

UFO GARAGE
UFOS ALIENS & ALL THINGS WEIRD

MARK
STEEVES

1
00:00:07,370 --> 00:00:05,470
[Music]

2
00:00:32,709 --> 00:00:07,380
thank you

3
00:00:35,870 --> 00:00:32,719
[Music]

4
00:00:38,750 --> 00:00:35,880
hey this is another episode of UFO

5
00:00:42,590 --> 00:00:38,760
garage I'm Ben and I'm Joe and this is

6
00:00:44,470 --> 00:00:42,600
where we talk about UFOs aliens and all

7
00:00:47,750 --> 00:00:44,480
things weird

8
00:00:49,310 --> 00:00:47,760
like is that birdie uh in the intro as

9
00:00:50,810 --> 00:00:49,320
well does she have a little with that

10
00:00:52,549 --> 00:00:50,820
little whistle little she's like she's

11
00:00:53,750 --> 00:00:52,559
gonna fit the action she's got

12
00:00:55,970 --> 00:00:53,760
she's got her whistles

13
00:00:59,090 --> 00:00:55,980

she's bringing me her duck oh how nice

14

00:01:01,010 --> 00:00:59,100

are her yeah geez man look at that duck

15

00:01:03,229 --> 00:01:01,020

thanks Mama

16

00:01:06,170 --> 00:01:03,239

she's like okay you're live let's play

17

00:01:09,230 --> 00:01:06,180

yeah now let's go yeah I forgot that

18

00:01:11,630 --> 00:01:09,240

thing has a squeaker in it good job yeah

19

00:01:13,429 --> 00:01:11,640

well she found it

20

00:01:15,410 --> 00:01:13,439

okay I'm gonna probably I might have to

21

00:01:18,770 --> 00:01:15,420

go get that in a second what's up dude

22

00:01:22,789 --> 00:01:18,780

what have you been up to uh nothing uh

23

00:01:24,950 --> 00:01:22,799

working and working and reading dude

24

00:01:26,630 --> 00:01:24,960

just you know reading stuff you know

25

00:01:29,149 --> 00:01:26,640

nothing nothing

26

00:01:31,670 --> 00:01:29,159

too exciting honestly nothing to start a

27

00:01:34,249 --> 00:01:31,680

show with that's for sure you know don't

28

00:01:36,170 --> 00:01:34,259

don't don't don't lie dude don't do that

29

00:01:38,510 --> 00:01:36,180

you know just just tell everybody what

30

00:01:41,390 --> 00:01:38,520

you you've been reading the encyclopedia

31

00:01:43,069 --> 00:01:41,400

from a to I from no a to H dude we

32

00:01:45,609 --> 00:01:43,079

didn't even get that far oh that's right

33

00:01:47,929 --> 00:01:45,619

just the H

34

00:01:49,789 --> 00:01:47,939

you know honestly this like most of the

35

00:01:52,429 --> 00:01:49,799

words are from a to H you know all the

36

00:01:54,649 --> 00:01:52,439

important scientific is from a to H what

37

00:01:57,469 --> 00:01:54,659

do you need to know past age what's

38

00:01:59,410 --> 00:01:57,479

what's the most important h word hoagie

39

00:02:01,910 --> 00:01:59,420

hello Gears

40

00:02:04,010 --> 00:02:01,920

of course

41

00:02:05,929 --> 00:02:04,020

oh God

42

00:02:09,650 --> 00:02:05,939

so what's up dude what's going on today

43

00:02:11,630 --> 00:02:09,660

uh dude we have an awesome guest uh his

44

00:02:13,790 --> 00:02:11,640

name is Mark he is the host

45

00:02:15,530 --> 00:02:13,800

of the my family thinks I'm crazy

46

00:02:18,770 --> 00:02:15,540

podcast if you guys haven't checked out

47

00:02:22,670 --> 00:02:18,780

this podcast it is fantastic I mean he

48

00:02:25,010 --> 00:02:22,680

talks about uh secret societies uh uh

49

00:02:28,130 --> 00:02:25,020

conspiracies he goes into esoteric stuff

50

00:02:31,850 --> 00:02:28,140

sometimes he's gone into like a magic

51
00:02:34,610 --> 00:02:31,860
stuff with a K like the magic stuff such

52
00:02:36,050 --> 00:02:34,620
an awesome podcast great guest I'm so so

53
00:02:38,030 --> 00:02:36,060
stoked to have him on the show everybody

54
00:02:40,150 --> 00:02:38,040
Welcome mark

55
00:02:43,190 --> 00:02:40,160
what's up dude

56
00:02:46,550 --> 00:02:43,200
oh I'm here you guys just jumped me

57
00:02:48,410 --> 00:02:46,560
right in I'm in yeah dude now I got my

58
00:02:50,990 --> 00:02:48,420
monkey wrench I'm ready to freaking work

59
00:02:53,030 --> 00:02:51,000
on some thrusters or something no I'm

60
00:02:55,369 --> 00:02:53,040
serious dude it's a pleasure being here

61
00:02:58,490 --> 00:02:55,379
Joe Ben thanks for having me

62
00:03:00,589 --> 00:02:58,500
no problem man no problem we were uh we

63
00:03:03,050 --> 00:03:00,599

were hanging out over on your side a

64
00:03:05,270 --> 00:03:03,060
couple months ago Dude and we had such a

65
00:03:07,130 --> 00:03:05,280
good time a bit and I had such a good

66
00:03:09,530 --> 00:03:07,140
time it was so much fun I loved it dude

67
00:03:11,750 --> 00:03:09,540
you know uh yeah your crew is freaking

68
00:03:14,630 --> 00:03:11,760
hilarious I I I haven't laughed that

69
00:03:16,550 --> 00:03:14,640
hard in a long time man like thank you I

70
00:03:18,649 --> 00:03:16,560
was I wasn't sure what to expect because

71
00:03:21,050 --> 00:03:18,659
we had only communicated over Instagram

72
00:03:23,809 --> 00:03:21,060
and I love that we surprised you like

73
00:03:26,149 --> 00:03:23,819
that and it was a blast my buddy Juan

74
00:03:28,009 --> 00:03:26,159
I'm actually wearing his T-shirt but

75
00:03:30,530 --> 00:03:28,019
yeah that was Illuminati confirmed

76

00:03:32,449 --> 00:03:30,540

basically like a little uh subdivision

77

00:03:36,229 --> 00:03:32,459

of the my family thinks I'm crazy

78

00:03:38,869 --> 00:03:36,239

podcast like yeah a monthly swap cast I

79

00:03:41,330 --> 00:03:38,879

do with my friends so and you you have a

80

00:03:43,610 --> 00:03:41,340

you have a network too tell me a little

81

00:03:45,830 --> 00:03:43,620

bit about the network because uh it

82

00:03:47,869 --> 00:03:45,840

sounds it sounds awesome thank you yeah

83

00:03:51,949 --> 00:03:47,879

all media United is our podcast

84

00:03:53,869 --> 00:03:51,959

cooperative and it's uh it's it's not a

85

00:03:56,690 --> 00:03:53,879

network you're not wrong but you're

86

00:03:58,250 --> 00:03:56,700

you're not right either so I'll just

87

00:04:01,369 --> 00:03:58,260

correct you it's not a network it's

88

00:04:04,670 --> 00:04:01,379

Cooperative because uh we don't you know

89

00:04:06,229 --> 00:04:04,680

require people to do anything to be a

90

00:04:08,809 --> 00:04:06,239

part of it other than have a podcast

91

00:04:11,449 --> 00:04:08,819

right so a network would be like hey we

92

00:04:13,250 --> 00:04:11,459

want you to you know put these ads on

93

00:04:15,350 --> 00:04:13,260

your show and you know we'll give you

94

00:04:19,129 --> 00:04:15,360

ideas and none of that happens it's

95

00:04:22,009 --> 00:04:19,139

simply uh you know for the podcasters

96

00:04:24,110 --> 00:04:22,019

buy podcasters because what I've found

97

00:04:26,629 --> 00:04:24,120

is shows like my family thinks I'm crazy

98

00:04:28,790 --> 00:04:26,639

or shows like UFO garage or whatever

99

00:04:31,010 --> 00:04:28,800

sometimes they don't fit into the

100

00:04:33,409 --> 00:04:31,020

general categories that iTunes or

101
00:04:36,710 --> 00:04:33,419
whatever gives us right that society and

102
00:04:38,810 --> 00:04:36,720
culture comedy history like none of the

103
00:04:41,090 --> 00:04:38,820
categories make sense for for what we're

104
00:04:43,249 --> 00:04:41,100
talking about so I thought it'd be

105
00:04:46,010 --> 00:04:43,259
really cool if we can find all of these

106
00:04:47,810 --> 00:04:46,020
alternative podcasts in one place for

107
00:04:50,870 --> 00:04:47,820
people who don't want to have to sift

108
00:04:53,810 --> 00:04:50,880
through you know iTunes Spotify to find

109
00:04:56,150 --> 00:04:53,820
some really cool stuff and so far we've

110
00:04:57,770 --> 00:04:56,160
got almost 100 podcasts about part of it

111
00:04:59,990 --> 00:04:57,780
and it's just you know little by little

112
00:05:01,670 --> 00:05:00,000
growing each time you know with a

113
00:05:03,770 --> 00:05:01,680

conversation like this I'll meet a new

114

00:05:05,930 --> 00:05:03,780

podcaster and and they'll have their own

115

00:05:08,510 --> 00:05:05,940

page on the site and it's been growing

116

00:05:11,749 --> 00:05:08,520

from there it's it's a lot of fun um

117

00:05:15,050 --> 00:05:11,759

that's really awesome dude awesome thank

118

00:05:16,430 --> 00:05:15,060

you I love that you dude we should we

119

00:05:20,749 --> 00:05:16,440

should collectively try and take over

120

00:05:24,110 --> 00:05:20,759

the adult Rock genre and just fill it

121

00:05:28,310 --> 00:05:24,120

full of adult Rock and our podcasts

122

00:05:30,350 --> 00:05:28,320

adult rock on Spotify is adult Rock like

123

00:05:32,210 --> 00:05:30,360

is this like a sexual thing or no no no

124

00:05:34,870 --> 00:05:32,220

no I always thought that too but it's

125

00:05:37,610 --> 00:05:34,880

not it's like Bruce Springsteen and [h__h]

126
00:05:39,650 --> 00:05:37,620
we should take over the adult Rock genre

127
00:05:41,450 --> 00:05:39,660
so yeah it's like the music you'll

128
00:05:43,310 --> 00:05:41,460
understand when you're older yeah they

129
00:05:45,830 --> 00:05:43,320
don't even classify as classic dude it's

130
00:05:48,290 --> 00:05:45,840
not classic dude it's adult Rock You

131
00:05:50,930 --> 00:05:48,300
Know big difference big huge difference

132
00:05:52,850 --> 00:05:50,940
the Google dolls adult rock you know all

133
00:05:56,090 --> 00:05:52,860
right all right my family thinks I'm

134
00:05:57,490 --> 00:05:56,100
crazy that's an adult podcast adult Rock

135
00:05:59,570 --> 00:05:57,500
podcast

136
00:06:01,490 --> 00:05:59,580
that's it that's an interesting point

137
00:06:03,230 --> 00:06:01,500
though like when they when you when you

138
00:06:06,409 --> 00:06:03,240

set up an account with whatever podcast

139

00:06:09,409 --> 00:06:06,419

uh platform where you host your podcast

140

00:06:13,850 --> 00:06:09,419

I use a speaker you do have to like

141

00:06:16,850 --> 00:06:13,860

select your category and none of them it

142

00:06:19,909 --> 00:06:16,860

infuriates me like there's entertainment

143

00:06:21,230 --> 00:06:19,919

which I think I think that was yeah I

144

00:06:23,390 --> 00:06:21,240

don't think we do anything like we

145

00:06:25,129 --> 00:06:23,400

inform sometimes but we're wrong about a

146

00:06:26,689 --> 00:06:25,139

lot of stuff and then there's like

147

00:06:29,210 --> 00:06:26,699

spirituality yeah we talk about that too

148

00:06:32,270 --> 00:06:29,220

but then there's no like alien specific

149

00:06:33,890 --> 00:06:32,280

or UFOs philosophy because I figured

150

00:06:36,770 --> 00:06:33,900

like to your point like I don't want to

151

00:06:39,110 --> 00:06:36,780

be culpable for people it's uh like

152

00:06:40,790 --> 00:06:39,120

learning so if I was in education or

153

00:06:43,129 --> 00:06:40,800

history then I had a bunch of people

154

00:06:45,230 --> 00:06:43,139

like dude you're wrong with philosophy

155

00:06:47,450 --> 00:06:45,240

it's like well I choose to believe this

156

00:06:50,629 --> 00:06:47,460

way you know it's just my philosophy you

157

00:06:53,090 --> 00:06:50,639

know it's a lot easier and safer

158

00:06:55,670 --> 00:06:53,100

see that makes a lot of sense I might we

159

00:06:57,830 --> 00:06:55,680

might change that our thing because it's

160

00:07:00,050 --> 00:06:57,840

instead of well it's entertainment but

161

00:07:01,610 --> 00:07:00,060

like philosophy yeah you're right it's

162

00:07:02,809 --> 00:07:01,620

like you're not committing to well I'm

163

00:07:04,969 --> 00:07:02,819

right about this thing we're just

164

00:07:06,590 --> 00:07:04,979

exploring ideas right like I don't know

165

00:07:08,749 --> 00:07:06,600

when I when I hear the word philosophy I

166

00:07:11,529 --> 00:07:08,759

think of a dude and and like like a

167

00:07:16,129 --> 00:07:11,539

smoking jacket like a very soft wool

168

00:07:18,290 --> 00:07:16,139

knitted uh uh the jacket with a uh a

169

00:07:20,930 --> 00:07:18,300

pipe and he has rollerblades on in a

170

00:07:23,089 --> 00:07:20,940

chair I picture a guy who looks like Joe

171

00:07:25,930 --> 00:07:23,099

but wearing a toga when I think of

172

00:07:29,790 --> 00:07:28,550

one like a nerd person

173

00:07:32,210 --> 00:07:29,800

guy likes to party

174

00:07:33,950 --> 00:07:32,220

[Laughter]

175

00:07:36,950 --> 00:07:33,960

do you you've been to a couple of toga

176

00:07:38,589 --> 00:07:36,960

parties in in your time Joe yeah yeah

177

00:07:40,790 --> 00:07:38,599

totally

178

00:07:43,969 --> 00:07:40,800

I don't think he had the beard at the

179

00:07:46,249 --> 00:07:43,979

time but uh no I definitely had

180

00:07:49,010 --> 00:07:46,259

sideburns though I had big cyber I

181

00:07:51,469 --> 00:07:49,020

remember I fell into a bush

182

00:07:55,010 --> 00:07:51,479

sucked

183

00:07:55,020 --> 00:07:57,969

you know it wasn't cool

184

00:08:02,990 --> 00:08:00,529

I was in a few toga parties when I was

185

00:08:05,930 --> 00:08:03,000

in a fraternity it's funny you know the

186

00:08:09,409 --> 00:08:05,940

fraternity concept we're already there

187

00:08:12,469 --> 00:08:09,419

but when I first learned about Skull and

188

00:08:16,129 --> 00:08:12,479

Bones I was in this fraternity that

189

00:08:18,469 --> 00:08:16,139

apparently stole a flag from the Skull

190

00:08:20,270 --> 00:08:18,479

and Bones fraternity and we had it on

191

00:08:24,469 --> 00:08:20,280

our front porch it was like our our

192

00:08:27,170 --> 00:08:24,479

token of of being a badass Rogue frat uh

193

00:08:30,230 --> 00:08:27,180

we we robbed the bigger more Infamous

194

00:08:34,909 --> 00:08:30,240

frat in the town of their Jolly Roger

195

00:08:37,850 --> 00:08:34,919

flag so what Off to the Races already I

196

00:08:40,070 --> 00:08:37,860

love that so oh is is this like a

197

00:08:42,469 --> 00:08:40,080

capture the flag kind of like kahoots uh

198

00:08:45,769 --> 00:08:42,479

skylarking that happens on on campus but

199

00:08:48,530 --> 00:08:45,779

like uh uh but this had already happened

200

00:08:50,930 --> 00:08:48,540

before you were like were you a part of

201
00:08:53,449 --> 00:08:50,940
of that that side yeah I'm glad you

202
00:08:55,910 --> 00:08:53,459
asked so uh we were in a different

203
00:08:58,970 --> 00:08:55,920
School than than Skull and Bones I was

204
00:09:03,350 --> 00:08:58,980
unfortunately not at Yale but I went to

205
00:09:05,210 --> 00:09:03,360
a school next to Yale so the fraternity

206
00:09:08,210 --> 00:09:05,220
that I was a part of was for a school

207
00:09:11,090 --> 00:09:08,220
that I didn't go to again not Yale for

208
00:09:13,070 --> 00:09:11,100
the the State University and yeah way

209
00:09:15,170 --> 00:09:13,080
before my time they stole the the flag

210
00:09:17,090 --> 00:09:15,180
but we would do a bunch of hijinks like

211
00:09:20,829 --> 00:09:17,100
that and it's funny because Skull and

212
00:09:22,970 --> 00:09:20,839
Bones originally in the late 1800s

213
00:09:25,009 --> 00:09:22,980

started doing this thing that they

214

00:09:27,230 --> 00:09:25,019

called crooking where they would get

215

00:09:30,829 --> 00:09:27,240

their recruits to go out and try to

216

00:09:32,329 --> 00:09:30,839

steal something from someone and uh you

217

00:09:35,210 --> 00:09:32,339

know it was always something funny like

218

00:09:37,130 --> 00:09:35,220

a statue or a license plate like

219

00:09:39,889 --> 00:09:37,140

something that's not that harmful right

220

00:09:42,050 --> 00:09:39,899

yeah so so yeah it is sort of a

221

00:09:44,329 --> 00:09:42,060

fraternal tradition I don't know where

222

00:09:46,430 --> 00:09:44,339

that started it could have started in

223

00:09:49,190 --> 00:09:46,440

New Haven but I certainly took part in

224

00:09:51,290 --> 00:09:49,200

it as well as toga parties I I think

225

00:09:54,050 --> 00:09:51,300

that's the plot of every villain in

226

00:09:57,590 --> 00:09:54,060

Gotham City is to just go make me make

227

00:09:59,509 --> 00:09:57,600

mayhem and do crime uh but it's like no

228

00:10:01,610 --> 00:09:59,519

murders just go steal some stuff oh

229

00:10:03,829 --> 00:10:01,620

right right it wasn't sure where you're

230

00:10:06,530 --> 00:10:03,839

going with that yeah they definitely are

231

00:10:08,810 --> 00:10:06,540

like you know Batman more like Watson uh

232

00:10:10,430 --> 00:10:08,820

Alfred right Alfred is the guy more like

233

00:10:13,670 --> 00:10:10,440

Alfred but think of a bunch of young

234

00:10:16,490 --> 00:10:13,680

Alfred's like very Posh uh going out

235

00:10:18,710 --> 00:10:16,500

like oh I'm too spooked to steal this

236

00:10:25,690 --> 00:10:18,720

license plate but we must we must

237

00:10:31,130 --> 00:10:28,550

imagine imagine growing up like that man

238

00:10:33,769 --> 00:10:31,140

holy [\h__\h] I couldn't imagine well like

239

00:10:35,170 --> 00:10:33,779

Alfred no like just just scared to steal

240

00:10:38,210 --> 00:10:35,180

a license plate

241

00:10:40,490 --> 00:10:38,220

just rip it off your [\h__\h] Jesus Christ

242

00:10:42,769 --> 00:10:40,500

they get another one across the road

243

00:10:44,930 --> 00:10:42,779

it's a license plate let's get another

244

00:10:47,090 --> 00:10:44,940

one we got [\h__\h] to do who's still county

245

00:10:49,069 --> 00:10:47,100

road signs and put them in our cars and

246

00:10:51,110 --> 00:10:49,079

[\h__\h] haul ass down Country Roads and

247

00:10:53,810 --> 00:10:51,120

stuff like it was ridiculous remember

248

00:10:55,670 --> 00:10:53,820

one time there was this massive it was a

249

00:10:57,530 --> 00:10:55,680

huge dude I had a buddy who worked for

250

00:10:58,910 --> 00:10:57,540

TxDOT at the time he no longer works

251

00:11:00,590 --> 00:10:58,920

there this little long ass time ago

252

00:11:03,170 --> 00:11:00,600

statue of limitations over right but

253

00:11:05,750 --> 00:11:03,180

dude we went up there and uh we cranked

254

00:11:07,790 --> 00:11:05,760

off this County Road 420 sign and we

255

00:11:09,710 --> 00:11:07,800

shoved it in my Dodge Neon and it like

256

00:11:11,509 --> 00:11:09,720

barely fit it was like it was terrible

257

00:11:13,490 --> 00:11:11,519

like it was all the way up to the front

258

00:11:16,190 --> 00:11:13,500

windshield like on the dash and then all

259

00:11:17,870 --> 00:11:16,200

the way down like it's a back dash too

260

00:11:19,430 --> 00:11:17,880

like touching the windshield and it like

261

00:11:21,410 --> 00:11:19,440

arced over because you know Dodge Neons

262

00:11:23,569 --> 00:11:21,420

look like eggs and it like arced over

263

00:11:26,150 --> 00:11:23,579

the whole roof that it was ridiculous it

264

00:11:27,769 --> 00:11:26,160

barely fit we barely fit in there then

265

00:11:29,750 --> 00:11:27,779

we stopped off for Whataburger on the

266

00:11:31,730 --> 00:11:29,760

way home it was hilarious they were like

267

00:11:33,410 --> 00:11:31,740

is that a sign in your car we were like

268

00:11:37,370 --> 00:11:33,420

yeah they were like did y'all steal that

269

00:11:42,949 --> 00:11:38,350

EPT

270

00:11:47,509 --> 00:11:45,470

yeah you you crooked a little bit there

271

00:11:50,329 --> 00:11:47,519

I would say that the road sign thing

272

00:11:51,829 --> 00:11:50,339

that's a hot ticket a 420 road sign I

273

00:11:55,550 --> 00:11:51,839

think they changed most of those to

274

00:11:58,610 --> 00:11:55,560

Route 419 because there's like a uh

275

00:12:01,130 --> 00:11:58,620

going and replacing them yeah yeah they

276

00:12:04,610 --> 00:12:01,140

yeah around here so does it like it like

277

00:12:05,990 --> 00:12:04,620

it skips from 419 to 421 yeah literally

278

00:12:08,569 --> 00:12:06,000

what they did they're like let's just

279

00:12:10,430 --> 00:12:08,579

let's just call them four four two you

280

00:12:12,769 --> 00:12:10,440

know and they like replace the the o

281

00:12:14,769 --> 00:12:12,779

with like a plus sign or something like

282

00:12:17,509 --> 00:12:14,779

you know

283

00:12:19,310 --> 00:12:17,519

and a quarter foreign

284

00:12:21,410 --> 00:12:19,320

it's like the epitome of like this is

285

00:12:25,250 --> 00:12:21,420

why we can't have nice things right

286

00:12:27,110 --> 00:12:25,260

right hoodlums right it was cool though

287

00:12:29,630 --> 00:12:27,120

because oh boy worked for TxDOT so he

288

00:12:31,550 --> 00:12:29,640

already had the tools for those signs

289

00:12:33,590 --> 00:12:31,560

specifically yeah otherwise you just

290

00:12:36,290 --> 00:12:33,600

otherwise you got to use a Sawzall and

291

00:12:38,690 --> 00:12:36,300

that takes way longer don't do so I did

292

00:12:41,630 --> 00:12:38,700

something like this when I was a kid I I

293

00:12:44,990 --> 00:12:41,640

took a uh no parking from corner to Here

294

00:12:48,170 --> 00:12:45,000

sign uh it was it was like uh like a few

295

00:12:50,569 --> 00:12:48,180

days after a drunk driver had like ran

296

00:12:52,970 --> 00:12:50,579

this sign over and this the city hadn't

297

00:12:54,889 --> 00:12:52,980

come to like replace the sign yet so me

298

00:12:57,290 --> 00:12:54,899

and my buddies dragged this like sign

299

00:13:00,050 --> 00:12:57,300

into the like underneath a playground

300

00:13:01,970 --> 00:13:00,060

slide and we were just like working as

301
00:13:03,889 --> 00:13:01,980
hard as we could to like unscrew this

302
00:13:06,050 --> 00:13:03,899
sign it was I had my dad's like monkey

303
00:13:09,110 --> 00:13:06,060
wrench like trying to get it off we

304
00:13:11,930 --> 00:13:09,120
eventually got it off but uh sort of a a

305
00:13:14,629 --> 00:13:11,940
bummer sign to to steal not nothing

306
00:13:16,730 --> 00:13:14,639
really cool about a No Parking from

307
00:13:19,370 --> 00:13:16,740
corner to Here sign

308
00:13:22,370 --> 00:13:19,380
it was it was the Gestalt of it it was

309
00:13:24,670 --> 00:13:22,380
like yeah it was like doing uh doing bad

310
00:13:27,230 --> 00:13:24,680
bad stuff we know this is

311
00:13:28,970 --> 00:13:27,240
Dick I was like I'm not gonna do it if

312
00:13:30,590 --> 00:13:28,980
the sign's like standing up in the air

313
00:13:32,750 --> 00:13:30,600

because then everyone's gonna see me but

314

00:13:34,850 --> 00:13:32,760

this one and like knocked over we could

315

00:13:37,370 --> 00:13:34,860

drag it away from the scene of the crime

316

00:13:41,110 --> 00:13:37,380

and and you're helping yeah yeah you're

317

00:13:43,610 --> 00:13:41,120

a clean crew yeah that's all I was

318

00:13:45,110 --> 00:13:43,620

officer I found it I found it on the

319

00:13:46,970 --> 00:13:45,120

under the slide I don't know what you

320

00:13:48,350 --> 00:13:46,980

want me to say I think it's a cool sign

321

00:13:50,750 --> 00:13:48,360

you could you could put it in places

322

00:13:52,550 --> 00:13:50,760

like near your bathroom like where it

323

00:13:53,569 --> 00:13:52,560

shouldn't be you know it's working right

324

00:13:57,230 --> 00:13:53,579

here

325

00:13:58,670 --> 00:13:57,240

your hallway next to the bathroom well

326

00:14:00,290 --> 00:13:58,680

won't you park in there what if I gotta

327

00:14:02,389 --> 00:14:00,300

poop now I can't get to it because your

328

00:14:04,190 --> 00:14:02,399

car is here it is

329

00:14:06,050 --> 00:14:04,200

yeah or your bird scooter I don't want

330

00:14:09,170 --> 00:14:06,060

any bird scooters parked in front of my

331

00:14:10,430 --> 00:14:09,180

bathroom oh yeah me either is that a

332

00:14:13,250 --> 00:14:10,440

problem where you live

333

00:14:16,310 --> 00:14:13,260

oh yeah my I live with three people who

334

00:14:19,310 --> 00:14:16,320

have bird scooters oh no [ʰ__ʰ] no I'm

335

00:14:22,190 --> 00:14:19,320

kidding they Park in the right in front

336

00:14:23,750 --> 00:14:22,200

of the bathroom every time dude yeah

337

00:14:26,750 --> 00:14:23,760

it's like

338

00:14:28,670 --> 00:14:26,760

every morning

339

00:14:31,850 --> 00:14:28,680

and now you got poop on your bird

340

00:14:35,389 --> 00:14:31,860

scooter whose fault is that yeah not

341

00:14:39,230 --> 00:14:35,399

mine I'll put the sign there

342

00:14:42,829 --> 00:14:41,569

it was in my body now it's here so

343

00:14:47,329 --> 00:14:42,839

technically

344

00:14:49,790 --> 00:14:47,339

you own it now I live here too I live

345

00:14:51,170 --> 00:14:49,800

also I'm gonna be late on rent uh just

346

00:14:53,930 --> 00:14:51,180

letting you know

347

00:14:57,829 --> 00:14:53,940

have a gig tonight

348

00:15:03,250 --> 00:15:01,310

uh no plus ones okay so we're let's get

349

00:15:07,189 --> 00:15:03,260

back on track boys we were talking about

350

00:15:08,629 --> 00:15:07,199

we were talking about uh you set that up

351
00:15:11,750 --> 00:15:08,639
so so well Mark we were talking about

352
00:15:12,650 --> 00:15:11,760
Collegiate tomfoolery and and and it's

353
00:15:15,290 --> 00:15:12,660
something that we were talking about

354
00:15:17,090 --> 00:15:15,300
before uh you hopped on today uh it's

355
00:15:19,129 --> 00:15:17,100
something that you've been researching a

356
00:15:22,910 --> 00:15:19,139
little bit I I feel like I know a little

357
00:15:26,509 --> 00:15:22,920
bit about is Skull and Bones the secret

358
00:15:29,990 --> 00:15:26,519
society slash fraternity

359
00:15:31,610 --> 00:15:30,000
at uh at Yale

360
00:15:33,889 --> 00:15:31,620
what do you know

361
00:15:36,370 --> 00:15:33,899
well there's a movie that Matt Damon

362
00:15:39,829 --> 00:15:36,380
Matt Damon was in it

363
00:15:41,449 --> 00:15:39,839

bones or skulls something like that yeah

364

00:15:42,250 --> 00:15:41,459

there's one George W bushings calling

365

00:15:45,889 --> 00:15:42,260

bones

366

00:15:49,790 --> 00:15:47,810

um basically like a [\h__\h] ton of

367

00:15:50,870 --> 00:15:49,800

presidents were right but uh yeah that's

368

00:15:52,430 --> 00:15:50,880

all I know is that there was a movie

369

00:15:54,769 --> 00:15:52,440

about it and I think Matt Damon's in it

370

00:15:57,910 --> 00:15:54,779

that's odd I might be wrong on that too

371

00:16:00,230 --> 00:15:57,920

it's a good place to start okay well

372

00:16:01,730 --> 00:16:00,240

unless you guys have any questions I

373

00:16:03,670 --> 00:16:01,740

could I could tell you guys how I

374

00:16:06,590 --> 00:16:03,680

learned about skull and bones

375

00:16:08,569 --> 00:16:06,600

I want to hear how how you got like

376

00:16:10,250 --> 00:16:08,579

interested in it because I I know I got

377

00:16:11,990 --> 00:16:10,260

interested in it from uh watching the

378

00:16:13,310 --> 00:16:12,000

movie zeitgeist

379

00:16:14,870 --> 00:16:13,320

and then I was like oh [h__\h] there's

380

00:16:16,790 --> 00:16:14,880

there's like a movie about these secret

381

00:16:18,110 --> 00:16:16,800

societies have you guys seen the movie

382

00:16:22,009 --> 00:16:18,120

zeitgeist

383

00:16:23,990 --> 00:16:22,019

no I remember a really uh really a girl

384

00:16:27,470 --> 00:16:24,000

that I had a really big crush on I'll

385

00:16:30,110 --> 00:16:27,480

say that in math class in uh in 10th

386

00:16:31,610 --> 00:16:30,120

Grade looked at me I'd talk to her here

387

00:16:33,170 --> 00:16:31,620

and there she thought I was cool but I

388

00:16:34,730 --> 00:16:33,180

was too much of a dork to make a move

389

00:16:37,370 --> 00:16:34,740

and she was like oh you should watch

390

00:16:38,749 --> 00:16:37,380

this movie Zeitgeist you'd like it and I

391

00:16:40,610 --> 00:16:38,759

ended up watching it like three years

392

00:16:42,470 --> 00:16:40,620

later and I was like damn it why didn't

393

00:16:44,030 --> 00:16:42,480

I watch it the night of I should have

394

00:16:47,329 --> 00:16:44,040

talked to her about it the next day but

395

00:16:51,290 --> 00:16:47,339

anyways uh that was your ticket in dude

396

00:16:54,290 --> 00:16:51,300

it was it was but yeah I I remember uh

397

00:16:56,090 --> 00:16:54,300

being interested in in weird and strange

398

00:16:56,930 --> 00:16:56,100

stuff from a young age you know I

399

00:16:58,670 --> 00:16:56,940

remember

400

00:17:00,650 --> 00:16:58,680

looking through the Ripley's Believe It

401
00:17:03,170 --> 00:17:00,660
or Not book and I never cared about

402
00:17:05,210 --> 00:17:03,180
their records or the like the world's

403
00:17:07,909 --> 00:17:05,220
fastest whatever like I was always

404
00:17:09,230 --> 00:17:07,919
looking at that one section of Ripley's

405
00:17:12,110 --> 00:17:09,240
Believe It or Not where they talked

406
00:17:15,289 --> 00:17:12,120
about Bigfoot alien spontaneous

407
00:17:17,390 --> 00:17:15,299
combustion Mothman like all that that

408
00:17:20,809 --> 00:17:17,400
little section was my favorite section

409
00:17:23,449 --> 00:17:20,819
so from lady with the toenails oh yeah

410
00:17:25,030 --> 00:17:23,459
all that weird stuff all the Bizarro

411
00:17:28,429 --> 00:17:25,040
people yeah

412
00:17:32,570 --> 00:17:28,439
so that's how it started and

413
00:17:35,630 --> 00:17:32,580

I had sort of been you know hit with the

414

00:17:38,330 --> 00:17:35,640

whole 911 cult programming like everyone

415

00:17:40,610 --> 00:17:38,340

else you know at first I wanted to like

416

00:17:42,770 --> 00:17:40,620

so I was only in fourth grade when when

417

00:17:45,470 --> 00:17:42,780

9 11 happened so I was pretty young and

418

00:17:47,390 --> 00:17:45,480

I wanted to join the military because

419

00:17:48,770 --> 00:17:47,400

I'm like all these big bad guys are out

420

00:17:51,950 --> 00:17:48,780

there that's what I'll do with my life

421

00:17:55,669 --> 00:17:51,960

I'll join the military so as I get older

422

00:17:57,409 --> 00:17:55,679

I start studying like war books because

423

00:17:59,690 --> 00:17:57,419

I was interested in that and I would

424

00:18:01,549 --> 00:17:59,700

also look up history stuff and I was

425

00:18:03,710 --> 00:18:01,559

also looking up like martial arts and

426

00:18:07,010 --> 00:18:03,720

things like that and I started

427

00:18:10,610 --> 00:18:07,020

practicing martial arts and you know all

428

00:18:13,549 --> 00:18:10,620

of those things are not normal for a

429

00:18:15,470 --> 00:18:13,559

person between the age of like 12 to 18.

430

00:18:18,650 --> 00:18:15,480

at least in where I grew up it might not

431

00:18:20,330 --> 00:18:18,660

be that unusual but it's it's not like I

432

00:18:22,010 --> 00:18:20,340

live near like Gettysburg or something

433

00:18:24,409 --> 00:18:22,020

where like you know that kind of thing

434

00:18:27,110 --> 00:18:24,419

is like a part of the culture like so I

435

00:18:29,630 --> 00:18:27,120

was very interested in in like politics

436

00:18:31,370 --> 00:18:29,640

and things like that and is weird you

437

00:18:33,950 --> 00:18:31,380

know it's weird weird interest for

438

00:18:35,510 --> 00:18:33,960

someone at that age but long story short

439

00:18:37,970 --> 00:18:35,520

I eventually

440

00:18:40,250 --> 00:18:37,980

found you know stranger and stranger

441

00:18:42,590 --> 00:18:40,260

books you sort of go down the the

442

00:18:45,230 --> 00:18:42,600

library Rabbit Hole long enough and you

443

00:18:49,549 --> 00:18:45,240

find these strange books like uh dragons

444

00:18:51,890 --> 00:18:49,559

of Eden by Carl Sagan or uh yeah the

445

00:18:54,350 --> 00:18:51,900

secret History of the World by Mark

446

00:18:56,029 --> 00:18:54,360

booth and and the one I showed you just

447

00:18:59,210 --> 00:18:56,039

before we started the secret teachings

448

00:19:02,150 --> 00:18:59,220

of all ages by manly P Hall so I had

449

00:19:03,950 --> 00:19:02,160

read some stuff about the weird world

450

00:19:06,950 --> 00:19:03,960

that we live in but I hadn't really

451
00:19:08,810 --> 00:19:06,960
experienced it until I had graduated

452
00:19:10,490 --> 00:19:08,820
from high school and I was in my first

453
00:19:15,490 --> 00:19:10,500
year of college

454
00:19:19,669 --> 00:19:15,500
in the City of New Haven so this was in

455
00:19:21,830 --> 00:19:19,679
2012 right after the whole you know new

456
00:19:23,330 --> 00:19:21,840
age kind of everybody was interested in

457
00:19:25,610 --> 00:19:23,340
that kind of stuff you know it's sort of

458
00:19:29,029 --> 00:19:25,620
a movement and there was also the Occupy

459
00:19:33,110 --> 00:19:29,039
Wall Street thing going on too so uh it

460
00:19:34,669 --> 00:19:33,120
was wasn't quite anarchistic in in my

461
00:19:36,470 --> 00:19:34,679
mind but it was almost like all right we

462
00:19:39,650 --> 00:19:36,480
need to change like change the world

463
00:19:40,909 --> 00:19:39,660

change the system uh this whole sort of

464

00:19:43,610 --> 00:19:40,919

thing and

465

00:19:46,070 --> 00:19:43,620

at that age I was more interested in

466

00:19:48,470 --> 00:19:46,080

rolling up Blunts and smoking them in

467

00:19:50,630 --> 00:19:48,480

the park than I was uh going to school

468

00:19:52,310 --> 00:19:50,640

so I would I would like skip class

469

00:19:54,470 --> 00:19:52,320

sometimes I was pretty good about going

470

00:19:57,590 --> 00:19:54,480

to class but in between classes I would

471

00:20:00,049 --> 00:19:57,600

go to the park and and smoke and one day

472

00:20:02,870 --> 00:20:00,059

I'm sitting there and smoking a joint

473

00:20:05,090 --> 00:20:02,880

and have a t-shirt on that says sure you

474

00:20:07,490 --> 00:20:05,100

can trust the government just ask an

475

00:20:09,710 --> 00:20:07,500

Indian and it had a picture of Sitting

476

00:20:12,650 --> 00:20:09,720

Bull on it you know kind of like looking

477

00:20:14,690 --> 00:20:12,660

like you know upset or whatever and my

478

00:20:18,470 --> 00:20:14,700

friend was it wasn't my friend yet but

479

00:20:20,090 --> 00:20:18,480

this man comes up to me uh and he sort

480

00:20:22,010 --> 00:20:20,100

of looked unusual you know you guys

481

00:20:23,930 --> 00:20:22,020

probably seen more people like this but

482

00:20:26,870 --> 00:20:23,940

up here in New England we don't see a

483

00:20:29,029 --> 00:20:26,880

lot of like straight up Indian people

484

00:20:31,610 --> 00:20:29,039

like natives you know Native Americans

485

00:20:34,250 --> 00:20:31,620

you know it's just they're around but

486

00:20:37,370 --> 00:20:34,260

they don't look so dark and and he's

487

00:20:39,770 --> 00:20:37,380

just you know very he stood out you know

488

00:20:42,049 --> 00:20:39,780

struck a really odd character compared

489

00:20:43,789 --> 00:20:42,059

to everybody else he came up to me he's

490

00:20:46,610 --> 00:20:43,799

like oh I like your shirt what's your

491

00:20:49,130 --> 00:20:46,620

name we start talking become pretty good

492

00:20:51,470 --> 00:20:49,140

friends his name's Amos he tells me and

493

00:20:53,930 --> 00:20:51,480

he tells me he just got out of prison

494

00:20:55,850 --> 00:20:53,940

and I'm like okay you know I'm only I'm

495

00:20:58,850 --> 00:20:55,860

only like 18 I'm like oh God what am I

496

00:21:02,090 --> 00:20:58,860

getting into here and he he tells me he

497

00:21:04,610 --> 00:21:02,100

just got out of prison and he moved to

498

00:21:08,230 --> 00:21:04,620

New Haven Connecticut specifically

499

00:21:10,610 --> 00:21:08,240

because he had heard that

500

00:21:14,270 --> 00:21:10,620

Geronimo you guys are familiar with

501

00:21:17,750 --> 00:21:14,280

Geronimo the famous uh I'll call him

502

00:21:20,210 --> 00:21:17,760

hero uh the in the time he was alive the

503

00:21:23,270 --> 00:21:20,220

U.S army thought he was You Know The

504

00:21:25,610 --> 00:21:23,280

Enemy of the United States and and the

505

00:21:29,149 --> 00:21:25,620

uh War for the West right that was being

506

00:21:32,149 --> 00:21:29,159

waged against certain tribes he was a

507

00:21:36,169 --> 00:21:32,159

badass you know he was yeah out well he

508

00:21:39,830 --> 00:21:36,179

he fought he was shot and survived he

509

00:21:41,690 --> 00:21:39,840

was almost captured several times and I

510

00:21:43,510 --> 00:21:41,700

think they finally captured him and he

511

00:21:47,810 --> 00:21:43,520

unfortunately died

512

00:21:50,690 --> 00:21:47,820

imprisoned in Oklahoma so

513

00:21:52,130 --> 00:21:50,700

they about they uh you know how he got

514

00:21:53,390 --> 00:21:52,140

away so many times

515

00:21:55,549 --> 00:21:53,400

tell me he used to love doing

516

00:21:57,830 --> 00:21:55,559

cannonballs in The Creeks that's why to

517

00:22:01,070 --> 00:21:57,840

this day when you do a cannonball you

518

00:22:03,110 --> 00:22:01,080

yell Geronimo I was gonna say I'm 33

519

00:22:06,049 --> 00:22:03,120

years old I've never known the origin of

520

00:22:09,169 --> 00:22:06,059

Geronimo that's the only true story who

521

00:22:09,179 --> 00:22:12,350

uh

522

00:22:17,990 --> 00:22:15,049

my grandpa

523

00:22:19,850 --> 00:22:18,000

that's what he said I'm gonna add it to

524

00:22:22,070 --> 00:22:19,860

the list because I've heard 10 different

525

00:22:23,990 --> 00:22:22,080

explanations for why people do that

526

00:22:26,630 --> 00:22:24,000

everybody was like oh I don't want to

527

00:22:29,810 --> 00:22:26,640

get wet I like it I've heard I've heard

528

00:22:31,310 --> 00:22:29,820

a local Legend of a guy named uh well I

529

00:22:33,529 --> 00:22:31,320

don't want to mispronounce his name but

530

00:22:36,049 --> 00:22:33,539

they named a part of town after him

531

00:22:38,029 --> 00:22:36,059

called sachem's head and it's because he

532

00:22:40,610 --> 00:22:38,039

cannonballed off a cliff into the water

533

00:22:42,289 --> 00:22:40,620

uh escaping another tribe and then they

534

00:22:44,810 --> 00:22:42,299

cut his head off when they caught him

535

00:22:48,649 --> 00:22:44,820

and put it in a tree but and anyways

536

00:22:51,710 --> 00:22:48,659

Geronimo uh I don't know thing but but

537

00:22:53,330 --> 00:22:51,720

he he was a badass and I've heard the

538

00:22:55,549 --> 00:22:53,340

Geronimo thing came from the Ninja

539

00:22:58,190 --> 00:22:55,559

Turtles show like The Ninja Turtles

540

00:23:00,649 --> 00:22:58,200

started doing that and that's what made

541

00:23:02,690 --> 00:23:00,659

it popular I'd like to believe your

542

00:23:05,750 --> 00:23:02,700

story better than that one that's

543

00:23:07,610 --> 00:23:05,760

interesting also the United States Air

544

00:23:09,830 --> 00:23:07,620

Troopers like the guys that would

545

00:23:11,450 --> 00:23:09,840

parachute they would yell Geronimo

546

00:23:14,390 --> 00:23:11,460

before they would jump out of the plane

547

00:23:16,850 --> 00:23:14,400

and Amos told me that one and he told me

548

00:23:18,710 --> 00:23:16,860

that that's because it's like a mantra

549

00:23:21,169 --> 00:23:18,720

it's like a prayer when you say this

550

00:23:24,350 --> 00:23:21,179

guy's name he was a warrior so you're

551

00:23:27,169 --> 00:23:24,360

sort of invoking his Warrior Spirit to

552

00:23:30,350 --> 00:23:27,179

give you courage so all that aside

553

00:23:32,750 --> 00:23:30,360

Geronimo lived a very legendary life you

554

00:23:36,289 --> 00:23:32,760

know he was he was more than a man he

555

00:23:39,529 --> 00:23:36,299

was mythical and Prescott Bush who

556

00:23:42,710 --> 00:23:39,539

happens to be the father of George H.W

557

00:23:45,409 --> 00:23:42,720

bush and the great or the grandfather of

558

00:23:48,830 --> 00:23:45,419

of George Bush Jr our most recent Bush

559

00:23:52,669 --> 00:23:48,840

president and uh this guy Prescott Bush

560

00:23:55,730 --> 00:23:52,679

he went to Fort Sill Oklahoma where

561

00:23:58,909 --> 00:23:55,740

Geronimo had been buried and he robbed

562

00:24:01,730 --> 00:23:58,919

geronimo's grave he dug him up he cut

563

00:24:04,130 --> 00:24:01,740

his skeleton's head off he took both of

564

00:24:06,409 --> 00:24:04,140

the femur bones from his skeleton and he

565

00:24:09,409 --> 00:24:06,419

brought them back to New Haven

566

00:24:12,169 --> 00:24:09,419

Connecticut and gave him to his uh

567

00:24:15,230 --> 00:24:12,179

fraternity that he was a member of Skull

568

00:24:16,850 --> 00:24:15,240

and Bones so you're shocked Ben I can

569

00:24:18,770 --> 00:24:16,860

see it on your face why would they do

570

00:24:20,690 --> 00:24:18,780

this why would they rob a grave and

571

00:24:22,789 --> 00:24:20,700

bring it all the way back to New Haven I

572

00:24:24,830 --> 00:24:22,799

mean it's not like it's not like they're

573

00:24:28,010 --> 00:24:24,840

doing some kind of like testing on it

574

00:24:30,710 --> 00:24:28,020

for DNA especially at that time I don't

575

00:24:33,590 --> 00:24:30,720

think DNA discovered yet so they they

576

00:24:36,590 --> 00:24:33,600

weren't like hadn't didn't scientific or

577

00:24:39,049 --> 00:24:36,600

academic reasons for stealing it uh it

578

00:24:42,409 --> 00:24:39,059

was sort of like a

579

00:24:46,610 --> 00:24:42,419

an Fu to the tribes you know and and for

580

00:24:50,750 --> 00:24:46,620

the last 100 to 200 years that this

581

00:24:53,810 --> 00:24:50,760

desecration has been uh perpetrated

582

00:24:57,070 --> 00:24:53,820

they haven't done anything to a admit to

583

00:24:59,930 --> 00:24:57,080

this crime or B for you know to to

584

00:25:01,669 --> 00:24:59,940

really make up for it right because yeah

585

00:25:03,590 --> 00:25:01,679

there have been several attempts from

586

00:25:06,289 --> 00:25:03,600

different groups of people to approach

587

00:25:09,350 --> 00:25:06,299

Yale University to retrieve this the

588

00:25:11,630 --> 00:25:09,360

skeletal remains and bury them back

589

00:25:13,010 --> 00:25:11,640

where they belong and Yale every time

590

00:25:14,990 --> 00:25:13,020

pretends like they don't know what's

591

00:25:17,330 --> 00:25:15,000

going on they don't know they don't know

592

00:25:19,490 --> 00:25:17,340

what these people are talking about and

593

00:25:22,490 --> 00:25:19,500

the first time that they actually were

594

00:25:24,950 --> 00:25:22,500

approached to give the skull back they

595

00:25:27,470 --> 00:25:24,960

placated the People by giving them a

596

00:25:29,149 --> 00:25:27,480

child skull like thinking that these

597

00:25:30,769 --> 00:25:29,159

people were so dumb that they wouldn't

598

00:25:33,230 --> 00:25:30,779

know the difference and they'd just take

599

00:25:34,610 --> 00:25:33,240

a uh some weird first of all why do you

600

00:25:37,330 --> 00:25:34,620

have a child's goal I was about to say

601
00:25:39,950 --> 00:25:37,340
yeah I was gonna sleep with

602
00:25:42,169 --> 00:25:39,960
these are creepy people I mean not to

603
00:25:45,230 --> 00:25:42,179
mention at this time

604
00:25:48,470 --> 00:25:45,240
you know we're talking about the 19th

605
00:25:50,930 --> 00:25:48,480
century here so uh cadavers and things

606
00:25:53,210 --> 00:25:50,940
like that I mean yeah it wasn't exactly

607
00:25:55,370 --> 00:25:53,220
like above board it was more of an

608
00:25:57,710 --> 00:25:55,380
underground type of practice they would

609
00:25:59,990 --> 00:25:57,720
have to like you know pay criminals to

610
00:26:02,630 --> 00:26:00,000
go and Rob Graves so that they could do

611
00:26:05,269 --> 00:26:02,640
body bodily examinations and things like

612
00:26:07,130 --> 00:26:05,279
that and uh Yale was one of those

613
00:26:09,470 --> 00:26:07,140

schools you know there's no doubt that

614

00:26:12,049 --> 00:26:09,480

they had like medical reasons for

615

00:26:14,570 --> 00:26:12,059

Gathering dead bodies and studying them

616

00:26:18,169 --> 00:26:14,580

but at the same time it's like kind of

617

00:26:21,230 --> 00:26:18,179

weird again like why would they be so uh

618

00:26:24,529 --> 00:26:21,240

freely giving this children's child

619

00:26:26,870 --> 00:26:24,539

skull away but then you know coveting

620

00:26:29,090 --> 00:26:26,880

this Geronimo skull without even

621

00:26:33,049 --> 00:26:29,100

explaining why you know it's just

622

00:26:34,669 --> 00:26:33,059

secreted away in this uh weird tomb that

623

00:26:38,029 --> 00:26:34,679

the Skull and Bones

624

00:26:40,730 --> 00:26:38,039

Society calls home they call the the

625

00:26:43,909 --> 00:26:40,740

tomb on High Street their little Lair

626
00:26:46,730 --> 00:26:43,919
and it's sort of a Egyptian looking

627
00:26:49,610 --> 00:26:46,740
building it stands out it's on a one-way

628
00:26:52,490 --> 00:26:49,620
Street next to the art gallery and it's

629
00:26:54,230 --> 00:26:52,500
sort of creepy I remember when I was a

630
00:26:57,049 --> 00:26:54,240
part of that fraternity I was telling

631
00:26:59,690 --> 00:26:57,059
you guys about uh not Skull and Bones

632
00:27:02,029 --> 00:26:59,700
they would have us go and stand in front

633
00:27:04,970 --> 00:27:02,039
of the Skull and Bones fraternity

634
00:27:07,190 --> 00:27:04,980
as a part of one of our like you know

635
00:27:09,649 --> 00:27:07,200
ceremony things that we had to do to get

636
00:27:12,710 --> 00:27:09,659
into the Frat that was one of them so

637
00:27:16,430 --> 00:27:12,720
it's sort of like around town and around

638
00:27:19,250 --> 00:27:16,440

this area it's known about it's not that

639

00:27:22,310 --> 00:27:19,260

secret people know what's going on but

640

00:27:26,750 --> 00:27:22,320

in the same breath we know very little

641

00:27:30,950 --> 00:27:26,760

about what goes on in their sort of uh

642

00:27:33,769 --> 00:27:30,960

inner rituals and yeah behind the scenes

643

00:27:35,990 --> 00:27:33,779

yeah there was one reporter who climbed

644

00:27:38,870 --> 00:27:36,000

to the top of the art museum and filmed

645

00:27:41,630 --> 00:27:38,880

over the wall into this little like back

646

00:27:43,490 --> 00:27:41,640

area that they have behind the tomb and

647

00:27:46,250 --> 00:27:43,500

I guess they they saw like people

648

00:27:49,190 --> 00:27:46,260

shouting and like wearing weird masks

649

00:27:51,950 --> 00:27:49,200

and all black robes and so there have

650

00:27:54,110 --> 00:27:51,960

been some so were they Yale were they

651
00:27:56,690 --> 00:27:54,120
yelling or shouting

652
00:27:59,990 --> 00:27:56,700
and they were they were yailing yeah

653
00:28:03,049 --> 00:28:00,000
they were howling uh yeah I think they

654
00:28:04,490 --> 00:28:03,059
they they even heard like specific words

655
00:28:07,549 --> 00:28:04,500
that they were yelling like something

656
00:28:09,830 --> 00:28:07,559
like Kiss the feet of President Taft's

657
00:28:12,789 --> 00:28:09,840
ghost or something like that like really

658
00:28:15,950 --> 00:28:12,799
creepy stuff that was like incorporating

659
00:28:18,230 --> 00:28:15,960
uh Taft who was one of the founding

660
00:28:20,990 --> 00:28:18,240
members of Skull and Bones I don't know

661
00:28:24,289 --> 00:28:21,000
if it was Alfonso Taft I think that was

662
00:28:26,510 --> 00:28:24,299
the grandfather of the Taft that became

663
00:28:28,789 --> 00:28:26,520

president or the opposite the grandson

664

00:28:31,250 --> 00:28:28,799

of the President Taft but either way

665

00:28:34,070 --> 00:28:31,260

Taft was involved another gentleman

666

00:28:37,070 --> 00:28:34,080

named William Huntington Russell was

667

00:28:39,409 --> 00:28:37,080

involved and this was In 1832 you

668

00:28:41,570 --> 00:28:39,419

mentioned the Masons before the reason

669

00:28:44,090 --> 00:28:41,580

why a lot of these groups like Skull and

670

00:28:47,029 --> 00:28:44,100

Bones started in the first place was

671

00:28:50,510 --> 00:28:47,039

because in the 1830s

672

00:28:53,810 --> 00:28:50,520

America went through a sort of Crisis a

673

00:28:56,810 --> 00:28:53,820

panic it was the first time in American

674

00:28:59,390 --> 00:28:56,820

history that a third party popped up in

675

00:29:01,789 --> 00:28:59,400

our political system uh as opposed to

676
00:29:03,590 --> 00:29:01,799
like you know the bipartisan parties

677
00:29:06,830 --> 00:29:03,600
that we have nowadays

678
00:29:08,269 --> 00:29:06,840
this was uh the anti-masonic party and

679
00:29:10,130 --> 00:29:08,279
the reason why they freaked out was

680
00:29:13,370 --> 00:29:10,140
because this guy William Morgan was

681
00:29:16,789 --> 00:29:13,380
murdered in the state of New York nobody

682
00:29:18,950 --> 00:29:16,799
brought the perpetrators to trial nobody

683
00:29:21,470 --> 00:29:18,960
said anything about why he was killed

684
00:29:24,889 --> 00:29:21,480
and his family never received any sort

685
00:29:27,529 --> 00:29:24,899
of uh explanation or or you know the the

686
00:29:30,230 --> 00:29:27,539
perpetrators never were taken and and

687
00:29:32,630 --> 00:29:30,240
punished so it scared everybody like

688
00:29:35,330 --> 00:29:32,640

what are these Masons doing who are they

689

00:29:38,090 --> 00:29:35,340

so Almighty and all-powerful so people

690

00:29:40,310 --> 00:29:38,100

got freaked out and a lot of the Masonic

691

00:29:42,470 --> 00:29:40,320

organizations either changed their names

692

00:29:46,190 --> 00:29:42,480

and became more publicly facing

693

00:29:49,669 --> 00:29:46,200

organizations While others became more

694

00:29:52,070 --> 00:29:49,679

inwardly facing and more secretive like

695

00:29:54,110 --> 00:29:52,080

Skull and Bones this is also the time

696

00:29:57,350 --> 00:29:54,120

when you see like

697

00:29:58,970 --> 00:29:57,360

the Greek lettered alphabet groups start

698

00:29:59,889 --> 00:29:58,980

peripherating throughout the school

699

00:30:02,389 --> 00:29:59,899

system

700

00:30:05,750 --> 00:30:02,399

what you have to keep in mind is like

701
00:30:09,289 --> 00:30:05,760
the beginning days of education in this

702
00:30:11,149 --> 00:30:09,299
country they only had Greek Roman and

703
00:30:13,490 --> 00:30:11,159
you know a few other languages they

704
00:30:15,110 --> 00:30:13,500
really didn't have a lot of stuff to

705
00:30:18,110 --> 00:30:15,120
work with outside of the classical

706
00:30:20,870 --> 00:30:18,120
literature so in the University system

707
00:30:23,269 --> 00:30:20,880
they tried to mimic what we see in

708
00:30:25,250 --> 00:30:23,279
ancient Greece the mystery schools so

709
00:30:27,350 --> 00:30:25,260
they would have these sort of initiatory

710
00:30:29,389 --> 00:30:27,360
groups where students who were maybe

711
00:30:32,029 --> 00:30:29,399
more Elite or come from wealthier

712
00:30:35,269 --> 00:30:32,039
families would get to be initiated into

713
00:30:38,269 --> 00:30:35,279

this inner knowing group and then from

714

00:30:41,990 --> 00:30:38,279

there after graduation they're deeply

715

00:30:44,570 --> 00:30:42,000

connected to let's say this uh system

716

00:30:47,330 --> 00:30:44,580

that is sort of Furnishing its own

717

00:30:49,669 --> 00:30:47,340

success by making sure it controls who

718

00:30:53,389 --> 00:30:49,679

gets into the positions of power so

719

00:30:55,669 --> 00:30:53,399

obviously uh I'm kind of summing up a

720

00:30:59,269 --> 00:30:55,679

lot of 19 country history here but the

721

00:31:01,669 --> 00:30:59,279

monopolies that people were really you

722

00:31:04,610 --> 00:31:01,679

know oppressed by because there's a lot

723

00:31:07,970 --> 00:31:04,620

of these Barons you know railroad Barons

724

00:31:10,370 --> 00:31:07,980

Oil Barons yeah there were these work

725

00:31:12,889 --> 00:31:10,380

Farms basically where people would live

726

00:31:14,810 --> 00:31:12,899

in a town that was a factory and they

727

00:31:17,090 --> 00:31:14,820

couldn't leave the factory town because

728

00:31:18,889 --> 00:31:17,100

they were paid in money that only was

729

00:31:22,149 --> 00:31:18,899

good in the factory town like this is

730

00:31:25,130 --> 00:31:22,159

the kind of world that skull and bones

731

00:31:27,350 --> 00:31:25,140

blossomed into a world where all these

732

00:31:31,250 --> 00:31:27,360

things were going on so

733

00:31:34,850 --> 00:31:31,260

um this idea of like elitism was kind of

734

00:31:36,350 --> 00:31:34,860

baked in to the university system and

735

00:31:39,889 --> 00:31:36,360

from there

736

00:31:43,789 --> 00:31:39,899

they have cordoned off the education

737

00:31:47,389 --> 00:31:43,799

system to make this end of control even

738

00:31:51,230 --> 00:31:47,399

easier for them by gradually dumbing

739

00:31:55,070 --> 00:31:51,240

down generation after generation and

740

00:31:57,409 --> 00:31:55,080

funneling the elite to those positions

741

00:32:00,649 --> 00:31:57,419

of power where they can

742

00:32:02,870 --> 00:32:00,659

fall into that modicum of control that

743

00:32:05,210 --> 00:32:02,880

goes back to maybe the elites the

744

00:32:08,389 --> 00:32:05,220

monarchy of the old world who knows

745

00:32:11,630 --> 00:32:08,399

who's at the top of this cryptocracy but

746

00:32:14,330 --> 00:32:11,640

the point is is Skull and Bones are one

747

00:32:17,870 --> 00:32:14,340

of many groups that funnel powerful

748

00:32:20,269 --> 00:32:17,880

people into this cryptocracy and this

749

00:32:24,169 --> 00:32:20,279

cryptocracy from there

750

00:32:26,330 --> 00:32:24,179

from like levels of secrecy are able to

751

00:32:28,370 --> 00:32:26,340

wield power and control things they're

752

00:32:30,310 --> 00:32:28,380

not able to control everything that goes

753

00:32:34,970 --> 00:32:30,320

on in the world but they're able to

754

00:32:38,269 --> 00:32:34,980

influence the the world just so to make

755

00:32:39,649 --> 00:32:38,279

sure that they maintain a gradual

756

00:32:42,590 --> 00:32:39,659

progression while the rest of us

757

00:32:45,830 --> 00:32:42,600

maintain a gradual decline that's how a

758

00:32:48,169 --> 00:32:45,840

parasitic entity functions uh but it

759

00:32:51,649 --> 00:32:48,179

it's it's weird because it's not a very

760

00:32:53,810 --> 00:32:51,659

smart parasite you know a smart parasite

761

00:32:57,169 --> 00:32:53,820

would want its host to be alive and as

762

00:33:00,669 --> 00:32:57,179

strong as possible this is more like a a

763

00:33:03,350 --> 00:33:00,679

parasite doing a really poor job because

764

00:33:04,909 --> 00:33:03,360

killing the host yeah it seems like

765

00:33:07,730 --> 00:33:04,919

they're killing the host and eventually

766

00:33:10,370 --> 00:33:07,740

the host which is us the the majority

767

00:33:13,009 --> 00:33:10,380

the 99 we're just gonna see what's

768

00:33:16,310 --> 00:33:13,019

happening and expel them from the from

769

00:33:18,049 --> 00:33:16,320

the planet so I'm not like knowing all

770

00:33:20,029 --> 00:33:18,059

this stuff I'm not like a pessimist

771

00:33:25,029 --> 00:33:20,039

about it I'm not black pilled as people

772

00:33:30,649 --> 00:33:27,610

that we should be black pilled because

773

00:33:34,070 --> 00:33:30,659

the you know the truth is is

774

00:33:37,130 --> 00:33:34,080

they have lost the the control that they

775

00:33:38,269 --> 00:33:37,140

want had I mean Skull and Bones was sort

776

00:33:38,870 --> 00:33:38,279

of

777

00:33:42,830 --> 00:33:38,880

um

778

00:33:45,529 --> 00:33:42,840

their attempt to gain control back and

779

00:33:46,850 --> 00:33:45,539

it worked for a few hundred years but I

780

00:33:49,610 --> 00:33:46,860

don't think it's going to work for a

781

00:33:51,710 --> 00:33:49,620

hundred more I think it's lasted uh and

782

00:33:54,470 --> 00:33:51,720

it's sort of peaked and what we're

783

00:33:57,649 --> 00:33:54,480

seeing now with the Internet is you know

784

00:34:00,409 --> 00:33:57,659

obviously the the deletion of privacy

785

00:34:03,409 --> 00:34:00,419

but in the same turn uh the deletion of

786

00:34:06,730 --> 00:34:03,419

secrecy too so if we don't have secrecy

787

00:34:09,109 --> 00:34:06,740

but we also don't have privacy uh those

788

00:34:12,109 --> 00:34:09,119

powerful people are going to have to

789

00:34:13,790 --> 00:34:12,119

either adjust how they operate or they

790

00:34:15,710 --> 00:34:13,800

won't be able to operate that way so

791

00:34:19,369 --> 00:34:15,720

it's it could be end up being a really

792

00:34:22,669 --> 00:34:19,379

good thing for us uh as as far as like

793

00:34:25,490 --> 00:34:22,679

the 99 versus the one percent because it

794

00:34:29,030 --> 00:34:25,500

seems like the uh groups like skull and

795

00:34:31,070 --> 00:34:29,040

bones are sort of fading out but uh yeah

796

00:34:33,050 --> 00:34:31,080

yeah in the sense of like them being

797

00:34:35,270 --> 00:34:33,060

able to like influence just enough or

798

00:34:37,490 --> 00:34:35,280

control certain things or cause certain

799

00:34:38,810 --> 00:34:37,500

things to happen it almost seems like

800

00:34:42,169 --> 00:34:38,820

you know to your point

801
00:34:43,909 --> 00:34:42,179
you know things Scream the loudest you

802
00:34:45,889 --> 00:34:43,919
know right before death you know what

803
00:34:47,869 --> 00:34:45,899
I'm saying and it's like all this stuff

804
00:34:49,909 --> 00:34:47,879
that we're dealing with right now is so

805
00:34:52,010 --> 00:34:49,919
like just out of left field it's like

806
00:34:53,810 --> 00:34:52,020
are we really dealing with this is this

807
00:34:55,490 --> 00:34:53,820
is this something we're putting on our

808
00:34:59,329 --> 00:34:55,500
plate right now is this what we're gonna

809
00:35:01,310 --> 00:34:59,339
do and sure enough Society is like yeah

810
00:35:03,710 --> 00:35:01,320
we're gonna do this dumb [h__h] and we're

811
00:35:04,670 --> 00:35:03,720
just like Jesus Christ and it's like I

812
00:35:07,190 --> 00:35:04,680
don't know it's like it's almost like

813
00:35:09,890 --> 00:35:07,200

they are losing the control so now it's

814

00:35:12,170 --> 00:35:09,900

time to scream as loud as you can and

815

00:35:15,109 --> 00:35:12,180

cause as much chaos as you can to

816

00:35:16,730 --> 00:35:15,119

redirect and refocus your energy while

817

00:35:19,310 --> 00:35:16,740

everybody else is

818

00:35:22,430 --> 00:35:19,320

fighting with each other you know or

819

00:35:24,710 --> 00:35:22,440

maybe instead of causing chaos we just

820

00:35:26,630 --> 00:35:24,720

simply ignore everything that they're

821

00:35:28,670 --> 00:35:26,640

trying to give us and spoon feed us you

822

00:35:30,530 --> 00:35:28,680

know but they've already infiltrated the

823

00:35:33,170 --> 00:35:30,540

education system and people are too

824

00:35:35,329 --> 00:35:33,180

stupid to not engage that's the issue

825

00:35:37,250 --> 00:35:35,339

there are already past that point and

826

00:35:38,450 --> 00:35:37,260

that's what makes this so scary is that

827

00:35:40,730 --> 00:35:38,460

there is a lot of people that are just

828

00:35:42,589 --> 00:35:40,740

just honestly are just too dumb like

829

00:35:43,970 --> 00:35:42,599

very rarely do I meet like an incredibly

830

00:35:46,370 --> 00:35:43,980

smart person

831

00:35:49,250 --> 00:35:46,380

and then like on like a mid-level basis

832

00:35:51,170 --> 00:35:49,260

like you know like I can have certain

833

00:35:52,849 --> 00:35:51,180

conversations with you know a little bit

834

00:35:55,130 --> 00:35:52,859

more of the population but like for the

835

00:35:57,470 --> 00:35:55,140

most part dude you ever notice yourself

836

00:35:59,569 --> 00:35:57,480

being in a certain place or like at a

837

00:36:01,250 --> 00:35:59,579

party or like just in a social setting

838

00:36:02,750 --> 00:36:01,260

and everything around you is completely

839

00:36:04,370 --> 00:36:02,760

[h__h] like you're just like this is

840

00:36:06,109 --> 00:36:04,380

stupid are we

841

00:36:08,030 --> 00:36:06,119

talking this is an episode of South Park

842

00:36:11,690 --> 00:36:08,040

like where everything just sounds like

843

00:36:13,790 --> 00:36:11,700

[h__h] and looks like [h__h] is there yeah

844

00:36:16,670 --> 00:36:13,800

that's what being black build is I mean

845

00:36:19,550 --> 00:36:16,680

I I feel the same way that's why I'm so

846

00:36:21,470 --> 00:36:19,560

grateful for this podcast and to have

847

00:36:22,609 --> 00:36:21,480

conversations with with guys like you

848

00:36:26,390 --> 00:36:22,619

because

849

00:36:28,910 --> 00:36:26,400

you know in 2017 and 2016 before I

850

00:36:31,069 --> 00:36:28,920

started the podcast I was still thinking

851

00:36:34,370 --> 00:36:31,079

and talking about all this stuff but

852

00:36:36,950 --> 00:36:34,380

with like only a very very small

853

00:36:38,810 --> 00:36:36,960

percentage of my friends like so many of

854

00:36:41,510 --> 00:36:38,820

my friends were like dude why is this

855

00:36:43,370 --> 00:36:41,520

even matter and what was so crazy was

856

00:36:44,750 --> 00:36:43,380

when covid happened and I don't want to

857

00:36:46,790 --> 00:36:44,760

get too far into this because I know

858

00:36:48,770 --> 00:36:46,800

we're live on YouTube but when it

859

00:36:51,109 --> 00:36:48,780

happened uh you know so many of those

860

00:36:53,089 --> 00:36:51,119

people who I thought well okay now they

861

00:36:55,430 --> 00:36:53,099

have a reason to understand why I'm

862

00:36:58,609 --> 00:36:55,440

conspiratorial they went the opposite

863

00:37:01,329 --> 00:36:58,619

way of like wow Mark's a nutcase he's

864

00:37:04,849 --> 00:37:01,339

the enemy he's the anti-jabi juice

865

00:37:06,470 --> 00:37:04,859

whereas you know like like I thought

866

00:37:07,970 --> 00:37:06,480

like oh now they're gonna get it because

867

00:37:10,130 --> 00:37:07,980

like you know they're getting this thing

868

00:37:12,530 --> 00:37:10,140

pushed on them they'll wake up they'd be

869

00:37:15,710 --> 00:37:12,540

like Mark was right the whole time not

870

00:37:17,890 --> 00:37:15,720

at all so so I started a podcast and

871

00:37:21,650 --> 00:37:17,900

made new friends

872

00:37:23,690 --> 00:37:21,660

yes dude that's a

873

00:37:25,790 --> 00:37:23,700

it's almost like a love story dude you

874

00:37:30,190 --> 00:37:25,800

know it's definitely a happy a happy

875

00:37:37,550 --> 00:37:33,650

I love it I love it and the guy that was

876

00:37:39,050 --> 00:37:37,560

beautiful well go ahead oh I was just

877

00:37:42,130 --> 00:37:39,060

gonna say I I had this really awesome

878

00:37:45,710 --> 00:37:42,140

book it's called the conspiracy book

879

00:37:48,950 --> 00:37:45,720

hidden societies and and and uh and

880

00:37:53,089 --> 00:37:48,960

secret histories hold that book up yeah

881

00:37:55,370 --> 00:37:53,099

dude this is like this is like uh if Ben

882

00:37:57,589 --> 00:37:55,380

had like a green book like we would all

883

00:37:59,569 --> 00:37:57,599

hold them up we'd like morph like Power

884

00:38:02,210 --> 00:37:59,579

Rangers dude I know with our powers

885

00:38:06,410 --> 00:38:02,220

combined dude dope books by John Michael

886

00:38:08,270 --> 00:38:06,420

Greer right next to us yes that one's

887

00:38:09,910 --> 00:38:08,280

just blank that one's got [h__h] phone

888

00:38:13,609 --> 00:38:09,920

numbers in it

889

00:38:15,710 --> 00:38:13,619

it's a little black book it's got all my

890

00:38:17,089 --> 00:38:15,720

my favorite orders from Popeyes it has

891

00:38:18,790 --> 00:38:17,099

like a white crown on the front it says

892

00:38:22,390 --> 00:38:18,800

[h__\h] phone numbers

893

00:38:25,069 --> 00:38:22,400

do not open do nothing please

894

00:38:28,250 --> 00:38:25,079

passcode is

895

00:38:29,990 --> 00:38:28,260

written all back so before those people

896

00:38:32,030 --> 00:38:30,000

out there listening that are like yeah

897

00:38:34,550 --> 00:38:32,040

what like why is this guy think skull

898

00:38:36,829 --> 00:38:34,560

and bones is so important so it's not

899

00:38:39,290 --> 00:38:36,839

just Skull and Bones if I could share my

900

00:38:40,750 --> 00:38:39,300

screen I'll show you guys a slide that I

901
00:38:45,250 --> 00:38:40,760
have prepared

902
00:38:49,250 --> 00:38:45,260
yes it's not just skull and bones okay

903
00:38:52,490 --> 00:38:49,260
it seems like all of these colleges are

904
00:38:55,550 --> 00:38:52,500
lined up in one straight line okay you

905
00:38:57,109 --> 00:38:55,560
see this it's like a straight line and

906
00:39:00,170 --> 00:38:57,119
you gotta ask yourself like why would

907
00:39:03,109 --> 00:39:00,180
they all be on this line here and it's

908
00:39:06,890 --> 00:39:03,119
it's not like a pinpoint straight one

909
00:39:10,970 --> 00:39:06,900
inch wide line it's probably more like a

910
00:39:13,190 --> 00:39:10,980
five to ten mile wide uh area uh

911
00:39:16,970 --> 00:39:13,200
straight linear area it's got to give

912
00:39:19,310 --> 00:39:16,980
yeah it's what it is it's an energy path

913
00:39:22,250 --> 00:39:19,320

and whether or not it was there before

914

00:39:24,230 --> 00:39:22,260

or if they created it this way for a

915

00:39:26,569 --> 00:39:24,240

certain reason that's kind of what I've

916

00:39:28,670 --> 00:39:26,579

been trying to figure figure out and

917

00:39:31,490 --> 00:39:28,680

this one right here in the middle this

918

00:39:34,430 --> 00:39:31,500

comes from researcher Peter shampoo and

919

00:39:38,450 --> 00:39:34,440

what he does is he looks for sacred

920

00:39:41,150 --> 00:39:38,460

sites weird Geographic anomalous points

921

00:39:43,490 --> 00:39:41,160

uh strange stone structures and things

922

00:39:46,010 --> 00:39:43,500

like that and he plots them out and he

923

00:39:48,010 --> 00:39:46,020

finds that more often than not they have

924

00:39:50,569 --> 00:39:48,020

this sort of symmetrical

925

00:39:53,450 --> 00:39:50,579

relationship with one another in

926
00:39:55,849 --> 00:39:53,460
distance and in pattern and form here

927
00:39:58,190 --> 00:39:55,859
you can make this triangle but then

928
00:40:00,050 --> 00:39:58,200
there's also a center point right here I

929
00:40:02,050 --> 00:40:00,060
mean for folks who are interested you

930
00:40:05,150 --> 00:40:02,060
can find more about this at

931
00:40:06,109 --> 00:40:05,160
gaiamatrix.com what's in the center

932
00:40:12,710 --> 00:40:06,119
point

933
00:40:15,530 --> 00:40:12,720
Falls Massachusetts which has a a very

934
00:40:18,109 --> 00:40:15,540
interesting waterfall it has these sort

935
00:40:20,510 --> 00:40:18,119
of like uh type it's this type of stone

936
00:40:23,270 --> 00:40:20,520
that when water falls over it it creates

937
00:40:26,990 --> 00:40:23,280
these like perfect circles in the stone

938
00:40:28,970 --> 00:40:27,000

so it's like uh I forget what they I

939

00:40:31,849 --> 00:40:28,980

think they're called potholes because

940

00:40:35,930 --> 00:40:31,859

they look like a pothole but

941

00:40:38,450 --> 00:40:35,940

um you know it's it's it's just a a like

942

00:40:40,250 --> 00:40:38,460

a vase shape into the stone it's pretty

943

00:40:41,930 --> 00:40:40,260

wild to look at especially when it's

944

00:40:43,609 --> 00:40:41,940

filled up with water you kind of like

945

00:40:48,170 --> 00:40:43,619

stick your hand in it's like a little

946

00:40:51,050 --> 00:40:48,180

pool but um but this leyline here it

947

00:40:54,410 --> 00:40:51,060

goes all the way from Boston New York

948

00:40:57,170 --> 00:40:54,420

City Philadelphia Washington DC and then

949

00:40:59,750 --> 00:40:57,180

it goes through uh the southern part of

950

00:41:01,490 --> 00:40:59,760

the country Atlanta it goes through New

951

00:41:03,470 --> 00:41:01,500

Orleans and then it goes all the way

952

00:41:07,130 --> 00:41:03,480

down it connects to the Pyramid of the

953

00:41:10,430 --> 00:41:07,140

Sun in Mexico so all of these colleges

954

00:41:12,290 --> 00:41:10,440

are lined up with the Pyramid of the Sun

955

00:41:15,230 --> 00:41:12,300

and you got to ask yourself like what

956

00:41:17,630 --> 00:41:15,240

are the odds that the ivy league right

957

00:41:19,849 --> 00:41:17,640

the ivy league what is lvy it's a

958

00:41:22,970 --> 00:41:19,859

climbing branch that like kind of a lot

959

00:41:25,430 --> 00:41:22,980

like inches its way along why would the

960

00:41:27,050 --> 00:41:25,440

ivy league all be on this one line well

961

00:41:29,290 --> 00:41:27,060

maybe because there's some kind of

962

00:41:33,349 --> 00:41:29,300

leyline energy that they're tapping into

963

00:41:35,089 --> 00:41:33,359

and I've even heard some researchers a

964

00:41:37,849 --> 00:41:35,099

guy named uh

965

00:41:41,109 --> 00:41:37,859

a guy named oh geez how do I forget his

966

00:41:44,690 --> 00:41:41,119

name all of a sudden some guy spankman

967

00:41:48,349 --> 00:41:44,700

Walter Bosley is his name Walter Bosley

968

00:41:52,069 --> 00:41:48,359

talked about the 33rd degree of latitude

969

00:41:55,730 --> 00:41:52,079

which isn't a lay line but it's what he

970

00:41:59,150 --> 00:41:55,740

calls um like a UFO Highway and then the

971

00:42:01,609 --> 00:41:59,160

37th parallel is also considered like a

972

00:42:04,370 --> 00:42:01,619

UFO Highway I was going to ask you about

973

00:42:06,650 --> 00:42:04,380

that 33rd parallel because it's it's

974

00:42:09,170 --> 00:42:06,660

kind of right there in that area right

975

00:42:11,690 --> 00:42:09,180

it does intersect with well a lot of

976

00:42:14,569 --> 00:42:11,700

parallels intersect with this line that

977

00:42:16,790 --> 00:42:14,579

I just showed it's called Uh the Acadian

978

00:42:19,370 --> 00:42:16,800

Ley line that all these Ivy League

979

00:42:21,109 --> 00:42:19,380

schools are on and it doesn't just

980

00:42:23,630 --> 00:42:21,119

connect to the Pyramid of the sun it

981

00:42:26,030 --> 00:42:23,640

connects over if you go out of North

982

00:42:28,790 --> 00:42:26,040

America it sort of Curves and goes into

983

00:42:32,030 --> 00:42:28,800

Stonehenge where uh Stonehenge and

984

00:42:34,310 --> 00:42:32,040

avebury are in Great Britain so you know

985

00:42:36,230 --> 00:42:34,320

you gotta ask yourself like did they

986

00:42:38,510 --> 00:42:36,240

plan this do they have some kind of like

987

00:42:40,130 --> 00:42:38,520

device that can sense where this energy

988

00:42:42,890 --> 00:42:40,140

is flowing and they're like okay we'll

989

00:42:45,470 --> 00:42:42,900

build here you know like what is it

990

00:42:47,690 --> 00:42:45,480

about these energy lines and then why do

991

00:42:49,730 --> 00:42:47,700

we see UFOs traveling along them too

992

00:42:52,910 --> 00:42:49,740

because if there is an energy there

993

00:42:55,250 --> 00:42:52,920

maybe the UFO is tapping into that

994

00:42:58,190 --> 00:42:55,260

energy in order to move the way they

995

00:42:59,690 --> 00:42:58,200

move and you know there's the idea that

996

00:43:01,190 --> 00:42:59,700

these UFOs aren't coming from other

997

00:43:04,250 --> 00:43:01,200

planets but maybe they're coming from

998

00:43:05,809 --> 00:43:04,260

underground so maybe they built the Ley

999

00:43:07,670 --> 00:43:05,819

lines like they have some kind of like

1000

00:43:11,150 --> 00:43:07,680

energy generators I mean I'm getting

1001
00:43:13,309 --> 00:43:11,160
really relative here but oh yeah but the

1002
00:43:15,950 --> 00:43:13,319
Skull and Bones thing is is interesting

1003
00:43:18,410 --> 00:43:15,960
because it seems like they didn't just

1004
00:43:21,109 --> 00:43:18,420
pick on Geronimo they've collected a lot

1005
00:43:23,450 --> 00:43:21,119
of different people's skulls and you can

1006
00:43:26,329 --> 00:43:23,460
think of a skull as like the rock

1007
00:43:28,430 --> 00:43:26,339
version like the Rock part of you right

1008
00:43:30,890 --> 00:43:28,440
as a human being you have like Rock part

1009
00:43:33,349 --> 00:43:30,900
of you you have like you Dewayne The

1010
00:43:35,210 --> 00:43:33,359
Rock Johnson yeah well that's you've

1011
00:43:38,030 --> 00:43:35,220
been you're Cut From a Different Cloth

1012
00:43:41,390 --> 00:43:38,040
but then you have you have animal like

1013
00:43:44,450 --> 00:43:41,400

animal mineral uh plant that's like how

1014

00:43:46,130 --> 00:43:44,460

the occult or esoteric view of your body

1015

00:43:48,170 --> 00:43:46,140

is you have like your nervous system

1016

00:43:50,390 --> 00:43:48,180

would be like the plant component of

1017

00:43:51,890 --> 00:43:50,400

your body your flesh and all that would

1018

00:43:54,370 --> 00:43:51,900

be the animal part and then your

1019

00:43:57,170 --> 00:43:54,380

skeleton would be the mineral parts so

1020

00:44:00,890 --> 00:43:57,180

when you collect all of these like

1021

00:44:02,870 --> 00:44:00,900

skulls in one area what kind of energy

1022

00:44:05,510 --> 00:44:02,880

does that have you know human beings

1023

00:44:08,870 --> 00:44:05,520

build typically on Limestone because

1024

00:44:11,690 --> 00:44:08,880

Limestone has uh usually water near it

1025

00:44:14,089 --> 00:44:11,700

but it also has a sort of energy that

1026

00:44:16,370 --> 00:44:14,099

people say is why there's like sacred

1027

00:44:19,190 --> 00:44:16,380

sites built on Limestone there's certain

1028

00:44:21,470 --> 00:44:19,200

energy there so who knows maybe they're

1029

00:44:23,210 --> 00:44:21,480

trying to make like a Golgotha here in

1030

00:44:25,250 --> 00:44:23,220

the United States I don't know if you

1031

00:44:28,130 --> 00:44:25,260

guys know that what does that mean

1032

00:44:29,930 --> 00:44:28,140

what's good what's the word that golgoth

1033

00:44:32,210 --> 00:44:29,940

is a place in the Middle East where

1034

00:44:34,609 --> 00:44:32,220

Jesus Christ was crucified and they call

1035

00:44:37,130 --> 00:44:34,619

it that because it the word means skull

1036

00:44:39,050 --> 00:44:37,140

so this like place was like a hill that

1037

00:44:41,990 --> 00:44:39,060

looked like a skull and that's where

1038

00:44:45,710 --> 00:44:42,000

they crucified Christ so esoterically

1039

00:44:50,270 --> 00:44:45,720

occult speaking like you know a lot of

1040

00:44:52,490 --> 00:44:50,280

um this stuff sort of seeps in as symbol

1041

00:44:55,309 --> 00:44:52,500

um and and not to mention John the

1042

00:44:58,190 --> 00:44:55,319

Baptist who is is a sort of patron saint

1043

00:45:00,530 --> 00:44:58,200

to the Freemasons his skull was used by

1044

00:45:03,050 --> 00:45:00,540

the Templars for divination they would

1045

00:45:05,809 --> 00:45:03,060

hold it and look stare in its eyes and

1046

00:45:07,670 --> 00:45:05,819

like see the future or or flip it upside

1047

00:45:10,430 --> 00:45:07,680

down and drink out of it to like get

1048

00:45:12,650 --> 00:45:10,440

Divine Insight so you know what are they

1049

00:45:15,470 --> 00:45:12,660

doing with these skulls I've yet to find

1050

00:45:17,450 --> 00:45:15,480

out but it seems like those two

1051

00:45:18,710 --> 00:45:17,460

explanations are the most likely it's

1052

00:45:20,870 --> 00:45:18,720

either something to do with the

1053

00:45:24,410 --> 00:45:20,880

collective energy of collecting all that

1054

00:45:26,870 --> 00:45:24,420

material in one place or they're

1055

00:45:30,589 --> 00:45:26,880

physically using the skulls for you know

1056

00:45:32,630 --> 00:45:30,599

their own little rituals damn yeah I bet

1057

00:45:35,470 --> 00:45:32,640

they got George Bush senior's skull in

1058

00:45:40,790 --> 00:45:39,230

bring that up because the day how would

1059

00:45:43,790 --> 00:45:40,800

you ever know

1060

00:45:47,569 --> 00:45:43,800

that we could find out one day but so

1061

00:45:50,650 --> 00:45:47,579

the day George H.W bush passed away I

1062

00:45:53,569 --> 00:45:50,660

was in his former home okay

1063

00:45:56,569 --> 00:45:53,579

synchronistically I was delivering

1064

00:45:58,550 --> 00:45:56,579

pastries to the Yale economics

1065

00:46:01,130 --> 00:45:58,560

Department I worked for a bakery at the

1066

00:46:04,490 --> 00:46:01,140

time and the Yale economics department

1067

00:46:07,069 --> 00:46:04,500

is built inside of George H.W Bush's

1068

00:46:09,170 --> 00:46:07,079

former home so I look at the newspaper

1069

00:46:10,490 --> 00:46:09,180

as I'm leaving the building to like you

1070

00:46:13,010 --> 00:46:10,500

know get in my van and do the next

1071

00:46:14,930 --> 00:46:13,020

delivery and it says George H.W bush

1072

00:46:17,270 --> 00:46:14,940

passed away former resident of New Haven

1073

00:46:19,210 --> 00:46:17,280

88 Hillhouse Avenue and I'm like that's

1074

00:46:21,770 --> 00:46:19,220

where I am right now

1075

00:46:23,089 --> 00:46:21,780

like how does this happen you know and

1076

00:46:26,829 --> 00:46:23,099

you like get a notification on your

1077

00:46:29,210 --> 00:46:26,839

phone like get there get out of there

1078

00:46:32,270 --> 00:46:29,220

that and the the you know chance

1079

00:46:34,190 --> 00:46:32,280

encounter with Amos really pushed me to

1080

00:46:36,710 --> 00:46:34,200

be like okay you're not just some guy

1081

00:46:38,750 --> 00:46:36,720

like learn more about this because this

1082

00:46:40,609 --> 00:46:38,760

stuff is like calling out to you for

1083

00:46:43,430 --> 00:46:40,619

some reason you know and and I had

1084

00:46:45,950 --> 00:46:43,440

listened to dozens of podcasts about

1085

00:46:48,170 --> 00:46:45,960

conspiracies at that moment in time when

1086

00:46:50,630 --> 00:46:48,180

I was standing in George H.W Bush's home

1087

00:46:53,030 --> 00:46:50,640

so it was in my mind like oh maybe one

1088

00:46:55,190 --> 00:46:53,040

day I'll do a podcast like I didn't even

1089

00:46:57,589 --> 00:46:55,200

recorded anything at that point in time

1090

00:47:00,650 --> 00:46:57,599

but I really do believe like everybody

1091

00:47:02,510 --> 00:47:00,660

has those little uh symbols that come to

1092

00:47:04,970 --> 00:47:02,520

them at certain points in life and for

1093

00:47:06,829 --> 00:47:04,980

me for whatever reason it was like yo

1094

00:47:08,930 --> 00:47:06,839

you gotta keep learning about this and I

1095

00:47:11,089 --> 00:47:08,940

think it was mostly because of my

1096

00:47:13,609 --> 00:47:11,099

connection with Amos and like you know

1097

00:47:16,190 --> 00:47:13,619

the connection he has with Geronimo and

1098

00:47:19,550 --> 00:47:16,200

if geronimo's soul is really trapped in

1099

00:47:21,950 --> 00:47:19,560

the Tomb I would imagine he wants us on

1100

00:47:24,349 --> 00:47:21,960

the the in the waking reality to give

1101

00:47:26,750 --> 00:47:24,359

him some help to get back to where he

1102

00:47:32,210 --> 00:47:26,760

belongs instead of in some some dusty

1103

00:47:34,550 --> 00:47:32,220

basement you know yeah yeah I mean like

1104

00:47:36,650 --> 00:47:34,560

if you if you broke in there I mean what

1105

00:47:38,930 --> 00:47:36,660

you might do a little time right well

1106

00:47:41,150 --> 00:47:38,940

it's funny Amos used to say you know he

1107

00:47:43,550 --> 00:47:41,160

was when I met him he was out of prison

1108

00:47:45,950 --> 00:47:43,560

and homeless now he has a home and and

1109

00:47:48,050 --> 00:47:45,960

he has a job and all that but at the

1110

00:47:49,790 --> 00:47:48,060

time he was friends with all the guys on

1111

00:47:51,770 --> 00:47:49,800

the green and it's not exactly a

1112

00:47:54,349 --> 00:47:51,780

comfortable place to hang out it's sort

1113

00:47:55,970 --> 00:47:54,359

of a rough little area over there so he

1114

00:47:58,970 --> 00:47:55,980

had a lot of friends that he could have

1115

00:48:01,370 --> 00:47:58,980

recruited to jump uh that you know wall

1116

00:48:03,290 --> 00:48:01,380

and get into the tomb and break in and

1117

00:48:05,870 --> 00:48:03,300

he always told me that that would only

1118

00:48:07,430 --> 00:48:05,880

cause more harm you know he he told me

1119

00:48:09,290 --> 00:48:07,440

that because I suggested that too like

1120

00:48:11,450 --> 00:48:09,300

dude let's just break in you know I was

1121

00:48:13,430 --> 00:48:11,460

young dumb and full of you know what I

1122

00:48:15,950 --> 00:48:13,440

was like let's do it you know break in

1123

00:48:18,470 --> 00:48:15,960

and and he was like nah man we can't do

1124

00:48:21,170 --> 00:48:18,480

it like that they have to they have to

1125

00:48:23,390 --> 00:48:21,180

to make up for what they've done wrong

1126

00:48:25,730 --> 00:48:23,400

you know karmically they will have so

1127

00:48:29,390 --> 00:48:25,740

they yeah they basically have to like be

1128

00:48:31,490 --> 00:48:29,400

like okay look we did this where'd you

1129

00:48:33,650 --> 00:48:31,500

go you know here's the thing though so

1130

00:48:37,190 --> 00:48:33,660

the Skull and Bones tomb used to be a

1131

00:48:39,530 --> 00:48:37,200

lot smaller and in the 1800s there's a

1132

00:48:42,349 --> 00:48:39,540

group called the order of the file and

1133

00:48:44,089 --> 00:48:42,359

Claw and they decided that they were

1134

00:48:45,950 --> 00:48:44,099

going to figure out what Skull and Bones

1135

00:48:48,530 --> 00:48:45,960

were up to because at that point in time

1136

00:48:50,870 --> 00:48:48,540

Skull and Bones did like a takeover and

1137

00:48:53,030 --> 00:48:50,880

they took over the finances of Yale

1138

00:48:56,270 --> 00:48:53,040

University they pretty much owned Gale

1139

00:48:58,190 --> 00:48:56,280

University from within so and how did

1140

00:49:00,589 --> 00:48:58,200

they do that you're like how do these

1141

00:49:03,109 --> 00:49:00,599

kids do that well they actually it

1142

00:49:05,230 --> 00:49:03,119

wasn't the kids in school it was the you

1143

00:49:08,030 --> 00:49:05,240

know the people that graduated the

1144

00:49:10,550 --> 00:49:08,040

alumni and they had made a lot of money

1145

00:49:13,730 --> 00:49:10,560

in the oil business because oil had just

1146

00:49:15,829 --> 00:49:13,740

been discovered right so the Sheffield

1147

00:49:18,829 --> 00:49:15,839

Science school that was a separate

1148

00:49:20,990 --> 00:49:18,839

College became a part of Yale made all

1149

00:49:23,270 --> 00:49:21,000

this money with oil and then the people

1150

00:49:24,950 --> 00:49:23,280

who got successful in that Sheffield

1151

00:49:27,290 --> 00:49:24,960

Science school basically were like all

1152

00:49:29,270 --> 00:49:27,300

right we own Yale now and that and skull

1153

00:49:31,190 --> 00:49:29,280

and bones that was all them so they were

1154

00:49:33,829 --> 00:49:31,200

they like they were all Skull and Bones

1155

00:49:36,829 --> 00:49:33,839

members so this order of the file and

1156

00:49:39,410 --> 00:49:36,839

Claw they realize what happened and they

1157

00:49:41,569 --> 00:49:39,420

went and broke in to the tomb and they

1158

00:49:43,370 --> 00:49:41,579

found all this stuff they recorded what

1159

00:49:45,349 --> 00:49:43,380

you know this was in the late 1800s

1160

00:49:47,510 --> 00:49:45,359

there's no cell phones no pictures they

1161

00:49:50,030 --> 00:49:47,520

they were just recording everything with

1162

00:49:52,190 --> 00:49:50,040

hand you know drawing the layout of the

1163

00:49:53,930 --> 00:49:52,200

of the area and they printed it all in

1164

00:49:56,569 --> 00:49:53,940

the newspaper so it's in the public

1165

00:49:58,250 --> 00:49:56,579

record people can go and look this up

1166

00:50:00,170 --> 00:49:58,260

um and they published you know oh this

1167

00:50:02,510 --> 00:50:00,180

is what we found they have German

1168

00:50:04,490 --> 00:50:02,520

writing on their fireplace they have

1169

00:50:07,670 --> 00:50:04,500

skulls in the basement they have black

1170

00:50:10,430 --> 00:50:07,680

velvet on the walls like so

1171

00:50:12,710 --> 00:50:10,440

long story short after that Skull and

1172

00:50:15,890 --> 00:50:12,720

Bones beefed up their security and they

1173

00:50:17,690 --> 00:50:15,900

built uh like a wing like a second part

1174

00:50:20,930 --> 00:50:17,700

of the Tomb so now the tomb is double

1175

00:50:23,569 --> 00:50:20,940

sized and it's got some pretty hefty

1176
00:50:25,910 --> 00:50:23,579
security they also got like marbles on

1177
00:50:29,329 --> 00:50:25,920
the floor and [ʌ__ʌ] yeah they have

1178
00:50:31,670 --> 00:50:29,339
Macaulay Culkin staring paint cans come

1179
00:50:35,329 --> 00:50:31,680
from the seedling if you walk in

1180
00:50:38,210 --> 00:50:35,339
watch out for the doorknobs are very hot

1181
00:50:40,250 --> 00:50:38,220
well they they knew they knew that they

1182
00:50:43,130 --> 00:50:40,260
had to obscure themselves a bit because

1183
00:50:46,130 --> 00:50:43,140
at least this is my theory because uh

1184
00:50:48,530 --> 00:50:46,140
they paid for the art museum to be

1185
00:50:50,510 --> 00:50:48,540
rebuilt across the street which is right

1186
00:50:52,730 --> 00:50:50,520
next door to them and then they paid for

1187
00:50:55,130 --> 00:50:52,740
the two art museums the old one and the

1188
00:50:58,190 --> 00:50:55,140

new one to be connected so now there's

1189

00:50:59,630 --> 00:50:58,200

like a bridge that goes over the road so

1190

00:51:01,790 --> 00:50:59,640

you kind of drive through this tunnel

1191

00:51:03,710 --> 00:51:01,800

and then skull and bones is right on

1192

00:51:05,930 --> 00:51:03,720

your left immediately after the tunnel

1193

00:51:07,970 --> 00:51:05,940

so if you didn't know any better and you

1194

00:51:10,309 --> 00:51:07,980

just came to New Haven you might not

1195

00:51:12,650 --> 00:51:10,319

ever even drive by the tomb it's on a

1196

00:51:14,569 --> 00:51:12,660

little one-way street that doesn't you

1197

00:51:17,630 --> 00:51:14,579

know last very long it kind of turns off

1198

00:51:20,270 --> 00:51:17,640

onto another one-way street so my

1199

00:51:23,210 --> 00:51:20,280

thought is oh they they use their money

1200

00:51:25,609 --> 00:51:23,220

and influence to sort of uh build things

1201
00:51:28,370 --> 00:51:25,619
around the city because you see a lot of

1202
00:51:31,970 --> 00:51:28,380
art that has esoteric and a cult

1203
00:51:34,010 --> 00:51:31,980
symbolism engraved in within it and it's

1204
00:51:36,890 --> 00:51:34,020
like okay I can see what they're doing

1205
00:51:39,290 --> 00:51:36,900
here they're kind of building uh the the

1206
00:51:42,530 --> 00:51:39,300
energy to suit them you know they're

1207
00:51:44,270 --> 00:51:42,540
building this this this school for uh

1208
00:51:46,849 --> 00:51:44,280
skull and bones

1209
00:51:49,490 --> 00:51:46,859
I want to add something about like uh

1210
00:51:52,910 --> 00:51:49,500
an esoteric I guess point of view or or

1211
00:51:55,010 --> 00:51:52,920
practices is the the idea of

1212
00:51:57,170 --> 00:51:55,020
transition and the act of walking

1213
00:52:00,770 --> 00:51:57,180

through a doorway or a tunnel as you're

1214

00:52:03,170 --> 00:52:00,780

saying that can act subconsciously I I I

1215

00:52:05,150 --> 00:52:03,180

think like most of our reality is

1216

00:52:08,030 --> 00:52:05,160

subconscious and like the little tiny

1217

00:52:09,650 --> 00:52:08,040

percent is conscious that like makes our

1218

00:52:11,109 --> 00:52:09,660

decisions in the waking world right but

1219

00:52:12,890 --> 00:52:11,119

like most of our decisions are made

1220

00:52:14,630 --> 00:52:12,900

subconsciously and like through our

1221

00:52:18,950 --> 00:52:14,640

memories and our past

1222

00:52:20,569 --> 00:52:18,960

but the uh but the link to uh transition

1223

00:52:23,750 --> 00:52:20,579

like walking through a doorway through

1224

00:52:26,329 --> 00:52:23,760

through a tunnel that's gotta man that

1225

00:52:28,430 --> 00:52:26,339

if that's not a a blatant statement of

1226
00:52:30,790 --> 00:52:28,440
hey something important is gonna happen

1227
00:52:34,549 --> 00:52:30,800
as soon as you walk through or or

1228
00:52:37,430 --> 00:52:34,559
experience life through this tunnel or

1229
00:52:40,430 --> 00:52:37,440
or Gateway or portal if you will so

1230
00:52:43,010 --> 00:52:40,440
check this out Ben you you're you're

1231
00:52:45,650 --> 00:52:43,020
right on you're spot on can you see my

1232
00:52:48,950 --> 00:52:45,660
screen now oh yeah let me share it so

1233
00:52:51,230 --> 00:52:48,960
okay so this is at the end of that

1234
00:52:53,809 --> 00:52:51,240
street I just described so we have the

1235
00:52:56,030 --> 00:52:53,819
tunnel that you just mentioned is like a

1236
00:52:58,309 --> 00:52:56,040
Gateway and you walk through the tunnel

1237
00:53:00,710 --> 00:52:58,319
the tomb is on your left and if you

1238
00:53:04,849 --> 00:53:00,720

continue walking down this road you'll

1239

00:53:07,790 --> 00:53:04,859

get to the first ever graveyard built in

1240

00:53:10,849 --> 00:53:07,800

the United States now I should clarify

1241

00:53:13,549 --> 00:53:10,859

it's not the first burial ground it's

1242

00:53:16,309 --> 00:53:13,559

the first American graveyard so never

1243

00:53:18,230 --> 00:53:16,319

before had a graveyard been built like

1244

00:53:20,450 --> 00:53:18,240

this they called it the garden of the

1245

00:53:22,430 --> 00:53:20,460

Dead when it was built because it was so

1246

00:53:24,710 --> 00:53:22,440

you know fabulous the way it was

1247

00:53:27,049 --> 00:53:24,720

designed it was designed like a park you

1248

00:53:29,510 --> 00:53:27,059

know with with roads and spaces for

1249

00:53:33,109 --> 00:53:29,520

people to sit and grass and each other

1250

00:53:37,870 --> 00:53:33,119

there's like a ball pit and yeah there

1251
00:53:41,089 --> 00:53:37,880
is there's a yeah there's a stage

1252
00:53:43,250 --> 00:53:41,099
but either way that you walk through the

1253
00:53:45,349 --> 00:53:43,260
tunnel and then you get to the gates of

1254
00:53:47,870 --> 00:53:45,359
the Dead like you can see it says right

1255
00:53:50,270 --> 00:53:47,880
at the top here the dead shall be raised

1256
00:53:52,849 --> 00:53:50,280
not to mention it has this sort of

1257
00:53:54,829 --> 00:53:52,859
Egyptian Motif at the top

1258
00:53:56,750 --> 00:53:54,839
um here are some famous people that are

1259
00:53:58,309 --> 00:53:56,760
buried in this Cemetery the guy who

1260
00:53:59,930 --> 00:53:58,319
wrote the dictionary it's funny we

1261
00:54:00,790 --> 00:53:59,940
started this conversation talking about

1262
00:54:04,190 --> 00:54:00,800
inside

1263
00:54:06,589 --> 00:54:04,200

that's the Webster OG dude that's your

1264

00:54:08,990 --> 00:54:06,599

dictionary guy was buried in this

1265

00:54:11,690 --> 00:54:09,000

Cemetery uh Trowbridge not as

1266

00:54:14,089 --> 00:54:11,700

rememberable of a name but he he was

1267

00:54:17,049 --> 00:54:14,099

important as well and has like kind of

1268

00:54:19,670 --> 00:54:17,059

one of the more prominent and unique

1269

00:54:21,890 --> 00:54:19,680

headstones but a lot of big you know

1270

00:54:25,069 --> 00:54:21,900

movers and shakers of the 19th century

1271

00:54:27,710 --> 00:54:25,079

were buried here and um

1272

00:54:30,589 --> 00:54:27,720

I would imagine that if I was initiated

1273

00:54:32,870 --> 00:54:30,599

into Skull and Bones one of the things

1274

00:54:35,690 --> 00:54:32,880

that they would have me do would be to

1275

00:54:38,150 --> 00:54:35,700

walk from uh the the tomb to the

1276

00:54:40,730 --> 00:54:38,160

graveyard right because you know they're

1277

00:54:43,069 --> 00:54:40,740

all into ceremony and stuff my guess

1278

00:54:45,109 --> 00:54:43,079

though because most of New Haven has an

1279

00:54:46,670 --> 00:54:45,119

underground portion to it is that they

1280

00:54:49,609 --> 00:54:46,680

would do this underground they wouldn't

1281

00:54:53,510 --> 00:54:49,619

do it in the light of day or or even at

1282

00:54:56,450 --> 00:54:53,520

night it's New Haven's sort of a a busy

1283

00:54:59,390 --> 00:54:56,460

busy area it's a it's a city that

1284

00:55:02,030 --> 00:54:59,400

doesn't sleep to some extent so I don't

1285

00:55:04,130 --> 00:55:02,040

think they can do it like on the above

1286

00:55:06,470 --> 00:55:04,140

ground but I think they might do some

1287

00:55:08,329 --> 00:55:06,480

weird rituals Underground

1288

00:55:10,190 --> 00:55:08,339

anytime I think about like weird witch

1289

00:55:12,710 --> 00:55:10,200

rituals underground I think of that

1290

00:55:14,690 --> 00:55:12,720

scene and the movie Blade

1291

00:55:17,750 --> 00:55:14,700

um where they they walk into the vampire

1292

00:55:21,250 --> 00:55:17,760

club and it's like it's so over the top

1293

00:55:24,770 --> 00:55:21,260

where like they walk in it's like

1294

00:55:27,170 --> 00:55:24,780

and like Blood starts like like spraying

1295

00:55:28,370 --> 00:55:27,180

out of the the fire sprinklers like you

1296

00:55:30,230 --> 00:55:28,380

know if like there was a fire started

1297

00:55:32,150 --> 00:55:30,240

and like Sprinklers and there's like

1298

00:55:33,950 --> 00:55:32,160

blood instead of water and stuff

1299

00:55:36,530 --> 00:55:33,960

that's what I think of like every ritual

1300

00:55:38,150 --> 00:55:36,540

like everybody's got

1301

00:55:39,950 --> 00:55:38,160

his blood's spraying everywhere and

1302

00:55:41,650 --> 00:55:39,960

there's like the money to afford that

1303

00:55:44,870 --> 00:55:41,660

kind of stuff

1304

00:55:46,790 --> 00:55:44,880

the infrastructure that it takes the

1305

00:55:48,349 --> 00:55:46,800

wealthiest of the wealthy go to the

1306

00:55:51,710 --> 00:55:48,359

school so they might have some blood

1307

00:55:54,470 --> 00:55:51,720

sprinklers who knows uh I've been paying

1308

00:55:56,690 --> 00:55:54,480

those parties yet

1309

00:55:59,569 --> 00:55:56,700

dude that headstone

1310

00:56:01,970 --> 00:55:59,579

made me think of a really fun idea like

1311

00:56:04,430 --> 00:56:01,980

when I die like I'm just start saving

1312

00:56:05,809 --> 00:56:04,440

now dude like when I die I want to buy

1313

00:56:08,150 --> 00:56:05,819

like the biggest [h__h] headstone

1314

00:56:10,730 --> 00:56:08,160

anybody's ever seen like in our town is

1315

00:56:12,530 --> 00:56:10,740

it gonna be like like Snoopy with just

1316

00:56:14,030 --> 00:56:12,540

just I don't I don't I don't care what

1317

00:56:15,349 --> 00:56:14,040

it is it's just gotta be huge right it's

1318

00:56:20,170 --> 00:56:15,359

just got to be huge it's got to be

1319

00:56:25,130 --> 00:56:23,329

and then like and then like nobody will

1320

00:56:26,990 --> 00:56:25,140

know who I am right that's kind of the

1321

00:56:28,910 --> 00:56:27,000

funny part and then a legend will

1322

00:56:30,109 --> 00:56:28,920

eventually be born right because people

1323

00:56:31,670 --> 00:56:30,119

will be like where did this come from

1324

00:56:35,750 --> 00:56:31,680

there's some guy is gonna be like oh

1325

00:56:37,490 --> 00:56:35,760

yeah the guy he he pushed uh 100 fires

1326
00:56:39,770 --> 00:56:37,500
one time you should get ahead of it and

1327
00:56:43,250 --> 00:56:39,780
just have your headstone say like the

1328
00:56:46,970 --> 00:56:43,260
here lies Joe space traveler crashed

1329
00:56:48,770 --> 00:56:46,980
here in the year 2012 died immediately

1330
00:56:51,049 --> 00:56:48,780
and it was buried underneath his

1331
00:56:54,230 --> 00:56:51,059
Starship and your your headstone is just

1332
00:56:56,750 --> 00:56:54,240
a massive like Stone UFO yeah what if I

1333
00:56:58,670 --> 00:56:56,760
what if I started uh dude what if I what

1334
00:57:00,589 --> 00:56:58,680
if I started something crazy right where

1335
00:57:04,069 --> 00:57:00,599
like I get a headstone I put it out

1336
00:57:05,930 --> 00:57:04,079
there by a spot and then like you know

1337
00:57:08,030 --> 00:57:05,940
like I talk about how that's me in the

1338
00:57:09,890 --> 00:57:08,040

future I visited myself and I've passed

1339

00:57:12,589 --> 00:57:09,900

away and this has actually already

1340

00:57:14,510 --> 00:57:12,599

happened but I'm just I haven't gotten

1341

00:57:17,390 --> 00:57:14,520

there yet and it's it was a weird when I

1342

00:57:20,089 --> 00:57:17,400

came back it was a weird like time thing

1343

00:57:22,010 --> 00:57:20,099

to where like I still did we can't start

1344

00:57:24,230 --> 00:57:22,020

this now because now what they're gonna

1345

00:57:27,230 --> 00:57:24,240

need this in 10 years from now and be

1346

00:57:30,049 --> 00:57:27,240

like see Joe Hoke stuff I knew it I'm

1347

00:57:31,790 --> 00:57:30,059

gonna cut this and do that I'm from the

1348

00:57:34,370 --> 00:57:31,800

future can't you see I'm already dead

1349

00:57:37,430 --> 00:57:34,380

everyone live watching you're in on this

1350

00:57:39,230 --> 00:57:37,440

forget that and then we'll just roll and

1351

00:57:43,250 --> 00:57:39,240

like this didn't happen we'll cut it

1352

00:57:47,210 --> 00:57:46,069

well I had this UFO guide book sitting

1353

00:57:49,790 --> 00:57:47,220

here

1354

00:57:52,250 --> 00:57:49,800

because I thought maybe we would like at

1355

00:57:55,490 --> 00:57:52,260

some point open to a random page and be

1356

00:57:58,549 --> 00:57:55,500

like what is this about yes that sounds

1357

00:58:01,010 --> 00:57:58,559

awesome dude who who who wrote that book

1358

00:58:02,990 --> 00:58:01,020

and what year was it written or does it

1359

00:58:05,630 --> 00:58:03,000

say by chance do you know oh it

1360

00:58:09,490 --> 00:58:05,640

definitely says so this is the UFO guide

1361

00:58:13,130 --> 00:58:09,500

book written by Norman J

1362

00:58:17,990 --> 00:58:13,140

breyazak and Simon menick

1363

00:58:19,130 --> 00:58:18,000

um it was written in the year 1978 or at

1364

00:58:21,589 --> 00:58:19,140

least that's when it was published

1365

00:58:24,230 --> 00:58:21,599

because I feel like I've seen that book

1366

00:58:26,450 --> 00:58:24,240

probably I found that at a used

1367

00:58:27,770 --> 00:58:26,460

bookstore this week which is why I was

1368

00:58:30,710 --> 00:58:27,780

like oh I gotta get this because I'm

1369

00:58:34,010 --> 00:58:30,720

going on the UFO garage this is a UFO

1370

00:58:36,109 --> 00:58:34,020

guide book dude hell yeah yeah it's it's

1371

00:58:39,049 --> 00:58:36,119

interesting it's not just UFO stuff in

1372

00:58:40,849 --> 00:58:39,059

here but there there's a few stories I

1373

00:58:43,250 --> 00:58:40,859

thought you know maybe we'd flip to a

1374

00:58:46,069 --> 00:58:43,260

random one and I'd be like have you guys

1375

00:58:49,190 --> 00:58:46,079

heard of this one before maybe we could

1376

00:58:51,230 --> 00:58:49,200

do a a chat participation y'all uh type

1377

00:58:54,230 --> 00:58:51,240

out a number in between how many pages

1378

00:58:56,150 --> 00:58:54,240

are there yeah have them pick a random

1379

00:58:57,950 --> 00:58:56,160

number first person to put a number in

1380

00:59:02,329 --> 00:58:57,960

there's two has to be between the

1381

00:59:04,250 --> 00:59:02,339

numbers uh 20 and 240. 20 and 240 all

1382

00:59:05,450 --> 00:59:04,260

right first person to uh to post the

1383

00:59:07,250 --> 00:59:05,460

number

1384

00:59:09,950 --> 00:59:07,260

I got this sweet book

1385

00:59:12,710 --> 00:59:09,960

uh not too long ago it's pretty good too

1386

00:59:14,210 --> 00:59:12,720

it's called it's a big book yeah I don't

1387

00:59:16,670 --> 00:59:14,220

know I don't know about the title so

1388

00:59:19,490 --> 00:59:16,680

much but it says the big book of UFO

1389

00:59:22,250 --> 00:59:19,500

facts figures and truths it's pretty

1390

00:59:24,829 --> 00:59:22,260

neat it's got a bunch of like

1391

00:59:26,390 --> 00:59:24,839

just like actual accounts and stuff in

1392

00:59:29,569 --> 00:59:26,400

there like little reports that were

1393

00:59:32,569 --> 00:59:29,579

taken from like you know like airports

1394

00:59:34,789 --> 00:59:32,579

and and the Air Force and all kinds of

1395

00:59:38,089 --> 00:59:34,799

stuff it's pretty cool I like it hell

1396

00:59:41,470 --> 00:59:38,099

yeah all right Chad Smith from the Chad

1397

00:59:45,109 --> 00:59:41,480

Smith podcast uh

1398

00:59:49,250 --> 00:59:45,119

I love this I love that he all right we

1399

00:59:52,730 --> 00:59:49,260

got a news your one for 27. Chad you're

1400

00:59:54,650 --> 00:59:52,740

on it dude Angel's Hair the popular name

1401

00:59:58,069 --> 00:59:54,660

given to one of the most baffling

1402

01:00:00,410 --> 00:59:58,079

phenomena associated with UFOs have you

1403

01:00:02,990 --> 01:00:00,420

heard of Angel's Hair Angel's Hair no oh

1404

01:00:04,370 --> 01:00:03,000

oh like the the the structure the stuff

1405

01:00:07,130 --> 01:00:04,380

that came down during that like baseball

1406

01:00:09,650 --> 01:00:07,140

game or something maybe so Angel's Hair

1407

01:00:12,530 --> 01:00:09,660

is the long web-like filament of white

1408

01:00:15,470 --> 01:00:12,540

cotton-like or silky material which has

1409

01:00:18,950 --> 01:00:15,480

been reported to be discharged by UFOs

1410

01:00:21,230 --> 01:00:18,960

what it is what purpose it serves or

1411

01:00:23,569 --> 01:00:21,240

what connection it has with UFOs remains

1412

01:00:26,870 --> 01:00:23,579

a mystery shortly after it falls on the

1413

01:00:28,730 --> 01:00:26,880

ground or trees it disappears if Angel's

1414

01:00:31,609 --> 01:00:28,740

Hair is touched or handled by human

1415

01:00:34,670 --> 01:00:31,619

hands it also quickly disappears this

1416

01:00:38,030 --> 01:00:34,680

propensity to disintegrate if exposed to

1417

01:00:40,130 --> 01:00:38,040

air or handled in a way in any way has

1418

01:00:41,870 --> 01:00:40,140

hindered attempts to thoroughly analyze

1419

01:00:44,510 --> 01:00:41,880

it there's nothing scientifically

1420

01:00:46,910 --> 01:00:44,520

unusual about the ability of Angel's

1421

01:00:48,950 --> 01:00:46,920

Hair to disappear strictly speaking it

1422

01:00:51,829 --> 01:00:48,960

does not disappear but merely changes

1423

01:00:54,289 --> 01:00:51,839

chemical form Angel's Hair is probably a

1424

01:00:56,109 --> 01:00:54,299

highly perfected type of biodegradable

1425

01:00:59,150 --> 01:00:56,119

material

1426

01:01:02,270 --> 01:00:59,160

interesting strands of angel hair May

1427

01:01:05,089 --> 01:01:02,280

reach 50 feet preliminary analysis of

1428

01:01:08,690 --> 01:01:05,099

several specimens indicates it contains

1429

01:01:10,250 --> 01:01:08,700

Boron silicon magnesium and calcium they

1430

01:01:12,170 --> 01:01:10,260

need to eat those UFOs need to eat more

1431

01:01:15,109 --> 01:01:12,180

pineapples

1432

01:01:16,849 --> 01:01:15,119

they're shooting loads at 50 feet that's

1433

01:01:18,890 --> 01:01:16,859

impressive

1434

01:01:20,450 --> 01:01:18,900

I don't know pineapples are their

1435

01:01:22,670 --> 01:01:20,460

problems

1436

01:01:24,530 --> 01:01:22,680

dude can we do it can we do a couple

1437

01:01:28,309 --> 01:01:24,540

more that was freaking awesome yeah okay

1438

01:01:29,630 --> 01:01:28,319

Arlene says 69 of course of course yeah

1439

01:01:34,130 --> 01:01:29,640

that's what's up bro

1440

01:01:36,349 --> 01:01:34,140

all right 69. uh oh god well we have a

1441

01:01:41,030 --> 01:01:36,359

few choices here so we could either go

1442

01:01:43,010 --> 01:01:41,040

with debunker uh Demon Dark out or

1443

01:01:45,109 --> 01:01:43,020

determinism I'm gonna say dark out

1444

01:01:47,690 --> 01:01:45,119

sounds the most interesting let's try

1445

01:01:49,910 --> 01:01:47,700

dark out yeah we all know what debunkers

1446

01:01:50,930 --> 01:01:49,920

are and they say yeah yeah those are the

1447

01:01:53,690 --> 01:01:50,940

people that don't don't believe in

1448

01:01:56,329 --> 01:01:53,700

bunkers man smokers could be cool

1449

01:01:59,390 --> 01:01:56,339

sometimes because hoaxers do suck too

1450

01:02:02,150 --> 01:01:59,400

but anyways yeah dark out that's a good

1451

01:02:04,490 --> 01:02:02,160

point really an inexplicable Darkness

1452

01:02:06,530 --> 01:02:04,500

during the daytime which is not caused

1453

01:02:09,370 --> 01:02:06,540

by an eclipse or any known visible

1454

01:02:12,109 --> 01:02:09,380

phenomena quite frequently it is a very

1455

01:02:14,329 --> 01:02:12,119

localized phenomena lasting for only a

1456

01:02:16,789 --> 01:02:14,339

short period of time the darkness is

1457

01:02:18,950 --> 01:02:16,799

usually so intense that sight is

1458

01:02:21,470 --> 01:02:18,960

virtually impossible and light devices

1459

01:02:23,690 --> 01:02:21,480

are relatively quiet there have been

1460

01:02:26,270 --> 01:02:23,700

quite a few occasions of dark outs

1461

01:02:29,270 --> 01:02:26,280

reported to have occurred uh from the

1462

01:02:32,569 --> 01:02:29,280

Bible to even modern times they do not

1463

01:02:34,309 --> 01:02:32,579

give any examples of actual events

1464

01:02:35,870 --> 01:02:34,319

though that's disappointing have you

1465

01:02:37,670 --> 01:02:35,880

guys ever heard of dark out that's

1466

01:02:40,370 --> 01:02:37,680

pretty interesting

1467

01:02:42,530 --> 01:02:40,380

yeah I've never heard of Target got a

1468

01:02:43,970 --> 01:02:42,540

full-on dark out no I mean like I've

1469

01:02:46,069 --> 01:02:43,980

heard of like stuff getting in the way

1470

01:02:47,270 --> 01:02:46,079

like of like a light where like they'll

1471

01:02:48,890 --> 01:02:47,280

be hanging out and then they're like

1472

01:02:51,230 --> 01:02:48,900

then all of a sudden I couldn't see

1473

01:02:53,569 --> 01:02:51,240

nothing I looked up and there it was

1474

01:02:56,270 --> 01:02:53,579

yeah the only thing that comes to mind

1475

01:02:58,430 --> 01:02:56,280

was like crack it when Krakatoa exploded

1476

01:03:00,950 --> 01:02:58,440

in the Philippines it made the whole sky

1477

01:03:03,170 --> 01:03:00,960

dark in Europe like they had like a

1478

01:03:06,170 --> 01:03:03,180

really bad winter for like two years in

1479

01:03:08,870 --> 01:03:06,180

a row that's all that's not really UFO

1480

01:03:11,870 --> 01:03:08,880

related but yeah I was thinking about

1481

01:03:13,190 --> 01:03:11,880

like maybe like ancient like eclipses or

1482

01:03:16,250 --> 01:03:13,200

like you're saying you know like maybe

1483

01:03:17,390 --> 01:03:16,260

volcanoes or something crazy you know I

1484

01:03:20,870 --> 01:03:17,400

don't know but nothing like modern

1485

01:03:22,430 --> 01:03:20,880

modern day wise that's interesting

1486

01:03:25,609 --> 01:03:22,440

what about

1487

01:03:28,309 --> 01:03:25,619

chat we've got two let's do two more I

1488

01:03:31,910 --> 01:03:28,319

feel like so we got uh dogface boy and

1489

01:03:33,950 --> 01:03:31,920

Eric Mitchell so 32 and then 138. all

1490

01:03:36,650 --> 01:03:33,960

right this is the the chat is like uh

1491

01:03:38,420 --> 01:03:36,660

Joe's uh Encyclopedia collection they're

1492

01:03:44,270 --> 01:03:38,430

sticking with a through h

1493

01:03:49,130 --> 01:03:45,849

um

1494

01:03:51,109 --> 01:03:49,140

32. we have Kenneth Arnold have you guys

1495

01:03:53,690 --> 01:03:51,119

ever heard of Kenneth Arnold oh yeah

1496

01:03:58,450 --> 01:03:53,700

myself that uh he's the the uh he made

1497

01:04:02,630 --> 01:03:58,460

the coins the chocolate coins no okay

1498

01:04:05,450 --> 01:04:02,640

UFO got coined the term dude he's the

1499

01:04:10,849 --> 01:04:05,460

okay so he's the UFO chocolatier all

1500

01:04:13,190 --> 01:04:10,859

right on June 24th 1947 Kenneth Arnold a

1501
01:04:15,410 --> 01:04:13,200
businessman and commercial pilot from

1502
01:04:17,690 --> 01:04:15,420
Boise Idaho was flying past Mount

1503
01:04:19,849 --> 01:04:17,700
Rainier in Mount Rainier National Park

1504
01:04:22,490 --> 01:04:19,859
okay yeah I remember this this is like

1505
01:04:26,390 --> 01:04:22,500
the first sighting so he dubbed the term

1506
01:04:29,150 --> 01:04:26,400
flying saucers yeah he coined it so what

1507
01:04:31,730 --> 01:04:29,160
he said he said that they the way they

1508
01:04:34,069 --> 01:04:31,740
flew it was like they skipped across the

1509
01:04:36,170 --> 01:04:34,079
air like saucers on water and the

1510
01:04:40,270 --> 01:04:36,180
reporter misreported him and said they

1511
01:04:45,770 --> 01:04:43,010
interesting that we we brought saucers

1512
01:04:49,670 --> 01:04:45,780
up because of the Frisbee was invented

1513
01:04:51,530 --> 01:04:49,680

on Yale's campus the frisbee so you

1514

01:04:54,829 --> 01:04:51,540

could say that they they invented the

1515

01:04:56,990 --> 01:04:54,839

first flying saucer and that's pretty

1516

01:05:00,109 --> 01:04:57,000

interesting

1517

01:05:02,569 --> 01:05:00,119

that all came from a local pie shop that

1518

01:05:04,490 --> 01:05:02,579

they were like famous everybody loved

1519

01:05:06,950 --> 01:05:04,500

their pies so the kids would like

1520

01:05:08,750 --> 01:05:06,960

flatten the pie containers after they're

1521

01:05:10,670 --> 01:05:08,760

done eating and throw them around in

1522

01:05:14,750 --> 01:05:10,680

between classes that's how the Frisbee

1523

01:05:16,010 --> 01:05:14,760

was invented are you serious dude yeah I

1524

01:05:18,530 --> 01:05:16,020

have much more respect for Yale

1525

01:05:20,270 --> 01:05:18,540

University now a little local legend for

1526

01:05:22,190 --> 01:05:20,280

you there's a lot of local Legends but

1527

01:05:25,670 --> 01:05:22,200

if we're gonna get into the three triple

1528

01:05:29,089 --> 01:05:25,680

digits uh page 138 now we're leaving

1529

01:05:32,210 --> 01:05:29,099

Joe's Encyclopedia collection yeah was

1530

01:05:36,049 --> 01:05:32,220

this like in like the use yeah never

1531

01:05:39,410 --> 01:05:36,059

made it that far W's used 38 is a is a

1532

01:05:42,410 --> 01:05:39,420

long one we're gonna go with uh 139

1533

01:05:44,930 --> 01:05:42,420

because the we all know what momentum is

1534

01:05:49,010 --> 01:05:44,940

and that's what's on 138.

1535

01:05:50,750 --> 01:05:49,020

um Momo short for Missouri monster this

1536

01:05:52,930 --> 01:05:50,760

designation I thought it was going to be

1537

01:05:56,390 --> 01:05:52,940

a you're a Momo

1538

01:05:58,370 --> 01:05:56,400

designation refers to the methodic

1539

01:06:01,210 --> 01:05:58,380

Bigfoot have you guys ever heard of a

1540

01:06:06,109 --> 01:06:04,130

m-e-p-h-i-t-i-c a methodic Bigfoot is

1541

01:06:10,430 --> 01:06:06,119

that like Memphis does it mean it's from

1542

01:06:12,410 --> 01:06:10,440

yeah yeah area residing from Memphis so

1543

01:06:14,150 --> 01:06:12,420

they were in Missouri and that Bigfoot

1544

01:06:17,270 --> 01:06:14,160

they they could tell but the accent it

1545

01:06:19,849 --> 01:06:17,280

came from Tennessee exactly holy

1546

01:06:22,609 --> 01:06:19,859

oh my goodness holy Bigfoot so the

1547

01:06:24,950 --> 01:06:22,619

methetic Bigfoot type of creature the

1548

01:06:27,770 --> 01:06:24,960

sighting of which is in around the town

1549

01:06:30,130 --> 01:06:27,780

of Louisiana Missouri okay that's even

1550

01:06:32,750 --> 01:06:30,140

more confusing

1551

01:06:36,650 --> 01:06:32,760

this Missouri monster in Louisiana

1552

01:06:39,529 --> 01:06:36,660

Missouri during the second half of 1972

1553

01:06:41,809 --> 01:06:39,539

And it caused the storm of publicity

1554

01:06:43,970 --> 01:06:41,819

throughout the country the appearance of

1555

01:06:46,430 --> 01:06:43,980

the creature was usually preceded by

1556

01:06:49,849 --> 01:06:46,440

appearances of several spheres of light

1557

01:06:52,130 --> 01:06:49,859

and lights in the sky thus arguing a

1558

01:06:54,829 --> 01:06:52,140

strong connection for a UFO Bigfoot

1559

01:06:58,190 --> 01:06:55,510

um

1560

01:06:59,870 --> 01:06:58,200

have you guys ever interesting heard

1561

01:07:04,970 --> 01:06:59,880

stories like this I actually had a guy

1562

01:07:07,549 --> 01:07:04,980

on my podcast uh episode like 67 and he

1563

01:07:11,329 --> 01:07:07,559

talked about astral projecting with

1564

01:07:13,549 --> 01:07:11,339

Bigfoot and he astral projected into a

1565

01:07:16,250 --> 01:07:13,559

field where there was a bunch of Bigfoot

1566

01:07:18,349 --> 01:07:16,260

holding hands and they told him that

1567

01:07:21,289 --> 01:07:18,359

your people need to learn how to be

1568

01:07:23,450 --> 01:07:21,299

kinder and uh they had him like hold

1569

01:07:26,390 --> 01:07:23,460

hands and then they all floated into a

1570

01:07:29,690 --> 01:07:26,400

UFO uh and I I know that was an actual

1571

01:07:32,510 --> 01:07:29,700

projection but still it it's kind of

1572

01:07:36,950 --> 01:07:32,520

kind of an interesting scenery for a

1573

01:07:39,470 --> 01:07:36,960

Bigfoot to float into a UFO I have heard

1574

01:07:42,250 --> 01:07:39,480

some very interesting yeah some

1575

01:07:45,710 --> 01:07:42,260

involving UFOs yeah astral projection

1576

01:07:47,569 --> 01:07:45,720

you know dimensional beings like all

1577

01:07:49,309 --> 01:07:47,579

kinds of stuff dude like I mean there's

1578

01:07:51,829 --> 01:07:49,319

there's like there's no limits on that

1579

01:07:54,230 --> 01:07:51,839

UF on the on the Bigfoot stuff it's it's

1580

01:07:56,029 --> 01:07:54,240

pretty wild you know but then you look

1581

01:07:58,069 --> 01:07:56,039

at it and you're like okay

1582

01:07:59,510 --> 01:07:58,079

what do I believe in

1583

01:08:02,870 --> 01:07:59,520

and I'm like okay well I believe that's

1584

01:08:05,750 --> 01:08:02,880

possible with like a little gray guy and

1585

01:08:07,910 --> 01:08:05,760

like a maybe maybe like a metal

1586

01:08:11,089 --> 01:08:07,920

spaceship like why could why couldn't

1587

01:08:12,609 --> 01:08:11,099

like a a giant animal just do that too

1588

01:08:16,930 --> 01:08:12,619

you know

1589

01:08:20,450 --> 01:08:16,940

well oh Tenacious D Sasquatch

1590

01:08:22,729 --> 01:08:20,460

okay I I forgot I got I'm sure surely

1591

01:08:25,309 --> 01:08:22,739

it's a baby Squad

1592

01:08:27,530 --> 01:08:25,319

I looked up uh what mephitic the

1593

01:08:29,450 --> 01:08:27,540

definition so I just want to apologize

1594

01:08:31,070 --> 01:08:29,460

to everyone in Memphis it doesn't have

1595

01:08:33,650 --> 01:08:31,080

anything to do with Memphis it actually

1596

01:08:34,729 --> 01:08:33,660

means offensive smell

1597

01:08:36,950 --> 01:08:34,739

so

1598

01:08:39,130 --> 01:08:36,960

they could have called it a stinky

1599

01:08:41,450 --> 01:08:39,140

Bigfoot and that's so different trouble

1600

01:08:43,189 --> 01:08:41,460

oh God

1601

01:08:44,390 --> 01:08:43,199

problem with uh with all these

1602

01:08:45,829 --> 01:08:44,400

reportings people want to report

1603

01:08:48,169 --> 01:08:45,839

something crazy but they want to sound

1604

01:08:49,550 --> 01:08:48,179

smart too and then it just confuses

1605

01:08:51,050 --> 01:08:49,560

everybody I don't even know what that

1606

01:08:53,090 --> 01:08:51,060

means I don't know what a Bigfoot is and

1607

01:08:55,189 --> 01:08:53,100

I don't know what amphitic means yeah

1608

01:08:56,269 --> 01:08:55,199

leave your thesaurus at home on your

1609

01:08:59,329 --> 01:08:56,279

squatching

1610

01:09:01,010 --> 01:08:59,339

I saw this stinky looking monkey and uh

1611

01:09:10,849 --> 01:09:01,020

it scared me that's a better report

1612

01:09:20,209 --> 01:09:15,590

good to see you fall off oh

1613

01:09:20,219 --> 01:09:26,829

look at it and he's going to protect me

1614

01:09:32,090 --> 01:09:29,650

uh if you haven't seen that music video

1615

01:09:34,430 --> 01:09:32,100

just type in Tenacious D Sasquatch

1616

01:09:37,490 --> 01:09:34,440

that's amazing I have seen that a long

1617

01:09:40,490 --> 01:09:37,500

time ago I like that so that's just my

1618

01:09:43,249 --> 01:09:40,500

daddy and he's going to protect

1619

01:09:45,950 --> 01:09:43,259

this is it's in the movie right pick a

1620

01:09:48,530 --> 01:09:45,960

destiny yeah he's like he he's like he

1621

01:09:51,890 --> 01:09:48,540

eats mushrooms and he he's tripping out

1622

01:09:53,630 --> 01:09:51,900

yes I've seen that I'm like oh I'm so

1623

01:09:58,250 --> 01:09:53,640

hungry and he sits on that tree and

1624

01:10:03,470 --> 01:09:59,990

BRB boys

1625

01:10:09,950 --> 01:10:06,050

that's all right he'll miss out on this

1626

01:10:13,010 --> 01:10:09,960

we we got unless he's listening uh

1627

01:10:16,610 --> 01:10:13,020

remember how I mentioned that the

1628

01:10:19,010 --> 01:10:16,620

New Haven and all those cities are in

1629

01:10:22,490 --> 01:10:19,020

line with the city of the or the Pyramid

1630

01:10:26,209 --> 01:10:22,500

of the sun down there in Mexico so in

1631

01:10:29,990 --> 01:10:26,219

New Haven the tallest building that's

1632

01:10:33,110 --> 01:10:30,000

right across the street from the um the

1633

01:10:37,370 --> 01:10:33,120

green which by the way has over 6 000

1634

01:10:39,590 --> 01:10:37,380

bodies buried in the ground so imagine

1635

01:10:42,830 --> 01:10:39,600

like you know any Town green like the

1636

01:10:46,250 --> 01:10:42,840

center of town but it's also a burial

1637

01:10:48,590 --> 01:10:46,260

ground so why that is is that's just how

1638

01:10:50,330 --> 01:10:48,600

they did it back in the 1600s when the

1639

01:10:52,370 --> 01:10:50,340

the town was founded it was a lot

1640

01:10:54,110 --> 01:10:52,380

smaller and that's where the churches

1641

01:10:56,450 --> 01:10:54,120

were in the center of town so they would

1642

01:10:59,450 --> 01:10:56,460

bury people behind the church and or in

1643

01:11:01,610 --> 01:10:59,460

front of the church and and so this

1644

01:11:03,890 --> 01:11:01,620

public space where people hang out and

1645

01:11:05,930 --> 01:11:03,900

take a break from work or wait for the

1646

01:11:08,330 --> 01:11:05,940

bus has all these people buried

1647

01:11:11,390 --> 01:11:08,340

underneath it and the tallest building

1648

01:11:15,290 --> 01:11:11,400

right across the street has three

1649

01:11:17,510 --> 01:11:15,300

pyramid shaped roof caps right when you

1650

01:11:20,209 --> 01:11:17,520

look at them from the top when you use

1651

01:11:23,570 --> 01:11:20,219

Google Earth it looks just like the

1652

01:11:25,189 --> 01:11:23,580

layout of the pyramids in Egypt where

1653

01:11:27,110 --> 01:11:25,199

you have like the large one in the

1654

01:11:30,649 --> 01:11:27,120

center and the two smaller ones to the

1655

01:11:34,070 --> 01:11:30,659

side it's it's it's identical to that so

1656

01:11:36,350 --> 01:11:34,080

you know I'm sort of convinced at this

1657

01:11:38,689 --> 01:11:36,360

point that it's it's like a sacrificial

1658

01:11:41,209 --> 01:11:38,699

energy that's being pulled along this

1659

01:11:44,149 --> 01:11:41,219

college line you know you think about

1660

01:11:45,830 --> 01:11:44,159

college like you know not everybody who

1661

01:11:47,689 --> 01:11:45,840

goes through college is going to have

1662

01:11:49,310 --> 01:11:47,699

the same outcome they might go to the

1663

01:11:51,530 --> 01:11:49,320

same school they might even be in the

1664

01:11:53,090 --> 01:11:51,540

same class but one of those guys in

1665

01:11:55,130 --> 01:11:53,100

class he's going to go on to be the

1666

01:11:57,350 --> 01:11:55,140

President right whereas another person

1667

01:11:59,330 --> 01:11:57,360

might end up being a janitor you know

1668

01:12:01,250 --> 01:11:59,340

whatever or not that being a janitor is

1669

01:12:03,229 --> 01:12:01,260

bad but it's just a difference in in

1670

01:12:06,590 --> 01:12:03,239

what you're doing and I think to some

1671

01:12:10,189 --> 01:12:06,600

extent like there is this like a

1672

01:12:12,830 --> 01:12:10,199

hierarchical ritual of elitism that's

1673

01:12:15,530 --> 01:12:12,840

baked into our society through the

1674

01:12:17,209 --> 01:12:15,540

university system oh thank you smoking

1675

01:12:19,729 --> 01:12:17,219

Joe

1676

01:12:22,910 --> 01:12:19,739

the two stops back cool dude man

1677

01:12:26,209 --> 01:12:22,920

right on so that that would be why you

1678

01:12:30,169 --> 01:12:26,219

know why I'm fascinated with this and

1679

01:12:32,570 --> 01:12:30,179

another thing is with uh with Gematria

1680

01:12:34,430 --> 01:12:32,580

have you guys ever dove into geometry at

1681

01:12:36,950 --> 01:12:34,440

all and like all this number magic stuff

1682

01:12:39,649 --> 01:12:36,960

personally I find a lot of it to be

1683

01:12:41,209 --> 01:12:39,659

confusing and also it's like to a

1684

01:12:43,209 --> 01:12:41,219

certain extent you can make anything

1685

01:12:46,130 --> 01:12:43,219

mean anything

1686

01:12:49,669 --> 01:12:46,140

which is why I'm a little bit sus about

1687

01:12:52,430 --> 01:12:49,679

it but here's one example of weird

1688

01:12:56,270 --> 01:12:52,440

number magic going on in New Haven so

1689

01:12:58,790 --> 01:12:56,280

you have this area of New Haven where

1690

01:13:02,570 --> 01:12:58,800

originally when the town was built it

1691

01:13:05,330 --> 01:13:02,580

was nine squares like a grid okay and

1692

01:13:07,189 --> 01:13:05,340

when you look at the grid you would

1693

01:13:09,590 --> 01:13:07,199

imagine if you were to number them it

1694

01:13:12,470 --> 01:13:09,600

would go numerically one two three four

1695

01:13:14,390 --> 01:13:12,480

five six seven eight nine well when you

1696

01:13:17,270 --> 01:13:14,400

look at the ninth Square

1697

01:13:18,770 --> 01:13:17,280

it's the only part of New Haven where

1698

01:13:20,390 --> 01:13:18,780

they're like hey welcome to ninth Square

1699

01:13:21,830 --> 01:13:20,400

they don't say that in the third Square

1700

01:13:24,530 --> 01:13:21,840

they don't say that in the second Square

1701

01:13:25,850 --> 01:13:24,540

it's just this one part of the New Haven

1702

01:13:28,550 --> 01:13:25,860

city where it's like hey welcome to

1703

01:13:30,470 --> 01:13:28,560

ninth square and it's not numerical it's

1704

01:13:33,410 --> 01:13:30,480

not in the corner where you'd expect it

1705

01:13:36,890 --> 01:13:33,420

to be it's one over in the center of the

1706

01:13:38,270 --> 01:13:36,900

bottom row of this nine square grids so

1707

01:13:40,430 --> 01:13:38,280

try to picture that in your mind right

1708

01:13:43,669 --> 01:13:40,440

you have one two three four five six

1709

01:13:47,990 --> 01:13:43,679

seven nine eight right nine is where the

1710

01:13:49,669 --> 01:13:48,000

eight should be and why is that well if

1711

01:13:51,709 --> 01:13:49,679

you remember math class when you're

1712

01:13:53,270 --> 01:13:51,719

younger your teacher might have taught

1713

01:13:56,930 --> 01:13:53,280

you about this thing called the magic

1714

01:14:00,050 --> 01:13:56,940

square which is when you put the numbers

1715

01:14:03,590 --> 01:14:00,060

one through nine into the nine square

1716

01:14:06,050 --> 01:14:03,600

box in a certain order you get an

1717

01:14:08,330 --> 01:14:06,060

equation where no matter which way you

1718

01:14:11,689 --> 01:14:08,340

do addition you get the same

1719

01:14:13,669 --> 01:14:11,699

uh some right so if you go from top to

1720

01:14:15,050 --> 01:14:13,679

bottom you get the number 15 if you go

1721

01:14:16,910 --> 01:14:15,060

from left to right you get the number

1722

01:14:19,610 --> 01:14:16,920

15. if you go the other way you get the

1723

01:14:21,470 --> 01:14:19,620

number 15. and when you arrange the

1724

01:14:23,810 --> 01:14:21,480

numerals one through nine

1725

01:14:26,570 --> 01:14:23,820

the only order that makes sense to do

1726

01:14:27,890 --> 01:14:26,580

that is in this number that I you know I

1727

01:14:30,649 --> 01:14:27,900

don't have it off the top of my head but

1728

01:14:33,350 --> 01:14:30,659

the nine would be in that position in

1729

01:14:35,209 --> 01:14:33,360

the bottom row in the center so I'm like

1730

01:14:39,470 --> 01:14:35,219

maybe they're doing some kind of magic

1731

01:14:41,209 --> 01:14:39,480

square with him we lay out and then you

1732

01:14:44,090 --> 01:14:41,219

look at the and I'll show you guys my

1733

01:14:46,189 --> 01:14:44,100

slide here that I have prepared

1734

01:14:48,410 --> 01:14:46,199

um when you look at the the New Haven

1735

01:14:50,689 --> 01:14:48,420

green which is the center of the square

1736

01:14:53,689 --> 01:14:50,699

it's the center square and the nine

1737

01:14:56,330 --> 01:14:53,699

square grid it has all these lines that

1738

01:14:57,830 --> 01:14:56,340

cut through it and you know from one

1739

01:14:59,930 --> 01:14:57,840

angle it kind of looks like a pentagram

1740

01:15:01,910 --> 01:14:59,940

from another another angle it kind of

1741

01:15:05,270 --> 01:15:01,920

looks like a triangle and I'm like well

1742

01:15:08,209 --> 01:15:05,280

what if they're like drawing lines to

1743

01:15:10,790 --> 01:15:08,219

each Square to be like okay we're going

1744

01:15:13,070 --> 01:15:10,800

to make a little like coded message here

1745

01:15:14,630 --> 01:15:13,080

like three seven eight you know and

1746

01:15:16,970 --> 01:15:14,640

they're making some kind of message like

1747

01:15:18,950 --> 01:15:16,980

by drawing lines through this magic

1748

01:15:21,950 --> 01:15:18,960

square I've got to see this photo

1749

01:15:25,250 --> 01:15:21,960

because I'm I'm Googling uh all I'm

1750

01:15:26,870 --> 01:15:25,260

coming up with is sudoku uh things right

1751

01:15:29,510 --> 01:15:26,880

now I think

1752

01:15:32,570 --> 01:15:29,520

okay well I'll get i'll get my slide

1753

01:15:35,390 --> 01:15:32,580

back up sorry a little laggy over here

1754

01:15:38,870 --> 01:15:35,400

when I always program I always wondered

1755

01:15:41,630 --> 01:15:38,880

too like all these uh these geometric

1756

01:15:43,910 --> 01:15:41,640

shapes that you know there's even like

1757

01:15:46,669 --> 01:15:43,920

uh there was this thing I was watching

1758

01:15:48,709 --> 01:15:46,679

on like Washington DC how their their

1759

01:15:51,470 --> 01:15:48,719

streets are laid out and like they have

1760

01:15:53,870 --> 01:15:51,480

like weird uh sacred geometry like

1761

01:15:56,149 --> 01:15:53,880

meanings and stuff and it just all deals

1762

01:15:57,830 --> 01:15:56,159

with like the occult and and things like

1763

01:15:59,390 --> 01:15:57,840

that right they were all like Masons and

1764

01:16:01,610 --> 01:15:59,400

stuff and so they set up these little

1765

01:16:02,810 --> 01:16:01,620

secret hidden messages everywhere and

1766

01:16:05,030 --> 01:16:02,820

then I always thought to myself like

1767

01:16:08,390 --> 01:16:05,040

what if you took that geometrical like

1768

01:16:09,830 --> 01:16:08,400

image and you like created like a 3D

1769

01:16:12,649 --> 01:16:09,840

rendering like you're able to like bring

1770

01:16:14,750 --> 01:16:12,659

it off the ground and map all the

1771

01:16:17,209 --> 01:16:14,760

different you know points of it like

1772

01:16:19,610 --> 01:16:17,219

what what shape would that make

1773

01:16:23,149 --> 01:16:19,620

three-dimensionally it would make it

1774

01:16:26,149 --> 01:16:23,159

would make uh uh the book of ezekiel's

1775

01:16:29,510 --> 01:16:26,159

fifth uh what is like this Angel

1776

01:16:34,430 --> 01:16:29,520

depiction of uh or not Ezekiel uh what's

1777

01:16:40,010 --> 01:16:36,590

uh where he's like trying to describe

1778

01:16:42,410 --> 01:16:40,020

this uh multi he's basically describing

1779

01:16:45,350 --> 01:16:42,420

a multi-dimensional being like take it

1780

01:16:47,750 --> 01:16:45,360

take a take like a cube like if you're

1781

01:16:50,030 --> 01:16:47,760

talking to a two-dimensional object and

1782

01:16:50,870 --> 01:16:50,040

trying to describe what a cube looks

1783

01:16:53,390 --> 01:16:50,880

like

1784

01:16:55,370 --> 01:16:53,400

you fold it out which I mean if you fold

1785

01:16:56,930 --> 01:16:55,380

out a cube it's a cross dog because

1786

01:16:59,030 --> 01:16:56,940

that's the whole thing right you you

1787

01:17:00,709 --> 01:16:59,040

start out with like the circle and then

1788

01:17:02,630 --> 01:17:00,719

you add the other circles and then you

1789

01:17:04,430 --> 01:17:02,640

get life and then you get like whatever

1790

01:17:06,770 --> 01:17:04,440

the middle thing is then you get the

1791

01:17:08,689 --> 01:17:06,780

death ring the circle and then when you

1792

01:17:11,930 --> 01:17:08,699

do enough of them you eventually come to

1793

01:17:15,290 --> 01:17:11,940

what they call metatron's cube right

1794

01:17:16,910 --> 01:17:15,300

which is the final uh depiction of all

1795

01:17:18,110 --> 01:17:16,920

those circles and from there you then

1796

01:17:20,750 --> 01:17:18,120

move out

1797

01:17:23,090 --> 01:17:20,760

and create a whole another you know

1798

01:17:25,550 --> 01:17:23,100

section of these circles but they all

1799

01:17:26,810 --> 01:17:25,560

end into this metatron's Cube and so

1800

01:17:28,430 --> 01:17:26,820

it's weird because you take all these

1801

01:17:31,250 --> 01:17:28,440

geometric shapes with all these secret

1802

01:17:33,830 --> 01:17:31,260

societies building cities and [h__h] and

1803

01:17:35,750 --> 01:17:33,840

then you're like okay they put this here

1804

01:17:37,010 --> 01:17:35,760

you're making a little map of it now

1805

01:17:38,990 --> 01:17:37,020

what if we bring that out

1806

01:17:41,450 --> 01:17:39,000

three-dimensional what is it saying the

1807

01:17:44,090 --> 01:17:41,460

you know is there a message to that

1808

01:17:46,189 --> 01:17:44,100

I love where you're going with that I

1809

01:17:48,709 --> 01:17:46,199

hadn't crossed my mind but I I

1810

01:17:51,709 --> 01:17:48,719

definitely I'm gonna look into that

1811

01:17:54,229 --> 01:17:51,719

share the screen yes oh wow I love that

1812

01:17:55,930 --> 01:17:54,239

I was gonna say that's the Tesseract uh

1813

01:17:57,770 --> 01:17:55,940

there is I was gonna show the

1814

01:18:01,250 --> 01:17:57,780

dodecahedron we were talking about this

1815

01:18:03,709 --> 01:18:01,260

earlier and uh the the the image that

1816

01:18:06,649 --> 01:18:03,719

you shared earlier Mark I was like it

1817

01:18:08,330 --> 01:18:06,659

looks like a lot like the uh well it's

1818

01:18:11,570 --> 01:18:08,340

it's the the

1819

01:18:13,189 --> 01:18:11,580

it's not exactly the uh the dodecahedron

1820

01:18:16,790 --> 01:18:13,199

but uh there was an image that you

1821

01:18:19,550 --> 01:18:16,800

shared earlier that looked a lot like

1822

01:18:22,370 --> 01:18:19,560

um the the Judea star but but it

1823

01:18:23,570 --> 01:18:22,380

encapsiled in in with an outline uh so

1824

01:18:24,890 --> 01:18:23,580

that's why I brought it up anyway I'm

1825

01:18:27,950 --> 01:18:24,900

just like filtering through my tabs

1826

01:18:31,310 --> 01:18:27,960

let's share your uh uh tab with the with

1827

01:18:33,770 --> 01:18:31,320

the one through nine image there it is

1828

01:18:35,750 --> 01:18:33,780

so here we are this is what I was

1829

01:18:37,850 --> 01:18:35,760

explaining before

1830

01:18:40,610 --> 01:18:37,860

um but let me go back a little bit so

1831

01:18:42,590 --> 01:18:40,620

this is the town of New Haven's green

1832

01:18:44,090 --> 01:18:42,600

this is what it looks like today right

1833

01:18:46,070 --> 01:18:44,100

this is what it looks like when you're

1834

01:18:48,830 --> 01:18:46,080

facing the East there's the water there

1835

01:18:51,709 --> 01:18:48,840

and the water actually used to flow all

1836

01:18:54,050 --> 01:18:51,719

the way up to where the green is but

1837

01:18:57,410 --> 01:18:54,060

they have filled it in uh since then

1838

01:18:59,390 --> 01:18:57,420

hence the name Long Wharf over here in

1839

01:19:01,790 --> 01:18:59,400

the South it's called Long Wharf this

1840

01:19:03,770 --> 01:19:01,800

was all one big Wharf and it was a big

1841

01:19:05,870 --> 01:19:03,780

you know deep Channel they would ship

1842

01:19:09,110 --> 01:19:05,880

all kinds of stuff they actually had a

1843

01:19:11,930 --> 01:19:09,120

an event in this early 1700s is where a

1844

01:19:13,850 --> 01:19:11,940

ship was sailed off to Boston they're

1845

01:19:15,470 --> 01:19:13,860

going to sell a bunch of goods all these

1846

01:19:18,770 --> 01:19:15,480

furs that they had traded with the

1847

01:19:22,130 --> 01:19:18,780

Indians and the uh the ship never came

1848

01:19:25,310 --> 01:19:22,140

back and nobody ever saw them again and

1849

01:19:27,950 --> 01:19:25,320

I think like the night of the ship

1850

01:19:30,169 --> 01:19:27,960

departing they saw a ghost ship flying

1851
01:19:32,209 --> 01:19:30,179
through the sky over New Haven and that

1852
01:19:33,649 --> 01:19:32,219
was taken to be like an omen that oh

1853
01:19:36,350 --> 01:19:33,659
well you're never gonna see that again

1854
01:19:38,149 --> 01:19:36,360
but uh anyways

1855
01:19:41,930 --> 01:19:38,159
so that's why you have this ship right

1856
01:19:44,570 --> 01:19:41,940
here on there the the old seal uh for

1857
01:19:46,250 --> 01:19:44,580
New Haven so this is that pattern I was

1858
01:19:48,770 --> 01:19:46,260
telling you guys about it's not quite a

1859
01:19:50,510 --> 01:19:48,780
pentagram uh we have an eight-sided

1860
01:19:53,510 --> 01:19:50,520
Fountain here which connects to some

1861
01:19:56,390 --> 01:19:53,520
Roman architecture uh but let's go over

1862
01:19:59,870 --> 01:19:56,400
to the the real nitty-gritty fun stuff

1863
01:20:02,510 --> 01:19:59,880

so uh you can see the nine square is

1864

01:20:05,209 --> 01:20:02,520

based on the Temple of Solomon New Haven

1865

01:20:08,390 --> 01:20:05,219

is not the only town to do this the guy

1866

01:20:11,149 --> 01:20:08,400

who uh surveyed the town of New Haven

1867

01:20:14,689 --> 01:20:11,159

was a Cambridge educated night he was a

1868

01:20:18,350 --> 01:20:14,699

knight and uh he was also an Indian

1869

01:20:21,950 --> 01:20:18,360

government dispute settler uh surveyor

1870

01:20:23,990 --> 01:20:21,960

Soldier civil engineer and a surgeon uh

1871

01:20:26,330 --> 01:20:24,000

and he also surveyed Elizabeth New

1872

01:20:28,790 --> 01:20:26,340

Jersey as well as New Haven Connecticut

1873

01:20:30,890 --> 01:20:28,800

but anyways we have our nine square that

1874

01:20:32,510 --> 01:20:30,900

I was telling you guys about and here is

1875

01:20:34,310 --> 01:20:32,520

the order that you can put the numbers

1876

01:20:38,330 --> 01:20:34,320

one through nine in and you get the

1877

01:20:41,930 --> 01:20:38,340

numeral 15 each time now wow here's the

1878

01:20:44,390 --> 01:20:41,940

ninth Square this map is an old map old

1879

01:20:47,810 --> 01:20:44,400

Maps used to be oriented towards the

1880

01:20:49,550 --> 01:20:47,820

east as the top side of the map nowadays

1881

01:20:52,850 --> 01:20:49,560

we would look at a map and we would see

1882

01:20:55,250 --> 01:20:52,860

the north as the top side so you just

1883

01:20:57,590 --> 01:20:55,260

have to sort of adjust your your view

1884

01:20:59,510 --> 01:20:57,600

there but this is ninth square and like

1885

01:21:01,370 --> 01:20:59,520

I said when you're in sick the sixth

1886

01:21:04,250 --> 01:21:01,380

Square nobody's like hey welcome to the

1887

01:21:05,570 --> 01:21:04,260

sixth Square yeah it's all about the

1888

01:21:08,630 --> 01:21:05,580

ninth square and I'm I always thought

1889

01:21:10,550 --> 01:21:08,640

about that like why why well obviously

1890

01:21:12,050 --> 01:21:10,560

there are only nine squares so maybe

1891

01:21:14,810 --> 01:21:12,060

they're just talking about the whole

1892

01:21:17,990 --> 01:21:14,820

thing itself but I think it has to do

1893

01:21:21,590 --> 01:21:18,000

with this this number pattern and also

1894

01:21:24,169 --> 01:21:21,600

the sum which is 15 when you add up all

1895

01:21:27,229 --> 01:21:24,179

the numbers you get 15 1 plus 5 equals

1896

01:21:29,930 --> 01:21:27,239

six when we Resolute the number six is

1897

01:21:33,229 --> 01:21:29,940

this the Saturn the sixth planet from

1898

01:21:36,229 --> 01:21:33,239

the sun hence the cube shape and

1899

01:21:39,530 --> 01:21:36,239

this shape as well and then here's that

1900

01:21:42,290 --> 01:21:39,540

sigil making I was talking about where

1901

01:21:45,830 --> 01:21:42,300

you can draw certain lines across a

1902

01:21:49,729 --> 01:21:45,840

number board to mean a certain phrase or

1903

01:21:52,250 --> 01:21:49,739

word so when we go back when we go back

1904

01:21:55,189 --> 01:21:52,260

to the park itself it's like what if the

1905

01:21:58,310 --> 01:21:55,199

pathways are connecting to the various

1906

01:22:01,130 --> 01:21:58,320

squares in the city and creating a code

1907

01:22:03,649 --> 01:22:01,140

right so you have you know three and

1908

01:22:07,070 --> 01:22:03,659

then it's over here it's like six so

1909

01:22:09,830 --> 01:22:07,080

three would be C 6 would be F and it's

1910

01:22:13,310 --> 01:22:09,840

not just C or F there's other ways to

1911

01:22:15,110 --> 01:22:13,320

decode ciphers like this but yeah you'd

1912

01:22:17,630 --> 01:22:15,120

have to have the um you'd have to have

1913

01:22:20,450 --> 01:22:17,640

the key to the cipher in order to know

1914

01:22:22,729 --> 01:22:20,460

for sure that you cracked it but yeah

1915

01:22:25,370 --> 01:22:22,739

and while you took a break there Ben I I

1916

01:22:27,649 --> 01:22:25,380

told Joe that uh there are six thousand

1917

01:22:30,110 --> 01:22:27,659

bodies buried underneath the the green

1918

01:22:32,630 --> 01:22:30,120

here because this was the original

1919

01:22:35,450 --> 01:22:32,640

burying ground before they built

1920

01:22:39,830 --> 01:22:35,460

America's First Garden of the Dead

1921

01:22:41,630 --> 01:22:39,840

Cemetery in New Haven okay okay

1922

01:22:43,850 --> 01:22:41,640

with that information I'm going to go on

1923

01:22:46,729 --> 01:22:43,860

a tangent and just tell me if I'm

1924

01:22:48,530 --> 01:22:46,739

crazy or if I'm crazy but earlier we

1925

01:22:50,390 --> 01:22:48,540

were talking about the the structure of

1926

01:22:52,250 --> 01:22:50,400

of human bone

1927

01:22:54,649 --> 01:22:52,260

we were talking about uh Limestone

1928

01:22:58,010 --> 01:22:54,659

earlier and it's it's spiritual

1929

01:23:00,649 --> 01:22:58,020

properties it's I believe limestone is

1930

01:23:03,530 --> 01:23:00,659

is is like any kind of Crystal like they

1931

01:23:06,770 --> 01:23:03,540

amplify energy right like bone in a way

1932

01:23:08,689 --> 01:23:06,780

does amplify and energy and maybe we

1933

01:23:11,030 --> 01:23:08,699

just don't have the science or the

1934

01:23:14,270 --> 01:23:11,040

proper techniques to

1935

01:23:16,250 --> 01:23:14,280

to look at it or or observe it yet so

1936

01:23:17,750 --> 01:23:16,260

like burying people in a specific place

1937

01:23:19,850 --> 01:23:17,760

on a specific

1938

01:23:22,729 --> 01:23:19,860

uh a Ley line

1939

01:23:25,550 --> 01:23:22,739

is a significance and that brings uh

1940

01:23:29,930 --> 01:23:25,560

justification for for uh

1941

01:23:33,350 --> 01:23:29,940

rituals or or uh traditions of burying

1942

01:23:36,169 --> 01:23:33,360

people on a specific spot like dude if

1943

01:23:38,750 --> 01:23:36,179

you are I'm I'm just like in this in

1944

01:23:41,390 --> 01:23:38,760

this mode right now uh in my life of

1945

01:23:45,290 --> 01:23:41,400

like looking at the the secret hidden

1946

01:23:47,630 --> 01:23:45,300

like truths to stuff and like this is

1947

01:23:50,149 --> 01:23:47,640

kind of a scientific way to look at it

1948

01:23:52,790 --> 01:23:50,159

where you can connect the bone with the

1949

01:23:55,130 --> 01:23:52,800

uh with the layers of the earth with

1950

01:23:58,790 --> 01:23:55,140

with mathematics and and you can look at

1951

01:24:01,070 --> 01:23:58,800

structures of of different geological

1952

01:24:02,930 --> 01:24:01,080

compositions such as like salt and and

1953

01:24:04,490 --> 01:24:02,940

whatever

1954

01:24:06,169 --> 01:24:04,500

I feel like there's there's like this

1955

01:24:08,570 --> 01:24:06,179

big mathematical problem that we're all

1956

01:24:09,410 --> 01:24:08,580

trying to solve and like we're just kind

1957

01:24:13,330 --> 01:24:09,420

of

1958

01:24:16,189 --> 01:24:13,340

burying people in random places

1959

01:24:19,189 --> 01:24:16,199

just to see what what happens but I

1960

01:24:22,189 --> 01:24:19,199

think the more we dig into it huh

1961

01:24:25,209 --> 01:24:22,199

that was a pun uh the more we dig we're

1962

01:24:28,490 --> 01:24:25,219

gonna find that all those decisions were

1963

01:24:31,010 --> 01:24:28,500

based on some kind of higher knowledge I

1964

01:24:33,649 --> 01:24:31,020

mean you referenced uh earlier Mark uh

1965

01:24:36,950 --> 01:24:33,659

the these uh ancient School teaching

1966

01:24:39,530 --> 01:24:36,960

ancient uh mystery schools Mystery

1967

01:24:41,450 --> 01:24:39,540

Schools yeah yeah so whether whether our

1968

01:24:44,330 --> 01:24:41,460

founding fathers or whoever built our

1969

01:24:46,610 --> 01:24:44,340

nation knew the exact meaning of that

1970

01:24:49,669 --> 01:24:46,620

they were at least paying paying like

1971

01:24:51,709 --> 01:24:49,679

homage or or making an Ode to this stuff

1972

01:24:54,110 --> 01:24:51,719

with really not knowing what they were

1973

01:24:55,910 --> 01:24:54,120

doing or maybe they did exactly know

1974

01:24:57,890 --> 01:24:55,920

what they were doing yeah I would argue

1975

01:25:00,169 --> 01:24:57,900

that they did I think that they were a

1976

01:25:02,510 --> 01:25:00,179

part of groups that knew about these

1977

01:25:03,950 --> 01:25:02,520

practices from the old world and when

1978

01:25:05,930 --> 01:25:03,960

they came to the new world they were

1979

01:25:08,090 --> 01:25:05,940

like wow look at this template we have

1980

01:25:10,970 --> 01:25:08,100

this template here we can you know we

1981

01:25:13,189 --> 01:25:10,980

can put this like or actually a canvas

1982

01:25:14,870 --> 01:25:13,199

rather they have this wide open canvas

1983

01:25:17,750 --> 01:25:14,880

and they're like let's put our template

1984

01:25:20,750 --> 01:25:17,760

on it think about it Templars the temple

1985

01:25:22,610 --> 01:25:20,760

the template right this this is how they

1986

01:25:25,189 --> 01:25:22,620

create civilizations how they create

1987

01:25:28,310 --> 01:25:25,199

society and to your point about uh

1988

01:25:31,070 --> 01:25:28,320

Limestone New Haven has Trap Rock which

1989

01:25:33,950 --> 01:25:31,080

is sort of red it looks very red from

1990

01:25:36,169 --> 01:25:33,960

far where there are two mountains on

1991

01:25:39,050 --> 01:25:36,179

either side of New Haven West Rock and

1992

01:25:41,149 --> 01:25:39,060

East Rock and uh and yeah they're made

1993

01:25:43,970 --> 01:25:41,159

of trap rocks so you have these big like

1994

01:25:47,930 --> 01:25:43,980

red faces to these mountains it's just

1995

01:25:50,630 --> 01:25:47,940

like you know Bear Cliff and uh you know

1996

01:25:52,729 --> 01:25:50,640

there's a lot of Bloodshed and dead

1997

01:25:55,910 --> 01:25:52,739

bodies here so maybe there's something

1998

01:25:58,669 --> 01:25:55,920

to that also New Haven it really didn't

1999

01:26:00,830 --> 01:25:58,679

do well as a colony it wasn't until the

2000

01:26:03,110 --> 01:26:00,840

University was built there that they

2001
01:26:05,689 --> 01:26:03,120
actually started having you know reason

2002
01:26:08,689 --> 01:26:05,699
to exist and and they've sort of been

2003
01:26:11,330 --> 01:26:08,699
kept up by Yale University ever since

2004
01:26:14,350 --> 01:26:11,340
then so yeah it's interesting when you

2005
01:26:18,530 --> 01:26:14,360
think about how like the mineral geology

2006
01:26:21,770 --> 01:26:18,540
qualities of an area can affect the

2007
01:26:23,570 --> 01:26:21,780
you know culture that takes place there

2008
01:26:25,910 --> 01:26:23,580
Peter shampoo the guy I mentioned

2009
01:26:28,010 --> 01:26:25,920
earlier who studies Ley lines he talks a

2010
01:26:31,970 --> 01:26:28,020
lot about that in his book The Gaia

2011
01:26:34,729 --> 01:26:31,980
Matrix which is uh has really inspired

2012
01:26:37,370 --> 01:26:34,739
me to to dive deeper into this stuff but

2013
01:26:40,970 --> 01:26:37,380

yeah it's it's it's definitely something

2014

01:26:43,430 --> 01:26:40,980

that the Freemasons knew about

2015

01:26:45,890 --> 01:26:43,440

um and also you mentioned Washington DC

2016

01:26:49,189 --> 01:26:45,900

earlier there was a guy named uh

2017

01:26:51,709 --> 01:26:49,199

demarquis or Marquis De Lafayette and he

2018

01:26:55,250 --> 01:26:51,719

was uh you know very famous in the

2019

01:26:57,709 --> 01:26:55,260

Revolutionary War but he was also uh a

2020

01:27:00,169 --> 01:26:57,719

part of this French esoteric group that

2021

01:27:03,830 --> 01:27:00,179

knew all about this energy stuff and

2022

01:27:06,169 --> 01:27:03,840

they would use these um I think people

2023

01:27:08,030 --> 01:27:06,179

who work in construction still use them

2024

01:27:09,590 --> 01:27:08,040

they're sort of like a level right I

2025

01:27:11,810 --> 01:27:09,600

forget what they're called but it's like

2026

01:27:14,450 --> 01:27:11,820

a very heavy weight that you tie on a

2027

01:27:16,729 --> 01:27:14,460

string and then you have a tripod yeah

2028

01:27:19,310 --> 01:27:16,739

right it's a plum I think is what it's

2029

01:27:21,610 --> 01:27:19,320

called well a plum is really very

2030

01:27:25,129 --> 01:27:21,620

similar to a pendant and they would use

2031

01:27:27,590 --> 01:27:25,139

smaller plums these little pendants uh

2032

01:27:31,189 --> 01:27:27,600

to figure out where certain energies

2033

01:27:32,810 --> 01:27:31,199

were right you hold your pendulum over a

2034

01:27:34,910 --> 01:27:32,820

place where there's water under the

2035

01:27:37,910 --> 01:27:34,920

ground and it'll start to spiral because

2036

01:27:39,770 --> 01:27:37,920

in the water there are spirals there's

2037

01:27:42,169 --> 01:27:39,780

electricity flowing through those

2038

01:27:44,629 --> 01:27:42,179

Spirals and that electricity flows away

2039

01:27:47,450 --> 01:27:44,639

from the water out above it into the

2040

01:27:49,430 --> 01:27:47,460

ground and wherever else and you can use

2041

01:27:51,890 --> 01:27:49,440

a pendulum to say okay maybe there's

2042

01:27:54,169 --> 01:27:51,900

water there or maybe there's energy here

2043

01:27:57,229 --> 01:27:54,179

so I would say yeah there's definitely

2044

01:27:59,330 --> 01:27:57,239

groups of people that we know about you

2045

01:28:01,370 --> 01:27:59,340

know the order of Cincinnatus is one

2046

01:28:03,890 --> 01:28:01,380

that I talked about on my podcast with a

2047

01:28:06,530 --> 01:28:03,900

guest who knows way more than and I do

2048

01:28:09,250 --> 01:28:06,540

about them but apparently

2049

01:28:12,010 --> 01:28:09,260

Ohio is a very important state because

2050

01:28:14,990 --> 01:28:12,020

of the order of Cincinnatus right

2051

01:28:17,270 --> 01:28:15,000

Cincinnati obviously is in Ohio but the

2052

01:28:21,050 --> 01:28:17,280

order of Cincinnatus refers to much

2053

01:28:24,770 --> 01:28:21,060

older group in Rome that evolved over

2054

01:28:28,129 --> 01:28:24,780

time and then maybe was reborn as the

2055

01:28:30,350 --> 01:28:28,139

order of Cincinnatus in America but it's

2056

01:28:32,689 --> 01:28:30,360

pretty obvious they're taking a lot of

2057

01:28:35,149 --> 01:28:32,699

those practices that Rome had and using

2058

01:28:37,189 --> 01:28:35,159

them here right Rome conquered place

2059

01:28:39,410 --> 01:28:37,199

like where The Druids were right they

2060

01:28:42,830 --> 01:28:39,420

conquered The Druids they took their

2061

01:28:44,510 --> 01:28:42,840

holy sites and built churches on them so

2062

01:28:47,689 --> 01:28:44,520

here in the United States what did they

2063

01:28:50,930 --> 01:28:47,699

do they took the Native Americans holy

2064

01:28:52,970 --> 01:28:50,940

mounds and they cut them down and built

2065

01:28:54,590 --> 01:28:52,980

cities there at least here on the East

2066

01:28:56,149 --> 01:28:54,600

Coast you go further towards the

2067

01:28:58,370 --> 01:28:56,159

Mississippi and a lot of the Mounds are

2068

01:29:00,709 --> 01:28:58,380

still preserved thankfully because it

2069

01:29:02,570 --> 01:29:00,719

took the you know them longer to make it

2070

01:29:04,010 --> 01:29:02,580

out there and by the time they made it

2071

01:29:05,510 --> 01:29:04,020

that way they were kind of like oh well

2072

01:29:07,550 --> 01:29:05,520

let's keep these things around and learn

2073

01:29:09,110 --> 01:29:07,560

about what's inside of them so they

2074

01:29:11,450 --> 01:29:09,120

would dig them out and take everything

2075

01:29:13,370 --> 01:29:11,460

out of them but this is what happened

2076

01:29:16,310 --> 01:29:13,380

here in the United States the mound

2077

01:29:18,229 --> 01:29:16,320

gritters is what Ross Ben calls them

2078

01:29:20,149 --> 01:29:18,239

Ross Ben is a researcher who wrote a

2079

01:29:23,450 --> 01:29:20,159

book called the great mystery

2080

01:29:25,370 --> 01:29:23,460

Philadelphia it's an incredible book I

2081

01:29:27,850 --> 01:29:25,380

recommend anybody whether you live near

2082

01:29:30,649 --> 01:29:27,860

Philadelphia or not check this book out

2083

01:29:33,290 --> 01:29:30,659

it's very interesting and talks a lot

2084

01:29:35,149 --> 01:29:33,300

about what I've talked about today but

2085

01:29:38,090 --> 01:29:35,159

I think there's definitely a group of

2086

01:29:41,270 --> 01:29:38,100

people that was either a part of the

2087

01:29:44,390 --> 01:29:41,280

Freemasons or maybe an older version of

2088

01:29:46,070 --> 01:29:44,400

the Freemasons or some kind of faction

2089

01:29:48,050 --> 01:29:46,080

that competed with the Freemasons

2090

01:29:50,209 --> 01:29:48,060

whoever they were but they definitely

2091

01:29:52,610 --> 01:29:50,219

had esoteric knowledge and they

2092

01:29:54,770 --> 01:29:52,620

definitely set up cities using that

2093

01:29:57,410 --> 01:29:54,780

esoteric knowledge in New Haven is

2094

01:29:59,090 --> 01:29:57,420

clearly an example of that I would say

2095

01:30:02,209 --> 01:29:59,100

that they're they're calling in this

2096

01:30:05,090 --> 01:30:02,219

saturnian energy because Saturn is like

2097

01:30:07,610 --> 01:30:05,100

uh Kronos he's like the keeper of time

2098

01:30:09,169 --> 01:30:07,620

he's like the power materialism right

2099

01:30:11,510 --> 01:30:09,179

and these people want to be like

2100

01:30:14,629 --> 01:30:11,520

materially wealthy so they want to have

2101
01:30:17,270 --> 01:30:14,639
his yeah waiver uh uh you know when

2102
01:30:20,270 --> 01:30:17,280
they're in their magical workings they

2103
01:30:22,370 --> 01:30:20,280
want to sort of Honor this God so I

2104
01:30:25,189 --> 01:30:22,380
wonder if I wonder if the United States

2105
01:30:28,250 --> 01:30:25,199
was a perfect place a perfect breeding

2106
01:30:31,070 --> 01:30:28,260
ground for these certain uh occultic

2107
01:30:33,110 --> 01:30:31,080
groups to get together and actually

2108
01:30:34,790 --> 01:30:33,120
start to run stuff you know because if

2109
01:30:36,110 --> 01:30:34,800
you think about it a lot of cultures

2110
01:30:37,790 --> 01:30:36,120
around the entire world are very

2111
01:30:40,010 --> 01:30:37,800
esoteric just in nature like they

2112
01:30:42,410 --> 01:30:40,020
believe in stuff a lot more than like

2113
01:30:44,390 --> 01:30:42,420

Americans do right and and I think that

2114

01:30:46,070 --> 01:30:44,400

has a lot to do with you know like the

2115

01:30:48,229 --> 01:30:46,080

the Catholic Church you know starting

2116

01:30:50,570 --> 01:30:48,239

out they banned witchcraft they ban

2117

01:30:52,250 --> 01:30:50,580

magic they ban sorcery they banned

2118

01:30:54,229 --> 01:30:52,260

oracles they banned all this other [\h__\h]

2119

01:30:55,850 --> 01:30:54,239

other than God well then this

2120

01:30:58,370 --> 01:30:55,860

Christianity comes over to the United

2121

01:30:59,689 --> 01:30:58,380

States and it's like this is what we

2122

01:31:01,370 --> 01:30:59,699

think this is what we believe if you

2123

01:31:02,510 --> 01:31:01,380

don't like it you can get up right and

2124

01:31:03,410 --> 01:31:02,520

they're like well we were here first and

2125

01:31:07,129 --> 01:31:03,420

they were like

2126
01:31:08,870 --> 01:31:07,139
you can get out okay okay and so after

2127
01:31:11,930 --> 01:31:08,880
you know the United States becomes this

2128
01:31:14,149 --> 01:31:11,940
thing these esoteric groups are like

2129
01:31:15,770 --> 01:31:14,159
these fools don't even know the secrets

2130
01:31:18,410 --> 01:31:15,780
like what if we just start running [h__h]

2131
01:31:20,629 --> 01:31:18,420
and they set up in here you know and

2132
01:31:22,970 --> 01:31:20,639
there's so many of them here they set up

2133
01:31:25,370 --> 01:31:22,980
and they run things because they have

2134
01:31:27,590 --> 01:31:25,380
that more esoteric mindset they have the

2135
01:31:29,090 --> 01:31:27,600
knowledge of the Ancients they have all

2136
01:31:31,189 --> 01:31:29,100
these secrets and they were like it's

2137
01:31:33,890 --> 01:31:31,199
going to be so easy let's just start up

2138
01:31:35,570 --> 01:31:33,900

college and make a [h__h] club right

2139

01:31:37,189 --> 01:31:35,580

and we'll just keep the secrets hidden

2140

01:31:39,590 --> 01:31:37,199

and then we'll just run stuff because

2141

01:31:41,930 --> 01:31:39,600

everybody just believes in whatever that

2142

01:31:44,450 --> 01:31:41,940

is you know it seems like America was

2143

01:31:50,649 --> 01:31:44,460

was a really good place for that you

2144

01:31:57,229 --> 01:31:54,350

you're partly correct but um when it

2145

01:31:59,570 --> 01:31:57,239

comes to the average person 400 years

2146

01:32:01,250 --> 01:31:59,580

ago oh wait pull that back up and oh

2147

01:32:03,590 --> 01:32:01,260

it'll come back up

2148

01:32:07,010 --> 01:32:03,600

the the average person was very much

2149

01:32:08,629 --> 01:32:07,020

more versed in the occult back maybe a

2150

01:32:12,290 --> 01:32:08,639

couple hundred years ago than they are

2151
01:32:14,930 --> 01:32:12,300
comparatively today uh maybe more so now

2152
01:32:18,290 --> 01:32:14,940
than a hundred years ago but way more so

2153
01:32:20,270 --> 01:32:18,300
back then this is a powwow grimoire why

2154
01:32:22,790 --> 01:32:20,280
am i showing you this well in

2155
01:32:24,890 --> 01:32:22,800
Pennsylvania there's Amish people to

2156
01:32:28,070 --> 01:32:24,900
this day who live the same lifestyle

2157
01:32:30,470 --> 01:32:28,080
they lived in the 1600s so let's use

2158
01:32:32,629 --> 01:32:30,480
them as a time capsule and we can

2159
01:32:34,310 --> 01:32:32,639
imagine the things that they're doing on

2160
01:32:35,209 --> 01:32:34,320
many different peoples would have been

2161
01:32:37,970 --> 01:32:35,219
doing

2162
01:32:40,550 --> 01:32:37,980
you know when they settled there so the

2163
01:32:45,050 --> 01:32:40,560

pow-wow grimoire is a collection of folk

2164

01:32:47,030 --> 01:32:45,060

magic spells and rituals uh banishments

2165

01:32:49,610 --> 01:32:47,040

things that you would need to clear

2166

01:32:52,550 --> 01:32:49,620

yourself of curses or hexes and maybe

2167

01:32:54,890 --> 01:32:52,560

even curse your enemies or or bless your

2168

01:32:57,129 --> 01:32:54,900

loved ones right so all sorts of things

2169

01:33:00,490 --> 01:32:57,139

that human beings all over the world

2170

01:33:03,770 --> 01:33:00,500

typically without the modern thinking

2171

01:33:06,290 --> 01:33:03,780

tend to fall into magical thinking right

2172

01:33:08,390 --> 01:33:06,300

modern thinking magical thinking people

2173

01:33:11,149 --> 01:33:08,400

were thinking magically

2174

01:33:14,450 --> 01:33:11,159

back in the 1600s they weren't thinking

2175

01:33:17,209 --> 01:33:14,460

the way we think nowadays so you know a

2176

01:33:19,910 --> 01:33:17,219

grimoire is kind of like a collection of

2177

01:33:23,450 --> 01:33:19,920

spells and I would imagine that the

2178

01:33:25,129 --> 01:33:23,460

people in uh early colonies were very

2179

01:33:27,410 --> 01:33:25,139

familiar with this kind of stuff that's

2180

01:33:29,689 --> 01:33:27,420

why the whole witchcraft trials happened

2181

01:33:31,550 --> 01:33:29,699

it wasn't because only certain people

2182

01:33:34,729 --> 01:33:31,560

were witches it was because everybody

2183

01:33:38,270 --> 01:33:34,739

was practicing magic and and in order to

2184

01:33:40,430 --> 01:33:38,280

sort of uh clear away Rivals you would

2185

01:33:42,290 --> 01:33:40,440

sort of is like blackmail you know it's

2186

01:33:44,510 --> 01:33:42,300

like yeah politicians they're all doing

2187

01:33:47,149 --> 01:33:44,520

dirty stuff so when one of them wants to

2188

01:33:49,070 --> 01:33:47,159

get want rid of the other they just

2189

01:33:50,870 --> 01:33:49,080

exposed them for the dirty stuff that

2190

01:33:52,970 --> 01:33:50,880

they're doing meanwhile all of them are

2191

01:33:55,370 --> 01:33:52,980

guilty they just are good about keeping

2192

01:33:57,410 --> 01:33:55,380

up the secrecy this is the way it was in

2193

01:34:00,350 --> 01:33:57,420

the the early colonies everybody

2194

01:34:03,950 --> 01:34:00,360

practiced some sort of magic it's just

2195

01:34:07,310 --> 01:34:03,960

uh when you had a societal enemy you

2196

01:34:09,470 --> 01:34:07,320

would use politics to to deal with them

2197

01:34:11,270 --> 01:34:09,480

and that's basically what it was with

2198

01:34:13,010 --> 01:34:11,280

the Witchcraft Trials you know they'd

2199

01:34:15,770 --> 01:34:13,020

hang people and

2200

01:34:17,990 --> 01:34:15,780

take them to court and oh if she sinks

2201
01:34:20,209 --> 01:34:18,000
she's a witch if she's or if she sings

2202
01:34:21,669 --> 01:34:20,219
she's not she's not guilty she's a

2203
01:34:30,950 --> 01:34:21,679
balloon

2204
01:34:33,290 --> 01:34:30,960
wood which what throw into the pond so

2205
01:34:35,629 --> 01:34:33,300
yeah I think that was part of the like

2206
01:34:37,790 --> 01:34:35,639
the world for a long time and it's only

2207
01:34:40,610 --> 01:34:37,800
been recently that we've like stopped

2208
01:34:41,930 --> 01:34:40,620
thinking that way yeah like the last 200

2209
01:34:45,950 --> 01:34:41,940
years

2210
01:34:48,709 --> 01:34:45,960
coincidentally when uh the value of oil

2211
01:34:50,209 --> 01:34:48,719
went way up right I don't know I'm

2212
01:34:52,250 --> 01:34:50,219
trying to make all these connections I'm

2213
01:34:57,229 --> 01:34:52,260

in a place where I'm like very curious

2214

01:34:59,330 --> 01:34:57,239

into the esoteric aspect of of

2215

01:35:01,129 --> 01:34:59,340

our existence in America maybe it's

2216

01:35:07,669 --> 01:35:01,139

different if you're listening to this

2217

01:35:12,229 --> 01:35:10,129

look he's chilling

2218

01:35:13,910 --> 01:35:12,239

nobody's chilling on my shoulder but you

2219

01:35:16,310 --> 01:35:13,920

know if there was it'd be like a dude

2220

01:35:19,610 --> 01:35:16,320

you know eating Taco Bell

2221

01:35:21,530 --> 01:35:19,620

uh but like I'm very interested in this

2222

01:35:23,870 --> 01:35:21,540

this this concept and you guys have

2223

01:35:25,490 --> 01:35:23,880

already alluded to it that there is this

2224

01:35:29,090 --> 01:35:25,500

knowledge that's been

2225

01:35:32,330 --> 01:35:29,100

shunned for you know culturally

2226

01:35:36,950 --> 01:35:32,340

but like forcefully shunned on onto Us

2227

01:35:40,250 --> 01:35:36,960

by movies and TVs and TV and and uh

2228

01:35:42,110 --> 01:35:40,260

politicians and and news I mean I'm like

2229

01:35:44,149 --> 01:35:42,120

kind of starting in like the 30s and

2230

01:35:46,430 --> 01:35:44,159

like working my way up to like current

2231

01:35:50,050 --> 01:35:46,440

like CNN and stuff and like the little

2232

01:35:52,970 --> 01:35:50,060

green men where it's like

2233

01:35:54,890 --> 01:35:52,980

this this magic I mean we're talking

2234

01:35:59,030 --> 01:35:54,900

about magic guys

2235

01:36:01,970 --> 01:35:59,040

it's actually [h__h] real and uh

2236

01:36:04,490 --> 01:36:01,980

we've been taught we've been programmed

2237

01:36:06,830 --> 01:36:04,500

to believe that it's all

2238

01:36:10,010 --> 01:36:06,840

just make believe

2239

01:36:13,490 --> 01:36:10,020

um even the the corporation

2240

01:36:15,830 --> 01:36:13,500

Disney itself is is hey we're we're a

2241

01:36:17,990 --> 01:36:15,840

fantasy thing where it's like anything

2242

01:36:20,149 --> 01:36:18,000

they say is now fantasy it's a label

2243

01:36:21,470 --> 01:36:20,159

that they put on this stuff where if you

2244

01:36:23,030 --> 01:36:21,480

look at if you watch a lot of Disney

2245

01:36:24,290 --> 01:36:23,040

films it's like oh [h__h] they're actually

2246

01:36:26,930 --> 01:36:24,300

like

2247

01:36:28,490 --> 01:36:26,940

saying a bunch of stuff that uh if you

2248

01:36:30,110 --> 01:36:28,500

really patient pay attention to it like

2249

01:36:31,490 --> 01:36:30,120

manifestation

2250

01:36:33,709 --> 01:36:31,500

uh

2251

01:36:35,930 --> 01:36:33,719

well this is this is the this is the

2252

01:36:38,930 --> 01:36:35,940

reason why they use those themes because

2253

01:36:41,450 --> 01:36:38,940

it works in two ways it's subconsciously

2254

01:36:43,550 --> 01:36:41,460

Taps into things that we as human beings

2255

01:36:46,970 --> 01:36:43,560

are very familiar with as an

2256

01:36:49,610 --> 01:36:46,980

archetypical Consciousness feature right

2257

01:36:51,590 --> 01:36:49,620

when you watch a folk a fairy tale right

2258

01:36:55,189 --> 01:36:51,600

you you notice things that are

2259

01:36:57,229 --> 01:36:55,199

arctypical the hero who conquers the

2260

01:37:00,229 --> 01:36:57,239

villain and there's this sort of set

2261

01:37:02,750 --> 01:37:00,239

course right if you know the the hero of

2262

01:37:04,370 --> 01:37:02,760

a Thousand Faces by Joseph Campbell I

2263

01:37:06,470 --> 01:37:04,380

mean these are things that Disney's

2264

01:37:08,510 --> 01:37:06,480

aware of they're they're poking at the

2265

01:37:12,110 --> 01:37:08,520

subconscious mind of the human in order

2266

01:37:14,510 --> 01:37:12,120

to to a appeal to a broader audience but

2267

01:37:17,570 --> 01:37:14,520

also give us a certain feeling and then

2268

01:37:20,390 --> 01:37:17,580

in the same turn the double edge of this

2269

01:37:23,750 --> 01:37:20,400

sword is that they sort of fantasize

2270

01:37:26,330 --> 01:37:23,760

things to the point where now uh that is

2271

01:37:29,149 --> 01:37:26,340

where magic exists rather than around us

2272

01:37:31,430 --> 01:37:29,159

whereas in the past we would share fairy

2273

01:37:33,709 --> 01:37:31,440

tales and folk tales around a campfire

2274

01:37:36,950 --> 01:37:33,719

fire and they were real they were

2275

01:37:39,410 --> 01:37:36,960

stories from one person to another I saw

2276

01:37:42,530 --> 01:37:39,420

this I was told this now we're seeing

2277

01:37:45,830 --> 01:37:42,540

them on a TV it removes the reality of

2278

01:37:48,770 --> 01:37:45,840

the situation and creates a a limitation

2279

01:37:51,169 --> 01:37:48,780

it's inside of a box fairy tales only

2280

01:37:54,649 --> 01:37:51,179

exist inside of a box inside of movies

2281

01:37:57,350 --> 01:37:54,659

so we've been conditioned over hundreds

2282

01:38:01,729 --> 01:37:57,360

of barely really actually decades just a

2283

01:38:06,770 --> 01:38:01,739

few decades maybe 10 or 20 decades to

2284

01:38:10,610 --> 01:38:06,780

believe that the world is is a lot more

2285

01:38:13,669 --> 01:38:10,620

Clinic like out sterile and and artif

2286

01:38:15,770 --> 01:38:13,679

like material and like not alive right

2287

01:38:18,169 --> 01:38:15,780

yeah but dude it's [h__\h] lame like

2288

01:38:20,570 --> 01:38:18,179

what are they making never been that way

2289

01:38:23,450 --> 01:38:20,580

it's it's just they're able to fool our

2290

01:38:26,209 --> 01:38:23,460

minds into only experiencing a small

2291

01:38:28,430 --> 01:38:26,219

spectrum of the world so we're convinced

2292

01:38:31,870 --> 01:38:28,440

that well that's all there is when

2293

01:38:34,970 --> 01:38:31,880

really the secret societies have

2294

01:38:37,490 --> 01:38:34,980

gradually conditioned us it's a it's an

2295

01:38:40,189 --> 01:38:37,500

occult processing right so you mentioned

2296

01:38:42,169 --> 01:38:40,199

that oh the secret society is like you

2297

01:38:44,030 --> 01:38:42,179

know they wanted a place to escape where

2298

01:38:45,830 --> 01:38:44,040

they could like you know practice all

2299

01:38:48,410 --> 01:38:45,840

this stuff that wasn't practice in the

2300

01:38:50,689 --> 01:38:48,420

old world I would argue that as you

2301

01:38:53,750 --> 01:38:50,699

learn more you might find that that's

2302

01:38:57,229 --> 01:38:53,760

not as true as is what I'm about to say

2303

01:39:00,110 --> 01:38:57,239

which is the Church of Rome the Vatican

2304

01:39:02,390 --> 01:39:00,120

and all of the monarchies and Kings they

2305

01:39:04,970 --> 01:39:02,400

were all practicing the occult they were

2306

01:39:06,830 --> 01:39:04,980

all doing dark black magic they just

2307

01:39:09,050 --> 01:39:06,840

didn't want to have any competition so

2308

01:39:12,050 --> 01:39:09,060

they told everybody it was really bad no

2309

01:39:14,030 --> 01:39:12,060

no no don't do it it's so spooky and

2310

01:39:15,709 --> 01:39:14,040

then they were like no let's go to

2311

01:39:17,870 --> 01:39:15,719

America so then we don't have to follow

2312

01:39:19,610 --> 01:39:17,880

their rules we make our own rules but

2313

01:39:21,470 --> 01:39:19,620

they just become the same thing they

2314

01:39:24,830 --> 01:39:21,480

were running from in the old world right

2315

01:39:27,050 --> 01:39:24,840

yeah the system that they ran from so

2316

01:39:29,030 --> 01:39:27,060

and whether or not the the founding

2317

01:39:31,070 --> 01:39:29,040

fathers intended it to go that way I

2318

01:39:33,350 --> 01:39:31,080

would argue they didn't they were they

2319

01:39:36,050 --> 01:39:33,360

were escaping that for Earnest reasons

2320

01:39:38,030 --> 01:39:36,060

and and maybe gave us an opportunity to

2321

01:39:41,090 --> 01:39:38,040

live in a free society that was

2322

01:39:43,010 --> 01:39:41,100

impossible in the old world now over the

2323

01:39:44,810 --> 01:39:43,020

past hundred or two hundred years I

2324

01:39:47,330 --> 01:39:44,820

would argue maybe there's been forces

2325

01:39:50,870 --> 01:39:47,340

from the old world that have infected

2326

01:39:52,550 --> 01:39:50,880

the new world and sort of tried to bring

2327

01:39:56,750 --> 01:39:52,560

those old world

2328

01:39:59,689 --> 01:39:56,760

things routines to hear and we're now in

2329

01:40:01,370 --> 01:39:59,699

this situation where the internet is

2330

01:40:03,590 --> 01:40:01,380

allowing us to learn more and more and

2331

01:40:05,330 --> 01:40:03,600

more and I don't think that the occult

2332

01:40:07,310 --> 01:40:05,340

processing that they've been putting us

2333

01:40:10,209 --> 01:40:07,320

through is going to work anymore because

2334

01:40:13,729 --> 01:40:10,219

now we can all learn at our own pace

2335

01:40:16,310 --> 01:40:13,739

what we like when we like and find

2336

01:40:18,470 --> 01:40:16,320

our own path a lot quicker than we could

2337

01:40:20,810 --> 01:40:18,480

have in the past when it was easier for

2338

01:40:24,110 --> 01:40:20,820

them to control the information we

2339

01:40:26,870 --> 01:40:24,120

learned and also control the uh options

2340

01:40:29,570 --> 01:40:26,880

we had as a living being now we are able

2341

01:40:32,930 --> 01:40:29,580

to craft our own lifestyle our own

2342

01:40:35,930 --> 01:40:32,940

culture and that will only lead to a

2343

01:40:38,629 --> 01:40:35,940

positive thing I think

2344

01:40:41,209 --> 01:40:38,639

very well said yeah no I agree with that

2345

01:40:43,910 --> 01:40:41,219

dude that's yeah

2346

01:40:45,290 --> 01:40:43,920

it's almost like the the statement and

2347

01:40:47,450 --> 01:40:45,300

and uh

2348

01:40:50,330 --> 01:40:47,460

I don't know like Christianity where

2349

01:40:54,770 --> 01:40:50,340

like the the difference between Adam and

2350

01:40:58,550 --> 01:40:54,780

Eve is is where they became conscious of

2351
01:40:59,870 --> 01:40:58,560
Good and Evil where this uh this notion

2352
01:41:02,930 --> 01:40:59,880
of control

2353
01:41:05,570 --> 01:41:02,940
of okay well this was a being a

2354
01:41:08,870 --> 01:41:05,580
conscious will I guess

2355
01:41:10,970 --> 01:41:08,880
this is the being that didn't know

2356
01:41:14,030 --> 01:41:10,980
uh good and evil therefore not conscious

2357
01:41:17,629 --> 01:41:14,040
now we're conscious uh it's almost like

2358
01:41:19,129 --> 01:41:17,639
they they as whatever forces out there

2359
01:41:21,830 --> 01:41:19,139
want to

2360
01:41:25,149 --> 01:41:21,840
do whatever with our future and what we

2361
01:41:28,669 --> 01:41:25,159
spend our time and energy and and and uh

2362
01:41:31,310 --> 01:41:28,679
focus on they want to control that they

2363
01:41:33,290 --> 01:41:31,320

were like all right yeah no you're naked

2364

01:41:36,290 --> 01:41:33,300

yeah sure sure but we want to control

2365

01:41:38,990 --> 01:41:36,300

how you see how naked you are and and

2366

01:41:40,430 --> 01:41:39,000

we're gonna profit off of that like how

2367

01:41:41,930 --> 01:41:40,440

much of the tip do you want to see or

2368

01:41:42,970 --> 01:41:41,940

how much of that nip do you want to see

2369

01:41:46,070 --> 01:41:42,980

like

2370

01:41:48,050 --> 01:41:46,080

yeah well I mean think about it I mean

2371

01:41:50,209 --> 01:41:48,060

they've taken something sacred and

2372

01:41:52,550 --> 01:41:50,219

commodified it you know I mean there's

2373

01:41:55,250 --> 01:41:52,560

this lie that prostitution is the oldest

2374

01:41:57,290 --> 01:41:55,260

occupation I would I would say that's

2375

01:42:00,229 --> 01:41:57,300

just something people made up over the

2376

01:42:03,470 --> 01:42:00,239

past 50 years to justify the depravity

2377

01:42:06,590 --> 01:42:03,480

uh of of our current culture I mean I'm

2378

01:42:09,649 --> 01:42:06,600

all for people being liberated and free

2379

01:42:14,169 --> 01:42:09,659

to express themselves but I think we've

2380

01:42:17,390 --> 01:42:14,179

passed the the uh you know the point of

2381

01:42:19,790 --> 01:42:17,400

healthy normal expression and we've

2382

01:42:23,270 --> 01:42:19,800

ventured into the point of absurdity

2383

01:42:26,330 --> 01:42:23,280

where absurdity has become an identity

2384

01:42:28,370 --> 01:42:26,340

and and I don't want to insult anybody

2385

01:42:30,530 --> 01:42:28,380

out there who identifies differently but

2386

01:42:33,290 --> 01:42:30,540

you know when it comes to Nature when

2387

01:42:36,229 --> 01:42:33,300

you look at nature you don't have you

2388

01:42:37,970 --> 01:42:36,239

don't have gay Lions I mean you do maybe

2389

01:42:41,090 --> 01:42:37,980

they bang each other every now and then

2390

01:42:44,330 --> 01:42:41,100

but yeah it's just not you know it's

2391

01:42:46,090 --> 01:42:44,340

just not you know I I don't want to take

2392

01:42:48,830 --> 01:42:46,100

this into the cultural Marxism

2393

01:42:50,330 --> 01:42:48,840

conversation but that's kind of the

2394

01:42:52,669 --> 01:42:50,340

weird thing that's happened is they've

2395

01:42:55,550 --> 01:42:52,679

occult processed us to the point where

2396

01:42:58,729 --> 01:42:55,560

we're not even close to human anymore

2397

01:43:00,410 --> 01:42:58,739

and not all of us I mean some people

2398

01:43:02,570 --> 01:43:00,420

have held on to what it means to be

2399

01:43:05,090 --> 01:43:02,580

human I think us three have and probably

2400

01:43:08,030 --> 01:43:05,100

most of the people listening uh because

2401
01:43:10,070 --> 01:43:08,040
you know the types of people that are

2402
01:43:11,629 --> 01:43:10,080
are too far gone they're not interested

2403
01:43:13,669 --> 01:43:11,639
in this type of content they're out

2404
01:43:16,490 --> 01:43:13,679
drinking themselves to death or doing

2405
01:43:18,590 --> 01:43:16,500
drugs or or exploiting their themselves

2406
01:43:20,030 --> 01:43:18,600
and you know it's unfortunate because

2407
01:43:22,669 --> 01:43:20,040
not everyone but he has the same

2408
01:43:24,590 --> 01:43:22,679
opportunity to grow

2409
01:43:27,290 --> 01:43:24,600
and I think that's been done

2410
01:43:30,530 --> 01:43:27,300
deliberately in order to create a class

2411
01:43:33,470 --> 01:43:30,540
disparity again this elitism that's

2412
01:43:38,090 --> 01:43:33,480
baked into our agenda it's or into our

2413
01:43:40,430 --> 01:43:38,100

society it comes from nice it comes from

2414

01:43:43,129 --> 01:43:40,440

the old world and the old hierarchical

2415

01:43:46,490 --> 01:43:43,139

structure that the the founding fathers

2416

01:43:49,970 --> 01:43:46,500

attempted to get away from uh with much

2417

01:43:52,729 --> 01:43:49,980

inspiration from the you know the many

2418

01:43:56,149 --> 01:43:52,739

many different tribes and their various

2419

01:43:58,370 --> 01:43:56,159

uh ideas for what a good Society should

2420

01:43:59,990 --> 01:43:58,380

should have for laws and rules right I

2421

01:44:02,689 --> 01:44:00,000

mean that's that's one of the big

2422

01:44:04,970 --> 01:44:02,699

ironies of the country we live in is

2423

01:44:08,830 --> 01:44:04,980

like the people that lost their land

2424

01:44:10,970 --> 01:44:08,840

gave us this tremendous gift of our uh

2425

01:44:13,970 --> 01:44:10,980

democracy right I don't think it's

2426

01:44:15,770 --> 01:44:13,980

really a democracy but that word kind of

2427

01:44:17,750 --> 01:44:15,780

means something to people when you hear

2428

01:44:19,990 --> 01:44:17,760

it you're like yeah we're in a democracy

2429

01:44:22,609 --> 01:44:20,000

we're America we have this sense of

2430

01:44:24,890 --> 01:44:22,619

americanism that you know is really

2431

01:44:27,229 --> 01:44:24,900

really special and it inspires the rest

2432

01:44:30,109 --> 01:44:27,239

of the world and I think that's

2433

01:44:32,330 --> 01:44:30,119

important and that's the interesting

2434

01:44:35,090 --> 01:44:32,340

thing about this conversation about

2435

01:44:38,270 --> 01:44:35,100

secret societies the elite the

2436

01:44:43,010 --> 01:44:38,280

cryptocracy evil in general when you

2437

01:44:45,709 --> 01:44:43,020

look at nature you see tremendously

2438

01:44:48,830 --> 01:44:45,719

brutal things going on but it's not evil

2439

01:44:51,169 --> 01:44:48,840

because there's a there's a symbiotic

2440

01:44:53,570 --> 01:44:51,179

relationship between the wolf and the

2441

01:44:55,310 --> 01:44:53,580

deer if you put a microscope and you saw

2442

01:44:56,990 --> 01:44:55,320

that situation where the deer is

2443

01:44:59,390 --> 01:44:57,000

struggling for its life and the Wolf

2444

01:45:03,050 --> 01:44:59,400

rips it apart yeah that's brutal and

2445

01:45:06,649 --> 01:45:03,060

maybe in some context evil right but but

2446

01:45:08,930 --> 01:45:06,659

this is how nature moves on and evolves

2447

01:45:12,950 --> 01:45:08,940

and things grow and the deer generates

2448

01:45:15,169 --> 01:45:12,960

you know faster uh spawn right the the

2449

01:45:17,149 --> 01:45:15,179

younger generations of deer learn to be

2450

01:45:21,250 --> 01:45:17,159

faster and then the wolf has to catch up

2451

01:45:24,770 --> 01:45:21,260

so it's this sort of ever uh you know

2452

01:45:26,810 --> 01:45:24,780

evolving balance of two forces so I

2453

01:45:28,370 --> 01:45:26,820

don't necessarily again I'm not black

2454

01:45:31,070 --> 01:45:28,380

pilled because I know all this stuff

2455

01:45:33,229 --> 01:45:31,080

about secret societies and and evil

2456

01:45:35,450 --> 01:45:33,239

groups I actually think that if we

2457

01:45:38,149 --> 01:45:35,460

didn't have these these groups we would

2458

01:45:41,629 --> 01:45:38,159

probably be worse off we need a little

2459

01:45:43,729 --> 01:45:41,639

bit of uh you know bad to to Really

2460

01:45:46,609 --> 01:45:43,739

steer us into the good because good

2461

01:45:50,270 --> 01:45:46,619

ultimately wins out over evil it's this

2462

01:45:53,270 --> 01:45:50,280

sort of uh ever going battle that uh

2463

01:45:55,490 --> 01:45:53,280

will have a an outcome of of good I

2464

01:45:57,290 --> 01:45:55,500

think because we're all sort of flowing

2465

01:46:00,649 --> 01:45:57,300

back to Creation but now I'm getting

2466

01:46:02,629 --> 01:46:00,659

into some of my personal beliefs I don't

2467

01:46:04,550 --> 01:46:02,639

know if you guys were ready for that I

2468

01:46:07,070 --> 01:46:04,560

mean I'll share a personal

2469

01:46:09,169 --> 01:46:07,080

idea that I'm on right now just to build

2470

01:46:12,709 --> 01:46:09,179

off of that is I I think I think

2471

01:46:16,370 --> 01:46:12,719

culturally biology biologically I think

2472

01:46:20,149 --> 01:46:16,380

we are us humans are

2473

01:46:22,970 --> 01:46:20,159

evolving into a more empathetic

2474

01:46:25,430 --> 01:46:22,980

Society maybe maybe it's it's always

2475

01:46:28,490 --> 01:46:25,440

existed it's just this expression this

2476

01:46:32,629 --> 01:46:28,500

this epigenetic expression hasn't

2477

01:46:34,910 --> 01:46:32,639

had the room to to express yet and those

2478

01:46:36,410 --> 01:46:34,920

in power are more egotistical and they

2479

01:46:39,709 --> 01:46:36,420

they thrive on

2480

01:46:41,990 --> 01:46:39,719

on on being able to control uh how

2481

01:46:45,530 --> 01:46:42,000

people think and want and and Lust For

2482

01:46:48,050 --> 01:46:45,540

but like those that have less of an ego

2483

01:46:50,450 --> 01:46:48,060

take themselves out of situations

2484

01:46:52,970 --> 01:46:50,460

and they're not the center of the Galaxy

2485

01:46:55,550 --> 01:46:52,980

or the or the universe

2486

01:46:56,870 --> 01:46:55,560

uh those are becoming more and more just

2487

01:47:00,010 --> 01:46:56,880

naturally

2488

01:47:03,290 --> 01:47:00,020

based on based on our our surroundings

2489

01:47:06,530 --> 01:47:03,300

and there's this this this

2490

01:47:08,930 --> 01:47:06,540

war going on that we're just unaware of

2491

01:47:11,750 --> 01:47:08,940

it's happening on a genetic basis on a

2492

01:47:14,990 --> 01:47:11,760

genetic level we just we think of it as

2493

01:47:16,609 --> 01:47:15,000

a societal level we're like oh well I

2494

01:47:18,530 --> 01:47:16,619

mean sorry I don't I'm not make trying

2495

01:47:20,629 --> 01:47:18,540

to make a making I'm not trying to make

2496

01:47:23,149 --> 01:47:20,639

fun of like the issues because they're

2497

01:47:25,669 --> 01:47:23,159

[h__\h] yeah there's a lot going on

2498

01:47:27,530 --> 01:47:25,679

right now but like genetically I think

2499

01:47:30,590 --> 01:47:27,540

it's happening and and those in power

2500

01:47:33,109 --> 01:47:30,600

don't want it to happen dude and I I

2501

01:47:36,950 --> 01:47:33,119

think we're we're getting to this level

2502

01:47:39,830 --> 01:47:36,960

of of what I think we really think is or

2503

01:47:42,109 --> 01:47:39,840

should be the optimal level for for our

2504

01:47:44,450 --> 01:47:42,119

species is like good and and

2505

01:47:47,209 --> 01:47:44,460

understanding and empathetic and and

2506

01:47:49,970 --> 01:47:47,219

coming from a place of love not not hate

2507

01:47:52,010 --> 01:47:49,980

and anger and control and Evil

2508

01:47:54,470 --> 01:47:52,020

think that's happening and it's just

2509

01:47:56,990 --> 01:47:54,480

this guy just talked to author Bob

2510

01:47:59,450 --> 01:47:57,000

Frizzle calls it the fourth Ascension

2511

01:48:01,910 --> 01:47:59,460

wave and that we're all gonna catch this

2512

01:48:04,250 --> 01:48:01,920

Ascension wave as some of us might not

2513

01:48:07,370 --> 01:48:04,260

make it to the Ascension wave so we'll

2514

01:48:10,490 --> 01:48:07,380

be sort of like taken care of by beings

2515

01:48:12,890 --> 01:48:10,500

that are meant to uh guide us to another

2516

01:48:15,770 --> 01:48:12,900

third dimensional planet where we can

2517

01:48:18,169 --> 01:48:15,780

continue our karmic you know path and

2518

01:48:19,790 --> 01:48:18,179

but everybody who has evolved like

2519

01:48:22,790 --> 01:48:19,800

you're saying will

2520

01:48:25,430 --> 01:48:22,800

be still here on Earth but it will be 4D

2521

01:48:28,430 --> 01:48:25,440

Earth instead of 3D Earth so things will

2522

01:48:30,709 --> 01:48:28,440

Ascend into a higher frequency of

2523

01:48:32,209 --> 01:48:30,719

vibration that's one way to think about

2524

01:48:35,810 --> 01:48:32,219

it and I think that's why we're seeing

2525

01:48:38,570 --> 01:48:35,820

the acceleration of you know fascists

2526

01:48:40,189 --> 01:48:38,580

control or Elite control because they

2527

01:48:42,109 --> 01:48:40,199

they sense that kind of thing coming

2528

01:48:44,090 --> 01:48:42,119

they know that they're not going to make

2529

01:48:46,910 --> 01:48:44,100

it to the fourth dimension so they have

2530

01:48:49,070 --> 01:48:46,920

to go hide in their bunkers and and you

2531

01:48:50,689 --> 01:48:49,080

know hope that they don't get taken to

2532

01:48:53,090 --> 01:48:50,699

another planet where they'd have to

2533

01:48:56,149 --> 01:48:53,100

start over from scratch right because

2534

01:48:58,669 --> 01:48:56,159

they they've had generations of of power

2535

01:49:00,770 --> 01:48:58,679

and wealth accumulation then they see

2536

01:49:02,689 --> 01:49:00,780

this like end of days coming and they're

2537

01:49:05,689 --> 01:49:02,699

like oh no they're the only ones who

2538

01:49:07,850 --> 01:49:05,699

care everybody else is like yeah I don't

2539

01:49:09,890 --> 01:49:07,860

have to pay off my student loans or

2540

01:49:12,890 --> 01:49:09,900

whatever you know like every everybody's

2541

01:49:14,450 --> 01:49:12,900

on even playing field yeah now they

2542

01:49:16,970 --> 01:49:14,460

really are just those guys that are

2543

01:49:18,290 --> 01:49:16,980

scared to take license plates you know

2544

01:49:24,010 --> 01:49:18,300

you don't have no money now you're

2545

01:49:30,770 --> 01:49:26,570

cats in the car we need to get to the

2546

01:49:34,430 --> 01:49:30,780

bunker yeah Jessica

2547

01:49:37,030 --> 01:49:34,440

load the load the Mercedes E yes

2548

01:49:41,270 --> 01:49:37,040

yes caught a ticket

2549

01:49:46,669 --> 01:49:43,729

precisely

2550

01:49:48,890 --> 01:49:46,679

everything is in my mama's name

2551

01:49:51,350 --> 01:49:48,900

one day one day we'll get there our

2552

01:49:53,570 --> 01:49:51,360

podcast will be so huge we'll have our

2553

01:49:55,609 --> 01:49:53,580

own Joe Rogan compounds we'll be sitting

2554

01:50:00,470 --> 01:49:55,619

around with smoking jackets with little

2555

01:50:01,790 --> 01:50:00,480

bubble pipes yes UFOs I I feel like the

2556

01:50:03,290 --> 01:50:01,800

bigger the podcast the deeper

2557

01:50:06,050 --> 01:50:03,300

underground you go

2558

01:50:08,990 --> 01:50:06,060

that's that tends to be the case I mean

2559

01:50:11,030 --> 01:50:09,000

it seems like uh you know the the

2560

01:50:14,570 --> 01:50:11,040

podcast that I like you know they either

2561

01:50:16,850 --> 01:50:14,580

go The Joe Rogan route or they end so I

2562

01:50:20,030 --> 01:50:16,860

don't know what's gonna happen you've

2563

01:50:22,790 --> 01:50:20,040

got to be Joe Rogan or you gotta stop

2564

01:50:24,290 --> 01:50:22,800

that's a set in the bar a little I don't

2565

01:50:26,689 --> 01:50:24,300

know a little is it low is it high I

2566

01:50:28,970 --> 01:50:26,699

don't know well everybody who's not at

2567

01:50:31,010 --> 01:50:28,980

that level is striving for that yet so

2568

01:50:33,109 --> 01:50:31,020

if your podcast is still going I mean

2569

01:50:34,910 --> 01:50:33,119

you're on your way to being huge that's

2570

01:50:37,250 --> 01:50:34,920

how I think of it yeah you'll either

2571

01:50:38,390 --> 01:50:37,260

become Joe Rogan's friend or you'll have

2572

01:50:39,970 --> 01:50:38,400

to stop podcasting

2573

01:50:42,770 --> 01:50:39,980

[Laughter]

2574

01:50:45,229 --> 01:50:42,780

exactly Joe Rogan lives in the city we

2575

01:50:46,370 --> 01:50:45,239

live in and I've been you know I've been

2576

01:50:48,169 --> 01:50:46,380

I've

2577

01:50:53,830 --> 01:50:48,179

we've been knocking on every door we

2578

01:51:01,250 --> 01:50:58,090

are you Joe Rogan man

2579

01:51:05,030 --> 01:51:01,260

my wife keeps asking me why I come home

2580

01:51:06,590 --> 01:51:05,040

covered an egg and that's why it's like

2581

01:51:07,970 --> 01:51:06,600

man I've been looking for Joe Rogan out

2582

01:51:10,070 --> 01:51:07,980

in the woods for months and then I

2583

01:51:12,410 --> 01:51:10,080

realized we don't have elk or beer or

2584

01:51:13,910 --> 01:51:12,420

bears so like you know like there's no

2585

01:51:16,250 --> 01:51:13,920

reason Joe Rogan would be out in the

2586

01:51:18,550 --> 01:51:16,260

woods that's what that's how he bait him

2587

01:51:22,550 --> 01:51:18,560

when we like have like a like a Modelo

2588

01:51:24,590 --> 01:51:22,560

look at slab of meat and like a piece of

2589

01:51:26,390 --> 01:51:24,600

fishing string we should start

2590

01:51:28,970 --> 01:51:26,400

barbecuing outside of his house one day

2591

01:51:30,229 --> 01:51:28,980

in the backyard yeah and a bunch of elk

2592

01:51:32,629 --> 01:51:30,239

and like set him free in his

2593

01:51:37,669 --> 01:51:32,639

neighborhood and be like Hey Joe we're

2594

01:51:39,649 --> 01:51:37,679

hunting get out here we did this for you

2595

01:51:40,850 --> 01:51:39,659

you got your bow strong brother let's

2596

01:51:42,950 --> 01:51:40,860

hit it

2597

01:51:45,550 --> 01:51:42,960

like oh Joe's not home right now God

2598

01:51:50,149 --> 01:51:48,410

pretty cool speaking of speaking of

2599

01:51:53,209 --> 01:51:50,159

podcasts and just keeping it going dude

2600

01:51:54,950 --> 01:51:53,219

like Mark I I I knew about your podcast

2601
01:51:57,050 --> 01:51:54,960
I found out about your podcast by

2602
01:51:57,649 --> 01:51:57,060
listening uh to

2603
01:52:00,410 --> 01:51:57,659
um

2604
01:52:02,330 --> 01:52:00,420
uh Ryan Bledsoe who was a guest on your

2605
01:52:04,970 --> 01:52:02,340
show and and we had him on our show

2606
01:52:06,649 --> 01:52:04,980
along we met him a couple years back and

2607
01:52:10,010 --> 01:52:06,659
I've been following his his transition

2608
01:52:12,530 --> 01:52:10,020
into just awesomeness he's a great great

2609
01:52:14,990 --> 01:52:12,540
show and then uh you were on their show

2610
01:52:20,149 --> 01:52:15,000
and that's how I found out about you and

2611
01:52:22,189 --> 01:52:20,159
uh I I I've uh realized that uh that you

2612
01:52:24,290 --> 01:52:22,199
are you've been into the same kind of

2613
01:52:27,169 --> 01:52:24,300

stuff that we've been like kind of

2614

01:52:28,970 --> 01:52:27,179

delving into dude we like we started at

2615

01:52:31,490 --> 01:52:28,980

this this whole journey three years ago

2616

01:52:35,149 --> 01:52:31,500

uh we've had our own experiences we've

2617

01:52:36,410 --> 01:52:35,159

seen some crazy [h__h] and then you know

2618

01:52:38,810 --> 01:52:36,420

we used to make fun of like the

2619

01:52:41,390 --> 01:52:38,820

spiritual aspect and the esotero aspect

2620

01:52:42,590 --> 01:52:41,400

and now it just seems to be like a

2621

01:52:45,890 --> 01:52:42,600

logical

2622

01:52:48,250 --> 01:52:45,900

uh evolution of how this [h__h] goes so

2623

01:52:51,950 --> 01:52:48,260

I'm just so glad that we got to like

2624

01:52:54,649 --> 01:52:51,960

know or that we got to know you and and

2625

01:52:58,189 --> 01:52:54,659

know your show dude like your your show

2626

01:53:00,050 --> 01:52:58,199

is is gonna freaking blow up any

2627

01:53:02,090 --> 01:53:00,060

freaking second now dude like the the

2628

01:53:05,629 --> 01:53:02,100

content that you have dude is so good

2629

01:53:07,550 --> 01:53:05,639

like I need a new friend but your show

2630

01:53:09,649 --> 01:53:07,560

is so damn good y'all if y'all listening

2631

01:53:11,930 --> 01:53:09,659

right now you need to check out my

2632

01:53:14,689 --> 01:53:11,940

family thinks I'm crazy dude like start

2633

01:53:17,689 --> 01:53:14,699

from the beginning because no don't

2634

01:53:19,790 --> 01:53:17,699

don't start don't episode 50 when I got

2635

01:53:21,649 --> 01:53:19,800

a mixer

2636

01:53:24,050 --> 01:53:21,659

there's some good episodes before

2637

01:53:26,510 --> 01:53:24,060

episode 50 but yeah that's cool sound

2638

01:53:28,490 --> 01:53:26,520

quality gets better as you as you listen

2639

01:53:30,410 --> 01:53:28,500

if you do start at the beginning but

2640

01:53:33,470 --> 01:53:30,420

thank you I appreciate it my two-year

2641

01:53:37,370 --> 01:53:33,480

anniversary is uh in a few days so uh

2642

01:53:40,729 --> 01:53:37,380

yeah nice dude episode October 5th 2020

2643

01:53:42,229 --> 01:53:40,739

and uh I had a podcast before that that

2644

01:53:44,450 --> 01:53:42,239

I did for a little while with some

2645

01:53:48,050 --> 01:53:44,460

buddies but yeah it's been really cool

2646

01:53:50,930 --> 01:53:48,060

to uh get out there with this show

2647

01:53:53,030 --> 01:53:50,940

um and meet folks like you I I didn't

2648

01:53:55,250 --> 01:53:53,040

realize that you know the spirituality

2649

01:53:58,129 --> 01:53:55,260

esoteric stuff has been sort of like

2650

01:53:59,930 --> 01:53:58,139

warming up on you guys so anytime you

2651
01:54:02,209 --> 01:53:59,940
want to you know learn about that stuff

2652
01:54:04,669 --> 01:54:02,219
whether it's me or someone I've had on

2653
01:54:07,370 --> 01:54:04,679
my show just get in touch with me dude

2654
01:54:09,350 --> 01:54:07,380
I'd love to a put you in touch with new

2655
01:54:11,030 --> 01:54:09,360
people that that you can talk to like

2656
01:54:13,189 --> 01:54:11,040
Bob Frizzle I think would be a great

2657
01:54:15,350 --> 01:54:13,199
guest that would be sick I want to meet

2658
01:54:17,930 --> 01:54:15,360
the shampoo guy all right yeah I was

2659
01:54:21,109 --> 01:54:17,940
gonna say yeah with a last name like

2660
01:54:23,330 --> 01:54:21,119
that man you gotta be clean got know I

2661
01:54:25,729 --> 01:54:23,340
think Peter you guys should get a kick

2662
01:54:29,030 --> 01:54:25,739
at it all the stuff he has to research

2663
01:54:31,129 --> 01:54:29,040

like it's really interesting he um

2664

01:54:32,930 --> 01:54:31,139

he helped for a while I don't know how

2665

01:54:35,270 --> 01:54:32,940

often he does this anymore but for a

2666

01:54:37,729 --> 01:54:35,280

while he would like give you a reading

2667

01:54:40,550 --> 01:54:37,739

and basically tell you like where the

2668

01:54:43,189 --> 01:54:40,560

best place for you to live would be

2669

01:54:45,290 --> 01:54:43,199

based on you know things about you and

2670

01:54:47,870 --> 01:54:45,300

then things about like certain areas

2671

01:54:50,870 --> 01:54:47,880

like he would create like a profile like

2672

01:54:52,850 --> 01:54:50,880

almost like a zodiac sign like a reader

2673

01:54:55,790 --> 01:54:52,860

you know if you're a Scorpio and be like

2674

01:54:58,310 --> 01:54:55,800

okay well you might live best here but

2675

01:55:01,070 --> 01:54:58,320

he's a very smart guy he's he's got a

2676

01:55:02,750 --> 01:55:01,080

lot of uh a lot of avenues of research

2677

01:55:05,149 --> 01:55:02,760

that he's gone down he's written a

2678

01:55:06,950 --> 01:55:05,159

couple books and I try to talk to people

2679

01:55:09,830 --> 01:55:06,960

like that on a regular basis because

2680

01:55:12,350 --> 01:55:09,840

that's why I do the show is to learn you

2681

01:55:14,330 --> 01:55:12,360

know not just to tell people what I

2682

01:55:16,550 --> 01:55:14,340

know but I've learned so much that now

2683

01:55:18,770 --> 01:55:16,560

I'm like all right I could go and talk

2684

01:55:20,510 --> 01:55:18,780

about things like skull and bones and

2685

01:55:23,390 --> 01:55:20,520

stuff and things that are a little close

2686

01:55:25,129 --> 01:55:23,400

to home for me and and yeah it's cool

2687

01:55:28,609 --> 01:55:25,139

man I appreciate you guys getting into

2688

01:55:30,350 --> 01:55:28,619

this and and and putting up with uh with

2689

01:55:32,810 --> 01:55:30,360

what I had to say I think a lot of

2690

01:55:35,209 --> 01:55:32,820

people for worse or for better aren't

2691

01:55:37,729 --> 01:55:35,219

aware of of this stuff I don't know I'm

2692

01:55:40,729 --> 01:55:37,739

mean it could be for for better if

2693

01:55:43,370 --> 01:55:40,739

everybody knew the the real you know

2694

01:55:46,010 --> 01:55:43,380

reality of groups like Skull and Bones I

2695

01:55:48,050 --> 01:55:46,020

mean it's not just like weird uh grave

2696

01:55:51,530 --> 01:55:48,060

robbing stuff I mean they're involved in

2697

01:55:53,750 --> 01:55:51,540

war drug trafficking human trafficking I

2698

01:55:56,330 --> 01:55:53,760

mean it's it's really you know it gets

2699

01:55:58,430 --> 01:55:56,340

into some darker conspiratorial stuff

2700

01:56:01,010 --> 01:55:58,440

obviously presidents have been a part of

2701

01:56:03,470 --> 01:56:01,020

it uh very wealthy people of all

2702

01:56:07,070 --> 01:56:03,480

different types of business success have

2703

01:56:09,169 --> 01:56:07,080

been a part of it and uh the the CEO of

2704

01:56:11,209 --> 01:56:09,179

FedEx or something the founder of FedEx

2705

01:56:13,370 --> 01:56:11,219

started you know he was Skull and Bones

2706

01:56:16,629 --> 01:56:13,380

guy so like they go all over the place

2707

01:56:19,910 --> 01:56:16,639

it's not just you know uh presidents and

2708

01:56:22,070 --> 01:56:19,920

politicians it's it's people you might

2709

01:56:24,590 --> 01:56:22,080

not even expect athletes as well have

2710

01:56:27,770 --> 01:56:24,600

been members of Skull and Bones so yeah

2711

01:56:30,229 --> 01:56:27,780

it's it's interesting to find that all

2712

01:56:32,030 --> 01:56:30,239

of this is centered in your own backyard

2713

01:56:34,850 --> 01:56:32,040

which is why

2714

01:56:37,550 --> 01:56:34,860

I started a new podcast it's funny you

2715

01:56:40,669 --> 01:56:37,560

said the esoteric aspects of America

2716

01:56:43,970 --> 01:56:40,679

were what are interesting you because my

2717

01:56:46,970 --> 01:56:43,980

new show is called esoteric America I do

2718

01:56:50,209 --> 01:56:46,980

uh it with my friend Roman our friend

2719

01:56:53,450 --> 01:56:50,219

Chad and then my girlfriend Tara also

2720

01:56:56,030 --> 01:56:53,460

joins in and basically we have guests on

2721

01:56:59,450 --> 01:56:56,040

to tell us about their local area so

2722

01:57:03,770 --> 01:56:59,460

we've done Anderson Indiana bought at

2723

01:57:06,470 --> 01:57:03,780

Minnesota uh Nashville Tennessee Seattle

2724

01:57:08,050 --> 01:57:06,480

Washington uh the Inland Empire

2725

01:57:11,149 --> 01:57:08,060

California

2726

01:57:12,890 --> 01:57:11,159

Madison Wisconsin so we've hit like a

2727

01:57:15,050 --> 01:57:12,900

bunch of different places on the map I'm

2728

01:57:18,109 --> 01:57:15,060

leaving some out Charleston South

2729

01:57:20,990 --> 01:57:18,119

Carolina Cartersville Georgia and each

2730

01:57:23,510 --> 01:57:21,000

time our guest tells us like about some

2731

01:57:26,030 --> 01:57:23,520

weird history maybe like Cryptid

2732

01:57:27,770 --> 01:57:26,040

sightings we talked about Mounds a lot

2733

01:57:29,629 --> 01:57:27,780

because there's a lot of Mounds that are

2734

01:57:32,510 --> 01:57:29,639

sort of forgotten about and people don't

2735

01:57:35,689 --> 01:57:32,520

know the true history of these places is

2736

01:57:37,490 --> 01:57:35,699

so that show has just become such a fun

2737

01:57:40,430 --> 01:57:37,500

show to do

2738

01:57:42,770 --> 01:57:40,440

um and it's it's again it's really cool

2739

01:57:44,390 --> 01:57:42,780

to inspire people to go out and do their

2740

01:57:46,669 --> 01:57:44,400

own research because I found all this

2741

01:57:49,910 --> 01:57:46,679

stuff about New Haven you know only two

2742

01:57:52,189 --> 01:57:49,920

towns away from me uh and and it's like

2743

01:57:54,890 --> 01:57:52,199

whoa all this was going on I know about

2744

01:57:56,990 --> 01:57:54,900

it and imagine you know a year two years

2745

01:57:59,390 --> 01:57:57,000

from now we're gonna have like a whole

2746

01:58:01,370 --> 01:57:59,400

map of shows you know I want to like

2747

01:58:03,649 --> 01:58:01,380

plot it on a website where it's like you

2748

01:58:05,450 --> 01:58:03,659

can like zoom in on a map and see like a

2749

01:58:07,850 --> 01:58:05,460

little pin and that'll be like a

2750

01:58:10,970 --> 01:58:07,860

two-hour episode about that area you

2751

01:58:13,189 --> 01:58:10,980

know like that's cool I love that

2752

01:58:16,070 --> 01:58:13,199

so that's what people can check out on

2753

01:58:18,410 --> 01:58:16,080

my YouTube channel uh my family thinks

2754

01:58:20,570 --> 01:58:18,420

I'm crazy on YouTube but if you guys are

2755

01:58:22,790 --> 01:58:20,580

down to do that research for Texas and

2756

01:58:24,890 --> 01:58:22,800

and join us on the show we'd love that

2757

01:58:27,589 --> 01:58:24,900

yeah tell us about some weird stuff

2758

01:58:30,770 --> 01:58:27,599

that's gone down where you live okay

2759

01:58:32,390 --> 01:58:30,780

cool that would be so awesome yeah I

2760

01:58:34,490 --> 01:58:32,400

live in a city called It's a small city

2761

01:58:36,649 --> 01:58:34,500

outside of Austin called Georgetown and

2762

01:58:38,810 --> 01:58:36,659

my wife and I were on a a walk and we

2763

01:58:43,010 --> 01:58:38,820

found this graveyard that had this

2764

01:58:46,250 --> 01:58:43,020

plaque that said uh what I want to ruin

2765

01:58:48,649 --> 01:58:46,260

the the mystery but it's like this

2766

01:58:52,370 --> 01:58:48,659

school that has that you can't find it

2767

01:58:54,410 --> 01:58:52,380

on a map but it's this one historical uh

2768

01:58:57,169 --> 01:58:54,420

uh placard saying that the school once

2769

01:58:58,729 --> 01:58:57,179

existed and it was burned down in like

2770

01:59:01,070 --> 01:58:58,739

the 1800s

2771

01:59:02,570 --> 01:59:01,080

and there's like this huge graveyard and

2772

01:59:04,310 --> 01:59:02,580

we're like we gotta know what this is

2773

01:59:06,109 --> 01:59:04,320

and we've done like Google searches and

2774

01:59:08,930 --> 01:59:06,119

all that stuff we can't find [h__h] on it

2775

01:59:11,149 --> 01:59:08,940

so that's my new mystery schools are you

2776

01:59:14,169 --> 01:59:11,159

and universities especially are usually

2777

01:59:18,169 --> 01:59:14,179

built in places where there are leyline

2778

01:59:21,290 --> 01:59:18,179

spirals uh Robert egby an author who

2779

01:59:23,149 --> 01:59:21,300

wrote a book called dowsing America he

2780

01:59:25,310 --> 01:59:23,159

he's done a bunch of research into this

2781

01:59:27,290 --> 01:59:25,320

so maybe there is there's a certain

2782

01:59:28,729 --> 01:59:27,300

energy in that graveyard that you could

2783

01:59:31,129 --> 01:59:28,739

tap into

2784

01:59:34,669 --> 01:59:31,139

I definitely felt like Inspire I don't

2785

01:59:37,370 --> 01:59:34,679

know it was like inspired to know what

2786

01:59:39,290 --> 01:59:37,380

like why is there no information on this

2787

01:59:42,109 --> 01:59:39,300

very inspired to like get to the bottom

2788

01:59:44,750 --> 01:59:42,119

of it so dude we gonna maybe we got a

2789

01:59:48,290 --> 01:59:44,760

little episode up ahead of us Joe yeah

2790

01:59:50,390 --> 01:59:48,300

dude Texas Avery is for my hometown yeah

2791

01:59:52,490 --> 01:59:50,400

hell yeah nothing spooky he just made

2792

01:59:53,870 --> 01:59:52,500

Looney Tunes just made Looney Tunes

2793

01:59:55,609 --> 01:59:53,880

that's it that makes sense though

2794

01:59:58,430 --> 01:59:55,619

there's a whole bunch of like desert

2795

02:00:00,350 --> 01:59:58,440

scenes in Looney Tunes that never made

2796

02:00:01,910 --> 02:00:00,360

sense to me as a kid because I live in

2797

02:00:04,550 --> 02:00:01,920

New England and we don't have anything

2798

02:00:06,950 --> 02:00:04,560

like that up here so but we know that

2799

02:00:08,570 --> 02:00:06,960

there ain't no Suarez in Texas and

2800

02:00:12,070 --> 02:00:08,580

there's a lot of saguaros and Looney

2801
02:00:17,270 --> 02:00:14,570
it's a type of cactus you know the ones

2802
02:00:19,490 --> 02:00:17,280
that stand out like this okay yeah they

2803
02:00:22,870 --> 02:00:19,500
were very geographically accurate then

2804
02:00:26,450 --> 02:00:22,880
uh yeah and uh uh Reverend Horton Heat

2805
02:00:28,189 --> 02:00:26,460
he has this song it's called reyno Soros

2806
02:00:30,290 --> 02:00:28,199
in Texas because when people think of

2807
02:00:31,910 --> 02:00:30,300
Texas they think of these Cactus but

2808
02:00:34,729 --> 02:00:31,920
that ain't the kind of cactus we got we

2809
02:00:37,490 --> 02:00:34,739
got prickly pears you know swirls are

2810
02:00:39,589 --> 02:00:37,500
New Mexico and Arizona thing yeah right

2811
02:00:41,390 --> 02:00:39,599
so different prickly pears those are

2812
02:00:43,550 --> 02:00:41,400
like the ones that like are on the

2813
02:00:45,709 --> 02:00:43,560

ground like watermelon you can trip over

2814

02:00:47,689 --> 02:00:45,719

them and stuff or how big if they're

2815

02:00:50,149 --> 02:00:47,699

real small yeah I mean they're like

2816

02:00:51,609 --> 02:00:50,159

ping-pong paddles with like like fruits

2817

02:00:54,950 --> 02:00:51,619

that grow off of them

2818

02:00:56,330 --> 02:00:54,960

okay yeah and they do get real big I

2819

02:00:59,149 --> 02:00:56,340

mean they'll grow they grow into like

2820

02:01:01,790 --> 02:00:59,159

bushes though they're not like a tall

2821

02:01:04,010 --> 02:01:01,800

stock it's all it's more of a bush yeah

2822

02:01:06,290 --> 02:01:04,020

it's crazy they get real big if you know

2823

02:01:09,830 --> 02:01:06,300

if it's in the right place they get huge

2824

02:01:12,709 --> 02:01:09,840

so okay yeah yeah I've never been down

2825

02:01:15,770 --> 02:01:12,719

that way I I'll be there soon though I

2826
02:01:16,629 --> 02:01:15,780
hope I hope to to travel out west I

2827
02:01:18,649 --> 02:01:16,639
don't know

2828
02:01:20,390 --> 02:01:18,659
we'll see

2829
02:01:22,010 --> 02:01:20,400
it would be cool man you'd have to come

2830
02:01:24,530 --> 02:01:22,020
down we got to go check out the the

2831
02:01:26,390 --> 02:01:24,540
mystery Airship crash you guys are in

2832
02:01:29,209 --> 02:01:26,400
Austin I'll be if you guys are near

2833
02:01:31,850 --> 02:01:29,219
Austin I can guarantee that I'll be down

2834
02:01:34,189 --> 02:01:31,860
there because I'm a big fan of uh of

2835
02:01:36,410 --> 02:01:34,199
kill Tony so I want to go see that uh

2836
02:01:38,450 --> 02:01:36,420
kill Tony live I've seen them live twice

2837
02:01:41,030 --> 02:01:38,460
on the road but I've never been down in

2838
02:01:43,669 --> 02:01:41,040

in Texas to see them at the new spot so

2839

02:01:45,890 --> 02:01:43,679

dude hit us up hit us up dude it would

2840

02:01:49,370 --> 02:01:45,900

be fun we'll give you some barbecue

2841

02:01:51,890 --> 02:01:49,380

right on oh yeah that'd be awesome man

2842

02:01:53,750 --> 02:01:51,900

and I don't think I've ever been to well

2843

02:01:55,310 --> 02:01:53,760

I've never definitely been to like the

2844

02:01:57,530 --> 02:01:55,320

New York area I've been to like Boston

2845

02:01:58,910 --> 02:01:57,540

but like that's that's as far as Easters

2846

02:02:01,310 --> 02:01:58,920

have gone so

2847

02:02:04,850 --> 02:02:01,320

um that's pretty far east that's further

2848

02:02:06,229 --> 02:02:04,860

east than me oh and so you've been up

2849

02:02:08,450 --> 02:02:06,239

there that's all right though yeah

2850

02:02:10,850 --> 02:02:08,460

nobody comes to Connecticut nobody

2851
02:02:12,770 --> 02:02:10,860
nobody ever like if you're not from New

2852
02:02:15,290 --> 02:02:12,780
England you're not like traveling to

2853
02:02:17,870 --> 02:02:15,300
Connecticut Connecticut's like a day of

2854
02:02:20,390 --> 02:02:17,880
vacation destination for people who live

2855
02:02:25,010 --> 02:02:20,400
in New York that's about it

2856
02:02:28,910 --> 02:02:25,750
that's awesome

2857
02:02:30,890 --> 02:02:28,920
yeah dude well man this is this has been

2858
02:02:32,990 --> 02:02:30,900
a lot of fun

2859
02:02:34,550 --> 02:02:33,000
I agreed I've got a lot of books to read

2860
02:02:37,550 --> 02:02:34,560
by the way I've like been taking notes

2861
02:02:41,030 --> 02:02:37,560
this whole time uh Bob shampoo we've got

2862
02:02:44,330 --> 02:02:41,040
secret teachings of all ages by manly P

2863
02:02:47,750 --> 02:02:44,340

call McDonald uh oh that was earlier uh

2864

02:02:49,010 --> 02:02:47,760

the great Misty mystery Philadelphia by

2865

02:02:51,050 --> 02:02:49,020

Ross Ben

2866

02:02:53,689 --> 02:02:51,060

by Ross

2867

02:02:55,970 --> 02:02:53,699

yeah but that's Ross like Rastafari

2868

02:02:58,490 --> 02:02:55,980

r-a-s

2869

02:03:02,149 --> 02:02:58,500

and then oh it's it's Peter not Bob

2870

02:03:06,830 --> 02:03:02,159

shampoo Peter shampoo oh penis uh Peter

2871

02:03:08,689 --> 02:03:06,840

penis shampoo got it ah penis shampoo on

2872

02:03:12,589 --> 02:03:08,699

my grocery list hold on I can't find

2873

02:03:15,649 --> 02:03:12,599

this anywhere on Google and ma'am do you

2874

02:03:17,330 --> 02:03:15,659

have any uh a peanut a penis shampoo

2875

02:03:19,910 --> 02:03:17,340

it's French it's spelled with the c you

2876

02:03:21,410 --> 02:03:19,920

ever heard of it

2877

02:03:23,870 --> 02:03:21,420

yeah

2878

02:03:26,870 --> 02:03:23,880

it comes with a really small bottle

2879

02:03:29,149 --> 02:03:26,880

actually shampoo means uh Stone of the

2880

02:03:33,169 --> 02:03:29,159

fields in French and Peter shampoo

2881

02:03:36,770 --> 02:03:33,179

studies Fields go and rocks go figure

2882

02:03:38,750 --> 02:03:36,780

that son of a [ʌ__ʌ] that's it's so damn

2883

02:03:40,490 --> 02:03:38,760

literally

2884

02:03:41,570 --> 02:03:40,500

he knew what he was doing that was his

2885

02:03:44,629 --> 02:03:41,580

choice

2886

02:03:48,589 --> 02:03:44,639

it's funny how life works out it is God

2887

02:03:51,589 --> 02:03:48,599

hell yeah well sick man

2888

02:03:54,470 --> 02:03:51,599

uh dude uh yeah we're out of time boys

2889

02:03:56,089 --> 02:03:54,480

and dude mark thank you so much for

2890

02:03:58,430 --> 02:03:56,099

joining us tonight man we had such a

2891

02:04:01,070 --> 02:03:58,440

blast thank you for having us on your

2892

02:04:03,229 --> 02:04:01,080

show and I'm so glad we got to make this

2893

02:04:06,109 --> 02:04:03,239

happen for you to come on our show dude

2894

02:04:08,570 --> 02:04:06,119

uh let's keep this going dude like we we

2895

02:04:10,310 --> 02:04:08,580

gotta we gotta keep in touch and and and

2896

02:04:13,010 --> 02:04:10,320

do some projects together in the future

2897

02:04:16,010 --> 02:04:13,020

man that'd be so fun I'm down yeah thank

2898

02:04:18,109 --> 02:04:16,020

you I'm grateful to be here I'm looking

2899

02:04:20,810 --> 02:04:18,119

forward to whatever we do next whether

2900

02:04:24,350 --> 02:04:20,820

it's esoteric America another episode of

2901

02:04:26,149 --> 02:04:24,360

UFO garage or maybe uh I you know we do

2902

02:04:28,310 --> 02:04:26,159

this but on my family thinks I'm crazy

2903

02:04:31,070 --> 02:04:28,320

because last time you guys were on the

2904

02:04:33,050 --> 02:04:31,080

show I had my two goon Sidekicks with me

2905

02:04:36,470 --> 02:04:33,060

but maybe we'll do something where you

2906

02:04:38,689 --> 02:04:36,480

guys educate me about UFOs or whatever

2907

02:04:40,189 --> 02:04:38,699

you guys want to talk about dude we've

2908

02:04:41,930 --> 02:04:40,199

been coming into some pretty cool stuff

2909

02:04:45,109 --> 02:04:41,940

lately so let's definitely make that

2910

02:04:47,570 --> 02:04:45,119

happen that would be great thank you yes

2911

02:04:49,070 --> 02:04:47,580

all right brother we'll talk to you soon

2912

02:04:53,109 --> 02:04:49,080

man thank you so much

2913

02:04:57,589 --> 02:04:55,550

that was awesome I'm so glad that was a

2914

02:04:59,270 --> 02:04:57,599

lot of fun so glad we got to get him on

2915

02:05:01,010 --> 02:04:59,280

the show man I've been excited about

2916

02:05:04,189 --> 02:05:01,020

that one for the past couple weeks for

2917

02:05:06,290 --> 02:05:04,199

sure yeah yeah yeah dude like it's the

2918

02:05:07,910 --> 02:05:06,300

wealth of knowledge like he's so good at

2919

02:05:10,310 --> 02:05:07,920

just explaining [h__\h]

2920

02:05:11,390 --> 02:05:10,320

um that yeah like you like you touch it

2921

02:05:13,370 --> 02:05:11,400

and you're like I'm kind of interested

2922

02:05:15,350 --> 02:05:13,380

in that and then he'll go off from like

2923

02:05:18,350 --> 02:05:15,360

a 15 minute tangent and like oh my God I

2924

02:05:20,149 --> 02:05:18,360

could sleep for like two hours I go and

2925

02:05:22,870 --> 02:05:20,159

it was all those books behind him dude

2926

02:05:26,030 --> 02:05:22,880

yeah dude he reads a lot of bucks man

2927

02:05:28,990 --> 02:05:26,040

yes yes

2928

02:05:30,830 --> 02:05:29,000

um also Alabama Tide um

2929

02:05:32,149 --> 02:05:30,840

what do you think about what do you

2930

02:05:34,189 --> 02:05:32,159

think about the T-shirt

2931

02:05:36,950 --> 02:05:34,199

tell me what you think dude we sent them

2932

02:05:39,890 --> 02:05:36,960

again we sent him a t-shirt

2933

02:05:44,589 --> 02:05:39,900

who else did we send a t-shirt to

2934

02:05:47,870 --> 02:05:44,599

um Mr Crowley Mr Crowley dog face boy

2935

02:05:49,970 --> 02:05:47,880

yes why did I say dog face boy is it dog

2936

02:05:52,250 --> 02:05:49,980

face was there a dog face boy no that's

2937

02:05:54,290 --> 02:05:52,260

a cartoon dog face sorry

2938

02:05:58,070 --> 02:05:54,300

well I can't tell I I don't know if he

2939

02:06:00,430 --> 02:05:58,080

wants his actual name shown but yes

2940

02:06:04,910 --> 02:06:00,440

yeah uh but again

2941

02:06:08,450 --> 02:06:04,920

uh 509 uh Divine yes dude I will

2942

02:06:10,970 --> 02:06:08,460

definitely proudly wear a team dude yes

2943

02:06:13,430 --> 02:06:10,980

and also sunsaver you know we try to

2944

02:06:16,790 --> 02:06:13,440

have sunsaver on a couple months ago and

2945

02:06:20,089 --> 02:06:16,800

uh you know it no fault of his own no

2946

02:06:22,669 --> 02:06:20,099

fault of ours there was a a couple of

2947

02:06:25,430 --> 02:06:22,679

bugs uh beetles specifically that had

2948

02:06:28,250 --> 02:06:25,440

Saddles and they had little tiny smaller

2949

02:06:29,629 --> 02:06:28,260

bugs riding them and they made a huge

2950

02:06:32,030 --> 02:06:29,639

traffic

2951

02:06:35,510 --> 02:06:32,040

thing happened and so he wasn't able to

2952

02:06:37,850 --> 02:06:35,520

join our show uh and and sunsafer has

2953

02:06:40,790 --> 02:06:37,860

recently said that hey we're let's talk

2954

02:06:42,830 --> 02:06:40,800

about some [h__h] so uh maybe maybe this

2955

02:06:45,729 --> 02:06:42,840

coming Tuesday dude let's just do it

2956

02:06:48,709 --> 02:06:45,739

just just saying dude

2957

02:06:52,250 --> 02:06:48,719

he did ask if we were still doing the uh

2958

02:06:56,870 --> 02:06:54,609

no I mean no we're not

2959

02:06:58,669 --> 02:06:56,880

we haven't been not we have not been

2960

02:07:01,370 --> 02:06:58,679

doing the shirtless two uh topless

2961

02:07:02,870 --> 02:07:01,380

Tuesdays for what like eight years

2962

02:07:09,050 --> 02:07:02,880

eight

2963

02:07:14,810 --> 02:07:11,990

no remember we were like hey when is the

2964

02:07:16,609 --> 02:07:14,820

joke over like you know you know it's

2965

02:07:19,430 --> 02:07:16,619

always that one embarrassing thing that

2966

02:07:21,050 --> 02:07:19,440

everybody remembers you for and and you

2967

02:07:24,350 --> 02:07:21,060

know whatever it's it's not that bad

2968

02:07:27,169 --> 02:07:24,360

that's so great that's so great oh man

2969

02:07:28,669 --> 02:07:27,179

what hey everybody thanks for uh hanging

2970

02:07:29,770 --> 02:07:28,679

out with us tonight y'all go check us

2971

02:07:31,970 --> 02:07:29,780

out

2972

02:07:33,830 --> 02:07:31,980

ufogarajpodcast.com you can check all of

2973

02:07:35,750 --> 02:07:33,840

our episodes that we've ever done we've

2974

02:07:37,609 --> 02:07:35,760

got three pretty cool t-shirts out there

2975

02:07:41,229 --> 02:07:37,619

and we're also doing a little getaway

2976

02:07:44,149 --> 02:07:41,239

man November 4th through the 6th

2977

02:07:46,070 --> 02:07:44,159

uh it's gonna be out at Mystic quarries

2978

02:07:47,750 --> 02:07:46,080

we're gonna be there we're gonna be

2979

02:07:49,550 --> 02:07:47,760

hanging out if you guys want to come

2980

02:07:51,709 --> 02:07:49,560

hang out

2981

02:07:52,910 --> 02:07:51,719

go to the website we'll be there too and

2982

02:07:55,129 --> 02:07:52,920

we'll be there we're going to be cooking

2983

02:07:56,570 --> 02:07:55,139

barbecue you don't have to buy it you

2984

02:07:59,149 --> 02:07:56,580

don't have to buy a ticket there's no

2985

02:08:01,609 --> 02:07:59,159

cost you just show up and uh if you want

2986

02:08:03,050 --> 02:08:01,619

to stay there then I guess you do have

2987

02:08:04,430 --> 02:08:03,060

to pay for that but you're not paying us

2988

02:08:06,589 --> 02:08:04,440

we're not making any money off of this

2989

02:08:08,270 --> 02:08:06,599

thing it's just to have fun yep yep so

2990

02:08:09,530 --> 02:08:08,280

if y'all want to come hang out then come

2991

02:08:11,450 --> 02:08:09,540

and hang out with us it's going to be a

2992

02:08:12,830 --> 02:08:11,460

pretty good time Ben's been out here he

2993

02:08:15,890 --> 02:08:12,840

said it's uh

2994

02:08:17,209 --> 02:08:15,900

it's very pretty tranquil it's very

2995

02:08:21,290 --> 02:08:17,219

tranquil

2996

02:08:24,050 --> 02:08:21,300

they got tiny houses and little huts and

2997

02:08:25,310 --> 02:08:24,060

and camping lodges and all kinds of

2998

02:08:27,290 --> 02:08:25,320

stuff out there so if y'all are

2999

02:08:29,209 --> 02:08:27,300

interested there's uh there's a few

3000

02:08:30,530 --> 02:08:29,219

options but I gotta tell you you know

3001

02:08:31,910 --> 02:08:30,540

since the garage is going to be out

3002

02:08:35,030 --> 02:08:31,920

there it's going to be packed so you

3003

02:08:37,310 --> 02:08:35,040

better get your lodging soon okay dude

3004

02:08:40,910 --> 02:08:37,320

it's gonna be freaking crazy dude like

3005

02:08:43,270 --> 02:08:40,920

the Parade of people clamoring clamoring

3006

02:08:47,050 --> 02:08:43,280

for our presence

3007

02:08:52,430 --> 02:08:47,060

me you and Tony have already rented out

3008

02:08:56,030 --> 02:08:54,290

it's me it's me you

3009

02:08:57,770 --> 02:08:56,040

Mr cowl

3010

02:08:59,689 --> 02:08:57,780

and we're gonna we're gonna have a we're

3011

02:09:04,070 --> 02:08:59,699

gonna have a great time

3012

02:09:05,570 --> 02:09:04,080

uh uh there's there's a few Willie's a

3013

02:09:08,030 --> 02:09:05,580

maybe Willie's maybe he's got a big

3014

02:09:09,890 --> 02:09:08,040

family you know is you know anything can

3015

02:09:14,089 --> 02:09:09,900

happen so we we you have to understand

3016

02:09:15,709 --> 02:09:14,099

that the kids get sick you know uh stuff

3017

02:09:17,870 --> 02:09:15,719

happens he's like he has like 12

3018

02:09:21,470 --> 02:09:17,880

children so who knows so he's gonna

3019

02:09:23,209 --> 02:09:21,480

leave him at home Willie he's a maybe

3020

02:09:25,689 --> 02:09:23,219

um but yeah dude it's gonna be a good

3021

02:09:28,250 --> 02:09:25,699

time I uh cinnamon Terry gonna be there

3022

02:09:32,300 --> 02:09:28,260

assuming sorry cinnamon Terry gonna be

3023

02:09:37,790 --> 02:09:35,149

[Music]

3024

02:09:40,250 --> 02:09:37,800

dude we we have a good crew coming dude

3025

02:09:42,830 --> 02:09:40,260

we uh uh Phil from what if tomorrow

3026

02:09:44,510 --> 02:09:42,840

podcast is coming with his his wife he's

3027

02:09:47,089 --> 02:09:44,520

gonna be uh cooking us some awesome

3028

02:09:50,330 --> 02:09:47,099

breakfast from his uh farm-raised

3029

02:09:51,530 --> 02:09:50,340

chickens dude yes sir he he called me

3030

02:09:54,290 --> 02:09:51,540

was like hey dude I'm thinking about

3031

02:09:56,570 --> 02:09:54,300

coming I was like oh hell yeah bro yes

3032

02:09:58,129 --> 02:09:56,580

he was like how many eggs do you want

3033

02:10:00,470 --> 02:09:58,139

I don't know how many eggs do you have

3034

02:10:03,290 --> 02:10:00,480

it's like dude I'll bring all all of

3035

02:10:05,570 --> 02:10:03,300

them so dude think about this dude he's

3036

02:10:07,189 --> 02:10:05,580

got quail eggs and chicken eggs damn

3037

02:10:08,870 --> 02:10:07,199

he's gonna bring the chickens too and

3038

02:10:10,850 --> 02:10:08,880

the quails well

3039

02:10:13,430 --> 02:10:10,860

you have to breed the chicken

3040

02:10:15,050 --> 02:10:13,440

to get the quail to make eggs so it's

3041

02:10:16,850 --> 02:10:15,060

like is that how that works it's like a

3042

02:10:20,149 --> 02:10:16,860

very sexual environment you have to like

3043

02:10:21,709 --> 02:10:20,159

build up yeah yeah I see I see so you

3044

02:10:22,250 --> 02:10:21,719

can get so you can get them to like do

3045

02:10:26,229 --> 02:10:22,260

sex

3046

02:10:32,089 --> 02:10:28,729

you put chickens and quails together

3047

02:10:34,729 --> 02:10:32,099

yeah and they just do sex I get it

3048

02:10:36,770 --> 02:10:34,739

it's unstoppable that's why it's illegal

3049

02:10:38,990 --> 02:10:36,780

to have both you can't put them in the

3050

02:10:41,870 --> 02:10:39,000

same cage it's just they just do sex all

3051

02:10:43,729 --> 02:10:41,880

the time it's like a it's it's like a

3052

02:10:47,510 --> 02:10:43,739

one of those one of those fish with the

3053

02:10:49,729 --> 02:10:47,520

with the the big aprons oh yeah they do

3054

02:10:50,990 --> 02:10:49,739

sex all the time yeah that's what

3055

02:10:53,689 --> 02:10:51,000

they're mad about they're not like

3056

02:10:56,930 --> 02:10:53,699

trying to fight they just want to

3057

02:10:58,550 --> 02:10:56,940

uh uh fish sex that's what they're

3058

02:11:02,510 --> 02:10:58,560

trying to do

3059

02:11:07,330 --> 02:11:05,089

uh he's gonna make uh breakfast dude I'm

3060

02:11:10,189 --> 02:11:07,340

gonna bring a [h__h] some bacon bro

3061

02:11:11,750 --> 02:11:10,199

gonna do breakfast one morning I mean

3062

02:11:14,089 --> 02:11:11,760

we're I'm going out we're gonna going

3063

02:11:16,490 --> 02:11:14,099

out there on like Friday afternoon we're

3064

02:11:18,470 --> 02:11:16,500

gonna set up the Traeger we're gonna do

3065

02:11:21,470 --> 02:11:18,480

a two briskets probably I'm just gonna

3066

02:11:24,470 --> 02:11:21,480

make too much food I'm thinking

3067

02:11:25,729 --> 02:11:24,480

um do uh Phil's gonna do breakfast dude

3068

02:11:29,629 --> 02:11:25,739

at lunch we're gonna I'm gonna bring the

3069

02:11:31,609 --> 02:11:29,639

chorizo dude dude that's that's kind of

3070

02:11:33,109 --> 02:11:31,619

that's a conversation we haven't had yet

3071

02:11:35,149 --> 02:11:33,119

that's what that's what this breakfast

3072

02:11:39,050 --> 02:11:35,159

needs is tereso

3073

02:11:39,060 --> 02:11:44,750

when I do the accident it's just not

3074

02:11:44,760 --> 02:11:48,220

this

3075

02:11:53,510 --> 02:11:51,129

[Laughter]

3076

02:11:55,310 --> 02:11:53,520

oh it's going to be so good so then

3077

02:12:01,669 --> 02:11:55,320

after we eat we're all gonna take a nap

3078

02:12:08,870 --> 02:12:06,709

dude yes but yeah no l l l l uh l

3079

02:12:12,050 --> 02:12:08,880

tweeted yesterday I was like uh hey you

3080

02:12:14,689 --> 02:12:12,060

could like demand the that our U.S

3081

02:12:17,030 --> 02:12:14,699

government release all of its UFO videos

3082

02:12:18,290 --> 02:12:17,040

apparent UFO videos that they have or

3083

02:12:19,850 --> 02:12:18,300

you could just go hang out with some

3084

02:12:22,669 --> 02:12:19,860

experiencers for a weekend and just

3085

02:12:25,070 --> 02:12:22,679

[h__\h] see for yourself all right l

3086

02:12:27,350 --> 02:12:25,080

mean yeah we've been there right I'm not

3087

02:12:28,970 --> 02:12:27,360

saying I'm not saying if you if you come

3088

02:12:30,830 --> 02:12:28,980

here you're gonna see UFOs I'm just

3089

02:12:32,089 --> 02:12:30,840

saying like any anybody out there I'm

3090

02:12:38,930 --> 02:12:32,099

just yeah

3091

02:12:42,890 --> 02:12:41,149

there's this uh guy

3092

02:12:44,330 --> 02:12:42,900

right next to where I always get my

3093

02:12:46,669 --> 02:12:44,340

coffee every morning

3094

02:12:49,790 --> 02:12:46,679

Texas is outdoor tactical or something

3095

02:12:52,850 --> 02:12:49,800

like that and uh it's dude he's just got

3096

02:12:55,370 --> 02:12:52,860

like it's all like Scopes and night

3097

02:12:58,430 --> 02:12:55,380

visions and all kinds of different stuff

3098

02:13:00,830 --> 02:12:58,440

like Infrareds and all kinds of all

3099

02:13:02,870 --> 02:13:00,840

kinds of stuff looks really cool yeah

3100

02:13:04,850 --> 02:13:02,880

it's like right next to my work

3101
02:13:06,649 --> 02:13:04,860
yeah you want me to go in there one day

3102
02:13:08,450 --> 02:13:06,659
yeah I'd be like hey what you got in

3103
02:13:09,830 --> 02:13:08,460
here yeah dude we should get like a

3104
02:13:12,950 --> 02:13:09,840
monoscope or something dude I'll throw

3105
02:13:16,010 --> 02:13:12,960
in on that okay dude let's dude I'm down

3106
02:13:17,330 --> 02:13:16,020
I'll go in and see what's up and then be

3107
02:13:19,970 --> 02:13:17,340
like hey you also want to be a sponsor

3108
02:13:25,370 --> 02:13:23,270
dude we get like like a couple of like I

3109
02:13:27,470 --> 02:13:25,380
don't know my monoculars or something

3110
02:13:29,450 --> 02:13:27,480
that are like night vision

3111
02:13:31,550 --> 02:13:29,460
at all Melinda said hers were like seven

3112
02:13:33,350 --> 02:13:31,560
Grand so I don't know I don't have that

3113
02:13:36,709 --> 02:13:33,360

money but like but those are like third

3114

02:13:39,050 --> 02:13:36,719

gen military grade what what not's right

3115

02:13:40,970 --> 02:13:39,060

yeah from like a specific dude who makes

3116

02:13:43,010 --> 02:13:40,980

those yeah

3117

02:13:45,830 --> 02:13:43,020

um yeah dudes yes I can go in there and

3118

02:13:48,410 --> 02:13:45,840

just be like hey what's the like what's

3119

02:13:51,950 --> 02:13:48,420

the the the the best shitty thing you

3120

02:13:54,169 --> 02:13:51,960

got yeah dude yes

3121

02:13:55,910 --> 02:13:54,179

it'd be cool if we could like buy a few

3122

02:13:58,729 --> 02:13:55,920

of them so like everybody'd come into

3123

02:14:00,770 --> 02:13:58,739

the the reunion could be like oh would

3124

02:14:02,990 --> 02:14:00,780

be sick well Dan said to his his

3125

02:14:04,189 --> 02:14:03,000

monoscope was like like a hundred bucks

3126

02:14:06,290 --> 02:14:04,199

or something

3127

02:14:08,629 --> 02:14:06,300

maybe I'll go in there and check it out

3128

02:14:09,770 --> 02:14:08,639

that'd be sick oh yeah

3129

02:14:12,890 --> 02:14:09,780

hell yeah

3130

02:14:15,709 --> 02:14:12,900

all right man that was fun man uh epic

3131

02:14:19,250 --> 02:14:15,719

epic epic thank you guys everybody for

3132

02:14:21,290 --> 02:14:19,260

watching live on YouTube in the chat uh

3133

02:14:23,390 --> 02:14:21,300

having a great time appreciate y'all

3134

02:14:25,010 --> 02:14:23,400

love y'all thank you for the super chats

3135

02:14:30,290 --> 02:14:25,020

everybody

3136

02:14:33,649 --> 02:14:30,300

being members on our YouTube channel I

3137

02:14:35,990 --> 02:14:33,659

mean geez we got like like 29 uh uh

3138

02:14:38,390 --> 02:14:36,000

members thank you guys yeah freaking

3139

02:14:41,689 --> 02:14:38,400

love y'all

3140

02:14:43,729 --> 02:14:41,699

and uh that was oh that was it yeah

3141

02:14:46,729 --> 02:14:43,739

growing every week man I'll tell you

3142

02:14:50,390 --> 02:14:46,739

what man hey guys thanks for stopping by

3143

02:14:52,729 --> 02:14:50,400

this has been another episode of UFO

3144

02:14:55,870 --> 02:14:52,739

garage

3145

02:15:00,890 --> 02:14:55,880

and now here comes the awkward silence

3146

02:15:04,189 --> 02:15:00,900

LOL just as planned there it is there it
