

1  
00:00:04,309 --> 00:00:02,210  
today those fools over there at the

2  
00:00:06,410 --> 00:00:04,319  
office of the directors Nationals

3  
00:00:08,150 --> 00:00:06,420  
intelligences schools just came out with

4  
00:00:09,650 --> 00:00:08,160  
a patch today look what are you laughing

5  
00:00:12,049 --> 00:00:09,660  
it's a little ridiculous it's a little

6  
00:00:13,549 --> 00:00:12,059  
goofy UFO on the side personally it's my

7  
00:00:15,410 --> 00:00:13,559  
favorite part looks like a little sleepy

8  
00:00:17,090 --> 00:00:15,420  
Stingray with little teeth oh he's super

9  
00:00:18,470 --> 00:00:17,100  
Sleepy's I wonder if you can get that

10  
00:00:20,510 --> 00:00:18,480  
embroidered

11  
00:00:22,609 --> 00:00:20,520  
no there's just way too much detail

12  
00:00:24,529 --> 00:00:22,619  
whoever designed this they spent enough

13  
00:00:27,050 --> 00:00:24,539

time on it and then at the very end

14

00:00:29,150 --> 00:00:27,060

their boss said Addie put a UFO on there

15

00:00:31,790 --> 00:00:29,160

it doesn't belong it's like totally not

16

00:00:32,930 --> 00:00:31,800

of this Dimension it has compared to

17

00:00:35,090 --> 00:00:32,940

everything else it was just like one

18

00:00:37,069 --> 00:00:35,100

dimension one color it it has like

19

00:00:39,970 --> 00:00:37,079

shadows and is that just is this just

20

00:00:43,190 --> 00:00:39,980

bad design maybe maybe that that uh

21

00:00:44,810 --> 00:00:43,200

sr-72 thing maybe his little turn is to

22

00:00:47,510 --> 00:00:44,820

symbolize that he's going to chase the

23

00:00:49,970 --> 00:00:47,520

UFO uh yeah but he's going in the wrong

24

00:00:51,410 --> 00:00:49,980

direction though but no no Focus what

25

00:00:53,569 --> 00:00:51,420

he's trying to do for us he's going to

26

00:00:56,090 --> 00:00:53,579

go around the earth and surprise the UFO

27

00:00:58,660 --> 00:00:56,100

from the other side because he's so fast

28

00:01:00,800 --> 00:00:58,670

he's so fast he can do it
