14

00:00:51,350 --> 00:00:49,840

i'm turning it down

15

00:00:54,069 --> 00:00:51,360

wait a second

16

00:00:56,069 --> 00:00:54,079

i can hear all of your youtube stuff

17

00:00:58,150 --> 00:00:56,079

what are you talking about

18

00:01:01,189 --> 00:00:58,160

i don't have any other windows open i i

19

00:01:03,750 --> 00:01:01,199

hear like a i hear like an echo

20

00:01:04,630 --> 00:01:03,760

oh you hear all of it's an echo

21

00:01:06,870 --> 00:01:04,640

huh

22

00:01:08,230 --> 00:01:06,880

it hasn't done that before

23

00:01:10,310 --> 00:01:08,240

all right i'm just gonna get rid of that

24

00:01:12,950 --> 00:01:10,320

that's that's okay can you hear it now

25

00:01:16,390 --> 00:01:12,960

is it over

26

00:01:18,870 --> 00:01:16,400

no it's still playing really is it me

27

00:01:21,190 --> 00:01:18,880

what is it what's playing

28

00:01:22,550 --> 00:01:21,200

our conversation that we're having as

29

00:01:23,429 --> 00:01:22,560

we're having it

30

00:01:25,910 --> 00:01:23,439

it's

31

00:01:28,070 --> 00:01:25,920

coming back around like 15 seconds later

32

00:01:30,550 --> 00:01:28,080

oh my god okay like we're still talking

33

00:01:34,390 --> 00:01:30,560

in the background

34

00:01:38,789 --> 00:01:35,910

oh my god hold on we're gonna figure

35

00:01:41,190 --> 00:01:38,799

this out i promise hold on everybody

36

00:01:43,830 --> 00:01:41,200

hold on

37

00:01:45,350 --> 00:01:43,840

let me figure this out

38

00:01:50,310 --> 00:01:45,360

i don't know what happened there it goes

39

00:01:56,550 --> 00:01:51,590

okay

40

00:02:01,990 --> 00:01:56,560

i fixed it

41

00:02:04,709 --> 00:02:02,000

hey this is another episode of ufo

42

00:02:06,469 --> 00:02:04,719

garage i'm ben i'm joe and this is where

43

00:02:10,710 --> 00:02:06,479

we talk about ufos

44

00:02:15,510 --> 00:02:13,030

so first off i wanted to say how excited

45

00:02:17,910 --> 00:02:15,520

i am because i finally figured out how

46

00:02:19,350 --> 00:02:17,920

to do the youtube pop-up window and

47

00:02:21,589 --> 00:02:19,360

obviously it's not that exciting because

48

00:02:23,030 --> 00:02:21,599

i [h__\h] it all up because

49

00:02:25,670 --> 00:02:23,040

i oh

50

00:02:27,110 --> 00:02:25,680

i couldn't see it so i did it i did the

51

00:02:29,110 --> 00:02:27,120

i did the pop out

52

00:02:31,430 --> 00:02:29,120

and then forgot that youtube was still

53

00:02:33,589 --> 00:02:31,440

going so then i exited it out of it and

54

00:02:35,670 --> 00:02:33,599

then i didn't realize the video is still

55

00:02:38,070 --> 00:02:35,680

playing in the background so this one

56

00:02:41,110 --> 00:02:38,080

this week on junior boomers figure out

57

00:02:45,910 --> 00:02:43,350

i kind of like now i need to pop it out

58

00:02:48,070 --> 00:02:45,920

now that i know what's going on

59

00:02:49,750 --> 00:02:48,080

it sucks okay let's get our equipment

60

00:02:51,430 --> 00:02:49,760

61

00:02:53,670 --> 00:02:51,440

the night is young how is everybody

62

00:02:56,070 --> 00:02:53,680

64

00:03:00,869 --> 00:02:58,239

00:04:13,670 --> 00:04:11,760

that's going to be that's going to be

93

00:04:16,150 --> 00:04:13,680

102

00:04:37,430 --> 00:04:36,080

it's gonna be cramped back there that's

103

00:04:39,270 --> 00:04:37,440

all i gotta say

104

00:04:42,390 --> 00:04:39,280

all right dude i figured it out

105

00:04:44,469 --> 00:04:42,400

i get regular uh chat comments now

106

00:04:46,629 --> 00:04:44,479

hell yeah dude what the [h__h] you figured

107

00:04:48,230 --> 00:04:46,639

out the pop out chat i figured it out i

108

00:04:49,590 --> 00:04:48,240

did it yeah dude

109

00:04:50,629 --> 00:04:49,600

well you want to play the uh the intro

110

00:04:52,070 --> 00:04:50,639

video

111

00:04:57,430 --> 00:04:52,080

i'm

112

00:05:00,629 --> 00:04:59,350

oh dude that was such a trip i didn't

113

00:05:03,110 --> 00:05:00,639

know what was happening i thought maybe

114

00:05:04,230 --> 00:05:03,120

some like the equipment malfunctioned or

115

00:05:06,150 --> 00:05:04,240

something

116

00:05:07,110 --> 00:05:06,160

i don't know it was strange

117

00:05:08,469 --> 00:05:07,120

uh

118

00:05:11,110 --> 00:05:08,479

at this point it could it could be

119

00:05:12,629 --> 00:05:11,120

anything um no it was me

120

00:05:13,430 --> 00:05:12,639

no it was you though it was definitely

121

00:05:14,629 --> 00:05:13,440

me

122

00:05:16,790 --> 00:05:14,639

i thought you were because i was

123

00:05:18,629 --> 00:05:16,800

clicking buttons on my end i thought you

124

00:05:21,029 --> 00:05:18,639

were being like making a joke that you

125

00:05:23,510 --> 00:05:21,039

you're like i fixed it

126

00:05:25,749 --> 00:05:23,520

no because as soon as we came in and i

127

00:05:27,830 --> 00:05:25,759

was like this is another episode of ufo

128

00:05:29,909 --> 00:05:27,840

garage like the beginning of the the

129

00:05:32,710 --> 00:05:29,919

whole thing started so like the whole

130

00:05:34,950 --> 00:05:32,720

all the the music was like split in half

131

00:05:38,870 --> 00:05:34,960

and it was all jamming all weird started

132

00:05:41,189 --> 00:05:38,880

laughing it was crazy it was crazy oh

133

00:05:43,110 --> 00:05:41,199

dude one day we'll figure it all out

134

00:05:44,870 --> 00:05:43,120

figure it all out i found this i found

135

00:05:46,629 --> 00:05:44,880

this cool thing

136

00:05:48,390 --> 00:05:46,639

i thought i thought alabama tide would

137

00:05:50,550 --> 00:05:48,400

like it it's pretty neat it's just like

138

00:05:52,870 --> 00:05:50,560

a an old thing that's been passed down

139

00:05:54,950 --> 00:05:52,880

for generations and uh

140

00:05:57,350 --> 00:05:54,960

it's it's pretty it's a pretty cool cup

141

00:05:59,510 --> 00:05:57,360

what does it say orange ball yeah texas

142

00:06:00,790 --> 00:05:59,520

21 alabama 17

143

00:06:02,870 --> 00:06:00,800

yeah

144

00:06:04,730 --> 00:06:02,880

i know he likes history and stuff texas

145

00:06:07,110 --> 00:06:04,740

1965

146

00:06:10,230 --> 00:06:07,120

[Laughter]

147

00:06:12,629 --> 00:06:10,240

i just wanted to show that

148

00:06:14,309 --> 00:06:12,639

oh golly this might keep

149

00:06:16,390 --> 00:06:14,319

anyways dude interact at all i gotcha a

150

00:06:18,710 --> 00:06:16,400

lot about it

151

00:06:22,070 --> 00:06:18,720

anyway i'm like doing stuff i'm like

152

00:06:25,430 --> 00:06:23,670

dude so last week we were talking about

153

00:06:27,110 --> 00:06:25,440

alice collier right

154

00:06:29,670 --> 00:06:27,120

and i just kind of been in or not last

155

00:06:31,270 --> 00:06:29,680

week but last tuesday so i've had i've

156

00:06:34,070 --> 00:06:31,280

had one day to kind of mull it over in

157

00:06:35,430 --> 00:06:34,080

my head yeah and uh someone's listening

158

00:06:37,189 --> 00:06:35,440

to some more uh

159

00:06:39,189 --> 00:06:37,199

uh somewhat some more videos i got to

160

00:06:41,270 --> 00:06:39,199

thank it dude like you know it's always

161

00:06:43,749 --> 00:06:41,280

weird how you know

162

00:06:45,510 --> 00:06:43,759

obviously like regional differences

163

00:06:47,189 --> 00:06:45,520

create cultural differences and things

164

00:06:49,589 --> 00:06:47,199

like that and people are just obviously

165

00:06:52,309 --> 00:06:49,599

different but if there was a time where

166

00:06:54,469 --> 00:06:52,319

possibly there was 22 civilizations that

167

00:06:56,230 --> 00:06:54,479

decided that they wanted to uh

168

00:06:59,510 --> 00:06:56,240

uh you know

169

00:07:01,430 --> 00:06:59,520

come and see the earth or like you know

170

00:07:03,749 --> 00:07:01,440

build civilization on the planet at some

171

00:07:05,510 --> 00:07:03,759

point throughout history all that dna

172

00:07:07,670 --> 00:07:05,520

has been shared like

173

00:07:09,670 --> 00:07:07,680

for hundreds of thousands of years now

174

00:07:11,670 --> 00:07:09,680

at this point like it's all kind of been

175

00:07:13,430 --> 00:07:11,680

mixed up a little bit this and that well

176

00:07:15,350 --> 00:07:13,440

each one of those cultures right that

177

00:07:17,110 --> 00:07:15,360

came from the stars everywhere they came

178

00:07:19,029 --> 00:07:17,120

from was probably a little bit different

179

00:07:21,270 --> 00:07:19,039

they probably needed like different

180

00:07:23,670 --> 00:07:21,280

things for their health and maybe some

181

00:07:25,270 --> 00:07:23,680

of them were like you know uh really

182

00:07:26,390 --> 00:07:25,280

creative some of them were just like

183

00:07:28,150 --> 00:07:26,400

more like

184

00:07:29,749 --> 00:07:28,160

not as creative some of them you know

185

00:07:31,510 --> 00:07:29,759

like they're just all different right

186

00:07:33,510 --> 00:07:31,520

you know and i think about it as like

187

00:07:36,070 --> 00:07:33,520

humans as we've been going on for this

188

00:07:38,230 --> 00:07:36,080

short amount of time you know sometimes

189

00:07:40,469 --> 00:07:38,240

like medicines work for some people but

190

00:07:43,430 --> 00:07:40,479

they don't work for other people right

191

00:07:44,790 --> 00:07:43,440

sometimes like certain certain things

192

00:07:46,869 --> 00:07:44,800

that you do

193

00:07:49,350 --> 00:07:46,879

uh can can make you happy right somebody

194

00:07:51,510 --> 00:07:49,360

could sit there and like code all day

195

00:07:52,869 --> 00:07:51,520

long and be happy and somebody else

196

00:07:54,070 --> 00:07:52,879

could also do it and be completely

197

00:07:55,749 --> 00:07:54,080

miserable like there's just like

198

00:07:57,589 --> 00:07:55,759

everybody's so different right and it's

199

00:07:59,589 --> 00:07:57,599

like it's up to you like your personal

200

00:08:01,990 --> 00:07:59,599

interests and like kind of how you grow

201
00:08:03,990 --> 00:08:02,000
up i guess to like a little extent but

202
00:08:06,070 --> 00:08:04,000
like what if like

203
00:08:09,670 --> 00:08:06,080
deep deep down like we're harnessing

204
00:08:11,350 --> 00:08:09,680
some of that like ancient alien like dna

205
00:08:13,189 --> 00:08:11,360
like in our bodies and we're all just

206
00:08:14,710 --> 00:08:13,199
like really really interested in certain

207
00:08:17,110 --> 00:08:14,720
things you know how like some people

208
00:08:18,550 --> 00:08:17,120
like grow up you know grow up catholic

209
00:08:19,510 --> 00:08:18,560
right and then like they get older

210
00:08:22,230 --> 00:08:19,520
they're like you know i feel kind of

211
00:08:23,510 --> 00:08:22,240
more like a jew you know and it's like

212
00:08:25,510 --> 00:08:23,520
you know or like

213
00:08:27,029 --> 00:08:25,520

vice versa or like some people you know

214

00:08:29,749 --> 00:08:27,039

they're like uh yeah i grew up like

215

00:08:31,830 --> 00:08:29,759

southern baptist and now i'm i'm i'm i'm

216

00:08:33,750 --> 00:08:31,840

uh hindu or whatever you know like

217

00:08:35,990 --> 00:08:33,760

people just like are attracted to things

218

00:08:37,350 --> 00:08:36,000

even though they grew up in certain

219

00:08:38,630 --> 00:08:37,360

um

220

00:08:41,589 --> 00:08:38,640

you know

221

00:08:43,750 --> 00:08:41,599

certain ways in life yeah and everybody

222

00:08:45,509 --> 00:08:43,760

like so so if that is the case maybe

223

00:08:47,829 --> 00:08:45,519

like these these religions and these

224

00:08:49,829 --> 00:08:47,839

pockets of like things that you can pick

225

00:08:51,350 --> 00:08:49,839

out like culturally all around the world

226

00:08:53,269 --> 00:08:51,360

are are due to

227

00:08:55,190 --> 00:08:53,279

um the different needs of different

228

00:08:58,070 --> 00:08:55,200

species that came here at some point in

229

00:08:59,990 --> 00:08:58,080

time you know

230

00:09:02,230 --> 00:09:00,000

like like your parents may have like the

231

00:09:03,110 --> 00:09:02,240

dna you know you all probably have the

232

00:09:08,070 --> 00:09:03,120

same

233

00:09:09,990 --> 00:09:08,080

there's just certain pieces of it that

234

00:09:11,509 --> 00:09:10,000

are more activated than others that

235

00:09:12,870 --> 00:09:11,519

could come from like

236

00:09:15,670 --> 00:09:12,880

you know a different

237

00:09:17,590 --> 00:09:15,680

a different tribe of of sorts you know

238

00:09:19,590 --> 00:09:17,600

that's a little stronger in you than it

239

00:09:21,110 --> 00:09:19,600

is in them and therefore you're like way

240

00:09:22,710 --> 00:09:21,120

off i always think of like the black

241

00:09:23,670 --> 00:09:22,720

sheep of the family you know how they're

242

00:09:25,910 --> 00:09:23,680

just like

243

00:09:28,470 --> 00:09:25,920

who the [h__h] are you adopted you know

244

00:09:30,790 --> 00:09:28,480

like who are you like you don't belong

245

00:09:34,870 --> 00:09:30,800

in this family and i always think about

246

00:09:36,949 --> 00:09:34,880

that like maybe those are just like

247

00:09:39,269 --> 00:09:36,959

they're different for a reason

248

00:09:41,190 --> 00:09:39,279

yeah or or it was like um

249

00:09:42,949 --> 00:09:41,200

a recessive you know like there's

250

00:09:44,710 --> 00:09:42,959

dominant recessive genes well maybe

251

00:09:46,949 --> 00:09:44,720

there's there's uh

252

00:09:49,910 --> 00:09:46,959

there's only only so much that nature

253

00:09:52,710 --> 00:09:49,920

versus nurture can influence the path

254

00:09:54,070 --> 00:09:52,720

and the choices that one takes it's like

255

00:09:56,550 --> 00:09:54,080

um

256

00:09:59,269 --> 00:09:56,560

i i feel like culture has to be way up

257

00:10:01,269 --> 00:09:59,279

there like eighty percent or you know

258

00:10:03,110 --> 00:10:01,279

like your br your upbringing your

259

00:10:04,790 --> 00:10:03,120

parents uh their beliefs and all that

260

00:10:06,230 --> 00:10:04,800

stuff and like making decisions and

261

00:10:08,710 --> 00:10:06,240

stuff and yeah

262

00:10:10,150 --> 00:10:08,720

a little bit of it though or it could be

263

00:10:11,670 --> 00:10:10,160

it could be the total opposite like a

264

00:10:13,910 --> 00:10:11,680

little bit of that

265

00:10:15,190 --> 00:10:13,920

uh is is like your genetic makeup which

266

00:10:17,509 --> 00:10:15,200

is made up of

267

00:10:20,310 --> 00:10:17,519

these 22 different species over the past

268

00:10:23,110 --> 00:10:20,320

couple million years yeah that have

269

00:10:25,030 --> 00:10:23,120

written this code that's like hey so if

270

00:10:27,509 --> 00:10:25,040

this got this specific combination in

271

00:10:29,350 --> 00:10:27,519

time if you do this and you have this

272

00:10:30,710 --> 00:10:29,360

biome this gut biome or whatever that

273

00:10:31,829 --> 00:10:30,720

you're gonna you're gonna be drawing

274

00:10:33,590 --> 00:10:31,839

something

275

00:10:35,910 --> 00:10:33,600

towards uh

276

00:10:37,670 --> 00:10:35,920

ufos and aliens instead of sports yeah

277

00:10:39,509 --> 00:10:37,680

yeah you know i guess because he was

278

00:10:41,509 --> 00:10:39,519

talking about like you know there was a

279

00:10:42,870 --> 00:10:41,519

group of aliens that came around you

280

00:10:44,630 --> 00:10:42,880

know like

281

00:10:46,550 --> 00:10:44,640

pre-egypt and stuff and then there was

282

00:10:48,230 --> 00:10:46,560

another group that came around during

283

00:10:49,750 --> 00:10:48,240

like the time of egypt and then there's

284

00:10:51,750 --> 00:10:49,760

another group that came around in the

285

00:10:53,990 --> 00:10:51,760

30s there's a group that came around

286

00:10:55,509 --> 00:10:54,000

like in the dark ages like there's just

287

00:10:57,590 --> 00:10:55,519

these groups that showed up in like

288

00:11:00,470 --> 00:10:57,600

different times and you know like take

289

00:11:03,030 --> 00:11:00,480

me for example right even as a kid

290

00:11:05,190 --> 00:11:03,040

even as a kid like my family is like

291

00:11:07,590 --> 00:11:05,200

hardcore catholic right but like even as

292

00:11:09,910 --> 00:11:07,600

a kid i would go and i would listen and

293

00:11:12,310 --> 00:11:09,920

i'd be like this does not resonate with

294

00:11:13,269 --> 00:11:12,320

me not even understanding

295

00:11:15,590 --> 00:11:13,279

why

296

00:11:17,509 --> 00:11:15,600

it should or it shouldn't resonate with

297

00:11:19,750 --> 00:11:17,519

me it was like something that like we

298

00:11:20,949 --> 00:11:19,760

just always did so therefore i should

299

00:11:22,310 --> 00:11:20,959

have been like

300

00:11:23,590 --> 00:11:22,320

more just like

301
00:11:25,190 --> 00:11:23,600
you know when you're when you're brought

302
00:11:26,870 --> 00:11:25,200
up in something you don't really think

303
00:11:29,670 --> 00:11:26,880
about it it's just what you do because

304
00:11:30,790 --> 00:11:29,680
that's what you know like even like as a

305
00:11:33,590 --> 00:11:30,800
small child though i was like this

306
00:11:34,790 --> 00:11:33,600
doesn't resonate with me at all i don't

307
00:11:36,230 --> 00:11:34,800
i'm not like

308
00:11:38,630 --> 00:11:36,240
not uncomfortable but like it just

309
00:11:40,230 --> 00:11:38,640
didn't do anything for me i felt like i

310
00:11:42,150 --> 00:11:40,240
was like okay i'm always inspiring you

311
00:11:43,750 --> 00:11:42,160
yeah it didn't inspire me and i always

312
00:11:45,509 --> 00:11:43,760
thought about it like maybe like you

313
00:11:46,870 --> 00:11:45,519

know like my parents had more of like

314

00:11:50,069 --> 00:11:46,880

that like

315

00:11:52,230 --> 00:11:50,079

egyptian e.t race bloodline that was you

316

00:11:54,150 --> 00:11:52,240

know around that time like you start

317

00:11:57,030 --> 00:11:54,160

getting biblical stories and [h__h] like

318

00:11:58,069 --> 00:11:57,040

maybe like some some even more ancient

319

00:12:00,069 --> 00:11:58,079

dna

320

00:12:02,629 --> 00:12:00,079

you know like was just more pro

321

00:12:04,470 --> 00:12:02,639

prominent inside of me instead of you

322

00:12:07,030 --> 00:12:04,480

know them and maybe that's why it just

323

00:12:10,389 --> 00:12:07,040

didn't resonate because i felt different

324

00:12:12,790 --> 00:12:10,399

for a reason yeah you know

325

00:12:13,990 --> 00:12:12,800

yeah dude i love that um

326

00:12:16,150 --> 00:12:14,000

so

327

00:12:17,670 --> 00:12:16,160

do you think that the the interest in

328

00:12:19,750 --> 00:12:17,680

ancient civilizations and things like

329

00:12:21,190 --> 00:12:19,760

that that the same stuff that we share

330

00:12:22,470 --> 00:12:21,200

do you think that's like

331

00:12:24,389 --> 00:12:22,480

specifically

332

00:12:27,110 --> 00:12:24,399

from a species

333

00:12:29,030 --> 00:12:27,120

and that it's like somewhere

334

00:12:32,230 --> 00:12:29,040

coated in both of our dnas even though

335

00:12:34,470 --> 00:12:32,240

we have vastly different backgrounds and

336

00:12:36,470 --> 00:12:34,480

i mean you're you're mixed ethnically

337

00:12:39,670 --> 00:12:36,480

you know your mom's mexican your dad's

338

00:12:40,629 --> 00:12:39,680

white my parents are translucent uh it's

339

00:12:48,230 --> 00:12:40,639

like

340

00:12:50,710 --> 00:12:48,240

who knows maybe it's an alien ancestor

341

00:12:54,069 --> 00:12:50,720

right that had these tendencies of being

342

00:12:57,350 --> 00:12:54,079

interested in in specific things dude i

343

00:12:59,030 --> 00:12:57,360

love that idea man

344

00:13:01,670 --> 00:12:59,040

yeah dude yeah

345

00:13:04,550 --> 00:13:01,680

do that and and so like every uh you

346

00:13:07,829 --> 00:13:04,560

know like every new

347

00:13:09,990 --> 00:13:07,839

civilization that visits or colonizes or

348

00:13:11,110 --> 00:13:10,000

you know has some sort of effect on the

349

00:13:13,190 --> 00:13:11,120

planet

350

00:13:15,269 --> 00:13:13,200

thousands of years later that starts

351
00:13:17,350 --> 00:13:15,279
getting mixed up into the genetic gene

352
00:13:18,790 --> 00:13:17,360
pool that's why we like we all have a

353
00:13:21,829 --> 00:13:18,800
common like

354
00:13:24,710 --> 00:13:21,839
sense of like we're human but like the

355
00:13:26,310 --> 00:13:24,720
inside is so different for everybody

356
00:13:28,629 --> 00:13:26,320
yeah you know it's because we've got

357
00:13:30,949 --> 00:13:28,639
like these 22 different like

358
00:13:31,990 --> 00:13:30,959
species genes running through our our

359
00:13:34,710 --> 00:13:32,000
you know our

360
00:13:36,629 --> 00:13:34,720
our bodies and so you know some of it is

361
00:13:38,790 --> 00:13:36,639
like oh i just need a cheeseburger but

362
00:13:41,750 --> 00:13:38,800
then the other half is like oh my god i

363
00:13:44,790 --> 00:13:41,760

cannot catch a rat on a rat trap you

364

00:13:46,470 --> 00:13:44,800

know yeah like why are you so conflicted

365

00:13:48,949 --> 00:13:46,480

in in that

366

00:13:50,389 --> 00:13:48,959

you know in that morality that morality

367

00:13:52,949 --> 00:13:50,399

or that moral decision that you're

368

00:13:55,110 --> 00:13:52,959

trying to make you know right

369

00:13:56,870 --> 00:13:55,120

it's crazy

370

00:13:59,350 --> 00:13:56,880

uh we got uh

371

00:14:05,350 --> 00:13:59,360

michael is in the in the back uh in the

372

00:14:07,110 --> 00:14:06,230

uh

373

00:14:08,949 --> 00:14:07,120

so

374

00:14:10,870 --> 00:14:08,959

dude he's got a very interesting story

375

00:14:11,590 --> 00:14:10,880

i'm i'm excited to chat with him tonight

376

00:14:13,189 --> 00:14:11,600

man

377

00:14:14,550 --> 00:14:13,199

uh it's uh

378

00:14:16,069 --> 00:14:14,560

i'll just let him explain the story i

379

00:14:18,230 --> 00:14:16,079

don't want to tell him his story for it

380

00:14:19,990 --> 00:14:18,240

but yeah everybody uh welcome michael

381

00:14:22,870 --> 00:14:20,000

gutierrez what's up brother how's it

382

00:14:26,069 --> 00:14:22,880

going mid swig like that

383

00:14:26,079 --> 00:14:28,870

can you hear us

384

00:14:34,790 --> 00:14:30,310

mike

385

00:14:37,350 --> 00:14:35,829

all right we're gonna let him figure

386

00:14:39,269 --> 00:14:37,360

that out

387

00:14:41,030 --> 00:14:39,279

michael was at a doctor's appointment uh

388

00:14:42,629 --> 00:14:41,040

with his girlfriend so he's just getting

389

00:14:45,110 --> 00:14:42,639

back so we didn't have a chance to do a

390

00:14:47,189 --> 00:14:45,120

sound check so uh

391

00:14:50,389 --> 00:14:47,199

we'll let michael uh

392

00:14:52,790 --> 00:14:50,399

fix his audio you know

393

00:14:53,910 --> 00:14:52,800

let us know

394

00:14:55,590 --> 00:14:53,920

michael i don't know if you can hear me

395

00:14:58,310 --> 00:14:55,600

but uh private chat just send us a

396

00:14:59,829 --> 00:14:58,320

private chat when you're ready bro the

397

00:15:01,350 --> 00:14:59,839

uh

398

00:15:03,750 --> 00:15:01,360

and palmer says

399

00:15:05,030 --> 00:15:03,760

she needs to take a nap

400

00:15:07,350 --> 00:15:05,040

it's night time you should just go to

401
00:15:08,629 --> 00:15:07,360
sleep at this point

402
00:15:10,069 --> 00:15:08,639
wait i don't know what part of the world

403
00:15:12,069 --> 00:15:10,079
you're from i forget the internet is

404
00:15:14,389 --> 00:15:12,079
accessible all over the world so

405
00:15:15,990 --> 00:15:14,399
nevermind it could be it could be prime

406
00:15:20,470 --> 00:15:16,000
nap time where you're at

407
00:15:24,550 --> 00:15:22,150
um for you

408
00:15:27,189 --> 00:15:24,560
for me yeah if you could choose one time

409
00:15:28,550 --> 00:15:27,199
during the day to take a nap

410
00:15:30,150 --> 00:15:28,560
from

411
00:15:33,030 --> 00:15:30,160
just any time

412
00:15:33,990 --> 00:15:33,040
11 30 to 4 30.

413
00:15:39,110 --> 00:15:34,000

just

414

00:15:41,350 --> 00:15:39,120

4 30.

415

00:15:43,829 --> 00:15:41,360

take a nap help yeah dude

416

00:15:45,749 --> 00:15:43,839

awesome i need a solid eight hours in a

417

00:15:47,829 --> 00:15:45,759

very solid cat nap in the middle of the

418

00:15:49,430 --> 00:15:47,839

day that's right that's right

419

00:15:50,710 --> 00:15:49,440

okay michael said he's ready all right

420

00:15:54,150 --> 00:15:50,720

let's bring him in what's up dude can

421

00:15:57,189 --> 00:15:56,069

oh now we can't hear you now we can't

422

00:15:59,110 --> 00:15:57,199

hear you

423

00:16:00,629 --> 00:15:59,120

it's switched

424

00:16:04,790 --> 00:16:00,639

first we could hear you and then we

425

00:16:09,990 --> 00:16:08,150

uh we're not can't hear you bud try it

426
00:16:13,030 --> 00:16:10,000
again

427
00:16:15,189 --> 00:16:13,040
oh oh we can hear something audio

428
00:16:16,710 --> 00:16:15,199
can you hear us now

429
00:16:19,110 --> 00:16:16,720
yeah i could hear you

430
00:16:21,509 --> 00:16:19,120
oh perfect cool now we can hear we can

431
00:16:24,790 --> 00:16:21,519
hear each

432
00:16:27,910 --> 00:16:26,069
you're a little laggy too with the

433
00:16:30,069 --> 00:16:27,920
internet uh i'm gonna bring out do you

434
00:16:32,150 --> 00:16:30,079
mind uh uh maybe just refreshing your

435
00:16:34,389 --> 00:16:32,160
your computer uh or not your computer

436
00:16:36,470 --> 00:16:34,399
your browser maybe see if the internet

437
00:16:37,269 --> 00:16:36,480
maybe catch up

438
00:16:39,350 --> 00:16:37,279

uh

439

00:16:41,430 --> 00:16:39,360

bring him out

440

00:16:44,629 --> 00:16:41,440

so there we go

441

00:16:49,430 --> 00:16:47,350

as we usually do as we usually you know

442

00:16:52,310 --> 00:16:49,440

we we got a lot of we get a lot of like

443

00:16:54,550 --> 00:16:52,320

new listeners from time to time and and

444

00:16:57,030 --> 00:16:54,560

i know we point this out pretty often

445

00:16:58,550 --> 00:16:57,040

but i want to point it out again because

446

00:17:00,310 --> 00:16:58,560

you know

447

00:17:05,350 --> 00:17:00,320

occasionally

448

00:17:08,069 --> 00:17:05,360

accusation of of uh of

449

00:17:11,429 --> 00:17:08,079

of uh being a bad thing

450

00:17:13,189 --> 00:17:11,439

uh for for ufology and

451
00:17:14,069 --> 00:17:13,199
and i think it's an interesting point

452
00:17:15,029 --> 00:17:14,079
because

453
00:17:17,669 --> 00:17:15,039
uh

454
00:17:20,870 --> 00:17:17,679
i don't think dude we're part of ufology

455
00:17:22,309 --> 00:17:20,880
right we're not like ufology uh

456
00:17:24,150 --> 00:17:22,319
because you have to be

457
00:17:27,669 --> 00:17:24,160
in order to be like in ufology you got

458
00:17:30,630 --> 00:17:27,679
to be a ufologist right like like if i

459
00:17:32,230 --> 00:17:30,640
wanted to like be in biology like i know

460
00:17:34,870 --> 00:17:32,240
some [h__\h] about plants but that doesn't

461
00:17:36,150 --> 00:17:34,880
make me a biologist right like so just

462
00:17:38,710 --> 00:17:36,160
because i know

463
00:17:40,789 --> 00:17:38,720

like some [h__h] about aliens but mostly

464

00:17:44,390 --> 00:17:40,799

don't know [h__h] about it right it

465

00:17:46,310 --> 00:17:44,400

doesn't make me a ufologist at all i

466

00:17:47,830 --> 00:17:46,320

almost think it's kind of an insult when

467

00:17:49,750 --> 00:17:47,840

people are like yeah i'm a ufologist and

468

00:17:51,669 --> 00:17:49,760

it's like wait a second have you been

469

00:17:53,190 --> 00:17:51,679

doing this for two years i think it's

470

00:17:55,190 --> 00:17:53,200

one of those things where like because

471

00:17:56,870 --> 00:17:55,200

let's not be honest it's a made-up term

472

00:17:58,870 --> 00:17:56,880

it's made up we made that [h__h] up you

473

00:18:00,390 --> 00:17:58,880

can't take a class for it right so like

474

00:18:02,230 --> 00:18:00,400

there's got to be a standard that's got

475

00:18:04,310 --> 00:18:02,240

to be set in a place like almost think

476
00:18:06,710 --> 00:18:04,320
like you should be doing like hardcore

477
00:18:09,430 --> 00:18:06,720
like research and investigation for at

478
00:18:11,029 --> 00:18:09,440
least at least a solid maybe 10 years

479
00:18:14,070 --> 00:18:11,039
and then you can earn the badge of like

480
00:18:17,029 --> 00:18:14,080
ufologist and say you're part of ufology

481
00:18:19,270 --> 00:18:17,039
right because right now there's no like

482
00:18:20,789 --> 00:18:19,280
there's no like uh

483
00:18:22,230 --> 00:18:20,799
there's no fence

484
00:18:23,990 --> 00:18:22,240
you know what i'm saying yeah there's no

485
00:18:25,430 --> 00:18:24,000
there's no fence like i said i can go

486
00:18:27,990 --> 00:18:25,440
around and be like oh yeah these plants

487
00:18:30,230 --> 00:18:28,000
and the mycorrhizal and the and the uh

488
00:18:31,590 --> 00:18:30,240

you know the the root systems and i can

489

00:18:33,430 --> 00:18:31,600

talk about all this but i'm not a

490

00:18:36,310 --> 00:18:33,440

[h__h] biologist dude you know i don't

491

00:18:39,110 --> 00:18:36,320

know biology you could you know if you

492

00:18:40,870 --> 00:18:39,120

went to school for it i could right but

493

00:18:43,909 --> 00:18:40,880

that's what that takes

494

00:18:45,909 --> 00:18:43,919

years of like just experience and it's

495

00:18:48,950 --> 00:18:45,919

not so much just a school it's actual

496

00:18:52,070 --> 00:18:48,960

experience like in the field too like it

497

00:18:54,470 --> 00:18:52,080

helps a lot so like studying it being in

498

00:18:57,430 --> 00:18:54,480

the field like i just want to throw this

499

00:18:58,870 --> 00:18:57,440

out there if if you have a show like

500

00:19:01,110 --> 00:18:58,880

ben and i

501
00:19:03,270 --> 00:19:01,120
that you talk about ufos

502
00:19:04,630 --> 00:19:03,280
it doesn't mean you're a ufologist it

503
00:19:06,710 --> 00:19:04,640
probably means that you're just an

504
00:19:08,310 --> 00:19:06,720
average dude like ben and i that like to

505
00:19:11,029 --> 00:19:08,320
talk about aliens

506
00:19:14,470 --> 00:19:11,039
yeah you know i would never call myself

507
00:19:16,310 --> 00:19:14,480
a ufologist there are amazing ufologists

508
00:19:19,510 --> 00:19:16,320
out there and they deserve all the

509
00:19:21,270 --> 00:19:19,520
credit that they get and i think it's an

510
00:19:23,750 --> 00:19:21,280
amazing thing that they would spend

511
00:19:25,590 --> 00:19:23,760
their time to do something like this and

512
00:19:29,110 --> 00:19:25,600
i in no way would ever want to call

513
00:19:31,270 --> 00:19:29,120

myself a ufologist and decr discredit

514

00:19:33,190 --> 00:19:31,280

all the stuff that they're doing all i

515

00:19:34,950 --> 00:19:33,200

want to do is follow the cool [h__h] that

516

00:19:36,950 --> 00:19:34,960

they're doing and talk about it on the

517

00:19:38,950 --> 00:19:36,960

show yeah right so

518

00:19:40,870 --> 00:19:38,960

yeah i just want to throw that out there

519

00:19:43,750 --> 00:19:40,880

okay i throw this out there too um yeah

520

00:19:45,350 --> 00:19:43,760

yeah going to school is is like

521

00:19:48,549 --> 00:19:45,360

going to school is you you learn stuff

522

00:19:52,710 --> 00:19:49,590

that's what school is right you just

523

00:19:54,470 --> 00:19:52,720

learn stuff from other people

524

00:19:55,669 --> 00:19:54,480

yes

525

00:19:57,669 --> 00:19:55,679

and there's like

526

00:20:00,070 --> 00:19:57,679

there's like rules and stuff

527

00:20:02,149 --> 00:20:00,080

you know that people made up

528

00:20:04,230 --> 00:20:02,159

yeah kind of look logan black said all

529

00:20:05,830 --> 00:20:04,240

words are made up it got me thinking

530

00:20:08,710 --> 00:20:05,840

literally everything you know like that

531

00:20:10,870 --> 00:20:08,720

term oh my products handmade [h__h]

532

00:20:12,470 --> 00:20:10,880

everything's handmade everything's hand

533

00:20:13,990 --> 00:20:12,480

everything is hand

534

00:20:18,149 --> 00:20:14,000

made

535

00:20:19,190 --> 00:20:18,159

and then somebody with hands

536

00:20:21,830 --> 00:20:19,200

made it

537

00:20:23,270 --> 00:20:21,840

even

538

00:20:25,510 --> 00:20:23,280

other than ideas you don't have to have

539

00:20:27,190 --> 00:20:25,520

hands for ideas look all i'm saying is

540

00:20:29,190 --> 00:20:27,200

that just because i can add and subtract

541

00:20:30,789 --> 00:20:29,200

doesn't make me a mathematician

542

00:20:32,470 --> 00:20:30,799

you know it makes me a guy who knows

543

00:20:39,350 --> 00:20:32,480

some [h__h] about math

544

00:20:42,549 --> 00:20:40,789

just because i know a couple things

545

00:20:44,310 --> 00:20:42,559

about fish doesn't mean i work at sea

546

00:20:45,190 --> 00:20:44,320

world you know

547

00:20:46,390 --> 00:20:45,200

like

548

00:20:47,190 --> 00:20:46,400

hey you know a lot about fish you

549

00:20:48,549 --> 00:20:47,200

weren't

550

00:20:51,430 --> 00:20:48,559

you're working

551
00:20:54,870 --> 00:20:51,440
do you work at seaworld

552
00:20:56,789 --> 00:20:54,880
no but i was like oh [h__h]

553
00:20:59,190 --> 00:20:56,799
i was a lifeguard once

554
00:21:02,070 --> 00:20:59,200
i was actually a lifeguard once were you

555
00:21:03,669 --> 00:21:02,080
yeah i applied to be a lifeguard

556
00:21:06,149 --> 00:21:03,679
but it was too far

557
00:21:07,430 --> 00:21:06,159
i was like i shouldn't have done this

558
00:21:08,950 --> 00:21:07,440
no oh

559
00:21:10,149 --> 00:21:08,960
no i was in austin well they've been

560
00:21:11,669 --> 00:21:10,159
taylor

561
00:21:13,750 --> 00:21:11,679
and i was like nah

562
00:21:16,070 --> 00:21:13,760
but yeah dude yeah i wanted to i want to

563
00:21:17,590 --> 00:21:16,080

get that monkey off my chest are monkeys

564

00:21:20,549 --> 00:21:17,600

supposed to be on your back i usually

565

00:21:22,070 --> 00:21:20,559

carry monkeys on my chest it's way cuter

566

00:21:23,430 --> 00:21:22,080

you do have a monkey on your chest

567

00:21:24,549 --> 00:21:23,440

they're sneaky little bastards and you

568

00:21:25,830 --> 00:21:24,559

don't want them always hanging out

569

00:21:27,830 --> 00:21:25,840

behind you you want to keep them where

570

00:21:31,590 --> 00:21:27,840

you can see them

571

00:21:35,270 --> 00:21:33,510

bookies are crazy though

572

00:21:38,230 --> 00:21:35,280

dude travis green said he was a boat

573

00:21:39,590 --> 00:21:38,240

captain once that's crazy he also said

574

00:21:44,630 --> 00:21:39,600

snails

575

00:21:47,110 --> 00:21:44,640

i just highlighted it oh hell yeah

576

00:21:49,190 --> 00:21:47,120

snails

577

00:21:51,590 --> 00:21:49,200

uh my uh

578

00:21:53,750 --> 00:21:51,600

i came up with a t-shirt brand in uh

579

00:21:55,830 --> 00:21:53,760

high school where i would just write uh

580

00:21:59,669 --> 00:21:55,840

with sharpie on t-shirts and my brand

581

00:22:01,669 --> 00:22:00,950

so travis

582

00:22:03,830 --> 00:22:01,679

just

583

00:22:05,110 --> 00:22:03,840

that was for you um

584

00:22:07,430 --> 00:22:05,120

there you go

585

00:22:09,350 --> 00:22:07,440

oh dude here he is okay michael's in the

586

00:22:13,029 --> 00:22:09,360

house let's just try it out

587

00:22:14,149 --> 00:22:13,039

michael i hear it hey what's up

588

00:22:16,310 --> 00:22:14,159

can you hear me

589

00:22:17,270 --> 00:22:16,320

oh yeah

590

00:22:26,549 --> 00:22:17,280

i

591

00:22:28,789 --> 00:22:26,559

dude we understand no we don't ever

592

00:22:29,990 --> 00:22:28,799

start on time you know this

593

00:22:32,390 --> 00:22:30,000

i don't know

594

00:22:34,549 --> 00:22:32,400

eight minutes late and stuff yeah dude

595

00:22:36,789 --> 00:22:34,559

yeah damn he knew exactly how late we

596

00:22:40,789 --> 00:22:36,799

were

597

00:22:44,549 --> 00:22:40,799

like usually i just seen it

598

00:22:47,029 --> 00:22:44,559

yes dude well hey every you know you uh

599

00:22:48,950 --> 00:22:47,039

you're you are a frequent guest of of

600

00:22:50,950 --> 00:22:48,960

the show well in the in the chat room i

601
00:22:53,270 --> 00:22:50,960
mean we uh chat you know a little bit

602
00:22:55,510 --> 00:22:53,280
back and forth you hang out you uh you

603
00:22:57,430 --> 00:22:55,520
know we see you around in in a few of

604
00:22:59,830 --> 00:22:57,440
the chats so it's cool to actually get a

605
00:23:01,510 --> 00:22:59,840
chance to talk to you man i mean that's

606
00:23:03,430 --> 00:23:01,520
that's kind of the whole point of this

607
00:23:04,950 --> 00:23:03,440
you know yeah i mean you guys too you

608
00:23:06,870 --> 00:23:04,960
know i appreciate you have a platform

609
00:23:08,870 --> 00:23:06,880
where you invite everybody

610
00:23:10,070 --> 00:23:08,880
um it's cause i'm always like in the

611
00:23:17,029 --> 00:23:10,080
chat room like

612
00:23:21,029 --> 00:23:18,549
i was like sorry i've always thought

613
00:23:23,350 --> 00:23:21,039

like this guy must have seen some [h__\h]

614

00:23:25,669 --> 00:23:23,360

uh and uh yeah

615

00:23:28,390 --> 00:23:25,679

i mean i've told you and i've even told

616

00:23:30,549 --> 00:23:28,400

on i was on titty wabba you know and i i

617

00:23:31,750 --> 00:23:30,559

got thrown in because i was nervous and

618

00:23:33,430 --> 00:23:31,760

i might have said some things i

619

00:23:34,630 --> 00:23:33,440

shouldn't have said my girlfriend was

620

00:23:50,870 --> 00:23:34,640

like

621

00:23:53,909 --> 00:23:50,880

public and starts talking about it

622

00:23:55,430 --> 00:23:53,919

publicly um you you i fee we've talked

623

00:23:57,190 --> 00:23:55,440

to so many people that we've gotten to

624

00:23:58,630 --> 00:23:57,200

connect with over over the past couple

625

00:23:59,430 --> 00:23:58,640

years of the show

626

00:24:01,510 --> 00:23:59,440

that

627

00:24:02,630 --> 00:24:01,520

i i can put myself in your shoes i can't

628

00:24:05,110 --> 00:24:02,640

fully understand what you've been

629

00:24:07,110 --> 00:24:05,120

through but i can understand like how

630

00:24:08,789 --> 00:24:07,120

difficult it is to be able to talk about

631

00:24:11,510 --> 00:24:08,799

this and put things in it like

632

00:24:12,950 --> 00:24:11,520

chronological order and figure out what

633

00:24:14,870 --> 00:24:12,960

you want to say what you don't want to

634

00:24:16,470 --> 00:24:14,880

say like it it would either have to take

635

00:24:18,549 --> 00:24:16,480

a lot of practice so you go on a lot of

636

00:24:20,950 --> 00:24:18,559

shows and say a lot of stuff that you do

637

00:24:22,789 --> 00:24:20,960

you know right you regret the next day

638

00:24:24,549 --> 00:24:22,799

but i feel like that's that's something

639

00:24:26,470 --> 00:24:24,559

that that needs to be brought up because

640

00:24:28,310 --> 00:24:26,480

like it's not easy right like

641

00:24:29,990 --> 00:24:28,320

yeah

642

00:24:31,750 --> 00:24:30,000

and like the vodka didn't help because i

643

00:24:32,950 --> 00:24:31,760

felt a lot smarter and then you just

644

00:24:34,310 --> 00:24:32,960

feel like you try to get all these

645

00:24:35,990 --> 00:24:34,320

things together

646

00:24:37,750 --> 00:24:36,000

and it's just like all these crazy

647

00:24:39,029 --> 00:24:37,760

things in your brain and you're just

648

00:24:41,350 --> 00:24:39,039

trying to say them

649

00:24:43,110 --> 00:24:41,360

and like i don't do drugs i smoke weed

650

00:24:44,310 --> 00:24:43,120

and beer so you know because they said

651
00:24:46,710 --> 00:24:44,320
that sounds like somebody who's just

652
00:24:48,630 --> 00:24:46,720
hiding off drugs but like it's all just

653
00:24:50,310 --> 00:24:48,640
from life like i'm high off of life and

654
00:24:51,590 --> 00:24:50,320
the experiences

655
00:24:53,029 --> 00:24:51,600
and like

656
00:24:54,630 --> 00:24:53,039
to me this is what i found out

657
00:24:56,070 --> 00:24:54,640
investigating something so someone's

658
00:24:57,830 --> 00:24:56,080
gonna see like

659
00:24:59,669 --> 00:24:57,840
hey

660
00:25:01,350 --> 00:24:59,679
why you investigating like you know

661
00:25:03,269 --> 00:25:01,360
those are just your investigations and

662
00:25:05,750 --> 00:25:03,279
you assume that they're real type of a

663
00:25:08,230 --> 00:25:05,760

thing because it's it's hard to pin down

664

00:25:10,470 --> 00:25:08,240

anything or to have real proof but i

665

00:25:13,510 --> 00:25:10,480

actually have like a lot of visual proof

666

00:25:15,029 --> 00:25:13,520

of me when i was awake

667

00:25:17,110 --> 00:25:15,039

and like

668

00:25:18,870 --> 00:25:17,120

i first started when i was on searching

669

00:25:21,350 --> 00:25:18,880

for this was i was hanging out with a

670

00:25:25,269 --> 00:25:21,360

friend from work and like you know she's

671

00:25:27,590 --> 00:25:25,279

a college girl and she graduated college

672

00:25:29,669 --> 00:25:27,600

and um

673

00:25:31,590 --> 00:25:29,679

i got drunk with her and her friends and

674

00:25:33,669 --> 00:25:31,600

i just remember like i blacked out and

675

00:25:35,430 --> 00:25:33,679

they started asking me questions

676

00:25:37,269 --> 00:25:35,440

and i remember part of the thing was i

677

00:25:38,630 --> 00:25:37,279

told them that i killed people

678

00:25:40,630 --> 00:25:38,640

and then i started telling them the

679

00:25:43,269 --> 00:25:40,640

names of um

680

00:25:44,870 --> 00:25:43,279

the nxt wrestlers because now there's

681

00:25:48,549 --> 00:25:44,880

wwe

682

00:25:50,630 --> 00:25:48,559

and there's so often hold on

683

00:25:53,190 --> 00:25:50,640

i've got questions because like that

684

00:25:55,430 --> 00:25:53,200

that's like a pretty intense thing so

685

00:25:58,310 --> 00:25:55,440

yeah yeah so like without diving too far

686

00:26:00,870 --> 00:25:58,320

into it uh saying you killed somebody is

687

00:26:03,110 --> 00:26:00,880

like pretty intense so like can you

688

00:26:05,190 --> 00:26:03,120

you're explaining like you have a memory

689

00:26:07,510 --> 00:26:05,200

of this you didn't you've never i mean

690

00:26:11,029 --> 00:26:07,520

right physically i was just telling her

691

00:26:14,470 --> 00:26:11,039

this this memory that i have and i had

692

00:26:17,350 --> 00:26:14,480

names and i had like specific details

693

00:26:19,269 --> 00:26:17,360

like before i seen dexter i already knew

694

00:26:20,710 --> 00:26:19,279

that you could stab somebody right here

695

00:26:22,149 --> 00:26:20,720

and kill them and that's where your

696

00:26:23,590 --> 00:26:22,159

heart sits

697

00:26:25,590 --> 00:26:23,600

and then i see and then the girls are

698

00:26:27,669 --> 00:26:25,600

like you guys should watch dexter and

699

00:26:29,510 --> 00:26:27,679

dexter is like the psychopath killer

700

00:26:32,310 --> 00:26:29,520

that like he's you know disconnected

701
00:26:35,110 --> 00:26:32,320
from society like mentally and like all

702
00:26:37,669 --> 00:26:35,120
that stuff it resonated with me and it

703
00:26:40,070 --> 00:26:37,679
was just like wow how did i know that

704
00:26:42,310 --> 00:26:40,080
and also um

705
00:26:43,750 --> 00:26:42,320
that automatically makes me think of if

706
00:26:44,950 --> 00:26:43,760
if you're new to this subject and you're

707
00:26:47,190 --> 00:26:44,960
just listening

708
00:26:48,870 --> 00:26:47,200
um there there's this

709
00:26:51,750 --> 00:26:48,880
michael have you have you heard of super

710
00:26:53,750 --> 00:26:51,760
soldiers uh and yeah i mean you you

711
00:26:56,230 --> 00:26:53,760
you're familiar with the term the mk

712
00:26:59,590 --> 00:26:56,240
ultra program that the government yeah

713
00:27:02,310 --> 00:26:59,600

well i found that after and also like on

714

00:27:04,230 --> 00:27:02,320

my own you know i bought this book

715

00:27:06,070 --> 00:27:04,240

and i was even afraid to talk about it

716

00:27:09,430 --> 00:27:06,080

until i'd seen it talked about on

717

00:27:11,590 --> 00:27:09,440

ancient aliens and movies like um

718

00:27:14,149 --> 00:27:11,600

stranger things you know that that's the

719

00:27:16,549 --> 00:27:14,159

uk ultra program yeah that's soft

720

00:27:18,870 --> 00:27:16,559

disclosure and i it's like how do they

721

00:27:20,870 --> 00:27:18,880

get you to be afraid to say of a word

722

00:27:22,310 --> 00:27:20,880

and how you explain that to people and

723

00:27:24,470 --> 00:27:22,320

it's just like

724

00:27:27,029 --> 00:27:24,480

there was just a lot of steps in between

725

00:27:29,750 --> 00:27:27,039

and that was the beginning for me

726
00:27:31,269 --> 00:27:29,760
was when i actually got these names

727
00:27:32,630 --> 00:27:31,279
faces

728
00:27:35,510 --> 00:27:32,640
actions

729
00:27:37,190 --> 00:27:35,520
and like this was all just coming out of

730
00:27:39,269 --> 00:27:37,200
thin air at the time i was just a

731
00:27:41,350 --> 00:27:39,279
regular dude out of high school i was

732
00:27:44,149 --> 00:27:41,360
just regular with my friends

733
00:27:46,070 --> 00:27:44,159
and then after that i created this blog

734
00:27:47,909 --> 00:27:46,080
a suicide girls blog

735
00:27:50,870 --> 00:27:47,919
and a lot of the things they were like

736
00:27:53,269 --> 00:27:50,880
the super social program and like um and

737
00:27:56,310 --> 00:27:53,279
also i heard melinda talking like she

738
00:27:57,350 --> 00:27:56,320

has like there's an alpha a beta

739

00:28:00,830 --> 00:27:57,360

and like

740

00:28:02,950 --> 00:28:00,840

you know um all the way up to like

741

00:28:04,470 --> 00:28:02,960

omega um

742

00:28:07,750 --> 00:28:04,480

these are different programs that they

743

00:28:11,029 --> 00:28:07,760

have that come to the greek alphabet

744

00:28:13,430 --> 00:28:11,039

and i just would feel like i kind of ran

745

00:28:16,310 --> 00:28:13,440

through those programs just like most mk

746

00:28:17,590 --> 00:28:16,320

all sort of people

747

00:28:19,750 --> 00:28:17,600

am i the only one here in the the

748

00:28:21,430 --> 00:28:19,760

distortion there i hear it too right now

749

00:28:23,830 --> 00:28:21,440

can you wiggle your cord a little bit

750

00:28:26,149 --> 00:28:23,840

yeah maybe you you sound like you're uh

751
00:28:27,029 --> 00:28:26,159
transmitting uh radio frequencies from

752
00:28:32,789 --> 00:28:27,039
uh

753
00:28:33,590 --> 00:28:32,799
it sounds kind of cool though

754
00:28:36,710 --> 00:28:33,600
yeah

755
00:28:39,830 --> 00:28:36,720
i don't like uh what is it the uh

756
00:28:42,549 --> 00:28:39,840
the villain the villain the thrill

757
00:28:49,669 --> 00:28:42,559
oh no it's like this this famous

758
00:28:53,750 --> 00:28:51,510
i know you're talking about

759
00:28:56,070 --> 00:28:53,760
yeah

760
00:28:58,389 --> 00:28:56,080
um i i have a backup

761
00:29:00,389 --> 00:28:58,399
oh there you go i can hear you that's

762
00:29:05,029 --> 00:29:00,399
good who's that baby yoda on your shirt

763
00:29:08,710 --> 00:29:06,630

oh you unhooked it

764

00:29:10,549 --> 00:29:08,720

it didn't just make it i was bad you

765

00:29:12,549 --> 00:29:10,559

were making it up that's not that guy's

766

00:29:15,269 --> 00:29:12,559

name no i don't

767

00:29:19,029 --> 00:29:15,279

um it's goku nightmare nightmare yeah i

768

00:29:21,909 --> 00:29:19,039

think it is ashtar hashtag dude

769

00:29:23,990 --> 00:29:21,919

was it ashtar

770

00:29:25,990 --> 00:29:24,000

i feel like those two sound like they're

771

00:29:27,830 --> 00:29:26,000

they're like in the same story ashtar

772

00:29:28,789 --> 00:29:27,840

and the the really and or something like

773

00:29:30,789 --> 00:29:28,799

that

774

00:29:32,310 --> 00:29:30,799

oh yeah michael what's up dude how how

775

00:29:35,669 --> 00:29:32,320

are we sitting

776

00:29:35,679 --> 00:29:43,350

try your

777

00:29:53,510 --> 00:29:45,190

nope nothing not working not working

778

00:29:56,630 --> 00:29:55,350

uh i'm gonna i'm gonna uh take you out

779

00:29:57,990 --> 00:29:56,640

for just a second

780

00:29:59,510 --> 00:29:58,000

uh it's a damn shame because he's

781

00:30:04,870 --> 00:29:59,520

handsome

782

00:30:06,789 --> 00:30:04,880

i can't hear him so uh

783

00:30:09,269 --> 00:30:06,799

i just kind of hear mine

784

00:30:10,870 --> 00:30:09,279

how convenient that the mic would stop

785

00:30:14,070 --> 00:30:10,880

working as soon as we started talking

786

00:30:18,350 --> 00:30:14,080

about mk ultra hmm

787

00:30:21,830 --> 00:30:19,909

[Music]

788

00:30:23,830 --> 00:30:21,840

anytime anybody brings up the word like

789

00:30:25,510 --> 00:30:23,840

murder like

790

00:30:26,310 --> 00:30:25,520

pretty intense

791

00:30:27,590 --> 00:30:26,320

yeah

792

00:30:28,630 --> 00:30:27,600

so let's see if it works let's hope it

793

00:30:30,070 --> 00:30:28,640

works

794

00:30:32,230 --> 00:30:30,080

okay let's just bring it okay he's up

795

00:30:33,830 --> 00:30:32,240

from his truck oh make two sets down and

796

00:30:36,230 --> 00:30:33,840

he's back

797

00:30:39,190 --> 00:30:36,240

back again there it is michael all right

798

00:30:41,590 --> 00:30:39,200

man oh good right there he is yeah

799

00:30:43,350 --> 00:30:41,600

change the chords man it was this this i

800

00:30:45,909 --> 00:30:43,360

know which one hell yeah is that a

801
00:30:50,149 --> 00:30:45,919
detroit lions cup dude

802
00:30:53,350 --> 00:30:50,159
yeah i'm a detroit lions fan oh yeah

803
00:30:54,710 --> 00:30:53,360
that's barry sanders that's awesome dude

804
00:30:55,990 --> 00:30:54,720
that's awesome

805
00:30:57,590 --> 00:30:56,000
i like that

806
00:31:00,789 --> 00:30:57,600
dude um

807
00:31:02,630 --> 00:31:00,799
so i've got a i've got a cup um but it's

808
00:31:04,549 --> 00:31:02,640
uh it just it just says some tech

809
00:31:07,110 --> 00:31:04,559
company on it so i'm not as cool

810
00:31:08,630 --> 00:31:07,120
you know i was gonna say um there's me

811
00:31:10,870 --> 00:31:08,640
and then there's big willy right he's a

812
00:31:13,830 --> 00:31:10,880
lions fan yeah he's a lions fan yeah and

813
00:31:16,470 --> 00:31:13,840

also bigfoot michigan rob he's from

814

00:31:19,110 --> 00:31:16,480

detroit he's a lions fan yeah

815

00:31:20,870 --> 00:31:19,120

okay nice yeah cause detroit yeah

816

00:31:23,269 --> 00:31:20,880

yeah i think that there's like an open

817

00:31:24,950 --> 00:31:23,279

market for the ufology people that if

818

00:31:27,190 --> 00:31:24,960

they want to jump on the football team

819

00:31:29,269 --> 00:31:27,200

they should go to the lions

820

00:31:31,269 --> 00:31:29,279

i think that's a thing but not you guys

821

00:31:33,110 --> 00:31:31,279

because you guys are in texas i know

822

00:31:35,509 --> 00:31:33,120

yeah yeah it's against the law or

823

00:31:37,669 --> 00:31:35,519

something it is but we're already the

824

00:31:39,269 --> 00:31:37,679

same colors too so you know silver and

825

00:31:40,870 --> 00:31:39,279

blue oh unless you're talking about that

826

00:31:42,630 --> 00:31:40,880

other team we have here what are they

827

00:31:45,590 --> 00:31:42,640

called the texas

828

00:31:47,110 --> 00:31:45,600

texans that's what it is those guys i

829

00:31:49,029 --> 00:31:47,120

feel like i'm very i've always been the

830

00:31:51,190 --> 00:31:49,039

very agnostic when it comes to football

831

00:31:53,669 --> 00:31:51,200

like i'll come and have a great time and

832

00:31:54,710 --> 00:31:53,679

probably get the most drunk um

833

00:31:57,110 --> 00:31:54,720

uh but

834

00:31:59,909 --> 00:31:57,120

but uh yeah on super bowl sunday right

835

00:32:04,470 --> 00:32:01,830

i i can't i can't rap back and forth

836

00:32:06,149 --> 00:32:04,480

about uh stats and stuff

837

00:32:08,630 --> 00:32:06,159

it's always very impressive that you got

838

00:32:12,389 --> 00:32:08,640

everybody in here dude look big willy is

839

00:32:18,389 --> 00:32:14,789

i believe podcast fins up he's a

840

00:32:19,590 --> 00:32:18,399

dolphins fan 509s ravens nation

841

00:32:21,190 --> 00:32:19,600

dude yeah

842

00:32:30,070 --> 00:32:21,200

i like it

843

00:32:33,830 --> 00:32:31,909

somebody had said something about the

844

00:32:35,750 --> 00:32:33,840

ashtar command but i think that's what

845

00:32:37,110 --> 00:32:35,760

it is like brilliant from the ash talk

846

00:32:38,470 --> 00:32:37,120

man anyway

847

00:32:39,669 --> 00:32:38,480

michael i don't know if you caught that

848

00:32:41,909 --> 00:32:39,679

but there was like

849

00:32:43,590 --> 00:32:41,919

we were talking about that uh tv

850

00:32:45,430 --> 00:32:43,600

takeover that this

851
00:32:46,950 --> 00:32:45,440
this like strange voice takes over this

852
00:32:49,509 --> 00:32:46,960
television show back in the 70s in

853
00:32:50,870 --> 00:32:49,519
england and it's this weird strength

854
00:32:52,470 --> 00:32:50,880
and that's what your voice sounded like

855
00:32:54,830 --> 00:32:52,480
for for a couple minutes a couple

856
00:32:57,830 --> 00:32:54,840
seconds it sounded like this uh

857
00:32:59,269 --> 00:32:57,840
brilliant man it was crazy it's never

858
00:33:00,870 --> 00:32:59,279
been debunked no one's ever figured out

859
00:33:03,110 --> 00:33:00,880
who did it no one's ever come forward

860
00:33:05,750 --> 00:33:03,120
and said i i did that so i don't know

861
00:33:07,509 --> 00:33:05,760
another skinny bob situation

862
00:33:10,389 --> 00:33:07,519
we'll figure it out i think i think i

863
00:33:12,389 --> 00:33:10,399

heard you talk about that

864

00:33:14,789 --> 00:33:12,399

we'll figure it out

865

00:33:16,870 --> 00:33:14,799

okay let's let's get back to this so

866

00:33:19,990 --> 00:33:16,880

you're chilling in an applebee's you get

867

00:33:21,430 --> 00:33:20,000

[h__h] up on vodka you black out all of

868

00:33:25,430 --> 00:33:21,440

a sudden you start having like these

869

00:33:28,549 --> 00:33:25,440

like flood of like was it uh

870

00:33:30,549 --> 00:33:28,559

was it like uh uh did you did you not

871

00:33:32,470 --> 00:33:30,559

realize you were doing it

872

00:33:34,389 --> 00:33:32,480

as you were doing it was it kind of like

873

00:33:36,710 --> 00:33:34,399

a channeling situation where like

874

00:33:38,389 --> 00:33:36,720

something like took over and you passed

875

00:33:40,149 --> 00:33:38,399

out and you were just speaking

876

00:33:43,590 --> 00:33:40,159

you were like a vessel for these words

877

00:33:46,470 --> 00:33:43,600

or do you recall like saying this and

878

00:33:48,950 --> 00:33:46,480

like having these these memories

879

00:33:50,630 --> 00:33:48,960

i i i recall seeing them i mean some of

880

00:33:52,149 --> 00:33:50,640

the stuff it came back to me like days

881

00:33:54,630 --> 00:33:52,159

later

882

00:33:56,870 --> 00:33:54,640

but i do remember saying it as me

883

00:33:59,269 --> 00:33:56,880

and i don't know about channeling but i

884

00:34:01,430 --> 00:33:59,279

do feel like i could hear spirits

885

00:34:02,710 --> 00:34:01,440

and um i they would tell me things like

886

00:34:03,750 --> 00:34:02,720

this is what happened this is what

887

00:34:05,750 --> 00:34:03,760

happened

888

00:34:08,230 --> 00:34:05,760

and i get people say oh maybe you're

889

00:34:10,629 --> 00:34:08,240

crazy and this and that but

890

00:34:13,589 --> 00:34:10,639

i don't know i i try to prove them wrong

891

00:34:16,550 --> 00:34:13,599

by from this was the year 2012 now 10

892

00:34:19,190 --> 00:34:16,560

years later i got my job i got my car

893

00:34:20,629 --> 00:34:19,200

i'm just i i was late because i came

894

00:34:21,829 --> 00:34:20,639

back from my ultrasound i'm going to

895

00:34:24,310 --> 00:34:21,839

have twin bladders you're going to be a

896

00:34:28,790 --> 00:34:24,320

dad dude congratulations

897

00:34:32,550 --> 00:34:30,629

and like you know i do know people with

898

00:34:34,149 --> 00:34:32,560

mental illness and the doctor will tell

899

00:34:36,069 --> 00:34:34,159

you and they'll put you in the hospital

900

00:34:37,270 --> 00:34:36,079

if you have real mental illness

901
00:34:38,710 --> 00:34:37,280
and you know i think half the people

902
00:34:40,389 --> 00:34:38,720
here if they tell the family what they

903
00:34:42,310 --> 00:34:40,399
actually think is true that they might

904
00:34:43,030 --> 00:34:42,320
want to put them in a mental hospital

905
00:34:46,550 --> 00:34:43,040
too

906
00:34:49,430 --> 00:34:46,560
so yeah yeah you know i i get that

907
00:34:51,909 --> 00:34:49,440
and the the part of the thing is um

908
00:34:53,909 --> 00:34:51,919
i that night

909
00:34:55,909 --> 00:34:53,919
her friends were there and there was a

910
00:34:58,470 --> 00:34:55,919
gay dude too which is not matter but you

911
00:35:00,829 --> 00:34:58,480
know just like a guy and girls and

912
00:35:03,430 --> 00:35:00,839
everybody he was there

913
00:35:04,950 --> 00:35:03,440

yeah cause i felt like i pissed them off

914

00:35:07,750 --> 00:35:04,960

you know and i'm like look i never would

915

00:35:11,670 --> 00:35:07,760

be gay i'm not gay but if i was that's

916

00:35:11,680 --> 00:35:20,950

hey i'm not but if i was i'd be with you

917

00:35:26,870 --> 00:35:22,950

i'm running low on cash so could you buy

918

00:35:29,910 --> 00:35:28,710

hey can you hear me yeah yeah we can

919

00:35:33,589 --> 00:35:29,920

hear him see you i don't know maybe it's

920

00:35:34,950 --> 00:35:33,599

just under here yeah so okay that's cool

921

00:35:36,710 --> 00:35:34,960

so anyways

922

00:35:38,310 --> 00:35:36,720

they they were asking me questions and i

923

00:35:41,109 --> 00:35:38,320

told my friend that i knew that her

924

00:35:43,910 --> 00:35:41,119

father had cancer and it's not

925

00:35:45,349 --> 00:35:43,920

and like i needed to tell her and that

926

00:35:47,670 --> 00:35:45,359

um he's going to live he's going to

927

00:35:49,270 --> 00:35:47,680

survive don't worry about it and all

928

00:35:51,109 --> 00:35:49,280

those things they happened you know they

929

00:35:52,950 --> 00:35:51,119

came to pass

930

00:35:56,150 --> 00:35:52,960

and then that's even happened to me like

931

00:35:59,349 --> 00:35:56,160

um like another time like with the

932

00:36:00,710 --> 00:35:59,359

through my my um brother's mother-in-law

933

00:36:03,430 --> 00:36:00,720

when i was hanging with with my

934

00:36:05,750 --> 00:36:03,440

sister-in-law the same thing i got drunk

935

00:36:07,589 --> 00:36:05,760

and i heard the voices telling me like

936

00:36:10,150 --> 00:36:07,599

she's sick you need to give them this

937

00:36:11,750 --> 00:36:10,160

message and she goes yeah my mom is sick

938

00:36:13,670 --> 00:36:11,760

and she hasn't told anybody she wants to

939

00:36:15,750 --> 00:36:13,680

keep it a secret and that was kind of

940

00:36:17,349 --> 00:36:15,760

what transitioned like her breaking open

941

00:36:19,109 --> 00:36:17,359

that secret

942

00:36:21,270 --> 00:36:19,119

so

943

00:36:23,670 --> 00:36:21,280

the psychic stuff that i was doing and

944

00:36:24,710 --> 00:36:23,680

how like i was able to say the names of

945

00:36:26,650 --> 00:36:24,720

people

946

00:36:32,310 --> 00:36:26,660

it's

947

00:36:36,710 --> 00:36:34,710

that's all weird that's crazy is there a

948

00:36:47,030 --> 00:36:36,720

chord are you on talking on a mic are

949

00:36:50,150 --> 00:36:48,870

dude it sounds like the coolest like

950

00:36:53,510 --> 00:36:50,160

dubstep

951
00:36:59,430 --> 00:36:53,520
song ever bro it sounds dope it's like

952
00:37:02,790 --> 00:37:00,870
every time you get to like

953
00:37:05,109 --> 00:37:02,800
you know

954
00:37:07,990 --> 00:37:05,119
this is regular full garage once you get

955
00:37:10,390 --> 00:37:08,000
to that spot they shut you down

956
00:37:11,750 --> 00:37:10,400
right yeah

957
00:37:13,349 --> 00:37:11,760
i'm gonna leave

958
00:37:15,589 --> 00:37:13,359
yeah yeah we'll

959
00:37:17,829 --> 00:37:15,599
try it again try again try again

960
00:37:19,750 --> 00:37:17,839
ah damn it it was like we can't get to

961
00:37:21,349 --> 00:37:19,760
the meat of the damn thing

962
00:37:23,109 --> 00:37:21,359
okay when he gets back we're starting at

963
00:37:25,750 --> 00:37:23,119

the meet [h__\h]

964

00:37:28,870 --> 00:37:25,760

you know i really i get out

965

00:37:30,870 --> 00:37:28,880

okay oh he's back i thought he was okay

966

00:37:31,910 --> 00:37:30,880

let's try it wait

967

00:37:33,190 --> 00:37:31,920

there it is

968

00:37:40,630 --> 00:37:33,200

wait

969

00:37:45,030 --> 00:37:43,430

is it my hair dude

970

00:37:49,030 --> 00:37:45,040

is it in her hair maybe it's michael's

971

00:37:54,150 --> 00:37:51,270

uh dude you know what i really uh i

972

00:37:55,670 --> 00:37:54,160

really appreciate about you know like we

973

00:37:57,270 --> 00:37:55,680

we spoke about like how hard it is for

974

00:37:58,470 --> 00:37:57,280

some experiencers to talk about what

975

00:37:59,990 --> 00:37:58,480

they've been through because like

976

00:38:02,310 --> 00:38:00,000

sometimes it's it's

977

00:38:03,109 --> 00:38:02,320

it sounds whacked out man but usually

978

00:38:08,069 --> 00:38:03,119

it's

979

00:38:09,910 --> 00:38:08,079

i was abducted by aliens and like i

980

00:38:11,910 --> 00:38:09,920

usually it's the story about this but

981

00:38:14,550 --> 00:38:11,920

but it's uh it's it's very interesting

982

00:38:15,750 --> 00:38:14,560

um the the mk ultra stuff because that's

983

00:38:17,190 --> 00:38:15,760

kind of

984

00:38:19,109 --> 00:38:17,200

what i'm thinking

985

00:38:20,230 --> 00:38:19,119

is going on here we'll get to the meat

986

00:38:21,750 --> 00:38:20,240

of it um

987

00:38:26,390 --> 00:38:21,760

okay michael are you

988

00:38:31,349 --> 00:38:29,270

ah no audio

989

00:38:35,510 --> 00:38:31,359

uh what if you talk on your compute on

990

00:38:38,390 --> 00:38:35,520

your computer's uh microphone maybe

991

00:38:40,790 --> 00:38:38,400

that might work maybe i don't know

992

00:38:43,990 --> 00:38:40,800

i'm not a computer ologist dude i just

993

00:38:45,030 --> 00:38:44,000

use a computer man you know

994

00:38:47,190 --> 00:38:45,040

amen

995

00:38:50,310 --> 00:38:47,200

don't believe me i just use a computer i

996

00:38:52,470 --> 00:38:50,320

just use a computer i'm not a computer

997

00:38:55,910 --> 00:38:52,480

uh

998

00:38:59,030 --> 00:38:57,270

damn now i can

999

00:39:00,550 --> 00:38:59,040

freaking hear

1000

00:39:04,390 --> 00:39:00,560

i can hear you

1001

00:39:08,390 --> 00:39:06,230

so can you hear us

1002

00:39:11,670 --> 00:39:08,400

michael i i we're we're getting close to

1003

00:39:13,589 --> 00:39:11,680

that hour point uh so i'm wondering if

1004

00:39:15,270 --> 00:39:13,599

if we should maybe try again on another

1005

00:39:16,630 --> 00:39:15,280

time

1006

00:39:19,510 --> 00:39:16,640

another day

1007

00:39:25,030 --> 00:39:19,520

let's give it another shot one more shot

1008

00:39:28,390 --> 00:39:27,270

he's dragged me in now dude and i was

1009

00:39:29,430 --> 00:39:28,400

all like

1010

00:39:31,270 --> 00:39:29,440

no

1011

00:39:33,589 --> 00:39:31,280

and then like i'm here

1012

00:39:36,630 --> 00:39:33,599

so like now i'm at the boat

1013

00:39:38,550 --> 00:39:36,640

i'm so invested in that story that alone

1014

00:39:40,550 --> 00:39:38,560

those visuals i would like to point out

1015

00:39:42,710 --> 00:39:40,560

the fact that when he was like i killed

1016

00:39:44,950 --> 00:39:42,720

those people those girls were like ah

1017

00:39:47,670 --> 00:39:44,960

you should totally check out dexter

1018

00:39:49,750 --> 00:39:47,680

yeah like and then and then i almost

1019

00:39:51,349 --> 00:39:49,760

lost it again i did it i was trying not

1020

00:39:54,310 --> 00:39:51,359

to laugh but the way he said that guy

1021

00:39:58,790 --> 00:39:54,320

had cancer in his nut bro made me laugh

1022

00:40:01,670 --> 00:39:59,990

you're not supposed to laugh like it

1023

00:40:03,270 --> 00:40:01,680

okay he's got the guy's cancer but at

1024

00:40:08,870 --> 00:40:03,280

the waist

1025

00:40:11,430 --> 00:40:10,390

okay michael we're gonna give it one

1026

00:40:13,349 --> 00:40:11,440

more shot all right

1027

00:40:15,430 --> 00:40:13,359

he gave the thumbs up thumbs up okay

1028

00:40:18,950 --> 00:40:15,440

let's try it out

1029

00:40:20,950 --> 00:40:18,960

michael all right my mic check one two

1030

00:40:23,109 --> 00:40:20,960

because it is good

1031

00:40:25,670 --> 00:40:23,119

we're good i can change the part man

1032

00:40:28,230 --> 00:40:25,680

i'll quit moving

1033

00:40:29,990 --> 00:40:28,240

okay i mean

1034

00:40:31,990 --> 00:40:30,000

so yeah like i kind of heard you guys

1035

00:40:35,190 --> 00:40:32,000

like it does feel different from mk

1036

00:40:37,430 --> 00:40:35,200

ultra to your classic ufo abductions

1037

00:40:39,109 --> 00:40:37,440

yeah and do you know if i i had some of

1038

00:40:41,349 --> 00:40:39,119

those but also like i just want to talk

1039

00:40:42,870 --> 00:40:41,359

about the stuff i physically seen

1040

00:40:45,030 --> 00:40:42,880

while i was awake

1041

00:40:47,190 --> 00:40:45,040

and basically when i when i left that

1042

00:40:50,870 --> 00:40:47,200

house after i'd said all those crazy

1043

00:40:53,349 --> 00:40:50,880

things um the on the way home we hit all

1044

00:40:55,190 --> 00:40:53,359

green lights and she didn't want to take

1045

00:40:56,950 --> 00:40:55,200

me to my home because i told her too

1046

00:40:58,230 --> 00:40:56,960

many crazy stuff and she took me to my

1047

00:41:01,670 --> 00:40:58,240

uncle's house

1048

00:41:04,069 --> 00:41:01,680

and my uncle he passed away now from cpd

1049

00:41:06,390 --> 00:41:04,079

but he was also an experiencer who said

1050

00:41:09,190 --> 00:41:06,400

he would see grades right next to his

1051

00:41:11,589 --> 00:41:09,200

bed who had the scoop marks

1052

00:41:14,550 --> 00:41:11,599

who even before yeah and even before he

1053

00:41:16,470 --> 00:41:14,560

died on he he had like a metal thing

1054

00:41:17,910 --> 00:41:16,480

like the implant come out

1055

00:41:19,910 --> 00:41:17,920

almost like if they said you're gonna

1056

00:41:21,750 --> 00:41:19,920

die and we don't need the implant in you

1057

00:41:24,390 --> 00:41:21,760

anymore wow

1058

00:41:26,870 --> 00:41:24,400

it came out on its own or like yeah

1059

00:41:28,470 --> 00:41:26,880

through his nose he always had allergies

1060

00:41:30,230 --> 00:41:28,480

no way

1061

00:41:31,829 --> 00:41:30,240

and then he even said like i want to get

1062

00:41:33,270 --> 00:41:31,839

a you know because he seemed like art

1063

00:41:35,349 --> 00:41:33,280

battle and all them and he's like i want

1064

00:41:36,790 --> 00:41:35,359

to get a surgery and i know that i have

1065

00:41:39,030 --> 00:41:36,800

an implant

1066

00:41:40,470 --> 00:41:39,040

and he would tell me about reptilians

1067

00:41:42,470 --> 00:41:40,480

and the grace

1068

00:41:45,589 --> 00:41:42,480

you know like how they're good and bad

1069

00:41:47,589 --> 00:41:45,599

ones and he knew all these things like

1070

00:41:48,390 --> 00:41:47,599

throughout his whole life so that was my

1071

00:41:52,150 --> 00:41:48,400

first

1072

00:41:54,150 --> 00:41:52,160

and when she took me to his house

1073

00:41:56,230 --> 00:41:54,160

because i was really close to my cousin

1074

00:41:58,150 --> 00:41:56,240

and you know my cousin is is um six

1075

00:42:00,230 --> 00:41:58,160

months older than i am so i would hang

1076
00:42:02,550 --> 00:42:00,240
out there and yeah she took me there

1077
00:42:05,750 --> 00:42:02,560
when we reached that apartment it's like

1078
00:42:08,950 --> 00:42:05,760
um grand theft auto with three stars

1079
00:42:11,030 --> 00:42:08,960
and basically the cops were everywhere

1080
00:42:11,910 --> 00:42:11,040
um and i was like

1081
00:42:13,109 --> 00:42:11,920
like you

1082
00:42:14,470 --> 00:42:13,119
real life

1083
00:42:18,309 --> 00:42:14,480
so the cops

1084
00:42:22,870 --> 00:42:20,309
she told me the the next day right she

1085
00:42:24,390 --> 00:42:22,880
goes look michael when we left this my

1086
00:42:26,950 --> 00:42:24,400
friend's apartment to your uncle's

1087
00:42:29,030 --> 00:42:26,960
apartment we hit all green lights

1088
00:42:31,589 --> 00:42:29,040

and not like half a green light like you

1089

00:42:33,750 --> 00:42:31,599

slow down she goes no it was all green

1090

00:42:35,030 --> 00:42:33,760

oh like traffic lights like okay traffic

1091

00:42:37,190 --> 00:42:35,040

lights yeah

1092

00:42:39,030 --> 00:42:37,200

and um like if the mk ultra guys could

1093

00:42:41,589 --> 00:42:39,040

control that you know they they can

1094

00:42:42,470 --> 00:42:41,599

control basically everything from up

1095

00:42:44,550 --> 00:42:42,480

there

1096

00:42:47,750 --> 00:42:44,560

and um

1097

00:42:50,150 --> 00:42:47,760

i i so when we got to my uncles it was

1098

00:42:52,309 --> 00:42:50,160

um it was a red light no it wasn't

1099

00:42:54,550 --> 00:42:52,319

it was on the police were there

1100

00:42:57,560 --> 00:42:54,560

like like the grand theft auto and i

1101
00:43:00,790 --> 00:42:57,570
told her okay i'm sorry here's a picture

1102
00:43:02,230 --> 00:43:00,800
[Music]

1103
00:43:04,309 --> 00:43:02,240
oh wow

1104
00:43:07,190 --> 00:43:04,319
basically that's like a true story

1105
00:43:08,790 --> 00:43:07,200
documented history of um they put this

1106
00:43:10,230 --> 00:43:08,800
computer chip in you and control you

1107
00:43:10,950 --> 00:43:10,240
like a robot

1108
00:43:12,710 --> 00:43:10,960
so

1109
00:43:15,430 --> 00:43:12,720
who knows how much technology has

1110
00:43:18,390 --> 00:43:15,440
advanced since then

1111
00:43:21,190 --> 00:43:19,349
you know

1112
00:43:24,069 --> 00:43:21,200
so you said your grandfather was an

1113
00:43:25,430 --> 00:43:24,079

experencer did you have any uh

1114

00:43:28,309 --> 00:43:25,440

do you have any

1115

00:43:31,109 --> 00:43:28,319

military family or you like military at

1116

00:43:33,750 --> 00:43:31,119

all or is there any other any other

1117

00:43:36,790 --> 00:43:33,760

person down the family lineage that has

1118

00:43:38,950 --> 00:43:36,800

had experiences prior to you

1119

00:43:41,670 --> 00:43:38,960

yeah one thing joe it was my uncle

1120

00:43:44,150 --> 00:43:41,680

uh-huh oh uncle yeah yeah yeah yeah okay

1121

00:43:46,950 --> 00:43:44,160

but also um my father he wasn't he was

1122

00:43:48,710 --> 00:43:46,960

in the army he was vietnam okay

1123

00:43:50,870 --> 00:43:48,720

okay so

1124

00:43:52,950 --> 00:43:50,880

you know that that that's part of it my

1125

00:43:55,270 --> 00:43:52,960

thing froze if it kicks me out then i'll

1126

00:43:57,349 --> 00:43:55,280

just leave i get it i talk too much yeah

1127

00:43:59,190 --> 00:43:57,359

i haven't touched my desk

1128

00:44:00,230 --> 00:43:59,200

but i'm gonna just keep going it's

1129

00:44:01,349 --> 00:44:00,240

working good

1130

00:44:03,670 --> 00:44:01,359

man you know

1131

00:44:04,710 --> 00:44:03,680

my father was in in vietnam and when i

1132

00:44:07,190 --> 00:44:04,720

went there

1133

00:44:09,670 --> 00:44:07,200

to he she dropped me off at my uncle's

1134

00:44:11,270 --> 00:44:09,680

apartment there was cops all around like

1135

00:44:14,069 --> 00:44:11,280

if you play grand theft auto you get

1136

00:44:16,550 --> 00:44:14,079

three stars the cops are everywhere

1137

00:44:18,470 --> 00:44:16,560

and i told her don't worry this i do

1138

00:44:20,710 --> 00:44:18,480

have a conscious remember i go don't

1139

00:44:22,390 --> 00:44:20,720

worry the cops are my friends they're

1140

00:44:24,630 --> 00:44:22,400

the ones that helped me to kill the

1141

00:44:26,710 --> 00:44:24,640

people that i was telling you about

1142

00:44:29,109 --> 00:44:26,720

she's just like what

1143

00:44:31,109 --> 00:44:29,119

like so she's gonna drop me off and i

1144

00:44:32,710 --> 00:44:31,119

even almost like kissed her you know

1145

00:44:34,150 --> 00:44:32,720

except i burped in her face because i

1146

00:44:37,349 --> 00:44:34,160

was too drunk

1147

00:44:38,710 --> 00:44:37,359

so like i didn't even blow it that much

1148

00:44:41,270 --> 00:44:38,720

all of that

1149

00:44:43,030 --> 00:44:41,280

so so you you so you sorry like that's

1150

00:44:45,270 --> 00:44:43,040

that's just a lot to take in just just

1151

00:44:46,870 --> 00:44:45,280

that because like yeah

1152

00:44:50,150 --> 00:44:46,880

i know that's like a very important

1153

00:44:51,510 --> 00:44:50,160

detail that that you got to your place

1154

00:44:53,910 --> 00:44:51,520

with the green light so that you show up

1155

00:44:57,430 --> 00:44:53,920

and there's a bunch of cops there and in

1156

00:44:59,349 --> 00:44:57,440

your inebriated state you feel uh

1157

00:45:00,150 --> 00:44:59,359

like do you remember

1158

00:45:06,470 --> 00:45:00,160

like

1159

00:45:08,069 --> 00:45:06,480

fine is that is that kind of yeah

1160

00:45:11,750 --> 00:45:08,079

i felt

1161

00:45:13,510 --> 00:45:11,760

ease

1162

00:45:15,510 --> 00:45:13,520

and i was i don't know if i was just

1163

00:45:17,589 --> 00:45:15,520

trying to calm her down

1164

00:45:19,109 --> 00:45:17,599

but i don't even know why i would even

1165

00:45:21,829 --> 00:45:19,119

say something like that in the first

1166

00:45:22,790 --> 00:45:21,839

place to pull that out of thin air

1167

00:45:25,270 --> 00:45:22,800

and

1168

00:45:27,430 --> 00:45:25,280

the next day are they there for

1169

00:45:29,430 --> 00:45:27,440

what are these panorama city that nice

1170

00:45:30,470 --> 00:45:29,440

gangsters there could be any number of

1171

00:45:32,630 --> 00:45:30,480

things

1172

00:45:34,390 --> 00:45:32,640

they were there for you or no

1173

00:45:36,630 --> 00:45:34,400

i no okay here's

1174

00:45:39,349 --> 00:45:36,640

no yeah they that we just drove by we

1175

00:45:41,510 --> 00:45:39,359

drove by them they were everywhere

1176

00:45:43,270 --> 00:45:41,520

but they weren't next to the apartment

1177

00:45:44,710 --> 00:45:43,280

so

1178

00:45:46,550 --> 00:45:44,720

they were saying they were there for you

1179

00:45:48,790 --> 00:45:46,560

like they were like okay

1180

00:45:50,470 --> 00:45:48,800

i mean like 10 years later i'm like yeah

1181

00:45:51,349 --> 00:45:50,480

they were there for me to take me

1182

00:45:54,470 --> 00:45:51,359

because

1183

00:45:56,550 --> 00:45:54,480

i had said too much tonight and i would

1184

00:45:58,550 --> 00:45:56,560

have never known you know like that's

1185

00:46:00,390 --> 00:45:58,560

just part of it where i'm not gonna go

1186

00:46:02,710 --> 00:46:00,400

there because i don't want to be like

1187

00:46:04,069 --> 00:46:02,720

insinuating oh i know this happened but

1188

00:46:06,630 --> 00:46:04,079

it is possible

1189

00:46:09,030 --> 00:46:06,640

considering everything that happened

1190

00:46:09,750 --> 00:46:09,040

not to mention to to stay on the green

1191

00:46:12,309 --> 00:46:09,760

light

1192

00:46:14,950 --> 00:46:12,319

when i was a child my older brother rick

1193

00:46:16,710 --> 00:46:14,960

he used to call me neo i'm gonna ask him

1194

00:46:19,670 --> 00:46:16,720

why he says because when you're with me

1195

00:46:21,990 --> 00:46:19,680

in the car we get all green lights

1196

00:46:24,470 --> 00:46:22,000

dude i'm sorry i'm so sorry bro but that

1197

00:46:26,550 --> 00:46:24,480

that thing's happening again wiggle your

1198

00:46:32,870 --> 00:46:26,560

cord

1199

00:46:38,150 --> 00:46:35,750

it's like yeah it's it's uh it's pretty

1200

00:46:39,349 --> 00:46:38,160

distorted hey let's no worries bro let's

1201

00:46:41,190 --> 00:46:39,359

let's get it uh let's get this

1202

00:46:45,910 --> 00:46:41,200

rescheduled i'll send you a new cord bro

1203

00:46:49,109 --> 00:46:46,950

hey bro

1204

00:46:50,710 --> 00:46:49,119

uh yeah i'm sorry we could do that i

1205

00:46:53,349 --> 00:46:50,720

have so many questions uh your your

1206

00:46:55,190 --> 00:46:53,359

story you know uh uh totiwaba sent us a

1207

00:46:56,790 --> 00:46:55,200

little bit of their uh your interview so

1208

00:46:57,750 --> 00:46:56,800

i did listen to a little bit of it man

1209

00:46:59,349 --> 00:46:57,760

and there's there's a lot of really

1210

00:47:00,870 --> 00:46:59,359

interesting stuff and i'd love to get

1211

00:47:02,470 --> 00:47:00,880

your your uh

1212

00:47:03,910 --> 00:47:02,480

your point of view and just get your

1213

00:47:05,910 --> 00:47:03,920

story out there man because i feel like

1214

00:47:07,349 --> 00:47:05,920

you can't be the only person that's kind

1215

00:47:08,630 --> 00:47:07,359

of going through this intense stuff you

1216

00:47:10,550 --> 00:47:08,640

know like it's

1217

00:47:12,870 --> 00:47:10,560

it is pretty intense and and like you

1218

00:47:13,990 --> 00:47:12,880

said you've uh you've passed the test as

1219

00:47:16,150 --> 00:47:14,000

far as like

1220

00:47:17,670 --> 00:47:16,160

uh you know the the the mental illness

1221

00:47:19,510 --> 00:47:17,680

thing and you're open to being being

1222

00:47:21,510 --> 00:47:19,520

able to talk about it um i think that's

1223

00:47:22,950 --> 00:47:21,520

a very important subject too especially

1224

00:47:24,630 --> 00:47:22,960

with with any kind of experience here

1225

00:47:26,390 --> 00:47:24,640

honestly so i'd love to hear your

1226

00:47:28,630 --> 00:47:26,400

perspective on it uh but yeah let's

1227

00:47:31,030 --> 00:47:28,640

let's let's let's res uh reschedule in a

1228

00:47:33,349 --> 00:47:31,040

couple weeks brother hop hop in the chat

1229

00:47:34,710 --> 00:47:33,359

and chime in on any uh any stuff that

1230

00:47:42,870 --> 00:47:34,720

you know about that me and ben are

1231

00:47:46,069 --> 00:47:44,870

thank you dude

1232

00:47:48,150 --> 00:47:46,079

dang

1233

00:47:55,510 --> 00:47:48,160

i'm so bummed

1234

00:47:59,109 --> 00:47:56,950

now my mind's going like a million miles

1235

00:48:00,710 --> 00:47:59,119

an hour i don't mind too also there's a

1236

00:48:02,630 --> 00:48:00,720

big fat

1237

00:48:04,230 --> 00:48:02,640

full fly in here i let in the fly

1238

00:48:06,470 --> 00:48:04,240

earlier i was cooking us i remember when

1239

00:48:09,349 --> 00:48:06,480

we were talking about steak on tuesday

1240

00:48:10,870 --> 00:48:09,359

i cooked a steak today

1241

00:48:13,030 --> 00:48:10,880

and i let in i let open the window

1242

00:48:14,950 --> 00:48:13,040

because i you know lots of smoke

1243

00:48:16,069 --> 00:48:14,960

and i let in like four flies i got two

1244

00:48:19,990 --> 00:48:16,079

of them

1245

00:48:22,069 --> 00:48:20,000

butt you know you've never seen a fly

1246

00:48:23,349 --> 00:48:22,079

with a big ass butt

1247

00:48:25,030 --> 00:48:23,359

those are my favorites like you could

1248

00:48:26,950 --> 00:48:25,040

see the butt cheeks like you could see

1249

00:48:29,430 --> 00:48:26,960

them it's shiny like

1250

00:48:31,750 --> 00:48:29,440

so by light up there

1251

00:48:35,270 --> 00:48:31,760

swat it

1252

00:48:37,510 --> 00:48:35,280

they say is it too fast since

1253

00:48:39,349 --> 00:48:37,520

uh it's like at a distance that i can't

1254

00:48:40,950 --> 00:48:39,359

really get to it because you know you're

1255

00:48:42,790 --> 00:48:40,960

supposed to uh you're supposed to uh

1256

00:48:44,549 --> 00:48:42,800

clap at flies just above them where

1257

00:48:47,510 --> 00:48:44,559

they're because they always take off

1258

00:48:50,710 --> 00:48:47,520

vertically yeah dude uh have you seen

1259

00:48:52,309 --> 00:48:50,720

the the the little uh the little fly

1260

00:48:54,309 --> 00:48:52,319

cameras

1261

00:48:55,990 --> 00:48:54,319

they had like a little diagram like how

1262

00:48:57,910 --> 00:48:56,000

they built like little

1263

00:48:58,950 --> 00:48:57,920

flies they look like flies but they're

1264

00:49:00,829 --> 00:48:58,960

cameras you're talking about like the

1265

00:49:02,549 --> 00:49:00,839

cia or something yeah

1266

00:49:04,870 --> 00:49:02,559

dude

1267

00:49:06,630 --> 00:49:04,880

oh my god it's crazy no i haven't seen

1268

00:49:08,950 --> 00:49:06,640

this was it like a

1269

00:49:11,190 --> 00:49:08,960

like a blueprint to make yeah i think

1270

00:49:13,670 --> 00:49:11,200

it's like a dragonfly maybe

1271

00:49:14,630 --> 00:49:13,680

okay i i feel like i've seen something

1272

00:49:15,990 --> 00:49:14,640

like that but if they're making

1273

00:49:17,589 --> 00:49:16,000

dragonflies we're definitely making

1274

00:49:19,670 --> 00:49:17,599

gnats by now

1275

00:49:22,549 --> 00:49:19,680

they're making dragonflies dude like in

1276

00:49:23,510 --> 00:49:22,559

the 50s and 60s they're making [h__\h]

1277

00:49:24,390 --> 00:49:23,520

gnats

1278

00:49:27,270 --> 00:49:24,400

yes

1279

00:49:28,950 --> 00:49:27,280

100

1280

00:49:30,549 --> 00:49:28,960

everything gets smaller every 10 years

1281

00:49:32,790 --> 00:49:30,559

you know except for butts butts get

1282

00:49:34,950 --> 00:49:32,800

bigger hell yeah lots of boobs get

1283

00:49:39,750 --> 00:49:34,960

bigger hell yeah

1284

00:49:44,870 --> 00:49:42,829

i mean at least mine has

1285

00:49:46,309 --> 00:49:44,880

exponentially that's right i'm keeping

1286

00:49:48,390 --> 00:49:46,319

over the times don't be jealous

1287

00:49:50,069 --> 00:49:48,400

everybody don't be jealous

1288

00:49:51,510 --> 00:49:50,079

all right

1289

00:49:54,870 --> 00:49:51,520

that's a good shirt don't be jealous i

1290

00:50:00,549 --> 00:49:56,630

it's like it's like an illustration of

1291

00:50:02,790 --> 00:50:00,559

you like like this like a total boss

1292

00:50:04,150 --> 00:50:02,800

don't be jealous

1293

00:50:06,130 --> 00:50:04,160

and then on the back it's just a ruler

1294

00:50:08,630 --> 00:50:06,140

it says like three and a half inches

1295

00:50:11,910 --> 00:50:08,640

[Laughter]

1296

00:50:13,430 --> 00:50:11,920

and you're like what's that it it's uh

1297

00:50:15,829 --> 00:50:13,440

what's that in the metric system

1298

00:50:17,670 --> 00:50:15,839

probably a foot right same

1299

00:50:20,549 --> 00:50:17,680

yeah the number is bigger three i spent

1300

00:50:23,750 --> 00:50:20,559

three kilometers

1301
00:50:26,390 --> 00:50:25,109
dude so what do you think about this mk

1302
00:50:28,390 --> 00:50:26,400
ultra [h__h]

1303
00:50:29,190 --> 00:50:28,400
it's crazy right like

1304
00:50:34,069 --> 00:50:29,200
yeah

1305
00:50:36,470 --> 00:50:34,079
so i did you know we both listened to a

1306
00:50:37,990 --> 00:50:36,480
little bit of a toti waba uh uh

1307
00:50:39,750 --> 00:50:38,000
uh that one time i was abducted by

1308
00:50:41,510 --> 00:50:39,760
aliens um interview

1309
00:50:43,990 --> 00:50:41,520
and uh yeah

1310
00:50:46,230 --> 00:50:44,000
i was a little like oh my god you can't

1311
00:50:49,190 --> 00:50:46,240
say that on the internet

1312
00:50:51,190 --> 00:50:49,200
but i think it's the context like right

1313
00:50:52,790 --> 00:50:51,200

maybe give some context first so i was

1314

00:50:54,069 --> 00:50:52,800

trying to do that uh yeah a little bit

1315

00:50:55,750 --> 00:50:54,079

trying to but we were both trying to

1316

00:50:57,510 --> 00:50:55,760

help out with that um

1317

00:50:59,670 --> 00:50:57,520

but uh shout out to jamie for for

1318

00:51:01,190 --> 00:50:59,680

reaching i'll be like hey hey we heard

1319

00:51:02,549 --> 00:51:01,200

that uh you know you were talking to

1320

00:51:04,470 --> 00:51:02,559

michael just letting you know maybe give

1321

00:51:06,230 --> 00:51:04,480

some context first and then it's it you

1322

00:51:07,510 --> 00:51:06,240

know it could be

1323

00:51:09,829 --> 00:51:07,520

i don't know you never know what you you

1324

00:51:11,670 --> 00:51:09,839

could get in trouble for or or

1325

00:51:14,309 --> 00:51:11,680

i don't know just

1326

00:51:15,670 --> 00:51:14,319

it's it's something something like

1327

00:51:17,750 --> 00:51:15,680

uh you know like

1328

00:51:20,470 --> 00:51:17,760

the the ending of life can be very

1329

00:51:21,829 --> 00:51:20,480

intense for some people and

1330

00:51:24,549 --> 00:51:21,839

i don't know where i'm going with that

1331

00:51:25,990 --> 00:51:24,559

anyway uh shout out to michael

1332

00:51:27,589 --> 00:51:26,000

for even like being open to talking

1333

00:51:28,790 --> 00:51:27,599

about this stuff dude like imagine going

1334

00:51:29,910 --> 00:51:28,800

through that and not being able to tell

1335

00:51:31,670 --> 00:51:29,920

anybody because as soon as you tell

1336

00:51:33,670 --> 00:51:31,680

somebody it's like

1337

00:51:36,549 --> 00:51:33,680

they think you're crazy do you think do

1338

00:51:37,750 --> 00:51:36,559

you think that stuff will ever like

1339

00:51:40,230 --> 00:51:37,760

come out

1340

00:51:42,230 --> 00:51:40,240

you know like in this whole like hey the

1341

00:51:43,190 --> 00:51:42,240

pentagon's releasing a couple papers

1342

00:51:44,630 --> 00:51:43,200

today

1343

00:51:46,710 --> 00:51:44,640

type situation that we've been in the

1344

00:51:50,309 --> 00:51:46,720

past like two years

1345

00:51:51,829 --> 00:51:50,319

like do you think we're ever gonna get

1346

00:51:52,950 --> 00:51:51,839

anything

1347

00:51:55,030 --> 00:51:52,960

like that

1348

00:51:57,990 --> 00:51:55,040

no because because that would be

1349

00:52:00,470 --> 00:51:58,000

considered a uh um

1350

00:52:02,710 --> 00:52:00,480

a weapon a military weapon a very very

1351
00:52:05,510 --> 00:52:02,720
secretive military weapon right don't

1352
00:52:07,030 --> 00:52:05,520
you think well i mean

1353
00:52:09,510 --> 00:52:07,040
you could keep it a lot simpler and just

1354
00:52:11,349 --> 00:52:09,520
say well you've been kidnapping people

1355
00:52:13,030 --> 00:52:11,359
uh against their will you've been

1356
00:52:15,829 --> 00:52:13,040
holding them prisoner and then you're in

1357
00:52:16,829 --> 00:52:15,839
america we have a right to a a trial and

1358
00:52:18,470 --> 00:52:16,839
you know

1359
00:52:19,349 --> 00:52:18,480
uh

1360
00:52:20,549 --> 00:52:19,359
and

1361
00:52:22,549 --> 00:52:20,559
you know

1362
00:52:24,790 --> 00:52:22,559
you didn't even do anything wrong that's

1363
00:52:26,790 --> 00:52:24,800

the whole thing right like i didn't ask

1364

00:52:29,190 --> 00:52:26,800

for this you showed up to my house and

1365

00:52:31,270 --> 00:52:29,200

took me i didn't do anything

1366

00:52:33,270 --> 00:52:31,280

and they do all that crap to you man

1367

00:52:35,349 --> 00:52:33,280

yeah like if you're a kid that's where

1368

00:52:37,990 --> 00:52:35,359

the tricky [h__h] gets right is like if

1369

00:52:41,750 --> 00:52:38,000

you're a kid um are they just taking you

1370

00:52:43,670 --> 00:52:41,760

do your parents have any sort of like

1371

00:52:45,109 --> 00:52:43,680

you know like dude that's that's one

1372

00:52:47,349 --> 00:52:45,119

thing that that always tricks me up

1373

00:52:48,870 --> 00:52:47,359

about the mk ultra super soldier i mean

1374

00:52:50,069 --> 00:52:48,880

i'm not saying they're synonymous

1375

00:52:52,470 --> 00:52:50,079

synonymous

1376

00:52:55,190 --> 00:52:52,480

uh that's oh that's the word they're not

1377

00:52:57,030 --> 00:52:55,200

synonyms not cinnamon

1378

00:52:58,309 --> 00:52:57,040

uh but

1379

00:52:59,910 --> 00:52:58,319

you know like going back to the corey

1380

00:53:00,870 --> 00:52:59,920

good story i mean i think a lot of

1381

00:53:01,990 --> 00:53:00,880

people have already heard about this

1382

00:53:03,670 --> 00:53:02,000

story and like

1383

00:53:05,990 --> 00:53:03,680

he claims that he was also in some kind

1384

00:53:08,069 --> 00:53:06,000

of super soldier-esque type program when

1385

00:53:09,670 --> 00:53:08,079

he was a kid like are the parents just

1386

00:53:11,670 --> 00:53:09,680

ladies

1387

00:53:13,430 --> 00:53:11,680

hold on we have to we have to

1388

00:53:15,109 --> 00:53:13,440

you have to give that some context his

1389

00:53:16,630 --> 00:53:15,119

story's [h__\h] and he stole it from

1390

00:53:18,309 --> 00:53:16,640

other people you can't just be talking

1391

00:53:20,390 --> 00:53:18,319

about corey going to be like but in his

1392

00:53:21,990 --> 00:53:20,400

story you gotta add the context to that

1393

00:53:24,069 --> 00:53:22,000

as well thank you

1394

00:53:26,150 --> 00:53:24,079

[h__\h] liar thank you

1395

00:53:29,589 --> 00:53:26,160

appreciate it which doesn't take away

1396

00:53:31,670 --> 00:53:29,599

from the actual stories that are are

1397

00:53:33,670 --> 00:53:31,680

being told right

1398

00:53:35,589 --> 00:53:33,680

and not taking away that maybe something

1399

00:53:37,910 --> 00:53:35,599

did happen to him we just know that a

1400

00:53:39,990 --> 00:53:37,920

lot of that was [h__\h] yeah [h__\h]

1401

00:53:42,309 --> 00:53:40,000

lies yeah so i mean

1402

00:53:44,870 --> 00:53:42,319

this is this is not about corey good but

1403

00:53:47,349 --> 00:53:44,880

thank you for the context proceed uh but

1404

00:53:49,270 --> 00:53:47,359

yeah like what did the parents let kids

1405

00:53:51,270 --> 00:53:49,280

go off into their own like hey we're

1406

00:53:53,190 --> 00:53:51,280

gonna take your son to a special school

1407

00:53:54,470 --> 00:53:53,200

son or daughter to a special school and

1408

00:53:55,430 --> 00:53:54,480

uh it's because they're they're freaking

1409

00:53:59,589 --> 00:53:55,440

smart

1410

00:54:01,670 --> 00:53:59,599

documentary about the triplets who got

1411

00:54:03,349 --> 00:54:01,680

separated at birth

1412

00:54:05,349 --> 00:54:03,359

yes remember and the people that put

1413

00:54:07,829 --> 00:54:05,359

them up for adoption they were given

1414

00:54:09,430 --> 00:54:07,839

like a shitload of money to just stay

1415

00:54:11,910 --> 00:54:09,440

out of the yeah to stay out of the

1416

00:54:14,390 --> 00:54:11,920

picture i wonder if the mk ultra thing

1417

00:54:15,910 --> 00:54:14,400

is kind of the same deal like hey we

1418

00:54:18,309 --> 00:54:15,920

believe that your kids have special

1419

00:54:20,230 --> 00:54:18,319

talents uh the government wants to use

1420

00:54:21,670 --> 00:54:20,240

them in their experiments and they're

1421

00:54:24,230 --> 00:54:21,680

like no it's my baby and they're like

1422

00:54:27,109 --> 00:54:24,240

but we will pay you 1.5 million dollars

1423

00:54:29,270 --> 00:54:27,119

every month to just be quiet

1424

00:54:31,109 --> 00:54:29,280

so for anybody curious about that it's

1425

00:54:33,510 --> 00:54:31,119

it's uh

1426

00:54:35,829 --> 00:54:33,520

is it three identical strangers yeah yes

1427

00:54:37,270 --> 00:54:35,839

three identical strangers uh 2018

1428

00:54:39,750 --> 00:54:37,280

documentary film

1429

00:54:41,510 --> 00:54:39,760

uh it's about the three dudes to come

1430

00:54:43,829 --> 00:54:41,520

separated at birth

1431

00:54:46,230 --> 00:54:43,839

to be a part of a study like these

1432

00:54:47,589 --> 00:54:46,240

families got a [\h__\h] ton of money so that

1433

00:54:48,710 --> 00:54:47,599

the government could study their

1434

00:54:50,950 --> 00:54:48,720

upbringing

1435

00:54:53,990 --> 00:54:50,960

to see what would happen if triplets you

1436

00:54:56,150 --> 00:54:54,000

know from the same parents oh how okay

1437

00:54:58,470 --> 00:54:56,160

that's that was dumb

1438

00:55:00,150 --> 00:54:58,480

triplets would be like how would they

1439

00:55:01,910 --> 00:55:00,160

grow up uh what kind of person would

1440

00:55:03,510 --> 00:55:01,920

they be what's the name they put them in

1441

00:55:05,349 --> 00:55:03,520

they put them in a low-income family

1442

00:55:08,069 --> 00:55:05,359

middle-income family and a high-income

1443

00:55:11,109 --> 00:55:08,079

family to see how they would develop

1444

00:55:13,109 --> 00:55:11,119

into adults that's right uh being

1445

00:55:15,109 --> 00:55:13,119

you know all triplets

1446

00:55:16,390 --> 00:55:15,119

right yeah so like back to that nature

1447

00:55:18,630 --> 00:55:16,400

versus nurture thing which we were

1448

00:55:20,950 --> 00:55:18,640

talking about at the very beginning when

1449

00:55:23,670 --> 00:55:20,960

we were kind of

1450

00:55:25,750 --> 00:55:23,680

anyway fishing but what the

1451

00:55:26,630 --> 00:55:25,760

that's a really interesting

1452

00:55:29,190 --> 00:55:26,640

uh

1453

00:55:31,430 --> 00:55:29,200

fact that the government has done stuff

1454

00:55:34,470 --> 00:55:31,440

like that that's a very pg version of of

1455

00:55:36,390 --> 00:55:34,480

this super soldier mk ultra program

1456

00:55:38,230 --> 00:55:36,400

right like yeah

1457

00:55:40,630 --> 00:55:38,240

my brain goes immediately too well they

1458

00:55:42,150 --> 00:55:40,640

could do that

1459

00:55:44,950 --> 00:55:42,160

then they could do all the other [h__\h]

1460

00:55:46,630 --> 00:55:44,960

right like yeah i mean and that's a nice

1461

00:55:48,230 --> 00:55:46,640

way of going about it you know what i'm

1462

00:55:49,990 --> 00:55:48,240

saying i mean from some of the stories

1463

00:55:51,430 --> 00:55:50,000

it kind of sounds like people walked in

1464

00:55:53,030 --> 00:55:51,440

put a gun up to their parents head and

1465

00:55:55,109 --> 00:55:53,040

said hey we're gonna take him we'll

1466

00:55:56,950 --> 00:55:55,119

bring him back and left

1467

00:55:58,950 --> 00:55:56,960

you know yeah

1468

00:56:00,950 --> 00:55:58,960

and they're like oh

1469

00:56:04,150 --> 00:56:00,960

you can't take my kid and they're like

1470

00:56:05,829 --> 00:56:04,160

well i mean we can

1471

00:56:07,750 --> 00:56:05,839

i can do it without blowing your brains

1472

00:56:09,349 --> 00:56:07,760

all over this wall or i can do it with

1473

00:56:11,430 --> 00:56:09,359

blowing your brains out of this wall

1474

00:56:13,190 --> 00:56:11,440

either way we're gonna take him do we

1475

00:56:14,630 --> 00:56:13,200

know that the

1476

00:56:16,230 --> 00:56:14,640

i'm sorry it's been a while since i've

1477

00:56:17,750 --> 00:56:16,240

seen the documentary but did they tell

1478

00:56:19,589 --> 00:56:17,760

the family like hey this is what we're

1479

00:56:21,670 --> 00:56:19,599

gonna do and you know we're

1480

00:56:24,150 --> 00:56:21,680

the the mom that gave birth or the you

1481

00:56:25,910 --> 00:56:24,160

know the family

1482

00:56:28,829 --> 00:56:25,920

what did they do

1483

00:56:32,309 --> 00:56:28,839

no no like they were they were paid and

1484

00:56:34,230 --> 00:56:32,319

then and then told to just stay quiet

1485

00:56:36,710 --> 00:56:34,240

and then the families that they were

1486

00:56:39,430 --> 00:56:36,720

adopted out to they were saying

1487

00:56:41,750 --> 00:56:39,440

hey we just want to keep up with we're

1488

00:56:44,470 --> 00:56:41,760

doing a random study keeping up with the

1489

00:56:46,230 --> 00:56:44,480

development of children through life

1490

00:56:49,510 --> 00:56:46,240

cycles but they didn't tell them that it

1491

00:56:50,870 --> 00:56:49,520

was um a triplet that was based on

1492

00:56:54,470 --> 00:56:50,880

twins and

1493

00:56:55,670 --> 00:56:54,480

tell them it was a study that they were

1494

00:56:56,630 --> 00:56:55,680

going to do on twins and triplets and

1495

00:56:58,390 --> 00:56:56,640

see how they grow up in different

1496

00:56:59,750 --> 00:56:58,400

families they just told them hey we're

1497

00:57:01,829 --> 00:56:59,760

just doing a random study where we're

1498

00:57:04,549 --> 00:57:01,839

picking random kids that have been

1499

00:57:06,630 --> 00:57:04,559

adopted and we want to see how you know

1500

00:57:07,829 --> 00:57:06,640

they progress through their life

1501
00:57:09,829 --> 00:57:07,839

yeah

1502
00:57:12,069 --> 00:57:09,839

right so these these parents took these

1503
00:57:13,910 --> 00:57:12,079

kids and they were like yeah uh john's

1504
00:57:15,430 --> 00:57:13,920

coming by the house today at five he's

1505
00:57:16,470 --> 00:57:15,440

gotta have his little meeting with timmy

1506
00:57:18,309 --> 00:57:16,480

today

1507
00:57:20,630 --> 00:57:18,319

little did they know that little timmy

1508
00:57:22,150 --> 00:57:20,640

was a dang triplet

1509
00:57:23,670 --> 00:57:22,160

little timothy

1510
00:57:24,870 --> 00:57:23,680

i don't know i don't know if that's his

1511
00:57:27,510 --> 00:57:24,880

name but

1512
00:57:29,190 --> 00:57:27,520

yeah it's crazy and and then you know so

1513
00:57:31,109 --> 00:57:29,200

you have the uh the whole i'll pay you a

1514

00:57:32,630 --> 00:57:31,119

lot of money and then you have the whole

1515

00:57:34,470 --> 00:57:32,640

hey i'll come blow your brains out we're

1516

00:57:35,589 --> 00:57:34,480

gonna take them anyways and then you

1517

00:57:37,349 --> 00:57:35,599

have the

1518

00:57:39,349 --> 00:57:37,359

you know what you hear like in a lot of

1519

00:57:41,990 --> 00:57:39,359

my lab stuff right i mean like uh

1520

00:57:44,390 --> 00:57:42,000

melinda told us that story of how

1521

00:57:46,789 --> 00:57:44,400

she remembers being injected with that

1522

00:57:49,030 --> 00:57:46,799

fluid remember and it knocks her out and

1523

00:57:50,549 --> 00:57:49,040

then they kind of don't remember stuff

1524

00:57:52,390 --> 00:57:50,559

could be the same thing dude how they

1525

00:57:54,789 --> 00:57:52,400

just get into your house and like you're

1526

00:57:56,710 --> 00:57:54,799

asleep you're a parent that hits you

1527

00:57:58,390 --> 00:57:56,720

with this syringe you're already

1528

00:58:00,390 --> 00:57:58,400

sleeping and it just makes sure that

1529

00:58:01,910 --> 00:58:00,400

they knock you out till the next morning

1530

00:58:04,630 --> 00:58:01,920

they take them and then they bring them

1531

00:58:06,230 --> 00:58:04,640

back or whatever you know

1532

00:58:08,870 --> 00:58:06,240

maybe there's a medical doctor that's

1533

00:58:09,670 --> 00:58:08,880

there on site so like they keep them in

1534

00:58:14,309 --> 00:58:09,680

a

1535

00:58:16,630 --> 00:58:14,319

hell

1536

00:58:18,710 --> 00:58:16,640

yeah a week has gone by and their their

1537

00:58:20,390 --> 00:58:18,720

kids are gone or something or then their

1538

00:58:22,630 --> 00:58:20,400

kids is playing in their room with some

1539

00:58:24,150 --> 00:58:22,640

blocks and they're like what the [h__\h]

1540

00:58:25,270 --> 00:58:24,160

just then they start thinking they're

1541

00:58:27,109 --> 00:58:25,280

crazy

1542

00:58:28,630 --> 00:58:27,119

never say anything about it and then

1543

00:58:30,150 --> 00:58:28,640

little they know that the whole thing

1544

00:58:32,630 --> 00:58:30,160

has been happening their kid this whole

1545

00:58:36,390 --> 00:58:32,640

time not them

1546

00:58:37,670 --> 00:58:36,400

the kid grows up all weird or like

1547

00:58:39,829 --> 00:58:37,680

that was a bad choice or word it's not

1548

00:58:41,750 --> 00:58:39,839

weird but like just not understanding

1549

00:58:43,589 --> 00:58:41,760

like why they feel

1550

00:58:44,950 --> 00:58:43,599

like they don't belong

1551
00:58:47,030 --> 00:58:44,960
you know it's because they've had all

1552
00:58:47,990 --> 00:58:47,040
this psychic training and

1553
00:58:51,109 --> 00:58:48,000
like

1554
00:58:54,710 --> 00:58:51,119
you know this mind control stuff that's

1555
00:58:57,589 --> 00:58:54,720
scary i i wonder about that so um

1556
00:58:59,829 --> 00:58:57,599
uh tupacabra or buddy doing our our

1557
00:59:02,069 --> 00:58:59,839
editing he's doing this this documentary

1558
00:59:04,789 --> 00:59:02,079
called um shadows of the black sun and

1559
00:59:07,109 --> 00:59:04,799
it does have a portion of it has to do

1560
00:59:08,630 --> 00:59:07,119
with uh there's an interview with this

1561
00:59:11,030 --> 00:59:08,640
man who's schizophrenic and he's

1562
00:59:13,510 --> 00:59:11,040
explaining to the camera and the doctor

1563
00:59:14,309 --> 00:59:13,520

and this is like filmed in the 60s

1564

00:59:15,829 --> 00:59:14,319

like

1565

00:59:18,390 --> 00:59:15,839

hey yeah

1566

00:59:19,910 --> 00:59:18,400

i know that i'm weird um and he's like

1567

00:59:21,670 --> 00:59:19,920

trying to answer questions as best as

1568

00:59:23,750 --> 00:59:21,680

possible but the the

1569

00:59:26,150 --> 00:59:23,760

the gist of what i got from it is that

1570

00:59:27,670 --> 00:59:26,160

he was put through a bunch of [h__h] when

1571

00:59:30,390 --> 00:59:27,680

he was a kid

1572

00:59:32,950 --> 00:59:30,400

and tested on as as a kid

1573

00:59:34,789 --> 00:59:32,960

and i mean they're not going to like

1574

00:59:37,990 --> 00:59:34,799

they're not going to explain who did it

1575

00:59:39,589 --> 00:59:38,000

why all right this kid was messed up and

1576

00:59:42,470 --> 00:59:39,599

when he grows up of course he has

1577

00:59:43,670 --> 00:59:42,480

schizophrenia man like yeah yeah

1578

00:59:46,230 --> 00:59:43,680

dude

1579

00:59:47,990 --> 00:59:46,240

uh anyway so i don't know it's it's a i

1580

00:59:50,549 --> 00:59:48,000

actually saw that video a long time ago

1581

00:59:52,630 --> 00:59:50,559

uh from uh it was on reddit but this

1582

00:59:54,470 --> 00:59:52,640

it's a very interesting uh interview but

1583

00:59:55,910 --> 00:59:54,480

uh if y'all are interested in learning

1584

00:59:57,829 --> 00:59:55,920

more about that

1585

01:00:00,230 --> 00:59:57,839

shadows of the invisible sun there's i

1586

01:00:02,710 --> 01:00:00,240

think part two is out right now pretty

1587

01:00:03,910 --> 01:00:02,720

cool stuff but it's all connected though

1588

01:00:07,109 --> 01:00:03,920

man like the

1589

01:00:09,109 --> 01:00:07,119

the mk ultra stuff and the human mind

1590

01:00:12,069 --> 01:00:09,119

dude it's a fragile thing it's also a

1591

01:00:14,309 --> 01:00:12,079

very powerful thing dude so it is and

1592

01:00:16,230 --> 01:00:14,319

that you know that uh that vts

1593

01:00:17,990 --> 01:00:16,240

technology like

1594

01:00:19,670 --> 01:00:18,000

that stuff like comes into play you know

1595

01:00:21,270 --> 01:00:19,680

these people are always like oh i hear

1596

01:00:23,270 --> 01:00:21,280

voices and things like that and they're

1597

01:00:24,950 --> 01:00:23,280

telling me to do certain things and it

1598

01:00:27,109 --> 01:00:24,960

it very well could be you know that

1599

01:00:29,270 --> 01:00:27,119

voice to skull [h__h] where they are like

1600

01:00:31,990 --> 01:00:29,280

shooting lasers to your head

1601
01:00:34,390 --> 01:00:32,000
giving you messages and you think oh

1602
01:00:36,870 --> 01:00:34,400
[h__\h] something's talking to me and like

1603
01:00:40,150 --> 01:00:36,880
you start thinking you're crazy

1604
01:00:42,789 --> 01:00:40,160
and it's not it's technology that humans

1605
01:00:44,950 --> 01:00:42,799
are using against other humans what if

1606
01:00:47,030 --> 01:00:44,960
what if we find out that that that has

1607
01:00:49,030 --> 01:00:47,040
been a technology like the skull

1608
01:00:50,150 --> 01:00:49,040
to voice or voice of skull technology

1609
01:00:52,309 --> 01:00:50,160
has like

1610
01:00:54,789 --> 01:00:52,319
it's proven like we know how to like

1611
01:00:56,549 --> 01:00:54,799
well it is the the army there's like an

1612
01:00:59,190 --> 01:00:56,559
army document on they used to use it and

1613
01:01:00,549 --> 01:00:59,200

they stopped using it in the 80s

1614

01:01:03,349 --> 01:01:00,559

but it was like it's a real thing they

1615

01:01:05,349 --> 01:01:03,359

used to use it in like

1616

01:01:07,589 --> 01:01:05,359

special operations and [h__h] like taking

1617

01:01:08,950 --> 01:01:07,599

over countries and and overthrowing

1618

01:01:11,670 --> 01:01:08,960

governments

1619

01:01:13,430 --> 01:01:11,680

yeah they would it was a laser and they

1620

01:01:15,910 --> 01:01:13,440

could they could

1621

01:01:17,510 --> 01:01:15,920

speak a message and it would send that

1622

01:01:19,270 --> 01:01:17,520

message through a laser and they would

1623

01:01:20,150 --> 01:01:19,280

point it at somebody's head and they

1624

01:01:21,910 --> 01:01:20,160

would

1625

01:01:24,470 --> 01:01:21,920

i don't know how they got it to like

1626

01:01:26,390 --> 01:01:24,480

transmit the message in their head but

1627

01:01:27,910 --> 01:01:26,400

people would be like yeah well they were

1628

01:01:30,589 --> 01:01:27,920

just like dude like

1629

01:01:33,430 --> 01:01:30,599

it's not like it's talking it's almost

1630

01:01:36,870 --> 01:01:33,440

telepathic oh right they're sending me

1631

01:01:39,670 --> 01:01:36,880

messages with this whatever it is

1632

01:01:42,470 --> 01:01:39,680

i think it's demons or i think it's

1633

01:01:44,470 --> 01:01:42,480

spirits but really it's it's it's

1634

01:01:47,109 --> 01:01:44,480

i don't know the government is the right

1635

01:01:49,430 --> 01:01:47,119

word to even use right

1636

01:01:52,309 --> 01:01:49,440

bro i i've been i've been thinking about

1637

01:01:54,870 --> 01:01:52,319

this for a couple weeks now man

1638

01:01:56,630 --> 01:01:54,880

you know there's this divide sometimes

1639

01:01:59,589 --> 01:01:56,640

and uh

1640

01:02:01,670 --> 01:01:59,599

i'm gonna say it ufology

1641

01:02:04,150 --> 01:02:01,680

but but anybody that's interested in the

1642

01:02:06,309 --> 01:02:04,160

subject that actually does like arm

1643

01:02:07,990 --> 01:02:06,319

share research right like very

1644

01:02:09,190 --> 01:02:08,000

interested listen to podcasts whatever

1645

01:02:11,349 --> 01:02:09,200

reads books

1646

01:02:12,950 --> 01:02:11,359

and you know a little something

1647

01:02:15,829 --> 01:02:12,960

there's this divide where

1648

01:02:16,870 --> 01:02:15,839

aliens extraterrestrials or entities

1649

01:02:19,190 --> 01:02:16,880

uh

1650

01:02:21,829 --> 01:02:19,200

it either becomes like a physical thing

1651

01:02:23,190 --> 01:02:21,839

or a like a light thing worse they can't

1652

01:02:24,549 --> 01:02:23,200

really mess with you

1653

01:02:27,510 --> 01:02:24,559

physically

1654

01:02:29,029 --> 01:02:27,520

or they can abduct you and implant you

1655

01:02:31,589 --> 01:02:29,039

and it's very physical and you can have

1656

01:02:32,390 --> 01:02:31,599

radiation burns and and

1657

01:02:33,829 --> 01:02:32,400

you know

1658

01:02:35,109 --> 01:02:33,839

scars and stuff like that this is

1659

01:02:35,990 --> 01:02:35,119

horrific stuff

1660

01:02:37,510 --> 01:02:36,000

um

1661

01:02:39,670 --> 01:02:37,520

i mean we've we've seen all kinds of

1662

01:02:41,990 --> 01:02:39,680

evidence like there is evidence man like

1663

01:02:43,029 --> 01:02:42,000

a lot of it uh just not on cnn every

1664

01:02:45,990 --> 01:02:43,039

night

1665

01:02:47,029 --> 01:02:46,000

but uh this idea that

1666

01:02:49,349 --> 01:02:47,039

that i've been thinking about the last

1667

01:02:52,390 --> 01:02:49,359

couple weeks is what if a lot of these

1668

01:02:54,230 --> 01:02:52,400

experiences that are that end up being

1669

01:02:56,630 --> 01:02:54,240

becoming physical

1670

01:02:58,710 --> 01:02:56,640

uh even though the experimenter had uh

1671

01:03:01,430 --> 01:02:58,720

their account

1672

01:03:03,589 --> 01:03:01,440

is of gray aliens

1673

01:03:05,670 --> 01:03:03,599

or or white aliens or black aliens or

1674

01:03:08,230 --> 01:03:05,680

whatever whatever they look like and

1675

01:03:09,670 --> 01:03:08,240

they have physical evidence

1676

01:03:11,510 --> 01:03:09,680

that just makes me think like man if

1677

01:03:12,950 --> 01:03:11,520

it's physical it's got to be human and

1678

01:03:13,750 --> 01:03:12,960

if it's

1679

01:03:14,549 --> 01:03:13,760

made

1680

01:03:19,349 --> 01:03:14,559

if

1681

01:03:21,109 --> 01:03:19,359

it's inspiration or or uh

1682

01:03:22,470 --> 01:03:21,119

warnings of the future saying hey we got

1683

01:03:24,789 --> 01:03:22,480

to take care of ourselves take care of

1684

01:03:28,069 --> 01:03:24,799

our planets to to to ascend into the

1685

01:03:30,390 --> 01:03:28,079

diff the new dimension like that's

1686

01:03:32,230 --> 01:03:30,400

the et and that's like almost i'm not

1687

01:03:33,109 --> 01:03:32,240

saying it's good or bad i'm just saying

1688

01:03:35,190 --> 01:03:33,119

like

1689

01:03:38,150 --> 01:03:35,200

i'm kind of i'm kind of creating this

1690

01:03:40,630 --> 01:03:38,160

divide in my head just as an idea

1691

01:03:42,470 --> 01:03:40,640

an open idea just kind of yeah about it

1692

01:03:45,029 --> 01:03:42,480

what do you think about that

1693

01:03:47,109 --> 01:03:45,039

yeah man uh

1694

01:03:49,829 --> 01:03:47,119

the the

1695

01:03:52,390 --> 01:03:49,839

the hume the like the uh the more human

1696

01:03:54,150 --> 01:03:52,400

stories always seem a little more messy

1697

01:03:56,470 --> 01:03:54,160

yeah you know

1698

01:03:58,069 --> 01:03:56,480

the physical the physical stuff yeah and

1699

01:04:00,549 --> 01:03:58,079

i don't know if it's something that i

1700

01:04:01,910 --> 01:04:00,559

like to do or if it is a possibility

1701

01:04:04,150 --> 01:04:01,920

that like

1702

01:04:06,789 --> 01:04:04,160

the et's can totally make mistakes you

1703

01:04:10,470 --> 01:04:06,799

know like i don't know it just i guess

1704

01:04:11,990 --> 01:04:10,480

humanizes them a little more to me yeah

1705

01:04:14,069 --> 01:04:12,000

we always try to do that with things

1706

01:04:16,630 --> 01:04:14,079

that you can't do anything about right

1707

01:04:18,870 --> 01:04:16,640

you try to find some sort of like flaw

1708

01:04:20,150 --> 01:04:18,880

and or weakness that makes it kind of

1709

01:04:23,510 --> 01:04:20,160

more like you

1710

01:04:25,270 --> 01:04:23,520

you know right um so yeah dude i mean i

1711

01:04:27,349 --> 01:04:25,280

don't know it definitely seems a little

1712

01:04:29,910 --> 01:04:27,359

more messy but

1713

01:04:32,150 --> 01:04:29,920

i i think they could oh i think they can

1714

01:04:33,270 --> 01:04:32,160

mess up too could be both yeah it could

1715

01:04:35,750 --> 01:04:33,280

be both

1716

01:04:37,190 --> 01:04:35,760

both i i'm open to all of it i just like

1717

01:04:39,750 --> 01:04:37,200

the last two weeks it's just been i've

1718

01:04:41,430 --> 01:04:39,760

been focusing on what the what if like

1719

01:04:43,910 --> 01:04:41,440

oh for sure you know me man like my [h__h]

1720

01:04:46,150 --> 01:04:43,920

changes like every couple weeks i've got

1721

01:04:47,750 --> 01:04:46,160

a new idea i'm never really set i don't

1722

01:04:49,109 --> 01:04:47,760

think either either of us are really i

1723

01:04:51,829 --> 01:04:49,119

think we're just like learning this

1724

01:04:53,589 --> 01:04:51,839

whole oh for sure for sure yeah and it's

1725

01:04:57,270 --> 01:04:53,599

and it's always it's always something

1726
01:05:01,029 --> 01:04:59,510
we're always hearing something that we

1727
01:05:02,549 --> 01:05:01,039
haven't heard before and then we're like

1728
01:05:04,710 --> 01:05:02,559
holy [h__\h]

1729
01:05:06,230 --> 01:05:04,720
this is an another

1730
01:05:10,390 --> 01:05:06,240
there's another layer to this how many

1731
01:05:14,870 --> 01:05:12,630
yeah you got to go back and like rework

1732
01:05:15,589 --> 01:05:14,880
all the stuff that you kind of know and

1733
01:05:17,270 --> 01:05:15,599
you're

1734
01:05:19,510 --> 01:05:17,280
moving it around a little bit like wait

1735
01:05:21,349 --> 01:05:19,520
a second that piece fits here

1736
01:05:23,270 --> 01:05:21,359
right and then somebody says no it's not

1737
01:05:24,150 --> 01:05:23,280
even related and then you're like [h__\h]

1738
01:05:25,670 --> 01:05:24,160

okay

1739

01:05:27,910 --> 01:05:25,680

[h__\h]

1740

01:05:30,069 --> 01:05:27,920

i just i remember i didn't uh

1741

01:05:33,270 --> 01:05:30,079

in closing with that idea the physical

1742

01:05:34,789 --> 01:05:33,280

is is more human aspect is is we were

1743

01:05:36,630 --> 01:05:34,799

talking about with the implants whether

1744

01:05:39,270 --> 01:05:36,640

it be in the brain or the hand or the

1745

01:05:40,230 --> 01:05:39,280

nose like that's a very physical thing

1746

01:05:41,829 --> 01:05:40,240

meaning that

1747

01:05:44,069 --> 01:05:41,839

you said it earlier like if if they're

1748

01:05:46,470 --> 01:05:44,079

transmitting a signal there has to be a

1749

01:05:48,829 --> 01:05:46,480

receiver so if it's not innately in your

1750

01:05:51,430 --> 01:05:48,839

brain chemistry it has to be something

1751

01:05:53,349 --> 01:05:51,440

physical uh foreign object put in your

1752

01:05:56,230 --> 01:05:53,359

your mind i'm not saying it can't be

1753

01:05:57,990 --> 01:05:56,240

aliens i'm just i'm i'm like right now

1754

01:05:59,190 --> 01:05:58,000

i'm leaning towards like that's probably

1755

01:06:00,789 --> 01:05:59,200

like a human that sounds like something

1756

01:06:02,309 --> 01:06:00,799

a human would do like [h__h] shoot

1757

01:06:04,309 --> 01:06:02,319

stuff up their nose

1758

01:06:06,470 --> 01:06:04,319

because humans like we're pretty limited

1759

01:06:08,870 --> 01:06:06,480

in our in our technology like e.t would

1760

01:06:10,309 --> 01:06:08,880

probably figure out a a

1761

01:06:12,870 --> 01:06:10,319

they probably already know a better way

1762

01:06:14,630 --> 01:06:12,880

that's that's not going to be intrusive

1763

01:06:18,069 --> 01:06:14,640

yeah um

1764

01:06:18,630 --> 01:06:18,079

who was it up here they had said let's

1765

01:06:20,950 --> 01:06:18,640

go

1766

01:06:22,150 --> 01:06:20,960

[Laughter]

1767

01:06:25,190 --> 01:06:22,160

uh

1768

01:06:29,589 --> 01:06:25,200

where'd it go right

1769

01:06:32,549 --> 01:06:30,710

uh

1770

01:06:34,630 --> 01:06:32,559

the oscillations of the laser intensity

1771

01:06:36,710 --> 01:06:34,640

cause pressure waves it's the same tech

1772

01:06:40,710 --> 01:06:36,720

being used for bone conduction

1773

01:06:43,349 --> 01:06:40,720

headphones um just in uv broadcast basic

1774

01:06:45,829 --> 01:06:43,359

basic tech now which makes you think

1775

01:06:47,589 --> 01:06:45,839

like okay if they were doing that with

1776

01:06:50,789 --> 01:06:47,599

lasers pointing it at your head making

1777

01:06:52,309 --> 01:06:50,799

you hear stuff um

1778

01:06:53,510 --> 01:06:52,319

i mean they got to be pointing stuff at

1779

01:06:55,910 --> 01:06:53,520

your head making you be able to see

1780

01:06:57,670 --> 01:06:55,920

stuff now too right yeah

1781

01:06:59,270 --> 01:06:57,680

like we always think of we always think

1782

01:07:01,829 --> 01:06:59,280

of seeing something as being like an

1783

01:07:04,150 --> 01:07:01,839

external source that's like projecting

1784

01:07:06,150 --> 01:07:04,160

an image of some sort but like

1785

01:07:09,510 --> 01:07:06,160

if we understand how the brain works and

1786

01:07:11,190 --> 01:07:09,520

like images work um through our eyes

1787

01:07:14,870 --> 01:07:11,200

there's got to be a laser that could

1788

01:07:16,549 --> 01:07:14,880

make you see something you know dude and

1789

01:07:18,630 --> 01:07:16,559

does it have to be one person at a time

1790

01:07:20,390 --> 01:07:18,640

or can it be like it could be multiple

1791

01:07:23,190 --> 01:07:20,400

people yeah that's what we get into the

1792

01:07:25,990 --> 01:07:23,200

project bluebeam dude yeah which is you

1793

01:07:28,150 --> 01:07:26,000

know it's that's another like physical

1794

01:07:30,789 --> 01:07:28,160

off in the distance thing projecting

1795

01:07:32,470 --> 01:07:30,799

something but i i think

1796

01:07:34,549 --> 01:07:32,480

we could we could

1797

01:07:36,390 --> 01:07:34,559

i think that's probably old as [h__\h] now

1798

01:07:37,589 --> 01:07:36,400

i think project bluebeam is probably

1799

01:07:39,910 --> 01:07:37,599

like yeah we used to have project

1800

01:07:41,029 --> 01:07:39,920

bluebee like back in the day i think i

1801

01:07:43,430 --> 01:07:41,039

think that

1802

01:07:46,230 --> 01:07:43,440

i think it's probably way more advanced

1803

01:07:48,309 --> 01:07:46,240

than what project bluebeam was you know

1804

01:07:50,150 --> 01:07:48,319

yeah isn't it crazy though like how when

1805

01:07:52,710 --> 01:07:50,160

you look up project bluebeam [h__h] like

1806

01:07:54,390 --> 01:07:52,720

you can barely find anything on it yeah

1807

01:07:56,630 --> 01:07:54,400

oh yeah you gotta go to duckduckgo to

1808

01:08:00,150 --> 01:07:56,640

find out anything on that thing yeah

1809

01:08:02,069 --> 01:08:00,160

yeah it's crazy that in it if you google

1810

01:08:05,109 --> 01:08:02,079

if you google blue waffle you can't find

1811

01:08:07,910 --> 01:08:05,119

anything on that on google either good

1812

01:08:09,430 --> 01:08:07,920

good does anybody ever make that joke

1813

01:08:10,470 --> 01:08:09,440

with you

1814

01:08:14,390 --> 01:08:10,480

yeah

1815

01:08:16,870 --> 01:08:14,400

picture an image of a blue waffle

1816

01:08:19,510 --> 01:08:16,880

[Laughter]

1817

01:08:21,189 --> 01:08:19,520

oh my gosh uh michael michael's back in

1818

01:08:22,630 --> 01:08:21,199

the chat what's up brother i'm sorry we

1819

01:08:25,030 --> 01:08:22,640

had some damn

1820

01:08:27,349 --> 01:08:25,040

uh technical [h__\h] dude

1821

01:08:29,269 --> 01:08:27,359

yeah we only have a little bit of time

1822

01:08:31,430 --> 01:08:29,279

and and uh we want the audio to be good

1823

01:08:33,669 --> 01:08:31,440

and you to tell your story and the way

1824

01:08:35,510 --> 01:08:33,679

that it's supposed to so i'm excited to

1825

01:08:39,590 --> 01:08:35,520

to reschedule with you brother

1826

01:08:41,990 --> 01:08:39,600

oh [h__h] here we go okay yep um

1827

01:08:45,590 --> 01:08:42,000

for visualization experiences they use

1828

01:08:49,189 --> 01:08:45,600

microwave radiation emitted from

1829

01:08:49,199 --> 01:08:56,470

well

1830

01:09:00,470 --> 01:08:58,229

they use the eeg recordings of

1831

01:09:03,189 --> 01:09:00,480

experiencers to play back the frequency

1832

01:09:06,470 --> 01:09:03,199

modulations

1833

01:09:08,870 --> 01:09:06,480

oh wait so they're recording

1834

01:09:11,110 --> 01:09:08,880

what the experimenter's brain was going

1835

01:09:12,870 --> 01:09:11,120

through at the time of the encounter and

1836

01:09:14,550 --> 01:09:12,880

then they're downloading that and then

1837

01:09:16,950 --> 01:09:14,560

projecting it through microwaves to

1838

01:09:19,110 --> 01:09:16,960

somebody who hasn't had that experience

1839

01:09:22,870 --> 01:09:19,120

therefore actually having them like

1840

01:09:23,990 --> 01:09:22,880

visualize another person's experience

1841

01:09:26,070 --> 01:09:24,000

whoa

1842

01:09:29,669 --> 01:09:26,080

that's crazy

1843

01:09:31,269 --> 01:09:29,679

dude now can you imagine that dude

1844

01:09:32,789 --> 01:09:31,279

you know find one of these abduction

1845

01:09:34,550 --> 01:09:32,799

stories and then like map out their

1846

01:09:37,269 --> 01:09:34,560

brain when that happened download that

1847

01:09:39,590 --> 01:09:37,279

[h__\h] and then like spread it over south

1848

01:09:42,149 --> 01:09:39,600

by southwest with a blanket laser of

1849

01:09:44,630 --> 01:09:42,159

microwave radiation

1850

01:09:46,390 --> 01:09:44,640

and everybody like we're going like

1851

01:09:48,709 --> 01:09:46,400

deep into

1852

01:09:50,709 --> 01:09:48,719

conspiracy theory i love it dude i love

1853

01:09:53,269 --> 01:09:50,719

this so okay

1854

01:09:55,430 --> 01:09:53,279

you said blanket like

1855

01:09:57,189 --> 01:09:55,440

fly to play to southwest

1856

01:09:59,669 --> 01:09:57,199

like no no no i'm saying i'm saying like

1857

01:10:01,510 --> 01:09:59,679

if you if you were to blank it like i'm

1858

01:10:03,830 --> 01:10:01,520

saying blanket as in like if you're

1859

01:10:07,270 --> 01:10:03,840

shooting this microwave radiation across

1860

01:10:09,270 --> 01:10:07,280

a a crowd at south by southwest of

1861

01:10:12,310 --> 01:10:09,280

somebody else's experience if they

1862

01:10:13,270 --> 01:10:12,320

transmit that experience visually

1863

01:10:17,510 --> 01:10:13,280

those

1864

01:10:19,590 --> 01:10:17,520

10 000 plus people all look up in the

1865

01:10:21,910 --> 01:10:19,600

sky and see the exact same thing even

1866

01:10:24,149 --> 01:10:21,920

though it's not there right and that's

1867

01:10:26,950 --> 01:10:24,159

the taking the physical part of like

1868

01:10:29,030 --> 01:10:26,960

having a mechanical object right project

1869

01:10:30,790 --> 01:10:29,040

something up in the sky is old

1870

01:10:32,950 --> 01:10:30,800

technology like he was saying if we can

1871

01:10:34,709 --> 01:10:32,960

use these microwaves to actually like

1872

01:10:36,870 --> 01:10:34,719

give people visuals then why couldn't

1873

01:10:39,669 --> 01:10:36,880

you do that to a mass group of people

1874

01:10:42,310 --> 01:10:39,679

all at one time i bet you could man and

1875

01:10:43,830 --> 01:10:42,320

it would also explain that the reverse

1876

01:10:44,550 --> 01:10:43,840

of that there's another fly in here damn

1877

01:10:45,350 --> 01:10:44,560

it

1878

01:10:47,350 --> 01:10:45,360

uh

1879

01:10:48,070 --> 01:10:47,360

it would also explain a reverse of that

1880

01:10:50,070 --> 01:10:48,080

like

1881

01:10:51,669 --> 01:10:50,080

if uh

1882

01:10:53,910 --> 01:10:51,679

if you could do it to one person then

1883

01:10:54,630 --> 01:10:53,920

why can't you do it to a bunch of people

1884

01:10:56,870 --> 01:10:54,640

then

1885

01:10:58,630 --> 01:10:56,880

okay so a lot of these experiences that

1886

01:11:00,390 --> 01:10:58,640

we hear about that that

1887

01:11:02,550 --> 01:11:00,400

see an object in the sky and one person

1888

01:11:03,990 --> 01:11:02,560

sees something and the other person does

1889

01:11:05,830 --> 01:11:04,000

see something but it's slightly

1890

01:11:08,229 --> 01:11:05,840

different

1891

01:11:10,550 --> 01:11:08,239

and dude i've been interested in that

1892

01:11:12,470 --> 01:11:10,560

for a while like okay so you both saw a

1893

01:11:14,790 --> 01:11:12,480

craft that's like not of this world but

1894

01:11:17,910 --> 01:11:14,800

one was like a rectangle one was a

1895

01:11:20,229 --> 01:11:17,920

triangle one of them had beings with uh

1896

01:11:23,030 --> 01:11:20,239

black skin one of them had white skin or

1897

01:11:25,189 --> 01:11:23,040

or brown skin or whatever

1898

01:11:27,350 --> 01:11:25,199

they're very very similar but these like

1899

01:11:29,669 --> 01:11:27,360

these these tiny details that that are

1900

01:11:31,750 --> 01:11:29,679

different that would explain to me

1901

01:11:32,950 --> 01:11:31,760

that it was some kind of technology

1902

01:11:35,110 --> 01:11:32,960

that uh

1903

01:11:36,470 --> 01:11:35,120

i don't want to kill this fly but it is

1904

01:11:38,870 --> 01:11:36,480

right there

1905

01:11:40,630 --> 01:11:38,880

it's lit i i do

1906

01:11:43,110 --> 01:11:40,640

i wounded it

1907

01:11:46,310 --> 01:11:43,120

so mazer stands for microwave

1908

01:11:49,990 --> 01:11:46,320

amplification or microwave application

1909

01:11:52,709 --> 01:11:50,000

by the stimulated emission of radiation

1910

01:11:55,270 --> 01:11:52,719

oh so that's what it means yeah yeah so

1911

01:11:57,430 --> 01:11:55,280

they record eegs on experiencers under

1912

01:11:59,750 --> 01:11:57,440

hypnosis recounting their

1913

01:12:01,510 --> 01:11:59,760

recounting their encounter

1914

01:12:03,110 --> 01:12:01,520

then they subject others to the

1915

01:12:06,790 --> 01:12:03,120

experiences brainwaves that were

1916

01:12:09,910 --> 01:12:06,800

generated in that abduction experience

1917

01:12:14,709 --> 01:12:12,229

that's that's crazy the craziest part

1918

01:12:16,709 --> 01:12:14,719

about this whole thing is like yeah

1919

01:12:19,990 --> 01:12:16,719

aliens can totally be doing some [h__\h] to

1920

01:12:21,669 --> 01:12:20,000

you but like people can also be doing

1921

01:12:25,189 --> 01:12:21,679

some [h__\h] to you that we're not that we

1922

01:12:27,189 --> 01:12:25,199

can't even think about right

1923

01:12:28,870 --> 01:12:27,199

dude and that's like the whole thing is

1924

01:12:31,350 --> 01:12:28,880

like we're having this discussion on

1925

01:12:33,910 --> 01:12:31,360

like these eeg waves and [h__\h] like that

1926

01:12:38,630 --> 01:12:37,669

like it's it's just so it's just so

1927

01:12:40,709 --> 01:12:38,640

further

1928

01:12:42,149 --> 01:12:40,719

ahead than you we could even imagine you

1929

01:12:43,669 --> 01:12:42,159

know we brought up project bluebeam

1930

01:12:46,229 --> 01:12:43,679

we're like yeah project bluebeam but

1931

01:12:47,750 --> 01:12:46,239

then like no here we are they're like oh

1932

01:12:50,790 --> 01:12:47,760

yeah no they're actually recording

1933

01:12:52,790 --> 01:12:50,800

brainwaves of experiencers and hypnotic

1934

01:12:55,669 --> 01:12:52,800

regressions and then shooting them onto

1935

01:12:56,550 --> 01:12:55,679

other people like like what the [h__\h] what the

1936

01:12:58,470 --> 01:12:56,560

[h__\h]

1937

01:13:00,390 --> 01:12:58,480

like that's like just you turn on your

1938

01:13:02,630 --> 01:13:00,400

microwave and you open it and then like

1939

01:13:04,950 --> 01:13:02,640

you're having an experience like not the

1940

01:13:07,189 --> 01:13:04,960

same thing right but microwave like

1941

01:13:08,149 --> 01:13:07,199

radiation you know

1942

01:13:09,510 --> 01:13:08,159

yeah

1943

01:13:11,430 --> 01:13:09,520

uh

1944

01:13:12,870 --> 01:13:11,440

you made me think of like you know tech

1945

01:13:15,750 --> 01:13:12,880

companies like

1946

01:13:18,229 --> 01:13:15,760

facebook or meta that uh put out the you

1947

01:13:20,070 --> 01:13:18,239

know the vr these mark zuckerberg has

1948

01:13:21,270 --> 01:13:20,080

spent like the most like billions of

1949

01:13:24,390 --> 01:13:21,280

dollars

1950

01:13:26,070 --> 01:13:24,400

into into these vr headsets and it's and

1951

01:13:34,390 --> 01:13:26,080

i

1952

01:13:36,470 --> 01:13:34,400

uncomfortable

1953

01:13:38,310 --> 01:13:36,480

like there's gotta be a better way it

1954

01:13:40,470 --> 01:13:38,320

only makes me think like a good

1955

01:13:42,070 --> 01:13:40,480

capitalist would

1956

01:13:44,070 --> 01:13:42,080

would would take something that's like

1957

01:13:45,430 --> 01:13:44,080

okay yeah it's expensive but not as

1958

01:13:48,310 --> 01:13:45,440

expensive as like the [h__\h] that's like

1959

01:13:49,990 --> 01:13:48,320

really badass because like

1960

01:13:51,830 --> 01:13:50,000

yeah like it'd be interesting instead of

1961

01:13:53,510 --> 01:13:51,840

like having this laptop like if you just

1962

01:13:54,709 --> 01:13:53,520

carry it around like a

1963

01:13:59,750 --> 01:13:54,719

like a

1964

01:14:01,110 --> 01:13:59,760

yeah and all you got to do is like

1965

01:14:02,790 --> 01:14:01,120

interface with it you just close your

1966

01:14:05,669 --> 01:14:02,800

eyes and you watch a movie because it

1967

01:14:07,510 --> 01:14:05,679

just it knows all the movie catalogs and

1968

01:14:08,229 --> 01:14:07,520

the frequencies it runs off of so it

1969

01:14:10,470 --> 01:14:08,239

just

1970

01:14:12,229 --> 01:14:10,480

syncs up with your brain waves and then

1971

01:14:14,470 --> 01:14:12,239

plays a movie while you close your eyes

1972

01:14:16,390 --> 01:14:14,480

or something instead of a square or cube

1973

01:14:18,149 --> 01:14:16,400

can i can i have mine look like a

1974

01:14:19,910 --> 01:14:18,159

chicken nugget you can have it look like

1975

01:14:21,910 --> 01:14:19,920

whatever you want to if you can pay for

1976

01:14:23,910 --> 01:14:21,920

it but can you imagine like just

1977

01:14:25,430 --> 01:14:23,920

standing there and you're at the bank

1978

01:14:26,470 --> 01:14:25,440

you're in staying in line at the bank

1979

01:14:28,149 --> 01:14:26,480

and you're like wanna check your

1980

01:14:29,910 --> 01:14:28,159

facebook so you just blink your eyes and

1981

01:14:31,830 --> 01:14:29,920

all of a sudden your facebook pops up

1982

01:14:34,470 --> 01:14:31,840

and it's just using like retinal

1983

01:14:36,950 --> 01:14:34,480

scanning to like you know just move the

1984

01:14:38,310 --> 01:14:36,960

page up see what you're looking at

1985

01:14:39,669 --> 01:14:38,320

things like that

1986

01:14:41,350 --> 01:14:39,679

and and just through your mind you're

1987

01:14:43,189 --> 01:14:41,360

like i'm going to watch that and it

1988

01:14:44,790 --> 01:14:43,199

clicks on it for you because it knows

1989

01:14:47,590 --> 01:14:44,800

you want to watch it

1990

01:14:49,189 --> 01:14:47,600

that would be [\h__\h] awesome also that

1991

01:14:50,950 --> 01:14:49,199

would be really shitty because they're

1992

01:14:51,830 --> 01:14:50,960

gonna take over with ads so as soon as

1993

01:14:53,669 --> 01:14:51,840

you're like

1994

01:14:54,390 --> 01:14:53,679

watching the show it's gonna be

1995

01:14:57,830 --> 01:14:54,400

like

1996

01:14:59,430 --> 01:14:57,840

freaking cheesy good [\h__\h] just come by

1997

01:15:02,149 --> 01:14:59,440

the cheesy

1998

01:15:03,669 --> 01:15:02,159

beef [\h__\h] just well that's that's where

1999

01:15:05,430 --> 01:15:03,679

i think it's gonna be heading though man

2000

01:15:07,669 --> 01:15:05,440

like

2001

01:15:10,950 --> 01:15:07,679

what else are we gonna do are we gonna

2002

01:15:13,030 --> 01:15:10,960

make a [h__h] screen bigger

2003

01:15:14,149 --> 01:15:13,040

like because you had it like all you

2004

01:15:15,830 --> 01:15:14,159

have to do is close your eyes and

2005

01:15:20,390 --> 01:15:15,840

everything

2006

01:15:22,390 --> 01:15:20,400

cheesy beef crunchy [h__h] then you like

2007

01:15:24,550 --> 01:15:22,400

like even tv screens like they're so

2008

01:15:27,590 --> 01:15:24,560

good quality your eyes can't even like

2009

01:15:29,510 --> 01:15:27,600

perceive like the good quality because

2010

01:15:31,350 --> 01:15:29,520

it's it's too good your eyes don't

2011

01:15:32,790 --> 01:15:31,360

understand what that means like now

2012

01:15:35,030 --> 01:15:32,800

you're just wasting [h__h] money you're

2013

01:15:37,590 --> 01:15:35,040

like yo it's been to i spent three

2014

01:15:39,030 --> 01:15:37,600

thousand dollars on this 30k tv and

2015

01:15:41,430 --> 01:15:39,040

you're like you can only see up to like

2016

01:15:43,189 --> 01:15:41,440

4k what the [h__h] is a waste of money

2017

01:15:45,590 --> 01:15:43,199

that's stupid you just bought it because

2018

01:15:48,229 --> 01:15:45,600

it had a big number on it what an idiot

2019

01:15:49,750 --> 01:15:48,239

like it's so dumb and your phone what

2020

01:15:52,310 --> 01:15:49,760

are they gonna make it faster it's

2021

01:15:54,709 --> 01:15:52,320

[h__h] instant like you open it does

2022

01:15:56,630 --> 01:15:54,719

[h__h] the next thing is to get rid of

2023

01:15:58,550 --> 01:15:56,640

this clunky [h__h] that we gotta carry

2024

01:16:00,229 --> 01:15:58,560

around with us everywhere and just make

2025

01:16:01,830 --> 01:16:00,239

something simple that interfaces with

2026

01:16:04,310 --> 01:16:01,840

you you know that'd be nice i don't

2027

01:16:06,550 --> 01:16:04,320

wanna put a microchip in my head or none

2028

01:16:08,149 --> 01:16:06,560

of that stuff dude i want it to be like

2029

01:16:09,430 --> 01:16:08,159

clean and if i want to [h__\h] throw it

2030

01:16:11,350 --> 01:16:09,440

in the trash and never look at the

2031

01:16:13,430 --> 01:16:11,360

internet again i want to be able to do

2032

01:16:14,870 --> 01:16:13,440

that you know that's the way you should

2033

01:16:16,630 --> 01:16:14,880

be able to do it

2034

01:16:19,110 --> 01:16:16,640

you can't have your incharito and eat it

2035

01:16:21,750 --> 01:16:19,120

too joe

2036

01:16:23,110 --> 01:16:21,760

even know what you're saying

2037

01:16:25,270 --> 01:16:23,120

that's an old school keep talking about

2038

01:16:27,189 --> 01:16:25,280

this [h__h] chicken nugget

2039

01:16:28,550 --> 01:16:27,199

i've just been on a 10 minute rant oh

2040

01:16:30,610 --> 01:16:28,560

you've said this enchanted chicken

2041

01:16:36,630 --> 01:16:30,620

nugget 30 times

2042

01:16:38,709 --> 01:16:36,640

[Laughter]

2043

01:16:39,990 --> 01:16:38,719

look you can't have your insurance and

2044

01:16:41,430 --> 01:16:40,000

eat it too

2045

01:16:43,270 --> 01:16:41,440

uh you know

2046

01:16:45,189 --> 01:16:43,280

if you want the best tech you have to

2047

01:16:47,350 --> 01:16:45,199

make sacrifices you either have to watch

2048

01:16:49,350 --> 01:16:47,360

the ads or have some bulky [h__h] that you

2049

01:16:51,430 --> 01:16:49,360

carry around in your pocket

2050

01:16:53,350 --> 01:16:51,440

i still have to watch ads on bulky [h__h]

2051

01:16:57,350 --> 01:16:53,360

that i carry around in my pocket so

2052

01:16:59,990 --> 01:16:57,360

that's what i'm saying like oh damn okay

2053

01:17:01,750 --> 01:17:00,000

i can agree it's the same i just get to

2054

01:17:03,189 --> 01:17:01,760

[h__h] close my eyes and watch it like

2055

01:17:05,270 --> 01:17:03,199

that's the only difference that's

2056

01:17:07,350 --> 01:17:05,280

exactly my experience my experience with

2057

01:17:09,350 --> 01:17:07,360

with hulu i have a hulu like the best

2058

01:17:11,030 --> 01:17:09,360

account like the most expensive account

2059

01:17:12,870 --> 01:17:11,040

like i'm not supposed to see any ads

2060

01:17:14,790 --> 01:17:12,880

guess what they still show ads that's

2061

01:17:16,310 --> 01:17:14,800

ads yeah it just depends on what show

2062

01:17:17,990 --> 01:17:16,320

you're watching if you watch it oh but

2063

01:17:19,669 --> 01:17:18,000

that show the one that's really popular

2064

01:17:22,550 --> 01:17:19,679

and the one that you like the most no

2065

01:17:24,709 --> 01:17:22,560

still gonna show ads on that one yeah

2066

01:17:26,149 --> 01:17:24,719

i've been watching peaky blinders lately

2067

01:17:30,229 --> 01:17:26,159

it's been pretty good

2068

01:17:32,790 --> 01:17:30,239

not on hulu it's on netflix it's good

2069

01:17:34,870 --> 01:17:32,800

i've tried it i did not like it uh i get

2070

01:17:36,149 --> 01:17:34,880

i always give epis um shows three

2071

01:17:40,870 --> 01:17:36,159

episodes

2072

01:17:43,350 --> 01:17:40,880

i don't know it just didn't hit for me

2073

01:17:45,750 --> 01:17:43,360

no offense i just there's a lot there's

2074

01:17:48,390 --> 01:17:45,760

a lot it takes a couple episodes to

2075

01:17:51,430 --> 01:17:48,400

understand it all so there's a lot it's

2076

01:17:53,030 --> 01:17:51,440

crazy i had to rewatch it like twice

2077

01:17:54,390 --> 01:17:53,040

and then i was like oh

2078

01:17:56,149 --> 01:17:54,400

i get it

2079

01:17:58,630 --> 01:17:56,159

because they're also like with heavy

2080

01:17:59,910 --> 01:17:58,640

super heavy like irish accents

2081

01:18:01,110 --> 01:17:59,920

and stuff like that i'm like what the

2082

01:18:03,510 --> 01:18:01,120

[h__\h] they just saying they're all

2083

01:18:05,350 --> 01:18:03,520

scottish and then some are like british

2084

01:18:06,709 --> 01:18:05,360

and you're like what what i don't

2085

01:18:07,830 --> 01:18:06,719

understand yeah i couldn't understand

2086

01:18:11,110 --> 01:18:07,840

where they were saying i don't know what

2087

01:18:13,350 --> 01:18:11,120

30 of these words mean

2088

01:18:15,189 --> 01:18:13,360

yeah but it's good

2089

01:18:17,350 --> 01:18:15,199

yeah i did i have to i i tried it with

2090

01:18:19,110 --> 01:18:17,360

subtitles still not uh couldn't get

2091

01:18:21,270 --> 01:18:19,120

through it man but i hear it's a great

2092

01:18:27,189 --> 01:18:21,280

show

2093

01:18:30,470 --> 01:18:27,199

called upload on prime yes it is an

2094

01:18:33,750 --> 01:18:30,480

awesome show joe have you seen that uh

2095

01:18:36,390 --> 01:18:33,760

bro it's called upload uh the premise is

2096

01:18:38,830 --> 01:18:36,400

i don't watch chick flicks

2097

01:18:41,910 --> 01:18:38,840

how'd you know it was a chick

2098

01:18:44,229 --> 01:18:41,920

flick it uh so it's set in the future

2099

01:18:46,550 --> 01:18:44,239

and uh so

2100

01:18:48,390 --> 01:18:46,560

what ray kurzweil predicted that's in

2101

01:18:50,630 --> 01:18:48,400

our future is that when you die you

2102

01:18:52,790 --> 01:18:50,640

could upload your consciousness into an

2103

01:18:55,189 --> 01:18:52,800

ai system that you can live forever

2104

01:18:56,149 --> 01:18:55,199

right so it's that exact thing so if you

2105

01:18:59,430 --> 01:18:56,159

die

2106

01:19:00,149 --> 01:18:59,440

uh you like your life insurance uh you

2107

01:19:02,070 --> 01:19:00,159

like

2108

01:19:03,669 --> 01:19:02,080

if you pay the shits on the money you

2109

01:19:06,149 --> 01:19:03,679

can upload your consciousness and live

2110

01:19:07,189 --> 01:19:06,159

forever in a badass retirement home

2111

01:19:08,630 --> 01:19:07,199

basically

2112

01:19:10,630 --> 01:19:08,640

and you

2113

01:19:11,669 --> 01:19:10,640

uh for some reason the the rules are you

2114

01:19:16,149 --> 01:19:11,679

have to

2115

01:19:18,149 --> 01:19:16,159

age that you died so like you can't come

2116

01:19:21,350 --> 01:19:18,159

back as like a a young buck you know

2117

01:19:23,430 --> 01:19:21,360

like a 25 27 year old yeah

2118

01:19:24,550 --> 01:19:23,440

so you have to look at the exact same uh

2119

01:19:26,149 --> 01:19:24,560

age

2120

01:19:28,310 --> 01:19:26,159

but yeah yeah like

2121

01:19:30,470 --> 01:19:28,320

it is an awesome show dude i love it his

2122

01:19:32,709 --> 01:19:30,480

uh his his documentary the transcendent

2123

01:19:35,350 --> 01:19:32,719

man is really badass yeah he talked

2124

01:19:37,910 --> 01:19:35,360

about all that in his documentary and

2125

01:19:39,590 --> 01:19:37,920

like how he's on like this insane uh

2126

01:19:41,430 --> 01:19:39,600

vitamin regiment

2127

01:19:43,270 --> 01:19:41,440

where he takes like 200 vitamins a day

2128

01:19:46,550 --> 01:19:43,280

and he's actually like

2129

01:19:49,110 --> 01:19:46,560

almost stopped his his aging progress

2130

01:19:52,229 --> 01:19:49,120

it's [h__h] crazy yeah and it all

2131

01:19:54,709 --> 01:19:52,239

stemmed from like his dad passing away

2132

01:19:56,709 --> 01:19:54,719

and like he still got that room full of

2133

01:19:57,990 --> 01:19:56,719

all of his dad's stuff because he wants

2134

01:19:59,750 --> 01:19:58,000

to like

2135

01:20:00,790 --> 01:19:59,760

put it all together and bring his dad

2136

01:20:02,870 --> 01:20:00,800

back

2137

01:20:05,510 --> 01:20:02,880

yeah that's that's pretty nuts

2138

01:20:07,430 --> 01:20:05,520

dude uh so yeah like that whole the

2139

01:20:09,669 --> 01:20:07,440

whole concept of the show is based off

2140

01:20:11,110 --> 01:20:09,679

of yeah like the ray kurzweil like all

2141

01:20:13,189 --> 01:20:11,120

of his uh

2142

01:20:15,430 --> 01:20:13,199

i mean the guy spent his life

2143

01:20:16,709 --> 01:20:15,440

working on this project uh but it's all

2144

01:20:18,470 --> 01:20:16,719

those ideas

2145

01:20:20,790 --> 01:20:18,480

it is so good

2146

01:20:22,070 --> 01:20:20,800

though you have to check it out it's

2147

01:20:24,390 --> 01:20:22,080

really good

2148

01:20:25,910 --> 01:20:24,400

yeah i'll check it out it's pretty funny

2149

01:20:27,430 --> 01:20:25,920

too there's a couple of funny characters

2150

01:20:29,030 --> 01:20:27,440

but um

2151
01:20:31,189 --> 01:20:29,040
the most recent episode there's a season

2152
01:20:33,270 --> 01:20:31,199
two that just came out and

2153
01:20:35,590 --> 01:20:33,280
i think i'm yeah i'm almost almost

2154
01:20:37,270 --> 01:20:35,600
caught up but uh

2155
01:20:38,310 --> 01:20:37,280
i don't want to give a spoiler alert

2156
01:20:40,470 --> 01:20:38,320
i'll

2157
01:20:41,910 --> 01:20:40,480
yeah just save it no spoiler yeah have

2158
01:20:44,149 --> 01:20:41,920
you seen the have you seen the world

2159
01:20:46,870 --> 01:20:44,159
according to jeff goldblum

2160
01:20:50,310 --> 01:20:46,880
no that's really good is it it's pretty

2161
01:20:51,830 --> 01:20:50,320
cool yeah he goes around and he like

2162
01:20:53,669 --> 01:20:51,840
uh hey

2163
01:20:55,990 --> 01:20:53,679

that's exactly what he does but he goes

2164

01:20:57,110 --> 01:20:56,000

and he investigates [h__h] like

2165

01:20:58,310 --> 01:20:57,120

shoes

2166

01:21:00,229 --> 01:20:58,320

okay we're gonna we're gonna look at

2167

01:21:02,550 --> 01:21:00,239

shoes today and he goes and he's like

2168

01:21:04,950 --> 01:21:02,560

all right this is a shoe this is a basic

2169

01:21:07,030 --> 01:21:04,960

shoe let's get into the shoe and then he

2170

01:21:08,790 --> 01:21:07,040

takes you into the culture of the shoe

2171

01:21:11,030 --> 01:21:08,800

and the different styles of shoes and

2172

01:21:13,430 --> 01:21:11,040

then the shoe market and how shoes are

2173

01:21:15,350 --> 01:21:13,440

sold and created and made and like

2174

01:21:16,870 --> 01:21:15,360

custom shoes and like how they're sold

2175

01:21:18,709 --> 01:21:16,880

for millions of dollars and [h__h] and

2176
01:21:20,470 --> 01:21:18,719
then he gets like a custom pair of shoes

2177
01:21:23,030 --> 01:21:20,480
made for him like he does like simple

2178
01:21:25,990 --> 01:21:23,040
[h__h] like that like it's pretty badass

2179
01:21:27,830 --> 01:21:26,000
that's dope yeah also i love i just love

2180
01:21:30,550 --> 01:21:27,840
jeff goldblum yeah he's a funny

2181
01:21:32,229 --> 01:21:30,560
character i would watch him forever

2182
01:21:33,350 --> 01:21:32,239
hey uh i'm i'm gonna get a beer real

2183
01:21:34,870 --> 01:21:33,360
quick

2184
01:21:36,790 --> 01:21:34,880
okay

2185

was sick

2248

01:23:56,470 --> 01:23:54,639

oh my god this fly ah it's got a big

2249

01:23:57,669 --> 01:23:56,480

butt big shiny butt the other one had a

2250

01:23:59,990 --> 01:23:57,679

huge butt

2251

01:24:03,189 --> 01:24:00,000

this one has a

2252

01:24:06,709 --> 01:24:03,199

a bedunk as well

2253

01:24:07,910 --> 01:24:06,719

flies with big butts

2254

01:24:09,990 --> 01:24:07,920

um

2255

01:24:11,430 --> 01:24:10,000

anyway so what uh what uh what do you

2256

01:24:13,189 --> 01:24:11,440

guys wanna what do you guys want us to

2257

01:24:14,550 --> 01:24:13,199

talk about any what's what's new what do

2258

01:24:16,950 --> 01:24:14,560

you guys wanna hear

2259

01:24:18,950 --> 01:24:16,960

uh i know that there's like this

2260

01:24:21,189 --> 01:24:18,960

new thing about like the the we talked

2261

01:24:23,350 --> 01:24:21,199

about it i think on tuesday but

2262

01:24:24,950 --> 01:24:23,360

it's like a new

2263

01:24:27,830 --> 01:24:24,960

document that came out that says like

2264

01:24:28,709 --> 01:24:27,840

sex lies and the pentagon or something

2265

01:24:29,510 --> 01:24:28,719

like

2266

01:24:32,149 --> 01:24:29,520

and

2267

01:24:33,750 --> 01:24:32,159

nancy pelosi

2268

01:24:36,149 --> 01:24:33,760

she's uh

2269

01:24:37,590 --> 01:24:36,159

actually very sexual sexually active

2270

01:24:41,350 --> 01:24:37,600

there was something something along

2271

01:24:49,270 --> 01:24:44,709

the headline is she's actually

2272

01:24:52,870 --> 01:24:50,870

but but hey did you see that though the

2273

01:24:54,149 --> 01:24:52,880

the that that whole uh headline that was

2274

01:24:56,470 --> 01:24:54,159

like

2275

01:24:57,910 --> 01:24:56,480

i think uh ucr is doing a show and

2276

01:25:00,149 --> 01:24:57,920

they're like a bunch of bunch of people

2277

01:25:02,470 --> 01:25:00,159

are covering it uh that

2278

01:25:04,709 --> 01:25:02,480

the sex lies and uh

2279

01:25:07,030 --> 01:25:04,719

and the pentagon or something like that

2280

01:25:09,430 --> 01:25:07,040

have you read anything into that jim no

2281

01:25:14,790 --> 01:25:09,440

i haven't i figured everybody that works

2282

01:25:20,229 --> 01:25:16,550

i so

2283

01:25:21,669 --> 01:25:20,239

yeah like consensual like consensual oh

2284

01:25:23,510 --> 01:25:21,679

okay

2285

01:25:25,110 --> 01:25:23,520

i think some of it had to do with with

2286

01:25:26,550 --> 01:25:25,120

uh some some

2287

01:25:31,350 --> 01:25:26,560

some

2288

01:25:33,590 --> 01:25:31,360

that that stuff the

2289

01:25:36,390 --> 01:25:33,600

the shitty the shitty stuff that

2290

01:25:38,709 --> 01:25:36,400

just women used to put up with all the

2291

01:25:39,750 --> 01:25:38,719

time i think i had someone do that

2292

01:25:42,310 --> 01:25:39,760

okay

2293

01:25:44,550 --> 01:25:42,320

the uh so

2294

01:25:46,070 --> 01:25:44,560

they were like

2295

01:25:47,830 --> 01:25:46,080

hey

2296

01:25:50,550 --> 01:25:47,840

here's an article about some [h__h] that

2297

01:25:52,470 --> 01:25:50,560

happened 60 years ago or like i just i

2298

01:25:53,990 --> 01:25:52,480

don't know much about it but there was

2299

01:25:56,310 --> 01:25:54,000

like hey there's some [h__h] that went

2300

01:25:58,070 --> 01:25:56,320

down last week

2301

01:26:00,229 --> 01:25:58,080

like because we all know we all know

2302

01:26:02,550 --> 01:26:00,239

about like the the the special

2303

01:26:04,470 --> 01:26:02,560

government kitty that's set aside to

2304

01:26:06,149 --> 01:26:04,480

like pay for like sexual harassment

2305

01:26:08,390 --> 01:26:06,159

claims and [h__h] like that just pay

2306

01:26:11,030 --> 01:26:08,400

people out like the government uses your

2307

01:26:11,990 --> 01:26:11,040

tax money to [h__h] hide [h__h] like that

2308

01:26:14,390 --> 01:26:12,000

like

2309

01:26:16,790 --> 01:26:14,400

yeah it's it's disgusting

2310

01:26:18,950 --> 01:26:16,800

uh jeremy said that guy was ousted that

2311

01:26:20,310 --> 01:26:18,960

said lou didn't run atip yeah remember

2312

01:26:21,430 --> 01:26:20,320

there was like a dude that was saying he

2313

01:26:24,550 --> 01:26:21,440

was like

2314

01:26:26,070 --> 01:26:24,560

lose nothing he didn't do he wasn't he

2315

01:26:28,470 --> 01:26:26,080

wasn't the guy

2316

01:26:30,470 --> 01:26:28,480

good okay i'm glad he got ousted for

2317

01:26:33,110 --> 01:26:30,480

lying though right like we know that he

2318

01:26:34,629 --> 01:26:33,120

actually worked there

2319

01:26:35,510 --> 01:26:34,639

it wasn't because he was telling the

2320

01:26:37,350 --> 01:26:35,520

truth

2321

01:26:38,950 --> 01:26:37,360

i'm pretty i'm pretty sure i'm pretty

2322

01:26:40,470 --> 01:26:38,960

sure he worked there

2323

01:26:42,709 --> 01:26:40,480

i'm pretty sure he did a lot of great

2324

01:26:45,430 --> 01:26:42,719

stuff so dude just because he worked at

2325

01:26:46,870 --> 01:26:45,440

the building doesn't mean he worked i

2326

01:26:48,229 --> 01:26:46,880

don't know i don't know i mean

2327

01:26:50,229 --> 01:26:48,239

technically we worked at the building

2328

01:26:54,550 --> 01:26:50,239

because we were driving around and our

2329

01:26:58,070 --> 01:26:55,910

asking where the aliens are what kind of

2330

01:27:00,229 --> 01:26:58,080

beer are you drinking dude

2331

01:27:02,870 --> 01:27:00,239

well

2332

01:27:08,790 --> 01:27:05,270

do that i'm sorry bro you looked exactly

2333

01:27:08,800 --> 01:27:11,350

well

2334

01:27:14,709 --> 01:27:13,350

i uh

2335

01:27:19,350 --> 01:27:14,719

i found this

2336

01:27:23,030 --> 01:27:19,360

it puts hair on your chest

2337

01:27:25,510 --> 01:27:23,040

it's it's it's packs a punch it's uh

2338

01:27:28,229 --> 01:27:25,520

it's something i don't normally drink uh

2339

01:27:30,070 --> 01:27:28,239

unless i'm really trying to get wasted

2340

01:27:33,110 --> 01:27:30,080

white cloth

2341

01:27:34,950 --> 01:27:33,120

no definitely not white white claws for

2342

01:27:37,750 --> 01:27:34,960

[h__\h] dude

2343

01:27:39,189 --> 01:27:37,760

i'm drinking uh

2344

01:27:41,990 --> 01:27:39,199

100 babe

2345

01:27:44,229 --> 01:27:42,000

yeah is that pink is that rosette rose

2346

01:27:47,430 --> 01:27:44,239

one with bubbles baby dude that looks

2347

01:27:49,030 --> 01:27:47,440

delish hell yeah oh yeah about to get

2348

01:27:50,950 --> 01:27:49,040

bubbly in here

2349

01:27:53,189 --> 01:27:50,960

i don't know i've never had it i was

2350

01:27:55,430 --> 01:27:53,199

like where all my beer go and then the

2351

01:27:57,669 --> 01:27:55,440

old lady had a couple of these so

2352

01:27:59,270 --> 01:27:57,679

we're about to see what's up dude i

2353

01:28:01,590 --> 01:27:59,280

don't have my bottle i drink my bottle

2354

01:28:04,790 --> 01:28:01,600

yesterday celebrating you know what i'm

2355

01:28:07,189 --> 01:28:05,830

uh

2356

01:28:08,470 --> 01:28:07,199

i mean do you want i mean that's that's

2357

01:28:09,590 --> 01:28:08,480

big news

2358

01:28:10,790 --> 01:28:09,600

um

2359

01:28:12,470 --> 01:28:10,800

it's all right

2360

01:28:14,550 --> 01:28:12,480

for the for the celebration right i mean

2361

01:28:17,350 --> 01:28:14,560

you got a whole new job dude oh yeah i

2362

01:28:19,270 --> 01:28:17,360

got a whole new job

2363

01:28:20,470 --> 01:28:19,280

you're you're gonna be

2364

01:28:21,910 --> 01:28:20,480

you're gonna be like me just sitting in

2365

01:28:23,110 --> 01:28:21,920

front of your computer looking dumb all

2366

01:28:24,709 --> 01:28:23,120

day yeah i mean i guess i'm not

2367

01:28:26,470 --> 01:28:24,719

celebrating the fact that i have another

2368

01:28:28,709 --> 01:28:26,480

job you know particularly like really

2369

01:28:30,310 --> 01:28:28,719

want a job but uh i'm celebrating the

2370

01:28:31,750 --> 01:28:30,320

fact that i have a job yeah because i

2371

01:28:33,750 --> 01:28:31,760

need a job

2372

01:28:40,709 --> 01:28:33,760

yeah

2373

01:28:41,750 --> 01:28:40,719

it's gonna be interesting gonna be a big

2374

01:28:44,229 --> 01:28:41,760

change

2375

01:28:46,629 --> 01:28:44,239

i hope that your at home office doesn't

2376

01:28:48,390 --> 01:28:46,639

uh you know what you should do is is set

2377

01:28:51,030 --> 01:28:48,400

up fly traps because that's what i wish

2378

01:28:54,950 --> 01:28:51,040

i would have done i'm legitimately gonna

2379

01:28:58,229 --> 01:28:56,950

i have i've been trying to give it to

2380

01:29:01,350 --> 01:28:58,239

you just every time i come to taylor i

2381

01:29:04,310 --> 01:29:01,360

forget i know and every time i leave

2382

01:29:06,149 --> 01:29:04,320

work you're still all away in georgetown

2383

01:29:08,709 --> 01:29:06,159

yeah

2384

01:29:11,189 --> 01:29:08,719

i would have stopped by and gotten it

2385

01:29:13,030 --> 01:29:11,199

but like i don't know now since i don't

2386

01:29:14,629 --> 01:29:13,040

do it at your house anymore i pick up

2387

01:29:17,030 --> 01:29:14,639

the kid on the way home and she's just

2388

01:29:19,189 --> 01:29:17,040

like right there so like it's hard to go

2389

01:29:21,270 --> 01:29:19,199

all the way to georgetown and then back

2390

01:29:22,870 --> 01:29:21,280

to taylor because she's only good in the

2391

01:29:24,629 --> 01:29:22,880

car for like

2392

01:29:26,629 --> 01:29:24,639

a good 30 before she starts getting

2393

01:29:28,550 --> 01:29:26,639

restless

2394

01:29:31,110 --> 01:29:28,560

dude uh

2395

01:29:32,709 --> 01:29:31,120

so so she doesn't like go to sleep after

2396

01:29:33,510 --> 01:29:32,719

after daycare

2397

01:29:39,910 --> 01:29:33,520

no

2398

01:29:41,189 --> 01:29:39,920

call it's like we get like a solid maybe

2399

01:29:42,790 --> 01:29:41,199

10 minutes

2400

01:29:43,750 --> 01:29:42,800

and she's in the back seat she's like

2401

01:29:47,189 --> 01:29:43,760

all right

2402

01:29:49,110 --> 01:29:47,199

time for ruckus yep yep still funny it's

2403

01:29:51,669 --> 01:29:49,120

insane how my child is able to take all

2404

01:29:53,990 --> 01:29:51,679

of her clothes off while in a buckled up

2405

01:29:55,030 --> 01:29:54,000

in a in a car seat it's just absolutely

2406

01:29:57,270 --> 01:29:55,040

insane

2407

01:29:58,070 --> 01:29:57,280

yeah i keep going

2408

01:30:02,629 --> 01:29:58,080

like

2409

01:30:06,149 --> 01:30:02,639

hendricks had a little rough day today i

2410

01:30:07,750 --> 01:30:06,159

was like wow it happened they'll be like

2411

01:30:09,189 --> 01:30:07,760

she keeps taking her clothes off on the

2412

01:30:11,669 --> 01:30:09,199

playground

2413

01:30:12,709 --> 01:30:11,679

oh and then i'm like

2414

01:30:14,709 --> 01:30:12,719

hmm

2415

01:30:16,790 --> 01:30:14,719

how do i react to this

2416

01:30:17,830 --> 01:30:16,800

no [h__h] she's a baby

2417

01:30:19,830 --> 01:30:17,840

all right

2418

01:30:21,990 --> 01:30:19,840

uh you can't get i hope she didn't get

2419

01:30:24,070 --> 01:30:22,000

in trouble for it

2420

01:30:25,669 --> 01:30:24,080

i mean you know you can't really i guess

2421

01:30:28,070 --> 01:30:25,679

you can't really get too much trouble

2422

01:30:29,830 --> 01:30:28,080

that's what babies do yeah my response

2423

01:30:31,990 --> 01:30:29,840

is always like yeah she's a real flower

2424

01:30:33,830 --> 01:30:32,000

child and then they're like

2425

01:30:36,629 --> 01:30:33,840

yeah because she keeps storing her shoes

2426

01:30:39,510 --> 01:30:36,639

in the trash can we can tell i'm like oh

2427

01:30:41,350 --> 01:30:39,520

damn it i'm out of excuses

2428

01:30:45,110 --> 01:30:41,360

that's amazing she hates wearing shoes

2429

01:30:50,070 --> 01:30:47,910

she's a nature baby man that's amazing

2430

01:30:52,149 --> 01:30:50,080

well yeah dude so

2431

01:30:56,070 --> 01:30:52,159

yeah

2432

01:30:58,229 --> 01:30:56,080

uh nature bb nature baby they're neat

2433

01:31:00,790 --> 01:30:58,239

they're neat dude

2434

01:31:03,750 --> 01:31:00,800

neat what is that video is there a video

2435

01:31:06,629 --> 01:31:03,760

a nature i wish i could play it or else

2436

01:31:08,149 --> 01:31:06,639

i can't play it because uh yeah i'm like

2437

01:31:10,870 --> 01:31:08,159

trying to stay awake yeah that's how we

2438

01:31:13,030 --> 01:31:10,880

did our i had to do a lot of editing

2439

01:31:14,229 --> 01:31:13,040

but the guy i wish i knew the guy okay

2440

01:31:16,709 --> 01:31:14,239

at least i could tell you guys where the

2441

01:31:17,990 --> 01:31:16,719

guy's name is just look up nature

2442

01:31:19,669 --> 01:31:18,000

honestly i don't have to do that just

2443

01:31:20,790 --> 01:31:19,679

yeah

2444

01:31:25,270 --> 01:31:20,800

it's

2445

01:31:28,470 --> 01:31:25,280

know if he even does videos anymore

2446

01:31:31,750 --> 01:31:28,480

it's an old video it's a very old video

2447

01:31:33,750 --> 01:31:31,760

uh but that's like one of my core uh

2448

01:31:37,110 --> 01:31:33,760

things that make up my personality is

2449

01:31:41,030 --> 01:31:38,629

sometimes you gotta you know you gotta

2450

01:31:43,189 --> 01:31:41,040

break up the soil a little bit

2451

01:31:45,590 --> 01:31:43,199

hey

2452

01:31:46,870 --> 01:31:45,600

like that's from that video dude yes

2453

01:31:49,910 --> 01:31:46,880

you ever see me doing that that's what

2454

01:31:51,669 --> 01:31:49,920

that's from oh dude man

2455

01:31:52,709 --> 01:31:51,679

i love that

2456

01:31:53,590 --> 01:31:52,719

oh yeah

2457

01:31:54,790 --> 01:31:53,600

uh

2458

01:31:57,590 --> 01:31:54,800

so

2459

01:31:59,350 --> 01:31:57,600

dude uh i was thinking about another

2460

01:32:02,310 --> 01:31:59,360

idea uh

2461

01:32:07,350 --> 01:32:04,550

i love it it's like vastly changing the

2462

01:32:10,470 --> 01:32:07,360

subject but uh

2463

01:32:11,430 --> 01:32:10,480

so this idea that gross

2464

01:32:13,750 --> 01:32:11,440

sorry

2465

01:32:15,990 --> 01:32:13,760

yeah it was bad that was very audible

2466

01:32:18,070 --> 01:32:16,000

god that's how bad i didn't even mean to

2467

01:32:20,870 --> 01:32:18,080

sorry was that your first sip

2468

01:32:22,310 --> 01:32:20,880

no it's my like my third sip

2469

01:32:23,590 --> 01:32:22,320

i'm just trying to drink it fast because

2470

01:32:25,830 --> 01:32:23,600

maybe if i get a little drunk that

2471

01:32:27,270 --> 01:32:25,840

actually won't be as bad

2472

01:32:28,790 --> 01:32:27,280

yeah yeah all you have to do is drink

2473

01:32:32,229 --> 01:32:28,800

half of anything and then you could

2474

01:32:35,110 --> 01:32:33,189

uh

2475

01:32:37,110 --> 01:32:35,120

same doesn't not go for shots don't

2476

01:32:38,790 --> 01:32:37,120

drink half shots

2477

01:32:41,510 --> 01:32:38,800

oh yeah no those aren't good but you

2478

01:32:42,709 --> 01:32:41,520

can't do full shots dude i can't

2479

01:32:45,669 --> 01:32:42,719

yeah if

2480

01:32:46,709 --> 01:32:45,679

if y'all are uh not familiar me and joe

2481

01:32:47,430 --> 01:32:46,719

or in

2482

01:33:10,310 --> 01:32:47,440

a

2483

01:33:13,030 --> 01:33:10,320

bro some shows

2484

01:33:15,590 --> 01:33:13,040

i would have like so many like

2485

01:33:17,750 --> 01:33:15,600

just drinks around me

2486

01:33:19,189 --> 01:33:17,760

and i didn't buy any of them and like i

2487

01:33:21,590 --> 01:33:19,199

wouldn't even be able to drink them all

2488

01:33:22,390 --> 01:33:21,600

half the time dude like in between like

2489

01:33:23,990 --> 01:33:22,400

songs

2490

01:33:25,350 --> 01:33:24,000

yeah i'll try and drink a beer and then

2491

01:33:26,950 --> 01:33:25,360

people like what do you drink and i'll

2492

01:33:29,510 --> 01:33:26,960

be like [h__h] dude just anything if

2493

01:33:34,310 --> 01:33:29,520

you're gonna bring me so just bring it

2494

01:33:36,629 --> 01:33:34,320

making a whiskey and a lone star man

2495

01:33:38,950 --> 01:33:36,639

i remember that you uh you had more

2496

01:33:40,790 --> 01:33:38,960

drinks than anybody in the band at all

2497

01:33:43,430 --> 01:33:40,800

times like people would just buy you

2498

01:33:46,629 --> 01:33:45,750

i was very popular with the dudes you

2499

01:33:48,310 --> 01:33:46,639

know

2500

01:33:50,310 --> 01:33:48,320

honestly like girls didn't buy us drinks

2501
01:33:52,390 --> 01:33:50,320
it was all dudes they super like hey man

2502
01:33:54,310 --> 01:33:52,400
is that it hey

2503
01:33:56,950 --> 01:33:54,320
hey man is that squire

2504
01:34:00,070 --> 01:33:56,960
yeah i got the same ibanez that's not a

2505
01:34:01,510 --> 01:34:00,080
diabetes it's a gibson les paul

2506
01:34:04,390 --> 01:34:01,520
all right i got nominated let's just

2507
01:34:06,070 --> 01:34:04,400
like that my brother let me borrow it

2508
01:34:08,310 --> 01:34:06,080
can i actually kind of play it when

2509
01:34:09,750 --> 01:34:08,320
you're taking a taking a break

2510
01:34:13,110 --> 01:34:09,760
i learned that new bragging benjamin

2511
01:34:13,120 --> 01:34:19,830
and left a hole right my heart should be

2512
01:34:23,910 --> 01:34:21,750
every time i hear those bands i always

2513
01:34:24,629 --> 01:34:23,920

picture like south park doing it you

2514

01:34:25,669 --> 01:34:24,639

know

2515

01:34:26,790 --> 01:34:25,679

yeah

2516

01:34:27,750 --> 01:34:26,800

every time

2517

01:34:29,910 --> 01:34:27,760

yeah

2518

01:34:32,629 --> 01:34:29,920

oh

2519

01:34:34,470 --> 01:34:32,639

lots of drinks yeah lots of drinks so so

2520

01:34:36,550 --> 01:34:34,480

is it better now that you've chugged it

2521

01:34:38,470 --> 01:34:36,560

oh oh [h__h] i forgot yeah i mean i guess

2522

01:34:40,229 --> 01:34:38,480

so yeah hell yeah

2523

01:34:42,629 --> 01:34:40,239

yeah everybody knows that joe's a pink

2524

01:34:43,590 --> 01:34:42,639

bubbly guy

2525

01:34:44,709 --> 01:34:43,600

uh

2526

01:34:49,189 --> 01:34:44,719

so

2527

01:34:50,390 --> 01:34:49,199

is that um

2528

01:34:52,870 --> 01:34:50,400

so we've been talking about like the

2529

01:34:55,830 --> 01:34:52,880

ancient civilization the ancients right

2530

01:34:57,750 --> 01:34:55,840

that came out of nowhere i started

2531

01:34:59,750 --> 01:34:57,760

billions of years ago

2532

01:35:02,070 --> 01:34:59,760

and that uh

2533

01:35:04,310 --> 01:35:02,080

we're just like we're way like the

2534

01:35:07,350 --> 01:35:04,320

timeline that we know about human

2535

01:35:09,030 --> 01:35:07,360

history is just [h__h] like

2536

01:35:11,189 --> 01:35:09,040

some people would we think of that like

2537

01:35:13,750 --> 01:35:11,199

approach that with a very

2538

01:35:15,430 --> 01:35:13,760

conspirator a conspiratorial mindset

2539

01:35:16,870 --> 01:35:15,440

we're like oh they're just trying the

2540

01:35:18,629 --> 01:35:16,880

man you know

2541

01:35:20,229 --> 01:35:18,639

but i think it's much more simple it's

2542

01:35:22,629 --> 01:35:20,239

like that's just how it

2543

01:35:26,950 --> 01:35:22,639

played out like that like no one's

2544

01:35:28,149 --> 01:35:26,960

trying to do stuff uh or like control

2545

01:35:30,229 --> 01:35:28,159

a lot of stuff that

2546

01:35:31,270 --> 01:35:30,239

so so so this idea again it's just an

2547

01:35:33,189 --> 01:35:31,280

idea

2548

01:35:34,310 --> 01:35:33,199

that um

2549

01:35:36,310 --> 01:35:34,320

humans

2550

01:35:38,790 --> 01:35:36,320

are

2551
01:35:39,990 --> 01:35:38,800
again like this amalgamation it kind of

2552
01:35:42,310 --> 01:35:40,000
dovetails what we were talking about

2553
01:35:45,030 --> 01:35:42,320
last week but we're amalgam we are an

2554
01:35:47,750 --> 01:35:45,040
amalgamation of a bunch of different

2555
01:35:49,590 --> 01:35:47,760
species and we're living on

2556
01:35:52,390 --> 01:35:49,600
basically an aquarium

2557
01:35:55,030 --> 01:35:52,400
and there's this race of

2558
01:35:58,149 --> 01:35:55,040
of of aliens or our entities that are

2559
01:35:59,990 --> 01:35:58,159
much larger than us that are

2560
01:36:01,350 --> 01:36:00,000
looking looking at us and taking care of

2561
01:36:03,350 --> 01:36:01,360
us and they actually do care about us

2562
01:36:06,790 --> 01:36:03,360
and make sure that we don't die

2563
01:36:08,790 --> 01:36:06,800

and [h__h] [h__h] up and like i'm not saying

2564

01:36:10,629 --> 01:36:08,800

like there's someone standing next to a

2565

01:36:13,430 --> 01:36:10,639

table with an aquarium but it's like

2566

01:36:16,470 --> 01:36:13,440

that that that's the

2567

01:36:18,470 --> 01:36:16,480

that's the uh analogy to it to where

2568

01:36:22,470 --> 01:36:18,480

like we're just really small and there's

2569

01:36:24,470 --> 01:36:22,480

another entity that's huge

2570

01:36:26,629 --> 01:36:24,480

and we're like

2571

01:36:28,790 --> 01:36:26,639

like sea monkeys dude

2572

01:36:30,149 --> 01:36:28,800

i've always wanted to be a senior aliens

2573

01:36:32,070 --> 01:36:30,159

i know we've always talked about being

2574

01:36:34,470 --> 01:36:32,080

c-monkeys when we grow up dude wouldn't

2575

01:36:37,109 --> 01:36:34,480

that be some [h__h] if like aliens are

2576

01:36:39,189 --> 01:36:37,119

selling us in packages

2577

01:36:40,550 --> 01:36:39,199

like to other aliens

2578

01:36:42,310 --> 01:36:40,560

you know

2579

01:36:45,109 --> 01:36:42,320

and like this this whole idea like we

2580

01:36:47,189 --> 01:36:45,119

like we try to complicate things and

2581

01:36:48,229 --> 01:36:47,199

and place meaning on things so much

2582

01:36:49,750 --> 01:36:48,239

because we

2583

01:36:51,270 --> 01:36:49,760

you know we have an ego right like

2584

01:36:53,030 --> 01:36:51,280

humans have egos

2585

01:36:55,030 --> 01:36:53,040

we think that we're the most important

2586

01:36:56,149 --> 01:36:55,040

[h__\h] ever

2587

01:36:57,109 --> 01:36:56,159

what if we're not what if we're just

2588

01:36:59,510 --> 01:36:57,119

like

2589

01:37:01,910 --> 01:36:59,520

frozen dried in this packet and as soon

2590

01:37:04,550 --> 01:37:01,920

as you drop us in some h2o

2591

01:37:05,510 --> 01:37:04,560

and we dehydrate and we come alive these

2592

01:37:08,790 --> 01:37:05,520

eggs

2593

01:37:11,030 --> 01:37:08,800

hatch and then like oh that's primordial

2594

01:37:13,030 --> 01:37:11,040

soup yeah that was that's a dry package

2595

01:37:15,350 --> 01:37:13,040

you could get from the extra terrestrial

2596

01:37:17,590 --> 01:37:15,360

amazon like we just put it in water like

2597

01:37:20,149 --> 01:37:17,600

we're in a cup and to us it feels like

2598

01:37:22,790 --> 01:37:20,159

billions of years but an actual like

2599

01:37:24,390 --> 01:37:22,800

reality well their reality it's like

2600

01:37:26,229 --> 01:37:24,400

yeah well i got it

2601
01:37:29,109 --> 01:37:26,239
you know two stars man like died in like

2602
01:37:32,830 --> 01:37:29,119
12 days but to us 12 days is like 12

2603
01:37:36,790 --> 01:37:32,840
billion years dude yeah

2604
01:37:38,709 --> 01:37:36,800
man it's it's really crazy

2605
01:37:40,470 --> 01:37:38,719
it's really crazy how easy it is to like

2606
01:37:42,149 --> 01:37:40,480
grow [h__h] like

2607
01:37:43,830 --> 01:37:42,159
if you put like

2608
01:37:45,830 --> 01:37:43,840
some

2609
01:37:47,669 --> 01:37:45,840
like water in a bowl and you just leave

2610
01:37:49,590 --> 01:37:47,679
it like the [h__h] that grows in there

2611
01:37:50,950 --> 01:37:49,600
without you putting anything in it is

2612
01:37:52,310 --> 01:37:50,960
insane

2613
01:37:54,070 --> 01:37:52,320

you know you'll like have things

2614

01:37:56,870 --> 01:37:54,080

swimming around actually you're like

2615

01:37:58,629 --> 01:37:56,880

dude i just put water in here and then i

2616

01:38:00,550 --> 01:37:58,639

closed it off i put a lid on it there's

2617

01:38:01,990 --> 01:38:00,560

just water and now it's like a year

2618

01:38:04,070 --> 01:38:02,000

later and they're like there's [h__h]

2619

01:38:06,070 --> 01:38:04,080

swimming in this water

2620

01:38:08,070 --> 01:38:06,080

how the hell

2621

01:38:08,950 --> 01:38:08,080

you know it makes you think like life

2622

01:38:11,350 --> 01:38:08,960

just

2623

01:38:12,390 --> 01:38:11,360

started in a water bottle somewhere or a

2624

01:38:17,030 --> 01:38:12,400

beer

2625

01:38:18,950 --> 01:38:17,040

could be anything i mean i'm i'm i'm

2626

01:38:21,350 --> 01:38:18,960

just using the idea of like

2627

01:38:23,510 --> 01:38:21,360

just having some water if you sprinkled

2628

01:38:24,390 --> 01:38:23,520

some dirt in there the [h__h] that would

2629

01:38:27,030 --> 01:38:24,400

like

2630

01:38:27,830 --> 01:38:27,040

come alive is insane

2631

01:38:28,870 --> 01:38:27,840

dude

2632

01:38:31,910 --> 01:38:28,880

uh

2633

01:38:34,229 --> 01:38:31,920

so what i would love to to do is take a

2634

01:38:35,910 --> 01:38:34,239

jar and like scoop up some dirt

2635

01:38:37,669 --> 01:38:35,920

out of the creek and just see what

2636

01:38:40,070 --> 01:38:37,679

happens like i've seen like so many tick

2637

01:38:42,629 --> 01:38:40,080

tocks in like instagram videos of people

2638

01:38:44,070 --> 01:38:42,639

like doing that like a jar

2639

01:38:45,430 --> 01:38:44,080

taking up mud and some water and at

2640

01:38:47,270 --> 01:38:45,440

first you don't really see anything it's

2641

01:38:49,510 --> 01:38:47,280

really murky and after a couple of weeks

2642

01:38:51,270 --> 01:38:49,520

the the water gets really clear because

2643

01:38:53,030 --> 01:38:51,280

everything falls to the bottom and then

2644

01:38:54,390 --> 01:38:53,040

they start seeing like these these

2645

01:38:55,990 --> 01:38:54,400

little worms

2646

01:38:58,870 --> 01:38:56,000

come out like these little bugs you

2647

01:39:00,950 --> 01:38:58,880

start if you really zoom in yeah dude

2648

01:39:03,109 --> 01:39:00,960

yeah you don't need to do [h__h] like it's

2649

01:39:06,070 --> 01:39:03,119

alive there like you can't you probably

2650

01:39:08,470 --> 01:39:06,080

can't like support a big life's uh

2651
01:39:10,149 --> 01:39:08,480
like a a bigger you know like a minnow

2652
01:39:11,350 --> 01:39:10,159
or something but those tiny

2653
01:39:12,709 --> 01:39:11,360
[h__h] don't give this [h__h]

2654
01:39:14,790 --> 01:39:12,719
they're like hell yeah i'm gonna eat

2655
01:39:17,109 --> 01:39:14,800
this poop from the other guys it's like

2656
01:39:18,950 --> 01:39:17,119
right next to me i'm gonna eat his poop

2657
01:39:20,470 --> 01:39:18,960
yeah some things dude like it's crazy

2658
01:39:22,149 --> 01:39:20,480
because they'll just start getting

2659
01:39:23,510 --> 01:39:22,159
bigger you're like whoa what the hell

2660
01:39:25,430 --> 01:39:23,520
you're looking you're like you see all

2661
01:39:27,430 --> 01:39:25,440
these little tiny things floating around

2662
01:39:29,270 --> 01:39:27,440
you're like that's interesting and then

2663
01:39:31,350 --> 01:39:29,280

before you know it now you have like

2664

01:39:33,990 --> 01:39:31,360

detritus worms and you're like

2665

01:39:35,590 --> 01:39:34,000

what the [h__h] where did that come from

2666

01:39:36,709 --> 01:39:35,600

you know they're like it comes from the

2667

01:39:38,870 --> 01:39:36,719

dirt

2668

01:39:42,229 --> 01:39:38,880

like eggs and they're like no it's just

2669

01:39:44,709 --> 01:39:42,239

like if you put it in water like

2670

01:39:47,030 --> 01:39:44,719

worms come from it and you're like how

2671

01:39:48,070 --> 01:39:47,040

the [h__h] yeah like because you think

2672

01:39:49,510 --> 01:39:48,080

about it like

2673

01:39:51,270 --> 01:39:49,520

where does it where does a human come

2674

01:39:54,470 --> 01:39:51,280

from and you're like oh yeah sperm and

2675

01:39:56,149 --> 01:39:54,480

egg like nine months of of like your

2676

01:39:58,149 --> 01:39:56,159

your wife yelling at you all the time

2677

01:40:00,149 --> 01:39:58,159

and it's like your baby comes you know

2678

01:40:01,750 --> 01:40:00,159

how that process works but when you just

2679

01:40:04,470 --> 01:40:01,760

put like

2680

01:40:06,229 --> 01:40:04,480

dirt in a bottle with nothing in it and

2681

01:40:08,950 --> 01:40:06,239

then add some water and then a year

2682

01:40:10,870 --> 01:40:08,960

later you have like

2683

01:40:12,310 --> 01:40:10,880

big things you know

2684

01:40:14,550 --> 01:40:12,320

bigger than microscopic they're still

2685

01:40:16,870 --> 01:40:14,560

very tiny but like big things swimming

2686

01:40:20,149 --> 01:40:16,880

around like it's starting to like build

2687

01:40:23,750 --> 01:40:20,159

its own life you're like wow that's yeah

2688

01:40:25,430 --> 01:40:23,760

pretty interesting yeah

2689

01:40:27,109 --> 01:40:25,440

all i'm saying is

2690

01:40:28,709 --> 01:40:27,119

there's a chance dude

2691

01:40:31,030 --> 01:40:28,719

yeah maybe we're the we're the water

2692

01:40:34,790 --> 01:40:31,040

bears we're like water bears it just it

2693

01:40:38,709 --> 01:40:36,950

life is a little easier to come by than

2694

01:40:39,669 --> 01:40:38,719

we might think it is

2695

01:40:41,350 --> 01:40:39,679

you know

2696

01:40:43,510 --> 01:40:41,360

uh uh-huh

2697

01:40:45,750 --> 01:40:43,520

well you only need a couple things right

2698

01:40:47,750 --> 01:40:45,760

well like we just said i mean like

2699

01:40:49,830 --> 01:40:47,760

once again we're not biologists but i

2700

01:40:52,550 --> 01:40:49,840

can throw some dirt in a [h__\h] water

2701

01:40:54,550 --> 01:40:52,560

jug and stuff will grow in it

2702

01:40:55,590 --> 01:40:54,560

even if it's stuff i don't want to grow

2703

01:40:59,350 --> 01:40:55,600

in it

2704

01:41:02,149 --> 01:40:59,360

and not know anything can you imagine

2705

01:41:04,950 --> 01:41:02,159

somebody who knows a whole lot

2706

01:41:06,870 --> 01:41:04,960

what they can accomplish yeah well i've

2707

01:41:08,229 --> 01:41:06,880

i've been following a couple people that

2708

01:41:09,430 --> 01:41:08,239

take care of aquariums and do the same

2709

01:41:11,750 --> 01:41:09,440

stuff that you were telling me that

2710

01:41:14,310 --> 01:41:11,760

you've taught me about like if you like

2711

01:41:15,830 --> 01:41:14,320

those natural terrariums with water in

2712

01:41:17,830 --> 01:41:15,840

them and like like self-sustaining

2713

01:41:20,070 --> 01:41:17,840

ecosystems yeah these dudes always

2714

01:41:21,990 --> 01:41:20,080

complain like no matter what i do if i

2715

01:41:23,430 --> 01:41:22,000

buy it store-bought like the substrate

2716

01:41:25,350 --> 01:41:23,440

store-bought or

2717

01:41:27,030 --> 01:41:25,360

or whatever no matter what i do at some

2718

01:41:28,790 --> 01:41:27,040

point there will be worms and there will

2719

01:41:30,550 --> 01:41:28,800

be snails

2720

01:41:33,350 --> 01:41:30,560

and they don't even have any fish in him

2721

01:41:35,990 --> 01:41:33,360

it's literally from the dirt

2722

01:41:37,510 --> 01:41:36,000

yeah yeah that's insane to me yeah you

2723

01:41:40,149 --> 01:41:37,520

start getting little worms and stuff

2724

01:41:44,629 --> 01:41:40,159

you're like those come for all man

2725

01:41:47,189 --> 01:41:44,639

i don't know so if you eat dirt

2726

01:41:48,550 --> 01:41:47,199

like worms like worms are going to grow

2727

01:41:49,669 --> 01:41:48,560

in your tummy

2728

01:41:52,550 --> 01:41:49,679

that's why they tell you not to eat

2729

01:41:59,350 --> 01:41:53,590

yeah

2730

01:42:02,870 --> 01:41:59,360

know

2731

01:42:05,990 --> 01:42:02,880

a parasite and a

2732

01:42:09,990 --> 01:42:06,000

worm are they the same thing

2733

01:42:13,750 --> 01:42:11,270

i don't know what's an interesting

2734

01:42:16,470 --> 01:42:13,760

question they say you get worms right

2735

01:42:18,310 --> 01:42:16,480

you get worms um and so maybe you can

2736

01:42:20,149 --> 01:42:18,320

get worms that grow inside of you but

2737

01:42:22,310 --> 01:42:20,159

i'm not sure if it's like

2738

01:42:24,390 --> 01:42:22,320

is it only considered a parasite because

2739

01:42:25,669 --> 01:42:24,400

it's inside feeding off of you at that

2740

01:42:27,590 --> 01:42:25,679

point

2741

01:42:30,070 --> 01:42:27,600

is it not a parasite if it's in the

2742

01:42:31,990 --> 01:42:30,080

ground like aerating the earth and doing

2743

01:42:33,350 --> 01:42:32,000

good [h__\h] is it only a parasite when

2744

01:42:35,510 --> 01:42:33,360

it's inside of you

2745

01:42:36,550 --> 01:42:35,520

oh my god

2746

01:42:38,470 --> 01:42:36,560

also

2747

01:42:40,310 --> 01:42:38,480

there is no inside

2748

01:42:41,510 --> 01:42:40,320

we are tubes dude think about it we're

2749

01:42:44,709 --> 01:42:41,520

tubes like from our mouth to our

2750

01:42:46,709 --> 01:42:44,719

butthole we're just a tube man well yeah

2751

01:42:48,390 --> 01:42:46,719

but there's still still an inside to the

2752

01:42:54,830 --> 01:42:48,400

tube

2753

01:43:00,070 --> 01:42:57,510

no that's a

2754

01:43:02,629 --> 01:43:00,080

a paradox live paradox yeah we're we're

2755

01:43:04,870 --> 01:43:02,639

actually we're just a long donut with

2756

01:43:07,910 --> 01:43:04,880

nipples that's all it is that's all it

2757

01:43:12,310 --> 01:43:07,920

is ponies shiners

2758

01:43:15,350 --> 01:43:12,320

and birds hey it is uh

2759

01:43:18,629 --> 01:43:17,189

we have seven months before november

2760

01:43:26,709 --> 01:43:18,639

gets here

2761

01:43:31,189 --> 01:43:28,950

uh it's gonna be fun dude i'm excited

2762

01:43:32,870 --> 01:43:31,199

you know how fast that those seven

2763

01:43:34,229 --> 01:43:32,880

months are gonna go dude it feels like

2764

01:43:35,830 --> 01:43:34,239

the other day we were like it's like a

2765

01:43:37,990 --> 01:43:35,840

year away dude

2766

01:43:39,590 --> 01:43:38,000

it's not dude it's gonna be so not it's

2767

01:43:41,510 --> 01:43:39,600

gonna be so far

2768

01:43:43,750 --> 01:43:41,520

like it's gonna be so close it's gonna

2769

01:43:44,709 --> 01:43:43,760

hit us immediately it's gonna be inside

2770

01:43:46,550 --> 01:43:44,719

of us

2771

01:43:49,109 --> 01:43:46,560

not as far away as we thought it was

2772

01:43:50,830 --> 01:43:49,119

november 4th the 6th ufo garage family

2773

01:43:53,910 --> 01:43:50,840

2786

01:44:30,870 --> 01:44:28,000

figuring out the details on pricing but

2787

01:44:32,870 --> 01:44:30,880

we'll update soon

2788

01:44:35,669 --> 01:44:32,880

2789

01:44:37,990 --> 01:44:35,679

2790

01:44:39,510 --> 01:44:38,000

intent i mean you can just show up you

2791

01:44:42,390 --> 01:44:39,520

know just show up and see what happens

2792

01:44:43,910 --> 01:44:42,400

but you know you could rsvp and uh get a

2793

01:44:45,910 --> 01:44:43,920

dope ass

2794

01:44:47,910 --> 01:44:45,920

tiny house

2795

01:44:50,870 --> 01:44:47,920

big willy has confirmed that he's coming

2796

01:44:53,430 --> 01:44:50,880

yes nice mr crowley has confirmed that

2797

01:44:54,950 --> 01:44:53,440

he's coming nice date we're still

2798

01:44:56,070 --> 01:44:54,960

waiting on dave scott

2799

01:45:01,189 --> 01:44:56,080

um

2800

01:45:05,189 --> 01:45:01,199

but yeah we have two rsvps oh oh uh

2801

01:45:07,189 --> 01:45:05,199

uh conspire theory is coming yeah

2802

01:45:10,550 --> 01:45:07,199

uh it's gonna be so dope so we have

2803

01:45:11,910 --> 01:45:10,560

three we have three hell yeah uh rsvp's

2804

01:45:13,590 --> 01:45:11,920

and you know everybody's doing it

2805

01:45:18,390 --> 01:45:13,600

everybody you should do it too

2806

01:45:22,229 --> 01:45:20,310

social pressure everybody's doing it you

2807

01:45:23,910 --> 01:45:22,239

should come too

2808

01:45:26,470 --> 01:45:23,920

come to texas we're gonna go we're gonna

2809

01:45:27,830 --> 01:45:26,480

go out to uh the middle of nowhere where

2810

01:45:30,550 --> 01:45:27,840

they

2811

01:45:31,910 --> 01:45:30,560

like you can you can see the stars dude

2812

01:45:33,830 --> 01:45:31,920

jess and i went out there we stayed a

2813

01:45:35,590 --> 01:45:33,840

couple a couple weekends

2814

01:45:37,510 --> 01:45:35,600

oh my god it's beautiful dude you could

2815

01:45:40,709 --> 01:45:37,520

see every star every one of you hell

2816

01:45:43,590 --> 01:45:40,719

yeah uh did we check to make sure that

2817

01:45:46,310 --> 01:45:43,600

this camping night is not on a full moon

2818

01:45:49,350 --> 01:45:47,430

no

2819

01:45:53,189 --> 01:45:49,360

oh we're gonna have to we're gonna have

2820

01:45:53,199 --> 01:45:56,470

full means

2821

01:46:00,229 --> 01:45:57,910

all right where's no they stopped in

2822

01:46:02,149 --> 01:46:00,239

august

2823

01:46:05,350 --> 01:46:02,159

november 8th

2824

01:46:08,149 --> 01:46:05,360

that's the frost moon over here

2825

01:46:13,270 --> 01:46:08,159

good so that means that oh no wait

2826

01:46:15,510 --> 01:46:14,390

uh

2827

01:46:17,430 --> 01:46:15,520

it's gonna be pretty it's gonna be

2828

01:46:19,830 --> 01:46:17,440

pretty bright

2829

01:46:22,149 --> 01:46:19,840

dang it

2830

01:46:24,149 --> 01:46:22,159

anytime i make trips to dark places i'm

2831

01:46:26,310 --> 01:46:24,159

always like i gotta plan it when it's

2832

01:46:27,750 --> 01:46:26,320

not we can change it it's down our way

2833

01:46:30,709 --> 01:46:27,760

we could change it if you want i guess

2834

01:46:32,310 --> 01:46:30,719

that's true yeah what's changing what's

2835

01:46:39,189 --> 01:46:32,320

the moon calendar

2836

01:46:46,870 --> 01:46:40,470

all right

2837

01:46:49,669 --> 01:46:48,550

november

2838

01:46:51,590 --> 01:46:49,679

um

2839

01:46:53,350 --> 01:46:51,600

i hate this moon calendar

2840

01:46:56,310 --> 01:46:53,360

what do we what do we want the new moon

2841

01:46:58,950 --> 01:46:56,320

or naw we want no moon yeah so the new

2842

01:47:01,189 --> 01:46:58,960

moon new moon okay yeah so that is

2843

01:47:04,390 --> 01:47:01,199

october 25th which is great that's like

2844

01:47:10,870 --> 01:47:06,149

october 25th

2845

01:47:13,430 --> 01:47:11,730

november

2846

01:47:16,310 --> 01:47:13,440

[Music]

2847

01:47:19,590 --> 01:47:16,320

uh october 25th

2848

01:47:21,990 --> 01:47:19,600

yeah october 25th or november 23rd let's

2849

01:47:24,310 --> 01:47:22,000

do that let's just change it you should

2850

01:47:27,669 --> 01:47:24,320

we should we make it further away and

2851

01:47:33,109 --> 01:47:29,669

i don't know

2852

01:47:34,629 --> 01:47:33,119

just talking about how fast it's gonna

2853

01:47:38,070 --> 01:47:34,639

run up on us

2854

01:47:41,270 --> 01:47:39,270

hold on

2855

01:47:43,830 --> 01:47:41,280

fourth and sixth

2856

01:47:43,840 --> 01:47:47,189

fourth

2857

01:47:51,750 --> 01:47:48,950

yeah it's gonna be close to a full moon

2858

01:47:53,030 --> 01:47:51,760

dude well we probably can't change it

2859

01:47:55,430 --> 01:47:53,040

because big willie and they probably

2860

01:47:56,709 --> 01:47:55,440

already have like their their plans and

2861

01:47:59,590 --> 01:47:56,719

stuff right

2862

01:48:01,590 --> 01:47:59,600

they've already taken off work oh yeah

2863

01:48:03,430 --> 01:48:01,600

mr crowley can't change his vacations

2864

01:48:04,629 --> 01:48:03,440

he's like laughing he's like god damn it

2865

01:48:06,470 --> 01:48:04,639

guys

2866

01:48:08,470 --> 01:48:06,480

he did he didn't have to like kind of

2867

01:48:09,510 --> 01:48:08,480

bend over backwards for us to go he was

2868

01:48:11,590 --> 01:48:09,520

like i gotta

2869

01:48:15,669 --> 01:48:11,600

i changed some shifts with a guy i

2870

01:48:18,950 --> 01:48:17,669

i [h__h] love you dude i'm so stoked

2871

01:48:24,229 --> 01:48:18,960

2872

01:48:27,830 --> 01:48:26,390

this fly that's in here is about to get

2873

01:48:30,310 --> 01:48:27,840

he's moving in like you're gonna have to

2874

01:48:32,629 --> 01:48:30,320

pay rent dude you gotta get a job

2875

01:48:35,669 --> 01:48:32,639

2876

01:48:37,030 --> 01:48:35,679

2877

01:48:39,990 --> 01:48:37,040

2878

01:48:42,390 --> 01:48:40,000

time you kill a fly two more show up

2879

01:48:47,270 --> 01:48:42,400

2880

01:48:52,550 --> 01:48:49,510

yeah you kill one flying two show up man

2881

01:48:55,270 --> 01:48:52,560

2885

01:49:05,109 --> 01:49:02,080

2886

01:49:07,189 --> 01:49:05,119

fun

2890

01:49:16,229 --> 01:49:11,840

the garage

2891

01:49:17,990 --> 01:49:16,239

2907

01:50:00,870 --> 01:49:59,119

it makes you feel better i'll smoke them

2908

01:50:04,390 --> 01:50:00,880

hey you know what we could do it like

2909

01:50:06,310 --> 01:50:04,400

the night before or the day before

2910

01:50:08,149 --> 01:50:06,320

and just bring it with us i'll stay up

2911

01:50:09,990 --> 01:50:08,159

with you yeah dude

2912

01:50:11,830 --> 01:50:10,000

absolutely so it's like ready and we

2913

01:50:14,310 --> 01:50:11,840

could just heat it up on on the grill or

2914

01:50:16,390 --> 01:50:14,320

something how far of a drive is that

2915

01:50:17,510 --> 01:50:16,400

it's like 45 minutes from us

2916

01:50:18,629 --> 01:50:17,520

from from

2917

01:50:21,030 --> 01:50:18,639

austin

2918

01:50:24,550 --> 01:50:21,040

it's not yeah that's not too bad like

2919

01:50:25,750 --> 01:50:24,560

maybe like an hour hour 15.

2920

01:50:27,430 --> 01:50:25,760

so we could put we could like heat it up

2921

01:50:30,629 --> 01:50:27,440

put it in a cooler

2922

01:50:32,470 --> 01:50:30,639

yeah i got a cooler okay

2923

01:50:34,870 --> 01:50:32,480

uh we're gonna do a movie screening uh

2924

01:50:36,470 --> 01:50:34,880

hopefully by then uh by november we're

2925

01:50:39,109 --> 01:50:36,480

gonna have a pretty good cut of the

2926

01:50:40,870 --> 01:50:39,119

documentary we'll be watching uh mac and

2927

01:50:45,589 --> 01:50:40,880

me

2928

01:50:47,589 --> 01:50:45,599

uh so yeah hopefully we'll have a good

2929

01:50:49,109 --> 01:50:47,599

cut of the the documentary by then it's

2930

01:50:50,790 --> 01:50:49,119

the documentary we've been working on

2931

01:50:53,350 --> 01:50:50,800

for two years

2932

01:50:54,870 --> 01:50:53,360

you'll get like the the

2933

01:50:57,350 --> 01:50:54,880

if you guys want to come out and see see

2934

01:50:59,510 --> 01:50:57,360

what we're working on that'd be cool uh

2935

01:51:01,109 --> 01:50:59,520

spooky ghost

2936

01:51:02,149 --> 01:51:01,119

and abduction stories everybody's got

2937

01:51:04,390 --> 01:51:02,159

one right

2938

01:51:06,790 --> 01:51:04,400

i just we picture like like we're all

2939

01:51:08,629 --> 01:51:06,800

sitting around the campfire you know

2940

01:51:11,109 --> 01:51:08,639

naked

2941

01:51:13,109 --> 01:51:11,119

are you afraid of the dog

2942

01:51:14,629 --> 01:51:13,119

can we throw a sand you've got the sand

2943

01:51:17,589 --> 01:51:14,639

that like turns the flames blue and

2944

01:51:19,990 --> 01:51:17,599

green and [h__h] yes be so cool welcome to

2945

01:51:22,790 --> 01:51:20,000

the midnight society

2946

01:51:22,800 --> 01:51:27,109

uh doggos bring your doggos

2947

01:51:34,310 --> 01:51:29,430

it's dog friendly leaving him at home

2948

01:51:36,310 --> 01:51:34,320

you can bring molly but uh well molly is

2949

01:51:39,189 --> 01:51:36,320

he's on vacation molly's just been

2950

01:51:40,870 --> 01:51:39,199

napping the whole time

2951

01:51:43,109 --> 01:51:40,880

uh and

2952

01:51:45,589 --> 01:51:43,119

just uh i thought this would be fun to

2953

01:51:47,750 --> 01:51:45,599

do a ufo history scavenger hunt so we

2954

01:51:50,550 --> 01:51:47,760

would do like a scavenger hunt and

2955

01:51:52,390 --> 01:51:50,560

all the clues would be like ufo history

2956

01:51:56,149 --> 01:51:52,400

it's a work in progress we'll

2957

01:52:00,470 --> 01:51:58,070

it's like it's like

2958

01:52:02,629 --> 01:52:00,480

and i hate for us to be like at noon

2959

01:52:04,310 --> 01:52:02,639

like sitting around a campfire like

2960

01:52:07,030 --> 01:52:04,320

all right it's [h__h] hot like what are

2961

01:52:09,270 --> 01:52:07,040

we doing like let's do something it'd be

2962

01:52:11,350 --> 01:52:09,280

dope if when we get there we go around

2963

01:52:12,950 --> 01:52:11,360

and we find locals that are staying at

2964

01:52:16,149 --> 01:52:12,960

the campsites and we have like little

2965

01:52:17,990 --> 01:52:16,159

costumes and we pick like five people

2966

01:52:19,510 --> 01:52:18,000

and then we like dress them up in

2967

01:52:20,870 --> 01:52:19,520

costumes but they're still just hanging

2968

01:52:23,430 --> 01:52:20,880

around their campsite we have to send

2969

01:52:25,189 --> 01:52:23,440

people around to go find like go find

2970

01:52:27,030 --> 01:52:25,199

jaylen heineck and you gotta walk around

2971

01:52:28,950 --> 01:52:27,040

people's campsites and find that person

2972

01:52:31,109 --> 01:52:28,960

that we set up that we don't even know

2973

01:52:33,510 --> 01:52:31,119

to like put on a little costume he's got

2974

01:52:34,950 --> 01:52:33,520

glasses like a mustache like a lab coat

2975

01:52:40,709 --> 01:52:34,960

on

2976

01:52:42,709 --> 01:52:40,719

mustache oh yeah

2977

01:52:44,790 --> 01:52:42,719

i love that idea yeah that'd be sick

2978

01:52:46,470 --> 01:52:44,800

it'd be pretty dope

2979

01:52:48,149 --> 01:52:46,480

mystic quarret

2980

01:52:49,990 --> 01:52:48,159

so that's where it is dude it's mystical

2981

01:52:51,030 --> 01:52:50,000

look you could see the freaking milky

2982

01:52:56,709 --> 01:52:51,040

ways

2983

01:53:00,310 --> 01:52:56,719

it mooney whenever you guys went out

2984

01:53:03,589 --> 01:53:00,320

there no uh it was not uh so we saw

2985

01:53:05,109 --> 01:53:03,599

every [h__\h] star yeah it was so

2986

01:53:06,870 --> 01:53:05,119

awesome it's gonna be a little moony

2987

01:53:08,950 --> 01:53:06,880

when we're out there so

2988

01:53:10,229 --> 01:53:08,960

well

2989

01:53:12,709 --> 01:53:10,239

it doesn't matter you can still see

2990

01:53:15,030 --> 01:53:12,719

stars yeah you can still see stars yeah

2991

01:53:16,390 --> 01:53:15,040

plus uh mr crowley can't change it

2992

01:53:19,189 --> 01:53:16,400

anyways

2993

01:53:21,350 --> 01:53:19,199

i tell you what mr crowley um

2994

01:53:23,510 --> 01:53:21,360

2995

01:53:25,109 --> 01:53:23,520

and then we'll we'll show up on the 23rd

2996

01:53:27,910 --> 01:53:25,119

but you let us know

2997

01:53:30,390 --> 01:53:27,920

how it is to make the experience better

2998

01:53:33,750 --> 01:53:32,390

i just [h__\h] with you got it you got

2999

01:53:34,550 --> 01:53:33,760

it

3000

01:53:37,589 --> 01:53:34,560

uh

3001

01:53:38,550 --> 01:53:37,599

miss crowley love you brother

3002

01:53:40,470 --> 01:53:38,560

uh

3003

01:53:43,510 --> 01:53:40,480

hey dude

3004

01:53:45,589 --> 01:53:43,520

it's that it's that time it is i wish i

3005

01:53:46,950 --> 01:53:45,599

could play the outro music but um is it

3006

01:53:53,030 --> 01:53:46,960

broken

3007

01:53:54,950 --> 01:53:53,040

wasn't meant to be today

3008

01:53:58,860 --> 01:53:54,960

well if i okay let me i'll try it one

3009

01:54:02,870 --> 01:54:00,790

[Music]

3010

01:54:05,189 --> 01:54:02,880

can you hear that yeah

3011

01:54:16,310 --> 01:54:05,199

it sounded a little better i think maybe

3012

01:54:16,320 --> 01:54:20,830

[Music]

3013

01:54:25,350 --> 01:54:23,270

um hell yeah

3014

01:54:27,830 --> 01:54:25,360

this is fun i don't like it it doesn't

3015

01:54:29,910 --> 01:54:27,840

have any bass in it

3016

01:54:31,910 --> 01:54:29,920

and these bass

3017

01:54:34,870 --> 01:54:31,920

i i i think it needs to be everything

3018

01:54:37,750 --> 01:54:34,880

needs bass dude yeah you know a lot of

3019

01:54:39,430 --> 01:54:37,760

people don't know that

3020

01:54:40,950 --> 01:54:39,440

you move to the base that's you know

3021

01:54:43,109 --> 01:54:40,960

that's what you do

3022

01:54:47,109 --> 01:54:43,119

you don't move to the drums dude you you

3023

01:54:50,229 --> 01:54:48,790

hell yeah man

3024

01:54:52,229 --> 01:54:50,239

[Music]

3025

01:54:53,990 --> 01:54:52,239

no alabama

3026

01:54:56,709 --> 01:54:54,000

alabama time we did not roll tide

3027

01:54:58,070 --> 01:54:56,719

[Music]

3028

01:54:59,990 --> 01:54:58,080

i get i guess you're allowed to roll

3029

01:55:08,330 --> 01:55:00,000

tide that's okay i think i'm gonna roll

3030

01:55:11,430 --> 01:55:10,229

[Music]

3031

01:55:13,270 --> 01:55:11,440

he doesn't even know what he's talking

3032

01:55:15,910 --> 01:55:13,280

about and sports

3033

01:55:17,030 --> 01:55:15,920

score let's go we gotta score more

3034

01:55:20,310 --> 01:55:17,040

this guy

3035

01:55:22,790 --> 01:55:20,320

hold on to that ball so hard

3036

01:55:24,550 --> 01:55:22,800

i'm gonna run it he's wrong

3037

01:55:28,709 --> 01:55:24,560

run it in there

3038

01:55:33,830 --> 01:55:29,750

all right

3039

01:55:35,589 --> 01:55:33,840

dude

3040

01:55:36,950 --> 01:55:35,599

yeah

3041

01:55:40,970 --> 01:55:36,960

this is awkward

3042

01:55:47,990 --> 01:55:46,470

[Music]

3043

01:55:50,770 --> 01:55:48,000

oh

3044

01:56:00,070 --> 01:55:50,780

[Applause]

3045

01:56:03,090 --> 01:56:03,080

uh
