1
00:00:04,230 --> 00:00:02,149
so mine's i mean i guess mine's not as

2
00:00:05,590 --> 00:00:04,240
heavy it could be heavy if you wanted it

3
00:00:07,590 --> 00:00:05,600
to be though lou

4
00:00:09,509 --> 00:00:07,600
it's kind of just uh throughout this

5
00:00:11,430 --> 00:00:09,519
whole process this whole thing i mean i

6
00:00:13,509 --> 00:00:11,440
know you've you said you know you like

7
00:00:16,390 --> 00:00:13,519
getting to talk to people and stuff like

8
00:00:18,230 --> 00:00:16,400
that but what is one of the

9
00:00:20,150 --> 00:00:18,240
it doesn't even have to be like uap

10
00:00:21,710 --> 00:00:20,160
related or anything what has been one of

11
00:00:24,630 --> 00:00:21,720
your favorite

12
00:00:26,390 --> 00:00:24,640
experiences uh just in general through

13
00:00:28,950 --> 00:00:26,400

just getting to meet all these people

14

00:00:30,630 --> 00:00:28,960

and talk to different people

15

00:00:33,750 --> 00:00:30,640

not getting to talk to people i mean

16

00:00:35,590 --> 00:00:33,760

like what what's i mean

17

00:00:38,229 --> 00:00:35,600

what's been your favorite thing so far i

18

00:00:40,549 --> 00:00:38,239

guess the greatest experience of my life

19

00:00:42,790 --> 00:00:40,559

has been that of a father

20

00:00:44,630 --> 00:00:42,800

that has that is a culmination of

21

00:00:46,790 --> 00:00:44,640

anything and everything i could ever

22

00:00:48,150 --> 00:00:46,800

ever hope to be um

23

00:00:49,830 --> 00:00:48,160

my my daughter's the greatest

24

00:00:51,189 --> 00:00:49,840

accomplishment of my life period full

25

00:00:52,869 --> 00:00:51,199

stop i'll never be able to achieve

26

00:00:55,029 --> 00:00:52,879

anything greater than that

27

00:00:56,709 --> 00:00:55,039

um i still look up to them they're

28

00:00:59,189 --> 00:00:56,719

they're my they're

29

00:01:00,869 --> 00:00:59,199

they're my biggest heroes um i almost

30

00:01:03,349 --> 00:01:00,879

lost my my youngest daughter during

31

00:01:04,390 --> 00:01:03,359

childbirth um and almost lost my wife

32

00:01:06,710 --> 00:01:04,400

too

33

00:01:08,149 --> 00:01:06,720

so i know what it is to to almost lose a

34

00:01:10,310 --> 00:01:08,159

loved one it was really touch and go

35

00:01:12,550 --> 00:01:10,320

there for a while um

36

00:01:14,230 --> 00:01:12,560

and um for me it's been it's been

37

00:01:16,950 --> 00:01:14,240

fatherhood you know i'm always learning

38

00:01:19,030 --> 00:01:16,960

something new now as far as ufo related

39

00:01:21,350 --> 00:01:19,040

um it's this it's interacting with with

40

00:01:23,749 --> 00:01:21,360

real people people who

41

00:01:25,590 --> 00:01:23,759

who want to share ideas

42

00:01:28,230 --> 00:01:25,600

people who want to improve other

43

00:01:30,710 --> 00:01:28,240

people's lives any way they can even if

44

00:01:32,069 --> 00:01:30,720

it's just a simple gesture or a hug or a

45

00:01:33,030 --> 00:01:32,079

handshake

46

00:01:34,710 --> 00:01:33,040

um

47

00:01:36,950 --> 00:01:34,720

you know i spent a good portion of my

48

00:01:39,670 --> 00:01:36,960

life in in a career field where

49

00:01:41,990 --> 00:01:39,680

you know one could argue your

50

00:01:43,749 --> 00:01:42,000

you're destroying human beings you know

51

00:01:44,870 --> 00:01:43,759

and you know i'm at a point in my life

52

00:01:46,149 --> 00:01:44,880

where i'd like to spend the rest of my
