00:00:39,350 --> 00:00:35,540
[Music]

6
00:00:43,369 --> 00:00:39,360
hey what's up hey this is another

7
00:00:45,430 --> 00:00:43,379
episode of UFO garage I'm Ben and I'm

8
00:00:49,430 --> 00:00:45,440
Joe and this is where we talk about UFOs

9
00:00:52,010 --> 00:00:49,440
aliens and all things weird hey man

10
00:00:53,690 --> 00:00:52,020
we're back we're here we're on time as

11
00:00:56,330 --> 00:00:53,700
usual you know

12
00:00:58,549 --> 00:00:56,340
um dude that wasn't like like like

13
00:01:01,069 --> 00:00:58,559

always dude like the past two times

14

00:01:02,990 --> 00:01:01,079

always like you said well you know I try

15

00:01:05,810 --> 00:01:03,000

I change it up on you just like the

16

00:01:08,330 --> 00:01:05,820

original always always that I asked you

17

00:01:10,490 --> 00:01:08,340

about first I thought that was what I

18

00:01:13,370 --> 00:01:10,500

did no the original always always the

19

00:01:16,070 --> 00:01:13,380

past two weeks always always

20

00:01:17,210 --> 00:01:16,080

you know always isn't always always if

21

00:01:19,429 --> 00:01:17,220

you think about it

22

00:01:20,929 --> 00:01:19,439

so yeah it is too early in the show to

23

00:01:23,690 --> 00:01:20,939

even start thinking about something like

24

00:01:27,230 --> 00:01:23,700

one hell of a week wouldn't you say I

43

00:02:22,070 --> 00:02:19,319

think so dude and it's only Thursday and

44

thirsty we get thirsty and then we go

47

00:02:33,050 --> 00:02:30,300

Mimi's well and then we get a little

48

00:02:34,970 --> 00:02:33,060

sleepies and we got Mimi's yeah yeah

49

00:02:37,910 --> 00:02:34,980

well

50

00:02:38,809 --> 00:02:37,920

um what's uh what's on tap first dude

51
00:02:40,729 --> 00:02:38,819
let's you wanna check out the Facebook

52
00:02:42,650 --> 00:02:40,739
uh dude I mean I think we're gonna have

53
00:02:45,290 --> 00:02:42,660
a pretty awesome conversation tonight I

54
00:02:46,790 --> 00:02:45,300
think it's gonna be pretty cool I I you

55
00:02:48,589 --> 00:02:46,800
know

56
00:02:51,110 --> 00:02:48,599
you've you've you've got this nice

57
00:02:53,630 --> 00:02:51,120
wonderful little article that I I think

58
00:02:55,309 --> 00:02:53,640
is going to get people talking and I'd

59
00:02:56,990 --> 00:02:55,319
love to hear what everybody has to think

60
00:02:58,970 --> 00:02:57,000
about it in the chats tonight so we're

61
00:03:00,229 --> 00:02:58,980
gonna do that but first I think we're

62
00:03:02,990 --> 00:03:00,239
gonna go through some Facebook stuff

63
00:03:05,990 --> 00:03:03,000

maybe laugh a little maybe cry a little

64

00:03:10,009 --> 00:03:06,000

maybe hold each other a little who knows

65

00:03:12,110 --> 00:03:10,019

man but uh the the night is young let's

66

00:03:13,910 --> 00:03:12,120

see what's up what's first okay so this

67

00:03:16,070 --> 00:03:13,920

happened right down the road from us

68

00:03:17,509 --> 00:03:16,080

this freaking Round Rock dude like yeah

69

00:03:20,630 --> 00:03:17,519

it's like right in between both of us

70

00:03:22,430 --> 00:03:20,640

dude that night uh Joseph Lamont uh he

71

00:03:23,809 --> 00:03:22,440

posted this on our Facebook group was

72

00:03:28,190 --> 00:03:23,819

like hey where are you guys at I was

73

00:03:31,670 --> 00:03:28,200

literally like inside all night

74

00:03:33,530 --> 00:03:31,680

doing some arts and crafts [h__\h] when

75

00:03:35,869 --> 00:03:33,540

this was happening

76

00:03:37,550 --> 00:03:35,879

dude that's a

77

00:03:39,229 --> 00:03:37,560

sh for those just listening there's uh

78

00:03:41,570 --> 00:03:39,239

there's there's uh one two three four

79

00:03:43,809 --> 00:03:41,580

five lights words of light in the sky

80

00:03:46,610 --> 00:03:43,819

and around Texas

81

00:03:47,630 --> 00:03:46,620

what is that and they're moving like I

82

00:03:51,229 --> 00:03:47,640

mean

83

00:03:53,509 --> 00:03:51,239

super fast uh they like Dart across the

84

00:04:02,710 --> 00:03:53,519

sky two of them Dart across the sky

85

00:04:08,770 --> 00:04:05,809

I mean

86

00:04:11,750 --> 00:04:08,780

zip

87

00:04:14,630 --> 00:04:11,760

It's gotta look to it right it's got a

88

00:04:15,770 --> 00:04:14,640

look to it but it's also got that kind

89

00:04:17,930 --> 00:04:15,780

of like

90

00:04:20,090 --> 00:04:17,940

man it's almost got that I'm slowing

91

00:04:22,069 --> 00:04:20,100

down drone look to it you know what a

92

00:04:22,850 --> 00:04:22,079

drone slows down it's got that kind of

93

00:04:25,370 --> 00:04:22,860

like

94

00:04:27,530 --> 00:04:25,380

look at me I don't know I don't know how

95

00:04:29,090 --> 00:04:27,540

to explain it it's Gotta look like like

96

00:04:31,010 --> 00:04:29,100

a whole like pumping on the brakes

97

00:04:34,129 --> 00:04:31,020

inertia kind of like it doesn't just go

98

00:04:36,290 --> 00:04:34,139

with zip zip it's like yeah like yeah it

99

00:04:38,390 --> 00:04:36,300

did go pretty fast because drones do

100

00:04:40,310 --> 00:04:38,400

drones can go pretty freaking fast I

101
00:04:41,930 --> 00:04:40,320
mean they accelerate kind of like a

102
00:04:44,210 --> 00:04:41,940
Tesla too you know how they kind of like

103
00:04:46,850 --> 00:04:44,220
it's like Rubble like the acceleration

104
00:04:49,790 --> 00:04:46,860
is just crazy but

105
00:04:53,030 --> 00:04:49,800
yeah uh yeah but who who's out there

106
00:04:56,330 --> 00:04:53,040
with with five [h__h] drones with huge

107
00:04:58,610 --> 00:04:56,340
lanterns that's what I'm wondering too

108
00:05:01,010 --> 00:04:58,620
um are they maybe are they maybe

109
00:05:03,409 --> 00:05:01,020
practicing for a Halloween event I mean

110
00:05:05,510 --> 00:05:03,419
Round Rock isn't a small town right they

111
00:05:07,249 --> 00:05:05,520
do have little festivals and events is

112
00:05:09,110 --> 00:05:07,259
somebody preparing are they practicing

113
00:05:12,290 --> 00:05:09,120

are they trying to get their moves right

114

00:05:15,710 --> 00:05:12,300

you know I wish there was more uh photos

115

00:05:17,450 --> 00:05:15,720

or more video of this just to kind of

116

00:05:19,490 --> 00:05:17,460

get more of a perspective because you

117

00:05:21,290 --> 00:05:19,500

know you even look at it too and you'll

118

00:05:24,490 --> 00:05:21,300

you'll see like UFO videos and like

119

00:05:27,290 --> 00:05:24,500

those balls of light like they look

120

00:05:30,350 --> 00:05:27,300

interestingly perfect but these look

121

00:05:32,090 --> 00:05:30,360

almost a little way too perfect right

122

00:05:33,050 --> 00:05:32,100

they're they're I mean now that they're

123

00:05:35,270 --> 00:05:33,060

close

124

00:05:37,310 --> 00:05:35,280

the second half where they kind of zoom

125

00:05:40,730 --> 00:05:37,320

in there is some

126

00:05:43,790 --> 00:05:40,740

A variation of Illumination did you yeah

127

00:05:46,969 --> 00:05:43,800

and those orbs like people who see orbs

128

00:05:49,730 --> 00:05:46,979

that illumination is different than that

129

00:05:51,350 --> 00:05:49,740

type of Illumination right like that the

130

00:05:53,330 --> 00:05:51,360

orbs that I witnessed

131

00:05:57,230 --> 00:05:53,340

I mean

132

00:05:58,249 --> 00:05:57,240

because still it's like far away it's a

133

00:06:00,010 --> 00:05:58,259

video you're not seeing with your naked

134

00:06:01,850 --> 00:06:00,020

eye but the orbs that I saw were like

135

00:06:05,629 --> 00:06:01,860

self-illuminating they didn't really

136

00:06:08,810 --> 00:06:05,639

cast any Shadow or or or uh Corona

137

00:06:10,790 --> 00:06:08,820

around them yeah you see how it goes

138

00:06:12,590 --> 00:06:10,800

kind of like dim a little bit you have

139

00:06:14,749 --> 00:06:12,600

like a dim to them yeah they're kind of

140

00:06:16,909 --> 00:06:14,759

like a candle flickering almost I mean

141

00:06:19,010 --> 00:06:16,919

like the one that like flew over my

142

00:06:21,230 --> 00:06:19,020

house like two years ago like that like

143

00:06:22,850 --> 00:06:21,240

it just disappeared like it didn't like

144

00:06:24,830 --> 00:06:22,860

dim or anything it just was like there

145

00:06:26,330 --> 00:06:24,840

and then Boop it was gone like it just

146

00:06:29,450 --> 00:06:26,340

didn't exist anymore

147

00:06:31,670 --> 00:06:29,460

to not to say nobody's ever seen a UFO

148

00:06:33,710 --> 00:06:31,680

dim you know because they do that I mean

149

00:06:35,870 --> 00:06:33,720

we've seen stuff like through the night

150

00:06:38,090 --> 00:06:35,880

vision right they do kind of weird [h__\h]

151

00:06:39,770 --> 00:06:38,100

like that yeah yeah well that was the

152

00:06:42,830 --> 00:06:39,780

one it's hard to tell the ones we saw in

153

00:06:45,170 --> 00:06:42,840

uh Sedona would would and then walk back

154

00:06:48,290 --> 00:06:45,180

up the red one remember that little tiny

155

00:06:49,969 --> 00:06:48,300

red boy yeah that was like Hey Hey guys

156

00:06:53,510 --> 00:06:49,979

guys guys guys guys and then dimmed out

157

00:06:54,650 --> 00:06:53,520

and then yeah hey and then went kept

158

00:06:57,950 --> 00:06:54,660

going

159

00:07:02,330 --> 00:06:59,870

it was the one that was like really far

160

00:07:03,770 --> 00:07:02,340

away and I might maybe I'm getting it

161

00:07:05,870 --> 00:07:03,780

wrong did it flash or did it on the

162

00:07:08,210 --> 00:07:05,880

ranch or when we were at the house oh

163

00:07:11,990 --> 00:07:08,220

when we were on uh Cathedral Rock in

164

00:07:15,409 --> 00:07:12,000

Sedona oh yeah dude yeah yeah without

165

00:07:16,610 --> 00:07:15,419

the goggles yeah remember Gods without

166

00:07:21,469 --> 00:07:16,620

the Gods

167

00:07:23,990 --> 00:07:21,479

dude yeah huh do you remember oh this

168

00:07:26,809 --> 00:07:24,000

one's pretty funny oh yeah dude this

169

00:07:29,870 --> 00:07:26,819

will maybe this will be me at 60. this

170

00:07:33,770 --> 00:07:29,880

this falls on the open ocean and I uh

171

00:07:37,490 --> 00:07:33,780

a unicorn floaty with a fishing rod and

172

00:07:39,290 --> 00:07:37,500

reel how do you fall asleep

173

00:07:40,370 --> 00:07:39,300

did he fall asleep and just drift out

174

00:07:43,610 --> 00:07:40,380

there or what

175

00:07:50,450 --> 00:07:45,950

I don't remember what happens but that

176

00:07:57,110 --> 00:07:53,510

um let's see what else so this is a

177

00:08:00,070 --> 00:07:57,120

reaction to your post is hilarious

178

00:08:00,080 --> 00:08:04,470

Jolo auditions

179

00:08:08,990 --> 00:08:06,370

[Applause]

180

00:08:10,450 --> 00:08:09,000

I like it

181

00:08:13,309 --> 00:08:10,460

oh

182

00:08:14,870 --> 00:08:13,319

damn that's cool

183

00:08:16,850 --> 00:08:14,880

thanks

184

00:08:18,830 --> 00:08:16,860

is this is this like legit auditions for

185

00:08:20,089 --> 00:08:18,840

like a TV show or do you know like that

186

00:08:21,830 --> 00:08:20,099

backstory on this

187

00:08:23,330 --> 00:08:21,840

yeah dude it's a cholo competition it

188

00:08:24,830 --> 00:08:23,340

happens once a year the national trailer

189

00:08:29,390 --> 00:08:24,840

competition

190

00:08:35,930 --> 00:08:32,089

say what it's called the NCC National

191

00:08:38,269 --> 00:08:35,940

cholo competition uh-huh damn

192

00:08:46,610 --> 00:08:38,279

I like the I like the youngin that goes

193

00:08:50,470 --> 00:08:48,470

sound effects for his knees like kind of

194

00:08:59,410 --> 00:08:50,480

crack

195

00:08:59,420 --> 00:09:03,530

I love the sock contest

196

00:09:03,540 --> 00:09:07,730

oh my God

197

00:09:07,740 --> 00:09:11,210

it's

198

00:09:15,350 --> 00:09:13,009

oh my God so they're not socks they're

199

00:09:17,329 --> 00:09:15,360

tights dude all the way up Pastor

200

00:09:20,210 --> 00:09:17,339

everybody's got socks on and that's what

201

00:09:23,030 --> 00:09:21,650

I mean if you're trying to keep them

202

00:09:26,030 --> 00:09:23,040

high and tight I mean this guy's got

203

00:09:32,150 --> 00:09:26,040

something going on bro yeah yeah

204

00:09:37,310 --> 00:09:35,930

uh okay those Dickies are tight yeah

205

00:09:39,350 --> 00:09:37,320

dude

206

00:09:41,750 --> 00:09:39,360

they don't sell those anymore yeah they

207

00:09:43,009 --> 00:09:41,760

do I'm wearing a pair right oh I thought

208

00:09:46,730 --> 00:09:43,019

they I thought Walmart stopped selling

209

00:09:51,230 --> 00:09:48,350

those are high waters and you know it

210

00:09:51,240 --> 00:09:56,570

uh how about the for the little Foods

211

00:10:01,490 --> 00:09:59,210

Modelo especially Island and the Capri

212

00:10:04,550 --> 00:10:01,500

Sun pouch dude I want some Modelo and a

213

00:10:06,650 --> 00:10:04,560

Capri Sun cow pouch they seem like

214

00:10:08,750 --> 00:10:06,660

they'd be better for like you know like

215

00:10:10,190 --> 00:10:08,760

chilling on the beach or something oh

216

00:10:13,370 --> 00:10:10,200

yeah dude when you're trying to keep

217

00:10:17,210 --> 00:10:13,380

things uh tight you know light and tight

218

00:10:19,430 --> 00:10:17,220

uh uh Phil posted some uh these photos

219

00:10:22,190 --> 00:10:19,440

that are freaking awesome aren't those

220

00:10:23,990 --> 00:10:22,200

cool dude yeah

221

00:10:27,290 --> 00:10:24,000

they're like some kind of aurora

222

00:10:28,910 --> 00:10:27,300

borealis type squiggly moongmong at the

223

00:10:31,210 --> 00:10:28,920

top that's like pink with a with a

224

00:10:33,710 --> 00:10:31,220

silver disc below I mean they're like

225

00:10:35,389 --> 00:10:33,720

they almost look like AI renderings like

226

00:10:37,730 --> 00:10:35,399

it's almost too good again isn't that

227

00:10:39,949 --> 00:10:37,740

weird looking it's it's like that

228

00:10:41,870 --> 00:10:39,959

thought the the one you know the photo

229

00:10:43,250 --> 00:10:41,880

that you get that's finally real you're

230

00:10:46,069 --> 00:10:43,260

gonna all like somebody's always gonna

231

00:10:48,889 --> 00:10:46,079

try to debunk it but like dude

232

00:10:50,690 --> 00:10:48,899

these look cool these are cool dude

233

00:10:51,710 --> 00:10:50,700

like this one looks this one looks

234

00:10:53,509 --> 00:10:51,720

pretty sick it almost looks like

235

00:10:56,630 --> 00:10:53,519

something just ripping through the

236

00:10:58,430 --> 00:10:56,640

fabric fabric of space and time

237

00:11:05,210 --> 00:10:58,440

it's like an eyeball peeking through

238

00:11:09,650 --> 00:11:06,769

when I'm

239

00:11:12,829 --> 00:11:11,509

um Chris Bledsoe came out with the well

240

00:11:14,810 --> 00:11:12,839

he's coming out with a buck in December

241

00:11:18,650 --> 00:11:14,820

oh snap that'll be interesting that'll

242

00:11:20,930 --> 00:11:18,660

be an interesting read yeah UFO of God

243

00:11:22,670 --> 00:11:20,940

I'm I'm excited that he's like told his

244

00:11:24,710 --> 00:11:22,680

full story that's like

245

00:11:26,329 --> 00:11:24,720

I feel like it's uh you know with his

246

00:11:28,850 --> 00:11:26,339

with his son and his podcast they had

247

00:11:30,650 --> 00:11:28,860

that interview yeah they were I think

248

00:11:32,870 --> 00:11:30,660

that was really really good uh I'm

249

00:11:33,910 --> 00:11:32,880

interested to see and read more of the

250

00:11:35,930 --> 00:11:33,920

the

251
00:11:37,910 --> 00:11:35,940
details of his story dude that's gonna

252
00:11:40,009 --> 00:11:37,920
be awesome that's gonna be interesting

253
00:11:43,850 --> 00:11:40,019
hell yeah I'm definitely gonna pick it

254
00:11:47,630 --> 00:11:43,860
up yeah I pre-ordered it my dad I'm kind

255
00:11:49,670 --> 00:11:47,640
well did you I'll be in those [h__h] uh is

256
00:11:51,470 --> 00:11:49,680
it gonna be on Amazon yeah that's

257
00:11:53,990 --> 00:11:51,480
something my song means

258
00:11:55,670 --> 00:11:54,000
uh I got it for Kindle but I don't own a

259
00:11:57,530 --> 00:11:55,680
Kindle so I'm gonna have to figure that

260
00:11:58,850 --> 00:11:57,540
out in between now and Christmas I

261
00:12:01,490 --> 00:11:58,860
wonder how long it'll take to get in the

262
00:12:04,790 --> 00:12:03,170
I'm gonna have a library card that's all

263
00:12:06,889 --> 00:12:04,800

I'm wondering you know you know what's

264

00:12:09,190 --> 00:12:06,899

awesome about a library the the library

265

00:12:12,170 --> 00:12:09,200

is due just when she lived in Nashville

266

00:12:13,310 --> 00:12:12,180

uh had a membership at the Nashville

267

00:12:14,930 --> 00:12:13,320

library

268

00:12:16,970 --> 00:12:14,940

hopefully nobody that works at the

269

00:12:19,250 --> 00:12:16,980

Nashville library uh is he listening

270

00:12:21,050 --> 00:12:19,260

right now because dude she still has

271

00:12:23,750 --> 00:12:21,060

access on her Kindle to the entire

272

00:12:26,750 --> 00:12:23,760

Nashville oh the library because she has

273

00:12:28,850 --> 00:12:26,760

her like library card dude and it's free

274

00:12:31,730 --> 00:12:28,860

like she can get any books she wants

275

00:12:34,009 --> 00:12:31,740

dude like on her Kindle bro

276

00:12:36,230 --> 00:12:34,019

that's awesome like she paid like a

277

00:12:38,210 --> 00:12:36,240

one-time like five dollar fee and now

278

00:12:41,449 --> 00:12:38,220

she's like any book ever it's awesome

279

00:12:43,310 --> 00:12:41,459

that's pretty sick so I mean if those

280

00:12:44,629 --> 00:12:43,320

applies if those rules apply in

281

00:12:46,490 --> 00:12:44,639

Nashville I'd have to ask to apply in

282

00:12:48,889 --> 00:12:46,500

other places right it's kind of like

283

00:12:51,530 --> 00:12:48,899

that guy who uh who who bought that

284

00:12:54,949 --> 00:12:51,540

lifetime flight

285

00:12:57,110 --> 00:12:54,959

um on American Airlines it was like 150

286

00:12:58,490 --> 00:12:57,120

000 and he bought it yeah he kept going

287

00:12:59,990 --> 00:12:58,500

to like different countries for lunch

288

00:13:03,290 --> 00:13:00,000

every day and then it'll cost him like

289

00:13:10,690 --> 00:13:03,300

2.5 million dollars yes it's like the

290

00:13:15,230 --> 00:13:13,069

that's the you know what I actually love

291

00:13:17,449 --> 00:13:15,240

stories like that where people take

292

00:13:19,790 --> 00:13:17,459

advantage of of those sales and and

293

00:13:22,129 --> 00:13:19,800

specials that large corporations do

294

00:13:24,170 --> 00:13:22,139

because I don't well the first thing is

295

00:13:26,509 --> 00:13:24,180

I don't have time to to do that but I

296

00:13:28,490 --> 00:13:26,519

just love someone did that my motto is

297

00:13:30,470 --> 00:13:28,500

if anybody if any Company's trying to

298

00:13:32,990 --> 00:13:30,480

sell you some kind of special

299

00:13:35,090 --> 00:13:33,000

like think of truck truck month they're

300

00:13:39,650 --> 00:13:35,100

not losing money on that deal dude not

301
00:13:42,290 --> 00:13:39,660
at all you're you you are 100 making

302
00:13:45,530 --> 00:13:42,300
them profit in some way if not being

303
00:13:47,690 --> 00:13:45,540
there like like quarterly sales or you

304
00:13:49,790 --> 00:13:47,700
know accounting as a sales oh well I

305
00:13:51,889 --> 00:13:49,800
know you leased this car this truck big

306
00:13:53,509 --> 00:13:51,899
old truck is nice and red isn't it you

307
00:13:55,490 --> 00:13:53,519
like that China truck well you can come

308
00:13:57,170 --> 00:13:55,500
in right now and get a brand new truck

309
00:14:00,050 --> 00:13:57,180
right here today you'll save fifteen

310
00:14:03,170 --> 00:14:00,060
hundred dollars no dude you gotta you

311
00:14:05,030 --> 00:14:03,180
gotta you gotta make them before you

312
00:14:07,790 --> 00:14:05,040
give them any information dude you gotta

313
00:14:11,690 --> 00:14:07,800

make them give you the best deal out the

314

00:14:13,190 --> 00:14:11,700

door tax is included right and you don't

315

00:14:14,930 --> 00:14:13,200

give them no information will you make

316

00:14:16,310 --> 00:14:14,940

them give you a number and then when

317

00:14:18,230 --> 00:14:16,320

they give you a number what about my

318

00:14:20,329 --> 00:14:18,240

name man you gotta take five thousand

319

00:14:22,370 --> 00:14:20,339

off that [h__h] and then haggle will be

320

00:14:24,889 --> 00:14:22,380

like well I was thinking more like this

321

00:14:26,150 --> 00:14:24,899

and then you haggle right you start the

322

00:14:27,530 --> 00:14:26,160

haggling problem and you're like well

323

00:14:28,550 --> 00:14:27,540

I'm gonna have to pay the docking fee

324

00:14:29,329 --> 00:14:28,560

because you're gonna have to ship it

325

00:14:31,370 --> 00:14:29,339

over here and we all know that's

326

00:14:32,990 --> 00:14:31,380

ridiculous I think what you you cover

327

00:14:34,490 --> 00:14:33,000

the document fee and you guys should

328

00:14:35,990 --> 00:14:34,500

sell the deal buddy right that's how you

329

00:14:38,030 --> 00:14:36,000

walk out the door shaking hands with a

330

00:14:39,590 --> 00:14:38,040

brand new pick em up truck

331

00:14:41,150 --> 00:14:39,600

and so I didn't know I feel like this is

332

00:14:43,189 --> 00:14:41,160

absolutely genius I mean you walk in

333

00:14:45,290 --> 00:14:43,199

there I mean what kind of comp what

334

00:14:47,210 --> 00:14:45,300

should I watch before I go into buying a

335

00:14:49,129 --> 00:14:47,220

car like just to get to gain that

336

00:14:50,389 --> 00:14:49,139

confidence just you saying that right

337

00:14:52,370 --> 00:14:50,399

now because I feel like I'm gonna guess

338

00:14:54,530 --> 00:14:52,380

I feel confident we're like I can just

339

00:14:56,030 --> 00:14:54,540

walk in you know you go in there and you

340

00:14:56,990 --> 00:14:56,040

look at you you're a pretty shiny new

341

00:14:58,610 --> 00:14:57,000

truck

342

00:14:59,990 --> 00:14:58,620

and you stare at it for a while until a

343

00:15:01,370 --> 00:15:00,000

little salesman comes over and he's like

344

00:15:02,650 --> 00:15:01,380

hey you like that truck and you're like

345

00:15:05,930 --> 00:15:02,660

yes sir I do

346

00:15:08,030 --> 00:15:05,940

enough I don't really need it you know

347

00:15:09,949 --> 00:15:08,040

but it's something I'd like to have you

348

00:15:11,629 --> 00:15:09,959

know but I don't know

349

00:15:13,189 --> 00:15:11,639

and then he'll look at him like but this

350

00:15:14,870 --> 00:15:13,199

truck right here is only forty thousand

351
00:15:16,850 --> 00:15:14,880
dollars and then you look at them and

352
00:15:18,710 --> 00:15:16,860
you say oh you know

353
00:15:19,790 --> 00:15:18,720
I'll tell you what you give me the best

354
00:15:22,250 --> 00:15:19,800
number

355
00:15:23,750 --> 00:15:22,260
you can out the door taxes and

356
00:15:25,970 --> 00:15:23,760
everything included he's gonna be like

357
00:15:28,490 --> 00:15:25,980
well what's your budget you're like

358
00:15:29,990 --> 00:15:28,500
you know I got a budget in mind but just

359
00:15:31,970 --> 00:15:30,000
give me your number I want to know your

360
00:15:33,470 --> 00:15:31,980
number he's going to try and involve you

361
00:15:34,910 --> 00:15:33,480
back in your court but you don't have to

362
00:15:36,650 --> 00:15:34,920
tell them your budget you just say I do

363
00:15:38,629 --> 00:15:36,660

have a budget yeah you just say well

364

00:15:40,430 --> 00:15:38,639

look I'm kind of shopping around right

365

00:15:42,530 --> 00:15:40,440

now so I'd like to kind of keep that a

366

00:15:44,269 --> 00:15:42,540

little personal right and he'll be like

367

00:15:46,189 --> 00:15:44,279

I'll tell you what it's 40 on the

368

00:15:48,170 --> 00:15:46,199

sticker right now I'll give you 35

369

00:15:50,030 --> 00:15:48,180

you say you know I really really like

370

00:15:52,250 --> 00:15:50,040

that you know but uh I was thinking

371

00:15:53,449 --> 00:15:52,260

maybe 30.

372

00:15:55,189 --> 00:15:53,459

and then he was like well that's just

373

00:15:57,050 --> 00:15:55,199

impossible and then you and then you go

374

00:16:00,110 --> 00:15:57,060

into the thing with them right and then

375

00:16:02,090 --> 00:16:00,120

you go from 30 he was at 35 and you you

376

00:16:03,410 --> 00:16:02,100

get that [h__h] to like 32 and you tell

377

00:16:05,210 --> 00:16:03,420

them well you're gonna make me buy all

378

00:16:06,949 --> 00:16:05,220

the extra trims that you guys put on

379

00:16:09,350 --> 00:16:06,959

there from the factory I don't

380

00:16:11,389 --> 00:16:09,360

technically want all that stuff and

381

00:16:14,269 --> 00:16:11,399

stuff that you added bells and whistles

382

00:16:15,829 --> 00:16:14,279

can you take it off I'll be like no and

383

00:16:18,050 --> 00:16:15,839

I'll be like well I mean you know I just

384

00:16:19,970 --> 00:16:18,060

got your name on the back that free

385

00:16:21,530 --> 00:16:19,980

advertisement am I paying for your

386

00:16:23,990 --> 00:16:21,540

advertisement that you guys should be

387

00:16:25,430 --> 00:16:24,000

paying me right well you know that's

388

00:16:26,629 --> 00:16:25,440

technically you know that's just how it

389

00:16:27,889 --> 00:16:26,639

works in the car business well I tell

390

00:16:31,009 --> 00:16:27,899

you what since you're not gonna pay me

391

00:16:33,350 --> 00:16:31,019

for advertising you take the sticker off

392

00:16:35,689 --> 00:16:33,360

or you take another five grand off the

393

00:16:38,749 --> 00:16:35,699

truck for advertising I love that

394

00:16:42,290 --> 00:16:38,759

because well Jess's uh CRV has a little

395

00:16:43,790 --> 00:16:42,300

like a chrome uh name plate on the back

396

00:16:45,290 --> 00:16:43,800

it's not it's not on the license plate

397

00:16:46,850 --> 00:16:45,300

it's like literally like a like a logo

398

00:16:49,430 --> 00:16:46,860

on the back it says

399

00:16:52,490 --> 00:16:49,440

Honda Higgins

400

00:16:55,249 --> 00:16:52,500

Dallas Texas or something it's like but

401
00:16:56,749 --> 00:16:55,259
it says Higgins like Huggins like that's

402
00:16:58,310 --> 00:16:56,759
the name

403
00:16:59,749 --> 00:16:58,320
I mean I'm not trying to make fun of the

404
00:17:02,150 --> 00:16:59,759
guy's last name but he's a really funny

405
00:17:04,069 --> 00:17:02,160
last name yeah pagans

406
00:17:05,449 --> 00:17:04,079
come on down here and get your head and

407
00:17:07,370 --> 00:17:05,459
your check

408
00:17:11,329 --> 00:17:07,380
Ing and hugging

409
00:17:14,270 --> 00:17:11,339
dude it's perfect well

410
00:17:15,949 --> 00:17:14,280
well I mean obviously made a sale

411
00:17:17,689 --> 00:17:15,959
made a Believer out of me dude oh yeah

412
00:17:20,210 --> 00:17:17,699
dude I mean you know that's that's how

413
00:17:21,829 --> 00:17:20,220

you you go buy your new a new vehicle I

414

00:17:24,289 --> 00:17:21,839

haven't done it you know I haven't

415

00:17:25,909 --> 00:17:24,299

proven that it works or anything but you

416

00:17:27,770 --> 00:17:25,919

know

417

00:17:29,390 --> 00:17:27,780

I feel pretty confident like if I go in

418

00:17:31,250 --> 00:17:29,400

there with that same kind of confidence

419

00:17:34,070 --> 00:17:31,260

I'm like God damn this guy knows what a

420

00:17:35,810 --> 00:17:34,080

docking fee is you know you try it what

421

00:17:37,250 --> 00:17:35,820

you do is you talk to a car salesman

422

00:17:39,350 --> 00:17:37,260

you're like hey what's some of the the

423

00:17:40,789 --> 00:17:39,360

car salesman terminology and they'll

424

00:17:42,830 --> 00:17:40,799

give you a couple key words and you

425

00:17:44,390 --> 00:17:42,840

throw a few at a car salesman like [h__h]

426

00:17:45,909 --> 00:17:44,400

you used to be a car salesman you're

427

00:17:47,990 --> 00:17:45,919

right damn it

428

00:17:49,549 --> 00:17:48,000

you know and you're like all right cool

429

00:17:52,370 --> 00:17:49,559

yeah

430

00:17:54,169 --> 00:17:52,380

it's almost like this this club uh as a

431

00:17:56,210 --> 00:17:54,179

car salesman my dad you know used to own

432

00:17:58,909 --> 00:17:56,220

a on a used car lot and Taylor called

433

00:18:00,470 --> 00:17:58,919

the station and uh he just had fun doing

434

00:18:04,730 --> 00:18:00,480

it was like a side gig he just loved it

435

00:18:06,710 --> 00:18:04,740

and he uh uh he had one of this his his

436

00:18:09,049 --> 00:18:06,720

buddies who's like like 20 years his

437

00:18:11,390 --> 00:18:09,059

senior his name's Clem

438

00:18:13,190 --> 00:18:11,400

and uh he would he would stay there at

439

00:18:14,810 --> 00:18:13,200

the station and sell cars and you know

440

00:18:17,390 --> 00:18:14,820

my dad would come in or whatever and

441

00:18:18,710 --> 00:18:17,400

anytime that he would go buy a car he l

442

00:18:20,930 --> 00:18:18,720

would go with him a lot and he he would

443

00:18:22,669 --> 00:18:20,940

be like look Ben we're a part of a club

444

00:18:25,130 --> 00:18:22,679

if you say you're a car salesman up

445

00:18:26,450 --> 00:18:25,140

front to those car sales people they

446

00:18:28,610 --> 00:18:26,460

they speak a different language their

447

00:18:30,950 --> 00:18:28,620

whole demeanor changes even if you say

448

00:18:32,450 --> 00:18:30,960

my dad was a car salesman it's like they

449

00:18:34,430 --> 00:18:32,460

automatically think oh well first off

450

00:18:36,710 --> 00:18:34,440

your dad's a piece of [h__\h] also he

451
00:18:39,350 --> 00:18:36,720
speaks my language yeah I'm not saying

452
00:18:40,909 --> 00:18:39,360
my dad my dad's [h__h] awesome uh but

453
00:18:43,430 --> 00:18:40,919
that's what he told me he was like look

454
00:18:45,289 --> 00:18:43,440
they they changed their demeanor and

455
00:18:47,390 --> 00:18:45,299
you're you're in this club now so you're

456
00:18:49,430 --> 00:18:47,400
like sharing this mutually known

457
00:18:51,409 --> 00:18:49,440
information and they know that you can't

458
00:18:53,870 --> 00:18:51,419
[h__h] them and they can't [h__h]

459
00:18:55,970 --> 00:18:53,880
you so now we're talking brass tacks

460
00:18:58,250 --> 00:18:55,980
dude yeah and so that's the approach

461
00:19:00,169 --> 00:18:58,260
again I've never done it because I've

462
00:19:02,810 --> 00:19:00,179
never bought my own car

463
00:19:04,130 --> 00:19:02,820

oh dude and then once you shake hands

464

00:19:05,570 --> 00:19:04,140

and you sign the papers you just start

465

00:19:08,990 --> 00:19:05,580

laughing and be like man that's not too

466

00:19:12,360 --> 00:19:11,810

yeah like dang it that's the third one

467

00:19:13,750 --> 00:19:12,370

this week

468

00:19:15,650 --> 00:19:13,760

[Music]

469

00:19:17,510 --> 00:19:15,660

every like

470

00:19:19,669 --> 00:19:17,520

how yeah everybody's a concert

471

00:19:22,430 --> 00:19:19,679

everybody's a car salesman dude

472

00:19:24,900 --> 00:19:22,440

Eric says you uh test drive the most

473

00:19:29,169 --> 00:19:24,910

expensive car to another car lot

474

00:19:36,130 --> 00:19:32,270

thank you very much oh thank you Cassie

475

00:19:40,070 --> 00:19:38,270

well yeah welcome to the UFO garage

476

00:19:46,010 --> 00:19:40,080

where we teach you how to buy uh new and

477

00:19:49,310 --> 00:19:47,570

don't tell anybody our secrets that

478

00:19:52,490 --> 00:19:49,320

we're telling you dude this is the UFO

479

00:19:56,450 --> 00:19:52,500

garage yeah seriously it's a copyright

480

00:20:01,010 --> 00:19:57,650

thinking of speaking your own language

481

00:20:04,270 --> 00:20:01,020

and and and groups and

482

00:20:06,830 --> 00:20:04,280

and uh and from one group to the other

483

00:20:09,650 --> 00:20:06,840

changing the demeanor and now the

484

00:20:11,150 --> 00:20:09,660

conversation has changed kind of I'm

485

00:20:14,029 --> 00:20:11,160

kind of thinking of some like analogous

486

00:20:17,930 --> 00:20:14,039

to to the UFO community and and all the

487

00:20:19,250 --> 00:20:17,940

crazy well so it seems crazy on the

488

00:20:20,930 --> 00:20:19,260

surface but if you look into it

489

00:20:24,590 --> 00:20:20,940

everything that's been happening on on

490

00:20:25,549 --> 00:20:24,600

like UFO Twitter and and uh and shows

491

00:20:29,930 --> 00:20:25,559

that

492

00:20:33,110 --> 00:20:29,940

wildly successful and have been

493

00:20:34,610 --> 00:20:33,120

successful and and figures and that have

494

00:20:36,190 --> 00:20:34,620

been kind of

495

00:20:38,810 --> 00:20:36,200

uh

496

00:20:41,690 --> 00:20:38,820

Crusaders in this field for the past

497

00:20:46,789 --> 00:20:41,700

couple years the crazy the the drama yet

498

00:20:48,590 --> 00:20:46,799

the uh maybe the truth and uh

499

00:20:50,330 --> 00:20:48,600

uh yeah just the craziness that's been

500

00:20:52,310 --> 00:20:50,340

happening this past week dude it has

501
00:20:54,289 --> 00:20:52,320
been a crazy week man yeah it's been

502
00:20:58,250 --> 00:20:54,299
it's been interesting to see things

503
00:21:01,430 --> 00:20:58,260
unfold it's like dude we are

504
00:21:03,350 --> 00:21:01,440
uh our whole deal is like don't get

505
00:21:05,330 --> 00:21:03,360
mixed up and you know get don't get lost

506
00:21:07,010 --> 00:21:05,340
in the sauce don't get don't get caught

507
00:21:09,049 --> 00:21:07,020
up in the drama that's been our whole

508
00:21:11,570 --> 00:21:09,059
[h__\h] thing always trying to view it

509
00:21:13,250 --> 00:21:11,580
from the outside man you know yeah

510
00:21:15,350 --> 00:21:13,260
always try and view it from the outside

511
00:21:17,870 --> 00:21:15,360
that way you have a little more clear

512
00:21:20,270 --> 00:21:17,880
perspective yeah what's going on which

513
00:21:22,370 --> 00:21:20,280

is also difficult too right because then

514

00:21:24,830 --> 00:21:22,380

you weren't directly involved so you

515

00:21:26,750 --> 00:21:24,840

don't really know the whole story you

516

00:21:30,529 --> 00:21:26,760

know so you kind of have to be like that

517

00:21:32,270 --> 00:21:30,539

that judge and like what do you you know

518

00:21:34,010 --> 00:21:32,280

like

519

00:21:36,710 --> 00:21:34,020

we have to approach things with empathy

520

00:21:39,169 --> 00:21:36,720

right like approach things with like hey

521

00:21:41,810 --> 00:21:39,179

let's yeah we could see a an

522

00:21:44,270 --> 00:21:41,820

accusational title or or blog post

523

00:21:45,409 --> 00:21:44,280

that's like oh I gotta read that and

524

00:21:47,870 --> 00:21:45,419

everybody's talking about it I should

525

00:21:49,970 --> 00:21:47,880

read it and have an opinion already it's

526
00:21:53,330 --> 00:21:49,980
just human nature right like that's just

527
00:21:54,770 --> 00:21:53,340
yeah absolutely absolutely but it's it's

528
00:21:57,590 --> 00:21:54,780
really hard to approach things

529
00:21:59,029 --> 00:21:57,600
especially if you have you know uh I

530
00:22:00,350 --> 00:21:59,039
mean we've talked to to these people

531
00:22:01,970 --> 00:22:00,360
that we're talking about like we've had

532
00:22:05,450 --> 00:22:01,980
them on our show like

533
00:22:07,130 --> 00:22:05,460
uh yeah yeah and it's just man it's so

534
00:22:09,409 --> 00:22:07,140
good this isn't it and by no means like

535
00:22:11,390 --> 00:22:09,419
this isn't like a mud slinging or a

536
00:22:13,430 --> 00:22:11,400
finger pointing thing at all it's just

537
00:22:14,930 --> 00:22:13,440
that like it's crazy like we said you

538
00:22:18,529 --> 00:22:14,940

know when you're on the outside looking

539

00:22:20,750 --> 00:22:18,539

in and you uh you kind of like shake

540

00:22:23,810 --> 00:22:20,760

hands with people in a way I guess you

541

00:22:26,810 --> 00:22:23,820

could say right and you you know we're

542

00:22:29,570 --> 00:22:26,820

very cordial with everybody right so

543

00:22:31,610 --> 00:22:29,580

um like you know we just try not to have

544

00:22:33,409 --> 00:22:31,620

any issues but like it's crazy that like

545

00:22:35,390 --> 00:22:33,419

you know there's a whole lot of drama

546

00:22:37,250 --> 00:22:35,400

that has unfolded and like it's just

547

00:22:39,289 --> 00:22:37,260

crazy how quick it happened and it's

548

00:22:41,870 --> 00:22:39,299

like man like that's wild because like

549

00:22:44,390 --> 00:22:41,880

you know we've chatted with all these

550

00:22:46,190 --> 00:22:44,400

people yeah on a really good level it's

551
00:22:49,250 --> 00:22:46,200
just so weird how like there there's

552
00:22:52,669 --> 00:22:49,260
like so much like mud slinging and like

553
00:22:54,789 --> 00:22:52,679
which now brings us to like this weird

554
00:22:57,350 --> 00:22:54,799
point of like okay

555
00:22:59,750 --> 00:22:57,360
now we have to like kind of like look

556
00:23:01,789 --> 00:22:59,760
into it like and see what's up and like

557
00:23:04,789 --> 00:23:01,799
now we have a bunch of questions and

558
00:23:06,830 --> 00:23:04,799
those questions kind of lead to this

559
00:23:10,070 --> 00:23:06,840
This brilliant little article that you

560
00:23:11,570 --> 00:23:10,080
read you know well yeah it's it and just

561
00:23:13,549 --> 00:23:11,580
to comment on what you said like we

562
00:23:15,169 --> 00:23:13,559
didn't have to comment on this like just

563
00:23:18,110 --> 00:23:15,179

because we have a YouTube channel and a

564

00:23:19,310 --> 00:23:18,120

podcast bro you and me know that if we

565

00:23:21,409 --> 00:23:19,320

don't have anything to talk about We're

566

00:23:24,169 --> 00:23:21,419

not gonna do a show like everybody that

567

00:23:25,690 --> 00:23:24,179

is subscribers to this channel it's not

568

00:23:28,070 --> 00:23:25,700

a consistency

569

00:23:30,890 --> 00:23:28,080

y'all live in the chat y'all know you'll

570

00:23:32,990 --> 00:23:30,900

notice like it's not like we're doing

571

00:23:35,270 --> 00:23:33,000

this to like oh we gotta get the [h__\h]

572

00:23:36,710 --> 00:23:35,280

whatever like we didn't have to comment

573

00:23:39,230 --> 00:23:36,720

on this but I feel like we kind of need

574

00:23:40,669 --> 00:23:39,240

to man and what you said earlier this

575

00:23:43,669 --> 00:23:40,679

week was like

576

00:23:45,950 --> 00:23:43,679

something something happened to where

577

00:23:48,950 --> 00:23:45,960

things were said that it kind of spilled

578

00:23:51,230 --> 00:23:48,960

over in our front yard it was like hey

579

00:23:53,570 --> 00:23:51,240

we we have a block party every like once

580

00:23:55,190 --> 00:23:53,580

a week and all the only thing we ask is

581

00:23:57,470 --> 00:23:55,200

don't [h__h] in our [h__h] front yard

582

00:24:00,049 --> 00:23:57,480

that's it you can do whatever you want

583

00:24:02,029 --> 00:24:00,059

don't be disrespect we're disrespectful

584

00:24:07,610 --> 00:24:02,039

and don't [h__h] in our front yard that's

585

00:24:11,470 --> 00:24:09,289

Ed once a week

586

00:24:14,810 --> 00:24:11,480

just don't [h__h] on our lawn

587

00:24:16,669 --> 00:24:14,820

yeah and what happened

588

00:24:19,190 --> 00:24:16,679

um there was other parties in

589

00:24:23,570 --> 00:24:19,200

surrounding houses and those parties got

590

00:24:26,330 --> 00:24:23,580

way too out of control and so like you

591

00:24:28,970 --> 00:24:26,340

know the [h__h] started spilling over like

592

00:24:30,770 --> 00:24:28,980

kind of into our yard right and like

593

00:24:32,930 --> 00:24:30,780

people were being rude about it kind of

594

00:24:34,549 --> 00:24:32,940

like right in front of our yard like not

595

00:24:36,470 --> 00:24:34,559

in our yard but like definitely like

596

00:24:38,330 --> 00:24:36,480

over the fence like enough we could be

597

00:24:39,590 --> 00:24:38,340

like we could smell it it was enough to

598

00:24:40,610 --> 00:24:39,600

be like if it was like 9 30 and you're

599

00:24:41,870 --> 00:24:40,620

trying to go to bed you could hear these

600

00:24:43,549 --> 00:24:41,880

people arguing they're not technically

601
00:24:45,230 --> 00:24:43,559
in their yard but like they're in front

602
00:24:48,230 --> 00:24:45,240
of the fence you're like hey

603
00:24:50,690 --> 00:24:48,240
come on guys yeah well it's it's not so

604
00:24:51,830 --> 00:24:50,700
much like it it wasn't like offensive we

605
00:24:53,510 --> 00:24:51,840
was like okay well now I'm paying

606
00:24:55,909 --> 00:24:53,520
attention let's look into this stuff and

607
00:24:57,770 --> 00:24:55,919
and I think we both did

608
00:25:01,310 --> 00:24:57,780
we looked into both sides there's like

609
00:25:03,529 --> 00:25:01,320
kind of two sides and it's a lot bigger

610
00:25:06,409 --> 00:25:03,539
it's a lot bigger than I think we

611
00:25:08,450 --> 00:25:06,419
thought yeah it is and yeah there's just

612
00:25:10,190 --> 00:25:08,460
there's things on on both sides it's

613
00:25:11,810 --> 00:25:10,200

just really [\h__\h] fishy dude and and

614

00:25:15,230 --> 00:25:11,820

just thinking about all that bump me out

615

00:25:17,390 --> 00:25:15,240

bum you out and then that led to this

616

00:25:20,390 --> 00:25:17,400

idea of okay

617

00:25:22,970 --> 00:25:20,400

what are we talking about here

618

00:25:24,830 --> 00:25:22,980

what is ufology it's just a bunch of

619

00:25:26,990 --> 00:25:24,840

people that are you interested in UFOs

620

00:25:29,390 --> 00:25:27,000

and aliens right yeah that's it that's

621

00:25:31,070 --> 00:25:29,400

what I think that's what it is there's

622

00:25:34,130 --> 00:25:31,080

people who are like actively like

623

00:25:35,510 --> 00:25:34,140

studying and Gathering data right but

624

00:25:37,789 --> 00:25:35,520

like the the yeah those are called

625

00:25:39,890 --> 00:25:37,799

there's a lot of like specifics that are

626
00:25:42,289 --> 00:25:39,900
in ufology but what is it right like

627
00:25:43,549 --> 00:25:42,299
what is any group it's just like a group

628
00:25:46,070 --> 00:25:43,559
of people who have like a common

629
00:25:48,110 --> 00:25:46,080
understanding or like interest that get

630
00:25:49,630 --> 00:25:48,120
together and do some [h__h] right yeah

631
00:25:53,029 --> 00:25:49,640
share ideas

632
00:25:55,850 --> 00:25:53,039
yeah and we got into this this whole

633
00:25:57,649 --> 00:25:55,860
thing just to have well we didn't know

634
00:26:00,289 --> 00:25:57,659
what it was going to become but we got

635
00:26:03,590 --> 00:26:00,299
into this to have fun and share ideas

636
00:26:08,090 --> 00:26:03,600
and learn some [h__h] and possibly learn

637
00:26:10,610 --> 00:26:08,100
some facts yeah but I think I think now

638
00:26:12,730 --> 00:26:10,620

what transpired the past past week or so

639

00:26:15,649 --> 00:26:12,740

is my my

640

00:26:17,390 --> 00:26:15,659

this new interpretation of of what is

641

00:26:20,510 --> 00:26:17,400

fact within this community and and

642

00:26:22,789 --> 00:26:20,520

therefore evolved into

643

00:26:25,190 --> 00:26:22,799

like this deep dive into what is what is

644

00:26:27,769 --> 00:26:25,200

fact itself dude like if you talk to any

645

00:26:28,909 --> 00:26:27,779

reputable scientist or mathematician or

646

00:26:32,690 --> 00:26:28,919

historian

647

00:26:36,230 --> 00:26:32,700

no one can tell you for 100 that

648

00:26:41,930 --> 00:26:36,240

something is uh predictable

649

00:26:46,010 --> 00:26:41,940

or in fact what it is because uh any any

650

00:26:49,430 --> 00:26:46,020

scientific uh experiment is certain up

651
00:26:50,710 --> 00:26:49,440
to something below 100 it's like oh yeah

652
00:26:55,789 --> 00:26:50,720
well

653
00:26:58,430 --> 00:26:55,799
99.99 of the time when I drop this Vape

654
00:26:59,269 --> 00:26:58,440
on the table it's gonna bounce up and

655
00:27:01,490 --> 00:26:59,279
whatever

656
00:27:06,049 --> 00:27:01,500
but that little tiny percent

657
00:27:07,370 --> 00:27:06,059
in between that below 100 and 100 there

658
00:27:09,350 --> 00:27:07,380
is a percentage that it's going to fall

659
00:27:11,690 --> 00:27:09,360
straight through the table and I swear

660
00:27:14,690 --> 00:27:11,700
to God I've seen that exact like example

661
00:27:16,850 --> 00:27:14,700
on on it must have been like Rogan or

662
00:27:18,850 --> 00:27:16,860
Alex Freeman or something like that if

663
00:27:22,549 --> 00:27:18,860

you were to if you were to run the odds

664

00:27:24,470 --> 00:27:22,559

infinitely the uh the the odds of it

665

00:27:27,590 --> 00:27:24,480

actually going through the table are

666

00:27:31,190 --> 00:27:27,600

possible yeah yeah right so so now we're

667

00:27:34,149 --> 00:27:31,200

like circling back to to to what's being

668

00:27:37,070 --> 00:27:34,159

what's transpiring within you know

669

00:27:40,010 --> 00:27:37,080

some very influential people in the

670

00:27:41,990 --> 00:27:40,020

community is is like man what are we

671

00:27:44,830 --> 00:27:42,000

even talking about like we're talking

672

00:27:48,169 --> 00:27:44,840

about facts who uh I just I don't know

673

00:27:50,330 --> 00:27:48,179

uh what is everybody searching for we're

674

00:27:52,669 --> 00:27:50,340

searching for the truth and okay well

675

00:27:55,669 --> 00:27:52,679

what truth are there UFOs and aliens

676

00:27:57,710 --> 00:27:55,679

just [h__h] like that's it right like

677

00:28:02,570 --> 00:27:57,720

and does that fall into the category of

678

00:28:05,269 --> 00:28:02,580

confirmation or uh uh there's another

679

00:28:07,970 --> 00:28:05,279

term that's like yes we agree with you

680

00:28:10,730 --> 00:28:07,980

but oh yeah you're kind of right

681

00:28:13,370 --> 00:28:10,740

and there's more to the story

682

00:28:16,310 --> 00:28:13,380

at the core of it we're looking at

683

00:28:18,169 --> 00:28:16,320

scientific fact and for years this this

684

00:28:20,450 --> 00:28:18,179

phenomenon has plagued the scientific

685

00:28:23,450 --> 00:28:20,460

Community because it's so hard to prove

686

00:28:26,269 --> 00:28:23,460

dude and there's got to be a reason

687

00:28:29,450 --> 00:28:27,950

but yeah I don't know if you do you want

688

00:28:31,850 --> 00:28:29,460

to kind of like dive into the the

689

00:28:34,310 --> 00:28:31,860

article bring it up dude let's do it man

690

00:28:36,710 --> 00:28:34,320

let's do it right because that's that's

691

00:28:39,470 --> 00:28:36,720

this article for me is kind of like what

692

00:28:40,970 --> 00:28:39,480

this whole like not like week but like I

693

00:28:42,710 --> 00:28:40,980

mean it's been kind of boiling for a

694

00:28:44,390 --> 00:28:42,720

while but like you know there's just a

695

00:28:46,490 --> 00:28:44,400

lot of stuff happening now and it's like

696

00:28:49,010 --> 00:28:46,500

it's kind of what this boiled into right

697

00:28:50,690 --> 00:28:49,020

it's like I have all these questions and

698

00:28:52,490 --> 00:28:50,700

this is kind of like

699

00:28:53,750 --> 00:28:52,500

if you're not gonna just tell me the

700

00:28:56,930 --> 00:28:53,760

truth

701
00:28:59,810 --> 00:28:56,940
this is kind of where my head's at right

702
00:29:01,430 --> 00:28:59,820
yeah and it has it has nothing to do

703
00:29:03,529 --> 00:29:01,440
with what's happening on Twitter at all

704
00:29:05,750 --> 00:29:03,539
it's just like yeah no no if anything I

705
00:29:07,789 --> 00:29:05,760
have I have what's happening what's

706
00:29:10,430 --> 00:29:07,799
happened in the past week to thank to

707
00:29:12,409 --> 00:29:10,440
thank for for this for this idea so

708
00:29:14,390 --> 00:29:12,419
ultimately it was a good thing honestly

709
00:29:16,490 --> 00:29:14,400
right right like this whatever happens

710
00:29:19,549 --> 00:29:16,500
dude because I kind of

711
00:29:22,130 --> 00:29:19,559
oh man I care about both sides I really

712
00:29:24,049 --> 00:29:22,140
do like I think there there's some give

713
00:29:26,389 --> 00:29:24,059

and take and maybe we'll find out the

714

00:29:28,130 --> 00:29:26,399

opposite and I'm totally wrong but I

715

00:29:30,289 --> 00:29:28,140

feel like there's there's good dudes on

716

00:29:32,930 --> 00:29:30,299

both sides man and or good people on

717

00:29:36,710 --> 00:29:32,940

both sides I I want I want to have that

718

00:29:38,870 --> 00:29:36,720

optimism uh but but uh strictly thinking

719

00:29:40,549 --> 00:29:38,880

about like the effect of what has

720

00:29:42,230 --> 00:29:40,559

happened in the past couple weeks is is

721

00:29:45,049 --> 00:29:42,240

it was like kind of a straw that broke

722

00:29:47,090 --> 00:29:45,059

the camel's back to to inspire like okay

723

00:29:49,430 --> 00:29:47,100

just [h__\h] get this out and it has a

724

00:29:51,289 --> 00:29:49,440

lot to do with with uh our conversations

725

00:29:53,269 --> 00:29:51,299

that we've had with Eric Mitchell

726

00:29:54,950 --> 00:29:53,279

uh Eric if you're still in the chat with

727

00:29:57,529 --> 00:29:54,960

somebody

728

00:29:59,570 --> 00:29:57,539

um and and a lot of the scientific stuff

729

00:30:02,930 --> 00:29:59,580

that he has been telling us for three

730

00:30:06,049 --> 00:30:02,940

years uh a couple months ago Gary Nolan

731

00:30:07,610 --> 00:30:06,059

came out to completely confirm the

732

00:30:09,769 --> 00:30:07,620

science that Eric has been trying to

733

00:30:12,950 --> 00:30:09,779

tell us for three [h__h] straight years

734

00:30:14,269 --> 00:30:12,960

and we're like oh yeah that's great I

735

00:30:16,909 --> 00:30:14,279

mean finally we have like somebody to

736

00:30:18,649 --> 00:30:16,919

corroborate I mean we believe you but

737

00:30:20,990 --> 00:30:18,659

it's just nice to see like a Harvard

738

00:30:24,289 --> 00:30:21,000

scientist a Stanford scientist come out

739

00:30:26,930 --> 00:30:24,830

um

740

00:30:28,789 --> 00:30:26,940

but yeah the article is called it's all

741

00:30:30,350 --> 00:30:28,799

in our heads I mean this is kind of a

742

00:30:32,510 --> 00:30:30,360

play on words but

743

00:30:34,430 --> 00:30:32,520

the the title is called it's all in our

744

00:30:36,350 --> 00:30:34,440

heads a theory based on interviews with

745

00:30:37,010 --> 00:30:36,360

experiencers

746

00:30:38,510 --> 00:30:37,020

um

747

00:30:41,149 --> 00:30:38,520

yeah it goes on to talk about her

748

00:30:44,269 --> 00:30:41,159

tagline and how this podcast is it's

749

00:30:46,909 --> 00:30:44,279

never been about proof uh it has and

750

00:30:48,409 --> 00:30:46,919

always will be about having fun sharing

751

00:30:50,990 --> 00:30:48,419

ideas and and understanding the

752

00:30:52,490 --> 00:30:51,000

individuals experiencing the phenomenon

753

00:30:55,010 --> 00:30:52,500

I mean that's that's kind of that kind

754

00:30:59,630 --> 00:30:55,020

of sums us it does right it sucks it up

755

00:31:03,470 --> 00:30:59,640

yeah we have no motive there is no you

756

00:31:07,389 --> 00:31:03,480

know one uh agenda telling us to do

757

00:31:10,430 --> 00:31:07,399

anything I mean uh yeah it's it's

758

00:31:12,350 --> 00:31:10,440

just a it has just been for fun but I

759

00:31:14,210 --> 00:31:12,360

think we we've been starting to to

760

00:31:16,850 --> 00:31:14,220

realize that man there's some serious

761

00:31:17,930 --> 00:31:16,860

serious tones to this whole thing yeah

762

00:31:20,630 --> 00:31:17,940

yeah

763

00:31:22,549 --> 00:31:20,640

uh

764

00:31:25,190 --> 00:31:22,559

God that in itself there's so much to

765

00:31:27,889 --> 00:31:25,200

unpack in that but I want to get into

766

00:31:30,889 --> 00:31:27,899

this this little article that you wrote

767

00:31:33,110 --> 00:31:30,899

uh did I really enjoyed it man like

768

00:31:36,649 --> 00:31:33,120

really really did enjoy it dude I'm so

769

00:31:38,750 --> 00:31:36,659

glad when any anybody uh when I send in

770

00:31:40,970 --> 00:31:38,760

like even artwork to people and they say

771

00:31:42,649 --> 00:31:40,980

hey it's good I'm like oh [h__\h] you hate

772

00:31:45,169 --> 00:31:42,659

it

773

00:31:46,310 --> 00:31:45,179

no dude like I said I really think I

774

00:31:49,070 --> 00:31:46,320

really think it's one of those articles

775

00:31:51,289 --> 00:31:49,080

that people are gonna love and hate

776

00:31:53,389 --> 00:31:51,299

which like I said earlier means that you

777

00:31:55,730 --> 00:31:53,399

did a good job because you know you

778

00:31:57,769 --> 00:31:55,740

you're really attracted people from both

779

00:32:00,289 --> 00:31:57,779

sides which is

780

00:32:03,590 --> 00:32:00,299

that's kind of the point right

781

00:32:06,110 --> 00:32:03,600

is to attract that like like the point

782

00:32:07,850 --> 00:32:06,120

isn't isn't to cause controversy at all

783

00:32:10,490 --> 00:32:07,860

I mean this is just this is just my

784

00:32:13,909 --> 00:32:10,500

opinion it's no no the point isn't to

785

00:32:16,909 --> 00:32:13,919

cause controversy right you're you're

786

00:32:18,409 --> 00:32:16,919

your point isn't a cause controversy you

787

00:32:21,049 --> 00:32:18,419

can't control what other people are

788

00:32:23,870 --> 00:32:21,059

gonna do what you do want is you want

789

00:32:26,389 --> 00:32:23,880

opinions from yes multiple sources and

790

00:32:28,730 --> 00:32:26,399

multiple people yeah those people to

791

00:32:31,310 --> 00:32:28,740

prove me wrong those people will give

792

00:32:33,409 --> 00:32:31,320

you information which is freaking

793

00:32:36,649 --> 00:32:33,419

awesome that's not gonna stop them from

794

00:32:38,330 --> 00:32:36,659

bickering at each other right and that's

795

00:32:42,649 --> 00:32:38,340

kind of that's kind of where that is

796

00:32:44,690 --> 00:32:42,659

look this is not a uh uh you know

797

00:32:47,630 --> 00:32:44,700

I'm not trying to start fights kind of a

798

00:32:50,090 --> 00:32:47,640

thing no it's not I want to discuss yeah

799

00:32:51,710 --> 00:32:50,100

if you can't you know if you can't be an

800

00:32:53,990 --> 00:32:51,720

adult enough to like discuss it then

801
00:32:56,389 --> 00:32:54,000
like oh I mean whatever is I can't

802
00:32:57,769 --> 00:32:56,399
control that but yeah it's not on you

803
00:33:00,230 --> 00:32:57,779
man

804
00:33:02,450 --> 00:33:00,240
yeah well the controversy isn't on you

805
00:33:04,310 --> 00:33:02,460
it's on everybody else who decides to

806
00:33:06,830 --> 00:33:04,320
however they want to interpret that

807
00:33:10,370 --> 00:33:06,840
information you know yeah that's helpful

808
00:33:12,590 --> 00:33:10,380
I mean yeah dude like it's uh it's

809
00:33:16,029 --> 00:33:12,600
something that

810
00:33:18,590 --> 00:33:16,039
well here's the main idea is that I

811
00:33:20,389 --> 00:33:18,600
my perspective changes I mean you know

812
00:33:22,370 --> 00:33:20,399
this on like a weekly basis like next

813
00:33:24,649 --> 00:33:22,380

week I could be like oh [h__h] like half

814

00:33:27,049 --> 00:33:24,659

of that stuff I don't know I no longer

815

00:33:29,630 --> 00:33:27,059

feel as strongly about or or whatever

816

00:33:31,970 --> 00:33:29,640

but dude I think I've been holding back

817

00:33:34,970 --> 00:33:31,980

for so long that I actually feel pretty

818

00:33:36,590 --> 00:33:34,980

confident in most this stuff

819

00:33:40,490 --> 00:33:36,600

and and I don't think I'm gonna

820

00:33:42,590 --> 00:33:40,500

Backtrack on anything uh anytime soon I

821

00:33:45,590 --> 00:33:42,600

mean I if anything I hope that this

822

00:33:48,169 --> 00:33:45,600

Sparks some uh some ideas and and

823

00:33:50,269 --> 00:33:48,179

somebody who has experience in something

824

00:33:53,269 --> 00:33:50,279

that could maybe prove you know what

825

00:33:54,710 --> 00:33:53,279

what I've stated here as as in factual

826

00:33:55,909 --> 00:33:54,720

or have an experience I want to share

827

00:33:57,769 --> 00:33:55,919

with us

828

00:33:58,970 --> 00:33:57,779

um whether it be privately or or on the

829

00:34:04,009 --> 00:33:58,980

show

830

00:34:05,990 --> 00:34:04,019

share ideas publicly hopefully so that

831

00:34:07,430 --> 00:34:06,000

other people can be inspired and come up

832

00:34:09,950 --> 00:34:07,440

with their own ideas and we could figure

833

00:34:11,990 --> 00:34:09,960

this thing out together right yeah yeah

834

00:34:13,730 --> 00:34:12,000

absolutely but yeah let's let's get

835

00:34:17,270 --> 00:34:13,740

let's get into it dude so the the first

836

00:34:19,909 --> 00:34:17,280

uh could be controversial thing is I'm

837

00:34:22,129 --> 00:34:19,919

basically saying like look UFOs and

838

00:34:24,050 --> 00:34:22,139

aliens extraterrestrials it's it's like

839

00:34:25,790 --> 00:34:24,060

explaining what it's like to become a

840

00:34:27,649 --> 00:34:25,800

father or mother for the first time like

841

00:34:29,570 --> 00:34:27,659

it's just impossible like if you if

842

00:34:31,550 --> 00:34:29,580

anybody else out there has friends that

843

00:34:33,889 --> 00:34:31,560

are not parents and and they're asking

844

00:34:35,570 --> 00:34:33,899

like hey what's it like to be a a dad or

845

00:34:36,589 --> 00:34:35,580

becoming a dad seeing your child born

846

00:34:39,649 --> 00:34:36,599

like

847

00:34:44,629 --> 00:34:39,659

it's it's impossible there are no words

848

00:34:46,609 --> 00:34:44,639

to describe the love of your child being

849

00:34:49,190 --> 00:34:46,619

born and becoming a father or a mother

850

00:34:50,389 --> 00:34:49,200

like it's impossible so I try to take

851
00:34:52,490 --> 00:34:50,399
that analogy

852
00:34:54,409 --> 00:34:52,500
into this field like I'm not trying to

853
00:34:56,869 --> 00:34:54,419
bring any woo to it but

854
00:34:59,450 --> 00:34:56,879
that that's as close to of an analogy as

855
00:35:01,490 --> 00:34:59,460
I can I can bring to it is like you you

856
00:35:02,990 --> 00:35:01,500
don't know it's I think everybody's

857
00:35:05,089 --> 00:35:03,000
trying their best to communicate what

858
00:35:07,790 --> 00:35:05,099
it's like to to be an experimenter or or

859
00:35:11,329 --> 00:35:07,800
see UFOs and that's why we strive every

860
00:35:13,069 --> 00:35:11,339
day and or whatever to to find proof

861
00:35:14,870 --> 00:35:13,079
because that's what we want to do

862
00:35:17,390 --> 00:35:14,880
ultimately is communicate the feeling

863
00:35:18,710 --> 00:35:17,400

that we are experiencing because it's so

864

00:35:20,270 --> 00:35:18,720

frustrating when you can't communicate

865

00:35:21,710 --> 00:35:20,280

something properly like that's the most

866

00:35:23,089 --> 00:35:21,720

frustrating thing in the world well I

867

00:35:25,130 --> 00:35:23,099

know and just imagine how like an

868

00:35:27,410 --> 00:35:25,140

experiencer must feel not even having

869

00:35:29,390 --> 00:35:27,420

the words to explain what like they just

870

00:35:31,550 --> 00:35:29,400

went through right yeah they're just

871

00:35:35,750 --> 00:35:31,560

having to like kind of

872

00:35:37,609 --> 00:35:35,760

ah create something to explain it hey

873

00:35:39,950 --> 00:35:37,619

dude uh I tell you what

874

00:35:41,630 --> 00:35:39,960

I want to I want to read it uh by

875

00:35:43,609 --> 00:35:41,640

paragraph and then I want to like turn

876

00:35:44,930 --> 00:35:43,619

to you to kind of like explain what was

877

00:35:46,370 --> 00:35:44,940

in your head while you were writing it

878

00:35:48,109 --> 00:35:46,380

oh yeah dude do you want me to bring it

879

00:35:50,089 --> 00:35:48,119

up on like screenshot or what I got it

880

00:35:51,650 --> 00:35:50,099

right here man oh [h__h] let's do it yeah

881

00:35:53,810 --> 00:35:51,660

cool okay

882

00:35:55,970 --> 00:35:53,820

um so the next paragraph is if the

883

00:35:59,510 --> 00:35:55,980

evidence you stake your belief in the

884

00:36:02,750 --> 00:35:59,520

phenomenon upon is it is exotic metals

885

00:36:06,170 --> 00:36:02,760

from crashed UFOs photos or video of

886

00:36:09,290 --> 00:36:06,180

dead alien bodies or Tic Tacs it's ours

887

00:36:11,390 --> 00:36:09,300

by ours I mean it's man-made if the

888

00:36:13,670 --> 00:36:11,400

evidence observed is physical while

889

00:36:17,690 --> 00:36:13,680

you're consciously awake it was created

890

00:36:23,390 --> 00:36:20,569

yeah yeah so that's basically saying

891

00:36:26,270 --> 00:36:23,400

it's it's a preface to to a couple of

892

00:36:28,310 --> 00:36:26,280

paragraphs down where I'm talking about

893

00:36:31,010 --> 00:36:28,320

look I'm not saying the the phenomenon

894

00:36:32,750 --> 00:36:31,020

is all that's why I said the tar the

895

00:36:35,569 --> 00:36:32,760

title was it's a play on words because

896

00:36:37,790 --> 00:36:35,579

yes it is in our heads but we are

897

00:36:40,430 --> 00:36:37,800

manifesting It Whatever physical

898

00:36:43,329 --> 00:36:40,440

evidence that that exists

899

00:36:47,210 --> 00:36:43,339

it was created here on Earth

900

00:36:50,870 --> 00:36:47,220

buy a human but through the uh

901
00:36:52,910 --> 00:36:50,880
communication and uh manipulation of an

902
00:36:55,849 --> 00:36:52,920
experiencer yes

903
00:36:57,589 --> 00:36:55,859
so the main point is and I think you'll

904
00:36:59,390 --> 00:36:57,599
probably get to it next is that that

905
00:37:01,130 --> 00:36:59,400
that these entities whatever they are

906
00:37:04,130 --> 00:37:01,140
extra dimensional they aren't not

907
00:37:05,750 --> 00:37:04,140
allowed to enter our our Dimension so

908
00:37:07,069 --> 00:37:05,760
they right because I had I had kind of

909
00:37:08,210 --> 00:37:07,079
challenged you on that earlier like well

910
00:37:11,870 --> 00:37:08,220
what do you mean there's no physical

911
00:37:14,750 --> 00:37:11,880
evidence what about like you know uh

912
00:37:17,750 --> 00:37:14,760
pieces of of exotic metals or like

913
00:37:19,790 --> 00:37:17,760

things uh getting uh interacting with

914

00:37:21,470 --> 00:37:19,800

you right and uh you had a really good

915

00:37:22,870 --> 00:37:21,480

answer for that

916

00:37:25,069 --> 00:37:22,880

um yeah

917

00:37:29,390 --> 00:37:25,079

something I'm thinking about too is is

918

00:37:31,130 --> 00:37:29,400

if if uh there are exotic materials that

919

00:37:34,130 --> 00:37:31,140

cannot be explained by science

920

00:37:36,109 --> 00:37:34,140

and I'm still on the fence on this is is

921

00:37:39,349 --> 00:37:36,119

either there's one of two options either

922

00:37:43,370 --> 00:37:39,359

it um it was

923

00:37:45,530 --> 00:37:43,380

it was brought here via this portal that

924

00:37:48,530 --> 00:37:45,540

was manifested by an experience or

925

00:37:51,530 --> 00:37:48,540

something you know someone who uh

926
00:37:54,910 --> 00:37:51,540
channeled the uh these entities to be

927
00:37:58,630 --> 00:37:54,920
able to become physical in this right

928
00:38:03,650 --> 00:38:02,150
the realm of the hands welcome to the

929
00:38:06,410 --> 00:38:03,660
realm of the humans

930
00:38:09,410 --> 00:38:06,420
for for like a like a short period of

931
00:38:12,950 --> 00:38:09,420
time or which the side that I'm leaning

932
00:38:16,130 --> 00:38:12,960
towards is that there's there there's

933
00:38:17,510 --> 00:38:16,140
just people on Earth that know how to

934
00:38:20,810 --> 00:38:17,520
make that [h__\h] and you just don't know

935
00:38:22,910 --> 00:38:20,820
about it yet dude it was made by man

936
00:38:25,190 --> 00:38:22,920
is you just don't know you're not in the

937
00:38:26,150 --> 00:38:25,200
know okay just like give up your ego on

938
00:38:28,670 --> 00:38:26,160

that

939

00:38:30,650 --> 00:38:28,680

I agree I agree because we've talked

940

00:38:32,390 --> 00:38:30,660

about that right you know like

941

00:38:34,069 --> 00:38:32,400

we've talked about how early they were

942

00:38:35,210 --> 00:38:34,079

talking about how sending stuff to space

943

00:38:37,970 --> 00:38:35,220

right

944

00:38:40,430 --> 00:38:37,980

yeah you think about how early they were

945

00:38:42,710 --> 00:38:40,440

talking about sending stuff to space and

946

00:38:45,109 --> 00:38:42,720

it was still like another like 80 years

947

00:38:47,750 --> 00:38:45,119

till they were like oh we shot a rocket

948

00:38:50,470 --> 00:38:47,760

up there right that's [h__h]

949

00:38:53,089 --> 00:38:50,480

yeah right they've been working on stuff

950

00:38:54,950 --> 00:38:53,099

and I kind of went from like it's funny

951
00:38:56,569 --> 00:38:54,960
because like it's like I kind of started

952
00:38:58,870 --> 00:38:56,579
to calm down on that a little bit like

953
00:39:00,950 --> 00:38:58,880
look I know we probably have some stuff

954
00:39:01,910 --> 00:39:00,960
and like I think maybe we're dealing

955
00:39:03,290 --> 00:39:01,920
with something a little different but

956
00:39:06,230 --> 00:39:03,300
now I'm just getting kind of back to

957
00:39:07,970 --> 00:39:06,240
like all that shit's ours dude yeah bro

958
00:39:10,490 --> 00:39:07,980
you know in a weird way it's weird it's

959
00:39:12,109 --> 00:39:10,500
like coming from Full Circle but it is

960
00:39:14,750 --> 00:39:12,119
and it isn't right that's why it's so

961
00:39:17,450 --> 00:39:14,760
hard to explain I know I know it is and

962
00:39:19,730 --> 00:39:17,460
it isn't because you came full circle

963
00:39:22,730 --> 00:39:19,740

with a different understanding so now

964

00:39:24,770 --> 00:39:22,740

that original idea has more depth to it

965

00:39:27,829 --> 00:39:24,780

so you understand there's more to that

966

00:39:29,750 --> 00:39:27,839

original idea right yes yeah

967

00:39:31,310 --> 00:39:29,760

like we're getting I I feel like uh

968

00:39:32,450 --> 00:39:31,320

Gizmo's just like tap dancing in the

969

00:39:35,630 --> 00:39:32,460

background dude

970

00:39:38,569 --> 00:39:35,640

he's ridiculous he's gotta be in here he

971

00:39:39,950 --> 00:39:38,579

loves the show he wants to hang out but

972

00:39:41,690 --> 00:39:39,960

then like every now and then he's got to

973

00:39:43,790 --> 00:39:41,700

go look out the window and make sure our

974

00:39:48,589 --> 00:39:43,800

front yard is okay you know

975

00:39:48,599 --> 00:39:51,829

no cats okay good

976

00:39:55,370 --> 00:39:54,050

all right all right by the way we've got

977

00:39:58,069 --> 00:39:55,380

to set up her photo shoot with the Gizmo

978

00:39:59,650 --> 00:39:58,079

like ASAP dude yeah yeah maybe we can do

979

00:40:03,290 --> 00:39:59,660

it this weekend dude

980

00:40:06,530 --> 00:40:03,300

uh let's see here non-human entities

981

00:40:08,329 --> 00:40:06,540

exist but cannot cross into or affect

982

00:40:10,730 --> 00:40:08,339

our current physical reality or

983

00:40:13,190 --> 00:40:10,740

Dimension these entities can however

984

00:40:16,609 --> 00:40:13,200

influence and manipulate humans who have

985

00:40:19,510 --> 00:40:16,619

been upgraded this upgrade unlocks the

986

00:40:22,730 --> 00:40:19,520

ability to communicate with observe

987

00:40:25,910 --> 00:40:22,740

manipulate and even manifest aspects of

988

00:40:29,870 --> 00:40:25,920

other dimensional realities into our own

989

00:40:32,270 --> 00:40:29,880

[h__h] love that dude yeah love that

990

00:40:33,770 --> 00:40:32,280

honestly this entire time I'm writing

991

00:40:35,690 --> 00:40:33,780

this

992

00:40:37,250 --> 00:40:35,700

I'm doing exactly what I'm writing about

993

00:40:39,050 --> 00:40:37,260

dude I'm not coming up with this stuff

994

00:40:40,849 --> 00:40:39,060

dude you're just [h__h] flowing through

995

00:40:42,650 --> 00:40:40,859

me dude I'm just being honest like yeah

996

00:40:44,410 --> 00:40:42,660

I don't know those words

997

00:40:46,670 --> 00:40:44,420

I get the concept

998

00:40:48,650 --> 00:40:46,680

I'm not saying I [h__h] channeled an

999

00:40:50,450 --> 00:40:48,660

alien here but like

1000

00:40:53,329 --> 00:40:50,460

I don't know just this this past 24

1001
00:40:55,910 --> 00:40:53,339
hours has just been like this boom of

1002
00:40:58,069 --> 00:40:55,920
of inspiration that just have been like

1003
00:41:00,109 --> 00:40:58,079
connecting a bunch of dots dude like

1004
00:41:02,270 --> 00:41:00,119
when we talk to to Eric last night he

1005
00:41:04,849 --> 00:41:02,280
filled in that last piece and we'll get

1006
00:41:07,130 --> 00:41:04,859
to in a minute yeah it was like oh and

1007
00:41:08,630 --> 00:41:07,140
they're like I heard like silver horns

1008
00:41:11,150 --> 00:41:08,640
like

1009
00:41:13,250 --> 00:41:11,160
yeah because that has a lot to do with

1010
00:41:16,730 --> 00:41:13,260
this upgrade that we're talking about

1011
00:41:19,270 --> 00:41:16,740
right an upgrade yes oh my God yeah oh

1012
00:41:21,950 --> 00:41:19,280
my gosh man

1013
00:41:23,390 --> 00:41:21,960

uh let's see oh so you have a little

1014

00:41:25,310 --> 00:41:23,400

okay hold on

1015

00:41:28,010 --> 00:41:25,320

um using modern day communication

1016

00:41:30,530 --> 00:41:28,020

methods as an example for most of our

1017

00:41:33,530 --> 00:41:30,540

Lives the brain survives just fine using

1018

00:41:35,630 --> 00:41:33,540

CB radio an upgrade to fiber optic

1019

00:41:39,349 --> 00:41:35,640

bandwidth can be triggered by high

1020

00:41:41,810 --> 00:41:39,359

stress emotional or physical trauma and

1021

00:41:44,990 --> 00:41:41,820

or the use of psychoactive substances

1022

00:41:48,109 --> 00:41:45,000

that inhibit the the malice the area of

1023

00:41:50,690 --> 00:41:48,119

the brain in charge of perception our

1024

00:41:52,630 --> 00:41:50,700

reality filter oh the the malice I like

1025

00:41:55,370 --> 00:41:52,640

the way you said that the

1026
00:41:58,550 --> 00:41:55,380
mouse I love that right talking about

1027
00:42:00,290 --> 00:41:58,560
the tamales so let me let me kind of

1028
00:42:01,970 --> 00:42:00,300
break this down a little bit and ask you

1029
00:42:04,190 --> 00:42:01,980
because it might be a little confusing

1030
00:42:05,810 --> 00:42:04,200
if if you don't know where we're headed

1031
00:42:07,910 --> 00:42:05,820
right like so using modern day

1032
00:42:09,650 --> 00:42:07,920
communication methods as an example for

1033
00:42:12,650 --> 00:42:09,660
most of our Lives the brain survives

1034
00:42:14,329 --> 00:42:12,660
just fine using CB radios right and CB

1035
00:42:15,650 --> 00:42:14,339
radios is what truckers use to

1036
00:42:17,329 --> 00:42:15,660
communicate back and forth it's it's

1037
00:42:19,670 --> 00:42:17,339
something that you have to take classes

1038
00:42:20,990 --> 00:42:19,680

in I believe didn't you didn't you take

1039

00:42:22,670 --> 00:42:21,000

classes or you were thinking about

1040

00:42:24,710 --> 00:42:22,680

getting this like a ham radio yeah a

1041

00:42:25,910 --> 00:42:24,720

little ham radio yeah I have it I'm not

1042

00:42:28,069 --> 00:42:25,920

allowed to like communicate because I

1043

00:42:29,810 --> 00:42:28,079

don't have like the physical license but

1044

00:42:31,910 --> 00:42:29,820

like I had to like mess with it yeah

1045

00:42:35,410 --> 00:42:31,920

like if some [h__h] went down and I needed

1046

00:42:38,690 --> 00:42:35,420

it I could like be like hey

1047

00:42:40,190 --> 00:42:38,700

I got some hams is anybody out there you

1048

00:42:42,470 --> 00:42:40,200

think you think ham radio is like

1049

00:42:44,870 --> 00:42:42,480

strictly for talking about ham only ham

1050

00:42:46,430 --> 00:42:44,880

only ham when people are like I gotta

1051

00:42:48,470 --> 00:42:46,440

look out in the ocean there's a

1052

00:42:50,810 --> 00:42:48,480

hurricane and our motor just just died

1053

00:42:52,609 --> 00:42:50,820

and we're we're really taking on water

1054

00:42:55,849 --> 00:42:52,619

you got to be like hey excuse me shut up

1055

00:42:57,829 --> 00:42:55,859

this is only for ham talk thank you it's

1056

00:43:01,490 --> 00:42:57,839

like this this is only for uh Honey

1057

00:43:02,990 --> 00:43:01,500

Baked glistening Christmas hams sir I

1058

00:43:05,329 --> 00:43:03,000

need you to shut the [h__h] up this is the

1059

00:43:07,670 --> 00:43:05,339

Christmas ham Channel sir

1060

00:43:08,690 --> 00:43:07,680

I'm gonna need you to go to the non-ham

1061

00:43:10,670 --> 00:43:08,700

network

1062

00:43:13,130 --> 00:43:10,680

it's called the nhh

1063

00:43:14,870 --> 00:43:13,140

this is for Christmas hams in Kim

1064

00:43:16,450 --> 00:43:14,880

Kardashian only because she's got two of

1065

00:43:19,910 --> 00:43:16,460

them

1066

00:43:22,130 --> 00:43:19,920

yeah they're in the club

1067

00:43:24,050 --> 00:43:22,140

imagine image

1068

00:43:26,870 --> 00:43:24,060

sell a pair of pants just by putting two

1069

00:43:29,030 --> 00:43:26,880

two Christmas hams and those pants and

1070

00:43:30,829 --> 00:43:29,040

and like everybody'd be like oh my God

1071

00:43:32,569 --> 00:43:30,839

that book looks amazing

1072

00:43:34,089 --> 00:43:32,579

y'all booty look like two Christmas

1073

00:43:41,710 --> 00:43:34,099

hands

1074

00:43:46,430 --> 00:43:43,849

okay so this is kind of what I wanted to

1075

00:43:48,589 --> 00:43:46,440

get into though right because

1076

00:43:50,569 --> 00:43:48,599

we're talking about the CB Radio and

1077

00:43:52,790 --> 00:43:50,579

then you move on to say and upgrade to

1078

00:43:55,130 --> 00:43:52,800

fiber optic bandwidth can be triggered

1079

00:43:57,710 --> 00:43:55,140

by high stress emotional or physical

1080

00:44:00,710 --> 00:43:57,720

trauma and or the use of psychoactive

1081

00:44:02,210 --> 00:44:00,720

substances that inhibit the uh the

1082

00:44:04,790 --> 00:44:02,220

malice the area of the brain in charge

1083

00:44:06,290 --> 00:44:04,800

of perception our reality filter so

1084

00:44:08,690 --> 00:44:06,300

basically what you're saying there is

1085

00:44:10,609 --> 00:44:08,700

like we're talking about an upgrade not

1086

00:44:13,370 --> 00:44:10,619

to like an actual

1087

00:44:15,890 --> 00:44:13,380

um radio or like an internet right we're

1088

00:44:19,069 --> 00:44:15,900

talking about an upgrade of of in your

1089

00:44:20,510 --> 00:44:19,079

brain yeah an upgrade happens in your

1090

00:44:23,089 --> 00:44:20,520

brain

1091

00:44:25,790 --> 00:44:23,099

um through through

1092

00:44:27,530 --> 00:44:25,800

um stress emotional or physical trauma

1093

00:44:28,690 --> 00:44:27,540

and the tricks of psychoactive

1094

00:44:31,130 --> 00:44:28,700

substances

1095

00:44:32,569 --> 00:44:31,140

yeah that's straight from Eric Mitchell

1096

00:44:34,309 --> 00:44:32,579

last night that's that piece I was

1097

00:44:36,710 --> 00:44:34,319

talking about dude and and I've been

1098

00:44:39,109 --> 00:44:36,720

cross like I've been messaging them last

1099

00:44:40,790 --> 00:44:39,119

night and all day today and being like

1100

00:44:42,950 --> 00:44:40,800

hey is this cool if I talk about this

1101

00:44:46,190 --> 00:44:42,960

like this is your thing that you told us

1102

00:44:48,230 --> 00:44:46,200

that just [h__h] clicked and it just

1103

00:44:49,849 --> 00:44:48,240

made it everything makes sense to me and

1104

00:44:52,430 --> 00:44:49,859

and what we're talking about is it's not

1105

00:44:53,630 --> 00:44:52,440

like everybody talks about this is not

1106

00:44:55,910 --> 00:44:53,640

the first time anybody's heard of

1107

00:44:58,010 --> 00:44:55,920

upgrades or whatever right but the way

1108

00:45:01,190 --> 00:44:58,020

that Eric explained it was

1109

00:45:03,530 --> 00:45:01,200

uh it's it's it's an epigenetic switch

1110

00:45:06,710 --> 00:45:03,540

like a like a locust he mentioned

1111

00:45:08,750 --> 00:45:06,720

something about a locust uh and and you

1112

00:45:10,430 --> 00:45:08,760

know it's like a butterfly a monarch

1113

00:45:14,329 --> 00:45:10,440

yeah that's right yeah monarch butterfly

1114

00:45:18,890 --> 00:45:14,339

butterfly so like a lot of uh even uh

1115

00:45:22,010 --> 00:45:18,900

species like uh of shrews that live like

1116

00:45:25,730 --> 00:45:22,020

near and uh Alaska

1117

00:45:28,250 --> 00:45:25,740

depending on the weather that starts to

1118

00:45:31,790 --> 00:45:28,260

be colder like earlier in the year they

1119

00:45:34,910 --> 00:45:31,800

change the color of their coat uh a lot

1120

00:45:36,470 --> 00:45:34,920

sooner than later so like uh Martins are

1121

00:45:40,490 --> 00:45:36,480

like a kind of like a

1122

00:45:42,710 --> 00:45:40,500

uh not a weasel but like like a ferret

1123

00:45:47,690 --> 00:45:42,720

so like they change their coat from from

1124

00:45:51,650 --> 00:45:47,700

this like uh dark uh Woody texture color

1125

00:45:53,390 --> 00:45:51,660

to a a a snow white just before or just

1126
00:45:56,270 --> 00:45:53,400
as the snow is falling so it's like an

1127
00:45:59,630 --> 00:45:56,280
epigenetic switch Yeah is a rapid

1128
00:46:03,170 --> 00:45:59,640
biological change why can that concept

1129
00:46:05,210 --> 00:46:03,180
not be applied to humans right so yeah

1130
00:46:08,210 --> 00:46:05,220
absolutely because that was like one of

1131
00:46:10,370 --> 00:46:08,220
the biggest things uh for me it was like

1132
00:46:13,430 --> 00:46:10,380
the the uh

1133
00:46:16,130 --> 00:46:13,440
the idea that it you know we always talk

1134
00:46:18,230 --> 00:46:16,140
about how like uh

1135
00:46:21,170 --> 00:46:18,240
UFO sightings and abductions and things

1136
00:46:23,450 --> 00:46:21,180
tend to run like in like families and

1137
00:46:24,950 --> 00:46:23,460
stuff like that and you know your genes

1138
00:46:26,690 --> 00:46:24,960

being involved it was really neat the

1139

00:46:29,750 --> 00:46:26,700

way they explained it because it really

1140

00:46:32,089 --> 00:46:29,760

put this this like Consciousness idea

1141

00:46:34,490 --> 00:46:32,099

right it took it from like just being

1142

00:46:36,170 --> 00:46:34,500

like uh like the cover of like a really

1143

00:46:38,150 --> 00:46:36,180

cool Tool album

1144

00:46:41,329 --> 00:46:38,160

um to like you know in like this like

1145

00:46:43,730 --> 00:46:41,339

crazy spiritual realm to like holy [h__h]

1146

00:46:46,730 --> 00:46:43,740

like yeah that's just like DNA

1147

00:46:48,770 --> 00:46:46,740

and it's switching the like the idea

1148

00:46:50,930 --> 00:46:48,780

that like like when he explained it with

1149

00:46:53,030 --> 00:46:50,940

the monarchs how like you know every

1150

00:46:55,309 --> 00:46:53,040

fourth generation through epigenetics

1151
00:46:57,530 --> 00:46:55,319
this Gene switches on which encourages

1152
00:46:59,990 --> 00:46:57,540
the Monarch to fly to Mexico which

1153
00:47:02,870 --> 00:47:00,000
encourages their survival and it's like

1154
00:47:05,150 --> 00:47:02,880
maybe it's not just the fact that like

1155
00:47:07,490 --> 00:47:05,160
certain people are just getting chosen

1156
00:47:09,530 --> 00:47:07,500
for some special reason it's epigenetics

1157
00:47:12,050 --> 00:47:09,540
and you didn't have a choice that Gene

1158
00:47:13,370 --> 00:47:12,060
was passed down and so every

1159
00:47:16,430 --> 00:47:13,380
um few Generations or a couple

1160
00:47:18,770 --> 00:47:16,440
Generations that Gene turns on right

1161
00:47:22,150 --> 00:47:18,780
yeah and it's it's survival based like

1162
00:47:24,849 --> 00:47:22,160
yeah that makes sense because I started

1163
00:47:28,490 --> 00:47:24,859

thinking about this concept of survival

1164

00:47:32,030 --> 00:47:28,500

and how it affects every decision that

1165

00:47:35,030 --> 00:47:32,040

we as humans make on a daily basis we

1166

00:47:36,950 --> 00:47:35,040

can we can break down every decision we

1167

00:47:38,809 --> 00:47:36,960

make to survival

1168

00:47:42,970 --> 00:47:38,819

we think of maybe sometimes as comfort

1169

00:47:45,890 --> 00:47:42,980

but to us is our modern day human brain

1170

00:47:47,750 --> 00:47:45,900

Comfort is just analogous to to survival

1171

00:47:50,630 --> 00:47:47,760

we think that that's the new survival

1172

00:47:53,150 --> 00:47:50,640

like oh I need to have my my kitchen

1173

00:47:55,370 --> 00:47:53,160

clean and my office clean it's like

1174

00:47:58,609 --> 00:47:55,380

it's just I need that to think straight

1175

00:48:00,410 --> 00:47:58,619

no your brain that that's the same

1176
00:48:03,470 --> 00:48:00,420
language just saying the same thing it's

1177
00:48:05,750 --> 00:48:03,480
it's a survival reaction or mechanism

1178
00:48:08,750 --> 00:48:05,760
like everything goes down to survival so

1179
00:48:10,609 --> 00:48:08,760
this this link between epigenetics

1180
00:48:13,910 --> 00:48:10,619
the changing of environment due to

1181
00:48:17,690 --> 00:48:13,920
stress environmental changes or trauma

1182
00:48:20,270 --> 00:48:17,700
being the switch uh to to be a catalyst

1183
00:48:22,550 --> 00:48:20,280
for for this epigenetic change to

1184
00:48:25,970 --> 00:48:22,560
physically and rapidly biologically

1185
00:48:28,730 --> 00:48:25,980
change a portion of your your brain that

1186
00:48:31,790 --> 00:48:28,740
is in charge of of

1187
00:48:34,730 --> 00:48:31,800
uh of of reality it's like you know the

1188
00:48:36,230 --> 00:48:34,740

thalamus is kind of like an a Very you

1189

00:48:38,030 --> 00:48:36,240

know from what we think we know about

1190

00:48:40,190 --> 00:48:38,040

the brain it's it's kind of like a just

1191

00:48:42,290 --> 00:48:40,200

a a blurry area of the brain it's like

1192

00:48:44,809 --> 00:48:42,300

oh when think when people are thinking

1193

00:48:45,950 --> 00:48:44,819

about this and observing things of like

1194

00:48:48,170 --> 00:48:45,960

reality

1195

00:48:50,089 --> 00:48:48,180

uh and interpreting it that's kind of

1196

00:48:51,890 --> 00:48:50,099

the portion that lights up so like

1197

00:48:54,230 --> 00:48:51,900

there's all kinds of portions in it I

1198

00:48:56,990 --> 00:48:54,240

get to it a little a little later in in

1199

00:49:03,730 --> 00:48:57,000

the article 509 says maybe it's just

1200

00:49:03,740 --> 00:49:16,870

[Laughter]

1201
00:49:21,770 --> 00:49:19,550
maybe it's just us which you also

1202
00:49:25,490 --> 00:49:21,780
propose that question yeah and then to

1203
00:49:30,349 --> 00:49:25,500
be really fair fair he did say maybe 50

1204
00:49:32,870 --> 00:49:30,359
Cent which I think we're yeah yeah and

1205
00:49:37,430 --> 00:49:32,880
Benjamin says bacon bacon bacon pig pig

1206
00:49:40,550 --> 00:49:37,440
hog bacon bacon bacon oh my God

1207
00:49:43,670 --> 00:49:40,560
so who knows dude it's delicious that's

1208
00:49:46,430 --> 00:49:43,680
what I know dude dude I love it I love

1209
00:49:48,109 --> 00:49:46,440
it well let's keep going man

1210
00:49:51,290 --> 00:49:48,119
um because after this you wrote a little

1211
00:49:53,510 --> 00:49:51,300
sub category it says all humans possess

1212
00:49:55,010 --> 00:49:53,520
an epigenetic sequence within our DNA

1213
00:49:56,450 --> 00:49:55,020

that can be activated by physical

1214

00:49:59,750 --> 00:49:56,460

emotional and psychological

1215

00:50:03,109 --> 00:49:59,760

circumstances and events this activation

1216

00:50:05,030 --> 00:50:03,119

is the Catalyst for Rapid physical and

1217

00:50:08,630 --> 00:50:05,040

biological transformation of the

1218

00:50:12,370 --> 00:50:08,640

thalamus uh the cardiac pretamine and

1219

00:50:17,510 --> 00:50:14,510

this area of the brain physically

1220

00:50:21,170 --> 00:50:17,520

transforms into a new type of neural

1221

00:50:24,550 --> 00:50:21,180

processor from it microtubules expand

1222

00:50:27,829 --> 00:50:24,560

through the exterior exterior lobes

1223

00:50:31,730 --> 00:50:27,839

forming what is known in some scientific

1224

00:50:34,430 --> 00:50:31,740

circles as the antenna we have to read

1225

00:50:35,630 --> 00:50:34,440

the the following this is like okay it's

1226

00:50:37,430 --> 00:50:35,640

talking about like this piece of the

1227

00:50:39,829 --> 00:50:37,440

puzzle derives from Eric Mitchell who

1228

00:50:41,690 --> 00:50:39,839

has publicly spoken about the antenna

1229

00:50:44,510 --> 00:50:41,700

since 2013.

1230

00:50:46,309 --> 00:50:44,520

that's way before Gary Nolan came

1231

00:50:48,770 --> 00:50:46,319

publicly and I mean I'm not saying he

1232

00:50:49,670 --> 00:50:48,780

wasn't researching this before right but

1233

00:50:51,470 --> 00:50:49,680

we've talked about this on previous

1234

00:50:53,870 --> 00:50:51,480

podcast yeah we've heard a few people

1235

00:50:56,990 --> 00:50:53,880

mention this antenna it's yeah it's it's

1236

00:50:59,089 --> 00:50:57,000

uh it's it's it's it's definitely been

1237

00:51:00,770 --> 00:50:59,099

mentioned right and it's something that

1238

00:51:02,569 --> 00:51:00,780

we've always held on to like okay the

1239

00:51:04,490 --> 00:51:02,579

antenna and then like we could just

1240

00:51:06,530 --> 00:51:04,500

never get any explanation of the antenna

1241

00:51:08,809 --> 00:51:06,540

oh well we think that's why they show up

1242

00:51:10,490 --> 00:51:08,819

yeah okay and that's kind of just been

1243

00:51:14,049 --> 00:51:10,500

the explanation

1244

00:51:17,750 --> 00:51:14,059

but when we dive deeper into it right

1245

00:51:21,770 --> 00:51:17,760

this this area of the brain uh through

1246

00:51:23,510 --> 00:51:21,780

having this this so-called trauma uh it

1247

00:51:25,130 --> 00:51:23,520

it is the Catalyst for the rapid

1248

00:51:28,329 --> 00:51:25,140

physical and biological transformation

1249

00:51:30,950 --> 00:51:28,339

of the the malice yeah it it creates

1250

00:51:33,530 --> 00:51:30,960

microtubules that expand through the

1251
00:51:35,150 --> 00:51:33,540
exterior lobes so that's basically like

1252
00:51:37,609 --> 00:51:35,160
saying like through this stress and

1253
00:51:41,450 --> 00:51:37,619
through this trauma maybe like you have

1254
00:51:43,670 --> 00:51:41,460
this experience uh these these uh these

1255
00:51:45,470 --> 00:51:43,680
microtubules start to grow out right

1256
00:51:47,930 --> 00:51:45,480
they're they're reaching for something

1257
00:51:50,510 --> 00:51:47,940
they're they're like information uh

1258
00:51:51,670 --> 00:51:50,520
highways yeah that are highly highly

1259
00:51:56,809 --> 00:51:51,680
active

1260
00:51:59,870 --> 00:51:56,819
highly sensitive uh uh receiving of of

1261
00:52:02,089 --> 00:51:59,880
frequencies that that are around us at

1262
00:52:03,950 --> 00:52:02,099
all times we live in an ocean of

1263
00:52:06,049 --> 00:52:03,960

frequencies at all times we I mean

1264

00:52:09,230 --> 00:52:06,059

that's why our radio works is because

1265

00:52:10,430 --> 00:52:09,240

it's it's it's not it it's it's not

1266

00:52:12,290 --> 00:52:10,440

emitting anything or doing anything

1267

00:52:14,990 --> 00:52:12,300

magic it's just tuning into something

1268

00:52:18,890 --> 00:52:15,000

that's already constantly around us so

1269

00:52:21,589 --> 00:52:18,900

taking that concept moving it to this uh

1270

00:52:23,569 --> 00:52:21,599

this idea of microtubules I mean like I

1271

00:52:25,309 --> 00:52:23,579

tried to tell Eric hey dude I'm saying a

1272

00:52:27,650 --> 00:52:25,319

lot of the stuff that you said is that

1273

00:52:29,030 --> 00:52:27,660

okay and like he's like just get just

1274

00:52:31,609 --> 00:52:29,040

get the information out there and I was

1275

00:52:34,250 --> 00:52:31,619

like I'm gonna like yes okay so there's

1276

00:52:36,170 --> 00:52:34,260

gonna be a follow-up on the specifics uh

1277

00:52:39,290 --> 00:52:36,180

right it's going to go a deeper into

1278

00:52:41,089 --> 00:52:39,300

some of this uh uh to the specifics and

1279

00:52:42,290 --> 00:52:41,099

science that I I'm not good at speaking

1280

00:52:48,950 --> 00:52:42,300

about

1281

00:52:50,450 --> 00:52:48,960

empaths if you walk next to uh if or if

1282

00:52:52,490 --> 00:52:50,460

you have a conversation with somebody in

1283

00:52:55,990 --> 00:52:52,500

an elevator and you're having a great

1284

00:52:59,630 --> 00:52:56,000

day like I consider you Joe is an empath

1285

00:53:01,190 --> 00:52:59,640

a certain a certain percentage I mean I

1286

00:53:02,750 --> 00:53:01,200

would I would say I'm probably a little

1287

00:53:04,730 --> 00:53:02,760

more sensitive than you are in some

1288

00:53:06,530 --> 00:53:04,740

areas so we're like I'll look at

1289

00:53:08,870 --> 00:53:06,540

somebody's face and I won't know this

1290

00:53:10,370 --> 00:53:08,880

person you know it's because I'm Larry

1291

00:53:12,530 --> 00:53:10,380

and full so I'm always like looking out

1292

00:53:16,250 --> 00:53:12,540

for danger and [h__h] yeah so everything

1293

00:53:22,849 --> 00:53:20,270

uh you were uh your reality your your

1294

00:53:24,829 --> 00:53:22,859

perception of reality and your triggers

1295

00:53:28,010 --> 00:53:24,839

to survival are different and they

1296

00:53:31,490 --> 00:53:28,020

that's why we are such social creatures

1297

00:53:33,290 --> 00:53:31,500

because we need uh a lot of us to to

1298

00:53:34,690 --> 00:53:33,300

ensure survival because everybody's a

1299

00:53:36,829 --> 00:53:34,700

little bit different

1300

00:53:38,390 --> 00:53:36,839

we we probably wouldn't survive very

1301
00:53:41,030 --> 00:53:38,400
long if everybody was the exact same

1302
00:53:42,770 --> 00:53:41,040
dude so hold on real quick Bim Jim says

1303
00:53:45,170 --> 00:53:42,780
people who have antennas can find each

1304
00:53:47,109 --> 00:53:45,180
other we find each other

1305
00:53:49,609 --> 00:53:47,119
it's not the EM

1306
00:53:51,410 --> 00:53:49,619
electromagnetic spectrum absolutely yeah

1307
00:53:52,730 --> 00:53:51,420
and we've been told that too I mean Eric

1308
00:53:54,849 --> 00:53:52,740
said that last night he was like dude

1309
00:53:57,710 --> 00:53:54,859
you could you could line up 100 chairs

1310
00:53:59,030 --> 00:53:57,720
and two of them could be experiencers

1311
00:54:00,950 --> 00:53:59,040
with antennas and they'll find each

1312
00:54:02,270 --> 00:54:00,960
other immediately like everybody else is

1313
00:54:04,130 --> 00:54:02,280

blocked out and they know exactly who

1314

00:54:05,569 --> 00:54:04,140

each other are

1315

00:54:09,589 --> 00:54:05,579

so cool

1316

00:54:11,750 --> 00:54:09,599

that is super cool and uh MJ Sedona says

1317

00:54:14,630 --> 00:54:11,760

a radio works because it's plugged in

1318

00:54:16,130 --> 00:54:14,640

right it's kind of metaphorical like Oh

1319

00:54:19,010 --> 00:54:16,140

I like that

1320

00:54:22,730 --> 00:54:19,020

maybe you work better if you if you

1321

00:54:25,069 --> 00:54:22,740

yourself are plugged in you know or in

1322

00:54:28,190 --> 00:54:25,079

our reality unplugged

1323

00:54:30,890 --> 00:54:28,200

right you need to unplug from from this

1324

00:54:33,109 --> 00:54:30,900

and plug into Source or you know of

1325

00:54:35,410 --> 00:54:33,119

whatever it is right

1326

00:54:39,109 --> 00:54:35,420
to 100

1327

00:54:41,750 --> 00:54:39,119
100 also Alabama ties that uh need a

1328

00:54:43,490 --> 00:54:41,760
call-in session you I'm down you want

1329

00:54:46,130 --> 00:54:43,500
you want to take some calls up we are

1330

00:54:47,690 --> 00:54:46,140
going to start doing that right yeah I

1331

00:54:49,730 --> 00:54:47,700
guess well on the zoom it would be

1332

00:54:52,190 --> 00:54:49,740
easier right yeah we'll do zoom and have

1333

00:54:52,849 --> 00:54:52,200
the phone call I can set that up pretty

1334

00:54:53,990 --> 00:54:52,859
quick

1335

00:54:56,569 --> 00:54:54,000
well then everybody's gonna have to

1336

00:54:58,549 --> 00:54:56,579
switch over no no uh so I can actually

1337

00:55:00,549 --> 00:54:58,559
bring in the zoom call to we don't have

1338

00:55:02,630 --> 00:55:00,559

to switch this at all

1339

00:55:06,049 --> 00:55:02,640

I see what you're saying like another

1340

00:55:10,970 --> 00:55:07,690

well I'm doing that

1341

00:55:12,829 --> 00:55:10,980

uh okay so

1342

00:55:14,510 --> 00:55:12,839

uh

1343

00:55:17,450 --> 00:55:14,520

so there's like another whole another

1344

00:55:19,190 --> 00:55:17,460

part to this yes uh so we're talking

1345

00:55:20,990 --> 00:55:19,200

about business right where we left off

1346

00:55:23,569 --> 00:55:21,000

was literally like the antenna serves as

1347

00:55:25,910 --> 00:55:23,579

a transmitter and receiver

1348

00:55:28,069 --> 00:55:25,920

of non-local communication between the

1349

00:55:29,809 --> 00:55:28,079

individual and Source Consciousness and

1350

00:55:31,250 --> 00:55:29,819

I mean that's like a

1351

00:55:33,470 --> 00:55:31,260

if you've been in the community long

1352

00:55:36,109 --> 00:55:33,480

enough like that's that's like a woo

1353

00:55:38,569 --> 00:55:36,119

statement Source Consciousness right

1354

00:55:40,549 --> 00:55:38,579

like it's it's it's uh it's something

1355

00:55:43,069 --> 00:55:40,559

that like scared us off when we first

1356

00:55:46,130 --> 00:55:43,079

started the podcast like

1357

00:55:49,250 --> 00:55:46,140

Source Consciousness sounds like so just

1358

00:55:50,290 --> 00:55:49,260

I don't know like I don't know

1359

00:55:53,290 --> 00:55:50,300

yeah

1360

00:55:55,490 --> 00:55:53,300

the accent was no you know the

1361

00:55:57,230 --> 00:55:55,500

insinuation of of anything other than

1362

00:55:58,849 --> 00:55:57,240

like it's just

1363

00:56:02,270 --> 00:55:58,859

I don't know it sounds too good to be

1364

00:56:05,510 --> 00:56:02,280

true I guess like it's something that

1365

00:56:08,569 --> 00:56:05,520

that was way too out there to to really

1366

00:56:10,609 --> 00:56:08,579

be rooted in in reality but like Source

1367

00:56:13,609 --> 00:56:10,619

Consciousness is a [h__h] thing dude

1368

00:56:15,049 --> 00:56:13,619

and I think uh people prove it on on a

1369

00:56:18,170 --> 00:56:15,059

daily basis

1370

00:56:20,270 --> 00:56:18,180

without even knowing it yes yeah every

1371

00:56:22,490 --> 00:56:20,280

day yeah

1372

00:56:26,510 --> 00:56:22,500

so it says Source Consciousness has no

1373

00:56:28,190 --> 00:56:26,520

agenda it is simply energy that has

1374

00:56:30,549 --> 00:56:28,200

always existed

1375

00:56:33,410 --> 00:56:30,559

entities from other dimensions can have

1376

00:56:36,170 --> 00:56:33,420

can and have always communicated with

1377

00:56:38,390 --> 00:56:36,180

humans who possess an upgraded antenna

1378

00:56:40,670 --> 00:56:38,400

the communication includes conscious

1379

00:56:43,490 --> 00:56:40,680

visuals and auditory experiences

1380

00:56:46,730 --> 00:56:43,500

including walking Visions hallucinations

1381

00:56:49,069 --> 00:56:46,740

and or unconscious dreams

1382

00:56:52,270 --> 00:56:49,079

physical reality may also be affected

1383

00:56:54,770 --> 00:56:52,280

through the individual in most cases

1384

00:56:58,609 --> 00:56:54,780

unintentionally manifesting Poltergeist

1385

00:57:01,130 --> 00:56:58,619

activity ghosts Spirits Sasquatch UFO

1386

00:57:03,230 --> 00:57:01,140

sightings and alien abductions these

1387

00:57:05,990 --> 00:57:03,240

events and sightings are physically

1388

00:57:09,589 --> 00:57:06,000

manifested into our reality by the

1389

00:57:13,069 --> 00:57:09,599

individuals who possess the antenna

1390

00:57:17,569 --> 00:57:13,079

yeah so like the idea that

1391

00:57:20,690 --> 00:57:17,579

we're not simply Observers observing uh

1392

00:57:23,089 --> 00:57:20,700

an event like a Sasquatch sighting or

1393

00:57:26,329 --> 00:57:23,099

UFO sighting or an abduction

1394

00:57:29,510 --> 00:57:26,339

it is [h__h] real because

1395

00:57:31,370 --> 00:57:29,520

the individuals with the antenna

1396

00:57:32,930 --> 00:57:31,380

are manifesting it they're they are

1397

00:57:35,630 --> 00:57:32,940

tapping into this Source Consciousness

1398

00:57:38,210 --> 00:57:35,640

that that that that that is

1399

00:57:41,990 --> 00:57:38,220

that is allowing them to to manipulate

1400

00:57:43,670 --> 00:57:42,000

reality like yeah everybody I think the

1401
00:57:45,890 --> 00:57:43,680
the age-old thing is like oh are you

1402
00:57:47,870 --> 00:57:45,900
just imagining it ah yeah actually

1403
00:57:50,270 --> 00:57:47,880
you're right yeah we are but we're also

1404
00:57:53,270 --> 00:57:50,280
we're also manifesting it and making it

1405
00:57:56,089 --> 00:57:53,280
a reality in this reality is [h__\h]

1406
00:57:59,690 --> 00:57:56,099
real dude and experiencing it right and

1407
00:58:01,549 --> 00:57:59,700
experiencing it it is real it is not and

1408
00:58:03,470 --> 00:58:01,559
it's funny because like you know you

1409
00:58:05,210 --> 00:58:03,480
hear people like John Mack you know and

1410
00:58:06,410 --> 00:58:05,220
their research and their study and they

1411
00:58:08,690 --> 00:58:06,420
say like

1412
00:58:12,470 --> 00:58:08,700
look I

1413
00:58:14,809 --> 00:58:12,480

can't prove that what they saw was there

1414

00:58:17,390 --> 00:58:14,819

or is real

1415

00:58:21,770 --> 00:58:17,400

I can't put my hands on it but whatever

1416

00:58:24,109 --> 00:58:21,780

happened they believe 100 that it

1417

00:58:27,230 --> 00:58:24,119

happened to them and they are

1418

00:58:30,109 --> 00:58:27,240

experiencing not only just mental but

1419

00:58:32,569 --> 00:58:30,119

also physical effects from whatever's

1420

00:58:34,849 --> 00:58:32,579

happening and that's what's weird right

1421

00:58:36,770 --> 00:58:34,859

we can't take a picture of it we can't

1422

00:58:39,049 --> 00:58:36,780

catch it we can't see it we can't just

1423

00:58:41,990 --> 00:58:39,059

call it like we can't we don't have any

1424

00:58:44,930 --> 00:58:42,000

control over it but it's happening and

1425

00:58:46,670 --> 00:58:44,940

it's it's real and this is kind of where

1426
00:58:49,910 --> 00:58:46,680
it seems like the antenna thing is going

1427
00:58:51,230 --> 00:58:49,920
is like you unintentionally sometimes uh

1428
00:58:52,910 --> 00:58:51,240
attract these things you didn't even

1429
00:58:55,250 --> 00:58:52,920
realize it you didn't know that you were

1430
00:58:56,990 --> 00:58:55,260
an antenna right and maybe like you're

1431
00:58:58,609 --> 00:58:57,000
in a house with five other people and

1432
00:59:01,010 --> 00:58:58,619
then there's some activity that starts

1433
00:59:03,109 --> 00:59:01,020
happening yeah nobody knows who it is

1434
00:59:05,809 --> 00:59:03,119
let alone you know that you're

1435
00:59:08,569 --> 00:59:05,819
responsible for having the antenna and

1436
00:59:10,370 --> 00:59:08,579
not realizing that that's in effect you

1437
00:59:12,650 --> 00:59:10,380
know so obviously gonna freak people out

1438
00:59:14,390 --> 00:59:12,660

you know think about this you get you

1439

00:59:16,370 --> 00:59:14,400

get multiple people that are unaware

1440

00:59:19,130 --> 00:59:16,380

that they've they've gone through this

1441

00:59:20,329 --> 00:59:19,140

metamorphosis of the antenna and maybe

1442

00:59:22,130 --> 00:59:20,339

they're interested and that's why

1443

00:59:24,890 --> 00:59:22,140

they're they are in the first place

1444

00:59:27,890 --> 00:59:24,900

and they get together and it amplifies

1445

00:59:31,010 --> 00:59:27,900

this communication Highway and so they

1446

00:59:33,170 --> 00:59:31,020

all go into this spooky house right like

1447

00:59:34,730 --> 00:59:33,180

this haunted like let's take goose for

1448

00:59:36,829 --> 00:59:34,740

example like go into this haunted house

1449

00:59:38,809 --> 00:59:36,839

and they're all like oh yeah bro like

1450

00:59:41,630 --> 00:59:38,819

this like

1451

00:59:44,450 --> 00:59:41,640

they believe it 100 percent

1452

00:59:47,329 --> 00:59:44,460

and they they all they end up seeing

1453

00:59:49,609 --> 00:59:47,339

[h__h] the problem with with TV shows and

1454

00:59:51,069 --> 00:59:49,619

all that is they always try to involve

1455

00:59:55,210 --> 00:59:51,079

this counter

1456

00:59:57,650 --> 00:59:55,220

uh character to to be a debunker or or

1457

00:59:59,630 --> 00:59:57,660

naysayer right so that's why they never

1458

01:00:02,809 --> 00:59:59,640

catch [h__h] dude

1459

01:00:04,430 --> 01:00:02,819

I mean yeah I'm not saying there's

1460

01:00:06,950 --> 01:00:04,440

there's plenty of YouTubers out there

1461

01:00:09,289 --> 01:00:06,960

that go by themselves but still there's

1462

01:00:11,510 --> 01:00:09,299

that thought when they're when you're

1463

01:00:13,849 --> 01:00:11,520

recording something or or experiencing

1464

01:00:15,410 --> 01:00:13,859

something with the intent to share it

1465

01:00:19,730 --> 01:00:15,420

with others

1466

01:00:22,670 --> 01:00:19,740

that is is is a uh I think that is a a

1467

01:00:24,829 --> 01:00:22,680

huge factor and why it's so hard to

1468

01:00:26,990 --> 01:00:24,839

catch something on film and why there's

1469

01:00:29,630 --> 01:00:27,000

so little and everything if you get it

1470

01:00:31,670 --> 01:00:29,640

it's [h__h] blurry yeah like it's the

1471

01:00:34,069 --> 01:00:31,680

intent it's all about intent

1472

01:00:37,130 --> 01:00:34,079

MJ Sedona says and I love this comment

1473

01:00:40,190 --> 01:00:37,140

it says or maybe you hang out uh hang

1474

01:00:43,430 --> 01:00:40,200

around uh with known ET experiencers and

1475

01:00:46,670 --> 01:00:43,440

and what do you expect uh most that have

1476

01:00:48,950 --> 01:00:46,680

the antenna know it they know it down in

1477

01:00:51,770 --> 01:00:48,960

their soul and and I've heard this right

1478

01:00:54,109 --> 01:00:51,780

so the first part to that is hang out

1479

01:00:57,289 --> 01:00:54,119

with ET experiencers and what do you

1480

01:01:00,069 --> 01:00:57,299

expect right and we have we've seen some

1481

01:01:03,950 --> 01:01:00,079

pretty cool stuff around ET experiencers

1482

01:01:06,589 --> 01:01:03,960

uh that's pretty interesting does that

1483

01:01:08,569 --> 01:01:06,599

mean that maybe like we have an antenna

1484

01:01:10,789 --> 01:01:08,579

that might is like maybe kind of like

1485

01:01:13,309 --> 01:01:10,799

kind of active just not like fully

1486

01:01:15,289 --> 01:01:13,319

active like maybe like we just had like

1487

01:01:17,450 --> 01:01:15,299

some cushy-ass lives with no trauma and

1488

01:01:19,849 --> 01:01:17,460

[h__h] so it never like activated the way

1489

01:01:21,410 --> 01:01:19,859

we wanted it to or like or not wanted it

1490

01:01:24,109 --> 01:01:21,420

to but like it didn't activate like

1491

01:01:26,270 --> 01:01:24,119

other people and then on the flip side

1492

01:01:28,069 --> 01:01:26,280

of that is you know the old story of

1493

01:01:30,170 --> 01:01:28,079

standing in a group of five people and

1494

01:01:31,910 --> 01:01:30,180

three can see it and two can't yes does

1495

01:01:33,950 --> 01:01:31,920

that mean that three people might have

1496

01:01:35,750 --> 01:01:33,960

the antenna and two just don't and

1497

01:01:37,849 --> 01:01:35,760

that's why they're not able to receive

1498

01:01:39,410 --> 01:01:37,859

that information maybe one of those

1499

01:01:41,510 --> 01:01:39,420

people knows that they have an antenna

1500

01:01:44,089 --> 01:01:41,520

and the other two didn't right yeah or

1501

01:01:46,130 --> 01:01:44,099

the other four didn't right and then two

1502

01:01:48,530 --> 01:01:46,140

of them saw it that third one knew they

1503

01:01:49,490 --> 01:01:48,540

had an antenna and the other two didn't

1504

01:01:51,829 --> 01:01:49,500

see it

1505

01:01:53,270 --> 01:01:51,839

that just was an Awakening kind of for

1506

01:01:54,349 --> 01:01:53,280

like the other two that were like what

1507

01:01:56,270 --> 01:01:54,359

the [h__\h] what the [h__\h] I don't even have

1508

01:02:00,710 --> 01:01:56,280

an antenna I could see it why couldn't

1509

01:02:02,930 --> 01:02:00,720

you see it right well I I think at all

1510

01:02:04,849 --> 01:02:02,940

like dude those those examples are real

1511

01:02:09,589 --> 01:02:04,859

and have happened and they're perfect

1512

01:02:11,750 --> 01:02:09,599

perfect uh uh uh questions to ask for

1513

01:02:13,910 --> 01:02:11,760

this this Theory and the answer that I

1514

01:02:15,109 --> 01:02:13,920

would come up with is that like I say in

1515

01:02:17,750 --> 01:02:15,119

the article

1516

01:02:19,430 --> 01:02:17,760

everyone has dial up everybody's

1517

01:02:21,890 --> 01:02:19,440

connected to the internet it's just the

1518

01:02:23,450 --> 01:02:21,900

bandwidth that's different so you can

1519

01:02:24,650 --> 01:02:23,460

still access a web page it's gonna

1520

01:02:26,089 --> 01:02:24,660

you're just gonna see it a little

1521

01:02:27,349 --> 01:02:26,099

differently a little slower than

1522

01:02:30,289 --> 01:02:27,359

everybody else you're probably not gonna

1523

01:02:31,970 --> 01:02:30,299

say see the the high quality images that

1524

01:02:33,470 --> 01:02:31,980

everybody else is seeing or or maybe

1525

01:02:34,970 --> 01:02:33,480

some of the JavaScript doesn't load

1526

01:02:37,370 --> 01:02:34,980

properly or maybe you know back in the

1527

01:02:39,470 --> 01:02:37,380

90s when everybody uses used flash it's

1528

01:02:41,270 --> 01:02:39,480

a different language that it's outdated

1529

01:02:43,370 --> 01:02:41,280

now like it used to be the whole thing

1530

01:02:46,190 --> 01:02:43,380

flash with you know whatever but yeah

1531

01:02:48,349 --> 01:02:46,200

everybody has the access it's just um

1532

01:02:51,230 --> 01:02:48,359

like bimjim was or I think bimjim had

1533

01:02:53,030 --> 01:02:51,240

asked uh some people don't choose to

1534

01:02:55,069 --> 01:02:53,040

have this flip of the switch absolutely

1535

01:02:56,569 --> 01:02:55,079

I don't think it is a choice I

1536

01:02:58,910 --> 01:02:56,579

absolutely don't think it's a choice I

1537

01:03:01,789 --> 01:02:58,920

think it happens because of physical

1538

01:03:05,510 --> 01:03:01,799

trauma uh Environmental

1539

01:03:07,130 --> 01:03:05,520

uh emotional circumstances and we don't

1540

01:03:11,030 --> 01:03:07,140

I don't know I'm not claiming to know

1541

01:03:13,549 --> 01:03:11,040

why that Flint happens but it does well

1542

01:03:16,130 --> 01:03:13,559

she also says uh

1543

01:03:16,990 --> 01:03:16,140

let's see where'd it go uh it's like a

1544

01:03:20,690 --> 01:03:17,000

muscle

1545

01:03:21,950 --> 01:03:20,700

sorry sorry huh oh sorry did you might

1546

01:03:24,650 --> 01:03:21,960

ask that question

1547

01:03:27,289 --> 01:03:24,660

it says uh it's like a muscle the more

1548

01:03:30,230 --> 01:03:27,299

you use it the stronger it gets that's

1549

01:03:32,329 --> 01:03:30,240

pretty interesting yeah but then on this

1550

01:03:35,210 --> 01:03:32,339

other part she did say um

1551

01:03:37,970 --> 01:03:35,220

most that have the antenna know it they

1552

01:03:40,609 --> 01:03:37,980

know it down on their soul and I've also

1553

01:03:41,930 --> 01:03:40,619

heard that too right from people who are

1554

01:03:43,430 --> 01:03:41,940

experiencers who may have like

1555

01:03:45,710 --> 01:03:43,440

experienced them like later on in life

1556

01:03:47,270 --> 01:03:45,720

they're like dude

1557

01:03:49,370 --> 01:03:47,280

it's weird because like now that this

1558

01:03:52,670 --> 01:03:49,380

happened to me

1559

01:03:54,710 --> 01:03:52,680

as a kid I felt it all along and I just

1560

01:03:56,089 --> 01:03:54,720

didn't know but I knew something was

1561

01:03:58,250 --> 01:03:56,099

there so that kind of goes along with

1562

01:04:00,349 --> 01:03:58,260

that right you know

1563

01:04:02,809 --> 01:04:00,359

um from the time that you're born I

1564

01:04:08,230 --> 01:04:02,819

guess you know but maybe it takes people

1565

01:04:12,530 --> 01:04:10,789

or something we've talked to so many

1566

01:04:14,630 --> 01:04:12,540

experiences that like have that similar

1567

01:04:17,210 --> 01:04:14,640

story they're like I had this experience

1568

01:04:19,609 --> 01:04:17,220

when I was 25 but I knew when I was a

1569

01:04:21,230 --> 01:04:19,619

kid that I was see it's like when we dig

1570

01:04:23,569 --> 01:04:21,240

deeper they're like almost everybody

1571

01:04:25,789 --> 01:04:23,579

that we've talked to was like okay well

1572

01:04:27,230 --> 01:04:25,799

if I'm being honest yeah some weird [h__h]

1573

01:04:28,250 --> 01:04:27,240

happened when I was a kid I kind of

1574

01:04:30,349 --> 01:04:28,260

always knew something weird was

1575

01:04:32,809 --> 01:04:30,359

happening like that that's a fairy like

1576

01:04:34,670 --> 01:04:32,819

before yeah it's a common not a common

1577

01:04:37,010 --> 01:04:34,680

but like a uh

1578

01:04:40,390 --> 01:04:37,020

a repeatable thing that's been happening

1579

01:04:42,890 --> 01:04:40,400

for yeah for a lot of people dude

1580

01:04:45,170 --> 01:04:42,900

Arlen says people can express their

1581

01:04:46,970 --> 01:04:45,180

natural gifts to the point that they're

1582

01:04:48,890 --> 01:04:46,980

not recognizable right like when you're

1583

01:04:50,750 --> 01:04:48,900

a kid maybe we're really good at Art and

1584

01:04:52,069 --> 01:04:50,760

then you suppress it to go work on Wall

1585

01:04:54,109 --> 01:04:52,079

Street or whatever and then like you're

1586

01:04:57,650 --> 01:04:54,119

just like you never draw again you know

1587

01:04:59,569 --> 01:04:57,660

that stuff happens right yeah um

1588

01:05:03,410 --> 01:04:59,579

that could be something right or like

1589

01:05:05,270 --> 01:05:03,420

that that you never explore that side of

1590

01:05:07,789 --> 01:05:05,280

the antenna and you just suppress it and

1591

01:05:11,150 --> 01:05:07,799

most people do yeah so like like maybe

1592

01:05:13,130 --> 01:05:11,160

like maybe marrying that idea of of like

1593

01:05:16,370 --> 01:05:13,140

the muscle like maybe that muscle didn't

1594

01:05:19,430 --> 01:05:16,380

even exist in this epigenetic flip this

1595

01:05:20,750 --> 01:05:19,440

switch flipped on and you you start

1596

01:05:23,690 --> 01:05:20,760

seeing the world a little differently

1597

01:05:25,609 --> 01:05:23,700

and then your social contrast constructs

1598

01:05:28,130 --> 01:05:25,619

the people around you

1599

01:05:31,549 --> 01:05:28,140

bat it down they say hey you're thinking

1600

01:05:34,670 --> 01:05:31,559

crazy yeah and then you just you just

1601

01:05:36,890 --> 01:05:34,680

let that muscle atrophy go and then [h__h]

1602

01:05:38,690 --> 01:05:36,900

it's it's just gone and maybe it comes

1603

01:05:40,190 --> 01:05:38,700

back later in life and you're like oh

1604

01:05:41,930 --> 01:05:40,200

that muscle's still there it's just a

1605

01:05:43,849 --> 01:05:41,940

tendon now

1606

01:05:45,650 --> 01:05:43,859

but yeah you gotta work it out I don't

1607

01:05:46,970 --> 01:05:45,660

know now now we're getting into like

1608

01:05:48,650 --> 01:05:46,980

things of

1609

01:05:49,309 --> 01:05:48,660

I mean you could probably take that in a

1610

01:05:55,190 --> 01:05:49,319

couple

1611

01:05:57,109 --> 01:05:55,200

um yeah but uh

1612

01:05:59,210 --> 01:05:57,119

I just went down a pathway in my head

1613

01:06:02,809 --> 01:05:59,220

that I can't really I can't really

1614

01:06:06,109 --> 01:06:02,819

verbalize but uh yeah I love that idea

1615

01:06:09,470 --> 01:06:06,119

about the muzzle thing yeah uh

1616

01:06:11,150 --> 01:06:09,480

okay here we go belief is equal to if

1617

01:06:14,030 --> 01:06:11,160

not greater than fact

1618

01:06:16,490 --> 01:06:14,040

why because that's how the human brain

1619

01:06:19,370 --> 01:06:16,500

works the reality we would perceive is

1620

01:06:21,230 --> 01:06:19,380

filter whether we like it or not our

1621

01:06:23,870 --> 01:06:21,240

experience is an attempt to understand

1622

01:06:26,210 --> 01:06:23,880

it and the story We Tell ourselves and

1623

01:06:28,789 --> 01:06:26,220

the others is a reflection of how our

1624

01:06:30,770 --> 01:06:28,799

individual Consciousness is cope with

1625

01:06:33,650 --> 01:06:30,780

our individual experiences

1626

01:06:35,450 --> 01:06:33,660

fact is fiction any scientist or

1627

01:06:37,609 --> 01:06:35,460

mathematician will tell you that any

1628

01:06:40,309 --> 01:06:37,619

quantifiable certainty is a percentage

1629

01:06:41,710 --> 01:06:40,319

below a hundred percent the remaining

1630

01:06:46,069 --> 01:06:41,720

percentage between

1631

01:06:48,890 --> 01:06:46,079

9.99999999 is where the phenomena exists

1632

01:06:51,529 --> 01:06:48,900

our brains are far more powerful than we

1633

01:06:53,150 --> 01:06:51,539

imagined every one of us possesses the

1634

01:06:56,210 --> 01:06:53,160

power to communicate manifest the

1635

01:06:57,890 --> 01:06:56,220

phenomenon through Source consciousness

1636

01:06:59,450 --> 01:06:57,900

do you want me to hit the summarize the

1637

01:07:03,490 --> 01:06:59,460

summary real quick do that someone's

1638

01:07:07,309 --> 01:07:03,500

summarization dog the summer

1639

01:07:09,589 --> 01:07:07,319

the summarization of this is

1640

01:07:12,890 --> 01:07:09,599

the phenomena exists and it has always

1641

01:07:16,250 --> 01:07:12,900

existed humans possess varying degrees

1642

01:07:17,630 --> 01:07:16,260

of an epigenetically upgraded area of

1643

01:07:19,970 --> 01:07:17,640

the brain which allows them to

1644

01:07:22,670 --> 01:07:19,980

communicate with the phenomena and in

1645

01:07:24,289 --> 01:07:22,680

some cases manipulate physical reality

1646

01:07:26,210 --> 01:07:24,299

if you would like to share your thoughts

1647

01:07:30,289 --> 01:07:26,220

on this Theory feel free to reach out

1648

01:07:31,549 --> 01:07:30,299

via Twitter at UFO garage yeah

1649

01:07:33,289 --> 01:07:31,559

wonderful

1650

01:07:35,569 --> 01:07:33,299

did I do I love it dude we're like on

1651

01:07:38,589 --> 01:07:35,579

our own show reading our own article we

1652

01:07:41,329 --> 01:07:38,599

do yes

1653

01:07:44,270 --> 01:07:41,339

dude well I just want to say this man

1654

01:07:46,430 --> 01:07:44,280

like just I kind of I had this moment of

1655

01:07:49,730 --> 01:07:46,440

of like kind of freak outness a little

1656

01:07:52,549 --> 01:07:49,740

bit of like not not uh

1657

01:07:54,109 --> 01:07:52,559

not like oh my God the world's crumbling

1658

01:07:56,750 --> 01:07:54,119

it was like

1659

01:07:59,210 --> 01:07:56,760

I kind of felt like I figured something

1660

01:08:01,250 --> 01:07:59,220

out and that was due to to just talking

1661

01:08:04,309 --> 01:08:01,260

to you uh talk talking to Eric talking

1662

01:08:07,250 --> 01:08:04,319

to dude the the hundreds of people that

1663

01:08:10,730 --> 01:08:07,260

we've had on our show uh I feel like

1664

01:08:13,069 --> 01:08:10,740

we've both been through this this uh

1665

01:08:15,349 --> 01:08:13,079

this this change

1666

01:08:16,910 --> 01:08:15,359

this journey for for as long as we've

1667

01:08:19,309 --> 01:08:16,920

been doing the show and trying to figure

1668

01:08:21,410 --> 01:08:19,319

this freaking thing out and like these

1669

01:08:24,709 --> 01:08:21,420

ideas just are just kind of just

1670

01:08:26,630 --> 01:08:24,719

everywhere floating in the abyss yeah I

1671

01:08:30,169 --> 01:08:26,640

finally felt like last night I started

1672

01:08:32,990 --> 01:08:30,179

like grabbing some and entropy less

1673

01:08:35,209 --> 01:08:33,000

entropy started to happen and it felt

1674

01:08:37,550 --> 01:08:35,219

really good so I followed that and dude

1675

01:08:40,789 --> 01:08:37,560

I I mean I don't I don't I don't think

1676

01:08:43,849 --> 01:08:40,799

we want anything from this article other

1677

01:08:45,650 --> 01:08:43,859

than for people to share ideas and and

1678

01:08:48,229 --> 01:08:45,660

and build on it that's that's the hope

1679

01:08:49,849 --> 01:08:48,239

is that we build on this this idea as as

1680

01:08:52,070 --> 01:08:49,859

a community

1681

01:08:53,809 --> 01:08:52,080

um and and together like you know I hope

1682

01:08:54,950 --> 01:08:53,819

I think we can all figure this this [h__\h]

1683

01:08:57,169 --> 01:08:54,960

out dude I think we're good for sure

1684

01:08:59,749 --> 01:08:57,179

well dude it's a it's a great article

1685

01:09:01,910 --> 01:08:59,759

guys I mean if y'all like the article

1686

01:09:03,530 --> 01:09:01,920

um go to the website check it out share

1687

01:09:05,689 --> 01:09:03,540

it uh with your friends share it

1688

01:09:07,970 --> 01:09:05,699

everywhere uh what kind of want to you

1689

01:09:10,309 --> 01:09:07,980

know get the conversation ball rolling I

1690

01:09:12,530 --> 01:09:10,319

mean we're usually like pretty goofy and

1691

01:09:14,749 --> 01:09:12,540

like we ask you like you know who's the

1692

01:09:16,729 --> 01:09:14,759

top you followed just and then only give

1693

01:09:18,410 --> 01:09:16,739

you answers that are Giorgio soucalos

1694

01:09:20,870 --> 01:09:18,420

and things like that but like this is

1695

01:09:23,630 --> 01:09:20,880

kind of a cool one uh it's it's it's

1696

01:09:26,450 --> 01:09:23,640

gonna be pretty neat uh Benny did a

1697

01:09:29,269 --> 01:09:26,460

great job writing the article and uh

1698

01:09:31,729 --> 01:09:29,279

yeah yeah did you say I did a great job

1699

01:09:36,530 --> 01:09:31,739

yeah you did a great job dude I think

1700

01:09:39,349 --> 01:09:36,540

Bubba yeah thank you no worries

1701

01:09:42,700 --> 01:09:39,359

Hey Big Willy's in the house oh [h__h] big

1702

01:09:45,729 --> 01:09:42,710

Willy what's up dog what's up

1703

01:09:49,030 --> 01:09:45,739

[Music]

1704

01:09:52,970 --> 01:09:49,040

I meant to say what's up to him earlier

1705

01:09:56,390 --> 01:09:52,980

uh Tim McCart what's up dude hell yeah

1706

01:09:58,130 --> 01:09:56,400

uh yeah so man I want to go back and

1707

01:09:59,990 --> 01:09:58,140

read it's it's hard to

1708

01:10:01,669 --> 01:10:00,000

do the show and and read as many

1709

01:10:04,550 --> 01:10:01,679

comments because there's so many awesome

1710

01:10:07,270 --> 01:10:04,560

ideas happening and yeah I know in the

1711

01:10:09,590 --> 01:10:07,280

chat it's like [h__h] I I could just yeah

1712

01:10:11,270 --> 01:10:09,600

what is it what is the one thing that

1713

01:10:13,450 --> 01:10:11,280

like through writing this article that

1714

01:10:16,189 --> 01:10:13,460

like you really uh

1715

01:10:18,050 --> 01:10:16,199

uh you obviously feel strongly about the

1716

01:10:20,390 --> 01:10:18,060

whole thing but like what was like the

1717

01:10:22,970 --> 01:10:20,400

most important connection to you I feel

1718

01:10:25,070 --> 01:10:22,980

like we kind of have the same answer on

1719

01:10:26,810 --> 01:10:25,080

like what that kind of connection was

1720

01:10:29,689 --> 01:10:26,820

but like for you writing this article

1721

01:10:31,430 --> 01:10:29,699

like what was you know MJ Sedona says

1722

01:10:34,850 --> 01:10:31,440

that uh you're probably just sleep

1723

01:10:36,310 --> 01:10:34,860

deprived and going crazy LOL just K JK

1724

01:10:40,729 --> 01:10:36,320

uh maybe

1725

01:10:42,110 --> 01:10:40,739

it may be right uh but you know uh yeah

1726

01:10:44,630 --> 01:10:42,120

what was what was one of the biggest

1727

01:10:46,850 --> 01:10:44,640

like kind of like aha moments through

1728

01:10:49,189 --> 01:10:46,860

writing this and and just you know chat

1729

01:10:50,870 --> 01:10:49,199

with Eric and and everything did I I

1730

01:10:53,810 --> 01:10:50,880

think a lot of the

1731

01:10:56,149 --> 01:10:53,820

most of the ideas like I say in the

1732

01:10:59,750 --> 01:10:56,159

article are are highly influenced by The

1733

01:11:02,630 --> 01:10:59,760

Works of Jacques Valley Harold Hal put

1734

01:11:04,610 --> 01:11:02,640

off uh Eric Mitchell Gary Nolan I mean

1735

01:11:07,610 --> 01:11:04,620

did this stuff has been floating in our

1736

01:11:09,830 --> 01:11:07,620

ether for for a couple of years now some

1737

01:11:14,330 --> 01:11:09,840

of it more recent than others

1738

01:11:16,550 --> 01:11:14,340

but uh the the one big kind of flip that

1739

01:11:19,250 --> 01:11:16,560

just put the last piece to the puzzle

1740

01:11:21,470 --> 01:11:19,260

together for me was was last night when

1741

01:11:24,410 --> 01:11:21,480

you and I hopped on a quick call with

1742

01:11:27,229 --> 01:11:24,420

Eric and uh I mean the guy was just like

1743

01:11:30,350 --> 01:11:27,239

no no this is you know something that I

1744

01:11:32,110 --> 01:11:30,360

know about just it just will like very

1745

01:11:35,750 --> 01:11:32,120

nonchalantly said

1746

01:11:38,330 --> 01:11:35,760

the thing about the epigenetic thing and

1747

01:11:40,130 --> 01:11:38,340

it just clicked dude like everybody's

1748

01:11:41,990 --> 01:11:40,140

talking about the same thing in the

1749

01:11:44,530 --> 01:11:42,000

psych uh in the scientific Community

1750

01:11:48,169 --> 01:11:44,540

about the the antenna we're we're

1751

01:11:50,870 --> 01:11:48,179

noticing certain areas of the brain are

1752

01:11:54,649 --> 01:11:50,880

to be are being paid attention to ever

1753

01:11:58,490 --> 01:11:54,659

since the 60s uh that that are not only

1754

01:12:01,490 --> 01:11:58,500

in in line with experiencers but uh the

1755

01:12:03,950 --> 01:12:01,500

phenomenon UFOs aliens every Everything

1756

01:12:08,110 --> 01:12:03,960

uh that the government has looked into

1757

01:12:11,810 --> 01:12:08,120

and and uh uh

1758

01:12:14,330 --> 01:12:11,820

programs have looked into uh going back

1759

01:12:17,090 --> 01:12:14,340

to the area of the brain that people are

1760

01:12:20,090 --> 01:12:17,100

paying attention to is this basal

1761

01:12:23,149 --> 01:12:20,100

ganglia caliphatem and the thalamus

1762

01:12:25,370 --> 01:12:23,159

area there seems to be like this uh

1763

01:12:27,770 --> 01:12:25,380

party going on you know like yeah

1764

01:12:31,250 --> 01:12:27,780

there's something to it and and then you

1765

01:12:34,189 --> 01:12:31,260

have this this other aspect of of people

1766

01:12:38,030 --> 01:12:34,199

and experiencers that we've had numerous

1767

01:12:40,250 --> 01:12:38,040

on our shows talk about abductions you

1768

01:12:41,689 --> 01:12:40,260

know it was very very real it was I

1769

01:12:44,270 --> 01:12:41,699

could feel it I could feel that the skin

1770

01:12:45,410 --> 01:12:44,280

were being ripped off of my body like it

1771

01:12:47,390 --> 01:12:45,420

sounds

1772

01:12:49,070 --> 01:12:47,400

like out of this world and then they're

1773

01:12:50,810 --> 01:12:49,080

like yeah and then I wake up in my bed

1774

01:12:52,610 --> 01:12:50,820

the next morning and you know I'm fine

1775

01:12:55,189 --> 01:12:52,620

you know my Skin's on my body I'm great

1776

01:12:56,810 --> 01:12:55,199

and so that brings in to you know this

1777

01:12:58,910 --> 01:12:56,820

dream I got these three little holes

1778

01:13:01,669 --> 01:12:58,920

down by my hip in a triangle shape

1779

01:13:03,709 --> 01:13:01,679

that's [h__\h] weird but uh my Skin's

1780

01:13:06,530 --> 01:13:03,719

here yeah

1781

01:13:09,590 --> 01:13:06,540

so it's just a lot of pieces I think

1782

01:13:11,450 --> 01:13:09,600

have been just put together uh over I

1783

01:13:13,610 --> 01:13:11,460

mean I think it was just over the past

1784

01:13:17,390 --> 01:13:13,620

three years just both of us do it like

1785

01:13:19,030 --> 01:13:17,400

yeah putting stuff together and uh

1786

01:13:21,229 --> 01:13:19,040

yeah yeah

1787

01:13:24,110 --> 01:13:21,239

dude like one of the biggest things for

1788

01:13:27,050 --> 01:13:24,120

me was just the the epigenetics part

1789

01:13:29,510 --> 01:13:27,060

like I was already on board with the

1790

01:13:32,870 --> 01:13:29,520

idea of like this like conscious

1791

01:13:35,630 --> 01:13:32,880

communication somewhat being like a uh

1792

01:13:38,350 --> 01:13:35,640

uh you know like a like a Wi-Fi signal

1793

01:13:40,790 --> 01:13:38,360

of some sort you know yeah sure like

1794

01:13:42,890 --> 01:13:40,800

energies and waves and like the brain

1795

01:13:45,110 --> 01:13:42,900

could probably totally do that they can

1796

01:13:47,530 --> 01:13:45,120

introduce waves into your brain and like

1797

01:13:50,030 --> 01:13:47,540

make you think things why couldn't you

1798

01:13:52,550 --> 01:13:50,040

communicate you know but like this whole

1799

01:13:54,830 --> 01:13:52,560

idea of like the epigenetics and the

1800

01:13:59,209 --> 01:13:54,840

genes being passed down into certain

1801
01:14:02,149 --> 01:13:59,219
generations for uh survival of of the

1802
01:14:05,030 --> 01:14:02,159
the species in a way is very interesting

1803
01:14:07,330 --> 01:14:05,040
and the idea that

1804
01:14:10,669 --> 01:14:07,340
this Gene

1805
01:14:14,390 --> 01:14:10,679
can click on and allow these

1806
01:14:16,689 --> 01:14:14,400
microtubules to reach out to the

1807
01:14:19,729 --> 01:14:16,699
universe and ask it questions

1808
01:14:22,910 --> 01:14:19,739
is completely mind-blowing and receive

1809
01:14:24,950 --> 01:14:22,920
answers right and receive answers not

1810
01:14:27,290 --> 01:14:24,960
just ask questions not just sit there

1811
01:14:28,910 --> 01:14:27,300
and like you know like we think like

1812
01:14:32,149 --> 01:14:28,920
meditating you're like man I'm just

1813
01:14:34,430 --> 01:14:32,159

quiet you know like it's like there is

1814

01:14:37,130 --> 01:14:34,440

something to it like that's that whole

1815

01:14:40,310 --> 01:14:37,140

like piece that like I just wasn't good

1816

01:14:44,030 --> 01:14:40,320

at understanding that part really pulled

1817

01:14:46,070 --> 01:14:44,040

it together for me like oh

1818

01:14:48,770 --> 01:14:46,080

so some of these fools are already born

1819

01:14:51,410 --> 01:14:48,780

with that like these these like super

1820

01:14:53,330 --> 01:14:51,420

monks and [h__h] yeah right like they're

1821

01:14:55,550 --> 01:14:53,340

really good because they practice right

1822

01:14:57,950 --> 01:14:55,560

but it's like a different frame of mind

1823

01:15:00,350 --> 01:14:57,960

like and yeah we are and we're like oh

1824

01:15:03,169 --> 01:15:00,360

what's going on I even I even think that

1825

01:15:05,030 --> 01:15:03,179

that like what's going on they're

1826

01:15:07,970 --> 01:15:05,040

sitting there like oh

1827

01:15:10,070 --> 01:15:07,980

but I even think that that monks um you

1828

01:15:13,430 --> 01:15:10,080

know they're that are born maybe maybe

1829

01:15:15,530 --> 01:15:13,440

close to to the the monastery

1830

01:15:17,810 --> 01:15:15,540

um and and then grow up to to Aspire to

1831

01:15:20,330 --> 01:15:17,820

be a monk there's still that process

1832

01:15:23,689 --> 01:15:20,340

they're not born with that epigenetic

1833

01:15:26,810 --> 01:15:23,699

switch something has to happen so what I

1834

01:15:28,130 --> 01:15:26,820

propose is that either it's it's uh well

1835

01:15:31,510 --> 01:15:28,140

they had to climb that big ass mountain

1836

01:15:35,689 --> 01:15:31,520

in Tibet there's your uh environment

1837

01:15:37,189 --> 01:15:35,699

damn it is every day and every Sunday I

1838

01:15:39,110 --> 01:15:37,199

gotta walk down to the town and hope

1839

01:15:41,930 --> 01:15:39,120

they give me rice

1840

01:15:43,850 --> 01:15:41,940

[h__\h] it's not even that much rice after

1841

01:15:45,229 --> 01:15:43,860

I get a little bit of rice in a bag I

1842

01:15:46,910 --> 01:15:45,239

don't walk all the way back up this

1843

01:15:48,830 --> 01:15:46,920

[h__\h] Mountain for the next for the

1844

01:15:50,390 --> 01:15:48,840

rest of my life no one of that fool just

1845

01:15:52,630 --> 01:15:50,400

went meditated by a tree he was like yo

1846

01:15:54,770 --> 01:15:52,640

[h__\h] this people just bring me food

1847

01:15:56,689 --> 01:15:54,780

[h__\h] it I'm done walking up that

1848

01:15:58,669 --> 01:15:56,699

mountain

1849

01:16:01,370 --> 01:15:58,679

I'm starting robotism started everybody

1850

01:16:04,070 --> 01:16:01,380

knows that it's history look he was

1851

01:16:05,450 --> 01:16:04,080

hungry okay it doesn't mean I mean

1852

01:16:08,090 --> 01:16:05,460

everything he said was [h__h] awesome

1853

01:16:09,709 --> 01:16:08,100

he was hungry

1854

01:16:12,770 --> 01:16:09,719

foreign

1855

01:16:15,950 --> 01:16:12,780

yeah yeah

1856

01:16:18,470 --> 01:16:15,960

really put a lot together for me yeah so

1857

01:16:20,330 --> 01:16:18,480

thinking about like uh the last question

1858

01:16:21,229 --> 01:16:20,340

I'll ask you Joe I'll turn it back on

1859

01:16:24,830 --> 01:16:21,239

you

1860

01:16:27,290 --> 01:16:24,840

so can we control this

1861

01:16:29,030 --> 01:16:27,300

antenna I mean we know I think we were

1862

01:16:31,189 --> 01:16:29,040

kind of on the verge of realizing that

1863

01:16:33,070 --> 01:16:31,199

yes this is a real thing there's

1864

01:16:35,450 --> 01:16:33,080

starting to be science to back it up

1865

01:16:38,149 --> 01:16:35,460

experiences have been explaining this

1866

01:16:40,070 --> 01:16:38,159

for 70 years we just haven't had words

1867

01:16:42,290 --> 01:16:40,080

for it and we haven't had

1868

01:16:44,750 --> 01:16:42,300

Harvard and Stanford scientists looking

1869

01:16:46,310 --> 01:16:44,760

into the actual science and doing uh

1870

01:16:49,250 --> 01:16:46,320

well that we know of you know publicly

1871

01:16:52,490 --> 01:16:49,260

so so like uh what we don't know what I

1872

01:16:54,229 --> 01:16:52,500

don't know is is can we control it

1873

01:16:57,430 --> 01:16:54,239

you know

1874

01:16:59,750 --> 01:16:57,440

um

1875

01:17:01,790 --> 01:16:59,760

in Dragon Ball Z

1876
01:17:04,850 --> 01:17:01,800
whenever Dragon Ball Z figures out that

1877
01:17:07,370 --> 01:17:04,860
he can like do powers not his name no

1878
01:17:09,050 --> 01:17:07,380
well listen and then Dragon Ball Z is is

1879
01:17:11,750 --> 01:17:09,060
like he's practicing

1880
01:17:13,910 --> 01:17:11,760
and then and then fajita shows up and so

1881
01:17:15,830 --> 01:17:13,920
Dragon Ball Z or in fajita are fighting

1882
01:17:17,990 --> 01:17:15,840
each other and he's learning his powers

1883
01:17:20,570 --> 01:17:18,000
like I think it's kind of like that

1884
01:17:22,669 --> 01:17:20,580
where Dragon Ball Z and Fajita fight

1885
01:17:24,850 --> 01:17:22,679
it's a lot of screaming there's a lot of

1886
01:17:28,610 --> 01:17:24,860
moaning like

1887
01:17:31,010 --> 01:17:28,620
lots of like floating uh water droplets

1888
01:17:33,110 --> 01:17:31,020

coming off the side of your face yeah

1889

01:17:35,630 --> 01:17:33,120

like it's it's like ripping the

1890

01:17:37,790 --> 01:17:35,640

condensation out of your your skull dude

1891

01:17:40,790 --> 01:17:37,800

I think it's practice like that and and

1892

01:17:43,970 --> 01:17:40,800

if you and if you master it then you

1893

01:17:46,310 --> 01:17:43,980

become like Dragon Ball Z yeah that's

1894

01:17:48,590 --> 01:17:46,320

what I think it's like damn dog

1895

01:17:49,970 --> 01:17:48,600

I could be off yeah I mean what what's

1896

01:17:52,970 --> 01:17:49,980

the what's the

1897

01:17:54,649 --> 01:17:52,980

Goku yes boom boom thank you everything

1898

01:17:56,750 --> 01:17:54,659

you said in Dragon Ball Z does this

1899

01:18:01,790 --> 01:17:56,760

thing full

1900

01:18:08,149 --> 01:18:05,870

but no dude I ah you know okay so with

1901

01:18:10,130 --> 01:18:08,159

all of this being said here's where I'm

1902

01:18:11,209 --> 01:18:10,140

at right

1903

01:18:14,450 --> 01:18:11,219

um

1904

01:18:16,130 --> 01:18:14,460

I don't know if everybody has an antenna

1905

01:18:18,890 --> 01:18:16,140

I know everybody has that part of the

1906

01:18:24,050 --> 01:18:21,290

how do you exercise it

1907

01:18:25,850 --> 01:18:24,060

can you exercise it without trauma or

1908

01:18:28,610 --> 01:18:25,860

drugs

1909

01:18:31,189 --> 01:18:28,620

yeah if meditation is that way like we

1910

01:18:32,630 --> 01:18:31,199

were discussing then like it seems like

1911

01:18:34,550 --> 01:18:32,640

it's probably a little safer and like a

1912

01:18:36,110 --> 01:18:34,560

little cooler like you can ease your way

1913

01:18:38,810 --> 01:18:36,120

into it like it's like it's like the

1914

01:18:40,250 --> 01:18:38,820

hard way but it's like the best way yeah

1915

01:18:42,890 --> 01:18:40,260

yeah it's kind of like

1916

01:18:44,810 --> 01:18:42,900

you know how like like Batman saw his

1917

01:18:46,970 --> 01:18:44,820

parents get killed in that Alleyway and

1918

01:18:49,130 --> 01:18:46,980

then he like turns like fighting crime

1919

01:18:50,510 --> 01:18:49,140

and like turn into Batman

1920

01:18:52,070 --> 01:18:50,520

it's kind of like that I don't want to

1921

01:18:53,870 --> 01:18:52,080

experience that kind of trauma right

1922

01:18:55,910 --> 01:18:53,880

because now that fool's always getting

1923

01:18:58,370 --> 01:18:55,920

punched in the face and stuff like for a

1924

01:19:00,350 --> 01:18:58,380

living because he's Batman I'd rather do

1925

01:19:02,570 --> 01:19:00,360

it the Buddha way and just go sit by a

1926

01:19:04,310 --> 01:19:02,580

tree you know that's a great question I

1927

01:19:06,709 --> 01:19:04,320

don't know I think that's something we

1928

01:19:09,290 --> 01:19:06,719

have to build on this idea with is like

1929

01:19:15,290 --> 01:19:09,300

what what examples can we find where

1930

01:19:18,530 --> 01:19:15,300

where uh this attainment of uh of uh

1931

01:19:21,830 --> 01:19:18,540

of of the growth or epigenetic switch

1932

01:19:24,169 --> 01:19:21,840

has occurred and and monks like you're

1933

01:19:26,689 --> 01:19:24,179

saying that have have never even you

1934

01:19:29,030 --> 01:19:26,699

know seen a pair of boobies right or

1935

01:19:31,610 --> 01:19:29,040

smoked a cigarette

1936

01:19:33,110 --> 01:19:31,620

that's that's next is we this is that's

1937

01:19:34,910 --> 01:19:33,120

what's fun about this is we build on it

1938

01:19:36,890 --> 01:19:34,920

this is not this is a this is not a set

1939

01:19:39,169 --> 01:19:36,900

in stone thing I feel like if there was

1940

01:19:42,350 --> 01:19:39,179

like a dramatic moment in my life that

1941

01:19:44,149 --> 01:19:42,360

might have uh triggered uh a slight

1942

01:19:45,290 --> 01:19:44,159

activation of the antenna it was

1943

01:19:47,169 --> 01:19:45,300

definitely the first time I saw real

1944

01:19:49,790 --> 01:19:47,179

boobies dude

1945

01:19:51,350 --> 01:19:49,800

I think I got sick the next day I was so

1946

01:19:58,010 --> 01:19:51,360

like [h__h] excited about it I was like

1947

01:20:02,030 --> 01:20:00,050

oh dude look finally somebody in here

1948

01:20:10,669 --> 01:20:02,040

that's on our wavelength look at this my

1949

01:20:16,010 --> 01:20:13,070

okay hold on here's the here's the real

1950

01:20:19,610 --> 01:20:16,020

answer right under uh MJ Sedona says

1951

01:20:21,709 --> 01:20:19,620

this is how to exercise your antenna say

1952

01:20:24,470 --> 01:20:21,719

to yourself I'm going to find the best

1953

01:20:27,890 --> 01:20:24,480

parking spot and follow yourself to it

1954

01:20:31,910 --> 01:20:27,900

then say hey I manifested a great

1955

01:20:34,910 --> 01:20:31,920

parking spot stuff like that bro I mean

1956

01:20:38,930 --> 01:20:37,370

my so me and Jess often argue argue

1957

01:20:40,610 --> 01:20:38,940

about this she's the person that will

1958

01:20:42,410 --> 01:20:40,620

drive around the parking lot to find the

1959

01:20:45,169 --> 01:20:42,420

best parking spot for 20 minutes I'm I'm

1960

01:20:46,910 --> 01:20:45,179

the person that just parks in the back

1961

01:20:48,950 --> 01:20:46,920

you know as quick as possible hey we

1962

01:20:51,350 --> 01:20:48,960

need the exercise dude yeah but those

1963

01:20:53,570 --> 01:20:51,360

moments when we're like we we both don't

1964

01:20:54,649 --> 01:20:53,580

give a [h__h] who's right or wrong and

1965

01:20:56,810 --> 01:20:54,659

we're just like you know let's just

1966

01:20:58,610 --> 01:20:56,820

drive around see what we do we always

1967

01:21:00,530 --> 01:20:58,620

find a [h__h] parking space in the

1968

01:21:01,790 --> 01:21:00,540

front always open there's something to

1969

01:21:02,990 --> 01:21:01,800

it dude there's something where you just

1970

01:21:04,970 --> 01:21:03,000

don't give a [h__h] and you just let

1971

01:21:07,550 --> 01:21:04,980

things happen dude dude I think my

1972

01:21:09,830 --> 01:21:07,560

record is six in a row like where I've

1973

01:21:11,689 --> 01:21:09,840

drove into like the HEB parking lot and

1974

01:21:12,530 --> 01:21:11,699

I'm like you should be like where are

1975

01:21:14,149 --> 01:21:12,540

you gonna Park and I'll be like we're

1976

01:21:15,890 --> 01:21:14,159

gonna park right out front we're gonna

1977

01:21:18,350 --> 01:21:15,900

park right up front I think it's like

1978

01:21:21,290 --> 01:21:18,360

six times in a row yeah like I've got it

1979

01:21:23,810 --> 01:21:21,300

to like work and then like you know

1980

01:21:26,110 --> 01:21:23,820

around like time four I was like this is

1981

01:21:29,030 --> 01:21:26,120

[h__h] crazy and then five I was like

1982

01:21:30,350 --> 01:21:29,040

no way yeah and then six I was like are

1983

01:21:32,570 --> 01:21:30,360

you kidding me and then I think I got

1984

01:21:34,010 --> 01:21:32,580

way too excited so it like just didn't

1985

01:21:35,750 --> 01:21:34,020

happen again it would happen like

1986

01:21:38,209 --> 01:21:35,760

occasionally but I've got it to happen

1987

01:21:39,950 --> 01:21:38,219

like six times in a row it's crazy you

1988

01:21:42,890 --> 01:21:39,960

know why why that is such a great

1989

01:21:45,110 --> 01:21:42,900

example of it dude is is because if

1990

01:21:49,070 --> 01:21:45,120

we're going back to that that idea of of

1991

01:21:51,770 --> 01:21:49,080

uh the manifestation only works uh with

1992

01:21:53,750 --> 01:21:51,780

the communication of of uh Source

1993

01:21:56,750 --> 01:21:53,760

Consciousness Consciousness on a level

1994

01:22:01,970 --> 01:21:56,760

of survival if you ask the universe for

1995

01:22:03,290 --> 01:22:01,980

a a golden uh uh toilet like how does

1996

01:22:05,810 --> 01:22:03,300

that have anything to do with your

1997

01:22:08,450 --> 01:22:05,820

survival bro like you can't just ask for

1998

01:22:11,570 --> 01:22:08,460

a golden toilet you can ask for things

1999

01:22:13,850 --> 01:22:11,580

that might make your survival or your

2000

01:22:16,010 --> 01:22:13,860

experience a little easier

2001

01:22:17,810 --> 01:22:16,020

you know you can't ask for a billion

2002

01:22:19,850 --> 01:22:17,820

dollars like that just does that's all

2003

01:22:22,790 --> 01:22:19,860

right some people might get lucky right

2004

01:22:24,649 --> 01:22:22,800

but yeah you Gotta Be You Gotta put that

2005

01:22:26,450 --> 01:22:24,659

on I mean I'm not saying don't try to

2006

01:22:28,550 --> 01:22:26,460

get a golden toilet like yeah sure if

2007

01:22:29,689 --> 01:22:28,560

that's what you want yeah but there's

2008

01:22:32,330 --> 01:22:29,699

something to do with that relationship

2009

01:22:36,490 --> 01:22:32,340

between survival and and like the

2010

01:22:40,850 --> 01:22:36,500

optimal uh uh path of of of your future

2011

01:22:43,910 --> 01:22:40,860

and how yeah I could I feel like I'm

2012

01:22:45,590 --> 01:22:43,920

just mushing words together now

2013

01:22:47,570 --> 01:22:45,600

I love this

2014

01:22:49,790 --> 01:22:47,580

I'm just trolling waiting for for my

2015

01:22:51,649 --> 01:22:49,800

food to cook

2016

01:22:53,330 --> 01:22:51,659

you're the best troll ever I actually

2017

01:22:54,890 --> 01:22:53,340

kind of like you thank you yeah me too I

2018

01:22:57,110 --> 01:22:54,900

actually love that showing up

2019

01:22:58,729 --> 01:22:57,120

I love cooking with my pants off too it

2020

01:23:00,950 --> 01:22:58,739

you know if I ever you know if I'm

2021

01:23:02,450 --> 01:23:00,960

cooking like stir fry I can get a little

2022

01:23:04,189 --> 01:23:02,460

bit you know a little bit of fried egg

2023

01:23:05,689 --> 01:23:04,199

on my my tip you know I just flick it

2024

01:23:07,729 --> 01:23:05,699

back up and it falls right back into the

2025

01:23:10,010 --> 01:23:07,739

wok man it's pretty pretty dope dude

2026

01:23:11,810 --> 01:23:10,020

here's an interesting thought Eric says

2027

01:23:13,910 --> 01:23:11,820

uh

2028

01:23:17,149 --> 01:23:13,920

damn thing chose you like maybe the

2029

01:23:19,970 --> 01:23:17,159

parking spot chose you like oh yeah you

2030

01:23:24,169 --> 01:23:19,980

know like that's funny I like that

2031

01:23:29,270 --> 01:23:27,709

Carly says live in the moment yep

2032

01:23:36,770 --> 01:23:29,280

uh

2033

01:23:41,169 --> 01:23:36,780

limits in the universe talking about

2034

01:23:48,649 --> 01:23:46,010

no limits in the universe I love it

2035

01:23:51,950 --> 01:23:48,659

um yeah man yeah because we're I mean

2036

01:23:53,330 --> 01:23:51,960

the limit thing uh like like we were

2037

01:23:55,070 --> 01:23:53,340

talking about like there is no limits in

2038

01:23:56,870 --> 01:23:55,080

the universe

2039

01:23:58,610 --> 01:23:56,880

I mean but then we obviously went down

2040

01:24:00,169 --> 01:23:58,620

that whole rabbit hole and like well

2041

01:24:03,350 --> 01:24:00,179

it's Infinity

2042

01:24:06,950 --> 01:24:03,360

but it was Infinity exist inside of

2043

01:24:11,570 --> 01:24:09,950

I don't know I was listening to a thing

2044

01:24:13,010 --> 01:24:11,580

and it it kind of had something to do

2045

01:24:14,689 --> 01:24:13,020

with that it was basically talking about

2046

01:24:17,870 --> 01:24:14,699

how like we're always told like you know

2047

01:24:19,669 --> 01:24:17,880

uh like light is the fastest thing

2048

01:24:21,590 --> 01:24:19,679

like in the universe right that's just

2049

01:24:25,130 --> 01:24:21,600

like what we're told for like the basics

2050

01:24:30,470 --> 01:24:27,169

but space does whatever the [h__\h] it

2051

01:24:33,229 --> 01:24:30,480

wants spots it's way faster than light

2052

01:24:36,590 --> 01:24:33,239

could ever be it's space does whatever

2053

01:24:40,310 --> 01:24:36,600

it wants to it's everywhere and anywhere

2054

01:24:43,490 --> 01:24:40,320

all at once it's in fact so fast that

2055

01:24:45,709 --> 01:24:43,500

you know light never reaches the end and

2056

01:24:47,510 --> 01:24:45,719

like you'll never be able to see the end

2057

01:24:49,970 --> 01:24:47,520

of the universe because it's constantly

2058

01:24:51,830 --> 01:24:49,980

faster than the light that's trying to

2059

01:24:55,250 --> 01:24:51,840

catch it and it's called The Horizon

2060

01:24:57,410 --> 01:24:55,260

space does whatever it wants to light

2061

01:24:59,689 --> 01:24:57,420

isn't the fastest thing in the universe

2062

01:25:01,729 --> 01:24:59,699

[h__\h] spaces now we just gotta figure

2063

01:25:03,130 --> 01:25:01,739

out what spice is made out of dude maybe

2064

01:25:06,770 --> 01:25:03,140

that's the secret

2065

01:25:11,090 --> 01:25:06,780

oh my God maybe like bubbles of infinity

2066

01:25:14,630 --> 01:25:11,100

exist right and it's just called space

2067

01:25:19,550 --> 01:25:17,510

I don't know dude

2068

01:25:23,510 --> 01:25:19,560

I gotta think about that for that's

2069

01:25:25,550 --> 01:25:23,520

amazing you know I [h__\h] love like I I

2070

01:25:27,709 --> 01:25:25,560

always knew like yeah people talk about

2071

01:25:29,390 --> 01:25:27,719

space expanding you won't be able to see

2072

01:25:31,130 --> 01:25:29,400

the light you'll never see the end of

2073

01:25:33,229 --> 01:25:31,140

the universe because yeah

2074

01:25:35,270 --> 01:25:33,239

because it's too I always just thought

2075

01:25:37,310 --> 01:25:35,280

maybe it was too far

2076

01:25:40,550 --> 01:25:37,320

never thought about the fact that like

2077

01:25:42,410 --> 01:25:40,560

no space does whatever it wants to like

2078

01:25:45,229 --> 01:25:42,420

it's space

2079

01:25:47,270 --> 01:25:45,239

it contains things inside of it and

2080

01:25:50,770 --> 01:25:47,280

light just so happens to be the fastest

2081

01:25:53,270 --> 01:25:50,780

thing that space contains right

2082

01:25:55,250 --> 01:25:53,280

okay I've got to counter to that because

2083

01:25:57,830 --> 01:25:55,260

I believe I well I'm starting to believe

2084

01:25:59,510 --> 01:25:57,840

that there's there's an equal like uh

2085

01:26:03,290 --> 01:25:59,520

the ying and yang right like the equal

2086

01:26:05,510 --> 01:26:03,300

and opposite forces of of our of our uh

2087

01:26:08,149 --> 01:26:05,520

reality there's the light in the dark

2088

01:26:10,250 --> 01:26:08,159

but for some reason I'm like equating

2089

01:26:14,270 --> 01:26:10,260

space to dark and I don't think that's

2090

01:26:17,990 --> 01:26:14,280

true I don't I don't think that's true

2091

01:26:19,430 --> 01:26:18,000

it's space is like dark but it's not

2092

01:26:20,930 --> 01:26:19,440

like

2093

01:26:23,750 --> 01:26:20,940

the dark I think that we're talking

2094

01:26:26,810 --> 01:26:23,760

about the opposite of of light is it

2095

01:26:29,689 --> 01:26:26,820

positive it's like it's just like the

2096

01:26:31,669 --> 01:26:29,699

absence of light

2097

01:26:33,169 --> 01:26:31,679

because because right like because it's

2098

01:26:36,169 --> 01:26:33,179

the same thing as like cold right cold

2099

01:26:39,110 --> 01:26:36,179

doesn't exist it's the absence of heat

2100

01:26:41,510 --> 01:26:39,120

because heat is the energy with that

2101

01:26:43,310 --> 01:26:41,520

lack of energy there is no heat so it's

2102

01:26:46,490 --> 01:26:43,320

not technically cold it's just the

2103

01:26:48,649 --> 01:26:46,500

absence of heat so space is like dark

2104

01:26:50,750 --> 01:26:48,659

but it's not really dark it's just the

2105

01:26:53,629 --> 01:26:50,760

absence of light

2106

01:26:55,490 --> 01:26:53,639

use a particular point

2107

01:26:58,010 --> 01:26:55,500

that was really [h__h] smart but I

2108

01:26:59,330 --> 01:26:58,020

cannot I was very uh distracted by the

2109

01:27:01,910 --> 01:26:59,340

fact that you sounded exactly like

2110

01:27:04,310 --> 01:27:01,920

Nicholas Cage's dad in the movie uh

2111

01:27:05,330 --> 01:27:04,320

American treasure where he says I had

2112

01:27:13,729 --> 01:27:05,340

heat

2113

01:27:20,570 --> 01:27:15,890

yeah I don't know

2114

01:27:20,580 --> 01:27:23,870

let's see

2115

01:27:23,880 --> 01:27:28,990

so space space Did you

2116

01:27:35,450 --> 01:27:32,209

uh let's see uh those that believe in

2117

01:27:37,610 --> 01:27:35,460

fate get to the movie theater early for

2118

01:27:42,649 --> 01:27:37,620

that great seat those that believe in

2119

01:27:42,659 --> 01:27:48,350

that's pretty interesting

2120

01:27:48,360 --> 01:27:53,330

I found it what

2121

01:28:00,050 --> 01:27:56,510

dude champ yeah he said what contains

2122

01:28:04,550 --> 01:28:00,060

space like that's what I was wondering

2123

01:28:10,010 --> 01:28:08,450

oh it's an ad hold on right oh what what

2124

01:28:11,990 --> 01:28:10,020

does contain space because I'm thinking

2125

01:28:13,610 --> 01:28:12,000

now like wait a second I know we both

2126

01:28:15,470 --> 01:28:13,620

pay for YouTube

2127

01:28:18,669 --> 01:28:15,480

why do you have an ad I don't know

2128

01:28:23,090 --> 01:28:18,679

honestly I do oh because I'm an incog

2129

01:28:25,850 --> 01:28:23,100

incognitor oh I'm on the porn tab dude

2130

01:28:31,250 --> 01:28:25,860

skip ads oh my gosh skip trial skip

2131

01:28:31,260 --> 01:28:36,350

can you hear it yeah I can hear it

2132

01:28:36,360 --> 01:28:40,390

three minutes of 49's Jesus

2133

01:28:46,250 --> 01:28:43,129

that's a long-assy and all we wanted to

2134

01:28:47,360 --> 01:28:46,260

do was hear him say hate yeah oh here we

2135

01:28:59,410 --> 01:28:47,370

go here we go here we go

2136

01:28:59,420 --> 01:29:05,090

Superior piece of documentation

2137

01:29:05,100 --> 01:29:09,350

matters and words on it

2138

01:29:09,360 --> 01:29:13,330

until it falls apart

2139

01:29:18,890 --> 01:29:15,229

I told you

2140

01:29:23,090 --> 01:29:20,810

[h__\h] guy

2141

01:29:27,350 --> 01:29:23,100

he says it like 15 more times though

2142

01:29:32,990 --> 01:29:27,360

dude you need heat

2143

01:29:34,209 --> 01:29:33,000

Let It Go dude let it go dude oh God it

2144

01:29:36,350 --> 01:29:34,219

needs heat

2145

01:29:38,450 --> 01:29:36,360

you would think that like a professional

2146

01:29:39,649 --> 01:29:38,460

treasure hunter that like just broke in

2147

01:29:42,110 --> 01:29:39,659

and stole the Declaration of

2148

01:29:44,870 --> 01:29:42,120

Independence would know that little

2149

01:29:47,090 --> 01:29:44,880

trick to the to the puzzle he's like I

2150

01:29:50,110 --> 01:29:47,100

know you have to add lemon juice yes

2151

01:29:52,729 --> 01:29:50,120

right I forgot the rest of the recipes

2152

01:29:56,229 --> 01:29:52,739

and then the dad walks in as a savior

2153

01:29:59,270 --> 01:29:56,239

eat you gotta head heat

2154

01:30:01,970 --> 01:29:59,280

okay I wish Nicholas Cage's dad in that

2155

01:30:03,530 --> 01:30:01,980

movie was that full was uh uh from

2156

01:30:06,410 --> 01:30:03,540

Independence Day was the dad

2157

01:30:10,629 --> 01:30:06,420

Independence Day what do you think I'm a

2158

01:30:15,410 --> 01:30:13,790

how many times have I told you how many

2159

01:30:18,169 --> 01:30:15,420

times have I me and your mother told you

2160

01:30:19,910 --> 01:30:18,179

hey look where's your mother how many

2161

01:30:22,010 --> 01:30:19,920

times have you told this boy to add the

2162

01:30:24,410 --> 01:30:22,020

heat to the paper after he has the lemon

2163

01:30:27,590 --> 01:30:24,420

juice over and over is he wasting my

2164

01:30:29,149 --> 01:30:27,600

lemon juice again yeah hey come over

2165

01:30:30,410 --> 01:30:29,159

here and we're not talking about the

2166

01:30:32,870 --> 01:30:30,420

lemon juice we're talking about the heat

2167

01:30:34,669 --> 01:30:32,880

you told him to have the heat you know

2168

01:30:39,970 --> 01:30:34,679

it's not like a typical Jewish Family

2169

01:30:39,980 --> 01:30:45,229

yelling for [h__h] up yeah

2170

01:30:49,550 --> 01:30:47,450

I said yours are my my lemons again

2171

01:30:53,209 --> 01:30:49,560

we're not talking about the lemons we're

2172

01:30:57,290 --> 01:30:54,770

I'm waiting for those lemons to stuff

2173

01:31:00,850 --> 01:30:57,300

and I dare you you really listen to me

2174

01:31:05,810 --> 01:31:03,350

what do you really think of a salami

2175

01:31:11,090 --> 01:31:08,629

also just wearing this half for no

2176

01:31:13,250 --> 01:31:11,100

reason like I'm not smart Also let's do

2177

01:31:15,649 --> 01:31:13,260

it I feel like citrus is the the key to

2178

01:31:18,169 --> 01:31:15,659

a lot of our problems thank you

2179

01:31:20,689 --> 01:31:18,179

yeah you know vitamin C

2180

01:31:21,950 --> 01:31:20,699

don't get sick dude I love that I love

2181

01:31:23,830 --> 01:31:21,960

that band

2182

01:31:26,450 --> 01:31:23,840

oh my god dude

2183

01:31:29,930 --> 01:31:26,460

she's the voice she's the voice of a lot

2184

01:31:31,850 --> 01:31:29,940

of uh graduates yeah

2185

01:31:36,890 --> 01:31:31,860

dude yeah

2186

01:31:40,490 --> 01:31:36,900

like 2 000 to 2005 was like Peak vitamin

2187

01:31:44,330 --> 01:31:42,590

how'd the song go [h__\h] I don't even

2188

01:31:46,550 --> 01:31:44,340

remember dude I just remembered the name

2189

01:31:49,689 --> 01:31:46,560

that she like had hair that was the same

2190

01:31:55,250 --> 01:31:53,810

a singer lyrics

2191

01:31:58,189 --> 01:31:55,260

um

2192

01:32:02,209 --> 01:31:58,199

and she let me see

2193

01:32:04,370 --> 01:32:02,219

graduation uh friends forever well dude

2194

01:32:09,189 --> 01:32:04,380

last like four [h__\h] videos we've

2195

01:32:16,550 --> 01:32:13,310

we did not create this song

2196

01:32:23,410 --> 01:32:16,560

oh as we go

2197

01:32:23,420 --> 01:32:28,390

oh my God

2198

01:32:37,209 --> 01:32:33,830

that's great man uh this is a great

2199

01:32:40,010 --> 01:32:37,219

night yeah great night I loved it

2200

01:32:42,530 --> 01:32:40,020

conversation was there the article was

2201

01:32:45,590 --> 01:32:42,540

great uh I can't wait to hear some of

2202

01:32:48,770 --> 01:32:45,600

the responses that we get and to kind of

2203

01:32:52,970 --> 01:32:48,780

keep this ball moving like

2204

01:32:55,790 --> 01:32:52,980

I I feel like this this this uh kind of

2205

01:32:58,729 --> 01:32:55,800

like we've never really really had a

2206

01:33:01,430 --> 01:32:58,739

path right you know this is kind of like

2207

01:33:03,890 --> 01:33:01,440

a the first path we've seen in the woods

2208

01:33:05,870 --> 01:33:03,900

so we're like yeah walk down this path a

2209

01:33:06,649 --> 01:33:05,880

little bit up until now we've just been

2210

01:33:09,110 --> 01:33:06,659

like

2211

01:33:11,390 --> 01:33:09,120

hey you want to [h__h] go on the

2212

01:33:13,490 --> 01:33:11,400

internet on Thursday yeah like that's

2213

01:33:16,390 --> 01:33:13,500

all this whole show has been dude like

2214

01:33:19,010 --> 01:33:16,400

there's been no direction

2215

01:33:23,149 --> 01:33:19,020

it's like we finally found like a l

2216

01:33:26,229 --> 01:33:23,159

don't know like a yeah like a path or

2217

01:33:28,610 --> 01:33:26,239

uh a meaning other than

2218

01:33:29,930 --> 01:33:28,620

it's like talking about farts and [h__h]

2219

01:33:31,729 --> 01:33:29,940

like

2220

01:33:33,410 --> 01:33:31,739

I don't know man it's I still want to

2221

01:33:37,390 --> 01:33:33,420

keep those are the only ones that don't

2222

01:33:40,729 --> 01:33:37,400

get taken off of YouTube yeah

2223

01:33:42,290 --> 01:33:40,739

uh yeah I feel like in this day and age

2224

01:33:44,810 --> 01:33:42,300

you just can't say anything that's not

2225

01:33:46,729 --> 01:33:44,820

offensive or like a controversial and

2226

01:33:48,709 --> 01:33:46,739

that's just not I don't want that energy

2227

01:33:51,350 --> 01:33:48,719

I don't have time to deal with that

2228

01:33:53,030 --> 01:33:51,360

stress so like that's why it's been fun

2229

01:33:56,270 --> 01:33:53,040

doing this show is because we could just

2230

01:33:58,850 --> 01:33:56,280

talk about whatever the [h__\h] we want to

2231

01:34:00,649 --> 01:33:58,860

but now I feel like man we could still

2232

01:34:03,350 --> 01:34:00,659

do that with this topic as long as we

2233

01:34:04,790 --> 01:34:03,360

keep it open and people feel like look

2234

01:34:05,629 --> 01:34:04,800

we're not just telling you what things

2235

01:34:07,250 --> 01:34:05,639

are

2236

01:34:09,050 --> 01:34:07,260

we're just throwing ideas out there and

2237

01:34:10,370 --> 01:34:09,060

if and if you guys want to build on it

2238

01:34:14,570 --> 01:34:10,380

like that's where the conversation

2239

01:34:16,490 --> 01:34:14,580

starts I feel like I want to build on it

2240

01:34:18,709 --> 01:34:16,500

as much as possible and that's that's

2241

01:34:21,530 --> 01:34:18,719

the idea

2242

01:34:23,510 --> 01:34:21,540

oh yeah and together we will build a

2243

01:34:27,310 --> 01:34:23,520

baseball team

2244

01:34:31,250 --> 01:34:27,320

and we will not

2245

01:34:34,870 --> 01:34:33,410

he's cooking bacon with no pants on

2246

01:34:37,910 --> 01:34:34,880

right now dude

2247

01:34:40,669 --> 01:34:37,920

at 10 p.m actually that's exactly what

2248

01:34:42,649 --> 01:34:40,679

I'm about to do so okay oh my gosh yeah

2249

01:34:44,510 --> 01:34:42,659

me too it's almost time to go meet me

2250

01:34:46,010 --> 01:34:44,520

bro it's uh I mean it's almost time hey

2251

01:34:48,410 --> 01:34:46,020

we got two minutes left hey the queen

2252

01:34:51,110 --> 01:34:48,420

died right yeah whoa what the hell yeah

2253

01:34:53,570 --> 01:34:51,120

that happened today what your Facebook

2254

01:34:55,129 --> 01:34:53,580

comment was hilarious you were like I

2255

01:34:58,010 --> 01:34:55,139

thought lizards live a lot longer than

2256

01:35:00,610 --> 01:34:58,020

90. yeah reptiles live longer than 96

2257

01:35:05,450 --> 01:35:00,620

years don't they

2258

01:35:08,030 --> 01:35:05,460

damn oh dude yeah yeah well man uh she

2259

01:35:09,169 --> 01:35:08,040

had a good run I mean 96 [h__h] dude

2260

01:35:11,450 --> 01:35:09,179

you've switched those numbers around

2261

01:35:15,310 --> 01:35:11,460

then it gets sexy

2262

01:35:18,770 --> 01:35:15,320

yeah no in all seriousness

2263

01:35:20,270 --> 01:35:18,780

there's a a great video I'm not sure if

2264

01:35:22,250 --> 01:35:20,280

I posted it or not it's called from the

2265

01:35:24,169 --> 01:35:22,260

tour bus and it's like Johnny Paycheck

2266

01:35:26,930 --> 01:35:24,179

stories and there's this story where

2267

01:35:30,290 --> 01:35:26,940

he's like in Canada and he's like he's

2268

01:35:32,390 --> 01:35:30,300

like partying way too hard in a bar and

2269

01:35:34,070 --> 01:35:32,400

like he ends up getting arrested like he

2270

01:35:35,570 --> 01:35:34,080

doesn't even have a shirt on like the

2271

01:35:37,189 --> 01:35:35,580

next morning he has to go like see the

2272

01:35:38,930 --> 01:35:37,199

judge in the morning he doesn't even

2273

01:35:40,910 --> 01:35:38,940

have a shirt on so he's like just

2274

01:35:42,770 --> 01:35:40,920

sitting there and he's all hung over and

2275

01:35:44,990 --> 01:35:42,780

[h__\h] up still and like they start

2276

01:35:46,510 --> 01:35:45,000

playing that you know the song like the

2277

01:35:49,850 --> 01:35:46,520

Canada song and it talks about the queen

2278

01:35:51,830 --> 01:35:49,860

Johnny Paycheck is like [h__h] the queen

2279

01:35:54,110 --> 01:35:51,840

like it's like in the middle of Court

2280

01:35:56,450 --> 01:35:54,120

why are they seeing the that song in

2281

01:35:58,070 --> 01:35:56,460

Canada though like I don't know this is

2282

01:36:00,229 --> 01:35:58,080

like a weird thing that like the queen

2283

01:36:01,370 --> 01:36:00,239

is like so popular in Canada but I

2284

01:36:03,770 --> 01:36:01,380

always thought like Canada was like

2285

01:36:05,930 --> 01:36:03,780

French people like me too like why are

2286

01:36:08,510 --> 01:36:05,940

they so like you know I don't know like

2287

01:36:10,310 --> 01:36:08,520

I I don't know I don't know the song

2288

01:36:12,470 --> 01:36:10,320

talks about the queen I don't know like

2289

01:36:15,050 --> 01:36:12,480

what what the look you know I don't know

2290

01:36:16,970 --> 01:36:15,060

either I don't know I'm I'm an American

2291

01:36:20,629 --> 01:36:16,980

I don't like kings and queens anyways

2292

01:36:24,649 --> 01:36:22,310

like we should end every sentence with

2293

01:36:25,610 --> 01:36:24,659

epigenous except genetic smart I'm not

2294

01:36:28,590 --> 01:36:25,620

supposed to like people that tell me

2295

01:36:32,350 --> 01:36:28,600

what to do okay epigenetics

2296

01:36:38,689 --> 01:36:35,870

an argument with that with that ending

2297

01:36:41,270 --> 01:36:38,699

you can't you can't do it it's not my

2298

01:36:42,830 --> 01:36:41,280

fault it's not myself

2299

01:36:45,770 --> 01:36:42,840

because you're such a misogynist

2300

01:36:48,430 --> 01:36:45,780

epigenetics epigenetics look dude not my

2301

01:36:50,830 --> 01:36:48,440

fault now go make me a sandwich please

2302

01:36:54,250 --> 01:36:50,840

oh

2303

01:37:03,310 --> 01:36:54,260

epigenetics dude and you don't get mad

2304

01:37:09,229 --> 01:37:06,530

oh dude that comment was because of your

2305

01:37:12,110 --> 01:37:09,239

epigenetics I already know

2306

01:37:15,229 --> 01:37:12,120

are you talking to me yeah

2307

01:37:16,790 --> 01:37:15,239

I don't honestly almost as you said like

2308

01:37:19,250 --> 01:37:16,800

you mean you said my sandwich-making

2309

01:37:21,050 --> 01:37:19,260

comment was funny it is funny and that's

2310

01:37:22,490 --> 01:37:21,060

offensive and it's okay because it's

2311

01:37:24,050 --> 01:37:22,500

epigenetics it's I think it's funny

2312

01:37:26,750 --> 01:37:24,060

because it's epigenetics that's why it's

2313

01:37:28,790 --> 01:37:26,760

funny dude I'm not being I I'm not being

2314

01:37:31,550 --> 01:37:28,800

confrontational or offended I'm just

2315

01:37:34,370 --> 01:37:31,560

it's epigenetics I think it's funny

2316

01:37:37,850 --> 01:37:34,380

hey babe will you make me samples

2317

01:37:39,709 --> 01:37:37,860

she's literally like in the kitchen now

2318

01:37:41,270 --> 01:37:39,719

I won't say anything louder if I see it

2319

01:37:44,510 --> 01:37:41,280

if she brings it if she brings you one

2320

01:37:48,729 --> 01:37:44,520

dude I mean dude epigenetics right

2321

01:37:51,229 --> 01:37:48,739

a hurry up at genetics is

2322

01:37:53,290 --> 01:37:51,239

supposed to flip the switch dude you're

2323

01:37:56,570 --> 01:37:53,300

supposed to bring sandwiches all right

2324

01:37:58,550 --> 01:37:56,580

it'll be such a hilarious uh fight like

2325

01:38:00,110 --> 01:37:58,560

argument to have with your wife it was

2326

01:38:01,370 --> 01:38:00,120

like she's like I'm not gonna make you a

2327

01:38:03,590 --> 01:38:01,380

[h__\h] sandwich you're like babe did

2328

01:38:05,090 --> 01:38:03,600

you like have some trauma earlier in

2329

01:38:07,129 --> 01:38:05,100

your life it's epigenetics you're

2330

01:38:09,410 --> 01:38:07,139

supposed to bring me a sandwich like I

2331

01:38:12,830 --> 01:38:09,420

don't know what is happening to a basal

2332

01:38:15,110 --> 01:38:12,840

ganglia right now but I need a sandwich

2333

01:38:17,930 --> 01:38:15,120

like like the microtubules are expanding

2334

01:38:19,790 --> 01:38:17,940

at a rapid rate and you're not bringing

2335

01:38:22,010 --> 01:38:19,800

me as many sandwiches as usually what's

2336

01:38:24,050 --> 01:38:22,020

happening and usually microtubule

2337

01:38:27,050 --> 01:38:24,060

communication is a lot more quiet so I'm

2338

01:38:33,490 --> 01:38:27,060

gonna need you to do that too

2339

01:38:37,430 --> 01:38:35,689

I'm going to just stop yelling while

2340

01:38:39,290 --> 01:38:37,440

you're making a sandwich and

2341

01:38:41,450 --> 01:38:39,300

I'm so glad Jess can't hear this

2342

01:38:46,510 --> 01:38:41,460

conversation

2343

01:38:46,520 --> 01:38:50,810

oh dude that was fun

2344

01:38:56,390 --> 01:38:53,390

I loved it great episode yeah that was

2345

01:38:59,330 --> 01:38:56,400

fun great episode dude all right uh well

2346

01:39:01,850 --> 01:38:59,340

we have a couple guests uh lined up for

2347

01:39:08,030 --> 01:39:01,860

uh next week well the next three weeks

2348

01:39:09,970 --> 01:39:08,040

dude uh the first guest is uh

2349

01:39:14,330 --> 01:39:09,980

Christopher uh

2350

01:39:16,189 --> 01:39:14,340

garitano uh he did he's a documentarian

2351

01:39:18,950 --> 01:39:16,199

if you want to check out some of his

2352

01:39:20,930 --> 01:39:18,960

work we we posted some links on the

2353

01:39:23,930 --> 01:39:20,940

description of our upcoming live streams

2354

01:39:25,790 --> 01:39:23,940

on our YouTube channel uh specifically I

2355

01:39:29,149 --> 01:39:25,800

would love to hear about his experience

2356

01:39:31,669 --> 01:39:29,159

with Montauk the Montauk project uh the

2357

01:39:34,310 --> 01:39:31,679

name of the document documentary is

2358

01:39:38,750 --> 01:39:34,320

called the Montauk Chronicles I'm gonna

2359

01:39:42,470 --> 01:39:41,689

yeah a little hard so that I thought you

2360

01:39:44,090 --> 01:39:42,480

were talking about the guy that

2361

01:39:46,270 --> 01:39:44,100

documents stamps

2362

01:39:50,870 --> 01:39:46,280

oh no that guy he's different

2363

01:39:53,570 --> 01:39:50,880

documentarian yeah his name is Terry

2364

01:39:55,850 --> 01:39:53,580

he's a documentary

2365

01:39:57,189 --> 01:39:55,860

that's where the the miscommunication

2366

01:40:00,530 --> 01:39:57,199

he's a document

2367

01:40:04,490 --> 01:40:00,540

accenting Terry that makes sense and

2368

01:40:06,229 --> 01:40:04,500

then uh uh on the 29th uh September 29th

2369

01:40:09,050 --> 01:40:06,239

dude at the end of the month we got our

2370

01:40:12,290 --> 01:40:09,060

board our boy mark from my family thinks

2371

01:40:15,229 --> 01:40:12,300

I'm crazy podcast we went on his podcast

2372

01:40:17,390 --> 01:40:15,239

on the Illuminati confirmed yeah that

2373

01:40:20,209 --> 01:40:17,400

was a lot of fun like a month ago dude

2374

01:40:22,850 --> 01:40:20,219

that was so much fun oh my God his crew

2375

01:40:25,070 --> 01:40:22,860

is hilarious so I can't wait to have him

2376

01:40:27,709 --> 01:40:25,080

on and uh uh dude it's gonna be a good

2377

01:40:30,110 --> 01:40:27,719

time dude so any uh anything in between

2378

01:40:33,070 --> 01:40:30,120

that uh anybody listen to the show or if

2379

01:40:35,209 --> 01:40:33,080

you guys want to uh give us uh

2380

01:40:36,590 --> 01:40:35,219

recommendations for guests or if you

2381

01:40:38,990 --> 01:40:36,600

want to come on the show or call into

2382

01:40:40,669 --> 01:40:39,000

the show we're thinking about uh start

2383

01:40:42,410 --> 01:40:40,679

doing some calls like Zoom calls you

2384

01:40:44,450 --> 01:40:42,420

calling your phone like old old school

2385

01:40:47,570 --> 01:40:44,460

arbell style

2386

01:40:50,649 --> 01:40:47,580

um in between the 15th and the 29th so I

2387

01:40:53,149 --> 01:40:50,659

think that's what like 47 days

2388

01:40:55,250 --> 01:40:53,159

something like that something like that

2389

01:40:56,930 --> 01:40:55,260

but yeah yeah like uh if if you guys

2390

01:40:59,870 --> 01:40:56,940

want to come on the show just shoot us

2391

01:41:03,110 --> 01:40:59,880

an email uh it's on our UFO our website

2392

01:41:05,629 --> 01:41:03,120

ufog garagepodcast.com hit us up

2393

01:41:08,629 --> 01:41:05,639

um yeah so we're gonna be out at Mystic

2394

01:41:11,689 --> 01:41:08,639

quarries November 4th through the 6th

2395

01:41:14,149 --> 01:41:11,699

6th Friday night Sunday afternoon it's

2396

01:41:16,729 --> 01:41:14,159

gonna be pretty dope it's right here in

2397

01:41:19,129 --> 01:41:16,739

Texas uh Mystic quarries check it out

2398

01:41:22,550 --> 01:41:19,139

we're gonna be you know it's tiny houses

2399

01:41:25,010 --> 01:41:22,560

dog friendly camping lodges RVs and

2400

01:41:27,110 --> 01:41:25,020

Tents so yeah if you got your own rig

2401

01:41:29,209 --> 01:41:27,120

bring it out if you if you want to just

2402

01:41:30,290 --> 01:41:29,219

rent a little house or bring a tent I

2403

01:41:31,550 --> 01:41:30,300

mean you can do anything we're going to

2404

01:41:33,110 --> 01:41:31,560

be hanging out we're going to be doing a

2405

01:41:37,430 --> 01:41:33,120

bonfire we're gonna do a little hiking

2406

01:41:39,470 --> 01:41:37,440

some star gazing uh UFO searching

2407

01:41:41,570 --> 01:41:39,480

um uh you know a barbecue movie

2408

01:41:43,370 --> 01:41:41,580

screening spooky ghosts and abduction

2409

01:41:45,890 --> 01:41:43,380

stories we're gonna play with some video

2410

01:41:48,169 --> 01:41:45,900

with some dogs and uh UFO history

2411

01:41:51,590 --> 01:41:48,179

scavenger hunt so it should be a good

2412

01:41:53,090 --> 01:41:51,600

time I think uh me you and Tony mcculski

2413

01:41:56,470 --> 01:41:53,100

are gonna [h__h] have a great time

2414

01:42:00,950 --> 01:41:58,850

gonna be able to make it I don't know I

2415

01:42:03,770 --> 01:42:00,960

have to call him and yeah it's been a

2416

01:42:05,450 --> 01:42:03,780

while but Phil Phil from uh uh what if

2417

01:42:07,729 --> 01:42:05,460

tomorrow podcast I talked to him two

2418

01:42:10,250 --> 01:42:07,739

nights ago yeah he and his wife and fam

2419

01:42:13,370 --> 01:42:10,260

are coming and he's gonna he's gonna

2420

01:42:16,010 --> 01:42:13,380

bring firewood for us to do the uh uh do

2421

01:42:17,629 --> 01:42:16,020

the fire uh pit with not not the smoke

2422

01:42:19,669 --> 01:42:17,639

the briskets because I'm bringing the

2423

01:42:22,129 --> 01:42:19,679

Traeger but like yeah you have to bring

2424

01:42:24,530 --> 01:42:22,139

your own wood uh which I didn't know so

2425

01:42:26,450 --> 01:42:24,540

he was like dude it's like a seven hour

2426

01:42:28,970 --> 01:42:26,460

drive from Oklahoma but he's gonna come

2427

01:42:30,530 --> 01:42:28,980

to to hang out with us so we've got

2428

01:42:31,729 --> 01:42:30,540

we've got that's gonna be dope well as

2429

01:42:33,050 --> 01:42:31,739

long as he doesn't bring the joints

2430

01:42:35,450 --> 01:42:33,060

because we all know them boys from

2431

01:42:37,189 --> 01:42:35,460

Oklahoma oh roller no it's all wrong

2432

01:42:40,669 --> 01:42:37,199

I'll tell you what they're much too

2433

01:42:42,890 --> 01:42:40,679

skinny and way too long yeah and Eric uh

2434

01:42:44,870 --> 01:42:42,900

May or not be going may or may not be

2435

01:42:46,490 --> 01:42:44,880

going it may have been a surprise at one

2436

01:42:49,790 --> 01:42:46,500

point where Eric was going to hide in

2437

01:42:53,209 --> 01:42:51,350

honestly it

2438

01:42:54,950 --> 01:42:53,219

scared the [h__h] out of you if we would

2439

01:42:57,229 --> 01:42:54,960

have fallen through but yeah Eric is

2440

01:43:00,410 --> 01:42:57,239

actually coming so that'll be cool

2441

01:43:03,109 --> 01:43:00,420

uh and Chad Smith is is uh pending so

2442

01:43:06,470 --> 01:43:03,119

we'll see him say NJ Sedona is pending

2443

01:43:08,090 --> 01:43:06,480

uh Arlene I know is pending a couple

2444

01:43:10,550 --> 01:43:08,100

other people are pending Arden

2445

01:43:12,470 --> 01:43:10,560

paranormals pending I'm just I'm just

2446

01:43:13,910 --> 01:43:12,480

putting this on you guys yeah that

2447

01:43:15,709 --> 01:43:13,920

they're coming at all you know it would

2448

01:43:18,050 --> 01:43:15,719

be dope dude is like around the bonfire

2449

01:43:19,070 --> 01:43:18,060

if we got some plastic tables and we

2450

01:43:20,810 --> 01:43:19,080

made like these little wooden

2451

01:43:24,350 --> 01:43:20,820

microphones and we just sat around the

2452

01:43:27,770 --> 01:43:24,360

table like yeah we had like like we got

2453

01:43:30,970 --> 01:43:27,780

a styrofoam uh take-home boxes and use

2454

01:43:36,770 --> 01:43:34,970

like like fishing string or like

2455

01:43:39,410 --> 01:43:36,780

and then just have somebody with a phone

2456

01:43:41,810 --> 01:43:39,420

stream us live yes and we're like we're

2457

01:43:43,370 --> 01:43:41,820

not tonight I mean

2458

01:43:45,229 --> 01:43:43,380

okay that's fine that's [h__h] funny

2459

01:43:47,689 --> 01:43:45,239

but you also made me think of this like

2460

01:43:50,810 --> 01:43:47,699

the point of the of the the kind of get

2461

01:43:53,570 --> 01:43:50,820

together is is not to be posting [h__h]

2462

01:43:56,330 --> 01:43:53,580

all over the the internet I want it to

2463

01:43:59,330 --> 01:43:56,340

be [h__h] like just us like you can by

2464

01:44:00,890 --> 01:43:59,340

the way you can but you can what

2465

01:44:03,350 --> 01:44:00,900

I mean you can post whatever you want to

2466

01:44:05,090 --> 01:44:03,360

oh oh I mean like when we're there like

2467

01:44:07,390 --> 01:44:05,100

we're not we're not going there to like

2468

01:44:10,850 --> 01:44:07,400

live stream [h__h] or like right right

2469

01:44:12,109 --> 01:44:10,860

here and all that stuff no now we're not

2470

01:44:14,930 --> 01:44:12,119

bringing microphones we're not doing

2471

01:44:16,129 --> 01:44:14,940

like a live [h__h] broadcast setup like

2472

01:44:17,270 --> 01:44:16,139

it's just the cool thing about talking

2473

01:44:18,290 --> 01:44:17,280

to people when they're sitting in front

2474

01:44:20,270 --> 01:44:18,300

of you is you don't need the Internet

2475

01:44:23,090 --> 01:44:20,280

you know that's tight exactly that's

2476

01:44:25,070 --> 01:44:23,100

what it's about yeah so it's it's just

2477

01:44:28,189 --> 01:44:25,080

about just hanging out and and getting

2478

01:44:31,790 --> 01:44:28,199

to know you know the how weird we all

2479

01:44:34,729 --> 01:44:31,800

are that's what's fun right yeah yeah so

2480

01:44:36,649 --> 01:44:34,739

uh and Gizmo will be there and uh

2481

01:44:38,570 --> 01:44:36,659

birdie will be there

2482

01:44:40,609 --> 01:44:38,580

yeah dude it's gonna be a good time man

2483

01:44:44,090 --> 01:44:40,619

Nibbler will be there in spirit

2484

01:44:47,570 --> 01:44:44,100

yeah absolutely we should get like a

2485

01:44:49,490 --> 01:44:47,580

little gold frame and put her face in it

2486

01:44:52,250 --> 01:44:49,500

oh my God we should

2487

01:44:54,709 --> 01:44:52,260

it's gonna be like a real gaudy tacky

2488

01:44:57,109 --> 01:44:54,719

elaborate giant gold frame though yes

2489

01:45:00,709 --> 01:44:57,119

yeah

2490

01:45:02,390 --> 01:45:00,719

it's a huge like it's ginormous you're

2491

01:45:04,430 --> 01:45:02,400

like it's like okay there's like not

2492

01:45:06,830 --> 01:45:04,440

enough seats yeah but

2493

01:45:08,450 --> 01:45:06,840

Nibbler is obviously taking up that

2494

01:45:09,890 --> 01:45:08,460

space so you can like you know that you

2495

01:45:12,530 --> 01:45:09,900

know that big ass painting of like

2496

01:45:14,090 --> 01:45:12,540

Kramer anything like that big ass frame

2497

01:45:16,370 --> 01:45:14,100

and [h__h] like something like that like

2498

01:45:18,109 --> 01:45:16,380

she's big and obnoxious oh my God and

2499

01:45:20,149 --> 01:45:18,119

take it with you everywhere like be more

2500

01:45:21,709 --> 01:45:20,159

hiking you're carrying this big ass

2501
