[Applause]

3
00:00:08,109 --> 00:00:06,640
[Music]

4
00:00:08,750 --> 00:00:08,119
oh

5
00:00:11,530 --> 00:00:08,760
[Music]

6
00:00:25,880 --> 00:00:11,540
[Applause]

7
00:00:29,029 --> 00:00:27,269
[Music]

8
00:00:31,189 --> 00:00:29,039
hey

9
00:00:34,310 --> 00:00:31,199

10
00:00:38,150 --> 00:00:34,320
garage i'm ben and i'm joe and this is

11
00:00:39,670 --> 00:00:38,160
where we talk about ufos aliens and all

12
00:00:40,549 --> 00:00:39,680
things weird

13
00:00:43,350 --> 00:00:40,559

yeah

14

00:00:44,950 --> 00:00:43,360

all things weird hey

15

00:00:47,350 --> 00:00:44,960

what's up everybody

16

00:00:49,270 --> 00:00:47,360

it's another fabulous tuesday down in

17

00:00:51,350 --> 00:00:49,280

the books oh yeah

18

00:00:52,869 --> 00:00:51,360

yeah oh yeah you know you know what day

19

00:00:55,029 --> 00:00:52,879

comes after monday

20

00:00:56,630 --> 00:00:55,039

tuesday

21

00:01:01,990 --> 00:00:56,640

yeah

22

00:01:03,750 --> 00:01:02,000

i have a calendar

23

00:01:05,429 --> 00:01:03,760

that's the only day i know the only way

24

00:01:07,190 --> 00:01:05,439

i know what day it is

25

00:01:08,070 --> 00:01:07,200

when it when i

26

00:01:11,590 --> 00:01:08,080

i

27

00:01:13,670 --> 00:01:11,600

do

28

00:01:14,550 --> 00:01:13,680

open up my open up my fire uh my fire

29

00:01:15,590 --> 00:01:14,560

truck

30

00:01:20,070 --> 00:01:15,600

uh

31

00:01:24,070 --> 00:01:20,080

album

32

00:01:27,109 --> 00:01:24,080

is owls dressed up as fire fire people

33

00:01:27,830 --> 00:01:27,119

who was owls dressed up as fire trucks

34

00:01:31,510 --> 00:01:27,840

yeah

35

00:01:34,230 --> 00:01:31,520

you know else would be really good at

36

00:01:36,069 --> 00:01:34,240

like putting out fires you know

37

00:01:37,030 --> 00:01:36,079

maybe because they stay up all night you

38

00:01:38,789 --> 00:01:37,040

know

39

00:01:40,310 --> 00:01:38,799

well nighttime fires

40

00:01:42,389 --> 00:01:40,320

oh yeah i guess there's dave time fires

41

00:01:44,230 --> 00:01:42,399

too yeah those dudes go to sleep during

42

00:01:47,990 --> 00:01:44,240

the day they're like hey i don't really

43

00:01:51,749 --> 00:01:49,830

as i didn't i've never thought about a

44

00:01:53,590 --> 00:01:51,759

sleepers owl

45

00:01:55,670 --> 00:01:53,600

i didn't think about like how else can

46

00:01:57,109 --> 00:01:55,680

you guess sleep is i know like every

47

00:02:00,550 --> 00:01:57,119

time i see those dudes they're either

48

00:02:03,510 --> 00:02:00,560

like sleeping or like wide awake

49

00:02:06,230 --> 00:02:03,520

all the time like eyes are like

50

00:02:09,109 --> 00:02:06,240

very awake very awake

51
00:02:11,110 --> 00:02:09,119
or they're like all like crunched up

52
00:02:12,550 --> 00:02:11,120
into like a tiny little ball and

53
00:02:14,790 --> 00:02:12,560
kind of see their heads move a little

54
00:02:16,550 --> 00:02:14,800
but their eyes are real squinty because

55
00:02:17,990 --> 00:02:16,560
they're real sleepy like

56
00:02:19,910 --> 00:02:18,000
have you seen that crazy have you seen

57
00:02:20,949 --> 00:02:19,920
the the video of the the baby owls in

58
00:02:23,510 --> 00:02:20,959
the attic

59
00:02:25,830 --> 00:02:23,520
yeah

60
00:02:28,229 --> 00:02:25,840
they look crazy dude

61
00:02:29,990 --> 00:02:28,239
um oh [h__\h] i'm gonna share it look dude

62
00:02:33,430 --> 00:02:30,000
they're like look at this guy to your

63
00:02:42,470 --> 00:02:36,790

they're just wild looking

64

00:02:45,670 --> 00:02:44,710

and it's like in black and white so

65

00:02:50,309 --> 00:02:45,680

i feel like

66

00:02:52,630 --> 00:02:50,319

yeah they kind of do look like that also

67

00:02:54,630 --> 00:02:52,640

why is every every video more spooky if

68

00:02:55,750 --> 00:02:54,640

it's in in black and white kind of night

69

00:02:57,430 --> 00:02:55,760

vision

70

00:02:58,949 --> 00:02:57,440

i don't know you know you think it's

71

00:03:00,630 --> 00:02:58,959

like some kind of subconscious well

72

00:03:03,030 --> 00:03:00,640

because then you know it's nighttime and

73

00:03:04,710 --> 00:03:03,040

spooky things happen at night

74

00:03:06,149 --> 00:03:04,720

but spooky things also happen in the day

75

00:03:08,149 --> 00:03:06,159

but like i guess they're just not as

76

00:03:10,550 --> 00:03:08,159

spooky if like they're at night right

77

00:03:12,550 --> 00:03:10,560

because i can't really see

78

00:03:15,190 --> 00:03:12,560

yeah it's kind of like fire like spooky

79

00:03:16,550 --> 00:03:15,200

thing like you could see a big fire

80

00:03:18,470 --> 00:03:16,560

and things are a little bit more spooky

81

00:03:20,309 --> 00:03:18,480

at night as well but spooky stuff

82

00:03:23,190 --> 00:03:20,319

happens during the day too

83

00:03:25,350 --> 00:03:23,200

also fires happen at the

84

00:03:26,869 --> 00:03:25,360

in the day yeah dude daytime spookiness

85

00:03:28,550 --> 00:03:26,879

gets a bad rap

86

00:03:30,630 --> 00:03:28,560

yeah not a lot of people talk about that

87

00:03:32,630 --> 00:03:30,640

and i'm here to change it

88

00:03:35,110 --> 00:03:32,640

my name is joe and i'm with the ufo

89

00:03:36,869 --> 00:03:35,120

garage podcast and i'm here to change

90

00:03:39,509 --> 00:03:36,879

the bad rap that spooky during the

91

00:03:42,470 --> 00:03:39,519

daytime gets

92

00:03:44,309 --> 00:03:42,480

brought to you by ufo garage

93

00:03:46,869 --> 00:03:44,319

dude i think we've just come up with our

94

00:03:48,229 --> 00:03:46,879

new concept for a wednesday show

95

00:03:50,309 --> 00:03:48,239

daytime spookiness eight times

96

00:03:52,390 --> 00:03:50,319

spookiness man

97

00:03:54,149 --> 00:03:52,400

it's it's the 10 minutes you get on your

98

00:03:55,750 --> 00:03:54,159

lunch break

99

00:04:00,710 --> 00:03:55,760

yeah you just you just say one thing

100

00:04:10,070 --> 00:04:01,509

like

101
00:04:11,429 --> 00:04:10,080
know if you're not paying attention

102
00:04:13,509 --> 00:04:11,439
it'll definitely startle you it's a

103
00:04:15,910 --> 00:04:13,519
bever it's a beverage scream

104
00:04:19,509 --> 00:04:17,830
we should look at the feed

105
00:04:21,349 --> 00:04:19,519

107
00:04:23,990 --> 00:04:22,639

108
00:04:32,150 --> 00:04:24,000

jason williams what's up enzo what's up

120

00:05:01,270 --> 00:04:59,199

dude

121

00:05:02,790 --> 00:05:01,280

mr crowley

122

00:05:04,390 --> 00:05:02,800

mr gray

123

00:05:05,749 --> 00:05:04,400

dimensional babe

124

00:05:07,670 --> 00:05:05,759

enzo what's up

125

00:05:09,430 --> 00:05:07,680

i don't know if you already said that

126

00:05:11,510 --> 00:05:09,440

hey man it's hard when we both do it

127

00:05:12,950 --> 00:05:11,520

because then we just repeat people i

128

00:05:16,550 --> 00:05:12,960

don't know

129

00:05:18,550 --> 00:05:16,560

and he enzo deserves too though

130

00:05:20,950 --> 00:05:18,560

not that everybody else doesn't

131

00:05:22,469 --> 00:05:20,960

just saying champ what's up dude

132

00:05:24,070 --> 00:05:22,479

hell yeah

133

00:05:25,830 --> 00:05:24,080

so what's been going on on the feed

134

00:05:27,189 --> 00:05:25,840

lately man it's been a while since we've

135

00:05:28,390 --> 00:05:27,199

taken a look at the fee i mean we'd look

136

00:05:30,870 --> 00:05:28,400

at the video all the time but it's been

137

00:05:32,469 --> 00:05:30,880

a while since we've all sat down and

138

00:05:33,749 --> 00:05:32,479

taken a look together

139

00:05:36,230 --> 00:05:33,759

yeah dude

140

00:05:37,990 --> 00:05:36,240

this used to be the bulk of our show

141

00:05:39,430 --> 00:05:38,000

like the bulk of our podcast was looking

142

00:05:42,469 --> 00:05:39,440

at our facebook feed it was like the

143

00:05:44,230 --> 00:05:42,479

first 45 minutes yeah sometimes longer

144

00:05:45,670 --> 00:05:44,240

dude you're like yeah we'll like talk

145

00:05:47,670 --> 00:05:45,680

about the facebook stuff you know it's

146

00:05:50,469 --> 00:05:47,680

been a fun couple minutes

147

00:05:53,590 --> 00:05:50,479

like an hour and a half dude we were

148

00:05:55,749 --> 00:05:53,600

just laughing still laugh man you guys

149

00:05:58,070 --> 00:05:55,759

are hilarious yeah not much has changed

150

00:06:00,070 --> 00:05:58,080

by the way

151
00:06:03,909 --> 00:06:00,080
i was listening back to an old episode i

152
00:06:08,550 --> 00:06:06,950
also our voices are a little higher now

153
00:06:09,430 --> 00:06:08,560
they used to be a little more chill and

154
00:06:12,870 --> 00:06:09,440
deeper

155
00:06:15,029 --> 00:06:12,880
i've noticed were they really uh-huh

156
00:06:19,270 --> 00:06:15,039
they're like hey what's up i'm trying to

157
00:06:21,350 --> 00:06:19,280
[h__h] sound cool as [h__h] right now hey

158
00:06:25,189 --> 00:06:21,360
this is my microphone voice

159
00:06:25,199 --> 00:06:28,309
speaking of champ

160
00:06:35,110 --> 00:06:31,110
talking about chevy power uh the audio

161
00:06:37,029 --> 00:06:35,120
is what is [h__h] it just flipped over

162
00:06:39,430 --> 00:06:37,039
it's spinning on its side so this

163
00:06:41,830 --> 00:06:39,440

tornado

164

00:06:43,510 --> 00:06:41,840

andy go ahead

165

00:06:45,990 --> 00:06:43,520

tornado in texas it was actually a

166

00:06:47,909 --> 00:06:46,000

couple miles from from you and i dude

167

00:06:49,510 --> 00:06:47,919

yeah it was that's right down the road

168

00:06:51,589 --> 00:06:49,520

man yeah

169

00:06:53,510 --> 00:06:51,599

yeah it's 79 it's like yeah it's like

170

00:06:55,110 --> 00:06:53,520

right down the road hold on i gotta hear

171

00:06:56,070 --> 00:06:55,120

that i gotta hear this the end of it

172

00:06:58,390 --> 00:06:56,080

dude

173

00:07:02,070 --> 00:06:58,400

i forgot about that

174

00:07:04,710 --> 00:07:02,080

oh my god like a [h__\h] rock oh

175

00:07:06,390 --> 00:07:04,720

like a [h__\h] rock

176

00:07:08,230 --> 00:07:06,400

yes dude

177

00:07:10,629 --> 00:07:08,240

yeah it has to be a chevy commercial

178

00:07:13,589 --> 00:07:10,639

right like it just has to now

179

00:07:16,870 --> 00:07:15,110

it's like

180

00:07:19,110 --> 00:07:16,880

the other guys are gonna be like

181

00:07:20,550 --> 00:07:19,120

this is military grade aluminum and

182

00:07:22,550 --> 00:07:20,560

they're gonna be like yeah [h__\h]

183

00:07:24,710 --> 00:07:22,560

tornado

184

00:07:28,150 --> 00:07:24,720

check it out checkmate pitches

185

00:07:29,430 --> 00:07:28,160

seriously like he flipped spun flipped

186

00:07:30,550 --> 00:07:29,440

back over

187

00:07:32,550 --> 00:07:30,560

driven off

188

00:07:34,070 --> 00:07:32,560

tornado check it

189

00:07:36,469 --> 00:07:34,080

you can't plan something like that you

190

00:07:37,430 --> 00:07:36,479

can't plan a natural disaster

191

00:07:39,589 --> 00:07:37,440

i know

192

00:07:41,189 --> 00:07:39,599

god dude

193

00:07:43,350 --> 00:07:41,199

lucky it wasn't aluminum dude it was

194

00:07:46,230 --> 00:07:43,360

just flown away yeah right you built

195

00:07:48,550 --> 00:07:46,240

like a rock baby

196

00:07:52,869 --> 00:07:48,560

great gas mileage too right

197

00:07:56,309 --> 00:07:54,390

it's doing mostly work for you if you're

198

00:07:58,710 --> 00:07:56,319

in a tornado dude i'm telling you man

199

00:08:01,110 --> 00:07:58,720

tornadoes are powerful things but yeah

200

00:08:03,830 --> 00:08:01,120

right down the street from us man

201
00:08:05,029 --> 00:08:03,840
that was crazy uh they were saying uh

202
00:08:08,070 --> 00:08:05,039
we're uh

203
00:08:10,869 --> 00:08:08,080
interstate 45 yeah or whatever uh

204
00:08:12,390 --> 00:08:10,879
45 total roll road yeah

205
00:08:15,029 --> 00:08:12,400
yeah it's like three three miles four

206
00:08:16,869 --> 00:08:15,039
miles away from me

207
00:08:19,510 --> 00:08:16,879
[h__\h] crazy dude

208
00:08:23,189 --> 00:08:19,520
so anyway uh jamie from uh that one time

209
00:08:24,950 --> 00:08:23,199
i i was abducted by aliens uh totiwaba

210
00:08:26,070 --> 00:08:24,960
she reached out to us thank you for for

211
00:08:28,309 --> 00:08:26,080
reaching out and making sure we were

212
00:08:30,550 --> 00:08:28,319
safe that was very sweet we are safe you

213
00:08:32,469 --> 00:08:30,560

know what's crazy is that it was so

214

00:08:35,589 --> 00:08:32,479

close that like

215

00:08:37,589 --> 00:08:35,599

when the storm came over

216

00:08:40,709 --> 00:08:37,599

like the tornado like sucked all the

217

00:08:42,389 --> 00:08:40,719

clouds in the rain like towards it like

218

00:08:44,949 --> 00:08:42,399

i didn't get any of it because it like

219

00:08:48,230 --> 00:08:44,959

went right past us it was crazy like it

220

00:08:50,150 --> 00:08:48,240

was like sunny as [h__h] and like barely

221

00:08:51,990 --> 00:08:50,160

even sprinkling and it was like real

222

00:08:54,550 --> 00:08:52,000

dark and like

223

00:08:55,910 --> 00:08:54,560

yeah it's crazy that's crazy that you're

224

00:08:57,670 --> 00:08:55,920

saying that because when i was watching

225

00:08:58,949 --> 00:08:57,680

the doppler radar before like i was i

226

00:09:00,949 --> 00:08:58,959

was thinking okay

227

00:09:04,470 --> 00:09:00,959

uh tornado i should watch the doppler

228

00:09:06,630 --> 00:09:04,480

radar and it it uh became it was like

229

00:09:09,190 --> 00:09:06,640

about to hit us and then all of a sudden

230

00:09:11,190 --> 00:09:09,200

boom not by us like at all like the

231

00:09:13,590 --> 00:09:11,200

purple like the eye of the storm was way

232

00:09:15,670 --> 00:09:13,600

off from where we are in georgetown yeah

233

00:09:18,870 --> 00:09:15,680

so dude that's nuts i i didn't think

234

00:09:20,949 --> 00:09:18,880

about that yeah it was pretty wild

235

00:09:30,389 --> 00:09:20,959

yeah dude

236

00:09:33,750 --> 00:09:32,150

the doors are made of glass was it was

237

00:09:42,550 --> 00:09:33,760

there someone just leisurely walking

238

00:09:46,389 --> 00:09:44,790

my reflective vest on you guys that's

239

00:09:48,550 --> 00:09:46,399

what was happening at walmart but in

240

00:09:50,389 --> 00:09:48,560

everybody's backyard everyone was

241

00:09:52,949 --> 00:09:50,399

standing outside looking at it right i

242

00:09:54,630 --> 00:09:52,959

mean we were all looking at it yeah my

243

00:09:56,949 --> 00:09:54,640

whole block was outside they were like

244

00:09:59,509 --> 00:09:56,959

there it is yeah

245

00:10:01,590 --> 00:09:59,519

right yeah hey if it's not going

246

00:10:03,110 --> 00:10:01,600

directly for you

247

00:10:05,110 --> 00:10:03,120

you're obligated to stay outside and

248

00:10:07,430 --> 00:10:05,120

watch it yeah you got to make sure it

249

00:10:09,269 --> 00:10:07,440

doesn't come to your your house you know

250

00:10:10,550 --> 00:10:09,279

exactly it does you gotta you gotta tell

251
00:10:12,630 --> 00:10:10,560
it [\h__\h]

252
00:10:15,190 --> 00:10:12,640
you know like don't you come this way

253
00:10:16,470 --> 00:10:15,200
don't be careful with her why

254
00:10:21,030 --> 00:10:16,480
get on now

255
00:10:23,110 --> 00:10:21,040
get you get you go ahead get out

256
00:10:23,990 --> 00:10:23,120
all right get the truck barber barbra

257
00:10:26,310 --> 00:10:24,000
jean

258
00:10:28,310 --> 00:10:26,320
get your ass in the truck that's why you

259
00:10:29,350 --> 00:10:28,320
said it was turning the wrong way was

260
00:10:32,470 --> 00:10:29,360
wrong

261
00:10:34,790 --> 00:10:32,480
getting chevy just driving away

262
00:10:37,990 --> 00:10:34,800
dude what was it what were they thinking

263
00:10:40,630 --> 00:10:38,000

like what like i wouldn't even know like

264

00:10:41,750 --> 00:10:40,640

how to function after that like

265

00:10:43,910 --> 00:10:41,760

you know what i'm saying like what was

266

00:10:44,949 --> 00:10:43,920

that dude thinking in his head i don't

267

00:10:46,470 --> 00:10:44,959

know what they're thinking but i

268

00:10:47,829 --> 00:10:46,480

guarantee you the thing he said as he

269

00:10:52,389 --> 00:10:47,839

was driving away was

270

00:10:56,069 --> 00:10:53,750

dude

271

00:11:01,350 --> 00:10:56,079

hitting the roof whoa

272

00:11:05,670 --> 00:11:04,150

damn did dude did he turn his radio on

273

00:11:09,269 --> 00:11:05,680

after that or did he drive home in

274

00:11:14,069 --> 00:11:10,550

yeah like you can't drive at home in

275

00:11:16,710 --> 00:11:14,079

silence after that dude oh my god

276

00:11:18,949 --> 00:11:16,720

man what a story to tell right he got

277

00:11:20,069 --> 00:11:18,959

home and he [h__\h] on everybody's day

278

00:11:22,230 --> 00:11:20,079

story

279

00:11:23,509 --> 00:11:22,240

yeah yeah you know

280

00:11:25,509 --> 00:11:23,519

he's probably the quiet one in the

281

00:11:27,350 --> 00:11:25,519

office too he's yeah cause like nobody

282

00:11:29,750 --> 00:11:27,360

had seen it yet right nobody had seen

283

00:11:31,750 --> 00:11:29,760

the video yet he came home and like

284

00:11:33,829 --> 00:11:31,760

everybody was like oh guess what i did

285

00:11:37,350 --> 00:11:33,839

at school like his wife was like i had a

286

00:11:39,829 --> 00:11:37,360

hard day at work and he was like hey hey

287

00:11:43,509 --> 00:11:39,839

shut up listen what happened to me i was

288

00:11:45,110 --> 00:11:43,519

driving down 79. i saw a tornado and by

289

00:11:47,269 --> 00:11:45,120

that time it was too late i drove

290

00:11:50,069 --> 00:11:47,279

through that [h__h] it flipped the truck i

291

00:11:52,150 --> 00:11:50,079

spun and then i got flipped back up on

292

00:11:53,590 --> 00:11:52,160

my wheels and then i drove home to tell

293

00:11:56,550 --> 00:11:53,600

you this story and everybody was like

294

00:11:58,629 --> 00:11:56,560

whatever and then he came out on a tick

295

00:12:01,190 --> 00:11:58,639

tock or something and he was like boom i

296

00:12:03,030 --> 00:12:01,200

told you nobody believed him i guarantee

297

00:12:04,629 --> 00:12:03,040

chevy nobody believed that poor guy for

298

00:12:06,389 --> 00:12:04,639

13 hours

299

00:12:08,949 --> 00:12:06,399

it's either like that dude is is always

300

00:12:10,710 --> 00:12:08,959

kind of telling like exaggerated stories

301
00:12:12,550 --> 00:12:10,720
and also like nobody nobody believed

302
00:12:13,750 --> 00:12:12,560
them they're like uh-huh

303
00:12:15,269 --> 00:12:13,760
we got caught in the tornado and they're

304
00:12:17,430 --> 00:12:15,279
like yeah we all did and he's like no no

305
00:12:19,990 --> 00:12:17,440
no i went through the tornado stop

306
00:12:21,190 --> 00:12:20,000
exaggerating no you guys swear

307
00:12:22,550 --> 00:12:21,200
yeah paul you're always talking about

308
00:12:24,470 --> 00:12:22,560
how much you love your truck and how

309
00:12:25,590 --> 00:12:24,480
awesome chevy is over ford dude yeah

310
00:12:27,910 --> 00:12:25,600
okay yeah

311
00:12:29,269 --> 00:12:27,920
great story dude really no i'm trying to

312
00:12:34,710 --> 00:12:29,279
tell you dude

313
00:12:39,030 --> 00:12:37,030

it could it could it could be that he

314

00:12:40,389 --> 00:12:39,040

could be like [ʌ__\h] i'm in a chevy he

315

00:12:42,550 --> 00:12:40,399

drove through it

316

00:12:44,790 --> 00:12:42,560

yeah yeah he could he literally could

317

00:12:46,069 --> 00:12:44,800

have had that confidence right

318

00:12:47,990 --> 00:12:46,079

yeah

319

00:12:50,470 --> 00:12:48,000

dude that's a discord point

320

00:12:51,990 --> 00:12:50,480

like like the reason he was even driving

321

00:12:53,509 --> 00:12:52,000

through was because he had full

322

00:12:55,030 --> 00:12:53,519

confidence that he was going to be fine

323

00:12:56,790 --> 00:12:55,040

yeah dude it's like nascar you don't

324

00:12:58,790 --> 00:12:56,800

slow down through a wreck you know you

325

00:13:00,790 --> 00:12:58,800

speed up you go through that stuff yeah

326

00:13:02,310 --> 00:13:00,800

if you slow down you lose yeah it's just

327

00:13:05,190 --> 00:13:02,320

like a torn when you're dealing with a

328

00:13:06,870 --> 00:13:05,200

tornado right you got to speed up yeah

329

00:13:08,870 --> 00:13:06,880

because if you're fast enough you can't

330

00:13:11,269 --> 00:13:08,880

can't suck you in

331

00:13:13,750 --> 00:13:11,279

and you gotta be in a chevy

332

00:13:15,190 --> 00:13:13,760

and you have to have to be in a chevy

333

00:13:18,269 --> 00:13:15,200

this is the longest segment on chevy

334

00:13:22,069 --> 00:13:18,279

trucks ever do it

335

00:13:26,949 --> 00:13:23,430

all right dude let's let's look at your

336

00:13:29,030 --> 00:13:26,959

your uh this is your post uh it says uh

337

00:13:30,629 --> 00:13:29,040

mexicans think owls are witches so they

338

00:13:33,269 --> 00:13:30,639

started singing to try to get it to

339

00:13:36,750 --> 00:13:33,279

leave but it started vibing hard

340

00:13:50,150 --> 00:13:36,760

it was vibing hard

341

00:13:50,160 --> 00:14:02,629

the drums

342

00:14:08,710 --> 00:14:05,670

look look at him look at him

343

00:14:14,790 --> 00:14:08,720

he's dancing away out there he has a it

344

00:14:22,710 --> 00:14:20,710

[Music]

345

00:14:24,389 --> 00:14:22,720

yeah that's what's up dude

346

00:14:27,430 --> 00:14:24,399

those owls

347

00:14:28,790 --> 00:14:27,440

they can be creepy sometimes right

348

00:14:30,949 --> 00:14:28,800

dude

349

00:14:32,790 --> 00:14:30,959

they can be creepy right so

350

00:14:34,389 --> 00:14:32,800

tell me what so uh

351

00:14:35,509 --> 00:14:34,399

what is the name of this this like it's

352

00:14:36,870 --> 00:14:35,519

actually it's derived from something

353

00:14:38,949 --> 00:14:36,880

real like mexican

354

00:14:41,750 --> 00:14:38,959

the la lechuza

355

00:14:43,110 --> 00:14:41,760

it's like this it's like an owl woman

356

00:14:45,829 --> 00:14:43,120

and like

357

00:14:48,310 --> 00:14:45,839

she'll eat people dude it's crazy like i

358

00:14:49,750 --> 00:14:48,320

was telling you like

359

00:14:51,030 --> 00:14:49,760

sometimes you hear these stories like

360

00:14:53,110 --> 00:14:51,040

when you're young

361

00:14:55,110 --> 00:14:53,120

and like

362

00:14:56,710 --> 00:14:55,120

for a while like when i was young dude i

363

00:14:58,949 --> 00:14:56,720

had this shower

364

00:15:00,710 --> 00:14:58,959

we're like i would take my shower and i

365

00:15:02,230 --> 00:15:00,720

knew about this story and there was like

366

00:15:03,750 --> 00:15:02,240

a tree outside

367

00:15:05,750 --> 00:15:03,760

and i would always be terrified that

368

00:15:07,509 --> 00:15:05,760

like i would be washing my hair and then

369

00:15:09,350 --> 00:15:07,519

like i would open my eyes and i would

370

00:15:10,949 --> 00:15:09,360

see her like on that branch it would

371

00:15:13,670 --> 00:15:10,959

always freak me out dude like i always

372

00:15:15,030 --> 00:15:13,680

got the creeps like i hated it i used to

373

00:15:16,949 --> 00:15:15,040

hate it man

374

00:15:19,030 --> 00:15:16,959

they told us that we were kids and

375

00:15:21,189 --> 00:15:19,040

scared the [h__h] out of us like being in

376

00:15:22,389 --> 00:15:21,199

a shower is like the most

377

00:15:24,389 --> 00:15:22,399

vulnerable

378

00:15:25,590 --> 00:15:24,399

place you could be yeah dude yeah just

379

00:15:27,590 --> 00:15:25,600

like what are you gonna do man you just

380

00:15:29,590 --> 00:15:27,600

stop and get socks and panties put your

381

00:15:32,629 --> 00:15:29,600

paintings on yeah you can't you gotta

382

00:15:34,550 --> 00:15:32,639

run out you gotta go dude you gotta go

383

00:15:36,150 --> 00:15:34,560

you gotta go you gotta either grab a

384

00:15:37,670 --> 00:15:36,160

quilt to pick her up or

385

00:15:39,990 --> 00:15:37,680

get your ass out and then just hope you

386

00:15:41,749 --> 00:15:40,000

weren't wrong the whole time you know

387

00:15:43,189 --> 00:15:41,759

yeah yeah it wasn't just like a branch

388

00:15:44,629 --> 00:15:43,199

scraping the window you know you better

389

00:15:45,430 --> 00:15:44,639

hope that something was coming to eat

390

00:15:48,389 --> 00:15:45,440

you

391

00:15:52,550 --> 00:15:48,399

house

392

00:15:52,560 --> 00:16:01,910

uh

393

00:16:05,430 --> 00:16:03,829

would anybody i feel like i could

394

00:16:08,870 --> 00:16:05,440

before you told me what it was i'd never

395

00:16:11,509 --> 00:16:08,880

heard of it yeah like so she would like

396

00:16:13,910 --> 00:16:11,519

she would have like the body of uh

397

00:16:16,150 --> 00:16:13,920

of an owl and like the face of like an

398

00:16:19,110 --> 00:16:16,160

old lady so like at nighttime they would

399

00:16:20,870 --> 00:16:19,120

like shift into these monsters

400

00:16:22,870 --> 00:16:20,880

and they would like eat people and so

401

00:16:24,550 --> 00:16:22,880

like that was the thing like one of the

402

00:16:26,949 --> 00:16:24,560

like common things that you would hear

403

00:16:27,670 --> 00:16:26,959

is that they would cry like babies you

404

00:16:30,069 --> 00:16:27,680

know

405

00:16:31,670 --> 00:16:30,079

what yeah they would cry like babies and

406

00:16:33,990 --> 00:16:31,680

so people would go

407

00:16:35,990 --> 00:16:34,000

and they would see like what's up with

408

00:16:37,590 --> 00:16:36,000

this baby like why is this baby crying

409

00:16:40,310 --> 00:16:37,600

out in the middle of the woods up in a

410

00:16:42,230 --> 00:16:40,320

tree somewhere and so they would go and

411

00:16:44,230 --> 00:16:42,240

then and then she would pounce on them

412

00:16:46,790 --> 00:16:44,240

dude and she would eat them

413

00:16:48,470 --> 00:16:46,800

she would do hold on wait that's why is

414

00:16:50,710 --> 00:16:48,480

that ringing is isn't that like a

415

00:16:52,790 --> 00:16:50,720

skinwalker thing where they they make

416

00:16:54,550 --> 00:16:52,800

like uh the sound or the voice of

417

00:16:56,949 --> 00:16:54,560

someone that you're familiar with oh

418

00:16:58,710 --> 00:16:56,959

maybe like or like your mom it's like

419

00:17:01,990 --> 00:16:58,720

saying your name or like a baby crying

420

00:17:03,990 --> 00:17:02,000

to to lure your you in yeah yeah and

421

00:17:05,350 --> 00:17:04,000

that kind of similar yeah i wonder if

422

00:17:06,630 --> 00:17:05,360

they're connected bro

423

00:17:07,990 --> 00:17:06,640

i don't know they might be there's a lot

424

00:17:09,669 --> 00:17:08,000

of these stories that are like connected

425

00:17:11,829 --> 00:17:09,679

through history you know like they all

426

00:17:14,630 --> 00:17:11,839

just have different names and stuff

427

00:17:16,789 --> 00:17:14,640

but you know this one's just this was

428

00:17:18,789 --> 00:17:16,799

like was super creepy just because i

429

00:17:20,470 --> 00:17:18,799

don't know can you imagine like the body

430

00:17:23,270 --> 00:17:20,480

of a big-ass owl and then like some

431

00:17:24,949 --> 00:17:23,280

creepy ass old lady's face on it

432

00:17:26,470 --> 00:17:24,959

and then it's crying like a baby and

433

00:17:28,870 --> 00:17:26,480

like you like turn the corner and you

434

00:17:30,630 --> 00:17:28,880

see it and you're like oh no whoa

435

00:17:33,190 --> 00:17:30,640

she gets you and then takes you back to

436

00:17:35,590 --> 00:17:33,200

her nest dude and then like picks you

437

00:17:37,270 --> 00:17:35,600

apart like piece by piece like an owl

438

00:17:39,669 --> 00:17:37,280

and like you can't do anything but just

439

00:17:41,990 --> 00:17:39,679

lay there and be picked apart by

440

00:17:43,669 --> 00:17:42,000

by this old creepy owl lady

441

00:17:46,789 --> 00:17:43,679

for like an hour and a half until she

442

00:17:48,870 --> 00:17:46,799

slowly like just murders you like oh

443

00:17:50,950 --> 00:17:48,880

that's terrible look at that hair it's

444

00:17:52,230 --> 00:17:50,960

so luxurious what did you say they look

445

00:17:55,750 --> 00:17:52,240

like again

446

00:18:00,470 --> 00:17:58,230

that's what that owl looks like you said

447

00:18:01,710 --> 00:18:00,480

you said it what you like the lady took

448

00:18:04,870 --> 00:18:01,720

you up to her nest full

449

00:18:07,510 --> 00:18:04,880

[Laughter]

450

00:18:09,590 --> 00:18:07,520

it's not a party dude

451
00:18:11,430 --> 00:18:09,600
the way you described nest was like kind

452
00:18:13,830 --> 00:18:11,440
of cozy sounding

453
00:18:15,110 --> 00:18:13,840
yeah dude i mean

454
00:18:20,470 --> 00:18:15,120
like

455
00:18:21,430 --> 00:18:20,480
coziness to them

456
00:18:23,190 --> 00:18:21,440
yeah

457
00:18:26,870 --> 00:18:23,200
so what if she just took you up into her

458
00:18:28,710 --> 00:18:26,880
nest and she just snuggled with you

459
00:18:30,950 --> 00:18:28,720
that'd be one thing you know people

460
00:18:32,549 --> 00:18:30,960
wouldn't be so scared

461
00:18:33,909 --> 00:18:32,559
you know

462
00:18:35,430 --> 00:18:33,919
but that's not what she does that's why

463
00:18:37,590 --> 00:18:35,440

everybody's scared of her that's not

464

00:18:40,070 --> 00:18:37,600

what she does though

465

00:18:41,990 --> 00:18:40,080

well so that so did your your mom used

466

00:18:43,909 --> 00:18:42,000

to tell you this is almost like a hey be

467

00:18:47,270 --> 00:18:43,919

good

468

00:18:50,870 --> 00:18:47,280

no this was uh this was more like a

469

00:18:54,070 --> 00:18:50,880

story like among cousins and stuff oh

470

00:18:58,630 --> 00:18:55,909

that was some [h__h] you had to like be

471

00:19:01,909 --> 00:18:58,640

good for right because like he would

472

00:19:03,350 --> 00:19:01,919

come and get you if you were bad like he

473

00:19:05,350 --> 00:19:03,360

was like

474

00:19:07,909 --> 00:19:05,360

he's been like he's been known as like

475

00:19:10,789 --> 00:19:07,919

this this this tiny little thing with

476

00:19:14,150 --> 00:19:10,799

like red glowing eyes or like he's been

477

00:19:16,789 --> 00:19:14,160

known as like this big hairy monster

478

00:19:17,830 --> 00:19:16,799

he's you know looks like a bear kind of

479

00:19:21,110 --> 00:19:17,840

you know

480

00:19:24,470 --> 00:19:21,120

like he's been known as a lot of things

481

00:19:25,430 --> 00:19:24,480

he's been known but the ones who really

482

00:19:29,750 --> 00:19:25,440

know

483

00:19:31,510 --> 00:19:29,760

crooked back

484

00:19:33,270 --> 00:19:31,520

oh it's like the that's like the

485

00:19:36,390 --> 00:19:33,280

folklore like the book that's like

486

00:19:38,310 --> 00:19:36,400

written and stuff what's it called

487

00:19:44,310 --> 00:19:38,320

el kokui

488

00:19:46,230 --> 00:19:45,350

yeah

489

00:19:48,789 --> 00:19:46,240

oh

490

00:19:50,710 --> 00:19:48,799

damn his posture's bad yeah it's pretty

491

00:19:54,549 --> 00:19:50,720

bad

492

00:19:58,630 --> 00:19:54,559

so he's like described as um

493

00:20:00,549 --> 00:19:58,640

the the opposite of a guardian angel

494

00:20:01,830 --> 00:20:00,559

oh dude that's that's the mouth of a

495

00:20:02,870 --> 00:20:01,840

freaking

496

00:20:06,470 --> 00:20:02,880

uh

497

00:20:11,350 --> 00:20:06,480

like a like a a liken from like

498

00:20:14,630 --> 00:20:12,710

it's like the mexican version of like

499

00:20:16,789 --> 00:20:14,640

the boogeyman you know

500

00:20:17,750 --> 00:20:16,799

yeah he comes to get you like if you're

501
00:20:20,390 --> 00:20:17,760
bad

502
00:20:22,950 --> 00:20:20,400
yeah he lives up in like this like

503
00:20:25,430 --> 00:20:22,960
in like this cave up in the mountains

504
00:20:28,230 --> 00:20:25,440
and he's got like one regular ear like a

505
00:20:31,350 --> 00:20:28,240
human and he's got this big red ear and

506
00:20:34,870 --> 00:20:31,360
he can hear everything he can hear

507
00:20:36,390 --> 00:20:34,880
uh like the ants walking on the dirt you

508
00:20:39,830 --> 00:20:36,400
can hear butterflies flapping their

509
00:20:42,230 --> 00:20:39,840
wings and he can hear kids being bad for

510
00:20:44,230 --> 00:20:42,240
up to 250 miles

511
00:20:45,510 --> 00:20:44,240
oh damn that's because and so like if

512
00:20:47,590 --> 00:20:45,520
you're bad

513
00:20:50,070 --> 00:20:47,600

then he comes and takes you and he

514

00:20:52,789 --> 00:20:50,080

either eats you or he transports you to

515

00:20:54,789 --> 00:20:52,799

a place to where you'll never return

516

00:20:57,430 --> 00:20:54,799

bro

517

00:20:59,830 --> 00:20:57,440

yeah i kind of like the the ear thing

518

00:21:02,549 --> 00:20:59,840

yeah it is kind of spooky though like

519

00:21:04,549 --> 00:21:02,559

the little story that goes with it is

520

00:21:05,909 --> 00:21:04,559

there's like a there's like this father

521

00:21:07,909 --> 00:21:05,919

and these three little girls his

522

00:21:10,470 --> 00:21:07,919

daughters and like i guess the mother

523

00:21:11,909 --> 00:21:10,480

passes away and so

524

00:21:14,230 --> 00:21:11,919

the youngest

525

00:21:15,990 --> 00:21:14,240

like you know makes food and like helps

526
00:21:19,029 --> 00:21:16,000
with chores around the house and this

527
00:21:20,390 --> 00:21:19,039
and that and like the two older

528
00:21:22,310 --> 00:21:20,400
daughters are always bad and they're

529
00:21:25,029 --> 00:21:22,320
always like making more work for like

530
00:21:27,830 --> 00:21:25,039
the dad and the little sister and like

531
00:21:30,149 --> 00:21:27,840
on this like one one day she like i

532
00:21:32,230 --> 00:21:30,159
forgot she was like sweeping and so they

533
00:21:33,830 --> 00:21:32,240
took the ashes out of the uh the

534
00:21:36,149 --> 00:21:33,840
fireplace and they threw it all over the

535
00:21:37,510 --> 00:21:36,159
floor and then she was doing the laundry

536
00:21:39,909 --> 00:21:37,520
and then her sisters came behind and

537
00:21:41,190 --> 00:21:39,919
tied knots and all of her dad's shirts

538
00:21:42,710 --> 00:21:41,200

and she couldn't get them out of the

539

00:21:44,950 --> 00:21:42,720

knots you know

540

00:21:47,590 --> 00:21:44,960

and so like the dad came home and like

541

00:21:50,149 --> 00:21:47,600

he was like that's it i'm calling

542

00:21:51,990 --> 00:21:50,159

kukui and so he goes outside

543

00:21:54,149 --> 00:21:52,000

he yells for him to come get the girls

544

00:21:56,870 --> 00:21:54,159

and he actually comes and takes these

545

00:21:58,470 --> 00:21:56,880

girls and so like it's a story like you

546

00:22:00,789 --> 00:21:58,480

know they get all scratched up from the

547

00:22:03,430 --> 00:22:00,799

cactus he drags him back to his cave and

548

00:22:04,870 --> 00:22:03,440

he puts him down this deep deep hole

549

00:22:09,430 --> 00:22:04,880

and uh

550

00:22:10,390 --> 00:22:09,440

on what is it on on mondays wednesdays

551
00:22:15,510 --> 00:22:10,400
and

552
00:22:18,549 --> 00:22:15,520
tortillas

553
00:22:21,909 --> 00:22:18,559
and on on tuesday stop laughing for this

554
00:22:25,110 --> 00:22:21,919
is serious right now tuesdays thursdays

555
00:22:28,549 --> 00:22:25,120
and saturdays they got corn

556
00:22:29,590 --> 00:22:28,559
and on sundays they got a glass of water

557
00:22:31,990 --> 00:22:29,600
right

558
00:22:34,470 --> 00:22:32,000
fruitful night from 9 00 am to

559
00:22:36,710 --> 00:22:34,480
12 p.m and then from three to six only

560
00:22:38,470 --> 00:22:36,720
one a day and then on sundays they got

561
00:22:40,870 --> 00:22:38,480
water and that's it

562
00:22:42,710 --> 00:22:40,880
so this is a pretty bad rap you know

563
00:22:44,390 --> 00:22:42,720

these girls are in some trouble

564

00:22:45,750 --> 00:22:44,400

so you know

565

00:22:47,029 --> 00:22:45,760

they would hold on back up like where

566

00:22:48,390 --> 00:22:47,039

where did the doors

567

00:22:50,549 --> 00:22:48,400

go

568

00:22:52,630 --> 00:22:50,559

so he puts the girls in a hole and then

569

00:22:56,630 --> 00:22:52,640

he makes them bro and then he makes the

570

00:23:00,710 --> 00:22:58,870

he's good at it i'm sorry it's not he's

571

00:23:03,190 --> 00:23:00,720

one of them he's one of the best

572

00:23:05,029 --> 00:23:03,200

i'm not it's not funny it's very serious

573

00:23:07,830 --> 00:23:05,039

everybody knows this dude

574

00:23:10,630 --> 00:23:07,840

kukui makes the best

575

00:23:11,590 --> 00:23:10,640

how come the days that they're uh

576
00:23:13,590 --> 00:23:11,600
wait

577
00:23:15,909 --> 00:23:13,600
are they closed on sundays

578
00:23:17,510 --> 00:23:15,919
no no he just uh

579
00:23:19,510 --> 00:23:17,520
he just doesn't make them

580
00:23:21,270 --> 00:23:19,520
so he makes corn tortillas four days a

581
00:23:23,190 --> 00:23:21,280
week and flower on three

582
00:23:24,470 --> 00:23:23,200
yeah

583
00:23:27,270 --> 00:23:24,480
damn

584
00:23:28,390 --> 00:23:27,280
that's like authentic it is so he really

585
00:23:30,070 --> 00:23:28,400
knows what he's doing with that it's

586
00:23:31,830 --> 00:23:30,080
pretty legit

587
00:23:33,590 --> 00:23:31,840
hell yeah dude yeah so is it just

588
00:23:35,430 --> 00:23:33,600

tortillas or do we have like toppings no

589

00:23:37,270 --> 00:23:35,440

that's it that's it that's it

590

00:23:39,350 --> 00:23:37,280

these are bad girls bro like why are you

591

00:23:40,630 --> 00:23:39,360

going to get does he make a list

592

00:23:42,230 --> 00:23:40,640

does he make the girls make the

593

00:23:44,390 --> 00:23:42,240

tortillas or did he like put him to work

594

00:23:46,630 --> 00:23:44,400

or is he just like

595

00:23:49,269 --> 00:23:46,640

seal it see you later no no they they he

596

00:23:51,909 --> 00:23:49,279

just makes them and they get one

597

00:23:53,830 --> 00:23:51,919

one one a day he's making the tortillas

598

00:23:56,470 --> 00:23:53,840

for the girls he's not selling them on

599

00:23:59,590 --> 00:23:56,480

the side no no no no no he's making up

600

00:24:01,590 --> 00:23:59,600

for the girls they each get one a day

601
00:24:02,950 --> 00:24:01,600
oh my god and then on sunday they get a

602
00:24:04,630 --> 00:24:02,960
glass of water i thought you were saying

603
00:24:07,190 --> 00:24:04,640
he like posts up and he's like hey i'll

604
00:24:09,590 --> 00:24:07,200
be back i've got tortillas to sell

605
00:24:11,590 --> 00:24:09,600
it's monday that means it's flour takes

606
00:24:13,350 --> 00:24:11,600
i mean you know flour burns easily

607
00:24:18,390 --> 00:24:13,360
easier yeah you gotta pay attention you

608
00:24:21,750 --> 00:24:19,990
yeah no no no he's making up for the

609
00:24:23,990 --> 00:24:21,760
girls so they don't die he just wants

610
00:24:26,950 --> 00:24:24,000
them to suffer in this deep dark cave

611
00:24:28,310 --> 00:24:26,960
right so until you know this is this is

612
00:24:31,110 --> 00:24:28,320
kind of a bad thing for them they're in

613
00:24:33,510 --> 00:24:31,120

a pretty bad place uh but luckily one

614

00:24:37,430 --> 00:24:33,520

day um a goat

615

00:24:39,590 --> 00:24:37,440

a billy goat um gets gets lost and a

616

00:24:41,909 --> 00:24:39,600

young boy comes looking for this goat

617

00:24:43,510 --> 00:24:41,919

and he listens for the cries of the goat

618

00:24:44,950 --> 00:24:43,520

and he finds the goat

619

00:24:47,350 --> 00:24:44,960

you know the goat's leg is stuck in a

620

00:24:49,590 --> 00:24:47,360

rock right cause gotsutam they do things

621

00:24:52,870 --> 00:24:49,600

like that he gets it out and then it

622

00:24:55,669 --> 00:24:52,880

runs and no longer is the goat crying

623

00:24:57,990 --> 00:24:55,679

but he still hears

624

00:25:01,190 --> 00:24:58,000

crying noise and he looks down in this

625

00:25:03,350 --> 00:25:01,200

tiny little hole and he notices you know

626

00:25:04,630 --> 00:25:03,360

way way way way i skipped a big part i

627

00:25:06,549 --> 00:25:04,640

have to go all the way back hold on back

628

00:25:09,190 --> 00:25:06,559

up back it up

629

00:25:12,630 --> 00:25:09,200

no no we can keep going so he sees the

630

00:25:15,190 --> 00:25:12,640

girls he runs down and uh you know he he

631

00:25:16,870 --> 00:25:15,200

finds the girls and he sets them free

632

00:25:18,950 --> 00:25:16,880

and they're running down the hill and it

633

00:25:21,510 --> 00:25:18,960

just so happened that the dad

634

00:25:24,149 --> 00:25:21,520

um used to go up there every single day

635

00:25:26,390 --> 00:25:24,159

looking for a kukui's cave

636

00:25:29,430 --> 00:25:26,400

right and so every time they would say i

637

00:25:33,590 --> 00:25:31,190

his fault it was his fault but like i

638

00:25:35,750 --> 00:25:33,600

guess like you know he was like well i

639

00:25:38,710 --> 00:25:35,760

mean they're not really that bad

640

00:25:41,110 --> 00:25:38,720

so yeah they actually uh

641

00:25:43,669 --> 00:25:41,120

got to go home with their dad

642

00:25:47,110 --> 00:25:43,679

after weeks of being trapped in

643

00:25:50,710 --> 00:25:47,120

okukuye's cave and uh you know they

644

00:25:54,070 --> 00:25:50,720

turned out to be very very polite um and

645

00:25:56,149 --> 00:25:54,080

and helpful respectful young women and

646

00:25:58,149 --> 00:25:56,159

some people to today say sometimes

647

00:26:00,789 --> 00:25:58,159

you'll go down to the area and there's

648

00:26:03,430 --> 00:26:00,799

like you know some very very polite

649

00:26:05,350 --> 00:26:03,440

people and they all come from the the

650

00:26:07,669 --> 00:26:05,360

lineage of the uh the girls who got

651
00:26:09,590 --> 00:26:07,679
caught from uh you know

652
00:26:11,269 --> 00:26:09,600
no way that's where manners come from

653
00:26:13,110 --> 00:26:11,279
that's where manners come from so you

654
00:26:14,950 --> 00:26:13,120
got to be good or else he'll come and

655
00:26:16,630 --> 00:26:14,960
take you he'll either eat you or he'll

656
00:26:18,470 --> 00:26:16,640
put you in this shitty cave and feed you

657
00:26:26,230 --> 00:26:18,480
one tortilla a day

658
00:26:31,909 --> 00:26:29,830
thanks dude i i loved that dude i love

659
00:26:34,870 --> 00:26:31,919
it so yeah the the

660
00:26:38,950 --> 00:26:34,880
is that like a well-known story

661
00:26:40,789 --> 00:26:38,960
oh everybody knows it dude

662
00:26:42,230 --> 00:26:40,799
i love it dude there's so much there's a

663
00:26:43,990 --> 00:26:42,240

high and there's there's like a peaks

664

00:26:46,950 --> 00:26:44,000

and valleys there's antagonists there's

665

00:26:48,870 --> 00:26:46,960

protagonists it's crazy damn dude

666

00:26:51,190 --> 00:26:48,880

there's like spooky stuff

667

00:26:53,269 --> 00:26:51,200

there's a there's a weird

668

00:26:54,390 --> 00:26:53,279

hairy dude

669

00:26:56,950 --> 00:26:54,400

question for you

670

00:26:58,630 --> 00:26:56,960

could it be could could it be a uh a

671

00:27:01,430 --> 00:26:58,640

feral person who lives in the in the

672

00:27:02,390 --> 00:27:01,440

mountain and uh he's kind of just like

673

00:27:04,950 --> 00:27:02,400

he has

674

00:27:07,269 --> 00:27:04,960

his whole life and his father before him

675

00:27:09,830 --> 00:27:07,279

and his father before him

676
00:27:11,510 --> 00:27:09,840
lived in the mountains

677
00:27:12,549 --> 00:27:11,520
and they they're just very hairy that's

678
00:27:16,630 --> 00:27:12,559
just kind of like what they do some

679
00:27:19,830 --> 00:27:16,640
people mistake them for for uh elk

680
00:27:21,350 --> 00:27:19,840
or or bigfoot or old man of the forest

681
00:27:22,470 --> 00:27:21,360
and they're just like they're actually

682
00:27:24,470 --> 00:27:22,480
kind of nice people and they just like

683
00:27:26,789 --> 00:27:24,480
to teach other humorous manners because

684
00:27:27,750 --> 00:27:26,799
we're rude and we're dirty well they say

685
00:27:30,310 --> 00:27:27,760
that

686
00:27:33,110 --> 00:27:30,320
um people who know the legend best all

687
00:27:34,389 --> 00:27:33,120
say it's actually an old man

688
00:27:35,830 --> 00:27:34,399

that lives

689

00:27:38,870 --> 00:27:35,840

up there

690

00:27:41,750 --> 00:27:38,880

and he has is like he says his

691

00:27:43,269 --> 00:27:41,760

his his back is as crooked as a tree

692

00:27:45,909 --> 00:27:43,279

branch

693

00:27:49,110 --> 00:27:45,919

and he's like this old creepy

694

00:27:50,470 --> 00:27:49,120

man that steals kids dude

695

00:27:51,430 --> 00:27:50,480

oh my god look at this look at this

696

00:27:52,950 --> 00:27:51,440

image

697

00:27:54,470 --> 00:27:52,960

see like

698

00:27:56,310 --> 00:27:54,480

the the old man thing doesn't scare me

699

00:27:59,510 --> 00:27:56,320

as bad as this does like a

700

00:28:01,350 --> 00:27:59,520

like that's a maybe like a 35 year old

701

00:28:03,909 --> 00:28:01,360

el kakui right

702

00:28:06,149 --> 00:28:03,919

at least 35 at least 35. he's still got

703

00:28:09,430 --> 00:28:06,159

some age to go his his dental records

704

00:28:11,190 --> 00:28:09,440

show in a much older age

705

00:28:13,750 --> 00:28:11,200

but the old man thing it reminds me it

706

00:28:15,750 --> 00:28:13,760

makes me think of like uh like monks in

707

00:28:17,350 --> 00:28:15,760

the mountains like we know that there's

708

00:28:20,870 --> 00:28:17,360

a bunch of old dudes

709

00:28:22,549 --> 00:28:20,880

living on like one grain of rice a day

710

00:28:24,549 --> 00:28:22,559

and they're they're really smart and

711

00:28:26,870 --> 00:28:24,559

they they give a lot of wisdom you know

712

00:28:31,269 --> 00:28:26,880

so it's possible yeah yeah i mean that's

713

00:28:33,510 --> 00:28:31,279

the opposite of el kokui but yeah

714

00:28:35,190 --> 00:28:33,520

yeah

715

00:28:38,230 --> 00:28:35,200

i don't know

716

00:28:39,750 --> 00:28:38,240

just making connections here in my head

717

00:28:40,950 --> 00:28:39,760

i mean i guess it's possible that a monk

718

00:28:43,590 --> 00:28:40,960

could like come down out of the

719

00:28:46,149 --> 00:28:43,600

mountains and then like take a child and

720

00:28:47,830 --> 00:28:46,159

eat him and then run back up into the

721

00:28:49,909 --> 00:28:47,840

monastery and like nobody would know

722

00:28:52,870 --> 00:28:49,919

because they'd be like oh he's probably

723

00:28:54,230 --> 00:28:52,880

been praying for the past 24 hours

724

00:28:55,269 --> 00:28:54,240

or you know

725

00:28:57,510 --> 00:28:55,279

yeah like

726

00:28:59,430 --> 00:28:57,520

that he'd be like the least suspected uh

727

00:29:00,549 --> 00:28:59,440

yeah in that story yeah they'd be like

728

00:29:02,549 --> 00:29:00,559

hey what have you been doing he was like

729

00:29:04,149 --> 00:29:02,559

oh i've been meditating for the last 24

730

00:29:05,430 --> 00:29:04,159

hours literally that's all i do every

731

00:29:08,070 --> 00:29:05,440

time they were like wait a second did

732

00:29:10,389 --> 00:29:08,080

you just talk to us and he was like oh

733

00:29:12,470 --> 00:29:10,399

[h__\h] you got me

734

00:29:14,630 --> 00:29:12,480

dang it

735

00:29:16,230 --> 00:29:14,640

i guess what i mean by that idea like

736

00:29:17,990 --> 00:29:16,240

connecting it to monks is that like it's

737

00:29:21,029 --> 00:29:18,000

possible there's already old dudes

738

00:29:24,630 --> 00:29:21,039

living on like very very minimal things

739

00:29:26,149 --> 00:29:24,640

right that uh they're very peaceful i

740

00:29:28,549 --> 00:29:26,159

love the mountains and also teach which

741

00:29:30,950 --> 00:29:28,559

the manners i don't know

742

00:29:32,630 --> 00:29:30,960

you know i was also thinking like

743

00:29:33,669 --> 00:29:32,640

um

744

00:29:36,549 --> 00:29:33,679

so

745

00:29:39,669 --> 00:29:36,559

the lechusa makes like this crying baby

746

00:29:42,070 --> 00:29:39,679

sound and la llerona makes like the

747

00:29:45,750 --> 00:29:42,080

crying woman sound

748

00:29:47,590 --> 00:29:45,760

and that also lures people to her yeah

749

00:29:49,350 --> 00:29:47,600

and like

750

00:29:51,350 --> 00:29:49,360

it just sucks like when you think about

751

00:29:53,110 --> 00:29:51,360

like the idea that like

752

00:29:55,750 --> 00:29:53,120

there's like these witches that will eat

753

00:29:57,269 --> 00:29:55,760

you if it sounds like a baby or a crying

754

00:29:59,750 --> 00:29:57,279

woman so like

755

00:30:01,430 --> 00:29:59,760

you really could be like a baby like

756

00:30:04,149 --> 00:30:01,440

that got dropped out of a stroller or

757

00:30:06,389 --> 00:30:04,159

something you know or like i don't know

758

00:30:07,830 --> 00:30:06,399

like that's a terrible example or like a

759

00:30:09,990 --> 00:30:07,840

woman that fell down on the hike and

760

00:30:11,590 --> 00:30:10,000

bike trail and like broke her ankle and

761

00:30:14,070 --> 00:30:11,600

she's actually crying but it's night

762

00:30:15,510 --> 00:30:14,080

time because she works a full-time job

763

00:30:17,269 --> 00:30:15,520

and you know the babysitter doesn't get

764

00:30:19,909 --> 00:30:17,279

there until 8 30 and that's whenever

765

00:30:21,669 --> 00:30:19,919

it's her time to go be in her own head

766

00:30:23,669 --> 00:30:21,679

and just put the headphones in and go

767

00:30:25,669 --> 00:30:23,679

for a jog and she fell and broke her

768

00:30:27,110 --> 00:30:25,679

ankle but like

769

00:30:28,789 --> 00:30:27,120

if you're mexican and you hear that

770

00:30:30,870 --> 00:30:28,799

you're like [h__h] that i'm not going over

771

00:30:33,510 --> 00:30:30,880

there it's like you know like it's

772

00:30:35,190 --> 00:30:33,520

like nope uh-uh you're not getting me

773

00:30:37,669 --> 00:30:35,200

like i'm just thinking about the amount

774

00:30:40,230 --> 00:30:37,679

of aid that has been just like

775

00:30:42,310 --> 00:30:40,240

not given to people who have been crying

776

00:30:43,669 --> 00:30:42,320

because it was a baby or like some

777

00:30:44,870 --> 00:30:43,679

injured woman

778

00:30:46,950 --> 00:30:44,880

oh my gosh

779

00:30:48,630 --> 00:30:46,960

i could go down a very dark path with

780

00:30:51,590 --> 00:30:48,640

that um

781

00:30:53,269 --> 00:30:51,600

but i'm not going to

782

00:30:55,590 --> 00:30:53,279

thinking about like child abandonment

783

00:30:58,389 --> 00:30:55,600

like oh yeah no one's gonna come check

784

00:31:00,789 --> 00:30:58,399

in the woods for for this i don't know

785

00:31:03,509 --> 00:31:00,799

that's dark as [h__h] i know but it but

786

00:31:05,909 --> 00:31:03,519

like it happens right and most of those

787

00:31:07,430 --> 00:31:05,919

kids get picked up by like dragons or

788

00:31:09,590 --> 00:31:07,440

like bigfoot

789

00:31:13,110 --> 00:31:09,600

and they live like a perfectly normal

790

00:31:15,190 --> 00:31:13,120

life right yeah all the time

791

00:31:17,509 --> 00:31:15,200

it happens more than we know it does it

792

00:31:19,110 --> 00:31:17,519

happens a lot a bit yeah because there

793

00:31:21,509 --> 00:31:19,120

are like actual stories and accounts of

794

00:31:22,870 --> 00:31:21,519

multiple people that that's happened too

795

00:31:24,070 --> 00:31:22,880

you mentioned like all the people who

796

00:31:25,830 --> 00:31:24,080

like

797

00:31:26,549 --> 00:31:25,840

you know i don't know

798

00:31:28,230 --> 00:31:26,559

dude

799

00:31:30,070 --> 00:31:28,240

they grew up in the woods like with

800

00:31:31,750 --> 00:31:30,080

bigfoot or like with puff the magic

801
00:31:33,750 --> 00:31:31,760
dragon right and then like they became

802
00:31:35,029 --> 00:31:33,760
like 30. it was kind of like mowgli like

803
00:31:37,750 --> 00:31:35,039
looking down on the village and he was

804
00:31:39,110 --> 00:31:37,760
like damn what's that down there baby

805
00:31:41,190 --> 00:31:39,120
and like that he finally came out of the

806
00:31:43,509 --> 00:31:41,200
forest and was like i'm gonna try this

807
00:31:45,110 --> 00:31:43,519
whatever this is even though i know it's

808
00:31:46,950 --> 00:31:45,120
dangerous and he goes out and he's kind

809
00:31:48,310 --> 00:31:46,960
of like tarzan for like the first three

810
00:31:50,389 --> 00:31:48,320
years and like everybody thinks he's

811
00:31:52,470 --> 00:31:50,399
weird and like he just works like at the

812
00:31:54,149 --> 00:31:52,480
door at walmart he's just like hi hi

813
00:31:55,509 --> 00:31:54,159

everybody because like he doesn't get it

814

00:31:57,029 --> 00:31:55,519

he's just lived in the woods the whole

815

00:31:59,590 --> 00:31:57,039

life and then finally he gets it but

816

00:32:00,470 --> 00:31:59,600

like you know like can you imagine that

817

00:32:03,029 --> 00:32:00,480

guy

818

00:32:05,269 --> 00:32:03,039

like somehow making it in just like

819

00:32:07,350 --> 00:32:05,279

normal society and then like at the age

820

00:32:08,549 --> 00:32:07,360

of like 64 being like

821

00:32:09,350 --> 00:32:08,559

i think i'm gonna write a book about

822

00:32:11,669 --> 00:32:09,360

that

823

00:32:12,950 --> 00:32:11,679

yeah it would have you would have to

824

00:32:14,630 --> 00:32:12,960

wait until that long

825

00:32:19,190 --> 00:32:14,640

to do because it takes a long time to

826

00:32:23,830 --> 00:32:22,470

not right i think so

827

00:32:26,549 --> 00:32:23,840

i don't know

828

00:32:27,430 --> 00:32:26,559

okay tarzan in a there's a there's a

829

00:32:32,310 --> 00:32:27,440

scene

830

00:32:35,110 --> 00:32:32,320

tarzan and uh there's there's a there's

831

00:32:36,230 --> 00:32:35,120

uh there's a photo of him in a suit

832

00:32:37,669 --> 00:32:36,240

and uh

833

00:32:38,950 --> 00:32:37,679

i just always think like okay this

834

00:32:41,590 --> 00:32:38,960

dude's been

835

00:32:43,990 --> 00:32:41,600

walking around climbing trees surfing on

836

00:32:46,149 --> 00:32:44,000

trees his whole life his toes are like

837

00:32:47,590 --> 00:32:46,159

probably formed to like like a different

838

00:32:49,909 --> 00:32:47,600

way you know like people like uh

839

00:32:51,110 --> 00:32:49,919

indigenous people in the amazon their

840

00:32:52,470 --> 00:32:51,120

feet look different right they're like

841

00:32:55,350 --> 00:32:52,480

freaking rot

842

00:32:57,990 --> 00:32:55,360

rugged and like pads dude yeah man so

843

00:33:01,990 --> 00:32:58,000

like how does this fool how would he put

844

00:33:03,509 --> 00:33:02,000

on shoes and walk up uh you know stay

845

00:33:05,350 --> 00:33:03,519

tall and straighten so he's got better

846

00:33:07,269 --> 00:33:05,360

posture than me man

847

00:33:10,710 --> 00:33:07,279

i've got i guess his feet look pretty

848

00:33:12,789 --> 00:33:10,720

big but uh yeah they're still pretty big

849

00:33:14,389 --> 00:33:12,799

and they like force him to like stand up

850

00:33:15,669 --> 00:33:14,399

in the movie i think because he's

851
00:33:17,269 --> 00:33:15,679
standing there like that and they come

852
00:33:18,149 --> 00:33:17,279
and they like force him to stand up and

853
00:33:18,950 --> 00:33:18,159
he's like

854
00:33:20,950 --> 00:33:18,960
oh

855
00:33:22,310 --> 00:33:20,960
yeah okay i remember that scene yeah

856
00:33:26,549 --> 00:33:22,320
yeah

857
00:33:29,909 --> 00:33:26,559
phil collins come on man

858
00:33:34,470 --> 00:33:32,630
i will be here don't you oh there's a

859
00:33:36,789 --> 00:33:34,480
dude in a leotard

860
00:33:40,149 --> 00:33:36,799
nice that's what's up dude that's what's

861
00:33:40,159 --> 00:33:45,110
we like those bro we like those

862
00:33:50,230 --> 00:33:47,269
dudes speaking of hiking bike bro

863
00:33:53,830 --> 00:33:50,240

what i mean come on man

864

00:33:56,950 --> 00:33:53,840

please speak of it the most amazing of

865

00:33:58,470 --> 00:33:56,960

and vivid memories of my childhood

866

00:34:00,310 --> 00:33:58,480

uh if you guys didn't know this uh joe

867

00:34:02,230 --> 00:34:00,320

and i grew joe and i grew up in the same

868

00:34:04,149 --> 00:34:02,240

town he's a couple years older than me

869

00:34:06,230 --> 00:34:04,159

we were like kind of friends as kids you

870

00:34:07,990 --> 00:34:06,240

know we didn't like hang out every day

871

00:34:09,510 --> 00:34:08,000

we were a couple years apart we did have

872

00:34:10,389 --> 00:34:09,520

a mutual friend which was my neighbor

873

00:34:11,750 --> 00:34:10,399

but like

874

00:34:14,069 --> 00:34:11,760

dude i'm pretty sure we've been to the

875

00:34:16,790 --> 00:34:14,079

hike and bike together when we were kids

876

00:34:19,109 --> 00:34:16,800

oh yeah but but dude like this is like

877

00:34:20,790 --> 00:34:19,119

and if anybody asks you like joe you

878

00:34:23,750 --> 00:34:20,800

live taylor like everybody's like what's

879

00:34:26,710 --> 00:34:23,760

it what what's in taylor like

880

00:34:29,589 --> 00:34:26,720

like the hike and bike the hiking bike

881

00:34:30,869 --> 00:34:29,599

bro hell yeah it's it's so many miles

882

00:34:33,190 --> 00:34:30,879

dude i think it's like

883

00:34:34,470 --> 00:34:33,200

five miles

884

00:34:36,389 --> 00:34:34,480

it's pretty long

885

00:34:37,990 --> 00:34:36,399

it's huge it starts in one side of

886

00:34:40,629 --> 00:34:38,000

taylor and like literally goes to like

887

00:34:43,190 --> 00:34:40,639

the middle of it yeah yeah like

888

00:34:44,950 --> 00:34:43,200

the the uh epicenter of the hiking bike

889

00:34:46,950 --> 00:34:44,960

is this creek

890

00:34:48,790 --> 00:34:46,960

and uh all around it are like all these

891

00:34:50,389 --> 00:34:48,800

parks and like sidewalks and walkways

892

00:34:52,629 --> 00:34:50,399

and trees it's actually freaking

893

00:34:54,389 --> 00:34:52,639

beautiful man yeah it's great like what

894

00:34:55,750 --> 00:34:54,399

a great place uh

895

00:34:57,510 --> 00:34:55,760

luxurious here

896

00:34:58,630 --> 00:34:57,520

uh grow up as a kid dude i used to like

897

00:35:01,190 --> 00:34:58,640

go out

898

00:35:04,390 --> 00:35:01,200

uh like every day just ride my friggin

899

00:35:06,390 --> 00:35:04,400

bike yeah the hiking bike bro

900

00:35:08,630 --> 00:35:06,400

it's like nobody ever had to ask you

901
00:35:10,630 --> 00:35:08,640
where you were going as a kid you know

902
00:35:12,470 --> 00:35:10,640
where you going the hiking bike of

903
00:35:14,790 --> 00:35:12,480
course where the hell else am i going to

904
00:35:16,950 --> 00:35:14,800
go what else is there to do here except

905
00:35:19,030 --> 00:35:16,960
for tear up the rest of the streets that

906
00:35:20,870 --> 00:35:19,040
we just plowed through on our bikes

907
00:35:22,870 --> 00:35:20,880
every single day dude i know every

908
00:35:25,190 --> 00:35:22,880
single street and back road that there

909
00:35:26,710 --> 00:35:25,200
is in this town it's ridiculous i love

910
00:35:28,390 --> 00:35:26,720
it i may not know all the names but i

911
00:35:30,390 --> 00:35:28,400
know exactly where i'm going if i need

912
00:35:32,230 --> 00:35:30,400
to get there you know i know every

913
00:35:34,870 --> 00:35:32,240

single driveway that is like almost a

914

00:35:36,390 --> 00:35:34,880

ramp yeah

915

00:35:38,310 --> 00:35:36,400

oh that's that street oh yeah that's the

916

00:35:40,710 --> 00:35:38,320

one that you can get like like a foot of

917

00:35:42,710 --> 00:35:40,720

air yes yes

918

00:35:44,310 --> 00:35:42,720

dude yeah if you're on rollerblades

919

00:35:46,630 --> 00:35:44,320

really you could do a full 360 on that

920

00:35:49,190 --> 00:35:46,640

one remember back during our time dude

921

00:35:50,550 --> 00:35:49,200

when when uh when we were rollerblading

922

00:35:52,150 --> 00:35:50,560

we like

923

00:35:53,750 --> 00:35:52,160

for some reason

924

00:35:55,430 --> 00:35:53,760

taylor decided they want to start fixing

925

00:35:57,349 --> 00:35:55,440

their streets and they would all fix the

926

00:35:59,270 --> 00:35:57,359

streets that we like to rollerblade on

927

00:36:01,349 --> 00:35:59,280

and it would put the bumpy gravel in

928

00:36:03,510 --> 00:36:01,359

instead of that smooth nice worn down

929

00:36:04,790 --> 00:36:03,520

stuff that we used to skate on and then

930

00:36:06,230 --> 00:36:04,800

like we had to go skate in the shitty

931

00:36:07,910 --> 00:36:06,240

part of town which is all like moon

932

00:36:10,390 --> 00:36:07,920

craters

933

00:36:13,190 --> 00:36:10,400

yes but it was also very smooth because

934

00:36:14,550 --> 00:36:13,200

they were like so old yeah so it because

935

00:36:16,550 --> 00:36:14,560

some of it was actually kind of fun like

936

00:36:18,550 --> 00:36:16,560

over there uh but well by where you all

937

00:36:20,230 --> 00:36:18,560

live now there's some really cool like

938

00:36:22,069 --> 00:36:20,240

divots and stuff that are still there oh

939

00:36:23,190 --> 00:36:22,079

yeah they're like so smooth they're like

940

00:36:25,510 --> 00:36:23,200

you would think they would be they were

941

00:36:27,670 --> 00:36:25,520

like 80 years old that whole north side

942

00:36:30,150 --> 00:36:27,680

road dude it started up top and ended it

943

00:36:32,150 --> 00:36:30,160

down the middle of the hike a bike yes

944

00:36:34,630 --> 00:36:32,160

dude oh my god dude

945

00:36:37,430 --> 00:36:34,640

you're like blasting my brain with

946

00:36:39,670 --> 00:36:37,440

childhood dopamine right now dude we

947

00:36:41,190 --> 00:36:39,680

used to we used to do 360s off those

948

00:36:42,150 --> 00:36:41,200

five sets

949

00:36:50,310 --> 00:36:42,160

at

950

00:36:52,230 --> 00:36:50,320

pipe but because it was like night like

951
00:36:55,030 --> 00:36:52,240
90 degree angle or whatever like it

952
00:36:56,150 --> 00:36:55,040
wasn't swoopy but it was a stool it's

953
00:36:58,069 --> 00:36:56,160
kind of a quarter pipe and there was

954
00:36:59,829 --> 00:36:58,079
like that little ledge you could go up

955
00:37:01,030 --> 00:36:59,839
and like try to skateboard on it or if

956
00:37:02,310 --> 00:37:01,040
you're a roller blades it's pretty easy

957
00:37:04,630 --> 00:37:02,320
you go up there

958
00:37:05,910 --> 00:37:04,640
or soaps you mercilessly remember i had

959
00:37:09,430 --> 00:37:05,920
soaps

960
00:37:12,870 --> 00:37:09,440
dude

961
00:37:16,150 --> 00:37:12,880
we used to grind people's bumpers

962
00:37:17,589 --> 00:37:16,160
yes bro people we didn't like the guys

963
00:37:19,349 --> 00:37:17,599

that were like people they were like

964

00:37:29,590 --> 00:37:19,359

bullies or like dicks in high school we

965

00:37:35,589 --> 00:37:33,980

[Laughter]

966

00:37:37,510 --> 00:37:35,599

[Music]

967

00:37:38,870 --> 00:37:37,520

that was a good time dude

968

00:37:41,270 --> 00:37:38,880

man

969

00:37:43,349 --> 00:37:41,280

pass i know i hate i hated the whole

970

00:37:45,109 --> 00:37:43,359

school part of it though like you know

971

00:37:47,829 --> 00:37:45,119

how much time i just wasted in school

972

00:37:50,230 --> 00:37:47,839

when i could have been out like you know

973

00:37:52,230 --> 00:37:50,240

practicing my 360s or like finding

974

00:37:53,270 --> 00:37:52,240

better roads to rollerblade on you know

975

00:37:54,230 --> 00:37:53,280

fast

976
00:37:55,589 --> 00:37:54,240
dude

977
00:37:58,230 --> 00:37:55,599
so much time could have been spinning we

978
00:38:00,710 --> 00:37:58,240
could have been good at something

979
00:38:02,069 --> 00:38:00,720
instead of you know

980
00:38:05,109 --> 00:38:02,079
learning how to get yelled at by

981
00:38:07,190 --> 00:38:05,119
teachers who hate us yeah i don't care

982
00:38:08,470 --> 00:38:07,200
where the apostrophe goes

983
00:38:09,430 --> 00:38:08,480
you know

984
00:38:11,030 --> 00:38:09,440
just

985
00:38:13,510 --> 00:38:11,040
i don't want to write you anything

986
00:38:15,109 --> 00:38:13,520
anyways i just want to talk to you

987
00:38:17,109 --> 00:38:15,119
i just want to talk to my friends i just

988
00:38:19,109 --> 00:38:17,119

want to talk oh look at us now oh we

989

00:38:20,390 --> 00:38:19,119

have a podcast there we go

990

00:38:23,829 --> 00:38:20,400

i guess at all

991

00:38:26,230 --> 00:38:23,839

full circle dude oh my god

992

00:38:31,589 --> 00:38:26,240

i wonder if mr fark watches our show

993

00:38:34,470 --> 00:38:32,710

that would be so funny this is the

994

00:38:36,550 --> 00:38:34,480

farkama's pit get together every every

995

00:38:38,630 --> 00:38:36,560

thursday night drink wine with us that

996

00:38:40,630 --> 00:38:38,640

would be so funny dude

997

00:38:45,109 --> 00:38:40,640

oh my god

998

00:38:50,310 --> 00:38:47,990

108 year old ass man dude

999

00:38:52,870 --> 00:38:50,320

you know she's still alive too i bet oh

1000

00:38:55,349 --> 00:38:52,880

yeah dude she's she's protected for sure

1001

00:38:57,589 --> 00:38:55,359

she's a protected class sister karina

1002

00:38:59,910 --> 00:38:57,599

if y'all don't know me and joe we at one

1003

00:39:03,030 --> 00:38:59,920

point we all we both went to uh a

1004

00:39:06,310 --> 00:39:03,040

catholic uh school named uh st mary's in

1005

00:39:07,430 --> 00:39:06,320

in taylor texas and it was like

1006

00:39:09,750 --> 00:39:07,440

dude there was

1007

00:39:12,310 --> 00:39:09,760

corporal corporal punishment

1008

00:39:15,349 --> 00:39:12,320

was still a thing so we got we got hit

1009

00:39:18,230 --> 00:39:15,359

got those ruler bangs yes bro

1010

00:39:19,270 --> 00:39:18,240

dude and we had to say hail mary's

1011

00:39:20,950 --> 00:39:19,280

a lot

1012

00:39:23,190 --> 00:39:20,960

and if you messed up

1013

00:39:24,630 --> 00:39:23,200

man you're gonna be there all day

1014

00:39:26,230 --> 00:39:24,640

remember back in the day dude they be

1015

00:39:28,390 --> 00:39:26,240

like you have to say 15 you'd be like

1016

00:39:30,630 --> 00:39:28,400

that's gonna take me all day

1017

00:39:32,150 --> 00:39:30,640

yeah yeah instead of just like saying it

1018

00:39:34,069 --> 00:39:32,160

you would like cry for like the first

1019

00:39:35,750 --> 00:39:34,079

hour and a half

1020

00:39:38,150 --> 00:39:35,760

and then you would say like three of you

1021

00:39:39,910 --> 00:39:38,160

be like but i'm thirsty

1022

00:39:41,990 --> 00:39:39,920

i need something to drink and they were

1023

00:39:43,190 --> 00:39:42,000

like all right fine go and you come back

1024

00:39:45,060 --> 00:39:43,200

you say like two more you're like but

1025

00:39:47,670 --> 00:39:45,070

now i gotta go to the bathroom

1026

00:39:48,790 --> 00:39:47,680

[Music]

1027

00:39:50,550 --> 00:39:48,800

they're like you're gonna come back here

1028

00:39:51,829 --> 00:39:50,560

tomorrow if you don't finish these and

1029

00:39:53,910 --> 00:39:51,839

like you guys sit in the office at like

1030

00:39:56,470 --> 00:39:53,920

nine in the morning like 3 30. you

1031

00:39:58,310 --> 00:39:56,480

didn't even say eight of them yet yeah

1032

00:40:00,710 --> 00:39:58,320

you like spent all day complaining

1033

00:40:03,829 --> 00:40:00,720

you're like but it was lunch time

1034

00:40:05,270 --> 00:40:03,839

yeah hungries

1035

00:40:08,069 --> 00:40:05,280

i had some applesauce to eat they had

1036

00:40:10,550 --> 00:40:08,079

the best applesauce bro saint mary's uh

1037

00:40:12,630 --> 00:40:10,560

school had heck yeah they put i don't

1038

00:40:14,150 --> 00:40:12,640

know what if it was like extra sugar or

1039

00:40:15,990 --> 00:40:14,160

like something i don't know

1040

00:40:19,510 --> 00:40:16,000

came right out of the mods package for

1041

00:40:22,069 --> 00:40:19,520

all it was so good dude it was delicious

1042

00:40:24,230 --> 00:40:22,079

and that square bigfoot pizza pro

1043

00:40:27,589 --> 00:40:24,240

and the cheese look like [h__h] uh hot

1044

00:40:29,349 --> 00:40:27,599

glue man yes oh my god it was

1045

00:40:32,790 --> 00:40:29,359

it had like the almost almost

1046

00:40:34,870 --> 00:40:32,800

see-through meatballs on it yeah yeah

1047

00:40:36,790 --> 00:40:34,880

real crunchy oh

1048

00:40:38,470 --> 00:40:36,800

dude i used to like uh make noises with

1049

00:40:41,030 --> 00:40:38,480

jello through a straw

1050

00:40:43,750 --> 00:40:41,040

oh man sister karina would get so mad at

1051
00:40:49,750 --> 00:40:43,760
me what does the noise do a gel a jello

1052
00:40:55,910 --> 00:40:51,270
and then when they would make you all be

1053
00:40:57,670 --> 00:40:55,920
quiet they get real pissed you like zero

1054
00:40:59,270 --> 00:40:57,680
jello through a straw

1055
00:41:00,630 --> 00:40:59,280
and then uh coach pat will come over and

1056
00:41:02,309 --> 00:41:00,640
take you out

1057
00:41:04,790 --> 00:41:02,319
remember was it coach pat or was it

1058
00:41:08,870 --> 00:41:04,800
coach joe it was coach joe with the gray

1059
00:41:11,109 --> 00:41:08,880
hair the chick no coach edge edge

1060
00:41:14,309 --> 00:41:11,119
edge bro

1061
00:41:18,710 --> 00:41:16,630
no she was mean

1062
00:41:19,910 --> 00:41:18,720
uh oh i just remember her being badass i

1063
00:41:20,950 --> 00:41:19,920

don't know me and my brother talk about

1064

00:41:22,630 --> 00:41:20,960

that a lot

1065

00:41:24,870 --> 00:41:22,640

she was kind of mean though

1066

00:41:26,150 --> 00:41:24,880

she had to be we were [h__h]

1067

00:41:27,589 --> 00:41:26,160

um we're back

1075

00:41:42,550 --> 00:41:40,640

uh

1076
00:41:45,190 --> 00:41:42,560
joseph lamotte dude

1077
00:41:47,589 --> 00:41:45,200

1078
00:41:49,510 --> 00:41:47,599
and ben let's see this comic

1079
00:41:52,630 --> 00:41:49,520
brethren we have

1080
00:41:55,349 --> 00:41:52,640
traveled eons to finally import our

1081
00:41:57,589 --> 00:41:55,359
greatest in part our greatest knowledge

1082
00:42:01,430 --> 00:41:57,599
the creation of

1083
00:42:05,510 --> 00:42:03,589
incredible

1084
00:42:08,309 --> 00:42:05,520
the humans have mastered large triangles

1085
00:42:09,210 --> 00:42:08,319
without us and check that cat check out

1086
00:42:11,270 --> 00:42:09,220
that cat dude

1087
00:42:12,790 --> 00:42:11,280
[Laughter]

1088
00:42:14,230 --> 00:42:12,800

cat dude

1089

00:42:19,430 --> 00:42:14,240

i've

1090

00:42:21,510 --> 00:42:19,440

of a thousand dimensions

1091

00:42:23,270 --> 00:42:21,520

oh that's not the whole thing oh okay

1092

00:42:26,630 --> 00:42:23,280

and i have never seen anything as cool

1093

00:42:29,750 --> 00:42:26,640

as that [h__h] cat dude

1094

00:42:31,990 --> 00:42:29,760

i love that i love that so much

1095

00:42:34,390 --> 00:42:32,000

if you could go to like a primitive

1096

00:42:37,190 --> 00:42:34,400

civilization and show them something

1097

00:42:40,069 --> 00:42:37,200

cool what would you show them

1098

00:42:42,870 --> 00:42:40,079

oh my god churros

1099

00:42:45,430 --> 00:42:42,880

um that's pretty awesome

1100

00:42:48,150 --> 00:42:45,440

hold on you think you say yours and i'm

1101

00:42:50,950 --> 00:42:48,160

going to think of mine again

1102

00:42:54,630 --> 00:42:50,960

something better than churros um

1103

00:42:57,349 --> 00:42:54,640

i was so upon you churros

1104

00:43:02,870 --> 00:42:59,430

their [h__h] deal is so good

1105

00:43:03,750 --> 00:43:02,880

they the gods gave a sweet bark to chew

1106

00:43:06,470 --> 00:43:03,760

of

1107

00:43:08,950 --> 00:43:06,480

[h__h] bark yes it does look like barf

1108

00:43:11,990 --> 00:43:08,960

it was the it was the golden bark of

1109

00:43:13,349 --> 00:43:12,000

god's trees

1110

00:43:15,670 --> 00:43:13,359

that would be

1111

00:43:18,069 --> 00:43:15,680

yeah that's that's that's god's fruit

1112

00:43:20,710 --> 00:43:18,079

hold it thou bark in the sunlight and

1113

00:43:21,670 --> 00:43:20,720

see it shimmer i think

1114

00:43:23,589 --> 00:43:21,680

because i don't know if you know this

1115

00:43:26,230 --> 00:43:23,599

dude but but if you hold the truth in

1116

00:43:28,550 --> 00:43:26,240

the sunlight it shimmers like a like a

1117

00:43:30,069 --> 00:43:28,560

like a golden stick i don't know if you

1118

00:43:31,990 --> 00:43:30,079

know this dude i don't know if you knew

1119

00:43:35,829 --> 00:43:32,000

this but

1120

00:43:40,309 --> 00:43:38,470

yeah what would we give a civilization

1121

00:43:42,069 --> 00:43:40,319

if we were if we were to travel eons and

1122

00:43:43,670 --> 00:43:42,079

give a little civilization like one

1123

00:43:46,309 --> 00:43:43,680

thing

1124

00:43:48,470 --> 00:43:46,319

element i like that i like weed because

1125

00:43:51,190 --> 00:43:48,480

it expands your mind it creates

1126

00:43:54,710 --> 00:43:51,200

creativity for some some

1127

00:43:56,150 --> 00:43:54,720

insane paranoia a paranoia

1128

00:43:59,190 --> 00:43:56,160

paranoia

1129

00:44:00,150 --> 00:43:59,200

uh a lot of creativity a lot of stuff

1130

00:44:02,710 --> 00:44:00,160

yeah

1131

00:44:03,670 --> 00:44:02,720

oh man uh what about

1132

00:44:04,630 --> 00:44:03,680

uh

1133

00:44:05,510 --> 00:44:04,640

oh

1134

00:44:07,750 --> 00:44:05,520

hmm

1135

00:44:09,829 --> 00:44:07,760

damn there's just so many good things

1136

00:44:12,470 --> 00:44:09,839

that you could give a civilization i see

1137

00:44:16,069 --> 00:44:12,480

why like it's hard like i see why

1138

00:44:17,910 --> 00:44:16,079

ancient gods are like um here's fire

1139

00:44:19,030 --> 00:44:17,920

that's why they had the bag the purse

1140

00:44:21,510 --> 00:44:19,040

because they're like i got a lot of

1141

00:44:23,109 --> 00:44:21,520

stuff yeah yeah

1142

00:44:23,990 --> 00:44:23,119

the anunnaki's with the purse they're

1143

00:44:28,150 --> 00:44:24,000

like

1144

00:44:30,390 --> 00:44:28,160

to give them a cell phone

1145

00:44:32,630 --> 00:44:30,400

do you want to give them like i don't

1146

00:44:35,430 --> 00:44:33,589

because then they don't have any

1147

00:44:37,349 --> 00:44:35,440

internet so then what's the point right

1148

00:44:38,790 --> 00:44:37,359

but then it's like

1149

00:44:41,109 --> 00:44:38,800

you can't just like blow their minds

1150

00:44:42,390 --> 00:44:41,119

with like a personal male masturbator

1151
00:44:43,589 --> 00:44:42,400
right because like then they're gonna

1152
00:44:45,270 --> 00:44:43,599
run out of batteries and they're gonna

1153
00:44:47,910 --> 00:44:45,280
be like why

1154
00:44:50,150 --> 00:44:47,920
and like yeah no that's those are all

1155
00:44:52,309 --> 00:44:50,160
great points

1156
00:44:54,470 --> 00:44:52,319
like the map like the the the battery

1157
00:44:56,950 --> 00:44:54,480
like you can't give somebody a

1158
00:44:59,349 --> 00:44:56,960
technology that hasn't been established

1159
00:45:01,910 --> 00:44:59,359
as a as a refundable source or whatever

1160
00:45:03,990 --> 00:45:01,920
right right replenishable and like

1161
00:45:05,750 --> 00:45:04,000
everything that's cool like that i'm

1162
00:45:07,910 --> 00:45:05,760
looking at has like batteries or like

1163
00:45:10,150 --> 00:45:07,920

electricity to it

1164

00:45:11,030 --> 00:45:10,160

so oh my god dude i think you just did

1165

00:45:12,790 --> 00:45:11,040

it

1166

00:45:14,069 --> 00:45:12,800

so like if you were traveling to a

1167

00:45:15,990 --> 00:45:14,079

different planet and were to give them

1168

00:45:17,670 --> 00:45:16,000

something like you wouldn't choose

1169

00:45:19,190 --> 00:45:17,680

something technological that relies on

1170

00:45:21,190 --> 00:45:19,200

like electricity if if they haven't

1171

00:45:23,430 --> 00:45:21,200

gotten there yet right can be something

1172

00:45:25,430 --> 00:45:23,440

electronic can't be it would have to be

1173

00:45:26,790 --> 00:45:25,440

something mechanical but not made of

1174

00:45:30,710 --> 00:45:26,800

metal because they haven't figured out

1175

00:45:32,470 --> 00:45:30,720

metal yet yeah uh it can't uh can't

1176

00:45:34,550 --> 00:45:32,480

can have to only like

1177

00:45:36,390 --> 00:45:34,560

have to exist in a dark room because all

1178

00:45:37,750 --> 00:45:36,400

they have is like fire and then they'll

1179

00:45:40,950 --> 00:45:37,760

suffocate so it's gotta be something

1180

00:45:43,430 --> 00:45:40,960

really specific and i think arlene uh

1181

00:45:45,990 --> 00:45:43,440

atkins zell

1182

00:45:47,030 --> 00:45:46,000

uh introduced uh she says uh or yeah

1183

00:45:49,670 --> 00:45:47,040

introduce

1184

00:45:52,309 --> 00:45:49,680

them to quality shrooms

1185

00:45:54,790 --> 00:45:52,319

i mean that's the building block of like

1186

00:45:57,270 --> 00:45:54,800

awakenings for a lot of people i mean it

1187

00:45:58,550 --> 00:45:57,280

was for me so it's a building block of

1188

00:46:01,910 --> 00:45:58,560

all life

1189

00:46:04,630 --> 00:46:01,920
oh [h__h] the mushroom right

1190

00:46:06,069 --> 00:46:04,640
yeah yeah like um

1191

00:46:07,190 --> 00:46:06,079
it's oh dude i think you've said this

1192

00:46:09,589 --> 00:46:07,200
before we were talking about like

1193

00:46:11,030 --> 00:46:09,599
mycelium and that that mushroom like

1194

00:46:13,670 --> 00:46:11,040
what you see on top of the ground is

1195

00:46:16,870 --> 00:46:13,680
actually like the fruit the fruiting

1196

00:46:19,829 --> 00:46:16,880
part of the ecosystem yeah yeah it's

1197

00:46:20,870 --> 00:46:19,839
it's uh i mean you could call it

1198

00:46:24,230 --> 00:46:20,880
saying

1199

00:46:26,100 --> 00:46:24,240
fruiting or like flowering or budding or

1200

00:46:27,190 --> 00:46:26,110
like it's just a uh

1201

00:46:30,309 --> 00:46:27,200

[Music]

1202

00:46:33,109 --> 00:46:30,319

a blanket term for sprouting

1203

00:46:34,390 --> 00:46:33,119

or doing its thing sporing well no the

1204

00:46:36,150 --> 00:46:34,400

spore is like the

1205

00:46:39,430 --> 00:46:36,160

the seed part but like

1206

00:46:41,589 --> 00:46:39,440

the the comeuppance in it good to come

1207

00:46:45,829 --> 00:46:41,599

up and burn

1208

00:46:51,589 --> 00:46:48,390

uh yeah so like the the

1209

00:46:53,750 --> 00:46:51,599

main part of a a fungus is actually

1210

00:46:58,150 --> 00:46:53,760

underground and what you see is like the

1211

00:46:59,510 --> 00:46:58,160

the reproductive organ and so it's like

1212

00:47:01,349 --> 00:46:59,520

yep

1213

00:47:02,870 --> 00:47:01,359

just like a flower when the flower opens

1214

00:47:06,390 --> 00:47:02,880

and it has the

1215

00:47:07,829 --> 00:47:06,400

the nectar inside of it the seeds yeah

1216

00:47:09,910 --> 00:47:07,839

for all

1217

00:47:12,390 --> 00:47:09,920

i'm forgetting the the what the uh

1218

00:47:14,790 --> 00:47:12,400

psilocybin there you go

1219

00:47:17,829 --> 00:47:14,800

the nipples the brown nipple of the

1220

00:47:21,270 --> 00:47:18,630

dude

1221

00:47:22,710 --> 00:47:21,280

hey i've seen these in my yard

1222

00:47:24,870 --> 00:47:22,720

and apparently they're very poisonous

1223

00:47:27,030 --> 00:47:24,880

like they're not what i thought they i

1224

00:47:28,790 --> 00:47:27,040

was they're not those they're not the

1225

00:47:30,870 --> 00:47:28,800

good ones yeah i think you gotta like

1226

00:47:32,950 --> 00:47:30,880

you tell from like underneath of them or

1227

00:47:35,510 --> 00:47:32,960

something yeah they did not turn purple

1228

00:47:37,030 --> 00:47:35,520

they were like gilly and white they were

1229

00:47:39,030 --> 00:47:37,040

like supposed to be like purple or like

1230

00:47:42,710 --> 00:47:39,040

they they bruise

1231

00:47:44,470 --> 00:47:42,720

and stuff but dude i was very hopeful

1232

00:47:46,549 --> 00:47:44,480

you were like oh

1233

00:47:49,270 --> 00:47:46,559

it's a sign from the gods

1234

00:47:50,630 --> 00:47:49,280

i thought it kind of was dude

1235

00:47:54,870 --> 00:47:50,640

and then you're like oh they're trying

1236

00:47:58,230 --> 00:47:56,390

justin says he would give them bic

1237

00:47:59,589 --> 00:47:58,240

lighters uh to a different uh

1238

00:48:01,430 --> 00:47:59,599

civilization

1239

00:48:04,309 --> 00:48:01,440

that'd be cool

1240

00:48:07,430 --> 00:48:04,319

explain to them how to make flint

1241

00:48:11,109 --> 00:48:07,440

hey yeah well like to you yeah like to

1242

00:48:13,349 --> 00:48:11,119

you like music yeah yeah i love that

1243

00:48:15,349 --> 00:48:13,359

um melissa nicole thank you uh thank you

1244

00:48:17,510 --> 00:48:15,359

for your your kind comment about she

1245

00:48:21,270 --> 00:48:17,520

said but i love the ufo behind you with

1246

00:48:26,309 --> 00:48:24,150

i love that look like i tried but it

1247

00:48:28,069 --> 00:48:26,319

does look like i got a lot of funny

1248

00:48:31,190 --> 00:48:28,079

comments on twitter they're like it's

1249

00:48:33,829 --> 00:48:31,200

like grimace with a sombrero

1250

00:48:36,470 --> 00:48:33,839

somebody was like a very excited or it

1251

00:48:38,630 --> 00:48:36,480

was like eggplant with uh

1252

00:48:40,549 --> 00:48:38,640

with the ufo is like dragging off doing

1253

00:48:41,910 --> 00:48:40,559

ah there was some funny [h__h] that's

1254

00:48:42,870 --> 00:48:41,920

awesome

1255

00:48:44,790 --> 00:48:42,880

uh

1256

00:48:48,790 --> 00:48:44,800

that's [h__h] funny um

1257

00:48:50,069 --> 00:48:48,800

would you give them like uh

1258

00:48:55,750 --> 00:48:50,079

would you

1259

00:49:00,230 --> 00:48:58,870

batteries remember batteries yes see you

1260

00:49:01,910 --> 00:49:00,240

run out of batteries but the led would

1261

00:49:03,750 --> 00:49:01,920

last for a long time so there'd be a lot

1262

00:49:05,430 --> 00:49:03,760

of parties happening you know

1263

00:49:06,790 --> 00:49:05,440

like have you ever seen uh the gods must

1264

00:49:08,390 --> 00:49:06,800

be crazy

1265

00:49:10,950 --> 00:49:08,400

ah with the

1266

00:49:13,270 --> 00:49:10,960

little african tribe and like these

1267

00:49:14,549 --> 00:49:13,280

these people are flying over an airplane

1268

00:49:16,230 --> 00:49:14,559

and one of them is drinking a coke

1269

00:49:18,870 --> 00:49:16,240

bottle and he throws a coke bottle out

1270

00:49:20,470 --> 00:49:18,880

the window and it lands and they're like

1271

00:49:22,069 --> 00:49:20,480

it's a gift from the gods and they start

1272

00:49:23,829 --> 00:49:22,079

using it as a tool

1273

00:49:25,430 --> 00:49:23,839

and like making food and then the tribe

1274

00:49:27,510 --> 00:49:25,440

starts to fight over it and nobody's

1275

00:49:28,790 --> 00:49:27,520

ever fought in the tribe before and they

1276

00:49:30,470 --> 00:49:28,800

thought to themselves the chief was like

1277

00:49:32,790 --> 00:49:30,480

well the gods must be crazy take this

1278

00:49:34,870 --> 00:49:32,800

back to them so he sends a tribe member

1279

00:49:37,510 --> 00:49:34,880

out to the end of the earth to go see

1280

00:49:39,190 --> 00:49:37,520

the gods to go give them their tool back

1281

00:49:41,190 --> 00:49:39,200

and you think about it and it's like man

1282

00:49:43,030 --> 00:49:41,200

we still have people like that today

1283

00:49:45,190 --> 00:49:43,040

here

1284

00:49:47,190 --> 00:49:45,200

can you imagine like like what would you

1285

00:49:51,109 --> 00:49:47,200

introduce to like somebody right here on

1286

00:49:53,430 --> 00:49:51,119

our own planet dude you know damn

1287

00:49:54,710 --> 00:49:53,440

that kind of blows my mind

1288

00:49:55,589 --> 00:49:54,720

yeah

1289

00:49:58,390 --> 00:49:55,599

and like

1290

00:50:01,109 --> 00:49:58,400

if you sent one of them to like an even

1291

00:50:02,790 --> 00:50:01,119

more primitive time yeah you know like

1292

00:50:04,710 --> 00:50:02,800

what could they teach like more

1293

00:50:06,309 --> 00:50:04,720

primitive people

1294

00:50:08,069 --> 00:50:06,319

that'd be crazy to take like a real

1295

00:50:10,069 --> 00:50:08,079

primitive person

1296

00:50:11,750 --> 00:50:10,079

and like send them back to like another

1297

00:50:14,069 --> 00:50:11,760

period of time

1298

00:50:15,650 --> 00:50:14,079

like who would like you know he would

1299

00:50:16,870 --> 00:50:15,660

always he would automatically be like

1300

00:50:20,390 --> 00:50:16,880

[Music]

1301

00:50:22,470 --> 00:50:20,400

i'm in a chair king of the castle yeah

1302

00:50:25,030 --> 00:50:22,480

he would all automatically be

1303

00:50:29,270 --> 00:50:25,040

like like very pompous

1304

00:50:29,280 --> 00:50:33,589

that might be a bad idea yeah

1305

00:50:38,870 --> 00:50:36,230

uh yeah [\h__\h] like fire fires uh that's

1306

00:50:40,790 --> 00:50:38,880

the og right i mean we talked about

1307

00:50:43,030 --> 00:50:40,800

i guess the the flint yeah

1308

00:50:45,109 --> 00:50:43,040

but like that's fire's not

1309

00:50:47,349 --> 00:50:45,119

it's a tool it's a technology but it's

1310

00:50:49,510 --> 00:50:47,359

also like the the

1311

00:50:51,030 --> 00:50:49,520

the end result of of of a technology

1312

00:50:52,470 --> 00:50:51,040

it's like the

1313

00:50:55,430 --> 00:50:52,480

oh what do you like there's a word for

1314

00:50:57,750 --> 00:50:55,440

that like it's um the en means to an

1315

00:51:00,390 --> 00:50:57,760

ends or it's it's like the doing of but

1316

00:51:02,549 --> 00:51:00,400

you need a technology to to do that that

1317

00:51:04,710 --> 00:51:02,559

verve that thing like which is fire or

1318

00:51:06,549 --> 00:51:04,720

whatever yeah

1319

00:51:08,870 --> 00:51:06,559

champ thank you so much for that uh

1320

00:51:11,109 --> 00:51:08,880

super chat dude party heart bro hell

1321

00:51:13,109 --> 00:51:11,119

yeah

1322

00:51:15,670 --> 00:51:13,119

i like it

1323

00:51:16,950 --> 00:51:15,680

um but like yeah so

1324

00:51:18,309 --> 00:51:16,960

thinking about that concept like you

1325

00:51:20,230 --> 00:51:18,319

can't just give somebody like a

1326

00:51:22,390 --> 00:51:20,240

technology that relies on another

1327

00:51:24,150 --> 00:51:22,400

technology you have to give them ideas

1328

00:51:26,150 --> 00:51:24,160

and inspiration

1329

00:51:28,390 --> 00:51:26,160

i think i think we all do that every

1330

00:51:29,829 --> 00:51:28,400

single day in our subconscious

1331

00:51:31,670 --> 00:51:29,839

you know they're like hey the full

1332

00:51:33,829 --> 00:51:31,680

coffee would be no

1333

00:51:36,230 --> 00:51:33,839

that will copy somebody else

1334

00:51:37,750 --> 00:51:36,240

original nothing to do do you think that

1335

00:51:39,750 --> 00:51:37,760

sometimes maybe

1336

00:51:41,270 --> 00:51:39,760

like i always think about how like the

1337

00:51:42,309 --> 00:51:41,280

inspirations

1338

00:51:52,230 --> 00:51:42,319

like

1339

00:51:53,990 --> 00:51:52,240

that artistic thought you have to create

1340

00:51:55,030 --> 00:51:54,000

something that ends up kind of changing

1341

00:51:56,630 --> 00:51:55,040

the world

1342

00:51:57,829 --> 00:51:56,640

on a bigger scale

1343

00:52:00,390 --> 00:51:57,839

you know

1344

00:52:02,549 --> 00:52:00,400

i love oh my god okay so so you're

1345

00:52:04,870 --> 00:52:02,559

saying that that progression and

1346

00:52:06,230 --> 00:52:04,880

technology

1347

00:52:08,549 --> 00:52:06,240

ultimately

1348

00:52:09,510 --> 00:52:08,559

starts with the inspiration from an

1349

00:52:12,390 --> 00:52:09,520

artist

1350

00:52:13,510 --> 00:52:12,400

yeah so they they dude this is lining up

1351
00:52:14,790 --> 00:52:13,520
because

1352
00:52:15,829 --> 00:52:14,800
dude i've been thinking about this man

1353
00:52:25,670 --> 00:52:15,839
like

1354
00:52:27,349 --> 00:52:25,680
from

1355
00:52:31,430 --> 00:52:27,359
i don't know where do your ideas come

1356
00:52:31,440 --> 00:52:35,270
um

1357
00:52:41,430 --> 00:52:38,710
mostly

1358
00:52:44,630 --> 00:52:41,440
[Music]

1359
00:52:50,710 --> 00:52:48,150
other other artists right yeah

1360
00:52:52,230 --> 00:52:50,720
so like it's like a building effect

1361
00:52:53,910 --> 00:52:52,240
and then like well a lot of artists say

1362
00:52:56,069 --> 00:52:53,920
like it just comes out of the ether like

1363
00:52:57,349 --> 00:52:56,079

you just you don't really possess it you

1364

00:52:58,950 --> 00:52:57,359

just kind of

1365

00:53:01,190 --> 00:52:58,960

you hold on to it for a little bit you

1366

00:53:02,870 --> 00:53:01,200

use it ever you plug in

1367

00:53:05,430 --> 00:53:02,880

to it and you express

1368

00:53:07,190 --> 00:53:05,440

how you interpret that that inspiration

1369

00:53:08,069 --> 00:53:07,200

and there's probably a [\h__\h] ton of other

1370

00:53:10,150 --> 00:53:08,079

people

1371

00:53:11,589 --> 00:53:10,160

tapping into that main line

1372

00:53:13,670 --> 00:53:11,599

and expressing

1373

00:53:14,630 --> 00:53:13,680

their interpretation in their own way

1374

00:53:17,670 --> 00:53:14,640

sometimes

1375

00:53:20,069 --> 00:53:17,680

a lot at the same exact time and that's

1376

00:53:21,190 --> 00:53:20,079

you know a lot of ideas and even like

1377

00:53:22,950 --> 00:53:21,200

songs

1378

00:53:25,190 --> 00:53:22,960

um

1379

00:53:26,150 --> 00:53:25,200

visual and audible and all that stuff

1380

00:53:28,150 --> 00:53:26,160

but

1381

00:53:30,150 --> 00:53:28,160

i i just find that [h__h] super

1382

00:53:31,109 --> 00:53:30,160

interesting yeah it's cool how like you

1383

00:53:33,670 --> 00:53:31,119

know like

1384

00:53:36,069 --> 00:53:33,680

sometimes uh you say like an engineer

1385

00:53:38,230 --> 00:53:36,079

right he's designing a building right

1386

00:53:39,910 --> 00:53:38,240

it's very like

1387

00:53:42,790 --> 00:53:39,920

technological but like he throws his

1388

00:53:45,349 --> 00:53:42,800

headphones in and all of a sudden

1389

00:53:46,790 --> 00:53:45,359

he creates some like crazy [h__\h] you know

1390

00:53:50,390 --> 00:53:46,800

that like he's actually pushing the

1391

00:53:52,549 --> 00:53:50,400

boundaries of what technology can do

1392

00:53:55,750 --> 00:53:52,559

because of like the music he's listening

1393

00:53:57,270 --> 00:53:55,760

to yeah the inspiration some people get

1394

00:53:58,470 --> 00:53:57,280

like looking at a piece of art and then

1395

00:54:01,349 --> 00:53:58,480

being like

1396

00:54:02,630 --> 00:54:01,359

[h__\h] that dna sequence oh my god it was

1397

00:54:04,470 --> 00:54:02,640

right there the whole time you know like

1398

00:54:06,549 --> 00:54:04,480

just weird inspiration

1399

00:54:09,430 --> 00:54:06,559

from art where it may not even seem

1400

00:54:10,950 --> 00:54:09,440

connected you know but like it is

1401
00:54:12,069 --> 00:54:10,960
certain things vibrate with certain

1402
00:54:13,270 --> 00:54:12,079
people

1403
00:54:15,030 --> 00:54:13,280
you know

1404
00:54:16,790 --> 00:54:15,040
dude yes

1405
00:54:19,589 --> 00:54:16,800
uh i'm looking i'm looking you just

1406
00:54:21,030 --> 00:54:19,599
reminded me of this uh architecture

1407
00:54:24,150 --> 00:54:21,040
that uh arc

1408
00:54:26,150 --> 00:54:24,160
architect architect that uh wasn't got

1409
00:54:27,910 --> 00:54:26,160
inspired by

1410
00:54:29,829 --> 00:54:27,920
working with uh he saw this like art

1411
00:54:32,549 --> 00:54:29,839
piece that was being made from like

1412
00:54:35,270 --> 00:54:32,559
strings and bubbles so like the artist

1413
00:54:38,069 --> 00:54:35,280

would would would make a uh

1414

00:54:40,230 --> 00:54:38,079

an art piece out of rope and string it

1415

00:54:42,309 --> 00:54:40,240

was like this intricate piece

1416

00:54:44,150 --> 00:54:42,319

and dip it into like soapy water pull it

1417

00:54:46,549 --> 00:54:44,160

out and make bubbles out of it and those

1418

00:54:49,670 --> 00:54:46,559

bubbles would stay and then kind of all

1419

00:54:51,510 --> 00:54:49,680

self-correct into the most efficient

1420

00:54:52,710 --> 00:54:51,520

like structural

1421

00:54:55,270 --> 00:54:52,720

way so

1422

00:54:57,750 --> 00:54:55,280

this dude that would that designed uh

1423

00:54:59,349 --> 00:54:57,760

these canvas roofs

1424

00:55:01,349 --> 00:54:59,359

that are still this this technique is

1425

00:55:02,710 --> 00:55:01,359

actually still used today where if you

1426

00:55:05,349 --> 00:55:02,720

take the dimensions of a certain

1427

00:55:07,270 --> 00:55:05,359

structure if you have uh if you set like

1428

00:55:09,990 --> 00:55:07,280

an even number of spaces out and like

1429

00:55:11,670 --> 00:55:10,000

find your center point or however many

1430

00:55:13,589 --> 00:55:11,680

uh different center points that makes me

1431

00:55:15,750 --> 00:55:13,599

think of like the denver airport

1432

00:55:17,589 --> 00:55:15,760

but if you if you plan that out and then

1433

00:55:20,230 --> 00:55:17,599

drop strings and then do bubbles and

1434

00:55:23,589 --> 00:55:20,240

like the bubbles will find the most like

1435

00:55:25,349 --> 00:55:23,599

path of least resistance no structural

1436

00:55:27,430 --> 00:55:25,359

integrity it's i'm probably not

1437

00:55:29,510 --> 00:55:27,440

explaining it exactly right but like

1438

00:55:31,030 --> 00:55:29,520

using nature like that like coming from

1439

00:55:32,789 --> 00:55:31,040

art being uh

1440

00:55:34,390 --> 00:55:32,799

affected by art and like right in the

1441

00:55:35,430 --> 00:55:34,400

real world that's i think that i think

1442

00:55:37,829 --> 00:55:35,440

you're onto something with that dude

1443

00:55:38,950 --> 00:55:37,839

yeah it's a real inspiration you know

1444

00:55:41,190 --> 00:55:38,960

yeah

1445

00:55:43,750 --> 00:55:41,200

uh mr crowley thank you for that uh

1446

00:55:45,349 --> 00:55:43,760

super chat bro hell yeah

1447

00:55:47,589 --> 00:55:45,359

yeah

1448

00:55:49,829 --> 00:55:47,599

he says dude the beard is gone oh my god

1449

00:55:54,390 --> 00:55:49,839

did you did he shave his beard off what

1450

00:55:58,710 --> 00:55:56,549

your beard is gone now

1451
00:56:00,549 --> 00:55:58,720
now you have a weird beard well good

1452
00:56:01,829 --> 00:56:00,559
because it doesn't exist

1453
00:56:02,950 --> 00:56:01,839
i wanna

1454
00:56:05,190 --> 00:56:02,960
uh

1455
00:56:08,150 --> 00:56:05,200
i want to rub rub faces come come rub

1456
00:56:10,150 --> 00:56:08,160
faces with me yeah dude come on come on

1457
00:56:12,549 --> 00:56:10,160
get over yourself

1458
00:56:15,270 --> 00:56:12,559
yeah kill yourself dude run face with me

1459
00:56:18,069 --> 00:56:15,280
wes decker dude thanks a lot man heck

1460
00:56:19,910 --> 00:56:18,079
yeah oh nice you're from austin

1461
00:56:22,630 --> 00:56:19,920
that's what's up dude let's meet up and

1462
00:56:25,190 --> 00:56:22,640
talk alien sometime

1463
00:56:27,510 --> 00:56:25,200

well yeah dude thank you so much man

1464

00:56:30,390 --> 00:56:27,520

wait uh we're cool local listener i like

1465

00:56:31,990 --> 00:56:30,400

it that's awesome wes decker dude hell

1466

00:56:34,549 --> 00:56:32,000

yeah

1467

00:56:35,589 --> 00:56:34,559

we are uh we are austinites ourselves

1468

00:56:37,030 --> 00:56:35,599

well

1469

00:56:39,349 --> 00:56:37,040

we live a little

1470

00:56:40,789 --> 00:56:39,359

a little outside of town but

1471

00:56:43,030 --> 00:56:40,799

at heart

1472

00:56:45,190 --> 00:56:43,040

we all came from there we we grew up we

1473

00:56:48,710 --> 00:56:45,200

were playing music on sixth street dude

1474

00:56:52,710 --> 00:56:48,720

we all lived there for many many years

1475

00:56:54,549 --> 00:56:52,720

many millennials yeah but dude it's uh

1476

00:56:56,230 --> 00:56:54,559

it's it's that time man this was a

1477

00:56:58,630 --> 00:56:56,240

pretty good one this was chill we got

1478

00:57:00,789 --> 00:56:58,640

into some folklore right we went down

1479

00:57:02,549 --> 00:57:00,799

the feed talked about what we would give

1480

00:57:04,950 --> 00:57:02,559

an ancient civilization if we ever met

1481

00:57:07,430 --> 00:57:04,960

him yep

1482

00:57:09,270 --> 00:57:07,440

i want to try uh well i want to uh keep

1483

00:57:11,349 --> 00:57:09,280

talking uh i'm gonna pull up one more

1484

00:57:13,589 --> 00:57:11,359

00:57:15,309 --> 00:57:13,599

1498

00:57:43,430 --> 00:57:41,520

of the quarter

1499

00:57:44,950 --> 00:57:43,440

uh let's make that happen that's going

1500

00:57:46,150 --> 00:57:44,960

to be really awesome we got to find them

1501
00:57:49,270 --> 00:57:46,160
a new home

1502
00:57:51,990 --> 00:57:49,280
uh after covid and everybody moving into

1503
00:57:53,430 --> 00:57:52,000
austin i mean rent prices went crazy

1504
00:57:55,030 --> 00:57:53,440
things got a little wild and they lost

1505
00:57:56,309 --> 00:57:55,040
their home but like it's important that

1506
00:57:58,390 --> 00:57:56,319
we find these guys a new home because

1507
00:57:59,829 --> 00:57:58,400
they got a lot of cool stuff there and

1508
00:58:01,030 --> 00:57:59,839
uh man bill want to go check it out

1509
00:58:02,390 --> 00:58:01,040
again so

1510
00:58:05,510 --> 00:58:02,400
let's help them out they're really

1511
00:58:08,309 --> 00:58:05,520
awesome anomaly archives

1512
00:58:09,670 --> 00:58:08,319
anomaly archives that's already

1513
00:58:11,750 --> 00:58:09,680

something else uh i'm gonna come up with

1514

00:58:13,750 --> 00:58:11,760

some something better

1515

00:58:16,390 --> 00:58:13,760

we need a new jingle we'll get back to

1516

00:58:17,750 --> 00:58:16,400

you we'll get back to you anonymity okay

1517

00:58:18,950 --> 00:58:17,760

that's the same exact song all right

1518

00:58:20,309 --> 00:58:18,960

i'll think about it it's a little

1519

00:58:24,870 --> 00:58:20,319

different dude you kind of turn it into

1520

00:58:29,030 --> 00:58:27,030

let's just put an accent on it

1521

00:58:31,270 --> 00:58:29,040

you're invited

1522

00:58:33,829 --> 00:58:31,280

we got time we got time family on we got

1523

00:58:36,309 --> 00:58:33,839

time we do it's coming up november yeah

1524

00:58:38,390 --> 00:58:36,319

it's a long time away uh we're gonna do

1525

00:58:40,309 --> 00:58:38,400

but it'll be here before we know it

1526

00:58:41,910 --> 00:58:40,319

that's true that i mean

1527

00:58:44,390 --> 00:58:41,920

you think about it we're gonna be like

1528

00:58:45,750 --> 00:58:44,400

[h__\h] it's november next month it's a new

1529

00:58:48,470 --> 00:58:45,760

for real though

1530

00:58:51,109 --> 00:58:48,480

that you already know yeah yeah uh

1531

00:58:52,309 --> 00:58:51,119

that's gonna be fun dude uh

1532

00:58:55,670 --> 00:58:52,319

literally just anybody that wants to

1533

00:58:57,430 --> 00:58:55,680

come we've got some ogs uh some family

1534

00:58:58,870 --> 00:58:57,440

ufo garage family members already

1535

00:59:00,630 --> 00:58:58,880

rsvp'ing

1536

00:59:03,190 --> 00:59:00,640

it's gonna be a great time uh we're

1537

00:59:05,589 --> 00:59:03,200

gonna sky watch we're gonna

1538

00:59:08,069 --> 00:59:05,599

roast some weenies

1539

00:59:10,950 --> 00:59:08,079

yup hamburgers some weenies there's some

1540

00:59:11,990 --> 00:59:10,960

mayonnaise some hamburger shop

1541

00:59:13,510 --> 00:59:12,000

dude hey

1542

00:59:15,430 --> 00:59:13,520

check this out man

1543

00:59:16,390 --> 00:59:15,440

depending on how many keystone lights we

1544

00:59:20,150 --> 00:59:16,400

can bring

1545

00:59:22,069 --> 00:59:20,160

i'm willing to do a damn brisket

1546

00:59:23,670 --> 00:59:22,079

you're going to need a lot of keystone

1547

00:59:26,309 --> 00:59:23,680

yeah we're going to go through quite a

1548

00:59:28,150 --> 00:59:26,319

bit of keystone yep let's do it i will

1549

00:59:30,309 --> 00:59:28,160

drink the entire time

1550

00:59:33,349 --> 00:59:30,319

if we if we do brisket i'm going to be

1551

00:59:34,549 --> 00:59:33,359

worthless on the hike the next day

1552

00:59:35,910 --> 00:59:34,559

it's gonna be like nine at night we're

1553

00:59:36,710 --> 00:59:35,920

gonna be looking for ufos you're like

1554

00:59:43,030 --> 00:59:36,720

hey

1555

00:59:46,630 --> 00:59:43,040

come here

1556

00:59:49,829 --> 00:59:46,640

when you get drunk the accident comes

1557

00:59:51,750 --> 00:59:49,839

out you know it does do it back hey

1558

00:59:53,670 --> 00:59:51,760

hey y'all come on y'all come on over

1559

00:59:55,670 --> 00:59:53,680

here now i'm here now hey y'all y'all

1560

00:59:58,549 --> 00:59:55,680

come here i'm in the cat

1561

01:00:00,710 --> 00:59:58,559

come here look at hey look at me look at

1562

01:00:02,870 --> 01:00:00,720

look out right here

1563

01:00:05,910 --> 01:00:02,880

look at right here you see it right here

1564

01:00:09,109 --> 01:00:08,069

come here look

1565

01:00:19,670 --> 01:00:09,119

uh

1566

01:00:24,710 --> 01:00:22,390

to donate to the podcast on a monthly

1567

01:00:26,470 --> 01:00:24,720

i'm this is why you do this part i'm

1568

01:00:28,789 --> 01:00:26,480

terrible at it if you guys would like to

1569

01:00:31,430 --> 01:00:28,799

support the podcast on a monthly basis

1570

01:00:34,309 --> 01:00:31,440

we've got uh some really silly sillified

1571

01:00:35,190 --> 01:00:34,319

things on our thing our website

1572

01:00:36,309 --> 01:00:35,200

or

1573

01:00:38,390 --> 01:00:36,319

it's actually kind of cool like we'll

1574

01:00:40,230 --> 01:00:38,400

print your name on like a certificate

1575

01:00:41,589 --> 01:00:40,240

whether you like you know put it on your

1576

01:00:43,430 --> 01:00:41,599

wall or whatever

1577

01:00:45,270 --> 01:00:43,440

it's dumb but it's kind of cool but if

1578

01:00:48,549 --> 01:00:45,280

you pay you know like it's we've got a

1579

01:00:50,630 --> 01:00:48,559

10 uh a 10 a month 20 a month thing and

1580

01:00:52,710 --> 01:00:50,640

like a 50 a month thing

1581

01:00:54,870 --> 01:00:52,720

uh and it's kind of cool just a way to

1582

01:00:56,309 --> 01:00:54,880

support the podcast uh also get your

1583

01:00:58,390 --> 01:00:56,319

name on like a piece of paper that says

1584

01:01:01,190 --> 01:00:58,400

you're you're uh you're certified which

1585

01:01:02,549 --> 01:01:01,200

is kind of certified kind of cute

1586

01:01:04,549 --> 01:01:02,559

and when your friends and family come

1587

01:01:08,710 --> 01:01:04,559

over you can rub it in their faces yeah

1588

01:01:12,150 --> 01:01:10,309

we're gonna make this thing like a soft

1589

01:01:13,670 --> 01:01:12,160

like we should make it a pillow

1590

01:01:15,190 --> 01:01:13,680

oh my god damn it jimmy what are you

1591

01:01:17,270 --> 01:01:15,200

doing like oh

1592

01:01:19,270 --> 01:01:17,280

i uh

1593

01:01:20,069 --> 01:01:19,280

i was rubbing my certificate in your

1594

01:01:21,829 --> 01:01:20,079

face

1595

01:01:24,710 --> 01:01:21,839

certificate of what i'm a space fart

1596

01:01:26,950 --> 01:01:24,720

officer what does that mean when why did

1597

01:01:29,190 --> 01:01:26,960

it smell like fart i was going to be you

1598

01:01:31,349 --> 01:01:29,200

you you for not but i have enough money

1599

01:01:32,630 --> 01:01:31,359

in my bank account

1600

01:01:34,549 --> 01:01:32,640

we should actually make this like a

1601
01:01:36,150 --> 01:01:34,559
cloth thing instead of a piece of paper

1602
01:01:38,309 --> 01:01:36,160
we should make it a pillow so you can

1603
01:01:39,589 --> 01:01:38,319
rub it

1604
01:01:42,230 --> 01:01:39,599
like the cloth that comes with your

1605
01:01:45,349 --> 01:01:42,240
glasses to clean your glasses yeah

1606
01:01:48,069 --> 01:01:45,359
yeah oh my god it'd be great

1607
01:01:50,069 --> 01:01:48,079
hey fat bass hey dude long time no see

1608
01:01:52,549 --> 01:01:50,079

was in here last week too i think hell

1610
01:01:56,630 --> 01:01:54,480
yeah that's right

1611
01:01:58,069 --> 01:01:56,640
fat base we gotta get we gotta we gotta

1612
01:01:59,750 --> 01:01:58,079

1613
01:02:01,109 --> 01:01:59,760

back on

1614

01:02:03,750 --> 01:02:01,119

um

1615

01:02:06,789 --> 01:02:03,760

and chat for for like couple hours

1616

01:02:09,190 --> 01:02:06,799

maybe three maybe four

1617

01:02:12,630 --> 01:02:09,200

um yeah cool that's all that's all i got

1618

01:02:12,640 --> 01:02:21,349

1619

01:02:21,359 --> 01:02:27,029

stop laughing before this is serious

1620

01:02:30,870 --> 01:02:28,150

you're ready

1621

01:02:33,670 --> 01:02:30,880

all right get ready everybody

1622

01:02:36,150 --> 01:02:35,190

we're gonna we're gonna need your help

1623

01:02:41,109 --> 01:02:36,160

all right

1624

01:02:41,119 --> 01:02:48,470

giant blocks of stone giant stone balls

1625

01:02:53,750 --> 01:02:51,109

five years used to ride them

1626

01:02:55,270 --> 01:02:53,760

all right we're gonna

1627

01:02:58,870 --> 01:02:55,280

remember we're that time when we talked

1628

01:03:01,029 --> 01:02:58,880

about doing doing a full 72 hour podcast

1629

01:03:04,549 --> 01:03:01,039

where we take turns taking naps

1630

01:03:06,150 --> 01:03:04,559

yeah we're doing it let's do it

1631

01:03:08,549 --> 01:03:06,160

i'm down

1632

01:03:10,630 --> 01:03:08,559

it's called vegas

1633

01:03:12,870 --> 01:03:10,640

oh yeah yeah let's do it let's just wear

1634

01:03:15,589 --> 01:03:12,880

tiny cameras on us everywhere oh dude

1635

01:03:16,789 --> 01:03:15,599

chess cams yeah

1636

01:03:20,150 --> 01:03:16,799

let's do it

1637

01:03:22,549 --> 01:03:20,160

dude let's go dude we're helmet cams bro

1638

01:03:23,990 --> 01:03:22,559

you wear some ridiculous ass

1639

01:03:29,430 --> 01:03:24,000

uh camera

1640

01:03:34,390 --> 01:03:31,349

do we post it and it's never facing the

1641

01:03:38,309 --> 01:03:35,990

i'm pretty sure we would like to get

1642

01:03:40,950 --> 01:03:38,319

kicked out of a casino if we were a

1643

01:03:42,150 --> 01:03:40,960

helmet with a camera on it

1644

01:03:44,710 --> 01:03:42,160

as long as we're not being like

1645

01:03:46,390 --> 01:03:44,720

inconspicuous

1646

01:03:48,230 --> 01:03:46,400

but like dude we should

1647

01:03:51,589 --> 01:03:48,240

we should uh so what are you thinking

1648

01:03:53,270 --> 01:03:51,599

about the 72-hour podcast

1649

01:03:55,430 --> 01:03:53,280

are we gonna kick it off with the 100th

1650

01:03:56,390 --> 01:03:55,440

episode when we actually get our tattoos

1651

01:04:01,990 --> 01:03:56,400

oh

1652

01:04:05,029 --> 01:04:02,000

yes

1653

01:04:11,109 --> 01:04:08,390

we'll discuss details okay

1654

01:04:12,710 --> 01:04:11,119

off air all right dope okay so guys if

1655

01:04:15,349 --> 01:04:12,720

you didn't know this uh me and joe have

1656

01:04:17,430 --> 01:04:15,359

been planning on getting tattoos of

1657

01:04:19,190 --> 01:04:17,440

something related to the ufo garage

1658

01:04:21,430 --> 01:04:19,200

podcast not that it doesn't have to be

1659

01:04:22,549 --> 01:04:21,440

the logo maybe the impala

1660

01:04:23,910 --> 01:04:22,559

i mean

1661

01:04:25,270 --> 01:04:23,920

there's so many different branding

1662

01:04:28,069 --> 01:04:25,280

elements we can bring into it we could

1663

01:04:29,589 --> 01:04:28,079

do a butt farting we could do uh we

1664

01:04:30,950 --> 01:04:29,599

could do a slinky hat

1665

01:04:33,109 --> 01:04:30,960

we could do

1666

01:04:35,349 --> 01:04:33,119

i don't know cinnamon terry dude uh

1667

01:04:37,829 --> 01:04:35,359

there's so many there's so many

1668

01:04:40,630 --> 01:04:37,839

apr we could do a truck

1669

01:04:42,230 --> 01:04:40,640

anyway uh the plan was to do our our

1670

01:04:44,309 --> 01:04:42,240

100th episode

1671

01:04:46,069 --> 01:04:44,319

while getting tattooed

1672

01:04:47,670 --> 01:04:46,079

um and we've been talking about that for

1673

01:04:49,109 --> 01:04:47,680

a while we need to get it done big willy

1674

01:04:49,910 --> 01:04:49,119

called us out the other day and i feel

1675

01:04:52,150 --> 01:04:49,920

like

1676
01:04:52,950 --> 01:04:52,160
you know bef you know alien girl one of

1677
01:04:57,029 --> 01:04:52,960
her

1678
01:04:59,510 --> 01:04:57,039
and that is

1679
01:05:01,910 --> 01:04:59,520
[h__\h] awesome that is so sick uh i'm

1680
01:05:03,910 --> 01:05:01,920
jealous also we've gotta like

1681
01:05:05,670 --> 01:05:03,920
get our i we gotta we gotta do it we

1682
01:05:07,750 --> 01:05:05,680
gotta get the tattoo and it just gave me

1683
01:05:09,750 --> 01:05:07,760
inspiration to do it and yeah dude we

1684
01:05:11,670 --> 01:05:09,760
got to figure it out soon i like i like

1685
01:05:13,990 --> 01:05:11,680
the one right right that's that's in the

1686
01:05:16,549 --> 01:05:14,000
background of our screen

1687
01:05:19,190 --> 01:05:16,559
yeah i see like the the empty uh impala

1688
01:05:20,309 --> 01:05:19,200

uh-huh yeah dude i like that i think so

1689

01:05:21,910 --> 01:05:20,319

too man i

1690

01:05:24,870 --> 01:05:21,920

i'm thinking that one too with the with

1691

01:05:26,789 --> 01:05:24,880

the uh flames on the hot side

1692

01:05:28,870 --> 01:05:26,799

yeah well you can't get the same exact

1693

01:05:31,670 --> 01:05:28,880

tattoo if you get that one i'm gonna get

1694

01:05:35,510 --> 01:05:34,230

what if you get it facing the other way

1695

01:05:37,109 --> 01:05:35,520

i mean at that point it's not the same

1696

01:05:39,349 --> 01:05:37,119

tattoo right yeah it's completely

1697

01:05:42,150 --> 01:05:39,359

different or what if i got the the uh

1698

01:05:44,630 --> 01:05:42,160

the saggy chode with the uh with

1699

01:05:46,390 --> 01:05:44,640

with the sombrero there you go

1700

01:05:48,870 --> 01:05:46,400

and then like just put like ufo garage

1701

01:05:53,430 --> 01:05:51,430

dude uh yeah i'll think about it i'm

1702

01:05:55,510 --> 01:05:53,440

gonna think about it what if we got

1703

01:05:57,589 --> 01:05:55,520

two stick figures wearing ufo garage

1704

01:05:59,990 --> 01:05:57,599

hats

1705

01:06:02,150 --> 01:06:00,000

that would that'd be pretty dope one has

1706

01:06:02,950 --> 01:06:02,160

one has long hair well now you have long

1707

01:06:05,029 --> 01:06:02,960

hair

1708

01:06:06,710 --> 01:06:05,039

damn it fool i'm gonna i'm never cutting

1709

01:06:11,510 --> 01:06:06,720

it

1710

01:06:13,190 --> 01:06:11,520

anybody in the chat or or any of our uh

1711

01:06:14,390 --> 01:06:13,200

listeners friends

1712

01:06:17,750 --> 01:06:14,400

homies

1713

01:06:18,870 --> 01:06:17,760

if y'all got any ideas for tattoos uh

1714

01:06:21,349 --> 01:06:18,880

let us know

1715

01:06:22,870 --> 01:06:21,359

um if you wanna drop you know ideas on

1716

01:06:26,309 --> 01:06:22,880

our facebook

1717

01:06:28,309 --> 01:06:26,319

group or just hit us up on twitter

1718

01:06:30,950 --> 01:06:28,319

if you find something funny i don't know

1719

01:06:33,029 --> 01:06:30,960

i want it to be like podcast like

1720

01:06:35,270 --> 01:06:33,039

it's supposed to be like a memorial of

1721

01:06:36,950 --> 01:06:35,280

the podcast you know

1722

01:06:38,069 --> 01:06:36,960

it's like oh yeah i [h__\h] love this

1723

01:06:40,710 --> 01:06:38,079

thing so

1724

01:06:42,630 --> 01:06:40,720

she's gonna be somewhat related

1725

01:06:46,069 --> 01:06:42,640

that'd be cool

1726

01:06:47,910 --> 01:06:46,079

pillow with a dick on it yeah

1727

01:06:49,750 --> 01:06:47,920

or like a pillow right where my like

1728

01:06:52,630 --> 01:06:49,760

actual dick is

1729

01:06:56,230 --> 01:06:52,640

dude what if we got ttfa

1730

01:06:59,270 --> 01:06:57,589

so just

1731

01:07:01,750 --> 01:06:59,280

well i'll tell you this off air but

1732

01:07:04,069 --> 01:07:01,760

there's stipulations on the placement so

1733

01:07:05,750 --> 01:07:04,079

we'll talk about that oh yeah all right

1734

01:07:08,230 --> 01:07:05,760

dude yeah

1735

01:07:10,230 --> 01:07:08,240

let us know if you guys have any ideas

1736

01:07:12,069 --> 01:07:10,240

yeah for sure for sure

1737

01:07:15,510 --> 01:07:12,079

this is a pretty good episode dude what

1738

01:07:17,430 --> 01:07:15,520

do you think yeah man this was fun

1739

01:07:19,990 --> 01:07:17,440

this one goes down in the books i think

1740

01:07:22,230 --> 01:07:20,000

it goes down in a book for sure

1741

01:07:24,549 --> 01:07:22,240

one of our books yeah

1742

01:07:27,190 --> 01:07:24,559

oh yeah are you working on yours dude

1743

01:07:34,789 --> 01:07:29,829

what he said yeah

1744

01:07:39,109 --> 01:07:37,109

the prompt is

1745

01:07:41,430 --> 01:07:39,119

hey what's up and then we write a book

1746

01:07:43,190 --> 01:07:41,440

about that

1747

01:07:44,870 --> 01:07:43,200

we tell each other

1748

01:07:46,870 --> 01:07:44,880

once a month we write a little book on

1749

01:07:48,950 --> 01:07:46,880

what's up yeah but it's like a tiny

1750

01:07:50,150 --> 01:07:48,960

little flip book

1751

01:07:52,390 --> 01:07:50,160

no

1752

01:07:55,430 --> 01:07:52,400

it's called joan ben's sweet little ufo

1753

01:07:58,710 --> 01:07:57,270

all right we're leaving all right yeah

1754

01:08:00,950 --> 01:07:58,720

all right

1755

01:08:01,900 --> 01:08:00,960

uh we'll see you on thursday thursday

1756

01:08:03,109 --> 01:08:01,910

thursday's gonna be fun

1757

01:08:07,270 --> 01:08:03,119

[Music]

1758

01:08:10,390 --> 01:08:07,280

oh yeah thursday uh we've got uh joe

1759

01:08:13,990 --> 01:08:10,400

nami uh he's a theoretical he went to

1760

01:08:17,030 --> 01:08:14,000

school for theoretical uh physics

1761

01:08:18,550 --> 01:08:17,040

and uh we'll see his background but now

1762

01:08:19,669 --> 01:08:18,560

he's a comedian like a professional

1763

01:08:22,229 --> 01:08:19,679

comedian

1764

01:08:24,149 --> 01:08:22,239

he reached out uh loves the show uh

1765

01:08:25,910 --> 01:08:24,159

loves you guys everybody listening and

1766

01:08:26,870 --> 01:08:25,920

the community that we've built you guys

1767

01:08:29,510 --> 01:08:26,880

have built

1768

01:08:31,349 --> 01:08:29,520

and just loves the vibe and uh just

1769

01:08:33,510 --> 01:08:31,359

loves talking about the topic so dude i

1770

01:08:35,110 --> 01:08:33,520

think it's gonna be cool

1771

01:08:38,309 --> 01:08:35,120

me too i'm excited about that we're

1772

01:08:39,910 --> 01:08:38,319

gonna have some fun hell yeah dude

1773

01:08:41,269 --> 01:08:39,920

so

1774

01:08:42,789 --> 01:08:41,279

that's and we're gonna feel right up his

1775

01:08:45,349 --> 01:08:42,799

alley because like everything we talk

1776

01:08:47,669 --> 01:08:45,359

about is you know theoretical

1777

01:08:53,510 --> 01:08:49,910

theoretically

1778

01:08:55,669 --> 01:08:53,520

it's theoretical right maybe maybe

1779

01:08:58,309 --> 01:08:55,679

what if what if we're actually we've

1780

01:08:59,910 --> 01:08:58,319

been told a lot of truth and we're just

1781

01:09:02,229 --> 01:08:59,920

telling you the truth

1782

01:09:02,870 --> 01:09:02,239

hidden with jokes that's just don't take

1783

01:09:04,470 --> 01:09:02,880

it

1784

01:09:06,309 --> 01:09:04,480

serious he's just like so like

1785

01:09:08,390 --> 01:09:06,319

theoretically right if like a rock was

1786

01:09:10,789 --> 01:09:08,400

floating right theoretically like rocks

1787

01:09:12,870 --> 01:09:10,799

float in water um you could

1788

01:09:13,749 --> 01:09:12,880

theoretically like

1789

01:09:17,510 --> 01:09:13,759

cause

1790

01:09:20,950 --> 01:09:18,870

so i was thinking theoretically the

1791

01:09:22,870 --> 01:09:20,960

other day like if you like theoretically

1792

01:09:24,789 --> 01:09:22,880

had some air right and like you

1793

01:09:27,510 --> 01:09:24,799

theoretically had this bottle

1794

01:09:29,749 --> 01:09:27,520

and then you like theoretically like you

1795

01:09:31,749 --> 01:09:29,759

put it the you threaded the cap on it

1796

01:09:34,070 --> 01:09:31,759

right theoretically the air is in the

1797

01:09:36,149 --> 01:09:34,080

bottle so like theoretically when you

1798

01:09:38,789 --> 01:09:36,159

like move it theoretically the air

1799

01:09:40,870 --> 01:09:38,799

inside

1800

01:09:43,829 --> 01:09:40,880

it's so annoying

1801
01:09:46,229 --> 01:09:43,839
oh my god theoretically it's extremely

1802
01:09:47,829 --> 01:09:46,239
annoying perhaps

1803
01:09:49,749 --> 01:09:47,839
you gotta throw it on a couple other

1804
01:09:51,030 --> 01:09:49,759
annoying word words

1805
01:09:55,350 --> 01:09:51,040
per se

1806
01:09:59,830 --> 01:09:57,510
all right for all this time

1807
01:10:03,830 --> 01:09:59,840
as jake the snake said it best man hey

1808
01:10:04,870 --> 01:10:03,840
be excellent to each other i love that

1809
01:10:06,390 --> 01:10:04,880
dude

1810
01:10:07,100 --> 01:10:06,400
love that

1811
01:10:09,750 --> 01:10:07,110
i got to find it

1812
01:10:13,669 --> 01:10:09,760
[Music]

1813
01:10:16,070 --> 01:10:13,679

we did it there it is yay

1814

01:10:17,590 --> 01:10:16,080

hell yeah thanks everybody for watching

1815

01:10:19,350 --> 01:10:17,600

love y'all

1816

01:10:21,910 --> 01:10:19,360

see you thursday see you on thursday

1817

01:10:25,600 --> 01:10:21,920

everybody oh yeah

1818

01:10:25,610 --> 01:10:28,870

[Music]

1819

01:10:43,960 --> 01:10:31,650

[Applause]
