

10:00pmET

Red Panda Koala  
With BigWilly

1  
00:00:53,510 --> 00:00:36,890

[Music]

2  
00:00:55,270 --> 00:00:53,520

what is happening ladies and gentlemen i

3  
00:00:57,350 --> 00:00:55,280

gotta tell you what i know i say it

4  
00:00:59,110 --> 00:00:57,360

every episode well thank you very much

5  
00:01:00,869 --> 00:00:59,120

for coming and hanging out with me and

6  
00:01:02,709 --> 00:01:00,879

uh to add to that would be the end of

7  
00:01:03,990 --> 00:01:02,719

that video i say it every week i'm like

8  
00:01:06,550 --> 00:01:04,000

guys i'm going to take care of it i

9  
00:01:08,149 --> 00:01:06,560

can't stand the hard cut off

10  
00:01:09,670 --> 00:01:08,159

and then tonight's even worse and i just

11  
00:01:11,510 --> 00:01:09,680

realized how much worse it is because we

12  
00:01:14,070 --> 00:01:11,520

have the one and only

13  
00:01:15,910 --> 00:01:14,080

red panda koala in the house and this

14

00:01:18,149 --> 00:01:15,920

man is all about making documentaries

15

00:01:20,310 --> 00:01:18,159

and editing videos and i just showed him

16

00:01:21,270 --> 00:01:20,320

that i was like well we'll see how that

17

00:01:23,190 --> 00:01:21,280

goes

18

00:01:24,789 --> 00:01:23,200

but to be fair it was done on a cell

19

00:01:26,710 --> 00:01:24,799

phone i think in like 20 minutes one

20

00:01:28,310 --> 00:01:26,720

time before a show began so we'll maybe

21

00:01:29,510 --> 00:01:28,320

we'll cut a little bit of slack on it i

22

00:01:31,429 --> 00:01:29,520

just want to say quickly to those that

23

00:01:32,870 --> 00:01:31,439

have popped in the chat already tonight

24

00:01:34,149 --> 00:01:32,880

thank you very much i know we have a

25

00:01:35,510 --> 00:01:34,159

couple of shows going on tonight

26  
00:01:36,710 --> 00:01:35,520  
everybody we jump back and forth having

27  
00:01:39,109 --> 00:01:36,720  
a good time

28  
00:01:40,870 --> 00:01:39,119  
ghost dragon zw thank you very much for

29  
00:01:42,870 --> 00:01:40,880  
being here with us tonight and keeping

30  
00:01:44,310 --> 00:01:42,880  
those evil fan dirty goblins away as

31  
00:01:45,670 --> 00:01:44,320  
they try each and every night we might

32  
00:01:48,069 --> 00:01:45,680  
have some issues that might we'll see

33  
00:01:49,830 --> 00:01:48,079  
what happens t was thank you for being

34  
00:01:52,550 --> 00:01:49,840  
here tonight as well

35  
00:01:54,950 --> 00:01:52,560  
sliding on down the list we have simon

36  
00:01:56,550 --> 00:01:54,960  
wells my twin brother from down under

37  
00:01:59,270 --> 00:01:56,560  
who says party party party party but we

38  
00:02:01,749 --> 00:01:59,280

all know what the actual gif would be on

39

00:02:03,990 --> 00:02:01,759

that one enzo what is happening brother

40

00:02:05,590 --> 00:02:04,000

thank you for being here tonight wes h

41

00:02:07,270 --> 00:02:05,600

in here with us

42

00:02:09,749 --> 00:02:07,280

as well as arlene

43

00:02:11,589 --> 00:02:09,759

zell thank you all so very much for

44

00:02:13,350 --> 00:02:11,599

coming and hanging out

45

00:02:14,790 --> 00:02:13,360

you know the drill if you could hit the

46

00:02:16,630 --> 00:02:14,800

like button if you have not rang that

47

00:02:17,670 --> 00:02:16,640

bell yet please do so and if you have a

48

00:02:19,350 --> 00:02:17,680

friend who you think would enjoy the

49

00:02:22,309 --> 00:02:19,360

show and the content we provide please

50

00:02:24,710 --> 00:02:22,319

feel free to share it with them excuse

51  
00:02:26,390 --> 00:02:24,720  
me alrighty and also really quick just

52  
00:02:28,309 --> 00:02:26,400  
quick housekeeping thing to get out of

53  
00:02:29,589 --> 00:02:28,319  
the way here excuse me as we've all

54  
00:02:31,190 --> 00:02:29,599  
turned out we enjoyed these super chats

55  
00:02:33,910 --> 00:02:31,200  
so very much that you guys provide for

56  
00:02:35,430 --> 00:02:33,920  
us however so does youtube they also

57  
00:02:38,229 --> 00:02:35,440  
enjoy those super chats and they enjoyed

58  
00:02:40,229 --> 00:02:38,239  
taking about 40 of the total that comes

59  
00:02:43,430 --> 00:02:40,239  
in so we have provided

60  
00:02:44,949 --> 00:02:43,440  
in the bottom there uh in the show notes

61  
00:02:46,390 --> 00:02:44,959  
the links to where you can support the

62  
00:02:47,750 --> 00:02:46,400  
boys here well actually that it's set up

63  
00:02:49,670 --> 00:02:47,760

differently each one you can support

64

00:02:51,910 --> 00:02:49,680

garage as a whole use for support joe if

65

00:02:53,670 --> 00:02:51,920

you want or just ben or just myself big

66

00:02:54,550 --> 00:02:53,680

willy but really we're a whole team over

67

00:02:56,470 --> 00:02:54,560

here so you're supporting the whole

68

00:02:57,910 --> 00:02:56,480

thing but it is in there in the show

69

00:02:58,949 --> 00:02:57,920

notes oracles and beyond thank you for

70

00:03:00,149 --> 00:02:58,959

being here tonight thank you for sharing

71

00:03:03,270 --> 00:03:00,159

this out earlier i really appreciate

72

00:03:05,190 --> 00:03:03,280

that 509 divine pines my man i showed up

73

00:03:07,270 --> 00:03:05,200

about four minutes 20 seconds ago and

74

00:03:09,750 --> 00:03:07,280

i'll be here until my joint puts me into

75

00:03:12,470 --> 00:03:09,760

cloud nine spark up

76  
00:03:14,309 --> 00:03:12,480  
you do you boo you do you understand you

77  
00:03:17,270 --> 00:03:14,319  
reach that next level i get it brother i

78  
00:03:19,350 --> 00:03:17,280  
understand enzo thank you uh so yeah

79  
00:03:20,470 --> 00:03:19,360  
once again guys if you could feel free

80  
00:03:22,070 --> 00:03:20,480  
to scroll down there and if you're

81  
00:03:23,589 --> 00:03:22,080  
watching this show back at a later date

82  
00:03:25,350 --> 00:03:23,599  
and we are no longer live and you'd like

83  
00:03:27,350 --> 00:03:25,360  
to contribute to the show just know like

84  
00:03:28,630 --> 00:03:27,360  
i said the show notes that will be

85  
00:03:30,390 --> 00:03:28,640  
available for you

86  
00:03:32,390 --> 00:03:30,400  
as well as some really other cool things

87  
00:03:33,990 --> 00:03:32,400  
we have going on as you guys all know we

88  
00:03:36,470 --> 00:03:34,000

have ben and joe running things on

89

00:03:37,910 --> 00:03:36,480

tuesdays what is it two topic topless

90

00:03:39,670 --> 00:03:37,920

tuesday something like that it's a

91

00:03:41,430 --> 00:03:39,680

tongue twister they've got that running

92

00:03:43,990 --> 00:03:41,440

every tuesday as well as our thirsty

93

00:03:45,270 --> 00:03:44,000

thursdays which myself uh who all was on

94

00:03:47,110 --> 00:03:45,280

there with me last night breathe then

95

00:03:49,750 --> 00:03:47,120

lizzie borden known as thin lizzie

96

00:03:51,750 --> 00:03:49,760

borden as well as jojo bone and the one

97

00:03:53,509 --> 00:03:51,760

and only spooky morales thank you all

98

00:03:57,429 --> 00:03:53,519

for being in there as well but they do

99

00:03:59,190 --> 00:03:57,439

have dr dave heightman uh biotechnology

100

00:04:00,390 --> 00:03:59,200

coming on whoa

101  
00:04:01,670 --> 00:04:00,400  
we all know joe and better doctor

102  
00:04:03,350 --> 00:04:01,680  
scientists but let's see what happens

103  
00:04:05,750 --> 00:04:03,360  
with them this will be on the 17th

104  
00:04:07,589 --> 00:04:05,760  
coming up here and then we have bigfoot

105  
00:04:10,149 --> 00:04:07,599  
anonymous which we all know bigfoot

106  
00:04:12,229 --> 00:04:10,159  
added connor our man who brings a ton of

107  
00:04:13,589 --> 00:04:12,239  
energy every time he's in and a ton of

108  
00:04:16,069 --> 00:04:13,599  
information so that's going to be an

109  
00:04:17,270 --> 00:04:16,079  
exciting and for like with ben and joe

110  
00:04:18,789 --> 00:04:17,280  
they're going to take that to the next

111  
00:04:20,870 --> 00:04:18,799  
level it's going to be a good time then

112  
00:04:22,870 --> 00:04:20,880  
they'll have their peculiar daughter and

113  
00:04:24,390 --> 00:04:22,880

excuse me the peculiar daughter and

114

00:04:25,749 --> 00:04:24,400

tommy wingham

115

00:04:27,030 --> 00:04:25,759

i could be reading it wrong or we could

116

00:04:29,030 --> 00:04:27,040

have typed it in wrong but those are the

117

00:04:30,469 --> 00:04:29,040

planned shows we have for them i myself

118

00:04:31,990 --> 00:04:30,479

will actually have next weekend off it's

119

00:04:33,590 --> 00:04:32,000

my little baby's

120

00:04:34,950 --> 00:04:33,600

second birthday so

121

00:04:36,950 --> 00:04:34,960

i will not be around to hang out with

122

00:04:38,230 --> 00:04:36,960

you guys i'll be celebrating that so

123

00:04:39,670 --> 00:04:38,240

as long as you're gonna forgive me for

124

00:04:41,430 --> 00:04:39,680

at least one weekend there i will be

125

00:04:43,189 --> 00:04:41,440

back after that and i will look forward

126  
00:04:45,590 --> 00:04:43,199  
to bringing you more content happening

127  
00:04:48,230 --> 00:04:45,600  
in old blue here to travel to cosmos and

128  
00:04:50,150 --> 00:04:48,240  
beyond and really quickly as well to get

129  
00:04:51,749 --> 00:04:50,160  
this out of the way do not forget you

130  
00:04:53,830 --> 00:04:51,759  
have been invited to the ufo garage

131  
00:04:56,390 --> 00:04:53,840  
family reunion which is in 2022 november

132  
00:04:57,990 --> 00:04:56,400  
4th through the 6th friday night through

133  
00:04:59,030 --> 00:04:58,000  
sunday night afternoon

134  
00:05:00,790 --> 00:04:59,040  
come hang out it's going to be a good

135  
00:05:02,310 --> 00:05:00,800  
time another guys you can get all that

136  
00:05:04,710 --> 00:05:02,320  
information is in the show notes as well

137  
00:05:05,909 --> 00:05:04,720  
if you scroll on down there all right

138  
00:05:06,950 --> 00:05:05,919

i'm trying to run through them quickly

139

00:05:08,710 --> 00:05:06,960

here i feel like we're getting more and

140

00:05:10,230 --> 00:05:08,720

more in here we just we're getting more

141

00:05:12,390 --> 00:05:10,240

more legit up in here guys i'll tell you

142

00:05:13,830 --> 00:05:12,400

what let's see what else we got oh bread

143

00:05:15,430 --> 00:05:13,840

here thank you very much haskets for

144

00:05:17,350 --> 00:05:15,440

being here with us tonight

145

00:05:20,550 --> 00:05:17,360

sweetly mormon bear look at you thank

146

00:05:22,150 --> 00:05:20,560

you for being here benji might be

147

00:05:23,430 --> 00:05:22,160

i've always wondered is it benji might

148

00:05:26,710 --> 00:05:23,440

be

149

00:05:29,110 --> 00:05:26,720

is it rabbit hole i white rabbit

150

00:05:30,469 --> 00:05:29,120

i don't know but benji might be that's

151  
00:05:32,790 --> 00:05:30,479  
all we can leave it as i mean really and

152  
00:05:34,710 --> 00:05:32,800  
truly it's benji might be

153  
00:05:37,270 --> 00:05:34,720  
all right guys enough about all that

154  
00:05:39,189 --> 00:05:37,280  
you've come here tonight

155  
00:05:41,670 --> 00:05:39,199  
did you to listen to our guests that we

156  
00:05:44,070 --> 00:05:41,680  
have and my guest this year for you this

157  
00:05:45,990 --> 00:05:44,080  
fine easy evening is almost as elusive

158  
00:05:48,550 --> 00:05:46,000  
as the red panda itself

159  
00:05:51,350 --> 00:05:48,560  
but not but nearly as well known if not

160  
00:05:52,390 --> 00:05:51,360  
more so than the famous red panda you

161  
00:05:53,670 --> 00:05:52,400  
guys ever looked us up they're pretty

162  
00:05:55,189 --> 00:05:53,680  
cute actually

163  
00:05:57,110 --> 00:05:55,199

little is known about the man behind the

164

00:05:59,749 --> 00:05:57,120

documentaries and perhaps this is not by

165

00:06:01,510 --> 00:05:59,759

accident i for one am genuinely curious

166

00:06:03,029 --> 00:06:01,520

as to what led our fine guest for this

167

00:06:04,309 --> 00:06:03,039

evening down the path he is currently

168

00:06:06,469 --> 00:06:04,319

pursuing

169

00:06:07,830 --> 00:06:06,479

if you have not had the chance of or the

170

00:06:09,749 --> 00:06:07,840

pleasure of checking out any of the

171

00:06:12,150 --> 00:06:09,759

documentaries that red panda koala has

172

00:06:13,430 --> 00:06:12,160

produced you are missing out and in for

173

00:06:15,510 --> 00:06:13,440

a true treat

174

00:06:17,189 --> 00:06:15,520

so let us embark upon tonight's travels

175

00:06:20,150 --> 00:06:17,199

and see where it takes us as we dive

176

00:06:21,990 --> 00:06:20,160

deep into the unknown come what may so

177

00:06:24,390 --> 00:06:22,000

buckle up as we take old blue into the

178

00:06:26,710 --> 00:06:24,400

cosmos and beyond once again in

179

00:06:27,990 --> 00:06:26,720

tonight's conversation and before we

180

00:06:29,590 --> 00:06:28,000

bring him in

181

00:06:30,710 --> 00:06:29,600

i'd love to share and he we got

182

00:06:33,510 --> 00:06:30,720

permission for all this obviously in

183

00:06:35,430 --> 00:06:33,520

advance so youtube don't hate us uh to

184

00:06:37,270 --> 00:06:35,440

share his uh his channel here a little

185

00:06:38,309 --> 00:06:37,280

bit this is an updated kind of if you go

186

00:06:39,270 --> 00:06:38,319

to check him out that's what you're

187

00:06:41,749 --> 00:06:39,280

gonna see and this is a small

188

00:06:43,590 --> 00:06:41,759

encapsulation very small encapsulation

189

00:06:44,870 --> 00:06:43,600

of the massive amount of work that he

190

00:06:46,870 --> 00:06:44,880

has done so

191

00:06:49,270 --> 00:06:46,880

let us pull this up here and we will

192

00:06:52,130 --> 00:06:49,280

share this and we will bring

193

00:06:54,790 --> 00:06:52,140

red in to join us in just a second

194

00:06:58,150 --> 00:06:54,800

[Music]

195

00:07:00,070 --> 00:06:58,160

headline edition july 8 1947

196

00:07:02,469 --> 00:07:00,080

the army air forces has announced that a

197

00:07:04,790 --> 00:07:02,479

flying disc has been found and is now in

198

00:07:07,189 --> 00:07:04,800

the possession of the army army officers

199

00:07:09,589 --> 00:07:07,199

say the missile found sometime last week

200

00:07:11,830 --> 00:07:09,599

has been inspected at roswell new mexico

201  
00:07:14,390 --> 00:07:11,840  
and sent to right field ohio for further

202  
00:07:17,830 --> 00:07:16,150  
late this afternoon a brilliant from new

203  
00:07:19,990 --> 00:07:17,840  
mexico suggested that the widely

204  
00:07:22,629 --> 00:07:20,000  
publicized mystery of supplying software

205  
00:07:24,550 --> 00:07:22,639  
may soon be solved anti-aircraft guns

206  
00:07:26,870 --> 00:07:24,560  
went into action against unidentified

207  
00:07:29,270 --> 00:07:26,880  
aircraft in the los angeles area

208  
00:07:31,350 --> 00:07:29,280  
shortly after 3 a.m pacific war time

209  
00:07:33,350 --> 00:07:31,360  
this morning in washington ghost-like

210  
00:07:35,189 --> 00:07:33,360  
objects start across the radar screen at

211  
00:07:37,110 --> 00:07:35,199  
the caa traffic control center at

212  
00:07:39,270 --> 00:07:37,120  
national airport for several hours

213  
00:07:41,270 --> 00:07:39,280

traveling more than 100 miles an hour

214

00:07:43,110 --> 00:07:41,280

air force jet fighters spend several

215

00:07:45,189 --> 00:07:43,120

hours chasing the objects plotted on the

216

00:07:47,110 --> 00:07:45,199

radar scope general sanford air force

217

00:07:49,110 --> 00:07:47,120

intelligence director confirms that the

218

00:07:50,710 --> 00:07:49,120

objects are not secret american weapons

219

00:07:52,710 --> 00:07:50,720

and reiterates the air force's

220

00:07:54,629 --> 00:07:52,720

obligation to investigate do these

221

00:07:56,390 --> 00:07:54,639

lights belong to visitors from outer

222

00:07:58,790 --> 00:07:56,400

space hundreds of people across the

223

00:08:01,270 --> 00:07:58,800

valley think it's a distinct possibility

224

00:08:03,909 --> 00:08:01,280

what is described as a giant brightly

225

00:08:05,990 --> 00:08:03,919

lit boomerang soars through the air no

226

00:08:09,830 --> 00:08:06,000

official explanation of those strange

227

00:08:15,510 --> 00:08:12,150

for the last four years dr mack has

228

00:08:18,309 --> 00:08:15,520

studied about 100 patients who claim

229

00:08:20,150 --> 00:08:18,319

they have been abducted by aliens

230

00:08:22,230 --> 00:08:20,160

he believes them though this must be

231

00:08:23,830 --> 00:08:22,240

madness but when i heard that hundreds

232

00:08:26,950 --> 00:08:23,840

of thousands of people all over the

233

00:08:31,909 --> 00:08:28,790

hi i'm bob lazar

234

00:08:33,350 --> 00:08:31,919

during late 1988 and early 89 i worked

235

00:08:35,269 --> 00:08:33,360

on the propulsion systems of

236

00:08:37,589 --> 00:08:35,279

extraterrestrial vehicles for the united

237

00:08:40,949 --> 00:08:37,599

states government hello and welcome

238

00:08:43,350 --> 00:08:40,959

our topic today is ufos and my guest dr

239

00:08:45,590 --> 00:08:43,360

jacques valet is an expert in this area

240

00:08:48,150 --> 00:08:45,600

who during the past 20 years has written

241

00:08:50,070 --> 00:08:48,160

numerous books on the subject including

242

00:08:52,310 --> 00:08:50,080

challenge to science but then for the

243

00:08:54,230 --> 00:08:52,320

past four years i had been scientific

244

00:08:55,509 --> 00:08:54,240

advisor to the us air force on this very

245

00:08:57,590 --> 00:08:55,519

problem

246

00:08:59,750 --> 00:08:57,600

there were two films that were of

247

00:09:04,150 --> 00:08:59,760

particular interest to the panel at that

248

00:09:07,030 --> 00:09:05,670

upfront now the former pentagon military

249

00:09:09,509 --> 00:09:07,040

official who ran the covert government

250

00:09:10,930 --> 00:09:09,519

program up until this last november luis

251  
00:09:16,389 --> 00:09:10,940  
elizondo

252  
00:09:17,750 --> 00:09:16,399  
[Music]

253  
00:09:19,670 --> 00:09:17,760  
there's a whole fleet of them look on

254  
00:09:20,829 --> 00:09:19,680  
the sa

255  
00:09:22,630 --> 00:09:20,839  
my

256  
00:09:24,550 --> 00:09:22,640  
gosh

257  
00:09:27,110 --> 00:09:24,560  
commander david fravor still can't

258  
00:09:29,990 --> 00:09:27,120  
explain what he says he saw that day

259  
00:09:32,310 --> 00:09:30,000  
november 2004 the navy fighter pilot was

260  
00:09:33,590 --> 00:09:32,320  
on a training mission west of san diego

261  
00:09:35,590 --> 00:09:33,600  
when he was ordered to check out

262  
00:09:37,110 --> 00:09:35,600  
something in the water not far away it

263  
00:09:38,630 --> 00:09:37,120

doesn't sound it doesn't like the human

264

00:09:40,420 --> 00:09:38,640

body could so bottom line what do you

265

00:09:41,670 --> 00:09:40,430

think this was

266

00:09:43,829 --> 00:09:41,680

[Applause]

267

00:09:45,350 --> 00:09:43,839

i believe as do the other folks that

268

00:09:46,870 --> 00:09:45,360

were on the flight that we've when we

269

00:09:48,949 --> 00:09:46,880

visually saw that it was something not

270

00:09:50,310 --> 00:09:48,959

from this world oh i know you're using

271

00:09:52,470 --> 00:09:50,320

you're being clear but i mean the answer

272

00:09:54,230 --> 00:09:52,480

is yes

273

00:09:55,670 --> 00:09:54,240

my personal i can't speak on behalf of

274

00:09:58,150 --> 00:09:55,680

the government obviously i'm not in the

275

00:09:59,990 --> 00:09:58,160

us government anymore my personal belief

276  
00:10:02,630 --> 00:10:00,000  
is that there is very compelling

277  
00:10:09,190 --> 00:10:02,640  
evidence that we

278  
00:10:13,350 --> 00:10:10,470  
as you can see

279  
00:10:14,550 --> 00:10:13,360  
let's learn together

280  
00:10:15,829 --> 00:10:14,560  
and that's what we plan on doing this

281  
00:10:16,870 --> 00:10:15,839  
evening

282  
00:10:19,910 --> 00:10:16,880  
i don't know about you guys like i said

283  
00:10:21,030 --> 00:10:19,920  
i get chills watching that i get excited

284  
00:10:22,949 --> 00:10:21,040  
watching

285  
00:10:25,190 --> 00:10:22,959  
let's bring in red panda koala the

286  
00:10:27,030 --> 00:10:25,200  
producer and maker of that thank you

287  
00:10:28,790 --> 00:10:27,040  
very much and welcome to the show

288  
00:10:31,590 --> 00:10:28,800

brother thank you for being here tonight

289

00:10:32,949 --> 00:10:31,600

uh congratulations on the

290

00:10:34,470 --> 00:10:32,959

uh when you made that question i i'm

291

00:10:35,910 --> 00:10:34,480

kind of curious when you made that

292

00:10:37,430 --> 00:10:35,920

particular piece

293

00:10:39,190 --> 00:10:37,440

was it after you already made a little

294

00:10:41,190 --> 00:10:39,200

bit or was that right off the bat that

295

00:10:42,949 --> 00:10:41,200

you just let out with that one

296

00:10:45,269 --> 00:10:42,959

i think let me look back too i think

297

00:10:46,710 --> 00:10:45,279

that was the first uh thing on my

298

00:10:48,230 --> 00:10:46,720

channel yeah i think it was the first

299

00:10:51,110 --> 00:10:48,240

one that's what i was curious if like

300

00:10:53,269 --> 00:10:51,120

that was just the first setup so i mean

301  
00:10:55,350 --> 00:10:53,279  
for me i mean by the way sorry and hi

302  
00:10:56,630 --> 00:10:55,360  
everyone

303  
00:10:59,190 --> 00:10:56,640  
welcome to the show

304  
00:11:01,269 --> 00:10:59,200  
thanks for being here uh yeah it's for

305  
00:11:03,190 --> 00:11:01,279  
me like i said i think that like that's

306  
00:11:05,670 --> 00:11:03,200  
phenomenal work for that just being the

307  
00:11:07,430 --> 00:11:05,680  
you know basically initially the

308  
00:11:08,470 --> 00:11:07,440  
excuse me the very first one that was

309  
00:11:09,350 --> 00:11:08,480  
coming out

310  
00:11:14,310 --> 00:11:09,360  
um

311  
00:11:16,150 --> 00:11:14,320  
like champ saying as well it was greatly

312  
00:11:17,590 --> 00:11:16,160  
sewn together that's a great that's a

313  
00:11:18,949 --> 00:11:17,600

nice window yeah that great verb that

314

00:11:20,949 --> 00:11:18,959

was me like kind of practicing with the

315

00:11:22,949 --> 00:11:20,959

whole concept like obviously everyone

316

00:11:24,550 --> 00:11:22,959

edits stuff right but uh i hadn't really

317

00:11:26,630 --> 00:11:24,560

been editing for that long i kind of

318

00:11:27,750 --> 00:11:26,640

just got sony vegas and stuff so that

319

00:11:29,190 --> 00:11:27,760

was me practicing with like different

320

00:11:31,590 --> 00:11:29,200

clips and like

321

00:11:33,350 --> 00:11:31,600

newspaper stuff like and also like

322

00:11:35,430 --> 00:11:33,360

paying attention to music cues and like

323

00:11:37,509 --> 00:11:35,440

trying to like make it switch with their

324

00:11:38,630 --> 00:11:37,519

it's very i mean all my videos i feel

325

00:11:39,750 --> 00:11:38,640

like they get better and better but i

326

00:11:42,310 --> 00:11:39,760

still have a lot to learn in terms of

327

00:11:44,870 --> 00:11:42,320

editing and like audio but it's fun to

328

00:11:46,630 --> 00:11:44,880

watch that one like that was pretty

329

00:11:47,910 --> 00:11:46,640

it's always fun going back as much as

330

00:11:49,829 --> 00:11:47,920

like you said it could almost be a

331

00:11:50,949 --> 00:11:49,839

little embarrassing it's like we go back

332

00:11:53,269 --> 00:11:50,959

and we watch stuff that we've done we're

333

00:11:55,269 --> 00:11:53,279

like oh my god or if you listen back but

334

00:11:56,870 --> 00:11:55,279

it is it is also exciting to kind of go

335

00:11:58,790 --> 00:11:56,880

back and reminisce about like man this

336

00:11:59,990 --> 00:11:58,800

was the first thing and i guess that

337

00:12:02,470 --> 00:12:00,000

would be where i'd like to start with

338

00:12:03,910 --> 00:12:02,480

you to this fine evening which is uh did

339

00:12:05,269 --> 00:12:03,920

you really know at that time when you

340

00:12:07,030 --> 00:12:05,279

put that out there that you were going

341

00:12:09,190 --> 00:12:07,040

to kind of develop the channel to what

342

00:12:10,389 --> 00:12:09,200

it is now or were you just you know

343

00:12:11,509 --> 00:12:10,399

playing around with the information it

344

00:12:12,870 --> 00:12:11,519

was there was a lot happening at the

345

00:12:14,389 --> 00:12:12,880

time in the world

346

00:12:16,150 --> 00:12:14,399

so that yeah

347

00:12:17,509 --> 00:12:16,160

when that came out

348

00:12:18,790 --> 00:12:17,519

i think by that point i kind of knew

349

00:12:20,230 --> 00:12:18,800

what i kind of wanted the general idea

350

00:12:21,990 --> 00:12:20,240

of the channel to be which was kind of

351

00:12:23,110 --> 00:12:22,000

like what i try and do which is

352

00:12:24,710 --> 00:12:23,120

different

353

00:12:26,790 --> 00:12:24,720

documentaries on various historical

354

00:12:27,990 --> 00:12:26,800

topics relating to ufos as well as like

355

00:12:29,269 --> 00:12:28,000

current news

356

00:12:31,990 --> 00:12:29,279

yeah um

357

00:12:33,590 --> 00:12:32,000

so by that point yeah because i had

358

00:12:34,870 --> 00:12:33,600

i had been prepping like mentally for

359

00:12:37,030 --> 00:12:34,880

like a year i feel like before i even

360

00:12:38,710 --> 00:12:37,040

made that video just kind of like

361

00:12:40,150 --> 00:12:38,720

researching for myself like making sure

362

00:12:42,230 --> 00:12:40,160

like i kind of understood and even knew

363

00:12:43,590 --> 00:12:42,240

like what i thought about the subject

364

00:12:45,670 --> 00:12:43,600

and then like

365

00:12:47,990 --> 00:12:45,680

understood like the history of like the

366

00:12:50,389 --> 00:12:48,000

field quote unquote ufology or whatever

367

00:12:51,110 --> 00:12:50,399

if i'm gonna like stick my toe into that

368

00:12:54,310 --> 00:12:51,120

so

369

00:12:56,389 --> 00:12:54,320

yeah by the time that that first um

370

00:12:58,470 --> 00:12:56,399

by the time that first um

371

00:12:59,829 --> 00:12:58,480

video had dropped i was already pretty

372

00:13:02,550 --> 00:12:59,839

set on uh

373

00:13:03,750 --> 00:13:02,560

doing it which we're going into speaking

374

00:13:04,949 --> 00:13:03,760

of that let's get this right out of the

375

00:13:06,310 --> 00:13:04,959

way too before i forget people are

376

00:13:08,150 --> 00:13:06,320

always listening in the beginning right

377

00:13:09,829 --> 00:13:08,160

so uh i'm gonna drop in the show notes

378

00:13:11,190 --> 00:13:09,839

here guys or excuse me

379

00:13:13,030 --> 00:13:11,200

in the show notes so i'm also gonna drop

380

00:13:16,150 --> 00:13:13,040

in the chat if anybody would like to

381

00:13:17,190 --> 00:13:16,160

follow your work or you on twitter i'm

382

00:13:18,790 --> 00:13:17,200

gonna drop those in the chat for

383

00:13:20,310 --> 00:13:18,800

everybody right now as well like i said

384

00:13:22,550 --> 00:13:20,320

if you're listening back it is going to

385

00:13:24,230 --> 00:13:22,560

be in the show notes but do you have any

386

00:13:26,550 --> 00:13:24,240

upcoming projects because if i'm not

387

00:13:27,670 --> 00:13:26,560

mistaken i i just watched it back

388

00:13:29,030 --> 00:13:27,680

actually today because they've been a

389

00:13:31,269 --> 00:13:29,040

little bit since they've been released

390

00:13:33,509 --> 00:13:31,279

is it give or take been about 10 months

391

00:13:35,990 --> 00:13:33,519

maybe give or take your last video no no

392

00:13:38,949 --> 00:13:36,000

no no no it's been like a month yeah

393

00:13:40,949 --> 00:13:38,959

no way yeah yeah yeah

394

00:13:42,389 --> 00:13:40,959

yeah that's okay well that's on me i

395

00:13:45,030 --> 00:13:42,399

apologize because

396

00:13:47,430 --> 00:13:45,040

i i watched today the one i was watching

397

00:13:49,030 --> 00:13:47,440

excuse me was the edgar mitchell and did

398

00:13:51,829 --> 00:13:49,040

i just have the date miss did i just

399

00:13:53,829 --> 00:13:51,839

maybe you just used for no reason

400

00:13:55,269 --> 00:13:53,839

i totally did yes okay all right never

401  
00:13:56,150 --> 00:13:55,279  
mind that's not me guys i thought it

402  
00:13:58,710 --> 00:13:56,160  
said

403  
00:14:00,870 --> 00:13:58,720  
what are you gonna put another one out

404  
00:14:03,350 --> 00:14:00,880  
no yeah no that was just one month

405  
00:14:05,990 --> 00:14:03,360  
i got you but yeah so as of right now

406  
00:14:08,069 --> 00:14:06,000  
yeah because you've accumulated man 25

407  
00:14:09,269 --> 00:14:08,079  
26 videos at this point documentaries

408  
00:14:12,790 --> 00:14:09,279  
you could say

409  
00:14:14,470 --> 00:14:12,800  
and roughly what 10 to 12-ish hours

410  
00:14:15,350 --> 00:14:14,480  
worth of content you've put out at this

411  
00:14:17,350 --> 00:14:15,360  
point

412  
00:14:19,189 --> 00:14:17,360  
yeah i think somewhere around there i

413  
00:14:20,470 --> 00:14:19,199

did the math once

414

00:14:22,949 --> 00:14:20,480

nice

415

00:14:24,230 --> 00:14:22,959

yeah so now leading up to this because

416

00:14:25,590 --> 00:14:24,240

and there's a lot that we get covered

417

00:14:26,389 --> 00:14:25,600

tonight well first before we jump into

418

00:14:28,150 --> 00:14:26,399

that

419

00:14:30,069 --> 00:14:28,160

is there anything in the works do we

420

00:14:32,069 --> 00:14:30,079

have anything we can look forward to

421

00:14:34,389 --> 00:14:32,079

that you think might be coming up yeah

422

00:14:36,470 --> 00:14:34,399

so i'm right now i'm working on uh i

423

00:14:38,550 --> 00:14:36,480

have a series on my channel which is

424

00:14:39,990 --> 00:14:38,560

like current news recaps and i've

425

00:14:41,670 --> 00:14:40,000

already done three of those and that's

426  
00:14:43,750 --> 00:14:41,680  
just kind of all the major um news

427  
00:14:44,710 --> 00:14:43,760  
developments since 2017 whether it be

428  
00:14:49,750 --> 00:14:44,720  
like

429  
00:14:51,509 --> 00:14:49,760  
various politicians active and retired

430  
00:14:54,389 --> 00:14:51,519  
um okay so right now i'm working on the

431  
00:14:56,870 --> 00:14:54,399  
fourth installment of that which covers

432  
00:14:59,430 --> 00:14:56,880  
uh right before the report dropped in

433  
00:15:00,870 --> 00:14:59,440  
june up until december so it covers the

434  
00:15:02,629 --> 00:15:00,880  
june report

435  
00:15:04,230 --> 00:15:02,639  
uh all these various statements we got

436  
00:15:07,590 --> 00:15:04,240  
from politicians during that time and

437  
00:15:09,189 --> 00:15:07,600  
then the gila brand amendment ao

438  
00:15:10,230 --> 00:15:09,199

imsg

439

00:15:11,910 --> 00:15:10,240

and then like all the way up to like

440

00:15:13,110 --> 00:15:11,920

harry reid's passing probably is where

441

00:15:14,310 --> 00:15:13,120

i'll end that one

442

00:15:15,670 --> 00:15:14,320

okay so

443

00:15:17,030 --> 00:15:15,680

that one's coming along together good i

444

00:15:18,150 --> 00:15:17,040

was pretty beat though after that edgar

445

00:15:20,150 --> 00:15:18,160

mittell one because that one took me

446

00:15:21,910 --> 00:15:20,160

forever that was like really long that

447

00:15:23,350 --> 00:15:21,920

was a great one that's funny enough

448

00:15:24,710 --> 00:15:23,360

later on as we go on the evening here i

449

00:15:25,990 --> 00:15:24,720

do have a clip for everybody that we'll

450

00:15:28,150 --> 00:15:26,000

be sharing from that one that i thought

451  
00:15:29,590 --> 00:15:28,160  
was pretty inspirational um and i

452  
00:15:31,350 --> 00:15:29,600  
watched it the first time like i said i

453  
00:15:33,030 --> 00:15:31,360  
rewatched it again today

454  
00:15:34,069 --> 00:15:33,040  
and it really stuck out to me i mean i

455  
00:15:36,310 --> 00:15:34,079  
think i kind of heard it the first time

456  
00:15:37,829 --> 00:15:36,320  
that i was playing while i was working

457  
00:15:39,910 --> 00:15:37,839  
and so i had time to actually sit there

458  
00:15:41,590 --> 00:15:39,920  
and really take it all in today just you

459  
00:15:42,550 --> 00:15:41,600  
know not not trying to work while i'm

460  
00:15:45,350 --> 00:15:42,560  
listening

461  
00:15:47,189 --> 00:15:45,360  
and i do think with yours i do think you

462  
00:15:48,550 --> 00:15:47,199  
could totally you know i was gonna say

463  
00:15:49,990 --> 00:15:48,560

that

464

00:15:51,990 --> 00:15:50,000

you know most documentaries you kind of

465

00:15:53,350 --> 00:15:52,000

have to watch where it's just you need

466

00:15:54,470 --> 00:15:53,360

to be able to see the visual aspect of

467

00:15:55,910 --> 00:15:54,480

it too

468

00:15:58,389 --> 00:15:55,920

i think you're going to get more from

469

00:16:00,230 --> 00:15:58,399

yours in that but you have set this up

470

00:16:02,069 --> 00:16:00,240

in a way that someone could potentially

471

00:16:04,870 --> 00:16:02,079

just listen as i did

472

00:16:06,230 --> 00:16:04,880

via an audio format and still gain just

473

00:16:07,990 --> 00:16:06,240

as much out of it and so i really

474

00:16:09,990 --> 00:16:08,000

appreciate that you that's incorporated

475

00:16:11,910 --> 00:16:10,000

that into that so

476

00:16:13,749 --> 00:16:11,920

carol says what's up red panda carol

477

00:16:15,749 --> 00:16:13,759

thank you for being here tonight as well

478

00:16:17,749 --> 00:16:15,759

carol as well as daryl yeah there's some

479

00:16:19,110 --> 00:16:17,759

new ones jumping in here tonight um oh

480

00:16:20,470 --> 00:16:19,120

thank you for whoever did that like over

481

00:16:22,550 --> 00:16:20,480

there on facebook he never shows us

482

00:16:23,590 --> 00:16:22,560

right off the bat who that is and carol

483

00:16:25,509 --> 00:16:23,600

actually does some great work too she

484

00:16:26,949 --> 00:16:25,519

does um a little bit different than what

485

00:16:28,790 --> 00:16:26,959

you're doing but she specializes more

486

00:16:30,230 --> 00:16:28,800

into paranormal realm

487

00:16:32,389 --> 00:16:30,240

or you could say like a creepypasta kind

488

00:16:34,389 --> 00:16:32,399

of stories and she does uh anywhere from

489

00:16:36,389 --> 00:16:34,399

five to one words i think carol you've

490

00:16:38,949 --> 00:16:36,399

done some 18 minute ones now

491

00:16:39,910 --> 00:16:38,959

of kind of voice over stuff as well

492

00:16:41,990 --> 00:16:39,920

but

493

00:16:43,990 --> 00:16:42,000

when you i guess

494

00:16:46,550 --> 00:16:44,000

embark upon this process because i don't

495

00:16:48,470 --> 00:16:46,560

think people really recognize like okay

496

00:16:50,629 --> 00:16:48,480

guys for example it could be wrong but i

497

00:16:52,230 --> 00:16:50,639

think the edgar mitchell one is an hour

498

00:16:54,470 --> 00:16:52,240

nine or ten minutes somewhere right in

499

00:16:56,629 --> 00:16:54,480

that range yeah that one is huge

500

00:16:58,150 --> 00:16:56,639

is my biggest one production

501  
00:16:59,910 --> 00:16:58,160  
most arrested leading up to have been

502  
00:17:01,350 --> 00:16:59,920  
roughly that half hour range right give

503  
00:17:02,310 --> 00:17:01,360  
or take

504  
00:17:03,509 --> 00:17:02,320  
and so

505  
00:17:04,630 --> 00:17:03,519  
you'd build up that i guess i should say

506  
00:17:06,870 --> 00:17:04,640  
i think you did have something to get in

507  
00:17:08,789 --> 00:17:06,880  
like 16 15 minutes but as you were

508  
00:17:10,470 --> 00:17:08,799  
saying leading up to that your normal

509  
00:17:11,510 --> 00:17:10,480  
ones in the beginning how long did it

510  
00:17:12,549 --> 00:17:11,520  
take you once you kind of found your

511  
00:17:15,029 --> 00:17:12,559  
groove so when you started making a half

512  
00:17:17,189 --> 00:17:15,039  
hour long documentary for us to consume

513  
00:17:19,909 --> 00:17:17,199

was that time like real time for you to

514

00:17:21,829 --> 00:17:19,919

actually produce that make it happen

515

00:17:23,029 --> 00:17:21,839

i say a rough estimate is usually like

516

00:17:25,029 --> 00:17:23,039

about an hour

517

00:17:26,949 --> 00:17:25,039

of work for like a minute of whatever's

518

00:17:28,470 --> 00:17:26,959

going on on screen

519

00:17:30,310 --> 00:17:28,480

um but for the ones like this edgar

520

00:17:31,190 --> 00:17:30,320

mitchell one because i guess we could

521

00:17:32,630 --> 00:17:31,200

just talk about it a little bit for the

522

00:17:33,990 --> 00:17:32,640

people in the chat

523

00:17:35,830 --> 00:17:34,000

watching

524

00:17:37,110 --> 00:17:35,840

this one was kind of ambitious because

525

00:17:38,630 --> 00:17:37,120

this one i had was trying to tell the

526

00:17:40,070 --> 00:17:38,640

story of like multiple things because

527

00:17:41,750 --> 00:17:40,080

edgar mitchell i just find super

528

00:17:43,990 --> 00:17:41,760

fascinating just as a human he's like

529

00:17:44,950 --> 00:17:44,000

probably top five for me

530

00:17:46,390 --> 00:17:44,960

uh

531

00:17:48,230 --> 00:17:46,400

because i would tell people this he's

532

00:17:49,029 --> 00:17:48,240

kind of like a forrest gump of just like

533

00:17:51,430 --> 00:17:49,039

one

534

00:17:53,350 --> 00:17:51,440

in general just general history but then

535

00:17:55,669 --> 00:17:53,360

also of like rocketry

536

00:17:56,950 --> 00:17:55,679

ufo stuff and also like remote viewing

537

00:17:58,230 --> 00:17:56,960

stuff

538

00:17:59,510 --> 00:17:58,240

and

539

00:18:00,950 --> 00:17:59,520

what i say in the video too is like by

540

00:18:03,110 --> 00:18:00,960

studying his life like you can see the

541

00:18:04,710 --> 00:18:03,120

histories of all these different things

542

00:18:06,630 --> 00:18:04,720

so that one it's like

543

00:18:08,070 --> 00:18:06,640

an edgar mitchell documentary but also

544

00:18:10,310 --> 00:18:08,080

kind of inside of it i try and sneak in

545

00:18:11,830 --> 00:18:10,320

like an apollo documentary and even like

546

00:18:13,430 --> 00:18:11,840

a remote viewing documentary and like a

547

00:18:14,630 --> 00:18:13,440

warner von braun documentary and like a

548

00:18:19,590 --> 00:18:14,640

mini

549

00:18:21,430 --> 00:18:19,600

robert goddard the father of rocketry so

550

00:18:22,870 --> 00:18:21,440

like all these different things like

551

00:18:24,470 --> 00:18:22,880

so that one that

552

00:18:26,070 --> 00:18:24,480

basically that edgar mitchell one took

553

00:18:27,430 --> 00:18:26,080

me a long time to make

554

00:18:29,510 --> 00:18:27,440

but uh

555

00:18:31,990 --> 00:18:29,520

because yeah i read a lot too very well

556

00:18:32,950 --> 00:18:32,000

done and it's really like i said faris

557

00:18:34,710 --> 00:18:32,960

and i you know another thing i really

558

00:18:36,150 --> 00:18:34,720

appreciate about what you do too is it

559

00:18:37,750 --> 00:18:36,160

um and we try to do this here at the

560

00:18:39,110 --> 00:18:37,760

garage a lot ben and joe are excellent

561

00:18:41,029 --> 00:18:39,120

at this i i mean i strive to try and

562

00:18:43,510 --> 00:18:41,039

catch up to them on it and that is you

563

00:18:45,270 --> 00:18:43,520

know we give a very uh

564

00:18:47,270 --> 00:18:45,280

we take things very serious but we also

565

00:18:48,549 --> 00:18:47,280

take a light-hearted approach i think

566

00:18:50,390 --> 00:18:48,559

you take your work very seriously

567

00:18:52,549 --> 00:18:50,400

obviously but what i respect that you do

568

00:18:54,789 --> 00:18:52,559

that we try to do here as well is give a

569

00:18:56,870 --> 00:18:54,799

balanced position on it which is hey

570

00:18:58,789 --> 00:18:56,880

here's what we have but this has also

571

00:19:00,310 --> 00:18:58,799

been said right so

572

00:19:02,630 --> 00:19:00,320

we really do try to do that here to

573

00:19:04,230 --> 00:19:02,640

provide both sides uh of what could be

574

00:19:06,150 --> 00:19:04,240

going on

575

00:19:08,310 --> 00:19:06,160

and i guess you know the old thing like

576  
00:19:10,390 --> 00:19:08,320  
playing switzerland and everything but i

577  
00:19:12,549 --> 00:19:10,400  
think you do in a very uh respectable

578  
00:19:13,830 --> 00:19:12,559  
manner that you're not selling anything

579  
00:19:15,750 --> 00:19:13,840  
you're not really

580  
00:19:18,470 --> 00:19:15,760  
pushing any one agenda or the other

581  
00:19:21,669 --> 00:19:18,480  
you're providing is specifically the

582  
00:19:23,430 --> 00:19:21,679  
um the last new there with mitchell he

583  
00:19:25,029 --> 00:19:23,440  
that one in particular was like you said

584  
00:19:27,110 --> 00:19:25,039  
it gave because of being history you're

585  
00:19:28,950 --> 00:19:27,120  
able to respect it keep the integrity of

586  
00:19:30,630 --> 00:19:28,960  
it in place and not maybe

587  
00:19:32,630 --> 00:19:30,640  
i don't want to say in the wrong way but

588  
00:19:34,150 --> 00:19:32,640

warp it i guess you see some people put

589

00:19:35,830 --> 00:19:34,160

out documentaries and they you can very

590

00:19:38,789 --> 00:19:35,840

much still see

591

00:19:40,470 --> 00:19:38,799

uh the influence of what we believe now

592

00:19:41,590 --> 00:19:40,480

and even though you did give those

593

00:19:43,110 --> 00:19:41,600

opinions saying here's what we kind of

594

00:19:45,350 --> 00:19:43,120

know now or whatever but at the time

595

00:19:46,870 --> 00:19:45,360

even when we share stories right on the

596

00:19:48,470 --> 00:19:46,880

show here we always try to say put

597

00:19:50,310 --> 00:19:48,480

yourself in that and you did a great job

598

00:19:52,070 --> 00:19:50,320

of that saying you know it's 19 you know

599

00:19:54,070 --> 00:19:52,080

whatever year might have been 47 first

600

00:19:56,470 --> 00:19:54,080

of all the fact that he was in roswell

601  
00:19:59,029 --> 00:19:56,480  
when that all happened i did not know

602  
00:20:00,390 --> 00:19:59,039  
that actually i don't know why but i did

603  
00:20:02,470 --> 00:20:00,400  
just did not

604  
00:20:04,390 --> 00:20:02,480  
it was never he's main character he's a

605  
00:20:06,789 --> 00:20:04,400  
main character of this world that we

606  
00:20:07,750 --> 00:20:06,799  
live in he kind of is like the forest

607  
00:20:08,549 --> 00:20:07,760  
gump

608  
00:20:10,630 --> 00:20:08,559  
dude

609  
00:20:11,830 --> 00:20:10,640  
you bet so many people i guess for

610  
00:20:13,350 --> 00:20:11,840  
people watching you don't know i'll just

611  
00:20:14,549 --> 00:20:13,360  
do a quick rundown of like all the

612  
00:20:17,110 --> 00:20:14,559  
horoscopes

613  
00:20:18,470 --> 00:20:17,120

of edgar mitchell so

614

00:20:20,470 --> 00:20:18,480

grew up

615

00:20:22,230 --> 00:20:20,480

um had to move because of the dust bowl

616

00:20:23,830 --> 00:20:22,240

which is like pretty forest gump as a

617

00:20:24,950 --> 00:20:23,840

kid his family moved to roswell new

618

00:20:26,310 --> 00:20:24,960

mexico

619

00:20:28,230 --> 00:20:26,320

um

620

00:20:30,630 --> 00:20:28,240

he claims he was able to hear the ground

621

00:20:33,110 --> 00:20:30,640

shake and like see like lights in the

622

00:20:34,950 --> 00:20:33,120

sky from the distance of the atomic test

623

00:20:36,789 --> 00:20:34,960

at the white sands base

624

00:20:38,149 --> 00:20:36,799

he would used to walk by the house of

625

00:20:40,149 --> 00:20:38,159

robert goddard who like basically

626

00:20:42,070 --> 00:20:40,159

invented american rocketry

627

00:20:43,590 --> 00:20:42,080

uh he lived in roswell and he was like a

628

00:20:46,149 --> 00:20:43,600

teenager when the crash happened and

629

00:20:47,830 --> 00:20:46,159

like remembers listening to the radio

630

00:20:48,789 --> 00:20:47,840

and planned on going out there with his

631

00:20:50,789 --> 00:20:48,799

friends

632

00:20:52,710 --> 00:20:50,799

and then it gets into like

633

00:20:54,710 --> 00:20:52,720

just plain stuff uh he did a bunch of

634

00:20:57,029 --> 00:20:54,720

test pilot work he worked he was in the

635

00:20:59,750 --> 00:20:57,039

korean war he flew with chuck yeager

636

00:21:00,710 --> 00:20:59,760

then he got into nasa went to the moon

637

00:21:02,149 --> 00:21:00,720

which like not that many people have

638

00:21:04,390 --> 00:21:02,159

been to the moon i feel like it's kind

639

00:21:06,070 --> 00:21:04,400

of a big deal right yes

640

00:21:08,789 --> 00:21:06,080

instantly someone's like hey i built a

641

00:21:09,990 --> 00:21:08,799

truck like yeah i went to the moon so

642

00:21:12,070 --> 00:21:10,000

one

643

00:21:14,470 --> 00:21:12,080

yeah and then back to our subject he was

644

00:21:16,950 --> 00:21:14,480

all involved with ufos and remote

645

00:21:19,110 --> 00:21:16,960

viewing and like hal put off and sri and

646

00:21:20,310 --> 00:21:19,120

the 1970s and

647

00:21:21,990 --> 00:21:20,320

he was just all over and the hippie

648

00:21:23,990 --> 00:21:22,000

movement he was also like a hippie for a

649

00:21:25,909 --> 00:21:24,000

little bit there and

650

00:21:28,070 --> 00:21:25,919

he's just very interesting man

651  
00:21:28,830 --> 00:21:28,080  
that was to say it is pretty interesting

652  
00:21:30,630 --> 00:21:28,840  
the

653  
00:21:33,029 --> 00:21:30,640  
uh

654  
00:21:34,870 --> 00:21:33,039  
the amount of characters that we

655  
00:21:36,870 --> 00:21:34,880  
and i guess this is the way of life i

656  
00:21:38,870 --> 00:21:36,880  
guess in nature or history

657  
00:21:40,230 --> 00:21:38,880  
is that we don't always fully recognize

658  
00:21:41,750 --> 00:21:40,240  
right we don't always fully appreciate

659  
00:21:42,789 --> 00:21:41,760  
our parents until you become a parent

660  
00:21:44,710 --> 00:21:42,799  
you know it's

661  
00:21:46,950 --> 00:21:44,720  
we don't always recognize just how

662  
00:21:48,310 --> 00:21:46,960  
amazing one person's life might actually

663  
00:21:49,830 --> 00:21:48,320

be until history gets a little bit

664

00:21:51,430 --> 00:21:49,840

further down the road

665

00:21:52,630 --> 00:21:51,440

um and for those that don't know

666

00:21:54,390 --> 00:21:52,640

obviously you hit on this i mean he

667

00:21:57,270 --> 00:21:54,400

passed away and i i don't know the exact

668

00:21:59,029 --> 00:21:57,280

date but it was in 2016 was it near the

669

00:22:01,270 --> 00:21:59,039

fall maybe or something i want to say it

670

00:22:02,710 --> 00:22:01,280

was like february february okay you

671

00:22:04,390 --> 00:22:02,720

might have been right around where we

672

00:22:06,070 --> 00:22:04,400

are right now let's see yeah you're

673

00:22:06,870 --> 00:22:06,080

right might be really close actually

674

00:22:08,470 --> 00:22:06,880

because i remember it was like the

675

00:22:09,669 --> 00:22:08,480

anniversary of his apollo flight which i

676  
00:22:11,029 --> 00:22:09,679  
think

677  
00:22:13,590 --> 00:22:11,039  
they just had their like touchdown

678  
00:22:15,830 --> 00:22:13,600  
anniversary a few days mm-hmm

679  
00:22:16,630 --> 00:22:15,840  
apollo february 4th is when he february

680  
00:22:18,710 --> 00:22:16,640  
4.

681  
00:22:19,990 --> 00:22:18,720  
such a good memory i would have never

682  
00:22:21,190 --> 00:22:20,000  
remembered that thank you tammy by the

683  
00:22:23,190 --> 00:22:21,200  
way for taking care of the bots over

684  
00:22:25,110 --> 00:22:23,200  
there for us uh swinging that wrench you

685  
00:22:26,710 --> 00:22:25,120  
guys watch it or tammy will take you out

686  
00:22:29,029 --> 00:22:26,720  
she's like a ninja

687  
00:22:30,870 --> 00:22:29,039  
uh so anyways yeah when he uh passed

688  
00:22:33,830 --> 00:22:30,880

away there because so much feels like it

689

00:22:35,590 --> 00:22:33,840

just ramped up from 2016 to now i mean

690

00:22:36,950 --> 00:22:35,600

you look at where the conversation was

691

00:22:39,669 --> 00:22:36,960

relation to

692

00:22:41,270 --> 00:22:39,679

the ufo topic as a whole

693

00:22:43,750 --> 00:22:41,280

whether that be

694

00:22:45,830 --> 00:22:43,760

physical crafts physical beings

695

00:22:47,669 --> 00:22:45,840

or the idea of even consciousness which

696

00:22:49,590 --> 00:22:47,679

i love that he was dealing with that as

697

00:22:51,029 --> 00:22:49,600

well he was so early right so like even

698

00:22:55,830 --> 00:22:51,039

before valet

699

00:22:57,029 --> 00:22:55,840

he was a true visionary

700

00:22:58,390 --> 00:22:57,039

and he could be wrong on a lot of

701  
00:23:00,310 --> 00:22:58,400  
aspects but like i said in the video

702  
00:23:01,669 --> 00:23:00,320  
like i used to respect him for like just

703  
00:23:02,470 --> 00:23:01,679  
not even caring what anyone else thought

704  
00:23:03,909 --> 00:23:02,480  
and just

705  
00:23:05,190 --> 00:23:03,919  
doing what he was interested in and

706  
00:23:07,669 --> 00:23:05,200  
trying to find the answers that he was

707  
00:23:09,590 --> 00:23:07,679  
trying to find and he he did try and

708  
00:23:12,230 --> 00:23:09,600  
stay grounded but he definitely was kind

709  
00:23:13,909 --> 00:23:12,240  
of crazy to like not crazy but like

710  
00:23:14,950 --> 00:23:13,919  
eccentric maybe would be a good way to

711  
00:23:16,470 --> 00:23:14,960  
use

712  
00:23:18,390 --> 00:23:16,480  
and he would tell you that so if he knew

713  
00:23:20,070 --> 00:23:18,400

he was aware it's like he didn't think

714

00:23:21,029 --> 00:23:20,080

he was so

715

00:23:23,190 --> 00:23:21,039

right

716

00:23:25,270 --> 00:23:23,200

and you know it is pretty amazing though

717

00:23:27,029 --> 00:23:25,280

like the fact that he had the chance to

718

00:23:29,350 --> 00:23:27,039

be able to test out

719

00:23:32,149 --> 00:23:29,360

uh the whole idea of oh i forget the

720

00:23:34,630 --> 00:23:32,159

exact term that they put on it

721

00:23:36,310 --> 00:23:34,640

it'd be um

722

00:23:37,590 --> 00:23:36,320

i forget the technical term they use on

723

00:23:39,430 --> 00:23:37,600

this but it's the idea of kind of like

724

00:23:40,870 --> 00:23:39,440

remotely before one person to another

725

00:23:43,029 --> 00:23:40,880

right what is that it's it's there's a

726

00:23:44,310 --> 00:23:43,039

different term i think they use for it

727

00:23:45,430 --> 00:23:44,320

but it'd be where you would think of

728

00:23:48,710 --> 00:23:45,440

something and i would try to write those

729

00:23:51,029 --> 00:23:48,720

images down and um just the idea that

730

00:23:52,710 --> 00:23:51,039

there seems to be a conscious connection

731

00:23:54,950 --> 00:23:52,720

from distance right beyond

732

00:23:55,909 --> 00:23:54,960

that surpasses space and time

733

00:23:57,990 --> 00:23:55,919

and and

734

00:24:00,310 --> 00:23:58,000

did not know either with you hitting on

735

00:24:01,750 --> 00:24:00,320

that a little bit that warner von braun

736

00:24:04,390 --> 00:24:01,760

i did not know that was something he was

737

00:24:06,390 --> 00:24:04,400

also interested in for all the

738

00:24:07,909 --> 00:24:06,400

you know many opinions we might have

739

00:24:10,149 --> 00:24:07,919

surrounding him and his

740

00:24:11,510 --> 00:24:10,159

history i guess his place in history

741

00:24:13,590 --> 00:24:11,520

uh i didn't know that was something he

742

00:24:15,110 --> 00:24:13,600

was curious about or at least looking

743

00:24:17,430 --> 00:24:15,120

into and then even meeting with yuri

744

00:24:18,870 --> 00:24:17,440

geller like the fact that that meeting

745

00:24:20,310 --> 00:24:18,880

even took place

746

00:24:21,990 --> 00:24:20,320

right

747

00:24:23,510 --> 00:24:22,000

i mean and you even hit on you said

748

00:24:24,710 --> 00:24:23,520

there was some sparks that flew a little

749

00:24:27,190 --> 00:24:24,720

bit clearly and for those that don't

750

00:24:29,110 --> 00:24:27,200

know yuri geller obviously was a

751  
00:24:30,710 --> 00:24:29,120  
pretty big deal

752  
00:24:34,710 --> 00:24:30,720  
people have a lot of opinions about that

753  
00:24:37,510 --> 00:24:34,720  
as well uh an israeli who have claimed

754  
00:24:38,789 --> 00:24:37,520  
to have a lot of telekinesis and

755  
00:24:41,110 --> 00:24:38,799  
abilities

756  
00:24:43,190 --> 00:24:41,120  
and some of it

757  
00:24:44,630 --> 00:24:43,200  
seemed provable in certain situations

758  
00:24:47,190 --> 00:24:44,640  
and some of it someone said he was just

759  
00:24:48,789 --> 00:24:47,200  
a fraud so but either way him and him

760  
00:24:50,789 --> 00:24:48,799  
and warner von braun meeting obviously

761  
00:24:52,149 --> 00:24:50,799  
with the history of like the war had not

762  
00:24:53,350 --> 00:24:52,159  
really been over for that long we're

763  
00:24:55,990 --> 00:24:53,360

only talking i think when they met not

764

00:24:58,149 --> 00:24:56,000

even 10 years if not maybe well it was

765

00:25:00,470 --> 00:24:58,159

it would have been like the early 70s so

766

00:25:02,310 --> 00:25:00,480

that would have been like what oh i

767

00:25:03,430 --> 00:25:02,320

thought i was 55 i was white man you

768

00:25:05,669 --> 00:25:03,440

guys you know what i should have been

769

00:25:07,430 --> 00:25:05,679

like 20 years was it 20 years okay it

770

00:25:08,789 --> 00:25:07,440

would have been around 20 like 25 years

771

00:25:10,549 --> 00:25:08,799

which is still not that long like that

772

00:25:12,390 --> 00:25:10,559

would have been like if world war ii had

773

00:25:14,310 --> 00:25:12,400

happened in like 97 or something and

774

00:25:15,269 --> 00:25:14,320

then we had to all be cool with each

775

00:25:17,110 --> 00:25:15,279

other

776

00:25:18,870 --> 00:25:17,120

right and it's like his family like

777

00:25:20,870 --> 00:25:18,880

legit died in world war ii it wasn't

778

00:25:22,549 --> 00:25:20,880

even like my great-grandparents or

779

00:25:24,470 --> 00:25:22,559

something it was like yeah

780

00:25:25,750 --> 00:25:24,480

literally yeah yeah it's a very

781

00:25:26,789 --> 00:25:25,760

different thing i can imagine like you

782

00:25:28,149 --> 00:25:26,799

said i was telling the story of a

783

00:25:29,909 --> 00:25:28,159

grandparent or great grandparent we've

784

00:25:32,390 --> 00:25:29,919

never met which is still a lot but then

785

00:25:34,549 --> 00:25:32,400

to actually be like this is my family

786

00:25:37,510 --> 00:25:34,559

directly that i grew up with is you know

787

00:25:39,350 --> 00:25:37,520

um as uh daryl was saying here he said

788

00:25:41,269 --> 00:25:39,360

the spoon thing was sus you know what

789

00:25:43,510 --> 00:25:41,279

anytime by the way red anytime we get

790

00:25:44,630 --> 00:25:43,520

suss in this uh over here whatever

791

00:25:46,070 --> 00:25:44,640

you're drinking tonight you get to take

792

00:25:47,430 --> 00:25:46,080

a sip off so anybody in the chat please

793

00:25:48,870 --> 00:25:47,440

take a sip of whatever you are drinking

794

00:25:51,990 --> 00:25:48,880

this fine evening

795

00:25:53,110 --> 00:25:52,000

somagua over there very nice uh but yeah

796

00:25:56,070 --> 00:25:53,120

he

797

00:25:57,830 --> 00:25:56,080

obviously for those that don't know we

798

00:25:59,590 --> 00:25:57,840

do the the work with uh dave scott over

799

00:26:02,230 --> 00:25:59,600

there spaced out radio on the weekends

800

00:26:04,310 --> 00:26:02,240

myself jimmy jade john hudson and then

801  
00:26:06,070 --> 00:26:04,320  
lizzie borden and we just recently had

802  
00:26:07,029 --> 00:26:06,080  
covered him a little bit he wasn't the

803  
00:26:08,549 --> 00:26:07,039  
main character the story we were

804  
00:26:11,669 --> 00:26:08,559  
covering but he he claimed that he said

805  
00:26:14,470 --> 00:26:11,679  
if you put on those old um

806  
00:26:16,870 --> 00:26:14,480  
interviews that today you can still get

807  
00:26:17,830 --> 00:26:16,880  
people who can bend spoons or forks

808  
00:26:19,190 --> 00:26:17,840  
uh

809  
00:26:20,390 --> 00:26:19,200  
into

810  
00:26:22,310 --> 00:26:20,400  
like that was a big thing there were

811  
00:26:24,870 --> 00:26:22,320  
spoon-bending parties that were going on

812  
00:26:26,390 --> 00:26:24,880  
and stuff yeah that's crazy right and

813  
00:26:27,269 --> 00:26:26,400

then intriguing

814

00:26:28,870 --> 00:26:27,279

that's one of the things that you're

815

00:26:29,830 --> 00:26:28,880

mittell said even like convinced him of

816

00:26:31,350 --> 00:26:29,840

yuri that i talked about in the

817

00:26:33,190 --> 00:26:31,360

documentary i made is

818

00:26:34,470 --> 00:26:33,200

those tapes that you're referencing they

819

00:26:36,630 --> 00:26:34,480

would play him in the bay area and then

820

00:26:38,230 --> 00:26:36,640

like parents would be calling so and

821

00:26:40,549 --> 00:26:38,240

edgar claims that initially he was like

822

00:26:42,230 --> 00:26:40,559

so super skeptical of yuri which i don't

823

00:26:43,350 --> 00:26:42,240

know if i believe that but

824

00:26:45,110 --> 00:26:43,360

that he's that's one of the things that

825

00:26:47,510 --> 00:26:45,120

he said really uh

826

00:26:50,070 --> 00:26:47,520

convinced him was that

827

00:26:52,230 --> 00:26:50,080

other random people that like seemingly

828

00:26:53,909 --> 00:26:52,240

didn't have any connection to stanford

829

00:26:55,830 --> 00:26:53,919

research institute

830

00:26:57,750 --> 00:26:55,840

were having their kids be able to bend

831

00:27:00,230 --> 00:26:57,760

spoons that often they would bring and

832

00:27:02,149 --> 00:27:00,240

test themselves and

833

00:27:04,390 --> 00:27:02,159

so i don't know who knows do you know

834

00:27:06,390 --> 00:27:04,400

he's the like uh

835

00:27:08,149 --> 00:27:06,400

inspiration for

836

00:27:10,710 --> 00:27:08,159

kadabra the pokemon and he was the

837

00:27:12,230 --> 00:27:10,720

reason why um you couldn't

838

00:27:13,510 --> 00:27:12,240

just until i think this year that that

839

00:27:16,070 --> 00:27:13,520

you could uh

840

00:27:18,710 --> 00:27:16,080

they sold cadabra pokemon cards

841

00:27:21,029 --> 00:27:18,720

i did not know that see

842

00:27:22,710 --> 00:27:21,039

a fountain a wealth of knowledge ladies

843

00:27:24,149 --> 00:27:22,720

and gentlemen this is why you should

844

00:27:26,389 --> 00:27:24,159

go subscribe

845

00:27:27,909 --> 00:27:26,399

to his youtube channel as well as your

846

00:27:29,990 --> 00:27:27,919

uh you post quite a bit over on twitter

847

00:27:32,470 --> 00:27:30,000

i cannot give a great explanation to

848

00:27:34,230 --> 00:27:32,480

that one or account of that because i'm

849

00:27:35,830 --> 00:27:34,240

not on twitter enough i'll be honest

850

00:27:37,110 --> 00:27:35,840

guys i try my best but i'm not on there

851  
00:27:38,870 --> 00:27:37,120  
consistently

852  
00:27:40,710 --> 00:27:38,880  
uh but i know for a fact that obviously

853  
00:27:42,630 --> 00:27:40,720  
you do post when i go on you you've

854  
00:27:44,070 --> 00:27:42,640  
updated usually more than that

855  
00:27:46,630 --> 00:27:44,080  
i usually just retweet like interesting

856  
00:27:48,470 --> 00:27:46,640  
current news articles and stuff but yeah

857  
00:27:50,870 --> 00:27:48,480  
if you want to follow me go ahead

858  
00:27:52,149 --> 00:27:50,880  
very good uh well now really quick what

859  
00:27:53,909 --> 00:27:52,159  
i'd like to do is before we go any

860  
00:27:56,070 --> 00:27:53,919  
further as we're coming up on near the

861  
00:27:58,310 --> 00:27:56,080  
top of the hour here so

862  
00:27:59,990 --> 00:27:58,320  
let's dive back into a little bit about

863  
00:28:01,510 --> 00:28:00,000

yourself um obviously we're gonna be

864

00:28:03,350 --> 00:28:01,520

going back into your work but i'd like

865

00:28:05,029 --> 00:28:03,360

to hit before we jump into that just

866

00:28:06,389 --> 00:28:05,039

kind of your background in this did

867

00:28:09,029 --> 00:28:06,399

let's let's go back as far back as

868

00:28:10,870 --> 00:28:09,039

childhood early on did you have vision

869

00:28:13,669 --> 00:28:10,880

of doing this kind of work was this

870

00:28:14,789 --> 00:28:13,679

something that intrigued you

871

00:28:18,149 --> 00:28:14,799

no

872

00:28:20,230 --> 00:28:18,159

the earliest maybe like seed things of

873

00:28:21,269 --> 00:28:20,240

me doing what i'm doing now is like

874

00:28:23,110 --> 00:28:21,279

uh

875

00:28:24,710 --> 00:28:23,120

when i was in college i was always in a

876

00:28:26,070 --> 00:28:24,720

history but like in college got really

877

00:28:27,510 --> 00:28:26,080

really into history

878

00:28:29,510 --> 00:28:27,520

and i thought it'd be really cool to be

879

00:28:30,870 --> 00:28:29,520

able to be like a just a typical history

880

00:28:32,470 --> 00:28:30,880

youtuber like

881

00:28:35,029 --> 00:28:32,480

rome and stuff like that you know what i

882

00:28:36,870 --> 00:28:35,039

mean world war ii world war one whatever

883

00:28:38,310 --> 00:28:36,880

uh actually i really wanted to do cold

884

00:28:39,750 --> 00:28:38,320

war history

885

00:28:41,190 --> 00:28:39,760

i felt like there was a dish there at

886

00:28:41,990 --> 00:28:41,200

that time

887

00:28:45,269 --> 00:28:42,000

yep

888

00:28:46,950 --> 00:28:45,279

so i really wanted to do that um

889

00:28:49,269 --> 00:28:46,960

and then i was saving up for a computer

890

00:28:52,149 --> 00:28:49,279

i graduated college in 2016 and i was

891

00:28:54,470 --> 00:28:52,159

saving up for a computer and then

892

00:28:57,590 --> 00:28:54,480

in 2017 is when the new york times

893

00:28:58,870 --> 00:28:57,600

article happened and that's when uh

894

00:29:00,470 --> 00:28:58,880

i uh

895

00:29:02,310 --> 00:29:00,480

i really like took the

896

00:29:04,070 --> 00:29:02,320

the red pill went down the rabbit hole

897

00:29:06,710 --> 00:29:04,080

whatever you want to say at that time

898

00:29:08,710 --> 00:29:06,720

so yeah not like growing up not too much

899

00:29:10,310 --> 00:29:08,720

like i would listen to coast coast but

900

00:29:12,070 --> 00:29:10,320

not too much it was only really until

901  
00:29:13,430 --> 00:29:12,080  
2017 that i really went all in on the

902  
00:29:15,350 --> 00:29:13,440  
ufo stuff

903  
00:29:17,269 --> 00:29:15,360  
like did my deep dive did my research

904  
00:29:20,149 --> 00:29:17,279  
just because i didn't really ever have

905  
00:29:22,149 --> 00:29:20,159  
like the time or reason to prior to that

906  
00:29:25,669 --> 00:29:22,159  
true but really

907  
00:29:26,710 --> 00:29:25,679  
it is so funny how people stumble into

908  
00:29:27,909 --> 00:29:26,720  
um

909  
00:29:28,950 --> 00:29:27,919  
this i guess you know that's one of the

910  
00:29:31,510 --> 00:29:28,960  
things we even mentioned how did how did

911  
00:29:33,110 --> 00:29:31,520  
you end up on this life path

912  
00:29:34,549 --> 00:29:33,120  
we're hitting on that a little bit here

913  
00:29:36,070 --> 00:29:34,559

with the transition between you were

914

00:29:38,389 --> 00:29:36,080

looking at you know just standard

915

00:29:39,430 --> 00:29:38,399

turning out good uh you know reports of

916

00:29:41,590 --> 00:29:39,440

what happened in history really

917

00:29:43,510 --> 00:29:41,600

reporting the facts as it were

918

00:29:45,669 --> 00:29:43,520

what led you i guess what was besides

919

00:29:47,669 --> 00:29:45,679

the jump there in 2016 was that kind of

920

00:29:49,510 --> 00:29:47,679

the jump had you tried to do just

921

00:29:51,269 --> 00:29:49,520

history at any point leading before you

922

00:29:53,430 --> 00:29:51,279

started this particular channel no i

923

00:29:55,190 --> 00:29:53,440

hadn't even like started that i was

924

00:29:57,029 --> 00:29:55,200

still in the saving mode for that point

925

00:29:58,470 --> 00:29:57,039

so and then when it happened and i was

926

00:30:00,470 --> 00:29:58,480

like hmm

927

00:30:02,789 --> 00:30:00,480

like this is interesting timing and i

928

00:30:04,950 --> 00:30:02,799

was like when i did my research for ufo

929

00:30:06,470 --> 00:30:04,960

stuff i was like oh i feel like the kind

930

00:30:08,789 --> 00:30:06,480

of channel i envisioned for my history

931

00:30:10,710 --> 00:30:08,799

channel could be really useful

932

00:30:12,870 --> 00:30:10,720

for the ufo stuff and even more like

933

00:30:14,470 --> 00:30:12,880

applicable to our current time because

934

00:30:16,149 --> 00:30:14,480

who knows this could all be drones but

935

00:30:17,830 --> 00:30:16,159

maybe it's uh

936

00:30:18,950 --> 00:30:17,840

like something else and and the only way

937

00:30:20,230 --> 00:30:18,960

we'll get there is if we have informed

938

00:30:22,389 --> 00:30:20,240

discussions about it and there's like

939

00:30:24,389 --> 00:30:22,399

all this lore that like people have to

940

00:30:25,669 --> 00:30:24,399

kind of get caught up with

941

00:30:27,830 --> 00:30:25,679

so i was like

942

00:30:28,870 --> 00:30:27,840

okay i'll do this instead and it's kind

943

00:30:30,470 --> 00:30:28,880

of um

944

00:30:31,590 --> 00:30:30,480

i tell people this too

945

00:30:32,789 --> 00:30:31,600

one of the things i found the most

946

00:30:33,909 --> 00:30:32,799

interesting about the cold war was how

947

00:30:36,870 --> 00:30:33,919

it kind of like

948

00:30:38,549 --> 00:30:36,880

encompassed like the entirety of

949

00:30:40,470 --> 00:30:38,559

the century it was in

950

00:30:41,909 --> 00:30:40,480

in like all these different ways and if

951  
00:30:43,590 --> 00:30:41,919  
you kind of look at the ufo issue it's

952  
00:30:44,389 --> 00:30:43,600  
pretty similar in my opinion where it's

953  
00:30:54,630 --> 00:30:44,399  
like

954  
00:30:57,190 --> 00:30:54,640  
chess board game that's been going on

955  
00:30:59,430 --> 00:30:57,200  
for lord knows how long about this uh

956  
00:31:00,549 --> 00:30:59,440  
the subject of ours

957  
00:31:02,470 --> 00:31:00,559  
well let's sit on that for a second

958  
00:31:04,549 --> 00:31:02,480  
since you brought it up i mean what was

959  
00:31:05,990 --> 00:31:04,559  
your opinion prior to leading into the

960  
00:31:07,830 --> 00:31:06,000  
stuff again kind of dealing with the

961  
00:31:09,590 --> 00:31:07,840  
childhood growing up did you watch i

962  
00:31:11,669 --> 00:31:09,600  
mean what was the idea i think i'm not

963  
00:31:14,310 --> 00:31:11,679

sure of your exact age but i feel like

964

00:31:16,630 --> 00:31:14,320

close-ish to our generation we had the

965

00:31:18,230 --> 00:31:16,640

movies you know we had independence day

966

00:31:19,990 --> 00:31:18,240

we had different ones that influenced us

967

00:31:21,909 --> 00:31:20,000

and we're pretty readily available and

968

00:31:24,070 --> 00:31:21,919

we're in the mainstream media

969

00:31:26,149 --> 00:31:24,080

but did you take the topic seriously or

970

00:31:28,149 --> 00:31:26,159

was it just strictly that's hollywood's

971

00:31:30,230 --> 00:31:28,159

idea yeah it was just strictly hollywood

972

00:31:32,710 --> 00:31:30,240

for me during that time um

973

00:31:33,830 --> 00:31:32,720

yeah i didn't really think about it too

974

00:31:35,590 --> 00:31:33,840

hard

975

00:31:37,110 --> 00:31:35,600

hmm yeah i didn't even really watch like

976  
00:31:38,789 --> 00:31:37,120  
documentaries about it back in the day

977  
00:31:41,509 --> 00:31:38,799  
so no not really never really thought

978  
00:31:43,110 --> 00:31:41,519  
about it gotcha you were more like just

979  
00:31:44,389 --> 00:31:43,120  
this the standard so no history

980  
00:31:46,789 --> 00:31:44,399  
obviously interests you though you were

981  
00:31:48,789 --> 00:31:46,799  
interested in that idea right yeah so

982  
00:31:49,990 --> 00:31:48,799  
i got you i have to admit for myself

983  
00:31:51,190 --> 00:31:50,000  
that was one of the things that i when i

984  
00:31:53,509 --> 00:31:51,200  
got hooked in

985  
00:31:54,710 --> 00:31:53,519  
um and some people i get it that

986  
00:31:57,269 --> 00:31:54,720  
i always say we've all got different

987  
00:31:59,350 --> 00:31:57,279  
parts to play right um

988  
00:32:01,430 --> 00:31:59,360

i don't think that we should try you

989

00:32:02,710 --> 00:32:01,440

have an amazing skill set i could not

990

00:32:04,870 --> 00:32:02,720

try to replicate that that's just not

991

00:32:06,470 --> 00:32:04,880

what i do right i would love to do that

992

00:32:08,630 --> 00:32:06,480

but i just that doesn't come naturally

993

00:32:09,750 --> 00:32:08,640

to me and because of that i always tell

994

00:32:10,950 --> 00:32:09,760

people that

995

00:32:13,830 --> 00:32:10,960

one of the things i love doing is

996

00:32:15,350 --> 00:32:13,840

sharing the old stories but inaccurate

997

00:32:18,230 --> 00:32:15,360

like i respect that you're doing that i

998

00:32:20,470 --> 00:32:18,240

love accurately sharing what happened

999

00:32:23,029 --> 00:32:20,480

and there is so much it's so exciting

1000

00:32:25,830 --> 00:32:23,039

digging back into like the the 30s and

1001  
00:32:27,190 --> 00:32:25,840  
40s and 50s 60s all of that because like

1002  
00:32:28,950 --> 00:32:27,200  
you said even with the cold war and what

1003  
00:32:30,870 --> 00:32:28,960  
took place in our history that way with

1004  
00:32:31,750 --> 00:32:30,880  
us between us and russia and that whole

1005  
00:32:35,190 --> 00:32:31,760  
thing

1006  
00:32:37,509 --> 00:32:35,200  
um there's so much just like

1007  
00:32:39,029 --> 00:32:37,519  
hidden uh easter eggs in my opinion

1008  
00:32:40,470 --> 00:32:39,039  
that's why i love finding when i can

1009  
00:32:42,070 --> 00:32:40,480  
come across that

1010  
00:32:42,950 --> 00:32:42,080  
and so many people have done amazing

1011  
00:32:44,789 --> 00:32:42,960  
work

1012  
00:32:46,630 --> 00:32:44,799  
that we now respect

1013  
00:32:48,310 --> 00:32:46,640

but unfortunately you know like even we

1014

00:32:50,389 --> 00:32:48,320

could say in you know mitchell's case mr

1015

00:32:52,389 --> 00:32:50,399

mitchell there he's unfortunately passed

1016

00:32:54,070 --> 00:32:52,399

at this time right and it's like we're

1017

00:32:56,149 --> 00:32:54,080

almost standing on these the shoulders

1018

00:32:58,230 --> 00:32:56,159

of these giants who have laid this

1019

00:33:00,789 --> 00:32:58,240

foundation and footwork that was heavily

1020

00:33:02,389 --> 00:33:00,799

mocked i mean realistically

1021

00:33:03,669 --> 00:33:02,399

it was not very well we weren't getting

1022

00:33:05,669 --> 00:33:03,679

to do these we weren't getting to sit

1023

00:33:08,630 --> 00:33:05,679

down could you imagine

1024

00:33:10,310 --> 00:33:08,640

if they had had this technology then

1025

00:33:11,909 --> 00:33:10,320

i constantly think about that i'm

1026

00:33:13,990 --> 00:33:11,919

constantly like

1027

00:33:15,509 --> 00:33:14,000

what would have how much

1028

00:33:17,190 --> 00:33:15,519

faster would have we accelerated this

1029

00:33:19,669 --> 00:33:17,200

process because it's already

1030

00:33:20,549 --> 00:33:19,679

in my opinion it's it's cooking along i

1031

00:33:23,269 --> 00:33:20,559

get we've had a little bit of a

1032

00:33:25,350 --> 00:33:23,279

screeching halt here um since september

1033

00:33:26,470 --> 00:33:25,360

since the big drop of last year

1034

00:33:28,230 --> 00:33:26,480

but

1035

00:33:29,509 --> 00:33:28,240

leading up to that going from 2016 to

1036

00:33:31,110 --> 00:33:29,519

this we've been i mean we've been

1037

00:33:32,630 --> 00:33:31,120

hauling along yeah if you compare it the

1038

00:33:35,029 --> 00:33:32,640

whole way through and kind of like i

1039

00:33:36,310 --> 00:33:35,039

don't know what you said uh that's kind

1040

00:33:38,310 --> 00:33:36,320

of what i try and do with my channel is

1041

00:33:39,350 --> 00:33:38,320

like bring the history to life because

1042

00:33:40,870 --> 00:33:39,360

like you were saying there's so many

1043

00:33:42,630 --> 00:33:40,880

people who were in this field for so

1044

00:33:43,590 --> 00:33:42,640

long that just got ridiculed like edgar

1045

00:33:45,110 --> 00:33:43,600

mittell

1046

00:33:47,509 --> 00:33:45,120

or even some of the more like

1047

00:33:50,070 --> 00:33:47,519

traditional scientists like um

1048

00:33:51,190 --> 00:33:50,080

james mcdonald or heineken

1049

00:33:53,509 --> 00:33:51,200

and

1050

00:33:56,149 --> 00:33:53,519

we all know like the current report is

1051

00:33:58,070 --> 00:33:56,159

like uh basically kind of

1052

00:34:00,470 --> 00:33:58,080

gaslighting is the term they use these

1053

00:34:02,789 --> 00:34:00,480

days right us and and kind of wanting us

1054

00:34:04,230 --> 00:34:02,799

to ignore all of the history and

1055

00:34:06,870 --> 00:34:04,240

um i've said this before too it's like

1056

00:34:09,109 --> 00:34:06,880

uh i kind of feel like there's this era

1057

00:34:11,349 --> 00:34:09,119

of arrogance sometimes when people talk

1058

00:34:12,310 --> 00:34:11,359

about ufos today it's like oh well now

1059

00:34:13,669 --> 00:34:12,320

all of a sudden we're taking them

1060

00:34:15,510 --> 00:34:13,679

seriously so we could talk about it

1061

00:34:16,710 --> 00:34:15,520

because they never did in the past but

1062

00:34:19,270 --> 00:34:16,720

it's like no

1063

00:34:22,230 --> 00:34:19,280

they did do it in the past and there was

1064

00:34:24,389 --> 00:34:22,240

active measures to like discredit people

1065

00:34:26,149 --> 00:34:24,399

um yeah the example i gave to ifo j and

1066

00:34:27,750 --> 00:34:26,159

i was talking here was like if avi loeb

1067

00:34:29,349 --> 00:34:27,760

was like doing what he was doing a few

1068

00:34:31,190 --> 00:34:29,359

decades ago his like career would have

1069

00:34:32,790 --> 00:34:31,200

been ruined just like james mcdonald you

1070

00:34:34,869 --> 00:34:32,800

know what i mean so

1071

00:34:35,829 --> 00:34:34,879

sometimes when i see people

1072

00:34:37,829 --> 00:34:35,839

uh

1073

00:34:39,430 --> 00:34:37,839

tout the galileo project which is a

1074

00:34:41,510 --> 00:34:39,440

great thing but they act like it's like

1075

00:34:43,669 --> 00:34:41,520

the first time this has ever been tried

1076

00:34:45,909 --> 00:34:43,679

it just that to me is an indicator that

1077

00:34:47,990 --> 00:34:45,919

there's this huge historical background

1078

00:34:49,190 --> 00:34:48,000

that people are just like missing out on

1079

00:34:50,869 --> 00:34:49,200

and don't know

1080

00:34:52,790 --> 00:34:50,879

that they should know

1081

00:34:53,669 --> 00:34:52,800

you know so true

1082

00:34:56,149 --> 00:34:53,679

you know

1083

00:34:58,550 --> 00:34:56,159

one of the things that i i

1084

00:34:59,750 --> 00:34:58,560

if you look at uh

1085

00:35:01,670 --> 00:34:59,760

like you're saying hitting on that

1086

00:35:04,310 --> 00:35:01,680

specifically far as the way it's been

1087

00:35:06,390 --> 00:35:04,320

shared all they had was their ability to

1088

00:35:07,750 --> 00:35:06,400

to give a conference or have a

1089

00:35:09,109 --> 00:35:07,760

conference

1090

00:35:10,630 --> 00:35:09,119

and people showed up or they didn't show

1091

00:35:13,349 --> 00:35:10,640

up or they wrote a book

1092

00:35:15,270 --> 00:35:13,359

and they so often got thrown into that

1093

00:35:16,950 --> 00:35:15,280

pseudo-science

1094

00:35:19,510 --> 00:35:16,960

operation and

1095

00:35:20,950 --> 00:35:19,520

now as history often does i mean this

1096

00:35:21,910 --> 00:35:20,960

isn't really anything new we've seen all

1097

00:35:23,990 --> 00:35:21,920

the

1098

00:35:25,270 --> 00:35:24,000

those that have made great inventions

1099

00:35:28,470 --> 00:35:25,280

and and really

1100

00:35:30,390 --> 00:35:28,480

pushed uh humankind forward over time

1101  
00:35:31,589 --> 00:35:30,400  
we're usually mocked at the time that it

1102  
00:35:33,990 --> 00:35:31,599  
was coming out

1103  
00:35:36,230 --> 00:35:34,000  
but i think that

1104  
00:35:37,990 --> 00:35:36,240  
i i guess maybe we maybe we don't even

1105  
00:35:40,550 --> 00:35:38,000  
fully recognize the precipice that we're

1106  
00:35:42,790 --> 00:35:40,560  
standing on because i feel like this

1107  
00:35:44,069 --> 00:35:42,800  
thing is going to go one or two ways

1108  
00:35:45,510 --> 00:35:44,079  
and one of the things that does bother

1109  
00:35:46,790 --> 00:35:45,520  
me a little bit i get it was preliminary

1110  
00:35:48,310 --> 00:35:46,800  
i get that all those reports coming out

1111  
00:35:50,790 --> 00:35:48,320  
for the big you know congress finally

1112  
00:35:51,990 --> 00:35:50,800  
recognizing it but the saying hey and

1113  
00:35:53,589 --> 00:35:52,000

i'm not mistaken guys i could be a

1114

00:35:55,750 --> 00:35:53,599

little bit wrong in these these numbers

1115

00:35:58,150 --> 00:35:55,760

here but i believe they said 2004 and

1116

00:36:00,069 --> 00:35:58,160

beyond they're just throwing out right

1117

00:36:01,109 --> 00:36:00,079

they're only looking at 2004 and going

1118

00:36:01,910 --> 00:36:01,119

forward

1119

00:36:03,750 --> 00:36:01,920

well

1120

00:36:05,670 --> 00:36:03,760

that's fine and dandy for those that

1121

00:36:07,430 --> 00:36:05,680

just want you know like well we gotta

1122

00:36:09,109 --> 00:36:07,440

have multiple radars to confirm we gotta

1123

00:36:12,950 --> 00:36:09,119

have this and this and that but you're

1124

00:36:14,950 --> 00:36:12,960

taking so many stories and you're just

1125

00:36:16,550 --> 00:36:14,960

throwing them to the wayside now i don't

1126

00:36:18,310 --> 00:36:16,560

think that we're necessarily lacking

1127

00:36:20,069 --> 00:36:18,320

stories there are many many more stories

1128

00:36:21,270 --> 00:36:20,079

coming out but you're throwing away

1129

00:36:23,430 --> 00:36:21,280

things like

1130

00:36:24,870 --> 00:36:23,440

you know for instance the the the school

1131

00:36:27,109 --> 00:36:24,880

like the big sighting there the school

1132

00:36:28,710 --> 00:36:27,119

there um aerial zimbabwe

1133

00:36:30,310 --> 00:36:28,720

yes thank you and lizzy's gonna be

1134

00:36:32,630 --> 00:36:30,320

bringing that forward for us over at sr

1135

00:36:34,470 --> 00:36:32,640

tomorrow night um you're just throwing

1136

00:36:36,790 --> 00:36:34,480

stuff like that to the wayside where

1137

00:36:37,829 --> 00:36:36,800

it's not like it's just one and again i

1138

00:36:39,349 --> 00:36:37,839

always like to hear people out but it's

1139

00:36:40,470 --> 00:36:39,359

not like it's just one or two people

1140

00:36:42,550 --> 00:36:40,480

that you can't really cooperate their

1141

00:36:44,710 --> 00:36:42,560

story we're talking i think was it 90

1142

00:36:46,630 --> 00:36:44,720

plus children give or take and like

1143

00:36:48,950 --> 00:36:46,640

adult teachers too right or no teachers

1144

00:36:51,589 --> 00:36:48,960

as well uh it's it's just one of those

1145

00:36:53,430 --> 00:36:51,599

things that to me it it it irks me a

1146

00:36:55,430 --> 00:36:53,440

little bit because knowing that history

1147

00:36:56,950 --> 00:36:55,440

i don't like to see history lost we

1148

00:36:59,030 --> 00:36:56,960

don't always have to like history we

1149

00:37:00,950 --> 00:36:59,040

don't certainly have to agree with it

1150

00:37:03,349 --> 00:37:00,960

but i think it is important to teach it

1151  
00:37:05,349 --> 00:37:03,359  
accurately so that we maintain the

1152  
00:37:06,829 --> 00:37:05,359  
substance and really truly honor those

1153  
00:37:09,270 --> 00:37:06,839  
that maybe did live through some

1154  
00:37:12,310 --> 00:37:09,280  
indifferences let's honor what they went

1155  
00:37:14,950 --> 00:37:12,320  
through by accurately telling the story

1156  
00:37:16,230 --> 00:37:14,960  
um and then again that's my that's maybe

1157  
00:37:17,670 --> 00:37:16,240  
i'll even for joan pen be like that's

1158  
00:37:19,910 --> 00:37:17,680  
separate from ben and joe that's big

1159  
00:37:22,069 --> 00:37:19,920  
willy rant there but it it kind of bugs

1160  
00:37:23,910 --> 00:37:22,079  
me because those numbers

1161  
00:37:25,349 --> 00:37:23,920  
work

1162  
00:37:27,510 --> 00:37:25,359  
like a lot of people like i try to make

1163  
00:37:28,630 --> 00:37:27,520

videos about are like dead and deserve

1164

00:37:30,870 --> 00:37:28,640

to be living through what we're living

1165

00:37:32,790 --> 00:37:30,880

through more than like i do

1166

00:37:34,390 --> 00:37:32,800

and it's just there a lot of people

1167

00:37:35,430 --> 00:37:34,400

don't even know about it hopefully

1168

00:37:37,030 --> 00:37:35,440

eventually they'll learn more about

1169

00:37:38,710 --> 00:37:37,040

these people but

1170

00:37:40,390 --> 00:37:38,720

yeah especially for like the person

1171

00:37:41,750 --> 00:37:40,400

who's not really deep like we are i'm

1172

00:37:44,150 --> 00:37:41,760

sure they just don't even know about

1173

00:37:45,670 --> 00:37:44,160

like kehoe or heineck or any of these

1174

00:37:46,950 --> 00:37:45,680

figures from history

1175

00:37:48,230 --> 00:37:46,960

well that's you know it's funny back in

1176

00:37:49,829 --> 00:37:48,240

the day when i had the channel with my

1177

00:37:51,430 --> 00:37:49,839

brother which ben helped design stuff

1178

00:37:53,270 --> 00:37:51,440

for us back in the day but one of the

1179

00:37:54,790 --> 00:37:53,280

first i think was our second episode we

1180

00:37:56,470 --> 00:37:54,800

ever did yeah it was the second episode

1181

00:37:58,069 --> 00:37:56,480

we were like i was gonna do ufos right

1182

00:37:59,670 --> 00:37:58,079

i'm gonna cover that and i wrote this

1183

00:38:01,910 --> 00:37:59,680

like massive

1184

00:38:04,069 --> 00:38:01,920

list of stuff we're gonna cover and it

1185

00:38:05,910 --> 00:38:04,079

was terrible um and thank god he stopped

1186

00:38:07,030 --> 00:38:05,920

me was like just talk from the heart

1187

00:38:09,270 --> 00:38:07,040

because i was like trying to read the

1188

00:38:11,670 --> 00:38:09,280

script i was like and then this so it

1189

00:38:14,390 --> 00:38:11,680

just wasn't good but it was it was like

1190

00:38:16,069 --> 00:38:14,400

it was like a probably 10 page email

1191

00:38:18,950 --> 00:38:16,079

like it was huge i found like everything

1192

00:38:21,030 --> 00:38:18,960

i could ever find from at the time

1193

00:38:23,270 --> 00:38:21,040

uh what was it it was just coming out

1194

00:38:25,270 --> 00:38:23,280

for um louis lozando was just hitting

1195

00:38:27,109 --> 00:38:25,280

the scene right that was just being

1196

00:38:29,430 --> 00:38:27,119

rumored to have ended back in 2004 all

1197

00:38:30,710 --> 00:38:29,440

that right that had ended and

1198

00:38:33,109 --> 00:38:30,720

that was the timeline i was trying to

1199

00:38:34,230 --> 00:38:33,119

set was from project grudge essentially

1200

00:38:36,150 --> 00:38:34,240

yeah

1201

00:38:38,630 --> 00:38:36,160

and i was like oh my gosh there's a lot

1202

00:38:40,550 --> 00:38:38,640

even going on like wikipedia right which

1203

00:38:41,589 --> 00:38:40,560

is hitter guys it's wikipedia but i

1204

00:38:43,349 --> 00:38:41,599

understand it's where everybody goes so

1205

00:38:46,790 --> 00:38:43,359

i will usually use that as like a focal

1206

00:38:48,550 --> 00:38:46,800

point at first to get started but with

1207

00:38:49,910 --> 00:38:48,560

that my brother realized we started

1208

00:38:51,990 --> 00:38:49,920

breaking down the numbers that doctor

1209

00:38:53,510 --> 00:38:52,000

elliott jaylen heineck broke down and if

1210

00:38:55,430 --> 00:38:53,520

you break out the military's number now

1211

00:38:57,349 --> 00:38:55,440

jaylen hoddy said 18

1212

00:38:58,630 --> 00:38:57,359

of all cases he ever studied in those 20

1213

00:39:00,310 --> 00:38:58,640

plus years

1214

00:39:02,710 --> 00:39:00,320

he could he didn't have a rational

1215

00:39:03,750 --> 00:39:02,720

explanation for the military subtracted

1216

00:39:05,510 --> 00:39:03,760

those numbers down to something like

1217

00:39:07,270 --> 00:39:05,520

three percent i think it was

1218

00:39:09,030 --> 00:39:07,280

even taking that down to three percent

1219

00:39:11,670 --> 00:39:09,040

it broke out to where we were

1220

00:39:13,589 --> 00:39:11,680

every basically two and a half weeks it

1221

00:39:15,349 --> 00:39:13,599

was every like 17 days there's an event

1222

00:39:18,310 --> 00:39:15,359

they can't explain

1223

00:39:20,710 --> 00:39:18,320

and that's just what the us was studying

1224

00:39:23,270 --> 00:39:20,720

to me that's a big deal for 20 years you

1225

00:39:25,670 --> 00:39:23,280

had every 17 days you had some sort of

1226

00:39:27,990 --> 00:39:25,680

and those ranged in variants of

1227

00:39:30,150 --> 00:39:28,000

it it's said to be unexplainable so some

1228

00:39:32,230 --> 00:39:30,160

could just be but he from what johnny

1229

00:39:33,829 --> 00:39:32,240

hot j ellen heineck hit on it basically

1230

00:39:35,030 --> 00:39:33,839

separated the

1231

00:39:36,150 --> 00:39:35,040

he wasn't saying that those were

1232

00:39:37,349 --> 00:39:36,160

instances where somebody just seen

1233

00:39:38,550 --> 00:39:37,359

something in the past you're like well

1234

00:39:41,030 --> 00:39:38,560

we'll never know what that was it was it

1235

00:39:43,349 --> 00:39:41,040

was more the in-depth interactions with

1236

00:39:45,030 --> 00:39:43,359

this so uh let's see really quick we

1237

00:39:46,550 --> 00:39:45,040

have a question we never know what's

1238

00:39:48,550 --> 00:39:46,560

going to happen once we get questions so

1239

00:39:50,470 --> 00:39:48,560

let's see what happens here with kathy

1240

00:39:53,670 --> 00:39:50,480

question what year did red panda koala

1241

00:39:56,790 --> 00:39:53,680

graduate cia psyop school all kidding

1242

00:39:58,950 --> 00:39:56,800

aside rpk is great very articulate and

1243

00:40:00,550 --> 00:39:58,960

always ready to hit the nail on the head

1244

00:40:01,670 --> 00:40:00,560

kathy splash thank you for being here

1245

00:40:03,349 --> 00:40:01,680

this morning

1246

00:40:04,870 --> 00:40:03,359

that's like an honor that's like a badge

1247

00:40:07,109 --> 00:40:04,880

of honor i feel like when you get

1248

00:40:07,990 --> 00:40:07,119

accused of being a

1249

00:40:10,470 --> 00:40:08,000

uh

1250

00:40:11,750 --> 00:40:10,480

government

1251  
00:40:13,349 --> 00:40:11,760  
i love it

1252  
00:40:14,950 --> 00:40:13,359  
it does happen a lot and i kind of feel

1253  
00:40:16,790 --> 00:40:14,960  
bad for those that

1254  
00:40:18,309 --> 00:40:16,800  
i have mixed feelings i'm not gonna lie

1255  
00:40:20,150 --> 00:40:18,319  
i mean we've all thought it there's some

1256  
00:40:21,750 --> 00:40:20,160  
once in a while somebody comes out

1257  
00:40:22,950 --> 00:40:21,760  
and they're like i worked for the

1258  
00:40:24,150 --> 00:40:22,960  
government you know

1259  
00:40:25,750 --> 00:40:24,160  
we didn't go down this rabbit hole

1260  
00:40:27,910 --> 00:40:25,760  
tonight but luella zonda was the

1261  
00:40:29,349 --> 00:40:27,920  
prototype of that for a long time right

1262  
00:40:32,069 --> 00:40:29,359  
richard dodie i think was the one before

1263  
00:40:34,309 --> 00:40:32,079

him but you have these ones

1264

00:40:36,309 --> 00:40:34,319

yeah anjali's another one even right now

1265

00:40:39,270 --> 00:40:36,319

we have john ramirez right i love

1266

00:40:41,589 --> 00:40:39,280

someone oh yeah was hitting on him

1267

00:40:44,630 --> 00:40:41,599

i respect what he's bringing forth but i

1268

00:40:46,069 --> 00:40:44,640

also do get people's apprehension

1269

00:40:47,750 --> 00:40:46,079

i have mixed feelings like i said

1270

00:40:49,349 --> 00:40:47,760

because of doing that in-depth deep

1271

00:40:52,150 --> 00:40:49,359

relationship between the

1272

00:40:53,910 --> 00:40:52,160

the us government military in particular

1273

00:40:56,870 --> 00:40:53,920

had the black budget projects that

1274

00:40:59,750 --> 00:40:56,880

existed and the phenomenon as a whole

1275

00:41:04,069 --> 00:40:59,760

it yeah you have trust issues because

1276

00:41:06,390 --> 00:41:04,079

you have very clearly covered this up so

1277

00:41:08,790 --> 00:41:06,400

exactly how can you trust them like

1278

00:41:09,750 --> 00:41:08,800

they lied about this for so long

1279

00:41:11,430 --> 00:41:09,760

i think it's

1280

00:41:13,750 --> 00:41:11,440

and i've never met lou hopefully one day

1281

00:41:14,950 --> 00:41:13,760

i will he seems like a nice guy and uh

1282

00:41:16,630 --> 00:41:14,960

yeah

1283

00:41:18,230 --> 00:41:16,640

i like i like to think that from where

1284

00:41:19,510 --> 00:41:18,240

we are right now that he's gonna be like

1285

00:41:21,270 --> 00:41:19,520

a great guy and like he's not going to

1286

00:41:22,950 --> 00:41:21,280

pull a richard dodie on us

1287

00:41:24,790 --> 00:41:22,960

but i think we should all have our guard

1288

00:41:26,550 --> 00:41:24,800

up for anyone and honestly even me too

1289

00:41:28,150 --> 00:41:26,560

and you like anybody watching any

1290

00:41:30,230 --> 00:41:28,160

information about this like

1291

00:41:32,150 --> 00:41:30,240

you should do your own research and

1292

00:41:34,470 --> 00:41:32,160

cross-check stuff and you never know

1293

00:41:36,550 --> 00:41:34,480

this this subject has been so

1294

00:41:38,150 --> 00:41:36,560

coddled for so long i just don't buy the

1295

00:41:39,829 --> 00:41:38,160

idea that it's all of a sudden like okay

1296

00:41:41,750 --> 00:41:39,839

here you go it's like i still think

1297

00:41:43,270 --> 00:41:41,760

there's varying levels of degree of

1298

00:41:45,829 --> 00:41:43,280

control over

1299

00:41:47,510 --> 00:41:45,839

every aspect of this narrative

1300

00:41:49,589 --> 00:41:47,520

and that's kind of what's bothered me is

1301  
00:41:50,870 --> 00:41:49,599  
like so ben and joe have hit on we've

1302  
00:41:53,150 --> 00:41:50,880  
hit on this before because when they

1303  
00:41:55,430 --> 00:41:53,160  
first started the show uh

1304  
00:41:57,030 --> 00:41:55,440  
2019 give or take it was like very end

1305  
00:41:58,069 --> 00:41:57,040  
of 2019 somewhere right in there oh nice

1306  
00:41:58,790 --> 00:41:58,079  
maybe it's the beginning somewhere in

1307  
00:41:59,990 --> 00:41:58,800  
there

1308  
00:42:01,190 --> 00:42:00,000  
uh they were at the point where we're

1309  
00:42:02,950 --> 00:42:01,200  
like oh man some things are kind of

1310  
00:42:05,670 --> 00:42:02,960  
happened but nothing had really popped

1311  
00:42:06,710 --> 00:42:05,680  
off just yet we had obviously um you

1312  
00:42:08,309 --> 00:42:06,720  
know everything that happened out there

1313  
00:42:09,589 --> 00:42:08,319

with the tic tac incident there were

1314

00:42:11,670 --> 00:42:09,599

some of those things that were finally

1315

00:42:13,349 --> 00:42:11,680

being talked about on like cnn or fox

1316

00:42:14,790 --> 00:42:13,359

and that was the big deal at the time i

1317

00:42:17,190 --> 00:42:14,800

was like oh my gosh there's some

1318

00:42:19,510 --> 00:42:17,200

mainstream media who's actually sharing

1319

00:42:21,510 --> 00:42:19,520

the story and not as a hit piece right

1320

00:42:22,950 --> 00:42:21,520

they're not playing you know the x-files

1321

00:42:24,230 --> 00:42:22,960

theme song in the background or whatever

1322

00:42:25,430 --> 00:42:24,240

maybe they're actually kind of talking

1323

00:42:27,190 --> 00:42:25,440

about this

1324

00:42:28,550 --> 00:42:27,200

and what's weird is joan better like man

1325

00:42:29,829 --> 00:42:28,560

just come on admit like when are they

1326

00:42:31,589 --> 00:42:29,839

just going to admit it and now that

1327

00:42:33,030 --> 00:42:31,599

that's almost happened though

1328

00:42:34,470 --> 00:42:33,040

they've said and i kind of agree with

1329

00:42:36,230 --> 00:42:34,480

them there's something weird inside of

1330

00:42:37,670 --> 00:42:36,240

me i don't know what it is

1331

00:42:39,990 --> 00:42:37,680

but there's a little bit of like

1332

00:42:43,270 --> 00:42:40,000

apprehension like something just feels

1333

00:42:44,790 --> 00:42:43,280

off about it i can't put my finger on it

1334

00:42:46,550 --> 00:42:44,800

but there's something about this coming

1335

00:42:48,870 --> 00:42:46,560

to fruition that just

1336

00:42:50,870 --> 00:42:48,880

doesn't feel like what it's going to

1337

00:42:52,069 --> 00:42:50,880

really be what it is it feels like what

1338

00:42:54,069 --> 00:42:52,079

they're trying to

1339

00:42:55,829 --> 00:42:54,079

their interpretation or manifestation of

1340

00:42:57,829 --> 00:42:55,839

what they want it to be

1341

00:43:00,870 --> 00:42:57,839

because i truly think the the phenomenon

1342

00:43:02,950 --> 00:43:00,880

is if it's is real it's an entirety

1343

00:43:06,390 --> 00:43:02,960

cannot be controlled it isn't going to

1344

00:43:08,309 --> 00:43:06,400

be monetized necessarily

1345

00:43:10,829 --> 00:43:08,319

it certainly could be if people control

1346

00:43:12,950 --> 00:43:10,839

it but i'm saying if we truly had

1347

00:43:15,109 --> 00:43:12,960

disclosure i mean what

1348

00:43:17,670 --> 00:43:15,119

like you said i mean it changes why a

1349

00:43:19,910 --> 00:43:17,680

student says but it changes the world

1350

00:43:21,349 --> 00:43:19,920

overnight depending on what rate it

1351

00:43:22,710 --> 00:43:21,359

happens

1352

00:43:23,829 --> 00:43:22,720

and like we were talking about earlier

1353

00:43:26,710 --> 00:43:23,839

like they're not even talking about

1354

00:43:27,750 --> 00:43:26,720

pre-2004 stuff so it's like you guys you

1355

00:43:29,990 --> 00:43:27,760

guys want us to trust you but you don't

1356

00:43:31,190 --> 00:43:30,000

even want to go back all the way like

1357

00:43:32,950 --> 00:43:31,200

what okay

1358

00:43:35,349 --> 00:43:32,960

exactly yeah that part right there was

1359

00:43:37,349 --> 00:43:35,359

like for me um yeah and like you were

1360

00:43:39,750 --> 00:43:37,359

saying there's lots of stuff i think we

1361

00:43:41,990 --> 00:43:39,760

both uh we both feel that when it comes

1362

00:43:43,030 --> 00:43:42,000

to the history of it of just like

1363

00:43:46,230 --> 00:43:43,040

it's like i feel like we're

1364

00:43:47,829 --> 00:43:46,240

disrespecting them to be honest yeah

1365

00:43:48,710 --> 00:43:47,839

when we act like they didn't exist and

1366

00:43:50,470 --> 00:43:48,720

like

1367

00:43:51,910 --> 00:43:50,480

galileo project is the first ever

1368

00:43:53,430 --> 00:43:51,920

scientific

1369

00:43:54,550 --> 00:43:53,440

and i don't want to sound like a level

1370

00:43:55,910 --> 00:43:54,560

partner because i really do but that's

1371

00:43:57,190 --> 00:43:55,920

just like the go-to example because you

1372

00:43:58,870 --> 00:43:57,200

see people

1373

00:44:00,069 --> 00:43:58,880

uh neil degrasse tyson talked about it

1374

00:44:01,990 --> 00:44:00,079

before and he's like oh well this is the

1375

00:44:04,069 --> 00:44:02,000

first time it's ever being taken

1376

00:44:05,670 --> 00:44:04,079

seriously by academia and it's like do

1377

00:44:08,950 --> 00:44:05,680

you guys not realize like there's a

1378

00:44:10,710 --> 00:44:08,960

reason why it wasn't until 2022

1379

00:44:11,670 --> 00:44:10,720

you know what i mean

1380

00:44:13,190 --> 00:44:11,680

yeah but

1381

00:44:14,950 --> 00:44:13,200

we'll see i don't know

1382

00:44:17,270 --> 00:44:14,960

and we know they like

1383

00:44:18,470 --> 00:44:17,280

we've seen varying levels of

1384

00:44:19,910 --> 00:44:18,480

the way the establishment has been

1385

00:44:21,109 --> 00:44:19,920

trying to control narratives given

1386

00:44:23,349 --> 00:44:21,119

various topics that we don't have to

1387

00:44:25,430 --> 00:44:23,359

like even touch on but just in the day

1388

00:44:26,710 --> 00:44:25,440

of the internet and

1389

00:44:28,150 --> 00:44:26,720

i i'm just curious to see what they're

1390

00:44:29,990 --> 00:44:28,160

going to do once this is really all out

1391

00:44:30,950 --> 00:44:30,000

there like

1392

00:44:32,870 --> 00:44:30,960

i think they're going to they're going

1393

00:44:34,630 --> 00:44:32,880

to clamp down hard i think

1394

00:44:35,910 --> 00:44:34,640

for sure

1395

00:44:37,030 --> 00:44:35,920

yeah we've already done like you said

1396

00:44:38,950 --> 00:44:37,040

without even completely gone it we've

1397

00:44:40,309 --> 00:44:38,960

seen it happen people know that

1398

00:44:41,670 --> 00:44:40,319

independently in every company you have

1399

00:44:43,829 --> 00:44:41,680

the right to run it the way you want to

1400

00:44:45,990 --> 00:44:43,839

but has

1401  
00:44:47,910 --> 00:44:46,000  
censored some stuff and filtered certain

1402  
00:44:50,390 --> 00:44:47,920  
tag lines to certain people to the top

1403  
00:44:51,510 --> 00:44:50,400  
of search histories we all remember the

1404  
00:44:52,630 --> 00:44:51,520  
beauty

1405  
00:44:55,109 --> 00:44:52,640  
maybe it was the horror show but the

1406  
00:44:57,349 --> 00:44:55,119  
beauty of what youtube was in 2010

1407  
00:44:59,190 --> 00:44:57,359  
oh my gosh you could type it in and it

1408  
00:45:00,550 --> 00:44:59,200  
it's like you know it knows exactly what

1409  
00:45:02,069 --> 00:45:00,560  
you're looking for and it's going to

1410  
00:45:03,990 --> 00:45:02,079  
give you

1411  
00:45:06,150 --> 00:45:04,000  
you're looking for but today it'll give

1412  
00:45:08,230 --> 00:45:06,160  
you like 10 pages of like

1413  
00:45:09,829 --> 00:45:08,240

corporate shilling

1414

00:45:11,829 --> 00:45:09,839

you could type it in word for word and

1415

00:45:13,750 --> 00:45:11,839

then yeah man

1416

00:45:14,870 --> 00:45:13,760

you had to think about 14th page to find

1417

00:45:19,510 --> 00:45:14,880

it

1418

00:45:23,589 --> 00:45:21,109

i'm going to shake his hand and when he

1419

00:45:26,069 --> 00:45:23,599

reaches out and squeezes it i'm going to

1420

00:45:29,190 --> 00:45:26,079

scream and say he broke my hand so he

1421

00:45:30,069 --> 00:45:29,200

has so he has to now tell me the ufo

1422

00:45:32,710 --> 00:45:30,079

truth

1423

00:45:34,550 --> 00:45:32,720

i need a plan to shake well that i guess

1424

00:45:36,390 --> 00:45:34,560

that is the part you got to get in there

1425

00:45:39,109 --> 00:45:36,400

and mr louis lazada looks like he could

1426

00:45:41,670 --> 00:45:39,119

pack a powerful punch or a powerful

1427

00:45:43,670 --> 00:45:41,680

handshake there so you never know he's

1428

00:45:46,790 --> 00:45:43,680

got big arms and now he's evolved into

1429

00:45:49,030 --> 00:45:46,800

bearded mode not even go t anymore oh no

1430

00:45:49,829 --> 00:45:49,040

i haven't seen this he's going to pretty

1431

00:45:51,589 --> 00:45:49,839

sure

1432

00:45:52,950 --> 00:45:51,599

yeah i think he's gone he's going full

1433

00:45:55,349 --> 00:45:52,960

beard blue

1434

00:45:57,270 --> 00:45:55,359

so gosh this that's next level once you

1435

00:46:02,150 --> 00:45:57,280

incorporate the beard

1436

00:46:06,710 --> 00:46:05,430

but yeah you know so i it is intriguing

1437

00:46:08,230 --> 00:46:06,720

you know i found too like in the

1438

00:46:09,829 --> 00:46:08,240

conversation we're having and i suppose

1439

00:46:11,030 --> 00:46:09,839

this helps have a ripple effect others

1440

00:46:13,750 --> 00:46:11,040

that are listening

1441

00:46:15,589 --> 00:46:13,760

is that i don't think we're all as

1442

00:46:16,870 --> 00:46:15,599

divided on a lot of things that we think

1443

00:46:18,069 --> 00:46:16,880

we are and that was kind of what my

1444

00:46:20,309 --> 00:46:18,079

brother and i way back into what our

1445

00:46:21,109 --> 00:46:20,319

channel was trying to do is that

1446

00:46:22,790 --> 00:46:21,119

uh

1447

00:46:24,630 --> 00:46:22,800

you know we're not

1448

00:46:25,750 --> 00:46:24,640

the mainstream media or whatever you be

1449

00:46:27,270 --> 00:46:25,760

is being put in front of you and you can

1450

00:46:28,550 --> 00:46:27,280

even say this even like you said people

1451  
00:46:29,750 --> 00:46:28,560  
watching us right now you should go

1452  
00:46:31,190 --> 00:46:29,760  
check the things we're talking about

1453  
00:46:32,870 --> 00:46:31,200  
look it up for yourself because first of

1454  
00:46:34,950 --> 00:46:32,880  
all this is just

1455  
00:46:36,309 --> 00:46:34,960  
my opinion but i feel that if i told you

1456  
00:46:37,829 --> 00:46:36,319  
something or i convinced you of

1457  
00:46:39,190 --> 00:46:37,839  
something eventually someone else is

1458  
00:46:41,109 --> 00:46:39,200  
going to come along and can unconvince

1459  
00:46:43,030 --> 00:46:41,119  
you or convince you something else

1460  
00:46:46,069 --> 00:46:43,040  
until you prove it to yourself and you

1461  
00:46:47,990 --> 00:46:46,079  
know for yourself that this is a factual

1462  
00:46:48,950 --> 00:46:48,000  
thing and why you believe what you

1463  
00:46:50,309 --> 00:46:48,960

believe

1464

00:46:52,870 --> 00:46:50,319

it's just not going to hold the same

1465

00:46:54,550 --> 00:46:52,880

weight as me going well this is why

1466

00:46:56,150 --> 00:46:54,560

it might be good starting point but yeah

1467

00:46:57,990 --> 00:46:56,160

i strongly encourage people if you

1468

00:46:59,670 --> 00:46:58,000

respect this stuff and you want to help

1469

00:47:00,710 --> 00:46:59,680

make it go forward

1470

00:47:02,309 --> 00:47:00,720

you know

1471

00:47:04,230 --> 00:47:02,319

and i don't think anybody i'm certainly

1472

00:47:05,670 --> 00:47:04,240

not even close to an expert but dig into

1473

00:47:07,430 --> 00:47:05,680

it like find a thing that you're

1474

00:47:08,870 --> 00:47:07,440

interested in and what can you do to

1475

00:47:10,230 --> 00:47:08,880

help bring that forward like ucr i

1476  
00:47:11,870 --> 00:47:10,240  
respect them so much what they're doing

1477  
00:47:14,230 --> 00:47:11,880  
over there

1478  
00:47:16,069 --> 00:47:14,240  
foreign and me we're all doing great i

1479  
00:47:17,109 --> 00:47:16,079  
think all this space we're doing

1480  
00:47:18,069 --> 00:47:17,119  
everything

1481  
00:47:19,990 --> 00:47:18,079  
for sure

1482  
00:47:21,510 --> 00:47:20,000  
uh tim I flay thanks for being here

1483  
00:47:23,349 --> 00:47:21,520  
tonight uh

1484  
00:47:24,630 --> 00:47:23,359  
you know one of the things that they're

1485  
00:47:26,309 --> 00:47:24,640  
doing though that i think is amazing is

1486  
00:47:28,470 --> 00:47:26,319  
that like i said i have my apprehension

1487  
00:47:29,589 --> 00:47:28,480  
with with the us government i get it my

1488  
00:47:31,270 --> 00:47:29,599

brother's one of those guys who if i

1489

00:47:32,230 --> 00:47:31,280

can't feel it touch it smell it see it

1490

00:47:33,589 --> 00:47:32,240

you know

1491

00:47:36,230 --> 00:47:33,599

whatever it is take it home with me it

1492

00:47:39,109 --> 00:47:36,240

isn't real and for him he he's one of

1493

00:47:41,430 --> 00:47:39,119

those guys who basically um

1494

00:47:42,950 --> 00:47:41,440

kathy slash we love you so much

1495

00:47:44,309 --> 00:47:42,960

uh he is one of those ones who

1496

00:47:45,750 --> 00:47:44,319

definitely

1497

00:47:48,470 --> 00:47:45,760

needs the government to come out and say

1498

00:47:49,829 --> 00:47:48,480

that it is okay and that yes we have for

1499

00:47:51,510 --> 00:47:49,839

sure confirmed it you know what i mean

1500

00:47:52,950 --> 00:47:51,520

now to be fair he has transitioned a

1501  
00:47:54,549 --> 00:47:52,960  
little bit he's become more open to

1502  
00:47:56,710 --> 00:47:54,559  
things but initially that's the kind of

1503  
00:47:58,230 --> 00:47:56,720  
guy he was so i recognize there's a

1504  
00:48:00,150 --> 00:47:58,240  
large portion of the population out

1505  
00:48:01,910 --> 00:48:00,160  
there who need

1506  
00:48:04,150 --> 00:48:01,920  
uh something a little more than ancient

1507  
00:48:06,710 --> 00:48:04,160  
aliens to come out and confirm to them

1508  
00:48:09,109 --> 00:48:06,720  
that this indeed is taking place

1509  
00:48:11,190 --> 00:48:09,119  
which is fair and as i said i totally

1510  
00:48:12,710 --> 00:48:11,200  
get it and ucr having all that paperwork

1511  
00:48:14,549 --> 00:48:12,720  
in place you guys can literally reach

1512  
00:48:17,270 --> 00:48:14,559  
out to your local congress members and

1513  
00:48:18,950 --> 00:48:17,280

and state representatives that's amazing

1514

00:48:21,510 --> 00:48:18,960

not enough people have you know really i

1515

00:48:22,790 --> 00:48:21,520

think sat down and appreciated the work

1516

00:48:24,470 --> 00:48:22,800

that i appreciate the work that they put

1517

00:48:26,069 --> 00:48:24,480

in over there on that one that's just my

1518

00:48:28,870 --> 00:48:26,079

two cents and i i really do appreciate

1519

00:48:30,150 --> 00:48:28,880

you every day lou that too they really

1520

00:48:31,349 --> 00:48:30,160

do like

1521

00:48:34,069 --> 00:48:31,359

that's so much

1522

00:48:36,069 --> 00:48:34,079

like time i could imagine and just like

1523

00:48:37,670 --> 00:48:36,079

being in front of a screen and talking

1524

00:48:39,349 --> 00:48:37,680

and having to read the chat and having

1525

00:48:40,230 --> 00:48:39,359

to do this i'm gonna do that booking

1526

00:48:43,030 --> 00:48:40,240

people

1527

00:48:44,950 --> 00:48:43,040

every day like whoa that's crazy

1528

00:48:46,549 --> 00:48:44,960

that is very true

1529

00:48:47,589 --> 00:48:46,559

uh let's see well really quickly at

1530

00:48:50,710 --> 00:48:47,599

least we have another question here

1531

00:48:53,270 --> 00:48:50,720

maybe a statement by 509 excuse me 509

1532

00:48:54,950 --> 00:48:53,280

divine pines which says what if i was

1533

00:48:57,430 --> 00:48:54,960

surgically touched by three of them

1534

00:48:59,349 --> 00:48:57,440

their tech put me into higher dimensions

1535

00:49:01,670 --> 00:48:59,359

um and i think you're referring to

1536

00:49:03,349 --> 00:49:01,680

excuse me uh because you have the scoop

1537

00:49:05,349 --> 00:49:03,359

mark on your forehead correct you have

1538

00:49:07,750 --> 00:49:05,359

actually more than one i believe

1539

00:49:09,589 --> 00:49:07,760

but uh have you in your you know putting

1540

00:49:10,470 --> 00:49:09,599

these out have you had contact ease

1541

00:49:11,910 --> 00:49:10,480

because that's one of the things that

1542

00:49:13,990 --> 00:49:11,920

ben and joe really break about here at

1543

00:49:15,589 --> 00:49:14,000

the garage which is

1544

00:49:16,870 --> 00:49:15,599

i'm sure you've even noticed this over

1545

00:49:19,430 --> 00:49:16,880

the years

1546

00:49:22,069 --> 00:49:19,440

uh let's say as a general rule of thumb

1547

00:49:24,069 --> 00:49:22,079

love them they're what hooked me in but

1548

00:49:25,430 --> 00:49:24,079

you know ancient aliens has a certain

1549

00:49:27,510 --> 00:49:25,440

core group of people they're gonna roll

1550

00:49:29,430 --> 00:49:27,520

with right they're not

1551  
00:49:30,710 --> 00:49:29,440  
necessarily bringing in someone that i

1552  
00:49:32,230 --> 00:49:30,720  
think like yourself who's doing great

1553  
00:49:33,990 --> 00:49:32,240  
work maybe that's going to happen one

1554  
00:49:36,549 --> 00:49:34,000  
day i'm rooting for you i'd be dead the

1555  
00:49:37,829 --> 00:49:36,559  
point is that would be so dope right but

1556  
00:49:39,270 --> 00:49:37,839  
you know they're not calling us up

1557  
00:49:40,470 --> 00:49:39,280  
necessarily and ben and joe said listen

1558  
00:49:41,910 --> 00:49:40,480  
there's so many other people out there

1559  
00:49:43,109 --> 00:49:41,920  
who have had these experiences i think

1560  
00:49:44,230 --> 00:49:43,119  
if you ask anybody have you ever had

1561  
00:49:45,990 --> 00:49:44,240  
something you ever experienced something

1562  
00:49:48,470 --> 00:49:46,000  
you couldn't explain almost everybody's

1563  
00:49:50,230 --> 00:49:48,480

like yeah they have a story right

1564

00:49:52,309 --> 00:49:50,240

and so we've tried to give a platform

1565

00:49:53,829 --> 00:49:52,319

here to just your average joe as it were

1566

00:49:55,270 --> 00:49:53,839

to come and sit down and be like here's

1567

00:49:56,710 --> 00:49:55,280

what happened

1568

00:49:58,710 --> 00:49:56,720

and share as much or as little as they'd

1569

00:50:00,390 --> 00:49:58,720

like so in saying that though for

1570

00:50:02,630 --> 00:50:00,400

yourself and the content you put out

1571

00:50:04,630 --> 00:50:02,640

have you had contactees or people reach

1572

00:50:07,030 --> 00:50:04,640

out to you to share and say here's what

1573

00:50:09,030 --> 00:50:07,040

i'm thinking here's what happened to me

1574

00:50:10,309 --> 00:50:09,040

or has it been just more

1575

00:50:11,990 --> 00:50:10,319

i definitely have had that which has

1576

00:50:13,109 --> 00:50:12,000

been really interesting because

1577

00:50:15,430 --> 00:50:13,119

sometimes it comes to people who i would

1578

00:50:17,589 --> 00:50:15,440

never expect like for example i have a

1579

00:50:19,190 --> 00:50:17,599

like a family friend you could say who's

1580

00:50:21,510 --> 00:50:19,200

like older and like a well-established

1581

00:50:23,670 --> 00:50:21,520

lady like retired kind of like no

1582

00:50:25,270 --> 00:50:23,680

nonsense i never would have expected

1583

00:50:27,190 --> 00:50:25,280

and like even now you know a lot of

1584

00:50:28,950 --> 00:50:27,200

people don't really understand like

1585

00:50:30,870 --> 00:50:28,960

i think what we

1586

00:50:33,030 --> 00:50:30,880

like that there are ufo developments

1587

00:50:34,870 --> 00:50:33,040

actually occurring you know what i mean

1588

00:50:37,270 --> 00:50:34,880

so when i tell people a lot of times

1589

00:50:38,790 --> 00:50:37,280

like what i do i'm kind of just like uh

1590

00:50:40,150 --> 00:50:38,800

like i have my normal job but also i do

1591

00:50:42,390 --> 00:50:40,160

this and then i kind of have to like

1592

00:50:44,790 --> 00:50:42,400

coach it and usually usually people are

1593

00:50:46,150 --> 00:50:44,800

nice but sometimes people are like

1594

00:50:47,510 --> 00:50:46,160

what the hell are you doing what do you

1595

00:50:49,829 --> 00:50:47,520

mean

1596

00:50:52,150 --> 00:50:49,839

anyways so there's this this one lady

1597

00:50:53,829 --> 00:50:52,160

who's like older well established

1598

00:50:57,030 --> 00:50:53,839

retired

1599

00:50:59,190 --> 00:50:57,040

like you no nonsense lady uh i told her

1600

00:51:01,750 --> 00:50:59,200

and like i did the whole coach thing i

1601  
00:51:02,950 --> 00:51:01,760  
was like well you know making ufo videos

1602  
00:51:04,470 --> 00:51:02,960  
believe it or not it's like kind of in

1603  
00:51:06,150 --> 00:51:04,480  
the news and she was like oh no like i

1604  
00:51:07,510 --> 00:51:06,160  
believe and i was like oh wait really

1605  
00:51:09,190 --> 00:51:07,520  
what like okay this is a different

1606  
00:51:12,230 --> 00:51:09,200  
conversation than i thought

1607  
00:51:16,870 --> 00:51:14,309  
uh

1608  
00:51:18,230 --> 00:51:16,880  
sorry i just got a message

1609  
00:51:19,750 --> 00:51:18,240  
then she started basically telling me

1610  
00:51:21,030 --> 00:51:19,760  
that she had had an experience that she

1611  
00:51:21,829 --> 00:51:21,040  
couldn't explain and she never talks

1612  
00:51:24,230 --> 00:51:21,839  
about it with people because i'll tell

1613  
00:51:26,710 --> 00:51:24,240

her she's crazy it happened like in

1614

00:51:29,589 --> 00:51:26,720

the 60s or 70s she was driving with her

1615

00:51:30,870 --> 00:51:29,599

friend they were like early 20s

1616

00:51:33,510 --> 00:51:30,880

and they were driving and it was like

1617

00:51:35,349 --> 00:51:33,520

classic like a light went over their car

1618

00:51:38,069 --> 00:51:35,359

they um the

1619

00:51:39,750 --> 00:51:38,079

radio acted all weird and then basically

1620

00:51:40,950 --> 00:51:39,760

they like woke up like two hours later

1621

00:51:42,549 --> 00:51:40,960

and like didn't remember anything and

1622

00:51:44,150 --> 00:51:42,559

like that was it she doesn't she never

1623

00:51:46,069 --> 00:51:44,160

did any kind of like hypnotic regression

1624

00:51:47,990 --> 00:51:46,079

or like any kind of thing like that but

1625

00:51:49,349 --> 00:51:48,000

um

1626  
00:51:50,549 --> 00:51:49,359  
yeah that's

1627  
00:51:52,309 --> 00:51:50,559  
that's one of the ones where it really

1628  
00:51:55,270 --> 00:51:52,319  
hit me i was like wow that's like i

1629  
00:51:57,109 --> 00:51:55,280  
never would have expected her and like

1630  
00:51:58,710 --> 00:51:57,119  
like she's such a respectable lady not

1631  
00:52:00,230 --> 00:51:58,720  
that like non-respectable lady like

1632  
00:52:01,990 --> 00:52:00,240  
people don't have these experiences or

1633  
00:52:03,510 --> 00:52:02,000  
anything but it was just like you really

1634  
00:52:04,710 --> 00:52:03,520  
never know who's had one of these crazy

1635  
00:52:06,069 --> 00:52:04,720  
experiences because a lot of times

1636  
00:52:07,670 --> 00:52:06,079  
people are ashamed like she was like

1637  
00:52:09,109 --> 00:52:07,680  
yeah i never tell anyone about this and

1638  
00:52:11,030 --> 00:52:09,119

she was totally serious she wasn't

1639

00:52:12,309 --> 00:52:11,040

joking it was kind of crazy like i said

1640

00:52:13,349 --> 00:52:12,319

like i did not expect it from this

1641

00:52:15,190 --> 00:52:13,359

person

1642

00:52:16,470 --> 00:52:15,200

yeah like daryl in the chat thank you

1643

00:52:18,470 --> 00:52:16,480

for being here with a night brother by

1644

00:52:19,589 --> 00:52:18,480

the way it says see she has no reason to

1645

00:52:20,710 --> 00:52:19,599

make that up

1646

00:52:21,670 --> 00:52:20,720

agreed

1647

00:52:23,109 --> 00:52:21,680

you know

1648

00:52:25,430 --> 00:52:23,119

you think about too

1649

00:52:27,030 --> 00:52:25,440

going back to even i love that coin

1650

00:52:29,349 --> 00:52:27,040

exchange says tell her your red panda

1651  
00:52:31,109 --> 00:52:29,359  
koala and she and she's blush and ask

1652  
00:52:32,630 --> 00:52:31,119  
you to autograph marshall blush i think

1653  
00:52:34,549 --> 00:52:32,640  
is what you meant and then or she

1654  
00:52:36,150 --> 00:52:34,559  
whatever it may be and she'll ask for an

1655  
00:52:37,109 --> 00:52:36,160  
autograph that could be you never know

1656  
00:52:38,309 --> 00:52:37,119  
right

1657  
00:52:39,349 --> 00:52:38,319  
but you think about the people that

1658  
00:52:41,349 --> 00:52:39,359  
share and this is another important

1659  
00:52:42,470 --> 00:52:41,359  
thing when i think to go back into 2004

1660  
00:52:44,309 --> 00:52:42,480  
and in which you cover in your

1661  
00:52:46,549 --> 00:52:44,319  
documentaries obviously predating some

1662  
00:52:48,630 --> 00:52:46,559  
of the history there um

1663  
00:52:50,150 --> 00:52:48,640

is that when people brought forth the

1664

00:52:51,270 --> 00:52:50,160

story like let's take the case of terry

1665

00:52:52,870 --> 00:52:51,280

lovelace i don't know if you are

1666

00:52:54,549 --> 00:52:52,880

familiar with his case at all have you

1667

00:52:57,510 --> 00:52:54,559

ever heard of it i've i've started

1668

00:52:59,109 --> 00:52:57,520

listening to exo academians okay podcast

1669

00:53:00,950 --> 00:52:59,119

on it i need to go back and listen to it

1670

00:53:02,710 --> 00:53:00,960

again though because yeah there's so

1671

00:53:03,829 --> 00:53:02,720

many cases i i forget some of the

1672

00:53:04,870 --> 00:53:03,839

highlights of that but i do remember

1673

00:53:05,829 --> 00:53:04,880

hearing them being like wow i've never

1674

00:53:06,870 --> 00:53:05,839

heard of this case and this is actually

1675

00:53:08,950 --> 00:53:06,880

like super

1676  
00:53:10,069 --> 00:53:08,960  
interesting there's some corroborating

1677  
00:53:12,150 --> 00:53:10,079  
because it's like blue but there's also

1678  
00:53:12,950 --> 00:53:12,160  
like corroborating like documentation

1679  
00:53:15,910 --> 00:53:12,960  
right

1680  
00:53:17,829 --> 00:53:15,920  
yeah yet actual um yeah they're partying

1681  
00:53:20,790 --> 00:53:17,839  
hard tonight that they're it's friday

1682  
00:53:23,270 --> 00:53:20,800  
night you guys be safe out there um

1683  
00:53:24,470 --> 00:53:23,280  
yeah with with terry uh first of all

1684  
00:53:25,910 --> 00:53:24,480  
he's great guy if you ever reach out to

1685  
00:53:27,589 --> 00:53:25,920  
him i'm sure he'd be more than willing

1686  
00:53:28,870 --> 00:53:27,599  
to you know i know that maybe you don't

1687  
00:53:29,990 --> 00:53:28,880  
always incorporate that into your

1688  
00:53:30,790 --> 00:53:30,000

interviews but if you ever wanted to do

1689

00:53:32,950 --> 00:53:30,800

a small interview with him and

1690

00:53:35,109 --> 00:53:32,960

incorporate it in your videos or however

1691

00:53:36,309 --> 00:53:35,119

um or even the videos that uh joe and

1692

00:53:38,549 --> 00:53:36,319

ben have done a great interview with

1693

00:53:39,829 --> 00:53:38,559

them i've done an interview with him um

1694

00:53:40,790 --> 00:53:39,839

separate over the different times if you

1695

00:53:41,829 --> 00:53:40,800

ever wanted to use any of our video

1696

00:53:43,670 --> 00:53:41,839

clips i'm sure they'd be more than

1697

00:53:45,190 --> 00:53:43,680

willing to to

1698

00:53:47,030 --> 00:53:45,200

allow you to use that

1699

00:53:50,150 --> 00:53:47,040

um but anyways

1700

00:53:52,150 --> 00:53:50,160

yeah he had the the implants uh in his

1701  
00:53:54,309 --> 00:53:52,160  
leg there was were x-rayed those were

1702  
00:53:56,230 --> 00:53:54,319  
documented by medical physicians you

1703  
00:53:57,190 --> 00:53:56,240  
know and then the craziest part about

1704  
00:53:58,710 --> 00:53:57,200  
the whole thing is that they end up

1705  
00:54:01,510 --> 00:53:58,720  
disappearing when he was going to get

1706  
00:54:02,710 --> 00:54:01,520  
them removed and actually to be further

1707  
00:54:04,150 --> 00:54:02,720  
studied

1708  
00:54:06,390 --> 00:54:04,160  
it disappeared

1709  
00:54:08,230 --> 00:54:06,400  
wow and then what's even crazier about

1710  
00:54:10,630 --> 00:54:08,240  
it if you want to take the next step is

1711  
00:54:12,150 --> 00:54:10,640  
that he had at the time a fitbit kind of

1712  
00:54:13,910 --> 00:54:12,160  
d line now this is the new big thing

1713  
00:54:17,030 --> 00:54:13,920

that's going on right now right there

1714

00:54:18,870 --> 00:54:17,040

right he was one of the first ones that

1715

00:54:20,309 --> 00:54:18,880

dealt with it i don't think he's pushing

1716

00:54:21,750 --> 00:54:20,319

the agenda but he just so happened he

1717

00:54:23,349 --> 00:54:21,760

had his on

1718

00:54:24,950 --> 00:54:23,359

he got taken

1719

00:54:26,230 --> 00:54:24,960

and it showed that he was able to climb

1720

00:54:28,870 --> 00:54:26,240

i believe it was

1721

00:54:31,030 --> 00:54:28,880

60 a flight of stairs and i think it was

1722

00:54:32,870 --> 00:54:31,040

something like 30 seconds something like

1723

00:54:35,190 --> 00:54:32,880

that give or take and in his house where

1724

00:54:37,510 --> 00:54:35,200

he lives he lives in a a ranch-style

1725

00:54:39,750 --> 00:54:37,520

house he has one step in his whole house

1726

00:54:40,710 --> 00:54:39,760

but he woke up then having a heart

1727

00:54:42,470 --> 00:54:40,720

attack he was a little bit older

1728

00:54:43,990 --> 00:54:42,480

gentlemen at this time gets rushed in

1729

00:54:45,030 --> 00:54:44,000

hospital pays the fines you know i

1730

00:54:47,589 --> 00:54:45,040

should say fines but pays all the

1731

00:54:49,589 --> 00:54:47,599

medical bills on that and then ends up

1732

00:54:50,870 --> 00:54:49,599

realizing that it's it they activate him

1733

00:54:52,470 --> 00:54:50,880

again and you know these things that

1734

00:54:53,990 --> 00:54:52,480

were there are gone now

1735

00:54:55,349 --> 00:54:54,000

but it was weird timing that he was

1736

00:54:57,190 --> 00:54:55,359

going to be getting it finally taken

1737

00:54:59,270 --> 00:54:57,200

care of and all of a sudden he has this

1738

00:55:01,270 --> 00:54:59,280

event and he even went to the apple

1739

00:55:02,950 --> 00:55:01,280

store and had them documented they said

1740

00:55:04,230 --> 00:55:02,960

they've never had this happen they

1741

00:55:05,910 --> 00:55:04,240

accuse him

1742

00:55:07,430 --> 00:55:05,920

and a debunker is accusing him to take

1743

00:55:10,069 --> 00:55:07,440

him out on this they said that he flew

1744

00:55:12,470 --> 00:55:10,079

it up on a drone plausible oh my god

1745

00:55:14,230 --> 00:55:12,480

there somebody could do that right yeah

1746

00:55:15,670 --> 00:55:14,240

mr terry lovelace doing that at four in

1747

00:55:16,870 --> 00:55:15,680

the morning then calling the ambulance

1748

00:55:19,190 --> 00:55:16,880

because he's having a heart attack and

1749

00:55:20,710 --> 00:55:19,200

paying the medical bills on all that

1750

00:55:23,349 --> 00:55:20,720

i don't know man

1751

00:55:24,950 --> 00:55:23,359

he's kind of like a low-key uh

1752

00:55:26,630 --> 00:55:24,960

experience right for you bill he's not

1753

00:55:28,789 --> 00:55:26,640

like in every

1754

00:55:30,470 --> 00:55:28,799

conference making money

1755

00:55:31,670 --> 00:55:30,480

yeah he didn't even come out and really

1756

00:55:33,190 --> 00:55:31,680

tell his story i guess the point when i

1757

00:55:34,870 --> 00:55:33,200

was originally made with this whole 2004

1758

00:55:36,230 --> 00:55:34,880

thing was that going coming out back in

1759

00:55:38,150 --> 00:55:36,240

the day like he served in the air force

1760

00:55:39,829 --> 00:55:38,160

so coming out in the 70s would have been

1761

00:55:40,870 --> 00:55:39,839

a big deal he would have jeopardized his

1762

00:55:42,150 --> 00:55:40,880

career

1763

00:55:43,589 --> 00:55:42,160

you know he went into he actually lived

1764

00:55:45,910 --> 00:55:43,599

here in michigan for a while he was in

1765

00:55:48,789 --> 00:55:45,920

uh he went into law he was a you know a

1766

00:55:50,069 --> 00:55:48,799

lawyer practiced law for years and years

1767

00:55:54,150 --> 00:55:50,079

so

1768

00:55:55,510 --> 00:55:54,160

for anybody who did come out and speak

1769

00:55:57,270 --> 00:55:55,520

out back in those days there should be

1770

00:55:59,270 --> 00:55:57,280

even more a little more admiration for

1771

00:56:01,109 --> 00:55:59,280

them that's not taking anything away

1772

00:56:03,589 --> 00:56:01,119

from an experience here nowadays i'm not

1773

00:56:06,230 --> 00:56:03,599

guys all i'm saying is there is a little

1774

00:56:08,390 --> 00:56:06,240

more support

1775

00:56:10,710 --> 00:56:08,400

that might be in place now currently and

1776  
00:56:12,309 --> 00:56:10,720  
that's a good thing than what there was

1777  
00:56:14,230 --> 00:56:12,319  
back then

1778  
00:56:15,510 --> 00:56:14,240  
so i think that again those stories

1779  
00:56:17,349 --> 00:56:15,520  
should not be forgotten and just been

1780  
00:56:19,109 --> 00:56:17,359  
like yeah they don't matter literally is

1781  
00:56:20,789 --> 00:56:19,119  
what that basically said was like we

1782  
00:56:22,069 --> 00:56:20,799  
just can't there's too much information

1783  
00:56:24,390 --> 00:56:22,079  
or yeah

1784  
00:56:25,990 --> 00:56:24,400  
in my opinion too much evidence

1785  
00:56:28,069 --> 00:56:26,000  
be like we gotta get rid of that we look

1786  
00:56:31,109 --> 00:56:28,079  
too bad if we go the farther back we go

1787  
00:56:32,710 --> 00:56:31,119  
the worse we look ghost dragons you be

1788  
00:56:34,390 --> 00:56:32,720

safe tonight ghost dragon zw's got to

1789

00:56:36,549 --> 00:56:34,400

check out for us tonight you have a good

1790

00:56:38,630 --> 00:56:36,559

one be safe

1791

00:56:40,630 --> 00:56:38,640

for sure he's always here hanging out

1792

00:56:43,190 --> 00:56:40,640

for us and keeping things safe so

1793

00:56:45,190 --> 00:56:43,200

um really quickly too then before i go

1794

00:56:46,789 --> 00:56:45,200

over to share this because i do want to

1795

00:56:48,549 --> 00:56:46,799

share that video before anybody else

1796

00:56:50,390 --> 00:56:48,559

might want to leave a ghost dragon cw if

1797

00:56:51,910 --> 00:56:50,400

you're still here i'd love to share this

1798

00:56:53,829 --> 00:56:51,920

and let's get into some idea of like a

1799

00:56:55,670 --> 00:56:53,839

little more woo i guess or the idea of

1800

00:56:57,430 --> 00:56:55,680

consciousness or some other things which

1801  
00:57:00,230 --> 00:56:57,440  
is to share this other clip that you

1802  
00:57:01,910 --> 00:57:00,240  
have um from the the latest episode that

1803  
00:57:04,470 --> 00:57:01,920  
obviously excuse me

1804  
00:57:06,630 --> 00:57:04,480  
yeah yeah and here we go so we're gonna

1805  
00:57:08,549 --> 00:57:06,640  
play this here if it pops up for us and

1806  
00:57:09,990 --> 00:57:08,559  
we'll see how it lays out you guys tell

1807  
00:57:11,030 --> 00:57:10,000  
me what you think of this one once

1808  
00:57:12,630 --> 00:57:11,040  
you're here nope i'm gonna make it a big

1809  
00:57:18,230 --> 00:57:12,640  
screen so it'll take us out for just a

1810  
00:57:21,430 --> 00:57:19,349  
five

1811  
00:57:29,430 --> 00:57:21,440  
four three

1812  
00:57:34,470 --> 00:57:33,150  
i've never felt so close to the place

1813  
00:57:35,349 --> 00:57:34,480

[Music]

1814

00:57:36,390 --> 00:57:35,359

all right we'll give it a second to

1815

00:57:37,589 --> 00:57:36,400

place the commercial i don't know if

1816

00:57:39,990 --> 00:57:37,599

i'll get in trouble for playing a

1817

00:57:41,750 --> 00:57:40,000

commercial or not why would it do that

1818

00:57:43,030 --> 00:57:41,760

there wasn't even one in there i liked

1819

00:57:44,870 --> 00:57:43,040

it to make sure

1820

00:57:46,870 --> 00:57:44,880

oh my gosh all right i'm gonna flip over

1821

00:57:49,030 --> 00:57:46,880

there i'll make sure i get rid of it

1822

00:57:51,270 --> 00:57:49,040

i guess

1823

00:57:53,190 --> 00:57:51,280

george nori dang it popping in what are

1824

00:57:55,589 --> 00:57:53,200

you doing at our show nice guest

1825

00:57:57,030 --> 00:57:55,599

surprise guest i love it all right i'll

1826  
00:57:57,990 --> 00:57:57,040  
see this one gonna let me skip here we

1827  
00:58:02,470 --> 00:57:58,000  
go

1828  
00:58:04,470 --> 00:58:02,480  
lunar module was jettisoned and the crew

1829  
00:58:05,510 --> 00:58:04,480  
of apollo 14 began their return trip to

1830  
00:58:06,950 --> 00:58:05,520  
earth

1831  
00:58:09,750 --> 00:58:06,960  
it would take about three days before

1832  
00:58:11,349 --> 00:58:09,760  
they return back to earth

1833  
00:58:13,270 --> 00:58:11,359  
now that the getting to the moon portion

1834  
00:58:14,789 --> 00:58:13,280  
of the trip was over edgar mitchell felt

1835  
00:58:17,109 --> 00:58:14,799  
like he could really relax and take in

1836  
00:58:18,630 --> 00:58:17,119  
the experience it was on his way back to

1837  
00:58:20,630 --> 00:58:18,640  
earth that he had an intense personal

1838  
00:58:22,069 --> 00:58:20,640

experience that would change his life

1839

00:58:25,750 --> 00:58:22,079

here he is recounting the profound

1840

00:58:32,549 --> 00:58:28,150

and what happened to me

1841

00:58:37,349 --> 00:58:34,870

this very exciting and successful voyage

1842

00:58:39,109 --> 00:58:37,359

of exploration

1843

00:58:42,150 --> 00:58:39,119

and been the first to explore the

1844

00:58:43,910 --> 00:58:42,160

framara area

1845

00:58:46,789 --> 00:58:43,920

but the thing that happened to me as i

1846

00:58:49,190 --> 00:58:46,799

look back on earth and saw it setting

1847

00:58:55,589 --> 00:58:51,510

and this bright sky

1848

00:58:55,599 --> 00:58:59,270

was a sudden recognition

1849

00:58:59,280 --> 00:59:04,870

that i was a part of all of that

1850

00:59:04,880 --> 00:59:09,750

the joyous recognition

1851  
00:59:13,510 --> 00:59:10,710  
that

1852  
00:59:17,990 --> 00:59:13,520  
the molecules of my body

1853  
00:59:22,630 --> 00:59:20,069  
everything that existed

1854  
00:59:25,430 --> 00:59:22,640  
was in some sense in communication with

1855  
00:59:29,430 --> 00:59:26,950  
that it was

1856  
00:59:30,230 --> 00:59:29,440  
a holistic picture

1857  
00:59:33,190 --> 00:59:30,240  
that

1858  
00:59:34,549 --> 00:59:33,200  
i could reach out and touch in some

1859  
00:59:36,950 --> 00:59:34,559  
sense

1860  
00:59:39,349 --> 00:59:36,960  
each and every star and each and every

1861  
00:59:42,309 --> 00:59:39,359  
galaxy

1862  
00:59:45,109 --> 00:59:42,319  
billions and billions and billions of

1863  
00:59:48,950 --> 00:59:45,119

miles away even billions of light years

1864

00:59:54,470 --> 00:59:51,190

and it was a harmonious feeling it was a

1865

00:59:57,750 --> 00:59:54,480

feeling the universe is intelligent

1866

01:00:03,430 --> 01:00:00,630

and it was the feeling also that our

1867

01:00:05,420 --> 01:00:03,440

scientific descriptions

1868

01:00:07,910 --> 01:00:05,430

are far from complete

1869

01:00:10,230 --> 01:00:07,920

[Music]

1870

01:00:11,990 --> 01:00:10,240

and that our religious cosmologies are

1871

01:00:14,870 --> 01:00:12,000

descriptions that have come out of our

1872

01:00:16,549 --> 01:00:14,880

religious teachings and our experience

1873

01:00:20,950 --> 01:00:16,559

of the

1874

01:00:22,950 --> 01:00:20,960

subjective side of ourselves

1875

01:00:26,150 --> 01:00:22,960

is also flawed

1876

01:00:30,630 --> 01:00:28,630

that in this magnificent evolving

1877

01:00:33,990 --> 01:00:30,640

universe

1878

01:00:37,109 --> 01:00:34,000

we're still a ways from the answers

1879

01:00:39,750 --> 01:00:37,119

as to who and what we are

1880

01:00:42,160 --> 01:00:39,760

and how we got here

1881

01:00:44,069 --> 01:00:42,170

and where we're going

1882

01:00:45,349 --> 01:00:44,079

[Music]

1883

01:00:48,390 --> 01:00:45,359

the feeling

1884

01:00:50,870 --> 01:00:48,400

that the universe is intelligent in some

1885

01:00:53,750 --> 01:00:50,880

sense there's purpose in it

1886

01:00:55,349 --> 01:00:53,760

and that we're not alone

1887

01:00:57,190 --> 01:00:55,359

these were all the feelings that i

1888

01:00:58,870 --> 01:00:57,200

experienced

1889

01:01:03,190 --> 01:00:58,880

is that i watched this magnificent

1890

01:01:07,589 --> 01:01:05,670

which is pretty amazing like i think

1891

01:01:08,870 --> 01:01:07,599

just that quote alone is like i was

1892

01:01:11,030 --> 01:01:08,880

listening to that part today like being

1893

01:01:13,109 --> 01:01:11,040

able to really take it in and i was like

1894

01:01:15,190 --> 01:01:13,119

bro this is pretty profound like

1895

01:01:17,349 --> 01:01:15,200

that's something like stuff that i feel

1896

01:01:18,710 --> 01:01:17,359

like work there's just only a couple

1897

01:01:21,910 --> 01:01:18,720

channels and people that are floating

1898

01:01:23,990 --> 01:01:21,920

into that idea no pun intended of um

1899

01:01:26,549 --> 01:01:24,000

getting into

1900

01:01:28,150 --> 01:01:26,559

the idea of consciousness and all this

1901

01:01:29,190 --> 01:01:28,160

quantum entanglement that wasn't even

1902

01:01:31,190 --> 01:01:29,200

stuff that i don't even know if we

1903

01:01:33,030 --> 01:01:31,200

actually we had not it was hypothesized

1904

01:01:34,789 --> 01:01:33,040

but i don't think we'd actually

1905

01:01:36,789 --> 01:01:34,799

proven it yet it was only theoretical at

1906

01:01:39,510 --> 01:01:36,799

the time right i mean he's basically

1907

01:01:40,470 --> 01:01:39,520

hitting on quantum entanglement

1908

01:01:42,309 --> 01:01:40,480

and

1909

01:01:44,309 --> 01:01:42,319

in a sense but

1910

01:01:45,990 --> 01:01:44,319

yeah i just again great work yeah

1911

01:01:47,430 --> 01:01:46,000

perhaps yeah also some people which i

1912

01:01:49,030 --> 01:01:47,440

was saying was uh it kind of sounds like

1913

01:01:51,030 --> 01:01:49,040

he had like a psychedelic experience so

1914

01:01:53,910 --> 01:01:51,040

maybe it was just so profound like his

1915

01:01:56,150 --> 01:01:53,920

neurons were just firing everywhere away

1916

01:01:57,750 --> 01:01:56,160

but that did inspire him to like

1917

01:02:00,230 --> 01:01:57,760

go dive into like all these other

1918

01:02:02,230 --> 01:02:00,240

subjects more so you know that one

1919

01:02:05,029 --> 01:02:02,240

wasn't necessarily a ufo experience per

1920

01:02:06,870 --> 01:02:05,039

se although uh ross coldheart in his

1921

01:02:09,029 --> 01:02:06,880

book says which i didn't include because

1922

01:02:10,390 --> 01:02:09,039

it was already so long there's like

1923

01:02:12,230 --> 01:02:10,400

that easily could have been like two and

1924

01:02:14,069 --> 01:02:12,240

a half hours

1925

01:02:15,589 --> 01:02:14,079

um but he said that

1926

01:02:17,029 --> 01:02:15,599

some that edgar mitchell told his

1927

01:02:19,990 --> 01:02:17,039

contact that

1928

01:02:21,910 --> 01:02:20,000

they did see ufo orbs during the apollo

1929

01:02:24,150 --> 01:02:21,920

flights but i kind of find that hard to

1930

01:02:26,230 --> 01:02:24,160

believe to be honest because um edgar

1931

01:02:28,390 --> 01:02:26,240

mitchell was so open to talk about like

1932

01:02:31,029 --> 01:02:28,400

so much stuff that's like crazier than

1933

01:02:33,589 --> 01:02:31,039

seeing an orb but who knows maybe maybe

1934

01:02:35,430 --> 01:02:33,599

they did maybe they did on apollo 14.

1935

01:02:38,230 --> 01:02:35,440

you never know i mean but like you said

1936

01:02:39,910 --> 01:02:38,240

it really drove him down the the path of

1937

01:02:41,190 --> 01:02:39,920

coming back and i mean we didn't even

1938

01:02:43,109 --> 01:02:41,200

again guys you should go watch this i

1939

01:02:45,430 --> 01:02:43,119

don't give everything away but go

1940

01:02:47,430 --> 01:02:45,440

subscribe go check out the channel um

1941

01:02:49,829 --> 01:02:47,440

and you can watch it in its entirety but

1942

01:02:51,510 --> 01:02:49,839

he when he hit on the idea that it was

1943

01:02:52,870 --> 01:02:51,520

uh let's see it was prior to this i

1944

01:02:54,230 --> 01:02:52,880

think he'd already done it

1945

01:02:56,710 --> 01:02:54,240

he had already done the test where he

1946

01:02:58,150 --> 01:02:56,720

had four individuals back on earth that

1947

01:02:59,190 --> 01:02:58,160

he basically had these sequential

1948

01:03:01,109 --> 01:02:59,200

numbers that he would go through every

1949

01:03:03,589 --> 01:03:01,119

day of shapes and stuff and he'd pick

1950

01:03:05,670 --> 01:03:03,599

his pattern and then see what they got

1951

01:03:06,950 --> 01:03:05,680

now i know that you said in there

1952

01:03:08,309 --> 01:03:06,960

i believe the reference you made was

1953

01:03:09,990 --> 01:03:08,319

something along the lines of like it was

1954

01:03:13,190 --> 01:03:10,000

very controversial

1955

01:03:15,109 --> 01:03:13,200

the or not controversial but the

1956

01:03:17,190 --> 01:03:15,119

statistics from that were not yeah the

1957

01:03:19,430 --> 01:03:17,200

results were great yeah they were kind

1958

01:03:21,670 --> 01:03:19,440

of inconclusive on it but it seemed to

1959

01:03:23,109 --> 01:03:21,680

be something he continued to pursue once

1960

01:03:24,950 --> 01:03:23,119

he came back down because what was the

1961

01:03:26,630 --> 01:03:24,960

name of that little retreat they went to

1962

01:03:28,789 --> 01:03:26,640

and actually retreat necessarily but

1963

01:03:30,950 --> 01:03:28,799

that yeah that place was interesting too

1964

01:03:33,349 --> 01:03:30,960

so and then real quick those um

1965

01:03:35,029 --> 01:03:33,359

those symbols are zener cards which are

1966

01:03:36,150 --> 01:03:35,039

oh look at hunter gave her the thing i

1967

01:03:38,549 --> 01:03:36,160

know that guys

1968

01:03:39,589 --> 01:03:38,559

after that amazing super chat

1969

01:03:41,670 --> 01:03:39,599

um

1970

01:03:42,630 --> 01:03:41,680

zener cards were those symbols and kind

1971

01:03:44,150 --> 01:03:42,640

of touching back to what i was saying

1972

01:03:45,670 --> 01:03:44,160

about the history of viewing and stuff

1973

01:03:47,510 --> 01:03:45,680

edgar mitchell had been into this guy

1974

01:03:49,750 --> 01:03:47,520

called jb ryan at duke university who

1975

01:03:51,589 --> 01:03:49,760

kind of like made the zener card symbols

1976

01:03:52,789 --> 01:03:51,599

and it's those are kind of standard

1977

01:03:54,390 --> 01:03:52,799

symbols that they use in any kind of

1978

01:03:55,589 --> 01:03:54,400

like remote viewing test or whatever i

1979

01:03:57,109 --> 01:03:55,599

think they use them in stranger things

1980

01:03:59,190 --> 01:03:57,119

even they were using them during the

1981

01:04:01,670 --> 01:03:59,200

yuri geller days in my video about nina

1982

01:04:03,430 --> 01:04:01,680

kulagana the soviet basically version of

1983

01:04:05,430 --> 01:04:03,440

yuri geller they used those symbols for

1984

01:04:08,390 --> 01:04:05,440

whatever reason

1985

01:04:09,430 --> 01:04:08,400

and um yeah he was just trying to

1986

01:04:11,589 --> 01:04:09,440

like

1987

01:04:13,829 --> 01:04:11,599

do that while in space

1988

01:04:14,710 --> 01:04:13,839

and he did oh so then he came back down

1989

01:04:16,390 --> 01:04:14,720

and then yeah that was another

1990

01:04:18,230 --> 01:04:16,400

interesting part of history is the eslan

1991

01:04:20,069 --> 01:04:18,240

institute which was

1992

01:04:21,829 --> 01:04:20,079

basically for people who don't know and

1993

01:04:23,270 --> 01:04:21,839

i'm still kind of learning about it it's

1994

01:04:25,990 --> 01:04:23,280

this like

1995

01:04:26,870 --> 01:04:26,000

basically like hippie retreat in the bay

1996

01:04:28,390 --> 01:04:26,880

era

1997

01:04:30,069 --> 01:04:28,400

area where they do selects and they

1998

01:04:31,430 --> 01:04:30,079

would do um

1999

01:04:33,190 --> 01:04:31,440

yoga and stuff like that but it was

2000

01:04:34,950 --> 01:04:33,200

accused of being kind of like maybe cia

2001

01:04:37,190 --> 01:04:34,960

funded or maybe even like

2002

01:04:39,109 --> 01:04:37,200

that's when you go do channeling stuff

2003

01:04:41,430 --> 01:04:39,119

i'm pretty sure in the in the show

2004

01:04:43,829 --> 01:04:41,440

stranger things like 11's mom or

2005

01:04:45,510 --> 01:04:43,839

whatever is like a salon girl

2006

01:04:47,109 --> 01:04:45,520

um

2007

01:04:49,589 --> 01:04:47,119

so and then when he went there is kind

2008

01:04:51,589 --> 01:04:49,599

of when he decided to make his own uh

2009

01:04:53,109 --> 01:04:51,599

islam model which was the institute of

2010

01:04:54,870 --> 01:04:53,119

pneumatic sciences which still is around

2011

01:04:55,829 --> 01:04:54,880

today and even salon is still around

2012

01:04:56,950 --> 01:04:55,839

today

2013

01:04:58,309 --> 01:04:56,960

if you uh

2014

01:05:00,870 --> 01:04:58,319

if you hear have you ever heard alex

2015

01:05:02,230 --> 01:05:00,880

jones like talk about how like big tech

2016

01:05:04,150 --> 01:05:02,240

um

2017

01:05:06,069 --> 01:05:04,160

uh ceos and stuff are going away to

2018

01:05:07,670 --> 01:05:06,079

retreats and like doing hallucinogens

2019

01:05:09,510 --> 01:05:07,680

and stuff like that salon is like one of

2020

01:05:11,029 --> 01:05:09,520

those places so it's pretty

2021

01:05:13,190 --> 01:05:11,039

pretty sus

2022

01:05:14,549 --> 01:05:13,200

it's very sus and i will take a sip of

2023

01:05:16,230 --> 01:05:14,559

that one and for anybody who's in here

2024

01:05:17,190 --> 01:05:16,240

tonight thank you so much for all the

2025

01:05:20,549 --> 01:05:17,200

amazing super chats that have been

2026

01:05:21,510 --> 01:05:20,559

coming in uh man meet oh man am i saying

2027

01:05:25,990 --> 01:05:21,520

it wrong

2028

01:05:27,670 --> 01:05:26,000

thank you so much for that amazing super

2029

01:05:29,670 --> 01:05:27,680

chat

2030

01:05:31,430 --> 01:05:29,680

i know go ahead you guys say

2031

01:05:33,510 --> 01:05:31,440

yeah they're great guys man me and

2032

01:05:34,870 --> 01:05:33,520

hunter and hoco

2033

01:05:37,430 --> 01:05:34,880

there you go thank you so much for this

2034

01:05:39,750 --> 01:05:37,440

amazing super chats uh you know there's

2035

01:05:42,309 --> 01:05:39,760

got to be something to this too oh thank

2036

01:05:43,829 --> 01:05:42,319

you so much for that um

2037

01:05:45,029 --> 01:05:43,839

yeah ben and joe do great work and they

2038

01:05:46,549 --> 01:05:45,039

they gave us a platform to be able to

2039

01:05:47,670 --> 01:05:46,559

help out a little bit so i appreciate it

2040

01:05:51,109 --> 01:05:47,680

so much

2041

01:05:54,390 --> 01:05:51,119

but jim gonna oh my gosh jim jim goodall

2042

01:05:56,549 --> 01:05:54,400

this is jim goodall here the sr-71 there

2043

01:05:58,069 --> 01:05:56,559

i was on the fence line

2044

01:05:59,589 --> 01:05:58,079

guys jim goodall if you haven't looked

2045

01:06:00,549 --> 01:05:59,599

him up you should look up that one too

2046

01:06:02,069 --> 01:06:00,559

that might be a problem to do a

2047

01:06:04,710 --> 01:06:02,079

documentary on

2048

01:06:06,150 --> 01:06:04,720

he was he did some of the pretty amazing

2049

01:06:07,510 --> 01:06:06,160

groundbreaking work back in the day and

2050

01:06:09,270 --> 01:06:07,520

bringing a lot he's one of those people

2051  
01:06:11,109 --> 01:06:09,280  
that were basically doing what you and i

2052  
01:06:12,630 --> 01:06:11,119  
are doing now but before you had the

2053  
01:06:14,630 --> 01:06:12,640  
ability to just look everything up you

2054  
01:06:17,190 --> 01:06:14,640  
had to actually go and risk being in

2055  
01:06:19,430 --> 01:06:17,200  
person yeah we're so lucky

2056  
01:06:20,789 --> 01:06:19,440  
yeah cause he's got some stories but he

2057  
01:06:22,390 --> 01:06:20,799  
knew his rights and like he said when

2058  
01:06:23,430 --> 01:06:22,400  
you know your rights as a us citizen or

2059  
01:06:24,870 --> 01:06:23,440  
wherever you're from whatever your

2060  
01:06:26,870 --> 01:06:24,880  
rights are

2061  
01:06:29,109 --> 01:06:26,880  
you're able to do a little more than you

2062  
01:06:33,109 --> 01:06:29,119  
have been taught sometimes and and he

2063  
01:06:34,150 --> 01:06:33,119

he's done amazing work yeah

2064

01:06:36,230 --> 01:06:34,160

he should check it out there's a lot of

2065

01:06:38,069 --> 01:06:36,240

aviation

2066

01:06:40,069 --> 01:06:38,079

true that's the thing that oh i think

2067

01:06:41,990 --> 01:06:40,079

your um your mic went out for a second

2068

01:06:44,390 --> 01:06:42,000

there i don't know if it muted is that

2069

01:06:46,230 --> 01:06:44,400

good there you go now you're back okay

2070

01:06:47,990 --> 01:06:46,240

sorry that's okay sometime i know they

2071

01:06:51,270 --> 01:06:48,000

go out or they put time out or whatever

2072

01:06:53,029 --> 01:06:51,280

but yeah he's done a lot of uh i jim you

2073

01:06:55,109 --> 01:06:53,039

have to forgive me i think i'm off top

2074

01:06:56,230 --> 01:06:55,119

my head is it 26 books something like

2075

01:06:57,990 --> 01:06:56,240

that

2076

01:06:59,750 --> 01:06:58,000

uh let's see if he said i started doing

2077

01:07:02,950 --> 01:06:59,760

this 50 years ago

2078

01:07:04,870 --> 01:07:02,960

50 excuse me 50 years ago before the

2079

01:07:07,029 --> 01:07:04,880

internet that's right jim you did and we

2080

01:07:08,630 --> 01:07:07,039

we truly do appreciate

2081

01:07:10,870 --> 01:07:08,640

both the work you did and your humor

2082

01:07:13,109 --> 01:07:10,880

which are both uh legendary in their own

2083

01:07:14,950 --> 01:07:13,119

right for sure 29 books he's up to now

2084

01:07:15,910 --> 01:07:14,960

that he's wow that's crazy

2085

01:07:17,670 --> 01:07:15,920

yeah

2086

01:07:19,270 --> 01:07:17,680

thank you very much

2087

01:07:20,549 --> 01:07:19,280

oh you know what happened red panda real

2088

01:07:22,390 --> 01:07:20,559

quick i think if you go to the bottom

2089

01:07:23,750 --> 01:07:22,400

where it says cam and white settings i

2090

01:07:25,270 --> 01:07:23,760

think it might have switched you over to

2091

01:07:27,190 --> 01:07:25,280

like your uh

2092

01:07:29,029 --> 01:07:27,200

no no worries at all but i think

2093

01:07:30,710 --> 01:07:29,039

switching over to the like the

2094

01:07:31,990 --> 01:07:30,720

microphone from the computer there

2095

01:07:33,190 --> 01:07:32,000

versus the one that you have in front of

2096

01:07:37,430 --> 01:07:33,200

you

2097

01:07:39,910 --> 01:07:37,440

thing again as we've been heading out a

2098

01:07:42,870 --> 01:07:39,920

little bit tonight is that

2099

01:07:45,029 --> 01:07:42,880

you have these instances where

2100

01:07:46,390 --> 01:07:45,039

yes they're bringing forth disclosure

2101  
01:07:47,910 --> 01:07:46,400  
and for those that are listening in

2102  
01:07:50,630 --> 01:07:47,920  
audio format i am putting master

2103  
01:07:52,150 --> 01:07:50,640  
quotation marks on that i am excited for

2104  
01:07:55,109 --> 01:07:52,160  
what is coming forward

2105  
01:07:56,549 --> 01:07:55,119  
but i am nervous about uh

2106  
01:07:57,910 --> 01:07:56,559  
those that have been eliminated over

2107  
01:07:59,589 --> 01:07:57,920  
time with it

2108  
01:08:01,510 --> 01:07:59,599  
we'll try that out for you there red can

2109  
01:08:04,230 --> 01:08:01,520  
you hear me now oh there you go yeah

2110  
01:08:05,829 --> 01:08:04,240  
you're much better okay yeah perfect

2111  
01:08:07,750 --> 01:08:05,839  
yeah jim goodall looks very interesting

2112  
01:08:10,470 --> 01:08:07,760  
uh i'm gonna have to check out some of

2113  
01:08:12,870 --> 01:08:10,480

his stuff is he a ufo uh

2114

01:08:14,470 --> 01:08:12,880

like nerd too like us or does he think

2115

01:08:15,510 --> 01:08:14,480

it's i suppose he'd call himself a nerd

2116

01:08:18,229 --> 01:08:15,520

i don't know if he calls up under who

2117

01:08:19,749 --> 01:08:18,239

knows right but he for sure is into his

2118

01:08:21,430 --> 01:08:19,759

thing that he's done with the work that

2119

01:08:23,189 --> 01:08:21,440

him and michael stratt have done michael

2120

01:08:26,309 --> 01:08:23,199

stratus is not when you could look up

2121

01:08:29,829 --> 01:08:26,319

involved in avionics was they eliminated

2122

01:08:31,910 --> 01:08:29,839

so much of what was genuinely just

2123

01:08:34,070 --> 01:08:31,920

aerodynamics or aircraft that was

2124

01:08:37,110 --> 01:08:34,080

aerospacecraft that was being worked on

2125

01:08:39,349 --> 01:08:37,120

that was not known about yet it was just

2126

01:08:42,070 --> 01:08:39,359

you know like uh kind of black budget

2127

01:08:43,349 --> 01:08:42,080

deals that were going on and so like

2128

01:08:45,110 --> 01:08:43,359

jim you have to forgive me i know the

2129

01:08:46,550 --> 01:08:45,120

sr-71 was one of the first big ones that

2130

01:08:47,910 --> 01:08:46,560

you've seen before anybody else knew

2131

01:08:49,349 --> 01:08:47,920

about it you wrote about it in your book

2132

01:08:51,110 --> 01:08:49,359

before it even been admitted that the

2133

01:08:53,669 --> 01:08:51,120

government said yeah we have that i

2134

01:08:55,430 --> 01:08:53,679

believe the f-17 some other ones

2135

01:08:56,470 --> 01:08:55,440

you know it's the idea that like so i

2136

01:08:58,390 --> 01:08:56,480

can't remember what's on my head i don't

2137

01:08:59,829 --> 01:08:58,400

think they admitted the f-17 or the f-16

2138

01:09:01,110 --> 01:08:59,839

one of the two they didn't even admit

2139

01:09:02,470 --> 01:09:01,120

that that was in existence or really

2140

01:09:04,149 --> 01:09:02,480

working until i think it was the late

2141

01:09:06,229 --> 01:09:04,159

80s somewhere in their mid to late 80s

2142

01:09:08,149 --> 01:09:06,239

right top gun like idea but they were

2143

01:09:09,669 --> 01:09:08,159

using those in vietnam

2144

01:09:11,590 --> 01:09:09,679

so the idea being that if somebody had

2145

01:09:13,110 --> 01:09:11,600

seen that where

2146

01:09:15,510 --> 01:09:13,120

in vietnam we weren't too far out from

2147

01:09:17,510 --> 01:09:15,520

using some of the other work that

2148

01:09:20,870 --> 01:09:17,520

was not that far removed from prop you

2149

01:09:23,430 --> 01:09:20,880

know like you know basically up to 47 we

2150

01:09:25,430 --> 01:09:23,440

were using propellers system right to

2151

01:09:28,550 --> 01:09:25,440

fly a plane the the jets and the engine

2152

01:09:29,749 --> 01:09:28,560

that wasn't there yet um and so anyways

2153

01:09:31,269 --> 01:09:29,759

he's done a lot of work over the years

2154

01:09:32,870 --> 01:09:31,279

on that he also knew i forgot about this

2155

01:09:35,430 --> 01:09:32,880

i forgot about this he knew bob lazar

2156

01:09:36,309 --> 01:09:35,440

before he went to work at s4 so he is

2157

01:09:37,990 --> 01:09:36,319

one of those guys who's kind of

2158

01:09:42,950 --> 01:09:38,000

confirmed bob lazar's story oh he's a

2159

01:09:45,990 --> 01:09:44,630

definitely let me know i don't know i

2160

01:09:48,390 --> 01:09:46,000

think he's

2161

01:09:49,910 --> 01:09:48,400

you know i have to say jim i could be

2162

01:09:51,430 --> 01:09:49,920

wrong but i think jim said that he had

2163

01:09:53,749 --> 01:09:51,440

one time

2164

01:09:55,110 --> 01:09:53,759

that he walked in somewhere i can't

2165

01:09:57,189 --> 01:09:55,120

remember where the office was and he was

2166

01:09:59,350 --> 01:09:57,199

showing a paperwork trying to say hey i

2167

01:10:00,950 --> 01:09:59,360

know this guy worked here went to school

2168

01:10:02,070 --> 01:10:00,960

here something along those lines and

2169

01:10:03,910 --> 01:10:02,080

they said something along the lines if

2170

01:10:05,189 --> 01:10:03,920

he's never existed they got rid of his

2171

01:10:07,110 --> 01:10:05,199

like social security number bunch of

2172

01:10:08,229 --> 01:10:07,120

stuff started disappearing

2173

01:10:09,510 --> 01:10:08,239

so

2174

01:10:10,870 --> 01:10:09,520

depending where you fall in the bottom

2175

01:10:12,630 --> 01:10:10,880

lazar debate and people go back and

2176

01:10:14,070 --> 01:10:12,640

forth on it he's one of those ones that

2177

01:10:15,750 --> 01:10:14,080

you could say

2178

01:10:18,470 --> 01:10:15,760

kind of helped cooperate some of bob's

2179

01:10:19,990 --> 01:10:18,480

at least initial story of that yes he

2180

01:10:21,590 --> 01:10:20,000

was there because there's people that go

2181

01:10:24,149 --> 01:10:21,600

as far as to say he was never even out

2182

01:10:26,630 --> 01:10:24,159

there he you know he

2183

01:10:29,030 --> 01:10:26,640

you know it is what it is i guess so

2184

01:10:30,950 --> 01:10:29,040

he doesn't exist today and it's all yes

2185

01:10:32,870 --> 01:10:30,960

you know he lived not too far from me

2186

01:10:35,270 --> 01:10:32,880

for a while oh right here in michigan

2187

01:10:36,470 --> 01:10:35,280

yeah he was when he was making fireworks

2188

01:10:37,750 --> 01:10:36,480

remember he had that little shop before

2189

01:10:39,350 --> 01:10:37,760

they raided it do you remember that it

2190

01:10:40,870 --> 01:10:39,360

shut him down

2191

01:10:43,030 --> 01:10:40,880

this was like

2192

01:10:45,590 --> 01:10:43,040

american he was here or something what's

2193

01:10:46,229 --> 01:10:45,600

it uh it was to say it was on netflix i

2194

01:10:48,149 --> 01:10:46,239

can't remember the name of the

2195

01:10:50,390 --> 01:10:48,159

documentary okay so that was what they

2196

01:10:52,630 --> 01:10:50,400

did yeah yeah that was great that's not

2197

01:10:54,149 --> 01:10:52,640

too far from work did you ever go

2198

01:10:56,149 --> 01:10:54,159

no because i didn't know it was that

2199

01:10:57,590 --> 01:10:56,159

close that's a bird it was like when i

2200

01:10:59,669 --> 01:10:57,600

was just starting to get into this stuff

2201

01:11:01,990 --> 01:10:59,679

and i was like wait a second

2202

01:11:04,070 --> 01:11:02,000

yeah oh i would have been that's a burn

2203

01:11:05,830 --> 01:11:04,080

dude imagine that

2204

01:11:07,990 --> 01:11:05,840

yeah it says uh it was a two-star

2205

01:11:10,070 --> 01:11:08,000

admiral that put bob's w-2 into the

2206

01:11:11,510 --> 01:11:10,080

shredder thank you that's what it was so

2207

01:11:12,630 --> 01:11:11,520

he essentially

2208

01:11:14,790 --> 01:11:12,640

took

2209

01:11:16,390 --> 01:11:14,800

bob's w-2s

2210

01:11:18,070 --> 01:11:16,400

and was like

2211

01:11:20,149 --> 01:11:18,080

and shredded them up

2212

01:11:22,149 --> 01:11:20,159

so i mean like i said you're going to

2213

01:11:24,229 --> 01:11:22,159

check out some interviews

2214

01:11:25,990 --> 01:11:24,239

it's a good time

2215

01:11:27,990 --> 01:11:26,000

but going back to to the work that you

2216

01:11:30,070 --> 01:11:28,000

do that way uh

2217

01:11:31,430 --> 01:11:30,080

you know what do you have one i mean i

2218

01:11:32,709 --> 01:11:31,440

suppose that your work as a whole as you

2219

01:11:34,790 --> 01:11:32,719

continue on is something you really

2220

01:11:36,149 --> 01:11:34,800

enjoy but do you have a favorite do you

2221

01:11:38,550 --> 01:11:36,159

have one that's kind of like that's my

2222

01:11:41,110 --> 01:11:38,560

baby you know

2223

01:11:43,030 --> 01:11:41,120

or is it the one

2224

01:11:44,229 --> 01:11:43,040

i would say maybe the work is whole but

2225

01:11:46,149 --> 01:11:44,239

there's some where it does feel more

2226

01:11:48,070 --> 01:11:46,159

like my baby i would say the ones where

2227

01:11:49,030 --> 01:11:48,080

it feels like sometimes it feels like

2228

01:11:51,030 --> 01:11:49,040

i'm trying to reach the middle ground

2229

01:11:53,189 --> 01:11:51,040

like making a documentary and like also

2230

01:11:55,189 --> 01:11:53,199

maybe kind of like making it a movie and

2231

01:11:56,070 --> 01:11:55,199

try and hit like beats that a movie

2232

01:11:57,910 --> 01:11:56,080

would

2233

01:11:59,350 --> 01:11:57,920

those are a little more exciting it's

2234

01:12:01,430 --> 01:11:59,360

like that of your mitchell one i feel

2235

01:12:03,510 --> 01:12:01,440

like i kind of tried to do it like that

2236

01:12:05,350 --> 01:12:03,520

and then my nino kulagana one i feel

2237

01:12:07,110 --> 01:12:05,360

like was kind of like that

2238

01:12:07,910 --> 01:12:07,120

that was a good one that was another one

2239

01:12:08,790 --> 01:12:07,920

i was actually gonna break when you

2240

01:12:10,870 --> 01:12:08,800

mentioned her i was like oh yeah you

2241

01:12:13,189 --> 01:12:10,880

totally did a documentary on her as well

2242

01:12:14,790 --> 01:12:13,199

i believe you also did a documentary did

2243

01:12:16,870 --> 01:12:14,800

you do one solely on warner von braun

2244

01:12:18,790 --> 01:12:16,880

was that what you were doing no no no no

2245

01:12:20,470 --> 01:12:18,800

there was just there's just basically a

2246

01:12:21,590 --> 01:12:20,480

word of one documentary in the edgar

2247

01:12:22,950 --> 01:12:21,600

mitchell one

2248

01:12:25,110 --> 01:12:22,960

correct

2249

01:12:26,149 --> 01:12:25,120

yeah i think it was interesting too i

2250

01:12:27,350 --> 01:12:26,159

probably would one day i feel like

2251  
01:12:28,870 --> 01:12:27,360  
eventually more stuff is going to come

2252  
01:12:29,830 --> 01:12:28,880  
out about him because

2253  
01:12:31,750 --> 01:12:29,840  
that was kind of one of the biggest

2254  
01:12:33,669 --> 01:12:31,760  
revelations for me um when i was making

2255  
01:12:34,870 --> 01:12:33,679  
the edgar mitchell one was that he had

2256  
01:12:36,630 --> 01:12:34,880  
been on the record saying that like

2257  
01:12:38,310 --> 01:12:36,640  
werner von braun and told him about

2258  
01:12:39,910 --> 01:12:38,320  
roswell that he had been

2259  
01:12:41,189 --> 01:12:39,920  
that a bunch of the paper clip people

2260  
01:12:43,110 --> 01:12:41,199  
had been there because i had already

2261  
01:12:44,550 --> 01:12:43,120  
been an edgar mitchell nerd for like a

2262  
01:12:46,550 --> 01:12:44,560  
while by that point

2263  
01:12:48,070 --> 01:12:46,560

and they just randomly came across that

2264

01:12:50,310 --> 01:12:48,080

in one of the like thousands of

2265

01:12:51,350 --> 01:12:50,320

interviews this guy gave and you don't

2266

01:12:52,630 --> 01:12:51,360

really hear people talk about that much

2267

01:12:54,630 --> 01:12:52,640

maybe because people just dismiss what

2268

01:12:56,390 --> 01:12:54,640

edgar mitchell says

2269

01:12:57,750 --> 01:12:56,400

generally because he can be kind of

2270

01:13:00,070 --> 01:12:57,760

eccentric is the word i think we're

2271

01:13:02,149 --> 01:13:00,080

going to go with yeah but uh

2272

01:13:03,750 --> 01:13:02,159

i think we're nervous definitely think

2273

01:13:05,830 --> 01:13:03,760

about his experiences look at the

2274

01:13:07,669 --> 01:13:05,840

instance particular with oh man i can't

2275

01:13:09,910 --> 01:13:07,679

remember the name like we'll call him a

2276

01:13:12,390 --> 01:13:09,920

guru but the the gentleman he took his

2277

01:13:14,630 --> 01:13:12,400

mom to his mom had the severe issues

2278

01:13:16,550 --> 01:13:14,640

with her yeah that's where she could

2279

01:13:17,590 --> 01:13:16,560

what was his name his name was norbu

2280

01:13:18,550 --> 01:13:17,600

chen

2281

01:13:20,470 --> 01:13:18,560

okay

2282

01:13:21,669 --> 01:13:20,480

so he gets he brings his mom out there

2283

01:13:23,110 --> 01:13:21,679

right he doesn't tell his mom what's

2284

01:13:24,630 --> 01:13:23,120

going on because his mom was devoutly

2285

01:13:25,910 --> 01:13:24,640

christian right she was very much so

2286

01:13:27,270 --> 01:13:25,920

like i you know i don't want anything to

2287

01:13:30,709 --> 01:13:27,280

do with anything else

2288

01:13:32,790 --> 01:13:30,719

and they go to this process this healing

2289

01:13:34,390 --> 01:13:32,800

uh ceremony as you call it and told her

2290

01:13:36,310 --> 01:13:34,400

to go to bed and pretend that you've had

2291

01:13:37,350 --> 01:13:36,320

imagine essentially that you've had the

2292

01:13:40,070 --> 01:13:37,360

surgery

2293

01:13:41,990 --> 01:13:40,080

she wakes up and she can see i mean to

2294

01:13:43,350 --> 01:13:42,000

the point where she drove home at night

2295

01:13:45,030 --> 01:13:43,360

in the dark if i if i do recall

2296

01:13:47,270 --> 01:13:45,040

correctly at least drove her

2297

01:13:48,630 --> 01:13:47,280

without her glasses right and i think

2298

01:13:50,709 --> 01:13:48,640

this went on for either a couple days or

2299

01:13:51,910 --> 01:13:50,719

a week right like

2300

01:13:53,510 --> 01:13:51,920

was it a week

2301  
01:13:55,189 --> 01:13:53,520  
now that's the fascinating so go ahead

2302  
01:13:56,310 --> 01:13:55,199  
and continue the story out there so he

2303  
01:13:59,189 --> 01:13:56,320  
if you want to tell a little better than

2304  
01:14:00,790 --> 01:13:59,199  
i do obviously so okay so

2305  
01:14:02,550 --> 01:14:00,800  
so edgar mitchell was basically like

2306  
01:14:04,870 --> 01:14:02,560  
straight and arrow

2307  
01:14:06,470 --> 01:14:04,880  
uh aviation guy

2308  
01:14:08,630 --> 01:14:06,480  
and then he had these pockets of like

2309  
01:14:10,470 --> 01:14:08,640  
being interested in paranormal stuff and

2310  
01:14:11,910 --> 01:14:10,480  
like i was talking about earlier jb ryan

2311  
01:14:13,510 --> 01:14:11,920  
which was basically like

2312  
01:14:15,430 --> 01:14:13,520  
before removing had the official title

2313  
01:14:16,709 --> 01:14:15,440

over my viewing he was looking into that

2314

01:14:17,830 --> 01:14:16,719

which is what me and bigley were talking

2315

01:14:19,669 --> 01:14:17,840

about

2316

01:14:21,590 --> 01:14:19,679

son he comes home

2317

01:14:24,070 --> 01:14:21,600

after apollo after that experience that

2318

01:14:26,390 --> 01:14:24,080

we all listen to together and he first

2319

01:14:28,790 --> 01:14:26,400

thing that happens is people tell him

2320

01:14:31,030 --> 01:14:28,800

that in his hometown of roswell um

2321

01:14:33,110 --> 01:14:31,040

oh yes please go get a beer and then in

2322

01:14:34,310 --> 01:14:33,120

his hometown of roswell he uh people

2323

01:14:35,990 --> 01:14:34,320

start coming up and telling him that

2324

01:14:37,830 --> 01:14:36,000

like oh they had seen they'd been

2325

01:14:40,390 --> 01:14:37,840

involved in one way or another with some

2326

01:14:42,950 --> 01:14:40,400

aspect of the recovery of the

2327

01:14:43,990 --> 01:14:42,960

crashed ufo and like the cover-up so he

2328

01:14:46,310 --> 01:14:44,000

was already kind of like whoa that's

2329

01:14:48,630 --> 01:14:46,320

kind of weird and then this incident

2330

01:14:50,229 --> 01:14:48,640

with norbuchen happens in which

2331

01:14:52,149 --> 01:14:50,239

he basically like meets this guy who

2332

01:14:54,149 --> 01:14:52,159

claims to be a healer and then the guy

2333

01:14:57,030 --> 01:14:54,159

allegedly heals his mom

2334

01:14:58,709 --> 01:14:57,040

for about a week and then the mom says

2335

01:15:00,390 --> 01:14:58,719

like the mom checks to see if norby was

2336

01:15:02,709 --> 01:15:00,400

a christian and he wasn't and then she

2337

01:15:05,110 --> 01:15:02,719

loses whatever ability she felt like she

2338

01:15:06,790 --> 01:15:05,120

had so she went from being able to

2339

01:15:09,030 --> 01:15:06,800

uh only see with like really thick

2340

01:15:10,630 --> 01:15:09,040

glasses to a week of not of seeing

2341

01:15:12,070 --> 01:15:10,640

regularly and then

2342

01:15:13,270 --> 01:15:12,080

um

2343

01:15:14,630 --> 01:15:13,280

she needed him again after and remember

2344

01:15:15,910 --> 01:15:14,640

this is all according to edgar and i say

2345

01:15:17,750 --> 01:15:15,920

in the documentary this is all queen and

2346

01:15:19,189 --> 01:15:17,760

edgar i don't even know like what to

2347

01:15:20,870 --> 01:15:19,199

make of it myself

2348

01:15:22,950 --> 01:15:20,880

this is what he claims and he says

2349

01:15:24,390 --> 01:15:22,960

himself that like this is if you didn't

2350

01:15:27,030 --> 01:15:24,400

experience it he would understand why

2351

01:15:29,669 --> 01:15:27,040

like you don't you wouldn't believe him

2352

01:15:31,030 --> 01:15:29,679

right and then and then

2353

01:15:33,750 --> 01:15:31,040

that kind of that's how he kind of got

2354

01:15:35,830 --> 01:15:33,760

into the whole like yuri geller and

2355

01:15:37,990 --> 01:15:35,840

and um

2356

01:15:39,830 --> 01:15:38,000

sri stuff was like his experience with

2357

01:15:42,310 --> 01:15:39,840

norbu and then he basically just came to

2358

01:15:43,669 --> 01:15:42,320

the belief of like there's people like

2359

01:15:45,189 --> 01:15:43,679

that he thinks allegedly have these

2360

01:15:46,950 --> 01:15:45,199

abilities which would be like naruchan

2361

01:15:48,390 --> 01:15:46,960

yuri geller and nine kulagana type

2362

01:15:49,590 --> 01:15:48,400

people

2363

01:15:51,110 --> 01:15:49,600

very true

2364

01:15:52,630 --> 01:15:51,120

so let's see

2365

01:15:54,229 --> 01:15:52,640

really quick though here at the bottom

2366

01:15:55,669 --> 01:15:54,239

of the hour i i completely forgot we

2367

01:15:56,550 --> 01:15:55,679

normally take a break at the top of the

2368

01:15:57,590 --> 01:15:56,560

hour because then so we'll have to use

2369

01:15:58,709 --> 01:15:57,600

the bathroom so i don't know if you have

2370

01:16:00,709 --> 01:15:58,719

to go to the bathroom or not really i'm

2371

01:16:02,470 --> 01:16:00,719

good i'm good you're okay um so i have

2372

01:16:03,910 --> 01:16:02,480

to go i'll say i'll be right back so i

2373

01:16:05,110 --> 01:16:03,920

kind of keep it going if you just want

2374

01:16:06,470 --> 01:16:05,120

to talk to everybody for just a minute

2375

01:16:08,310 --> 01:16:06,480

or i can put up some music it's totally

2376

01:16:09,669 --> 01:16:08,320

up to you uh i'll just talk to the chat

2377

01:16:11,830 --> 01:16:09,679

yeah let's do it yeah yeah no problem so

2378

01:16:13,350 --> 01:16:11,840

i'll be right back and uh go ahead and

2379

01:16:15,669 --> 01:16:13,360

let them know i'm gonna drop the once

2380

01:16:16,790 --> 01:16:15,679

again in the show notes here oops here

2381

01:16:18,149 --> 01:16:16,800

we go

2382

01:16:19,990 --> 01:16:18,159

across the spectrum that way anybody can

2383

01:16:21,910 --> 01:16:20,000

follow you wherever they'd like pop this

2384

01:16:23,350 --> 01:16:21,920

back up here again uh that way if you

2385

01:16:25,430 --> 01:16:23,360

guys can please go subscribe to him that

2386

01:16:27,030 --> 01:16:25,440

would be uh very helpful i think not

2387

01:16:29,590 --> 01:16:27,040

only for just obviously your channel but

2388

01:16:31,110 --> 01:16:29,600

obviously as a whole guys as a community

2389

01:16:33,110 --> 01:16:31,120

i think it's great the work you're doing

2390

01:16:34,709 --> 01:16:33,120

and i think that the more we can help

2391

01:16:36,709 --> 01:16:34,719

educate one another because we're not

2392

01:16:38,790 --> 01:16:36,719

going to be experts uh

2393

01:16:40,870 --> 01:16:38,800

all of us until we can reach a jim

2394

01:16:43,030 --> 01:16:40,880

goodall status then maybe we can we can

2395

01:16:45,350 --> 01:16:43,040

strive to be jim goodall but uh he looks

2396

01:16:47,990 --> 01:16:45,360

like an expert in aviation like oh he's

2397

01:16:50,149 --> 01:16:48,000

his he's he's got some crazy stories

2398

01:16:51,910 --> 01:16:50,159

he's here so guys i will be right back

2399

01:16:53,270 --> 01:16:51,920

in just a minute so red panda or red you

2400

01:16:54,470 --> 01:16:53,280

handle them for you i trust you and

2401

01:16:57,990 --> 01:16:54,480

you're awesome i'll just be here

2402

01:17:11,669 --> 01:17:00,390

subbed and dubbed

2403

01:17:14,630 --> 01:17:13,590

doctor scientist

2404

01:17:20,229 --> 01:17:14,640

uh

2405

01:17:43,189 --> 01:17:20,239

type if you believe bob lazar or not

2406

01:17:48,149 --> 01:17:46,870

yes bob lazar bob lazar nope sorry yeah

2407

01:17:49,750 --> 01:17:48,159

i'm still on the fence with bubbles our

2408

01:17:51,030 --> 01:17:49,760

eyes uh it'd be interesting to talk to

2409

01:17:52,950 --> 01:17:51,040

that uh gym

2410

01:17:57,990 --> 01:17:52,960

guy because he seems like he'd have some

2411

01:18:01,910 --> 01:17:59,590

believe he was pimping since been

2412

01:18:06,950 --> 01:18:01,920

pimping

2413

01:18:14,090 --> 01:18:09,110

next video hopefully within a week and a

2414

01:18:14,100 --> 01:18:19,189

[Music]

2415

01:18:22,470 --> 01:18:20,709

okay how about this do you guys think

2416

01:18:24,149 --> 01:18:22,480

lulu elizondo has

2417

01:18:26,070 --> 01:18:24,159

like the best intentions at heart or do

2418

01:18:38,709 --> 01:18:26,080

you think there's some kind of nefarious

2419

01:18:43,990 --> 01:18:41,510

already and i am back

2420

01:18:45,910 --> 01:18:44,000

maybe just in time too it looks like red

2421

01:18:48,229 --> 01:18:45,920

red might have we said the gremlins are

2422

01:18:49,750 --> 01:18:48,239

after him a little bit tonight we'll see

2423

01:18:52,550 --> 01:18:49,760

told him if he got kicked he would just

2424

01:18:54,870 --> 01:18:52,560

have to hop on them back in

2425

01:18:56,149 --> 01:18:54,880

there he is and he he's back here we go

2426

01:18:58,070 --> 01:18:56,159

oh we gotta get rid of this one hang on

2427

01:19:01,030 --> 01:18:58,080

there we go sorry right at the end there

2428

01:19:02,709 --> 01:19:01,040

but for the most part it was all good

2429

01:19:04,470 --> 01:19:02,719

there you go

2430

01:19:05,750 --> 01:19:04,480

uh yeah so i don't interrupt to say if

2431

01:19:07,030 --> 01:19:05,760

you were sharing anything to anybody in

2432

01:19:08,550 --> 01:19:07,040

the chat there anything that anybody was

2433

01:19:10,149 --> 01:19:08,560

asking you feel free to answer those

2434

01:19:12,310 --> 01:19:10,159

questions that i just do have lined up

2435

01:19:14,470 --> 01:19:12,320

for the future so yeah i have the

2436

01:19:16,790 --> 01:19:14,480

uh news recap for which like i said will

2437

01:19:18,790 --> 01:19:16,800

go from the basically the

2438

01:19:21,910 --> 01:19:18,800

preliminary report

2439

01:19:23,110 --> 01:19:21,920

um jilla brand amendment aoi

2440

01:19:25,750 --> 01:19:23,120

some of the stuff that's going on around

2441

01:19:27,750 --> 01:19:25,760

the world with like icer in the u.n and

2442

01:19:29,510 --> 01:19:27,760

china and then some of the ways like the

2443

01:19:31,510 --> 01:19:29,520

uk and australia have kind of not been

2444

01:19:33,270 --> 01:19:31,520

engaging in this subject and then after

2445

01:19:34,630 --> 01:19:33,280

that i have a video planned well after

2446

01:19:36,630 --> 01:19:34,640

that i think is when i'm gonna start

2447

01:19:39,110 --> 01:19:36,640

doing interviews too so i have like some

2448

01:19:41,110 --> 01:19:39,120

people that i kind of like

2449

01:19:43,270 --> 01:19:41,120

maybe want to interview or not i need a

2450

01:19:45,270 --> 01:19:43,280

practice like with um stream yards and

2451

01:19:46,950 --> 01:19:45,280

stuff like that but in terms of

2452

01:19:48,149 --> 01:19:46,960

documentaries after that i want to do a

2453

01:19:49,189 --> 01:19:48,159

video

2454

01:19:51,030 --> 01:19:49,199

where like throughout the course of my

2455

01:19:52,709 --> 01:19:51,040

research i've come across

2456

01:19:56,149 --> 01:19:52,719

hmm sorry i just love valiant

2457

01:19:58,229 --> 01:19:56,159

valentine's so long it's like a thor

2458

01:19:59,510 --> 01:19:58,239

i love it um but to the person in the

2459

01:20:00,709 --> 01:19:59,520

chat uh

2460

01:20:02,070 --> 01:20:00,719

basically

2461

01:20:03,350 --> 01:20:02,080

throughout the course of my videos i

2462

01:20:05,270 --> 01:20:03,360

come across different aspects where it's

2463

01:20:07,189 --> 01:20:05,280

like you could really see the hand of

2464

01:20:09,430 --> 01:20:07,199

the government like either censoring or

2465

01:20:11,189 --> 01:20:09,440

like trying to manipulate the narrative

2466

01:20:12,870 --> 01:20:11,199

regarding the subject and they all kind

2467

01:20:14,149 --> 01:20:12,880

of are in their own different areas so

2468

01:20:15,910 --> 01:20:14,159

i'm gonna just do a video where like all

2469

01:20:16,950 --> 01:20:15,920

those are in kind of like it's actually

2470

01:20:19,110 --> 01:20:16,960

probably gonna be the first part in a

2471

01:20:20,629 --> 01:20:19,120

series but just to kind of see like the

2472

01:20:22,629 --> 01:20:20,639

historical way in which the government

2473

01:20:25,430 --> 01:20:22,639

really like had their hand on this issue

2474

01:20:26,629 --> 01:20:25,440

and the narrative and different ways so

2475

01:20:28,149 --> 01:20:26,639

that i think that would be interesting

2476

01:20:29,430 --> 01:20:28,159

for people to see because like it kind

2477

01:20:30,870 --> 01:20:29,440

of ties back into what we're talking

2478

01:20:32,470 --> 01:20:30,880

about earlier it's like people don't

2479

01:20:34,790 --> 01:20:32,480

have this historical knowledge like they

2480

01:20:36,229 --> 01:20:34,800

think the galileo project is like

2481

01:20:39,270 --> 01:20:36,239

the first time to ever

2482

01:20:41,510 --> 01:20:39,280

have this be tried and it's like no the

2483

01:20:43,110 --> 01:20:41,520

the powers that be were really crushing

2484

01:20:44,790 --> 01:20:43,120

the subject down and anyone who tried to

2485

01:20:46,629 --> 01:20:44,800

work on it look at the work jacques

2486

01:20:48,310 --> 01:20:46,639

valet did over the years i mean you talk

2487

01:20:50,470 --> 01:20:48,320

about a guy who

2488

01:20:51,910 --> 01:20:50,480

really truly applied himself and still

2489

01:20:53,110 --> 01:20:51,920

to this day is very well respected

2490

01:20:54,149 --> 01:20:53,120

within the community obviously and i

2491

01:20:56,070 --> 01:20:54,159

think he's gained a lot more respect

2492

01:20:58,070 --> 01:20:56,080

from his peers over time

2493

01:21:00,390 --> 01:20:58,080

but i mean there was someone who took it

2494

01:21:02,229 --> 01:21:00,400

very seriously had all the credentials

2495

01:21:04,310 --> 01:21:02,239

as well as even jaylen heineck sure he

2496

01:21:05,590 --> 01:21:04,320

was brought in at first to be which i

2497

01:21:07,590 --> 01:21:05,600

almost ended up appreciating they

2498

01:21:09,350 --> 01:21:07,600

brought him in to be the skeptical

2499

01:21:10,709 --> 01:21:09,360

mouth pieces were to be like come up

2500

01:21:12,310 --> 01:21:10,719

with a good story figure out a way to

2501

01:21:13,189 --> 01:21:12,320

cover this up and initially he didn't

2502

01:21:14,950 --> 01:21:13,199

think it was gonna be a big deal because

2503

01:21:16,070 --> 01:21:14,960

he was like well it's explainable right

2504

01:21:17,430 --> 01:21:16,080

everything has a scientific you know

2505

01:21:18,790 --> 01:21:17,440

scientific answer at least an answer

2506

01:21:20,310 --> 01:21:18,800

that we just

2507

01:21:22,390 --> 01:21:20,320

maybe don't have an answer to just yet

2508

01:21:23,830 --> 01:21:22,400

but there's a good reason for it and it

2509

01:21:25,270 --> 01:21:23,840

wasn't until you started having those in

2510

01:21:26,870 --> 01:21:25,280

the field encounters and talking to

2511

01:21:29,030 --> 01:21:26,880

people like we get to do now or we get

2512

01:21:30,390 --> 01:21:29,040

to have you start having multiple

2513

01:21:32,149 --> 01:21:30,400

experiences and now everybody blames it

2514

01:21:33,510 --> 01:21:32,159

on saying well the internet and

2515

01:21:35,189 --> 01:21:33,520

we're just copying and pasting each

2516

01:21:36,870 --> 01:21:35,199

other's stories but back then they

2517

01:21:38,149 --> 01:21:36,880

didn't have that we're talking about him

2518

01:21:39,590 --> 01:21:38,159

going into some of these these little

2519

01:21:40,830 --> 01:21:39,600

towns that like people didn't leave this

2520

01:21:43,590 --> 01:21:40,840

town you

2521

01:21:45,110 --> 01:21:43,600

know all you have is what the major

2522

01:21:47,510 --> 01:21:45,120

newspapers were telling you and that's

2523

01:21:49,430 --> 01:21:47,520

it and again time and space of when

2524

01:21:50,950 --> 01:21:49,440

we're telling the story in that day and

2525

01:21:52,149 --> 01:21:50,960

age it was not cool to come out it

2526

01:21:53,830 --> 01:21:52,159

wasn't going to help your youtube

2527

01:21:55,750 --> 01:21:53,840

channel grow to come out and you know

2528

01:21:58,149 --> 01:21:55,760

and say i've got this experience we're

2529

01:21:59,669 --> 01:21:58,159

talking about loss of jobs being run out

2530

01:22:01,030 --> 01:21:59,679

of town

2531

01:22:03,270 --> 01:22:01,040

and we're talking about that going on

2532

01:22:05,669 --> 01:22:03,280

even up into the 80s guys

2533

01:22:07,270 --> 01:22:05,679

so yeah i i i know i'm preaching the

2534

01:22:08,310 --> 01:22:07,280

choir over here everybody here knows

2535

01:22:10,390 --> 01:22:08,320

this stuff i mean i feel like it still

2536

01:22:12,870 --> 01:22:10,400

kind of goes on to a degree probably

2537

01:22:13,990 --> 01:22:12,880

even now i mean now probably less but

2538

01:22:16,790 --> 01:22:14,000

like even

2539

01:22:18,629 --> 01:22:16,800

before 20 like 2010 to 2017 there is

2540

01:22:21,510 --> 01:22:18,639

still

2541

01:22:23,669 --> 01:22:21,520

yeah very big stigma and whatnot

2542

01:22:25,350 --> 01:22:23,679

oh my gosh obi says i need a pit

2543

01:22:26,790 --> 01:22:25,360

[h\_\_h] i'm going to get i was got i

2544

01:22:28,390 --> 01:22:26,800

got one i was looking at i was going to

2545

01:22:29,590 --> 01:22:28,400

get the uh it's like it bends with your

2546

01:22:31,189 --> 01:22:29,600

head and stuff i'm going to but i'll

2547

01:22:32,390 --> 01:22:31,199

look that up what is it a pit bull i'll

2548

01:22:34,550 --> 01:22:32,400

write that down

2549

01:22:35,910 --> 01:22:34,560

head shaver says it'll change my life oh

2550

01:22:37,430 --> 01:22:35,920

my god

2551

01:22:39,030 --> 01:22:37,440

john music thank you for being here

2552

01:22:40,149 --> 01:22:39,040

tonight brother good to see you what's

2553

01:22:42,070 --> 01:22:40,159

up john music

2554

01:22:44,390 --> 01:22:42,080

i like watching him when he's on he's

2555

01:22:46,229 --> 01:22:44,400

not knowledgeable guy too

2556

01:22:47,990 --> 01:22:46,239

yeah he has great questions and he's got

2557

01:22:49,430 --> 01:22:48,000

a lot of going on or what that he's

2558

01:22:52,470 --> 01:22:49,440

doing with that what's the schedule for

2559

01:22:53,669 --> 01:22:52,480

tonight while we were in the last uh 23

2560

01:22:55,590 --> 01:22:53,679

minutes of the show here because i

2561

01:22:57,830 --> 01:22:55,600

usually i don't like to over overlap

2562

01:22:59,430 --> 01:22:57,840

excuse me mr dave scott and his show

2563

01:23:00,870 --> 01:22:59,440

over there so usually we have about 23

2564

01:23:03,189 --> 01:23:00,880

minutes left here

2565

01:23:04,709 --> 01:23:03,199

uh arden paranormal hey good to see you

2566

01:23:07,350 --> 01:23:04,719

thank you for being here tonight as well

2567

01:23:09,350 --> 01:23:07,360

bim jim excuse me

2568

01:23:12,149 --> 01:23:09,360

oh my goodness uh

2569

01:23:13,430 --> 01:23:12,159

said see old videos of lazar

2570

01:23:15,830 --> 01:23:13,440

you know some of those are pretty

2571

01:23:17,750 --> 01:23:15,840

intriguing and again i know that like

2572

01:23:19,669 --> 01:23:17,760

you know uh jim goodall here obviously

2573

01:23:21,110 --> 01:23:19,679

in the chat saying tonight i go way up

2574

01:23:23,430 --> 01:23:21,120

here i did see when i was first coming

2575

01:23:25,590 --> 01:23:23,440

back um let me recapsulate it really

2576

01:23:27,510 --> 01:23:25,600

quickly if i can for you guys

2577

01:23:30,070 --> 01:23:27,520

i believe he said bob lazar didn't

2578

01:23:32,950 --> 01:23:30,080

believe in ufos when i met him that was

2579

01:23:35,030 --> 01:23:32,960

just before he went to work at s4

2580

01:23:36,709 --> 01:23:35,040

uh he told me that even if you put a gun

2581

01:23:38,709 --> 01:23:36,719

to his head he would still not believe

2582

01:23:39,910 --> 01:23:38,719

in ufos and i think the reason i

2583

01:23:40,950 --> 01:23:39,920

obviously could tell a story better but

2584

01:23:42,950 --> 01:23:40,960

i think they met by like kind of a

2585

01:23:44,470 --> 01:23:42,960

chance of reasoning it was like he

2586

01:23:45,750 --> 01:23:44,480

needed to get something copied like a

2587

01:23:48,229 --> 01:23:45,760

piece of paper and not everybody had a

2588

01:23:50,149 --> 01:23:48,239

copy or something along those lines oh

2589

01:23:51,830 --> 01:23:50,159

well and the guy that jim was with was

2590

01:23:54,709 --> 01:23:51,840

like well i know a guy and it happened

2591

01:23:56,310 --> 01:23:54,719

to be bob lazar

2592

01:23:57,189 --> 01:23:56,320

he was kind of a chance encounter at the

2593

01:23:59,189 --> 01:23:57,199

time

2594

01:24:01,110 --> 01:23:59,199

like he said michael stratt has

2595

01:24:03,270 --> 01:24:01,120

a new book on ufo events for the last

2596

01:24:04,950 --> 01:24:03,280

100 years or something like that it

2597

01:24:07,110 --> 01:24:04,960

should be ready for general public soon

2598

01:24:08,470 --> 01:24:07,120

see that'd be awesome i love stuff that

2599

01:24:09,510 --> 01:24:08,480

does that i love stuff that lays out and

2600

01:24:10,790 --> 01:24:09,520

i get that it's not everybody's bread

2601  
01:24:12,870 --> 01:24:10,800  
and butter

2602  
01:24:14,149 --> 01:24:12,880  
but it's cool to have that

2603  
01:24:16,070 --> 01:24:14,159  
um

2604  
01:24:17,910 --> 01:24:16,080  
timeline to kind of look and reflect and

2605  
01:24:20,070 --> 01:24:17,920  
not only see how it's evolving because

2606  
01:24:23,430 --> 01:24:20,080  
we have to admit the phenomenon has

2607  
01:24:25,189 --> 01:24:23,440  
evolved right oh my gosh you guys

2608  
01:24:26,310 --> 01:24:25,199  
there's been a chad smith podcast

2609  
01:24:29,430 --> 01:24:26,320  
sighting

2610  
01:24:31,189 --> 01:24:29,440  
the man the myth the legend chad smith

2611  
01:24:32,709 --> 01:24:31,199  
in the house tonight aren't you doing a

2612  
01:24:34,709 --> 01:24:32,719  
show right now brother you might be

2613  
01:24:37,669 --> 01:24:34,719

watching us and doing a show too

2614

01:24:40,629 --> 01:24:37,679

very talented that one very talented

2615

01:24:42,149 --> 01:24:40,639

but uh really quick i wanted to ask you

2616

01:24:43,750 --> 01:24:42,159

before uh because like i said i know we

2617

01:24:45,990 --> 01:24:43,760

only have about 25 more minutes or so

2618

01:24:47,030 --> 01:24:46,000

with you here tonight i wanted to ask

2619

01:24:49,830 --> 01:24:47,040

you

2620

01:24:51,030 --> 01:24:49,840

the idea of

2621

01:24:53,270 --> 01:24:51,040

some of the things that are going on

2622

01:24:55,990 --> 01:24:53,280

with the galileo project

2623

01:24:57,110 --> 01:24:56,000

what does disclosure in a sense mean to

2624

01:24:59,910 --> 01:24:57,120

you because i know what's different for

2625

01:25:02,790 --> 01:24:59,920

everybody so no necessarily pc answer

2626  
01:25:03,830 --> 01:25:02,800  
here what does disclosure to red mean

2627  
01:25:06,709 --> 01:25:03,840  
to me

2628  
01:25:10,709 --> 01:25:09,270  
like the average person accepts that

2629  
01:25:11,750 --> 01:25:10,719  
there's something

2630  
01:25:13,669 --> 01:25:11,760  
like

2631  
01:25:15,110 --> 01:25:13,679  
thanks champ uh except that there's

2632  
01:25:17,510 --> 01:25:15,120  
something um

2633  
01:25:19,110 --> 01:25:17,520  
like non-human i mean it could still end

2634  
01:25:20,550 --> 01:25:19,120  
up being cuban but i'm pretty much

2635  
01:25:22,070 --> 01:25:20,560  
leaning towards non-human when the

2636  
01:25:24,390 --> 01:25:22,080  
average person like really thinks about

2637  
01:25:26,709 --> 01:25:24,400  
it and not just that they understand

2638  
01:25:28,390 --> 01:25:26,719

that it's here but i think a big part of

2639

01:25:29,669 --> 01:25:28,400

it is understanding that there was an

2640

01:25:32,070 --> 01:25:29,679

active

2641

01:25:33,110 --> 01:25:32,080

like censorship campaign gaslighting

2642

01:25:34,870 --> 01:25:33,120

campaign

2643

01:25:36,790 --> 01:25:34,880

i think that part of that understanding

2644

01:25:37,669 --> 01:25:36,800

needs to be hand in hand with it and i

2645

01:25:39,350 --> 01:25:37,679

think once like everyone kind of

2646

01:25:41,590 --> 01:25:39,360

understands that then that's an albeit

2647

01:25:43,750 --> 01:25:41,600

to the next level

2648

01:25:45,669 --> 01:25:43,760

very nice i agree

2649

01:25:46,709 --> 01:25:45,679

uh tammy by the way tammy thank you for

2650

01:25:48,310 --> 01:25:46,719

all the work you do here every night

2651  
01:25:50,950 --> 01:25:48,320  
with your wrench keeping us safe out

2652  
01:25:52,550 --> 01:25:50,960  
there she said i watched lazaro on tv or

2653  
01:25:53,910 --> 01:25:52,560  
excuse me on tv interviews when he

2654  
01:25:56,149 --> 01:25:53,920  
originally came forward it was

2655  
01:25:58,709 --> 01:25:56,159  
believable even back then and then

2656  
01:26:00,709 --> 01:25:58,719  
element 115 which is was discovered and

2657  
01:26:02,790 --> 01:26:00,719  
that sealed it for me i know that's been

2658  
01:26:04,070 --> 01:26:02,800  
the big one and again

2659  
01:26:05,430 --> 01:26:04,080  
you guys i

2660  
01:26:08,070 --> 01:26:05,440  
listen the guy's controversial i'm not

2661  
01:26:09,750 --> 01:26:08,080  
going to take it away from him but the

2662  
01:26:12,229 --> 01:26:09,760  
stuff that's like put on there to be

2663  
01:26:14,070 --> 01:26:12,239

like well he forged his um

2664

01:26:16,870 --> 01:26:14,080

his resume and stuff not that you should

2665

01:26:18,629 --> 01:26:16,880

be doing that but like even uh richard

2666

01:26:20,550 --> 01:26:18,639

uh dolan has hit on this

2667

01:26:22,229 --> 01:26:20,560

who has said you know back in the late

2668

01:26:23,910 --> 01:26:22,239

70s early 80s you could get away with

2669

01:26:25,430 --> 01:26:23,920

that you and i can't do that now we put

2670

01:26:26,470 --> 01:26:25,440

forth a resume

2671

01:26:29,430 --> 01:26:26,480

it is what it is people are going to

2672

01:26:31,430 --> 01:26:29,440

call gonna actually check on this stuff

2673

01:26:33,830 --> 01:26:31,440

you could fudge some numbers back then

2674

01:26:35,910 --> 01:26:33,840

you could maybe fluff some stuff and

2675

01:26:37,270 --> 01:26:35,920

does that the smoking gun for the man

2676

01:26:39,270 --> 01:26:37,280

then you roll into all the other stuff

2677

01:26:40,950 --> 01:26:39,280

but anyways my point being i think the

2678

01:26:44,310 --> 01:26:40,960

element 115

2679

01:26:45,110 --> 01:26:44,320

very intriguing and the way he described

2680

01:26:47,270 --> 01:26:45,120

how

2681

01:26:48,229 --> 01:26:47,280

the gravity or the crafts might have

2682

01:26:50,950 --> 01:26:48,239

worked with gravity where it's

2683

01:26:52,310 --> 01:26:50,960

essentially pulling gravity to it

2684

01:26:53,830 --> 01:26:52,320

would be interesting like enzo and i

2685

01:26:55,430 --> 01:26:53,840

have discussed a couple times and he's a

2686

01:26:56,229 --> 01:26:55,440

very smart gentleman way smarter than i

2687

01:26:58,470 --> 01:26:56,239

am

2688

01:27:00,709 --> 01:26:58,480

by far not a not a hard task to overcome

2689

01:27:02,790 --> 01:27:00,719

there but the idea how

2690

01:27:03,990 --> 01:27:02,800

gravity affects time

2691

01:27:05,910 --> 01:27:04,000

and so maybe when we're seeing these

2692

01:27:07,750 --> 01:27:05,920

crafts moving not taking away from their

2693

01:27:09,590 --> 01:27:07,760

speed at all but just saying

2694

01:27:11,030 --> 01:27:09,600

the way that they affect time it would

2695

01:27:12,470 --> 01:27:11,040

look jumpy to us

2696

01:27:14,070 --> 01:27:12,480

and that could be like when when people

2697

01:27:15,750 --> 01:27:14,080

go missing while they're gone for only

2698

01:27:17,669 --> 01:27:15,760

maybe a couple hours in their time but

2699

01:27:19,510 --> 01:27:17,679

it could be a day or two down here or

2700

01:27:21,669 --> 01:27:19,520

many many many hours it's because

2701

01:27:24,310 --> 01:27:21,679

they're literally in a different space

2702

01:27:26,229 --> 01:27:24,320

of time in the way it's operating

2703

01:27:29,910 --> 01:27:26,239

um but pablo's are pointing some of that

2704

01:27:31,350 --> 01:27:29,920

stuff out back in the you know the 80s

2705

01:27:33,510 --> 01:27:31,360

it's yeah i'm pretty on the fence with

2706

01:27:35,030 --> 01:27:33,520

him i was i was pretty hardcore like oh

2707

01:27:36,550 --> 01:27:35,040

this guy's still on truth and then like

2708

01:27:39,669 --> 01:27:36,560

you learned some things and like oh well

2709

01:27:43,990 --> 01:27:42,550

oh man i'm gremlins oh he's gone they

2710

01:27:45,910 --> 01:27:44,000

took him out

2711

01:27:47,910 --> 01:27:45,920

like the government the cia knew they're

2712

01:27:50,629 --> 01:27:47,920

like he's telling too much we gotta pull

2713

01:27:52,310 --> 01:27:50,639

them we're pulling them out let's see

2714

01:27:53,350 --> 01:27:52,320

we'll be back here in a second here

2715

01:27:54,950 --> 01:27:53,360

there we go

2716

01:27:57,030 --> 01:27:54,960

i'm going back brother they're trying to

2717

01:27:58,550 --> 01:27:57,040

they don't want me don't be anti-lazar

2718

01:28:01,189 --> 01:27:58,560

yeah they don't want me to be

2719

01:28:02,470 --> 01:28:01,199

i believe i believe bob my bad no but i

2720

01:28:04,470 --> 01:28:02,480

don't know there's just a lot there's so

2721

01:28:07,350 --> 01:28:04,480

many facets and like if you saw i

2722

01:28:09,030 --> 01:28:07,360

remember in my first even ever video i

2723

01:28:11,350 --> 01:28:09,040

he was in there like that first one from

2724

01:28:13,430 --> 01:28:11,360

like that just channel intro

2725

01:28:15,270 --> 01:28:13,440

and i haven't touched it since just

2726

01:28:18,629 --> 01:28:15,280

because i i still need to formulate like

2727

01:28:21,110 --> 01:28:19,590

nice

2728

01:28:23,430 --> 01:28:21,120

i love it

2729

01:28:25,189 --> 01:28:23,440

um well really quick then let me ask you

2730

01:28:29,110 --> 01:28:25,199

this too because like i said we're you

2731

01:28:31,030 --> 01:28:29,120

know coming near the end here for you um

2732

01:28:32,550 --> 01:28:31,040

and again it's if you're not comfortable

2733

01:28:34,070 --> 01:28:32,560

it's totally okay but i always ask

2734

01:28:35,189 --> 01:28:34,080

everybody when they come out here we

2735

01:28:37,510 --> 01:28:35,199

talked about this earlier people haven't

2736

01:28:39,590 --> 01:28:37,520

experienced it had you ever had an

2737

01:28:41,110 --> 01:28:39,600

experience yourself at any point that

2738

01:28:42,310 --> 01:28:41,120

you know you're not guaranteed one thing

2739

01:28:43,830 --> 01:28:42,320

or the other but just something you

2740

01:28:45,910 --> 01:28:43,840

can't explain

2741

01:28:47,110 --> 01:28:45,920

no fortunately not is what i say because

2742

01:28:48,550 --> 01:28:47,120

uh

2743

01:28:50,229 --> 01:28:48,560

seems like even when these things aren't

2744

01:28:51,910 --> 01:28:50,239

even intentional sometimes you could get

2745

01:28:53,510 --> 01:28:51,920

hurt by it like maybe some kind of

2746

01:28:54,709 --> 01:28:53,520

radiation burn or something like that

2747

01:28:56,229 --> 01:28:54,719

and then

2748

01:28:57,750 --> 01:28:56,239

it even seems like a lot of the time

2749

01:29:00,870 --> 01:28:57,760

there's some intentional like uh

2750

01:29:03,750 --> 01:29:00,880

mischievous stuff how about you have you

2751

01:29:05,510 --> 01:29:03,760

um oh man so i i always say i've

2752

01:29:06,790 --> 01:29:05,520

actually never really done like a i

2753

01:29:08,870 --> 01:29:06,800

don't think i've ever done an episode

2754

01:29:09,750 --> 01:29:08,880

where we talked about it i say that i

2755

01:29:11,830 --> 01:29:09,760

have

2756

01:29:13,590 --> 01:29:11,840

but not in the traditional sense of like

2757

01:29:16,070 --> 01:29:13,600

some people have a very clear

2758

01:29:17,750 --> 01:29:16,080

recollection of what took place

2759

01:29:20,790 --> 01:29:17,760

um and since mine were of when i was

2760

01:29:22,550 --> 01:29:20,800

very young i usually uh chalk that up to

2761

01:29:25,430 --> 01:29:22,560

a bit of

2762

01:29:26,550 --> 01:29:25,440

it's hard to know right uh when you're

2763

01:29:27,590 --> 01:29:26,560

young

2764

01:29:29,910 --> 01:29:27,600

but now

2765

01:29:31,990 --> 01:29:29,920

coming full circle the stuff and hearing

2766

01:29:33,669 --> 01:29:32,000

the other stories uh i think it's become

2767

01:29:35,669 --> 01:29:33,679

a bit more clear but i've never done

2768

01:29:37,110 --> 01:29:35,679

anything like any sort of like

2769

01:29:38,709 --> 01:29:37,120

and this is very broad but the whole

2770

01:29:39,750 --> 01:29:38,719

idea of like you know regression therapy

2771

01:29:41,669 --> 01:29:39,760

and things that nature i've never looked

2772

01:29:43,110 --> 01:29:41,679

into that or really done that

2773

01:29:44,470 --> 01:29:43,120

but i definitely had some experiences

2774

01:29:45,910 --> 01:29:44,480

that in the time i grew up in a very

2775

01:29:48,229 --> 01:29:45,920

religious household so everything was

2776

01:29:50,070 --> 01:29:48,239

just angels or demons right that was

2777

01:29:52,310 --> 01:29:50,080

the solution as it were to everything so

2778

01:29:53,669 --> 01:29:52,320

that was how i perceived it at the time

2779

01:29:56,870 --> 01:29:53,679

did you tell your like parents at the

2780

01:29:59,270 --> 01:29:56,880

time oh yeah yeah my my mom has a clear

2781

01:30:00,629 --> 01:29:59,280

record like a lekkish and she still

2782

01:30:01,990 --> 01:30:00,639

thinks it was like a legit experience

2783

01:30:03,030 --> 01:30:02,000

just through the lens of like angel and

2784

01:30:05,189 --> 01:30:03,040

demon

2785

01:30:06,950 --> 01:30:05,199

yeah so they think they had what so they

2786

01:30:08,470 --> 01:30:06,960

think it had like a vision and i'm sure

2787

01:30:09,590 --> 01:30:08,480

we've all heard i mean that's a very

2788

01:30:11,189 --> 01:30:09,600

common thing people heard throughout

2789

01:30:12,629 --> 01:30:11,199

different lore you know depending on

2790

01:30:14,229 --> 01:30:12,639

what background you're in but

2791

01:30:15,750 --> 01:30:14,239

um you don't have people have a vision

2792

01:30:17,990 --> 01:30:15,760

like native americans spoke about that a

2793

01:30:18,950 --> 01:30:18,000

lot right having visions of something

2794

01:30:21,350 --> 01:30:18,960

and that is the best way i could

2795

01:30:23,189 --> 01:30:21,360

describe at least in the one instance of

2796

01:30:24,709 --> 01:30:23,199

what took place because i was i was

2797

01:30:26,629 --> 01:30:24,719

definitely awake

2798

01:30:28,149 --> 01:30:26,639

um i could see the room i was in i could

2799

01:30:29,669 --> 01:30:28,159

see my siblings

2800

01:30:31,350 --> 01:30:29,679

but then this whole thing was happening

2801

01:30:33,110 --> 01:30:31,360

in front of me was like i could

2802

01:30:35,110 --> 01:30:33,120

see this whole other world these other

2803

01:30:37,510 --> 01:30:35,120

things were taking place they were right

2804

01:30:41,510 --> 01:30:37,520

there so wait what was the vision uh-oh

2805

01:30:46,310 --> 01:30:43,990

it was nothing like that okay good but

2806

01:30:49,110 --> 01:30:46,320

dude okay so hang on i just gotta why'd

2807

01:30:50,790 --> 01:30:49,120

you name 2026 because i also have 2026

2808

01:30:52,550 --> 01:30:50,800

marked what what's

2809

01:30:53,990 --> 01:30:52,560

the blood so date

2810

01:30:55,270 --> 01:30:54,000

oh glitch

2811

01:30:57,110 --> 01:30:55,280

so but right

2812

01:31:00,229 --> 01:30:57,120

is it the ending the beginning of a new

2813

01:31:03,990 --> 01:31:00,239

end i don't know and the on jolly date

2814

01:31:05,990 --> 01:31:04,000

all the dates are converging they are

2815

01:31:08,709 --> 01:31:06,000

hopefully that's all wrong but yeah to

2816

01:31:10,790 --> 01:31:08,719

be fair on that one i think what he said

2817

01:31:11,750 --> 01:31:10,800

was that we're in the start of it

2818

01:31:15,830 --> 01:31:11,760

and that

2819

01:31:17,590 --> 01:31:15,840

by then that's his he he didn't like

2820

01:31:19,189 --> 01:31:17,600

in that interview he said that he he's

2821

01:31:20,550 --> 01:31:19,199

pretty sure but it wasn't like that's

2822

01:31:21,750 --> 01:31:20,560

for sure this is happening and that's

2823

01:31:23,510 --> 01:31:21,760

one of the things i respect obviously i

2824

01:31:25,270 --> 01:31:23,520

respect him a lot anyways

2825

01:31:26,070 --> 01:31:25,280

what he's gone through

2826

01:31:28,550 --> 01:31:26,080

um

2827

01:31:31,910 --> 01:31:28,560

yeah and being open and and ryan his uh

2828

01:31:33,990 --> 01:31:31,920

son their podcast is great

2829

01:31:35,110 --> 01:31:34,000

true yeah oh yeah yeah we have a matter

2830

01:31:37,590 --> 01:31:35,120

of fact i don't know if chance missed

2831

01:31:39,669 --> 01:31:37,600

one here now but i think chad smith and

2832

01:31:41,430 --> 01:31:39,679

maybe myself we're gonna see if i i'd

2833

01:31:43,350 --> 01:31:41,440

love to if we can if if i can get the

2834

01:31:44,550 --> 01:31:43,360

time off and everything might be going

2835

01:31:46,470 --> 01:31:44,560

down there

2836

01:31:48,870 --> 01:31:46,480

oh that'd be cool to go hang out yeah

2837

01:31:49,750 --> 01:31:48,880

bro bradshaw ranch wow what am i naming

2838

01:31:52,070 --> 01:31:49,760

that

2839

01:31:53,990 --> 01:31:52,080

do you hang out with the bledsoes uh be

2840

01:31:55,830 --> 01:31:54,000

careful and i think a good time yeah no

2841

01:31:57,270 --> 01:31:55,840

that's my thing is i in the back of my

2842

01:31:59,189 --> 01:31:57,280

head i have to admit and for yourself

2843

01:32:00,790 --> 01:31:59,199

being someone who likes to

2844

01:32:03,270 --> 01:32:00,800

uh i guess i shouldn't say that you like

2845

01:32:05,030 --> 01:32:03,280

to film but you i would assume enjoy

2846

01:32:06,390 --> 01:32:05,040

you know like photography

2847

01:32:08,310 --> 01:32:06,400

yeah

2848

01:32:10,070 --> 01:32:08,320

i have in my head was like i'm gonna

2849

01:32:11,510 --> 01:32:10,080

take equipment with me

2850

01:32:13,270 --> 01:32:11,520

and then like

2851

01:32:15,350 --> 01:32:13,280

i decided it was like i think it was a

2852

01:32:16,950 --> 01:32:15,360

month maybe less than that i was like no

2853

01:32:18,790 --> 01:32:16,960

you know what i was like what what could

2854

01:32:19,990 --> 01:32:18,800

i ever see or capture that he hasn't

2855

01:32:21,910 --> 01:32:20,000

already tried to share so i was like

2856

01:32:24,149 --> 01:32:21,920

honestly i would just go there for

2857

01:32:26,390 --> 01:32:24,159

solely completely just my own individual

2858

01:32:27,510 --> 01:32:26,400

like just open whatever happens and

2859

01:32:29,030 --> 01:32:27,520

that's more and more what i've gone

2860

01:32:30,550 --> 01:32:29,040

through is like i don't need to prove

2861

01:32:32,310 --> 01:32:30,560

anything to anybody else anymore as much

2862

01:32:34,709 --> 01:32:32,320

as i'd like to do that

2863

01:32:36,550 --> 01:32:34,719

that kind of stuff it's just i feel like

2864

01:32:38,950 --> 01:32:36,560

it's it's the spirit walk right it's a

2865

01:32:41,510 --> 01:32:38,960

very personal like you go and experience

2866

01:32:42,870 --> 01:32:41,520

this thing and um

2867

01:32:44,870 --> 01:32:42,880

who knows what will happen who knows if

2868

01:32:45,830 --> 01:32:44,880

we're able to go or not so

2869

01:32:48,310 --> 01:32:45,840

i always wonder what would happen if

2870

01:32:50,870 --> 01:32:48,320

somebody did like a dmt there or like at

2871

01:32:52,470 --> 01:32:50,880

a skin walker ranch or something

2872

01:32:53,510 --> 01:32:52,480

yeah because specifically they say with

2873

01:32:54,709 --> 01:32:53,520

the then i don't want to speak for them

2874

01:32:56,390 --> 01:32:54,719

because i don't know all of their family

2875

01:32:57,910 --> 01:32:56,400

history but the blessos i i don't know

2876

01:32:59,590 --> 01:32:57,920

if like

2877

01:33:00,550 --> 01:32:59,600

if it would be an option for them or not

2878

01:33:02,550 --> 01:33:00,560

you know what i mean for them like if

2879

01:33:03,910 --> 01:33:02,560

they've experienced that or tried to

2880

01:33:05,430 --> 01:33:03,920

yeah oh yeah because they have a pretty

2881

01:33:07,270 --> 01:33:05,440

religious background too so i imagine

2882

01:33:09,590 --> 01:33:07,280

that dmt wasn't probably on the table

2883

01:33:11,510 --> 01:33:09,600

every day

2884

01:33:13,510 --> 01:33:11,520

hang out but again i can't make that

2885

01:33:14,629 --> 01:33:13,520

fair assessment i'm not that close with

2886

01:33:17,110 --> 01:33:14,639

them to know

2887

01:33:18,790 --> 01:33:17,120

um but yeah i i definitely think that

2888

01:33:20,470 --> 01:33:18,800

there are those

2889

01:33:22,470 --> 01:33:20,480

so for you for a case like that with the

2890

01:33:24,629 --> 01:33:22,480

with the bledsoe family and for those

2891

01:33:26,629 --> 01:33:24,639

who don't know in a nutshell

2892

01:33:28,470 --> 01:33:26,639

that's a big nutshell yeah we're trying

2893

01:33:30,149 --> 01:33:28,480

to encapsulate that

2894

01:33:31,669 --> 01:33:30,159

mr bledsoe had

2895

01:33:33,669 --> 01:33:31,679

an experience you could say or an

2896

01:33:34,629 --> 01:33:33,679

abduction experience um quite a few

2897

01:33:38,950 --> 01:33:34,639

years ago

2898

01:33:40,790 --> 01:33:38,960

and from that started having um

2899

01:33:43,750 --> 01:33:40,800

some pretty profound

2900

01:33:45,669 --> 01:33:43,760

uh experiences afterwards

2901

01:33:47,430 --> 01:33:45,679

as well as on his property and his

2902

01:33:50,229 --> 01:33:47,440

family members and then there was kind

2903

01:33:51,669 --> 01:33:50,239

of a smear campaign you could say if you

2904

01:33:54,070 --> 01:33:51,679

base it off what they've said and if you

2905

01:33:55,990 --> 01:33:54,080

look at that documentary

2906

01:33:57,830 --> 01:33:56,000

i could kind of see how it was laid out

2907

01:33:59,510 --> 01:33:57,840

that way because he basically didn't

2908

01:34:01,750 --> 01:33:59,520

play ball there were certain entities

2909

01:34:03,270 --> 01:34:01,760

within again going back to three letter

2910

01:34:04,470 --> 01:34:03,280

agencies we were like hey you need to

2911

01:34:06,310 --> 01:34:04,480

work with us we want to know what you

2912

01:34:07,590 --> 01:34:06,320

know because clearly and that tells you

2913

01:34:09,590 --> 01:34:07,600

right there that they don't know they

2914

01:34:11,270 --> 01:34:09,600

don't have this figured out they cannot

2915

01:34:14,149 --> 01:34:11,280

figure out a way to actually communicate

2916

01:34:15,350 --> 01:34:14,159

they need experiencers to be able to

2917

01:34:16,470 --> 01:34:15,360

that is the link and that's one of the

2918

01:34:18,870 --> 01:34:16,480

things that like joel penn have always

2919

01:34:21,830 --> 01:34:18,880

preached is like you guys might not like

2920

01:34:23,910 --> 01:34:21,840

it but you do need experiencers they

2921

01:34:25,910 --> 01:34:23,920

kind of are a big key to this whole

2922

01:34:27,830 --> 01:34:25,920

puzzle if even the cia and other

2923

01:34:29,110 --> 01:34:27,840

entities are coming to them going

2924

01:34:30,310 --> 01:34:29,120

what do you think we should do what is

2925

01:34:31,590 --> 01:34:30,320

the next move

2926  
01:34:33,110 --> 01:34:31,600  
that should tell you everything you need

2927  
01:34:34,790 --> 01:34:33,120  
to know right there like yeah it's kind

2928  
01:34:35,669 --> 01:34:34,800  
of crazy that people still scoff and

2929  
01:34:37,189 --> 01:34:35,679  
like

2930  
01:34:38,790 --> 01:34:37,199  
there's a way to handle it right because

2931  
01:34:40,550 --> 01:34:38,800  
you don't want to believe everything

2932  
01:34:42,310 --> 01:34:40,560  
but i feel like living in a world where

2933  
01:34:44,390 --> 01:34:42,320  
like now we know that like

2934  
01:34:45,510 --> 01:34:44,400  
if somebody saw a ufo in 2005 we would

2935  
01:34:47,990 --> 01:34:45,520  
have called them crazy if they're in the

2936  
01:34:49,590 --> 01:34:48,000  
navy but now it's like cool it's like

2937  
01:34:50,470 --> 01:34:49,600  
one would think that we could like

2938  
01:34:52,870 --> 01:34:50,480

think

2939

01:34:54,070 --> 01:34:52,880

okay well maybe some of those

2940

01:34:55,669 --> 01:34:54,080

experiences people have been claiming

2941

01:34:56,709 --> 01:34:55,679

are real and maybe we don't have to

2942

01:34:57,669 --> 01:34:56,719

believe all of them but we should at

2943

01:34:59,030 --> 01:34:57,679

least

2944

01:35:00,390 --> 01:34:59,040

be respectful

2945

01:35:02,310 --> 01:35:00,400

and stuff but

2946

01:35:03,270 --> 01:35:02,320

who knows maybe i it's going to be a

2947

01:35:05,189 --> 01:35:03,280

while it's going to be we're in a

2948

01:35:06,390 --> 01:35:05,199

multi-year

2949

01:35:09,270 --> 01:35:06,400

uh

2950

01:35:11,189 --> 01:35:09,280

process i think so we'll see

2951

01:35:12,950 --> 01:35:11,199

and like i said for me i

2952

01:35:14,310 --> 01:35:12,960

in the beginning was very much so like i

2953

01:35:16,310 --> 01:35:14,320

gotta have all the paperwork i gotta

2954

01:35:18,310 --> 01:35:16,320

have like everything never mess uh never

2955

01:35:20,709 --> 01:35:18,320

trip a word up and all of that and now

2956

01:35:22,870 --> 01:35:20,719

it's definitely come more into

2957

01:35:24,470 --> 01:35:22,880

realizing that everybody's just at these

2958

01:35:26,950 --> 01:35:24,480

going back to i guess we could go for

2959

01:35:28,149 --> 01:35:26,960

circle back to it um you know mr

2960

01:35:30,149 --> 01:35:28,159

mittell talked about in that clip that

2961

01:35:32,070 --> 01:35:30,159

we played earlier or excuse me edgar

2962

01:35:34,629 --> 01:35:32,080

mittell there with the idea that we're

2963

01:35:36,870 --> 01:35:34,639

all connected and realizing that in that

2964

01:35:38,870 --> 01:35:36,880

we're all at different levels of this

2965

01:35:39,990 --> 01:35:38,880

experience and whatever it might be and

2966

01:35:41,750 --> 01:35:40,000

also

2967

01:35:43,830 --> 01:35:41,760

your experience might and life path

2968

01:35:45,910 --> 01:35:43,840

could totally be different than what

2969

01:35:48,870 --> 01:35:45,920

mine's gonna be so i don't have to make

2970

01:35:51,109 --> 01:35:48,880

you see things from my point of view

2971

01:35:53,270 --> 01:35:51,119

allow you to experience what you are

2972

01:35:55,350 --> 01:35:53,280

here to to do or if you believe how you

2973

01:35:57,830 --> 01:35:55,360

believe on that and just let you kind of

2974

01:36:00,629 --> 01:35:57,840

experience that i don't need to force my

2975

01:36:02,629 --> 01:36:00,639

interpretation or idea of this onto you

2976

01:36:04,390 --> 01:36:02,639

and i'm just trying to i guess that's

2977

01:36:05,750 --> 01:36:04,400

where we joke we're riding the the waves

2978

01:36:07,430 --> 01:36:05,760

of the cosmo

2979

01:36:08,870 --> 01:36:07,440

is because i'm just enjoying the journey

2980

01:36:10,629 --> 01:36:08,880

at this point and kind of enjoying the

2981

01:36:12,470 --> 01:36:10,639

idea that i probably will never know

2982

01:36:14,229 --> 01:36:12,480

until whatever the

2983

01:36:15,910 --> 01:36:14,239

next step is whatever the next cycle or

2984

01:36:17,109 --> 01:36:15,920

the next thing is after we pass on from

2985

01:36:18,870 --> 01:36:17,119

here

2986

01:36:21,109 --> 01:36:18,880

probably not gonna know right i get an

2987

01:36:22,950 --> 01:36:21,119

idea but i don't think we can yeah

2988

01:36:25,109 --> 01:36:22,960

come to the conclusion that like

2989

01:36:29,189 --> 01:36:25,119

we probably won't know much more maybe

2990

01:36:31,990 --> 01:36:30,629

interesting comment from john here by

2991

01:36:33,750 --> 01:36:32,000

the way thank you john for being here

2992

01:36:35,590 --> 01:36:33,760

tonight says at ufo garage you think

2993

01:36:37,189 --> 01:36:35,600

maybe the non-humans could be more

2994

01:36:38,870 --> 01:36:37,199

reluctant to make contact with

2995

01:36:40,629 --> 01:36:38,880

government people because they prefer to

2996

01:36:43,669 --> 01:36:40,639

make contact with people who have true

2997

01:36:45,270 --> 01:36:43,679

positive genuine intentions

2998

01:36:46,709 --> 01:36:45,280

that could be

2999

01:36:48,149 --> 01:36:46,719

um

3000

01:36:49,350 --> 01:36:48,159

i mean we'll go ahead red what are your

3001

01:36:51,750 --> 01:36:49,360

thoughts on that

3002

01:36:53,430 --> 01:36:51,760

um maybe but also just like whenever i

3003

01:36:54,709 --> 01:36:53,440

talk about like this kind of subject i

3004

01:36:56,149 --> 01:36:54,719

always just like to think of it through

3005

01:36:57,270 --> 01:36:56,159

the lens too that like these things i

3006

01:36:59,910 --> 01:36:57,280

think can

3007

01:37:02,390 --> 01:36:59,920

manipulate what we see and feel

3008

01:37:04,149 --> 01:37:02,400

so even if person a is claiming to have

3009

01:37:06,149 --> 01:37:04,159

like totally positive experiences we

3010

01:37:07,590 --> 01:37:06,159

might not even be sure of that and also

3011

01:37:09,350 --> 01:37:07,600

who knows maybe the government is

3012

01:37:12,149 --> 01:37:09,360

talking to some of these things i

3013

01:37:13,830 --> 01:37:12,159

wouldn't be surprised yeah me at all

3014

01:37:16,629 --> 01:37:13,840

i think if there are multi

3015

01:37:19,510 --> 01:37:16,639

species out there or

3016

01:37:21,669 --> 01:37:19,520

john hudson uh who who does the unbiased

3017

01:37:23,030 --> 01:37:21,679

ufo report with dave scott over there

3018

01:37:24,709 --> 01:37:23,040

has mentioned a couple times that

3019

01:37:25,830 --> 01:37:24,719

they're the supposed and i can't

3020

01:37:27,990 --> 01:37:25,840

remember the name of the story he was

3021

01:37:31,030 --> 01:37:28,000

recalling but in a nutshell was saying

3022

01:37:32,629 --> 01:37:31,040

that we have tried to deal since roswell

3023

01:37:35,590 --> 01:37:32,639

with several different

3024

01:37:37,270 --> 01:37:35,600

um species of of other you know races

3025

01:37:39,430 --> 01:37:37,280

out there in the universe

3026

01:37:41,109 --> 01:37:39,440

and each one is kind of promised the you

3027

01:37:42,310 --> 01:37:41,119

know like oh yeah we totally got you

3028

01:37:43,669 --> 01:37:42,320

this is you don't want to work with

3029

01:37:46,149 --> 01:37:43,679

these guys and that we kind of keep

3030

01:37:47,910 --> 01:37:46,159

moving on to the next group

3031

01:37:50,149 --> 01:37:47,920

who knows i mean that's all great and

3032

01:37:51,910 --> 01:37:50,159

fantastical speculation but at the same

3033

01:37:53,830 --> 01:37:51,920

time it doesn't i guess seem that far of

3034

01:37:55,910 --> 01:37:53,840

the realm the possibility

3035

01:37:57,270 --> 01:37:55,920

john also says uh in continuation was

3036

01:37:59,830 --> 01:37:57,280

last question about the genuine

3037

01:38:01,109 --> 01:37:59,840

intentions he said or because they know

3038

01:38:03,030 --> 01:38:01,119

everything we're thinking since they're

3039

01:38:05,109 --> 01:38:03,040

telepathic so they know the military

3040

01:38:06,790 --> 01:38:05,119

wants to stop them i mean if nothing

3041

01:38:08,709 --> 01:38:06,800

else the military does have to make it a

3042

01:38:09,750 --> 01:38:08,719

threat right the dod that's how they

3043

01:38:11,910 --> 01:38:09,760

make their living that's how they make

3044

01:38:13,750 --> 01:38:11,920

their money i mean if you threw a cute

3045

01:38:16,550 --> 01:38:13,760

little puppy at them they'd figure out a

3046

01:38:18,550 --> 01:38:16,560

way to arm it and weaponize it and then

3047

01:38:20,229 --> 01:38:18,560

sell it back to us as a as a threat to

3048

01:38:22,550 --> 01:38:20,239

get more money so

3049

01:38:23,990 --> 01:38:22,560

that's kind of what they do

3050

01:38:25,189 --> 01:38:24,000

you know

3051

01:38:27,270 --> 01:38:25,199

i think too

3052

01:38:28,390 --> 01:38:27,280

um and john and i he's talked about this

3053

01:38:29,910 --> 01:38:28,400

i'm sure you've heard him say it the

3054

01:38:31,750 --> 01:38:29,920

idea amount of missing people that go

3055

01:38:32,870 --> 01:38:31,760

missing every year right oh yeah missing

3056

01:38:35,669 --> 01:38:32,880

forms

3057

01:38:37,030 --> 01:38:35,679

i think it's all connected

3058

01:38:38,470 --> 01:38:37,040

like you think bigfoot's real too and

3059

01:38:40,629 --> 01:38:38,480

it's all connected

3060

01:38:42,550 --> 01:38:40,639

i it's something that's the thing though

3061

01:38:44,470 --> 01:38:42,560

right if it's all connected which people

3062

01:38:47,109 --> 01:38:44,480

get i'm glad to see that even since i

3063

01:38:48,310 --> 01:38:47,119

got into this like i said 2019-ish give

3064

01:38:49,510 --> 01:38:48,320

or take i might always been kind of

3065

01:38:52,229 --> 01:38:49,520

interested but like actually trying to

3066

01:38:53,910 --> 01:38:52,239

really get into it and pay attention

3067

01:38:55,350 --> 01:38:53,920

and even it then it started to break

3068

01:38:57,109 --> 01:38:55,360

down a little bit but there still was

3069

01:38:59,830 --> 01:38:57,119

the kind of encampments of like this is

3070

01:39:01,430 --> 01:38:59,840

a big foot camp this is the ufo camp and

3071

01:39:02,149 --> 01:39:01,440

then even within those camps there was

3072

01:39:03,669 --> 01:39:02,159

like

3073

01:39:05,669 --> 01:39:03,679

breakdown and it's still going on but

3074

01:39:07,350 --> 01:39:05,679

there'd be breakdown of like well this

3075

01:39:08,950 --> 01:39:07,360

is the the

3076

01:39:10,470 --> 01:39:08,960

you know like a what they call the skunk

3077

01:39:11,590 --> 01:39:10,480

ape version or like they'd have

3078

01:39:12,550 --> 01:39:11,600

different types of like well what if

3079

01:39:14,870 --> 01:39:12,560

it's just

3080

01:39:16,709 --> 01:39:14,880

like you said that the idea

3081

01:39:17,590 --> 01:39:16,719

that if they can manipulate what you're

3082

01:39:21,510 --> 01:39:17,600

seeing

3083

01:39:23,270 --> 01:39:21,520

it doesn't that's why to me i don't care

3084

01:39:24,470 --> 01:39:23,280

personally as much of what the person's

3085

01:39:26,470 --> 01:39:24,480

seen even though i love hearing those

3086

01:39:27,590 --> 01:39:26,480

stories i care about have they had an

3087

01:39:29,189 --> 01:39:27,600

experience

3088

01:39:32,550 --> 01:39:29,199

because if that thing can project itself

3089

01:39:34,310 --> 01:39:32,560

as an owl a deer a bigfoot whatever it

3090

01:39:36,470 --> 01:39:34,320

projects itself to you as another human

3091

01:39:39,109 --> 01:39:36,480

being maybe even a loved one

3092

01:39:41,510 --> 01:39:39,119

it doesn't really matter so much as you

3093

01:39:43,590 --> 01:39:41,520

had an experience you cannot explain

3094

01:39:45,910 --> 01:39:43,600

that's the important thing

3095

01:39:47,830 --> 01:39:45,920

um i think sometimes we kind of

3096

01:39:49,590 --> 01:39:47,840

nitpick the idea of the details of the

3097

01:39:50,550 --> 01:39:49,600

stories and it's like yeah but at the

3098

01:39:51,750 --> 01:39:50,560

end of the day you still agree an

3099

01:39:53,590 --> 01:39:51,760

experience that

3100

01:39:55,189 --> 01:39:53,600

took place so like that should be the

3101

01:39:58,070 --> 01:39:55,199

focal point not

3102

01:39:59,669 --> 01:39:58,080

maybe the aesthetics to that

3103

01:40:01,430 --> 01:39:59,679

um oh i know what were you saying

3104

01:40:03,590 --> 01:40:01,440

earlier too i feel like the when someone

3105

01:40:05,430 --> 01:40:03,600

said this in chat was like the woo

3106

01:40:07,030 --> 01:40:05,440

barrier is being broken down and to me

3107

01:40:09,109 --> 01:40:07,040

it seems like it is like the gila brand

3108

01:40:10,709 --> 01:40:09,119

has a language about

3109

01:40:12,790 --> 01:40:10,719

physical effects which like you wouldn't

3110

01:40:13,990 --> 01:40:12,800

really think of from the three videos

3111

01:40:15,270 --> 01:40:14,000

that were released right so there's

3112

01:40:17,030 --> 01:40:15,280

definitely something going on in those

3113

01:40:18,229 --> 01:40:17,040

briefings that made her say that and

3114

01:40:20,950 --> 01:40:18,239

then all this stuff about havana

3115

01:40:22,470 --> 01:40:20,960

syndrome it pretty much seems to me like

3116

01:40:24,229 --> 01:40:22,480

woe to me

3117

01:40:25,669 --> 01:40:24,239

i think they were a few years away from

3118

01:40:28,390 --> 01:40:25,679

them telling us it's like related to

3119

01:40:29,830 --> 01:40:28,400

ufos but maybe not which would almost

3120

01:40:31,270 --> 01:40:29,840

date back to some of the consciousness

3121

01:40:33,270 --> 01:40:31,280

stuff right but before we get to that

3122

01:40:35,030 --> 01:40:33,280

really quick tammy says the breakdown

3123

01:40:36,629 --> 01:40:35,040

will continue but the coming together is

3124

01:40:38,310 --> 01:40:36,639

getting much stronger

3125

01:40:39,750 --> 01:40:38,320

i do agree with that i do agree that a

3126

01:40:41,750 --> 01:40:39,760

lot of people are

3127

01:40:43,030 --> 01:40:41,760

looking past their differences like i we

3128

01:40:44,070 --> 01:40:43,040

have a great group of people we hang out

3129

01:40:46,709 --> 01:40:44,080

with matterhorn we'll be hanging out

3130

01:40:48,950 --> 01:40:46,719

later tonight um and

3131

01:40:51,830 --> 01:40:48,960

we don't all see eye to eye for sure but

3132

01:40:53,590 --> 01:40:51,840

we we recognize that

3133

01:40:55,350 --> 01:40:53,600

this thing as a whole

3134

01:40:56,629 --> 01:40:55,360

is more important than our little

3135

01:40:58,229 --> 01:40:56,639

differences that

3136

01:40:59,510 --> 01:40:58,239

we don't perfectly agree on this one

3137

01:41:00,950 --> 01:40:59,520

thing whatever

3138

01:41:02,310 --> 01:41:00,960

that makes it fun to like throw the

3139

01:41:03,750 --> 01:41:02,320

ideas back and forth right if we all

3140

01:41:05,030 --> 01:41:03,760

just sat in the room together like yup

3141

01:41:06,790 --> 01:41:05,040

it'd be like the most boring

3142

01:41:08,550 --> 01:41:06,800

conversation do you believe this we're

3143

01:41:10,229 --> 01:41:08,560

like yes all right and especially when

3144

01:41:12,709 --> 01:41:10,239

people want to do it when people want to

3145

01:41:14,310 --> 01:41:12,719

make these divides along like political

3146

01:41:15,669 --> 01:41:14,320

and social lines that really haven't

3147

01:41:17,669 --> 01:41:15,679

existed

3148

01:41:19,669 --> 01:41:17,679

at the level they're existing now until

3149

01:41:21,270 --> 01:41:19,679

like the 2010s

3150

01:41:22,790 --> 01:41:21,280

and it's like this phenomenon goes back

3151  
01:41:25,189 --> 01:41:22,800  
potentially thousands of years and you

3152  
01:41:26,790 --> 01:41:25,199  
want to constrict yourself to these like

3153  
01:41:28,870 --> 01:41:26,800  
classification systems we just barely

3154  
01:41:29,830 --> 01:41:28,880  
created when discussing this it's like

3155  
01:41:31,510 --> 01:41:29,840  
nah

3156  
01:41:33,830 --> 01:41:31,520  
that's what always has bothered me even

3157  
01:41:35,189 --> 01:41:33,840  
with like on our old show that i did my

3158  
01:41:37,510 --> 01:41:35,199  
brother back in it was called banned

3159  
01:41:39,830 --> 01:41:37,520  
bearded brothers it was b.o.b.b there

3160  
01:41:41,350 --> 01:41:39,840  
was a short acronym for it and he he

3161  
01:41:43,270 --> 01:41:41,360  
covered the political side of things

3162  
01:41:45,189 --> 01:41:43,280  
that's where his that's his uh

3163  
01:41:47,350 --> 01:41:45,199

wheelhouse and he's really good at it

3164

01:41:49,030 --> 01:41:47,360

and i would give opinions on it but i

3165

01:41:50,629 --> 01:41:49,040

wasn't married to anything and the only

3166

01:41:52,950 --> 01:41:50,639

reason i really get involved with it is

3167

01:41:55,270 --> 01:41:52,960

because when covering the ufo phenomenon

3168

01:41:56,790 --> 01:41:55,280

or any of the phenomena

3169

01:41:58,870 --> 01:41:56,800

including like the stuff that happened

3170

01:42:01,109 --> 01:41:58,880

over the outlook pass and all that

3171

01:42:03,270 --> 01:42:01,119

there's us documentation on like how to

3172

01:42:05,669 --> 01:42:03,280

deal with the yeti like that's a real

3173

01:42:07,590 --> 01:42:05,679

document that they put off

3174

01:42:09,430 --> 01:42:07,600

yeah so like for me

3175

01:42:11,350 --> 01:42:09,440

that's where it's cool like i'll involve

3176

01:42:13,270 --> 01:42:11,360

the government um excuse me politics up

3177

01:42:15,350 --> 01:42:13,280

to those points because whether we like

3178

01:42:17,910 --> 01:42:15,360

it or not they are involved

3179

01:42:19,669 --> 01:42:17,920

um but not to get married to one or the

3180

01:42:22,149 --> 01:42:19,679

other because like

3181

01:42:24,229 --> 01:42:22,159

it's all at the end of the day

3182

01:42:25,430 --> 01:42:24,239

they teach their own but it's it's like

3183

01:42:27,109 --> 01:42:25,440

it's just that other piece of the

3184

01:42:30,070 --> 01:42:27,119

illusion that sits there and we're like

3185

01:42:32,229 --> 01:42:30,080

we think it matters so much

3186

01:42:33,830 --> 01:42:32,239

i mean it does matter we have to play by

3187

01:42:35,030 --> 01:42:33,840

the rules a little bit but like at the

3188

01:42:39,030 --> 01:42:35,040

end of the day

3189

01:42:40,629 --> 01:42:39,040

it's just all kind of fake you know like

3190

01:42:41,990 --> 01:42:40,639

there's so much of this once like i

3191

01:42:43,669 --> 01:42:42,000

think we go another hundred years people

3192

01:42:45,510 --> 01:42:43,679

are gonna look back at the rules and how

3193

01:42:47,750 --> 01:42:45,520

we operated our everyday life and be

3194

01:42:49,430 --> 01:42:47,760

like yeah it's gonna be so weird i think

3195

01:42:50,709 --> 01:42:49,440

it's just look at how look at humans

3196

01:42:52,310 --> 01:42:50,719

learning how to live with the internet

3197

01:42:54,390 --> 01:42:52,320

for the first time and all these like

3198

01:42:55,590 --> 01:42:54,400

stimulus that they're getting look at

3199

01:42:56,870 --> 01:42:55,600

how they act

3200

01:42:58,070 --> 01:42:56,880

um what does it say oh but i think your

3201  
01:42:59,510 --> 01:42:58,080  
brother will like my next video because

3202  
01:43:01,270 --> 01:42:59,520  
it has a lot of statements from like

3203  
01:43:03,510 --> 01:43:01,280  
active politicians

3204  
01:43:05,510 --> 01:43:03,520  
uh oh because this past like the last

3205  
01:43:07,109 --> 01:43:05,520  
half of 2021 there was just so much

3206  
01:43:09,189 --> 01:43:07,119  
being said by so many people compared to

3207  
01:43:11,430 --> 01:43:09,199  
like the previous three or four years

3208  
01:43:13,189 --> 01:43:11,440  
so send it to him hopefully we can uh

3209  
01:43:15,189 --> 01:43:13,199  
red pill your brother and then

3210  
01:43:17,189 --> 01:43:15,199  
pretty soon he'll uh be all obsessed

3211  
01:43:18,950 --> 01:43:17,199  
about this stuff like we are oh he's

3212  
01:43:20,950 --> 01:43:18,960  
he's he's trying to become and i we

3213  
01:43:22,550 --> 01:43:20,960

haven't even really given up

3214

01:43:23,910 --> 01:43:22,560

an opinion or excuse me a statement

3215

01:43:25,669 --> 01:43:23,920

about why we've even stopped in the show

3216

01:43:27,270 --> 01:43:25,679

he's out becoming a millionaire guys and

3217

01:43:28,870 --> 01:43:27,280

i'm all for supporting him on it he's

3218

01:43:32,229 --> 01:43:28,880

he's in the crypto game hardcore he's

3219

01:43:34,950 --> 01:43:32,239

just daily trading oh he goes hard

3220

01:43:36,629 --> 01:43:34,960

um so i i you know if he needed time off

3221

01:43:37,910 --> 01:43:36,639

between the work and everything i'm all

3222

01:43:39,030 --> 01:43:37,920

for that i told him so you can go do

3223

01:43:41,270 --> 01:43:39,040

that for a couple years or a year or

3224

01:43:43,510 --> 01:43:41,280

whatever we get retired we can do this

3225

01:43:44,390 --> 01:43:43,520

full time let's go you know

3226

01:43:47,030 --> 01:43:44,400

um

3227

01:43:47,910 --> 01:43:47,040

let's see really quick too

3228

01:43:50,070 --> 01:43:47,920

uh

3229

01:43:55,669 --> 01:43:50,080

last chat check integrity oh my gosh

3230

01:43:59,030 --> 01:43:57,270

america

3231

01:44:00,470 --> 01:43:59,040

that's i mean you can you know it can be

3232

01:44:01,830 --> 01:44:00,480

what you want it to be

3233

01:44:04,709 --> 01:44:01,840

um

3234

01:44:06,790 --> 01:44:04,719

jim good over there said i've always

3235

01:44:07,830 --> 01:44:06,800

tried to not conform and play outside

3236

01:44:10,390 --> 01:44:07,840

the lines

3237

01:44:12,310 --> 01:44:10,400

good for you i i do respect that i think

3238

01:44:14,790 --> 01:44:12,320

there's a respectable way to be i mean

3239

01:44:17,590 --> 01:44:14,800

yeah blowing the whistle on the sr-71

3240

01:44:21,590 --> 01:44:19,910

it was pretty big screw your lines it

3241

01:44:23,270 --> 01:44:21,600

was pretty big deal

3242

01:44:25,510 --> 01:44:23,280

um let's see one last question here

3243

01:44:27,189 --> 01:44:25,520

really quick from coin exchange says at

3244

01:44:30,950 --> 01:44:27,199

red panda koala have you had any

3245

01:44:33,189 --> 01:44:30,960

paranormal encounters or eet encounters

3246

01:44:34,870 --> 01:44:33,199

yeah paranormal

3247

01:44:37,590 --> 01:44:34,880

no fortunately i don't think i've had

3248

01:44:38,709 --> 01:44:37,600

anything much strange happen

3249

01:44:39,510 --> 01:44:38,719

uh

3250

01:44:40,870 --> 01:44:39,520

yeah

3251

01:44:41,910 --> 01:44:40,880

knock on woods

3252

01:44:43,350 --> 01:44:41,920

there we go

3253

01:44:45,109 --> 01:44:43,360

i will share this one more time across

3254

01:44:47,270 --> 01:44:45,119

all the platforms again guys if you are

3255

01:44:49,270 --> 01:44:47,280

listening back i have everything in the

3256

01:44:51,430 --> 01:44:49,280

show notes here i did hear one person

3257

01:44:53,590 --> 01:44:51,440

let me know i believe tammy and carol

3258

01:44:54,870 --> 01:44:53,600

let me know earlier that the

3259

01:44:57,350 --> 01:44:54,880

youtube

3260

01:44:58,950 --> 01:44:57,360

uh link might have been different

3261

01:45:00,950 --> 01:44:58,960

if that is the case i will make sure i

3262

01:45:02,310 --> 01:45:00,960

take care of that before tonight is out

3263

01:45:03,270 --> 01:45:02,320

for you guys and i'll get that update i

3264

01:45:05,270 --> 01:45:03,280

could probably even update it while

3265

01:45:06,790 --> 01:45:05,280

we're getting ready and the show here

3266

01:45:07,990 --> 01:45:06,800

um really quickly little red thank you

3267

01:45:09,590 --> 01:45:08,000

so much for coming on hanging out

3268

01:45:11,669 --> 01:45:09,600

tonight um

3269

01:45:12,950 --> 01:45:11,679

and you know essentially just spending a

3270

01:45:14,229 --> 01:45:12,960

couple hours with me i really appreciate

3271

01:45:15,109 --> 01:45:14,239

that we're able to have a conversation

3272

01:45:16,870 --> 01:45:15,119

and

3273

01:45:18,470 --> 01:45:16,880

uh hopefully you enjoyed your time is

3274

01:45:20,229 --> 01:45:18,480

there anything you'd like to add for

3275

01:45:21,669 --> 01:45:20,239

anybody at the end here far as just a

3276

01:45:23,910 --> 01:45:21,679

general opinion or things you've got

3277

01:45:25,189 --> 01:45:23,920

coming up no people know about just yeah

3278

01:45:26,790 --> 01:45:25,199

i have more videos coming up i'm gonna

3279

01:45:28,070 --> 01:45:26,800

start doing interviews and stuff but

3280

01:45:30,870 --> 01:45:28,080

yeah thanks for having me on i like your

3281

01:45:33,510 --> 01:45:30,880

show i like what you guys do uh ufo

3282

01:45:35,270 --> 01:45:33,520

garage and the big willy van i've seen a

3283

01:45:36,390 --> 01:45:35,280

bunch of these streams you know i think

3284

01:45:37,750 --> 01:45:36,400

uh i'm definitely one of the people

3285

01:45:39,590 --> 01:45:37,760

who's like a

3286

01:45:41,510 --> 01:45:39,600

like in all the different stream chats

3287

01:45:42,629 --> 01:45:41,520

you know because i'm like like

3288

01:45:44,149 --> 01:45:42,639

we're at that level like we're so

3289

01:45:45,669 --> 01:45:44,159

obsessed with it we just always need to

3290

01:45:46,790 --> 01:45:45,679

be like listening to someone talk about

3291

01:45:49,350 --> 01:45:46,800

it so

3292

01:45:51,030 --> 01:45:49,360

yeah i kind of i'm proud of everyone

3293

01:45:52,470 --> 01:45:51,040

doing doing their thing

3294

01:45:54,550 --> 01:45:52,480

i don't know if it's healthy or not but

3295

01:45:55,830 --> 01:45:54,560

we definitely do it so

3296

01:45:57,510 --> 01:45:55,840

we all just go to the same streams

3297

01:45:59,430 --> 01:45:57,520

together but yeah

3298

01:46:01,109 --> 01:45:59,440

it's the only way to do it i guess right

3299

01:46:03,030 --> 01:46:01,119

all right oh i forgot because we're

3300

01:46:04,629 --> 01:46:03,040

broadcasting i can't change it that's

3301

01:46:06,310 --> 01:46:04,639

okay i will update that after we've

3302

01:46:08,390 --> 01:46:06,320

ended the show so no matter what though

3303

01:46:09,750 --> 01:46:08,400

guys it will be in there for you

3304

01:46:11,830 --> 01:46:09,760

once you listen back to this and for

3305

01:46:14,390 --> 01:46:11,840

those that are in the chat so guys as i

3306

01:46:17,030 --> 01:46:14,400

always say when signing off we'll ask

3307

01:46:20,140 --> 01:46:17,040

you all to please stay curious

3308

01:46:56,550 --> 01:46:20,150

and keep it weird

3309

01:47:00,220 --> 01:46:58,709

[Music]

3310

01:47:08,580 --> 01:47:00,230

so
