00:00:05,460 --> 00:00:03,570
okay

3
00:00:11,630 --> 00:00:05,470
[Music]

4
00:00:28,780 --> 00:00:14,420
[Applause]

5
00:00:31,750 --> 00:00:30,070
[Music]

6
00:00:35,190 --> 00:00:31,760
hey

7
00:00:37,350 --> 00:00:35,200
this is another episode of ufo garage

8
00:00:40,470 --> 00:00:37,360
i'm ben i'm joe and this is where we're

9
00:00:44,110 --> 00:00:40,480
talking about ufos aliens and all things

10
00:00:56,150 --> 00:00:51,570
[Music]

11
00:01:02,709 --> 00:00:59,270
i see that you like aliens i like aliens

12
00:01:04,869 --> 00:01:02,719
too i like aliens too

13
00:01:06,870 --> 00:01:04,879

hell yeah man what's up dude

14

00:01:08,469 --> 00:01:06,880

dude nothing much man i'm glad to be

15

00:01:14,469 --> 00:01:08,479

live

16

00:01:16,469 --> 00:01:14,479

uh almost

17

00:01:19,270 --> 00:01:16,479

almost missed the entire weekend this

18

00:01:21,109 --> 00:01:19,280

past weekend at the uh spaced out radio

19

00:01:22,230 --> 00:01:21,119

vegas party

20

00:01:23,109 --> 00:01:22,240

uh

21

00:01:26,950 --> 00:01:23,119

that was

22

00:01:28,550 --> 00:01:26,960

show uh yeah i think that's the the

23

00:01:31,510 --> 00:01:28,560

understatement of the weekend it was

24

00:01:35,190 --> 00:01:31,520

definitely a [h__\h] show yeah i loved it

25

00:01:37,109 --> 00:01:35,200

uh we get there uh friday uh jamie and

26

00:01:38,550 --> 00:01:37,119

brief from that one time i was abducted

27

00:01:39,670 --> 00:01:38,560

by aliens they picked us up from there

28

00:01:41,030 --> 00:01:39,680

so sweet they picked us up from the

29

00:01:43,670 --> 00:01:41,040

airport

30

00:01:46,950 --> 00:01:43,680

drove us in had a couple drinks

31

00:01:49,910 --> 00:01:46,960

with the crew met up with dave and sunny

32

00:01:51,910 --> 00:01:49,920

and then i got food poisoning

33

00:01:53,190 --> 00:01:51,920

and then i pooped my pants and threw up

34

00:01:54,870 --> 00:01:53,200

for the next

35

00:01:56,469 --> 00:01:54,880

10 hours and spent the night in the

36

00:01:59,109 --> 00:01:56,479

hospital

37

00:02:00,469 --> 00:01:59,119

dude that was insane you were like you

38

00:02:03,270 --> 00:02:00,479

were like woo hoo

39

00:02:05,429 --> 00:02:03,280

and then you were like oh

40

00:02:07,190 --> 00:02:05,439

yeah i [\h__\h] my pants in the casino like

41

00:02:09,749 --> 00:02:07,200

on my way to the bathroom my [\h__\h] my

42

00:02:10,949 --> 00:02:09,759

pants

43

00:02:12,550 --> 00:02:10,959

i did

44

00:02:13,990 --> 00:02:12,560

dude you know the good thing about that

45

00:02:15,510 --> 00:02:14,000

though dude is that you had more than

46

00:02:17,589 --> 00:02:15,520

one pair of pants you know it would have

47

00:02:20,150 --> 00:02:17,599

been a way bigger issue

48

00:02:22,229 --> 00:02:20,160

had you not had uh you know that other

49

00:02:24,869 --> 00:02:22,239

pair of pants so i know you know it it

50

00:02:26,790 --> 00:02:24,879

worked out it worked and and we both had

51
00:02:29,110 --> 00:02:26,800
like real shitty sinuses so none of us

52
00:02:31,110 --> 00:02:29,120
could smell anything anyways so it

53
00:02:33,589 --> 00:02:31,120
worked out that worked out for the best

54
00:02:35,589 --> 00:02:33,599
you know i came out of the bathroom and

55
00:02:37,509 --> 00:02:35,599
in the casino bathroom and and all you

56
00:02:38,390 --> 00:02:37,519
guys are standing like at the exit i'm

57
00:02:41,670 --> 00:02:38,400
like

58
00:02:43,670 --> 00:02:41,680
i gotta i'm gonna go upstairs

59
00:02:45,990 --> 00:02:43,680
i'll see you later

60
00:02:48,229 --> 00:02:46,000
yeah dude that's uh that's a good thing

61
00:02:50,390 --> 00:02:48,239
that they smoke in those casinos man

62
00:02:52,790 --> 00:02:50,400
hell yeah a little bit of a recap dude a

63
00:02:54,150 --> 00:02:52,800

little bit of a recap

64

00:02:55,750 --> 00:02:54,160

we have we have some

65

00:02:58,149 --> 00:02:55,760

some other buddies that uh want to chime

66

00:03:00,949 --> 00:02:58,159

in uh sunny

67

00:03:03,110 --> 00:03:00,959

hey what's up guys

68

00:03:04,790 --> 00:03:03,120

man

69

00:03:06,070 --> 00:03:04,800

i don't know what those guys are doing i

70

00:03:10,149 --> 00:03:06,080

never know what they're doing back there

71

00:03:13,430 --> 00:03:11,670

did you did you smell when i when i put

72

00:03:14,149 --> 00:03:13,440

my pants did you smell it

73

00:03:16,470 --> 00:03:14,159

no

74

00:03:18,949 --> 00:03:16,480

i think it was i might have been upwind

75

00:03:21,110 --> 00:03:18,959

okay

76

00:03:23,670 --> 00:03:21,120

you didn't look good didn't look good i

77

00:03:25,990 --> 00:03:23,680

was worried it was terrible uh

78

00:03:27,990 --> 00:03:26,000

uh brie uh then lizzie borden's actually

79

00:03:29,589 --> 00:03:28,000

in the in the the chat uh she she sent

80

00:03:31,110 --> 00:03:29,599

me an awesome care package she sent me

81

00:03:34,070 --> 00:03:31,120

some some sprites

82

00:03:37,190 --> 00:03:34,080

hell yeah little snacks some vicks some

83

00:03:39,509 --> 00:03:37,200

fixed vapor rub from my belly my tum tum

84

00:03:40,710 --> 00:03:39,519

that's what's up dude that was cool

85

00:03:42,390 --> 00:03:40,720

yeah

86

00:03:44,470 --> 00:03:42,400

by the by the uh by the end of the week

87

00:03:46,869 --> 00:03:44,480

bro you had so much [h__h] just piled up

88

00:03:48,869 --> 00:03:46,879

by the door like food wise like you were

89

00:03:52,149 --> 00:03:48,879

like i can't eat it i'm so sick and

90

00:03:55,190 --> 00:03:52,159

there was like a mountain of food like

91

00:03:58,070 --> 00:03:55,200

yes awesome dude it was awesome

92

00:03:59,190 --> 00:03:58,080

oh dude sonny i can't believe we got to

93

00:04:01,270 --> 00:03:59,200

meet you in

94

00:04:02,869 --> 00:04:01,280

in person dude that was me i know that

95

00:04:04,229 --> 00:04:02,879

was cool right

96

00:04:07,270 --> 00:04:04,239

i was like i reckon that he looks

97

00:04:08,790 --> 00:04:07,280

exactly like i guess it makes sense yeah

98

00:04:10,710 --> 00:04:08,800

you look exactly like you do on tv

99

00:04:12,229 --> 00:04:10,720

[Laughter]

100

00:04:14,309 --> 00:04:12,239

yeah i do

101

00:04:16,870 --> 00:04:14,319

that happens you guys too man hey

102

00:04:18,710 --> 00:04:16,880

everyone is listening joe and ben are

103

00:04:21,030 --> 00:04:18,720

the two nicest guys you're ever going to

104

00:04:23,350 --> 00:04:21,040

meet if this is that part's not an act

105

00:04:24,310 --> 00:04:23,360

at all these guys

106

00:04:25,830 --> 00:04:24,320

these

107

00:04:27,590 --> 00:04:25,840

they're not yeah

108

00:04:30,870 --> 00:04:27,600

you're the nicest people

109

00:04:32,950 --> 00:04:30,880

oh bubba yeah thanks dude

110

00:04:34,710 --> 00:04:32,960

the best time

111

00:04:36,790 --> 00:04:34,720

it was fun dude that was the funnest

112

00:04:39,510 --> 00:04:36,800

thing i've done in a while it was a lot

113

00:04:42,390 --> 00:04:39,520

of fun man it was a lot of fun dude i

114

00:04:43,670 --> 00:04:42,400

you know like it was crazy because like

115

00:04:46,710 --> 00:04:43,680

i didn't know

116

00:04:49,110 --> 00:04:46,720

what to do without my sidekick and i got

117

00:04:51,270 --> 00:04:49,120

into a lot of awkward situations by

118

00:04:53,270 --> 00:04:51,280

myself that usually i can pawn off on my

119

00:04:55,189 --> 00:04:53,280

sidekick for a couple seconds and then

120

00:04:58,150 --> 00:04:55,199

we work through it together and it was

121

00:05:00,469 --> 00:04:58,160

just it was it was it was strange but it

122

00:05:01,909 --> 00:05:00,479

was like it was like

123

00:05:03,510 --> 00:05:01,919

venturing out into the world like a

124

00:05:05,590 --> 00:05:03,520

little bird you know

125

00:05:07,029 --> 00:05:05,600

and like learning my way around without

126

00:05:09,029 --> 00:05:07,039

my buddy

127

00:05:11,110 --> 00:05:09,039

it was crazy dude it was crazy and then

128

00:05:12,950 --> 00:05:11,120

like having to set up computer equipment

129

00:05:15,350 --> 00:05:12,960

i was all stressed i was sweating the

130

00:05:17,510 --> 00:05:15,360

entire time i sweated all weekend bro

131

00:05:18,710 --> 00:05:17,520

dude i was so nervous

132

00:05:20,870 --> 00:05:18,720

and you did it

133

00:05:22,790 --> 00:05:20,880

i tried i tried to help joe i went and

134

00:05:25,270 --> 00:05:22,800

got a speaker came back all done he had

135

00:05:27,270 --> 00:05:25,280

it all ready to go oh [h__h] hell yeah

136

00:05:29,670 --> 00:05:27,280

like damn he's fast

137

00:05:31,830 --> 00:05:29,680

that is awesome i'm so proud i'm so

138

00:05:33,189 --> 00:05:31,840

thrilled thanks dude thanks dude

139

00:05:35,110 --> 00:05:33,199

sometimes when i put it under pressure i

140

00:05:37,430 --> 00:05:35,120

perform really well you know unless it's

141

00:05:39,830 --> 00:05:37,440

sexual and then and then it's

142

00:05:41,029 --> 00:05:39,840

and then not

143

00:05:43,830 --> 00:05:41,039

you can prefer

144

00:05:44,150 --> 00:05:43,840

i prefer no pressure sexual situations

145

00:05:46,629 --> 00:05:44,160

you know

146

00:05:50,469 --> 00:05:46,639

[Laughter]

147

00:05:53,270 --> 00:05:50,479

oh hey i saved i saved a story just for

148

00:05:55,830 --> 00:05:53,280

your show oh i haven't i haven't really

149

00:05:57,909 --> 00:05:55,840

told spooky or chad i did i till i did

150

00:06:01,270 --> 00:05:57,919

tell brie oh my god then lizzy i told

151
00:06:04,469 --> 00:06:01,280
her yeah okay on the way home uh-huh

152
00:06:07,270 --> 00:06:04,479
we're going through the desert and

153
00:06:08,070 --> 00:06:07,280
this jeep pulls up next to us

154
00:06:16,469 --> 00:06:08,080
and

155
00:06:17,990 --> 00:06:16,479
back of the car

156
00:06:20,150 --> 00:06:18,000
and we're thinking dude this jeep is

157
00:06:22,150 --> 00:06:20,160
badass you know we're just looking at

158
00:06:23,909 --> 00:06:22,160
the jeep but we wave to the guy we can't

159
00:06:26,070 --> 00:06:23,919
we'll wave to the person you can't see

160
00:06:27,909 --> 00:06:26,080
because there's ten there's ten windows

161
00:06:30,469 --> 00:06:27,919
so he we're in the middle lane as a

162
00:06:31,510 --> 00:06:30,479
three-lane road going through the desert

163
00:06:35,670 --> 00:06:31,520

and

164

00:06:37,430 --> 00:06:35,680

then goes around her in the fast lane

165

00:06:39,270 --> 00:06:37,440

and speeds up again

166

00:06:40,950 --> 00:06:39,280

this time he's going like the same speed

167

00:06:43,350 --> 00:06:40,960

as us just barely passing us but when he

168

00:06:44,309 --> 00:06:43,360

gets when he gets even with the front of

169

00:06:47,350 --> 00:06:44,319

our car

170

00:06:49,830 --> 00:06:47,360

he's got these big huge bright kc lights

171

00:06:51,270 --> 00:06:49,840

on the back of his truck he flips him on

172

00:06:52,790 --> 00:06:51,280

and cuts in front of the deanna and

173

00:06:56,309 --> 00:06:52,800

slammed on the brakes

174

00:06:58,150 --> 00:06:56,319

what was this at night

175

00:06:59,510 --> 00:06:58,160

huh

176
00:07:03,189 --> 00:06:59,520
at night

177
00:07:05,189 --> 00:07:03,199
of the desert bro

178
00:07:06,790 --> 00:07:05,199
she swerved

179
00:07:08,070 --> 00:07:06,800
man you want me to tell a little story

180
00:07:09,909 --> 00:07:08,080
yeah

181
00:07:11,189 --> 00:07:09,919
she swerved to go around him because we

182
00:07:12,710 --> 00:07:11,199
couldn't so we're going to hit him you

183
00:07:14,550 --> 00:07:12,720
can't see the brake lights you can't see

184
00:07:16,710 --> 00:07:14,560
his license plate you can't see anything

185
00:07:18,390 --> 00:07:16,720
and he's got him in the front too so she

186
00:07:19,990 --> 00:07:18,400
swerves to go around him so we don't hit

187
00:07:21,830 --> 00:07:20,000
him and he starts running us off the

188
00:07:25,189 --> 00:07:21,840

road like

189

00:07:27,110 --> 00:07:25,199

i panicked and i opened the glove box i

190

00:07:28,710 --> 00:07:27,120

grabbed my gun and he seen me pull the

191

00:07:31,510 --> 00:07:28,720

gun out of the glove box and he slammed

192

00:07:32,550 --> 00:07:31,520

on the brakes and just followed us for

193

00:07:34,070 --> 00:07:32,560

probably

194

00:07:35,670 --> 00:07:34,080

50 miles

195

00:07:37,749 --> 00:07:35,680

what

196

00:07:40,070 --> 00:07:37,759

he he could not keep up i just told

197

00:07:42,390 --> 00:07:40,080

diana that's it his jeep won't go that

198

00:07:44,550 --> 00:07:42,400

fast just kick it up to like 105 for 10

199

00:07:48,070 --> 00:07:44,560

minutes and then yeah

200

00:07:50,950 --> 00:07:48,080

then i seen him as we were speeding away

201
00:07:52,629 --> 00:07:50,960
he almost caused another wreck so i

202
00:07:54,309 --> 00:07:52,639
don't know if he was then i was like

203
00:07:55,830 --> 00:07:54,319
holy [\h__\h] maybe he's not drunk i think

204
00:07:57,110 --> 00:07:55,840
he was trying to rob us because where he

205
00:07:58,869 --> 00:07:57,120
did it

206
00:08:00,550 --> 00:07:58,879
i couldn't call it cops or nothing there

207
00:08:03,749 --> 00:08:00,560
was no phone signal

208
00:08:05,189 --> 00:08:03,759
oh [\h__\h] bro oh [\h__\h]

209
00:08:06,950 --> 00:08:05,199
he was trying

210
00:08:09,270 --> 00:08:06,960
he's definitely trying to rob you

211
00:08:12,230 --> 00:08:09,280
my nephew luckily is a cop the ones in

212
00:08:13,589 --> 00:08:12,240
the backseat

213
00:08:15,110 --> 00:08:13,599

i don't think he realized what he was

214

00:08:16,710 --> 00:08:15,120

doing

215

00:08:18,710 --> 00:08:16,720

but with those tasty lights we couldn't

216

00:08:20,309 --> 00:08:18,720

see [h__h] dude yeah

217

00:08:22,869 --> 00:08:20,319

we can't see his plates at all because

218

00:08:26,790 --> 00:08:22,879

they're right where the plate goes is so

219

00:08:29,430 --> 00:08:26,800

bright that is some wild wild west type

220

00:08:31,510 --> 00:08:29,440

it was wild wild west in the desert dude

221

00:08:33,190 --> 00:08:31,520

instead of horses we were he was using a

222

00:08:35,190 --> 00:08:33,200

truck he was using a jeep

223

00:08:37,750 --> 00:08:35,200

oh that's why that's why it's important

224

00:08:42,310 --> 00:08:37,760

to always keep that thing on you man

225

00:08:46,550 --> 00:08:44,710

that was the first time

226

00:08:48,310 --> 00:08:46,560

i've had to use my concealed weapons

227

00:08:50,949 --> 00:08:48,320

permit because someone was trying to

228

00:08:53,269 --> 00:08:50,959

kill me that that yeah dude he was

229

00:08:55,910 --> 00:08:53,279

terrifying my wife was driving dude that

230

00:08:58,550 --> 00:08:56,949

[h__\h]

231

00:09:00,470 --> 00:08:58,560

yeah the good thing about a jeep is that

232

00:09:02,550 --> 00:09:00,480

if you if you run it fast for longer

233

00:09:03,509 --> 00:09:02,560

than five minutes it's going to overheat

234

00:09:05,670 --> 00:09:03,519

you know

235

00:09:07,430 --> 00:09:05,680

yeah that's our solar so just kick it up

236

00:09:08,870 --> 00:09:07,440

there and he won't be able to keep up

237

00:09:10,070 --> 00:09:08,880

well actually i told her pull over and

238

00:09:13,110 --> 00:09:10,080

she said

239

00:09:16,630 --> 00:09:13,120

i was like just pull up it stops

240

00:09:18,389 --> 00:09:16,640

holy crap dude that's insane it's like a

241

00:09:20,389 --> 00:09:18,399

like the jeeps are well i guess i'm

242

00:09:22,389 --> 00:09:20,399

guessing it was like a wrangler type

243

00:09:24,949 --> 00:09:22,399

no it's a [h__\h] four-door ruby dude it

244

00:09:28,150 --> 00:09:24,959

was so badass it was orange four-door

245

00:09:30,790 --> 00:09:28,160

rubicon and the oh the tinting on the

246

00:09:33,030 --> 00:09:30,800

back windows was the american flag in

247

00:09:34,949 --> 00:09:33,040

orange that was the tent

248

00:09:36,630 --> 00:09:34,959

like all the way around the back windows

249

00:09:38,710 --> 00:09:36,640

and then the side windows were tinted in

250

00:09:40,389 --> 00:09:38,720

chrome in the front you couldn't see in

251
00:09:41,990 --> 00:09:40,399
there i don't know how many people were

252
00:09:43,670 --> 00:09:42,000
in there

253
00:09:46,710 --> 00:09:43,680
holy crap that is a good thing you

254
00:09:47,829 --> 00:09:46,720
didn't have to find out i know dude it's

255
00:09:51,350 --> 00:09:47,839
just scary

256
00:09:57,430 --> 00:09:52,630
when i got here and i told him what

257
00:10:01,750 --> 00:09:59,829
did jim end up coming in

258
00:10:02,870 --> 00:10:01,760
yeah he didn't you know he stayed till

259
00:10:05,350 --> 00:10:02,880
tuesday

260
00:10:07,590 --> 00:10:05,360
then he was gonna come back again he

261
00:10:09,110 --> 00:10:07,600
didn't go to bob's he couldn't go to

262
00:10:10,949 --> 00:10:09,120
bob's uh yeah

263
00:10:13,030 --> 00:10:10,959

he couldn't get through with the snow oh

264

00:10:14,790 --> 00:10:13,040

[\h__\h] so he was gonna come back and then

265

00:10:18,790 --> 00:10:14,800

he didn't and man i'm glad he didn't

266

00:10:21,350 --> 00:10:18,800

because i got sick so oh no yeah yeah

267

00:10:24,069 --> 00:10:21,360

damn that's crazy so you you tested a

268

00:10:25,350 --> 00:10:24,079

positive for the the rhona twice is that

269

00:10:27,350 --> 00:10:25,360

what we're

270

00:10:29,430 --> 00:10:27,360

dude oh my god

271

00:10:31,670 --> 00:10:29,440

so it's for sure you got it

272

00:10:33,750 --> 00:10:31,680

20 minutes ago

273

00:10:35,829 --> 00:10:33,760

well enjoy the enjoy i feel i feel like

274

00:10:37,750 --> 00:10:35,839

you feel pretty good right now enjoy it

275

00:10:41,030 --> 00:10:37,760

while it lasts you've got to get knocked

276

00:10:43,350 --> 00:10:41,040

on your butt i'll be fine i'll be fine

277

00:10:45,350 --> 00:10:43,360

yeah sonny you you come across as the

278

00:10:46,870 --> 00:10:45,360

kind of guy that's like uh that's going

279

00:10:48,710 --> 00:10:46,880

to be okay through this whole thing you

280

00:10:51,030 --> 00:10:48,720

know

281

00:10:53,350 --> 00:10:51,040

yeah you're okay guys that's what's up

282

00:10:54,550 --> 00:10:53,360

dude that's what's up yeah so dude i

283

00:10:56,790 --> 00:10:54,560

mean

284

00:11:00,550 --> 00:10:56,800

vegas was crazy man it was uh it was it

285

00:11:02,630 --> 00:11:00,560

was a crazy uh crazy few days yeah i'm

286

00:11:05,509 --> 00:11:02,640

so glad you didn't get robbed but

287

00:11:08,630 --> 00:11:05,519

i'm glad i didn't get killed i did that

288

00:11:10,310 --> 00:11:08,640

yeah that too hell yeah dude

289

00:11:12,230 --> 00:11:10,320

damn i

290

00:11:13,590 --> 00:11:12,240

did i had so much fun with y'all man

291

00:11:15,190 --> 00:11:13,600

like it was

292

00:11:17,030 --> 00:11:15,200

just on the little amount of time and

293

00:11:19,430 --> 00:11:17,040

just the stories like joe would come

294

00:11:21,590 --> 00:11:19,440

come back in the hotel room and i'd just

295

00:11:23,269 --> 00:11:21,600

be wait i was like asleep for most of

296

00:11:25,030 --> 00:11:23,279

the weekend dude like it was just me

297

00:11:26,710 --> 00:11:25,040

sleeping and then joe would come in

298

00:11:30,230 --> 00:11:26,720

all amped up and like bro i'm gonna tell

299

00:11:34,630 --> 00:11:32,389

i was hearing it like third like for

300

00:11:36,630 --> 00:11:34,640

like third hand and uh

301

00:11:39,750 --> 00:11:36,640

and it sounded like uh

302

00:11:43,190 --> 00:11:41,509

i was so impressed joe you kept going up

303

00:11:45,190 --> 00:11:43,200

there and checking on him he was

304

00:11:47,509 --> 00:11:45,200

literally leaving hell yeah i got to go

305

00:11:49,670 --> 00:11:47,519

check on ben and then he would be gone i

306

00:11:51,509 --> 00:11:49,680

was like man what a good friend dude at

307

00:11:53,030 --> 00:11:51,519

least at least every hour and a half

308

00:11:53,990 --> 00:11:53,040

dude you gotta you gotta hop up there

309

00:11:57,430 --> 00:11:54,000

you know

310

00:11:59,670 --> 00:11:57,440

so hell yeah

311

00:12:02,550 --> 00:11:59,680

so yeah did you did you hear about that

312

00:12:04,470 --> 00:12:02,560

um when the ambulance people that ems

313

00:12:06,949 --> 00:12:04,480

came and picked me up and hauled me out

314

00:12:08,629 --> 00:12:06,959

into the hallway uh joe followed them

315

00:12:10,949 --> 00:12:08,639

barefoot and was like i don't know what

316

00:12:12,710 --> 00:12:10,959

to do now and they're like i guess just

317

00:12:14,870 --> 00:12:12,720

hang out here we're we'll be you can't

318

00:12:16,790 --> 00:12:14,880

go with us and he was like oh

319

00:12:18,389 --> 00:12:16,800

okay and then

320

00:12:20,629 --> 00:12:18,399

he turned around and the door was locked

321

00:12:22,470 --> 00:12:20,639

to the hotel room

322

00:12:26,949 --> 00:12:22,480

that he couldn't get back in

323

00:12:28,790 --> 00:12:26,959

yeah yeah it was crazy man it was crazy

324

00:12:30,949 --> 00:12:28,800

yep i was locked out i would have

325

00:12:31,910 --> 00:12:30,959

followed him out and then they were like

326

00:12:33,990 --> 00:12:31,920

uh

327

00:12:34,870 --> 00:12:34,000

hey you don't have shoes on i was like i

328

00:12:36,310 --> 00:12:34,880

know

329

00:12:37,509 --> 00:12:36,320

they were like well you just hang out

330

00:12:39,030 --> 00:12:37,519

here

331

00:12:40,949 --> 00:12:39,040

i turned around was like oh [h__h] my

332

00:12:43,030 --> 00:12:40,959

door's locked and then like i ran

333

00:12:44,710 --> 00:12:43,040

downstairs and then i went down to the

334

00:12:47,269 --> 00:12:44,720

front desk and i was like hey i need to

335

00:12:49,190 --> 00:12:47,279

get another key for our room and they

336

00:12:51,350 --> 00:12:49,200

were like who are you and i told them

337

00:12:52,710 --> 00:12:51,360

and they were like

338

00:12:55,030 --> 00:12:52,720

yeah you're not authorized to get

339

00:12:56,790 --> 00:12:55,040

another key and i was like oh [h__h] and i

340

00:12:59,190 --> 00:12:56,800

was like well uh

341

00:13:02,150 --> 00:12:59,200

my buddy just got rolled out of here uh

342

00:13:03,990 --> 00:13:02,160

ems and when we left i was holding the

343

00:13:06,470 --> 00:13:04,000

door open for him and then they closed

344

00:13:08,949 --> 00:13:06,480

it and they were like

345

00:13:10,550 --> 00:13:08,959

yeah yeah that's a good story that's a

346

00:13:12,629 --> 00:13:10,560

good story i still can't give you a key

347

00:13:15,110 --> 00:13:12,639

and i was like i tell you what what if i

348

00:13:17,269 --> 00:13:15,120

what if i get a hold of his wife she

349

00:13:18,949 --> 00:13:17,279

knows and she can confirm everything is

350

00:13:21,750 --> 00:13:18,959

is straight i'm supposed to be here and

351

00:13:24,790 --> 00:13:21,760

they were like yeah that's fine and so i

352

00:13:26,629 --> 00:13:24,800

did i called uh i gave him i gave him

353

00:13:27,990 --> 00:13:26,639

your your i gave him your wife's number

354

00:13:29,670 --> 00:13:28,000

four yeah and

355

00:13:31,269 --> 00:13:29,680

she is she goes i told me this part i

356

00:13:33,509 --> 00:13:31,279

didn't even know about this part yeah

357

00:13:35,509 --> 00:13:33,519

she calls up there and i guess she

358

00:13:38,310 --> 00:13:35,519

called a couple times and missed it and

359

00:13:40,389 --> 00:13:38,320

then the office people called her

360

00:13:42,389 --> 00:13:40,399

and then uh they were like nope she

361

00:13:43,350 --> 00:13:42,399

didn't answer and i was like damn it and

362

00:13:44,470 --> 00:13:43,360

i was like what are you what am i

363

00:13:45,990 --> 00:13:44,480

supposed to do with her like i guess you

364

00:13:47,750 --> 00:13:46,000

just wait till she calls i'm like what

365

00:13:49,910 --> 00:13:47,760

if they don't call till tomorrow and she

366

00:13:53,430 --> 00:13:49,920

was like well vegas is really big i was

367

00:13:54,870 --> 00:13:53,440

like oh okay so i [\h__\h] i go and i

368

00:13:57,590 --> 00:13:54,880

finally called jess and i'm like hey

369

00:13:59,750 --> 00:13:57,600

jess i'm like hold up dude uh i need to

370

00:14:01,829 --> 00:13:59,760

talk to these people and uh as soon as i

371

00:14:04,470 --> 00:14:01,839

hand them the phone dude my phone died i

372

00:14:06,470 --> 00:14:04,480

was like ah lee this is becoming quite

373

00:14:09,030 --> 00:14:06,480

the issue

374

00:14:11,670 --> 00:14:09,040

so then finally we made it happen to

375

00:14:13,670 --> 00:14:11,680

where the front desk gave me a key and i

376

00:14:15,509 --> 00:14:13,680

finally made it upstairs and i was like

377

00:14:17,910 --> 00:14:15,519

well ben will be here probably tomorrow

378

00:14:20,389 --> 00:14:17,920

morning i'm gonna go ahead and and close

379

00:14:23,269 --> 00:14:20,399

these these cute little eyes of mine and

380

00:14:25,910 --> 00:14:23,279

get some sleep and then 45 minutes later

381

00:14:27,829 --> 00:14:25,920

ben shows up he's like

382

00:14:29,110 --> 00:14:27,839

he's knocking on the door and i'm like

383

00:14:31,990 --> 00:14:29,120

what the [h__\h] is happening i'm like

384

00:14:33,910 --> 00:14:32,000

scared and i like peek out there and i

385

00:14:35,269 --> 00:14:33,920

like see kind of something you're not

386

00:14:36,949 --> 00:14:35,279

even standing in the peephole dude

387

00:14:38,949 --> 00:14:36,959

you're like kind of halfway through the

388

00:14:39,910 --> 00:14:38,959

peephole all like ring style and [h__h] i

389

00:14:41,910 --> 00:14:39,920

could just see your hair and i'm like

390

00:14:44,949 --> 00:14:41,920

this is [h__h] creepy you're like dude

391

00:14:46,150 --> 00:14:44,959

i was like oh [h__h] it's been let them in

392

00:14:48,710 --> 00:14:46,160

and like i don't know why i was

393

00:14:50,230 --> 00:14:48,720

expecting you to be all peppy i was like

394

00:14:52,150 --> 00:14:50,240

hey what's up dude

395

00:14:53,590 --> 00:14:52,160

yeah you're so so bad

396

00:14:55,110 --> 00:14:53,600

i got kicked out of that i got kicked

397

00:14:56,790 --> 00:14:55,120

out of the [h__h] hospital they were

398

00:14:58,470 --> 00:14:56,800

like hey are you you're able to drink

399

00:15:00,710 --> 00:14:58,480

400

00:15:02,069 --> 00:15:00,720

yeah yeah i guess so man

401
00:15:03,430 --> 00:15:02,079
and they were like okay well you gotta

402
00:15:05,910 --> 00:15:03,440
go like

403
00:15:08,069 --> 00:15:05,920
wait what it's like 2 45 in the morning

404
00:15:10,870 --> 00:15:08,079
and they [h__\h] kicked me out i had to

405
00:15:13,189 --> 00:15:10,880
get a new uber back to the hotel

406
00:15:15,430 --> 00:15:13,199
uh it was terrible i didn't even know

407
00:15:17,750 --> 00:15:15,440
that hospitals could do that god damn

408
00:15:20,949 --> 00:15:17,760

409
00:15:22,629 --> 00:15:20,959
that was really crazy yeah [h__\h] yeah and

410
00:15:24,790 --> 00:15:22,639
then dude like and then i was telling

411
00:15:28,949 --> 00:15:24,800

412
00:15:29,829 --> 00:15:28,959

415

00:15:38,829 --> 00:15:36,800

my mouth is getting dry just looking at

420

00:15:49,990 --> 00:15:46,880

that [\h__\h]

421

00:15:51,030 --> 00:15:50,000

case that he he's got right there

422

00:15:53,269 --> 00:15:51,040

423

00:15:56,389 --> 00:15:53,279

427

00:16:05,030 --> 00:16:02,320

chilling

437

00:16:26,550 --> 00:16:24,639

i'm like looking for something to drink

438

00:16:28,069 --> 00:16:26,560

441

00:16:35,430 --> 00:16:32,880

457
00:17:10,949 --> 00:17:09,760
okay she's like uh

458
00:17:12,949 --> 00:17:10,959
she's like you're having fun at the

459
00:17:15,270 --> 00:17:12,959
conference so far and i'm like yes

460
00:17:18,150 --> 00:17:15,280
i am i'm so sorry like and i'm looking

461
00:17:19,750 --> 00:17:18,160
around and i see like a random drink

462
00:17:21,429 --> 00:17:19,760
from some [h__h] random person i don't

463
00:17:23,590 --> 00:17:21,439

know even know who it was and then i

464

00:17:25,990 --> 00:17:23,600

pick up the drink dude and like i drink

465

00:17:27,270 --> 00:17:26,000

it and i'm thinking to myself okay okay

466

00:17:29,190 --> 00:17:27,280

i can talk

467

00:17:31,350 --> 00:17:29,200

as soon as i turn around i'm actually

468

00:17:34,549 --> 00:17:31,360

gonna like introduce myself and be like

469

00:17:36,230 --> 00:17:34,559

hi pleasure to meet you my name's joe

470

00:17:38,470 --> 00:17:36,240

i'm sorry about that

471

00:17:40,390 --> 00:17:38,480

my mouth was so dry you know

472

00:17:42,870 --> 00:17:40,400

who's gonna be like real personable and

473

00:17:45,110 --> 00:17:42,880

as soon as i turn around then bree from

474

00:17:47,029 --> 00:17:45,120

tochiwaba comes up she goes

475

00:17:49,270 --> 00:17:47,039

this is our song

476

00:17:50,789 --> 00:17:49,280

she's like screams at us

477

00:17:51,669 --> 00:17:50,799

and she like turns around and she was

478

00:17:59,350 --> 00:17:51,679

like

479

00:18:01,270 --> 00:17:59,360

because she was trying to be nice to me

480

00:18:02,630 --> 00:18:01,280

and i was all like hey i can't talk to

481

00:18:04,710 --> 00:18:02,640

you talk to you

482

00:18:06,870 --> 00:18:04,720

i was like oh no she got the wrong idea

483

00:18:08,549 --> 00:18:06,880

like it wasn't that i didn't want to

484

00:18:09,750 --> 00:18:08,559

talk you would introduce myself to you

485

00:18:11,430 --> 00:18:09,760

it was like the best way you could

486

00:18:12,390 --> 00:18:11,440

describe like

487

00:18:14,710 --> 00:18:12,400

it was just

488

00:18:16,470 --> 00:18:14,720

i literally can't talk my mouth does at

489

00:18:18,070 --> 00:18:16,480

work and then and then i didn't even

490

00:18:20,390 --> 00:18:18,080

learn my lesson because then the next

491

00:18:23,029 --> 00:18:20,400

day i smoked another one with sunny and

492

00:18:23,909 --> 00:18:23,039

then we went to go eat at the steakhouse

493

00:18:25,270 --> 00:18:23,919

bro

494

00:18:26,549 --> 00:18:25,280

and like

495

00:18:28,390 --> 00:18:26,559

i'm trying to hold it together i'm

496

00:18:30,549 --> 00:18:28,400

looking at everything

497

00:18:33,190 --> 00:18:30,559

the the waitress bro that waitress she

498

00:18:34,630 --> 00:18:33,200

was on point dude she was good wasn't

499

00:18:37,750 --> 00:18:34,640

she sunny

500

00:18:38,789 --> 00:18:37,760

jesus dude that was crazy yeah

501
00:18:41,110 --> 00:18:38,799
and

502
00:18:44,070 --> 00:18:41,120
joe like eight to ten hours later

503
00:18:45,029 --> 00:18:44,080
i threw that lovely dinner all up oh

504
00:18:46,710 --> 00:18:45,039
no

505
00:18:48,549 --> 00:18:46,720
oh man

506
00:18:54,310 --> 00:18:48,559
it was so bad i

507
00:18:57,909 --> 00:18:56,390
it was a good that was a good steak dude

508
00:18:59,830 --> 00:18:57,919
do you remember how joe ordered his

509
00:19:01,270 --> 00:18:59,840
steak sonny because i do i remember he

510
00:19:03,029 --> 00:19:01,280
told me how he ordered it and his whole

511
00:19:04,789 --> 00:19:03,039
life it was hilarious do you remember

512
00:19:07,110 --> 00:19:04,799
how he did it

513
00:19:08,549 --> 00:19:07,120

i think he got his steak

514

00:19:21,110 --> 00:19:08,559

immediately oh

515

00:19:25,029 --> 00:19:23,430

it was so crazy i didn't mean to do it

516

00:19:27,190 --> 00:19:25,039

like that she just got to me and i was

517

00:19:29,669 --> 00:19:27,200

so excited i was so hungry before i

518

00:19:32,230 --> 00:19:29,679

hadn't eaten i was like i will have the

519

00:19:34,230 --> 00:19:32,240

16 ounce

520

00:19:36,070 --> 00:19:34,240

medium please

521

00:19:37,990 --> 00:19:36,080

and a dr pepper and then i was all weird

522

00:19:41,350 --> 00:19:38,000

i'm like oh she already said dr pepper

523

00:19:43,990 --> 00:19:41,360

yeah i want a doctor pepper i'm sorry

524

00:19:45,669 --> 00:19:44,000

yeah i'm apologizing and then sonny told

525

00:19:51,110 --> 00:19:45,679

me this funny ass story about his friend

526

00:19:57,110 --> 00:19:53,669

that was funny oh god dude that [h__h] was

527

00:20:02,470 --> 00:19:57,120

hilarious bro that was so funny

528

00:20:06,549 --> 00:20:04,070

you should make a patreon and tell that

529

00:20:08,070 --> 00:20:06,559

story on patreon dude there you go

530

00:20:10,710 --> 00:20:08,080

that's how you do it

531

00:20:12,310 --> 00:20:10,720

the white yeah albino bat attacked my

532

00:20:16,789 --> 00:20:12,320

brother-in-law at like two o'clock in

533

00:20:21,990 --> 00:20:18,789

joe told me the story i didn't hear you

534

00:20:24,470 --> 00:20:22,000

tell it but god yeah yeah it was good

535

00:20:27,029 --> 00:20:24,480

it was good man it's sonny you just uh

536

00:20:29,190 --> 00:20:27,039

you just did a show didn't you

537

00:20:30,789 --> 00:20:29,200

uh we're still doing it i think they

538

00:20:32,710 --> 00:20:30,799

539

00:20:34,789 --> 00:20:32,720

541

00:20:37,669 --> 00:20:36,640

let's watch them watching us watching

542

00:20:39,430 --> 00:20:37,679

them

543

00:20:40,789 --> 00:20:39,440

what happened to the mate to the vegas

544

00:20:41,909 --> 00:20:40,799

ladies dude

545

00:20:44,390 --> 00:20:41,919

which one

546

00:20:45,990 --> 00:20:44,400

they hopped out uh uh jamie

547

00:20:48,630 --> 00:20:46,000

they tried to get in i think the service

548

00:20:51,380 --> 00:20:48,640

was a little too uh a little a little

549

569

00:21:56,390 --> 00:21:54,070

uh so sonny dude what so what did you

570

00:21:59,190 --> 00:21:56,400

think uh about the whole the whole uh

571

00:22:01,029 --> 00:21:59,200

vegas thing overall like the actual like

572

00:22:03,350 --> 00:22:01,039

conference part where like everybody got

573

00:22:05,909 --> 00:22:03,360

to hang out and chit chat

574

00:22:07,830 --> 00:22:05,919

man that that was actually fun that was

575

00:22:10,310 --> 00:22:07,840

good and then the people i got to meet

576

00:22:13,430 --> 00:22:10,320

like uh i've been telling everyone dirty

577

00:22:15,430 --> 00:22:13,440

filth filth from yeah that does the

578

00:22:18,390 --> 00:22:15,440

artwork yeah that guy's so nice yeah

579

00:22:21,110 --> 00:22:18,400

such a good guy man yeah yeah he's he's

580

00:22:22,230 --> 00:22:21,120

fun to hang out with yeah yeah

581

00:22:23,669 --> 00:22:22,240

i didn't get to

582

00:22:27,029 --> 00:22:23,679

talk to him

583

00:22:30,070 --> 00:22:27,039

superman yeah

584

00:22:32,390 --> 00:22:30,080

yeah that was too much great

585

00:22:34,149 --> 00:22:32,400

grant was a hoot that was he's awesome i

586

00:22:36,630 --> 00:22:34,159

love that it was hilarious he gave me a

587

00:22:37,990 --> 00:22:36,640

hundred bucks to not shave my beard

588

00:22:40,470 --> 00:22:38,000

yeah

589

00:22:43,110 --> 00:22:40,480

i was like that's cool

590

00:22:44,630 --> 00:22:43,120

this is a really nice guy i like it

591

00:22:47,029 --> 00:22:44,640

the last night there i was headed back

592

00:22:49,510 --> 00:22:47,039

to that little bar area or there's a

593

00:22:50,950 --> 00:22:49,520

band and uh i was [h__h] grant and i were

594

00:22:52,470 --> 00:22:50,960

walking and talking and some dude i

595

00:22:56,070 --> 00:22:52,480

think one of his buddies came up behind

596

00:22:58,789 --> 00:22:56,080

him and just yelled i need more money

597

00:23:00,070 --> 00:22:58,799

grant was like god damn it

598

00:23:01,830 --> 00:23:00,080

i don't know i don't know i kept going i

599

00:23:03,669 --> 00:23:01,840

didn't realize that he turned around but

600

00:23:07,430 --> 00:23:03,679

it's so funny dude because like even

601
00:23:10,070 --> 00:23:07,440
when i got there and i met everybody

602
00:23:12,470 --> 00:23:10,080
it wasn't until i got back home

603
00:23:14,310 --> 00:23:12,480
and then saw everybody posting that i

604
00:23:15,830 --> 00:23:14,320
saw like their profile pictures and i

605
00:23:17,909 --> 00:23:15,840
was like

606
00:23:20,870 --> 00:23:17,919
oh

607
00:23:23,350 --> 00:23:20,880
that's who that was yeah i did not

608
00:23:25,510 --> 00:23:23,360
recognize phil without his uh makeup man

609
00:23:28,390 --> 00:23:25,520
i missed the opportunity i was in

610
00:23:30,710 --> 00:23:28,400
passing but yeah and and grant doesn't

611
00:23:33,669 --> 00:23:30,720
have the queen mustache like in his

612
00:23:35,029 --> 00:23:33,679
profile photo i was like oh that's

613
00:23:37,350 --> 00:23:35,039

that's you

614

00:23:39,190 --> 00:23:37,360

oh because he was like normally i have

615

00:23:41,029 --> 00:23:39,200

like all this going but then like his

616

00:23:42,630 --> 00:23:41,039

profile picture he's clean he's clean

617

00:23:45,669 --> 00:23:42,640

shaven i was like

618

00:23:47,510 --> 00:23:45,679

oh i know you now dude i know i mean i

619

00:23:49,590 --> 00:23:47,520

don't know you i mean i do know you and

620

00:23:52,310 --> 00:23:49,600

now i know you

621

00:23:53,669 --> 00:23:52,320

real crazy thing she and i'm sure this

622

00:23:56,549 --> 00:23:53,679

has already been said a billion times

623

00:23:59,029 --> 00:23:56,559

but enzo the lucky the good luck chuck

624

00:24:01,190 --> 00:23:59,039

oh man freaking winning like two grand

625

00:24:03,190 --> 00:24:01,200

that was awesome dude uh great to meet

626

00:24:06,390 --> 00:24:03,200

you and so man we had a great time dude

627

00:24:09,510 --> 00:24:06,400

that was awesome yeah 24

628

00:24:11,590 --> 00:24:09,520

10. i think he just told us 24 10. hell

629

00:24:13,110 --> 00:24:11,600

yeah dude that's awesome

630

00:24:16,390 --> 00:24:13,120

that's nice

631

00:24:17,750 --> 00:24:16,400

sonny do you do do you remember um

632

00:24:19,029 --> 00:24:17,760

do you remember that one bigfoot guy

633

00:24:21,510 --> 00:24:19,039

that was on there and he was talking

634

00:24:23,669 --> 00:24:21,520

about the hair the the clear hairs on

635

00:24:25,909 --> 00:24:23,679

bigfoot do you remember that dude's name

636

00:24:27,750 --> 00:24:25,919

the two guys right no no there was a one

637

00:24:29,590 --> 00:24:27,760

guy and he had the blue shirt on the

638

00:24:31,350 --> 00:24:29,600

blue bowling shirt on

639

00:24:33,430 --> 00:24:31,360

man you may have stepped

640

00:24:35,350 --> 00:24:33,440

stepped out yep you may have stepped out

641

00:24:37,269 --> 00:24:35,360

when he went up there dude he was saying

642

00:24:38,950 --> 00:24:37,279

like some cool stuff about bigfoot i was

643

00:24:40,549 --> 00:24:38,960

like damn i never heard that before

644

00:24:43,110 --> 00:24:40,559

that's cool yeah what you were telling

645

00:24:44,710 --> 00:24:43,120

me was awesome about the clear hairs and

646

00:24:46,070 --> 00:24:44,720

all that yeah what about i missed it so

647

00:24:48,149 --> 00:24:46,080

what do you say about those clear hairs

648

00:24:50,230 --> 00:24:48,159

dude he was saying like you know uh some

649

00:24:51,590 --> 00:24:50,240

people think that you know

650

00:24:53,750 --> 00:24:51,600

he was like it's kind of weird because

651
00:24:55,590 --> 00:24:53,760
it takes like all the whole like bigfoot

652
00:24:57,350 --> 00:24:55,600
like teleporting and stuff kind of like

653
00:24:58,870 --> 00:24:57,360
out of the argument like if you're just

654
00:25:00,789 --> 00:24:58,880
trying to use it because he was saying

655
00:25:02,470 --> 00:25:00,799
like some of these hairs that we find

656
00:25:03,750 --> 00:25:02,480
are like clear they're like long and

657
00:25:05,990 --> 00:25:03,760
thick and clear

658
00:25:07,669 --> 00:25:06,000
and he was like you know it's it's kind

659
00:25:09,669 --> 00:25:07,679
of weird like if you think about it we

660
00:25:12,310 --> 00:25:09,679
test it and like the part of it is

661
00:25:14,310 --> 00:25:12,320
hominid and a part part of it is unknown

662
00:25:15,669 --> 00:25:14,320
and then it comes out as unknown hominid

663
00:25:17,669 --> 00:25:15,679

but we know

664

00:25:19,590 --> 00:25:17,679

all the hominids but these hairs for

665

00:25:22,149 --> 00:25:19,600

some reason come up as unknown hominids

666

00:25:24,390 --> 00:25:22,159

so technically we don't know what it is

667

00:25:26,149 --> 00:25:24,400

we know it could be a hominid of some

668

00:25:27,909 --> 00:25:26,159

type right and he was like but these

669

00:25:29,590 --> 00:25:27,919

hairs are interesting because if you can

670

00:25:31,350 --> 00:25:29,600

imagine having a whole bunch of them

671

00:25:33,029 --> 00:25:31,360

laying under your fur

672

00:25:35,590 --> 00:25:33,039

and then you were to like hide behind a

673

00:25:37,430 --> 00:25:35,600

tree or something you know and turn just

674

00:25:39,590 --> 00:25:37,440

right how it would catch those hairs and

675

00:25:41,750 --> 00:25:39,600

almost be kind of see-through so it

676
00:25:43,430 --> 00:25:41,760
would camo you into like the background

677
00:25:45,590 --> 00:25:43,440
or like how people see bigfoot and he

678
00:25:47,350 --> 00:25:45,600
looks real blurry like running they

679
00:25:49,750 --> 00:25:47,360
couldn't possibly be why you know we

680
00:25:50,789 --> 00:25:49,760
look at like chameleons and we look at

681
00:25:52,310 --> 00:25:50,799
uh

682
00:25:54,149 --> 00:25:52,320
octopus and how they're able to like

683
00:25:55,750 --> 00:25:54,159
kind of change you know into their

684
00:25:58,149 --> 00:25:55,760
surroundings he's like we don't really

685
00:25:59,909 --> 00:25:58,159
know of any like you know any hominid or

686
00:26:01,830 --> 00:25:59,919
like monkeys or anything like that that

687
00:26:04,549 --> 00:26:01,840
that can do that but you know

688
00:26:06,149 --> 00:26:04,559

it's a big world out there it's possible

689

00:26:08,310 --> 00:26:06,159

we had a guest on our show that brought

690

00:26:10,070 --> 00:26:08,320

a picture of bigfoot and

691

00:26:11,750 --> 00:26:10,080

he'll go in and trace it with his mouth

692

00:26:12,950 --> 00:26:11,760

so you can see it

693

00:26:14,870 --> 00:26:12,960

and

694

00:26:16,710 --> 00:26:14,880

it's see-through the only thing you can

695

00:26:17,669 --> 00:26:16,720

see on the bigfoot is his eyes and his

696

00:26:19,990 --> 00:26:17,679

nose

697

00:26:21,750 --> 00:26:20,000

that's so crazy you can make out his

698

00:26:25,430 --> 00:26:21,760

shoulders all the way down to his body

699

00:26:26,149 --> 00:26:25,440

and his legs stand front from the log

700

00:26:27,669 --> 00:26:26,159

yeah

701
00:26:28,789 --> 00:26:27,679
that's not like that one you're talking

702
00:26:29,669 --> 00:26:28,799
about but

703
00:26:32,310 --> 00:26:29,679
uh

704
00:26:33,990 --> 00:26:32,320
dude sorry sorry to interrupt

705
00:26:35,909 --> 00:26:34,000
so you're saying there's a photo of

706
00:26:37,909 --> 00:26:35,919
bigfoot where you could see the eyes but

707
00:26:39,990 --> 00:26:37,919
it's it's yeah you can see his eyes and

708
00:26:41,830 --> 00:26:40,000
his nose and

709
00:26:43,350 --> 00:26:41,840
and this part of his eyes and it's

710
00:26:45,750 --> 00:26:43,360
almost like he's got some kind of

711
00:26:48,149 --> 00:26:45,760
ghillie suit on that camouflages him but

712
00:26:49,029 --> 00:26:48,159
it's not too far away in this picture

713
00:26:50,630 --> 00:26:49,039

and

714

00:26:53,190 --> 00:26:50,640

oh i'm trying to remember the guy's name

715

00:26:54,549 --> 00:26:53,200

that took it

716

00:26:56,390 --> 00:26:54,559

that was one of the guests we had on our

717

00:26:58,070 --> 00:26:56,400

show

718

00:26:58,950 --> 00:26:58,080

i do that too man

719

00:27:00,470 --> 00:26:58,960

yeah

720

00:27:01,590 --> 00:27:00,480

it was a while back

721

00:27:03,350 --> 00:27:01,600

uh

722

00:27:05,510 --> 00:27:03,360

but yeah that picture i think it might

723

00:27:07,590 --> 00:27:05,520

still be on my

724

00:27:09,110 --> 00:27:07,600

on my stream yard account

725

00:27:10,710 --> 00:27:09,120

dude

726

00:27:12,310 --> 00:27:10,720

i think i think i think it makes sense

727

00:27:13,510 --> 00:27:12,320

if it's anything like this i mean this

728

00:27:15,909 --> 00:27:13,520

is like a

729

00:27:17,990 --> 00:27:15,919

it's uh i remember here watching a video

730

00:27:20,310 --> 00:27:18,000

some something about this this college

731

00:27:22,950 --> 00:27:20,320

graduate or grad student that figured

732

00:27:25,110 --> 00:27:22,960

out how to make these like handheld

733

00:27:26,789 --> 00:27:25,120

uh uh invisibility shields like they're

734

00:27:27,990 --> 00:27:26,799

not perfect but at a distance like you

735

00:27:29,669 --> 00:27:28,000

would never know

736

00:27:32,230 --> 00:27:29,679

and what it does is just it just bends

737

00:27:34,149 --> 00:27:32,240

the light around you with um in the way

738

00:27:36,230 --> 00:27:34,159

that it uh fractals the light i mean i

739

00:27:38,950 --> 00:27:36,240

don't know the the exact science behind

740

00:27:40,549 --> 00:27:38,960

it but yeah dude look at that dude he's

741

00:27:43,190 --> 00:27:40,559

just walking behind this thing it's

742

00:27:45,350 --> 00:27:43,200

crazy that's amazing like

743

00:27:47,990 --> 00:27:45,360

so the thing about the individual hairs

744

00:27:49,430 --> 00:27:48,000

i don't know something maybe if oh what

745

00:27:51,190 --> 00:27:49,440

were you saying joe about like if they

746

00:27:52,789 --> 00:27:51,200

get spooked and like kind of like raise

747

00:27:54,870 --> 00:27:52,799

their hair up like what if they like

748

00:27:57,510 --> 00:27:54,880

flex and can like push that hair up like

749

00:27:59,669 --> 00:27:57,520

as a defense or like a hiding mechanism

750

00:28:00,950 --> 00:27:59,679

and then the sun just catches it at the

751

00:28:02,950 --> 00:28:00,960

right angle and it's kind of like that

752

00:28:05,350 --> 00:28:02,960

little shield you know it's just bending

753

00:28:08,549 --> 00:28:05,360

light through these these cylindrical

754

00:28:10,470 --> 00:28:08,559

tubes because that's hair you know oops

755

00:28:12,710 --> 00:28:10,480

you look at a prism or like you know you

756

00:28:14,870 --> 00:28:12,720

look at those little cylinder prisms and

757

00:28:17,350 --> 00:28:14,880

it's doing crazy [h__h] to light hey you

758

00:28:18,630 --> 00:28:17,360

know i don't know

759

00:28:20,070 --> 00:28:18,640

i don't know i think you have you have a

760

00:28:22,070 --> 00:28:20,080

winning idea there dude i think there's

761

00:28:24,389 --> 00:28:22,080

something to it it's not my idea it was

762

00:28:26,470 --> 00:28:24,399

that guy's idea yeah he was wearing a

763

00:28:30,149 --> 00:28:26,480

bowling shirt and so i believe him

764

00:28:31,750 --> 00:28:30,159

carter bouchard park carter bouchard was

765

00:28:34,389 --> 00:28:31,760

i think that's what let me see his face

766

00:28:36,549 --> 00:28:34,399

bree and enzo are saying carter yeah

767

00:28:37,990 --> 00:28:36,559

that dude was awesome yeah that dude was

768

00:28:39,350 --> 00:28:38,000

like the other two guys that were there

769

00:28:41,510 --> 00:28:39,360

that were doing the bigfoot stuff those

770

00:28:43,510 --> 00:28:41,520

dudes were awesome too

771

00:28:45,590 --> 00:28:43,520

yeah that was just such a crazy like

772

00:28:47,350 --> 00:28:45,600

thing i had never heard about before

773

00:28:49,190 --> 00:28:47,360

so it caught my attention

774

00:28:52,710 --> 00:28:49,200

i was like it's pretty dope i kind of

775

00:28:54,470 --> 00:28:52,720

like i it was like part of me was like

776

00:28:56,950 --> 00:28:54,480

ah good now i don't have to tell people

777

00:28:59,029 --> 00:28:56,960

that bigfoot teleports anymore right

778

00:29:00,310 --> 00:28:59,039

right yeah but then part of me was like

779

00:29:02,710 --> 00:29:00,320

sad because i was like i kind of like it

780

00:29:04,870 --> 00:29:02,720

with bigfoot teleports but you know if i

781

00:29:06,389 --> 00:29:04,880

got to talk to regular people we'll go

782

00:29:07,750 --> 00:29:06,399

with the see-through hair thing that'll

783

00:29:09,510 --> 00:29:07,760

make more sense

784

00:29:11,190 --> 00:29:09,520

i'm going to have to find that picture

785

00:29:13,750 --> 00:29:11,200

because that see-through hair thing when

786

00:29:14,710 --> 00:29:13,760

you see the picture it makes sense

787

00:29:18,310 --> 00:29:14,720

dude

788

00:29:21,190 --> 00:29:18,320

yeah yeah it just brings a little more

789

00:29:23,909 --> 00:29:21,200

it it takes like the the mystery out a

790

00:29:25,430 --> 00:29:23,919

little bit it it uh

791

00:29:27,190 --> 00:29:25,440

i don't know like i said

792

00:29:28,870 --> 00:29:27,200

i have mixed feelings about it because

793

00:29:30,950 --> 00:29:28,880

because you know like i

794

00:29:32,950 --> 00:29:30,960

i want bigfoot to be able to teleport

795

00:29:35,029 --> 00:29:32,960

you know but at the same time how

796

00:29:36,310 --> 00:29:35,039

[h__\h] cool is it that there's a giant

797

00:29:38,710 --> 00:29:36,320

something or other out there with

798

00:29:41,110 --> 00:29:38,720

see-through hair that can bend light and

799

00:29:43,590 --> 00:29:41,120

go invisible that's almost just as cool

800

00:29:46,230 --> 00:29:43,600

right a cloaking hairdo

801
00:29:48,230 --> 00:29:46,240
yeah that's why it's thick i am glad

802
00:29:50,230 --> 00:29:48,240
that we're not having to rely on like

803
00:29:51,750 --> 00:29:50,240
technology for for that to be the answer

804
00:29:53,430 --> 00:29:51,760
i love that it could possibly i love

805
00:29:55,510 --> 00:29:53,440
this new idea like it could be a

806
00:29:58,070 --> 00:29:55,520
biological thing uh

807
00:29:59,669 --> 00:29:58,080
or evolutionary thing instead of like oh

808
00:30:00,870 --> 00:29:59,679
well maybe they're just really smart and

809
00:30:02,549 --> 00:30:00,880
they figured out this tech long before

810
00:30:05,269 --> 00:30:02,559
we do and they just held on to it better

811
00:30:07,190 --> 00:30:05,279
or whatever i i love it that it's it's

812
00:30:09,750 --> 00:30:07,200
more biological in nature

813
00:30:13,110 --> 00:30:09,760

like i said i love portals i love

814

00:30:16,149 --> 00:30:13,120

teleportation i love the multi-universe

815

00:30:17,909 --> 00:30:16,159

thing like multi-dimensional i love it

816

00:30:19,510 --> 00:30:17,919

but like god damn that's just so real

817

00:30:22,070 --> 00:30:19,520

for them to be like oh yeah no it's just

818

00:30:24,310 --> 00:30:22,080

hair honestly they're that good that you

819

00:30:25,990 --> 00:30:24,320

thought they [h__h] teleported a giant

820

00:30:28,389 --> 00:30:26,000

animal you thought they teleported and

821

00:30:30,950 --> 00:30:28,399

it's really just hair that's under their

822

00:30:32,070 --> 00:30:30,960

their their uh you know top hair it's

823

00:30:35,750 --> 00:30:32,080

undercooked

824

00:30:37,350 --> 00:30:35,760

do we know of any animals that can uh

825

00:30:38,950 --> 00:30:37,360

yourself that fast

826

00:30:41,029 --> 00:30:38,960

like a chameleon

827

00:30:43,029 --> 00:30:41,039

does it takes a second to turn doesn't

828

00:30:45,110 --> 00:30:43,039

it it takes a second but octopus is

829

00:30:47,430 --> 00:30:45,120

pretty quick i mean

830

00:30:49,510 --> 00:30:47,440

they're pretty instant yeah yeah

831

00:30:51,190 --> 00:30:49,520

chameleons take a while and they don't

832

00:30:53,510 --> 00:30:51,200

they can't just like blend into the

833

00:30:55,510 --> 00:30:53,520

exact color of their their background

834

00:30:56,470 --> 00:30:55,520

like they're it depends on which species

835

00:30:57,990 --> 00:30:56,480

it is

836

00:31:00,149 --> 00:30:58,000

i had one growing up and it could only

837

00:31:03,029 --> 00:31:00,159

turn like uh

838

00:31:05,509 --> 00:31:03,039

like a dark brown to light green and it

839

00:31:07,190 --> 00:31:05,519

just depends on on their mood and like

840

00:31:08,870 --> 00:31:07,200

if they're happy or well fed and stuff

841

00:31:11,110 --> 00:31:08,880

or if they're like threatened

842

00:31:13,269 --> 00:31:11,120

but they can't like turn like a a

843

00:31:15,269 --> 00:31:13,279

one species of of uh chameleon can't

844

00:31:17,190 --> 00:31:15,279

turn like bright orange like that's not

845

00:31:18,870 --> 00:31:17,200

in that species it's a certain kind yeah

846

00:31:20,149 --> 00:31:18,880

yeah yeah yeah

847

00:31:21,669 --> 00:31:20,159

oh all right i thought i thought they

848

00:31:23,350 --> 00:31:21,679

just mimicked whatever color they were

849

00:31:26,230 --> 00:31:23,360

on yeah that's what they show in the

850

00:31:28,630 --> 00:31:26,240

cartoons for sure uh-huh yeah

851
00:31:32,230 --> 00:31:28,640
and then like but uh octopi octop

852
00:31:34,310 --> 00:31:33,350
i don't know i think they're more

853
00:31:36,389 --> 00:31:34,320
intricate and like they could do it

854
00:31:37,669 --> 00:31:36,399
really fast and so can uh like

855
00:31:38,549 --> 00:31:37,679
cuttlefish

856
00:31:44,389 --> 00:31:38,559
fish

857
00:31:47,830 --> 00:31:44,399
vanilla pastel and a cotton

858
00:31:51,830 --> 00:31:49,509
you just think about the idea of like

859
00:31:53,269 --> 00:31:51,840
this this this animal that can like just

860
00:31:55,350 --> 00:31:53,279
pop its quills out kind of like a

861
00:31:58,470 --> 00:31:55,360
porcupine you know and then those those

862
00:32:01,430 --> 00:31:58,480
quills can do all kinds of cool colors

863
00:32:03,830 --> 00:32:01,440

you know see-through quills like that i

864

00:32:05,830 --> 00:32:03,840

don't know that's crazy it's just crazy

865

00:32:07,509 --> 00:32:05,840

yeah

866

00:32:09,430 --> 00:32:07,519

but that is pretty nuts man i've never

867

00:32:11,430 --> 00:32:09,440

heard of the clear hair theory

868

00:32:12,789 --> 00:32:11,440

yeah yeah yeah that was that picture

869

00:32:14,789 --> 00:32:12,799

that picture just popped straight into

870

00:32:17,029 --> 00:32:14,799

my mind when you brought that up because

871

00:32:18,549 --> 00:32:17,039

that would make sense

872

00:32:19,990 --> 00:32:18,559

because we're actually the picture i'm

873

00:32:22,149 --> 00:32:20,000

talking about where i tell you you can

874

00:32:24,549 --> 00:32:22,159

see his shoulder you can see the outline

875

00:32:26,710 --> 00:32:24,559

of him uh-huh but you're looking through

876

00:32:28,710 --> 00:32:26,720

it and it looks blurry like that thing

877

00:32:31,830 --> 00:32:28,720

that guy's standing in front of

878

00:32:36,789 --> 00:32:33,750

you can see you can see his eyes and his

879

00:32:39,029 --> 00:32:36,799

nose for sure you do see that hell yeah

880

00:32:40,149 --> 00:32:39,039

and i don't know about you guys man but

881

00:32:42,389 --> 00:32:40,159

every time i leave one of these

882

00:32:44,549 --> 00:32:42,399

conferences i sit back and i think to

883

00:32:46,549 --> 00:32:44,559

myself

884

00:32:48,149 --> 00:32:46,559

i'm so confused again

885

00:32:50,710 --> 00:32:48,159

yeah i've gotta like reevaluate

886

00:32:52,870 --> 00:32:50,720

everything i get more and more confused

887

00:32:56,549 --> 00:32:52,880

the more more people i talk to

888

00:32:57,590 --> 00:32:56,559

i'm so much more confused

889

00:33:02,470 --> 00:32:57,600

it's like

890

00:33:06,389 --> 00:33:02,480

who knows that's not it

891

00:33:10,070 --> 00:33:08,149

yeah uh dude what

892

00:33:11,909 --> 00:33:10,080

so bravo dave for put giving everybody

893

00:33:13,430 --> 00:33:11,919

together i mean that he's he's he's so

894

00:33:15,350 --> 00:33:13,440

good at that man that was that was so

895

00:33:18,630 --> 00:33:15,360

fun i feel like it was pretty flawless

896

00:33:19,909 --> 00:33:18,640

dude uh he's got a lot of good friends

897

00:33:21,430 --> 00:33:19,919

that uh

898

00:33:23,750 --> 00:33:21,440

dude he's got so many friends that are

899

00:33:25,269 --> 00:33:23,760

just so interesting man like i've never

900

00:33:28,149 --> 00:33:25,279

met that many people that interesting

901
00:33:29,590 --> 00:33:28,159
people in in one place that like we kind

902
00:33:30,789 --> 00:33:29,600
of already knew each other so we were

903
00:33:32,870 --> 00:33:30,799
like yo

904
00:33:34,470 --> 00:33:32,880
yeah there's like no awkwardness it was

905
00:33:35,590 --> 00:33:34,480
it was awesome

906
00:33:37,990 --> 00:33:35,600
hell yeah

907
00:33:39,990 --> 00:33:38,000
yeah it was fun yeah dude definitely fun

908
00:33:42,789 --> 00:33:40,000
meeting all those people yeah everyone

909
00:33:44,710 --> 00:33:42,799
was very nice everybody was nice yeah

910
00:33:46,230 --> 00:33:44,720
everybody

911
00:33:48,710 --> 00:33:46,240
but it was man it was really really cool

912
00:33:51,110 --> 00:33:48,720
seeing our our little crew too just like

913
00:33:53,110 --> 00:33:51,120

yo dude i hang out with you like almost

914

00:33:55,909 --> 00:33:53,120

every weekend

915

00:33:57,029 --> 00:33:55,919

it did feel good man yeah yeah i'm so

916

00:33:58,149 --> 00:33:57,039

glad you

917

00:33:59,509 --> 00:33:58,159

drove down

918

00:34:02,070 --> 00:33:59,519

yeah

919

00:34:04,389 --> 00:34:02,080

it's crazy how like i feel like

920

00:34:06,389 --> 00:34:04,399

even though none of us had ever met

921

00:34:08,149 --> 00:34:06,399

like i had just known everybody like it

922

00:34:09,349 --> 00:34:08,159

was easy to just hop into conversation

923

00:34:11,270 --> 00:34:09,359

with people because you're just so used

924

00:34:13,270 --> 00:34:11,280

to doing it

925

00:34:14,950 --> 00:34:13,280

yeah that's what i said to deanna too i

926
00:34:16,629 --> 00:34:14,960
was talking to her about thin lizzy

927
00:34:18,710 --> 00:34:16,639
that's well it's just like i've known

928
00:34:21,109 --> 00:34:18,720
her for a long time like

929
00:34:22,230 --> 00:34:21,119
it seems pretty sincere in person yeah

930
00:34:23,750 --> 00:34:22,240
it's like i said you're in person all

931
00:34:24,629 --> 00:34:23,760
the time for some reason it felt like

932
00:34:26,790 --> 00:34:24,639
that

933
00:34:28,310 --> 00:34:26,800
100 it was kind of like it was kind of

934
00:34:30,869 --> 00:34:28,320
like meeting co-workers in a way it's

935
00:34:33,030 --> 00:34:30,879
like we we talk online and then like you

936
00:34:35,030 --> 00:34:33,040
know a little bit and and then all you

937
00:34:36,230 --> 00:34:35,040
[h__\h] there's like yeah you see them in

938
00:34:40,069 --> 00:34:36,240

person you're like oh that's you're

939

00:34:45,430 --> 00:34:43,349

bree and jamie are hilarious oh my god

940

00:34:48,149 --> 00:34:45,440

just like all the show they're crazy

941

00:34:49,750 --> 00:34:48,159

they kept it going dude they were like i

942

00:34:51,190 --> 00:34:49,760

don't think i don't think they're in

943

00:34:54,950 --> 00:34:51,200

character i think that's just they're

944

00:35:00,950 --> 00:34:57,990

they're not acting those girls are crazy

945

00:35:02,950 --> 00:35:00,960

it's real man it's real so funny yeah

946

00:35:05,510 --> 00:35:02,960

that was yours

947

00:35:07,829 --> 00:35:05,520

that was so dope now it's so dope man

948

00:35:09,750 --> 00:35:07,839

for sure

949

00:35:11,030 --> 00:35:09,760

we'll see you in vegas next weekend dude

950

00:35:14,710 --> 00:35:11,040

yeah let's go

951
00:35:16,870 --> 00:35:14,720
oh wait i got the vid i gotta wait

952
00:35:19,270 --> 00:35:16,880
seven days

953
00:35:20,710 --> 00:35:19,280
you have to quarantine dude i know i'm

954
00:35:24,390 --> 00:35:20,720
gonna still sleep in the trailer i'm

955
00:35:28,870 --> 00:35:26,310
so make sure you change the sheets out

956
00:35:32,390 --> 00:35:28,880
this time yeah

957
00:35:37,910 --> 00:35:34,550
don't leave those on there dude

958
00:35:40,069 --> 00:35:37,920
no no i i usually change the sheets

959
00:35:42,150 --> 00:35:40,079
he uh i make him make his own bed though

960
00:35:45,030 --> 00:35:42,160
for sure i give him the sheets it's all

961
00:35:47,030 --> 00:35:45,040
here dude

962
00:35:49,030 --> 00:35:47,040
quarter off of it too it's just like the

963
00:35:50,550 --> 00:35:49,040

navy around here

964

00:35:52,470 --> 00:35:50,560

oh dude

965

00:35:54,950 --> 00:35:52,480

i love that that's so funny about it's a

966

00:35:56,150 --> 00:35:54,960

quarter off it doesn't hold my book i

967

00:35:57,589 --> 00:35:56,160

should have showed you guys my book i

968

00:35:59,430 --> 00:35:57,599

left it in the house

969

00:36:00,950 --> 00:35:59,440

oh damn i gave you an awesome book man

970

00:36:03,430 --> 00:36:00,960

autographed it one of the ones that was

971

00:36:06,470 --> 00:36:03,440

on the table joe nice oh hell yeah did

972

00:36:09,030 --> 00:36:06,480

you get the sr 71 or the skunk works one

973

00:36:11,030 --> 00:36:09,040

skunk works the skunk works

974

00:36:13,430 --> 00:36:11,040

that's the new one yeah we have it back

975

00:36:15,910 --> 00:36:13,440

there he's he signed one for

976

00:36:18,470 --> 00:36:15,920

that's it back there yep yeah

977

00:36:19,990 --> 00:36:18,480

hell yeah awesome

978

00:36:21,670 --> 00:36:20,000

yeah

979

00:36:23,670 --> 00:36:21,680

it's five pounds of book to read i

980

00:36:26,550 --> 00:36:23,680

haven't made it through it yet

981

00:36:28,470 --> 00:36:26,560

isn't that book wild dude yeah that

982

00:36:30,870 --> 00:36:28,480

[h__\h] uh

983

00:36:33,349 --> 00:36:30,880

did he show you that that that uh that

984

00:36:35,829 --> 00:36:33,359

little nuclear reactor thing

985

00:36:37,510 --> 00:36:35,839

that's in the book

986

00:36:39,349 --> 00:36:37,520

it's it's pretty wild it's like it's

987

00:36:40,630 --> 00:36:39,359

like this is like a shipping container

988

00:36:42,390 --> 00:36:40,640

yeah it's like the size of a shipping

989

00:36:44,470 --> 00:36:42,400

container the hands like yeah they're

990

00:36:46,310 --> 00:36:44,480

working on uh making them smaller you

991

00:36:48,069 --> 00:36:46,320

can put them on airplanes you could just

992

00:36:49,910 --> 00:36:48,079

fly it indefinitely

993

00:36:51,109 --> 00:36:49,920

he didn't told me he didn't tell me i

994

00:36:54,390 --> 00:36:51,119

had to read the whole thing though he's

995

00:36:55,589 --> 00:36:54,400

gonna test me on it next time

996

00:36:56,790 --> 00:36:55,599

hell yeah

997

00:36:58,470 --> 00:36:56,800

are you gonna tell me about that i'm

998

00:37:00,310 --> 00:36:58,480

gonna have to look that up now

999

00:37:02,550 --> 00:37:00,320

yeah he was talking about something like

1000

00:37:05,430 --> 00:37:02,560

he was like yeah this thing uh it

1001
00:37:07,030 --> 00:37:05,440
requires zero maintenance and uh you

1002
00:37:08,950 --> 00:37:07,040
could build one and like power the

1003
00:37:10,630 --> 00:37:08,960
united states for like 40 years it was

1004
00:37:13,109 --> 00:37:10,640
like you could put on air force one and

1005
00:37:14,870 --> 00:37:13,119
just keep it up in the air forever and i

1006
00:37:16,230 --> 00:37:14,880
was like what dude he was like yeah can

1007
00:37:18,150 --> 00:37:16,240
you imagine if you were able to shrink

1008
00:37:20,950 --> 00:37:18,160
that down and put one on the back of

1009
00:37:23,270 --> 00:37:20,960
everyone's house like it just

1010
00:37:25,990 --> 00:37:23,280
you would just have energy all the time

1011
00:37:28,069 --> 00:37:26,000
that'd be crazy yep

1012
00:37:30,540 --> 00:37:28,079
man you could put your weed in it too

1013
00:37:32,790 --> 00:37:30,550

yeah you could put your weeds in there

1014

00:37:34,950 --> 00:37:32,800

[Laughter]

1015

00:37:36,630 --> 00:37:34,960

but holy crap like

1016

00:37:39,510 --> 00:37:36,640

that's it's crazy to think that

1017

00:37:41,349 --> 00:37:39,520

something like that exists right i know

1018

00:37:43,190 --> 00:37:41,359

and they have it and like jim saw it and

1019

00:37:45,510 --> 00:37:43,200

took a picture and then everybody was

1020

00:37:48,710 --> 00:37:45,520

like but like we need more

1021

00:37:50,310 --> 00:37:48,720

no more solar panels we need windmills

1022

00:37:51,430 --> 00:37:50,320

you're like no jim took a picture of a

1023

00:37:54,230 --> 00:37:51,440

thing that powers the united states for

1024

00:37:56,150 --> 00:37:54,240

40 years and air force one forever yeah

1025

00:37:58,150 --> 00:37:56,160

and you only need two of them

1026

00:37:59,750 --> 00:37:58,160

dude i mean i don't know how dark or

1027

00:38:01,910 --> 00:37:59,760

deep down this rabbit hole of like

1028

00:38:02,950 --> 00:38:01,920

energy and and all that but like i've

1029

00:38:04,790 --> 00:38:02,960

been like

1030

00:38:06,150 --> 00:38:04,800

thinking this same thought for a couple

1031

00:38:07,349 --> 00:38:06,160

weeks now like

1032

00:38:09,910 --> 00:38:07,359

that

1033

00:38:12,390 --> 00:38:09,920

the easier and cheaper and more

1034

00:38:13,910 --> 00:38:12,400

efficient technology and energy gets the

1035

00:38:15,829 --> 00:38:13,920

more dangerous it gets and that's why

1036

00:38:18,230 --> 00:38:15,839

we're not seeing it

1037

00:38:20,069 --> 00:38:18,240

well we gotta see it eventually well

1038

00:38:21,750 --> 00:38:20,079

that's why we're not we're not able to

1039

00:38:23,589 --> 00:38:21,760

you know handle it like

1040

00:38:26,230 --> 00:38:23,599

we're not gonna just give over a

1041

00:38:27,589 --> 00:38:26,240

hydrogen car to to any civilian that

1042

00:38:30,150 --> 00:38:27,599

doesn't know what they're doing like you

1043

00:38:32,470 --> 00:38:30,160

know if you spark the wrong

1044

00:38:35,430 --> 00:38:32,480

thing in the wrong situation like it's a

1045

00:38:36,950 --> 00:38:35,440

bomb like it's now a bomb

1046

00:38:39,190 --> 00:38:36,960

i mean you could just make it to where

1047

00:38:41,190 --> 00:38:39,200

it runs on water you know but that

1048

00:38:43,750 --> 00:38:41,200

that's the hydrogen hydrogen separation

1049

00:38:45,750 --> 00:38:43,760

from the h₂o so like that now it's

1050

00:38:48,550 --> 00:38:45,760

hydrogen gas that's in your tank instead

1051
00:38:50,310 --> 00:38:48,560
so you're instead of the fumes from fuel

1052
00:38:54,310 --> 00:38:50,320
you're burning hydrogen gas which is

1053
00:38:56,470 --> 00:38:54,320
like as a hydrogen bomb dude like

1054
00:38:59,349 --> 00:38:56,480
it's pretty dangerous

1055
00:39:00,790 --> 00:38:59,359
what is the um i forget what it's called

1056
00:39:03,430 --> 00:39:00,800
um

1057
00:39:07,270 --> 00:39:03,440
instead of using instead of using

1058
00:39:10,390 --> 00:39:07,280
uranium they were talking about using

1059
00:39:12,630 --> 00:39:10,400
i think it's called thorium is the other

1060
00:39:16,310 --> 00:39:12,640
was the other alternative and they were

1061
00:39:17,589 --> 00:39:16,320
like oh it's way more stable

1062
00:39:19,030 --> 00:39:17,599
they were like can you make a bomb out

1063
00:39:20,550 --> 00:39:19,040

of it and they were like well no and

1064

00:39:22,069 --> 00:39:20,560

they were like no we're not going to use

1065

00:39:24,390 --> 00:39:22,079

that oh

1066

00:39:25,910 --> 00:39:24,400

we want to we want uranium and they were

1067

00:39:27,829 --> 00:39:25,920

like yeah but you're going to like blow

1068

00:39:29,750 --> 00:39:27,839

the world up and they were like i know

1069

00:39:32,310 --> 00:39:29,760

that's the whole point and then they

1070

00:39:33,829 --> 00:39:32,320

made it and they made atomic bombs and

1071

00:39:35,270 --> 00:39:33,839

then and then they were like what are we

1072

00:39:37,270 --> 00:39:35,280

gonna do with all this byproduct and

1073

00:39:39,030 --> 00:39:37,280

waste i don't know what is it it's

1074

00:39:40,710 --> 00:39:39,040

called fluoride i don't know [h__\h] put

1075

00:39:43,990 --> 00:39:40,720

it in people's toothpaste

1076

00:39:46,870 --> 00:39:44,000

oh no like wait what that fluoride is a

1077

00:39:48,710 --> 00:39:46,880

byproduct of yeah fluoride's a byproduct

1078

00:39:51,190 --> 00:39:48,720

of of nuclear waste

1079

00:39:53,670 --> 00:39:51,200

holy [h__h] yeah that's where it's like

1080

00:39:55,430 --> 00:39:53,680

where it comes from it's crazy

1081

00:39:57,670 --> 00:39:55,440

you can't bury that stuff and then they

1082

00:39:59,829 --> 00:39:57,680

said well we'll just make people eat it

1083

00:40:01,910 --> 00:39:59,839

yeah that's in drinking in their water

1084

00:40:03,589 --> 00:40:01,920

to get rid of it yeah

1085

00:40:05,990 --> 00:40:03,599

so like there's not some scientists

1086

00:40:07,670 --> 00:40:06,000

likes carefully adding quantities of

1087

00:40:09,430 --> 00:40:07,680

fluoride to our water system it's like

1088

00:40:10,950 --> 00:40:09,440

gras from groundwater right like you're

1089

00:40:13,990 --> 00:40:10,960

saying the fluoride's in the ground

1090

00:40:17,030 --> 00:40:14,000

water or it's drinking water right

1091

00:40:18,470 --> 00:40:17,040

so i'm not sure what the process is and

1092

00:40:19,589 --> 00:40:18,480

i'm sure that there was some guy was

1093

00:40:20,950 --> 00:40:19,599

like [h__h] we got to figure out what to

1094

00:40:23,270 --> 00:40:20,960

do with this and he was like well you

1095

00:40:25,109 --> 00:40:23,280

know if you put like microns of the [h__h]

1096

00:40:27,910 --> 00:40:25,119

it won't hurt you so maybe if we just

1097

00:40:29,589 --> 00:40:27,920

spread it out all over the place

1098

00:40:31,030 --> 00:40:29,599

it won't it won't be that bad you just

1099

00:40:32,790 --> 00:40:31,040

put a little bit in the water you know

1100

00:40:34,150 --> 00:40:32,800

put a little bit there and it makes your

1101

00:40:35,750 --> 00:40:34,160

teeth hard

1102

00:40:37,030 --> 00:40:35,760

it's good for your teeth that's like

1103

00:40:38,790 --> 00:40:37,040

that's like stepping and [h__h] and

1104

00:40:40,230 --> 00:40:38,800

tracking it through the house and just

1105

00:40:42,390 --> 00:40:40,240

just saying you know what

1106

00:40:44,069 --> 00:40:42,400

just keep going don't pick it up just

1107

00:40:46,150 --> 00:40:44,079

keep spreading it it's okay we have a

1108

00:40:48,470 --> 00:40:46,160

mop yeah we have a mop we'll clean it up

1109

00:40:50,470 --> 00:40:48,480

later let's just disperse it and get it

1110

00:40:52,710 --> 00:40:50,480

out everywhere we'll clean it up later

1111

00:40:54,550 --> 00:40:52,720

we'll smear it yeah and enzo says yes

1112

00:40:56,950 --> 00:40:54,560

thorium is a type of heavy salt that can

1113

00:40:59,829 --> 00:40:56,960

be used in reactors

1114

00:41:02,550 --> 00:40:59,839

i'm a little smart today dude

1115

00:41:06,710 --> 00:41:04,390

thank you yeah yeah

1116

00:41:08,630 --> 00:41:06,720

he's a smart guy too yeah dude

1117

00:41:11,589 --> 00:41:08,640

yeah he is

1118

00:41:16,500 --> 00:41:13,670

good point sunsaver hydrogen on demand

1119

00:41:19,109 --> 00:41:16,510

is safe too free to profit from

1120

00:41:21,270 --> 00:41:19,119

[Music]

1121

00:41:22,870 --> 00:41:21,280

yeah dude and you'd be you would think

1122

00:41:23,829 --> 00:41:22,880

that like

1123

00:41:25,750 --> 00:41:23,839

i mean

1124

00:41:28,470 --> 00:41:25,760

there's a lot of water you know if you

1125

00:41:30,870 --> 00:41:28,480

want to make profit like

1126

00:41:32,309 --> 00:41:30,880

i mean just use water right

1127

00:41:35,430 --> 00:41:32,319

there's some of it on earth it's

1128

00:41:37,430 --> 00:41:35,440

everywhere sound

1129

00:41:38,950 --> 00:41:37,440

yeah

1130

00:41:40,309 --> 00:41:38,960

i wanna

1131

00:41:41,990 --> 00:41:40,319

just imagine what else you could power

1132

00:41:44,710 --> 00:41:42,000

up with those balls he's talking about

1133

00:41:45,829 --> 00:41:44,720

too bad yeah

1134

00:41:48,470 --> 00:41:45,839

you just

1135

00:41:51,109 --> 00:41:48,480

put that in the electric car and

1136

00:41:52,630 --> 00:41:51,119

you need one this big yeah dude tiny

1137

00:41:54,390 --> 00:41:52,640

tiny little one for like a motorcycle

1138

00:41:56,309 --> 00:41:54,400

dude you can run this year forever no

1139

00:41:58,069 --> 00:41:56,319

gas though

1140

00:42:00,230 --> 00:41:58,079

uh thin lizzie borden yeah not for your

1141

00:42:01,670 --> 00:42:00,240

good eye uh not good for your third eye

1142

00:42:03,430 --> 00:42:01,680

like yeah the whole thing about fluoride

1143

00:42:05,670 --> 00:42:03,440

is that it calcifies your pineal gland

1144

00:42:08,309 --> 00:42:05,680

right yeah yeah calcifies your pineal

1145

00:42:10,230 --> 00:42:08,319

gland it makes you dumb

1146

00:42:11,990 --> 00:42:10,240

i must have a lot of fluoride in my

1147

00:42:13,829 --> 00:42:12,000

water

1148

00:42:15,589 --> 00:42:13,839

well the dumb part i don't know about

1149

00:42:16,470 --> 00:42:15,599

the third eye thing i haven't meditated

1150

00:42:18,390 --> 00:42:16,480

in a while

1151

00:42:21,430 --> 00:42:18,400

see if i can find this thing this thing

1152

00:42:23,510 --> 00:42:21,440

is pretty oh is that it maybe

1153

00:42:24,870 --> 00:42:23,520

no by the way guys if you haven't

1154

00:42:26,630 --> 00:42:24,880

checked it out yet

1155

00:42:28,230 --> 00:42:26,640

definitely go check this book out this

1156

00:42:31,990 --> 00:42:28,240

is jim goodall's

1157

00:42:35,430 --> 00:42:32,000

75 years skunk works book it's amazing

1158

00:42:38,630 --> 00:42:35,440

and it's only a dollar per year uh a

1159

00:42:41,670 --> 00:42:40,230

if you buy it on amazon you got to be

1160

00:42:45,030 --> 00:42:41,680

friends with jim goodall otherwise it's

1161

00:42:46,550 --> 00:42:45,040

like a 75 book oh nice dude worth it

1162

00:42:48,470 --> 00:42:46,560

those are like some photos that no one's

1163

00:42:49,990 --> 00:42:48,480

ever seen nobody's ever seen a lot of

1164

00:42:52,790 --> 00:42:50,000

these photos these are like one of a

1165

00:42:54,790 --> 00:42:52,800

kind skunk works allowed

1166

00:42:57,190 --> 00:42:54,800

jim goodall to walk through there and

1167

00:43:00,550 --> 00:42:57,200

take photos the only dude ever they've

1168

00:43:01,589 --> 00:43:00,560

ever allowed to do that like what man

1169

00:43:03,109 --> 00:43:01,599

it was like hey you want to see some

1170

00:43:04,950 --> 00:43:03,119

[h__h] in the background and jim was like

1171

00:43:07,270 --> 00:43:04,960

yeah

1172

00:43:10,309 --> 00:43:07,280

please let's see

1173

00:43:12,069 --> 00:43:10,319

it's back here in the back of the book

1174

00:43:13,990 --> 00:43:12,079

he was like yeah it's a prototype right

1175

00:43:15,349 --> 00:43:14,000

now yeah here it is

1176

00:43:18,550 --> 00:43:15,359

uh

1177

00:43:18,560 --> 00:43:22,230

show and tell

1178

00:43:26,470 --> 00:43:23,990

it looks pretty cool that looks like a

1179

00:43:28,870 --> 00:43:26,480

tic tac dude or a dire lung

1180

00:43:29,750 --> 00:43:28,880

an iron lung

1181

00:43:31,589 --> 00:43:29,760

yeah

1182

00:43:33,109 --> 00:43:31,599

he would say that can fit inside of a

1183

00:43:34,710 --> 00:43:33,119

shipping container right yeah you can

1184

00:43:39,190 --> 00:43:34,720

fit inside of a shipping container and

1185

00:43:43,750 --> 00:43:41,270

yeah

1186

00:43:45,910 --> 00:43:43,760

fission it's a fission reactor it's the

1187

00:43:47,910 --> 00:43:45,920

thing that the sun does

1188

00:43:49,589 --> 00:43:47,920

that's what it is uh

1189

00:43:50,870 --> 00:43:49,599

wait hold on i thought we hadn't figured

1190

00:43:52,470 --> 00:43:50,880

out fission

1191

00:43:59,510 --> 00:43:52,480

no that's fusion

1192

00:44:03,030 --> 00:44:01,589

well they figured it out they were like

1193

00:44:04,230 --> 00:44:03,040

hey they called the sun and they were

1194

00:44:06,630 --> 00:44:04,240

like hey what are you doing and he was

1195

00:44:10,150 --> 00:44:06,640

like vision and they were like oh

1196

00:44:12,390 --> 00:44:10,160

i got it i can do that

1197

00:44:14,790 --> 00:44:12,400

uh by containing this reaction the

1198

00:44:16,710 --> 00:44:14,800

energy can be released in a controlled

1199

00:44:18,550 --> 00:44:16,720

fashion to create usable electricity

1200

00:44:21,510 --> 00:44:18,560

that can power a remote

1201
00:44:23,190 --> 00:44:21,520
austere base or a small town of up to 80

1202
00:44:24,710 --> 00:44:23,200
000 homes

1203
00:44:26,069 --> 00:44:24,720
that's crazy

1204
00:44:29,910 --> 00:44:26,079
yeah

1205
00:44:30,950 --> 00:44:29,920
possibility that the compact fusion

1206
00:44:33,430 --> 00:44:30,960
reactor

1207
00:44:36,230 --> 00:44:33,440
could be made small enough to power or

1208
00:44:37,990 --> 00:44:36,240
uh power a manned or unmanned aerial

1209
00:44:41,990 --> 00:44:38,000
platform

1210
00:44:44,390 --> 00:44:42,000
oh are we talking like uh like

1211
00:44:46,470 --> 00:44:44,400
giant triangles that uh people often see

1212
00:44:50,710 --> 00:44:46,480
they're floating over cities very slowly

1213
00:44:53,349 --> 00:44:50,720

possibly possibly very large platforms

1214

00:44:55,670 --> 00:44:53,359

with at least 80 000 homes

1215

00:44:57,030 --> 00:44:55,680

inside of it oh my gosh oh

1216

00:44:57,990 --> 00:44:57,040

uh-huh

1217

00:45:01,430 --> 00:44:58,000

yeah

1218

00:45:03,030 --> 00:45:01,440

once said not only do i have the

1219

00:45:05,349 --> 00:45:03,040

technology to take et home but i have

1220

00:45:07,750 --> 00:45:05,359

the contract

1221

00:45:10,309 --> 00:45:07,760

what if he lives on a giant triangle in

1222

00:45:11,510 --> 00:45:10,319

the sky dude he's not going to a

1223

00:45:13,270 --> 00:45:11,520

different solar system he's just taking

1224

00:45:14,710 --> 00:45:13,280

him home this book is absolutely worth

1225

00:45:17,190 --> 00:45:14,720

it ladies and gentlemen

1226

00:45:18,710 --> 00:45:17,200

yeah you did tell me that what i told

1227

00:45:20,309 --> 00:45:18,720

you guys about on here a long time ago

1228

00:45:22,470 --> 00:45:20,319

when i seen the thing fly over the house

1229

00:45:24,870 --> 00:45:22,480

oh slow barely moving i thought that was

1230

00:45:26,309 --> 00:45:24,880

a stealth bomber with the tether

1231

00:45:29,109 --> 00:45:26,319

he said no

1232

00:45:31,430 --> 00:45:29,119

he told me for sure no that is not what

1233

00:45:32,550 --> 00:45:31,440

you've seen oh and then that's all he

1234

00:45:33,589 --> 00:45:32,560

told me

1235

00:45:35,349 --> 00:45:33,599

he wasn't

1236

00:45:37,190 --> 00:45:35,359

he's pretty tight-lipped

1237

00:45:38,390 --> 00:45:37,200

i'm i'm surprised i mean i'm not

1238

00:45:40,309 --> 00:45:38,400

surprised

1239

00:45:41,510 --> 00:45:40,319

but he said no he said no it wasn't a

1240

00:45:43,910 --> 00:45:41,520

bomber

1241

00:45:45,510 --> 00:45:43,920

yeah still told me no that's not a

1242

00:45:48,470 --> 00:45:45,520

stealth bomber he said if that was a

1243

00:45:49,829 --> 00:45:48,480

stellar bomber at that height

1244

00:45:52,309 --> 00:45:49,839

going over your house because they can't

1245

00:45:53,430 --> 00:45:52,319

go that slow either he said so when it

1246

00:45:54,950 --> 00:45:53,440

went by your house it would have blew

1247

00:45:57,109 --> 00:45:54,960

all the windows out he said they're that

1248

00:45:58,309 --> 00:45:57,119

loud this thing made no noise it's just

1249

00:45:59,430 --> 00:45:58,319

it's quiet

1250

00:46:01,030 --> 00:45:59,440

damn

1251
00:46:02,950 --> 00:46:01,040
it look just like a stealth bomber looks

1252
00:46:04,390 --> 00:46:02,960
exactly like it

1253
00:46:07,510 --> 00:46:04,400
so it's like

1254
00:46:09,030 --> 00:46:07,520
that with a re-engineered

1255
00:46:11,990 --> 00:46:09,040
power source it's more of a michael

1256
00:46:12,870 --> 00:46:12,000
track question right right yes it is oh

1257
00:46:14,710 --> 00:46:12,880
guys

1258
00:46:17,030 --> 00:46:14,720
i thought of a michael shrat question i

1259
00:46:20,069 --> 00:46:17,040
would love i would have loved to ask him

1260
00:46:22,309 --> 00:46:20,079
this past weekend or yeah jesus feels

1261
00:46:25,150 --> 00:46:22,319
like it's been two months uh but

1262
00:46:28,950 --> 00:46:25,160
okay so you guys know about like the uh

1263
00:46:30,069 --> 00:46:28,960

1865 airship thing in aurora texas 69

1264

00:46:31,670 --> 00:46:30,079

69.

1265

00:46:33,910 --> 00:46:31,680

that's what's up

1266

00:46:36,150 --> 00:46:33,920

so there's this there's this whole new

1267

00:46:39,270 --> 00:46:36,160

like rabbit hole i've gone down on tick

1268

00:46:40,550 --> 00:46:39,280

tock about uh tartaria and it actually

1269

00:46:41,349 --> 00:46:40,560

existing

1270

00:46:42,790 --> 00:46:41,359

uh

1271

00:46:44,470 --> 00:46:42,800

and and that there's something called

1272

00:46:46,150 --> 00:46:44,480

the world fairs

1273

00:46:48,150 --> 00:46:46,160

and there's all these books and

1274

00:46:50,150 --> 00:46:48,160

illustrations based on these world fairs

1275

00:46:51,990 --> 00:46:50,160

and that these this this really

1276
00:46:53,510 --> 00:46:52,000
high-tech civilization used to travel

1277
00:46:56,069 --> 00:46:53,520
the world and

1278
00:46:57,270 --> 00:46:56,079
and they utilized airships these like

1279
00:46:59,510 --> 00:46:57,280
these

1280
00:47:01,589 --> 00:46:59,520
zeppelins and

1281
00:47:04,069 --> 00:47:01,599
from our history like it's just been

1282
00:47:06,390 --> 00:47:04,079
kind of erased from history that we used

1283
00:47:07,910 --> 00:47:06,400
airships a lot more than we know about

1284
00:47:09,670 --> 00:47:07,920
like tall buildings used to have

1285
00:47:11,270 --> 00:47:09,680
platforms where they could

1286
00:47:12,790 --> 00:47:11,280
ride up their airship and come down and

1287
00:47:14,550 --> 00:47:12,800
that's why there's there's always like a

1288
00:47:16,230 --> 00:47:14,560

staircase that goes to the top from the

1289

00:47:17,670 --> 00:47:16,240

top at the bottom

1290

00:47:18,470 --> 00:47:17,680

uh i don't know if you guys have you

1291

00:47:20,150 --> 00:47:18,480

guys

1292

00:47:21,589 --> 00:47:20,160

the world fair is like one of the first

1293

00:47:23,750 --> 00:47:21,599

places that they

1294

00:47:25,430 --> 00:47:23,760

used a string of light bulbs to light it

1295

00:47:26,790 --> 00:47:25,440

up

1296

00:47:28,790 --> 00:47:26,800

because a lot of people would come there

1297

00:47:29,589 --> 00:47:28,800

and show off inventions and things and

1298

00:47:30,470 --> 00:47:29,599

so

1299

00:47:33,109 --> 00:47:30,480

yeah

1300

00:47:35,349 --> 00:47:33,119

so it was a real it's like it's not like

1301

00:47:39,750 --> 00:47:35,359

a fictional thing like oh yeah

1302

00:47:41,750 --> 00:47:39,760

i think the world's prayer is also where

1303

00:47:45,030 --> 00:47:41,760

tesla is it tesla that electrocuted the

1304

00:47:48,870 --> 00:47:47,109

that was edison

1305

00:47:51,349 --> 00:47:48,880

he did that to start a

1306

00:47:53,430 --> 00:47:51,359

smear campaign against uh ac power to

1307

00:47:55,430 --> 00:47:53,440

show how like dangerous it could be

1308

00:47:57,430 --> 00:47:55,440

he would like electrocute animals in

1309

00:47:59,829 --> 00:47:57,440

public and say ah

1310

00:48:02,710 --> 00:47:59,839

i think that was at a world's fair with

1311

00:48:04,230 --> 00:48:02,720

the elephant [h__h] and he killed it

1312

00:48:06,390 --> 00:48:04,240

that's messed up

1313

00:48:08,390 --> 00:48:06,400

that is messed up that means he did it

1314

00:48:10,309 --> 00:48:08,400

wrong

1315

00:48:14,390 --> 00:48:10,319

he didn't press the button right

1316

00:48:14,400 --> 00:48:17,670

what an idiot

1317

00:48:23,109 --> 00:48:21,430

oh yeah uh uh 509 you i love that video

1318

00:48:25,589 --> 00:48:23,119

have you all played bioshock he says

1319

00:48:27,109 --> 00:48:25,599

that the video game bioshock talks about

1320

00:48:30,309 --> 00:48:27,119

the cities in the sky and the cities in

1321

00:48:32,710 --> 00:48:30,319

the ocean from the crazy elites

1322

00:48:35,190 --> 00:48:32,720

i forgot about that video game 100

1323

00:48:36,710 --> 00:48:35,200

that's where like it's in uh

1324

00:48:39,430 --> 00:48:36,720

civilization

1325

00:48:41,349 --> 00:48:39,440

and one of them one of the eras you go

1326
00:48:42,549 --> 00:48:41,359
through you have to compete in the world

1327
00:48:44,309 --> 00:48:42,559
fair

1328
00:48:46,230 --> 00:48:44,319
and it's yeah and you come up with like

1329
00:48:47,430 --> 00:48:46,240
inventions and so like the idea is that

1330
00:48:49,990 --> 00:48:47,440
like you have to have like the most

1331
00:48:52,309 --> 00:48:50,000
culture and like science happening and

1332
00:48:54,630 --> 00:48:52,319
like your civilization to like win the

1333
00:48:55,670 --> 00:48:54,640
world fair section of the game it's

1334
00:48:57,190 --> 00:48:55,680
pretty cool

1335
00:48:59,109 --> 00:48:57,200
i don't do that remember i told you i

1336
00:49:00,870 --> 00:48:59,119
just i just pump a bunch of coal out and

1337
00:49:03,030 --> 00:49:00,880
like flood the world and i stay on the

1338
00:49:05,270 --> 00:49:03,040

inside yeah

1339

00:49:07,589 --> 00:49:05,280

go rape people cities

1340

00:49:10,230 --> 00:49:07,599

yeah take that dude

1341

00:49:13,030 --> 00:49:10,240

gandhi was talking all that [h__h]

1342

00:49:14,710 --> 00:49:13,040

he's not very peaceful in that game

1343

00:49:16,710 --> 00:49:14,720

that dude always always putting soldiers

1344

00:49:18,549 --> 00:49:16,720

near my borders and i'll appreciate it

1345

00:49:20,309 --> 00:49:18,559

you're saying gandhi is in the video

1346

00:49:21,109 --> 00:49:20,319

game yeah he's in the game yeah oh

1347

00:49:23,670 --> 00:49:21,119

really

1348

00:49:25,270 --> 00:49:23,680

yeah i always play as teddy roosevelt

1349

00:49:26,549 --> 00:49:25,280

because you get the rough riders at a

1350

00:49:29,510 --> 00:49:26,559

certain point in the game and you get

1351
00:49:31,510 --> 00:49:29,520
the p51 mustang too and you can fly it

1352
00:49:33,270 --> 00:49:31,520
and you get the stealth bombers

1353
00:49:34,870 --> 00:49:33,280
it's pretty sweet yeah you can play

1354
00:49:36,630 --> 00:49:34,880
there there's all kinds of civilizations

1355
00:49:39,670 --> 00:49:36,640
you could be like you can play like as

1356
00:49:42,150 --> 00:49:39,680
greece egypt america like it's wild

1357
00:49:43,589 --> 00:49:42,160
india it's dope civilization never even

1358
00:49:45,829 --> 00:49:43,599
heard of it i've never even heard of

1359
00:49:48,470 --> 00:49:45,839
that yeah it's so do it dude it's so

1360
00:49:50,309 --> 00:49:48,480
dope it'll take you hours i i love those

1361
00:49:54,230 --> 00:49:50,319
slow civ building games that take

1362
00:49:56,870 --> 00:49:54,240
multiple days to put together

1363
00:50:01,430 --> 00:49:59,109

you play games like that too man

1364

00:50:03,190 --> 00:50:01,440

no i've only well uh

1365

00:50:07,190 --> 00:50:03,200

i play skyrim

1366

00:50:08,870 --> 00:50:07,200

i play scrim and i've played uh tropico

1367

00:50:10,390 --> 00:50:08,880

um

1368

00:50:11,990 --> 00:50:10,400

it's kind of like a roller coaster

1369

00:50:14,710 --> 00:50:12,000

tycoon type game kind of kind of like

1370

00:50:16,309 --> 00:50:14,720

what joe's talking about but more more

1371

00:50:18,710 --> 00:50:16,319

uh dumbed down

1372

00:50:20,630 --> 00:50:18,720

and then i played uh a couple other

1373

00:50:23,430 --> 00:50:20,640

couple of shoot em ups and then my

1374

00:50:25,829 --> 00:50:23,440

reflexes got slow as i aged

1375

00:50:27,190 --> 00:50:25,839

uh and now i just i just didn't enjoy it

1376

00:50:28,230 --> 00:50:27,200

anymore it was terrible i was playing

1377

00:50:29,670 --> 00:50:28,240

against like

1378

00:50:30,790 --> 00:50:29,680

young spry

1379

00:50:32,150 --> 00:50:30,800

like

1380

00:50:33,190 --> 00:50:32,160

fast twitch

1381

00:50:35,030 --> 00:50:33,200

i don't know

1382

00:50:36,470 --> 00:50:35,040

yeah it wasn't fun anymore shoot them up

1383

00:50:38,630 --> 00:50:36,480

games so i've stopped doing that i don't

1384

00:50:40,309 --> 00:50:38,640

even play video games anymore it's not

1385

00:50:42,150 --> 00:50:40,319

my grandson will kick my ass at him so i

1386

00:50:44,870 --> 00:50:42,160

don't play him no more either yeah

1387

00:50:46,150 --> 00:50:44,880

that's what we're gonna bust out the 64.

1388

00:50:48,470 --> 00:50:46,160

get some uh

1389

00:50:50,710 --> 00:50:48,480

get some smash bros going

1390

00:50:51,750 --> 00:50:50,720

and uh show them what's up or some mario

1391

00:50:56,230 --> 00:50:51,760

kart

1392

00:50:57,349 --> 00:50:56,240

see what happens

1393

00:50:59,670 --> 00:50:57,359

you know where all the like the secret

1394

00:51:01,349 --> 00:50:59,680

passageways are you're like like you

1395

00:51:02,630 --> 00:51:01,359

don't tell him

1396

00:51:04,549 --> 00:51:02,640

dude

1397

00:51:06,829 --> 00:51:04,559

i played my brother in diddy kong racing

1398

00:51:09,190 --> 00:51:06,839

and that fool didn't know what hit

1399

00:51:10,069 --> 00:51:09,200

him was like you ready for this and i

1400

00:51:10,790 --> 00:51:10,079

was like

1401
00:51:12,230 --> 00:51:10,800
yeah

1402
00:51:13,109 --> 00:51:12,240
i'm ready

1403
00:51:15,270 --> 00:51:13,119
yeah

1404
00:51:18,069 --> 00:51:15,280
diddy kong racing

1405
00:51:19,910 --> 00:51:18,079
was cool what's up what what did uh

1406
00:51:22,549 --> 00:51:19,920
uh diddy kong's his

1407
00:51:23,829 --> 00:51:22,559
uh his his noise that he made like what

1408
00:51:25,990 --> 00:51:23,839
where did they get the idea for that it

1409
00:51:27,349 --> 00:51:26,000
was like

1410
00:51:30,150 --> 00:51:27,359
you remember that you ever heard a

1411
00:51:31,910 --> 00:51:30,160
monkey when he falls out of the tree

1412
00:51:33,270 --> 00:51:31,920
that's what it sounds like

1413
00:51:36,309 --> 00:51:33,280

i don't know

1414

00:51:38,230 --> 00:51:36,319

oh dude yeah uh then lizzie says uh she

1415

00:51:39,430 --> 00:51:38,240

still plays mortal kombat remember when

1416

00:51:40,870 --> 00:51:39,440

we lived together for when i would play

1417

00:51:43,190 --> 00:51:40,880

mortal kombat and i could never beat the

1418

00:51:44,870 --> 00:51:43,200

last level yeah and i would play you and

1419

00:51:45,990 --> 00:51:44,880

i would get so mad because you were so

1420

00:51:47,670 --> 00:51:46,000

good

1421

00:51:48,470 --> 00:51:47,680

you remember that how pissed i would get

1422

00:51:50,230 --> 00:51:48,480

like

1423

00:51:51,349 --> 00:51:50,240

i'm

1424

00:51:52,549 --> 00:51:51,359

because that was like the first year

1425

00:51:56,549 --> 00:51:52,559

that you could like put put the

1426

00:51:58,710 --> 00:51:56,559

soundtrack on your on your xbox

1427

00:52:00,069 --> 00:51:58,720

so we like throw pantera albums on there

1428

00:52:02,470 --> 00:52:00,079

and we would play mortal kombat it was

1429

00:52:04,390 --> 00:52:02,480

like the perfect soundtrack tomorrow

1430

00:52:06,790 --> 00:52:04,400

combat that was so fun

1431

00:52:09,109 --> 00:52:06,800

i never won against you by the way

1432

00:52:10,549 --> 00:52:09,119

you beat me every single time you were

1433

00:52:12,630 --> 00:52:10,559

so good at that game

1434

00:52:14,630 --> 00:52:12,640

i was trying to beat the last level i

1435

00:52:16,790 --> 00:52:14,640

remember good dude i remember us like

1436

00:52:18,230 --> 00:52:16,800

freaking out when you did get to like to

1437

00:52:19,750 --> 00:52:18,240

find are you sure you didn't be the

1438

00:52:21,670 --> 00:52:19,760

final boss because i remember it being

1439

00:52:24,630 --> 00:52:21,680

like epic as [h__\h]

1440

00:52:26,470 --> 00:52:24,640

i don't think so dude i don't think so i

1441

00:52:27,990 --> 00:52:26,480

i just enjoy watching other people play

1442

00:52:31,109 --> 00:52:28,000

some of those some of those games man

1443

00:52:32,710 --> 00:52:31,119

more than i actually do playing them

1444

00:52:33,589 --> 00:52:32,720

hell yeah man

1445

00:52:35,190 --> 00:52:33,599

dude

1446

00:52:37,750 --> 00:52:35,200

what's up

1447

00:52:40,549 --> 00:52:37,760

so i wanted to get you guys thoughts man

1448

00:52:48,309 --> 00:52:43,349

sonny do you know do you know anybody uh

1449

00:52:50,470 --> 00:52:48,319

personally that uh that has implants

1450

00:52:51,589 --> 00:52:50,480

alien implants oh

1451

00:52:53,750 --> 00:52:51,599

what kind of implants are we talking

1452

00:52:55,030 --> 00:52:53,760

about not like not like you know

1453

00:52:58,829 --> 00:52:55,040

not like

1454

00:53:00,390 --> 00:52:58,839

okay

1455

00:53:02,150 --> 00:53:00,400

implants

1456

00:53:04,309 --> 00:53:02,160

trying to think we have any guess or

1457

00:53:06,390 --> 00:53:04,319

anything i i

1458

00:53:09,270 --> 00:53:06,400

don't think so

1459

00:53:11,109 --> 00:53:09,280

yeah i don't i don't yeah i'm not not

1460

00:53:12,790 --> 00:53:11,119

100 for sure

1461

00:53:14,950 --> 00:53:12,800

ben i know we've met a couple people

1462

00:53:17,190 --> 00:53:14,960

that have some implants

1463

00:53:19,589 --> 00:53:17,200

one of these days i'll bring an x-ray in

1464

00:53:21,510 --> 00:53:19,599

of a papa willie when he's in here and

1465

00:53:24,069 --> 00:53:21,520

let you guys see in him it's just solid

1466

00:53:25,990 --> 00:53:24,079

metal he looks like the terminator oh

1467

00:53:27,829 --> 00:53:26,000

that's awesome

1468

00:53:30,150 --> 00:53:27,839

all through his back this big old screws

1469

00:53:31,510 --> 00:53:30,160

like this like he's crazy

1470

00:53:32,630 --> 00:53:31,520

if someone's gonna have an implant you

1471

00:53:33,750 --> 00:53:32,640

can put one in here but no one would

1472

00:53:35,430 --> 00:53:33,760

ever know

1473

00:53:38,230 --> 00:53:35,440

right man

1474

00:53:41,750 --> 00:53:38,240

these things are so crazy right

1475

00:53:43,430 --> 00:53:41,760

uh you know i always

1476

00:53:45,510 --> 00:53:43,440

implants are one of those things that

1477

00:53:47,349 --> 00:53:45,520

it's for me is it's pretty important

1478

00:53:48,390 --> 00:53:47,359

right because because it's it's really

1479

00:53:49,750 --> 00:53:48,400

like

1480

00:53:50,950 --> 00:53:49,760

uh the

1481

00:53:51,990 --> 00:53:50,960

the

1482

00:53:53,990 --> 00:53:52,000

i don't know

1483

00:53:57,109 --> 00:53:54,000

okay i may be miss miss speaking here

1484

00:53:58,549 --> 00:53:57,119

but for me it's one of those like

1485

00:54:00,790 --> 00:53:58,559

ground level

1486

00:54:03,030 --> 00:54:00,800

you want proof here you go you know yeah

1487

00:54:04,870 --> 00:54:03,040

physical physical evidence

1488

00:54:06,950 --> 00:54:04,880

it's like it's the physical evidence

1489

00:54:09,910 --> 00:54:06,960

that people want you know you can show

1490

00:54:12,150 --> 00:54:09,920

people marks you can you know tell your

1491

00:54:13,670 --> 00:54:12,160

story and things like that and it really

1492

00:54:16,069 --> 00:54:13,680

takes a certain person to really get on

1493

00:54:18,470 --> 00:54:16,079

board with that and and i get it but

1494

00:54:20,630 --> 00:54:18,480

then these dude these uh these implants

1495

00:54:23,430 --> 00:54:20,640

are something a little wild you know

1496

00:54:25,349 --> 00:54:23,440

they're crazy uh it's just it's wild

1497

00:54:27,589 --> 00:54:25,359

that that some people have these

1498

00:54:28,790 --> 00:54:27,599

implants in them it affects people

1499

00:54:31,030 --> 00:54:28,800

differently

1500

00:54:32,870 --> 00:54:31,040

some people have claimed that they can

1501

00:54:35,430 --> 00:54:32,880

be controlled some people claim that

1502

00:54:38,230 --> 00:54:35,440

they're probably a tracking device

1503

00:54:40,150 --> 00:54:38,240

uh you know and who knows what they are

1504

00:54:42,710 --> 00:54:40,160

who knows what they are right the

1505

00:54:45,349 --> 00:54:42,720

frustrating part is that you know you

1506

00:54:46,789 --> 00:54:45,359

have these guys like dr roger leer doing

1507

00:54:48,470 --> 00:54:46,799

these experiments

1508

00:54:50,390 --> 00:54:48,480

and the guy was like a foot doctor at

1509

00:54:51,990 --> 00:54:50,400

first right he's just like

1510

00:54:53,829 --> 00:54:52,000

he would go and like he would take like

1511

00:54:56,630 --> 00:54:53,839

pieces of metal out of people i remember

1512

00:54:58,710 --> 00:54:56,640

he was telling the story on like uh

1513

00:55:01,190 --> 00:54:58,720

these two guys in suits came in with

1514

00:55:03,030 --> 00:55:01,200

another guy and he had to take a piece

1515

00:55:04,789 --> 00:55:03,040

of metal out of the guys out of the

1516

00:55:06,710 --> 00:55:04,799

guy's foot or something

1517

00:55:08,230 --> 00:55:06,720

and uh they were like you know as soon

1518

00:55:09,670 --> 00:55:08,240

as he took it out they took it from him

1519

00:55:12,309 --> 00:55:09,680

and he was like it wasn't until later on

1520

00:55:14,069 --> 00:55:12,319

down the road that i i found out that uh

1521

00:55:16,309 --> 00:55:14,079

they were working on a new rocket and

1522

00:55:18,710 --> 00:55:16,319

like the propulsion systems and he was

1523

00:55:20,870 --> 00:55:18,720

you know grinding away some of the metal

1524

00:55:23,510 --> 00:55:20,880

on this rocket and some of it got inside

1525

00:55:25,829 --> 00:55:23,520

of him and it's a new type of alloy that

1526
00:55:27,829 --> 00:55:25,839
they were using for rocket boosters he

1527
00:55:29,829 --> 00:55:27,839
was like so you know i've seen some

1528
00:55:31,030 --> 00:55:29,839
strange stuff like that before and you

1529
00:55:32,230 --> 00:55:31,040
know

1530
00:55:34,390 --> 00:55:32,240
some of the stuff that we've been

1531
00:55:36,950 --> 00:55:34,400
pulling out of people is is a lot

1532
00:55:39,829 --> 00:55:36,960
different uh and

1533
00:55:41,990 --> 00:55:39,839
i don't understand like

1534
00:55:43,829 --> 00:55:42,000
the science part like irritates me

1535
00:55:45,430 --> 00:55:43,839
because

1536
00:55:48,549 --> 00:55:45,440
you know you're like hey i have this

1537
00:55:50,230 --> 00:55:48,559
thing i want to show it to you um

1538
00:55:52,069 --> 00:55:50,240

here's here's all the data on it and

1539

00:55:53,829 --> 00:55:52,079

they're like

1540

00:55:55,829 --> 00:55:53,839

no i'm good it's probably just a piece

1541

00:55:57,990 --> 00:55:55,839

of metal and you're like no no i mean it

1542

00:56:00,069 --> 00:55:58,000

is a piece of metal but like there's

1543

00:56:02,309 --> 00:56:00,079

also like um

1544

00:56:03,829 --> 00:56:02,319

meteorites in it like stuff you would

1545

00:56:05,510 --> 00:56:03,839

find in meteorites and they're like yeah

1546

00:56:06,549 --> 00:56:05,520

so it's probably just a meteorite and

1547

00:56:08,789 --> 00:56:06,559

then he's like

1548

00:56:10,470 --> 00:56:08,799

yeah but like what about carbon

1549

00:56:13,430 --> 00:56:10,480

nanotubes

1550

00:56:15,829 --> 00:56:13,440

what about uh you know atoms being being

1551

00:56:18,150 --> 00:56:15,839

layered like in in a single file line to

1552

00:56:19,990 --> 00:56:18,160

be extremely strong you know like stuff

1553

00:56:21,190 --> 00:56:20,000

that like we can't do yet

1554

00:56:23,510 --> 00:56:21,200

and they're like

1555

00:56:25,030 --> 00:56:23,520

well it could be an anomaly it's like

1556

00:56:27,109 --> 00:56:25,040

will somebody just look at the [h__h]

1557

00:56:29,109 --> 00:56:27,119

thing like can we just stop like like

1558

00:56:31,270 --> 00:56:29,119

jumping around this can we just look at

1559

00:56:32,549 --> 00:56:31,280

it we look at it would you

1560

00:56:34,710 --> 00:56:32,559

just let it

1561

00:56:36,470 --> 00:56:34,720

did you guys have the lady on your show

1562

00:56:38,069 --> 00:56:36,480

i did hear

1563

00:56:40,150 --> 00:56:38,079

oh man it was either

1564

00:56:42,150 --> 00:56:40,160

it might have been ours

1565

00:56:44,870 --> 00:56:42,160

but some lady i've heard her tell a

1566

00:56:47,109 --> 00:56:44,880

story about she had one in her nose

1567

00:56:49,190 --> 00:56:47,119

right and it was really bothering her

1568

00:56:49,990 --> 00:56:49,200

and when she removed it and took it out

1569

00:56:51,430 --> 00:56:50,000

like

1570

00:56:52,710 --> 00:56:51,440

when she fished it out with tweezers i

1571

00:56:53,510 --> 00:56:52,720

can't remember i think that's what it

1572

00:56:56,230 --> 00:56:53,520

was

1573

00:56:58,309 --> 00:56:56,240

and she put it on the tissue she had in

1574

00:57:00,230 --> 00:56:58,319

her hand she had toilet paper wound up

1575

00:57:03,109 --> 00:57:00,240

in her hand she put it on there and the

1576

00:57:05,270 --> 00:57:03,119

tissue caught on fire

1577

00:57:07,430 --> 00:57:05,280

whatever she took out of her nose set

1578

00:57:10,069 --> 00:57:07,440

the tissue on fire she had to throw it

1579

00:57:11,750 --> 00:57:10,079

in the toilet that was not our show but

1580

00:57:13,270 --> 00:57:11,760

i've heard that story too

1581

00:57:15,829 --> 00:57:13,280

were we standing next to each other was

1582

00:57:17,190 --> 00:57:15,839

somebody telling us that i don't know i

1583

00:57:19,109 --> 00:57:17,200

can't remember where i heard that i know

1584

00:57:20,789 --> 00:57:19,119

what you're talking about though dude

1585

00:57:22,309 --> 00:57:20,799

i've heard that

1586

00:57:24,309 --> 00:57:22,319

it might have been when we were doing

1587

00:57:27,430 --> 00:57:24,319

after hours it might i don't know where

1588

00:57:29,589 --> 00:57:27,440

i heard that at now dude what would

1589

00:57:31,750 --> 00:57:29,599

cause uh would so did the the object

1590

00:57:32,950 --> 00:57:31,760

itself catch on fire or did it just burn

1591

00:57:34,950 --> 00:57:32,960

up the tissue

1592

00:57:36,870 --> 00:57:34,960

it got so hot i guess when she took it

1593

00:57:39,030 --> 00:57:36,880

out of her nose it burned up the tissue

1594

00:57:40,789 --> 00:57:39,040

and then that's why she doesn't have it

1595

00:57:42,069 --> 00:57:40,799

to physically show anyone she threw that

1596

00:57:43,270 --> 00:57:42,079

tissue in the toilet because it caught

1597

00:57:44,710 --> 00:57:43,280

on fire she was doing that in her

1598

00:57:45,829 --> 00:57:44,720

bathroom

1599

00:57:47,510 --> 00:57:45,839

dude

1600

00:57:49,910 --> 00:57:47,520

they uh

1601
00:57:52,470 --> 00:57:49,920
some of these implants uh when you take

1602
00:57:54,789 --> 00:57:52,480
them out some of them disintegrate too

1603
00:57:56,870 --> 00:57:54,799
like it's so weird i was reading this

1604
00:57:59,430 --> 00:57:56,880
thing and so they say common locations

1605
00:58:00,549 --> 00:57:59,440
are deep inside nasal cavities behind

1606
00:58:02,549 --> 00:58:00,559
the eye

1607
00:58:05,750 --> 00:58:02,559
in the back of the neck

1608
00:58:07,990 --> 00:58:05,760
or in the feet toes hands or jaw these

1609
00:58:10,630 --> 00:58:08,000
implants are real we have photographs

1610
00:58:12,870 --> 00:58:10,640
x-rays cat scans of them

1611
00:58:15,109 --> 00:58:12,880
like it's just really strange and

1612
00:58:17,030 --> 00:58:15,119
they're also saying that you know how

1613
00:58:19,030 --> 00:58:17,040

your hand has certain types of nerve

1614

00:58:21,030 --> 00:58:19,040

endings it allows you to be able to pick

1615

00:58:22,710 --> 00:58:21,040

up a glass

1616

00:58:25,589 --> 00:58:22,720

and it allows

1617

00:58:26,309 --> 00:58:25,599

it it transmits to your brain that says

1618

00:58:28,950 --> 00:58:26,319

hey

1619

00:58:30,950 --> 00:58:28,960

don't crush this glass but also hold it

1620

00:58:33,349 --> 00:58:30,960

firm enough to where it doesn't fall out

1621

00:58:35,190 --> 00:58:33,359

of your hand yeah and they say that

1622

00:58:37,430 --> 00:58:35,200

those nerves those nerve endings are

1623

00:58:40,069 --> 00:58:37,440

only found in certain parts of the body

1624

00:58:43,109 --> 00:58:40,079

and when they find these uh

1625

00:58:45,109 --> 00:58:43,119

these these implants and other places in

1626

00:58:46,870 --> 00:58:45,119

the body that don't have those nerve

1627

00:58:49,670 --> 00:58:46,880

endings when they pull them out they

1628

00:58:52,390 --> 00:58:49,680

find that those types of nerve endings

1629

00:58:54,789 --> 00:58:52,400

are are attached to the the implant

1630

00:58:56,150 --> 00:58:54,799

itself

1631

00:58:58,069 --> 00:58:56,160

and they don't exist in those parts of

1632

00:59:00,150 --> 00:58:58,079

the body until they pull them out and

1633

00:59:02,789 --> 00:59:00,160

they're attached like

1634

00:59:06,069 --> 00:59:02,799

i have like my arm has been broke so the

1635

00:59:08,069 --> 00:59:06,079

big old scar is yeah a long time ago man

1636

00:59:09,829 --> 00:59:08,079

it hasn't done in about the last

1637

00:59:13,030 --> 00:59:09,839

maybe five years six years i got the

1638

00:59:15,270 --> 00:59:13,040

last one of the last pieces out but

1639

00:59:17,190 --> 00:59:15,280

you'll see like a little white dot

1640

00:59:18,789 --> 00:59:17,200

on on my arm and sometimes i even have

1641

00:59:20,789 --> 00:59:18,799

one like on my elbow

1642

00:59:23,349 --> 00:59:20,799

that came out before from my arm it's

1643

00:59:25,349 --> 00:59:23,359

they're slivers and when i grab that

1644

00:59:27,670 --> 00:59:25,359

little white dot and pull it out

1645

00:59:29,589 --> 00:59:27,680

it's like a piece of bone like this long

1646

00:59:32,069 --> 00:59:29,599

dude that's from my arm when it was

1647

00:59:33,670 --> 00:59:32,079

broke so you could have crazy you can

1648

00:59:35,270 --> 00:59:33,680

have little things in you that you don't

1649

00:59:36,950 --> 00:59:35,280

know like you don't feel that i don't

1650

00:59:38,870 --> 00:59:36,960

feel those in there until they make

1651

00:59:40,309 --> 00:59:38,880

their way out it's like a splinter it

1652

00:59:42,710 --> 00:59:40,319

makes its way out when i pull it out

1653

00:59:45,109 --> 00:59:42,720

dude they're so white they're so white

1654

00:59:48,150 --> 00:59:45,829

white the that's

1655

00:59:51,349 --> 00:59:48,160

bone is so white whenever you say i

1656

00:59:53,270 --> 00:59:51,359

say you pull out splinters of bone that

1657

00:59:56,870 --> 00:59:53,280

have been billy does that too papa

1658

01:00:00,870 --> 00:59:57,670

yeah

1659

01:00:02,630 --> 01:00:00,880

you just pull them out hold

1660

01:00:03,910 --> 01:00:02,640

are they like pretty pretty stiff are

1661

01:00:05,829 --> 01:00:03,920

they like hairs because now i'm thinking

1662

01:00:08,390 --> 01:00:05,839

of like morgellons is disease they're

1663

01:00:10,069 --> 01:00:08,400

stiff it's like uh like if you had a

1664

01:00:11,910 --> 01:00:10,079

sliver off of a

1665

01:00:14,069 --> 01:00:11,920

a ribbon from a pig that's kind of what

1666

01:00:15,910 --> 01:00:14,079

it reminds me of but it's white it's

1667

01:00:18,950 --> 01:00:15,920

pure white

1668

01:00:21,589 --> 01:00:18,960

but is that your body becoming uh uh a

1669

01:00:23,589 --> 01:00:21,599

sasquatch and yeah growing those are

1670

01:00:25,430 --> 01:00:23,599

clear hairs trying to grow

1671

01:00:26,549 --> 01:00:25,440

dude maybe that's what it is i was

1672

01:00:28,150 --> 01:00:26,559

pulling them out i thought they were

1673

01:00:30,630 --> 01:00:28,160

bones

1674

01:00:32,069 --> 01:00:30,640

that's that's dude so yeah you could

1675

01:00:34,309 --> 01:00:32,079

have something in you you know you're

1676

01:00:35,670 --> 01:00:34,319

showing it all there how big they are

1677

01:00:37,510 --> 01:00:35,680

i didn't know those were in there until

1678

01:00:39,510 --> 01:00:37,520

they started popping out you know and i

1679

01:00:40,710 --> 01:00:39,520

had to pull them out i know that was in

1680

01:00:42,390 --> 01:00:40,720

there so

1681

01:00:44,789 --> 01:00:42,400

you could have somebody put something in

1682

01:00:46,470 --> 01:00:44,799

you and you not know right i think if

1683

01:00:48,950 --> 01:00:46,480

you're asleep and someone puts it in

1684

01:00:51,510 --> 01:00:48,960

there yeah you're not gonna know also i

1685

01:00:53,990 --> 01:00:51,520

don't know how long uh or how

1686

01:00:56,390 --> 01:00:54,000

how long like the practice has been to

1687

01:00:58,549 --> 01:00:56,400

uh to do surgery and use metal within

1688

01:01:00,150 --> 01:00:58,559

the body i mean it feels like

1689

01:01:02,230 --> 01:01:00,160

it can't be that long ago that we

1690

01:01:04,630 --> 01:01:02,240

started doing that so like all these

1691

01:01:07,109 --> 01:01:04,640

effects that we're we're seeing

1692

01:01:09,589 --> 01:01:07,119

are are fairly new uh

1693

01:01:10,710 --> 01:01:09,599

so that whoever

1694

01:01:13,030 --> 01:01:10,720

i guess

1695

01:01:15,349 --> 01:01:13,040

whatever whoever does these implants or

1696

01:01:16,789 --> 01:01:15,359

puts these implants in people's bodies

1697

01:01:18,470 --> 01:01:16,799

they're doing it in a way that they know

1698

01:01:19,430 --> 01:01:18,480

that it's not going to harm or shock the

1699

01:01:20,789 --> 01:01:19,440

system

1700

01:01:23,829 --> 01:01:20,799

and it's not going to create any kind of

1701

01:01:25,349 --> 01:01:23,839

anomaly but when humans do it stuff like

1702

01:01:28,390 --> 01:01:25,359

that happens where bone

1703

01:01:30,950 --> 01:01:28,400

comes out and shards or or splinters

1704

01:01:32,870 --> 01:01:30,960

yeah but it seems like these other

1705

01:01:34,870 --> 01:01:32,880

uh

1706

01:01:36,870 --> 01:01:34,880

implants are kind of just

1707

01:01:39,990 --> 01:01:36,880

they become part of the body in a way

1708

01:01:42,150 --> 01:01:40,000

and and they always look so strange but

1709

01:01:43,910 --> 01:01:42,160

to me they always look the same

1710

01:01:45,030 --> 01:01:43,920

like they're not the same shape but it

1711

01:01:47,190 --> 01:01:45,040

looks like it's made out of the same

1712

01:01:49,430 --> 01:01:47,200

thing to me every one of those i've seen

1713

01:01:51,670 --> 01:01:49,440

there's always that dark black color

1714

01:01:53,349 --> 01:01:51,680

yeah or dark yeah

1715

01:01:54,710 --> 01:01:53,359

well that kind of makes me wonder about

1716

01:02:04,710 --> 01:01:54,720

like

1717

01:02:06,390 --> 01:02:04,720

that thing

1718

01:02:07,510 --> 01:02:06,400

it says uh okay

1719

01:02:08,950 --> 01:02:07,520

uh

1720

01:02:11,190 --> 01:02:08,960

these implants are made of metallic

1721

01:02:13,750 --> 01:02:11,200

substances some are small around size of

1722

01:02:15,430 --> 01:02:13,760

bbs others are no larger than a pinhead

1723

01:02:18,710 --> 01:02:15,440

they come in many different shapes round

1724

01:02:21,349 --> 01:02:18,720

triangular spiral as thin as a fine wire

1725

01:02:23,589 --> 01:02:21,359

we've seen that right ben the fine wire

1726

01:02:24,549 --> 01:02:23,599

off terry loveless like that's pretty

1727

01:02:26,710 --> 01:02:24,559

wild

1728

01:02:28,950 --> 01:02:26,720

uh they're clearly visible on x-rays and

1729

01:02:30,870 --> 01:02:28,960

hundreds of x-rays uh we've seen these

1730

01:02:33,190 --> 01:02:30,880

implants uh

1731

01:02:35,270 --> 01:02:33,200

while in place wait hold on where's it

1732

01:02:37,910 --> 01:02:35,280

at uh

1733

01:02:40,870 --> 01:02:37,920

oh it is thought that this covering is

1734

01:02:43,510 --> 01:02:40,880

so strong because all of its atoms are

1735

01:02:46,069 --> 01:02:43,520

atomically aligned this is

1736

01:02:47,990 --> 01:02:46,079

that's it all the atoms lie in one

1737

01:02:50,630 --> 01:02:48,000

single direction providing the level of

1738

01:02:52,069 --> 01:02:50,640

strength not achievable by humans the

1739

01:02:54,549 --> 01:02:52,079

only creature on earth that can

1740

01:02:56,309 --> 01:02:54,559

atomically align something is a spider

1741

01:02:58,470 --> 01:02:56,319

the tensile strength of a filament of a

1742

01:03:01,190 --> 01:02:58,480

spider's web is amazing which is why it

1743

01:03:03,349 --> 01:03:01,200

can stretch so far without breaking by

1744

01:03:05,589 --> 01:03:03,359

the way the tight-fitting spacesuits

1745

01:03:07,910 --> 01:03:05,599

found on the alien bodies recovered from

1746

01:03:10,950 --> 01:03:07,920

the crashed flying saucers were also

1747

01:03:12,630 --> 01:03:10,960

atomically aligned so like the material

1748

01:03:14,390 --> 01:03:12,640

in like their suits that makes them so

1749

01:03:16,069 --> 01:03:14,400

strong and that you can't cut them and

1750

01:03:18,309 --> 01:03:16,079

all that weird [h__h] is the same stuff

1751

01:03:21,270 --> 01:03:18,319

that like is going

1752

01:03:22,870 --> 01:03:21,280

in these implants and like it even down

1753

01:03:24,789 --> 01:03:22,880

here like it gets even more crazy

1754

01:03:27,029 --> 01:03:24,799

because then they went and they took a

1755

01:03:30,150 --> 01:03:27,039

whole bunch of samples they sent them to

1756

01:03:32,230 --> 01:03:30,160

like uh universities let's see uh the

1757

01:03:33,750 --> 01:03:32,240

implanted devices have been examined by

1758

01:03:36,069 --> 01:03:33,760

some of the world's leading metallurgy

1759

01:03:38,549 --> 01:03:36,079

labs including the lab at los alamos new

1760

01:03:41,270 --> 01:03:38,559

mexico without knowing what implants

1761

01:03:43,430 --> 01:03:41,280

were or where they came from the lab at

1762

01:03:46,069 --> 01:03:43,440

los alamos concluded that the implants

1763

01:03:48,870 --> 01:03:46,079

must be pieces of a meteorite because no

1764

01:03:51,190 --> 01:03:48,880

such metallic isotopes are found on

1765

01:03:53,670 --> 01:03:51,200

earth they put this in writing in their

1766

01:03:55,510 --> 01:03:53,680

lab report operating under the same

1767

01:03:57,910 --> 01:03:55,520

conditions the metallurgy lab and the

1768

01:03:59,990 --> 01:03:57,920

university of california at san diego

1769

01:04:02,950 --> 01:04:00,000

concluded that the metallic isotopes

1770

01:04:05,190 --> 01:04:02,960

were extraterrestrial so these labs got

1771

01:04:07,349 --> 01:04:05,200

these samples sent to them not knowing

1772

01:04:08,870 --> 01:04:07,359

what they were where they came from the

1773

01:04:10,069 --> 01:04:08,880

story the background they didn't know

1774

01:04:12,710 --> 01:04:10,079

[h__\h] about them they were like hey just

1775

01:04:14,870 --> 01:04:12,720

test these and they were like without a

1776

01:04:15,910 --> 01:04:14,880

[h__\h] meteor and then the other one

1777

01:04:17,029 --> 01:04:15,920

was like

1778

01:04:19,270 --> 01:04:17,039

i don't know that's some kind of

1779

01:04:20,630 --> 01:04:19,280

extraterrestrial metal what is it and

1780

01:04:21,990 --> 01:04:20,640

then they were like there were implants

1781

01:04:23,109 --> 01:04:22,000

found in people's bodies and they were

1782

01:04:24,870 --> 01:04:23,119

like oh

1783

01:04:26,470 --> 01:04:24,880

it must have just been from falling off

1784

01:04:28,230 --> 01:04:26,480

your bike how silly

1785

01:04:30,230 --> 01:04:28,240

you're like no no you just said these

1786

01:04:33,029 --> 01:04:30,240

are currently structurally aligned

1787

01:04:35,589 --> 01:04:33,039

nanomaterials those isotopes don't even

1788

01:04:36,549 --> 01:04:35,599

exist on planet earth where did it come

1789

01:04:38,549 --> 01:04:36,559

from

1790

01:04:41,029 --> 01:04:38,559

you know some of these isotopes aren't

1791

01:04:42,309 --> 01:04:41,039

even found in the milky way galaxy you

1792

01:04:44,630 --> 01:04:42,319

have to go to a completely different

1793

01:04:46,549 --> 01:04:44,640

galaxy to find it

1794

01:04:48,789 --> 01:04:46,559

those structures the way they're built

1795

01:04:51,510 --> 01:04:48,799

like sounds a lot like element 15 man

1796

01:04:52,470 --> 01:04:51,520

element 115 dude maybe

1797

01:04:53,510 --> 01:04:52,480

maybe

1798

01:04:55,270 --> 01:04:53,520

you know

1799

01:04:57,029 --> 01:04:55,280

what if the what if the the aliens that

1800

01:04:59,109 --> 01:04:57,039

are putting these uh implants in are

1801

01:05:00,309 --> 01:04:59,119

just really small and they just that's a

1802

01:05:02,390 --> 01:05:00,319

building to them and they're trying to

1803

01:05:04,309 --> 01:05:02,400

like rebuild society and we just

1804

01:05:06,630 --> 01:05:04,319

you know they found a cozy safe home and

1805

01:05:08,950 --> 01:05:06,640

then we've just ripped them out or

1806

01:05:09,910 --> 01:05:08,960

you know they're just small guys yeah i

1807

01:05:13,029 --> 01:05:09,920

don't know

1808

01:05:13,990 --> 01:05:13,039

um so i know a lady who

1809

01:05:15,510 --> 01:05:14,000

had

1810

01:05:17,829 --> 01:05:15,520

uh

1811

01:05:21,270 --> 01:05:17,839

she didn't think it was a implant or

1812

01:05:23,589 --> 01:05:21,280

anything um but i think maybe it kind of

1813

01:05:24,950 --> 01:05:23,599

was she was like i had this thing it

1814

01:05:27,109 --> 01:05:24,960

would show up and then it would

1815

01:05:29,029 --> 01:05:27,119

disappear and it would show back up

1816

01:05:31,910 --> 01:05:29,039

again and then one day

1817

01:05:33,670 --> 01:05:31,920

i just got frustrated and i cut it out i

1818

01:05:35,190 --> 01:05:33,680

cut it out and i put it in a little

1819

01:05:38,710 --> 01:05:35,200

medicine bottle

1820

01:05:40,230 --> 01:05:38,720

and i went to work and when i came back

1821

01:05:43,829 --> 01:05:40,240

the medicine bottle was sitting there

1822

01:05:45,829 --> 01:05:43,839

and the metal was gone just disappeared

1823

01:05:47,750 --> 01:05:45,839

dude

1824

01:05:50,710 --> 01:05:47,760

when i broke my arm as a kid i guess

1825

01:05:52,470 --> 01:05:50,720

when you break your arm there's uh

1826

01:05:54,309 --> 01:05:52,480

always a trace of it when they take

1827

01:05:55,270 --> 01:05:54,319

x-ray or anything you can see where it

1828

01:05:57,109 --> 01:05:55,280

was broke

1829

01:05:58,309 --> 01:05:57,119

this had a big pin in it a stainless

1830

01:06:00,710 --> 01:05:58,319

steel pin

1831

01:06:02,309 --> 01:06:00,720

and they cut it and took it out after it

1832

01:06:04,390 --> 01:06:02,319

healed up

1833

01:06:07,029 --> 01:06:04,400

about i don't know it was probably six

1834

01:06:08,630 --> 01:06:07,039

seven years later i tore the scar tissue

1835

01:06:11,910 --> 01:06:08,640

in there and my wrist swelled up real

1836

01:06:12,789 --> 01:06:11,920

big it felt like i broke it it hurt

1837

01:06:14,630 --> 01:06:12,799

and

1838

01:06:16,230 --> 01:06:14,640

i went back to the hospital i used to

1839

01:06:18,390 --> 01:06:16,240

not be able to bend my wrist he used to

1840

01:06:20,230 --> 01:06:18,400

bend like this that was it and now i can

1841

01:06:21,670 --> 01:06:20,240

bend it because i tore the scar tissue

1842

01:06:23,589 --> 01:06:21,680

that was in there

1843

01:06:25,910 --> 01:06:23,599

and when i went to the hospital he

1844

01:06:27,430 --> 01:06:25,920

x-rayed my right arm the broken one with

1845

01:06:29,349 --> 01:06:27,440

a big scar on it

1846

01:06:31,430 --> 01:06:29,359

and then he came back in after he got

1847

01:06:33,430 --> 01:06:31,440

the x-rays and he goes i x-rayed the

1848

01:06:35,349 --> 01:06:33,440

wrong arm and i go what do you mean and

1849

01:06:38,950 --> 01:06:35,359

he said that arm's never been broke

1850

01:06:39,750 --> 01:06:38,960

that's there's a big scar on it i know

1851

01:06:41,349 --> 01:06:39,760

and

1852

01:06:43,510 --> 01:06:41,359

he said yeah you

1853

01:06:46,150 --> 01:06:43,520

he goes it couldn't have been broke i

1854

01:06:47,510 --> 01:06:46,160

guess they say there's no traces of my

1855

01:06:49,750 --> 01:06:47,520

arm ever being broke when you take

1856

01:06:50,870 --> 01:06:49,760

x-rays there's no calcium there's no

1857

01:06:52,630 --> 01:06:50,880

cracks

1858

01:06:54,630 --> 01:06:52,640

they got it and it was broke

1859

01:06:57,750 --> 01:06:54,640

all the way through my arm like when i

1860

01:06:59,670 --> 01:06:57,760

held my arms out like this

1861

01:07:02,549 --> 01:06:59,680

this one was this much shorter it wasn't

1862

01:07:04,870 --> 01:07:02,559

an s it broke both bones right here from

1863

01:07:05,829 --> 01:07:04,880

your from the same accident right

1864

01:07:09,750 --> 01:07:05,839

yeah

1865

01:07:11,670 --> 01:07:09,760

hold them together well first it didn't

1866

01:07:13,589 --> 01:07:11,680

set and they re-broke it and then they

1867

01:07:15,670 --> 01:07:13,599

put the pin in there

1868

01:07:19,349 --> 01:07:15,680

and my god hold on even with it being

1869

01:07:21,670 --> 01:07:19,359

broke twice you can't see it

1870

01:07:23,589 --> 01:07:21,680

dude that's great you must you must

1871

01:07:25,190 --> 01:07:23,599

drink a lot of fluoride

1872

01:07:26,789 --> 01:07:25,200

i don't know

1873

01:07:30,309 --> 01:07:26,799

how many micro

1874

01:07:31,829 --> 01:07:30,319

uh microtubules did they feed you

1875

01:07:34,069 --> 01:07:31,839

i don't remember

1876
01:07:35,750 --> 01:07:34,079
too much about it other than waking up

1877
01:07:37,109 --> 01:07:35,760
screaming when they broke it i was

1878
01:07:38,950 --> 01:07:37,119
understanding oh

1879
01:07:40,710 --> 01:07:38,960
yeah i think you told me about that yeah

1880
01:07:42,370 --> 01:07:40,720
they put it on the bar

1881
01:07:45,990 --> 01:07:42,380
and i set straight up and screamed

1882
01:07:47,430 --> 01:07:46,000
[Laughter]

1883
01:07:48,870 --> 01:07:47,440
yeah

1884
01:07:51,190 --> 01:07:48,880
that would suck if they were like oh my

1885
01:07:54,470 --> 01:07:51,200
god i'm so sorry we didn't fix it we

1886
01:07:59,349 --> 01:07:57,670
oh sorry wrong arm

1887
01:08:00,470 --> 01:07:59,359
dude

1888
01:08:02,390 --> 01:08:00,480

terrible

1889

01:08:04,549 --> 01:08:02,400

dude but that that is really really

1890

01:08:05,670 --> 01:08:04,559

interesting that the doctor i'm only

1891

01:08:08,870 --> 01:08:05,680

five seven

1892

01:08:10,549 --> 01:08:08,880

and that doctor was a little short guy

1893

01:08:13,430 --> 01:08:10,559

a little short

1894

01:08:16,789 --> 01:08:13,440

he might have been an alien oh

1895

01:08:17,829 --> 01:08:16,799

okay now the plot twists so perfect

1896

01:08:19,829 --> 01:08:17,839

somebody's

1897

01:08:21,269 --> 01:08:19,839

oh and i got the horse two kidneys i get

1898

01:08:22,709 --> 01:08:21,279

that from the doctor all the time but

1899

01:08:25,590 --> 01:08:22,719

they tell me what are you [h__\h] alien

1900

01:08:29,669 --> 01:08:27,749

my kidneys are in front they're they're

1901

01:08:31,510 --> 01:08:29,679

in front what

1902

01:08:34,070 --> 01:08:31,520

yeah

1903

01:08:36,120 --> 01:08:34,080

i'm kidding what bro

1904

01:08:41,349 --> 01:08:36,130

here we go party hard party hard

1905

01:08:45,110 --> 01:08:42,950

we're all born like that when our

1906

01:08:47,110 --> 01:08:45,120

kidneys separate they go to our backs

1907

01:08:48,149 --> 01:08:47,120

yeah they call mine horseshoe kidneys

1908

01:08:51,189 --> 01:08:48,159

because you know they look like kidney

1909

01:08:53,749 --> 01:08:51,199

beans yeah wow they grew together so

1910

01:08:56,229 --> 01:08:53,759

they couldn't separate so i have one

1911

01:08:57,349 --> 01:08:56,239

basically one big kidney up there

1912

01:08:59,349 --> 01:08:57,359

damn

1913

01:09:00,630 --> 01:08:59,359

that's crazy yeah dude that's super

1914

01:09:02,149 --> 01:09:00,640

interesting

1915

01:09:03,749 --> 01:09:02,159

the doctors do it's funny because they

1916

01:09:05,110 --> 01:09:03,759

go to check my kidneys and they feel all

1917

01:09:07,669 --> 01:09:05,120

around i won't say nothing because i

1918

01:09:08,870 --> 01:09:07,679

think it's hilarious it's just muscle

1919

01:09:10,550 --> 01:09:08,880

where your kidneys should be there's

1920

01:09:11,910 --> 01:09:10,560

just muscle back there where my wing

1921

01:09:14,309 --> 01:09:11,920

muscle is

1922

01:09:16,950 --> 01:09:14,319

they're like uh uh no i'm good and

1923

01:09:19,990 --> 01:09:16,960

you're like what's wrong doctor

1924

01:09:22,070 --> 01:09:20,000

you're like

1925

01:09:25,749 --> 01:09:22,080

[h__h] liars my kidneys are in front by

1926

01:09:29,030 --> 01:09:25,759

the way yeah yeah let me help you out

1927

01:09:35,590 --> 01:09:29,040

that's crazy dude that is crazy

1928

01:09:38,950 --> 01:09:37,669

can you hear me there we go there you go

1929

01:09:40,709 --> 01:09:38,960

i wasn't muted i don't know what

1930

01:09:42,070 --> 01:09:40,719

happened oh i saw them

1931

01:09:43,189 --> 01:09:42,080

they don't want me telling those alien

1932

01:09:46,070 --> 01:09:43,199

stories

1933

01:09:48,070 --> 01:09:46,080

they're like too much now they know

1934

01:09:49,269 --> 01:09:48,080

yeah i joke around with them and i tell

1935

01:09:50,709 --> 01:09:49,279

them stuff like you know where the [h__h]

1936

01:09:53,189 --> 01:09:50,719

you go to medical school guys you don't

1937

01:09:53,910 --> 01:09:53,199

know where kidneys are

1938

01:09:58,390 --> 01:09:53,920

and

1939

01:09:59,910 --> 01:09:58,400

to go to the hospital i get doctors from

1940

01:10:02,870 --> 01:09:59,920

all over the place like we're here in

1941

01:10:05,430 --> 01:10:02,880

fresno la's like five hours away i'll

1942

01:10:07,030 --> 01:10:05,440

get doctors kidney doctors from la that

1943

01:10:08,790 --> 01:10:07,040

come to see me

1944

01:10:11,030 --> 01:10:08,800

and then they don't call and say they're

1945

01:10:12,790 --> 01:10:11,040

coming they don't

1946

01:10:14,310 --> 01:10:12,800

find out i'm in there one of the doctors

1947

01:10:16,470 --> 01:10:14,320

in the hospital will call them and be

1948

01:10:18,550 --> 01:10:16,480

like you gotta come see because it's

1949

01:10:20,310 --> 01:10:18,560

it's a very rare thing

1950

01:10:23,030 --> 01:10:20,320

and a kidney doctor needs to know about

1951

01:10:25,350 --> 01:10:23,040

it but they'll come and see i've had so

1952

01:10:26,950 --> 01:10:25,360

many doctors one to one in one day like

1953

01:10:32,709 --> 01:10:26,960

three doctors they come in and push on

1954

01:10:32,719 --> 01:10:36,630

do you like say i'm not a piece of meat

1955

01:10:40,630 --> 01:10:37,990

dummy

1956

01:10:42,470 --> 01:10:40,640

yeah dude i'm telling you when a lady

1957

01:10:44,390 --> 01:10:42,480

doctor really when she walks up and

1958

01:10:45,590 --> 01:10:44,400

tells you you know i came all the way

1959

01:10:46,790 --> 01:10:45,600

from l.a

1960

01:10:50,310 --> 01:10:46,800

can

1961

01:10:52,070 --> 01:10:50,320

where they're at and how they work you

1962

01:10:54,470 --> 01:10:52,080

can explain it to me and you're the

1963

01:10:56,870 --> 01:10:54,480

[h__h] doctor and i let them do it too

1964

01:10:58,550 --> 01:10:56,880

because i'm so worried it's gonna like

1965

01:10:59,510 --> 01:10:58,560

when they found out with me i jumped the

1966

01:11:00,229 --> 01:10:59,520

ditch

1967

01:11:01,360 --> 01:11:00,239

and

1968

01:11:03,270 --> 01:11:01,370

didn't make it

1969

01:11:05,910 --> 01:11:03,280

[Laughter]

1970

01:11:06,709 --> 01:11:05,920

i was pissing blood and and i was only

1971

01:11:07,830 --> 01:11:06,719

like

1972

01:11:09,270 --> 01:11:07,840

four

1973

01:11:10,790 --> 01:11:09,280

when that happened

1974

01:11:12,390 --> 01:11:10,800

and uh

1975

01:11:14,070 --> 01:11:12,400

yeah so they didn't know what was wrong

1976

01:11:16,390 --> 01:11:14,080

with me at all i was in the hospital for

1977

01:11:18,149 --> 01:11:16,400

like two weeks it was terrifying i can

1978

01:11:19,990 --> 01:11:18,159

remember being really scared

1979

01:11:21,750 --> 01:11:20,000

couldn't stand up straight they would

1980

01:11:23,990 --> 01:11:21,760

come in and take blood work like take

1981

01:11:26,070 --> 01:11:24,000

your blood like every two hours and

1982

01:11:28,470 --> 01:11:26,080

stick a needle in there and pull blood

1983

01:11:29,830 --> 01:11:28,480

out and i was a kid in there by myself

1984

01:11:31,430 --> 01:11:29,840

because your parents couldn't stay

1985

01:11:33,350 --> 01:11:31,440

overnight

1986

01:11:34,630 --> 01:11:33,360

it sucks man so i'm terrified that

1987

01:11:36,630 --> 01:11:34,640

another kid is gonna have to go through

1988

01:11:38,550 --> 01:11:36,640

that so when they come and find me i

1989

01:11:41,189 --> 01:11:38,560

tell them yeah just do anything you want

1990

01:11:43,990 --> 01:11:41,199

to me just don't do it to a kid no more

1991

01:11:46,790 --> 01:11:44,000

because it was horrible

1992

01:11:48,630 --> 01:11:46,800

you you uh that is huge karma points man

1993

01:11:50,470 --> 01:11:48,640

i mean imagine how many kids you've

1994

01:11:52,470 --> 01:11:50,480

saved from being uncomfortable or

1995

01:11:53,830 --> 01:11:52,480

terrified not knowing

1996

01:11:55,510 --> 01:11:53,840

i don't think they understand like when

1997

01:11:57,910 --> 01:11:55,520

a kid tells them that hurts i don't

1998

01:11:59,750 --> 01:11:57,920

think they understand that yeah it's not

1999

01:12:01,750 --> 01:11:59,760

like the ones in your back it hurts

2000

01:12:02,950 --> 01:12:01,760

right wow that is a good karma point

2001

01:12:04,790 --> 01:12:02,960

it's kind of like whenever we give a

2002

01:12:06,950 --> 01:12:04,800

bunch of our our our tickets when we go

2003

01:12:10,149 --> 01:12:06,960

to the arcade the little kids dude they

2004

01:12:12,390 --> 01:12:10,159

get excited it's exactly like that

2005

01:12:13,910 --> 01:12:12,400

oh yeah

2006

01:12:17,270 --> 01:12:13,920

this shit's awesome

2007

01:12:18,550 --> 01:12:17,280

so dude what do you think about uh

2008

01:12:20,470 --> 01:12:18,560

what do you think about the idea of

2009

01:12:23,669 --> 01:12:20,480

these implants and you being able to put

2010

01:12:25,350 --> 01:12:23,679

magnets on them and they just stay there

2011

01:12:27,350 --> 01:12:25,360

like that's crazy right they are

2012

01:12:30,950 --> 01:12:27,360

magnetized they're not magnet they're

2013

01:12:32,070 --> 01:12:30,960

not but you can put you can

2014

01:12:32,870 --> 01:12:32,080

so

2015

01:12:34,709 --> 01:12:32,880

where

2016

01:12:37,430 --> 01:12:34,719

if if it's on your body depending on

2017

01:12:39,430 --> 01:12:37,440

where it's at you're able to put tiny

2018

01:12:41,990 --> 01:12:39,440

magnets and they'll stick

2019

01:12:44,070 --> 01:12:42,000

they'll stick to these things

2020

01:12:46,550 --> 01:12:44,080

it's pretty wild so that means they're

2021

01:12:49,030 --> 01:12:46,560

made of some kind of iron or

2022

01:12:50,950 --> 01:12:49,040

yeah i couldn't stick magnets to the pin

2023

01:12:52,630 --> 01:12:50,960

in my arm it was stainless

2024

01:12:54,149 --> 01:12:52,640

right but

2025

01:12:56,709 --> 01:12:54,159

there is one way you could tell there's

2026

01:12:58,470 --> 01:12:56,719

something foreign metal in your body

2027

01:12:59,830 --> 01:12:58,480

when i would fall asleep with my arm out

2028

01:13:01,750 --> 01:12:59,840

of the covers while that pin was in

2029

01:13:04,709 --> 01:13:01,760

there in the winter time

2030

01:13:07,270 --> 01:13:04,719

dude it would hurt so bad it would hurt

2031

01:13:09,510 --> 01:13:07,280

so bad when you woke up because that pin

2032

01:13:12,070 --> 01:13:09,520

is frozen in there

2033

01:13:14,790 --> 01:13:12,080

the rest of your body's warmer than that

2034

01:13:15,830 --> 01:13:14,800

pen is and it hurts really bad oh it

2035

01:13:17,669 --> 01:13:15,840

sucks

2036

01:13:19,669 --> 01:13:17,679

but so you can tell if there's a piece

2037

01:13:22,709 --> 01:13:19,679

of metal in you and it gets cold i bet

2038

01:13:23,830 --> 01:13:22,719

that part would stay colder longer

2039

01:13:25,270 --> 01:13:23,840

probably

2040

01:13:26,950 --> 01:13:25,280

you might so if you ever feel something

2041

01:13:29,110 --> 01:13:26,960

cold in there you get out of the water

2042

01:13:31,990 --> 01:13:29,120

maybe you better start checking for

2043

01:13:34,310 --> 01:13:32,000

implants dude dude some of them dude are

2044

01:13:37,510 --> 01:13:34,320

crazy right like uh i saw this one guy

2045

01:13:40,390 --> 01:13:37,520

and he had a perfect square a perfect a

2046

01:13:41,270 --> 01:13:40,400

perfect square dude on the back of his

2047

01:13:43,910 --> 01:13:41,280

ear

2048

01:13:45,910 --> 01:13:43,920

and uh he went and he got it tested they

2049

01:13:47,669 --> 01:13:45,920

got the x-rays all kinds of stuff and

2050

01:13:49,510 --> 01:13:47,679

they were like oh yeah it's ain't

2051

01:13:51,910 --> 01:13:49,520

growing here and he was like no no it's

2052

01:13:53,830 --> 01:13:51,920

a perfect square and they were like

2053

01:13:55,430 --> 01:13:53,840

they were like yeah and he was like but

2054

01:13:57,110 --> 01:13:55,440

it and it doesn't stay there it moves

2055

01:13:58,470 --> 01:13:57,120

around sometimes

2056

01:14:01,030 --> 01:13:58,480

and they're like

2057

01:14:01,910 --> 01:14:01,040

yeah you know maybe ingrown hairs can do

2058

01:14:03,510 --> 01:14:01,920

that

2059

01:14:05,510 --> 01:14:03,520

and i was like listening to this doctor

2060

01:14:07,270 --> 01:14:05,520

and i was like did you say maybe ingrown

2061

01:14:09,669 --> 01:14:07,280

hairs can do that that's the end of it

2062

01:14:11,669 --> 01:14:09,679

you just let that guy leave your office

2063

01:14:12,870 --> 01:14:11,679

he's got a [h__\h] perfect square

2064

01:14:14,630 --> 01:14:12,880

and you're just like yeah it's a

2065

01:14:17,030 --> 01:14:14,640

infected and grown hair

2066

01:14:18,630 --> 01:14:17,040

like no it's not it's like

2067

01:14:21,270 --> 01:14:18,640

it's a perfect square

2068

01:14:22,790 --> 01:14:21,280

yeah and like it just it bothers me that

2069

01:14:24,390 --> 01:14:22,800

people aren't willing

2070

01:14:26,709 --> 01:14:24,400

if i was smart enough

2071

01:14:29,669 --> 01:14:26,719

i'd be studying all these fools you know

2072

01:14:31,750 --> 01:14:29,679

yeah if you had the capability

2073

01:14:35,990 --> 01:14:31,760

to [h__\h] go study somebody will

2074

01:14:36,000 --> 01:14:39,510

and these doctors are like

2075

01:14:42,950 --> 01:14:42,149

it's possibly an ingrown hair that's

2076

01:14:45,189 --> 01:14:42,960

what

2077

01:14:46,470 --> 01:14:45,199

that's such a shitty excuse and then

2078

01:14:48,070 --> 01:14:46,480

when you put black lights on them

2079

01:14:49,590 --> 01:14:48,080

they're fluorescent like you can see

2080

01:14:53,030 --> 01:14:49,600

them glowing

2081

01:14:57,110 --> 01:14:53,040

how many square hairs or pimples have

2082

01:14:58,790 --> 01:14:57,120

you ever had zero

2083

01:15:00,950 --> 01:14:58,800

and that's they just leave it at that

2084

01:15:02,550 --> 01:15:00,960

you know and they and they they light up

2085

01:15:04,550 --> 01:15:02,560

like they're fluorescent so like when

2086

01:15:07,350 --> 01:15:04,560

you put a black light over them they'll

2087

01:15:09,270 --> 01:15:07,360

they'll pop up under the light

2088

01:15:11,350 --> 01:15:09,280

and then you put little magnets on there

2089

01:15:13,990 --> 01:15:11,360

to make sure it's where it is that you

2090

01:15:16,229 --> 01:15:14,000

see and sure enough it'll stick to you

2091

01:15:18,630 --> 01:15:16,239

and then to make it even more [\h__\h]

2092

01:15:20,390 --> 01:15:18,640

crazy right people are like oh yeah they

2093

01:15:22,550 --> 01:15:20,400

might like leak radiation or something

2094

01:15:25,430 --> 01:15:22,560

like that no

2095

01:15:27,990 --> 01:15:25,440

they're they're blasting radio waves

2096

01:15:30,310 --> 01:15:28,000

they're blasting radio waves these these

2097

01:15:33,189 --> 01:15:30,320

metals are are emitting

2098

01:15:35,669 --> 01:15:33,199

radio signals from them they're not like

2099

01:15:36,950 --> 01:15:35,679

emitting like you know radiation or

2100

01:15:39,430 --> 01:15:36,960

poison or anything like that they're

2101
01:15:41,750 --> 01:15:39,440
emitting radial frequencies off of the

2102
01:15:43,350 --> 01:15:41,760
object so they're vibrating at it

2103
01:15:45,750 --> 01:15:43,360
at a frequency that that's in the

2104
01:15:47,350 --> 01:15:45,760
spectrum of like radio frequencies so dr

2105
01:15:50,229 --> 01:15:47,360
lear had said

2106
01:15:52,149 --> 01:15:50,239
um i have it on good authority from some

2107
01:15:54,709 --> 01:15:52,159
pretty good sources who will stay

2108
01:15:57,990 --> 01:15:54,719
unnamed but this is apparently like

2109
01:16:00,870 --> 01:15:58,000
a a low hum frequency that you would use

2110
01:16:04,310 --> 01:16:00,880
to transmit through space

2111
01:16:06,630 --> 01:16:04,320
um and it would be like uh okay so this

2112
01:16:08,070 --> 01:16:06,640
is where it goes like way outside of

2113
01:16:10,149 --> 01:16:08,080

like my knowledge base but he was

2114

01:16:12,709 --> 01:16:10,159

talking about those carbon fiber micro

2115

01:16:14,870 --> 01:16:12,719

tubes and if you wanted to communicate

2116

01:16:16,870 --> 01:16:14,880

uh something through space it would be

2117

01:16:18,070 --> 01:16:16,880

faster than like light so you'd be able

2118

01:16:20,390 --> 01:16:18,080

to like almost communicate

2119

01:16:22,310 --> 01:16:20,400

instantaneously and the frequencies that

2120

01:16:23,669 --> 01:16:22,320

these things are running off of have

2121

01:16:26,709 --> 01:16:23,679

something to do

2122

01:16:29,350 --> 01:16:26,719

with the the low wave space transmission

2123

01:16:30,790 --> 01:16:29,360

frequencies and he's saying i'm not

2124

01:16:32,709 --> 01:16:30,800

saying that these things are

2125

01:16:34,470 --> 01:16:32,719

transmitting that frequency what i'm

2126

01:16:37,669 --> 01:16:34,480

saying is it seems like they're

2127

01:16:40,870 --> 01:16:37,679

receiving this frequency from something

2128

01:16:43,189 --> 01:16:40,880

uh it's almost like a receiver and in

2129

01:16:44,870 --> 01:16:43,199

the middle of them looking at it they

2130

01:16:46,709 --> 01:16:44,880

said that usually when you pull them out

2131

01:16:48,950 --> 01:16:46,719

they turn off they die

2132

01:16:51,830 --> 01:16:48,960

so your cell your body

2133

01:16:54,709 --> 01:16:51,840

as the energy that your body produces is

2134

01:16:57,189 --> 01:16:54,719

the is the mechanism that that turns it

2135

01:16:59,350 --> 01:16:57,199

on that's why it has to connect to all

2136

01:17:01,590 --> 01:16:59,360

your all the little nerve endings and

2137

01:17:03,030 --> 01:17:01,600

stuff and it turns on because your

2138

01:17:04,550 --> 01:17:03,040

body's just a bunch of electrical

2139

01:17:06,390 --> 01:17:04,560

frequencies running

2140

01:17:08,790 --> 01:17:06,400

and and yeah you know what that makes me

2141

01:17:11,510 --> 01:17:08,800

think of is is like the the

2142

01:17:13,030 --> 01:17:11,520

i don't know which war it was uh

2143

01:17:14,950 --> 01:17:13,040

as you know about i mean dude there's

2144

01:17:17,990 --> 01:17:14,960

only two of them

2145

01:17:19,910 --> 01:17:18,000

well that was world wars i know for i

2146

01:17:22,950 --> 01:17:19,920

know now that there was there has not

2147

01:17:25,669 --> 01:17:22,960

been a world war three yet

2148

01:17:27,510 --> 01:17:25,679

but uh the what war was it there was

2149

01:17:29,270 --> 01:17:27,520

like maybe it was a cold war everybody's

2150

01:17:31,990 --> 01:17:29,280

worried about spies and they found these

2151
01:17:34,470 --> 01:17:32,000
devices in buildings that were powered

2152
01:17:35,669 --> 01:17:34,480
by the swaying of these like skyscrapers

2153
01:17:37,669 --> 01:17:35,679
and buildings

2154
01:17:39,910 --> 01:17:37,679
uh just off of those minute movements

2155
01:17:41,669 --> 01:17:39,920
that's what that makes me think of yeah

2156
01:17:44,149 --> 01:17:41,679
yeah it's kind of like when you shake

2157
01:17:46,870 --> 01:17:44,159
the flashlight and it it charges the

2158
01:17:48,550 --> 01:17:46,880
battery you sway that mechanism back and

2159
01:17:52,229 --> 01:17:48,560
forth that's how you charge a flashlight

2160
01:17:52,239 --> 01:18:03,120
you got to move your head too

2161
01:18:06,229 --> 01:18:04,870
[Music]

2162
01:18:07,910 --> 01:18:06,239
i don't know if you've ever came and

2163
01:18:10,790 --> 01:18:07,920

been dizzy at the same time it's a hell

2164

01:18:16,390 --> 01:18:12,310

it's like there's like a laser pointer

2165

01:18:16,400 --> 01:18:19,510

you really gotta focus

2166

01:18:19,520 --> 01:18:23,270

two eyes turn into four

2167

01:18:23,280 --> 01:18:29,510

i like it i like it

2168

01:18:32,950 --> 01:18:31,750

so ben does how did we get to fleshlight

2169

01:18:34,550 --> 01:18:32,960

i don't know man

2170

01:18:39,030 --> 01:18:34,560

he starts it and then i take it too far

2171

01:18:43,030 --> 01:18:41,110

uh what's up

2172

01:18:44,390 --> 01:18:43,040

and then he doesn't say anything

2173

01:18:47,030 --> 01:18:44,400

no i'm waiting

2174

01:18:50,070 --> 01:18:47,040

for commentary

2175

01:18:51,350 --> 01:18:50,080

uh so back to back to the my newt like

2176

01:18:52,709 --> 01:18:51,360

movement

2177

01:18:54,470 --> 01:18:52,719

charging

2178

01:18:56,630 --> 01:18:54,480

like a listening dubai i think it's

2179

01:18:58,790 --> 01:18:56,640

interesting that it's it's a receiving

2180

01:19:01,350 --> 01:18:58,800

uh apparatus or whatever instead of an

2181

01:19:03,669 --> 01:19:01,360

emitting one that's that's cool

2182

01:19:05,669 --> 01:19:03,679

it emits too but it could it's

2183

01:19:07,510 --> 01:19:05,679

definitely like

2184

01:19:09,590 --> 01:19:07,520

it's emitting a frequency and something

2185

01:19:10,950 --> 01:19:09,600

is finding it

2186

01:19:12,709 --> 01:19:10,960

so they're like finding this

2187

01:19:14,229 --> 01:19:12,719

transmission but they don't know what it

2188

01:19:16,790 --> 01:19:14,239

is they don't know where it's coming

2189

01:19:19,590 --> 01:19:16,800

from they don't know i wonder if they've

2190

01:19:21,990 --> 01:19:19,600

ever checked uh

2191

01:19:23,910 --> 01:19:22,000

like the people that try to assassinate

2192

01:19:25,990 --> 01:19:23,920

the presidents and then they say they

2193

01:19:27,830 --> 01:19:26,000

don't remember doing it maybe if it's

2194

01:19:29,830 --> 01:19:27,840

transmitting something like ben says

2195

01:19:31,830 --> 01:19:29,840

maybe maybe they need to check all those

2196

01:19:32,870 --> 01:19:31,840

people for implants

2197

01:19:34,550 --> 01:19:32,880

yo

2198

01:19:36,470 --> 01:19:34,560

never thought about that

2199

01:19:39,030 --> 01:19:36,480

well i always thought it was just like

2200

01:19:40,390 --> 01:19:39,040

they were taking your heart rate because

2201

01:19:42,390 --> 01:19:40,400

i always figured that's what it was was

2202

01:19:43,830 --> 01:19:42,400

an output thing like that's how they

2203

01:19:45,270 --> 01:19:43,840

monitored you that's how they knew where

2204

01:19:48,310 --> 01:19:45,280

you were

2205

01:19:50,390 --> 01:19:48,320

like a dog chip i guess yeah those are

2206

01:19:52,229 --> 01:19:50,400

always like really weird like all the

2207

01:19:54,390 --> 01:19:52,239

like because then that gets into like

2208

01:19:56,229 --> 01:19:54,400

the weird super soldier like manchurian

2209

01:19:59,030 --> 01:19:56,239

candidate type [h__h] where like you're in

2210

01:20:00,870 --> 01:19:59,040

a split personality you have a handler

2211

01:20:02,790 --> 01:20:00,880

that handler follows you around you're

2212

01:20:05,350 --> 01:20:02,800

just sipping cocktails eating chips and

2213

01:20:07,189 --> 01:20:05,360

then somebody whispers mickey mouse in

2214

01:20:08,470 --> 01:20:07,199

your ear and boom you turn into a

2215

01:20:10,229 --> 01:20:08,480

completely different person try to

2216

01:20:11,590 --> 01:20:10,239

assassinate the president while you're

2217

01:20:13,430 --> 01:20:11,600

walking around with a copy of the

2218

01:20:15,110 --> 01:20:13,440

catcher in the rye in your hand

2219

01:20:17,350 --> 01:20:15,120

and then [h__h] you know people are

2220

01:20:19,430 --> 01:20:17,360

like he's a murderer and you're like

2221

01:20:20,870 --> 01:20:19,440

oh i was hearing i was sipping cocktails

2222

01:20:21,990 --> 01:20:20,880

and eating chips i don't even remember

2223

01:20:23,110 --> 01:20:22,000

trying to assassinate and they're like

2224

01:20:24,229 --> 01:20:23,120

why are you holding that book of the

2225

01:20:25,110 --> 01:20:24,239

catcher in the rye and they're like i

2226

01:20:26,790 --> 01:20:25,120

don't know

2227

01:20:28,149 --> 01:20:26,800

all assassins carry

2228

01:20:29,110 --> 01:20:28,159

copies of catcher in the rye in their

2229

01:20:31,110 --> 01:20:29,120

hand

2230

01:20:32,229 --> 01:20:31,120

that's a real thing they do

2231

01:20:34,229 --> 01:20:32,239

they do

2232

01:20:36,070 --> 01:20:34,239

all of them

2233

01:20:37,830 --> 01:20:36,080

it could be like one of those triggers

2234

01:20:39,830 --> 01:20:37,840

like the catcher in the rye like maybe

2235

01:20:41,830 --> 01:20:39,840

they're using that as a trigger for

2236

01:20:43,510 --> 01:20:41,840

something why do all these assassins get

2237

01:20:45,669 --> 01:20:43,520

caught with the same [h__h] book that's

2238

01:20:47,990 --> 01:20:45,679

so weird and there's one sentence that

2239

01:20:51,110 --> 01:20:48,000

triggers them

2240

01:20:53,910 --> 01:20:51,120

probably probably yeah and are we trying

2241

01:20:57,030 --> 01:20:53,920

to tie in the the implant with with with

2242

01:20:59,830 --> 01:20:57,040

the with the uh assassination attempts

2243

01:21:01,669 --> 01:20:59,840

because dude i'm thinking like

2244

01:21:03,990 --> 01:21:01,679

we talk about like brainwashing and like

2245

01:21:05,350 --> 01:21:04,000

yes you it's been proven in the cia that

2246

01:21:07,669 --> 01:21:05,360

you can like

2247

01:21:10,310 --> 01:21:07,679

that that's possibility like i don't

2248

01:21:12,790 --> 01:21:10,320

know if it can go as far as

2249

01:21:15,430 --> 01:21:12,800

i seen a tow truck driver one of my

2250

01:21:17,990 --> 01:21:15,440

buddies get hypnotized and dance like

2251
01:21:19,270 --> 01:21:18,000
tina turner in front of thousands of

2252
01:21:20,149 --> 01:21:19,280
people and

2253
01:21:22,470 --> 01:21:20,159
you

2254
01:21:24,149 --> 01:21:22,480
there is not a certain

2255
01:21:25,669 --> 01:21:24,159
there is no amount of money you could

2256
01:21:26,950 --> 01:21:25,679
give this man

2257
01:21:29,189 --> 01:21:26,960
to do this

2258
01:21:30,790 --> 01:21:29,199
oh no he was doing big wheels keep on

2259
01:21:32,790 --> 01:21:30,800
rolling and they had they put the

2260
01:21:35,510 --> 01:21:32,800
beaters on it like a top

2261
01:21:37,750 --> 01:21:35,520
for a woman and he's a big guy

2262
01:21:40,470 --> 01:21:37,760
it was oh just picture big willy up

2263
01:21:42,310 --> 01:21:40,480

there singing big wheels keep on turning

2264

01:21:43,990 --> 01:21:42,320

it oh

2265

01:21:46,470 --> 01:21:44,000

he's got the skirt on

2266

01:21:48,470 --> 01:21:46,480

and he sings just like her and it's

2267

01:21:50,950 --> 01:21:48,480

crazy there's no and he doesn't even

2268

01:21:53,030 --> 01:21:50,960

listen to tina turner and he's singing

2269

01:21:54,870 --> 01:21:53,040

the whole song

2270

01:21:56,390 --> 01:21:54,880

it's so impressive i've seen i've seen

2271

01:21:58,149 --> 01:21:56,400

the video okay

2272

01:22:00,709 --> 01:21:58,159

of these you can buy the video after

2273

01:22:02,709 --> 01:22:00,719

this and his wife was so blown away she

2274

01:22:04,870 --> 01:22:02,719

bought it so she could show all of us

2275

01:22:07,110 --> 01:22:04,880

i'm telling i know the guy really well

2276

01:22:09,430 --> 01:22:07,120

he would never ever

2277

01:22:11,270 --> 01:22:09,440

get uh he wouldn't come on here you know

2278

01:22:14,310 --> 01:22:11,280

and and let you see him on

2279

01:22:15,430 --> 01:22:14,320

youtube let alone in a live event he

2280

01:22:17,189 --> 01:22:15,440

thought it was going to be one of those

2281

01:22:18,870 --> 01:22:17,199

things where he went up there and it

2282

01:22:21,350 --> 01:22:18,880

didn't work and then they sent him back

2283

01:22:23,430 --> 01:22:21,360

to a seat and then the people that were

2284

01:22:24,870 --> 01:22:23,440

supposed to be up there the actors

2285

01:22:26,950 --> 01:22:24,880

were going to be up there acting like it

2286

01:22:28,310 --> 01:22:26,960

worked on them and they got hypnotized

2287

01:22:29,910 --> 01:22:28,320

no this full

2288

01:22:31,430 --> 01:22:29,920

the very beginning the dude's walking

2289

01:22:34,070 --> 01:22:31,440

around the people are sitting in like a

2290

01:22:35,910 --> 01:22:34,080

half moon circle in chairs he's walking

2291

01:22:37,510 --> 01:22:35,920

he starts with the first guy he just

2292

01:22:39,830 --> 01:22:37,520

walks up and whispers something in their

2293

01:22:41,030 --> 01:22:39,840

ear and they just fall out dude they

2294

01:22:42,950 --> 01:22:41,040

just

2295

01:22:44,790 --> 01:22:42,960

and when he got to him i was thinking

2296

01:22:45,910 --> 01:22:44,800

you're watching it in the video when he

2297

01:22:49,430 --> 01:22:45,920

gets to

2298

01:22:51,270 --> 01:22:49,440

yeah perry's just gonna look at this guy

2299

01:22:52,790 --> 01:22:51,280

like that [h__h] don't work you know and

2300

01:22:55,430 --> 01:22:52,800

as soon as he whispered in his ear my

2301
01:22:56,790 --> 01:22:55,440
buddy just fell forward

2302
01:22:58,070 --> 01:22:56,800
that happened

2303
01:23:00,070 --> 01:22:58,080
to me

2304
01:23:02,149 --> 01:23:00,080
and he had him

2305
01:23:04,310 --> 01:23:02,159
i'm telling you if you could get him if

2306
01:23:06,149 --> 01:23:04,320
you would have told him go kill that guy

2307
01:23:07,030 --> 01:23:06,159
in the front row i think that would have

2308
01:23:11,030 --> 01:23:07,040
happened

2309
01:23:11,910 --> 01:23:11,040
he's a big man he's a big man yeah yeah

2310
01:23:13,669 --> 01:23:11,920
yeah

2311
01:23:15,669 --> 01:23:13,679
i've been in that situation except for

2312
01:23:19,430 --> 01:23:15,679
it it didn't work on me

2313
01:23:21,030 --> 01:23:19,440

and and uh it but i was really surprised

2314

01:23:22,550 --> 01:23:21,040

that like it did

2315

01:23:23,990 --> 01:23:22,560

like

2316

01:23:26,470 --> 01:23:24,000

it didn't work on me so i was kind of

2317

01:23:28,790 --> 01:23:26,480

like you guys are [h__h] with me right

2318

01:23:30,629 --> 01:23:28,800

but like i hear more and more stories

2319

01:23:33,750 --> 01:23:30,639

just like you're sunny of it actually

2320

01:23:34,950 --> 01:23:33,760

working on people and like

2321

01:23:36,709 --> 01:23:34,960

dude like

2322

01:23:39,030 --> 01:23:36,719

i believe it i believe it i think you

2323

01:23:41,189 --> 01:23:39,040

can like you know suggested hypnosis and

2324

01:23:43,189 --> 01:23:41,199

like just putting people under but i

2325

01:23:45,189 --> 01:23:43,199

never believed it either joe i swear i

2326

01:23:47,350 --> 01:23:45,199

never believed in it until i seen it

2327

01:23:49,110 --> 01:23:47,360

happen to him then when i seen it happen

2328

01:23:51,830 --> 01:23:49,120

to somebody that i knew would never ever

2329

01:23:53,669 --> 01:23:51,840

act like that that was when i was 100

2330

01:23:55,669 --> 01:23:53,679

convinced that that's just real that's

2331

01:23:57,189 --> 01:23:55,679

why i don't do no regressions i don't do

2332

01:23:59,189 --> 01:23:57,199

no hypnotize i don't let people

2333

01:24:02,870 --> 01:23:59,199

hypnotize me i don't want to be dancing

2334

01:24:04,709 --> 01:24:02,880

around naked like a chicken

2335

01:24:07,350 --> 01:24:04,719

i think i would fall into that category

2336

01:24:09,350 --> 01:24:07,360

uh as for uh first floor audio suggests

2337

01:24:12,149 --> 01:24:09,360

is that it only works on the suggestible

2338

01:24:14,070 --> 01:24:12,159

yeah i think i might be one of those

2339

01:24:16,149 --> 01:24:14,080

people dude so does that mean that if i

2340

01:24:18,149 --> 01:24:16,159

ever had an encounter and i wanted to

2341

01:24:19,830 --> 01:24:18,159

get like regression done or something

2342

01:24:21,590 --> 01:24:19,840

like it wouldn't work on me

2343

01:24:23,350 --> 01:24:21,600

like would i just have to deal with it i

2344

01:24:25,590 --> 01:24:23,360

just wouldn't be able to know anything

2345

01:24:28,149 --> 01:24:25,600

is like being hypnotized and then so

2346

01:24:30,310 --> 01:24:28,159

yeah it has to work on you but maybe the

2347

01:24:31,510 --> 01:24:30,320

way that person tried it on you didn't

2348

01:24:33,270 --> 01:24:31,520

work but

2349

01:24:35,669 --> 01:24:33,280

it's weird i mean

2350

01:24:37,110 --> 01:24:35,679

there's eight of us up on that stage

2351
01:24:39,910 --> 01:24:37,120
every one of them he's like you're gonna

2352
01:24:42,390 --> 01:24:39,920
get sleepy click just like you said they

2353
01:24:44,229 --> 01:24:42,400
fell out and they were literally like

2354
01:24:45,830 --> 01:24:44,239
barking like dogs and collecting like

2355
01:24:48,629 --> 01:24:45,840
chickens and he was like if you're not

2356
01:24:51,110 --> 01:24:48,639
feeling it please stand up and remove

2357
01:24:52,950 --> 01:24:51,120
yourself from the stage and i kind of

2358
01:24:54,870 --> 01:24:52,960
sat there a little bit and i was like i

2359
01:24:56,790 --> 01:24:54,880
don't make this guy feel bad like

2360
01:24:57,910 --> 01:24:56,800
because we're all about to stand up

2361
01:25:00,629 --> 01:24:57,920
and then i like

2362
01:25:02,390 --> 01:25:00,639
can i go yeah and then like i stood up

2363
01:25:04,709 --> 01:25:02,400

and like i opened my eyes and i was like

2364

01:25:06,629 --> 01:25:04,719

holy [\h__\h] i am not the only one that

2365

01:25:08,950 --> 01:25:06,639

this did not work on i went and sat back

2366

01:25:11,350 --> 01:25:08,960

down the audience and sure enough like

2367

01:25:13,270 --> 01:25:11,360

[\h__\h] barking like dog and even at the

2368

01:25:15,590 --> 01:25:13,280

end of the whole thing like at the end

2369

01:25:17,430 --> 01:25:15,600

of the session it was like an hour long

2370

01:25:19,430 --> 01:25:17,440

he he said the word again and they

2371

01:25:20,709 --> 01:25:19,440

started like clucking like chickens like

2372

01:25:22,709 --> 01:25:20,719

moving their heads and i was like what

2373

01:25:26,149 --> 01:25:22,719

the [\h__\h] is happening

2374

01:25:26,870 --> 01:25:26,159

well i want to do that

2375

01:25:45,910 --> 01:25:26,880

i

2376

01:25:48,390 --> 01:25:45,920

that's what you know so everybody feels

2377

01:25:50,310 --> 01:25:48,400

like i don't know i i want to you know

2378

01:25:51,830 --> 01:25:50,320

like a guy barry would have never faked

2379

01:25:53,669 --> 01:25:51,840

me

2380

01:25:56,149 --> 01:25:53,679

he would have never let him put a skirt

2381

01:25:57,910 --> 01:25:56,159

and a stink one top on him that's all

2382

01:25:59,270 --> 01:25:57,920

beated up so he could that dude would

2383

01:26:01,270 --> 01:25:59,280

have punched you in your eye if you'd

2384

01:26:02,870 --> 01:26:01,280

have brought that out in front of him

2385

01:26:04,229 --> 01:26:02,880

he really thought he was tina turner

2386

01:26:06,950 --> 01:26:04,239

when you talk to him and asked him

2387

01:26:09,189 --> 01:26:06,960

questions he answers like tina turner

2388

01:26:10,790 --> 01:26:09,199

like

2389

01:26:11,750 --> 01:26:10,800

what

2390

01:26:15,270 --> 01:26:11,760

it's

2391

01:26:17,430 --> 01:26:15,280

amazing that's crazy

2392

01:26:19,110 --> 01:26:17,440

so maybe that dude's just really good

2393

01:26:24,470 --> 01:26:19,120

he's like wiping this little coke off

2394

01:26:27,430 --> 01:26:25,590

oh

2395

01:26:30,550 --> 01:26:27,440

there's another part of the story just

2396

01:26:32,629 --> 01:26:30,560

had knee surgery like two months before

2397

01:26:34,229 --> 01:26:32,639

that somebody's up there dancing dude

2398

01:26:35,669 --> 01:26:34,239

hypnotized who didn't know

2399

01:26:37,510 --> 01:26:35,679

they had to [h__h] help him off the

2400

01:26:39,590 --> 01:26:37,520

stage he couldn't walk back to his seat

2401

01:26:42,149 --> 01:26:39,600

after he was un hypnotized

2402

01:26:43,910 --> 01:26:42,159

like a [h__h] he could he could it

2403

01:26:45,590 --> 01:26:43,920

was the stairs too you had to walk down

2404

01:26:47,590 --> 01:26:45,600

and they had to help him like two guys

2405

01:26:50,390 --> 01:26:47,600

had to help him back to see he could

2406

01:26:52,709 --> 01:26:50,400

walk because he hurt his knees dang so

2407

01:26:54,790 --> 01:26:52,719

he didn't even feel the pain

2408

01:26:56,229 --> 01:26:54,800

damn it sounds crazy guys because when i

2409

01:26:58,310 --> 01:26:56,239

would hear these stories i'd be like

2410

01:27:00,229 --> 01:26:58,320

this is so full of [h__h] you know that

2411

01:27:02,229 --> 01:27:00,239

does not work you know

2412

01:27:04,790 --> 01:27:02,239

yeah like i said i seen it on somebody

2413

01:27:06,310 --> 01:27:04,800

that i know percent would never ever do

2414

01:27:07,350 --> 01:27:06,320

something like that

2415

01:27:09,590 --> 01:27:07,360

god damn

2416

01:27:11,669 --> 01:27:09,600

i think that's just like making me think

2417

01:27:13,030 --> 01:27:11,679

about the power of suggestion and how

2418

01:27:14,790 --> 01:27:13,040

powerful

2419

01:27:16,390 --> 01:27:14,800

our minds are it's like

2420

01:27:17,750 --> 01:27:16,400

it does yes it does take the right

2421

01:27:19,910 --> 01:27:17,760

instructor but it's ultimately our

2422

01:27:20,950 --> 01:27:19,920

brains that decide like our actions

2423

01:27:23,270 --> 01:27:20,960

right like

2424

01:27:26,149 --> 01:27:23,280

i feel like at some level our brain has

2425

01:27:27,669 --> 01:27:26,159

to accept like this is my reality now

2426

01:27:30,390 --> 01:27:27,679

like i am

2427

01:27:35,030 --> 01:27:30,400

tina turner like that's just me

2428

01:27:39,110 --> 01:27:37,030

like getting hypnotized about like stop

2429

01:27:40,870 --> 01:27:39,120

stopping the smoke and all that like i

2430

01:27:42,790 --> 01:27:40,880

think there's something to do

2431

01:27:45,030 --> 01:27:42,800

i want to have lorian back on the show

2432

01:27:47,030 --> 01:27:45,040

again because i remember remember when

2433

01:27:49,590 --> 01:27:47,040

she was on one of the shows she had

2434

01:27:53,669 --> 01:27:49,600

suggested that uh lee harvey oswald was

2435

01:27:56,070 --> 01:27:53,679

the last non-mind controlled uh patsy

2436

01:27:58,709 --> 01:27:56,080

assassin yeah that they just straight up

2437

01:28:00,030 --> 01:27:58,719

used him as a patsy and that she was

2438

01:28:01,910 --> 01:28:00,040

like yeah he was the last

2439

01:28:04,470 --> 01:28:01,920

non-mind-controlled person that they

2440

01:28:06,070 --> 01:28:04,480

used for assassination attempts

2441

01:28:07,270 --> 01:28:06,080

i was like what

2442

01:28:12,310 --> 01:28:07,280

that

2443

01:28:14,550 --> 01:28:12,320

reagan and didn't he say he didn't

2444

01:28:16,310 --> 01:28:14,560

remember doing it yeah we gotta try to

2445

01:28:19,350 --> 01:28:16,320

assassinate right and then kill him but

2446

01:28:20,149 --> 01:28:19,360

yeah uh-huh uh-huh he said i didn't do

2447

01:28:24,149 --> 01:28:20,159

that

2448

01:28:25,750 --> 01:28:24,159

where this guy came from i don't know

2449

01:28:28,420 --> 01:28:25,760

where this flashlight came from man i

2450

01:28:32,070 --> 01:28:28,430

was just holding it man i don't [h__\h]

2451

01:28:33,669 --> 01:28:32,080

[Laughter]

2452

01:28:35,270 --> 01:28:33,679

i'm just standing here charging my name

2453

01:28:39,030 --> 01:28:35,280

flashlight like a goddamn american

2454

01:28:40,830 --> 01:28:39,040

citizen you come up on me like hey man

2455

01:28:42,950 --> 01:28:40,840

you can't

2456

01:28:43,830 --> 01:28:42,960

president wait what

2457

01:28:46,870 --> 01:28:43,840

yeah

2458

01:28:48,790 --> 01:28:46,880

man can you imagine that dude

2459

01:28:50,950 --> 01:28:48,800

but then do you imagine how bad it would

2460

01:28:52,790 --> 01:28:50,960

suck like if you were lee harvey oswald

2461

01:28:54,149 --> 01:28:52,800

in oswald and you weren't even like

2462

01:28:56,709 --> 01:28:54,159

under mind control and they were like

2463

01:28:58,550 --> 01:28:56,719

hey you're coming with us he's like

2464

01:29:01,270 --> 01:28:58,560

what

2465

01:29:04,629 --> 01:29:03,350

yeah that guy they had him good they

2466

01:29:07,110 --> 01:29:04,639

said they caught him with a rifle and

2467

01:29:09,110 --> 01:29:07,120

everything upstairs oh yeah i wonder if

2468

01:29:11,830 --> 01:29:09,120

i'd rather be mind controlled than like

2469

01:29:13,510 --> 01:29:11,840

not remember

2470

01:29:16,470 --> 01:29:13,520

does that make you leave lee harvey

2471

01:29:19,830 --> 01:29:17,990

like what if you can obviously don't

2472

01:29:21,430 --> 01:29:19,840

hide somebody and tell them they're the

2473

01:29:23,510 --> 01:29:21,440

best shooter in the world too because to

2474

01:29:26,709 --> 01:29:23,520

get them three shots off are those shots

2475

01:29:29,270 --> 01:29:26,719

those first three shots are amazing man

2476

01:29:31,669 --> 01:29:29,280

that's crazy to be that fast with the

2477

01:29:33,270 --> 01:29:31,679

bolt action i have a new you know bolt

2478

01:29:35,830 --> 01:29:33,280

action deer rifles

2479

01:29:36,790 --> 01:29:35,840

i can't i can't replicate

2480

01:29:38,550 --> 01:29:36,800

that

2481

01:29:40,870 --> 01:29:38,560

underneath

2482

01:29:43,669 --> 01:29:40,880

100 yards that's not moving for my

2483

01:29:46,950 --> 01:29:43,679

target i can't not do it that fast

2484

01:29:49,430 --> 01:29:46,960

there's no way damn remember uh we won't

2485

01:29:52,070 --> 01:29:49,440

say his name because he's got

2486

01:29:54,310 --> 01:29:52,080

taken down uh our video that we had a

2487

01:29:56,470 --> 01:29:54,320

conversation with uh with that man and

2488

01:29:58,149 --> 01:29:56,480

he was jessie ventura i'm here in

2489

01:30:00,070 --> 01:29:58,159

conspiracy theory didn't he do an

2490

01:30:01,669 --> 01:30:00,080

episode sorry

2491

01:30:02,629 --> 01:30:01,679

he didn't episode about the bolt action

2492

01:30:04,790 --> 01:30:02,639

i thought that's where you're going with

2493

01:30:07,189 --> 01:30:04,800

it no not at all he hasn't been on our

2494

01:30:09,669 --> 01:30:07,199

show ever we've never even talked to

2495

01:30:11,490 --> 01:30:09,679

jesse ventura we've never met jesse

2496

01:30:14,950 --> 01:30:11,500

vince sure

2497

01:30:17,110 --> 01:30:14,960

[Laughter]

2498

01:30:18,470 --> 01:30:17,120

i'm gonna charge my flash i'm gonna say

2499

01:30:20,229 --> 01:30:18,480

the guy's name and this whole episode's

2500

01:30:21,590 --> 01:30:20,239

gonna get canceled yeah don't say it you

2501

01:30:23,669 --> 01:30:21,600

don't like it if you don't be happy to

2502

01:30:25,430 --> 01:30:23,679

scrat distract you if you don't behave

2503

01:30:27,669 --> 01:30:25,440

i'm gonna say it don't say it that's

2504

01:30:29,669 --> 01:30:27,679

what i'm doing but remember he said i

2505

01:30:32,149 --> 01:30:29,679

know seven names right now i can give

2506

01:30:35,669 --> 01:30:32,159

you yeah he was like i know

2507

01:30:37,189 --> 01:30:35,679

no we know for a fact seven people

2508

01:30:38,550 --> 01:30:37,199

for a fact yeah

2509

01:30:43,270 --> 01:30:38,560

they were

2510

01:30:45,270 --> 01:30:43,280

yeah it's intense

2511

01:30:47,189 --> 01:30:45,280

that video got taken down like that dude

2512

01:30:51,030 --> 01:30:47,199

immediately

2513

01:30:53,030 --> 01:30:51,040

yeah

2514

01:30:55,030 --> 01:30:53,040

that's all right we gotta watch it i was

2515

01:30:55,910 --> 01:30:55,040

told you guys would when i had louis on

2516

01:30:59,590 --> 01:30:55,920

here

2517

01:31:00,950 --> 01:30:59,600

my microphone

2518

01:31:03,030 --> 01:31:00,960

is right here and when there's two

2519

01:31:03,830 --> 01:31:03,040

people in here it's up here

2520

01:31:04,790 --> 01:31:03,840

okay

2521

01:31:05,910 --> 01:31:04,800

so

2522

01:31:07,830 --> 01:31:05,920

cap says

2523

01:31:08,870 --> 01:31:07,840

how come we can't talk about where lewis

2524

01:31:11,350 --> 01:31:08,880

works

2525

01:31:13,750 --> 01:31:11,360

i scoot way back like this

2526

01:31:15,590 --> 01:31:13,760

and cover my mouth and as i do i look

2527

01:31:18,229 --> 01:31:15,600

back at the camera

2528

01:31:21,030 --> 01:31:18,239

just my square is total black no one can

2529

01:31:22,870 --> 01:31:21,040

hear me no one could see me and then i i

2530

01:31:24,390 --> 01:31:22,880

told him

2531

01:31:26,310 --> 01:31:24,400

and i looked and i was like what the

2532

01:31:31,110 --> 01:31:26,320

[h__h] and i i went to slide back up to

2533

01:31:37,910 --> 01:31:34,310

dude after that show i told him don't

2534

01:31:40,390 --> 01:31:37,920

bring up lockheed ever again just don't

2535

01:31:41,990 --> 01:31:40,400

talk about it on here because that [h__h]

2536

01:31:42,830 --> 01:31:42,000

was spooky

2537

01:31:45,590 --> 01:31:42,840

that

2538

01:31:47,830 --> 01:31:45,600

yeah you already knew i was gonna say

2539

01:31:50,550 --> 01:31:47,840

the name i just like the crystal clear

2540

01:31:53,030 --> 01:31:50,560

from back there by the way

2541

01:31:54,790 --> 01:31:53,040

i'm trying to be quiet no i can hear you

2542

01:31:56,830 --> 01:31:54,800

just as good as i can if you were back

2543

01:31:59,350 --> 01:31:56,840

there like

2544

01:32:00,870 --> 01:31:59,360

yeah that is very weird dude mr crowley

2545

01:32:04,149 --> 01:32:00,880

thank you for that super chat brother

2546

01:32:08,709 --> 01:32:04,159

hey oh that's awesome man oh yeah dude

2547

01:32:14,870 --> 01:32:10,709

oh my god yeah i'll send you like yeah

2548

01:32:19,189 --> 01:32:17,669

uh but yeah that's spooky i wonder

2549

01:32:20,790 --> 01:32:19,199

who i wonder what happened there dude

2550

01:32:23,830 --> 01:32:20,800

that means that somebody's watching out

2551

01:32:29,270 --> 01:32:24,870

who's

2552

01:32:32,790 --> 01:32:31,030

i heard a story one time of a guy that

2553

01:32:35,510 --> 01:32:32,800

worked there and he was told not to tell

2554

01:32:36,629 --> 01:32:35,520

anybody what he did he was if they asked

2555

01:32:39,669 --> 01:32:36,639

he was

2556

01:32:41,030 --> 01:32:39,679

supposed to say he makes donuts

2557

01:32:43,590 --> 01:32:41,040

nice

2558

01:32:45,270 --> 01:32:43,600

everybody loves donuts oh god

2559

01:32:47,030 --> 01:32:45,280

what do you do for a living i make

2560

01:32:50,070 --> 01:32:47,040

donuts how can you never leave your

2561

01:32:51,750 --> 01:32:50,080

house till 10 30 in the in the morning

2562

01:32:54,550 --> 01:32:51,760

am i still here y'all can still see yeah

2563

01:32:56,790 --> 01:32:54,560

you're here you're still here

2564

01:32:58,310 --> 01:32:56,800

yeah it's uh it it's

2565

01:33:02,790 --> 01:32:58,320

yeah sometimes it could get spooky i

2566

01:33:05,430 --> 01:33:02,800

mean we're live like dude it can be uh

2567

01:33:07,110 --> 01:33:05,440

you know knock on wood uh nothing

2568

01:33:09,030 --> 01:33:07,120

super spooky has happened

2569

01:33:09,830 --> 01:33:09,040

just yet but i guess jody you remember

2570

01:33:13,830 --> 01:33:09,840

that

2571

01:33:16,149 --> 01:33:13,840

i've been monitoring this channel

2572

01:33:17,990 --> 01:33:16,159

for quite some time yes

2573

01:33:20,470 --> 01:33:18,000

and i do remember that i don't know if

2574

01:33:22,390 --> 01:33:20,480

that was an email or no it was in the it

2575

01:33:23,510 --> 01:33:22,400

was in the chat in the chat this is in

2576

01:33:25,669 --> 01:33:23,520

the chat i think we were talking to

2577

01:33:27,590 --> 01:33:25,679

cinnamon terry oh

2578

01:33:30,310 --> 01:33:27,600

okay and they were talking back and

2579

01:33:31,669 --> 01:33:30,320

forth about something and then the guy

2580

01:33:33,750 --> 01:33:31,679

was like uh

2581

01:33:35,430 --> 01:33:33,760

you should probably be careful uh who

2582

01:33:37,030 --> 01:33:35,440

you're talking to bud

2583

01:33:39,430 --> 01:33:37,040

and uh he was like why do you work with

2584

01:33:41,750 --> 01:33:39,440

me and he was like i don't know

2585

01:33:42,790 --> 01:33:41,760

he was like are you a co-worker

2586

01:33:45,990 --> 01:33:42,800

he was like

2587

01:33:47,990 --> 01:33:46,000

i've just i've been monitoring this

2588

01:33:49,910 --> 01:33:48,000

channel for some time now

2589

01:33:53,030 --> 01:33:49,920

and i was like first off i don't know

2590

01:33:54,950 --> 01:33:53,040

what the [h__h] that means second of all

2591

01:33:56,870 --> 01:33:54,960

i know we ain't saying nothing that

2592

01:33:58,550 --> 01:33:56,880

important okay

2593

01:34:00,709 --> 01:33:58,560

i would have been asking him hey for how

2594

01:34:02,470 --> 01:34:00,719

long and if he gave you a long time tell

2595

01:34:04,390 --> 01:34:02,480

him and i've never seen you once in

2596

01:34:06,629 --> 01:34:04,400

super chats

2597

01:34:08,629 --> 01:34:06,639

yeah right yet

2598

01:34:09,910 --> 01:34:08,639

i don't uh i don't want to say

2599

01:34:11,510 --> 01:34:09,920

i don't even think that person never

2600

01:34:13,750 --> 01:34:11,520

showed up again dude

2601

01:34:15,430 --> 01:34:13,760

yeah i don't think so well it's so easy

2602

01:34:17,669 --> 01:34:15,440

for people to change their names now

2603

01:34:19,270 --> 01:34:17,679

like i'll try to like at certain people

2604

01:34:20,629 --> 01:34:19,280

and like you can't look it up that means

2605

01:34:22,870 --> 01:34:20,639

that their their actual name is

2606

01:34:24,149 --> 01:34:22,880

different their actual user user name or

2607

01:34:26,390 --> 01:34:24,159

whatever on youtube

2608

01:34:28,070 --> 01:34:26,400

you notice that like

2609

01:34:29,910 --> 01:34:28,080

try to add some money and it's it does

2610

01:34:31,510 --> 01:34:29,920

doesn't show up automatically is the the

2611

01:34:33,430 --> 01:34:31,520

highlight that means yeah they're going

2612

01:34:34,629 --> 01:34:33,440

under a different name it's like i guess

2613

01:34:35,830 --> 01:34:34,639

up here i don't know how to do it

2614

01:34:37,830 --> 01:34:35,840

honestly like i'm really good with

2615

01:34:40,629 --> 01:34:37,840

computers i just haven't spent that like

2616

01:34:42,149 --> 01:34:40,639

i can't remember how to do that

2617

01:34:45,189 --> 01:34:42,159

remember when jim was like how come i'm

2618

01:34:46,950 --> 01:34:45,199

not on your friends list oh yeah yeah

2619

01:34:48,310 --> 01:34:46,960

like because you get banned like every

2620

01:34:50,149 --> 01:34:48,320

other week dude and you have to like

2621

01:34:52,629 --> 01:34:50,159

make a whole new account your first one

2622

01:34:55,910 --> 01:34:52,639

was under james c this one's uh under

2623

01:34:57,910 --> 01:34:55,920

jim the next one is like mr jim

2624

01:34:59,270 --> 01:34:57,920

oh good all right he's got like all

2625

01:35:01,830 --> 01:34:59,280

those accounts because he's always

2626

01:35:04,310 --> 01:35:01,840

getting blocked

2627

01:35:05,830 --> 01:35:04,320

they can't keep up with it dude i told i

2628

01:35:08,550 --> 01:35:05,840

told jim we're talking about jim goodall

2629

01:35:10,470 --> 01:35:08,560

right yeah well i told i told him that i

2630

01:35:11,990 --> 01:35:10,480

uh i got i keep getting messages on

2631

01:35:14,550 --> 01:35:12,000

instagram from different accounts

2632

01:35:16,950 --> 01:35:14,560

claiming to be jim

2633

01:35:18,550 --> 01:35:16,960

and it's not him i'm like if you're jim

2634

01:35:20,229 --> 01:35:18,560

goodall what happened in the first night

2635

01:35:21,430 --> 01:35:20,239

that you came in to hang out with us in

2636

01:35:24,790 --> 01:35:21,440

sedona

2637

01:35:27,109 --> 01:35:24,800

and he and they were like you got me

2638

01:35:28,390 --> 01:35:27,119

i was like you bastard and so i reported

2639

01:35:32,550 --> 01:35:28,400

him like immediately

2640

01:35:35,220 --> 01:35:33,990

and that's why he has to keep making new

2641

01:35:38,390 --> 01:35:35,230

accounts

2642

01:35:42,470 --> 01:35:38,400

[Laughter]

2643

01:35:45,030 --> 01:35:42,480

no jim's messages are always

2644

01:35:46,950 --> 01:35:45,040

really professional even a text message

2645

01:35:49,430 --> 01:35:46,960

so you always know when it's him texting

2646

01:35:52,229 --> 01:35:49,440

you yeah yeah i know his cadence yeah

2647

01:35:54,070 --> 01:35:52,239

and this was not his cadence yeah yep

2648

01:35:55,270 --> 01:35:54,080

there's more to that but

2649

01:35:56,709 --> 01:35:55,280

oh yeah

2650

01:35:58,229 --> 01:35:56,719

talking i'm talking about if you're just

2651
01:35:59,990 --> 01:35:58,239
joining us we're talking about spooky

2652
01:36:01,990 --> 01:36:00,000
[h__h] you know doing this live show

2653
01:36:03,830 --> 01:36:02,000
getting into this subject

2654
01:36:05,510 --> 01:36:03,840
um sometimes you can get close to the

2655
01:36:06,709 --> 01:36:05,520
truth and maybe talk to somebody that

2656
01:36:10,070 --> 01:36:06,719
knows a little bit

2657
01:36:11,590 --> 01:36:10,080
and uh maybe get some ideas we i don't

2658
01:36:13,590 --> 01:36:11,600
know sometimes i feel like we figure

2659
01:36:15,669 --> 01:36:13,600
some stuff out and and it might piss

2660
01:36:17,270 --> 01:36:15,679
some people off that and

2661
01:36:18,470 --> 01:36:17,280
maybe we're not supposed to

2662
01:36:20,790 --> 01:36:18,480
that's how you know you're doing it

2663
01:36:23,109 --> 01:36:20,800

right dude when you make people mad yeah

2664

01:36:26,149 --> 01:36:23,119

did you hear about me willie and chad

2665

01:36:28,229 --> 01:36:26,159

screwing around one night and uh

2666

01:36:32,550 --> 01:36:28,239

we all went to

2667

01:36:35,669 --> 01:36:32,560

the nasa page

2668

01:36:38,470 --> 01:36:35,679

okay see what's going on

2669

01:36:40,790 --> 01:36:38,480

joking around and teasing willie and i

2670

01:36:42,390 --> 01:36:40,800

said is you know the earth is flat and

2671

01:36:44,629 --> 01:36:42,400

it stayed up there for about two seconds

2672

01:36:46,709 --> 01:36:44,639

got taken down and i was like huh

2673

01:36:48,470 --> 01:36:46,719

you know so

2674

01:36:49,990 --> 01:36:48,480

then what it was i did it like two or

2675

01:36:52,790 --> 01:36:50,000

three times and they just got

2676
01:36:55,590 --> 01:36:52,800
taken down instantly and then i put is

2677
01:36:56,870 --> 01:36:55,600
the earth round no

2678
01:36:58,629 --> 01:36:56,880
well

2679
01:37:00,310 --> 01:36:58,639
the damn chop shop guy always thinks the

2680
01:37:01,510 --> 01:37:00,320
earth is flat that i went to comment

2681
01:37:03,669 --> 01:37:01,520
again because they took it down and i

2682
01:37:06,950 --> 01:37:03,679
almost kicked the hell out dude get me

2683
01:37:11,510 --> 01:37:08,950
so messed up dude i was just making

2684
01:37:13,990 --> 01:37:11,520
jokes i don't want no one

2685
01:37:15,990 --> 01:37:14,000
oh [h__h] yeah i was in y'all's chat the

2686
01:37:17,590 --> 01:37:16,000
next morning or something or in chat

2687
01:37:19,510 --> 01:37:17,600
dude yeah y'all are talking about that

2688
01:37:21,109 --> 01:37:19,520

that that dude that's hulk yeah i got

2689

01:37:23,189 --> 01:37:21,119

kicked out in the nasa chat i don't even

2690

01:37:25,590 --> 01:37:23,199

know if i can go back

2691

01:37:27,590 --> 01:37:25,600

hey what a great troll though like they

2692

01:37:29,270 --> 01:37:27,600

have to laugh at that right well i think

2693

01:37:30,790 --> 01:37:29,280

it was real so they got mad and just

2694

01:37:32,870 --> 01:37:30,800

took it right off i was like willie

2695

01:37:35,669 --> 01:37:32,880

you're on to something

2696

01:37:37,270 --> 01:37:35,679

why don't they want me to say it willie

2697

01:37:39,830 --> 01:37:37,280

uh you guys uh

2698

01:37:42,629 --> 01:37:39,840

did you did you guys read my my most

2699

01:37:46,149 --> 01:37:42,639

recent uh crop circles article that i

2700

01:37:47,109 --> 01:37:46,159

posted uh no in the garage

2701

01:37:49,669 --> 01:37:47,119

in the group

2702

01:37:51,030 --> 01:37:49,679

yeah okay i'll pull it up

2703

01:37:54,149 --> 01:37:51,040

we need some visuals you know we're on

2704

01:37:56,190 --> 01:37:54,159

youtube we should be doing video stuff

2705

01:37:57,830 --> 01:37:56,200

this is breaking news

2706

01:37:59,750 --> 01:37:57,840

[Laughter]

2707

01:38:02,950 --> 01:37:59,760

yeah everything's different right now

2708

01:38:06,229 --> 01:38:02,960

when i tried to work it

2709

01:38:09,270 --> 01:38:06,239

oh come on sometimes facebook just hates

2710

01:38:14,070 --> 01:38:09,280

me um i just did not it's always live

2711

01:38:14,080 --> 01:38:19,109

nada nada

2712

01:38:19,119 --> 01:38:24,310

come on are you on wi-fi dude

2713

01:38:28,950 --> 01:38:26,229

chad's chad's working still you and

2714

01:38:31,830 --> 01:38:28,960

spooky better both be working

2715

01:38:34,390 --> 01:38:31,840

oh you uh oh it not okay he's not her

2716

01:38:37,189 --> 01:38:34,400

factory they're running the chop shop

2717

01:38:38,629 --> 01:38:37,199

nice nice nice

2718

01:38:40,550 --> 01:38:38,639

uh

2719

01:38:41,510 --> 01:38:40,560

yeah i'm still it's not showing up here

2720

01:38:45,030 --> 01:38:41,520

joe

2721

01:38:47,669 --> 01:38:45,040

could share your screen huh you're right

2722

01:38:50,070 --> 01:38:47,679

i can yeah let me uh let me give this a

2723

01:38:51,510 --> 01:38:50,080

shot let me see what's happening oh [h__\h]

2724

01:38:54,070 --> 01:38:51,520

say what's up to everybody in the chat

2725

01:38:56,149 --> 01:38:54,080

bro here we go oh let's do say what's up

2726

01:38:59,350 --> 01:38:56,159

to everybody in the chat mr crowley

2727

01:39:03,189 --> 01:38:59,360

what's up bro arden paranormal what's up

2728

01:39:05,030 --> 01:39:03,199

fi pinser what's up i almost said pfizer

2729

01:39:06,149 --> 01:39:05,040

pizza good to see you melissa what's up

2730

01:39:06,950 --> 01:39:06,159

baby

2731

01:39:08,870 --> 01:39:06,960

uh

2732

01:39:11,030 --> 01:39:08,880

wren what's up girl i missed you i heard

2733

01:39:14,470 --> 01:39:11,040

you were in vegas i missed meeting you

2734

01:39:17,750 --> 01:39:14,480

uh that was a sad sad moment but awesome

2735

01:39:20,070 --> 01:39:17,760

what's up uh scary gary what's up dude

2736

01:39:21,910 --> 01:39:20,080

tribal whitley oh hey thank you for that

2737

01:39:24,790 --> 01:39:21,920

super chat travel whitley

2738

01:39:26,950 --> 01:39:24,800

thank you so much uh number one what do

2739

01:39:28,709 --> 01:39:26,960

you think is on the other end of a black

2740

01:39:31,030 --> 01:39:28,719

hole ooh great question

2741

01:39:32,070 --> 01:39:31,040

number two how much fun do you guys have

2742

01:39:33,430 --> 01:39:32,080

doing this

2743

01:39:36,950 --> 01:39:33,440

love that one

2744

01:39:39,189 --> 01:39:36,960

uh do you think uaps are man made or dot

2745

01:39:41,350 --> 01:39:39,199

dot dot ooh we got a three-parter boys

2746

01:39:42,390 --> 01:39:41,360

let's do it let's do the lightning round

2747

01:39:44,149 --> 01:39:42,400

what do you what do you think is on the

2748

01:39:45,990 --> 01:39:44,159

other side of the black hole joe

2749

01:39:47,910 --> 01:39:46,000

universe you and i talked about this the

2750

01:39:48,790 --> 01:39:47,920

other night

2751

01:39:56,790 --> 01:39:48,800

the

2752

01:39:59,510 --> 01:39:56,800

it's got to be a big old

2753

01:40:00,790 --> 01:39:59,520

just filled up with space trash that's

2754

01:40:01,910 --> 01:40:00,800

how i picture a black hole you go

2755

01:40:03,510 --> 01:40:01,920

through it it's not going to be nothing

2756

01:40:04,709 --> 01:40:03,520

good

2757

01:40:06,310 --> 01:40:04,719

it's on the other side when you get

2758

01:40:10,149 --> 01:40:06,320

there

2759

01:40:13,270 --> 01:40:10,159

i think uh so i i uh follow this this

2760

01:40:17,189 --> 01:40:13,280

dude uh on tick tock that that is that

2761

01:40:18,070 --> 01:40:17,199

makes his own pharaoh sheets out of uh

2762

01:40:20,149 --> 01:40:18,080

fair

2763

01:40:22,790 --> 01:40:20,159

ferrofluid so

2764

01:40:23,830 --> 01:40:22,800

you can visualize a magnetic

2765

01:40:25,990 --> 01:40:23,840

uh

2766

01:40:28,950 --> 01:40:26,000

and

2767

01:40:30,629 --> 01:40:28,960

in a 3d in a third dimension so

2768

01:40:32,229 --> 01:40:30,639

uh before when you look at a magnet

2769

01:40:34,229 --> 01:40:32,239

through through um

2770

01:40:36,310 --> 01:40:34,239

any kind of uh

2771

01:40:39,030 --> 01:40:36,320

material that you could see a magnetic

2772

01:40:41,189 --> 01:40:39,040

field it's always in 2d but he's able to

2773

01:40:43,189 --> 01:40:41,199

show it in 3d and it's like a toroidal

2774

01:40:44,229 --> 01:40:43,199

field which has always been like

2775

01:40:46,070 --> 01:40:44,239

uh

2776

01:40:47,750 --> 01:40:46,080

guessed that that's the actual shape but

2777

01:40:50,229 --> 01:40:47,760

he like confirmed it

2778

01:40:52,149 --> 01:40:50,239

uh but i kind of took it a little bit

2779

01:40:54,070 --> 01:40:52,159

further like what's okay so if we think

2780

01:40:56,229 --> 01:40:54,080

of a black hole maybe that's that's top

2781

01:40:58,070 --> 01:40:56,239

down center from a you know like a

2782

01:40:59,910 --> 01:40:58,080

magnetic magnetic field which is the

2783

01:41:01,669 --> 01:40:59,920

center but what's on the inside of that

2784

01:41:03,030 --> 01:41:01,679

toroidal field there's there's a hole on

2785

01:41:05,430 --> 01:41:03,040

the inside of that

2786

01:41:06,709 --> 01:41:05,440

so what if that black hole is not the

2787

01:41:09,669 --> 01:41:06,719

top down

2788

01:41:11,990 --> 01:41:09,679

but the inside of of a

2789

01:41:14,390 --> 01:41:12,000

of a magnetic field where it just goes

2790

01:41:15,750 --> 01:41:14,400

on into infinity

2791

01:41:17,109 --> 01:41:15,760

and we're just only seeing it from an

2792

01:41:18,470 --> 01:41:17,119

angle and we're only seeing it from a

2793

01:41:20,149 --> 01:41:18,480

two dimension because

2794

01:41:22,790 --> 01:41:20,159

our lens is that

2795

01:41:25,430 --> 01:41:22,800

two-dimensional uh ferrofluid filter

2796

01:41:27,030 --> 01:41:25,440

instead of a three-dimensional one

2797

01:41:29,350 --> 01:41:27,040

wow that's so you're saying you just

2798

01:41:30,149 --> 01:41:29,360

keep going into a big circle

2799

01:41:32,629 --> 01:41:30,159

well

2800

01:41:33,669 --> 01:41:32,639

we're seeing a huge magnetic

2801

01:41:35,189 --> 01:41:33,679

uh

2802

01:41:37,750 --> 01:41:35,199

field and

2803

01:41:39,669 --> 01:41:37,760

we perceive it as a large black hole but

2804

01:41:41,830 --> 01:41:39,679

what we're seeing is the inside of a

2805

01:41:43,750 --> 01:41:41,840

toroidal field not the top or bottom but

2806

01:41:44,950 --> 01:41:43,760

the inside of it

2807

01:41:47,030 --> 01:41:44,960

like the uh

2808

01:41:48,070 --> 01:41:47,040

uh center of it

2809

01:41:52,950 --> 01:41:48,080

just a thought

2810

01:41:55,910 --> 01:41:52,960

hey so uh facebook's making me like do a

2811

01:41:57,830 --> 01:41:55,920

six-step [h__h] authorization identify

2812

01:41:59,270 --> 01:41:57,840

they're just being real [h__h] gay

2813

01:42:02,149 --> 01:41:59,280

right now like

2814

01:42:04,790 --> 01:42:02,159

i can't do it like i'm on your computer

2815

01:42:07,270 --> 01:42:04,800

and everything like reset for whatever

2816

01:42:10,149 --> 01:42:07,280

reason when i came back to texas so like

2817

01:42:12,149 --> 01:42:10,159

nothing saved and you know i'm on my

2818

01:42:13,910 --> 01:42:12,159

phone yeah well this is how look i'm

2819

01:42:16,390 --> 01:42:13,920

just sitting here waiting for this load

2820

01:42:17,830 --> 01:42:16,400

i've re i've re refreshed my page

2821

01:42:20,229 --> 01:42:17,840

facebook is full of [h__h] they're going

2822

01:42:22,950 --> 01:42:20,239

to make me read an entire article god

2823

01:42:24,550 --> 01:42:22,960

yeah all right well it sucks

2824

01:42:26,870 --> 01:42:24,560

oh okay

2825

01:42:30,790 --> 01:42:26,880

that's no fun anyways highs the kite

2826

01:42:35,750 --> 01:42:32,870

what yeah

2827

01:42:38,870 --> 01:42:35,760

uh tasmania they legally are able to

2828

01:42:40,550 --> 01:42:38,880

grow opium and like poppy seeds

2829

01:42:42,390 --> 01:42:40,560

and so they say they were flying over

2830

01:42:44,390 --> 01:42:42,400

there's all these circles

2831

01:42:45,910 --> 01:42:44,400

in the crops and they went down to go

2832

01:42:47,270 --> 01:42:45,920

check it out there's a bunch of stone

2833

01:42:49,350 --> 01:42:47,280

wallabies

2834

01:42:51,510 --> 01:42:49,360

that have been like eating it

2835

01:42:52,870 --> 01:42:51,520

and they like were hopping in a circle

2836

01:42:55,590 --> 01:42:52,880

and they've been hopping in circles in

2837

01:42:58,709 --> 01:42:55,600

their fields so we figured it out dude

2838

01:43:01,430 --> 01:42:58,719

that's the uh that's what happens uh

2839

01:43:02,709 --> 01:43:01,440

they were all hopped up on opium

2840

01:43:03,830 --> 01:43:02,719

yeah dude

2841

01:43:04,709 --> 01:43:03,840

they're awesome

2842

01:43:06,790 --> 01:43:04,719

yeah

2843

01:43:09,350 --> 01:43:06,800

they said that they noticed like sheep

2844

01:43:11,030 --> 01:43:09,360

and uh other other animals they were

2845

01:43:13,030 --> 01:43:11,040

also eating it and they were spinning in

2846

01:43:14,550 --> 01:43:13,040

circles as well

2847

01:43:17,430 --> 01:43:14,560

oh my

2848

01:43:19,270 --> 01:43:17,440

god everyone's just [h__h] following

2849

01:43:21,189 --> 01:43:19,280

each other just a bunch of animals just

2850

01:43:22,550 --> 01:43:21,199

walking in a circle and they were like

2851
01:43:24,629 --> 01:43:22,560
yeah they kept making like these weird

2852
01:43:26,470 --> 01:43:24,639
crop circles in our fields like we would

2853
01:43:28,390 --> 01:43:26,480
fly over a helicopter there'd be all

2854
01:43:29,910 --> 01:43:28,400
these random ass circles and we got down

2855
01:43:31,910 --> 01:43:29,920
there's just a bunch of wallabies

2856
01:43:33,430 --> 01:43:31,920
spinning around

2857
01:43:36,310 --> 01:43:33,440
you know the term wallow right like

2858
01:43:42,070 --> 01:43:36,320
wallowing around yeah wallabies it makes

2859
01:43:46,950 --> 01:43:44,550
oh [h__h] i'm looking up wallabies in

2860
01:43:48,709 --> 01:43:46,960
australia

2861
01:43:50,629 --> 01:43:48,719
corrupt

2862
01:43:52,390 --> 01:43:50,639
yeah he's pretty cool

2863
01:43:53,990 --> 01:43:52,400

that was almost the

2864

01:43:56,229 --> 01:43:54,000

answer for the next question how much

2865

01:43:58,790 --> 01:43:56,239

fun do we have doing this

2866

01:43:59,750 --> 01:43:58,800

a lot that's the answer a lot it's a lot

2867

01:44:01,669 --> 01:43:59,760

of fun

2868

01:44:04,709 --> 01:44:01,679

the community we have here guys is

2869

01:44:07,030 --> 01:44:04,719

honestly a blast yes it really is it

2870

01:44:08,470 --> 01:44:07,040

really is did you find the article dude

2871

01:44:11,430 --> 01:44:08,480

i did well i've

2872

01:44:14,470 --> 01:44:11,440

something um it does

2873

01:44:15,750 --> 01:44:14,480

this it's a wallaby uh-oh

2874

01:44:18,870 --> 01:44:15,760

here we go

2875

01:44:20,950 --> 01:44:18,880

yeah stone wall bees make crop circles

2876

01:44:24,229 --> 01:44:20,960

australian wallabies are eating apm

2877

01:44:25,990 --> 01:44:24,239

poppies and creating crop circles

2878

01:44:27,990 --> 01:44:26,000

as they hop around

2879

01:44:29,109 --> 01:44:28,000

all right

2880

01:44:30,149 --> 01:44:29,119

hi there's a guy did you already read

2881

01:44:31,910 --> 01:44:30,159

this

2882

01:44:32,870 --> 01:44:31,920

i read the headline

2883

01:44:34,470 --> 01:44:32,880

okay

2884

01:44:36,709 --> 01:44:34,480

i don't want to read that again

2885

01:44:38,629 --> 01:44:36,719

i forgot that they were just smaller uh

2886

01:44:40,709 --> 01:44:38,639

small kangaroos yeah

2887

01:44:41,430 --> 01:44:40,719

i pictured them as like tiny little uh

2888

01:44:43,030 --> 01:44:41,440

like

2889

01:44:44,629 --> 01:44:43,040

i pictured them as a wombat i got those

2890

01:44:46,470 --> 01:44:44,639

confusing because that's what rocco is

2891

01:44:50,310 --> 01:44:46,480

dude he's a wallaby that's why i said

2892

01:44:54,390 --> 01:44:52,950

you son of a you gotta you gotta go dude

2893

01:44:57,430 --> 01:44:54,400

you son of a [h__h]

2894

01:45:01,189 --> 01:44:57,440

you get out oh [h__h] uh

2895

01:45:05,430 --> 01:45:03,750

dude i think and i think we can answer

2896

01:45:07,189 --> 01:45:05,440

this third question you know we're

2897

01:45:08,870 --> 01:45:07,199

getting towards the end of the show here

2898

01:45:11,109 --> 01:45:08,880

yeah and uh i think we could spend some

2899

01:45:13,030 --> 01:45:11,119

time on this third question because

2900

01:45:14,870 --> 01:45:13,040

because i have opinions

2901
01:45:17,430 --> 01:45:14,880
and i'm going to share them with you do

2902
01:45:21,510 --> 01:45:17,440
you think uaps are man-made or

2903
01:45:25,270 --> 01:45:23,189
that's it that's my opinion just think

2904
01:45:27,910 --> 01:45:25,280
all of them joe

2905
01:45:29,430 --> 01:45:27,920
well ufos ufos are aliens uaps are

2906
01:45:30,790 --> 01:45:29,440
man-made

2907
01:45:31,750 --> 01:45:30,800
so

2908
01:45:33,910 --> 01:45:31,760
all right

2909
01:45:36,310 --> 01:45:33,920
do we do we okay so we do we wait until

2910
01:45:38,629 --> 01:45:36,320
after the ask questions

2911
01:45:40,390 --> 01:45:38,639
after my speech yeah

2912
01:45:43,590 --> 01:45:40,400
sure

2913
01:45:45,510 --> 01:45:43,600

ready go question time so

2914

01:45:47,590 --> 01:45:45,520

when we talked to lou elizondo he said

2915

01:45:49,669 --> 01:45:47,600

why do we call it ufo nothing's flying i

2916

01:45:52,310 --> 01:45:49,679

mean these these these

2917

01:45:54,149 --> 01:45:52,320

crafts seem to be uh defying the laws of

2918

01:45:57,510 --> 01:45:54,159

physics so technically they're not

2919

01:46:00,149 --> 01:45:57,520

flying so they are up uaps and we were

2920

01:46:03,109 --> 01:46:00,159

like stop it lou you know what we mean

2921

01:46:05,109 --> 01:46:03,119

you know i'm talking about lou

2922

01:46:07,910 --> 01:46:05,119

but like i think he's i think he's got a

2923

01:46:10,709 --> 01:46:07,920

point i think ufos

2924

01:46:14,149 --> 01:46:10,719

unidentified flying objects might be

2925

01:46:16,629 --> 01:46:14,159

human and then uaps that defy the laws

2926

01:46:18,709 --> 01:46:16,639

of physics might be alien maybe

2927

01:46:20,229 --> 01:46:18,719

maybe that i don't know that that's kind

2928

01:46:21,750 --> 01:46:20,239

of where

2929

01:46:23,669 --> 01:46:21,760

there's like a difference right like

2930

01:46:25,669 --> 01:46:23,679

does it still you still say everything's

2931

01:46:28,709 --> 01:46:25,679

man-made no i don't think everything's

2932

01:46:31,030 --> 01:46:28,719

man-made dude i i do think though that

2933

01:46:34,790 --> 01:46:31,040

we see a lot of man-made [h__h] i really

2934

01:46:38,390 --> 01:46:34,800

do i really think we do like

2935

01:46:40,629 --> 01:46:38,400

i i i think that uh if

2936

01:46:44,149 --> 01:46:40,639

we acquired this technology somehow

2937

01:46:46,790 --> 01:46:44,159

maybe we figured it out uh i

2938

01:46:50,070 --> 01:46:46,800

i like the idea that ets can make

2939

01:46:53,189 --> 01:46:50,080

mistakes um it really humanizes them

2940

01:46:55,910 --> 01:46:53,199

but at the same time it's like man you

2941

01:46:57,750 --> 01:46:55,920

know like like one thing that gary

2942

01:46:59,990 --> 01:46:57,760

voorhees said he was like you know it's

2943

01:47:01,030 --> 01:47:00,000

totally plausible that we have something

2944

01:47:03,189 --> 01:47:01,040

that's like

2945

01:47:04,870 --> 01:47:03,199

super advanced because at the same time

2946

01:47:06,870 --> 01:47:04,880

that he was on the ship and they had

2947

01:47:09,109 --> 01:47:06,880

just been put out there on training it

2948

01:47:11,510 --> 01:47:09,119

was outfitted with the most advanced

2949

01:47:13,430 --> 01:47:11,520

equipment in the world and he was like

2950

01:47:15,430 --> 01:47:13,440

what's the best way to test the most

2951
01:47:17,109 --> 01:47:15,440
advanced equipment in the world than to

2952
01:47:18,870 --> 01:47:17,119
test it against something that you're

2953
01:47:20,870 --> 01:47:18,880
not even supposed to be able to see

2954
01:47:23,270 --> 01:47:20,880
right and it's like well [h__\h] that makes

2955
01:47:25,189 --> 01:47:23,280
a lot of sense yeah like

2956
01:47:27,669 --> 01:47:25,199
we just we just showed you guys a book

2957
01:47:29,669 --> 01:47:27,679
about something that could power 80 000

2958
01:47:32,149 --> 01:47:29,679
[h__\h] homes forever

2959
01:47:34,390 --> 01:47:32,159
the size of a 40-foot shipping container

2960
01:47:36,310 --> 01:47:34,400
like why couldn't we you know

2961
01:47:37,750 --> 01:47:36,320
like we like i said in a few episodes

2962
01:47:40,790 --> 01:47:37,760
back like we've been thinking about

2963
01:47:42,950 --> 01:47:40,800

light speed since the since the 30s

2964

01:47:45,430 --> 01:47:42,960

yep you think somebody hasn't put enough

2965

01:47:47,669 --> 01:47:45,440

of that together by now like we're still

2966

01:47:49,669 --> 01:47:47,679

[h__h] using fuel and like rockets and

2967

01:47:53,750 --> 01:47:49,679

[h__h] you know michael schratt said like

2968

01:47:55,750 --> 01:47:53,760

hey if we do have this advanced uh uh

2969

01:47:58,470 --> 01:47:55,760

you know break off civilization space

2970

01:48:00,790 --> 01:47:58,480

agency you know they're complicit in the

2971

01:48:03,030 --> 01:48:00,800

murder of of people who die on rockets

2972

01:48:04,870 --> 01:48:03,040

because we don't need to do that

2973

01:48:06,629 --> 01:48:04,880

why are we still doing that we know we

2974

01:48:08,310 --> 01:48:06,639

have the capabilities to do better why

2975

01:48:10,310 --> 01:48:08,320

are we still doing that

2976

01:48:13,189 --> 01:48:10,320

airplanes why are they flying slow as

2977

01:48:14,870 --> 01:48:13,199

[\h__\h] they're just still taking oh yeah

2978

01:48:16,709 --> 01:48:14,880

you will have planes that can go across

2979

01:48:18,229 --> 01:48:16,719

the united states in less than an hour

2980

01:48:20,550 --> 01:48:18,239

why are we [\h__\h] around with these

2981

01:48:23,189 --> 01:48:20,560

seven hour plane trips really like what

2982

01:48:24,870 --> 01:48:23,199

is that about what are we doing so yeah

2983

01:48:25,830 --> 01:48:24,880

i think some of that [\h__\h] is definitely

2984

01:48:28,149 --> 01:48:25,840

ours

2985

01:48:29,990 --> 01:48:28,159

um but then dude i mean we've seen some

2986

01:48:32,709 --> 01:48:30,000

weird [\h__\h] dude so like some of that

2987

01:48:34,629 --> 01:48:32,719

stuff definitely not i i

2988

01:48:37,109 --> 01:48:34,639

i don't think so some of it is

2989

01:48:39,510 --> 01:48:37,119

definitely not yeah

2990

01:48:41,990 --> 01:48:39,520

sunny yeah

2991

01:48:47,830 --> 01:48:42,000

yeah i think uh

2992

01:48:53,669 --> 01:48:51,030

really i think uh it started out

2993

01:48:56,629 --> 01:48:53,679

alien and then we got one

2994

01:49:01,189 --> 01:48:58,550

they've been working on it ever since

2995

01:49:03,109 --> 01:49:01,199

keep it for ourselves if uh you let

2996

01:49:05,030 --> 01:49:03,119

people know you have it because you know

2997

01:49:06,790 --> 01:49:05,040

if we have it we're gonna try to

2998

01:49:09,510 --> 01:49:06,800

make it for military it's gonna be

2999

01:49:11,910 --> 01:49:09,520

weaponized if we have it they're gonna

3000

01:49:13,510 --> 01:49:11,920

re-engineer whatever they can

3001

01:49:15,750 --> 01:49:13,520

they'll make it similar

3002

01:49:19,669 --> 01:49:15,760

and try to make it better

3003

01:49:22,229 --> 01:49:19,679

i i honestly think that's what bob did

3004

01:49:24,470 --> 01:49:22,239

he was there i think he helped bring

3005

01:49:27,109 --> 01:49:24,480

re-engineer

3006

01:49:28,870 --> 01:49:27,119

alien propulsion systems

3007

01:49:32,229 --> 01:49:28,880

wouldn't that be the biggest mind [h__h]

3008

01:49:34,070 --> 01:49:32,239

of all time if like the story broke like

3009

01:49:35,589 --> 01:49:34,080

bob figured it out

3010

01:49:38,229 --> 01:49:35,599

they wanted to make sure nobody knew

3011

01:49:40,790 --> 01:49:38,239

about it they were like okay bob you're

3012

01:49:44,709 --> 01:49:40,800

about to run the longest [h__h]

3013

01:49:46,870 --> 01:49:44,719

uh pull one over on you in history

3014

01:49:48,550 --> 01:49:46,880

that's still going today we're like he's

3015

01:49:50,709 --> 01:49:48,560

got his own shop

3016

01:49:52,390 --> 01:49:50,719

jim goodall goes to hang out with him

3017

01:49:54,470 --> 01:49:52,400

like they're building [h__h] spaceships

3018

01:49:56,470 --> 01:49:54,480

in there and that's why he gets raided

3019

01:49:58,550 --> 01:49:56,480

all these times right because it's to

3020

01:50:00,790 --> 01:49:58,560

put up a front that like you know bob's

3021

01:50:03,350 --> 01:50:00,800

this big jokester he's not telling the

3022

01:50:04,950 --> 01:50:03,360

truth he's a liar but in reality they

3023

01:50:06,790 --> 01:50:04,960

contracted him to build the [h__h] because

3024

01:50:08,149 --> 01:50:06,800

he's the one that figured it out

3025

01:50:09,910 --> 01:50:08,159

in the first place and they were like

3026

01:50:11,669 --> 01:50:09,920

look bob you got to be out of the

3027

01:50:13,350 --> 01:50:11,679

facility you can't be building that [h__h]

3028

01:50:14,709 --> 01:50:13,360

in the facility i tell you what we're

3029

01:50:16,070 --> 01:50:14,719

going to harass you for the rest of your

3030

01:50:17,669 --> 01:50:16,080

life but we're going to pay you

3031

01:50:19,270 --> 01:50:17,679

handsomely and we're going to allow you

3032

01:50:21,430 --> 01:50:19,280

to build one out in the middle of

3033

01:50:23,669 --> 01:50:21,440

[h__h] nowhere in your shop yeah where

3034

01:50:25,270 --> 01:50:23,679

you make other kinds of cool stuff okay

3035

01:50:27,430 --> 01:50:25,280

maybe they gave him a choice like one

3036

01:50:29,189 --> 01:50:27,440

choice is okay well now you have to live

3037

01:50:30,790 --> 01:50:29,199

in this lab the rest of your life now

3038

01:50:32,149 --> 01:50:30,800

you figured it out congratulations but

3039

01:50:33,669 --> 01:50:32,159

you have to live here for the rest of

3040

01:50:35,589 --> 01:50:33,679

your life underground

3041

01:50:37,830 --> 01:50:35,599

or you can be in the public eye but

3042

01:50:39,990 --> 01:50:37,840

we're going to radical kill you and like

3043

01:50:41,669 --> 01:50:40,000

you're it's gonna be nasty and bob chose

3044

01:50:43,589 --> 01:50:41,679

to i don't want to live in

3045

01:50:46,390 --> 01:50:43,599

i need the sun baby i need a flame

3046

01:50:47,750 --> 01:50:46,400

thrower when i want it yeah

3047

01:50:49,350 --> 01:50:47,760

yeah maybe that was the choice he had to

3048

01:50:51,030 --> 01:50:49,360

make you know he is just

3049

01:50:53,350 --> 01:50:51,040

that's just yeah and if he i bet if he

3050

01:50:54,950 --> 01:50:53,360

does build anything crazy you know they

3051

01:50:56,310 --> 01:50:54,960

check up on him as soon as he gets

3052

01:51:00,149 --> 01:50:56,320

something built they probably wait for

3053

01:51:00,950 --> 01:51:00,159

him to finish it and then go get it

3054

01:51:02,950 --> 01:51:00,960

all right

3055

01:51:05,990 --> 01:51:02,960

thank you government now thank you for

3056

01:51:08,080 --> 01:51:06,000

charging my flashlight yes

3057

01:51:10,149 --> 01:51:08,090

just always shake it away

3058

01:51:11,589 --> 01:51:10,159

[Laughter]

3059

01:51:13,750 --> 01:51:11,599

they come and take it when it's fully

3060

01:51:17,109 --> 01:51:13,760

charged

3061

01:51:18,790 --> 01:51:17,119

man that would be crazy use that nope

3062

01:51:21,589 --> 01:51:18,800

that's all it's gonna

3063

01:51:24,390 --> 01:51:23,430

oh god dude

3064

01:51:27,990 --> 01:51:24,400

yeah

3065

01:51:30,070 --> 01:51:28,000

uh ben what about you uh dude i i think

3066

01:51:31,669 --> 01:51:30,080

it's a mix it's a mix of both of you

3067

01:51:33,350 --> 01:51:31,679

guys i mean you guys are giving me great

3068

01:51:36,950 --> 01:51:33,360

ideas and like hopping on the bandwagon

3069

01:51:39,030 --> 01:51:36,960

but deep down if i'm being honest

3070

01:51:41,990 --> 01:51:39,040

i think that my experiences that i've

3071

01:51:42,790 --> 01:51:42,000

had are more

3072

01:51:44,310 --> 01:51:42,800

like

3073

01:51:46,149 --> 01:51:44,320

voice to skull technology can we call

3074

01:51:47,830 --> 01:51:46,159

that uh with

3075

01:51:50,149 --> 01:51:47,840

the ones that really kind of changed my

3076

01:51:51,750 --> 01:51:50,159

perspective i i saw those those orbs

3077

01:51:53,270 --> 01:51:51,760

that were like dude those could have

3078

01:51:55,350 --> 01:51:53,280

been man-made those could have been

3079

01:51:57,109 --> 01:51:55,360

alien i'm not sure still to this day i

3080

01:52:00,390 --> 01:51:57,119

just don't know what it was but the

3081

01:52:03,270 --> 01:52:00,400

voice to scold stuff uh i mean uh

3082

01:52:04,629 --> 01:52:03,280

uh kurt on uh toe uh

3083

01:52:06,390 --> 01:52:04,639

i don't know if y'all watched that show

3084

01:52:08,229 --> 01:52:06,400

uh he in uh

3085

01:52:10,950 --> 01:52:08,239

john uh

3086

01:52:12,790 --> 01:52:10,960

uh green what's the green one sorry uh

3087

01:52:15,990 --> 01:52:12,800

the dude that was on his show a couple

3088

01:52:17,830 --> 01:52:16,000

uh last week uh said that they had a

3089

01:52:20,550 --> 01:52:17,840

similar experience where like they heard

3090

01:52:22,870 --> 01:52:20,560

this voice and i've heard that voice and

3091

01:52:24,070 --> 01:52:22,880

i know that sounds crazy it's only

3092

01:52:26,390 --> 01:52:24,080

happened once

3093

01:52:27,270 --> 01:52:26,400

so it has i think it has something more

3094

01:52:29,510 --> 01:52:27,280

to do

3095

01:52:31,750 --> 01:52:29,520

than just the physical world that's

3096

01:52:35,109 --> 01:52:31,760

where the aliens exist everything else

3097

01:52:37,589 --> 01:52:35,119

like physical craft all us or us that

3098

01:52:38,870 --> 01:52:37,599

have survived for a really long time

3099

01:52:40,310 --> 01:52:38,880

it's you know that breakaway

3100

01:52:41,109 --> 01:52:40,320

civilization that started a long time

3101

01:52:42,550 --> 01:52:41,119

ago

3102

01:52:43,990 --> 01:52:42,560

that's still here on earth kind of just

3103

01:52:46,070 --> 01:52:44,000

checking in on [h__\h] okay cool we're

3104

01:52:47,830 --> 01:52:46,080

physical we're in this dimension awesome

3105

01:52:50,390 --> 01:52:47,840

i think for the most part

3106

01:52:53,109 --> 01:52:50,400

extraterrestrials are most mostly

3107

01:52:55,669 --> 01:52:53,119

ultra dimensional beings that that can

3108

01:52:57,270 --> 01:52:55,679

alter our our perception of reality in a

3109

01:52:59,350 --> 01:52:57,280

lot of ways that we just don't

3110

01:53:03,270 --> 01:52:59,360

understand yet

3111

01:53:03,280 --> 01:53:08,310

with this whole subject that uh

3112

01:53:13,350 --> 01:53:10,790

what if we have just drastically over

3113

01:53:15,189 --> 01:53:13,360

thought the entire thing

3114

01:53:16,149 --> 01:53:15,199

what if it's just literally as simple as

3115

01:53:17,589 --> 01:53:16,159

like

3116

01:53:19,910 --> 01:53:17,599

yeah it's the universe there's a bunch

3117

01:53:21,589 --> 01:53:19,920

of [h__\h] out there occasionally they're

3118

01:53:22,950 --> 01:53:21,599

not even stopping by on purpose it's a

3119

01:53:25,270 --> 01:53:22,960

total [h__\h] accident and they're like

3120

01:53:26,790 --> 01:53:25,280

oh look at that and like they leave and

3121

01:53:28,629 --> 01:53:26,800

don't even think about us don't talk

3122

01:53:30,950 --> 01:53:28,639

about us at the dinner table [h__\h]

3123

01:53:33,990 --> 01:53:30,960

they just ignore us some people some of

3124

01:53:35,430 --> 01:53:34,000

them do stop and pick us up and try some

3125

01:53:37,189 --> 01:53:35,440

[h__\h] they're like oh that's weird what a

3126

01:53:39,189 --> 01:53:37,199

crazy animal that is and they put us

3127

01:53:41,910 --> 01:53:39,199

back and then they leave and like we're

3128

01:53:44,550 --> 01:53:41,920

like is this consciousness is this

3129

01:53:46,149 --> 01:53:44,560

ultra dimensionality it's just like what

3130

01:53:48,070 --> 01:53:46,159

is it you know and it's like it's not

3131

01:53:50,310 --> 01:53:48,080

it's like it's like you

3132

01:53:51,910 --> 01:53:50,320

walking out into the forest and seeing a

3133

01:53:53,669 --> 01:53:51,920

squirrel up in the tree and he [h__\h]

3134

01:53:55,430 --> 01:53:53,679

hides inside you don't even think about

3135

01:53:57,270 --> 01:53:55,440

it after that like it's literally just

3136

01:53:58,790 --> 01:53:57,280

that as simple as that there's just a

3137

01:54:00,149 --> 01:53:58,800

bunch of [h__\h] out there and we're just

3138

01:54:03,510 --> 01:54:00,159

part of it

3139

01:54:05,589 --> 01:54:03,520

you know like that i feel like

3140

01:54:07,109 --> 01:54:05,599

they might look at us like ants too joe

3141

01:54:09,350 --> 01:54:07,119

and when they fly over and see us

3142

01:54:11,030 --> 01:54:09,360

they're like why do all these ants look

3143

01:54:13,830 --> 01:54:11,040

the exact same but they all try to kill

3144

01:54:16,709 --> 01:54:15,350

that's what makes them want to come and

3145

01:54:18,390 --> 01:54:16,719

examine us what the hell makes these

3146

01:54:21,189 --> 01:54:18,400

people so mean want to kill their own

3147

01:54:23,270 --> 01:54:21,199

kind yeah

3148

01:54:25,669 --> 01:54:23,280

i had this idea on the plane ride back

3149

01:54:26,629 --> 01:54:25,679

from vegas or knows the plane ride to

3150

01:54:29,030 --> 01:54:26,639

vegas

3151
01:54:31,189 --> 01:54:29,040
where i'm looking down from i don't know

3152
01:54:33,109 --> 01:54:31,199
30 30 000 feet and

3153
01:54:34,709 --> 01:54:33,119
the only thing we can really see moving

3154
01:54:36,790 --> 01:54:34,719
down there are cars and they're like

3155
01:54:39,270 --> 01:54:36,800
tiny little specks and when we're

3156
01:54:40,790 --> 01:54:39,280
getting closer to to landing the only

3157
01:54:42,470 --> 01:54:40,800
thing we see

3158
01:54:45,189 --> 01:54:42,480
are cars

3159
01:54:46,870 --> 01:54:45,199
even if we're like very close to landing

3160
01:54:53,109 --> 01:54:46,880
we still don't see people walking around

3161
01:54:55,669 --> 01:54:54,470
yeah

3162
01:54:57,350 --> 01:54:55,679
in trucks

3163
01:54:59,430 --> 01:54:57,360

dude for some reason sunny yeah i think

3164

01:55:01,109 --> 01:54:59,440

it might be your echo right now like i

3165

01:55:05,109 --> 01:55:01,119

don't know why it just started happening

3166

01:55:07,510 --> 01:55:05,119

but we got a little bit of an echo dude

3167

01:55:09,510 --> 01:55:07,520

you're hard

3168

01:55:10,390 --> 01:55:09,520

no we're good

3169

01:55:12,870 --> 01:55:10,400

nice

3170

01:55:14,870 --> 01:55:12,880

uh but yeah like

3171

01:55:16,310 --> 01:55:14,880

visually if somebody's just flying over

3172

01:55:18,629 --> 01:55:16,320

accidentally seeing like that squirrel

3173

01:55:20,870 --> 01:55:18,639

analogy you said joe they probably think

3174

01:55:21,830 --> 01:55:20,880

we look at cars with zero down

3175

01:55:23,109 --> 01:55:21,840

zero

3176

01:55:24,950 --> 01:55:23,119

you know what i'm saying it's like a

3177

01:55:29,109 --> 01:55:24,960

whole civilization of cars down here

3178

01:55:29,119 --> 01:55:35,750

do it be ourselves

3179

01:55:39,350 --> 01:55:37,750

yeah so maybe they even they don't even

3180

01:55:41,430 --> 01:55:39,360

think that we're they think we're like

3181

01:55:43,589 --> 01:55:41,440

transformers like yeah we're just made

3182

01:55:44,950 --> 01:55:43,599

out of cars and then

3183

01:55:46,470 --> 01:55:44,960

somehow they build stuff with those

3184

01:55:48,550 --> 01:55:46,480

wheels we don't know how to do it maybe

3185

01:55:50,229 --> 01:55:48,560

maybe aliens did it

3186

01:55:51,510 --> 01:55:50,239

the aliens are thinking

3187

01:55:52,950 --> 01:55:51,520

like oh they can't they couldn't

3188

01:55:55,030 --> 01:55:52,960

possibly build the pyramids they only

3189

01:55:56,790 --> 01:55:55,040

have wheels for hands

3190

01:55:58,790 --> 01:55:56,800

how silly of them maybe other aliens

3191

01:56:01,109 --> 01:55:58,800

help them with everything i don't know

3192

01:56:03,990 --> 01:56:01,119

man i don't know

3193

01:56:06,229 --> 01:56:04,000

uh oh dude well uh i think it's that

3194

01:56:08,149 --> 01:56:06,239

time boys it is man

3195

01:56:09,510 --> 01:56:08,159

sonny

3196

01:56:11,589 --> 01:56:09,520

it's been a pleasure let me see let me

3197

01:56:13,990 --> 01:56:11,599

see is it still that going say bye oh no

3198

01:56:15,750 --> 01:56:14,000

we're good okay that was you that was i

3199

01:56:17,270 --> 01:56:15,760

told you this expensive mic don't mess

3200

01:56:18,629 --> 01:56:17,280

up that's

3201

01:56:20,950 --> 01:56:18,639

a minute

3202

01:56:22,310 --> 01:56:20,960

it sounds great now

3203

01:56:23,510 --> 01:56:22,320

that's probably me i'll back up i'm

3204

01:56:25,830 --> 01:56:23,520

joking

3205

01:56:26,870 --> 01:56:25,840

my internet i think slowed down

3206

01:56:28,870 --> 01:56:26,880

uh

3207

01:56:30,709 --> 01:56:28,880

hell yeah dude thanks for joining i know

3208

01:56:32,229 --> 01:56:30,719

i only told you we're just you're just

3209

01:56:33,830 --> 01:56:32,239

hopping on for a couple minutes but dude

3210

01:56:35,350 --> 01:56:33,840

that was fun man

3211

01:56:37,990 --> 01:56:35,360

it was awesome thank you guys for having

3212

01:56:39,910 --> 01:56:38,000

me this was fun anytime

3213

01:56:42,310 --> 01:56:39,920

sorry the girls couldn't make it on i

3214

01:56:45,430 --> 01:56:42,320

really wanted to see the

3215

01:56:47,510 --> 01:56:45,440

weather and weirdo report

3216

01:56:49,510 --> 01:56:47,520

yeah they hopped on but i guess they

3217

01:56:51,910 --> 01:56:49,520

just couldn't get service in the in the

3218

01:56:53,430 --> 01:56:51,920

casino so

3219

01:56:56,790 --> 01:56:53,440

that's the way it goes man that's the

3220

01:56:58,550 --> 01:56:56,800

way it goes well hell yeah dude

3221

01:57:01,350 --> 01:56:58,560

let's do it let's do it again soon let's

3222

01:57:04,070 --> 01:57:01,360

do it again soon just let me know

3223

01:57:11,189 --> 01:57:05,030

yeah

3224

01:57:12,550 --> 01:57:11,199

i'll talk to you later peace dude it's

3225

01:57:14,310 --> 01:57:12,560

been a while since we've done this i'm

3226

01:57:16,149 --> 01:57:14,320

i'm like i mean i know what we do i

3227

01:57:18,149 --> 01:57:16,159

don't know what to do now so do you want

3228

01:57:21,109 --> 01:57:18,159

to stay on for the outro yeah there we

3229

01:57:21,119 --> 01:57:25,910

this has been another episode

3230

01:57:29,910 --> 01:57:26,870

say

3231

01:57:31,430 --> 01:57:29,920

we'll see you on tuesday to talk about

3232

01:57:32,950 --> 01:57:31,440

[h__\h] i don't know

3233

01:57:35,109 --> 01:57:32,960

we'll figure it out

3234

01:57:37,189 --> 01:57:35,119

between now and tuesday or we'll figure

3235

01:57:40,310 --> 01:57:37,199

it out on tuesday usually about an hour

3236

01:57:41,669 --> 01:57:40,320

and a half to two hours before we go on

3237

01:57:44,229 --> 01:57:41,679

you know that's where it goes though you

3238

01:57:45,990 --> 01:57:44,239

know yeah if you guys have any ideas

3239

01:57:48,390 --> 01:57:46,000

you pitch them over here man we'll talk

3240

01:57:49,350 --> 01:57:48,400

about it we'll talk about it all right

3241

01:57:57,710 --> 01:57:49,360

hey

3242

01:57:57,720 --> 01:58:07,170

[Music]

3243

01:58:22,260 --> 01:58:09,960

[Applause]
