

A green alien with large black eyes and a magnifying glass is looking at Earth from space. The alien is holding a magnifying glass in its right hand and a small object in its left hand. The Earth is visible in the foreground, showing blue oceans and white clouds. The background is black.

THEY'RE WATCHING

1
00:00:04,910 --> 00:00:02,930
well you guys are interested in UFOs so

2
00:00:08,030 --> 00:00:04,920
let me give you my what I think is going

3
00:00:10,790 --> 00:00:08,040
on there yeah be a UFO show without it

4
00:00:13,549 --> 00:00:10,800
let's go I think what's going on is that

5
00:00:16,849 --> 00:00:13,559
we are being watched because every

6
00:00:19,910 --> 00:00:16,859
culture no matter where on you know any

7
00:00:22,849 --> 00:00:19,920
Planet as it develops reaches a level of

8
00:00:25,009 --> 00:00:22,859
technological sophistication where it

9
00:00:27,410 --> 00:00:25,019
makes has to make a choice it's either

10
00:00:31,009 --> 00:00:27,420
going to continue as we have been doing

11
00:00:33,729 --> 00:00:31,019
developing Technologies for profit that

12
00:00:36,650 --> 00:00:33,739
destroy the environmental

13
00:00:38,990 --> 00:00:36,660

infrastructure or they wake up and begin

14

00:00:41,630 --> 00:00:39,000

and realize that you must promote

15

00:00:42,950 --> 00:00:41,640

well-being at every level and they're

16

00:00:46,250 --> 00:00:42,960

watching us like cultural

17

00:00:49,430 --> 00:00:46,260

anthropologists that I mean it's clearly

18

00:00:52,130 --> 00:00:49,440

if if any extraterrestrial civilization

19

00:00:54,529 --> 00:00:52,140

wanted to conquer us and it'd be easy so

20

00:00:56,930 --> 00:00:54,539

that's not the issue right right what

21

00:01:01,130 --> 00:00:56,940

they're doing is watching because we're

22

00:01:04,810 --> 00:01:01,140

at the crossroads where we either keep

23

00:01:09,469 --> 00:01:04,820

going and destroy ourselves

24

00:01:13,130 --> 00:01:09,479

or we wake up and realize that the first

25

00:01:15,890 --> 00:01:13,140

social priority of every culture must be

26

00:01:19,490 --> 00:01:15,900

to promote well-being from the bacteria

27

00:01:22,310 --> 00:01:19,500

in the soil to the birds in the sky and

28

00:01:24,710 --> 00:01:22,320

all the beings that walk around on the

29

00:01:26,810 --> 00:01:24,720

planet except mosquitoes have to promote

30

00:01:29,390 --> 00:01:26,820

well-being everything is interconnected

31

00:01:34,310 --> 00:01:29,400

and interdependent and if you don't do

32

00:01:36,950 --> 00:01:34,320

that if you are causing sabotaging the

33

00:01:39,230 --> 00:01:36,960

equilibrium of the system

34

00:01:42,050 --> 00:01:39,240

then you're going to pay a huge price
