1
00:00:06,450 --> 00:00:03,490
[Music]

2
00:00:08,230 --> 00:00:06,460
[Applause]

3
00:00:09,700 --> 00:00:08,240
[Music]

4
00:00:12,490 --> 00:00:09,710
okay

5
00:00:27,090 --> 00:00:12,500
[Applause]

6
00:00:32,069 --> 00:00:29,349
[Music]

7
00:00:33,990 --> 00:00:32,079
yeah this is another episode of ufo

8
00:00:36,069 --> 00:00:34,000
garage

9
00:00:40,069 --> 00:00:36,079
i'm ben and i'm joe and this is where we

10
00:00:41,750 --> 00:00:40,079
talk about ufos aliens and all things

11
00:00:43,350 --> 00:00:41,760
weird

12
00:00:44,470 --> 00:00:43,360
yeah

13
00:00:46,869 --> 00:00:44,480

i like it

14

00:00:49,830 --> 00:00:46,879

new setup it's funny how like

15

00:00:51,510 --> 00:00:49,840

every platform has a different like

16

00:00:53,189 --> 00:00:51,520

camera like

17

00:00:55,510 --> 00:00:53,199

you know view

18

00:00:57,830 --> 00:00:55,520

and it's like some of them are real tiny

19

00:00:59,349 --> 00:00:57,840

and so i gotta move it this way and then

20

00:01:02,229 --> 00:00:59,359

some of them are like

21

00:01:05,109 --> 00:01:02,239

real long and like squinty so you gotta

22

00:01:06,149 --> 00:01:05,119

and this one's like huge you see almost

23

00:01:09,030 --> 00:01:06,159

everything

24

00:01:11,109 --> 00:01:09,040

you can see my you can see my uh

25

00:01:13,510 --> 00:01:11,119

national championship texas wheaties box

26

00:01:15,270 --> 00:01:13,520

right there you see my horns

27

00:01:17,749 --> 00:01:15,280

you see my my little alien guys you see

28

00:01:21,830 --> 00:01:17,759

my van halen records oh yeah you see my

29

00:01:24,550 --> 00:01:23,350

i feel like i am discovering a lot more

30

00:01:28,469 --> 00:01:24,560

things about your room right now yeah

31

00:01:30,789 --> 00:01:28,479

dude yeah i've got the the astro kitty

32

00:01:33,749 --> 00:01:30,799

we still need to get that thing scanned

33

00:01:35,910 --> 00:01:33,759

uh and thrown on a t-shirt by the way

34

00:01:37,590 --> 00:01:35,920

i know it needs to happen

35

00:01:41,190 --> 00:01:37,600

fast

36

00:01:44,389 --> 00:01:41,200

heck yeah dude let's let's schedule it

37

00:01:46,069 --> 00:01:44,399

we'll schedule it for november 8th

38

00:01:47,190 --> 00:01:46,079

yeah does this sound good sounds great i

39

00:01:48,950 --> 00:01:47,200

don't know what day that is but yeah

40

00:01:50,389 --> 00:01:48,960

let's do it dude yeah it's always a good

41

00:01:53,270 --> 00:01:50,399

day i'm down

42

00:01:55,270 --> 00:01:53,280

hey guys it's another two topic tuesday

43

00:01:58,789 --> 00:01:55,280

uh it's gonna be a cool one we were

44

00:02:01,590 --> 00:01:58,799

sitting back uh hey alabama tide hey

45

00:02:04,230 --> 00:02:01,600

there's fighting words all right

46

00:02:05,830 --> 00:02:04,240

he said boot texas you missed it i think

47

00:02:08,229 --> 00:02:05,840

oh no

48

00:02:09,830 --> 00:02:08,239

yeah yeah ben knows i'm sensitive about

49

00:02:11,430 --> 00:02:09,840

that dude

50

00:02:14,869 --> 00:02:11,440

i'm just kidding but hey we were sitting

51

00:02:17,750 --> 00:02:14,879

backstage and uh

52

00:02:19,990 --> 00:02:17,760

looking at some pictures and immediately

53

00:02:22,710 --> 00:02:20,000

i was already like yep this is gonna be

54

00:02:24,710 --> 00:02:22,720

freaking awesome i can't wait

55

00:02:27,110 --> 00:02:24,720

you know i can't wait to get into this

56

00:02:29,430 --> 00:02:27,120

it's gonna be great yeah well so we we

57

00:02:31,670 --> 00:02:29,440

got a couple of emails uh come through

58

00:02:34,229 --> 00:02:31,680

we get we got a lot of great emails um

59

00:02:35,830 --> 00:02:34,239

uh we try to get listeners that submit

60

00:02:37,190 --> 00:02:35,840

videos and photos to come and talk about

61

00:02:39,270 --> 00:02:37,200

their experiences

62

00:02:41,830 --> 00:02:39,280

and give a little bit more detail

63

00:02:42,790 --> 00:02:41,840

about those photos so we we we've got a

64

00:02:44,790 --> 00:02:42,800

gentleman

65

00:02:46,710 --> 00:02:44,800

daniel joining us today

66

00:02:49,430 --> 00:02:46,720

to talk about uh some really awesome

67

00:02:52,630 --> 00:02:49,440

photos and uh and some videos dude i'm

68

00:02:54,790 --> 00:02:52,640

excited dude yeah i'm excited let's do

69

00:02:57,190 --> 00:02:54,800

it let's bring him in

70

00:02:59,270 --> 00:02:57,200

daniel what's up man

71

00:03:00,229 --> 00:02:59,280

hey what's up guys

72

00:03:03,750 --> 00:03:00,239

man

73

00:03:05,589 --> 00:03:03,760

to look at these pictures this is going

74

00:03:07,509 --> 00:03:05,599

to be great dude

75

00:03:09,830 --> 00:03:07,519

this is this is really cool thank you so

76

00:03:11,350 --> 00:03:09,840

much dude for sending those in i mean

77

00:03:14,070 --> 00:03:11,360

that's that's really awesome i always

78

00:03:15,750 --> 00:03:14,080

love when we get to just you know when

79

00:03:17,030 --> 00:03:15,760

people reach out to us and send us stuff

80

00:03:19,350 --> 00:03:17,040

and then we get to sit down and have a

81

00:03:22,869 --> 00:03:19,360

chat about it man like that's that's the

82

00:03:24,869 --> 00:03:22,879

best isn't it yeah yeah yeah yeah that's

83

00:03:27,509 --> 00:03:24,879

uh i appreciate you guys not taking the

84

00:03:30,309 --> 00:03:27,519

time to do it

85

00:03:32,949 --> 00:03:30,319

oh man yeah pleasure's all all ours man

86

00:03:34,710 --> 00:03:32,959

i mean you know you guys with yours with

87

00:03:36,229 --> 00:03:34,720

the pictures and the stories and

88

00:03:38,390 --> 00:03:36,239

everything i mean me and ben have seen a

89

00:03:40,390 --> 00:03:38,400

couple you know strange lights in the

90

00:03:43,350 --> 00:03:40,400

sky and like maybe had some like kind of

91

00:03:45,110 --> 00:03:43,360

strange experiences man but like i mean

92

00:03:48,070 --> 00:03:45,120

that stuff's incredible like that's

93

00:03:49,830 --> 00:03:48,080

almost like a a mind-bending uh

94

00:03:51,910 --> 00:03:49,840

thing you know and like the the thing

95

00:03:53,670 --> 00:03:51,920

that you you drew i mean that's just the

96

00:03:56,070 --> 00:03:53,680

beginning part of it i mean it's just

97

00:03:58,470 --> 00:03:56,080

like to see that can you imagine ben

98

00:04:01,270 --> 00:03:58,480

seeing that up in the sky just

99

00:04:03,270 --> 00:04:01,280

just just doing its thing

100

00:04:04,390 --> 00:04:03,280

so dude i

101

00:04:06,550 --> 00:04:04,400

i don't know what i would do i think

102

00:04:07,509 --> 00:04:06,560

maybe i'd either run or i don't think i

103

00:04:11,670 --> 00:04:07,519

could

104

00:04:13,270 --> 00:04:11,680

so so daniel like what what went through

105

00:04:14,710 --> 00:04:13,280

your head when when you when he saw this

106

00:04:16,069 --> 00:04:14,720

what like do you remember what time this

107

00:04:17,670 --> 00:04:16,079

was well give us give us a little

108

00:04:19,270 --> 00:04:17,680

background give us a little setting you

109

00:04:21,430 --> 00:04:19,280

know where you at what you doing you

110

00:04:22,950 --> 00:04:21,440

know yeah

111

00:04:25,749 --> 00:04:22,960

yeah all right well i live in the middle

112

00:04:27,510 --> 00:04:25,759

of the woods in south carolina

113

00:04:29,830 --> 00:04:27,520

in a little place called saint run so

114

00:04:31,830 --> 00:04:29,840

it's in the middle of nowhere

115

00:04:33,990 --> 00:04:31,840

and i've been seeing a lot of

116

00:04:36,150 --> 00:04:34,000

kind of crazy things a white ball that

117

00:04:37,909 --> 00:04:36,160

didn't move for 45 minutes and then i

118

00:04:39,990 --> 00:04:37,919

watched it take off

119

00:04:43,030 --> 00:04:40,000

and then i had a couple other little orb

120

00:04:44,790 --> 00:04:43,040

instances where i could uh

121

00:04:46,310 --> 00:04:44,800

i can't i couldn't explain them things

122

00:04:48,230 --> 00:04:46,320

either where i didn't think there were

123

00:04:50,790 --> 00:04:48,240

satellites and i'm pretty sure that i

124

00:04:53,749 --> 00:04:50,800

know they weren't planes or anything

125

00:04:55,590 --> 00:04:53,759

but that one that i drew was the closest

126
00:04:58,629 --> 00:04:55,600
thing i've ever seen and it was one of

127
00:05:01,350 --> 00:04:58,639
them yeah it took me back

128
00:05:03,510 --> 00:05:01,360
wow i was in uh i was in the house i

129
00:05:05,909 --> 00:05:03,520
ever since i saw the white ball i got a

130
00:05:09,110 --> 00:05:05,919
weird habit of going outside when

131
00:05:11,029 --> 00:05:09,120
it gets dark about the same like dusk

132
00:05:13,430 --> 00:05:11,039
and then i'll go outside and i always

133
00:05:16,629 --> 00:05:13,440
got my binoculars on my phone which is

134
00:05:18,310 --> 00:05:16,639
like a s1 ultra so i got a decent camera

135
00:05:19,830 --> 00:05:18,320
and everything

136
00:05:21,430 --> 00:05:19,840
yeah so

137
00:05:23,510 --> 00:05:21,440
but this night

138
00:05:26,230 --> 00:05:23,520

my wife and step-daughter i came in and

139

00:05:28,469 --> 00:05:26,240

i was cooking them dinner and then i

140

00:05:29,909 --> 00:05:28,479

made a joke when i was walking out the

141

00:05:32,150 --> 00:05:29,919

door i was like all right babe i'm going

142

00:05:34,790 --> 00:05:32,160

outside to talk to my friends

143

00:05:37,029 --> 00:05:34,800

talking about the ufo buddies and

144

00:05:39,270 --> 00:05:37,039

everything just joking yeah and i

145

00:05:41,029 --> 00:05:39,280

immediately walked out my front door and

146

00:05:43,350 --> 00:05:41,039

walked down my steps and looked to the

147

00:05:46,550 --> 00:05:43,360

right and i saw this thing coming

148

00:05:49,350 --> 00:05:46,560

towards me head-on

149

00:05:51,270 --> 00:05:49,360

just glowing like i can't even explain

150

00:05:52,870 --> 00:05:51,280

it wasn't

151
00:05:55,110 --> 00:05:52,880
it was glowing like the whole front of

152
00:05:57,110 --> 00:05:55,120
it was lit up but not like a bright

153
00:05:59,350 --> 00:05:57,120
light

154
00:06:01,510 --> 00:05:59,360
that's it from the back

155
00:06:03,110 --> 00:06:01,520
yeah uh facing away from me and you can

156
00:06:05,510 --> 00:06:03,120
kind of see at the front where it's got

157
00:06:08,390 --> 00:06:05,520
that little tail going up curling up

158
00:06:09,590 --> 00:06:08,400
that's where the windows were

159
00:06:11,590 --> 00:06:09,600
but

160
00:06:12,629 --> 00:06:11,600
yeah i mean like you guys were saying

161
00:06:14,550 --> 00:06:12,639
it's

162
00:06:16,550 --> 00:06:14,560
that's why there's a 10 second video in

163
00:06:18,790 --> 00:06:16,560

like a six second video is because i

164

00:06:20,469 --> 00:06:18,800

started recording it and then when i

165

00:06:22,790 --> 00:06:20,479

started recording it i could see that it

166

00:06:25,029 --> 00:06:22,800

was only a dot going across the screen

167

00:06:28,230 --> 00:06:25,039

like that and you can see on the the

168

00:06:29,830 --> 00:06:28,240

left hand side there's a plane flashing

169

00:06:33,830 --> 00:06:29,840

yeah this one

170

00:06:35,270 --> 00:06:33,840

yeah the crap is the dot in the middle

171

00:06:37,990 --> 00:06:35,280

the lower middle

172

00:06:39,909 --> 00:06:38,000

that yeah that one is a star

173

00:06:43,350 --> 00:06:39,919

now i hate how cell phones do it to

174

00:06:45,110 --> 00:06:43,360

where it you know it was so super close

175

00:06:47,270 --> 00:06:45,120

i could see the windows with my bare

176
00:06:48,790 --> 00:06:47,280
eyes without the binoculars and then

177
00:06:50,950 --> 00:06:48,800
when i looked through the binoculars i

178
00:06:52,390 --> 00:06:50,960
could see it even closer

179
00:06:54,070 --> 00:06:52,400
but

180
00:06:56,790 --> 00:06:54,080
record it with a cell phone that thing

181
00:06:58,150 --> 00:06:56,800
looks like it's far away but it was it

182
00:06:59,589 --> 00:06:58,160
was not

183
00:07:00,870 --> 00:06:59,599
right right

184
00:07:02,469 --> 00:07:00,880
yeah but

185
00:07:04,469 --> 00:07:02,479
as soon as i started hitting record and

186
00:07:06,550 --> 00:07:04,479
i saw what it looked like my hands

187
00:07:08,150 --> 00:07:06,560
started shaking and i was by

188
00:07:09,909 --> 00:07:08,160

i couldn't focus on what it was

189

00:07:11,670 --> 00:07:09,919

recording and plus i was like it's just

190

00:07:12,710 --> 00:07:11,680

going to be a white dot so of course i

191

00:07:14,629 --> 00:07:12,720

wanted to look at it through my

192

00:07:17,110 --> 00:07:14,639

binoculars more

193

00:07:19,830 --> 00:07:17,120

but i called them two little clips and i

194

00:07:22,870 --> 00:07:19,840

tried to edit it out the best i could

195

00:07:24,629 --> 00:07:22,880

not these these are the original clips

196

00:07:27,189 --> 00:07:24,639

but i couldn't get anything to bring out

197

00:07:29,189 --> 00:07:27,199

of course with this camera but

198

00:07:31,430 --> 00:07:29,199

yeah it's it's hard on a on a cell phone

199

00:07:33,670 --> 00:07:31,440

camera those lenses are so tiny like

200

00:07:34,469 --> 00:07:33,680

they're just not meant to capture as

201

00:07:38,150 --> 00:07:34,479

much

202

00:07:39,830 --> 00:07:38,160

it's you never try to take a photo or

203

00:07:41,589 --> 00:07:39,840

video of the moon like it always looks

204

00:07:43,110 --> 00:07:41,599

terrible yeah

205

00:07:45,110 --> 00:07:43,120

yeah we'll see that the one thing about

206

00:07:47,270 --> 00:07:45,120

this camera is i could take really good

207

00:07:48,869 --> 00:07:47,280

close-up pictures of the moon zoomed in

208

00:07:51,670 --> 00:07:48,879

where you can see all the craters and

209

00:07:54,390 --> 00:07:51,680

everything on it oh no hey

210

00:07:55,510 --> 00:07:54,400

yeah i got some really good uh

211

00:07:57,510 --> 00:07:55,520

pictures

212

00:07:59,670 --> 00:07:57,520

i just put some on my little youtube

213

00:08:03,189 --> 00:07:59,680

thing some of the weird ore pictures

214

00:08:05,830 --> 00:08:03,199

where i do like a 35 second uh

215

00:08:07,510 --> 00:08:05,840

what do you call the 35 second exposure

216

00:08:09,189 --> 00:08:07,520

and you can kind of see how bright them

217

00:08:10,790 --> 00:08:09,199

orbs get and everything

218

00:08:12,390 --> 00:08:10,800

yeah but

219

00:08:15,110 --> 00:08:12,400

but this thing right here

220

00:08:17,189 --> 00:08:15,120

was the thing that turned my mind from

221

00:08:18,710 --> 00:08:17,199

from okay there's

222

00:08:20,390 --> 00:08:18,720

might be something

223

00:08:21,270 --> 00:08:20,400

going on to

224

00:08:22,869 --> 00:08:21,280

the

225

00:08:24,469 --> 00:08:22,879

world's going on

226

00:08:27,189 --> 00:08:24,479

right

227

00:08:30,710 --> 00:08:27,199

like that white dynamite

228

00:08:35,829 --> 00:08:30,720

yeah yeah i mean it completely

229

00:08:41,589 --> 00:08:37,589

so could you clearly make out the

230

00:08:43,990 --> 00:08:41,599

windows that are on the front yes

231

00:08:46,389 --> 00:08:44,000

yes the windows were clear that there

232

00:08:48,150 --> 00:08:46,399

were windows because the front of it

233

00:08:50,949 --> 00:08:48,160

was the only part that the light was

234

00:08:53,430 --> 00:08:50,959

coming from the interior like the glow i

235

00:08:56,870 --> 00:08:53,440

seen wasn't like lights on the outside

236

00:08:59,350 --> 00:08:56,880

it was glow from inside

237

00:09:01,030 --> 00:08:59,360

like the dome was coming right at me and

238

00:09:03,670 --> 00:09:01,040

i'm not the best artist that was the

239

00:09:05,590 --> 00:09:03,680

best i do to kind of describe it

240

00:09:08,790 --> 00:09:05,600

but it was like the front was kind of

241

00:09:10,470 --> 00:09:08,800

shaped like a like a football almost and

242

00:09:13,030 --> 00:09:10,480

had the windows going all the way

243

00:09:15,110 --> 00:09:13,040

completely up the front of it and around

244

00:09:17,269 --> 00:09:15,120

the side of the front of it

245

00:09:20,389 --> 00:09:17,279

and then uh

246

00:09:23,110 --> 00:09:20,399

yeah the ones on the side

247

00:09:25,110 --> 00:09:23,120

there was a couple windows there

248

00:09:26,630 --> 00:09:25,120

and in the back of it i mean

249

00:09:27,750 --> 00:09:26,640

when i saw it from the rear end it

250

00:09:30,870 --> 00:09:27,760

looked like a

251
00:09:32,710 --> 00:09:30,880
old-school car

252
00:09:33,990 --> 00:09:32,720
from the rear end of it

253
00:09:36,389 --> 00:09:34,000
whoa

254
00:09:38,710 --> 00:09:36,399
it was like i used to have a uh

255
00:09:41,030 --> 00:09:38,720
like a ford gas 62 ford galaxy

256
00:09:42,710 --> 00:09:41,040
convertible and it had the round tail

257
00:09:43,509 --> 00:09:42,720
lights and everything on the very back

258
00:09:46,230 --> 00:09:43,519
of it

259
00:09:47,030 --> 00:09:46,240
yeah and that's i mean it reminded me of

260
00:09:50,389 --> 00:09:47,040
that

261
00:09:53,269 --> 00:09:50,399
on the back of it and completely

262
00:09:54,790 --> 00:09:53,279
yeah completely silent made no noise

263
00:09:56,470 --> 00:09:54,800

whatsoever

264

00:09:58,310 --> 00:09:56,480

the only thing in that video you can

265

00:10:00,870 --> 00:09:58,320

hear you can hear a faint plane and

266

00:10:03,350 --> 00:10:00,880

that's the plane that was above it

267

00:10:04,710 --> 00:10:03,360

that one flattened

268

00:10:05,509 --> 00:10:04,720

oh yeah you want to play that real quick

269

00:10:08,069 --> 00:10:05,519

with it

270

00:10:11,509 --> 00:10:08,079

and on the on the on the paper it it has

271

00:10:13,430 --> 00:10:11,519

a scale to a from to a large cargo plane

272

00:10:15,829 --> 00:10:13,440

like yeah that's that's pretty massive

273

00:10:17,269 --> 00:10:15,839

dude like that's that's huge

274

00:10:18,470 --> 00:10:17,279

right

275

00:10:20,150 --> 00:10:18,480

see

276

00:10:24,069 --> 00:10:20,160

i live in between

277

00:10:26,310 --> 00:10:24,079

there's like

278

00:10:28,670 --> 00:10:26,320

three of them around here so

279

00:10:31,910 --> 00:10:28,680

when i started seeing like weird things

280

00:10:34,470 --> 00:10:31,920

flying i'm of course i'm assuming of

281

00:10:37,190 --> 00:10:34,480

some some kind of military plane

282

00:10:39,910 --> 00:10:37,200

but there's large military cargo planes

283

00:10:41,910 --> 00:10:39,920

that carry everything like overseas the

284

00:10:43,990 --> 00:10:41,920

really big ones they come flying over

285

00:10:46,870 --> 00:10:44,000

the house all the time real low because

286

00:10:48,949 --> 00:10:46,880

they practice from uh right down on the

287

00:10:50,550 --> 00:10:48,959

road here i mean not right then about 30

288

00:10:51,590 --> 00:10:50,560

minutes down the road is the airport

289

00:10:53,670 --> 00:10:51,600

that they

290

00:10:55,509 --> 00:10:53,680

take off and land so they're always you

291

00:10:56,470 --> 00:10:55,519

know cutting donuts of my house and

292

00:10:58,069 --> 00:10:56,480

stuff

293

00:11:00,069 --> 00:10:58,079

so hey

294

00:11:02,470 --> 00:11:00,079

so i see them all the time that's how i

295

00:11:04,389 --> 00:11:02,480

was able to compare it that was that

296

00:11:06,069 --> 00:11:04,399

little plane drawing was one of them

297

00:11:08,710 --> 00:11:06,079

cargo planes

298

00:11:09,590 --> 00:11:08,720

but it was it was massive

299

00:11:11,910 --> 00:11:09,600

dang

300

00:11:14,069 --> 00:11:11,920

so is it uh is this something i know you

301
00:11:16,710 --> 00:11:14,079
mentioned this started happening i mean

302
00:11:18,389 --> 00:11:16,720
has this been happening for years or is

303
00:11:20,870 --> 00:11:18,399
this kind of a recent thing

304
00:11:23,350 --> 00:11:20,880
were you still seeing these orbs

305
00:11:24,949 --> 00:11:23,360
it was close to

306
00:11:26,710 --> 00:11:24,959
i don't know it was probably close to a

307
00:11:29,190 --> 00:11:26,720
year ago i've saw that white thing

308
00:11:30,790 --> 00:11:29,200
sitting in the sky in the broad daylight

309
00:11:33,110 --> 00:11:30,800
and it looked

310
00:11:35,030 --> 00:11:33,120
i mean similar to what a weather balloon

311
00:11:35,750 --> 00:11:35,040
looks like i hate to say it

312
00:11:38,710 --> 00:11:35,760
but

313
00:11:40,630 --> 00:11:38,720

it wasn't a weather balloon like

314

00:11:43,910 --> 00:11:40,640

i could zoom all the way in on it and it

315

00:11:45,509 --> 00:11:43,920

had like it sat in one spot for way too

316

00:11:46,710 --> 00:11:45,519

long for me to think it was a weather

317

00:11:47,990 --> 00:11:46,720

balloon

318

00:11:49,910 --> 00:11:48,000

like it literally

319

00:11:51,990 --> 00:11:49,920

and that's how i noticed it in the sky

320

00:11:54,150 --> 00:11:52,000

because it was clear for the most part

321

00:11:56,870 --> 00:11:54,160

at first and then clouds started rolling

322

00:11:59,269 --> 00:11:56,880

in but it never moved it would stay

323

00:12:00,710 --> 00:11:59,279

stagnant in the same spot and clouds

324

00:12:01,910 --> 00:12:00,720

blow by it

325

00:12:04,629 --> 00:12:01,920

and then

326

00:12:06,550 --> 00:12:04,639

45 minutes later because i was on my at

327

00:12:07,750 --> 00:12:06,560

the job site doing yard work for these

328

00:12:11,590 --> 00:12:07,760

people

329

00:12:14,069 --> 00:12:11,600

and about 45 minutes later

330

00:12:16,310 --> 00:12:14,079

just saw it do like a real quick zigzag

331

00:12:17,670 --> 00:12:16,320

move and then take off like it got shot

332

00:12:18,629 --> 00:12:17,680

out of a gun

333

00:12:21,190 --> 00:12:18,639

whoa

334

00:12:22,949 --> 00:12:21,200

damn yeah

335

00:12:25,269 --> 00:12:22,959

and that was during the day

336

00:12:27,269 --> 00:12:25,279

yeah that was during the day

337

00:12:28,550 --> 00:12:27,279

and then as soon as it took off like a

338

00:12:30,470 --> 00:12:28,560

bullet

339

00:12:33,269 --> 00:12:30,480

then of you know one of the navy planes

340

00:12:35,590 --> 00:12:33,279

came flying by so i don't know

341

00:12:38,470 --> 00:12:35,600

you know i'm assuming it saw the navy

342

00:12:40,790 --> 00:12:38,480

plane i know it sounds ridiculous but

343

00:12:42,710 --> 00:12:40,800

yeah i got videos somewhere i've been

344

00:12:43,590 --> 00:12:42,720

trying to go through all my i got videos

345

00:12:45,590 --> 00:12:43,600

of it

346

00:12:46,629 --> 00:12:45,600

not doing the zigzag of course i missed

347

00:12:48,389 --> 00:12:46,639

that but

348

00:12:50,389 --> 00:12:48,399

of it sitting in the sky and i got

349

00:12:52,550 --> 00:12:50,399

videos of the navy plane after it went

350

00:12:54,949 --> 00:12:52,560

over my head

351
00:12:56,550 --> 00:12:54,959
that's interesting man i wonder

352
00:12:59,430 --> 00:12:56,560
that makes me wonder we'll have to ask

353
00:13:01,350 --> 00:12:59,440
somebody dude like

354
00:13:03,110 --> 00:13:01,360
i wonder if they can track them

355
00:13:04,629 --> 00:13:03,120
when they're just sitting still or like

356
00:13:07,269 --> 00:13:04,639
do they have to be moving for them to be

357
00:13:08,870 --> 00:13:07,279
able to see them like you know

358
00:13:10,470 --> 00:13:08,880
like are they emitting some kind of like

359
00:13:11,990 --> 00:13:10,480
frequency to where like they do just sit

360
00:13:13,509 --> 00:13:12,000
there and chill and they want stuff that

361
00:13:15,829 --> 00:13:13,519
gets too close to them then they like

362
00:13:17,350 --> 00:13:15,839
bolt off then you know because yeah that

363
00:13:18,310 --> 00:13:17,360

makes sense like if they were moving

364

00:13:21,350 --> 00:13:18,320

then that

365

00:13:23,190 --> 00:13:21,360

they would be pinging radar data uh i

366

00:13:24,389 --> 00:13:23,200

don't know how

367

00:13:26,310 --> 00:13:24,399

well yeah

368

00:13:27,750 --> 00:13:26,320

theoretically dude as a doctor scientist

369

00:13:31,430 --> 00:13:27,760

you're able to speak on these matters

370

00:13:35,910 --> 00:13:33,829

i heard the navy plan that went over was

371

00:13:38,389 --> 00:13:35,920

like a gray one and it had the blue navy

372

00:13:40,870 --> 00:13:38,399

right written down the side of it

373

00:13:42,550 --> 00:13:40,880

and i heard that those were some type of

374

00:13:45,110 --> 00:13:42,560

some some of those planes are like a

375

00:13:47,829 --> 00:13:45,120

sonar type plane so i just wonder if

376

00:13:49,509 --> 00:13:47,839

like maybe it was looking the plane was

377

00:13:51,509 --> 00:13:49,519

looking for it

378

00:13:55,829 --> 00:13:51,519

yeah

379

00:13:58,310 --> 00:13:55,839

i don't know i don't know it's all

380

00:13:59,509 --> 00:13:58,320

speculation i know it's fun though it's

381

00:14:00,629 --> 00:13:59,519

fun

382

00:14:02,470 --> 00:14:00,639

i don't know

383

00:14:04,069 --> 00:14:02,480

speaking back on that that white uh

384

00:14:05,910 --> 00:14:04,079

object you were talking about daniel i i

385

00:14:08,470 --> 00:14:05,920

have seen something like that in austin

386

00:14:10,710 --> 00:14:08,480

like in like on the east side of town it

387

00:14:13,269 --> 00:14:10,720

was i've got video of it too oh how did

388

00:14:14,710 --> 00:14:13,279

we lose daniel oh no

389

00:14:16,680 --> 00:14:14,720

oh no

390

00:14:19,829 --> 00:14:16,690

we're

391

00:14:21,350 --> 00:14:19,839

[Music]

392

00:14:22,230 --> 00:14:21,360

you mean we just said all that cool

393

00:14:24,629 --> 00:14:22,240

stuff

394

00:14:26,470 --> 00:14:24,639

daniel wasn't even here to hear it dude

395

00:14:28,870 --> 00:14:26,480

well he just now popped out i don't know

396

00:14:31,269 --> 00:14:28,880

can you see the backstage on your end no

397

00:14:34,069 --> 00:14:31,279

uh it it says you're in the show

398

00:14:35,990 --> 00:14:34,079

everyone can see and hear you

399

00:14:38,949 --> 00:14:36,000

they can't

400

00:14:40,470 --> 00:14:38,959

uh dang well i hope he pops back in i

401
00:14:42,870 --> 00:14:40,480
know well anyway i guess i'll finish

402
00:14:44,629 --> 00:14:42,880
that story but the uh the white dot dude

403
00:14:48,150 --> 00:14:44,639
i've got a video of that thing oh that

404
00:14:50,710 --> 00:14:48,160
was weird it was weird it was just like

405
00:14:53,430 --> 00:14:50,720
it's floating there man it wasn't moving

406
00:14:55,590 --> 00:14:53,440
yeah yeah and i understand like the

407
00:14:57,430 --> 00:14:55,600
whole like it looks like a balloon thing

408
00:14:59,189 --> 00:14:57,440
yeah but like it was kind of doing the

409
00:15:01,110 --> 00:14:59,199
same thing that daniel's video was doing

410
00:15:02,949 --> 00:15:01,120
where it just like kind of like is

411
00:15:05,350 --> 00:15:02,959
shape-shifting or like bouncing the

412
00:15:07,269 --> 00:15:05,360
light off different it's weird dude yeah

413
00:15:09,670 --> 00:15:07,279

and it doesn't go anywhere

414

00:15:12,629 --> 00:15:09,680

like it was just a regular ass balloon

415

00:15:15,430 --> 00:15:12,639

it should blow like all the way down the

416

00:15:17,030 --> 00:15:15,440

street at least yeah

417

00:15:19,030 --> 00:15:17,040

this is this is that one this is the the

418

00:15:21,990 --> 00:15:19,040

video that i got oh wait no that's

419

00:15:27,829 --> 00:15:25,110

i think that's a mylar balloon 100 dude

420

00:15:29,749 --> 00:15:27,839

the one that you have yeah that's that's

421

00:15:31,749 --> 00:15:29,759

not that's not what i don't i i've

422

00:15:33,509 --> 00:15:31,759

changed my mind about it just now you

423

00:15:34,870 --> 00:15:33,519

just you know changed your mind no i was

424

00:15:37,910 --> 00:15:34,880

actually looking at these videos the

425

00:15:40,150 --> 00:15:37,920

other day um [h__\h] where did that one but

426

00:15:42,470 --> 00:15:40,160

you set that up so nicely i mean i

427

00:15:43,269 --> 00:15:42,480

appreciate your honesty and stuff but

428

00:15:44,790 --> 00:15:43,279

like

429

00:15:47,189 --> 00:15:44,800

you really kind of had me on the edge of

430

00:15:49,749 --> 00:15:47,199

my seat for a second no i do have video

431

00:15:51,749 --> 00:15:49,759

of that one of the of the white ball

432

00:15:53,430 --> 00:15:51,759

sitting okay let's see if i can make you

433

00:15:54,870 --> 00:15:53,440

a believer again

434

00:15:57,509 --> 00:15:54,880

oh daniel's back

435

00:15:58,629 --> 00:15:57,519

oh [h__h] what were you gonna say i was

436

00:15:59,430 --> 00:15:58,639

gonna say

437

00:16:03,189 --> 00:15:59,440

um

438

00:16:05,110 --> 00:16:03,199

what makes you think it was a mylarable

439

00:16:07,350 --> 00:16:05,120

one first of all oh well the the video

440

00:16:09,430 --> 00:16:07,360

that i was gonna show uh-huh because

441

00:16:12,069 --> 00:16:09,440

there's like two and one of them's like

442

00:16:13,590 --> 00:16:12,079

dangling and one of them's like up

443

00:16:15,110 --> 00:16:13,600

and everybody that commented on the

444

00:16:16,870 --> 00:16:15,120

youtube video was like yeah i've seen a

445

00:16:18,710 --> 00:16:16,880

mylar balloon before so i guess it's a

446

00:16:21,749 --> 00:16:18,720

little bit of social pressure

447

00:16:23,990 --> 00:16:21,759

but but how long did it sit there

448

00:16:26,230 --> 00:16:24,000

for a really long time

449

00:16:28,310 --> 00:16:26,240

so i'm saying if it's windy

450

00:16:30,230 --> 00:16:28,320

and it's just sitting there and it's

451
00:16:33,030 --> 00:16:30,240
something as flimsy as just like a mylar

452
00:16:35,269 --> 00:16:33,040
balloon like wouldn't it float away

453
00:16:39,829 --> 00:16:35,279
isn't that the whole point of a balloon

454
00:16:42,230 --> 00:16:39,839
is to be very easily moved by air

455
00:16:43,350 --> 00:16:42,240
if you're in the sky and you're a mylar

456
00:16:44,790 --> 00:16:43,360
balloon

457
00:16:47,030 --> 00:16:44,800
you're not [h__\h] just hanging out

458
00:16:48,550 --> 00:16:47,040
there like you know

459
00:16:50,230 --> 00:16:48,560
see that's yeah that's what i would

460
00:16:52,550 --> 00:16:50,240
think this thing just sat there man it

461
00:16:54,790 --> 00:16:52,560
wasn't moving for a long time but it

462
00:16:57,350 --> 00:16:54,800
didn't go nowhere i think dude now it

463
00:17:00,150 --> 00:16:57,360

definitely looks like a mylar balloon it

464

00:17:02,230 --> 00:17:00,160

does it it does i mean but what if you

465

00:17:06,150 --> 00:17:02,240

still how do we know that ufos don't

466

00:17:09,270 --> 00:17:07,750

you know it looks like the number 20.

467

00:17:11,350 --> 00:17:09,280

like and if you think about a mylar

468

00:17:13,429 --> 00:17:11,360

balloon like what kind of metal is that

469

00:17:15,189 --> 00:17:13,439

you know what kind of weird like foily

470

00:17:16,870 --> 00:17:15,199

type metal is that that you know they're

471

00:17:18,870 --> 00:17:16,880

making balloons out of where they get

472

00:17:21,110 --> 00:17:18,880

that kind of technology you know who

473

00:17:23,429 --> 00:17:21,120

asked them hey can you can you make this

474

00:17:25,829 --> 00:17:23,439

like this like can you can you make this

475

00:17:27,590 --> 00:17:25,839

and they handed him a piece of a ufo and

476

00:17:29,669 --> 00:17:27,600

some guy at the circus was like i can do

477

00:17:31,430 --> 00:17:29,679

it and he like [\h__\h] made this like

478

00:17:34,310 --> 00:17:31,440

crazy balloon without knowing like what

479

00:17:36,150 --> 00:17:34,320

the technology was like i don't know it

480

00:17:37,669 --> 00:17:36,160

came from somewhere dude what i'm saying

481

00:17:40,070 --> 00:17:37,679

is the mylar balloons are a little

482

00:17:41,110 --> 00:17:40,080

suspicious just like as a mylar balloon

483

00:17:42,789 --> 00:17:41,120

on their own

484

00:17:45,909 --> 00:17:42,799

see how i started the video again this

485

00:17:49,270 --> 00:17:45,919

was like 20 minutes later i took another

486

00:17:50,549 --> 00:17:49,280

video and it's still in the same spot

487

00:17:53,190 --> 00:17:50,559

yeah dude

488

00:17:54,070 --> 00:17:53,200

it's weird it was weird anyway uh daniel

489

00:17:55,270 --> 00:17:54,080

what are you what are your thoughts on

490

00:17:56,310 --> 00:17:55,280

that will mine a lot of balloon or not

491

00:17:59,190 --> 00:17:56,320

dude

492

00:18:02,470 --> 00:17:59,200

yeah oh yeah i don't know about that one

493

00:18:04,710 --> 00:18:02,480

i know that when i saw like

494

00:18:06,789 --> 00:18:04,720

that's why i'm saying that the the ship

495

00:18:09,750 --> 00:18:06,799

that i drew is the one that actually

496

00:18:11,110 --> 00:18:09,760

turned me to okay 100

497

00:18:14,470 --> 00:18:11,120

because

498

00:18:15,430 --> 00:18:14,480

but the balloon one

499

00:18:17,669 --> 00:18:15,440

i mean

500

00:18:19,110 --> 00:18:17,679

the white dot one that looked like a

501
00:18:20,789 --> 00:18:19,120
mylar balloon

502
00:18:22,789 --> 00:18:20,799
it's you know usually when the weather

503
00:18:24,230 --> 00:18:22,799
balloons are launched they have like uh

504
00:18:26,310 --> 00:18:24,240
i forget what they call them but it's

505
00:18:29,190 --> 00:18:26,320
like a tail that hangs down and it's got

506
00:18:30,870 --> 00:18:29,200
like a solar panel thing that's on it

507
00:18:33,190 --> 00:18:30,880
and everything that you know that does

508
00:18:35,510 --> 00:18:33,200
all the readings yeah

509
00:18:37,669 --> 00:18:35,520
so usually when it's a weather balloon

510
00:18:38,950 --> 00:18:37,679
you could see that and i wasn't able to

511
00:18:42,549 --> 00:18:38,960
see that

512
00:18:44,630 --> 00:18:42,559
and when i looked at it and um zoomed in

513
00:18:47,110 --> 00:18:44,640

on my phone it was just it was just

514

00:18:49,669 --> 00:18:47,120

super creepy like just how it's how

515

00:18:52,789 --> 00:18:49,679

still in the air it was and watching

516

00:18:54,950 --> 00:18:52,799

clouds blow by it and it just literally

517

00:18:58,070 --> 00:18:54,960

just sitting in one spot

518

00:19:00,950 --> 00:18:58,080

and it just it almost had like a black

519

00:19:04,470 --> 00:19:00,960

hue around it or something

520

00:19:05,990 --> 00:19:04,480

if that makes any kind of sense

521

00:19:08,470 --> 00:19:06,000

which is

522

00:19:11,270 --> 00:19:08,480

why i think it stuck out so so much for

523

00:19:14,950 --> 00:19:11,280

me to be able to see it

524

00:19:16,470 --> 00:19:14,960

interesting like i wonder if it was like

525

00:19:17,669 --> 00:19:16,480

surrounded by some kind of like

526
00:19:19,190 --> 00:19:17,679
invisible

527
00:19:21,029 --> 00:19:19,200
like field

528
00:19:23,270 --> 00:19:21,039
energy type thing but it was like it's

529
00:19:25,350 --> 00:19:23,280
like see-through so you can still see

530
00:19:26,870 --> 00:19:25,360
like the black behind it but it it just

531
00:19:27,990 --> 00:19:26,880
gave it like this

532
00:19:29,110 --> 00:19:28,000
this little

533
00:19:31,590 --> 00:19:29,120
i don't know

534
00:19:33,669 --> 00:19:31,600
just like in my pictures the the

535
00:19:35,430 --> 00:19:33,679
the white dye is like it looks like you

536
00:19:37,029 --> 00:19:35,440
took like a sharpie marker and went

537
00:19:38,710 --> 00:19:37,039
around the edge of the balloon with a

538
00:19:40,310 --> 00:19:38,720

sharpie marker

539

00:19:42,950 --> 00:19:40,320

like that crazy

540

00:19:44,630 --> 00:19:42,960

it just it looks it just looks super

541

00:19:45,990 --> 00:19:44,640

weird but

542

00:19:54,710 --> 00:19:46,000

that

543

00:19:56,950 --> 00:19:54,720

ship thing go by there was a

544

00:19:59,510 --> 00:19:56,960

an orb that i saw

545

00:20:00,549 --> 00:19:59,520

it was just a glowing ball and it

546

00:20:02,789 --> 00:20:00,559

literally

547

00:20:05,110 --> 00:20:02,799

looked like it was scanning the sky and

548

00:20:06,870 --> 00:20:05,120

like i said i'm in the middle of nowhere

549

00:20:09,350 --> 00:20:06,880

so it's like i can see it from a

550

00:20:11,510 --> 00:20:09,360

distance and it went by me

551
00:20:13,510 --> 00:20:11,520
and then like the next time it came by

552
00:20:15,590 --> 00:20:13,520
like five minutes later it was a little

553
00:20:17,110 --> 00:20:15,600
closer to me and then the next time it

554
00:20:18,870 --> 00:20:17,120
came by it was a little close and then

555
00:20:21,590 --> 00:20:18,880
before you know it it was directly over

556
00:20:24,789 --> 00:20:21,600
my head

557
00:20:29,270 --> 00:20:27,270
and it went into a storm cloud because

558
00:20:31,430 --> 00:20:29,280
there was actually a storm to the my

559
00:20:34,149 --> 00:20:31,440
right where it was lightning and stuff

560
00:20:36,310 --> 00:20:34,159
it went directly into that storm cloud

561
00:20:38,950 --> 00:20:36,320
and i ended up catching a video of it

562
00:20:40,310 --> 00:20:38,960
when it came out the storm cloud

563
00:20:42,070 --> 00:20:40,320

where you could still see kind of

564

00:20:43,669 --> 00:20:42,080

lightning flashing in the background and

565

00:20:46,710 --> 00:20:43,679

stuff and then it went

566

00:20:49,029 --> 00:20:46,720

right over my head but it it was like so

567

00:20:50,710 --> 00:20:49,039

low where i got a slingshot i could i

568

00:20:51,750 --> 00:20:50,720

could have hit it with a sling shot if i

569

00:20:54,070 --> 00:20:51,760

wanted to

570

00:20:57,270 --> 00:20:54,080

like that's how low that thing was and

571

00:20:58,390 --> 00:20:57,280

it was just like a bright orange

572

00:21:00,789 --> 00:20:58,400

and

573

00:21:02,870 --> 00:21:00,799

i've done a little bit of research on it

574

00:21:05,190 --> 00:21:02,880

because

575

00:21:07,590 --> 00:21:05,200

there's a feeling i got when i was

576
00:21:09,510 --> 00:21:07,600
recording that thing was like a feeling

577
00:21:10,950 --> 00:21:09,520
i've never had before

578
00:21:17,350 --> 00:21:10,960
like

579
00:21:19,270 --> 00:21:17,360
and you know not much scares me

580
00:21:21,830 --> 00:21:19,280
but i've heard

581
00:21:23,590 --> 00:21:21,840
i heard cases after the fact but i had

582
00:21:25,909 --> 00:21:23,600
never heard before

583
00:21:29,350 --> 00:21:25,919
but i had the most like my knees were

584
00:21:31,909 --> 00:21:29,360
shaking like i all of a sudden it was

585
00:21:35,350 --> 00:21:31,919
fear overtook me where i could almost

586
00:21:37,350 --> 00:21:35,360
hardly even stand and wow

587
00:21:38,710 --> 00:21:37,360
for what reason i have no clue because

588
00:21:40,390 --> 00:21:38,720

i'm literally just standing in the

589

00:21:42,230 --> 00:21:40,400

middle of my driveway looking at a

590

00:21:43,029 --> 00:21:42,240

glowing orb

591

00:21:45,110 --> 00:21:43,039

but

592

00:21:47,190 --> 00:21:45,120

i i literally went inside locked my

593

00:21:48,149 --> 00:21:47,200

doors and grabbed my gun

594

00:21:50,870 --> 00:21:48,159

like

595

00:21:52,710 --> 00:21:50,880

and and i really have no clue why

596

00:21:55,510 --> 00:21:52,720

and then once i started doing research

597

00:21:58,789 --> 00:21:55,520

i've heard of other people getting that

598

00:22:01,190 --> 00:21:58,799

same intense fear

599

00:22:03,110 --> 00:22:01,200

from looking at one of these orbs and i

600

00:22:05,110 --> 00:22:03,120

don't know

601
00:22:07,669 --> 00:22:05,120
and i see like on a lot of other videos

602
00:22:09,750 --> 00:22:07,679
it's really hard for them to describe

603
00:22:11,510 --> 00:22:09,760
how they're feeling and i completely

604
00:22:13,510 --> 00:22:11,520
understand it because

605
00:22:15,510 --> 00:22:13,520
it was just like i was instantly scared

606
00:22:17,669 --> 00:22:15,520
to death after i looked at it and i i

607
00:22:19,750 --> 00:22:17,679
really have no clue why and that's

608
00:22:21,830 --> 00:22:19,760
embarrassing to admit but

609
00:22:22,789 --> 00:22:21,840
that's that's how i felt

610
00:22:24,870 --> 00:22:22,799
can you

611
00:22:26,470 --> 00:22:24,880
like was there

612
00:22:28,950 --> 00:22:26,480
i mean can you can you account for like

613
00:22:31,669 --> 00:22:28,960

any missing time or do you know for a

614

00:22:33,990 --> 00:22:31,679

fact that it was like back to back like

615

00:22:36,070 --> 00:22:34,000

this was like a a couple minute thing

616

00:22:36,789 --> 00:22:36,080

like can you account for all that time

617

00:22:38,070 --> 00:22:36,799

or

618

00:22:39,750 --> 00:22:38,080

like

619

00:22:41,750 --> 00:22:39,760

to be honest with you i've thought about

620

00:22:44,230 --> 00:22:41,760

that a bunch but i mean

621

00:22:45,909 --> 00:22:44,240

i don't think there was any missing time

622

00:22:48,070 --> 00:22:45,919

but it's hard to tell because it just

623

00:22:50,149 --> 00:22:48,080

happened to be on a weekend when my wife

624

00:22:51,110 --> 00:22:50,159

went to the beach so i was actually home

625

00:22:53,510 --> 00:22:51,120

alone

626

00:22:55,669 --> 00:22:53,520

for like that whole time and i never

627

00:22:58,149 --> 00:22:55,679

really looked at my watch or looked at

628

00:23:01,510 --> 00:22:58,159

my clock or anything so i really

629

00:23:03,669 --> 00:23:01,520

don't know 100 but i don't think so yeah

630

00:23:05,909 --> 00:23:03,679

yeah no i i completely understand that

631

00:23:07,830 --> 00:23:05,919

man like that's yeah that's that's

632

00:23:08,710 --> 00:23:07,840

perfectly reasonable you know like it's

633

00:23:10,470 --> 00:23:08,720

just

634

00:23:12,470 --> 00:23:10,480

yeah some of those stories are really

635

00:23:13,990 --> 00:23:12,480

fascinating how people are like yeah i'm

636

00:23:15,590 --> 00:23:14,000

just sitting there i'm hanging out one

637

00:23:17,990 --> 00:23:15,600

minute i see this thing

638

00:23:20,230 --> 00:23:18,000

and the next minute i'm like in shock

639

00:23:23,190 --> 00:23:20,240

and i don't know why but then like i

640

00:23:24,950 --> 00:23:23,200

realized oh [\h__\h] it's nighttime you know

641

00:23:26,950 --> 00:23:24,960

i was here during the daytime you know

642

00:23:29,430 --> 00:23:26,960

they just don't you know they can't get

643

00:23:31,270 --> 00:23:29,440

out yeah for that that time but you know

644

00:23:32,630 --> 00:23:31,280

at nighttime you know if you don't know

645

00:23:34,470 --> 00:23:32,640

what time it is

646

00:23:35,669 --> 00:23:34,480

you know it all looks like night time

647

00:23:36,549 --> 00:23:35,679

dude

648

00:23:38,390 --> 00:23:36,559

yeah

649

00:23:40,710 --> 00:23:38,400

your door just opened up really spookily

650

00:23:42,950 --> 00:23:40,720

dude oh that was gizmo sorry i'm gonna

651
00:23:45,750 --> 00:23:42,960
close my door

652
00:23:47,830 --> 00:23:45,760
oh you're creeping me out daniel i was

653
00:23:49,990 --> 00:23:47,840
thinking about this this fear thing man

654
00:23:51,669 --> 00:23:50,000
we've talked to a few folks that try to

655
00:23:54,310 --> 00:23:51,679
that have explained

656
00:23:56,470 --> 00:23:54,320
the same exact feeling and and what i i

657
00:23:57,750 --> 00:23:56,480
like to correlate it with is that

658
00:24:00,470 --> 00:23:57,760
feeling

659
00:24:02,710 --> 00:24:00,480
when a predator then becomes prey where

660
00:24:05,190 --> 00:24:02,720
it's like this new type of fear that you

661
00:24:06,470 --> 00:24:05,200
haven't felt before yeah does that

662
00:24:08,630 --> 00:24:06,480
resonate with you

663
00:24:10,230 --> 00:24:08,640

yeah exactly like i said there's not

664

00:24:11,590 --> 00:24:10,240

much that there's not much out there

665

00:24:14,310 --> 00:24:11,600

that scares me

666

00:24:16,710 --> 00:24:14,320

but this was just like knee shaking like

667

00:24:19,190 --> 00:24:16,720

i've never been so scared and

668

00:24:21,110 --> 00:24:19,200

i'm you know i did metal roofing for

669

00:24:23,830 --> 00:24:21,120

years so i've been on top of like

670

00:24:25,750 --> 00:24:23,840

multi-story houses on like eight and 12

671

00:24:27,750 --> 00:24:25,760

itches where my feet slipped like

672

00:24:29,190 --> 00:24:27,760

you're you're going off a roof

673

00:24:32,230 --> 00:24:29,200

so i've been in really sketchy

674

00:24:34,149 --> 00:24:32,240

situations and never had like a fear

675

00:24:36,390 --> 00:24:34,159

like that

676

00:24:38,470 --> 00:24:36,400

it's it's i mean it's really hard to

677

00:24:40,549 --> 00:24:38,480

describe but it it was almost like

678

00:24:42,310 --> 00:24:40,559

you're at gunpoint you know what i mean

679

00:24:43,990 --> 00:24:42,320

like like you're staring down the end of

680

00:24:45,510 --> 00:24:44,000

a barrel somebody's about to pull you

681

00:24:47,669 --> 00:24:45,520

know somebody's gonna pull the trigger

682

00:24:49,830 --> 00:24:47,679

on you like that's kind of like how it

683

00:24:51,750 --> 00:24:49,840

felt which was

684

00:24:54,390 --> 00:24:51,760

just like a feeling i've never had and

685

00:24:56,630 --> 00:24:54,400

especially for they're not to be a real

686

00:24:58,830 --> 00:24:56,640

reason for me to have that fear

687

00:25:01,590 --> 00:24:58,840

yeah definitely

688

00:25:03,669 --> 00:25:01,600

definitely oh man

689

00:25:04,950 --> 00:25:03,679

so what um what are your thoughts man do

690

00:25:06,870 --> 00:25:04,960

you think it's do you think it's ours or

691

00:25:10,710 --> 00:25:06,880

do you think it's aliens

692

00:25:13,430 --> 00:25:10,720

man i don't i don't know because

693

00:25:15,990 --> 00:25:13,440

like the orb i i can't explain like how

694

00:25:19,110 --> 00:25:16,000

those could be ours

695

00:25:21,350 --> 00:25:19,120

and i don't even know what the orb is

696

00:25:23,190 --> 00:25:21,360

you know i mean it looked like a decent

697

00:25:26,310 --> 00:25:23,200

size but not like

698

00:25:28,149 --> 00:25:26,320

ridiculous huge i've heard like the

699

00:25:30,310 --> 00:25:28,159

stories where they were talking about

700

00:25:33,430 --> 00:25:30,320

maybe like flying saucers or something

701
00:25:34,789 --> 00:25:33,440
like whatever they use the anti-gravity

702
00:25:36,230 --> 00:25:34,799
thing they use

703
00:25:40,070 --> 00:25:36,240
like it light

704
00:25:42,470 --> 00:25:40,080
so i'm thinking okay maybe there's a

705
00:25:44,630 --> 00:25:42,480
craft in the orb

706
00:25:47,110 --> 00:25:44,640
but you know if it's something like that

707
00:25:49,269 --> 00:25:47,120
then that that to me is an alien it'd

708
00:25:50,149 --> 00:25:49,279
have to be alien

709
00:25:52,630 --> 00:25:50,159
yeah

710
00:25:54,710 --> 00:25:52,640
that ship that went by that

711
00:25:56,870 --> 00:25:54,720
with all the windows on it

712
00:25:58,149 --> 00:25:56,880
that one is really interesting to me

713
00:26:00,470 --> 00:25:58,159

because

714

00:26:01,830 --> 00:26:00,480

if it's r then that's me and my wife

715

00:26:02,870 --> 00:26:01,840

were actually talking about this the

716

00:26:04,870 --> 00:26:02,880

other night

717

00:26:08,390 --> 00:26:04,880

because i was like it's like three

718

00:26:11,269 --> 00:26:08,400

different scenarios you know either it's

719

00:26:11,990 --> 00:26:11,279

or two different either it's alien

720

00:26:16,950 --> 00:26:12,000

no

721

00:26:18,630 --> 00:26:16,960

and it's from a different planet and it

722

00:26:19,830 --> 00:26:18,640

literally just came right over top of

723

00:26:21,669 --> 00:26:19,840

our house

724

00:26:23,830 --> 00:26:21,679

or it's

725

00:26:25,830 --> 00:26:23,840

you know the future hypothesis or

726

00:26:28,549 --> 00:26:25,840

whatever you know maybe it was us from

727

00:26:31,350 --> 00:26:28,559

the future because

728

00:26:34,470 --> 00:26:31,360

of the technology it was using or

729

00:26:36,870 --> 00:26:34,480

it's us now and we've literally figured

730

00:26:38,710 --> 00:26:36,880

out anti-gravity and just

731

00:26:39,830 --> 00:26:38,720

nobody knows yet

732

00:26:41,590 --> 00:26:39,840

yeah yeah

733

00:26:43,350 --> 00:26:41,600

one of them possibilities to me is

734

00:26:46,070 --> 00:26:43,360

mind-blowing

735

00:26:48,070 --> 00:26:46,080

i always think it's interesting like

736

00:26:49,990 --> 00:26:48,080

it's uh it's an interesting thought that

737

00:26:52,950 --> 00:26:50,000

like like a uh

738

00:26:54,950 --> 00:26:52,960

like aliens would have windows

739

00:26:56,070 --> 00:26:54,960

you know like are they looking outside

740

00:26:58,310 --> 00:26:56,080

like what

741

00:26:59,669 --> 00:26:58,320

are they or like you think like by that

742

00:27:02,070 --> 00:26:59,679

time dude like they should just be able

743

00:27:04,630 --> 00:27:02,080

to kind of see through like like we're

744

00:27:06,230 --> 00:27:04,640

already seeing like aircraft right like

745

00:27:07,269 --> 00:27:06,240

today well i guess it still has a window

746

00:27:08,630 --> 00:27:07,279

on it but a lot of it's just like

747

00:27:10,070 --> 00:27:08,640

screens right you're not actually

748

00:27:12,710 --> 00:27:10,080

looking out of a window you're looking

749

00:27:14,549 --> 00:27:12,720

at screens at everything around you you

750

00:27:16,149 --> 00:27:14,559

know so like it's always interesting to

751
00:27:18,310 --> 00:27:16,159
me like

752
00:27:20,389 --> 00:27:18,320
even like old photos or like ufos with

753
00:27:23,350 --> 00:27:20,399
windows on them like that's it's so it's

754
00:27:25,669 --> 00:27:23,360
so like it's so human

755
00:27:26,389 --> 00:27:25,679
it's such a creepy thing to do like if

756
00:27:28,389 --> 00:27:26,399
you're

757
00:27:29,990 --> 00:27:28,399
like this advanced culture that could

758
00:27:32,389 --> 00:27:30,000
literally put uh

759
00:27:34,389 --> 00:27:32,399
you know today we have like this

760
00:27:36,950 --> 00:27:34,399
filmy tape that you can just stick on

761
00:27:39,269 --> 00:27:36,960
things and it turns into a tv dude like

762
00:27:40,710 --> 00:27:39,279
it just blows my mind that you wouldn't

763
00:27:42,070 --> 00:27:40,720

just line the inside of your ship with

764

00:27:43,590 --> 00:27:42,080

something like that or have the

765

00:27:46,070 --> 00:27:43,600

technology to be able to view through

766

00:27:47,510 --> 00:27:46,080

your ship and like the windows like the

767

00:27:51,430 --> 00:27:47,520

windows always creep me out like it's

768

00:27:53,269 --> 00:27:51,440

such a creepy uh part of ufos you know

769

00:27:56,149 --> 00:27:53,279

because it humanizes

770

00:27:59,110 --> 00:27:56,159

um whatever it is that's inside that

771

00:28:01,909 --> 00:27:59,120

craft possibly you know piloting it

772

00:28:05,350 --> 00:28:01,919

it's a very like humanizing element to

773

00:28:07,029 --> 00:28:05,360

have on a vehicle is a window

774

00:28:09,590 --> 00:28:07,039

yeah because you're like something's

775

00:28:12,230 --> 00:28:09,600

trying to look out these windows yes

776

00:28:14,070 --> 00:28:12,240

dude yes it's very creepy it's very

777

00:28:16,230 --> 00:28:14,080

creepy and it's like if you have this

778

00:28:18,630 --> 00:28:16,240

thing that can communicate with you

779

00:28:21,590 --> 00:28:18,640

without even having to you know you

780

00:28:24,230 --> 00:28:21,600

without you even seeing it

781

00:28:26,230 --> 00:28:24,240

you know like what are you what are they

782

00:28:28,070 --> 00:28:26,240

looking at up there you know what are

783

00:28:31,909 --> 00:28:28,080

they looking at

784

00:28:33,590 --> 00:28:31,919

also

785

00:28:35,830 --> 00:28:33,600

seems like glass windows or even

786

00:28:37,909 --> 00:28:35,840

plexiglass windows seems like pretty low

787

00:28:40,310 --> 00:28:37,919

tech i wonder

788

00:28:42,149 --> 00:28:40,320

there's got to be a better way to see

789

00:28:43,909 --> 00:28:42,159

through stuff

790

00:28:46,389 --> 00:28:43,919

with with technology that can you could

791

00:28:49,510 --> 00:28:46,399

travel from start to star like there's

792

00:28:52,149 --> 00:28:49,520

got to be a better thing than class

793

00:28:54,070 --> 00:28:52,159

or plexiglas you know yeah it's it's uh

794

00:28:56,470 --> 00:28:54,080

through stuff dude i don't know i don't

795

00:28:57,909 --> 00:28:56,480

know but hey you know that's that's

796

00:28:59,430 --> 00:28:57,919

something that you can think about and

797

00:29:02,149 --> 00:28:59,440

be like all right

798

00:29:04,389 --> 00:29:02,159

so like we view things with our eyes and

799

00:29:07,029 --> 00:29:04,399

there's other senses but if these things

800

00:29:08,710 --> 00:29:07,039

have windows they're also viewing things

801
00:29:10,389 --> 00:29:08,720
through their eyes still so you know

802
00:29:12,870 --> 00:29:10,399
like even if that is you in the future

803
00:29:14,389 --> 00:29:12,880
it's like cool we still get to see stuff

804
00:29:15,990 --> 00:29:14,399
because sometimes people talk about like

805
00:29:18,470 --> 00:29:16,000
not being able to like have certain

806
00:29:21,269 --> 00:29:18,480
senses i'm like wow that's so crazy like

807
00:29:23,669 --> 00:29:21,279
i have all mine so i can't imagine

808
00:29:25,909 --> 00:29:23,679
a world that's like different i guess

809
00:29:28,070 --> 00:29:25,919
you know yeah i would like to gain more

810
00:29:31,830 --> 00:29:28,080
senses without losing any of my current

811
00:29:33,590 --> 00:29:31,840
instances because i think they all rock

812
00:29:35,669 --> 00:29:33,600
yeah

813
00:29:38,389 --> 00:29:35,679

yes dude

814

00:29:41,350 --> 00:29:38,399

senses are cool man they are cool so

815

00:29:43,350 --> 00:29:41,360

dude uh ben was asking you i think maybe

816

00:29:45,830 --> 00:29:43,360

about like the primal feeling that you

817

00:29:47,110 --> 00:29:45,840

had like whenever you you encountered

818

00:29:50,950 --> 00:29:47,120

this thing

819

00:29:53,190 --> 00:29:50,960

does does the uh does the feeling like

820

00:29:55,510 --> 00:29:53,200

do you like just ever like randomly just

821

00:29:58,710 --> 00:29:55,520

get like a chill of your spine like just

822

00:30:01,990 --> 00:29:58,720

you know you just think about it like

823

00:30:03,190 --> 00:30:02,000

would you would you want to see it again

824

00:30:04,310 --> 00:30:03,200

i guess

825

00:30:06,789 --> 00:30:04,320

yeah i mean

826

00:30:09,510 --> 00:30:06,799

i've seen it i've seen it

827

00:30:10,789 --> 00:30:09,520

just as close since then another one do

828

00:30:11,830 --> 00:30:10,799

the same thing

829

00:30:13,909 --> 00:30:11,840

there's

830

00:30:15,750 --> 00:30:13,919

like i've got a few different videos of

831

00:30:18,070 --> 00:30:15,760

them literally going directly over my

832

00:30:19,830 --> 00:30:18,080

head and one of them is going over my

833

00:30:21,750 --> 00:30:19,840

head and you can also see a plane

834

00:30:23,830 --> 00:30:21,760

passing so you can compare

835

00:30:26,149 --> 00:30:23,840

like how close this thing was compared

836

00:30:28,310 --> 00:30:26,159

to the thing and i never got the feeling

837

00:30:29,909 --> 00:30:28,320

from them it was just that first one

838

00:30:30,870 --> 00:30:29,919

that i saw

839

00:30:31,750 --> 00:30:30,880

and

840

00:30:36,870 --> 00:30:31,760

i

841

00:30:38,630 --> 00:30:36,880

one

842

00:30:40,950 --> 00:30:38,640

and that that's the part that's just

843

00:30:43,269 --> 00:30:40,960

it's so weird to me

844

00:30:45,510 --> 00:30:43,279

it was the closest one to me

845

00:30:47,590 --> 00:30:45,520

like the other ones weren't as close but

846

00:30:50,870 --> 00:30:47,600

they they were

847

00:30:53,590 --> 00:30:50,880

you know pretty well closed

848

00:30:55,909 --> 00:30:53,600

but that one was was the closest maybe

849

00:30:58,470 --> 00:30:55,919

that has to do with it

850

00:31:00,149 --> 00:30:58,480

i don't know maybe if

851
00:31:02,789 --> 00:31:00,159
you know like the thought crossed my

852
00:31:04,870 --> 00:31:02,799
mind as i'm recording it

853
00:31:06,789 --> 00:31:04,880
i was like if i'm recording this thing

854
00:31:08,310 --> 00:31:06,799
and this thing is some kind of alien

855
00:31:11,669 --> 00:31:08,320
technology

856
00:31:15,590 --> 00:31:11,679
it probably knows i'm recording it and

857
00:31:17,509 --> 00:31:15,600
maybe that kicked in but the way

858
00:31:19,909 --> 00:31:17,519
the amount of fear that hit me is just

859
00:31:21,750 --> 00:31:19,919
undescrivable like i've never been so

860
00:31:23,430 --> 00:31:21,760
scared where i almost

861
00:31:25,830 --> 00:31:23,440
collapsed like you know you have to hold

862
00:31:27,269 --> 00:31:25,840
on to something yeah

863
00:31:28,549 --> 00:31:27,279

and uh

864

00:31:30,789 --> 00:31:28,559

and

865

00:31:33,110 --> 00:31:30,799

another weird thing when i see some of

866

00:31:34,870 --> 00:31:33,120

these orbs is like

867

00:31:36,470 --> 00:31:34,880

again i live in the middle of nowhere we

868

00:31:38,070 --> 00:31:36,480

have crickets and everything have you

869

00:31:40,710 --> 00:31:38,080

ever been outside in the middle of the

870

00:31:42,630 --> 00:31:40,720

country it's it's loud like there's bugs

871

00:31:44,950 --> 00:31:42,640

and all kind of things but then when

872

00:31:47,990 --> 00:31:44,960

these things get close you don't hear

873

00:31:51,590 --> 00:31:48,000

anything like it's dead silent

874

00:31:55,590 --> 00:31:54,470

dude yeah that's that's that's a theme

875

00:31:57,190 --> 00:31:55,600

for sure

876

00:31:59,110 --> 00:31:57,200

that we've heard so it's it's awesome

877

00:32:01,269 --> 00:31:59,120

that you know like

878

00:32:03,110 --> 00:32:01,279

do you know about that

879

00:32:05,430 --> 00:32:03,120

yeah because i'm talking about that i

880

00:32:07,430 --> 00:32:05,440

got a great dane that stays in the

881

00:32:09,110 --> 00:32:07,440

in the house but we i let him out in the

882

00:32:11,509 --> 00:32:09,120

backyard and a lot of times when i'm

883

00:32:13,669 --> 00:32:11,519

outside he's out there in the backyard

884

00:32:15,350 --> 00:32:13,679

and he barks and he'll echo through the

885

00:32:17,430 --> 00:32:15,360

woods when it's when it's going like

886

00:32:18,710 --> 00:32:17,440

that that's how i mean it's just eerie

887

00:32:19,750 --> 00:32:18,720

quiet

888

00:32:21,269 --> 00:32:19,760

dude

889

00:32:24,149 --> 00:32:21,279

yeah that's crazy

890

00:32:25,350 --> 00:32:24,159

yeah the silence thing man it's like

891

00:32:26,710 --> 00:32:25,360

oh

892

00:32:28,310 --> 00:32:26,720

a lot of people talk about that

893

00:32:31,350 --> 00:32:28,320

happening with like bigfoot sightings

894

00:32:33,269 --> 00:32:31,360

too not just not just like aliens or

895

00:32:37,909 --> 00:32:33,279

yeah

896

00:32:39,430 --> 00:32:37,919

who knows what it is maybe they're all

897

00:32:41,110 --> 00:32:39,440

the same right

898

00:32:42,710 --> 00:32:41,120

tammy was saying something kind of cool

899

00:32:44,549 --> 00:32:42,720

like what if what if uh what if the

900

00:32:46,710 --> 00:32:44,559

windows aren't for them what if they're

901
00:32:48,070 --> 00:32:46,720
for us

902
00:32:49,430 --> 00:32:48,080
you know

903
00:32:52,470 --> 00:32:49,440
just as creepy

904
00:32:55,269 --> 00:32:52,480
yeah i know because because they you

905
00:32:57,590 --> 00:32:55,279
know she say they do want us to see them

906
00:32:59,750 --> 00:32:57,600
so like if they did want us to see them

907
00:33:01,750 --> 00:32:59,760
i guess like maybe they don't you know

908
00:33:03,990 --> 00:33:01,760
maybe they travel through the universe

909
00:33:05,750 --> 00:33:04,000
or or whatever dimensional [\h__\h] whatever

910
00:33:06,950 --> 00:33:05,760
you want to say however the hell they

911
00:33:08,389 --> 00:33:06,960
get here right

912
00:33:09,590 --> 00:33:08,399
what if they don't even have windows

913
00:33:12,230 --> 00:33:09,600

just when they get here they're like all

914

00:33:14,230 --> 00:33:12,240

right put the windows up and poof like

915

00:33:15,509 --> 00:33:14,240

it's just they just appear and it's just

916

00:33:16,630 --> 00:33:15,519

for us

917

00:33:19,110 --> 00:33:16,640

yeah i mean

918

00:33:21,110 --> 00:33:19,120

another another thought process is i'm

919

00:33:22,870 --> 00:33:21,120

there's the congaree river is not too

920

00:33:26,470 --> 00:33:22,880

far from our house

921

00:33:28,149 --> 00:33:26,480

and this thing kind of i mean

922

00:33:30,710 --> 00:33:28,159

i can almost see this thing being

923

00:33:32,389 --> 00:33:30,720

underwater if that makes sense

924

00:33:34,389 --> 00:33:32,399

yeah i've heard of these things coming

925

00:33:35,990 --> 00:33:34,399

out of the water i'm like

926

00:33:37,830 --> 00:33:36,000

you know they got them boats with the

927

00:33:39,830 --> 00:33:37,840

glass bottoms where you can look down

928

00:33:41,750 --> 00:33:39,840

into the you know

929

00:33:43,509 --> 00:33:41,760

yeah this thing wasn't underwater or

930

00:33:45,350 --> 00:33:43,519

something i don't know

931

00:33:47,830 --> 00:33:45,360

i don't know it

932

00:33:50,830 --> 00:33:47,840

it still blows my mind but i'm

933

00:33:54,549 --> 00:33:50,840

to watch it go by in front of you

934

00:33:57,190 --> 00:33:54,559

like yeah i don't know i don't even know

935

00:33:59,350 --> 00:33:57,200

how to describe it

936

00:34:00,149 --> 00:33:59,360

ben benoit said something cool about

937

00:34:02,470 --> 00:34:00,159

like

938

00:34:04,470 --> 00:34:02,480

you know how people are interested in

939

00:34:06,789 --> 00:34:04,480

history and want to know history you

940

00:34:08,470 --> 00:34:06,799

know so like if they're from the future

941

00:34:09,349 --> 00:34:08,480

isn't that what you were talking about

942

00:34:13,109 --> 00:34:09,359

yeah

943

00:34:14,710 --> 00:34:13,119

feeling that that i think all cultures

944

00:34:16,629 --> 00:34:14,720

are interested in like that's the one

945

00:34:19,030 --> 00:34:16,639

thing like almost everybody's interested

946

00:34:20,310 --> 00:34:19,040

in it some point is hey where do we come

947

00:34:21,750 --> 00:34:20,320

from what's our history how did that

948

00:34:23,430 --> 00:34:21,760

thing happen who's lying about this

949

00:34:25,349 --> 00:34:23,440

what's in our textbook let's go check it

950

00:34:26,869 --> 00:34:25,359

out for ourselves

951
00:34:28,550 --> 00:34:26,879
i mean i think we talked to michael

952
00:34:29,990 --> 00:34:28,560
shroud about this we mentioned him

953
00:34:31,909 --> 00:34:30,000
daniel uh

954
00:34:34,310 --> 00:34:31,919
the the dark files

955
00:34:37,190 --> 00:34:34,320
photo what you're drawing or reminded of

956
00:34:39,349 --> 00:34:37,200
us of was is this particular craft and

957
00:34:41,349 --> 00:34:39,359
when we uh interviewed michael tratt uh

958
00:34:43,349 --> 00:34:41,359
uh i don't know was this like last year

959
00:34:44,389 --> 00:34:43,359
i think that's when we talked about this

960
00:34:45,909 --> 00:34:44,399
is because

961
00:34:47,109 --> 00:34:45,919
uh he got the same

962
00:34:49,589 --> 00:34:47,119
sense that

963
00:34:52,790 --> 00:34:49,599

from this case that it felt like this

964

00:34:55,669 --> 00:34:52,800

was an observation ship to where it's

965

00:34:57,910 --> 00:34:55,679

almost like like a charter bus taking

966

00:35:00,390 --> 00:34:57,920

people to go sightseeing and go back

967

00:35:02,630 --> 00:35:00,400

through history to witness stuff like

968

00:35:04,550 --> 00:35:02,640

through the windows yeah that makes

969

00:35:06,550 --> 00:35:04,560

sense

970

00:35:08,790 --> 00:35:06,560

yeah if you had the technology to do it

971

00:35:11,190 --> 00:35:08,800

you know if you're like man like

972

00:35:13,670 --> 00:35:11,200

what was going on you know whatever in

973

00:35:16,550 --> 00:35:13,680

the 1600s and if you had the technology

974

00:35:19,990 --> 00:35:16,560

to do it why would you just go see it

975

00:35:21,750 --> 00:35:20,000

it makes sense i know i would yeah

976
00:35:23,270 --> 00:35:21,760
we're but simple human beings though

977
00:35:25,990 --> 00:35:23,280
benjamin

978
00:35:27,670 --> 00:35:26,000
yes yes yes i know i was really glad

979
00:35:29,829 --> 00:35:27,680
that when i looked at that thing with my

980
00:35:31,270 --> 00:35:29,839
binoculars i was really glad that

981
00:35:32,950 --> 00:35:31,280
because i could see the windows with my

982
00:35:34,710 --> 00:35:32,960
bare eyes i didn't

983
00:35:36,470 --> 00:35:34,720
it was close enough to where i could see

984
00:35:38,310 --> 00:35:36,480
the windows and

985
00:35:40,470 --> 00:35:38,320
i had these binoculars which are pretty

986
00:35:42,630 --> 00:35:40,480
decent binoculars and i was staring at

987
00:35:45,510 --> 00:35:42,640
it and i was more focused on the front

988
00:35:47,270 --> 00:35:45,520

of the ship at first more than anything

989

00:35:48,790 --> 00:35:47,280

and i just kept telling myself please

990

00:35:50,470 --> 00:35:48,800

don't have anything standing in front of

991

00:35:53,349 --> 00:35:50,480

one of these windows

992

00:35:55,349 --> 00:35:53,359

dude like donald lost it i was super

993

00:35:56,870 --> 00:35:55,359

glad that i didn't see anything in front

994

00:35:58,550 --> 00:35:56,880

of the window

995

00:36:01,349 --> 00:35:58,560

oh man

996

00:36:03,750 --> 00:36:01,359

i couldn't i do i couldn't even imagine

997

00:36:07,430 --> 00:36:03,760

i would lose my i would lose my mind

998

00:36:09,190 --> 00:36:07,440

yeah they walk by really fast like

999

00:36:13,510 --> 00:36:09,200

yeah you just see it through like four

1000

00:36:15,349 --> 00:36:13,520

windows so quick oh that'd be so creepy

1001
00:36:18,550 --> 00:36:15,359
on the last one no he like he like moves

1002
00:36:20,390 --> 00:36:18,560
us on the last one though yeah

1003
00:36:22,790 --> 00:36:20,400
okay i could pretty much deal with any

1004
00:36:24,870 --> 00:36:22,800
of the aliens that's supposedly around

1005
00:36:27,190 --> 00:36:24,880
here except for the one i can't deal

1006
00:36:29,670 --> 00:36:27,200
with those mantids those praying mantis

1007
00:36:32,310 --> 00:36:29,680
looking things that people say they see

1008
00:36:34,230 --> 00:36:32,320
yeah screw screw walking up on a 10-foot

1009
00:36:35,430 --> 00:36:34,240
praying mass like they can stay wherever

1010
00:36:38,710 --> 00:36:35,440
they at

1011
00:36:41,190 --> 00:36:38,720
yeah man i dude i i know i used to feel

1012
00:36:43,109 --> 00:36:41,200
the same way like how creepy

1013
00:36:45,030 --> 00:36:43,119

like to have a mantis standing in front

1014

00:36:47,670 --> 00:36:45,040

of you but isn't it weird though how

1015

00:36:50,310 --> 00:36:47,680

like in a lot of these stories like the

1016

00:36:52,550 --> 00:36:50,320

mantis is always like the cool one like

1017

00:36:54,630 --> 00:36:52,560

he's always like just staring at you or

1018

00:36:56,710 --> 00:36:54,640

something like still creepy as [h__h] but

1019

00:36:59,750 --> 00:36:56,720

dude daniel have you ever heard the

1020

00:37:01,990 --> 00:36:59,760

stories of like mantis actually like

1021

00:37:05,109 --> 00:37:02,000

dressing up in costumes

1022

00:37:07,109 --> 00:37:05,119

yes i've actually heard them yeah dude

1023

00:37:09,030 --> 00:37:07,119

how strange is that like you know some

1024

00:37:11,270 --> 00:37:09,040

of these experiences say that like yeah

1025

00:37:13,990 --> 00:37:11,280

they they tend to have a sense of humor

1026
00:37:15,349 --> 00:37:14,000
like they understand humans and like you

1027
00:37:16,870 --> 00:37:15,359
know the way that they are and so they

1028
00:37:18,870 --> 00:37:16,880
do that to make you know them

1029
00:37:20,390 --> 00:37:18,880
comfortable and even when it happens

1030
00:37:23,270 --> 00:37:20,400
they're like it's still the weirdest

1031
00:37:25,109 --> 00:37:23,280
thing ever but for some reason i did

1032
00:37:27,430 --> 00:37:25,119
feel comfortable you know

1033
00:37:29,349 --> 00:37:27,440
yeah well that's what i have heard about

1034
00:37:31,349 --> 00:37:29,359
them you know i don't know if there's

1035
00:37:33,910 --> 00:37:31,359
really mantis i sound kind of crazy

1036
00:37:35,589 --> 00:37:33,920
acting like it but anyways i've heard

1037
00:37:36,950 --> 00:37:35,599
from from different stories and

1038
00:37:38,710 --> 00:37:36,960

everything that

1039

00:37:40,790 --> 00:37:38,720

they are uh

1040

00:37:42,790 --> 00:37:40,800

like the medical ones

1041

00:37:44,390 --> 00:37:42,800

or whatever like they actually bring

1042

00:37:45,750 --> 00:37:44,400

peace to you like

1043

00:37:47,750 --> 00:37:45,760

some some of the people that have been

1044

00:37:50,069 --> 00:37:47,760

abducted like it was actually the mantid

1045

00:37:52,550 --> 00:37:50,079

that calmed them down telepathically or

1046

00:37:54,470 --> 00:37:52,560

whatever and that demanded was the one

1047

00:37:55,829 --> 00:37:54,480

doing like the most the medical

1048

00:37:56,630 --> 00:37:55,839

procedures

1049

00:37:58,390 --> 00:37:56,640

is

1050

00:38:00,470 --> 00:37:58,400

from what i've heard

1051
00:38:02,069 --> 00:38:00,480
that's what i've heard too man you know

1052
00:38:03,990 --> 00:38:02,079
that's what i've heard too

1053
00:38:06,950 --> 00:38:04,000
so maybe they are cool but they just

1054
00:38:09,829 --> 00:38:06,960
need to uh oh dude yeah no still like

1055
00:38:11,910 --> 00:38:09,839
yeah stay over there dude like

1056
00:38:13,190 --> 00:38:11,920
like i got pictures of praying madnesses

1057
00:38:15,510 --> 00:38:13,200
and all kind of like i think this is the

1058
00:38:17,670 --> 00:38:15,520
coolest thing but i just cannot picture

1059
00:38:19,349 --> 00:38:17,680
a 10 foot tall praying madness like

1060
00:38:21,190 --> 00:38:19,359
walking up on one of them like that

1061
00:38:22,470 --> 00:38:21,200
that'd be frightening dude i know

1062
00:38:24,230 --> 00:38:22,480
because most of the pictures that you

1063
00:38:26,390 --> 00:38:24,240

see of fraying mantis are either like

1064

00:38:28,870 --> 00:38:26,400

them doing something cool or them eating

1065

00:38:30,710 --> 00:38:28,880

the head of something like and it's like

1066

00:38:32,710 --> 00:38:30,720

you know that's the only kind of

1067

00:38:34,310 --> 00:38:32,720

perspective i have on the mantis is that

1068

00:38:37,030 --> 00:38:34,320

it's like doing something cool or it's

1069

00:38:38,550 --> 00:38:37,040

like eating head first like that's just

1070

00:38:39,589 --> 00:38:38,560

i don't know like

1071

00:38:40,630 --> 00:38:39,599

yeah

1072

00:38:42,950 --> 00:38:40,640

that would go through your head

1073

00:38:44,710 --> 00:38:42,960

immediately right you're like oh [h__\h]

1074

00:38:48,230 --> 00:38:44,720

he's either gonna strike a cool pose or

1075

00:38:51,990 --> 00:38:50,150

yeah i wouldn't yeah

1076
00:38:53,430 --> 00:38:52,000
and like all the colors man i've been

1077
00:38:55,589 --> 00:38:53,440
hearing about all these colors like

1078
00:38:57,510 --> 00:38:55,599
these these these mantis can be all

1079
00:38:59,430 --> 00:38:57,520
different colors like of the rainbow and

1080
00:39:01,270 --> 00:38:59,440
like some people are like yeah the

1081
00:39:03,270 --> 00:39:01,280
mantids that show up to me they're like

1082
00:39:04,790 --> 00:39:03,280
a color i don't even know what it is

1083
00:39:08,230 --> 00:39:04,800
kind of a color

1084
00:39:09,750 --> 00:39:08,240
they're like it's a it's a purplish um

1085
00:39:11,190 --> 00:39:09,760
yellowish

1086
00:39:12,710 --> 00:39:11,200
uh greenish

1087
00:39:14,310 --> 00:39:12,720
it's like that's cool you're like did

1088
00:39:15,910 --> 00:39:14,320

you just say all the colors because that

1089

00:39:18,630 --> 00:39:15,920

would mean black and they're like no not

1090

00:39:19,670 --> 00:39:18,640

black just like color crazy i can't even

1091

00:39:21,829 --> 00:39:19,680

explain it

1092

00:39:24,310 --> 00:39:21,839

like the chameleon paint job

1093

00:39:26,470 --> 00:39:24,320

dude yeah something like that something

1094

00:39:27,910 --> 00:39:26,480

like that like iridescent maybe like

1095

00:39:29,670 --> 00:39:27,920

reflecting kind of like a like the

1096

00:39:33,589 --> 00:39:29,680

inside of a oyster shell depends on how

1097

00:39:36,069 --> 00:39:33,599

you move you know yeah man

1098

00:39:38,310 --> 00:39:36,079

that's fun that's fun

1099

00:39:40,630 --> 00:39:38,320

i don't know man i think i think the the

1100

00:39:42,150 --> 00:39:40,640

mantis would be frightening at first but

1101

00:39:43,430 --> 00:39:42,160

as long as he's not yeah he's not as

1102

00:39:44,710 --> 00:39:43,440

long as he's not gonna eat my head i

1103

00:39:46,630 --> 00:39:44,720

think i think i could be cool with a

1104

00:39:47,589 --> 00:39:46,640

mantis yeah

1105

00:39:51,829 --> 00:39:47,599

maybe

1106

00:39:54,550 --> 00:39:51,839

popped out the woods like telepathically

1107

00:39:56,310 --> 00:39:54,560

i'd be okay with it maybe he's like dude

1108

00:39:58,950 --> 00:39:56,320

i'm about to pop out on you so don't

1109

00:40:00,710 --> 00:39:58,960

freak out but if i just turned around to

1110

00:40:04,470 --> 00:40:00,720

staring at a 10-foot madness i'm gonna

1111

00:40:05,510 --> 00:40:04,480

lose it yep yep man dude i know i've

1112

00:40:07,109 --> 00:40:05,520

always said

1113

00:40:10,470 --> 00:40:07,119

why can't they just warn you ahead of

1114

00:40:12,470 --> 00:40:10,480

time like you know her job yeah just let

1115

00:40:14,870 --> 00:40:12,480

me know it's cool i mean like i wouldn't

1116

00:40:17,670 --> 00:40:14,880

mind meeting you but don't dude just why

1117

00:40:19,270 --> 00:40:17,680

are you always being weird stop

1118

00:40:20,550 --> 00:40:19,280

i wonder if they like can't help it but

1119

00:40:22,150 --> 00:40:20,560

pop out you know like that's just how

1120

00:40:26,230 --> 00:40:22,160

they move so they're like hey just to

1121

00:40:27,829 --> 00:40:26,240

let you know i move i move very poppy so

1122

00:40:30,630 --> 00:40:27,839

i'm a little jerky just letting you know

1123

00:40:32,230 --> 00:40:30,640

i'm not doing it on purpose

1124

00:40:33,910 --> 00:40:32,240

so

1125

00:40:36,390 --> 00:40:33,920

daniel what are your thoughts man i mean

1126

00:40:38,309 --> 00:40:36,400

do you have a do you have a an opinion i

1127

00:40:40,309 --> 00:40:38,319

mean do you think do you think something

1128

00:40:42,230 --> 00:40:40,319

like this right

1129

00:40:45,109 --> 00:40:42,240

do do you think something like this

1130

00:40:47,750 --> 00:40:45,119

could it could exist like man could be

1131

00:40:48,550 --> 00:40:47,760

working on it you know i mean

1132

00:40:50,470 --> 00:40:48,560

uh

1133

00:40:51,990 --> 00:40:50,480

there's there's so many different things

1134

00:40:53,750 --> 00:40:52,000

you know what was it uh the project

1135

00:40:55,030 --> 00:40:53,760

horizons in like the 50s and they were

1136

00:40:56,950 --> 00:40:55,040

like yeah

1137

00:40:59,910 --> 00:40:56,960

by the end of the 50s we're going to be

1138

00:41:02,309 --> 00:40:59,920

launching 62 rockets to the moon like

1139

00:41:04,069 --> 00:41:02,319

and it became like this kind of like

1140

00:41:05,349 --> 00:41:04,079

okay we're going to bury this and then

1141

00:41:07,190 --> 00:41:05,359

like

1142

00:41:09,349 --> 00:41:07,200

then rockets and stuff start becoming

1143

00:41:11,910 --> 00:41:09,359

this thing you have the space age and

1144

00:41:14,470 --> 00:41:11,920

you know the race and then supposedly we

1145

00:41:16,230 --> 00:41:14,480

go on 69 and it's like that's such a

1146

00:41:17,910 --> 00:41:16,240

long time away from

1147

00:41:19,510 --> 00:41:17,920

the early 50s where they were like yeah

1148

00:41:23,349 --> 00:41:19,520

we're gonna be launching rockets to the

1149

00:41:25,430 --> 00:41:23,359

moon like if a civilization if a certain

1150

00:41:26,950 --> 00:41:25,440

someone could have done that back in the

1151
00:41:29,270 --> 00:41:26,960
day that means that they were thinking

1152
00:41:31,430 --> 00:41:29,280
about that like

1153
00:41:32,470 --> 00:41:31,440
a long ass time ago you know

1154
00:41:34,630 --> 00:41:32,480
they're like how are we going to get to

1155
00:41:37,990 --> 00:41:34,640
the moon somebody in the 1800s was like

1156
00:41:42,150 --> 00:41:39,829
yeah

1157
00:41:44,950 --> 00:41:42,160
i don't know i i would have to say if i

1158
00:41:46,470 --> 00:41:44,960
was a bad man

1159
00:41:48,710 --> 00:41:46,480
it would i would have to say it's

1160
00:41:50,630 --> 00:41:48,720
probably coming from outer space

1161
00:41:53,190 --> 00:41:50,640
somewhere else

1162
00:41:55,510 --> 00:41:53,200
you know it's like that craft did look

1163
00:41:57,990 --> 00:41:55,520

like it was could have been human made

1164

00:42:01,109 --> 00:41:58,000

except for the fact that it floated by

1165

00:42:03,670 --> 00:42:01,119

with no noise and

1166

00:42:05,750 --> 00:42:03,680

but besides that

1167

00:42:07,190 --> 00:42:05,760

i don't know just from everything else

1168

00:42:09,670 --> 00:42:07,200

i've been seeing

1169

00:42:13,589 --> 00:42:09,680

like even with these orbs

1170

00:42:14,470 --> 00:42:13,599

i just it's got to be more to it like

1171

00:42:16,470 --> 00:42:14,480

in

1172

00:42:18,710 --> 00:42:16,480

your hypothesis like i don't see how

1173

00:42:21,190 --> 00:42:18,720

that could be a possibility without

1174

00:42:23,190 --> 00:42:21,200

messing like all the time up you know

1175

00:42:24,230 --> 00:42:23,200

like changing all kind of stuff even if

1176
00:42:27,990 --> 00:42:24,240
they're

1177
00:42:29,030 --> 00:42:28,000
you know much

1178
00:42:31,430 --> 00:42:29,040
but

1179
00:42:34,309 --> 00:42:31,440
you know just that could be just

1180
00:42:35,750 --> 00:42:34,319
a disaster by itself i would think

1181
00:42:39,190 --> 00:42:35,760
yeah

1182
00:42:40,870 --> 00:42:39,200
i would say it's it's from somewhere

1183
00:42:44,309 --> 00:42:40,880
else

1184
00:42:46,470 --> 00:42:44,319
yeah you know maybe it may be dimension

1185
00:42:49,349 --> 00:42:46,480
i know the dimension i don't know but

1186
00:42:52,710 --> 00:42:49,359
it's definitely a possibility um yeah i

1187
00:42:53,990 --> 00:42:52,720
i do like to i do like to give humans um

1188
00:42:56,390 --> 00:42:54,000

some credit

1189

00:42:58,870 --> 00:42:56,400

um maybe not like the general population

1190

00:43:00,630 --> 00:42:58,880

but like the people who know [\h__\h] like

1191

00:43:03,030 --> 00:43:00,640

i'm sure that there's some pretty wild

1192

00:43:04,710 --> 00:43:03,040

stuff out there and and you know they

1193

00:43:07,190 --> 00:43:04,720

always say that like when you receive a

1194

00:43:09,270 --> 00:43:07,200

technology like it's already been used

1195

00:43:11,510 --> 00:43:09,280

by like the military or somebody else

1196

00:43:14,150 --> 00:43:11,520

for the past 20 30 years by the time you

1197

00:43:17,270 --> 00:43:14,160

receive it it's old as [\h__\h] and like you

1198

00:43:19,430 --> 00:43:17,280

know i i i think about the thought of

1199

00:43:23,589 --> 00:43:19,440

like man they were talking about

1200

00:43:25,589 --> 00:43:23,599

light speed and warp drives um you know

1201

00:43:27,270 --> 00:43:25,599

way back in the day you know in the 60s

1202

00:43:29,910 --> 00:43:27,280

you look at the star trek and stuff and

1203

00:43:30,630 --> 00:43:29,920

it's like these are ideas that are you

1204

00:43:33,109 --> 00:43:30,640

know

1205

00:43:35,430 --> 00:43:33,119

no idea is an original idea or a thought

1206

00:43:37,510 --> 00:43:35,440

right like i think multiple people have

1207

00:43:39,829 --> 00:43:37,520

said that now and it's like

1208

00:43:42,069 --> 00:43:39,839

dude like okay well if that's the case

1209

00:43:44,230 --> 00:43:42,079

and it this was like back in the 60s you

1210

00:43:45,910 --> 00:43:44,240

know somebody's been thinking about that

1211

00:43:48,950 --> 00:43:45,920

and somebody's been working on light

1212

00:43:51,270 --> 00:43:48,960

speed for a long time at this point and

1213

00:43:52,550 --> 00:43:51,280

maybe we can't reach light speed but i

1214

00:43:54,150 --> 00:43:52,560

think maybe

1215

00:43:56,230 --> 00:43:54,160

we have discovered comfortably how to

1216

00:43:58,150 --> 00:43:56,240

move at at least 10 000 miles an hour

1217

00:44:00,550 --> 00:43:58,160

right i believe some of the crafts

1218

00:44:03,270 --> 00:44:00,560

zipping around i think some of that [h__\h]

1219

00:44:07,109 --> 00:44:03,280

is ours now this thing right here like

1220

00:44:09,109 --> 00:44:07,119

that's as big as a a a big larger than a

1221

00:44:11,670 --> 00:44:09,119

cargo jet i don't know dude like it

1222

00:44:14,390 --> 00:44:11,680

seems like it'd have to be you know but

1223

00:44:17,270 --> 00:44:14,400

again i i have no idea but this thing is

1224

00:44:19,349 --> 00:44:17,280

so crazy looking and

1225

00:44:21,589 --> 00:44:19,359

like if hundreds of people could have

1226

00:44:23,750 --> 00:44:21,599

been on that thing or hundreds of

1227

00:44:25,510 --> 00:44:23,760

something could have been on that thing

1228

00:44:28,309 --> 00:44:25,520

like it was

1229

00:44:31,829 --> 00:44:29,990

and that's the part that just trips me

1230

00:44:33,750 --> 00:44:31,839

out and what trips me out also is i kept

1231

00:44:37,270 --> 00:44:33,760

looking for it to like blow up on the

1232

00:44:39,109 --> 00:44:37,280

news because it was seven it was 7 22

1233

00:44:41,510 --> 00:44:39,119

when i took that video

1234

00:44:43,349 --> 00:44:41,520

in the afternoon it just got dark

1235

00:44:45,430 --> 00:44:43,359

because that was a you know before

1236

00:44:48,230 --> 00:44:45,440

daylight savings time or whatever so it

1237

00:44:51,510 --> 00:44:48,240

got dark early so it just got dark it

1238

00:44:53,589 --> 00:44:51,520

was 7 22 and it went over my house and i

1239

00:44:56,069 --> 00:44:53,599

went down my driveway after

1240

00:44:57,910 --> 00:44:56,079

it went so i could keep seeing it going

1241

00:45:00,550 --> 00:44:57,920

and it went towards columbia south

1242

00:45:02,710 --> 00:45:00,560

carolina which is the big town

1243

00:45:04,710 --> 00:45:02,720

like it was heading

1244

00:45:06,630 --> 00:45:04,720

kind of that direction

1245

00:45:08,630 --> 00:45:06,640

and i kept going somebody's going to see

1246

00:45:10,710 --> 00:45:08,640

this and report it but i never saw any

1247

00:45:11,990 --> 00:45:10,720

kind of reportings on it

1248

00:45:14,069 --> 00:45:12,000

and

1249

00:45:15,910 --> 00:45:14,079

to me that should that just blows my

1250

00:45:17,430 --> 00:45:15,920

mind because it's like

1251
00:45:19,430 --> 00:45:17,440
that's why i was glad i at least caught

1252
00:45:21,750 --> 00:45:19,440
that little bit of a video that way i

1253
00:45:24,390 --> 00:45:21,760
knew okay i haven't completely lost my

1254
00:45:26,630 --> 00:45:24,400
mind something was there that's odd

1255
00:45:29,750 --> 00:45:26,640
that yeah

1256
00:45:31,270 --> 00:45:29,760
yeah but i checked on like mufon or

1257
00:45:33,109 --> 00:45:31,280
whatever

1258
00:45:35,910 --> 00:45:33,119
and i didn't see any

1259
00:45:39,030 --> 00:45:35,920
reports that day

1260
00:45:40,069 --> 00:45:39,040
that's crazy have you made any reports

1261
00:45:41,190 --> 00:45:40,079
yeah

1262
00:45:43,270 --> 00:45:41,200
i have

1263
00:45:45,750 --> 00:45:43,280

i didn't own that one because i made one

1264

00:45:47,990 --> 00:45:45,760

on that white thing that i saw in on

1265

00:45:49,910 --> 00:45:48,000

that one orb

1266

00:45:51,190 --> 00:45:49,920

and i've never heard nothing back from i

1267

00:45:52,630 --> 00:45:51,200

mean i don't know if they're supposed i

1268

00:45:54,230 --> 00:45:52,640

don't know how all that works i don't

1269

00:45:56,470 --> 00:45:54,240

know if they're supposed to contact you

1270

00:45:58,630 --> 00:45:56,480

or to ask questions or anything but

1271

00:46:01,349 --> 00:45:58,640

nobody ever did

1272

00:46:03,030 --> 00:46:01,359

interesting huh

1273

00:46:05,829 --> 00:46:03,040

that's pretty interesting

1274

00:46:07,990 --> 00:46:05,839

and another thing um

1275

00:46:10,230 --> 00:46:08,000

i don't know how regular fireballs

1276
00:46:12,950 --> 00:46:10,240
happen but i've been seeing a lot of

1277
00:46:15,270 --> 00:46:12,960
those lately too

1278
00:46:16,870 --> 00:46:15,280
like just regular like

1279
00:46:18,630 --> 00:46:16,880
you know i'm sure they're just

1280
00:46:20,870 --> 00:46:18,640
meteors or whatever but it's just

1281
00:46:22,710 --> 00:46:20,880
they're cool to see

1282
00:46:24,630 --> 00:46:22,720
they are cool man they are cool

1283
00:46:26,870 --> 00:46:24,640
especially like when they like kind of

1284
00:46:28,790 --> 00:46:26,880
fizzle and like little pieces break off

1285
00:46:31,589 --> 00:46:28,800
balls yes

1286
00:46:33,109 --> 00:46:31,599
yeah dude those are cool floating balls

1287
00:46:34,390 --> 00:46:33,119
gasps

1288
00:46:36,470 --> 00:46:34,400

i was saying like

1289

00:46:39,589 --> 00:46:36,480

green ones

1290

00:46:42,950 --> 00:46:39,599

yeah yeah isn't that like the the copper

1291

00:46:45,190 --> 00:46:42,960

or the the magnesium in in

1292

00:46:46,790 --> 00:46:45,200

or i don't know one of those burns green

1293

00:46:48,309 --> 00:46:46,800

i don't know yeah i can't remember which

1294

00:46:49,829 --> 00:46:48,319

one it was but yeah it was definitely

1295

00:46:51,030 --> 00:46:49,839

something in the rock

1296

00:46:53,270 --> 00:46:51,040

that's cool

1297

00:46:58,230 --> 00:46:53,280

dude man you got your little sound bar

1298

00:47:03,030 --> 00:46:58,240

over there yeah dude do it for yourself

1299

00:47:04,390 --> 00:47:03,040

giant stone giant blocks of stone

1300

00:47:06,950 --> 00:47:04,400

oh my god

1301

00:47:09,030 --> 00:47:06,960

what is that that is a lot of fun

1302

00:47:11,829 --> 00:47:09,040

daniel you're the first person to be

1303

00:47:14,630 --> 00:47:11,839

with us on uh on our on the new the new

1304

00:47:17,030 --> 00:47:14,640

streaming service that we're using so

1305

00:47:19,510 --> 00:47:17,040

there's some new things happening man

1306

00:47:21,510 --> 00:47:19,520

that's awesome yeah you can only focus

1307

00:47:23,510 --> 00:47:21,520

on that right now it's like such the

1308

00:47:26,150 --> 00:47:23,520

perfect episode for it too because it's

1309

00:47:29,109 --> 00:47:26,160

like new service we get a sweet ass

1310

00:47:31,670 --> 00:47:29,119

story yeah sweet ass drawing sweet ass

1311

00:47:34,069 --> 00:47:31,680

videos like [h__h]

1312

00:47:36,069 --> 00:47:34,079

that's so good dude this is so good

1313

00:47:37,510 --> 00:47:36,079

yeah how how many

1314

00:47:40,230 --> 00:47:37,520

i know you said that you've seen it a

1315

00:47:42,069 --> 00:47:40,240

few times after that um did have you

1316

00:47:43,990 --> 00:47:42,079

ever like have you lived in this in the

1317

00:47:46,710 --> 00:47:44,000

same area that whole time have you moved

1318

00:47:49,510 --> 00:47:46,720

around at all or no

1319

00:47:53,190 --> 00:47:49,520

this has all been within this year

1320

00:47:54,309 --> 00:47:53,200

like within this year it's crazy

1321

00:47:55,990 --> 00:47:54,319

like

1322

00:47:59,750 --> 00:47:56,000

if i send you some of the videos of the

1323

00:48:02,390 --> 00:47:59,760

orbs i'll do that later or whatever it's

1324

00:48:04,870 --> 00:48:02,400

you can 100 see it's it's an orb it's

1325

00:48:07,349 --> 00:48:04,880

not flashing it's just solid white

1326
00:48:10,150 --> 00:48:07,359
lights and coming over but yeah all this

1327
00:48:11,910 --> 00:48:10,160
activity has been within a year

1328
00:48:14,390 --> 00:48:11,920
wow

1329
00:48:16,790 --> 00:48:14,400
hmm that's pretty crazy yeah that's

1330
00:48:18,790 --> 00:48:16,800
interesting um i would think that you

1331
00:48:20,470 --> 00:48:18,800
you've been seeing this stuff for years

1332
00:48:21,750 --> 00:48:20,480
i mean you're pretty knowledgeable on i

1333
00:48:23,750 --> 00:48:21,760
mean you know about you knew about the

1334
00:48:26,230 --> 00:48:23,760
mantis stuff like that's well because i

1335
00:48:28,069 --> 00:48:26,240
hit it hardcore when i saw that

1336
00:48:29,430 --> 00:48:28,079
when i when that orb frightened me that

1337
00:48:31,109 --> 00:48:29,440
time that

1338
00:48:32,710 --> 00:48:31,119

feeling i was like i'm gonna do some

1339

00:48:34,390 --> 00:48:32,720

research into this and figure out

1340

00:48:35,430 --> 00:48:34,400

exactly what's going on that's when i

1341

00:48:38,230 --> 00:48:35,440

started when

1342

00:48:41,589 --> 00:48:38,240

you know i i hit the internet and went

1343

00:48:43,430 --> 00:48:41,599

crazy for a while and got into every

1344

00:48:45,270 --> 00:48:43,440

every other day i was telling my wife a

1345

00:48:48,150 --> 00:48:45,280

new theory she was like okay what's the

1346

00:48:50,230 --> 00:48:48,160

new theory today i was like well

1347

00:48:52,790 --> 00:48:50,240

there could be ten foot praying mantises

1348

00:48:54,069 --> 00:48:52,800

or lizards or i mean i don't know

1349

00:48:55,910 --> 00:48:54,079

bigfoots

1350

00:48:57,109 --> 00:48:55,920

everywhere i don't know

1351
00:48:59,190 --> 00:48:57,119
but

1352
00:48:59,660 --> 00:48:59,200
are you um

1353
00:49:00,870 --> 00:48:59,670
are you

1354
00:49:02,549 --> 00:49:00,880
[Music]

1355
00:49:04,549 --> 00:49:02,559
i don't know how to put this it's going

1356
00:49:06,710 --> 00:49:04,559
to sound weird either way but are you

1357
00:49:10,230 --> 00:49:06,720
are you are you are you worried about it

1358
00:49:14,870 --> 00:49:12,950
no i just i honestly think that i don't

1359
00:49:17,430 --> 00:49:14,880
think it's specifically for me i just

1360
00:49:18,549 --> 00:49:17,440
think i look up at a ridiculous amount

1361
00:49:20,950 --> 00:49:18,559
of time

1362
00:49:22,710 --> 00:49:20,960
like ever since i saw that one like

1363
00:49:24,549 --> 00:49:22,720

every time i'm outside i'm looking up

1364

00:49:26,950 --> 00:49:24,559

even when i'm working during the day i'm

1365

00:49:28,790 --> 00:49:26,960

always looking up like i

1366

00:49:29,670 --> 00:49:28,800

i just think i'm seeing it like i don't

1367

00:49:31,510 --> 00:49:29,680

think

1368

00:49:34,150 --> 00:49:31,520

anything's out to get me or they're out

1369

00:49:35,430 --> 00:49:34,160

to get me or anything like that i just i

1370

00:49:37,589 --> 00:49:35,440

just think

1371

00:49:39,510 --> 00:49:37,599

it's happening more than you know and

1372

00:49:40,630 --> 00:49:39,520

people just don't look up

1373

00:49:42,230 --> 00:49:40,640

enough

1374

00:49:45,030 --> 00:49:42,240

yeah like they're just not paying

1375

00:49:46,870 --> 00:49:45,040

attention yeah dude i love that i love

1376

00:49:48,390 --> 00:49:46,880

that man uh

1377

00:49:50,390 --> 00:49:48,400

that's that's something we say all the

1378

00:49:53,349 --> 00:49:50,400

time it's like how often are people just

1379

00:49:56,470 --> 00:49:53,359

looking up most people are looking down

1380

00:49:58,630 --> 00:49:56,480

most of the time you know

1381

00:50:00,790 --> 00:49:58,640

you're not you know and it sucks because

1382

00:50:02,790 --> 00:50:00,800

like it you know that's just human

1383

00:50:05,270 --> 00:50:02,800

nature you if you look up you run into a

1384

00:50:06,950 --> 00:50:05,280

lot of [h__h] and that's stuck you know

1385

00:50:08,870 --> 00:50:06,960

unless you're kind of like just hanging

1386

00:50:10,549 --> 00:50:08,880

out or standing still but

1387

00:50:15,510 --> 00:50:10,559

i i

1388

00:50:17,349 --> 00:50:15,520

spend more time looking up you're gonna

1389

00:50:19,030 --> 00:50:17,359

see a lot more stuff

1390

00:50:21,270 --> 00:50:19,040

uh just

1391

00:50:23,030 --> 00:50:21,280

you know how many how many stories have

1392

00:50:25,670 --> 00:50:23,040

you heard of like just something that

1393

00:50:28,230 --> 00:50:25,680

keeps keeps showing up right yeah

1394

00:50:29,589 --> 00:50:28,240

nothing's going on just keep showing up

1395

00:50:31,030 --> 00:50:29,599

you're like what the hell is this thing

1396

00:50:33,190 --> 00:50:31,040

that keeps showing up

1397

00:50:33,990 --> 00:50:33,200

at my house you know and then another

1398

00:50:35,670 --> 00:50:34,000

hand

1399

00:50:36,790 --> 00:50:35,680

and then one day

1400

00:50:38,870 --> 00:50:36,800

there's like

1401
00:50:40,390 --> 00:50:38,880
four hours missing out of your afternoon

1402
00:50:42,069 --> 00:50:40,400
you're like what the hell

1403
00:50:45,510 --> 00:50:42,079
and then the thing shows up again you're

1404
00:50:46,950 --> 00:50:45,520
like okay you know it's almost like

1405
00:50:49,030 --> 00:50:46,960
i don't know i don't know but you know

1406
00:50:50,630 --> 00:50:49,040
the feeling like you know maybe that's

1407
00:50:52,790 --> 00:50:50,640
important that feeling that you got

1408
00:50:56,870 --> 00:50:52,800
right because maybe you know you were

1409
00:50:58,390 --> 00:50:56,880
there you saw it uh and they noticed you

1410
00:50:59,190 --> 00:50:58,400
and they were like all right

1411
00:51:01,589 --> 00:50:59,200
um

1412
00:51:03,750 --> 00:51:01,599
creepy feeling and they like maybe y'all

1413
00:51:05,990 --> 00:51:03,760

locked for a second you and whatever was

1414

00:51:08,069 --> 00:51:06,000

inside that and maybe they just felt

1415

00:51:09,670 --> 00:51:08,079

like this guy's not a threat he's he's

1416

00:51:11,030 --> 00:51:09,680

not doing nothing whatever we're not

1417

00:51:12,549 --> 00:51:11,040

here for him so

1418

00:51:14,230 --> 00:51:12,559

this is a good flight path it's in the

1419

00:51:16,790 --> 00:51:14,240

middle of nowhere we know this guy is

1420

00:51:18,710 --> 00:51:16,800

just this guy you know he's going to

1421

00:51:20,630 --> 00:51:18,720

take out his binoculars you know

1422

00:51:22,630 --> 00:51:20,640

whatever

1423

00:51:24,950 --> 00:51:22,640

and and now they can fly over you and

1424

00:51:26,630 --> 00:51:24,960

not view you as some sort of like

1425

00:51:28,150 --> 00:51:26,640

interruption to whatever they're doing

1426
00:51:30,390 --> 00:51:28,160
maybe you're just not even part of the

1427
00:51:32,549 --> 00:51:30,400
equation and they're just going over you

1428
00:51:34,710 --> 00:51:32,559
you know so that's that's interesting

1429
00:51:37,030 --> 00:51:34,720
it's very interesting yeah yeah i mean

1430
00:51:38,950 --> 00:51:37,040
i've pulled up the maps on like uh

1431
00:51:40,549 --> 00:51:38,960
google maps and everything to see like

1432
00:51:43,109 --> 00:51:40,559
the directions some of these things are

1433
00:51:45,510 --> 00:51:43,119
going and it's always like the least

1434
00:51:46,950 --> 00:51:45,520
amount of resistance if that makes sense

1435
00:51:48,829 --> 00:51:46,960
like

1436
00:51:52,470 --> 00:51:48,839
there's really nothing out here

1437
00:51:55,750 --> 00:51:52,480
like this is a very very small town

1438
00:51:57,589 --> 00:51:55,760

and even my my house like if from above

1439

00:51:59,829 --> 00:51:57,599

like google maps you can't even see my

1440

00:52:00,870 --> 00:51:59,839

house it's covered in trees

1441

00:52:02,309 --> 00:52:00,880

yeah

1442

00:52:03,589 --> 00:52:02,319

so it's like

1443

00:52:05,910 --> 00:52:03,599

if you were above in a plane you

1444

00:52:08,230 --> 00:52:05,920

wouldn't even know it was there

1445

00:52:10,630 --> 00:52:08,240

yeah that's awesome i was recently in in

1446

00:52:13,270 --> 00:52:10,640

asheville north carolina like last

1447

00:52:15,829 --> 00:52:13,280

last week uh two weekends ago

1448

00:52:18,150 --> 00:52:15,839

anyway uh just driving in those roads

1449

00:52:21,910 --> 00:52:18,160

man it's like playing doom like you

1450

00:52:24,870 --> 00:52:21,920

can't it's so thick with trees uh so

1451

00:52:26,950 --> 00:52:24,880

yeah i totally i have a visual for for

1452

00:52:28,870 --> 00:52:26,960

not being able to see like it's it's

1453

00:52:31,190 --> 00:52:28,880

very thick

1454

00:52:33,270 --> 00:52:31,200

yeah and i the good part about living

1455

00:52:34,470 --> 00:52:33,280

out here is i get a real good view of

1456

00:52:35,589 --> 00:52:34,480

the sky

1457

00:52:37,589 --> 00:52:35,599

because it's

1458

00:52:40,309 --> 00:52:37,599

not really the city lights isn't messing

1459

00:52:42,069 --> 00:52:40,319

with the light pollution or whatever so

1460

00:52:44,150 --> 00:52:42,079

like even with my cell phone i can get

1461

00:52:46,790 --> 00:52:44,160

pictures of like all kind of pictures of

1462

00:52:47,990 --> 00:52:46,800

the stars and everything they come out

1463

00:52:49,510 --> 00:52:48,000

real clear

1464

00:52:51,829 --> 00:52:49,520

i mean that's cool

1465

00:52:52,790 --> 00:52:51,839

that's cool yeah man

1466

00:52:54,630 --> 00:52:52,800

yeah

1467

00:52:57,430 --> 00:52:54,640

you got to get you one of them those uh

1468

00:52:58,870 --> 00:52:57,440

uh night vision monoscopes man

1469

00:53:00,630 --> 00:52:58,880

oh trust me i've been looking at them

1470

00:53:02,549 --> 00:53:00,640

they're like seven eight hundred dollars

1471

00:53:04,710 --> 00:53:02,559

with a good one

1472

00:53:06,470 --> 00:53:04,720

yeah they're not cheap they're not yeah

1473

00:53:10,069 --> 00:53:06,480

that's why for christmas i got a pair of

1474

00:53:12,390 --> 00:53:10,079

binoculars i was like that works for me

1475

00:53:14,150 --> 00:53:12,400

binoculars in a telescope i can't figure

1476

00:53:16,790 --> 00:53:14,160

out the telescope but the binoculars i

1477

00:53:19,270 --> 00:53:16,800

got i got to work with them good yeah

1478

00:53:19,990 --> 00:53:19,280

yeah man man and like the

1479

00:53:23,589 --> 00:53:20,000

the

1480

00:53:25,750 --> 00:53:23,599

that are like pretty badass like you can

1481

00:53:27,910 --> 00:53:25,760

just find stuff on your phone and it'll

1482

00:53:29,510 --> 00:53:27,920

look at it for you like that's crazy

1483

00:53:31,829 --> 00:53:29,520

they're so expensive dude you know

1484

00:53:33,750 --> 00:53:31,839

you're like i wanna see uh

1485

00:53:35,030 --> 00:53:33,760

yeah i wanna see the andromeda galaxy

1486

00:53:37,430 --> 00:53:35,040

and you just put it in your phone and

1487

00:53:40,829 --> 00:53:37,440

the whole thing just moves and like all

1488

00:53:43,109 --> 00:53:40,839

right look you lazy son of a [h__\h]

1489

00:53:45,270 --> 00:53:43,119

yeah because even like the one i got

1490

00:53:47,430 --> 00:53:45,280

like if there's a full moon i can focus

1491

00:53:49,589 --> 00:53:47,440

it on the moon and within like 15

1492

00:53:51,829 --> 00:53:49,599

seconds the moons move just enough out

1493

00:53:53,349 --> 00:53:51,839

of frame to where i got to readjust the

1494

00:53:54,150 --> 00:53:53,359

you know i got to move it over a little

1495

00:53:55,510 --> 00:53:54,160

bit

1496

00:53:57,750 --> 00:53:55,520

yeah so

1497

00:53:59,190 --> 00:53:57,760

it's a pain in the butt

1498

00:54:00,790 --> 00:53:59,200

it's crazy like

1499

00:54:02,150 --> 00:54:00,800

because i know like you're looking at

1500

00:54:04,230 --> 00:54:02,160

planets and stuff like when you're

1501
00:54:06,390 --> 00:54:04,240
looking at saturn through the telescope

1502
00:54:08,230 --> 00:54:06,400
you just like watch it move

1503
00:54:10,309 --> 00:54:08,240
yeah it's just so cool because you know

1504
00:54:12,630 --> 00:54:10,319
when you look up without something

1505
00:54:14,710 --> 00:54:12,640
magnifying it's it's just all staying

1506
00:54:15,990 --> 00:54:14,720
there it's so fascinating to be able to

1507
00:54:18,230 --> 00:54:16,000
see something kind of up close and

1508
00:54:21,750 --> 00:54:18,240
moving but i don't know i guess it's out

1509
00:54:25,030 --> 00:54:22,950
yeah

1510
00:54:28,069 --> 00:54:25,040
on the which dome i don't know whatever

1511
00:54:30,470 --> 00:54:28,079
dome is surrounding the flat earth oh

1512
00:54:32,309 --> 00:54:30,480
that's right and all those like

1513
00:54:34,069 --> 00:54:32,319

little tiny shadows from the moons and

1514

00:54:36,069 --> 00:54:34,079

stuff that i could see to the telescope

1515

00:54:37,750 --> 00:54:36,079

i don't know

1516

00:54:39,349 --> 00:54:37,760

that was one of the rabbit holes i found

1517

00:54:41,030 --> 00:54:39,359

whenever i was going through the alien

1518

00:54:42,789 --> 00:54:41,040

too i was like hey baby you know the you

1519

00:54:45,589 --> 00:54:42,799

know the earth flat and she said get the

1520

00:54:49,829 --> 00:54:46,549

yeah

1521

00:54:51,109 --> 00:54:49,839

that one

1522

00:54:53,670 --> 00:54:51,119

yeah

1523

00:54:55,430 --> 00:54:53,680

me it's a it's a little too much for me

1524

00:54:57,190 --> 00:54:55,440

as well man you know but those guys i

1525

00:54:59,430 --> 00:54:57,200

mean you know they really do give it the

1526

00:55:00,390 --> 00:54:59,440

old college try i mean there's there's

1527

00:55:02,150 --> 00:55:00,400

you know

1528

00:55:03,670 --> 00:55:02,160

they have some good points until you

1529

00:55:04,950 --> 00:55:03,680

listen to somebody who actually knows

1530

00:55:07,109 --> 00:55:04,960

what they're talking about talk about it

1531

00:55:08,549 --> 00:55:07,119

yeah you're like oh

1532

00:55:10,710 --> 00:55:08,559

it's like these fireballs that are

1533

00:55:12,230 --> 00:55:10,720

coming out of the water that's i mean

1534

00:55:14,470 --> 00:55:12,240

where are these fireballs coming from

1535

00:55:16,390 --> 00:55:14,480

the meteors you know like it that none

1536

00:55:19,960 --> 00:55:16,400

of that makes sense

1537

00:55:23,670 --> 00:55:19,970

yeah yeah yeah i don't know

1538

00:55:25,750 --> 00:55:23,680

[Laughter]

1539

00:55:27,670 --> 00:55:25,760

so i'm still i'm working on the timing

1540

00:55:29,349 --> 00:55:27,680

with that thing it's it's it's it's

1541

00:55:31,670 --> 00:55:29,359

jarring because it's your voice so it

1542

00:55:33,750 --> 00:55:31,680

sounds like you're saying it that

1543

00:55:37,270 --> 00:55:33,760

that's the soundboard thing over and

1544

00:55:39,349 --> 00:55:37,280

over dude yeah okay i'll stop

1545

00:55:41,109 --> 00:55:39,359

you've only done it twice it's not bad

1546

00:55:43,670 --> 00:55:41,119

okay

1547

00:55:47,030 --> 00:55:43,680

oh my gosh uh guys it's getting to that

1548

00:55:48,789 --> 00:55:47,040

point for me i've uh i'm gonna

1549

00:55:50,549 --> 00:55:48,799

we've got a five uh five month old we're

1550

00:55:52,549 --> 00:55:50,559

trying to figure out the uh the sleep

1551

00:55:54,309 --> 00:55:52,559

schedule thing so i wanna be i wanna be

1552

00:55:55,430 --> 00:55:54,319

ready to help help the wife out when she

1553

00:55:58,230 --> 00:55:55,440

needs so

1554

00:56:01,349 --> 00:55:58,240

uh i've gotta hop on hop off for for the

1555

00:56:02,549 --> 00:56:01,359

night but uh uh daniel dude thanks for

1556

00:56:04,630 --> 00:56:02,559

coming on tonight man i really

1557

00:56:05,990 --> 00:56:04,640

appreciate you dude i appreciate it i

1558

00:56:08,309 --> 00:56:06,000

appreciate you guys taking the time to

1559

00:56:10,069 --> 00:56:08,319

listen absolutely man absolutely we'd

1560

00:56:12,390 --> 00:56:10,079

love to see some of those uh those

1561

00:56:13,510 --> 00:56:12,400

little orb videos too man that'd be

1562

00:56:15,109 --> 00:56:13,520

great

1563

00:56:16,950 --> 00:56:15,119

yeah all right i'll send them to you

1564

00:56:18,710 --> 00:56:16,960

heck yeah heck yeah did you come hop on

1565

00:56:20,950 --> 00:56:18,720

another tuesday we could talk about the

1566

00:56:22,390 --> 00:56:20,960

orb stuff yeah

1567

00:56:23,990 --> 00:56:22,400

heck yeah man we'd love to have you back

1568

00:56:25,270 --> 00:56:24,000

that'd be that'd be great dude that'd be

1569

00:56:27,510 --> 00:56:25,280

really good

1570

00:56:29,270 --> 00:56:27,520

all right cool i appreciate it yes sir

1571

00:56:30,549 --> 00:56:29,280

yes sir hey man thank you very much

1572

00:56:33,829 --> 00:56:30,559

we'll talk to you later

1573

00:56:39,510 --> 00:56:37,030

yeah dude i love that i love that that

1574

00:56:42,150 --> 00:56:39,520

dude was awesome man that was so good i

1575

00:56:44,309 --> 00:56:42,160

love it dude i love like uh i i love

1576
00:56:46,630 --> 00:56:44,319
like just when people email us because

1577
00:56:48,150 --> 00:56:46,640
it it brings you down that

1578
00:56:50,390 --> 00:56:48,160
that like it i always feel like it

1579
00:56:52,230 --> 00:56:50,400
brings me down that original rabbit hole

1580
00:56:54,549 --> 00:56:52,240
that i found like as a kid when i'm

1581
00:56:57,589 --> 00:56:54,559
looking into ufos and stuff

1582
00:56:59,829 --> 00:56:57,599
you just get the sense of like

1583
00:57:03,430 --> 00:56:59,839
dude i don't even know i just saw this

1584
00:57:04,710 --> 00:57:03,440
thing uh i can't explain what it was uh

1585
00:57:06,309 --> 00:57:04,720
i didn't even

1586
00:57:08,230 --> 00:57:06,319
believe in ufos

1587
00:57:11,030 --> 00:57:08,240
you know and then you're like

1588
00:57:13,349 --> 00:57:11,040

yeah there was once a time right you

1589

00:57:14,549 --> 00:57:13,359

know a lot of times like when you hear

1590

00:57:17,589 --> 00:57:14,559

some of this stuff it's like already

1591

00:57:20,309 --> 00:57:17,599

from a perspective of knowing what's

1592

00:57:23,430 --> 00:57:20,319

going on or like having a grasp on like

1593

00:57:25,109 --> 00:57:23,440

the the the vastness of the topic you

1594

00:57:26,390 --> 00:57:25,119

know and there's a lot of like knowledge

1595

00:57:28,630 --> 00:57:26,400

within the topic

1596

00:57:31,109 --> 00:57:28,640

but i always love it like when it's just

1597

00:57:33,109 --> 00:57:31,119

like just like an email with some with

1598

00:57:35,670 --> 00:57:33,119

some cool pictures yeah like those are

1599

00:57:37,750 --> 00:57:35,680

so good dude i love personal stories

1600

00:57:39,750 --> 00:57:37,760

it's refreshing yeah and it does it

1601
00:57:42,069 --> 00:57:39,760
takes me back dude

1602
00:57:43,670 --> 00:57:42,079
we're so far down this rabbit hole man

1603
00:57:46,230 --> 00:57:43,680
and we're like

1604
00:57:48,309 --> 00:57:46,240
there's got to be a turn for that yeah

1605
00:57:52,069 --> 00:57:48,319
like sometimes it's just nice to hit the

1606
00:57:54,549 --> 00:57:52,079
basics you know yes dude it's like yes

1607
00:57:56,549 --> 00:57:54,559
yes because that's what gets you like

1608
00:57:58,630 --> 00:57:56,559
that's what gets the brain like really

1609
00:58:00,630 --> 00:57:58,640
cranking again you're like okay now i

1610
00:58:04,309 --> 00:58:00,640
can take this information that i know

1611
00:58:05,109 --> 00:58:04,319
how can i apply it to to this like yes

1612
00:58:08,150 --> 00:58:05,119
at

1613
00:58:09,910 --> 00:58:08,160

my my own beginning steps and work

1614

00:58:12,710 --> 00:58:09,920

through stuff that i may have just

1615

00:58:14,309 --> 00:58:12,720

glossed over because i'm consuming so

1616

00:58:17,190 --> 00:58:14,319

much information it's hard to like

1617

00:58:19,349 --> 00:58:17,200

remember it also jogs my memory too you

1618

00:58:22,630 --> 00:58:19,359

know like oh i remember we were talking

1619

00:58:25,750 --> 00:58:22,640

about that one day okay cool yeah

1620

00:58:28,470 --> 00:58:25,760

dude i love it well we uh we have we

1621

00:58:30,309 --> 00:58:28,480

have a couple more dude so uh chase uh

1622

00:58:31,510 --> 00:58:30,319

he sent us some stuff he said we could

1623

00:58:33,270 --> 00:58:31,520

talk about tonight but we just didn't

1624

00:58:36,549 --> 00:58:33,280

get to it so maybe we can do it next

1625

00:58:38,390 --> 00:58:36,559

week uh i'm totally down totally down

1626
00:58:39,829 --> 00:58:38,400
hell yeah i love it bro

1627
00:58:41,430 --> 00:58:39,839
maybe we can get into it on thursday a

1628
00:58:42,549 --> 00:58:41,440
little bit too maybe we could get it

1629
00:58:44,390 --> 00:58:42,559
yeah we don't have a guess i don't think

1630
00:58:46,789 --> 00:58:44,400
on thursday so yeah it's it's a good old

1631
00:58:48,870 --> 00:58:46,799
thirsty thursday with just you and the

1632
00:58:52,150 --> 00:58:48,880
boys all right

1633
00:58:55,670 --> 00:58:52,160
you as in like the listeners oh

1634
00:58:59,190 --> 00:58:55,680
okay if you hear any noise

1635
00:59:00,309 --> 00:58:59,200
it's just me and the boys

1636
00:59:03,990 --> 00:59:00,319
what does he say

1637
00:59:06,069 --> 00:59:04,000
get down gotta get in the band

1638
00:59:09,030 --> 00:59:06,079

sorry

1639

00:59:10,870 --> 00:59:09,040

ah dude hell yeah that's awesome well

1640

00:59:12,230 --> 00:59:10,880

thursday's gonna be fun thursday

1641

00:59:14,470 --> 00:59:12,240

thursday thursday i'm ready for i'm

1642

00:59:16,549 --> 00:59:14,480

ready uh i'm ready are already ready for

1643

00:59:19,510 --> 00:59:16,559

the weekend have have you seen the adam

1644

00:59:21,589 --> 00:59:19,520

project yet dude yes oh let's talk about

1645

00:59:24,230 --> 00:59:21,599

it

1646

00:59:27,030 --> 00:59:24,240

yeah let's talk about those alien photos

1647

00:59:28,950 --> 00:59:27,040

or those ufo photos um and the anima

1648

00:59:32,150 --> 00:59:28,960

project because we just did a little

1649

00:59:33,030 --> 00:59:32,160

time travel thing the other day and it

1650

00:59:35,430 --> 00:59:33,040

was like

1651
00:59:39,589 --> 00:59:37,190
oh yeah

1652
00:59:40,950 --> 00:59:39,599
it dovetails completely into it to the

1653
00:59:43,030 --> 00:59:40,960
time travel thing

1654
00:59:46,150 --> 00:59:43,040
uh dude okay well i'm gonna watch it

1655
00:59:48,630 --> 00:59:46,160
again um just so i can refresh uh but

1656
00:59:50,069 --> 00:59:48,640
dude yeah i'm stoked oh yeah yeah all

1657
00:59:52,789 --> 00:59:50,079
right man

1658
00:59:55,990 --> 00:59:52,799
yeah you know

1659
00:59:56,000 --> 01:00:02,950
this has been another episode

1660
01:00:05,829 --> 01:00:04,789
hey

1661
01:00:08,069 --> 01:00:05,839
we're going to talk to you all on

1662
01:00:11,349 --> 01:00:08,079
thursday we're going to be here they're

1663
01:00:12,950 --> 01:00:11,359

going to be sitting on this box chair

1664

01:00:15,910 --> 01:00:12,960

ben's going to be over there sitting in

1665

01:00:17,910 --> 01:00:15,920

his his office chair and uh we're gonna

1666

01:00:20,630 --> 01:00:17,920

be talking about a little more time

1667

01:00:24,390 --> 01:00:20,640

travel stuff maybe the atom project yeah

1668

01:00:25,910 --> 01:00:24,400

and uh looking at some some ufo photos

1669

01:00:29,829 --> 01:00:25,920

it's gonna be good times it's gonna be a

1670

01:00:32,870 --> 01:00:31,670

and it's going to be thursday thursday

1671

01:00:34,950 --> 01:00:32,880

thursday

1672

01:00:37,270 --> 01:00:34,960

we might be shirtless uh-huh that's

1673

01:00:39,990 --> 01:00:37,280

right thurston get funky baby

1674

01:00:46,260 --> 01:00:40,000

hey i think we're out dude yeah bro see

1675

01:00:46,270 --> 01:00:49,510

[Music]

1676

01:00:56,870 --> 01:00:52,300

[Applause]
