

VEGARAGE WITH BIGWILLY

QUANTUM WYTCH

1
00:00:04,870 --> 00:00:03,270
what is happening ladies and gentlemen

2
00:00:07,909 --> 00:00:04,880
thank you very much for being here with

3
00:00:09,350 --> 00:00:07,919
me this very fine evening friday if you

4
00:00:11,910 --> 00:00:09,360
survived for those of you that went out

5
00:00:14,310 --> 00:00:11,920
and celebrated st panties hard

6
00:00:16,950 --> 00:00:14,320
good for you i did not i did not partake

7
00:00:19,510 --> 00:00:16,960
this year mainly because i have a job

8
00:00:21,349 --> 00:00:19,520
and all that jazz but if you did go to

9
00:00:22,470 --> 00:00:21,359
go party good for you i just want to

10
00:00:23,670 --> 00:00:22,480
give a quick heads up because i know

11
00:00:26,150 --> 00:00:23,680
this is not normally how we start the

12
00:00:27,029 --> 00:00:26,160
show uh we had to change the intro music

13
00:00:28,710 --> 00:00:27,039

a little bit we're still getting some of

14

00:00:30,390 --> 00:00:28,720

that sorted out but apparently youtube

15

00:00:32,150 --> 00:00:30,400

came after us and was like hey we're

16

00:00:34,709 --> 00:00:32,160

gonna shut your channel down

17

00:00:36,630 --> 00:00:34,719

based on the music that i love and some

18

00:00:38,470 --> 00:00:36,640

of you love deeply too as well but i

19

00:00:39,910 --> 00:00:38,480

just wanna say uh the intro is gonna be

20

00:00:42,229 --> 00:00:39,920

a little different here but a massive

21

00:00:43,590 --> 00:00:42,239

shout out to vpxm

22

00:00:46,069 --> 00:00:43,600

make sure you check out their channel as

23

00:00:47,990 --> 00:00:46,079

well that is their youtube channel vpxm

24

00:00:50,069 --> 00:00:48,000

and this song was actually sent and

25

00:00:52,869 --> 00:00:50,079

created by them so thank you so very

26
00:00:54,549 --> 00:00:52,879
much and now we will do the intro and

27
00:00:56,229 --> 00:00:54,559
we'll get into the real point of all of

28
00:00:58,310 --> 00:00:56,239
us being here for tonight which is

29
00:01:20,040 --> 00:00:58,320
priscilla the quantum witch from the

30
00:01:20,050 --> 00:01:24,630
[Music]

31
00:01:24,640 --> 00:01:45,110
so

32
00:02:34,390 --> 00:01:58,450
[Music]

33
00:02:37,750 --> 00:02:36,470
music as i know you may have more it

34
00:02:39,430 --> 00:02:37,760
might have had me muted that whole time

35
00:02:41,830 --> 00:02:39,440
i don't know if it did i apologize guys

36
00:02:44,630 --> 00:02:41,840
but thank you for being here i really do

37
00:02:46,229 --> 00:02:44,640
appreciate it uh really quick notes as

38
00:02:47,990 --> 00:02:46,239

we always like to say get out of the way

39

00:02:49,509 --> 00:02:48,000

the homework which is if you have not

40

00:02:51,030 --> 00:02:49,519

liked this channel please feel free to

41

00:02:52,790 --> 00:02:51,040

do so ring that bell so you'll get

42

00:02:54,070 --> 00:02:52,800

notified and don't forget to share with

43

00:02:56,309 --> 00:02:54,080

a friend that really really helps the

44

00:02:57,750 --> 00:02:56,319

show grow as a whole and we truly

45

00:03:00,309 --> 00:02:57,760

appreciate it

46

00:03:01,589 --> 00:03:00,319

having said all of that i would like to

47

00:03:03,430 --> 00:03:01,599

get on the right

48

00:03:05,430 --> 00:03:03,440

page you guys didn't know about it back

49

00:03:08,470 --> 00:03:05,440

there super prepared for tonight here we

50

00:03:10,390 --> 00:03:08,480

go uh i have priscilla quantum witch

51
00:03:12,070 --> 00:03:10,400
from the quantum witch cafe and i am

52
00:03:13,509 --> 00:03:12,080
very excited about this one i've

53
00:03:15,030 --> 00:03:13,519
actually not been able to catch as many

54
00:03:16,309 --> 00:03:15,040
first shows live as i would like just

55
00:03:18,070 --> 00:03:16,319
because of the timing during the work

56
00:03:20,149 --> 00:03:18,080
week and all that jazz as most of you

57
00:03:21,270 --> 00:03:20,159
know she goes on wednesdays at 8 30 p.m

58
00:03:22,710 --> 00:03:21,280
eastern

59
00:03:24,630 --> 00:03:22,720
however she's been mixing up here this

60
00:03:26,550 --> 00:03:24,640
past month right and she's had a couple

61
00:03:28,390 --> 00:03:26,560
live ones i think on friday friday

62
00:03:29,670 --> 00:03:28,400
nights usually on like 8 p.m give or

63
00:03:31,589 --> 00:03:29,680

take or maybe it's 9 p.m so we're

64

00:03:34,710 --> 00:03:31,599

raining there 8 to 9 p.m

65

00:03:36,390 --> 00:03:34,720

but uh getting past that uh priscilla is

66

00:03:38,630 --> 00:03:36,400

a student of the paranormal and other

67

00:03:40,869 --> 00:03:38,640

fringe topics with a focus on uap

68

00:03:43,430 --> 00:03:40,879

disclosure her first ufo experience was

69

00:03:45,830 --> 00:03:43,440

at age five sparking a series of events

70

00:03:46,949 --> 00:03:45,840

and drastic change in world view in her

71

00:03:49,430 --> 00:03:46,959

world view

72

00:03:50,949 --> 00:03:49,440

she also has a background in molecular

73

00:03:53,589 --> 00:03:50,959

biology where she learned how to

74

00:03:56,229 --> 00:03:53,599

properly conduct and vet research her

75

00:03:58,789 --> 00:03:56,239

channel quantum witch cafe creates a

76

00:04:01,509 --> 00:03:58,799

safe place for experiencers of all types

77

00:04:04,309 --> 00:04:01,519

to share their life-altering events

78

00:04:06,390 --> 00:04:04,319

which cafe creates a safe space for oh i

79

00:04:07,670 --> 00:04:06,400

just realized i wrote it in there twice

80

00:04:09,670 --> 00:04:07,680

guys i'm telling you what it's been one

81

00:04:11,910 --> 00:04:09,680

of those weeks but having said all of

82

00:04:13,750 --> 00:04:11,920

that priscilla i apologize for that

83

00:04:15,910 --> 00:04:13,760

terrible intro let me bring you in as my

84

00:04:18,150 --> 00:04:15,920

guest this fine evening how are you

85

00:04:19,830 --> 00:04:18,160

doing good i could have sent it to you

86

00:04:22,150 --> 00:04:19,840

like that in all honesty because i am

87

00:04:24,310 --> 00:04:22,160

mortified at writing bios so that would

88

00:04:26,390 --> 00:04:24,320

be like my fault i'll assume it no no it

89

00:04:29,270 --> 00:04:26,400
was definitely like it's so weird to

90

00:04:31,830 --> 00:04:29,280
have to make a bio

91

00:04:33,830 --> 00:04:31,840
definitely read it twice i was like

92

00:04:37,909 --> 00:04:33,840
guys it is definitely safe there it is

93

00:04:39,830 --> 00:04:37,919
very very safe oh safe so safe

94

00:04:41,030 --> 00:04:39,840
that would make me so nervous if someone

95

00:04:44,070 --> 00:04:41,040
ever invited me in a room together i

96

00:04:47,189 --> 00:04:44,080
swear it's so safe in here

97

00:04:49,270 --> 00:04:47,199
well uh it's also you know

98

00:04:50,950 --> 00:04:49,280
it's just about as safe as realizing

99

00:04:54,310 --> 00:04:50,960
you're getting into a van

100

00:04:57,030 --> 00:04:54,320
that's true which we do do here old blue

101
00:04:58,469 --> 00:04:57,040
we take her out for a spin in the cosmos

102
00:05:01,110 --> 00:04:58,479
and beyond

103
00:05:03,110 --> 00:05:01,120
to have these conversations that's event

104
00:05:04,950 --> 00:05:03,120
it is it is we definitely have a good

105
00:05:06,950 --> 00:05:04,960
time with it i enjoy

106
00:05:08,150 --> 00:05:06,960
excuse me hopping in and uh you know

107
00:05:09,590 --> 00:05:08,160
obviously here at the garage the boys do

108
00:05:11,510 --> 00:05:09,600
a great job but keeping things wide open

109
00:05:13,110 --> 00:05:11,520
for almost anybody to come by share

110
00:05:15,189 --> 00:05:13,120
their experiences i like to think we

111
00:05:17,270 --> 00:05:15,199
keep a pretty safe space as well

112
00:05:19,189 --> 00:05:17,280
however we are very open to

113
00:05:21,590 --> 00:05:19,199

uh in the best possible way to say this

114

00:05:22,550 --> 00:05:21,600

challenge or uh given an opposing point

115

00:05:24,230 --> 00:05:22,560

of view in the same sense that we're

116

00:05:25,590 --> 00:05:24,240

allowing them to do that so we like to

117

00:05:27,350 --> 00:05:25,600

keep it very open and keep the

118

00:05:30,070 --> 00:05:27,360

conversation flowing and i think ben and

119

00:05:31,510 --> 00:05:30,080

ju ben and ju ben and joe do a great job

120

00:05:32,710 --> 00:05:31,520

of that

121

00:05:34,150 --> 00:05:32,720

all right

122

00:05:35,270 --> 00:05:34,160

thank you so much by the way i want to

123

00:05:37,350 --> 00:05:35,280

give a quick shout out to all those who

124

00:05:40,230 --> 00:05:37,360

have hopped on to knight 509 divine

125

00:05:42,790 --> 00:05:40,240

pinx he is here tonight as well as oh

126

00:05:44,469 --> 00:05:42,800

my gosh is this dimensional babe

127

00:05:46,469 --> 00:05:44,479

like a dimensional babe's picture look

128

00:05:48,469 --> 00:05:46,479

at that there's a lot happening there

129

00:05:51,350 --> 00:05:48,479

diesel girl thank you for being here cat

130

00:05:53,670 --> 00:05:51,360

is also in the house mr enzo good to see

131

00:05:56,230 --> 00:05:53,680

you i know you've been a busy man lately

132

00:05:58,230 --> 00:05:56,240

catherine splashington thank you so very

133

00:05:59,990 --> 00:05:58,240

much for being back here tonight benji

134

00:06:01,510 --> 00:06:00,000

might be oh you've changed up your name

135

00:06:02,710 --> 00:06:01,520

what is this what is the end part now

136

00:06:06,550 --> 00:06:02,720

what is this

137

00:06:09,189 --> 00:06:06,560

i gotta try to read it benji might be b

138

00:06:10,950 --> 00:06:09,199

a b u a b

139

00:06:12,550 --> 00:06:10,960

b u a i feel like there's something

140

00:06:14,469 --> 00:06:12,560

there and i'm missing it i don't know

141

00:06:16,870 --> 00:06:14,479

voice note it's so it's going over my

142

00:06:24,950 --> 00:06:16,880

head yeah but we know benji might be is

143

00:06:29,270 --> 00:06:26,950

this is my bow arlene thank you for

144

00:06:31,909 --> 00:06:29,280

being here michael jordan's thank you

145

00:06:34,070 --> 00:06:31,919

champ bailey says party party hard thank

146

00:06:35,749 --> 00:06:34,080

you so very much tammy finnegan thank

147

00:06:36,950 --> 00:06:35,759

you i don't think i've missed anybody

148

00:06:38,309 --> 00:06:36,960

just yet but if anyone else hops in here

149

00:06:40,390 --> 00:06:38,319

and i apologize if i do miss you i'll

150

00:06:41,189 --> 00:06:40,400

get you along the way uh right off the

151

00:06:42,309 --> 00:06:41,199

but because we know everybody's

152

00:06:43,670 --> 00:06:42,319

listening in the beginning so let's do

153

00:06:45,029 --> 00:06:43,680

this in the beginning

154

00:06:45,909 --> 00:06:45,039

obviously i mentioned to people where

155

00:06:48,150 --> 00:06:45,919

they can find if i'm going to be

156

00:06:49,350 --> 00:06:48,160

dropping the notes here in the comments

157

00:06:50,870 --> 00:06:49,360

so people can follow all of your

158

00:06:52,950 --> 00:06:50,880

channels as well guys if you are

159

00:06:54,390 --> 00:06:52,960

listening via just an audio format

160

00:06:56,629 --> 00:06:54,400

please go check out the youtube channel

161

00:06:57,830 --> 00:06:56,639

all of the links to priscilla and all

162

00:06:59,189 --> 00:06:57,840

the ways you can stay in touch with her

163

00:07:00,790 --> 00:06:59,199

will be in the show notes right down

164

00:07:03,350 --> 00:07:00,800

there so scroll down you'll see those

165

00:07:05,430 --> 00:07:03,360

but priscilla where can we find you

166

00:07:07,110 --> 00:07:05,440

uh in your own words better than what i

167

00:07:09,990 --> 00:07:07,120

described to people where it's

168

00:07:12,390 --> 00:07:10,000

definitely safe guys

169

00:07:13,749 --> 00:07:12,400

i know i'm i'm catholic i just assumed

170

00:07:14,830 --> 00:07:13,759

the guilt right away

171

00:07:18,390 --> 00:07:14,840

all

172

00:07:21,189 --> 00:07:18,400

right the priests are like [h__\h]

173

00:07:22,150 --> 00:07:21,199

um yes under my face right now oh my

174

00:07:25,749 --> 00:07:22,160

gosh i don't even know what i'm talking

175

00:07:30,230 --> 00:07:25,759

about my name at quantum underscore

176
00:07:32,870 --> 00:07:30,240
which and which is spelled w y t c h and

177
00:07:33,830 --> 00:07:32,880
uh yeah it's the same for instagram and

178
00:07:36,230 --> 00:07:33,840
twitter

179
00:07:38,469 --> 00:07:36,240
so um you can message me there or find

180
00:07:40,150 --> 00:07:38,479
me there and then i can link you up to

181
00:07:42,870 --> 00:07:40,160
like anomalous podcast network if you're

182
00:07:45,749 --> 00:07:42,880
looking for audio or youtube channel

183
00:07:47,350 --> 00:07:45,759
very nice yeah and you know guys it's

184
00:07:49,430 --> 00:07:47,360
one of the great things about i mean i

185
00:07:52,070 --> 00:07:49,440
mean for all the ups and downs of social

186
00:07:54,150 --> 00:07:52,080
media when it's handled properly and

187
00:07:55,749 --> 00:07:54,160
when it's utilized in a proper manner it

188
00:07:56,790 --> 00:07:55,759

can be a great thing and i really think

189

00:07:59,189 --> 00:07:56,800

that

190

00:08:01,189 --> 00:07:59,199

we've had uh

191

00:08:02,550 --> 00:08:01,199

i have found that when i choose to hang

192

00:08:04,869 --> 00:08:02,560

out with people who choose to have a

193

00:08:06,469 --> 00:08:04,879

good time with social media it can be a

194

00:08:07,909 --> 00:08:06,479

really good thing and sometimes that

195

00:08:09,430 --> 00:08:07,919

everybody is about that life and that's

196

00:08:12,950 --> 00:08:09,440

okay but we don't have to be a part of

197

00:08:14,629 --> 00:08:12,960

it so having said all that uh i'd also

198

00:08:16,390 --> 00:08:14,639

like to let people know as well one last

199

00:08:17,909 --> 00:08:16,400

quick note we do enjoy the super chat so

200

00:08:19,589 --> 00:08:17,919

very much thank you guys and also i

201

00:08:21,510 --> 00:08:19,599

believe you can also buy priscilla a

202

00:08:22,710 --> 00:08:21,520

coffee that is awesome hurling tree so

203

00:08:24,869 --> 00:08:22,720

that isn't there don't forget that you

204

00:08:25,909 --> 00:08:24,879

guys can always do that as well as

205

00:08:27,670 --> 00:08:25,919

that's one of the things we're oh look

206

00:08:29,350 --> 00:08:27,680

at you got a coffee look at that nice

207

00:08:30,469 --> 00:08:29,360

little billy style in my jar that's

208

00:08:31,749 --> 00:08:30,479

right

209

00:08:33,589 --> 00:08:31,759

bre from uh that one time i was

210

00:08:36,230 --> 00:08:33,599

abstracted by aliens she is always with

211

00:08:37,589 --> 00:08:36,240

a mason jar she's always got a mason jar

212

00:08:39,029 --> 00:08:37,599

my husband's like oh my gosh this is how

213

00:08:40,709 --> 00:08:39,039

you tell we were like

214

00:08:43,829 --> 00:08:40,719

you know ghetto at one point i was like

215

00:08:44,790 --> 00:08:43,839

people buy jars to look country chic and

216

00:08:47,030 --> 00:08:44,800

cute

217

00:08:48,550 --> 00:08:47,040

and that's right throw out a good jar

218

00:08:49,990 --> 00:08:48,560

it's country bougie

219

00:08:51,829 --> 00:08:50,000

everybody isn't trying to be country

220

00:08:54,150 --> 00:08:51,839

bougie i don't trust them like well

221

00:08:55,670 --> 00:08:54,160

we're in kentucky so i'm sure it's fine

222

00:08:57,030 --> 00:08:55,680

that's right i'm gonna get rid of this i

223

00:08:58,630 --> 00:08:57,040

gotta do something really quick because

224

00:09:00,070 --> 00:08:58,640

there is a pop-up that keeps happening

225

00:09:01,990 --> 00:09:00,080

it doesn't matter for anybody else but i

226

00:09:03,990 --> 00:09:02,000

can't remove it it's blocking like my

227

00:09:05,990 --> 00:09:04,000

whole screen let's talk to ben about

228

00:09:08,389 --> 00:09:06,000

this later anyways

229

00:09:10,310 --> 00:09:08,399

um so having said that guys buy

230

00:09:11,990 --> 00:09:10,320

priscilla coffee and also here

231

00:09:13,829 --> 00:09:12,000

supporting the boys if you like you can

232

00:09:16,070 --> 00:09:13,839

do the super chats but we also have a

233

00:09:17,990 --> 00:09:16,080

new link tree or uh the links in there

234

00:09:19,430 --> 00:09:18,000

to where you guys are able to

235

00:09:21,430 --> 00:09:19,440

send money to us directly you can send

236

00:09:23,670 --> 00:09:21,440

it to the garage as a whole

237

00:09:24,870 --> 00:09:23,680

you can also send it into me

238

00:09:26,310 --> 00:09:24,880

individually and we have those all

239

00:09:27,990 --> 00:09:26,320

listed out in the show notes so don't be

240

00:09:29,430 --> 00:09:28,000

afraid to check that out as well as the

241

00:09:30,870 --> 00:09:29,440

merch we have a ton of different stuff

242

00:09:33,110 --> 00:09:30,880

that we were doing and it's been a good

243

00:09:34,470 --> 00:09:33,120

time and we really do appreciate

244

00:09:36,630 --> 00:09:34,480

everything you guys send our way that

245

00:09:38,949 --> 00:09:36,640

way okay having said all that and

246

00:09:40,630 --> 00:09:38,959

getting all that out of the way guys

247

00:09:42,310 --> 00:09:40,640

thank you priscilla for coming hanging

248

00:09:43,509 --> 00:09:42,320

out tonight what did you think i mean i

249

00:09:45,350 --> 00:09:43,519

don't know how people handle it

250

00:09:46,949 --> 00:09:45,360

sometimes when i'm like hey do you want

251
00:09:48,630 --> 00:09:46,959
to come get in a van and like hang out

252
00:09:50,310 --> 00:09:48,640
for like a couple i really need to start

253
00:09:52,310 --> 00:09:50,320
making out my opening thing not even

254
00:09:53,750 --> 00:09:52,320
like hey i run a show or do a show i

255
00:09:54,470 --> 00:09:53,760
just need to be like hey i'm gonna can

256
00:09:56,550 --> 00:09:54,480
you

257
00:09:59,750 --> 00:09:56,560
like go for a fan ride and and talk

258
00:10:02,150 --> 00:09:59,760
about stuff see more people respond then

259
00:10:03,910 --> 00:10:02,160
i used to have this irrational fear of

260
00:10:05,750 --> 00:10:03,920
vans and i swear i was summoning them

261
00:10:07,430 --> 00:10:05,760
because i worked at a hair salon and i'd

262
00:10:08,389 --> 00:10:07,440
be leaving late at night like nine

263
00:10:10,230 --> 00:10:08,399

o'clock

264

00:10:12,470 --> 00:10:10,240

and there would always be a a freaking

265

00:10:15,430 --> 00:10:12,480

van well you can cut here it's okay okay

266

00:10:18,150 --> 00:10:15,440

if you're a fudging man a fudging man a

267

00:10:19,910 --> 00:10:18,160

fudgy van would be right there and it

268

00:10:22,389 --> 00:10:19,920

was just horrible like i i had this

269

00:10:24,150 --> 00:10:22,399

irrational fear of vans and then

270

00:10:25,910 --> 00:10:24,160

now i'm in one but

271

00:10:28,069 --> 00:10:25,920

i will say one time there was a van part

272

00:10:29,350 --> 00:10:28,079

next to me that had an ac unit so i was

273

00:10:31,430 --> 00:10:29,360

like oh this guy's going to class

274

00:10:33,430 --> 00:10:31,440

[Laughter]

275

00:10:35,110 --> 00:10:33,440

so i'm kind of like in an ac van with

276

00:10:37,590 --> 00:10:35,120

you right now so it's not too scary

277

00:10:39,829 --> 00:10:37,600

that's true that is true an old blue can

278

00:10:42,710 --> 00:10:39,839

i mean she can go into the cosmos guys

279

00:10:43,990 --> 00:10:42,720

cosmos and beyond which is a big deal oh

280

00:10:45,430 --> 00:10:44,000

also too guys let me throw this up as an

281

00:10:47,190 --> 00:10:45,440

announcement too alien girl thank you so

282

00:10:50,550 --> 00:10:47,200

much for being here tonight i will be

283

00:10:53,590 --> 00:10:50,560

her guest this coming sunday

284

00:10:55,829 --> 00:10:53,600

at a time that i know we talked about i

285

00:10:57,269 --> 00:10:55,839

think 7 p.m alien girl forgive me i

286

00:10:59,190 --> 00:10:57,279

apologize

287

00:11:00,949 --> 00:10:59,200

what time are we doing i think it's 7

288

00:11:02,389 --> 00:11:00,959

p.m guys eastern

289

00:11:04,310 --> 00:11:02,399

it's somewhere in there but i'll be

290

00:11:05,509 --> 00:11:04,320

hanging out with her i have no idea why

291

00:11:07,750 --> 00:11:05,519

she wants me to come hang out because i

292

00:11:10,069 --> 00:11:07,760

mean come on you know she's she's

293

00:11:11,030 --> 00:11:10,079

awesome though oh 10 p.m she says 10 p.m

294

00:11:13,590 --> 00:11:11,040

eastern

295

00:11:14,630 --> 00:11:13,600

on sunday oh that's right we did talk

296

00:11:16,470 --> 00:11:14,640

about that

297

00:11:18,310 --> 00:11:16,480

did we say 10 p.m either way guys it's

298

00:11:19,509 --> 00:11:18,320

10 p.m eastern and i didn't know that

299

00:11:20,870 --> 00:11:19,519

we're gonna be hanging out with her 10

300

00:11:22,389 --> 00:11:20,880

p.m eastern

301
00:11:25,430 --> 00:11:22,399
uh if you guys haven't checked out alien

302
00:11:28,310 --> 00:11:25,440
girl go check out alien girl one one one

303
00:11:30,150 --> 00:11:28,320
the bodies all of it coming out yeah

304
00:11:32,230 --> 00:11:30,160
it's all coming out guys

305
00:11:34,069 --> 00:11:32,240
that's right i love her i love herself

306
00:11:36,310 --> 00:11:34,079
she was so nice like when i got i was so

307
00:11:39,110 --> 00:11:36,320
afraid of twitter too twitter and vans

308
00:11:41,190 --> 00:11:39,120
and now i'm doing both but

309
00:11:43,509 --> 00:11:41,200
um but yeah she was just so welcoming

310
00:11:45,910 --> 00:11:43,519
and i've been following alien girl like

311
00:11:48,630 --> 00:11:45,920
like she's a big deal to me so it's

312
00:11:50,230 --> 00:11:48,640
super cool to get to know her and uh get

313
00:11:53,110 --> 00:11:50,240

to talk to her on her show and get

314

00:11:57,110 --> 00:11:53,120

invited so i love you abe

315

00:11:59,350 --> 00:11:57,120

she is great and she definitely has her

316

00:12:01,430 --> 00:11:59,360

own original i guess you know what i

317

00:12:03,670 --> 00:12:01,440

mean energy and i love people that just

318

00:12:05,670 --> 00:12:03,680

are are all about being as unique and

319

00:12:07,110 --> 00:12:05,680

original to themselves as possible and i

320

00:12:08,550 --> 00:12:07,120

think people can tell people can tell

321

00:12:10,790 --> 00:12:08,560

when you're being

322

00:12:12,790 --> 00:12:10,800

really who you are versus this

323

00:12:14,550 --> 00:12:12,800

persona of which you're projecting or

324

00:12:16,230 --> 00:12:14,560

whatever which is okay if you want to go

325

00:12:18,389 --> 00:12:16,240

for that vibe but i think when people

326

00:12:20,550 --> 00:12:18,399

can be genuine and enjoy being genuine

327

00:12:22,310 --> 00:12:20,560

in their skin and their existence that's

328

00:12:24,069 --> 00:12:22,320

a beautiful thing so it doesn't become

329

00:12:25,990 --> 00:12:24,079

exhausting that way because i remember

330

00:12:27,269 --> 00:12:26,000

trying to do like something else before

331

00:12:29,829 --> 00:12:27,279

and it just

332

00:12:32,150 --> 00:12:29,839

it didn't feel like me and it was just

333

00:12:33,430 --> 00:12:32,160

now i'm just doing whatever and

334

00:12:35,030 --> 00:12:33,440

i'm happy

335

00:12:36,870 --> 00:12:35,040

and you think about it so much too in

336

00:12:38,710 --> 00:12:36,880

everyday life i mean in this realm and

337

00:12:40,470 --> 00:12:38,720

this in these i guess you could say

338

00:12:41,670 --> 00:12:40,480

community

339

00:12:43,910 --> 00:12:41,680

it's one of the places where i

340

00:12:45,670 --> 00:12:43,920

definitely choose to just be me because

341

00:12:47,190 --> 00:12:45,680

i i wouldn't say i put i don't put on

342

00:12:49,350 --> 00:12:47,200

like it's necessarily a fraud in my

343

00:12:52,069 --> 00:12:49,360

everyday life but i have a little bit of

344

00:12:54,389 --> 00:12:52,079

a limit that i have to like operate in

345

00:12:56,310 --> 00:12:54,399

to go have an everyday job right

346

00:12:58,310 --> 00:12:56,320

and not everybody's down to chat about

347

00:13:00,629 --> 00:12:58,320

the things that i'm into or that this

348

00:13:02,470 --> 00:13:00,639

community's into and

349

00:13:04,829 --> 00:13:02,480

i am excited to see more and more people

350

00:13:06,870 --> 00:13:04,839

are opening up to the ideas and the

351
00:13:08,629 --> 00:13:06,880
possibilities but there's still a little

352
00:13:10,949 --> 00:13:08,639
bit of apprehension

353
00:13:12,069 --> 00:13:10,959
and plus you're like at work so like you

354
00:13:13,990 --> 00:13:12,079
know

355
00:13:15,430 --> 00:13:14,000
what you're doing you really can get in

356
00:13:17,030 --> 00:13:15,440
deep with these conversations and be

357
00:13:21,190 --> 00:13:17,040
like oh my god we've burnt time we've

358
00:13:25,750 --> 00:13:22,949
i get that i'm not working right now but

359
00:13:28,710 --> 00:13:25,760
i have to go out in the world and

360
00:13:31,509 --> 00:13:28,720
be a human sometimes so i get it

361
00:13:33,030 --> 00:13:31,519
um playground world for me and soccer

362
00:13:35,509 --> 00:13:33,040
like my son just started soccer so

363
00:13:36,949 --> 00:13:35,519

that's like the weirdness is for me um

364

00:13:39,430 --> 00:13:36,959

being an army wife there's a lot of

365

00:13:41,509 --> 00:13:39,440

conservative people and then people have

366

00:13:43,110 --> 00:13:41,519

like this expectation um because my

367

00:13:44,949 --> 00:13:43,120

husband's an officer so like they think

368

00:13:55,670 --> 00:13:44,959

that i need to be a certain way and then

369

00:13:58,870 --> 00:13:57,030

you got to be yourself either way even

370

00:13:59,910 --> 00:13:58,880

if it scares everyone away and when

371

00:14:01,350 --> 00:13:59,920

you're talking to people you can

372

00:14:03,910 --> 00:14:01,360

literally see them going to their happy

373

00:14:06,150 --> 00:14:03,920

place so you're just

374

00:14:08,470 --> 00:14:06,160

you know that's true another one you see

375

00:14:10,150 --> 00:14:08,480

the the glaze over in their eyes

376

00:14:10,949 --> 00:14:10,160

it's what happens

377

00:14:13,829 --> 00:14:10,959

but

378

00:14:15,590 --> 00:14:13,839

connect with people who are you you see

379

00:14:16,550 --> 00:14:15,600

the excitement in them or you can see

380

00:14:18,389 --> 00:14:16,560

that

381

00:14:20,470 --> 00:14:18,399

like secretly they're like if no one was

382

00:14:22,069 --> 00:14:20,480

around no you're not weirdo too yeah

383

00:14:23,750 --> 00:14:22,079

people could be into this so hard right

384

00:14:25,590 --> 00:14:23,760

now but i can't

385

00:14:28,470 --> 00:14:25,600

i'm like i get it it's okay so this is

386

00:14:30,310 --> 00:14:28,480

where we're at what well it says y says

387

00:14:31,350 --> 00:14:30,320

we are what we are that is true and

388

00:14:34,230 --> 00:14:31,360

speaking of

389

00:14:35,509 --> 00:14:34,240

why or we are what we are priscilla i

390

00:14:36,870 --> 00:14:35,519

know you've done this and you're doing a

391

00:14:38,069 --> 00:14:36,880

great job and i really commend you for

392

00:14:40,550 --> 00:14:38,079

coming out and sharing your story

393

00:14:42,550 --> 00:14:40,560

because i don't think um

394

00:14:43,350 --> 00:14:42,560

no matter what anybody's story is and i

395

00:14:45,670 --> 00:14:43,360

think

396

00:14:47,110 --> 00:14:45,680

we tend to put these

397

00:14:49,030 --> 00:14:47,120

parameters on people sharing their

398

00:14:50,949 --> 00:14:49,040

stories on what's most exciting or what

399

00:14:54,230 --> 00:14:50,959

matters the most and

400

00:14:56,069 --> 00:14:54,240

ensure some are really exciting uh

401
00:14:57,590 --> 00:14:56,079
if they're to be believed as completely

402
00:14:59,350 --> 00:14:57,600
true and i like to usually give the

403
00:15:00,870 --> 00:14:59,360
person the benefit of a doubt and and

404
00:15:03,269 --> 00:15:00,880
listen to them but

405
00:15:05,110 --> 00:15:03,279
i think that it's most of the time in my

406
00:15:06,470 --> 00:15:05,120
opinion everybody's experience is

407
00:15:08,629 --> 00:15:06,480
important and i know people are like

408
00:15:10,949 --> 00:15:08,639
that's super cheesy no i feel the same

409
00:15:12,629 --> 00:15:10,959
way but it really does matter the amount

410
00:15:15,030 --> 00:15:12,639
of other people that might have had some

411
00:15:16,629 --> 00:15:15,040
of the same life experiences as yours

412
00:15:18,550 --> 00:15:16,639
uh you know maybe they listen to a

413
00:15:20,069 --> 00:15:18,560

travis walton story or incident or

414

00:15:22,150 --> 00:15:20,079

whatever you know one of the bigger

415

00:15:23,829 --> 00:15:22,160

names we all know of their story and go

416

00:15:25,590 --> 00:15:23,839

i don't connect with that but

417

00:15:27,829 --> 00:15:25,600

they connected with you know priscilla

418

00:15:29,829 --> 00:15:27,839

from the quantum witch cafe that was the

419

00:15:32,470 --> 00:15:29,839

story that helped them start to move

420

00:15:34,230 --> 00:15:32,480

forward so in saying that let's start

421

00:15:35,350 --> 00:15:34,240

with there and then we're going to go uh

422

00:15:36,710 --> 00:15:35,360

we'll travel through history a little

423

00:15:38,949 --> 00:15:36,720

bit by the way

424

00:15:40,150 --> 00:15:38,959

uh old blue can travel through time guys

425

00:15:42,069 --> 00:15:40,160

and some of you didn't know that but she

426

00:15:43,509 --> 00:15:42,079

could travel through time but we're

427

00:15:45,030 --> 00:15:43,519

going to start here now

428

00:15:47,110 --> 00:15:45,040

uh what is

429

00:15:49,269 --> 00:15:47,120

quantum witch cafe all about what where

430

00:15:50,790 --> 00:15:49,279

was the the birthplace of this what took

431

00:15:54,550 --> 00:15:50,800

place there

432

00:15:55,910 --> 00:15:54,560

well it started on clubhouse because um

433

00:15:58,310 --> 00:15:55,920

i don't even know how i ended up on

434

00:16:00,230 --> 00:15:58,320

clubhouse oh no i met i did like this

435

00:16:02,470 --> 00:16:00,240

whole like

436

00:16:03,430 --> 00:16:02,480

tony robbins thing and i met this girl

437

00:16:05,749 --> 00:16:03,440

there

438

00:16:07,430 --> 00:16:05,759

and she was um

439

00:16:09,670 --> 00:16:07,440

she was just super awesome like an

440

00:16:11,829 --> 00:16:09,680

amazing person she was a

441

00:16:14,790 --> 00:16:11,839

london fashion person

442

00:16:15,910 --> 00:16:14,800

but she aligned the clothes to uh chakra

443

00:16:17,990 --> 00:16:15,920

colors

444

00:16:20,150 --> 00:16:18,000

very nice and so that was different for

445

00:16:22,150 --> 00:16:20,160

a fashion person to me to meet somebody

446

00:16:23,430 --> 00:16:22,160

like that so her and i just kind of

447

00:16:24,870 --> 00:16:23,440

started talking and then she's like oh

448

00:16:26,470 --> 00:16:24,880

well i'm doing this thing on clubhouse

449

00:16:29,430 --> 00:16:26,480

and that's when you needed like an

450

00:16:30,470 --> 00:16:29,440

invite so she sent me an invite and um

451
00:16:45,829 --> 00:16:30,480
i

452
00:16:47,509 --> 00:16:45,839
deep talks

453
00:16:50,310 --> 00:16:47,519
and that's what i wanted to do like i

454
00:16:52,069 --> 00:16:50,320
wanted to have like a cafe um like

455
00:16:54,069 --> 00:16:52,079
quantum witch cafe and the whole quantum

456
00:16:56,389 --> 00:16:54,079
witch thing is because i love physics

457
00:16:57,829 --> 00:16:56,399
and to me i think that magic is just

458
00:16:58,949 --> 00:16:57,839
going to be explained by physics because

459
00:17:00,870 --> 00:16:58,959
there's all these people saying i'm a

460
00:17:02,150 --> 00:17:00,880
green witch i'm a this witch i'm a

461
00:17:04,230 --> 00:17:02,160
hooded witch

462
00:17:05,110 --> 00:17:04,240
all this stuff and i'm just like it's

463
00:17:08,309 --> 00:17:05,120

all

464

00:17:15,750 --> 00:17:11,429

lest we forget the great and magnificent

465

00:17:17,990 --> 00:17:15,760

uh uh warlocks that are on this earth

466

00:17:19,270 --> 00:17:18,000

the graces they are a step somehow above

467

00:17:21,189 --> 00:17:19,280

a witch

468

00:17:22,549 --> 00:17:21,199

uh apparently and i think all witches

469

00:17:24,549 --> 00:17:22,559

agree with this right warlocks are at

470

00:17:25,909 --> 00:17:24,559

the top of the hierarchy and the uh the

471

00:17:27,829 --> 00:17:25,919

game over there

472

00:17:29,110 --> 00:17:27,839

so for people who don't know about this

473

00:17:31,990 --> 00:17:29,120

uh do you want to explain to them the

474

00:17:34,390 --> 00:17:32,000

idea of a warlock and all their mystical

475

00:17:35,590 --> 00:17:34,400

powers

476

00:17:37,669 --> 00:17:35,600

i've been taught they're just a

477

00:17:39,990 --> 00:17:37,679

different type of magic person basically

478

00:17:41,909 --> 00:17:40,000

a different type of practitioner

479

00:17:43,430 --> 00:17:41,919

a lot of male witches a lot of people

480

00:17:45,270 --> 00:17:43,440

think that if you're a male witch like

481

00:17:47,190 --> 00:17:45,280

you're a warlock i mean it it might

482

00:17:49,350 --> 00:17:47,200

sound cooler to you to be a warlock or a

483

00:17:50,710 --> 00:17:49,360

sorcerer but when you actually look into

484

00:17:52,870 --> 00:17:50,720

like the meaning it was something with

485

00:17:55,590 --> 00:17:52,880

the meaning of the word warlock that a

486

00:17:56,710 --> 00:17:55,600

lot of male witches don't agree with

487

00:17:58,710 --> 00:17:56,720

and you could be a female to be a

488

00:18:01,909 --> 00:17:58,720

warlock too and the whole thing with the

489

00:18:03,750 --> 00:18:01,919

warlock is it has like this like

490

00:18:05,669 --> 00:18:03,760

reputation of like literally like

491

00:18:07,110 --> 00:18:05,679

wanting to bring chaos

492

00:18:08,950 --> 00:18:07,120

so um

493

00:18:11,669 --> 00:18:08,960

that's what i've understood it as

494

00:18:13,029 --> 00:18:11,679

there's not like levels like um like you

495

00:18:15,350 --> 00:18:13,039

don't go to like maddoxville and you

496

00:18:17,590 --> 00:18:15,360

start as a witchling and they go witch

497

00:18:20,310 --> 00:18:17,600

and then warlock and then sorcerer

498

00:18:22,230 --> 00:18:20,320

they're they're all different practices

499

00:18:23,669 --> 00:18:22,240

see i thought i thought and i could be

500

00:18:24,950 --> 00:18:23,679

wrong because it's not my area of

501
00:18:26,470 --> 00:18:24,960
expertise but i thought that the

502
00:18:28,630 --> 00:18:26,480
warlocks were like

503
00:18:30,390 --> 00:18:28,640
a little bit of like the prima donnas of

504
00:18:31,590 --> 00:18:30,400
the witch world like they were like

505
00:18:32,950 --> 00:18:31,600
might just be like a dungeons and

506
00:18:34,950 --> 00:18:32,960
dragons thing

507
00:18:36,230 --> 00:18:34,960
i was okay because i thought a witch was

508
00:18:37,830 --> 00:18:36,240
a witch you know what i mean like if

509
00:18:39,190 --> 00:18:37,840
you're a witch that was one of the big

510
00:18:40,630 --> 00:18:39,200
learning curves that i had when i first

511
00:18:42,549 --> 00:18:40,640
started hearing about the witch world as

512
00:18:43,990 --> 00:18:42,559
it were really kind of diving into it

513
00:18:46,390 --> 00:18:44,000

and realizing

514

00:18:47,750 --> 00:18:46,400

that it is pretty diverse which and i

515

00:18:49,190 --> 00:18:47,760

should clear that out by saying this a

516

00:18:51,750 --> 00:18:49,200

witch is not just a witch because there

517

00:18:53,350 --> 00:18:51,760

are there are many variations depending

518

00:18:54,310 --> 00:18:53,360

on what they practice or what they're

519

00:18:56,950 --> 00:18:54,320

into

520

00:18:59,110 --> 00:18:56,960

but the idea that there are people

521

00:19:01,270 --> 00:18:59,120

some gentlemen in particular who

522

00:19:02,390 --> 00:19:01,280

walk around calling themselves warlocks

523

00:19:04,230 --> 00:19:02,400

or wanting to be referred to as a

524

00:19:05,830 --> 00:19:04,240

warlock pretty metal

525

00:19:07,270 --> 00:19:05,840

this is pretty metal i mean that's great

526

00:19:09,430 --> 00:19:07,280

if you're into like this they might

527

00:19:11,029 --> 00:19:09,440

think that they are i don't i don't see

528

00:19:13,430 --> 00:19:11,039

any witches i know bowing down to a

529

00:19:16,230 --> 00:19:13,440

warlock any time

530

00:19:17,750 --> 00:19:16,240

generally not generally not

531

00:19:19,190 --> 00:19:17,760

but i just think it might sound cooler

532

00:19:21,990 --> 00:19:19,200

because it's kind of like people have

533

00:19:22,950 --> 00:19:22,000

like made the word witch so feminine

534

00:19:25,270 --> 00:19:22,960

and

535

00:19:26,789 --> 00:19:25,280

if you're just like some dude

536

00:19:28,310 --> 00:19:26,799

wanting to be a witch but not being

537

00:19:29,750 --> 00:19:28,320

called a witch

538

00:19:31,590 --> 00:19:29,760

i didn't know this is true arlene

539

00:19:33,909 --> 00:19:31,600

atkinson thank you for being here with

540

00:19:35,510 --> 00:19:33,919

that too yeah it has like a if you look

541

00:19:36,549 --> 00:19:35,520

into the meaning of it it's actually

542

00:19:38,950 --> 00:19:36,559

kind of

543

00:19:40,870 --> 00:19:38,960

yeah it's controversial so nice for

544

00:19:42,310 --> 00:19:40,880

those that might be i'm sorry go ahead

545

00:19:43,590 --> 00:19:42,320

oh go ahead no well i was just saying

546

00:19:44,710 --> 00:19:43,600

because some people listen back audio

547

00:19:46,630 --> 00:19:44,720

wise only so for those who are just

548

00:19:49,430 --> 00:19:46,640

listening at audio arlene had said that

549

00:19:52,150 --> 00:19:49,440

warlock was the was what the witch

550

00:19:53,669 --> 00:19:52,160

traders were called centuries ago so

551
00:19:54,710 --> 00:19:53,679
like what they just snuck in and like

552
00:19:55,750 --> 00:19:54,720
they killed it was the most creative

553
00:19:56,950 --> 00:19:55,760
name they could come up with they're

554
00:20:00,710 --> 00:19:56,960
like okay they're called witches what do

555
00:20:02,710 --> 00:20:00,720
we call ourselves i'm like a warlock

556
00:20:04,230 --> 00:20:02,720
it's like sneaky

557
00:20:06,630 --> 00:20:04,240
yep i think she's right i remember

558
00:20:09,190 --> 00:20:06,640
reading something about that um you know

559
00:20:11,350 --> 00:20:09,200
but i i don't know

560
00:20:12,710 --> 00:20:11,360
my man don't face boy from down under

561
00:20:13,750 --> 00:20:12,720
thank you so much brother for being here

562
00:20:15,270 --> 00:20:13,760
tonight

563
00:20:16,789 --> 00:20:15,280

yeah uh

564

00:20:18,470 --> 00:20:16,799

you know and

565

00:20:19,990 --> 00:20:18,480

i guess i mean to each their own like i

566

00:20:22,470 --> 00:20:20,000

said it's not my realm so my area of

567

00:20:23,750 --> 00:20:22,480

expertise whatsoever i just had from

568

00:20:25,190 --> 00:20:23,760

what i'd heard from some of the witches

569

00:20:26,710 --> 00:20:25,200

that that i'd been listening to and

570

00:20:27,669 --> 00:20:26,720

they've been sharing they basically said

571

00:20:30,230 --> 00:20:27,679

that

572

00:20:32,070 --> 00:20:30,240

if you meet a witch and they're like you

573

00:20:33,669 --> 00:20:32,080

shelled from henceforth refer to me as

574

00:20:35,350 --> 00:20:33,679

warlock that you might want to watch

575

00:20:39,750 --> 00:20:35,360

that one that's like well yeah they

576

00:20:41,350 --> 00:20:39,760

definitely have a reputation you know um

577

00:20:42,710 --> 00:20:41,360

so

578

00:20:44,390 --> 00:20:42,720

but having said that i interrupted your

579

00:20:46,149 --> 00:20:44,400

story you you started kind of this idea

580

00:20:48,710 --> 00:20:46,159

of the book club being able to be the

581

00:20:51,350 --> 00:20:48,720

inner city campfires of the woods as it

582

00:20:53,510 --> 00:20:51,360

were and so you started this idea that

583

00:20:55,590 --> 00:20:53,520

you wanted to have a what virtual

584

00:20:57,909 --> 00:20:55,600

campfire essentially yeah like a virtual

585

00:20:59,669 --> 00:20:57,919

cafe like there was actually this bar in

586

00:21:00,950 --> 00:20:59,679

vegas that kind of came to mind it was

587

00:21:03,510 --> 00:21:00,960

called the griffin

588

00:21:06,710 --> 00:21:03,520

and there was like this fire pot fire

589

00:21:08,789 --> 00:21:06,720

fire pit my gosh guys fire pit inside of

590

00:21:11,110 --> 00:21:08,799

this bar and the whole inside was done

591

00:21:13,110 --> 00:21:11,120

up like medieval times looking but not

592

00:21:13,410 --> 00:21:13,120

cheesy but cool so

593

00:21:14,549 --> 00:21:13,420

um

594

00:21:15,990 --> 00:21:14,559

[Music]

595

00:21:17,909 --> 00:21:16,000

that's kind of what i was picturing in

596

00:21:20,310 --> 00:21:17,919

my head like i would love to have like a

597

00:21:22,710 --> 00:21:20,320

witchy cafe one day and just like have

598

00:21:24,789 --> 00:21:22,720

deep conversations with people so that's

599

00:21:27,270 --> 00:21:24,799

what i called it because it just popped

600

00:21:28,549 --> 00:21:27,280

into my head and it had like a it

601
00:21:30,630 --> 00:21:28,559
sounded it seemed like it would flow

602
00:21:32,390 --> 00:21:30,640
well for me um

603
00:21:33,750 --> 00:21:32,400
but yeah

604
00:21:35,430 --> 00:21:33,760
no did you just where it came from and

605
00:21:36,710 --> 00:21:35,440
then i just wanted it like you i wanted

606
00:21:38,950 --> 00:21:36,720
to talk about things because when i

607
00:21:39,669 --> 00:21:38,960
joined like ufo world was all these guys

608
00:21:43,190 --> 00:21:39,679
and

609
00:21:44,470 --> 00:21:43,200
like i'm never gonna get invited to any

610
00:21:46,390 --> 00:21:44,480
of this crap i'm just this like

611
00:21:48,230 --> 00:21:46,400
housewife that didn't finish college you

612
00:21:49,909 --> 00:21:48,240
know like nobody's gonna want to talk to

613
00:21:51,590 --> 00:21:49,919

me and there's really not a lot of girls

614

00:21:53,190 --> 00:21:51,600

on there unless you were like an og girl

615

00:21:56,950 --> 00:21:53,200

like alien girl

616

00:21:59,350 --> 00:21:56,960

true you know so um i just felt so like

617

00:22:01,029 --> 00:21:59,360

like i want to talk about this and yes

618

00:22:02,390 --> 00:22:01,039

every market might be like over

619

00:22:03,750 --> 00:22:02,400

saturated there might be too many

620

00:22:05,029 --> 00:22:03,760

podcasts but like you said earlier

621

00:22:06,149 --> 00:22:05,039

somebody's going to listen to you

622

00:22:07,190 --> 00:22:06,159

because they resonate with you and

623

00:22:09,990 --> 00:22:07,200

somebody's going to listen to me because

624

00:22:12,230 --> 00:22:10,000

they resonate with me and you know or

625

00:22:13,750 --> 00:22:12,240

both or all of it you know it's just uh

626

00:22:16,310 --> 00:22:13,760

i just needed to talk to somebody about

627

00:22:18,310 --> 00:22:16,320

this because i was sick of going like

628

00:22:21,669 --> 00:22:18,320

throughout my day and this really like

629

00:22:23,510 --> 00:22:21,679

fills up my like cup as they say because

630

00:22:25,110 --> 00:22:23,520

i'm with kids all day

631

00:22:27,110 --> 00:22:25,120

and my husband's supportive but he's not

632

00:22:28,310 --> 00:22:27,120

going to talk about ufos with me he's

633

00:22:32,149 --> 00:22:28,320

like the skeptic we're like mulder

634

00:22:35,510 --> 00:22:34,390

he's just not as cute of a redhead as

635

00:22:37,270 --> 00:22:35,520

she is but

636

00:22:38,630 --> 00:22:37,280

it's a way to keep it balanced it's a

637

00:22:40,470 --> 00:22:38,640

way to keep a balance i guess but you

638

00:22:42,149 --> 00:22:40,480

are right that it's

639

00:22:44,390 --> 00:22:42,159

uh i see i

640

00:22:46,149 --> 00:22:44,400

i see i didn't even know it sounds so

641

00:22:47,990 --> 00:22:46,159

cheesy but like i didn't know there was

642

00:22:50,230 --> 00:22:48,000

a community like i didn't i didn't

643

00:22:51,669 --> 00:22:50,240

really know about it i didn't and like i

644

00:22:53,590 --> 00:22:51,679

listened to ben and joe in the ufo

645

00:22:54,549 --> 00:22:53,600

garage podcast i was like cool there's

646

00:22:55,669 --> 00:22:54,559

like a couple people doing these

647

00:22:56,950 --> 00:22:55,679

podcasts and stuff and then you

648

00:22:58,230 --> 00:22:56,960

mentioned they had a youtube page and i

649

00:22:59,750 --> 00:22:58,240

thought that was like the extent of a

650

00:23:01,430 --> 00:22:59,760

community i thought we were the

651
00:23:02,870 --> 00:23:01,440
spearhead of this thing i was like i'm

652
00:23:04,230 --> 00:23:02,880
just kidding i didn't think we were the

653
00:23:04,870 --> 00:23:04,240
spearhead like i knew about like some of

654
00:23:06,070 --> 00:23:04,880
the

655
00:23:07,430 --> 00:23:06,080
you know like ones that i'd seen in

656
00:23:09,190 --> 00:23:07,440
ancient aliens and stuff i knew there

657
00:23:11,750 --> 00:23:09,200
were people in london you have people

658
00:23:13,430 --> 00:23:11,760
like jess rogue right rookie she's her

659
00:23:15,110 --> 00:23:13,440
she's been around for so long doing this

660
00:23:17,350 --> 00:23:15,120
ufo jane

661
00:23:19,350 --> 00:23:17,360
um chase klotzky like we have all these

662
00:23:20,549 --> 00:23:19,360
people that you know they might not have

663
00:23:22,310 --> 00:23:20,559

a lot of those people some of them are

664

00:23:23,830 --> 00:23:22,320

like production you know and yeah

665

00:23:25,270 --> 00:23:23,840

authors and all that but

666

00:23:27,510 --> 00:23:25,280

yeah i thought i thought the same thing

667

00:23:29,270 --> 00:23:27,520

i was like there's people like this yeah

668

00:23:32,070 --> 00:23:29,280

i didn't know that you know in a good

669

00:23:33,190 --> 00:23:32,080

way yeah like forums and and community

670

00:23:35,669 --> 00:23:33,200

like like you were saying as far as like

671

00:23:37,750 --> 00:23:35,679

twitter pages or your facebook pages i

672

00:23:38,789 --> 00:23:37,760

just really didn't know uh that there

673

00:23:39,990 --> 00:23:38,799

were other people out there that you

674

00:23:42,149 --> 00:23:40,000

could kind of just go and share these

675

00:23:44,230 --> 00:23:42,159

ideas with and i think the more that the

676

00:23:46,230 --> 00:23:44,240

collective conscious kind of starts to

677

00:23:48,149 --> 00:23:46,240

dwell upon this i i still go back to

678

00:23:50,230 --> 00:23:48,159

that whole like i forget the name of the

679

00:23:51,830 --> 00:23:50,240

test but the the the mice test right

680

00:23:53,590 --> 00:23:51,840

where they have a hundred mice solve the

681

00:23:54,870 --> 00:23:53,600

puzzle and the mice in separate parts of

682

00:23:56,149 --> 00:23:54,880

the world that never interact at all and

683

00:23:58,549 --> 00:23:56,159

start to instantly start solving the

684

00:24:01,350 --> 00:23:58,559

puzzle yes i really do think the more

685

00:24:03,590 --> 00:24:01,360

that we get people dwell on the idea and

686

00:24:05,269 --> 00:24:03,600

clearly that's been a reflection

687

00:24:06,310 --> 00:24:05,279

of i don't want to say it's like in a

688

00:24:08,950 --> 00:24:06,320

bad way because like i don't want to

689

00:24:10,710 --> 00:24:08,960

take away from the the ufo topic

690

00:24:13,269 --> 00:24:10,720

but it's almost become like not that

691

00:24:15,269 --> 00:24:13,279

trendy anymore it's not edgy i'll say it

692

00:24:16,950 --> 00:24:15,279

that way like it's almost like oh yeah

693

00:24:18,390 --> 00:24:16,960

like it's a you can kind of have that

694

00:24:19,909 --> 00:24:18,400

conversation even though earlier we're

695

00:24:21,830 --> 00:24:19,919

talking about how you couldn't

696

00:24:24,070 --> 00:24:21,840

people are much more receptive receptor

697

00:24:25,750 --> 00:24:24,080

to the idea of other beings

698

00:24:28,310 --> 00:24:25,760

where research dropped the line is like

699

00:24:30,230 --> 00:24:28,320

your own ability as a human being like

700

00:24:31,830 --> 00:24:30,240

consciousness and and that's where

701
00:24:34,149 --> 00:24:31,840
there's a little more like we're still

702
00:24:35,669 --> 00:24:34,159
digging into that one but it also goes

703
00:24:37,350 --> 00:24:35,679
back to consciousness right anytime

704
00:24:39,269 --> 00:24:37,360
we're asking these questions like how

705
00:24:41,430 --> 00:24:39,279
did this happen how did that happen we

706
00:24:44,390 --> 00:24:41,440
all go to this point where we realized

707
00:24:46,390 --> 00:24:44,400
that it's all the same crap anyways like

708
00:24:48,710 --> 00:24:46,400
and i don't mean that in a bad way we

709
00:24:50,549 --> 00:24:48,720
are literally just a bunch of energy

710
00:24:52,390 --> 00:24:50,559
like we're waves we're not even like

711
00:24:54,390 --> 00:24:52,400
we're barely matter

712
00:24:56,630 --> 00:24:54,400
yeah do you know what i mean and

713
00:24:58,870 --> 00:24:56,640

the it's silly to think it's i always

714

00:25:00,149 --> 00:24:58,880

see it in my head as like a spider web

715

00:25:01,830 --> 00:25:00,159

you know like when something lands on

716

00:25:03,269 --> 00:25:01,840

the spider web and it vibrates and then

717

00:25:04,630 --> 00:25:03,279

the spider's like oh hell yeah and then

718

00:25:06,230 --> 00:25:04,640

it goes over there

719

00:25:08,470 --> 00:25:06,240

that's true

720

00:25:09,909 --> 00:25:08,480

um but it's like that vibration travels

721

00:25:19,110 --> 00:25:09,919

is what i'm getting i'm sorry guys i

722

00:25:23,510 --> 00:25:20,630

sometimes it doesn't work

723

00:25:24,789 --> 00:25:23,520

so yeah so anyways we're all spiders and

724

00:25:25,909 --> 00:25:24,799

we're going to eat each other

725

00:25:27,029 --> 00:25:25,919

i'm just kidding

726

00:25:29,269 --> 00:25:27,039

it's going down

727

00:25:30,950 --> 00:25:29,279

when like the when the fly lands on a

728

00:25:33,510 --> 00:25:30,960

spider web that vibration has felt far

729

00:25:35,990 --> 00:25:33,520

away well we're like that on this big

730

00:25:37,269 --> 00:25:36,000

cosmic scheme of like maybe entanglement

731

00:25:39,830 --> 00:25:37,279

we don't really know

732

00:25:40,630 --> 00:25:39,840

but something happens over there

733

00:25:45,110 --> 00:25:40,640

and

734

00:25:46,789 --> 00:25:45,120

these ideas floating around

735

00:25:47,750 --> 00:25:46,799

and we just like pick up on them and

736

00:25:49,110 --> 00:25:47,760

somebody

737

00:25:50,870 --> 00:25:49,120

else might be like well i was thinking

738

00:25:53,510 --> 00:25:50,880

that same thing

739

00:25:55,110 --> 00:25:53,520

yes and it's cool when people just vibe

740

00:25:56,950 --> 00:25:55,120

with that versus getting aggressive

741

00:25:59,669 --> 00:25:56,960

about it like defensive like no that was

742

00:26:01,830 --> 00:25:59,679

my idea it's like no it's it's okay we

743

00:26:03,669 --> 00:26:01,840

can have we can have ideas guys we can

744

00:26:06,390 --> 00:26:03,679

share enzo says i barely matter that's

745

00:26:08,549 --> 00:26:06,400

not true enzo shut up enzo we love you

746

00:26:10,230 --> 00:26:08,559

you're vibrating so hard bro if you

747

00:26:13,029 --> 00:26:10,240

didn't vibrate as hard as you heard you

748

00:26:15,669 --> 00:26:13,039

vibrate right now vibrating

749

00:26:18,070 --> 00:26:15,679

that's right he admits a ton of

750

00:26:19,669 --> 00:26:18,080

vibrational vibrations guys

751

00:26:21,190 --> 00:26:19,679

um

752

00:26:22,149 --> 00:26:21,200

let's see knight writer speaking of sp

753

00:26:23,029 --> 00:26:22,159

thank you for being here tonight i might

754

00:26:23,909 --> 00:26:23,039

have missed the name before i don't

755

00:26:25,750 --> 00:26:23,919

think i've seen them in here too much

756

00:26:27,350 --> 00:26:25,760

before says i have a site i created

757

00:26:29,510 --> 00:26:27,360

about two years ago had tech problems

758

00:26:30,789 --> 00:26:29,520

and so i recreated it and no one has

759

00:26:34,630 --> 00:26:30,799

been there

760

00:26:36,789 --> 00:26:34,640

it's called space cafe

761

00:26:38,470 --> 00:26:36,799

see no it's close i'm gonna write it

762

00:26:39,830 --> 00:26:38,480

down yeah you're about to check it out

763

00:26:41,029 --> 00:26:39,840

maybe you guys can collaborate and do

764

00:26:42,630 --> 00:26:41,039

something

765

00:26:45,029 --> 00:26:42,640

see what it's all about

766

00:26:46,870 --> 00:26:45,039

uh zerocool says who is the fly though

767

00:26:48,230 --> 00:26:46,880

well let's talk about that

768

00:26:49,830 --> 00:26:48,240

uh

769

00:26:51,750 --> 00:26:49,840

let's let's dig into this we'll go this

770

00:26:53,990 --> 00:26:51,760

route while you're writing that down

771

00:26:55,669 --> 00:26:54,000

which is what is it from starting this

772

00:26:57,350 --> 00:26:55,679

uh channel up and be able to have people

773

00:26:59,110 --> 00:26:57,360

come on and chat

774

00:27:00,230 --> 00:26:59,120

do you kind of have a mission statement

775

00:27:02,390 --> 00:27:00,240

or do you think you're just kind of just

776

00:27:04,149 --> 00:27:02,400

going with the flow do you think

777

00:27:05,510 --> 00:27:04,159

definitely just going with the flow

778

00:27:08,549 --> 00:27:05,520

because i still don't know what i'm

779

00:27:09,590 --> 00:27:08,559

doing like i i know two things for sure

780

00:27:11,590 --> 00:27:09,600

i'm

781

00:27:13,190 --> 00:27:11,600

able to talk about this now

782

00:27:17,190 --> 00:27:13,200

and

783

00:27:19,269 --> 00:27:17,200

i have kids that i have to keep alive

784

00:27:21,110 --> 00:27:19,279

of the very minimal things right like

785

00:27:22,470 --> 00:27:21,120

this i know i'm not making fun of like

786

00:27:24,549 --> 00:27:22,480

motherhood like

787

00:27:26,389 --> 00:27:24,559

um it it's like anything else you know

788

00:27:28,549 --> 00:27:26,399

what i mean it's rewarding it's

789

00:27:30,230 --> 00:27:28,559

challenging it's great but at the same

790

00:27:32,630 --> 00:27:30,240

time like i know for sure i had to wake

791

00:27:34,710 --> 00:27:32,640

up and feed kids and then also i know

792

00:27:35,990 --> 00:27:34,720

that on wednesdays or at least once a

793

00:27:39,430 --> 00:27:36,000

week i'm going to get to talk to people

794

00:27:40,950 --> 00:27:39,440

about weird things like spirits and ufos

795

00:27:42,549 --> 00:27:40,960

and extraterrestrials and

796

00:27:44,230 --> 00:27:42,559

interdimensionals and all the weird

797

00:27:46,789 --> 00:27:44,240

stuff that usually just rolls around in

798

00:27:49,430 --> 00:27:46,799

my brain by itself

799

00:27:50,549 --> 00:27:49,440

and it never has an outlet

800

00:27:51,669 --> 00:27:50,559

then i can't sleep because you're not

801
00:27:53,269 --> 00:27:51,679
talking about it and you're thinking

802
00:27:54,630 --> 00:27:53,279
about it you know

803
00:27:55,990 --> 00:27:54,640
when do you find that it kicks in the

804
00:27:57,029 --> 00:27:56,000
most for you like when do the thoughts

805
00:27:58,710 --> 00:27:57,039
come to you

806
00:27:59,909 --> 00:27:58,720
obviously at three o'clock in the

807
00:28:01,430 --> 00:27:59,919
morning or when i'm trying to go to

808
00:28:04,310 --> 00:28:01,440
sleep and i need to be up at six to take

809
00:28:05,909 --> 00:28:04,320
the kid to school

810
00:28:07,350 --> 00:28:05,919
i definitely pulled some all-nighters

811
00:28:08,710 --> 00:28:07,360
before just from thoughts the stuff i

812
00:28:10,950 --> 00:28:08,720
wanted to do i was like i couldn't go to

813
00:28:12,470 --> 00:28:10,960

sleep i was like i have to look up

814

00:28:14,070 --> 00:28:12,480

this answer like this idea i'm like i

815

00:28:15,590 --> 00:28:14,080

just have a thought i have to look it up

816

00:28:17,269 --> 00:28:15,600

and it never it never ends there it's

817

00:28:19,269 --> 00:28:17,279

like a and then it leads to other things

818

00:28:21,990 --> 00:28:19,279

yeah i have

819

00:28:23,669 --> 00:28:22,000

fidgets because of my um those have been

820

00:28:25,269 --> 00:28:23,679

a great thing introduced to the world's

821

00:28:28,389 --> 00:28:25,279

fidget spinners

822

00:28:30,710 --> 00:28:28,399

no i have the poppers i have slime

823

00:28:33,350 --> 00:28:30,720

my my other thing that i used to do that

824

00:28:35,350 --> 00:28:33,360

i didn't realize it was an adhd thing is

825

00:28:36,870 --> 00:28:35,360

uh shuffling cards i always had a deck

826

00:28:38,310 --> 00:28:36,880

of playing cards i don't know if i

827

00:28:39,669 --> 00:28:38,320

thought i was like gambit from x-men or

828

00:28:41,750 --> 00:28:39,679

something

829

00:28:43,909 --> 00:28:41,760

but i always have like cards so anytime

830

00:28:45,909 --> 00:28:43,919

i have like the anxieties under wraps a

831

00:28:48,470 --> 00:28:45,919

lot right now um within the past year

832

00:28:50,230 --> 00:28:48,480

but i'll be like shuffling cards

833

00:28:53,590 --> 00:28:50,240

in the middle of the night and like what

834

00:28:55,830 --> 00:28:54,950

like right now i was killing time and i

835

00:28:57,350 --> 00:28:55,840

was shuffling a car that i was hunting

836

00:28:59,350 --> 00:28:57,360

was i was mad at a card because it keeps

837

00:29:01,190 --> 00:28:59,360

popping up i don't know that is true

838

00:29:02,950 --> 00:29:01,200

that is true if there's anybody in the

839

00:29:04,630 --> 00:29:02,960

chat or anybody in priscilla's world

840

00:29:07,269 --> 00:29:04,640

that has amazing hair

841

00:29:08,950 --> 00:29:07,279

just know she's pissed like i know what

842

00:29:11,110 --> 00:29:08,960

the card means and i know the type of

843

00:29:13,830 --> 00:29:11,120

person it is but i don't know who it is

844

00:29:15,990 --> 00:29:13,840

so sometimes in tarot you have like

845

00:29:18,149 --> 00:29:16,000

you have archetypes

846

00:29:19,269 --> 00:29:18,159

and i keep getting this fabio looking

847

00:29:20,070 --> 00:29:19,279

mofa

848

00:29:22,470 --> 00:29:20,080

but

849

00:29:24,149 --> 00:29:22,480

yeah hang on here we go oh sorry this is

850

00:29:26,149 --> 00:29:24,159

like reflective too oh my gosh i'm so

851
00:29:27,510 --> 00:29:26,159
horrible with this

852
00:29:29,430 --> 00:29:27,520
there we go

853
00:29:32,070 --> 00:29:29,440
i got it that'll make a weird sound

854
00:29:33,269 --> 00:29:32,080
um his hair kind of looks blurry

855
00:29:34,549 --> 00:29:33,279
whatever is on his cup they're like we

856
00:29:36,070 --> 00:29:34,559
gotta censor this

857
00:29:38,789 --> 00:29:36,080
guys i'm even wearing my hair like him

858
00:29:40,549 --> 00:29:38,799
now so i keep pulling this guy out in my

859
00:29:41,909 --> 00:29:40,559
readings for myself

860
00:29:43,510 --> 00:29:41,919
when i'm doing these cool readings for

861
00:29:45,510 --> 00:29:43,520
other people like i'll if i did one for

862
00:29:47,269 --> 00:29:45,520
somebody it'd be like you're a magician

863
00:29:48,630 --> 00:29:47,279

now harry

864

00:29:50,549 --> 00:29:48,640

and for me it's like oh you're gonna

865

00:29:51,510 --> 00:29:50,559

fight a bunch of dudes with sticks and

866

00:29:53,190 --> 00:29:51,520

um

867

00:29:55,029 --> 00:29:53,200

there's this fabio guy

868

00:29:56,789 --> 00:29:55,039

and now your hair looks like his hair

869

00:29:58,789 --> 00:29:56,799

your wizard harry

870

00:30:00,389 --> 00:29:58,799

oh man yeah i know she tried to accuse

871

00:30:01,830 --> 00:30:00,399

me like it was the first time we really

872

00:30:02,950 --> 00:30:01,840

talked and she was like telling me she's

873

00:30:04,389 --> 00:30:02,960

like i'm really pissed i keep getting

874

00:30:05,510 --> 00:30:04,399

this card and then she was like is it

875

00:30:06,870 --> 00:30:05,520

you and then she showed me the card i

876

00:30:08,310 --> 00:30:06,880

was like that's too much hair that's

877

00:30:10,070 --> 00:30:08,320

does not mean

878

00:30:12,470 --> 00:30:10,080

joking when i said that because the guy

879

00:30:13,990 --> 00:30:12,480

has a lot of hair it was awesome timing

880

00:30:15,190 --> 00:30:14,000

i appreciate that energy that was that

881

00:30:16,230 --> 00:30:15,200

was actually pretty hilarious i feel

882

00:30:18,149 --> 00:30:16,240

like most people don't open up right

883

00:30:20,389 --> 00:30:18,159

here like that oh yeah that's a good way

884

00:30:22,070 --> 00:30:20,399

to just go right for it it made me laugh

885

00:30:23,750 --> 00:30:22,080

legitimately

886

00:30:25,990 --> 00:30:23,760

you seem open i know like some people i

887

00:30:27,590 --> 00:30:26,000

have to be like behave for

888

00:30:29,110 --> 00:30:27,600

because i've seen you know they're oh

889

00:30:30,710 --> 00:30:29,120

you know i have shows i have to behave

890

00:30:33,350 --> 00:30:30,720

on i do too

891

00:30:34,950 --> 00:30:33,360

i'm supposed to i know that you're

892

00:30:37,190 --> 00:30:34,960

you're serious about what you talk about

893

00:30:38,950 --> 00:30:37,200

but you also um

894

00:30:40,549 --> 00:30:38,960

involve humor so

895

00:30:42,389 --> 00:30:40,559

i felt like

896

00:30:44,470 --> 00:30:42,399

i just had it just came out of my mouth

897

00:30:46,870 --> 00:30:44,480

that i was mad at a tarot card that's

898

00:30:50,870 --> 00:30:48,470

i know that uh

899

00:30:54,070 --> 00:30:50,880

let's see oh so arlene atkins is saying

900

00:30:56,470 --> 00:30:54,080

i have a psychedelic patterned poppet

901
00:30:58,070 --> 00:30:56,480
big help when i get super hyper and

902
00:30:59,430 --> 00:30:58,080
can't focus

903
00:31:01,350 --> 00:30:59,440
you're gonna have to send me a picture

904
00:31:03,029 --> 00:31:01,360
of this thing it sounds pretty amazing

905
00:31:04,470 --> 00:31:03,039
that is very interesting very

906
00:31:06,549 --> 00:31:04,480
interesting

907
00:31:08,230 --> 00:31:06,559
yeah so it kind of looks like tie-dye or

908
00:31:10,389 --> 00:31:08,240
something okay you're going to send me a

909
00:31:12,870 --> 00:31:10,399
picture of your puppet that's right

910
00:31:15,430 --> 00:31:12,880
send it to us arlene please or find a

911
00:31:17,029 --> 00:31:15,440
discord or somewhere twitter tag us

912
00:31:19,269 --> 00:31:17,039
somewhere

913
00:31:20,630 --> 00:31:19,279

um but having said this so in this

914

00:31:22,549 --> 00:31:20,640

process and i can definitely relate to

915

00:31:23,990 --> 00:31:22,559

that i remember i started doing a show

916

00:31:26,310 --> 00:31:24,000

quite a few years ago with my brother

917

00:31:27,990 --> 00:31:26,320

completely different path in some sense

918

00:31:29,350 --> 00:31:28,000

like i was still really into the ufo

919

00:31:31,110 --> 00:31:29,360

kind of topic

920

00:31:32,230 --> 00:31:31,120

but i didn't know what our goal was i

921

00:31:33,750 --> 00:31:32,240

was like i know i'm supposed to be doing

922

00:31:35,669 --> 00:31:33,760

this but i don't

923

00:31:37,190 --> 00:31:35,679

know what the end game is where it's

924

00:31:38,870 --> 00:31:37,200

going kind of deal but i was like i'm

925

00:31:41,509 --> 00:31:38,880

gonna enjoy this ride

926

00:31:44,070 --> 00:31:41,519

and in doing that i've met a really a

927

00:31:45,509 --> 00:31:44,080

lot of really cool people and for you

928

00:31:47,430 --> 00:31:45,519

did you know you've always kind of had

929

00:31:48,630 --> 00:31:47,440

this story that you you know i've lately

930

00:31:50,950 --> 00:31:48,640

been coming out and sharing with people

931

00:31:51,830 --> 00:31:50,960

more had you thought about initially

932

00:31:52,950 --> 00:31:51,840

like will i ever share that with

933

00:31:54,470 --> 00:31:52,960

somebody we're like no that's never

934

00:31:57,509 --> 00:31:54,480

going to come out

935

00:32:00,630 --> 00:31:57,519

um i kind of told people about a couple

936

00:32:03,430 --> 00:32:00,640

of the things that happen but never like

937

00:32:05,110 --> 00:32:03,440

the pieces that i shared now like i told

938

00:32:09,430 --> 00:32:05,120

people like yeah i saw ufo when i was

939

00:32:11,669 --> 00:32:09,440

five or a few ufos they're orbs um

940

00:32:12,789 --> 00:32:11,679

but then i tell people like yeah like

941

00:32:14,470 --> 00:32:12,799

i've seen

942

00:32:16,070 --> 00:32:14,480

a gray in the woods one time in northern

943

00:32:17,509 --> 00:32:16,080

arizona like that's like the real like

944

00:32:18,950 --> 00:32:17,519

you had to really know me for me to tell

945

00:32:20,310 --> 00:32:18,960

you that i didn't know i was going to be

946

00:32:21,830 --> 00:32:20,320

talking about it

947

00:32:24,950 --> 00:32:21,840

on somebody's podcast you know what i

948

00:32:26,389 --> 00:32:24,960

mean um because of just i remember just

949

00:32:28,230 --> 00:32:26,399

seeing the ufos and trying to tell

950

00:32:29,990 --> 00:32:28,240

teachers and family and they they kind

951
00:32:31,909 --> 00:32:30,000
of wrote it off like

952
00:32:33,669 --> 00:32:31,919
i never even told my mom i barely told

953
00:32:35,029 --> 00:32:33,679
my husband like you know it's one of

954
00:32:36,470 --> 00:32:35,039
those things where

955
00:32:38,230 --> 00:32:36,480
i didn't know i was going to be this

956
00:32:39,909 --> 00:32:38,240
open with people but i kind of came to

957
00:32:41,750 --> 00:32:39,919
the realization like if i want people to

958
00:32:43,590 --> 00:32:41,760
be open with their experiences it's not

959
00:32:45,909 --> 00:32:43,600
fair for me to hold back

960
00:32:48,149 --> 00:32:45,919
on my experiences it's very true

961
00:32:50,310 --> 00:32:48,159
because how can i ask so much of people

962
00:32:52,070 --> 00:32:50,320
but not give so much of myself

963
00:32:53,750 --> 00:32:52,080

very true oh really quickly before we

964

00:32:55,350 --> 00:32:53,760

completely travel back in time here i'm

965

00:32:57,509 --> 00:32:55,360

firing up old blue we're going to go way

966

00:32:59,110 --> 00:32:57,519

back to five-year-old priscilla knight

967

00:33:01,269 --> 00:32:59,120

writer's asking is that the king of

968

00:33:03,990 --> 00:33:01,279

wands does that mean he's the king of

969

00:33:05,990 --> 00:33:04,000

cups and he's upside down

970

00:33:08,230 --> 00:33:06,000

i know what he means i just don't know

971

00:33:09,830 --> 00:33:08,240

like upside down king does mutually

972

00:33:11,830 --> 00:33:09,840

entero like the people that you see in

973

00:33:14,870 --> 00:33:11,840

the tarot decks are archetypes of people

974

00:33:16,470 --> 00:33:14,880

that you might encounter or situations

975

00:33:17,750 --> 00:33:16,480

so interesting i just want to know who

976

00:33:19,509 --> 00:33:17,760

this fool is

977

00:33:20,950 --> 00:33:19,519

is it me is it like am i is it like my

978

00:33:23,190 --> 00:33:20,960

inner masculine

979

00:33:25,430 --> 00:33:23,200

is it cinnamon oh maybe it is right

980

00:33:27,590 --> 00:33:25,440

maybe it is maybe it's the awakening of

981

00:33:30,630 --> 00:33:27,600

we the age of aquarius and maybe it's

982

00:33:32,549 --> 00:33:30,640

the the duality of uh of that whole

983

00:33:34,630 --> 00:33:32,559

situation the feminine and masculine

984

00:33:36,950 --> 00:33:34,640

yeah maybe trading places who knows we

985

00:33:38,310 --> 00:33:36,960

don't know there could be a lot here i'm

986

00:33:39,269 --> 00:33:38,320

gonna grow a beard and start looking

987

00:33:40,549 --> 00:33:39,279

like him

988

00:33:41,509 --> 00:33:40,559

late the other day lynn wellington and i

989

00:33:42,389 --> 00:33:41,519

were joking about that she was like you

990

00:33:43,909 --> 00:33:42,399

know how long it would take me to grow a

991

00:33:46,310 --> 00:33:43,919

beard and i was like lin i believe in

992

00:33:47,750 --> 00:33:46,320

you you could do this oh my god yeah she

993

00:33:49,909 --> 00:33:47,760

said hi i just

994

00:33:51,269 --> 00:33:49,919

you were in the chat she's like billy i

995

00:33:52,950 --> 00:33:51,279

said hi

996

00:33:53,750 --> 00:33:52,960

i just started talking to her and i'm

997

00:33:55,110 --> 00:33:53,760

just

998

00:33:58,710 --> 00:33:55,120

she's amazing

999

00:33:59,830 --> 00:33:58,720

she is i love uh win jesus i love lynne

1000

00:34:01,990 --> 00:33:59,840

wellington she was actually one of the

1001
00:34:03,669 --> 00:34:02,000
first people that i really got to her go

1002
00:34:05,669 --> 00:34:03,679
deep she came on ben and joe's show way

1003
00:34:06,710 --> 00:34:05,679
back in the day but a year ago

1004
00:34:08,230 --> 00:34:06,720
and she was one of the first people that

1005
00:34:09,430 --> 00:34:08,240
really went on the whole witch topic and

1006
00:34:11,190 --> 00:34:09,440
i was like this is very interesting this

1007
00:34:12,470 --> 00:34:11,200
is you know it was like growing up super

1008
00:34:13,510 --> 00:34:12,480
religious and stuff it was like you

1009
00:34:14,790 --> 00:34:13,520
couldn't say the word which we couldn't

1010
00:34:15,829 --> 00:34:14,800
watch harry potter we can you know what

1011
00:34:17,750 --> 00:34:15,839
i mean

1012
00:34:19,030 --> 00:34:17,760
no magic nobody was allowed to hang out

1013
00:34:20,230 --> 00:34:19,040

with me because of that and people are

1014

00:34:22,790 --> 00:34:20,240

like you let your kids watch harry

1015

00:34:24,470 --> 00:34:22,800

potter or hocus pocus

1016

00:34:25,909 --> 00:34:24,480

i just watched hocus pocus my wife

1017

00:34:27,909 --> 00:34:25,919

because that's like a classic for her

1018

00:34:32,389 --> 00:34:27,919

yeah just watch that for the first time

1019

00:34:36,470 --> 00:34:34,149

i mean yeah i could see how you i could

1020

00:34:37,990 --> 00:34:36,480

see how it's one of those things

1021

00:34:40,069 --> 00:34:38,000

yeah if you grew up with it and it was

1022

00:34:41,349 --> 00:34:40,079

part of your childhood you'd definitely

1023

00:34:46,310 --> 00:34:41,359

probably appreciate it more it was still

1024

00:34:51,109 --> 00:34:48,710

the humor is a little i i just feel like

1025

00:34:53,589 --> 00:34:51,119

that's 90s humor but yeah we did grow up

1026

00:34:55,990 --> 00:34:53,599

watching it um

1027

00:34:58,230 --> 00:34:56,000

that's true but let us

1028

00:34:59,589 --> 00:34:58,240

fully engage old blue here to

1029

00:35:01,030 --> 00:34:59,599

five-year-old priscilla because i'm sure

1030

00:35:02,790 --> 00:35:01,040

i don't know maybe some of you have not

1031

00:35:04,550 --> 00:35:02,800

heard the survey for those that have not

1032

00:35:07,270 --> 00:35:04,560

let's talk about this a little bit

1033

00:35:08,550 --> 00:35:07,280

uh what were the events that led up to

1034

00:35:10,870 --> 00:35:08,560

this i mean do you is this a clear

1035

00:35:12,310 --> 00:35:10,880

memory that you have that led up to

1036

00:35:14,950 --> 00:35:12,320

you know having this experience and in

1037

00:35:16,870 --> 00:35:14,960

your own words what was your experience

1038

00:35:19,030 --> 00:35:16,880

well i did the memory was very clear

1039

00:35:21,430 --> 00:35:19,040

because it was super cool and it made me

1040

00:35:22,950 --> 00:35:21,440

feel so happy i felt so special because

1041

00:35:24,630 --> 00:35:22,960

i saw it i don't feel special anymore

1042

00:35:25,910 --> 00:35:24,640

for anybody listening it's not i'm not

1043

00:35:27,670 --> 00:35:25,920

because i know there's more people doing

1044

00:35:29,190 --> 00:35:27,680

it if that makes any sense or seeing

1045

00:35:31,589 --> 00:35:29,200

stuff

1046

00:35:33,589 --> 00:35:31,599

but um at the time i was a little girl

1047

00:35:35,030 --> 00:35:33,599

my grandma was a medium and she did card

1048

00:35:37,750 --> 00:35:35,040

readings late at night

1049

00:35:39,750 --> 00:35:37,760

um and she didn't really like publicize

1050

00:35:41,990 --> 00:35:39,760

it but i had caught her a couple times

1051
00:35:44,790 --> 00:35:42,000
like doing playing card readings for

1052
00:35:45,910 --> 00:35:44,800
people playing guard readings so you can

1053
00:35:48,230 --> 00:35:45,920
read

1054
00:35:51,670 --> 00:35:48,240
you can do divination with a deck of

1055
00:35:53,990 --> 00:35:51,680
regular cards okay like a casino deck or

1056
00:35:55,670 --> 00:35:54,000
a poker deck you know um

1057
00:35:57,270 --> 00:35:55,680
so she was doing that and then she would

1058
00:35:59,589 --> 00:35:57,280
always mention like oh yeah they had a

1059
00:36:01,750 --> 00:35:59,599
ghost in their house and i i asked it to

1060
00:36:03,990 --> 00:36:01,760
move along and it did kind of thing um

1061
00:36:05,030 --> 00:36:04,000
but nobody really talked about it

1062
00:36:06,470 --> 00:36:05,040
and

1063
00:36:08,230 --> 00:36:06,480

you know it scares some people or they

1064

00:36:09,910 --> 00:36:08,240

just don't understand it so they you

1065

00:36:11,430 --> 00:36:09,920

know like people in the family we kind

1066

00:36:13,510 --> 00:36:11,440

of like poke fun at her sometimes

1067

00:36:15,270 --> 00:36:13,520

because of it and

1068

00:36:17,430 --> 00:36:15,280

i just always believed her but my

1069

00:36:19,109 --> 00:36:17,440

grandpa had started showing me

1070

00:36:21,190 --> 00:36:19,119

um my grandma i was with my grandparents

1071

00:36:22,870 --> 00:36:21,200

a lot and they i say they raised me

1072

00:36:24,950 --> 00:36:22,880

because my mom had to work so much

1073

00:36:28,069 --> 00:36:24,960

because my dad was not contributing

1074

00:36:29,670 --> 00:36:28,079

so i ended up being with my grandpa a

1075

00:36:32,550 --> 00:36:29,680

lot and my grandma

1076
00:36:34,630 --> 00:36:32,560
so he started showing me big dipper and

1077
00:36:37,109 --> 00:36:34,640
you know orion

1078
00:36:38,710 --> 00:36:37,119
and you know the main constellations

1079
00:36:39,990 --> 00:36:38,720
so i used to sneak out to go look for

1080
00:36:41,430 --> 00:36:40,000
shooting stars and look at the

1081
00:36:42,790 --> 00:36:41,440
constellations

1082
00:36:44,310 --> 00:36:42,800
and in phoenix

1083
00:36:45,829 --> 00:36:44,320
this was in phoenix and at the time you

1084
00:36:47,270 --> 00:36:45,839
could still see stars i don't know if

1085
00:36:49,670 --> 00:36:47,280
it's still if there's too much light

1086
00:36:53,030 --> 00:36:49,680
pollution now but this was like i'm 38

1087
00:36:56,630 --> 00:36:53,040
now guys so this was a while ago

1088
00:36:58,790 --> 00:36:56,640

so that long ago i went outside and

1089

00:37:00,790 --> 00:36:58,800

i found orion's belt and these three

1090

00:37:02,710 --> 00:37:00,800

little balls of light appear in the form

1091

00:37:05,109 --> 00:37:02,720

of a triangle like one at a time they

1092

00:37:06,230 --> 00:37:05,119

turn on and i'm thinking it's a

1093

00:37:08,870 --> 00:37:06,240

spaceship

1094

00:37:10,390 --> 00:37:08,880

you know and there's part of me that

1095

00:37:11,829 --> 00:37:10,400

wanted to see a spaceship i wanted to

1096

00:37:14,310 --> 00:37:11,839

see shooting stars i want to see a

1097

00:37:16,069 --> 00:37:14,320

spaceship because for some reason i felt

1098

00:37:18,390 --> 00:37:16,079

like i was going to

1099

00:37:19,589 --> 00:37:18,400

eventually and i felt like i had heard

1100

00:37:21,349 --> 00:37:19,599

about maybe like my grandma was a

1101
00:37:22,310 --> 00:37:21,359
trekkie so i'd heard about like

1102
00:37:24,790 --> 00:37:22,320
yeah

1103
00:37:26,470 --> 00:37:24,800
so i i thought they were real

1104
00:37:27,750 --> 00:37:26,480
and they turned out to be real because i

1105
00:37:28,790 --> 00:37:27,760
was out there that night and they

1106
00:37:30,630 --> 00:37:28,800
appeared

1107
00:37:31,990 --> 00:37:30,640
and they did this crazy like cool like

1108
00:37:32,790 --> 00:37:32,000
maneuver

1109
00:37:34,710 --> 00:37:32,800
and

1110
00:37:36,870 --> 00:37:34,720
they did it three times

1111
00:37:39,030 --> 00:37:36,880
and then they just like lined up and

1112
00:37:40,790 --> 00:37:39,040
then up until this point like you know

1113
00:37:43,349 --> 00:37:40,800

i was just mesmerized by i didn't feel

1114

00:37:44,950 --> 00:37:43,359

dangerous i didn't feel afraid i felt so

1115

00:37:47,430 --> 00:37:44,960

happy like i felt like they were showing

1116

00:37:48,550 --> 00:37:47,440

off for me it sounds silly i thought

1117

00:37:49,910 --> 00:37:48,560

i'm a little girl and they're trying to

1118

00:37:51,990 --> 00:37:49,920

make me laugh you know because i was

1119

00:37:55,030 --> 00:37:52,000

laughing i was happy i was like elated

1120

00:37:56,790 --> 00:37:55,040

and yeah then they just lined up

1121

00:37:59,109 --> 00:37:56,800

in a row and then just

1122

00:38:01,349 --> 00:37:59,119

off into the sky

1123

00:38:03,910 --> 00:38:01,359

and that was like the first experience

1124

00:38:06,150 --> 00:38:03,920

and before that i kind of had like um

1125

00:38:08,310 --> 00:38:06,160

like kind of spirit experiences

1126
00:38:10,150 --> 00:38:08,320
okay or ghosts as some people will call

1127
00:38:12,069 --> 00:38:10,160
it yeah

1128
00:38:13,589 --> 00:38:12,079
like justin a.d saying here he's like

1129
00:38:15,349 --> 00:38:13,599
they were it sounds like saying they

1130
00:38:16,470 --> 00:38:15,359
were drawn to you or in his own words

1131
00:38:18,069 --> 00:38:16,480
something could be saying do you feel

1132
00:38:19,829 --> 00:38:18,079
that that is true in that moment that

1133
00:38:22,310 --> 00:38:19,839
they were a bit drawn to you

1134
00:38:23,349 --> 00:38:22,320
i think in a way because i was looking

1135
00:38:25,510 --> 00:38:23,359
for them

1136
00:38:27,030 --> 00:38:25,520
and a lot of people say if you're

1137
00:38:29,349 --> 00:38:27,040
looking for them they're looking for you

1138
00:38:31,430 --> 00:38:29,359

even dana pasulka says this when you

1139

00:38:33,030 --> 00:38:31,440

start studying the what jack jack valet

1140

00:38:34,950 --> 00:38:33,040

said right um when you study the

1141

00:38:36,390 --> 00:38:34,960

phenomena and start studying you not

1142

00:38:37,910 --> 00:38:36,400

exactly guys don't call me on that but

1143

00:38:40,150 --> 00:38:37,920

it's something to that effect but she

1144

00:38:41,190 --> 00:38:40,160

mentioned that in her book as well and

1145

00:38:43,270 --> 00:38:41,200

that's what happened to her when she was

1146

00:38:45,430 --> 00:38:43,280

writing american cosmic but that's what

1147

00:38:47,030 --> 00:38:45,440

happens to anybody that kind of starts

1148

00:38:49,030 --> 00:38:47,040

pursuing this you're always going to get

1149

00:38:51,750 --> 00:38:49,040

sucked back to this topic if you're

1150

00:38:53,910 --> 00:38:51,760

supposed to be involved with this topic

1151

00:38:54,950 --> 00:38:53,920

and i think them if i had never seen

1152

00:38:57,109 --> 00:38:54,960

that

1153

00:39:00,230 --> 00:38:57,119

i still would have kept believing

1154

00:39:02,630 --> 00:39:00,240

that catholicism was real i still would

1155

00:39:04,470 --> 00:39:02,640

not have questioned maybe so much

1156

00:39:07,430 --> 00:39:04,480

um the different types of religions it

1157

00:39:09,750 --> 00:39:07,440

really kind of like blew this door open

1158

00:39:11,589 --> 00:39:09,760

to make me realize there was more

1159

00:39:13,349 --> 00:39:11,599

yeah and from the second i could read i

1160

00:39:15,430 --> 00:39:13,359

was researching different things as much

1161

00:39:17,750 --> 00:39:15,440

as i could like old school encyclopedias

1162

00:39:19,109 --> 00:39:17,760

like i literally would look up religion

1163

00:39:21,430 --> 00:39:19,119

and then it would give like a list of

1164

00:39:23,430 --> 00:39:21,440

religions so then i'd go look those up

1165

00:39:26,310 --> 00:39:23,440

and take notes

1166

00:39:27,109 --> 00:39:26,320

just to see right just to start learning

1167

00:39:29,829 --> 00:39:27,119

do you

1168

00:39:31,829 --> 00:39:29,839

first of all i guess

1169

00:39:33,670 --> 00:39:31,839

we should you know i'd be remiss if i

1170

00:39:36,230 --> 00:39:33,680

didn't ask at least did you try to talk

1171

00:39:38,950 --> 00:39:36,240

to anybody about that first encounter

1172

00:39:40,310 --> 00:39:38,960

well i told my grandpa and he was kind

1173

00:39:41,430 --> 00:39:40,320

of like sleeping on the couch when i

1174

00:39:43,510 --> 00:39:41,440

snuck out

1175

00:39:45,030 --> 00:39:43,520

but he was like okay okay like he was

1176
00:39:46,150 --> 00:39:45,040
freaked out that i snuck out without him

1177
00:39:47,829 --> 00:39:46,160
noticing

1178
00:39:49,109 --> 00:39:47,839
because it wasn't like the best area

1179
00:39:50,790 --> 00:39:49,119
like we've all our kids have all done

1180
00:39:52,150 --> 00:39:50,800
that if you have kids

1181
00:39:53,750 --> 00:39:52,160
like there's gonna be a point where they

1182
00:39:56,390 --> 00:39:53,760
just like go outside and you're like

1183
00:39:58,310 --> 00:39:56,400
what the hell you were outside yeah so i

1184
00:39:59,510 --> 00:39:58,320
think it was that kind of situation

1185
00:40:00,870 --> 00:39:59,520
he kind of thought like he was going to

1186
00:40:03,670 --> 00:40:00,880
get in trouble because he didn't prevent

1187
00:40:05,109 --> 00:40:03,680
me from going outside

1188
00:40:06,390 --> 00:40:05,119

so it made me come back inside and

1189

00:40:07,750 --> 00:40:06,400

didn't really like listen to what i was

1190

00:40:09,670 --> 00:40:07,760

saying

1191

00:40:11,430 --> 00:40:09,680

and then i remember like you know tell

1192

00:40:12,710 --> 00:40:11,440

her to tell my teacher my kindergarten

1193

00:40:14,790 --> 00:40:12,720

teacher and she's just like oh well god

1194

00:40:16,069 --> 00:40:14,800

doesn't make things like that so i'm

1195

00:40:18,710 --> 00:40:16,079

like you haven't read ezekiel i'm

1196

00:40:20,790 --> 00:40:18,720

kidding i just did it very interesting

1197

00:40:23,030 --> 00:40:20,800

well i guess to be fair yeah at that

1198

00:40:24,710 --> 00:40:23,040

time yeah the education

1199

00:40:25,750 --> 00:40:24,720

system was still a little a little

1200

00:40:27,109 --> 00:40:25,760

different

1201
00:40:28,710 --> 00:40:27,119
that was before people were talking

1202
00:40:30,390 --> 00:40:28,720
about like that's before i knew about

1203
00:40:31,829 --> 00:40:30,400
like eric mondanican and the book of

1204
00:40:33,030 --> 00:40:31,839
ezekiel and we have all these people

1205
00:40:35,109 --> 00:40:33,040
talking about there is a lot of weird

1206
00:40:38,150 --> 00:40:35,119
things in the bible guys um

1207
00:40:39,910 --> 00:40:38,160
so very true kindergarten i didn't know

1208
00:40:42,309 --> 00:40:39,920
that there's some things that some could

1209
00:40:43,589 --> 00:40:42,319
say are sus in there every once in a

1210
00:40:45,109 --> 00:40:43,599
while and for those

1211
00:40:46,150 --> 00:40:45,119
by the way guys for anybody who's

1212
00:40:48,390 --> 00:40:46,160
curious about this and we're definitely

1213
00:40:49,910 --> 00:40:48,400

continuing on with this we do have a uh

1214

00:40:51,990 --> 00:40:49,920

a sus t-shirt i'll drop the links to

1215

00:40:53,670 --> 00:40:52,000

that in the show notes thanks ben oh

1216

00:40:54,950 --> 00:40:53,680

yeah ben's been working hard over there

1217

00:40:56,790 --> 00:40:54,960

he's been setting all kinds of stuff up

1218

00:40:58,790 --> 00:40:56,800

for us stickers and stuff so i'm gonna

1219

00:40:59,670 --> 00:40:58,800

have to go check it out because i i need

1220

00:41:00,790 --> 00:40:59,680

more

1221

00:41:02,790 --> 00:41:00,800

well that's a game we play over here

1222

00:41:04,550 --> 00:41:02,800

anywhere i go if we if someone says us

1223

00:41:05,750 --> 00:41:04,560

or if we say sas you take a drink of

1224

00:41:06,390 --> 00:41:05,760

whatever you're having for that evening

1225

00:41:09,589 --> 00:41:06,400

so

1226

00:41:10,870 --> 00:41:09,599

that's right you get a drink of that

1227

00:41:13,030 --> 00:41:10,880

coffee

1228

00:41:14,069 --> 00:41:13,040

um so you're trying to tell him and he

1229

00:41:16,230 --> 00:41:14,079

you know probably was a bit like you

1230

00:41:18,390 --> 00:41:16,240

said concerned as any parent or anybody

1231

00:41:20,550 --> 00:41:18,400

who's watching every child would be

1232

00:41:22,630 --> 00:41:20,560

uh did the

1233

00:41:25,190 --> 00:41:22,640

you know the encounters continue or was

1234

00:41:27,510 --> 00:41:25,200

that just kind of a one-off moment

1235

00:41:29,670 --> 00:41:27,520

so i'd always had like really bad

1236

00:41:30,950 --> 00:41:29,680

nightmares and night terrors and what i

1237

00:41:33,510 --> 00:41:30,960

now understand might have been like

1238

00:41:35,589 --> 00:41:33,520

entity attacks um from

1239

00:41:37,190 --> 00:41:35,599

lower vibrational entities which at the

1240

00:41:39,589 --> 00:41:37,200

time for me were demons because i was

1241

00:41:40,630 --> 00:41:39,599

catholic so obviously it's a demon it's

1242

00:41:41,990 --> 00:41:40,640

an angel

1243

00:41:43,829 --> 00:41:42,000

whatever it's true everything had to be

1244

00:41:46,069 --> 00:41:43,839

angel or demon right exactly there's two

1245

00:41:47,990 --> 00:41:46,079

things right until you see a ufo

1246

00:41:50,230 --> 00:41:48,000

and go of course because ghosts are in

1247

00:41:51,349 --> 00:41:50,240

the bible because yes they thought jesus

1248

00:41:53,349 --> 00:41:51,359

was a ghost when he was walking on the

1249

00:41:55,109 --> 00:41:53,359

water or whatever it's true so

1250

00:42:02,630 --> 00:41:55,119

i

1251
00:42:06,150 --> 00:42:02,640
um

1252
00:42:09,109 --> 00:42:06,160
like and like monster looking things

1253
00:42:11,349 --> 00:42:09,119
shadow people um i've always had like

1254
00:42:13,750 --> 00:42:11,359
sleep paralysis

1255
00:42:17,030 --> 00:42:13,760
so it just kind of like started changing

1256
00:42:19,589 --> 00:42:17,040
into like abduction scenario types of

1257
00:42:20,790 --> 00:42:19,599
nightmare sleep paralysis

1258
00:42:23,990 --> 00:42:20,800
um

1259
00:42:26,309 --> 00:42:24,000
and for some reason i started just being

1260
00:42:28,550 --> 00:42:26,319
i had a phobia of anything that looked

1261
00:42:31,270 --> 00:42:28,560
like a gray

1262
00:42:32,710 --> 00:42:31,280
like interesting i remember there was a

1263
00:42:34,069 --> 00:42:32,720

show sighting

1264

00:42:35,430 --> 00:42:34,079

that yeah and i don't i think this might

1265

00:42:36,790 --> 00:42:35,440

have been after the exp i don't know

1266

00:42:38,630 --> 00:42:36,800

when that show started but i remember at

1267

00:42:40,710 --> 00:42:38,640

some point i was watching it

1268

00:42:41,910 --> 00:42:40,720

with my grandma and the gray head like

1269

00:42:44,230 --> 00:42:41,920

pops up and then they have like that

1270

00:42:45,990 --> 00:42:44,240

weird song in the beginning

1271

00:42:48,230 --> 00:42:46,000

and then the little gray head pops up it

1272

00:42:51,589 --> 00:42:48,240

would like terrify me to the point where

1273

00:42:53,349 --> 00:42:51,599

i could not sleep and i knew that if i

1274

00:42:56,230 --> 00:42:53,359

started thinking about them too much i

1275

00:42:57,270 --> 00:42:56,240

was going to have a sleep paralysis

1276

00:42:59,349 --> 00:42:57,280

event

1277

00:43:02,150 --> 00:42:59,359

with alien demon looking things around

1278

00:43:03,910 --> 00:43:02,160

me and um

1279

00:43:04,710 --> 00:43:03,920

that was kind of like that amped up a

1280

00:43:05,910 --> 00:43:04,720

lot

1281

00:43:09,910 --> 00:43:05,920

yeah

1282

00:43:13,030 --> 00:43:09,920

and then one night i had an actual like

1283

00:43:14,470 --> 00:43:13,040

i was in sleep paralysis and i was

1284

00:43:16,309 --> 00:43:14,480

laying on the floor because i was i had

1285

00:43:17,190 --> 00:43:16,319

this like sleeping bag on the floor i

1286

00:43:18,790 --> 00:43:17,200

went through like a stage where i was

1287

00:43:20,630 --> 00:43:18,800

like i'm gonna sleep on the floor just

1288

00:43:23,030 --> 00:43:20,640

to do it i guess so i looked at my

1289

00:43:24,950 --> 00:43:23,040

window and it was a big picture window

1290

00:43:26,630 --> 00:43:24,960

and i had like the the pane of glass

1291

00:43:28,150 --> 00:43:26,640

dividing it in half and on the left side

1292

00:43:30,309 --> 00:43:28,160

there was this thing

1293

00:43:32,230 --> 00:43:30,319

and it looked like a hologram

1294

00:43:34,069 --> 00:43:32,240

of an alien

1295

00:43:35,750 --> 00:43:34,079

but it wasn't like a gray alien it kind

1296

00:43:37,750 --> 00:43:35,760

of had like more of like a triangle type

1297

00:43:38,470 --> 00:43:37,760

head which now the closest thing i could

1298

00:43:40,230 --> 00:43:38,480

see

1299

00:43:41,910 --> 00:43:40,240

is mantis

1300

00:43:43,670 --> 00:43:41,920

very true yeah

1301
00:43:46,150 --> 00:43:43,680
and it was scary because it was there

1302
00:43:48,150 --> 00:43:46,160
but it didn't seem physical

1303
00:43:49,589 --> 00:43:48,160
it was like a hologram that's the best

1304
00:43:51,670 --> 00:43:49,599
way i could describe it

1305
00:43:53,430 --> 00:43:51,680
do you mind if i asked who or i'd like

1306
00:43:55,510 --> 00:43:53,440
to ask you today

1307
00:43:57,270 --> 00:43:55,520
what age i mean give or take was this

1308
00:43:59,589 --> 00:43:57,280
was this kind of consecutively happening

1309
00:44:01,270 --> 00:43:59,599
or what age was this when it was i want

1310
00:44:03,270 --> 00:44:01,280
to say this was like

1311
00:44:05,349 --> 00:44:03,280
first or second grade because i remember

1312
00:44:08,870 --> 00:44:05,359
telling a friend about it and drawing it

1313
00:44:11,270 --> 00:44:08,880

i had this like yellow notepad

1314

00:44:13,589 --> 00:44:11,280

okay so first or second grade and even

1315

00:44:16,230 --> 00:44:13,599

at that age now at the time

1316

00:44:17,270 --> 00:44:16,240

the uh tornado sirens are going off oh

1317

00:44:18,550 --> 00:44:17,280

do you want to check on that really

1318

00:44:19,510 --> 00:44:18,560

quick yeah

1319

00:44:21,190 --> 00:44:19,520

um

1320

00:44:23,030 --> 00:44:21,200

go ahead and check on that i'll let you

1321

00:44:24,309 --> 00:44:23,040

guys know by the way because we'll plug

1322

00:44:26,550 --> 00:44:24,319

this commercial for you guys really

1323

00:44:28,470 --> 00:44:26,560

quick over here with ben and joe and the

1324

00:44:31,190 --> 00:44:28,480

amazing things they are doing

1325

00:44:33,030 --> 00:44:31,200

which is uh oh my gosh i had it pulled

1326

00:44:34,790 --> 00:44:33,040

up let me pull it back up over here guys

1327

00:44:36,630 --> 00:44:34,800

so we have a cool event that we're doing

1328

00:44:39,030 --> 00:44:36,640

that where if people need

1329

00:44:41,829 --> 00:44:39,040

uh if you gotta go priscilla like go get

1330

00:44:44,150 --> 00:44:41,839

in the uh go get i've seen i've seen

1331

00:44:47,349 --> 00:44:44,160

twister okay

1332

00:44:50,309 --> 00:44:47,359

um i'm seeing uh

1333

00:44:51,270 --> 00:44:50,319

take shelter in place see that means you

1334

00:44:52,870 --> 00:44:51,280

gotta go

1335

00:44:54,150 --> 00:44:52,880

which means uh that means your husband's

1336

00:44:55,510 --> 00:44:54,160

standing on the front porch right now

1337

00:44:56,630 --> 00:44:55,520

like it's oh yeah he's probably still

1338

00:44:58,069 --> 00:44:56,640

hanging around

1339

00:45:00,230 --> 00:44:58,079

he's broke

1340

00:45:08,150 --> 00:45:00,240

drinking a beer i'm walking in so and i

1341

00:45:12,069 --> 00:45:09,910

thank you so much that was a teaser

1342

00:45:13,349 --> 00:45:12,079

nothing touches down guys that's right

1343

00:45:14,950 --> 00:45:13,359

last time something touched down here oh

1344

00:45:17,510 --> 00:45:14,960

my gosh it was horrible for people

1345

00:45:19,589 --> 00:45:17,520

exactly so be safe good luck thank you

1346

00:45:20,870 --> 00:45:19,599

so much and we're going to get back in

1347

00:45:22,470 --> 00:45:20,880

this one time we'll have you back on to

1348

00:45:26,150 --> 00:45:22,480

dig into the full story and the events

1349

00:45:30,230 --> 00:45:27,270

bye

1350

00:45:31,670 --> 00:45:30,240

all right guys hey that's how life goes

1351

00:45:33,910 --> 00:45:31,680

that's what happens

1352

00:45:35,829 --> 00:45:33,920

it's it's been a it's been a night for

1353

00:45:37,750 --> 00:45:35,839

sure it's been a weird week i really

1354

00:45:39,190 --> 00:45:37,760

hope she's okay over there because

1355

00:45:40,790 --> 00:45:39,200

that's a lot to have happen where it's

1356

00:45:43,349 --> 00:45:40,800

like hey

1357

00:45:44,309 --> 00:45:43,359

seek shelter now or you know what could

1358

00:45:47,829 --> 00:45:44,319

happen

1359

00:45:49,589 --> 00:45:47,839

um by the way what i will do then is no

1360

00:45:51,349 --> 00:45:49,599

we're not zero cool you settle yourself

1361

00:45:54,309 --> 00:45:51,359

down you settle down none of that

1362

00:45:56,069 --> 00:45:54,319

talking here uh let's see enzo says in

1363

00:45:58,230 --> 00:45:56,079

kansas when we hear tornado sirens we

1364

00:46:00,630 --> 00:45:58,240

all run outside with our cameras exactly

1365

00:46:02,630 --> 00:46:00,640

that's what i pictured happened for sure

1366

00:46:03,910 --> 00:46:02,640

so i tell you what guys uh why don't we

1367

00:46:06,069 --> 00:46:03,920

do this there's no sense of trying to

1368

00:46:08,150 --> 00:46:06,079

split people in between two groups uh

1369

00:46:10,630 --> 00:46:08,160

chad and them are still running hard

1370

00:46:12,550 --> 00:46:10,640

over here i do believe

1371

00:46:14,230 --> 00:46:12,560

the uh

1372

00:46:16,470 --> 00:46:14,240

it just says the dead hours is the name

1373

00:46:20,069 --> 00:46:16,480

of their show but paranormal chop shop

1374

00:46:21,829 --> 00:46:20,079

guys is live is happening right now

1375

00:46:24,069 --> 00:46:21,839

and if you guys want we can all head out

1376
00:46:26,230 --> 00:46:24,079
over there why don't we go flood them

1377
00:46:28,309 --> 00:46:26,240
and hang out for a little bit and we'll

1378
00:46:30,309 --> 00:46:28,319
reschedule another time to get set up

1379
00:46:31,829 --> 00:46:30,319
i'll let them know right now

1380
00:46:33,349 --> 00:46:31,839
hang on

1381
00:46:34,870 --> 00:46:33,359
i'm bringing everybody i'll let them

1382
00:46:36,230 --> 00:46:34,880
know um

1383
00:46:37,990 --> 00:46:36,240
here we go i gotta talk while i write

1384
00:46:40,870 --> 00:46:38,000
i'm bringing

1385
00:46:46,390 --> 00:46:44,790
everyone so hard to talk and right jesus

1386
00:46:48,390 --> 00:46:46,400
all right guys thank you so much for

1387
00:46:51,109 --> 00:46:48,400
hanging out with us tonight

1388
00:46:53,030 --> 00:46:51,119

um let me get this set up over here and

1389

00:46:54,390 --> 00:46:53,040

then i'm gonna get some music plugged

1390

00:46:56,870 --> 00:46:54,400

i'm gonna leave you guys up for a second

1391

00:46:58,069 --> 00:46:56,880

see if there's anything coming up

1392

00:46:59,990 --> 00:46:58,079

one second

1393

00:47:02,069 --> 00:47:00,000

put this over here i'd also like to let

1394

00:47:04,150 --> 00:47:02,079

everybody know that next week my guess

1395

00:47:06,710 --> 00:47:04,160

is jessica jones how did i forget to

1396

00:47:08,950 --> 00:47:06,720

mention that right off the bat guys

1397

00:47:12,309 --> 00:47:08,960

don't forget to join me for that thank

1398

00:47:14,069 --> 00:47:12,319

you so very much uh for coming which i'm

1399

00:47:15,829 --> 00:47:14,079

already hoping you'll be there

1400

00:47:18,710 --> 00:47:15,839

one second here chad i'm doing too much

1401
00:47:21,349 --> 00:47:18,720
while i'm trying to get this set up

1402
00:47:22,390 --> 00:47:21,359
let's see here we go

1403
00:47:24,549 --> 00:47:22,400
yeah

1404
00:47:26,630 --> 00:47:24,559
oops

1405
00:47:30,150 --> 00:47:26,640
here we go

1406
00:47:31,829 --> 00:47:30,160
will be my guest next week and obviously

1407
00:47:35,750 --> 00:47:31,839
you can catch me over on the space out

1408
00:47:37,270 --> 00:47:35,760
radio the after hours monday excuse me

1409
00:47:38,790 --> 00:47:37,280
saturday and sunday i'm all kinds of

1410
00:47:40,790 --> 00:47:38,800
discombobulated tonight apparently it's

1411
00:47:42,150 --> 00:47:40,800
like my first time ever doing a show

1412
00:47:43,349 --> 00:47:42,160
thank you all so much sunsaver and

1413
00:47:44,710 --> 00:47:43,359

everyone who hung out here for a little

1414

00:47:45,829 --> 00:47:44,720

bit with me thank you very much we're

1415

00:47:48,069 --> 00:47:45,839

going to have her back on and we're

1416

00:47:49,910 --> 00:47:48,079

going to go through the stories again i

1417

00:47:50,710 --> 00:47:49,920

promise and we're going to get this set

1418

00:47:53,430 --> 00:47:50,720

up

1419

00:47:55,910 --> 00:47:53,440

so thank you so very much and once again

1420

00:47:58,710 --> 00:47:55,920

that is the chat the paranormal chop

1421

00:48:01,510 --> 00:47:58,720

shop i will share their show right now

1422

00:48:02,870 --> 00:48:01,520

in our links for you guys in the show

1423

00:48:04,150 --> 00:48:02,880

notes here so you can go hang out and we

1424

00:48:06,470 --> 00:48:04,160

can all hang out over there let me drop

1425

00:48:08,790 --> 00:48:06,480

that right now for you guys there is

1426

00:48:13,670 --> 00:48:10,390

please

1427

00:48:15,589 --> 00:48:13,680

come hang out over here with all of us

1428

00:48:17,910 --> 00:48:15,599

bringing them all i'm telling them

1429

00:48:22,230 --> 00:48:17,920

bringing them all

1430

00:48:26,069 --> 00:48:24,309

i'm all

1431

00:48:27,030 --> 00:48:26,079

here we go guys we're gonna do it we're

1432

00:48:29,190 --> 00:48:27,040

gonna hang out with them we got

1433

00:48:31,430 --> 00:48:29,200

unidentified s4 with anthony andy

1434

00:48:34,950 --> 00:48:31,440

gambino breathe in lizzie borden as well

1435

00:48:36,230 --> 00:48:34,960

as spooky and chad all hanging out

1436

00:48:38,470 --> 00:48:36,240

all right i'm gonna kick up my intro

1437

00:48:41,190 --> 00:48:38,480

music over here guys i wish you all a

1438

00:48:42,150 --> 00:48:41,200

great night i wish that each and every

1439

00:48:43,589 --> 00:48:42,160

one of you could hung out for a little

1440

00:48:45,190 --> 00:48:43,599

bit longer i'm really excited to dig in

1441

00:48:47,190 --> 00:48:45,200

her story because she has a lot to share

1442

00:48:49,750 --> 00:48:47,200

just a lot one i relate to quite a bit

1443

00:48:51,030 --> 00:48:49,760

actually so peace love and tackle grease

1444

00:48:52,390 --> 00:48:51,040

i have to play the intro again because

1445

00:48:54,470 --> 00:48:52,400

we can't play the exit i don't know what

1446

00:48:55,589 --> 00:48:54,480

to do on that guys i apologize i'm sorry

1447

00:49:15,210 --> 00:48:55,599

so here we go we're just going to play

1448

00:49:15,220 --> 00:49:21,829

[Music]

1449

00:49:21,839 --> 00:49:40,280

so
