

THINLIZZIEBORDEN & SCARYGARY

**Being an experienter
plus Big foot!
A couples journey in this lifetime.**

1
00:00:55,430 --> 00:00:37,730

[Music]

2
00:00:57,670 --> 00:00:55,440

what is happening ladies and gentlemen

3
00:00:59,990 --> 00:00:57,680

welcome to the garage welcome to another

4
00:01:03,029 --> 00:01:00,000

night of taking a trip in old blue into

5
00:01:05,270 --> 00:01:03,039

the cosmos and beyond and as always

6
00:01:06,390 --> 00:01:05,280

we're super prepared and at least one of

7
00:01:08,310 --> 00:01:06,400

the computers this is why you always

8
00:01:09,830 --> 00:01:08,320

have two at least one of them is crashed

9
00:01:11,270 --> 00:01:09,840

so you guys will bear through or bear

10
00:01:12,390 --> 00:01:11,280

with me as we go through the

11
00:01:13,510 --> 00:01:12,400

introduction here and a few things i

12
00:01:15,270 --> 00:01:13,520

want to update you guys on that we're

13
00:01:16,630 --> 00:01:15,280

super excited about and even if i don't

14

00:01:17,670 --> 00:01:16,640

get right off the bat well at least it's

15

00:01:19,910 --> 00:01:17,680

going to come up over the next couple

16

00:01:21,030 --> 00:01:19,920

weeks i promise uh right off the bat i

17

00:01:22,710 --> 00:01:21,040

want to give a big shout out to

18

00:01:24,230 --> 00:01:22,720

ghostdragonzw

19

00:01:27,270 --> 00:01:24,240

thank you very much who's always

20

00:01:29,109 --> 00:01:27,280

checking on the evil fey or possible uh

21

00:01:30,789 --> 00:01:29,119

gremlins of any sort that are of

22

00:01:31,830 --> 00:01:30,799

mischief he gets the gold position

23

00:01:35,109 --> 00:01:31,840

tonight and actually i think trippy

24

00:01:36,870 --> 00:01:35,119

times josh or josh he had first position

25

00:01:39,109 --> 00:01:36,880

first comment i've seen on youtube so to

26

00:01:41,429 --> 00:01:39,119

be fair we get to be

27

00:01:44,630 --> 00:01:41,439

we gotta give him the gold silver two

28

00:01:46,310 --> 00:01:44,640

two dragon zw wes h is here as well and

29

00:01:47,830 --> 00:01:46,320

i saw brown dot flop was in there and

30

00:01:49,670 --> 00:01:47,840

for some reason am i gonna get rid of

31

00:01:51,109 --> 00:01:49,680

those comments or the uh the comments on

32

00:01:52,389 --> 00:01:51,119

there so those are our top four

33

00:01:54,950 --> 00:01:52,399

positions so thank you for being here

34

00:01:57,590 --> 00:01:54,960

susan places good evening everyone thank

35

00:02:00,069 --> 00:01:57,600

you susan for being here tonight vera

36

00:02:02,389 --> 00:02:00,079

excuse me vera rae is here as well

37

00:02:04,069 --> 00:02:02,399

there's brown top or excuse me brown dot

38

00:02:05,350 --> 00:02:04,079

flop thank you once again for hanging

39

00:02:07,990 --> 00:02:05,360

out with us

40

00:02:09,190 --> 00:02:08,000

uh so i just wanna let you guys know

41

00:02:10,389 --> 00:02:09,200

once again the one the kind of the

42

00:02:11,830 --> 00:02:10,399

biggest thing that we've changed up here

43

00:02:13,270 --> 00:02:11,840

just a little bit

44

00:02:14,470 --> 00:02:13,280

is that we are still accepting if

45

00:02:16,070 --> 00:02:14,480

anybody wants to do super chats that is

46

00:02:17,830 --> 00:02:16,080

super awesome and amazing we love them

47

00:02:20,710 --> 00:02:17,840

we won't tell you don't send them

48

00:02:23,350 --> 00:02:20,720

but they take a lot uh in the youtube

49

00:02:24,869 --> 00:02:23,360

aspect of it so we've put in our links

50

00:02:25,990 --> 00:02:24,879

the different other ways you can support

51

00:02:28,229 --> 00:02:26,000

the show

52

00:02:29,910 --> 00:02:28,239

that maybe would give you more of what

53

00:02:31,430 --> 00:02:29,920

you're donating will come to us versus

54

00:02:34,550 --> 00:02:31,440

the other options

55

00:02:36,550 --> 00:02:34,560

uh speaking of that let me pull up what

56

00:02:37,830 --> 00:02:36,560

ben sent me once again because we have a

57

00:02:38,869 --> 00:02:37,840

donation we're going to do every couple

58

00:02:40,630 --> 00:02:38,879

of months we're going to pick a new

59

00:02:42,790 --> 00:02:40,640

organization within the community to

60

00:02:44,630 --> 00:02:42,800

donate money to and help put back money

61

00:02:46,949 --> 00:02:44,640

i think 20 is what we're doing back into

62

00:02:48,309 --> 00:02:46,959

the community as a whole wherever we can

63

00:02:50,229 --> 00:02:48,319

yeah right here every quarter we will

64

00:02:52,390 --> 00:02:50,239

choose a group to donate 20 of our

65

00:02:54,470 --> 00:02:52,400

earnings to help those in need

66

00:02:56,470 --> 00:02:54,480

of extra support this quarter we choose

67

00:02:58,470 --> 00:02:56,480

anomaly archives let's help and not only

68

00:03:00,390 --> 00:02:58,480

archives find a new home if you'd like

69

00:03:01,910 --> 00:03:00,400

to donate directly to them here's that

70

00:03:02,710 --> 00:03:01,920

link and i will post that for you guys

71

00:03:04,790 --> 00:03:02,720

in just a couple minutes and

72

00:03:06,070 --> 00:03:04,800

periodically throughout the night so

73

00:03:08,070 --> 00:03:06,080

just know that that is where your

74

00:03:09,110 --> 00:03:08,080

money's going obviously yes we use it

75

00:03:10,790 --> 00:03:09,120

here

76
00:03:12,470 --> 00:03:10,800
to kind of help the show keep going keep

77
00:03:14,390 --> 00:03:12,480
things moving along

78
00:03:16,390 --> 00:03:14,400
but it is not solely just for us we want

79
00:03:17,750 --> 00:03:16,400
to help the community as a whole

80
00:03:19,830 --> 00:03:17,760
speaking of the community as a whole

81
00:03:21,670 --> 00:03:19,840
guys i am super excited about this i

82
00:03:23,509 --> 00:03:21,680
probably should have this all prepared

83
00:03:25,190 --> 00:03:23,519
i want to share with you what ben and

84
00:03:26,630 --> 00:03:25,200
joe been doing this way and this has

85
00:03:27,910 --> 00:03:26,640
been a long time coming and for if

86
00:03:29,270 --> 00:03:27,920
you're listening on the audio aspect

87
00:03:32,229 --> 00:03:29,280
only i i've

88
00:03:33,750 --> 00:03:32,239

it would urgently vehemently beg you to

89

00:03:35,670 --> 00:03:33,760

at least take a peek

90

00:03:36,949 --> 00:03:35,680

at the at the video aspect of what we've

91

00:03:38,070 --> 00:03:36,959

got going on here i'm going to share my

92

00:03:40,710 --> 00:03:38,080

screen

93

00:03:43,270 --> 00:03:40,720

uh they have a garage reunion going on

94

00:03:45,270 --> 00:03:43,280

guys uh the ufo garage family reunion in

95

00:03:47,270 --> 00:03:45,280

2022 it'll be november 4th through the

96

00:03:50,149 --> 00:03:47,280

6th it'll be friday night through sunday

97

00:03:52,470 --> 00:03:50,159

night our sunday afternoon it will be in

98

00:03:54,070 --> 00:03:52,480

texas and it's going to be a great time

99

00:03:55,190 --> 00:03:54,080

i have a link to that already in the

100

00:03:56,630 --> 00:03:55,200

show notes so if you'd like to check

101
00:03:59,030 --> 00:03:56,640
that out and more we can discuss that in

102
00:04:00,229 --> 00:03:59,040
more in depth over the next couple weeks

103
00:04:01,990 --> 00:04:00,239
we just want to start kind of planning

104
00:04:03,830 --> 00:04:02,000
this out let everybody know we're super

105
00:04:05,750 --> 00:04:03,840
excited about this they've got tiny

106
00:04:07,270 --> 00:04:05,760
houses they've got like tp tents they've

107
00:04:09,030 --> 00:04:07,280
got all kinds of amazing stuff that way

108
00:04:10,949 --> 00:04:09,040
that i don't know if they have any

109
00:04:13,270 --> 00:04:10,959
pictures here or not let me see

110
00:04:15,110 --> 00:04:13,280
that are planned out that way and it is

111
00:04:16,390 --> 00:04:15,120
mystic quarry is where the place is at

112
00:04:18,629 --> 00:04:16,400
that's the name of it

113
00:04:19,830 --> 00:04:18,639

but i'm mainly excited about the tp

114

00:04:21,590 --> 00:04:19,840

tents that are really like the way

115

00:04:22,950 --> 00:04:21,600

they're set up they have like wide open

116

00:04:24,710 --> 00:04:22,960

so you can see the stars at night but it

117

00:04:26,710 --> 00:04:24,720

keeps the rain out which is you know fun

118

00:04:29,430 --> 00:04:26,720

because as much as i like just gazing up

119

00:04:31,670 --> 00:04:29,440

in the night sky staying warm staying

120

00:04:33,670 --> 00:04:31,680

dry is also nice but enough about all

121

00:04:36,550 --> 00:04:33,680

that let's get back to the show here why

122

00:04:38,790 --> 00:04:36,560

we're here for you this evening which is

123

00:04:41,030 --> 00:04:38,800

bree better known as thin lizzie borden

124

00:04:43,110 --> 00:04:41,040

within the community as well as mr scary

125

00:04:44,550 --> 00:04:43,120

gary thank you both for being my guest

126

00:04:46,950 --> 00:04:44,560

here tonight let me actually you know

127

00:04:49,030 --> 00:04:46,960

what let me bring him in here guys how's

128

00:04:50,390 --> 00:04:49,040

it going this evening how are we doing

129

00:04:52,070 --> 00:04:50,400

good how are you

130

00:04:53,189 --> 00:04:52,080

good how's everybody going

131

00:04:54,310 --> 00:04:53,199

i'm doing good looks like everybody in

132

00:04:55,430 --> 00:04:54,320

the chat is having a good time i haven't

133

00:04:56,390 --> 00:04:55,440

checked back over here yet in a little

134

00:04:58,230 --> 00:04:56,400

bit so

135

00:05:00,230 --> 00:04:58,240

uh simon well said i would like to say

136

00:05:01,830 --> 00:05:00,240

willie is stealing my look but he does

137

00:05:04,870 --> 00:05:01,840

it better off simon you're way too kind

138

00:05:06,230 --> 00:05:04,880

that's my brother from down under guys

139

00:05:08,629 --> 00:05:06,240

let's see we got sweetly morbid bear

140

00:05:10,070 --> 00:05:08,639

says mr willie and soul siblings

141

00:05:12,070 --> 00:05:10,080

listening on road love you will you

142

00:05:14,790 --> 00:05:12,080

drive safe be safe out there

143

00:05:16,870 --> 00:05:14,800

and yeah i'm i'm very glad that oh look

144

00:05:21,430 --> 00:05:16,880

at spooky says this is a lot of beard

145

00:05:24,790 --> 00:05:23,270

can you ever have too much beard i mean

146

00:05:26,550 --> 00:05:24,800

i don't know i don't think that's the

147

00:05:27,990 --> 00:05:26,560

thing i would think so they each their

148

00:05:29,990 --> 00:05:28,000

own some would argue that that you that

149

00:05:32,150 --> 00:05:30,000

is the case you can have too much

150

00:05:33,830 --> 00:05:32,160

oh simon wells he says three of the most

151

00:05:35,590 --> 00:05:33,840

beautiful people i've ever seen simon

152

00:05:37,189 --> 00:05:35,600

you're too kind brother thank you thank

153

00:05:39,110 --> 00:05:37,199

you um

154

00:05:40,310 --> 00:05:39,120

let's see all madrid ask you thank you

155

00:05:42,230 --> 00:05:40,320

for being here and anyone else i might

156

00:05:43,510 --> 00:05:42,240

have missed while i was sharing some of

157

00:05:45,189 --> 00:05:43,520

my guys thank you for being in here

158

00:05:46,790 --> 00:05:45,199

tonight stewart as well says hey guys

159

00:05:48,550 --> 00:05:46,800

watching what's shaking

160

00:05:50,870 --> 00:05:48,560

thank you for being here

161

00:05:52,790 --> 00:05:50,880

so uh let me get that out of the way i

162

00:05:54,629 --> 00:05:52,800

don't have pulled up right initially in

163

00:05:56,070 --> 00:05:54,639

front of me who the next guess is for

164

00:05:57,350 --> 00:05:56,080

ben and joe but obviously guys you can

165

00:05:59,430 --> 00:05:57,360

catch them every tuesday with their

166

00:06:01,590 --> 00:05:59,440

topless two topic

167

00:06:03,990 --> 00:06:01,600

hang on that's like two topic topless

168

00:06:05,430 --> 00:06:04,000

tuesday yeah right

169

00:06:07,990 --> 00:06:05,440

something like that

170

00:06:10,710 --> 00:06:08,000

please feel free to check them out as

171

00:06:12,950 --> 00:06:10,720

well as now brie the newest edition over

172

00:06:14,790 --> 00:06:12,960

at the after hours you can catch myself

173

00:06:17,110 --> 00:06:14,800

the gorgeous gemma jade the fedora

174

00:06:19,990 --> 00:06:17,120

wearing john hudson and then lizzie

175

00:06:21,590 --> 00:06:20,000

borden on the after hours as we hang out

176

00:06:23,510 --> 00:06:21,600

sharing tomorrow evening we'll be there

177

00:06:26,070 --> 00:06:23,520

as a matter of fact 11 p.m eastern is

178

00:06:28,550 --> 00:06:26,080

our start time what is that your guys 9

179

00:06:30,790 --> 00:06:28,560

p.m mountain time is that right yes and

180

00:06:32,230 --> 00:06:30,800

then 8 p.m i would assume over there on

181

00:06:33,350 --> 00:06:32,240

the west coast

182

00:06:35,189 --> 00:06:33,360

i don't know what they call their time

183

00:06:36,550 --> 00:06:35,199

over there i used to think it was like

184

00:06:37,590 --> 00:06:36,560

what is it called

185

00:06:42,550 --> 00:06:37,600

pacific

186

00:06:43,670 --> 00:06:42,560

okay maybe see now that sounded normal

187

00:06:44,629 --> 00:06:43,680

when you said it but other times i've

188

00:06:45,830 --> 00:06:44,639

heard it

189

00:06:50,390 --> 00:06:45,840

pst

190

00:06:55,909 --> 00:06:50,400

pc now is it just pc

191

00:06:57,430 --> 00:06:55,919

that's always pst pst est cst and then

192

00:07:00,469 --> 00:06:57,440

yeah ms team

193

00:07:02,550 --> 00:07:00,479

msd there's too many all i know is i

194

00:07:04,469 --> 00:07:02,560

reside in this eastern time zone that i

195

00:07:07,189 --> 00:07:04,479

happen to fall in and that's what i rock

196

00:07:10,150 --> 00:07:07,199

with so i know i i didn't think you were

197

00:07:12,390 --> 00:07:10,160

east technically the east coast but i'm

198

00:07:14,550 --> 00:07:12,400

close we learned something new

199

00:07:16,950 --> 00:07:14,560

there's two parts in michigan we have we

200

00:07:19,670 --> 00:07:16,960

have an eastern and as central

201
00:07:21,430 --> 00:07:19,680
so if you go for uh like far i think

202
00:07:23,270 --> 00:07:21,440
it's over on it's in the part of the

203
00:07:24,870 --> 00:07:23,280
upper peninsula that stretches over

204
00:07:27,029 --> 00:07:24,880
towards wisconsin that falls into a

205
00:07:28,469 --> 00:07:27,039
different time zone it's not really part

206
00:07:29,749 --> 00:07:28,479
of like i'm on the lower part of

207
00:07:30,790 --> 00:07:29,759
michigan and the mittens so it's not

208
00:07:33,430 --> 00:07:30,800
really

209
00:07:35,029 --> 00:07:33,440
i don't quite count it as that but

210
00:07:36,390 --> 00:07:35,039
i don't know now speaking of that let's

211
00:07:38,150 --> 00:07:36,400
let's start there and obviously we're

212
00:07:39,830 --> 00:07:38,160
going to go a variety of places tonight

213
00:07:42,070 --> 00:07:39,840

as we we engage in this conversation

214

00:07:44,230 --> 00:07:42,080

wherever we might end up who knows as

215

00:07:46,390 --> 00:07:44,240

you guys know we hop in old blue we go

216

00:07:47,830 --> 00:07:46,400

explore the galaxy and the cosmos

217

00:07:49,189 --> 00:07:47,840

perhaps you're listening to this and we

218

00:07:50,950 --> 00:07:49,199

just are live right now and you're with

219

00:07:53,430 --> 00:07:50,960

us or you're listening and it is so many

220

00:07:55,110 --> 00:07:53,440

years in the future perhaps you are our

221

00:07:57,350 --> 00:07:55,120

great great great grandchildren i have

222

00:07:58,790 --> 00:07:57,360

no clue either way we welcome you and

223

00:08:02,150 --> 00:07:58,800

hope that you enjoy the conversation

224

00:08:03,589 --> 00:08:02,160

this evening as we uh discuss kind of

225

00:08:04,469 --> 00:08:03,599

i guess so you could say your guys's

226

00:08:05,270 --> 00:08:04,479

story

227

00:08:10,469 --> 00:08:05,280

and

228

00:08:12,469 --> 00:08:10,479

to go but you guys did have a little bit

229

00:08:14,869 --> 00:08:12,479

of history near the minnesota wisconsin

230

00:08:16,869 --> 00:08:14,879

area both of you right yep

231

00:08:19,029 --> 00:08:16,879

now prior to even meeting you guys both

232

00:08:20,629 --> 00:08:19,039

had independently history in these areas

233

00:08:22,390 --> 00:08:20,639

yep yeah

234

00:08:24,070 --> 00:08:22,400

i got you okay well i guess starting

235

00:08:25,270 --> 00:08:24,080

with you then bri where were you kind of

236

00:08:26,390 --> 00:08:25,280

i mean you don't have to go like you

237

00:08:28,469 --> 00:08:26,400

know in the beginning where were you

238

00:08:30,390 --> 00:08:28,479

born but like roughly give or take is

239

00:08:31,589 --> 00:08:30,400

that is that where you were born or

240

00:08:34,790 --> 00:08:31,599

yeah i'm

241

00:08:36,949 --> 00:08:34,800

the minnesotan one born and raised and

242

00:08:40,550 --> 00:08:36,959

he's the california

243

00:08:41,670 --> 00:08:40,560

one born and raised so it's

244

00:08:43,750 --> 00:08:41,680

it's

245

00:08:46,949 --> 00:08:43,760

kind of vice versa what you would think

246

00:08:49,030 --> 00:08:46,959

that i would be from where he's at

247

00:08:50,310 --> 00:08:49,040

and vice versa so

248

00:08:53,269 --> 00:08:50,320

um

249

00:08:57,350 --> 00:08:53,279

yeah when did you move to minnesota

250

00:08:58,790 --> 00:08:57,360

i was like 13 14. so it was like 93 94.

251

00:09:00,230 --> 00:08:58,800

that had been a little bit of a culture

252

00:09:02,310 --> 00:09:00,240

shock right going from i mean just the

253

00:09:04,230 --> 00:09:02,320

weather alone right that had to benefit

254

00:09:06,070 --> 00:09:04,240

going from california to

255

00:09:08,230 --> 00:09:06,080

minnesota

256

00:09:10,070 --> 00:09:08,240

yeah the first winter was definitely

257

00:09:11,829 --> 00:09:10,080

interesting they had a huge blizzard

258

00:09:14,070 --> 00:09:11,839

right at halloween

259

00:09:17,829 --> 00:09:14,080

oh and it just buried everything and we

260

00:09:21,350 --> 00:09:18,870

yep

261

00:09:22,870 --> 00:09:21,360

definitely changes up uh like i couldn't

262

00:09:25,030 --> 00:09:22,880

imagine like as much as i do give the

263

00:09:26,630 --> 00:09:25,040

guys and you know obviously joe and ben

264

00:09:28,310 --> 00:09:26,640

graciously who allow me to even do the

265

00:09:29,990 --> 00:09:28,320

show with them over here at the garage

266

00:09:31,430 --> 00:09:30,000

as much crap as i give them when taxes

267

00:09:33,190 --> 00:09:31,440

about when they get snow

268

00:09:34,550 --> 00:09:33,200

i don't think i could do the heat i

269

00:09:37,509 --> 00:09:34,560

really don't i don't think i could do

270

00:09:40,230 --> 00:09:37,519

that texas heat sometimes not my thing

271

00:09:41,670 --> 00:09:40,240

not built for it it's way too

272

00:09:43,030 --> 00:09:41,680

way too

273

00:09:44,470 --> 00:09:43,040

humid

274

00:09:46,630 --> 00:09:44,480

yeah yeah

275

00:09:48,389 --> 00:09:46,640

that's exactly it is that if especially

276

00:09:50,870 --> 00:09:48,399

michigan you get human the summer time

277

00:09:52,870 --> 00:09:50,880

just like minnesota does and i grew up

278

00:09:55,190 --> 00:09:52,880

in the mojave desert where it was 120

279

00:09:57,269 --> 00:09:55,200

degrees but it was super dry

280

00:09:58,790 --> 00:09:57,279

and so it didn't feel nearly as hot as

281

00:10:01,269 --> 00:09:58,800

it did when we moved to minnesota it was

282

00:10:03,350 --> 00:10:01,279

like 90 and 100 humidity

283

00:10:04,470 --> 00:10:03,360

oh my gosh

284

00:10:05,750 --> 00:10:04,480

let's start there actually that's a

285

00:10:07,430 --> 00:10:05,760

great starting point because obviously

286

00:10:09,430 --> 00:10:07,440

we had mr ron fell brown not that many

287

00:10:10,870 --> 00:10:09,440

episodes ago two episodes back there um

288

00:10:12,870 --> 00:10:10,880

which is a great time thank you ron for

289

00:10:14,310 --> 00:10:12,880

coming on hanging out with us but

290

00:10:16,550 --> 00:10:14,320

interestingly enough obviously we dealt

291

00:10:18,790 --> 00:10:16,560

with the mojave desert incident and you

292

00:10:20,790 --> 00:10:18,800

growing up in this area had you even

293

00:10:22,389 --> 00:10:20,800

heard of that story or have

294

00:10:24,790 --> 00:10:22,399

did you see anything else yourself while

295

00:10:25,829 --> 00:10:24,800

you were there have any experiences

296

00:10:27,829 --> 00:10:25,839

we had

297

00:10:29,430 --> 00:10:27,839

a lots of weird things happen i guess is

298

00:10:32,949 --> 00:10:29,440

the best way to say it

299

00:10:37,829 --> 00:10:34,949

you know it was we were

300

00:10:39,829 --> 00:10:37,839

gosh i think we were 30 miles south of

301

00:10:41,509 --> 00:10:39,839

edwards air force base

302

00:10:43,350 --> 00:10:41,519

and then we had george air force base

303

00:10:44,790 --> 00:10:43,360

which is now closed and completely

304

00:10:47,030 --> 00:10:44,800

abandoned

305

00:10:48,470 --> 00:10:47,040

now but that was like a mile away from

306

00:10:51,829 --> 00:10:48,480

our house so

307

00:10:53,509 --> 00:10:51,839

we lived in a very weird area

308

00:10:55,670 --> 00:10:53,519

do you think uh

309

00:10:57,509 --> 00:10:55,680

do you think that there's i mean okay

310

00:10:59,269 --> 00:10:57,519

there's two parts this people always say

311

00:11:00,949 --> 00:10:59,279

that they disregard anything being in

312

00:11:03,509 --> 00:11:00,959

the sky the you know ufo the classic

313

00:11:04,550 --> 00:11:03,519

statement as it were before uap arrived

314

00:11:05,829 --> 00:11:04,560

but

315

00:11:07,750 --> 00:11:05,839

being around the airports they're like

316

00:11:08,949 --> 00:11:07,760

well you guys are that's the reason why

317

00:11:10,069 --> 00:11:08,959

guys this is clustered around the

318

00:11:11,190 --> 00:11:10,079

airports

319

00:11:12,949 --> 00:11:11,200

if you're really digging it a little

320

00:11:15,190 --> 00:11:12,959

more i mean that's really just that

321

00:11:17,030 --> 00:11:15,200

that's been what's been reported you

322

00:11:18,310 --> 00:11:17,040

know it doesn't mean that every one of

323

00:11:19,509 --> 00:11:18,320

those turned out to be that but i know a

324

00:11:21,190 --> 00:11:19,519

lot of people skirt them off they always

325

00:11:22,949 --> 00:11:21,200

go well look you guys seen all these

326

00:11:24,150 --> 00:11:22,959

supposed you know crafts or whatever

327

00:11:26,550 --> 00:11:24,160

might have happened near airports it's

328

00:11:28,710 --> 00:11:26,560

just because you can't see it's

329

00:11:30,389 --> 00:11:28,720

airplanes but i don't know that that's

330

00:11:32,470 --> 00:11:30,399

completely the case from like what you

331

00:11:34,389 --> 00:11:32,480

said yeah you were 30 miles out but

332

00:11:36,550 --> 00:11:34,399

i do remember uh briefly when we

333

00:11:37,990 --> 00:11:36,560

discussed the mojave desert incident

334

00:11:39,430 --> 00:11:38,000

you guys said and correct me if i'm

335

00:11:40,550 --> 00:11:39,440

wrong i believe you said you might have

336

00:11:42,710 --> 00:11:40,560

seen

337

00:11:45,829 --> 00:11:42,720

the uh was it the black but not the

338

00:11:47,670 --> 00:11:45,839

blackbird the uh the b2 and the f-117

339

00:11:50,150 --> 00:11:47,680

because it was the b2 was years before

340

00:11:52,310 --> 00:11:50,160

we saw the f-117

341

00:11:53,829 --> 00:11:52,320

and yeah they

342

00:11:56,389 --> 00:11:53,839

we're out because my dad used to work

343

00:11:57,590 --> 00:11:56,399

for the cdf the california department of

344

00:11:59,430 --> 00:11:57,600

forestry

345

00:12:01,030 --> 00:11:59,440

and he was a firefighter so he would do

346

00:12:02,629 --> 00:12:01,040

all the forest fires and stuff and so

347

00:12:04,230 --> 00:12:02,639

they would give him special permission

348

00:12:07,030 --> 00:12:04,240

to go in and cut down wood and stuff

349

00:12:08,710 --> 00:12:07,040

like that and then he'd sell it

350

00:12:13,110 --> 00:12:08,720

and we used to cut down the stuff called

351

00:12:15,350 --> 00:12:13,120

ironwood which is like from the mesquite

352

00:12:17,350 --> 00:12:15,360

branch i guess it's closest relative is

353

00:12:18,710 --> 00:12:17,360

the mesquite and it's like this super

354

00:12:20,790 --> 00:12:18,720

dense wood

355

00:12:23,030 --> 00:12:20,800

that you'd have to sharpen your chainsaw

356

00:12:24,470 --> 00:12:23,040

after every cut almost every piece of

357

00:12:25,829 --> 00:12:24,480

wood you cut off

358

00:12:28,230 --> 00:12:25,839

but you'd throw it in your wood burning

359

00:12:30,389 --> 00:12:28,240

furnace or your wood burning stove and

360

00:12:33,350 --> 00:12:30,399

it would last all night long just one

361

00:12:34,790 --> 00:12:33,360

log it so longer just burn forever and

362

00:12:37,269 --> 00:12:34,800

hot

363

00:12:39,269 --> 00:12:37,279

and so we were out cutting that and

364

00:12:41,910 --> 00:12:39,279

yeah we look up one day and the

365

00:12:45,590 --> 00:12:41,920

big old b2 just goes flying by with two

366

00:12:47,269 --> 00:12:45,600

f5 or f1 the f-15s flying alongside his

367

00:12:49,030 --> 00:12:47,279

escorts and

368

00:12:50,790 --> 00:12:49,040

what the hell was that you know you

369

00:12:53,670 --> 00:12:50,800

don't know what it is because never seen

370

00:12:55,670 --> 00:12:53,680

anything triangle shaped like well

371

00:12:58,389 --> 00:12:55,680

what year would this be

372

00:12:59,990 --> 00:12:58,399

oh this was like i was like seven or

373

00:13:02,470 --> 00:13:00,000

eight so it was probably eighty seven

374

00:13:03,670 --> 00:13:02,480

eighty eight sometimes a long time ago

375

00:13:05,269 --> 00:13:03,680

dang it

376

00:13:07,110 --> 00:13:05,279

was born

377

00:13:10,310 --> 00:13:07,120

before you were born is what you said

378

00:13:11,509 --> 00:13:10,320

yeah i was born in 88.

379

00:13:12,310 --> 00:13:11,519

it's a good year though that's a good

380

00:13:14,389 --> 00:13:12,320

year

381

00:13:15,509 --> 00:13:14,399

but so that one could almost stay and i

382

00:13:16,790 --> 00:13:15,519

i don't uh

383

00:13:18,629 --> 00:13:16,800

ben would know ben's in the chat tonight

384

00:13:20,470 --> 00:13:18,639

ben what's shaking brother uh nobody

385

00:13:21,990 --> 00:13:20,480

even been before the the the legendary

386

00:13:22,870 --> 00:13:22,000

jim goodall came out and wrote about it

387

00:13:26,389 --> 00:13:22,880

right

388

00:13:28,550 --> 00:13:26,399

somewhere around then because i know

389

00:13:29,910 --> 00:13:28,560

like with the f-117 that was a little

390

00:13:31,750 --> 00:13:29,920

later on

391

00:13:33,670 --> 00:13:31,760

i'm not good with the exact years but i

392

00:13:35,590 --> 00:13:33,680

know we saw it and it was

393

00:13:36,949 --> 00:13:35,600

what the hell was that again that one's

394

00:13:39,110 --> 00:13:36,959

totally different

395

00:13:40,710 --> 00:13:39,120

and then a couple weeks later you see

396

00:13:43,590 --> 00:13:40,720

the gym good all pictures come out and

397

00:13:44,629 --> 00:13:43,600

it was oh that's what we saw

398

00:13:46,310 --> 00:13:44,639

so

399

00:13:50,230 --> 00:13:46,320

it was neat

400

00:13:52,069 --> 00:13:50,240

gotcha now with that being said as as a

401
00:13:53,590 --> 00:13:52,079
young you know child or a young man

402
00:13:55,189 --> 00:13:53,600
maybe i guess at the time you moved a

403
00:13:56,470 --> 00:13:55,199
kid at the time

404
00:13:58,629 --> 00:13:56,480
did your

405
00:14:00,949 --> 00:13:58,639
parents your family life ever hint the

406
00:14:02,470 --> 00:14:00,959
idea of i guess what was the family like

407
00:14:04,310 --> 00:14:02,480
as far as addressing the idea of

408
00:14:05,990 --> 00:14:04,320
possible extraterrestrial life forms

409
00:14:07,350 --> 00:14:06,000
what what was that process did your dad

410
00:14:09,189 --> 00:14:07,360
just say yeah it's just the airplanes or

411
00:14:11,430 --> 00:14:09,199
what was the deal that way yeah he was

412
00:14:13,509 --> 00:14:11,440
mostly just it was airplanes you know

413
00:14:15,030 --> 00:14:13,519

what i mean you knew it was something

414

00:14:16,949 --> 00:14:15,040

military because it had two fighter

415

00:14:18,550 --> 00:14:16,959

planes flying along next to it

416

00:14:20,870 --> 00:14:18,560

so it's well obviously that's coming out

417

00:14:22,710 --> 00:14:20,880

of georgia or edwards because

418

00:14:24,629 --> 00:14:22,720

that's the other thing is they would fly

419

00:14:26,069 --> 00:14:24,639

all the x-planes through where we lived

420

00:14:29,189 --> 00:14:26,079

all the time so

421

00:14:30,069 --> 00:14:29,199

almost weekly no x-men no x-men no x-men

422

00:14:33,910 --> 00:14:30,079

just

423

00:14:35,829 --> 00:14:33,920

and uh so almost every week you would

424

00:14:36,629 --> 00:14:35,839

have sonic booms going off left and

425

00:14:38,389 --> 00:14:36,639

right

426

00:14:39,990 --> 00:14:38,399

and so you'd just be in the house

427

00:14:42,069 --> 00:14:40,000

sitting around and then boom and the

428

00:14:44,230 --> 00:14:42,079

whole house would just shake like crazy

429

00:14:47,430 --> 00:14:44,240

and you're like well your dad's from

430

00:14:50,150 --> 00:14:47,440

california also so he's

431

00:14:52,550 --> 00:14:50,160

been around and probably have seen

432

00:14:55,030 --> 00:14:52,560

you know has seen stuff for a long time

433

00:14:57,750 --> 00:14:55,040

yeah so he's probably like used to or

434

00:14:59,350 --> 00:14:57,760

doesn't you know pay it any never mind

435

00:15:01,189 --> 00:14:59,360

yeah i mean that's kind of how it is

436

00:15:02,150 --> 00:15:01,199

that's act like it's how i am i guess

437

00:15:03,829 --> 00:15:02,160

it's just

438

00:15:05,750 --> 00:15:03,839

weird things happen you're like oh yeah

439

00:15:07,670 --> 00:15:05,760

another day going by

440

00:15:10,150 --> 00:15:07,680

yeah very true

441

00:15:12,710 --> 00:15:10,160

so at what age i guess or did you i

442

00:15:15,350 --> 00:15:12,720

guess growing up was your perception of

443

00:15:17,829 --> 00:15:15,360

this realm you know the idea of

444

00:15:20,310 --> 00:15:17,839

the strange the obscure the unknown was

445

00:15:21,670 --> 00:15:20,320

it peaked at all or was it just kind of

446

00:15:34,949 --> 00:15:21,680

a

447

00:15:37,030 --> 00:15:34,959

too

448

00:15:38,389 --> 00:15:37,040

but i'd be in the library

449

00:15:40,790 --> 00:15:38,399

all day long

450

00:15:43,269 --> 00:15:40,800

and all i would ever do was like i

451
00:15:44,550 --> 00:15:43,279
rented out every single book on ufos i

452
00:15:46,629 --> 00:15:44,560
could touch

453
00:15:48,470 --> 00:15:46,639
like i knew the whole scale

454
00:15:50,069 --> 00:15:48,480
you know what close encounter is the

455
00:15:52,230 --> 00:15:50,079
first kind is this the center oh the

456
00:15:54,230 --> 00:15:52,240
third the various yeah everything was

457
00:15:56,150 --> 00:15:54,240
that's all i did was research all the

458
00:15:58,629 --> 00:15:56,160
different act you know

459
00:16:00,710 --> 00:15:58,639
the falcon lake incident and things like

460
00:16:02,629 --> 00:16:00,720
that i just that's what i learned was

461
00:16:04,550 --> 00:16:02,639
that in california so when you were

462
00:16:05,910 --> 00:16:04,560
young no that was the one up in uh

463
00:16:08,069 --> 00:16:05,920

canada

464

00:16:10,150 --> 00:16:08,079

no when you oh yeah when i was reading

465

00:16:12,629 --> 00:16:10,160

the book so you were

466

00:16:13,990 --> 00:16:12,639

at a young age doing all this is what it

467

00:16:15,430 --> 00:16:14,000

was

468

00:16:17,430 --> 00:16:15,440

no did you

469

00:16:18,790 --> 00:16:17,440

in that did anybody close to you even a

470

00:16:19,910 --> 00:16:18,800

friend of some sort did anybody share

471

00:16:21,430 --> 00:16:19,920

that interest with you did you have

472

00:16:24,069 --> 00:16:21,440

someone you could kind of you know back

473

00:16:25,990 --> 00:16:24,079

and forth conversate about the ideas

474

00:16:28,310 --> 00:16:26,000

no i was kind of a loner kid

475

00:16:30,710 --> 00:16:28,320

it was just you just working these ideas

476
00:16:33,509 --> 00:16:30,720
out as to what could be going on and

477
00:16:36,550 --> 00:16:33,519
yeah very nice are you seeing things

478
00:16:37,670 --> 00:16:36,560
i got you now when you guys um prior to

479
00:16:39,350 --> 00:16:37,680
you making a move because obviously

480
00:16:40,470 --> 00:16:39,360
again we we brought you here to talk

481
00:16:41,749 --> 00:16:40,480
about some stuff tonight and some of the

482
00:16:44,470 --> 00:16:41,759
experiences that might have taken place

483
00:16:46,389 --> 00:16:44,480
in your life but did you

484
00:16:48,710 --> 00:16:46,399
i guess um let me see the right way to

485
00:16:50,389 --> 00:16:48,720
ask this did you what is the earliest

486
00:16:51,990 --> 00:16:50,399
recollection of an experience or

487
00:16:53,430 --> 00:16:52,000
something you go hmm i can't quite

488
00:16:55,030 --> 00:16:53,440

explain what that was not saying you

489

00:16:57,430 --> 00:16:55,040

know what it is but you just had to have

490

00:16:59,590 --> 00:16:57,440

the moment

491

00:17:02,069 --> 00:16:59,600

gosh i mean it was little

492

00:17:03,509 --> 00:17:02,079

five six years old probably less than

493

00:17:05,429 --> 00:17:03,519

that but yeah it was

494

00:17:06,789 --> 00:17:05,439

it was always that weird

495

00:17:08,870 --> 00:17:06,799

like i was a little kid that was always

496

00:17:11,110 --> 00:17:08,880

paranoid that i could tell things were

497

00:17:13,350 --> 00:17:11,120

watching me from outside the windows

498

00:17:14,230 --> 00:17:13,360

and like when we where i grew up so we

499

00:17:15,750 --> 00:17:14,240

lived

500

00:17:17,590 --> 00:17:15,760

in this little town

501
00:17:19,429 --> 00:17:17,600
and at the time it was a little town now

502
00:17:21,110 --> 00:17:19,439
it's huge but

503
00:17:22,549 --> 00:17:21,120
at the time it was a little earth town

504
00:17:24,870 --> 00:17:22,559
and we had

505
00:17:27,110 --> 00:17:24,880
i think one or two rows of houses behind

506
00:17:28,309 --> 00:17:27,120
us and then there was nothing but desert

507
00:17:30,630 --> 00:17:28,319
and so we were right on the edge of

508
00:17:32,630 --> 00:17:30,640
everything and across the street so we

509
00:17:34,230 --> 00:17:32,640
had a little street that kind of curved

510
00:17:35,590 --> 00:17:34,240
and directly across the street was a

511
00:17:37,270 --> 00:17:35,600
chain-link fence

512
00:17:38,710 --> 00:17:37,280
and then it was the california aqueduct

513
00:17:40,549 --> 00:17:38,720

system

514

00:17:42,710 --> 00:17:40,559

and so we'd go in the aqueduct and walk

515

00:17:44,789 --> 00:17:42,720

around and catch giant catfish because

516

00:17:46,390 --> 00:17:44,799

they were this part of the la river was

517

00:17:48,070 --> 00:17:46,400

actually full of water

518

00:17:50,710 --> 00:17:48,080

unlike what you see in like terminator

519

00:17:54,390 --> 00:17:52,230

we could just drive whole vehicles down

520

00:17:55,830 --> 00:17:54,400

there exactly

521

00:17:57,750 --> 00:17:55,840

this was the turtles there and

522

00:18:00,310 --> 00:17:57,760

everything yeah it was deep and people

523

00:18:02,710 --> 00:18:00,320

would try to tube down it and then every

524

00:18:04,470 --> 00:18:02,720

quarter mile there's grates

525

00:18:06,470 --> 00:18:04,480

underneath the water and so people would

526

00:18:08,710 --> 00:18:06,480

just be tubing along drunk

527

00:18:10,710 --> 00:18:08,720

and they would suck them under and pin

528

00:18:12,710 --> 00:18:10,720

them against the grate and kill them and

529

00:18:14,950 --> 00:18:12,720

like suck up yeah

530

00:18:17,590 --> 00:18:14,960

they would have so many signs no tubing

531

00:18:19,669 --> 00:18:17,600

no swimming but people would still do it

532

00:18:21,029 --> 00:18:19,679

anyways i'm assuming and that was one of

533

00:18:22,789 --> 00:18:21,039

the reasons my dad quit being a

534

00:18:24,870 --> 00:18:22,799

firefighter was he'd have to get called

535

00:18:26,870 --> 00:18:24,880

out for those when people would drown

536

00:18:29,669 --> 00:18:26,880

and one of the kids was like exactly my

537

00:18:31,590 --> 00:18:29,679

age oh no and he was like no i can't do

538

00:18:32,470 --> 00:18:31,600

this anymore it's too close to home yeah

539

00:18:36,630 --> 00:18:32,480

yeah

540

00:18:38,870 --> 00:18:36,640

always that little shadow creatures or

541

00:18:40,230 --> 00:18:38,880

shadows you said

542

00:18:42,710 --> 00:18:40,240

things that would be coming around the

543

00:18:44,950 --> 00:18:42,720

corner and disappearing a lot of that

544

00:18:47,750 --> 00:18:44,960

stuff when i was a kid and then

545

00:18:49,350 --> 00:18:47,760

like in in your house or just like yeah

546

00:18:51,909 --> 00:18:49,360

in the house

547

00:18:54,870 --> 00:18:51,919

like a big long hallway

548

00:18:57,590 --> 00:18:54,880

did anybody else seem to experience this

549

00:18:58,789 --> 00:18:57,600

experiencing that in your family or with

550

00:19:00,470 --> 00:18:58,799

if they were they just weren't talking

551

00:19:02,230 --> 00:19:00,480

about it if they were they weren't

552

00:19:03,510 --> 00:19:02,240

talking about it i guess but not a whole

553

00:19:08,150 --> 00:19:03,520

lot

554

00:19:09,190 --> 00:19:08,160

think of uh

555

00:19:11,669 --> 00:19:09,200

you know we

556

00:19:13,270 --> 00:19:11,679

we seem to most people agree now there's

557

00:19:15,190 --> 00:19:13,280

a general consensus that you know young

558

00:19:17,270 --> 00:19:15,200

children or animals seem to be more open

559

00:19:20,070 --> 00:19:17,280

and receptive to different frequencies

560

00:19:22,630 --> 00:19:20,080

or dimensions perhaps and i often think

561

00:19:24,630 --> 00:19:22,640

like how how difficult that must be for

562

00:19:26,630 --> 00:19:24,640

for a little child sometimes

563

00:19:28,070 --> 00:19:26,640

depending on how they handle it right

564

00:19:30,150 --> 00:19:28,080

because

565

00:19:31,830 --> 00:19:30,160

if you're genuinely concerned but no one

566

00:19:33,350 --> 00:19:31,840

believes in they just kind of

567

00:19:34,950 --> 00:19:33,360

as a parent you try to come for your

568

00:19:36,870 --> 00:19:34,960

kids so sometimes when when they come to

569

00:19:39,350 --> 00:19:36,880

you like oh there's this monster you're

570

00:19:41,510 --> 00:19:39,360

like oh that was just your imagination

571

00:19:43,430 --> 00:19:41,520

and you're almost in a sense and it's

572

00:19:44,549 --> 00:19:43,440

not necessarily it's not any really

573

00:19:46,549 --> 00:19:44,559

fault of the parent but you're almost

574

00:19:48,310 --> 00:19:46,559

discrediting that poor child who's come

575

00:19:50,310 --> 00:19:48,320

forth right and then let's say a parent

576
00:19:53,029 --> 00:19:50,320
handles in a bad way that child might

577
00:19:55,029 --> 00:19:53,039
ever ever speak out about it again

578
00:19:56,070 --> 00:19:55,039
depending on what happened

579
00:19:58,230 --> 00:19:56,080
um

580
00:19:59,350 --> 00:19:58,240
so you start having these experiences uh

581
00:20:00,950 --> 00:19:59,360
you know you're already kind of seeing

582
00:20:04,310 --> 00:20:00,960
things at a young age

583
00:20:07,029 --> 00:20:04,320
uh at what age did you have a for sure

584
00:20:09,669 --> 00:20:07,039
like this moment i would define as

585
00:20:11,270 --> 00:20:09,679
it kind of changed the course of

586
00:20:13,750 --> 00:20:11,280
my life as it were in the interest that

587
00:20:17,830 --> 00:20:15,430
gosh i mean again that was probably

588
00:20:18,870 --> 00:20:17,840

being seven eight years old something

589

00:20:20,549 --> 00:20:18,880

like that

590

00:20:22,149 --> 00:20:20,559

that was a lot when the weird dream

591

00:20:23,669 --> 00:20:22,159

started to happen

592

00:20:25,510 --> 00:20:23,679

the reoccurring

593

00:20:26,470 --> 00:20:25,520

kind of dreams that you started getting

594

00:20:28,549 --> 00:20:26,480

and

595

00:20:30,470 --> 00:20:28,559

that was when it just kind of yeah that

596

00:20:32,149 --> 00:20:30,480

was when it got really

597

00:20:34,070 --> 00:20:32,159

interesting i guess

598

00:20:35,830 --> 00:20:34,080

well if you don't mind let's uh do you

599

00:20:37,909 --> 00:20:35,840

want to hit on that a little bit when

600

00:20:40,230 --> 00:20:37,919

you say recurring was it just similar

601
00:20:42,470 --> 00:20:40,240
ish or was it like an exact same dream

602
00:20:45,909 --> 00:20:42,480
that was taking place it was an exact

603
00:20:47,350 --> 00:20:45,919
same dream almost every time and it was

604
00:20:48,950 --> 00:20:47,360
very it was one of those dreams where

605
00:20:51,029 --> 00:20:48,960
every time you'd wake up you were just

606
00:20:52,950 --> 00:20:51,039
soaked in sweat

607
00:20:54,789 --> 00:20:52,960
and it wasn't even like uh it wasn't

608
00:20:58,149 --> 00:20:54,799
weird either or it wasn't like a scary

609
00:21:00,549 --> 00:20:58,159
dream it was just very eerie

610
00:21:02,870 --> 00:21:00,559
and that's what was always i guess

611
00:21:04,630 --> 00:21:02,880
weird about it yeah

612
00:21:05,990 --> 00:21:04,640
now at this time i guess what i'd love

613
00:21:07,190 --> 00:21:06,000

to do is kind of you know get you guys

614

00:21:09,510 --> 00:21:07,200

back stories up to about the time you

615

00:21:11,750 --> 00:21:09,520

guys meet at this time it was most of

616

00:21:13,990 --> 00:21:11,760

this taking place prior to bree being in

617

00:21:15,350 --> 00:21:14,000

the picture of your life or yeah oh yeah

618

00:21:18,390 --> 00:21:15,360

that's all when you're still in

619

00:21:19,830 --> 00:21:18,400

california as a little kid yeah oh wow

620

00:21:21,669 --> 00:21:19,840

okay so this isn't even so we're not

621

00:21:24,230 --> 00:21:21,679

even past you know 12 or 13 years old

622

00:21:27,110 --> 00:21:24,240

he's had a plethora of

623

00:21:29,110 --> 00:21:27,120

different things before me

624

00:21:30,070 --> 00:21:29,120

very nice i'll give a sus to that for

625

00:21:32,230 --> 00:21:30,080

anybody out there who's taking some

626

00:21:33,190 --> 00:21:32,240

drinks tonight um

627

00:21:34,789 --> 00:21:33,200

so

628

00:21:36,630 --> 00:21:34,799

you had this this dream that started

629

00:21:38,390 --> 00:21:36,640

reoccurring and again i know you said

630

00:21:40,070 --> 00:21:38,400

you were kind of a loner but was there

631

00:21:41,110 --> 00:21:40,080

ever a moment i guess let's sit on that

632

00:21:43,029 --> 00:21:41,120

for a second since we brought up with

633

00:21:45,830 --> 00:21:43,039

the young children did you ever try to

634

00:21:48,789 --> 00:21:45,840

reach out to anybody or was this what

635

00:21:50,789 --> 00:21:48,799

was your process of handling it

636

00:21:52,470 --> 00:21:50,799

just deal with it kind of

637

00:21:53,990 --> 00:21:52,480

like that's kind of the way i was just a

638

00:21:55,909 --> 00:21:54,000

kid like that just

639

00:21:56,830 --> 00:21:55,919

i don't know i was a tough kid i guess i

640

00:21:58,390 --> 00:21:56,840

grew

641

00:22:00,789 --> 00:21:58,400

up bikes

642

00:22:02,950 --> 00:22:00,799

rode bikes in the desert got hurt

643

00:22:04,789 --> 00:22:02,960

deal with it

644

00:22:06,630 --> 00:22:04,799

it was a different time things have

645

00:22:07,909 --> 00:22:06,640

changed and it's uh

646

00:22:09,350 --> 00:22:07,919

things have progressed in different

647

00:22:11,830 --> 00:22:09,360

areas and it's

648

00:22:13,350 --> 00:22:11,840

uh we're i don't think we're fully

649

00:22:15,350 --> 00:22:13,360

appreciate maybe the transition that

650

00:22:16,630 --> 00:22:15,360

we're having sometimes and until maybe

651
00:22:18,390 --> 00:22:16,640
50 years on the road we don't maybe

652
00:22:21,190 --> 00:22:18,400
realize the history that we're living in

653
00:22:22,710 --> 00:22:21,200
because it is a weird time how

654
00:22:25,590 --> 00:22:22,720
man not only

655
00:22:27,350 --> 00:22:25,600
to really even 20 30 years ago like the

656
00:22:28,149 --> 00:22:27,360
way that you grew up as a child versus

657
00:22:30,070 --> 00:22:28,159
now

658
00:22:31,590 --> 00:22:30,080
it's it's night and day

659
00:22:33,190 --> 00:22:31,600
and i don't know that it's ever been so

660
00:22:34,310 --> 00:22:33,200
vastly different from one generation to

661
00:22:35,430 --> 00:22:34,320
the next and we're only talking one

662
00:22:38,390 --> 00:22:35,440
generation

663
00:22:41,029 --> 00:22:38,400

i mean there was always changes yes but

664

00:22:43,110 --> 00:22:41,039

man we have just completely changed up

665

00:22:45,110 --> 00:22:43,120

the way that we connect to nature

666

00:22:46,470 --> 00:22:45,120

um the idea of children

667

00:22:47,830 --> 00:22:46,480

going out and hey i remember that's how

668

00:22:49,190 --> 00:22:47,840

we were my grandparents we were always

669

00:22:50,149 --> 00:22:49,200

out about in the woods and just doing

670

00:22:51,430 --> 00:22:50,159

whatever

671

00:22:53,110 --> 00:22:51,440

not saying everybody has to have that

672

00:22:54,710 --> 00:22:53,120

experience but there was some really

673

00:22:56,070 --> 00:22:54,720

good rooted memories in that of just

674

00:22:57,909 --> 00:22:56,080

being in nature

675

00:22:59,270 --> 00:22:57,919

and just running around right like

676
00:23:01,110 --> 00:22:59,280
passing out sunburn at the end of the

677
00:23:03,270 --> 00:23:01,120
day at least for me i sunburned a lot

678
00:23:04,870 --> 00:23:03,280
obviously so i would pass out in the

679
00:23:06,830 --> 00:23:04,880
heat right but

680
00:23:08,789 --> 00:23:06,840
you know now it's there's been a big

681
00:23:10,310 --> 00:23:08,799
transition in the change of way that's

682
00:23:11,990 --> 00:23:10,320
taken place and maybe i don't know we'll

683
00:23:14,710 --> 00:23:12,000
see maybe it's yet to be determined if

684
00:23:16,390 --> 00:23:14,720
it's a great thing or or not but so with

685
00:23:18,630 --> 00:23:16,400
this taking place

686
00:23:19,909 --> 00:23:18,640
uh what what what caused the move i

687
00:23:21,430 --> 00:23:19,919
guess what was the up and moving the

688
00:23:24,149 --> 00:23:21,440

minnesota part

689

00:23:26,470 --> 00:23:24,159

oh my dad's job transferred he wanted to

690

00:23:27,350 --> 00:23:26,480

own a snow blower he did that was one

691

00:23:29,750 --> 00:23:27,360

thing

692

00:23:32,630 --> 00:23:29,760

his bucket list

693

00:23:34,950 --> 00:23:32,640

when he was a kid in the 60s

694

00:23:36,789 --> 00:23:34,960

california his favorite football team

695

00:23:39,110 --> 00:23:36,799

was the minnesota vikings

696

00:23:41,110 --> 00:23:39,120

because they always had snow games and

697

00:23:43,110 --> 00:23:41,120

so he'd love watching it sitting in the

698

00:23:44,950 --> 00:23:43,120

san fernando valley because that's where

699

00:23:46,710 --> 00:23:44,960

i was actually born was

700

00:23:52,950 --> 00:23:46,720

in uh encino

701
00:23:58,549 --> 00:23:56,070
so we he grew up there just loving it

702
00:24:00,230 --> 00:23:58,559
and so then he was like they train their

703
00:24:03,990 --> 00:24:00,240
job opened up in minnesota he was like

704
00:24:07,110 --> 00:24:04,000
yeah it's full of fishing it's got snow

705
00:24:09,590 --> 00:24:07,120
it's got this and yep we moved there

706
00:24:11,430 --> 00:24:09,600
man was it a different change

707
00:24:12,789 --> 00:24:11,440
yeah i can imagine and i completely

708
00:24:14,149 --> 00:24:12,799
forgot to and alex you don't have to

709
00:24:15,590 --> 00:24:14,159
give exact details if you want to i

710
00:24:17,430 --> 00:24:15,600
forgot to hit on this did you have

711
00:24:19,110 --> 00:24:17,440
siblings you know like did you have some

712
00:24:22,149 --> 00:24:19,120
other children were you an only child no

713
00:24:23,430 --> 00:24:22,159

i had a sister too okay okay so you guys

714

00:24:24,470 --> 00:24:23,440

move there and you're maybe getting

715

00:24:26,390 --> 00:24:24,480

settled in

716

00:24:27,510 --> 00:24:26,400

did you in the back your head at all

717

00:24:28,630 --> 00:24:27,520

because you're having these experiences

718

00:24:30,710 --> 00:24:28,640

and at this point you've kind of just

719

00:24:32,230 --> 00:24:30,720

adapted it into this is my everyday life

720

00:24:33,269 --> 00:24:32,240

occasionally i see things and it is what

721

00:24:34,789 --> 00:24:33,279

it is

722

00:24:36,549 --> 00:24:34,799

did any part of you think that it was

723

00:24:38,870 --> 00:24:36,559

going to maybe

724

00:24:41,269 --> 00:24:38,880

stay there in california or you know did

725

00:24:43,669 --> 00:24:41,279

it immediately follow to minnesota or

726

00:24:45,990 --> 00:24:43,679

did it have a cutoff that really it

727

00:24:46,950 --> 00:24:46,000

slowed a lot down being in minnesota i

728

00:24:49,110 --> 00:24:46,960

think

729

00:24:51,430 --> 00:24:49,120

which is what was interesting so it was

730

00:24:52,950 --> 00:24:51,440

mostly like especially there was other

731

00:24:55,909 --> 00:24:52,960

things that happened in minnesota i

732

00:24:57,990 --> 00:24:55,919

think minnesota is less of a ufo hot

733

00:24:59,990 --> 00:24:58,000

spot and more of the animal

734

00:25:02,149 --> 00:25:00,000

ghost and paranormal hot spot a lot of

735

00:25:04,549 --> 00:25:02,159

it has to do with the fact that

736

00:25:06,950 --> 00:25:04,559

at least my theory is that

737

00:25:08,630 --> 00:25:06,960

all of minnesota's bedrock is limestone

738

00:25:11,990 --> 00:25:08,640

pure limestone

739

00:25:13,990 --> 00:25:12,000

and that's supposed to resonate all this

740

00:25:17,990 --> 00:25:14,000

because that's all limestone is is

741

00:25:19,750 --> 00:25:18,000

literally built upon of old life

742

00:25:21,750 --> 00:25:19,760

like it's old sea creatures and

743

00:25:23,110 --> 00:25:21,760

everything that died down in the ocean

744

00:25:25,029 --> 00:25:23,120

and then became

745

00:25:27,669 --> 00:25:25,039

limestone

746

00:25:28,710 --> 00:25:27,679

very true and i i think we've often hit

747

00:25:30,630 --> 00:25:28,720

on this before too like there's

748

00:25:32,470 --> 00:25:30,640

different zones around the earth that

749

00:25:33,510 --> 00:25:32,480

seem to be these hotbeds for certain

750

00:25:34,789 --> 00:25:33,520

things

751
00:25:36,789 --> 00:25:34,799
and um

752
00:25:37,990 --> 00:25:36,799
you know i don't know that like you said

753
00:25:39,830 --> 00:25:38,000
when it comes to minnesota i'm sure

754
00:25:41,830 --> 00:25:39,840
they've had their own

755
00:25:42,950 --> 00:25:41,840
couple maybe yeah you guys welcome to

756
00:25:44,630 --> 00:25:42,960
say hi to whoever out here obviously

757
00:25:45,990 --> 00:25:44,640
cassie you do have so much support thank

758
00:25:47,269 --> 00:25:46,000
you so much for supporting all the shows

759
00:25:48,470 --> 00:25:47,279
that you support you do a ton of work

760
00:25:49,510 --> 00:25:48,480
thank you

761
00:25:51,350 --> 00:25:49,520
um

762
00:25:53,430 --> 00:25:51,360
but you you know when you guys moved

763
00:25:55,510 --> 00:25:53,440

there you noticed the things slowed down

764

00:25:58,230 --> 00:25:55,520

but did did anything at that point i

765

00:25:59,510 --> 00:25:58,240

guess transition into

766

00:26:00,870 --> 00:25:59,520

more of you're saying more of the

767

00:26:02,630 --> 00:26:00,880

paranormal realm but you were already

768

00:26:05,110 --> 00:26:02,640

kind of having paranormal experiences a

769

00:26:06,230 --> 00:26:05,120

little bit right yeah so did you just

770

00:26:08,630 --> 00:26:06,240

heighten it even though things slowed

771

00:26:10,149 --> 00:26:08,640

down to become more i guess intense i

772

00:26:12,470 --> 00:26:10,159

feel like it did become a little bit

773

00:26:14,789 --> 00:26:12,480

more intense when we moved there

774

00:26:16,870 --> 00:26:14,799

at least for the more of the yeah the

775

00:26:18,950 --> 00:26:16,880

ghost stuff and the paranormal things

776
00:26:20,870 --> 00:26:18,960
like that

777
00:26:23,110 --> 00:26:20,880
yeah that's where i think it

778
00:26:25,029 --> 00:26:23,120
got a little bit more of a hot spot was

779
00:26:27,110 --> 00:26:25,039
out in minnesota at least

780
00:26:28,230 --> 00:26:27,120
nice there's also a lot more history you

781
00:26:30,149 --> 00:26:28,240
know it's

782
00:26:31,909 --> 00:26:30,159
people true well you know other than

783
00:26:32,789 --> 00:26:31,919
native americans and things like that

784
00:26:35,110 --> 00:26:32,799
but

785
00:26:37,110 --> 00:26:35,120
there's been a lot more civilization in

786
00:26:39,110 --> 00:26:37,120
that part of the country than in the

787
00:26:40,149 --> 00:26:39,120
west and like where we were in the

788
00:26:42,470 --> 00:26:40,159

desert

789

00:26:43,590 --> 00:26:42,480

our town wasn't even a town until the

790

00:26:45,029 --> 00:26:43,600

60s

791

00:26:46,870 --> 00:26:45,039

or the 40s or something like that you

792

00:26:47,830 --> 00:26:46,880

know it was it was a small few people

793

00:26:49,990 --> 00:26:47,840

but it was out in the middle of the

794

00:26:52,710 --> 00:26:50,000

desert it was still a two-hour drive to

795

00:26:55,190 --> 00:26:52,720

los angeles from where we're at so

796

00:26:57,669 --> 00:26:55,200

wow so give or take what what timeline

797

00:26:59,510 --> 00:26:57,679

are we at here so this is the what like

798

00:27:01,830 --> 00:26:59,520

early 90s at this point maybe it's

799

00:27:04,230 --> 00:27:01,840

really nice okay so at this point bri

800

00:27:05,909 --> 00:27:04,240

you had you had entered earth's realm we

801
00:27:07,510 --> 00:27:05,919
had you had made an appearance at least

802
00:27:10,070 --> 00:27:07,520
right so yes

803
00:27:11,830 --> 00:27:10,080
with you making your appearance uh were

804
00:27:12,710 --> 00:27:11,840
you guys far apart did you i mean

805
00:27:14,549 --> 00:27:12,720
obviously i know you didn't know each

806
00:27:16,470 --> 00:27:14,559
other later but how close in relation

807
00:27:18,710 --> 00:27:16,480
were you guys at this point even being

808
00:27:20,950 --> 00:27:18,720
in the same area were you way far apart

809
00:27:24,070 --> 00:27:20,960
or relatively close

810
00:27:29,269 --> 00:27:26,070
he moved

811
00:27:31,110 --> 00:27:29,279
when he was young and so

812
00:27:33,269 --> 00:27:31,120
we were always

813
00:27:34,549 --> 00:27:33,279

not too far of a distance away from each

814

00:27:37,750 --> 00:27:34,559

other

815

00:27:40,710 --> 00:27:37,760

so it's like no matter what you know

816

00:27:44,470 --> 00:27:40,720

at the point in our lives we can call

817

00:27:46,549 --> 00:27:44,480

that oh hey i worked someplace and you

818

00:27:49,830 --> 00:27:46,559

know then he's like oh i worked

819

00:27:52,789 --> 00:27:49,840

someplace that was really close and it's

820

00:27:56,950 --> 00:27:52,799

like so we would so we were always in

821

00:27:59,190 --> 00:27:56,960

such a close vicinity of each other um

822

00:28:02,630 --> 00:27:59,200

yeah so going back to when he was in

823

00:28:04,870 --> 00:28:02,640

high school so it's like

824

00:28:06,470 --> 00:28:04,880

you know since him moving

825

00:28:09,029 --> 00:28:06,480

to minnesota

826

00:28:10,389 --> 00:28:09,039

it's like we were always kind of near

827

00:28:12,710 --> 00:28:10,399

each other but

828

00:28:13,909 --> 00:28:12,720

i mean we've only been together for

829

00:28:18,310 --> 00:28:13,919

seven years

830

00:28:20,870 --> 00:28:19,750

i love that we're going to hit on that a

831

00:28:22,470 --> 00:28:20,880

little more but i just want to give

832

00:28:24,389 --> 00:28:22,480

kathy splash a shout out thank you for

833

00:28:26,389 --> 00:28:24,399

being here tonight she goes there are 9

834

00:28:28,549 --> 00:28:26,399

ufo shows on right now i choose big

835

00:28:30,470 --> 00:28:28,559

willy because big willy is a man of the

836

00:28:32,310 --> 00:28:30,480

people and i want to nap in his beard

837

00:28:34,310 --> 00:28:32,320

well look at gazzy look you could nap in

838

00:28:35,510 --> 00:28:34,320

gary's beard too maybe if he gives

839

00:28:37,110 --> 00:28:35,520

permission i don't know what the rules

840

00:28:39,750 --> 00:28:37,120

are guess it can't be volunteering other

841

00:28:41,830 --> 00:28:39,760

people's spirits

842

00:28:42,950 --> 00:28:41,840

um but let's hit on that with you then

843

00:28:44,870 --> 00:28:42,960

we're gonna come back to where you're at

844

00:28:47,269 --> 00:28:44,880

here in a second here but so agree with

845

00:28:48,630 --> 00:28:47,279

you did you have any kind of the same

846

00:28:50,070 --> 00:28:48,640

question i would ask gary's when he

847

00:28:51,350 --> 00:28:50,080

started did you what's the earliest

848

00:28:53,029 --> 00:28:51,360

memory that you have that you're like

849

00:28:54,950 --> 00:28:53,039

that was something i can't explain i

850

00:28:57,430 --> 00:28:54,960

don't understand based on the way we're

851
00:28:58,710 --> 00:28:57,440
told and taught to perceive reality

852
00:29:02,950 --> 00:28:58,720
um

853
00:29:06,789 --> 00:29:05,590
most of the stuff that happened

854
00:29:09,350 --> 00:29:06,799
in my

855
00:29:10,710 --> 00:29:09,360
the house i grew up in happened to my

856
00:29:12,870 --> 00:29:10,720
older brother

857
00:29:16,149 --> 00:29:12,880
so it's like okay i didn't have a

858
00:29:18,149 --> 00:29:16,159
paranormal experience until

859
00:29:20,630 --> 00:29:18,159
like less than a month before i moved

860
00:29:23,590 --> 00:29:20,640
out like that i had met gary

861
00:29:27,269 --> 00:29:23,600
so it's like i hadn't

862
00:29:30,710 --> 00:29:27,279
you know had my own real paranormal

863
00:29:31,750 --> 00:29:30,720

event inside the house but my brother

864

00:29:34,950 --> 00:29:31,760

would

865

00:29:36,630 --> 00:29:34,960

when he was younger he had um

866

00:29:39,750 --> 00:29:36,640

he was in the kitchen with my mom and

867

00:29:41,669 --> 00:29:39,760

she was making a salad and then

868

00:29:44,710 --> 00:29:41,679

my brother said ow

869

00:29:47,029 --> 00:29:44,720

and then she looked over and then

870

00:29:49,669 --> 00:29:47,039

you know he had a pinch mark on him and

871

00:29:51,510 --> 00:29:49,679

she's making salad and so my brother

872

00:29:53,269 --> 00:29:51,520

thought that she was the one that

873

00:29:54,710 --> 00:29:53,279

pinched him but it

874

00:29:56,710 --> 00:29:54,720

we don't know

875

00:29:59,590 --> 00:29:56,720

what it was so it's like i always was

876

00:30:00,710 --> 00:29:59,600

told stuff but i guess the first

877

00:30:04,630 --> 00:30:00,720

like

878

00:30:08,710 --> 00:30:04,640

thing that happened in our life would be

879

00:30:12,549 --> 00:30:08,720

um my family we were up north in duluth

880

00:30:14,870 --> 00:30:12,559

okay so it's my dad uh mom and i and

881

00:30:17,830 --> 00:30:14,880

we're visiting our family up there so my

882

00:30:19,269 --> 00:30:17,840

brother is at home in the twin cities so

883

00:30:23,830 --> 00:30:19,279

it's about

884

00:30:26,389 --> 00:30:23,840

over two hours drive away and we're

885

00:30:29,669 --> 00:30:26,399

out to eat with the rest of my family

886

00:30:32,070 --> 00:30:29,679

that all lives in northern minnesota

887

00:30:34,950 --> 00:30:32,080

and then my mom gets a phone call

888

00:30:36,630 --> 00:30:34,960

and i might have been a teenager

889

00:30:38,630 --> 00:30:36,640

um

890

00:30:41,190 --> 00:30:38,640

and she

891

00:30:43,190 --> 00:30:41,200

he was she was asked by my brother you

892

00:30:46,310 --> 00:30:43,200

know his bre there

893

00:30:47,269 --> 00:30:46,320

and she's like yeah she's here at the

894

00:30:49,190 --> 00:30:47,279

table

895

00:30:52,710 --> 00:30:49,200

were with us why

896

00:30:56,149 --> 00:30:52,720

and he said that he had a friend over at

897

00:30:57,990 --> 00:30:56,159

their place or at my parents house

898

00:31:00,149 --> 00:30:58,000

and

899

00:31:02,950 --> 00:31:00,159

both of them heard

900

00:31:06,470 --> 00:31:02,960

my name being called

901
00:31:07,269 --> 00:31:06,480
oh wow and so yeah so that's where it's

902
00:31:10,389 --> 00:31:07,279
like

903
00:31:11,269 --> 00:31:10,399
i was you know still maybe a tw maybe a

904
00:31:13,190 --> 00:31:11,279
tween

905
00:31:17,190 --> 00:31:13,200
so it's you know that was just something

906
00:31:18,389 --> 00:31:17,200
that was like weird and and freaky but

907
00:31:23,269 --> 00:31:18,399
my grandpa

908
00:31:24,630 --> 00:31:23,279
um saw ufo so ever since i was little um

909
00:31:28,470 --> 00:31:24,640
i've always

910
00:31:31,269 --> 00:31:28,480
known what ufos were or just

911
00:31:32,549 --> 00:31:31,279
you know it's like i never had that

912
00:31:35,269 --> 00:31:32,559
like i was

913
00:31:37,509 --> 00:31:35,279

the only movie i was scared of was an

914

00:31:40,630 --> 00:31:37,519

alien movie that my mom made me watch

915

00:31:43,430 --> 00:31:40,640

when i was like a little little kid

916

00:31:44,630 --> 00:31:43,440

and so i don't know if it's like

917

00:31:45,590 --> 00:31:44,640

memories

918

00:31:46,630 --> 00:31:45,600

of

919

00:31:49,430 --> 00:31:46,640

maybe

920

00:31:50,789 --> 00:31:49,440

i was abducted or you know it's past

921

00:31:52,470 --> 00:31:50,799

life memories

922

00:31:55,029 --> 00:31:52,480

because it's like i've never been

923

00:31:57,430 --> 00:31:55,039

disturbed by something

924

00:32:00,630 --> 00:31:57,440

and that's the only thing that even as a

925

00:32:02,789 --> 00:32:00,640

kid it's like i you know would be

926
00:32:05,509 --> 00:32:02,799
in the house at night and i would always

927
00:32:07,430 --> 00:32:05,519
just feel like something's watching me

928
00:32:09,909 --> 00:32:07,440
so i guess you know

929
00:32:12,789 --> 00:32:09,919
that would be

930
00:32:14,950 --> 00:32:12,799
recalling an aspect of you know my

931
00:32:17,750 --> 00:32:14,960
childhood and kind of

932
00:32:20,389 --> 00:32:17,760
sensing things i guess but i never had

933
00:32:21,269 --> 00:32:20,399
anything bad happen to me i never had

934
00:32:24,630 --> 00:32:21,279
any

935
00:32:27,509 --> 00:32:24,640
paranormal thing happen until

936
00:32:30,149 --> 00:32:27,519
like when i was like 26

937
00:32:32,149 --> 00:32:30,159
right before moving out so that

938
00:32:33,110 --> 00:32:32,159

my relative

939

00:32:35,269 --> 00:32:33,120

you know

940

00:32:38,310 --> 00:32:35,279

story pre-gary is

941

00:32:40,149 --> 00:32:38,320

not as exciting as his

942

00:32:42,070 --> 00:32:40,159

that's for sure

943

00:32:43,830 --> 00:32:42,080

well first of all let's give simon wales

944

00:32:47,190 --> 00:32:43,840

a shout out his takeaway from this whole

945

00:32:50,149 --> 00:32:47,200

thing was see eat burgers salad is evil

946

00:32:51,830 --> 00:32:50,159

uh yeah it's his take away from the

947

00:32:54,470 --> 00:32:51,840

story i love it

948

00:32:56,149 --> 00:32:54,480

um but it sounds like your household and

949

00:32:57,590 --> 00:32:56,159

i could be wrong i guess i want to make

950

00:32:58,870 --> 00:32:57,600

this presumption too much here but it

951
00:33:00,710 --> 00:32:58,880
sounds like your household might have a

952
00:33:02,230 --> 00:33:00,720
little more open to the discussion than

953
00:33:04,149 --> 00:33:02,240
perhaps what you were dealing with gary

954
00:33:05,750 --> 00:33:04,159
where people your family was at least

955
00:33:07,750 --> 00:33:05,760
talking about

956
00:33:09,830 --> 00:33:07,760
the experiences your brother was having

957
00:33:12,630 --> 00:33:09,840
oh jojo bone thank you so much for that

958
00:33:13,990 --> 00:33:12,640
amazing super chat we love you brother

959
00:33:17,509 --> 00:33:14,000
jojo bone

960
00:33:20,230 --> 00:33:18,789
i love it

961
00:33:21,029 --> 00:33:20,240
um

962
00:33:22,950 --> 00:33:21,039
so

963
00:33:24,870 --> 00:33:22,960

you at the time

964

00:33:26,310 --> 00:33:24,880

we're having some that was the question

965

00:33:28,070 --> 00:33:26,320

i have for you what was the movie did

966

00:33:29,590 --> 00:33:28,080

you say was it one of the alien movies

967

00:33:32,710 --> 00:33:29,600

or was it

968

00:33:34,549 --> 00:33:32,720

it was an alien move not not the alien

969

00:33:38,230 --> 00:33:34,559

series it was

970

00:33:40,470 --> 00:33:38,240

i think it's a lifetime movie

971

00:33:43,269 --> 00:33:40,480

and it's with candace

972

00:33:45,750 --> 00:33:43,279

burke or the the one

973

00:33:46,789 --> 00:33:45,760

the actress that played uh

974

00:33:48,710 --> 00:33:46,799

dj

975

00:33:49,430 --> 00:33:48,720

on full house

976
00:33:50,549 --> 00:33:49,440
so

977
00:33:54,070 --> 00:33:50,559
candace

978
00:33:56,870 --> 00:33:54,080
is her first name so it was when she was

979
00:33:59,830 --> 00:33:56,880
like a teenager so it was in the early

980
00:34:01,110 --> 00:33:59,840
90s and it pretty sure it was a scary

981
00:34:02,710 --> 00:34:01,120
movie or no because i almost want to

982
00:34:04,549 --> 00:34:02,720
have the chat in the chat know what this

983
00:34:07,590 --> 00:34:04,559
movie is

984
00:34:10,790 --> 00:34:07,600
it's really obscure i don't i haven't

985
00:34:13,430 --> 00:34:10,800
known anyone that's seen it but

986
00:34:15,270 --> 00:34:13,440
um it's like visitors in the night or

987
00:34:18,230 --> 00:34:15,280
something but

988
00:34:20,389 --> 00:34:18,240

what freaked me out was

989

00:34:21,589 --> 00:34:20,399

when so the mom

990

00:34:27,190 --> 00:34:21,599

was

991

00:34:29,030 --> 00:34:27,200

the actress

992

00:34:30,550 --> 00:34:29,040

that was in full house

993

00:34:31,909 --> 00:34:30,560

she

994

00:34:34,310 --> 00:34:31,919

was abducted

995

00:34:37,270 --> 00:34:34,320

and then that when her abduction started

996

00:34:39,669 --> 00:34:37,280

happening and then there was a scene

997

00:34:43,030 --> 00:34:39,679

where the mom was on like the the ship

998

00:34:45,510 --> 00:34:43,040

and then saw the uh aliens and then you

999

00:34:47,109 --> 00:34:45,520

could see like little hybrid babies and

1000

00:34:49,990 --> 00:34:47,119

you know the

1001
00:34:52,389 --> 00:34:50,000
tubes so it's like that's the part that

1002
00:34:54,470 --> 00:34:52,399
scared me of it and

1003
00:34:56,550 --> 00:34:54,480
i was like mom turn it off and she would

1004
00:34:57,990 --> 00:34:56,560
she didn't turn it off so i always give

1005
00:35:01,430 --> 00:34:58,000
her

1006
00:35:02,790 --> 00:35:01,440
visitors okay so it's visitors of

1007
00:35:04,069 --> 00:35:02,800
the night

1008
00:35:06,950 --> 00:35:04,079
and it's from

1009
00:35:08,790 --> 00:35:06,960
95 so i was i'm gonna put that on a list

1010
00:35:13,430 --> 00:35:08,800
visitors of the night yeah i was like

1011
00:35:17,430 --> 00:35:14,790
i love it

1012
00:35:19,190 --> 00:35:17,440
um okay so you had this experience and

1013
00:35:20,550 --> 00:35:19,200

you hit on something in it and that i

1014

00:35:21,349 --> 00:35:20,560

want to see when this happened because i

1015

00:35:23,270 --> 00:35:21,359

know you've talked about this in the

1016

00:35:24,790 --> 00:35:23,280

past but i forgot to ask you

1017

00:35:26,069 --> 00:35:24,800

because we know that you both at least

1018

00:35:28,310 --> 00:35:26,079

or at least bri i guess i can't speak

1019

00:35:30,790 --> 00:35:28,320

for you gary have had some past life

1020

00:35:32,550 --> 00:35:30,800

experience work done before was this

1021

00:35:33,589 --> 00:35:32,560

prior to youtube meeting or afterwards

1022

00:35:36,390 --> 00:35:33,599

because if it was afterwards we'll get

1023

00:35:37,910 --> 00:35:36,400

into that a little bit later

1024

00:35:40,069 --> 00:35:37,920

the

1025

00:35:41,270 --> 00:35:40,079

well that happened

1026
00:35:44,069 --> 00:35:41,280
the event

1027
00:35:46,550 --> 00:35:44,079
or with the movie or no the past life

1028
00:35:49,349 --> 00:35:46,560
reading or the past past life yeah past

1029
00:35:50,870 --> 00:35:49,359
life reading um we were together where

1030
00:35:54,150 --> 00:35:50,880
did you go okay

1031
00:35:56,630 --> 00:35:54,160
minneapolis so it was

1032
00:36:00,150 --> 00:35:56,640
six years ago maybe was when we had the

1033
00:36:01,430 --> 00:36:00,160
reading done yeah i would say that well

1034
00:36:03,030 --> 00:36:01,440
then let's do this you mentioned you had

1035
00:36:05,190 --> 00:36:03,040
an experience right before you and gary

1036
00:36:07,349 --> 00:36:05,200
meet so i guess we'll kind of we'll get

1037
00:36:08,790 --> 00:36:07,359
to where you're at with your story wraps

1038
00:36:10,390 --> 00:36:08,800

up to you and gary so what what took

1039

00:36:14,950 --> 00:36:10,400

place for you what was the uh the event

1040

00:36:14,960 --> 00:36:17,990

um

1041

00:36:22,550 --> 00:36:19,589

could you say that again i was looking

1042

00:36:24,310 --> 00:36:22,560

at at the chat so i heard half of it and

1043

00:36:26,710 --> 00:36:24,320

i only have one

1044

00:36:28,310 --> 00:36:26,720

oh i know i forgot about that

1045

00:36:29,910 --> 00:36:28,320

so you were mentioning that you had the

1046

00:36:32,470 --> 00:36:29,920

one event that took place right before

1047

00:36:35,109 --> 00:36:32,480

you and gary met correct yeah yeah

1048

00:36:36,790 --> 00:36:35,119

and what i i apologize maybe i'm having

1049

00:36:37,829 --> 00:36:36,800

i could be having a time lapse myself i

1050

00:36:46,530 --> 00:36:37,839

apologize

1051
00:36:50,950 --> 00:36:48,230

[Music]

1052
00:36:51,829 --> 00:36:50,960

yeah my experience was i was getting

1053
00:36:55,510 --> 00:36:51,839

ready

1054
00:36:57,750 --> 00:36:55,520

in the bathroom by myself and

1055
00:36:58,630 --> 00:36:57,760

sorry i'll be right back readjusting

1056
00:37:00,069 --> 00:36:58,640

okay

1057
00:37:03,910 --> 00:37:00,079

um

1058
00:37:06,630 --> 00:37:03,920

yes his asthma is acting up but

1059
00:37:08,470 --> 00:37:06,640

he's just getting over the flu

1060
00:37:09,450 --> 00:37:08,480

simon says he's not buying it bree was

1061
00:37:12,390 --> 00:37:09,460

dreaming of burgers

1062
00:37:14,550 --> 00:37:12,400

[Laughter]

1063
00:37:17,670 --> 00:37:14,560

okay so you said you were in bed or no

1064

00:37:20,710 --> 00:37:17,680

way i was in the bathroom getting ready

1065

00:37:25,510 --> 00:37:20,720

so i was doing my makeup and out of the

1066

00:37:27,829 --> 00:37:25,520

corner of my eye i saw in the um

1067

00:37:29,910 --> 00:37:27,839

corner of the bathroom where the shampoo

1068

00:37:31,030 --> 00:37:29,920

bottles are

1069

00:37:32,150 --> 00:37:31,040

it

1070

00:37:34,630 --> 00:37:32,160

um

1071

00:37:37,430 --> 00:37:34,640

totally rotated

1072

00:37:38,150 --> 00:37:37,440

so like but it didn't fall down

1073

00:37:39,589 --> 00:37:38,160

so

1074

00:37:43,829 --> 00:37:39,599

it

1075

00:37:46,069 --> 00:37:43,839

yeah because all of a sudden this bot

1076

00:37:49,349 --> 00:37:46,079

you know this bottle

1077

00:37:53,109 --> 00:37:51,750

but it didn't fall so it made this it

1078

00:37:54,550 --> 00:37:53,119

made okay yeah for anybody who might be

1079

00:37:58,310 --> 00:37:54,560

just listening uh bri held up a bottle

1080

00:38:00,550 --> 00:37:58,320

and she made like a basically a 360.

1081

00:38:01,990 --> 00:38:00,560

yeah but it didn't fall down just no

1082

00:38:03,349 --> 00:38:02,000

just decided i'm gonna i'm gonna move

1083

00:38:05,349 --> 00:38:03,359

along here no

1084

00:38:07,190 --> 00:38:05,359

yeah it didn't it

1085

00:38:09,030 --> 00:38:07,200

and so it's like there's no

1086

00:38:10,470 --> 00:38:09,040

windows

1087

00:38:12,870 --> 00:38:10,480

uh the

1088

00:38:15,910 --> 00:38:12,880

rinky-dink little fan

1089

00:38:18,710 --> 00:38:15,920

isn't gonna be powerful enough to

1090

00:38:20,069 --> 00:38:18,720

only affect that one bottle

1091

00:38:22,230 --> 00:38:20,079

and

1092

00:38:23,910 --> 00:38:22,240

you know there's there was a a bottle

1093

00:38:26,630 --> 00:38:23,920

right next to it

1094

00:38:29,270 --> 00:38:26,640

and it wasn't moving it didn't get

1095

00:38:31,030 --> 00:38:29,280

tipped over either but it didn't it

1096

00:38:34,470 --> 00:38:31,040

didn't move either so

1097

00:38:36,630 --> 00:38:34,480

it was one singular thing

1098

00:38:38,630 --> 00:38:36,640

obviously being manipulated and it

1099

00:38:40,710 --> 00:38:38,640

didn't fall down

1100

00:38:42,550 --> 00:38:40,720

yeah i just think those toys the weeble

1101

00:38:46,870 --> 00:38:42,560

wobbles they we will only wobble but

1102

00:38:50,550 --> 00:38:48,950

thank god i'm bald so i'm assuming he

1103

00:38:52,550 --> 00:38:50,560

doesn't have to do a shampoo bottle so

1104

00:38:55,510 --> 00:38:52,560

maybe that's what he's going for

1105

00:38:57,430 --> 00:38:55,520

i think so or that he just doesn't bathe

1106

00:38:58,870 --> 00:38:57,440

either one of them

1107

00:39:00,870 --> 00:38:58,880

i mean you should still probably you

1108

00:39:02,470 --> 00:39:00,880

know get at least a little bit of the

1109

00:39:03,430 --> 00:39:02,480

scrubbing going there even if you are

1110

00:39:04,310 --> 00:39:03,440

bald

1111

00:39:06,390 --> 00:39:04,320

um

1112

00:39:07,750 --> 00:39:06,400

so so this experience took place to you

1113

00:39:09,829 --> 00:39:07,760

did you tell anybody about it or did you

1114

00:39:11,910 --> 00:39:09,839

kind of keep that one yourself as far as

1115

00:39:14,710 --> 00:39:11,920

if you have that experience

1116

00:39:16,230 --> 00:39:14,720

i told my family and that's the thing

1117

00:39:18,390 --> 00:39:16,240

that

1118

00:39:21,829 --> 00:39:18,400

when i was getting ready

1119

00:39:25,430 --> 00:39:21,839

i was messing around on my phone and

1120

00:39:26,470 --> 00:39:25,440

i had a picture of deviled um deviled

1121

00:39:27,190 --> 00:39:26,480

eggs

1122

00:39:29,829 --> 00:39:27,200

that

1123

00:39:32,550 --> 00:39:29,839

but i was editing it and so i was

1124

00:39:35,190 --> 00:39:32,560

putting the little like troll faces on

1125

00:39:37,510 --> 00:39:35,200

but i did like a pentagram with the

1126
00:39:40,470 --> 00:39:37,520
mustard and so

1127
00:39:42,710 --> 00:39:40,480
i was do i was posting it like on

1128
00:39:44,150 --> 00:39:42,720
instagram or something

1129
00:39:45,190 --> 00:39:44,160
before

1130
00:39:46,630 --> 00:39:45,200
the

1131
00:39:47,349 --> 00:39:46,640
bottle

1132
00:39:49,190 --> 00:39:47,359
uh

1133
00:39:52,630 --> 00:39:49,200
moved and so

1134
00:39:54,950 --> 00:39:52,640
i made i told my family that and then my

1135
00:39:57,270 --> 00:39:54,960
older brother is just

1136
00:39:59,990 --> 00:39:57,280
you know like oh well you've got to be

1137
00:40:02,150 --> 00:40:00,000
careful about what you watch and stuff

1138
00:40:03,829 --> 00:40:02,160

and it's my family i grew up jehovah's

1139

00:40:06,069 --> 00:40:03,839

witness so it's

1140

00:40:07,750 --> 00:40:06,079

oh we missed that part very important

1141

00:40:10,069 --> 00:40:07,760

okay that explains what you're doing

1142

00:40:11,670 --> 00:40:10,079

with the this one perhaps i was like

1143

00:40:14,390 --> 00:40:11,680

just tell me talks but that makes more

1144

00:40:16,230 --> 00:40:14,400

sense i guess yeah no i i i don't get

1145

00:40:19,910 --> 00:40:16,240

along very well with with my older

1146

00:40:21,430 --> 00:40:19,920

brother and so i i like to point out to

1147

00:40:23,750 --> 00:40:21,440

my mom i was like

1148

00:40:26,390 --> 00:40:23,760

nothing bad ever happened to me mom

1149

00:40:28,390 --> 00:40:26,400

doesn't that say something

1150

00:40:32,069 --> 00:40:28,400

and so it's like i just i

1151

00:40:33,990 --> 00:40:32,079

i like to rub it in but i also wonder if

1152

00:40:37,109 --> 00:40:34,000

i had

1153

00:40:40,230 --> 00:40:37,119

guardian spirits looking out after me

1154

00:40:42,309 --> 00:40:40,240

because i've you know like i've

1155

00:40:43,270 --> 00:40:42,319

saved my aunt's

1156

00:40:45,910 --> 00:40:43,280

life

1157

00:40:48,150 --> 00:40:45,920

um when i was a teenager and so it's

1158

00:40:49,270 --> 00:40:48,160

like there are so many instances where

1159

00:40:51,349 --> 00:40:49,280

it's like

1160

00:40:52,950 --> 00:40:51,359

i could have been taken away from this

1161

00:40:57,030 --> 00:40:52,960

time but

1162

00:40:59,910 --> 00:40:57,040

it's like we hadn't met yet and so

1163

00:41:02,069 --> 00:40:59,920

you know it's it's weird at how

1164

00:41:05,430 --> 00:41:02,079

and of course he's just a

1165

00:41:07,030 --> 00:41:05,440

a guy that likes danger so he's

1166

00:41:08,790 --> 00:41:07,040

escaped

1167

00:41:10,150 --> 00:41:08,800

close calls

1168

00:41:12,710 --> 00:41:10,160

many

1169

00:41:14,870 --> 00:41:12,720

more times than me

1170

00:41:16,390 --> 00:41:14,880

that happens that'll happen in a life of

1171

00:41:18,470 --> 00:41:16,400

adventure right

1172

00:41:20,630 --> 00:41:18,480

uh it does

1173

00:41:22,870 --> 00:41:20,640

so okay so let's do this then so in

1174

00:41:24,069 --> 00:41:22,880

capping that off a little bit you you

1175

00:41:25,349 --> 00:41:24,079

had this thank you very much for the

1176

00:41:27,270 --> 00:41:25,359

heart over there on facebook we ever

1177

00:41:29,270 --> 00:41:27,280

gave that love we thank you thank you so

1178

00:41:31,109 --> 00:41:29,280

much if you feel free you can hop into

1179

00:41:32,630 --> 00:41:31,119

the uh

1180

00:41:34,069 --> 00:41:32,640

the youtube side of things that's

1181

00:41:35,510 --> 00:41:34,079

everybody's hanging out and chatting or

1182

00:41:36,710 --> 00:41:35,520

you can feel free to send your messages

1183

00:41:38,470 --> 00:41:36,720

and i'll do my best to get them up there

1184

00:41:40,630 --> 00:41:38,480

for you so

1185

00:41:43,910 --> 00:41:40,640

you at this time then have had these

1186

00:41:45,750 --> 00:41:43,920

experiences and coming back to you gary

1187

00:41:47,750 --> 00:41:45,760

were you um

1188

00:41:48,950 --> 00:41:47,760

i guess you said mid-90s things are kind

1189

00:41:50,550 --> 00:41:48,960

of wrapping up so

1190

00:41:51,829 --> 00:41:50,560

you moved out i'm guessing at some point

1191

00:41:54,630 --> 00:41:51,839

you went out and got your own place or

1192

00:41:57,349 --> 00:41:54,640

something of that nature and did things

1193

00:41:59,030 --> 00:41:57,359

again continue to follow you

1194

00:42:01,109 --> 00:41:59,040

yeah we

1195

00:42:04,870 --> 00:42:01,119

i mean so yeah you should tell when you

1196

00:42:06,870 --> 00:42:04,880

were a kid what's that the doctors

1197

00:42:08,550 --> 00:42:06,880

oh yeah we were talking about that too

1198

00:42:11,750 --> 00:42:08,560

yeah for sure

1199

00:42:14,630 --> 00:42:11,760

yeah so yeah so that's still in the

1200

00:42:17,750 --> 00:42:14,640

mojave desert in the 90s

1201
00:42:19,750 --> 00:42:17,760
yeah that ties into the dreams too

1202
00:42:21,670 --> 00:42:19,760
because that was the the reoccurring

1203
00:42:23,270 --> 00:42:21,680
dreams was always

1204
00:42:25,270 --> 00:42:23,280
it was very

1205
00:42:28,150 --> 00:42:25,280
it's very hard to describe

1206
00:42:32,069 --> 00:42:28,160
but it was very much like tron almost

1207
00:42:34,069 --> 00:42:32,079
like circuit boardy very bright lighty

1208
00:42:36,150 --> 00:42:34,079
very weird and so it was always this

1209
00:42:38,870 --> 00:42:36,160
dream where i was getting pulled into

1210
00:42:40,550 --> 00:42:38,880
this like like tron in the original tron

1211
00:42:41,829 --> 00:42:40,560
when they're driving those tank things

1212
00:42:43,750 --> 00:42:41,839
down that

1213
00:42:45,990 --> 00:42:43,760

wall you're down through the

1214

00:42:46,790 --> 00:42:46,000

maze or whatever it is

1215

00:42:51,990 --> 00:42:46,800

and

1216

00:42:53,829 --> 00:42:52,000

very very like circuitry looking

1217

00:42:55,349 --> 00:42:53,839

weirdness and i just remember floating

1218

00:42:58,309 --> 00:42:55,359

through that and that's always been my

1219

00:43:01,030 --> 00:42:58,319

reoccurring dream like floating standing

1220

00:43:03,430 --> 00:43:01,040

up or on your back floating like laying

1221

00:43:05,670 --> 00:43:03,440

down well it's more of i i don't know

1222

00:43:07,910 --> 00:43:05,680

okay just floating it was like all

1223

00:43:09,990 --> 00:43:07,920

around you so it was really hard to tell

1224

00:43:11,589 --> 00:43:10,000

and it was like yeah the the borg the

1225

00:43:12,950 --> 00:43:11,599

grid thing

1226

00:43:15,190 --> 00:43:12,960

and uh

1227

00:43:16,870 --> 00:43:15,200

it was uh

1228

00:43:19,030 --> 00:43:16,880

it was very weird instrument but it

1229

00:43:20,309 --> 00:43:19,040

would always wake up freaked out and it

1230

00:43:21,829 --> 00:43:20,319

would always be

1231

00:43:23,990 --> 00:43:21,839

whatever and i would still like every

1232

00:43:25,670 --> 00:43:24,000

once in a while i still have that dream

1233

00:43:26,710 --> 00:43:25,680

and it's still just weird it creeps me

1234

00:43:30,069 --> 00:43:26,720

out i wake up in the morning and i'm

1235

00:43:34,069 --> 00:43:32,069

but so

1236

00:43:36,230 --> 00:43:34,079

i'd always get these dreams and then one

1237

00:43:38,710 --> 00:43:36,240

night i had the dream and then i started

1238

00:43:41,510 --> 00:43:38,720

having a really bad headache

1239

00:43:44,150 --> 00:43:41,520

and it just wouldn't go away and so

1240

00:43:45,990 --> 00:43:44,160

finally we went into the doctor's office

1241

00:43:47,910 --> 00:43:46,000

and they went in and they did a little

1242

00:43:50,309 --> 00:43:47,920

x-ray and they were like there there's

1243

00:43:52,069 --> 00:43:50,319

something in your in your head like

1244

00:43:53,829 --> 00:43:52,079

right up in here

1245

00:43:54,950 --> 00:43:53,839

and they brought you down yep and they

1246

00:43:56,309 --> 00:43:54,960

were like well we can get it you know

1247

00:43:57,510 --> 00:43:56,319

they just stuck some needle nose or

1248

00:43:59,510 --> 00:43:57,520

something

1249

00:44:00,870 --> 00:43:59,520

yeah up in the cavity yeah

1250

00:44:02,790 --> 00:44:00,880

and uh

1251
00:44:06,150 --> 00:44:02,800
they reached up there

1252
00:44:09,270 --> 00:44:06,160
and basically pulled out what looked

1253
00:44:11,030 --> 00:44:09,280
like a weird gold bead

1254
00:44:14,550 --> 00:44:11,040
but it was

1255
00:44:16,870 --> 00:44:14,560
it was really textured not like just

1256
00:44:19,670 --> 00:44:16,880
smooth it was like

1257
00:44:21,430 --> 00:44:19,680
all over it was kind of like

1258
00:44:23,750 --> 00:44:21,440
see you know what i'm talking about

1259
00:44:26,470 --> 00:44:23,760
thing that like an exo

1260
00:44:27,349 --> 00:44:26,480
like a little barrier was it like a

1261
00:44:28,710 --> 00:44:27,359
little

1262
00:44:29,750 --> 00:44:28,720
because the

1263
00:44:32,710 --> 00:44:29,760

other

1264

00:44:35,190 --> 00:44:32,720

implants i've looked at have

1265

00:44:38,550 --> 00:44:35,200

had like a

1266

00:44:39,990 --> 00:44:38,560

like a little like a layer around

1267

00:44:40,790 --> 00:44:40,000

hmm

1268

00:44:43,990 --> 00:44:40,800

you know

1269

00:44:46,230 --> 00:44:44,000

obviously the we all know mr terry

1270

00:44:48,230 --> 00:44:46,240

lovelace uh great guy who's done amazing

1271

00:44:49,829 --> 00:44:48,240

work with experiences within ufology but

1272

00:44:51,349 --> 00:44:49,839

so terry lovelace wrote in one of his

1273

00:44:54,069 --> 00:44:51,359

books one of the common denominators

1274

00:44:56,069 --> 00:44:54,079

with experiencers is recurring dreams

1275

00:44:59,510 --> 00:44:56,079

so for sure as far as that happening and

1276

00:45:01,990 --> 00:44:59,520

then but you actually having

1277

00:45:03,829 --> 00:45:02,000

i mean did so what did they have like an

1278

00:45:06,470 --> 00:45:03,839

idea like what what even caused them to

1279

00:45:08,069 --> 00:45:06,480

realize hey you have something in here

1280

00:45:09,829 --> 00:45:08,079

they just i guess they were feeling

1281

00:45:11,430 --> 00:45:09,839

around maybe but i just kept saying it

1282

00:45:13,510 --> 00:45:11,440

was like it was a pain and it was like

1283

00:45:15,510 --> 00:45:13,520

right here all the time

1284

00:45:17,829 --> 00:45:15,520

and so they just i guess they probably

1285

00:45:19,030 --> 00:45:17,839

felt something and i was like six or

1286

00:45:22,710 --> 00:45:19,040

seven

1287

00:45:25,109 --> 00:45:22,720

and oh wow they it looked like that

1288

00:45:26,630 --> 00:45:25,119

ball that will bought our old roommate

1289

00:45:30,230 --> 00:45:26,640

and it was this but it looks kind of

1290

00:45:31,109 --> 00:45:30,240

like it's almost like um it reminds me

1291

00:45:35,510 --> 00:45:31,119

of

1292

00:45:37,349 --> 00:45:35,520

the earring like the the

1293

00:45:40,150 --> 00:45:37,359

oh i forgot what kind of earring it is

1294

00:45:40,950 --> 00:45:40,160

but it's like a a hoop and then it's a a

1295

00:45:43,750 --> 00:45:40,960

ball

1296

00:45:45,270 --> 00:45:43,760

like a uh steel

1297

00:45:46,230 --> 00:45:45,280

that has a piece that hangs in the

1298

00:45:50,470 --> 00:45:46,240

center

1299

00:45:51,510 --> 00:45:50,480

it's like that silver you know like a

1300

00:45:52,550 --> 00:45:51,520

silver

1301
00:45:54,150 --> 00:45:52,560
bead

1302
00:45:55,349 --> 00:45:54,160
like a

1303
00:45:57,670 --> 00:45:55,359
little bibi

1304
00:45:59,750 --> 00:45:57,680
it looked just like the ball from

1305
00:46:02,069 --> 00:45:59,760
guardians of the galaxy is the best way

1306
00:46:03,589 --> 00:46:02,079
to describe if people don't know okay

1307
00:46:04,870 --> 00:46:03,599
really small

1308
00:46:07,990 --> 00:46:04,880
i mean not small but it was like the

1309
00:46:09,829 --> 00:46:08,000
size of weed right and they took it out

1310
00:46:11,270 --> 00:46:09,839
and it was they put in a little glass

1311
00:46:13,430 --> 00:46:11,280
thing and they said

1312
00:46:15,109 --> 00:46:13,440
oh that just looks like a bead from your

1313
00:46:16,630 --> 00:46:15,119

like your sister's kit she was probably

1314

00:46:19,270 --> 00:46:16,640

making beads you were sleeping and she

1315

00:46:20,870 --> 00:46:19,280

jammed it up your nose over your nose

1316

00:46:22,390 --> 00:46:20,880

off they went with it

1317

00:46:23,910 --> 00:46:22,400

and they never even got to see it they

1318

00:46:26,390 --> 00:46:23,920

just took it right out of there and we

1319

00:46:27,349 --> 00:46:26,400

never were like well that was weird

1320

00:46:29,430 --> 00:46:27,359

so

1321

00:46:30,950 --> 00:46:29,440

that was the one of the weird ones

1322

00:46:33,670 --> 00:46:30,960

yeah no kidding

1323

00:46:36,390 --> 00:46:33,680

it's like yeah you would feel it if your

1324

00:46:38,950 --> 00:46:36,400

sister who is younger

1325

00:46:41,109 --> 00:46:38,960

than you at that point like if she's a

1326

00:46:43,270 --> 00:46:41,119

toddler no they're not like

1327

00:46:46,069 --> 00:46:43,280

she wouldn't have like the strength to

1328

00:46:47,589 --> 00:46:46,079

get something up like right or would she

1329

00:46:48,550 --> 00:46:47,599

use like a chopstick to get it all the

1330

00:46:50,790 --> 00:46:48,560

way up there

1331

00:46:52,150 --> 00:46:50,800

dude i'm telling you i have a toddler

1332

00:46:53,430 --> 00:46:52,160

kind of almost two but for sure one of

1333

00:46:54,390 --> 00:46:53,440

them upstairs and they are the least

1334

00:46:55,990 --> 00:46:54,400

gentle

1335

00:46:57,750 --> 00:46:56,000

creatures and beings on earth they can

1336

00:46:59,430 --> 00:46:57,760

be so nice as they approach but that

1337

00:47:01,030 --> 00:46:59,440

final descent

1338

00:47:01,990 --> 00:47:01,040

between the touching of the face is just

1339

00:47:03,910 --> 00:47:02,000

like

1340

00:47:05,349 --> 00:47:03,920

all air that they had is gone and

1341

00:47:07,430 --> 00:47:05,359

they're just bam they've impacted

1342

00:47:09,270 --> 00:47:07,440

whatever they're about to touch

1343

00:47:12,470 --> 00:47:09,280

ben brings a good point he says silver

1344

00:47:14,230 --> 00:47:12,480

slash gold balls are archetypes

1345

00:47:16,550 --> 00:47:14,240

so

1346

00:47:18,950 --> 00:47:16,560

i mean i and ben you might know more

1347

00:47:20,710 --> 00:47:18,960

about this but i i'm correct if i'm

1348

00:47:22,630 --> 00:47:20,720

wrong i cannot for the life of me

1349

00:47:24,309 --> 00:47:22,640

remember that um

1350

00:47:26,309 --> 00:47:24,319

he's passed on now but there was a there

1351

00:47:28,549 --> 00:47:26,319

was a late doctor who did amazing work

1352

00:47:29,990 --> 00:47:28,559

in this area with people experiences who

1353

00:47:31,990 --> 00:47:30,000

had had

1354

00:47:34,390 --> 00:47:32,000

these implants and i know that he had

1355

00:47:35,589 --> 00:47:34,400

more than one that had an implant um in

1356

00:47:41,750 --> 00:47:35,599

the nose

1357

00:47:47,990 --> 00:47:44,390

like maybe two months ago

1358

00:47:52,069 --> 00:47:48,000

about the doctor who uh would uh remove

1359

00:47:53,270 --> 00:47:52,079

the implants from patients

1360

00:47:54,950 --> 00:47:53,280

very true

1361

00:47:57,829 --> 00:47:54,960

oh some of us in the chat are going to

1362

00:47:59,270 --> 00:47:57,839

get this one uh wes h says how about big

1363

00:48:01,510 --> 00:47:59,280

stones

1364

00:48:09,589 --> 00:48:01,520

some coins

1365

00:48:11,670 --> 00:48:10,309

so

1366

00:48:13,990 --> 00:48:11,680

with that happening though i'm guessing

1367

00:48:16,069 --> 00:48:14,000

your parents just wrote this off as like

1368

00:48:18,790 --> 00:48:16,079

well i guess whatever was the bead yep

1369

00:48:20,390 --> 00:48:18,800

but these these you know these these uh

1370

00:48:23,109 --> 00:48:20,400

dreams kept continuing for you beyond

1371

00:48:25,030 --> 00:48:23,119

this point right yeah oh yeah

1372

00:48:29,109 --> 00:48:25,040

i love it i love it and then the way the

1373

00:48:33,109 --> 00:48:30,790

you gotta tell them about what you have

1374

00:48:34,470 --> 00:48:33,119

still so yeah and then

1375

00:48:35,670 --> 00:48:34,480

start stuff started happening and then

1376

00:48:38,150 --> 00:48:35,680

it was about

1377

00:48:41,670 --> 00:48:38,160

oh 2 000

1378

00:48:45,190 --> 00:48:44,390

sorry oh you're good and uh

1379

00:48:46,829 --> 00:48:45,200

we

1380

00:48:49,270 --> 00:48:46,839

i was living in this

1381

00:48:51,750 --> 00:48:49,280

weird flop house with a bunch say i used

1382

00:48:54,309 --> 00:48:51,760

to be a bike mechanic bicycles

1383

00:48:56,150 --> 00:48:54,319

and i was a partier and we you know i

1384

00:48:58,710 --> 00:48:56,160

was bmx kid my whole life i was

1385

00:49:01,190 --> 00:48:58,720

skateboarding i was snowboarding skiing

1386

00:49:03,109 --> 00:49:01,200

anything with the board fast and you got

1387

00:49:04,870 --> 00:49:03,119

hurt that was what i did

1388

00:49:06,630 --> 00:49:04,880

you know i love it

1389

00:49:08,069 --> 00:49:06,640

we were jackass before jackass was

1390

00:49:09,430 --> 00:49:08,079

around right

1391

00:49:10,470 --> 00:49:09,440

and uh

1392

00:49:12,630 --> 00:49:10,480

so

1393

00:49:14,630 --> 00:49:12,640

we did a bunch of stuff and but one

1394

00:49:17,190 --> 00:49:14,640

night i was all drunk and

1395

00:49:19,589 --> 00:49:17,200

we had this bizarre and that's a whole

1396

00:49:21,990 --> 00:49:19,599

other thing too is with this bizarre

1397

00:49:23,990 --> 00:49:22,000

duplex up in north minneapolis it was

1398

00:49:26,630 --> 00:49:24,000

about three blocks away from where

1399

00:49:28,829 --> 00:49:26,640

prince was the prince house from purple

1400

00:49:30,390 --> 00:49:28,839

rain

1401

00:49:33,670 --> 00:49:30,400

and

1402

00:49:35,589 --> 00:49:33,680

we found there was like a hidden away

1403

00:49:37,109 --> 00:49:35,599

apartment at it that was all locked

1404

00:49:39,349 --> 00:49:37,119

behind this one door

1405

00:49:41,589 --> 00:49:39,359

and i can get doors unlocked so i got it

1406

00:49:42,549 --> 00:49:41,599

unlocked and we went up there

1407

00:49:45,430 --> 00:49:42,559

and

1408

00:49:47,589 --> 00:49:45,440

it was the freakiest build it was

1409

00:49:50,630 --> 00:49:47,599

half a three-quarters

1410

00:49:52,150 --> 00:49:50,640

abandon or unfinished attic with this

1411

00:49:53,990 --> 00:49:52,160

weird

1412

00:49:56,790 --> 00:49:54,000

room built into the side that they

1413

00:49:58,309 --> 00:49:56,800

rented out back in had to be the 90s

1414

00:50:00,309 --> 00:49:58,319

because of the posters that were still

1415

00:50:01,670 --> 00:50:00,319

hanging on the damn wall

1416

00:50:03,910 --> 00:50:01,680

we had like a

1417

00:50:04,710 --> 00:50:03,920

tool animus poster right when it came

1418

00:50:07,349 --> 00:50:04,720

out

1419

00:50:09,750 --> 00:50:07,359

and all these other 90s posters and this

1420

00:50:11,589 --> 00:50:09,760

really nasty bed and it was creepy and

1421

00:50:13,430 --> 00:50:11,599

then the other part of the house

1422

00:50:15,829 --> 00:50:13,440

there were ropes hanging

1423

00:50:17,829 --> 00:50:15,839

and somebody had like a fake like

1424

00:50:19,589 --> 00:50:17,839

pull-up thing that they built for the

1425

00:50:21,270 --> 00:50:19,599

pulling up and then like a weight bench

1426

00:50:25,349 --> 00:50:21,280

up there so we were joking around it was

1427

00:50:28,549 --> 00:50:27,750

but so i'm all drunk one night and we go

1428

00:50:30,309 --> 00:50:28,559

and

1429

00:50:32,710 --> 00:50:30,319

i remember

1430

00:50:33,829 --> 00:50:32,720

i fell down this or i think i fell down

1431

00:50:35,910 --> 00:50:33,839

the stairs

1432

00:50:37,670 --> 00:50:35,920

coming down like three or four stairs

1433

00:50:38,790 --> 00:50:37,680

just blah blah blah

1434

00:50:41,109 --> 00:50:38,800

but then

1435

00:50:43,430 --> 00:50:41,119

you know a couple weeks later

1436

00:50:44,069 --> 00:50:43,440

i well a little while after that i had

1437

00:50:45,270 --> 00:50:44,079

the

1438

00:50:46,309 --> 00:50:45,280

weird dream

1439

00:50:49,270 --> 00:50:46,319

and then

1440

00:50:50,549 --> 00:50:49,280

i started having a pain in my arm

1441

00:50:56,870 --> 00:50:50,559

and

1442

00:50:58,150 --> 00:50:56,880

i've never had that lump in my arm

1443

00:51:00,390 --> 00:50:58,160

before

1444

00:51:02,710 --> 00:51:00,400

what the hell is this

1445

00:51:04,390 --> 00:51:02,720

and that's still there it's i don't know

1446

00:51:05,750 --> 00:51:04,400

if you can see it on

1447

00:51:07,270 --> 00:51:05,760

camera let me make it yeah let's say

1448

00:51:09,270 --> 00:51:07,280

i'll try to make it a little bigger here

1449

00:51:11,750 --> 00:51:09,280

let me do this oops whatever says it

1450

00:51:13,430 --> 00:51:11,760

backwards for us

1451
00:51:15,270 --> 00:51:13,440
but i don't think we can get the texture

1452
00:51:17,589 --> 00:51:15,280
in the way to look right but you're too

1453
00:51:19,349 --> 00:51:17,599
pale you're blinded fire if there's a

1454
00:51:25,190 --> 00:51:19,359
lump you can do it right there no i i

1455
00:51:29,589 --> 00:51:27,190
go ahead so at first i was like oh it's

1456
00:51:31,910 --> 00:51:29,599
like i i messed up my bone

1457
00:51:34,150 --> 00:51:31,920
you know like it was some bone spur like

1458
00:51:35,910 --> 00:51:34,160
cracked my arm or something

1459
00:51:38,309 --> 00:51:35,920
and like i've broken bones before and

1460
00:51:40,549 --> 00:51:38,319
went for days without even noticing

1461
00:51:41,589 --> 00:51:40,559
i broke my hand i broke my hand at work

1462
00:51:43,510 --> 00:51:41,599
one day

1463
00:51:45,589 --> 00:51:43,520

and i still finished my whole day at

1464

00:51:47,270 --> 00:51:45,599

work and then i came into work the next

1465

00:51:48,309 --> 00:51:47,280

day with my hand looking like mickey

1466

00:51:54,309 --> 00:51:48,319

mouse

1467

00:51:56,790 --> 00:51:55,589

and i was like all right so i went to

1468

00:51:58,630 --> 00:51:56,800

the hospital and they're like yeah you

1469

00:52:00,309 --> 00:51:58,640

fractured your hand like finger all the

1470

00:52:02,390 --> 00:52:00,319

way down there

1471

00:52:04,390 --> 00:52:02,400

and uh but

1472

00:52:06,150 --> 00:52:04,400

so i was like it's some weird bump in my

1473

00:52:07,750 --> 00:52:06,160

arm and i'm like but then i start

1474

00:52:08,790 --> 00:52:07,760

noticing

1475

00:52:12,150 --> 00:52:08,800

that

1476

00:52:14,549 --> 00:52:12,160

it's not really attached to the arm

1477

00:52:15,190 --> 00:52:14,559

to the bone like if i grab it and i move

1478

00:52:23,109 --> 00:52:15,200

it

1479

00:52:24,309 --> 00:52:23,119

you know what's so hard about two like

1480

00:52:25,510 --> 00:52:24,319

brown dot plots so you're gonna face it

1481

00:52:26,470 --> 00:52:25,520

like oh my gosh

1482

00:52:27,910 --> 00:52:26,480

i know

1483

00:52:30,069 --> 00:52:27,920

oh go ahead

1484

00:52:31,910 --> 00:52:30,079

no and just that's the same i'm

1485

00:52:34,069 --> 00:52:31,920

squirmish to some things like i don't

1486

00:52:35,430 --> 00:52:34,079

like blood and

1487

00:52:36,790 --> 00:52:35,440

bodily

1488

00:52:38,390 --> 00:52:36,800

stuff

1489

00:52:39,430 --> 00:52:38,400

so it's

1490

00:52:41,910 --> 00:52:39,440

like because

1491

00:52:43,670 --> 00:52:41,920

you can feel it where it's

1492

00:52:46,390 --> 00:52:43,680

you know it's

1493

00:52:49,270 --> 00:52:46,400

it's not something protruding

1494

00:52:51,190 --> 00:52:49,280

right where it's like you can

1495

00:52:52,950 --> 00:52:51,200

tell that you can

1496

00:52:55,430 --> 00:52:52,960

you know manipulate

1497

00:52:56,710 --> 00:52:55,440

the area a little bit so it it moves a

1498

00:52:58,470 --> 00:52:56,720

little bit

1499

00:53:00,390 --> 00:52:58,480

what's crazy too about it is you know

1500

00:53:02,069 --> 00:53:00,400

how hard a time terry lovelace had

1501
00:53:04,309 --> 00:53:02,079
people come out to even look what was in

1502
00:53:05,910 --> 00:53:04,319
his leg right so even if you go into

1503
00:53:07,670 --> 00:53:05,920
somebody and you're like please look at

1504
00:53:10,069 --> 00:53:07,680
this they're like well is it affecting

1505
00:53:11,750 --> 00:53:10,079
you is it hurting your daily life and if

1506
00:53:12,870 --> 00:53:11,760
it's not

1507
00:53:14,470 --> 00:53:12,880
right i mean i don't know i guess i

1508
00:53:15,910 --> 00:53:14,480
should ask you have you asked anybody

1509
00:53:17,510 --> 00:53:15,920
about that

1510
00:53:19,349 --> 00:53:17,520
the one time i asked at the doctor's

1511
00:53:21,349 --> 00:53:19,359
office they just felt it went

1512
00:53:23,510 --> 00:53:21,359
does it hurt or does it bother you and

1513
00:53:25,190 --> 00:53:23,520

i'm like no just like that and i said

1514

00:53:28,069 --> 00:53:25,200

well that's probably nothing you know if

1515

00:53:29,829 --> 00:53:28,079

it starts to hurt really bad then we

1516

00:53:32,150 --> 00:53:29,839

might you know take a look at it it

1517

00:53:34,309 --> 00:53:32,160

might be you know cancer or something

1518

00:53:36,630 --> 00:53:34,319

you know but yeah no they're like yeah

1519

00:53:38,630 --> 00:53:36,640

it really doesn't feel like anything so

1520

00:53:40,150 --> 00:53:38,640

they just leave it alone

1521

00:53:42,150 --> 00:53:40,160

so it sounds like if you are an

1522

00:53:43,589 --> 00:53:42,160

experiencer out there perhaps and if you

1523

00:53:47,030 --> 00:53:43,599

have what you could perceive could

1524

00:53:48,390 --> 00:53:47,040

possibly be some sort of i love it

1525

00:53:49,510 --> 00:53:48,400

if you possibly have something that

1526

00:53:50,950 --> 00:53:49,520

could be

1527

00:53:53,589 --> 00:53:50,960

an implant you just need to tell them

1528

00:54:00,069 --> 00:53:53,599

like it's causing me so much pain this

1529

00:54:04,309 --> 00:54:02,470

i'm surprised you and our old roommate

1530

00:54:06,470 --> 00:54:04,319

when we were still drinking that you

1531

00:54:08,829 --> 00:54:06,480

guys didn't do

1532

00:54:11,829 --> 00:54:08,839

you know your

1533

00:54:15,030 --> 00:54:11,839

diy removal no

1534

00:54:16,630 --> 00:54:15,040

i'm not cutting that deep into my arm

1535

00:54:18,870 --> 00:54:16,640

i let him take out my stitches and that

1536

00:54:21,670 --> 00:54:18,880

was it that's why

1537

00:54:24,309 --> 00:54:21,680

there is yeah

1538

00:54:26,390 --> 00:54:24,319

yeah a lot of times so let's talk about

1539

00:54:28,630 --> 00:54:26,400

all jojo bone you're so amazing just

1540

00:54:34,549 --> 00:54:28,640

rolling a doobie in a van down by the

1541

00:54:38,630 --> 00:54:35,829

you know honestly guys we can't put this

1542

00:54:40,150 --> 00:54:38,640

past jojo he might really be in a van

1543

00:54:41,990 --> 00:54:40,160

down by the river right now just

1544

00:54:44,150 --> 00:54:42,000

enjoying the night sky

1545

00:54:46,069 --> 00:54:44,160

rolling it rolling a doobie what kind of

1546

00:54:48,710 --> 00:54:46,079

van is it

1547

00:54:52,309 --> 00:54:48,720

it's kind of deep

1548

00:54:55,910 --> 00:54:52,319

it's multiple questions jojo you know

1549

00:55:00,710 --> 00:54:58,789

so when this took place then you you at

1550

00:55:01,670 --> 00:55:00,720

this time you're living in this uh is

1551
00:55:03,270 --> 00:55:01,680
this the place where you started to have

1552
00:55:04,870 --> 00:55:03,280
some pretty interesting experiences as

1553
00:55:08,230 --> 00:55:04,880
well with your roommate is that the same

1554
00:55:11,430 --> 00:55:08,240
location that was after we met

1555
00:55:13,270 --> 00:55:11,440
oh that was the the place that

1556
00:55:15,190 --> 00:55:13,280
you were talking about

1557
00:55:17,750 --> 00:55:15,200
with the crazy apartment upstairs that

1558
00:55:19,430 --> 00:55:17,760
was before we had met not just that was

1559
00:55:22,309 --> 00:55:19,440
when we met that was the place that i

1560
00:55:25,990 --> 00:55:22,319
was living when we met right but

1561
00:55:28,470 --> 00:55:26,000
when you went in for the doctor

1562
00:55:31,349 --> 00:55:28,480
i thought you saw that or was it one

1563
00:55:34,549 --> 00:55:31,359

accident the about my bump my arm yeah

1564

00:55:36,950 --> 00:55:34,559

that was just a couple years ago it was

1565

00:55:38,950 --> 00:55:36,960

like yeah three four years ago

1566

00:55:41,109 --> 00:55:38,960

so let's do that let's head on when you

1567

00:55:42,309 --> 00:55:41,119

guys met why where and how you know if

1568

00:55:44,069 --> 00:55:42,319

you guys are okay sharing that a quick

1569

00:55:46,549 --> 00:55:44,079

synopsis of like where and how you guys

1570

00:55:49,670 --> 00:55:46,559

met how did that process even happen

1571

00:55:53,829 --> 00:55:49,680

yeah so it's odd or

1572

00:55:56,789 --> 00:55:53,839

um not odd nowadays but we met on tinder

1573

00:55:58,549 --> 00:55:56,799

about yeah yeah seven years ago our

1574

00:56:00,309 --> 00:55:58,559

anniversary is

1575

00:56:02,309 --> 00:56:00,319

on the 15th

1576

00:56:05,349 --> 00:56:02,319

oh happy early anniversary guys thank

1577

00:56:06,789 --> 00:56:05,359

you congrats yeah it'll be seven

1578

00:56:08,630 --> 00:56:06,799

seven years

1579

00:56:11,270 --> 00:56:08,640

then

1580

00:56:15,190 --> 00:56:11,280

um so i

1581

00:56:18,150 --> 00:56:15,200

was his first match that he

1582

00:56:19,510 --> 00:56:18,160

talked because someone suggested someone

1583

00:56:21,829 --> 00:56:19,520

forced him

1584

00:56:24,789 --> 00:56:21,839

you know to to try

1585

00:56:27,190 --> 00:56:24,799

tinder and so he

1586

00:56:28,710 --> 00:56:27,200

you were my first match of all

1587

00:56:30,630 --> 00:56:28,720

that yeah that's what i said

1588

00:56:32,230 --> 00:56:30,640

was your first match that was the first

1589

00:56:34,069 --> 00:56:32,240

one done you know what it's too

1590

00:56:35,829 --> 00:56:34,079

complicated just one that's all i need

1591

00:56:38,870 --> 00:56:35,839

that's

1592

00:56:40,950 --> 00:56:38,880

another

1593

00:56:41,829 --> 00:56:40,960

interesting

1594

00:56:44,390 --> 00:56:41,839

thing

1595

00:56:45,829 --> 00:56:44,400

true true because most people anymore my

1596

00:56:48,309 --> 00:56:45,839

gosh with the internet there's so many

1597

00:56:49,510 --> 00:56:48,319

options for anything like shopping like

1598

00:56:50,950 --> 00:56:49,520

it used to be just going to buy you a

1599

00:56:53,270 --> 00:56:50,960

bowl and they're like but now what color

1600

00:56:54,870 --> 00:56:53,280

bowl what shapeable what tavis what

1601
00:56:57,430 --> 00:56:54,880
shall it be made of and there's just so

1602
00:56:59,190 --> 00:56:57,440
many options that sometimes i'm like

1603
00:57:01,430 --> 00:56:59,200
i almost wish i had i don't know maybe i

1604
00:57:03,190 --> 00:57:01,440
don't wish i had less options but

1605
00:57:04,710 --> 00:57:03,200
i have found that too many options

1606
00:57:06,150 --> 00:57:04,720
sometimes

1607
00:57:07,829 --> 00:57:06,160
slows me down a little bit at least for

1608
00:57:08,950 --> 00:57:07,839
me the type of personality i am i can

1609
00:57:10,630 --> 00:57:08,960
see what it looks like in this color now

1610
00:57:11,349 --> 00:57:10,640
i gotta see what it looks like

1611
00:57:14,390 --> 00:57:11,359
so

1612
00:57:15,829 --> 00:57:14,400
uh jojo bone says blue van by the way oh

1613
00:57:17,349 --> 00:57:15,839

mr crowley thank you so much for that

1614

00:57:18,549 --> 00:57:17,359

incredible super chat we we love that

1615

00:57:21,349 --> 00:57:18,559

brother thank you

1616

00:57:23,829 --> 00:57:21,359

uh lou all right excuse me yeah lou bw

1617

00:57:26,470 --> 00:57:23,839

and liz and dave lou is or liz is

1618

00:57:30,309 --> 00:57:26,480

awesome thank you for that oh i'm so

1619

00:57:32,150 --> 00:57:30,319

special bw's big willy isn't it i didn't

1620

00:57:34,069 --> 00:57:32,160

i didn't even understand the acronym i'm

1621

00:57:35,349 --> 00:57:34,079

sorry mr crowley thank you for being

1622

00:57:37,030 --> 00:57:35,359

here tonight

1623

00:57:38,630 --> 00:57:37,040

um yes

1624

00:57:40,710 --> 00:57:38,640

madrid haska thank you for being here

1625

00:57:43,030 --> 00:57:40,720

tonight uh you are also multitasking

1626
00:57:45,829 --> 00:57:43,040
that is good we appreciate that

1627
00:57:47,589 --> 00:57:45,839
so you guys met you you go out and you

1628
00:57:50,069 --> 00:57:47,599
have your date and then you end up

1629
00:57:52,230 --> 00:57:50,079
moving in together it sounds like

1630
00:57:54,309 --> 00:57:52,240
what what happened then did you notice

1631
00:57:57,829 --> 00:57:54,319
brie an uptick in the activity of say

1632
00:57:59,829 --> 00:57:58,789
yeah

1633
00:58:00,789 --> 00:57:59,839
um

1634
00:58:03,109 --> 00:58:00,799
and it's

1635
00:58:07,670 --> 00:58:03,119
i know it's just like

1636
00:58:11,190 --> 00:58:10,069
it's like i had no idea what

1637
00:58:14,390 --> 00:58:11,200
was

1638
00:58:15,750 --> 00:58:14,400

down the road about you know

1639

00:58:17,910 --> 00:58:15,760

the different

1640

00:58:20,950 --> 00:58:17,920

because i've always been interested in

1641

00:58:23,109 --> 00:58:20,960

paranormal ufo everything since i and i

1642

00:58:25,589 --> 00:58:23,119

just didn't have experiences myself but

1643

00:58:27,990 --> 00:58:25,599

once and that's the thing when people

1644

00:58:28,789 --> 00:58:28,000

don't have experiences and they want

1645

00:58:30,230 --> 00:58:28,799

them

1646

00:58:31,349 --> 00:58:30,240

and they're like i don't care i just

1647

00:58:33,670 --> 00:58:31,359

want any

1648

00:58:36,309 --> 00:58:33,680

be careful for what you ask for be

1649

00:58:39,190 --> 00:58:36,319

careful for even what you think because

1650

00:58:40,309 --> 00:58:39,200

even thoughts can be manifested but

1651
00:58:42,309 --> 00:58:40,319
words

1652
00:58:45,510 --> 00:58:42,319
have so much weight to them

1653
00:58:48,789 --> 00:58:45,520
so that's where you have to i constantly

1654
00:58:51,270 --> 00:58:48,799
have to work on not being that capricorn

1655
00:58:53,589 --> 00:58:51,280
that's you know depressed you know the

1656
00:58:56,309 --> 00:58:53,599
the mopey sometime you

1657
00:58:57,910 --> 00:58:56,319
capricorn you know um

1658
00:58:59,510 --> 00:58:57,920
and so

1659
00:59:02,069 --> 00:58:59,520
it uh

1660
00:59:06,150 --> 00:59:02,079
it definitely

1661
00:59:07,109 --> 00:59:06,160
yeah when we moved moved in it

1662
00:59:09,510 --> 00:59:07,119
yeah

1663
00:59:12,390 --> 00:59:09,520

it it picked up for sure so that's where

1664

00:59:14,549 --> 00:59:12,400

it's always be careful for what you ask

1665

00:59:16,470 --> 00:59:14,559

for um

1666

00:59:21,030 --> 00:59:16,480

but

1667

00:59:23,589 --> 00:59:21,040

yeah we had a a lot of weird um

1668

00:59:26,150 --> 00:59:23,599

jojo bones says i love tender tender

1669

00:59:28,069 --> 00:59:26,160

t-e-n-d-t-e-n-d-r

1670

00:59:30,630 --> 00:59:28,079

hey who doesn't love tender meat right

1671

00:59:32,630 --> 00:59:30,640

tender steak you know tender hugs they

1672

00:59:34,230 --> 00:59:32,640

all matter tenderness is good

1673

00:59:36,150 --> 00:59:34,240

tender kisses

1674

00:59:39,430 --> 00:59:36,160

exactly ben obviously from newfound

1675

00:59:42,549 --> 00:59:39,440

garage says exactly bree that's true

1676

00:59:43,670 --> 00:59:42,559

uh but in this you you moved in

1677

00:59:45,270 --> 00:59:43,680

did

1678

00:59:47,750 --> 00:59:45,280

were you already having some experiences

1679

00:59:50,309 --> 00:59:47,760

then gary prior to brie moving in with

1680

00:59:53,670 --> 00:59:50,319

you and if so are you worth noting

1681

00:59:54,390 --> 00:59:53,680

yeah oh yeah we uh jeez that that was

1682

00:59:56,470 --> 00:59:54,400

like

1683

00:59:58,150 --> 00:59:56,480

it was just another day when for me we

1684

01:00:00,390 --> 00:59:58,160

moved into that place

1685

01:00:02,390 --> 01:00:00,400

and a little bit more intense but it was

1686

01:00:03,589 --> 01:00:02,400

just like yep that's what always

1687

01:00:08,710 --> 01:00:03,599

wasn't

1688

01:00:10,549 --> 01:00:08,720

whatever was in the house was evil like

1689

01:00:11,750 --> 01:00:10,559

a poltergeist

1690

01:00:13,510 --> 01:00:11,760

like

1691

01:00:16,150 --> 01:00:13,520

oh a little scary

1692

01:00:18,549 --> 01:00:16,160

that's rough that makes it like oh yeah

1693

01:00:22,150 --> 01:00:18,559

his shirt talk of the dead right or a

1694

01:00:25,109 --> 01:00:22,160

seizure yeah i had to buy that for him

1695

01:00:27,109 --> 01:00:25,119

talk to the dead it's a polter oh

1696

01:00:28,950 --> 01:00:27,119

akash

1697

01:00:31,190 --> 01:00:28,960

she is in the house one of the greatest

1698

01:00:32,789 --> 01:00:31,200

smiles of all time in all of ufology

1699

01:00:34,950 --> 01:00:32,799

right there for akashi chris i'll tell

1700

01:00:36,230 --> 01:00:34,960

you what

1701
01:00:37,829 --> 01:00:36,240
and so um

1702
01:00:40,829 --> 01:00:37,839
yeah yeah that's so good continue that

1703
01:00:45,190 --> 01:00:44,390
is definitely

1704
01:00:46,950 --> 01:00:45,200
the

1705
01:00:48,470 --> 01:00:46,960
most

1706
01:00:51,829 --> 01:00:48,480
not

1707
01:00:54,630 --> 01:00:51,839
it's the most i could tell that whatever

1708
01:00:56,390 --> 01:00:54,640
it was there was [h__\h] with us

1709
01:00:58,630 --> 01:00:56,400
not in a nice way

1710
01:00:59,910 --> 01:00:58,640
because like all

1711
01:01:03,190 --> 01:00:59,920
here

1712
01:01:05,030 --> 01:01:03,200
like when i'm by myself like i'll have i

1713
01:01:08,390 --> 01:01:05,040

had the humidifier

1714

01:01:10,950 --> 01:01:08,400

on on off and it's an actual knob so you

1715

01:01:12,470 --> 01:01:10,960

have to turn it and i'll you know have

1716

01:01:13,910 --> 01:01:12,480

my back to it and all of a sudden it

1717

01:01:17,430 --> 01:01:13,920

turned on

1718

01:01:19,750 --> 01:01:17,440

and so i'm like i'll have stuff fall

1719

01:01:20,630 --> 01:01:19,760

it's always when my back

1720

01:01:21,589 --> 01:01:20,640

is

1721

01:01:24,549 --> 01:01:21,599

you know

1722

01:01:27,349 --> 01:01:24,559

facing so i'm always looking away and

1723

01:01:29,190 --> 01:01:27,359

stuff that's perfectly stable will be

1724

01:01:31,670 --> 01:01:29,200

knocked off and so it's like i know

1725

01:01:33,109 --> 01:01:31,680

something's trying to catch my attention

1726
01:01:34,069 --> 01:01:33,119
but careful

1727
01:01:37,109 --> 01:01:34,079
yeah

1728
01:01:39,349 --> 01:01:37,119
he's got to run for a little bit but

1729
01:01:40,789 --> 01:01:39,359
yeah walk in the next room don't run

1730
01:01:42,390 --> 01:01:40,799
don't run

1731
01:01:44,390 --> 01:01:42,400
everybody says that you can run a normal

1732
01:01:46,870 --> 01:01:44,400
rain but not in the icy rain you can't

1733
01:01:48,950 --> 01:01:46,880
be right don't be running the icy rain

1734
01:01:50,470 --> 01:01:48,960
exactly he's getting down in the streets

1735
01:01:53,190 --> 01:01:50,480
and

1736
01:01:54,950 --> 01:01:53,200
that's right absolutely

1737
01:01:56,069 --> 01:01:54,960
were you together because i know that

1738
01:01:56,950 --> 01:01:56,079

gary you've disclosed one of the

1739

01:01:58,630 --> 01:01:56,960

incidents that happened to you

1740

01:01:59,829 --> 01:01:58,640

specifically with in regards to those

1741

01:02:02,630 --> 01:01:59,839

plates were you already there when this

1742

01:02:04,710 --> 01:02:02,640

happened bri or was that prior we were

1743

01:02:07,589 --> 01:02:04,720

no we were together

1744

01:02:10,390 --> 01:02:07,599

in the uh we call it the lindell house

1745

01:02:13,670 --> 01:02:10,400

because it was on glendale avenue um so

1746

01:02:16,549 --> 01:02:13,680

yeah we both lived there um

1747

01:02:20,150 --> 01:02:16,559

oh my cat is

1748

01:02:22,390 --> 01:02:20,160

is waking up so he's he's his meower is

1749

01:02:27,029 --> 01:02:22,400

broken so it's

1750

01:02:30,710 --> 01:02:28,870

um

1751

01:02:32,069 --> 01:02:30,720

what were we saying oh we were asking in

1752

01:02:36,710 --> 01:02:32,079

regards to the plate there was an

1753

01:02:39,029 --> 01:02:36,720

incident oh yes yeah why don't you

1754

01:02:40,150 --> 01:02:39,039

say about the the plates yeah we had

1755

01:02:41,430 --> 01:02:40,160

this kitchen

1756

01:02:43,349 --> 01:02:41,440

and it was in the back and it was a

1757

01:02:45,950 --> 01:02:43,359

little tiny kitchen

1758

01:02:48,630 --> 01:02:45,960

and that the duplex was built in like

1759

01:02:51,109 --> 01:02:48,640

1905 i think it was

1760

01:02:53,270 --> 01:02:51,119

sorry yeah

1761

01:02:55,270 --> 01:02:53,280

oh look at that

1762

01:02:58,150 --> 01:02:55,280

look at that monster it was built in

1763

01:03:00,470 --> 01:02:58,160

like 1905 and

1764

01:03:02,870 --> 01:03:00,480

it was an upper and down blue duplex not

1765

01:03:05,029 --> 01:03:02,880

like a side by side but we had this

1766

01:03:06,630 --> 01:03:05,039

kitchen in the back and it was a weird

1767

01:03:08,950 --> 01:03:06,640

it had like a door that would lead into

1768

01:03:10,309 --> 01:03:08,960

the multi into the basement where both

1769

01:03:12,710 --> 01:03:10,319

units would get into and then there was

1770

01:03:13,910 --> 01:03:12,720

a door coming directly off the side

1771

01:03:15,829 --> 01:03:13,920

but there was a kitchen cabinet all the

1772

01:03:17,510 --> 01:03:15,839

way inside and one day i just

1773

01:03:20,069 --> 01:03:17,520

opened it up to get some kitchen some

1774

01:03:22,870 --> 01:03:20,079

plates out and literally four or five

1775

01:03:24,549 --> 01:03:22,880

plates right out into my face

1776

01:03:25,349 --> 01:03:24,559

and then smashed all over the ground

1777

01:03:26,950 --> 01:03:25,359

just

1778

01:03:29,190 --> 01:03:26,960

there's no way it could have done it all

1779

01:03:31,990 --> 01:03:29,200

i did was open the cabinet and they were

1780

01:03:33,349 --> 01:03:32,000

stacked perfectly fine like always

1781

01:03:35,270 --> 01:03:33,359

but yet

1782

01:03:37,029 --> 01:03:35,280

but that wasn't the first time

1783

01:03:38,630 --> 01:03:37,039

i had a kitchen cabinet come flying at

1784

01:03:40,470 --> 01:03:38,640

me either though so

1785

01:03:42,390 --> 01:03:40,480

oh yeah that's yeah when you were

1786

01:03:43,510 --> 01:03:42,400

younger yeah when i was a kid we went up

1787

01:03:45,029 --> 01:03:43,520

and i

1788

01:03:46,870 --> 01:03:45,039

reached up just to open the kitchen

1789

01:03:48,870 --> 01:03:46,880

cabinet door to get some chips out and

1790

01:03:50,470 --> 01:03:48,880

the whole entire

1791

01:03:52,549 --> 01:03:50,480

cabinet on the wall

1792

01:03:54,950 --> 01:03:52,559

came crashing down onto me

1793

01:03:56,390 --> 01:03:54,960

so that's interesting and that was the

1794

01:03:57,589 --> 01:03:56,400

second time

1795

01:04:00,390 --> 01:03:57,599

yeah

1796

01:04:03,270 --> 01:04:00,400

but i think who whatever

1797

01:04:05,270 --> 01:04:03,280

at the lindell house was doing it was

1798

01:04:07,430 --> 01:04:05,280

trying to hurt you

1799

01:04:09,510 --> 01:04:07,440

you know like

1800

01:04:11,029 --> 01:04:09,520

that place that was like a you know get

1801
01:04:13,670 --> 01:04:11,039
out yeah

1802
01:04:15,190 --> 01:04:13,680
there was weird other weird weird stuff

1803
01:04:18,150 --> 01:04:15,200
yeah because you said at one point you

1804
01:04:20,870 --> 01:04:18,160
actually seen a full-on apparition right

1805
01:04:22,630 --> 01:04:20,880
yeah yeah we've seen the hat man

1806
01:04:24,710 --> 01:04:22,640
okay well that's what she thinks what i

1807
01:04:26,870 --> 01:04:24,720
think is the hat man well he has a hat

1808
01:04:29,109 --> 01:04:26,880
on and he looks like

1809
01:04:31,829 --> 01:04:29,119
looks like the guy on the shirt like the

1810
01:04:33,829 --> 01:04:31,839
yeah the poltergeist or like children of

1811
01:04:37,270 --> 01:04:33,839
the the corn

1812
01:04:42,630 --> 01:04:40,630
and uh we were so we moved out

1813
01:04:44,549 --> 01:04:42,640

and it was not a very peaceful move out

1814

01:04:46,549 --> 01:04:44,559

the landlord was that we rented for him

1815

01:04:49,430 --> 01:04:46,559

was completely crazy and yeah he was

1816

01:04:51,430 --> 01:04:49,440

very absentee landlord she was

1817

01:04:54,549 --> 01:04:51,440

an issue where the toilet above would

1818

01:04:55,829 --> 01:04:54,559

leak down onto you every time they flush

1819

01:04:58,789 --> 01:04:55,839

and it happened

1820

01:05:00,069 --> 01:04:58,799

for months yeah and months yeah we would

1821

01:05:01,670 --> 01:05:00,079

call you'd be downstairs using the

1822

01:05:03,029 --> 01:05:01,680

bathroom you hear that flush upstairs

1823

01:05:04,069 --> 01:05:03,039

and you knew you had five seconds get

1824

01:05:05,430 --> 01:05:04,079

off toilet

1825

01:05:07,510 --> 01:05:05,440

oh my gosh

1826

01:05:10,230 --> 01:05:07,520

it's really you know blink or get off

1827

01:05:12,309 --> 01:05:10,240

the blank she was terrible and holy crap

1828

01:05:13,589 --> 01:05:12,319

literally

1829

01:05:17,190 --> 01:05:13,599

finally

1830

01:05:18,710 --> 01:05:17,200

want to live out in the country anymore

1831

01:05:20,829 --> 01:05:18,720

she wanted moving to the city and so she

1832

01:05:24,549 --> 01:05:20,839

showed up one day

1833

01:05:27,109 --> 01:05:24,559

and came in and opened up the garage and

1834

01:05:28,950 --> 01:05:27,119

was very mad that we had stuff in the

1835

01:05:31,270 --> 01:05:28,960

garage and

1836

01:05:33,910 --> 01:05:31,280

we were told you guys get the garage

1837

01:05:35,510 --> 01:05:33,920

yeah we we shared the garage with the

1838

01:05:36,390 --> 01:05:35,520

people above us

1839

01:05:38,309 --> 01:05:36,400

so

1840

01:05:39,270 --> 01:05:38,319

between you know the upper and the

1841

01:05:40,789 --> 01:05:39,280

bottom

1842

01:05:43,510 --> 01:05:40,799

duplex we

1843

01:05:45,829 --> 01:05:43,520

had our belongings in the you know

1844

01:05:47,910 --> 01:05:45,839

garage like we were

1845

01:05:50,150 --> 01:05:47,920

we had a full shop going on in there too

1846

01:05:53,829 --> 01:05:53,029

working on stuff and blowing up stuff

1847

01:05:59,589 --> 01:05:53,839

and

1848

01:06:02,069 --> 01:05:59,599

she got man was like you guys got to

1849

01:06:02,950 --> 01:06:02,079

move out and we were like all right fine

1850

01:06:07,430 --> 01:06:02,960

we'll

1851

01:06:11,349 --> 01:06:09,990

uh-huh no and uh

1852

01:06:12,710 --> 01:06:11,359

so we'll move out

1853

01:06:14,630 --> 01:06:12,720

so we're like yeah we'll move out and

1854

01:06:16,230 --> 01:06:14,640

you know you guys don't have to

1855

01:06:18,789 --> 01:06:16,240

so we found another place that was

1856

01:06:20,069 --> 01:06:18,799

literally a block and a half away

1857

01:06:22,150 --> 01:06:20,079

and

1858

01:06:23,910 --> 01:06:22,160

we moved there

1859

01:06:25,109 --> 01:06:23,920

and

1860

01:06:27,670 --> 01:06:25,119

we were

1861

01:06:30,069 --> 01:06:27,680

we so we in between moving

1862

01:06:32,549 --> 01:06:30,079

we she went in even before the people

1863

01:06:34,950 --> 01:06:32,559

upstairs were moved out

1864

01:06:36,789 --> 01:06:34,960

thank you and uh thank you

1865

01:06:39,589 --> 01:06:36,799

mr dave's gun over there five dollars a

1866

01:06:43,510 --> 01:06:41,589

and uh even before we moved out the

1867

01:06:44,870 --> 01:06:43,520

people upstairs moved out

1868

01:06:46,950 --> 01:06:44,880

because she kicked them out too because

1869

01:06:48,950 --> 01:06:46,960

she wanted to live upstairs

1870

01:06:51,190 --> 01:06:48,960

and even before they moved out she was

1871

01:06:52,630 --> 01:06:51,200

told they had she hired a whole crew to

1872

01:06:54,710 --> 01:06:52,640

come in and renovate the place while

1873

01:06:56,309 --> 01:06:54,720

their stuff was still there

1874

01:06:57,829 --> 01:06:56,319

and they came home one day and all their

1875

01:06:59,270 --> 01:06:57,839

stuff was piled in the middle of the

1876

01:07:01,349 --> 01:06:59,280

house and all the walls were getting

1877

01:07:05,270 --> 01:07:01,359

painted and re-sanded and they're like

1878

01:07:06,870 --> 01:07:05,280

god this is our stuff so stressful

1879

01:07:09,670 --> 01:07:06,880

and so you know that's completely

1880

01:07:10,870 --> 01:07:09,680

illegal and so if she comes in

1881

01:07:12,710 --> 01:07:10,880

in the state of minnesota if the

1882

01:07:14,470 --> 01:07:12,720

landlord enters your place without being

1883

01:07:16,870 --> 01:07:14,480

okayed it's 150

1884

01:07:18,870 --> 01:07:16,880

they have to pay you every time

1885

01:07:20,870 --> 01:07:18,880

and so i was like i'm gonna bust this

1886

01:07:23,190 --> 01:07:20,880

lady and so the trick was i had to leave

1887

01:07:25,029 --> 01:07:23,200

belongings back at the house

1888

01:07:25,750 --> 01:07:25,039

just like i think we left like a table

1889

01:07:27,910 --> 01:07:25,760

and

1890

01:07:29,829 --> 01:07:27,920

just a couple of things there i left my

1891

01:07:30,710 --> 01:07:29,839

witchcraft books out

1892

01:07:35,029 --> 01:07:30,720

in the

1893

01:07:36,710 --> 01:07:35,039

freak her out

1894

01:07:38,950 --> 01:07:36,720

she's like they're bad i'm gonna scare

1895

01:07:41,190 --> 01:07:38,960

her but we'd leave just a few things

1896

01:07:43,109 --> 01:07:41,200

there so we technically still occupy

1897

01:07:45,750 --> 01:07:43,119

yeah or belonging to there we were

1898

01:07:47,990 --> 01:07:45,760

paying rent so yeah i used to have like

1899

01:07:51,109 --> 01:07:48,000

i mean i love old things i'm an old

1900

01:07:53,029 --> 01:07:51,119

person i guess but i'm an old soul yeah

1901

01:07:56,470 --> 01:07:53,039

but so i used to drive my daily driver

1902

01:07:58,710 --> 01:07:56,480

was a 64 chrysler newport big old boat

1903

01:08:00,069 --> 01:07:58,720

okay and i used to work in bloomington

1904

01:08:01,910 --> 01:08:00,079

which was like

1905

01:08:03,349 --> 01:08:01,920

15 20 miles south so i would take the

1906

01:08:04,470 --> 01:08:03,359

bus so i didn't have to drive the boat

1907

01:08:06,390 --> 01:08:04,480

every day

1908

01:08:07,910 --> 01:08:06,400

and i was taking the bus home and

1909

01:08:09,910 --> 01:08:07,920

walking home

1910

01:08:11,829 --> 01:08:09,920

from the bus stop i would pass our old

1911

01:08:13,430 --> 01:08:11,839

place and so i'm walking down this is

1912

01:08:14,710 --> 01:08:13,440

the middle of the day it was five

1913

01:08:16,870 --> 01:08:14,720

o'clock in the afternoon in the summer

1914

01:08:18,390 --> 01:08:16,880

so it's still nice and bright

1915

01:08:20,950 --> 01:08:18,400

i look over

1916

01:08:22,709 --> 01:08:20,960

and i see a dude wearing a flat brimmed

1917

01:08:24,630 --> 01:08:22,719

hat well what looks like a dude because

1918

01:08:25,910 --> 01:08:24,640

it looks like it's lit from behind cause

1919

01:08:28,630 --> 01:08:25,920

he's all black

1920

01:08:29,829 --> 01:08:28,640

yeah and he's wearing a flat brim hat

1921

01:08:31,269 --> 01:08:29,839

and he's staring at me through the

1922

01:08:33,430 --> 01:08:31,279

window

1923

01:08:36,550 --> 01:08:33,440

and i go s

1924

01:08:39,269 --> 01:08:36,560

sob there's somebody in our apartment

1925

01:08:41,829 --> 01:08:39,279

and i ran across the frickin busy street

1926

01:08:45,430 --> 01:08:41,839

as fast as i could crack that door open

1927

01:08:47,910 --> 01:08:45,440

with my key and just oh i got you

1928

01:08:49,349 --> 01:08:47,920

and i look in and then run into

1929

01:08:51,349 --> 01:08:49,359

no one there

1930

01:08:53,349 --> 01:08:51,359

and i go up the back stairs and i look

1931

01:08:56,309 --> 01:08:53,359

and there's no one the whole entire

1932

01:08:58,550 --> 01:08:56,319

duplex is completely vacant

1933

01:09:00,789 --> 01:08:58,560

and i looked everywhere but there's nice

1934

01:09:03,269 --> 01:09:00,799

there was somebody there i saw him with

1935

01:09:04,829 --> 01:09:03,279

my two eyes i knew he was it was yeah in

1936

01:09:07,510 --> 01:09:04,839

the middle of the

1937

01:09:09,430 --> 01:09:07,520

day you know wow

1938

01:09:10,950 --> 01:09:09,440

yeah i mean what do you do i mean when

1939

01:09:12,950 --> 01:09:10,960

you encount when you have something like

1940

01:09:14,229 --> 01:09:12,960

that uh by the way tammy finnegan thank

1941

01:09:15,189 --> 01:09:14,239

you for being here tonight she says 11

1942

01:09:16,470 --> 01:09:15,199

11.

1943

01:09:18,070 --> 01:09:16,480

what do you do with that you know what

1944

01:09:19,829 --> 01:09:18,080

does the brain do in that moment to try

1945

01:09:22,630 --> 01:09:19,839

and rational that you know what just

1946

01:09:23,749 --> 01:09:22,640

took place i mean did you tell bree i

1947

01:09:25,829 --> 01:09:23,759

mean what do you tell right because

1948

01:09:27,990 --> 01:09:25,839

nobody's there with you right

1949

01:09:31,349 --> 01:09:28,000

well and our old roommate that we lived

1950

01:09:33,590 --> 01:09:31,359

with didn't believe in any of the

1951

01:09:36,789 --> 01:09:33,600

in ghosts or anything

1952

01:09:39,349 --> 01:09:36,799

and it's like we were in our living room

1953

01:09:41,189 --> 01:09:39,359

at that the haunted place and we were

1954

01:09:42,630 --> 01:09:41,199

all together and all of a sudden a

1955

01:09:44,789 --> 01:09:42,640

picture

1956

01:09:47,269 --> 01:09:44,799

is knocked off the wall

1957

01:09:49,430 --> 01:09:47,279

and falls on the ground and it's like

1958

01:09:51,749 --> 01:09:49,440

i'm the one who's like oh my god and

1959

01:09:53,829 --> 01:09:51,759

stuff and he's like he doesn't believe

1960

01:09:55,750 --> 01:09:53,839

in it he doesn't believe in it and

1961

01:09:57,990 --> 01:09:55,760

everything it's like he doesn't believe

1962

01:10:00,950 --> 01:09:58,000

in it so it's like

1963

01:10:03,590 --> 01:10:00,960

i don't know if he told our old roommate

1964

01:10:04,790 --> 01:10:03,600

about the hat man or what he saw but he

1965

01:10:06,149 --> 01:10:04,800

told me

1966

01:10:08,149 --> 01:10:06,159

about it

1967

01:10:10,390 --> 01:10:08,159

for sure

1968

01:10:12,310 --> 01:10:10,400

yeah and then just a couple of weeks

1969

01:10:15,189 --> 01:10:12,320

later you saw him

1970

01:10:18,709 --> 01:10:15,199

yeah it was only a few days later that i

1971

01:10:20,149 --> 01:10:18,719

saw yeah because um

1972

01:10:21,110 --> 01:10:20,159

it was

1973

01:10:25,510 --> 01:10:21,120

i

1974

01:10:27,510 --> 01:10:25,520

and

1975

01:10:30,070 --> 01:10:27,520

my chiropractor

1976

01:10:35,030 --> 01:10:32,630

along the way oh thank you

1977

01:10:37,350 --> 01:10:35,040

um and so

1978

01:10:38,310 --> 01:10:37,360

because we were you know we're only a

1979

01:10:40,709 --> 01:10:38,320

block

1980

01:10:42,790 --> 01:10:40,719

you know away from our old place

1981

01:10:46,550 --> 01:10:42,800

um and

1982

01:10:50,229 --> 01:10:46,560

the chiropractor was a mile away so it's

1983

01:10:51,110 --> 01:10:50,239

very you know very close distance and so

1984

01:10:52,470 --> 01:10:51,120

um

1985

01:10:54,950 --> 01:10:52,480

we're

1986

01:10:57,990 --> 01:10:54,960

going you know up a block and then to

1987

01:11:00,149 --> 01:10:58,000

take a right on to lynndale avenue and

1988

01:11:04,310 --> 01:11:00,159

you know that's what street we lived on

1989

01:11:06,630 --> 01:11:04,320

and when we're at the stop sign um

1990

01:11:09,110 --> 01:11:06,640

i'm i'm thinking i'm like am i ever

1991

01:11:09,910 --> 01:11:09,120

gonna see the hat man

1992

01:11:13,350 --> 01:11:09,920

and

1993

01:11:15,750 --> 01:11:13,360

when you know soon enough you know gary

1994

01:11:19,110 --> 01:11:15,760

is driving and he takes a right so we're

1995

01:11:22,630 --> 01:11:19,120

turning on to lindale avenue and then

1996

01:11:24,390 --> 01:11:22,640

when we go past our old

1997

01:11:26,870 --> 01:11:24,400

you know duplex

1998

01:11:27,990 --> 01:11:26,880

i thought i saw someone in there

1999

01:11:28,870 --> 01:11:28,000

and

2000

01:11:34,149 --> 01:11:28,880

like

2001

01:11:37,590 --> 01:11:34,159

thought it was um

2002

01:11:41,350 --> 01:11:39,430

a lamp

2003

01:11:43,270 --> 01:11:41,360

because with the shape because of the

2004

01:11:45,510 --> 01:11:43,280

shading of the the house the shape of it

2005

01:11:46,310 --> 01:11:45,520

yes and um

2006

01:11:49,110 --> 01:11:46,320

the

2007

01:11:52,229 --> 01:11:49,120

sun room that we had in minneapolis it

2008

01:11:56,950 --> 01:11:54,790

blinds or shutters

2009

01:11:57,669 --> 01:11:56,960

where were they no they were yeah that's

2010

01:11:59,270 --> 01:11:57,679

like

2011

01:12:01,110 --> 01:11:59,280

they were wood

2012

01:12:03,110 --> 01:12:01,120

like venetian blinds almost but they

2013

01:12:03,910 --> 01:12:03,120

only went halfway up during the lower

2014

01:12:06,950 --> 01:12:03,920

half

2015

01:12:09,990 --> 01:12:06,960

and so that's where it's like if i was

2016

01:12:12,229 --> 01:12:10,000

standing and i'm 5'7

2017

01:12:13,990 --> 01:12:12,239

um so when i'm standing

2018

01:12:14,950 --> 01:12:14,000

i'm you know

2019

01:12:16,310 --> 01:12:14,960

i can

2020

01:12:18,709 --> 01:12:16,320

still see

2021

01:12:20,950 --> 01:12:18,719

so it's like if i was to stand looking

2022

01:12:23,669 --> 01:12:20,960

outside onto the um

2023

01:12:25,830 --> 01:12:23,679

street you know people would see my head

2024

01:12:26,870 --> 01:12:25,840

you know looking

2025

01:12:28,149 --> 01:12:26,880

out

2026

01:12:30,390 --> 01:12:28,159

and so

2027

01:12:34,229 --> 01:12:30,400

i knew there wasn't so i told him i said

2028

01:12:36,870 --> 01:12:34,239

turn around turned around and

2029

01:12:39,189 --> 01:12:36,880

only we you know he turned around and we

2030

01:12:41,189 --> 01:12:39,199

went past the house again and there

2031

01:12:41,990 --> 01:12:41,199

wasn't anything there

2032

01:12:43,510 --> 01:12:42,000

so

2033

01:12:44,470 --> 01:12:43,520

like there wasn't

2034

01:12:50,149 --> 01:12:44,480

and

2035

01:12:51,990 --> 01:12:50,159

it was like i saw it when my head was

2036

01:12:53,510 --> 01:12:52,000

kind of turned away it's like i still

2037

01:12:55,030 --> 01:12:53,520

know what i saw

2038

01:12:58,550 --> 01:12:55,040

and it still was

2039

01:13:03,510 --> 01:12:58,560

it was solid um it was solid black

2040

01:13:08,229 --> 01:13:05,270

you know see-through

2041

01:13:09,750 --> 01:13:08,239

ghost i've never seen okay here i've

2042

01:13:14,149 --> 01:13:09,760

never seen

2043

01:13:16,229 --> 01:13:14,159

a ghost before so that was the first

2044

01:13:17,270 --> 01:13:16,239

thing i've ever seen

2045

01:13:19,350 --> 01:13:17,280

and

2046

01:13:20,870 --> 01:13:19,360

i did

2047

01:13:23,510 --> 01:13:20,880

think about it

2048

01:13:25,830 --> 01:13:23,520

right before it happened to so it's like

2049

01:13:27,270 --> 01:13:25,840

i know people have like premonitions but

2050

01:13:29,750 --> 01:13:27,280

it's like i've never heard of other

2051

01:13:31,270 --> 01:13:29,760

people having premonitions of seeing an

2052

01:13:32,790 --> 01:13:31,280

entity or

2053

01:13:35,830 --> 01:13:32,800

a ghost or something but that's what

2054

01:13:38,390 --> 01:13:35,840

happened to me so um

2055

01:13:39,830 --> 01:13:38,400

yeah it was definitely interesting and

2056

01:13:43,750 --> 01:13:39,840

so

2057

01:13:46,229 --> 01:13:43,760

that yeah that place there's a lot of

2058

01:13:50,149 --> 01:13:46,239

a lot of things happen there and i think

2059

01:13:51,430 --> 01:13:50,159

it was because that place had a lot of

2060

01:13:54,470 --> 01:13:51,440

trauma

2061

01:13:55,270 --> 01:13:54,480

and a lot of bad things maybe

2062

01:13:58,470 --> 01:13:55,280

with

2063

01:14:00,149 --> 01:13:58,480

it being in the landlord's family um

2064

01:14:02,149 --> 01:14:00,159

because that's the thing if she's you

2065

01:14:04,950 --> 01:14:02,159

know acting a certain way

2066

01:14:08,390 --> 01:14:04,960

um takes advantage of her tenants you

2067

01:14:11,990 --> 01:14:08,400

know people get up and leave in

2068

01:14:13,430 --> 01:14:12,000

not a good way so it's like all that

2069

01:14:15,750 --> 01:14:13,440

energy

2070

01:14:17,990 --> 01:14:15,760

i believe we'll stay there

2071

01:14:19,350 --> 01:14:18,000

and um

2072

01:14:20,709 --> 01:14:19,360

in the chat

2073

01:14:21,990 --> 01:14:20,719

we just noticed the ones we're in the

2074

01:14:23,669 --> 01:14:22,000

chat those

2075

01:14:26,149 --> 01:14:23,679

over there

2076

01:14:29,430 --> 01:14:26,159

and i love them so

2077

01:14:32,709 --> 01:14:29,440

i wanted to try dowsing rods

2078

01:14:36,149 --> 01:14:32,719

when we were at that the the lindell

2079

01:14:37,430 --> 01:14:36,159

house and so we took a wire you know a

2080

01:14:39,350 --> 01:14:37,440

coat hanger

2081

01:14:41,110 --> 01:14:39,360

and cut it in half

2082

01:14:43,189 --> 01:14:41,120

and now i know

2083

01:14:45,189 --> 01:14:43,199

that if you do that make sure to put

2084

01:14:46,390 --> 01:14:45,199

something on the end of it because it's

2085

01:14:47,430 --> 01:14:46,400

sharp

2086

01:14:50,550 --> 01:14:47,440

and so

2087

01:14:52,390 --> 01:14:50,560

i was going like i was using it

2088

01:14:53,510 --> 01:14:52,400

and then that's when

2089

01:14:55,350 --> 01:14:53,520

i thought

2090

01:14:57,430 --> 01:14:55,360

like am i gonna

2091

01:14:59,110 --> 01:14:57,440

are these gonna work

2092

01:15:00,310 --> 01:14:59,120

and then all of a sudden

2093

01:15:04,310 --> 01:15:00,320

like it

2094

01:15:06,630 --> 01:15:04,320

you know i'm holding it in my hand

2095

01:15:08,470 --> 01:15:06,640

and then all of a sudden it totally like

2096

01:15:10,870 --> 01:15:08,480

it spins

2097

01:15:12,709 --> 01:15:10,880

and then the end of the

2098

01:15:15,510 --> 01:15:12,719

the end of it

2099

01:15:17,270 --> 01:15:15,520

like because it when it spun fast

2100

01:15:18,709 --> 01:15:17,280

it scratched me

2101
01:15:21,590 --> 01:15:18,719
and so

2102
01:15:23,990 --> 01:15:21,600
i don't think the dowsing does anything

2103
01:15:27,510 --> 01:15:24,000
with electrical like i think it's only

2104
01:15:28,870 --> 01:15:27,520
water right is what it works

2105
01:15:32,790 --> 01:15:28,880
i'd have to

2106
01:15:34,390 --> 01:15:32,800
again

2107
01:15:36,390 --> 01:15:34,400
i don't know if it's

2108
01:15:38,790 --> 01:15:36,400
because it was by the tv

2109
01:15:41,350 --> 01:15:38,800
and the like electrical field made it do

2110
01:15:42,790 --> 01:15:41,360
that but not that strong like they yeah

2111
01:15:44,070 --> 01:15:42,800
they say they would take a lot they just

2112
01:15:46,870 --> 01:15:44,080
kind of

2113
01:15:48,550 --> 01:15:46,880

yeah so right and that's the thing where

2114

01:15:50,550 --> 01:15:48,560

it wasn't until

2115

01:15:51,350 --> 01:15:50,560

a month or two ago that i found out that

2116

01:15:52,470 --> 01:15:51,360

he

2117

01:15:54,790 --> 01:15:52,480

told me

2118

01:15:56,470 --> 01:15:54,800

i was like is it

2119

01:15:58,790 --> 01:15:56,480

did it do that just because it was by

2120

01:16:01,350 --> 01:15:58,800

the tv and he's like yeah and then i

2121

01:16:03,110 --> 01:16:01,360

found out that i'm like so you

2122

01:16:05,830 --> 01:16:03,120

told me years ago

2123

01:16:07,669 --> 01:16:05,840

that it was that but

2124

01:16:10,149 --> 01:16:07,679

it's not the case i was like did you

2125

01:16:11,510 --> 01:16:10,159

tell me that not to freak me out and

2126

01:16:12,790 --> 01:16:11,520

he's like yeah

2127

01:16:14,550 --> 01:16:12,800

that's what timmy's saying because i

2128

01:16:16,310 --> 01:16:14,560

think it depends on who is dowsing and

2129

01:16:18,630 --> 01:16:16,320

like brown dot flop said it was holy

2130

01:16:19,590 --> 01:16:18,640

crap basically i mean like

2131

01:16:54,149 --> 01:16:19,600

i

2132

01:16:57,350 --> 01:16:54,159

got

2133

01:17:00,070 --> 01:16:57,360

like i've always i had never had a tarot

2134

01:17:02,870 --> 01:17:00,080

reading before um because being raised

2135

01:17:04,790 --> 01:17:02,880

up or religious it's

2136

01:17:07,350 --> 01:17:04,800

like i

2137

01:17:10,709 --> 01:17:07,360

couldn't watch harry potter growing up

2138

01:17:13,510 --> 01:17:10,719

that type of like so any

2139

01:17:15,669 --> 01:17:13,520

tarot reading and all that is

2140

01:17:16,630 --> 01:17:15,679

still you know

2141

01:17:19,510 --> 01:17:16,640

bad

2142

01:17:22,790 --> 01:17:19,520

you know um and so

2143

01:17:25,990 --> 01:17:22,800

i've always been open to this side and

2144

01:17:28,709 --> 01:17:26,000

now it's like i had such an urge

2145

01:17:31,110 --> 01:17:28,719

to get a tarot reading and to

2146

01:17:35,510 --> 01:17:31,120

specifically have it be

2147

01:17:38,709 --> 01:17:35,520

a past life because um like there's twin

2148

01:17:41,110 --> 01:17:38,719

twin flames twin souls like i definitely

2149

01:17:42,830 --> 01:17:41,120

like we i would say that we fit into

2150

01:17:45,830 --> 01:17:42,840

that category

2151
01:17:48,550 --> 01:17:45,840
um and the

2152
01:17:50,630 --> 01:17:48,560
the tarot reader well what

2153
01:17:51,510 --> 01:17:50,640
to start off with

2154
01:17:53,669 --> 01:17:51,520
um

2155
01:17:56,310 --> 01:17:53,679
when we were getting out of the car in

2156
01:17:59,910 --> 01:17:56,320
my head i thought well what if

2157
01:18:01,189 --> 01:17:59,920
he says i was a witch in a past life and

2158
01:18:05,510 --> 01:18:01,199
so

2159
01:18:06,390 --> 01:18:05,520
we both had our separate readings um

2160
01:18:09,830 --> 01:18:06,400
and

2161
01:18:13,270 --> 01:18:09,840
so i specifically wanted

2162
01:18:15,270 --> 01:18:13,280
to know about a clue about past life

2163
01:18:18,630 --> 01:18:15,280

because something

2164

01:18:21,990 --> 01:18:18,640

you know something was calling

2165

01:18:23,430 --> 01:18:22,000

that i specifically go and get a card

2166

01:18:25,189 --> 01:18:23,440

reading

2167

01:18:26,470 --> 01:18:25,199

about this manner

2168

01:18:29,110 --> 01:18:26,480

and so

2169

01:18:31,350 --> 01:18:29,120

um gary went after

2170

01:18:33,110 --> 01:18:31,360

um he read mine

2171

01:18:35,750 --> 01:18:33,120

and it was

2172

01:18:38,630 --> 01:18:35,760

yeah it's it's kind of a crazy kind of

2173

01:18:43,430 --> 01:18:38,640

crazy story but um

2174

01:18:45,270 --> 01:18:43,440

to sum it up uh he said that we

2175

01:18:46,950 --> 01:18:45,280

um have had

2176
01:18:49,110 --> 01:18:46,960
past lives

2177
01:18:51,189 --> 01:18:49,120
together

2178
01:18:52,229 --> 01:18:51,199
um i've had another

2179
01:18:55,430 --> 01:18:52,239
medium

2180
01:18:58,630 --> 01:18:55,440
tell me recently that we had uh past

2181
01:18:59,510 --> 01:18:58,640
lives together and this was

2182
01:19:01,430 --> 01:18:59,520
her

2183
01:19:04,070 --> 01:19:01,440
like just telling me

2184
01:19:05,669 --> 01:19:04,080
not necessarily hearing the story and

2185
01:19:07,830 --> 01:19:05,679
saying oh yeah i

2186
01:19:10,310 --> 01:19:07,840
duttet up but she said that we were

2187
01:19:12,149 --> 01:19:10,320
together

2188
01:19:16,709 --> 01:19:12,159

uh

2189

01:19:19,350 --> 01:19:16,719

two marriages ago so i had i or three so

2190

01:19:20,550 --> 01:19:19,360

i had two marriages in between

2191

01:19:25,910 --> 01:19:20,560

um

2192

01:19:26,630 --> 01:19:25,920

week

2193

01:19:27,990 --> 01:19:26,640

so

2194

01:19:29,270 --> 01:19:28,000

if i'm gonna ask a question to give a

2195

01:19:30,149 --> 01:19:29,280

little [h__h] a little more clarity on

2196

01:19:31,750 --> 01:19:30,159

this because we might have a listener

2197

01:19:33,910 --> 01:19:31,760

out there who's listening whoa wait a

2198

01:19:35,669 --> 01:19:33,920

second here what is this past life stuff

2199

01:19:37,750 --> 01:19:35,679

we're talking about but leading up to

2200

01:19:39,110 --> 01:19:37,760

that had either of you and i guess we'll

2201

01:19:42,630 --> 01:19:39,120

start with you bri

2202

01:19:45,669 --> 01:19:42,640

had any memories dreams inclinations of

2203

01:19:48,709 --> 01:19:45,679

a past life memory coming through

2204

01:19:48,719 --> 01:19:52,390

i guess

2205

01:19:57,030 --> 01:19:54,790

not necessarily

2206

01:19:58,229 --> 01:19:57,040

um

2207

01:20:01,110 --> 01:19:58,239

but

2208

01:20:04,310 --> 01:20:01,120

just like an urge

2209

01:20:06,070 --> 01:20:04,320

to have someone tell me what they think

2210

01:20:08,310 --> 01:20:06,080

i was so i could

2211

01:20:11,910 --> 01:20:08,320

start doing research

2212

01:20:14,149 --> 01:20:11,920

so it was like almost like i

2213

01:20:17,350 --> 01:20:14,159

needed

2214

01:20:23,350 --> 01:20:19,590

have that information

2215

01:20:25,270 --> 01:20:23,360

and when he did tell me um he the tarot

2216

01:20:27,350 --> 01:20:25,280

reader did say that i was a witch in a

2217

01:20:30,709 --> 01:20:27,360

past life

2218

01:20:32,470 --> 01:20:30,719

um and when he told me that i

2219

01:20:35,750 --> 01:20:32,480

started crying

2220

01:20:38,149 --> 01:20:35,760

like tearing up and shaking so

2221

01:20:43,910 --> 01:20:41,510

uh when that happens too when people

2222

01:20:45,350 --> 01:20:43,920

are overcome with emotion

2223

01:20:47,990 --> 01:20:45,360

like it's

2224

01:20:50,550 --> 01:20:48,000

it's like it was

2225

01:20:54,550 --> 01:20:52,470

it was a confirmation

2226

01:20:56,390 --> 01:20:54,560

kind of like

2227

01:20:58,709 --> 01:20:56,400

and especially like

2228

01:21:00,390 --> 01:20:58,719

like i love i've always loved past life

2229

01:21:02,070 --> 01:21:00,400

stuff like even when i was a kid even

2230

01:21:04,070 --> 01:21:02,080

when i was younger you know it's like

2231

01:21:05,430 --> 01:21:04,080

i've always been drawn to these kind of

2232

01:21:07,030 --> 01:21:05,440

subjects

2233

01:21:09,110 --> 01:21:07,040

but um

2234

01:21:11,430 --> 01:21:09,120

i don't it's not necessarily like i

2235

01:21:12,870 --> 01:21:11,440

remember things but you know when i was

2236

01:21:15,110 --> 01:21:12,880

younger

2237

01:21:18,550 --> 01:21:15,120

like when i was over at my grandma

2238

01:21:20,310 --> 01:21:18,560

lopez's house like she had a a washboard

2239

01:21:22,950 --> 01:21:20,320

and so it's like what little

2240

01:21:25,270 --> 01:21:22,960

five-year-old wants to use a washboard

2241

01:21:27,750 --> 01:21:25,280

where it's like these are certain things

2242

01:21:29,270 --> 01:21:27,760

that it's like they could very well be

2243

01:21:31,189 --> 01:21:29,280

past life

2244

01:21:31,990 --> 01:21:31,199

residual memories

2245

01:21:33,110 --> 01:21:32,000

um

2246

01:21:36,950 --> 01:21:33,120

and so

2247

01:21:38,790 --> 01:21:36,960

i've always been an old soul i've always

2248

01:21:42,149 --> 01:21:38,800

hung out with my

2249

01:21:44,470 --> 01:21:42,159

you know grandparents or my mom and dad

2250

01:21:45,510 --> 01:21:44,480

i never got to gravitate you know i

2251
01:21:47,910 --> 01:21:45,520
never

2252
01:21:48,790 --> 01:21:47,920
resonated with any of the kids my age i

2253
01:21:50,629 --> 01:21:48,800
never

2254
01:21:51,510 --> 01:21:50,639
got along with them really so i've

2255
01:21:53,830 --> 01:21:51,520
always

2256
01:21:56,470 --> 01:21:53,840
and we're eight years apart so it's like

2257
01:21:58,790 --> 01:21:56,480
i i date older um

2258
01:22:00,390 --> 01:21:58,800
so it's like i've always

2259
01:22:01,270 --> 01:22:00,400
and that's where it's like when you look

2260
01:22:03,030 --> 01:22:01,280
up

2261
01:22:06,390 --> 01:22:03,040
the the you know

2262
01:22:08,550 --> 01:22:06,400
signs of past lives um and do research

2263
01:22:09,830 --> 01:22:08,560

it's like all the things that were just

2264

01:22:12,070 --> 01:22:09,840

like

2265

01:22:14,310 --> 01:22:12,080

you know hitting a nail on the head and

2266

01:22:17,110 --> 01:22:14,320

so being told

2267

01:22:20,229 --> 01:22:17,120

that i was a witch in a past life and

2268

01:22:22,550 --> 01:22:20,239

having such a genuine emotional reaction

2269

01:22:23,750 --> 01:22:22,560

because i'm not emotional like that i

2270

01:22:27,750 --> 01:22:23,760

don't

2271

01:22:30,870 --> 01:22:27,760

have that quick of a

2272

01:22:34,390 --> 01:22:30,880

you know reaction but

2273

01:22:39,510 --> 01:22:36,870

the healing process can happen

2274

01:22:41,430 --> 01:22:39,520

when people like when younger kids

2275

01:22:43,910 --> 01:22:41,440

you know say if they have past life

2276

01:22:47,669 --> 01:22:43,920

memories of being on the titanic

2277

01:22:50,470 --> 01:22:47,679

or anything else um once they

2278

01:22:53,830 --> 01:22:50,480

find out you know once they

2279

01:22:54,790 --> 01:22:53,840

kind of figure out that they had a past

2280

01:22:57,590 --> 01:22:54,800

life

2281

01:23:02,070 --> 01:22:57,600

it's like then they can go on and heal

2282

01:23:03,430 --> 01:23:02,080

so i so that reaction was

2283

01:23:05,669 --> 01:23:03,440

me

2284

01:23:08,070 --> 01:23:05,679

being validated that

2285

01:23:11,590 --> 01:23:08,080

that's what i wasn't a past life

2286

01:23:13,990 --> 01:23:11,600

yeah if that makes sense it does it does

2287

01:23:15,510 --> 01:23:14,000

now for yourself gary did you did you

2288

01:23:17,990 --> 01:23:15,520

same question i posed to bree did you

2289

01:23:19,510 --> 01:23:18,000

have some sort of inclination or

2290

01:23:22,070 --> 01:23:19,520

anything that indicated you that you

2291

01:23:24,229 --> 01:23:22,080

might have had in the life cycle

2292

01:23:26,629 --> 01:23:24,239

not a whole lot i guess just

2293

01:23:29,750 --> 01:23:26,639

weird thoughts or weird you know that

2294

01:23:31,350 --> 01:23:29,760

weird feeling of deja vu

2295

01:23:34,070 --> 01:23:31,360

when you go to a place and it's like

2296

01:23:36,229 --> 01:23:34,080

that's weird oh you have that trauma

2297

01:23:37,750 --> 01:23:36,239

patch yeah i have a weird trauma pat i

2298

01:23:39,030 --> 01:23:37,760

had a weird trial patch in the back of

2299

01:23:40,470 --> 01:23:39,040

my head before the rest of it started

2300

01:23:44,709 --> 01:23:40,480

going great

2301

01:23:46,229 --> 01:23:44,719

but i started going gray when i was 18.

2302

01:23:47,750 --> 01:23:46,239

so yeah that was

2303

01:23:49,750 --> 01:23:47,760

i off when i was

2304

01:23:52,790 --> 01:23:49,760

35 i think i was

2305

01:23:54,950 --> 01:23:52,800

pretty gray and i'm only 42 now so

2306

01:23:57,110 --> 01:23:54,960

i'm way grey

2307

01:23:59,350 --> 01:23:57,120

i know it's because of me

2308

01:24:02,070 --> 01:23:59,360

you didn't lose he didn't lose the hair

2309

01:24:03,590 --> 01:24:02,080

he just lost the color hey in his hair i

2310

01:24:05,030 --> 01:24:03,600

like the song pepper that's the way to

2311

01:24:06,149 --> 01:24:05,040

do it my wife i i joke with it because

2312

01:24:07,350 --> 01:24:06,159

she says all the time because i made the

2313

01:24:08,790 --> 01:24:07,360

decision i'm like babe [h__h] i would have

2314

01:24:10,709 --> 01:24:08,800

shaved it off a while ago

2315

01:24:11,830 --> 01:24:10,719

for her hanging onto it but that's the

2316

01:24:13,030 --> 01:24:11,840

only thing she's like i wouldn't she was

2317

01:24:14,950 --> 01:24:13,040

like i was kind of looking forward to

2318

01:24:16,790 --> 01:24:14,960

the salt and pepper you know face i was

2319

01:24:19,110 --> 01:24:16,800

like well we can give you some like red

2320

01:24:20,790 --> 01:24:19,120

and white one day whenever that

2321

01:24:23,430 --> 01:24:20,800

whenever that phase starts we'll let

2322

01:24:25,270 --> 01:24:23,440

that happen naturally so

2323

01:24:27,030 --> 01:24:25,280

now okay so with this let's dig into

2324

01:24:28,470 --> 01:24:27,040

this a little bit then because brie i

2325

01:24:30,870 --> 01:24:28,480

could be mistaken i don't know if this

2326

01:24:32,870 --> 01:24:30,880

came out in your guys uh i guess we

2327

01:24:34,390 --> 01:24:32,880

could say past life reading here but i

2328

01:24:36,550 --> 01:24:34,400

believe you've referenced at one point

2329

01:24:38,790 --> 01:24:36,560

that you had some sort of a memory or it

2330

01:24:40,310 --> 01:24:38,800

came out from this reading

2331

01:24:41,990 --> 01:24:40,320

of a picture of a female and you were

2332

01:24:45,430 --> 01:24:42,000

flying a plane does any of that sound

2333

01:24:47,910 --> 01:24:45,440

familiar to you oh um so that's when i

2334

01:24:50,310 --> 01:24:47,920

did uh past life

2335

01:24:51,990 --> 01:24:50,320

guided meditation

2336

01:24:53,350 --> 01:24:52,000

and so

2337

01:25:16,470 --> 01:24:53,360

i

2338

01:25:18,550 --> 01:25:16,480

everyone that serves but

2339

01:25:20,629 --> 01:25:18,560

to me it's like

2340

01:25:23,110 --> 01:25:20,639

i and also it's like people that were in

2341

01:25:25,590 --> 01:25:23,120

the civil war you know if they were in

2342

01:25:28,310 --> 01:25:25,600

gettysburg in a past life they could be

2343

01:25:31,590 --> 01:25:28,320

someone who is so against the idea of

2344

01:25:33,350 --> 01:25:31,600

war so it's like that does kind of align

2345

01:25:35,189 --> 01:25:33,360

where i

2346

01:25:38,629 --> 01:25:35,199

like i don't like heights

2347

01:25:40,470 --> 01:25:38,639

um and so by doing the guided past life

2348

01:25:42,950 --> 01:25:40,480

meditation

2349

01:25:45,510 --> 01:25:42,960

like it's like it walks you down

2350

01:25:47,110 --> 01:25:45,520

a hallway and you open up

2351
01:25:49,990 --> 01:25:47,120
doors and then

2352
01:25:52,070 --> 01:25:50,000
you're shown like a scene and so one of

2353
01:25:52,950 --> 01:25:52,080
the things that i was shown

2354
01:25:57,189 --> 01:25:52,960
was

2355
01:25:57,199 --> 01:26:04,229
i guess a military plane like in maybe

2356
01:26:08,709 --> 01:26:07,189
i don't know in the 50s or something is

2357
01:26:10,229 --> 01:26:08,719
the the

2358
01:26:11,669 --> 01:26:10,239
from what

2359
01:26:18,310 --> 01:26:11,679
i

2360
01:26:22,390 --> 01:26:18,320
the plane and

2361
01:26:25,910 --> 01:26:22,400
on the dashboard i there was a vintage

2362
01:26:27,350 --> 01:26:25,920
picture of a woman um

2363
01:26:28,550 --> 01:26:27,360

kind of like where

2364

01:26:31,270 --> 01:26:28,560

you know

2365

01:26:34,229 --> 01:26:31,280

in the in those war movies you see

2366

01:26:36,629 --> 01:26:34,239

you know how they had pictures of their

2367

01:26:38,149 --> 01:26:36,639

their wives and girlfriends

2368

01:26:40,070 --> 01:26:38,159

um so

2369

01:26:44,149 --> 01:26:40,080

that's kind of

2370

01:26:47,030 --> 01:26:44,159

and i took japanese in high school

2371

01:26:48,550 --> 01:26:47,040

and i picked it up like that

2372

01:26:51,669 --> 01:26:48,560

whereas

2373

01:26:54,950 --> 01:26:51,679

trying to learn spanish i couldn't get

2374

01:26:55,120 --> 01:26:54,960

to save my life and my mom's mexican and

2375

01:26:56,470 --> 01:26:55,130

so

2376

01:26:59,510 --> 01:26:56,480

[Laughter]

2377

01:27:03,189 --> 01:26:59,520

i got japanese like that and so it's

2378

01:27:06,390 --> 01:27:03,199

like i don't know if

2379

01:27:11,990 --> 01:27:06,400

i had a past life in japan

2380

01:27:16,709 --> 01:27:13,910

maybe i

2381

01:27:19,910 --> 01:27:16,719

had to learn japanese because i was on

2382

01:27:20,950 --> 01:27:19,920

our side yeah you know so it's like

2383

01:27:23,510 --> 01:27:20,960

there's

2384

01:27:27,590 --> 01:27:23,520

don't

2385

01:27:30,070 --> 01:27:27,600

but i

2386

01:27:33,110 --> 01:27:30,950

you know

2387

01:27:35,030 --> 01:27:33,120

it's fun because brown's outflop says so

2388

01:27:36,629 --> 01:27:35,040

many similarities bree it is eerie when

2389

01:27:38,470 --> 01:27:36,639

i listen to you both and just a little

2390

01:27:40,709 --> 01:27:38,480

bit further down here she mentioned too

2391

01:27:43,430 --> 01:27:40,719

over here i can totally to relate to

2392

01:27:46,709 --> 01:27:43,440

what you were saying so much so crazy

2393

01:27:48,310 --> 01:27:46,719

uh and that is a lot i mean i imagine

2394

01:27:49,590 --> 01:27:48,320

going through that i mean gary for

2395

01:27:51,110 --> 01:27:49,600

yourself since you you weren't super

2396

01:27:52,950 --> 01:27:51,120

familiar with it when it when this

2397

01:27:54,709 --> 01:27:52,960

happened i mean what did what did they

2398

01:27:56,709 --> 01:27:54,719

reveal about you or what was your i

2399

01:27:58,629 --> 01:27:56,719

guess perhaps glimpse into the past

2400

01:28:00,709 --> 01:27:58,639

there

2401

01:28:03,669 --> 01:28:00,719

oh they what was it

2402

01:28:06,709 --> 01:28:03,679

the guy said that i

2403

01:28:08,629 --> 01:28:06,719

had to do the work yeah of the king

2404

01:28:10,550 --> 01:28:08,639

i was he said i could have either been

2405

01:28:12,310 --> 01:28:10,560

an executioner

2406

01:28:14,310 --> 01:28:12,320

or a

2407

01:28:17,030 --> 01:28:14,320

like a soldier but mostly in this

2408

01:28:18,790 --> 01:28:17,040

executionery things and i didn't like it

2409

01:28:20,550 --> 01:28:18,800

and you had to do the work

2410

01:28:22,070 --> 01:28:20,560

i just wow yeah that's a weird thing for

2411

01:28:24,390 --> 01:28:22,080

someone to be like yeah

2412

01:28:26,229 --> 01:28:24,400

feeling like you killed a lot of people

2413

01:28:28,070 --> 01:28:26,239

but you were forced to do it well and

2414

01:28:30,950 --> 01:28:28,080

that's the thing where he's like he's a

2415

01:28:31,910 --> 01:28:30,960

libra and like he looks like a biker but

2416

01:28:38,470 --> 01:28:31,920

he

2417

01:28:41,590 --> 01:28:38,480

like

2418

01:28:45,270 --> 01:28:41,600

physical fights so he doesn't he would

2419

01:28:46,070 --> 01:28:45,280

rather not not get in confrontation

2420

01:28:47,189 --> 01:28:46,080

um

2421

01:28:49,830 --> 01:28:47,199

and so

2422

01:28:52,870 --> 01:28:49,840

if he led that in a past life that would

2423

01:28:54,310 --> 01:28:52,880

make sense why he is the way he is in

2424

01:28:55,590 --> 01:28:54,320

this life

2425

01:28:57,430 --> 01:28:55,600

hmm

2426

01:28:58,550 --> 01:28:57,440

that makes sense i mean john said that

2427

01:29:01,910 --> 01:28:58,560

often and you know on the show that we

2428

01:29:03,430 --> 01:29:01,920

do over there the after hours in sr that

2429

01:29:06,070 --> 01:29:03,440

you know one of the things he said a lot

2430

01:29:08,070 --> 01:29:06,080

is that his perception on this we are

2431

01:29:10,550 --> 01:29:08,080

living these life cycles

2432

01:29:13,350 --> 01:29:10,560

from every possible angle and perhaps

2433

01:29:14,790 --> 01:29:13,360

that is the case i don't know um but i

2434

01:29:17,590 --> 01:29:14,800

guess it could make sense if you had a

2435

01:29:18,870 --> 01:29:17,600

very traumatic or let's say aggressive

2436

01:29:20,310 --> 01:29:18,880

lifestyle that you were forced to live

2437

01:29:23,110 --> 01:29:20,320

why you would be very

2438

01:29:24,950 --> 01:29:23,120

um opposed to that to that in this

2439

01:29:26,709 --> 01:29:24,960

current life you know

2440

01:29:28,149 --> 01:29:26,719

but so yeah

2441

01:29:29,350 --> 01:29:28,159

with that though there was a little bit

2442

01:29:31,110 --> 01:29:29,360

more because they felt that there was a

2443

01:29:32,310 --> 01:29:31,120

possibility that you guys had actually i

2444

01:29:33,350 --> 01:29:32,320

mean you know you already referenced

2445

01:29:36,149 --> 01:29:33,360

this breed but they felt that you guys

2446

01:29:38,229 --> 01:29:36,159

had been in a relationship prior perhaps

2447

01:29:39,830 --> 01:29:38,239

in a previous life was that something

2448

01:29:42,629 --> 01:29:39,840

that she brought up or was the second

2449

01:29:45,510 --> 01:29:42,639

one that did the reading um it the one

2450

01:29:48,470 --> 01:29:45,520

that it was just a medium

2451

01:29:51,030 --> 01:29:48,480

just kind of got some readings and or

2452

01:29:52,870 --> 01:29:51,040

feelings uh when we were just hanging

2453

01:29:55,189 --> 01:29:52,880

out so she told me

2454

01:29:56,790 --> 01:29:55,199

um you know so it wasn't something

2455

01:29:59,110 --> 01:29:56,800

scheduling a meeting it was just

2456

01:30:00,629 --> 01:29:59,120

something that she was picking up on

2457

01:30:01,910 --> 01:30:00,639

um

2458

01:30:02,790 --> 01:30:01,920

and so

2459

01:30:07,830 --> 01:30:02,800

we were

2460

01:30:08,950 --> 01:30:07,840

you know that i had two marriages in

2461

01:30:12,310 --> 01:30:08,960

between

2462

01:30:15,270 --> 01:30:12,320

um but the tarot reader said that i was

2463

01:30:17,910 --> 01:30:15,280

when i was away

2464

01:30:21,750 --> 01:30:17,920

when i was a witch it was i think the

2465

01:30:25,270 --> 01:30:21,760

15th or 16th century

2466

01:30:27,110 --> 01:30:25,280

and so if he was an executioner

2467

01:30:29,430 --> 01:30:27,120

around that time

2468

01:30:31,669 --> 01:30:29,440

i say what if he was

2469

01:30:35,270 --> 01:30:31,679

what if i was a witch and he was my

2470

01:30:40,629 --> 01:30:37,030

i say that

2471

01:30:43,350 --> 01:30:40,639

in jest now because it's

2472

01:30:45,750 --> 01:30:43,360

i'm like oh well you killed me in a past

2473

01:30:48,870 --> 01:30:45,760

life can you do this can you

2474

01:30:52,229 --> 01:30:48,880

you know i i i joke around about it and

2475

01:30:53,530 --> 01:30:52,239

so it's like who knows if it's

2476

01:30:54,870 --> 01:30:53,540

it's just what

2477

01:30:59,510 --> 01:30:54,880

[Laughter]

2478

01:31:01,990 --> 01:30:59,520

one tarot card card reader

2479

01:31:04,870 --> 01:31:02,000

you know is telling us and so i don't

2480

01:31:07,430 --> 01:31:04,880

have any doubt that

2481

01:31:08,950 --> 01:31:07,440

you know i know that we were together in

2482

01:31:11,669 --> 01:31:08,960

a past life

2483

01:31:13,629 --> 01:31:11,679

it's like i just don't know how but

2484

01:31:15,430 --> 01:31:13,639

when there's so many like

2485

01:31:17,270 --> 01:31:15,440

synchronicities and

2486

01:31:20,149 --> 01:31:17,280

you know

2487

01:31:24,149 --> 01:31:20,159

we were always around each other

2488

01:31:25,750 --> 01:31:24,159

but we never met and so it's like

2489

01:31:27,590 --> 01:31:25,760

i

2490

01:31:29,350 --> 01:31:27,600

had to um

2491

01:31:30,870 --> 01:31:29,360

reincarnate

2492

01:31:32,149 --> 01:31:30,880

at a faster

2493

01:31:34,470 --> 01:31:32,159

um

2494

01:31:37,350 --> 01:31:34,480

at a faster rate and so i have a lot of

2495

01:31:41,189 --> 01:31:37,360

chronic pain that's invisible

2496

01:31:42,629 --> 01:31:41,199

um and so in this lifetime i have a lot

2497

01:31:44,629 --> 01:31:42,639

of pain

2498

01:31:47,189 --> 01:31:44,639

and so

2499

01:31:49,830 --> 01:31:47,199

when you have a lot of conditions in

2500

01:31:51,910 --> 01:31:49,840

your body that could be a sign that you

2501
01:31:57,350 --> 01:31:51,920
um

2502
01:31:59,990 --> 01:31:57,360
you didn't heal there wasn't enough time

2503
01:32:01,910 --> 01:32:00,000
to be healed and so

2504
01:32:03,110 --> 01:32:01,920
um

2505
01:32:05,110 --> 01:32:03,120
yeah that's

2506
01:32:08,149 --> 01:32:05,120
well and then after we left what you saw

2507
01:32:09,350 --> 01:32:08,159
oh yes and so

2508
01:32:12,070 --> 01:32:09,360
the

2509
01:32:13,030 --> 01:32:12,080
metaphysical shop we went to was only

2510
01:32:15,510 --> 01:32:13,040
maybe

2511
01:32:18,470 --> 01:32:15,520
less than two miles away from

2512
01:32:20,070 --> 01:32:18,480
our the haunted duplex in minneapolis

2513
01:32:22,149 --> 01:32:20,080

and so

2514

01:32:23,110 --> 01:32:22,159

the way we

2515

01:32:24,470 --> 01:32:23,120

went

2516

01:32:26,870 --> 01:32:24,480

um

2517

01:32:28,310 --> 01:32:26,880

back home was a different way that we

2518

01:32:29,910 --> 01:32:28,320

normally take

2519

01:32:33,430 --> 01:32:29,920

and so

2520

01:32:36,790 --> 01:32:33,440

on the license plate it said

2521

01:32:39,669 --> 01:32:36,800

soul mate on it and so the car right in

2522

01:32:42,550 --> 01:32:39,679

front of us at the first stoplight yes

2523

01:32:45,270 --> 01:32:42,560

and so a common like license plate to

2524

01:32:47,030 --> 01:32:45,280

just have out there's only one

2525

01:32:49,350 --> 01:32:47,040

you know when you have a customized

2526

01:32:50,310 --> 01:32:49,360

plate it there's only one in the state

2527

01:32:52,830 --> 01:32:50,320

for

2528

01:32:55,830 --> 01:32:52,840

a specific reason you know

2529

01:32:57,590 --> 01:32:55,840

um and

2530

01:32:59,590 --> 01:32:57,600

so

2531

01:33:03,430 --> 01:32:59,600

that's once again

2532

01:33:05,430 --> 01:33:03,440

i don't think it's a coincidence when

2533

01:33:07,750 --> 01:33:05,440

you know it's like

2534

01:33:09,430 --> 01:33:07,760

there's just too many

2535

01:33:10,709 --> 01:33:09,440

you know synchronicities there's just

2536

01:33:12,709 --> 01:33:10,719

too many

2537

01:33:15,030 --> 01:33:12,719

things that

2538

01:33:16,629 --> 01:33:15,040

kind of line up but

2539

01:33:18,629 --> 01:33:16,639

especially when

2540

01:33:21,350 --> 01:33:18,639

we take a different way home

2541

01:33:24,310 --> 01:33:21,360

and i was talking skeptical

2542

01:33:27,750 --> 01:33:24,320

yeah that's the thing or i'm

2543

01:33:31,910 --> 01:33:27,760

i'm very much open-minded but i do have

2544

01:33:34,390 --> 01:33:31,920

a logical side first that i try to

2545

01:33:37,030 --> 01:33:34,400

figure out if i can recreate something

2546

01:33:38,629 --> 01:33:37,040

if something you know i think a ghost in

2547

01:33:40,790 --> 01:33:38,639

something i try to see if i can do it

2548

01:33:42,550 --> 01:33:40,800

first so i don't freak myself out you

2549

01:33:44,550 --> 01:33:42,560

know i can yeah

2550

01:33:46,390 --> 01:33:44,560

so you were talking skeptical and we

2551

01:33:48,310 --> 01:33:46,400

pulled up and i go

2552

01:33:50,550 --> 01:33:48,320

look at the car in front of us and it

2553

01:33:53,270 --> 01:33:50,560

was soul soulmates right on it it was

2554

01:33:55,750 --> 01:33:53,280

crazy that is pretty amazing

2555

01:33:58,390 --> 01:33:55,760

yeah and so it's like you can't deny

2556

01:34:00,070 --> 01:33:58,400

that and you can't make that up

2557

01:34:02,709 --> 01:34:00,080

when

2558

01:34:05,590 --> 01:34:02,719

we're talking about or just come from

2559

01:34:08,550 --> 01:34:05,600

past life reading and get all this

2560

01:34:09,990 --> 01:34:08,560

information you know

2561

01:34:12,390 --> 01:34:10,000

mr crowley

2562

01:34:14,550 --> 01:34:12,400

that is true that is true

2563

01:34:17,110 --> 01:34:14,560

um

2564

01:34:19,750 --> 01:34:17,120

i love you guys in the chat are we riled

2565

01:34:22,390 --> 01:34:19,760

up over there tonight we love you guys

2566

01:34:25,350 --> 01:34:22,400

something in the in the night i know

2567

01:34:26,709 --> 01:34:25,360

something in that it's getting there so

2568

01:34:28,229 --> 01:34:26,719

really quick thing too i would love to

2569

01:34:29,510 --> 01:34:28,239

ask you guys on this because i see all

2570

01:34:31,110 --> 01:34:29,520

the different adventures that the two of

2571

01:34:33,270 --> 01:34:31,120

you have taken you guys have traveled

2572

01:34:35,030 --> 01:34:33,280

and you've done a lot of uh just

2573

01:34:36,310 --> 01:34:35,040

different adventures together and it

2574

01:34:38,390 --> 01:34:36,320

seems like one of your passions seemed

2575

01:34:39,430 --> 01:34:38,400

to be going out looking for the big man

2576

01:34:41,590 --> 01:34:39,440

himself

2577

01:34:43,750 --> 01:34:41,600

is that just always been a lifelong

2578

01:34:45,590 --> 01:34:43,760

passion project or have you either ever

2579

01:34:47,270 --> 01:34:45,600

had an encounter with with the elusive

2580

01:34:48,790 --> 01:34:47,280

bigfoot

2581

01:34:50,629 --> 01:34:48,800

um i don't

2582

01:34:53,830 --> 01:34:50,639

like i've always it's always like

2583

01:34:55,030 --> 01:34:53,840

cryptid so i'm always interested

2584

01:35:04,149 --> 01:34:55,040

in

2585

01:35:06,709 --> 01:35:04,159

has

2586

01:35:09,109 --> 01:35:06,719

been camping more and

2587

01:35:13,030 --> 01:35:09,119

especially when you were in

2588

01:35:15,910 --> 01:35:13,040

california yeah yeah my dad was a

2589

01:35:18,629 --> 01:35:15,920

he made my dad was a man of many talents

2590

01:35:21,350 --> 01:35:18,639

kind of like i am and he

2591

01:35:23,030 --> 01:35:21,360

one of his like so he'd sell firewoods

2592

01:35:24,390 --> 01:35:23,040

we'd go out and we cut firewood all day

2593

01:35:26,629 --> 01:35:24,400

and then he used to

2594

01:35:28,709 --> 01:35:26,639

guide people backpacking because he was

2595

01:35:30,709 --> 01:35:28,719

big time in the woods and hiking and if

2596

01:35:31,669 --> 01:35:30,719

they didn't tip him enough

2597

01:35:36,390 --> 01:35:31,679

he would

2598

01:35:37,669 --> 01:35:36,400

you'd put extra stuff inside his back

2599

01:35:49,030 --> 01:35:37,679

their backpacks when they weren't

2600

01:35:54,229 --> 01:35:51,430

oh yeah sunny

2601

01:35:55,430 --> 01:35:54,239

um but yeah so your father he's out here

2602

01:35:56,390 --> 01:35:55,440

and if these people don't tip and

2603

01:35:57,669 --> 01:35:56,400

they're going to be carrying some extra

2604

01:36:00,070 --> 01:35:57,679

weight they're going to get some leg

2605

01:36:02,070 --> 01:36:00,080

muscles today

2606

01:36:04,070 --> 01:36:02,080

but yeah he did that his whole life he's

2607

01:36:06,310 --> 01:36:04,080

always worked that kind of stuff and

2608

01:36:09,030 --> 01:36:06,320

but no we used to so we spent

2609

01:36:12,149 --> 01:36:09,040

like my whole childhood was outside in

2610

01:36:14,950 --> 01:36:12,159

the woods in the desert in wherever we'd

2611

01:36:18,950 --> 01:36:14,960

be all throughout the sierra nevadas

2612

01:36:22,149 --> 01:36:18,960

and then my grandpa he was a hot rod guy

2613

01:36:24,870 --> 01:36:22,159

and he used to race drag boats and so we

2614

01:36:27,430 --> 01:36:24,880

had this big flat bottom

2615

01:36:28,550 --> 01:36:27,440

or a wooden mahogany flat bottom drag

2616

01:36:29,910 --> 01:36:28,560

boat

2617

01:36:33,030 --> 01:36:29,920

and

2618

01:36:35,510 --> 01:36:33,040

it just sounds like ron burgundy style

2619

01:36:37,590 --> 01:36:35,520

they had a ford 460 in the back

2620

01:36:39,430 --> 01:36:37,600

straight headers coming out you could

2621

01:36:41,590 --> 01:36:39,440

shoot fire right out of the exhaust and

2622

01:36:43,990 --> 01:36:41,600

it could go 120 miles an hour across the

2623

01:36:49,189 --> 01:36:46,470

it was nuts and my grandpa used to race

2624

01:36:51,270 --> 01:36:49,199

it and he was a skinny little guy and

2625

01:36:53,750 --> 01:36:51,280

there'd just be he'd be white knuckling

2626
01:36:55,590 --> 01:36:53,760
that steering wheel like a maniac your

2627
01:36:58,390 --> 01:36:55,600
grandpa with the one eye yep my grandpa

2628
01:37:02,709 --> 01:36:58,400
with one eye the one i'm sorry

2629
01:37:04,709 --> 01:37:02,719
i forget i forget that i don't

2630
01:37:13,830 --> 01:37:04,719
this grandpa has a

2631
01:37:19,189 --> 01:37:16,070
he lost it racing a

2632
01:37:21,109 --> 01:37:19,199
hot rod through mulholland drive

2633
01:37:23,270 --> 01:37:21,119
and rolled it off a cliff and then it

2634
01:37:26,830 --> 01:37:23,280
killed its brother and it put a shard of

2635
01:37:29,669 --> 01:37:26,840
glass through his eye that was in like

2636
01:37:31,350 --> 01:37:29,679
1944 or something like that dang

2637
01:37:33,350 --> 01:37:31,360
yeah he didn't get to go to world war

2638
01:37:36,709 --> 01:37:33,360

two because he had one eye

2639

01:37:37,910 --> 01:37:36,719

oh wow and uh crazy how that can like do

2640

01:37:39,350 --> 01:37:37,920

you ever think about us being here and

2641

01:37:42,070 --> 01:37:39,360

not being here like that it's a great

2642

01:37:44,870 --> 01:37:42,080

coincidence it's crazy yeah

2643

01:37:46,709 --> 01:37:44,880

but yeah so we would take the boats and

2644

01:37:48,550 --> 01:37:46,719

his favorite lake to take that thing up

2645

01:37:50,470 --> 01:37:48,560

to was lake trinity

2646

01:37:52,470 --> 01:37:50,480

which is up in northern california which

2647

01:37:54,629 --> 01:37:52,480

is about

2648

01:37:56,629 --> 01:37:54,639

10 miles or so from where the patterson

2649

01:37:57,750 --> 01:37:56,639

giblin or yeah the patterson film was

2650

01:37:58,870 --> 01:37:57,760

made

2651

01:38:01,510 --> 01:37:58,880

so it was

2652

01:38:03,990 --> 01:38:01,520

really wild golden no the the green

2653

01:38:05,750 --> 01:38:04,000

triangle yeah we used to go up there

2654

01:38:07,669 --> 01:38:05,760

camping all the time

2655

01:38:10,149 --> 01:38:07,679

and it was something that my dad would

2656

01:38:10,870 --> 01:38:10,159

always tell a story and he my dad i knew

2657

01:38:16,390 --> 01:38:10,880

he

2658

01:38:18,310 --> 01:38:16,400

it was something but we were sleeping in

2659

01:38:20,709 --> 01:38:18,320

the tent one night and i woke up to

2660

01:38:22,870 --> 01:38:20,719

something right outside the tent

2661

01:38:24,310 --> 01:38:22,880

on the other side of the nylon sniffing

2662

01:38:27,669 --> 01:38:24,320

my head

2663

01:38:29,669 --> 01:38:27,679

and big wow and going

2664

01:38:31,750 --> 01:38:29,679

and we were like and it left and my dad

2665

01:38:33,750 --> 01:38:31,760

even he said he was like that would you

2666

01:38:36,790 --> 01:38:33,760

know it might have been a bear but a

2667

01:38:39,430 --> 01:38:36,800

very very big bear

2668

01:38:41,030 --> 01:38:39,440

and there was no bare footprints

2669

01:38:42,870 --> 01:38:41,040

anywhere and we were sleeping on pine

2670

01:38:44,229 --> 01:38:42,880

bed so it was all just pine needles and

2671

01:38:46,550 --> 01:38:44,239

stuff like that so i'd normally tear

2672

01:38:48,229 --> 01:38:46,560

that stuff up but no it was no

2673

01:38:50,070 --> 01:38:48,239

footprints nothing

2674

01:38:51,669 --> 01:38:50,080

and then that whole time camping up

2675

01:38:53,669 --> 01:38:51,679

there too whenever we'd go camping you'd

2676

01:38:54,790 --> 01:38:53,679

hear the knocks

2677

01:38:56,550 --> 01:38:54,800

just

2678

01:38:58,070 --> 01:38:56,560

through the woods and you're like oh

2679

01:38:59,510 --> 01:38:58,080

what was that that was really before

2680

01:39:01,109 --> 01:38:59,520

people started

2681

01:39:03,109 --> 01:39:01,119

thinking of what it was and it was just

2682

01:39:05,270 --> 01:39:03,119

like oh it's just stuff in the woods but

2683

01:39:06,310 --> 01:39:05,280

it's like no that's not just stuff in

2684

01:39:08,070 --> 01:39:06,320

the woods

2685

01:39:13,030 --> 01:39:08,080

yeah

2686

01:39:15,430 --> 01:39:13,040

time you know

2687

01:39:16,709 --> 01:39:15,440

unfortunately we i love the technology

2688

01:39:18,070 --> 01:39:16,719

we have now we're able to do stuff like

2689

01:39:19,830 --> 01:39:18,080

this you guys are where you live and

2690

01:39:21,270 --> 01:39:19,840

where i live and we're able to talk and

2691

01:39:23,990 --> 01:39:21,280

have this conversation

2692

01:39:26,149 --> 01:39:24,000

but i think we forget the vastness of

2693

01:39:28,149 --> 01:39:26,159

nature you know people talk about like

2694

01:39:29,590 --> 01:39:28,159

if it exists if bigfoot's out there why

2695

01:39:30,629 --> 01:39:29,600

haven't we found the body yet where is

2696

01:39:33,270 --> 01:39:30,639

it at

2697

01:39:35,270 --> 01:39:33,280

it's like if you realize just how vast

2698

01:39:36,310 --> 01:39:35,280

these places are and let's take animals

2699

01:39:38,070 --> 01:39:36,320

we know about i know people use this

2700

01:39:40,310 --> 01:39:38,080

comparison all the time but we'll use it

2701
01:39:42,310 --> 01:39:40,320
again you know black bear being common

2702
01:39:43,750 --> 01:39:42,320
more common than most of their bears

2703
01:39:45,830 --> 01:39:43,760
yeah and where are their bodies how

2704
01:39:47,669 --> 01:39:45,840
often do you come across that or any

2705
01:39:48,870 --> 01:39:47,679
skeleton really there's only a few

2706
01:39:51,350 --> 01:39:48,880
things that you'll come across generally

2707
01:39:53,750 --> 01:39:51,360
the skull sometimes maybe a backbone

2708
01:39:55,830 --> 01:39:53,760
but it's very rare nature kind of has a

2709
01:39:56,950 --> 01:39:55,840
system for all of that so

2710
01:39:57,830 --> 01:39:56,960
i and and if we're talking about

2711
01:39:59,750 --> 01:39:57,840
something that's some sort of an

2712
01:40:02,550 --> 01:39:59,760
advanced um

2713
01:40:04,149 --> 01:40:02,560

species or uh i guess this is sentient

2714

01:40:05,910 --> 01:40:04,159

beings here they could

2715

01:40:07,830 --> 01:40:05,920

hypothesize them bearing their own or

2716

01:40:09,189 --> 01:40:07,840

whatever it might be but for the two of

2717

01:40:11,430 --> 01:40:09,199

you what what kind of what are your

2718

01:40:13,750 --> 01:40:11,440

takes on i guess the idea of bigfoot i

2719

01:40:15,189 --> 01:40:13,760

mean gary you just said you you you are

2720

01:40:17,510 --> 01:40:15,199

a believer then you think always

2721

01:40:19,350 --> 01:40:17,520

something there yes and a lot of it you

2722

01:40:21,430 --> 01:40:19,360

know that's the thing is there's always

2723

01:40:23,910 --> 01:40:21,440

the theory of the national parks and the

2724

01:40:25,910 --> 01:40:23,920

national forests are there for a reason

2725

01:40:27,510 --> 01:40:25,920

and it's always seems to be where most

2726

01:40:29,510 --> 01:40:27,520

of the hot spots are always seen is in

2727

01:40:31,189 --> 01:40:29,520

that areas and you know that they're

2728

01:40:32,870 --> 01:40:31,199

probably there making sure that they're

2729

01:40:34,870 --> 01:40:32,880

still safe and

2730

01:40:36,629 --> 01:40:34,880

but it's definitely something and

2731

01:40:39,910 --> 01:40:36,639

they're definitely there

2732

01:40:44,310 --> 01:40:42,149

you know i mean

2733

01:40:45,350 --> 01:40:44,320

you know i haven't had any just because

2734

01:40:47,270 --> 01:40:45,360

i haven't

2735

01:40:49,990 --> 01:40:47,280

seen it doesn't mean that i don't think

2736

01:40:51,990 --> 01:40:50,000

it's a possibility of it you know uh

2737

01:40:54,629 --> 01:40:52,000

something being out there i know the

2738

01:40:57,990 --> 01:40:54,639

hollow earth theory is something

2739

01:41:00,390 --> 01:40:58,000

around uh bigfoot um but i do know a lot

2740

01:41:03,030 --> 01:41:00,400

of uh specifically you know the

2741

01:41:04,629 --> 01:41:03,040

indigenous uh you know uh native

2742

01:41:06,790 --> 01:41:04,639

americans here

2743

01:41:09,910 --> 01:41:06,800

in uh north america

2744

01:41:12,070 --> 01:41:09,920

or in the united states i should say um

2745

01:41:13,510 --> 01:41:12,080

you know different tribes have different

2746

01:41:15,270 --> 01:41:13,520

um

2747

01:41:18,470 --> 01:41:15,280

beliefs but

2748

01:41:21,350 --> 01:41:18,480

a lot of them spoke about a hairy a big

2749

01:41:22,229 --> 01:41:21,360

hairy guy and not not not this big hairy

2750

01:41:23,109 --> 01:41:22,239

guy

2751
01:41:23,910 --> 01:41:23,119
um

2752
01:41:24,629 --> 01:41:23,920
but

2753
01:41:26,310 --> 01:41:24,639
they

2754
01:41:27,109 --> 01:41:26,320
and also it's like

2755
01:41:29,750 --> 01:41:27,119
it's

2756
01:41:32,629 --> 01:41:29,760
there's a lot of indigenous women that

2757
01:41:33,910 --> 01:41:32,639
are missing even currently to this day

2758
01:41:35,270 --> 01:41:33,920
um

2759
01:41:36,390 --> 01:41:35,280
at

2760
01:41:38,629 --> 01:41:36,400
a higher

2761
01:41:40,310 --> 01:41:38,639
rate that they are missing um versus

2762
01:41:41,270 --> 01:41:40,320
other ethnicities

2763
01:41:43,830 --> 01:41:41,280

and

2764

01:41:46,390 --> 01:41:43,840

it's you know

2765

01:41:49,350 --> 01:41:46,400

what some tribes think is that

2766

01:41:52,070 --> 01:41:49,360

sasquatch is taking the ladies

2767

01:41:54,390 --> 01:41:52,080

away from their tribes and then they're

2768

01:41:57,030 --> 01:41:54,400

going and having offspring

2769

01:42:00,070 --> 01:41:57,040

with so i mean

2770

01:42:02,070 --> 01:42:00,080

who's who i i don't know i don't i'm

2771

01:42:05,510 --> 01:42:02,080

definitely not gonna say

2772

01:42:07,430 --> 01:42:05,520

i don't believe in them because look at

2773

01:42:10,229 --> 01:42:07,440

the the ocean

2774

01:42:13,109 --> 01:42:10,239

you know in in the water how

2775

01:42:14,390 --> 01:42:13,119

you know how much of it is still

2776

01:42:15,350 --> 01:42:14,400
to discover

2777

01:42:16,870 --> 01:42:15,360
and

2778

01:42:18,950 --> 01:42:16,880
i mean

2779

01:42:21,189 --> 01:42:18,960
the globe hasn't been

2780

01:42:23,750 --> 01:42:21,199
all of the earth hasn't been

2781

01:42:24,870 --> 01:42:23,760
discovered yet so it's like who

2782

01:42:26,629 --> 01:42:24,880
knows

2783

01:42:27,910 --> 01:42:26,639
you know

2784

01:42:29,590 --> 01:42:27,920
who knows i do think that's the only

2785

01:42:32,790 --> 01:42:29,600
thing that bothers me about and it can

2786

01:42:34,470 --> 01:42:32,800
be in regards to the ufo topic you know

2787

01:42:36,950 --> 01:42:34,480
uaps whatever term you want to have for

2788

01:42:38,149 --> 01:42:36,960

them the phenomenon as a whole

2789

01:42:39,990 --> 01:42:38,159

i i

2790

01:42:41,750 --> 01:42:40,000

do love science and i love things being

2791

01:42:44,629 --> 01:42:41,760

scientifically backed or answered the

2792

01:42:46,470 --> 01:42:44,639

only time i i do take issue with it is

2793

01:42:48,629 --> 01:42:46,480

the whole

2794

01:42:50,310 --> 01:42:48,639

when they come in so confidently and say

2795

01:42:52,229 --> 01:42:50,320

you know we know for a fact that this is

2796

01:42:53,189 --> 01:42:52,239

just all you know hullabaloo this is

2797

01:42:55,109 --> 01:42:53,199

just people

2798

01:42:57,270 --> 01:42:55,119

you know it's psychosis it's people

2799

01:42:58,629 --> 01:42:57,280

making this up and it's all these other

2800

01:42:59,750 --> 01:42:58,639

terms they'll throw out there that sound

2801

01:43:02,229 --> 01:42:59,760

nice

2802

01:43:03,350 --> 01:43:02,239

but in fact they don't really know we

2803

01:43:05,990 --> 01:43:03,360

don't know right it's kind of an

2804

01:43:07,669 --> 01:43:06,000

improvable or provable thing and until

2805

01:43:09,350 --> 01:43:07,679

we have more information sure the

2806

01:43:11,030 --> 01:43:09,360

information

2807

01:43:13,109 --> 01:43:11,040

seems to point towards we don't have the

2808

01:43:14,390 --> 01:43:13,119

scientific evidence to say here it is

2809

01:43:16,550 --> 01:43:14,400

but at the same time for those that have

2810

01:43:18,550 --> 01:43:16,560

dedicated their life and researched it

2811

01:43:21,430 --> 01:43:18,560

oh my god i'll tell anybody to go listen

2812

01:43:22,870 --> 01:43:21,440

if you have not uh listen to oh my gosh

2813

01:43:25,350 --> 01:43:22,880

i'm drawing a blank in the name of the

2814

01:43:26,870 --> 01:43:25,360

podcast they did a five part series i

2815

01:43:28,870 --> 01:43:26,880

listened all thirteen and a half hours

2816

01:43:31,669 --> 01:43:28,880

of it i think it's called ex

2817

01:43:32,629 --> 01:43:31,679

exton or excuse me astonishing legends

2818

01:43:35,109 --> 01:43:32,639

might be i think it's what it's called

2819

01:43:37,669 --> 01:43:35,119

astonishing legends podcast if you look

2820

01:43:40,470 --> 01:43:37,679

up their research that they did on

2821

01:43:42,310 --> 01:43:40,480

the uh the footage there um not too far

2822

01:43:44,070 --> 01:43:42,320

from where your dad was working

2823

01:43:46,229 --> 01:43:44,080

i'm having around a blank what is the

2824

01:43:48,390 --> 01:43:46,239

name of that the gimlin footage yeah if

2825

01:43:50,149 --> 01:43:48,400

you look up that and i just kind of

2826

01:43:51,990 --> 01:43:50,159

wrote it off for patterson film thank

2827

01:43:53,270 --> 01:43:52,000

you the patterson film i had kind of for

2828

01:43:54,629 --> 01:43:53,280

whatever reason just tossed it off to

2829

01:43:55,990 --> 01:43:54,639

the side at one point when i was younger

2830

01:43:58,310 --> 01:43:56,000

just being like oh i guess it was on the

2831

01:43:59,990 --> 01:43:58,320

internet probably faked right but i

2832

01:44:01,669 --> 01:44:00,000

listened to that and when they go into

2833

01:44:03,669 --> 01:44:01,679

in-depth to understand how film

2834

01:44:05,830 --> 01:44:03,679

photography was shot in that time the

2835

01:44:08,310 --> 01:44:05,840

reels that were used how if you were to

2836

01:44:11,830 --> 01:44:08,320

edit or do anything there were clear cut

2837

01:44:12,709 --> 01:44:11,840

indicators that would show the editing

2838

01:44:14,950 --> 01:44:12,719

yeah

2839

01:44:17,430 --> 01:44:14,960

i came away from those 13 and a half

2840

01:44:19,350 --> 01:44:17,440

hours of listening to that and

2841

01:44:21,030 --> 01:44:19,360

pretty much was sold it no matter what

2842

01:44:22,310 --> 01:44:21,040

that that footage whatever they videoed

2843

01:44:23,990 --> 01:44:22,320

was real

2844

01:44:25,910 --> 01:44:24,000

and that's we don't give that enough

2845

01:44:28,390 --> 01:44:25,920

attention i mean really

2846

01:44:29,669 --> 01:44:28,400

that's kind of unbelievable

2847

01:44:31,270 --> 01:44:29,679

um

2848

01:44:33,430 --> 01:44:31,280

yeah i so i would recommend anybody who

2849

01:44:36,229 --> 01:44:33,440

maybe is on the fence with that one go

2850

01:44:38,310 --> 01:44:36,239

go find them astonishing legends did

2851
01:44:40,149 --> 01:44:38,320
13 and a half hours on it and they went

2852
01:44:41,669 --> 01:44:40,159
i mean they covered every aspect of it

2853
01:44:43,189 --> 01:44:41,679
and they covered the parts where some of

2854
01:44:44,950 --> 01:44:43,199
the stuff was

2855
01:44:47,189 --> 01:44:44,960
you know people were trying to make some

2856
01:44:48,629 --> 01:44:47,199
money there were some stuff going on but

2857
01:44:49,990 --> 01:44:48,639
all of that was tracked and you know

2858
01:44:52,229 --> 01:44:50,000
receipts and different stuff but the

2859
01:44:53,990 --> 01:44:52,239
original footage

2860
01:44:55,270 --> 01:44:54,000
man i still think it's kind of crazy to

2861
01:44:57,109 --> 01:44:55,280
think that you could go look that up on

2862
01:44:59,669 --> 01:44:57,119
youtube and be like that might have

2863
01:45:02,229 --> 01:44:59,679

legitimately been the real deal

2864

01:45:03,590 --> 01:45:02,239

which is the thing is we take all that

2865

01:45:06,229 --> 01:45:03,600

all that old

2866

01:45:08,310 --> 01:45:06,239

all the old technology for granted

2867

01:45:09,750 --> 01:45:08,320

because of what we have today

2868

01:45:11,430 --> 01:45:09,760

you know we can

2869

01:45:12,310 --> 01:45:11,440

we have a super computer in our in our

2870

01:45:15,189 --> 01:45:12,320

pocket

2871

01:45:18,310 --> 01:45:15,199

yeah you know and it used to be

2872

01:45:19,109 --> 01:45:18,320

where justin was the size of a tenth of

2873

01:45:20,629 --> 01:45:19,119

them

2874

01:45:22,950 --> 01:45:20,639

yeah just to have a tenth of that

2875

01:45:26,070 --> 01:45:22,960

technology in a computer

2876

01:45:28,070 --> 01:45:26,080

would be the size of a building

2877

01:45:30,390 --> 01:45:28,080

you know and

2878

01:45:32,790 --> 01:45:30,400

of course you know who knows why that we

2879

01:45:34,709 --> 01:45:32,800

were able to advance that fast but

2880

01:45:37,350 --> 01:45:34,719

that's always another debate for another

2881

01:45:39,030 --> 01:45:37,360

story at a time but al gore said he

2882

01:45:44,870 --> 01:45:39,040

invented the internet that's right al

2883

01:45:49,350 --> 01:45:46,870

i love it by the way brown. says well if

2884

01:45:51,990 --> 01:45:49,360

you are ever on the east coast come to

2885

01:45:53,910 --> 01:45:52,000

jersey we have the freaky eerie

2886

01:45:55,910 --> 01:45:53,920

crazy pine barrens

2887

01:45:58,870 --> 01:45:55,920

yikes it is scary we can look for the

2888

01:46:00,790 --> 01:45:58,880

jersey devil it it and it's home right

2889

01:46:02,709 --> 01:46:00,800

in my backyard

2890

01:46:04,790 --> 01:46:02,719

i've um

2891

01:46:06,950 --> 01:46:04,800

back in the day when i

2892

01:46:10,229 --> 01:46:06,960

in my early 20s when i

2893

01:46:12,950 --> 01:46:10,239

still drank and went to the bars

2894

01:46:15,990 --> 01:46:12,960

i was with my data at the time and one

2895

01:46:19,189 --> 01:46:16,000

of his friends was uh older than him but

2896

01:46:21,590 --> 01:46:19,199

he was a professor at the u of m u of m

2897

01:46:22,870 --> 01:46:21,600

university in minnesota minnesota and so

2898

01:46:26,470 --> 01:46:22,880

okay

2899

01:46:28,149 --> 01:46:26,480

the the history uh you know like the

2900

01:46:30,470 --> 01:46:28,159

monster quest

2901

01:46:33,030 --> 01:46:30,480

you know that was out maybe 10 years ago

2902

01:46:36,070 --> 01:46:33,040

from the history channel there's one on

2903

01:46:39,189 --> 01:46:36,080

the jersey devil and he is a professor

2904

01:46:42,470 --> 01:46:39,199

in that document in not that documentary

2905

01:46:44,550 --> 01:46:42,480

but that episode he's in it so

2906

01:46:47,750 --> 01:46:44,560

like i thought it was cool that i was

2907

01:46:49,669 --> 01:46:47,760

like oh you know it's like get to have

2908

01:46:50,790 --> 01:46:49,679

drinks with this guy that was on the

2909

01:46:54,790 --> 01:46:50,800

freaking

2910

01:46:57,430 --> 01:46:54,800

mothman episode i was like cool yeah

2911

01:46:59,990 --> 01:46:57,440

like i always loved stuff like that

2912

01:47:02,310 --> 01:47:00,000

by the way uh says you can always uh you

2913

01:47:04,709 --> 01:47:02,320

have a place to stay with us if

2914

01:47:06,830 --> 01:47:04,719

and if we fail we go to the atlantic

2915

01:47:08,870 --> 01:47:06,840

city casinos and the

2916

01:47:11,590 --> 01:47:08,880

shore there you go

2917

01:47:13,669 --> 01:47:11,600

tammy says she said i can recall someone

2918

01:47:15,430 --> 01:47:13,679

back then saying that there was no

2919

01:47:16,629 --> 01:47:15,440

reason for anyone to have a computer in

2920

01:47:17,990 --> 01:47:16,639

their home

2921

01:47:19,910 --> 01:47:18,000

now i mean like she's saying look at it

2922

01:47:20,830 --> 01:47:19,920

now essentially like

2923

01:47:23,910 --> 01:47:20,840

it's pretty

2924

01:47:26,870 --> 01:47:23,920

unbelievable yeah um but have you guys

2925

01:47:29,590 --> 01:47:26,880

in your i guess adventures in escapades

2926

01:47:31,109 --> 01:47:29,600

have you ever had any sort of

2927

01:47:32,790 --> 01:47:31,119

something while camping that you're like

2928

01:47:34,950 --> 01:47:32,800

hmm just uncertain you know maybe

2929

01:47:38,870 --> 01:47:34,960

something that took place

2930

01:47:40,149 --> 01:47:38,880

not camping but here in colorado and

2931

01:47:41,350 --> 01:47:40,159

we

2932

01:47:43,270 --> 01:47:41,360

writing

2933

01:47:45,109 --> 01:47:43,280

you know stepped outside our doors and

2934

01:47:45,990 --> 01:47:45,119

we saw weird stuff

2935

01:47:46,790 --> 01:47:46,000

really

2936

01:47:50,790 --> 01:47:46,800

yeah

2937

01:47:53,350 --> 01:47:50,800

nobody ever talks about it and you're

2938

01:47:55,430 --> 01:47:53,360

better at describing it than i am for

2939

01:47:57,270 --> 01:47:55,440

sure yeah no one ever talks about this

2940

01:47:59,510 --> 01:47:57,280

but it was actually like dave talked

2941

01:48:00,629 --> 01:47:59,520

about it three years ago when it was on

2942

01:48:02,790 --> 01:48:00,639

there

2943

01:48:05,590 --> 01:48:02,800

and when it was when it was big news but

2944

01:48:06,790 --> 01:48:05,600

it was it was the beginning of or not i

2945

01:48:09,189 --> 01:48:06,800

guess three years ago it was two years

2946

01:48:11,270 --> 01:48:09,199

ago this year before the pandemic

2947

01:48:12,550 --> 01:48:11,280

january 2020

2948

01:48:14,709 --> 01:48:12,560

and

2949

01:48:16,310 --> 01:48:14,719

they started having these weird

2950

01:48:17,430 --> 01:48:16,320

sightings out in eastern colorado

2951

01:48:19,830 --> 01:48:17,440

because we're on the eastern side of

2952

01:48:21,590 --> 01:48:19,840

this of the rocky mountains okay in the

2953

01:48:23,590 --> 01:48:21,600

northern part

2954

01:48:26,070 --> 01:48:23,600

and

2955

01:48:27,910 --> 01:48:26,080

about 20 miles away from where we're

2956

01:48:30,229 --> 01:48:27,920

sitting right now

2957

01:48:32,950 --> 01:48:30,239

is like a 20 megaton

2958

01:48:35,270 --> 01:48:32,960

nuclear warhead

2959

01:48:37,270 --> 01:48:35,280

we are i drive by them all day long

2960

01:48:39,910 --> 01:48:37,280

there's all the missile silos i have a

2961

01:48:41,030 --> 01:48:39,920

friend of mine whose dad used to be in

2962

01:48:43,590 --> 01:48:41,040

uh the

2963

01:48:45,910 --> 01:48:43,600

the norad and so

2964

01:48:47,430 --> 01:48:45,920

he used to be in charge of the old

2965

01:48:48,790 --> 01:48:47,440

titan missiles and stuff like that back

2966

01:48:51,030 --> 01:48:48,800

in those days

2967

01:48:52,550 --> 01:48:51,040

and he loves to go out and he documents

2968

01:48:54,149 --> 01:48:52,560

where each one of them are

2969

01:48:55,910 --> 01:48:54,159

and so we've gone out to the middle

2970

01:48:56,950 --> 01:48:55,920

scott yeah we've gone out to the middle

2971

01:48:58,790 --> 01:48:56,960

of the

2972

01:49:00,229 --> 01:48:58,800

pawnee grasslands and went and he can

2973

01:49:02,709 --> 01:49:00,239

show you which ones are the control

2974

01:49:04,550 --> 01:49:02,719

houses and those are wild

2975

01:49:07,030 --> 01:49:04,560

they're just a house in the middle of

2976

01:49:09,669 --> 01:49:07,040

the prairie yeah that has a

2977

01:49:11,350 --> 01:49:09,679

helicopter pad next to it and a big old

2978

01:49:13,430 --> 01:49:11,360

fence and all these barricades and it

2979

01:49:15,030 --> 01:49:13,440

just looks like a house but then

2980

01:49:17,030 --> 01:49:15,040

two stories underground is what they

2981

01:49:19,750 --> 01:49:17,040

call the pill which is the control box

2982

01:49:21,109 --> 01:49:19,760

where they drop the bombs or where they

2983

01:49:22,470 --> 01:49:21,119

launch the missiles

2984

01:49:24,950 --> 01:49:22,480

and each one of the control house

2985

01:49:26,149 --> 01:49:24,960

controls seven tower or seven silos all

2986

01:49:28,070 --> 01:49:26,159

around it

2987

01:49:30,310 --> 01:49:28,080

and so you'll be driving along and

2988

01:49:31,830 --> 01:49:30,320

you'll see the military planes because

2989

01:49:33,430 --> 01:49:31,840

they all come out of warren's air force

2990

01:49:35,830 --> 01:49:33,440

base out of cheyenne

2991

01:49:38,709 --> 01:49:35,840

yeah wyoming and so they'll fly over and

2992

01:49:41,109 --> 01:49:38,719

you'll see these blackhawks just flying

2993

01:49:42,390 --> 01:49:41,119

20 yards above the ground just

2994

01:49:43,750 --> 01:49:42,400

heading out to the middle of control

2995

01:49:45,830 --> 01:49:43,760

houses but

2996

01:49:47,750 --> 01:49:45,840

what it started was

2997

01:49:50,470 --> 01:49:47,760

all these people started hurt hearing

2998

01:49:54,550 --> 01:49:53,430

of really large drones

2999

01:49:57,270 --> 01:49:54,560

and

3000

01:49:59,510 --> 01:49:57,280

it wasn't just one or two it was like 15

3001
01:50:00,950 --> 01:49:59,520
of them all kind of just flying around

3002
01:50:02,550 --> 01:50:00,960
in a grid

3003
01:50:05,430 --> 01:50:02,560
and they just kind of tracked back and

3004
01:50:07,109 --> 01:50:05,440
forth like this and like that and they'd

3005
01:50:09,510 --> 01:50:07,119
go for a while and then come back and

3006
01:50:12,390 --> 01:50:09,520
then come back but there'd be 10 or 15

3007
01:50:14,950 --> 01:50:12,400
of them and they were all about six and

3008
01:50:17,030 --> 01:50:14,960
a half feet in length oh wow these are

3009
01:50:20,070 --> 01:50:17,040
big these aren't your baby drones

3010
01:50:23,669 --> 01:50:20,080
they're not and they flew

3011
01:50:25,109 --> 01:50:23,679
for up to six hours at a time

3012
01:50:27,990 --> 01:50:25,119
which even

3013
01:50:30,550 --> 01:50:28,000

even any drone out there right now can

3014

01:50:32,629 --> 01:50:30,560

only fly for 15-20 minutes

3015

01:50:34,149 --> 01:50:32,639

you know really small these are

3016

01:50:35,350 --> 01:50:34,159

the batteries in these things had to be

3017

01:50:37,109 --> 01:50:35,360

huge

3018

01:50:39,910 --> 01:50:37,119

but they would not stop

3019

01:50:41,750 --> 01:50:39,920

and they started slowly creeping across

3020

01:50:43,510 --> 01:50:41,760

eastern colorado

3021

01:50:46,629 --> 01:50:43,520

until all of a sudden where we lived

3022

01:50:48,790 --> 01:50:46,639

which is kind of like the border of

3023

01:50:50,070 --> 01:50:48,800

civilization before the prairie is

3024

01:50:51,430 --> 01:50:50,080

basically

3025

01:50:54,310 --> 01:50:51,440

yeah and

3026

01:50:55,910 --> 01:50:54,320

we saw him right off of our apartment

3027

01:50:58,149 --> 01:50:55,920

patio all of a sudden one night i got

3028

01:50:59,990 --> 01:50:58,159

home and i said oh my god they're [h__\h]

3029

01:51:02,470 --> 01:51:00,000

they're out there you're good

3030

01:51:04,709 --> 01:51:02,480

okay joe all day long okay good i'm just

3031

01:51:07,669 --> 01:51:04,719

not shocked

3032

01:51:11,430 --> 01:51:10,310

sorry i swear a lot i'm trying not to on

3033

01:51:14,229 --> 01:51:11,440

youtube

3034

01:51:16,229 --> 01:51:14,239

and uh but we look over and

3035

01:51:18,629 --> 01:51:16,239

i'm like they're freaking here

3036

01:51:20,629 --> 01:51:18,639

i look out and oh my god we got footage

3037

01:51:22,149 --> 01:51:20,639

of them all over on my phones we

3038

01:51:24,229 --> 01:51:22,159

videotaped them i think it's on my

3039

01:51:25,589 --> 01:51:24,239

instagram and stuff too from

3040

01:51:28,390 --> 01:51:25,599

a year ago but

3041

01:51:29,430 --> 01:51:28,400

they just sat there and tracked back and

3042

01:51:34,470 --> 01:51:29,440

forth

3043

01:51:36,229 --> 01:51:34,480

and across and these were not airplanes

3044

01:51:38,950 --> 01:51:36,239

and you could hear them they would show

3045

01:51:42,310 --> 01:51:38,960

up night after night for like a week so

3046

01:51:45,030 --> 01:51:42,320

it wasn't just randomly you see a group

3047

01:51:47,270 --> 01:51:45,040

it would be they're back again tonight

3048

01:51:49,669 --> 01:51:47,280

and they would stay it wasn't like they

3049

01:51:51,669 --> 01:51:49,679

were landing and taking off another one

3050

01:51:54,229 --> 01:51:51,679

these were just constantly and you could

3051
01:51:56,310 --> 01:51:54,239
track one for about an hour an hour and

3052
01:51:58,229 --> 01:51:56,320
a half until it would finally just

3053
01:51:59,750 --> 01:51:58,239
dance its way across the horizon and

3054
01:52:02,149 --> 01:51:59,760
often in nowhere

3055
01:52:04,229 --> 01:52:02,159
and at one point they were looking for

3056
01:52:05,589 --> 01:52:04,239
like a control vehicle is what they

3057
01:52:07,109 --> 01:52:05,599
thought they spotted out in the middle

3058
01:52:09,589 --> 01:52:07,119
of the woods we're in the middle of the

3059
01:52:11,750 --> 01:52:09,599
prairie but no one found that

3060
01:52:14,149 --> 01:52:11,760
the governor even started looking into

3061
01:52:15,990 --> 01:52:14,159
it and the faa because they didn't know

3062
01:52:17,109 --> 01:52:16,000
who was flying these things and nobody

3063
01:52:22,709 --> 01:52:17,119

had

3064

01:52:25,189 --> 01:52:22,719

there's people that think that they were

3065

01:52:27,270 --> 01:52:25,199

they were a utility company is what they

3066

01:52:30,870 --> 01:52:27,280

thought at one point maybe mapping out

3067

01:52:33,350 --> 01:52:30,880

like underground gas lines we also have

3068

01:52:36,310 --> 01:52:33,360

a lot of oil fracking out here so they

3069

01:52:37,830 --> 01:52:36,320

think maybe it was tracking that

3070

01:52:40,709 --> 01:52:37,840

but the biggest thing is is that they

3071

01:52:42,390 --> 01:52:40,719

all started over by where the silos were

3072

01:52:43,350 --> 01:52:42,400

yeah and they all started coming that

3073

01:52:46,229 --> 01:52:43,360

way

3074

01:52:48,229 --> 01:52:46,239

and nobody knows whose technology is and

3075

01:52:49,910 --> 01:52:48,239

nobody and everybody that's talked about

3076

01:52:51,910 --> 01:52:49,920

it all the freaking

3077

01:52:54,390 --> 01:52:51,920

experts and the drone experts that were

3078

01:52:56,550 --> 01:52:54,400

in the area were all saying that

3079

01:52:59,189 --> 01:52:56,560

there is nothing on the market that can

3080

01:53:00,950 --> 01:52:59,199

fly as long as these are flying

3081

01:53:02,390 --> 01:53:00,960

you know what that sounds like okay we

3082

01:53:03,750 --> 01:53:02,400

have two routes tammy's asking the

3083

01:53:05,910 --> 01:53:03,760

obvious question do we think those were

3084

01:53:07,669 --> 01:53:05,920

government sure we i don't know did

3085

01:53:09,430 --> 01:53:07,679

anybody own up to that did he break the

3086

01:53:11,430 --> 01:53:09,440

government say it's ours yeah the

3087

01:53:15,669 --> 01:53:11,440

government was saying no we don't know

3088

01:53:17,350 --> 01:53:15,679

what these are which is oh sure okay

3089

01:53:18,950 --> 01:53:17,360

yeah yeah but

3090

01:53:20,229 --> 01:53:18,960

that's the thing is that and then all of

3091

01:53:22,390 --> 01:53:20,239

a sudden

3092

01:53:25,430 --> 01:53:22,400

poof it just vanished like a fart in the

3093

01:53:27,189 --> 01:53:25,440

wind and no one talked about it ever

3094

01:53:29,430 --> 01:53:27,199

again and that's the thing yeah it was

3095

01:53:32,070 --> 01:53:29,440

on colorado news you know the governor

3096

01:53:34,390 --> 01:53:32,080

making statements about it and oh and

3097

01:53:35,669 --> 01:53:34,400

then people just forgot about it i'll

3098

01:53:37,270 --> 01:53:35,679

have to look up

3099

01:53:39,109 --> 01:53:37,280

yeah see we could almost cover that on

3100

01:53:40,709 --> 01:53:39,119

the sor one time over the after hours

3101

01:53:41,990 --> 01:53:40,719

because that's that's what i was

3102

01:53:44,550 --> 01:53:42,000

thinking too

3103

01:53:45,830 --> 01:53:44,560

uh because there is footage like i s i

3104

01:53:46,790 --> 01:53:45,840

have

3105

01:53:48,390 --> 01:53:46,800

it's

3106

01:53:51,910 --> 01:53:48,400

very bad

3107

01:53:54,629 --> 01:53:51,920

filming of it but you can still see

3108

01:53:56,229 --> 01:53:54,639

you know you can still see like

3109

01:53:58,870 --> 01:53:56,239

lights and

3110

01:54:01,109 --> 01:53:58,880

you know it's just

3111

01:54:02,310 --> 01:54:01,119

you know what i always joke you guys

3112

01:54:05,030 --> 01:54:02,320

remember the cartoon you ever seen the

3113

01:54:06,790 --> 01:54:05,040

cartoon um chicken little

3114

01:54:08,870 --> 01:54:06,800

okay you remember the technology right

3115

01:54:10,470 --> 01:54:08,880

how the sky is fake the whole sky and

3116

01:54:11,589 --> 01:54:10,480

it's like it just the reflect oh sorry

3117

01:54:13,270 --> 01:54:11,599

not the whole sky the bottom of the

3118

01:54:14,310 --> 01:54:13,280

craft and it just reflects whatever's

3119

01:54:15,910 --> 01:54:14,320

above it

3120

01:54:17,510 --> 01:54:15,920

i mean some of the stuff's leaked out

3121

01:54:18,870 --> 01:54:17,520

that the military has some of that i

3122

01:54:20,550 --> 01:54:18,880

mean and they've shown those blanket

3123

01:54:21,910 --> 01:54:20,560

covers they can put on people but i've

3124

01:54:23,109 --> 01:54:21,920

always joked like if there are things

3125

01:54:24,310 --> 01:54:23,119

that they're flying around instead of

3126
01:54:26,390 --> 01:54:24,320
being seen

3127
01:54:27,910 --> 01:54:26,400
wouldn't you just do that almost like

3128
01:54:29,109 --> 01:54:27,920
almost got the technology but they gave

3129
01:54:31,510 --> 01:54:29,119
us too much credit like okay we're just

3130
01:54:33,669 --> 01:54:31,520
gonna send down drones but they messed

3131
01:54:35,270 --> 01:54:33,679
up or like let them last for six seven

3132
01:54:36,550 --> 01:54:35,280
hours so they're like crap they're still

3133
01:54:37,430 --> 01:54:36,560
too good

3134
01:54:39,669 --> 01:54:37,440
like

3135
01:54:41,830 --> 01:54:39,679
what's the outside blender the glitch in

3136
01:54:42,629 --> 01:54:41,840
the matrix there's just something that's

3137
01:54:44,709 --> 01:54:42,639
weird

3138
01:54:47,189 --> 01:54:44,719

well the other day i was i was down in

3139

01:54:49,270 --> 01:54:47,199

denver and i was driving back up and i

3140

01:54:51,830 --> 01:54:49,280

have this on my phone too

3141

01:54:53,510 --> 01:54:51,840

and it at first i thought it was

3142

01:54:57,589 --> 01:54:53,520

helicopters

3143

01:55:00,229 --> 01:54:57,599

but i realize no that's way too big to

3144

01:55:01,430 --> 01:55:00,239

be a helicopter that looks like a giant

3145

01:55:03,830 --> 01:55:01,440

plane

3146

01:55:04,629 --> 01:55:03,840

and it was completely stationary in the

3147

01:55:06,709 --> 01:55:04,639

air

3148

01:55:08,229 --> 01:55:06,719

just hovering there

3149

01:55:09,510 --> 01:55:08,239

lights were blinking

3150

01:55:11,750 --> 01:55:09,520

no movement

3151
01:55:13,030 --> 01:55:11,760
and i'm driving up the road going i was

3152
01:55:14,470 --> 01:55:13,040
driving up the road i think i was

3153
01:55:16,229 --> 01:55:14,480
listening to either dave or i was

3154
01:55:18,470 --> 01:55:16,239
listening to art bell on my freaking

3155
01:55:20,470 --> 01:55:18,480
spotify and one of the two and i'm

3156
01:55:23,350 --> 01:55:20,480
looking over and i'm like

3157
01:55:25,830 --> 01:55:23,360
that plane is not moving and it's right

3158
01:55:27,750 --> 01:55:25,840
next to down the street from dia

3159
01:55:29,669 --> 01:55:27,760
and you know you'll see him stack up

3160
01:55:31,589 --> 01:55:29,679
waiting for the landing because slowing

3161
01:55:32,550 --> 01:55:31,599
down or whatever and they can fly slow

3162
01:55:34,870 --> 01:55:32,560
and but

3163
01:55:37,270 --> 01:55:34,880

but you can tell they're moving

3164

01:55:39,589 --> 01:55:37,280

and these ones weren't moving they were

3165

01:55:41,669 --> 01:55:39,599

completely stationary and i was like i

3166

01:55:43,510 --> 01:55:41,679

saw one and i'm like oh that's weird and

3167

01:55:45,030 --> 01:55:43,520

i started coming up over the hill and

3168

01:55:46,950 --> 01:55:45,040

there's another one

3169

01:55:49,669 --> 01:55:46,960

oh that's weird

3170

01:55:52,470 --> 01:55:49,679

and i caught four of them in a row just

3171

01:55:54,550 --> 01:55:52,480

completely stationary the entire time i

3172

01:55:57,109 --> 01:55:54,560

filmed them while i was passing and i

3173

01:55:57,830 --> 01:55:57,119

drove a quarter of a mile from them and

3174

01:56:15,109 --> 01:55:57,840

i

3175

01:56:16,629 --> 01:56:15,119

able to start to comment to uh watch us

3176

01:56:17,990 --> 01:56:16,639

and stuff so

3177

01:56:18,709 --> 01:56:18,000

and that's how they're starting to [h__\h]

3178

01:56:21,030 --> 01:56:18,719

to

3179

01:56:22,790 --> 01:56:21,040

you know well we can start mimicking our

3180

01:56:24,550 --> 01:56:22,800

crafts to look like their crafts and now

3181

01:56:26,149 --> 01:56:24,560

we can start doing stuff

3182

01:56:27,589 --> 01:56:26,159

but it did it looked like helicopters

3183

01:56:29,589 --> 01:56:27,599

but that didn't have the helicopter

3184

01:56:30,629 --> 01:56:29,599

rotors it wasn't making helicopter

3185

01:56:33,350 --> 01:56:30,639

sounds

3186

01:56:36,070 --> 01:56:33,360

and it wasn't it but they were stayed

3187

01:56:38,310 --> 01:56:36,080

just completely dead stop in the air

3188

01:56:39,510 --> 01:56:38,320

and see the people would always too if

3189

01:56:41,430 --> 01:56:39,520

we've seen that if we've seen the

3190

01:56:43,109 --> 01:56:41,440

footage of that people would always say

3191

01:56:44,870 --> 01:56:43,119

well it's clearly edited because a

3192

01:56:47,109 --> 01:56:44,880

helicopter can't do that right so we'd

3193

01:56:49,350 --> 01:56:47,119

be like it's cgi

3194

01:56:51,430 --> 01:56:49,360

what if you know and that's the we are

3195

01:56:52,550 --> 01:56:51,440

in a weird conundrum right now with that

3196

01:56:54,390 --> 01:56:52,560

because

3197

01:56:55,990 --> 01:56:54,400

even if somebody videoed the actual

3198

01:56:57,669 --> 01:56:56,000

thing

3199

01:56:58,950 --> 01:56:57,679

you're gonna it's it's just people are

3200

01:57:00,390 --> 01:56:58,960

gonna believe it or not it doesn't

3201
01:57:02,070 --> 01:57:00,400
matter which video it almost doesn't

3202
01:57:04,470 --> 01:57:02,080
matter

3203
01:57:05,990 --> 01:57:04,480
unless the mainstream media

3204
01:57:07,830 --> 01:57:06,000
puts it out

3205
01:57:09,270 --> 01:57:07,840
and you know the day that that happens i

3206
01:57:10,709 --> 01:57:09,280
have mixed feelings on it too because i

3207
01:57:12,629 --> 01:57:10,719
still think

3208
01:57:14,550 --> 01:57:12,639
i'm concerned with the narrative that

3209
01:57:17,189 --> 01:57:14,560
it'll be put out under right

3210
01:57:19,430 --> 01:57:17,199
and that is like my concern with the

3211
01:57:21,669 --> 01:57:19,440
release process of whatever might come

3212
01:57:23,510 --> 01:57:21,679
come to fruition for us so

3213
01:57:25,430 --> 01:57:23,520

um jenny white bear thank you for being

3214

01:57:27,510 --> 01:57:25,440

here tonight i know oh oh man shoot it's

3215

01:57:29,270 --> 01:57:27,520

almost a minute already as you uh will

3216

01:57:31,189 --> 01:57:29,280

be wrenching hard over there at sor

3217

01:57:34,229 --> 01:57:31,199

because i believe he has uh our keith

3218

01:57:37,669 --> 01:57:34,239

andrews tonight right yeah i think so

3219

01:57:39,189 --> 01:57:37,679

best chops in the galaxy oh yeah he does

3220

01:57:41,270 --> 01:57:39,199

not mutton chops

3221

01:57:42,550 --> 01:57:41,280

jobs uh so i guess speaking of that i

3222

01:57:44,950 --> 01:57:42,560

guess i probably should wrap up the next

3223

01:57:46,470 --> 01:57:44,960

one over dave's time so guys thank you

3224

01:57:47,910 --> 01:57:46,480

so much for being here today thank you

3225

01:57:49,830 --> 01:57:47,920

for sharing your experiences and your

3226

01:57:50,790 --> 01:57:49,840

stories and uh you're more than welcome

3227

01:57:52,709 --> 01:57:50,800

if you guys ever want to come back and

3228

01:57:54,629 --> 01:57:52,719

share something or hang out and i'll

3229

01:57:56,709 --> 01:57:54,639

send you guys the links too obviously

3230

01:57:58,070 --> 01:57:56,719

for that sorry party excuse me well

3231

01:57:59,750 --> 01:57:58,080

there's a small party as well in vegas

3232

01:58:00,629 --> 01:57:59,760

but as well as the one that ben and joe

3233

01:58:02,149 --> 01:58:00,639

had planned for the end of the year

3234

01:58:03,430 --> 01:58:02,159

because that'll be a good time just

3235

01:58:05,350 --> 01:58:03,440

camping out and

3236

01:58:06,390 --> 01:58:05,360

uh under the stars and i'm excited about

3237

01:58:07,910 --> 01:58:06,400

that so

3238

01:58:10,229 --> 01:58:07,920

thank you definitely i got a bunch more

3239

01:58:12,629 --> 01:58:10,239

stories so we can always heck back and

3240

01:58:14,629 --> 01:58:12,639

tell more so we want to do a round table

3241

01:58:15,910 --> 01:58:14,639

pretty soon here i want to say something

3242

01:58:17,189 --> 01:58:15,920

to do like

3243

01:58:18,229 --> 01:58:17,199

i'll bring in some topics just be like

3244

01:58:20,709 --> 01:58:18,239

what do you guys think about this and

3245

01:58:21,990 --> 01:58:20,719

spitball and you know share some ideas

3246

01:58:23,750 --> 01:58:22,000

about it and get

3247

01:58:25,270 --> 01:58:23,760

the collective consciousness rolling i

3248

01:58:26,470 --> 01:58:25,280

guess right keep spreading those

3249

01:58:28,790 --> 01:58:26,480

positive vibes and waves out to

3250

01:58:31,189 --> 01:58:28,800

everybody so really quick as we are

3251
01:58:32,870 --> 01:58:31,199
wrapping up here uh is there anywhere

3252
01:58:35,109 --> 01:58:32,880
you guys would like to give a shout out

3253
01:58:36,950 --> 01:58:35,119
to anybody or whether people can follow

3254
01:58:39,350 --> 01:58:36,960
you anything of that nature that you

3255
01:58:40,470 --> 01:58:39,360
would like to put out there and if not

3256
01:58:43,990 --> 01:58:40,480
um

3257
01:58:47,350 --> 01:58:44,000
well i'm you know we're on the sor

3258
01:58:50,470 --> 01:58:47,360
uh weekend yeah um but

3259
01:58:52,390 --> 01:58:50,480
i am gonna be starting a new

3260
01:58:54,070 --> 01:58:52,400
youtube channel

3261
01:58:55,750 --> 01:58:54,080
um and so

3262
01:58:58,790 --> 01:58:55,760
that is to

3263
01:59:01,910 --> 01:58:58,800

come out soon but um

3264

01:59:03,589 --> 01:59:01,920

then lucy then lizzie borden um

3265

01:59:06,070 --> 01:59:03,599

instagram

3266

01:59:07,910 --> 01:59:06,080

uh tick tock and facebook

3267

01:59:09,990 --> 01:59:07,920

so it's all the same

3268

01:59:12,470 --> 01:59:10,000

heck yeah

3269

01:59:15,350 --> 01:59:12,480

uh simon well says brie and gary i love

3270

01:59:17,430 --> 01:59:15,360

you guys you are awesome twin willy damn

3271

01:59:19,750 --> 01:59:17,440

you better twin love you all in the chat

3272

01:59:21,910 --> 01:59:19,760

you kick ass so we thank you all so very

3273

01:59:23,990 --> 01:59:21,920

much for being here tonight and as i

3274

01:59:25,589 --> 01:59:24,000

always say when we're wrapping up uh

3275

01:59:28,229 --> 01:59:25,599

obviously guys go over and support mr

3276

01:59:30,550 --> 01:59:28,239

dave scott over there sorr subscribe

3277

01:59:31,750 --> 01:59:30,560

we're so freaking close to 15 000 guys i

3278

01:59:32,870 --> 01:59:31,760

know that's a goal we had to get them

3279

01:59:34,790 --> 01:59:32,880

over there by the end of the month yeah

3280

01:59:37,510 --> 01:59:34,800

we're actually gonna do it so it's gonna

3281

01:59:39,669 --> 01:59:37,520

be a good time and uh

3282

01:59:42,149 --> 01:59:39,679

wrapping up here for tonight we'll ask

3283

01:59:43,800 --> 01:59:42,159

you all to stay curious and keep it

3284

02:00:20,240 --> 01:59:43,810

weird
