00:00:43,590 --> 00:00:42,399  
things weird

11  
00:00:45,990 --> 00:00:43,600  
hey

12  
00:00:47,750 --> 00:00:46,000  
another glorious thursday

13  
00:00:51,110 --> 00:00:47,760

oh yeah coming up

14

00:00:53,510 --> 00:00:51,120

this book this chapter isn't closed yet

15

00:00:55,110 --> 00:00:53,520

we still got a couple hours left man

16

00:00:56,389 --> 00:00:55,120

still got a couple hours left i'm

17

00:00:59,270 --> 00:00:56,399

excited about tonight it's gonna be

18

00:01:00,549 --> 00:00:59,280

pretty fun yeah man dude it's uh it's

19

00:01:03,189 --> 00:01:00,559

been i can't believe it's already

20

00:01:05,990 --> 00:01:03,199

thursday man i know this we kind of flew

21

00:01:08,789 --> 00:01:06,000

by fast you know the days took forever

22

00:01:10,630 --> 00:01:08,799

but the week went by so fast you know it

23

00:01:12,310 --> 00:01:10,640

was nice it was nice you know what that

24

00:01:13,910 --> 00:01:12,320

means is that that there's exciting

25

00:01:15,910 --> 00:01:13,920

stuff happening man

26

00:01:18,070 --> 00:01:15,920

is that what that means

27

00:01:20,149 --> 00:01:18,080

you're excited about stuff i mean i'm

28

00:01:21,990 --> 00:01:20,159

pretty much excited about today

29

00:01:23,670 --> 00:01:22,000

and then sunday because i'm going to the

30

00:01:25,270 --> 00:01:23,680

kite festival and i'm going to fly kite

31

00:01:29,429 --> 00:01:25,280

dude

32

00:01:30,310 --> 00:01:29,439

kite festival a couple years ago and uh

33

00:01:33,990 --> 00:01:30,320

it's been

34

00:01:35,910 --> 00:01:34,000

the past three years so

35

00:01:38,310 --> 00:01:35,920

it's getting because it rains monday and

36

00:01:40,069 --> 00:01:38,320

tuesday so hopefully it won't sneak into

37

00:01:41,270 --> 00:01:40,079

sunday oh my god dude that sounds like

38

00:01:43,749 --> 00:01:41,280

fun yeah

39

00:01:46,630 --> 00:01:43,759

and speaking of uh well in between there

40

00:01:48,630 --> 00:01:46,640

tomorrow tattoo day tattoo day tomorrow

41

00:01:51,670 --> 00:01:48,640

42

00:01:53,270 --> 00:01:51,680

50

00:02:08,309 --> 00:02:06,320

52  
00:02:11,910 --> 00:02:10,720  
don't need to show the setup do we

53  
00:02:13,830 --> 00:02:11,920  
do well

54  
00:02:15,830 --> 00:02:13,840  
we can yeah we can figure it out we

55  
00:02:17,830 --> 00:02:15,840  
could go live for for uh members for

56  
00:02:19,589 --> 00:02:17,840  
youtube members while we set up and [h\_\_h]

57  
00:02:21,830 --> 00:02:19,599  
just push it for a little bit we can do

58  
00:02:23,430 --> 00:02:21,840  
that man we can do that yep uh we're

59  
00:02:25,990 --> 00:02:23,440  
celebrating the hundredth episode even

60  
00:02:27,670 --> 00:02:26,000  
though this is like 128 or something

61  
00:02:30,309 --> 00:02:27,680  
that we've done we just haven't done

62  
00:02:33,350 --> 00:02:30,319  
episode 100 so episode 100 happens

63  
00:02:35,030 --> 00:02:33,360

tomorrow everybody you know this is our

64

00:02:37,110 --> 00:02:35,040

65

00:02:39,910 --> 00:02:37,120

tomorrow we're celebrating 100 and we're

66

00:02:41,990 --> 00:02:39,920

getting tattoos live so you all you know

67

00:02:43,110 --> 00:02:42,000

chime in with your questions it's q a

68

00:02:45,509 --> 00:02:43,120

we're just going to be kind of hanging

69

00:02:48,309 --> 00:02:45,519

out getting tattoos talking aliens hell

70

00:02:50,309 --> 00:02:48,319

yeah dude sounds good man we do best

71

00:02:53,750 --> 00:02:50,319

yeah well hey let's bring in our guests

72

00:02:55,030 --> 00:02:53,760

dude yeah everybody welcome uh peter

73

00:02:56,630 --> 00:02:55,040

whitley

74

00:02:59,990 --> 00:02:56,640

ladies and gentlemen

75

00:03:01,830 --> 00:03:00,000

uh joe ben hello thank you for having me

76  
00:03:03,190 --> 00:03:01,840  
yeah man thanks for stopping by tonight

77  
00:03:05,110 --> 00:03:03,200  
thanks for stopping by this is going to

78  
00:03:06,949 --> 00:03:05,120  
be a a lot of fun

79  
00:03:08,390 --> 00:03:06,959  
you know i was uh i was i was hanging

80  
00:03:11,270 --> 00:03:08,400  
out on the internet i was looking at

81  
00:03:13,110 --> 00:03:11,280  
some stuff you know i typed in your name

82  
00:03:15,910 --> 00:03:13,120  
and uh i actually looked at the wrong

83  
00:03:17,430 --> 00:03:15,920  
guy for about over an hour

84  
00:03:18,949 --> 00:03:17,440  
from what i understand there's an actor

85  
00:03:24,710 --> 00:03:18,959  
by the name of peter whitley that might

86  
00:03:30,149 --> 00:03:27,589  
that's me from bizarro

87  
00:03:31,190 --> 00:03:30,159  
i mean it's it's a banger it's like

88  
00:03:33,589 --> 00:03:31,200

really great

89

00:03:35,670 --> 00:03:33,599

it goes for a really long time

90

00:03:38,470 --> 00:03:35,680

i apologize i can't tambourine there

91

00:03:40,550 --> 00:03:38,480

won't be any tambourine on myself

92

00:03:42,390 --> 00:03:40,560

that's actually that's a good thing

93

00:03:46,149 --> 00:03:42,400

okay

94

00:03:49,110 --> 00:03:46,159

nobody wants tambourine either man dude

95

00:03:53,670 --> 00:03:51,750

hey guys look i can't sing i can't i

96

00:03:55,589 --> 00:03:53,680

can't dance but

97

00:03:57,350 --> 00:03:55,599

give me a tambourine

98

00:03:58,710 --> 00:03:57,360

i'll make people drool

99

00:04:02,550 --> 00:03:58,720

that's right

100

00:04:03,589 --> 00:04:02,560

for coming on the show today um this

101  
00:04:05,830 --> 00:04:03,599  
could be really cool man i'm really

102  
00:04:07,429 --> 00:04:05,840  
excited to to talk to you about uh a

103  
00:04:08,949 --> 00:04:07,439  
little bit about your life and your

104  
00:04:10,309 --> 00:04:08,959  
experiences and kind of what you're

105  
00:04:12,710 --> 00:04:10,319  
involved with

106  
00:04:13,990 --> 00:04:12,720  
uh so we don't really do bios man we

107  
00:04:16,229 --> 00:04:14,000  
like to just let the guests kind of

108  
00:04:18,870 --> 00:04:16,239  
explain who they are and uh chat you

109  
00:04:20,789 --> 00:04:18,880  
know with our our guests as well man

110  
00:04:24,870 --> 00:04:20,799  
because they they love uh chat with you

111  
00:04:27,749 --> 00:04:24,880  
guys and hanging out so hit it peter

112  
00:04:30,950 --> 00:04:27,759  
yeah my name is peter whitley i live in

113  
00:04:33,909 --> 00:04:30,960

japan i've lived here for 14 years

114

00:04:36,550 --> 00:04:33,919

i'm currently the national director for

115

00:04:39,110 --> 00:04:36,560

mufon of japan

116

00:04:40,790 --> 00:04:39,120

i'm also a member of their experimenter

117

00:04:43,830 --> 00:04:40,800

resource team

118

00:04:44,790 --> 00:04:43,840

and that's the group on mufon where we

119

00:04:46,629 --> 00:04:44,800

got

120

00:04:49,189 --> 00:04:46,639

contacts um

121

00:04:50,749 --> 00:04:49,199

who report that they have experienced

122

00:04:52,469 --> 00:04:50,759

interactions with

123

00:04:54,790 --> 00:04:52,479

extraterrestrials or non-human

124

00:04:56,550 --> 00:04:54,800

intelligence where the people that reach

125

00:05:00,629 --> 00:04:56,560

out to support them

126

00:05:03,909 --> 00:05:00,639

um additionally i'm a quote abducting

127

00:05:06,150 --> 00:05:03,919

myself i put it in quotes because

128

00:05:07,909 --> 00:05:06,160

it's not necessarily the

129

00:05:09,189 --> 00:05:07,919

politically correct thing to say these

130

00:05:11,510 --> 00:05:09,199

days and

131

00:05:13,670 --> 00:05:11,520

when we deal with experiencers but i was

132

00:05:16,230 --> 00:05:13,680

taken against my will so in that respect

133

00:05:18,469 --> 00:05:16,240

that was an abductee

134

00:05:20,870 --> 00:05:18,479

and i do some astral projection work on

135

00:05:23,670 --> 00:05:20,880

the side

136

00:05:25,590 --> 00:05:23,680

okay there's a lot to unpack there peter

137

00:05:28,150 --> 00:05:25,600

there's a lot of time packed there man

138

00:05:30,070 --> 00:05:28,160

uh i i love that uh

139

00:05:31,909 --> 00:05:30,080

i've never been to japan and i've always

140

00:05:33,110 --> 00:05:31,919

wanted to go i hear it's absolutely

141

00:05:36,230 --> 00:05:33,120

beautiful

142

00:05:39,749 --> 00:05:36,240

it's gorgeous absolutely gorgeous but

143

00:05:41,909 --> 00:05:39,759

fair warning though the weather is awful

144

00:05:45,430 --> 00:05:41,919

is it

145

00:05:48,230 --> 00:05:45,440

the winter is cold the summers are hot

146

00:05:50,230 --> 00:05:48,240

and humid you've got about four weeks of

147

00:05:53,590 --> 00:05:50,240

good weather and we're in two of them

148

00:05:54,710 --> 00:05:53,600

right now whoa that's crazy

149

00:05:56,550 --> 00:05:54,720

man yeah

150

00:05:59,670 --> 00:05:56,560

so you gotta enjoy the outside while you

151

00:06:02,790 --> 00:06:01,430

it's it's kind of like texas in a way

152

00:06:04,870 --> 00:06:02,800

where it's just like too hot to do

153

00:06:07,590 --> 00:06:04,880

anything most of the year and then it

154

00:06:09,189 --> 00:06:07,600

gets like freezing blistering cold for

155

00:06:11,510 --> 00:06:09,199

like a week and a half and then you get

156

00:06:14,390 --> 00:06:11,520

like eight days of really nice spring

157

00:06:16,710 --> 00:06:14,400

weather and it just gets hot again

158

00:06:18,469 --> 00:06:16,720

exactly exactly yeah beautiful country

159

00:06:20,790 --> 00:06:18,479

though you should visit sometime

160

00:06:22,870 --> 00:06:20,800

absolutely we might have to do that man

161

00:06:25,189 --> 00:06:22,880

we have to make a trip out there you can

162

00:06:25,990 --> 00:06:25,199

show us around a little bit you know for

163

00:06:28,550 --> 00:06:26,000

sure

164

00:06:30,070 --> 00:06:28,560

yeah that's awesome man hey i you know i

165

00:06:32,390 --> 00:06:30,080

guess one of my first questions would be

166

00:06:34,950 --> 00:06:32,400

like how is uh

167

00:06:38,070 --> 00:06:34,960

the mufan out in japan

168

00:06:41,430 --> 00:06:38,080

well move on in japan i would say

169

00:06:44,710 --> 00:06:41,440

in japan we aren't that well known one

170

00:06:47,270 --> 00:06:44,720

of my goals as the director is to

171

00:06:49,029 --> 00:06:47,280

get us out there get the name out um you

172

00:06:51,350 --> 00:06:49,039

know we're well known they're back there

173

00:06:53,670 --> 00:06:51,360

in the states um we have a pretty big

174

00:06:54,469 --> 00:06:53,680

worldwide presence we're in

175

00:06:56,309 --> 00:06:54,479

over

176  
00:06:58,870 --> 00:06:56,319  
30 countries

177  
00:07:01,670 --> 00:06:58,880  
um but we are known we get some we get

178  
00:07:04,309 --> 00:07:01,680  
reports here um we get about half the

179  
00:07:06,870 --> 00:07:04,319  
reports we get are from people that are

180  
00:07:09,189 --> 00:07:06,880  
either military members

181  
00:07:11,029 --> 00:07:09,199  
or family members or people visiting the

182  
00:07:12,469 --> 00:07:11,039  
military we've got a few military bases

183  
00:07:14,550 --> 00:07:12,479  
here

184  
00:07:17,350 --> 00:07:14,560  
the other half we do get from japanese

185  
00:07:20,469 --> 00:07:17,360  
residents yeah yeah so we have some

186  
00:07:22,629 --> 00:07:20,479  
action over here um also as part of the

187  
00:07:24,070 --> 00:07:22,639  
experience resource team i take

188  
00:07:27,189 --> 00:07:24,080

um

189

00:07:30,070 --> 00:07:27,199

i take cases of contactees abductees

190

00:07:31,990 --> 00:07:30,080

experiencers throughout malaysia yeah

191

00:07:34,070 --> 00:07:32,000

that can keep me pretty busy that's

192

00:07:36,790 --> 00:07:34,080

awesome that's awesome so what's the uh

193

00:07:38,790 --> 00:07:36,800

you know i mean

194

00:07:40,309 --> 00:07:38,800

being in america well i take that back i

195

00:07:41,830 --> 00:07:40,319

used to live in germany i'm a military

196

00:07:43,830 --> 00:07:41,840

brat but i was really young so i don't

197

00:07:45,189 --> 00:07:43,840

really remember it what's the uh i love

198

00:07:47,350 --> 00:07:45,199

knowing about the culture the way that

199

00:07:49,270 --> 00:07:47,360

like people in interpret things in

200

00:07:53,589 --> 00:07:49,280

different places you know like how how

201  
00:07:55,830 --> 00:07:53,599  
does the the ufo culture uh differ there

202  
00:07:57,189 --> 00:07:55,840  
than it would here kind of in the united

203  
00:07:59,670 --> 00:07:57,199  
states

204  
00:08:00,550 --> 00:07:59,680  
there are a lot of similarities i would

205  
00:08:02,070 --> 00:08:00,560  
say

206  
00:08:05,189 --> 00:08:02,080  
um you know

207  
00:08:07,350 --> 00:08:05,199  
ufos are a popular topic especially now

208  
00:08:09,589 --> 00:08:07,360  
off off the backs of the pentagon

209  
00:08:12,550 --> 00:08:09,599  
admissions the tic tac videos and stuff

210  
00:08:15,110 --> 00:08:12,560  
that was huge news here right right

211  
00:08:17,909 --> 00:08:15,120  
ufos of course though beyond that are

212  
00:08:20,390 --> 00:08:17,919  
popular and i would say that

213  
00:08:21,430 --> 00:08:20,400

in my experience just on a day-to-day

214

00:08:25,110 --> 00:08:21,440

basis

215

00:08:28,150 --> 00:08:25,120

um when i talk to people like ufos

216

00:08:30,629 --> 00:08:28,160

people here are generally very accepting

217

00:08:32,709 --> 00:08:30,639

of the idea right i think that's really

218

00:08:36,070 --> 00:08:32,719

similar to the states

219

00:08:37,829 --> 00:08:36,080

where it differs is i don't get quite as

220

00:08:40,790 --> 00:08:37,839

many people

221

00:08:43,670 --> 00:08:40,800

outright admitting to me like hey yo i

222

00:08:46,870 --> 00:08:43,680

saw ufo or hey yo i was able to buy

223

00:08:48,389 --> 00:08:46,880

greys in the night right right cultural

224

00:08:50,150 --> 00:08:48,399

difference

225

00:08:51,910 --> 00:08:50,160

yeah i wonder i've i've been curious

226

00:08:53,110 --> 00:08:51,920

like because i don't i haven't heard of

227

00:08:55,670 --> 00:08:53,120

many

228

00:08:57,350 --> 00:08:55,680

alien related japanese movies i guess i

229

00:08:58,710 --> 00:08:57,360

don't watch a lot of japanese movies in

230

00:08:59,670 --> 00:08:58,720

general but like

231

00:09:01,750 --> 00:08:59,680

uh

232

00:09:03,430 --> 00:09:01,760

yeah it seems like it's it wouldn't be i

233

00:09:05,829 --> 00:09:03,440

didn't know that it was uh

234

00:09:07,590 --> 00:09:05,839

so prevalent in in the culture but uh

235

00:09:09,910 --> 00:09:07,600

that that's super cool that it's it's

236

00:09:11,910 --> 00:09:09,920

just as common that is almost as common

237

00:09:13,509 --> 00:09:11,920

as it is here but

238

00:09:14,310 --> 00:09:13,519

interesting that

239

00:09:16,949 --> 00:09:14,320

that

240

00:09:18,870 --> 00:09:16,959

accepting it and being out in the public

241

00:09:19,990 --> 00:09:18,880

saying hey i'm an experience here is

242

00:09:21,430 --> 00:09:20,000

definitely

243

00:09:23,190 --> 00:09:21,440

you're saying a little bit more shoved

244

00:09:24,630 --> 00:09:23,200

under the rug a little bit with uh with

245

00:09:26,310 --> 00:09:24,640

the culture over there

246

00:09:28,230 --> 00:09:26,320

yeah yeah you know there's a lot of

247

00:09:30,870 --> 00:09:28,240

pressure here to um

248

00:09:33,110 --> 00:09:30,880

to conform japan's a very homogeneous

249

00:09:34,150 --> 00:09:33,120

culture right you know like

250

00:09:35,990 --> 00:09:34,160

you know

251  
00:09:37,990 --> 00:09:36,000  
most of the people here are japanese

252  
00:09:41,269 --> 00:09:38,000  
natives it's not a big mixing pot like

253  
00:09:43,269 --> 00:09:41,279  
it is back there yeah um so definitely

254  
00:09:45,350 --> 00:09:43,279  
there's a little bit of um you know a

255  
00:09:48,230 --> 00:09:45,360  
reluctance on people to stick out from

256  
00:09:52,550 --> 00:09:50,070  
yeah for sure yeah it definitely makes

257  
00:09:56,949 --> 00:09:52,560  
sense yeah i mean here you know we all

258  
00:10:01,430 --> 00:09:59,110  
yeah it's been too different but hey no

259  
00:10:03,750 --> 00:10:01,440  
there's ups and downs to both cultures

260  
00:10:05,910 --> 00:10:03,760  
yeah for sure that's awesome i like that

261  
00:10:07,750 --> 00:10:05,920  
you know uh yeah

262  
00:10:09,750 --> 00:10:07,760  
yeah i feel like there's not gonna be

263  
00:10:11,910 --> 00:10:09,760

like a character uh

264

00:10:13,750 --> 00:10:11,920

doing a bunch of spoofs over there but

265

00:10:16,470 --> 00:10:13,760

i'm wondering if there's probably a lot

266

00:10:19,190 --> 00:10:16,480

less uh tomfoolery going on with like

267

00:10:20,470 --> 00:10:19,200

people trying to say hey you know i'm

268

00:10:22,710 --> 00:10:20,480

i'm uh

269

00:10:24,230 --> 00:10:22,720

i'm the next coming of christ or think

270

00:10:24,370 --> 00:10:24,240

things like that kind of out in the open

271

00:10:25,990 --> 00:10:24,380

yeah

272

00:10:29,190 --> 00:10:26,000

[Music]

273

00:10:32,230 --> 00:10:29,200

we don't get as many of those thankfully

274

00:10:34,710 --> 00:10:32,240

i'm not a big fan of that hey yo i'm

275

00:10:37,269 --> 00:10:34,720

like a starseed and i've been gifted

276

00:10:38,790 --> 00:10:37,279

some special powers to you know heal the

277

00:10:42,550 --> 00:10:38,800

heal the world i'm not a big fan of that

278

00:10:44,550 --> 00:10:42,560

myself we don't get a lot of that right

279

00:10:47,430 --> 00:10:44,560

we do have a pretty big new age

280

00:10:49,750 --> 00:10:47,440

community there's a lot of spiritualism

281

00:10:50,630 --> 00:10:49,760

so i would say that the ufo scene here

282

00:10:52,150 --> 00:10:50,640

does

283

00:10:53,990 --> 00:10:52,160

um

284

00:10:56,310 --> 00:10:54,000

it sides a little bit on the

285

00:10:57,590 --> 00:10:56,320

spiritualism

286

00:11:01,829 --> 00:10:57,600

that's interesting

287

00:11:04,150 --> 00:11:01,839

the uh

288

00:11:06,389 --> 00:11:04,160

the representation like would would it

289

00:11:07,670 --> 00:11:06,399

would it be the same you know like he

290

00:11:10,230 --> 00:11:07,680

here in the states you know we have like

291

00:11:12,790 --> 00:11:10,240

the the green blow up alien dolls and

292

00:11:14,870 --> 00:11:12,800

the silver discs you know like the the

293

00:11:16,069 --> 00:11:14,880

uh i guess the uh

294

00:11:20,870 --> 00:11:16,079

the

295

00:11:23,110 --> 00:11:20,880

stereotypical idea of of what you think

296

00:11:24,870 --> 00:11:23,120

ufos and aliens are is it a little bit

297

00:11:27,670 --> 00:11:24,880

different there or is it kind of like

298

00:11:30,150 --> 00:11:27,680

still very similar like you know

299

00:11:32,069 --> 00:11:30,160

it's more or less the same we've got

300

00:11:33,110 --> 00:11:32,079

we've got the blow up dolls we've got

301

00:11:35,030 --> 00:11:33,120

the

302

00:11:37,030 --> 00:11:35,040

heads you know you can show little kids

303

00:11:39,190 --> 00:11:37,040

anywhere a picture of an alien it's

304

00:11:40,870 --> 00:11:39,200

funny the thing that actually got me um

305

00:11:42,949 --> 00:11:40,880

into researching

306

00:11:45,590 --> 00:11:42,959

ufos um

307

00:11:46,710 --> 00:11:45,600

a deep dive is 14 years ago when i first

308

00:11:49,269 --> 00:11:46,720

moved here

309

00:11:50,389 --> 00:11:49,279

i saw a children's art exhibition right

310

00:11:52,790 --> 00:11:50,399

and there were a bunch of these just

311

00:11:54,870 --> 00:11:52,800

crayon pictures kids had drawn all sorts

312

00:11:57,350 --> 00:11:54,880

of stuff just randomly one of the

313

00:12:00,150 --> 00:11:57,360

pictures some little kindergartner had

314

00:12:04,150 --> 00:12:00,160

drawn a ufo right and in the middle of

315

00:12:06,629 --> 00:12:04,160

that yo-po was this gray alien head okay

316

00:12:09,190 --> 00:12:06,639

like i mentioned like my experience or

317

00:12:11,990 --> 00:12:09,200

like i was taken by grace you know was

318

00:12:14,310 --> 00:12:12,000

yeah and that and

319

00:12:16,470 --> 00:12:14,320

it wasn't until that day i looked at

320

00:12:17,990 --> 00:12:16,480

that poster and i thought

321

00:12:20,150 --> 00:12:18,000

whoa like

322

00:12:22,389 --> 00:12:20,160

dude that was like a really weird thing

323

00:12:24,870 --> 00:12:22,399

that happened to me i had to look into

324

00:12:26,310 --> 00:12:24,880

it because

325

00:12:28,629 --> 00:12:26,320

sometimes with people that have had

326

00:12:30,150 --> 00:12:28,639

experiences with ufos or whatnot that

327

00:12:32,389 --> 00:12:30,160

something kind of

328

00:12:34,550 --> 00:12:32,399

snaps something triggers them and

329

00:12:36,550 --> 00:12:34,560

they're like oh wait now it's all kind

330

00:12:39,269 --> 00:12:36,560

of flooding back to me and that was my

331

00:12:41,430 --> 00:12:39,279

moment yeah oh so yeah you kind of had

332

00:12:42,870 --> 00:12:41,440

maybe suppress some some memories or it

333

00:12:45,030 --> 00:12:42,880

wasn't like

334

00:12:47,030 --> 00:12:45,040

for thought of like what happened and

335

00:12:48,470 --> 00:12:47,040

then when you saw that it kind of

336

00:12:50,550 --> 00:12:48,480

flooded back some memories of your

337

00:12:52,310 --> 00:12:50,560

experience yeah like i wouldn't say i

338

00:12:54,069 --> 00:12:52,320

suppressed them because like whenever

339

00:12:56,310 --> 00:12:54,079

the topic of the ufos or aliens would

340

00:12:58,550 --> 00:12:56,320

come up i would always be like yeah i

341

00:13:00,230 --> 00:12:58,560

was abducted hey grace took me and

342

00:13:01,910 --> 00:13:00,240

people would be like ah come on there's

343

00:13:04,870 --> 00:13:01,920

always like one of you guys like no tell

344

00:13:07,030 --> 00:13:04,880

me more like i was always open about it

345

00:13:09,990 --> 00:13:07,040

but it never really struck me to look

346

00:13:11,829 --> 00:13:10,000

into it to like find out like is this

347

00:13:13,990 --> 00:13:11,839

happening to other people of course like

348

00:13:14,870 --> 00:13:14,000

you see a little bit of stuff on tv

349

00:13:17,590 --> 00:13:14,880

so

350

00:13:20,550 --> 00:13:17,600

14 years ago when this happens right

351

00:13:22,310 --> 00:13:20,560

this is how naive i was

352

00:13:23,990 --> 00:13:22,320

i go on to amazon

353

00:13:26,530 --> 00:13:24,000

and i'm like i wonder if there's any

354

00:13:27,829 --> 00:13:26,540

books on ufos

355

00:13:29,750 --> 00:13:27,839

[Music]

356

00:13:31,150 --> 00:13:29,760

and you didn't find anything

357

00:13:34,389 --> 00:13:31,160

oh yeah yeah only

358

00:13:36,230 --> 00:13:34,399

25 hits right right and so following

359

00:13:38,150 --> 00:13:36,240

that was their books there were books on

360

00:13:40,310 --> 00:13:38,160

you know actual alien abductions and

361

00:13:42,069 --> 00:13:40,320

contact experiences and that just sent

362

00:13:44,310 --> 00:13:42,079

me head that head first down the rabbit

363

00:13:46,069 --> 00:13:44,320

hole yeah did you was one of the books

364

00:13:47,910 --> 00:13:46,079

uh whitley streeber did you

365

00:13:50,150 --> 00:13:47,920

uh did you ever see that covered in it

366

00:13:52,389 --> 00:13:50,160

like hit home for you like it did a lot

367

00:13:54,629 --> 00:13:52,399

of experiences when it first came out or

368

00:13:57,110 --> 00:13:54,639

um

369

00:13:59,990 --> 00:13:57,120

it was pretty close the the guys i saw

370

00:14:01,750 --> 00:14:00,000

when i was taken were more gray but the

371

00:14:03,509 --> 00:14:01,760

streamers the guy was a little bit tan

372

00:14:06,470 --> 00:14:03,519

if i recall correctly

373

00:14:08,710 --> 00:14:06,480

um but he was pretty close i didn't i i

374

00:14:10,870 --> 00:14:08,720

loved whitley strieber as an individual

375

00:14:13,430 --> 00:14:10,880

communion wasn't a book that resonated

376

00:14:15,430 --> 00:14:13,440

with me but a lot of the stuff he's done

377

00:14:16,550 --> 00:14:15,440

since has

378

00:14:19,670 --> 00:14:16,560

that's cool

379

00:14:23,110 --> 00:14:19,680

so what at what age do you think that

380

00:14:25,750 --> 00:14:23,120

your first contact was

381

00:14:28,150 --> 00:14:25,760

um you know i wouldn't want to speculate

382

00:14:30,629 --> 00:14:28,160

on what age my first contact was i'll

383

00:14:31,590 --> 00:14:30,639

only talk about conscious experiences

384

00:14:34,389 --> 00:14:31,600

right

385

00:14:37,269 --> 00:14:34,399

contact was when i was 17.

386

00:14:38,949 --> 00:14:37,279

i was going to bed and as i went was

387

00:14:41,590 --> 00:14:38,959

going to bed laying down

388

00:14:43,430 --> 00:14:41,600

a blue light came in through my window

389

00:14:46,470 --> 00:14:43,440

triangulated

390

00:14:49,269 --> 00:14:46,480

pinpoint right where i was laying in bed

391

00:14:51,430 --> 00:14:49,279

and then pop these two what i now know

392

00:14:53,350 --> 00:14:51,440

to be small graves showed up their

393

00:14:55,990 --> 00:14:53,360

bedside

394

00:14:58,389 --> 00:14:56,000

and so in the moment this is kind of a

395

00:15:00,389 --> 00:14:58,399

funny thing in the moment

396

00:15:02,389 --> 00:15:00,399

i was surprised but i could recognize

397

00:15:03,590 --> 00:15:02,399

they were surprised too like there's

398

00:15:05,069 --> 00:15:03,600

this weird

399

00:15:07,350 --> 00:15:05,079

telepathy there's like this

400

00:15:08,949 --> 00:15:07,360

open-mindedness going on and i could

401  
00:15:10,069 --> 00:15:08,959  
tell they were they were surprised they

402  
00:15:11,910 --> 00:15:10,079  
were shocked

403  
00:15:14,870 --> 00:15:11,920  
and so what are you going to do if

404  
00:15:17,590 --> 00:15:14,880  
you're lying in bed going to sleep and a

405  
00:15:19,189 --> 00:15:17,600  
couple of aliens pop up next to your bed

406  
00:15:20,550 --> 00:15:19,199  
you're going to yeah right you're going

407  
00:15:22,310 --> 00:15:20,560  
to stay with me

408  
00:15:25,269 --> 00:15:22,320  
up and run out of there right

409  
00:15:26,550 --> 00:15:25,279  
so i try to do that okay i try to jump

410  
00:15:29,110 --> 00:15:26,560  
out of my bed

411  
00:15:32,230 --> 00:15:29,120  
and somehow they didn't move anything

412  
00:15:35,670 --> 00:15:32,240  
but somehow they froze me like half off

413  
00:15:39,670 --> 00:15:35,680

my bed half touching the bed like

414

00:15:41,990 --> 00:15:39,680

impossible physics i'm frozen there yeah

415

00:15:43,829 --> 00:15:42,000

and um and then they just proceeded to

416

00:15:46,550 --> 00:15:43,839

take me physically

417

00:15:48,710 --> 00:15:46,560

through the bedroom window

418

00:15:51,509 --> 00:15:48,720

via this blue light

419

00:15:54,150 --> 00:15:51,519

um the last thing i remember was going

420

00:15:55,430 --> 00:15:54,160

outside the window and then i blacked

421

00:15:58,310 --> 00:15:55,440

out

422

00:16:00,150 --> 00:15:58,320

uh maybe due to fear or maybe they made

423

00:16:01,110 --> 00:16:00,160

made me black out that was the first

424

00:16:06,629 --> 00:16:01,120

yeah

425

00:16:09,269 --> 00:16:06,639

you know we always talk about this

426

00:16:11,829 --> 00:16:09,279

so are we talking like through the

427

00:16:12,550 --> 00:16:11,839

window or they opened it for you you

428

00:16:15,030 --> 00:16:12,560

know

429

00:16:16,790 --> 00:16:15,040

you don't did do you think you pulled

430

00:16:20,710 --> 00:16:16,800

the blinds up

431

00:16:26,870 --> 00:16:23,350

through the whole physical thing yeah do

432

00:16:29,189 --> 00:16:26,880

you recall as a sensation i know you

433

00:16:31,350 --> 00:16:29,199

said you blacked out shortly after that

434

00:16:34,150 --> 00:16:31,360

or maybe during the process but do you

435

00:16:36,949 --> 00:16:34,160

remember like a sensation of like

436

00:16:39,350 --> 00:16:36,959

going through something like not at all

437

00:16:41,829 --> 00:16:39,360

in fact i would my physically i felt

438

00:16:44,310 --> 00:16:41,839

nothing at that point like i felt sheer

439

00:16:46,710 --> 00:16:44,320

terror yeah like half a second it took

440

00:16:48,710 --> 00:16:46,720

me to like jump yeah

441

00:16:50,710 --> 00:16:48,720

once they froze me it's like everything

442

00:16:52,790 --> 00:16:50,720

was off other than like my eyes and my

443

00:16:53,990 --> 00:16:52,800

consciousness interesting yeah because i

444

00:16:56,069 --> 00:16:54,000

mean i've heard stuff you know where

445

00:16:57,590 --> 00:16:56,079

people are like you know i was going

446

00:16:59,509 --> 00:16:57,600

through the ceiling or i went through

447

00:17:02,790 --> 00:16:59,519

the wall or they you know just took me

448

00:17:05,429 --> 00:17:02,800

through a door and like it was like a a

449

00:17:07,110 --> 00:17:05,439

battery sensation through my body as

450

00:17:08,309 --> 00:17:07,120

like i slipped through

451  
00:17:10,069 --> 00:17:08,319  
you know it was

452  
00:17:12,390 --> 00:17:10,079  
like yeah it was a wall

453  
00:17:16,069 --> 00:17:15,110  
you'd expect that right yeah

454  
00:17:20,630 --> 00:17:16,079  
yeah

455  
00:17:23,669 --> 00:17:20,640  
second time was when i was it was about

456  
00:17:25,510 --> 00:17:23,679  
six months later i'm 18. okay now this

457  
00:17:28,230 --> 00:17:25,520  
time i wake up

458  
00:17:30,710 --> 00:17:28,240  
i wake up now when you tell this story

459  
00:17:32,470 --> 00:17:30,720  
to people i think that aren't um i mean

460  
00:17:34,150 --> 00:17:32,480  
you're lit your listeners your viewers

461  
00:17:35,909 --> 00:17:34,160  
know about ufos and stuff but when you

462  
00:17:37,190 --> 00:17:35,919  
tell this to the common to the common

463  
00:17:38,950 --> 00:17:37,200

everyday person on the street they're

464

00:17:41,190 --> 00:17:38,960

like dude you're a dream

465

00:17:44,150 --> 00:17:41,200

but the analogy i always use is like

466

00:17:46,150 --> 00:17:44,160

here in japan with earthquakes right

467

00:17:47,590 --> 00:17:46,160

if i wake up in the middle of night to

468

00:17:49,590 --> 00:17:47,600

an earthquake

469

00:17:51,909 --> 00:17:49,600

i fall right back to sleep the next

470

00:17:53,110 --> 00:17:51,919

morning i know i woke up and there was

471

00:17:55,270 --> 00:17:53,120

an earthquake

472

00:17:57,270 --> 00:17:55,280

i know that [h\_\_h] wasn't a dream

473

00:17:59,029 --> 00:17:57,280

right it's obvious you know when you're

474

00:18:01,029 --> 00:17:59,039

awake you know when you're dreaming

475

00:18:02,789 --> 00:18:01,039

so anyways i wake up

476

00:18:04,789 --> 00:18:02,799

i'm ran down on this

477

00:18:07,590 --> 00:18:04,799

i assumed to be a craft

478

00:18:09,909 --> 00:18:07,600

to the right of me is a tall green what

479

00:18:12,630 --> 00:18:09,919

i now know to be as a tall gray

480

00:18:15,750 --> 00:18:12,640

and again i can tell this dude is

481

00:18:17,750 --> 00:18:15,760

surprised that i'm awake right i get

482

00:18:19,190 --> 00:18:17,760

that sense from it

483

00:18:22,950 --> 00:18:19,200

and so

484

00:18:27,029 --> 00:18:22,960

he's got this long like 12 inch

485

00:18:28,870 --> 00:18:27,039

pencil thin metal rod in his hand

486

00:18:30,230 --> 00:18:28,880

i can't see anything on either end of it

487

00:18:32,310 --> 00:18:30,240

right

488

00:18:34,310 --> 00:18:32,320

and he tells me telepathically he says

489

00:18:36,549 --> 00:18:34,320

um i'm going to stick this in your ear

490

00:18:42,150 --> 00:18:36,559

now

491

00:18:46,870 --> 00:18:44,070

i don't have a ruler here but like my

492

00:18:48,710 --> 00:18:46,880

head isn't 12 inches deep right so like

493

00:18:52,070 --> 00:18:48,720

right i don't know where this thing's

494

00:18:54,789 --> 00:18:52,080

going but he did stick it fully in my

495

00:18:57,669 --> 00:18:54,799

ear my right ear wow he stuck it in my

496

00:19:00,230 --> 00:18:57,679

ear it didn't hurt the dude wasn't lying

497

00:19:02,070 --> 00:19:00,240

yeah um and then he said something told

498

00:19:03,110 --> 00:19:02,080

me something to the effect uh

499

00:19:06,950 --> 00:19:03,120

you're gonna

500

00:19:08,470 --> 00:19:06,960

remember this well i remember it

501  
00:19:10,549 --> 00:19:08,480  
the first thing i did was the next

502  
00:19:12,230 --> 00:19:10,559  
morning is i hopped out of bed and i

503  
00:19:13,669 --> 00:19:12,240  
went into the bathroom which was next to

504  
00:19:15,909 --> 00:19:13,679  
my bedroom

505  
00:19:19,430 --> 00:19:15,919  
and i just gingerly put my finger in my

506  
00:19:22,150 --> 00:19:19,440  
ear it's like dude what's going on there

507  
00:19:24,470 --> 00:19:22,160  
and there's a little bit of dry blood

508  
00:19:25,430 --> 00:19:24,480  
a little bit of dried blood on my finger

509  
00:19:28,630 --> 00:19:25,440  
and you

510  
00:19:29,990 --> 00:19:28,640  
so you'd think though like but you think

511  
00:19:31,830 --> 00:19:30,000  
no wait a minute you've got these super

512  
00:19:33,750 --> 00:19:31,840  
high-tech aliens that are pulling you

513  
00:19:35,510 --> 00:19:33,760

through like the ceiling and the walls

514

00:19:38,710 --> 00:19:35,520

like why are they gonna leave blood in

515

00:19:41,350 --> 00:19:38,720

your ear right but having been a member

516

00:19:43,430 --> 00:19:41,360

of the mufon ert and like research this

517

00:19:45,990 --> 00:19:43,440

stuff for so many years it's like they

518

00:19:47,909 --> 00:19:46,000

do leave a lot of physical traces it

519

00:19:49,830 --> 00:19:47,919

doesn't make sense the phenomenon

520

00:19:51,590 --> 00:19:49,840

doesn't make sense

521

00:19:53,510 --> 00:19:51,600

yeah that's that's pretty interesting i

522

00:19:55,990 --> 00:19:53,520

always wondered you know you know you

523

00:19:57,430 --> 00:19:56,000

talk about like waking up and stuff and

524

00:19:58,470 --> 00:19:57,440

some people you know they either

525

00:20:00,470 --> 00:19:58,480

remember

526

00:20:01,990 --> 00:20:00,480

a little bit sometimes they don't

527

00:20:04,310 --> 00:20:02,000

sometimes it's kind of in between where

528

00:20:06,070 --> 00:20:04,320

they're like how's probably a dream and

529

00:20:08,710 --> 00:20:06,080

then you find some physical evidence and

530

00:20:11,270 --> 00:20:08,720

it's it is strange that like we think of

531

00:20:13,270 --> 00:20:11,280

these beings as being like so high-tech

532

00:20:15,909 --> 00:20:13,280

and like shifting dimensions and all

533

00:20:18,390 --> 00:20:15,919

this other stuff and and yet they leave

534

00:20:20,390 --> 00:20:18,400

little things behind you know prince you

535

00:20:22,390 --> 00:20:20,400

know even like a human knows if you're

536

00:20:24,549 --> 00:20:22,400

gonna like come in a kidnapping you're

537

00:20:27,029 --> 00:20:24,559

gonna wear gloves or something try and

538

00:20:28,950 --> 00:20:27,039

seal off the evidence but like for some

539

00:20:30,470 --> 00:20:28,960

reason you know it's and it could be

540

00:20:31,270 --> 00:20:30,480

cockiness a little bit they could be

541

00:20:33,590 --> 00:20:31,280

like

542

00:20:34,390 --> 00:20:33,600

what are they gonna do find us yeah you

543

00:20:40,710 --> 00:20:34,400

know

544

00:20:42,950 --> 00:20:40,720

yeah yeah you have to think maybe they

545

00:20:45,270 --> 00:20:42,960

want to be found out right maybe it's

546

00:20:47,669 --> 00:20:45,280

deliberate you know you know

547

00:20:49,909 --> 00:20:47,679

i can't here's another option is that

548

00:20:52,630 --> 00:20:49,919

the second abduction which a lot in a

549

00:20:55,830 --> 00:20:52,640

lot of cases with my labs experience is

550

00:20:57,909 --> 00:20:55,840

uh i'm sure you're aware of that but um

551

00:21:00,149 --> 00:20:57,919

abductees that are first abducted by

552

00:21:02,470 --> 00:21:00,159

extraterrestrials are then abducted by

553

00:21:04,630 --> 00:21:02,480

sometimes ets working with humans or

554

00:21:06,630 --> 00:21:04,640

sometimes just humans so i feel like

555

00:21:08,149 --> 00:21:06,640

humans are the ones that make mistakes

556

00:21:10,149 --> 00:21:08,159

and then i mean i i like this like

557

00:21:12,950 --> 00:21:10,159

humility aspect of yeah aliens make

558

00:21:15,350 --> 00:21:12,960

mistakes too uh like the training new

559

00:21:16,710 --> 00:21:15,360

guy the new guy is on the job and yeah

560

00:21:18,149 --> 00:21:16,720

you know

561

00:21:19,830 --> 00:21:18,159

that's right

562

00:21:21,590 --> 00:21:19,840

it could have been his first day at work

563

00:21:23,430 --> 00:21:21,600

you know

564

00:21:25,430 --> 00:21:23,440

yeah yeah can you imagine only making it

565

00:21:28,310 --> 00:21:25,440

halfway through the window you know

566

00:21:30,710 --> 00:21:28,320

that'd be terrible

567

00:21:31,830 --> 00:21:30,720

i'd like to hope that dude got fired but

568

00:21:32,870 --> 00:21:31,840

who knows

569

00:21:38,390 --> 00:21:32,880

yeah

570

00:21:41,029 --> 00:21:38,400

i couldn't i couldn't uh i couldn't

571

00:21:43,350 --> 00:21:41,039

imagine that the the feeling the blood

572

00:21:45,110 --> 00:21:43,360

in in your ear and then seeing it and

573

00:21:48,549 --> 00:21:45,120

then putting it together remembering

574

00:21:50,710 --> 00:21:48,559

you're like wait a second like the uh

575

00:21:53,270 --> 00:21:50,720

like the the process like what do you do

576

00:21:55,350 --> 00:21:53,280

do you go to work that day like you know

577

00:21:58,630 --> 00:21:55,360

yeah right like

578

00:22:01,909 --> 00:21:58,640

the thing is after those experiences

579

00:22:03,430 --> 00:22:01,919

um my body was like electric you talk

580

00:22:05,830 --> 00:22:03,440

you talk you mentioned earlier like this

581

00:22:08,870 --> 00:22:05,840

battery kind of feeling i think that the

582

00:22:11,110 --> 00:22:08,880

next day after each of those experiences

583

00:22:14,070 --> 00:22:11,120

interesting there have been other times

584

00:22:15,909 --> 00:22:14,080

in my life where i felt that as well but

585

00:22:17,590 --> 00:22:15,919

i didn't remember anything

586

00:22:20,950 --> 00:22:17,600

kind of in the back of my head i was

587

00:22:22,710 --> 00:22:20,960

like hey did it happen again but

588

00:22:25,190 --> 00:22:22,720

without a memory of it i'm not going to

589

00:22:27,190 --> 00:22:25,200

come out and say yeah it happened

590

00:22:28,950 --> 00:22:27,200

i had one other conscious abduction that

591

00:22:30,630 --> 00:22:28,960

happened about

592

00:22:31,510 --> 00:22:30,640

seven years ago now

593

00:22:33,430 --> 00:22:31,520

um

594

00:22:35,669 --> 00:22:33,440

i have a son who's eight he was just

595

00:22:38,230 --> 00:22:35,679

under a year old um all of these

596

00:22:41,190 --> 00:22:38,240

happened in washington state by the way

597

00:22:43,669 --> 00:22:41,200

interesting yeah we came back there for

598

00:22:47,110 --> 00:22:43,679

the holidays visit my folks

599

00:22:48,950 --> 00:22:47,120

and once again i woke up on a ship okay

600

00:22:51,350 --> 00:22:48,960

and now this time though

601  
00:22:54,549 --> 00:22:51,360  
sitting across from me

602  
00:22:56,390 --> 00:22:54,559  
and like this molded alien baby high

603  
00:22:57,909 --> 00:22:56,400  
chair or something

604  
00:23:00,710 --> 00:22:57,919  
is my son

605  
00:23:02,630 --> 00:23:01,750  
dude

606  
00:23:04,789 --> 00:23:02,640  
yeah

607  
00:23:06,710 --> 00:23:04,799  
he's eye to eye so like that's why i say

608  
00:23:09,430 --> 00:23:06,720  
it's like this high chair it was just a

609  
00:23:12,549 --> 00:23:09,440  
trick man he's eye to eye to me and he's

610  
00:23:14,789 --> 00:23:12,559  
smiling he's like as happy as i've ever

611  
00:23:18,549 --> 00:23:14,799  
seen him okay

612  
00:23:21,430 --> 00:23:18,559  
and in between us is this

613  
00:23:23,430 --> 00:23:21,440

sphere like a globe about the size of a

614

00:23:26,630 --> 00:23:23,440

basketball

615

00:23:30,789 --> 00:23:26,640

and inside this globe is this purple

616

00:23:31,669 --> 00:23:30,799

like swirling gas or liquid

617

00:23:33,830 --> 00:23:31,679

um

618

00:23:36,310 --> 00:23:33,840

and then to the right of me the left to

619

00:23:38,950 --> 00:23:36,320

him is another tall grey

620

00:23:41,350 --> 00:23:38,960

so the tall grey is looking at me

621

00:23:43,750 --> 00:23:41,360

and he says okay

622

00:23:45,269 --> 00:23:43,760

telepathically he says okay when you

623

00:23:48,390 --> 00:23:45,279

agree to this

624

00:23:49,269 --> 00:23:48,400

you and he he's referencing my son

625

00:23:52,549 --> 00:23:49,279

will

626

00:23:54,149 --> 00:23:52,559

understand each other's souls

627

00:23:56,710 --> 00:23:54,159

like

628

00:23:57,669 --> 00:23:56,720

i don't know what that means right and

629

00:24:00,149 --> 00:23:57,679

i'm just

630

00:24:01,750 --> 00:24:00,159

and like so this time i wasn't terrified

631

00:24:04,070 --> 00:24:01,760

probably because at this point in my

632

00:24:05,909 --> 00:24:04,080

life i'd been

633

00:24:07,510 --> 00:24:05,919

head first all i've been doing was

634

00:24:09,830 --> 00:24:07,520

reading about this stuff already

635

00:24:11,510 --> 00:24:09,840

investigating it so i was you know maybe

636

00:24:13,830 --> 00:24:11,520

that was part of it probably my son

637

00:24:15,909 --> 00:24:13,840

being there being happy as you know

638

00:24:17,990 --> 00:24:15,919

it's a pig and [\h\_\_\h] probably helped too

639

00:24:20,630 --> 00:24:18,000

yeah

640

00:24:22,230 --> 00:24:20,640

so and he tells me this you and he will

641

00:24:24,950 --> 00:24:22,240

understand each other's souls and i'm

642

00:24:25,909 --> 00:24:24,960

dumbfounded i just i just stare at him

643

00:24:28,149 --> 00:24:25,919

you know

644

00:24:29,430 --> 00:24:28,159

i have a i have a five month or a uh

645

00:24:32,070 --> 00:24:29,440

five month old i would love to

646

00:24:35,669 --> 00:24:32,080

understand what she wants

647

00:24:41,110 --> 00:24:37,909

the unfortunate thing is it didn't work

648

00:24:42,789 --> 00:24:41,120

because apparently i agreed to it he did

649

00:24:43,830 --> 00:24:42,799

something to the ball

650

00:24:47,430 --> 00:24:43,840

and then

651  
00:24:50,390 --> 00:24:47,440  
in a split second he shot us down okay

652  
00:24:52,870 --> 00:24:50,400  
like like now this all happened in

653  
00:24:54,789 --> 00:24:52,880  
a millisecond but you know those times

654  
00:24:56,950 --> 00:24:54,799  
in your life where like something crazy

655  
00:24:58,149 --> 00:24:56,960  
happens and time slows down you see it

656  
00:24:59,669 --> 00:24:58,159  
all

657  
00:25:01,750 --> 00:24:59,679  
right so

658  
00:25:04,230 --> 00:25:01,760  
i watched us

659  
00:25:06,549 --> 00:25:04,240  
you know kind of together shoot down

660  
00:25:08,149 --> 00:25:06,559  
through the through

661  
00:25:10,549 --> 00:25:08,159  
lower earth orbit

662  
00:25:13,669 --> 00:25:10,559  
through the atmosphere through the cloud

663  
00:25:15,750 --> 00:25:13,679

cover we shot down through the roof of

664

00:25:17,750 --> 00:25:15,760

my parents house

665

00:25:19,830 --> 00:25:17,760

and we land

666

00:25:21,750 --> 00:25:19,840

in my bed

667

00:25:25,190 --> 00:25:21,760

and my son

668

00:25:29,669 --> 00:25:25,200

is sitting on my lap

669

00:25:32,149 --> 00:25:29,679

and he's got that same huge smile

670

00:25:32,950 --> 00:25:32,159

like he's just loving it

671

00:25:41,510 --> 00:25:32,960

and

672

00:25:42,870 --> 00:25:41,520

so

673

00:25:44,230 --> 00:25:42,880

you know that that's kind of cool

674

00:25:46,470 --> 00:25:44,240

because like

675

00:25:48,710 --> 00:25:46,480

he did the you know

676

00:25:51,110 --> 00:25:48,720

we we think it doesn't work or it didn't

677

00:25:53,430 --> 00:25:51,120

work but maybe it didn't mean like

678

00:25:56,470 --> 00:25:53,440

immediately like maybe there's a certain

679

00:25:58,789 --> 00:25:56,480

point in y'all's lifetime where

680

00:26:01,350 --> 00:25:58,799

that's gonna make sense like

681

00:26:03,269 --> 00:26:01,360

oh oh i know what this is all about you

682

00:26:05,350 --> 00:26:03,279

know in the future

683

00:26:07,029 --> 00:26:05,360

absolutely it could be when i kick it

684

00:26:08,830 --> 00:26:07,039

right you know it could be when we both

685

00:26:11,590 --> 00:26:08,840

kick it who knows like

686

00:26:14,710 --> 00:26:11,600

right the one thing you gotta understand

687

00:26:16,549 --> 00:26:14,720

about these communications is like when

688

00:26:20,310 --> 00:26:16,559

we're talking about telepathy it's not

689

00:26:23,750 --> 00:26:20,320

in words it's in like ideas

690

00:26:24,870 --> 00:26:23,760

and so it's really hard for me as a

691

00:26:27,230 --> 00:26:24,880

human

692

00:26:30,549 --> 00:26:27,240

who communicates

693

00:26:32,149 --> 00:26:30,559

exclusively via language spoken and

694

00:26:34,310 --> 00:26:32,159

written language

695

00:26:35,110 --> 00:26:34,320

to try to communicate with someone on

696

00:26:38,149 --> 00:26:35,120

this

697

00:26:40,470 --> 00:26:38,159

pure idea level so it's very possible

698

00:26:42,390 --> 00:26:40,480

just i didn't fully understand but he

699

00:26:44,149 --> 00:26:42,400

was trying to get communicate to me

700

00:26:45,830 --> 00:26:44,159

right yeah

701  
00:26:48,390 --> 00:26:45,840  
i mean well i have one one more nuts and

702  
00:26:50,390 --> 00:26:48,400  
bolts question but did your son often

703  
00:26:52,789 --> 00:26:50,400  
sleep on your chest or something i'm

704  
00:26:54,070 --> 00:26:52,799  
just like if i woke up and my

705  
00:26:55,669 --> 00:26:54,080  
five-month-old was like sitting over

706  
00:26:57,909 --> 00:26:55,679  
like how how did you get from your crib

707  
00:27:00,470 --> 00:26:57,919  
all the way to the bed

708  
00:27:02,390 --> 00:27:00,480  
that was the problem yeah so i had i had

709  
00:27:04,630 --> 00:27:02,400  
to put on that was the problem how did

710  
00:27:06,149 --> 00:27:04,640  
you get how did you get on my chest

711  
00:27:08,789 --> 00:27:06,159  
so i put

712  
00:27:11,909 --> 00:27:08,799  
yeah dang dude wow

713  
00:27:13,669 --> 00:27:11,919

that is oh man what a great great story

714

00:27:16,549 --> 00:27:13,679

and exp the fact that you remembered all

715

00:27:19,110 --> 00:27:16,559

those details too like that's really

716

00:27:20,470 --> 00:27:19,120

phenomenal man i love that i i think i

717

00:27:23,110 --> 00:27:20,480

think for i think for people that are

718

00:27:24,950 --> 00:27:23,120

conscious in the moment

719

00:27:25,909 --> 00:27:24,960

it's one of those things i'm not going

720

00:27:27,830 --> 00:27:25,919

to say

721

00:27:30,149 --> 00:27:27,840

it's always traumatic but it's one of

722

00:27:33,269 --> 00:27:30,159

those things that leaves such a deep

723

00:27:34,549 --> 00:27:33,279

impression on you yeah you always

724

00:27:37,110 --> 00:27:34,559

remember

725

00:27:39,350 --> 00:27:37,120

those few details yeah that you were

726

00:27:41,510 --> 00:27:39,360

conscious of yeah

727

00:27:43,269 --> 00:27:41,520

so um

728

00:27:45,110 --> 00:27:43,279

i don't you said this happened a few

729

00:27:46,950 --> 00:27:45,120

years back uh does your son remember

730

00:27:48,950 --> 00:27:46,960

this at all did he has he had his own

731

00:27:51,110 --> 00:27:48,960

experiences or is that

732

00:27:54,310 --> 00:27:51,120

not that i know of when when he was

733

00:27:56,789 --> 00:27:54,320

about three and was barely able to talk

734

00:28:00,070 --> 00:27:56,799

i was scrolling on my iphone looking at

735

00:28:02,789 --> 00:28:00,080

um pictures of gray's for some reason

736

00:28:04,870 --> 00:28:02,799

and he's sitting next to me and he's and

737

00:28:07,029 --> 00:28:04,880

he says you know and three-year-old talk

738

00:28:08,789 --> 00:28:07,039

you know like he says

739

00:28:14,630 --> 00:28:08,799

oh

740

00:28:17,830 --> 00:28:14,640

yeah i did right

741

00:28:20,230 --> 00:28:17,840

and he said daddy was scared

742

00:28:21,190 --> 00:28:20,240

and i said yeah

743

00:28:24,870 --> 00:28:21,200

he said

744

00:28:26,470 --> 00:28:24,880

not real that's just you know that's you

745

00:28:28,070 --> 00:28:26,480

know because they're pictures of it

746

00:28:30,310 --> 00:28:28,080

right right

747

00:28:33,110 --> 00:28:30,320

and then so i pulled up a picture of a

748

00:28:35,269 --> 00:28:33,120

ufo just a typical saucer

749

00:28:38,070 --> 00:28:35,279

and i was like do you know what this is

750

00:28:40,389 --> 00:28:38,080

he says yeah yeah it's an alien car

751  
00:28:42,310 --> 00:28:40,399  
so like

752  
00:28:45,909 --> 00:28:42,320  
the backstory of this what you gotta

753  
00:28:49,269 --> 00:28:45,919  
understand is my wife hates this [h\_\_\h]

754  
00:28:51,350 --> 00:28:49,279  
she she cannot stand

755  
00:28:52,870 --> 00:28:51,360  
even me talking about it you know the

756  
00:28:54,230 --> 00:28:52,880  
fact that i'm talking to you guys about

757  
00:28:56,230 --> 00:28:54,240  
it she probably hates if she knew about

758  
00:29:01,110 --> 00:28:56,240  
it

759  
00:29:03,110 --> 00:29:01,120  
house i don't got pictured i want to

760  
00:29:05,590 --> 00:29:03,120  
believe up on the wall and all that

761  
00:29:07,830 --> 00:29:05,600  
stuff but i mean the only ufo stuff i

762  
00:29:10,549 --> 00:29:07,840  
have is like on my kindle or maybe a few

763  
00:29:12,470 --> 00:29:10,559

books locked away in the closet you know

764

00:29:14,470 --> 00:29:12,480

he has no exposure to that he's three

765

00:29:16,549 --> 00:29:14,480

years old he's not even going to school

766

00:29:18,710 --> 00:29:16,559

so it's kind of a trip but i have no

767

00:29:21,990 --> 00:29:18,720

indication that he's involved

768

00:29:24,070 --> 00:29:22,000

yeah interesting wow dude so oh i have

769

00:29:25,669 --> 00:29:24,080

another question about the ship um

770

00:29:28,070 --> 00:29:25,679

and then and then i know we have a

771

00:29:30,149 --> 00:29:28,080

couple more uh topics and we're at uh i

772

00:29:32,789 --> 00:29:30,159

know you got to go at at the top of the

773

00:29:36,470 --> 00:29:32,799

hour so uh uh i want to be cognizant of

774

00:29:39,190 --> 00:29:36,480

your time but uh dude if you can the the

775

00:29:40,870 --> 00:29:39,200

craft um what do you remember about some

776

00:29:42,310 --> 00:29:40,880

of the detail about the craft when you

777

00:29:46,549 --> 00:29:42,320

when you look up

778

00:29:49,269 --> 00:29:46,559

yeah so the craft was um both when i was

779

00:29:51,430 --> 00:29:49,279

18 and then seven years ago

780

00:29:53,669 --> 00:29:51,440

it was very similar

781

00:29:55,590 --> 00:29:53,679

there was just a diffuse

782

00:29:58,549 --> 00:29:55,600

white light

783

00:30:01,269 --> 00:29:58,559

throughout the area we were in

784

00:30:02,789 --> 00:30:01,279

without any discernible

785

00:30:06,149 --> 00:30:02,799

source

786

00:30:08,549 --> 00:30:06,159

which is a really strange

787

00:30:10,549 --> 00:30:08,559

thing to see because we aren't used to

788

00:30:13,909 --> 00:30:10,559

that to be in what seems to be an

789

00:30:17,110 --> 00:30:13,919

enclosed room and there's just light

790

00:30:19,110 --> 00:30:17,120

emanating from something right it was a

791

00:30:22,710 --> 00:30:19,120

bit hazy

792

00:30:23,990 --> 00:30:22,720

and like i said i'm talking about when i

793

00:30:26,149 --> 00:30:24,000

talk about

794

00:30:29,669 --> 00:30:26,159

an alien high chair

795

00:30:32,389 --> 00:30:29,679

the few um the few objects i remember

796

00:30:35,110 --> 00:30:32,399

other than that crazy long metal rod the

797

00:30:37,909 --> 00:30:35,120

few objects i remember were just they

798

00:30:40,710 --> 00:30:37,919

look just like white molded plastic

799

00:30:45,110 --> 00:30:40,720

or like off-white molded plastic

800

00:30:47,830 --> 00:30:45,120

yeah it really spares really spares

801  
00:30:51,029 --> 00:30:47,840  
were they like objects on a table or

802  
00:30:52,710 --> 00:30:51,039  
like like a one was a phone or

803  
00:30:54,870 --> 00:30:52,720  
i don't know

804  
00:30:56,389 --> 00:30:54,880  
i didn't get that far into it just as

805  
00:30:59,269 --> 00:30:56,399  
far as like the

806  
00:31:00,389 --> 00:30:59,279  
the the quote furniture like maybe like

807  
00:31:02,230 --> 00:31:00,399  
this little

808  
00:31:04,630 --> 00:31:02,240  
um like when the tall gray had something

809  
00:31:07,029 --> 00:31:04,640  
was put in my ear there was some sort of

810  
00:31:09,669 --> 00:31:07,039  
console that was just like this white

811  
00:31:10,630 --> 00:31:09,679  
thing sitting there that's crazy man

812  
00:31:13,590 --> 00:31:10,640  
like

813  
00:31:15,990 --> 00:31:13,600

minimalist you know

814

00:31:18,710 --> 00:31:16,000

but like totally what's wild is like

815

00:31:19,990 --> 00:31:18,720

i've never like

816

00:31:21,909 --> 00:31:20,000

people always talk about being in the

817

00:31:23,750 --> 00:31:21,919

craft but i always wonder and like

818

00:31:25,990 --> 00:31:23,760

there's never any furniture like are

819

00:31:28,149 --> 00:31:26,000

these dudes like where do they sleep do

820

00:31:29,669 --> 00:31:28,159

they sleep do they have rooms do they

821

00:31:31,430 --> 00:31:29,679

have beds or do they just like walk

822

00:31:33,509 --> 00:31:31,440

around this craft and there's just

823

00:31:36,149 --> 00:31:33,519

different rooms that you do different

824

00:31:37,669 --> 00:31:36,159

stuff in like that's so crazy i've never

825

00:31:40,389 --> 00:31:37,679

heard like a story of like yeah there

826

00:31:42,470 --> 00:31:40,399

was this e.t and he was sleeping and i

827

00:31:45,269 --> 00:31:42,480

startled him you know i've never heard a

828

00:31:47,669 --> 00:31:45,279

story of like an e.t being asleep

829

00:31:49,990 --> 00:31:47,679

yeah i should ask him that on one of my

830

00:31:51,509 --> 00:31:50,000

astral journeys up there that would be

831

00:31:53,990 --> 00:31:51,519

interesting back to the list of

832

00:31:56,230 --> 00:31:54,000

questions that would be interesting

833

00:31:58,470 --> 00:31:56,240

yeah and that's a that's the next thing

834

00:32:01,590 --> 00:31:58,480

i definitely wanted to get into was the

835

00:32:04,070 --> 00:32:01,600

the the astral projection like

836

00:32:05,669 --> 00:32:04,080

did that come from uh did that happen on

837

00:32:07,669 --> 00:32:05,679

accident or did was that something that

838

00:32:10,149 --> 00:32:07,679

you came across and was like huh i'm

839

00:32:12,630 --> 00:32:10,159

interested in maybe trying that

840

00:32:15,990 --> 00:32:12,640

yeah i came across it so i've been doing

841

00:32:17,149 --> 00:32:16,000

hypnosis for like 20 years right

842

00:32:20,710 --> 00:32:17,159

from

843

00:32:22,549 --> 00:32:20,720

self-hypnosis guided hypnosis etc

844

00:32:24,630 --> 00:32:22,559

and so i've been doing it like i said

845

00:32:27,430 --> 00:32:24,640

for so long

846

00:32:28,470 --> 00:32:27,440

and it's the typical stuff like i don't

847

00:32:29,870 --> 00:32:28,480

know what it what

848

00:32:32,710 --> 00:32:29,880

people you know the um

849

00:32:36,389 --> 00:32:32,720

self-confidence public speaking uh

850

00:32:38,950 --> 00:32:36,399

exercise motivation yadda yadda and like

851

00:32:41,430 --> 00:32:38,960

after 20 years that gets a bit old right

852

00:32:43,350 --> 00:32:41,440

so about a year and a half ago

853

00:32:44,630 --> 00:32:43,360

i was like i gotta branch out i don't

854

00:32:46,870 --> 00:32:44,640

want to quit doing it because it's

855

00:32:48,389 --> 00:32:46,880

effective but i want gotta branch out

856

00:32:51,029 --> 00:32:48,399

and so i looked to see what some

857

00:32:52,710 --> 00:32:51,039

adjacent fields were like what's some

858

00:32:55,909 --> 00:32:52,720

other stuff i could try

859

00:32:57,909 --> 00:32:55,919

and i came across this astral projection

860

00:33:00,230 --> 00:32:57,919

and now it sounded like a bunch of

861

00:33:02,470 --> 00:33:00,240

hogwash to me i thought it was i thought

862

00:33:04,389 --> 00:33:02,480

like i don't i don't i didn't believe in

863

00:33:06,149 --> 00:33:04,399

channeling or i didn't believe in even

864

00:33:07,990 --> 00:33:06,159

chakras stuff like that i was still a

865

00:33:10,149 --> 00:33:08,000

pretty nuts and bolts guy

866

00:33:13,669 --> 00:33:10,159

um but i thought you know what the hell

867

00:33:15,750 --> 00:33:13,679

because i thought hey if i could do this

868

00:33:17,830 --> 00:33:15,760

i could go up there

869

00:33:19,110 --> 00:33:17,840

and i could like i don't know what spy

870

00:33:25,269 --> 00:33:19,120

on them i don't know what you did your

871

00:33:28,549 --> 00:33:26,310

so

872

00:33:30,789 --> 00:33:28,559

i i did i went through this process of

873

00:33:31,830 --> 00:33:30,799

learning how to do it

874

00:33:34,149 --> 00:33:31,840

and

875

00:33:36,070 --> 00:33:34,159

i realized it was possible

876

00:33:38,549 --> 00:33:36,080

so

877

00:33:39,830 --> 00:33:38,559

once i realized it was possible the very

878

00:33:41,430 --> 00:33:39,840

next day

879

00:33:43,590 --> 00:33:41,440

i did the same thing

880

00:33:45,269 --> 00:33:43,600

i went under the process to get into

881

00:33:47,190 --> 00:33:45,279

astral projection

882

00:33:49,350 --> 00:33:47,200

the entire time

883

00:33:52,710 --> 00:33:49,360

now intent

884

00:33:54,710 --> 00:33:52,720

intent in astral projection is key okay

885

00:33:56,149 --> 00:33:54,720

and i've learned this through not only

886

00:33:58,389 --> 00:33:56,159

my own practice but through reading

887

00:34:00,389 --> 00:33:58,399

about it intent is key

888

00:34:03,830 --> 00:34:00,399

my intentions

889

00:34:06,389 --> 00:34:03,840

the entire process

890

00:34:07,830 --> 00:34:06,399

were and are to go up there and visit

891

00:34:10,629 --> 00:34:07,840

these guys

892

00:34:14,149 --> 00:34:10,639

so once i came out of the body it was

893

00:34:15,190 --> 00:34:14,159

almost trivial that first time

894

00:34:20,869 --> 00:34:15,200

poof

895

00:34:22,149 --> 00:34:20,879

to arrive in what i found to be a ufo

896

00:34:23,990 --> 00:34:22,159

dang

897

00:34:25,589 --> 00:34:24,000

how do you even how do you like prepare

898

00:34:28,629 --> 00:34:25,599

yourself for practice

899

00:34:30,710 --> 00:34:28,639

for something that discipline to like

900

00:34:33,109 --> 00:34:30,720

i would get very distracted like hey

901  
00:34:35,030 --> 00:34:33,119  
there's a freaking

902  
00:34:38,470 --> 00:34:35,040  
unicorn in space let's go let's go see

903  
00:34:39,349 --> 00:34:38,480  
that thing i'd be super uh distracted so

904  
00:34:44,230 --> 00:34:39,359  
like

905  
00:34:47,510 --> 00:34:44,240  
discipline yourself with that kind of

906  
00:34:49,669 --> 00:34:47,520  
thing yeah there's there's steps so like

907  
00:34:53,349 --> 00:34:49,679  
it's not quite as easy as i make it

908  
00:34:54,550 --> 00:34:53,359  
sound um the way i do it is kind of

909  
00:34:57,510 --> 00:34:54,560  
unique

910  
00:34:59,670 --> 00:34:57,520  
um i use hypnosis i put myself under

911  
00:35:01,670 --> 00:34:59,680  
hypnosis first

912  
00:35:03,430 --> 00:35:01,680  
and then i use what they call in the ap

913  
00:35:06,069 --> 00:35:03,440

astral projection community is the

914

00:35:09,190 --> 00:35:06,079

vibrational technique where i vibrate

915

00:35:10,069 --> 00:35:09,200

out of my body via the chakras

916

00:35:12,790 --> 00:35:10,079

and

917

00:35:14,230 --> 00:35:12,800

if you aren't for example to do what i

918

00:35:16,710 --> 00:35:14,240

do the way i do it if you aren't

919

00:35:19,030 --> 00:35:16,720

comfortable with hypnosis you're gonna

920

00:35:21,430 --> 00:35:19,040

have to go through a learning process to

921

00:35:22,950 --> 00:35:21,440

get comfortable with hypnosis

922

00:35:25,510 --> 00:35:22,960

and then you're gonna have to go through

923

00:35:27,430 --> 00:35:25,520

a learning process of like discovering

924

00:35:29,510 --> 00:35:27,440

what your chakras are

925

00:35:31,670 --> 00:35:29,520

and like what they feel like and what it

926

00:35:33,109 --> 00:35:31,680

feels like to open them

927

00:35:35,829 --> 00:35:33,119

and then you're gonna have to go through

928

00:35:36,870 --> 00:35:35,839

the process of putting it all together

929

00:35:39,109 --> 00:35:36,880

right

930

00:35:40,950 --> 00:35:39,119

like i detail this i have a website

931

00:35:42,950 --> 00:35:40,960

where i d there's no secret what i do i

932

00:35:45,030 --> 00:35:42,960

tell people what i do yeah but like i

933

00:35:46,870 --> 00:35:45,040

detail what i do but it's a process it

934

00:35:48,870 --> 00:35:46,880

takes practice you know yeah that's

935

00:35:51,349 --> 00:35:48,880

there it is there's my website yeah

936

00:35:53,349 --> 00:35:51,359

um and there's a it says how to right

937

00:35:55,349 --> 00:35:53,359

there and you click how to and i tell

938

00:35:58,550 --> 00:35:55,359

you exactly how i do it you know there's

939

00:36:00,390 --> 00:35:58,560

no secret behind it it's just what i put

940

00:36:01,430 --> 00:36:00,400

together you know the process i put

941

00:36:03,670 --> 00:36:01,440

together

942

00:36:05,430 --> 00:36:03,680

and this is just like out on on the

943

00:36:06,870 --> 00:36:05,440

internet for for anybody that's

944

00:36:09,790 --> 00:36:06,880

interested this is awesome

945

00:36:13,829 --> 00:36:09,800

yeah pete whitley.org yeah p-e-t

946

00:36:15,109 --> 00:36:13,839

w-h-t-l-e-y dude that's awesome man

947

00:36:16,950 --> 00:36:15,119

that's super cool

948

00:36:19,030 --> 00:36:16,960

yeah

949

00:36:21,670 --> 00:36:19,040

as far as as far as seeing

950

00:36:23,829 --> 00:36:21,680

unicorns

951  
00:36:25,990 --> 00:36:23,839  
that's the only that's where they live

952  
00:36:27,910 --> 00:36:26,000  
i mean i i guess i could think of that

953  
00:36:31,829 --> 00:36:27,920  
but man i got tunnel vision you got to

954  
00:36:33,510 --> 00:36:31,839  
understand i'm i'm ufos et's 24 7. so

955  
00:36:36,150 --> 00:36:33,520  
that's not a problem for me i'm not

956  
00:36:38,470 --> 00:36:36,160  
thinking about unicorns

957  
00:36:40,790 --> 00:36:38,480  
yeah dude no my mind is like a like a

958  
00:36:42,790 --> 00:36:40,800  
paper bag in the wind

959  
00:36:44,470 --> 00:36:42,800  
like

960  
00:36:45,349 --> 00:36:44,480  
it's terrible

961  
00:36:47,430 --> 00:36:45,359  
no

962  
00:36:49,910 --> 00:36:47,440  
that the thing about ap is it can be

963  
00:36:51,349 --> 00:36:49,920

really easy to lose yourself up there

964

00:36:53,270 --> 00:36:51,359

like um

965

00:36:55,829 --> 00:36:53,280

what i'm currently you know i did i did

966

00:36:57,990 --> 00:36:55,839

i did this i conducted 40 successful

967

00:36:59,270 --> 00:36:58,000

sessions in 2021

968

00:37:01,430 --> 00:36:59,280

and they came to kind of natural

969

00:37:03,589 --> 00:37:01,440

conclusion so i stopped

970

00:37:04,710 --> 00:37:03,599

took a break i started up again here

971

00:37:09,990 --> 00:37:04,720

this year

972

00:37:12,230 --> 00:37:10,000

it was all et guided

973

00:37:13,829 --> 00:37:12,240

i would show up and they basically had

974

00:37:15,670 --> 00:37:13,839

something they wanted to show me and i

975

00:37:18,310 --> 00:37:15,680

had very little agency

976

00:37:20,069 --> 00:37:18,320

so i talked to some people in the field

977

00:37:22,390 --> 00:37:20,079

some authors in the field like if i go

978

00:37:24,230 --> 00:37:22,400

back in there this year what should i do

979

00:37:25,589 --> 00:37:24,240

and the common the common advice they

980

00:37:26,790 --> 00:37:25,599

gave me was you should ask them

981

00:37:29,109 --> 00:37:26,800

questions

982

00:37:31,190 --> 00:37:29,119

so i'm trying to do that but

983

00:37:33,670 --> 00:37:31,200

you get distracted

984

00:37:35,750 --> 00:37:33,680

i mean you do get up there you

985

00:37:38,230 --> 00:37:35,760

astrally not just up in a ufo no matter

986

00:37:40,790 --> 00:37:38,240

where you are astrally you're distracted

987

00:37:43,190 --> 00:37:40,800

it's hard to remember what you

988

00:37:44,790 --> 00:37:43,200

necessarily went up there to do

989

00:37:46,310 --> 00:37:44,800

right that would yeah that would be my

990

00:37:48,710 --> 00:37:46,320

issue not just being distracted alone

991

00:37:51,670 --> 00:37:48,720

but like forgetting stuff like i've

992

00:37:54,150 --> 00:37:51,680

dabbled in lucid dreaming yeah

993

00:37:55,990 --> 00:37:54,160

my my most vivid memories are like as

994

00:37:57,349 --> 00:37:56,000

soon as i figure out that i'm not that

995

00:38:00,630 --> 00:37:57,359

i'm dreaming

996

00:38:02,390 --> 00:38:00,640

i just forget that that happened and

997

00:38:04,630 --> 00:38:02,400

then the then i've

998

00:38:06,069 --> 00:38:04,640

it's very short window of time and i

999

00:38:06,790 --> 00:38:06,079

know that takes a lot of discipline but

1000

00:38:10,710 --> 00:38:06,800

like

1001

00:38:13,030 --> 00:38:10,720

here and what i'm doing

1002

00:38:14,550 --> 00:38:13,040

so then the the the whole thing's boo

1003

00:38:17,109 --> 00:38:14,560

beef they have to like start over again

1004

00:38:19,030 --> 00:38:17,119

the next night or whatever but yeah

1005

00:38:21,829 --> 00:38:19,040

ben you're pretty close a lot of people

1006

00:38:23,829 --> 00:38:21,839

get into ap through lucid dreaming right

1007

00:38:26,150 --> 00:38:23,839

but you're exactly right you know it's

1008

00:38:29,109 --> 00:38:26,160

it's a very fleeting moment

1009

00:38:31,910 --> 00:38:29,119

and i journal these things immediately

1010

00:38:33,589 --> 00:38:31,920

after they happen because if i didn't by

1011

00:38:36,069 --> 00:38:33,599

the evening it would just it would all

1012

00:38:38,390 --> 00:38:36,079

be like just a vague you know yeah yeah

1013

00:38:40,790 --> 00:38:38,400

yeah i i usually make a couple notes of

1014

00:38:42,710 --> 00:38:40,800

my in my phone or my my my notebook and

1015

00:38:46,870 --> 00:38:42,720

i've got some pretty trippy sketches

1016

00:38:51,270 --> 00:38:49,190

do you find that they uh

1017

00:38:53,349 --> 00:38:51,280

you know like here on earth you know

1018

00:38:55,589 --> 00:38:53,359

i've heard you know you hear about the

1019

00:38:57,829 --> 00:38:55,599

astral projection and you know people

1020

00:38:59,990 --> 00:38:57,839

can actually see in on you and they can

1021

00:39:02,230 --> 00:39:00,000

see in on different places and if you're

1022

00:39:03,510 --> 00:39:02,240

not in tune or aware of really like

1023

00:39:05,430 --> 00:39:03,520

what's going on you wouldn't even know

1024

00:39:08,230 --> 00:39:05,440

what's happening some people who are in

1025

00:39:09,829 --> 00:39:08,240

tune who are more sensitive to things

1026

00:39:11,910 --> 00:39:09,839

like that you know claim that they'll

1027

00:39:14,310 --> 00:39:11,920

hear like a pop or like they'll be like

1028

00:39:17,349 --> 00:39:14,320

kind of a fuzz in the room and they'll

1029

00:39:19,270 --> 00:39:17,359

pick it up and they'll know wait

1030

00:39:21,270 --> 00:39:19,280

somebody's projecting on me right now i

1031

00:39:23,430 --> 00:39:21,280

can feel it or i can hear it like their

1032

00:39:24,950 --> 00:39:23,440

sense picks it up when you when you

1033

00:39:29,109 --> 00:39:24,960

astro project

1034

00:39:31,030 --> 00:39:29,119

um onto a craft um do they sense you

1035

00:39:32,710 --> 00:39:31,040

when you arrive or

1036

00:39:35,349 --> 00:39:32,720

do you kind of startle them take them

1037

00:39:36,950 --> 00:39:35,359

off guard do they know

1038

00:39:39,349 --> 00:39:36,960

immediately

1039

00:39:40,870 --> 00:39:39,359

in fact i think in fact there's no the

1040

00:39:43,990 --> 00:39:40,880

thing is like that's about talking about

1041

00:39:46,630 --> 00:39:44,000

intent there's no process like so i do

1042

00:39:48,870 --> 00:39:46,640

float out of my body into the room and i

1043

00:39:50,550 --> 00:39:48,880

do kind of like a room check to ensure

1044

00:39:51,349 --> 00:39:50,560

that like i'm out of my body i look

1045

00:39:53,190 --> 00:39:51,359

right

1046

00:39:54,710 --> 00:39:53,200

like you know i put my phone down in a

1047

00:39:56,310 --> 00:39:54,720

different place every day so i look at

1048

00:39:58,310 --> 00:39:56,320

where the phone is you know and stuff

1049

00:40:01,589 --> 00:39:58,320

like that i do i kind of just do a check

1050

00:40:03,670 --> 00:40:01,599

a body check room check but then i i

1051  
00:40:06,550 --> 00:40:03,680  
don't shoot up through the stars and

1052  
00:40:09,030 --> 00:40:06,560  
then knock on the door of a ufo right no

1053  
00:40:11,190 --> 00:40:09,040  
i instantly arrive in the ufo i'm like

1054  
00:40:13,190 --> 00:40:11,200  
okay it's ufo time and i'm there and

1055  
00:40:15,510 --> 00:40:13,200  
they're waiting for me

1056  
00:40:17,430 --> 00:40:15,520  
each and every time they're waiting

1057  
00:40:19,190 --> 00:40:17,440  
they're ready

1058  
00:40:22,069 --> 00:40:19,200  
i kind of imagine them sitting around a

1059  
00:40:23,430 --> 00:40:22,079  
table playing cards like smoking cigars

1060  
00:40:24,870 --> 00:40:23,440  
and then you go into meditation and

1061  
00:40:26,870 --> 00:40:24,880  
they're like [\h\_\_\h] peter's coming get

1062  
00:40:28,470 --> 00:40:26,880  
that [\h\_\_\h] off the table

1063  
00:40:30,550 --> 00:40:28,480

everybody stand around and just look

1064

00:40:31,990 --> 00:40:30,560

weird all right ladies put your shirts

1065

00:40:33,750 --> 00:40:32,000

on and then when you get there they're

1066

00:40:35,750 --> 00:40:33,760

all just standing there like we've been

1067

00:40:38,950 --> 00:40:35,760

waiting for you

1068

00:40:40,870 --> 00:40:38,960

wake jimmy up man yeah seriously

1069

00:40:42,550 --> 00:40:40,880

seriously yeah

1070

00:40:45,030 --> 00:40:42,560

i've got a quiz so uh joe you hit on

1071

00:40:46,309 --> 00:40:45,040

something about uh so astro astral

1072

00:40:47,270 --> 00:40:46,319

projecting i mean that's that's

1073

00:40:49,589 --> 00:40:47,280

something

1074

00:40:50,550 --> 00:40:49,599

that has been researched in the cia as

1075

00:40:54,309 --> 00:40:50,560

we know

1076

00:40:56,630 --> 00:40:54,319

uh is a form of of defense or offense uh

1077

00:40:57,430 --> 00:40:56,640

and military tactics and we still don't

1078

00:40:59,910 --> 00:40:57,440

know

1079

00:41:01,589 --> 00:40:59,920

today

1080

00:41:02,950 --> 00:41:01,599

uh

1081

00:41:06,230 --> 00:41:02,960

knowing that it's a thing that our

1082

00:41:08,390 --> 00:41:06,240

government has dabbled in in the past uh

1083

00:41:09,589 --> 00:41:08,400

do you think that it's

1084

00:41:12,230 --> 00:41:09,599

i don't know do you think we're still

1085

00:41:14,230 --> 00:41:12,240

using that kind of stuff is is a is like

1086

00:41:15,990 --> 00:41:14,240

a way to eavesdrop on other people like

1087

00:41:17,910 --> 00:41:16,000

in real time and like learn secrets

1088

00:41:21,750 --> 00:41:17,920

about other people

1089

00:41:23,990 --> 00:41:21,760

or or countries or whatever i mean

1090

00:41:26,390 --> 00:41:24,000

you know i i've actually

1091

00:41:29,349 --> 00:41:26,400

um someone requested that i go to area

1092

00:41:31,270 --> 00:41:29,359

51 last year when i when i was kind of

1093

00:41:33,349 --> 00:41:31,280

came clean that i was doing this this

1094

00:41:35,270 --> 00:41:33,359

was anonymously before i came out

1095

00:41:36,630 --> 00:41:35,280

under my real name

1096

00:41:38,630 --> 00:41:36,640

and so i thought hey that sounds

1097

00:41:41,670 --> 00:41:38,640

interesting so i'll try it

1098

00:41:42,390 --> 00:41:41,680

so i went to area 51 okay

1099

00:41:46,069 --> 00:41:42,400

and

1100

00:41:48,150 --> 00:41:46,079

area 51 was unlike anything i've ever

1101

00:41:50,870 --> 00:41:48,160

experienced

1102

00:41:54,470 --> 00:41:50,880

all i found were just

1103

00:41:56,790 --> 00:41:54,480

a bunch of hangers that were closed

1104

00:41:59,589 --> 00:41:56,800

like an a couple of office type

1105

00:42:01,829 --> 00:41:59,599

buildings or check in points

1106

00:42:03,670 --> 00:42:01,839

i couldn't enter

1107

00:42:06,470 --> 00:42:03,680

any of them

1108

00:42:08,710 --> 00:42:06,480

i couldn't go underground

1109

00:42:10,630 --> 00:42:08,720

now like with astral projection like you

1110

00:42:13,190 --> 00:42:10,640

can do that if you want to fly through

1111

00:42:15,990 --> 00:42:13,200

the ceiling you can right

1112

00:42:18,550 --> 00:42:16,000

i couldn't go underground it was like i

1113

00:42:20,710 --> 00:42:18,560

could like actually feel something there

1114

00:42:22,630 --> 00:42:20,720

was a block there so it's

1115

00:42:24,309 --> 00:42:22,640

protected by something then huh yeah

1116

00:42:26,790 --> 00:42:24,319

they've got they've got it locked down

1117

00:42:30,150 --> 00:42:26,800

somehow so i

1118

00:42:32,790 --> 00:42:30,160

that is awesome uh yeah my next question

1119

00:42:34,630 --> 00:42:32,800

is do you think that okay

1120

00:42:37,510 --> 00:42:34,640

so following that if there's a physical

1121

00:42:39,270 --> 00:42:37,520

way to to block physical areas

1122

00:42:40,790 --> 00:42:39,280

there's got to be like we've all seen

1123

00:42:43,430 --> 00:42:40,800

inception right there's got to be a way

1124

00:42:45,349 --> 00:42:43,440

to train your mind to block people from

1125

00:42:47,349 --> 00:42:45,359

to entering i don't know your bubble or

1126

00:42:49,589 --> 00:42:47,359

or listening to your thoughts and i

1127

00:42:51,270 --> 00:42:49,599

think of all all the time like oh when

1128

00:42:52,790 --> 00:42:51,280

your ears ring that's your your spirit

1129

00:42:55,109 --> 00:42:52,800

guide's talking to you but like what if

1130

00:42:57,030 --> 00:42:55,119

it's some people trying to listen in on

1131

00:42:58,870 --> 00:42:57,040

on you i don't know maybe that's a

1132

00:43:01,190 --> 00:42:58,880

paranoid way of thinking but have you

1133

00:43:02,870 --> 00:43:01,200

ever heard that like connection

1134

00:43:05,270 --> 00:43:02,880

well i'm sure i'm sure there is a way i

1135

00:43:07,589 --> 00:43:05,280

mean like you know like you said the

1136

00:43:09,750 --> 00:43:07,599

government was studying this like you

1137

00:43:11,750 --> 00:43:09,760

know 50 years ago or 40 years ago or

1138

00:43:14,230 --> 00:43:11,760

something right they say they quit

1139

00:43:16,390 --> 00:43:14,240

studying it yeah right

1140

00:43:17,990 --> 00:43:16,400

it was a successful study i mean they've

1141

00:43:20,550 --> 00:43:18,000

got the best brains in the business

1142

00:43:23,670 --> 00:43:20,560

doing this i'm sure they've got a myriad

1143

00:43:25,190 --> 00:43:23,680

of ways to do crazy stuff like that um

1144

00:43:27,510 --> 00:43:25,200

you talked about inception i want to

1145

00:43:30,950 --> 00:43:27,520

tell you a little inception story if i

1146

00:43:32,790 --> 00:43:30,960

can oh this is one of one of the last um

1147

00:43:35,030 --> 00:43:32,800

sessions i had last year and one of the

1148

00:43:36,069 --> 00:43:35,040

reasons i gave it a break

1149

00:43:37,910 --> 00:43:36,079

um

1150

00:43:40,150 --> 00:43:37,920

i was up there in one of the grays one

1151  
00:43:40,950 --> 00:43:40,160  
of the smaller grays i interacted with

1152  
00:43:42,790 --> 00:43:40,960  
um

1153  
00:43:43,750 --> 00:43:42,800  
said i want to try something with you

1154  
00:43:45,589 --> 00:43:43,760  
okay

1155  
00:43:47,750 --> 00:43:45,599  
so

1156  
00:43:49,990 --> 00:43:47,760  
the gray got really close to my face and

1157  
00:43:52,230 --> 00:43:50,000  
you hear this in abduction stories

1158  
00:43:54,550 --> 00:43:52,240  
and told me to look and said you know

1159  
00:43:56,069 --> 00:43:54,560  
look into my eyes and so i looked into

1160  
00:43:57,750 --> 00:43:56,079  
the gray's eyes

1161  
00:43:59,270 --> 00:43:57,760  
and what happened was like almost

1162  
00:44:01,109 --> 00:43:59,280  
emerging

1163  
00:44:04,710 --> 00:44:01,119

of consciousness

1164

00:44:07,270 --> 00:44:04,720

it's like we kind of became one okay

1165

00:44:10,390 --> 00:44:07,280

so like we were fully like there was

1166

00:44:12,150 --> 00:44:10,400

almost no separation between us

1167

00:44:13,109 --> 00:44:12,160

okay now here's where it gets freaky

1168

00:44:14,150 --> 00:44:13,119

though

1169

00:44:15,349 --> 00:44:14,160

so

1170

00:44:24,950 --> 00:44:15,359

i

1171

00:44:27,589 --> 00:44:24,960

we've merged

1172

00:44:29,589 --> 00:44:27,599

we zip down to earth

1173

00:44:32,150 --> 00:44:29,599

and we enter

1174

00:44:34,069 --> 00:44:32,160

my dormant body

1175

00:44:35,670 --> 00:44:34,079

okay

1176  
00:44:39,349 --> 00:44:35,680  
and what i

1177  
00:44:41,510 --> 00:44:39,359  
is so i'm kind of a passenger

1178  
00:44:43,990 --> 00:44:41,520  
in the gray's mind

1179  
00:44:46,069 --> 00:44:44,000  
okay like i said there's no barrier here

1180  
00:44:47,190 --> 00:44:46,079  
so i can see i can tell what the gray is

1181  
00:44:50,150 --> 00:44:47,200  
doing

1182  
00:44:54,069 --> 00:44:50,160  
i'm a passenger in the gray's mind and

1183  
00:44:57,510 --> 00:44:54,079  
this gray starts at the top of my head

1184  
00:45:00,309 --> 00:44:57,520  
and starts to slowly

1185  
00:45:03,270 --> 00:45:00,319  
enter into my body

1186  
00:45:08,150 --> 00:45:03,280  
not to take me over any crazy stuff like

1187  
00:45:11,990 --> 00:45:08,160  
that but to experience what it feels

1188  
00:45:17,030 --> 00:45:14,390

this was the inception it's like putting

1189

00:45:18,950 --> 00:45:17,040

on a glove man

1190

00:45:20,950 --> 00:45:18,960

yeah it gives me shivers when you say it

1191

00:45:23,030 --> 00:45:20,960

that way yeah the way i said it was kind

1192

00:45:25,270 --> 00:45:23,040

of creepy too

1193

00:45:28,870 --> 00:45:25,280

exactly but that that was the inception

1194

00:45:32,150 --> 00:45:28,880

part so like i'm inside the gray's mind

1195

00:45:34,390 --> 00:45:32,160

yeah as the gray is inside my body but

1196

00:45:36,550 --> 00:45:34,400

i'm not re you know you never lose a

1197

00:45:39,510 --> 00:45:36,560

connection to your body but you know

1198

00:45:43,750 --> 00:45:39,520

that was the inception part like i was

1199

00:45:46,790 --> 00:45:43,760

feeling this gray go into my body now

1200

00:45:50,630 --> 00:45:46,800

you're under full control in ap more or

1201  
00:45:53,510 --> 00:45:50,640  
less and so when it got uncomfortable

1202  
00:45:54,870 --> 00:45:53,520  
i ejected i just bolted i just cut it

1203  
00:45:57,030 --> 00:45:54,880  
off right

1204  
00:45:59,750 --> 00:45:57,040  
but yeah like i think that's an example

1205  
00:46:01,430 --> 00:45:59,760  
of some of the advanced stuff probably

1206  
00:46:03,270 --> 00:46:01,440  
yeah like the government or who knows

1207  
00:46:05,190 --> 00:46:03,280  
anyone that goes super deep makes us

1208  
00:46:07,510 --> 00:46:05,200  
their full-time job yeah they can

1209  
00:46:09,270 --> 00:46:07,520  
probably do stuff like that

1210  
00:46:11,510 --> 00:46:09,280  
there's got to be somebody out there

1211  
00:46:13,190 --> 00:46:11,520  
that's just like the best of the best

1212  
00:46:15,349 --> 00:46:13,200  
and can like

1213  
00:46:18,309 --> 00:46:15,359

do all the tricks and make themselves

1214

00:46:19,109 --> 00:46:18,319

look like a purple gorilla

1215

00:46:21,349 --> 00:46:19,119

or

1216

00:46:22,870 --> 00:46:21,359

a tall alien i don't know

1217

00:46:24,230 --> 00:46:22,880

i don't you got me thinking of all kinds

1218

00:46:25,990 --> 00:46:24,240

of ideas now dude

1219

00:46:28,470 --> 00:46:26,000

yeah sparking my

1220

00:46:30,470 --> 00:46:28,480

my imagination with that oh my god

1221

00:46:31,589 --> 00:46:30,480

dude do they uh

1222

00:46:35,190 --> 00:46:31,599

i mean

1223

00:46:37,349 --> 00:46:35,200

ever tell you

1224

00:46:39,670 --> 00:46:37,359

what they what they want or what they're

1225

00:46:41,349 --> 00:46:39,680

doing i never know what they're doing

1226

00:46:43,430 --> 00:46:41,359

what are they doing like they're not

1227

00:46:46,630 --> 00:46:43,440

just out there just taking people right

1228

00:46:49,109 --> 00:46:46,640

like what are they doing well the whole

1229

00:46:51,349 --> 00:46:49,119

like i said i did 40 sessions last year

1230

00:46:53,589 --> 00:46:51,359

and every time i went up there they had

1231

00:46:55,190 --> 00:46:53,599

an agenda they had they had something

1232

00:46:56,870 --> 00:46:55,200

they wanted to show me there's typically

1233

00:46:58,630 --> 00:46:56,880

one thing a day

1234

00:47:00,870 --> 00:46:58,640

and sometimes it wouldn't make sense

1235

00:47:04,470 --> 00:47:00,880

until a later date

1236

00:47:07,349 --> 00:47:04,480

but i'll give you that tldr like

1237

00:47:09,829 --> 00:47:07,359

but great now i want to i mean i need to

1238

00:47:11,589 --> 00:47:09,839

preface this by saying this is just what

1239

00:47:13,589 --> 00:47:11,599

they told me

1240

00:47:19,030 --> 00:47:13,599

i

1241

00:47:20,470 --> 00:47:19,040

about whether or not what they tell me

1242

00:47:22,870 --> 00:47:20,480

is true

1243

00:47:25,030 --> 00:47:22,880

okay i also think

1244

00:47:27,589 --> 00:47:25,040

because of the varieties of things we

1245

00:47:29,430 --> 00:47:27,599

hear from different experiencers

1246

00:47:32,150 --> 00:47:29,440

that what they tell us

1247

00:47:34,630 --> 00:47:32,160

might be tailored to the individual it

1248

00:47:35,910 --> 00:47:34,640

might be something i need to hear

1249

00:47:38,069 --> 00:47:35,920

because someone else might hear

1250

00:47:39,670 --> 00:47:38,079

something totally different so i'm not

1251

00:47:41,589 --> 00:47:39,680

putting this out there like hey this is

1252

00:47:43,589 --> 00:47:41,599

what they're doing this is just simply

1253

00:47:44,549 --> 00:47:43,599

what they told me okay

1254

00:47:46,950 --> 00:47:44,559

so

1255

00:47:49,270 --> 00:47:46,960

the grays told me

1256

00:47:51,670 --> 00:47:49,280

that they were created they're basically

1257

00:47:53,430 --> 00:47:51,680

what we would consider like a biological

1258

00:47:55,270 --> 00:47:53,440

robot okay

1259

00:47:57,270 --> 00:47:55,280

they were created

1260

00:47:58,790 --> 00:47:57,280

to help

1261

00:48:02,309 --> 00:47:58,800

entities

1262

00:48:04,829 --> 00:48:02,319

the implication being not solely humans

1263

00:48:08,069 --> 00:48:04,839

entities that have what we would call

1264

00:48:10,630 --> 00:48:08,079

souls to help the development of those

1265

00:48:12,950 --> 00:48:10,640

souls okay

1266

00:48:16,150 --> 00:48:12,960

now when they told me this

1267

00:48:17,030 --> 00:48:16,160

like my first thought was

1268

00:48:18,309 --> 00:48:17,040

because

1269

00:48:21,030 --> 00:48:18,319

it kind of all had to do with

1270

00:48:23,190 --> 00:48:21,040

reincarnation it seemed you know like

1271

00:48:25,910 --> 00:48:23,200

you die and they do something to your

1272

00:48:28,230 --> 00:48:25,920

quote soul and then

1273

00:48:30,790 --> 00:48:28,240

send you off somewhere and do something

1274

00:48:32,549 --> 00:48:30,800

and so and and i and i'm looking at

1275

00:48:36,069 --> 00:48:32,559

these guys like they're gods i mean they

1276

00:48:37,670 --> 00:48:36,079

might as well be right and so i'm like

1277

00:48:39,510 --> 00:48:37,680

hey yo like

1278

00:48:41,109 --> 00:48:39,520

like if we're good enough do we get to

1279

00:48:43,829 --> 00:48:41,119

come back as you

1280

00:48:46,470 --> 00:48:43,839

and and the and the grays like so the

1281

00:48:48,390 --> 00:48:46,480

grays do have some personality which

1282

00:48:51,190 --> 00:48:48,400

people don't necessarily realize unless

1283

00:48:53,190 --> 00:48:51,200

you've interacted with them right

1284

00:48:56,069 --> 00:48:53,200

that the grade that i was talking to was

1285

00:48:58,150 --> 00:48:56,079

amused i thought it was funny

1286

00:49:02,470 --> 00:48:58,160

and the grace said no we don't have

1287

00:49:05,109 --> 00:49:02,480

souls you know we were created

1288

00:49:06,309 --> 00:49:05,119

yeah this is this is our job

1289

00:49:08,630 --> 00:49:06,319

yeah

1290

00:49:11,829 --> 00:49:08,640

that's what they told me they're doing

1291

00:49:13,670 --> 00:49:11,839

yeah so do you think that like maybe um

1292

00:49:16,309 --> 00:49:13,680

maybe those guys don't have souls but

1293

00:49:18,549 --> 00:49:16,319

maybe the tall gray that you did had a

1294

00:49:20,309 --> 00:49:18,559

soul maybe they're helping that guy out

1295

00:49:22,630 --> 00:49:20,319

or some of the other beings that people

1296

00:49:24,790 --> 00:49:22,640

see like those are

1297

00:49:26,390 --> 00:49:24,800

beings with souls throughout you know

1298

00:49:28,309 --> 00:49:26,400

the universe or whatever you want to

1299

00:49:29,829 --> 00:49:28,319

call it and these dudes are just helping

1300

00:49:31,910 --> 00:49:29,839

out you know

1301

00:49:34,309 --> 00:49:31,920

yeah yeah well let's fast forward a bit

1302

00:49:35,510 --> 00:49:34,319

i got an answer to that

1303

00:49:38,470 --> 00:49:35,520

they told me

1304

00:49:40,470 --> 00:49:38,480

um so about halfway through those 40

1305

00:49:42,710 --> 00:49:40,480

sessions eventually

1306

00:49:45,670 --> 00:49:42,720

i wound up meeting someone that wasn't a

1307

00:49:48,870 --> 00:49:45,680

gray something that wasn't a grey it was

1308

00:49:50,710 --> 00:49:48,880

one of the it was a mantis right

1309

00:49:54,549 --> 00:49:50,720

i ended up

1310

00:49:55,670 --> 00:49:54,559

entities

1311

00:49:56,630 --> 00:49:55,680

um

1312

00:49:58,790 --> 00:49:56,640

and

1313

00:50:02,309 --> 00:49:58,800

they confirmed to me

1314

00:50:04,549 --> 00:50:02,319

that they created at least these graves

1315

00:50:05,990 --> 00:50:04,559

that i was interacting with

1316

00:50:06,950 --> 00:50:06,000

they confirmed me they created these

1317

00:50:07,829 --> 00:50:06,960

greats

1318

00:50:11,030 --> 00:50:07,839

but

1319

00:50:13,750 --> 00:50:11,040

these mantis entities also confirmed

1320

00:50:17,510 --> 00:50:13,760

that they do have souls

1321

00:50:19,510 --> 00:50:17,520

so they are entities with souls yeah

1322

00:50:21,030 --> 00:50:19,520

they looked at the work the graves were

1323

00:50:23,589 --> 00:50:21,040

doing is

1324

00:50:25,270 --> 00:50:23,599

like beneath them they more or less

1325

00:50:26,549 --> 00:50:25,280

they're kind of high and mighty then you

1326

00:50:28,549 --> 00:50:26,559

know

1327

00:50:31,030 --> 00:50:28,559

let's say we don't got time for that for

1328

00:50:32,230 --> 00:50:31,040

that bs you know

1329

00:50:33,990 --> 00:50:32,240

greater things

1330

00:50:35,829 --> 00:50:34,000

that's like that's like hiring a maid to

1331

00:50:37,270 --> 00:50:35,839

just do your laundry and like clean your

1332

00:50:39,030 --> 00:50:37,280

dishes and stuff that's kind of like

1333

00:50:41,109 --> 00:50:39,040

what the greys are doing and they're

1334

00:50:43,589 --> 00:50:41,119

they're you know shifting realities and

1335

00:50:46,069 --> 00:50:43,599

stuff yeah galaxy

1336

00:50:47,829 --> 00:50:46,079

oh man

1337

00:50:50,069 --> 00:50:47,839

that's crazy man

1338

00:50:52,870 --> 00:50:50,079

yeah that's crazy the mantids man they

1339

00:50:54,309 --> 00:50:52,880

they always have like such a cool story

1340

00:50:55,750 --> 00:50:54,319

everybody's always got like a very

1341

00:50:57,510 --> 00:50:55,760

interesting story whenever you hear

1342

00:50:59,670 --> 00:50:57,520

about the math it's and like their

1343

00:51:02,390 --> 00:50:59,680

interaction and like you know maybe

1344

00:51:04,549 --> 00:51:02,400

that's why their personality is is so

1345

00:51:06,549 --> 00:51:04,559

interesting because you know they they

1346

00:51:08,470 --> 00:51:06,559

have souls too like it kind of makes you

1347

00:51:10,950 --> 00:51:08,480

wonder like okay so like just on the

1348

00:51:13,349 --> 00:51:10,960

human level now we're making robots

1349

00:51:15,589 --> 00:51:13,359

right and with you know

1350

00:51:17,990 --> 00:51:15,599

biomechanics and things like that

1351  
00:51:20,069 --> 00:51:18,000  
but a very fast rise i mean it wouldn't

1352  
00:51:22,230 --> 00:51:20,079  
be too long before we have

1353  
00:51:24,309 --> 00:51:22,240  
something like that you know like if you

1354  
00:51:26,309 --> 00:51:24,319  
ask me i think maybe like a gray is kind

1355  
00:51:28,950 --> 00:51:26,319  
of a poor design but i mean if you're a

1356  
00:51:30,549 --> 00:51:28,960  
mantis it probably doesn't matter but i

1357  
00:51:32,950 --> 00:51:30,559  
you know we would make something a

1358  
00:51:35,430 --> 00:51:32,960  
little more like interactive that like

1359  
00:51:37,190 --> 00:51:35,440  
we would be comfortable with you know

1360  
00:51:40,390 --> 00:51:37,200  
yeah you have like the porn industry

1361  
00:51:42,549 --> 00:51:41,589  
right so

1362  
00:51:44,390 --> 00:51:42,559  
yes

1363  
00:51:46,870 --> 00:51:44,400

but i mean like no we're like probably

1364

00:51:50,470 --> 00:51:46,880

20 years away from doing that ourselves

1365

00:51:51,510 --> 00:51:50,480

right yeah yeah exactly yeah man that's

1366

00:51:54,150 --> 00:51:51,520

ah

1367

00:51:56,309 --> 00:51:54,160

this is wild it's wild to think we're

1368

00:51:58,950 --> 00:51:56,319

like we're like right there but we're

1369

00:52:01,990 --> 00:51:58,960

also like thousands of years away from

1370

00:52:05,190 --> 00:52:02,000

it yeah yeah one of the things that the

1371

00:52:06,790 --> 00:52:05,200

mantis has showed me was there's this

1372

00:52:09,589 --> 00:52:06,800

something that happens this happens to

1373

00:52:12,309 --> 00:52:09,599

abductees contact these two they report

1374

00:52:14,069 --> 00:52:12,319

that um they're able to

1375

00:52:17,109 --> 00:52:14,079

put you into like

1376

00:52:20,150 --> 00:52:17,119

vr is a really crude term for it they're

1377

00:52:23,030 --> 00:52:20,160

able to put you into an experience

1378

00:52:25,430 --> 00:52:23,040

so they'll show you like a memory

1379

00:52:27,589 --> 00:52:25,440

but instead of you

1380

00:52:28,470 --> 00:52:27,599

you're watching it but you're there

1381

00:52:30,390 --> 00:52:28,480

right

1382

00:52:33,990 --> 00:52:30,400

it's like it's like they just basically

1383

00:52:36,390 --> 00:52:34,000

put you in the scene and so these guys

1384

00:52:37,430 --> 00:52:36,400

showed me i was i was i talked to them

1385

00:52:39,190 --> 00:52:37,440

about

1386

00:52:40,790 --> 00:52:39,200

you know where you came i asked them you

1387

00:52:42,630 --> 00:52:40,800

know what where did you come from you

1388

00:52:43,670 --> 00:52:42,640

know how long how long have you been

1389

00:52:45,589 --> 00:52:43,680

around

1390

00:52:47,829 --> 00:52:45,599

and their answer to me to that was

1391

00:52:49,430 --> 00:52:47,839

listen you wouldn't understand

1392

00:52:53,030 --> 00:52:49,440

but

1393

00:52:56,950 --> 00:52:53,040

they did they did zoom me back zoom me

1394

00:53:00,069 --> 00:52:56,960

back like millennia ago right and like i

1395

00:53:01,510 --> 00:53:00,079

watched them like through this series of

1396

00:53:04,230 --> 00:53:01,520

scenes like

1397

00:53:05,910 --> 00:53:04,240

discover you know this crazy technology

1398

00:53:08,390 --> 00:53:05,920

that allowed them to travel throughout

1399

00:53:11,109 --> 00:53:08,400

the stars and like it was so powerful

1400

00:53:12,950 --> 00:53:11,119

like they'd touch it and dissolve like

1401

00:53:13,829 --> 00:53:12,960

it was really

1402

00:53:15,510 --> 00:53:13,839

like wild

1403

00:53:18,230 --> 00:53:15,520

just like you said though like we're

1404

00:53:20,549 --> 00:53:18,240

close i think to like making really

1405

00:53:22,630 --> 00:53:20,559

crude versions

1406

00:53:25,190 --> 00:53:22,640

of what that stuff is

1407

00:53:27,430 --> 00:53:25,200

but i mean the level they're at

1408

00:53:29,030 --> 00:53:27,440

i don't admit by the time we get there

1409

00:53:30,710 --> 00:53:29,040

we won't be human anymore we'll be

1410

00:53:32,870 --> 00:53:30,720

something all together

1411

00:53:34,870 --> 00:53:32,880

yeah like we're we're in that discovery

1412

00:53:36,230 --> 00:53:34,880

where we get vaporized if we try and

1413

00:53:38,230 --> 00:53:36,240

touch it you know

1414

00:53:40,069 --> 00:53:38,240

it's gonna be millennia

1415

00:53:41,750 --> 00:53:40,079

until we just get to like go to some

1416

00:53:46,309 --> 00:53:41,760

planet and take people out of their

1417

00:53:48,390 --> 00:53:46,319

rooms you know for whatever reason

1418

00:53:50,150 --> 00:53:48,400

let our robots do the dishes you know

1419

00:53:52,870 --> 00:53:50,160

what i'm saying on another planet while

1420

00:53:54,390 --> 00:53:52,880

we do god knows what you know

1421

00:53:56,790 --> 00:53:54,400

it all starts it all starts with the

1422

00:53:58,870 --> 00:53:56,800

robots as soon as you get robots to do

1423

00:53:59,670 --> 00:53:58,880

your [h\_\_h] you won't you don't want to do

1424

00:54:01,670 --> 00:53:59,680

then

1425

00:54:02,790 --> 00:54:01,680

you're going to get it's all over you're

1426  
00:54:05,190 --> 00:54:02,800  
going to be pulling through people

1427  
00:54:08,069 --> 00:54:05,200  
through freaking windows dude it frees

1428  
00:54:10,470 --> 00:54:08,079  
up the mind to think of ways to like

1429  
00:54:12,150 --> 00:54:10,480  
travel the the universe you know what

1430  
00:54:14,069 --> 00:54:12,160  
i'm saying you don't have to worry about

1431  
00:54:15,670 --> 00:54:14,079  
all the small stuff you got robots

1432  
00:54:18,150 --> 00:54:15,680  
taking care of it it frees up all that

1433  
00:54:19,750 --> 00:54:18,160  
free thinking time i keep i keep telling

1434  
00:54:22,309 --> 00:54:19,760  
my wife like if i didn't have to wash

1435  
00:54:24,870 --> 00:54:22,319  
the dishes i i could i could make be uh

1436  
00:54:28,309 --> 00:54:24,880  
so smart

1437  
00:54:30,069 --> 00:54:28,319  
right i could be doing something

1438  
00:54:32,950 --> 00:54:30,079

oh so many inventions

1439

00:54:35,349 --> 00:54:32,960

if you can follow me to interact with my

1440

00:54:41,829 --> 00:54:35,359

son on the weekends of all the stuff i

1441

00:54:46,150 --> 00:54:44,069

speaking about like us going across the

1442

00:54:48,390 --> 00:54:46,160

galaxy i want to share with you one more

1443

00:54:50,230 --> 00:54:48,400

thing that mantis has told me yeah and

1444

00:54:51,750 --> 00:54:50,240

this is this is one of the things they

1445

00:54:53,589 --> 00:54:51,760

told me and like i said i don't claim

1446

00:54:55,030 --> 00:54:53,599

that this is objective reality it's just

1447

00:54:57,670 --> 00:54:55,040

something they told me

1448

00:54:59,829 --> 00:54:57,680

but this was one of the points where

1449

00:55:01,910 --> 00:54:59,839

i kind of um

1450

00:55:03,750 --> 00:55:01,920

got offended if you will or started to

1451

00:55:04,710 --> 00:55:03,760

really question their motives

1452

00:55:08,630 --> 00:55:04,720

um

1453

00:55:10,309 --> 00:55:08,640

like i said the stuff the graves do is

1454

00:55:12,549 --> 00:55:10,319

doing dirty dishes

1455

00:55:13,750 --> 00:55:12,559

i asked them what is what do you do what

1456

00:55:17,589 --> 00:55:13,760

do you do right

1457

00:55:21,030 --> 00:55:17,599

and so they explained to me their job

1458

00:55:23,589 --> 00:55:21,040

is to go around and ensure

1459

00:55:25,510 --> 00:55:23,599

that civilizations

1460

00:55:27,589 --> 00:55:25,520

don't achieve

1461

00:55:29,910 --> 00:55:27,599

space travel

1462

00:55:32,789 --> 00:55:29,920

on a large scale

1463

00:55:33,510 --> 00:55:32,799

unless they're ready for it

1464

00:55:38,150 --> 00:55:33,520

so

1465

00:55:39,349 --> 00:55:38,160

pulling little green men out of their

1466

00:55:40,150 --> 00:55:39,359

windows

1467

00:55:46,309 --> 00:55:40,160

like

1468

00:55:49,349 --> 00:55:46,319

something whoa

1469

00:55:51,589 --> 00:55:49,359

the first thought in my mind was like

1470

00:55:57,190 --> 00:55:51,599

dude who gives you the right you know

1471

00:56:01,910 --> 00:55:59,510

as soon as i think that

1472

00:56:03,349 --> 00:56:01,920

he's like he's like whoa hang on and he

1473

00:56:05,750 --> 00:56:03,359

puts me in another one of these

1474

00:56:08,470 --> 00:56:05,760

immersive experiences

1475

00:56:10,470 --> 00:56:08,480

where he shows me like

1476

00:56:13,470 --> 00:56:10,480

through millennia

1477

00:56:16,630 --> 00:56:13,480

they had gone through and seen

1478

00:56:17,750 --> 00:56:16,640

civilizations achieve space travel

1479

00:56:21,829 --> 00:56:17,760

go up

1480

00:56:25,510 --> 00:56:21,839

pollute corrupt annihilate destroy

1481

00:56:27,270 --> 00:56:25,520

entire races species planets

1482

00:56:29,430 --> 00:56:27,280

and they're like we've tried it the

1483

00:56:32,150 --> 00:56:29,440

other way it doesn't work you need

1484

00:56:33,910 --> 00:56:32,160

someone to do this job and we're taking

1485

00:56:36,069 --> 00:56:33,920

the initiative yeah that sounds exactly

1486

00:56:38,789 --> 00:56:36,079

like something we would do yeah it

1487

00:56:42,549 --> 00:56:38,799

stinks it's hey that looks cool looks

1488

00:56:42,559 --> 00:56:46,870

exactly

1489

00:56:49,829 --> 00:56:48,150

you're making me think of something that

1490

00:56:51,349 --> 00:56:49,839

that uh

1491

00:56:53,109 --> 00:56:51,359

for a while i've been so nihilistic

1492

00:56:54,950 --> 00:56:53,119

about like humans like oh we've just

1493

00:56:57,430 --> 00:56:54,960

[h\_\_\h] ruined everything

1494

00:56:59,270 --> 00:56:57,440

whatever but maybe it's not humans maybe

1495

00:57:00,870 --> 00:56:59,280

it's just early life like maybe we're

1496

00:57:01,990 --> 00:57:00,880

just in our teen years and we're just

1497

00:57:03,670 --> 00:57:02,000

not allowed

1498

00:57:05,670 --> 00:57:03,680

you can't have our like your driver's

1499

00:57:07,750 --> 00:57:05,680

license yet like we're just

1500

00:57:10,630 --> 00:57:07,760

too errors possible maybe we're just too

1501  
00:57:13,670 --> 00:57:10,640  
young like maybe the human race isn't

1502  
00:57:15,510 --> 00:57:13,680  
bad you know man that's such a good

1503  
00:57:18,309 --> 00:57:15,520  
point i think you're totally right we're

1504  
00:57:20,150 --> 00:57:18,319  
i mean we're just babies right

1505  
00:57:22,789 --> 00:57:20,160  
you know that cry when we don't get what

1506  
00:57:25,030 --> 00:57:22,799  
we want and feel fits you know

1507  
00:57:27,510 --> 00:57:25,040  
it's not that we're bad it's like we

1508  
00:57:29,670 --> 00:57:27,520  
just haven't grown up i think you're

1509  
00:57:31,190 --> 00:57:29,680  
totally right man yeah because we would

1510  
00:57:33,430 --> 00:57:31,200  
get into a situation where like you have

1511  
00:57:34,309 --> 00:57:33,440  
the entire universe and we want to go

1512  
00:57:35,829 --> 00:57:34,319  
somewhere and there's another

1513  
00:57:37,030 --> 00:57:35,839

civilization like nope you can't go

1514

00:57:38,549 --> 00:57:37,040

right here and they're like no i want to

1515

00:57:41,109 --> 00:57:38,559

go right here and they're like do you

1516

00:57:43,430 --> 00:57:41,119

have the entire universe you can go

1517

00:57:44,950 --> 00:57:43,440

i want to go right here

1518

00:57:46,710 --> 00:57:44,960

exactly

1519

00:57:49,190 --> 00:57:46,720

we're going to call it

1520

00:57:50,870 --> 00:57:49,200

every time man that's like two more

1521

00:57:53,030 --> 00:57:50,880

years down the road

1522

00:57:54,549 --> 00:57:53,040

wait so why why are these two universes

1523

00:57:57,190 --> 00:57:54,559

at war oh cause like the first one

1524

00:57:59,109 --> 00:57:57,200

called dibs and like i didn't like that

1525

00:58:00,789 --> 00:57:59,119

because i saw it first though it's not

1526

00:58:02,710 --> 00:58:00,799

fair because i didn't know it was there

1527

00:58:04,309 --> 00:58:02,720

and now i know it's there now they can

1528

00:58:06,230 --> 00:58:04,319

just claim it well how did you find out

1529

00:58:09,270 --> 00:58:06,240

it was there well they told me that it

1530

00:58:12,150 --> 00:58:09,280

was there hold on

1531

00:58:13,910 --> 00:58:12,160

perfect guys do you guys need a timeout

1532

00:58:16,549 --> 00:58:13,920

yeah

1533

00:58:18,630 --> 00:58:16,559

i like that did they have a uh like um

1534

00:58:20,069 --> 00:58:18,640

do they have like a color to them the

1535

00:58:22,390 --> 00:58:20,079

the mantis

1536

00:58:25,030 --> 00:58:22,400

that's a great question actually one of

1537

00:58:26,870 --> 00:58:25,040

them looked a lot like the um like a

1538

00:58:30,630 --> 00:58:26,880

praying mantis here on earth one of them

1539

00:58:32,710 --> 00:58:30,640

was green with a you know angular chin

1540

00:58:34,230 --> 00:58:32,720

but the other one that i interacted with

1541

00:58:37,190 --> 00:58:34,240

was tan

1542

00:58:40,069 --> 00:58:37,200

and his chin was very square

1543

00:58:42,870 --> 00:58:40,079

he still looks like a mantis in a way

1544

00:58:46,069 --> 00:58:42,880

but just his color and facial shape are

1545

00:58:48,470 --> 00:58:46,079

different did they have any like uh

1546

00:58:50,710 --> 00:58:48,480

like masculine or feminine like

1547

00:58:53,109 --> 00:58:50,720

qualities to them

1548

00:58:55,990 --> 00:58:53,119

that's a great question so

1549

00:58:58,710 --> 00:58:56,000

all so basically i interacted with like

1550

00:58:59,910 --> 00:58:58,720

five or six distinct entities when i was

1551  
00:59:03,589 --> 00:58:59,920  
up there

1552  
00:59:04,710 --> 00:59:03,599  
they all exhibit masculine or feminine

1553  
00:59:07,750 --> 00:59:04,720  
traits

1554  
00:59:08,870 --> 00:59:07,760  
only one i interacted with one small

1555  
00:59:11,430 --> 00:59:08,880  
gray

1556  
00:59:15,030 --> 00:59:11,440  
that i would say was feminine

1557  
00:59:18,230 --> 00:59:15,040  
and i cannot put a finger on why

1558  
00:59:21,270 --> 00:59:18,240  
i would say that but you definitely get

1559  
00:59:23,190 --> 00:59:21,280  
that feeling yeah it's weird it's really

1560  
00:59:25,190 --> 00:59:23,200  
weird but just

1561  
00:59:27,589 --> 00:59:25,200  
i don't know why they would even have

1562  
00:59:29,109 --> 00:59:27,599  
malen but who am i like we're babies

1563  
00:59:30,950 --> 00:59:29,119

right you're trying to teach calculus to

1564

00:59:33,750 --> 00:59:30,960

a snail right

1565

00:59:36,470 --> 00:59:33,760

i hear a lot of experiencers

1566

00:59:38,309 --> 00:59:36,480

they they always talk about how you know

1567

00:59:40,870 --> 00:59:38,319

they'll have these encounters and

1568

00:59:43,910 --> 00:59:40,880

there's always this one feminine energy

1569

00:59:44,710 --> 00:59:43,920

that's in the room and you know

1570

00:59:46,870 --> 00:59:44,720

they're

1571

00:59:48,950 --> 00:59:46,880

assuming to the best of their ability

1572

00:59:51,430 --> 00:59:48,960

that like maybe it's there as like a

1573

00:59:53,589 --> 00:59:51,440

comfort like that energy

1574

00:59:56,309 --> 00:59:53,599

is more soothing you know especially to

1575

00:59:58,309 --> 00:59:56,319

humans you know we've even heard like in

1576

01:00:00,710 --> 00:59:58,319

the hybridization programs and things

1577

01:00:03,430 --> 01:00:00,720

how like the mother will still be taken

1578

01:00:05,510 --> 01:00:03,440

um because they need those hybrids need

1579

01:00:08,150 --> 01:00:05,520

that motherly connection so maybe that

1580

01:00:09,750 --> 01:00:08,160

feminine energy is there to kind of calm

1581

01:00:12,549 --> 01:00:09,760

you or help you through that whole

1582

01:00:14,309 --> 01:00:12,559

process maybe that's an awesome point

1583

01:00:16,710 --> 01:00:14,319

and i haven't really thought about that

1584

01:00:18,150 --> 01:00:16,720

much but it could just be like a front

1585

01:00:20,470 --> 01:00:18,160

that they're putting on in their

1586

01:00:23,990 --> 01:00:20,480

interactions with us right

1587

01:00:26,309 --> 01:00:24,000

the male and female energies yeah

1588

01:00:28,789 --> 01:00:26,319

yeah like maybe the idea of female and

1589

01:00:31,349 --> 01:00:28,799

male energies is like maybe the way we

1590

01:00:33,270 --> 01:00:31,359

think about it is very very primal and

1591

01:00:36,069 --> 01:00:33,280

and maybe simplistic where like in

1592

01:00:37,190 --> 01:00:36,079

actuality it's much more complicated

1593

01:00:39,910 --> 01:00:37,200

uh

1594

01:00:41,190 --> 01:00:39,920

to other entities or i don't know i i i

1595

01:00:43,270 --> 01:00:41,200

like thinking about that kind of stuff

1596

01:00:45,750 --> 01:00:43,280

like yeah yeah

1597

01:00:47,750 --> 01:00:45,760

kind of thing i mean now we're just now

1598

01:00:49,190 --> 01:00:47,760

getting into like non-binary but i

1599

01:00:51,270 --> 01:00:49,200

imagine they probably have like a

1600

01:00:54,390 --> 01:00:51,280

trillion different you know pronouns and

1601

01:00:56,390 --> 01:00:54,400

stuff yeah they might

1602

01:00:58,549 --> 01:00:56,400

or they may just have one

1603

01:01:00,470 --> 01:00:58,559

you know yeah right they may just have

1604

01:01:02,549 --> 01:01:00,480

one right yeah for sure

1605

01:01:04,549 --> 01:01:02,559

yeah it's like it's like an expansion

1606

01:01:06,230 --> 01:01:04,559

and then like contraction was it's like

1607

01:01:08,150 --> 01:01:06,240

it used to be so simple and it was like

1608

01:01:11,109 --> 01:01:08,160

super complicated and then back to back

1609

01:01:13,030 --> 01:01:11,119

there yeah back to one yeah yeah that's

1610

01:01:15,670 --> 01:01:13,040

cool intuitively i feel like that's

1611

01:01:17,349 --> 01:01:15,680

probably uh a fact of the universe

1612

01:01:18,789 --> 01:01:17,359

sounds pretty interesting that they were

1613

01:01:22,069 --> 01:01:18,799

put here to make sure certain

1614

01:01:24,789 --> 01:01:22,079

civilizations don't advance too quickly

1615

01:01:26,230 --> 01:01:24,799

into space before that they're ready um

1616

01:01:27,589 --> 01:01:26,240

you know and maybe

1617

01:01:29,430 --> 01:01:27,599

some of these you know this is all

1618

01:01:31,190 --> 01:01:29,440

speculation obviously maybe some of

1619

01:01:33,829 --> 01:01:31,200

these negative encounters that people

1620

01:01:36,230 --> 01:01:33,839

have are the remnants of these other

1621

01:01:38,390 --> 01:01:36,240

civilizations that did do stuff like

1622

01:01:40,309 --> 01:01:38,400

that and it you know

1623

01:01:42,549 --> 01:01:40,319

you know the even though they are ets

1624

01:01:45,109 --> 01:01:42,559

you know they possibly just can't keep

1625

01:01:47,510 --> 01:01:45,119

an eye on all of them all the time you

1626  
01:01:49,750 --> 01:01:47,520  
know so occasionally the negative things

1627  
01:01:51,990 --> 01:01:49,760  
slip through and you have the negative

1628  
01:01:54,390 --> 01:01:52,000  
experience you know a lot of experience

1629  
01:01:57,109 --> 01:01:54,400  
talk experiences talk about how you know

1630  
01:01:59,510 --> 01:01:57,119  
at first i was terrified when i filled

1631  
01:02:01,430 --> 01:01:59,520  
out a survey i was absolutely mortified

1632  
01:02:04,470 --> 01:02:01,440  
by this you know the whole situation but

1633  
01:02:05,990 --> 01:02:04,480  
then later on in life i came to have a

1634  
01:02:07,990 --> 01:02:06,000  
different understanding and a different

1635  
01:02:10,150 --> 01:02:08,000  
perspective on the whole thing so i

1636  
01:02:12,630 --> 01:02:10,160  
switch my negative to a positive

1637  
01:02:15,349 --> 01:02:12,640  
encounter in the end but then there's

1638  
01:02:18,150 --> 01:02:15,359

just that it's what seems to be a

1639

01:02:20,950 --> 01:02:18,160

smaller group that's like nope always

1640

01:02:22,230 --> 01:02:20,960

negative never had a good time

1641

01:02:23,990 --> 01:02:22,240

it's not for me

1642

01:02:25,750 --> 01:02:24,000

and you know sometimes it doesn't end

1643

01:02:27,910 --> 01:02:25,760

well and it's just you know that's

1644

01:02:30,390 --> 01:02:27,920

that's like the real scary part of this

1645

01:02:31,589 --> 01:02:30,400

whole thing is we do have a lot of

1646

01:02:34,630 --> 01:02:31,599

positive

1647

01:02:38,549 --> 01:02:36,789

but we can't leave out the negative ones

1648

01:02:41,270 --> 01:02:38,559

too because you know they definitely are

1649

01:02:43,270 --> 01:02:41,280

happening or or seem to be happening to

1650

01:02:44,789 --> 01:02:43,280

certain people and that's

1651

01:02:47,349 --> 01:02:44,799

that's

1652

01:02:49,990 --> 01:02:47,359

know

1653

01:02:52,549 --> 01:02:50,000

definitely there's a whole spectrum out

1654

01:02:54,549 --> 01:02:52,559

there right and i don't discount anyone

1655

01:02:57,029 --> 01:02:54,559

that says they've had like entirely

1656

01:02:59,510 --> 01:02:57,039

negative experiences and wanted to stop

1657

01:03:01,510 --> 01:02:59,520

you know as part of the move on ert one

1658

01:03:03,349 --> 01:03:01,520

of my jobs is to give them resources you

1659

01:03:05,029 --> 01:03:03,359

know we have resources if you want them

1660

01:03:06,950 --> 01:03:05,039

to stop you know people that there's

1661

01:03:09,349 --> 01:03:06,960

things people have done successfully and

1662

01:03:12,069 --> 01:03:09,359

i give people those resources yeah it's

1663

01:03:15,990 --> 01:03:12,079

very interesting yeah

1664

01:03:17,910 --> 01:03:16,000

dang well peter it's uh it's 903 or 1103

1665

01:03:21,750 --> 01:03:17,920

where you're at are are we good on time

1666

01:03:24,069 --> 01:03:21,760

or uh uh my apologies guys i've got to

1667

01:03:26,870 --> 01:03:24,079

roll it's yeah no worries it's workaday

1668

01:03:29,430 --> 01:03:26,880

time here in japan i really appreciate

1669

01:03:30,789 --> 01:03:29,440

you having me on the show

1670

01:03:32,150 --> 01:03:30,799

definitely man it would definitely have

1671

01:03:34,069 --> 01:03:32,160

you back on it we'll have a little

1672

01:03:36,309 --> 01:03:34,079

longer conversation we can keep going

1673

01:03:38,630 --> 01:03:36,319

right so

1674

01:03:39,589 --> 01:03:38,640

anyone would like to know how to do this

1675

01:03:42,230 --> 01:03:39,599

stuff

1676

01:03:45,349 --> 01:03:42,240

i don't sell anything on my website it's

1677

01:03:49,109 --> 01:03:47,109

i just put it up there to help people

1678

01:03:50,710 --> 01:03:49,119

learn how to do this so get on there and

1679

01:03:51,670 --> 01:03:50,720

try it yourself that's why i came

1680

01:03:54,390 --> 01:03:51,680

forward

1681

01:03:55,829 --> 01:03:54,400

i'm hoping other people do it yeah yeah

1682

01:03:58,630 --> 01:03:55,839

if you're interested give it a shot not

1683

01:04:01,109 --> 01:03:58,640

just my method do whatever you can

1684

01:04:03,190 --> 01:04:01,119

definitely awesome yeah thanks a lot

1685

01:04:04,789 --> 01:04:03,200

guys i love you yeah man thank you so

1686

01:04:06,950 --> 01:04:04,799

much for stopping by tonight man this

1687

01:04:07,670 --> 01:04:06,960

has been awesome or today in your case

1688

01:04:09,990 --> 01:04:07,680

right

1689

01:04:11,750 --> 01:04:10,000

this has been awesome

1690

01:04:13,750 --> 01:04:11,760

again okay yeah definitely we'll have

1691

01:04:15,349 --> 01:04:13,760

you on soon that'd be great man

1692

01:04:17,750 --> 01:04:15,359

all right thanks a lot peace peace

1693

01:04:20,309 --> 01:04:17,760

thanks man thank you later man

1694

01:04:22,870 --> 01:04:20,319

that was great dude dude

1695

01:04:24,950 --> 01:04:22,880

that was amazing yeah that was that was

1696

01:04:28,069 --> 01:04:24,960

that was pretty awesome i love those

1697

01:04:33,029 --> 01:04:30,789

just the the detail dude like that's

1698

01:04:36,309 --> 01:04:33,039

that's a cool one like that's that's a

1699

01:04:37,430 --> 01:04:36,319

new one for me that's a cool one to uh

1700

01:04:39,029 --> 01:04:37,440

you know

1701

01:04:42,309 --> 01:04:39,039

be

1702

01:04:45,270 --> 01:04:42,319

kind of put in like a movie and

1703

01:04:46,950 --> 01:04:45,280

transported back you know millennia to

1704

01:04:48,309 --> 01:04:46,960

see the development of another

1705

01:04:51,029 --> 01:04:48,319

civilization

1706

01:04:53,589 --> 01:04:51,039

like as a movie and kind of understand

1707

01:04:55,029 --> 01:04:53,599

like who they are and what they're doing

1708

01:04:56,309 --> 01:04:55,039

a little bit because we never get that

1709

01:04:57,510 --> 01:04:56,319

right so i was like what are they doing

1710

01:04:59,990 --> 01:04:57,520

like i don't know they just want us to

1711

01:05:01,990 --> 01:05:00,000

like not pollute the oceans right yes it

1712

01:05:05,670 --> 01:05:02,000

was different this was like hey

1713

01:05:07,589 --> 01:05:05,680

here's what we were doing you know yeah

1714

01:05:09,990 --> 01:05:07,599

dude such a

1715

01:05:12,230 --> 01:05:10,000

an an interesting perspective i've not

1716

01:05:15,270 --> 01:05:12,240

heard that before exactly yeah just

1717

01:05:16,390 --> 01:05:15,280

exactly ditto but uh dude you know what

1718

01:05:19,589 --> 01:05:16,400

that

1719

01:05:21,829 --> 01:05:19,599

uh aspect reminded me of was um throw

1720

01:05:23,109 --> 01:05:21,839

alien

1721

01:05:25,430 --> 01:05:23,119

and uh

1722

01:05:27,349 --> 01:05:25,440

you know in that story if if if you all

1723

01:05:30,470 --> 01:05:27,359

haven't heard about this guys listening

1724

01:05:33,510 --> 01:05:30,480

uh live or on youtube or on the podcast

1725

01:05:36,470 --> 01:05:33,520

uh throw a whaley and is a

1726

01:05:38,870 --> 01:05:36,480

a reddit story this dude it's a crazy

1727

01:05:41,750 --> 01:05:38,880

rabbit hole but um

1728

01:05:44,870 --> 01:05:41,760

his story is is very very similar in

1729

01:05:47,029 --> 01:05:44,880

that aspect where he meets these greys

1730

01:05:48,549 --> 01:05:47,039

that are actually tan in color

1731

01:05:50,150 --> 01:05:48,559

which i found really interesting that

1732

01:05:52,710 --> 01:05:50,160

peter kept saying that they're not he

1733

01:05:54,950 --> 01:05:52,720

never said they were tall whites

1734

01:05:56,309 --> 01:05:54,960

whites

1735

01:05:58,390 --> 01:05:56,319

but they were like a tan color which

1736

01:06:01,589 --> 01:05:58,400

that's that's what uh throw a throwaway

1737

01:06:04,870 --> 01:06:01,599

alien said as well yeah dude and another

1738

01:06:07,589 --> 01:06:04,880

aspect is that they showed him of things

1739

01:06:09,829 --> 01:06:07,599

from our past and their past

1740

01:06:14,789 --> 01:06:09,839

uh namely like them

1741

01:06:18,470 --> 01:06:14,799

uh or us building monoliths then huge

1742

01:06:20,069 --> 01:06:18,480

giant uh

1743

01:06:24,390 --> 01:06:20,079

balls

1744

01:06:25,990 --> 01:06:24,400

giant blocks of stone so like yeah

1745

01:06:29,589 --> 01:06:26,000

like but they showed him

1746

01:06:31,109 --> 01:06:29,599

video like that's what he remembers um

1747

01:06:32,390 --> 01:06:31,119

so i thought that was that was cool

1748

01:06:33,190 --> 01:06:32,400

that's a cool connection

1749

01:06:39,430 --> 01:06:33,200

yeah

1750

01:06:42,309 --> 01:06:39,440

pretty uh pretty awesome story man

1751

01:06:44,870 --> 01:06:42,319

40 contacts like that's you know or

1752

01:06:47,430 --> 01:06:44,880

being shown 40 different times i guess

1753

01:06:48,390 --> 01:06:47,440

what was it three previous contacts and

1754

01:06:49,670 --> 01:06:48,400

then

1755

01:06:52,230 --> 01:06:49,680

it was like hey

1756

01:06:53,750 --> 01:06:52,240

i'm coming over to your house buddy

1757

01:06:56,390 --> 01:06:53,760

and it started just going up there

1758

01:06:57,829 --> 01:06:56,400

instead yeah that's awesome dude i mean

1759

01:06:59,510 --> 01:06:57,839

i guess if you don't want them to show

1760

01:07:01,270 --> 01:06:59,520

up in your room and like just be taking

1761

01:07:02,950 --> 01:07:01,280

you when you don't like

1762

01:07:04,870 --> 01:07:02,960

expect it you might as well just go up

1763

01:07:06,950 --> 01:07:04,880

there and be like hey

1764

01:07:11,270 --> 01:07:06,960

they're like one day they're like oh

1765

01:07:15,589 --> 01:07:11,280

uh hey we weren't expecting you today

1766

01:07:18,150 --> 01:07:15,599

hey uh i'm in the shower uh can you not

1767

01:07:19,349 --> 01:07:18,160

you know yeah that's

1768

01:07:21,109 --> 01:07:19,359

uh cindy's question i can't believe i

1769

01:07:23,190 --> 01:07:21,119

think she might have uh asked this

1770

01:07:24,950 --> 01:07:23,200

earlier but i don't know joe can you

1771

01:07:26,150 --> 01:07:24,960

answer this one uh i can't believe uh

1772

01:07:28,950 --> 01:07:26,160

cindy asked i can't believe i'm gonna

1773

01:07:31,029 --> 01:07:28,960

ask this but are mantis uh mantis

1774

01:07:34,630 --> 01:07:31,039

typically associated with a particular

1775

01:07:37,270 --> 01:07:34,640

craft you know i don't know specifically

1776

01:07:40,549 --> 01:07:37,280

um but all of the stories that i've ever

1777

01:07:42,470 --> 01:07:40,559

heard of mantis it seems like nobody's

1778

01:07:45,270 --> 01:07:42,480

ever seen the craft like i never get a

1779

01:07:48,309 --> 01:07:45,280

description of the craft it always seems

1780

01:07:50,390 --> 01:07:48,319

like they had an encounter you know

1781

01:07:52,470 --> 01:07:50,400

earlier in life or later on down the

1782

01:07:54,789 --> 01:07:52,480

road where they did see something on the

1783

01:07:57,190 --> 01:07:54,799

ground and then they had missing time

1784

01:07:59,029 --> 01:07:57,200

but like usually like when people see

1785

01:08:01,510 --> 01:07:59,039

like the mantis it's always like already

1786

01:08:04,069 --> 01:08:01,520

inside of a craft or it's like in their

1787

01:08:06,230 --> 01:08:04,079

house like they never see even like in

1788

01:08:07,270 --> 01:08:06,240

peter's case right they took him out the

1789

01:08:09,510 --> 01:08:07,280

window

1790

01:08:11,510 --> 01:08:09,520

and like he didn't see the craft and

1791

01:08:13,829 --> 01:08:11,520

it's it's just that's that's always such

1792

01:08:16,390 --> 01:08:13,839

like a crazy thing you know like people

1793

01:08:18,390 --> 01:08:16,400

are taken and then like they see this

1794

01:08:21,030 --> 01:08:18,400

light but for some reason

1795

01:08:23,590 --> 01:08:21,040

they never see the the big ass craft

1796

01:08:25,030 --> 01:08:23,600

right like that's that's pretty wild

1797

01:08:26,550 --> 01:08:25,040

that's kind of what i was

1798

01:08:28,070 --> 01:08:26,560

digging a little bit with peter story

1799

01:08:29,510 --> 01:08:28,080

like can you describe the craft i was

1800

01:08:31,749 --> 01:08:29,520

hoping maybe he would get to the outside

1801

01:08:34,309 --> 01:08:31,759

but it sounds like it's always the yeah

1802

01:08:36,789 --> 01:08:34,319

the inside uh jake jake the snake our

1803

01:08:38,870 --> 01:08:36,799

buddy jake hey uh i had a good question

1804

01:08:40,870 --> 01:08:38,880

earlier i think i popped it up and then

1805

01:08:43,110 --> 01:08:40,880

i'm just i'm not good at showing com

1806

01:08:45,030 --> 01:08:43,120

comments man i'm terrible at that

1807

01:08:47,590 --> 01:08:45,040

bad timing but uh

1808

01:08:51,510 --> 01:08:47,600

uh his uh comment was

1809

01:08:52,789 --> 01:08:51,520

uh military bases often have that uh

1810

01:08:54,229 --> 01:08:52,799

innocuous

1811

01:08:57,110 --> 01:08:54,239

very

1812

01:08:58,789 --> 01:08:57,120

uh diffused light uh room like a room

1813

01:09:01,749 --> 01:08:58,799

full of of light like you're you're

1814

01:09:03,430 --> 01:09:01,759

surrounded by soft boxes yeah uh so i

1815

01:09:04,709 --> 01:09:03,440

thought that was interesting because i

1816

01:09:06,470 --> 01:09:04,719

mean that was up a whole different

1817

01:09:09,189 --> 01:09:06,480

window like man what if

1818

01:09:10,709 --> 01:09:09,199

did the crafts that we talk about or

1819

01:09:13,430 --> 01:09:10,719

experiencers talking about

1820

01:09:16,709 --> 01:09:13,440

aren't actually on spacecraft but

1821

01:09:19,189 --> 01:09:16,719

underground on right here on earth

1822

01:09:21,590 --> 01:09:19,199

very well could be man you know like he

1823

01:09:24,229 --> 01:09:21,600

was talking about area 51 and how he

1824

01:09:26,709 --> 01:09:24,239

couldn't remote view in there

1825

01:09:28,709 --> 01:09:26,719

like it's it's like a faraday cage for

1826

01:09:29,829 --> 01:09:28,719

like your mind yeah there's some [h\_\_h]

1827

01:09:31,669 --> 01:09:29,839

you know it's something like you can't

1828

01:09:34,390 --> 01:09:31,679

get through like it's a block

1829

01:09:36,070 --> 01:09:34,400

and you would you you know like

1830

01:09:37,430 --> 01:09:36,080

if you research something like that

1831

01:09:39,990 --> 01:09:37,440

you'd be like okay

1832

01:09:42,149 --> 01:09:40,000

he just found a base underground

1833

01:09:44,309 --> 01:09:42,159

in another country

1834

01:09:47,430 --> 01:09:44,319

hundreds of thousands of miles away

1835

01:09:50,789 --> 01:09:47,440

that means that we need to figure out

1836

01:09:51,910 --> 01:09:50,799

how he can't see into our [h\_\_h] right

1837

01:09:55,189 --> 01:09:51,920

because

1838

01:09:57,270 --> 01:09:55,199

yeah so when i asked that question that

1839

01:10:00,070 --> 01:09:57,280

uh there was a couple times where i kind

1840

01:10:01,910 --> 01:10:00,080

of bit my tongue a little bit but

1841

01:10:03,430 --> 01:10:01,920

that question when i was like hey so we

1842

01:10:05,350 --> 01:10:03,440

know that the government uses this

1843

01:10:06,790 --> 01:10:05,360

technology we know that they they looked

1844

01:10:08,149 --> 01:10:06,800

at this [h\_\_h] they're probably still

1845

01:10:10,630 --> 01:10:08,159

using it

1846

01:10:11,830 --> 01:10:10,640

uh can you just like

1847

01:10:13,669 --> 01:10:11,840

well the question was could you just

1848

01:10:15,030 --> 01:10:13,679

eavesdrop on anybody and i mean

1849

01:10:16,550 --> 01:10:15,040

obviously like the question like the

1850

01:10:18,950 --> 01:10:16,560

answer is yes

1851

01:10:20,790 --> 01:10:18,960

but i can understand where he might be

1852

01:10:22,070 --> 01:10:20,800

uncomfortable because if he he was like

1853

01:10:24,310 --> 01:10:22,080

oh yeah i could listen to [h\_\_h]

1854

01:10:26,790 --> 01:10:24,320

anybody i want to

1855

01:10:28,790 --> 01:10:26,800

that'd be kind of dangerous yeah but but

1856

01:10:30,390 --> 01:10:28,800

he did bring up that like no

1857

01:10:31,910 --> 01:10:30,400

certain places

1858

01:10:33,189 --> 01:10:31,920

i mean uh

1859

01:10:35,510 --> 01:10:33,199

interesting that he didn't bring up

1860

01:10:37,189 --> 01:10:35,520

people because i did ask about people so

1861

01:10:39,110 --> 01:10:37,199

he brought up places i thought it was

1862

01:10:39,990 --> 01:10:39,120

very very tactical and that was that was

1863

01:10:41,510 --> 01:10:40,000

cool

1864

01:10:43,350 --> 01:10:41,520

uh but

1865

01:10:45,189 --> 01:10:43,360

so him saying that about area 51 and

1866

01:10:46,550 --> 01:10:45,199

that he couldn't get in mean

1867

01:10:48,709 --> 01:10:46,560

to me that means it's the same for

1868

01:10:51,110 --> 01:10:48,719

people like

1869

01:10:54,149 --> 01:10:51,120

uh if you try to to eavesdrop on

1870

01:10:56,070 --> 01:10:54,159

somebody via astral projection

1871

01:10:58,470 --> 01:10:56,080

there's blocks in place or maybe there's

1872

01:11:00,070 --> 01:10:58,480

people like like men in black that are

1873

01:11:02,310 --> 01:11:00,080

they're always hanging around around the

1874

01:11:03,669 --> 01:11:02,320

the president yeah that maybe they're

1875

01:11:05,030 --> 01:11:03,679

just really good that's why they shave

1876

01:11:05,750 --> 01:11:05,040

their hair dude because hair gets in the

1877

01:11:08,709 --> 01:11:05,760

way

1878

01:11:10,950 --> 01:11:08,719

yeah yeah they produce stronger signals

1879

01:11:13,110 --> 01:11:10,960

and they got to be standing like 10 feet

1880

01:11:16,630 --> 01:11:13,120

apart otherwise there's a gap in the

1881

01:11:18,709 --> 01:11:16,640

signal the shield it's like a wi-fi mesh

1882

01:11:20,950 --> 01:11:18,719

yeah that's why jeff bezos has a [h\_\_\h]

1883

01:11:23,590 --> 01:11:20,960

shaved shiny ass head dude

1884

01:11:25,430 --> 01:11:23,600

dude yeah like the uh because that's

1885

01:11:26,870 --> 01:11:25,440

where you would hide your [h\_\_\h] right

1886

01:11:28,550 --> 01:11:26,880

that's that's where you're hiding it

1887

01:11:30,470 --> 01:11:28,560

you're not just gonna put it in like

1888

01:11:31,750 --> 01:11:30,480

some hangers above ground

1889

01:11:34,149 --> 01:11:31,760

you're hiding it in that room that

1890

01:11:36,470 --> 01:11:34,159

nobody can after travel into that [h\_\_h]

1891

01:11:39,110 --> 01:11:36,480

nobody can physically go in there or

1892

01:11:40,390 --> 01:11:39,120

mentally go in there yeah i built a room

1893

01:11:43,030 --> 01:11:40,400

that you can

1894

01:11:44,070 --> 01:11:43,040

neither physically or mentally get

1895

01:11:45,910 --> 01:11:44,080

inside

1896

01:11:49,189 --> 01:11:45,920

mentally like that's

1897

01:11:50,709 --> 01:11:49,199

crazy that's so freaking crazy that is

1898

01:11:53,350 --> 01:11:50,719

so cool dude and it makes you wonder

1899

01:11:55,830 --> 01:11:53,360

like what other buildings are like that

1900

01:11:57,830 --> 01:11:55,840

who are the contractors to build those

1901

01:12:00,310 --> 01:11:57,840

buildings what kind of materials are

1902

01:12:01,430 --> 01:12:00,320

they using what do they know you know

1903

01:12:03,830 --> 01:12:01,440

they're definitely like private

1904

01:12:06,950 --> 01:12:03,840

contractors um

1905

01:12:08,950 --> 01:12:06,960

this insulation is not uh it's

1906

01:12:11,270 --> 01:12:08,960

industry standard this is uh yeah

1907

01:12:14,070 --> 01:12:11,280

anti-as astral projection like they're

1908

01:12:16,070 --> 01:12:14,080

not just hiring laborers off of indeed

1909

01:12:16,950 --> 01:12:16,080

you know what i'm saying build this room

1910

01:12:18,790 --> 01:12:16,960

like

1911

01:12:20,550 --> 01:12:18,800

who the hell are they contracting out to

1912

01:12:22,149 --> 01:12:20,560

build that like who's got that contract

1913

01:12:24,709 --> 01:12:22,159

to build the walls to keep astral

1914

01:12:26,630 --> 01:12:24,719

projection out right you know

1915

01:12:28,630 --> 01:12:26,640

right well that's that's even just

1916

01:12:30,630 --> 01:12:28,640

saying that it's a it's a physical

1917

01:12:32,149 --> 01:12:30,640

structure or or

1918

01:12:34,070 --> 01:12:32,159

uh material

1919

01:12:36,149 --> 01:12:34,080

right it could it could just it could

1920

01:12:38,229 --> 01:12:36,159

just be like all you have to do is set

1921

01:12:39,990 --> 01:12:38,239

up a perimeter

1922

01:12:41,910 --> 01:12:40,000

of little vibrating

1923

01:12:43,350 --> 01:12:41,920

things like little things that vibrate

1924

01:12:45,669 --> 01:12:43,360

in a certain

1925

01:12:47,350 --> 01:12:45,679

vibrators you just put a satellite on

1926

01:12:49,750 --> 01:12:47,360

the top of your building and emit a

1927

01:12:51,910 --> 01:12:49,760

frequency that won't allow it to go in

1928

01:12:54,070 --> 01:12:51,920

you know that's that sounds easier it's

1929

01:12:56,310 --> 01:12:54,080

probably like a it's probably like a 80

1930

01:12:58,070 --> 01:12:56,320

fix right yeah right we're making it

1931

01:13:00,950 --> 01:12:58,080

sound like it's like this multi-billion

1932

01:13:03,510 --> 01:13:00,960

dollar like you know black ops project

1933

01:13:05,669 --> 01:13:03,520

with secret contractors that governments

1934

01:13:07,510 --> 01:13:05,679

are you know colluding around the world

1935

01:13:09,910 --> 01:13:07,520

to to have come work on they're like no

1936

01:13:12,229 --> 01:13:09,920

dude you just put a satellite on top and

1937

01:13:13,910 --> 01:13:12,239

[h\_\_h] play reruns of seinfeld all day

1938

01:13:15,830 --> 01:13:13,920

and you can't astral projecting there

1939

01:13:16,950 --> 01:13:15,840

it's weird runs on a really heavy

1940

01:13:19,350 --> 01:13:16,960

frequency

1941

01:13:22,310 --> 01:13:19,360

specifically episode three of seinfeld

1942

01:13:23,910 --> 01:13:22,320

episode season one oh god

1943

01:13:25,669 --> 01:13:23,920

or it's one or it's one of those like

1944

01:13:27,270 --> 01:13:25,679

universal remote controls that you buy

1945

01:13:29,350 --> 01:13:27,280

for your grandma that has like four

1946

01:13:33,189 --> 01:13:29,360

buttons and then you just like tape the

1947

01:13:34,310 --> 01:13:33,199

button down then it just like radio

1948

01:13:39,030 --> 01:13:34,320

yes

1949

01:13:43,590 --> 01:13:39,040

what is the irif id i don't know

1950

01:13:47,910 --> 01:13:45,990

are you excited about tattoos tomorrow i

1951

01:13:49,270 --> 01:13:47,920

ca i'm i'm i feel like a little kid i'm

1952

01:13:51,030 --> 01:13:49,280

so giddy

1953

01:13:53,189 --> 01:13:51,040

i know i love tattoos man i'm pretty

1954

01:13:54,310 --> 01:13:53,199

stoked i love getting tattoos i'm so

1955

01:13:57,430 --> 01:13:54,320

stoked

1956

01:14:00,950 --> 01:13:57,440

like

1957

01:14:02,709 --> 01:14:00,960

wuss out are you

1958

01:14:04,630 --> 01:14:02,719

no you're not gonna change your mind are

1959

01:14:05,990 --> 01:14:04,640

you dude no dude

1960

01:14:07,590 --> 01:14:06,000

you're not gonna change you're not

1961

01:14:09,669 --> 01:14:07,600

you're not gonna like get it on your

1962

01:14:13,350 --> 01:14:09,679

your your like lower back at the last

1963

01:14:15,270 --> 01:14:13,360

moment oh no absolutely not

1964

01:14:17,430 --> 01:14:15,280

where are you going to get yours dude

1965

01:14:18,709 --> 01:14:17,440

on my lower back my lower back right

1966

01:14:21,110 --> 01:14:18,719

above my my

1967

01:14:23,110 --> 01:14:21,120

my butt crack

1968

01:14:25,189 --> 01:14:23,120

that's what that's that's where the men

1969

01:14:27,189 --> 01:14:25,199

get it

1970

01:14:29,189 --> 01:14:27,199

love your butt crack yeah

1971

01:14:31,669 --> 01:14:29,199

i'm still i'm still debating man i don't

1972

01:14:34,070 --> 01:14:31,679

know if i want it here if i want it on

1973

01:14:37,030 --> 01:14:34,080

the side you know

1974

01:14:39,110 --> 01:14:37,040

uh i think i'm gonna do it sideways like

1975

01:14:41,030 --> 01:14:39,120

right here my arm's so damn skinny and

1976

01:14:43,669 --> 01:14:41,040

tiny like i just not a lot of real

1977

01:14:46,950 --> 01:14:43,679

estate i'm just thinking too you know

1978

01:14:48,870 --> 01:14:46,960

well that i don't want to copy you

1979

01:14:51,270 --> 01:14:48,880

you you said here

1980

01:14:53,270 --> 01:14:51,280

okay i'll do i'll go here so you know

1981

01:14:55,590 --> 01:14:53,280

where this one is yeah so on the other

1982

01:14:58,070 --> 01:14:55,600

side but like sideways

1983

01:15:01,270 --> 01:14:58,080

right yeah yeah yeah so no i was saying

1984

01:15:04,070 --> 01:15:01,280

on the inside of the arm yeah not the

1985

01:15:05,910 --> 01:15:04,080

underside like you were getting but i

1986

01:15:10,790 --> 01:15:05,920

might do it here

1987

01:15:13,510 --> 01:15:10,800

that'd be dope just because like it is

1988

01:15:15,430 --> 01:15:13,520

the logo uh-huh

1989

01:15:16,790 --> 01:15:15,440

so you feel like

1990

01:15:18,390 --> 01:15:16,800

i don't know i wonder if you could fill

1991

01:15:19,590 --> 01:15:18,400

it in like around with like some stars

1992

01:15:20,630 --> 01:15:19,600

or something that'd be kind of cool like

1993

01:15:22,790 --> 01:15:20,640

fill on the

1994

01:15:24,630 --> 01:15:22,800

well i i figured maybe if you cocked it

1995

01:15:27,990 --> 01:15:24,640

at an angle like that it would fit kind

1996

01:15:30,630 --> 01:15:28,000

of cool ah you know

1997

01:15:32,790 --> 01:15:30,640

those flames kind of wrap a little bit

1998

01:15:35,590 --> 01:15:32,800

that way like right here but the car

1999

01:15:37,350 --> 01:15:35,600

will be kind of sideways so you'll get

2000

01:15:39,030 --> 01:15:37,360

the cool flames and then the higher

2001

01:15:40,709 --> 01:15:39,040

flames

2002

01:15:43,270 --> 01:15:40,719

yeah you know

2003

01:15:45,270 --> 01:15:43,280

i'm trying to show uh nightmares um

2004

01:15:48,310 --> 01:15:45,280

uh whoever flakes out i will hunt you

2005

01:15:50,950 --> 01:15:48,320

down what oh

2006

01:15:52,950 --> 01:15:50,960

i can't find it uh but it but it's also

2007

01:15:54,790 --> 01:15:52,960

a uh notification that nightmare's been

2008

01:15:57,590 --> 01:15:54,800

a member for three months

2009

01:15:58,870 --> 01:15:57,600

dude freaking thanks dude

2010

01:16:00,870 --> 01:15:58,880

congratulations

2011

01:16:02,550 --> 01:16:00,880

hell yeah thank you

2012

01:16:05,189 --> 01:16:02,560

god

2013

01:16:08,390 --> 01:16:05,199

champ says uh face tats

2014

01:16:08,400 --> 01:16:10,870

no

2015

01:16:15,590 --> 01:16:12,630

dude what if you shaved your eyebrows

2016

01:16:18,470 --> 01:16:15,600

and tattooed two little ufos oh my god

2017

01:16:19,750 --> 01:16:18,480

over your eyebrows that'd be sick

2018

01:16:23,990 --> 01:16:19,760

and then when you close your eyes

2019

01:16:27,350 --> 01:16:25,030

dope

2020

01:16:30,310 --> 01:16:27,360

yeah like glow in the dark

2021

01:16:32,630 --> 01:16:30,320

or or you put two like two gray aliens

2022

01:16:35,350 --> 01:16:32,640

popping up over your your eyelashes like

2023

01:16:36,709 --> 01:16:35,360

they're they're looking over a fence

2024

01:16:39,430 --> 01:16:36,719

you know

2025

01:16:41,669 --> 01:16:39,440

look on you to your eyebrows

2026

01:16:43,750 --> 01:16:41,679

close your eyes like

2027

01:16:45,510 --> 01:16:43,760

what if it's like yeah like there's like

2028

01:16:46,950 --> 01:16:45,520

a face here and then on your eyelid

2029

01:16:48,149 --> 01:16:46,960

there's it's like they're pulling down

2030

01:16:53,910 --> 01:16:48,159

they're like they're like mooning you

2031

01:16:58,229 --> 01:16:55,990

let's see here what do we got i don't

2032

01:16:59,430 --> 01:16:58,239

know what i want to do for the next

2033

01:17:00,830 --> 01:16:59,440

i mean

2034

01:17:03,590 --> 01:17:00,840

we can open up

2035

01:17:07,830 --> 01:17:03,600

the do you want to do some randos maybe

2036

01:17:12,390 --> 01:17:10,470

i'm gonna put that link out

2037

01:17:14,709 --> 01:17:12,400

do you remember the phantom farter yeah

2038

01:17:17,030 --> 01:17:14,719

i remember him

2039

01:17:17,910 --> 01:17:17,040

let's see here what's going on in the

2040

01:17:19,750 --> 01:17:17,920

chat

2041

01:17:27,030 --> 01:17:19,760

i haven't i haven't looked in a whole

2042

01:17:30,950 --> 01:17:28,790

dude

2043

01:17:33,510 --> 01:17:30,960

i want to go back to that that

2044

01:17:35,590 --> 01:17:33,520

not being able to ask or travel into

2045

01:17:39,510 --> 01:17:35,600

places

2046

01:17:46,070 --> 01:17:40,790

if

2047

01:17:47,910 --> 01:17:46,080

right where you can

2048

01:17:49,590 --> 01:17:47,920

like is there just get past anything

2049

01:17:51,590 --> 01:17:49,600

like is there different levels of like

2050

01:17:53,350 --> 01:17:51,600

astral projection like you're just like

2051

01:17:56,709 --> 01:17:53,360

like maybe you have to keep practicing

2052

01:17:59,990 --> 01:17:56,719

and practicing maybe it takes more focus

2053

01:18:01,910 --> 01:18:00,000

dude or uh like like where like if you

2054

01:18:03,430 --> 01:18:01,920

people say yeah you can go anywhere you

2055

01:18:04,950 --> 01:18:03,440

want

2056

01:18:07,669 --> 01:18:04,960

but like i never hear anybody tell any

2057

01:18:09,750 --> 01:18:07,679

cool stories like oh i went to uh you

2058

01:18:11,910 --> 01:18:09,760

know that big ass cloud that's like on

2059

01:18:14,149 --> 01:18:11,920

all the pictures where like stars are

2060

01:18:15,270 --> 01:18:14,159

being born yeah i went there you know

2061

01:18:16,950 --> 01:18:15,280

like yourself

2062

01:18:17,910 --> 01:18:16,960

yeah like i would want to go check that

2063

01:18:18,870 --> 01:18:17,920

out

2064

01:18:21,030 --> 01:18:18,880

dude

2065

01:18:22,790 --> 01:18:21,040

it's the universe like why wouldn't you

2066

01:18:24,630 --> 01:18:22,800

go like why wouldn't you be like i want

2067

01:18:25,590 --> 01:18:24,640

to go to the end of it i want to go to

2068

01:18:28,390 --> 01:18:25,600

the end

2069

01:18:33,270 --> 01:18:28,400

and see what's up so i want to build

2070

01:18:39,350 --> 01:18:36,149

i bet it's a [h\_\_\h] uh uh

2071

01:18:40,229 --> 01:18:39,360

oh damn it what's the the beefy melty

2072

01:18:42,790 --> 01:18:40,239

uh

2073

01:18:44,310 --> 01:18:42,800

terrible sandwich um arby's i bet it's

2074

01:18:47,510 --> 01:18:44,320

an arby's

2075

01:18:50,149 --> 01:18:47,520

on a floating little tiny asteroid it's

2076

01:18:58,790 --> 01:18:50,159

the last it's the last restaurant in the

2077

01:19:02,870 --> 01:19:01,110

i still wouldn't stop i'm sorry

2078

01:19:05,110 --> 01:19:02,880

i gave it a second chance

2079

01:19:07,110 --> 01:19:05,120

a couple months ago uh me and luke we're

2080

01:19:08,950 --> 01:19:07,120

going to the dearly's and i was like

2081

01:19:10,630 --> 01:19:08,960

starving that day i was like oh my god

2082

01:19:13,030 --> 01:19:10,640

i'm gonna save up my appetite for for

2083

01:19:14,630 --> 01:19:13,040

some for some jerky and like i got to

2084

01:19:16,630 --> 01:19:14,640

the end of the day pick me up go out

2085

01:19:17,990 --> 01:19:16,640

there and we're like [h\_\_h] i'm starving

2086

01:19:21,110 --> 01:19:18,000

let's get some all right let's get some

2087

01:19:22,550 --> 01:19:21,120

food and luke loves arby's so you know

2088

01:19:23,750 --> 01:19:22,560

what [h\_\_h] it's been like two years of

2089

01:19:26,149 --> 01:19:23,760

that arby's i'm gonna give it a second

2090

01:19:27,270 --> 01:19:26,159

shot maybe my taste buds have changed

2091

01:19:31,110 --> 01:19:27,280

terrible

2092

01:19:33,510 --> 01:19:31,120

it's bad

2093

01:19:37,030 --> 01:19:33,520

don't put roast beef and cheese sauce on

2094

01:19:39,110 --> 01:19:37,040

uh the other sandwich

2095

01:19:43,110 --> 01:19:39,120

i i think

2096

01:19:45,510 --> 01:19:43,120

have you had a good roast beef sandwich

2097

01:19:46,950 --> 01:19:45,520

yeah yeah roast beef yeah you you slice

2098

01:19:48,630 --> 01:19:46,960

it slice it thick

2099

01:19:51,669 --> 01:19:48,640

little pepper on the side little

2100

01:19:53,350 --> 01:19:51,679

provolone some uh some

2101  
01:19:54,630 --> 01:19:53,360  
some bread i've had i've had a good

2102  
01:19:55,590 --> 01:19:54,640  
roast beef sandwich from like jimmy

2103  
01:19:57,350 --> 01:19:55,600  
john's

2104  
01:19:59,350 --> 01:19:57,360  
why what about you

2105  
01:20:00,550 --> 01:19:59,360  
oh yeah yeah for sure

2106  
01:20:06,070 --> 01:20:00,560  
yeah

2107  
01:20:07,189 --> 01:20:06,080  
the roast beef sandwich man you know

2108  
01:20:09,270 --> 01:20:07,199  
i'm talking about the roast beef

2109  
01:20:11,590 --> 01:20:09,280  
sandwich from arby's just arby's

2110  
01:20:15,910 --> 01:20:11,600  
specifically that's what i'm saying okay

2111  
01:20:19,830 --> 01:20:17,189  
you should get a tattoo of an rv

2112  
01:20:21,110 --> 01:20:19,840  
sandwich tomorrow

2113  
01:20:24,709 --> 01:20:21,120

instead of

2114

01:20:26,390 --> 01:20:24,719

oh my god

2115

01:20:27,510 --> 01:20:26,400

that's got to exist

2116

01:20:29,510 --> 01:20:27,520

hold on

2117

01:20:35,830 --> 01:20:29,520

barbie sandwich statue

2118

01:20:42,070 --> 01:20:38,149

here we go

2119

01:20:47,750 --> 01:20:44,790

that's it that gross [h\_\_\h]

2120

01:20:53,590 --> 01:20:47,760

it looks exactly like that oh god that

2121

01:20:57,830 --> 01:20:55,430

i mean that looks good i think i like

2122

01:21:00,070 --> 01:20:57,840

that that's handmade or a homemade yeah

2123

01:21:01,590 --> 01:21:00,080

there's chicken strips in the bottom you

2124

01:21:03,830 --> 01:21:01,600

know this tattoo looks as good as it

2125

01:21:05,750 --> 01:21:03,840

does on his leg

2126  
01:21:06,950 --> 01:21:05,760  
that probably tastes exactly how it

2127  
01:21:10,790 --> 01:21:06,960  
looks

2128  
01:21:14,550 --> 01:21:10,800  
or it does is like a like a real image

2129  
01:21:17,189 --> 01:21:14,560  
i mean good lord dude what is that man

2130  
01:21:19,270 --> 01:21:17,199  
that cheese freaks me out you know

2131  
01:21:20,629 --> 01:21:19,280  
is it cheese though i don't know i don't

2132  
01:21:22,070 --> 01:21:20,639  
think it is

2133  
01:21:23,350 --> 01:21:22,080  
the cheese definitely freaks me out

2134  
01:21:24,470 --> 01:21:23,360  
though for sure

2135  
01:21:26,830 --> 01:21:24,480  
the uh

2136  
01:21:30,070 --> 01:21:26,840  
uh the sauce is what gives me

2137  
01:21:35,669 --> 01:21:30,080  
uh i feel like it's a cheese sauce

2138  
01:21:38,629 --> 01:21:36,750

let's see

2139

01:21:41,430 --> 01:21:38,639

2160  
01:22:34,310 --> 01:22:31,760  
eaten like a like a like a one pound

2161  
01:22:36,470 --> 01:22:34,320  
hamburger and like weighed yourself

2162  
01:22:40,950 --> 01:22:36,480  
afterwards and like you didn't weigh a

2163  
01:22:43,270 --> 01:22:42,229

i was

2164

01:22:44,550 --> 01:22:43,280

i've never known that but that's

2165

01:22:45,510 --> 01:22:44,560

hilarious

2166

01:22:53,189 --> 01:22:45,520

yeah

2167

01:22:55,430 --> 01:22:53,199

i ate a lot of hamburgers dude so

2168

01:22:57,030 --> 01:22:55,440

i'm gonna i'm gonna

2169

01:22:58,790 --> 01:22:57,040

get them yeah it's weird do you gotta

2170

01:22:59,750 --> 01:22:58,800

try eat a hamburger like make a one

2171

01:23:01,750 --> 01:22:59,760

pounder

2172

01:23:03,830 --> 01:23:01,760

and then uh and then go stand on the

2173

01:23:05,430 --> 01:23:03,840

scale and you're like what the hell

2174

01:23:07,830 --> 01:23:05,440

and you either don't gain any weight or

2175

01:23:11,590 --> 01:23:07,840

you gain eight pounds

2176  
01:23:14,550 --> 01:23:11,600  
just immediately yeah it's [h\_\_h] weird

2177  
01:23:16,790 --> 01:23:14,560  
that's super weird i i've weighed myself

2178  
01:23:18,629 --> 01:23:16,800  
after uh taking a [h\_\_h] but not after

2179  
01:23:19,990 --> 01:23:18,639  
like after eating

2180  
01:23:20,870 --> 01:23:20,000  
it's even more disappointing you're like

2181  
01:23:23,350 --> 01:23:20,880  
oh

2182  
01:23:25,110 --> 01:23:23,360  
yeah it usually is they lose any weight

2183  
01:23:27,030 --> 01:23:25,120  
yeah could've sworn that [h\_\_h]

2184  
01:23:29,669 --> 01:23:27,040  
was like eight pounds

2185  
01:23:36,629 --> 01:23:33,270  
ufo garage uh when we going to roswell

2186  
01:23:37,750 --> 01:23:36,639  
dude we were just in roswell dude

2187  
01:23:38,950 --> 01:23:37,760  
actually it was like a couple of months

2188  
01:23:41,590 --> 01:23:38,960

ago i guess

2189

01:23:45,030 --> 01:23:41,600

i was in roswell me and niko

2190

01:23:48,950 --> 01:23:45,040

ben didn't get to go to roswell

2191

01:23:52,629 --> 01:23:50,790

i'm jealous of course you should you

2192

01:23:56,390 --> 01:23:52,639

should be

2193

01:23:58,550 --> 01:23:56,400

it was such a good time yeah me and me

2194

01:24:00,629 --> 01:23:58,560

bro it's funny because like me and nico

2195

01:24:03,189 --> 01:24:00,639

after we finished filming all day we

2196

01:24:04,629 --> 01:24:03,199

went to uh we went to this pizza place

2197

01:24:06,709 --> 01:24:04,639

and we're like hey

2198

01:24:08,870 --> 01:24:06,719

do you full serve beers here and they

2199

01:24:10,870 --> 01:24:08,880

were like no we got

2200

01:24:11,910 --> 01:24:10,880

they saw us and we were like

2201

01:24:13,750 --> 01:24:11,920

nah

2202

01:24:15,910 --> 01:24:13,760

and so but we had already ordered the

2203

01:24:18,149 --> 01:24:15,920

pizza and we're like [\h\_\_\h] we want a beer

2204

01:24:20,229 --> 01:24:18,159

man so then we went to

2205

01:24:22,149 --> 01:24:20,239

to uh we left

2206

01:24:24,070 --> 01:24:22,159

and we went to wing stop and we drank

2207

01:24:25,750 --> 01:24:24,080

beers and ate wings and then we came

2208

01:24:27,590 --> 01:24:25,760

back to the pizza shop before they

2209

01:24:29,750 --> 01:24:27,600

closed and picked up our pizza and took

2210

01:24:31,669 --> 01:24:29,760

it home and we like

2211

01:24:33,750 --> 01:24:31,679

got more beer and drink beer and ate

2212

01:24:35,430 --> 01:24:33,760

pizza we played that old school arcade

2213

01:24:36,550 --> 01:24:35,440

game for like till like two in the

2214

01:24:38,950 --> 01:24:36,560

morning

2215

01:24:41,189 --> 01:24:38,960

we played double dragons dude and like

2216

01:24:42,870 --> 01:24:41,199

battle toads the truth finally comes out

2217

01:24:44,790 --> 01:24:42,880

i remember i was talking to you guys on

2218

01:24:46,950 --> 01:24:44,800

the way home and you guys like didn't

2219

01:24:48,470 --> 01:24:46,960

want to tell me the full story

2220

01:24:50,550 --> 01:24:48,480

i knew it you guys didn't want to make

2221

01:24:53,669 --> 01:24:50,560

me jealous that sounds like the the

2222

01:24:55,270 --> 01:24:53,679

funnest [h\_\_h] time i've ever

2223

01:24:58,629 --> 01:24:55,280

i get it now that's why you guys didn't

2224

01:25:00,629 --> 01:24:58,639

tell me yeah that's hilarious go to wing

2225

01:25:02,149 --> 01:25:00,639

2235

01:25:23,830 --> 01:25:22,080

powdery stuff yeah i like the sauce

2236

01:25:26,070 --> 01:25:23,840

sauce you know like you don't like a dry

2237

01:25:29,510 --> 01:25:26,080

rub yeah i don't like dry rub

2238

01:25:31,910 --> 01:25:29,520

2246

01:26:17,350 --> 01:26:14,239

2248

01:26:22,070 --> 01:26:18,560

2253

01:26:32,470 --> 01:26:30,800

i enjoy wings

2254

01:26:33,350 --> 01:26:32,480

i don't personally care where they come

2255

01:26:35,590 --> 01:26:33,360

from

2256

01:26:36,709 --> 01:26:35,600

for me wings are kind of like crawfish

2257

01:26:38,550 --> 01:26:36,719

where like

2258

01:26:40,149 --> 01:26:38,560

if they're around of course i'm gonna

2259

01:26:42,870 --> 01:26:40,159

eat them but it's not like my first

2260

01:26:44,870 --> 01:26:42,880

thing to go to like

2261

01:26:46,310 --> 01:26:44,880

yeah there's so much work

2262

01:26:47,669 --> 01:26:46,320

and like

2263

01:26:50,229 --> 01:26:47,679

by the end of it you just got like this

2264

01:26:51,430 --> 01:26:50,239

big pile of [h\_\_h] in front of you and

2265

01:26:52,470 --> 01:26:51,440

it's like

2266

01:26:56,790 --> 01:26:52,480

i don't know

2267

01:26:59,669 --> 01:26:56,800

i'm just a fan of like a like a like a

2268

01:27:00,950 --> 01:26:59,679

like a big food to eat at once you know

2269

01:27:03,030 --> 01:27:00,960

like i don't have to eat a whole bunch

2270

01:27:05,430 --> 01:27:03,040

of little things

2271

01:27:07,910 --> 01:27:05,440

hey it's me joe from the ufo garage

2272

01:27:10,149 --> 01:27:07,920

podcast i'm a fan of big food i like big

2273

01:27:11,990 --> 01:27:10,159

food

2274

01:27:14,229 --> 01:27:12,000

you did this

2275

01:27:16,550 --> 01:27:14,239

big food

2276

01:27:18,870 --> 01:27:16,560

you'd be the perfect you i think we

2277

01:27:20,629 --> 01:27:18,880

could make a baller you know we should

2278

01:27:23,430 --> 01:27:20,639

start doing is just making commercials

2279

01:27:25,030 --> 01:27:23,440

for people to see if they'll sponsor us

2280

01:27:27,669 --> 01:27:25,040

yeah you can make a whataburger

2281

01:27:29,270 --> 01:27:27,679

commercial just like that hey do you

2282

01:27:34,390 --> 01:27:29,280

like big food

2283

01:27:37,990 --> 01:27:36,950

try the new try the new water burger

2284

01:27:45,910 --> 01:27:38,000

burger

2285

01:27:49,750 --> 01:27:45,920

yet when you when you bite it you're

2286

01:27:51,110 --> 01:27:49,760

always like man what a burger

2287

01:27:54,709 --> 01:27:51,120

and a lot of people say it wrong it's

2288

01:27:56,229 --> 01:27:54,719

not water burger it's what a burger

2289

01:27:57,669 --> 01:27:56,239

what a burger because when you bite it

2290

01:28:00,470 --> 01:27:57,679

that's what you say you're like man what

2291

01:28:02,550 --> 01:28:00,480

a burger you do actually say that every

2292

01:28:04,950 --> 01:28:02,560

time i do every time

2293

01:28:06,550 --> 01:28:04,960

and then whenever i go to five guys i

2294

01:28:10,310 --> 01:28:06,560

bite into it and i'm like

2295

01:28:12,390 --> 01:28:10,320

[h\_\_h] guys burgers and fries

2296

01:28:13,430 --> 01:28:12,400

and then i'll go to in and out and i'll

2297

01:28:15,270 --> 01:28:13,440

be like

2298

01:28:16,310 --> 01:28:15,280

it went in is definitely about to come

2299

01:28:20,229 --> 01:28:16,320

out

2300

01:28:22,070 --> 01:28:20,239

through and then my wife looks over and

2301

01:28:23,990 --> 01:28:22,080

she's like you're already done i'm like

2302

01:28:25,270 --> 01:28:24,000

yeah there's all these cars in front of

2303

01:28:26,870 --> 01:28:25,280

us

2304

01:28:27,830 --> 01:28:26,880

the hamburgers are this big dude we've

2305

01:28:29,590 --> 01:28:27,840

been trying to get out of this parking

2306

01:28:31,350 --> 01:28:29,600

lot for like three minutes now papa

2307

01:28:33,910 --> 01:28:31,360

those those hamburgers like quarters

2308

01:28:36,310 --> 01:28:33,920

like grimace in 1995 commercials dude

2309

01:28:40,830 --> 01:28:36,320

just good yeah i'll gladly pay you

2310

01:28:47,430 --> 01:28:44,629

uh chip chip said bat chicken bats

2311

01:28:49,350 --> 01:28:47,440

chicken of the cave

2312

01:28:50,790 --> 01:28:49,360

that's gotta be that's genius if that's

2313

01:28:52,310 --> 01:28:50,800

not from something that's [\h\_\_\h]

2314

01:28:54,310 --> 01:28:52,320

hilarious

2315

01:28:55,510 --> 01:28:54,320

the chicken of the cake best chicken of

2316

01:28:57,430 --> 01:28:55,520

the cave

2317

01:28:59,350 --> 01:28:57,440

have you ever had that

2318

01:29:00,709 --> 01:28:59,360

no no me either dude i have not you

2319

01:29:02,629 --> 01:29:00,719

think of living in austin we would have

2320

01:29:06,709 --> 01:29:02,639

eaten a bat by now

2321

01:29:09,030 --> 01:29:06,719

i have uh taken a bat um into my care

2322

01:29:13,350 --> 01:29:09,040

from a target

2323

01:29:16,550 --> 01:29:13,360

uh i i rescued it i guess quote unquote

2324

01:29:18,550 --> 01:29:16,560

what happened to it i didn't eat it

2325

01:29:20,950 --> 01:29:18,560

uh so it was a little bit little baby

2326

01:29:23,350 --> 01:29:20,960

brown bat and it was nesting underneath

2327

01:29:26,629 --> 01:29:23,360

the o at the target by our old apartment

2328

01:29:28,070 --> 01:29:26,639

where we used to live and uh

2329

01:29:29,830 --> 01:29:28,080

there was like a crowd of people i was

2330

01:29:33,430 --> 01:29:29,840

going to target for something hold on

2331

01:29:35,030 --> 01:29:33,440

one second is there an o in target oh uh

2332

01:29:36,790 --> 01:29:35,040

the uh sorry

2333

01:29:37,990 --> 01:29:36,800

great question dude

2334

01:29:40,870 --> 01:29:38,000

correct question wait do you spell

2335

01:29:43,110 --> 01:29:40,880

target with an o dude

2336

01:29:45,510 --> 01:29:43,120

that's such a great question you mean

2337

01:29:47,990 --> 01:29:45,520

there's a target

2338

01:29:50,070 --> 01:29:48,000

it was in the target at target

2339

01:29:52,310 --> 01:29:50,080

i did say oh though

2340

01:29:55,270 --> 01:29:52,320

weird i don't know why i did that anyway

2341

01:29:57,590 --> 01:29:55,280

the target of the target

2342

01:30:00,310 --> 01:29:57,600

they like nested in there

2343

01:30:02,149 --> 01:30:00,320

so go up there like getting some [h\_\_h]

2344

01:30:02,870 --> 01:30:02,159

i don't know

2345

01:30:04,470 --> 01:30:02,880

some

2346

01:30:07,669 --> 01:30:04,480

extra small

2347

01:30:09,750 --> 01:30:07,679

uh t-shirts uh

2348

01:30:11,910 --> 01:30:09,760

and uh there's like a crowd of people

2349

01:30:14,390 --> 01:30:11,920

like standing around in front and i walk

2350

01:30:15,830 --> 01:30:14,400

up and they're like oh it's a baby bat

2351  
01:30:18,149 --> 01:30:15,840  
and i don't walk up and there's like

2352  
01:30:19,430 --> 01:30:18,159  
somebody like a worker

2353  
01:30:21,350 --> 01:30:19,440  
with a

2354  
01:30:23,270 --> 01:30:21,360  
shirt on she's like

2355  
01:30:25,189 --> 01:30:23,280  
i don't know what to do and i was like i

2356  
01:30:27,030 --> 01:30:25,199  
could take him

2357  
01:30:28,870 --> 01:30:27,040  
i was like

2358  
01:30:31,990 --> 01:30:28,880  
oh yeah okay and then everybody just

2359  
01:30:33,990 --> 01:30:32,000  
fizzled out and i'm like i guess i

2360  
01:30:35,750 --> 01:30:34,000  
can i've committed now i spoke out of

2361  
01:30:38,390 --> 01:30:35,760  
turn i don't know i shouldn't have done

2362  
01:30:40,390 --> 01:30:38,400  
that but i like already said it so like

2363  
01:30:42,470 --> 01:30:40,400

oh yeah this guy's a bad expert he knows

2364

01:30:44,070 --> 01:30:42,480

everything about bats the fake crazy

2365

01:30:45,669 --> 01:30:44,080

thing is that everybody just accepted it

2366

01:30:46,950 --> 01:30:45,679

they were like oh yeah guy with dreads

2367

01:30:48,310 --> 01:30:46,960

he [h\_\_h] knows what to do with this

2368

01:30:49,990 --> 01:30:48,320

thing and they just they just fizzled

2369

01:30:52,470 --> 01:30:50,000

out and went into the store like it was

2370

01:30:54,550 --> 01:30:52,480

normal so

2371

01:30:56,070 --> 01:30:54,560

so now i have this responsibility on my

2372

01:30:57,510 --> 01:30:56,080

shoulders i was just going in there to

2373

01:30:59,669 --> 01:30:57,520

get you know

2374

01:31:01,270 --> 01:30:59,679

some socks or something so go back in my

2375

01:31:03,030 --> 01:31:01,280

car luckily i had like

2376

01:31:05,910 --> 01:31:03,040

like a shoe box in the back

2377

01:31:08,550 --> 01:31:05,920

and a dip cup and

2378

01:31:10,149 --> 01:31:08,560

12 000 dip cups so i put that bat in the

2379

01:31:12,310 --> 01:31:10,159

dip cup

2380

01:31:14,149 --> 01:31:12,320

i put the lid on it close it real tight

2381

01:31:16,070 --> 01:31:14,159

poke some holes in its back so it could

2382

01:31:18,070 --> 01:31:16,080

breathe

2383

01:31:19,510 --> 01:31:18,080

because everybody knows bats love air

2384

01:31:21,910 --> 01:31:19,520

dude it's like one of their favorite

2385

01:31:25,590 --> 01:31:24,229

i was dipping a lot

2386

01:31:28,310 --> 01:31:25,600

back then

2387

01:31:30,310 --> 01:31:28,320

so uh so i grabbed this shoebox story's

2388

01:31:31,590 --> 01:31:30,320

almost over storm

2389

01:31:33,750 --> 01:31:31,600

i grabbed the shoe box put it into the

2390

01:31:35,750 --> 01:31:33,760

bed and i and then and i take it home

2391

01:31:37,910 --> 01:31:35,760

and i take it home and i pet it and it

2392

01:31:40,149 --> 01:31:37,920

bit me and then i have these super

2393

01:31:43,030 --> 01:31:40,159

powers all of a sudden and i'm very

2394

01:31:44,870 --> 01:31:43,040

strong and i'm very fast and i can see

2395

01:31:47,750 --> 01:31:44,880

sound waves

2396

01:31:51,590 --> 01:31:49,510

my movie's coming out

2397

01:31:56,229 --> 01:31:51,600

tonight it's called

2398

01:31:59,750 --> 01:31:56,239

bat guy bat boy bad guy

2399

01:32:01,910 --> 01:31:59,760

bats sir sir sir bat

2400

01:32:03,189 --> 01:32:01,920

sir batman batman

2401

01:32:04,790 --> 01:32:03,199

but that's a true story though i did

2402

01:32:06,790 --> 01:32:04,800

take it home and and then i i put the

2403

01:32:09,430 --> 01:32:06,800

shoe box outside i did take it out i did

2404

01:32:12,390 --> 01:32:09,440

pet it it was very cute but i put it on

2405

01:32:14,870 --> 01:32:12,400

my uh port the porch and it flew away

2406

01:32:17,270 --> 01:32:14,880

somewhere some sometime during the night

2407

01:32:19,350 --> 01:32:17,280

or a hawk came and snagged it and ate a

2408

01:32:21,830 --> 01:32:19,360

cat or a cat yeah

2409

01:32:23,510 --> 01:32:21,840

i thought you said you rescued it

2410

01:32:24,709 --> 01:32:23,520

why was it gonna you're the one that

2411

01:32:25,669 --> 01:32:24,719

brought it up i wasn't gonna say that

2412

01:32:27,270 --> 01:32:25,679

part

2413

01:32:29,750 --> 01:32:27,280

hey it made me think though we should

2414

01:32:37,350 --> 01:32:29,760

make a movie where we both dress up like

2415

01:32:37,360 --> 01:32:46,070

what if

2416

01:32:49,830 --> 01:32:47,669

that's a great episode of south park too

2417

01:32:51,510 --> 01:32:49,840

bad dad bad dad

2418

01:32:52,950 --> 01:32:51,520

have you seen that one oh i'm sorry i

2419

01:32:56,390 --> 01:32:52,960

thought there was america yeah that was

2420

01:33:01,669 --> 01:32:59,510

uh bats do pee on themselves upside down

2421

01:33:03,189 --> 01:33:01,679

one peed in my mouth as i was trying to

2422

01:33:05,590 --> 01:33:03,199

pet it

2423

01:33:08,310 --> 01:33:05,600

and that's where i got my superpowers

2424

01:33:10,229 --> 01:33:08,320

ew

2425

01:33:11,669 --> 01:33:10,239

that would suck dude like you get bit by

2426

01:33:13,189 --> 01:33:11,679

bat and all of a sudden great and i'm

2427

01:33:13,990 --> 01:33:13,199

blind

2428

01:33:15,430 --> 01:33:14,000

i thought they're supposed to be

2429

01:33:17,030 --> 01:33:15,440

superpowers it sucks i can't see

2430

01:33:19,030 --> 01:33:17,040

anything this is supposed to be way

2431

01:33:21,990 --> 01:33:19,040

cooler

2432

01:33:23,830 --> 01:33:22,000

i was literally going to an art museum

2433

01:33:28,229 --> 01:33:23,840

today

2434

01:33:29,669 --> 01:33:28,239

now i can't see anything art sucks

2435

01:33:34,830 --> 01:33:29,679

going to school

2436

01:33:40,310 --> 01:33:37,590

gala and now i can't see and everything

2437

01:33:41,189 --> 01:33:40,320

smells like cranberries for some reason

2438

01:33:42,870 --> 01:33:41,199

dude

2439

01:33:45,189 --> 01:33:42,880

and i just eat a lot of fruit and bugs

2440

01:33:47,270 --> 01:33:45,199

all the time jim jim ball's in the house

2441

01:33:49,110 --> 01:33:47,280

what's up jim no man my hair is still

2442

01:33:51,750 --> 01:33:49,120

here it's just kind of open this morning

2443

01:33:54,550 --> 01:33:51,760

until i was doing some sanding today

2444

01:33:58,070 --> 01:33:54,560

and uh yeah at uh

2445

01:34:00,229 --> 01:33:58,080

alabama tied dude i i didn't cut it well

2446

01:34:02,629 --> 01:34:00,239

i guess i kind of trimmed the sides but

2447

01:34:04,390 --> 01:34:02,639

i was sweating a lot so i haven't washed

2448

01:34:06,390 --> 01:34:04,400

it and combed it out so it's a little

2449

01:34:07,990 --> 01:34:06,400

it's a little higher than usual man but

2450

01:34:10,790 --> 01:34:08,000

your beard looks very

2451

01:34:12,629 --> 01:34:10,800

anunnaki today does it yeah i like it i

2452

01:34:13,510 --> 01:34:12,639

like the shape it's like

2453

01:34:14,470 --> 01:34:13,520

you know

2454

01:34:16,149 --> 01:34:14,480

is it

2455

01:34:18,950 --> 01:34:16,159

it's like a it makes a noise

2456

01:34:20,709 --> 01:34:18,960

oh my god dude i got you know

2457

01:34:22,870 --> 01:34:20,719

you know the whole thing where like i

2458

01:34:24,470 --> 01:34:22,880

didn't get my hair cut for like years

2459

01:34:27,830 --> 01:34:24,480

well i finally found a barber that i can

2460

01:34:30,310 --> 01:34:27,840

trust dude uh and uh man i always go

2461

01:34:32,070 --> 01:34:30,320

there and when i i get the shave

2462

01:34:35,189 --> 01:34:32,080

bro he always puts this hot towel on my

2463

01:34:37,990 --> 01:34:35,199

face with like this this lemongrass like

2464

01:34:38,870 --> 01:34:38,000

oil it's like citrusy and it like steams

2465

01:34:40,390 --> 01:34:38,880

up

2466

01:34:42,870 --> 01:34:40,400

and then he puts this thing on my face

2467

01:34:45,189 --> 01:34:42,880

and it massages my face dude and it

2468

01:34:47,030 --> 01:34:45,199

feels so good i can't believe it it

2469

01:34:48,870 --> 01:34:47,040

feels so good sometimes i want to book a

2470

01:34:50,229 --> 01:34:48,880

haircut and just tell them hey instead

2471

01:34:51,910 --> 01:34:50,239

of cutting my hair for an hour could you

2472

01:34:54,390 --> 01:34:51,920

just rub that thing on my face with a

2473

01:34:57,270 --> 01:34:54,400

hot towel i bet i like it i bet you

2474

01:34:59,030 --> 01:34:57,280

could man [h\_\_h] might be cheaper too yeah

2475

01:35:00,950 --> 01:34:59,040

dude i would pay him the exact same

2476

01:35:01,990 --> 01:35:00,960

amount to rub that thing on my face for

2477

01:35:05,189 --> 01:35:02,000

an hour

2478

01:35:08,629 --> 01:35:05,199

oh dude i fall asleep instantly like

2479

01:35:11,510 --> 01:35:08,639

i'm about to sleep it's called uh um

2480

01:35:17,910 --> 01:35:16,070

it doesn't exfoliate it uh it uh

2481

01:35:21,430 --> 01:35:17,920

it just massages

2482

01:35:25,350 --> 01:35:21,440

massages yeah it's nice damn all right

2483

01:35:26,709 --> 01:35:25,360

yeah it's nice dude i uh i have uh

2484

01:35:29,430 --> 01:35:26,719

i've reached my i've reached i've

2485

01:35:30,709 --> 01:35:29,440

reached my wits with my shaving my neck

2486

01:35:33,510 --> 01:35:30,719

beard

2487

01:35:36,149 --> 01:35:33,520

it grows faster than my actual hair

2488

01:35:38,470 --> 01:35:36,159

it's so it's so annoying dude i don't

2489

01:35:40,950 --> 01:35:38,480

know you can't i cut myself five times

2490

01:35:42,870 --> 01:35:40,960

today brand new razor yeah i'm going

2491

01:35:44,870 --> 01:35:42,880

slow i want i want to get i want to get

2492

01:35:47,109 --> 01:35:44,880

pampered like that dude dude yeah i need

2493

01:35:48,870 --> 01:35:47,119

to go to your guy uh yeah he's right

2494

01:35:50,390 --> 01:35:48,880

here in huddle you know and i get the

2495

01:35:51,510 --> 01:35:50,400

straight razor

2496

01:35:53,270 --> 01:35:51,520

all up

2497

01:35:56,550 --> 01:35:53,280

you know dude that's dope and then i get

2498

01:35:58,229 --> 01:35:56,560

the i get the the oils the rubs

2499

01:36:00,709 --> 01:35:58,239

the hot towel and then i get the coal

2500

01:36:03,189 --> 01:36:00,719

towel treatment afterwards

2501

01:36:04,310 --> 01:36:03,199

yeah it's nice dude it's nice i'm

2502

01:36:06,950 --> 01:36:04,320

jealous

2503

01:36:10,470 --> 01:36:06,960

it's really good i like it that chair is

2504

01:36:13,590 --> 01:36:10,480

comfortable how uh how many fartlings is

2505

01:36:14,709 --> 01:36:13,600

this how many gold dragons

2506

01:36:17,750 --> 01:36:14,719

45

2507

01:36:20,790 --> 01:36:17,760

that's not bad yeah it's not bad at all

2508

01:36:23,109 --> 01:36:20,800

it's not bad at all i mean i mean like

2509

01:36:25,910 --> 01:36:23,119

that's for a haircut a beard trim a

2510

01:36:28,310 --> 01:36:25,920

close shave the hot towel the massage

2511

01:36:29,590 --> 01:36:28,320

dude it's amazing yeah

2512

01:36:31,669 --> 01:36:29,600

it's really good

2513

01:36:36,470 --> 01:36:31,679

and then i always tip you know i'm too

2514

01:36:36,480 --> 01:36:39,910

like trailers

2515

01:36:44,629 --> 01:36:42,149

if i tip big the barber's where i do it

2516

01:36:48,149 --> 01:36:44,639

like that's the place i do it right yeah

2517

01:36:52,550 --> 01:36:49,590

yeah i've been sitting here for 10

2518

01:36:54,629 --> 01:36:52,560

minutes and my drink is empty of course

2519

01:36:56,950 --> 01:36:54,639

i'm not going to tip them

2520

01:36:58,870 --> 01:36:56,960

there's like six people in here and four

2521

01:37:01,030 --> 01:36:58,880

of them are sitting at one table

2522

01:37:02,629 --> 01:37:01,040

my my fourth long island iced tea has

2523

01:37:03,910 --> 01:37:02,639

not been refilled

2524

01:37:05,270 --> 01:37:03,920

yeah

2525

01:37:07,830 --> 01:37:05,280

ma'am

2526  
01:37:12,709 --> 01:37:07,840  
they only gave me two margarita shakers

2527  
01:37:16,470 --> 01:37:14,070  
it says

2528  
01:37:17,990 --> 01:37:16,480  
all you can drink sir

2529  
01:37:22,629 --> 01:37:18,000  
that's

2530  
01:37:25,830 --> 01:37:24,149  
can i have this you just start walking

2531  
01:37:27,990 --> 01:37:25,840  
around picking [h\_\_h] up can i have this

2532  
01:37:30,470 --> 01:37:28,000  
like no

2533  
01:37:34,629 --> 01:37:30,480  
that's a table kiosk

2534  
01:37:37,830 --> 01:37:36,870  
it smells nice what is this that is my

2535  
01:37:40,149 --> 01:37:37,840  
shirt

2536  
01:37:41,510 --> 01:37:40,159  
sometimes like uh like we'll go to

2537  
01:37:42,629 --> 01:37:41,520  
restaurants

2538  
01:37:44,790 --> 01:37:42,639

sometimes it'll be like nicer

2539

01:37:46,149 --> 01:37:44,800

restaurants and like if my beer comes in

2540

01:37:47,669 --> 01:37:46,159

like a mug or something like hey y'all

2541

01:37:49,669 --> 01:37:47,679

sell these

2542

01:37:51,750 --> 01:37:49,679

they're like what these money gets

2543

01:37:53,750 --> 01:37:51,760

selfies they're like no we don't sell

2544

01:37:55,990 --> 01:37:53,760

the mugs actually but how much you want

2545

01:37:57,109 --> 01:37:56,000

for it they're like i don't think we can

2546

01:37:59,189 --> 01:37:57,119

like

2547

01:38:01,430 --> 01:37:59,199

legally sell you that but how much do

2548

01:38:04,070 --> 01:38:01,440

you want for though like a cup you can't

2549

01:38:05,910 --> 01:38:04,080

legally sell me a cup

2550

01:38:06,950 --> 01:38:05,920

can i legally stick it in my wife's

2551

01:38:08,709 --> 01:38:06,960

purse

2552

01:38:09,910 --> 01:38:08,719

she's like that would be stealing

2553

01:38:11,669 --> 01:38:09,920

[h\_\_\h]

2554

01:38:13,030 --> 01:38:11,679

there's a lot of red tape over this mug

2555

01:38:15,910 --> 01:38:13,040

i just want you to know that yeah i'm

2556

01:38:17,830 --> 01:38:15,920

gonna need you to look at that direction

2557

01:38:18,950 --> 01:38:17,840

yeah i like going to fancy restaurants

2558

01:38:21,030 --> 01:38:18,960

and then whenever they're like are we

2559

01:38:24,390 --> 01:38:21,040

having any dessert i like to ask if they

2560

01:38:28,310 --> 01:38:26,149

yes you know the next time you say uh

2561

01:38:29,270 --> 01:38:28,320

yes i'll have your strawberry popsicle

2562

01:38:31,030 --> 01:38:29,280

um

2563

01:38:32,950 --> 01:38:31,040

if you don't have that

2564

01:38:34,950 --> 01:38:32,960

and then like it'll like really act like

2565

01:38:38,070 --> 01:38:34,960

you're looking at the menu yeah

2566

01:38:41,109 --> 01:38:38,080

if you don't have that i'll do the uh uh

2567

01:38:49,270 --> 01:38:42,870

uh

2568

01:38:51,189 --> 01:38:49,280

two chalices from baby acapulco but baby

2569

01:38:53,430 --> 01:38:51,199

acapulco

2570

01:38:56,550 --> 01:38:53,440

you know that restaurant baby baby baby

2571

01:38:59,109 --> 01:38:56,560

a's baby a's i have two of the chalices

2572

01:39:01,830 --> 01:38:59,119

do you the purple chalices

2573

01:39:03,830 --> 01:39:01,840

yeah how did you get away with that

2574

01:39:06,070 --> 01:39:03,840

just took it

2575

01:39:09,990 --> 01:39:06,080

i don't know i can't i can confirm i

2576

01:39:12,470 --> 01:39:10,000

cannot confirm nor deny that i did so

2577

01:39:14,229 --> 01:39:12,480

basically you had more than two chalices

2578

01:39:18,310 --> 01:39:14,239

and ended up walking out with two

2579

01:39:21,669 --> 01:39:18,320

chalices they look i asked for a refill

2580

01:39:23,669 --> 01:39:21,679

and they politely told me to leave

2581

01:39:25,590 --> 01:39:23,679

and put my shirt back on so i took the

2582

01:39:28,149 --> 01:39:25,600

chalices

2583

01:39:30,390 --> 01:39:28,159

these are mine now

2584

01:39:33,109 --> 01:39:30,400

this is your fault for having purple

2585

01:39:35,990 --> 01:39:33,119

grape flavored margaritas on a tuesday

2586

01:39:37,990 --> 01:39:36,000

night seriously this is not my fault

2587

01:39:41,109 --> 01:39:38,000

if i have to put my shirt on i'm taking

2588

01:39:42,629 --> 01:39:41,119

both of these cups home all right all

2589

01:39:43,750 --> 01:39:42,639

right all right whatever all right all

2590

01:39:46,310 --> 01:39:43,760

right bye

2591

01:39:48,550 --> 01:39:46,320

these are mine now you just leave

2592

01:39:50,229 --> 01:39:48,560

oh my god it's not my light over

2593

01:39:51,590 --> 01:39:50,239

all right these are mine now

2594

01:39:53,189 --> 01:39:51,600

i'll see you all later like you making

2595

01:39:54,430 --> 01:39:53,199

it enough of a compromise that you're

2596

01:39:58,950 --> 01:39:54,440

like cooperating

2597

01:40:02,229 --> 01:40:00,310

he's like it's not me i'm not

2598

01:40:05,350 --> 01:40:02,239

interrupting nothing

2599

01:40:08,950 --> 01:40:06,950

he's like

2600

01:40:11,350 --> 01:40:08,960

he was too lazy to turn his body around

2601  
01:40:14,070 --> 01:40:11,360  
and look at me yeah he went into owl

2602  
01:40:17,669 --> 01:40:15,510  
that wasn't me i know you're live right

2603  
01:40:19,109 --> 01:40:17,679  
now i didn't mean to make that noise

2604  
01:40:21,430 --> 01:40:19,119  
he was like i'm just i'm just coming in

2605  
01:40:24,070 --> 01:40:21,440  
to do my normal this is what this is his

2606  
01:40:25,830 --> 01:40:24,080  
routine you're you're actually

2607  
01:40:27,669 --> 01:40:25,840  
in the way of his routine he comes in

2608  
01:40:29,910 --> 01:40:27,679  
and makes sure his boys are all right

2609  
01:40:31,910 --> 01:40:29,920  
that's right dude every show man every

2610  
01:40:33,910 --> 01:40:31,920  
show right before i right before we go

2611  
01:40:35,990 --> 01:40:33,920  
on he always comes scratching out the

2612  
01:40:38,070 --> 01:40:36,000  
door and he just sits here patiently

2613  
01:40:39,830 --> 01:40:38,080

yeah occasionally he makes some noise

2614

01:40:41,430 --> 01:40:39,840

but for the most part he sits here

2615

01:40:42,870 --> 01:40:41,440

patiently

2616

01:40:44,550 --> 01:40:42,880

because he knows when we're done we're

2617

01:40:48,950 --> 01:40:44,560

gonna we're gonna

2618

01:40:53,430 --> 01:40:51,430

heard it those big corgi ears man they

2619

01:40:55,510 --> 01:40:53,440

hear everything yeah i saw a little

2620

01:40:57,510 --> 01:40:55,520

all i can see is a little white stripe

2621

01:40:59,590 --> 01:40:57,520

also do you think maybe he thinks that

2622

01:41:01,030 --> 01:40:59,600

the homeboys back there have like treats

2623

01:41:03,189 --> 01:41:01,040

in their hands like he's just very

2624

01:41:06,070 --> 01:41:03,199

hopeful that they he's just sitting and

2625

01:41:08,229 --> 01:41:06,080

staring at him that's what he's doing

2626

01:41:09,910 --> 01:41:08,239

yeah

2627

01:41:12,470 --> 01:41:09,920

they all have their hands out like this

2628

01:41:13,590 --> 01:41:12,480

too that's what's funny

2629

01:41:15,270 --> 01:41:13,600

you should put some treats in their

2630

01:41:18,070 --> 01:41:15,280

hands just like just to like [h\_\_h] with

2631

01:41:20,629 --> 01:41:18,080

them one time yeah he's so funny it's

2632

01:41:22,470 --> 01:41:20,639

crazy all my animals and my kids love

2633

01:41:24,550 --> 01:41:22,480

those things normally they're always

2634

01:41:28,070 --> 01:41:24,560

scared of them but

2635

01:41:30,550 --> 01:41:28,080

not this time dude not this time

2636

01:41:32,950 --> 01:41:30,560

uh past few times hendrix has come in

2637

01:41:34,390 --> 01:41:32,960

there and turn them on that was like

2638

01:41:35,510 --> 01:41:34,400

no she loves it

2639

01:41:37,590 --> 01:41:35,520

yeah

2640

01:41:40,149 --> 01:41:37,600

whenever i put them in full dance mode

2641

01:41:42,310 --> 01:41:40,159

dude they have dance-offs it's great

2642

01:41:45,350 --> 01:41:42,320

wait no they dance for real yeah they

2643

01:41:50,470 --> 01:41:45,360

dance they like move yeah they move

2644

01:41:55,910 --> 01:41:53,510

and it plays like this crazy disco song

2645

01:41:57,510 --> 01:41:55,920

i you know be interested in so i've been

2646

01:41:59,590 --> 01:41:57,520

looking into okay

2647

01:42:01,669 --> 01:41:59,600

new hobby alert uh i want to learn how

2648

01:42:03,750 --> 01:42:01,679

to like code raspberry pi kind of [h\_\_h]

2649

01:42:05,590 --> 01:42:03,760

like raspberry pi is like a very simple

2650

01:42:07,109 --> 01:42:05,600

like computer chip that you can like

2651

01:42:08,070 --> 01:42:07,119

program stuff

2652

01:42:09,990 --> 01:42:08,080

dude

2653

01:42:12,149 --> 01:42:10,000

when i learn how to do that by this time

2654

01:42:13,350 --> 01:42:12,159

next year we can

2655

01:42:17,189 --> 01:42:13,360

technically

2656

01:42:19,030 --> 01:42:17,199

code uh a a dance for both of those

2657

01:42:20,950 --> 01:42:19,040

dudes like it's like a like we could

2658

01:42:23,030 --> 01:42:20,960

code whatever we want

2659

01:42:26,550 --> 01:42:23,040

to be sick yeah

2660

01:42:28,870 --> 01:42:26,560

we need to make one to be sick

2661

01:42:33,000 --> 01:42:28,880

they do the electric slide dude that'd

2662

01:42:38,470 --> 01:42:34,390

[Music]

2663

01:42:42,629 --> 01:42:41,590

no come on in slider no you're thinking

2664

01:42:44,550 --> 01:42:42,639

of uh

2665

01:42:45,990 --> 01:42:44,560

um

2666

01:42:48,470 --> 01:42:46,000

damn it

2667

01:42:50,870 --> 01:42:48,480

come on around the train

2668

01:42:53,669 --> 01:42:50,880

ride no no i don't think it's

2669

01:42:57,750 --> 01:42:56,390

oh no no no no no that's uh it's coolio

2670

01:43:02,629 --> 01:42:57,760

that's yes

2671

01:43:06,709 --> 01:43:04,790

yes yes

2672

01:43:08,470 --> 01:43:06,719

yeah

2673

01:43:11,189 --> 01:43:08,480

that's the most shiny that's the

2674

01:43:13,109 --> 01:43:11,199

shiniest music video ever

2675

01:43:14,070 --> 01:43:13,119

yeah it is pretty shiny

2676

01:43:18,950 --> 01:43:14,080

uh

2677

01:43:20,950 --> 01:43:18,960

it's like a the sample to it

2678

01:43:22,950 --> 01:43:20,960

2719

01:45:23,590 --> 01:45:21,669

01:45:27,030 --> 01:45:23,600

it's called rebellious ufology i feel

2721

01:45:32,310 --> 01:45:27,040

like i just subscribed to it

2722

01:45:37,350 --> 01:45:35,590

2726

01:45:55,830 --> 01:45:53,350

there we go

2727

01:46:00,310 --> 01:45:55,840

2729

01:46:09,030 --> 01:46:06,550

it's a new channel you guys

2730

01:46:10,229 --> 01:46:09,040

jim goodall

2731

01:46:11,430 --> 01:46:10,239

it's all

2732

01:46:13,669 --> 01:46:11,440

good all

2733

01:46:16,470 --> 01:46:13,679

baby

2734

01:46:18,390 --> 01:46:16,480

uh lynn wellington you guys i mean most

2735

01:46:19,750 --> 01:46:18,400

people know her she's she's pretty much

2736

01:46:23,510 --> 01:46:19,760

famous

2737

01:46:25,590 --> 01:46:23,520

jim goodall also very uh

2738

01:46:26,550 --> 01:46:25,600

i mean who doesn't know jim goodall come

2739

01:46:28,070 --> 01:46:26,560

on

2740

01:46:30,390 --> 01:46:28,080

i'm so stoked about

2741

01:46:33,350 --> 01:46:30,400

i'm starting this channel uh joe did you

2742

01:46:34,070 --> 01:46:33,360

know that lin is leaving sor i did know

2743

01:46:36,550 --> 01:46:34,080

that

2744

01:46:39,189 --> 01:46:36,560

yeah so she's like focusing on this

2745

01:46:41,109 --> 01:46:39,199

project and dude i'm excited for them

2746

01:46:42,629 --> 01:46:41,119

yeah that's that's gonna be pretty sweet

2747

01:46:45,430 --> 01:46:42,639

yeah we gotta have her back on the show

2748

01:46:46,629 --> 01:46:45,440

soon yeah

2749

01:46:48,470 --> 01:46:46,639

i feel like we only scratched the

2750

01:46:51,030 --> 01:46:48,480

surface in that first one

2751

01:46:53,990 --> 01:46:51,040

that was getting wild towards the end

2752

01:46:56,070 --> 01:46:54,000

oh blowing my mind when we had lin on

2753

01:46:56,950 --> 01:46:56,080

yeah do i know we'd like

2754

01:46:58,950 --> 01:46:56,960

dude

2755

01:47:02,229 --> 01:46:58,960

yeah we started out with witches and it

2756

01:47:04,390 --> 01:47:03,189

her

2757

01:47:06,790 --> 01:47:04,400

yeah

2758

01:47:10,709 --> 01:47:06,800

her dad being in the military and like

2759

01:47:13,350 --> 01:47:10,719

seeing him on craft yeah being on like a

2760

01:47:16,070 --> 01:47:13,360

yeah man like big space bus as like a

2761

01:47:17,590 --> 01:47:16,080

veterinarian or some [h\_\_\h] yeah that was

2762

01:47:19,750 --> 01:47:17,600

wild

2763

01:47:21,510 --> 01:47:19,760

i just have phil yeah we're def yeah you

2764

01:47:23,350 --> 01:47:21,520

said it best scratching the surface

2765

01:47:26,629 --> 01:47:23,360

that's for sure

2766

01:47:27,590 --> 01:47:26,639

uh jim says uh uh you got it

2767

01:47:30,390 --> 01:47:27,600

uh

2768

01:47:32,470 --> 01:47:30,400

trying to get my bob lazar on for one of

2769

01:47:34,070 --> 01:47:32,480

our assassin sessions

2770

01:47:38,950 --> 01:47:34,080

so dude

2771

01:47:42,229 --> 01:47:41,109

i mean the internet will be there so

2772

01:47:44,070 --> 01:47:42,239

right

2773

01:47:46,709 --> 01:47:44,080

that'd be that would be amazing it would

2774

01:47:49,750 --> 01:47:46,719

be pretty sweet jim goodall uh bud's

2775

01:47:51,750 --> 01:47:49,760

with uh bob lazar

2776

01:47:55,669 --> 01:47:51,760

buds with uh

2777

01:47:57,510 --> 01:47:55,679

john lear who our r.i.p to john lear

2778

01:47:59,430 --> 01:47:57,520

yeah um

2779

01:48:00,629 --> 01:47:59,440

he's gonna be in the documentary as well

2780

01:48:02,149 --> 01:48:00,639

so

2781

01:48:05,109 --> 01:48:02,159

you guys like jim goodall man he's gonna

2782

01:48:06,709 --> 01:48:05,119

be there yeah jim and he's made a lot of

2783

01:48:08,550 --> 01:48:06,719

appearances

2784

01:48:10,709 --> 01:48:08,560

in quite a quite a few few uh

2785

01:48:14,390 --> 01:48:10,719

documentaries

2786

01:48:16,149 --> 01:48:14,400

dude yeah uh uh what was the third the

2787

01:48:18,310 --> 01:48:16,159

third phase of third phase of moon was

2788

01:48:20,709 --> 01:48:18,320

they did a recent thing that he he just

2789

01:48:23,109 --> 01:48:20,719

sent on our email that was that was good

2790

01:48:24,149 --> 01:48:23,119

yeah yeah i don't remember what it was

2791

01:48:25,990 --> 01:48:24,159

called

2792

01:48:29,510 --> 01:48:26,000

let's see those dudes are putting out

2793

01:48:32,390 --> 01:48:29,520

some good good prep productions over

2794

01:48:33,990 --> 01:48:32,400

there third phase of moon

2795

01:48:35,590 --> 01:48:34,000

the brother cousins

2796

01:48:36,950 --> 01:48:35,600

um

2797

01:48:39,990 --> 01:48:36,960

but real quick dude did you know that

2798

01:48:41,510 --> 01:48:40,000

john lear passed yesterday

2799

01:48:43,350 --> 01:48:41,520

yeah dude

2800

01:48:45,030 --> 01:48:43,360

man what a legend

2801

01:48:46,870 --> 01:48:45,040

i didn't know that until i got the email

2802

01:48:50,550 --> 01:48:46,880

from from jim so

2803

01:48:51,830 --> 01:48:50,560

yeah dude what a legend man

2804

01:48:54,629 --> 01:48:51,840

that is uh

2805

01:48:57,430 --> 01:48:54,639

we we lost a we lost a big one for sure

2806

01:49:04,229 --> 01:48:57,440

pour one out you know

2807

01:49:09,189 --> 01:49:06,310

yeah pour some liquid right on top of

2808

01:49:11,430 --> 01:49:09,199

your computer desk that's a good idea

2809

01:49:12,550 --> 01:49:11,440

a red liquid

2810

01:49:13,750 --> 01:49:12,560

pretty sure i'm not supposed to do that

2811

01:49:14,870 --> 01:49:13,760

i did that wrong i was supposed to like

2812

01:49:16,149 --> 01:49:14,880

do it on the floor right because it's

2813

01:49:18,149 --> 01:49:16,159

supposed to go to them

2814

01:49:20,390 --> 01:49:18,159

all right yeah yeah you did that wrong

2815

01:49:21,990 --> 01:49:20,400

you were just being really you were like

2816

01:49:23,910 --> 01:49:22,000

i was committing to the joke you were

2817

01:49:25,669 --> 01:49:23,920

like hey john lear

2818

01:49:28,229 --> 01:49:25,679

psych and then you threw it in your own

2819

01:49:29,830 --> 01:49:28,239

mouth what an [h\_\_h] okay i gotta do

2820

01:49:30,960 --> 01:49:29,840

that again now you have to pour it out

2821

01:49:32,629 --> 01:49:30,970

on the ground

2822

01:49:34,070 --> 01:49:32,639

[Laughter]

2823

01:49:34,870 --> 01:49:34,080

i literally just poured it on on the

2824

01:49:39,350 --> 01:49:34,880

floor

2825

01:49:48,070 --> 01:49:40,950

get drunk

2826

01:49:50,470 --> 01:49:49,350

yeah

2827

01:49:53,910 --> 01:49:50,480

all right dude

2828

01:49:54,950 --> 01:49:53,920

uh yeah what's next dude

2829

01:50:00,310 --> 01:49:54,960

that's it

2830

01:50:02,390 --> 01:50:00,320

hell yeah i've been i've been saving all

2831

01:50:04,790 --> 01:50:02,400

my stuff for tomorrow for when we get

2832

01:50:06,629 --> 01:50:04,800

tattoos yeah well i mean we're gonna be

2833

01:50:09,350 --> 01:50:06,639

there for a while so i need some stuff

2834

01:50:11,270 --> 01:50:09,360

to talk about dude so again

2835

01:50:13,189 --> 01:50:11,280

go for it sorry so we're gonna be there

2836

01:50:15,510 --> 01:50:13,199

for how many hours

2837

01:50:16,470 --> 01:50:15,520

uh i don't know dude however long it

2838

01:50:18,870 --> 01:50:16,480

takes

2839

01:50:21,030 --> 01:50:18,880

but i just need to know like when you

2840

01:50:22,390 --> 01:50:21,040

can be there because i told him

2841

01:50:23,669 --> 01:50:22,400

i told him that i would be there around

2842

01:50:25,750 --> 01:50:23,679

like 6 30

2843

01:50:27,270 --> 01:50:25,760

and we can start setting stuff up and

2844

01:50:29,030 --> 01:50:27,280

hopefully get going by like eight

2845

01:50:30,390 --> 01:50:29,040

o'clock because i was thinking i would

2846

01:50:32,149 --> 01:50:30,400

get it set up and then you would

2847

01:50:33,589 --> 01:50:32,159

probably be rolling in around eight so

2848

01:50:35,030 --> 01:50:33,599

then we could get going but if you're

2849

01:50:36,629 --> 01:50:35,040

gonna be there maybe we can get started

2850

01:50:38,390 --> 01:50:36,639

a little bit earlier i mean it's just a

2851  
01:50:39,910 --> 01:50:38,400  
couple computers and like a couple

2852  
01:50:41,430 --> 01:50:39,920  
lights so i'm sure it wouldn't take too

2853  
01:50:43,910 --> 01:50:41,440  
long he'll have to set up his session

2854  
01:50:46,310 --> 01:50:43,920  
there's a little area and stuff

2855  
01:50:48,870 --> 01:50:46,320  
um and then we'll get comfortable

2856  
01:50:50,870 --> 01:50:48,880  
take our our pants off and like he'll

2857  
01:50:52,390 --> 01:50:50,880  
start tattooing our arms

2858  
01:50:55,030 --> 01:50:52,400  
so

2859  
01:50:56,870 --> 01:50:55,040  
uh you know how production works right

2860  
01:50:58,550 --> 01:50:56,880  
like you get there it's like oh yeah

2861  
01:51:02,950 --> 01:50:58,560  
we'll we'll like start setting up and

2862  
01:51:04,550 --> 01:51:02,960  
then like oh [h\_\_h] six hours later

2863  
01:51:05,430 --> 01:51:04,560

yeah

2864

01:51:07,750 --> 01:51:05,440

uh

2865

01:51:10,310 --> 01:51:07,760

i but here's the thing this time it's

2866

01:51:13,830 --> 01:51:10,320

just me in a camera and a computer so

2867

01:51:15,750 --> 01:51:13,840

i'm right i'm very fast

2868

01:51:18,149 --> 01:51:15,760

i can set that up all we need to figure

2869

01:51:19,830 --> 01:51:18,159

out is fast internet uh which if it's

2870

01:51:21,109 --> 01:51:19,840

not fast then we're just [h\_\_h] out of

2871

01:51:22,790 --> 01:51:21,119

luck so

2872

01:51:24,709 --> 01:51:22,800

dude we're in taylor bro of course we've

2873

01:51:26,149 --> 01:51:24,719

got fast internet

2874

01:51:28,229 --> 01:51:26,159

yeah

2875

01:51:30,550 --> 01:51:28,239

totally dude you gotta plug right into

2876  
01:51:31,140 --> 01:51:30,560  
the water tower yeah

2877  
01:51:32,870 --> 01:51:31,150  
i'll uh

2878  
01:51:34,470 --> 01:51:32,880  
[Music]

2879  
01:51:39,109 --> 01:51:34,480  
i'll bring i'll bring

2880  
01:51:42,470 --> 01:51:40,870  
stuff
