
00:38:02,710 --> 00:38:00,079
were revered by humans among whom they

1013
00:38:05,510 --> 00:38:02,720

had settled but eventually differences

1014

00:38:08,630 --> 00:38:05,520

arose among them and they divided their

1015

00:38:11,030 --> 00:38:08,640

numbers several of the men and women and

1016

00:38:14,069 --> 00:38:11,040

children settling in another city where

1017

00:38:16,550 --> 00:38:14,079

they were promptly installed as rulers

1018

00:38:18,069 --> 00:38:16,560

um by the all-strick and populous so

1019

00:38:20,150 --> 00:38:18,079

they're saying that like these these

1020

00:38:22,630 --> 00:38:20,160

things came down after they orbited the

1021

00:38:25,270 --> 00:38:22,640

earth many many times they came to the

1022

00:38:27,270 --> 00:38:25,280

population the population was like holy

1023

00:38:29,910 --> 00:38:27,280

[h__h] you guys are like

1024

00:38:32,950 --> 00:38:29,920

really cool right and so then

1025

00:38:35,030 --> 00:38:32,960

differences happened uh between the the

1026

00:38:37,910 --> 00:38:35,040

the people that landed here so half of

1027

00:38:40,390 --> 00:38:37,920

them stayed and half of them went

1028

00:38:42,230 --> 00:38:40,400

somewhere else hold on wait dude i'm

1029

00:38:44,790 --> 00:38:42,240

sorry i'm sorry but like we're talking

1030

00:38:46,710 --> 00:38:44,800

about and i feel like remember earlier

1031

00:38:49,430 --> 00:38:46,720

when i was telling you this is what dan

1032

00:38:51,109 --> 00:38:49,440

warren was covering in his tick tock uh

1033

00:38:53,270 --> 00:38:51,119

uh series

1034

00:38:55,030 --> 00:38:53,280

this is this is it dude this is it so

1035

00:38:56,550 --> 00:38:55,040

this is an official air force

1036

00:38:57,990 --> 00:38:56,560

documentation

1037

00:39:00,950 --> 00:38:58,000

book

1038

00:39:03,349 --> 00:39:00,960

of information that they give

1039

00:39:05,510 --> 00:39:03,359

yeah to our smartest our best of the

1040

00:39:08,150 --> 00:39:05,520

best of the best sir and they're they're

1041

00:39:10,550 --> 00:39:08,160

not saying right like hey this is a

1042

00:39:13,589 --> 00:39:10,560

factual story right they're saying like

1043

00:39:14,950 --> 00:39:13,599

look this story was written way back in

1044

00:39:17,670 --> 00:39:14,960

the day like when people learned how to

1045

00:39:19,109 --> 00:39:17,680

[h__h] write right so and it survived

1046

00:39:20,550 --> 00:39:19,119

like uniform like that was the first

1047

00:39:22,630 --> 00:39:20,560

like written language apparently it

1048

00:39:24,550 --> 00:39:22,640

doesn't say whatever it was it was

1049

00:39:25,589 --> 00:39:24,560

somewhere in india

1050

00:39:27,430 --> 00:39:25,599

um

1051
00:39:29,910 --> 00:39:27,440
it says separation did not bring peace

1052
00:39:32,790 --> 00:39:29,920
to the people and finally their anger

1053
00:39:35,030 --> 00:39:32,800
reached a point where their ruler of the

1054
00:39:36,950 --> 00:39:35,040
original city took with him a small

1055
00:39:40,150 --> 00:39:36,960
number of his warriors

1056
00:39:42,950 --> 00:39:40,160
and they rose into the air in a huge

1057
00:39:44,870 --> 00:39:42,960
shining metal vessel while there were

1058
00:39:47,670 --> 00:39:44,880
many leagues from the city of their

1059
00:39:51,030 --> 00:39:47,680
enemies they launched great shining

1060
00:39:53,670 --> 00:39:51,040
lance that rode a beam of light it burst

1061
00:39:56,470 --> 00:39:53,680
apart in the city of their enemies with

1062
00:39:59,589 --> 00:39:56,480
a great ball of flame that shot up to

1063
00:40:01,829 --> 00:39:59,599

the heavens almost to the stars

1064

00:40:04,309 --> 00:40:01,839

all those who were in the city were

1065

00:40:06,870 --> 00:40:04,319

horribly burned and even those

1066

00:40:09,589 --> 00:40:06,880

who were not in the city but nearby were

1067

00:40:12,309 --> 00:40:09,599

burned also those who looked upon the

1068

00:40:14,230 --> 00:40:12,319

lance and the ball of fire were blinded

1069

00:40:16,150 --> 00:40:14,240

forever afterwards

1070

00:40:19,430 --> 00:40:16,160

those who entered the city on foot

1071

00:40:21,109 --> 00:40:19,440

became ill and died even the dust of the

1072

00:40:23,910 --> 00:40:21,119

city was poisoned

1073

00:40:27,030 --> 00:40:23,920

as were rivers that flowed through it

1074

00:40:29,349 --> 00:40:27,040

men dared not go near it and gradually

1075

00:40:32,550 --> 00:40:29,359

and it gradually crumbled into dust and

1076

00:40:35,109 --> 00:40:32,560

was forgotten by men when the leader saw

1077

00:40:38,630 --> 00:40:35,119

what he had done to his own people he

1078

00:40:40,950 --> 00:40:38,640

retired to his place and refused to see

1079

00:40:43,829 --> 00:40:40,960

anyone his palace sorry and refused to

1080

00:40:47,270 --> 00:40:43,839

see anyone then he gathered about about

1081

00:40:49,270 --> 00:40:47,280

him those of his warriors who remained

1082

00:40:51,510 --> 00:40:49,280

and their wives and children and they

1083

00:40:54,790 --> 00:40:51,520

entered into their vessel and rose one

1084

00:40:57,589 --> 00:40:54,800

by one in the sky and sailed away

1085

00:40:59,109 --> 00:40:57,599

nor did they return

1086

00:41:01,670 --> 00:40:59,119

this sounds like it's something straight

1087

00:41:03,109 --> 00:41:01,680

out of the ball

1088

00:41:05,430 --> 00:41:03,119

before

1089

00:41:07,750 --> 00:41:05,440

so

1090

00:41:10,150 --> 00:41:07,760

this could this foregoing legend really

1091

00:41:12,550 --> 00:41:10,160

be an account of an extraterrestrial

1092

00:41:15,190 --> 00:41:12,560

colonization complete with guided

1093

00:41:17,190 --> 00:41:15,200

missiles nuclear warhead and radiation

1094

00:41:20,230 --> 00:41:17,200

effects it's difficult to assess the

1095

00:41:23,030 --> 00:41:20,240

validity of that explanation just as it

1096

00:41:24,309 --> 00:41:23,040

is just as it is difficult to explain

1097

00:41:26,710 --> 00:41:24,319

why

1098

00:41:28,470 --> 00:41:26,720

like so somebody read that story from

1099

00:41:31,270 --> 00:41:28,480

the military and was like yo

1100

00:41:34,150 --> 00:41:31,280

that sounds like a [h__\h] icbm

1101

00:41:36,550 --> 00:41:34,160

that they shot at us at a nearby city

1102

00:41:38,390 --> 00:41:36,560

caused radiation blinded everybody that

1103

00:41:39,910 --> 00:41:38,400

watched it you know

1104

00:41:41,270 --> 00:41:39,920

like

1105

00:41:46,150 --> 00:41:41,280

dude

1106

00:41:47,430 --> 00:41:46,160

so those who entered the city on foot

1107

00:41:49,109 --> 00:41:47,440

became ill and died i mean that's

1108

00:41:50,630 --> 00:41:49,119

radiation poisoning

1109

00:41:52,870 --> 00:41:50,640

yeah

1110

00:41:54,230 --> 00:41:52,880

the dust of the city was poison

1111

00:41:56,470 --> 00:41:54,240

yeah as were the rivers that flowed

1112

00:41:58,309 --> 00:41:56,480

through it

1113

00:42:00,230 --> 00:41:58,319

that's radiation

1114

00:42:03,430 --> 00:42:00,240

it's radiation man we're talking about

1115

00:42:06,630 --> 00:42:03,440

i'm not necessarily nuclear bombs but

1116

00:42:08,309 --> 00:42:06,640

the effect the same effect that

1117

00:42:10,069 --> 00:42:08,319

we're not saying that these people are

1118

00:42:11,750 --> 00:42:10,079

we saying that these people back in the

1119

00:42:13,750 --> 00:42:11,760

day before

1120

00:42:16,150 --> 00:42:13,760

language was able to be written

1121

00:42:17,990 --> 00:42:16,160

had the technology of nuclear power

1122

00:42:21,190 --> 00:42:18,000

nuclear

1123

00:42:23,109 --> 00:42:21,200

are we saying that they like some other

1124

00:42:25,589 --> 00:42:23,119

i think it would be i think it's

1125

00:42:27,589 --> 00:42:25,599

interesting that if these beings because

1126

00:42:29,430 --> 00:42:27,599

they stated they they

1127

00:42:32,309 --> 00:42:29,440

were up in this metal craft and then

1128

00:42:34,470 --> 00:42:32,319

they landed and then they came out

1129

00:42:35,670 --> 00:42:34,480

and then the people of earth worshiped

1130

00:42:37,270 --> 00:42:35,680

them

1131

00:42:39,510 --> 00:42:37,280

because they were all stricken by their

1132

00:42:41,910 --> 00:42:39,520

abilities so these things came from a

1133

00:42:44,630 --> 00:42:41,920

metal craft from the sky

1134

00:42:47,030 --> 00:42:44,640

right and they didn't describe metal

1135

00:42:49,430 --> 00:42:47,040

chariots flying across the sky or

1136

00:42:50,550 --> 00:42:49,440

nothing like that they described a a

1137

00:42:52,630 --> 00:42:50,560

metal

1138

00:42:54,870 --> 00:42:52,640

object that just came down people got

1139

00:42:56,790 --> 00:42:54,880

out then they were [\h__\h] awestruck

1140

00:42:58,550 --> 00:42:56,800

question but it also

1141

00:43:01,030 --> 00:42:58,560

one second it makes sense though right

1142

00:43:01,990 --> 00:43:01,040

that if these beings that landed so long

1143

00:43:04,309 --> 00:43:02,000

ago

1144

00:43:06,069 --> 00:43:04,319

ended up murdering humans with nuclear

1145

00:43:06,950 --> 00:43:06,079

weapons right and then they were like

1146

00:43:08,950 --> 00:43:06,960

dude

1147

00:43:09,910 --> 00:43:08,960

that was so [\h__\h] up we're just gonna

1148

00:43:12,309 --> 00:43:09,920

leave

1149

00:43:13,589 --> 00:43:12,319

and pretend like this never happened and

1150

00:43:17,510 --> 00:43:13,599

then

1151

00:43:19,430 --> 00:43:17,520

they come back and they're like whoa

1152

00:43:21,190 --> 00:43:19,440

what the [h__\h] are you doing that's why

1153

00:43:23,670 --> 00:43:21,200

we left in the first place because we

1154

00:43:27,670 --> 00:43:23,680

realized that this was a terrible idea

1155

00:43:28,630 --> 00:43:27,680

what are you doing why are you doing

1156

00:43:31,349 --> 00:43:28,640

so

1157

00:43:33,589 --> 00:43:31,359

okay

1158

00:43:36,790 --> 00:43:33,599

question

1159

00:43:39,349 --> 00:43:36,800

if this was written back

1160

00:43:41,030 --> 00:43:39,359

before like the bronze age let's say

1161

00:43:42,790 --> 00:43:41,040

that's a metal

1162

00:43:45,109 --> 00:43:42,800

what metal are do you think they they're

1163

00:43:47,670 --> 00:43:45,119

speaking of because i mean like steel

1164

00:43:49,589 --> 00:43:47,680

and stuff doesn't come till much later

1165

00:43:51,670 --> 00:43:49,599

bronze does i mean that's i mean we go

1166

00:43:53,030 --> 00:43:51,680

from like historically speaking as far

1167

00:43:55,190 --> 00:43:53,040

as we know

1168

00:43:58,069 --> 00:43:55,200

textbooks it's like we go from the stone

1169

00:43:59,430 --> 00:43:58,079

age to like the bronze age like

1170

00:44:00,710 --> 00:43:59,440

so like that's the only kind of like

1171

00:44:06,390 --> 00:44:00,720

metal

1172

00:44:08,069 --> 00:44:06,400

is that a a interpretation of the word

1173

00:44:09,270 --> 00:44:08,079

that they're actually using because we i

1174

00:44:12,870 --> 00:44:09,280

mean

1175

00:44:16,069 --> 00:44:12,880

rabbit hole on like the the translation

1176

00:44:17,750 --> 00:44:16,079

of the bible itself like there's i mean

1177

00:44:19,990 --> 00:44:17,760

it was translated wrong

1178

00:44:22,150 --> 00:44:20,000

it could be a it could be a [h__h]

1179

00:44:24,790 --> 00:44:22,160

wooden craft and it doesn't matter it

1180

00:44:25,990 --> 00:44:24,800

orbited the earth and landed

1181

00:44:27,510 --> 00:44:26,000

it's a

1182

00:44:28,950 --> 00:44:27,520

very good point yeah it doesn't matter

1183

00:44:30,950 --> 00:44:28,960

what it's made out of at that point

1184

00:44:31,910 --> 00:44:30,960

right i guess i guess

1185

00:44:34,069 --> 00:44:31,920

it would

1186

00:44:35,910 --> 00:44:34,079

okay ooh ooh i'm falling back on this

1187

00:44:38,470 --> 00:44:35,920

like the context clues of like it's shot

1188

00:44:40,150 --> 00:44:38,480

it's shiny

1189

00:44:42,230 --> 00:44:40,160

like what other thing shines other than

1190

00:44:44,390 --> 00:44:42,240

like i guess like granite

1191

00:44:45,270 --> 00:44:44,400

the green is freaking heavy man yeah i

1192

00:44:46,550 --> 00:44:45,280

mean

1193

00:44:48,950 --> 00:44:46,560

uh

1194

00:44:50,950 --> 00:44:48,960

diamonds right

1195

00:44:52,950 --> 00:44:50,960

do you imagine a ship made out of

1196

00:44:56,550 --> 00:44:52,960

diamonds

1197

00:44:56,970 --> 00:44:56,560

i uh i think kanye west has one

1198

00:44:59,349 --> 00:44:56,980

um

1199

00:45:00,230 --> 00:44:59,359

[Laughter]

1200

00:45:01,349 --> 00:45:00,240

nice

1201
00:45:02,829 --> 00:45:01,359
yeah dude

1202
00:45:06,150 --> 00:45:02,839
dude i

1203
00:45:07,990 --> 00:45:06,160
just i don't know i don't know i love it

1204
00:45:09,430 --> 00:45:08,000
i love that this is in like a an

1205
00:45:11,349 --> 00:45:09,440
official

1206
00:45:13,190 --> 00:45:11,359
document i know

1207
00:45:14,870 --> 00:45:13,200
like what if they're just like blatantly

1208
00:45:16,630 --> 00:45:14,880
sell telling us hey this is all we this

1209
00:45:18,950 --> 00:45:16,640
is what we know dude this is what we

1210
00:45:20,710 --> 00:45:18,960
know this is all we know

1211
00:45:22,309 --> 00:45:20,720
i'll take it

1212
00:45:24,230 --> 00:45:22,319
yeah uh

1213
00:45:26,630 --> 00:45:24,240

and then it talks about the greek and

1214

00:45:28,950 --> 00:45:26,640

roman mythology right and the battles

1215

00:45:31,510 --> 00:45:28,960

between the gods that always happened

1216

00:45:34,550 --> 00:45:31,520

right how why would we just discount

1217

00:45:36,550 --> 00:45:34,560

that that the that the gods had a battle

1218

00:45:38,550 --> 00:45:36,560

right i mean i guess

1219

00:45:40,790 --> 00:45:38,560

i guess if it was like a beautiful sunny

1220

00:45:43,589 --> 00:45:40,800

day and then a hurricane showed up if

1221

00:45:50,950 --> 00:45:46,950

a greek you'd be like oh

1222

00:45:52,710 --> 00:45:50,960

poseidon is angered by zeus or whoever

1223

00:45:54,470 --> 00:45:52,720

the [h__\h] god of the sun was right i

1224

00:45:56,470 --> 00:45:54,480

don't know uh

1225

00:45:58,230 --> 00:45:56,480

maybe hermes i don't know he's the guy

1226

00:46:00,710 --> 00:45:58,240

that flies over over the sun or

1227

00:46:04,390 --> 00:46:02,630

i know that yeah and it always makes up

1228

00:46:06,790 --> 00:46:04,400

the greeks and the romans and i remember

1229

00:46:08,069 --> 00:46:06,800

oh yeah greeks were all like venus and

1230

00:46:08,950 --> 00:46:08,079

and stuff like that they were like

1231

00:46:10,950 --> 00:46:08,960

planets

1232

00:46:12,790 --> 00:46:10,960

of [h__h] and yeah i've seen it you have

1233

00:46:14,069 --> 00:46:12,800

seen internals yeah i've seen internals

1234

00:46:16,390 --> 00:46:14,079

i guess that doesn't really they don't

1235

00:46:17,430 --> 00:46:16,400

really say who the the sun god is they

1236

00:46:19,109 --> 00:46:17,440

don't really

1237

00:46:20,790 --> 00:46:19,119

only say that

1238

00:46:22,390 --> 00:46:20,800

yeah but but

1239

00:46:23,670 --> 00:46:22,400

there is a hermes

1240

00:46:25,990 --> 00:46:23,680

yeah dude

1241

00:46:28,470 --> 00:46:26,000

uh i i don't i don't know man i don't

1242

00:46:31,270 --> 00:46:28,480

know and then it even goes into like um

1243

00:46:32,230 --> 00:46:31,280

like in uh in ireland this thing came

1244

00:46:33,030 --> 00:46:32,240

down

1245

00:46:34,150 --> 00:46:33,040

and

1246

00:46:43,750 --> 00:46:34,160

uh

1247

00:46:45,750 --> 00:46:43,760

rope from this flying craft in ireland

1248

00:46:49,190 --> 00:46:45,760

and it ended up getting stuck like on

1249

00:46:50,870 --> 00:46:49,200

this like steeple on a church and so one

1250

00:46:54,710 --> 00:46:50,880

of the guys climbed down this rope

1251

00:46:57,030 --> 00:46:54,720

supposedly and the uh the community saw

1252

00:47:00,790 --> 00:46:57,040

it and they rushed him and they grabbed

1253

00:47:02,950 --> 00:47:00,800

him and by order of like the the priest

1254

00:47:05,829 --> 00:47:02,960

at the time they killed him

1255

00:47:07,990 --> 00:47:05,839

no no he he ordered him to let him go oh

1256

00:47:09,829 --> 00:47:08,000

good the guy cut the rope and ended up

1257

00:47:13,270 --> 00:47:09,839

scurrying back up into the craft and it

1258

00:47:17,190 --> 00:47:13,280

flew away this was like back in the day

1259

00:47:21,270 --> 00:47:18,150

uh

1260

00:47:23,670 --> 00:47:21,280

there was another one what was um

1261

00:47:27,030 --> 00:47:23,680

uh who was it who was it

1262

00:47:29,670 --> 00:47:27,040

new boot scooting up that rope dude ah

1263

00:47:33,349 --> 00:47:29,680

that may have been

1264

00:47:35,190 --> 00:47:33,359

oh oh dude and then in uh in france

1265

00:47:37,670 --> 00:47:35,200

three men and a woman and a woman

1266

00:47:40,309 --> 00:47:37,680

supposedly descended from an airship or

1267

00:47:41,990 --> 00:47:40,319

a spaceship and were captured by a mob

1268

00:47:42,870 --> 00:47:42,000

this was another one where mob captured

1269

00:47:44,710 --> 00:47:42,880

them

1270

00:47:48,630 --> 00:47:44,720

these foreigners

1271

00:47:53,910 --> 00:47:50,950

they admitted to being wizards and then

1272

00:47:55,349 --> 00:47:53,920

the mob murdered him oh god see that's

1273

00:47:57,270 --> 00:47:55,359

what i thought the ending of the other

1274

00:47:58,309 --> 00:47:57,280

story was gonna be like almost every

1275

00:47:59,190 --> 00:47:58,319

ending of

1276

00:48:00,230 --> 00:47:59,200

like

1277

00:48:02,630 --> 00:48:00,240

anything

1278

00:48:04,950 --> 00:48:02,640

a few hundred years ago was like

1279

00:48:07,750 --> 00:48:04,960

they probably killed them like anything

1280

00:48:10,630 --> 00:48:07,760

weird happen like kill him like just

1281

00:48:12,870 --> 00:48:10,640

yeah like a default thing oh that guy's

1282

00:48:14,069 --> 00:48:12,880

weird let's let's just we all know what

1283

00:48:16,549 --> 00:48:14,079

we got to do

1284

00:48:18,710 --> 00:48:16,559

hey look at this uh i like this one uh

1285

00:48:20,549 --> 00:48:18,720

33.3

1286

00:48:22,230 --> 00:48:20,559

numerology anybody

1287

00:48:24,630 --> 00:48:22,240

some theories as to the nature of the

1288

00:48:26,390 --> 00:48:24,640

ufo phenomenon there are very few

1289

00:48:28,549 --> 00:48:26,400

cohesive theories as to the nature of

1290

00:48:33,030 --> 00:48:28,559

ufos those theories that have been

1291

00:48:35,030 --> 00:48:33,040

advanced can be collected in five groups

1292

00:48:37,030 --> 00:48:35,040

one mysticism

1293

00:48:40,230 --> 00:48:37,040

that's cool

1294

00:48:44,069 --> 00:48:40,240

oh wait i said one a uh b hoaxes and

1295

00:48:45,990 --> 00:48:44,079

rantings due to unstable personalities

1296

00:48:48,470 --> 00:48:46,000

that'll be me

1297

00:48:51,589 --> 00:48:48,480

c uh secret weapons

1298

00:48:55,270 --> 00:48:51,599

d natural phenomena s

1299

00:48:57,270 --> 00:48:55,280

uh and e alien visitors

1300

00:48:58,950 --> 00:48:57,280

so does do you think this is ordered my

1301
00:49:00,549 --> 00:48:58,960
question to you joe like do you think

1302
00:49:02,470 --> 00:49:00,559
this is ordered at any kind of like

1303
00:49:04,950 --> 00:49:02,480
believability scale or just do you think

1304
00:49:06,630 --> 00:49:04,960
it's random

1305
00:49:08,150 --> 00:49:06,640
i mean

1306
00:49:10,549 --> 00:49:08,160
like it's the last thing that we'll

1307
00:49:12,150 --> 00:49:10,559
believe is going to be alien visitors i

1308
00:49:13,910 --> 00:49:12,160
think it's i think it's ordered like

1309
00:49:17,270 --> 00:49:13,920
that on purpose

1310
00:49:20,790 --> 00:49:19,190
i feel like they're in your face telling

1311
00:49:22,150 --> 00:49:20,800
you that it's

1312
00:49:23,349 --> 00:49:22,160
mischism

1313
00:49:24,950 --> 00:49:23,359

right because then the first one is

1314

00:49:26,230 --> 00:49:24,960

mysticism right nobody believes in

1315

00:49:27,829 --> 00:49:26,240

mysticism

1316

00:49:29,750 --> 00:49:27,839

you know yeah it's almost like it's

1317

00:49:31,589 --> 00:49:29,760

almost like you pass it you pass it like

1318

00:49:33,270 --> 00:49:31,599

because it's the first answer

1319

00:49:34,870 --> 00:49:33,280

yeah yeah you're gonna on a test you're

1320

00:49:39,910 --> 00:49:34,880

like

1321

00:49:42,309 --> 00:49:39,920

oh yeah mysticism right that [h__h] was

1322

00:49:43,430 --> 00:49:42,319

for the hippies and dope smokers yeah

1323

00:49:47,430 --> 00:49:43,440

man

1324

00:49:49,190 --> 00:49:47,440

hoaxes and rantings do the uh unstable

1325

00:49:51,589 --> 00:49:49,200

personalities that would be the next

1326

00:49:53,670 --> 00:49:51,599

thing on the list people like ah yeah

1327

00:49:56,470 --> 00:49:53,680

yeah because mysticism is full of [h__h]

1328

00:49:59,030 --> 00:49:56,480

so it must be hoaxes right yeah and then

1329

00:50:01,670 --> 00:49:59,040

you get to see your like secret weapons

1330

00:50:04,309 --> 00:50:01,680

oh wait a second well you know it could

1331

00:50:06,790 --> 00:50:04,319

be hoaxes mysticism is still a bunch of

1332

00:50:08,870 --> 00:50:06,800

[h__h] but secret weapons i can i can

1333

00:50:11,270 --> 00:50:08,880

you know hold on to secret weapons

1334

00:50:13,750 --> 00:50:11,280

natural phenomena and then last but not

1335

00:50:15,589 --> 00:50:13,760

least you know if if if all this stuff

1336

00:50:16,470 --> 00:50:15,599

doesn't check out it could be alien

1337

00:50:18,230 --> 00:50:16,480

system

1338

00:50:20,870 --> 00:50:18,240

it's just it's a crazy thought guys but

1339

00:50:23,829 --> 00:50:20,880

it could be alien visitors yeah man no

1340

00:50:25,670 --> 00:50:23,839

so i think i think definitely uh i i

1341

00:50:27,589 --> 00:50:25,680

think it was definitely on purpose for

1342

00:50:30,230 --> 00:50:27,599

sure well look at look at the last

1343

00:50:32,549 --> 00:50:30,240

sentence um it even starts with

1344

00:50:34,630 --> 00:50:32,559

mysticism i guess it's describing each i

1345

00:50:36,870 --> 00:50:34,640

don't know does it oh it does okay so it

1346

00:50:38,230 --> 00:50:36,880

goes on to describe it is believed by

1347

00:50:40,230 --> 00:50:38,240

some cults

1348

00:50:43,109 --> 00:50:40,240

that the missions of ufos and their

1349

00:50:45,589 --> 00:50:43,119

crews this is a spiritual one and then

1350

00:50:50,309 --> 00:50:45,599

all materialistic efforts to determine

1351
00:50:51,990 --> 00:50:50,319
the ufo's nature are doomed to failure

1352
00:50:52,870 --> 00:50:52,000
that's all it says about mysticism

1353
00:50:54,390 --> 00:50:52,880
really

1354
00:50:56,150 --> 00:50:54,400
yeah that's all it says

1355
00:50:57,430 --> 00:50:56,160
yeah and now

1356
00:51:00,069 --> 00:50:57,440
and now isn't it funny how like

1357
00:51:02,790 --> 00:51:00,079
mysticism and like consciousness and

1358
00:51:05,910 --> 00:51:02,800
like all that [h__h] being one everything

1359
00:51:07,829 --> 00:51:05,920
is one is like now like

1360
00:51:09,589 --> 00:51:07,839
the complete opposite of what it used to

1361
00:51:13,270 --> 00:51:09,599
be back in the day

1362
00:51:14,710 --> 00:51:13,280
yeah and if you go back to page 458 they

1363
00:51:17,270 --> 00:51:14,720

have this little article down at the

1364

00:51:20,829 --> 00:51:17,280

very bottom about alexander hamilton the

1365

00:51:24,390 --> 00:51:22,470

uh

1366

00:51:26,230 --> 00:51:24,400

1897 dude

1367

00:51:27,670 --> 00:51:26,240

kansas 97

1368

00:51:28,630 --> 00:51:27,680

in kansas right here in the united

1369

00:51:30,470 --> 00:51:28,640

states

1370

00:51:32,950 --> 00:51:30,480

something came down prominent farmer

1371

00:51:34,309 --> 00:51:32,960

named alexander hamilton sorry

1372

00:51:36,230 --> 00:51:34,319

i was just gonna give you the cliff

1373

00:51:38,390 --> 00:51:36,240

notes

1374

00:51:39,589 --> 00:51:38,400

a craft came down dropped a rope picked

1375

00:51:41,589 --> 00:51:39,599

up a cow

1376

00:51:43,510 --> 00:51:41,599

and they were like hey what the [\h__\h] and

1377

00:51:45,349 --> 00:51:43,520

it took off with the cow

1378

00:51:46,790 --> 00:51:45,359

and everybody was like what is going on

1379

00:51:48,870 --> 00:51:46,800

and then the next day like the

1380

00:51:51,750 --> 00:51:48,880

neighboring farmer found its legs and

1381

00:51:53,829 --> 00:51:51,760

head on its prop on their property

1382

00:51:55,670 --> 00:51:53,839

and the guy was like how did how did it

1383

00:51:57,829 --> 00:51:55,680

get here like there's not even any

1384

00:51:59,349 --> 00:51:57,839

tracks to where these legs are so

1385

00:52:02,069 --> 00:51:59,359

whatever it was

1386

00:52:04,790 --> 00:52:02,079

they cut that [\h__\h] off and threw it down

1387

00:52:08,069 --> 00:52:04,800

out of a craft out of a 167. a

1388

00:52:11,109 --> 00:52:08,079

cigar-shaped ship about 300 feet long

1389

00:52:13,109 --> 00:52:11,119

floated some 30 feet above the kettle

1390

00:52:14,870 --> 00:52:13,119

it had a carriage underneath which was

1391

00:52:15,750 --> 00:52:14,880

brightly lighted

1392

00:52:17,510 --> 00:52:15,760

with

1393

00:52:19,829 --> 00:52:17,520

dirigible

1394

00:52:21,670 --> 00:52:19,839

and gondola

1395

00:52:24,230 --> 00:52:21,680

there is a question mark of that

1396

00:52:28,069 --> 00:52:24,240

uh and which had numerous windows that

1397

00:52:30,069 --> 00:52:28,079

sounds like a lot of michael schratt um

1398

00:52:32,549 --> 00:52:30,079

illustration doesn't it

1399

00:52:35,430 --> 00:52:32,559

that one in particular

1400

00:52:38,710 --> 00:52:35,440

inside were six strange looking beings

1401
00:52:40,790 --> 00:52:38,720
jabbering in a foreign language

1402
00:52:41,670 --> 00:52:40,800
jabbering

1403
00:52:43,190 --> 00:52:41,680
yeah

1404
00:52:44,710 --> 00:52:43,200
i feel like if you told it like a crowd

1405
00:52:47,270 --> 00:52:44,720
of people like hey stop your jabbering

1406
00:52:51,349 --> 00:52:47,280
like that's an insult right like

1407
00:52:54,950 --> 00:52:52,790
so well we're actually having

1408
00:52:55,990 --> 00:52:54,960
intellectual conversations

1409
00:53:00,470 --> 00:52:56,000
it's good

1410
00:53:03,750 --> 00:53:00,480
it's real good it's really nice

1411
00:53:05,910 --> 00:53:03,760
talking about ice cream says yes dude

1412
00:53:08,150 --> 00:53:05,920
but uh

1413
00:53:09,510 --> 00:53:08,160

so yeah dude yeah this is cool dude i

1414

00:53:11,670 --> 00:53:09,520

want to keep reading yeah that's a cool

1415

00:53:15,030 --> 00:53:11,680

it's a cool document uh if you guys want

1416

00:53:17,109 --> 00:53:15,040

to check it out it's on the uh group the

1417

00:53:20,069 --> 00:53:17,119

ufo garage group page

1418

00:53:21,910 --> 00:53:20,079

on facebook uh john mark's posted it go

1419

00:53:24,390 --> 00:53:21,920

check it out it's a really cool

1420

00:53:26,309 --> 00:53:24,400

interesting read i sat down this morning

1421

00:53:28,549 --> 00:53:26,319

i went and i got some coffee

1422

00:53:29,750 --> 00:53:28,559

um and i opened up the document and i

1423

00:53:31,510 --> 00:53:29,760

ended up sitting there for like 30

1424

00:53:34,549 --> 00:53:31,520

minutes and i just read the whole thing

1425

00:53:37,030 --> 00:53:34,559

so i'm a slow reader

1426

00:53:38,150 --> 00:53:37,040

it's like 15 pages i think oh stop

1427

00:53:41,589 --> 00:53:38,160

something like that

1428

00:53:43,430 --> 00:53:41,599

yeah it's not bad how fun though

1429

00:53:45,589 --> 00:53:43,440

it was very interesting and it wasn't

1430

00:53:48,390 --> 00:53:45,599

like some boring ass like government

1431

00:53:50,630 --> 00:53:48,400

document you know yeah it was like a

1432

00:53:53,109 --> 00:53:50,640

really interesting document this is what

1433

00:53:58,790 --> 00:53:53,119

we want man give the people the content

1434

00:54:03,990 --> 00:54:00,630

just just tell us what to do just give

1435

00:54:05,589 --> 00:54:04,000

us a content man yeah that's so true

1436

00:54:07,349 --> 00:54:05,599

that's so true

1437

00:54:08,829 --> 00:54:07,359

oh man

1438

00:54:12,470 --> 00:54:08,839

john music

1439

00:54:16,230 --> 00:54:12,480

dude thanks for 2015 bro thank you so

1440

00:54:17,750 --> 00:54:16,240

much that's what's up oh yeah

1441

00:54:19,910 --> 00:54:17,760

all right i'm gonna i'm gonna

1442

00:54:22,870 --> 00:54:19,920

i've been neglecting the chat all all

1443

00:54:25,990 --> 00:54:22,880

evening it's all good that was a quick

1444

00:54:28,309 --> 00:54:26,000

uh that was a pretty quick hour man yeah

1445

00:54:30,069 --> 00:54:28,319

man it was a pretty quick hour but that

1446

00:54:31,910 --> 00:54:30,079

was that was that's awesome that's what

1447

00:54:34,230 --> 00:54:31,920

i love about these is because it's just

1448

00:54:36,950 --> 00:54:34,240

two topics we can't lightly get into

1449

00:54:38,870 --> 00:54:36,960

them and it just sparks conversation

1450

00:54:41,109 --> 00:54:38,880

sparks ideas gives you guys something to

1451

00:54:43,430 --> 00:54:41,119

go and and look at

1452

00:54:44,230 --> 00:54:43,440

uh before thursday you know hop in the

1453

00:54:46,150 --> 00:54:44,240

chat

1454

00:54:48,789 --> 00:54:46,160

we gotta we got a good one coming up

1455

00:54:51,430 --> 00:54:48,799

this thursday guys we got an awesome

1456

00:54:53,430 --> 00:54:51,440

awesome thursday we've got darcy weir

1457

00:54:55,829 --> 00:54:53,440

and jim goodall the

1458

00:54:57,829 --> 00:54:55,839

gym

1459

00:54:58,870 --> 00:54:57,839

the legend we're talking about their

1460

00:55:01,190 --> 00:54:58,880

their new

1461

00:55:04,309 --> 00:55:01,200

darcy wears new film

1462

00:55:06,789 --> 00:55:04,319

um called the legendary the legendary

1463

00:55:08,870 --> 00:55:06,799

tr3b

1464

00:55:10,789 --> 00:55:08,880

it is said to be the very first

1465

00:55:13,190 --> 00:55:10,799

alien reproduction vehicle that the

1466

00:55:15,430 --> 00:55:13,200

military built secretly for space

1467

00:55:17,829 --> 00:55:15,440

exploration the history of triangular

1468

00:55:20,630 --> 00:55:17,839

ufo sightings and top

1469

00:55:23,109 --> 00:55:20,640

secret military aircraft

1470

00:55:27,109 --> 00:55:23,119

is discussed by the best and the

1471

00:55:30,630 --> 00:55:27,119

brightest featuring richie frisky dolan

1472

00:55:32,789 --> 00:55:30,640

jimothy goodall jeremy rice

1473

00:55:37,349 --> 00:55:32,799

dr jack casher

1474

00:55:39,910 --> 00:55:39,109

uh i don't know if there's any relation

1475

00:55:42,150 --> 00:55:39,920

but

1476

00:55:44,150 --> 00:55:42,160

uh and darcy where of course he's the uh

1477

00:55:46,069 --> 00:55:44,160

uh the director that's gonna be a good

1478

00:55:47,750 --> 00:55:46,079

convo dude that's gonna be fun

1479

00:55:49,030 --> 00:55:47,760

well i hope there's no relation

1480

00:55:50,470 --> 00:55:49,040

otherwise you know it's all gonna be

1481

00:55:52,060 --> 00:55:50,480

full of [h__\h] they're just making it up

1482

00:55:54,069 --> 00:55:52,070

on the spot

1483

00:55:55,750 --> 00:55:54,079

[Laughter]

1484

00:55:57,270 --> 00:55:55,760

on the spot dude

1485

00:55:58,950 --> 00:55:57,280

they're just making the [h__\h] up as they

1486

00:56:01,990 --> 00:55:58,960

go they're just making it up dude they

1487

00:56:04,390 --> 00:56:02,000

don't [h__\h] do the best you can man

1488

00:56:06,630 --> 00:56:04,400

well the information provided at that

1489

00:56:09,030 --> 00:56:06,640

moment

1490

00:56:11,190 --> 00:56:09,040

oh we must own the production company so

1491

00:56:13,109 --> 00:56:11,200

quartz in his best interest

1492

00:56:15,109 --> 00:56:13,119

you know what no no buttholes okay

1493

00:56:17,349 --> 00:56:15,119

everybody does have buttholes wait but

1494

00:56:19,829 --> 00:56:17,359

do they have but also people have too i

1495

00:56:22,309 --> 00:56:19,839

don't know i don't know some people are

1496

00:56:23,589 --> 00:56:22,319

just [h__h]

1497

00:56:26,710 --> 00:56:23,599

yes

1498

00:56:28,630 --> 00:56:26,720

oh [h__h] man all right dude um well hey

1499

00:56:30,390 --> 00:56:28,640

that was pretty sick you guys don't

1500

00:56:33,190 --> 00:56:30,400

forget to go check out all of our stuff

1501
00:56:34,950 --> 00:56:33,200
down at ufo garagepodcast.com

1502
00:56:35,750 --> 00:56:34,960
if you haven't heard

1503
00:56:37,190 --> 00:56:35,760
uh

1504
00:56:39,190 --> 00:56:37,200
we're doing a pretty kick-ass thing

1505
00:56:41,750 --> 00:56:39,200
anything you purchase from us at the end

1506
00:56:43,750 --> 00:56:41,760
of the quarter 20 gets donated to people

1507
00:56:46,150 --> 00:56:43,760
who are doing research or people are in

1508
00:56:48,069 --> 00:56:46,160
the community that are just in a need uh

1509
00:56:50,710 --> 00:56:48,079
for a little extra help then lizzie

1510
00:56:53,030 --> 00:56:50,720
borden i love the asshole surfers uh

1511
00:56:56,549 --> 00:56:53,040
they're from our hometown what's up

1512
00:57:00,230 --> 00:56:56,559
austin texas in the house yeah uh

1513
00:57:01,750 --> 00:57:00,240

yeah dude um so yeah yeah when uh when

1514

00:57:03,510 --> 00:57:01,760

you help us

1515

00:57:05,109 --> 00:57:03,520

you help everybody in the community so

1516

00:57:07,670 --> 00:57:05,119

it's gonna be pretty sweet don't forget

1517

00:57:09,349 --> 00:57:07,680

to go check it out um

1518

00:57:10,950 --> 00:57:09,359

yeah

1519

00:57:15,829 --> 00:57:10,960

we're doing our part and we're doing our

1520

00:57:20,789 --> 00:57:18,950

so oh my god shots

1521

00:57:23,670 --> 00:57:20,799

no she said

1522

00:57:27,109 --> 00:57:23,680

hello hello host

1523

00:57:28,630 --> 00:57:27,119

you could tell where my brain's at

1524

00:57:30,549 --> 00:57:28,640

amazing oh dude

1525

00:57:32,069 --> 00:57:30,559

yeah man yeah oh yeah and crack

1526

00:57:33,829 --> 00:57:32,079

congratulations on

1527

00:57:35,589 --> 00:57:33,839

then lizzie borden for uh joining the

1528

00:57:36,870 --> 00:57:35,599

s.o.r weekend show that's freaking

1529

00:57:38,710 --> 00:57:36,880

awesome well i was talking to willie

1530

00:57:41,109 --> 00:57:38,720

about that this uh this past week that's

1531

00:57:42,549 --> 00:57:41,119

awesome so congrats thin lizzie

1532

00:57:43,750 --> 00:57:42,559

she's awesome y'all gotta check her out

1533

00:57:46,309 --> 00:57:43,760

if y'all haven't seen them on the

1534

00:57:47,510 --> 00:57:46,319

weekend show well space on radio in

1535

00:57:49,670 --> 00:57:47,520

general y'all should check them out

1536

00:57:52,309 --> 00:57:49,680

they're it's awesome group of people

1537

00:57:55,030 --> 00:57:52,319

awesome uh conversations happening so we

1538

00:57:56,630 --> 00:57:55,040

love supporting our buds over there

1539

00:57:59,910 --> 00:57:56,640

yes he is yes

1540

00:58:03,190 --> 00:57:59,920

look at morales love you brother hey you

1541

00:58:05,270 --> 00:58:03,200

totally rock as well man

1542

00:58:07,589 --> 00:58:05,280

uh mr crowley love you brother

1543

00:58:09,190 --> 00:58:07,599

simon wales

1544

00:58:10,950 --> 00:58:09,200

a little tear in your eyes like i got a

1545

00:58:13,349 --> 00:58:10,960

little tear in my eye too also i love

1546

00:58:15,750 --> 00:58:13,359

your profile photo what is that dude i

1547

00:58:17,109 --> 00:58:15,760

love it dude

1548

00:58:18,870 --> 00:58:17,119

pretty sweet

1549

00:58:21,990 --> 00:58:18,880

it looks like a character from the old

1550

00:58:22,950 --> 00:58:22,000

raisins uh tv show that used to come on

1551

00:58:25,670 --> 00:58:22,960

that's what it looks like a little

1552

00:58:27,910 --> 00:58:25,680

claymation guy yeah yeah

1553

00:58:30,950 --> 00:58:27,920

all right guys well that's it for us on

1554

00:58:34,230 --> 00:58:30,960

another totally topless two topic two

1555

00:58:36,870 --> 00:58:34,240

tuesdays man we will see y'all on

1556

00:58:38,470 --> 00:58:36,880

thursday sound good yeah all right it

1557

00:58:40,069 --> 00:58:38,480

doesn't look good

1558

00:58:46,650 --> 00:58:40,079

i'll talk to y'all next time man all

1559

00:58:52,570 --> 00:58:49,620

[Music]

1560

00:58:53,670 --> 00:58:52,580

[Applause]

1561

00:58:55,210 --> 00:58:53,680

[Music]

1562

00:58:55,840 --> 00:58:55,220

oh

1563

00:58:59,370 --> 00:58:55,850

[Music]
