39

00:01:53,030 --> 00:01:51,200

i think we're gonna have a pretty fun

40

00:01:55,109 --> 00:01:53,040

one tonight man yeah dude this would be

41

00:01:57,030 --> 00:01:55,119

a good one we never nev i don't think

42

00:01:58,709 --> 00:01:57,040

we've ever gone live on a saturday i

43

00:02:00,709 --> 00:01:58,719

don't think we have either dude i don't

44

00:02:03,510 --> 00:02:00,719

think we have either except when we did

45

00:02:07,030 --> 00:02:03,520

that uh on stage thing with their uh

46

00:02:08,869 --> 00:02:07,040

terry terry lovelace that's right yeah

47

00:02:09,990 --> 00:02:08,879

that's right i remember that

48

00:02:11,750 --> 00:02:10,000

that's right this is gonna be our first

49

00:02:13,830 --> 00:02:11,760

saturday i didn't i didn't know what to

50

00:02:16,869 --> 00:02:13,840

do with my hands in that whole interview

51

00:02:20,830 --> 00:02:16,879

i watched it the other day and

52

00:02:25,910 --> 00:02:22,949

constantly i've never sat on a couch

53

00:02:27,750 --> 00:02:25,920

before yeah what is that

54

00:02:29,510 --> 00:02:27,760

oh my god

55

00:02:30,470 --> 00:02:29,520

you know you live in the alarm are you

56

00:02:33,350 --> 00:02:30,480

sure you don't want to play the boots

57

00:02:37,190 --> 00:02:35,110

i mean can if you want to we're already

58

00:02:39,350 --> 00:02:37,200

going to get a copyright strike for the

59

00:02:42,229 --> 00:02:39,360

boots of cats yeah might as well all

60

00:02:49,600 --> 00:02:45,990

this cat this cat cat i put the boots on

61

00:03:00,949 --> 00:02:49,610

the cat put the boots on the cat

62

00:03:12,710 --> 00:03:02,869

it just does something to me you know

63

00:03:15,670 --> 00:03:14,309

dude it's dangerous to be on a saturday

64

00:03:18,550 --> 00:03:15,680

night when this house will light that

65

00:03:19,750 --> 00:03:18,560

floor on fire on fire dude we'll light

66

00:03:21,350 --> 00:03:19,760

it on fire

67

00:03:23,270 --> 00:03:21,360

and then i'm gonna hate myself the next

68

00:03:24,630 --> 00:03:23,280

morning cause after this song comes on

69

00:03:26,789 --> 00:03:24,640

this is the type of song where you buy

70

00:03:28,869 --> 00:03:26,799

everybody in the bar a drink and you

71

00:03:30,550 --> 00:03:28,879

regret that [\h__\h] you know this is that's

72

00:03:34,789 --> 00:03:30,560

like

73

00:03:36,550 --> 00:03:34,799

right before two o'clock hits in austin

74

00:03:37,830 --> 00:03:36,560

because the bar stops serving alcohol

75

00:03:40,149 --> 00:03:37,840

and then they turn the lights on so

76
00:03:42,229 --> 00:03:40,159
everybody's like oh [h__h] and then they

77
00:03:43,830 --> 00:03:42,239
turn the lights on

78
00:03:49,200 --> 00:03:43,840
all right everybody get out of here

79
00:03:54,630 --> 00:03:52,630
[Music]

80
00:03:56,710 --> 00:03:54,640
okay

81
00:03:58,149 --> 00:03:56,720
so what are we

82
00:04:00,390 --> 00:03:58,159
what are we talking about tonight dude

83
00:04:02,949 --> 00:04:00,400
dude we are killing this saturday

84
00:04:05,670 --> 00:04:02,959
already we're already just crushing it

85
00:04:07,190 --> 00:04:05,680
crushing it yes

86
00:04:10,309 --> 00:04:07,200
oh we forgot to say what's up the champ

87
00:04:12,229 --> 00:04:10,319
champ what's up dude what's up chip 509

88
00:04:15,589 --> 00:04:12,239

you were in here but now you're not but

89

00:04:17,749 --> 00:04:15,599

you know we miss you and come back

90

00:04:20,550 --> 00:04:17,759

come back come back here and come back

91

00:04:22,950 --> 00:04:20,560

hey come here hey come back

92

00:04:24,629 --> 00:04:22,960

uh and well we'll let's let's address

93

00:04:28,469 --> 00:04:24,639

the elephant in the room i did cut my

94

00:04:30,870 --> 00:04:28,479

hair my hair was long as [h__\h] i cut it

95

00:04:33,189 --> 00:04:30,880

and uh i have short hair now again and

96

00:04:36,550 --> 00:04:33,199

i'm just a regular guy now i'm you know

97

00:04:38,870 --> 00:04:36,560

uh no indistinguishable from any other

98

00:04:42,710 --> 00:04:38,880

white person walking down the street

99

00:04:43,990 --> 00:04:42,720

and uh that's okay you know that's fine

100

00:04:46,870 --> 00:04:44,000

i got it

101

00:04:49,110 --> 00:04:46,880

you look like you drive a tesla

102

00:04:50,870 --> 00:04:49,120

i'm just gonna say wait a second

103

00:04:52,150 --> 00:04:50,880

are you in the tech industry you do you

104

00:04:53,830 --> 00:04:52,160

couldn't you can't even smell me dog

105

00:04:55,350 --> 00:04:53,840

wear xbox i'm wearing axe body spray

106

00:04:58,950 --> 00:04:55,360

right now like

107

00:05:04,230 --> 00:05:00,230

oh dude

108

00:05:06,310 --> 00:05:04,240

next friday spray uh only

109

00:05:07,990 --> 00:05:06,320

yeah i just got your you got your nice

110

00:05:10,870 --> 00:05:08,000

black shirt on

111

00:05:11,909 --> 00:05:10,880

yeah it's actually one of ours

112

00:05:13,830 --> 00:05:11,919

yeah dude

113

00:05:16,230 --> 00:05:13,840

i like it some sacred geometry going on

114

00:05:18,070 --> 00:05:16,240

in there you know some mystic stuff

115

00:05:19,189 --> 00:05:18,080

yeah you look like a like a barista in

116

00:05:20,790 --> 00:05:19,199

portland

117

00:05:25,670 --> 00:05:20,800

right now

118

00:05:28,390 --> 00:05:25,680

ah look uh [h__h] soccer player

119

00:05:31,430 --> 00:05:28,400

i i've i have uh one part-time job but

120

00:05:34,629 --> 00:05:31,440

my you know my main passion is is uh

121

00:05:36,790 --> 00:05:34,639

is science you know the science of uh

122

00:05:38,310 --> 00:05:36,800

of hot beverages

123

00:05:39,990 --> 00:05:38,320

and i'm in my spare time when i'm not

124

00:05:41,830 --> 00:05:40,000

getting paid at the barista you know i

125

00:05:43,189 --> 00:05:41,840

don't work for the man i don't work for

126

00:05:45,189 --> 00:05:43,199

starbucks you know

127

00:05:47,510 --> 00:05:45,199

here in portland you know the dream is

128

00:05:50,390 --> 00:05:47,520

alive uh so i work in

129

00:05:52,070 --> 00:05:50,400

my dream is to own a 90s themed

130

00:05:56,390 --> 00:05:52,080

uh

131

00:05:58,390 --> 00:05:56,400

phone booth

132

00:06:00,309 --> 00:05:58,400

and uh things are very hot everywhere

133

00:06:02,550 --> 00:06:00,319

very lots of opportunities to make

134

00:06:04,550 --> 00:06:02,560

mistakes and spill hot coffee all over

135

00:06:07,110 --> 00:06:04,560

yourself i haven't gotten insurance

136

00:06:09,510 --> 00:06:07,120

just yet but uh dude how neat how neat

137

00:06:11,830 --> 00:06:09,520

would it be to like open like a like a

138

00:06:13,430 --> 00:06:11,840

like a doctor who themed like coffee

139

00:06:15,110 --> 00:06:13,440

shop where like you'd have like a phone

140

00:06:16,550 --> 00:06:15,120

booth and then like you know you do like

141

00:06:18,629 --> 00:06:16,560

a painting on the wall where it looks

142

00:06:20,469 --> 00:06:18,639

like whatever's behind the building and

143

00:06:21,830 --> 00:06:20,479

so like you just you just walk into this

144

00:06:23,350 --> 00:06:21,840

phone booth and then when you walk in

145

00:06:26,230 --> 00:06:23,360

there it's like this huge building on

146

00:06:27,990 --> 00:06:26,240

the inside dude that's sick

147

00:06:29,110 --> 00:06:28,000

yes i would love that

148

00:06:31,590 --> 00:06:29,120

let me see

149

00:06:33,430 --> 00:06:31,600

i like it i have good ideas

150

00:06:34,950 --> 00:06:33,440

tonight should be a fun one man

151
00:06:36,469 --> 00:06:34,960
you uh i was gonna say you could apply

152
00:06:38,469 --> 00:06:36,479
that to like almost every almost

153
00:06:40,230 --> 00:06:38,479
anything you you walk in and

154
00:06:44,230 --> 00:06:40,240
oh yeah it could be a bank

155
00:06:49,589 --> 00:06:47,350
uh okay well anyway yeah dude tonight

156
00:06:52,790 --> 00:06:49,599
bro we're talking about

157
00:06:54,550 --> 00:06:52,800
the uh i didn't okay i've never heard of

158
00:06:57,029 --> 00:06:54,560
this guy george van tassel until you

159
00:06:58,150 --> 00:06:57,039
brought him up last week

160
00:07:00,870 --> 00:06:58,160
you know it's funny because i feel like

161
00:07:03,029 --> 00:07:00,880
i've seen that documentary before

162
00:07:05,749 --> 00:07:03,039
a long time ago well

163
00:07:07,189 --> 00:07:05,759

within the past two years

164

00:07:08,629 --> 00:07:07,199

um

165

00:07:10,309 --> 00:07:08,639

yeah i feel like i've seen that

166

00:07:13,909 --> 00:07:10,319

documentary or came across it like a

167

00:07:15,830 --> 00:07:13,919

couple times i just had nothing to like

168

00:07:17,350 --> 00:07:15,840

like grab onto you know so i was just

169

00:07:18,710 --> 00:07:17,360

kind of like lo i had no like frame of

170

00:07:20,150 --> 00:07:18,720

reference

171

00:07:21,350 --> 00:07:20,160

when i started looking i was like wait a

172

00:07:25,189 --> 00:07:21,360

second

173

00:07:26,710 --> 00:07:25,199

restaurant under a rock

174

00:07:29,189 --> 00:07:26,720

wait a second

175

00:07:31,430 --> 00:07:29,199

he was channeling aliens from iraq

176

00:07:33,589 --> 00:07:31,440

yeah wait a second it was so he was

177

00:07:36,469 --> 00:07:33,599

selling rock lobsters done he had a

178

00:07:38,309 --> 00:07:36,479

friend that lived under this rock

179

00:07:40,550 --> 00:07:38,319

what uh what i still don't understand

180

00:07:42,950 --> 00:07:40,560

okay this okay i wrote down some notes

181

00:07:45,029 --> 00:07:42,960

about the size of this rock uh before

182

00:07:47,510 --> 00:07:45,039

before we maybe we should just jump into

183

00:07:49,350 --> 00:07:47,520

it but the boulder covered five thousand

184

00:07:51,029 --> 00:07:49,360

eight hundred square feet and and you

185

00:07:52,550 --> 00:07:51,039

were telling me it's it's seven stories

186

00:07:54,950 --> 00:07:52,560

high it's like the last the size of a

187

00:07:57,189 --> 00:07:54,960

seven story building it's a it's a big

188

00:07:59,029 --> 00:07:57,199

boulder it's not a mountain it's like

189

00:08:01,830 --> 00:07:59,039

the largest recorded freestanding

190

00:08:04,309 --> 00:08:01,840

boulder on the planet

191

00:08:05,990 --> 00:08:04,319

that's crazy so somebody dug under and

192

00:08:08,790 --> 00:08:06,000

was not afraid of that

193

00:08:10,550 --> 00:08:08,800

boulder crushing

194

00:08:13,670 --> 00:08:10,560

all their plans and sandwiches that they

195

00:08:15,029 --> 00:08:13,680

made yeah no not at all

196

00:08:16,070 --> 00:08:15,039

what's the first thing i think about is

197

00:08:17,589 --> 00:08:16,080

this going to ruin my plans or

198

00:08:20,629 --> 00:08:17,599

sandwiches

199

00:08:23,189 --> 00:08:21,670

uh

200

00:08:27,350 --> 00:08:23,199

hell yeah

201
00:08:28,869 --> 00:08:27,360
they're like

202
00:08:31,589 --> 00:08:28,879
thanks for you know

203
00:08:33,909 --> 00:08:31,599
the haircut you know that that's um i

204
00:08:36,389 --> 00:08:33,919
miss my hair i miss a lot it was it was

205
00:08:38,630 --> 00:08:36,399
awesome but uh you know i got tired of

206
00:08:41,110 --> 00:08:38,640
eating hair as you know it's not that

207
00:08:43,190 --> 00:08:41,120
bad

208
00:08:44,870 --> 00:08:43,200
yours is full of protein because your

209
00:08:47,750 --> 00:08:44,880
every strand of hair is the size of a

210
00:08:51,990 --> 00:08:49,509
uh

211
00:08:53,350 --> 00:08:52,000
anyway so dude let's what's the start

212
00:08:55,509 --> 00:08:53,360
from the beginning for those that don't

213
00:08:57,829 --> 00:08:55,519

know about george fantast dude george

214

00:09:00,630 --> 00:08:57,839

van tassel aka george

215

00:09:01,910 --> 00:09:00,640

van halen tassel flynn is named after

216

00:09:06,310 --> 00:09:01,920

van halen

217

00:09:07,750 --> 00:09:06,320

uh aka the john wayne of ufology

218

00:09:08,790 --> 00:09:07,760

and it's not

219

00:09:10,470 --> 00:09:08,800

i don't think it's

220

00:09:11,990 --> 00:09:10,480

because of like his actions but it's

221

00:09:13,269 --> 00:09:12,000

definitely like his mannerisms and the

222

00:09:14,790 --> 00:09:13,279

way he talks

223

00:09:16,150 --> 00:09:14,800

is pretty good

224

00:09:18,630 --> 00:09:16,160

you were doing a really good impression

225

00:09:21,430 --> 00:09:18,640

of him it's very john wayne-esque you

226

00:09:22,389 --> 00:09:21,440

know like just the way he answers

227

00:09:24,470 --> 00:09:22,399

and stuff

228

00:09:26,070 --> 00:09:24,480

so we decided to name it the john wayne

229

00:09:27,590 --> 00:09:26,080

that you followed him like

230

00:09:29,269 --> 00:09:27,600

yeah he just got that real old school

231

00:09:30,630 --> 00:09:29,279

vibe to him you know how does he was

232

00:09:32,949 --> 00:09:30,640

like well i was

233

00:09:34,389 --> 00:09:32,959

going to target

234

00:09:36,470 --> 00:09:34,399

he was all like

235

00:09:40,389 --> 00:09:36,480

quite frankly my dear i don't give a

236

00:09:43,910 --> 00:09:41,750

uh

237

00:09:46,630 --> 00:09:43,920

i got okay i'm not gonna say that the

238

00:09:48,550 --> 00:09:46,640

joke i was thinking of there's some uh

239

00:09:49,350 --> 00:09:48,560

is it is it sean connery that there's

240

00:09:52,230 --> 00:09:49,360

some

241

00:09:54,150 --> 00:09:52,240

john wayne yeah

242

00:09:56,070 --> 00:09:54,160

doesn't he like slap ladies in his films

243

00:09:58,070 --> 00:09:56,080

and [h__h] oh dude they all everybody

244

00:10:02,630 --> 00:09:58,080

slapped ladies

245

00:10:03,509 --> 00:10:02,640

in in real life until like the mid 80s i

246

00:10:05,829 --> 00:10:03,519

think

247

00:10:07,750 --> 00:10:05,839

it was just like a thing you know well

248

00:10:09,430 --> 00:10:07,760

it didn't show is that the i hope that

249

00:10:11,110 --> 00:10:09,440

the ladies slapped a men you know like

250

00:10:13,990 --> 00:10:11,120

is that what they don't show all the

251
00:10:18,310 --> 00:10:14,000
time all the time yeah you bastard and

252
00:10:21,829 --> 00:10:18,320
then they get slapped you know yeah

253
00:10:23,509 --> 00:10:21,839
uh so george van tassel uh military

254
00:10:26,310 --> 00:10:23,519
aeronautical engineer scientist

255
00:10:27,829 --> 00:10:26,320
physicist and uh experiencer

256
00:10:29,829 --> 00:10:27,839
george van tassel was one of the first

257
00:10:31,670 --> 00:10:29,839
people to speak publicly about his

258
00:10:33,110 --> 00:10:31,680
encounters with aliens he was kind of

259
00:10:34,790 --> 00:10:33,120
like the first

260
00:10:37,829 --> 00:10:34,800
experiencer going public talking about

261
00:10:40,630 --> 00:10:37,839
it on radio shows on on tv

262
00:10:44,150 --> 00:10:40,640
uh he and his wife hosted the giant rock

263
00:10:47,269 --> 00:10:44,160

spacecraft convention annually from 1953

264

00:10:50,069 --> 00:10:47,279

to 1978 besides giant rock near landers

265

00:10:52,870 --> 00:10:50,079

california so that means i mean he was

266

00:10:54,790 --> 00:10:52,880

like the godfather of ufo conventions

267

00:10:56,949 --> 00:10:54,800

this dude was throwing conventions

268

00:10:58,949 --> 00:10:56,959

before conventions were cool

269

00:11:01,030 --> 00:10:58,959

right yeah this guy was throwing

270

00:11:03,269 --> 00:11:01,040

conventions before giorgio suclose was

271

00:11:07,509 --> 00:11:03,279

making the rounds

272

00:11:12,870 --> 00:11:08,710

uh so

273

00:11:14,550 --> 00:11:12,880

like every convention that you go to now

274

00:11:16,230 --> 00:11:14,560

or a we go to now i'm i'm going to

275

00:11:19,030 --> 00:11:16,240

compare it like [h__h]

276

00:11:20,389 --> 00:11:19,040

this isn't by a large rock

277

00:11:21,990 --> 00:11:20,399

in the desert

278

00:11:23,509 --> 00:11:22,000

where's your underground stash man

279

00:11:25,910 --> 00:11:23,519

where's your where's your sushi counter

280

00:11:27,750 --> 00:11:25,920

underneath the the rock

281

00:11:29,110 --> 00:11:27,760

i want to recreate it dude now you're

282

00:11:30,630 --> 00:11:29,120

like hey

283

00:11:33,430 --> 00:11:30,640

um

284

00:11:34,949 --> 00:11:33,440

your conference is next to an arby's

285

00:11:37,910 --> 00:11:34,959

shouldn't you be next to like a rock or

286

00:11:41,350 --> 00:11:39,190

hold on

287

00:11:42,870 --> 00:11:41,360

something's not right here

288

00:11:45,269 --> 00:11:42,880

where's the large boulder there's no

289

00:11:47,750 --> 00:11:45,279

dust around here at all

290

00:11:50,710 --> 00:11:47,760

it's not even any dust

291

00:11:54,310 --> 00:11:50,720

i don't see it so

292

00:11:56,230 --> 00:11:54,320

i brought all this sunscreen for nothing

293

00:11:58,629 --> 00:11:56,240

uh i guess i guess what's that

294

00:12:00,949 --> 00:11:58,639

convention that's like uh

295

00:12:02,949 --> 00:12:00,959

well it used to be out uh in in the

296

00:12:05,110 --> 00:12:02,959

desert it's like contacting the contact

297

00:12:07,190 --> 00:12:05,120

in the ditch yeah man i wish i wish we

298

00:12:08,790 --> 00:12:07,200

would have gone to that before they like

299

00:12:09,590 --> 00:12:08,800

when it was out in the desert

300

00:12:13,750 --> 00:12:09,600

yeah

301

00:12:15,030 --> 00:12:13,760

marriott right i don't know

302

00:12:16,870 --> 00:12:15,040

i don't know

303

00:12:18,230 --> 00:12:16,880

sorry i'm not thinking about it

304

00:12:20,230 --> 00:12:18,240

yeah no i think it definitely got like

305

00:12:21,750 --> 00:12:20,240

moved around it used to be in a place

306

00:12:23,269 --> 00:12:21,760

back in the day and then it got switched

307

00:12:24,870 --> 00:12:23,279

somewhere else i'm not too sure yeah i

308

00:12:27,430 --> 00:12:24,880

think it was like 20 20 happened and you

309

00:12:30,629 --> 00:12:27,440

know everything changed and they they

310

00:12:34,550 --> 00:12:30,639

pivoted um but man i would love to go if

311

00:12:39,269 --> 00:12:37,590

we should just go to the desert

312

00:12:41,670 --> 00:12:39,279

or like go to the conference and then go

313

00:12:43,829 --> 00:12:41,680

out to the desert you know yeah

314

00:12:46,230 --> 00:12:43,839

that'd be sick that would be but i i

315

00:12:48,150 --> 00:12:46,240

think dude like so

316

00:12:49,829 --> 00:12:48,160

so like this dude was a trip right

317

00:12:54,150 --> 00:12:49,839

because like he was

318

00:12:56,069 --> 00:12:54,160

he was like so cool about uh

319

00:12:57,590 --> 00:12:56,079

like i don't know like i guess about the

320

00:12:59,110 --> 00:12:57,600

way that like

321

00:13:01,350 --> 00:12:59,120

oh the way he approached it was just

322

00:13:02,710 --> 00:13:01,360

really cool you know they had uh you

323

00:13:04,470 --> 00:13:02,720

know that interview that we watched and

324

00:13:05,509 --> 00:13:04,480

that guy was being like a total like

325

00:13:09,030 --> 00:13:05,519

[h__h]

326
00:13:10,470 --> 00:13:09,040
he was like so yeah so you mean to tell

327
00:13:12,010 --> 00:13:10,480
me

328
00:13:13,750 --> 00:13:12,020
that there was uh

329
00:13:15,829 --> 00:13:13,760
[Music]

330
00:13:16,629 --> 00:13:15,839
a spacecraft and

331
00:13:20,470 --> 00:13:16,639
and

332
00:13:22,069 --> 00:13:20,480
aliens he's like yeah

333
00:13:23,030 --> 00:13:22,079
could you could you elaborate a little

334
00:13:25,030 --> 00:13:23,040
bit he was like yeah there's a

335
00:13:26,790 --> 00:13:25,040
spacecraft and then uh there's people

336
00:13:29,030 --> 00:13:26,800
driving it there's three of them

337
00:13:30,470 --> 00:13:29,040
so uh for those of you that haven't seen

338
00:13:33,750 --> 00:13:30,480

this interview we're talking about the

339

00:13:35,990 --> 00:13:33,760

kvos webster reports the extraordinary

340

00:13:39,829 --> 00:13:36,000

equation of uh equation of george van

341

00:13:42,310 --> 00:13:39,839

tassel it was filmed in 1964 and the

342

00:13:44,710 --> 00:13:42,320

interviewer is a friggin i mean we

343

00:13:46,710 --> 00:13:44,720

should start with the next guest we have

344

00:13:48,389 --> 00:13:46,720

on the show we should just take on that

345

00:13:51,509 --> 00:13:48,399

personality because

346

00:13:52,710 --> 00:13:51,519

i mean he's a beast it's effective dude

347

00:13:53,509 --> 00:13:52,720

everything he's like

348

00:13:54,949 --> 00:13:53,519

he

349

00:13:56,550 --> 00:13:54,959

george van tassel will answer a question

350

00:13:58,790 --> 00:13:56,560

he'd go yeah well convince me you're an

351
00:14:01,030 --> 00:13:58,800
idiot like

352
00:14:03,189 --> 00:14:01,040
it was let's just play just a little bit

353
00:14:05,590 --> 00:14:03,199
it it was conducted in santa monica by

354
00:14:07,430 --> 00:14:05,600
an associate of mine why hasn't this hit

355
00:14:10,230 --> 00:14:07,440
the headlines throughout the world as

356
00:14:12,629 --> 00:14:10,240
that's a time machine in action in fact

357
00:14:14,710 --> 00:14:12,639
uh jack the reason it hasn't hit the

358
00:14:17,189 --> 00:14:14,720
world is because uh

359
00:14:18,629 --> 00:14:17,199
uh as i understand that now the navy

360
00:14:22,150 --> 00:14:18,639
department

361
00:14:24,710 --> 00:14:22,160
took him and the research over because

362
00:14:27,110 --> 00:14:24,720
he also discovered he could bounce uh

363
00:14:28,710 --> 00:14:27,120

magnetic echoes off the ionosphere and

364

00:14:30,470 --> 00:14:28,720

locate submarines under the ocean

365

00:14:32,629 --> 00:14:30,480

regardless of where they were who is

366

00:14:34,629 --> 00:14:32,639

this associated of yours this is a

367

00:14:36,230 --> 00:14:34,639

fellow named charlie arts

368

00:14:38,230 --> 00:14:36,240

charlie yeah

369

00:14:40,150 --> 00:14:38,240

like immediately are you sure his name

370

00:14:44,389 --> 00:14:40,160

is

371

00:14:45,750 --> 00:14:44,399

yeah no it's [h__\h] charlie it's my

372

00:14:46,790 --> 00:14:45,760

weak guy

373

00:14:50,790 --> 00:14:46,800

uh

374

00:14:53,829 --> 00:14:50,800

you've seen this alien he's like yeah me

375

00:14:56,230 --> 00:14:53,839

and 19 other people yeah can you prove

376

00:14:58,949 --> 00:14:56,240

it well yeah he disappeared and

377

00:15:01,430 --> 00:14:58,959

reappeared three times in front of you

378

00:15:04,470 --> 00:15:01,440

yep in front of me and nineteen people i

379

00:15:06,629 --> 00:15:04,480

did other people now what else you gotta

380

00:15:07,600 --> 00:15:06,639

ask me pilgrim

381

00:15:11,509 --> 00:15:07,610

you know

382

00:15:13,350 --> 00:15:11,519

[Laughter]

383

00:15:15,110 --> 00:15:13,360

like it just seems like a real like like

384

00:15:17,189 --> 00:15:15,120

you wouldn't want to piss van tassel off

385

00:15:18,710 --> 00:15:17,199

type dude but then like then you like

386

00:15:20,790 --> 00:15:18,720

hear about him and then and you're like

387

00:15:23,030 --> 00:15:20,800

oh you mean he he built

388

00:15:25,189 --> 00:15:23,040

he built a building for like sound waves

389

00:15:27,509 --> 00:15:25,199

and stuff and like okay

390

00:15:28,550 --> 00:15:27,519

but let's okay for everybody listen

391

00:15:30,069 --> 00:15:28,560

let's let's

392

00:15:32,230 --> 00:15:30,079

let's start from the beginning we we did

393

00:15:34,150 --> 00:15:32,240

kind of a bio about him i wrote read

394

00:15:36,150 --> 00:15:34,160

that bio but like where does his story

395

00:15:38,310 --> 00:15:36,160

start for you joe like

396

00:15:40,150 --> 00:15:38,320

what like who is george van tassel i

397

00:15:42,310 --> 00:15:40,160

mean this this kind of started with this

398

00:15:43,670 --> 00:15:42,320

interview so like as you were saying

399

00:15:45,269 --> 00:15:43,680

earlier right i mean he was like an

400

00:15:47,189 --> 00:15:45,279

engineer he

401

00:15:49,189 --> 00:15:47,199

uh

402

00:15:50,790 --> 00:15:49,199

he worked on aircraft he had said that

403

00:15:52,870 --> 00:15:50,800

he worked on like every kind of aircraft

404

00:15:55,509 --> 00:15:52,880

that had ever existed at this time

405

00:15:58,230 --> 00:15:55,519

george van tassel was born into what was

406

00:16:02,389 --> 00:15:58,240

in 1910 1910

407

00:16:02,399 --> 00:16:06,150

and i

408

00:16:06,160 --> 00:16:10,550

i guess i guess

409

00:16:16,629 --> 00:16:12,389

he had known that about this little

410

00:16:18,310 --> 00:16:16,639

place uh out in the desert giant rock

411

00:16:20,310 --> 00:16:18,320

right and uh

412

00:16:21,590 --> 00:16:20,320

there was a guy that lived out there he

413

00:16:23,910 --> 00:16:21,600

had a friend

414

00:16:25,189 --> 00:16:23,920

um his name was frank

415

00:16:25,990 --> 00:16:25,199

kreitzer

416

00:16:27,829 --> 00:16:26,000

um

417

00:16:30,069 --> 00:16:27,839

let me see if i can find this i i know

418

00:16:32,069 --> 00:16:30,079

that the guy was a it was a okay here we

419

00:16:33,829 --> 00:16:32,079

go hold on okay so frank kreitzer he was

420

00:16:36,150 --> 00:16:33,839

a prospector who claimed he found some

421

00:16:38,389 --> 00:16:36,160

glass lined tunnels under the rock that

422

00:16:40,949 --> 00:16:38,399

went deep into the ground he built a

423

00:16:44,150 --> 00:16:40,959

strange home under the rock near these

424

00:16:46,710 --> 00:16:44,160

tunnels chrysler said he often heard

425

00:16:49,110 --> 00:16:46,720

static coming from under the rock and

426

00:16:52,629 --> 00:16:49,120

even built a radio to try and pinpoint

427

00:16:54,870 --> 00:16:52,639

its frequencies the year was 1942 though

428

00:16:56,790 --> 00:16:54,880

and the world war ii

429

00:16:58,949 --> 00:16:56,800

uh was beginning was b

430

00:17:01,350 --> 00:16:58,959

sorry and world war ii was being fought

431

00:17:04,230 --> 00:17:01,360

overseas many looked at kreitzer with

432

00:17:06,630 --> 00:17:04,240

suspicion because he was german and

433

00:17:10,069 --> 00:17:06,640

thought he must be a spy in august of

434

00:17:12,710 --> 00:17:10,079

1942 police raided his home under the

435

00:17:14,870 --> 00:17:12,720

rock they used a gas grenade an attempt

436

00:17:17,029 --> 00:17:14,880

to get him to come out but the grenade

437

00:17:18,789 --> 00:17:17,039

set off dynamite that he had stored in

438

00:17:20,870 --> 00:17:18,799

his room chrysler died from the

439

00:17:23,029 --> 00:17:20,880

explosion so basically the dude lived

440

00:17:25,669 --> 00:17:23,039

under this rock he was friends with van

441

00:17:27,750 --> 00:17:25,679

tassel and uh you know van tassel knew

442

00:17:29,350 --> 00:17:27,760

that he was a little eccentric and uh

443

00:17:31,350 --> 00:17:29,360

you know kept up with him but this guy

444

00:17:33,110 --> 00:17:31,360

had dug an entire apartment underneath

445

00:17:34,789 --> 00:17:33,120

this rock because he had found these

446

00:17:36,470 --> 00:17:34,799

caves and he kept saying that he heard

447

00:17:38,549 --> 00:17:36,480

this frequency so you know he sets up

448

00:17:39,590 --> 00:17:38,559

all these radio antennas and people are

449

00:17:41,430 --> 00:17:39,600

like hey

450

00:17:43,590 --> 00:17:41,440

you're a german and you're setting up

451
00:17:45,750 --> 00:17:43,600
radio antennas hidden underneath of a

452
00:17:48,870 --> 00:17:45,760
rock right next to one of the largest

453
00:17:51,590 --> 00:17:48,880
marine bases in the entire world yeah so

454
00:17:52,789 --> 00:17:51,600
they had an issue with it right yeah

455
00:17:55,270 --> 00:17:52,799
when that time they were they were

456
00:17:56,950 --> 00:17:55,280
scared of like just spies were i mean

457
00:17:58,310 --> 00:17:56,960
this wasn't the cold war era but this

458
00:17:59,750 --> 00:17:58,320
was like

459
00:18:02,390 --> 00:17:59,760
they just didn't know what what the

460
00:18:04,070 --> 00:18:02,400
germans had uh as far as technology goes

461
00:18:06,549 --> 00:18:04,080
so anything with it and

462
00:18:08,310 --> 00:18:06,559
they got word that military got word of

463
00:18:09,830 --> 00:18:08,320

uh some money listening to frequencies

464

00:18:11,510 --> 00:18:09,840

and talking about well they got this all

465

00:18:13,669 --> 00:18:11,520

all this equipment they're out in the

466

00:18:15,270 --> 00:18:13,679

desert and he's a very secluded hermit

467

00:18:16,630 --> 00:18:15,280

guy like of course they would try to

468

00:18:18,630 --> 00:18:16,640

check in on this dude and see what the

469

00:18:21,029 --> 00:18:18,640

[h__h] he's off to yeah

470

00:18:22,549 --> 00:18:21,039

i mean i'm not picturing uh

471

00:18:24,870 --> 00:18:22,559

ceramic bowls

472

00:18:25,990 --> 00:18:24,880

or anything but

473

00:18:28,470 --> 00:18:26,000

it sounds like he had something more

474

00:18:30,230 --> 00:18:28,480

substantial uh let's see

475

00:18:31,669 --> 00:18:30,240

let me

476

00:18:33,350 --> 00:18:31,679

[Music]

477

00:18:34,630 --> 00:18:33,360

let me send you a picture i found a cool

478

00:18:41,430 --> 00:18:34,640

picture

479

00:18:42,950 --> 00:18:41,440

rock if we want to show that yeah for

480

00:18:45,350 --> 00:18:42,960

sure

481

00:18:47,190 --> 00:18:45,360

um i'm going to send you let me see i'll

482

00:18:48,390 --> 00:18:47,200

send it this way

483

00:18:53,909 --> 00:18:48,400

boom

484

00:18:57,430 --> 00:18:53,919

me baby me me baby hey what what is that

485

00:18:58,630 --> 00:18:57,440

from uh uh orange county yeah

486

00:19:00,390 --> 00:18:58,640

me baby

487

00:19:02,150 --> 00:19:00,400

one of the best movies ever dude orange

488

00:19:05,110 --> 00:19:02,160

county holy [h__h]

489

00:19:06,230 --> 00:19:05,120

jack black's character that he plays is

490

00:19:07,710 --> 00:19:06,240

i mean

491

00:19:09,669 --> 00:19:07,720

he reminds me of my brother a lot

492

00:19:11,270 --> 00:19:09,679

[Music]

493

00:19:13,190 --> 00:19:11,280

oh i have that i think i have the one

494

00:19:14,549 --> 00:19:13,200

you just sent me you have that photo

495

00:19:16,390 --> 00:19:14,559

yeah so you guys can kind of see what

496

00:19:18,150 --> 00:19:16,400

the inside of this thing looked like i

497

00:19:19,909 --> 00:19:18,160

mean it's really cool

498

00:19:21,510 --> 00:19:19,919

it's really really cool

499

00:19:22,950 --> 00:19:21,520

it's full of some of those photos yeah

500

00:19:25,350 --> 00:19:22,960

the rock

501
00:19:29,830 --> 00:19:25,360
being over seven stories tall the thing

502
00:19:32,310 --> 00:19:29,840
is huge what a cool ass idea you know

503
00:19:34,870 --> 00:19:32,320
and it was completely insulated from the

504
00:19:36,789 --> 00:19:34,880
ground and the rock so i bet it was

505
00:19:38,710 --> 00:19:36,799
always feeling good in there

506
00:19:40,789 --> 00:19:38,720
dude like kind of cool you know like

507
00:19:42,549 --> 00:19:40,799
nobody's seat you don't even need ac in

508
00:19:44,710 --> 00:19:42,559
there man you need it

509
00:19:46,630 --> 00:19:44,720
look at that it's beautiful look how

510
00:19:48,630 --> 00:19:46,640
cool he looks he could wear long sleeves

511
00:19:51,350 --> 00:19:48,640
in the desert bro and the fact that he

512
00:19:53,909 --> 00:19:51,360
just dug a hole under a big ass rock by

513
00:20:00,390 --> 00:19:53,919

himself yeah also this guy with the

514

00:20:04,310 --> 00:20:02,390

uh yeah so i mean they had like a

515

00:20:06,149 --> 00:20:04,320

kitchen and

516

00:20:07,590 --> 00:20:06,159

chairs and all kinds of i mean they uh

517

00:20:11,350 --> 00:20:07,600

they could live down there

518

00:20:12,870 --> 00:20:11,360

under the freaking rock that's huge

519

00:20:15,750 --> 00:20:12,880

look at that

520

00:20:19,029 --> 00:20:15,760

look at it

521

00:20:23,430 --> 00:20:19,039

sometimes

522

00:20:28,710 --> 00:20:25,990

so fantastic figuring out that you know

523

00:20:30,950 --> 00:20:28,720

finding out that his buddy was exploded

524

00:20:33,510 --> 00:20:30,960

all over the bottom of this rock by the

525

00:20:36,310 --> 00:20:33,520

by the government right

526

00:20:37,590 --> 00:20:36,320

yeah uh once again the government if uh

527

00:20:39,110 --> 00:20:37,600

killing somebody was just minding their

528

00:20:42,390 --> 00:20:39,120

business

529

00:20:44,870 --> 00:20:42,400

and and uh so he you know he contacts

530

00:20:47,510 --> 00:20:44,880

you know it's blm land so he's like hey

531

00:20:49,830 --> 00:20:47,520

you guys mind if i if i lease this and

532

00:20:53,190 --> 00:20:49,840

i'll run the airport out there and

533

00:20:56,149 --> 00:20:53,200

they're like yeah sure why not yeah so

534

00:20:59,350 --> 00:20:56,159

now instead of having a random german

535

00:21:01,430 --> 00:20:59,360

guy under there with uh antennas

536

00:21:03,270 --> 00:21:01,440

underneath now they have van tassel

537

00:21:05,750 --> 00:21:03,280

who's talking to aliens

538

00:21:07,270 --> 00:21:05,760

yes dude and this is where she gets kind

539

00:21:08,870 --> 00:21:07,280

of crazy because he always knew that

540

00:21:11,110 --> 00:21:08,880

there was something special out there

541

00:21:12,950 --> 00:21:11,120

about that region um i believe what is

542

00:21:16,070 --> 00:21:12,960

it the

543

00:21:17,669 --> 00:21:16,080

excuse me the the hopi indian they

544

00:21:20,070 --> 00:21:17,679

actually believe that that is the

545

00:21:22,230 --> 00:21:20,080

heartbeat of the earth is that giant

546

00:21:23,830 --> 00:21:22,240

rock right so it's it's a very spiritual

547

00:21:24,950 --> 00:21:23,840

place there's a lot of energy there it's

548

00:21:27,190 --> 00:21:24,960

one of the

549

00:21:29,430 --> 00:21:27,200

like most highly magnetic uh places on

550

00:21:31,350 --> 00:21:29,440

the earth um you know we've talked about

551
00:21:33,990 --> 00:21:31,360
all those types of places around the

552
00:21:35,750 --> 00:21:34,000
planet that are a little bit special for

553
00:21:37,350 --> 00:21:35,760
that reason well this is one of those

554
00:21:38,310 --> 00:21:37,360
areas right so

555
00:21:40,870 --> 00:21:38,320
uh

556
00:21:42,789 --> 00:21:40,880
they they own this this little airport

557
00:21:44,710 --> 00:21:42,799
it's kind of a private airport it's used

558
00:21:48,149 --> 00:21:44,720
by private aircraft and military

559
00:21:52,549 --> 00:21:48,159
aircraft well uh one evening

560
00:21:55,430 --> 00:21:52,559
right uh mr george van halen tassel is

561
00:21:57,669 --> 00:21:55,440
sleeping and his son-in-law comes and

562
00:22:00,149 --> 00:21:57,679
wakes him up and he's like hey there's a

563
00:22:01,350 --> 00:22:00,159

um there's an alien ship out here

564

00:22:03,590 --> 00:22:01,360

hey oh

565

00:22:06,630 --> 00:22:03,600

hey dad don't call me dad i'm not your

566

00:22:08,789 --> 00:22:06,640

dad yet i mean sir

567

00:22:10,830 --> 00:22:08,799

because it's his like future son-in-law

568

00:22:12,710 --> 00:22:10,840

right excuse me dad

569

00:22:17,590 --> 00:22:12,720

sir

570

00:22:19,430 --> 00:22:17,600

is her dad well i mean dad ah dang it uh

571

00:22:21,750 --> 00:22:19,440

can i marry your daughter no bad timing

572

00:22:24,310 --> 00:22:21,760

anyway there's aliens outside

573

00:22:26,390 --> 00:22:24,320

there's a spaceship

574

00:22:29,909 --> 00:22:26,400

look i know i know i don't get paid work

575

00:22:35,590 --> 00:22:32,310

anyway there's aliens outside

576

00:22:38,470 --> 00:22:36,950

he goes out there

577

00:22:41,909 --> 00:22:38,480

and he's like well i'll be damned look

578

00:22:45,350 --> 00:22:43,270

on the tarmac

579

00:22:47,270 --> 00:22:45,360

in this tiny little uh airport out in

580

00:22:49,029 --> 00:22:47,280

the middle of the freaking desert it's

581

00:22:51,190 --> 00:22:49,039

probably cold you can see the stars

582

00:22:54,950 --> 00:22:51,200

though that's kind of cool

583

00:22:56,710 --> 00:22:54,960

sees this bell-shaped ufo

584

00:22:58,390 --> 00:22:56,720

flying swasta

585

00:22:59,590 --> 00:22:58,400

and how tall were the the dudes that

586

00:23:00,630 --> 00:22:59,600

were like were they already standing

587

00:23:01,990 --> 00:23:00,640

outside

588

00:23:03,270 --> 00:23:02,000

and like um

589

00:23:05,350 --> 00:23:03,280

i don't know i don't know if they were

590

00:23:09,350 --> 00:23:05,360

already standing outside or not i don't

591

00:23:13,830 --> 00:23:12,070

so i just i i uh i picture it he walks

592

00:23:16,630 --> 00:23:13,840

up to the dude and there's like

593

00:23:18,470 --> 00:23:16,640

he's got homies like that it was only

594

00:23:20,390 --> 00:23:18,480

oh yeah it was three of them the first

595

00:23:22,470 --> 00:23:20,400

time right it was three of them the

596

00:23:24,870 --> 00:23:22,480

first time and then the second encounter

597

00:23:26,310 --> 00:23:24,880

that he has it's only one guy that he

598

00:23:30,149 --> 00:23:26,320

talks about

599

00:23:32,710 --> 00:23:30,159

oh the the guy the cadillac yeah yeah

600

00:23:34,789 --> 00:23:32,720

okay so what how do you how does he

601
00:23:37,510 --> 00:23:34,799
describe the

602
00:23:39,669 --> 00:23:37,520
the dude the first time the the dude in

603
00:23:41,269 --> 00:23:39,679
the cadillac no no the the the first

604
00:23:43,669 --> 00:23:41,279
time so

605
00:23:46,630 --> 00:23:43,679
wakes up 2am his son-in-law is like hey

606
00:23:49,510 --> 00:23:46,640
dad sir come outside there's aliens

607
00:23:51,269 --> 00:23:49,520
there's a ufo he walks up to the ufo the

608
00:23:53,510 --> 00:23:51,279
bell-shaped craft there's a there's a

609
00:23:55,110 --> 00:23:53,520
gentleman

610
00:23:56,789 --> 00:23:55,120
uh

611
00:23:58,070 --> 00:23:56,799
the way you describe it is hilarious

612
00:23:59,510 --> 00:23:58,080
like

613
00:24:02,230 --> 00:23:59,520

the way he does i don't know i was

614

00:24:04,549 --> 00:24:02,240

trying to get you to do his voice

615

00:24:06,549 --> 00:24:04,559

i can't i can't remember he's got a he's

616

00:24:08,630 --> 00:24:06,559

got a healthy tan

617

00:24:11,190 --> 00:24:08,640

oh yeah yeah yeah yeah it went into

618

00:24:13,029 --> 00:24:11,200

society it looked like he was like he

619

00:24:14,470 --> 00:24:13,039

was like so what are they what are they

620

00:24:16,310 --> 00:24:14,480

uh

621

00:24:17,269 --> 00:24:16,320

well it was like yeah there was there

622

00:24:19,110 --> 00:24:17,279

was three

623

00:24:23,590 --> 00:24:19,120

three

624

00:24:25,350 --> 00:24:23,600

they mean like martians people like yeah

625

00:24:27,029 --> 00:24:25,360

little like a little green men and he

626
00:24:29,110 --> 00:24:27,039
was like no no

627
00:24:31,990 --> 00:24:29,120
they would look just like uh like you

628
00:24:33,190 --> 00:24:32,000
and me they had uh blonde hair they're

629
00:24:34,870 --> 00:24:33,200
about

630
00:24:37,590 --> 00:24:34,880
five eight

631
00:24:41,750 --> 00:24:37,600
healthy tans hell they're damn

632
00:24:45,190 --> 00:24:43,350
so uh

633
00:24:46,789 --> 00:24:45,200
yeah um

634
00:24:50,070 --> 00:24:46,799
anyway so

635
00:24:52,630 --> 00:24:50,080
what happens next like does he

636
00:24:54,950 --> 00:24:52,640
in in my memory of this interview he

637
00:24:57,029 --> 00:24:54,960
does he get the uh

638
00:24:57,830 --> 00:24:57,039

equation from him at that time or was

639

00:25:01,669 --> 00:24:57,840

that

640

00:25:04,230 --> 00:25:01,679

just starts having

641

00:25:06,549 --> 00:25:04,240

like the downloads and stuff and like

642

00:25:08,789 --> 00:25:06,559

he's had this interaction it's just

643

00:25:11,110 --> 00:25:08,799

weird because like his his

644

00:25:13,029 --> 00:25:11,120

his demeanor about the whole thing is he

645

00:25:14,950 --> 00:25:13,039

makes it sound like

646

00:25:16,070 --> 00:25:14,960

he went outside he met these dudes and

647

00:25:17,830 --> 00:25:16,080

then he was just like all right we're

648

00:25:19,190 --> 00:25:17,840

gonna have a good night yeah you know

649

00:25:20,870 --> 00:25:19,200

like they leave and like he was just

650

00:25:22,549 --> 00:25:20,880

cool with it he was like well

651

00:25:23,909 --> 00:25:22,559

like it's almost like that thing

652

00:25:26,830 --> 00:25:23,919

happened and he turned around looked at

653

00:25:31,110 --> 00:25:29,669

well we got work to do tomorrow

654

00:25:32,470 --> 00:25:31,120

you know like went back in the house and

655

00:25:33,909 --> 00:25:32,480

like [h__h] just went to sleep that's

656

00:25:36,390 --> 00:25:33,919

what he makes it sound like you know

657

00:25:38,549 --> 00:25:36,400

like yeah all right well that was it

658

00:25:42,310 --> 00:25:38,559

there's not much to explain explanation

659

00:25:44,789 --> 00:25:42,320

aliens yeah they look just like us just

660

00:25:46,870 --> 00:25:44,799

like us yep had a tan well i gotta wake

661

00:25:48,070 --> 00:25:46,880

up in the morning you gotta work you got

662

00:25:49,430 --> 00:25:48,080

chores to do who's gonna feed the

663

00:25:50,870 --> 00:25:49,440

chicken now

664

00:25:56,630 --> 00:25:50,880

yeah

665

00:25:57,990 --> 00:25:56,640

very like cool about it and then and

666

00:25:59,190 --> 00:25:58,000

then he ends up having a second

667

00:26:01,269 --> 00:25:59,200

encounter

668

00:26:02,789 --> 00:26:01,279

and he's like he's like

669

00:26:04,310 --> 00:26:02,799

yeah they're basically like walking

670

00:26:05,830 --> 00:26:04,320

among us you would never even know the

671

00:26:07,830 --> 00:26:05,840

difference yeah like he's like what do

672

00:26:09,909 --> 00:26:07,840

you mean he's like yeah they they meet

673

00:26:11,750 --> 00:26:09,919

you in a spaceship again he was like no

674

00:26:13,590 --> 00:26:11,760

they drove up in a cadillac

675

00:26:15,350 --> 00:26:13,600

he was like all three of them he's like

676

00:26:16,950 --> 00:26:15,360

nope just one guy

677

00:26:19,350 --> 00:26:16,960

in a suit

678

00:26:21,990 --> 00:26:19,360

he was in a cadillac like a real shark i

679

00:26:25,909 --> 00:26:22,000

was a little jealous like a regular guy

680

00:26:27,590 --> 00:26:25,919

he was like what and he was like yeah

681

00:26:29,750 --> 00:26:27,600

he was like he showed up and there was

682

00:26:31,990 --> 00:26:29,760

me and 19 other people and he was like

683

00:26:33,750 --> 00:26:32,000

so how do you know he was an alien

684

00:26:35,590 --> 00:26:33,760

he was like well he disappeared he

685

00:26:37,110 --> 00:26:35,600

disappeared right in front of you

686

00:26:39,029 --> 00:26:37,120

yeah three times

687

00:26:40,390 --> 00:26:39,039

in front of you yeah me and nineteen

688

00:26:41,510 --> 00:26:40,400

other people

689

00:26:46,549 --> 00:26:41,520

am i waiting to do it again they were

690

00:26:50,149 --> 00:26:48,470

if you wanted to like it's funny he's

691

00:26:51,990 --> 00:26:50,159

like i mean if he wanted to show you he

692

00:26:55,590 --> 00:26:52,000

probably could if he didn't feel like

693

00:26:57,430 --> 00:26:55,600

showing you like he wouldn't you know

694

00:26:59,750 --> 00:26:57,440

like the the alien if he didn't feel

695

00:27:02,310 --> 00:26:59,760

like showing it yeah

696

00:27:04,310 --> 00:27:02,320

yeah it's it's a weird question to ask

697

00:27:06,390 --> 00:27:04,320

how do you know like was there proof and

698

00:27:08,710 --> 00:27:06,400

it seemed almost like and then that's

699

00:27:10,390 --> 00:27:08,720

why we call him the john way of of john

700

00:27:11,669 --> 00:27:10,400

wayne of ufology because he seems like

701
00:27:13,350 --> 00:27:11,679
he's just

702
00:27:15,029 --> 00:27:13,360
calm cool collected

703
00:27:16,789 --> 00:27:15,039
just matter of fact this is what

704
00:27:17,669 --> 00:27:16,799
happened well i'll tell you how it's

705
00:27:19,750 --> 00:27:17,679
like

706
00:27:21,830 --> 00:27:19,760
you're asking me to prove it well i

707
00:27:22,950 --> 00:27:21,840
disappeared and reappeared in front of

708
00:27:26,789 --> 00:27:22,960
me

709
00:27:28,710 --> 00:27:26,799
uh which at the end of that interview

710
00:27:30,870 --> 00:27:28,720
the interviewer does this like camera

711
00:27:32,870 --> 00:27:30,880
trick

712
00:27:34,389 --> 00:27:32,880
it's so bad it's so bad like the camera

713
00:27:37,029 --> 00:27:34,399

moves and [h__h] it's like it's not

714

00:27:39,269 --> 00:27:37,039

perfect but still kind of cool for 19 or

715

00:27:41,909 --> 00:27:39,279

you know 1968 or whatever

716

00:27:43,669 --> 00:27:41,919

yeah dude that was that was kind of sick

717

00:27:45,510 --> 00:27:43,679

it was just he almost had this demeanor

718

00:27:47,029 --> 00:27:45,520

of like well

719

00:27:49,269 --> 00:27:47,039

i'm not really worried about proving it

720

00:27:50,789 --> 00:27:49,279

too like i'm building the time machine

721

00:27:52,230 --> 00:27:50,799

right now so

722

00:27:54,389 --> 00:27:52,240

yeah

723

00:27:55,990 --> 00:27:54,399

look at the other [h__h] i'm working on

724

00:27:57,750 --> 00:27:56,000

and that's also crazy too like he's

725

00:27:59,669 --> 00:27:57,760

building this time machine right it's

726
00:28:05,990 --> 00:27:59,679
like

727
00:28:06,710 --> 00:28:06,000
right

728
00:28:08,950 --> 00:28:06,720
uh

729
00:28:11,590 --> 00:28:08,960
52 because

730
00:28:13,669 --> 00:28:11,600
three was uh the year that he like

731
00:28:15,990 --> 00:28:13,679
started going public so it happened he

732
00:28:18,389 --> 00:28:16,000
said and this is what what's on on the

733
00:28:20,389 --> 00:28:18,399
internet and okay okay i did find it on

734
00:28:22,310 --> 00:28:20,399
wikipedia but i did corroborate it on a

735
00:28:25,190 --> 00:28:22,320
couple other websites

736
00:28:29,269 --> 00:28:25,200
so that i guess it happened in 1952

737
00:28:30,470 --> 00:28:29,279
of like the summer before 1953. um

738
00:28:33,350 --> 00:28:30,480

so okay

739

00:28:35,830 --> 00:28:33,360

but uh frank chrysler uh lived under

740

00:28:39,510 --> 00:28:35,840

that rock in 1942

741

00:28:41,590 --> 00:28:39,520

and so they did raid his place in 1942

742

00:28:43,510 --> 00:28:41,600

um so it must have been some time yeah

743

00:28:46,630 --> 00:28:43,520

van tassel began construction of the

744

00:28:48,310 --> 00:28:46,640

integratron in 1953.

745

00:28:50,789 --> 00:28:48,320

okay so

746

00:28:53,350 --> 00:28:50,799

it says after frank was gone van tassel

747

00:28:56,070 --> 00:28:53,360

took over the giant rock local

748

00:28:57,990 --> 00:28:56,080

when the war ended he approached the blm

749

00:29:00,149 --> 00:28:58,000

and officially acquired the property he

750

00:29:02,549 --> 00:29:00,159

moved his family there and restored some

751

00:29:05,190 --> 00:29:02,559

of the rooms under the rock to use for

752

00:29:06,870 --> 00:29:05,200

storage george maintained and expanded

753

00:29:09,269 --> 00:29:06,880

the giant rock airport which had been

754

00:29:11,909 --> 00:29:09,279

constructed by frank kreitzer adding a

755

00:29:13,669 --> 00:29:11,919

small cafe van tassel's family camped

756

00:29:16,389 --> 00:29:13,679

there and slept outside at night they

757

00:29:18,149 --> 00:29:16,399

lived in the area for more than 20 years

758

00:29:21,269 --> 00:29:18,159

here's where the story takes an even

759

00:29:23,350 --> 00:29:21,279

stranger turn reportedly then van tassel

760

00:29:25,909 --> 00:29:23,360

was working on the remains of the rock

761

00:29:27,350 --> 00:29:25,919

house he discovered chrysler's long-lost

762

00:29:29,990 --> 00:29:27,360

glass tunnels

763

00:29:31,830 --> 00:29:30,000

then he met some aliens from venus who

764

00:29:34,630 --> 00:29:31,840

had landed their spaceship near giant

765

00:29:37,110 --> 00:29:34,640

rock the venusian aliens taught him the

766

00:29:39,029 --> 00:29:37,120

principles of rejuvenation of human

767

00:29:42,630 --> 00:29:39,039

cells and gave him plans for the

768

00:29:43,669 --> 00:29:42,640

creation of the integratron

769

00:29:48,389 --> 00:29:43,679

boom

770

00:29:50,549 --> 00:29:48,399

well read

771

00:29:54,870 --> 00:29:50,559

is all i have to say

772

00:29:56,950 --> 00:29:54,880

also i want to show a photo of a man

773

00:29:58,789 --> 00:29:56,960

who you know we wish it was the guy that

774

00:30:00,230 --> 00:29:58,799

we we've talked about many times on this

775

00:30:03,190 --> 00:30:00,240

podcast

776

00:30:05,269 --> 00:30:03,200

um but uh it was a man who approached us

777

00:30:08,789 --> 00:30:05,279

in 2020

778

00:30:13,350 --> 00:30:08,799

telling us uh pleading us to to read his

779

00:30:18,389 --> 00:30:16,149

uh did you find it uh well i didn't find

780

00:30:19,990 --> 00:30:18,399

the guy but i mean here's the the the

781

00:30:21,350 --> 00:30:20,000

image that i found

782

00:30:25,430 --> 00:30:21,360

of of the guy

783

00:30:26,630 --> 00:30:25,440

uh and so this individual at a at a

784

00:30:27,990 --> 00:30:26,640

conference

785

00:30:29,669 --> 00:30:28,000

i mean we've talked about it a few times

786

00:30:31,269 --> 00:30:29,679

on the podcast yeah we have he was he

787

00:30:33,590 --> 00:30:31,279

was wearing he was wearing a pyramid on

788

00:30:36,950 --> 00:30:33,600

his head he was just like that

789

00:30:39,350 --> 00:30:36,960

just like that dude you were saying

790

00:30:41,990 --> 00:30:39,360

it was you gotta have me on the freaking

791

00:30:43,830 --> 00:30:42,000

show look look you you guys suck you

792

00:30:44,630 --> 00:30:43,840

guys suck if you have me on you'll be

793

00:30:46,789 --> 00:30:44,640

great

794

00:30:48,549 --> 00:30:46,799

just read my [h__h] it's like a 500 page

795

00:30:50,389 --> 00:30:48,559

document it was like i'll come back in

796

00:30:53,510 --> 00:30:50,399

15 minutes after you read it like [h__h]

797

00:30:55,110 --> 00:30:53,520

wait hold on we're hungover like

798

00:30:56,789 --> 00:30:55,120

and then we're like we're just taking

799

00:30:59,669 --> 00:30:56,799

nine and schedule you for next week he

800

00:31:01,590 --> 00:30:59,679

was like no no that's my only copy

801
00:31:03,990 --> 00:31:01,600
like what we have to give it back to you

802
00:31:05,909 --> 00:31:04,000
the pages were sticky like you know like

803
00:31:07,430 --> 00:31:05,919
how are we gonna read 500 pages in 15

804
00:31:09,590 --> 00:31:07,440
minutes bro

805
00:31:10,870 --> 00:31:09,600
so i i don't know if it was just the

806
00:31:13,350 --> 00:31:10,880
arrogance

807
00:31:15,269 --> 00:31:13,360
or or whatever it was just it was funny

808
00:31:16,710 --> 00:31:15,279
okay it wasn't like okay we thought this

809
00:31:18,950 --> 00:31:16,720
guy was an [h__h] but it was just it

810
00:31:21,029 --> 00:31:18,960
was a funny interaction

811
00:31:22,310 --> 00:31:21,039
an unusual interaction

812
00:31:24,230 --> 00:31:22,320
and again we're not saying it was this

813
00:31:26,630 --> 00:31:24,240

guy but he looked just like this guy

814

00:31:29,509 --> 00:31:26,640

yeah but but he was tired he was trying

815

00:31:32,230 --> 00:31:29,519

to tell us that he

816

00:31:34,630 --> 00:31:32,240

was in contact with a venusian man he

817

00:31:36,230 --> 00:31:34,640

was what knew he was so now it's like

818

00:31:38,950 --> 00:31:36,240

come full circle now we're hearing about

819

00:31:40,870 --> 00:31:38,960

george van hasslisms and

820

00:31:43,669 --> 00:31:40,880

and wasn't the valiant thor of a notion

821

00:31:45,669 --> 00:31:43,679

too oh my god are you are you that was a

822

00:31:46,710 --> 00:31:45,679

venusian too they were all venusians

823

00:31:48,950 --> 00:31:46,720

like we've been hanging out with

824

00:31:54,389 --> 00:31:48,960

venusians this whole time

825

00:31:56,149 --> 00:31:54,399

oh see it just sounded so lame back then

826
00:31:58,230 --> 00:31:56,159
back then two years ago

827
00:32:00,149 --> 00:31:58,240
you know just like venusians come on

828
00:32:01,509 --> 00:32:00,159
dude like

829
00:32:03,430 --> 00:32:01,519
we know that

830
00:32:06,389 --> 00:32:03,440
uh venus is just a

831
00:32:08,149 --> 00:32:06,399
giant ball of gas you know

832
00:32:10,710 --> 00:32:08,159
and i don't know it just seemed corny

833
00:32:12,950 --> 00:32:10,720
but [h__\h] now we're seeing like just like

834
00:32:15,990 --> 00:32:12,960
multiple people talking about people

835
00:32:18,389 --> 00:32:16,000
from from venus from venus and that's

836
00:32:19,590 --> 00:32:18,399
where men go to get their penis

837
00:32:21,269 --> 00:32:19,600
that's because we're born without a

838
00:32:23,110 --> 00:32:21,279

penis and we get the p

839

00:32:25,430 --> 00:32:23,120

i thought we went to jupiter to get to

840

00:32:27,830 --> 00:32:25,440

get more stats right yeah that's right i

841

00:32:29,750 --> 00:32:27,840

got it wrong no no no dude we go to mars

842

00:32:31,750 --> 00:32:29,760

to get more candy bars girls go to

843

00:32:33,830 --> 00:32:31,760

jupiter to get more stupider everybody

844

00:32:36,310 --> 00:32:33,840

knows that that's what's up dude hell

845

00:32:39,029 --> 00:32:36,320

yeah i hear that baby

846

00:32:41,750 --> 00:32:39,039

uh champ says yeah thor said he wasn't

847

00:32:46,710 --> 00:32:41,760

the only one on planet so yeah there's

848

00:32:49,669 --> 00:32:48,380

509 do you think uh

849

00:32:50,549 --> 00:32:49,679

[Music]

850

00:32:55,190 --> 00:32:50,559

uh

851

00:32:58,870 --> 00:32:57,669

so okay pardon paranormal venus for

852

00:33:01,750 --> 00:32:58,880

penis

853

00:33:04,070 --> 00:33:01,760

so uh joe actually if we were talking on

854

00:33:06,310 --> 00:33:04,080

the phone about or it was a couple days

855

00:33:07,909 --> 00:33:06,320

ago or on wednesday when we met to kind

856

00:33:10,070 --> 00:33:07,919

of plan for the show because we wanted

857

00:33:12,230 --> 00:33:10,080

to have our ducks on the road like be

858

00:33:14,230 --> 00:33:12,240

like

859

00:33:16,389 --> 00:33:14,240

we're doing we're doing okay we're

860

00:33:18,389 --> 00:33:16,399

trying to be responsible yeah like know

861

00:33:20,630 --> 00:33:18,399

some stuff

862

00:33:22,789 --> 00:33:20,640

oh anyway so we were talking about like

863

00:33:24,310 --> 00:33:22,799

joe you said what if that guy

864

00:33:27,669 --> 00:33:24,320

that it approached us the guy with the

865

00:33:28,950 --> 00:33:27,679

the pyramid on his head was a venusian

866

00:33:30,710 --> 00:33:28,960

and that's why

867

00:33:31,990 --> 00:33:30,720

the encounter was weird because he just

868

00:33:34,230 --> 00:33:32,000

didn't know

869

00:33:36,830 --> 00:33:34,240

social cues and like

870

00:33:39,190 --> 00:33:36,840

he was actually telling you telling us

871

00:33:40,710 --> 00:33:39,200

like hey i'm an alien like you want to

872

00:33:42,230 --> 00:33:40,720

talk to me or what

873

00:33:43,590 --> 00:33:42,240

yeah because that's what we've wanted

874

00:33:46,549 --> 00:33:43,600

this whole time is just to talk to an

875

00:33:47,590 --> 00:33:46,559

alien he was like hey i'm an alien yeah

876

00:33:48,950 --> 00:33:47,600

and here's some things you should

877

00:33:50,710 --> 00:33:48,960

probably know about me before we start

878

00:33:52,310 --> 00:33:50,720

talking here you go he gave us the

879

00:33:54,549 --> 00:33:52,320

chance that we ruined it we didn't read

880

00:33:55,990 --> 00:33:54,559

the 500 page document

881

00:33:58,549 --> 00:33:56,000

because he didn't realize that he can

882

00:33:59,669 --> 00:33:58,559

read a 500 page document in like

883

00:34:00,870 --> 00:33:59,679

two minutes

884

00:34:03,430 --> 00:34:00,880

we have to

885

00:34:05,190 --> 00:34:03,440

it's going to take us like two months

886

00:34:08,869 --> 00:34:05,200

i don't think i've ever written

887

00:34:11,750 --> 00:34:08,879

read 500 pages yeah in under a month

888

00:34:13,990 --> 00:34:11,760

dude it takes me a long time oh for sure

889

00:34:15,990 --> 00:34:14,000

eric mitchell what's up buddy

890

00:34:19,270 --> 00:34:16,000

what's up dude hell yeah intelligent

891

00:34:21,190 --> 00:34:19,280

life is far away and very close

892

00:34:22,470 --> 00:34:21,200

i think so too man that's what's up i

893

00:34:26,310 --> 00:34:22,480

think it's all too

894

00:34:30,869 --> 00:34:28,389

yeah arden agrees with me venus is for

895

00:34:35,669 --> 00:34:32,149

who's

896

00:34:38,710 --> 00:34:35,679

and then by joey said i'm your venus i'm

897

00:34:41,109 --> 00:34:38,720

your fire sure

898

00:34:44,310 --> 00:34:41,119

do you say shorts desire yeah dudes

899

00:34:45,990 --> 00:34:44,320

desire i desire shorts

900

00:34:49,669 --> 00:34:46,000

look these shorts aren't short enough i

901
00:34:53,270 --> 00:34:49,679
desire shorter shorts

902
00:34:57,910 --> 00:34:56,629
um alabama tide man dude you know i love

903
00:34:58,630 --> 00:34:57,920
you man but

904
00:35:03,109 --> 00:34:58,640
it

905
00:35:06,390 --> 00:35:04,390
ties

906
00:35:08,390 --> 00:35:06,400
it doesn't go against ben's contract but

907
00:35:10,870 --> 00:35:08,400
but in in my contract they were like if

908
00:35:12,550 --> 00:35:10,880
you say it

909
00:35:17,910 --> 00:35:12,560
then you're not allowed to watch

910
00:35:20,069 --> 00:35:19,030
they

911
00:35:22,230 --> 00:35:20,079
you know

912
00:35:23,750 --> 00:35:22,240
it's it's it's not my place joe but you

913
00:35:27,270 --> 00:35:23,760

know it's uh

914

00:35:32,310 --> 00:35:27,280

i'm not a ut uh fan but you know i i'm

915

00:35:35,270 --> 00:35:33,589

there's a lot of there's a lot of things

916

00:35:37,430 --> 00:35:35,280

you can't say and roll tide is one of

917

00:35:40,069 --> 00:35:38,710

i'm the only one in this household that

918

00:35:42,390 --> 00:35:40,079

can say it

919

00:35:43,510 --> 00:35:42,400

yeah yeah yeah you're not allowed to say

920

00:35:44,870 --> 00:35:43,520

it

921

00:35:48,470 --> 00:35:44,880

but what do you think dude

922

00:35:51,589 --> 00:35:48,480

so do you think that van tassel like

923

00:35:54,310 --> 00:35:51,599

so this is where we have struggled with

924

00:35:56,790 --> 00:35:54,320

the the subject just in general right

925

00:35:58,950 --> 00:35:56,800

yeah like you hear van tassel's story

926
00:36:00,710 --> 00:35:58,960
and you're like damn dude that's dope

927
00:36:02,390 --> 00:36:00,720
like

928
00:36:04,790 --> 00:36:02,400
i kind of believe that

929
00:36:06,710 --> 00:36:04,800
yeah but then they're like

930
00:36:08,470 --> 00:36:06,720
but then i started channeling venusians

931
00:36:10,550 --> 00:36:08,480
and you're like wait the [h__h] wait a

932
00:36:12,390 --> 00:36:10,560
second you know what i'm saying and then

933
00:36:13,990 --> 00:36:12,400
it starts to just fall apart for me and

934
00:36:16,310 --> 00:36:14,000
i hate that because i don't

935
00:36:17,829 --> 00:36:16,320
i don't want to be that way but before

936
00:36:18,950 --> 00:36:17,839
we explain the falling apart dude i

937
00:36:21,750 --> 00:36:18,960
think we need to give a little bit of

938
00:36:23,430 --> 00:36:21,760

context because because here here's

939

00:36:24,550 --> 00:36:23,440

where i was following the story i was

940

00:36:26,550 --> 00:36:24,560

like

941

00:36:28,390 --> 00:36:26,560

pumped boom let's go

942

00:36:29,589 --> 00:36:28,400

uh talking about frequencies talking

943

00:36:33,510 --> 00:36:29,599

about uh

944

00:36:35,589 --> 00:36:33,520

nikola tesla designs and and uh

945

00:36:37,750 --> 00:36:35,599

uh science which i'm totally into i'm

946

00:36:40,630 --> 00:36:37,760

not smart enough to know it

947

00:36:42,550 --> 00:36:40,640

like understand it fully but yeah it

948

00:36:44,550 --> 00:36:42,560

excites me like that there's some kind

949

00:36:47,030 --> 00:36:44,560

of hidden knowledge that's been

950

00:36:49,349 --> 00:36:47,040

purposely hidden from us because it was

951
00:36:52,790 --> 00:36:49,359
free uh you know the the age old story

952
00:36:58,470 --> 00:36:55,109
uh i'm sorry i'm totally blanking uh

953
00:37:00,630 --> 00:36:58,480
there was uh nikola tesla with the ac

954
00:37:04,230 --> 00:37:00,640
current and then there was

955
00:37:06,870 --> 00:37:04,240
the guy with the uh the uh sorry

956
00:37:09,589 --> 00:37:06,880
nikola tesla with the ac current the

957
00:37:10,950 --> 00:37:09,599
other guy with a dc current

958
00:37:13,030 --> 00:37:10,960
oh my god i sound like an idiot right

959
00:37:14,790 --> 00:37:13,040
now i feel like

960
00:37:17,030 --> 00:37:14,800
uh yeah it's

961
00:37:18,470 --> 00:37:17,040
damn it it's not alexander somebody help

962
00:37:20,550 --> 00:37:18,480
me out in the chat it's not alexander

963
00:37:33,270 --> 00:37:20,560

graham because washington

964

00:37:35,750 --> 00:37:34,230

yep

965

00:37:38,069 --> 00:37:35,760

uh

966

00:37:38,950 --> 00:37:38,079

so edison you know the the story is that

967

00:37:39,910 --> 00:37:38,960

you know

968

00:37:44,470 --> 00:37:39,920

he

969

00:37:46,310 --> 00:37:44,480

said look this guy's a genius let's put

970

00:37:48,550 --> 00:37:46,320

some money into it he starts nicholas

971

00:37:51,190 --> 00:37:48,560

tesla starts building warden cliff

972

00:37:53,430 --> 00:37:51,200

uh as an energy

973

00:37:55,829 --> 00:37:53,440

emitting device little does edison know

974

00:37:58,069 --> 00:37:55,839

that tesla's uh

975

00:38:00,069 --> 00:37:58,079

whole point of building warden cliff and

976

00:38:03,990 --> 00:38:00,079

the science that he was following from

977

00:38:06,710 --> 00:38:04,000

his channelings his communication with

978

00:38:08,870 --> 00:38:06,720

aliens whatever pigeons

979

00:38:10,150 --> 00:38:08,880

well we don't know if that they might be

980

00:38:12,150 --> 00:38:10,160

pigeons

981

00:38:13,430 --> 00:38:12,160

is that what he what edison didn't know

982

00:38:15,990 --> 00:38:13,440

is that

983

00:38:18,710 --> 00:38:16,000

uh nikola tesla wanted to give he wanted

984

00:38:21,910 --> 00:38:18,720

to figure out a way to give away energy

985

00:38:23,990 --> 00:38:21,920

for free he found out a way to to for

986

00:38:26,630 --> 00:38:24,000

everybody to have energy electricity for

987

00:38:28,230 --> 00:38:26,640

free and that wasn't uh that wasn't okay

988

00:38:30,069 --> 00:38:28,240

because you can't put a meter on it i

989

00:38:31,910 --> 00:38:30,079

just love that idea that you can that

990

00:38:34,069 --> 00:38:31,920

there's some hidden thing that it's like

991

00:38:36,230 --> 00:38:34,079

right in front of her noses we just

992

00:38:38,230 --> 00:38:36,240

have been missing the whole big picture

993

00:38:40,470 --> 00:38:38,240

this entire time so yeah that's what

994

00:38:42,069 --> 00:38:40,480

excites me about this this whole story

995

00:38:44,230 --> 00:38:42,079

but it's like crazy because like we use

996

00:38:47,109 --> 00:38:44,240

it like we use the same technology for

997

00:38:49,349 --> 00:38:47,119

like wi-fi and [h__\h]

998

00:38:51,510 --> 00:38:49,359

oh like uh frequency emission and like

999

00:38:53,829 --> 00:38:51,520

radio tendencies and stuff like they're

1000

00:38:56,630 --> 00:38:53,839

still using it they're just not using it

1001

00:38:57,829 --> 00:38:56,640

for energy right so

1002

00:38:59,589 --> 00:38:57,839

like there is a thing called like

1003

00:39:01,670 --> 00:38:59,599

magnetic coupling but you need to be

1004

00:39:05,430 --> 00:39:01,680

really close to the source the the

1005

00:39:08,550 --> 00:39:06,710

like sending out the signal and

1006

00:39:11,030 --> 00:39:08,560

receiving the signal it just doesn't

1007

00:39:12,310 --> 00:39:11,040

work well over long distances with the

1008

00:39:14,470 --> 00:39:12,320

information that we're allowed to

1009

00:39:15,750 --> 00:39:14,480

consume but apparently nikola tesla

1010

00:39:18,310 --> 00:39:15,760

figured it out

1011

00:39:21,270 --> 00:39:18,320

uh with a resonant frequency there's a

1012

00:39:24,230 --> 00:39:21,280

dude on tick tock uh actually called uh

1013

00:39:25,910 --> 00:39:24,240

uh dr perkenstein uh if every anybody

1014

00:39:27,670 --> 00:39:25,920

knows about him y'all check him out he

1015

00:39:29,990 --> 00:39:27,680

was like

1016

00:39:31,829 --> 00:39:30,000

banned from youtube for for posting a

1017

00:39:33,270 --> 00:39:31,839

bunch of uh

1018

00:39:34,550 --> 00:39:33,280

proven

1019

00:39:36,950 --> 00:39:34,560

uh helpful

1020

00:39:39,190 --> 00:39:36,960

experiments about like proving tesla's

1021

00:39:42,390 --> 00:39:39,200

work yeah uh

1022

00:39:43,510 --> 00:39:42,400

about like sending electric electricity

1023

00:39:45,589 --> 00:39:43,520

power

1024

00:39:47,750 --> 00:39:45,599

through the ionosphere like it sounds

1025

00:39:50,069 --> 00:39:47,760

crazy right but he proved it like this

1026

00:39:52,470 --> 00:39:50,079

dude all the way this other youtube uh

1027

00:39:53,670 --> 00:39:52,480

tick-tocker was able to tune into this

1028

00:39:56,790 --> 00:39:53,680

frequency

1029

00:39:58,950 --> 00:39:56,800

and uh was able to pick up and and like

1030

00:40:01,589 --> 00:39:58,960

it was really small this uh experiment

1031

00:40:03,910 --> 00:40:01,599

but he was able to light up a an led

1032

00:40:08,950 --> 00:40:03,920

which was dope that's pretty awesome why

1033

00:40:13,109 --> 00:40:10,230

tell me if it did not kind of say oh

1034

00:40:15,190 --> 00:40:13,119

yeah yeah no no it's a wig yeah i'm

1035

00:40:16,069 --> 00:40:15,200

actually i've got long hair underneath

1036

00:40:18,550 --> 00:40:16,079

dude

1037

00:40:24,390 --> 00:40:21,349

uh yes i cut my hair it was long now it

1038

00:40:26,790 --> 00:40:24,400

is short i got tired of eating hair all

1039

00:40:28,790 --> 00:40:26,800

the time and uh my hair let's be honest

1040

00:40:30,630 --> 00:40:28,800

my hair isn't as cool as joe's it's it's

1041

00:40:33,270 --> 00:40:30,640

not as luxurious so you can't have two

1042

00:40:36,470 --> 00:40:33,280

guys with long hair

1043

00:40:38,390 --> 00:40:36,480

we have to have a juxtaposition

1044

00:40:41,030 --> 00:40:38,400

you know this whole uh thing that he was

1045

00:40:44,230 --> 00:40:41,040

talking about how like these scientists

1046

00:40:46,790 --> 00:40:44,240

were like um being able to like bounce

1047

00:40:48,950 --> 00:40:46,800

waves off the ionosphere and like

1048

00:40:50,550 --> 00:40:48,960

be able to pick up uh submarines and

1049

00:40:52,150 --> 00:40:50,560

[h__\h] that makes you think about like the

1050

00:40:54,069 --> 00:40:52,160

technology that like they would use for

1051
00:40:56,790 --> 00:40:54,079
like harp and stuff and like bouncing

1052
00:40:59,430 --> 00:40:56,800
waves off of you know the ionosphere to

1053
00:41:01,190 --> 00:40:59,440
like create clouds and like earthquakes

1054
00:41:03,670 --> 00:41:01,200
and all kinds of crazy stuff like just

1055
00:41:05,510 --> 00:41:03,680
by using frequency and like sound then

1056
00:41:07,670 --> 00:41:05,520
we talk about like how like unpowerful

1057
00:41:09,910 --> 00:41:07,680
it can be but like

1058
00:41:11,750 --> 00:41:09,920
it can be very very powerful right like

1059
00:41:13,990 --> 00:41:11,760
it seems like it doesn't get the credit

1060
00:41:15,270 --> 00:41:14,000
that it deserves for like how powerful

1061
00:41:16,630 --> 00:41:15,280
it could be

1062
00:41:18,150 --> 00:41:16,640
yeah

1063
00:41:20,870 --> 00:41:18,160

well i think it's like

1064

00:41:21,670 --> 00:41:20,880

the it goes down to this equation that

1065

00:41:23,430 --> 00:41:21,680

uh

1066

00:41:25,349 --> 00:41:23,440

george van tassel claims to have

1067

00:41:27,030 --> 00:41:25,359

received from

1068

00:41:31,190 --> 00:41:27,040

and correct me if i'm wrong he it was

1069

00:41:35,990 --> 00:41:33,910

this technology that was given to him by

1070

00:41:37,829 --> 00:41:36,000

this individual this venusian called

1071

00:41:39,589 --> 00:41:37,839

ashtar

1072

00:41:40,790 --> 00:41:39,599

where he was able to

1073

00:41:41,589 --> 00:41:40,800

channel

1074

00:41:44,309 --> 00:41:41,599

uh

1075

00:41:47,270 --> 00:41:44,319

through meditation and and

1076

00:41:49,270 --> 00:41:47,280

humming and a little bit of farting

1077

00:41:52,230 --> 00:41:49,280

uh huff hearts

1078

00:41:55,190 --> 00:41:52,240

was able to channel tesla and tesla gave

1079

00:41:56,230 --> 00:41:55,200

him this equation that was $f = \text{equals one}$

1080

00:41:57,750 --> 00:41:56,240

over t

1081

00:41:59,829 --> 00:41:57,760

which when i'm listening to this

1082

00:42:02,390 --> 00:41:59,839

interview i'm like oh that sounds

1083

00:42:04,950 --> 00:42:02,400

sounds familiar and very very simple

1084

00:42:07,910 --> 00:42:04,960

that seems to be uh like something i i

1085

00:42:10,230 --> 00:42:07,920

should look into and uh

1086

00:42:12,069 --> 00:42:10,240

i'll i'll just show it uh add it to the

1087

00:42:14,150 --> 00:42:12,079

stream but like that's just that's the

1088

00:42:15,910 --> 00:42:14,160

frequency that's the formula for

1089

00:42:18,390 --> 00:42:15,920

frequency like it

1090

00:42:19,829 --> 00:42:18,400

frequency equals one over t so if you

1091

00:42:21,750 --> 00:42:19,839

think about the word frequency is just

1092

00:42:22,630 --> 00:42:21,760

the amount of time something happens

1093

00:42:24,150 --> 00:42:22,640

with

1094

00:42:26,870 --> 00:42:24,160

the the amount of time that you're

1095

00:42:28,230 --> 00:42:26,880

measuring yeah like yeah like

1096

00:42:31,270 --> 00:42:28,240

yes he uh

1097

00:42:33,109 --> 00:42:31,280

he claims so george van tassel claims to

1098

00:42:35,190 --> 00:42:33,119

have gotten this

1099

00:42:37,589 --> 00:42:35,200

revolutionary

1100

00:42:40,150 --> 00:42:37,599

equation from this alien this venusian

1101
00:42:42,150 --> 00:42:40,160
and it's it's kind of when you look into

1102
00:42:43,990 --> 00:42:42,160
it it's it's nothing new

1103
00:42:46,710 --> 00:42:44,000
which was kind of a bummer let's be

1104
00:42:50,130 --> 00:42:48,150
it's almost like the venusian was like

1105
00:42:51,510 --> 00:42:50,140
dude you didn't know this

1106
00:42:55,750 --> 00:42:51,520
[Music]

1107
00:42:59,750 --> 00:42:58,630
yeah equals 1 over t

1108
00:43:01,829 --> 00:42:59,760
he was like

1109
00:43:05,910 --> 00:43:01,839
like teaching him very basic math and

1110
00:43:13,030 --> 00:43:09,990
eric says f equals one over u

1111
00:43:15,190 --> 00:43:13,040
okay eric explain that the letter u

1112
00:43:17,030 --> 00:43:15,200
right so this could be either be very

1113
00:43:17,910 --> 00:43:17,040

serious or this could be very funny

1114

00:43:20,069 --> 00:43:17,920

right

1115

00:43:23,750 --> 00:43:20,079

yeah

1116

00:43:25,270 --> 00:43:23,760

me in my head

1117

00:43:29,270 --> 00:43:25,280

it could be something like

1118

00:43:32,790 --> 00:43:29,280

f frequency is one over you because you

1119

00:43:35,190 --> 00:43:32,800

are everything which is time your own

1120

00:43:37,750 --> 00:43:35,200

consciousness your your being whatever

1121

00:43:38,950 --> 00:43:37,760

you are frequency is that one which is

1122

00:43:42,710 --> 00:43:38,960

you over

1123

00:43:43,510 --> 00:43:42,720

everything or he's saying

1124

00:43:45,750 --> 00:43:43,520

f

1125

00:43:47,109 --> 00:43:45,760

equals [h__h] you

1126

00:43:49,030 --> 00:43:47,119

right

1127

00:43:51,190 --> 00:43:49,040

i see that two ways coming from eric

1128

00:43:53,990 --> 00:43:51,200

yeah you can make a joke

1129

00:43:55,109 --> 00:43:54,000

or you'd be like

1130

00:43:56,950 --> 00:43:55,119

uh uh

1131

00:43:58,790 --> 00:43:56,960

i'm anxious to see what he says we're

1132

00:44:02,630 --> 00:43:58,800

waiting

1133

00:44:05,270 --> 00:44:03,430

uh

1134

00:44:07,829 --> 00:44:05,280

but yeah i looked it up earlier it was

1135

00:44:09,910 --> 00:44:07,839

like that the frequency equation was

1136

00:44:11,750 --> 00:44:09,920

yeah created along before isn't that

1137

00:44:13,589 --> 00:44:11,760

kind of a trip like in general like if

1138

00:44:16,069 --> 00:44:13,599

we think about it like if we start like

1139

00:44:18,630 --> 00:44:16,079

if we were to replace certain equations

1140

00:44:20,230 --> 00:44:18,640

um like numbers that we would like fill

1141

00:44:22,950 --> 00:44:20,240

in for like time

1142

00:44:25,430 --> 00:44:22,960

like maybe if it like isn't like the

1143

00:44:27,589 --> 00:44:25,440

reason like we can't quite get it is

1144

00:44:29,670 --> 00:44:27,599

because we keep trying to solve for time

1145

00:44:32,710 --> 00:44:29,680

but like maybe time isn't the answer

1146

00:44:35,430 --> 00:44:32,720

maybe you are the answer to fill in the

1147

00:44:37,510 --> 00:44:35,440

equation of the everything you know

1148

00:44:39,109 --> 00:44:37,520

everything equation like it's time works

1149

00:44:41,829 --> 00:44:39,119

for everything because we just assume

1150

00:44:43,589 --> 00:44:41,839

time right but i don't know i feel like

1151
00:44:45,430 --> 00:44:43,599
like a scientist would be smarter than

1152
00:44:47,829 --> 00:44:45,440
me and would have already thought about

1153
00:44:49,349 --> 00:44:47,839
that so are you saying that well i want

1154
00:44:52,309 --> 00:44:49,359
to i want to save eric's

1155
00:44:54,630 --> 00:44:52,319
response so are you saying that

1156
00:44:57,109 --> 00:44:54,640
we all know that time is relevant uh

1157
00:44:58,870 --> 00:44:57,119
relative to to the individual to the

1158
00:45:00,230 --> 00:44:58,880
experience you're experiencing time if

1159
00:45:01,990 --> 00:45:00,240
you the

1160
00:45:03,510 --> 00:45:02,000
experience or

1161
00:45:06,630 --> 00:45:03,520
if you've see

1162
00:45:08,550 --> 00:45:06,640
new buzz lightyear movie

1163
00:45:10,790 --> 00:45:08,560

it goes really fast so time is like

1164

00:45:12,630 --> 00:45:10,800

normal to him but to everybody else four

1165

00:45:13,910 --> 00:45:12,640

years has passed each time he does this

1166

00:45:16,790 --> 00:45:13,920

this uh

1167

00:45:19,430 --> 00:45:16,800

i can't believe i just gave that as a

1168

00:45:20,790 --> 00:45:19,440

reference but uh yeah like

1169

00:45:24,870 --> 00:45:20,800

um

1170

00:45:28,630 --> 00:45:24,880

that's that's an an einstein equation uh

1171

00:45:31,030 --> 00:45:28,640

that that's just a law that we've been

1172

00:45:33,030 --> 00:45:31,040

uh abiding to and figuring out every

1173

00:45:34,630 --> 00:45:33,040

other complicated thing it just seems to

1174

00:45:36,230 --> 00:45:34,640

fit in and it works and it's okay but i

1175

00:45:38,230 --> 00:45:36,240

think i think you're onto something joe

1176

00:45:40,870 --> 00:45:38,240

like we're we're we're crossing this

1177

00:45:41,829 --> 00:45:40,880

threshold where it's no longer just okay

1178

00:45:42,710 --> 00:45:41,839

we need

1179

00:45:45,030 --> 00:45:42,720

there's

1180

00:45:47,190 --> 00:45:45,040

more decimals to pi that we need to

1181

00:45:48,630 --> 00:45:47,200

account for to really figure this thing

1182

00:45:50,630 --> 00:45:48,640

out yeah

1183

00:45:53,510 --> 00:45:50,640

yeah

1184

00:45:56,309 --> 00:45:53,520

like like like it all works right

1185

00:45:58,550 --> 00:45:56,319

but if we took a more like

1186

00:46:02,470 --> 00:45:58,560

introspective approach to it like if you

1187

00:46:04,630 --> 00:46:02,480

change that one little time to whatever

1188

00:46:07,510 --> 00:46:04,640

you are like what are you in the

1189

00:46:11,990 --> 00:46:10,069

dude i experience i experience time

1190

00:46:16,870 --> 00:46:12,000

differently i don't know about you dude

1191

00:46:18,550 --> 00:46:16,880

yeah well dude he um they actually

1192

00:46:19,430 --> 00:46:18,560

he actually talked about that in the

1193

00:46:21,109 --> 00:46:19,440

seven

1194

00:46:22,870 --> 00:46:21,119

light

1195

00:46:24,790 --> 00:46:22,880

ball thing book

1196

00:46:28,630 --> 00:46:24,800

he talked about experiencing time at

1197

00:46:31,109 --> 00:46:28,640

different uh blah blah blah man

1198

00:46:33,270 --> 00:46:31,119

so what did eric say eric said it was he

1199

00:46:35,600 --> 00:46:33,280

said seriously f equals frequency under

1200

00:46:38,309 --> 00:46:35,610

unity

1201
00:46:40,710 --> 00:46:38,319

[Music]

1202
00:46:41,510 --> 00:46:40,720
so unity

1203
00:46:43,670 --> 00:46:41,520
well

1204
00:46:45,910 --> 00:46:43,680
what are we using unity like what's the

1205
00:46:47,829 --> 00:46:45,920
definition well i know the definition of

1206
00:46:49,829 --> 00:46:47,839
unity but like if are we talking like in

1207
00:46:52,280 --> 00:46:49,839
a scientific term like because like you

1208
00:46:53,829 --> 00:46:52,290
could use time time is like a

1209
00:46:55,990 --> 00:46:53,839
[Music]

1210
00:46:58,630 --> 00:46:56,000
scientific term but like what is the the

1211
00:47:01,430 --> 00:46:58,640
unity so unity would be

1212
00:47:07,030 --> 00:47:03,109
the

1213
00:47:09,030 --> 00:47:07,040

are we talking like

1214

00:47:10,950 --> 00:47:09,040

we are the world we are the people unity

1215

00:47:14,470 --> 00:47:10,960

or are we talking about the unification

1216

00:47:16,710 --> 00:47:14,480

theory of like of unifying atoms and all

1217

00:47:19,349 --> 00:47:16,720

kinds of [h__h] like that like what's the

1218

00:47:20,630 --> 00:47:19,359

what's the how are we using the term

1219

00:47:21,910 --> 00:47:20,640

unity

1220

00:47:24,069 --> 00:47:21,920

in this

1221

00:47:26,230 --> 00:47:24,079

per meter square to the 33rd power in

1222

00:47:27,990 --> 00:47:26,240

watts oh my god way over my head all

1223

00:47:32,230 --> 00:47:28,000

right so you explained it i'm still

1224

00:47:37,190 --> 00:47:34,069

i mean champ's got a good one here too

1225

00:47:41,430 --> 00:47:39,750

if our atom if our atom are just vibe

1226

00:47:42,870 --> 00:47:41,440

out if our atoms are just vibrating off

1227

00:47:45,190 --> 00:47:42,880

frequency what happens when the beat

1228

00:47:47,349 --> 00:47:45,200

drops so the song stops you know what

1229

00:47:49,829 --> 00:47:47,359

i'm saying uh when the beat drops bro

1230

00:47:52,549 --> 00:47:49,839

you you you uh

1231

00:47:54,150 --> 00:47:52,559

you go by shots you know

1232

00:47:55,910 --> 00:47:54,160

yeah you find the ladies you ever heard

1233

00:47:57,190 --> 00:47:55,920

of the word crunk dude

1234

00:47:59,910 --> 00:47:57,200

yeah when's the last time you heard

1235

00:48:03,270 --> 00:47:59,920

crunk and then when the beat turns off

1236

00:48:04,630 --> 00:48:03,280

that's when you go home and masturbate

1237

00:48:05,430 --> 00:48:04,640

you beat into your own drum at that

1238

00:48:06,870 --> 00:48:05,440

point

1239

00:48:09,349 --> 00:48:06,880

you gotta make your own beats you gotta

1240

00:48:11,990 --> 00:48:09,359

get sometimes you gotta you have to

1241

00:48:13,109 --> 00:48:12,000

at that point

1242

00:48:16,309 --> 00:48:13,119

so

1243

00:48:17,589 --> 00:48:16,319

per meter squared to the 33rd power in

1244

00:48:20,390 --> 00:48:17,599

watts

1245

00:48:26,309 --> 00:48:20,400

excuse me sir my head is down here

1246

00:48:32,470 --> 00:48:28,710

we literally just uh ended our sentences

1247

00:48:35,270 --> 00:48:32,480

our laughing lulls at the same time

1248

00:48:37,430 --> 00:48:35,280

we hang out too much no we don't i i

1249

00:48:39,430 --> 00:48:37,440

miss you dude it's been so long

1250

00:48:41,990 --> 00:48:39,440

it's it's it's been a it's been two too

1251

00:48:45,589 --> 00:48:43,910

um

1252

00:48:47,109 --> 00:48:45,599

okay so where are we at

1253

00:48:49,270 --> 00:48:47,119

we're at the point to where he he's

1254

00:48:53,109 --> 00:48:49,280

talking to the venusians right yes let's

1255

00:48:56,790 --> 00:48:55,030

do we is this

1256

00:48:58,630 --> 00:48:56,800

i feel like we should go into the

1257

00:49:00,710 --> 00:48:58,640

integration and then go into the

1258

00:49:02,710 --> 00:49:00,720

channelings okay let's go let's go into

1259

00:49:06,069 --> 00:49:02,720

the integer tron okay so

1260

00:49:09,349 --> 00:49:06,079

to catch up to catch up the story he's

1261

00:49:12,230 --> 00:49:09,359

uh received this frequency equation

1262

00:49:16,630 --> 00:49:12,240

and has been given the blueprints to

1263

00:49:18,470 --> 00:49:16,640

construct a machine a time machine

1264

00:49:21,270 --> 00:49:18,480

and what he says in this interview from

1265

00:49:23,430 --> 00:49:21,280

1968 is vastly different from what the

1266

00:49:24,950 --> 00:49:23,440

actuality of what this machine is

1267

00:49:27,109 --> 00:49:24,960

supposed to do

1268

00:49:28,710 --> 00:49:27,119

uh given given all the research done in

1269

00:49:30,710 --> 00:49:28,720

this documentary there's a link in the

1270

00:49:32,870 --> 00:49:30,720

description if you guys are interested

1271

00:49:35,190 --> 00:49:32,880

well i could see why like if you were

1272

00:49:38,150 --> 00:49:35,200

this interview in the 50s why you'd be

1273

00:49:39,990 --> 00:49:38,160

like so it's like a time machine right

1274

00:49:41,190 --> 00:49:40,000

because of what it does

1275

00:49:42,790 --> 00:49:41,200

right it's

1276

00:49:44,349 --> 00:49:42,800

it's like a

1277

00:49:45,910 --> 00:49:44,359

cellular

1278

00:49:48,470 --> 00:49:45,920

regenerative

1279

00:49:51,270 --> 00:49:48,480

uh machine that basically makes your

1280

00:49:53,510 --> 00:49:51,280

cells younger so we're not technically

1281

00:49:56,630 --> 00:49:53,520

like moving back in time we're just able

1282

00:49:59,430 --> 00:49:56,640

to regenerate and heal your cells and

1283

00:50:01,349 --> 00:49:59,440

make them younger which then got me

1284

00:50:03,510 --> 00:50:01,359

thinking about like okay so then we hear

1285

00:50:05,510 --> 00:50:03,520

these stories that everybody calls

1286

00:50:07,750 --> 00:50:05,520

[h__h] on right like by certain people

1287

00:50:10,230 --> 00:50:07,760

like the 25 and back program and this

1288

00:50:12,870 --> 00:50:10,240

and that we're like this is technology

1289

00:50:15,589 --> 00:50:12,880

that he had come up with right and then

1290

00:50:17,349 --> 00:50:15,599

it got cut off stolen and then [h__\h]

1291

00:50:19,190 --> 00:50:17,359

swept under the rug well now you got

1292

00:50:20,790 --> 00:50:19,200

people talking about this box that they

1293

00:50:23,430 --> 00:50:20,800

can put you in for a week and it

1294

00:50:25,109 --> 00:50:23,440

regenerates and heals your cells and

1295

00:50:27,030 --> 00:50:25,119

makes you younger

1296

00:50:29,349 --> 00:50:27,040

than when you left

1297

00:50:30,950 --> 00:50:29,359

so he's he's already hitting on some

1298

00:50:33,030 --> 00:50:30,960

some technologies that a lot of

1299

00:50:34,390 --> 00:50:33,040

experiencers in the last 10 years have

1300

00:50:36,150 --> 00:50:34,400

been

1301
00:50:38,230 --> 00:50:36,160
gaining

1302
00:50:39,510 --> 00:50:38,240
publicity and and

1303
00:50:41,109 --> 00:50:39,520
fame and

1304
00:50:43,349 --> 00:50:41,119
whatever

1305
00:50:46,390 --> 00:50:43,359
putting this message out this

1306
00:50:49,030 --> 00:50:46,400
was said back in the freaking 50s dude

1307
00:50:53,030 --> 00:50:49,040
the early 50s this technology was talked

1308
00:50:55,109 --> 00:50:53,040
about yes which just blows my mind man

1309
00:50:56,309 --> 00:50:55,119
it's like everybody got all their ideas

1310
00:50:57,430 --> 00:50:56,319
all the uh

1311
00:50:59,030 --> 00:50:57,440
okay

1312
00:51:01,510 --> 00:50:59,040
let's be honest is there some fakers out

1313
00:51:04,390 --> 00:51:01,520

there right dude when i started looking

1314

00:51:07,270 --> 00:51:04,400

into van tassel i was like whoa

1315

00:51:09,990 --> 00:51:07,280

this dude said all this [h__h] that like

1316

00:51:12,870 --> 00:51:10,000

everybody's still talking about today

1317

00:51:14,710 --> 00:51:12,880

it's crazy and he was even like you even

1318

00:51:16,470 --> 00:51:14,720

see like you can see kind of like where

1319

00:51:17,990 --> 00:51:16,480

he was talking about [h__h] and then when

1320

00:51:19,589 --> 00:51:18,000

you look at stuff through like the ufo

1321

00:51:21,829 --> 00:51:19,599

field throughout time like how there was

1322

00:51:23,670 --> 00:51:21,839

this kind of dip and decline of like

1323

00:51:25,349 --> 00:51:23,680

inspiration and like cool [h__h] that was

1324

00:51:27,910 --> 00:51:25,359

being talked about and then it started

1325

00:51:29,910 --> 00:51:27,920

to ramp back up right and then here we

1326

00:51:31,990 --> 00:51:29,920

are we kind of hop back in like in the

1327

00:51:33,589 --> 00:51:32,000

cool age and people are talking about

1328

00:51:36,470 --> 00:51:33,599

that [h__h] that van tassel was talking

1329

00:51:37,589 --> 00:51:36,480

about like way back then like it's kind

1330

00:51:38,470 --> 00:51:37,599

of crazy

1331

00:51:40,470 --> 00:51:38,480

yeah

1332

00:51:42,950 --> 00:51:40,480

it's it's it's almost like uh

1333

00:51:44,790 --> 00:51:42,960

it's almost like elvis uh

1334

00:51:47,430 --> 00:51:44,800

yeah playing playing all the awesome

1335

00:51:48,950 --> 00:51:47,440

blues songs that other blues musicians

1336

00:51:51,829 --> 00:51:48,960

had already been playing for like 20

1337

00:51:54,549 --> 00:51:51,839

years yeah alabama tide wants me to turn

1338

00:51:57,430 --> 00:51:54,559

my mushroom light on it's a ufo dude

1339

00:51:59,670 --> 00:51:57,440

that's right you need your mushroom hat

1340

00:52:02,470 --> 00:51:59,680

strategically placed behind his head

1341

00:52:05,750 --> 00:52:02,480

little did uh little joey boy know that

1342

00:52:08,630 --> 00:52:05,760

his ufo uh would become his signature

1343

00:52:12,470 --> 00:52:08,640

trademark tiny mushroom hat joe's

1344

00:52:16,230 --> 00:52:15,190

guaranteed to make any [h__\h] look bigger

1355
00:52:51,990 --> 00:52:50,640
look uh abraham lincoln was not as tall

1356
00:52:53,670 --> 00:52:52,000
as people think he was just wearing a

1357
00:52:57,990 --> 00:52:53,680
big hat what do you think that would do

1358
00:53:01,589 --> 00:52:59,670
do your boy a favor

1359
00:53:04,380 --> 00:53:01,599
get him a hat

1360
00:53:05,829 --> 00:53:04,390
at joe's tiny mushroomhats.com

1361
00:53:07,430 --> 00:53:05,839
[Music]

1362
00:53:13,829 --> 00:53:07,440
so

1363
00:53:17,190 --> 00:53:13,839

is interesting

1364

00:53:17,200 --> 00:53:21,990

can't even do it

1365

00:53:27,430 --> 00:53:25,109

the attempt was enough the attempt

1366

00:53:33,829 --> 00:53:27,440

hey

1367

00:53:33,839 --> 00:53:37,430

he built a house

1368

00:53:40,470 --> 00:53:39,430

i can't i don't even know i don't even

1369

00:53:43,109 --> 00:53:40,480

know

1370

00:53:45,430 --> 00:53:43,119

do a great dude i i feel like i'm as

1371

00:53:46,870 --> 00:53:45,440

confused as like

1372

00:53:50,470 --> 00:53:46,880

like

1373

00:53:52,000 --> 00:53:50,480

anybody listening to this right now yeah

1374

00:53:53,510 --> 00:53:52,010

hey

1375

00:53:57,270 --> 00:53:53,520

[Music]

1376

00:53:58,390 --> 00:53:57,280

he built the house he

1377

00:54:00,790 --> 00:53:58,400

is a

1378

00:54:02,309 --> 00:54:00,800

dome says

1379

00:54:03,829 --> 00:54:02,319

this house is kind of dope though right

1380

00:54:05,430 --> 00:54:03,839

because he builds it well it's not

1381

00:54:07,750 --> 00:54:05,440

really it's okay it's not it's not a

1382

00:54:10,390 --> 00:54:07,760

house it's a it's a uh it's an

1383

00:54:11,430 --> 00:54:10,400

integration integratron

1384

00:54:13,990 --> 00:54:11,440

which is

1385

00:54:16,710 --> 00:54:14,000

probably the coolest word ever created

1386

00:54:17,829 --> 00:54:16,720

so it's basically a geodesic dome

1387

00:54:19,510 --> 00:54:17,839

right

1388

00:54:21,109 --> 00:54:19,520

and for those just listening it looks

1389

00:54:22,549 --> 00:54:21,119

kind of like if you were to see like a

1390

00:54:25,589 --> 00:54:22,559

uh

1391

00:54:26,950 --> 00:54:25,599

like a damn it what is it called like a

1392

00:54:28,069 --> 00:54:26,960

telescope

1393

00:54:29,990 --> 00:54:28,079

those also look kind of look like

1394

00:54:32,230 --> 00:54:30,000

penises really open up and then like the

1395

00:54:34,630 --> 00:54:32,240

telescope comes out what are they called

1396

00:54:36,870 --> 00:54:34,640

observatory it looks like an observatory

1397

00:54:38,630 --> 00:54:36,880

is what it looks like so it's really

1398

00:54:40,390 --> 00:54:38,640

cool because this building

1399

00:54:42,150 --> 00:54:40,400

he was given the instructions to build

1400

00:54:44,710 --> 00:54:42,160

this building it's basically like this

1401

00:54:46,710 --> 00:54:44,720

geodesic dome um

1402

00:54:47,829 --> 00:54:46,720

there's no nails there's no screws

1403

00:54:49,430 --> 00:54:47,839

there's nothing

1404

00:54:52,069 --> 00:54:49,440

nothing in there the building is simply

1405

00:54:53,829 --> 00:54:52,079

held up by its its own weight oh right

1406

00:54:57,349 --> 00:54:53,839

the way that it was built so they they

1407

00:55:00,069 --> 00:54:57,359

couldn't use nails or screws because

1408

00:55:02,390 --> 00:55:00,079

because of the uh uh the oscillating

1409

00:55:05,030 --> 00:55:02,400

armatures on the outside in the static

1410

00:55:08,069 --> 00:55:05,040

electricity it would interfere with the

1411

00:55:10,789 --> 00:55:08,079

frequency the only metal on the building

1412

00:55:14,470 --> 00:55:10,799

are these posts on the outside of the

1413

00:55:17,030 --> 00:55:14,480

building now in the original designs

1414

00:55:19,030 --> 00:55:17,040

these posts are supposed to spin they're

1415

00:55:21,510 --> 00:55:19,040

supposed to spin in a circle now there's

1416

00:55:24,309 --> 00:55:21,520

another neat little thing because on the

1417

00:55:26,230 --> 00:55:24,319

inside there's a hole at the top of this

1418

00:55:29,030 --> 00:55:26,240

and it had like this metal shaft that

1419

00:55:31,030 --> 00:55:29,040

went down to a hole in the ground and

1420

00:55:34,230 --> 00:55:31,040

the hole in the ground went all the way

1421

00:55:36,789 --> 00:55:34,240

down to an aquifer oh no way yeah it

1422

00:55:38,789 --> 00:55:36,799

went down to an aquifer

1423

00:55:40,870 --> 00:55:38,799

so it was like this crystallized bedded

1424

00:55:43,270 --> 00:55:40,880

area that they built this building on

1425

00:55:45,430 --> 00:55:43,280

top of with high energy

1426

00:55:47,990 --> 00:55:45,440

inputs into it and then they drilled a

1427

00:55:51,030 --> 00:55:48,000

hole down and ran this pipe this metal

1428

00:55:53,990 --> 00:55:51,040

pipe down to an aquifer that recharged

1429

00:55:56,390 --> 00:55:54,000

it and basically like at certain points

1430

00:55:58,069 --> 00:55:56,400

that were the highest points of energy

1431

00:55:59,109 --> 00:55:58,079

that you were supposed to like be

1432

00:56:00,829 --> 00:55:59,119

careful because like you weren't

1433

00:56:03,589 --> 00:56:00,839

supposed to go in there because nobody

1434

00:56:05,349 --> 00:56:03,599

knew uh if you did it wrong like it

1435

00:56:08,069 --> 00:56:05,359

could like cook you

1436

00:56:10,150 --> 00:56:08,079

uh-uh yeah dude

1437

00:56:12,710 --> 00:56:10,160

so wait that dude i didn't know that

1438

00:56:15,270 --> 00:56:12,720

aspect like it the the chamber in the

1439

00:56:17,670 --> 00:56:15,280

middle goes all the way down through the

1440

00:56:20,309 --> 00:56:17,680

ground yeah there's a shaft and it goes

1441

00:56:23,349 --> 00:56:20,319

down to an aquifer

1442

00:56:26,950 --> 00:56:23,359

sorry yeah uh so like like the pyramids

1443

00:56:28,470 --> 00:56:26,960

and uh exactly like uh warden cliff it

1444

00:56:32,309 --> 00:56:28,480

all of them have something in common

1445

00:56:34,470 --> 00:56:32,319

which is uh an aquifer running water

1446

00:56:36,710 --> 00:56:34,480

there's been speculation of i mean i've

1447

00:56:38,069 --> 00:56:36,720

seen that episode the episode of uh

1448

00:56:42,390 --> 00:56:38,079

ancient aliens

1449

00:56:44,870 --> 00:56:42,400

that we just don't know about like the

1450

00:56:46,549 --> 00:56:44,880

the frequency of aquifers and running

1451

00:56:48,710 --> 00:56:46,559

water creates

1452

00:56:51,670 --> 00:56:48,720

this uh resonant frequency that can be

1453

00:56:54,870 --> 00:56:51,680

used in harness and amplified for

1454

00:56:57,270 --> 00:56:54,880

you know all kinds of stuff like uh

1455

00:56:59,990 --> 00:56:57,280

like tvs and i don't know but anyway do

1456

00:57:02,069 --> 00:57:00,000

you see this like web of of uh

1457

00:57:04,309 --> 00:57:02,079

of metal up here it kind of it reminds

1458

00:57:07,670 --> 00:57:04,319

me of a photo of nikola tesla sitting in

1459

00:57:09,589 --> 00:57:07,680

front of that big wind it wound

1460

00:57:10,870 --> 00:57:09,599

like copper wound

1461

00:57:14,789 --> 00:57:10,880

thing oh yeah i'm gonna try to find it

1462

00:57:17,510 --> 00:57:16,069

um

1463

00:57:18,470 --> 00:57:17,520

so they say that when you go in the

1464

00:57:20,710 --> 00:57:18,480

building

1465

00:57:23,430 --> 00:57:20,720

and you play certain

1466

00:57:25,990 --> 00:57:23,440

notes and tones that it's like

1467

00:57:28,630 --> 00:57:26,000

it's like putting reverb yeah dude look

1468

00:57:30,230 --> 00:57:28,640

at that but it's like sideways this this

1469

00:57:32,309 --> 00:57:30,240

photo of nikola tesla sitting by this

1470

00:57:35,589 --> 00:57:32,319

this wound structure this

1471

00:57:38,069 --> 00:57:35,599

circular thing but this is like uh

1472

00:57:40,230 --> 00:57:38,079

it's very similar isn't it

1473

00:57:42,470 --> 00:57:40,240

very similar

1474

00:57:43,190 --> 00:57:42,480

and there was a lot of and so he had to

1475

00:57:55,349 --> 00:57:43,200

like

1476

00:58:00,630 --> 00:57:55,359

done right

1477

00:58:03,589 --> 00:58:00,640

you turn it on it could explode what do

1478

00:58:05,910 --> 00:58:03,599

you say it was like 30 times the size of

1479

00:58:09,190 --> 00:58:05,920

hiroshima yeah it was like multiple

1480

00:58:11,190 --> 00:58:09,200

bombs yeah that's the amount of energy

1481

00:58:13,030 --> 00:58:11,200

that it could actually harness that's

1482

00:58:15,190 --> 00:58:13,040

why nobody's ever tried to actually turn

1483

00:58:17,270 --> 00:58:15,200

it on because they don't know the actual

1484

00:58:19,349 --> 00:58:17,280

equation that van tassel had

1485

00:58:20,950 --> 00:58:19,359

and was taken

1486

00:58:23,510 --> 00:58:20,960

so this in that documentary that we

1487

00:58:24,870 --> 00:58:23,520

watched uh calling all

1488

00:58:27,349 --> 00:58:24,880

earthlings

1489

00:58:30,470 --> 00:58:27,359

i didn't know this about like when the

1490

00:58:32,549 --> 00:58:30,480

person that took over the integratron

1491

00:58:35,030 --> 00:58:32,559

that bought it after well we haven't

1492

00:58:36,789 --> 00:58:35,040

gotten there to in this storyline but

1493

00:58:37,990 --> 00:58:36,799

george van tassel was

1494

00:58:41,750 --> 00:58:38,000

he

1495

00:58:43,430 --> 00:58:41,760

dead right like

1496

00:58:46,549 --> 00:58:43,440

anyway so man that's supposed to old

1497

00:58:47,910 --> 00:58:46,559

lady poisoned him

1498

00:58:49,510 --> 00:58:47,920

dude okay

1499

00:58:51,190 --> 00:58:49,520

we gotta we gotta talk about that okay

1500

00:58:53,589 --> 00:58:51,200

we'll talk about it let me say this one

1501

00:58:55,270 --> 00:58:53,599

so the guy who took over the property in

1502

00:58:57,829 --> 00:58:55,280

the building after was like yeah lose

1503

00:59:01,190 --> 00:58:57,839

all crowns are like like uh like pac-man

1504

00:59:04,549 --> 00:59:01,200

devices and like screens and and and uh

1505

00:59:06,390 --> 00:59:04,559

like toggle switches and i don't know

1506

00:59:08,150 --> 00:59:06,400

man they were it was here and then it

1507

00:59:09,589 --> 00:59:08,160

wasn't like yeah

1508

00:59:11,190 --> 00:59:09,599

wait hold on

1509

00:59:13,589 --> 00:59:11,200

what was that

1510

00:59:15,270 --> 00:59:13,599

yeah that sounds important

1511

00:59:18,150 --> 00:59:15,280

what if we found out that van tassel was

1512

00:59:19,430 --> 00:59:18,160

just trying to set up an arcade

1513

00:59:22,069 --> 00:59:19,440

but he was trying to figure out like a

1514

00:59:23,829 --> 00:59:22,079

way to like charge turn on all of the

1515

00:59:26,230 --> 00:59:23,839

like video games without having to plug

1516

00:59:27,990 --> 00:59:26,240

them in

1517

00:59:29,750 --> 00:59:28,000

some people need their gallica dude he

1518

00:59:31,589 --> 00:59:29,760

was trying to like figure out the first

1519

00:59:33,910 --> 00:59:31,599

the world's first

1520

00:59:37,270 --> 00:59:33,920

wireless arcade

1521

00:59:39,190 --> 00:59:37,280

um in the desert he's got he's like okay

1522

00:59:41,190 --> 00:59:39,200

guys hear me out

1523

00:59:43,589 --> 00:59:41,200

i know i know you've given me a lot of

1524

00:59:44,829 --> 00:59:43,599

money okay

1525

00:59:46,470 --> 00:59:44,839

picture

1526

00:59:49,349 --> 00:59:46,480

this

1527

00:59:54,470 --> 00:59:50,789

never dies

1528

00:59:57,270 --> 00:59:54,480

it's always it's always hard it's always

1529

01:00:01,030 --> 00:59:57,280

on playing the same music also we have

1530

01:00:02,950 --> 01:00:01,040

four more uh arcade games which you know

1531

01:00:04,789 --> 01:00:02,960

at that time was pretty huge now

1532

01:00:06,150 --> 01:00:04,799

introducing donkey kong

1533

01:00:09,270 --> 01:00:06,160

pole position

1534

01:00:11,960 --> 01:00:09,280

gallagher and tron

1535

01:00:14,950 --> 01:00:11,970

wait what year are we talking about is

1536

01:00:16,870 --> 01:00:14,960

[Laughter]

1537

01:00:19,190 --> 01:00:16,880

that'd be sick

1538

01:00:24,309 --> 01:00:19,200

we find out george van tassel invented

1539

01:00:26,470 --> 01:00:25,190

um

1540

01:00:28,390 --> 01:00:26,480

so

1541

01:00:30,549 --> 01:00:28,400

he builds this thing

1542

01:00:31,510 --> 01:00:30,559

but before he even builds this thing

1543

01:00:34,150 --> 01:00:31,520

right

1544

01:00:36,390 --> 01:00:34,160

he still started hosting like these

1545

01:00:38,069 --> 01:00:36,400

these conferences and there would be

1546

01:00:40,390 --> 01:00:38,079

like a couple thousand people that would

1547

01:00:42,710 --> 01:00:40,400

come out to these conferences dude and

1548

01:00:44,789 --> 01:00:42,720

they would all be chilling out there

1549

01:00:47,109 --> 01:00:44,799

and like some people would see stuff you

1550

01:00:48,789 --> 01:00:47,119

know like in broad daylight there's that

1551

01:00:51,030 --> 01:00:48,799

photo like where it brought daylight

1552

01:00:52,549 --> 01:00:51,040

there's this big ass light that comes

1553

01:00:54,549 --> 01:00:52,559

down and it's over the rock and you see

1554

01:00:56,870 --> 01:00:54,559

all those people running away from the

1555

01:00:58,630 --> 01:00:56,880

rock wait is that a photo that exists

1556

01:01:01,270 --> 01:00:58,640

huh is that a photo that exists can i

1557

01:01:04,630 --> 01:01:01,280

shoot yeah man it's a photo that exists

1558

01:01:05,750 --> 01:01:04,640

oh my god what it's [h__h] it looks it's a

1559

01:01:06,870 --> 01:01:05,760

great photo

1560

01:01:10,390 --> 01:01:06,880

yeah no

1561

01:01:12,710 --> 01:01:10,400

if people are like running they're like

1562

01:01:15,510 --> 01:01:12,720

there's like this big ass disc just

1563

01:01:16,390 --> 01:01:15,520

hovering above the rock it's pretty wild

1564

01:01:18,870 --> 01:01:16,400

man

1565

01:01:20,630 --> 01:01:18,880

can you say that to me

1566

01:01:22,950 --> 01:01:20,640

i don't know all right i'll look for it

1567

01:01:25,589 --> 01:01:22,960

oh okay let's see

1568

01:01:28,230 --> 01:01:25,599

i need you to stall while i google yeah

1569

01:01:29,829 --> 01:01:28,240

but dude i mean

1570

01:01:31,030 --> 01:01:29,839

that's

1571

01:01:32,870 --> 01:01:31,040

like it's

1572

01:01:34,950 --> 01:01:32,880

it's it's one of those it's one of those

1573

01:01:37,190 --> 01:01:34,960

stories man where

1574

01:01:38,950 --> 01:01:37,200

you know you're kind of seeing

1575

01:01:40,390 --> 01:01:38,960

a lot of stuff that's being talked about

1576

01:01:43,510 --> 01:01:40,400

today

1577

01:01:45,910 --> 01:01:43,520

was you found it i found it

1578

01:01:47,589 --> 01:01:45,920

isn't it crazy oh my god all right i'm

1579

01:01:48,710 --> 01:01:47,599

saving it i'm saving it

1580

01:01:52,069 --> 01:01:48,720

yeah

1581

01:01:55,430 --> 01:01:52,079

it looks like a mushroom cloud from a an

1582

01:01:57,109 --> 01:01:55,440

explosion of some kind it kind of does

1583

01:02:04,829 --> 01:01:57,119

pretty freaky

1584

01:02:10,470 --> 01:02:08,549

um there it is there we go yeah

1585

01:02:12,870 --> 01:02:10,480

it looks like a big-ass cloud

1586

01:02:15,750 --> 01:02:12,880

wait people are casually walking joe

1587

01:02:17,910 --> 01:02:15,760

they're not running no that was running

1588

01:02:19,109 --> 01:02:17,920

look this chick honestly looks like

1589

01:02:21,470 --> 01:02:19,119

she's

1590

01:02:25,750 --> 01:02:21,480

a

1591

01:02:26,630 --> 01:02:25,760

some

1592

01:02:28,710 --> 01:02:26,640

white

1593

01:02:31,910 --> 01:02:28,720

denim ripped off jeans

1594

01:02:33,589 --> 01:02:31,920

really because those are all

1595

01:02:37,270 --> 01:02:33,599

50s

1596

01:02:39,430 --> 01:02:37,280

about fashion joe you know this

1597

01:02:40,549 --> 01:02:39,440

she's where she's holding a cat

1598

01:02:44,789 --> 01:02:40,559

fashion

1599

01:02:45,990 --> 01:02:44,799

they're in the desert dude that's a

1600

01:02:48,549 --> 01:02:46,000

freaking cadillac right there dude

1601
01:02:50,710 --> 01:02:48,559
that's a bel air bro yep look at all the

1602
01:02:53,430 --> 01:02:50,720
man they're all just hanging out

1603
01:02:56,470 --> 01:02:53,440
fantastic also ran a cafe out of the

1604
01:02:59,510 --> 01:02:56,480
bottom of this rock so he he ended up

1605
01:03:01,829 --> 01:02:59,520
running a private airport that supported

1606
01:03:03,589 --> 01:03:01,839
military aircraft and private aircraft

1607
01:03:05,190 --> 01:03:03,599
there was a cafe down there you could go

1608
01:03:07,270 --> 01:03:05,200
in there you could eat you could cool

1609
01:03:09,750 --> 01:03:07,280
off um you could probably drink some

1610
01:03:11,910 --> 01:03:09,760
brewskis i'm not too sure i would assume

1611
01:03:14,549 --> 01:03:11,920
you could a couple cold ones though yeah

1612
01:03:17,109 --> 01:03:14,559
you could have your cup of cold ones

1613
01:03:18,789 --> 01:03:17,119

and then also he would do channelings

1614

01:03:21,589 --> 01:03:18,799

and he would uh

1615

01:03:24,390 --> 01:03:21,599

you know they would party out there dude

1616

01:03:27,829 --> 01:03:24,400

could you imagine dude the partying that

1617

01:03:30,230 --> 01:03:27,839

went on bro dude i i can't i mean

1618

01:03:32,069 --> 01:03:30,240

they're dumb like the whacked out

1619

01:03:34,309 --> 01:03:32,079

conversations and like it's two in the

1620

01:03:35,670 --> 01:03:34,319

morning and people are still there

1621

01:03:38,069 --> 01:03:35,680

and you're like literally i could do

1622

01:03:40,309 --> 01:03:38,079

anything here i could just [h__h] say

1623

01:03:42,069 --> 01:03:40,319

anything how [h__h] happy

1624

01:03:43,589 --> 01:03:42,079

that would be super cool

1625

01:03:44,470 --> 01:03:43,599

i mean how do you think they would be

1626

01:03:48,150 --> 01:03:44,480

like

1627

01:03:51,270 --> 01:03:48,160

mean i'm not insinuating that they were

1628

01:03:53,510 --> 01:03:51,280

on drug lace but like alcohol

1629

01:03:55,270 --> 01:03:53,520

you know is a good time but like out in

1630

01:03:56,309 --> 01:03:55,280

the desert talking about ufo and aliens

1631

01:03:57,910 --> 01:03:56,319

i mean

1632

01:03:59,589 --> 01:03:57,920

they got to be like smoking some weed

1633

01:04:00,870 --> 01:03:59,599

earlier oh i'm sure they did do

1634

01:04:04,150 --> 01:04:00,880

something

1635

01:04:07,910 --> 01:04:04,160

enough for the fbi to actually have like

1636

01:04:08,870 --> 01:04:07,920

a 300 page [h__\h] document on the guy

1637

01:04:10,390 --> 01:04:08,880

right

1638

01:04:12,870 --> 01:04:10,400

we were talking about that lady that

1639

01:04:15,670 --> 01:04:12,880

karen that [h__h] ratted them out

1640

01:04:18,309 --> 01:04:15,680

she was like um i just wanted to contact

1641

01:04:20,309 --> 01:04:18,319

the fbi and let you guys know that

1642

01:04:22,710 --> 01:04:20,319

there's a bunch of people that are

1643

01:04:25,750 --> 01:04:22,720

having lots of fun and running around

1644

01:04:28,710 --> 01:04:25,760

naked and drinking beers and talking

1645

01:04:31,670 --> 01:04:28,720

about aliens and not hurting anybody and

1646

01:04:34,230 --> 01:04:31,680

i think that they're communist marxists

1647

01:04:35,990 --> 01:04:34,240

and i want you to go and and

1648

01:04:37,589 --> 01:04:36,000

i'm only saying this because i wasn't

1649

01:04:40,150 --> 01:04:37,599

invited

1650

01:04:42,630 --> 01:04:40,160

yeah ratted them out and then they had

1651
01:04:44,230 --> 01:04:42,640
been getting tracked by the fbi ever

1652
01:04:47,190 --> 01:04:44,240
since right because

1653
01:04:50,309 --> 01:04:47,200
because you know

1654
01:04:55,670 --> 01:04:54,150
religions of aliens starts

1655
01:04:57,750 --> 01:04:55,680
so dude we should get into the the

1656
01:04:58,710 --> 01:04:57,760
religion part of it because i mean this

1657
01:04:59,510 --> 01:04:58,720
this is

1658
01:05:02,230 --> 01:04:59,520
there's

1659
01:05:03,990 --> 01:05:02,240
telltale signs of the start of like some

1660
01:05:06,630 --> 01:05:04,000
kind of cult or whatever like that's

1661
01:05:09,190 --> 01:05:06,640
kind of what i the vibes that i got

1662
01:05:11,670 --> 01:05:09,200
yeah from it because it okay so let me

1663
01:05:15,109 --> 01:05:11,680

let me find the the wikipedia didn't it

1664

01:05:21,430 --> 01:05:17,670

damn it what are they called the mystery

1665

01:05:23,349 --> 01:05:21,440

of universal wisdom began in 1953 which

1666

01:05:25,270 --> 01:05:23,359

evolved out of two previous groups he

1667

01:05:28,549 --> 01:05:25,280

had organized at giant rock in the late

1668

01:05:31,430 --> 01:05:28,559

1940s the organization investigated and

1669

01:05:34,710 --> 01:05:31,440

encouraged the healing arts

1670

01:05:37,349 --> 01:05:34,720

big bowls hairy ladies which didn't kind

1671

01:05:39,829 --> 01:05:37,359

of have like like new message vibes a

1672

01:05:44,549 --> 01:05:41,829

i mean a lot of messages

1673

01:05:45,910 --> 01:05:44,559

coming out of that rock yeah van tassel

1674

01:05:47,109 --> 01:05:45,920

was like the guy

1675

01:05:49,349 --> 01:05:47,119

and then

1676

01:05:51,190 --> 01:05:49,359

i don't know message homie

1677

01:05:53,270 --> 01:05:51,200

yeah i mean i don't know much about like

1678

01:05:55,270 --> 01:05:53,280

what their teachings were but it does

1679

01:05:56,950 --> 01:05:55,280

seem like okay he's like channeling some

1680

01:05:58,470 --> 01:05:56,960

alien

1681

01:05:59,670 --> 01:05:58,480

and then

1682

01:06:01,190 --> 01:05:59,680

he starts

1683

01:06:03,349 --> 01:06:01,200

writing some [h__h] down

1684

01:06:05,750 --> 01:06:03,359

i'm just guessing here but it sounds

1685

01:06:07,829 --> 01:06:05,760

like if you call something the ministry

1686

01:06:10,390 --> 01:06:07,839

of universal wisdom

1687

01:06:12,789 --> 01:06:10,400

that's insinuating like oh yeah no this

1688

01:06:14,870 --> 01:06:12,799

is fact i know i this is this is the

1689

01:06:15,670 --> 01:06:14,880

truth it seems like it's coming from a

1690

01:06:17,430 --> 01:06:15,680

place

1691

01:06:19,910 --> 01:06:17,440

that's a little dangerous

1692

01:06:21,990 --> 01:06:19,920

uh as we all know that cults and and

1693

01:06:24,549 --> 01:06:22,000

religions let's be honest come from a

1694

01:06:26,630 --> 01:06:24,559

place of like no no no we're right

1695

01:06:28,789 --> 01:06:26,640

right like

1696

01:06:30,549 --> 01:06:28,799

well when i was texting you about like

1697

01:06:33,589 --> 01:06:30,559

oh it kind of sounds culty and you said

1698

01:06:35,270 --> 01:06:33,599

well so so do so did religions

1699

01:06:37,109 --> 01:06:35,280

sound pain

1700

01:06:40,230 --> 01:06:37,119

right

1701

01:06:41,829 --> 01:06:40,240

i was like oh [h__h] great point uh

1702

01:06:43,589 --> 01:06:41,839

i'll finish this

1703

01:06:46,230 --> 01:06:43,599

it's it they're they're i mean it's all

1704

01:06:48,150 --> 01:06:46,240

the same it's all the same thing right

1705

01:06:51,349 --> 01:06:48,160

like

1706

01:06:53,349 --> 01:06:51,359

yeah well somebody has a good idea

1707

01:06:55,109 --> 01:06:53,359

you know somebody said he's saying some

1708

01:06:57,510 --> 01:06:55,119

stuff he's saying some stuff that i like

1709

01:06:59,829 --> 01:06:57,520

too that sounds cool let me i'll finish

1710

01:07:01,750 --> 01:06:59,839

this thing and uh so the organization

1711

01:07:04,150 --> 01:07:01,760

investigated and encouraged the healing

1712

01:07:07,430 --> 01:07:04,160

arts but its prime focus was to collect

1713

01:07:09,750 --> 01:07:07,440

and analyze ufo phenomena and interview

1714

01:07:12,230 --> 01:07:09,760

contactees due to radio and and

1715

01:07:14,630 --> 01:07:12,240

television interests van tassel became

1716

01:07:16,950 --> 01:07:14,640

the most well-known promoter of contact

1717

01:07:18,630 --> 01:07:16,960

he experiences and somewhat of a

1718

01:07:22,710 --> 01:07:18,640

celebrity

1719

01:07:24,470 --> 01:07:22,720

in the 19 freaking 50s bro

1720

01:07:26,630 --> 01:07:24,480

and that dude when we were talking about

1721

01:07:28,710 --> 01:07:26,640

this before the show it just

1722

01:07:30,309 --> 01:07:28,720

it's just weird like does it feel like

1723

01:07:35,510 --> 01:07:30,319

we're coming full circle without any of

1724

01:07:39,829 --> 01:07:38,470

yeah it totally does it's not like

1725

01:07:41,510 --> 01:07:39,839

i don't i don't know anybody that's

1726

01:07:44,630 --> 01:07:41,520

trying to start a cult

1727

01:07:46,710 --> 01:07:44,640

but it just it just seems like

1728

01:07:48,309 --> 01:07:46,720

like history just is repeating itself

1729

01:07:50,470 --> 01:07:48,319

right now it almost feels like we're in

1730

01:07:52,710 --> 01:07:50,480

the middle of a new

1731

01:07:55,430 --> 01:07:52,720

a new frequency if you think about it

1732

01:07:56,309 --> 01:07:55,440

it's like it's it's

1733

01:07:58,710 --> 01:07:56,319

uh

1734

01:08:00,150 --> 01:07:58,720

interval of energy

1735

01:08:03,829 --> 01:08:00,160

that happens

1736

01:08:05,670 --> 01:08:03,839

at a repetition pattern over time and

1737

01:08:06,950 --> 01:08:05,680

we're in one of those we're in one of

1738

01:08:08,870 --> 01:08:06,960

those bell curves

1739

01:08:12,390 --> 01:08:08,880

see the same thing that was done in the

1740

01:08:14,710 --> 01:08:12,400

50s he says in the in the um

1741

01:08:18,870 --> 01:08:14,720

the seven grey balls of light book ball

1742

01:08:22,630 --> 01:08:18,880

now and uh we did switch to a new era

1743

01:08:24,470 --> 01:08:22,640

like we've switched we're officially in

1744

01:08:27,269 --> 01:08:24,480

the fourth

1745

01:08:29,590 --> 01:08:27,279

fourth density

1746

01:08:31,510 --> 01:08:29,600

yeah he said we're officially there and

1747

01:08:32,470 --> 01:08:31,520

so like everybody's weird right now

1748

01:08:34,630 --> 01:08:32,480

because

1749

01:08:36,309 --> 01:08:34,640

we don't know how to act in it and so

1750

01:08:37,269 --> 01:08:36,319

we're all just trying to figure it out

1751

01:08:39,829 --> 01:08:37,279

still

1752

01:08:41,510 --> 01:08:39,839

um but more and more people will be born

1753

01:08:43,669 --> 01:08:41,520

it's kind of like it's kind of like when

1754

01:08:45,189 --> 01:08:43,679

you go into like a 5g network area and

1755

01:08:47,510 --> 01:08:45,199

you're not set up for it how it just

1756

01:08:51,110 --> 01:08:47,520

doesn't really do anything but like 5g

1757

01:08:53,430 --> 01:08:51,120

really doesn't do anything yet

1758

01:08:55,829 --> 01:08:53,440

really yeah like it's still kind of

1759

01:08:59,430 --> 01:08:55,839

being set up and eventually enough

1760

01:09:01,749 --> 01:08:59,440

people will be 5g set up and ready to go

1761

01:09:03,829 --> 01:09:01,759

that they can officially like flip the

1762

01:09:05,430 --> 01:09:03,839

flip the switch you know

1763

01:09:07,510 --> 01:09:05,440

right now they're just giving you like

1764

01:09:09,269 --> 01:09:07,520

their theirs your phone will go into

1765

01:09:12,070 --> 01:09:09,279

area and it'll be like 5g but really

1766

01:09:13,430 --> 01:09:12,080

they're still running 4g [h__h] on a 5g

1767

01:09:15,430 --> 01:09:13,440

like well

1768

01:09:17,669 --> 01:09:15,440

you know it switches and lets you know

1769

01:09:19,910 --> 01:09:17,679

just so you can get prepared right we're

1770

01:09:23,669 --> 01:09:19,920

all like in this fourth density right

1771

01:09:25,669 --> 01:09:23,679

now just kind of waiting around um

1772

01:09:28,309 --> 01:09:25,679

it's here they just haven't flipped the

1773

01:09:28,950 --> 01:09:28,319

switch just quite yet not enough of us

1774

01:09:33,510 --> 01:09:28,960

are

1775

01:09:34,870 --> 01:09:33,520

talking about how people talk about

1776

01:09:36,709 --> 01:09:34,880

fourth dimension

1777

01:09:39,110 --> 01:09:36,719

and fourth density and how they're

1778

01:09:42,550 --> 01:09:39,120

completely different things because the

1779

01:09:46,789 --> 01:09:42,560

dimension is a space in which you

1780

01:09:49,189 --> 01:09:46,799

you take over a density

1781

01:09:51,430 --> 01:09:49,199

is like the like the heaviness the

1782

01:09:52,950 --> 01:09:51,440

weight of the area so you could be in a

1783

01:09:55,590 --> 01:09:52,960

different dimension

1784

01:09:57,510 --> 01:09:55,600

and still be like in fourth density

1785

01:09:59,669 --> 01:09:57,520

so you could a

1786

01:10:02,310 --> 01:09:59,679

a dimension is something that you exist

1787

01:10:05,910 --> 01:10:02,320

in but a density is something that that

1788

01:10:08,070 --> 01:10:05,920

happens to you is what makes up that

1789

01:10:11,910 --> 01:10:08,080

that density or what makes up that

1790

01:10:15,669 --> 01:10:13,750

i think we're all talking about like the

1791

01:10:16,390 --> 01:10:15,679

the human condition in a sense we're

1792

01:10:17,830 --> 01:10:16,400

like

1793

01:10:18,870 --> 01:10:17,840

what i visualize when you say those

1794

01:10:20,390 --> 01:10:18,880

words

1795

01:10:21,910 --> 01:10:20,400

and i know you're just

1796

01:10:23,350 --> 01:10:21,920

it's not you you're not coming up with

1797

01:10:25,350 --> 01:10:23,360

this stuff you're just

1798

01:10:28,070 --> 01:10:25,360

saying what you read but like when i

1799

01:10:30,550 --> 01:10:28,080

when you say those things i i visualize

1800

01:10:32,470 --> 01:10:30,560

uh and we've had guests on the past

1801

01:10:34,310 --> 01:10:32,480

on the show in the past talk about

1802

01:10:37,830 --> 01:10:34,320

it's a very controversial thing like

1803

01:10:39,990 --> 01:10:37,840

transitioning into a a new density

1804

01:10:41,669 --> 01:10:40,000

and what i visualize is our bodies

1805

01:10:45,110 --> 01:10:41,679

literally

1806

01:10:47,189 --> 01:10:45,120

vibrating and like leaving this reality

1807

01:10:50,070 --> 01:10:47,199

and now we're like blue or some [h__\h] you

1808

01:10:52,149 --> 01:10:50,080

know like yeah just like we change

1809

01:10:54,709 --> 01:10:52,159

but i don't i think that's

1810

01:10:57,030 --> 01:10:54,719

i think it's a little more subtle like

1811

01:11:00,149 --> 01:10:57,040

like you know like

1812

01:11:02,470 --> 01:11:00,159

we are um

1813

01:11:06,070 --> 01:11:02,480

like we're fourth density

1814

01:11:07,910 --> 01:11:06,080

right now but we're not fourth dimension

1815

01:11:09,590 --> 01:11:07,920

yeah okay you you have to explain it

1816

01:11:10,550 --> 01:11:09,600

again because i feel like you you said

1817

01:11:14,870 --> 01:11:10,560

it

1818

01:11:17,350 --> 01:11:14,880

a setup right like and i and i i could

1819

01:11:20,550 --> 01:11:17,360

be completely wrong but i believe he's

1820

01:11:24,470 --> 01:11:22,310

there's difference there's a there's a

1821

01:11:26,390 --> 01:11:24,480

density but then there's also a

1822

01:11:30,470 --> 01:11:26,400

dimension

1823

01:11:32,790 --> 01:11:30,480

we have moved into this fourth density

1824

01:11:34,390 --> 01:11:32,800

right where we're feeling the change in

1825

01:11:37,030 --> 01:11:34,400

the effects

1826
01:11:42,229 --> 01:11:37,040
of the dimension

1827
01:11:44,790 --> 01:11:42,239
but we're not in a fourth dimension yeah

1828
01:11:45,990 --> 01:11:44,800
so we're feeling the effects and density

1829
01:11:47,430 --> 01:11:46,000
right

1830
01:11:52,229 --> 01:11:47,440
it's like

1831
01:11:55,910 --> 01:11:52,239
it's it's the individual body that needs

1832
01:11:57,830 --> 01:11:55,920
to be updated yeah to to be compatible

1833
01:12:00,070 --> 01:11:57,840
with

1834
01:12:02,790 --> 01:12:00,080
the the [h__\h]

1835
01:12:06,709 --> 01:12:05,030
update there's like like ios with with

1836
01:12:08,630 --> 01:12:06,719
iphone i know you're an android guy but

1837
01:12:09,750 --> 01:12:08,640
like every month there's like an update

1838
01:12:11,350 --> 01:12:09,760

so it's like

1839

01:12:14,070 --> 01:12:11,360

your phone is

1840

01:12:16,630 --> 01:12:14,080

a density but it's it's not going to be

1841

01:12:18,870 --> 01:12:16,640

on par with the dimension that the the

1842

01:12:20,870 --> 01:12:18,880

standard that's set with ios when they

1843

01:12:22,390 --> 01:12:20,880

make their updates until you update so

1844

01:12:23,270 --> 01:12:22,400

you're in this transition

1845

01:12:24,470 --> 01:12:23,280

exactly

1846

01:12:26,790 --> 01:12:24,480

you just have you're just you're just

1847

01:12:28,470 --> 01:12:26,800

getting all the hardware for the update

1848

01:12:30,390 --> 01:12:28,480

oh my gosh but the hardware doesn't

1849

01:12:32,470 --> 01:12:30,400

necessarily work you're just aware that

1850

01:12:33,910 --> 01:12:32,480

it's there and it's heavy and it and

1851

01:12:35,430 --> 01:12:33,920

you're like what the [h__h] why can't i

1852

01:12:37,750 --> 01:12:35,440

use this you're like well because you're

1853

01:12:39,030 --> 01:12:37,760

not updated yet you haven't updated

1854

01:12:40,950 --> 01:12:39,040

you're just being

1855

01:12:42,709 --> 01:12:40,960

prepared for the update

1856

01:12:43,669 --> 01:12:42,719

oh my gosh

1857

01:12:44,550 --> 01:12:43,679

uh

1858

01:12:46,390 --> 01:12:44,560

um

1859

01:12:48,390 --> 01:12:46,400

okay so like now i'm thinking like

1860

01:12:50,310 --> 01:12:48,400

dolores cannon

1861

01:12:53,430 --> 01:12:50,320

if anybody is listening to this y'all

1862

01:12:55,510 --> 01:12:53,440

probably already know dolores cannon was

1863

01:12:57,910 --> 01:12:55,520

very vocal uh

1864

01:12:59,750 --> 01:12:57,920

thousands of hours of interviews her

1865

01:13:02,149 --> 01:12:59,760

talking on stage and in private

1866

01:13:03,189 --> 01:13:02,159

interviews about this density thing and

1867

01:13:05,030 --> 01:13:03,199

like this

1868

01:13:06,630 --> 01:13:05,040

uh new world thing

1869

01:13:09,270 --> 01:13:06,640

that's where the a lot of these terms of

1870

01:13:10,470 --> 01:13:09,280

like star children come from

1871

01:13:11,750 --> 01:13:10,480

uh

1872

01:13:13,590 --> 01:13:11,760

joe help me out but there's another

1873

01:13:15,750 --> 01:13:13,600

thing that she's talking about other

1874

01:13:17,270 --> 01:13:15,760

than like transitioning into like a new

1875

01:13:18,870 --> 01:13:17,280

density and new

1876

01:13:21,430 --> 01:13:18,880

uh

1877

01:13:22,550 --> 01:13:21,440

dimension where like we're living in 40

1878

01:13:24,310 --> 01:13:22,560

and now

1879

01:13:26,390 --> 01:13:24,320

soon the age of aquarius we're going to

1880

01:13:28,630 --> 01:13:26,400

be moving in densities because of the

1881

01:13:31,110 --> 01:13:28,640

position of our planet and our sun and

1882

01:13:33,510 --> 01:13:31,120

our solar system within our galaxy like

1883

01:13:36,950 --> 01:13:33,520

moving into like a new

1884

01:13:38,229 --> 01:13:36,960

substrate of our own galaxy and and our

1885

01:13:41,350 --> 01:13:38,239

consciousness

1886

01:13:42,550 --> 01:13:41,360

needs to be upgraded right

1887

01:13:43,910 --> 01:13:42,560

there's a lot there's a lot of terms

1888

01:13:47,750 --> 01:13:43,920

that we use now that we don't know where

1889

01:13:49,669 --> 01:13:47,760

they come from i think oh

1890

01:13:51,110 --> 01:13:49,679

type in something oh hell yeah dude

1891

01:13:53,990 --> 01:13:51,120

that's what's up

1892

01:13:56,070 --> 01:13:54,000

uh but yeah there's a lot of stuff that

1893

01:13:56,950 --> 01:13:56,080

when we're

1894

01:13:58,390 --> 01:13:56,960

i don't know

1895

01:14:00,870 --> 01:13:58,400

it's this feeling of

1896

01:14:02,870 --> 01:14:00,880

i didn't know who this guy was last week

1897

01:14:05,270 --> 01:14:02,880

this george van tassel guy and now i'm

1898

01:14:07,270 --> 01:14:05,280

feeling like damn everything i thought

1899

01:14:08,550 --> 01:14:07,280

that i was learning and like i thought i

1900

01:14:10,470 --> 01:14:08,560

was

1901

01:14:12,070 --> 01:14:10,480

feeling good about knew it no

1902

01:14:14,390 --> 01:14:12,080

something that was new that was just now

1903

01:14:16,390 --> 01:14:14,400

happening has it's been talked about for

1904

01:14:18,149 --> 01:14:16,400

the last seven years

1905

01:14:25,189 --> 01:14:18,159

this guy

1906

01:14:25,199 --> 01:14:31,430

yeah i mean it's like it's [h__\h]

1907

01:14:35,350 --> 01:14:32,870

we think we're so cool because we've

1908

01:14:38,149 --> 01:14:35,360

been to a ufo conference

1909

01:14:39,750 --> 01:14:38,159

at least i think we're cool because

1910

01:14:42,390 --> 01:14:39,760

we're like dude they've been doing ufo

1911

01:14:47,110 --> 01:14:42,400

conferences as the freaking 5 days

1912

01:14:51,910 --> 01:14:48,310

what do you do out here i'm going to

1913

01:14:53,189 --> 01:14:51,920

talk to aliens wait you talk to aliens

1914

01:14:55,189 --> 01:14:53,199

yeah

1915

01:14:57,830 --> 01:14:55,199

come on down to the cafe i'll channel

1916

01:14:59,590 --> 01:14:57,840

one where's that cafe at

1917

01:15:00,630 --> 01:14:59,600

did you see that big rock over there

1918

01:15:04,149 --> 01:15:00,640

yeah

1919

01:15:09,430 --> 01:15:05,990

nice to meet you and i will see you

1920

01:15:11,510 --> 01:15:09,440

again or see you next time

1921

01:15:12,650 --> 01:15:11,520

we're gonna fly out of here don't you

1922

01:15:14,870 --> 01:15:12,660

no not walk

1923

01:15:16,950 --> 01:15:14,880

[Laughter]

1924

01:15:19,510 --> 01:15:16,960

you live in hawaii

1925

01:15:21,750 --> 01:15:19,520

a couple peanuts

1926

01:15:24,950 --> 01:15:21,760

yeah dude the human body can live a long

1927

01:15:26,709 --> 01:15:24,960

time on two peanuts i'm just i just i

1928

01:15:29,189 --> 01:15:26,719

just man like

1929

01:15:31,669 --> 01:15:29,199

it's dude i don't know

1930

01:15:36,390 --> 01:15:31,679

we've always been kind of wishy-washy on

1931

01:15:40,950 --> 01:15:39,350

i don't know i think i'm just biased

1932

01:15:42,550 --> 01:15:40,960

i feel like it's like

1933

01:15:44,229 --> 01:15:42,560

i feel like it's not what's being

1934

01:15:45,990 --> 01:15:44,239

channeled i feel like it's who's

1935

01:15:48,390 --> 01:15:46,000

channeling

1936

01:15:50,470 --> 01:15:48,400

that makes me like a little leery about

1937

01:15:54,149 --> 01:15:50,480

it you know sometimes

1938

01:15:58,630 --> 01:15:55,990

no no dude i agree

1939

01:16:00,550 --> 01:15:58,640

i agree cause dude we've had guests on

1940

01:16:02,310 --> 01:16:00,560

the show that

1941

01:16:05,270 --> 01:16:02,320

channeled

1942

01:16:08,070 --> 01:16:05,280

in our in our interview very true very

1943

01:16:09,830 --> 01:16:08,080

true so awesome and i didn't realize

1944

01:16:11,669 --> 01:16:09,840

that until after

1945

01:16:13,110 --> 01:16:11,679

you you were like yeah no she she was

1946

01:16:15,270 --> 01:16:13,120

channeling i was like oh my god that

1947

01:16:16,870 --> 01:16:15,280

makes sense she was talking very fast

1948

01:16:18,390 --> 01:16:16,880

and like everything she said made sense

1949

01:16:20,790 --> 01:16:18,400

okay cool

1950

01:16:22,630 --> 01:16:20,800

uh and when you like listen to

1951

01:16:23,830 --> 01:16:22,640

what's dude what's the flower shirt

1952

01:16:26,390 --> 01:16:23,840

guy's name

1953

01:16:28,229 --> 01:16:26,400

oh bashar ashar

1954

01:16:30,550 --> 01:16:28,239

i mean he says a lot of cool stuff right

1955

01:16:31,669 --> 01:16:30,560

i'm not gonna go like

1956

01:16:33,910 --> 01:16:31,679

you know

1957

01:16:35,830 --> 01:16:33,920

stop taking showers and live on his

1958

01:16:38,630 --> 01:16:35,840

front porch or anything but like he said

1959

01:16:39,990 --> 01:16:38,640

some cool [h__h] yeah but but but the

1960

01:16:41,830 --> 01:16:40,000

sentiment of like

1961

01:16:43,430 --> 01:16:41,840

what they're saying makes sense but who

1962

01:16:45,110 --> 01:16:43,440

the person is you know oftentimes

1963

01:16:45,990 --> 01:16:45,120

oftentimes like the humanity gets in the

1964

01:16:48,229 --> 01:16:46,000

way

1965

01:16:49,830 --> 01:16:48,239

or like maybe it's maybe it's hubris and

1966

01:16:52,070 --> 01:16:49,840

i'm not i'm not like accusing anybody of

1967

01:16:53,590 --> 01:16:52,080

this but

1968

01:16:55,590 --> 01:16:53,600

um

1969

01:16:57,510 --> 01:16:55,600

of being huberous or or

1970

01:16:59,430 --> 01:16:57,520

self-involved

1971

01:17:00,390 --> 01:16:59,440

with uh channeling or whatever like the

1972

01:17:02,070 --> 01:17:00,400

human

1973

01:17:04,070 --> 01:17:02,080

uh condition getting it in the way but

1974

01:17:06,790 --> 01:17:04,080

like yeah there is that barrier that

1975

01:17:08,470 --> 01:17:06,800

makes you question it whereas like if

1976

01:17:10,709 --> 01:17:08,480

there was no human there it would be

1977

01:17:12,870 --> 01:17:10,719

like uh if it was an ai maybe saying all

1978

01:17:14,709 --> 01:17:12,880

this [h__h] he'd be like oh [h__h] and the

1979

01:17:20,310 --> 01:17:14,719

thing is too is like

1980

01:17:23,510 --> 01:17:21,910

now i also believe that you can be

1981

01:17:25,430 --> 01:17:23,520

[h__h] with me at any time you know

1982

01:17:27,430 --> 01:17:25,440

what i'm saying

1983

01:17:29,189 --> 01:17:27,440

like that's that's the double-edged

1984

01:17:31,590 --> 01:17:29,199

sword dude it's like i know you can

1985

01:17:34,070 --> 01:17:31,600

channel i've seen your channel but now

1986

01:17:35,910 --> 01:17:34,080

anytime you you tell me but now you

1987

01:17:37,110 --> 01:17:35,920

might just be [h__h] with me pretending

1988

01:17:39,430 --> 01:17:37,120

to channel

1989

01:17:41,430 --> 01:17:39,440

and i won't know the difference yeah

1990

01:17:43,270 --> 01:17:41,440

see that's the trick that's the struggle

1991

01:17:45,590 --> 01:17:43,280

with like

1992

01:17:48,070 --> 01:17:45,600

magician

1993

01:17:49,270 --> 01:17:48,080

yeah dude they fool you once man

1994

01:17:55,350 --> 01:17:49,280

yeah

1995

01:17:58,390 --> 01:17:55,360

you open it up and a bunch of snakes pop

1996

01:18:00,790 --> 01:17:58,400

out and you're like oh i can i know

1997

01:18:02,709 --> 01:18:00,800

you're you are able to grab me a [h__\h]

1998

01:18:03,830 --> 01:18:02,719

beer from the fridge right but how do i

1999

01:18:05,430 --> 01:18:03,840

know that you're not gonna bring me

2000

01:18:07,669 --> 01:18:05,440

another can

2001

01:18:10,390 --> 01:18:07,679

full of goddamn snakes i gotta i gotta

2002

01:18:12,709 --> 01:18:10,400

stop hanging out with you man

2003

01:18:15,350 --> 01:18:12,719

anytime you ask me for it to bring you a

2004

01:18:17,030 --> 01:18:15,360

brewski bomb jeeps

2005

01:18:22,470 --> 01:18:17,040

yeah there's a chance that there's going

2006

01:18:27,350 --> 01:18:25,270

you should start we start a beer company

2007

01:18:29,590 --> 01:18:27,360

called full of snakes

2008

01:18:31,350 --> 01:18:29,600

little tiny little baby snakes with hats

2009

01:18:34,149 --> 01:18:31,360

that are very nice

2010

01:18:36,709 --> 01:18:34,159

come down and try full of tiny baby

2011

01:18:38,070 --> 01:18:36,719

snakes with little tiny hats beer that

2012

01:18:41,590 --> 01:18:38,080

are very nice

2013

01:18:43,669 --> 01:18:41,600

right here in right here in texas

2014

01:18:45,350 --> 01:18:43,679

homegrown homegrown hops it's all

2015

01:18:48,149 --> 01:18:45,360

written like very tiny because you gotta

2016

01:18:49,189 --> 01:18:48,159

fit it all on the label

2017

01:18:52,149 --> 01:18:49,199

beer

2018

01:18:55,189 --> 01:18:52,159

that's the that's the logo come down

2019

01:18:56,950 --> 01:18:55,199

come down here and taste the beer with

2020

01:18:59,590 --> 01:18:56,960

little snakes and tiny little hats that

2021

01:19:01,430 --> 01:18:59,600

are very nice beer

2022

01:19:03,830 --> 01:19:01,440

look the guys and they're nice they're

2023

01:19:05,750 --> 01:19:03,840

nice guys they're nice guys don't judge

2024

01:19:07,830 --> 01:19:05,760

them because of their hats the hats make

2025

01:19:10,790 --> 01:19:07,840

the doll don't ask them about that stop

2026

01:19:14,870 --> 01:19:10,800

asking about the hats

2027

01:19:20,470 --> 01:19:18,229

so come down have a beer or tube

2028

01:19:22,709 --> 01:19:20,480

if you can handle it

2029

01:19:25,189 --> 01:19:22,719

i don't think they could

2030

01:19:27,830 --> 01:19:25,199

dude never been to a uh taylor texas

2031

01:19:30,070 --> 01:19:27,840

snake roundup have they happy to have

2032

01:19:34,470 --> 01:19:32,950

that [h__h] was crazy man

2033

01:19:36,229 --> 01:19:34,480

that was so crazy

2034

01:19:37,910 --> 01:19:36,239

i thought with shorter hair i'd be

2035

01:19:40,229 --> 01:19:37,920

fooling with my hair less but i'm

2036

01:19:42,790 --> 01:19:40,239

actually fooling with it more damn it

2037

01:19:44,870 --> 01:19:42,800

because now it doesn't quite fit under

2038

01:19:47,990 --> 01:19:44,880

the head underneath yeah thing and it's

2039

01:19:50,950 --> 01:19:49,510

i'm going to look like an idiot and

2040

01:19:55,110 --> 01:19:50,960

you're gonna look like quill man dude

2041

01:19:58,630 --> 01:19:56,470

there's like there's nothing there's

2042

01:20:00,390 --> 01:19:58,640

nothing more lame than like a guy with

2043

01:20:01,430 --> 01:20:00,400

short hair and like one piece of hair

2044

01:20:03,430 --> 01:20:01,440

it's like

2045

01:20:05,430 --> 01:20:03,440

per like it's almost like i'm doing this

2046

01:20:07,669 --> 01:20:05,440

on purpose you know like if a piece of

2047

01:20:10,870 --> 01:20:07,679

hair is hanging down whereas if you with

2048

01:20:12,310 --> 01:20:10,880

long hair okay well that looks terrible

2049

01:20:15,430 --> 01:20:12,320

see it kind of looks like that was on

2050

01:20:19,590 --> 01:20:16,830

you

2051

01:20:22,790 --> 01:20:19,600

know luxurious dude

2052

01:20:27,750 --> 01:20:25,669

i look like i play bass for the cure

2053

01:20:28,870 --> 01:20:27,760

hell yeah dude

2054

01:20:30,390 --> 01:20:28,880

no

2055

01:20:32,870 --> 01:20:30,400

i actually look like i play bass for

2056

01:20:35,830 --> 01:20:32,880

slayer

2057

01:20:37,350 --> 01:20:35,840

honestly dude you should do the more

2058

01:20:38,950 --> 01:20:37,360

even i'll do the other do the other

2059

01:20:41,510 --> 01:20:38,960

strand on the other side dude the other

2060

01:20:45,030 --> 01:20:43,990

hell yeah full

2061

01:20:48,149 --> 01:20:45,040

now

2062

01:20:49,990 --> 01:20:48,159

if i do it with the other ow

2063

01:20:53,270 --> 01:20:50,000

and do it with the other strand

2064

01:20:55,189 --> 01:20:53,280

now it looks like as i sing vocals

2065

01:20:56,870 --> 01:20:55,199

for the spice girls that's what's up

2066

01:21:01,160 --> 01:20:56,880

dude it's time yeah you look like

2067

01:21:07,030 --> 01:21:04,790

2143

01:24:31,590 --> 01:24:30,159

jeans

2145

01:24:35,590 --> 01:24:33,440

uh they're covered

2146

01:24:37,669 --> 01:24:35,600

by the by the shape of the way that it

2147

01:24:39,110 --> 01:24:37,679

is the shape of the shirt

2148

01:24:40,870 --> 01:24:39,120

look at this gentleman

2149

01:24:42,149 --> 01:24:40,880

he looks cool actually doesn't look like

2150

01:24:44,390 --> 01:24:42,159

he's wearing that guy looks like he's

2151
01:24:46,870 --> 01:24:44,400
wearing the the shirt

2152
01:24:47,669 --> 01:24:46,880
but i have one and it is very cool it uh

2153
01:24:51,270 --> 01:24:47,679
it

2154
01:24:53,110 --> 01:24:51,280
like i have this thing where my body is

2155
01:24:54,790 --> 01:24:53,120
awkwardly long

2156
01:24:56,629 --> 01:24:54,800
uh my torso

2157
01:24:59,110 --> 01:24:56,639
um

2158
01:25:01,189 --> 01:24:59,120
is is like normal size but my my the

2159
01:25:03,110 --> 01:25:01,199
rest of my body's very long

2160
01:25:05,270 --> 01:25:03,120
and uh my shirts just don't fit you know

2161
01:25:07,510 --> 01:25:05,280
i'm just a skinny guy and this hemmed

2162
01:25:09,110 --> 01:25:07,520
t-shirt you know it covers it up doesn't

2163
01:25:11,110 --> 01:25:09,120

make me look so weird that made me look

2164

01:25:12,790 --> 01:25:11,120

like an alien i like it it's a good

2165

01:25:14,550 --> 01:25:12,800

shirt

2166

01:25:18,390 --> 01:25:14,560

and the roswell new mexico

2171

01:25:32,790 --> 01:25:30,159

2172

01:25:34,229 --> 01:25:32,800

a like a series a set

2173

01:25:36,870 --> 01:25:34,239

of like historical

2174

01:25:37,590 --> 01:25:36,880

ufo uh incidences that

2175

01:25:42,470 --> 01:25:37,600

uh

2176
01:25:45,830 --> 01:25:44,310
the phoenix lights is like one of my

2177
01:25:47,669 --> 01:25:45,840
favorite

2178
01:25:50,229 --> 01:25:47,679
ufo incidences i was actually just

2179
01:25:53,350 --> 01:25:50,239
talking to a neighbor that lives like

2180
01:25:55,590 --> 01:25:53,360
right next to me and my wife and

2181
01:25:57,350 --> 01:25:55,600
he knows that i do the podcast uh me and

2182
01:25:57,990 --> 01:25:57,360
joe do the podcast and he was listening

2183
01:26:00,790 --> 01:25:58,000
and

2184
01:26:02,470 --> 01:26:00,800
he said dude uh the month before which

2185
01:26:06,149 --> 01:26:02,480
is 1997

2186
01:26:08,550 --> 01:26:06,159
he said he moved to texas in 1996

2187
01:26:09,990 --> 01:26:08,560
um and that summer

2188
01:26:12,790 --> 01:26:10,000

in july

2189

01:26:13,590 --> 01:26:12,800

he in colorado before he moved

2190

01:26:16,870 --> 01:26:13,600

uh

2191

01:26:19,910 --> 01:26:16,880

saw these lights go across this mountain

2192

01:26:21,350 --> 01:26:19,920

in colorado colorado colorado springs

2193

01:26:24,550 --> 01:26:21,360

and it had

2194

01:26:27,030 --> 01:26:24,560

a dot a bright light in the front and

2195

01:26:29,669 --> 01:26:27,040

three dots three lights on either side

2196

01:26:33,910 --> 01:26:29,679

of this boomerang shaped craft

2197

01:26:35,430 --> 01:26:33,920

and i showed him this this t-shirt uh

2198

01:26:36,790 --> 01:26:35,440

asking him

2199

01:26:38,470 --> 01:26:36,800

what it looked like and he said yeah

2200

01:26:39,750 --> 01:26:38,480

that's that's the lights

2201

01:26:41,510 --> 01:26:39,760

and i said okay well that's not

2202

01:26:43,030 --> 01:26:41,520

convincing enough let me show you this

2203

01:26:45,750 --> 01:26:43,040

poster and it was this poster that we

2204

01:26:47,910 --> 01:26:45,760

got joe and i got at this convention

2205

01:26:49,910 --> 01:26:47,920

that showed the phoenix lights boomerang

2206

01:26:51,030 --> 01:26:49,920

craft and he was like yeah no that

2207

01:26:53,830 --> 01:26:51,040

that's it

2208

01:26:55,350 --> 01:26:53,840

and this guy's like not into ufos at all

2209

01:26:57,189 --> 01:26:55,360

so i thought that was cool that he was

2210

01:26:59,189 --> 01:26:57,199

like yup that that's that's what i saw

2211

01:27:02,070 --> 01:26:59,199

that's kind of cool

2212

01:27:05,110 --> 01:27:02,080

uh as always collaboration dude if you

2213

01:27:07,270 --> 01:27:05,120

guys haven't heard of uh tupacabra

2214

01:27:08,950 --> 01:27:07,280

on twitter he is

2215

01:27:10,229 --> 01:27:08,960

an amazing artist

2216

01:27:12,870 --> 01:27:10,239

he uh

2217

01:27:15,350 --> 01:27:12,880

is on twitter he hosts spaces i was uh

2218

01:27:17,350 --> 01:27:15,360

listening to his space this morning

2219

01:27:19,430 --> 01:27:17,360

it's awesome time it was awesome

2220

01:27:20,790 --> 01:27:19,440

everybody that he gets in there is is

2221

01:27:22,470 --> 01:27:20,800

dope they all

2222

01:27:23,910 --> 01:27:22,480

all of the guests it's kind of different

2223

01:27:26,709 --> 01:27:23,920

every time

2224

01:27:27,830 --> 01:27:26,719

uh so if you're not following chupacabra

2225

01:27:30,550 --> 01:27:27,840

two

2226

01:27:31,669 --> 01:27:30,560

on uh twitter check them out dude

2227

01:27:34,629 --> 01:27:31,679

so we're doing like a little

2228

01:27:35,590 --> 01:27:34,639

collaboration and he did the j allen

2229

01:27:37,270 --> 01:27:35,600

heineck

2230

01:27:40,070 --> 01:27:37,280

uh t-shirt

2231

01:27:41,430 --> 01:27:40,080

uh the ego death sweatshirt it's

2232

01:27:45,110 --> 01:27:41,440

basically

2233

01:27:47,030 --> 01:27:45,120

uh tupac as an alien

2234

01:27:48,870 --> 01:27:47,040

super sick uh

2235

01:27:51,430 --> 01:27:48,880

then we've got a sweater that says

2236

01:27:52,310 --> 01:27:51,440

invisible college is it uh

2237

01:27:53,990 --> 01:27:52,320

i mean

2238

01:27:56,149 --> 01:27:54,000

if you don't know what the invisible

2239

01:27:58,149 --> 01:27:56,159

college is well you probably shouldn't

2240

01:27:59,750 --> 01:27:58,159

because it's uh it's invisible and they

2241

01:28:01,669 --> 01:27:59,760

don't want it they don't want you to

2242

01:28:04,470 --> 01:28:01,679

know

2243

01:28:10,310 --> 01:28:06,149

so if you're interested in any of those

2244

01:28:15,110 --> 01:28:10,320

uh those merch items check them out dude

2245

01:28:17,910 --> 01:28:16,390

support the show

2246

01:28:21,430 --> 01:28:17,920

support the

2247

01:28:24,070 --> 01:28:21,440

uh the the hours of of research that joe

2248

01:28:24,870 --> 01:28:24,080

and i put into to these shows the hours

2249

01:28:27,189 --> 01:28:24,880

of

2250

01:28:30,790 --> 01:28:27,199

you know becoming funny uh you know i'm

2251

01:28:33,030 --> 01:28:30,800

i'm not there yet joe's there

2252

01:28:36,390 --> 01:28:33,040

it just takes hours you know we we we

2253

01:28:38,470 --> 01:28:36,400

practice every day we're like hey guy

2254

01:28:40,310 --> 01:28:38,480

2255

01:28:42,870 --> 01:28:40,320

that came

2324

01:31:49,030 --> 01:31:46,560

he had to uh

2325

01:31:51,669 --> 01:31:49,040

had to uh

2326

01:31:53,510 --> 01:31:51,679

let's see here he is here there he is

2327

01:31:56,310 --> 01:31:53,520

okay dude where are we at where are we

2328

01:32:00,550 --> 01:31:56,320

at in the jordan uh george van tasselism

2329

01:32:03,510 --> 01:32:01,910

because i was just thinking about okay i

2330

01:32:05,430 --> 01:32:03,520

came in hot so

2331

01:32:07,110 --> 01:32:05,440

alabama tide yeah it's

2332

01:32:08,229 --> 01:32:07,120

it's kind of finished

2333

01:32:09,590 --> 01:32:08,239

oh

2334

01:32:11,189 --> 01:32:09,600

no no

2335

01:32:13,030 --> 01:32:11,199

oh he's talking about the tattoo there

2336

01:32:15,430 --> 01:32:13,040

it is

2337

01:32:17,990 --> 01:32:15,440

there's the tattoo right there man

2338

01:32:19,910 --> 01:32:18,000

i'm gonna i might go back and get a

2339

01:32:22,629 --> 01:32:19,920

couple white highlights

2340

01:32:27,910 --> 01:32:25,430

um yeah dude and then i'm thinking about

2341

01:32:31,030 --> 01:32:27,920

doing like a cool like

2342

01:32:33,669 --> 01:32:31,040

30 rock from the sun colored space

2343

01:32:34,550 --> 01:32:33,679

background up to the shoulder

2344

01:32:35,910 --> 01:32:34,560

um

2345

01:32:39,990 --> 01:32:35,920

it should be pretty sweet i'm pretty

2346

01:32:43,510 --> 01:32:41,990

dude that's what's up

2347

01:32:44,709 --> 01:32:43,520

what's the third what's the 30 rock from

2348

01:32:51,590 --> 01:32:44,719

the sun

2349

01:32:52,830 --> 01:32:51,600

third rock for this

2350

01:32:56,310 --> 01:32:52,840

screen tv

2351

01:32:58,390 --> 01:32:56,320

show the 30th rock from the sun the 30th

2352

01:33:00,709 --> 01:32:58,400

rock from the sun everybody knows about

2353

01:33:03,430 --> 01:33:00,719

it so champ campbell's saying uh you

2354

01:33:05,830 --> 01:33:03,440

think van tassel saw the nazi bell

2355

01:33:10,790 --> 01:33:05,840

the craft was bell-shaped with the

2356

01:33:15,110 --> 01:33:12,870

are germ are germans were they tanned

2357

01:33:16,790 --> 01:33:15,120

did they tan back then

2358

01:33:19,030 --> 01:33:16,800

i mean

2359

01:33:20,550 --> 01:33:19,040

they were a white race blonde hair blue

2360

01:33:23,910 --> 01:33:20,560

eyes

2361

01:33:27,910 --> 01:33:26,149

with jewish family

2362

01:33:30,310 --> 01:33:27,920

what a contradiction these guys like hey

2363

01:33:32,550 --> 01:33:30,320

guys everybody's cool but everyone that

2364

01:33:36,070 --> 01:33:32,560

looks like me like but i'm cool though

2365

01:33:38,070 --> 01:33:36,080

i'm cool but

2366

01:33:39,910 --> 01:33:38,080

i feel like okay

2367

01:33:42,229 --> 01:33:39,920

let's move on

2368

01:33:43,110 --> 01:33:42,239

yeah i don't know did it was it the same

2369

01:33:44,950 --> 01:33:43,120

bell

2370

01:33:47,910 --> 01:33:44,960

what you know i mean the germans had the

2371

01:33:51,270 --> 01:33:47,920

bell you know did he see the bell did he

2372

01:33:52,629 --> 01:33:51,280

just see some germans but he does say

2373

01:33:54,310 --> 01:33:52,639

that well i don't know i guess that

2374

01:33:56,310 --> 01:33:54,320

would apply to germans too he was like

2375

01:33:59,510 --> 01:33:56,320

well it seemed like they spoke in the

2376

01:34:01,350 --> 01:33:59,520

best form of english that they could

2377

01:34:03,110 --> 01:34:01,360

you know

2378

01:34:05,990 --> 01:34:03,120

that's right yeah he said it was likened

2379

01:34:06,950 --> 01:34:06,000

to a a person's name

2380

01:34:08,629 --> 01:34:06,960

uh

2381

01:34:10,229 --> 01:34:08,639

it was like an i would assume that it

2382

01:34:12,470 --> 01:34:10,239

was some money famous it was like an

2383

01:34:14,070 --> 01:34:12,480

actor or something that that

2384

01:34:16,709 --> 01:34:14,080

could speak english was maybe from

2385

01:34:20,629 --> 01:34:16,719

somewhere else that had an accent yeah

2386

01:34:25,110 --> 01:34:22,229

uh

2387

01:34:28,229 --> 01:34:25,120

yeah maybe dude maybe

2388

01:34:34,149 --> 01:34:31,430

sorry i just got a text from a jess she

2389

01:34:38,070 --> 01:34:34,159

is she's sick tonight man she's uh not

2390

01:34:39,590 --> 01:34:38,080

feeling well oh that's a bummer yeah

2391

01:34:40,870 --> 01:34:39,600

um

2392

01:34:43,910 --> 01:34:40,880

i'm gonna go i'm gonna go check on her

2393

01:34:46,470 --> 01:34:43,920

sorry okay don't worry sorry dude

2394

01:34:47,750 --> 01:34:46,480

crusher 5000 what you uh

2395

01:34:52,950 --> 01:34:47,760

what you

2396

01:34:55,590 --> 01:34:52,960

what do you mean

2397

01:34:57,270 --> 01:34:55,600

somebody looking into my window

2398

01:34:58,629 --> 01:34:57,280

i hope nobody's looking in my window if

2399

01:35:01,590 --> 01:34:58,639

you saw somebody looking at my window

2400

01:35:03,350 --> 01:35:01,600

that's crazy i live on the second floor

2401

01:35:05,350 --> 01:35:03,360

i don't live on the second floor i'm on

2402

01:35:09,750 --> 01:35:05,360

the second floor right now

2403

01:35:09,760 --> 01:35:13,189

let's see

2404

01:35:17,669 --> 01:35:16,149

um champ yeah dude the feds

2405

01:35:19,590 --> 01:35:17,679

yeah i don't know

2406

01:35:22,149 --> 01:35:19,600

it could be one of why the feds killed

2407

01:35:24,310 --> 01:35:22,159

him well i don't know so no the feds

2408

01:35:26,390 --> 01:35:24,320

ended up killing his friend so his

2409

01:35:28,790 --> 01:35:26,400

friend was the german guy that lived

2410

01:35:31,590 --> 01:35:28,800

under the rock the feds killed him

2411

01:35:35,590 --> 01:35:31,600

uh i think the story

2412

01:35:38,070 --> 01:35:35,600

um with van tassel is

2413

01:35:40,390 --> 01:35:38,080

basically his family

2414

01:35:42,390 --> 01:35:40,400

thinks that his ex-old lady killed him

2415

01:35:46,709 --> 01:35:42,400

the appointment she may have poisoned

2416

01:35:49,830 --> 01:35:46,719

him um whenever he passed away

2417

01:35:50,950 --> 01:35:49,840

she was like next closest to kin i guess

2418

01:35:53,510 --> 01:35:50,960

so

2419

01:35:55,750 --> 01:35:53,520

she cremated the body before the family

2420

01:35:58,070 --> 01:35:55,760

even knew about it dude so she got rid

2421

01:36:00,470 --> 01:35:58,080

of the evidence and there was no autopsy

2422

01:36:03,109 --> 01:36:00,480

done so nobody knows

2423

01:36:05,350 --> 01:36:03,119

which could partially be fed

2424

01:36:06,790 --> 01:36:05,360

uh involved i

2425

01:36:08,629 --> 01:36:06,800

would probably

2426

01:36:10,950 --> 01:36:08,639

agree with that

2427

01:36:13,669 --> 01:36:10,960

they say that maybe she was like planted

2428

01:36:17,910 --> 01:36:13,679

in his life

2429

01:36:17,920 --> 01:36:22,149

i don't know it's [h__h] up

2430

01:36:25,750 --> 01:36:23,430

what's up ben

2431

01:36:28,470 --> 01:36:25,760

who's planted who's life

2432

01:36:29,510 --> 01:36:28,480

we were talking about van tassel and him

2433

01:36:32,149 --> 01:36:29,520

dying

2434

01:36:34,629 --> 01:36:32,159

oh dude because champ had asked well

2435

01:36:36,790 --> 01:36:34,639

maybe that's why the feds killed him

2436

01:36:38,550 --> 01:36:36,800

and i was like well the feds killed his

2437

01:36:40,470 --> 01:36:38,560

friend but then i got to thinking well

2438

01:36:42,550 --> 01:36:40,480

his ex-old lady

2439

01:36:44,149 --> 01:36:42,560

poisoned him right

2440

01:36:46,870 --> 01:36:44,159

and some people think that maybe the

2441

01:36:48,070 --> 01:36:46,880

feds planted her in his life

2442

01:36:51,030 --> 01:36:48,080

basically

2443

01:36:53,830 --> 01:36:51,040

was she like a new wife or well because

2444

01:36:55,109 --> 01:36:53,840

whenever no she was an ex

2445

01:36:57,109 --> 01:36:55,119

old lady

2446

01:36:58,310 --> 01:36:57,119

but towards the end where he was having

2447

01:37:00,709 --> 01:36:58,320

problems

2448

01:37:02,470 --> 01:37:00,719

she cremated the body before anybody

2449

01:37:04,229 --> 01:37:02,480

else knew

2450

01:37:05,270 --> 01:37:04,239

so like there was no autopsy done or

2451

01:37:07,590 --> 01:37:05,280

anything

2452

01:37:10,229 --> 01:37:07,600

hold on i thought that that uh his wife

2453

01:37:11,910 --> 01:37:10,239

would like make this famous apple pie

2454

01:37:13,350 --> 01:37:11,920

that everybody liked and she was like

2455

01:37:15,510 --> 01:37:13,360

kind of she was

2456

01:37:17,030 --> 01:37:15,520

it was like a different one

2457

01:37:19,270 --> 01:37:17,040

when he died

2458

01:37:20,470 --> 01:37:19,280

she was like next closest to kin so they

2459

01:37:22,550 --> 01:37:20,480

called her

2460

01:37:24,950 --> 01:37:22,560

and she had the body cremated but she

2461

01:37:27,030 --> 01:37:24,960

would still go visit van tassel

2462

01:37:29,270 --> 01:37:27,040

and she had the body cremated before the

2463

01:37:32,470 --> 01:37:29,280

rest of the family knew oh so they never

2464

01:37:33,750 --> 01:37:32,480

got like an autopsy right

2465

01:37:36,310 --> 01:37:33,760

so

2466

01:37:38,470 --> 01:37:36,320

the family feels like

2467

01:37:40,629 --> 01:37:38,480

she killed him oh

2468

01:37:43,030 --> 01:37:40,639

dude

2469

01:37:46,390 --> 01:37:43,910

so

2470

01:37:48,070 --> 01:37:46,400

uh did you already talk about how he

2471

01:37:50,470 --> 01:37:48,080

died the day before they were going to

2472

01:37:52,470 --> 01:37:50,480

turn on the integrachan that was the

2473

01:37:54,390 --> 01:37:52,480

next part i was going to get to so

2474

01:37:57,350 --> 01:37:54,400

because champ just said oh i was

2475

01:38:00,070 --> 01:37:57,360

wondering it smells a little weird like

2476

01:38:01,189 --> 01:38:00,080

how a guy with a rejuvenation machine

2477

01:38:05,189 --> 01:38:01,199

dies

2478

01:38:08,229 --> 01:38:05,199

and yes dude he died the day before they

2479

01:38:09,669 --> 01:38:08,239

turned the machine on bro

2480

01:38:12,870 --> 01:38:09,679

the day before they turned the machine

2481

01:38:14,870 --> 01:38:12,880

on he freaking dies messed up i'm not

2482

01:38:16,950 --> 01:38:14,880

even gonna call that a coincidence bro

2483

01:38:18,629 --> 01:38:16,960

like that's on purpose he doesn't just

2484

01:38:21,750 --> 01:38:18,639

die the day before they turn the damn

2485

01:38:25,030 --> 01:38:21,760

machine on yeah dude

2486

01:38:26,629 --> 01:38:25,040

there's no way so how he uh died

2487

01:38:28,790 --> 01:38:26,639

right was the uh

2488

01:38:30,709 --> 01:38:28,800

heart it was a heart attack right

2489

01:38:32,149 --> 01:38:30,719

supposedly

2490

01:38:33,350 --> 01:38:32,159

no autopsy

2491

01:38:37,350 --> 01:38:33,360

cremated

2492

01:38:38,229 --> 01:38:37,360

supposedly like like very soon

2493

01:38:40,870 --> 01:38:38,239

after

2494

01:38:44,870 --> 01:38:43,510

smells a little fishy to me dude

2495

01:38:51,350 --> 01:38:44,880

yeah

2496

01:38:57,910 --> 01:38:53,590

but all in all man

2497

01:38:59,510 --> 01:38:57,920

the i i think just the overall story of

2498

01:39:01,669 --> 01:38:59,520

van tassel

2499

01:39:03,510 --> 01:39:01,679

the things he was able to accomplish the

2500

01:39:05,669 --> 01:39:03,520

things that were built the people that

2501
01:39:07,669 --> 01:39:05,679
he knew

2502
01:39:10,149 --> 01:39:07,679
the people that knew him

2503
01:39:12,870 --> 01:39:10,159
yeah right the whole story

2504
01:39:14,629 --> 01:39:12,880
what this machine was supposed to do

2505
01:39:17,270 --> 01:39:14,639
he'd worked his

2506
01:39:19,430 --> 01:39:17,280
half of his life on this thing moved him

2507
01:39:20,470 --> 01:39:19,440
and his family out to the freaking

2508
01:39:22,149 --> 01:39:20,480
desert

2509
01:39:24,629 --> 01:39:22,159
under this big ass rock and they would

2510
01:39:26,390 --> 01:39:24,639
just sleep outside

2511
01:39:29,910 --> 01:39:26,400
all to do

2512
01:39:34,790 --> 01:39:31,750
and then for him to die the day before

2513
01:39:36,629 --> 01:39:34,800

he turns the machine on yeah it doesn't

2514

01:39:41,910 --> 01:39:36,639

seem like

2515

01:39:44,390 --> 01:39:41,920

coincidence seems very planned out it

2516

01:39:46,790 --> 01:39:44,400

does it seems a little weird

2517

01:39:51,350 --> 01:39:46,800

the fact that the guy was holding

2518

01:39:53,350 --> 01:39:51,360

ufo conferences back in the 50s the fbi

2519

01:39:55,590 --> 01:39:53,360

was on to him they were trying to make

2520

01:39:59,270 --> 01:39:55,600

sure he wasn't spreading like marxist

2521

01:40:00,870 --> 01:39:59,280

communist propaganda which i appreciate

2522

01:40:02,870 --> 01:40:00,880

partially

2523

01:40:04,790 --> 01:40:02,880

but just the whole

2524

01:40:06,629 --> 01:40:04,800

like i don't know man

2525

01:40:10,629 --> 01:40:06,639

like

2526

01:40:12,790 --> 01:40:10,639

yeah people with really good inventions

2527

01:40:15,590 --> 01:40:12,800

usually disappear

2528

01:40:18,229 --> 01:40:15,600

yeah this is that you know

2529

01:40:20,229 --> 01:40:18,239

yeah uh this is just another version of

2530

01:40:23,430 --> 01:40:20,239

somebody who figured out how to run an

2531

01:40:25,270 --> 01:40:23,440

engine off of water you know yeah

2532

01:40:27,109 --> 01:40:25,280

champ kind of said yeah familiar of the

2533

01:40:28,709 --> 01:40:27,119

guy who made the car that ran off

2534

01:40:30,550 --> 01:40:28,719

there's been there's been multiple

2535

01:40:32,629 --> 01:40:30,560

people that have made combustible

2536

01:40:33,990 --> 01:40:32,639

engines off of uh

2537

01:40:36,229 --> 01:40:34,000

hydrogen

2538

01:40:37,270 --> 01:40:36,239

powered uh vehicles i mean that's that

2539

01:40:42,310 --> 01:40:37,280

that's

2540

01:40:44,470 --> 01:40:42,320

yeah

2541

01:40:47,189 --> 01:40:44,480

you're separating those molecules and

2542

01:40:48,830 --> 01:40:47,199

hydrogen is a combustible combustible

2543

01:40:50,629 --> 01:40:48,840

gas

2544

01:40:52,950 --> 01:40:50,639

yep

2545

01:40:54,709 --> 01:40:52,960

exactly just like the shamwow guy you

2546

01:40:56,950 --> 01:40:54,719

know come up with a good ass product and

2547

01:40:58,870 --> 01:40:56,960

then you [h__h] die

2548

01:40:59,590 --> 01:40:58,880

i think his had more to do with cocaine

2549

01:41:01,350 --> 01:40:59,600

but

2550

01:41:03,270 --> 01:41:01,360

exactly that's just the exact thing

2551

01:41:07,189 --> 01:41:03,280

we're talking about

2552

01:41:11,189 --> 01:41:08,709

i thought he was the st i thought he

2553

01:41:13,189 --> 01:41:11,199

came up with the slap chop

2554

01:41:14,629 --> 01:41:13,199

i don't know have you seen the slap shot

2555

01:41:17,990 --> 01:41:14,639

video yeah

2556

01:41:19,510 --> 01:41:18,000

just slap it slapping just chop it

2557

01:41:23,590 --> 01:41:19,520

within seconds

2558

01:41:28,950 --> 01:41:26,870

but yeah no i yep it's it's definitely

2559

01:41:31,669 --> 01:41:28,960

fishy it's definitely fishy and not only

2560

01:41:34,870 --> 01:41:31,679

that but they followed him

2561

01:41:36,470 --> 01:41:34,880

until the day before he was gonna turn

2562

01:41:40,229 --> 01:41:36,480

it on so they could make sure that they

2563

01:41:42,470 --> 01:41:40,239

could get all the information possible

2564

01:41:43,510 --> 01:41:42,480

killed him took his [h__h]

2565

01:41:45,590 --> 01:41:43,520

and

2566

01:41:47,510 --> 01:41:45,600

you know used it for their own personal

2567

01:41:49,990 --> 01:41:47,520

gain

2568

01:41:52,790 --> 01:41:50,000

yeah it seems like either those people

2569

01:41:56,629 --> 01:41:54,629

the thread is like

2570

01:41:57,750 --> 01:41:56,639

they don't have a lot of family

2571

01:41:59,350 --> 01:41:57,760

usually

2572

01:42:01,109 --> 01:41:59,360

right and

2573

01:42:03,030 --> 01:42:01,119

uh they figure some [h__h] out and the

2574

01:42:04,790 --> 01:42:03,040

government says either

2575

01:42:06,229 --> 01:42:04,800

hey uh um

2576

01:42:06,950 --> 01:42:06,239

stop doing this or we're gonna kill you

2577

01:42:10,310 --> 01:42:06,960

or

2578

01:42:12,149 --> 01:42:10,320

this in this

2579

01:42:14,149 --> 01:42:12,159

organization you can't tell anybody what

2580

01:42:15,910 --> 01:42:14,159

you're doing but you'll get to keep

2581

01:42:17,990 --> 01:42:15,920

doing what you do it will pay you a [h__h]

2582

01:42:18,709 --> 01:42:18,000

ton of money and just don't talk about

2583

01:42:19,750 --> 01:42:18,719

it

2584

01:42:22,229 --> 01:42:19,760

yeah

2585

01:42:23,750 --> 01:42:22,239

and those people that you you never hear

2586

01:42:25,910 --> 01:42:23,760

from again i wonder what happens i

2587

01:42:30,070 --> 01:42:25,920

wonder what their story is alabama tide

2588

01:42:34,790 --> 01:42:32,390

the monopoly guy whoever they are in

2589

01:42:36,470 --> 01:42:34,800

these these these black budget projects

2590

01:42:37,350 --> 01:42:36,480

man i mean

2591

01:42:40,229 --> 01:42:37,360

you know

2592

01:42:42,470 --> 01:42:40,239

whoever they are i mean they is always

2593

01:42:43,590 --> 01:42:42,480

like who is they and it's like well no

2594

01:42:47,270 --> 01:42:43,600

we don't

2595

01:42:50,870 --> 01:42:47,280

they are specifically

2596

01:42:52,790 --> 01:42:50,880

well i i i'll say i'll say this maybe

2597

01:42:54,709 --> 01:42:52,800

just a speculation here but maybe

2598

01:42:57,510 --> 01:42:54,719

anybody that's involved with an

2599

01:43:00,550 --> 01:42:57,520

organization that has to do with uh

2600

01:43:02,709 --> 01:43:00,560

maybe intelligence of yeah

2601
01:43:04,709 --> 01:43:02,719
or or national security maybe well i

2602
01:43:06,629 --> 01:43:04,719
think whenever we're saying they we're

2603
01:43:08,629 --> 01:43:06,639
specifically talking about programs that

2604
01:43:10,149 --> 01:43:08,639
like we don't have any idea about right

2605
01:43:13,270 --> 01:43:10,159
i mean we look at atip that's like a

2606
01:43:15,590 --> 01:43:13,280
perfect example it was like a tip oh

2607
01:43:17,830 --> 01:43:15,600
they were who is they well they turned

2608
01:43:18,870 --> 01:43:17,840
out to have been atip which really was

2609
01:43:22,310 --> 01:43:18,880
just like a

2610
01:43:25,030 --> 01:43:22,320
supposed cover-up name for osap to begin

2611
01:43:26,149 --> 01:43:25,040
with right so they who is they will they

2612
01:43:28,229 --> 01:43:26,159
is these

2613
01:43:29,590 --> 01:43:28,239

secret programs that the government's

2614

01:43:30,550 --> 01:43:29,600

been hiding

2615

01:43:32,390 --> 01:43:30,560

uh

2616

01:43:35,189 --> 01:43:32,400

that they don't talk about so i mean i

2617

01:43:36,830 --> 01:43:35,199

guess that's who who they would be you

2618

01:43:40,709 --> 01:43:36,840

know

2619

01:43:43,510 --> 01:43:40,719

yeah uh well there's there's plenty of

2620

01:43:45,350 --> 01:43:43,520

names we could say out loud but um

2621

01:43:47,590 --> 01:43:45,360

just thinking off the top of my dome

2622

01:43:49,270 --> 01:43:47,600

without saying an actual name

2623

01:43:52,070 --> 01:43:49,280

yeah uh the

2624

01:43:54,229 --> 01:43:52,080

the agencies that are of national

2625

01:43:56,550 --> 01:43:54,239

security right like yeah what are they

2626

01:43:58,629 --> 01:43:56,560

securing is it is it a is it a an

2627

01:43:59,510 --> 01:43:58,639

outside threat that might be something

2628

01:44:00,229 --> 01:43:59,520

of

2629

01:44:03,189 --> 01:44:00,239

uh

2630

01:44:05,590 --> 01:44:03,199

that you can equate to to warfare okay

2631

01:44:07,910 --> 01:44:05,600

well let's look at warfare what's uh

2632

01:44:10,390 --> 01:44:07,920

what's warfare it's like like the it's a

2633

01:44:13,030 --> 01:44:10,400

destruction of

2634

01:44:16,310 --> 01:44:14,790

of the norm right so

2635

01:44:19,830 --> 01:44:16,320

okay well let's push that further what's

2636

01:44:23,030 --> 01:44:19,840

the destruction of norm it's either

2637

01:44:25,830 --> 01:44:23,040

murder of like war or destruction of the

2638

01:44:28,390 --> 01:44:25,840

ecosystem of our economy

2639

01:44:30,310 --> 01:44:28,400

can't that those go hand in hand so if

2640

01:44:32,709 --> 01:44:30,320

somebody were to come up with an

2641

01:44:34,870 --> 01:44:32,719

invention that would disrupt and destroy

2642

01:44:36,629 --> 01:44:34,880

our economy by giving away

2643

01:44:39,109 --> 01:44:36,639

our most valuable

2644

01:44:40,870 --> 01:44:39,119

resource which is energy

2645

01:44:44,310 --> 01:44:40,880

that becomes a matter of national

2646

01:44:46,950 --> 01:44:44,320

security right economic warfare

2647

01:44:51,910 --> 01:44:46,960

dude yeah so yeah

2648

01:44:55,990 --> 01:44:52,709

slap

2649

01:44:57,590 --> 01:44:56,000

cha cha cha cha cha cha cha cha cha

2650

01:45:10,730 --> 01:44:57,600

cha cha cha cha cha

2651

01:45:24,709 --> 01:45:18,040

[Music]

2652

01:45:29,270 --> 01:45:26,629

oh yeah dude i just passed that that

2653

01:45:30,709 --> 01:45:29,280

30-second mark of uh uh copyright

2654

01:45:35,590 --> 01:45:30,719

infringement and i think we were one

2655

01:45:38,870 --> 01:45:36,950

um

2656

01:45:41,189 --> 01:45:38,880

so yeah you gotta slap chop it away slap

2657

01:45:41,910 --> 01:45:41,199

chop your troubles away all right

2658

01:45:44,310 --> 01:45:41,920

yeah

2659

01:45:45,669 --> 01:45:44,320

come on play dude

2660

01:45:46,870 --> 01:45:45,679

if you're really smart and you figure

2661

01:45:49,350 --> 01:45:46,880

something out and the government comes

2662

01:45:51,750 --> 01:45:49,360

up you just slap chop them away yeah

2663

01:45:54,790 --> 01:45:51,760

hell yeah but yeah guys so i mean that's

2664

01:45:57,270 --> 01:45:54,800

kind of van tassel uh like i guess in a

2665

01:45:59,830 --> 01:45:57,280

nutshell uh check it out if you've never

2666

01:46:01,830 --> 01:45:59,840

heard of van tassel look into him man

2667

01:46:05,030 --> 01:46:01,840

it's weird because you can't really find

2668

01:46:06,629 --> 01:46:05,040

a lot a lot about him but like

2669

01:46:08,470 --> 01:46:06,639

maybe throughout this week we'll drop a

2670

01:46:10,070 --> 01:46:08,480

few posts on the page you guys can go

2671

01:46:13,189 --> 01:46:10,080

check it out some stuff that we talked

2672

01:46:14,390 --> 01:46:13,199

about um there's a lot more that this

2673

01:46:16,229 --> 01:46:14,400

goes into

2674

01:46:18,390 --> 01:46:16,239

um when he really starts getting into

2675

01:46:21,350 --> 01:46:18,400

like his teachings and stuff dude it's

2676

01:46:23,350 --> 01:46:21,360

pretty wild it's really crazy um but

2677

01:46:24,950 --> 01:46:23,360

it's pretty neat at the same time he's

2678

01:46:25,990 --> 01:46:24,960

like literally like

2679

01:46:27,189 --> 01:46:26,000

i don't know he's like kind of going

2680

01:46:29,830 --> 01:46:27,199

through the bible and then like

2681

01:46:33,910 --> 01:46:29,840

explaining to you like what stuff means

2682

01:46:36,149 --> 01:46:33,920

it's it's pretty wild like i don't know

2683

01:46:37,109 --> 01:46:36,159

there it is ashtar

2684

01:46:42,950 --> 01:46:37,119

sharon

2685

01:46:45,590 --> 01:46:42,960

felt like there was a connection there

2686

01:46:46,390 --> 01:46:45,600

resemblance is uncanny so we decided to

2687

01:46:47,990 --> 01:46:46,400

uh

2688

01:46:49,830 --> 01:46:48,000

to put it up

2689

01:46:52,470 --> 01:46:49,840

except for ed sheeran does not have a

2690

01:46:55,970 --> 01:46:52,480

healthy tan he has the opposite

2691

01:46:55,980 --> 01:47:01,990

[Laughter]

2692

01:47:06,390 --> 01:47:04,149

dude neil yeah there are some great old

2693

01:47:07,430 --> 01:47:06,400

interviews of him on youtube

2694

01:47:10,149 --> 01:47:07,440

there is

2695

01:47:12,149 --> 01:47:10,159

you guys go check them out we'll uh

2696

01:47:13,750 --> 01:47:12,159

we'll we'll post some we'll post them up

2697

01:47:14,709 --> 01:47:13,760

on the page too yeah you guys can check

2698

01:47:16,470 --> 01:47:14,719

it out but yeah if y'all have never

2699

01:47:18,310 --> 01:47:16,480

heard him go check him out

2700

01:47:20,550 --> 01:47:18,320

i think i think what happens after what

2701

01:47:22,229 --> 01:47:20,560

we've caught up

2702

01:47:24,390 --> 01:47:22,239

if you've haven't heard of george van

2703

01:47:26,550 --> 01:47:24,400

tassel up to this point in the story

2704

01:47:29,030 --> 01:47:26,560

it keeps going

2705

01:47:30,310 --> 01:47:29,040

it does and it goes

2706

01:47:31,669 --> 01:47:30,320

into the woo

2707

01:47:33,910 --> 01:47:31,679

and the weird

2708

01:47:36,470 --> 01:47:33,920

uh and i don't know man it's like [h__h]

2709

01:47:38,229 --> 01:47:36,480

we don't have time to tonight tonight

2710

01:47:39,590 --> 01:47:38,239

maybe we'll pick it up in another oh so

2711

01:47:40,870 --> 01:47:39,600

we'll definitely get back into this

2712

01:47:42,470 --> 01:47:40,880

because there's so much about this

2713

01:47:43,990 --> 01:47:42,480

fantastical guy that like i still want

2714

01:47:45,910 --> 01:47:44,000

to talk about and we're going to be

2715

01:47:47,910 --> 01:47:45,920

making many many references that i'm

2716

01:47:49,430 --> 01:47:47,920

going to reference span tassels work in

2717

01:47:50,709 --> 01:47:49,440

the future just because like we're going

2718

01:47:53,510 --> 01:47:50,719

to be hearing about stuff or we're like

2719

01:47:54,310 --> 01:47:53,520

yeah but van tassel said that in 53.

2720

01:47:56,470 --> 01:47:54,320

yeah

2721

01:47:59,510 --> 01:47:56,480

you know now that we've looked into it

2722

01:48:01,030 --> 01:47:59,520

more it's another it's another trend of

2723

01:48:03,030 --> 01:48:01,040

like we've said this in previous

2724

01:48:04,470 --> 01:48:03,040

episodes it's like

2725

01:48:07,590 --> 01:48:04,480

every time you think you have a good

2726

01:48:11,109 --> 01:48:09,189

someone's someone's already

2727

01:48:13,750 --> 01:48:11,119

thought of it and probably thought of it

2728

01:48:16,149 --> 01:48:13,760

better and executed on it better it's

2729

01:48:19,510 --> 01:48:16,159

like a matter of fact van tassel

2730

01:48:20,950 --> 01:48:19,520

channeled that very uh idea

2731

01:48:21,750 --> 01:48:20,960

in his book

2732

01:48:23,510 --> 01:48:21,760

yeah

2733

01:48:25,910 --> 01:48:23,520

where he basically says that like

2734

01:48:28,629 --> 01:48:25,920

everything you've ever thought basically

2735

01:48:30,229 --> 01:48:28,639

when you meditate you're not thinking

2736

01:48:32,229 --> 01:48:30,239

you're turning the brain off and

2737

01:48:35,189 --> 01:48:32,239

absorbing all the information the

2738

01:48:37,030 --> 01:48:35,199

universe already has stored in it so any

2739

01:48:39,030 --> 01:48:37,040

thought that you come up with isn't a

2740

01:48:40,950 --> 01:48:39,040

thought that you've had it's a thought

2741

01:48:43,430 --> 01:48:40,960

that has been downloaded by the universe

2742

01:48:44,950 --> 01:48:43,440

that already existed into your mind and

2743

01:48:47,030 --> 01:48:44,960

the reason you thought about it is

2744

01:48:51,910 --> 01:48:47,040

because you shut the [h__h] up for once

2745

01:48:57,430 --> 01:48:53,669

that's basically what he says and you're

2746

01:49:00,070 --> 01:48:57,440

like holy [h__h] yeah so whenever you came

2747

01:49:01,750 --> 01:49:00,080

up with uh electricity

2748

01:49:04,950 --> 01:49:01,760

somebody already came up with it a long

2749

01:49:07,189 --> 01:49:04,960

time ago right so don't be

2750

01:49:08,870 --> 01:49:07,199

you're not cool you're not special

2751

01:49:09,830 --> 01:49:08,880

you're not special

2752

01:49:12,149 --> 01:49:09,840

yeah

2753

01:49:14,790 --> 01:49:12,159

every idea every thought everything you

2754

01:49:16,709 --> 01:49:14,800

could ever think of already exists in

2755

01:49:18,629 --> 01:49:16,719

this universe because if you think about

2756

01:49:20,709 --> 01:49:18,639

it the universe is a very very big place

2757

01:49:23,189 --> 01:49:20,719

but if there is an old knowing all

2758

01:49:26,470 --> 01:49:23,199

whatever creator or thingymabobber

2759

01:49:29,589 --> 01:49:26,480

that's infinite right then in that case

2760

01:49:31,669 --> 01:49:29,599

then yes everything that could possibly

2761

01:49:33,430 --> 01:49:31,679

be thought of or done has already been

2762

01:49:35,830 --> 01:49:33,440

thought of or done

2763

01:49:37,990 --> 01:49:35,840

and it's being downloaded into you well

2764

01:49:39,270 --> 01:49:38,000

if you take it a step further and think

2765

01:49:42,470 --> 01:49:39,280

of

2766

01:49:44,709 --> 01:49:42,480

the universe as a closed system

2767

01:49:45,990 --> 01:49:44,719

and that time is not linear it is

2768

01:49:49,270 --> 01:49:46,000

cyclical

2769

01:49:52,229 --> 01:49:49,280

uh in a toroidal field then

2770

01:49:53,990 --> 01:49:52,239

all time is happening right now and that

2771

01:49:55,990 --> 01:49:54,000

is all that exists

2772

01:49:57,910 --> 01:49:56,000

and everything will happen and has

2773

01:49:58,950 --> 01:49:57,920

happened is happening right now it's

2774

01:50:00,790 --> 01:49:58,960

right there

2775

01:50:03,830 --> 01:50:00,800

it's like it's just what

2776
01:50:05,030 --> 01:50:03,840
frequency you're you're tuning into

2777
01:50:06,550 --> 01:50:05,040
yep

2778
01:50:07,589 --> 01:50:06,560
you know

2779
01:50:08,870 --> 01:50:07,599
yeah

2780
01:50:11,430 --> 01:50:08,880
yes dude

2781
01:50:13,350 --> 01:50:11,440
yes i'm not smart enough to really get

2782
01:50:16,070 --> 01:50:13,360
that but yeah i think we should do

2783
01:50:17,750 --> 01:50:16,080
another episode on van tassel and really

2784
01:50:20,310 --> 01:50:17,760
get into the books like some of the

2785
01:50:23,669 --> 01:50:20,320
readings that he's done yeah and break

2786
01:50:25,830 --> 01:50:23,679
that down because that's some like

2787
01:50:27,589 --> 01:50:25,840
that's where it starts getting wild dude

2788
01:50:29,910 --> 01:50:27,599

i think we should do an episode on that

2789

01:50:31,669 --> 01:50:29,920

maybe this week we'll do another episode

2790

01:50:32,470 --> 01:50:31,679

on that what i love

2791

01:50:33,910 --> 01:50:32,480

uh

2792

01:50:37,270 --> 01:50:33,920

that we've done in the past is like

2793

01:50:39,990 --> 01:50:37,280

connect uh religious aspects to

2794

01:50:41,510 --> 01:50:40,000

to experience her stories and and and

2795

01:50:43,350 --> 01:50:41,520

downloads

2796

01:50:45,270 --> 01:50:43,360

and like there's so many

2797

01:50:47,669 --> 01:50:45,280

similarities it's like these these

2798

01:50:50,070 --> 01:50:47,679

stories that have been told and

2799

01:50:53,109 --> 01:50:50,080

everybody seems to believe just

2800

01:50:54,709 --> 01:50:53,119

as a doctrine you look at those stories

2801
01:50:57,830 --> 01:50:54,719
from the bible it's like oh yeah the

2802
01:51:00,470 --> 01:50:57,840
dude from the sky told me this and now

2803
01:51:03,270 --> 01:51:00,480
if anybody says that they're crazy

2804
01:51:05,350 --> 01:51:03,280
yeah it's like yeah no nothing's changed

2805
01:51:07,270 --> 01:51:05,360
about that uh

2806
01:51:09,750 --> 01:51:07,280
that the two well it's a one-way

2807
01:51:12,070 --> 01:51:09,760
conversation i guess but

2808
01:51:14,070 --> 01:51:12,080
uh what's what's the difference between

2809
01:51:17,189 --> 01:51:14,080
an experience of of someone from the

2810
01:51:18,310 --> 01:51:17,199
bible receiving the word of god

2811
01:51:20,229 --> 01:51:18,320
uh and then

2812
01:51:22,550 --> 01:51:20,239
someone nowadays receiving something

2813
01:51:23,589 --> 01:51:22,560

from a dude's name ashtar man i don't

2814

01:51:25,589 --> 01:51:23,599

know

2815

01:51:27,109 --> 01:51:25,599

nothing i'm not saying i completely

2816

01:51:29,270 --> 01:51:27,119

believe the guy but it's

2817

01:51:32,310 --> 01:51:29,280

not no difference to me like one of the

2818

01:51:35,910 --> 01:51:32,320

most famous books ever created

2819

01:51:38,149 --> 01:51:35,920

widespread religion anyway

2820

01:51:42,629 --> 01:51:38,159

yeah it's a good idea we should get luon

2821

01:51:48,070 --> 01:51:44,390

i mean he did

2822

01:51:49,669 --> 01:51:48,080

in a matter of of ways say that

2823

01:51:52,070 --> 01:51:49,679

he said he was an experencer i'll just

2824

01:51:53,750 --> 01:51:52,080

say that i mean we asked we asked him if

2825

01:51:56,790 --> 01:51:53,760

he was an experencer

2826

01:51:59,990 --> 01:51:58,310

well hell yeah dude

2827

01:52:02,390 --> 01:52:00,000

this was uh this was a good episode

2828

01:52:04,870 --> 01:52:02,400

tonight for sure yeah man this was fun

2829

01:52:06,709 --> 01:52:04,880

yeah yeah this was fun let's uh let's

2830

01:52:09,510 --> 01:52:06,719

let's maybe pick it back up a little bit

2831

01:52:11,910 --> 01:52:09,520

a little bit this thursday god damn it

2832

01:52:14,550 --> 01:52:11,920

i gotta i gotta get like uh concrete to

2833

01:52:16,790 --> 01:52:14,560

hold my freaking short ass hair back uh

2834

01:52:18,390 --> 01:52:16,800

dude yeah yeah i feel like this is one

2835

01:52:19,669 --> 01:52:18,400

of the first episodes in a while that we

2836

01:52:22,950 --> 01:52:19,679

had time

2837

01:52:24,870 --> 01:52:22,960

to to uh to really do some research and

2838

01:52:26,229 --> 01:52:24,880

actually have some stuff prepared it

2839

01:52:28,709 --> 01:52:26,239

felt good

2840

01:52:29,510 --> 01:52:28,719

yes yeah i mean it wasn't you know

2841

01:52:35,270 --> 01:52:29,520

it's

2842

01:52:36,550 --> 01:52:35,280

some stuff before we start talking about

2843

01:52:38,229 --> 01:52:36,560

it you know it's like

2844

01:52:42,229 --> 01:52:38,239

you're getting that pattern of oh

2845

01:52:44,709 --> 01:52:42,239

it's thursday already [h__\h] [h__\h]

2846

01:52:46,870 --> 01:52:44,719

so that was nice so yeah everybody that

2847

01:52:49,030 --> 01:52:46,880

we we planned on doing it this past

2848

01:52:50,870 --> 01:52:49,040

thursday and then you know i had some

2849

01:52:52,870 --> 01:52:50,880

stuff come up and that we canceled so

2850

01:52:54,629 --> 01:52:52,880

i'm glad we got to do it tonight on a

2851

01:52:56,070 --> 01:52:54,639

saturday

2852

01:52:57,750 --> 01:52:56,080

so thanks everybody for joining us

2853

01:52:59,669 --> 01:52:57,760

tonight thank you guys y'all are awesome

2854

01:53:01,910 --> 01:52:59,679

yep

2855

01:53:03,510 --> 01:53:01,920

all right man hell yeah dude

2856

01:53:06,149 --> 01:53:03,520

well hey dude

2857

01:53:09,669 --> 01:53:06,159

this is this has been another episode of

2858

01:53:14,750 --> 01:53:11,990

blah you know
