UFGARAGE  
UFOS ALIENS & ALL THINGS WEIRD

1  
00:00:06,750 --> 00:00:05,349

[Music]

2  
00:00:21,830 --> 00:00:06,760

cute

3  
00:00:33,190 --> 00:00:24,500

so

4  
00:00:35,670 --> 00:00:33,200

[Music]

5  
00:00:38,630 --> 00:00:35,680  
hey this is another episode of ufo

6  
00:00:41,510 --> 00:00:38,640  
garage i'm ben and i'm joe and this is

7  
00:00:44,950 --> 00:00:41,520  
where we talk about ufos aliens and all

8  
00:00:48,150 --> 00:00:44,960  
things weird what's up man how you doing

9  
00:00:51,750 --> 00:00:48,160  
today buddy i'm doing good brother good

10  
00:00:53,270 --> 00:00:51,760  
to see you good to see you man voice

11  
00:00:55,430 --> 00:00:53,280  
good to see them aliens looking at the

12  
00:00:57,189 --> 00:00:55,440  
stars in the background

13  
00:00:58,389 --> 00:00:57,199

i know i'm excited i'm glad you're

14

00:01:01,189 --> 00:00:58,399

feeling better man

15

00:01:02,709 --> 00:01:01,199

dude thanks thanks uh for those of you

16

00:01:05,109 --> 00:01:02,719

those listening that don't know i've

17

00:01:08,789 --> 00:01:05,119

i've had uh cucarona

18

00:01:11,350 --> 00:01:08,799

for the past 10 days my wife me my wife

19

00:01:12,870 --> 00:01:11,360

and my little baby girl all had coved

20

00:01:14,630 --> 00:01:12,880

and we we made it through we pushed

21

00:01:18,870 --> 00:01:14,640

through

22

00:01:20,310 --> 00:01:18,880

sorry it's not it's not funny i was like

23

00:01:22,230 --> 00:01:20,320

yeah yeah

24

00:01:24,550 --> 00:01:22,240

well we we're all laughing we're having

25

00:01:28,149 --> 00:01:24,560

it we had a great time sounds like it

26  
00:01:31,910 --> 00:01:28,159  
was pretty awesome over there no dude no

27  
00:01:34,069 --> 00:01:31,920  
honestly not non-stop partying non-stop

28  
00:01:37,270 --> 00:01:34,079  
non-stop partying uh

29  
00:01:39,429 --> 00:01:37,280  
uh my immune cells were non-stop

30  
00:01:41,190 --> 00:01:39,439  
partying because they weren't working at

31  
00:01:42,870 --> 00:01:41,200  
all they were just they were just under

32  
00:01:43,990 --> 00:01:42,880  
attack party

33  
00:01:47,109 --> 00:01:44,000  
damn

34  
00:01:48,710 --> 00:01:47,119  
well yeah i'm glad you're feeling better

35  
00:01:51,590 --> 00:01:48,720  
so thanks dude we can have this

36  
00:01:57,350 --> 00:01:51,600  
wonderful evening tonight together you

37  
00:02:03,109 --> 00:01:59,830  
how is everybody in the chat man

38  
00:02:04,870 --> 00:02:03,119

yeah let's see what's up uh nightmares

39

00:02:06,389 --> 00:02:04,880

it's only 80 out here right now so i

40

00:02:07,670 --> 00:02:06,399

want to hear from everybody

41

00:02:10,469 --> 00:02:07,680

oh yeah

42

00:02:12,869 --> 00:02:10,479

everybody raise your hand let me get you

43

00:02:16,390 --> 00:02:12,879

there's like 15 and i can't keep up

44

00:02:18,550 --> 00:02:16,400

okay you got animals in there

45

00:02:21,960 --> 00:02:18,560

gary voorhees what's up dude space auto

46

00:02:23,990 --> 00:02:21,970

what's up man spooky morales wasn't

47

00:02:27,589 --> 00:02:24,000

[Music]

48

00:02:29,270 --> 00:02:27,599

um let's see here um

49

00:02:31,430 --> 00:02:29,280

hey let's go through the facebook stuff

50

00:02:35,030 --> 00:02:31,440

oh sonny's here uh what's up what's up

51  
00:02:38,869 --> 00:02:37,190  
amanda's here too hey yo she said she

52  
00:02:41,030 --> 00:02:38,879  
made it

53  
00:02:43,270 --> 00:02:41,040  
she says hendrick says hi

54  
00:02:44,790 --> 00:02:43,280  
with it with her with uh her

55  
00:02:47,350 --> 00:02:44,800  
four-fingered hand

56  
00:02:49,509 --> 00:02:47,360  
oh man

57  
00:02:52,150 --> 00:02:49,519  
my daughter just slammed her hand in the

58  
00:02:54,229 --> 00:02:52,160  
in the dryer right before the show

59  
00:02:56,710 --> 00:02:54,239  
so i'm a little sweaty a little worked

60  
00:02:57,990 --> 00:02:56,720  
out it worked out worked up

61  
00:02:59,670 --> 00:02:58,000  
but uh

62  
00:03:01,430 --> 00:02:59,680  
everything worked out all right just a

63  
00:03:04,309 --> 00:03:01,440

little just a little little bump a

64

00:03:05,830 --> 00:03:04,319

little skin no baby everything works

65

00:03:08,070 --> 00:03:05,840

everything's there

66

00:03:09,910 --> 00:03:08,080

got a juice and an ice pack if anything

67

00:03:12,550 --> 00:03:09,920

i say i say she's winning right now you

68

00:03:13,830 --> 00:03:12,560

know dude you should have been here

69

00:03:16,869 --> 00:03:13,840

you should have been here taking care of

70

00:03:19,830 --> 00:03:16,879

us man we need to juice in ice bags

71

00:03:21,350 --> 00:03:19,840

dude we should have reached out

72

00:03:22,949 --> 00:03:21,360

to the squad

73

00:03:24,949 --> 00:03:22,959

it's like when you got sick in vegas man

74

00:03:27,670 --> 00:03:24,959

you had a mountain of door of food by

75

00:03:31,110 --> 00:03:27,680

the door and drinks and everything man

76

00:03:33,509 --> 00:03:31,120

yeah dude yes free uh

77

00:03:36,149 --> 00:03:33,519

uh thin lizzie borden man she's such a

78

00:03:38,789 --> 00:03:36,159

sweetheart uh everybody was so sweet so

79

00:03:41,350 --> 00:03:38,799

yeah she's a nice lady

80

00:03:43,030 --> 00:03:41,360

she's a really nice lady

81

00:03:43,830 --> 00:03:43,040

uh let's see who else is here greg's

82

00:03:47,030 --> 00:03:43,840

here

83

00:03:49,830 --> 00:03:47,040

hell yeah greg long time no see dude

84

00:03:57,830 --> 00:03:51,670

yeah

85

00:04:00,470 --> 00:03:57,840

well uh hendrix is on the mend um

86

00:04:02,869 --> 00:04:00,480

and let's see evelyn what did she do

87

00:04:04,470 --> 00:04:02,879

today oh dude so she's

88

00:04:06,470 --> 00:04:04,480

she's like

89

00:04:08,229 --> 00:04:06,480

like two days away from walking bro i

90

00:04:10,789 --> 00:04:08,239

swear she's gonna walk this week this

91

00:04:14,470 --> 00:04:12,710

thank you melissa thank you i appreciate

92

00:04:16,150 --> 00:04:14,480

it it's getting close

93

00:04:16,670 --> 00:04:16,160

dude any day now it's just going to be

94

00:04:18,550 --> 00:04:16,680

like

95

00:04:19,909 --> 00:04:18,560

[Music]

96

00:04:23,350 --> 00:04:19,919

she's going to be running dude she's

97

00:04:24,710 --> 00:04:23,360

going to be like freaking

98

00:04:26,310 --> 00:04:24,720

you're not going to be able to stop her

99

00:04:28,230 --> 00:04:26,320

so it's going to be crazy the reason i'm

100

00:04:30,550 --> 00:04:28,240

saying that is because we had just we

101  
00:04:32,550 --> 00:04:30,560  
just said you know hendricks had come up

102  
00:04:34,710 --> 00:04:32,560  
on the camera with you saying goodnight

103  
00:04:36,310 --> 00:04:34,720  
and then like two seconds later it was

104  
00:04:37,830 --> 00:04:36,320  
like ah

105  
00:04:39,189 --> 00:04:37,840  
chaos

106  
00:04:41,030 --> 00:04:39,199  
i know that that's going to happen when

107  
00:04:42,710 --> 00:04:41,040  
evelyn is walking dude

108  
00:04:44,950 --> 00:04:42,720  
i know i know it

109  
00:04:47,189 --> 00:04:44,960  
yes it's crazy because like they want to

110  
00:04:48,070 --> 00:04:47,199  
like go everywhere and do everything but

111  
00:04:49,749 --> 00:04:48,080  
like

112  
00:04:51,670 --> 00:04:49,759  
they're not even good at standing up

113  
00:04:53,430 --> 00:04:51,680

still you know it's like

114

00:04:55,270 --> 00:04:53,440

stop it

115

00:04:58,070 --> 00:04:55,280

yeah you're you're gonna hit your head

116

00:05:00,790 --> 00:04:58,080

on that you know yeah like most of your

117

00:05:02,230 --> 00:05:00,800

day is is being concerned about

118

00:05:03,510 --> 00:05:02,240

their head being hit on something like

119

00:05:05,189 --> 00:05:03,520

please don't fall please don't fall

120

00:05:07,990 --> 00:05:05,199

please don't fall off that's gonna hurt

121

00:05:10,469 --> 00:05:09,110

i had carpet

122

00:05:11,909 --> 00:05:10,479

i've gotten to the point where like

123

00:05:14,070 --> 00:05:11,919

literally that's going through my head

124

00:05:15,830 --> 00:05:14,080

constantly is looking for sharp things

125

00:05:17,430 --> 00:05:15,840

like i'm at that stage now i'm looking

126

00:05:19,110 --> 00:05:17,440

at like the coffee table

127

00:05:21,670 --> 00:05:19,120

90 degree angles

128

00:05:25,270 --> 00:05:21,680

gotta add a pool noodle

129

00:05:29,670 --> 00:05:27,590

walmart sells those little corner pads

130

00:05:32,070 --> 00:05:29,680

they fit on the corners nicely they have

131

00:05:33,990 --> 00:05:32,080

like a little sticky tape on the back

132

00:05:35,590 --> 00:05:34,000

and because i did the pool noodle too

133

00:05:38,390 --> 00:05:35,600

but then

134

00:05:40,629 --> 00:05:38,400

what a fun color to play with oh my god

135

00:05:42,629 --> 00:05:40,639

i want to pull that off and then as i'm

136

00:05:44,469 --> 00:05:42,639

pulling it off the corner slam my head

137

00:05:47,909 --> 00:05:44,479

into the corner because i don't have any

138

00:05:52,790 --> 00:05:49,430

i thought you say that you were saying

139

00:05:54,390 --> 00:05:52,800  
that you did oh no no no you fell

140

00:05:57,670 --> 00:05:54,400  
you're like oh

141

00:06:00,550 --> 00:05:57,680  
a pretty color and then you fell

142

00:06:03,670 --> 00:06:00,560  
smash and then you're like wow

143

00:06:06,070 --> 00:06:03,680  
i put that there to protect and uh it

144

00:06:08,230 --> 00:06:06,080  
really was a trap it was like a it was

145

00:06:09,430 --> 00:06:08,240  
like a i like uh like i did this on

146

00:06:11,189 --> 00:06:09,440  
purpose because i knew you were gonna

147

00:06:13,749 --> 00:06:11,199  
like that that pretty green color and

148

00:06:16,629 --> 00:06:15,270  
that's amazing what i'm saying is you

149

00:06:18,830 --> 00:06:16,639  
should paint it to match in with the

150

00:06:22,070 --> 00:06:18,840  
furniture oh so it's not as

151

00:06:23,830 --> 00:06:22,080

enticing uh that's a great idea

152

00:06:26,550 --> 00:06:23,840

pool color is the noodle dude

153

00:06:28,790 --> 00:06:26,560

it's blue it's blue it's blue

154

00:06:32,629 --> 00:06:28,800

very bright blue bright blue

155

00:06:34,390 --> 00:06:32,639

uh janet what's up she said missy boys

156

00:06:36,469 --> 00:06:34,400

need to say uh well she didn't say that

157

00:06:38,550 --> 00:06:36,479

she said we need to see you boys more

158

00:06:41,749 --> 00:06:38,560

what's going on we missed you hey we

159

00:06:42,870 --> 00:06:41,759

missed you jeanette janet can i i like i

160

00:06:44,629 --> 00:06:42,880

like to say people's names a little

161

00:06:47,189 --> 00:06:44,639

differently sometimes

162

00:06:49,029 --> 00:06:47,199

big willie's in the house oh snap dude

163

00:06:50,790 --> 00:06:49,039

they're rolling in man they're rolling

164

00:06:53,749 --> 00:06:50,800

in we've doubled the numbers within the

165

00:06:55,510 --> 00:06:53,759

past minute oh my gosh yes

166

00:06:59,749 --> 00:06:55,520

this is going to be big it's going to be

167

00:07:04,070 --> 00:07:02,309

hell yeah dude uh okay so you want to go

168

00:07:05,430 --> 00:07:04,080

through some some facebook stuff first

169

00:07:08,550 --> 00:07:05,440

yeah dude let's do it let's see what

170

00:07:12,070 --> 00:07:10,469

she has been crushing it on the facebook

171

00:07:13,830 --> 00:07:12,080

group

172

00:07:16,629 --> 00:07:13,840

oh wait we should we before we start

173

00:07:17,670 --> 00:07:16,639

should we should we address the uh the

174

00:07:19,510 --> 00:07:17,680

uh the

175

00:07:21,270 --> 00:07:19,520

couple the

176  
00:07:23,589 --> 00:07:21,280  
the information about the show for those

177  
00:07:26,469 --> 00:07:23,599  
of you that are confused about what our

178  
00:07:28,309 --> 00:07:26,479  
show is and who is the host of the show

179  
00:07:29,589 --> 00:07:28,319  
oh oh yeah um

180  
00:07:32,870 --> 00:07:29,599  
hey what's up

181  
00:07:36,070 --> 00:07:32,880  
hey ufo garage yeah i'm ben and this and

182  
00:07:37,749 --> 00:07:36,080  
i'm joe yeah this is the ufo garage

183  
00:07:42,150 --> 00:07:37,759  
podcast

184  
00:07:46,469 --> 00:07:44,469  
that's it

185  
00:07:48,790 --> 00:07:46,479  
that's the show

186  
00:07:52,950 --> 00:07:48,800  
tuesdays and thursdays when we feel like

187  
00:07:55,430 --> 00:07:52,960  
it there you go yes at 8 00 p.m cst

188  
00:07:57,029 --> 00:07:55,440

so like in central time it's cool

189

00:07:58,469 --> 00:07:57,039

because like our show is always kind of

190

00:07:59,990 --> 00:07:58,479

like a surprise show you're like i'm

191

00:08:01,350 --> 00:08:00,000

going to get it am i going to get it you

192

00:08:02,230 --> 00:08:01,360

wait all week

193

00:08:04,950 --> 00:08:02,240

no

194

00:08:07,029 --> 00:08:04,960

next time tuesday tuesday nah it's going

195

00:08:09,270 --> 00:08:07,039

to be a lot more frequent it's just been

196

00:08:12,309 --> 00:08:09,280

crazy lately man so yeah sorry about the

197

00:08:15,350 --> 00:08:12,319

infrequency but yeah life has been wild

198

00:08:18,150 --> 00:08:15,360

yeah it's been crazy dude job new jobs

199

00:08:19,749 --> 00:08:18,160

new uh well it just literally seems like

200

00:08:22,070 --> 00:08:19,759

every day there's like a new

201  
00:08:23,749 --> 00:08:22,080  
thing and that takes up another

202  
00:08:25,990 --> 00:08:23,759  
increment of time

203  
00:08:29,189 --> 00:08:26,000  
and uh you know that just builds builds

204  
00:08:31,430 --> 00:08:29,199  
up and uh you know just not enough time

205  
00:08:33,589 --> 00:08:31,440  
all right let's hop into this

206  
00:08:35,670 --> 00:08:33,599  
hey real quick though like just because

207  
00:08:36,630 --> 00:08:35,680  
we're on the topic i was wondering like

208  
00:08:38,070 --> 00:08:36,640  
the other day because we were like

209  
00:08:39,990 --> 00:08:38,080  
talking about time and then like we had

210  
00:08:41,269 --> 00:08:40,000  
talked about it on the show like and you

211  
00:08:43,029 --> 00:08:41,279  
know how like when you're having fun

212  
00:08:45,030 --> 00:08:43,039  
time seems to like speed up and then

213  
00:08:46,949 --> 00:08:45,040

like when you're not slows down

214

00:08:48,949 --> 00:08:46,959

yeah and like what if you had like what

215

00:08:50,070 --> 00:08:48,959

if you had the ability to like tap into

216

00:08:51,829 --> 00:08:50,080

that like what if there was like

217

00:08:56,230 --> 00:08:51,839

something real behind that

218

00:08:58,150 --> 00:08:56,240

like yeah like awareness and like but

219

00:09:00,949 --> 00:08:58,160

we assume like it's it's just our

220

00:09:03,110 --> 00:09:00,959

perception of time

221

00:09:04,790 --> 00:09:03,120

that we're living in but then like

222

00:09:07,509 --> 00:09:04,800

it's only for us because like we die but

223

00:09:08,389 --> 00:09:07,519

like if time didn't exist like is is

224

00:09:10,389 --> 00:09:08,399

that like

225

00:09:12,230 --> 00:09:10,399

like what it like it'd be crazy if you

226

00:09:15,190 --> 00:09:12,240

could tap into that like if you could

227

00:09:16,630 --> 00:09:15,200

speed up or slow down situations it just

228

00:09:18,710 --> 00:09:16,640

so happens that like in your everyday

229

00:09:20,310 --> 00:09:18,720

life things that suck seem to like last

230

00:09:22,710 --> 00:09:20,320

forever and things that are like really

231

00:09:24,310 --> 00:09:22,720

cool like go really fast yeah maybe it's

232

00:09:26,550 --> 00:09:24,320

like because of like your energy and

233

00:09:28,790 --> 00:09:26,560

like how you like are like engaging with

234

00:09:30,150 --> 00:09:28,800

those activities and like maybe there's

235

00:09:31,509 --> 00:09:30,160

something to that like we haven't

236

00:09:32,790 --> 00:09:31,519

learned but like

237

00:09:34,310 --> 00:09:32,800

what if you could control that like

238

00:09:35,750 --> 00:09:34,320

something that sucks like you approach

239

00:09:38,470 --> 00:09:35,760

it with like an energy that like kind of

240

00:09:40,389 --> 00:09:38,480

speeds up time yes and then like things

241

00:09:42,630 --> 00:09:40,399

that like you know are really cool like

242

00:09:45,350 --> 00:09:42,640

you can like kind of cool yourself down

243

00:09:47,590 --> 00:09:45,360

a little bit and like slow down time for

244

00:09:49,509 --> 00:09:47,600

yourself a little bit or like just be

245

00:09:51,509 --> 00:09:49,519

able to exist in a spot without it

246

00:09:54,230 --> 00:09:51,519

moving you know yes

247

00:09:56,630 --> 00:09:54,240

dude there's so i love that so

248

00:09:57,990 --> 00:09:56,640

uh everything in our brains is a

249

00:09:59,190 --> 00:09:58,000

chemical i mean let's take time for

250

00:10:00,949 --> 00:09:59,200

instance like

251

00:10:02,949 --> 00:10:00,959

we think of it as a dimension like a

252

00:10:04,550 --> 00:10:02,959

like the fourth dimension but i don't

253

00:10:07,590 --> 00:10:04,560

know i'm kind of kind of going back and

254

00:10:10,949 --> 00:10:07,600

forth like does time only exist

255

00:10:12,470 --> 00:10:10,959

to uh conscious beings that can

256

00:10:14,710 --> 00:10:12,480

tell the difference between cause and

257

00:10:17,190 --> 00:10:14,720

effect from one moment to the next you

258

00:10:19,670 --> 00:10:17,200

know the uh there's been studies done on

259

00:10:21,509 --> 00:10:19,680

on multiple different animals saying

260

00:10:22,949 --> 00:10:21,519

like well they do have consciousness to

261

00:10:25,590 --> 00:10:22,959

a certain level they just don't really

262

00:10:27,350 --> 00:10:25,600

experience time the way we do that every

263

00:10:29,350 --> 00:10:27,360

day is kind of like

264

00:10:31,990 --> 00:10:29,360

it's not like a self-recognition it's

265

00:10:33,910 --> 00:10:32,000

like a uh

266

00:10:35,590 --> 00:10:33,920

outward like

267

00:10:37,990 --> 00:10:35,600

observing the world kind of

268

00:10:40,069 --> 00:10:38,000

consciousness yeah and not like

269

00:10:41,590 --> 00:10:40,079

like every day like to think about this

270

00:10:44,630 --> 00:10:41,600

way like if your brain worked in a way

271

00:10:46,710 --> 00:10:44,640

where every single day was your lifetime

272

00:10:48,870 --> 00:10:46,720

so when you went to sleep

273

00:10:50,389 --> 00:10:48,880

and when you woke up that was a lifetime

274

00:10:54,470 --> 00:10:50,399

and then you went to bed and you

275

00:10:56,710 --> 00:10:54,480

woke up again it's like hey everybody

276

00:10:58,790 --> 00:10:56,720

wait you're my mom you're my little

277

00:11:00,870 --> 00:10:58,800

just like that you look like me

278

00:11:01,990 --> 00:11:00,880

oh yeah like drew barrymore on 50 first

279

00:11:04,630 --> 00:11:02,000

dates

280

00:11:07,030 --> 00:11:04,640

dude yeah you get it yeah

281

00:11:10,310 --> 00:11:07,040

but like uh so

282

00:11:12,389 --> 00:11:10,320

maybe uh time in a sense

283

00:11:15,030 --> 00:11:12,399

is only uh

284

00:11:18,630 --> 00:11:15,040

we're only sensing time as a dimension

285

00:11:20,630 --> 00:11:18,640

with what tools we have available to us

286

00:11:21,910 --> 00:11:20,640

meaning that frontal cortex that cause

287

00:11:24,310 --> 00:11:21,920

and effect that

288

00:11:25,670 --> 00:11:24,320

from one moment to the next and knowing

289

00:11:28,550 --> 00:11:25,680

that we're gonna die

290

00:11:30,470 --> 00:11:28,560

and and knowing that when we wake up

291

00:11:34,790 --> 00:11:30,480

from our sleep that we that we have

292

00:11:35,829 --> 00:11:34,800

memories of the past all in in in the uh

293

00:11:39,829 --> 00:11:35,839

the

294

00:11:40,790 --> 00:11:39,839

uh

295

00:11:42,870 --> 00:11:40,800

sorry

296

00:11:45,590 --> 00:11:42,880

for uh oh my gosh i'm doing that covert

297

00:11:48,230 --> 00:11:45,600

branding thing again

298

00:11:51,110 --> 00:11:48,240

uh self-preservation uh survival there

299

00:11:53,990 --> 00:11:51,120

we go yes so like all for the

300

00:11:55,910 --> 00:11:54,000

the point of survival right like oh dude

301  
00:11:57,350 --> 00:11:55,920  
i'm just i'm into that i love that

302  
00:11:58,310 --> 00:11:57,360  
that's cool

303  
00:12:00,069 --> 00:11:58,320  
dude

304  
00:12:01,750 --> 00:12:00,079  
yeah yeah i think that would be cool

305  
00:12:04,389 --> 00:12:01,760  
it'd be like a cool power like that we

306  
00:12:06,069 --> 00:12:04,399  
have that we don't realize we have

307  
00:12:06,949 --> 00:12:06,079  
but one of these days we'll figure it

308  
00:12:08,629 --> 00:12:06,959  
out

309  
00:12:11,110 --> 00:12:08,639  
yeah dude

310  
00:12:14,069 --> 00:12:11,120  
and and yeah what if what if we we

311  
00:12:16,310 --> 00:12:14,079  
figure out like how to not only control

312  
00:12:18,150 --> 00:12:16,320  
time as we experience it but our like

313  
00:12:20,389 --> 00:12:18,160

the chemicals in our brain

314

00:12:22,710 --> 00:12:20,399

where like you're saying the faster time

315

00:12:24,550 --> 00:12:22,720

goes or the more excited you are about

316

00:12:25,990 --> 00:12:24,560

something the faster time goes so like

317

00:12:29,910 --> 00:12:26,000

what if you could control that with your

318

00:12:32,470 --> 00:12:29,920

mind and say all right dopamine go

319

00:12:33,509 --> 00:12:32,480

or you know

320

00:12:38,310 --> 00:12:33,519

yeah

321

00:12:40,310 --> 00:12:38,320

like really want to go to the dmv and be

322

00:12:43,110 --> 00:12:40,320

like dude

323

00:12:44,790 --> 00:12:43,120

oh i love the dmv bro yeah everybody

324

00:12:46,550 --> 00:12:44,800

stopping you yeah you're all hanging out

325

00:12:48,150 --> 00:12:46,560

have a good time like you don't you

326

00:12:51,190 --> 00:12:48,160

don't really go to the dmv to do that

327

00:12:52,870 --> 00:12:51,200

you know and on the flip side you know

328

00:12:54,230 --> 00:12:52,880

you you don't want to you don't want to

329

00:12:56,629 --> 00:12:54,240

be sitting by the beach you know

330

00:12:58,550 --> 00:12:56,639

drinking a beer being like

331

00:13:00,710 --> 00:12:58,560

when is this going to be over you know

332

00:13:02,150 --> 00:13:00,720

like you don't want to like have those

333

00:13:06,069 --> 00:13:02,160

feelings towards either one of those

334

00:13:07,670 --> 00:13:06,079

things like that sucks

335

00:13:08,470 --> 00:13:07,680

going to defeat the whole purpose you

336

00:13:10,710 --> 00:13:08,480

know

337

00:13:12,550 --> 00:13:10,720

the whole porpoise

338

00:13:13,670 --> 00:13:12,560

because you're at the beach porphis yeah

339

00:13:16,949 --> 00:13:13,680

porpoise

340

00:13:18,710 --> 00:13:16,959

dolphins you like my jokes dude

341

00:13:23,190 --> 00:13:18,720

i said the joke

342

00:13:26,470 --> 00:13:24,949

oh [ʌ\_\_ʌ]

343

00:13:28,069 --> 00:13:26,480

definitely definitely for sharks for

344

00:13:30,310 --> 00:13:28,079

sharks for sharks turtley turley totally

345

00:13:32,629 --> 00:13:30,320

charlie

346

00:13:35,030 --> 00:13:32,639

i'm being shellfish

347

00:13:37,430 --> 00:13:35,040

or jelly either one of those

348

00:13:38,870 --> 00:13:37,440

damn that was good yeah it's a long the

349

00:13:42,069 --> 00:13:38,880

long run of

350

00:13:45,189 --> 00:13:42,079

i do this quite often with uh with yeah

351

00:13:47,990 --> 00:13:45,199

you know sam ordell and i we

352

00:13:50,389 --> 00:13:48,000

specifically puns about sea life oh my

353

00:13:52,230 --> 00:13:50,399

god yeah damn well dude let's get into

354

00:13:54,790 --> 00:13:52,240

facebook yeah let's let's see what

355

00:13:56,150 --> 00:13:54,800

champ's been up to

356

00:13:58,389 --> 00:13:56,160

all right everybody we're going into

357

00:13:59,750 --> 00:13:58,399

facebook uh the facebook group ufo

358

00:14:01,990 --> 00:13:59,760

garage podcast group if you're not a

359

00:14:04,949 --> 00:14:02,000

part of it come hang out y'all uh this

360

00:14:07,670 --> 00:14:04,959

is a 12 12 mile long bridge on the moon

361

00:14:09,829 --> 00:14:07,680

12 12 miles o'neil was attacked by

362

00:14:12,870 --> 00:14:09,839

skeptical scientists

363

00:14:15,350 --> 00:14:12,880

that was until famed britimer h.p

364

00:14:17,350 --> 00:14:15,360

wilkins confirmed that he too had seen

365

00:14:19,750 --> 00:14:17,360

the mysterious bridge

366

00:14:21,910 --> 00:14:19,760

later astronomer patrick moore also

367

00:14:23,670 --> 00:14:21,920

reported seeing the structure jesus

368

00:14:26,870 --> 00:14:23,680

christ i feel like that dude should be

369

00:14:27,670 --> 00:14:26,880

like sittin on a golden pile of money

370

00:14:30,069 --> 00:14:27,680

like

371

00:14:32,310 --> 00:14:30,079

scrooge mcduck yeah

372

00:14:34,310 --> 00:14:32,320

who had two one too many happy meals

373

00:14:36,550 --> 00:14:34,320

jesus also

374

00:14:39,350 --> 00:14:36,560

why do you need one glass for one eye

375

00:14:40,790 --> 00:14:39,360

like the monocle thing yeah i mean how

376

00:14:42,389 --> 00:14:40,800

often do you have one eye that's not

377

00:14:44,150 --> 00:14:42,399

good

378

00:14:46,310 --> 00:14:44,160

he's probably maybe somebody poked him

379

00:14:47,269 --> 00:14:46,320

in the eye

380

00:14:49,990 --> 00:14:47,279

that what

381

00:14:52,470 --> 00:14:50,000

was until famed british astronomer h.p

382

00:14:53,910 --> 00:14:52,480

wilkins confirmed that he too that looks

383

00:14:54,790 --> 00:14:53,920

like

384

00:14:56,829 --> 00:14:54,800

i mean i don't know that the

385

00:14:58,150 --> 00:14:56,839

construction had seen the mysterious

386

00:14:59,910 --> 00:14:58,160

bridge like

387

00:15:02,389 --> 00:14:59,920

i bought all these parts from home depot

388

00:15:04,069 --> 00:15:02,399

later astronomer patrick moore all all

389

00:15:05,590 --> 00:15:04,079

right we gotta we gotta we gotta get it

390

00:15:07,509 --> 00:15:05,600

the earth's brother and everything else

391

00:15:08,550 --> 00:15:07,519

a lot of people don't know that

392

00:15:23,030 --> 00:15:08,560

size

393

00:15:28,629 --> 00:15:24,870

so quick all right all right i bet that

394

00:15:29,430 --> 00:15:28,639

video is cool uh let's move on

395

00:15:31,350 --> 00:15:29,440

uh

396

00:15:33,910 --> 00:15:31,360

but like yeah guy like takes down [h\_\_h]

397

00:15:36,629 --> 00:15:33,920

like really really uh

398

00:15:44,710 --> 00:15:36,639

really uh speed speedily real fastly

399

00:15:48,069 --> 00:15:46,310

at least you made it here though you

400

00:15:49,670 --> 00:15:48,079

know

401  
00:15:51,430 --> 00:15:49,680  
so do we do we learned that that there's

402  
00:15:53,269 --> 00:15:51,440  
an actual bridge

403  
00:15:55,670 --> 00:15:53,279  
i haven't seen anything about a bridge

404  
00:15:57,590 --> 00:15:55,680  
oh these oh there's the the legend right

405  
00:15:58,870 --> 00:15:57,600  
here dude if we ever get it david ike i

406  
00:16:02,949 --> 00:15:58,880  
mean we could probably just end the

407  
00:16:05,269 --> 00:16:03,670  
yeah

408  
00:16:07,350 --> 00:16:05,279  
absolutely we could end the podcast

409  
00:16:11,110 --> 00:16:07,360  
because we could make that's right

410  
00:16:16,550 --> 00:16:12,790  
all right well i didn't see a bridge but

411  
00:16:21,030 --> 00:16:19,110  
hi y'all boots that are legal in the u.s

412  
00:16:22,550 --> 00:16:21,040  
but banned in other countries due to

413  
00:16:25,269 --> 00:16:22,560

health concerns

414

00:16:28,150 --> 00:16:25,279

mountain dew oh my god you don't [h\_\_h]

415

00:16:29,350 --> 00:16:28,160

up right there dude hell no

416

00:16:32,069 --> 00:16:29,360

wait

417

00:16:34,310 --> 00:16:32,079

and swiss rolls mountain dew and swiss

418

00:16:37,189 --> 00:16:34,320

rolls that's like however how are you

419

00:16:39,350 --> 00:16:37,199

gonna play video games huh how are you

420

00:16:40,790 --> 00:16:39,360

gonna play video games yeah you don't

421

00:16:42,230 --> 00:16:40,800

how you gonna do it

422

00:16:43,509 --> 00:16:42,240

if you don't have swiss rolls in

423

00:16:45,350 --> 00:16:43,519

mountain dew

424

00:16:47,110 --> 00:16:45,360

how you gonna do it

425

00:16:48,389 --> 00:16:47,120

you get nothing done

426

00:16:51,749 --> 00:16:48,399

how you gonna be

427

00:16:54,310 --> 00:16:51,759

how you gonna play no nothing

428

00:16:56,550 --> 00:16:54,320

frost oh come on frosted flakes dude

429

00:16:58,389 --> 00:16:56,560

that's like you know what no that's

430

00:16:59,189 --> 00:16:58,399

un-american

431

00:17:00,470 --> 00:16:59,199

and

432

00:17:05,350 --> 00:17:00,480

flakes

433

00:17:09,750 --> 00:17:05,360

look how happy he is about the giant

434

00:17:14,949 --> 00:17:12,069

finally recognition

435

00:17:16,829 --> 00:17:14,959

coffee made coffee creamer

436

00:17:18,150 --> 00:17:16,839

stove top

437

00:17:19,750 --> 00:17:18,160

stuffing because it doesn't exist

438

00:17:21,669 --> 00:17:19,760

remember

439

00:17:23,510 --> 00:17:21,679

something doesn't exist

440

00:17:25,909 --> 00:17:23,520

where'd she get that picture of stovetop

441

00:17:28,390 --> 00:17:25,919

stuffing rewind it rewind it this is

442

00:17:31,110 --> 00:17:28,400

taking a a much bigger leap there's no

443

00:17:33,750 --> 00:17:31,120

rewind button

444

00:17:36,549 --> 00:17:33,760

i don't see it

445

00:17:39,510 --> 00:17:36,559

you saw it i saw it stove top that yeah

446

00:17:41,590 --> 00:17:39,520

isn't it isn't it a stouffer's stuff

447

00:17:43,669 --> 00:17:41,600

okay okay

448

00:17:45,830 --> 00:17:43,679

that's how we know that this is a lie

449

00:17:48,310 --> 00:17:45,840

everybody can calm down everybody can

450

00:17:51,029 --> 00:17:48,320

calm down drink your mountain dews

451  
00:17:53,190 --> 00:17:51,039  
eat your swiss rolls because

452  
00:17:54,549 --> 00:17:53,200  
stovetop stuffing never existed so we

453  
00:17:56,549 --> 00:17:54,559  
know she's lying

454  
00:17:59,110 --> 00:17:56,559  
never existed in the first place never

455  
00:18:01,190 --> 00:17:59,120  
existed in the first place she's lying

456  
00:18:02,549 --> 00:18:01,200  
liar

457  
00:18:04,070 --> 00:18:02,559  
oh this guy oh he's making a big

458  
00:18:13,990 --> 00:18:04,080  
snickerdoodle

459  
00:18:14,000 --> 00:18:19,310  
check out this annoying noise i can make

460  
00:18:19,320 --> 00:18:24,470  
[Applause]

461  
00:18:27,909 --> 00:18:26,789  
uh excuse me sir can you could you stop

462  
00:18:30,470 --> 00:18:27,919  
it's like a board there's like a board

463  
00:18:32,200 --> 00:18:30,480

meeting going on

464

00:18:34,150 --> 00:18:32,210

uh

465

00:18:38,390 --> 00:18:34,160

[Music]

466

00:18:46,310 --> 00:18:39,909

all right that's [h\_\_\h] cool okay i

467

00:18:46,320 --> 00:18:51,590

excuse me have you heard of cinematics

468

00:18:55,990 --> 00:18:53,110

okay

469

00:18:58,230 --> 00:18:56,000

so think about it like

470

00:19:00,310 --> 00:18:58,240

yes it's i think it's cool okay yes it's

471

00:19:03,190 --> 00:19:00,320

cool yes frequencies

472

00:19:05,590 --> 00:19:03,200

yeah but it's a metal table

473

00:19:07,830 --> 00:19:05,600

it's gonna vibrate and it's gonna equal

474

00:19:09,830 --> 00:19:07,840

out if it's a well-made made table

475

00:19:12,070 --> 00:19:09,840

that's that's thinly and like you know

476

00:19:13,830 --> 00:19:12,080

uh the molecules in the metal are all

477

00:19:15,110 --> 00:19:13,840

even and all that it's not you know made

478

00:19:17,110 --> 00:19:15,120

up meteorite where it's like very

479

00:19:19,270 --> 00:19:17,120

inconsistent like if it's a steel or

480

00:19:20,870 --> 00:19:19,280

some kind of metal it's gonna be

481

00:19:23,029 --> 00:19:20,880

pretty even all the way across the board

482

00:19:25,430 --> 00:19:23,039

so of course it's gonna vibrate in a

483

00:19:26,230 --> 00:19:25,440

pattern so it's really just the surface

484

00:19:33,350 --> 00:19:26,240

that's

485

00:19:36,230 --> 00:19:33,360

uh the sand kind of comes comes together

486

00:19:38,630 --> 00:19:36,240

with the deepest spots so it's it's not

487

00:19:40,390 --> 00:19:38,640

like describing like entropy or or

488

00:19:43,350 --> 00:19:40,400

anything like that are you are you

489

00:19:44,950 --> 00:19:43,360

calling this guy a big fat phony

490

00:19:47,510 --> 00:19:44,960

i mean

491

00:19:50,390 --> 00:19:47,520

lara i don't think he's fat

492

00:19:53,110 --> 00:19:50,400

you calling this guy a big fat phony

493

00:19:54,950 --> 00:19:53,120

that's what you just did no i don't know

494

00:19:57,590 --> 00:19:54,960

this man's credibility hold on hold on

495

00:19:59,510 --> 00:19:57,600

let's play it again let's see

496

00:20:00,630 --> 00:19:59,520

he's wearing a mask i don't call him a

497

00:20:02,230 --> 00:20:00,640

baker

498

00:20:03,990 --> 00:20:02,240

look now he's got a bigger one i mean

499

00:20:05,590 --> 00:20:04,000

obviously he's watching it

500

00:20:07,430 --> 00:20:05,600

it's actually i mean it's happening it's

501  
00:20:10,310 --> 00:20:07,440  
like he's not faking it watch watch what

502  
00:20:15,350 --> 00:20:12,789  
i ain't watching you changing

503  
00:20:18,670 --> 00:20:15,360  
i just yeah i don't see how it's fake

504  
00:20:23,350 --> 00:20:18,680  
i'm not saying that it's like cgi

505  
00:20:27,430 --> 00:20:25,270  
if anything i'm giving it more validity

506  
00:20:29,350 --> 00:20:27,440  
of how it's working you know like i'm

507  
00:20:31,350 --> 00:20:29,360  
not saying that it's

508  
00:20:33,430 --> 00:20:31,360  
it's like not true i'm just saying like

509  
00:20:35,430 --> 00:20:33,440  
i don't need to explain everything the

510  
00:20:36,630 --> 00:20:35,440  
lord does ben

511  
00:20:38,549 --> 00:20:36,640  
all right

512  
00:20:40,549 --> 00:20:38,559  
hey the lord made snickerdoodles and

513  
00:20:43,510 --> 00:20:40,559

let's just keep it at that

514

00:20:46,070 --> 00:20:43,520

you get a lot of a lot of sugar a lot of

515

00:20:49,350 --> 00:20:46,080

cinnamon and then you have a tasty treat

516

00:20:51,029 --> 00:20:49,360

it does make sense it does make sense

517

00:20:52,870 --> 00:20:51,039

but it then isn't that happening on

518

00:20:55,750 --> 00:20:52,880

everything

519

00:20:58,710 --> 00:20:55,760

water so so it depends on the surface

520

00:20:59,830 --> 00:20:58,720

that it's vibrating against to to to to

521

00:21:03,430 --> 00:20:59,840

see it

522

00:21:05,190 --> 00:21:03,440

to sense it it needs like vibrations so

523

00:21:07,110 --> 00:21:05,200

if we took the same frequency that's

524

00:21:08,710 --> 00:21:07,120

being created on this table

525

00:21:10,630 --> 00:21:08,720

and we put them side by side on

526

00:21:12,470 --> 00:21:10,640

different materials they would look

527

00:21:14,310 --> 00:21:12,480

different because of the material that

528

00:21:16,870 --> 00:21:14,320

it's on even though it's the same

529

00:21:20,310 --> 00:21:16,880

frequency and same vibration being put

530

00:21:21,750 --> 00:21:20,320

out on i have to think that yes

531

00:21:24,310 --> 00:21:21,760

so then

532

00:21:26,070 --> 00:21:24,320

would it work like that with humans too

533

00:21:28,230 --> 00:21:26,080

even though like we're all human we're

534

00:21:30,549 --> 00:21:28,240

all like a little bit different so like

535

00:21:32,950 --> 00:21:30,559

some frequencies bother you and they

536

00:21:35,029 --> 00:21:32,960

don't bother me

537

00:21:37,029 --> 00:21:35,039

dude i think you're building a great

538

00:21:38,549 --> 00:21:37,039

case right now

539

00:21:39,590 --> 00:21:38,559

so what you're saying is this guy's a

540

00:21:43,990 --> 00:21:39,600

liar

541

00:21:48,549 --> 00:21:46,390

no i like it i like it i think we're on

542

00:21:50,710 --> 00:21:48,559

to something i think you're i think you

543

00:21:52,230 --> 00:21:50,720

i think we're on something too

544

00:21:53,990 --> 00:21:52,240

what if it was

545

00:21:56,310 --> 00:21:54,000

if all just said it's all about the vibe

546

00:22:00,390 --> 00:21:56,320

yes it is i think i agree i mean the

547

00:22:03,430 --> 00:22:01,990

so he's a liar

548

00:22:04,149 --> 00:22:03,440

i think

549

00:22:05,590 --> 00:22:04,159

it's

550

00:22:06,880 --> 00:22:05,600

moving what you're saying is this man is

551  
00:22:09,510 --> 00:22:06,890  
making this up right now ben

552  
00:22:11,510 --> 00:22:09,520  
[Laughter]

553  
00:22:14,950 --> 00:22:11,520  
everything's made up

554  
00:22:18,310 --> 00:22:14,960  
uh including luke skywalker

555  
00:22:20,950 --> 00:22:18,320  
skywalker walker walker

556  
00:22:23,110 --> 00:22:20,960  
oh dude this is hilarious

557  
00:22:25,590 --> 00:22:23,120  
nasa warns alien life may not be

558  
00:22:27,350 --> 00:22:25,600  
[h\_\_\h]

559  
00:22:30,390 --> 00:22:27,360  
i don't know who this dude is but this

560  
00:22:34,149 --> 00:22:30,400  
is like the perfect uh that's a special

561  
00:22:38,830 --> 00:22:36,630  
what's the it's the the pool in the

562  
00:22:42,230 --> 00:22:38,840  
did you wear the burgundy shirt i can't

563  
00:22:44,950 --> 00:22:42,240

remember if you're correct that's like

564

00:22:50,149 --> 00:22:47,669

let's get google i think star trek next

565

00:22:52,950 --> 00:22:50,159

generation is the one that he's on oh my

566

00:22:57,830 --> 00:22:55,270

uh i'm pretty sure

567

00:23:00,950 --> 00:22:57,840

he was a doctor i think right he's the

568

00:23:03,909 --> 00:23:00,960

doctor guy next generation

569

00:23:07,029 --> 00:23:05,110

catherine

570

00:23:09,270 --> 00:23:07,039

no no maybe it wasn't the doctor maybe

571

00:23:10,870 --> 00:23:09,280

he was like the

572

00:23:13,170 --> 00:23:10,880

he was like a right-hand man dude he was

573

00:23:15,830 --> 00:23:13,180

always on deck you know what i'm saying

574

00:23:19,190 --> 00:23:15,840

[Music]

575

00:23:20,390 --> 00:23:19,200

patrick stewart patrick stewart nope

576  
00:23:22,149 --> 00:23:20,400  
all right

577  
00:23:25,190 --> 00:23:22,159  
let's let's just say let's just say

578  
00:23:27,350 --> 00:23:25,200  
you're not a big fat phony

579  
00:23:29,270 --> 00:23:27,360  
what is this one

580  
00:23:33,029 --> 00:23:29,280  
a community of purebred pleiadians

581  
00:23:34,140 --> 00:23:33,039  
discovered living free in argentina what

582  
00:23:35,750 --> 00:23:34,150  
whoa

583  
00:23:38,950 --> 00:23:35,760  
[Music]

584  
00:23:38,960 --> 00:23:42,390  
okay

585  
00:23:47,430 --> 00:23:44,470  
community of purebred pleiadians

586  
00:23:49,029 --> 00:23:47,440  
discovered living free in argentina you

587  
00:23:50,789 --> 00:23:49,039  
mean they're not paying taxes or

588  
00:23:53,909 --> 00:23:50,799

anything

589

00:23:56,310 --> 00:23:53,919

why would they pick argentina

590

00:23:57,350 --> 00:23:56,320

because you don't have to pay taxes

591

00:24:03,110 --> 00:23:57,360

is

592

00:24:06,230 --> 00:24:03,120

home looks like why aren't people asking

593

00:24:09,590 --> 00:24:07,830

dude i don't know maybe

594

00:24:11,669 --> 00:24:09,600

we need more we need more information on

595

00:24:13,909 --> 00:24:11,679

that one um

596

00:24:15,909 --> 00:24:13,919

we got we got 15 minutes and we we gotta

597

00:24:17,430 --> 00:24:15,919

let's let's hop into outer range dude

598

00:24:18,549 --> 00:24:17,440

okay

599

00:24:22,070 --> 00:24:18,559

uh

600

00:24:23,830 --> 00:24:22,080

dude okay i saw this happen this this

601  
00:24:26,710 --> 00:24:23,840  
cave never before seen by humans have

602  
00:24:28,630 --> 00:24:26,720  
you seen this nah

603  
00:24:31,430 --> 00:24:28,640  
uh so i don't know if it was just

604  
00:24:32,789 --> 00:24:31,440  
discovered or was just made public but

605  
00:24:36,230 --> 00:24:32,799  
this uh

606  
00:24:39,669 --> 00:24:36,240  
oh you can't see it uh this cave was dis

607  
00:24:42,630 --> 00:24:39,679  
discovered in china uh china i think

608  
00:24:44,630 --> 00:24:42,640  
and it looks so sick

609  
00:24:46,950 --> 00:24:44,640  
maybe a half

610  
00:24:48,710 --> 00:24:46,960  
there's a whole ecosystem inside of it

611  
00:24:50,310 --> 00:24:48,720  
dude

612  
00:24:51,669 --> 00:24:50,320  
um

613  
00:24:53,269 --> 00:24:51,679

let's see

614

00:24:55,350 --> 00:24:53,279

i mean how do they how do they know it's

615

00:24:56,549 --> 00:24:55,360

never been seen by humans i would assume

616

00:24:58,390 --> 00:24:56,559

that any human that went in there

617

00:24:59,590 --> 00:24:58,400

probably got lost

618

00:25:01,590 --> 00:24:59,600

it's probably that dude that was making

619

00:25:04,950 --> 00:25:01,600

the sounds on that goddamn bowl dude

620

00:25:08,230 --> 00:25:06,149

there's probably a guy that goes and

621

00:25:09,669 --> 00:25:08,240

hangs out there all the time he doesn't

622

00:25:11,990 --> 00:25:09,679

tell anybody because he won't be you

623

00:25:15,350 --> 00:25:12,000

know he has one on youtube everybody's

624

00:25:16,630 --> 00:25:15,360

gonna go go and hang out

625

00:25:18,230 --> 00:25:16,640

yeah he was just trying to hang out by

626  
00:25:22,549 --> 00:25:18,240  
himself and now everybody's gonna want

627  
00:25:27,510 --> 00:25:23,669  
so you definitely don't want to be in

628  
00:25:30,549 --> 00:25:28,950  
because it gets wet

629  
00:25:31,990 --> 00:25:30,559  
yeah it'll get wet dude you'll get wet

630  
00:25:33,669 --> 00:25:32,000  
if you go in there

631  
00:25:35,510 --> 00:25:33,679  
i like i like that they kept the drapes

632  
00:25:36,549 --> 00:25:35,520  
around you know

633  
00:25:38,789 --> 00:25:36,559  
we do

634  
00:25:42,549 --> 00:25:38,799  
like the ma the escaping

635  
00:25:43,830 --> 00:25:42,559  
the landscaping is is nice

636  
00:25:48,630 --> 00:25:43,840  
that's what

637  
00:25:51,590 --> 00:25:48,640  
it's very 70s you know it is super 70s

638  
00:25:54,390 --> 00:25:51,600

soup or 70s

639

00:25:59,990 --> 00:25:57,350

what

640

00:26:00,870 --> 00:26:00,000

i think the 70s would have been cool

641

00:26:02,470 --> 00:26:00,880

dude

642

00:26:04,870 --> 00:26:02,480

i think we were meant to be born in the

643

00:26:08,070 --> 00:26:04,880

seven dogs

644

00:26:11,110 --> 00:26:08,080

maybe we were meant to be born in 2070.

645

00:26:14,470 --> 00:26:11,120

oh my god we're 70 70. who's to say we

646

00:26:17,990 --> 00:26:14,480

are currently living in 2070 because uh

647

00:26:20,390 --> 00:26:18,000

like we got the time wrong

648

00:26:22,630 --> 00:26:20,400

i stepped i need

649

00:26:26,789 --> 00:26:22,640

oh yeah

650

00:26:30,149 --> 00:26:26,799

and oh my god that's a great catch bro

651

00:26:31,590 --> 00:26:30,159

yeah that it's uh

652

00:26:33,510 --> 00:26:31,600

for those just listening we're looking

653

00:26:35,669 --> 00:26:33,520

at the video of the dude in the middle

654

00:26:37,350 --> 00:26:35,679

of the r of river and what you don't see

655

00:26:41,110 --> 00:26:37,360

is any context so it looks like oh we

656

00:26:43,110 --> 00:26:41,120

can't see it he's just oh my gosh

657

00:26:44,470 --> 00:26:43,120

for those of for everyone that can't see

658

00:26:46,310 --> 00:26:44,480

it

659

00:26:47,909 --> 00:26:46,320

thanks thank you

660

00:26:50,310 --> 00:26:47,919

i was like what are you looking at

661

00:26:53,510 --> 00:26:50,320

huh dig it hey

662

00:26:54,549 --> 00:26:53,520

i'll do my joke again uh yeah okay all

663

00:27:04,470 --> 00:26:54,559

right

664

00:27:05,990 --> 00:27:04,480

uh there's one i wanted to get to

665

00:27:09,990 --> 00:27:06,000

and then we'll start talking let's let's

666

00:27:12,070 --> 00:27:10,000

let's hop into outer uh range dude

667

00:27:13,750 --> 00:27:12,080

when she says go deeper but you're all

668

00:27:15,990 --> 00:27:13,760

out of ufo stories and conspiracy

669

00:27:18,149 --> 00:27:16,000

theories

670

00:27:20,789 --> 00:27:18,159

yes i want to see the new king of the

671

00:27:22,710 --> 00:27:20,799

hill man i think it's going to be cool

672

00:27:24,630 --> 00:27:22,720

well they're all green

673

00:27:26,710 --> 00:27:24,640

yeah dude he's making a new one we're

674

00:27:29,430 --> 00:27:26,720

like bobby and them are adults and like

675

00:27:31,430 --> 00:27:29,440

all the parents are like old

676  
00:27:34,789 --> 00:27:31,440  
no [h\_\_h]

677  
00:27:36,310 --> 00:27:34,799  
yeah he's making a new one

678  
00:27:37,909 --> 00:27:36,320  
oh my god

679  
00:27:41,190 --> 00:27:37,919  
it should be pretty cool

680  
00:27:43,029 --> 00:27:41,200  
that's awesome yeah dude

681  
00:27:45,430 --> 00:27:43,039  
champ hey we're going over all your

682  
00:27:47,590 --> 00:27:45,440  
posts what's up man

683  
00:27:48,389 --> 00:27:47,600  
big willy said we are looking at nothing

684  
00:27:51,750 --> 00:27:48,399  
bad

685  
00:27:57,669 --> 00:27:54,070  
okay uh let's go back oh wait there was

686  
00:28:01,350 --> 00:27:59,669  
oh the why i said the entrance was way

687  
00:28:07,990 --> 00:28:01,360  
too big the story of my life talking

688  
00:28:11,430 --> 00:28:09,750

what else we got on here there was one

689

00:28:14,470 --> 00:28:11,440

other thing i wanted to oh this dude the

690

00:28:17,830 --> 00:28:14,480

lizard guy oh yeah he's creepy yeah he

691

00:28:20,149 --> 00:28:17,840

was talking about getting rid of his leg

692

00:28:22,710 --> 00:28:20,159

jesus oh no it's considered yeah

693

00:28:24,389 --> 00:28:22,720

considering leg amputation at after

694

00:28:26,549 --> 00:28:24,399

having ears lifts and fingers slice off

695

00:28:28,710 --> 00:28:26,559

so what i was wondering is

696

00:28:29,990 --> 00:28:28,720

if he wanted to be full snake

697

00:28:32,230 --> 00:28:30,000

then he would have to get rid of his

698

00:28:34,630 --> 00:28:32,240

arms his hands

699

00:28:36,230 --> 00:28:34,640

his legs

700

00:28:38,470 --> 00:28:36,240

but he wouldn't be a snake he would be

701  
00:28:47,430 --> 00:28:38,480  
more like a i don't know he'd be like a

702  
00:28:52,549 --> 00:28:49,110  
what it would be like the black knight

703  
00:28:59,110 --> 00:28:54,470  
okay i got we got to get a visual for

704  
00:29:03,029 --> 00:29:00,389  
i was gonna say he's gonna he would look

705  
00:29:04,789 --> 00:29:03,039  
like a tatinis pizza roll

706  
00:29:09,350 --> 00:29:04,799  
yeah

707  
00:29:14,310 --> 00:29:09,360  
all right that's a scary tortillas pizza

708  
00:29:18,149 --> 00:29:16,230  
you found it god it takes me so long to

709  
00:29:20,630 --> 00:29:18,159  
do this [h\_\_h]

710  
00:29:22,230 --> 00:29:20,640  
okay why dude why is it taking you so

711  
00:29:23,590 --> 00:29:22,240  
long

712  
00:29:25,750 --> 00:29:23,600  
oh yeah

713  
00:29:26,950 --> 00:29:25,760

oh okay i get it all right

714

00:29:28,549 --> 00:29:26,960

yeah

715

00:29:30,870 --> 00:29:28,559

you haven't seen it enough i've never

716

00:29:33,029 --> 00:29:30,880

seen it i've i've well

717

00:29:35,830 --> 00:29:33,039

i took it once it took you two it took

718

00:29:38,950 --> 00:29:35,840

you too long to get the reference ben

719

00:29:43,750 --> 00:29:40,630

and that was enough

720

00:29:45,269 --> 00:29:43,760

i wasn't sharing was i no you weren't

721

00:29:48,070 --> 00:29:45,279

chad

722

00:29:50,470 --> 00:29:48,080

please be our audio uh video producer

723

00:29:52,230 --> 00:29:50,480

chad smith dude oh god

724

00:29:54,789 --> 00:29:52,240

yeah uh

725

00:29:57,190 --> 00:29:54,799

amanda said like the oblongs remember

726

00:29:59,269 --> 00:29:57,200

that show dude the oblongs

727

00:30:00,549 --> 00:29:59,279

didn't will ferrell play the voice of

728

00:30:02,310 --> 00:30:00,559

the dad

729

00:30:04,630 --> 00:30:02,320

the oblongs

730

00:30:08,630 --> 00:30:04,640

yeah

731

00:30:10,470 --> 00:30:08,640

oh my gosh i do remember this show

732

00:30:11,510 --> 00:30:10,480

they didn't have no like arms or like

733

00:30:14,149 --> 00:30:11,520

dude

734

00:30:17,510 --> 00:30:16,470

i remember it being funny yeah it was

735

00:30:19,590 --> 00:30:17,520

pretty good

736

00:30:23,510 --> 00:30:19,600

i used to like that one and uh home

737

00:30:24,789 --> 00:30:23,520

movies that was funny too oh uh so like

738

00:30:26,710 --> 00:30:24,799

adult swim

739

00:30:29,269 --> 00:30:26,720

kind of vibe yeah

740

00:30:32,070 --> 00:30:29,279

that's awesome

741

00:30:33,990 --> 00:30:32,080

uh all right uh what else do we got oh

742

00:30:36,389 --> 00:30:34,000

let me share this gram

743

00:30:37,430 --> 00:30:36,399

i think that was

744

00:30:39,350 --> 00:30:37,440

was that it

745

00:30:40,149 --> 00:30:39,360

was that

746

00:30:43,669 --> 00:30:40,159

oh

747

00:30:45,510 --> 00:30:43,679

the or the alien thing the alien thing

748

00:30:46,630 --> 00:30:45,520

that's what it was yeah let's just skip

749

00:30:47,909 --> 00:30:46,640

to that

750

00:30:50,230 --> 00:30:47,919

let's do it

751  
00:30:51,750 --> 00:30:50,240  
stewie dude

752  
00:30:53,430 --> 00:30:51,760  
okay i feel like i've seen this video

753  
00:30:55,430 --> 00:30:53,440  
before and then when we started

754  
00:30:56,870 --> 00:30:55,440  
scrolling through it i know i've seen

755  
00:30:57,990 --> 00:30:56,880  
pictures of it

756  
00:31:00,230 --> 00:30:58,000  
uh

757  
00:31:02,470 --> 00:31:00,240  
anybody else ever seen this it's kind of

758  
00:31:04,549 --> 00:31:02,480  
cool it's crazy that kind of gives us a

759  
00:31:06,389 --> 00:31:04,559  
little bit of a backstory about this it

760  
00:31:08,230 --> 00:31:06,399  
could be like a dude who just froze out

761  
00:31:10,310 --> 00:31:08,240  
there for like a long time

762  
00:31:12,149 --> 00:31:10,320  
yeah like a dude that ate a bunch of

763  
00:31:13,909 --> 00:31:12,159

carrots and he was kind of like

764

00:31:17,430 --> 00:31:13,919

orange a little bit

765

00:31:22,310 --> 00:31:20,149

of eyes sighting of this incident

766

00:31:25,430 --> 00:31:22,320

did not want to release the photos to

767

00:31:27,190 --> 00:31:25,440

the public at the advice of a local ufo

768

00:31:29,190 --> 00:31:27,200

investor i'll see no ears dude and so

769

00:31:32,549 --> 00:31:29,200

yeah no ears man we're basically getting

770

00:31:36,389 --> 00:31:34,230

yeah dude like what if what if like

771

00:31:38,230 --> 00:31:36,399

squirrel's nipple nibbled his ears i

772

00:31:39,909 --> 00:31:38,240

mean squirrels squirrels do nibble they

773

00:31:41,830 --> 00:31:39,919

nibble you know they're not biters

774

00:31:43,509 --> 00:31:41,840

they're nibblers yeah

775

00:31:44,950 --> 00:31:43,519

and like you know they could have

776

00:31:47,350 --> 00:31:44,960

nibbled it down

777

00:31:48,870 --> 00:31:47,360

damn all right yeah because it is

778

00:31:51,029 --> 00:31:48,880

winters you know they're they're they're

779

00:31:52,950 --> 00:31:51,039

looking in the oven right now hungry

780

00:31:55,509 --> 00:31:52,960

yeah they're hungry

781

00:31:57,509 --> 00:31:55,519

well no little nosies down in the

782

00:31:59,750 --> 00:31:57,519

wintertime 70

783

00:32:01,269 --> 00:31:59,760

um canadian squirrels they eat meat

784

00:32:03,909 --> 00:32:01,279

during the winter time

785

00:32:05,509 --> 00:32:03,919

for real yeah what kind of meat like

786

00:32:07,830 --> 00:32:05,519

crazy any kind of meat that they can

787

00:32:09,350 --> 00:32:07,840

find and dave ever told you about the

788

00:32:10,389 --> 00:32:09,360

squirrels in canada

789

00:32:11,669 --> 00:32:10,399

how are you gonna be careful because

790

00:32:14,789 --> 00:32:11,679

like they'll run down the tree and bite

791

00:32:16,149 --> 00:32:14,799

your legs no way yeah they crawl on your

792

00:32:17,430 --> 00:32:16,159

back and stuff people have been known to

793

00:32:19,509 --> 00:32:17,440

like have them like

794

00:32:21,830 --> 00:32:19,519

run up into their jackets and like and

795

00:32:23,110 --> 00:32:21,840

like start nibbling their tummies and

796

00:32:26,149 --> 00:32:23,120

stuff dude

797

00:32:28,310 --> 00:32:26,159

yeah they have to get shots

798

00:32:30,870 --> 00:32:28,320

wait squirrels will find their way into

799

00:32:32,389 --> 00:32:30,880

your pants leg and crawl up your

800

00:32:34,870 --> 00:32:32,399

apparatus and

801  
00:32:38,310 --> 00:32:34,880  
nibble your your navel dude it's cold

802  
00:32:42,950 --> 00:32:40,310  
damn i didn't know squid worry about

803  
00:32:44,789 --> 00:32:42,960  
squirrels and cold last year where they

804  
00:32:47,029 --> 00:32:44,799  
found a moose there was like a moose and

805  
00:32:49,990 --> 00:32:47,039  
it had like 30 squirrels on it it was

806  
00:32:53,269 --> 00:32:50,000  
crazy

807  
00:32:55,350 --> 00:32:53,279  
they housed like half a moose dude oh my

808  
00:32:56,950 --> 00:32:55,360  
god

809  
00:32:58,710 --> 00:32:56,960  
i mean i honestly if i was a squirrel

810  
00:33:01,269 --> 00:32:58,720  
looking for warmth and food i would live

811  
00:33:04,470 --> 00:33:01,279  
inside of the moose it would make sense

812  
00:33:06,950 --> 00:33:04,480  
it sounds better than a tree

813  
00:33:09,590 --> 00:33:06,960

yeah trees don't feel very

814

00:33:13,269 --> 00:33:11,509

okay uh champ yeah

815

00:33:14,870 --> 00:33:13,279

yeah no i i know

816

00:33:16,870 --> 00:33:14,880

i've heard that too

817

00:33:18,950 --> 00:33:16,880

there's a little controversy with with

818

00:33:21,350 --> 00:33:18,960

that with that tyler fella

819

00:33:23,110 --> 00:33:21,360

but uh yeah yeah what are we talking

820

00:33:26,710 --> 00:33:23,120

about who's tyler that's that four on

821

00:33:29,190 --> 00:33:26,720

the from the video yeah

822

00:33:30,950 --> 00:33:29,200

the security in video yeah yeah i mean

823

00:33:34,389 --> 00:33:30,960

he has like two billion [h\_\_h]

824

00:33:38,470 --> 00:33:35,990

he's got to be doing something right

825

00:33:40,789 --> 00:33:38,480

didn't he like didn't somebody like

826

00:33:41,909 --> 00:33:40,799

try and shut him down a while back or

827

00:33:43,509 --> 00:33:41,919

something

828

00:33:45,509 --> 00:33:43,519

i feel like i like vaguely remember a

829

00:33:46,389 --> 00:33:45,519

story where he like came on he was like

830

00:33:48,389 --> 00:33:46,399

look

831

00:33:50,789 --> 00:33:48,399

i got approached by some people they're

832

00:33:52,149 --> 00:33:50,799

trying to shut me down and this and that

833

00:33:53,669 --> 00:33:52,159

i can't i don't know i don't remember

834

00:33:56,230 --> 00:33:53,679

what it was but

835

00:33:59,110 --> 00:33:56,240

asking about his car warranty who knows

836

00:34:02,070 --> 00:33:59,120

who knows i have no idea cool video

837

00:34:04,470 --> 00:34:02,080

though uh frozen aliens in canada

838

00:34:07,830 --> 00:34:04,480

uh i'm telling you squirrels are suspect

839

00:34:09,030 --> 00:34:07,840

it could be a tiny person um but inside

840

00:34:11,909 --> 00:34:09,040

squirrel like

841

00:34:13,430 --> 00:34:11,919

like controlling it who knows who knows

842

00:34:15,510 --> 00:34:13,440

dude imagine if every squirrel you've

843

00:34:17,829 --> 00:34:15,520

ever seen like what if we found out like

844

00:34:20,310 --> 00:34:17,839

it's not aliens it's not it's not

845

00:34:23,589 --> 00:34:20,320

paranormal it's all tiny people inside

846

00:34:25,669 --> 00:34:23,599

of small rodents like squirrels

847

00:34:28,470 --> 00:34:25,679

that would be freaky you know it's like

848

00:34:30,069 --> 00:34:28,480

pickle rick inside of a

849

00:34:31,829 --> 00:34:30,079

inside of a squirrel

850

00:34:34,230 --> 00:34:31,839

it's too much

851  
00:34:36,869 --> 00:34:34,240  
honestly i could yeah i couldn't handle

852  
00:34:38,389 --> 00:34:36,879  
it it's too much i've been thinking like

853  
00:34:39,909 --> 00:34:38,399  
those chubby guys

854  
00:34:42,470 --> 00:34:39,919  
they're like cute

855  
00:34:46,230 --> 00:34:42,480  
squirrels yeah and there's all the whole

856  
00:34:49,109 --> 00:34:46,240  
time there's a tiny man in there

857  
00:34:51,109 --> 00:34:49,119  
just fooling all of us fooling me

858  
00:34:54,950 --> 00:34:51,119  
making me look like a

859  
00:34:58,790 --> 00:34:57,270  
all right dude so

860  
00:35:01,109 --> 00:34:58,800  
what is there like do we need to

861  
00:35:02,710 --> 00:35:01,119  
announce spoiler alerts like i mean

862  
00:35:04,150 --> 00:35:02,720  
we're talking about this right yeah it

863  
00:35:07,190 --> 00:35:04,160

came out in april

864

00:35:08,950 --> 00:35:07,200

yeah uh so everyone see it yeah it's on

865

00:35:11,030 --> 00:35:08,960

the thumbnail if you if you haven't seen

866

00:35:13,109 --> 00:35:11,040

it yeah if you haven't seen out of range

867

00:35:15,349 --> 00:35:13,119

yet then pause it and go check it out

868

00:35:16,950 --> 00:35:15,359

but if you have and you want to hang

869

00:35:20,630 --> 00:35:16,960

around for the discussion then let's do

870

00:35:25,750 --> 00:35:23,349

that was cool

871

00:35:26,950 --> 00:35:25,760

that was a cool show

872

00:35:31,589 --> 00:35:26,960

the show

873

00:35:32,720 --> 00:35:31,599

was pretty cool and and

874

00:35:36,550 --> 00:35:32,730

i'm just saying

875

00:35:38,000 --> 00:35:36,560

[Music]

876  
00:35:40,950 --> 00:35:38,010  
yeah sorry

877  
00:35:42,150 --> 00:35:40,960  
[Laughter]

878  
00:35:43,030 --> 00:35:42,160  
dude

879  
00:35:44,870 --> 00:35:43,040  
yeah

880  
00:35:46,630 --> 00:35:44,880  
i'm so glad you mentioned it the other

881  
00:35:48,550 --> 00:35:46,640  
day you were like i just finished this

882  
00:35:50,390 --> 00:35:48,560  
and i was like oh my god it was one of

883  
00:35:51,990 --> 00:35:50,400  
those things that kept popping up and a

884  
00:35:54,550 --> 00:35:52,000  
couple people had mentioned it on on

885  
00:35:55,510 --> 00:35:54,560  
twitter uh recommending it to us to

886  
00:35:58,230 --> 00:35:55,520  
watch

887  
00:35:59,910 --> 00:35:58,240  
and uh i think i gave it a like a couple

888  
00:36:02,630 --> 00:35:59,920

of minutes

889

00:36:04,390 --> 00:36:02,640

on the first episode a few nights ago

890

00:36:06,630 --> 00:36:04,400

and i was just too asleepy and i just

891

00:36:08,390 --> 00:36:06,640

didn't finish it so i'm so glad you

892

00:36:10,310 --> 00:36:08,400

messed or you know said something

893

00:36:13,510 --> 00:36:10,320

about it yeah

894

00:36:16,790 --> 00:36:13,520

dude i binged it it was so

895

00:36:18,790 --> 00:36:16,800

goddamn good i know man i know

896

00:36:21,270 --> 00:36:18,800

um i'm ready i'm ready for the new

897

00:36:23,589 --> 00:36:21,280

series to come out it's gonna be good

898

00:36:25,270 --> 00:36:23,599

it's gonna be really good so good so

899

00:36:27,510 --> 00:36:25,280

okay what do you think about it let's

900

00:36:29,349 --> 00:36:27,520

let's let's read the uh the wiki

901  
00:36:32,150 --> 00:36:29,359  
wikipedia

902  
00:36:34,790 --> 00:36:32,160  
premise royal abbott is a wyoming

903  
00:36:37,430 --> 00:36:34,800  
rancher fight for his land and family

904  
00:36:40,069 --> 00:36:37,440  
who discovers a mysterious black void in

905  
00:36:44,310 --> 00:36:40,079  
the pasture following the arrival of

906  
00:36:47,750 --> 00:36:44,320  
autumn huh what a what a mysterious

907  
00:36:49,750 --> 00:36:47,760  
black void in the pasture oh

908  
00:36:52,230 --> 00:36:49,760  
following the arrival of autumn a

909  
00:36:54,550 --> 00:36:52,240  
drifter which uh with a connection to

910  
00:36:56,230 --> 00:36:54,560  
the to abbott's ranch while the abbott

911  
00:36:58,150 --> 00:36:56,240  
family copes with the desperate

912  
00:37:01,190 --> 00:36:58,160  
disappearance of their daughter

913  
00:37:02,310 --> 00:37:01,200

daughter-in-law rebecca some call her

914

00:37:04,630 --> 00:37:02,320

becky

915

00:37:06,390 --> 00:37:04,640

they are pushed farther to the to the

916

00:37:10,710 --> 00:37:06,400

brink when a rival family of the

917

00:37:12,150 --> 00:37:10,720

tillersons try to take over their land

918

00:37:13,190 --> 00:37:12,160

so dude

919

00:37:14,790 --> 00:37:13,200

first of all

920

00:37:17,990 --> 00:37:14,800

first episode

921

00:37:19,670 --> 00:37:18,000

uh homeboy the the dad

922

00:37:22,870 --> 00:37:19,680

uh royal

923

00:37:26,230 --> 00:37:22,880

badass badass name by the way

924

00:37:28,790 --> 00:37:26,240

badass dude i mean come on dude

925

00:37:30,390 --> 00:37:28,800

uh first like first scene i'm like okay

926

00:37:32,230 --> 00:37:30,400

i'm watching yellowstone have you seen

927

00:37:35,030 --> 00:37:32,240

yellowstone yeah

928

00:37:36,550 --> 00:37:35,040

i felt immediately like yellowstone

929

00:37:38,069 --> 00:37:36,560

which is a good thing i was like it

930

00:37:40,150 --> 00:37:38,079

doesn't feel like it'll rip off or

931

00:37:42,310 --> 00:37:40,160

anything it just feels like almost

932

00:37:43,670 --> 00:37:42,320

like an extension of that universe

933

00:37:44,790 --> 00:37:43,680

that's how it was explained to me they

934

00:37:47,750 --> 00:37:44,800

were like yeah dude it's kind of like a

935

00:37:49,670 --> 00:37:47,760

sci-fi yellow stuff

936

00:37:51,750 --> 00:37:49,680

and then when i saw it i was like ah

937

00:37:53,670 --> 00:37:51,760

it's pretty accurate yeah so accurate

938

00:37:56,710 --> 00:37:53,680

but like i love it because i love

939

00:37:58,630 --> 00:37:56,720

yellowstone i'm not caught up but i just

940

00:38:00,150 --> 00:37:58,640

i love that universe so anything to keep

941

00:38:01,270 --> 00:38:00,160

me in that universe i'm like super

942

00:38:03,109 --> 00:38:01,280

stoked about

943

00:38:04,710 --> 00:38:03,119

one thing that i like to oh keep going

944

00:38:05,990 --> 00:38:04,720

sorry oh i'm just saying it has

945

00:38:08,470 --> 00:38:06,000

something to do with it like

946

00:38:09,589 --> 00:38:08,480

paranormal [h\_\_h] so oh well then that's

947

00:38:11,270 --> 00:38:09,599

perfect because that was gonna lead me

948

00:38:13,109 --> 00:38:11,280

into my first point what i liked about

949

00:38:15,990 --> 00:38:13,119

this movie is i couldn't really peg it

950

00:38:18,310 --> 00:38:16,000

like yeah it's supernatural but like

951  
00:38:19,910 --> 00:38:18,320  
would you consider a hole on your

952  
00:38:22,790 --> 00:38:19,920  
property like is that

953  
00:38:25,109 --> 00:38:22,800  
like i don't know is that like

954  
00:38:26,950 --> 00:38:25,119  
i mean it's a phenomena right but like

955  
00:38:29,510 --> 00:38:26,960  
i i feel like

956  
00:38:31,349 --> 00:38:29,520  
i feel like one of the things that uh

957  
00:38:33,510 --> 00:38:31,359  
you know we always classify

958  
00:38:36,069 --> 00:38:33,520  
strange things just like as the

959  
00:38:37,589 --> 00:38:36,079  
phenomena but like yeah like when you

960  
00:38:39,349 --> 00:38:37,599  
break them down

961  
00:38:41,190 --> 00:38:39,359  
into something different and i feel like

962  
00:38:43,030 --> 00:38:41,200  
that's kind of why like skinwalker ranch

963  
00:38:45,109 --> 00:38:43,040

is so interesting right because we call

964

00:38:47,270 --> 00:38:45,119

it the phenomena but like

965

00:38:49,510 --> 00:38:47,280

yeah there's like wolves giant walls

966

00:38:51,430 --> 00:38:49,520

walking around and there's like portals

967

00:38:53,430 --> 00:38:51,440

and then there's like little blue lights

968

00:38:56,069 --> 00:38:53,440

and then like your cabinets open up like

969

00:38:58,870 --> 00:38:56,079

it's all like different things you would

970

00:39:02,150 --> 00:38:58,880

consider to be you know like werewolves

971

00:39:03,750 --> 00:39:02,160

ufos and ghosts you know it's all of

972

00:39:06,870 --> 00:39:03,760

that stuff so like where would you like

973

00:39:07,589 --> 00:39:06,880

classify a giant hole in your property

974

00:39:16,790 --> 00:39:07,599

like

975

00:39:19,750 --> 00:39:16,800

dimensional phenomena are we dealing

976

00:39:22,310 --> 00:39:19,760

with some sort of like et technology

977

00:39:25,030 --> 00:39:22,320

is this something that like you know

978

00:39:27,270 --> 00:39:25,040

could be used by et's not just like on

979

00:39:29,190 --> 00:39:27,280

earth but like maybe this hole is

980

00:39:31,990 --> 00:39:29,200

something that you can put in a specific

981

00:39:33,589 --> 00:39:32,000

place and manipulate like time and stuff

982

00:39:36,150 --> 00:39:33,599

you know so like maybe they're all over

983

00:39:37,270 --> 00:39:36,160

the galaxy or planets or all kinds of

984

00:39:39,990 --> 00:39:37,280

stuff

985

00:39:42,069 --> 00:39:40,000

dude it's like so i think it i think it

986

00:39:43,750 --> 00:39:42,079

fits all of the boxes i think this is

987

00:39:47,510 --> 00:39:43,760

the answer that we've been looking for

988

00:39:49,910 --> 00:39:47,520

it's it's the replacement for swamp gas

989

00:39:52,230 --> 00:39:49,920

we've been talking about this for years

990

00:39:54,790 --> 00:39:52,240

dude after talking about them pioneers

991

00:39:57,910 --> 00:39:54,800

riding the boulders for miles across the

992

00:39:58,950 --> 00:39:57,920

plains it's it's those those lights i

993

00:40:01,670 --> 00:39:58,960

mean there's

994

00:40:03,270 --> 00:40:01,680

there's i mean whoever created the show

995

00:40:05,670 --> 00:40:03,280

definitely knows about the marvel lights

996

00:40:07,109 --> 00:40:05,680

because there's there's some nods like

997

00:40:08,870 --> 00:40:07,119

off in the distance there's like some

998

00:40:10,630 --> 00:40:08,880

weird lights going on

999

00:40:13,349 --> 00:40:10,640

yeah and yeah

1000

00:40:16,470 --> 00:40:13,359

dude i think it it's this other

1001  
00:40:19,670 --> 00:40:16,480  
answer to to to to swamp gas it's where

1002  
00:40:22,710 --> 00:40:19,680  
it's not a an intelligent being

1003  
00:40:25,349 --> 00:40:22,720  
making something happen or it's not uh

1004  
00:40:28,470 --> 00:40:25,359  
technology it's like a a natural

1005  
00:40:30,470 --> 00:40:28,480  
phenomenon that happens in like with

1006  
00:40:33,190 --> 00:40:30,480  
like with the earth like the earth is

1007  
00:40:36,069 --> 00:40:33,200  
making it happen yeah

1008  
00:40:38,230 --> 00:40:36,079  
i think it checks all the boxes dude

1009  
00:40:39,829 --> 00:40:38,240  
this is kind of a tangent right that i'm

1010  
00:40:41,510 --> 00:40:39,839  
going to go down but like this hole just

1011  
00:40:43,829 --> 00:40:41,520  
kind of makes me think of it like

1012  
00:40:46,309 --> 00:40:43,839  
what if like in the future

1013  
00:40:49,430 --> 00:40:46,319

you know you kind of figure it out like

1014

00:40:51,349 --> 00:40:49,440

there's a huge catastrophe

1015

00:40:53,430 --> 00:40:51,359

i mean there's a lot of people that like

1016

00:40:56,150 --> 00:40:53,440

don't make it right but you like have

1017

00:40:58,470 --> 00:40:56,160

this technology and this knowledge um

1018

00:41:02,950 --> 00:41:00,870

maybe you find this hole right or like

1019

00:41:04,069 --> 00:41:02,960

maybe maybe you figure out how to make

1020

00:41:06,470 --> 00:41:04,079

this whole

1021

00:41:08,230 --> 00:41:06,480

maybe that's what a time machine is we

1022

00:41:10,230 --> 00:41:08,240

don't know right a time machine has

1023

00:41:12,630 --> 00:41:10,240

never been built so like what if it just

1024

00:41:14,630 --> 00:41:12,640

so happens to have to be like a hole in

1025

00:41:16,630 --> 00:41:14,640

the ground like that's a crazy thought

1026  
00:41:18,710 --> 00:41:16,640  
but like what if like you messed up so

1027  
00:41:20,710 --> 00:41:18,720  
bad and then you finally figured it out

1028  
00:41:22,870 --> 00:41:20,720  
that you're able to use this hole and

1029  
00:41:26,710 --> 00:41:22,880  
you decided that you and your small

1030  
00:41:28,950 --> 00:41:26,720  
population would go back maybe like

1031  
00:41:31,750 --> 00:41:28,960  
at the beginning of civilization or like

1032  
00:41:32,550 --> 00:41:31,760  
before humans existed and like do cool

1033  
00:41:33,829 --> 00:41:32,560  
[h\_\_\h]

1034  
00:41:35,349 --> 00:41:33,839  
yeah and then you would come back

1035  
00:41:37,750 --> 00:41:35,359  
through this hole where only you knew

1036  
00:41:39,990 --> 00:41:37,760  
where it was to update and see if you

1037  
00:41:41,190 --> 00:41:40,000  
can save your own future

1038  
00:41:42,550 --> 00:41:41,200

you know

1039

00:41:45,349 --> 00:41:42,560

like so

1040

00:41:47,030 --> 00:41:45,359

so so the first thing is is that

1041

00:41:49,589 --> 00:41:47,040

towards the end you start to realize

1042

00:41:52,550 --> 00:41:49,599

that it's this substance it's this

1043

00:41:54,710 --> 00:41:52,560

mineral that that that allows you to

1044

00:41:57,109 --> 00:41:54,720

either have visions of the future or

1045

00:41:58,630 --> 00:41:57,119

past or no it's just of

1046

00:42:01,030 --> 00:41:58,640

the future

1047

00:42:02,950 --> 00:42:01,040

uh so it's this mineral so it occurs

1048

00:42:03,990 --> 00:42:02,960

naturally so nobody made it this whole

1049

00:42:04,950 --> 00:42:04,000

just didn't

1050

00:42:06,950 --> 00:42:04,960

appear

1051  
00:42:09,510 --> 00:42:06,960  
off of somebody's will it just happened

1052  
00:42:10,390 --> 00:42:09,520  
based on a mineral in the earth

1053  
00:42:11,990 --> 00:42:10,400  
right

1054  
00:42:14,309 --> 00:42:12,000  
yeah

1055  
00:42:16,790 --> 00:42:14,319  
so dude but i love that idea of like

1056  
00:42:18,550 --> 00:42:16,800  
uh being able to to use these holes and

1057  
00:42:21,190 --> 00:42:18,560  
like figure out little deposits almost

1058  
00:42:23,750 --> 00:42:21,200  
like like a natural resource like oil

1059  
00:42:26,790 --> 00:42:23,760  
well you may be like maybe this mineral

1060  
00:42:28,870 --> 00:42:26,800  
came from uh another planet maybe this

1061  
00:42:30,390 --> 00:42:28,880  
another planet has this mineral and you

1062  
00:42:32,710 --> 00:42:30,400  
bring it with you

1063  
00:42:35,270 --> 00:42:32,720

and you're maybe able to like make more

1064

00:42:37,349 --> 00:42:35,280

of it somehow because you you know it's

1065

00:42:39,430 --> 00:42:37,359

it's inside that rock

1066

00:42:41,510 --> 00:42:39,440

you know yes so

1067

00:42:43,190 --> 00:42:41,520

i don't know well he breaks open that

1068

00:42:44,470 --> 00:42:43,200

rock and then that mineral minerals

1069

00:42:46,390 --> 00:42:44,480

inside of it

1070

00:42:48,710 --> 00:42:46,400

remember the necklace yeah he like

1071

00:42:50,069 --> 00:42:48,720

breaks it open and then homeboy

1072

00:42:51,910 --> 00:42:50,079

uh

1073

00:42:53,190 --> 00:42:51,920

let's see i've got a photo of him

1074

00:42:55,109 --> 00:42:53,200

this dude

1075

00:42:58,390 --> 00:42:55,119

breaks it open and snorts it

1076  
00:43:00,069 --> 00:42:58,400  
that guy cracked me up like a champion

1077  
00:43:03,349 --> 00:43:00,079  
he's hilarious

1078  
00:43:05,750 --> 00:43:03,359  
he would just sing he was a singing fool

1079  
00:43:07,910 --> 00:43:05,760  
i and it was like it was like it was

1080  
00:43:10,470 --> 00:43:07,920  
funny because like it was so

1081  
00:43:12,550 --> 00:43:10,480  
inappropriate like it wasn't even bad

1082  
00:43:15,589 --> 00:43:12,560  
singing it was just at the most

1083  
00:43:18,230 --> 00:43:15,599  
inappropriate times yeah like this fool

1084  
00:43:21,190 --> 00:43:18,240  
has kind of a good voice but it's so

1085  
00:43:23,910 --> 00:43:21,200  
inappropriate that it's like making me

1086  
00:43:26,870 --> 00:43:23,920  
laugh like it's hilarious you know

1087  
00:43:28,790 --> 00:43:26,880  
yes oh yeah dude i'm so glad that you

1088  
00:43:30,309 --> 00:43:28,800

said that because like it's not that

1089

00:43:31,910 --> 00:43:30,319

he's a bad singer because yeah he's

1090

00:43:33,910 --> 00:43:31,920

actually a good singer the the actor

1091

00:43:35,190 --> 00:43:33,920

himself he's he plays in shit's creek i

1092

00:43:37,270 --> 00:43:35,200

believe

1093

00:43:39,270 --> 00:43:37,280

he's a [h\_\_h] great singer i think he

1094

00:43:40,550 --> 00:43:39,280

was actually playing it down in this in

1095

00:43:42,870 --> 00:43:40,560

this show

1096

00:43:44,630 --> 00:43:42,880

but uh he uh

1097

00:43:46,390 --> 00:43:44,640

oh god i hope i'm right i'm looking

1098

00:43:48,630 --> 00:43:46,400

through the the the

1099

00:43:50,710 --> 00:43:48,640

the casting on on shit's creek but i

1100

00:43:53,349 --> 00:43:50,720

think he's in shit's creek

1101  
00:43:55,270 --> 00:43:53,359  
anyway yeah the singing just made it

1102  
00:43:57,030 --> 00:43:55,280  
even more like like a character

1103  
00:43:59,270 --> 00:43:57,040  
development thing like it's not that

1104  
00:44:00,950 --> 00:43:59,280  
he's like bad but like the timing of the

1105  
00:44:03,109 --> 00:44:00,960  
thing yeah

1106  
00:44:05,109 --> 00:44:03,119  
like it's just there's something wrong

1107  
00:44:08,069 --> 00:44:05,119  
with this family like that first scene

1108  
00:44:11,109 --> 00:44:08,079  
where royal goes and and confronts the

1109  
00:44:12,470 --> 00:44:11,119  
tillerson's like hey

1110  
00:44:17,910 --> 00:44:12,480  
uh

1111  
00:44:20,069 --> 00:44:17,920  
avatar on netflix when they were handing

1112  
00:44:21,349 --> 00:44:20,079  
out them dvds and i'm supposed to return

1113  
00:44:23,670 --> 00:44:21,359

them in

1114

00:44:28,069 --> 00:44:23,680

in a timely manner and i'm going to need

1115

00:44:29,349 --> 00:44:28,079

that avatar disc season 2 disc 3 back

1116

00:44:31,589 --> 00:44:29,359

and then he's just singing in the

1117

00:44:32,950 --> 00:44:31,599

background

1118

00:44:35,030 --> 00:44:32,960

he's there for a different reason but

1119

00:44:36,550 --> 00:44:35,040

like

1120

00:44:37,990 --> 00:44:36,560

i i didn't really know what to think

1121

00:44:40,390 --> 00:44:38,000

about that i think i just thought the

1122

00:44:42,390 --> 00:44:40,400

sun was crazy and then they

1123

00:44:45,109 --> 00:44:42,400

well not crazy what just

1124

00:44:46,790 --> 00:44:45,119

interesting and then the the dad

1125

00:44:48,870 --> 00:44:46,800

dude i was not expecting that because

1126

00:44:50,550 --> 00:44:48,880

they kind of built it up as the dad is

1127

00:44:52,470 --> 00:44:50,560

is like this kind of

1128

00:44:54,630 --> 00:44:52,480

kind of dick like kind of an [h\_\_h]

1129

00:44:56,309 --> 00:44:54,640

businessman yeah

1130

00:44:58,150 --> 00:44:56,319

it was weird dude he played that

1131

00:45:00,470 --> 00:44:58,160

character so good like because he was it

1132

00:45:02,309 --> 00:45:00,480

was strange how like child like that

1133

00:45:04,950 --> 00:45:02,319

fool was too

1134

00:45:06,550 --> 00:45:04,960

he was almost like a little kid you know

1135

00:45:09,910 --> 00:45:06,560

a fool that was singing

1136

00:45:12,069 --> 00:45:09,920

oh oh this oh this other guy yeah yeah

1137

00:45:13,670 --> 00:45:12,079

he played like a he was like

1138

00:45:15,109 --> 00:45:13,680

i don't know his mannerisms were just

1139

00:45:17,510 --> 00:45:15,119

like a little like

1140

00:45:19,589 --> 00:45:17,520

he was like an undeveloped child almost

1141

00:45:21,109 --> 00:45:19,599

you know like he just

1142

00:45:24,470 --> 00:45:21,119

like maybe he was like

1143

00:45:27,670 --> 00:45:24,480

six or seven stuck in that that age

1144

00:45:30,230 --> 00:45:27,680

range in his head maybe it was weird

1145

00:45:31,190 --> 00:45:30,240

for sure he played that character pretty

1146

00:45:32,950 --> 00:45:31,200

good

1147

00:45:34,150 --> 00:45:32,960

i think i think you see that a lot i

1148

00:45:36,069 --> 00:45:34,160

mean i

1149

00:45:36,950 --> 00:45:36,079

i've definitely met some dudes that that

1150

00:45:40,870 --> 00:45:36,960

that

1151

00:45:42,870 --> 00:45:40,880

uh you know i don't i don't know them

1152

00:45:44,550 --> 00:45:42,880

personally but like

1153

00:45:47,030 --> 00:45:44,560

uh that

1154

00:45:48,390 --> 00:45:47,040

came from money and they only know one

1155

00:45:49,750 --> 00:45:48,400

way of living life and they're kind of

1156

00:45:50,870 --> 00:45:49,760

stuck in that like

1157

00:45:52,470 --> 00:45:50,880

early

1158

00:45:53,990 --> 00:45:52,480

and this is just acquaintances i don't

1159

00:45:55,910 --> 00:45:54,000

know these people yeah like i've

1160

00:45:57,430 --> 00:45:55,920

definitely seen the type before you know

1161

00:45:59,990 --> 00:45:57,440

in austin yeah there's a lot of money in

1162

00:46:01,190 --> 00:46:00,000

austin and stuff you know but like i

1163

00:46:03,190 --> 00:46:01,200

feel like

1164

00:46:04,950 --> 00:46:03,200

this family coming from money it feels

1165

00:46:06,470 --> 00:46:04,960

like the tillersons are what more well

1166

00:46:08,710 --> 00:46:06,480

off than than

1167

00:46:10,069 --> 00:46:08,720

the uh the uh the

1168

00:46:12,470 --> 00:46:10,079

abbotts

1169

00:46:13,430 --> 00:46:12,480

and and that's that's that character but

1170

00:46:15,349 --> 00:46:13,440

like

1171

00:46:17,589 --> 00:46:15,359

maybe it's a little bit of that and a

1172

00:46:19,349 --> 00:46:17,599

little bit of maybe your dad's just been

1173

00:46:22,309 --> 00:46:19,359

chasing this

1174

00:46:25,430 --> 00:46:22,319

this uh this dream this this crazy thing

1175

00:46:27,829 --> 00:46:25,440

that happened to him as a kid enzo says

1176

00:46:30,309 --> 00:46:27,839

enzo said funeral karaoke will never

1177

00:46:32,870 --> 00:46:30,319

catch on

1178

00:46:35,589 --> 00:46:32,880

remember he sings at the funeral

1179

00:46:40,790 --> 00:46:38,470

he's like getting into it and [\h\_\_\h] yes

1180

00:46:45,030 --> 00:46:40,800

oh dude

1181

00:46:52,230 --> 00:46:47,030

uh

1182

00:46:54,870 --> 00:46:52,240

element 115. that's a great point could

1183

00:46:56,069 --> 00:46:54,880

be thought about that too

1184

00:46:59,510 --> 00:46:56,079

could

1185

00:47:00,950 --> 00:46:59,520

elephant 115 dude

1186

00:47:02,390 --> 00:47:00,960

oh [\h\_\_\h]

1187

00:47:03,670 --> 00:47:02,400

uh

1188

00:47:04,790 --> 00:47:03,680

dude yeah

1189

00:47:07,510 --> 00:47:04,800

uh

1190

00:47:09,910 --> 00:47:07,520

what fascinate like dude like what

1191

00:47:11,349 --> 00:47:09,920

what was crazy about this show is like

1192

00:47:14,550 --> 00:47:11,359

it it

1193

00:47:18,230 --> 00:47:14,560

it kept you going like until the last

1194

00:47:21,270 --> 00:47:18,240

episode like it all just came together

1195

00:47:22,710 --> 00:47:21,280

like it all at once you know you start

1196

00:47:24,390 --> 00:47:22,720

like all the puzzle pieces and

1197

00:47:27,349 --> 00:47:24,400

everything like all at once you were

1198

00:47:28,390 --> 00:47:27,359

like yes oh my god

1199

00:47:30,069 --> 00:47:28,400

well

1200

00:47:30,950 --> 00:47:30,079

like the last episode and a half you

1201  
00:47:33,190 --> 00:47:30,960  
were like

1202  
00:47:35,349 --> 00:47:33,200  
wait like it's it's like as soon as you

1203  
00:47:37,349 --> 00:47:35,359  
start putting the puzzle pieces together

1204  
00:47:38,630 --> 00:47:37,359  
oh it's the last we got two minutes left

1205  
00:47:39,829 --> 00:47:38,640  
of the episode are you [h\_\_h] kidding

1206  
00:47:40,549 --> 00:47:39,839  
me

1207  
00:47:43,589 --> 00:47:40,559  
yeah

1208  
00:47:44,470 --> 00:47:43,599  
like the uh the disappearance of rebecca

1209  
00:47:48,230 --> 00:47:44,480  
the

1210  
00:47:49,990 --> 00:47:48,240  
uh where did uh autumn come from

1211  
00:47:52,390 --> 00:47:50,000  
where you know like what's the

1212  
00:47:54,390 --> 00:47:52,400  
significance of the symbol

1213  
00:47:56,390 --> 00:47:54,400

uh yeah and i couldn't find any photos

1214

00:47:59,109 --> 00:47:56,400

online of of the this symbol on the

1215

00:47:59,910 --> 00:47:59,119

rocks which is like kind of sideways

1216

00:48:01,829 --> 00:47:59,920

uh

1217

00:48:05,270 --> 00:48:01,839

yeah all of those questions are answered

1218

00:48:09,430 --> 00:48:05,280

in like the final like 10 minutes

1219

00:48:11,829 --> 00:48:09,440

my favorite uh scene in the last

1220

00:48:14,150 --> 00:48:11,839

episode last two episodes

1221

00:48:15,190 --> 00:48:14,160

is when the sheriff the native american

1222

00:48:19,030 --> 00:48:15,200

sheriff

1223

00:48:20,630 --> 00:48:19,040

goes finally goes out to the crazy dude

1224

00:48:22,549 --> 00:48:20,640

dude's house and finally because he's

1225

00:48:24,069 --> 00:48:22,559

been telling her about the hey you

1226

00:48:25,589 --> 00:48:24,079

really should check out my property you

1227

00:48:27,910 --> 00:48:25,599

know lots of people have been talking

1228

00:48:30,549 --> 00:48:27,920

about the mammoths

1229

00:48:32,790 --> 00:48:30,559

the mammoths uh out there just come on

1230

00:48:34,549 --> 00:48:32,800

just check it out he has like a pet

1231

00:48:36,309 --> 00:48:34,559

a pet crow

1232

00:48:38,630 --> 00:48:36,319

and everything like she finally goes out

1233

00:48:40,549 --> 00:48:38,640

there and then she

1234

00:48:42,150 --> 00:48:40,559

i mean correct me if i'm wrong but she

1235

00:48:44,630 --> 00:48:42,160

walks she doesn't walk through a tunnel

1236

00:48:47,510 --> 00:48:44,640

or hole or anything no she just walks up

1237

00:48:51,109 --> 00:48:47,520

like to like this little cliff area yeah

1238

00:48:53,829 --> 00:48:51,119

and then what she sees is just miles of

1239

00:48:56,630 --> 00:48:53,839

open land with with native americans

1240

00:48:59,270 --> 00:48:56,640

with teepees and like wild buffalo which

1241

00:49:01,430 --> 00:48:59,280

haven't been seen for hundreds hundreds

1242

00:49:02,790 --> 00:49:01,440

of years

1243

00:49:05,270 --> 00:49:02,800

i love that scene that was my favorite

1244

00:49:06,390 --> 00:49:05,280

scene yeah yeah that was that was a cool

1245

00:49:09,349 --> 00:49:06,400

one

1246

00:49:11,270 --> 00:49:09,359

the characters were all really good they

1247

00:49:13,109 --> 00:49:11,280

were all really good

1248

00:49:16,950 --> 00:49:13,119

yeah and you know it's crazy because

1249

00:49:22,390 --> 00:49:19,670

i mean yeah spoiler alert all right go

1250

00:49:24,549 --> 00:49:22,400

watch it but like i feel like it's funny

1251

00:49:26,150 --> 00:49:24,559

how like when you finish it you're like

1252

00:49:27,990 --> 00:49:26,160

so the tillerson's

1253

00:49:30,069 --> 00:49:28,000

really had nothing to do with this

1254

00:49:32,150 --> 00:49:30,079

entire thing like they just weren't

1255

00:49:33,990 --> 00:49:32,160

important to the story at all they were

1256

00:49:36,150 --> 00:49:34,000

they were like them like one of the main

1257

00:49:38,230 --> 00:49:36,160

pieces to the whole thing and then when

1258

00:49:39,990 --> 00:49:38,240

you get to the end you're like wow they

1259

00:49:41,829 --> 00:49:40,000

really weren't important to the story

1260

00:49:43,990 --> 00:49:41,839

they don't need to be there at all they

1261

00:49:44,870 --> 00:49:44,000

didn't have to even be there that was so

1262

00:49:45,670 --> 00:49:44,880

good

1263

00:49:47,430 --> 00:49:45,680

yeah

1264

00:49:49,670 --> 00:49:47,440

the way they were able to do that where

1265

00:49:50,549 --> 00:49:49,680

you think that this like conflict is

1266

00:49:52,069 --> 00:49:50,559

like

1267

00:49:53,910 --> 00:49:52,079

damn that's what this show is about

1268

00:49:56,790 --> 00:49:53,920

right and then you get to end and you're

1269

00:49:58,870 --> 00:49:56,800

like they were just filler the entire

1270

00:50:01,829 --> 00:49:58,880

time they were exposition and they were

1271

00:50:04,309 --> 00:50:01,839

they were they uh they were a a uh a

1272

00:50:06,150 --> 00:50:04,319

mountain in in a story where you put a

1273

00:50:08,790 --> 00:50:06,160

mountain in the middle of your hero and

1274

00:50:09,510 --> 00:50:08,800

your destination yeah it was the murder

1275

00:50:12,150 --> 00:50:09,520

at the

1276

00:50:13,030 --> 00:50:12,160

first episode like they made it about

1277

00:50:17,430 --> 00:50:13,040

that

1278

00:50:19,670 --> 00:50:17,440

making me think like [\h\_\_\h] just what

1279

00:50:24,230 --> 00:50:19,680

great storytelling it was because

1280

00:50:25,030 --> 00:50:24,240

they made this misdirection and and uh

1281

00:50:27,030 --> 00:50:25,040

uh

1282

00:50:28,630 --> 00:50:27,040

realization or or

1283

00:50:30,069 --> 00:50:28,640

call out to

1284

00:50:31,510 --> 00:50:30,079

our human

1285

00:50:33,990 --> 00:50:31,520

problems

1286

00:50:36,230 --> 00:50:34,000

only exist

1287

00:50:38,710 --> 00:50:36,240

with our in our culture i mean yes

1288

00:50:40,390 --> 00:50:38,720

murder is bad yes

1289

00:50:42,710 --> 00:50:40,400

and and yes

1290

00:50:44,390 --> 00:50:42,720

sure don't kill people but like it's

1291

00:50:46,549 --> 00:50:44,400

just it's kind of a call out like hey

1292

00:50:49,270 --> 00:50:46,559

here's this thing going on that only you

1293

00:50:51,030 --> 00:50:49,280

guys are dealing with meanwhile there's

1294

00:50:55,030 --> 00:50:51,040

some

1295

00:50:57,349 --> 00:50:55,040

time altering element uh yeah ripping

1296

00:51:01,190 --> 00:50:57,359

the fabric of space and time that's also

1297

00:51:05,109 --> 00:51:02,950

yeah the interesting stuff is always the

1298

00:51:06,790 --> 00:51:05,119

quiet stuff right oh

1299

00:51:08,710 --> 00:51:06,800

yeah

1300

00:51:10,950 --> 00:51:08,720

uh so okay so what do you what did you

1301  
00:51:13,349 --> 00:51:10,960  
think about the native american um uh

1302  
00:51:15,589 --> 00:51:13,359  
connection with with like the the cave

1303  
00:51:16,950 --> 00:51:15,599  
paintings or the the rock paintings did

1304  
00:51:18,710 --> 00:51:16,960  
it make you think of anything else like

1305  
00:51:20,069 --> 00:51:18,720  
these these this is not from the show

1306  
00:51:25,270 --> 00:51:20,079  
this is just like yeah

1307  
00:51:25,280 --> 00:51:30,390  
it was also um

1308  
00:51:33,750 --> 00:51:32,950  
it also wasn't important to the story at

1309  
00:51:34,470 --> 00:51:33,760  
all

1310  
00:51:38,630 --> 00:51:34,480  
but

1311  
00:51:40,549 --> 00:51:38,640  
it does it did play a a part in like oh

1312  
00:51:52,950 --> 00:51:40,559  
like

1313  
00:51:55,270 --> 00:51:52,960

americans probably got all of their

1314

00:51:57,270 --> 00:51:55,280

information and like their wise men and

1315

00:51:59,670 --> 00:51:57,280

stuff like their medicine men you know

1316

00:52:01,750 --> 00:51:59,680

like you know maybe they had access to

1317

00:52:03,990 --> 00:52:01,760

this too and like they knew

1318

00:52:06,150 --> 00:52:04,000

things about the past in the future and

1319

00:52:08,309 --> 00:52:06,160

like maybe you know it wasn't all just

1320

00:52:11,349 --> 00:52:08,319

smoking peyote maybe the elders

1321

00:52:12,230 --> 00:52:11,359

experienced this or something you know

1322

00:52:13,349 --> 00:52:12,240

you know

1323

00:52:15,910 --> 00:52:13,359

maybe it has something to do with that

1324

00:52:16,710 --> 00:52:15,920

with the wisdom of the elders

1325

00:52:20,230 --> 00:52:16,720

um

1326

00:52:23,030 --> 00:52:20,240

and because you look at royal right and

1327

00:52:24,390 --> 00:52:23,040

he's very quiet he's very wise he's very

1328

00:52:28,309 --> 00:52:24,400

calculated

1329

00:52:31,270 --> 00:52:28,319

um and he's not uh

1330

00:52:32,470 --> 00:52:31,280

he's not a very flamboyant character

1331

00:52:34,870 --> 00:52:32,480

yeah you know

1332

00:52:36,630 --> 00:52:34,880

he's very contained

1333

00:52:38,549 --> 00:52:36,640

i don't know like he lets it loose a

1334

00:52:39,589 --> 00:52:38,559

couple times he does

1335

00:52:43,190 --> 00:52:39,599

he does

1336

00:52:45,990 --> 00:52:43,200

um he he uh he reminds me of just like

1337

00:52:48,710 --> 00:52:46,000

good old texas boys dude i mean we both

1338

00:52:49,910 --> 00:52:48,720

grew up with with the the type the royal

1339

00:52:52,870 --> 00:52:49,920

type you know

1340

00:52:54,710 --> 00:52:52,880

yeah if if not you know our own dads but

1341

00:52:58,790 --> 00:52:54,720

like our dad's friends and stuff like i

1342

00:53:00,630 --> 00:52:58,800

know that guy it's so relatable yeah 100

1343

00:53:02,549 --> 00:53:00,640

it keeps it all inside and you protect

1344

00:53:04,630 --> 00:53:02,559

the family at all costs and then just

1345

00:53:09,109 --> 00:53:04,640

[h\_\_h] blows up one day you know or

1346

00:53:11,349 --> 00:53:09,119

whatever and you're like holy [h\_\_h]

1347

00:53:13,270 --> 00:53:11,359

or you see him like punch a horse in the

1348

00:53:17,349 --> 00:53:13,280

face and knock it down you're like god

1349

00:53:19,990 --> 00:53:18,150

you know

1350

00:53:23,430 --> 00:53:20,000

[h\_\_h] dude

1351

00:53:25,910 --> 00:53:23,440

it's a plan it's it's crazy like how

1352

00:53:27,589 --> 00:53:25,920

relatable the show is to to a lot of

1353

00:53:30,470 --> 00:53:27,599

things and how just

1354

00:53:32,630 --> 00:53:30,480

uh out there it is too

1355

00:53:35,510 --> 00:53:32,640

with with like

1356

00:53:36,790 --> 00:53:35,520

uh not only like the paranormal stuff

1357

00:53:40,390 --> 00:53:36,800

but uh

1358

00:53:43,589 --> 00:53:40,400

the the time traveling stuff and then

1359

00:53:44,950 --> 00:53:43,599

uh like the relationship aspect of of

1360

00:53:48,750 --> 00:53:44,960

everything like they they made

1361

00:53:52,309 --> 00:53:48,760

everything work like the romanticist the

1362

00:53:54,390 --> 00:53:52,319

romanticization of of autumn and

1363

00:53:57,349 --> 00:53:54,400

and uh young buck

1364

00:53:59,589 --> 00:53:57,359

uh like they made that believable

1365

00:54:00,630 --> 00:53:59,599

and then it was like okay we already

1366

00:54:02,950 --> 00:54:00,640

kind of knew

1367

00:54:06,150 --> 00:54:02,960

knew that tillerson boy was a little

1368

00:54:07,750 --> 00:54:06,160

crazy and then autumn comes in

1369

00:54:09,190 --> 00:54:07,760

well she came in first she we already

1370

00:54:11,750 --> 00:54:09,200

kind of knew she was crazy and knew some

1371

00:54:13,910 --> 00:54:11,760

[h\_\_h] she shouldn't know

1372

00:54:15,750 --> 00:54:13,920

but they they they made all the

1373

00:54:19,030 --> 00:54:15,760

relationship

1374

00:54:21,030 --> 00:54:19,040

were believable

1375

00:54:25,190 --> 00:54:21,040

yeah it's just crazy like if you take

1376

00:54:27,430 --> 00:54:25,200

this this uh story or this this premise

1377

00:54:29,670 --> 00:54:27,440

and put it to some writers like okay now

1378

00:54:31,990 --> 00:54:29,680

make it relatable

1379

00:54:34,069 --> 00:54:32,000

that's hard to do

1380

00:54:36,870 --> 00:54:34,079

you know it did a good job you know it's

1381

00:54:38,549 --> 00:54:36,880

crazy because like the whole time that

1382

00:54:41,589 --> 00:54:38,559

autumn chick is like

1383

00:54:43,990 --> 00:54:41,599

i don't know why i'm here but i know

1384

00:54:47,030 --> 00:54:44,000

like i have a connection for some reason

1385

00:54:48,309 --> 00:54:47,040

to this place you know and then like

1386

00:54:49,349 --> 00:54:48,319

and then you know like when the little

1387

00:54:51,349 --> 00:54:49,359

girl

1388

00:54:52,950 --> 00:54:51,359

and uh

1389

00:54:55,030 --> 00:54:52,960

i think her dad are riding in the truck

1390

00:54:57,270 --> 00:54:55,040

and she's like which we find out that is

1391

00:54:59,750 --> 00:54:57,280

her you're like what's she's like what's

1392

00:55:01,349 --> 00:54:59,760

going on and he's like and he's like uh

1393

00:55:02,630 --> 00:55:01,359

you know or like how come nobody will

1394

00:55:04,150 --> 00:55:02,640

tell me the truth around here he's like

1395

00:55:07,270 --> 00:55:04,160

well sometimes you don't

1396

00:55:08,470 --> 00:55:07,280

tell people you know that you love the

1397

00:55:10,630 --> 00:55:08,480

truth because you don't want to hurt

1398

00:55:13,589 --> 00:55:10,640

them she's like well not telling them

1399

00:55:15,270 --> 00:55:13,599

the truth also hurts them too so like

1400

00:55:18,230 --> 00:55:15,280

she didn't know what was going on the

1401  
00:55:19,670 --> 00:55:18,240  
whole time right and then autumn shows

1402  
00:55:21,990 --> 00:55:19,680  
up and she's like

1403  
00:55:24,309 --> 00:55:22,000  
i don't know why i'm attracted to this

1404  
00:55:26,150 --> 00:55:24,319  
place it's like she never found out what

1405  
00:55:28,309 --> 00:55:26,160  
the hell is going on

1406  
00:55:30,230 --> 00:55:28,319  
oh whoa okay

1407  
00:55:33,510 --> 00:55:30,240  
okay so

1408  
00:55:36,789 --> 00:55:33,520  
i thought the whole time that she knew

1409  
00:55:39,030 --> 00:55:36,799  
no she didn't know no

1410  
00:55:41,990 --> 00:55:39,040  
she doesn't know oh cause right she said

1411  
00:55:43,430 --> 00:55:42,000  
i can't remember anything past uh before

1412  
00:55:45,430 --> 00:55:43,440  
the age of nine

1413  
00:55:46,829 --> 00:55:45,440

right and that's

1414

00:55:48,710 --> 00:55:46,839

yeah

1415

00:55:51,510 --> 00:55:48,720

[h\_\_\h] cool

1416

00:55:53,109 --> 00:55:51,520

and then you wonder okay so now autumn

1417

00:55:56,789 --> 00:55:53,119

is here she doesn't know what's going on

1418

00:55:58,870 --> 00:55:56,799

she doesn't remember anything um

1419

00:56:00,789 --> 00:55:58,880

before the age of nine or whatever and

1420

00:56:03,109 --> 00:56:00,799

then you see her mom show up and say

1421

00:56:05,109 --> 00:56:03,119

like i've been running we're in trouble

1422

00:56:06,870 --> 00:56:05,119

and i need you to come with me

1423

00:56:08,069 --> 00:56:06,880

and then she's gone

1424

00:56:09,750 --> 00:56:08,079

and then you're like what the [h\_\_\h]

1425

00:56:11,829 --> 00:56:09,760

happened to her but then if you're using

1426

00:56:13,510 --> 00:56:11,839

contact clues and now she shows up she's

1427

00:56:15,829 --> 00:56:13,520

like i don't know what happened

1428

00:56:16,950 --> 00:56:15,839

after you know

1429

00:56:19,990 --> 00:56:16,960

nine

1430

00:56:22,870 --> 00:56:20,000

dude okay so

1431

00:56:24,950 --> 00:56:22,880

my plot hole in this whole thing was was

1432

00:56:27,030 --> 00:56:24,960

was a theory about it has to do with a

1433

00:56:27,990 --> 00:56:27,040

theory about time travel where like any

1434

00:56:30,950 --> 00:56:28,000

time you

1435

00:56:33,109 --> 00:56:30,960

travel to a different time quote-unquote

1436

00:56:37,510 --> 00:56:33,119

time you're actually traveling traveling

1437

00:56:45,349 --> 00:56:40,069

a different timeline a timeline thank

1438

00:56:47,829 --> 00:56:45,359

you joe covet brain uh so like two

1439

00:56:49,750 --> 00:56:47,839

consciousnesses and bodies can't exist

1440

00:56:51,109 --> 00:56:49,760

in the same timeline that's the rule of

1441

00:56:53,910 --> 00:56:51,119

this this theory

1442

00:56:55,670 --> 00:56:53,920

so in this theory well yours

1443

00:56:56,470 --> 00:56:55,680

what this show is presenting what you

1444

00:56:59,030 --> 00:56:56,480

just

1445

00:57:01,270 --> 00:56:59,040

made clear to me is that she is also

1446

00:57:04,789 --> 00:57:01,280

like her consciousness and body is

1447

00:57:07,670 --> 00:57:04,799

existing in the same time line

1448

00:57:10,069 --> 00:57:07,680

as her previous self so

1449

00:57:12,870 --> 00:57:10,079

instead of creating a paradox it's like

1450

00:57:15,349 --> 00:57:12,880

somehow existing at the same time yeah

1451  
00:57:17,829 --> 00:57:15,359  
so she doesn't know that she met herself

1452  
00:57:19,670 --> 00:57:17,839  
as a younger child and the younger child

1453  
00:57:21,910 --> 00:57:19,680  
doesn't realize that that's her as an

1454  
00:57:23,670 --> 00:57:21,920  
adult

1455  
00:57:25,190 --> 00:57:23,680  
see because that that's the explanation

1456  
00:57:26,549 --> 00:57:25,200  
of the paradox where like well if you

1457  
00:57:28,470 --> 00:57:26,559  
met yourself when you're young you would

1458  
00:57:30,710 --> 00:57:28,480  
remember it well that just describes

1459  
00:57:32,470 --> 00:57:30,720  
that yes you were in now

1460  
00:57:34,789 --> 00:57:32,480  
you're in a different timeline that's

1461  
00:57:36,390 --> 00:57:34,799  
why you don't remember it but this is

1462  
00:57:38,069 --> 00:57:36,400  
this is negating that fact it's like

1463  
00:57:40,309 --> 00:57:38,079

saying that yes you can exist in the

1464

00:57:41,829 --> 00:57:40,319

same timeline and not remember it and we

1465

00:57:43,750 --> 00:57:41,839

don't know if something happened to her

1466

00:57:46,069 --> 00:57:43,760

after her mom took her right so she may

1467

00:57:48,230 --> 00:57:46,079

have been kidnapped and like something

1468

00:57:50,630 --> 00:57:48,240

happened to where like she had her

1469

00:57:54,230 --> 00:57:50,640

yeah brainwashed or something and now

1470

00:57:55,829 --> 00:57:54,240

she shows up or like escapes or set free

1471

00:57:57,670 --> 00:57:55,839

so that's why i'm excited for the second

1472

00:57:58,950 --> 00:57:57,680

season dude because like we gotta figure

1473

00:58:01,430 --> 00:57:58,960

out like was she part of some like

1474

00:58:03,190 --> 00:58:01,440

secret program now does somebody know

1475

00:58:04,470 --> 00:58:03,200

what the [h\_\_\h] this is and like we're

1476

00:58:06,309 --> 00:58:04,480

gonna find out that the umbrella

1477

00:58:08,789 --> 00:58:06,319

corporation is behind this the whole

1478

00:58:10,470 --> 00:58:08,799

time we just didn't even know it's tffa

1479

00:58:13,270 --> 00:58:10,480

dude that's who's behind it

1480

00:58:15,829 --> 00:58:13,280

well then you look at the uh uh the that

1481

00:58:18,150 --> 00:58:15,839

was that company that royal calls and

1482

00:58:21,030 --> 00:58:18,160

she was the mineral company yep

1483

00:58:23,190 --> 00:58:21,040

also a triangle

1484

00:58:24,950 --> 00:58:23,200

the abbot's triangle the i couldn't find

1485

00:58:27,510 --> 00:58:24,960

a photo of it but the the native

1486

00:58:29,109 --> 00:58:27,520

american symbol symbology is basically

1487

00:58:33,990 --> 00:58:29,119

that on its side

1488

00:58:39,910 --> 00:58:36,470

it's not triangles just just saying

1489

00:58:41,270 --> 00:58:39,920

let's try triangles yeah dude

1490

00:58:47,990 --> 00:58:41,280

uh

1491

00:58:49,510 --> 00:58:48,000

about okay what were we talking about

1492

00:58:50,390 --> 00:58:49,520

time travel

1493

00:58:54,789 --> 00:58:50,400

and

1494

00:58:58,390 --> 00:58:54,799

existing the paradox yourself paradox

1495

00:59:00,069 --> 00:58:58,400

oh when royal goes into the hole okay

1496

00:59:01,750 --> 00:59:00,079

spoilers okay if you haven't seen it

1497

00:59:03,670 --> 00:59:01,760

just watch it you guys know you're here

1498

00:59:06,390 --> 00:59:03,680

anyway

1499

00:59:09,030 --> 00:59:06,400

homegirl and like episode 2

1500

00:59:10,870 --> 00:59:09,040

pushes or maybe his episode one pushes

1501  
00:59:11,750 --> 00:59:10,880  
royal into the hole

1502  
00:59:15,190 --> 00:59:11,760  
yeah

1503  
00:59:16,829 --> 00:59:15,200  
and she thinks he's gone but

1504  
00:59:19,990 --> 00:59:16,839  
he wakes

1505  
00:59:22,470 --> 00:59:20,000  
up like perfectly fine

1506  
00:59:25,670 --> 00:59:22,480  
on his property somewhere else on his

1507  
00:59:26,950 --> 00:59:25,680  
damn prop in his wrangler jeans no shirt

1508  
00:59:28,710 --> 00:59:26,960  
on

1509  
00:59:31,349 --> 00:59:28,720  
and walks into breakfast like nothing

1510  
00:59:33,270 --> 00:59:31,359  
happened when that happened dude and

1511  
00:59:35,910 --> 00:59:33,280  
then and the next episode started and

1512  
00:59:39,030 --> 00:59:35,920  
then i saw him wake up i was like oh

1513  
00:59:41,589 --> 00:59:39,040

oh there's a whole new can of worms

1514

00:59:43,910 --> 00:59:41,599

about to open up and they never found

1515

00:59:44,710 --> 00:59:43,920

that belt buckle

1516

00:59:49,430 --> 00:59:44,720

uh

1517

00:59:52,549 --> 00:59:49,440

because remember

1518

00:59:54,789 --> 00:59:52,559

the the blood his thumb print was on the

1519

00:59:57,750 --> 00:59:54,799

belt buckle and it had fallen off after

1520

00:59:59,510 --> 00:59:57,760

the fight okay and so not only does he

1521

01:00:01,910 --> 00:59:59,520

get rid of the body but then he throws

1522

01:00:04,470 --> 01:00:01,920

that belt buckle in separate

1523

01:00:06,950 --> 01:00:04,480

as evidence so they found the body but

1524

01:00:08,950 --> 01:00:06,960

they still haven't found the belt buckle

1525

01:00:10,630 --> 01:00:08,960

so i'm thinking in the second season i

1526

01:00:12,150 --> 01:00:10,640

bet they're gonna find that and they're

1527

01:00:15,270 --> 01:00:12,160

gonna run the prince and they're gonna

1528

01:00:16,789 --> 01:00:15,280

be like you're guilty to the guy who had

1529

01:00:18,390 --> 01:00:16,799

to the brother who had nothing to do

1530

01:00:20,630 --> 01:00:18,400

with it he just fought him he didn't

1531

01:00:23,510 --> 01:00:20,640

like kill him you know and then the one

1532

01:00:25,349 --> 01:00:23,520

that did kill him is is gone

1533

01:00:26,870 --> 01:00:25,359

now because he jumped in the hole so

1534

01:00:28,549 --> 01:00:26,880

they're gonna come for the brother that

1535

01:00:29,750 --> 01:00:28,559

didn't kill him i guarantee you dude

1536

01:00:32,710 --> 01:00:29,760

that's going to happen in the second

1537

01:00:34,950 --> 01:00:32,720

season so do you it's okay well let's

1538

01:00:36,870 --> 01:00:34,960

let's back up because dude there's more

1539

01:00:38,710 --> 01:00:36,880

other i've got more thoughts about that

1540

01:00:40,069 --> 01:00:38,720

because like

1541

01:00:43,030 --> 01:00:40,079

when royal

1542

01:00:44,870 --> 01:00:43,040

goes into the hole he wakes he he

1543

01:00:46,789 --> 01:00:44,880

comes out the other side

1544

01:00:50,390 --> 01:00:46,799

who knows how many years in the future i

1545

01:00:55,430 --> 01:00:50,400

don't know 2 3 10 15. no

1546

01:00:58,230 --> 01:00:55,440

no he went in in 18 in 1890 or 1889 and

1547

01:00:59,349 --> 01:00:58,240

he came out in 1987

1548

01:01:01,349 --> 01:00:59,359

earlier

1549

01:01:03,910 --> 01:01:01,359

1960

1550

01:01:07,190 --> 01:01:03,920

1980 something

1551

01:01:08,230 --> 01:01:07,200

he went in like 1880 and came out 1980

1552

01:01:09,430 --> 01:01:08,240

something

1553

01:01:10,870 --> 01:01:09,440

no

1554

01:01:12,870 --> 01:01:10,880

he's nine years old he came out in the

1555

01:01:15,430 --> 01:01:12,880

60s i remember that specifically because

1556

01:01:19,589 --> 01:01:15,440

he was he he went in because he grew up

1557

01:01:21,990 --> 01:01:19,599

in the 1800s and then he dropped in 1860

1558

01:01:23,910 --> 01:01:22,000

something because he checked the age

1559

01:01:24,710 --> 01:01:23,920

right like the age actually makes sense

1560

01:01:29,109 --> 01:01:24,720

for

1561

01:01:32,150 --> 01:01:29,119

but he was already like

1562

01:01:33,670 --> 01:01:32,160

10 when he came out of the hole yes so

1563

01:01:36,470 --> 01:01:33,680

that would make him you know he's like

1564

01:01:37,190 --> 01:01:36,480

like my dad's age she's like you know

1565

01:01:40,950 --> 01:01:37,200

so

1566

01:01:43,430 --> 01:01:40,960

like six likes you know early 70s

1567

01:01:45,109 --> 01:01:43,440

i don't know yeah maybe

1568

01:01:47,270 --> 01:01:45,119

you never can tell how old those guys

1569

01:01:48,870 --> 01:01:47,280

are you know they got leather skin

1570

01:01:51,430 --> 01:01:48,880

yeah and like they're just their hands

1571

01:01:53,430 --> 01:01:51,440

are like elephant feet

1572

01:01:55,750 --> 01:01:53,440

and like their mustaches are all worked

1573

01:01:58,230 --> 01:01:55,760

in and gray and look awesome every

1574

01:02:01,430 --> 01:01:58,240

finger's a thumb yeah every finger is a

1575

01:02:05,510 --> 01:02:03,670

yeah dude

1576

01:02:06,710 --> 01:02:05,520

so uh [h\_\_\h]

1577

01:02:08,309 --> 01:02:06,720

now i'm thinking about it i think he

1578

01:02:10,549 --> 01:02:08,319

might be right

1579

01:02:14,230 --> 01:02:10,559

and maybe he came out he said you came

1580

01:02:18,829 --> 01:02:17,430

but he he went to he he showed up at the

1581

01:02:21,910 --> 01:02:18,839

uh

1582

01:02:23,430 --> 01:02:21,920

the the ranch

1583

01:02:26,470 --> 01:02:23,440

as a kid

1584

01:02:28,710 --> 01:02:27,510

when he so

1585

01:02:29,589 --> 01:02:28,720

the 80s

1586

01:02:35,430 --> 01:02:29,599

80s

1587

01:02:37,910 --> 01:02:35,440

got a young buck like a 10 20s 50. so if

1588

01:02:39,270 --> 01:02:37,920

he was already 10 when he came out he'd

1589

01:02:42,309 --> 01:02:39,280

be 60

1590

01:02:46,109 --> 01:02:42,319

right now in today's time period so i

1591

01:02:49,750 --> 01:02:46,119

think he went in 18 98 and came out in

1592

01:02:51,910 --> 01:02:49,760

1983 i think is what he said

1593

01:02:54,069 --> 01:02:51,920

okay he'd be in his late 50s early 60s

1594

01:02:57,270 --> 01:02:54,079

right now but he showed up to the ranch

1595

01:03:00,069 --> 01:02:57,280

as a as a kiddo though right

1596

01:03:02,150 --> 01:03:00,079

he was already kind of so what

1597

01:03:05,109 --> 01:03:02,160

so that would mean that if all right all

1598

01:03:06,870 --> 01:03:05,119

right all right let's just get back

1599

01:03:08,870 --> 01:03:06,880

he showed up in the 80s and grew up

1600

01:03:10,470 --> 01:03:08,880

there now he's 60 and he still lives

1601

01:03:12,549 --> 01:03:10,480

there but we're saying that this

1602

01:03:14,789 --> 01:03:12,559

timeline is like current

1603

01:03:16,390 --> 01:03:14,799

yeah it's current timeline if he showed

1604

01:03:18,870 --> 01:03:16,400

up at 10 years old

1605

01:03:20,390 --> 01:03:18,880

in the 80s yeah

1606

01:03:23,510 --> 01:03:20,400

he would be

1607

01:03:26,470 --> 01:03:24,630

i guess

1608

01:03:28,230 --> 01:03:26,480

does he i don't think he looks 40 in the

1609

01:03:30,870 --> 01:03:28,240

film i don't think it looks 40 either

1610

01:03:33,270 --> 01:03:30,880

but like we said i think he showed up in

1611

01:03:35,430 --> 01:03:33,280

the 60s dude that's what i'm saying

1612

01:03:37,109 --> 01:03:35,440

maybe he did maybe he did all right i

1613

01:03:39,750 --> 01:03:37,119

don't know okay let's move on let's

1614

01:03:43,270 --> 01:03:39,760

romantics at this point it's romantic

1615

01:03:46,309 --> 01:03:45,270

we spent so much time trying to figure

1616

01:03:48,390 --> 01:03:46,319

that out

1617

01:03:50,710 --> 01:03:48,400

we were like counting and stuff dude

1618

01:03:53,109 --> 01:03:50,720

okay okay so

1619

01:03:55,829 --> 01:03:53,119

when he pops out the other whole uh the

1620

01:03:56,789 --> 01:03:55,839

whole he's like sometime in the future

1621

01:03:59,109 --> 01:03:56,799

yeah

1622

01:04:01,510 --> 01:03:59,119

and there's like military people all

1623

01:04:04,309 --> 01:04:01,520

around them with water guns and water

1624

01:04:07,349 --> 01:04:04,319

balloons ready to go there's a huge nerf

1625

01:04:08,549 --> 01:04:07,359

fight about to happen lots of nets lots

1626

01:04:09,990 --> 01:04:08,559

of just

1627

01:04:11,510 --> 01:04:10,000

everybody's having a good time it's a

1628

01:04:13,990 --> 01:04:11,520

birthday party they're filming an

1629

01:04:17,349 --> 01:04:14,000

episode of wild and crazy kids

1630

01:04:18,390 --> 01:04:17,359

like the gack is everywhere

1631

01:04:20,870 --> 01:04:18,400

where in the

1632

01:04:22,789 --> 01:04:20,880

where are they that's what i want

1633

01:04:25,109 --> 01:04:22,799

that's what i want to figure out is what

1634

01:04:27,990 --> 01:04:25,119

the hell timeline was that that he went

1635

01:04:33,670 --> 01:04:30,470

and what timeline was he in like when he

1636

01:04:36,390 --> 01:04:33,680

was a kid and then he came out right

1637

01:04:38,390 --> 01:04:36,400

yeah because that's why the other guy

1638

01:04:40,630 --> 01:04:38,400

was interested and wanted to take that

1639

01:04:41,910 --> 01:04:40,640

property was because he is the one that

1640

01:04:46,390 --> 01:04:41,920

saw

1641

01:04:49,190 --> 01:04:46,400

uh royal crawl out of that hole yes

1642

01:04:51,910 --> 01:04:49,200

so they were both kids dude i'm telling

1643

01:04:52,789 --> 01:04:51,920

you it was bad he came out of that holly

1644

01:04:55,829 --> 01:04:52,799

all's

1645

01:04:58,470 --> 01:04:55,839

from 1890 shkompkins

1646

01:05:01,750 --> 01:04:58,480

to 1960 something because they were both

1647

01:05:04,870 --> 01:05:01,760

kiddos and they're both old mans now i

1648

01:05:10,309 --> 01:05:06,950

you can't be 10 years old in the 80s and

1649

01:05:12,069 --> 01:05:10,319

be 60 in 2022.

1650

01:05:14,150 --> 01:05:12,079

well i don't know if he was really 10

1651

01:05:16,390 --> 01:05:14,160

years old he could have been uh both of

1652

01:05:18,870 --> 01:05:16,400

the guys can't his looks could be the

1653

01:05:20,870 --> 01:05:18,880

same it could have been 16.

1654

01:05:22,870 --> 01:05:20,880

maybe maybe he just used a lot of

1655

01:05:25,190 --> 01:05:22,880

moisturizer dude

1656

01:05:27,990 --> 01:05:25,200

i would put him at about you know

1657

01:05:33,270 --> 01:05:31,349

okay so um uh so we're talking about the

1658

01:05:34,950 --> 01:05:33,280

timeline difference so the belt buckle

1659

01:05:39,990 --> 01:05:34,960

wherever it shows up i mean it's an

1660

01:05:42,789 --> 01:05:40,000

object human bodies uh royal showed up

1661

01:05:45,349 --> 01:05:42,799

boom enzo there we go

1662

01:05:49,589 --> 01:05:45,359

there is an aid in there though

1663

01:05:55,190 --> 01:05:51,670

you weren't you weren't wrong

1664

01:05:57,109 --> 01:05:55,200

not completely i was just incorrect

1665

01:05:59,349 --> 01:05:57,119

hey you know life's all about being

1666

01:06:01,829 --> 01:05:59,359

incorrect you know dude i don't learn if

1667

01:06:03,349 --> 01:06:01,839

i don't do things wrong yeah that's what

1668

01:06:06,069 --> 01:06:03,359

that's what it's all about

1669

01:06:09,670 --> 01:06:06,079

and that's what you shake it all about

1670

01:06:12,789 --> 01:06:09,680

so okay so the uh [h\_\_\h] was it

1671

01:06:16,309 --> 01:06:13,910

what are you saying are you clipping

1672

01:06:17,349 --> 01:06:16,319

your toenails right now yeah

1673

01:06:20,230 --> 01:06:17,359

joe

1674

01:06:27,990 --> 01:06:20,240

what i don't know you can hear it

1675

01:06:30,710 --> 01:06:29,190

there's always interesting stuff

1676

01:06:37,430 --> 01:06:30,720

happening over here dude

1677

01:06:41,029 --> 01:06:39,510

oh my god i've actually almost done that

1678

01:06:42,309 --> 01:06:41,039

a couple of times

1679

01:06:44,069 --> 01:06:42,319

so like look down it's like the only

1680

01:06:45,270 --> 01:06:44,079

time i have like time to look at my

1681

01:06:48,309 --> 01:06:45,280

[h\_\_\h] hands

1682

01:06:50,870 --> 01:06:48,319

is like podcast night and i like

1683

01:06:53,190 --> 01:06:50,880

look at my ragged ass i get it i get it

1684

01:06:55,829 --> 01:06:53,200

i'm not judging

1685

01:07:00,710 --> 01:06:58,309

oh that's not that's never fun

1686

01:07:02,950 --> 01:07:00,720

nah dude i can't sleep with a hang now

1687

01:07:05,029 --> 01:07:02,960

dude

1688

01:07:07,589 --> 01:07:05,039

me either man it's uncomfortable because

1689

01:07:09,750 --> 01:07:07,599

you snagging on the sheets man yes

1690

01:07:11,670 --> 01:07:09,760

exactly it's [h\_\_h] terrible and then

1691

01:07:13,670 --> 01:07:11,680

you wake up and i hate waking up all

1692

01:07:16,069 --> 01:07:13,680

like oh

1693

01:07:17,349 --> 01:07:16,079

immediatly well this sucks or you like

1694

01:07:19,750 --> 01:07:17,359

try to like run your fingers through

1695

01:07:22,470 --> 01:07:19,760

your hair and it like gets caught and oh

1696

01:07:24,789 --> 01:07:22,480

yeah sucks it's terrible dude i don't

1697

01:07:26,390 --> 01:07:24,799

like it

1698

01:07:29,510 --> 01:07:26,400

have you ever left one to see how long

1699

01:07:31,430 --> 01:07:29,520

you could leave it no

1700

01:07:34,549 --> 01:07:31,440

yeah i mean no have you no it's not like

1701  
01:07:37,510 --> 01:07:35,910  
i wonder if there's something like name

1702  
01:07:38,549 --> 01:07:37,520  
it

1703  
01:07:39,670 --> 01:07:38,559  
you become

1704  
01:07:43,190 --> 01:07:39,680  
like

1705  
01:07:44,789 --> 01:07:43,200  
those uh i wonder if this movie or this

1706  
01:07:46,230 --> 01:07:44,799  
show was sponsored by uh what's the name

1707  
01:07:49,349 --> 01:07:46,240  
of those boots

1708  
01:07:51,430 --> 01:07:49,359  
that nico has uh tony lima

1709  
01:07:55,190 --> 01:07:51,440  
is that what they are

1710  
01:07:56,630 --> 01:07:55,200  
tony lima boots tony llamas tony llamas

1711  
01:08:01,750 --> 01:07:56,640  
wait jake why are you gonna give me a

1712  
01:08:01,760 --> 01:08:06,390  
uh tony llamas

1713  
01:08:09,109 --> 01:08:07,349

uh

1714

01:08:11,349 --> 01:08:09,119

they sponsored yellowstone didn't they

1715

01:08:12,950 --> 01:08:11,359

or they were like a a partner that's

1716

01:08:15,109 --> 01:08:12,960

what they wore in yellowstone or some

1717

01:08:18,070 --> 01:08:15,119

[h\_\_\h] oh no that's cool that's what he

1718

01:08:19,269 --> 01:08:18,080

said that's what he told me that's dope

1719

01:08:21,590 --> 01:08:19,279

this just looks like a marlboro

1720

01:08:25,110 --> 01:08:21,600

commercial right here you know marble

1721

01:08:26,630 --> 01:08:25,120

marble stetson uh uh what's the uh

1722

01:08:32,070 --> 01:08:26,640

carhartt

1723

01:08:35,910 --> 01:08:32,080

league chew they're all chewing big

1724

01:08:37,749 --> 01:08:35,920

league chew big league chew

1725

01:08:41,030 --> 01:08:37,759

or sunflower seeds

1726

01:08:45,030 --> 01:08:43,749

i like a good sunflower seed me too dude

1727

01:08:47,189 --> 01:08:45,040

like pickle flavor have you ever tried

1728

01:08:49,910 --> 01:08:47,199

pickle flavor yeah

1729

01:08:52,149 --> 01:08:49,920

oh yeah but the best hey dude people

1730

01:08:54,550 --> 01:08:52,159

people who aren't living uh who aren't

1731

01:08:56,229 --> 01:08:54,560

from texas i was i

1732

01:08:58,789 --> 01:08:56,239

found out the other day that like a

1733

01:09:01,110 --> 01:08:58,799

movie pickle is like a texas thing or

1734

01:09:02,070 --> 01:09:01,120

it's like a southern thing yeah pickle

1735

01:09:04,149 --> 01:09:02,080

in a bag

1736

01:09:06,870 --> 01:09:04,159

i didn't realize that it's a texas thing

1737

01:09:08,709 --> 01:09:06,880

it's like unheard of anywhere else well

1738

01:09:10,950 --> 01:09:08,719

i was reading the article and when they

1739

01:09:14,789 --> 01:09:10,960

asked like one of the like original uh

1740

01:09:17,910 --> 01:09:14,799

pickle manufacturers down here when uh

1741

01:09:20,840 --> 01:09:17,920

when they asked him uh why why pickles

1742

01:09:25,590 --> 01:09:20,850

uh he said because people like him

1743

01:09:29,669 --> 01:09:27,829

he said well what

1744

01:09:31,910 --> 01:09:29,679

they asked him so what made you come up

1745

01:09:34,070 --> 01:09:31,920

with the idea of pickles and like

1746

01:09:35,829 --> 01:09:34,080

selling them at movie theaters and his

1747

01:09:37,110 --> 01:09:35,839

response was uh

1748

01:09:39,349 --> 01:09:37,120

well

1749

01:09:40,390 --> 01:09:39,359

you know people like them

1750

01:09:42,470 --> 01:09:40,400

and so

1751

01:09:44,149 --> 01:09:42,480

from from there on out

1752

01:09:47,590 --> 01:09:44,159

pickles have been a staple at movie

1753

01:09:51,349 --> 01:09:49,110

that's like made

1754

01:09:52,709 --> 01:09:51,359

it's like one of my favorite things

1755

01:09:55,189 --> 01:09:52,719

about

1756

01:09:56,950 --> 01:09:55,199

southerners man they just yeah tell me

1757

01:09:58,790 --> 01:09:56,960

like it is man people like them what do

1758

01:10:01,270 --> 01:09:58,800

you want me to say it was like i was

1759

01:10:03,990 --> 01:10:01,280

making pickles people like people like a

1760

01:10:05,830 --> 01:10:04,000

man we just sold a bunch of them man

1761

01:10:08,630 --> 01:10:05,840

i have a pickle store

1762

01:10:11,750 --> 01:10:08,640

i'd sell them literally i i can't sell

1763

01:10:13,030 --> 01:10:11,760

these pickles fast enough

1764

01:10:16,149 --> 01:10:13,040

yeah i did

1765

01:10:17,270 --> 01:10:16,159

oh um oh dude enzo brings up a good

1766

01:10:19,510 --> 01:10:17,280

point he said the one part about the

1767

01:10:21,750 --> 01:10:19,520

show i never understood was the mom

1768

01:10:22,790 --> 01:10:21,760

killing the bear part what was that all

1769

01:10:28,870 --> 01:10:22,800

about

1770

01:10:33,910 --> 01:10:31,350

maybe that bear that was hanging out was

1771

01:10:35,669 --> 01:10:33,920

like a symbol right maybe

1772

01:10:38,709 --> 01:10:35,679

that bear

1773

01:10:40,870 --> 01:10:38,719

yeah like no wait what the baby bear

1774

01:10:43,669 --> 01:10:40,880

that was dead she found the baby dead

1775

01:10:47,990 --> 01:10:45,750

she shot the big bear

1776

01:10:50,470 --> 01:10:48,000

well she found a dead baby bear she took

1777

01:10:53,910 --> 01:10:50,480

him to the cabin first and then sorry

1778

01:10:55,990 --> 01:10:53,920

dude yeah but and then the mama came and

1779

01:10:59,030 --> 01:10:56,000

she shot yes she shot that yeah she was

1780

01:11:00,390 --> 01:10:59,040

looking she was looking for the mama uh

1781

01:11:02,149 --> 01:11:00,400

i don't know there there was something

1782

01:11:03,750 --> 01:11:02,159

weird about that bear and the fact that

1783

01:11:05,189 --> 01:11:03,760

like it didn't

1784

01:11:07,910 --> 01:11:05,199

uh

1785

01:11:09,669 --> 01:11:07,920

did something happen wait a second did

1786

01:11:11,030 --> 01:11:09,679

something happen with a little girl and

1787

01:11:13,030 --> 01:11:11,040

a bear

1788

01:11:15,270 --> 01:11:13,040

in the show i can't remember and is that

1789

01:11:18,550 --> 01:11:15,280

why when the bear approached autumn

1790

01:11:20,870 --> 01:11:18,560

later on it sniffed her and like

1791

01:11:23,510 --> 01:11:20,880

let her live did something happen when

1792

01:11:26,149 --> 01:11:23,520

she was a kid and that was a symbol

1793

01:11:27,420 --> 01:11:26,159

to us that like hey they're the same

1794

01:11:28,870 --> 01:11:27,430

person remember

1795

01:11:30,790 --> 01:11:28,880

[Music]

1796

01:11:31,910 --> 01:11:30,800

so there's a scene where the buffalo the

1797

01:11:32,709 --> 01:11:31,920

buffalo

1798

01:11:43,030 --> 01:11:32,719

the

1799

01:11:51,510 --> 01:11:43,040

like

1800

01:11:55,590 --> 01:11:51,520

the

1801

01:11:58,310 --> 01:11:55,600

uh

1802

01:12:00,630 --> 01:11:58,320

i mean you could you could put any name

1803

01:12:02,149 --> 01:12:00,640

you want to this this thing but it seems

1804

01:12:03,830 --> 01:12:02,159

to be a

1805

01:12:04,950 --> 01:12:03,840

a repetitive

1806

01:12:06,830 --> 01:12:04,960

uh

1807

01:12:09,590 --> 01:12:06,840

character where there's a

1808

01:12:12,709 --> 01:12:09,600

representation a a

1809

01:12:15,189 --> 01:12:12,719

a hand holder or or boat driver if you

1810

01:12:16,950 --> 01:12:15,199

will to to the experienter with within

1811

01:12:18,470 --> 01:12:16,960

stories and and

1812

01:12:21,430 --> 01:12:18,480

this one is

1813

01:12:23,910 --> 01:12:21,440

was the buffalo like it was like somehow

1814

01:12:27,030 --> 01:12:23,920

communicating didn't say words it had

1815

01:12:29,110 --> 01:12:27,040

those two arrows and uh

1816

01:12:32,550 --> 01:12:29,120

is their name amy

1817

01:12:33,830 --> 01:12:32,560

i can't remember amantha amanchutama i

1818

01:12:35,189 --> 01:12:33,840

don't think so i think you're getting

1819

01:12:37,830 --> 01:12:35,199

further away

1820

01:12:40,229 --> 01:12:37,840

okay so she takes an arrow out of its

1821

01:12:41,430 --> 01:12:40,239

side and he goes

1822

01:12:42,870 --> 01:12:41,440

finally

1823

01:12:45,510 --> 01:12:42,880

and just walks off

1824

01:12:47,510 --> 01:12:45,520

but the bear is like

1825

01:12:49,669 --> 01:12:47,520

comes out of nowhere

1826

01:12:50,950 --> 01:12:49,679

the buffalo on the other hand appears

1827

01:12:54,630 --> 01:12:50,960

again

1828

01:12:57,270 --> 01:12:54,640

to uh to royal after that after that

1829

01:13:01,669 --> 01:12:57,280

crazy shooting like the car chase

1830

01:13:03,110 --> 01:13:01,679

shootout which is so sick

1831

01:13:08,870 --> 01:13:03,120

uh

1832

01:13:10,709 --> 01:13:08,880

got an arrow in his side royal takes out

1833

01:13:13,590 --> 01:13:10,719

that second arrow

1834

01:13:15,590 --> 01:13:13,600

i want to know what that means

1835

01:13:17,270 --> 01:13:15,600

but anyway like it's talking about like

1836

01:13:19,990 --> 01:13:17,280

this omen this uh

1837

01:13:21,270 --> 01:13:20,000

oh we said it uh there's like a term for

1838

01:13:23,750 --> 01:13:21,280

it uh

1839

01:13:26,470 --> 01:13:23,760

uh a term for it that joe you said it in

1840

01:13:28,709 --> 01:13:26,480

a couple episodes ago it was like a

1841

01:13:31,030 --> 01:13:28,719

a totem or uh

1842

01:13:34,950 --> 01:13:32,550

talking

1843

01:13:36,790 --> 01:13:34,960

something like that dude

1844

01:13:39,590 --> 01:13:36,800

all right it's like a representation

1845

01:13:41,350 --> 01:13:39,600

it's like this arbiter of of experience

1846

01:13:43,110 --> 01:13:41,360

i know what you're talking about i know

1847

01:13:46,070 --> 01:13:43,120

you're talking about

1848

01:13:48,149 --> 01:13:46,080

um i did say it yeah okay well because i

1849

01:13:50,149 --> 01:13:48,159

called it a totem pole and that was

1850

01:13:52,550 --> 01:13:50,159

wrong and it was something similar to

1851

01:13:53,990 --> 01:13:52,560

that it was like a tolkien or a token or

1852

01:13:57,669 --> 01:13:54,000

something

1853

01:13:59,430 --> 01:13:57,679

all right jake now you're giving me the

1854

01:14:01,270 --> 01:13:59,440

panic attack i can't think of a [h\_\_h]

1855

01:14:02,070 --> 01:14:01,280

name

1856

01:14:04,790 --> 01:14:02,080

uh

1857

01:14:05,990 --> 01:14:04,800

but yeah so the bear the bear though i

1858

01:14:07,910 --> 01:14:06,000

think you're right i think it does have

1859

01:14:10,790 --> 01:14:07,920

some symbology

1860

01:14:14,070 --> 01:14:10,800

um i have to watch it again but dude you

1861

01:14:16,310 --> 01:14:14,080

don't remember so uh the mom is washing

1862

01:14:18,790 --> 01:14:16,320

the dishes looks outside and there's a

1863

01:14:21,110 --> 01:14:18,800

dead baby bear just laying in their yard

1864

01:14:23,430 --> 01:14:21,120

yeah yeah yeah i do remember that now

1865

01:14:25,669 --> 01:14:23,440

okay okay and then she walks up

1866

01:14:28,070 --> 01:14:25,679

and like they don't explain this at all

1867

01:14:30,630 --> 01:14:28,080

she just like has this need to like take

1868

01:14:32,470 --> 01:14:30,640

it to this other shack on the property

1869

01:14:33,669 --> 01:14:32,480

and take you know like take care of it

1870

01:14:37,030 --> 01:14:33,679

she's not like

1871

01:14:39,350 --> 01:14:37,040

like burying it she she does dig a hole

1872

01:14:41,030 --> 01:14:39,360

but she like immediately for some weird

1873

01:14:43,750 --> 01:14:41,040

reason but she doesn't bury it she takes

1874

01:14:46,229 --> 01:14:43,760

it to this shack instead and like

1875

01:14:48,310 --> 01:14:46,239

like bites herself with the

1876

01:14:50,470 --> 01:14:48,320

with the babies like with the hit with

1877

01:14:51,990 --> 01:14:50,480

the hand yeah yeah so i feel like it's

1878

01:14:53,669 --> 01:14:52,000

it's like a

1879

01:14:55,110 --> 01:14:53,679

representation of her dealing with her

1880

01:14:58,070 --> 01:14:55,120

own sons

1881

01:14:59,030 --> 01:14:58,080

you know it's like it's this this thing

1882

01:15:02,470 --> 01:14:59,040

that

1883

01:15:04,550 --> 01:15:02,480

trying to take care of it and she's

1884

01:15:07,110 --> 01:15:04,560

being wounded too so she's like wounding

1885

01:15:10,229 --> 01:15:07,120

herself with this baby bear yeah she's

1886

01:15:12,149 --> 01:15:10,239

confronting her her own fears by

1887

01:15:14,229 --> 01:15:12,159

shooting this mama bear

1888

01:15:15,910 --> 01:15:14,239

but i think she regrets shooting that

1889

01:15:17,510 --> 01:15:15,920

mama bear i think you see in her eyes

1890

01:15:20,390 --> 01:15:17,520

like she didn't mean to do that it was

1891

01:15:23,270 --> 01:15:20,400

like it was a mistake right yeah

1892

01:15:24,950 --> 01:15:23,280

so uh yeah there's a lot a lot to that i

1893

01:15:27,510 --> 01:15:24,960

think other than pickles you know

1894

01:15:29,669 --> 01:15:27,520

pickles it's pretty it was a pretty uh

1895

01:15:31,189 --> 01:15:29,679

yeah it was a man it was just a really

1896

01:15:34,229 --> 01:15:31,199

cool show

1897

01:15:36,070 --> 01:15:34,239

uh it was shot real nice you know

1898

01:15:41,430 --> 01:15:36,080

the characters were

1899

01:15:47,510 --> 01:15:45,030

the story the storyline was written

1900

01:15:50,950 --> 01:15:47,520

they they wrote a storyline you know

1901

01:15:53,590 --> 01:15:50,960

they did it they did it well

1902

01:15:56,149 --> 01:15:53,600

yeah definitely got crazy

1903

01:15:58,310 --> 01:15:56,159

what are my favorite uh epi uh like

1904

01:15:59,669 --> 01:15:58,320

series that i've seen in a while for

1905

01:16:02,149 --> 01:15:59,679

sure dude

1906

01:16:03,189 --> 01:16:02,159

i'm so glad that you were like i just

1907

01:16:04,229 --> 01:16:03,199

finished

1908

01:16:08,149 --> 01:16:04,239

out of range

1909

01:16:10,310 --> 01:16:08,159

because i was like sick with kovid

1910

01:16:11,990 --> 01:16:10,320

nothing to watch i was i was literally

1911

01:16:14,390 --> 01:16:12,000

about to start watching star trek the

1912

01:16:17,990 --> 01:16:14,400

new the new shows yeah that's already

1913

01:16:20,470 --> 01:16:18,830

it's

1914

01:16:22,550 --> 01:16:20,480

good

1915

01:16:25,110 --> 01:16:22,560

i don't uh i don't i don't have a

1916

01:16:27,510 --> 01:16:25,120

subscription to what is it on paramount

1917

01:16:29,590 --> 01:16:27,520

no it's on amazon prime same thing yeah

1918

01:16:30,470 --> 01:16:29,600

but it's through

1919

01:16:32,070 --> 01:16:30,480

um

1920

01:16:32,830 --> 01:16:32,080

oh is it through something else it's

1921

01:16:36,070 --> 01:16:32,840

it's

1922

01:16:38,390 --> 01:16:36,080

through i think i think paramount

1923

01:16:41,590 --> 01:16:38,400

oh okay yeah so like i have to like sign

1924

01:16:43,110 --> 01:16:41,600

up for a free 30-day subscription

1925

01:16:47,750 --> 01:16:43,120

and then it's four thousand dollars a

1926

01:16:49,350 --> 01:16:47,760

day four thousand dollars for paramount

1927

01:16:51,189 --> 01:16:49,360

only has like three things i want to

1928

01:16:53,189 --> 01:16:51,199

watch on it maybe yeah and then

1929

01:16:55,030 --> 01:16:53,199

paramount they paramount they do this

1930

01:16:57,430 --> 01:16:55,040

weird thing when you when you subscribe

1931

01:16:58,229 --> 01:16:57,440

you have to send in your underwear every

1932

01:17:00,390 --> 01:16:58,239

week

1933

01:17:03,510 --> 01:17:00,400

dude yeah i don't even i don't even own

1934

01:17:05,510 --> 01:17:03,520

that many underwear

1935

01:17:07,189 --> 01:17:05,520

like you have to like mail your like

1936

01:17:09,350 --> 01:17:07,199

shitty underwear like they say don't

1937

01:17:13,430 --> 01:17:09,360

wash it

1938

01:17:15,189 --> 01:17:13,440

um because uh what was that movie um

1939

01:17:16,790 --> 01:17:15,199

was it a matt damon movie no it wasn't a

1940

01:17:19,990 --> 01:17:16,800

matt damon movie

1941

01:17:23,669 --> 01:17:20,000

it wasn't looper infinity or the the

1942

01:17:24,950 --> 01:17:23,679

infinities the infinity man infinites

1943

01:17:26,470 --> 01:17:24,960

if uh

1944

01:17:32,709 --> 01:17:26,480

eternals

1945

01:17:34,470 --> 01:17:32,719

about a dude um who uh i guess went

1946

01:17:35,750 --> 01:17:34,480

through time

1947

01:17:38,149 --> 01:17:35,760

cool

1948

01:17:39,110 --> 01:17:38,159

i can't remember it's a newer movie oh

1949

01:17:43,350 --> 01:17:39,120

my god

1950

01:17:46,310 --> 01:17:43,360

we all hopped on i think with like uh

1951

01:17:47,510 --> 01:17:46,320

damn it never mind forget it

1952

01:17:50,950 --> 01:17:47,520

hey

1953

01:17:52,790 --> 01:17:50,960

i get it i i i i feel like i feel like

1954

01:17:55,350 --> 01:17:52,800

i've seen it

1955

01:17:57,030 --> 01:17:55,360

i think it's called eternal or infinite

1956

01:17:59,910 --> 01:17:57,040

never mind

1957

01:18:03,110 --> 01:17:59,920

infinite infinatals

1958

01:18:05,830 --> 01:18:03,120

internals infinite infant journals

1959

01:18:07,270 --> 01:18:05,840

also just know that there are somewhere

1960

01:18:08,390 --> 01:18:07,280

in the world right now just think about

1961

01:18:10,950 --> 01:18:08,400

this dude

1962

01:18:14,870 --> 01:18:10,960

instead of being a human being

1963

01:18:18,310 --> 01:18:14,880

you could be a conscious pickle in a bag

1964

01:18:20,790 --> 01:18:18,320

with the label that says big papa on it

1965

01:18:22,070 --> 01:18:20,800

or hot mama

1966

01:18:23,910 --> 01:18:22,080

you could be

1967

01:18:26,709 --> 01:18:23,920

we should all feel very grateful that we

1968

01:18:27,910 --> 01:18:26,719

are conscious beings and our own meat

1969

01:18:31,270 --> 01:18:27,920

bodies

1970

01:18:32,950 --> 01:18:31,280

having a good time watching

1971

01:18:35,350 --> 01:18:32,960

joe unless you're in canada in the

1972

01:18:39,110 --> 01:18:35,360

winter around a bunch of squirrels

1973

01:18:40,950 --> 01:18:39,120

nobody wants that dude nobody wants that

1974

01:18:43,350 --> 01:18:40,960

it's a true story i can't believe that

1975

01:18:45,590 --> 01:18:43,360

dave scott has to fend off

1976

01:18:47,350 --> 01:18:45,600

squirrels on a daily basis he does meat

1977

01:18:48,709 --> 01:18:47,360

squirrels yeah he was telling me he was

1978

01:18:50,709 --> 01:18:48,719

like damn we got these meat squirrels in

1979

01:18:52,390 --> 01:18:50,719

canada

1980

01:18:53,590 --> 01:18:52,400

and i was like what they're after my

1981

01:18:54,790 --> 01:18:53,600

sweet meats

1982

01:18:57,350 --> 01:18:54,800

yeah

1983

01:18:59,910 --> 01:18:57,360

he told me they ate like a moose

1984

01:19:01,910 --> 01:18:59,920

oh my god dude

1985

01:19:04,149 --> 01:19:01,920

if you were if i was a squirrel honestly

1986

01:19:06,470 --> 01:19:04,159

okay let's be real dude

1987

01:19:07,750 --> 01:19:06,480

and and i liked sweet meats

1988

01:19:09,830 --> 01:19:07,760

i would i would go in through the

1989

01:19:11,590 --> 01:19:09,840

stomach and eat from the inside out you

1990

01:19:12,950 --> 01:19:11,600

know because they can't just you know

1991

01:19:15,590 --> 01:19:12,960

they can't get you

1992

01:19:18,310 --> 01:19:15,600

you got to eat in and then eat your way

1993

01:19:20,950 --> 01:19:18,320

get to the rib meat and then out out i'd

1994

01:19:23,030 --> 01:19:20,960

probably start at the knee

1995

01:19:25,110 --> 01:19:23,040

you know

1996

01:19:28,950 --> 01:19:25,120

what if the box what if what if it bonks

1997

01:19:34,149 --> 01:19:31,830

it's not my problem i'm just eating it

1998

01:19:35,590 --> 01:19:34,159

i don't care

1999

01:19:37,350 --> 01:19:35,600

probably how it got there in the first

2000

01:19:39,430 --> 01:19:37,360

in the in the first place

2001  
01:19:42,709 --> 01:19:39,440  
see arden paranormal says i can vouch

2002  
01:19:45,510 --> 01:19:42,719  
for that i live in canada

2003  
01:19:47,669 --> 01:19:45,520  
arden paranormal has meat squirrels i

2004  
01:19:50,310 --> 01:19:47,679  
told you i wasn't lying they're vicious

2005  
01:19:52,070 --> 01:19:50,320  
predators during the winter

2006  
01:19:53,430 --> 01:19:52,080  
damn

2007  
01:19:56,950 --> 01:19:53,440  
you know they're they're the third

2008  
01:19:58,470 --> 01:19:56,960  
leasing leading cause of of uh of human

2009  
01:20:01,910 --> 01:19:58,480  
human deaths

2010  
01:20:05,030 --> 01:20:01,920  
in the in the world squirrels yeah

2011  
01:20:06,629 --> 01:20:05,040  
first squirrels first is the hippo yeah

2012  
01:20:08,070 --> 01:20:06,639  
are you serious yeah but they don't

2013  
01:20:10,229 --> 01:20:08,080

report them because most of the meat

2014

01:20:11,590 --> 01:20:10,239

squirrel attacks happen in like national

2015

01:20:15,270 --> 01:20:11,600

parks

2016

01:20:16,149 --> 01:20:15,280

okay now that makes more sense

2017

01:20:18,310 --> 01:20:16,159

because

2018

01:20:20,470 --> 01:20:18,320

when you're in a national park they're

2019

01:20:21,350 --> 01:20:20,480

they're camouflaged

2020

01:20:23,350 --> 01:20:21,360

yeah

2021

01:20:25,990 --> 01:20:23,360

you can't see them coming you know you

2022

01:20:26,950 --> 01:20:26,000

can you could see an angry meat hungry

2023

01:20:29,030 --> 01:20:26,960

squirrel

2024

01:20:31,189 --> 01:20:29,040

in a concrete jungle

2025

01:20:32,790 --> 01:20:31,199

you're walking by your your local

2026

01:20:34,229 --> 01:20:32,800

chipotle

2027

01:20:36,709 --> 01:20:34,239

you you see

2028

01:20:38,709 --> 01:20:36,719

gray you know they're not they're not

2029

01:20:39,830 --> 01:20:38,719

they're not gray like the like the

2030

01:20:42,629 --> 01:20:39,840

sidewalk

2031

01:20:43,990 --> 01:20:42,639

but in the jungle in the sorry in the

2032

01:20:45,990 --> 01:20:44,000

forest

2033

01:20:48,629 --> 01:20:46,000

they look like they look like leaves

2034

01:20:49,990 --> 01:20:48,639

they look like ground look like dirt

2035

01:20:52,629 --> 01:20:50,000

it's even worse when you get around a

2036

01:20:55,030 --> 01:20:52,639

bunch of briar bush

2037

01:20:57,590 --> 01:20:55,040

i like the way you said that

2038

01:20:59,669 --> 01:20:57,600

does moose taste great does it really

2039

01:21:02,070 --> 01:20:59,679

i've always wanted to try it

2040

01:21:04,229 --> 01:21:02,080

it seems like it i i feel like i feel

2041

01:21:05,030 --> 01:21:04,239

like a moose would be kind of like kind

2042

01:21:09,510 --> 01:21:05,040

of

2043

01:21:11,110 --> 01:21:09,520

know i could be completely wrong though

2044

01:21:12,790 --> 01:21:11,120

totally different i don't know is it

2045

01:21:16,310 --> 01:21:12,800

totally different diets i mean they eat

2046

01:21:19,350 --> 01:21:16,320

like grass and berries and [h\_\_h] right

2047

01:21:23,110 --> 01:21:19,360

i would i would beg to i would beg to to

2048

01:21:26,550 --> 01:21:23,120

the question um because i know that deer

2049

01:21:28,709 --> 01:21:26,560

uh often if if given the chance can eat

2050

01:21:29,910 --> 01:21:28,719

mice and birds

2051

01:21:31,590 --> 01:21:29,920

so like

2052

01:21:33,030 --> 01:21:31,600

uh yeah there's some nibbling some

2053

01:21:35,110 --> 01:21:33,040

[h\_\_\h] too aren't they they're knit

2054

01:21:36,470 --> 01:21:35,120

they're nibblers dude

2055

01:21:37,669 --> 01:21:36,480

but

2056

01:21:39,350 --> 01:21:37,679

moose

2057

01:21:40,830 --> 01:21:39,360

how can they they can't be any different

2058

01:21:42,709 --> 01:21:40,840

dude they're

2059

01:21:45,110 --> 01:21:42,719

chompers you know they can eat a

2060

01:21:47,430 --> 01:21:45,120

milestone one gulp dude

2061

01:21:49,110 --> 01:21:47,440

little doesn't stand a chance

2062

01:21:50,390 --> 01:21:49,120

moose is an acquired taste just like

2063

01:21:53,430 --> 01:21:50,400

venison

2064

01:21:55,669 --> 01:21:53,440

uh yeah i could see that i can see that

2065

01:21:58,070 --> 01:21:55,679

is it is it is it real lean or is it

2066

01:22:00,390 --> 01:21:58,080

fatty it depends on where you get your

2067

01:22:01,430 --> 01:22:00,400

venison processed because you can do it

2068

01:22:02,790 --> 01:22:01,440

wrong

2069

01:22:05,110 --> 01:22:02,800

i'll say that

2070

01:22:08,070 --> 01:22:05,120

yeah we had our uh deer

2071

01:22:10,229 --> 01:22:08,080

my first deer a couple years back

2072

01:22:12,950 --> 01:22:10,239

uh processed at uh well i won't say the

2073

01:22:15,510 --> 01:22:12,960

place but it was in austin

2074

01:22:16,629 --> 01:22:15,520

and it was super gamey which i like

2075

01:22:19,830 --> 01:22:16,639

gaming

2076

01:22:22,229 --> 01:22:19,840

uh and then i we uh we got this new dear

2077

01:22:23,110 --> 01:22:22,239

lease you know luke's dear lease

2078

01:22:25,110 --> 01:22:23,120

and

2079

01:22:27,350 --> 01:22:25,120

found a different processor

2080

01:22:29,510 --> 01:22:27,360

and he just tr i don't know what he does

2081

01:22:31,590 --> 01:22:29,520

but there's no gaminess

2082

01:22:33,110 --> 01:22:31,600

it tastes [h\_\_\h] phenomenal dude like

2083

01:22:35,590 --> 01:22:33,120

you wouldn't even know

2084

01:22:37,510 --> 01:22:35,600

it was dear dude it's amazing

2085

01:22:38,870 --> 01:22:37,520

have you seen that show snowflakes on

2086

01:22:40,390 --> 01:22:38,880

netflix

2087

01:22:42,229 --> 01:22:40,400

oh no

2088

01:22:44,390 --> 01:22:42,239

this is kind of funny

2089

01:22:46,709 --> 01:22:44,400

it's about like these like

2090

01:22:49,030 --> 01:22:46,719

like these these millionaire families

2091

01:22:51,590 --> 01:22:49,040

with like [h\_\_h] kids

2092

01:22:52,950 --> 01:22:51,600

and like their kids sign up for this

2093

01:22:55,830 --> 01:22:52,960

thing where they think they're going to

2094

01:22:57,110 --> 01:22:55,840

like a private resort to compete

2095

01:22:58,870 --> 01:22:57,120

and like

2096

01:23:01,669 --> 01:22:58,880

they end up showing up and it's just

2097

01:23:04,390 --> 01:23:01,679

like these these these two dudes

2098

01:23:05,990 --> 01:23:04,400

out in like wyoming

2099

01:23:08,629 --> 01:23:06,000

in the middle of [h\_\_h] nowhere and

2100

01:23:10,950 --> 01:23:08,639

they like drop them off in this like

2101

01:23:13,430 --> 01:23:10,960

this field it's all full like mud and

2102

01:23:15,030 --> 01:23:13,440

[h\_\_h] and they're all dressed all snazzy

2103

01:23:17,270 --> 01:23:15,040

and like ready to go and they got their

2104

01:23:18,709 --> 01:23:17,280

big ass suitcases

2105

01:23:19,830 --> 01:23:18,719

and then they take them and they they're

2106

01:23:21,270 --> 01:23:19,840

like all right everybody go put your

2107

01:23:22,870 --> 01:23:21,280

suitcases over there and they put them

2108

01:23:24,310 --> 01:23:22,880

on this platform and they like push it

2109

01:23:25,669 --> 01:23:24,320

out into the middle of the leg and they

2110

01:23:27,830 --> 01:23:25,679

blow it up

2111

01:23:29,830 --> 01:23:27,840

and like they make these kids sleep in

2112

01:23:31,430 --> 01:23:29,840

tents and [h\_\_h] and like there's this one

2113

01:23:32,790 --> 01:23:31,440

part where like they're processing a

2114

01:23:35,510 --> 01:23:32,800

deer like they're they're cutting up a

2115

01:23:37,990 --> 01:23:35,520

deer and at first they're like [h\_\_h] no i

2116

01:23:39,430 --> 01:23:38,000

ain't doing that dude but then like they

2117

01:23:41,189 --> 01:23:39,440

start to like kind of get into it and

2118

01:23:42,629 --> 01:23:41,199

they're like oh [h\_\_h] because then they

2119

01:23:44,149 --> 01:23:42,639

find out like

2120

01:23:45,830 --> 01:23:44,159

dude like before they found out like

2121

01:23:47,350 --> 01:23:45,840

people just start leaving the show like

2122

01:23:49,189 --> 01:23:47,360

they're like nope [h\_\_h] this i'm going

2123

01:23:51,110 --> 01:23:49,199

home like they just start leaving so

2124

01:23:53,189 --> 01:23:51,120

they're dropping like flies and finally

2125

01:23:55,510 --> 01:23:53,199

they're like all right the the goal of

2126

01:23:58,390 --> 01:23:55,520

the show is that like

2127

01:24:01,430 --> 01:23:58,400

last one standing gets 50 000

2128

01:24:02,470 --> 01:24:01,440

but the deal is every person that leaves

2129

01:24:04,950 --> 01:24:02,480

we take

2130

01:24:06,709 --> 01:24:04,960

uh five thousand dollars out of the pot

2131

01:24:08,550 --> 01:24:06,719

so every time you leave that pot gets

2132

01:24:10,709 --> 01:24:08,560

lower and lower and lower

2133

01:24:13,270 --> 01:24:10,719

so you have to stay and compete to get

2134

01:24:15,430 --> 01:24:13,280

the full fifty thousand dollars so it's

2135

01:24:17,030 --> 01:24:15,440

like hold you accountable because now if

2136

01:24:19,110 --> 01:24:17,040

you leave because you don't feel like

2137

01:24:20,950 --> 01:24:19,120

doing it you're an [h\_\_h]

2138

01:24:23,990 --> 01:24:20,960

because you're like making the pot go

2139

01:24:26,470 --> 01:24:24,000

down for everybody else

2140

01:24:28,870 --> 01:24:26,480

it's pretty crazy it's a funny show it's

2141

01:24:30,390 --> 01:24:28,880

annoying it's annoying at first wait

2142

01:24:33,030 --> 01:24:30,400

what is it called i gotta watch this

2143

01:24:34,149 --> 01:24:33,040

it's called snowflakes snowflakes what

2144

01:24:35,590 --> 01:24:34,159

is it on

2145

01:24:37,590 --> 01:24:35,600

netflix

2146

01:24:39,510 --> 01:24:37,600

oh my god

2147

01:24:40,950 --> 01:24:39,520

i'm watching that ex

2148

01:24:42,709 --> 01:24:40,960

right after this

2149

01:24:44,870 --> 01:24:42,719

it's kind of funny [h\_\_h] that's funny so

2150

01:24:47,430 --> 01:24:44,880

do they like specifically choose dudes

2151  
01:24:49,189 --> 01:24:47,440  
that have never cleaned a deer before

2152  
01:24:50,550 --> 01:24:49,199  
oh yeah dude it's like it's like dudes

2153  
01:24:53,110 --> 01:24:50,560  
and girls

2154  
01:24:54,790 --> 01:24:53,120  
okay oh my god that's awesome yeah and

2155  
01:24:57,750 --> 01:24:54,800  
they show up like dude i mean they all

2156  
01:25:00,390 --> 01:24:57,760  
have like they're like party skirts on

2157  
01:25:02,950 --> 01:25:00,400  
and like you know some of the dudes like

2158  
01:25:05,030 --> 01:25:02,960  
they're like i just got my nails done

2159  
01:25:06,870 --> 01:25:05,040  
like it's crazy

2160  
01:25:07,910 --> 01:25:06,880  
it's crazy dude's saying they just got

2161  
01:25:10,229 --> 01:25:07,920  
it yeah

2162  
01:25:12,149 --> 01:25:10,239  
there's like this one full on there

2163  
01:25:13,990 --> 01:25:12,159

they've probably never had hangnails

2164

01:25:16,470 --> 01:25:14,000

like you and i no dude never they don't

2165

01:25:19,030 --> 01:25:16,480

know the struggles

2166

01:25:19,040 --> 01:25:23,270

if you've never had a hangnail man

2167

01:25:27,910 --> 01:25:26,950

jake the snake yes probably

2168

01:25:34,470 --> 01:25:27,920

uh

2169

01:25:36,709 --> 01:25:34,480

lamb is the most gamey meat i've ever

2170

01:25:38,390 --> 01:25:36,719

had and i've only got it from grocery

2171

01:25:40,390 --> 01:25:38,400

stores i mean i've never

2172

01:25:42,629 --> 01:25:40,400

hunted in you know

2173

01:25:44,229 --> 01:25:42,639

processed to land myself

2174

01:25:46,390 --> 01:25:44,239

but i've got an i've got to think that

2175

01:25:49,030 --> 01:25:46,400

it's all the same thing it's all the way

2176

01:25:51,910 --> 01:25:49,040

that you that you treat the animal

2177

01:25:53,510 --> 01:25:51,920

uh before you harvest it

2178

01:25:54,629 --> 01:25:53,520

without going into much detail but

2179

01:25:58,310 --> 01:25:54,639

there's

2180

01:26:00,229 --> 01:25:58,320

release that they can

2181

01:26:02,550 --> 01:26:00,239

you know it stresses them out take the

2182

01:26:04,310 --> 01:26:02,560

blood and then they can that can make

2183

01:26:06,310 --> 01:26:04,320

the meat taste a lot different so if you

2184

01:26:07,750 --> 01:26:06,320

like scare the [h\_\_h] out of an animal

2185

01:26:09,350 --> 01:26:07,760

right before you kill it like of course

2186

01:26:11,669 --> 01:26:09,360

it's gonna taste terrible

2187

01:26:13,669 --> 01:26:11,679

or if you if you spill bile you know

2188

01:26:16,390 --> 01:26:13,679

like

2189

01:26:18,149 --> 01:26:16,400

we could talk about that oh you know on

2190

01:26:19,990 --> 01:26:18,159

the internet but like

2191

01:26:21,350 --> 01:26:20,000

like stomach acid gets on meat it's not

2192

01:26:24,470 --> 01:26:21,360

gonna taste good

2193

01:26:25,750 --> 01:26:24,480

no no you got to be careful yeah

2194

01:26:27,990 --> 01:26:25,760

so we're going to let all that stuff

2195

01:26:30,229 --> 01:26:28,000

fall out first yeah dude the first time

2196

01:26:32,790 --> 01:26:30,239

i ever did that was

2197

01:26:34,070 --> 01:26:32,800

like like honestly like two years ago

2198

01:26:38,229 --> 01:26:34,080

like i didn't do that it's like two

2199

01:26:40,390 --> 01:26:38,239

years ago it was [h\_\_\h] crazy bro

2200

01:26:42,070 --> 01:26:40,400

it was crazy man

2201

01:26:44,070 --> 01:26:42,080

yeah like it is

2202

01:26:47,350 --> 01:26:44,080

cleaning the deer and like having the

2203

01:26:50,229 --> 01:26:47,360

okay ben the stomach's gonna fall out be

2204

01:26:52,229 --> 01:26:50,239

prepared and i'm like oh yeah like in my

2205

01:26:55,030 --> 01:26:52,239

like nice boots like my niece church

2206

01:26:57,110 --> 01:26:55,040

boots and [h\_\_\h] like

2207

01:26:59,990 --> 01:26:57,120

they're leather right

2208

01:27:02,470 --> 01:27:00,000

i got made fun of so bad

2209

01:27:05,189 --> 01:27:02,480

and like literally just picture holding

2210

01:27:08,149 --> 01:27:05,199

up a pile

2211

01:27:10,550 --> 01:27:08,159

uh just a pile of noodles big noodles

2212

01:27:12,390 --> 01:27:10,560

that's that's that's it's a lot dude

2213

01:27:14,950 --> 01:27:12,400

it's a lot

2214

01:27:18,870 --> 01:27:14,960

you know i will say that it did make uh

2215

01:27:21,270 --> 01:27:18,880

watching childbirth a lot easier

2216

01:27:23,270 --> 01:27:21,280

uh yeah it's kind of it's kind of the

2217

01:27:24,149 --> 01:27:23,280

same thing it's not the same it's not

2218

01:27:26,229 --> 01:27:24,159

the same

2219

01:27:27,910 --> 01:27:26,239

but it's like just you know like it's

2220

01:27:29,430 --> 01:27:27,920

it's like real like it's just like a

2221

01:27:32,310 --> 01:27:29,440

plop of stuff that's coming out of

2222

01:27:34,550 --> 01:27:32,320

somebody's stomach of stuff

2223

01:27:36,149 --> 01:27:34,560

i'm not used to seeing that is everyone

2224

01:27:38,310 --> 01:27:36,159

okay

2225

01:27:42,629 --> 01:27:38,320

oh dude

2226

01:27:47,030 --> 01:27:45,590

wait oh the show snowflakes

2227

01:27:49,350 --> 01:27:47,040

yeah snowflakes i know you're talking

2228

01:27:51,430 --> 01:27:49,360

about childbirth no childbirth is not

2229

01:27:53,430 --> 01:27:51,440

stillbirth it's funny

2230

01:27:56,870 --> 01:27:53,440

it's not funny watch it

2231

01:27:59,990 --> 01:27:58,709

i wonder yeah like it's one of those

2232

01:28:01,830 --> 01:28:00,000

things where like people are like god

2233

01:28:03,830 --> 01:28:01,840

childbirth is so beautiful and you're

2234

01:28:11,430 --> 01:28:03,840

like

2235

01:28:16,310 --> 01:28:13,350

it's pretty gnarly dude this is pretty

2236

01:28:18,470 --> 01:28:16,320

gnarly it is beauty it is beautiful dude

2237

01:28:19,350 --> 01:28:18,480

honestly like it was a transcendent

2238

01:28:22,629 --> 01:28:19,360

moment

2239

01:28:25,590 --> 01:28:22,639

before i passed out

2240

01:28:26,709 --> 01:28:25,600

i'm kidding i did but like it was it was

2241

01:28:29,350 --> 01:28:26,719

beautiful

2242

01:28:32,629 --> 01:28:29,360

but it's gnarly as [h\_\_h] done it is so

2243

01:28:34,790 --> 01:28:33,480

no way

2244

01:28:37,830 --> 01:28:34,800

[Applause]

2245

01:28:40,790 --> 01:28:37,840

i remember the the the nurse saying

2246

01:28:42,870 --> 01:28:40,800

you see that i'm like

2247

01:28:45,030 --> 01:28:42,880

yeah excuse that's the head

2248

01:28:48,310 --> 01:28:45,040

yeah

2249

01:28:51,110 --> 01:28:48,320

no no no that's your child's head

2250

01:28:52,709 --> 01:28:51,120

oh my god it was like

2251

01:28:54,629 --> 01:28:52,719

i didn't even have a choice i was like

2252

01:28:56,629 --> 01:28:54,639

immediately went to like that's the most

2253

01:28:59,030 --> 01:28:56,639

beautiful thing ever like that's [h\_\_h]

2254

01:29:01,110 --> 01:28:59,040

crazy that's my kid's head what oh [h\_\_h]

2255

01:29:03,510 --> 01:29:01,120

she's in the world let's do this oh dude

2256

01:29:06,629 --> 01:29:03,520

they were just standing there and i was

2257

01:29:09,030 --> 01:29:06,639

like i'm like well i'm just like like oh

2258

01:29:10,550 --> 01:29:09,040

my god and then i remember the nurse

2259

01:29:12,629 --> 01:29:10,560

being like here can you hold this and i

2260

01:29:14,070 --> 01:29:12,639

was like no i'm good

2261

01:29:16,390 --> 01:29:14,080

and i thought she was talking about like

2262

01:29:18,149 --> 01:29:16,400

something something down there

2263

01:29:20,229 --> 01:29:18,159

and she was like no no hold this blanket

2264

01:29:21,990 --> 01:29:20,239

i was like oh [\h\_\_\h] yeah

2265

01:29:23,830 --> 01:29:22,000

by all means

2266

01:29:25,510 --> 01:29:23,840

let me fill my hands with as much other

2267

01:29:27,910 --> 01:29:25,520

[\h\_\_\h] as possible so nobody asked me to

2268

01:29:30,070 --> 01:29:27,920

touch any i'm scared right now i'm

2269

01:29:31,189 --> 01:29:30,080

scared i don't know what to do

2270

01:29:33,189 --> 01:29:31,199

they really want to cut it and i was

2271

01:29:33,990 --> 01:29:33,199

like all right here we go

2272

01:29:35,350 --> 01:29:34,000

oh

2273

01:29:38,550 --> 01:29:35,360

did your belly button hurt a little bit

2274

01:29:40,870 --> 01:29:38,560

when you cut it absolutely yes my belly

2275

01:29:42,709 --> 01:29:40,880

wouldn't hurt when i cut it so dude when

2276

01:29:44,709 --> 01:29:42,719

they handed me the scissors it was it

2277

01:29:45,990 --> 01:29:44,719

was no question about it i was like yep

2278

01:29:48,550 --> 01:29:46,000

give me those scissors and they were

2279

01:29:50,390 --> 01:29:48,560

like you gotta cut hard now it's it's

2280

01:29:52,709 --> 01:29:50,400

more it's more it's not like a fruit

2281

01:29:54,870 --> 01:29:52,719

roll-up it's more like a ligament

2282

01:29:57,110 --> 01:29:54,880

like a ligament

2283

01:29:59,990 --> 01:29:57,120

and like i just [h\_\_\h]

2284

01:30:01,590 --> 01:30:00,000

clamp down on it dude it is it's tough

2285

01:30:02,629 --> 01:30:01,600

dude yeah well because yeah i did the

2286

01:30:04,709 --> 01:30:02,639

same thing because i wanted to make sure

2287

01:30:06,790 --> 01:30:04,719

i didn't have to keep cutting it yeah i

2288

01:30:11,510 --> 01:30:06,800

didn't want to do it twice dude

2289

01:30:15,830 --> 01:30:14,070

it was wild man it's a crazy experience

2290

01:30:17,510 --> 01:30:15,840

[h\_\_\h] crazy dude

2291

01:30:20,790 --> 01:30:17,520

reminds me of this time i was down on

2292

01:30:22,790 --> 01:30:20,800

route 66 right back at 78 dude me and

2293

01:30:24,550 --> 01:30:22,800

these guys

2294

01:30:28,390 --> 01:30:24,560

i mean my old lady

2295

01:30:32,709 --> 01:30:30,709

oh yeah man hey this is a this is this

2296

01:30:34,870 --> 01:30:32,719

is a good episode man this is fun

2297

01:30:37,110 --> 01:30:34,880

little a little a little slow getting

2298

01:30:38,950 --> 01:30:37,120

back into the into the swing of things

2299

01:30:41,110 --> 01:30:38,960

man you know you still got the still got

2300

01:30:42,149 --> 01:30:41,120

the the covet brain

2301  
01:30:48,149 --> 01:30:42,159  
yeah

2302  
01:30:49,990 --> 01:30:48,159  
combos about time travel

2303  
01:30:52,709 --> 01:30:50,000  
some uh some

2304  
01:30:54,310 --> 01:30:52,719  
some existential

2305  
01:30:56,629 --> 01:30:54,320  
realizations

2306  
01:30:59,510 --> 01:30:56,639  
about relationships about

2307  
01:31:01,510 --> 01:30:59,520  
about past future present about

2308  
01:31:05,750 --> 01:31:01,520  
loved ones about

2309  
01:31:09,229 --> 01:31:05,760  
uh voting for uh schmigmill on

2310  
01:31:12,149 --> 01:31:09,239  
uh november 3rd bears

2311  
01:31:15,110 --> 01:31:12,159  
bears.com and you will you will vote for

2312  
01:31:16,950 --> 01:31:15,120  
bears.com and everybody

2313  
01:31:19,669 --> 01:31:16,960

it's early voting

2314

01:31:21,110 --> 01:31:19,679

and and sometimes you will vote for

2315

01:31:22,390 --> 01:31:21,120

what are you talking about i don't

2316

01:31:24,229 --> 01:31:22,400

honestly i'm just trying not to make

2317

01:31:25,990 --> 01:31:24,239

sense at all

2318

01:31:27,990 --> 01:31:26,000

you're doing a good job i was like [h\_\_\h]

2319

01:31:30,550 --> 01:31:28,000

i like missed the beginning a little bit

2320

01:31:31,750 --> 01:31:30,560

and i was like wait where is this even

2321

01:31:34,390 --> 01:31:31,760

going

2322

01:31:37,750 --> 01:31:34,400

and you will

2323

01:31:40,950 --> 01:31:37,760

ah okay cool yeah dude evan said is this

2324

01:31:46,229 --> 01:31:42,870

oh yeah yeah yeah yeah we're

2325

01:31:48,550 --> 01:31:46,239

professionals one says 100 says it up in

2326

01:31:51,189 --> 01:31:48,560

the left-hand corner live

2327

01:31:52,709 --> 01:31:51,199

yeah i think only us can see that

2328

01:31:54,310 --> 01:31:52,719

oh

2329

01:31:56,149 --> 01:31:54,320

well are you

2330

01:31:58,149 --> 01:31:56,159

what maybe you're not well if you're

2331

01:32:00,950 --> 01:31:58,159

watching me right now it's gotta be live

2332

01:32:03,270 --> 01:32:00,960

right i'm watching you dude i'm watching

2333

01:32:06,149 --> 01:32:03,280

you dude you're live bro and you have a

2334

01:32:10,830 --> 01:32:06,159

tiny hat on it it's so fun

2335

01:32:13,669 --> 01:32:12,709

perfect oh

2336

01:32:15,270 --> 01:32:13,679

[h\_\_\h]

2337

01:32:17,910 --> 01:32:15,280

you did a good job man you did a good

2338

01:32:19,830 --> 01:32:17,920

job with my tiny hat hey dude it was all

2339

01:32:21,910 --> 01:32:19,840

it's a team effort

2340

01:32:23,590 --> 01:32:21,920

hell yeah oh yeah

2341

01:32:26,390 --> 01:32:23,600

all right man

2342

01:32:29,030 --> 01:32:26,400

uh all right dude well in closing what

2343

01:32:31,990 --> 01:32:29,040

else let's uh oh uh let's do some promo

2344

01:32:34,070 --> 01:32:32,000

stuff just so people so we can be legit

2345

01:32:36,149 --> 01:32:34,080

and talk about our

2346

01:32:39,350 --> 01:32:36,159

website and hey we're gonna be out at

2347

01:32:41,270 --> 01:32:39,360

mystic quarries in november oh thank you

2348

01:32:44,790 --> 01:32:41,280

yes joe

2349

01:32:47,990 --> 01:32:47,270

dude if you guys want to come hang out

2350

01:32:49,910 --> 01:32:48,000

so

2351

01:32:53,430 --> 01:32:49,920

a little context about us guys if you're

2352

01:32:56,310 --> 01:32:53,440

new we are the ufo garage podcast my

2353

01:32:59,830 --> 01:32:56,320

name is ben and i'm joe yes and this is

2354

01:33:01,669 --> 01:32:59,840

where we talk about ufos aliens and all

2355

01:33:04,390 --> 01:33:01,679

things all things weird it's a podcast

2356

01:33:07,350 --> 01:33:04,400

there's two guys we host a youtube show

2357

01:33:10,870 --> 01:33:07,360

where we do live shows and then use that

2358

01:33:12,550 --> 01:33:10,880

audio to upload to our podcast which

2359

01:33:15,830 --> 01:33:12,560

we've done in the podcast for much

2360

01:33:18,149 --> 01:33:15,840

longer we started in 2019

2361

01:33:21,189 --> 01:33:18,159

just us just a couple of dudes talking

2362

01:33:23,270 --> 01:33:21,199

about aliens and [h\_\_\h] and then the world

2363

01:33:27,270 --> 01:33:23,280

realized that there were aliens and now

2364

01:33:29,669 --> 01:33:27,280

we do a ufo show on youtube as well

2365

01:33:31,669 --> 01:33:29,679

and we uh we have t-shirts we have a

2366

01:33:33,669 --> 01:33:31,679

website and we have t-shirts with our

2367

01:33:35,030 --> 01:33:33,679

logo on it one of them says doctor

2368

01:33:36,629 --> 01:33:35,040

scientist

2369

01:33:39,430 --> 01:33:36,639

and that's [h\_\_\h]

2370

01:33:41,590 --> 01:33:39,440

chill it always uh lends credibility you

2371

01:33:44,550 --> 01:33:41,600

know yeah

2372

01:33:49,189 --> 01:33:44,560

uh okay joe back to you about the the

2373

01:33:51,350 --> 01:33:49,199

ufo garage family reunion 2022

2374

01:33:52,870 --> 01:33:51,360

november 4th or the 6th dude it's coming

2375

01:33:58,149 --> 01:33:52,880

up

2376

01:34:01,990 --> 01:33:58,159

excited about it i don't know about you

2377

01:34:05,030 --> 01:34:02,000

but i like camping under the stars

2378

01:34:07,830 --> 01:34:05,040

especially in mystic quarries especially

2379

01:34:09,910 --> 01:34:07,840

if mystic esquery says

2380

01:34:11,830 --> 01:34:09,920

it's time to get the family together

2381

01:34:14,550 --> 01:34:11,840

we've been talking about this for far

2382

01:34:16,149 --> 01:34:14,560

too long far too long hold on real quick

2383

01:34:17,669 --> 01:34:16,159

evan walters i just want to say thank

2384

01:34:20,790 --> 01:34:17,679

you very much man for liking and

2385

01:34:22,870 --> 01:34:20,800

subscribing uh welcome over to the

2386

01:34:24,870 --> 01:34:22,880

garage man i hope you enjoy i don't know

2387

01:34:27,189 --> 01:34:24,880

if you've ever seen the show before but

2388

01:34:29,110 --> 01:34:27,199

uh if it popped up uh after watching an

2389

01:34:33,189 --> 01:34:29,120

so that's that's pretty cool man so

2390

01:34:35,510 --> 01:34:33,199

welcome hey hell yeah dudes in our warm

2391

01:34:37,030 --> 01:34:35,520

regards to dave david

2392

01:34:38,229 --> 01:34:37,040

uh thanks for coming over and hanging

2393

01:34:39,430 --> 01:34:38,239

out dude

2394

01:34:42,550 --> 01:34:39,440

good stuff

2395

01:34:45,830 --> 01:34:42,560

mystic quarry mystic or is it missed

2396

01:34:47,750 --> 01:34:45,840

missed dick quarry uh and then and then

2397

01:34:50,550 --> 01:34:47,760

it's uh we've been talking about this

2398

01:34:55,430 --> 01:34:50,560

for fart too long a family-friendly

2399

01:34:59,830 --> 01:34:57,350

come chill with joe i mean everything

2400

01:35:02,310 --> 01:34:59,840

about us is like [h\_\_h] we're saying it

2401  
01:35:05,590 --> 01:35:04,149  
we just get so many comments and like

2402  
01:35:08,229 --> 01:35:05,600  
messi's just like hey what are you guys

2403  
01:35:11,030 --> 01:35:08,239  
like doing like would you just like what

2404  
01:35:15,750 --> 01:35:11,040  
is this a show about something like

2405  
01:35:18,629 --> 01:35:15,760  
[h\_\_\h] yes it's like in the

2406  
01:35:21,910 --> 01:35:18,639  
it's a garage full of ufos

2407  
01:35:23,910 --> 01:35:21,920  
dude and these two fools right here

2408  
01:35:26,790 --> 01:35:23,920  
come chill with joe and ben and big

2409  
01:35:30,070 --> 01:35:26,800  
willy and our families for a glamping

2410  
01:35:32,229 --> 01:35:30,080  
trip have an rv bring it

2411  
01:35:33,910 --> 01:35:32,239  
or a tent bring it

2412  
01:35:35,430 --> 01:35:33,920  
or rent a badass tiny house there's

2413  
01:35:36,950 --> 01:35:35,440

places you can rent you could you don't

2414

01:35:39,189 --> 01:35:36,960

have to bring [h\_\_h] you could just like

2415

01:35:40,550 --> 01:35:39,199

rent a house a little tiny house it's

2416

01:35:42,070 --> 01:35:40,560

dope

2417

01:35:44,070 --> 01:35:42,080

um and you can find that on ufo

2418

01:35:46,070 --> 01:35:44,080

garagepodcast.com

2419

01:35:47,669 --> 01:35:46,080

talk uh we could find out all about the

2420

01:35:53,910 --> 01:35:47,679

accommodation

2421

01:35:55,350 --> 01:35:53,920

and cinnamon terry

2422

01:35:56,870 --> 01:35:55,360

will be there is cinnamon terry actually

2423

01:35:59,590 --> 01:35:56,880

coming dude i think he's going to be

2424

01:36:00,470 --> 01:35:59,600

bringing his bongos [h\_\_h] yeah dude oh

2425

01:36:03,189 --> 01:36:00,480

yeah

2426

01:36:05,510 --> 01:36:03,199

there's going to be uh

2427

01:36:08,870 --> 01:36:05,520

in no particular order activities

2428

01:36:11,830 --> 01:36:08,880

bonfire hiking stargazing ufo searching

2429

01:36:14,229 --> 01:36:11,840

barbecue

2430

01:36:17,590 --> 01:36:14,239

movie screening spooky ghost abduction

2431

01:36:19,189 --> 01:36:17,600

stories we're going to tell stories

2432

01:36:22,390 --> 01:36:19,199

play play with doggos we're going to

2433

01:36:24,629 --> 01:36:22,400

bring our dogs joe has two corgis i have

2434

01:36:27,189 --> 01:36:24,639

a gsp

2435

01:36:29,750 --> 01:36:27,199

and a jess uh needs to get on this uh

2436

01:36:32,070 --> 01:36:29,760

you uh maybe jess and and amanda would

2437

01:36:35,189 --> 01:36:32,080

love i think i think they can come up

2438

01:36:38,310 --> 01:36:35,199

with a dope scavenger hunt yeah it'd be

2439

01:36:40,950 --> 01:36:38,320

so fun it'd be cool

2440

01:36:42,470 --> 01:36:40,960

uh win literally when

2441

01:36:45,270 --> 01:36:42,480

everybody's like when's your thing yeah

2442

01:36:49,189 --> 01:36:45,280

just it's on our [h\_\_h] website when

2443

01:36:51,109 --> 01:36:49,199

november 4th through the 6th

2444

01:36:53,510 --> 01:36:51,119

where it's in texas

2445

01:36:57,669 --> 01:36:53,520

canyon lake texas

2446

01:36:59,830 --> 01:36:57,679

mystic missed dick quarry

2447

01:37:01,030 --> 01:36:59,840

um no dude i think it's i think it's

2448

01:37:07,990 --> 01:37:01,040

mystic

2449

01:37:10,149 --> 01:37:08,000

i think you might be pronouncing it

2450

01:37:13,510 --> 01:37:10,159

wrong i think i think i am

2451

01:37:15,030 --> 01:37:13,520

look at that view i mean you know

2452

01:37:20,629 --> 01:37:15,040

if only your eyes could see in long

2453

01:37:25,590 --> 01:37:23,830

that's so misleading yeah

2454

01:37:28,229 --> 01:37:25,600

you could shoot this photo

2455

01:37:30,870 --> 01:37:28,239

like pretty much anywhere

2456

01:37:33,109 --> 01:37:30,880

yeah yeah like damn i wish it looked

2457

01:37:34,790 --> 01:37:33,119

that cool if you had the right ones if

2458

01:37:37,350 --> 01:37:34,800

you had the right camera equipment you

2459

01:37:38,550 --> 01:37:37,360

could take this exact photo like [h\_\_\h]

2460

01:37:40,229 --> 01:37:38,560

anywhere dude

2461

01:37:42,790 --> 01:37:40,239

that's so funny

2462

01:37:45,750 --> 01:37:42,800

uh but it it's a great view it is it is

2463

01:37:48,709 --> 01:37:45,760

uh the moon will be on a waxing or

2464

01:37:50,790 --> 01:37:48,719

waning uh do you remember

2465

01:37:52,709 --> 01:37:50,800

it's not gonna be it's not gonna be dark

2466

01:37:54,629 --> 01:37:52,719

but you know we'll still we'll still

2467

01:37:56,229 --> 01:37:54,639

we'll see some stars and he's gonna be a

2468

01:37:58,470 --> 01:37:56,239

full moon dude

2469

01:38:00,070 --> 01:37:58,480

god damn it

2470

01:38:03,750 --> 01:38:00,080

we should have checked that

2471

01:38:06,550 --> 01:38:03,760

it's like a half it's like a half moon

2472

01:38:08,870 --> 01:38:06,560

all right well the other half will be us

2473

01:38:11,189 --> 01:38:08,880

uh telling stories about ufos and maybe

2474

01:38:13,109 --> 01:38:11,199

we'll see some spooky [\h\_\_\h] you know

2475

01:38:14,629 --> 01:38:13,119

if you get enough people together in one

2476

01:38:16,470 --> 01:38:14,639

place

2477

01:38:17,750 --> 01:38:16,480

that are all in the same vibe same

2478

01:38:21,030 --> 01:38:17,760

wavelength

2479

01:38:24,229 --> 01:38:22,950

magic happens magic happens you know

2480

01:38:26,950 --> 01:38:24,239

what i'm saying mr gray all wants to

2481

01:38:29,669 --> 01:38:26,960

know will there be chicks and booze

2482

01:38:31,030 --> 01:38:29,679

mr grey owl

2483

01:38:32,470 --> 01:38:31,040

dude

2484

01:38:34,629 --> 01:38:32,480

of course

2485

01:38:35,830 --> 01:38:34,639

if you are there chicks will chicks will

2486

01:38:41,510 --> 01:38:35,840

be there

2487

01:38:43,910 --> 01:38:41,520

and barbecue and barbecue

2488

01:38:44,870 --> 01:38:43,920

dude i might bring my traeger

2489

01:38:48,790 --> 01:38:44,880

oh

2490

01:38:53,990 --> 01:38:50,870

so we could actually like i could i

2491

01:38:56,790 --> 01:38:54,000

could bring it it'll be purty oh oh

2492

01:38:58,790 --> 01:38:56,800

that'll be party dude

2493

01:39:00,870 --> 01:38:58,800

i think we'd do a couple briskets man

2494

01:39:02,310 --> 01:39:00,880

i'll tell you what evan wants to know if

2495

01:39:05,030 --> 01:39:02,320

we get abducted while we're there does

2496

01:39:08,470 --> 01:39:05,040

the campsite insurance cover that

2497

01:39:09,669 --> 01:39:08,480

uh yes only up uh

2498

01:39:17,270 --> 01:39:09,679

to

2499

01:39:20,149 --> 01:39:17,280

it's a gap um it's if you like the gap

2500

01:39:22,550 --> 01:39:20,159

it's it's a shopping spree at gap uh

2501

01:39:23,990 --> 01:39:22,560

that's it's up to fifty dollars

2502

01:39:26,149 --> 01:39:24,000

um

2503

01:39:29,030 --> 01:39:26,159

and it's it's only for like two days

2504

01:39:31,430 --> 01:39:29,040

it's like a very specific time free uh

2505

01:39:34,149 --> 01:39:31,440

time span it's like two days

2506

01:39:35,830 --> 01:39:34,159

like but like uh open hours so like

2507

01:39:37,109 --> 01:39:35,840

they're open at like ten

2508

01:39:41,189 --> 01:39:37,119

to like five

2509

01:39:45,830 --> 01:39:42,870

so it's not like a full two days was

2510

01:39:49,270 --> 01:39:45,840

like two full working days at the gap at

2511

01:39:52,830 --> 01:39:49,280

select stores come on down divine pines

2512

01:39:56,149 --> 01:39:52,840

do it man come hang out with us

2513

01:39:58,310 --> 01:39:56,159

yeah hell yeah

2514

01:40:01,270 --> 01:39:58,320

uh you know would be awesome if uh champ

2515

01:40:04,310 --> 01:40:01,280

came you know champ

2516

01:40:07,669 --> 01:40:04,320

and enzo you're dude you are a uh a

2517

01:40:08,709 --> 01:40:07,679

world traveler dude you you uh you have

2518

01:40:10,229 --> 01:40:08,719

uh

2519

01:40:11,990 --> 01:40:10,239

how many miles under your belt after

2520

01:40:13,750 --> 01:40:12,000

going to vegas i don't know maybe maybe

2521

01:40:15,590 --> 01:40:13,760

it's too much to ask in one year to come

2522

01:40:17,430 --> 01:40:15,600

hang out with us

2523

01:40:19,350 --> 01:40:17,440

for twice in one year but it would be

2524

01:40:21,109 --> 01:40:19,360

awesome to see you

2525

01:40:22,709 --> 01:40:21,119

yeah it'll be cool

2526

01:40:24,310 --> 01:40:22,719

it's gonna be a lot of fun

2527

01:40:26,950 --> 01:40:24,320

hell yeah man

2528

01:40:29,109 --> 01:40:26,960

and oh what are we gonna do

2529

01:40:30,709 --> 01:40:29,119

maybe screen uh

2530

01:40:32,990 --> 01:40:30,719

some footage from

2531

01:40:34,790 --> 01:40:33,000

the documentary oh yeah yeah

2532

01:40:36,310 --> 01:40:34,800

[Music]

2533

01:40:39,669 --> 01:40:36,320

we'll screen a little footage from the

2534

01:40:41,350 --> 01:40:39,679

documentary and then when they will

2535

01:40:43,109 --> 01:40:41,360

and then we're gonna watch uh they will

2536

01:40:45,030 --> 01:40:43,119

watch a cool movie

2537

01:40:47,669 --> 01:40:45,040

hell yeah we don't know what movie it is

2538

01:40:48,830 --> 01:40:47,679

but we we will watch it battery's not

2539

01:40:52,310 --> 01:40:48,840

included

2540

01:40:53,350 --> 01:40:52,320

dude [\h\_\_\h] love that movie let's watch

2541

01:40:56,070 --> 01:40:53,360

it

2542

01:40:58,149 --> 01:40:56,080

hell yeah all right so

2543

01:41:01,669 --> 01:40:58,159

hell yeah all right dude

2544

01:41:03,109 --> 01:41:01,679

all right uh dude that was fun man

2545

01:41:06,790 --> 01:41:03,119

everybody watching thank you all for

2546

01:41:08,950 --> 01:41:06,800

hanging out with us tonight we love you

2547

01:41:10,950 --> 01:41:08,960

come back next week

2548

01:41:13,669 --> 01:41:10,960

yo come on back now you here come on

2549

01:41:15,350 --> 01:41:13,679

back now you here come on

2550

01:41:18,550 --> 01:41:15,360

piggy

2551

01:41:24,390 --> 01:41:21,830

all right guys well hey man

2552

01:41:26,390 --> 01:41:24,400

this this has been another episode of

2553

01:41:29,570 --> 01:41:26,400

ufo garage

2554

01:41:33,350 --> 01:41:29,580

we'll talk to y'all next time man peace

2555

01:41:34,790 --> 01:41:33,360

[Music]
