

1  
00:00:03,830 --> 00:00:02,270  
gonna be great and not because aliens

2  
00:00:04,789 --> 00:00:03,840  
are just like green or whatever right

3  
00:00:06,889 --> 00:00:04,799  
because we know that they're not there

4  
00:00:09,770 --> 00:00:06,899  
but I think it's refreshing right it's

know how like they're tastes you're

8  
00:00:18,130 --> 00:00:14,420  
really safe
